Distributions of cash or other assets of a limited partnership shall be made among the partners, and among classes of partners, in the manner provided in the partnership agreement. ~~If the partnership agreement does not so provide in writing, distributions shall be made on the basis of the value of the contributions made by each partner to the extent they have been received by the partnership and have not been returned.~~ To the extent the partnership agreement does not provide for the sharing of distributions among the partners, distributions shall be made among the partners on the basis of the agreed value of the contributions made by each partner to the extent they have been received by the partnership and have not been returned. As used in this section, the term 'agreed value' means an amount or other measure of value as (i) is provided in the partnership agreement, or (ii) if not provided in the partnership agreement, is required to be set forth in the written records required pursuant to G.S. 59-106."

Section 26. G.S. 59-602 reads as rewritten:

"**§ 59-602. Withdrawal of general partner.**

After filing of the original certificate of limited ~~partnership~~ partnership, a general partner may withdraw from a limited partnership at any time by giving written notice to the other partners, but if the withdrawal violates the partnership agreement, the limited partnership may recover from the withdrawing general partner, in addition to its other remedies, ~~and~~ any damages for breach of the partnership ~~agreement.~~ agreement and may offset the damages against the amount otherwise distributable or payable to the partner."

Section 27. G.S. 59-603 reads as rewritten:

"**§ 59-603. Withdrawal of limited partner.**

A limited partner may withdraw from a limited partnership only at the time or upon the happening of events specified in writing in and in accordance with the partnership ~~agreement.~~ agreement, including any amendment or addendum to the partnership agreement agreed upon by the partners unanimously or in accordance with the terms of the agreement and made in connection with any permitted withdrawal. If the partnership agreement does not specify in writing the time or the events upon the happening of which a limited partner may ~~withdraw~~ withdraw, a limited partner may not withdraw prior to the ~~or a definite~~ time for the dissolution and winding up of the limited ~~partnership, a limited partner may withdraw upon not less than six months prior written notice to each general partner at his address on the books of the limited partnership at its registered office in this State.~~ partnership."

Section 28. G.S. 59-604 reads as rewritten:

"**§ 59-604. Distribution upon withdrawal.**

Except as provided in this Article, upon withdrawal any withdrawing partner is entitled to receive any distribution to which ~~he~~ the partner is entitled under the partnership agreement and, if not otherwise provided in the agreement, ~~he~~ the partner is entitled to receive, within a reasonable time after withdrawal, the fair value of ~~his~~ the partner's partnership interest in the limited partnership as of the date of ~~withdrawal.~~ withdrawal, based upon the partner's right to share in distributions from the limited partnership."

Section 29. G.S. 59-606 reads as rewritten:

"**§ 59-606. Right to distribution.**

Subject to the other provisions of Part 6 of this Article, at the time a partner becomes entitled to receive a distribution, ~~he~~ the partner has the status of, and is entitled to all remedies available to, a creditor of the limited partnership with respect to the distribution."

Section 30. G.S. 59-608(c) reads as rewritten:

"(c) A partner receives a return of ~~his~~ the partner's contribution to the extent that a distribution to ~~him~~ the partner reduces ~~his~~ the partner's share of the fair value of the net assets of the limited partnership below the agreed value of ~~his~~ the partner's contribution which has not been distributed to ~~him.~~ the partner. As used in this section, the term 'agreed value' means an amount or other measure of value as (i) is provided in the partnership agreement, or (ii) if not provided in the partnership agreement, is required to be set forth in the written records required pursuant to G.S. 59-106."

Section 31. G.S. 59-702 reads as rewritten:

"**§ 59-702. Assignment of partnership interest.**

Except as provided in the partnership agreement, a partnership interest is assignable in whole or in part. Subject to G.S. 59-801(3) an assignment of a partnership interest does not dissolve a limited partnership or entitle the assignee to become or to exercise any rights of a partner. An assignment entitles the assignee to receive, to the extent assigned, only the allocation and distribution to which the assignor would be entitled. Except as provided in the partnership agreement, a

~~limited partner shall continue to be a limited partner after assignment of all or any part of his partnership interest. Except as provided in the partnership agreement, a general~~ partner ceases to be a ~~general~~ partner and to have the power to exercise any rights and powers of a partner upon assignment of all ~~his~~ of the partner's partnership interest. Except as provided in the partnership agreement, neither the pledge or granting of a security interest in any or all of the partnership interest of a partner nor the pledge or granting of a lien or other encumbrance against any or all of the partnership interest of a partner shall cause the partner to cease to be a partner or cease to have the power to exercise any rights or powers of a partner."

Section 32. G.S. 59-704(b) reads as rewritten:

"(b) An assignee who has become a limited partner has, to the extent assigned, the rights and powers, and is subject to the restrictions and liabilities, of a limited partner under the partnership agreement and this Article. An assignee who becomes a limited partner also is liable for the obligations of ~~his~~ the assignee's assignor to make and return contributions as provided in ~~Part~~ Parts 5 and 6 of this Article. However, the assignee is not obligated for liabilities that (i) are unknown to the assignee at the time ~~he~~ the assignee became a limited partner and ~~which~~ (ii) could not be ascertained from the written provisions of the partnership agreement."

Section 33. G.S. 59-801 reads as rewritten:

"**§ 59-801. Nonjudicial dissolution.**

(a) A limited partnership is dissolved and its affairs shall be wound up upon the happening of the first to occur of the following:

(1) At the time specified in the certificate of limited partnership or upon the happening of events specified in writing in the partnership agreement;

(2) Written consent of all partners;

(3) An event of withdrawal of a general partner ~~unless at~~ unless:

a. At the time there is at least one other general ~~partner and the written provisions of the partnership agreement permit~~ partner, in which case, unless otherwise provided in a written partnership agreement or agreed upon by all remaining partners, (i) the limited partnership is not dissolved, (ii) the limited partnership shall not be wound up, and (iii) the business of the limited partnership ~~to be carried on~~ shall be continued by the remaining general ~~partner and that partner does so, but the limited partnership is not dissolved and is not required to be wound up by reason of any event of withdrawal if, within~~ partners; or

b. Within 90 days after the withdrawal, all remaining ~~partners~~ partners, or a lesser number or portion of the partners provided in the partnership agreement, agree in writing to continue the business of the limited partnership and to the appointment of one or more additional general partners if necessary or ~~desired; or~~ desired, in which case the limited

partnership is not dissolved and is not required to be wound up by reason of the event of withdrawal;

(3a) Ninety days after the withdrawal of the limited partnership's last limited partner, unless the limited partnership admits at least one limited partner before the end of the 90 days; or

(4) Entry of a decree of judicial dissolution under G.S. 59-802.

(b) The causes of dissolution of a limited partnership shall be governed solely by this Article. Article 2 of this Chapter, which governs the causes of dissolution of a partnership without limited partners, does not apply and shall not govern the causes of dissolution of a limited partnership."

Section 34. G.S. 59-901 reads as rewritten:

§ 59-901. Law governing.

Subject to the Constitution of this State, ~~(1)~~ (i) the laws of the jurisdiction under which a foreign limited partnership is organized govern its organization and internal affairs and the liability of its ~~limited~~ partners, and ~~(2)~~ (ii) a foreign limited partnership may not be denied registration by reason of any difference between those laws and the laws of this State."

Section 35. G.S. 59-903 reads as rewritten:

"**§ 59-903. Issuance of registration.**

~~(a)~~ If the Secretary of State finds that an application satisfies the requirements of this Article, the Secretary shall, when all requisite fees have been tendered as in this Article prescribed:

(1) Endorse on the application the word 'filed', and the hour, day, month and year of the filing thereof;

(2) File in the office of the Secretary of State the application;

(3) Issue a certificate of authority to transact business in this State to which the Secretary shall affix the conformed copy of the application; and

(4) Send to the foreign limited partnership or its representative the certificate of authority, together with the conformed copy of the application affixed thereto."

Section 36. G.S. 59-907(e) reads as rewritten:

"(e) A limited partner of a foreign limited partnership is not liable as a general partner of the foreign limited partnership solely by reason of the foreign limited partnership's having transacted business in this State without registration."

Section 37. G.S. 59-1002 reads as rewritten:

"**§ 59-1002. Proper plaintiff.**

In a derivative action, the plaintiff must be a partner at the time of bringing the action and ~~(1)~~ (i) must have been a partner at the time of the transaction ~~of which he complains~~ that is the subject of the complaint or ~~(2) his~~ (ii) the plaintiff's status as a partner ~~had~~ must have devolved upon ~~him~~ the partner by operation of law or pursuant to the terms of the partnership agreement from a person who was a partner at the time of the transaction."

Section 38. Sections 2, 3, and 5 become effective October 1, 1999, and apply to liabilities arising on or after that date. Section 4 becomes effective January 1, 2000. Sections 6, 7, and 8 become effective January 1, 2000, and apply to registered limited liability partnerships existing on or after that date. Section 9 becomes effective January 1, 2000, and applies to registered limited liability partnerships and foreign limited liability partnerships whose fiscal year ends on or after that date. Section 10 becomes effective January 1, 2000, and applies to foreign limited liability partnerships transacting business in this State on or after that date, except that any foreign limited liability partnership that, as of that effective date, was already registered with the Secretary of State as a registered limited liability partnership shall not be required to register anew as a foreign limited liability partnership under G.S. 59-91. Section 27 becomes effective October 1, 1999, and applies to (i) any limited partnership formed before that date, only if validly adopted in writing by its partners or otherwise as a part of its partnership agreement, and (ii) all limited partnerships formed on or after that date. The remainder of this act becomes effective October 1, 1999.

A BILL TO BE ENTITLED

AN ACT TO MAKE TECHNICAL AND OTHER CHANGES REGARDING LIMITED PARTNERSHIPS AND THE NORTH CAROLINA REVISED UNIFORM LIMITED PARTNERSHIP ACT, TO CLARIFY THE LIMIT OF LIABILITY IN PROFESSIONAL ORGANIZATIONS, TO PROVIDE FOR THE REGISTRATION OF FOREIGN LIMITED LIABILITY PARTNERSHIPS, AND TO REQUIRE ANNUAL REPORTS BY LIMITED LIABILITY PARTNERSHIPS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 1-79 reads as rewritten:

"**§ 1-79. Domestic ~~corporations.~~ corporations, limited partnerships, limited liability companies, and registered limited liability partnerships.**

(a) For the purpose of suing and being sued the residence of a domestic ~~corporation~~ corporation, limited partnership, limited liability company, or registered limited liability partnership is as follows:

(1) Where the registered or principal office of the ~~corporation~~ corporation, limited partnership, limited liability company, or registered limited liability partnership is located, or

(2) Where the ~~corporation~~ corporation, limited partnership, limited liability company, or registered limited liability partnership maintains a place of ~~business.~~ business, or

(3) If no registered or principal office is in existence, and no place of business is currently maintained or can reasonably be found, the term 'residence' shall include any place where the ~~corporation~~ corporation, limited partnership, limited liability company, or registered limited liability partnership is regularly engaged in carrying on business.

(b) For purposes of this section, the term 'domestic' when applied to an entity means:

(1) An entity formed under the laws of this State, or

(2) An entity that (i) is formed under the laws of any jurisdiction other than this State, and (ii) maintains a registered office in this State pursuant to a certificate of authority from the Secretary of State."

Section 2. G.S. 55B-9(b) reads as rewritten:

"(b) Liability. -- A shareholder, a director, or an officer of a professional corporation is not individually ~~liable~~ liable, directly or indirectly, including by indemnification, contribution, assessment, or otherwise, for the ~~debts and obligations~~ of debts, obligations, and liabilities of, or chargeable to, the professional corporation ~~arising~~ that arise from errors, omissions, negligence, malpractice, incompetence, or ~~malfeasance committed in the course of the professional corporation's business by another shareholder, director, or officer, or by a representative of the professional corporation not working under the supervision or direction of the first shareholder, director, or officer at the time the errors, omissions, negligence, incompetence, or malfeasance occurred, unless the first shareholder, director, or officer was directly involved in the specific activity in which the errors, omissions, negligence, incompetence, or malfeasance were committed by the other shareholder, director, or officer or by the representative.~~ malfeasance committed by another shareholder, director, or officer or by a representative of the professional corporation; provided, however, nothing in this Chapter shall affect the liability of a shareholder, director, or officer of a professional corporation for his or her own errors, omissions, negligence, malpractice, incompetence, or malfeasance committed in the rendering of professional services. This subsection does not affect the joint and several liability of a shareholder, a director, or an officer of a professional corporation for any taxes owed by the professional corporation under Chapter 105 of the General Statutes or Article 3 of Chapter 119 of the General Statutes."

Section 3. G.S. 57C-2-01(c) reads as rewritten:

"(c) Subsections (a) and (b) of this section to the contrary notwithstanding and except as set forth in this subsection, a domestic or foreign limited liability company shall engage in rendering professional services only to the extent that a professional corporation acting pursuant to Chapter 55B of the General Statutes or a corporation acting pursuant to Chapter 55 of the General Statutes may engage in rendering professional services under the conditions and limitations imposed by an applicable licensing statute. Chapter 55B of the General Statutes and each applicable licensing statute are deemed amended to provide that professionals licensed under the applicable licensing statute may render professional services through a domestic or

foreign limited liability company. For purposes of applying the provisions, conditions, and limitations of Chapter 55B of the General Statutes and the applicable licensing statute to domestic and foreign limited liability companies that engage in rendering professional services, (i) unless the context clearly requires otherwise, references to Chapter 55 of the General Statutes (the North Carolina Business Corporation Act) shall be treated as references to this Chapter, and references to a "corporation" or "foreign corporation" shall be treated as references to a limited liability company or foreign limited liability company, respectively, (ii) members shall be treated in the same manner as shareholders of a professional corporation, (iii) managers shall be treated in the same manner as directors of a professional corporation, (iv) the persons signing the articles of organization of a limited liability company shall be treated in the same manner as the incorporators of a professional corporation, and (v) the name of a domestic or foreign limited liability company so engaged shall comply with G.S. 57C-2-30 or G.S. 57C-7-06 and, in addition, shall contain the word "Professional" or the abbreviation "P.L.L.C." or "PLLC". For purposes of this subsection, "applicable licensing statute" shall mean those provisions of the General Statutes referred to in G.S. 55B-2(6).

Nothing in this Chapter shall be interpreted to abolish, modify, restrict, limit, or alter the law in this State applicable to the professional relationship and liabilities between the individual furnishing the professional services and the person receiving the professional services, ~~or~~ the standards of professional conduct applicable to the rendering of the ~~services.~~ services, or any ~~This Chapter does not relieve individuals of~~ responsibilities, obligations, or ~~the imposition of~~ sanctions imposed under applicable licensing ~~statutes, even if the sanctions are imposed for the conduct of other members of a limited liability company.~~ statutes. A member or manager of a professional limited liability company is not individually ~~liable for debts and obligations of~~ liable, directly or indirectly, including by indemnification, contribution, assessment, or otherwise, for debts, obligations, and liabilities of, or chargeable to, the professional limited liability company ~~arising~~ that arise from errors, omissions, negligence, malpractice, incompetence, or malfeasance committed ~~in the course of the professional limited liability company's business by another member or manager or a representative of the professional limited liability company not working under the supervision or direction of the first member or manager at the time the errors, omissions, negligence, incompetence, or malfeasance occurred, unless the first member or manager was directly involved in the specific activity in which the errors, omissions, negligence, incompetence, or malfeasance were committed by the other member or manager or representative.~~ by another member, manager, employee, agent, or other representative of the professional limited liability company; provided, however, nothing in this Chapter shall affect the liability of a member or manager of a professional limited liability company for his or her own errors, omissions, negligence, malpractice, incompetence, or malfeasance committed in the rendering of professional services."

Section 4. G.S. 59-32 reads as rewritten:

"**§ 59-32. Definition of terms.**

~~In this Article:~~ As used in this Chapter, except as otherwise defined in Article 5 of this Chapter for purposes of that Article, unless the context otherwise requires:

(1) 'Bankrupt' ~~includes~~ means bankrupt under the Federal Bankruptcy Act or insolvent under any State insolvent act.

(2) 'Business' ~~includes~~ means every trade, occupation, or profession.

(3) 'Conveyance' ~~includes~~ means every assignment, lease, mortgage, or encumbrance.

(4) 'Court' ~~includes~~ means every court and judge having jurisdiction in the case.

(4a) 'Foreign limited liability partnership' means a partnership that (i) is formed under laws other than the laws of this State, and (ii) has the status of a limited liability partnership or registered limited liability partnership under those laws.

(5) 'Person' ~~includes~~ means individuals, partnerships, corporations, limited liability companies, and other associations.

(6) 'Real property' ~~includes~~ means land and any interest or estate in land.

(7) 'Registered limited liability partnership' means a partnership that is registered under G.S. 59-84.2 and complies with G.S. 59-84.3."

Section 5. G. S. 59-45 reads as rewritten:

"**§ 59-45. Nature of partner's liability in ordinary partnerships and in registered limited liability partnerships.**

(a) Except as provided by ~~subsection~~ subsections (a1) and (b) of this section, all partners are jointly and severally liable for the acts and obligations of the partnership.

(a1) Except as provided in subsection (b) of this section, a partner in a registered limited liability partnership is not individually liable for debts and obligations of the partnership incurred while it is a registered limited liability partnership solely by reason of being a partner and does not become liable by participating, in whatever capacity, in the management or control of the business of the partnership.

(b) Nothing in this Chapter shall be interpreted to abolish, modify, restrict, limit, or alter the law in this State applicable to the professional relationship and liabilities between the individual furnishing the professional services and the person receiving the professional services, the standards of professional conduct applicable to the rendering of the services, or any responsibilities, obligations, or sanctions imposed under applicable licensing statutes. A partner in a registered limited liability partnership is not individually ~~liable~~ liable, directly or indirectly, including by indemnification, contribution, assessment, or otherwise, for ~~debts and obligations of~~ the debts, obligations, and liabilities of, or chargeable to, the registered limited liability partnership ~~arising~~ that arise from errors, omissions, negligence, malpractice, incompetence, or malfeasance committed by another partner or by an employee, agent, or other representative of the partnership; provided, however, nothing in this Chapter shall affect the liability of a partner of a professional registered limited liability partnership for his or her own errors, omissions, negligence, malpractice, incompetence, or malfeasance committed in the rendering of professional services.

~~committed in the course of the partnership business by another partner or representative of the partnership not working under the supervision or direction of the first partner at the time the errors, omissions, negligence, incompetence, or malfeasance occurred, unless the first partner was directly involved in the specific activity in which the errors, omissions, negligence, incompetence, or malfeasance were committed by the other partner or representative.~~

~~(c) Subsection (b) of this section does not affect any of the following:~~

~~(1) The joint and several liability of a partner for debts and obligations of the partnership arising from any cause other than those specified in subsection (b) of this section.~~

~~(2) The joint and several liability of a partner for any taxes owed by the partnership under Chapter 105 of the General Statutes or Article 3 of Chapter 119 of the General Statutes.~~

~~(3) The liability of partnership assets for partnership debts and obligations.~~

(d) A partner in a registered limited liability partnership is not a proper party to proceedings by or against a limited liability partnership, except where the object of the proceeding is to enforce a partner's right against or liability to the limited liability partnership.

(e) The liability of partners of a registered limited liability partnership formed and existing under this Chapter shall at all times be determined solely and exclusively by this Chapter and the laws of this State.

(f) If a conflict arises between the laws of this State and the laws of any other jurisdiction with regard to the liability of a partner of a registered limited liability partnership formed and existing under this Chapter for the debts, obligations, and liabilities of the registered limited liability partnership, this Chapter and the laws of this State shall govern in determining the liability."

Section 6. Chapter 59 of the General Statutes is amended by adding a new Article 3B to read as follows and to include current G.S. 59-84.2 and G.S. 59-84.3 as the first and second sections in Article 3B:

"ARTICLE 3B.

"Registered Limited Liability Partnerships."

Section 7. G.S. 59-84.2 reads as rewritten:

"**§ 59-84.2. Registered limited liability partnerships.**

(a) To become a registered limited liability partnership, a partnership must file with the Secretary of State an application ~~stating~~ stating:

(1) ~~the~~ The name of the ~~partnership;~~ partnership.

(2) ~~the~~ The street address of its principal ~~office;~~ office.

(3) The name and street address, and the mailing address if different from the street address, for the partnership's registered agent and registered office for service of process.

(4) The county in which the registered office is located.

(5) ~~the number of partners, and a~~ A brief statement of the business in which the partnership engages.

(6) A deferred effective date, if any.

(7) The fiscal year end of the partnership.

~~A registration as a registered limited liability partnership must be renewed annually.~~

(a1) The terms and conditions on which a partnership becomes a limited liability partnership must be approved by the vote necessary to amend the partnership agreement except, in the case of a partnership agreement that expressly considers obligations to contribute to the partnership, the vote necessary to amend those provisions.

(b) An application for registration as a registered limited liability partnership must be executed ~~by a majority in interest of the partners or~~ by one or more ~~partners authorized by a majority in interest of the~~ partners.

(c) An application for registration as a registered limited liability partnership ~~or for renewal of a registration~~ must be accompanied by a fee of one hundred twenty-five dollars ~~($100.00).~~ ($125.00).

(d) The Secretary of State shall register ~~or renew the registration of~~ a partnership that submits a completed application with the required fee.

(e) A registration is effective ~~for one year after~~ on the later of the date the registration is ~~filed,~~ filed or the date specified in the application for registration, unless it is voluntarily withdrawn ~~before then~~ by filing with the Secretary of State a written withdrawal notice executed by ~~a majority in interest of the partners or by~~ one or more ~~partners authorized by a majority in interest of the partners.~~ of the partners, or is revoked pursuant to G.S. 59-84.4(f).

(f) The Secretary of State may provide forms for applications for ~~registration or renewal of a~~ registration.

(g) The status of a registered limited liability partnership and the liability of its partners is not affected by errors or later changes in the information required to be contained in the application for registration.

(h) An amendment or withdrawal of a registration is effective on the later of the date it is filed or a deferred effective date specified in the amendment or withdrawal."

Section 8. G. S. 59-84.3 reads as rewritten:

"**§ 59-84.3. Name of registered limited liability partnerships.**

A registered limited liability partnership's name must contain the words 'registered limited liability partnership' or 'limited liability partnership' or the abbreviation ~~"L.L.P."~~ 'L.L.P.', 'R.L.L.P.', 'LLP' or 'RLLP' as the last words or letters of its name."

Section 9. Article 3B of Chapter 59, as created by Section 6 of this act, is amended by adding a new section to read:

"**§ 59-84.4. Annual report for Secretary of State.**

(a) Each registered limited liability partnership and each foreign limited liability partnership authorized to transact business in this State shall deliver to the Secretary of State for filing an annual report, in a form prescribed by the Secretary of State, that sets forth all of the following:

(1) The name of the registered limited liability partnership or foreign limited liability partnership and the state or country under whose law it is formed.

(2) The street address, and the mailing address if different from the street address, of the registered office, the county in which the registered office is located, and the name of its registered agent at that office in this State, and a statement of any change of the registered office or registered agent, or both.

(3) The street address and telephone number of its principal office.

(4) A brief description of the nature of its business.

If the information contained in the most recently filed annual report has not changed, a certification to that effect may be made instead of setting forth the information required by subdivisions (2) through (4) of this subsection. The Secretary of State shall make available the form required to file an annual report.

(b) Information in the annual report must be current as of the date the annual report is executed on behalf of the registered limited liability partnership or the foreign limited liability partnership.

(c) The annual report shall be delivered to the Secretary of State by the fifteenth day of the fourth month following the close of the registered or foreign limited liability partnership's fiscal year. The annual report must be accompanied by a fee of two hundred dollars ($200.00). This fee shall be retained by the Secretary of State for the purposes of administering of this Chapter, however, any funds not used for such purposes by the end of the fiscal year in which the funds were received shall revert to the General Fund.

(d) If an annual report does not contain the information required by this section, the Secretary of State shall promptly notify the reporting registered or foreign limited liability partnership in writing and return the report to it for correction. If the report is corrected to contain the information required by this section and delivered to the Secretary of State within 30 days after the effective date of notice, it is deemed to be timely filed.

(e) Amendments to any previously filed annual report may be filed with the Secretary of State at any time for the purpose of correcting, updating, or augmenting the information contained in the annual report.

(f) The Secretary of State may revoke the registration of a registered limited liability partnership or foreign limited liability partnership if the Secretary of State determines that:

(1) The registered limited liability partnership or foreign limited liability partnership has not paid, within 60 days after they are due, any penalties, fees, or other payments due under this Chapter;

(2) The registered limited liability partnership or foreign limited liability partnership does not deliver its annual report to the Secretary of State on or before the date it is due;

(3) The registered limited liability partnership or foreign limited liability partnership has been without a registered agent or registered office in this State for 60 days or more; or

(4) The registered limited liability partnership or foreign limited liability partnership does not notify the Secretary of State within 60 days of the change, resignation, or discontinuance that its registered agent or registered office has been changed, that its registered agent has resigned, or that its registered office has been discontinued.

(g) If the Secretary of State determines that one or more grounds exist under subsection (f) of this section for revoking the registration of the registered limited liability partnership or foreign limited liability partnership, the Secretary of State shall mail the registered limited liability partnership or foreign limited liability partnership written notice of that determination. If, within 60 days after the notice is mailed, the registered limited liability partnership or foreign limited liability partnership does not correct each ground for revocation or demonstrate to the reasonable satisfaction of the Secretary of State that each ground does not exist, the Secretary of State shall revoke the registration of a registered limited liability partnership or foreign limited liability partnership by signing a certificate of revocation that recites the ground or grounds for revocation and its effective date. The Secretary of State shall file the original certificate of revocation and mail a copy to the registered limited liability partnership or foreign limited liability partnership.

(h) A registered limited liability partnership or foreign limited liability partnership whose registration is revoked under this section may apply to the Secretary of State for reinstatement not later than five years after the effective date of the revocation. The procedures for reinstatement and for the appeal of any denial of the registered limited liability partnership or foreign limited liability partnership's application for reinstatement shall be the same procedures applicable to business corporations under G.S. 55-14-22, 55-14-23, and 55-14-24."

Section 10. Chapter 59 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 4A.

"Foreign Limited Liability Partnerships.

"§ 59-90. Law governing foreign limited liability partnership.

(a) The law of the state or jurisdiction under which a foreign limited liability partnership is formed governs relations among the partners and between the partners and the partnership and the liability of partners for obligations of the partnership.

(b) A foreign limited liability partnership may not be denied a statement of foreign registration by reason of any difference between the law under which the partnership was formed and the law of this State.

(c) A statement of foreign registration does not authorize a foreign limited liability partnership to engage in any business or exercise any power that a partnership may not engage in or exercise in this State as a registered limited liability partnership.

"§ 59-91. Statement of foreign registration.

(a) Before transacting business in this State, a foreign limited liability partnership must file an application for registration as a foreign limited liability partnership. The application must contain:

(1) The name of the foreign limited liability partnership that satisfies the requirements of the State or other jurisdiction under whose law it is formed and ends with the words "registered limited liability partnership" or "limited liability partnership" or the abbreviation "R.L.L.P.", "L.L.P.", "RLLP", or "LLP".

(2) The street address of the partnership's principal office.

(3) The name and street address, and the mailing address if different from the street address, for the partnership's registered agent and registered office for service of process, and the county in which the registered office is located.

(4) A brief statement of the business in which the partnership is engaged.

(5) A deferred effective date, if any.

The foreign limited liability partnership shall deliver with the completed application a certificate of existence, or a document with similar import, duly authenticated by the secretary of state or other official having custody of the records of registered limited liability partnerships in the state or country under whose law it is registered.

(b) The registered agent of a foreign limited liability partnership for service of process must be (i) an individual who is a resident of this State and whose business office is identical with the registered office; (ii) a domestic corporation, nonprofit corporation, or limited liability company whose business office is identical with the registered office; or (iii) a foreign corporation, nonprofit corporation, or limited liability company authorized to transact business in this State whose business office is identical with the registered office. The sole duty of the registered agent to the foreign limited liability partnership is to forward to the foreign limited liability partnership at its last known address any notice, process, or demand that is served on the registered agent.

(c) An application for registration as a foreign limited liability partnership must be accompanied by a fee of one hundred twenty-five dollars ($125.00).

(d) The Secretary of State shall register a partnership that submits a completed application for registration as a foreign limited liability partnership with the required fee.

(e) The status of a partnership as a foreign limited liability partnership is effective on the later of the date the registration is filed or a date specified in the statement. The status remains effective, regardless of changes in the partnership, until it is voluntarily withdrawn by filing with the Secretary of State a written withdrawal notice executed by one or more partners or revoked pursuant to G.S. 59-84.4(f).

(f) An amendment or withdrawal of a registration is effective on the later of the date it is filed or a deferred effective date specified in the amendment or withdrawal.

(g) An application for registration as a foreign limited liability partnership must be executed by one or more partners.

(h) A foreign limited liability partnership authorized to transact business in this State shall be subject to the provisions of G.S. 59-84.4 regarding annual reports and revocation of registration.

"**§ 59-92. Effect of failure to register.**

(a) A foreign limited liability partnership transacting business in this State may not maintain an action or proceeding in this State unless it has in effect a registration as a foreign limited liability partnership.

(b) The failure of a foreign limited liability partnership to have in effect a registration as a foreign limited liability partnership does not impair the validity of a contract or act of the foreign limited liability partnership or preclude it from defending an action or proceeding in this State.

(c) A limitation on personal liability of a partner is not waived solely by transacting business in this State without a registration as a foreign limited liability partnership.

(d) A foreign limited liability partnership failing to register as a foreign limited liability partnership as required by this Article shall be liable to the State for the years or parts thereof during which it transacted business in this State without having registered in an amount equal to all fees and taxes which would have been imposed by law upon the foreign limited liability partnership had it duly applied for and received such permission, plus interest and all penalties imposed by law for failure to pay such fees and taxes. In addition, the foreign limited liability partnership shall be liable for a civil penalty of ten dollars ($10.00) for each day, but not to exceed a total of one thousand dollars ($1,000) for each year or part thereof, it transacts business in this State without having registered. The Attorney General may bring actions to recover all amounts due the State under the provisions of this subsection.

"**§ 59-93. Activities not constituting transacting business.**

(a) Without excluding other activities that may not constitute transacting business in this State, a foreign limited liability partnership shall not be considered to be transacting business in this State for the purposes of this Article by reason of carrying on in this State any one or more of the following activities:

(1) Maintaining or defending any action or suit or any administrative or arbitration proceeding or effecting the settlement thereof or the settlement of claims or disputes;

(2) Holding meetings of its partners or carrying on other activities concerning its internal affairs;

(3) Maintaining bank accounts or borrowing money in this State, with or without security, even if such borrowings are repeated and continuous transactions;

(4) Maintaining offices or agencies for the transfer, exchange, and registration of the partnership's own securities, or appointing and maintaining trustees or depositories with relation to those securities;

(5) Soliciting or procuring orders, whether by mail or through employees or agents or otherwise, where the orders require acceptance without this State before becoming binding contracts;

(6) Making or investing in loans with or without security including servicing of mortgages or deeds of trust through independent agencies within the State, the conducting of foreclosure proceedings and sales, the acquiring of property at foreclosure sale, and the management and rental of such property for a reasonable time while liquidating its investment, provided no office or agency therefor is maintained in this State;

(7) Taking security for or collecting debts due to it or enforcing any rights in property securing the same;

(8) Transacting business in interstate commerce;

(9) Conducting an isolated transaction completed within a period of six months and not in the course of a number of repeated transactions of like nature;

(10) Selling through independent contractors; and

(11) Owning, without more, real or personal property.

(b) This section does not apply in determining the contacts or activities that may subject a foreign limited liability partnership to service of process, taxation, or regulation under any other law of this State.

"§ 59-94. Action by Attorney General.

The Attorney General may maintain an action to restrain a foreign limited liability partnership from transacting business in this State in violation of this Article."

Section 11. G.S. 59-102 reads as rewritten:

"**§ 59-102. Definitions.**

As used in this Article, unless the context otherwise requires:

(1) 'Business' means any lawful trade, investment, or other purpose or activity, whether or not the trade, investment, purpose, or activity is carried on for profit.

~~(1)~~ (1a) 'Certificate of limited partnership' means the certificate referred to in G.S. 59-201, and the certificate as amended.

(2) 'Conformed copy' shall include a photostatic or other photographic copy of the original document.

Section 12. G.S. 59-106(a)(5) reads as rewritten:

"(5) ~~Unless contained in a written partnership agreement:~~ A written record that contains:

a. The amount of cash and a description and statement of the agreed value of the other property or services contracted by each partner and which each partner has agreed to contribute;

b. The times at which or events on the happening of which any additional contributions agreed to be made by each partner are to be made;

c. Any right of a partner to receive distribution of property, including cash from the limited partnership; and

d. Events upon the happening of which the limited partnership is to be dissolved and its affairs wound up.

The written record required pursuant to this subdivision may be part of a written partnership agreement or may be contained in one or more other documents or records."

Section 13. G.S. 59-107 reads as rewritten:

"**§ 59-107. Nature of business.**

A limited partnership may be formed for and carry on any lawful ~~business that a partnership without limited partners may carry on.~~ business."

Section 14. G.S. 59-205 reads as rewritten:

"**§ 59-205. ~~Amendment or cancellation~~ Execution by judicial act.**

If a person ~~required by G.S. 59-204 to execute a certificate of amendment or cancellation~~ fails or refuses to ~~do so,~~ execute a certificate pursuant to G.S. 59-204, any other ~~partner, and any assignee of a partnership interest,~~ person who is adversely affected by the failure or refusal, may petition the court for the county in which the partnership's registered office is located to direct the ~~amendment or cancellation.~~ execution of the certificate. If the court finds that ~~the amendment or cancellation is proper~~ it is proper for the certificate to be executed and that any person so designated has failed or refused to execute the certificate, it shall order an appropriate person to prepare, and the Secretary of State to ~~record~~ record, an appropriate ~~certificate of amendment or cancellation.~~ certificate."

Section 15. G.S. 59-206(a)(5) reads as rewritten:

"(5) The certificate required by subdivision (3a) of this ~~section~~ subsection shall be recorded by the register of deeds in the same manner as deeds, and for the same fees, but no formalities as to acknowledgement, probate, or approval by any other officer shall be required. The former name of the limited partnership holding title to the real property before the amendment shall appear in the 'Grantor' index, and the amended name of the limited partnership holding title to the real property by virtue of the amendment shall appear in the 'Grantee' index."

Section 16. G.S. 59-301 reads as rewritten:

"**§ 59-301. Admission of ~~additional~~ limited partners.**

(a) In connection with the formation of a limited partnership, a person is admitted as a limited partner upon the later to occur of:

(1) The formation of the limited partnership; or

(2) The time provided for becoming a limited partner pursuant to and upon compliance with the partnership agreement.

(b) After the ~~filing~~ formation of a ~~limited partnership's original certificate of~~ limited partnership, a person may be admitted as an additional limited partner:

(1) In the case of a person acquiring a partnership interest directly from the limited partnership, at the time provided pursuant to, and

upon the compliance ~~with~~ with, the partnership ~~agreement, or, if the partnership agreement does not so provide, upon the written consent of all partners;~~ agreement; and

(2) In the case of an assignee of a partnership interest of a partner who has the power, as provided in G.S. 59-704, to grant the assignee the right to become a limited partner, upon the exercise of that power and compliance with any conditions limiting the grant or exercise of the power."

Section 17. G.S. 59-302 reads as rewritten:

"**§ 59-302. Voting.**

~~Subject to G.S. 59-303, the~~ The partnership agreement may grant to all or a specified group of the limited partners the right to vote (on a per capita or other basis) upon any matter."

Section 18. G.S. 59-303 reads as rewritten:

"**§ 59-303. Liability to third parties.**

~~(a) Except as provided in subsection (d), a limited partner is not bound by the obligations of a limited partnership unless he is also a general partner or, in addition to the exercise of his rights and powers as a limited partner, he takes part in the control of the business. However, if the limited partner's participation in the control of the business is not substantially the same as the exercise of the powers of a general partner, he is liable only to persons who transact business with the limited partnership with actual knowledge of his participation in control.~~

~~(b) A limited partner does not participate in the control of the business within the meaning of subsection (a) solely by doing one or more of the following:~~

~~(1) Being a contractor for or an agent or employee of the limited partnership or of a general partner, or an officer, director, or shareholder of a corporate general partner;~~

~~(2) Consulting with and advising a general partner with respect to the business of the limited partnership;~~

~~(3) Acting as surety for the limited partnership;~~

~~(4) Proposing, approving or disapproving an amendment to the partnership agreement;~~

~~(5) Proposing or voting on one or more of the following matters:~~

~~a. The dissolution and winding up of the limited partnership;~~

~~b. The sale, exchange, lease, mortgage, pledge, or other transfer of all or substantially all of the assets of the limited partnership other than in the ordinary course of its business;~~

~~c. The incurrence of indebtedness by the limited partnership other than in the ordinary course of its business;~~

~~d. A change in the nature of the business; or~~

~~e. The addition, removal or substitution of general partners;~~

~~(6) Bringing an action in the right of a limited partnership to recover a judgment in its favor pursuant to Part 10 of this Article;~~

~~(7) Approving or disapproving a transaction involving an actual or potential conflict of interest between a general partner and the limited partnership; or~~

~~(8) Requesting or attending a meeting of partners.~~

~~(c) The enumeration in subsection (b) does not mean that the possession or exercise of any other powers by a limited partner constitutes participation by him in the control of the business of the limited partnership.~~

~~(d) A limited partner who knowingly permits his name to be used in the name of the limited partnership, except under circumstances permitted by G.S. 59-103(b)(i), is liable to creditors who extend credit to the limited partnership without actual knowledge that the limited partner is not a general partner.~~

A limited partner is not liable for the obligations of a limited partnership by reason of being a limited partner and does not become liable for the obligations of a limited partnership by participating in the management or control of the business of the limited partnership."

Section 19. G.S. 59-304 reads as rewritten:

"**§ 59-304. Person erroneously believing himself limited partner.**

(a) Except as provided in subsection (b), a person who makes a contribution to a business enterprise and erroneously but in good faith believes that ~~he~~ the person has become a limited partner in the enterprise is not a general partner in the enterprise and is not bound by its obligations by reason of making the contribution, receiving distributions from the enterprise, or exercising any rights of a limited partner, if, on ascertaining the mistake, he:

(1) Causes an appropriate certificate of limited partnership or certificate of amendment to be executed and filed; or

(2) Withdraws from future equity participation in the enterprise.

(b) A person who makes a contribution of the kind described in subsection (a) of this section is liable as a general partner to any third party who transacts business with the enterprise ~~(i) before the person withdraws from the enterprise, or (ii) before the person gives notice to the partnership of his withdrawal from future equity participation, but only if the third party actually believed in good faith that the person was a general partner at the time of the transaction.~~ in the case in which:

(1) The third party actually believed in good faith that the person was a general partner at the time of the transaction; and

(2) The third party transacted business with the enterprise before either:

a. An appropriate certificate has been filed pursuant to subsection (a) of this section to reflect that the person is not a general partner; or

b. The person has given notice to the partnership of withdrawal from future equity participation and before the withdrawal was effective."

Section 20. G.S. 59-305 reads as rewritten:

"**§ 59-305. Information.**

Each limited partner has the right to:

(1) Inspect and copy any of the partnership records required to be maintained by G.S. 59-106; and

(2) Obtain from the general partners from time to time upon reasonable demand (i) true and full information regarding the state of the business and financial condition of the limited partnership, (ii) promptly after becoming available, a copy of the limited partnership's federal, State, and local income tax returns for each year, and (iii) other information regarding the affairs of the limited partnership as is just and reasonable."

Section 21. G.S. 59-402(4) reads as rewritten:

"(4) Unless otherwise provided in writing in the partnership agreement, the general partner: (i) makes an assignment for the benefit of creditors; (ii) files a voluntary petition in bankruptcy; (iii) is adjudicated a bankrupt or insolvent; (iv) files a petition or answer seeking for himself any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under any statute, law, or regulation; (v) files an answer or other pleading admitting or failing to contest the material allegations of a petition filed against ~~him~~ the general partner in any proceeding of this nature; or (vi) seeks, consents to, or acquiesces in the appointment of a trustee, receiver, or liquidator of the general partner or of all or any substantial part of ~~his~~ the general partner's properties;".

Section 22. G.S. 59-402(5) reads as rewritten:

"(5) Unless otherwise provided in writing in the partnership agreement, 120 days after the commencement of any proceeding against the general partner seeking reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under any statute, law, or regulation, the proceeding has not been dismissed, or if within 90 days after the appointment without ~~his~~ the general partner's consent or acquiescence of a trustee, receiver, or liquidator of the general partner or of all or any substantial part of his properties, the appointment is not vacated or stayed, or within 90 days after the expiration of any such stay, the appointment is not vacated;".

Section 23. G.S. 59-502(a) reads as rewritten:

"(a) Except as provided in the ~~agreement of limited partnership,~~ partnership agreement, a partner is obligated to the limited partnership to perform any enforceable promise to contribute cash or property or to perform services, even if ~~he~~ the partner is unable to perform because of death, disability or any other reason. If a partner does not make the required contribution of property or services, ~~he~~ the partner is obligated at the option of the limited partnership to contribute cash equal to that portion of the agreed value of the stated contribution that has not been made. As used in this section, the term 'agreed value' means an amount or other measure of

value as (i) is provided in the partnership agreement, or (ii) if not provided in the partnership agreement, is required to be set forth in the written records required pursuant to G.S. 59-106."

Section 24. G.S. 59-503 reads as rewritten:

"**§ 59-503. Sharing income, gain, loss, deduction or credit.**

~~Allocation of the income;~~ Income, gain, loss, deduction or credit of a limited partnership shall be allocated among the partners, and among classes of partners, in the manner provided in the partnership agreement. ~~If the partnership agreement does not so provide in writing, items of income, gain, loss, deduction or credit shall be allocated on the basis of the value of the contributions made by each partner to the extent they have been received by the partnership and have not been returned.~~ To the extent the partnership agreement does not provide for the allocation of items of income, gain, loss, deduction, or credit, then those items shall be allocated on the basis of the agreed value of the contributions made by each partner to the extent they have been received by the partnership and have not been returned. As used in this section, the term 'agreed value' means an amount or other measure of value as (i) is provided in the partnership agreement, or (ii) if not provided in the partnership agreement, is required to be set forth in the written records required pursuant to G.S. 59-106."

Section 25. G.S. 59-504 reads as rewritten:

"**§ 59-504. Sharing of distributions.**

Distributions of cash or other assets of a limited partnership shall be made among the partners, and among classes of partners, in the manner provided in the partnership agreement. ~~If the partnership agreement does not so provide in writing, distributions shall be made on the basis of the value of the contributions made by each partner to the extent they have been received by the partnership and have not been returned.~~ To the extent the partnership agreement does not provide for the sharing of distributions among the partners, distributions shall be made among the partners on the basis of the agreed value of the contributions made by each partner to the extent they have been received by the partnership and have not been returned. As used in this section, the term 'agreed value' means an amount or other measure of value as (i) is provided in the partnership agreement, or (ii) if not provided in the partnership agreement, is required to be set forth in the written records required pursuant to G.S. 59-106."

Section 26. G.S. 59-602 reads as rewritten:

"**§ 59-602. Withdrawal of general partner.**

After filing of the original certificate of limited ~~partnership~~ partnership, a general partner may withdraw from a limited partnership at any time by giving written notice to the other partners, but if the withdrawal violates the partnership agreement, the limited partnership may recover from the withdrawing general partner, in addition to its other remedies, ~~and~~ any damages for breach of the partnership ~~agreement.~~ agreement and may offset the damages against the amount otherwise distributable or payable to the partner."

Section 27. G.S. 59-603 reads as rewritten:

"**§ 59-603. Withdrawal of limited partner.**

A limited partner may withdraw from a limited partnership only at the time or upon the happening of events specified in writing in and in accordance with the partnership ~~agreement.~~ agreement, including any amendment or addendum to the partnership agreement agreed upon by the partners unanimously or in accordance with the terms of the agreement and made in connection with any permitted withdrawal. If the partnership agreement does not specify in writing the time or the events upon the happening of which a limited partner may ~~withdraw~~ withdraw, a limited partner may not withdraw prior to the ~~or a definite~~ time for the dissolution and winding up of the limited ~~partnership, a limited partner may withdraw upon not less than six months prior written notice to each general partner at his address on the books of the limited partnership at its registered office in this State.~~ partnership."

Section 28. G.S. 59-604 reads as rewritten:

"**§ 59-604. Distribution upon withdrawal.**

Except as provided in this Article, upon withdrawal any withdrawing partner is entitled to receive any distribution to which ~~he~~ the partner is entitled under the partnership agreement and, if not otherwise provided in the agreement, ~~he~~ the partner is entitled to receive, within a reasonable time after withdrawal, the fair value of ~~his~~ the partner's partnership interest in the limited partnership as of the date of ~~withdrawal.~~ withdrawal, based upon the partner's right to share in distributions from the limited partnership."

Section 29. G.S. 59-606 reads as rewritten:

"**§ 59-606. Right to distribution.**

Subject to the other provisions of Part 6 of this Article, at the time a partner becomes entitled to receive a distribution, ~~he~~ the partner has the status of, and is entitled to all remedies available to, a creditor of the limited partnership with respect to the distribution."

Section 30. G.S. 59-608(c) reads as rewritten:

"(c) A partner receives a return of ~~his~~ the partner's contribution to the extent that a distribution to ~~him~~ the partner reduces ~~his~~ the partner's share of the fair value of the net assets of the limited partnership below the agreed value of ~~his~~ the partner's contribution which has not been distributed to ~~him.~~ the partner. As used in this section, the term 'agreed value' means an amount or other measure of value as (i) is provided in the partnership agreement, or (ii) if not provided in the partnership agreement, is required to be set forth in the written records required pursuant to G.S. 59-106."

Section 31. G.S. 59-702 reads as rewritten:

"**§ 59-702. Assignment of partnership interest.**

Except as provided in the partnership agreement, a partnership interest is assignable in whole or in part. Subject to G.S. 59-801(3) an assignment of a partnership interest does not dissolve a limited partnership or entitle the assignee to become or to exercise any rights of a partner. An assignment entitles the assignee to receive, to the extent assigned, only the allocation and distribution to which the assignor would be entitled. Except as provided in the partnership agreement, a

~~limited partner shall continue to be a limited partner after assignment of all or any part of his partnership interest. Except as provided in the partnership agreement, a general~~ partner ceases to be a ~~general~~ partner and to have the power to exercise any rights and powers of a partner upon assignment of all ~~his~~ of the partner's partnership interest. Except as provided in the partnership agreement, neither the pledge or granting of a security interest in any or all of the partnership interest of a partner nor the pledge or granting of a lien or other encumbrance against any or all of the partnership interest of a partner shall cause the partner to cease to be a partner or cease to have the power to exercise any rights or powers of a partner."

Section 32. G.S. 59-704(b) reads as rewritten:

"(b) An assignee who has become a limited partner has, to the extent assigned, the rights and powers, and is subject to the restrictions and liabilities, of a limited partner under the partnership agreement and this Article. An assignee who becomes a limited partner also is liable for the obligations of ~~his~~ the assignee's assignor to make and return contributions as provided in ~~Part~~ Parts 5 and 6 of this Article. However, the assignee is not obligated for liabilities that (i) are unknown to the assignee at the time ~~he~~ the assignee became a limited partner and ~~which~~ (ii) could not be ascertained from the written provisions of the partnership agreement."

Section 33. G.S. 59-801 reads as rewritten:

"**§ 59-801. Nonjudicial dissolution.**

(a) A limited partnership is dissolved and its affairs shall be wound up upon the happening of the first to occur of the following:

(1) At the time specified in the certificate of limited partnership or upon the happening of events specified in writing in the partnership agreement;

(2) Written consent of all partners;

(3) An event of withdrawal of a general partner ~~unless at~~ unless:

a. At the time there is at least one other general ~~partner and the written provisions of the partnership agreement permit~~ partner, in which case, unless otherwise provided in a written partnership agreement or agreed upon by all remaining partners, (i) the limited partnership is not dissolved, (ii) the limited partnership shall not be wound up, and (iii) the business of the limited partnership ~~to be carried on~~ shall be continued by the remaining general ~~partner and that partner does so, but the limited partnership is not dissolved and is not required to be wound up by reason of any event of withdrawal if, within~~ partners; or

b. Within 90 days after the withdrawal, all remaining ~~partners~~ partners, or a lesser number or portion of the partners provided in the partnership agreement, agree in writing to continue the business of the limited partnership and to the appointment of one or more additional general partners if necessary or ~~desired, or~~ desired, in which case the limited

partnership is not dissolved and is not required to be wound up by reason of the event of withdrawal;

(3a) Ninety days after the withdrawal of the limited partnership's last limited partner, unless the limited partnership admits at least one limited partner before the end of the 90 days; or

(4) Entry of a decree of judicial dissolution under G.S. 59-802.

(b) The causes of dissolution of a limited partnership shall be governed solely by this Article. Article 2 of this Chapter, which governs the causes of dissolution of a partnership without limited partners, does not apply and shall not govern the causes of dissolution of a limited partnership."

Section 34. G.S. 59-901 reads as rewritten:

§ 59-901. Law governing.

Subject to the Constitution of this State, ~~(1)~~ (i) the laws of the jurisdiction under which a foreign limited partnership is organized govern its organization and internal affairs and the liability of its ~~limited~~ partners, and ~~(2)~~ (ii) a foreign limited partnership may not be denied registration by reason of any difference between those laws and the laws of this State."

Section 35. G.S. 59-903 reads as rewritten:

"**§ 59-903. Issuance of registration.**

~~(a)~~ If the Secretary of State finds that an application satisfies the requirements of this Article, the Secretary shall, when all requisite fees have been tendered as in this Article prescribed:

(1) Endorse on the application the word 'filed', and the hour, day, month and year of the filing thereof;

(2) File in the office of the Secretary of State the application;

(3) Issue a certificate of authority to transact business in this State to which the Secretary shall affix the conformed copy of the application; and

(4) Send to the foreign limited partnership or its representative the certificate of authority, together with the conformed copy of the application affixed thereto."

Section 36. G.S. 59-907(e) reads as rewritten:

"(e) A limited partner of a foreign limited partnership is not liable as a general partner of the foreign limited partnership solely by reason of the foreign limited partnership's having transacted business in this State without registration."

Section 37. G.S. 59-1002 reads as rewritten:

"**§ 59-1002. Proper plaintiff.**

In a derivative action, the plaintiff must be a partner at the time of bringing the action and ~~(1)~~ (i) must have been a partner at the time of the transaction ~~of which he complains~~ that is the subject of the complaint or ~~(2) his~~ (ii) the plaintiff's status as a partner ~~had~~ must have devolved upon ~~him~~ the partner by operation of law or pursuant to the terms of the partnership agreement from a person who was a partner at the time of the transaction."

Section 38. Sections 2, 3, and 5 become effective October 1, 1999, and apply to liabilities arising on or after that date. Sections 4, 6, 7, 8, and 9 become effective January 1, 2000, and apply to registered limited liability partnerships formed on or after that date. Section 10 becomes effective January 1, 2000, and applies to foreign limited liability partnerships transacting business in this State on or after that date. Section 27 becomes effective October 1, 1999, and applies to (i) any limited partnership formed before that date, only if validly adopted in writing by its partners or otherwise as a part of its partnership agreement, and (ii) all limited partnerships formed on or after that date. The remainder of this act becomes effective October 1, 1999.

BILL SUMMARY: ***(Adopted from the April 20, 1999 summary prepared by Senate Judiciary I Committee Co-Counsel.)***

The Proposed Committee Substitute for Senate Bill 297 will amend the law related to limited partnerships and will clarify the limit of liability of professionals in limited liability

companies, registered limited liability partnerships, and professional corporations. The bill also provides for registration of foreign limited liability partnerships and annual reports by registered limited liability partnerships and foreign limited liability partnerships. Specifically,

Section 1 of the bill provides that the legal residence of a limited partnership, a limited liability company, and a registered limited liability partnership are determined the same as for a corporation.

Sections 2 and 3 amend the Professional Corporation Act (Chapter 55B) and the Limited Liability Company Act (Chapter 57C), respectively, to clarify that a shareholder, director, or officer of a professional corporation, or a member of a limited liability company, is not individually liable for the professional malpractice of another person in the professional organization but would be personally liable for their own malpractice.

Section 4 adds the definition of a "foreign limited liability partnership" to the Uniform Partnership Act (Chapter 59).

Section 5 also amends the Uniform Partnership Act to clarify the liability of partners in a registered limited liability partnership (RLLP) generally, and to clarify that a partner in a RLLP is not individually liable for the professional malpractice of another partner in the RLLP but would be personally liable for their own malpractice.

Sections 6, 7, 8 create a new article for registered limited liability partnerships and makes other clarifying changes in this law for the creation, amendment, and designation of a RLLP.

Section 9 requires RLLP's and foreign limited liability partnerships to file annual reports with the Secretary of State in a fashion similar to the annual reports required of corporations, nonprofits, and limited liability companies.

Section 10 provides for the registration of a foreign limited liability partnership in a fashion similar to the registration of a foreign corporation, foreign nonprofit corporation, a foreign limited liability company, and a foreign limited partnership.

Sections 11 through 37 amend the Limited Partnership Act in Article 5 of Chapter 59 and makes numerous clarifying changes regarding limited partnerships. Section 18 deletes the liability of limited partners to third parties under certain circumstances and provides that the limited partner is not liable even if the limited partner participates in the management of the limited partnership. Section 27 allows for a limited partnership to amend the provisions for allowing a limited partner to withdraw and provides that in a limited partnership where no provisions are made for a limited partner to withdraw, the limited partner may not withdraw until the time for the dissolution and winding up of the limited partnership business.

Section 38 outlines the effective dates of the various sections of the bill.

ASSUMPTIONS AND METHODOLOGY: This bill amends and makes numerous clarifying changes to the Professional Corporation Act, the Limited Liability Company Act, the Uniform Partnership Act, and the Limited Partnership Act. It creates a new article for registered limited liability partnerships and makes other clarifying changes in this law for the creation, amendment, and designation of a registered limited liability partnership. It also creates a new article for the registration of foreign limited liability corporations. While most of the amendments and changes in sections 1-5 and sections 11-37 have no fiscal impact, amendments and clarifying changes in sections 6-10 have an impact on the Department of the Secretary of State's revenue and expenditures. These are noted below.

Under existing law, registered limited liability partnerships (RLLP) are required to apply for registration as such and pay a $100 fee. The registration is effective for one year and they must file an annual renewal statement along with a $100 fee. Sections 7 and 9 of this bill eliminate the one-year registration for RLLPs and instead require those RLLPs to file an annual report with the Secretary of State. The annual report fee is $200. The bill also increases the initial registration fee from $100 to $125.

Currently, there are 1,500 registered limited liability partnerships. The Secretary of State currently collects $150,000 (1,500 * $100 renewal fee) annually for the annual renewal fee. The bill would require these entities to submit a $200 fee annually when they submit their annual reports instead of the $100 annual renewal fee they currently must pay. With this change in law, the collections from these entities would increase by $150,000 (1500 RLLPs * $200 annual report fee- $100 annual renewal fee) annually. Please note however, that over 90% of the RLLPs will file their renewal statements by December 31, 1999, prior to the January 1, 2000 effective date of the change. Therefore they would not be required to submit an annual report until April 15, 2001 -- 4 months after the end of their fiscal year, assuming they operate on a calendar year. **Thus, this bill would not affect the revenue from existing RLLPs until Fiscal Year 2000-2001.**

Section 7 of this bill also increases the initial registration fee from $100 to $125. For calendar year 1998 there were 300 new filings. Assuming the same level of new filings, this change in law would generate an additional $3,750 ((300 new filings/2) * $25 registration fee increase) in Fiscal Year 1999-2000 and $7,500 annually thereafter. The filings during the year are fairly consistent from month to month. Thus, the first year estimate assumes that one-half of the entities would have applied for registration as an RLLP with the $100 fee between July 1, 1999 and December 31, 1999, prior to the effective date of the change.

The above estimates assume the same level of activity. However, other provisions in sections 5 of the bill clarify and expressly limit the individual liability of partners in limited liability partnerships. The Secretary of State believes these provisions make RLLPs a more attractive entity than general partnerships and as a result, they expect that there may be a surge in the formation of LLPs. (The Secretary of State noted that there has been a 59% increase in the formation of limited liability companies since the enactment of the Limited Liability Company Act.) If there is an increase in the number of RLLPs, the annual revenue from the registration fee and the annual report fee will be greater than the projected increase of $150,000 and $7,500 which are based on the current level of activity. At this time, neither the Secretary of State nor the Fiscal Research Division can estimate the number of additional RLLPs, if any, that may be formed as a result of this bill or the additional revenue that may be realized beyond fiscal year 1999-2000.

Section 4 of the bill defines a foreign limited liability partnership. Section 10 of the bill amends the law governing limited liability partnerships to give recognition to foreign limited liability partnerships and it requires them to register as such. Under existing law, there is no distinction between foreign and domestic limited liability partnerships. Also as noted in the above discussion on the bill's impact on the Department's revenue, the bill eliminates the requirement for RLLPs (both foreign and domestic) to file annual renewal statements. But it does require them to submit an annual report. These amendments would require substantial

modifications to the Secretary of State's automated system for tracking RLLPs. The modifications include the need to accommodate new foreign LLP registrations, the addition of annual report filing requirements for the domestic and foreign LLPs as well as the need for additional data storage space. The annual report requirement would require the Secretary of State to provide annual report forms, send notifications if the reports are non-compliant with the reporting requirements; send notifications of the intent to revoke registrations when appropriate, etc. The Secretary of State estimates the one-time cost of making those system changes to be $35,000. In addition to the one-time cost for modifying its computer system, the Secretary of State estimates that temporary funding would be needed for at least one additional processing assistant to help with the data entry and additional paperwork that will be generated from the annual report requirement. They cannot accurately estimate at this time the impact this bill would have on the Department's workload and the additional permanent staff that would be needed.

The Fiscal Research Division believes these estimates for the one-time cost of modifying the system are reasonable. We also believe, the limitation on the partners' individual liability will make RLLP a more attractive entity and that there will be more filings with the Secretary of State as a result. We note, however, that at least one year of experience implementing the changes of this bill is needed to determine the true level of staff required to accommodate the change in workload resulting from this bill. Therefore, we cannot estimate the cost for additional personnel and we believe the Department's estimate of $31,000 in temporary funding for one additional person is reasonable.

The Secretary of State also estimates that the bill will result in increased cost for printing and mailing new registration forms to comply with amendments to G.S. 59-84.2, annual report forms, new registration forms for foreign limited liability partnerships, and new forms to apply for reinstatement when the RLLP registration has been revoked. They also estimate that there will be additional computer costs related to additional data usage. However, the Secretary of State cannot estimate what these cost would be at this time.

TECHNICAL CONSIDERATIONS: Section 38 of the bill provides that sections 4, 6, 7, 8, and 9 become effective January 1, 2000 **and apply to registered limited liability partnerships formed on or after that date.** Among other changes, these provisions eliminate the one-year registration period for RLLPs and require RLLPs to submit an annual report with a $200 fee instead of an annual renewal statement with a $100 fee. This fiscal note assumes that these provisions apply to all RLLPs regardless of when they were formed and that RLLPs formed prior to January 1, 2000 would be required to submit an annual report with a $200 fee effective January 1, 2000 instead of an annual renewal statement.

A BILL TO BE ENTITLED

AN ACT AUTHORIZING THE STATE LICENSING BOARD FOR GENERAL CONTRACTORS TO OWN REAL PROPERTY AND TO PURCHASE EQUIPMENT AND LIABILITY INSURANCE.

The General Assembly of North Carolina enacts:

Section 1. Article 1 of Chapter 87 of the General Statutes is amended by adding a new section to read:

"**§ 87-9.1. Ownership of real property; equipment; liability insurance.**

(a) The Board shall have the power to acquire, hold, rent, encumber, alienate, and otherwise deal with real property in the same manner as a private person or corporation, subject only to approval of the Governor and the Council of State as to the acquisition, rental, encumbering, leasing, and sale of real property. Collateral pledged by the Board for an encumbrance is limited to the assets, income, and revenues of the Board.

(b) The Board may purchase or rent equipment and supplies and purchase liability insurance or other insurance to cover the activities of the Board, its operations, or its employees."

Section 2. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO REVISE THE LAW GOVERNING MERGERS, CONSOLIDATIONS, AND CONVERSIONS AMONG BUSINESS CORPORATIONS, NONPROFIT CORPORATIONS, AND UNINCORPORATED ENTITIES, INCLUDING LIMITED LIABILITY COMPANIES AND PARTNERSHIPS, FOR THE PURPOSE OF CONFORMING THE LAWS WITH THOSE OF OTHER STATES AND MODERN BUSINESS PRACTICES; TO ALLOW CONVERSION OF A MUTUAL INSURANCE COMPANY TO A STOCK INSURANCE COMPANY; AND TO PERMIT HOMEOWNER ASSOCIATIONS TO DISTRIBUTE SURPLUS FUNDS.

The General Assembly of North Carolina enacts:

PART I. CORPORATIONS.

Section 1.1. G.S. 55-1-20(f) reads as rewritten:

"(f) ~~The~~ A document submitted by a domestic or foreign corporation or nonprofit corporation must be executed:

(1) By the chairman of the board of ~~directors of a domestic or foreign corporation,~~ directors, by its president, or by another of its officers;

(2) If directors have not been selected or the corporation has not been formed, by an incorporator; or

(3) If the corporation is in the hands of a receiver, trustee, or other court-appointed fiduciary, by that fiduciary.

A document submitted by an unincorporated entity must be executed by a person authorized to execute documents (i) pursuant to G.S. 57C-1-20(f) if the unincorporated entity is a domestic or foreign limited liability company, (ii) pursuant to G.S. 59-204 if the unincorporated entity is a domestic or foreign limited partnership, or (iii) pursuant to G.S. 59-73.7(a)(4) if the unincorporated entity is any other partnership as defined in G.S. 59-36 whether or not formed under the laws of this State."

Section 1.2. G.S. 55-1-40(9) reads as rewritten:

"(9) 'Entity' includes (without limiting the meaning of such term in Article 9) corporation and foreign corporation; nonprofit corporation; professional corporation; limited liability company; profit and nonprofit unincorporated association; business trust, estate, partnership, trust, and two or more persons having a joint or common economic interest; and state, United States, and foreign government."

Section 1.3. G.S. 55-1-40 is amended by adding the following new subdivision, to be placed by the Codifier of Statutes in the appropriate order, to read:

"(25a) 'Unincorporated entity' means a domestic or foreign limited liability company as defined in G.S. 57C-1-03, a domestic or foreign limited partnership as defined in G.S. 59-102, or any other partnership as defined in G.S. 59-36, whether or not formed under the laws of this State, including a registered limited liability partnership as defined in G.S. 59-32 and any other limited liability partnership formed under a law other than the laws of this State."

Section 1.4. G.S. 55-4-05 reads as rewritten:

"**§ 55-4-05. Real property records.**

(a) Whenever the name of any domestic or foreign corporation holding title to real property in this State is changed upon amendment to the articles of incorporation or whenever title to its real property in this State is ~~transferred~~ vested by operation of law in another entity upon ~~merger of two or more corporations,~~ merger, consolidation, or conversion of the corporation, a certificate reciting ~~such change or transfer~~ the name change, merger, consolidation, or conversion shall be recorded in the office of the register of deeds of the county where the property lies, or if the property is located in more than one county, then in each county where any portion of the property lies.

(b) The Secretary of State shall adopt uniform certificates to be furnished for registration in accordance with this section. In the case of a foreign corporation, a similar certificate by any competent authority of the jurisdiction of incorporation may be registered in accordance with this section.

(c) The certificate required by this section shall be recorded by the register of deeds in the same manner as deeds, and for the same fees, but no formalities as to acknowledgement, probate, or approval by any other officer shall be required. The former name of the corporation holding title to the real property before the ~~amendment or merger~~ name change, merger, consolidation, or conversion shall

appear in the 'Grantor' index, and the ~~amended~~ new name of the corporation or the name of the other entity holding title to the real property by virtue of the ~~amendment or merger~~ merger, consolidation, or conversion shall appear in the 'Grantee' index."

Section 1.5. G.S. 55-9-01(b)(1) reads as rewritten:

"(1) 'Business combination' includes any merger or consolidation of a corporation with or into any other ~~corporation,~~ corporation or any unincorporated entity, or the sale or lease of all or any substantial part of the corporation's assets to, or any payment, sale or lease to the corporation or any subsidiary thereof in exchange for securities of the corporation of any assets (except assets having an aggregate fair market value of less than five million dollars ($5,000,000)) of any other entity."

Section 1.6. G.S. 55-9-04(d) reads as rewritten:

"(d) Nothing contained in this Article shall be construed to relieve any other entity from any fiduciary obligation imposed by law. This Article shall be broadly construed so as to be applicable to any transaction reasonably calculated to avoid the application of the provisions hereof including, without limitation, any merger or other recapitalization, initiated by or for the benefit of an other entity that owns more than twenty percent (20%) of the voting shares, which would reincorporate a corporation under the laws of another ~~state.~~ state or which would reorganize a corporation as an unincorporated entity."

Section 1.7. G.S. 55-11-06(a)(4) reads as rewritten:

"(4) A proceeding pending by or against any corporation party to the merger may be continued as if the merger did not occur or the surviving corporation may be substituted in the proceeding for the corporation whose existence ceased;".

Section 1.8. Article 11 of Chapter 55 of the General Statutes is amended by adding a new section to read:

"**§ 55-11-10. Merger with unincorporated entity.**

(a) As used in this section, 'business entity' means a domestic corporation as defined in G.S. 55-1-40 (including a professional corporation as defined in G.S. 55B-2), a foreign corporation as defined in G.S. 55-1-40 (including a foreign professional corporation as defined in G.S. 55B-16), a domestic or foreign nonprofit corporation as defined in G.S. 55A-1-40, a domestic or foreign limited liability company as defined in G.S. 57C-1-03, a domestic or foreign limited partnership as defined in G.S. 59-102, and any other partnership as defined in G.S. 59-36 whether or not formed under the laws of this State (including a registered limited liability partnership as defined in G.S. 59-32 and any limited liability partnership formed under a law other than the laws of this State).

(b) One or more domestic corporations may merge with one or more unincorporated entities and, if desired, one or more foreign corporations, domestic nonprofit corporations, or foreign nonprofit corporations if:

(1) The merger is permitted by the laws of the state or country governing the organization and internal affairs of each other merging business entity; and

(2) Each merging domestic corporation and each other merging business entity comply with the requirements of this section and, to the extent applicable, the laws referred to in subdivision (1) of this subsection.

(c) Each merging domestic corporation and each other merging business entity shall approve a written plan of merger containing:

(1) For each merging business entity, its name, type of business entity, and the state or country whose laws govern its organization and internal affairs;

(2) The name of the merging business entity that shall survive the merger;

(3) The terms and conditions of the merger;

(4) The manner and basis for converting the interests in each merging business entity into interests, obligations, or securities of the surviving business entity or into cash or other property in whole or in part; and

(5) If the surviving business entity is a domestic corporation, any amendments to its articles of incorporation that are to be made in connection with the merger.

The plan of merger may contain other provisions relating to the merger.

In the case of a domestic corporation, approval of the plan of merger requires that the plan of merger be adopted by its board of directors as provided in G.S. 55-11-03 and, unless shareholder approval is not required under subsection (g) of G.S. 55-11-03, be approved by its shareholders as provided in G.S. 55-11-03. In the case of each other merging business entity, the plan of merger must be approved in accordance with the laws of the state or country governing the organization and internal affairs of that merging business entity.

After a plan of merger has been approved by a domestic corporation but before the articles of merger become effective, the plan of merger (i) may be amended as provided in the plan of merger, or (ii) may be abandoned (subject to any contractual rights) as provided in the plan of merger or, if there is no such provision, as determined by the board of directors without further shareholder action.

(d) After a plan of merger has been approved by each merging domestic corporation and each other merging business entity as provided in subsection (c) of this section, the surviving business entity shall deliver articles of merger to the Secretary of State for filing. The articles of merger shall set forth:

(1) The plan of merger;

(2) For each merging business entity, its name, type of business entity, and the state or country whose laws govern its organization and internal affairs;

(3) The name and address of the surviving business entity;

(4) A statement that the plan of merger has been approved by each merging business entity in the manner required by law; and

(5) The effective date and time of merger if it is not to be effective at the time of filing of the articles of merger.

If the plan of merger is amended or abandoned before the articles of merger become effective, the surviving business entity promptly shall deliver to the Secretary of State for filing an amendment to the articles of merger reflecting the amendment or abandonment of the plan of merger.

Certificates of merger shall also be registered as provided in G.S. 47-18.1.

(e) A merger takes effect when the articles of merger become effective. When a merger takes effect:

(1) Each other merging business entity merges into the surviving business entity and the separate existence of each merging business entity except the surviving business entity ceases;

(2) The title to all real estate and other property owned by each merging business entity is vested in the surviving business entity without reversion or impairment;

(3) The surviving business entity has all liabilities of each merging business entity;

(4) A proceeding pending by or against any merging business entity may be continued as if the merger did not occur, or the surviving business entity may be substituted in the proceeding for a merging business entity whose separate existence ceases in the merger;

(5) If a domestic corporation is the surviving business entity, its articles of incorporation shall be amended to the extent provided in the plan of merger;

(6) The interests in each merging business entity that are to be converted into interests, obligations, or securities of the surviving business entity or into the right to receive cash or other property are thereupon so converted, and the former holders of the interests are entitled only to the rights provided to them in the articles of merger or, in the case of former holders of shares in a domestic corporation, any rights they may have under Article 13 of this Chapter; and

(7) If the surviving business entity is not a domestic corporation, the surviving business entity is deemed to agree that it will promptly pay to the dissenting shareholders of any merging domestic corporation the amount, if any, to which they are entitled under Article 13 of this Chapter and otherwise to comply with the requirements of Article 13 as if it were a surviving domestic corporation in the merger.

The merger shall not affect the liability or absence of liability of any holder of an interest in a merging business entity for any acts, omissions, or obligations of any merging business entity made or incurred prior to the effectiveness of the merger.

The cessation of separate existence of a merging business entity in the merger shall not constitute a dissolution or termination of the merging business entity.

If the surviving business entity is not a domestic limited liability company, a domestic corporation, a domestic nonprofit corporation, or a domestic limited partnership, when the merger takes effect the surviving business entity is deemed:

(1) To agree that it may be served with process in this State in any proceeding for enforcement of (i) any obligation of any merging domestic limited liability company, domestic corporation, domestic nonprofit corporation, domestic limited partnership, or other partnership as defined in G.S. 59-36 that is formed under the laws of this State, (ii) the rights of dissenting shareholders of any merging domestic corporation under Article 13 of this Chapter, and (iii) any obligation of the surviving business entity arising from the merger; and

(2) If the surviving business entity does not have a registered agent in this State, to have appointed the Secretary of State as its registered agent for service of process in any such proceeding until such time as the surviving business entity appoints a registered agent in this State. Service on the Secretary of State of any such process shall be made by delivering to and leaving with the Secretary of State or with any clerk authorized by the Secretary of State to accept service of process, duplicate copies of such process. Upon receipt of service of process on behalf of a surviving business entity, the Secretary of State shall immediately mail a copy of the process by registered or certified mail, return receipt requested, to the surviving business entity at its address shown in the articles of merger or, if an application for a certificate of withdrawal by reason of merger has been filed, at the address for service of process contained in that application.

(f) This section does not apply to a merger that does not include a merging unincorporated entity."

Section 1.9. G.S. 55-15-21 reads as rewritten:

"**§ 55-15-21. Withdrawal of foreign corporation by reason of a ~~merger.~~ merger, consolidation, or conversion.**

(a) Whenever ~~the separate existence of~~ a foreign corporation authorized to transact business in this State ceases its separate existence as a result of a statutory merger or consolidation permitted by the laws of the state or country under which it was incorporated, or converts into another entity as permitted by those laws, the surviving ~~corporation~~ or resulting entity shall apply for a certificate of withdrawal for the ~~merged~~ foreign corporation by delivering to the Secretary of State for filing a copy of the articles of merger, consolidation, or conversion or a certificate reciting the facts of the merger, consolidation, or conversion, duly authenticated by the Secretary of State or other official having custody of corporate records in the state or country under the laws of which such ~~statutory merger was effected.~~ foreign

corporation was incorporated. If the surviving ~~corporation~~ or resulting entity is not authorized to transact business in this State the articles ~~of merger~~ or certificate must be accompanied by an application which must set forth:

(1) The name of ~~each merged~~ the foreign corporation authorized to transact business in this ~~State and the~~ State, the type of entity and name of the surviving ~~corporation~~ or resulting entity, and a statement that the surviving ~~corporation~~ or resulting entity is not authorized to transact business in this State;

(2) ~~That~~ A statement that the surviving ~~corporation~~ or resulting entity consents that service of process based upon any cause of action arising in this State, or arising out of business transacted in this State, during the time ~~each merged~~ the foreign corporation was authorized to transact business in this State may thereafter be made ~~on such corporation~~ by service thereof on the Secretary of State;

(3) A mailing address to which the Secretary of State may mail a copy of any process served on him under subdivision (a)(2); and

(4) A commitment to notify the Secretary of State in the future of any change in its mailing address.

(b) If the Secretary of State finds that the articles ~~of merger~~ or certificate and the application for withdrawal, if required, ~~conforms~~ conform to law ~~he~~ the Secretary of State shall:

(1) Endorse on the articles ~~of merger~~ or certificate and the application for withdrawal, if required, the word 'filed' and the hour, day, month and year of the filing thereof;

(2) File the articles ~~of merger~~ or certificate and the application, if required;

(3) Issue a certificate of withdrawal; and

(4) Send to the ~~foreign corporation~~ surviving or resulting entity or its representative the certificate of withdrawal, together with the exact or conformed copy of the application, if required, affixed thereto."

PART II. NONPROFIT CORPORATIONS.

Section 2.1. G.S. 55A-1-20(f) reads as rewritten:

"(f) ~~The~~ A document submitted by a domestic or foreign corporation or business corporation shall be executed:

(1) By the presiding officer of the board of directors ~~of a domestic or foreign corporation,~~ by its president, or by another of its officers;

(2) If directors have not been selected or the corporation has not been formed, by an incorporator; or

(3) If the corporation is in the hands of a receiver, trustee, or other court-appointed fiduciary, by that fiduciary.

A document submitted by an unincorporated entity must be executed by a person authorized to execute documents (i) pursuant to G.S. 57C-1-20(f) if the unincorporated entity is a domestic or foreign limited liability company, (ii) pursuant

to G.S. 59-204 if the unincorporated entity is a domestic or foreign limited partnership, or (iii) pursuant to G.S. 59-73.7(a)(4) if the unincorporated entity is any other partnership as defined in G.S. 59-36 whether or not formed under the laws of this State."

Section 2.2. G.S. 55A-1-40 is amended by adding the following new subdivision to read:

"(25a) 'Unincorporated entity' means a domestic or foreign limited liability company as defined in G.S. 57C-1-03, a domestic or foreign limited partnership as defined in G.S. 59-102, or any other partnership as defined in G.S. 59-36, whether or not formed under the laws of this State, including a registered limited liability partnership as defined in G.S. 59-32 and any other limited liability partnership formed under a law other than the laws of this State."

Section 2.3. G.S. 55A-4-05 reads as rewritten:

"**§ 55A-4-05. Real property records.**

(a) Whenever the name of any domestic or foreign corporation holding title to real property in this State is changed upon amendment to the articles of incorporation or whenever title to its real property in this State is ~~transferred~~ vested by operation of law in another entity upon ~~merger of two or more corporations,~~ merger, consolidation, or conversion of the corporation, a certificate reciting the ~~change or transfer~~ name change, merger, consolidation, or conversion shall be recorded by the corporation or its successor in the office of the register of deeds of the county where the property lies, or if the property is located in more than one county, then in each county where any portion of the property lies.

(b) The Secretary of State shall adopt uniform certificates to be furnished for recording in accordance with this section. In the case of a foreign corporation, a similar certificate by any competent authority of the jurisdiction of incorporation may be recorded in accordance with this section.

(c) The certificate required by this section shall be recorded by the register of deeds in the same manner as deeds, and for the same fees, but no formalities as to acknowledgement, probate, or approval by any other officer shall be required. The former name of the corporation holding title to the real property before the ~~amendment or merger~~ name change, merger, consolidation, or conversion shall appear in the 'Grantor' index, and the ~~amended~~ new name of the corporation or the name of the other entity holding title to the real property by virtue of the ~~amendment or merger~~ merger, consolidation, or conversion shall appear in the 'Grantee' index."

Section 2.4. G.S. 55A-11-02 reads as rewritten:

"**§ 55A-11-02. Limitations on mergers by charitable or religious corporations.**

(a) Without the prior approval of the superior court in a proceeding in which the Attorney General has been given written notice, a charitable or religious corporation may merge only with:

(1) A charitable or religious corporation;

(2) A foreign corporation that would qualify under this Chapter as a charitable or religious corporation;

(3) A wholly owned foreign or domestic corporation (business or nonprofit) which is not a charitable or religious corporation, or an unincorporated entity, provided the charitable or religious corporation is the ~~surviving corporation~~ survivor in the merger and continues to be a charitable or religious corporation after the merger; or

(4) A business or nonprofit corporation (foreign or domestic) other than a charitable or religious corporation, or an unincorporated entity, provided that: (i) on or prior to the effective date of the merger, assets with a value equal to the greater of the fair market value of the net tangible and intangible assets (including goodwill) of the charitable or religious corporation or the fair market value of the charitable or religious corporation if it were to be operated as a business concern are transferred or conveyed to one or more persons who would have received its assets under G.S. 55A-14-03(a)(1) and (2) had it dissolved; (ii) it shall return, transfer or convey any assets held by it upon condition requiring return, transfer or conveyance, which condition occurs by reason of the merger, in accordance with such condition; and (iii) the merger is approved by a majority of directors of the charitable or religious corporation who are not and will not become ~~members~~ members, as 'member' is defined in G.S. 55A-1-40(16) or G.S. 57C-1-03, partners, limited partners, or shareholders in or directors, managers, officers, employees, agents, or consultants of the ~~surviving corporation.~~ survivor in the merger.

(b) At least 20 days before consummation of any merger of a charitable or religious corporation pursuant to subdivision (a)(4) of this section, notice, including a copy of the proposed plan of merger, shall be delivered to the Attorney General.

(c) Without the prior written consent of the Attorney General, or approval of the superior court in a proceeding in which the Attorney General has been given notice, no member of a charitable or religious corporation may receive or retain any property as a result of a merger other than ~~a membership~~ an interest as a member, as 'member' is defined in G.S. 55A-1-40(16), in the ~~surviving corporation.~~ survivor of the merger. The Attorney General may consent to the transaction, or the court shall approve the transaction, if it is fair and not contrary to the public interest."

Section 2.5. G.S. 55A-11-05(a)(4) reads as rewritten:

"(4) A proceeding pending by or against any corporation party to the merger may be continued as if the merger did not occur or the surviving corporation may be substituted in the proceeding for the corporation whose existence ceased; and".

Section 2.6. G.S. 55A-11-07 reads as rewritten:

"**§ 55A-11-07. Bequests, devises, and gifts.**

Any bequest, devise, gift, grant, or promise contained in a will or other instrument of donation, subscription, or conveyance, that is made to a constituent corporation

and that takes effect or remains payable after the merger, inures to the ~~surviving corporation~~ survivor in the merger unless the will or other instrument otherwise specifically provides."

Section 2.7. Article 11 of Chapter 55A of the General Statutes is amended by adding a new section to read:

"**§ 55A-11-09. Merger with unincorporated entity.**

(a) As used in this section, 'business entity' means a domestic corporation as defined in G.S. 55-1-40 (including a professional corporation as defined in G.S. 55B-2), a foreign corporation as defined in G.S. 55-1-40 (including a foreign professional corporation as defined in G.S. 55B-16), a domestic or foreign nonprofit corporation as defined in G.S. 55A-1-40, a domestic or foreign limited liability company as defined in G.S. 57C-1-03, a domestic or foreign limited partnership as defined in G.S. 59-102, and any other partnership as defined in G.S. 59-36 whether or not formed under the laws of this State (including a registered limited liability partnership as defined in G.S. 59-32 and any limited liability partnership formed under a law other than the laws of this State).

(b) One or more domestic nonprofit corporations may merge with one or more unincorporated entities and, if desired, one or more foreign nonprofit corporations, domestic business corporations, or foreign business corporations if:

(1) The merger is permitted by the laws of the state or country governing the organization and internal affairs of each of the other merging business entities;

(2) Each merging domestic nonprofit corporation and each other merging business entity comply with the requirements of this section and, to the extent applicable, the laws referred to in subdivision (1) of this subsection; and

(3) The merger complies with G.S. 55A-11-02, if applicable.

(c) Each merging domestic nonprofit corporation and each other merging business entity shall approve a written plan of merger containing:

(1) For each merging business entity, its name, type of business entity, and the state or country whose laws govern its organization and internal affairs;

(2) The name of the merging business entity that shall survive the merger;

(3) The terms and conditions of the merger;

(4) The manner and basis for converting the interests in each merging business entity into interests, obligations, or securities of the surviving business entity or into cash or other property in whole or in part; and

(5) If the surviving business entity is a domestic nonprofit corporation, any amendments to its articles of incorporation that are to be made in connection with the merger.

The plan of merger may contain other provisions relating to the merger.

In the case of a domestic nonprofit corporation, approval of the plan of merger requires that the plan of merger be adopted as provided in G.S. 55A-11-03. In the case of each other merging business entity, the plan of merger must be approved in accordance with the laws of the state or country governing the organization and internal affairs of such merging business entity.

After a plan of merger has been approved by a domestic nonprofit corporation but before the articles of merger become effective, the plan of merger (i) may be amended as provided in the plan of merger, or (ii) may be abandoned (subject to any contractual rights) as provided in the plan of merger or, if there is no such provision, as determined by the board of directors.

(d) After a plan of merger has been approved by each merging domestic nonprofit corporation and each other merging business entity as provided in subsection (c) of this section, the surviving business entity shall deliver articles of merger to the Secretary of State for filing. The articles of merger shall set forth:

(1) The plan of merger;

(2) For each merging business entity, its name, type of business entity, and the state or country whose laws govern its organization and internal affairs;

(3) The name and address of the surviving business entity;

(4) A statement that the plan of merger has been approved by each merging business entity in the manner required by law; and

(5) The effective date and time of merger if it is not to be effective at the time of filing of the articles of merger.

If the plan of merger is amended or abandoned before the articles of merger become effective, the surviving business entity promptly shall deliver to the Secretary of State for filing an amendment to the articles of merger reflecting the amendment or abandonment of the plan of merger.

Certificates of merger shall also be registered as provided in G.S. 47-18.1.

(e) A merger takes effect when the articles of merger become effective. When a merger takes effect:

(1) Each other merging business entity merges into the surviving business entity and the separate existence of each merging business entity except the surviving business entity ceases;

(2) The title to all real estate and other property owned by each merging business entity is vested in the surviving business entity without reversion or impairment;

(3) The surviving business entity has all liabilities of each merging business entity;

(4) A proceeding pending by or against any merging business entity may be continued as if the merger did not occur, or the surviving business entity may be substituted in the proceeding for a merging business entity whose separate existence ceases in the merger;

(5) If a domestic nonprofit corporation is the surviving business entity, its articles of incorporation shall be amended to the extent provided in the plan of merger;

(6) The interests in each merging business entity that are to be converted into interests, obligations, or securities of the surviving business entity or into the right to receive cash or other property are thereupon so converted, and the former holders of the interests are entitled only to the rights provided to them in the articles of merger or, in the case of former holders of shares in a domestic business corporation, any rights they may have under Article 13 of Chapter 55 of the General Statutes; and

(7) If the surviving business entity is not a domestic business corporation, the surviving business entity is deemed to agree that it will promptly pay to the dissenting shareholders of any merging domestic business corporation the amount, if any, to which they are entitled under Article 13 of Chapter 55 of the General Statutes and otherwise to comply with the requirements of Article 13 as if it were a surviving domestic business corporation in the merger.

The merger shall not affect the liability or absence of liability of any holder of an interest in a merging business entity for any acts, omissions, or obligations of any merging business entity made or incurred prior to the effectiveness of the merger. The cessation of separate existence of a merging business entity in the merger shall not constitute a dissolution or termination of the merging business entity.

If the surviving business entity is not a domestic limited liability company, a domestic business corporation, a domestic nonprofit corporation, or a domestic limited partnership, when the merger takes effect the surviving business entity is deemed:

(1) To agree that it may be served with process in this State in any proceeding for enforcement of (i) any obligation of any merging domestic limited liability company, domestic business corporation, domestic nonprofit corporation, domestic limited partnership, or other partnership as defined in G.S. 59-36 that is formed under the laws of this State, (ii) the rights of dissenting shareholders of any merging domestic business corporation under Article 13 of Chapter 55 of the General Statutes, and (iii) any obligation of the surviving business entity arising from the merger; and

(2) If the surviving business entity does not have a registered agent in this State, to have appointed the Secretary of State as its registered agent for service of process in any such proceeding until such time as the surviving business entity appoints a registered agent in this State. Service on the Secretary of State of any such process shall be made by delivering to and leaving with the Secretary of State or with any clerk authorized by the Secretary of State to accept service of process, duplicate copies of such process. Upon receipt

of service of process on behalf of a surviving business entity, the Secretary of State shall immediately mail a copy of the process by registered or certified mail, return receipt requested, to the surviving business entity at its address shown in the articles of merger or, if an application for a certificate of withdrawal by reason of merger has been filed, at the address for service of process contained in that application.

(f) This section does not apply to a merger that does not include a merging unincorporated entity."

Section 2.8. G.S. 55A-15-21 reads as rewritten:

"**§ 55A-15-21. Withdrawal of foreign corporation by reason of a ~~merger.~~ merger, consolidation, or conversion.**

(a) Whenever ~~the separate existence of~~ a foreign corporation authorized to conduct affairs in this State ceases its separate existence as a result of a statutory merger or consolidation permitted by the laws of the state or country under which it was incorporated, or converts into another entity as permitted by those laws, the surviving ~~corporation~~ or resulting entity shall apply for a certificate of withdrawal for ~~the merged~~ the foreign corporation by delivering to the Secretary of State for filing a copy of the articles of merger, consolidation, or conversion or a certificate reciting the facts of the merger, consolidation, or conversion duly authenticated by the secretary of state or other official having custody of corporate records in the state or country under the laws of which ~~such statutory merger was effected.~~ the foreign corporation was incorporated. If the surviving or resulting entity ~~corporation~~ is not authorized to conduct affairs in this State, the articles ~~of merger~~ or certificate shall be accompanied by an application which must set forth:

(1) The name of ~~each merged~~ the foreign corporation authorized to conduct affairs in this ~~State and~~ State, the type of entity and the name of the surviving ~~corporation~~ or resulting entity, and a statement that the surviving ~~corporation~~ or resulting entity is not authorized to conduct affairs in this State;

(2) ~~That~~ A statement that the surviving ~~corporation~~ or resulting entity consents that service of process based upon any cause of action arising in this State, or arising out of affairs conducted in this State, during the time ~~each merged~~ the foreign corporation was authorized to conduct affairs in this State may thereafter be made ~~on such corporation~~ by service thereof on the Secretary of State;

(3) A mailing address to which the Secretary of State may mail a copy of any process served on him under subdivision (a)(2) of this section; and

(4) A commitment to notify the Secretary of State in the future of any change in its mailing address.

(b) If the Secretary of State finds that the articles ~~of merger~~ or certificate and the application for withdrawal, if required, ~~conforms~~ conform to law the Secretary of State shall:

(1) Endorse on the articles ~~of merger~~ or certificate and the application for withdrawal, if required, the word 'filed', and the hour, day, month, and year of filing thereof;
(2) File the articles ~~of merger~~ or certificate and the application, if required;
(3) Issue a certificate of withdrawal; and
(4) Send to the ~~foreign corporation~~ surviving or resulting entity or its representative the certificate of withdrawal, together with the exact or conformed copy of the application, if required, affixed thereto."

PART III. LIMITED LIABILITY COMPANIES.

Section 3.1. G.S. 57C-1-20(f) reads as rewritten:

"(f) ~~The~~ A document submitted by a domestic or foreign limited liability company must be executed:

(1) By a manager of ~~a domestic or foreign~~ the limited liability company;
(2) If managers have not been selected, or if the limited liability company does not have a manager other than a member, by any member;
(3) If the limited liability company has not been formed, by an organizer; or
(4) If the limited liability company is in the hands of a receiver, trustee, or other court-appointed fiduciary, by that fiduciary.

A document submitted by a business entity other than a domestic or foreign limited liability company must be executed by a person authorized to execute documents (i) pursuant to G.S. 55-1-20(f) if the business entity is a corporation or foreign corporation, (ii) pursuant to G.S. 55A-1-20(f) if the business entity is a domestic or foreign nonprofit corporation, (iii) pursuant to G.S. 59-204 if the business entity is a domestic or foreign limited partnership, or (iv) pursuant to G.S. 59-73.7(a)(4) if the business entity is any other partnership as defined in G.S. 59-36 whether or not formed under the laws of this State."

Section 3.2. G.S. 57C-1-03 is amended by adding a new subdivision to read:

"(3a) Business entity. -- A corporation (including a professional corporation as defined in G.S. 55B-2), a foreign corporation (including a foreign professional corporation as defined in G.S. 55B-16), a domestic or foreign nonprofit corporation as defined in G.S. 55A-1-40, a domestic or foreign limited liability company, a domestic or foreign limited partnership as defined in G.S. 59-102, or any other partnership as defined in G.S. 59-36 whether or not formed under the laws of this State (including a registered limited liability partnership as defined in G.S. 59-32 and any other limited liability partnership formed under a law other than the laws of this State."

Section 3.3. G.S. 57C-1-03(15) reads as rewritten:

"(15) Membership interest or interest. -- ~~All~~ In the context of a member of a limited liability company, the terms mean all of a member's rights in the limited liability company, including without limitation the member's share of the profits and losses of the limited liability company, the right to receive distributions of the limited liability company assets, any right to vote, and any right to participate in management."

Section 3.4. G.S. 57C-2-20(a) reads as rewritten:

"(a) One or more persons may organize a limited liability company by delivering executed articles of organization to the Secretary of State for filing. A limited liability company may also be formed through the conversion of another business entity pursuant to Part 1 of Article 9A of this Chapter."

Section 3.5. G.S. 57C-2-34 reads as rewritten:

"**§ 57C-2-34. Real property records.**

(a) Whenever the name of any domestic or foreign limited liability company holding title to real property in this State is changed upon amendment to its articles of organization or whenever title to its real property in this State is ~~transferred~~ vested by operation of law in another entity upon ~~merger~~ merger, consolidation, or conversion of ~~two or more~~ the limited liability ~~companies,~~ company, a certificate reciting the ~~change or transfer~~ name change, merger, consolidation, or conversion shall be recorded in the office of the register of deeds of the county where the property lies, or if the property is located in more than one county, then in each county where any portion of the property lies.

(b) The Secretary of State shall adopt uniform certificates to be furnished for registration in accordance with this section. In the case of a foreign limited liability company, a similar certificate by any competent authority of the jurisdiction of organization may be registered in accordance with this section.

(c) The certificate required by this section shall be recorded by the register of deeds in the same manner as deeds, and for the same fees, but no formalities as to acknowledgement, probate, or approval by any other officer shall be required. The former name of the limited liability company holding title to the real property before the ~~amendment or merger~~ name change, merger, consolidation, or conversion shall appear in the 'Grantor' index, and the ~~amended~~ new name of the limited liability company or the name of the other entity holding title to the real property by virtue of the ~~amendment or merger~~ merger, consolidation, or conversion, as applicable, shall appear in the 'Grantee' index."

Section 3.6. G.S. 57C-7-12 reads as rewritten:

"**§ 57C-7-12. Withdrawal of limited liability company by reason of a ~~merger.~~ merger, consolidation, or conversion.**

(a) Whenever ~~the separate existence of~~ a foreign limited liability company authorized to transact business in this State ceases its separate existence as a result of a statutory ~~merger~~ merger, consolidation, or conversion permitted by the laws of the state or country under which it was organized, or converts into another type of entity as permitted by those laws, the surviving or resulting entity shall apply for a

certificate of withdrawal for the ~~merged~~ foreign limited liability company by delivering to the Secretary of State for filing a copy of the articles of ~~merger~~ merger, consolidation, or conversion or a certificate reciting the facts of the merger, consolidation, or conversion, duly authenticated by the Secretary of State or other official having custody of limited liability company records in the state or country under the laws of which ~~such statutory merger~~ the foreign limited liability company was ~~effected.~~ organized. If the surviving or resulting entity is not authorized to transact business in this State, the articles ~~of merger~~ or certificate must be accompanied by an application which must set forth:

(1) The name of ~~each merged~~ the foreign limited liability company authorized to transact business in this ~~State and~~ State, the type of entity and name of the surviving or resulting ~~entity~~ entity, and a statement that the surviving or resulting entity is not authorized to transact business in this State;

(2) ~~That~~ A statement that the surviving or resulting entity consents that service of process based upon any cause of action arising in this State, or arising out of business transacted in this State, during the time ~~each merged~~ the foreign limited liability company was authorized to transact business in this State, may thereafter be made ~~on such foreign limited liability company~~ by service thereof on the Secretary of State;

(3) A mailing address to which the Secretary of State may mail a copy of any process served on him under subdivision (a)(2) of this section; and

(4) A commitment to notify the Secretary of State in the future of any change in its mailing address.

(b) If the Secretary of State finds that the articles ~~of merger~~ or certificate and the application for withdrawal, if required, ~~conforms~~ conform to law, the Secretary of State shall:

(1) Endorse on the articles ~~of merger~~ or certificate and the application for withdrawal, if required, the word 'filed' and the hour, day, month, and year of filing thereof;

(2) File the articles ~~of merger~~ or certificate and the application, if required;

(3) Issue a certificate of withdrawal; and

(4) Send to the ~~foreign limited liability company~~ surviving or resulting entity or its representative the certificate of withdrawal, together with the exact or conformed copy of the application, if required, affixed thereto."

Section 3.7. Article 9 of Chapter 57C of the General Statutes is repealed. Chapter 57C of the General Statutes is amended by adding a new Article to read:

"ARTICLE 9A.

"Conversion and Merger.

"Part 1. Conversions.

"§ 57C-9A-01. Conversion.

(a) A domestic limited liability company may convert to a domestic limited partnership pursuant to Part 10A of Article 5 of Chapter 59 of the General Statutes.

(b) A foreign limited liability company, a domestic or foreign limited partnership as defined in G.S. 59-102, or any other partnership as defined in G.S. 59-36 whether or not formed under the laws of this State (including a registered limited liability partnership as defined in G.S. 59-32 and any other limited liability partnership formed under a law other than the laws of this State) may convert to a domestic limited liability company if:

(1) The converting business entity complies with the requirements of this Part; and

(2) If the converting business entity is a foreign limited liability company, a foreign limited partnership, or other partnership as defined in G.S. 59-36 whose organization and internal affairs are governed by a law other than the laws of this State, the conversion is permitted by the laws of the state or country governing the organization and internal affairs of the converting business entity and the converting business entity complies with those laws.

"§ 57C-9A-02. Plan of conversion.

(a) The holders of the interests in the converting business entity shall approve a written plan of conversion containing:

(1) The name of the resulting domestic limited liability company into which the converting business entity shall convert;

(2) The terms and conditions of the conversion; and

(3) The manner and basis for converting the interests in the converting business entity into interests, obligations, or securities of the resulting domestic limited liability company or into cash or other property in whole or in part.

The plan of conversion may also contain other provisions relating to the conversion.

(b) In the case of a domestic limited partnership or other partnership as defined in G.S. 59-36 whose organization and internal affairs are governed by the laws of this State, the plan of conversion must be approved in the manner provided for the approval of such a conversion in a written partnership agreement that is binding on all the partners or, if there is no such provision, by the unanimous consent of all the partners. In the case of a foreign limited liability company, a foreign limited partnership, or other partnership as defined in G.S. 59-36 whose organization and internal affairs are governed by a law other than the laws of this State, the plan of conversion must be approved in accordance with the laws of the state or country governing the organization and internal affairs of the converting business entity.

(c) After a plan of conversion has been approved as provided in subsection (b) of this section, but before articles of organization for the resulting domestic limited

liability company become effective, the plan of conversion may be amended or abandoned to the extent provided in the plan of conversion.

"**§ 57C-9A-03. Filing of articles of organization by converting business entity.**

(a) After a plan of conversion has been approved by the converting business entity as provided in G.S. 57C-9A-02, the converting business entity shall deliver articles of organization to the Secretary of State for filing. In addition to the matters required or permitted by G.S. 57C-2-21, the articles of organization shall state:

(1) That the domestic limited liability company is being formed pursuant to a conversion of another business entity;

(2) The name of the converting business entity, its type of business entity, and the state or country whose laws govern its organization and internal affairs; and

(3) That a plan of conversion has been approved by the converting business entity as required by law.

If the plan of conversion is abandoned before the articles of organization become effective, the converting business entity promptly shall deliver to the Secretary of State for filing an amendment to the articles of organization reflecting the abandonment of the plan of conversion.

(b) The conversion takes effect when the articles of organization become effective.

(c) The converting business entity shall furnish a copy of the plan of conversion, on request and without cost, to any member or partner (whether general or limited) of the converting business entity.

(d) Certificates of conversion shall also be registered as provided in G.S. 47-18.1.

"**§ 57C-9A-04. Effects of conversion.**

When the conversion takes effect:

(1) The converting business entity ceases its prior form of organization and continues in existence as the resulting domestic limited liability company;

(2) The title to all real estate and other property owned by the converting business entity continues vested in the resulting domestic limited liability company without reversion or impairment;

(3) All liabilities of the converting business entity continue as liabilities of the resulting domestic limited liability company;

(4) A proceeding pending by or against the converting business entity may be continued as if the conversion did not occur; and

(5) The interests in the converting business entity that are to be converted into interests, obligations, or securities of the resulting domestic limited liability company or into the right to receive cash or other property are thereupon so converted, and the former holders of interests in the converting business entity are entitled only to the rights provided in the plan of conversion.

The conversion shall not affect the liability or absence of liability of any holder of an interest in the converting business entity for any acts, omissions, or obligations of

the converting business entity made or incurred prior to the effectiveness of the conversion. The cessation of the existence of the converting business entity in its prior form of organization in the conversion shall not constitute a dissolution or termination of the converting business entity.

"Part 2. Merger.

"§ 57C-9A-05. Merger.

A domestic limited liability company may merge with one or more other domestic limited liability companies or other business entities if:

(1) The merger is permitted by the laws of the state or country governing the organization and internal affairs of each other merging business entity; and

(2) Each merging domestic limited liability company and each other merging business entity comply with the requirements of this Part and, to the extent applicable, the laws referred to in subdivision (1) of this section.

"§ 57C-9A-06. Plan of merger.

(a) Each merging domestic limited liability company and each other merging business entity shall approve a written plan of merger containing:

(1) For each merging business entity, its name, type of business entity, and the state or country whose laws govern its organization and internal affairs;

(2) The name of the merging business entity that shall survive the merger;

(3) The terms and conditions of the merger;

(4) The manner and basis for converting the interests in each merging business entity into interests, obligations, or securities of the surviving business entity or into cash or other property in whole or in part; and

(5) If the surviving business entity is a domestic limited liability company, any amendments to its articles of organization that are to be made in connection with the merger.

The plan of merger may contain other provisions relating to the merger.

(b) In the case of a merging domestic limited liability company, the plan of merger must be approved in the manner provided in its articles of organization or a written operating agreement for approval of a merger with the type of business entity contemplated in the plan of merger, or, if there is no provision, by the unanimous consent of its members. In the case of each other merging business entity, the plan of merger must be approved in accordance with the laws of the state or country governing the organization and internal affairs of the merging business entity.

(c) After a plan of merger has been approved by a domestic limited liability company but before the articles of merger become effective, the plan of merger (i) may be amended as provided in the plan of merger, or (ii) may be abandoned (subject to any contractual rights) as provided in the plan of merger, articles of organization, or written operating agreement or, if not so provided, as determined by

the managers of the domestic limited liability company in accordance with G.S. 57C-3-20(b).

"**§ 57C-9A-07. Articles of merger.**

(a) After a plan of merger has been approved by each merging domestic limited liability company and each other merging business entity as provided in G.S. 57C-9A-06, the surviving business entity shall deliver articles of merger to the Secretary of State for filing. The articles of merger shall set forth:

(1) The plan of merger;

(2) For each merging business entity, its name, type of business entity, and the state or country whose laws govern its organization and internal affairs;

(3) The name and address of the surviving business entity;

(4) A statement that the plan of merger has been approved by each merging business entity in the manner required by law; and

(5) The effective date and time of the merger if it is not to be effective at the time of filing of the articles of merger.

If the plan of merger is amended or abandoned before the articles of merger become effective, the surviving business entity promptly shall deliver to the Secretary of State for filing an amendment to the articles of merger reflecting the amendment or abandonment of the plan of merger.

(b) A merger takes effect when the articles of merger become effective.

(c) Certificates of merger shall also be registered as provided in G.S. 47-18.1.

"**§ 57C-9A-08. Effects of merger.**

(a) When the merger takes effect:

(1) Each other merging business entity merges into the surviving business entity, and the separate existence of each merging business entity, except the surviving business entity ceases;

(2) The title to all real estate and other property owned by each merging business entity is vested in the surviving business entity without reversion or impairment;

(3) The surviving business entity has all liabilities of each merging business entity;

(4) A proceeding pending by or against any merging business entity may be continued as if the merger did not occur, or the surviving business entity may be substituted in the proceeding for a merging business entity whose separate existence ceases in the merger;

(5) If a domestic limited liability company is the surviving business entity, its articles of organization shall be amended to the extent provided in the plan of merger;

(6) The interests in each merging business entity that are to be converted into interests, obligations, or securities of the surviving business entity or into the right to receive cash or other property are thereupon so converted, and the former holders of the interests are entitled only to the rights provided to them in the articles of

merger or, in the case of former holders of shares in a domestic corporation, any rights they may have under Article 13 of Chapter 55 of the General Statutes; and

(7) If the surviving business entity is not a domestic corporation, the surviving business entity is deemed to agree that it will promptly pay to the dissenting shareholders of any merging domestic corporation the amount, if any, to which they are entitled under Article 13 of Chapter 55 of the General Statutes and otherwise to comply with the requirements of Article 13 as if it were a surviving domestic corporation in the merger.

The merger shall not affect the liability or absence of liability of any holder of an interest in a merging business entity for any acts, omissions, or obligations of any merging business entity made or incurred prior to the effectiveness of the merger. The cessation of separate existence of a merging business entity in the merger shall not constitute a dissolution or termination of that merging business entity.

If the surviving business entity is not a domestic limited liability company, a domestic corporation, a domestic nonprofit corporation, or a domestic limited partnership when the merger takes effect, the surviving business entity is deemed:

(1) To agree that it may be served with process in this State in any proceeding for enforcement of (i) any obligation of any merging domestic limited liability company, domestic corporation, domestic nonprofit corporation, domestic limited partnership, or other partnership as defined in G.S. 59-36 that is formed under the laws of this State, (ii) the rights of dissenting shareholders of any merging domestic corporation under Article 13 of Chapter 55 of the General Statutes, and (iii) any obligation of the surviving business entity arising from the merger; and

(2) If the surviving business entity does not have a registered agent in this State, to have appointed the Secretary of State as its registered agent for service of process in any such proceeding until such time as the surviving business entity appoints a registered agent in this State. Service on the Secretary of State of any such process shall be made by delivering to and leaving with the Secretary of State or with any clerk authorized by the Secretary of State to accept service of process, duplicate copies of such process. Upon receipt of service of process on behalf of a surviving business entity, the Secretary of State shall immediately mail a copy of the process by registered or certified mail, return receipt requested, to the surviving business entity at its address shown in the articles of merger or, if an application for a certificate of withdrawal by reason of merger has been filed, at the address for service of process contained in that application."

PART IV. PARTNERSHIPS.

Section 4.1. Article 2 of Chapter 59 of the General Statutes is amended by adding a new Part to read:

"Part 7. Conversion and Merger.

"**§ 59-73.1. Definitions.**

As used in this Part:

(1) 'Domestic partnership' means a partnership as defined in G.S. 59-36 that is formed under the laws of this State, including a registered limited liability partnership as defined in G.S. 59-32, but excluding a domestic limited partnership as defined in G.S. 59-102.

(2) 'Business entity' means a domestic corporation as defined in G.S. 55-1-40 (including a professional corporation as defined in G.S. 55B-2), a foreign corporation as defined in G.S. 55-1-40 (including a foreign professional corporation as defined in G.S. 55B-16), a domestic or foreign nonprofit corporation as defined in G.S. 55A-1-40, a domestic or foreign limited liability company as defined in G.S. 57C-1-03, a domestic or foreign limited partnership as defined in G.S. 59-102, a domestic partnership, or any other partnership as defined in G.S. 59-36 formed under a law other than the laws of this State (including a limited liability partnership).

(3) 'Partnership' means a partnership as defined in G.S. 59-36 whether or not formed under the laws of this State including a registered limited liability partnership and any other limited liability partnership formed under a law other than the laws of this State but excluding a domestic limited partnership as defined in G.S. 59-102 and a foreign limited partnership as defined in G.S. 59-102.

"**§ 59-73.2. Conversion of domestic partnership.**

A domestic partnership may convert to a domestic limited liability company pursuant to Part 1 of Article 9A of Chapter 57C of the General Statutes, or to a domestic limited partnership pursuant to Part 10A of Article 5 of Chapter 59 of the General Statutes.

"**§ 59-73.3. Merger.**

A domestic partnership may merge with one or more other domestic partnerships or other business entities if:

(1) The merger is permitted by laws of the state or country governing the organization and internal affairs of each other merging business entity; and

(2) Each merging domestic partnership and each other merging business entity comply with the requirements of this Part and, to the extent applicable, the laws referred to in subdivision (1) of this section.

"**§ 59-73.4. Plan of merger.**

(a) Each merging domestic partnership and each other merging business entity shall approve a written plan of merger containing:

(1) For each merging business entity, its name, type of business entity, and the state or country whose laws govern its organization and internal affairs;
(2) The name of the merging business entity that shall survive the merger;
(3) The terms and conditions of the merger; and
(4) The manner and basis for converting the interests in each merging business entity into interests, obligations, or securities of the surviving business entity or into cash or other property in whole or in part.

The plan of merger may contain other provisions relating to the merger.

(b) In the case of a merging domestic partnership, the plan of merger must be approved in the manner provided in a written partnership agreement that is binding on all the partners for approval of a merger with the type of business entity contemplated in the plan of merger or, if there is no provision, by the unanimous consent of its partners. In the case of each other merging business entity, the plan of merger must be approved in accordance with the laws of the state or country governing the organization and internal affairs of such merging business entity.

(c) After a plan of merger has been approved by the domestic partnership but before the articles of merger become effective, the plan of merger (i) may be amended as provided in the plan of merger, or (ii) may be abandoned (subject to any contractual rights) as provided in the plan of merger or a written partnership agreement that is binding on all the partners or, if not so provided, as determined by the unanimous consent of the partners.

"**§ 59-73.5. Articles of merger.**

(a) After a plan of merger has been approved by each merging domestic partnership and each other merging business entity as provided in G.S. 59-73.4, the surviving business entity shall deliver articles of merger to the Secretary of State for filing. The articles of merger shall set forth:

(1) The plan of merger;
(2) For each merging business entity, its name, type of business entity, and the state or country whose laws govern its organization and internal affairs;
(3) The name and address of the surviving business entity;
(4) A statement that the plan of merger has been approved by each merging business entity in the manner required by law; and
(5) The effective date and time of the merger if it is not to be effective at the time of filing of the articles of merger.

If the plan of merger is amended or abandoned before the articles of merger become effective, the surviving business entity promptly shall deliver to the Secretary of State for filing an amendment to the articles of merger reflecting the amendment or abandonment of the plan of merger.

(b) A merger takes effect when the articles of merger become effective.

(c) Certificates of merger shall also be registered as provided in G.S. 47-18.1.

"**§ 59-73.6. Effects of merger.**

(a) When a merger takes effect:

(1) Each other merging business entity merges into the surviving business entity, and the separate existence of each merging business entity except the surviving business entity ceases;

(2) The title to all real estate and other property owned by each merging business entity is vested in the surviving business entity without reversion or impairment;

(3) The surviving business entity has all liabilities of each merging business entity;

(4) A proceeding pending by or against any merging business entity may be continued as if the merger did not occur, or the surviving business entity may be substituted in the proceeding for a merging business entity whose separate existence ceases in the merger;

(5) The interests in each merging business entity that are to be converted into interests, obligations, or securities of the surviving business entity or into the right to receive cash or other property are thereupon so converted, and the former holders of the interests in each merging business entity are entitled only to the rights provided to them in the articles of merger or, in the case of former holders of shares in a domestic corporation (as defined in G.S. 55-1-40), any rights they may have under Article 13 of Chapter 55 of the General Statutes; and

(6) If the surviving business entity is not a domestic corporation, the surviving business entity is deemed to agree that it will promptly pay to the dissenting shareholders of any merging domestic corporation the amount, if any, to which they are entitled under Article 13 of Chapter 55 of the General Statutes and otherwise to comply with the requirements of Article 13 as if it were a surviving domestic corporation in the merger.

The merger shall not affect the liability or absence of liability of any holder of an interest in a merging business entity for any acts, omissions, or obligations of any merging business entity made or incurred prior to the effectiveness of the merger. The cessation of separate existence of a merging business entity shall not constitute a dissolution or termination of the merging business entity.

If the surviving business entity is not a domestic limited liability company, a domestic corporation, a domestic nonprofit corporation, or a domestic limited partnership when the merger takes effect, the surviving business entity is deemed:

(1) To agree that it may be served with process in this State in any proceeding for enforcement of (i) any obligation of any merging domestic limited liability company, domestic corporation, domestic nonprofit corporation, domestic limited partnership, or other partnership as defined in G.S. 59-36 that is formed under the laws of this State, (ii) the rights of dissenting shareholders of any

merging domestic corporation under Article 13 of Chapter 55 of the General Statutes, and (iii) any obligation of the surviving business entity arising from the merger; and

(2) If the surviving business entity does not have a registered agent in this State, to have appointed the Secretary of State as its registered agent for service of process in any such proceeding until such time as the surviving business entity appoints a registered agent in this State. Service on the Secretary of State of any such process shall be made by delivering to and leaving with the Secretary of State or with any clerk authorized by the Secretary of State to accept service of process, duplicate copies of such process. Upon receipt of service of process on behalf of a surviving business entity, the Secretary of State shall immediately mail a copy of the process by registered or certified mail, return receipt requested, to the surviving business entity at its address shown in the articles of merger or, if an application for a certificate of withdrawal by reason of merger has been filed, at the address for service of process contained in that application.

"**§ 59-73.7. Filing of documents.**

(a) To be entitled to filing by the Secretary of State, a document submitted pursuant to this Part must meet all of the following requirements:

(1) The document must contain the information required by this Part. It may contain other information as well.

(2) The document must be typewritten or printed.

(3) The document must be in the English language.

(4) A document submitted by a partnership must be executed by a general partner of the partnership. A document submitted by a business entity other than a partnership must be executed by a person authorized to execute documents (i) pursuant to G.S. 55-1-20(f) if the business entity is a domestic or foreign corporation, (ii) pursuant to G.S. 55A-1-20(f) if the business entity is a domestic or foreign nonprofit corporation, (iii) pursuant to G.S. 57C-1-20(f) if the business entity is a domestic or foreign limited liability company, or (iv) pursuant to G.S. 59-204 if the business entity is a domestic or foreign limited partnership.

(5) The person executing the document must sign it and state beneath or opposite the person's signature, the person's name and the capacity in which the person signs. Any signature on the document may be a facsimile. The document may, but need not, contain an acknowledgment, verification, or proof.

(6) The document must be delivered to the Office of the Secretary of State for filing and must be accompanied by one exact or conformed copy and by the required filing fee.

(b) A partnership may correct a document filed by the Secretary of State pursuant to this Part if the document (i) contains a statement that is incorrect and was incorrect when the document was filed or (ii) was defectively executed, attested, sealed, verified, or acknowledged.

A document is corrected by:

(1) Preparing articles of correction that (i) describe the document (including its filing date) or have attached to them a copy of the document, (ii) specify the incorrect statement and the reason it is incorrect or the manner in which the execution was defective, and (iii) correct the incorrect statement or defective execution; and

(2) Delivering the articles of correction to the Secretary of State for filing, accompanied by one exact or conformed copy and the required filing fee.

Articles of correction are effective on the effective date of the document that is corrected except as to persons relying on the uncorrected document and adversely affected by the correction. As to those persons, articles of correction are effective when filed.

(c) The Secretary of State shall collect the following fees when the documents described in this subsection are submitted by a partnership to the Secretary of State for filing:

Document	Fee
Articles of Merger	$50.00
Articles of Correction	$10.00

The Secretary of State shall collect a fee of ten dollars ($10.00) each time process is served on the Secretary of State under this Part. The party to the proceeding causing service of process is entitled to recover this fee as costs if the party prevails in the proceeding.

The Secretary of State shall collect the following fees for copying, comparing, and certifying a copy of a document filed by a partnership pursuant to this Part:

(1) One dollar ($1.00) a page for copying or comparing a copy to the original; and

(2) Five dollars ($5.00) for the certificate.

(d) The Secretary of State shall guarantee the expedited filing of a document upon receipt of the document in proper form and the payment of the required filing fee. The Secretary of State may collect the following additional fees for the expedited filing of a document received in good form:

(1) Two hundred dollars ($200.00) for the filing by the end of the same business day of a document received by 12:00 noon Eastern Standard Time; and

(2) One hundred dollars ($100.00) for the filing of a document within 24 hours after receipt, excluding weekends and holidays.

The Secretary of State shall not collect the fees allowed in this subsection unless the person submitting the document for filing requests an expedited filing and is informed by the Secretary of State of the fees prior to the filing of the document.

(e) Upon request, the Secretary of State shall provide for the review of a document prior to its submission for filing to determine whether it satisfies the requirements of this Part. Submission of a document for review shall be accompanied by the proper fee and shall be in accordance with procedures adopted by rule by the Secretary of State. The advisory review shall be completed within 24 hours after submission, excluding weekends and holidays, unless the person submitting the document is otherwise notified in accordance with procedures adopted by rule by the Secretary of State fixing priority between submissions under this subsection and filings under subsection (d) of this section. Upon completion of the advisory review, the Secretary of State shall notify the person submitting the document of any deficiencies in the document that would prevent its filing.

(f) Except as provided in this subsection and in subsection (b) of this section, a document accepted for filing is effective:

(1) At the time of filing on the date it is filed, as evidenced by the Secretary of State's date and time endorsement on the original document; or

(2) At the time specified in the document as its effective time on the date it is filed.

A document may specify a delayed effective time and date, and if it does so the document becomes effective at the time and date specified. If a delayed effective date but no time is specified, the document is effective at 11:59:59 p.m. on that date. A delayed effective date for a document may not be later than the 90th day after the date it is filed.

The fact that a document has become effective under this subsection does not determine its validity or invalidity or the correctness or incorrectness of the information contained in the document.

(g) If a document delivered to the Office of the Secretary of State for filing satisfies the requirements of this Part, the Secretary of State shall file it. Documents filed with the Secretary of State pursuant to this Part may be maintained by the Secretary either in their original form or in photographic, microfilm, optical disk media, or other reproduced form. The Secretary may make reproductions of documents filed under this Part, or under any predecessor act, by photographic, microfilm, optical disk media, or other means of reproduction, and may destroy the originals of those documents reproduced.

The Secretary of State files a document by stamping or otherwise endorsing 'Filed', together with the Secretary of State's name and official title and the date and time of filing, on both the original and the document copy. After filing a document, the Secretary of State shall deliver the document copy to the partnership or its representative.

If the Secretary of State refuses to file a document, the Secretary of State shall return it to the partnership or its representative within five days after the document was received, together with a brief, written explanation of the reason for refusal. The Secretary of State may correct apparent errors and omissions on a document submitted for filing if authorized to make the corrections by the person submitting

the document for filing. Prior to making the correction, the Secretary shall confirm the authorization to make the corrections according to procedures adopted by rule.

The Secretary of State's duty is to review and file documents that satisfy the requirements of this Part. The Secretary of State's filing or refusing to file a document does not:

(1) Affect the validity or invalidity of the document in whole or part;

(2) Relate to the correctness or incorrectness of information contained in the document; or

(3) Create a presumption that the document is valid or invalid or that information contained in the document is correct or incorrect.

(h) If the Secretary of State refuses to file a document delivered to the Secretary of State's office for filing, the person tendering the document for filing may, within 30 days after the refusal, appeal the refusal to the Superior Court of Wake County. The appeal is commenced by filing a petition with the court and with the Secretary of State requesting the court to compel the Secretary of State to file the document. The petition shall have attached to it the document to be filed and the Secretary of State's explanation for the refusal to file. The appeal to the Superior Court is not governed by Chapter 150B of the General Statutes, the Administrative Procedure Act, and the court shall determine, based upon what is appropriate under the circumstances, any further notice and opportunity to be heard.

Upon consideration of the petition and any response made by the Secretary of State, the court may, prior to entering final judgment, order the Secretary of State to file the document or take other action the court considers appropriate.

The court's final decision may be appealed as in other civil proceedings.

(i) A certificate attached to a copy of a document filed by the Secretary of State, bearing the Secretary of State's signature (which may be in facsimile) and the seal of office and certifying that the copy is a true copy of the document, is conclusive evidence that the original document is on file with the Secretary of State. A photographic, microfilm, optical disk media, or other reproduced copy of a document filed pursuant to this Part or any predecessor act, when certified by the Secretary, shall be considered an original for all purposes and is admissible in evidence in like manner as an original.

(j) A person commits an offense if the person signs a document the person knows is false in any material respect with intent that the document be delivered to the Secretary of State for filing. An offense under this subsection is a Class 1 misdemeanor.

(k) Whenever title to real property in this State held by a partnership is vested by operation of law in another entity upon merger, consolidation, or conversion of the partnership, a certificate reciting the merger, consolidation, or conversion shall be recorded in the office of the register of deeds of the county where the property is located, or if the property is located in more than one county, then in each county where any portion of the property is located.

The Secretary of State shall adopt uniform certificates to be furnished for registration in accordance with this subsection. In the case of a partnership formed

under a law other than the laws of this State, a similar certificate by any competent authority of the jurisdiction of organization may be registered in accordance with this subsection.

The certificate required by this subsection shall be recorded by the register of deeds in the same manner as deeds, and for the same fees, but no formalities as to acknowledgment, probate, or approval by any other officer shall be required. The former name of the partnership holding title to the real property before the merger, consolidation, or conversion shall appear in the 'Grantor' index and the name of the other entity holding title to the real property by virtue of the merger, consolidation, or conversion shall appear in the 'Grantee' index."

Section 4.2. G.S. 59-102 is amended by adding a new subdivision to read:

"(1a) 'Business entity' means a domestic corporation as defined in G.S. 55-1-40 (including, without limitation, a professional corporation as defined in G.S. 55B-2), a foreign corporation as defined in G.S. 55-1-40 (including, without limitation, a foreign professional corporation as defined in G.S. 55B-16), a domestic or foreign nonprofit corporation as defined in G.S. 55A-1-40, a domestic limited liability company as defined in G.S. 57C-1-03, a foreign limited liability company as defined in G.S. 57C-1-03, a domestic limited partnership, a foreign limited partnership, or any other partnership as defined in G.S. 59-36 whether or not formed under the laws of this State (including a registered limited liability partnership as defined in G.S. 59-32 and any other limited liability partnership formed under a law other than the laws of this State)."

Section 4.3. G.S. 59-201 is amended by adding a new subsection to read:

"(d) A limited partnership may also be formed through the conversion of another business entity in accordance with Part 10A of this Article."

Section 4.4. G.S. 59-204 reads as rewritten:

"**§ 59-204. Execution of ~~certificates.~~ documents.**

(a) Each certificate required by this Article to be filed in the office of the Secretary of State shall be executed in the following manner:

(1) An original certificate of limited partnership must be signed by all general partners;

(2) A certificate of amendment must be signed by at least one general partner and by each other partner designated in the certificate as a new general partner; and

(3) A certificate of cancellation must be signed by all general partners.

Any other document submitted by a domestic or foreign limited partnership for filing pursuant to this or any other Chapter must be signed by at least one general partner. Any document submitted by a business entity other than a domestic or foreign limited partnership must be executed by a person authorized to execute documents (i) pursuant to G.S. 55-1-20(f) if the business entity is a domestic or foreign corporation, (ii) pursuant to G.S. 55A-1-20(f) if the business entity is a domestic or foreign nonprofit corporation, (iii) pursuant to G.S. 57C-1-20(f) if the

business entity is a domestic or foreign limited liability company, or (iv) pursuant to G.S. 59-73.7(a)(4) if the business entity is a partnership as defined in G.S. 59-36, whether or not formed under the laws of this State, other than a domestic or foreign limited partnership.

(b) Any person may sign a certificate by an attorney-in-fact.

(b1) Any signature on any document authorized to be filed with the Secretary of State under any provision of this Article may be a facsimile.

(c) The execution of a certificate or amendment by a general partner constitutes an affirmation under the penalties of perjury that the facts stated therein are true."

Section 4.5. G.S. 59-206(a)(3a) reads as rewritten:

"(3a) Whenever the name of any domestic or foreign limited partnership holding title to real property in this State is changed upon amendment to the certificate of limited partnership, or whenever title to its real property is vested by operation of law in another entity upon merger, consolidation, or conversion of the domestic or foreign limited partnership, a certificate reciting the ~~change or transfer~~ name change, merger, consolidation, or conversion shall be recorded in the office of the register of deeds of the county where the property lies, or if the property is located in more than one county, then in each county where any portion of the property lies."

Section 4.6. G.S. 59-206(a)(5) reads as rewritten:

"(5) The certificate required by this section shall be recorded by the register of deeds in the same manner as deeds, and for the same fees, but no formalities as to acknowledgement, probate, or approval by any other officer shall be required. The former name of the domestic or foreign limited partnership holding title to the real property before the ~~amendment~~ name change, merger, consolidation, or conversion shall appear in the 'Grantor' index, and the ~~amended~~ new name of the domestic or foreign limited partnership or the name of the other entity holding title to the real property by virtue of the ~~amendment~~ merger, consolidation, or conversion, as applicable, shall appear in the 'Grantee' index."

Section 4.7. Article 5 of Chapter 59 of the General Statutes is amended by adding a new section to read:

"**§ 59-909. Withdrawal of foreign limited partnership by reason of a merger, consolidation, or conversion.**

(a) Whenever a foreign limited partnership authorized to transact business in this State ceases its separate existence as a result of a statutory merger or consolidation permitted by the laws of the state or country under which it was organized, or converts into another type of entity as permitted by those laws, the surviving or resulting entity shall apply for a certificate of withdrawal for the foreign limited partnership by delivering to the Secretary of State for filing a copy of the articles of merger, consolidation, or conversion or a certificate reciting the facts of the merger,

consolidation, or conversion, duly authenticated by the Secretary of State or other official having custody of limited partnership records in the state or country under the laws of which the foreign limited partnership was organized. If the surviving or resulting entity is not authorized to transact business in this State, the articles or certificate must be accompanied by an application which must set forth:

(1) The name of the foreign limited partnership authorized to transact business in this State, the type of entity and name of the surviving or resulting entity, and a statement that the surviving or resulting entity is not authorized to transact business in this State;

(2) A statement that the surviving or resulting entity consents that service of process based on any cause of action arising in this State, or arising out of business transacted in this State, during the time the foreign limited partnership was authorized to transact business in this State, may thereafter be made by service thereof on the Secretary of State;

(3) A mailing address to which the Secretary of State may mail a copy of any process served upon the Secretary under subdivision (a)(2) of this section; and

(4) A commitment to notify the Secretary of State in the future of any change in its mailing address.

(b) If the Secretary of State finds that the articles or certificate and the application for withdrawal, if required, conform to law, the Secretary of State shall:

(1) Endorse on the articles or certificate and the application for withdrawal, if required, the word 'filed' and the hour, day, month, and year of filing thereof;

(2) File the articles or certificate and the application, if required;

(3) Issue a certificate of withdrawal; and

(4) Send to the surviving or resulting entity or its representative the certificate of withdrawal, together with the exact or conformed copy of the application, if required, affixed thereto."

Section 4.8. Article 5 of Chapter 59 of the General Statutes is amended by adding a new Part to read:

"Part 10A. Conversion and Merger.

"§ 59-1007. Conversions.

(a) A domestic limited partnership may convert to a domestic limited liability company pursuant to Part 1 of Article 9A of Chapter 57C of the General Statutes.

(b) A domestic limited liability company as defined in G.S. 57C-1-03, a foreign limited liability company as defined in G.S. 57C-1-03, a foreign limited partnership, or any other partnership as defined in G.S. 59-36 whether or not formed under the laws of this State, including a registered limited liability partnership as defined in G.S. 59-32, and any other limited liability partnership formed under a law other than the laws of this State, but excluding a domestic limited partnership, may convert to a domestic limited partnership if:

(1) Such converting business entity complies with the requirements of G.S. 59-1008 and G.S. 59-1009; and

(2) If the converting business entity is a foreign limited liability company, a foreign limited partnership, or other partnership as defined in G.S. 59-36 whose organization and internal affairs are governed by a law other than the laws of this State, the conversion is permitted by laws of the state or country governing the organization and internal affairs of the converting business entity, and the converting business entity complies with the laws.

"**§ 59-1008. Plan of conversion.**

(a) The holders of the interests in the converting business entity shall approve a written plan of conversion containing:

(1) The name of the resulting domestic limited partnership into which the converting business entity shall convert;

(2) The terms and conditions of the conversion; and

(3) The manner and basis for converting the interests in the converting business entity into interests, obligations, or securities of the resulting domestic limited partnership or into cash or other property in whole or in part.

The plan of conversion may contain other provisions relating to the conversion.

(b) In the case of a domestic limited liability company, the plan of conversion must be approved in the manner provided for approval of such a conversion in its articles of organization or a written operating agreement or, if there is no such provision, by the unanimous consent of its members. In the case of a partnership as defined in G.S. 59-36 whose organization and internal affairs are governed by the laws of this State, the plan of conversion must be approved in the manner provided for the approval of such a conversion in a written partnership agreement that is binding on all the partners or, if there is no such provision, by the unanimous consent of all the partners. In the case of a foreign limited liability company, a foreign limited partnership, or other partnership as defined in G.S. 59-36 whose organization and internal affairs are governed by a law other than the laws of this State, the plan of conversion must be approved in accordance with the laws of the state or country governing the organization and internal affairs of the converting business entity.

(c) After a plan of conversion has been approved as provided in subsection (b) of this section, but before a certificate of limited partnership for the resulting domestic limited liability company becomes effective, the plan of conversion may be amended or abandoned to the extent provided in the plan of conversion.

"**§ 59-1009. Filing of certificate of limited partnership by converting business entity.**

(a) After a plan of conversion has been approved by the converting business entity as provided in G.S. 59-1008, the converting business entity shall deliver a certificate of limited partnership to the Secretary of State for filing. In addition to the matters required or permitted by G.S. 59-201, the certificate of limited partnership shall state:

(1) That the domestic limited partnership is being formed pursuant to a conversion of another business entity;

(2) The name of the converting business entity, its type of business entity, and the state or country whose laws govern its organization and internal affairs; and

(3) That a plan of conversion has been approved by the converting business entity in the manner required by law.

If the plan of conversion is abandoned before the certificate of limited partnership becomes effective, the converting business entity promptly shall deliver to the Secretary of State for filing an amendment to the certificate of limited partnership reflecting the abandonment of the plan of conversion.

(b) The conversion takes effect when the certificate of limited partnership becomes effective.

(c) The converting business entity shall furnish a copy of the plan of conversion, on request and without cost, to any member or partner (whether general or limited) of the converting business entity.

(d) Certificates of conversion shall also be registered as provided in G.S. 47-18.1.

"**§ 59-1010. Effects of conversion.**

(a) When the conversion takes effect:

(1) The converting business entity ceases its prior form of organization and continues in existence as the resulting domestic limited partnership;

(2) The title to all real estate and other property owned by the converting business entity continues vested in the resulting domestic limited partnership without reversion or impairment;

(3) All liabilities of the converting business entity continue as liabilities of the resulting domestic limited partnership;

(4) A proceeding pending by or against the converting business entity may be continued as if the conversion did not occur; and

(5) The interests in the converting business entity that are to be converted into interests, obligations, or securities of the resulting domestic partnership or into the right to receive cash or other property are thereupon so converted, and the former holders of interests in the converting business entity are entitled only to the rights provided in the plan of conversion.

The conversion shall not affect the liability or absence of liability of any holder of an interest in the converting business entity for any acts, omissions, or obligations of the converting business entity made or incurred prior to the effectiveness of the conversion. The cessation of the existence of the converting business entity in its prior form of organization in the conversion shall not constitute a dissolution or termination of the converting business entity.

"**§ 59-1011. Merger.**

A domestic limited partnership may merge with one or more other domestic limited partnerships or other business entities if:

(1) The merger is permitted by the laws of the state or country governing the organization and internal affairs of each other merging business entity; and

(2) Each merging domestic limited partnership and each other merging business entity comply with the requirements of G.S. 59-1012 and G.S. 59-1013, and, to the extent applicable, the laws referred to in subdivision (1) of this section.

"**§ 59-1012. Plan of merger.**

(a) Each merging domestic limited partnership and each other merging business entity shall approve a written plan of merger containing:

(1) For each merging business entity, its name, type of business entity, and the state or country whose laws govern its organization and internal affairs;

(2) The name of the merging business entity that shall survive the merger;

(3) The terms and conditions of the merger;

(4) The manner and basis for converting the interests in each merging business entity into interests, obligations, or securities of the surviving business entity or into cash or other property in whole or in part; and

(5) If the surviving business entity is a domestic limited partnership, any amendments to its certificate of limited partnership that are to be made in connection with the merger.

The plan of merger may contain other provisions relating to the merger.

(b) In the case of a merging domestic limited partnership, the plan of merger must be approved in the manner provided in a written partnership agreement that is binding on all the partners for approval of a merger with the type of business entity contemplated in the plan of merger or, if there is no provision, by the unanimous consent of its partners. In the case of each other merging business entity, the plan of merger must be approved in accordance with the laws of the state or country governing the organization and internal affairs of the merging business entity.

(c) After a plan of merger has been approved by a domestic limited partnership, but before the articles of merger become effective, the plan of merger (i) may be amended as provided in the plan of merger, or (ii) may be abandoned (subject to any contractual rights) as provided in the plan of merger or a written partnership agreement that is binding on all the partners or, if there is no such provision, as determined by the unanimous consent of the partners.

"**§ 59-1013. Articles of merger.**

(a) After a plan of merger has been approved by each merging domestic limited partnership and each other merging business entity as provided in G.S. 59-1012, the surviving business entity shall deliver articles of merger to the Secretary of State for filing. The articles of merger shall set forth:

(1) The plan of merger;

(2) For each merging business entity, its name, type of business entity, and the state or country whose laws govern its organization and internal affairs;
(3) The name and address of the surviving business entity;
(4) A statement that the plan of merger has been approved by each merging business entity in the manner required by law; and
(5) The effective date and time of the merger if it is not to be effective at the time of filing of the articles of merger.

If the plan of merger is amended or abandoned before the articles of merger become effective, the surviving business entity promptly shall deliver to the Secretary of State for filing an amendment to the articles of merger reflecting the amendment or abandonment of the plan of merger.

(b) A merger takes effect when the articles of merger become effective.

(c) Certificates of merger shall also be registered as provided in G.S. 47-18.1.

"**§ 59-1014. Effects of merger.**

(a) When the merger takes effect:

(1) Each other merging business entity merges into the surviving business entity, and the separate existence of each merging business entity except the surviving business entity ceases;
(2) The title to all real estate and other property owned by each merging business entity is vested in the surviving business entity without reversion or impairment;
(3) The surviving business entity has all liabilities of each merging business entity;
(4) A proceeding pending by or against any merging business entity may be continued as if the merger did not occur, or the surviving business entity may be substituted in the proceeding for a merging business entity whose separate existence ceases in the merger;
(5) If a domestic limited partnership is the surviving business entity, its certificate of limited partnership shall be amended to the extent provided in the plan of merger;
(6) The interests in each merging business entity that are to be converted into interests, obligations, or securities of the surviving business entity or into the right to receive cash or other property are thereupon so converted, and the former holders of the interests are entitled only to the rights provided to them in the articles of merger or, in the case of former holders of shares in a domestic corporation as defined in G.S. 55-1-40, any rights they have under Article 13 of Chapter 55 of the General Statutes; and
(7) If the surviving business entity is not a domestic corporation, the surviving business entity is deemed to agree that it will promptly pay to the dissenting shareholders of any merging domestic corporation the amount, if any, to which they are entitled under Article 13 of Chapter 55 of the General Statutes and otherwise to

comply with the requirements of Article 13 as if it were a surviving domestic corporation in the merger.

The merger shall not affect the liability or absence of liability of any holder of an interest in a merging business entity for any acts, omissions, or obligations of any merging business equity made or incurred prior to the effectiveness of the merger. The cessation of separate existence of a merging business entity in the merger shall not constitute a dissolution or termination of such merging business entity.

(b) If the surviving business entity is not a domestic limited liability company, a domestic corporation, a domestic nonprofit corporation, or a domestic limited partnership, when the merger takes effect the surviving business entity is deemed:

(1) To agree that it may be served with process in this State in any proceeding for enforcement of (i) any obligation of any merging domestic limited liability company, domestic corporation, domestic nonprofit corporation, domestic limited partnership or other partnership as defined in G.S. 59-36 that is formed under the laws of this State, (ii) the rights of dissenting shareholders of any merging domestic corporation under Article 13 of Chapter 55 of the General Statutes, and (iii) any obligation of the surviving business entity arising from the merger; and

(2) If the surviving business entity does not have a registered agent in this State, to have appointed the Secretary of State as its registered agent for service of process in any such proceeding until such time as the surviving business entity appoints a registered agent in this State. Service on the Secretary of State of any such process shall be made by delivering to and leaving with the Secretary of State or with any clerk authorized by the Secretary of State to accept service of process, duplicate copies of such process. Upon receipt of service of process on behalf of a surviving business entity, the Secretary of State shall immediately mail a copy of the process by registered or certified mail, return receipt requested, to the surviving business entity at its address shown in the articles of merger or, if an application for a certificate of withdrawal by reason of merger has been filed, at the address for service of process contained in that application."

PART V. CONFORMING CHANGES.

Section 5.1. G.S. 47-18.1 reads as rewritten:

"**§ 47-18.1. Registration of certificate of corporate ~~merger or consolidation.~~ merger, consolidation, or conversion.**

(a) If title to real property in this State is ~~transferred~~ vested by operation of law in another entity upon the ~~merger or consolidation of two or more corporations,~~ merger, consolidation, or conversion of an entity, such ~~transfer~~ vesting is effective against lien creditors or purchasers for a valuable consideration from the ~~corporation~~ entity formerly owning the property, only from the time of registration of a certificate thereof as provided in this section, in the county where the land lies, or if the land is

located in more than one county, then in each county where any portion of the land lies to be effective as to the land in that county.

(b) The Secretary of State shall adopt uniform certificates of ~~merger or consolidation,~~ merger, consolidation, or conversion, to be furnished for registration, and shall adopt such fees as are necessary for the expense of such certification. If the ~~corporation~~ entity involved is not a domestic ~~corporation,~~ entity, a similar certificate by any competent authority in the jurisdiction of incorporation or organization may be registered in accordance with this section.

(c) A certificate of the Secretary of State prepared in accordance with this section shall be registered by the register of deeds in the same manner as deeds, and for the same fees, but no formalities as to acknowledgment, probate, or approval by any other officer shall be required. The name of the ~~corporation~~ entity formerly owning the property shall appear in the 'Grantor' index, and the name of the ~~corporation~~ entity owning the property by virtue of the ~~merger or consolidation~~ merger, consolidation, or conversion shall appear in the 'Grantee' index."

Section 5.2. G.S. 105-129.4(e) reads as rewritten:

"(e) Change in Ownership of Business. -- The sale, merger, consolidation, conversion, acquisition, or bankruptcy of a business, or any transaction by which an existing business reformulates itself as another business, does not create new eligibility in a succeeding business with respect to credits for which the predecessor was not eligible under this Article. A successor business may, however, take any installment of or carried-over portion of a credit that its predecessor could have taken if it had a tax liability. The acquisition of a business is a new investment that creates new eligibility in the acquiring taxpayer under this Article if any of the following conditions are met:

(1) The business closed before it was acquired.

(2) The business was required to file a notice of plant closing or mass layoff under the federal Worker Adjustment and Retraining Notification Act, 29 U.S.C. § 2102, before it was acquired.

(3) The business was acquired by its employees through an employee stock option transaction or another similar mechanism."

Section 5.3. G.S. 105-129.27(d) reads as rewritten:

"(d) Change in Ownership of Facility. -- The sale, merger, consolidation, conversion, acquisition, or bankruptcy of a recycling facility, or any transaction by which the facility is reformulated as another business, does not create new eligibility in a succeeding owner with respect to a credit for which the predecessor was not eligible under this section. A successor business may, however, take any carried-over portion of a credit that its predecessor could have taken if it had a tax liability."

Section 5.4. G.S. 105-130.4(j)(3) reads as rewritten:

"(3) The average value of property shall be determined by averaging the values at the beginning and end of the income year, but in all cases the Secretary of Revenue may require the averaging of monthly or other periodic values during the income year if reasonably required to reflect properly the average value of the

corporation's property. A corporation ~~which~~ that ceases its operations in this State before the end of its income year because of its intention to dissolve or to relinquish its certificate of authority, or because of a ~~merger~~ merger, conversion, or consolidation, or for any other reason whatsoever shall use the real estate and tangible personal property values as of the first day of the income year and the last day of its operations in this State in determining the average value of property, but the Secretary may require averaging of monthly or other periodic values during the income year if reasonably required to reflect properly the average value of the corporation's property."

Section 5.5. G.S. 105-130.17(e) reads as rewritten:

"(e) Any corporation ~~which~~ that ceases its operations in this State before the end of its income year because of its intention to dissolve or to withdraw from this State, or because of a ~~merger~~ merger, conversion, or consolidation or for any other reason whatsoever shall file its return for the then current income year within 75 days after the date it terminates its business in this State."

Section 5.6. G.S. 105-163.010(2) reads as rewritten:

"(2) Business. -- A corporation, partnership, limited liability company, association, or sole proprietorship operated for profit."

Section 5.7. G.S. 105-163.013(f) reads as rewritten:

"(f) Transfer of Registration. -- A registration as a qualified business venture or qualified grantee business may not be sold or otherwise transferred, except that if a qualified business venture or qualified grantee business enters into a merger, conversion, consolidation, or other similar transaction with another business and the surviving ~~corporation~~ company would otherwise meet the criteria for being a qualified business venture or qualified grantee business, the surviving company retains the registration without further application to the Secretary of State. In such a case, the qualified business venture or qualified grantee business shall provide the Secretary of State with written notice of the merger, conversion, consolidation, or similar transaction and the name, address, and jurisdiction of incorporation or organization of the surviving company."

Section 5.8. G.S. 105-163.014(d)(1) reads as rewritten:

"(1) Within one year after the investment was made, the taxpayer transfers any of the securities received in the investment that qualified for the tax credit to another person or entity, other than in a transfer resulting from one of the following:

a. The death of the taxpayer.

b. A final distribution in liquidation to the owners of a taxpayer that is a corporation or other entity.

c. A merger, conversion, consolidation, or similar transaction requiring approval by the ~~shareholders~~ owners of the qualified business venture or qualified grantee business under applicable State law, to the extent the taxpayer does

not receive cash or tangible property in the merger, conversion, consolidation, or other similar transaction."

Section 5.9. G.S. 105-187.6(b)(2) reads as rewritten:

"(2) To a ~~partnership~~ partnership, limited liability company, or corporation as an incident to the formation of the ~~partnership or corporation and~~ partnership, limited liability company, or corporation, and no gain or loss arises on the transfer of the motor vehicle under section 351 or section 721 of the Internal Revenue ~~Code,~~ Code as defined in G.S. 105-228.90, or to a partnership, limited liability company, or corporation by ~~merger or~~ merger, conversion, or consolidation in accordance with ~~G.S. 55-11-06.~~ applicable law."

Section 5.10. G.S. 105-228.29 reads as rewritten:

"**§ 105-228.29. Conveyances excluded.**

The provisions of this Article shall not apply to transfers of an interest in real estate by operation of law, by lease for a term of years, by or pursuant to the provisions of a will, by intestacy, by gift, by ~~merger~~ merger, conversion, or consolidation, or by instruments securing indebtedness, or any other transfer where no consideration in property or money is due or paid by the transferee to transferor."

PART VI. MUTUAL TO STOCK INSURANCE CONVERSION.

Section 6. Article 10 of Chapter 58 of the General Statutes is amended by adding a new section to read:

"**§ 58-10-10. Mutual conversion to stock insurer.**

(a) A domestic mutual insurer may convert to a domestic stock insurer under a plan that is approved in advance by the Commissioner.

(b) The Commissioner shall not approve the plan unless:

(1) It is fair and equitable to the insurer's policyholders.

(2) It is adopted by the insurer's board of directors in accordance with the insurer's bylaws and approved by a vote of not less than two-thirds of the insurer's members voting on it in person, by proxy, or by mail at a meeting called for the purpose of voting on the plan, pursuant to reasonable notice and procedure as approved by the Commissioner. If the company is a life insurer, the right to vote may be limited, as its bylaws provide, to members whose policies are other than term or group policies and have been in effect for more than one year.

(3) Each policyholder's equity in the insurer is determinable under a fair and reasonable formula approved by the Commissioner. The equity shall be based upon the insurer's entire statutory surplus after deducting certificates of contribution, guaranty capital certificates, and similar evidences of indebtedness included in an insurer's statutory surplus.

(4) The policyholders entitled to vote on the plan and participate in the purchase of stock and distribution of assets include all

policyholders on the date the plan was adopted by the insurer's board of directors.

(5) The plan provides that each policyholder specified in subdivision (4) of this subsection receives a preemptive right to acquire a proportionate part of all of the proposed capital stock of the insurer or of all of the stock of a corporation affiliated with the insurer within a designated reasonable period as the part is determinable under the plan of conversion; and to apply toward the purchase of the stock the amount of the policyholder's equity in the insurer under subdivision (3) of this subsection. The plan must provide for an equitable distribution of fractional interests.

(6) The plan provides for payment to each policyholder of the policyholder's entire equity in the insurer; with that payment to be applied toward the purchase of stock to which the policyholder is entitled preemptively or to be made in cash, or both. The cash payment may not exceed fifty percent (50%) of each policyholder's equity. The stock purchased, together with the cash payment, if any, shall constitute full payment and discharge of the policyholder's equity as an owner of the mutual insurer.

(7) Shares are to be offered to policyholders at a price not greater than that of shares to be subsequently offered to others.

(8) The Commissioner finds that the insurer's management has not, through reduction of volume of new business written, through policy cancellations, or through any other means, sought to (i) reduce, limit, or affect the number or identity of the insurer's members entitled to participate in the plan or (ii) secure for the individuals constituting management any unfair advantage through the plan.

(9) The plan, when completed, provides that the insurer's capital and surplus are not less than the minimum required of a domestic stock insurer transacting the same kinds of insurance, are reasonable in relation to the insurer's outstanding liabilities, and are adequate to meet its financial needs.

(c) With respect to an insurer with a guaranty capital, the conversion plan shall be approved by a vote of not less than two-thirds of the insurer's guaranty capital shareholders and policyholders as provided for in subdivision (b)(2) of this section. The plan may provide for the issuance of stock in exchange for outstanding guaranty capital shares at their redemption value subject to the conditions in subsection (b) of this section.

(d) The Commissioner may schedule a public hearing on the proposed conversion plan.

(e) The Commissioner may retain, at the mutual insurer's expense, any attorneys, actuaries, economists, accountants, or other experts not otherwise a part of the

Commissioner's staff as may be reasonably necessary to assist the Commissioner in reviewing the proposed conversion plan.

(f) The corporate existence of the mutual company continues in the stock company created under this section. All assets, rights, franchises, and interests of the former mutual insurer, in and to real or personal property, are deemed to be transferred to and vested in the stock insurer, without any other deed or transfer; and the stock insurer simultaneously assumes all of the obligations and liabilities of the former mutual insurer.

(g) No director, officer, or employee of the insurer shall receive:

(1) Any fee, commission, compensation, or other valuable consideration for aiding, promoting, or assisting in the conversion of the mutual insurer to a domestic stock insurer, other than compensation paid to any director, officer, or employee of the insurer in the ordinary course of business; or

(2) Any distribution of the assets, surplus, or capital of the insurer as part of a conversion.

(h) The Commissioner may adopt rules to carry out the provisions of this section."

PART VII. HOMEOWNER ASSOCIATION REFUNDS.

Section 7. G.S. 55A-13-02(b) reads as rewritten:

"(b) Subject to the provisions of subsection (d) of this ~~section, (i) a~~ section:

(1) A corporation may make distributions to any entity that is exempt under section 501(c)(3) of the Internal Revenue Code of 1986 or any successor section, or that is organized exclusively for one or more of the purposes specified in section 501(c)(3) of the Internal Revenue Code of 1986 or any successor section and that upon dissolution shall distribute its assets to a charitable or religious corporation, the United States, a state or an entity that is exempt under section 501(c)(3) of the Internal Revenue Code of 1986 or any successor ~~section, and (ii) any~~ section.

(2) Any corporation other than a charitable or religious corporation may make distributions to any domestic or foreign corporation.

(3) Except as otherwise prohibited by statute, a corporation not operated for profit, the membership of which is limited to the owners or occupants of real property in a condominium, cooperative housing corporation, or other real property development, having as its primary purposes the management, operation, preservation, maintenance, and repair of common areas and improvements upon the real property owned by the members and the corporation or organization, may make distribution to its members of excess or surplus membership dues, fees, or assessments remaining after the payment of or provisions for common expenses and any prepayment of reserves; provided that these distributions are in proportion to the dues, fees, or assessments collected from the members."

PART VIII. EFFECTIVE DATE.

Section 8. This act becomes effective January 1, 2000, and applies to mergers, consolidations, or conversions effective on or after that date.

A BILL TO BE ENTITLED

AN ACT TO REVISE THE LAW GOVERNING MERGERS, CONSOLIDATIONS, AND CONVERSIONS AMONG BUSINESS CORPORATIONS, NONPROFIT CORPORATIONS, AND UNINCORPORATED ENTITIES, INCLUDING LIMITED LIABILITY COMPANIES AND PARTNERSHIPS, FOR THE PURPOSE OF CONFORMING THE LAWS WITH THOSE OF OTHER STATES AND MODERN BUSINESS PRACTICES; TO ALLOW CONVERSION OF A MUTUAL INSURANCE COMPANY TO A STOCK INSURANCE COMPANY; AND TO PERMIT HOMEOWNER ASSOCIATIONS TO DISTRIBUTE SURPLUS FUNDS.

The General Assembly of North Carolina enacts:

PART I. CORPORATIONS.

Section 1.1. G.S. 55-1-20(f) reads as rewritten:

"(f) ~~The~~ A document submitted by a domestic or foreign corporation or nonprofit corporation must be executed:

(1) By the chairman of the board of ~~directors of a domestic or foreign corporation,~~ directors, by its president, or by another of its officers;

(2) If directors have not been selected or the corporation has not been formed, by an incorporator; or

(3) If the corporation is in the hands of a receiver, trustee, or other court-appointed fiduciary, by that fiduciary.

A document submitted by an unincorporated entity must be executed by a person authorized to execute documents (i) pursuant to G.S. 57C-1-20(f) if the unincorporated entity is a domestic or foreign limited liability company, (ii) pursuant to G.S. 59-204 if the unincorporated entity is a domestic or foreign limited partnership, or (iii) pursuant to G.S. 59-73.7(a)(4) if the unincorporated entity is any other partnership as defined in G.S. 59-36 whether or not formed under the laws of this State."

Section 1.2. G.S. 55-1-40(9) reads as rewritten:

"(9) 'Entity' includes (without limiting the meaning of such term in Article 9) corporation and foreign corporation; nonprofit corporation; professional corporation; limited liability company; profit and nonprofit unincorporated association; business trust, estate, partnership, trust, and two or more persons having a joint or common economic interest; and state, United States, and foreign government."

Section 1.3. G.S. 55-1-40 is amended by adding the following new subdivision, to be placed by the Codifier of Statutes in the appropriate order, to read:

"(25a) 'Unincorporated entity' means a domestic or foreign limited liability company as defined in G.S. 57C-1-03, a domestic or foreign limited partnership as defined in G.S. 59-102, or any other partnership as defined in G.S. 59-36, whether or not formed under the laws of this State, including a registered limited liability partnership as defined in G.S. 59-32 and any other limited liability partnership formed under a law other than the laws of this State."

Section 1.4. G.S. 55-4-05 reads as rewritten:

"**§ 55-4-05. Real property records.**

(a) Whenever the name of any domestic or foreign corporation holding title to real property in this State is changed upon amendment to the articles of incorporation or whenever title to its real property in this State is ~~transferred~~ vested by operation of law in another entity upon ~~merger of two or more corporations,~~ merger, consolidation, or conversion of the corporation, a certificate reciting ~~such change or transfer~~ the name change, merger, consolidation, or conversion shall be recorded in the office of the register of deeds of the county where the property lies, or if the property is located in more than one county, then in each county where any portion of the property lies.

(b) The Secretary of State shall adopt uniform certificates to be furnished for registration in accordance with this section. In the case of a foreign corporation, a similar certificate by any competent authority of the jurisdiction of incorporation may be registered in accordance with this section.

(c) The certificate required by this section shall be recorded by the register of deeds in the same manner as deeds, and for the same fees, but no formalities as to acknowledgement, probate, or approval by any other officer shall be required. The former name of the corporation holding title to the real property before the ~~amendment or merger~~ name change, merger, consolidation, or conversion shall

appear in the 'Grantor' index, and the ~~amended~~ new name of the corporation or the name of the other entity holding title to the real property by virtue of the ~~amendment or merger~~ merger, consolidation, or conversion shall appear in the 'Grantee' index."

Section 1.5. G.S. 55-9-01(b)(1) reads as rewritten:

"(1) 'Business combination' includes any merger or consolidation of a corporation with or into any other ~~corporation,~~ corporation or any unincorporated entity, or the sale or lease of all or any substantial part of the corporation's assets to, or any payment, sale or lease to the corporation or any subsidiary thereof in exchange for securities of the corporation of any assets (except assets having an aggregate fair market value of less than five million dollars ($5,000,000)) of any other entity."

Section 1.6. G.S. 55-9-04(d) reads as rewritten:

"(d) Nothing contained in this Article shall be construed to relieve any other entity from any fiduciary obligation imposed by law. This Article shall be broadly construed so as to be applicable to any transaction reasonably calculated to avoid the application of the provisions hereof including, without limitation, any merger or other recapitalization, initiated by or for the benefit of an other entity that owns more than twenty percent (20%) of the voting shares, which would reincorporate a corporation under the laws of another ~~state.~~ state or which would reorganize a corporation as an unincorporated entity."

Section 1.7. G.S. 55-11-06(a)(4) reads as rewritten:

"(4) A proceeding pending by or against any corporation party to the merger may be continued as if the merger did not occur or the surviving corporation may be substituted in the proceeding for the corporation whose existence ceased;".

Section 1.8. Article 11 of Chapter 55 of the General Statutes is amended by adding a new section to read:

"**§ 55-11-10. Merger with unincorporated entity.**

(a) As used in this section, 'business entity' means a domestic corporation as defined in G.S. 55-1-40 (including a professional corporation as defined in G.S. 55B-2), a foreign corporation as defined in G.S. 55-1-40 (including a foreign professional corporation as defined in G.S. 55B-16), a domestic or foreign nonprofit corporation as defined in G.S. 55A-1-40, a domestic or foreign limited liability company as defined in G.S. 57C-1-03, a domestic or foreign limited partnership as defined in G.S. 59-102, and any other partnership as defined in G.S. 59-36 whether or not formed under the laws of this State (including a registered limited liability partnership as defined in G.S. 59-32 and any limited liability partnership formed under a law other than the laws of this State).

(b) One or more domestic corporations may merge with one or more unincorporated entities and, if desired, one or more foreign corporations, domestic nonprofit corporations, or foreign nonprofit corporations if:

(1) The merger is permitted by the laws of the state or country governing the organization and internal affairs of each other merging business entity; and

(2) Each merging domestic corporation and each other merging business entity comply with the requirements of this section and, to the extent applicable, the laws referred to in subdivision (1) of this subsection.

(c) Each merging domestic corporation and each other merging business entity shall approve a written plan of merger containing:

(1) For each merging business entity, its name, type of business entity, and the state or country whose laws govern its organization and internal affairs;

(2) The name of the merging business entity that shall survive the merger;

(3) The terms and conditions of the merger;

(4) The manner and basis for converting the interests in each merging business entity into interests, obligations, or securities of the surviving business entity or into cash or other property in whole or in part; and

(5) If the surviving business entity is a domestic corporation, any amendments to its articles of incorporation that are to be made in connection with the merger.

The plan of merger may contain other provisions relating to the merger.

In the case of a domestic corporation, approval of the plan of merger requires that the plan of merger be adopted by its board of directors as provided in G.S. 55-11-03 and, unless shareholder approval is not required under subsection (g) of G.S. 55-11-03, be approved by its shareholders as provided in G.S. 55-11-03. In the case of each other merging business entity, the plan of merger must be approved in accordance with the laws of the state or country governing the organization and internal affairs of that merging business entity.

After a plan of merger has been approved by a domestic corporation but before the articles of merger become effective, the plan of merger (i) may be amended as provided in the plan of merger, or (ii) may be abandoned (subject to any contractual rights) as provided in the plan of merger or, if there is no such provision, as determined by the board of directors without further shareholder action.

(d) After a plan of merger has been approved by each merging domestic corporation and each other merging business entity as provided in subsection (c) of this section, the surviving business entity shall deliver articles of merger to the Secretary of State for filing. The articles of merger shall set forth:

(1) The plan of merger;

(2) For each merging business entity, its name, type of business entity, and the state or country whose laws govern its organization and internal affairs;

(3) The name and address of the surviving business entity;

(4) A statement that the plan of merger has been approved by each merging business entity in the manner required by law; and

(5) The effective date and time of merger if it is not to be effective at the time of filing of the articles of merger.

If the plan of merger is amended or abandoned before the articles of merger become effective, the surviving business entity promptly shall deliver to the Secretary of State for filing an amendment to the articles of merger reflecting the amendment or abandonment of the plan of merger.

Certificates of merger shall also be registered as provided in G.S. 47-18.1.

(e) A merger takes effect when the articles of merger become effective. When a merger takes effect:

(1) Each other merging business entity merges into the surviving business entity and the separate existence of each merging business entity except the surviving business entity ceases;

(2) The title to all real estate and other property owned by each merging business entity is vested in the surviving business entity without reversion or impairment;

(3) The surviving business entity has all liabilities of each merging business entity;

(4) A proceeding pending by or against any merging business entity may be continued as if the merger did not occur, or the surviving business entity may be substituted in the proceeding for a merging business entity whose separate existence ceases in the merger;

(5) If a domestic corporation is the surviving business entity, its articles of incorporation shall be amended to the extent provided in the plan of merger;

(6) The interests in each merging business entity that are to be converted into interests, obligations, or securities of the surviving business entity or into the right to receive cash or other property are thereupon so converted, and the former holders of the interests are entitled only to the rights provided to them in the articles of merger or, in the case of former holders of shares in a domestic corporation, any rights they may have under Article 13 of this Chapter; and

(7) If the surviving business entity is not a domestic corporation, the surviving business entity is deemed to agree that it will promptly pay to the dissenting shareholders of any merging domestic corporation the amount, if any, to which they are entitled under Article 13 of this Chapter and otherwise to comply with the requirements of Article 13 as if it were a surviving domestic corporation in the merger.

The merger shall not affect the liability or absence of liability of any holder of an interest in a merging business entity for any acts, omissions, or obligations of any merging business entity made or incurred prior to the effectiveness of the merger.

The cessation of separate existence of a merging business entity in the merger shall not constitute a dissolution or termination of the merging business entity.

If the surviving business entity is not a domestic limited liability company, a domestic corporation, a domestic nonprofit corporation, or a domestic limited partnership, when the merger takes effect the surviving business entity is deemed:

(1) To agree that it may be served with process in this State in any proceeding for enforcement of (i) any obligation of any merging domestic limited liability company, domestic corporation, domestic nonprofit corporation, domestic limited partnership, or other partnership as defined in G.S. 59-36 that is formed under the laws of this State, (ii) the rights of dissenting shareholders of any merging domestic corporation under Article 13 of this Chapter, and (iii) any obligation of the surviving business entity arising from the merger; and

(2) If the surviving business entity does not have a registered agent in this State, to have appointed the Secretary of State as its registered agent for service of process in any such proceeding until such time as the surviving business entity appoints a registered agent in this State. Service on the Secretary of State of any such process shall be made by delivering to and leaving with the Secretary of State or with any clerk authorized by the Secretary of State to accept service of process, duplicate copies of such process. Upon receipt of service of process on behalf of a surviving business entity, the Secretary of State shall immediately mail a copy of the process by registered or certified mail, return receipt requested, to the surviving business entity at its address shown in the articles of merger or, if an application for a certificate of withdrawal by reason of merger has been filed, at the address for service of process contained in that application.

(f) This section does not apply to a merger that does not include a merging unincorporated entity."

Section 1.9. G.S. 55-15-21 reads as rewritten:

"**§ 55-15-21. Withdrawal of foreign corporation by reason of a ~~merger.~~ merger, consolidation, or conversion.**

(a) Whenever ~~the separate existence of~~ a foreign corporation authorized to transact business in this State ceases its separate existence as a result of a statutory merger or consolidation permitted by the laws of the state or country under which it was incorporated, or converts into another entity as permitted by those laws, the surviving ~~corporation~~ or resulting entity shall apply for a certificate of withdrawal for the ~~merged~~ foreign corporation by delivering to the Secretary of State for filing a copy of the articles of merger, consolidation, or conversion or a certificate reciting the facts of the merger, consolidation, or conversion, duly authenticated by the Secretary of State or other official having custody of corporate records in the state or country under the laws of which such ~~statutory merger was effected.~~ foreign

(3) A mailing address to which the Secretary of State may mail a copy of any process served on him under subdivision (a)(2); and

(4) A commitment to notify the Secretary of State in the future of any change in its mailing address.

(b) If the Secretary of State finds that the articles ~~of merger~~ or certificate and the application for withdrawal, if required, ~~conforms~~ conform to law ~~he~~ the Secretary of State shall:

(1) Endorse on the articles ~~of merger~~ or certificate and the application for withdrawal, if required, the word 'filed' and the hour, day, month and year of the filing thereof;

(2) File the articles ~~of merger~~ or certificate and the application, if required;

(3) Issue a certificate of withdrawal; and

(4) Send to the ~~foreign corporation~~ surviving or resulting entity or its representative the certificate of withdrawal, together with the exact or conformed copy of the application, if required, affixed thereto."

PART II. NONPROFIT CORPORATIONS.

Section 2.1. G.S. 55A-1-20(f) reads as rewritten:

"(f) ~~The~~ A document submitted by a domestic or foreign corporation or business corporation shall be executed:

(1) By the presiding officer of the board of directors ~~of a domestic or foreign corporation,~~ by its president, or by another of its officers;

(2) If directors have not been selected or the corporation has not been formed, by an incorporator; or

(3) If the corporation is in the hands of a receiver, trustee, or other court-appointed fiduciary, by that fiduciary.

A document submitted by an unincorporated entity must be executed by a person authorized to execute documents (i) pursuant to G.S. 57C-1-20(f) if the unincorporated entity is a domestic or foreign limited liability company, (ii) pursuant

to G.S. 59-204 if the unincorporated entity is a domestic or foreign limited partnership, or (iii) pursuant to G.S. 59-73.7(a)(4) if the unincorporated entity is any other partnership as defined in G.S. 59-36 whether or not formed under the laws of this State."

Section 2.2. G.S. 55A-1-40 is amended by adding the following new subdivision to read:

"(25a) 'Unincorporated entity' means a domestic or foreign limited liability company as defined in G.S. 57C-1-03, a domestic or foreign limited partnership as defined in G.S. 59-102, or any other partnership as defined in G.S. 59-36, whether or not formed under the laws of this State, including a registered limited liability partnership as defined in G.S. 59-32 and any other limited liability partnership formed under a law other than the laws of this State."

Section 2.3. G.S. 55A-4-05 reads as rewritten:

"**§ 55A-4-05. Real property records.**

(a) Whenever the name of any domestic or foreign corporation holding title to real property in this State is changed upon amendment to the articles of incorporation or whenever title to its real property in this State is ~~transferred~~ vested by operation of law in another entity upon ~~merger of two or more corporations,~~ merger, consolidation, or conversion of the corporation, a certificate reciting the ~~change or transfer~~ name change, merger, consolidation, or conversion shall be recorded by the corporation or its successor in the office of the register of deeds of the county where the property lies, or if the property is located in more than one county, then in each county where any portion of the property lies.

(b) The Secretary of State shall adopt uniform certificates to be furnished for recording in accordance with this section. In the case of a foreign corporation, a similar certificate by any competent authority of the jurisdiction of incorporation may be recorded in accordance with this section.

(c) The certificate required by this section shall be recorded by the register of deeds in the same manner as deeds, and for the same fees, but no formalities as to acknowledgement, probate, or approval by any other officer shall be required. The former name of the corporation holding title to the real property before the ~~amendment or merger~~ name change, merger, consolidation, or conversion shall appear in the 'Grantor' index, and the ~~amended~~ new name of the corporation or the name of the other entity holding title to the real property by virtue of the ~~amendment or merger~~ merger, consolidation, or conversion shall appear in the 'Grantee' index."

Section 2.4. G.S. 55A-11-02 reads as rewritten:

"**§ 55A-11-02. Limitations on mergers by charitable or religious corporations.**

(a) Without the prior approval of the superior court in a proceeding in which the Attorney General has been given written notice, a charitable or religious corporation may merge only with:

(1) A charitable or religious corporation;

(2) A foreign corporation that would qualify under this Chapter as a charitable or religious corporation;

(3) A wholly owned foreign or domestic corporation (business or nonprofit) which is not a charitable or religious corporation, or an unincorporated entity, provided the charitable or religious corporation is the ~~surviving corporation~~ survivor in the merger and continues to be a charitable or religious corporation after the merger; or

(4) A business or nonprofit corporation (foreign or domestic) other than a charitable or religious corporation, or an unincorporated entity, provided that: (i) on or prior to the effective date of the merger, assets with a value equal to the greater of the fair market value of the net tangible and intangible assets (including goodwill) of the charitable or religious corporation or the fair market value of the charitable or religious corporation if it were to be operated as a business concern are transferred or conveyed to one or more persons who would have received its assets under G.S. 55A-14-03(a)(1) and (2) had it dissolved; (ii) it shall return, transfer or convey any assets held by it upon condition requiring return, transfer or conveyance, which condition occurs by reason of the merger, in accordance with such condition; and (iii) the merger is approved by a majority of directors of the charitable or religious corporation who are not and will not become ~~members~~ members, as 'member' is defined in G.S. 55A-1-40(16) or G.S. 57C-1-03, partners, limited partners, or shareholders in or directors, managers, officers, employees, agents, or consultants of the ~~surviving corporation.~~ survivor in the merger.

(b) At least 20 days before consummation of any merger of a charitable or religious corporation pursuant to subdivision (a)(4) of this section, notice, including a copy of the proposed plan of merger, shall be delivered to the Attorney General.

(c) Without the prior written consent of the Attorney General, or approval of the superior court in a proceeding in which the Attorney General has been given notice, no member of a charitable or religious corporation may receive or retain any property as a result of a merger other than ~~a membership~~ an interest as a member, as 'member' is defined in G.S. 55A-1-40(16), in the ~~surviving corporation.~~ survivor of the merger. The Attorney General may consent to the transaction, or the court shall approve the transaction, if it is fair and not contrary to the public interest."

Section 2.5. G.S. 55A-11-05(a)(4) reads as rewritten:

"(4) A proceeding pending by or against any corporation party to the merger may be continued as if the merger did not occur or the surviving corporation may be substituted in the proceeding for the corporation whose existence ceased; and".

Section 2.6. G.S. 55A-11-07 reads as rewritten:

"**§ 55A-11-07. Bequests, devises, and gifts.**

Any bequest, devise, gift, grant, or promise contained in a will or other instrument of donation, subscription, or conveyance, that is made to a constituent corporation

and that takes effect or remains payable after the merger, inures to the ~~surviving corporation~~ survivor in the merger unless the will or other instrument otherwise specifically provides."

Section 2.7. Article 11 of Chapter 55A of the General Statutes is amended by adding a new section to read:

"**§ 55A-11-09. Merger with unincorporated entity.**

(a) As used in this section, 'business entity' means a domestic corporation as defined in G.S. 55-1-40 (including a professional corporation as defined in G.S. 55B-2), a foreign corporation as defined in G.S. 55-1-40 (including a foreign professional corporation as defined in G.S. 55B-16), a domestic or foreign nonprofit corporation as defined in G.S. 55A-1-40, a domestic or foreign limited liability company as defined in G.S. 57C-1-03, a domestic or foreign limited partnership as defined in G.S. 59-102, and any other partnership as defined in G.S. 59-36 whether or not formed under the laws of this State (including a registered limited liability partnership as defined in G.S. 59-32 and any limited liability partnership formed under a law other than the laws of this State).

(b) One or more domestic nonprofit corporations may merge with one or more unincorporated entities and, if desired, one or more foreign nonprofit corporations, domestic business corporations, or foreign business corporations if:

(1) The merger is permitted by the laws of the state or country governing the organization and internal affairs of each of the other merging business entities;

(2) Each merging domestic nonprofit corporation and each other merging business entity comply with the requirements of this section and, to the extent applicable, the laws referred to in subdivision (1) of this subsection; and

(3) The merger complies with G.S. 55A-11-02, if applicable.

(c) Each merging domestic nonprofit corporation and each other merging business entity shall approve a written plan of merger containing:

(1) For each merging business entity, its name, type of business entity, and the state or country whose laws govern its organization and internal affairs;

(2) The name of the merging business entity that shall survive the merger;

(3) The terms and conditions of the merger;

(4) The manner and basis for converting the interests in each merging business entity into interests, obligations, or securities of the surviving business entity or into cash or other property in whole or in part; and

(5) If the surviving business entity is a domestic nonprofit corporation, any amendments to its articles of incorporation that are to be made in connection with the merger.

The plan of merger may contain other provisions relating to the merger.

In the case of a domestic nonprofit corporation, approval of the plan of merger requires that the plan of merger be adopted as provided in G.S. 55A-11-03. In the case of each other merging business entity, the plan of merger must be approved in accordance with the laws of the state or country governing the organization and internal affairs of such merging business entity.

After a plan of merger has been approved by a domestic nonprofit corporation but before the articles of merger become effective, the plan of merger (i) may be amended as provided in the plan of merger, or (ii) may be abandoned (subject to any contractual rights) as provided in the plan of merger or, if there is no such provision, as determined by the board of directors.

(d) After a plan of merger has been approved by each merging domestic nonprofit corporation and each other merging business entity as provided in subsection (c) of this section, the surviving business entity shall deliver articles of merger to the Secretary of State for filing. The articles of merger shall set forth:

(1) The plan of merger;

(2) For each merging business entity, its name, type of business entity, and the state or country whose laws govern its organization and internal affairs;

(3) The name and address of the surviving business entity;

(4) A statement that the plan of merger has been approved by each merging business entity in the manner required by law; and

(5) The effective date and time of merger if it is not to be effective at the time of filing of the articles of merger.

If the plan of merger is amended or abandoned before the articles of merger become effective, the surviving business entity promptly shall deliver to the Secretary of State for filing an amendment to the articles of merger reflecting the amendment or abandonment of the plan of merger.

Certificates of merger shall also be registered as provided in G.S. 47-18.1.

(e) A merger takes effect when the articles of merger become effective. When a merger takes effect:

(1) Each other merging business entity merges into the surviving business entity and the separate existence of each merging business entity except the surviving business entity ceases;

(2) The title to all real estate and other property owned by each merging business entity is vested in the surviving business entity without reversion or impairment;

(3) The surviving business entity has all liabilities of each merging business entity;

(4) A proceeding pending by or against any merging business entity may be continued as if the merger did not occur, or the surviving business entity may be substituted in the proceeding for a merging business entity whose separate existence ceases in the merger;

(5) If a domestic nonprofit corporation is the surviving business entity, its articles of incorporation shall be amended to the extent provided in the plan of merger;

(6) The interests in each merging business entity that are to be converted into interests, obligations, or securities of the surviving business entity or into the right to receive cash or other property are thereupon so converted, and the former holders of the interests are entitled only to the rights provided to them in the articles of merger or, in the case of former holders of shares in a domestic business corporation, any rights they may have under Article 13 of Chapter 55 of the General Statutes; and

(7) If the surviving business entity is not a domestic business corporation, the surviving business entity is deemed to agree that it will promptly pay to the dissenting shareholders of any merging domestic business corporation the amount, if any, to which they are entitled under Article 13 of Chapter 55 of the General Statutes and otherwise to comply with the requirements of Article 13 as if it were a surviving domestic business corporation in the merger.

The merger shall not affect the liability or absence of liability of any holder of an interest in a merging business entity for any acts, omissions, or obligations of any merging business entity made or incurred prior to the effectiveness of the merger. The cessation of separate existence of a merging business entity in the merger shall not constitute a dissolution or termination of the merging business entity.

If the surviving business entity is not a domestic limited liability company, a domestic business corporation, a domestic nonprofit corporation, or a domestic limited partnership, when the merger takes effect the surviving business entity is deemed:

(1) To agree that it may be served with process in this State in any proceeding for enforcement of (i) any obligation of any merging domestic limited liability company, domestic business corporation, domestic nonprofit corporation, domestic limited partnership, or other partnership as defined in G.S. 59-36 that is formed under the laws of this State, (ii) the rights of dissenting shareholders of any merging domestic business corporation under Article 13 of Chapter 55 of the General Statutes, and (iii) any obligation of the surviving business entity arising from the merger; and

(2) If the surviving business entity does not have a registered agent in this State, to have appointed the Secretary of State as its registered agent for service of process in any such proceeding until such time as the surviving business entity appoints a registered agent in this State. Service on the Secretary of State of any such process shall be made by delivering to and leaving with the Secretary of State or with any clerk authorized by the Secretary of State to accept service of process, duplicate copies of such process. Upon receipt

of service of process on behalf of a surviving business entity, the Secretary of State shall immediately mail a copy of the process by registered or certified mail, return receipt requested, to the surviving business entity at its address shown in the articles of merger or, if an application for a certificate of withdrawal by reason of merger has been filed, at the address for service of process contained in that application.

(f) This section does not apply to a merger that does not include a merging unincorporated entity."

Section 2.8. G.S. 55A-15-21 reads as rewritten:

"**§ 55A-15-21. Withdrawal of foreign corporation by reason of a ~~merger.~~ merger, consolidation, or conversion.**

(a) Whenever ~~the separate existence of~~ a foreign corporation authorized to conduct affairs in this State ceases its separate existence as a result of a statutory merger or consolidation permitted by the laws of the state or country under which it was incorporated, or converts into another entity as permitted by those laws, the surviving ~~corporation~~ or resulting entity shall apply for a certificate of withdrawal for ~~the merged~~ the foreign corporation by delivering to the Secretary of State for filing a copy of the articles of merger, consolidation, or conversion or a certificate reciting the facts of the merger, consolidation, or conversion duly authenticated by the secretary of state or other official having custody of corporate records in the state or country under the laws of which ~~such statutory merger was effected.~~ the foreign corporation was incorporated. If the surviving or resulting entity ~~corporation~~ is not authorized to conduct affairs in this State, the articles ~~of merger~~ or certificate shall be accompanied by an application which must set forth:

(1) The name of ~~each merged~~ the foreign corporation authorized to conduct affairs in this ~~State and~~ State, the type of entity and the name of the surviving ~~corporation~~ or resulting entity, and a statement that the surviving ~~corporation~~ or resulting entity is not authorized to conduct affairs in this State;

(2) ~~That~~ A statement that the surviving ~~corporation~~ or resulting entity consents that service of process based upon any cause of action arising in this State, or arising out of affairs conducted in this State, during the time ~~each merged~~ the foreign corporation was authorized to conduct affairs in this State may thereafter be made ~~on such corporation~~ by service thereof on the Secretary of State;

(3) A mailing address to which the Secretary of State may mail a copy of any process served on him under subdivision (a)(2) of this section; and

(4) A commitment to notify the Secretary of State in the future of any change in its mailing address.

(b) If the Secretary of State finds that the articles ~~of merger~~ or certificate and the application for withdrawal, if required, ~~conforms~~ conform to law the Secretary of State shall:

(1) Endorse on the articles ~~of merger~~ or certificate and the application for withdrawal, if required, the word 'filed', and the hour, day, month, and year of filing thereof;
(2) File the articles ~~of merger~~ or certificate and the application, if required;
(3) Issue a certificate of withdrawal; and
(4) Send to the ~~foreign corporation~~ surviving or resulting entity or its representative the certificate of withdrawal, together with the exact or conformed copy of the application, if required, affixed thereto."

PART III. LIMITED LIABILITY COMPANIES.

Section 3.1. G.S. 57C-1-20(f) reads as rewritten:

"(f) ~~The~~ A document submitted by a domestic or foreign limited liability company must be executed:

(1) By a manager of ~~a domestic or foreign~~ the limited liability company;
(2) If managers have not been selected, or if the limited liability company does not have a manager other than a member, by any member;
(3) If the limited liability company has not been formed, by an organizer; or
(4) If the limited liability company is in the hands of a receiver, trustee, or other court-appointed fiduciary, by that fiduciary.

A document submitted by a business entity other than a domestic or foreign limited liability company must be executed by a person authorized to execute documents (i) pursuant to G.S. 55-1-20(f) if the business entity is a corporation or foreign corporation, (ii) pursuant to G.S. 55A-1-20(f) if the business entity is a domestic or foreign nonprofit corporation, (iii) pursuant to G.S. 59-204 if the business entity is a domestic or foreign limited partnership, or (iv) pursuant to G.S. 59-73.7(a)(4) if the business entity is any other partnership as defined in G.S. 59-36 whether or not formed under the laws of this State."

Section 3.2. G.S. 57C-1-03 is amended by adding a new subdivision to read:

"(3a) Business entity. -- A corporation (including a professional corporation as defined in G.S. 55B-2), a foreign corporation (including a foreign professional corporation as defined in G.S. 55B-16), a domestic or foreign nonprofit corporation as defined in G.S. 55A-1-40, a domestic or foreign limited liability company, a domestic or foreign limited partnership as defined in G.S. 59-102, or any other partnership as defined in G.S. 59-36 whether or not formed under the laws of this State (including a registered limited liability partnership as defined in G.S. 59-32 and any other limited liability partnership formed under a law other than the laws of this State."

Section 3.3. G.S. 57C-1-03(15) reads as rewritten:

"(15) Membership interest or interest. -- ~~All~~ In the context of a member of a limited liability company, the terms mean all of a member's rights in the limited liability company, including without limitation the member's share of the profits and losses of the limited liability company, the right to receive distributions of the limited liability company assets, any right to vote, and any right to participate in management."

Section 3.4. G.S. 57C-2-20(a) reads as rewritten:

"(a) One or more persons may organize a limited liability company by delivering executed articles of organization to the Secretary of State for filing. A limited liability company may also be formed through the conversion of another business entity pursuant to Part 1 of Article 9A of this Chapter."

Section 3.5. G.S. 57C-2-34 reads as rewritten:

"**§ 57C-2-34. Real property records.**

(a) Whenever the name of any domestic or foreign limited liability company holding title to real property in this State is changed upon amendment to its articles of organization or whenever title to its real property in this State is ~~transferred~~ vested by operation of law in another entity upon ~~merger~~ merger, consolidation, or conversion of ~~two or more~~ the limited liability ~~companies,~~ company, a certificate reciting the ~~change or transfer~~ name change, merger, consolidation, or conversion shall be recorded in the office of the register of deeds of the county where the property lies, or if the property is located in more than one county, then in each county where any portion of the property lies.

(b) The Secretary of State shall adopt uniform certificates to be furnished for registration in accordance with this section. In the case of a foreign limited liability company, a similar certificate by any competent authority of the jurisdiction of organization may be registered in accordance with this section.

(c) The certificate required by this section shall be recorded by the register of deeds in the same manner as deeds, and for the same fees, but no formalities as to acknowledgement, probate, or approval by any other officer shall be required. The former name of the limited liability company holding title to the real property before the ~~amendment or merger~~ name change, merger, consolidation, or conversion shall appear in the 'Grantor' index, and the ~~amended~~ new name of the limited liability company or the name of the other entity holding title to the real property by virtue of the ~~amendment or merger~~ merger, consolidation, or conversion, as applicable, shall appear in the 'Grantee' index."

Section 3.6. G.S. 57C-7-12 reads as rewritten:

"**§ 57C-7-12. Withdrawal of limited liability company by reason of a ~~merger.~~ merger, consolidation, or conversion.**

(a) Whenever ~~the separate existence of~~ a foreign limited liability company authorized to transact business in this State ceases its separate existence as a result of a statutory ~~merger~~ merger, consolidation, or conversion permitted by the laws of the state or country under which it was organized, or converts into another type of entity as permitted by those laws, the surviving or resulting entity shall apply for a

certificate of withdrawal for the ~~merged~~ foreign limited liability company by delivering to the Secretary of State for filing a copy of the articles of ~~merger~~ merger, consolidation, or conversion or a certificate reciting the facts of the merger, consolidation, or conversion, duly authenticated by the Secretary of State or other official having custody of limited liability company records in the state or country under the laws of which ~~such statutory merger~~ the foreign limited liability company was ~~effected.~~ organized. If the surviving or resulting entity is not authorized to transact business in this State, the articles ~~of merger~~ or certificate must be accompanied by an application which must set forth:

(1) The name of ~~each merged~~ the foreign limited liability company authorized to transact business in this ~~State and~~ State, the type of entity and name of the surviving or resulting ~~entity~~ entity, and a statement that the surviving or resulting entity is not authorized to transact business in this State;

(2) ~~That~~ A statement that the surviving or resulting entity consents that service of process based upon any cause of action arising in this State, or arising out of business transacted in this State, during the time ~~each merged~~ the foreign limited liability company was authorized to transact business in this State, may thereafter be made ~~on such foreign limited liability company~~ by service thereof on the Secretary of State;

(3) A mailing address to which the Secretary of State may mail a copy of any process served on him under subdivision (a)(2) of this section; and

(4) A commitment to notify the Secretary of State in the future of any change in its mailing address.

(b) If the Secretary of State finds that the articles ~~of merger~~ or certificate and the application for withdrawal, if required, ~~conforms~~ conform to law, the Secretary of State shall:

(1) Endorse on the articles ~~of merger~~ or certificate and the application for withdrawal, if required, the word 'filed' and the hour, day, month, and year of filing thereof;

(2) File the articles ~~of merger~~ or certificate and the application, if required;

(3) Issue a certificate of withdrawal; and

(4) Send to the ~~foreign limited liability company~~ surviving or resulting entity or its representative the certificate of withdrawal, together with the exact or conformed copy of the application, if required, affixed thereto."

Section 3.7. Article 9 of Chapter 57C of the General Statutes is repealed. Chapter 57C of the General Statutes is amended by adding a new Article to read:

"ARTICLE 9A.

"Conversion and Merger.

"Part 1. Conversions.

"§ 57C-9A-01. Conversion.

(a) A domestic limited liability company may convert to a domestic limited partnership pursuant to Part 10A of Article 5 of Chapter 59 of the General Statutes.

(b) A foreign limited liability company, a domestic or foreign limited partnership as defined in G.S. 59-102, or any other partnership as defined in G.S. 59-36 whether or not formed under the laws of this State (including a registered limited liability partnership as defined in G.S. 59-32 and any other limited liability partnership formed under a law other than the laws of this State) may convert to a domestic limited liability company if:

(1) The converting business entity complies with the requirements of this Part; and

(2) If the converting business entity is a foreign limited liability company, a foreign limited partnership, or other partnership as defined in G.S. 59-36 whose organization and internal affairs are governed by a law other than the laws of this State, the conversion is permitted by the laws of the state or country governing the organization and internal affairs of the converting business entity and the converting business entity complies with those laws.

"§ 57C-9A-02. Plan of conversion.

(a) The holders of the interests in the converting business entity shall approve a written plan of conversion containing:

(1) The name of the resulting domestic limited liability company into which the converting business entity shall convert;

(2) The terms and conditions of the conversion; and

(3) The manner and basis for converting the interests in the converting business entity into interests, obligations, or securities of the resulting domestic limited liability company or into cash or other property in whole or in part.

The plan of conversion may also contain other provisions relating to the conversion.

(b) In the case of a domestic limited partnership or other partnership as defined in G.S. 59-36 whose organization and internal affairs are governed by the laws of this State, the plan of conversion must be approved in the manner provided for the approval of such a conversion in a written partnership agreement that is binding on all the partners or, if there is no such provision, by the unanimous consent of all the partners. In the case of a foreign limited liability company, a foreign limited partnership, or other partnership as defined in G.S. 59-36 whose organization and internal affairs are governed by a law other than the laws of this State, the plan of conversion must be approved in accordance with the laws of the state or country governing the organization and internal affairs of the converting business entity.

(c) After a plan of conversion has been approved as provided in subsection (b) of this section, but before articles of organization for the resulting domestic limited

liability company become effective, the plan of conversion may be amended or abandoned to the extent provided in the plan of conversion.

"**§ 57C-9A-03. Filing of articles of organization by converting business entity.**

(a) After a plan of conversion has been approved by the converting business entity as provided in G.S. 57C-9A-02, the converting business entity shall deliver articles of organization to the Secretary of State for filing. In addition to the matters required or permitted by G.S. 57C-2-21, the articles of organization shall state:

(1) That the domestic limited liability company is being formed pursuant to a conversion of another business entity;

(2) The name of the converting business entity, its type of business entity, and the state or country whose laws govern its organization and internal affairs; and

(3) That a plan of conversion has been approved by the converting business entity as required by law.

If the plan of conversion is abandoned before the articles of organization become effective, the converting business entity promptly shall deliver to the Secretary of State for filing an amendment to the articles of organization reflecting the abandonment of the plan of conversion.

(b) The conversion takes effect when the articles of organization become effective.

(c) The converting business entity shall furnish a copy of the plan of conversion, on request and without cost, to any member or partner (whether general or limited) of the converting business entity.

(d) Certificates of conversion shall also be registered as provided in G.S. 47-18.1.

"**§ 57C-9A-04. Effects of conversion.**

When the conversion takes effect:

(1) The converting business entity ceases its prior form of organization and continues in existence as the resulting domestic limited liability company;

(2) The title to all real estate and other property owned by the converting business entity continues vested in the resulting domestic limited liability company without reversion or impairment;

(3) All liabilities of the converting business entity continue as liabilities of the resulting domestic limited liability company;

(4) A proceeding pending by or against the converting business entity may be continued as if the conversion did not occur; and

(5) The interests in the converting business entity that are to be converted into interests, obligations, or securities of the resulting domestic limited liability company or into the right to receive cash or other property are thereupon so converted, and the former holders of interests in the converting business entity are entitled only to the rights provided in the plan of conversion.

The conversion shall not affect the liability or absence of liability of any holder of an interest in the converting business entity for any acts, omissions, or obligations of

the converting business entity made or incurred prior to the effectiveness of the conversion. The cessation of the existence of the converting business entity in its prior form of organization in the conversion shall not constitute a dissolution or termination of the converting business entity.

"Part 2. Merger.

"§ 57C-9A-05. Merger.

A domestic limited liability company may merge with one or more other domestic limited liability companies or other business entities if:

(1) The merger is permitted by the laws of the state or country governing the organization and internal affairs of each other merging business entity; and

(2) Each merging domestic limited liability company and each other merging business entity comply with the requirements of this Part and, to the extent applicable, the laws referred to in subdivision (1) of this section.

"§ 57C-9A-06. Plan of merger.

(a) Each merging domestic limited liability company and each other merging business entity shall approve a written plan of merger containing:

(1) For each merging business entity, its name, type of business entity, and the state or country whose laws govern its organization and internal affairs;

(2) The name of the merging business entity that shall survive the merger;

(3) The terms and conditions of the merger;

(4) The manner and basis for converting the interests in each merging business entity into interests, obligations, or securities of the surviving business entity or into cash or other property in whole or in part; and

(5) If the surviving business entity is a domestic limited liability company, any amendments to its articles of organization that are to be made in connection with the merger.

The plan of merger may contain other provisions relating to the merger.

(b) In the case of a merging domestic limited liability company, the plan of merger must be approved in the manner provided in its articles of organization or a written operating agreement for approval of a merger with the type of business entity contemplated in the plan of merger, or, if there is no provision, by the unanimous consent of its members. In the case of each other merging business entity, the plan of merger must be approved in accordance with the laws of the state or country governing the organization and internal affairs of the merging business entity.

(c) After a plan of merger has been approved by a domestic limited liability company but before the articles of merger become effective, the plan of merger (i) may be amended as provided in the plan of merger, or (ii) may be abandoned (subject to any contractual rights) as provided in the plan of merger, articles of organization, or written operating agreement or, if not so provided, as determined by

the managers of the domestic limited liability company in accordance with G.S. 57C-3-20(b).

"§ 57C-9A-07. Articles of merger.

(a) After a plan of merger has been approved by each merging domestic limited liability company and each other merging business entity as provided in G.S. 57C-9A-06, the surviving business entity shall deliver articles of merger to the Secretary of State for filing. The articles of merger shall set forth:

(1) The plan of merger;

(2) For each merging business entity, its name, type of business entity, and the state or country whose laws govern its organization and internal affairs;

(3) The name and address of the surviving business entity;

(4) A statement that the plan of merger has been approved by each merging business entity in the manner required by law; and

(5) The effective date and time of the merger if it is not to be effective at the time of filing of the articles of merger.

If the plan of merger is amended or abandoned before the articles of merger become effective, the surviving business entity promptly shall deliver to the Secretary of State for filing an amendment to the articles of merger reflecting the amendment or abandonment of the plan of merger.

(b) A merger takes effect when the articles of merger become effective.

(c) Certificates of merger shall also be registered as provided in G.S. 47-18.1.

"§ 57C-9A-08. Effects of merger.

(a) When the merger takes effect:

(1) Each other merging business entity merges into the surviving business entity, and the separate existence of each merging business entity, except the surviving business entity ceases;

(2) The title to all real estate and other property owned by each merging business entity is vested in the surviving business entity without reversion or impairment;

(3) The surviving business entity has all liabilities of each merging business entity;

(4) A proceeding pending by or against any merging business entity may be continued as if the merger did not occur, or the surviving business entity may be substituted in the proceeding for a merging business entity whose separate existence ceases in the merger;

(5) If a domestic limited liability company is the surviving business entity, its articles of organization shall be amended to the extent provided in the plan of merger;

(6) The interests in each merging business entity that are to be converted into interests, obligations, or securities of the surviving business entity or into the right to receive cash or other property are thereupon so converted, and the former holders of the interests are entitled only to the rights provided to them in the articles of

merger or, in the case of former holders of shares in a domestic corporation, any rights they may have under Article 13 of Chapter 55 of the General Statutes; and

(7) If the surviving business entity is not a domestic corporation, the surviving business entity is deemed to agree that it will promptly pay to the dissenting shareholders of any merging domestic corporation the amount, if any, to which they are entitled under Article 13 of Chapter 55 of the General Statutes and otherwise to comply with the requirements of Article 13 as if it were a surviving domestic corporation in the merger.

The merger shall not affect the liability or absence of liability of any holder of an interest in a merging business entity for any acts, omissions, or obligations of any merging business entity made or incurred prior to the effectiveness of the merger. The cessation of separate existence of a merging business entity in the merger shall not constitute a dissolution or termination of that merging business entity.

If the surviving business entity is not a domestic limited liability company, a domestic corporation, a domestic nonprofit corporation, or a domestic limited partnership when the merger takes effect, the surviving business entity is deemed:

(1) To agree that it may be served with process in this State in any proceeding for enforcement of (i) any obligation of any merging domestic limited liability company, domestic corporation, domestic nonprofit corporation, domestic limited partnership, or other partnership as defined in G.S. 59-36 that is formed under the laws of this State, (ii) the rights of dissenting shareholders of any merging domestic corporation under Article 13 of Chapter 55 of the General Statutes, and (iii) any obligation of the surviving business entity arising from the merger; and

(2) If the surviving business entity does not have a registered agent in this State, to have appointed the Secretary of State as its registered agent for service of process in any such proceeding until such time as the surviving business entity appoints a registered agent in this State. Service on the Secretary of State of any such process shall be made by delivering to and leaving with the Secretary of State or with any clerk authorized by the Secretary of State to accept service of process, duplicate copies of such process. Upon receipt of service of process on behalf of a surviving business entity, the Secretary of State shall immediately mail a copy of the process by registered or certified mail, return receipt requested, to the surviving business entity at its address shown in the articles of merger or, if an application for a certificate of withdrawal by reason of merger has been filed, at the address for service of process contained in that application."

PART IV. PARTNERSHIPS.

Section 4.1. Article 2 of Chapter 59 of the General Statutes is amended by adding a new Part to read:

"Part 7. Conversion and Merger.

"**§ 59-73.1. Definitions.**

As used in this Part:

(1) 'Domestic partnership' means a partnership as defined in G.S. 59-36 that is formed under the laws of this State, including a registered limited liability partnership as defined in G.S. 59-32, but excluding a domestic limited partnership as defined in G.S. 59-102.

(2) 'Business entity' means a domestic corporation as defined in G.S. 55-1-40 (including a professional corporation as defined in G.S. 55B-2), a foreign corporation as defined in G.S. 55-1-40 (including a foreign professional corporation as defined in G.S. 55B-16), a domestic or foreign nonprofit corporation as defined in G.S. 55A-1-40, a domestic or foreign limited liability company as defined in G.S. 57C-1-03, a domestic or foreign limited partnership as defined in G.S. 59-102, a domestic partnership, or any other partnership as defined in G.S. 59-36 formed under a law other than the laws of this State (including a limited liability partnership).

(3) 'Partnership' means a partnership as defined in G.S. 59-36 whether or not formed under the laws of this State including a registered limited liability partnership and any other limited liability partnership formed under a law other than the laws of this State but excluding a domestic limited partnership as defined in G.S. 59-102 and a foreign limited partnership as defined in G.S. 59-102.

"**§ 59-73.2. Conversion of domestic partnership.**

A domestic partnership may convert to a domestic limited liability company pursuant to Part 1 of Article 9A of Chapter 57C of the General Statutes, or to a domestic limited partnership pursuant to Part 10A of Article 5 of Chapter 59 of the General Statutes.

"**§ 59-73.3. Merger.**

A domestic partnership may merge with one or more other domestic partnerships or other business entities if:

(1) The merger is permitted by laws of the state or country governing the organization and internal affairs of each other merging business entity; and

(2) Each merging domestic partnership and each other merging business entity comply with the requirements of this Part and, to the extent applicable, the laws referred to in subdivision (1) of this section.

"**§ 59-73.4. Plan of merger.**

(a) Each merging domestic partnership and each other merging business entity shall approve a written plan of merger containing:

(1) For each merging business entity, its name, type of business entity, and the state or country whose laws govern its organization and internal affairs;
(2) The name of the merging business entity that shall survive the merger;
(3) The terms and conditions of the merger; and
(4) The manner and basis for converting the interests in each merging business entity into interests, obligations, or securities of the surviving business entity or into cash or other property in whole or in part.

The plan of merger may contain other provisions relating to the merger.

(b) In the case of a merging domestic partnership, the plan of merger must be approved in the manner provided in a written partnership agreement that is binding on all the partners for approval of a merger with the type of business entity contemplated in the plan of merger or, if there is no provision, by the unanimous consent of its partners. In the case of each other merging business entity, the plan of merger must be approved in accordance with the laws of the state or country governing the organization and internal affairs of such merging business entity.

(c) After a plan of merger has been approved by the domestic partnership but before the articles of merger become effective, the plan of merger (i) may be amended as provided in the plan of merger, or (ii) may be abandoned (subject to any contractual rights) as provided in the plan of merger or a written partnership agreement that is binding on all the partners or, if not so provided, as determined by the unanimous consent of the partners.

"**§ 59-73.5. Articles of merger.**

(a) After a plan of merger has been approved by each merging domestic partnership and each other merging business entity as provided in G.S. 59-73.4, the surviving business entity shall deliver articles of merger to the Secretary of State for filing. The articles of merger shall set forth:

(1) The plan of merger;
(2) For each merging business entity, its name, type of business entity, and the state or country whose laws govern its organization and internal affairs;
(3) The name and address of the surviving business entity;
(4) A statement that the plan of merger has been approved by each merging business entity in the manner required by law; and
(5) The effective date and time of the merger if it is not to be effective at the time of filing of the articles of merger.

If the plan of merger is amended or abandoned before the articles of merger become effective, the surviving business entity promptly shall deliver to the Secretary of State for filing an amendment to the articles of merger reflecting the amendment or abandonment of the plan of merger.

(b) A merger takes effect when the articles of merger become effective.

(c) Certificates of merger shall also be registered as provided in G.S. 47-18.1.

"§ 59-73.6. Effects of merger.

(a) When a merger takes effect:

(1) Each other merging business entity merges into the surviving business entity, and the separate existence of each merging business entity except the surviving business entity ceases;

(2) The title to all real estate and other property owned by each merging business entity is vested in the surviving business entity without reversion or impairment;

(3) The surviving business entity has all liabilities of each merging business entity;

(4) A proceeding pending by or against any merging business entity may be continued as if the merger did not occur, or the surviving business entity may be substituted in the proceeding for a merging business entity whose separate existence ceases in the merger;

(5) The interests in each merging business entity that are to be converted into interests, obligations, or securities of the surviving business entity or into the right to receive cash or other property are thereupon so converted, and the former holders of the interests in each merging business entity are entitled only to the rights provided to them in the articles of merger or, in the case of former holders of shares in a domestic corporation (as defined in G.S. 55-1-40), any rights they may have under Article 13 of Chapter 55 of the General Statutes; and

(6) If the surviving business entity is not a domestic corporation, the surviving business entity is deemed to agree that it will promptly pay to the dissenting shareholders of any merging domestic corporation the amount, if any, to which they are entitled under Article 13 of Chapter 55 of the General Statutes and otherwise to comply with the requirements of Article 13 as if it were a surviving domestic corporation in the merger.

The merger shall not affect the liability or absence of liability of any holder of an interest in a merging business entity for any acts, omissions, or obligations of any merging business entity made or incurred prior to the effectiveness of the merger. The cessation of separate existence of a merging business entity shall not constitute a dissolution or termination of the merging business entity.

If the surviving business entity is not a domestic limited liability company, a domestic corporation, a domestic nonprofit corporation, or a domestic limited partnership when the merger takes effect, the surviving business entity is deemed:

(1) To agree that it may be served with process in this State in any proceeding for enforcement of (i) any obligation of any merging domestic limited liability company, domestic corporation, domestic nonprofit corporation, domestic limited partnership, or other partnership as defined in G.S. 59-36 that is formed under the laws of this State, (ii) the rights of dissenting shareholders of any

merging domestic corporation under Article 13 of Chapter 55 of the General Statutes, and (iii) any obligation of the surviving business entity arising from the merger; and

(2) If the surviving business entity does not have a registered agent in this State, to have appointed the Secretary of State as its registered agent for service of process in any such proceeding until such time as the surviving business entity appoints a registered agent in this State. Service on the Secretary of State of any such process shall be made by delivering to and leaving with the Secretary of State or with any clerk authorized by the Secretary of State to accept service of process, duplicate copies of such process. Upon receipt of service of process on behalf of a surviving business entity, the Secretary of State shall immediately mail a copy of the process by registered or certified mail, return receipt requested, to the surviving business entity at its address shown in the articles of merger or, if an application for a certificate of withdrawal by reason of merger has been filed, at the address for service of process contained in that application.

"**§ 59-73.7. Filing of documents.**

(a) To be entitled to filing by the Secretary of State, a document submitted pursuant to this Part must meet all of the following requirements:

(1) The document must contain the information required by this Part. It may contain other information as well.

(2) The document must be typewritten or printed.

(3) The document must be in the English language.

(4) A document submitted by a partnership must be executed by a general partner of the partnership. A document submitted by a business entity other than a partnership must be executed by a person authorized to execute documents (i) pursuant to G.S. 55-1-20(f) if the business entity is a domestic or foreign corporation, (ii) pursuant to G.S. 55A-1-20(f) if the business entity is a domestic or foreign nonprofit corporation, (iii) pursuant to G.S. 57C-1-20(f) if the business entity is a domestic or foreign limited liability company, or (iv) pursuant to G.S. 59-204 if the business entity is a domestic or foreign limited partnership.

(5) The person executing the document must sign it and state beneath or opposite the person's signature, the person's name and the capacity in which the person signs. Any signature on the document may be a facsimile. The document may, but need not, contain an acknowledgment, verification, or proof.

(6) The document must be delivered to the Office of the Secretary of State for filing and must be accompanied by one exact or conformed copy and by the required filing fee.

(b) A partnership may correct a document filed by the Secretary of State pursuant to this Part if the document (i) contains a statement that is incorrect and was incorrect when the document was filed or (ii) was defectively executed, attested, sealed, verified, or acknowledged.

A document is corrected by:

(1) Preparing articles of correction that (i) describe the document (including its filing date) or have attached to them a copy of the document, (ii) specify the incorrect statement and the reason it is incorrect or the manner in which the execution was defective, and (iii) correct the incorrect statement or defective execution; and

(2) Delivering the articles of correction to the Secretary of State for filing, accompanied by one exact or conformed copy and the required filing fee.

Articles of correction are effective on the effective date of the document that is corrected except as to persons relying on the uncorrected document and adversely affected by the correction. As to those persons, articles of correction are effective when filed.

(c) The Secretary of State shall collect the following fees when the documents described in this subsection are submitted by a partnership to the Secretary of State for filing:

Document	Fee
Articles of Merger	$50.00
Articles of Correction	$10.00

The Secretary of State shall collect a fee of ten dollars ($10.00) each time process is served on the Secretary of State under this Part. The party to the proceeding causing service of process is entitled to recover this fee as costs if the party prevails in the proceeding.

The Secretary of State shall collect the following fees for copying, comparing, and certifying a copy of a document filed by a partnership pursuant to this Part:

(1) One dollar ($1.00) a page for copying or comparing a copy to the original; and

(2) Five dollars ($5.00) for the certificate.

(d) The Secretary of State shall guarantee the expedited filing of a document upon receipt of the document in proper form and the payment of the required filing fee. The Secretary of State may collect the following additional fees for the expedited filing of a document received in good form:

(1) Two hundred dollars ($200.00) for the filing by the end of the same business day of a document received by 12:00 noon Eastern Standard Time; and

(2) One hundred dollars ($100.00) for the filing of a document within 24 hours after receipt, excluding weekends and holidays.

The Secretary of State shall not collect the fees allowed in this subsection unless the person submitting the document for filing requests an expedited filing and is informed by the Secretary of State of the fees prior to the filing of the document.

(e) Upon request, the Secretary of State shall provide for the review of a document prior to its submission for filing to determine whether it satisfies the requirements of this Part. Submission of a document for review shall be accompanied by the proper fee and shall be in accordance with procedures adopted by rule by the Secretary of State. The advisory review shall be completed within 24 hours after submission, excluding weekends and holidays, unless the person submitting the document is otherwise notified in accordance with procedures adopted by rule by the Secretary of State fixing priority between submissions under this subsection and filings under subsection (d) of this section. Upon completion of the advisory review, the Secretary of State shall notify the person submitting the document of any deficiencies in the document that would prevent its filing.

(f) Except as provided in this subsection and in subsection (b) of this section, a document accepted for filing is effective:

(1) At the time of filing on the date it is filed, as evidenced by the Secretary of State's date and time endorsement on the original document; or

(2) At the time specified in the document as its effective time on the date it is filed.

A document may specify a delayed effective time and date, and if it does so the document becomes effective at the time and date specified. If a delayed effective date but no time is specified, the document is effective at 11:59:59 p.m. on that date. A delayed effective date for a document may not be later than the 90th day after the date it is filed.

The fact that a document has become effective under this subsection does not determine its validity or invalidity or the correctness or incorrectness of the information contained in the document.

(g) If a document delivered to the Office of the Secretary of State for filing satisfies the requirements of this Part, the Secretary of State shall file it. Documents filed with the Secretary of State pursuant to this Part may be maintained by the Secretary either in their original form or in photographic, microfilm, optical disk media, or other reproduced form. The Secretary may make reproductions of documents filed under this Part, or under any predecessor act, by photographic, microfilm, optical disk media, or other means of reproduction, and may destroy the originals of those documents reproduced.

The Secretary of State files a document by stamping or otherwise endorsing 'Filed', together with the Secretary of State's name and official title and the date and time of filing, on both the original and the document copy. After filing a document, the Secretary of State shall deliver the document copy to the partnership or its representative.

If the Secretary of State refuses to file a document, the Secretary of State shall return it to the partnership or its representative within five days after the document was received, together with a brief, written explanation of the reason for refusal. The Secretary of State may correct apparent errors and omissions on a document submitted for filing if authorized to make the corrections by the person submitting

the document for filing. Prior to making the correction, the Secretary shall confirm the authorization to make the corrections according to procedures adopted by rule.

The Secretary of State's duty is to review and file documents that satisfy the requirements of this Part. The Secretary of State's filing or refusing to file a document does not:

(1) Affect the validity or invalidity of the document in whole or part;

(2) Relate to the correctness or incorrectness of information contained in the document; or

(3) Create a presumption that the document is valid or invalid or that information contained in the document is correct or incorrect.

(h) If the Secretary of State refuses to file a document delivered to the Secretary of State's office for filing, the person tendering the document for filing may, within 30 days after the refusal, appeal the refusal to the Superior Court of Wake County. The appeal is commenced by filing a petition with the court and with the Secretary of State requesting the court to compel the Secretary of State to file the document. The petition shall have attached to it the document to be filed and the Secretary of State's explanation for the refusal to file. The appeal to the Superior Court is not governed by Chapter 150B of the General Statutes, the Administrative Procedure Act, and the court shall determine, based upon what is appropriate under the circumstances, any further notice and opportunity to be heard.

Upon consideration of the petition and any response made by the Secretary of State, the court may, prior to entering final judgment, order the Secretary of State to file the document or take other action the court considers appropriate.

The court's final decision may be appealed as in other civil proceedings.

(i) A certificate attached to a copy of a document filed by the Secretary of State, bearing the Secretary of State's signature (which may be in facsimile) and the seal of office and certifying that the copy is a true copy of the document, is conclusive evidence that the original document is on file with the Secretary of State. A photographic, microfilm, optical disk media, or other reproduced copy of a document filed pursuant to this Part or any predecessor act, when certified by the Secretary, shall be considered an original for all purposes and is admissible in evidence in like manner as an original.

(j) A person commits an offense if the person signs a document the person knows is false in any material respect with intent that the document be delivered to the Secretary of State for filing. An offense under this subsection is a Class 1 misdemeanor.

(k) Whenever title to real property in this State held by a partnership is vested by operation of law in another entity upon merger, consolidation, or conversion of the partnership, a certificate reciting the merger, consolidation, or conversion shall be recorded in the office of the register of deeds of the county where the property is located, or if the property is located in more than one county, then in each county where any portion of the property is located.

The Secretary of State shall adopt uniform certificates to be furnished for registration in accordance with this subsection. In the case of a partnership formed

under a law other than the laws of this State, a similar certificate by any competent authority of the jurisdiction of organization may be registered in accordance with this subsection.

The certificate required by this subsection shall be recorded by the register of deeds in the same manner as deeds, and for the same fees, but no formalities as to acknowledgment, probate, or approval by any other officer shall be required. The former name of the partnership holding title to the real property before the merger, consolidation, or conversion shall appear in the 'Grantor' index and the name of the other entity holding title to the real property by virtue of the merger, consolidation, or conversion shall appear in the 'Grantee' index."

Section 4.2. G.S. 59-102 is amended by adding a new subdivision to read:

"(1a) 'Business entity' means a domestic corporation as defined in G.S. 55-1-40 (including, without limitation, a professional corporation as defined in G.S. 55B-2), a foreign corporation as defined in G.S. 55-1-40 (including, without limitation, a foreign professional corporation as defined in G.S. 55B-16), a domestic or foreign nonprofit corporation as defined in G.S. 55A-1-40, a domestic limited liability company as defined in G.S. 57C-1-03, a foreign limited liability company as defined in G.S. 57C-1-03, a domestic limited partnership, a foreign limited partnership, or any other partnership as defined in G.S. 59-36 whether or not formed under the laws of this State (including a registered limited liability partnership as defined in G.S. 59-32 and any other limited liability partnership formed under a law other than the laws of this State)."

Section 4.3. G.S. 59-201 is amended by adding a new subsection to read:

"(d) A limited partnership may also be formed through the conversion of another business entity in accordance with Part 10A of this Article."

Section 4.4. G.S. 59-204 reads as rewritten:

"**§ 59-204. Execution of ~~certificates.~~ documents.**

(a) Each certificate required by this Article to be filed in the office of the Secretary of State shall be executed in the following manner:

(1) An original certificate of limited partnership must be signed by all general partners;

(2) A certificate of amendment must be signed by at least one general partner and by each other partner designated in the certificate as a new general partner; and

(3) A certificate of cancellation must be signed by all general partners.

Any other document submitted by a domestic or foreign limited partnership for filing pursuant to this or any other Chapter must be signed by at least one general partner. Any document submitted by a business entity other than a domestic or foreign limited partnership must be executed by a person authorized to execute documents (i) pursuant to G.S. 55-1-20(f) if the business entity is a domestic or foreign corporation, (ii) pursuant to G.S. 55A-1-20(f) if the business entity is a domestic or foreign nonprofit corporation, (iii) pursuant to G.S. 57C-1-20(f) if the

business entity is a domestic or foreign limited liability company, or (iv) pursuant to G.S. 59-73.7(a)(4) if the business entity is a partnership as defined in G.S. 59-36, whether or not formed under the laws of this State, other than a domestic or foreign limited partnership.

(b) Any person may sign a certificate by an attorney-in-fact.

(b1) Any signature on any document authorized to be filed with the Secretary of State under any provision of this Article may be a facsimile.

(c) The execution of a certificate or amendment by a general partner constitutes an affirmation under the penalties of perjury that the facts stated therein are true."

Section 4.5. G.S. 59-206(a)(3a) reads as rewritten:

"(3a) Whenever the name of any domestic or foreign limited partnership holding title to real property in this State is changed upon amendment to the certificate of limited partnership, or whenever title to its real property is vested by operation of law in another entity upon merger, consolidation, or conversion of the domestic or foreign limited partnership, a certificate reciting the ~~change or transfer~~ name change, merger, consolidation, or conversion shall be recorded in the office of the register of deeds of the county where the property lies, or if the property is located in more than one county, then in each county where any portion of the property lies."

Section 4.6. G.S. 59-206(a)(5) reads as rewritten:

"(5) The certificate required by this section shall be recorded by the register of deeds in the same manner as deeds, and for the same fees, but no formalities as to acknowledgement, probate, or approval by any other officer shall be required. The former name of the domestic or foreign limited partnership holding title to the real property before the ~~amendment~~ name change, merger, consolidation, or conversion shall appear in the 'Grantor' index, and the ~~amended~~ new name of the domestic or foreign limited partnership or the name of the other entity holding title to the real property by virtue of the ~~amendment~~ merger, consolidation, or conversion, as applicable, shall appear in the 'Grantee' index."

Section 4.7. Article 5 of Chapter 59 of the General Statutes is amended by adding a new section to read:

"**§ 59-909. Withdrawal of foreign limited partnership by reason of a merger, consolidation, or conversion.**

(a) Whenever a foreign limited partnership authorized to transact business in this State ceases its separate existence as a result of a statutory merger or consolidation permitted by the laws of the state or country under which it was organized, or converts into another type of entity as permitted by those laws, the surviving or resulting entity shall apply for a certificate of withdrawal for the foreign limited partnership by delivering to the Secretary of State for filing a copy of the articles of merger, consolidation, or conversion or a certificate reciting the facts of the merger,

consolidation, or conversion, duly authenticated by the Secretary of State or other official having custody of limited partnership records in the state or country under the laws of which the foreign limited partnership was organized. If the surviving or resulting entity is not authorized to transact business in this State, the articles or certificate must be accompanied by an application which must set forth:

(1) The name of the foreign limited partnership authorized to transact business in this State, the type of entity and name of the surviving or resulting entity, and a statement that the surviving or resulting entity is not authorized to transact business in this State;

(2) A statement that the surviving or resulting entity consents that service of process based on any cause of action arising in this State, or arising out of business transacted in this State, during the time the foreign limited partnership was authorized to transact business in this State, may thereafter be made by service thereof on the Secretary of State;

(3) A mailing address to which the Secretary of State may mail a copy of any process served upon the Secretary under subdivision (a)(2) of this section; and

(4) A commitment to notify the Secretary of State in the future of any change in its mailing address.

(b) If the Secretary of State finds that the articles or certificate and the application for withdrawal, if required, conform to law, the Secretary of State shall:

(1) Endorse on the articles or certificate and the application for withdrawal, if required, the word 'filed' and the hour, day, month, and year of filing thereof;

(2) File the articles or certificate and the application, if required;

(3) Issue a certificate of withdrawal; and

(4) Send to the surviving or resulting entity or its representative the certificate of withdrawal, together with the exact or conformed copy of the application, if required, affixed thereto."

Section 4.8. Article 5 of Chapter 59 of the General Statutes is amended by adding a new Part to read:

"Part 10A. Conversion and Merger.

"§ 59-1007. Conversions.

(a) A domestic limited partnership may convert to a domestic limited liability company pursuant to Part 1 of Article 9A of Chapter 57C of the General Statutes.

(b) A domestic limited liability company as defined in G.S. 57C-1-03, a foreign limited liability company as defined in G.S. 57C-1-03, a foreign limited partnership, or any other partnership as defined in G.S. 59-36 whether or not formed under the laws of this State, including a registered limited liability partnership as defined in G.S. 59-32, and any other limited liability partnership formed under a law other than the laws of this State, but excluding a domestic limited partnership, may convert to a domestic limited partnership if:

(1) Such converting business entity complies with the requirements of G.S. 59-1008 and G.S. 59-1009; and

(2) If the converting business entity is a foreign limited liability company, a foreign limited partnership, or other partnership as defined in G.S. 59-36 whose organization and internal affairs are governed by a law other than the laws of this State, the conversion is permitted by laws of the state or country governing the organization and internal affairs of the converting business entity, and the converting business entity complies with the laws.

"**§ 59-1008. Plan of conversion.**

(a) The holders of the interests in the converting business entity shall approve a written plan of conversion containing:

(1) The name of the resulting domestic limited partnership into which the converting business entity shall convert;

(2) The terms and conditions of the conversion; and

(3) The manner and basis for converting the interests in the converting business entity into interests, obligations, or securities of the resulting domestic limited partnership or into cash or other property in whole or in part.

The plan of conversion may contain other provisions relating to the conversion.

(b) In the case of a domestic limited liability company, the plan of conversion must be approved in the manner provided for approval of such a conversion in its articles of organization or a written operating agreement or, if there is no such provision, by the unanimous consent of its members. In the case of a partnership as defined in G.S. 59-36 whose organization and internal affairs are governed by the laws of this State, the plan of conversion must be approved in the manner provided for the approval of such a conversion in a written partnership agreement that is binding on all the partners or, if there is no such provision, by the unanimous consent of all the partners. In the case of a foreign limited liability company, a foreign limited partnership, or other partnership as defined in G.S. 59-36 whose organization and internal affairs are governed by a law other than the laws of this State, the plan of conversion must be approved in accordance with the laws of the state or country governing the organization and internal affairs of the converting business entity.

(c) After a plan of conversion has been approved as provided in subsection (b) of this section, but before a certificate of limited partnership for the resulting domestic limited liability company becomes effective, the plan of conversion may be amended or abandoned to the extent provided in the plan of conversion.

"**§ 59-1009. Filing of certificate of limited partnership by converting business entity.**

(a) After a plan of conversion has been approved by the converting business entity as provided in G.S. 59-1008, the converting business entity shall deliver a certificate of limited partnership to the Secretary of State for filing. In addition to the matters required or permitted by G.S. 59-201, the certificate of limited partnership shall state:

(1) That the domestic limited partnership is being formed pursuant to a conversion of another business entity;

(2) The name of the converting business entity, its type of business entity, and the state or country whose laws govern its organization and internal affairs; and

(3) That a plan of conversion has been approved by the converting business entity in the manner required by law.

If the plan of conversion is abandoned before the certificate of limited partnership becomes effective, the converting business entity promptly shall deliver to the Secretary of State for filing an amendment to the certificate of limited partnership reflecting the abandonment of the plan of conversion.

(b) The conversion takes effect when the certificate of limited partnership becomes effective.

(c) The converting business entity shall furnish a copy of the plan of conversion, on request and without cost, to any member or partner (whether general or limited) of the converting business entity.

(d) Certificates of conversion shall also be registered as provided in G.S. 47-18.1.

"**§ 59-1010. Effects of conversion.**

(a) When the conversion takes effect:

(1) The converting business entity ceases its prior form of organization and continues in existence as the resulting domestic limited partnership;

(2) The title to all real estate and other property owned by the converting business entity continues vested in the resulting domestic limited partnership without reversion or impairment;

(3) All liabilities of the converting business entity continue as liabilities of the resulting domestic limited partnership;

(4) A proceeding pending by or against the converting business entity may be continued as if the conversion did not occur; and

(5) The interests in the converting business entity that are to be converted into interests, obligations, or securities of the resulting domestic partnership or into the right to receive cash or other property are thereupon so converted, and the former holders of interests in the converting business entity are entitled only to the rights provided in the plan of conversion.

The conversion shall not affect the liability or absence of liability of any holder of an interest in the converting business entity for any acts, omissions, or obligations of the converting business entity made or incurred prior to the effectiveness of the conversion. The cessation of the existence of the converting business entity in its prior form of organization in the conversion shall not constitute a dissolution or termination of the converting business entity.

"**§ 59-1011. Merger.**

A domestic limited partnership may merge with one or more other domestic limited partnerships or other business entities if:

(1) The merger is permitted by the laws of the state or country governing the organization and internal affairs of each other merging business entity; and

(2) Each merging domestic limited partnership and each other merging business entity comply with the requirements of G.S. 59-1012 and G.S. 59-1013, and, to the extent applicable, the laws referred to in subdivision (1) of this section.

"§ 59-1012. Plan of merger.

(a) Each merging domestic limited partnership and each other merging business entity shall approve a written plan of merger containing:

(1) For each merging business entity, its name, type of business entity, and the state or country whose laws govern its organization and internal affairs;

(2) The name of the merging business entity that shall survive the merger;

(3) The terms and conditions of the merger;

(4) The manner and basis for converting the interests in each merging business entity into interests, obligations, or securities of the surviving business entity or into cash or other property in whole or in part; and

(5) If the surviving business entity is a domestic limited partnership, any amendments to its certificate of limited partnership that are to be made in connection with the merger.

The plan of merger may contain other provisions relating to the merger.

(b) In the case of a merging domestic limited partnership, the plan of merger must be approved in the manner provided in a written partnership agreement that is binding on all the partners for approval of a merger with the type of business entity contemplated in the plan of merger or, if there is no provision, by the unanimous consent of its partners. In the case of each other merging business entity, the plan of merger must be approved in accordance with the laws of the state or country governing the organization and internal affairs of the merging business entity.

(c) After a plan of merger has been approved by a domestic limited partnership, but before the articles of merger become effective, the plan of merger (i) may be amended as provided in the plan of merger, or (ii) may be abandoned (subject to any contractual rights) as provided in the plan of merger or a written partnership agreement that is binding on all the partners or, if there is no such provision, as determined by the unanimous consent of the partners.

"§ 59-1013. Articles of merger.

(a) After a plan of merger has been approved by each merging domestic limited partnership and each other merging business entity as provided in G.S. 59-1012, the surviving business entity shall deliver articles of merger to the Secretary of State for filing. The articles of merger shall set forth:

(1) The plan of merger;

(2) For each merging business entity, its name, type of business entity, and the state or country whose laws govern its organization and internal affairs;
(3) The name and address of the surviving business entity;
(4) A statement that the plan of merger has been approved by each merging business entity in the manner required by law; and
(5) The effective date and time of the merger if it is not to be effective at the time of filing of the articles of merger.

If the plan of merger is amended or abandoned before the articles of merger become effective, the surviving business entity promptly shall deliver to the Secretary of State for filing an amendment to the articles of merger reflecting the amendment or abandonment of the plan of merger.

(b) A merger takes effect when the articles of merger become effective.

(c) Certificates of merger shall also be registered as provided in G.S. 47-18.1.

"**§ 59-1014. Effects of merger.**

(a) When the merger takes effect:

(1) Each other merging business entity merges into the surviving business entity, and the separate existence of each merging business entity except the surviving business entity ceases;
(2) The title to all real estate and other property owned by each merging business entity is vested in the surviving business entity without reversion or impairment;
(3) The surviving business entity has all liabilities of each merging business entity;
(4) A proceeding pending by or against any merging business entity may be continued as if the merger did not occur, or the surviving business entity may be substituted in the proceeding for a merging business entity whose separate existence ceases in the merger;
(5) If a domestic limited partnership is the surviving business entity, its certificate of limited partnership shall be amended to the extent provided in the plan of merger;
(6) The interests in each merging business entity that are to be converted into interests, obligations, or securities of the surviving business entity or into the right to receive cash or other property are thereupon so converted, and the former holders of the interests are entitled only to the rights provided to them in the articles of merger or, in the case of former holders of shares in a domestic corporation as defined in G.S. 55-1-40, any rights they have under Article 13 of Chapter 55 of the General Statutes; and
(7) If the surviving business entity is not a domestic corporation, the surviving business entity is deemed to agree that it will promptly pay to the dissenting shareholders of any merging domestic corporation the amount, if any, to which they are entitled under Article 13 of Chapter 55 of the General Statutes and otherwise to

comply with the requirements of Article 13 as if it were a surviving domestic corporation in the merger.

The merger shall not affect the liability or absence of liability of any holder of an interest in a merging business entity for any acts, omissions, or obligations of any merging business equity made or incurred prior to the effectiveness of the merger. The cessation of separate existence of a merging business entity in the merger shall not constitute a dissolution or termination of such merging business entity.

(b) If the surviving business entity is not a domestic limited liability company, a domestic corporation, a domestic nonprofit corporation, or a domestic limited partnership, when the merger takes effect the surviving business entity is deemed:

(1) To agree that it may be served with process in this State in any proceeding for enforcement of (i) any obligation of any merging domestic limited liability company, domestic corporation, domestic nonprofit corporation, domestic limited partnership or other partnership as defined in G.S. 59-36 that is formed under the laws of this State, (ii) the rights of dissenting shareholders of any merging domestic corporation under Article 13 of Chapter 55 of the General Statutes, and (iii) any obligation of the surviving business entity arising from the merger; and

(2) If the surviving business entity does not have a registered agent in this State, to have appointed the Secretary of State as its registered agent for service of process in any such proceeding until such time as the surviving business entity appoints a registered agent in this State. Service on the Secretary of State of any such process shall be made by delivering to and leaving with the Secretary of State or with any clerk authorized by the Secretary of State to accept service of process, duplicate copies of such process. Upon receipt of service of process on behalf of a surviving business entity, the Secretary of State shall immediately mail a copy of the process by registered or certified mail, return receipt requested, to the surviving business entity at its address shown in the articles of merger or, if an application for a certificate of withdrawal by reason of merger has been filed, at the address for service of process contained in that application."

PART V. CONFORMING CHANGES.

Section 5.1. G.S. 47-18.1 reads as rewritten:

"**§ 47-18.1. Registration of certificate of corporate ~~merger or consolidation.~~ merger, consolidation, or conversion.**

(a) If title to real property in this State is ~~transferred~~ vested by operation of law in another entity upon the ~~merger or consolidation of two or more corporations,~~ merger, consolidation, or conversion of an entity, such ~~transfer~~ vesting is effective against lien creditors or purchasers for a valuable consideration from the ~~corporation~~ entity formerly owning the property, only from the time of registration of a certificate thereof as provided in this section, in the county where the land lies, or if the land is

located in more than one county, then in each county where any portion of the land lies to be effective as to the land in that county.

(b) The Secretary of State shall adopt uniform certificates of ~~merger or consolidation,~~ merger, consolidation, or conversion, to be furnished for registration, and shall adopt such fees as are necessary for the expense of such certification. If the ~~corporation~~ entity involved is not a domestic ~~corporation,~~ entity, a similar certificate by any competent authority in the jurisdiction of incorporation or organization may be registered in accordance with this section.

(c) A certificate of the Secretary of State prepared in accordance with this section shall be registered by the register of deeds in the same manner as deeds, and for the same fees, but no formalities as to acknowledgment, probate, or approval by any other officer shall be required. The name of the ~~corporation~~ entity formerly owning the property shall appear in the 'Grantor' index, and the name of the ~~corporation~~ entity owning the property by virtue of the ~~merger or consolidation~~ merger, consolidation, or conversion shall appear in the 'Grantee' index."

Section 5.2. G.S. 105-129.4(e) reads as rewritten:

"(e) Change in Ownership of Business. -- The sale, merger, consolidation, conversion, acquisition, or bankruptcy of a business, or any transaction by which an existing business reformulates itself as another business, does not create new eligibility in a succeeding business with respect to credits for which the predecessor was not eligible under this Article. A successor business may, however, take any installment of or carried-over portion of a credit that its predecessor could have taken if it had a tax liability. The acquisition of a business is a new investment that creates new eligibility in the acquiring taxpayer under this Article if any of the following conditions are met:

(1) The business closed before it was acquired.

(2) The business was required to file a notice of plant closing or mass layoff under the federal Worker Adjustment and Retraining Notification Act, 29 U.S.C. § 2102, before it was acquired.

(3) The business was acquired by its employees through an employee stock option transaction or another similar mechanism."

Section 5.3. G.S. 105-129.27(d) reads as rewritten:

"(d) Change in Ownership of Facility. -- The sale, merger, consolidation, conversion, acquisition, or bankruptcy of a recycling facility, or any transaction by which the facility is reformulated as another business, does not create new eligibility in a succeeding owner with respect to a credit for which the predecessor was not eligible under this section. A successor business may, however, take any carried-over portion of a credit that its predecessor could have taken if it had a tax liability."

Section 5.4. G.S. 105-130.4(j)(3) reads as rewritten:

"(3) The average value of property shall be determined by averaging the values at the beginning and end of the income year, but in all cases the Secretary of Revenue may require the averaging of monthly or other periodic values during the income year if reasonably required to reflect properly the average value of the

corporation's property. A corporation ~~which~~ that ceases its operations in this State before the end of its income year because of its intention to dissolve or to relinquish its certificate of authority, or because of a ~~merger~~ merger, conversion, or consolidation, or for any other reason whatsoever shall use the real estate and tangible personal property values as of the first day of the income year and the last day of its operations in this State in determining the average value of property, but the Secretary may require averaging of monthly or other periodic values during the income year if reasonably required to reflect properly the average value of the corporation's property."

Section 5.5. G.S. 105-130.17(e) reads as rewritten:

"(e) Any corporation ~~which~~ that ceases its operations in this State before the end of its income year because of its intention to dissolve or to withdraw from this State, or because of a ~~merger~~ merger, conversion, or consolidation or for any other reason whatsoever shall file its return for the then current income year within 75 days after the date it terminates its business in this State."

Section 5.6. G.S. 105-163.010(2) reads as rewritten:

"(2) Business. -- A corporation, partnership, limited liability company, association, or sole proprietorship operated for profit."

Section 5.7. G.S. 105-163.013(f) reads as rewritten:

"(f) Transfer of Registration. -- A registration as a qualified business venture or qualified grantee business may not be sold or otherwise transferred, except that if a qualified business venture or qualified grantee business enters into a merger, conversion, consolidation, or other similar transaction with another business and the surviving ~~corporation~~ company would otherwise meet the criteria for being a qualified business venture or qualified grantee business, the surviving company retains the registration without further application to the Secretary of State. In such a case, the qualified business venture or qualified grantee business shall provide the Secretary of State with written notice of the merger, conversion, consolidation, or similar transaction and the name, address, and jurisdiction of incorporation or organization of the surviving company."

Section 5.8. G.S. 105-163.014(d)(1) reads as rewritten:

"(1) Within one year after the investment was made, the taxpayer transfers any of the securities received in the investment that qualified for the tax credit to another person or entity, other than in a transfer resulting from one of the following:

a. The death of the taxpayer.

b. A final distribution in liquidation to the owners of a taxpayer that is a corporation or other entity.

c. A merger, conversion, consolidation, or similar transaction requiring approval by the ~~shareholders~~ owners of the qualified business venture or qualified grantee business under applicable State law, to the extent the taxpayer does

not receive cash or tangible property in the merger, conversion, consolidation, or other similar transaction."

Section 5.9. G.S. 105-187.6(b)(2) reads as rewritten:

"(2) To a ~~partnership~~ partnership, limited liability company, or corporation as an incident to the formation of the ~~partnership or corporation and~~ partnership, limited liability company, or corporation, and no gain or loss arises on the transfer of the motor vehicle under section 351 or section 721 of the Internal Revenue ~~Code,~~ Code as defined in G.S. 105-228.90, or to a partnership, limited liability company, or corporation by ~~merger or~~ merger, conversion, or consolidation in accordance with ~~G.S. 55-11-06.~~ applicable law."

Section 5.10. G.S. 105-228.29 reads as rewritten:

"**§ 105-228.29. Conveyances excluded.**

The provisions of this Article shall not apply to transfers of an interest in real estate by operation of law, by lease for a term of years, by or pursuant to the provisions of a will, by intestacy, by gift, by ~~merger~~ merger, conversion, or consolidation, or by instruments securing indebtedness, or any other transfer where no consideration in property or money is due or paid by the transferee to transferor."

PART VI. MUTUAL TO STOCK INSURANCE CONVERSION.

Section 6. Article 10 of Chapter 58 of the General Statutes is amended by adding a new section to read:

"**§ 58-10-10. Mutual conversion to stock insurer.**

(a) A domestic mutual insurer may convert to a domestic stock insurer under a plan that is approved in advance by the Commissioner.

(b) The Commissioner shall not approve the plan unless:

(1) It is fair and equitable to the insurer's policyholders.

(2) It is adopted by the insurer's board of directors in accordance with the insurer's bylaws and approved by a vote of not less than two-thirds of the insurer's members voting on it in person, by proxy, or by mail at a meeting called for the purpose of voting on the plan, pursuant to reasonable notice and procedure as approved by the Commissioner. If the company is a life insurer, the right to vote may be limited, as its bylaws provide, to members whose policies are other than term or group policies and have been in effect for more than one year.

(3) Each policyholder's equity in the insurer is determinable under a fair and reasonable formula approved by the Commissioner. The equity shall be based upon the insurer's entire statutory surplus after deducting certificates of contribution, guaranty capital certificates, and similar evidences of indebtedness included in an insurer's statutory surplus.

(4) The policyholders entitled to vote on the plan and participate in the purchase of stock and distribution of assets include all

policyholders on the date the plan was adopted by the insurer's board of directors.

(5) The plan provides that each policyholder specified in subdivision (4) of this subsection receives a preemptive right to acquire a proportionate part of all of the proposed capital stock of the insurer or of all of the stock of a corporation affiliated with the insurer within a designated reasonable period as the part is determinable under the plan of conversion; and to apply toward the purchase of the stock the amount of the policyholder's equity in the insurer under subdivision (3) of this subsection. The plan must provide for an equitable distribution of fractional interests.

(6) The plan provides for payment to each policyholder of the policyholder's entire equity in the insurer; with that payment to be applied toward the purchase of stock to which the policyholder is entitled preemptively or to be made in cash, or both. The cash payment may not exceed fifty percent (50%) of each policyholder's equity. The stock purchased, together with the cash payment, if any, shall constitute full payment and discharge of the policyholder's equity as an owner of the mutual insurer.

(7) Shares are to be offered to policyholders at a price not greater than that of shares to be subsequently offered to others.

(8) The Commissioner finds that the insurer's management has not, through reduction of volume of new business written, through policy cancellations, or through any other means, sought to (i) reduce, limit, or affect the number or identity of the insurer's members entitled to participate in the plan or (ii) secure for the individuals constituting management any unfair advantage through the plan.

(9) The plan, when completed, provides that the insurer's capital and surplus are not less than the minimum required of a domestic stock insurer transacting the same kinds of insurance, are reasonable in relation to the insurer's outstanding liabilities, and are adequate to meet its financial needs.

(c) With respect to an insurer with a guaranty capital, the conversion plan shall be approved by a vote of not less than two-thirds of the insurer's guaranty capital shareholders and policyholders as provided for in subdivision (b)(2) of this section. The plan may provide for the issuance of stock in exchange for outstanding guaranty capital shares at their redemption value subject to the conditions in subsection (b) of this section.

(d) The Commissioner may schedule a public hearing on the proposed conversion plan.

(e) The Commissioner may retain, at the mutual insurer's expense, any attorneys, actuaries, economists, accountants, or other experts not otherwise a part of the

Commissioner's staff as may be reasonably necessary to assist the Commissioner in reviewing the proposed conversion plan.

(f) The corporate existence of the mutual company continues in the stock company created under this section. All assets, rights, franchises, and interests of the former mutual insurer, in and to real or personal property, are deemed to be transferred to and vested in the stock insurer, without any other deed or transfer; and the stock insurer simultaneously assumes all of the obligations and liabilities of the former mutual insurer.

(g) No director, officer, or employee of the insurer shall receive:

(1) Any fee, commission, compensation, or other valuable consideration for aiding, promoting, or assisting in the conversion of the mutual insurer to a domestic stock insurer, other than compensation paid to any director, officer, or employee of the insurer in the ordinary course of business; or

(2) Any distribution of the assets, surplus, or capital of the insurer as part of a conversion.

(h) The Commissioner may adopt rules to carry out the provisions of this section."

PART VII. HOMEOWNER ASSOCIATION REFUNDS.

Section 7. G.S. 55A-13-02(b) reads as rewritten:

"(b) Subject to the provisions of subsection (d) of this ~~section, (i) a~~ section:

(1) A corporation may make distributions to any entity that is exempt under section 501(c)(3) of the Internal Revenue Code of 1986 or any successor section, or that is organized exclusively for one or more of the purposes specified in section 501(c)(3) of the Internal Revenue Code of 1986 or any successor section and that upon dissolution shall distribute its assets to a charitable or religious corporation, the United States, a state or an entity that is exempt under section 501(c)(3) of the Internal Revenue Code of 1986 or any successor ~~section, and (ii) any~~ section.

(2) Any corporation other than a charitable or religious corporation may make distributions to any domestic or foreign corporation.

(3) Except as otherwise prohibited by statute, a corporation not operated for profit, the membership of which is limited to the owners or occupants of real property in a condominium, cooperative housing corporation, or other real property development, having as its primary purposes the management, operation, preservation, maintenance, and repair of common areas and improvements upon the real property owned by the members and the corporation or organization, may make distribution to its members of excess or surplus membership dues, fees, or assessments remaining after the payment of or provisions for common expenses and any prepayment of reserves; provided that these distributions are in proportion to the dues, fees, or assessments collected from the members."

PART VIII. RETENTION OF FEES.

Section 8. All fees received by the Department of the Secretary of State pursuant to the provisions of and for the administration of this act shall be retained by the Department of the Secretary of State for fiscal years 1999-2000, 2000-2001, and 2001-2002. No such fees received shall revert to the General Fund during those fiscal years. Fees retained pursuant to this section shall be used by the Department of the Secretary of State for administration of Chapters 55, 55A, 55B, 57C and 59 of the General Statutes.

Any fees received on or after July 1, 2002, but not used by the Department in the administration of those Chapters by the close of the fiscal year in which such fees are received shall revert to the General Fund. Monies retained pursuant to this section shall be subject to audit pursuant to the Executive Budget Act.

PART IX. EFFECTIVE DATE.

Section 9. This act becomes effective January 1, 2000, and applies to mergers, consolidations, or conversions effective on or after that date.

* The Fiscal Research Division believes that 2 positions at a total cost of $42,665 effective October 1, 1999 ($56,886 annually) may be needed during the first year the bill is effective. However, we believe that the true impact this bill will have on the workload and additional staffing cannot be determined until there has been some experience with the bill.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Secretary of State and the Department of Insurance

EFFECTIVE DATE: The bill becomes effective January 1, 2000 and applies to mergers, consolidations and conversions effective on or after the effective date.

BILL SUMMARY: ***(Adopted from the April 22, 1999 summary prepared by the Senate Judiciary I Committee Co-Counsel.)***

Senate Bill 835 would clarify and conform laws governing the mergers, consolidations and conversions among business corporations, nonprofit corporations, partnerships, limited partnerships, limited liability partnerships, limited liability companies and foreign entities. It would also provide for a method for conversion of mutual insurance companies to stock insurance companies, and would permit homeowner associations to refund excess dues and fees collected from association members. Current law provides procedures for some mergers,

consolidations and conversions of business corporations, nonprofit corporations, and limited liability companies. There are no conversion/merger provisions for partnerships or limited partnerships.

Parts I through V of Senate Bill 835 provide for a common, standardized form of mergers, consolidations and conversions for business corporations (Part I), nonprofit corporations (Part II), limited liability companies (Part III), partnerships and limited liability partnerships (Part IV), permitting different forms of entities to merge and convert into other entity forms. The standard provisions require a plan of merger or conversion adopted by the merging or converting entities, articles of merger or conversion filed with the Secretary of State. They also define the legal effects of the merger/conversion on title to real property, liabilities, pending actions, and the rights to succeed in interest. Provisions are also made for merger/conversions with foreign corporations, foreign nonprofits, foreign partnerships, foreign limited liability companies and other foreign entities.

Part VI sets out the procedure for the conversion of a mutual insurance company to a stock insurance company. This type of conversion must be approved by the Commissioner of Insurance and must provide that the policyholder in a mutual insurance company will own the same proportionate share of a stock insurance company as the policyholder owned in the mutual insurance company. This Part also insures that the officers, directors and employees of a mutual insurance company will not receive any separate compensation as a result of a conversion other than the compensation paid in the ordinary course of business.

Part VII amends the Nonprofit Corporation statute to permit homeowners associations that accumulate excess funds from its members, to distribute those excess funds to the members of the association in proportion to the fees collected from the members.

ASSUMPTIONS AND METHODOLOGY:

Department of the Secretary of State

This bill allows business and nonprofit corporations, limited liability companies, partnerships, limited partnerships and limited liability partnerships and foreign entities to merge with one another and in some instances to convert from one form of entity to another. These changes will have a cost impact on the Department of the Secretary of State. They are also likely to have an impact on the Department's revenue. The fiscal impact is noted below.

The Secretary of State anticipates that substantial programming changes to its computer database will be necessary to implement this bill. Specifically, they must create a new category for including partnerships as parties to mergers along with mechanisms to track subsequent filings made by partnerships. (Current law does not contain merger or conversion procedures for partnerships. Further, general partnerships are not required to register with the Secretary of State.) Also, they must create new code to document conversions of various sorts of entities into another entity; to provide for a foreign entity's withdrawal from the state by reason of conversion to or consolidation with another entity. In addition to the programming the Department anticipates that the examiners and information specialists in the Corporations Division will need training on the programming changes including learning new computer screens and new codes as well as training on operating the revised system.

The Department estimates the nonrecurring cost to be $31,000. This includes one-time programming cost of $28,000, and training cost of $3,000. The Department also estimates that it will incur $12,000 annually in ITS charges for maintenance and increased data usage and storage. The Fiscal Research Division believes the Department's estimate of the programming cost and training is reasonable. However, we estimate the first year cost for the ITS charges will be $6,000 since the bill would only be effective for one-half of the fiscal year.

The Department anticipates that the new types of mergers, conversions and consolidations permitted by this bill will increase the workload for the Corporations Division. The Department cannot estimate the number of additional mergers, conversions and consolidations that will occur as a result of this bill. However, they anticipate at a minimum that they will need 2 additional document examiners at a total cost of $56,886 annually. The Fiscal Research Division believes the addition of these two positions is not unreasonable. However, since the bill would not become effective until January 1, 2000 and the required system modifications would not be completed until the fall of the year 1999, we believe the effective date of these positions should be October 1, 1999 at the earliest. Consequently, we have reduced the Department's estimate of the first year cost to $42,665 (($28,443 * 2) / 12 * 9). We further believe that **at least** one-year of experience is needed to determine the true impact that this bill will have on the division's current workload and any additional staffing needs.

Existing law requires the Secretary of State to collect filing, service and copying fees when documents are delivered to it for filing. The fee schedule is established in G.S. 55-1-22. The fees include a $10.00 fee for filing articles of correction and a $50 fee for filing articles of merger or conversion. Optional fees include a $100 -$200 fee for expedited filings and a $200 fee for an advisory review. These fees will be applicable to any new mergers, consolidations, or conversions that occur as a result of this bill. Though the Secretary of State anticipates that there will be additional filings as a result of this bill, they cannot estimate the number of new filings or the impact the new filings will have on revenue collections.

Department of Insurance:

This bill allows mutual insurance companies to convert to stock insurance companies. The Commissioner of Insurance must approve the plan of conversion in advance. The bill specifies the conditions that must exist before the Commissioner can approve a plan. The Department of Insurance estimates that implementing the requirements of this bill will have no fiscal impact on the Department.

S 835. REVISE LAW GOVERNING MERGERS. Intro. 04/12/99 . Senate committee substitute makes the following changes to 1st edition:

(1) Changes title to "AN ACT TO CLARIFY THE LAW GOVERNING MERGERS, CONSOLIDATIONS, NONPROFIT CORPORATIONS, AND UNINCORPORATED ENTITIES, INCLUDING LIMITED LIABILITY COMPANIES AND PARTNERSHIPS, FOR THE PURPOSE OF CONFORMING THE LAWS WITH THOSE OF OTHER STATES AND MODERN BUSINESS PRACTICES";

(2) Adds new Part VI to bill and adds new GS 58-10-10 (Mutual to Stock Insurance Conversion). Requires advance approval Insurance Comm'r before such a conversion may occur. Forbids the Comm'r from approving conversion unless (a) it is fair to policyholders; (b) it is adopted by board of directors and approved by a vote of not less than two-thirds of the members at a meeting called for the purpose of approving the plan; (c) each policyholder's equity is determinable under a formula approved by the Comm'r; (d) a policyholder is entitled to vote and participate in stock purchase if policyholder was such on date plan was adopted by board; (e) policyholder receives preemptive right to acquire proportionate share of proposed capital stock; (f) plan must provide for payment to each policyholder of holder's entire equity in insurer; cash payment may not exceed 50% of a holder's equity; (g) shares must be offered to policyholders at a rate not to exceed that of shares offered to others; (h) Comm'r finds that insurer's management has not sought to limit or reduce the number of policyholders entitled to participate in plan or secure an advantage for mangers; and (I) the insurer's capital and surplus are not less than that required of a domestic stock insurer, are reasonable in relation to company's liabilities, and adequate to meet its financial needs.

Allows Comm'r to schedule a public hearing on the proposed conversion. May also retain, at mutual insurer's expense, various experts to assist in review of plan. Prohibits director, office, or employee from receiving a free or some compensation or promoting or assisting with conversion or with the distribution of assets or capital.

(3) Adds new Part VII to bill and adds new GS 55A-13-02(b)(3) (Homeowner Association Refunds). Provides that a nonprofit corporation whose membership is limited to owners and occupants of property in a condominium, cooperative housing corporation or other real property development may distribute excess or surplus membership dues, fees, or assessments after payment of common expenses and prepayment of reserves. Provides that refunds must be proportionate to the funds collected.

(4) Changes effective date of act to Oct. 1, 1999, and applies to contracts entered into and mergers, consolidations, or conversions effective on or after that date.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE TOWNSHIP HOSPITALS STILL OPERATING UNDER PRE-1983 LAW TO LEVY ADDITIONAL TAXES AFTER A REFERENDUM, AND TO MODERNIZE PROVISIONS OF LAW APPLICABLE TO THEM.

The General Assembly of North Carolina enacts:

Section 1. G.S. 131-4, as it applies to hospitals continuing to operate under Article 2, Chapter 131 of the North Carolina General Statutes pursuant to Section 3, Chapter 775 of the 1983 Session Laws, is amended by adding a new subdivision to read:

"(4) Extension of Tax Levy. Prior to or following the expiration of the tax levy specified in subdivision (3) of this section, a new petition may be presented to the governing body of any county in which a township is located, signed by 200 resident freeholders of such township asking that an annual tax continue to be levied for the maintenance, operation, and improvement of the public hospital, after the expiration of the tax levy specified in subdivision (3). The procedure for submitting the petition and holding an election on the issue of continuing the tax levy shall be the same as the procedure for the petition and election for establishment of the initial tax levy, provided that the requirement that 150 of the 200 petitioners not be residents of the city, town, or village where the hospital is to be located shall not apply. The tax to be levied

under such new election shall not exceed one twenty-fifth of one cent (1/25 of 1 cent) on the dollar ($1.00) for a period of time not exceeding 30 years and shall be for the issue of county or township bonds to provide funds for the maintenance and improvement of the public hospital."

Section 2. G.S. 131-5 reads as rewritten:

"**§ 131-5. Election on tax levy; collection and application of funds.**

The board of elections of such county, township, or town shall submit to the qualified electors thereof, at a regular or special election, the question whether there shall be levied upon the assessed property of such county, township, or town a tax of one fifteenth of one cent (1/15 of 1¢) on the dollar ($1.00) for the purchase of real estate for hospital purposes, for the construction of hospital buildings, and for maintaining same, or for either or all of such purposes. The ballots to be used at any election at which the hospital question is submitted shall be printed with a statement substantially as follows:

[ ] Yes.

For a ..... cent tax for a bond issue for a public hospital and for maintenance of same.

[ ] No.

If a majority of the qualified voters at such election on the proposition shall be in favor of a tax as submitted for a bond issue for a public hospital and for maintenance of same, the governing body shall levy the tax so authorized, which shall be collected in the same manner as other taxes are collected, and credited to the "Hospital Fund," and shall be paid out on the order of the hospital trustees for the purposes authorized by this Article, and for no other purposes whatever.

The procedure for the submission of the issue of the continuation of the tax levy shall be the same as set forth above, provided that the tax shall not exceed one twenty-fifth of one cent (1/25 of 1 cent) on the dollar ($1.00) and the issue to be submitted to the voters shall be as follows:

'[ ] FOR [ ] AGAINST

A ----- cent tax for a bond issue for maintenance and improvement of the public hospital'."

Section 3. All hospitals which continue to operate under Article 2 of Chapter 131 of the General Statutes pursuant to Section 3 of Chapter 775 of the 1983 Session Laws shall, in addition to the powers and authorities set forth in Article 2 of Chapter 131 of the General Statutes have the powers set forth in G.S. 131 E-7(a)(1), (3), (5), (6), 131E-7(b), 131E-7(c), 131E-7.1, 131E-11, 131E-23(1), (2), (5), (6), (7), (8), (10), (11), (12), (13), (14), (15), (16), (17), (18), (19), (23), (24), (25), (26), (27), (28), (30), (31), (32), (33), (34), 131E-26, and 131E-27.

Section 4. Any hospital continuing to operate under Article 2 of Chapter 131 of the General Statutes pursuant to Section 3 of Chapter 775 of the 1983 Session Laws shall be considered to be a "public hospital" within the meaning of G.S. 159-39 and to be a "unit of local government" within the meaning of G.S. 160A-20.

Section 5. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE NORTH CAROLINA MEDICAL BOARD TO ISSUE LIMITED VOLUNTEER LICENSES TO RETIRED PHYSICIANS WHO PROVIDE MEDICAL SERVICES TO INDIGENT PATIENTS WITHOUT COMPENSATION AND TO LIMIT THE LIABILITY OF SUCH RETIRED PHYSICIANS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 90-12 is amended by adding the following new subsection to read as follows:

"**§ 90-12. Limited license; limited volunteer license.**

(a) The Board may, whenever in its opinion the conditions of the locality where the applicant resides are such as to render it advisable, make any modifications of the requirements of G.S. 90-9, 90-10, and 90-11 as in its judgment the interests of the people living in that locality may demand, and may issue to the applicant a special license, to be entitled a "Limited License," authorizing the holder of the limited license to practice medicine and surgery within the limits only of the districts specifically described therein. A resident's training license shall expire at the time its holder ceases to be a resident in the training program or obtains any other license to practice medicine issued by the Board. The holder of the limited license practicing medicine or surgery beyond the boundaries of the districts as laid down in said license shall be guilty of a Class 3 misdemeanor, and upon conviction shall only be fined not less than twenty-five dollars ($25.00) nor more than fifty dollars ($50.00) for

each and every offense; and the Board may revoke the limited license, in its discretion, after due notice.

(b) As used in subsection (a) of this section:

(1) "Limited license" includes a resident's training license.

(2) "Resident training license" means a license to practice in a medical education and training program, approved by the Board, for the purpose of education or training.

(c) The Board shall issue to an applicant a special license to be entitled a "Limited Volunteer License," authorizing the holder of the limited license to practice medicine and surgery only at clinics which specialize in the treatment of indigent patients. The holder of a limited license issued pursuant to this subsection may not receive compensation for services rendered at clinics specializing in the care of indigent patients. The Board shall issue a limited license under this subsection to an applicant who:

(1) Has a license to practice medicine and surgery in another state;

(2) Produces a letter from the state of licensure indicating the applicant is in good standing; and

(3) Is authorized to treat personnel enlisted in the United States armed services or veterans.

The Board shall issue a limited license under this subsection within 30 days after an applicant provides the Board with information satisfying the requirements of this subsection.

The holder of a limited license issued pursuant to this subsection who practices medicine or surgery at places other than clinics which specialize in the treatment of indigent patients shall be guilty of a Class 3 misdemeanor and, upon conviction, shall only be fined not less than twenty-five dollars ($25.00) nor more than fifty dollars ($50.00) for each and every offense; and the Board may revoke the limited license, in its discretion, after due notice.

(d) The Board may issue a "Limited Volunteer License" as authorized in subsection (c) of this section to an applicant who is a retired physician and has allowed his or her license to practice medicine and surgery in this State or another state to become inactive. Physicians holding a "Limited Volunteer License" under this subsection shall comply with the continuing medical education requirements adopted by the Board."

Section 2. G.S. 90-15 reads as rewritten:

"**§ 90-15. License fee; salaries, fees, and expenses of Board.**

Each applicant for a license by examination shall pay to the North Carolina Medical Board a fee which shall be prescribed by the Board in an amount not exceeding the sum of four hundred dollars ($400.00) plus the cost of test materials before being admitted to the examination. Whenever a license is granted without examination, as authorized in G.S. 90-13, the applicant shall pay to the Board a fee in an amount to be prescribed by the Board not in excess of two hundred fifty dollars ($250.00). Whenever a limited license is granted as provided in G.S. 90-12, the applicant shall pay to the Board a fee not to exceed one hundred fifty dollars

($150.00), except where a limited license to practice in a medical education and training program approved by the Board for the purpose of education or training is granted, the applicant shall pay a fee of twenty-five dollars ~~($25.00).~~ ($25.00), and where a limited license to practice medicine and surgery only at clinics that specialize in the treatment of indigent patients is granted, the applicant shall not pay a fee. A fee of twenty-five dollars ($25.00) shall be paid for the issuance of a duplicate license. All fees shall be paid in advance to the North Carolina Medical Board, to be held in a fund for the use of the Board. The compensation and expenses of the members and officers of the Board and all expenses proper and necessary in the opinion of the Board to the discharge of its duties under and to enforce the laws regulating the practice of medicine or surgery shall be paid out of the fund, upon the warrant of the Board. The per diem compensation of Board members shall not exceed two hundred dollars ($200.00) per day per member for time spent in the performance and discharge of duties as a member. Any unexpended sum or sums of money remaining in the treasury of the Board at the expiration of the terms of office of the members of the Board shall be paid over to their successors in office.

For the initial and annual registration of an assistant to a physician, the Board may require the payment of a fee not to exceed a reasonable amount."

Section 3. G.S. 90-15.1 reads as rewritten:

"**§ 90-15.1. Registration every year with Board.**

Every person licensed to practice medicine by the North Carolina Medical Board shall register annually with the Board within 30 days of the person's birthday. A person who registers with the Board shall report to the Board the person's name and office and residence address and any other information required by the Board, and shall pay a registration fee fixed by the Board not in excess of one hundred dollars ($100.00). A physician who is not actively engaged in the practice of medicine in North Carolina and who does not wish to register the license may direct the Board to place the license on inactive status. For purposes of annual registration, the Board shall use a simplified registration form which allows registrants to confirm information on file with the Board. A physician who fails to register as required by this section shall pay an additional fee of twenty dollars ($20.00) to the Board. The license of any physician who fails to register and who remains unregistered for a period of 30 days after certified notice of the failure is automatically inactive. ~~A~~ Except as provided in G.S. 90-12(d), a person whose license is inactive shall not practice medicine in North Carolina nor be required to pay the annual registration fee. Upon payment of all accumulated fees and penalties, the license of the physician may be reinstated, subject to the Board requiring the physician to appear before the Board for an interview and to comply with other licensing requirements. The penalty may not exceed the maximum fee for a license under G.S. 90-13."

Section 4. G.S. 90-21.14(a1) reads as rewritten:

"(a1) (1) Any volunteer medical or health care provider at a facility of a local health department or at a nonprofit community health ~~center;~~ center.

(2) Any volunteer medical or health care provider rendering services to a patient referred by a local health department as defined in G.S. 130A-2(5) or nonprofit community health center at the provider's place of ~~employment; or~~ employment.

(3) Any volunteer medical or health care provider serving as medical director of an emergency medical services (EMS) ~~agency,~~ agency.

(4) Any retired physician holding a "Limited Volunteer License" under G.S. 90-12(d),

who receives no compensation for medical services or other related services rendered at the facility, center, ~~or agency or,~~ agency, or clinic, or who neither charges nor receives a fee for medical services rendered to the patient referred by a local health department or nonprofit community health center at the provider's place of employment shall not be liable for damages for injuries or death alleged to have occurred by reason of an act or omission in the rendering of the services unless it is established that the injuries or death were caused by gross negligence, wanton conduct, or intentional wrongdoing on the part of the person rendering the services. The local health department facility, nonprofit community health center, or agency shall use due care in the selection of volunteer medical or health care providers, and this subsection shall not excuse the health department facility, community health center, or agency for the failure of the volunteer medical or health care provider to use ordinary care in the provision of medical services to its patients."

Section 5. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE NORTH CAROLINA MEDICAL BOARD TO ISSUE LIMITED VOLUNTEER LICENSES TO RETIRED PHYSICIANS WHO PROVIDE MEDICAL SERVICES TO INDIGENT PATIENTS WITHOUT COMPENSATION AND TO LIMIT THE LIABILITY OF SUCH RETIRED PHYSICIANS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 90-12 is amended by adding the following new subsection to read as follows:

"**§ 90-12. Limited license; limited volunteer license.**

(a) The Board may, whenever in its opinion the conditions of the locality where the applicant resides are such as to render it advisable, make any modifications of the requirements of G.S. 90-9, 90-10, and 90-11 as in its judgment the interests of the people living in that locality may demand, and may issue to the applicant a special license, to be entitled a "Limited License," authorizing the holder of the limited license to practice medicine and surgery within the limits only of the districts specifically described therein. A resident's training license shall expire at the time its holder ceases to be a resident in the training program or obtains any other license to practice medicine issued by the Board. The holder of the limited license practicing medicine or surgery beyond the boundaries of the districts as laid down in said license shall be guilty of a Class 3 misdemeanor, and upon conviction shall only be fined not less than twenty-five dollars ($25.00) nor more than fifty dollars ($50.00) for each and every offense; and the Board may revoke the limited license, in its discretion, after due notice.

(b) As used in subsection (a) of this section:

(1) "Limited license" includes a resident's training license.

(2) "Resident training license" means a license to practice in a medical education and training program, approved by the Board, for the purpose of education or training.

(c) The Board shall issue to an applicant a special license to be entitled a "Limited Volunteer License," authorizing the holder of the limited license to practice medicine and surgery only at clinics which specialize in the treatment of indigent patients. The holder of a limited license issued pursuant to this subsection may not receive compensation for services rendered at clinics specializing in the care of indigent patients. The Board shall issue a limited license under this subsection to an applicant who:

(1) Has a license to practice medicine and surgery in another state;

(2) Produces a letter from the state of licensure indicating the applicant is in good standing; and

(3) Is authorized to treat personnel enlisted in the United States armed services or veterans.

The Board shall issue a limited license under this subsection within 30 days after an applicant provides the Board with information satisfying the requirements of this subsection.

The holder of a limited license issued pursuant to this subsection who practices medicine or surgery at places other than clinics which specialize in the treatment of indigent patients shall be guilty of a Class 3 misdemeanor and, upon conviction, shall only be fined not less than twenty-five dollars ($25.00) nor more than fifty dollars ($50.00) for each and every offense; and the Board may revoke the limited license, in its discretion, after due notice.

(d) The Board shall issue a "Limited Volunteer License" as authorized in subsection (c) of this section to an applicant who is a retired physician and has allowed his or her license to practice medicine and surgery in this State or another state to become inactive."

Section 2. G.S. 90-15 reads as rewritten:

"**§ 90-15. License fee; salaries, fees, and expenses of Board.**

Each applicant for a license by examination shall pay to the North Carolina Medical Board a fee which shall be prescribed by the Board in an amount not exceeding the sum of four hundred dollars ($400.00) plus the cost of test materials before being admitted to the examination. HOUSE BILL 1153:
Retired Physician License

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Representative Justus
Date:	July 1, 1999	**Summary by:**	Mary Shuping
Version:	1st edition		Research Assistant

SUMMARY: ***House Bill 1153 would allow retired physicians whose licenses have become inactive to be issued a Limited Volunteer License by the North Carolina Medical Board. This limited license would allow the physician to practice medicine at clinics that specialize in the treatment of indigent patients.***

CURRENT LAW: Current law provides for a "Limited Volunteer License" that authorizes certain physicians to practice medicine and surgery only at clinics which specialize in the treatment of indigent patients. In order to receive a "Limited Volunteer License", a physician must:

- Have a license to practice medicine in another state;
- Produce a letter from the state of licensure indicating the physician is in good standing; and,
- Be authorized to treat personnel enlisted in the armed forces.

If a physician holding a "Limited Volunteer License" practices medicine at places other than clinics which treat indigent patients, the physician is guilty of a Class 3 misdemeanor and may be fined not less than $25 or more than $50 for every offense.

BILL ANALYSIS: **Section 1** of House Bill 1153 would expand the "Limited Volunteer License" to include retired physicians in North Carolina or from another state whose licenses are on inactive status.

Section 2 of HB 1153 provides that there will be no fee for the "Limited Volunteer License".

Section 3 of the bill amends the statute regarding the liability limitation for first aid or emergency treatment to provide that any retired physician holding a "Limited Volunteer License" who receives no compensation for his or her services will not be liable for damages for injuries or death alleged to have occurred by the physician rendering those services.

EFFECTIVE DATE: The act is effective when it becomes law.

AN ACT TO EARMARK THE STATE SALES TAX REVENUE FROM DRY-CLEANING AND LAUNDRY SERVICES FOR THE DRY-CLEANING SOLVENT CLEANUP FUND, AND TO AMEND THE DRY-CLEANING SOLVENT CLEANUP ACT OF 1997 TO REPEAL THE REQUIREMENT OF FINANCIAL RESPONSIBILITY FOR DRY-CLEANING FACILITIES AND WHOLESALE DRY-CLEANING SOLVENT DISTRIBUTION FACILITIES, TO ALLOW THE ENVIRONMENTAL MANAGEMENT COMMISSION TO ENTER INTO CONTRACTS WITH PRIVATE CONTRACTORS FOR ASSESSMENT AND REMEDIATION ACTIVITIES AT DRY-CLEANING FACILITIES AND WHOLESALE DRY-CLEANING SOLVENT DISTRIBUTION FACILITIES, TO ESTABLISH A STATE GOAL FOR THE REDUCTION OF THE USE OF PERCHLOROETHYLENE F-1,1,3 BY DRY-CLEANING FACILITIES, TO REQUIRE THE DEPARTMENT OF ENVIRONMENT AND NATURAL RESOURCES TO REPORT TO THE ENVIRONMENTAL REVIEW COMMISSION ON THE PROGRESS IN ATTAINING THIS GOAL AND THE COST AND EFFECTIVENESS OF DRY-CLEANING TECHNOLOGIES AND CHEMICALS THAT OFFER AN ALTERNATIVE TO THE USE OF PERCHLOROETHYLENE F-1,1,3, AND TO MAKE OTHER CHANGES IN THE DRY-CLEANING SOLVENT CLEANUP ACT OF 1997.

The General Assembly of North Carolina enacts:

Section 1. Chapter 105 of the General Statutes is amended to add a new section to read:

"**§ 105-164.44E. Transfer to the Dry-Cleaning Solvent Cleanup Fund.**

At the end of each quarter, the Secretary must transfer to the Dry-Cleaning Solvent Cleanup Fund established under G.S. 143-215.104C a percentage of the net amount of State sales and use taxes collected under G.S. 105-164.4(a)(4), as determined by the Secretary based on available data. The percentage amount to be transferred is as follows:

Quarters in Fiscal Year	Percentage
2001-2002	15%
2002-2003	30%
2003-2004	45%
2004-2005 and thereafter	60%."

Section 2. G.S. 143-215.104C(b) reads as rewritten:

"(b) Sources of Revenue. -- The following revenue is credited to the Fund:

(1) Dry-cleaning solvent taxes collected under Article 5D of Chapter 105 of the General Statutes.

(2) Recoveries made pursuant to G.S. 143-215.104N and G.S. 143-215.104O.

(3) Gifts and grants made to the Fund.

(4) Revenues credited to the Fund under G.S. 105-164.44E."

Section 3. G.S. 143-215.104B(b)(20), 143-215.104E, 143-215.104F(b)(3), 143-215.104F(d)(3), 143-215.104F(g), 143-215.104J(a)(5), 143-215.104P(a)(1), and Section 3 of S.L. 1997-392 are repealed.

Section 4. G.S. 143-215.104F(f) reads as rewritten:

"(f) Financial Responsibility Requirements. -- Each potentially responsible person who petitions the Commission to enter into a dry-cleaning solvent assessment agreement or dry-cleaning solvent remediation agreement shall accept written responsibility in the amount specified in this section for the assessment or remediation of the dry-cleaning solvent contamination identified in the petition. If two or more potentially responsible persons petition the Commission jointly, the requirements below shall be the aggregate requirements for the financial responsibility of all potentially responsible persons who are party to the petition. Unless an alternative arrangement is agreed to by co-petitioners, the financial responsibility requirements of this section shall be apportioned equally among the co-petitioners. ~~The requirements in this subsection shall be in addition to any insurance or other financial responsibility, including deductibles or retentions, established pursuant to G.S. 143-215.104E.~~

Facility or Abandoned Site Where Release Occurred	Costs
Dry-cleaning facilities owned by persons who employ fewer than five full-time employees, or the equivalent, in activities related to dry-cleaning operations during the preceding calendar year	~~$5,000~~ $10,000

Dry-cleaning facilities owned by persons who employ at least five but fewer than 10 full-time employees, or the equivalent, in activities related to dry-cleaning operations during the preceding calendar year	~~$10,000~~ $15,000
Dry-cleaning facilities owned by persons who employ 10 or more full-time employees, or the equivalent, in activities related to dry-cleaning operations during the preceding calendar year	~~$15,000~~ $20,000
Wholesale distribution facilities	~~$25,000~~ $30,000
Abandoned dry-cleaning facility sites	$50,000."

Section 5. G.S. 143-215.104C reads as rewritten:

"**§ 143-215.104C. (Repealed effective January 1, 2012) Dry-Cleaning Solvent Cleanup Fund.**

(a) Creation. -- The Dry-Cleaning Solvent Cleanup Fund is established as a special revenue fund to be administered by the Commission. Accordingly, revenue in the Fund at the end of a fiscal year does not revert and interest and other investment income earned by the Fund must be credited to it. The Fund is created to provide revenue to implement this Part.

(b) Sources of Revenue. -- The following revenue is credited to the Fund:

(1) Dry-cleaning solvent taxes collected under Article 5D of Chapter 105 of the General Statutes.

(2) Recoveries made pursuant to G.S. 143-215.104N and G.S. 143-215.104O.

(3) Gifts and grants made to the Fund.

(c) Disbursements. -- A claim filed against the Fund may be paid only from monies in the Fund and only in accordance with the provisions of this Part. Any obligation to pay or reimburse claims against the Fund shall be expressly contingent upon availability of monies in the Fund. Neither the State nor any of its agencies shall have any obligation to pay or reimburse any costs for which monies are not available in the Fund. The provisions of this Part shall not constitute a contract, either express or implied, to pay or reimburse costs in excess of the monies available in the Fund. In making disbursements from the Fund, the Commission shall ~~pay the claims with the highest priority before claims of lower priority, and claims of equal priority in the order in which the facility or abandoned site was certified~~ obligate monies to facilities or sites with higher priority before facilities or sites of lower priority, and facilities or sites with equal priority in the order in which the facilities or sites were prioritized until the revenue is exhausted. Consistent with the provisions of this Part, the Commission may disburse monies from the Fund to abate imminent hazards caused by dry-cleaning solvent contamination at abandoned dry-cleaning

facility sites that have not been certified. Up to twenty percent (20%) of the amount of revenue credited to the Fund in a year may be used to defray costs incurred by the Department and the Attorney General's Office in connection with administration of the program described in this Part, including oversight of response activities."

Section 6. G.S. 143-215.104D(a) reads as rewritten:

"(a) Administrative Functions. -- The Commission may delegate any or all of the powers enumerated in this subsection to the ~~Department or engage a private contractor or contractors to carry out the activities enumerated in this subsection. If the Commission engages a private contractor to carry out the functions enumerated in subdivisions (1) through (6) of this subsection, no action of the contractor shall be effective until ratified by the Commission.~~ Department. The Commission shall:

(1) Accept petitions for certification and petitions to enter into dry-cleaning solvent assessment agreements or remediation agreements under this Part.

(2) Prioritize certified dry-cleaning facilities, certified wholesale distribution facilities, or certified abandoned dry-cleaning facility sites for the initiation of assessment or remediation activities that are reimbursable from the Fund.

(3) Develop forms to be used by persons applying for reimbursement of assessment or remediation costs.

(4) Schedule funding of assessment and remediation activities.

(5) Determine whether assessment or remediation is necessary at a site at which dry-cleaning solvent contamination has occurred.

(5a) Enter into contracts with private contractors for assessment and remediation activities at certified dry-cleaning facilities, certified wholesale distribution facilities, or certified abandoned dry-cleaning facility sites.

(6) Determine that all necessary assessment and remediation has been completed at a contamination site.

(7) Make payments from the Fund to reimburse the costs of assessment and remediation. ~~Any payments made by a private contractor engaged by the Commission shall be authorized by the Commission prior to disbursement.~~"

Section 7. G.S. 143-215.104F, as amended by Sections 3 and 4 of this act, reads as rewritten:

"**§ 143-215.104F. (Repealed effective January 1, 2012) Requirements for certification, assessment agreements, and remediation agreements.**

(a) Any person petitioning for certification of a facility or abandoned site pursuant to G.S. 143-215.104G, for a dry-cleaning solvent assessment agreement pursuant to G.S. 143-215.104H, or for a dry-cleaning solvent remediation agreement pursuant to G.S. 143-215.104I, shall meet the requirements set out in this section and any other applicable requirements of this Part.

(b) Requirements for Potentially Responsible Persons Generally. -- Every petitioner shall provide the Commission with:

(1) ~~Information necessary for the Commission to determine the priority ranking of~~ Any information that the petitioner possesses relating to the contamination at the facility or abandoned site described in the petition.

(2) Information necessary to demonstrate the person's ability to incur the response costs specified in subsection (f) of this section.

(4) Information necessary to demonstrate that the petitioner, and any parent, subsidiary, or other affiliate of the petitioner has substantially complied with:

a. The terms of any dry-cleaning solvent assessment agreement, dry-cleaning solvent remediation agreement, brownfields agreement, or other similar agreement to which the petitioner or any parent, subsidiary, or other affiliate of the petitioner has been a party.

b. The requirements applicable to any remediation in which the petitioner has previously engaged.

c. Federal and State laws, regulations, and rules for the protection of the environment.

(5) Evidence demonstrating that a release of dry-cleaning solvent has occurred at the facility or abandoned site and that the release has resulted in dry-cleaning solvent contamination.

(c) Requirement for Property Owners. -- In addition to the information required by subsection (b) of this section, a petitioner who is the owner of the property on which the dry-cleaning solvent contamination identified in the petition is located shall provide the Commission a written agreement authorizing the Commission or its agent to have access to the property for purposes of conducting assessment or remediation activities or determining whether assessment or remediation activities are being conducted in compliance with this Part and any assessment agreement or remediation agreement.

(c1) Costs incurred by the petitioner for activities to obtain certification of a facility or site shall not be reimbursable from the Fund.

(d) The Commission shall reject any petition made pursuant to this Part in any of the following circumstances:

(1) The petitioner is an owner or operator of the facility described in the petition and the facility was not being operated in compliance with minimum management practices adopted by the Commission pursuant to G.S. 143-215.104D(b)(2) at the time the contamination was discovered.

(2) The petitioner is an owner or operator of the facility described in the petition and the petitioner owed delinquent taxes under Article 5D of Chapter 105 of the General Statutes at the time the dry-cleaning solvent contamination was discovered.

(e) The Commission may reject any petition made pursuant to this Part in any of the following circumstances:

(1) The petitioner fails to provide the information required by subsection (b) of this section.

(2) The petitioner falsified any information in its petition that was material to the determination of the priority ranking, the nature, scope and extent of contamination to be assessed or remediated, or the appropriate means to contain and remediate the contaminants.

(f) Financial Responsibility Requirements. -- Each potentially responsible person who petitions the Commission to ~~enter into a dry-cleaning solvent assessment agreement or dry-cleaning solvent remediation agreement~~ certify a facility or abandoned site shall accept written responsibility in the amount specified in this section for the assessment or remediation of the dry-cleaning solvent contamination identified in the petition. If two or more potentially responsible persons petition the Commission jointly, the requirements below shall be the aggregate requirements for the financial responsibility of all potentially responsible persons who are party to the petition. Unless an alternative arrangement is agreed to by co-petitioners, the financial responsibility requirements of this section shall be apportioned equally among the co-petitioners.

Facility or Abandoned Site Where Release Occurred	Costs
Dry-cleaning facilities owned by persons who employ fewer than five full-time employees, or the equivalent, in activities related to dry-cleaning operations during the preceding calendar year	$10,000
Dry-cleaning facilities owned by persons who employ at least five but fewer than 10 full-time employees, or the equivalent, in activities related to dry-cleaning operations during the preceding calendar year	$15,000
Dry-cleaning facilities owned by persons who employ 10 or more full-time employees, or the equivalent, in activities related to dry-cleaning operations during the preceding calendar year	$20,000
Wholesale distribution facilities	$30,000
Abandoned dry-cleaning facility sites	$50,000."

Section 8. G.S. 143-215.104G reads as rewritten:

"**§ 143-215.104G. (Effective January 1, 1999; repealed effective January 1, 2012) Certification of facilities and abandoned sites.**

(a) A potentially responsible party may petition the Commission to certify a facility or abandoned site where a release of dry-cleaning solvent ~~is believed to have~~ has occurred. The Commission shall certify the facility or abandoned site if the petitioner meets the applicable requirements of G.S. 143-215.104F. Upon its decision

to certify a facility or abandoned site, the Commission shall inform the petitioner of its decision and of the initial priority ranking of the facility or site.

~~(b) The Commission may change the initial priority rankings of any facility or abandoned site as additional facilities or abandoned sites are certified if the Commission, in its sole discretion, determines that additional facilities or sites pose a higher degree of harm or risk to public health and the environment. However, the Commission shall not change the priority ranking of a facility or an abandoned site that is set in a dry-cleaning solvent remediation agreement.~~

(c) A potentially responsible party who petitions for certification of a facility or abandoned site shall provide the Commission with either of the following:

(1) A ~~proposed dry-cleaning solvent assessment agreement or dry-cleaning solvent remediation agreement or an indication~~ written statement of the petitioner's intent to enter into an assessment agreement or remediation agreement.

(2) A written statement of the petitioner's intent to conduct assessment and remediation activities pursuant to subsection (d) of this section.

(d) A person who has access to property that is contaminated by dry-cleaning solvent and who has successfully petitioned for certification of the facility or abandoned site from which the contamination is believed to have resulted may undertake assessment or remediation of dry-cleaning solvent contamination located on the property consistent with the standards established by the Commission pursuant to G.S. 143-215.104D(b)(3) without first entering into a dry-cleaning solvent assessment agreement or a dry-cleaning solvent remediation agreement. No assessment or remediation activities undertaken pursuant to this subsection shall rely on standards that require the creation of land-use restrictions. A person who undertakes assessment or remediation activities pursuant to this subsection shall provide the Commission prior written notice of the activity. Costs associated with assessment or remediation activities undertaken pursuant to this subsection shall not be eligible for reimbursement from the Fund.

(e) The rejection of any petition filed pursuant to this section shall not affect the rights of any other petitioner, other than any parent, subsidiary, or other affiliate of the petitioner, under this Part. The rejection of a petition or the decertification of a facility or abandoned site may be the basis for rejection of a petition by any parent, subsidiary, or other affiliate of the petitioner for the facility or abandoned site."

Section 9. G.S. 143-215.104H reads as rewritten:

"**§ 143-215.104H. (Effective January 1, 1999; repealed effective January 1, 2012) Dry-Cleaning Solvent Assessment Agreements.**

(a) Assessment Agreements. -- One or more potentially responsible parties may petition the Commission to enter into a dry-cleaning solvent assessment agreement regarding a facility or abandoned site that has been certified pursuant to G.S. 143-215.104G. The Commission may, in its discretion, enter into an assessment agreement with any potentially responsible party who satisfies the requirements of this section and the applicable requirements of G.S. 143-215.104F. If more than one potentially

responsible party petitions the Commission, the Commission may enter into a single assessment agreement with one or more of the petitioners. The Commission shall not unreasonably refuse to enter into an assessment agreement pursuant to this section. ~~Petitioners shall~~ The Commission may require the petitioners to provide the Commission with any information necessary to ~~demonstrate that the:~~ demonstrate:

(1) ~~Priority~~ The priority ranking assigned to the facility or site is consistent with the rules adopted ~~by the Commission or the adjusted priority ranking that the petitioner agrees to accept is consistent with the rules adopted~~ by the Commission.

(2) ~~Projected~~ The projected schedule for funding of assessment ~~activities, including reimbursements from the Fund~~ activities is adequate.

(3) ~~Assessment~~ The assessment activities to be undertaken with respect to the dry-cleaning solvent contamination and any other contamination at the contamination site are adequate.

(4) ~~Person~~ The person who will be responsible for implementation of the activities is capable and qualified to conduct the assessment.

(4a) The amount of funds already expended by the petitioner for assessment or remediation of dry-cleaning solvent contamination at the facility or site.

(5) ~~Petitioner~~ The petitioner has and will continue to have available the financial resources necessary to pay the costs of assessment activities and the share of response costs imposed on the petitioner by G.S. 143-215.104F.

(6) ~~Permits~~ The permits or other authorizations required to conduct the assessment activities and to lawfully dispose of any hazardous substances or wastes generated by the assessment activities have been or can be obtained.

(7) ~~Assessment~~ The assessment activities will not increase the existing level of public exposure to health or environmental hazards at the contamination site.

(8) ~~Costs~~ The costs to be incurred in connection with the assessment activities contemplated by the assessment agreement are reasonable and necessary.

(9) ~~Petitioner~~ The petitioner has obtained the consent of other property owners to enter into their property for the purpose of conducting assessment activities specified in the assessment agreement.

(b) The terms and conditions of an assessment agreement regarding dry-cleaning solvent contamination shall be guided by and consistent with the rules adopted by the Commission pursuant to G.S. 143-215.104D and the reimbursement authorities and limitations set out in this Part. An assessment agreement shall, subject to the availability of monies from the Fund:

~~(1) Specify the date on which remediation will begin.~~

(1a) Require that the petitioner shall be liable to the Fund for an amount equal to the difference, if any, between the applicable amount of financial responsibility established by G.S. 143-215.104F and the amount reasonably paid by the petitioner for assessment or remediation activities of the type specified in G.S. 143-215.104N(a)(1) through (7) and otherwise consistent with the requirements of this Part.

(2) Provide for the prompt reimbursement of response costs incurred in assessment activities that are found by the Commission to be consistent with the assessment agreement and this Part.

(c) The Commission may refuse to enter into a dry-cleaning solvent assessment agreement with any petitioner if:

(1) The petitioner will not accept financial responsibility for the share of the response costs required by G.S. 143-215.104F.

(2) The petitioner will not accept responsibility for conducting, supervising, or otherwise undertaking assessment activities required by the Commission.

(3) The petitioner fails to provide any information required by subsection (a) of this section.

(d) The refusal of the Commission to enter into a dry-cleaning solvent assessment agreement with any petitioner shall not affect the rights of any other petitioner under this Part, except that the refusal may be the basis for rejection of a petition by any parent, subsidiary or other affiliate of the petitioner for the facility or abandoned site.

(e) If the Commission determines from an assessment prepared pursuant to this Part that the degree of risk to public health or the environment resulting from dry-cleaning solvent contamination otherwise subject to assessment or remediation under this Part and Article 9 of Chapter 130A is acceptable in light of the criteria established pursuant to G.S. 143-215.104D(b)(3) and Article 9 of Chapter 130A, the Commission shall issue a written statement of its determination and notify the owner or operator of the facility or abandoned site responsible for the contamination that no cleanup, no further cleanup, or no further action is required in connection with the contamination.

(f) If the Commission determines that no remediation or further action is required in connection with dry-cleaning solvent contamination otherwise subject to assessment or remediation pursuant to this Part and Article 9 of Chapter 130A, the Commission shall not pay or reimburse any response costs otherwise payable or reimbursable under this Part from the Fund other than costs reasonable and necessary to conduct the risk assessment pursuant to this section and in compliance with a dry-cleaning solvent assessment agreement."

Section 10. G.S. 143-215.104I(a) reads as rewritten:

"(a) Upon the completion of assessment activities required by a dry-cleaning solvent assessment agreement, one or more potentially responsible parties may petition the Commission to enter into a dry-cleaning solvent remediation agreement for any contamination requiring remediation. The Commission may, in its discretion,

agreement shall provide, subject to availability of monies in the Fund, for prompt reimbursement of response costs incurred in assessment or remediation activities that are found by the Commission to be consistent with the remediation agreement and this Part. A remediation agreement may provide for the Commission to conduct assessment and remediation activities at the site."

Section 14. G.S. 143-215.104N(c) reads as rewritten:

"(c) The Commission shall not pay or reimburse any response costs arising from a dry-cleaning solvent assessment agreement or dry-cleaning solvent remediation agreement until the petitioners who are party to the agreement have exhausted the financial resources made available under the agreement pursuant to ~~G.S. 143-215.104E and~~ G.S. 143-215.104F."

Section 15. G.S. 143-215.104O reads as rewritten:

"**§ 143-215.104O. (Repealed effective January 1, 2012) Remediation of uncertified sites.**

(a) In the event the owner or operator of a facility or the current owner of an abandoned site cannot be identified or located, unreasonably refuses to enter into either an assessment agreement or remediation agreement or cannot be made to comply with the provisions of an assessment agreement or remediation agreement between the petitioner and the Commission, the Commission may direct the Department or a private contractor engaged by the Commission to use staff, equipment, or materials under the control of the Department or contractor or provided by other cooperating federal, State, or local agencies to develop and implement a plan for abatement of an imminent hazard, or to provide interim alternative sources of drinking water to third parties affected by dry-cleaning solvent contamination resulting from a release at the facility or abandoned site. The cost of any of these actions shall be paid from the Fund. The Department or private contractor shall keep a record of all expenses incurred for personnel and for the use of equipment and materials and all other expenses of developing and implementing the remediation plan.

(b) The Commission shall request the Attorney General to commence a civil action to secure reimbursement of costs incurred under this ~~subsection.~~ section.

(c) In the event a civil action is commenced pursuant to this Part to recover monies paid from the Fund, the Commission may recover, in addition to any amount due, the costs of the action, including reasonable attorneys' fees and investigation expenses. Any monies received or recovered as reimbursement shall be paid into the Fund or other source from which the expenditures were made."

Section 16. Section 5 of S.L. 1997-392 reads as rewritten:

"Section 5. This act constitutes a recent act of the General Assembly within the meaning of G.S. 150B-21.1. The Environmental Management Commission may adopt temporary rules to implement this act until ~~1 January 1999.~~ 30 June 2000."

Section 17. Section 7 of S.L. 1997-392 reads as rewritten:

"Section 7. (a) Any person who undertakes assessment or remediation of dry-cleaning solvent contamination pursuant to ~~an~~ a notice of violation or enforcement action by the Department of ~~Environment, Health,~~ Environment and

Natural Resources during the period beginning 1 October 1997 and ~~1 January 1999~~ ending 30 June 2000 may, on or after ~~1 January 1999~~ 30 June 2000 seek reimbursement from the Dry-Cleaning Solvent Cleanup Fund for any costs exceeding fifty thousand dollars ($50,000). The Commission shall reimburse costs if it finds that the costs incurred were (i) appropriately documented and reasonably necessary to assess or remediate the dry-cleaning solvent contamination; (ii) for any of the activities described in subdivisions (1) through (7) of G.S. 143-215.104N(a); (iii) not subject to any of the limitations in subdivisions (4) ~~or (5)~~ through (9) of G.S. 143-215.104N(b); and (iv) not reimbursable from pollution and remediation legal liability insurance; and (v) required by a notice of violation or a specific order of the Department of ~~Environment, Health,~~ Environment and Natural Resources issued on or after 30 June 1996. No reimbursement may be paid pursuant to this section for dry-cleaning solvent contamination that did not result from operations at a dry-cleaning or wholesale distribution facility. Notwithstanding any other provision of this subsection, the Commission may by rule shorten the period during which costs subject to reimbursement pursuant to this subsection may be incurred.

(b) Any person who, as of ~~1 January 1999,~~ 30 June 2000, is undertaking assessment or remediation of dry-cleaning solvent contamination shall be eligible to petition the Commission to enter into a dry-cleaning solvent assessment agreement or dry-cleaning solvent remediation agreement with respect to the contamination. In calculating the required financial contribution of parties to any agreement, the Commission shall determine the reasonable cost of any necessary unreimbursed assessment or remediation activity undertaken by the parties with respect to the contamination site prior to ~~1 January 1999~~ 30 June 2000 and shall credit the amount toward any applicable financial responsibility limits established in G.S. 143-215.104F. Notwithstanding any other provision of this subsection, the Commission may by rule establish a different cutoff date for assessment and remediation activities covered by this subsection."

Section 18. If any section or provision of this act is declared unconstitutional or invalid by the courts, the unconstitutional or invalid section or provision does not affect the validity of this act as a whole or any part of this act other than the part declared to be unconstitutional or invalid.

Section 19. Article 21A of Chapter 143 of the General Statutes is amended by adding a new section to read:

"**§ 143-215.104V. Dry-cleaning solvent reduction goals.**

It shall be the goal of the State of North Carolina to reduce the use of Perchloroethylene F-1,1,3 (PERC) by dry-cleaning facilities in accordance with the following schedule:

Percent Reduction in PERC	Reduction Deadline
10%	1 July 2004
25%	1 July 2009
50%	1 July 2014
100%	1 July 2019."

Section 20. G.S. 143-215.104U reads as rewritten:

"**§ 143-215.104U. (Repealed effective January 1, 2012) Reporting requirements.**

(a) The Secretary shall present an annual report to the Environmental Review Commission that shall include at least the following:

(1) A list of all dry-cleaning solvent contamination reported to the Department.

(2) A list of all facilities and abandoned sites certified by the Commission and the status of contamination associated with each facility or abandoned site.

(3) An estimate of the cost of assessment and remediation required in connection with facilities or abandoned sites certified by the Commission and an estimate of assessment and remediation costs expected to be paid from the Fund.

(4) A statement of receipts and disbursements for the Fund.

(5) A statement of all claims against the Fund, including claims paid, claims denied, pending claims, anticipated claims, and any other obligations.

(6) The adequacy of the Fund to carry out the purposes of this Part together with any recommendations as to measures that may be necessary to assure the continued solvency of the Fund.

(7) The progress of the State in attaining the goals of reducing the use of Perchloroethylene F-1,1,3 (PERC) as established in G.S. 143-215.104T.

(8) The cost and effectiveness of dry-cleaning technologies and chemicals that offer an alternative to the use of Perchloroethylene F-1,1,3 (PERC).

(b) The Secretary shall make the annual report required by this section on or before 1 October of each year."

Section 21. Sections 1 and 2 of this act become effective July 1, 2001. G.S. 105-164.44E and G.S. 143-215.104C(b)(4), as enacted by this act, are repealed on July 1, 2010. The remainder of this act is effective when it becomes law, and Sections 3 and 4 of this act apply retroactively to April 1, 1998.

A BILL TO BE ENTITLED

AN ACT TO EARMARK THE STATE SALES TAX REVENUE FROM DRY-CLEANING AND LAUNDRY SERVICES FOR THE DRY-CLEANING SOLVENT CLEANUP FUND, AND TO AMEND THE DRY-CLEANING SOLVENT CLEANUP ACT OF 1997 TO REPEAL THE REQUIREMENT OF FINANCIAL RESPONSIBILITY FOR DRY-CLEANING FACILITIES AND WHOLESALE DRY-CLEANING SOLVENT DISTRIBUTION FACILITIES, TO ALLOW THE ENVIRONMENTAL MANAGEMENT COMMISSION TO ENTER INTO CONTRACTS WITH PRIVATE CONTRACTORS FOR ASSESSMENT AND REMEDIATION ACTIVITIES AT DRY-CLEANING FACILITIES AND WHOLESALE DRY-CLEANING SOLVENT DISTRIBUTION FACILITIES, TO ESTABLISH A STATE GOAL FOR THE REDUCTION OF THE USE OF PERCHLOROETHYLENE F-1,1,3 BY DRY-CLEANING FACILITIES, TO REQUIRE THE DEPARTMENT OF ENVIRONMENT AND NATURAL RESOURCES TO REPORT TO THE ENVIRONMENTAL REVIEW COMMISSION ON THE PROGRESS IN ATTAINING THIS GOAL AND THE COST AND EFFECTIVENESS OF DRY-CLEANING TECHNOLOGIES AND CHEMICALS THAT OFFER AN ALTERNATIVE TO THE USE OF PERCHLOROETHYLENE F-1,1,3, AND TO MAKE OTHER CHANGES IN THE DRY-CLEANING SOLVENT CLEANUP ACT 0F 1997.

The General Assembly of North Carolina enacts:

Section 1. Chapter 105 of the General Statutes is amended to add a new section to read:

"**§ 105-164.44E. Transfer to the Dry-Cleaning Solvent Cleanup Fund.**

At the end of each quarter, the Secretary must transfer to the Dry-Cleaning Solvent Cleanup Fund established under G.S. 143-215.104C a percentage of the net amount of State sales and use taxes collected under G.S. 105-164.4(a)(4), as determined by the Secretary based on available data. The percentage amount to be transferred is as follows:

Quarters in Fiscal Year	Percentage
2001-2002	15%
2002-2003	30%
2003-2004	45%
2004-2005 and thereafter	60%."

Section 2. G.S. 143-215.104C(b) reads as rewritten:

"(b) Sources of Revenue. -- The following revenue is credited to the Fund:

(1) Dry-cleaning solvent taxes collected under Article 5D of Chapter 105 of the General Statutes.

(2) Recoveries made pursuant to G.S. 143-215.104N and G.S. 143-215.104O.

(3) Gifts and grants made to the Fund.

(4) Revenues credited to the Fund under G.S. 105-164.44E."

Section 3. G.S. 143-215.104B(b)(20), 143-215.104E, 143-215.104F(b)(3), 143-215.104F(d)(3), 143-215.104F(g), 143-215.104J(a)(5), 143-215.104P(a)(1), and Section 3 of S.L. 1997-392 are repealed.

Section 4. G.S. 143-215.104F(f) reads as rewritten:

"(f) Financial Responsibility Requirements. -- Each potentially responsible person who petitions the Commission to enter into a dry-cleaning solvent assessment agreement or dry-cleaning solvent remediation agreement shall accept written responsibility in the amount specified in this section for the assessment or remediation of the dry-cleaning solvent contamination identified in the petition. If two or more potentially responsible persons petition the Commission jointly, the requirements below shall be the aggregate requirements for the financial responsibility of all potentially responsible persons who are party to the petition. Unless an alternative arrangement is agreed to by co-petitioners, the financial responsibility requirements of this section shall be apportioned equally among the co-petitioners. ~~The requirements in this subsection shall be in addition to any insurance or other financial responsibility, including deductibles or retentions, established pursuant to G.S. 143-215.104E.~~

Facility or Abandoned Site Where Release Occurred	Costs
Dry-cleaning facilities owned by persons who employ fewer than five full-time employees, or the equivalent, in activities related to dry-cleaning operations during the preceding calendar year	~~$5,000~~ $10,000

Dry-cleaning facilities owned by persons who employ at least five but fewer than 10 full-time employees, or the equivalent, in activities related to dry-cleaning operations during the preceding calendar year	~~$10,000~~ $15,000
Dry-cleaning facilities owned by persons who employ 10 or more full-time employees, or the equivalent, in activities related to dry-cleaning operations during the preceding calendar year	~~$15,000~~ $20,000
Wholesale distribution facilities	~~$25,000~~ $30,000
Abandoned dry-cleaning facility sites	$50,000."

Section 5. G.S. 143-215.104C reads as rewritten:

"**§ 143-215.104C. (Repealed effective January 1, 2012) Dry-Cleaning Solvent Cleanup Fund.**

(a) Creation. -- The Dry-Cleaning Solvent Cleanup Fund is established as a special revenue fund to be administered by the Commission. Accordingly, revenue in the Fund at the end of a fiscal year does not revert and interest and other investment income earned by the Fund must be credited to it. The Fund is created to provide revenue to implement this Part.

(b) Sources of Revenue. -- The following revenue is credited to the Fund:

(1) Dry-cleaning solvent taxes collected under Article 5D of Chapter 105 of the General Statutes.

(2) Recoveries made pursuant to G.S. 143-215.104N and G.S. 143-215.104O.

(3) Gifts and grants made to the Fund.

(c) Disbursements. -- A claim filed against the Fund may be paid only from monies in the Fund and only in accordance with the provisions of this Part. Any obligation to pay or reimburse claims against the Fund shall be expressly contingent upon availability of monies in the Fund. Neither the State nor any of its agencies shall have any obligation to pay or reimburse any costs for which monies are not available in the Fund. The provisions of this Part shall not constitute a contract, either express or implied, to pay or reimburse costs in excess of the monies available in the Fund. In making disbursements from the Fund, the Commission shall ~~pay the claims with the highest priority before claims of lower priority, and claims of equal priority in the order in which the facility or abandoned site was certified~~ obligate monies to facilities or sites with higher priority before facilities or sites of lower priority, and facilities or sites with equal priority in the order in which the facilities or sites were prioritized until the revenue is exhausted. Consistent with the provisions of this Part, the Commission may disburse monies from the Fund to abate imminent hazards caused by dry-cleaning solvent contamination at abandoned dry-cleaning

facility sites that have not been certified. Up to twenty percent (20%) of the amount of revenue credited to the Fund in a year may be used to defray costs incurred by the Department and the Attorney General's Office in connection with administration of the program described in this Part, including oversight of response activities."

Section 6. G.S. 143-215.104D(a) reads as rewritten:

"(a) Administrative Functions. -- The Commission may delegate any or all of the powers enumerated in this subsection to the ~~Department or engage a private contractor or contractors to carry out the activities enumerated in this subsection. If the Commission engages a private contractor to carry out the functions enumerated in subdivisions (1) through (6) of this subsection, no action of the contractor shall be effective until ratified by the Commission.~~ Department. The Commission shall:

(1) Accept petitions for certification and petitions to enter into dry-cleaning solvent assessment agreements or remediation agreements under this Part.

(2) Prioritize certified dry-cleaning facilities, certified wholesale distribution facilities, or certified abandoned dry-cleaning facility sites for the initiation of assessment or remediation activities that are reimbursable from the Fund.

(3) Develop forms to be used by persons applying for reimbursement of assessment or remediation costs.

(4) Schedule funding of assessment and remediation activities.

(5) Determine whether assessment or remediation is necessary at a site at which dry-cleaning solvent contamination has occurred.

(5a) Enter into contracts with private contractors for assessment and remediation activities at certified dry-cleaning facilities, certified wholesale distribution facilities, or certified abandoned dry-cleaning facility sites.

(6) Determine that all necessary assessment and remediation has been completed at a contamination site.

(7) Make payments from the Fund to reimburse the costs of assessment and remediation. ~~Any payments made by a private contractor engaged by the Commission shall be authorized by the Commission prior to disbursement.~~"

Section 7. G.S. 143-215.104F, as amended by Sections 3 and 4 of this act, reads as rewritten:

"**§ 143-215.104F. (Repealed effective January 1, 2012) Requirements for certification, assessment agreements, and remediation agreements.**

(a) Any person petitioning for certification of a facility or abandoned site pursuant to G.S. 143-215.104G, for a dry-cleaning solvent assessment agreement pursuant to G.S. 143-215.104H, or for a dry-cleaning solvent remediation agreement pursuant to G.S. 143-215.104I, shall meet the requirements set out in this section and any other applicable requirements of this Part.

(b) Requirements for Potentially Responsible Persons Generally. -- Every petitioner shall provide the Commission with:

(1) ~~Information necessary for the Commission to determine the priority ranking of~~ Any information that the petitioner possesses relating to the contamination at the facility or abandoned site described in the petition.

(2) Information necessary to demonstrate the person's ability to incur the response costs specified in subsection (f) of this section.

(4) Information necessary to demonstrate that the petitioner, and any parent, subsidiary, or other affiliate of the petitioner has substantially complied with:

a. The terms of any dry-cleaning solvent assessment agreement, dry-cleaning solvent remediation agreement, brownfields agreement, or other similar agreement to which the petitioner or any parent, subsidiary, or other affiliate of the petitioner has been a party.

b. The requirements applicable to any remediation in which the petitioner has previously engaged.

c. Federal and State laws, regulations, and rules for the protection of the environment.

(5) Evidence demonstrating that a release of dry-cleaning solvent has occurred at the facility or abandoned site and that the release has resulted in dry-cleaning solvent contamination.

(c) Requirement for Property Owners. -- In addition to the information required by subsection (b) of this section, a petitioner who is the owner of the property on which the dry-cleaning solvent contamination identified in the petition is located shall provide the Commission a written agreement authorizing the Commission or its agent to have access to the property for purposes of conducting assessment or remediation activities or determining whether assessment or remediation activities are being conducted in compliance with this Part and any assessment agreement or remediation agreement.

(c1) Costs incurred by the petitioner for activities to obtain certification of a facility or site shall not be reimbursable from the Fund.

(d) The Commission shall reject any petition made pursuant to this Part in any of the following circumstances:

(1) The petitioner is an owner or operator of the facility described in the petition and the facility was not being operated in compliance with minimum management practices adopted by the Commission pursuant to G.S. 143-215.104D(b)(2) at the time the contamination was discovered.

(2) The petitioner is an owner or operator of the facility described in the petition and the petitioner owed delinquent taxes under Article 5D of Chapter 105 of the General Statutes at the time the dry-cleaning solvent contamination was discovered.

(e) The Commission may reject any petition made pursuant to this Part in any of the following circumstances:

(1) The petitioner fails to provide the information required by subsection (b) of this section.

(2) The petitioner falsified any information in its petition that was material to the determination of the priority ranking, the nature, scope and extent of contamination to be assessed or remediated, or the appropriate means to contain and remediate the contaminants.

(f) Financial Responsibility Requirements. -- Each potentially responsible person who petitions the Commission to ~~enter into a dry-cleaning solvent assessment agreement or dry-cleaning solvent remediation agreement~~ certify a facility or abandoned site shall accept written responsibility in the amount specified in this section for the assessment or remediation of the dry-cleaning solvent contamination identified in the petition. If two or more potentially responsible persons petition the Commission jointly, the requirements below shall be the aggregate requirements for the financial responsibility of all potentially responsible persons who are party to the petition. Unless an alternative arrangement is agreed to by co-petitioners, the financial responsibility requirements of this section shall be apportioned equally among the co-petitioners.

Facility or Abandoned Site Where Release Occurred	Costs
Dry-cleaning facilities owned by persons who employ fewer than five full-time employees, or the equivalent, in activities related to dry-cleaning operations during the preceding calendar year	$10,000
Dry-cleaning facilities owned by persons who employ at least five but fewer than 10 full-time employees, or the equivalent, in activities related to dry-cleaning operations during the preceding calendar year	$15,000
Dry-cleaning facilities owned by persons who employ 10 or more full-time employees, or the equivalent, in activities related to dry-cleaning operations during the preceding calendar year	$20,000
Wholesale distribution facilities	$30,000
Abandoned dry-cleaning facility sites	$50,000."

Section 8. G.S. 143-215.104G reads as rewritten:

"**§ 143-215.104G. (Effective January 1, 1999; repealed effective January 1, 2012) Certification of facilities and abandoned sites.**

(a) A potentially responsible party may petition the Commission to certify a facility or abandoned site where a release of dry-cleaning solvent ~~is believed to have~~ has occurred. The Commission shall certify the facility or abandoned site if the petitioner meets the applicable requirements of G.S. 143-215.104F. Upon its decision to certify a facility or abandoned site, the Commission shall inform the petitioner of its decision and of the initial priority ranking of the facility or site.

~~(b) The Commission may change the initial priority rankings of any facility or abandoned site as additional facilities or abandoned sites are certified if the Commission, in its sole discretion, determines that additional facilities or sites pose a higher degree of harm or risk to public health and the environment. However, the Commission shall not change the priority ranking of a facility or an abandoned site that is set in a dry-cleaning solvent remediation agreement.~~

(c) A potentially responsible party who petitions for certification of a facility or abandoned site shall provide the Commission with either of the following:

(1) A ~~proposed dry-cleaning solvent assessment agreement or dry-cleaning solvent remediation agreement or an indication~~ written statement of the petitioner's intent to enter into an assessment agreement or remediation agreement.

(2) A written statement of the petitioner's intent to conduct assessment and remediation activities pursuant to subsection (d) of this section.

(d) A person who has access to property that is contaminated by dry-cleaning solvent and who has successfully petitioned for certification of the facility or abandoned site from which the contamination is believed to have resulted may undertake assessment or remediation of dry-cleaning solvent contamination located on the property consistent with the standards established by the Commission pursuant to G.S. 143-215.104D(b)(3) without first entering into a dry-cleaning solvent assessment agreement or a dry-cleaning solvent remediation agreement. No assessment or remediation activities undertaken pursuant to this subsection shall rely on standards that require the creation of land-use restrictions. A person who undertakes assessment or remediation activities pursuant to this subsection shall provide the Commission prior written notice of the activity. Costs associated with assessment or remediation activities undertaken pursuant to this subsection shall not be eligible for reimbursement from the Fund.

(e) The rejection of any petition filed pursuant to this section shall not affect the rights of any other petitioner, other than any parent, subsidiary, or other affiliate of the petitioner, under this Part. The rejection of a petition or the decertification of a facility or abandoned site may be the basis for rejection of a petition by any parent, subsidiary, or other affiliate of the petitioner for the facility or abandoned site."

Section 9. G.S. 143-215.104H reads as rewritten:

"**§ 143-215.104H. (Effective January 1, 1999; repealed effective January 1, 2012) Dry-Cleaning Solvent Assessment Agreements.**

(a) Assessment Agreements. -- One or more potentially responsible parties may petition the Commission to enter into a dry-cleaning solvent assessment agreement regarding a facility or abandoned site that has been certified pursuant to G.S. 143-215.104G. The Commission may, in its discretion, enter into an assessment agreement with any potentially responsible party who satisfies the requirements of this section and the applicable requirements of G.S. 143-215.104F. If more than one potentially responsible party petitions the Commission, the Commission may enter into a single assessment agreement with one or more of the petitioners. The Commission shall not

unreasonably refuse to enter into an assessment agreement pursuant to this section. ~~Petitioners shall~~ The Commission may require the petitioners to provide the Commission with any information necessary to ~~demonstrate that the:~~ demonstrate:

(1) ~~Priority~~ The priority ranking assigned to the facility or site is consistent with the rules adopted ~~by the Commission or the adjusted priority ranking that the petitioner agrees to accept is consistent with the rules adopted~~ by the Commission.

(2) ~~Projected~~ The projected schedule for funding of assessment ~~activities, including reimbursements from the Fund~~ activities is adequate.

(3) ~~Assessment~~ The assessment activities to be undertaken with respect to the dry-cleaning solvent contamination and any other contamination at the contamination site are adequate.

(4) ~~Person~~ The person who will be responsible for implementation of the activities is capable and qualified to conduct the assessment.

(4a) The amount of funds already expended by the petitioner for assessment or remediation of dry-cleaning solvent contamination at the facility or site.

(5) ~~Petitioner~~ The petitioner has and will continue to have available the financial resources necessary to pay the costs of assessment activities and the share of response costs imposed on the petitioner by G.S. 143-215.104F.

(6) ~~Permits~~ The permits or other authorizations required to conduct the assessment activities and to lawfully dispose of any hazardous substances or wastes generated by the assessment activities have been or can be obtained.

(7) ~~Assessment~~ The assessment activities will not increase the existing level of public exposure to health or environmental hazards at the contamination site.

(8) ~~Costs~~ The costs to be incurred in connection with the assessment activities contemplated by the assessment agreement are reasonable and necessary.

(9) ~~Petitioner~~ The petitioner has obtained the consent of other property owners to enter into their property for the purpose of conducting assessment activities specified in the assessment agreement.

(b) The terms and conditions of an assessment agreement regarding dry-cleaning solvent contamination shall be guided by and consistent with the rules adopted by the Commission pursuant to G.S. 143-215.104D and the reimbursement authorities and limitations set out in this Part. An assessment agreement shall, subject to the availability of monies from the Fund:

~~(1) Specify the date on which remediation will begin.~~

(1a) Require that the petitioner shall be liable to the Fund for an amount equal to the difference, if any, between the applicable

amount of financial responsibility established by G.S. 143-215.104F and the amount reasonably paid by the petitioner for assessment or remediation activities of the type specified in G.S. 143-215.104N(a)(1) through (7) and otherwise consistent with the requirements of this Part.

(2) Provide for the prompt reimbursement of response costs incurred in assessment activities that are found by the Commission to be consistent with the assessment agreement and this Part.

(c) The Commission may refuse to enter into a dry-cleaning solvent assessment agreement with any petitioner if:

(1) The petitioner will not accept financial responsibility for the share of the response costs required by G.S. 143-215.104F.

(2) The petitioner will not accept responsibility for conducting, supervising, or otherwise undertaking assessment activities required by the Commission.

(3) The petitioner fails to provide any information required by subsection (a) of this section.

(d) The refusal of the Commission to enter into a dry-cleaning solvent assessment agreement with any petitioner shall not affect the rights of any other petitioner under this Part, except that the refusal may be the basis for rejection of a petition by any parent, subsidiary or other affiliate of the petitioner for the facility or abandoned site.

(e) If the Commission determines from an assessment prepared pursuant to this Part that the degree of risk to public health or the environment resulting from dry-cleaning solvent contamination otherwise subject to assessment or remediation under this Part and Article 9 of Chapter 130A is acceptable in light of the criteria established pursuant to G.S. 143-215.104D(b)(3) and Article 9 of Chapter 130A, the Commission shall issue a written statement of its determination and notify the owner or operator of the facility or abandoned site responsible for the contamination that no cleanup, no further cleanup, or no further action is required in connection with the contamination.

(f) If the Commission determines that no remediation or further action is required in connection with dry-cleaning solvent contamination otherwise subject to assessment or remediation pursuant to this Part and Article 9 of Chapter 130A, the Commission shall not pay or reimburse any response costs otherwise payable or reimbursable under this Part from the Fund other than costs reasonable and necessary to conduct the risk assessment pursuant to this section and in compliance with a dry-cleaning solvent assessment agreement."

Section 10. G.S. 143-215.104I(a) reads as rewritten:

"(a) Upon the completion of assessment activities required by a dry-cleaning solvent assessment agreement, one or more potentially responsible parties may petition the Commission to enter into a dry-cleaning solvent remediation agreement for any contamination requiring remediation. The Commission may, in its discretion, enter into a remediation agreement with any petitioner who satisfies the requirements of this section and the applicable requirements of G.S. 143-215.104F. If more than

one potentially responsible party petitions the Commission, the Commission may enter into a single remediation agreement with one or more of the petitioners. The Commission shall not unreasonably refuse to enter into a remediation agreement pursuant to this section. The Commission may, in its discretion, enter into a remediation agreement that includes the assessment described in G.S. 143-215.104H. Petitioners shall provide the Commission with any information necessary to demonstrate that:

~~(1) The petitioner, and any parent, subsidiary, or other affiliate of the petitioner has substantially complied with:~~

~~a. The terms of any dry-cleaning solvent assessment agreement, dry-cleaning solvent remediation agreement, brownfields agreement, or other similar agreement to which the petitioner or any parent, subsidiary, or other affiliate of the petitioner has been a party.~~

~~b. The requirements applicable to any remediation in which the petitioner has previously engaged.~~

~~c. Federal and State laws, regulations, and rules for the protection of the environment.~~

(2) As a result of the remediation agreement, the contamination site will be suitable for the uses specified in the remediation agreement while fully protecting public health and the environment from dry-cleaning solvent contamination and any other contaminants included in the remediation agreement.

(3) There is a public benefit commensurate with the liability protection provided under this Part.

(4) The petitioner has or can obtain the financial, managerial, and technical means to fully implement the remediation agreement and assure the safe use of the contamination site.

(5) The petitioner has complied with or will comply with all applicable procedural requirements.

(6) The remediation agreement will not cause the Department to violate the terms and conditions under which the Department operates and administers remedial programs, including the programs established or operated pursuant to Article 9 of Chapter 130A of the General Statutes, by delegation or similar authorization from the United States or its departments or agencies, including the United States Environmental Protection Agency.

(7) The priority ranking assigned to the facility or site is consistent with the rules adopted by the Commission or the ~~adjusted~~ priority ranking that the petitioner agrees to accept is consistent with the rules adopted by the Commission.

(8) The projected schedule for funding of remediation ~~activities, including reimbursements from the Fund.~~ activities.

(9) The petitioner will continue to have available the financial resources necessary to satisfy the share of response costs imposed on the petitioner by G.S. 143-215.104F.

(10) The expenditures eligible for reimbursement from the Fund and to be incurred in connection with the remediation agreement are reasonable and necessary.

(11) The consent of other property owners to enter into their property for purposes of conducting remediation activities specified in the remediation agreement."

Section 11. G.S. 143-215.104I(c)(6) reads as rewritten:

"(c) A dry-cleaning solvent remediation agreement shall contain a description of the contamination site that would be sufficient as a description of the property in an instrument of conveyance and, as applicable, a statement of:

. . .

(6) The ~~final~~ priority ranking of the facility or abandoned site."

Section 12. G.S. 143-215.104N(a) reads as rewritten:

"(a) Reimbursement. -- To the extent monies are available in the Fund for reimbursement of response costs, the Commission shall reimburse any ~~person~~ person, including a private contractor, responsible for implementing reasonable and necessary assessment and remediation activities at a contamination site associated with a certified facility or a certified abandoned site pursuant to a dry-cleaning solvent assessment agreement or dry-cleaning solvent remediation agreement for the following assessment and remediation response ~~costs:~~ costs, for which appropriate documentation is submitted:

(1) Costs of assessment with respect to dry-cleaning solvent contamination.

(2) Costs of treatment or replacement of potable water supplies affected by the contamination.

(3) Costs of remediation of affected soil, groundwater, surface waters, bedrock or other rock formations, or buildings.

(4) Monitoring of the contamination.

(5) Inspection and supervision of activities described in this subsection.

(6) Reasonable costs of restoring property as nearly as practicable to the conditions that existed prior to activities associated with assessment and remediation conducted pursuant to this Part.

(7) Other activities reasonably required to protect public health and the environment."

Section 13. G.S. 143-215.104I(g) reads as rewritten:

"(g) The terms and conditions of a dry-cleaning solvent remediation agreement concerned with dry-cleaning solvent contamination shall be guided by and consistent with the rules adopted by the Commission pursuant to G.S. 143-215.104D and the reimbursement authorities and limitations set out in this Part. A remediation agreement shall provide, subject to availability of monies in the Fund, for prompt reimbursement of response costs incurred in assessment or remediation activities that

are found by the Commission to be consistent with the remediation agreement and this Part. A remediation agreement may provide for the Commission to conduct assessment and remediation activities at the site."

Section 14. G.S. 143-215.104N(c) reads as rewritten:

"(c) The Commission shall not pay or reimburse any response costs arising from a dry-cleaning solvent assessment agreement or dry-cleaning solvent remediation agreement until the petitioners who are party to the agreement have exhausted the financial resources made available under the agreement pursuant to ~~G.S. 143-215.104E and~~ G.S. 143-215.104F."

Section 15. G.S. 143-215.104O reads as rewritten:

"**§ 143-215.104O. (Repealed effective January 1, 2012) Remediation of uncertified sites.**

(a) In the event the owner or operator of a facility or the current owner of an abandoned site cannot be identified or located, unreasonably refuses to enter into either an assessment agreement or remediation agreement or cannot be made to comply with the provisions of an assessment agreement or remediation agreement between the petitioner and the Commission, the Commission may direct the Department or a private contractor engaged by the Commission to use staff, equipment, or materials under the control of the Department or contractor or provided by other cooperating federal, State, or local agencies to develop and implement a plan for abatement of an imminent hazard, or to provide interim alternative sources of drinking water to third parties affected by dry-cleaning solvent contamination resulting from a release at the facility or abandoned site. The cost of any of these actions shall be paid from the Fund. The Department or private contractor shall keep a record of all expenses incurred for personnel and for the use of equipment and materials and all other expenses of developing and implementing the remediation plan.

(b) The Commission shall request the Attorney General to commence a civil action to secure reimbursement of costs incurred under this ~~subsection.~~ section.

(c) In the event a civil action is commenced pursuant to this Part to recover monies paid from the Fund, the Commission may recover, in addition to any amount due, the costs of the action, including reasonable attorneys' fees and investigation expenses. Any monies received or recovered as reimbursement shall be paid into the Fund or other source from which the expenditures were made."

Section 16. Section 5 of S.L. 1997-392 reads as rewritten:

"Section 5. This act constitutes a recent act of the General Assembly within the meaning of G.S. 150B-21.1. The Environmental Management Commission may adopt temporary rules to implement this act until ~~1 January 1999.~~ 30 June 2000."

Section 17. Section 7 of S.L. 1997-392 reads as rewritten:

"Section 7. (a) Any person who undertakes assessment or remediation of dry-cleaning solvent contamination pursuant to ~~an~~ a notice of violation or enforcement action by the Department of ~~Environment, Health,~~ Environment and Natural Resources during the period beginning 1 October 1997 and ~~1 January 1999~~ ending 30 June 2000 may, on or after ~~1 January 1999~~ 30 June 2000 seek

reimbursement from the Dry-Cleaning Solvent Cleanup Fund for any costs exceeding fifty thousand dollars ($50,000). The Commission shall reimburse costs if it finds that the costs incurred were (i) appropriately documented and reasonably necessary to assess or remediate the dry-cleaning solvent contamination; (ii) for any of the activities described in subdivisions (1) through (7) of G.S. 143-215.104N(a); (iii) not subject to any of the limitations in subdivisions (4) ~~or (5)~~ through (9) of G.S. 143-215.104N(b); and (iv) not reimbursable from pollution and remediation legal liability insurance; and (v) required by a notice of violation or a specific order of the Department of ~~Environment, Health,~~ Environment and Natural Resources issued on or after 30 June 1996. No reimbursement may be paid pursuant to this section for dry-cleaning solvent contamination that did not result from operations at a dry-cleaning or wholesale distribution facility.

(b) Any person who, as of ~~1 January 1999,~~ 30 June 2000, is undertaking assessment or remediation of dry-cleaning solvent contamination shall be eligible to petition the Commission to enter into a dry-cleaning solvent assessment agreement or dry-cleaning solvent remediation agreement with respect to the contamination. In calculating the required financial contribution of parties to any agreement, the Commission shall determine the reasonable cost of any necessary unreimbursed assessment or remediation activity undertaken by the parties with respect to the contamination site prior to ~~1 January 1999~~ 30 June 2000 and shall credit the amount toward any applicable financial responsibility limits established in G.S. 143-215.104F."

Section 18. If any section or provision of this act is declared unconstitutional or invalid by the courts, the unconstitutional or invalid section or provision does not affect the validity of this act as a whole or any part of this act other than the part declared to be unconstitutional or invalid.

Section 19. Article 21A of Chapter 143 of the General Statutes is amended by adding a new section to read:

"**§ 143-215.104V. Dry-cleaning solvent reduction goals.**

It shall be the goal of the State of North Carolina to reduce the use of Perchloroethylene F-1,1,3 (PERC) by dry-cleaning facilities in accordance with the following schedule:

Percent Reduction in PERC	Reduction Deadline
10%	1 July 2004
25%	1 July 2009
50%	1 July 2014
100%	1 July 2019."

Section 20. G.S. 143-215.104U reads as rewritten:

"**§ 143-215.104U. (Repealed effective January 1, 2012) Reporting requirements.**

(a) The Secretary shall present an annual report to the Environmental Review Commission that shall include at least the following:

(1) A list of all dry-cleaning solvent contamination reported to the Department.

(2) A list of all facilities and abandoned sites certified by the Commission and the status of contamination associated with each facility or abandoned site.
(3) An estimate of the cost of assessment and remediation required in connection with facilities or abandoned sites certified by the Commission and an estimate of assessment and remediation costs expected to be paid from the Fund.
(4) A statement of receipts and disbursements for the Fund.
(5) A statement of all claims against the Fund, including claims paid, claims denied, pending claims, anticipated claims, and any other obligations.
(6) The adequacy of the Fund to carry out the purposes of this Part together with any recommendations as to measures that may be necessary to assure the continued solvency of the Fund.
(7) The progress of the State in attaining the goals of reducing the use of Perchloroethylene F-1,1,3 (PERC) as established in G.S. 143-215.104T.
(8) The cost and effectiveness of dry-cleaning technologies and chemicals that offer an alternative to the use of Perchloroethylene F-1,1,3 (PERC).

(b) The Secretary shall make the annual report required by this section on or before 1 October of each year."

Section 21. Sections 1 and 2 of this act become effective July 1, 2001. G.S. 105-164.44E and G.S. 143-215.104C(b)(4), as enacted by this act, are repealed on July 1, 2010. The remainder of this act is effective when it becomes law, and Sections 3 and 4 of this act apply retroactively to April 1, 1998.

HOUSE BILL 1326:
Dry-Cleaning Solvent Amendments

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Representative Gibson
Date:	July 6, 1999	**Summary by:**	Rick Zechini, Cindy Avrette Committee Counsel .
Version:	Proposed Committee Substitute		

SUMMARY: ***House Bill 1326 earmarks a percentage of the State sales and use taxes collected on dry-cleaning services to the Dry-Cleaning Solvent Fund, and amends the Dry-Cleaning Solvent Cleanup Act of 1997 by repealing the requirement of financial responsibility for dry-cleaning facilities, allowing the Environmental Management Commission, and by delegation the Department of Environment and Natural Resources, to enter into contracts for the cleanup of contamination resulting from dry-cleaning facilities, and making other changes to the Dry-Cleaning Solvent Cleanup Act of 1997.***

CURRENT LAW AND BACKGROUND: The Dry-Cleaning Solvent Cleanup Act of 1997 (Act) is designed to facilitate the cleanup of contamination at dry-cleaning facilities. The Act employs two monetary tools to assist parties in cleaning up contaminated dry-cleaning facilities:

1. Pollution and remediation legal liability insurance; and
2. The Dry-Cleaning Solvent Cleanup Fund (Fund).

It was thought that all dry-cleaners would be able to purchase this type of insurance, and thus the insurance would provide funds to assist in the cleanup of contaminated dry-cleaning facilities. There is an incentive to purchase this insurance because eligibility for reimbursement from the Fund is contingent on the owner of the dry-cleaning facility having satisfied the Act's financial responsibility requirement. The financial responsibility requirement is satisfied by establishing and maintaining financial responsibility for legal liability for dry-cleaning solvent contamination at the facility by either:

1. Obtaining pollution and remediation legal liability insurance for the facility with coverage limits not less than $1,000,000; or,
2. Depositing securities or an acceptable third-party bond in an amount not less than $1,000,000.

The type of insurance that the Act requires is not available, and therefore the Fund is the sole source of financial assistance available for cleaning up contaminated dry-cleaning facilities. The source of the revenue for the Fund is a tax on dry-cleaning solvent. Currently the Fund is receiving roughly $1,000,000 per year from the dry-cleaning solvent tax. After the applicable deductibles are meet, monies from the Fund may be used to reimburse an owner of a dry-cleaning facility for the costs the owner expends for cleanup. Because of the limited amount of monies in the Fund and the fact that the Fund is also the source of funding for the administration of the Dry-Cleaning Program, no monies from the Fund have been disbursed for cleaning up contaminated dry-cleaning facilities.

BILL ANALYSIS: House Bill 1326 earmarks a percentage of the State sales and use taxes collected on dry-cleaning services to the Dry-Cleaning Solvent Fund.

The amount to be transferred is as follows:

Fiscal Year	Percentage
2001-2002	15%
2002-2003	30%
2003-2004	45%
2004-2010	60%

The earmarking of State sales and use taxes collected on dry-cleaning services to the Dry-Cleaning Solvent Fund sunsets July 1, 2010. The bill **does not** affect the tax on dry-cleaning solvent and the revenue from the dry-cleaning solvent tax will continue to be credited to the Fund.

House Bill 1326 also amends the Act in the following ways:

- Repealing the requirement of financial responsibility for dry-cleaning facilities.
- Raising the level of the deductibles that have to be met before an owner of a dry-cleaning facility may access the Fund to pay for cleanup costs.
- Allowing the Dry-Cleaning Program to be a "State lead" program. This allows the Environmental Management Commission, and by delegation the Department of Environment and Natural Resources, to enter into contracts with environmental consultants for the cleanup of contaminated dry-cleaning facilities. Currently an owner of a dry-cleaning facility contracts with an environmental consultant to do the cleanup work and seeks reimbursement from the Fund.
- Establishing State goals for reducing the use of dry-cleaning solvent.
- Requiring the Department of Environment and Natural Resources to report to the Environmental Review Commission on the progress in attaining these goals and the possible alternatives to the use of dry-cleaning solvents.

HOUSE BILL 1326:
Dry-Cleaning Solvent Amendments

BILL ANALYSIS

Date:	July 6, 1999	**Summary by:**	Rick Zechini, Cindy Avrette
Version:	PCS for 1st Edition H1326-PCS1312		Committee Counsel

SUMMARY: ***House Bill 1326 earmarks a percentage of the State sales and use taxes collected on dry-cleaning services to the Dry-Cleaning Solvent Fund. It also amends the Dry-Cleaning Solvent Cleanup Act of 1997 in three ways:***

- ***It repeals the requirement of financial responsibility for dry-cleaning facilities.***
- ***It allows the Environmental Management Commission, and by delegation the Department of Environment and Natural Resources, to enter into contracts for the cleanup of contamination resulting from dry-cleaning facilities.***
- ***It makes other changes to the Dry-Cleaning Solvent Cleanup Act of 1997.***

CURRENT LAW AND BACKGROUND: The Dry-Cleaning Solvent Cleanup Act of 1997 (Act) is designed to facilitate the cleanup of contamination at dry-cleaning facilities. The Act employs two monetary tools to assist parties in cleaning up contaminated dry-cleaning facilities:

1. Pollution and remediation legal liability insurance; and
2. The Dry-Cleaning Solvent Cleanup Fund (Fund).

It was thought that all dry-cleaners would be able to purchase this type of insurance, and thus the insurance would provide funds to assist in the cleanup of contaminated dry-cleaning facilities. There is an incentive to purchase this insurance because eligibility for reimbursement from the Fund is contingent on the owner of the dry-cleaning facility having satisfied the Act's financial responsibility requirement. The financial responsibility requirement is satisfied by establishing and maintaining financial responsibility for legal liability for dry-cleaning solvent contamination at the facility by either:

1. Obtaining pollution and remediation legal liability insurance for the facility with coverage limits not less than $1,000,000; or,
2. Depositing securities or an acceptable third-party bond in an amount not less than $1,000,000.

The type of insurance that the Act requires is not available, and therefore the Fund is the sole source of financial assistance available for cleaning up contaminated dry-cleaning facilities. The source of the revenue for the Fund is a tax on dry-cleaning solvent. Currently the Fund is receiving roughly $1,000,000 per year from the dry-cleaning solvent tax. After the applicable deductibles are meet, monies from the Fund may be used to reimburse an owner of a dry-cleaning facility for the costs the owner expends for cleanup. Because of the limited amount of monies in the Fund and the fact that the Fund is also the

source of funding for the administration of the Dry-Cleaning Program, no monies from the Fund have been disbursed for cleaning up contaminated dry-cleaning facilities.

BILL ANALYSIS: House Bill 1326 earmarks a percentage of the State sales and use taxes collected on dry-cleaning services to the Dry-Cleaning Solvent Fund. The amount to be transferred is as follows:

Fiscal Year	Percentage
2001-2002	15%
2002-2003	30%
2003-2004	45%
2004-2010	60%

The earmarking of State sales and use taxes collected on dry-cleaning services to the Dry-Cleaning Solvent Fund sunsets July 1, 2010. The bill **does not** affect the tax on dry-cleaning solvent and the revenue from the dry-cleaning solvent tax will continue to be credited to the Fund.

House Bill 1326 also amends the Act in the following ways:

- Repealing the requirement of financial responsibility for dry-cleaning facilities.
- Raising the level of the deductibles that have to be met before an owner of a dry-cleaning facility may access the Fund to pay for cleanup costs.
- Allowing the Dry-Cleaning Program to be a "State lead" program. This allows the Environmental Management Commission, and by delegation the Department of Environment and Natural Resources, to enter into contracts with environmental consultants for the cleanup of contaminated dry-cleaning facilities. Currently an owner of a dry-cleaning facility contracts with an environmental consultant to do the cleanup work and seeks reimbursement from the Fund.
- Establishing State goals for reducing the use of dry-cleaning solvent.
- Requiring the Department of Environment and Natural Resources to report to the Environmental Review Commission on the progress in attaining these goals and the possible alternatives to the use of dry-cleaning solvents.

	FY 1999-00	FY 2000-01	FY 2001-02	FY 2002-03	FY 2003-04
REVENUES

Dry-Cleaning Solvent Cleanup Fund			$2,300,000	$4,600,000	$6,900,000

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue (DOR); Environmental Management Commission

EFFECTIVE DATE: Section 3 of the bill dealing with the transfer of sales tax is effective July 1, 2001.

BILL SUMMARY:
This fiscal memo looks only at the transfer of sales tax receipts from the General Fund to the Dry-Cleaning Solvent Cleanup Fund.

BACKGROUND:
A state sales tax of 4% and local sales tax of 2% is imposed on the gross receipts of businesses "operating a dry-cleaning, pressing, or hat blocking establishment, a laundry, or any similar business, engaged in the business of renting clean linen or towels or wearing apparel, or any similar business, or engaged in the business of soliciting cleaning, pressing, hat blocking, laundering or linen rental business for any of these businesses." A 1% sales tax with a $80 maximum is applied to sales of dry-cleaning and laundering machinery. Items used in the dry-

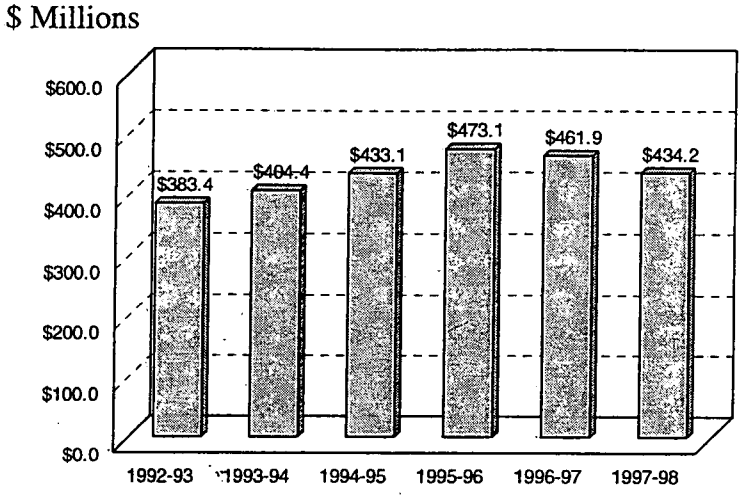
cleaning and laundering process such as starch, soap, cleaning fluids, hangers, and bags are exempted from sales and use tax.

ASSUMPTIONS AND METHODOLOGY:

REVENUE

The gross retail sales for laundries and dry cleaners have declined in recent years from a high of $473.1 million in 1995-96 to $434.3 million in 1997-98. Gross retail sales in the current fiscal year are on pace to finish at $431 million. This fiscal note will assume gross retail sales of $435 million a year with no growth.

GROSS RETAIL SALES FOR LAUNDRIES AND DRY CLEANERS



Gross retail sales includes both taxable and nontaxable sales reported on monthly and semimonthly sales and use tax returns. To estimate the impact of HB 1326, nontaxable sales must be removed from the equation. Dividing sales tax collection by 4%, then dividing that result by gross retail sales provides the percentage of taxable sales. From 1993 to 1999, the percentage of taxable sales ranged from 81.6% in FY 1996-97 to 90.3% in the first seven months of 1998-99 (see chart below). This fiscal memo will assume the midpoint of this range or 87.9%. If $435 million in gross retail sales of laundry and dry-cleaning services each year, then 87.9% or $382,365,000 in sales are taxable.

	Sales Tax Collected	Gross Retail Sales	Percent (%) Taxable
FY 1998-99	$ 9,075,796	$251,316,232	90.3%
FY 1997-98	$15,225,715	$434,290,844	87.6%
FY 1996-97	$15,085,579	$461,954,623	81.6%
FY 1995-96	$16,091,521	$473,132,389	85.0%
FY 1994-95	$15,234,188	$433,121,056	87.9%
FY 1993-94	$14,426,870	$404,433,777	89.2%
FY 1992-93	$13,689,558	$383,399,394	89.3%

A 4% state sales tax on $383.4 million in dry-cleaning, laundry and linen rental services is equal to $15.34 million. HB 1326 transfers a portion of these state sales tax receipts from dry cleaning and laundry services from the General Fund to the Dry-Cleaning Solvent Cleanup Fund as follows:

	% of Tax Transferred	Amount Transferred
FY 1999-00		
FY 2000-01		
FY 2001-02	15%	$2.3 million
FY 2002-03	30%	$4.6 million
FY 2003-04	45%	$6.9 million
FY 2004-05	60%	$9.2 million
FY 2005-06	60%	$9.2 million

HOUSE BILL 1340
Committee Substitute Favorable 6/23/99

Short Title: Respiratory Care Practice Act. (Public)

Sponsors:

Referred to:

April 26, 1999

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH THE RESPIRATORY CARE PRACTICE ACT.

The General Assembly of North Carolina enacts:

Section 1. Chapter 90 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 37.

"Respiratory Care Practice Act.

"**§ 90-646. Short title.**

This Article may be cited as the 'Respiratory Care Practice Act'.

"**§ 90-647. Purpose.**

The General Assembly finds that the practice of respiratory care in the State of North Carolina affects the public health, safety, and welfare and that the mandatory licensure of persons who engage in respiratory care is necessary to ensure a minimum standard of competency. It is the purpose and intent of this Article to protect the public from the unqualified practice of respiratory care and from unprofessional conduct by persons licensed pursuant to this Article.

"**§ 90-648. Definitions.**

The following definitions apply in this Article:

(1) Board. -- The North Carolina Respiratory Care Board.

(2) Diagnostic testing. -- Cardiopulmonary procedures and tests performed on the written order of a physician licensed under Article 1 of this Chapter that provide information to the physician to formulate a diagnosis of the patient's condition. The tests and

procedures may include pulmonary function testing, electrocardiograph testing, cardiac stress testing, and sleep related testing.

(3) Direct supervision. -- The authority and responsibility to direct the performance of activities as established by policies and procedures for safe and appropriate completion of services.

(4) Individual. -- A human being.

(5) License. -- A certificate issued by the Board recognizing the person named therein as having met the requirements to practice respiratory care as defined in this Article.

(6) Licensee. -- A person who has been issued a license under this Article.

(7) Medical director. -- An appointed physician who is licensed under Article 1 of this Chapter and a member of the entity's medical staff, and who is granted the authority and responsibility for assuring and establishing policies and procedures and that the provision of such is provided to the quality, safety, and appropriateness standards as recognized within the defined scope of practice for the entity.

(8) Person. -- An individual, corporation, partnership, association, unit of government, or other legal entity.

(9) Physician. -- A doctor of medicine licensed by the State of North Carolina in accordance with Article 1 of this Chapter.

(10) Practice of respiratory care. -- As defined by the written order of a physician licensed under Article 1 of this Chapter, the observing and monitoring of signs and symptoms, general behavior, and general physical response to respiratory care treatment and diagnostic testing, including the determination of whether such signs, symptoms, reactions, behavior, or general response exhibit abnormal characteristics, and the performance of diagnostic testing and therapeutic application of:

a. Medical gases, humidity, and aerosols including the maintenance of associated apparatus, except for the purpose of anesthesia.

b. Pharmacologic agents related to respiratory care procedures, including those agents necessary to perform hemodynamic monitoring.

c. Mechanical or physiological ventilatory support.

d. Cardiopulmonary resuscitation and maintenance of natural airways, the insertion and maintenance of artificial airways under the direct supervision of a recognized medical director in a health care environment which identifies these services within the scope of practice by the facility's governing board.

e. Hyperbaric oxygen therapy.
f. Nontraditional cardiopulmonary support techniques in appropriately identified environments and under the training and practice guidelines established by the appropriate professional associations.

The term also means the interpretation and implementation of a physician's written or verbal order pertaining to the acts described in this subdivision.

(11) Respiratory care. -- As defined by the written order of a physician licensed under Article 1 of Chapter 90, the treatment, management, diagnostic testing, and care of patients with deficiencies and abnormalities associated with the cardiopulmonary system.

(12) Respiratory care practitioner. -- A person who has been licensed by the Board to engage in the practice of respiratory care.

(13) Support activities. -- Procedures that do not require formal academic training, including the delivery, setup, and maintenance of apparatus. The term also includes giving instructions on the use, fitting, and application of apparatus, but does not include therapeutic evaluation and assessment.

"**§ 90-649. North Carolina Respiratory Care Board; creation.**

(a) The North Carolina Respiratory Care Board is created. The Board shall consist of nine members as follows:

(1) Two members shall be respiratory care practitioners.
(2) Three members shall be physicians licensed to practice in North Carolina, and whose primary practice is Pulmonology, Anesthesiology, Critical Care Medicine, or whose specialty is Cardiothoracic Disorders.
(3) One member shall represent the NCHA.
(4) One member shall represent the North Carolina Association of Medical Equipment Services.
(5) Two members shall represent the public at large.

(b) Members of the Board shall be citizens of the United States and residents of this State. The respiratory care practitioner members shall have practiced respiratory care for at least five years and shall be licensed under this Article. The public members shall not be: (i) a respiratory care practitioner, (ii) an agent or employee of a person engaged in the profession of respiratory care, (iii) a health care professional licensed under this Chapter or a person enrolled in a program to become a licensed health care professional, (iv) an agent or employee of a health care institution, a health care insurer, or a health care professional school, (v) a member of an allied health profession or a person enrolled in a program to become a member of an allied health profession, or (vi) a spouse of an individual who may not serve as a public member of the Board.

"**§ 90-650. Appointments and removal of Board members; terms and compensation.**

(a) The members of the Board shall be appointed as follows:

(1) The Governor shall appoint the public members described in G.S. 90-649(a)(5).

(2) The General Assembly, upon the recommendation of the Speaker of the House of Representatives, shall appoint one of the respiratory care practitioner members described in G.S. 90-649(a)(1) and one of the physician members described in G.S. 90-649(a)(2) in accordance with G.S. 120-121.

(3) The General Assembly, upon the recommendation of the President Pro Tempore of the Senate, shall appoint one of the respiratory care practitioner members described in G.S. 90-649(a)(1) and one of the physician members described in G.S. 90-649(a)(2) in accordance with G.S. 120-121.

(4) The North Carolina Medical Society shall appoint one of the physician members described in G.S. 90-649(a)(2).

(5) The North Carolina Hospital Association shall appoint the member described in G.S. 90-649(a)(3).

(6) The North Carolina Association of Medical Equipment Services shall appoint the member described in G.S. 90-649(a)(4).

(b) Members of the Board shall take office on the first day of July immediately following the expired term of that office and shall serve for a term of three years and until their successors are appointed and qualified. No member shall serve on the Board for more than two consecutive terms.

(c) The Governor may remove members of the Board, after notice and an opportunity for hearing, for incompetence, neglect of duty, unprofessional conduct, conviction of any felony, failure to meet the qualifications of this Article, or committing any act prohibited by this Article.

(d) Any vacancy shall be filled by the authority originally filling that position, except that any vacancy in appointments by the General Assembly shall be filled in accordance with G.S. 120-122. Appointees to fill vacancies shall serve the remainder of the unexpired term and until their successors have been duly appointed and qualified.

(e) Members of the Board shall receive no compensation for their services but shall be entitled to travel, per diem, and other expenses authorized by G.S. 93B-5.

(f) Individual members shall be immune from civil liability arising from activities performed within the scope of their official duties.

"**§ 90-651. Election of officers; meetings of the Board.**

(a) The Board shall elect a chair and a vice-chair who shall hold office according to rules adopted pursuant to this Article, except that all officers shall be elected annually by the Board for one-year terms and shall serve until their successors are elected and qualified.

(b) The Board shall hold at least two regular meetings each year as provided by rules adopted pursuant to this Article. The Board may hold additional meetings

upon the call of the chair or any two Board members. A majority of the Board membership shall constitute a quorum.

"**§ 90-652. Powers and duties of the Board.**

The Board shall have the power and duty to:

(1) Determine the qualifications and fitness of applicants for licensure, renewal of licensure, and reciprocal licensure.

(2) Establish and adopt rules necessary to conduct its business, carry out its duties, and administer this Article.

(3) Adopt and publish a code of ethics.

(4) Deny, issue, suspend, revoke, and renew licenses in accordance with this Article.

(5) Conduct investigations, subpoena individuals and records, and do all other things necessary and proper to discipline persons licensed under this Article and to enforce this Article.

(6) Employ professional, clerical, investigative, or special personnel necessary to carry out the provisions of this Article and purchase or rent office space, equipment, and supplies.

(7) Adopt a seal by which it shall authenticate its proceedings, official records, and licenses.

(8) Conduct administrative hearings in accordance with Article 3A of Chapter 150B of the General Statutes.

(9) Establish certain reasonable fees as authorized by this Article for applications for examination, licensure, provisional licensure, renewal of licensure, and other services provided by the Board.

(10) Submit an annual report to the North Carolina Medical Board, the North Carolina Hospital Association, the North Carolina Society of Respiratory Care, the Governor, and the General Assembly of all the Board's official actions during the preceding year, together with any recommendations and findings regarding improvements of the practice of respiratory care.

(11) Publish and make available upon request the licensure standards prescribed under this Article and all rules adopted pursuant to this Article.

(12) Request and receive the assistance of State educational institutions or other State agencies.

(13) Establish and approve continuing education requirements for persons seeking licensure under this Article.

"**§ 90-653. Licensure requirements; examination.**

(a) Each applicant for licensure under this Article shall meet the following requirements:

(1) Submit a completed application as required by the Board.

(2) Submit any fees required by the Board.

(3) Submit to the Board written evidence, verified by oath, that the applicant has successfully completed the minimal requirements of a

respiratory care education program as approved by the Commission for Accreditation of Allied Health Educational Programs.

(4) Submit to the Board written evidence, verified by oath, that the applicant has successfully completed the minimal requirements for Basic Cardiac Life Support as recognized by the American Heart Association.

(5) Pass the entry-level examination given by the National Board for Respiratory Care, Inc.

(b) At least three times each year, the Board shall cause the examination required in subdivision (5) of subsection (a) of this section to be given to applicants at a time and place to be announced by the Board. Any applicant who fails to pass the first examination may take additional examinations in accordance with rules adopted pursuant to this Article.

"§ 90-654. Exemption from certain requirements.

(a) The Board may issue a license to an applicant who, as of October 1, 1999, has passed the entry-level examination given by the National Board for Respiratory Care, Inc. An applicant applying for licensure under this subsection shall submit his or her application to the Board before October 1, 2001.

(b) The Board may grant a temporary license to an applicant who, as of October 1, 1999, does not meet the qualifications of G.S. 90-653 but, through written evidence verified by oath, demonstrates that he or she is performing the duties of a respiratory care practitioner within the State. The temporary license is valid until October 1, 2000, within which time the applicant shall be required to complete the requirements of G.S. 90-653(a)(5). A license granted under this subsection shall contain an endorsement indicating that the license is temporary and shall state the date the license was granted and the date it expires.

"§ 90-655. Licensure by reciprocity.

The Board may grant, upon application and the payment of proper fees, a license to a person who, at the time of application holds a valid license, certificate, or registration as a respiratory care practitioner issued by another state or a political territory or jurisdiction acceptable to the Board if, in the Board's determination, the requirements for that license, certificate, or registration are substantially the same as the requirements for licensure under this Article.

"§ 90-656. Provisional license.

The Board may grant a provisional license for a period not exceeding 12 months to any applicant who has successfully completed the education requirements under G.S. 90-653(a)(3) and has made application to take the examination required under G.S. 90-653(a)(5). A provisional license allows the individual to practice respiratory care under the supervision of a respiratory care practitioner and in accordance with rules adopted pursuant to this Article. A license granted under this section shall contain an endorsement indicating that the license is provisional and stating the terms and conditions of its use by the licensee and shall state the date the license was granted and the date it expires.

"§ 90-657. Notification of applicant following evaluation of application.

After evaluation of the application and of any other evidence required from the applicant by the Board, the Board shall notify each applicant that the application and evidence submitted are satisfactory and accepted or unsatisfactory and rejected. If the application and evidence is rejected, the notice shall state the reasons for the rejection.

"§ 90-658. License as property of the Board; display requirement; renewal; inactive status.

(a) A license issued by the Board is the property of the Board and shall be surrendered by the licensee to the Board on demand.

(b) The licensee shall display the license in the manner prescribed by the Board.

(c) The licensee shall inform the Board of any change of the licensee's address.

(d) The license shall be renewed by the Board annually upon the payment of a renewal fee if, at the time of application for renewal, the applicant is not in violation of this Article and has fulfilled the current requirements regarding continuing education as established by rules adopted pursuant to this Article.

(e) The Board shall notify a licensee at least 30 days in advance of the expiration of his or her license. Each licensee is responsible for renewing his or her license before the expiration date. Licenses that are not renewed automatically lapse.

(f) The Board may provide for the late renewal of an automatically lapsed license upon the payment of a late fee. No late fee renewal may be granted more than five years after a license expires.

(g) In accordance with rules adopted pursuant to this Article, a licensee may request that his or her license be declared inactive and may thereafter apply for active status.

"§ 90-659. Suspension, revocation, and refusal to renew a license.

(a) The Board shall take the necessary actions to deny or refuse to renew a license, suspend or revoke a license, or to impose probationary conditions on a licensee or applicant if the licensee or applicant:

(1) Has engaged in any of the following conduct:

a. Employed fraud, deceit, or misrepresentation in obtaining or attempting to obtain a license or the renewal of a license.

b. Committed an act of malpractice, gross negligence, or incompetence in the practice of respiratory care.

c. Practiced respiratory care without a license.

d. Engaged in health care practices that are determined to be hazardous to public health, safety, or welfare.

(2) Was convicted of or entered a plea of guilty or nolo contendere to any crime involving moral turpitude.

(3) Was adjudicated insane or incompetent, until proof of recovery from the condition can be established.

(4) Engaged in any act or practice that violates any of the provisions of this Article or any rule adopted pursuant to this Article, or aided, abetted, or assisted any person in such a violation.

(b) Denial, refusal to renew, suspension, or revocation of a license, or imposition of probationary conditions upon a licensee may be ordered by the Board after a hearing held in accordance with Article 3A of Chapter 150B of the General Statutes and rules adopted pursuant to this Article. An application may be made to the Board for reinstatement of a revoked license if the revocation has been in effect for at least one year.

"§ 90-660. Expenses; fees.

(a) All salaries, compensation, and expenses incurred or allowed for carrying out the purposes of this Article shall be paid by the Board exclusively out of the fees received by the Board as authorized by this Article or funds received from other sources. In no case shall any salary, expense, or other obligations of the Board be charged against the State.

(b) All monies received by the Board pursuant to this Article shall be deposited in an account for the Board and shall be used for the administration and implementation of this Article. The Board shall establish fees in amounts to cover the cost of services rendered for the following purposes:

(1) For an initial application, a fee not to exceed twenty-five dollars ($25.00).

(2) For examination or reexamination, a fee not to exceed one hundred fifty dollars ($150.00).

(3) For issuance of any license, a fee not to exceed one hundred dollars ($100.00).

(4) For the renewal of any license, a fee not to exceed fifty dollars ($50.00).

(5) For the late renewal of any license, an additional late fee not to exceed fifty dollars ($50.00).

(6) For a license with a provisional or temporary endorsement, a fee not to exceed thirty-five dollars ($35.00).

(7) For copies of rules adopted pursuant to this Article and licensure standards, charges not exceeding the actual cost of printing and mailing.

"§ 90-661. Requirement of license.

After October 1, 2000, it shall be unlawful for any person who is not currently licensed under this Article to:

(1) Engage in the practice of respiratory care.

(2) Use the title 'respiratory care practitioner'.

(3) Use the letters 'RCP', 'RTT', 'RT', or any facsimile or combination in any words, letters, abbreviations, or insignia.

(4) Imply orally or in writing or indicate in any way that the person is a respiratory care practitioner or is otherwise licensed under this Article.

(5) Employ or solicit for employment unlicensed persons to practice respiratory care.

"§ 90-662. Violation a misdemeanor.

Any person who violates any provision of this Article shall be guilty of a Class 1 misdemeanor.

"**§ 90-663. Injunctions.**

The Board may apply to the superior court for an order enjoining violations of this Article, and upon a showing by the Board that any person has violated or is about to violate this Article, the court may grant an injunction or restraining order or take other appropriate action.

"**§ 90-664. Persons and practices not affected.**

The requirements of this Article shall not apply to:

(1) Any person registered, certified, credentialed, or licensed to engage in another profession or occupation or any person working under the supervision of a person registered, certified, credentialed, or licensed to engage in another profession or occupation in this State who is performing work incidental to the practice of that profession or occupation and does not represent himself or herself as a respiratory care practitioner.

(2) A student or trainee working under the direct supervision of a respiratory care practitioner while fulfilling an experience requirement or pursuing a course of study to meet requirements for licensure in accordance with rules adopted pursuant to this Article.

(3) A respiratory care practitioner serving in the armed forces or the Public Health Service of the United States or employed by the Veterans Administration when performing duties associated with that service or employment.

(4) A person aiding in the practice of respiratory care, in accordance with rules adopted pursuant to this Article, if the person works under the direct supervision of a respiratory care practitioner or on the order of or under the direct supervision of a physician licensed under Article 1 of this Chapter and performs only support activities as defined in G.S. 90-648(12).

"**§ 90-665. Third-party reimbursement.**

Nothing in this Article shall be construed to require direct third-party reimbursements to persons licensed under this Article."

Section 2. G.S. 120-123 is amended by adding a new subdivision to read:

"(70) The North Carolina Respiratory Care Board as created by Article 37 of Chapter 90 of the General Statutes."

Section 3. The initial appointments to the North Carolina Respiratory Care Board, created in G.S. 90-649, as enacted in Section 1 of this act, shall be appointed no later than October 1, 1999. Notwithstanding the provisions of G.S. 90-649(b), as enacted in Section 1 of this act, the initial members of the North Carolina Respiratory Care Board who are appointed pursuant to G.S. 90-649(a)(1) shall be licensed under Article 37 of Chapter 90 of the General Statutes, as enacted in Section 1 of this act, no later than June 30, 2000, and, until October 1, 2004, must have

passed the entry-level examination administered by the National Board for Respiratory Care, Inc. Notwithstanding the provisions of G.S. 90-650(b), as enacted in Section 1 of this act, of the initial appointments to the North Carolina Respiratory Care Board, one of the members appointed by the General Assembly, upon the recommendation of the Speaker of the House of Representatives, and one of the members appointed by the General Assembly, upon the recommendation of the President Pro Tempore of the Senate, shall be appointed for three-year terms; one of the members appointed by the General Assembly, upon the recommendation of the Speaker of the House of Representatives, and one of the members appointed by the General Assembly, upon the recommendation of the President Pro Tempore of the Senate, shall be appointed for two-year terms; the public member appointed by the Governor shall be appointed for a one-year term; the physician member appointed by the North Carolina Medical Society shall be appointed for a one-year term; and the members appointed by the North Carolina Hospital Association and the North Carolina Association of Medical Equipment Services shall be appointed for one-year terms.

Section 4. This act is effective when it becomes law.

HOUSE BILL 1340:
Respiratory Care Practice Act

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Representative Tolson
Date:	July 6, 1999	**Summary by:**	Mary Shuping
Version:	2nd Edition		Research Assistant

SUMMARY: ***House Bill 1340 establishes the Respiratory Care Practice Act for the purpose of licensing respiratory care practitioners. The bill sets up the Respiratory Care Board, establishes licensure requirements, provides for the denial, suspension, and revocation of licenses, establishes fees, provides that a violation is a Class 1 misdemeanor, and exempts certain persons and practices from licensure.***

House Bill 1340 was given a favorable assessment report by the Legislative Committee on New Licensing Boards.

CURRENT LAW: Under current law, respiratory care practitioners are not regulated. The North Carolina Society for Respiratory Care (NCSRC) promotes a voluntary certification and registration of respiratory care practitioners by the National Board of Respiratory Care. Currently, there are approximately 2,800 respiratory care practitioners in North Carolina (*Respiratory Care Questionnaire for the Legislative Committee on New Licensing Boards,* May 1999).

BILL ANALYSIS: Following is a summary of the Respiratory Care Practice Act.

G.S. 90-648. Definitions. ***(page 1, line 17 – page 3, line 20)*** Sets forth the definitions applicable in the Article, including the "practice of respiratory care" *(p. 2, line 24)* which are procedures that may be performed by a licensed respiratory care practitioner, and "support activities" *(p. 3, line 16)* which are procedures that do not require licensure.

G.S. 90-649 – G.S. 90-652. Respiratory Care Board. ***(page 3, line 21 – page 5, line 37)*** These sections establish the North Carolina Respiratory Care Board.

Membership. *(page 3, lines 21 – 43)* The Board will consist of nine members, as follows:

- 2 respiratory care practitioners – 1 appointed by the President Pro Tempore of the Senate, and 1 appointed by the Speaker of the House.
- 3 physicians whose primary practice is Plumonology, Anesthesiology, Critical Care Medicine, or Cardiothoracic Disorders – 1 appointed by the President Pro Tempore of the Senate, 1 appointed by the Speaker of the House, and 1 appointed by the NC Medical Society.
- 1 member of the Hospital Association, appointed by the Association.
- 1 member of the North Carolina Association of Medical Equipment Services, appointed by the Association
- 2 members of the public who are not medical professionals, appointed by the Governor.

This section also provides for terms, removal, vacancies, meetings and election of officers, and that members are immune from civil liability while arising from activities performed within the scope of their official duties.

Powers and Duties. *(page 5, lines 3 – 37)* This section authorizes the Board to:

- Determine the qualifications and fitness of applicants for licensure.
- Deny, suspend, revoke, and renew licenses.
- Conduct investigations, subpoena individuals and records in conducting disciplinary proceedings.
- Establish fees, in accordance with G.S. 90-660.
- Submit an annual report to the NC Medical Board, the NC Hospital Association, the NC Society of Respiratory Care, the Governor, and the General Assembly.
- Establish and approve continuing education requirements.

G.S. 90-653. Licensure. ***(page 5, line 38 – page 7, line 25)*** These sections set forth licensure requirements, certain exemptions, and reciprocity and provisional licensure requirements.

Licensure Requirements. *(page 5, line 38 – page 6, line 14)*. Applicants for licensure as respiratory care practitioners must:

- Submit a completed application
- Pay the required fees.
- Submit written evidence, verified by oath, that the applicant has successfully completed the minimal requirements for
  1. A respiratory care education program approved by the Commission for Accreditation of Allied Health Educational Programs; and,
  2. Basic Cardiac Life Support as recognized by the American Heart Association.
- Pass the entry-level exam given by the National Board for Respiratory Care, Inc.

Exemption from Certain Requirements. *(page 6, lines 15 – 27)* The Board may issue a license to an applicant who, as of October 1, 1999, has passed the entry-level exam. The applicant must submit the application for licensure before October 1, 2001.

The board may grant a temporary license to an applicant who, as of October 1, 1999, does not meet the qualifications for licensure, but has demonstrated through written evidence, verified by oath, that the applicant is performing the duties of a respiratory care practitioner. The temporary license is valid until October 1, 2000, and the applicant must pass the entry-level exam by that date.

Reciprocity. *(page 6, lines 28 – 34)* This section provides that a person licensed in another state may obtain licensure in North Carolina provided that the requirements for licensure in the other state are substantially the same as in North Carolina.

Provisional License. *(page 6, lines 35 – 44)* An applicant may receive a provisional license for up to 12 months if the applicant has successfully completed the respiratory care education program approved by the Commission for Accreditation of Allied Health Educational Programs, and has applied to take the

entry-level exam given by the National Board for Respiratory Care. A provisional license allows the person to practice only under the supervision of a licensed respiratory care practitioner.

G.S. 90-659. Disciplinary Procedures. ***(page 7, line 26 – page 8, line 6)*** The Board may deny, refuse to renew, revoke, or suspend a license, or impose probationary conditions if the person:

- Engaged in fraud, deceit, misrepresentation in obtaining a license;
- Committed an act of malpractice, gross negligence, or incompetence.
- Practiced without a license.
- Engaged in health care practices that are determined to be hazardous to the public.
- Was convicted or pleaded no contest to a crime involving moral turpitude.
- Was adjudicated insane or incompetent, until proof of recovery can be established.
- Violated any of the provisions of the Respiratory Care Practice Act.

G.S. 90-660. Fees. ***(page 8, lines 7 – 31)*** This section establishes the following maximum fees.

TYPE OF FEE	MAXIMUM FEE AMOUNT
Initial application	$25.00
Examination or Reexamination	$150.00
Issuance of License	$100.00
Renewal of License (annually)	$50.00
Late Renewal (additional fee)	$50.00
Provisional or Temporary License	$35.00
Copies of Board Rules, etc	Actual Cost

G.S. 90-661. License Required. ***(page 8, lines 32 – 43)*** As of October 1, 2000, it will be unlawful for anyone to practice respiratory care, use the title of "respiratory care practitioner", or employ unlicensed persons to practice respiratory care.

G.S. 90-662. Violation. ***(page 8, line 44 – page 9, line 2)*** Violation of the Respiratory Care Practice Act is a Class 1 misdemeanor.

G.S. 90-664. Exemptions from Licensure. ***(page 9, lines 8 – 31)*** Licensure requirements do *not* apply to the following:

- Any person who is registered, certified, credentialed, or licensed to engage in another profession or occupation, or any person working under the supervision of that person who is performing work incidental to the practice of respiratory care and does not represent himself or herself as a respiratory care practitioner.

- A student or trainee working under the direct supervision of a respiratory care practitioner while fulfilling requirements of the course of study.

- A person serving in the armed forces or the Public Health Service of the United States or employed by the Veterans Administration when performing duties associated with that service or employment.

- A person aiding in the practice of respiratory care, working under the supervision of a respiratory care practitioner, or physician, and who performs only support activities (procedures that do not require formal academic training, including the delivery, setup and maintenance of equipment.)

G.S. 90-665. Third Party Reimbursement. ***(page 9, lines 32 – 34)*** This section provides that the Respiratory Care Practice Act does not authorize respiratory care practitioners to bill directly for third-party reimbursement.

Section 2 ***(page 9, lines 35 – 37)*** provides that no member of the General Assembly may serve on the Board.

Section 3 ***(page 9, line 38 – page 10, line 16)*** sets up the initial terms of appointment to the Board.

EFFECTIVE DATE: The act is effective when it becomes law.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: North Carolina Respiratory Care Board

EFFECTIVE DATE: This act is effective when it becomes law.

BILL SUMMARY:

This bill establishes the Respiratory Care Practice Act. It creates an eight member NC Respiratory Care Board with powers and duties that include determining qualifications and fitness of applicants for licensure, renewal of licensure, reciprocal licensure, and suspension, revocation, and refusal to renew license. Provides that after Oct. 1, 2000, it is unlawful for person to engage in practice of respiratory care without license. The bill sets the following maximum fees: (1) initial application, $25; (2) examination or reexamination, $150; (3) issuance of license, $100; (4) renewal of license, $50; (5) late renewal of license, $50; and (6) license with provisional or temporary endorsement, $35. Violation of any provision of Article is a Class 1 misdemeanor.

ASSUMPTIONS AND METHODOLOGY:

The North Carolina Society for Respiratory Care identified approximately 2,100 respiratory care practitioners in North Carolina in 1995. This number has grown to 2,300 in 1999 based on 1) the state's Community College System graduates approximately 110 respiratory care students each year, and 2) it is estimated that 60 respiratory care professionals retire or leave the profession each year. This net gain of 50 respiratory care professionals is expected to continue into the near future.

The chart below estimates the number of applications, licenses, license endorsements, and license renewals handled by the new North Carolina Respiratory Care Board each fiscal year.

	FY 99-00	FY 00-01	FY 01-02	FY 02-03	FY 03-04
Applications	2,300	110	110	110	110
Initial Licenses	2,300	110	110	110	110
Temporary Endorsements	575				
License Renewal		2,240	2,290	2,340	2,390

This fiscal note assumes that the Board will be appointed during FY 1999-00 and that Board staff will be hired in time to receive applications and issue licenses to 2300 current respiratory care practitioners in the state in FY 1999-00. Approximately 75% of the current professionals have passed an exam given by the National Board for Respiratory Care (NBRC) and will be issued a license. The remaining 25% of existing professionals will receive a license with a temporary endorsement until they complete the NBRC exam. Since the NBRC exam is given in March, July and November, it is assumed that this group will take the exam in July 2000 to meet the October 2000 deadline. Future year license renewal assumes an attrition rate of 60 professionals each year and increase of 110 new applicants from the Community Colleges.

The next chart shows the anticipated revenue from the proposed fees. Respiratory care practitioners will pay a $25 application fee and a $100 license fee in their first year in the program. The annual license renewal fee is $50. A respiratory care practitioner that has not passed the NBRC exam must pay $25 application fee, a $100 license fee, and a $35 temporary endorsement fee. The fee for the NBRC exam is $150 and goes directly to the national board and is not kept by the state board. This exam is already given to all those graduating from Community College respiratory care programs.

	FY 99-00	FY 00-01	FY 01-02	FY 02-03	FY 03-04
Applications ($25)	$57,500	$2,750	$2,750	$2,750	$2,750
Initial Licenses ($100)	$230,000	$11,000	$11,000	$11,000	$11,000
Temporary Endorsement ($35)	$20,125				
License Renewal ($50)		$112,000	$114,500	$117,000	$119,500
Total Fee Revenue	$307,625	$125,750	$128,250	$130,750	$133,250

TECHNICAL CONSIDERATIONS:
GS 90-660(b) (2) does not identify the $150 exam fee as the cost of the exam given by the National Board for Respiratory Care (NBRC).

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR WITHHOLDING OF NORTH CAROLINA INCOME TAXES FROM TAXABLE PENSIONS, ANNUITIES, AND DEFERRED COMPENSATION.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-163.1 is amended by adding two new subdivisions to read:

"(11a) Pension payer. -- A payor or a plan administrator with respect to a pension payment under section 3405 of the Code.

(11b) Pension payment. -- A periodic payment or a nonperiodic distribution that is not an eligible rollover distribution, as defined in section 3405 of the Code."

Section 2. G.S. 105-163.1(14) reads as rewritten:

"(14) Withholding agent. -- An ~~employer~~ employer, a pension payer, or a payer."

Section 3. Article 4A of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-163.2A. Pension payers must withhold taxes.**

(a) Definitions. -- The definitions provided in section 3405 of the Code apply in this section.

(b) Withholding Required. -- A pension payer required to withhold federal taxes under section 3405 of the Code on a pension payment to a resident of this State must deduct and withhold from the payment the State income taxes payable on the

payment. Liability for withholding and paying taxes under this section on a pension payment falls on the person who would be liable under section 3405 of the Code for withholding federal taxes on the payment.

Except as otherwise provided in this section, the provisions of this Article apply to a pension payer's pension payment to a resident of this State as if it were an employer's payment of wages to an employee. If a pension payer has more than one arrangement under which it may make pension payments to a resident of this State, each arrangement must be treated separately under this section.

(c) Amount. -- In the case of a periodic payment, the pension payer must withhold the amount that would be required to be withheld under this Article if the payment were a payment of wages by an employer to an employee for the appropriate payroll period. If the recipient of periodic payments fails to file an exemption certificate under G.S. 105-163.5, the pension payer must compute the amount to be withheld as if the recipient were a married individual claiming three withholding exemptions.

In the case of a nonperiodic distribution, the pension payer must withhold taxes equal to four percent (4%) of the nonperiodic distribution.

(d) Election of No Withholding. -- The recipient may elect not to have taxes withheld under this section. The election must be in the form required by the Secretary. In the case of periodic payments, the election remains in effect until revoked by the recipient. In the case of a nonperiodic distribution, the election applies on a distribution-by-distribution basis unless it meets conditions prescribed by the Secretary for it to apply to subsequent nonperiodic distributions by the pension payer.

A pension payer must notify each recipient of the right to elect not to have taxes withheld under this section. The notice must comply with the requirements of section 3405 of the Code and any additional requirements prescribed by the Secretary.

A recipient's election not to have taxes withheld under this section is void if the recipient fails to furnish the recipient's tax identification number to the pension payer, or the Secretary has notified the pension payer that the tax identification number furnished by the recipient is incorrect.

(e) Exemptions. -- This section does not apply to the following pension payments:

(1) A pension payment that is wages under this Article.

(2) Any portion of a pension payment that meets both of the following conditions:

a. It is not a distribution or payment from an individual retirement plan as defined in section 7701 of the Code.

b. The pension payer reasonably believes it is not taxable to the recipient under Article 4 of this Chapter.

(3) A distribution described in section 404(k)(2) of the Code, relating to dividends on corporate securities.

(4) A pension payment that consists only of securities of the recipient's employer corporation plus cash not in excess of two

hundred dollars ($200.00) in lieu of securities of the employer corporation."

Section 4. This act becomes effective January 1, 2001.

(3) A distribution described in section 404(k)(2) of the Code, relating to dividends on corporate securities.

(4) A pension payment that consists only of securities of the recipient's employer corporation plus cash not in excess of two hundred dollars ($200.00) in lieu of securities of the employer corporation."

Section 4. This act becomes effective January 1, 2001.

HOUSE BILL 1466:
Pension Tax Withholding

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Cansler
Date:	July 6, 1999	**Summary by:**	Cindy Avrette
Version:	1st Edition		Committee Counsel

SUMMARY: House Bill 1466 requires a person paying pensions, annuities, and deferred compensation to withhold North Carolina individual income tax from the payments unless the recipient elects not to have the tax withheld. The bill becomes effective January 1, 2001.

CURRENT LAW: As a general rule, retirement income is not considered wages for income tax purposes. Under federal law, withholding is required on pensions, annuities, and certain deferred income, including IRAs. However, North Carolina does not piggyback this aspect of federal withholding law. Individuals whose income is not subject to withholding must estimate their income tax liability each year and pay the tax in four installments.

The Department of Revenue does allow voluntary withholding by employers. The holder of an IRA, although not an employer, may also enter into a voluntary withholding agreement. The voluntary agreements are optional – the payee can refuse to do it. Also, if the payer withholds the tax but does not pay it to the Department of Revenue, the taxpayer's only recourse is against the payer. The Department cannot credit the taxpayer and pursue the payer.

BILL ANALYSIS: House Bill 1466 provides that a pension payer required to withhold federal income tax on a pension payment to a resident of North Carolina must also withhold State income tax. A recipient may elect to not have tax withheld from the pension payment. The pension payer must notify each recipient of the right to elect not to have tax withheld.

In the case of periodic payments, the pension payer must withhold as if the recipient were a married person with three exemptions, unless the recipient provides an exemption certificate reflecting a different filing status or number of exemptions. For a non-periodic payment, the pension payer must withhold 4% of the payment. A pension payer who fails to withhold or remit the tax that is withheld is liable for the tax.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue

EFFECTIVE DATE: This act becomes effective January 1, 2001.

BILL SUMMARY:
The bill provides that a pension payer required to withhold federal taxes on a pension payment to a North Carolina resident must withhold state taxes on a pension payment, annuity, or deferred compensation unless the recipient elects not to withhold.

BACKGROUND:
Under current law, an employer or pension payer may enter into a voluntary agreement to withhold North Carolina tax on pensions or other income not requiring withholding. However, because the agreement is voluntary, the Department of Revenue may not pursue the pension payer for tax it withholds but does not remit. If the pension payer does not remit the tax to the Department of Revenue, then the retiree or pension recipient is not allowed credit against his tax liability for the tax withheld.

ASSUMPTIONS AND METHODOLOGY:
This bill does not apply to federal, state and local retirees with 5 years creditable service as of August 12, 1989. These groups are exempt from state income tax due to a court decision in the Bailey, Emory, and Patton lawsuits. Instead the bill will help the estimated 280,000 private sector

retirees in the state with pension income (estimate by Fiscal Research Division using Current Population Survey).

The Internal Revenue Service (IRS) does not know how many taxpayers have federal income tax withheld from their pension payment, annuity, or deferred compensation. When a company submits withheld income taxes, it does not separately account for current and former employees. Similarly, the North Carolina Department of Revenue has no data on the number of taxpayers that have chosen voluntary withholding of their pension payment, annuity, or deferred compensation. Without state and federal tax data, no estimate can be made on the General Fund impact of HB 1466. It can be assumed that the state General Fund could gain interest on funds that are withheld monthly instead of submitted quarterly in estimated payments. Unfortunately, the extent of this gain cannot be quantified.

SESSION 1999

H 1

HOUSE BILL 1471

Short Title: Adjust Highway Bond Maturity. (Public)

Sponsors: Representative Crawford.

Referred to: Finance.

May 13, 1999

A BILL TO BE ENTITLED

AN ACT TO ADJUST THE MATURITY DATE OF THE 1996 HIGHWAY BONDS TO REFLECT A CHANGE IN THE ESTIMATED COMPLETION DATE OF HIGHWAY TRUST FUND PROJECTS.

The General Assembly of North Carolina enacts:

Section 1. The General Assembly finds that:

(1) The State Highway Bond Act of 1996 provided, subject to a vote of the qualified voters of the State, for the issuance of nine hundred fifty million dollars ($950,000,000) general obligation bonds of the State for certain highway purposes.

(2) These bonds were approved by the voters.

(3) The State Highway Bond Act of 1996 stated that the bonds could be used to expedite the completion of certain highway projects that would otherwise be funded from the Highway Trust Fund only when sufficient revenues were generated.

(4) The State Highway Bond Act of 1996 also stated the intent of the General Assembly that the debt service on the bonds be paid for with the revenues that would otherwise be deposited to the Highway Trust Fund to fund highway construction.

(5) The State Highway Bond Act of 1996 recognized that these revenues would be available only until the Highway Trust Fund sunset upon completion of the highway construction it funds, estimated to occur at the end of 2013, and thus required that the bonds must mature not later than that date.

(6) Since 1996, it has been determined that the Highway Trust Fund construction projects will not be completed by 2013 but instead could take until at least 2020.

(7) Accordingly, the 2013 deadline set for the maturity of the highway bonds is no longer appropriate, and should be extended to the current estimated date for completion of Highway Trust Fund projects, which is 2020.

Section 2. Section 2(b) of Chapter 590 of the 1995 Session Laws (1996) reads as rewritten:

"(b) Findings and determinations. -- The General Assembly finds that:

(1) Pursuant to Chapter 692 of the 1989 Session Laws, the General Assembly created the Highway Trust Fund, provided for revenues to be deposited to the Highway Trust Fund, and designated how the revenues may be expended.

(2) As contemplated by Chapter 692, highway construction to be funded from the Highway Trust Fund is funded on a "pay-as-you-go" basis, with highway construction proceeding based upon the amount of funds to be available to pay the costs of the construction on a current basis, and this highway construction is expected to be completed and funded by December 31, ~~2013.~~ 2020.

(3) Providing funds from the proceeds of bonds as authorized in this act will expedite the completion of construction of urban loops, Intrastate System highways, and necessary improvements to the State secondary road highway system that otherwise would be constructed only when sufficient revenues were generated to fund this construction.

(4) The State could issue the bonds authorized by this act, expediting this construction, and could provide sufficient funds to pay debt service on the bonds from the moneys otherwise to be deposited to the Highway Trust Fund to fund highway construction.

(5) Sufficient moneys are expected to be deposited to the Highway Trust Fund to pay anticipated debt service on the bonds authorized by this act.

(6) Although the bonds authorized by this act will constitute general obligation bonds, secured by the faith and credit and taxing power of the State, and although the funds deposited to the Highway Trust Fund are not specifically pledged to pay debt service on the bonds, it is the intent of the General Assembly that the debt service on the bonds authorized by this act will be provided from amounts deposited to the Highway Trust Fund, and certain amendments to Chapter 692 of the 1989 Session Laws are necessary to facilitate this funding of payments."

Section 3. Section 10(a) of Chapter 590 of the 1995 Session Laws (1996) reads as rewritten:

"(a) Terms and conditions. Bonds or notes may bear such date or dates, may be serial or term bonds or notes, or any combination thereof, may mature in such amounts and at such time or times, not later than December 1, ~~2013,~~ 2020, may be payable at such place or places, either within or without the United States of America, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts, may bear interest at such rate or rates, which may vary from time to time, and may be made redeemable before maturity, at the option of the State or otherwise as may be provided by the State, at such price or prices, including a price less than the face amount of the bonds or notes, and under such terms and conditions, all as may be determined by the State Treasurer, by and with the consent of the Council of State."

Section 4. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO ENACT THE NORTH CAROLINA UNCLAIMED PROPERTY ACT AND TO MAKE CONFORMING AMENDMENTS TO THE GENERAL STATUTES, AS RECOMMENDED BY THE GENERAL STATUTES COMMISSION, AND TO MAKE OTHER CHANGES TO THE ESCHEATS LAWS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 116B-4 reads as rewritten:

"**§ 116B-4. Claim for escheated property.**

Any escheated property or proceeds from the sale of escheated property held by the Escheat Fund pursuant to ~~G.S. 116B-27~~ G.S. 116B-5 may be claimed by an heir of the decedent or by a creditor of the decedent who is not barred from presenting a claim under the provisions of Article 19 of ~~Chapter 28A.~~ Chapter 28A of the General Statutes. ~~The claim shall be made on a form prescribed by the Treasurer and shall be presented to the Treasurer. If the Treasurer determines that the claimant is entitled to all or a portion of the escheated property or the proceeds from its sale, he shall make payment of the claim or return of the property. The claimant shall agree to indemnify the State, the State Treasurer and the Escheat Fund from any claim arising out of or in connection with refund of the property claimed.~~ The provisions of ~~G.S. 116B-38(b) and (c)~~ G.S. 116B-67(a), (c), (d), and (e) and G.S. 116B-68 shall apply to a claim under this ~~subsection.~~ section."

Section 2. Article 2 of Chapter 116B of the General Statutes is repealed.

Section 3.(a) Except as provided in subsection (b) of this section, Article 3 of Chapter 116B of the General Statutes is repealed.

Section 3.(b) G.S. 116B-27 is recodified as G.S. 116B-5 within Article 1 of Chapter 116B of the General Statutes. G.S. 116B-36 is recodified as G.S. 116B-6 within Article 1 of Chapter 116B of the General Statutes. G.S. 116B-37 is recodified as G.S. 116B-7 within Article 1 of Chapter 116B of the General Statutes. G.S. 116B-47 is recodified as G.S. 116B-8 within Article 1 of Chapter 116B of the General Statutes.

Section 4.(a) G.S. 116B-6(b), as recodified by subsection (b) of Section 3 of this act, reads as rewritten:

"(b) Investment and Transfer of Assets; Income. -- The Treasurer ~~shall be~~ is the trustee of the Escheat Account and ~~shall have~~ has full power to invest and reinvest the assets of the Escheat Account and the Escheat Fund. Subject to the Treasurer's withholding an amount necessary to accomplish ~~his~~ the Treasurer's duties as set out in this Chapter, including subsections (e), (f) and (g) of this section, the Treasurer shall transfer, at least annually, to the Escheat Account all moneys then in ~~his~~ the Treasurer's custody received as, or derived from the disposition of, escheated and abandoned property and shall disburse to the State Education Assistance Authority, as provided in ~~G.S. 116B-37,~~ G.S. 116B-7, the income derived from the investment of the Escheat Account and the Escheat Fund. All moneys transferred to the Escheat Account under this section shall be accounted for and administered separately from other assets and money in the trust fund created under G.S. 116-209."

Section 4.(b) G.S. 116B-6(h) as recodified by subsection (b) of Section 3 of this act, reads as rewritten:

"(h) Expenditures. -- The Treasurer may expend the funds in the Escheat Fund, other than funds in the Escheat Account, for the payment of claims for refunds to owners, holders and claimants under G.S. 116B-4; for the payment of costs of maintenance and upkeep of abandoned or escheated property; costs of preparing lists of names of owners of abandoned property to be furnished to clerks of superior court; costs of notice and publication; costs of appraisals; fees of persons employed pursuant to ~~G.S. 116B-47;~~ G.S. 116B-8 costs involved in determining whether a decedent died without heirs; costs of a title search of real property that has escheated; and costs of auction or sale under this Chapter. All other costs, including salaries of personnel, necessary to carry out the duties of the Treasurer under this Chapter, shall be appropriated from the funds of the Escheat Fund pursuant to the provisions of Article 1, Chapter 143 of the General Statutes."

Section 5. G.S. 116B-8, as recodified by subsection (b) of Section 3 of this act, reads as rewritten:

"**§ 116B-8. Employment of persons with specialized skills or knowledge.**

The Treasurer may employ the services of such independent consultants, real estate managers and other persons possessing specialized skills or knowledge as ~~he shall deem~~ the Treasurer deems necessary or appropriate for the administration of this Chapter, ~~including, but specifically not limited to,~~ including valuation,

maintenance, upkeep, management, sale and conveyance of property and determination of sources of unreported abandoned property. The Treasurer may also employ the services of an attorney to perform a title search or to provide an accurate legal description of real property which ~~he~~ the Treasurer has reason to believe may have escheated. Persons whose services are employed by the Treasurer pursuant to this section to determine sources and amounts of unreported property are subject to the same policies, including confidentiality and ethics, as employees of the Department of State Treasurer assigned to determine sources and amounts of unreported property. Compensation of persons whose services are employed pursuant to this section on a contingent fee basis shall be limited to ten percent (10%) of the final assessment."

Section 6. Chapter 116B of the General Statutes is amended by adding the following new article to read:

"ARTICLE 4.

"North Carolina Unclaimed Property Act.

"**§ 116B-51. Short title.**

This Article may be cited as the 'North Carolina Unclaimed Property Act.'

"**§ 116B-52. Definitions.**

In this Chapter:

(1) 'Apparent owner' means a person whose name appears on the records of a holder as the person entitled to property held, issued, or owing by the holder.

(2) 'Business association' means a corporation, joint stock company, investment company, partnership, unincorporated association, joint venture, limited liability company, business trust, trust company, land bank, safe deposit company, safekeeping depository, financial organization, insurance company, mutual fund, utility, or other business entity consisting of one or more persons, whether or not for profit.

(3) 'Domicile' means the state of incorporation of a corporation and the state of the principal place of business of a holder other than a corporation.

(4) 'Financial organization' means a savings and loan association, building and loan association, savings bank, industrial bank, bank, banking organization, or credit union.

(5) 'Holder' means a person obligated to hold for the account of or deliver or pay to the owner property that is subject to this Chapter.

(6) 'Insurance company' means an association, corporation, or fraternal or mutual benefit organization, whether or not for profit, engaged in the business of providing life endowments, annuities, or insurance, including accident, burial, casualty, credit life, contract performance, dental, disability, fidelity, fire, health, hospitalization, illness, life, malpractice, marine, mortgage, surety, wage protection, and workers' compensation insurance.

(7) 'Mineral' means gas, oil, coal, other gaseous, liquid, and solid hydrocarbons, oil shale, cement material, sand and gravel, road material, building stone, chemical raw material, gemstone, fissionable and nonfissionable ores, colloidal and other clay, steam and other geothermal resource, or any other substance defined as a mineral by the law of this State.

(8) 'Mineral proceeds' means amounts payable for the extraction, production, or sale of minerals, or, upon the abandonment of those payments, all payments that become payable thereafter. The term includes amounts payable:

a. For the acquisition and retention of a mineral lease, including bonuses, royalties, compensatory royalties, shut-in royalties, minimum royalties, and delay rentals;

b. For the extraction, production, or sale of minerals, including net revenue interests, royalties, overriding royalties, extraction payments, and production payments; and

c. Under an agreement or option, including a joint operating agreement, unit agreement, pooling agreement, and farm-out agreement.

(9) 'Owner' means a person who has a legal or equitable interest in property subject to this Chapter or the person's legal representative. The term includes a depositor in the case of a deposit, a beneficiary in the case of a trust other than a deposit in trust, and a creditor, claimant, or payee in the case of other property.

(10) 'Person' means an individual, business association, financial organization, estate, trust, government, governmental subdivision, agency, or instrumentality, or any other legal or commercial entity.

(11) 'Property' means tangible personal property physically located within this State or a fixed and certain interest in intangible property that is held, issued, or owed in the course of a holder's business, or by a government, governmental subdivision, agency, or instrumentality, and all income or increments therefrom. The term includes property that is referred to as or evidenced by:

a. Money, a check, draft, deposit, interest, or dividend;

b. Credit balance, customer's overpayment, gift certificate, security deposit, refund, credit memorandum, unpaid wage, unused ticket, mineral proceeds, or unidentified remittance;

c. Stock or other evidence of ownership of an interest in a business association;

d. A bond, debenture, note, or other evidence of indebtedness;

e. Money deposited to redeem stocks, bonds, coupons, or other securities, or to make distributions;

f. An amount due and payable under the terms of an annuity or insurance policy, including policies providing life insurance, property and casualty insurance, workers' compensation insurance, or health and disability insurance; and

g. An amount distributable from a trust or custodial fund established under a plan to provide health, welfare, pension, vacation, severance, retirement, death, stock purchase, profit sharing, employee savings, supplemental unemployment insurance, or similar benefits.

(12) 'Record' means information that is inscribed on a tangible medium or that is stored in an electronic or other medium and is retrievable in perceivable form.

(13) 'State' means a state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, or any territory or insular possession subject to the jurisdiction of the United States.

(14) 'Treasurer' means the Treasurer of the State of North Carolina or the Treasurer's designated agent.

(15) 'Utility' means a person who owns or operates for public use any plant, equipment, real property, franchise, or license for the transportation of the public, the transmission of communications, or the production, storage, transmission, sale, delivery, or furnishing of electricity, water, steam, or gas.

"§ 116B-53. Presumptions of abandonment.

(a) Property is unclaimed if the apparent owner has not communicated in writing or by other means reflected in a contemporaneous record prepared by or on behalf of the holder, with the holder concerning the property or the account in which the property is held, and has not otherwise indicated an interest in the property. A communication with an owner by a person (other than the holder or its representative) who has not, in writing, identified the property to the owner is not an indication of interest in the property by the owner.

(b) An indication of an interest in property includes:

(1) The presentment of a check or other instrument of payment of a dividend or other distribution made with respect to an account or underlying stock or other interest in a business association or, in the case of a distribution made by electronic or similar means, evidence that the distribution has been received;

(2) The presentment of a check or other instrument of payment of interest made with respect to debt of a business association or, in the case of an interest payment made by electronic or similar means, evidence that the interest payment has been received;

(3) Owner-directed activity in the account in which the property is held, including a direction by the owner to increase, decrease, or change the amount or type of property held in the account;

(4) The making of a deposit to or withdrawal from an account in a financial organization;

(5) Owner activity in another account with the holder of a deposit described in subdivisions (c)(2) and (c)(6) of this section; and

(6) The payment of a premium with respect to a property interest in an insurance policy; but the application of an automatic premium loan provision or other nonforfeiture provision contained in an insurance policy does not prevent a policy from maturing or terminating if the insured has died or the insured or the beneficiary of the policy has otherwise become entitled to the proceeds before the depletion of the cash surrender value of a policy by the application of those provisions.

(c) Property is presumed abandoned if it is unclaimed by the apparent owner during the time set forth below for the particular property:

(1) Traveler's check, 15 years after issuance;

(2) Time deposit, including a deposit that is automatically renewable, 10 years after the later of initial maturity or the date of the last indication by the owner of interest in the property;

(3) Money order, cashier's check, teller's check, and certified check, seven years after issuance;

(4) Stock or other equity interest in a business association, including a security entitlement under Article 8 of the Uniform Commercial Code, Chapter 25 of the General Statutes, five years after the earlier of:

a. The date of a cash dividend or other cash distribution unclaimed by the apparent owner, or

b. The date of the second mailing of a stock certificate or other evidence of ownership, a statement of account, or other notification or communication which second mailing was returned as undeliverable or the date the holder discontinued mailings, notifications, or communications to the apparent owner;

(5) Debt of a business association, other than a bearer bond or an original issue discount bond, five years after the date of an interest payment unclaimed by the apparent owner;

(6) Demand or savings deposit, five years after the date of the last indication by the owner of interest in the property;

(7) Money or credits owed to a customer as a result of a retail business transaction, three years after the obligation accrued;

(8) Any gift certificate or electronic gift card bearing an expiration date and remaining unredeemed or dormant for more than three years after the gift certificate or electronic gift card was sold is deemed abandoned. The amount abandoned is deemed to be sixty

percent (60%) of the unredeemed portion of the face value of the gift certificate or the electronic gift card;

(9) Amount owed by an insurer on a life or endowment insurance policy or an annuity that has matured or terminated, three years after the obligation to pay arose or, in the case of a policy or annuity payable upon proof of death, three years after the insured has attained, or would have attained if living, the limiting age under the mortality table on which the reserve is based;

(10) Property distributable by a business association in a course of dissolution, one year after the property becomes distributable;

(11) Property received by a court as proceeds of a class action, and not distributed pursuant to the judgment, one year after the distribution date;

(12) Property held by a court, government, governmental subdivision, agency, or instrumentality, one year after the property becomes distributable;

(13) Wages or other compensation for personal services, two years after the compensation becomes payable;

(14) Deposit or refund owed to a subscriber by a utility, one year after the deposit or refund becomes payable;

(15) Property in an individual retirement account, defined benefit plan, or other account or plan that is qualified for tax deferral under the income tax laws of the United States, three years after the earliest of the date of the distribution or attempted distribution of the property, the date of the required distribution as stated in the plan or trust agreement governing the plan, or the date, if determinable by the holder, specified in the income tax laws of the United States by which distribution of the property must begin in order to avoid a tax penalty; and

(16) All other property, five years after the owner's right to demand the property or after the obligation to pay or distribute the property arises, whichever first occurs.

(d) At the time that an interest in property is presumed abandoned under subsection (c) of this section, any other property right accrued or accruing to the owner as a result of the interest, and not previously presumed abandoned, is also presumed abandoned.

(e) Property is payable or distributable for purposes of this Chapter notwithstanding the owner's failure to make demand or present an instrument or document otherwise required to obtain payment or distribution.

"§ 116B-54. Exclusion for forfeited reservation deposits, certain gift certificates or electronic gift cards, prepaid calling cards, certain manufactured home buyer deposits, and certain credit balances.

(a) A forfeited reservation deposit is not abandoned property. For the purposes of this section, the term 'reservation deposit' means an amount of money paid to a

business association to guarantee that the business association holds a specific service, such as a room accommodation at a hotel, seating at a restaurant, or an appointment with a doctor, for a specified date and place. The term 'reservation deposit' does not include an application fee, a utility deposit, or a deposit made toward the purchase of real property.

(b) A gift certificate or electronic gift card is not abandoned property when the gift certificate or electronic gift card:

(1) Conspicuously states that the gift certificate or electronic gift card does not expire;

(2) Bears no expiration date; or

(3) States that a date of expiration printed on the gift certificate or electronic gift card is not applicable in North Carolina.

(c) A prepaid calling card issued by a public utility as defined in G.S. 62-3(23)a.6. is not abandoned property.

(d) A buyer deposit that a dealer is authorized to retain under either G.S. 143-143.21A or G.S. 143-143.21B is not abandoned property and is not subject to this Article.

(e) Credit balances as shown on the records of a business association to or for the benefit of another business association, shall not constitute abandoned property. For purposes of this section, the term 'credit balances' means items such as overpayments or underpayments on the sale of goods or services.

"§ 116B-55. Contents of safe deposit box or other safekeeping depository.

Contents of a safe deposit box or other safekeeping depository held by a financial organization is presumed abandoned if the apparent owner has not claimed the property within the period established by G.S. 53-43.7 and shall be delivered to the Treasurer as provided by that section. If the contents include property described in G.S. 116B-53, the Treasurer shall hold the property for the remainder of the applicable period set forth in that section before the property is deemed to be received for purpose of sale under G.S. 116B-65.

"§ 116B-56. Rules for taking custody.

(a) Except as otherwise provided in this Chapter or by other statute of this State, property that is presumed abandoned, whether located in this or another state, is subject to the custody of this State if:

(1) The last known address of the apparent owner, as shown on the records of the holder, is in this State;

(2) The records of the holder do not reflect the identity of the person entitled to the property, and it is established that the last known address of the person entitled to the property is in this State;

(3) The records of the holder do not reflect the last known address of the apparent owner and it is established that:

a. The last known address of the person entitled to the property is in this State; or

b. The holder is domiciled in this State or is a government or governmental subdivision, agency, or instrumentality of this

State and has not previously paid or delivered the property to the state of the last known address of the apparent owner or other person entitled to the property;

(4) The last known address of the apparent owner, as shown on the records of the holder, is in a state that does not provide for the escheat or custodial taking of the property, and the holder is domiciled in this State or is a government or governmental subdivision, agency, or instrumentality of this State;

(5) The last known address of the apparent owner, as shown on the records of the holder, is in a foreign country, and the holder is domiciled in this State or is a government or governmental subdivision, agency, or instrumentality of this State; or

(6) The property is a traveler's check or money order purchased in this State or the issuer of the traveler's check or money order has its principal place of business in this State and the issuer's records show that the instrument was purchased in a state that does not provide for the escheat or custodial taking of the property or do not show the state in which the instrument was purchased.

(b) In the case of an amount payable under the terms of an annuity or insurance policy, the last known address of the person entitled to the property is presumed to be the same as the last known address of the insured or the principal, as shown on the records of the insurance company, if:

(1) A person other than the insured or the principal is entitled to the property; and

(2) Either:

a. No address of the person is known to the insurance company; or

b. The records of the insurance company do not reflect the identity of the person.

"§ 116B-57. Dormancy charge; other lawful charges.

(a) A holder may deduct from property presumed abandoned a reasonable charge imposed by reason of the owner's failure to claim the property within a specified time only if there is a valid and enforceable written contract between the holder and the owner under which the holder may impose the charge and the holder regularly imposes the charge, which is not regularly reversed or otherwise canceled.

(b) This Chapter does not prevent a holder from deducting from property presumed abandoned other lawful charges specifically authorized by statute or by a valid and enforceable contract.

"§ 116B-58. Burden of proof as to property evidenced by record of check or draft.

A record of the issuance of a check, draft, or similar instrument is prima facie evidence of an obligation. In claiming property from a holder who is also the issuer, the Treasurer's burden of proof as to the existence and amount of the property and its abandonment is satisfied by showing issuance of the instrument and passage of the

requisite period of abandonment. Defenses of payment, satisfaction, discharge, and want of consideration are affirmative defenses that must be established by the holder.

"§ 116B-59. Notice by holders to apparent owners.

(a) A holder of property presumed abandoned shall make a good faith effort to locate an apparent owner.

(b) The holder shall send written notice, by first-class mail, to the apparent owner, not more than 120 days or less than 60 days before filing the report required by G.S. 116B-60, to the last known address of the apparent owner as reflected in the holder's records, if the value of the property is fifty dollars ($50.00) or more.

(c) The notice must contain:

(1) A statement that, according to the records of the holder, property is being held to which the addressee appears entitled and the amount or description of the property;

(2) The name and address of the person holding the property and any necessary information regarding changes of name and address of the holder;

(3) A statement that, if satisfactory proof of claim is not presented by the owner to the holder by the following October 1 or, if the holder is an insurance company, by the following April 1, the property will be placed in the custody of the Treasurer, to whom all further claims shall be directed.

"§ 116B-60. Report of abandoned property; certification by holders with tax return.

(a) A holder of property presumed abandoned shall make a report to the Treasurer concerning the property.

(b) The report must be verified and must contain:

(1) A description of the property;

(2) Except with respect to a traveler's check or money order, the name, if known, and last known address, if any, and the social security number or taxpayer identification number, if readily ascertainable, of the apparent owner of property of the value of fifty dollars ($50.00) or more;

(3) An aggregated amount of items valued under fifty dollars ($50.00) each;

(4) In the case of an amount of fifty dollars ($50.00) or more held or owing under an annuity or a life or endowment insurance policy, the full name and last known address of the annuitant or insured and of the beneficiary;

(5) The date, if any, on which the property became payable, demandable, or returnable, and the date of the last transaction or communication with the apparent owner with respect to the property; and

(6) Other information that the Treasurer by rule prescribes as necessary for the administration of this Chapter.

(c) If a holder of property presumed abandoned is a successor to another person who previously held the property for the apparent owner or the holder has changed its name while holding the property, the holder shall file with the report its former names, if any, and the known names and addresses of all previous holders of the property.

(d) The report must be filed before November 1 of each year and cover the 12 months next preceding July 1 of that year, but a report with respect to a life insurance company must be filed before May 1 of each year for the calendar year next preceding.

(e) Before the date for filing the report, the holder of property presumed abandoned may request the Treasurer to extend the time for filing the report. A request for an extension for filing a report shall be accompanied by an extension processing fee of ten dollars ($10.00). The Treasurer may grant the extension for good cause. The holder, upon receipt of the extension, may make an interim payment on the amount the holder estimates will ultimately be due, which terminates the accrual of additional interest on the amount paid.

(f) The holder of property presumed abandoned shall file with the report an affidavit stating that the holder has complied with G.S. 116B-59.

(g) Every business association holding property presumed abandoned under this Chapter shall certify the holding in the income tax return required by Chapter 105 of the General Statutes. The certification shall be a part of the tax return with which it is filed. If the business association is not required to file an income tax return under Chapter 105, the certification shall be made in the form and manner required by the Secretary of Revenue. The information appearing on the certification is not privileged or confidential, and this information shall be furnished by the Secretary of Revenue to the Escheat Fund on October 1 of each year, or if this date shall fall on a weekend or holiday, on the next regular business day.

"§ 116B-61. Payment or delivery of abandoned property.

(a) Upon filing the report required by G.S. 116B-60, the holder of property presumed abandoned shall pay, deliver, or cause to be paid or delivered to the Treasurer the property described in the report, but if the property is an automatically renewable deposit, and a penalty or forfeiture in the payment of interest would result, the time for compliance is extended to the next filing and delivery date at which a penalty or forfeiture would no longer result.

(b) If the property reported to the Treasurer is a security or security entitlement under Article 8 of Chapter 25 of the General Statutes, the Treasurer is an appropriate person to make an indorsement, instruction, or entitlement order on behalf of the apparent owner to invoke the duty of the issuer or its transfer agent or the securities intermediary to transfer or dispose of the security or the security entitlement in accordance with Article 8 of Chapter 25 of the General Statutes.

(c) If the holder of property reported to the Treasurer is the issuer of a certificated security, the Treasurer has the right to obtain a replacement certificate pursuant to G.S. 25-8-405, but an indemnity bond is not required.

(d) An issuer, the holder, and any transfer agent or other person acting pursuant to the instructions of and on behalf of the issuer or holder in accordance with this section is not liable to the apparent owner and must be indemnified against claims of any person in accordance with G.S. 116B-63.

"**§ 116B-62. Preparation of list of owners by Treasurer.**

(a) There shall be delivered to the clerk of superior court of each county prior to June 30 of each year a list prepared by the Treasurer of escheated and abandoned property reported to the Treasurer. The list shall contain:

(1) The names, if known, in alphabetical order of surname, and last known addresses, if any, of apparent owners of escheated and abandoned property;

(2) The names and addresses of the holders of the abandoned property; and

(3) A statement that claim and proof of legal entitlement to escheated or abandoned property shall be presented by the owner to the Treasurer, which statement shall set forth where further information may be obtained.

(b) At the time the lists are distributed to the clerks of superior court, the Treasurer shall cause to be published once each week for two consecutive weeks, in at least two newspapers having general circulation in this State, a notice stating the nature of the lists and that the lists are available for inspection at the offices of the respective clerks of superior court, together with any other information the Treasurer deems appropriate to appear in the notice.

(c) The Treasurer is not required to include in any list any item of a value, as determined by the Treasurer, in the Treasurer's discretion, of less than fifty dollars ($50.00), unless the Treasurer deems inclusion of items of lesser amounts to be in the public interest.

(d) The clerks of superior court shall retain the lists on permanent file in their offices and shall make them available for public inspection.

(e) The lists prepared by the Treasurer shall include only escheated and abandoned property reported for the current reporting date and are not required to be cumulative lists of escheated and abandoned property previously reported.

(f) Notwithstanding the provisions of Chapter 132 of the General Statutes, the supporting data and lists of apparent owners of escheated and abandoned property may be confidential until six months after the notice to clerks of superior court required by subsection (b) of this section has been distributed. This subsection shall not apply to owners of reported property making inquiries about their property to the Escheat Fund.

"**§ 116B-63. Custody by State; recovery by holder; defense of holder.**

(a) In this section, payment or delivery is made in 'good faith' if:

(1) Payment or delivery was made in a reasonable attempt to comply with this Chapter;

(2) The holder was not then in breach of a fiduciary obligation with respect to the property and had a reasonable basis for believing,

based on the facts then known, that the property was presumed abandoned; and

(3) There is no showing that the records under which the payment or delivery was made did not meet reasonable commercial standards of practice.

(b) Upon payment or delivery of property to the Treasurer, the State assumes custody and responsibility for the safekeeping of the property. A holder who pays or delivers property to the Treasurer in good faith is relieved of all liability arising thereafter with respect to the property.

(c) A holder who has paid money to the Treasurer pursuant to this Chapter may subsequently make payment to a person reasonably appearing to the holder to be entitled to payment. Upon a filing by the holder of proof of payment and proof that the payee was entitled to the payment, the Treasurer shall promptly reimburse the holder for the payment without imposing a fee or other charge. If reimbursement is sought for a payment made on a negotiable instrument, including a traveler's check or money order, the holder must be reimbursed upon filing proof that the instrument was duly presented and that payment was made to a person who reasonably appeared to be entitled to payment. The holder must be reimbursed for payment made even if the payment was made to a person whose claim was barred under G.S. 116B-71(a).

(d) A holder who has delivered property other than money to the Treasurer pursuant to this Chapter may reclaim the property if it is still in the possession of the Treasurer,without paying any fee or other charge, upon filing proof that the apparent owner has claimed the property from the holder.

(e) The Treasurer may accept a holder's affidavit as sufficient proof of the holder's right to recover money and property under this section.

(f) If a holder pays or delivers property to the Treasurer in good faith and thereafter another person claims the property from the holder or another state claims the money or property under its laws relating to escheat or abandoned or unclaimed property, the Treasurer, upon written notice of the claim, shall defend the holder against the claim and indemnify the holder against any liability on the claim resulting from payment or delivery of the property to the Treasurer.

"§ 116B-64. Income or gain accruing after payment or delivery.

If property other than money is delivered to the Treasurer under this Chapter, the owner is entitled to receive from the Treasurer any income or gain realized or accruing on the property at or before liquidation or conversion of the property into money. If the property is interest-bearing or pays dividends, the interest or dividends shall be paid until the date on which the amount of the deposits, accounts, or funds, or the shares must be remitted or delivered to the Treasurer under G.S. 116B-61. Otherwise, when property is delivered or paid to the Treasurer, the Treasurer shall hold the property without liability for income or gain.

"§ 116B-65. Public sale of abandoned property.

(a) Except as otherwise provided in this section, the Treasurer, within three years after the receipt of abandoned property, shall sell it to the highest bidder at public sale at a location in the State which in the judgment of the Treasurer affords the most

favorable market for the property. The Treasurer may decline the highest bid and reoffer the property for sale if the Treasurer considers the bid to be insufficient. The Treasurer need not offer the property for sale if the Treasurer considers that the probable cost of sale will exceed the proceeds of the sale. A sale held under this section must be preceded by a single publication of notice, at least three weeks before sale, in a newspaper of general circulation in the county in which the property is to be sold. The Treasurer is not required to sell money unless it is a collector's species having value greater than the face value of the money as cash.

(b) Securities listed on an established stock exchange must be sold at prices prevailing on the exchange at the time of sale. Other securities may be sold over the counter at prices prevailing at the time of sale or by any reasonable method selected by the Treasurer. If securities are sold by the Treasurer before the expiration of three years after their delivery to the Treasurer, a person making a claim under this Chapter before the end of the three-year period is entitled to the proceeds of the sale of the securities or the market value of the securities at the time the claim is made, whichever is greater, less any deduction for expenses of sale. A person making a claim under this Chapter after the expiration of the three-year period is entitled to receive the securities delivered to the Treasurer by the holder, if they still remain in the custody of the Treasurer, or the net proceeds received from sale, and is not entitled to receive any appreciation in the value of the property occurring after delivery to the Treasurer, except in a case of intentional misconduct by the Treasurer.

(c) A purchaser of property at a sale conducted by the Treasurer pursuant to this Chapter takes the property free of all claims of the owner or previous holder and of all persons claiming through or under them. The Treasurer shall execute all documents necessary to complete the transfer of ownership.

"§ 116B-66. Claim of another state to recover property.

(a) After property has been paid or delivered to the Treasurer under this Article, another state may recover the property if:

(1) The property was paid or delivered to the custody of this State because the records of the holder did not reflect a last known location of the apparent owner within the borders of the other state, and the other state establishes that the apparent owner or other person entitled to the property was last known to be located within the borders of that state and under the laws of that state the property has escheated or become subject to a claim of abandonment by that state;

(2) The property was paid or delivered to the custody of this State because the laws of the other state did not provide for the escheat or custodial taking of the property, and under the laws of that state subsequently enacted, the property has escheated or become subject to a claim of abandonment by that state;

(3) The records of the holder were erroneous in that they did not accurately identify the owner of the property and the last known location of the owner within the borders of another state, and

under the laws of that state the property has escheated or become subject to a claim of abandonment by that state;

(4) The property was subjected to custody by this State under G.S. 116B-56(6), and under the laws of the state of domicile of the holder, the property has escheated or become subject to a claim of abandonment by that state; or

(5) The property is a sum payable on a traveler's check, money order, or similar instrument that was purchased in the other state and delivered into the custody of this State under G.S. 116B-56(7), and under the laws of the other state, the property has escheated or become subject to a claim of abandonment by that state.

(b) A claim of another state to recover escheated or abandoned property must be presented in a form prescribed by the Treasurer, who shall decide the claim within 90 days after it is presented. The Treasurer shall allow the claim upon determining that the other state is entitled to the abandoned property under subsection (a) of this section.

(c) The Treasurer shall require another state, before recovering property under this section, to agree to indemnify this State and its officers and employees against any liability on a claim to the property.

"§ 116B-67. Claim for property paid or delivered to the Treasurer.

(a) A person, excluding another state, claiming property paid or delivered to the Treasurer may file a claim on a form prescribed by the Treasurer and verified by the claimant.

(b) At the discretion of the Treasurer, the claim shall be made to the holder or to the holder's successor. If the holder is satisfied that the claim is valid and that the claimant is the owner of the property, the holder shall so certify to the Treasurer by written statement attested by the holder under oath, or in the case of a corporation, by two principal officers, or one principal officer and an authorized employee of the corporation. The determination of the holder that the claimant is the owner shall, in the absence of fraud, be binding upon the Treasurer and upon receipt of the certificate of the holder to this effect, the Treasurer shall forthwith authorize and make payment of the claim or return of the property, or if the property has been sold, the amount received from the sale, to the owner, or to the holder in the event the owner has assigned the claim to the holder and the certificate of the holder is accompanied by an assignment. In the event the holder rejects the claim, the claimant may appeal to the Treasurer.

If the holder, or the holder's successor, is not available, the owner may file a claim with the Treasurer on a form prescribed by the Treasurer. In addition to any other information, the claim shall state the facts surrounding the unavailability of the holder and the lack of a successor.

(c) Within 90 days after a claim is filed, the Treasurer shall allow or deny the claim and give written notice of the decision to the claimant. If the claim is denied, the Treasurer shall inform the claimant of the reasons for the denial and specify what

additional evidence is required before the claim will be allowed. The claimant may then file a new claim with the Treasurer or maintain an action under G.S. 116B-68.

(d) Within 30 days after a claim is allowed, the property or the net proceeds of a sale of the property must be delivered or paid by the Treasurer to the claimant.

(e) The claimant or claimants and the holder, if the holder either certifies that the claimant is the owner under subsection (b) of this section or recovers money and property from the Treasurer under G.S. 116B-63, shall agree to indemnify, save harmless, and defend the State, the Treasurer, and the Escheat Fund from any claim arising out of or in connection with refund of the property claimed. In like manner, the claimant shall also agree to indemnify, save harmless, and defend the holder, if the holder certifies the claim under subsection (b) of this section or pays or delivers property to the claimant under G.S. 116B-63.

"§ 116B-68. Action to establish claim.

A person aggrieved by a decision of the Treasurer or whose claim has not been acted upon within 90 days after its filing may maintain an original action to establish the claim in the Superior Court of Wake County, naming the Treasurer as a defendant.

"§ 116B-69. Election to take payment or delivery.

(a) The Treasurer may decline to receive property reported under this Chapter which the Treasurer considers to have a value less than the expenses of notice and sale.

(b) A holder, with the written consent of the Treasurer and upon conditions and terms prescribed by the Treasurer, may report and deliver property before the property is presumed abandoned. Property so delivered must be held by the Treasurer and is not presumed abandoned until it otherwise would be presumed abandoned under this Article.

"§ 116B-70. Destruction or disposition of property having no substantial commercial value; immunity from liability; property of historical significance.

(a) If the Treasurer determines after investigation that property delivered under this Chapter has no substantial commercial value, the Treasurer may destroy or otherwise dispose of the property at any time. An action or proceeding may not be maintained against the State or any officer, employee, or agent of the State, both past and present, in the person's individual and official capacity, or against the holder for or on account of an act of the Treasurer under this subsection, except for intentional misconduct.

(b) Notwithstanding the provisions of G.S. 116B-65, the Treasurer may retain any tangible property delivered to the Treasurer, if the property has recognized historic significance. The historic significance shall be certified by the Treasurer, with the advice of the Secretary of Cultural Resources; and a statement of the appraised value of the property shall be filed with the certification. Historic property retained under this subsection may be stored and displayed at any suitable location.

"§ 116B-71. Periods of limitation.

(a) The expiration, before or after the effective date of this Article, of a period of limitation on the owner's right to receive or recover property, whether specified by

contract, statute, or court order, does not preclude the property from being presumed abandoned or affect a duty of a holder to file a report or to pay or deliver or transfer property to the Treasurer as required by this Article.

(b) An action or proceeding may not be maintained by the Treasurer to enforce this Article in regard to the reporting, delivery, or payment of property more than three years after the holder filed a report with the Treasurer in which the holder specifically identified property, should have but failed to identify property, or gave express notice to the Treasurer of a dispute regarding property. However, the period of limitation is extended to six years after the holder filed a report if the holder failed to identify more than twenty-five percent (25%) of the value of the property or to give express notice to the Treasurer of a dispute regarding more than twenty-five percent (25%) of the value of the property. In the absence of such a report or other express notice, the period of limitation is tolled. The period of limitation is also tolled by the filing of a report that is fraudulent.

"**§ 116B-72. Requests for reports and examination of records.**

(a) The Treasurer may require a person who has not filed a report, or a person who the Treasurer believes has filed an inaccurate, incomplete, or false report, to file a verified report in a form specified by the Treasurer. The report must state whether the person is holding property reportable under this Chapter, describe property not previously reported or as to which the Treasurer has made inquiry, and specifically identify and state the value of property that may be in issue.

(b) The Treasurer, at reasonable times and upon reasonable notice, may examine the records of any person to determine whether the person has complied with this Chapter. The Treasurer may conduct the examination even if the person believes it is not in possession of any property that must be reported, paid, or delivered under this Chapter. The Treasurer may contract with any other person to conduct the examination on behalf of the Treasurer.

(c) The Treasurer at reasonable times may examine the records of an agent, including a dividend disbursing agent or transfer agent, of a business association that is the holder of property presumed abandoned if the Treasurer has given the notice required by subsection (b) of this section to both the association and the agent at least 90 days before the examination.

(d) Documents and working papers obtained or compiled by the Treasurer, or the Treasurer's agents, employees, or designated representatives, in the course of conducting an examination are confidential, but the documents and papers may be:

(1) Used by the Treasurer in the course of an action to collect unclaimed property or otherwise enforce this Chapter;

(2) Used in joint examinations conducted with or pursuant to an agreement with another state, the federal government, or any other governmental subdivision, agency, or instrumentality;

(3) Produced pursuant to subpoena or court order; or

(4) Disclosed to the abandoned property office of another state for that state's use in circumstances equivalent to those described in this

subsection, if the other state is bound to keep the documents and papers confidential.

(e) If an examination results in the disclosure of property reportable under this Chapter, the Treasurer may assess, against a holder who made a fraudulent report, the cost of the examination at the rate of two hundred dollars ($200.00) a day for each examiner, or a greater amount that is reasonable and was incurred, but the assessment may not exceed the value of the property found to be reportable. The cost of an examination made pursuant to subsection (c) of this section may be assessed only against the business association.

(f) If a holder does not maintain the records required by G.S. 116B-73 and the records of the holder available for the periods subject to this Chapter are insufficient to permit the preparation of a report, the Treasurer may require the holder to report and pay to the Treasurer the amount the Treasurer reasonably estimates, on the basis of any available records of the holder or by any other reasonable method of estimation, should have been, but was not reported.

"§ 116B-73. Retention of records.

(a) Except as otherwise provided in subsection (b) of this section, a holder required to file a report under G.S. 116B-60 shall maintain the records containing the information required to be included in the report for 10 years after the holder files the report, unless a shorter period is provided by rule of the Treasurer.

(b) A business association that sells, issues, or provides to others for sale or issue in this State, traveler's checks, money orders, or similar instruments other than third-party bank checks, on which the business association is directly liable, shall maintain a record of the instruments while they remain outstanding, indicating the state and date of issue, for three years after the holder files the report.

"§ 116B-73.1. Discretionary precompliance review.

A holder may request the Treasurer to conduct a precompliance review of the holder's compliance program to educate the holder's employees on the unclaimed property laws and filing procedures and to recommend ways to facilitate the holder's compliance with the law. Subject to the availability of staff, the Treasurer may conduct a precompliance review upon request. The Treasurer may charge the holder a precompliance review fee of up to five hundred dollars ($500.00) per day for conducting this review.

"§ 116B-74. Enforcement.

(a) The Treasurer may maintain an action in this or another state to enforce this Chapter.

(b) The Treasurer may order a person required to report, pay, or deliver property under this Chapter, or an officer or employee of the person, or a person having possession, custody, care, or control of records relevant to the matter under inquiry, or any other person having knowledge of the property or records, to appear before the Treasurer, at a time and place named in the order, and to produce the records and to give such testimony under oath or affirmation relevant to the inquiry. For purposes of this subsection, the Treasurer may administer oaths or affirmations. If a person refuses to obey an order of the Treasurer, the Treasurer may apply to the

Superior Court of Wake County for an order requiring the person to obey the order of the Treasurer. Failure to comply with the court order is punishable for contempt.

"**§ 116B-75. Interstate agreements and cooperation; joint and reciprocal actions with other states.**

(a) The Treasurer may enter into an agreement with another state to exchange information relating to abandoned property or its possible existence. The agreement may permit the other state, or another person acting on behalf of a state, to examine records as authorized in G.S. 116B-72. The Treasurer by rule may require the reporting of information needed to enable compliance with an agreement made under this section and prescribe the form.

(b) The Treasurer may join with another state to seek enforcement of this Chapter against any person who is or may be holding property reportable under this Chapter.

(c) At the request of another state, the Attorney General of this State may maintain an action on behalf of the other state to enforce, in this State, the unclaimed property laws of the other state against a holder of property subject to escheat or a claim of abandonment by the other state, if the other state has agreed to pay expenses incurred by the Attorney General in maintaining the action.

(d) The Treasurer may request that the attorney general of another state or another attorney commence an action in the other state on behalf of the Treasurer. With the approval of the Attorney General of this State, the Treasurer may retain any other attorney to commence an action in this State on behalf of the Treasurer. This State shall pay all expenses, including attorneys' fees, in maintaining an action under this subsection. With the Treasurer's approval, the expenses and attorneys' fees may be paid from money received under this Chapter. The Treasurer may agree to pay expenses and attorneys' fees based in whole or in part on a percentage of the value of any property recovered in the action. Any expenses or attorneys' fees paid under this subsection may not be deducted from the amount that is subject to the claim by the owner under this Chapter.

(e) The Treasurer is authorized to make such expenditures from the funds of the Escheat Fund as may be necessary to effectuate the provisions of this section.

"**§ 116B-76. Interest and penalties; waiver.**

(a) A holder who fails to report, pay, or deliver property within the time prescribed by this Chapter shall pay to the Treasurer interest at the rate established pursuant to this subsection on the property or value of the property from the date the property should have been reported, paid, or delivered. On or before June 1 and December 1 of each year, the Treasurer shall establish the interest rate to be in effect during the six-month period beginning on the next succeeding July 1 and January 1, respectively, after giving due consideration to current market conditions. If no new rate is established, the rate in effect during the preceding six-month period shall continue in effect. The rate established by the Treasurer may not be less than five percent (5%) per year and may not exceed sixteen percent (16%) per year.

(b) A holder who willfully fails to report, pay, or deliver property within the time prescribed by this Chapter, or willfully fails to perform other duties imposed by this Chapter, shall pay to the Treasurer, in addition to interest as provided in subsection

(a) of this section , a civil penalty of one thousand dollars ($1,000) for each day the report, payment, or delivery is withheld, or the duty is not performed, up to a maximum of twenty-five thousand dollars ($25,000), plus twenty-five percent (25%) of the value of any property that should have been but was not reported.

(c) A holder who makes a fraudulent report shall pay to the Treasurer, in addition to interest as provided in subsection (a) of this section, a civil penalty of one thousand dollars ($1,000) for each day from the date a report under this Chapter was due, up to a maximum of twenty-five thousand dollars ($25,000), plus twenty-five percent (25%) of the value of any property that should have been but was not reported.

(d) The Treasurer for good cause may waive, in whole or in part, interest under subsection (a) of this section and penalties under subsection (b) of this section.

"**§ 116B-77. Agreement to locate property.**

(a) An agreement by an owner, the primary purpose of which is to locate, deliver, recover, or assist in the recovery of property that is presumed abandoned, is void and unenforceable if it was entered into during the period commencing on the date the property was presumed abandoned and extending to a time that is 24 months after the date the property is paid or delivered to the Treasurer. This subsection does not apply to an owner's agreement with an attorney to file a claim as to identified property or contest the Treasurer's denial of a claim.

(b) An agreement by an owner, the primary purpose of which is to locate, deliver, recover, or assist in the recovery of property, is enforceable only if the agreement is in writing, clearly sets forth the nature of the property and the services to be rendered, is signed by the owner, and states the value of the property before and after the fee or other compensation has been deducted.

(c) If an agreement covered by this section applies to mineral proceeds and the agreement contains a provision to pay compensation that includes a portion of the underlying minerals or any mineral proceeds not then presumed abandoned, the provision is void and unenforceable.

(d) An agreement covered by this section that provides for compensation that is unconscionable is unenforceable except by the owner. An owner who has made an agreement to pay compensation that is unconscionable, or the Treasurer on behalf of the owner, may maintain an action to reduce the compensation to a conscionable amount. The court may award reasonable attorneys' fees to an owner who prevails in the action.

(e) This section does not preclude an owner from asserting that an agreement covered by this section is invalid on grounds other than as provided in subsection (d) of this section.

(f) Any person who enters into an agreement covered by this section with an owner shall register annually with the Treasurer. The information to be required under this subsection shall include the person's name, address, telephone number, state of incorporation or residence, as applicable, and the person's federal identification number. A registration fee of one hundred dollars ($100.00) shall be

paid to the Treasurer at the time of the filing of the registration information. Fees received under this subsection shall be credited to the General Fund.

"**§ 116B-78. Transitional provisions.**

(a) An initial report filed under this Article for property that was not required to be reported before the effective date of this Article but which is subject to this Article must include all items of property that would have been presumed abandoned during the 10-year period next preceding the effective date of this Article as if this Article had been in effect during that period.

(b) This Article does not relieve a holder of a duty that arose before the effective date of this Article to report, pay, or deliver property. Except as otherwise provided in G.S 116B-71(b) and G.S. 116B-76(d), a holder who did not comply with the law in effect before the effective date of this Article is subject to the applicable provisions for enforcement and penalties which then existed, which are continued in effect for the purpose of this section.

"**§ 116B-79. Rules.**

The Treasurer may adopt rules necessary to carry out this Chapter."

Section 7. G.S. 44A-4(b)(1) reads as rewritten:

"(b) Notice and Hearings. --

(1) If the property upon which the lien is claimed is a motor vehicle that is required to be registered, the lienor following the expiration of the relevant time period provided by subsection (a) shall give notice to the Division of Motor Vehicles that a lien is asserted and sale is proposed and shall remit to the Division a fee of ten dollars ($10.00). The Division of Motor Vehicles shall issue notice by registered or certified mail, return receipt requested, to the person having legal title to the property, if reasonably ascertainable, to the person with whom the lienor dealt if different, and to each secured party and other person claiming an interest in the property who is actually known to the Division or who can be reasonably ascertained. The notice shall state that a lien has been asserted against specific property and shall identify the lienor, the date that the lien arose, the general nature of the services performed and materials used or sold for which the lien is asserted, the amount of the lien, and that the lienor intends to sell the property in satisfaction of the lien. The notice shall inform the recipient that the recipient has the right to a judicial hearing at which time a determination will be made as to the validity of the lien prior to a sale taking place. The notice shall further state that the recipient has a period of 10 days from the date of receipt in which to notify the Division by registered or certified mail, return receipt requested, that a hearing is desired and that if the recipient wishes to contest the sale of his property pursuant to such lien, the recipient should notify the Division that a hearing is desired. The notice shall state the required information in simplified terms and

shall contain a form whereby the recipient may notify the Division that a hearing is desired by the return of such form to the Division. The Division shall notify the lienor whether such notice is timely received by the Division. In lieu of the notice by the lienor to the Division and the notices issued by the Division described above, the lienor may issue notice on a form approved by the Division pursuant to the notice requirements above. If notice is issued by the lienor, the recipient shall return the form requesting a hearing to the lienor, and not the Division, within 10 days from the date the recipient receives the notice if a judicial hearing is requested. Failure of the recipient to notify the Division or lienor, as specified in the notice, within 10 days of the receipt of such notice that a hearing is desired shall be deemed a waiver of the right to a hearing prior to the sale of the property against which the lien is asserted, and the lienor may proceed to enforce the lien by public or private sale as provided in this section and the Division shall transfer title to the property pursuant to such sale. If the Division or lienor, as specified in the notice, is notified within the 10-day period provided above that a hearing is desired prior to sale, the lien may be enforced by sale as provided in this section and the Division will transfer title only pursuant to the order of a court of competent jurisdiction.

If the registered or certified mail notice has been returned as undeliverable, or if the name of the person having legal title to the vehicle cannot reasonably be ascertained and the fair market value of the vehicle is less than eight hundred dollars ($800.00), the lienor may institute a special proceeding in the county where the vehicle is being held, for authorization to sell that vehicle. Market value shall be determined by the schedule of values adopted by the Commissioner under G.S. 105-187.3.

In such a proceeding a lienor may include more than one vehicle, but the proceeds of the sale of each shall be subject only to valid claims against that vehicle, and any excess proceeds of the sale shall ~~escheat to the State and~~ be paid immediately to the ~~treasurer~~ Treasurer for disposition pursuant to Chapter 116B of the General Statutes. ~~A vehicle owner or possessor claiming an interest in such proceeds shall have a right of action under G.S. 116B-38.~~

The application to the clerk in such a special proceeding shall contain the notice of sale information set out in subsection (f) hereof. If the application is in proper form the clerk shall enter an order authorizing the sale on a date not less than 14 days therefrom, and the lienor shall cause the application and order to be sent immediately by first-class mail pursuant to G.S. 1A-1, Rule 5, to each person to whom notice was mailed pursuant to this

subsection. Following the authorized sale the lienor shall file with the clerk a report in the form of an affidavit, stating that the lienor has complied with the public or private sale provisions of G.S. 44A-4, the name, address, and bid of the high bidder or person buying at a private sale, and a statement of the disposition of the sale proceeds. The clerk then shall enter an order directing the Division to transfer title accordingly.

If prior to the sale the owner or legal possessor contests the sale or lien in a writing filed with the clerk, the proceeding shall be handled in accordance with G.S. 1-399."

Section 8. G.S. 29-12 reads as rewritten:

"**§ 29-12. Escheats.**

If there is no person entitled to take under G.S. 29-14 or ~~29-15,~~ G.S. 29-15, or if in case of an illegitimate intestate, there is no one entitled to take under G.S. 29-21 or ~~29-22~~ G.S. 29-22 the net estate shall escheat as provided in ~~G.S. 116A-2.~~ G.S. 116B-2."

Section 9. G.S. 53-43.7(b)

"(b) Any property, including documents or writings of a private nature, which has little or no apparent value, need not be sold but may be destroyed ~~by the Treasurer or~~ by the ~~lessor, if retained by the lessor pursuant to a determination by the Treasurer under G.S. 116B-31(c).~~ lessor if the Treasurer declines to receive the property under G.S. 116B-69(a)."

Section 10. G.S. 53-43.7(d) reads as rewritten:

"(d) The lessor shall submit to the Treasurer a verified inventory of all of the contents of the safe-deposit box upon delivery of the contents of the box or such part thereof as shall be required by the Treasurer under ~~G.S. 116B-31(c);~~ G.S. 116B-55; but the lessor may deduct from any cash of the lessee in the safe-deposit box an amount equal to accumulated charges for rental and shall submit to the Treasurer a verified statement of such charges and deduction. If there is no cash, or insufficient cash to pay accumulated charges, in the safe-deposit box, the lessor may submit to the Treasurer a verified statement of accumulated charges or balance of accumulated charges due, and the Treasurer shall remit to the lessor the charges or balance due, up to the value of the property in the safe-deposit box delivered to ~~him,~~ the Treasurer, less any costs or expenses of sale; but if the charges or balance due exceeds the value of such property, the Treasurer shall remit only the value of the property, less costs or expenses of sale. Any accumulated charges for safe-deposit box rental paid by the Treasurer to the lessor shall be deducted from the value of the property of the lessee delivered to the Treasurer."

Section 11. G.S. 53B-4 reads as rewritten:

"**§ 53B-4. Access to financial records.**

Notwithstanding any other provision of law, no government authority may have access to a customer's financial record held by a financial institution unless the financial record is described with reasonable specificity and access is sought pursuant to:

(1) Customer authorization that meets the requirements of the Right to Financial Privacy Act § 1104, 12 U.S.C. § 3404, provided, however, a customer authorization received by a State agency or a county department of social services for the purpose of determining eligibility for the programs of public assistance under Chapter 108A of the General Statutes, or for purposes of a government inquiry concerning these same programs of public assistance, cannot be revoked and shall remain valid for 12 months unless a shorter period is specified in the authorization, or a customer authorization that is given by a licensed attorney with respect to an account in which the attorney holds funds as a fiduciary;

(2) Authorization under G.S. 105-251, 105-251.1, or 105-258;

(3) Search warrant as provided in Article 11 of Chapter 15A of the General Statutes;

(4) Statutory authority of a supervisory agency to examine or have access to financial records in the exercise of its supervisory, regulatory, or monetary functions with respect to a financial institution;

(5) The authority granted under ~~G.S. 116B-39;~~ G.S. 116B-72 and G.S. 116B-74;

(6) Examination and review by the State Auditor or his authorized representative under G.S. 147-64.6(c)(9) or ~~147-64.7(a);~~ G.S. 147-64.7(a);

(7) Request by a government authority authorized to buy and sell student loan notes under Article 23 of Chapter 116 of the General Statutes for financial records relating to insured student loans;

(8) Pending litigation to which the government authority and the customer are parties;

(9) Subpoena or court order in connection with a grand jury proceeding;

(10) A writ of execution under Article 28 of Chapter 1 of the General Statutes; or

(11) Other court order or administrative or judicial subpoena authorized by law if the requirements of G.S. 53B-5 are met.

As used in this section, the term 'reasonable specificity' means that degree of specificity reasonable under all the circumstances, ~~and~~ and, with respect to requests under G.S. 116B-72 and G.S. 116B-74, may include designation by general type or ~~class as authorized in G.S. 116B-39.~~ class."

Section 12. G.S. 116-209.3 reads as rewritten:

"**§ 116-209.3. Additional powers.**

The Authority is authorized to develop and administer programs and perform all functions necessary or convenient to promote and facilitate the making and insuring of student loans and providing such other student loan assistance and services as the

Authority shall deem necessary or desirable for carrying out the purposes of this Article and for qualifying for loans, grants, insurance and other benefits and assistance under any program of the United States now or hereafter authorized fostering student loans. There shall be established and maintained a trust fund which shall be designated 'State Education Assistance Authority Loan Fund' (the 'Loan Fund') which may be used by the Authority in making student loans directly or through agents or independent contractors, insuring student loans, acquiring, purchasing, endorsing or guaranteeing promissory notes, contracts, obligations or other legal instruments evidencing student loans made by banks, educational institutions, nonprofit corporations or other eligible lenders, and for defraying the expenses of operation and administration of the Authority for which other funds are not available to the Authority. There shall be deposited to the credit of such Loan Fund the proceeds (exclusive of accrued interest) derived from the sale of its revenue bonds by the Authority and any other moneys made available to the Authority for the making or insuring of student loans or the purchase of obligations. There shall also be deposited to the credit of the Loan Fund surplus funds from time to time transferred by the Authority from the sinking fund. Such Loan Fund shall be maintained as a revolving fund. There is also deposited to the credit of the Loan Fund the income derived from the investment or deposit of the Escheat Fund distributed to the Authority pursuant to ~~G.S. 116B-37.~~ G.S. 116B-7. The income shall be held, administered and applied by the Authority as provided in any resolution adopted or trust agreement approved by the Authority, subject to the provisions of Chapter 116B of the General Statutes and this Article.

In lieu of or in addition to the Loan Fund, the Authority may provide in any resolution authorizing the issuance of bonds or any trust agreement securing such bonds that any other trust funds or accounts may be established as may be deemed necessary or convenient for securing the bonds or for making student loans, acquiring obligations or otherwise carrying out its other powers under this Article, and there may be deposited to the credit of any such fund or account proceeds of bonds or other money available to the Authority for the purposes to be served by such fund or account."

Section 13. If any provision of this act or the application thereof to any person or circumstance is held invalid, the invalidity does not affect the provisions or applications of this act which can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.

Section 14. The Revisor of Statutes shall cause to be printed with this act all explanatory comments of the drafters of this act as the Revisor may deem appropriate.

Section 15. This act becomes effective January 1, 2000, and shall apply to property existing on or after that date. G.S. 116B-54(d), as enacted in Section 6 of this act, is intended to clarify and not change existing law.

SENATE BILL 244:
Unclaimed Property Act/AB

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Hartsell
Date:	July 6, 1999	**Summary by:**	General Statutes Commission and Cindy Avrette Committee Counsel
Version:	5th Edition		

SUMMARY: ***Senate Bill 244 revises the current escheat and unclaimed property laws and adopts the Uniform Unclaimed Property Act as promulgated by the National Conference of Commissioners on Uniform State Laws. The bill as originally introduced was a recommendation of the General Statutes Commission.***

BILL ANALYSIS: A detailed section-by-section summary of the bill has been prepared by the General Statutes Commission staff and is attached to this summary. Reference should be made to the General Statutes Commission summary for detailed information on the bill. This summary highlights the four new fee provisions.

- Page 11, lines 10 through 16: A holder of property presumed abandoned must file a report with the Treasurer. A holder must pay a processing fee of $10 to request an extension of time to file a report.

  Page 18, lines 3 through 9: The Treasurer may examine or contract with any other person to examine the records of a person to determine whether the person has complied with the Unclaimed Property Act. If the examination results in the disclosure of reportable property, the Treasurer may assess against a holder who made a fraudulent report the cost of the examination at the rate of $200 a day for each examiner, or a greater amount that is reasonable and was incurred. The assessment may not exceed the value of the property found to be reportable.

- Page 18, lines 26 through 33: A holder may request the Treasurer to conduct a precompliance review. The Treasurer may charge the holder a precompliance review fee of up to $500 a day.

- Page 20, line 39 through page 21, line 2: Unclaimed property locators or heir finder must register with the Treasurer and pay an annual registration fee of $100.

Walker Reagan, counsel to the Senate Judiciary I Committee, contributed to this summary.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of State Treasurer – Escheat and Unclaimed Property Program

EFFECTIVE DATE: The act becomes effective January 1, 2000.

BILL SUMMARY: This bill rewrites the escheat and unclaimed property laws in North Carolina.

ASSUMPTIONS AND METHODOLOGY:
The following sections of SB 244 have a potential fiscal impact on the Escheat Fund:

Section 5 – G.S. 116B-8
This section has no fiscal impact. This section limits the compensation the State Treasurer pays companies to uncover unreported, escheatable property. The limit will be 10% of the final assessment of property escheated to the state. This provision will not affect the Treasurer's current contracts with two firms. The state contract with the National Abandoned Property Processing Corp. pays 10% of the recovered property. The state contract with the Unclaimed

Property Clearinghouse pays 12% (6% for an audit and 6% for processing) for recovered property. This 12% is really for two separate functions that are paid as one fee. The provision would force the Treasurer to make two payments for these services.

Section 6 – G.S. 116B-53(c) & G.S. 116B-54(b)

Amending these statutes will produce a loss of revenue for the Escheat Fund by exempting gift certificates, manufactured home buyer's deposits, and credit balances between businesses from the definition of abandoned property. As for prepaid calling cards and electronic gift cards, there is no revenue loss because the Treasurer has never escheated these items. However, assuming that these items are eligible for escheat, there is a potential revenue loss that cannot be estimated at this time.

I. Gift Certificates

The Director of the Escheat and Unclaimed Property Program estimates that the Escheat Fund will lose $500,000 per year in unclaimed assets by eliminating gift certificates from escheat. Since the Escheat and Unclaimed Property Program does not record whether a gift certificate has an expiration date or not, this estimate assumes all unclaimed gift certificates are eligible to escheat. In 1998, the state received $117,522 from five companies that listed gift certificates as a specific property type. However, officials in the Escheat and Unclaimed Property Program believe that most gift certificates and gift cards are grouped together with other property types that are reported by businesses. The state collected $6.9 million in unclaimed property from businesses other than banks, insurance companies, and utilities in 1998. It is unknown what percentage of this amount is from gift certificates.

The Director of the Escheat and Unclaimed Property Program believes his agency has only begun discovering unclaimed gift certificates, phone cards, and electronic gift cards. The State Treasurer has six auditors and two contract audit firms that search for unclaimed property in North Carolina and in other states. A recent multi-state audit of a large retail chain found $1 million in unclaimed gift certificates in North Carolina. This $1 million will be remitted to the state over the next four years unless prohibited by SB 244.

To gauge whether North Carolina's estimate of escheated gift certificates was reasonable, unclaimed property programs in other states were surveyed by e-mail by legislative staff. Of the small number of states that responded, gift certificate collections in Indiana and Maine appear to validate the $500,000 estimate for North Carolina. An official with the Indiana Office of the Attorney General reported that $425,000 in gift certificates were escheated to the state in 1998. Indiana has a population of 5.8 million versus North Carolina's 7.4 million. Maine, state population 1.24 million, had $209,100 in gift certificates escheated in 1998. Some states reported that they grouped many classes of property together like North Carolina. Other states escheated gift certificates but admitted their low collections were due to noncompliance by retailers and the state's lack of aggressiveness in seeking unclaimed gift certificates.

II. Manufactured Home Buyers' Deposit

The Escheat and Unclaimed Property Program conducted an audit of a major mobile home manufacturer in North Carolina and found **$1.2 million in unclaimed buyers' deposits.** Passage of SB 244 would prevent the deposit of these funds into the Escheat Fund. There is also an annual revenue loss to the Escheat Fund from this exemption, but no estimate is available from the Treasurer's staff at this time.

III. Credit Balances

It is estimated that the Escheat Fund will lose $250,000 a year if credit balances between businesses are exempted from escheat. Since 1988, the Escheat Fund has received $1.46 million in unclaimed credit balances from in-state and out-of-state property holders. In the last four fiscal years, business to business credit balances have averaged $250,000 a year.

Section 6 – 116B-60

This section will generate annual revenue of $500 for the Escheat Fund. The Treasurer receives approximately 50 requests a year from property holders who request extensions for filing a report. Fifty requests times the $10 fee is $500.

Section 6 – 116B-72

No estimate available. The Escheat and Unclaimed Property Program did 57 record examinations in FY 97-98. This section would allow the Treasurer to charge $200 a day for an exam of a property holder who made a fraudulent report of unclaimed property. The Treasurer's staff does not think this power will be used often due to the difficulty of proving fraud.

Section 6 – 116B-73.1

No fiscal impact. This section states that the Treasurer may charge $500 per day for precompliance reviews. Heretofore, the Treasurer has provided five property holder seminars a year and offered free precompliance advice. The Treasurer's staff does not intend to charge for their compliance efforts.

Section 6 – 116B-76

No estimate available. This section will reduce the interest rate on holders who fail to report, pay, or deliver property in a prescribed time. The interest rate reduction from 12% to the market rate will reduce interest earnings for the Escheat Fund. No estimate is available for the increase in the civil penalty for fraudulent reporting because the Treasurer has not used this authority.

Section 6 – 116B-77

No fiscal impact. The $100 registration fee for third party tracers is not anticipated to be used because there are none presently operating in North Carolina.

SEAA

The interest from the Escheat Fund is deposited with the North Carolina State Education Assistance Authority (SEAA) to provide financial assistance to students in state supported schools of higher education. The interest on Escheat Fund investments in future years is calculated at 6% per year. This is the short-term investment rate recommended by the State Treasurer. It is assumed that the interest will accrue the year after the property is escheated. This interest would have been deposited with the State Education Assistance Authority to be used for student loans. The interest lost each year is as follows:

	Cumulative	Interest
FY 1999-00	$1,574,750	
FY 2000-01	$2,324,250	$94,485
FY 2001-02	$3,073,750	$139,455
FY 2002-03	$3,823,250	$184,425
FY 2003-04	$4,572,750	$229,395

Treasurer, Merchants Sparring Over Gift Certificates

RALEIGH (AP) -- Got an old gift certificate someone gave you lying around uncashed? If you do, you're not alone.

Retailers expect to sell about $18 billion worth of gift certificates this year. Nearly 6 percent of them, over $1 billion, they estimate will never be redeemed.

The state treasurer's office estimates about $21 million in those unclaimed gift certificates will be stuck in dresser drawers in North Carolina.

What should be done with those certificates is now a matter of dispute between merchants and the treasurer's office. A bill approved by the Senate and likely to be considered this week by a House committee says gift certificates cannot be considered abandoned property that would go to the state's escheat fund in the treasurer's office. It would also exempt deposits on mobile homes, prepaid calling cards sold by phone companies and credit balances owed by one business to another.

North Carolina's escheat fund was created in 1789. Abandoned property and bank accounts are held by the state, which attempts to find the legal owner or his heirs. Interest from the fund is used for low-interest student loans.

Until 1972, the fund was managed by the University of North Carolina. When the treasurer's office took it over that year, there was about $4 million in the escheat fund.

Now, however, there is over $200 million in the fund, and the interest from it has provided 68,000 loans to students. About 4,500 new loans a year come from that interest.

Unclaimed gift certificates, says Terry Allen, who oversees the escheat fund, ought to be surrendered to the treasurer's office like other unclaimed property.

``Our primary purpose is to get it back to the people it belongs to," said Allen. ``If the state keeps whittling away and letting people keep money that doesn't belong to them, eventually you're going to hurt the fund."

An audit of an out-of-state discount chain, Allen said, showed nearly $1 million in unredeemed gift certificates that should come to the escheat fund.

But Fran Preston of the North Carolina Retail Merchants Association doesn't see it that way.

Merchants, she said, want to issue gift certificates with no expiration date. ``The main reason they are not redeemed is because they have an expiration date on them," she said. ``Somebody opens a drawer and says, `Oops, that one's expired.

``If there is no expiration date, then the gift certificate is just like cash and should not escheat."

Finding the rightful owners of gift certificates, she said, is practically impossible since they are used as gifts. The buyer, even if he could be located, is not the person who owns the certificate after it is given away.

And stores do not record the name and address of the eventual recipient, or the buyer, in most cases.

(MORE, Turn Over Page)

Stores have to pay federal and state taxes of up to 40 percent two years after a gift certificate is issued, Preston said. If it is not used in five years, then the store is supposed to surrender 100 percent of the certificate's value to the escheat fund.

The means merchants end up paying 140 percent of the certificate's value.
Allen said a study commission that looked at the issue agreed to give merchants 40 percent of the certificate's value, with 60 percent going to the state. But an amendment added in a Senate committee gave 100 percent of the value to merchants.

Prepaid phone cards and electronic greeting cards, which are like prepaid credit cards for specific stores, are such new innovations that the state has never collected them in its abandoned property fund, Allen said.

But they seem likely to become more common, and to create more abandoned property, he said. A $10 phone card, for instance, could have $1 in credit left when the customer sets it aside and forgets it. "You're talking about the potential of losing many, many millions of dollars that could be going toward student loans," Allen said.

But Preston said the income from uncashed gift certificates would be a small fraction of the escheat fund. And eliminating expiration dates will encourage more customers to use them. ``It is more important to get the certificate used by the consumer and the retailer than for the treasurer to hold it," she said.

``We are, maybe more than another business, in a relationship with the consumer," she said. ``It's in our best interest for the consumer to come in and use the certificate."

Tug of war over gift certificates

Billionaire merchant Sam Walton's heirs are sufficiently well off that they don't need to be dipping into North Carolina's college loan fund. Or at least that is how state Treasurer Harlan Boyles sees it.

This is why Boyles is not happy that the General Assembly is on the verge of providing what he sees as a multimillion-dollar windfall to Wal-Mart and other merchants by letting them keep unclaimed gift certificates.

Rob Christensen

Boyles, a conservative pro-business Democrat, thinks the unclaimed gift certificates should be turned over to the state's lost and found (escheats) fund, where the state can try to return the money to the rightful owner. And he thinks is it "selfish" and "unfair" that some companies are trying to hold on to the money.

"It is very confusing to me as to why the legislature would even give the time of day to a proposal like this when the beneficiaries are out-of-state [companies], by and large," Boyles said. And the people who would be hurt by the bill are North Carolinians, he said.

The stakes in the legislative battle are bigger than you might think. Americans spend $18 billion a year on gift certificates, and about 6 percent are never redeemed — lost, forgotten or not wanted.

Last year, the state treasurer's office collected an estimated $500,000 from stores — the value of unclaimed gift certificates.

Like other unclaimed property — savings accounts, checking accounts, securities, stocks and the like — the gift certificates end up in a special "escheat" fund in the state treasurer's office. There was $184.3 million in the pot last year.

The treasurer's office tries to find the owner. Meanwhile, interest earned in the fund is used for low-interest college loans — helping 5,000 Tar Heel students this year and 75,000 students over the years.

It was during Senate debate over a routine bill, updating the escheats law, that the legislation was amended to exempt gift certificates. The measure passed the Senate unanimously, with the backing of the N.C. Merchants Association and the N.C. Citizens for Business and Industry.

Boyles says he doesn't think it's a coincidence that the bill was amended not long after an audit found that Wal-Mart was holding $1 million in unclaimed gift certificates owned by North Carolina residents. This $1 million probably would have to be remitted to the state over the next four years, although the issue is expected to be contested.

But two of the senators responsible for the change, Republican Fletcher Hartsell of Concord and Democrat Dan Clodfelter of Charlotte, both said that Boyles has the wrong take on the issue.

They said the bill was not designed to help Wal-Mart or any other company. The two attorneys said Boyles does not have the law on his side. And despite whatever good may result from the student loans, they said, the unclaimed gift certificates are like legal tender and are the legal property of the stores and not the state.

"As far as I am concerned, the treasurer is asking us to pass a bad law so he can get credit for passing out more scholarships," Clodfelter said. "But he would be taking property that doesn't belong to the state of North Carolina. It belongs to other people."

The bill is scheduled to be considered in the House Finance Committee on Tuesday.

Senate Bill 244

Proposed amendments to Senate Bill 244

1) Eliminate fixed percentage payable to contract auditors.
2) Require the issuer of a gift certificate to retain names and addresses of purchasers.
3) Provide for the escheat of business-to-business credit balances where there is no longer a continuing business relationship.
4) Limit the reach-back period for an escheat audit to 10 years

G.S. 116B-8 Employment of persons with specialized skills or knowledge

The Treasurer's Office agrees that any persons whose services are employed by the Treasurer should meet the same confidentiality and ethics requirements as employees of the Department of State Treasurer. However, negotiation of compensation should be made by State Treasurer under competitive standards.

G.S. 116B-54(b) Exclusion of certain gift certificates or electronic gift cards

The North Carolina General Statutes Commission concurred with The National Conference of Commissioners on Uniform State Laws in deciding that it was equitable for issuers of gift certificates to retain 40% of the value of the certificate when it escheats. The Treasurer's Office also concurred on this issue.

Studies show that a gift certificate that is not presented within a year is highly unlikely to ever be presented. This year it is estimated that approximately $18 billion in gift certificates will be purchased, and approximately 6% of these will never be redeemed.

The committee substitute, adopted by the Senate, exempts gift certificates with no expiration date. This would allow for any windfall from the sale of these certificates to go to the holder rather than to be utilized for student loans.

In addition, this committee substitute

Does not protect the consumer.

Lacks any provision for making the issuer accountable.

Does not require the issuer to maintain the address of the purchaser so they can be notified after the certificate has been unredeemed after a period of time.

Does not protect the purchaser in the event of bankruptcy.

Does not prevent unredeemed certificates from being escheated to another state.

Section 2. G.S. 105-130.42(a) is recodified as G.S. 105-129.35 in Article 3D of Chapter 105 of the General Statutes.

Section 3. G.S. 105-130.42(b) is recodified as G.S. 105-129.36 in Article 3D of Chapter 105 of the General Statutes.

Section 4. G.S. 105-130.42(c) is recodified as G.S. 105-129.37 in Article 3D of Chapter 105 of the General Statutes.

Section 5. Article 3D of Chapter 105 of the General Statutes, as enacted and amended by this act, reads as rewritten:

"ARTICLE 3D.

"Historic Rehabilitation Tax Credits.

"§ **105-129.35. Credit for rehabilitating** ~~Income-Producing Historic Structure.~~ **income-producing historic structure.**

(a) Credit. -- A taxpayer who is allowed a federal income tax credit under section 47 of the Code for making ~~qualifying~~ qualified rehabilitation expenditures for a certified historic structure located in this State is allowed a credit ~~against the tax~~

~~imposed by this Part. The amount of the credit is~~ equal to twenty percent (20%) of the expenditures that qualify for the federal credit.

(b) Allocation. -- Notwithstanding the provisions of G.S. 105-131.8 and G.S. 105-269.15, a pass-through entity that qualifies for the credit provided in this section may allocate the credit among any of its owners in its discretion as long as the amount of credit allocated to an owner does not exceed the owner's adjusted basis in the pass-through entity, as determined under the Code, at the end of the taxable year in which the certified historic structure is placed in service. Owners to whom a credit is allocated are allowed the credit as if they had qualified for the credit directly. A pass-through entity and its owners must include with their tax returns for every taxable year in which an allocated credit is claimed a statement of the allocation made by the pass-through entity and the allocation that would have been required under G.S. 105-131.8 or G.S. 105-269.15.

(c) Definitions. -- The following definitions apply in this section:

(1) Certified historic structure. -- Defined in section 47 of the Code.

(2) Pass-through entity. -- An entity or business, including a limited partnership, a general partnership, a joint venture, a Subchapter S Corporation, or a limited liability company, all of which is treated as owned by individuals or other entities under the federal tax laws, in which the owners report their share of the income, losses, and credits from the entity or business on their income tax returns filed with this State. For the purpose of this section, an owner of a pass-through entity is an individual or entity who is treated as an owner under the federal tax laws.

(3) Qualified rehabilitation expenditures. -- Defined in section 47 of the Code.

"**§ 105-129.36. Credit for rehabilitating** ~~Nonincome-Producing Historic Structure.~~ **nonincome-producing historic structure.**

(a) Credit. -- A taxpayer who is not allowed a federal income tax credit under section 47 of the Code and who makes rehabilitation expenses for a ~~certified~~ State-certified historic structure located in this State is allowed a credit ~~against the tax imposed by this Part. The amount of the credit is~~ equal to thirty percent (30%) of the rehabilitation expenses. To qualify for the credit, the taxpayer's rehabilitation expenses must exceed twenty-five thousand dollars ($25,000) within a 24-month period. To claim the credit allowed by this subsection, the taxpayer must attach to the return a copy of the certification obtained from the State Historic Preservation Officer verifying that the historic structure has been rehabilitated in accordance with this subsection.

(b) Definitions. -- The following definitions apply in this ~~subsection:~~ section:

~~(1) Certified historic structure. -- A structure that is individually listed in the National Register of Historic Places or is certified by the State Historic Preservation Officer as contributing to the historic significance of a National Register Historic District or a locally~~

~~designated historic district certified by the United States Department of the Interior.~~

(2) Certified rehabilitation. -- Repairs or alterations consistent with the Secretary of the Interior's Standards for Rehabilitation and certified as such by the State Historic Preservation Officer prior to the commencement of the work. ~~The expenditures must, within a 24-month period, exceed twenty-five thousand dollars ($25,000). The North Carolina Historical Commission, in consultation with the State Historic Preservation Officer, may adopt rules needed to administer the certification process.~~

(3) Rehabilitation expenses. -- Expenses incurred in the certified rehabilitation of a certified historic structure and added to the property's basis. The term does not include the cost of acquiring the property, the cost attributable to the enlargement of an existing building, the cost of sitework expenditures, or the cost of personal property.

(3a) State-certified historic structure. -- A structure that is individually listed in the National Register of Historic Places or is certified by the State Historic Preservation Officer as contributing to the historic significance of a National Register Historic District or a locally designated historic district certified by the United States Department of the Interior.

(4) State Historic Preservation Officer. -- The Director of the Division of Archives and History or the Director's designee who acts to administer the historic preservation programs within the State.

(c) Rules. -- The North Carolina Historical Commission, in consultation with the State Historic Preservation Officer, may adopt rules needed to administer the certification process required by this section.

"**§ 105-129.37. Tax credited; credit limitations.**

(a) Tax Credited. -- The credits provided in this Article are allowed against the income taxes levied in Article 4 of this Chapter.

(b) Credit Limitations. -- The entire credit may not be taken for the taxable year in which the property is placed in service but must be taken in five equal installments beginning with the taxable year in which the property is placed in service. Any unused portion of the credit may be carried forward for the succeeding five years. ~~The~~ A credit allowed under this ~~section~~ Article may not exceed the amount of ~~tax imposed by this Part~~ the tax against which it is claimed for the taxable year reduced by the sum of all credits allowed, except payments of tax made by or on behalf of the taxpayer.

(c) Forfeiture for Disposition. -- A taxpayer who is required under section 50 of the Code to recapture all or part of the federal credit for rehabilitating an income-producing historic structure located in this State forfeits the corresponding part of the State credit allowed under G.S. 105-129.35 with respect to that historic structure. If

the credit was allocated among the owners of a pass-through entity, the forfeiture applies to the owners in the same proportion that the credit was allocated.

(d) Forfeiture for Change in Ownership. -- If an owner of a pass-through entity that has qualified for the credit allowed under G.S. 105-129.35 disposes of all or a portion of the owner's interest in the pass-through entity within five years from the date the rehabilitated historic structure is placed in service and the owner's interest in the pass-through entity is reduced to less than two-thirds of the owner's interest in the pass-through entity at the time the historic structure was placed in service, the owner forfeits a portion of the credit. The amount forfeited is determined by multiplying the amount of credit by the percentage reduction in ownership and then multiplying that product by the forfeiture percentage. The forfeiture percentage equals the recapture percentage found in the table in section 50(a)(1)(B) of the Code. The remaining allowable credit is allocated equally among the five years in which the credit is claimed.

(e) Exceptions to Forfeiture. -- Forfeiture as provided in subsection (d) of this section is not required if the change in ownership is the result of any of the following:

(1) The death of the owner.

(2) A merger, consolidation, or similar transaction requiring approval by the shareholders, partners, or members of the taxpayer under applicable State law, to the extent the taxpayer does not receive cash or tangible property in the merger, consolidation, or other similar transaction.

(f) Liability From Forfeiture. -- A taxpayer or an owner of a pass-through entity that forfeits a credit under this section is liable for all past taxes avoided as a result of the credit plus interest at the rate established under G.S. 105-241.1(i), computed from the date the taxes would have been due if the credit had not been allowed. The past taxes and interest are due 30 days after the date the credit is forfeited. A taxpayer or owner of a pass-through entity that fails to pay the taxes and interest by the due date is subject to the penalties provided in G.S. 105-236."

Section 6. G.S. 105-151.23(a) is recodified as G.S. 105-129.35; G.S. 105-151.23(b) is recodified as G.S. 105-129.36; and G.S. 105-151.23(c) is recodified as G.S. 105-129.37. Article 3D of Chapter 105 of the General Statutes, as amended by this act, incorporates both G.S. 105-130.42 and G.S. 105-151.23.

Section 7. This act is effective for taxable years beginning on or after January 1, 1999. G.S. 105-129.35(b), as amended by this act, is repealed effective January 1, 2002, for property placed in service on or after that date.

SENATE BILL 251:
Modify Historic Rehabilitation Credit

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Senator Horton
Date:	July 6, 1999	**Summary by:**	Cindy Avrette
Version:	2nd Edition		Committee Counsel

SUMMARY: Senate Bill 251 modifies the tax credit for rehabilitating income-producing historic property in two substantive ways:

- *It allows a pass-through entity, such as a Subchapter S corporation, to allocate the credit among any of the entity's owners, as long as the credit does not exceed the owner's adjusted basis in the pass-through entity. The credit amount may be allocated among any of the pass-through entity's owners, in the entity's discretion. The allocation provision sunsets in three years. Under current law, the credits must be allocated in the same proportion as other income items allocated to the owners under the Code.*
- *It adds provisions to recapture the credit if the taxpayer is required to recapture the credit under the Code or if a partner or owner disposes of its interest in the pass-through entity.*

The bill also consolidates the credits for rehabilitating an historic property into one tax Article. The credits are currently duplicated in two separate statutes in the individual and corporate parts of the income tax Article in Chapter 105. The act becomes effective beginning with the 1999 tax year.

CURRENT LAW: Under current law, taxpayers are allowed an income tax credit of 20% of the expenses of rehabilitating an income-producing historic structure and a credit of 30% of the expenses of rehabilitating an historic structure that is not income-producing. The credit for income-producing structures is lower because federal law also allows a 20% credit for those expenses, yielding a combined credit of 40%. The 20% credit is allowed only if the taxpayer qualifies for the federal credit and the 30% credit is allowed only if the taxpayer does not qualify for the federal credit. The credit may not be taken for the tax year the property is placed in service but must be taken in installments over five years after the historic structure is placed in service. Any unused portion of a credit may be carried forward for a five-year period.

Under current law, a pass-through entity may qualify for the rehabilitation credits and pass the credits on to its owners. A pass-through entity is an entity, such as a partnership, a limited liability company, or a Subchapter S corporation, that is treated as owned by individuals or other entities under federal tax law and whose income, losses, and credits are reported by the owners on their State income tax returns. Under G.S. 105-131.8 and G.S. 105-269.15, the pass-through entity is required to allocate a tax credit among its owners in the same proportion that other items, such as the federal rehabilitation credit, are allocated under the Code.

Under the Code, tax credits are allocated among S corporation shareholders in accordance with their pro rata share of the corporation, which is determined on the basis of stock ownership, and tax credits are

allocated among partners in a partnership in accordance with the partnership agreement. The allocation made by the partnership agreement must have a substantial economic effect, which means that the allocation agreement must reflect the economic interest of the partners in the partnership and cannot be based solely on tax consequences. Therefor, the allocation agreement of partners cannot give one partner 100% of the income, loss, or credits of the partnership.

BILL ANALYSIS: Sections 1 through 4 of the bill create a new Article for the historic rehabilitation tax credits. The current statutes for these tax credits are recodified as part of the new Article.

In putting together an investment group for an income-producing historic rehabilitation project, the project sponsors may find some investors that can benefit from only the federal credit because they have little or no North Carolina tax liability, and other investors than can benefit from both the federal and the North Carolina credit because they have both types of tax liability.

Section 5 of the bill allows a pass-through entity to allocate the credit for rehabilitating an income-producing historic structure among any of its owners, **as long as the amount of the allocated credit does not exceed the owner's adjusted basis in the entity, as determined under the Code. The adjusted basis is determined at the end of the taxable year in which the historic structure is placed in service.** Each year an allocated credit is claimed, the pass-through entity and its owners must include a statement with their tax return that shows both the allocation made and the allocation that would have been required under G.S. 105-131.8 and G.S. 105-269.15. G.S. 105-131.8 provides that the tax credit allowed a shareholder in a Subchapter S corporation is based on the percentage of stock held by the shareholder in the corporation. G.S. 105-269.15 provides that the tax credit allowed a partner is based on the partnership agreement, which must have substantial economic effect.

Section 5 of the bill also requires forfeiture of all or part of the credit for an income-producing historic structure when the following occurs:

- **Forfeiture for Disposition.** When a taxpayer is required by the Code to recapture part or all of the federal credit, then the taxpayer must forfeit the corresponding part of the State credit. Under the Code, the recapture does not apply if the property is disposed of because of the death of the taxpayer, a mere change in form of doing business, or a transfer between spouses or incident to a divorce
- **Forfeiture for Change in Ownership.** If an owner of a pass-through entity that qualified for the credit disposes of all or a portion of the owner's interest in the pass-through entity within 5 years from the date the structure was placed in service so that the owner's interest is reduced to less than 2/3 of its interest at the time the structure was placed in service, the owner must forfeit a portion of the credit. This recapture does not apply if the change in ownership is due to the death of the owner or to a merger or consolidation requiring approval of the members of the taxpayer pass-through entity to the extent the entity does not receive cash or property.

  <u>The Department of Revenue's example of the result if there is a forfeiture for change in ownership pursuant to G.S. 105-129.37(d) of bill.</u>

  Taxpayer Partnership A invests $1 million to rehabilitate an income-producing historic structure. The structure is placed in service on July 1, 1999. The partnership qualifies for a $200,000 credit. It allocates the credit to Owner John Doe, who is a five percent partner and has a basis in the partnership of $200,000. Mr. Doe claims a credit of $40,000 on the 1999 and 2000 tax returns. On May 25, 2001, Mr. Doe's ownership

interest is reduced to two percent, a sixty percent decrease. The forfeiture amount is $96,000, calculated as follows:

Credit ($200,000) X percentage reduction in ownership (60%) X forfeiture percentage (80% because the reduction occurred after one year but before two years after property placed in service).

The remaining allowable credit is $104,000, and $20,800 may be claimed in each year. Therefore, Mr. Doe must reduce the credit claimed on the 1999 and 2000 returns and pay to the State tax of $19,200 for each of the two years (assuming he had enough tax in those years to have claimed the entire installment of the original amount of credit. The $19,200 amount is the forfeiture amount of $96,000 X the twenty percent credit.

If a taxpayer or owner of a pass-through entity forfeits the credit, then the taxpayer or owner is liable for all past taxes avoided plus interest. The past taxes and interest are due 30 days after the credit is forfeited.

Section 6 of the bill explains the recodification.

Section 7 of the bill provides that the act is effective for taxable years beginning on or after January 1, 1999. The allocation provision of the act sunsets January 1, 2002, but this sunset applies only to property placed in service on or after that date.

BACKGROUND: In 1993, the General Assembly enacted a 5% income tax credit for qualifying expenditures to rehabilitate a certified historic structure, if the expenses qualified for the federal 20% credit. In 1997, the General Assembly raised the North Carolina credit from 5% to 20%, added the 30% credit for expenditures that did not qualify for the federal credit because the structure was not income-producing, and required both credits to be taken in installments. The federal credit is limited to structures that are used in connection with a trade or business or held for the production of income, including both residential rental buildings and nonresidential buildings. Expenditures to rehabilitate a taxpayer's personal residence would qualify for the 30% North Carolina credit but not the federal credit, because the building is not income-producing.

Section 4. G.S. 105-130.42(c) is recodified as G.S. 105-129.37 in Article 3D of Chapter 105 of the General Statutes.

Section 5. Article 3D of Chapter 105 of the General Statutes, as enacted and amended by this act, reads as rewritten:

"ARTICLE 3D.

"Historic Rehabilitation Tax Credits.

"§ 105-129.35. Credit for rehabilitating ~~Income-Producing Historic Structure.~~ income-producing historic structure.

(a) Credit. -- A taxpayer who is allowed a federal income tax credit under section 47 of the Code for making ~~qualifying~~ qualified rehabilitation expenditures for a certified historic structure located in this State is allowed a credit ~~against the tax imposed by this Part. The amount of the credit is~~ equal to twenty percent (20%) of the expenditures that qualify for the federal credit.

(b) Allocation. -- Notwithstanding the provisions of G.S. 105-131.8 and G.S. 105-269.15, a pass-through entity that qualifies for the credit provided in this section may allocate the credit among any of its owners in its discretion as long as the amount of credit allocated to an owner does not exceed the owner's adjusted basis in the pass-through entity, as determined under the Code, at the end of the taxable year in which the certified historic structure is placed in service. Owners to whom a credit is allocated are allowed the credit as if they had qualified for the credit directly. A pass-through entity and its owners must include with their tax returns for every taxable year in which an allocated credit is claimed a statement of the allocation made by the pass-through entity and the allocation that would have been required under G.S. 105-131.8 or G.S. 105-269.15.

(c) Definitions. -- The following definitions apply in this section:

(1) Certified historic structure. -- Defined in section 47 of the Code.

(2) Pass-through entity. -- An entity or business, including a limited partnership, a general partnership, a joint venture, a Subchapter S Corporation, or a limited liability company, all of which is treated as owned by individuals or other entities under the federal tax laws, in which the owners report their share of the income, losses, and credits from the entity or business on their income tax returns filed with this State. For the purpose of this section, an owner of a pass-through entity is an individual or entity who is treated as an owner under the federal tax laws.

(3) Qualified rehabilitation expenditures. -- Defined in section 47 of the Code.

"§ 105-129.36. Credit for rehabilitating ~~Nonincome-Producing Historic Structure.~~ nonincome-producing historic structure.

(a) Credit. -- A taxpayer who is not allowed a federal income tax credit under section 47 of the Code and who makes rehabilitation expenses for a ~~certified~~ State-certified historic structure located in this State is allowed a credit ~~against the tax imposed by this Part. The amount of the credit is~~ equal to thirty percent (30%) of the rehabilitation expenses. To qualify for the credit, the taxpayer's rehabilitation expenses must exceed twenty-five thousand dollars ($25,000) within a 24-month period. To claim the credit allowed by this subsection, the taxpayer must attach to the return a copy of the certification obtained from the State Historic Preservation Officer verifying that the historic structure has been rehabilitated in accordance with this subsection.

(b) Definitions. -- The following definitions apply in this ~~subsection:~~ section:

~~(1) Certified historic structure. -- A structure that is individually listed in the National Register of Historic Places or is certified by the State Historic Preservation Officer as contributing to the historic significance of a National Register Historic District or a locally designated historic district certified by the United States Department of the Interior.~~

(2) Certified rehabilitation. -- Repairs or alterations consistent with the Secretary of the Interior's Standards for Rehabilitation and certified as such by the State Historic Preservation Officer prior to the commencement of the work. ~~The expenditures must, within a 24-month period, exceed twenty-five thousand dollars ($25,000). The North Carolina Historical Commission, in consultation with the State Historic Preservation Officer, may adopt rules needed to administer the certification process.~~

(3) Rehabilitation expenses. -- Expenses incurred in the certified rehabilitation of a certified historic structure and added to the property's basis. The term does not include the cost of acquiring the property, the cost attributable to the enlargement of an existing building, the cost of sitework expenditures, or the cost of personal property.

(3a) State-certified historic structure. -- A structure that is individually listed in the National

Register of Historic Places or is certified by the State Historic Preservation Officer as contributing to the historic significance of a National Register Historic District or a locally designated historic district certified by the United States Department of the Interior.

(4) State Historic Preservation Officer. -- The Director of the Division of Archives and History or the Director's designee who acts to administer the historic preservation programs within the State.

(c) Rules. -- The North Carolina Historical Commission, in consultation with the State Historic Preservation Officer, may adopt rules needed to administer the certification process required by this section.

"§ 105-129.37. Tax credited; credit limitations.

(a) Tax Credited. -- The credits provided in this Article are allowed against the income taxes levied in Article 4 of this Chapter.

(b) Credit Limitations. -- The entire credit may not be taken for the taxable year in which the property is placed in service but must be taken in five equal installments beginning with the taxable year in which the property is placed in service. Any unused portion of the credit may be carried forward for the succeeding five years. ~~The~~ A credit allowed under this ~~section~~ Article may not exceed the amount of ~~tax imposed by this Part~~ the tax against which it is claimed for the taxable year reduced by the sum of all credits allowed, except payments of tax made by or on behalf of the taxpayer.

(c) Forfeiture for Disposition. -- A taxpayer who is required under section 50 of the Code to recapture all or part of the federal credit for rehabilitating an income-producing historic structure located in this State forfeits the corresponding part of the State credit allowed under G.S. 105-129.35 with respect to that historic structure. If the credit was allocated among the owners of a pass-through entity, the forfeiture applies to the owners in the same proportion that the credit was allocated.

(d) Forfeiture for Change in Ownership. -- If an owner of a pass-through entity that has qualified for the credit allowed under G.S. 105-129.35 disposes of all or a portion of the owner's interest in the pass-through entity within five years from the date the rehabilitated historic structure is placed in service and the owner's interest in the pass-through entity is reduced to less than two-thirds of the owner's interest in the pass-through entity at the time the historic structure was placed in service,

the owner forfeits a portion of the credit. The amount forfeited is determined by multiplying the amount of credit by the percentage reduction in ownership and then multiplying that product by the forfeiture percentage. The forfeiture percentage equals the recapture percentage found in the table in section 50(a)(1)(B) of the Code. The remaining allowable credit is allocated equally among the five years in which the credit is claimed.

(e) Exceptions to Forfeiture. -- Forfeiture as provided in subsection (d) of this section is not required if the change in ownership is the result of any of the following:

(1) The death of the owner.

(2) A merger, consolidation, or similar transaction requiring approval by the shareholders, partners, or members of the taxpayer under applicable State law, to the extent the taxpayer does not receive cash or tangible property in the merger, consolidation, or other similar transaction.

(f) Liability From Forfeiture. -- A taxpayer or an owner of a pass-through entity that forfeits a credit under this section is liable for all past taxes avoided as a result of the credit plus interest at the rate established under G.S. 105-241.1(i), computed from the date the taxes would have been due if the credit had not been allowed. The past taxes and interest are due 30 days after the date the credit is forfeited. A taxpayer or owner of a pass-through entity that fails to pay the taxes and interest by the due date is subject to the penalties provided in G.S. 105-236."

Section 6. G.S. 105-151.23(a) is recodified as G.S. 105-129.35; G.S. 105-151.23(b) is recodified as G.S. 105-129.36; and G.S. 105-151.23(c) is recodified as G.S. 105-129.37. Article 3D of Chapter 105 of the General Statutes, as amended by this act, incorporates both G.S. 105-130.42 and G.S. 105-151.23.

Section 7. G.S. 105-163.40 reads as rewritten:

"**§ 105-163.40. Time for submitting declaration; time and method for paying estimated ~~tax.~~ tax; form of payment.**

(a) Due Dates of Declarations. -- Declarations of estimated tax are due at the same time as the corporation's first installment payment. Installment payments are due as follows:

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue, Department of Cultural Resources.

EFFECTIVE DATE: Effective for taxable years beginning on or after January 1, 1999 and expires effective January 1, 2002 for property placed in service on or after that date.

BILL SUMMARY:
The bill modifies the existing historic rehabilitation income tax credit to allow a pass through organization to allocate the credits among project owners. It requires that the amount of the credit be limited to the owner's adjusted basis in the pass-through entity. It also allows for the recapture of the credit if the taxpayer is required to recapture the credit under the Code or if the taxpayer disposes of his interest in the pass-through entity. It requires the pass through organization and the property owners to include an allocation statement with their annual tax returns. It also recodifies the existing historic rehabilitation credit language in a single Article, and makes conforming changes.

BACKGROUND INFORMATION:
Federal law provides a federal income tax credit equal to 20% of qualified rehabilitation expenditures for certified historic structures that are used in connection with a trade or business or held for the production of income. This credit is available for both residential rental buildings and nonresidential buildings. In order to qualify, the property itself must be either listed in the National Register, or located in a registered historic district and be certified as being of historic significance.

Since 1993, North Carolina investors eligible for the Federal Rehabilitation Investment Tax Credit have been allowed a state income tax credit equal to one-fourth of the federal amount

(5%). The 1997 General Assembly expanded the State income tax credit from 5% to 20% for rehabilitating an income-producing historic structure, effective for tax years beginning on or after January 1, 1998. (S.L. 1997-139) The credits may not be taken in one year, but must be spread out in installments over five years after the historic structure is placed in service. Any unused portion of a credit may be carried forward for a five-year period.

ASSUMPTIONS AND METHODOLOGY:

By allowing a pass through entity to reallocate the tax credits, the bill effectively authorizes rehabilitation property owners to transfer all of the North Carolina tax credits to North Carolina residents and businesses with tax liability. Currently, if foreign investors are involved in a qualifying rehabilitation project, their tax credits can not be redistributed. For example, if there are five equal investors, but only four of them are North Carolinians, only 80% of the available North Carolina tax credits are used.

Previous fiscal notes assumed taxpayers would use 100% of their allotted credit taken over a required five-year period. Once the bills enacting the rehab credit were passed (the original enacting legislation and SB 323 which expanded the credit in 1997), the resulting revenue losses were included in future year base budget projections. The fiscal note for SB 323 assumed the number of completed federal projects each year would range from 35 projects valued at $17,500,000 in 1998 up to 60 projects valued at $30 million in 2002. However, the program has proven more popular than was originally projected. (see note below)

Under the existing law, the actual experience is that 100% of the rehab credit will probably not be used due to out-of-state investors without North Carolina income tax liability or North Carolina investors without state income tax liability. According to the Department of Cultural Resources, two of the 69 projects reviewed in 1998 had out-of-state investors. Due to the confidentiality of tax information, it is unknown if these out-of-state investors can utilize all of the rehab credits. It is also impossible to determine how many projects had in-state investors with no state tax liability.

In 1998, the Executive Director of the Historic Preservation Foundation of North Carolina, Myrick Howard, saw the pass - through issue as a technical correction. It allows rehab project managers to fully utilize the credits as envisioned in the 1997 legislation and accompanying fiscal note. On the other hand, officials from the Department of Revenue believe the credit could encourage more out of state investment. However, there is no way to quantify what that additional investment might be.

NOTE: January 1999 data from the State Historic Preservation Office (SHPO) indicate that the historic rehabilitation credit has received far more interest than expected. As an example, SHPO and Fiscal Research estimated there would be 35 projects with a total value of $17.5 million in 1998. This estimate was based on other states' experiences. In reality, the SHPO received 89 applications for rehabilitation work valued at $106 million. If all the projects are completed and all credits are utilized, project owners will recoup $21.2 million in income tax credits over five years. This is six times the $3.5 million originally estimated.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE CREATION OF MUNICIPAL SERVICE DISTRICTS IN CERTAIN CITIES FOR URBAN AREA REVITALIZATION PROJECTS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 160A-536 reads as rewritten:

"**§ 160A-536. Purposes for which districts may be established.**

(a) Purposes. -- The city council of any city may define any number of service districts in order to finance, provide, or maintain for the districts one or more of the following services, facilities, or functions in addition to or to a greater extent than those financed, provided or maintained for the entire city:

(1) Beach erosion control and flood and hurricane protection ~~works;~~ works.

(1a) (For applicability see note) Any service, facility, or function which the municipality may by law provide in the city, and including but not limited to placement of utility wiring underground, placement of period street lighting, placement of specially designed street signs and street furniture, landscaping, specialized street and sidewalk paving, and other appropriate improvements to the rights-of-way that generally preserve the character of an historic district; provided that this subdivision only applies to a service district which, at the time of its creation, had the same boundaries as an historic district created under Part 3A of Article 19 of this ~~Chapter;~~ Chapter.

(2) Downtown revitalization ~~projects;~~ projects.
(2a) Urban area revitalization projects.
(3) Drainage ~~projects;~~ projects.
(3a) Sewage collection and disposal systems of all types, including septic tank systems or other on-site collection or disposal facilities or ~~systems;~~ systems.
(4) Off-street parking ~~facilities; and~~ facilities.
(5) Watershed improvement projects, including but not limited to watershed improvement projects as defined in General Statutes Chapter 139; drainage projects, including but not limited to the drainage projects provided for by General Statutes Chapter 156; and water resources development projects, including but not limited to the federal water resources development projects provided for by General Statutes Chapter 143, Article 21.

(b) Downtown Revitalization Defined. -- As used in this section "downtown revitalization projects" include by way of illustration but not limitation improvements to water mains, sanitary sewer mains, storm sewer mains, electric power distribution lines, gas mains, street lighting, streets and sidewalks, including rights-of-way and easements therefor, the construction of pedestrian malls, bicycle paths, overhead pedestrian walkways, sidewalk canopies, and parking facilities both on-street and off-street, and other improvements intended to relieve traffic congestion in the central city, improve pedestrian and vehicular access thereto, reduce the incidence of crime therein, and generally to further the public health, safety, welfare, and convenience by promoting the economic health of the central city or downtown area. In addition, a downtown revitalization project may, in order to revitalize a downtown area and further the public health, safety, welfare, and convenience, include the provision of city services or functions in addition to or to a greater extent than those provided or maintained for the entire city. A downtown revitalization project may also include promotion and developmental activities (such as sponsoring festivals and markets in the downtown area, promoting business investment in the downtown area, helping to coordinate public and private actions in the downtown area, and developing and issuing publications on the downtown area) designed to improve the economic well-being of the downtown area and further the public health, safety, welfare, and convenience. Exercise of the authority granted by this Article to undertake downtown revitalization projects financed by a municipal service district shall not prejudice the city's authority to undertake urban renewal projects in the same area.

(c) Urban Area Revitalization Defined. -- As used in this section, the term 'urban area revitalization projects' includes the provision within an urban area of any service or facility that may be provided in a downtown area as a downtown revitalization project under subdivision (a)(2) and subsection (b) of this section. As used in this section, the term 'urban area' means an area that (i) is located within a city whose population exceeds 400,000 according to the most recent annual population statistics certified by the State Planning Officer and (ii) meets one or more of the following conditions:

(1) It is the central business district of the city.
(2) It consists primarily of existing or redeveloping concentrations of industrial, retail, wholesale, office, or significant employment-generating uses, or any combination of these uses.
(3) It is located in or along a major transportation corridor and does not include any residential parcels that are not, at their closest point, within 150 feet of the major transportation corridor right-of-way or any nonresidentially zoned parcels that are not, at their closest point, within 1,500 feet of the major transportation corridor right-of-way.
(4) It has as its center and focus a major concentration of public or institutional uses, such as airports, seaports, colleges or universities, hospitals and health care facilities, or governmental facilities.

(d) Contracts. -- A city may provide services, facilities, functions, or promotional and developmental activities in a service district with its own forces, through a contract with another governmental agency, through a contract with a private agency, or by any combination thereof. Any contracts entered into pursuant to this paragraph shall specify the purposes for which city moneys are to be used and shall require an appropriate accounting for those moneys at the end of each fiscal year or other appropriate period."

Section 2. This act is effective when it becomes law.

SENATE BILL 772:
Expand Municipal Service District

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Sen. Clodfelter
Date:	July 6, 1999	**Summary by:**	Cindy Avrette
Version:	1st Edition, as Amended Amendment unengrossed		Committee Counsel

SUMMARY: ***Senate Bill 772 expands the purposes for which service districts may be established in certain cities to include "urban area revitalization projects". The original bill defined an urban area as a city whose population exceeds 400,000. Only one city in the State, Charlotte, has a population that exceeds 400,000. The House Economic Growth and Community Development Committee amended the definition of an urban area to include a city whose population exceeds 25,000. The bill, as amended, may apply to following 23 cities: Charlotte, Raleigh, Greensboro, Winston-Salem, Durham, Fayetteville, Cary, Jacksonville, High Point, Asheville, Wilmington, Gastonia, Rocky Mount, Greenville, Goldsboro, Concord, Chapel Hill, Burlington, Wilson, Kannapolis, Hickory, Salisbury, and Kinston.***

CURRENT LAW: Article 23 of Chapter 160A sets out "The Municipal Service District Act of 1973". This Act allows a city council, by resolution, to define a service district upon finding that a proposed district is in need of one or more of the services, facilities or functions listed in the Act to a demonstrably greater extent than the remainder of the city. A service district may be established for the following purposes: (1) beach erosion control and flood and hurricane protection; (1a) certain services, facilities, or functions that preserve the character of an historic district; (2) downtown revitalization projects; (3) drainage projects, (4) off-street parking facilities; and (5) watershed improvement projects. A city may levy property taxes within defined service districts in addition to those levied throughout the city. The property taxes may not be in excess of a rate on each $100 value of property subject to taxation which, when added to the rate levied city wide, would exceed a maximum combined rate of $1.50 on the $100 appraised value of property subject to taxation. A city may also issue general obligation bonds to finance the services provided in a service district.

BILL ANALYSIS: Senate Bill 772 adds "urban area revitalization projects" to the purposes for which a service district may be established. Such projects include the providing of a service or facility within an urban area that may be provided in a downtown area as a downtown revitalization project. "Urban area " is defined as an area located within a city whose population exceeds 400,000 according to the most recent annual population statistics certified by the State Planning Officer and meets one or more of the following conditions:

1. Is the central business district of the city.
2. Consists primarily of industrial, retail, wholesale, office or significant employment generating uses.

3. Is on major transportation corridor and does not contain residential parcels within 150 feet of corridor right-of-way or nonresidentially zoned parcels within 1,500 feet of right-of-way.
4. Has as its focus a major concentration of public or institutional uses.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE AN INCENTIVE FOR BUSINESSES TO FIND COMMERCIAL USES FOR TECHNOLOGY DEVELOPED BY RESEARCH UNIVERSITIES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-129.9 reads as rewritten:

"**§ 105-129.9. Credit for investing in machinery and equipment.**

(a) ~~Credit.~~ General Credit. -- If a taxpayer that has purchased or leased eligible machinery and equipment places it in service in this State during the taxable year, the taxpayer is allowed a credit equal to seven percent (7%) of the excess of the eligible investment amount over the applicable threshold. Machinery and equipment is eligible if it is capitalized by the taxpayer for tax purposes under the Code and is not leased to another party. In addition, in the case of a large investment, machinery and equipment that is not capitalized by the taxpayer is eligible if the taxpayer leases it from another party. The credit may not be taken for the taxable year in which the equipment is placed in service but shall be taken in equal installments over the seven years following the taxable year in which the equipment is placed in service.

(a1) Technology Commercialization Credit. -- If a taxpayer is eligible for the credit allowed in this section with respect to eligible machinery and equipment and qualifies for one of the credits allowed in G.S. 105-129.9A with respect to the same machinery and equipment, the taxpayer may choose to take one of those credits instead of the credit allowed in this section. A taxpayer may take the credit allowed in this section or one of the credits allowed in G.S. 105-129.9A during a taxable year with respect to

eligible machinery and equipment, but may not take more than one of these credits with respect to the same machinery and equipment.

(b) Eligible Investment Amount. -- The eligible investment amount is the lesser of (i) the cost of the eligible machinery and equipment and (ii) the amount by which the cost of all of the taxpayer's eligible machinery and equipment that is in service in this State on the last day of the taxable year exceeds the cost of all of the taxpayer's eligible machinery and equipment that was in service in this State on the last day of the base year. The base year is that year, of the three immediately preceding taxable years, in which the taxpayer had the most eligible machinery and equipment in service in this State. A taxpayer that claims a credit under this section must include with the application for certification required under G.S. 105-129.6(a) specific documentation supporting the taxpayer's calculation of the eligible investment amount under this subsection.

(c) Threshold. -- The applicable threshold is the appropriate amount set out in the following table based on the enterprise tier of the area where the eligible machinery and equipment are placed in service during the taxable year. If the taxpayer places eligible machinery and equipment in service in more than one area during the taxable year, the threshold applies separately to the eligible machinery and equipment placed in service in each area. If the taxpayer places eligible machinery and equipment in service in an area over the course of a two-year period, the applicable threshold for the second taxable year is reduced by the eligible investment amount for the previous taxable year.

Area Enterprise Tier	Threshold
Tier One	$ -0-
Tier Two	100,000
Tier Three	200,000
Tier Four	500,000
Tier Five	1,000,000

(d) Expiration. -- If, in one of the seven years in which the installment of a credit accrues, the machinery and equipment with respect to which the credit was claimed are disposed of, taken out of service, or moved out of State, the credit expires and the taxpayer may not take any remaining installment of the credit. The taxpayer may, however, take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.5.

If, in one of the seven years in which the installment of a credit accrues, the machinery and equipment with respect to which the credit was claimed are moved to an area in a higher-numbered enterprise tier, or are moved from a development zone to an area that is not a development zone, the remaining installments of the credit are allowed only to the extent they would have been allowed if the machinery and equipment had been placed in service initially in the area to which they were moved.

(e) Planned Expansion. -- A taxpayer that signs a letter of commitment with the Department of Commerce to place specific eligible machinery and equipment in service in an area within two years after the date the letter is signed may, in the year the eligible machinery and equipment are placed in service in that area, calculate the

credit for which the taxpayer qualifies based on the area's enterprise tier and development zone designation for the year the letter was signed. All other conditions apply to the credit, but if the area has been redesignated to a higher-numbered enterprise tier or has lost its development zone designation after the year the letter of commitment was signed, the credit is allowed based on the area's enterprise tier and development zone designation for the year the letter was signed. If the taxpayer does not place part or all of the specified eligible machinery and equipment in service within the two-year period, the taxpayer does not qualify for the benefit of this subsection with respect to the machinery and equipment not placed in service within the two-year period. However, if the taxpayer qualifies for a credit in the year the eligible machinery and equipment are placed in service, the taxpayer may take the credit for that year as if no letter of commitment had been signed pursuant to this subsection."

Section 2. Article 3A of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-129.9A. Technology commercialization credit.**

(a) Credit. -- If a taxpayer that has purchased or leased eligible machinery and equipment places it in service in this State during the taxable year, the taxpayer may qualify for a credit as provided in this section. If the taxpayer is also eligible for the credit allowed under G.S. 105-129.9 with respect to the eligible machinery and equipment, the taxpayer may choose instead of the credit allowed under G.S. 105-129.9 with respect to the machinery and equipment to take one of the credits under this section for which the taxpayer qualifies. The twenty percent (20%) credit is a credit equal to twenty percent (20%) of the excess of the eligible investment amount over the applicable threshold for the taxable year. The fifteen percent (15%) credit is a credit equal to fifteen percent (15%) of the excess of the eligible investment amount over the applicable threshold for the taxable year.

Except as provided in this section, the provisions of G.S. 105-129.9 apply to the credits allowed under this section. As used in this section, the term 'research university' means an institution of higher education classified as a Research I university or a Research II university in the most recent edition of 'A Classification of Institutions of Higher Education,' the official report of The Carnegie Foundation for the Advancement of Teaching.

A credit allowed under this section must be taken for the taxable year in which the machinery and equipment are placed in service. A taxpayer may take the twenty percent (20%) credit allowed under this section, the fifteen percent (15%) credit allowed under this section, or the credit allowed in G.S. 105-129.9 during a taxable year with respect to eligible machinery and equipment, but may not take more than one of these credits with respect to the same machinery and equipment.

(b) Eligible Investment Amount. -- In calculating the eligible investment amount under this section, for the purpose of determining the taxpayer's machinery and equipment in service in this State during the taxable year and the three immediately preceding taxable years, the following exceptions apply:

(1) Machinery and equipment that were transferred to another taxpayer during the three-year period are considered the taxpayer's machinery and equipment if they are still in service in this State during the taxable year, and the taxpayer to whom they were transferred is not entitled to claim a new credit for the investment under this Article.

(2) Machinery and equipment that were taken out of service during the three-year period are considered the taxpayer's machinery and equipment in service if all of the following conditions are met:

a. The machinery and equipment were taken out of service by the taxpayer or by the person to whom the taxpayer transferred them.

b. The machinery and equipment were taken out of service at a site separate from any site with respect to which the taxpayer claims a credit under this section.

c. The machinery and equipment were used in a business that was not and is not competitive with any business with respect to which the taxpayer claimed a credit under this section. For the purpose of this subdivision, two businesses are not competitive if both of the following conditions are met:

1. Their products and services lack reasonable interchangeability of use by the customer, based on use but without regard to quality, price, condition, or availability.

2. Their products and services lack reasonable interchangeability of production in that the businesses could not readily switch production capabilities from one product or service to the other.

(c) Documentation. -- If the taxpayer claims the exception provided in subdivision (b)(2) of this section, the Secretary of Commerce must obtain an opinion of the Attorney General that the taxpayer meets all of the conditions of subdivision (b)(2) before the Secretary certifies the application under G.S. 105-129.6(a).

(d) Twenty Percent Credit. -- A taxpayer qualifies for a twenty percent (20%) credit under this section if it meets all of the following conditions:

(1) The eligible machinery and equipment are directly related to production based on technology developed by and licensed from a research university or are used to produce resources essential to the taxpayer's production based on technology developed by and licensed from a research university.

(2) The eligible machinery and equipment are placed in service in a tier one, two, or three enterprise area.

(3) The eligible investment amount is at least ten million dollars ($10,000,000) for the taxable year.

(4) The Secretary of Commerce has certified that the taxpayer will invest at least one hundred fifty million dollars ($150,000,000) in eligible machinery and equipment in a tier one, two, or three enterprise area by the end of the fourth year after the year in which the taxpayer first places eligible machinery and equipment in service in the enterprise area.

(5) No more than nine years have passed since the first taxable year the taxpayer claimed a credit under this section with respect to the same location.

(e) Fifteen Percent Credit. -- A taxpayer qualifies for a fifteen percent (15%) credit under this section if it meets all of the following conditions:

(1) The eligible machinery and equipment are directly related to production based on technology developed by and licensed from a research university, or are used to produce resources essential to the taxpayer's production based on technology developed by and licensed from a research university.

(2) The eligible machinery and equipment are placed in service in a tier one, two, or three enterprise area.

(3) The eligible investment amount is at least ten million dollars ($10,000,000) for the taxable year.

(4) The Secretary of Commerce has certified that the taxpayer will invest at least one hundred million dollars ($100,000,000) in eligible machinery and equipment in a tier one, two, or three enterprise area by the end of the fourth year after the year in which the taxpayer first places eligible machinery and equipment in service in the enterprise area.

(5) No more than nine years have passed since the first taxable year the taxpayer claimed a credit under this section with respect to the same location."

Section 3. G.S. 105-129.4(d) reads as rewritten:

"(d) Forfeiture. -- A taxpayer forfeits a credit allowed under this Article if the taxpayer was not eligible for the credit at the time the taxpayer applied for the credit. In addition, a taxpayer forfeits a large investment enhancement of a tax credit if the taxpayer fails to make the level of investment certified by the Secretary of Commerce under subsection (b1) of this section within the required two-year period. A taxpayer forfeits the technology commercialization credit allowed under G.S. 105-129.9A if the taxpayer fails to make the level of investment required by subsection (e) of that section within the required period or if the taxpayer fails to meet the terms of its licensing agreement with a research university. If a taxpayer claimed a twenty percent (20%) technology commercialization credit under G.S. 105-129.9A(d) and fails to make the level of investment required under that subsection within the required period, but does make the level of investment required under subsection (e) of that section within the required period, the taxpayer forfeits one-fourth of the twenty percent (20%) credit.

A taxpayer that forfeits a credit under this Article is liable for all past taxes avoided as a result of the credit plus interest at the rate established under G.S. 105-241.1(i), computed from the date the taxes would have been due if the credit had not been allowed. The past taxes and interest are due 30 days after the date the credit is forfeited; a taxpayer that fails to pay the past taxes and interest by the due date is subject to the penalties provided in G.S. 105-236. If a taxpayer forfeits the credit for creating jobs or the credit for investing in machinery and equipment, the taxpayer also forfeits any credit for worker training claimed for the jobs for which the credit for creating jobs was claimed or the jobs at the location with respect to which the credit for investing in machinery and equipment was claimed."

Section 4. G.S. 105-129.5 reads as rewritten:

"**§ 105-129.5. Tax election; cap.**

(a) Tax Election. -- The credits provided in this Article are allowed against the franchise tax levied in Article 3 of this Chapter and the income taxes levied in Article 4 of this Chapter. The credit for investing in central administrative office property provided in G.S. 105-129.12 is also allowed against the gross premiums tax levied in Article 8B of this Chapter. The taxpayer may divide the technology commercialization credit allowed in G.S. 105-129.9A between the taxes against which it is allowed. The taxpayer must take any other credit allowed in this Article against only one of the taxes against which it is allowed. The taxpayer shall elect the tax against which a credit will be claimed when filing the return on which the first installment of the credit is claimed. This election is binding. Any carryforwards of the credit must be claimed against the same tax.

(b) Cap. -- The credits allowed under this Article may not exceed fifty percent (50%) of the tax against which they are claimed for the taxable year, reduced by the sum of all other credits allowed against that tax, except tax payments made by or on behalf of the taxpayer. This limitation applies to the cumulative amount of credit, including carryforwards, claimed by the taxpayer under this Article against each tax for the taxable year. Any unused portion of a credit with respect to a large investment or with respect to the technology commercialization credit allowed in G.S. 105-129.9A may be carried forward for the succeeding 20 years. Any unused portion of any other credit may be carried forward for the succeeding five years."

Section 5. This act is effective for taxable years beginning on or after January 1, 2000.

NORTH CAROLINA GENERAL ASSEMBLY
LEGISLATIVE FISCAL NOTE

BILL NUMBER: SB 1110 (Finance Committee Substitute Adopted 6/15/99) Technology Commercialization Credit

SHORT TITLE: Technology Commercialization Credit

FISCAL IMPACT ($ Mill.)

	FY 1999-00	FY 2000-01	FY 2001-02	FY 2002-03	FY 2003-04
REVENUES					
State General Fund		-$2.1	-$2.1	-$2.1	-$2.1

PRINCIPAL DEPARTMENTS AFFECTED: Department of Revenue and Department of Commerce

EFFECTIVE DATE: Tax years beginning on or after January 1, 2000.

BILL SUMMARY: Adds a new investment tax credit that would be an alternative to the targeted 7% credit under the Bill Lee Act. The credit would apply to investments in machinery and equipment that meet the following conditions:

(1) Machinery and equipment is used in production that is based on technology licensed from a research university.
(2) Investment is located in a Tier 1, 2, or 3 county.
(3) Investment mounts to at least $10 million during the taxable year and at least $100 million over a five-year period.

If the investment amount is $100-$150 million during a five-year period, the credit is equal to 15% of the amount invested. If the amount is at least $150 million, the credit is 20%. The credit is available for 10 years of investments at a single location. The credit is taken in the year the investment in placed in service and is not required to be offset by machinery and equipment sold to another taxpayer if the new owner keeps the machinery and equipment in service in North Carolina. In addition, the credit is not required to be offset by machinery and equipment the taxpayer takes out of service at a separate location and was used in a business that is not competitive with the technology commercialization business. The credit may be taken against the income tax, the franchise tax, or both and may be carried forward 20 years.

ASSUMPTIONS AND METHODOLOGY: A review was made of planned investment activity, state tax liability, and existing Bill Lee Act credit usage data voluntarily supplied by a taxpayer planning a major project in a Tier 3 county in Southeastern North Carolina.

The major unknown is the potential additional tax loss from new or expanded investments that are stimulated by the incentives provided in the bill. Some issues affecting this activity are shown on next page.

Factors That Could Limit Fiscal Impact:

(1) The language in the proposed committee substitute limits eligibility in the following ways:

a. Size of investment: at least $100 million.
b. Location: Tiers 1, 2, or 3.
c. Production process at facility: based on technology licensed from a research university.

(2) A review of 1993-98 investment "announcements" compiled by the Department of Commerce indicates that only 20% of the number of announcements were located in Tiers 1-3. Many of the investments were not in manufacturing or processing industries.

(3) A conceptual point is that if a new or expanded investment is dependent upon the adoption of a particular incentive, the state's revenue loss will be from an economic activity that is not included in the baseline revenue forecast. In other words, if the investment does not take place, the bill would have no impact. In addition, the revenue forecasts used in the budget process have not built in a projection of the additional state and local tax revenues that will result from the investment decision.

(4) The cost of the new incentive would be offset to some extent by the cost of investment tax credits available under current law.

(5) The enhanced credit plus other Bill Lee Act credits taken cannot exceed 50% of tax due for a particular year.

(6) The special language in the bill having to do with the modification of the "net investment" test is fairly restrictive (see last paragraph in "Bill Summary").

Factors That Could Expand Fiscal Impact:

(1) There would be a revenue loss in traditional budgeting terms if the taxpayers making the new or expanded investment would do so without the proposed incentives.

(2) The new tax credits are substantially more lucrative to the taxpayer than the current Bill Lee Act investment tax credits.

A BILL TO BE ENTITLED

AN ACT TO ENACT THE NORTH CAROLINA UNCLAIMED PROPERTY ACT AND TO MAKE CONFORMING AMENDMENTS TO THE GENERAL STATUTES, AS RECOMMENDED BY THE GENERAL STATUTES COMMISSION, AND TO MAKE OTHER CHANGES TO THE ESCHEATS LAWS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 116B-4 reads as rewritten:

"**§ 116B-4. Claim for escheated property.**

Any escheated property or proceeds from the sale of escheated property held by the Escheat Fund pursuant to ~~G.S. 116B-27~~ G.S. 116B-5 may be claimed by an heir of the decedent or by a creditor of the decedent who is not barred from presenting a claim under the provisions of Article 19 of ~~Chapter 28A.~~ Chapter 28A of the General Statutes. ~~The claim shall be made on a form prescribed by the Treasurer and shall be presented to the Treasurer. If the Treasurer determines that the claimant is entitled to all or a portion of the escheated property or the proceeds from its sale, he shall make payment of the claim or return of the property. The claimant shall agree to indemnify the State, the State Treasurer and the Escheat Fund from any claim arising out of or in connection with refund of the property claimed.~~ The provisions of ~~G.S.~~

~~116B-38(b) and (c)~~ G.S. 116B-67(a), (c), (d), and (e) and G.S. 116B-68 shall apply to a claim under this ~~subsection.~~ section."

Section 2. Article 2 of Chapter 116B of the General Statutes is repealed.

Section 3.(a) Except as provided in subsection (b) of this section, Article 3 of Chapter 116B of the General Statutes is repealed.

Section 3.(b) G.S. 116B-27 is recodified as G.S. 116B-5 within Article 1 of Chapter 116B of the General Statutes. G.S. 116B-36 is recodified as G.S. 116B-6 within Article 1 of Chapter 116B of the General Statutes. G.S. 116B-37 is recodified as G.S. 116B-7 within Article 1 of Chapter 116B of the General Statutes. G.S. 116B-47 is recodified as G.S. 116B-8 within Article 1 of Chapter 116B of the General Statutes.

Section 4.(a) G.S. 116B-6(b), as recodified by subsection (b) of Section 3 of this act, reads as rewritten:

"(b) Investment and Transfer of Assets; Income. -- The Treasurer ~~shall be~~ is the trustee of the Escheat Account and ~~shall have~~ has full power to invest and reinvest the assets of the Escheat Account and the Escheat Fund. Subject to the Treasurer's withholding an amount necessary to accomplish ~~his~~ the Treasurer's duties as set out in this Chapter, including subsections (e), (f) and (g) of this section, the Treasurer shall transfer, at least annually, to the Escheat Account all moneys then in ~~his~~ the Treasurer's custody received as, or derived from the disposition of, escheated and abandoned property and shall disburse to the State Education Assistance Authority, as provided in ~~G.S. 116B-37,~~ G.S. 116B-7, the income derived from the investment of the Escheat Account and the Escheat Fund. All moneys transferred to the Escheat Account under this section shall be accounted for and administered separately from other assets and money in the trust fund created under G.S. 116-209."

Section 4.(b) G.S. 116B-6(h) as recodified by subsection (b) of Section 3 of this act, reads as rewritten:

"(h) Expenditures. -- The Treasurer may expend the funds in the Escheat Fund, other than funds in the Escheat Account, for the payment of claims for refunds to owners, holders and claimants under G.S. 116B-4; for the payment of costs of maintenance and upkeep of abandoned or escheated property; costs of preparing lists of names of owners of abandoned property to be furnished to clerks of superior court; costs of notice and publication; costs of appraisals; fees of persons employed pursuant to ~~G.S. 116B-47,~~ G.S. 116B-8 costs involved in determining whether a decedent died without heirs; costs of a title search of real property that has escheated; and costs of auction or sale under this Chapter. All other costs, including salaries of personnel, necessary to carry out the duties of the Treasurer under this Chapter, shall be appropriated from the funds of the Escheat Fund pursuant to the provisions of Article 1, Chapter 143 of the General Statutes."

Section 5. G.S. 116B-8, as recodified by subsection (b) of Section 3 of this act, reads as rewritten:

"**§ 116B-8. Employment of persons with specialized skills or knowledge.**

The Treasurer may employ the services of such independent consultants, real estate managers and other persons possessing specialized skills or knowledge as ~~he~~

~~shall deem~~ the Treasurer deems necessary or appropriate for the administration of this Chapter, ~~including, but specifically not limited to,~~ including valuation, maintenance, upkeep, management, sale and conveyance of property and determination of sources of unreported abandoned property. The Treasurer may also employ the services of an attorney to perform a title search or to provide an accurate legal description of real property which ~~he~~ the Treasurer has reason to believe may have escheated. Persons whose services are employed by the Treasurer pursuant to this section to determine sources and amounts of unreported property are subject to the same policies, including confidentiality and ethics, as employees of the Department of State Treasurer assigned to determine sources and amounts of unreported property. Compensation of persons whose services are employed pursuant to this section on a contingent fee basis shall be limited to twelve percent (12%) of the final assessment."

Section 6. Chapter 116B of the General Statutes is amended by adding the following new article to read:

"ARTICLE 4.

"North Carolina Unclaimed Property Act.

"§ 116B-51. Short title.

This Article may be cited as the 'North Carolina Unclaimed Property Act.'

"§ 116B-52. Definitions.

In this Chapter:

(1) 'Apparent owner' means a person whose name appears on the records of a holder as the person entitled to property held, issued, or owing by the holder.

(2) 'Business association' means a corporation, joint stock company, investment company, partnership, unincorporated association, joint venture, limited liability company, business trust, trust company, land bank, safe deposit company, safekeeping depository, financial organization, insurance company, mutual fund, utility, or other business entity consisting of one or more persons, whether or not for profit.

(3) 'Domicile' means the state of incorporation of a corporation and the state of the principal place of business of a holder other than a corporation.

(4) 'Financial organization' means a savings and loan association, building and loan association, savings bank, industrial bank, bank, banking organization, or credit union.

(5) 'Holder' means a person obligated to hold for the account of or deliver or pay to the owner property that is subject to this Chapter.

(6) 'Insurance company' means an association, corporation, or fraternal or mutual benefit organization, whether or not for profit, engaged in the business of providing life endowments, annuities, or insurance, including accident, burial, casualty, credit life, contract performance, dental, disability, fidelity, fire, health, hospitalization,

illness, life, malpractice, marine, mortgage, surety, wage protection, and workers' compensation insurance.

(7) 'Mineral' means gas, oil, coal, other gaseous, liquid, and solid hydrocarbons, oil shale, cement material, sand and gravel, road material, building stone, chemical raw material, gemstone, fissionable and nonfissionable ores, colloidal and other clay, steam and other geothermal resource, or any other substance defined as a mineral by the law of this State.

(8) 'Mineral proceeds' means amounts payable for the extraction, production, or sale of minerals, or, upon the abandonment of those payments, all payments that become payable thereafter. The term includes amounts payable:

a. For the acquisition and retention of a mineral lease, including bonuses, royalties, compensatory royalties, shut-in royalties, minimum royalties, and delay rentals;

b. For the extraction, production, or sale of minerals, including net revenue interests, royalties, overriding royalties, extraction payments, and production payments; and

c. Under an agreement or option, including a joint operating agreement, unit agreement, pooling agreement, and farm-out agreement.

(9) 'Owner' means a person who has a legal or equitable interest in property subject to this Chapter or the person's legal representative. The term includes a depositor in the case of a deposit, a beneficiary in the case of a trust other than a deposit in trust, and a creditor, claimant, or payee in the case of other property.

(10) 'Person' means an individual, business association, financial organization, estate, trust, government, governmental subdivision, agency, or instrumentality, or any other legal or commercial entity.

(11) 'Property' means tangible personal property physically located within this State or a fixed and certain interest in intangible property that is held, issued, or owed in the course of a holder's business, or by a government, governmental subdivision, agency, or instrumentality, and all income or increments therefrom. The term includes property that is referred to as or evidenced by:

a. Money, a check, draft, deposit, interest, or dividend;

b. Credit balance, customer's overpayment, gift certificate, security deposit, refund, credit memorandum, unpaid wage, unused ticket, mineral proceeds, or unidentified remittance;

c. Stock or other evidence of ownership of an interest in a business association;

d. A bond, debenture, note, or other evidence of indebtedness;

e. Money deposited to redeem stocks, bonds, coupons, or other securities, or to make distributions;

f. An amount due and payable under the terms of an annuity or insurance policy, including policies providing life insurance, property and casualty insurance, workers' compensation insurance, or health and disability insurance; and

g. An amount distributable from a trust or custodial fund established under a plan to provide health, welfare, pension, vacation, severance, retirement, death, stock purchase, profit sharing, employee savings, supplemental unemployment insurance, or similar benefits.

(12) 'Record' means information that is inscribed on a tangible medium or that is stored in an electronic or other medium and is retrievable in perceivable form.

(13) 'State' means a state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, or any territory or insular possession subject to the jurisdiction of the United States.

(14) 'Treasurer' means the Treasurer of the State of North Carolina or the Treasurer's designated agent.

(15) 'Utility' means a person who owns or operates for public use any plant, equipment, real property, franchise, or license for the transportation of the public, the transmission of communications, or the production, storage, transmission, sale, delivery, or furnishing of electricity, water, steam, or gas.

"§ 116B-53. Presumptions of abandonment.

(a) Property is unclaimed if the apparent owner has not communicated in writing or by other means reflected in a contemporaneous record prepared by or on behalf of the holder, with the holder concerning the property or the account in which the property is held, and has not otherwise indicated an interest in the property. A communication with an owner by a person (other than the holder or its representative) who has not, in writing, identified the property to the owner is not an indication of interest in the property by the owner.

(b) An indication of an interest in property includes:

(1) The presentment of a check or other instrument of payment of a dividend or other distribution made with respect to an account or underlying stock or other interest in a business association or, in the case of a distribution made by electronic or similar means, evidence that the distribution has been received;

(2) The presentment of a check or other instrument of payment of interest made with respect to debt of a business association or, in the case of an interest payment made by electronic or similar means, evidence that the interest payment has been received;

(3) Owner-directed activity in the account in which the property is held, including a direction by the owner to increase, decrease, or change the amount or type of property held in the account;

(4) The making of a deposit to or withdrawal from an account in a financial organization;

(5) Owner activity in another account with the holder of a deposit described in subdivisions (c)(2) and (c)(6) of this section; and

(6) The payment of a premium with respect to a property interest in an insurance policy; but the application of an automatic premium loan provision or other nonforfeiture provision contained in an insurance policy does not prevent a policy from maturing or terminating if the insured has died or the insured or the beneficiary of the policy has otherwise become entitled to the proceeds before the depletion of the cash surrender value of a policy by the application of those provisions.

(c) Property is presumed abandoned if it is unclaimed by the apparent owner during the time set forth below for the particular property:

(1) Traveler's check, 15 years after issuance;

(2) Time deposit, including a deposit that is automatically renewable, 10 years after the later of initial maturity or the date of the last indication by the owner of interest in the property;

(3) Money order, cashier's check, teller's check, and certified check, seven years after issuance;

(4) Stock or other equity interest in a business association, including a security entitlement under Article 8 of the Uniform Commercial Code, Chapter 25 of the General Statutes, five years after the earlier of:

a. The date of a cash dividend or other cash distribution unclaimed by the apparent owner, or

b. The date of the second mailing of a stock certificate or other evidence of ownership, a statement of account, or other notification or communication which second mailing was returned as undeliverable or the date the holder discontinued mailings, notifications, or communications to the apparent owner;

(5) Debt of a business association, other than a bearer bond or an original issue discount bond, five years after the date of an interest payment unclaimed by the apparent owner;

(6) Demand or savings deposit, five years after the date of the last indication by the owner of interest in the property;

(7) Money or credits owed to a customer as a result of a retail business transaction, three years after the obligation accrued;

(8) Any gift certificate or electronic gift card bearing an expiration date and remaining unredeemed or dormant for more than three

years after the gift certificate or electronic gift card was sold is deemed abandoned. The amount abandoned is deemed to be sixty percent (60%) of the unredeemed portion of the face value of the gift certificate or the electronic gift card;

(9) Amount owed by an insurer on a life or endowment insurance policy or an annuity that has matured or terminated, three years after the obligation to pay arose or, in the case of a policy or annuity payable upon proof of death, three years after the insured has attained, or would have attained if living, the limiting age under the mortality table on which the reserve is based;

(10) Property distributable by a business association in a course of dissolution, one year after the property becomes distributable;

(11) Property received by a court as proceeds of a class action, and not distributed pursuant to the judgment, one year after the distribution date;

(12) Property held by a court, government, governmental subdivision, agency, or instrumentality, one year after the property becomes distributable;

(13) Wages or other compensation for personal services, two years after the compensation becomes payable;

(14) Deposit or refund owed to a subscriber by a utility, one year after the deposit or refund becomes payable;

(15) Property in an individual retirement account, defined benefit plan, or other account or plan that is qualified for tax deferral under the income tax laws of the United States, three years after the earliest of the date of the distribution or attempted distribution of the property, the date of the required distribution as stated in the plan or trust agreement governing the plan, or the date, if determinable by the holder, specified in the income tax laws of the United States by which distribution of the property must begin in order to avoid a tax penalty; and

(16) All other property, five years after the owner's right to demand the property or after the obligation to pay or distribute the property arises, whichever first occurs.

(d) At the time that an interest in property is presumed abandoned under subsection (c) of this section, any other property right accrued or accruing to the owner as a result of the interest, and not previously presumed abandoned, is also presumed abandoned.

(e) Property is payable or distributable for purposes of this Chapter notwithstanding the owner's failure to make demand or present an instrument or document otherwise required to obtain payment or distribution, except as otherwise provided by the Uniform Commercial Code.

"**§ 116B-54. Exclusion for forfeited reservation deposits, certain gift certificates or electronic gift cards, prepaid calling cards, certain manufactured home buyer deposits, and certain credit balances.**

(a) A forfeited reservation deposit is not abandoned property. For the purposes of this section, the term 'reservation deposit' means an amount of money paid to a business association to guarantee that the business association holds a specific service, such as a room accommodation at a hotel, seating at a restaurant, or an appointment with a doctor, for a specified date and place. The term 'reservation deposit' does not include an application fee, a utility deposit, or a deposit made toward the purchase of real property.

(b) A gift certificate or electronic gift card is not abandoned property when the gift certificate or electronic gift card:

(1) Conspicuously states that the gift certificate or electronic gift card does not expire;

(2) Bears no expiration date; or

(3) States that a date of expiration printed on the gift certificate or electronic gift card is not applicable in North Carolina.

(c) A prepaid calling card issued by a public utility as defined in G.S. 62-3(23)a.6. is not abandoned property.

(d) A buyer deposit that a dealer is authorized to retain under either G.S. 143-143.21A or G.S. 143-143.21B is not abandoned property and is not subject to this Article.

(e) Credit balances as shown on the records of a business association to or for the benefit of another business association, shall not constitute abandoned property. For purposes of this section, the term 'credit balances' means items such as overpayments or underpayments on the sale of goods or services.

"**§ 116B-55. Contents of safe deposit box or other safekeeping depository.**

Contents of a safe deposit box or other safekeeping depository held by a financial organization is presumed abandoned if the apparent owner has not claimed the property within the period established by G.S. 53-43.7 and shall be delivered to the Treasurer as provided by that section. If the contents include property described in G.S. 116B-53, the Treasurer shall hold the property for the remainder of the applicable period set forth in that section before the property is deemed to be received for purpose of sale under G.S. 116B-65.

"**§ 116B-56. Rules for taking custody.**

(a) Except as otherwise provided in this Chapter or by other statute of this State, property that is presumed abandoned, whether located in this or another state, is subject to the custody of this State if:

(1) The last known address of the apparent owner, as shown on the records of the holder, is in this State;

(2) The records of the holder do not reflect the identity of the person entitled to the property, and it is established that the last known address of the person entitled to the property is in this State;

(3) The records of the holder do not reflect the last known address of the apparent owner and it is established that:
a. The last known address of the person entitled to the property is in this State; or
b. The holder is domiciled in this State or is a government or governmental subdivision, agency, or instrumentality of this State and has not previously paid or delivered the property to the state of the last known address of the apparent owner or other person entitled to the property;
(4) The last known address of the apparent owner, as shown on the records of the holder, is in a state that does not provide for the escheat or custodial taking of the property, and the holder is domiciled in this State or is a government or governmental subdivision, agency, or instrumentality of this State;
(5) The last known address of the apparent owner, as shown on the records of the holder, is in a foreign country, and the holder is domiciled in this State or is a government or governmental subdivision, agency, or instrumentality of this State; or
(6) The property is a traveler's check or money order purchased in this State or the issuer of the traveler's check or money order has its principal place of business in this State and the issuer's records show that the instrument was purchased in a state that does not provide for the escheat or custodial taking of the property or do not show the state in which the instrument was purchased.

(b) In the case of an amount payable under the terms of an annuity or insurance policy, the last known address of the person entitled to the property is presumed to be the same as the last known address of the insured or the principal, as shown on the records of the insurance company, if:
(1) A person other than the insured or the principal is entitled to the property; and
(2) Either:
a. No address of the person is known to the insurance company; or
b. The records of the insurance company do not reflect the identity of the person.

"**§ 116B-57. Dormancy charge; other lawful charges.**

(a) A holder may deduct from property presumed abandoned a reasonable charge imposed by reason of the owner's failure to claim the property within a specified time only if there is a valid and enforceable written contract between the holder and the owner under which the holder may impose the charge and the holder regularly imposes the charge, which is not regularly reversed or otherwise canceled.

(b) This Chapter does not prevent a holder from deducting from property presumed abandoned other lawful charges specifically authorized by statute or by a valid and enforceable contract.

"**§ 116B-58. Burden of proof as to property evidenced by record of check or draft.**

A record of the issuance of a check, draft, or similar instrument is prima facie evidence of an obligation. In claiming property from a holder who is also the issuer, the Treasurer's burden of proof as to the existence and amount of the property and its abandonment is satisfied by showing issuance of the instrument and passage of the requisite period of abandonment. Defenses of payment, satisfaction, discharge, and want of consideration are affirmative defenses that must be established by the holder. In asserting these affirmative defenses, a holder who is also the issuer may satisfy the holder's burden of proof by showing a written acknowledgement by the payee of a check, draft, or similar instrument that no obligation is owed the payee.

"**§ 116B-59. Notice by holders to apparent owners.**

(a) A holder of property presumed abandoned shall make a good faith effort to locate an apparent owner.

(b) The holder shall send written notice, by first-class mail, to the apparent owner, not more than 120 days or less than 60 days before filing the report required by G.S. 116B-60, to the last known address of the apparent owner as reflected in the holder's records, if the value of the property is fifty dollars ($50.00) or more.

(c) The notice must contain:

(1) A statement that, according to the records of the holder, property is being held to which the addressee appears entitled and the amount or description of the property;

(2) The name and address of the person holding the property and any necessary information regarding changes of name and address of the holder;

(3) A statement that, if satisfactory proof of claim is not presented by the owner to the holder by the following October 1 or, if the holder is an insurance company, by the following April 1, the property will be placed in the custody of the Treasurer, to whom all further claims shall be directed.

"**§ 116B-60. Report of abandoned property; certification by holders with tax return.**

(a) A holder of property presumed abandoned shall make a report to the Treasurer concerning the property.

(b) The report must be verified and must contain:

(1) A description of the property;

(2) Except with respect to a traveler's check or money order, the name, if known, and last known address, if any, and the social security number or taxpayer identification number, if readily ascertainable, of the apparent owner of property of the value of fifty dollars ($50.00) or more;

(3) An aggregated amount of items valued under fifty dollars ($50.00) each;

(4) In the case of an amount of fifty dollars ($50.00) or more held or owing under an annuity or a life or endowment insurance policy,

the full name and last known address of the annuitant or insured and of the beneficiary;

(5) The date, if any, on which the property became payable, demandable, or returnable, and the date of the last transaction or communication with the apparent owner with respect to the property; and

(6) Other information that the Treasurer by rule prescribes as necessary for the administration of this Chapter.

(c) If a holder of property presumed abandoned is a successor to another person who previously held the property for the apparent owner or the holder has changed its name while holding the property, the holder shall file with the report its former names, if any, and the known names and addresses of all previous holders of the property.

(d) The report must be filed before November 1 of each year and cover the 12 months next preceding July 1 of that year, but a report with respect to a life insurance company must be filed before May 1 of each year for the calendar year next preceding.

(e) Before the date for filing the report, the holder of property presumed abandoned may request the Treasurer to extend the time for filing the report. A request for an extension for filing a report shall be accompanied by an extension processing fee of ten dollars ($10.00). The Treasurer may grant the extension for good cause. The holder, upon receipt of the extension, may make an interim payment on the amount the holder estimates will ultimately be due, which terminates the accrual of additional interest on the amount paid.

(f) The holder of property presumed abandoned shall file with the report an affidavit stating that the holder has complied with G.S. 116B-59.

(g) Every business association holding property presumed abandoned under this Chapter shall certify the holding in the income tax return required by Chapter 105 of the General Statutes. The certification shall be a part of the tax return with which it is filed. If the business association is not required to file an income tax return under Chapter 105, the certification shall be made in the form and manner required by the Secretary of Revenue. The information appearing on the certification is not privileged or confidential, and this information shall be furnished by the Secretary of Revenue to the Escheat Fund on October 1 of each year, or if this date shall fall on a weekend or holiday, on the next regular business day.

"**§ 116B-61. Payment or delivery of abandoned property.**

(a) Upon filing the report required by G.S. 116B-60, the holder of property presumed abandoned shall pay, deliver, or cause to be paid or delivered to the Treasurer the property described in the report, but if the property is an automatically renewable deposit, and a penalty or forfeiture in the payment of interest would result, the time for compliance is extended to the next filing and delivery date at which a penalty or forfeiture would no longer result.

(b) If the property reported to the Treasurer is a security or security entitlement under Article 8 of Chapter 25 of the General Statutes, the Treasurer is an

appropriate person to make an indorsement, instruction, or entitlement order on behalf of the apparent owner to invoke the duty of the issuer or its transfer agent or the securities intermediary to transfer or dispose of the security or the security entitlement in accordance with Article 8 of Chapter 25 of the General Statutes.

(c) If the holder of property reported to the Treasurer is the issuer of a certificated security, the Treasurer has the right to obtain a replacement certificate pursuant to G.S. 25-8-405, but an indemnity bond is not required.

(d) An issuer, the holder, and any transfer agent or other person acting pursuant to the instructions of and on behalf of the issuer or holder in accordance with this section is not liable to the apparent owner and must be indemnified against claims of any person in accordance with G.S. 116B-63.

"**§ 116B-62. Preparation of list of owners by Treasurer.**

(a) There shall be delivered to the clerk of superior court of each county prior to June 30 of each year a list prepared by the Treasurer of escheated and abandoned property reported to the Treasurer. The list shall contain:

(1) The names, if known, in alphabetical order of surname, and last known addresses, if any, of apparent owners of escheated and abandoned property;

(2) The names and addresses of the holders of the abandoned property; and

(3) A statement that claim and proof of legal entitlement to escheated or abandoned property shall be presented by the owner to the Treasurer, which statement shall set forth where further information may be obtained.

(b) At the time the lists are distributed to the clerks of superior court, the Treasurer shall cause to be published once each week for two consecutive weeks, in at least two newspapers having general circulation in this State, a notice stating the nature of the lists and that the lists are available for inspection at the offices of the respective clerks of superior court, together with any other information the Treasurer deems appropriate to appear in the notice.

(c) The Treasurer is not required to include in any list any item of a value, as determined by the Treasurer, in the Treasurer's discretion, of less than fifty dollars ($50.00), unless the Treasurer deems inclusion of items of lesser amounts to be in the public interest.

(d) The clerks of superior court shall retain the lists on permanent file in their offices and shall make them available for public inspection.

(e) The lists prepared by the Treasurer shall include only escheated and abandoned property reported for the current reporting date and are not required to be cumulative lists of escheated and abandoned property previously reported.

(f) Notwithstanding the provisions of Chapter 132 of the General Statutes, the supporting data and lists of apparent owners of escheated and abandoned property may be confidential until six months after the notice to clerks of superior court required by subsection (b) of this section has been distributed. This subsection shall

not apply to owners of reported property making inquiries about their property to the Escheat Fund.

"§ 116B-63. Custody by State; recovery by holder; defense of holder.

(a) In this section, payment or delivery is made in 'good faith' if:

(1) Payment or delivery was made in a reasonable attempt to comply with this Chapter;

(2) The holder was not then in breach of a fiduciary obligation with respect to the property and had a reasonable basis for believing, based on the facts then known, that the property was presumed abandoned; and

(3) There is no showing that the records under which the payment or delivery was made did not meet reasonable commercial standards of practice.

(b) Upon payment or delivery of property to the Treasurer, the State assumes custody and responsibility for the safekeeping of the property. A holder who pays or delivers property to the Treasurer in good faith is relieved of all liability arising thereafter with respect to the property.

(c) A holder who has paid money to the Treasurer pursuant to this Chapter may subsequently make payment to a person reasonably appearing to the holder to be entitled to payment. Upon a filing by the holder of proof of payment and proof that the payee was entitled to the payment, the Treasurer shall promptly reimburse the holder for the payment without imposing a fee or other charge. If reimbursement is sought for a payment made on a negotiable instrument, including a traveler's check or money order, the holder must be reimbursed upon filing proof that the instrument was duly presented and that payment was made to a person who reasonably appeared to be entitled to payment. The holder must be reimbursed for payment made even if the payment was made to a person whose claim was barred under G.S. 116B-71(a).

(d) A holder who has delivered property other than money to the Treasurer pursuant to this Chapter may reclaim the property if it is still in the possession of the Treasurer,without paying any fee or other charge, upon filing proof that the apparent owner has claimed the property from the holder.

(e) The Treasurer may accept a holder's affidavit as sufficient proof of the holder's right to recover money and property under this section.

(f) If a holder pays or delivers property to the Treasurer in good faith and thereafter another person claims the property from the holder or another state claims the money or property under its laws relating to escheat or abandoned or unclaimed property, the Treasurer, upon written notice of the claim, shall defend the holder against the claim and indemnify the holder against any liability on the claim resulting from payment or delivery of the property to the Treasurer.

"§ 116B-64. Income or gain accruing after payment or delivery.

If property other than money is delivered to the Treasurer under this Chapter, the owner is entitled to receive from the Treasurer any income or gain realized or accruing on the property at or before liquidation or conversion of the property into money. If the property is interest-bearing or pays dividends, the interest or dividends

shall be paid until the date on which the amount of the deposits, accounts, or funds, or the shares must be remitted or delivered to the Treasurer under G.S. 116B-61. Otherwise, when property is delivered or paid to the Treasurer, the Treasurer shall hold the property without liability for income or gain.

"**§ 116B-65. Public sale of abandoned property.**

(a) Except as otherwise provided in this section, the Treasurer, within three years after the receipt of abandoned property, shall sell it to the highest bidder at public sale at a location in the State which in the judgment of the Treasurer affords the most favorable market for the property. The Treasurer may decline the highest bid and reoffer the property for sale if the Treasurer considers the bid to be insufficient. The Treasurer need not offer the property for sale if the Treasurer considers that the probable cost of sale will exceed the proceeds of the sale. A sale held under this section must be preceded by a single publication of notice, at least three weeks before sale, in a newspaper of general circulation in the county in which the property is to be sold. The Treasurer is not required to sell money unless it is a collector's species having value greater than the face value of the money as cash.

(b) Securities listed on an established stock exchange must be sold at prices prevailing on the exchange at the time of sale. Other securities may be sold over the counter at prices prevailing at the time of sale or by any reasonable method selected by the Treasurer. If securities are sold by the Treasurer before the expiration of three years after their delivery to the Treasurer, a person making a claim under this Chapter before the end of the three-year period is entitled to the proceeds of the sale of the securities or the market value of the securities at the time the claim is made, whichever is greater, less any deduction for expenses of sale. A person making a claim under this Chapter after the expiration of the three-year period is entitled to receive the securities delivered to the Treasurer by the holder, if they still remain in the custody of the Treasurer, or the net proceeds received from sale, and is not entitled to receive any appreciation in the value of the property occurring after delivery to the Treasurer, except in a case of intentional misconduct by the Treasurer.

(c) A purchaser of property at a sale conducted by the Treasurer pursuant to this Chapter takes the property free of all claims of the owner or previous holder and of all persons claiming through or under them. The Treasurer shall execute all documents necessary to complete the transfer of ownership.

"**§ 116B-66. Claim of another state to recover property.**

(a) After property has been paid or delivered to the Treasurer under this Article, another state may recover the property if:

(1) The property was paid or delivered to the custody of this State because the records of the holder did not reflect a last known location of the apparent owner within the borders of the other state, and the other state establishes that the apparent owner or other person entitled to the property was last known to be located within the borders of that state and under the laws of that state the property has escheated or become subject to a claim of abandonment by that state;

(2) The property was paid or delivered to the custody of this State because the laws of the other state did not provide for the escheat or custodial taking of the property, and under the laws of that state subsequently enacted, the property has escheated or become subject to a claim of abandonment by that state;

(3) The records of the holder were erroneous in that they did not accurately identify the owner of the property and the last known location of the owner within the borders of another state, and under the laws of that state the property has escheated or become subject to a claim of abandonment by that state;

(4) The property was subjected to custody by this State under G.S. 116B-56(6), and under the laws of the state of domicile of the holder, the property has escheated or become subject to a claim of abandonment by that state; or

(5) The property is a sum payable on a traveler's check, money order, or similar instrument that was purchased in the other state and delivered into the custody of this State under G.S. 116B-56(7), and under the laws of the other state, the property has escheated or become subject to a claim of abandonment by that state.

(b) A claim of another state to recover escheated or abandoned property must be presented in a form prescribed by the Treasurer, who shall decide the claim within 90 days after it is presented. The Treasurer shall allow the claim upon determining that the other state is entitled to the abandoned property under subsection (a) of this section.

(c) The Treasurer shall require another state, before recovering property under this section, to agree to indemnify this State and its officers and employees against any liability on a claim to the property.

"§ 116B-67. Claim for property paid or delivered to the Treasurer.

(a) A person, excluding another state, claiming property paid or delivered to the Treasurer may file a claim on a form prescribed by the Treasurer and verified by the claimant.

(b) At the discretion of the Treasurer, the claim shall be made to the holder or to the holder's successor. If the holder is satisfied that the claim is valid and that the claimant is the owner of the property, the holder shall so certify to the Treasurer by written statement attested by the holder under oath, or in the case of a corporation, by two principal officers, or one principal officer and an authorized employee of the corporation. The determination of the holder that the claimant is the owner shall, in the absence of fraud, be binding upon the Treasurer and upon receipt of the certificate of the holder to this effect, the Treasurer shall forthwith authorize and make payment of the claim or return of the property, or if the property has been sold, the amount received from the sale, to the owner, or to the holder in the event the owner has assigned the claim to the holder and the certificate of the holder is accompanied by an assignment. In the event the holder rejects the claim, the claimant may appeal to the Treasurer.

If the holder, or the holder's successor, is not available, the owner may file a claim with the Treasurer on a form prescribed by the Treasurer. In addition to any other information, the claim shall state the facts surrounding the unavailability of the holder and the lack of a successor.

(c) Within 90 days after a claim is filed, the Treasurer shall allow or deny the claim and give written notice of the decision to the claimant. If the claim is denied, the Treasurer shall inform the claimant of the reasons for the denial and specify what additional evidence is required before the claim will be allowed. The claimant may then file a new claim with the Treasurer or maintain an action under G.S. 116B-68.

(d) Within 30 days after a claim is allowed, the property or the net proceeds of a sale of the property must be delivered or paid by the Treasurer to the claimant.

(e) The claimant or claimants and the holder, if the holder either certifies that the claimant is the owner under subsection (b) of this section or recovers money and property from the Treasurer under G.S. 116B-63, shall agree to indemnify, save harmless, and defend the State, the Treasurer, and the Escheat Fund from any claim arising out of or in connection with refund of the property claimed. In like manner, the claimant shall also agree to indemnify, save harmless, and defend the holder, if the holder certifies the claim under subsection (b) of this section or pays or delivers property to the claimant under G.S. 116B-63.

"§ 116B-68. Action to establish claim.

A person aggrieved by a decision of the Treasurer or whose claim has not been acted upon within 90 days after its filing may maintain an original action to establish the claim in the Superior Court of Wake County, naming the Treasurer as a defendant.

"§ 116B-69. Election to take payment or delivery.

(a) The Treasurer may decline to receive property reported under this Chapter which the Treasurer considers to have a value less than the expenses of notice and sale.

(b) A holder, with the written consent of the Treasurer and upon conditions and terms prescribed by the Treasurer, may report and deliver property before the property is presumed abandoned. Property so delivered must be held by the Treasurer and is not presumed abandoned until it otherwise would be presumed abandoned under this Article.

"§ 116B-70. Destruction or disposition of property having no substantial commercial value; immunity from liability; property of historical significance.

(a) If the Treasurer determines after investigation that property delivered under this Chapter has no substantial commercial value, the Treasurer may destroy or otherwise dispose of the property at any time. An action or proceeding may not be maintained against the State or any officer, employee, or agent of the State, both past and present, in the person's individual and official capacity, or against the holder for or on account of an act of the Treasurer under this subsection, except for intentional misconduct.

(b) Notwithstanding the provisions of G.S. 116B-65, the Treasurer may retain any tangible property delivered to the Treasurer, if the property has recognized historic

significance. The historic significance shall be certified by the Treasurer, with the advice of the Secretary of Cultural Resources; and a statement of the appraised value of the property shall be filed with the certification. Historic property retained under this subsection may be stored and displayed at any suitable location.

"**§ 116B-71. Periods of limitation.**

(a) The expiration, before or after the effective date of this Article, of a period of limitation on the owner's right to receive or recover property, whether specified by contract, statute, or court order, does not preclude the property from being presumed abandoned or affect a duty of a holder to file a report or to pay or deliver or transfer property to the Treasurer as required by this Article.

(b) An action or proceeding may not be maintained by the Treasurer to enforce this Article in regard to the reporting, delivery, or payment of property more than five years after the holder filed a report with the Treasurer in which the holder specifically identified property, should have but failed to identify property, or gave express notice to the Treasurer of a dispute regarding property. In the absence of such a report or other express notice, the period of limitation is tolled. The period of limitation is also tolled by the filing of a report that is fraudulent.

"**§ 116B-72. Requests for reports and examination of records.**

(a) The Treasurer may require a person who has not filed a report, or a person who the Treasurer believes has filed an inaccurate, incomplete, or false report, to file a verified report in a form specified by the Treasurer. The report must state whether the person is holding property reportable under this Chapter, describe property not previously reported or as to which the Treasurer has made inquiry, and specifically identify and state the value of property that may be in issue.

(b) The Treasurer, at reasonable times and upon reasonable notice, may examine the records of any person to determine whether the person has complied with this Chapter. The Treasurer may conduct the examination even if the person believes it is not in possession of any property that must be reported, paid, or delivered under this Chapter. The Treasurer may contract with any other person to conduct the examination on behalf of the Treasurer.

(c) The Treasurer at reasonable times may examine the records of an agent, including a dividend disbursing agent or transfer agent, of a business association that is the holder of property presumed abandoned if the Treasurer has given the notice required by subsection (b) of this section to both the association and the agent at least 90 days before the examination.

(d) Documents and working papers obtained or compiled by the Treasurer, or the Treasurer's agents, employees, or designated representatives, in the course of conducting an examination are confidential, but the documents and papers may be:

(1) Used by the Treasurer in the course of an action to collect unclaimed property or otherwise enforce this Chapter;

(2) Used in joint examinations conducted with or pursuant to an agreement with another state, the federal government, or any other governmental subdivision, agency, or instrumentality;

(3) Produced pursuant to subpoena or court order; or

(4) Disclosed to the abandoned property office of another state for that state's use in circumstances equivalent to those described in this subsection, if the other state is bound to keep the documents and papers confidential.

(e) If an examination results in the disclosure of property reportable under this Chapter, the Treasurer may assess, against a holder who made a fraudulent report, the cost of the examination at the rate of two hundred dollars ($200.00) a day for each examiner, or a greater amount that is reasonable and was incurred, but the assessment may not exceed the value of the property found to be reportable. The cost of an examination made pursuant to subsection (c) of this section may be assessed only against the business association.

(f) If a holder does not maintain the records required by G.S. 116B-73 and the records of the holder available for the periods subject to this Chapter are insufficient to permit the preparation of a report, the Treasurer may require the holder to report and pay to the Treasurer the amount the Treasurer reasonably estimates, on the basis of any available records of the holder or by any other reasonable method of estimation, should have been, but was not reported.

"§ 116B-73. Retention of records.

(a) Except as otherwise provided in subsection (b) of this section, a holder required to file a report under G.S. 116B-60 shall maintain the records containing the information required to be included in the report for 10 years after the holder files the report, unless a shorter period is provided by rule of the Treasurer.

(b) A business association that sells, issues, or provides to others for sale or issue in this State, traveler's checks, money orders, or similar instruments other than third-party bank checks, on which the business association is directly liable, shall maintain a record of the instruments while they remain outstanding, indicating the state and date of issue, for three years after the holder files the report.

"§ 116B-74. Discretionary precompliance review.

A holder may request the Treasurer to conduct a precompliance review of the holder's compliance program to educate the holder's employees on the unclaimed property laws and filing procedures and to recommend ways to facilitate the holder's compliance with the law. Subject to the availability of staff, the Treasurer may conduct a precompliance review upon request. The Treasurer may charge the holder a precompliance review fee of up to five hundred dollars ($500.00) per day for conducting this review.

"§ 116B-75. Enforcement.

(a) The Treasurer may maintain an action in this or another state to enforce this Chapter.

(b) The Treasurer may order a person required to report, pay, or deliver property under this Chapter, or an officer or employee of the person, or a person having possession, custody, care, or control of records relevant to the matter under inquiry, or any other person having knowledge of the property or records, to appear before the Treasurer, at a time and place named in the order, and to produce the records and to give such testimony under oath or affirmation relevant to the inquiry. For

purposes of this subsection, the Treasurer may administer oaths or affirmations. If a person refuses to obey an order of the Treasurer, the Treasurer may apply to the Superior Court of Wake County for an order requiring the person to obey the order of the Treasurer. Failure to comply with the court order is punishable for contempt.

"§ 116B-76. Interstate agreements and cooperation; joint and reciprocal actions with other states.

(a) The Treasurer may enter into an agreement with another state to exchange information relating to abandoned property or its possible existence. The agreement may permit the other state, or another person acting on behalf of a state, to examine records as authorized in G.S. 116B-72. The Treasurer by rule may require the reporting of information needed to enable compliance with an agreement made under this section and prescribe the form.

(b) The Treasurer may join with another state to seek enforcement of this Chapter against any person who is or may be holding property reportable under this Chapter.

(c) At the request of another state, the Attorney General of this State may maintain an action on behalf of the other state to enforce, in this State, the unclaimed property laws of the other state against a holder of property subject to escheat or a claim of abandonment by the other state, if the other state has agreed to pay expenses incurred by the Attorney General in maintaining the action.

(d) The Treasurer may request that the attorney general of another state or another attorney commence an action in the other state on behalf of the Treasurer. With the approval of the Attorney General of this State, the Treasurer may retain any other attorney to commence an action in this State on behalf of the Treasurer. This State shall pay all expenses, including attorneys' fees, in maintaining an action under this subsection. With the Treasurer's approval, the expenses and attorneys' fees may be paid from money received under this Chapter. The Treasurer may agree to pay expenses and attorneys' fees based in whole or in part on a percentage of the value of any property recovered in the action. Any expenses or attorneys' fees paid under this subsection may not be deducted from the amount that is subject to the claim by the owner under this Chapter.

(e) The Treasurer is authorized to make such expenditures from the funds of the Escheat Fund as may be necessary to effectuate the provisions of this section.

"§ 116B-77. Interest and penalties; waiver.

(a) A holder who fails to report, pay, or deliver property within the time prescribed by this Chapter shall pay to the Treasurer interest at the rate established pursuant to this subsection on the property or value of the property from the date the property should have been reported, paid, or delivered. On or before June 1 and December 1 of each year, the Treasurer shall establish the interest rate to be in effect during the six-month period beginning on the next succeeding July 1 and January 1, respectively, after giving due consideration to current market conditions. If no new rate is established, the rate in effect during the preceding six-month period shall continue in effect. The rate established by the Treasurer may not be less than five percent (5%) per year and may not exceed sixteen percent (16%) per year.

(b) A holder who willfully fails to report, pay, or deliver property within the time prescribed by this Chapter, or willfully fails to perform other duties imposed by this Chapter, shall pay to the Treasurer, in addition to interest as provided in subsection (a) of this section , a civil penalty of one thousand dollars ($1,000) for each day the report, payment, or delivery is withheld, or the duty is not performed, up to a maximum of twenty-five thousand dollars ($25,000), plus twenty-five percent (25%) of the value of any property that should have been but was not reported.

(c) A holder who makes a fraudulent report shall pay to the Treasurer, in addition to interest as provided in subsection (a) of this section, a civil penalty of one thousand dollars ($1,000) for each day from the date a report under this Chapter was due, up to a maximum of twenty-five thousand dollars ($25,000), plus twenty-five percent (25%) of the value of any property that should have been but was not reported.

(d) The Treasurer for good cause may waive, in whole or in part, interest under subsection (a) of this section and penalties under subsection (b) of this section.

"**§ 116B-78. Agreement to locate property.**

(a) An agreement by an owner, the primary purpose of which is to locate, deliver, recover, or assist in the recovery of property that is presumed abandoned, is void and unenforceable if it was entered into during the period commencing on the date the property was presumed abandoned and extending to a time that is 24 months after the date the property is paid or delivered to the Treasurer. This subsection does not apply to an owner's agreement with an attorney to file a claim as to identified property or contest the Treasurer's denial of a claim.

(b) An agreement by an owner, the primary purpose of which is to locate, deliver, recover, or assist in the recovery of property, is enforceable only if the agreement is in writing, clearly sets forth the nature of the property and the services to be rendered, is signed by the owner, and states the value of the property before and after the fee or other compensation has been deducted.

(c) If an agreement covered by this section applies to mineral proceeds and the agreement contains a provision to pay compensation that includes a portion of the underlying minerals or any mineral proceeds not then presumed abandoned, the provision is void and unenforceable.

(d) An agreement covered by this section that provides for compensation that is unconscionable is unenforceable except by the owner. An owner who has made an agreement to pay compensation that is unconscionable, or the Treasurer on behalf of the owner, may maintain an action to reduce the compensation to a conscionable amount. The court may award reasonable attorneys' fees to an owner who prevails in the action.

(e) This section does not preclude an owner from asserting that an agreement covered by this section is invalid on grounds other than as provided in subsection (d) of this section.

(f) Any person who enters into an agreement covered by this section with an owner shall register annually with the Treasurer. The information to be required under this subsection shall include the person's name, address, telephone number,

state of incorporation or residence, as applicable, and the person's federal identification number. A registration fee of one hundred dollars ($100.00) shall be paid to the Treasurer at the time of the filing of the registration information. Fees received under this subsection shall be credited to the General Fund.

"**§ 116B-79. Transitional provisions.**

(a) An initial report filed under this Article for property that was not required to be reported before the effective date of this Article but which is subject to this Article must include all items of property that would have been presumed abandoned during the 10-year period next preceding the effective date of this Article as if this Article had been in effect during that period.

(b) This Article does not relieve a holder of a duty that arose before the effective date of this Article to report, pay, or deliver property. Except as otherwise provided in G.S 116B-71(b) and G.S. 116B-77(d), a holder who did not comply with the law in effect before the effective date of this Article is subject to the applicable provisions for enforcement and penalties which then existed, which are continued in effect for the purpose of this section.

"**§ 116B-80. Rules.**

The Treasurer may adopt rules necessary to carry out this Chapter."

Section 7. G.S. 44A-4(b)(1) reads as rewritten:

"(b) Notice and Hearings. --

(1) If the property upon which the lien is claimed is a motor vehicle that is required to be registered, the lienor following the expiration of the relevant time period provided by subsection (a) shall give notice to the Division of Motor Vehicles that a lien is asserted and sale is proposed and shall remit to the Division a fee of ten dollars ($10.00). The Division of Motor Vehicles shall issue notice by registered or certified mail, return receipt requested, to the person having legal title to the property, if reasonably ascertainable, to the person with whom the lienor dealt if different, and to each secured party and other person claiming an interest in the property who is actually known to the Division or who can be reasonably ascertained. The notice shall state that a lien has been asserted against specific property and shall identify the lienor, the date that the lien arose, the general nature of the services performed and materials used or sold for which the lien is asserted, the amount of the lien, and that the lienor intends to sell the property in satisfaction of the lien. The notice shall inform the recipient that the recipient has the right to a judicial hearing at which time a determination will be made as to the validity of the lien prior to a sale taking place. The notice shall further state that the recipient has a period of 10 days from the date of receipt in which to notify the Division by registered or certified mail, return receipt requested, that a hearing is desired and that if the recipient wishes to contest the sale of his property pursuant to such lien, the

recipient should notify the Division that a hearing is desired. The notice shall state the required information in simplified terms and shall contain a form whereby the recipient may notify the Division that a hearing is desired by the return of such form to the Division. The Division shall notify the lienor whether such notice is timely received by the Division. In lieu of the notice by the lienor to the Division and the notices issued by the Division described above, the lienor may issue notice on a form approved by the Division pursuant to the notice requirements above. If notice is issued by the lienor, the recipient shall return the form requesting a hearing to the lienor, and not the Division, within 10 days from the date the recipient receives the notice if a judicial hearing is requested. Failure of the recipient to notify the Division or lienor, as specified in the notice, within 10 days of the receipt of such notice that a hearing is desired shall be deemed a waiver of the right to a hearing prior to the sale of the property against which the lien is asserted, and the lienor may proceed to enforce the lien by public or private sale as provided in this section and the Division shall transfer title to the property pursuant to such sale. If the Division or lienor, as specified in the notice, is notified within the 10-day period provided above that a hearing is desired prior to sale, the lien may be enforced by sale as provided in this section and the Division will transfer title only pursuant to the order of a court of competent jurisdiction.

If the registered or certified mail notice has been returned as undeliverable, or if the name of the person having legal title to the vehicle cannot reasonably be ascertained and the fair market value of the vehicle is less than eight hundred dollars ($800.00), the lienor may institute a special proceeding in the county where the vehicle is being held, for authorization to sell that vehicle. Market value shall be determined by the schedule of values adopted by the Commissioner under G.S. 105-187.3.

In such a proceeding a lienor may include more than one vehicle, but the proceeds of the sale of each shall be subject only to valid claims against that vehicle, and any excess proceeds of the sale shall ~~escheat to the State and~~ be paid immediately to the ~~treasurer~~ Treasurer for disposition pursuant to Chapter 116B of the General Statutes. ~~A vehicle owner or possessor claiming an interest in such proceeds shall have a right of action under G.S. 116B-38.~~

The application to the clerk in such a special proceeding shall contain the notice of sale information set out in subsection (f) hereof. If the application is in proper form the clerk shall enter an order authorizing the sale on a date not less than 14 days therefrom, and the lienor shall cause the application and order to

be sent immediately by first-class mail pursuant to G.S. 1A-1, Rule 5, to each person to whom notice was mailed pursuant to this subsection. Following the authorized sale the lienor shall file with the clerk a report in the form of an affidavit, stating that the lienor has complied with the public or private sale provisions of G.S. 44A-4, the name, address, and bid of the high bidder or person buying at a private sale, and a statement of the disposition of the sale proceeds. The clerk then shall enter an order directing the Division to transfer title accordingly.

If prior to the sale the owner or legal possessor contests the sale or lien in a writing filed with the clerk, the proceeding shall be handled in accordance with G.S. 1-399."

Section 8. G.S. 29-12 reads as rewritten:

"**§ 29-12. Escheats.**

If there is no person entitled to take under G.S. 29-14 or ~~29-15,~~ G.S. 29-15, or if in case of an illegitimate intestate, there is no one entitled to take under G.S. 29-21 or ~~29-22~~ G.S. 29-22 the net estate shall escheat as provided in ~~G.S. 116A-2.~~ G.S. 116B-2."

Section 9. G.S. 53-43.7(b) reads as rewritten:

"(b) Any property, including documents or writings of a private nature, which has little or no apparent value, need not be sold but may be destroyed ~~by the Treasurer or~~ by the ~~lessor, if retained by the lessor pursuant to a determination by the Treasurer under G.S. 116B-31(c).~~ lessor if the Treasurer declines to receive the property under G.S. 116B-69(a)."

Section 10. G.S. 53-43.7(d) reads as rewritten:

"(d) The lessor shall submit to the Treasurer a verified inventory of all of the contents of the safe-deposit box upon delivery of the contents of the box or such part thereof as shall be required by the Treasurer under ~~G.S. 116B-31(c);~~ G.S. 116B-55; but the lessor may deduct from any cash of the lessee in the safe-deposit box an amount equal to accumulated charges for rental and shall submit to the Treasurer a verified statement of such charges and deduction. If there is no cash, or insufficient cash to pay accumulated charges, in the safe-deposit box, the lessor may submit to the Treasurer a verified statement of accumulated charges or balance of accumulated charges due, and the Treasurer shall remit to the lessor the charges or balance due, up to the value of the property in the safe-deposit box delivered to ~~him,~~ the Treasurer, less any costs or expenses of sale; but if the charges or balance due exceeds the value of such property, the Treasurer shall remit only the value of the property, less costs or expenses of sale. Any accumulated charges for safe-deposit box rental paid by the Treasurer to the lessor shall be deducted from the value of the property of the lessee delivered to the Treasurer."

Section 11. G.S. 53B-4 reads as rewritten:

"**§ 53B-4. Access to financial records.**

Notwithstanding any other provision of law, no government authority may have access to a customer's financial record held by a financial institution unless the

financial record is described with reasonable specificity and access is sought pursuant to:

(1) Customer authorization that meets the requirements of the Right to Financial Privacy Act § 1104, 12 U.S.C. § 3404, provided, however, a customer authorization received by a State agency or a county department of social services for the purpose of determining eligibility for the programs of public assistance under Chapter 108A of the General Statutes, or for purposes of a government inquiry concerning these same programs of public assistance, cannot be revoked and shall remain valid for 12 months unless a shorter period is specified in the authorization, or a customer authorization that is given by a licensed attorney with respect to an account in which the attorney holds funds as a fiduciary;

(2) Authorization under G.S. 105-251, 105-251.1, or 105-258;

(3) Search warrant as provided in Article 11 of Chapter 15A of the General Statutes;

(4) Statutory authority of a supervisory agency to examine or have access to financial records in the exercise of its supervisory, regulatory, or monetary functions with respect to a financial institution;

(5) The authority granted under ~~G.S. 116B-39;~~ G.S. 116B-72 and G.S. 116B-75;

(6) Examination and review by the State Auditor or his authorized representative under G.S. 147-64.6(c)(9) or ~~147-64.7(a);~~ G.S. 147-64.7(a);

(7) Request by a government authority authorized to buy and sell student loan notes under Article 23 of Chapter 116 of the General Statutes for financial records relating to insured student loans;

(8) Pending litigation to which the government authority and the customer are parties;

(9) Subpoena or court order in connection with a grand jury proceeding;

(10) A writ of execution under Article 28 of Chapter 1 of the General Statutes; or

(11) Other court order or administrative or judicial subpoena authorized by law if the requirements of G.S. 53B-5 are met.

As used in this section, the term 'reasonable specificity' means that degree of specificity reasonable under all the circumstances, ~~and~~ and, with respect to requests under G.S. 116B-72 and G.S. 116B-75, may include designation by general type or ~~class as authorized in G.S. 116B-39.~~ class."

Section 12. G.S. 116-209.3 reads as rewritten:

"**§ 116-209.3. Additional powers.**

The Authority is authorized to develop and administer programs and perform all functions necessary or convenient to promote and facilitate the making and insuring of student loans and providing such other student loan assistance and services as the Authority shall deem necessary or desirable for carrying out the purposes of this Article and for qualifying for loans, grants, insurance and other benefits and assistance under any program of the United States now or hereafter authorized fostering student loans. There shall be established and maintained a trust fund which shall be designated 'State Education Assistance Authority Loan Fund' (the 'Loan Fund') which may be used by the Authority in making student loans directly or through agents or independent contractors, insuring student loans, acquiring, purchasing, endorsing or guaranteeing promissory notes, contracts, obligations or other legal instruments evidencing student loans made by banks, educational institutions, nonprofit corporations or other eligible lenders, and for defraying the expenses of operation and administration of the Authority for which other funds are not available to the Authority. There shall be deposited to the credit of such Loan Fund the proceeds (exclusive of accrued interest) derived from the sale of its revenue bonds by the Authority and any other moneys made available to the Authority for the making or insuring of student loans or the purchase of obligations. There shall also be deposited to the credit of the Loan Fund surplus funds from time to time transferred by the Authority from the sinking fund. Such Loan Fund shall be maintained as a revolving fund. There is also deposited to the credit of the Loan Fund the income derived from the investment or deposit of the Escheat Fund distributed to the Authority pursuant to ~~G.S. 116B-37.~~ G.S. 116B-7. The income shall be held, administered and applied by the Authority as provided in any resolution adopted or trust agreement approved by the Authority, subject to the provisions of Chapter 116B of the General Statutes and this Article.

In lieu of or in addition to the Loan Fund, the Authority may provide in any resolution authorizing the issuance of bonds or any trust agreement securing such bonds that any other trust funds or accounts may be established as may be deemed necessary or convenient for securing the bonds or for making student loans, acquiring obligations or otherwise carrying out its other powers under this Article, and there may be deposited to the credit of any such fund or account proceeds of bonds or other money available to the Authority for the purposes to be served by such fund or account."

Section 13. If any provision of this act or the application thereof to any person or circumstance is held invalid, the invalidity does not affect the provisions or applications of this act which can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.

Section 14. The Revisor of Statutes shall cause to be printed with this act all explanatory comments of the drafters of this act as the Revisor may deem appropriate.

Section 15. This act becomes effective January 1, 2000, and shall apply to property existing on or after that date. G.S. 116B-54(d), as enacted in Section 6 of this act, is intended to clarify and not change existing law.

HOUSE BILL 136:
Exempt Child Care Property

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Insko
Date:	July 7, 1997	**Summary by:**	Cindy Avrette
Version:	PCS for 1st Edition H136-PCSA163-RB		Committee Counsel

SUMMARY: The proposed committee substitute for House Bill 136 exempts property owned by a nonprofit licensed child care center and used exclusively for educational purposes from local property tax. The bill becomes effective for taxable years beginning on or after July 1, 2000. The proposed committee substitute changes the effective date and provides that the exemption applies to licensed child care centers.

CURRENT LAW: Property owned by a nonprofit educational institution and used exclusively for educational purposes is exempt from property tax. An educational institution is not defined. However, the statute provides that the following are considered educational institutions: a university, college, school, seminary, academy, industrial school, public library, museum, and similar institution. To obtain the exemption, a person must apply for the exemption during the regular January listing period. After the exemption has been approved, the owner is not required to file an application in subsequent years unless there is a change in the property, in the ownership, or in the use of the property.

BILL ANALYSIS: House Bill 136 provides a definition of "educational institution" and includes a licensed childcare center in the definition. The bill also provides a definition of "educational purpose" and specifically provides that the operation of a child care center is an educational purpose. A childcare center is an arrangement where, at any one time, there are three or more preschool-age children or nine or more school-age children receiving childcare. A licensed childcare center is one that has a permit issued by the Secretary of the Department of Health and Human Services. The Secretary issues a permit to a center that complies with the standards established in Article 7 of Chapter 110 of the General Statutes.

To receive the exemption, the property must be owned by a nonprofit educational institution and used "wholly and exclusively" for childcare. A childcare center located in a residence would not, therefore, receive the property tax exemption.

The bill also reorganizes and modernizes the language of the statute but does not make further substantive changes.

EFFECTIVE DATE: Tax years beginning on or after July 1, 2000.

BILL SUMMARY: Under current law the land, buildings and other business property owned by non-profit educational institutions are exempt from property tax. This bill extends the definition of educational institutions to include child care centers, and specifically designates all child care centers as educational. As such, all qualifying non-profit child care centers would be exempt from property tax.

ASSUMPTIONS AND METHODOLOGY: In order to qualify for the exemption a child care center must serve three or more pre-school age children, or nine or more school age children. To receive the exemption the property must be owned by a non-profit educational institution, and must be used "wholly and exclusively" for child care. As a result, a child care center located in a residence would not qualify. The land, buildings, and personal property used in the provision of child care would be exempt from property tax.

Records from the Internal Revenue Service indicate that there are more than 28,500 501(c) 3 non-profit, tax exempt organizations in North Carolina. Of these 152 list "nursery school" or "day care center" as one of their primary activities, and indicated to the IRS that they hold physical assets. Twenty-three centers were removed from the list by fiscal research because it

appeared from their name that they proved only adult day care or would likely be exempt from property tax because of their association with a church or other religious group. This shortened the list to 128. The Department of Health and Human Services, Child Development Division reviewed this list and removed several centers from those potentially impacted because of their affiliation with a church or other previously exempted non-profit organization. They also removed center from the list that are known to provide adult day care instead of child day care.

A survey of county assessors with potentially impacted centers in their area revealed that fourteen of those centers ware currently being taxed.

Center	County	Land & Building Value
Cobb Child Care	Craven	211,700
Community Ridge Day Care Center Inc.	Catawba	*
Faith Child Care and Development Center Inc.	Iredell	37,770
Ruthies Day Care Center Inc.	Iredell	65,450

School for Young Children, Inc.	Caldwell	181,700
Service League of Hickory, NC Inc.	Catawba	313,200
Chapel Hill Day Care Center	Orange	488,127
TOTAL		$ 3,375,164
* No estimate is available just for the day care, is it is one room in a much larger facility.		

As is indicated by the above chart, the land and building values of these facilities totaled approximately $3.4 million. Assuming that each facility also had an additional $20,000 in tangible personal property, the total tax value of these day care centers, in 1999, is $3.7 million. The historic average growth rate for total statewide valuations (7.17%) was used to grow the estimate for future years.

The 1997-98 weighted average property tax rate for all governmental jurisdictions in the state (cities and counties) was $0.968 per $100.00 of assessed value. The rate has varied from in the past ten years from a low of $0.938 per $100.00 (1988-89) to a high of $0.994 per $100.00 (1993-94 and 1994-95). Because of increasing pressures to build schools and provide other services, this note assumes a rate of $1.00 per $100.00 of assessed value for the five year period of the note. As such, the minimum loss associated with this bill is as follows:

	FY 1999-00	FY 2000-01	FY 2001-02	FY 2002-03	FY 2003-04
Property Value	$3,655,164	$ 3,917,239	$ 4,198,105	$ 4,499,109	$ 4,821,696
Tax Liability	$ 36,552	$ 39,172	$ 41,981	$ 44,991	$ 48,217

Further conversations with county tax officials suggest that there may be more than fourteen non-profit centers that own property. However, the county tax officials have no way to know if they centers actually are non-profit, unless the center voluntarily reports that information. As such, this estimate represents the minimum potential loss. Fiscal Research does not anticipate that the impacted number of centers would increase dramatically beyond fourteen. The numbers in the fiscal note chart are adjusted to reflect the July 1, 2000 effective date.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE THAT THE CURRENT SALES TAX TREATMENT FOR FARM MACHINERY AND EQUIPMENT ALSO APPLIES TO BALERS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-164.4(a)(1d)a. reads as rewritten:

"(1d) The rate of one percent (1%) applies to the sales price of the following articles. The maximum tax is eighty dollars ($80.00) per article.

a. Sales to a farmer of machines and machinery, and parts and accessories for these machines and machinery, for use by the farmer in the planting, cultivating, harvesting, ~~or curing~~ curing, or baling of farm crops or in the production of dairy products, eggs, or animals. A 'farmer' includes a dairy operator, a poultry farmer, an egg producer, a livestock farmer, a farmer of crops, and a farmer of an aquatic species, as defined in G.S. 106-758. Items that are exempt from tax under G.S. 105-164.13(4c) are not subject to tax under this section.

The term 'machines and machinery' as used in this subdivision is defined as follows:

The term ~~shall include~~ includes all vehicular implements, designed and sold for any use defined in this subdivision, ~~which~~ that are operated, drawn or propelled by

motor or animal power, but ~~shall~~ does not include vehicular implements ~~which~~ that are operated wholly by hand, and ~~shall~~ does not include any motor vehicles required to be registered under Chapter 20 of the General Statutes.

The term ~~shall include~~ includes all nonvehicular implements and mechanical devices designed and sold for any use defined in this subdivision, ~~which~~ that have moving parts, or ~~which~~ that require the use of any motor or animal power, fuel, or electricity in their operation but ~~shall~~ does not include nonvehicular implements ~~which~~ that have no moving parts and are operated wholly by hand.

The term ~~shall also include~~ also includes metal flues sold for use in curing tobacco, whether ~~such~~ the flues are attached to handfired furnaces or used in connection with mechanical burners."

Section 2. This act becomes effective October 1, 1999, and applies to sales made on or after that date.

HOUSE BILL 449:
Farm Baling Equipment Tax Change

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Nye
Date:	July 7, 1999	**Summary by:**	Cindy Avrette
Version:	1st Edition		Committee Counsel

SUMMARY: ***House Bill 449 provides the 1% sales tax rate with an $80 per item tax cap applies to tobacco balers. The bill becomes effective October 1 ,1999, and applies to sales made on or after that date.***

CURRENT LAW: Sales to a farmer of machines used by the farmer in the planting, cultivating, harvesting, or curing of farm crops are taxed at a rate of 1%, subject to a maximum tax of $80 per article. Tobacco balers are taxed at a rate of 6% -- 4% State sales tax and 2% local sales tax. A tobacco baler is not subject to the 1% tax rate because it is not used directly in the "planting, cultivating, harvesting, or curing of farm crops".

BILL ANALYSIS: House Bill 449 adds tobacco balers to the list of farm equipment that is taxed at the 1% sales tax rate, with a maximum tax of $80 per item. By changing the State sales tax rate on tobacco balers from 4% to 1%, the bill eliminates the 2% local sales tax on tobacco balers as well.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue, Sales Tax Division.

EFFECTIVE DATE: This act becomes effective October 1, 1999, and applies to sales made on or after that date.

BILL SUMMARY: The legislation adds tobacco balers to the list of farm equipment that is taxed at the 1% sales tax rate with an $80 per item tax liability cap. Tobacco balers are now taxed at 6%.

ASSUMPTIONS AND METHODOLOGY: Agricultural researchers at N.C. State indicate that tobacco balers have only recently been introduced to the North Carolina market. They report that as of July 1998 there were only 25 balers in the state, most of which were constructed by the farmers themselves. Today they believe that there are approximately 1250 purchased tobacco balers in North Carolina. These same researchers suggest that market saturation will be about 7500 balers. They believe market saturation will be reached in two to three years. These numbers suggest that approximately 6250 tobacco balers will be purchased before saturation is reached (7500 total market – 1250 existing = 6250 potential). While there are several different kinds of balers in a broad price range, N.C. State indicates that the average sales price is between $7,000 and $8,000. Using the midpoint of $7,500 as a proxy for the average price, the total value of the potential market is $46,875,000. Apply the 6% sales tax rate suggests that the purchase of these balers will raise approximately $2,812,500 in sales tax revenue. Of this amount 2/3 or $1,875,000 goes to the general fund and $937,500 goes to local governments. This is a sales tax liability of approximately $450 per baler.

Because the bill effectively eliminates the local sales tax on these balers (the 1% rate with an $80 cap is a state only tax), local governments will loose the entire $937,500. Assuming that loss is spread out over the next 2.5 years (the mid-point of the 2-3 year estimate for market saturation), the annual local loss for the period will be approximately $375,000 statewide.

The bill also effectively reduces the state tax from 4% to 1% with an $80 cap. As mentioned previously, the total sales tax liability for a tobacco baler is estimated to be $450. Two thirds of that amount or $300 is the state tax liability. The bill will lower that liability to the $80 maximum tax cap. Therefore the state will loose $220 per baler sold, or $1,375,000 over two to three years. Assuming the loss is spread out over the next 2.5 years (the mid point of the 2-3 year estimate for market saturation), the annual state tax loss will be $550,000.

N.C. State researchers believe demand for tobacco balers will drop of significantly after three years, as most farmers will already own a baler, and few new tobacco farmers are expected. If this is correct, only replacement balers will be purchased. As such, the number of baler purchases, and the associated tax loss, is expected to be minimum after three years.

Note: The Department of Revenue indicates that these items are taxed at the 6% rate because they are not used directly in "planting, cultivating, harvesting, or curing of farm crops" as is required by G.S. 105-164.4(a)(1d)a for the lower tax rate.

A BILL TO BE ENTITLED

AN ACT TO ALLOW A PERSON WHO SUFFERS FROM A MEDICAL CONDITION THAT CAUSES THE PERSON TO BE PHOTOSENSITIVE TO VISIBLE LIGHT TO HAVE A DARKER VEHICLE WINDOW THAN IS ALLOWED UNDER THE WINDOW TINTING LAWS AND TO ELIMINATE THE AFTER-FACTORY WINDOW TINTING INSPECTION FEE FOR VEHICLES OWNED BY PERSONS ISSUED A MEDICAL EXCEPTION PERMIT BY THE DIVISION OF MOTOR VEHICLES ALLOWING THE WINDOW TINTING.

The General Assembly of North Carolina enacts:

Section 1. G.S. 20-127 reads as rewritten:

"**§ 20-127. Windows and windshield wipers.**

(a) Windshield Wipers. -- A vehicle that is operated on a highway and has a windshield ~~must~~ shall have a windshield wiper to clear rain or other substances from the windshield in front of the driver of the vehicle and the windshield wiper ~~must~~ shall be in good working order. If a vehicle has more than one windshield wiper to clear substances from the windshield, all the windshield wipers ~~must~~ shall be in good working order.

(b) Window Tinting Restrictions. -- A window of a vehicle that is operated on a highway or a public vehicular area ~~must~~ shall comply with this subsection. The

windshield of the vehicle may be tinted only along the top of the windshield and the tinting may not extend more than five inches below the top of the windshield or below the AS1 line of the windshield, whichever measurement is longer. Provided, however, an untinted clear film, which does not obstruct vision but which reduces or eliminates ultraviolet radiation from entering a vehicle may be applied to the windshield. Any other window of the vehicle may be tinted in accordance with the following restrictions:

(1) The total light transmission of the tinted window ~~must~~ shall be at least thirty-five percent (35%). A vehicle window that, by use of a light meter approved by the Commissioner, measures a total light transmission of more than thirty-two percent (32%) is conclusively presumed to meet this restriction.

(2) The light reflectance of the tinted window ~~must~~ shall be twenty percent (20%) or less.

(3) Tinted film or another material used to tint the window ~~must~~ shall be nonreflective and ~~must~~ shall not be ~~a color other than~~ red, yellow, or amber.

(c) Tinting Exceptions. -- The window tinting restrictions in subsection (b) of this section apply without exception to the windshield of a vehicle. The window tinting restrictions in subdivisions (b)(1) and (b)(2) of this section do not apply to any of the following vehicle windows:

(1) A window of an excursion passenger vehicle, as defined in G.S. 20-4.01(27)a.

(2) A window of a for-hire passenger vehicle, as defined in G.S. 20-4.01(27)b.

(3) A window of a common carrier of passengers, as defined in G.S. 20-4.01(27)c.

(4) A window of a motor home, as defined in G.S. 20-4.01(27)d2.

(5) A window of an ambulance, as defined in G.S. 20-4.01(27)f.

(6) The rear window of a property-hauling vehicle, as defined in G.S. 20-4.01(31).

(7) A window of a limousine.

(8) A window of a law enforcement vehicle.

(9) A window of a multipurpose vehicle that is behind the driver of the vehicle. A multipurpose vehicle is a passenger vehicle that is designed to carry 10 or fewer passengers and either is constructed on a truck chassis or has special features designed for occasional off-road operation. A minivan and a pickup truck are multipurpose vehicles.

(10) A window of a vehicle that is registered in another state and meets the requirements of the state in which it is registered.

(11) A window of a vehicle for which the Division has issued a medical exception permit under subsection (f) of this section.

(d) Violations. -- A person who does any of the following commits a misdemeanor of the class set in G.S. 20-176:

(1) Applies tinting to the window of a vehicle that is subject to a safety inspection in this State and the resulting tinted window does not meet the window tinting restrictions set in this section.

(2) Drives on a highway or a public vehicular area a vehicle that has a window that does not meet the window tinting restrictions set in this section.

(e) Defense. -- It is a defense to a charge of driving a vehicle with an unlawfully tinted window that the tinting was removed within 15 days after the charge and the window now meets the window tinting restrictions. To assert this defense, the person charged ~~must~~ shall produce in court, or submit to the prosecuting attorney before trial, a certificate from the Division of Motor Vehicles or the Highway Patrol showing that the window complies with the restrictions.

(f) Medical Exception. -- A person who suffers from a medical condition that causes the person to be photosensitive to visible light may obtain a medical exception permit. To obtain a permit, an applicant shall apply in writing to the Drivers Medical Evaluation Program, have his or her doctor complete the required medical evaluation form provided by the Division, and pay the application fee. The application fee is five dollars ($5.00). The permit shall be valid for five years from the date of issue, unless a shorter time is directed by the Drivers Medical Evaluation Program. The renewal shall require a medical recertification that the person continues to suffer from a medical condition requiring tinting.

A person may receive no more than two medical exception permits that are valid at any one time. A permit issued under this subsection shall specify the vehicle to which it applies, the windows that may be tinted, and the permitted levels of tinting. The permit shall be carried in the vehicle to which it applies when the vehicle is driven on a highway."

Section 2. The Medical Review Branch of the Division of Motor Vehicles shall issue rules and create forms and permits necessary for this program. Until funds for this program are appropriated by the General Assembly, the Medical Review Branch shall manually issue all medical exception permits and shall manually maintain the records related specifically to these permits.

The Division of Motor Vehicles shall add the medical exception described in Section 1 of this act to the STARS program, to allow the computerized issuance of medical exception permits and to allow computerized maintenance of the records related specifically to these permits when it is modifying that computer program for some other purpose.

The Division of Motor Vehicles shall report to the Joint Legislative Transportation Oversight Committee six months after the first medical exception permit is issued on the number of permits issued and the projected additional costs, if any, of operating the program.

Section 3. G.S. 20-183.7(a) reads as rewritten:

"(a) Fee Amount. -- When a fee applies to an inspection of a vehicle or the issuance of an inspection sticker, the fee must be collected. The following fees apply to an inspection of a vehicle and the issuance of an inspection sticker:

Type	Inspection	Sticker
Safety ~~Only, Without After-Factory Tinted Window~~ Only	$ 8.25	$ 1.00
~~Safety Only, With After-Factory Tinted Window~~	~~18.25~~	~~1.00~~
Emissions and Safety ~~Without After-Factory Tinted Window~~	17.00	2.40
~~Emissions and Safety With After-Factory Tinted Window~~	~~27.00~~	~~2.40~~.

The fee for performing an inspection of a vehicle applies when an inspection is performed, regardless of whether the vehicle passes the inspection. The fee for an inspection sticker applies when an inspection sticker is put on a vehicle. The fee for ~~performing an inspection of a vehicle with a~~ inspecting after-factory tinted ~~window~~ windows shall be ten dollars ($10.00), and the fee applies only to an inspection performed with a light meter after a safety inspection mechanic determined that the window had after-factory tint. A safety inspection mechanic shall not inspect an after-factory tinted window of a vehicle for which the Division has issued a medical exception permit pursuant to G.S. 20-127(f).

A vehicle that is inspected at an inspection station and fails the inspection is entitled to be reinspected at the same station at any time within 30 days of the failed inspection without paying another inspection fee."

Section 4. This act becomes effective July 1, 2001.

HOUSE BILL 723:
Dark Window Inspection Fee

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Representative Insko
Date:	July 7, 1999	**Summary by:**	Mary Shuping
Version:	4th Edition		Research Assistant

SUMMARY: ***The 4th edition of HB 723 allows a person who suffers from a medical condition that causes the person to be photosensitive to have a darker windshield than allowed by current law. The bill also eliminates the after-factory window tinting inspection fee for those persons.***

The 2nd edition of HB 723, which was given a favorable report by the House Finance Committee on June 15, 1999, would have reduced the after-factory window tinting inspection for a motor vehicle by $5.00 if the person had a documented medical condition that required tinted windows; however, the bill did not provide for a medical exception permit.

CURRENT LAW & BILL ANALYSIS:

Section 1. Windshield Tinting Restrictions. Under current law, windshields may only be tinted along the top of the windshield and the tinting may not extend more than five inches below the top of the windshield. There are no exceptions to this requirement. HB 723 would allow an untinted clear film that reduces or eliminates ultraviolet light but does not obstruct vision to be placed on the windshield.

Also under current law, windshields must have a total light transmission of at least 35% with a light reflectance of 20% or less. There are, however, exceptions to this requirement for limousines, motor homes, multipurpose vehicles, minivans, and pickup trucks. HB 723 would add to the exceptions those vehicles for which the DMV has issued a medical exception permit.

HB 723 also authorizes the DMV to issue "Medical Exception" permits to persons who suffer from a medical condition that causes the person to be photosensitive. In order to obtain a permit, the person must:

- Apply to the Drivers Medical Evaluation Program
- Have his or her doctor complete the required medical evaluation form.
- Pay an application fee of $5.00.

The permit is valid for five years from the date of issue, unless a shorter time is directed by the Program. In order to renew the permit, the applicant must provide medical recertification that he or she continues to suffer from the condition.

A person may receive no more than two medical exception permits at any one time. A Medical Exception Permit must

- Specify the vehicle to which it applies.
- Specify the windows that may be tinted, and the permitted levels of tinting.

- Be carried in the vehicle to which it applies, and the vehicle must display a medical exception permit sticker.

Section 2 of the bill requires the Medical Review Branch of DMV to implement the program through rule-making. In addition, until funds are appropriated by the General Assembly, the Medical Review Branch is required to manually issue all medical exception permits and to maintain records on those permits. This section also requires DMV to modify its computer system in order to allow for the computerized issuance of permits when it is modifying that computer program for some other purpose. Finally, DMV is required to report to the Joint Legislative Transportation Oversight Committee six months after issuing the first medical exception permit on the number of permits issued and the additional cost of operating the program.

Section 3 deletes the separate fees for safety and emissions inspections for after-factory tinted windows and provides that the fee for inspecting an after-factory tinted window is $10.00, and the fee only applies to an inspection with a light meter after the inspector determines that the window has an after-factory tint. However, this section prohibits the inspection of an after-factory tinted window for a vehicle having a medical exception permit.

EFFECTIVE DATE: The act becomes effective October 1, 1999.

SENATE BILL 244:
Unclaimed Property Act/AB

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Hartsell
Date:	July 6, 1999	**Summary by:**	General Statutes Commission and Cindy Avrette Committee Counsel
Version:	5th Edition		

SUMMARY: ***Senate Bill 244 revises the current escheat and unclaimed property laws and adopts the Uniform Unclaimed Property Act as promulgated by the National Conference of Commissioners on Uniform State Laws. The bill as originally introduced was a recommendation of the General Statutes Commission.***

BILL ANALYSIS: A detailed section-by-section summary of the bill has been prepared by the General Statutes Commission staff and is attached to this summary. Reference should be made to the General Statutes Commission summary for detailed information on the bill. This summary highlights the four new fee provisions.

- Page 11, lines 10 through 16: A holder of property presumed abandoned must file a report with the Treasurer. A holder must pay a processing fee of $10 to request an extension of time to file a report.

  Page 18, lines 3 through 9: The Treasurer may examine or contract with any other person to examine the records of a person to determine whether the person has complied with the Unclaimed Property Act. If the examination results in the disclosure of reportable property, the Treasurer may assess against a holder who made a fraudulent report the cost of the examination at the rate of $200 a day for each examiner, or a greater amount that is reasonable and was incurred. The assessment may not exceed the value of the property found to be reportable.

- Page 18, lines 26 through 33: A holder may request the Treasurer to conduct a precompliance review. The Treasurer may charge the holder a precompliance review fee of up to $500 a day.

- Page 20, line 39 through page 21, line 2: Unclaimed property locators or heir finder must register with the Treasurer and pay an annual registration fee of $100.

Walker Reagan, counsel to the Senate Judiciary I Committee, contributed to this summary.

MEMORANDUM

TO: House Finance Committee

FROM: General Statutes Commission

DATE: June 30, 1999

RE: Senate Bill 244 (5th edition)(Unclaimed Property Act)

General Comments

Senate Bill 244 (5th edition) amends Chapter 116B of the General Statutes (Escheats and Abandoned Property) by repealing Article 2 (Abandoned Property), repealing Article 3 (Administration of Abandoned Property) except for certain sections that are recodified within Article 1 (Escheats), and adding a new Article 4 (North Carolina Unclaimed Property Act). The new Article 4 is based on the Uniform Unclaimed Property Act (1995), promulgated by the National Conference of Commissioners on Uniform State Laws to update, modernize, and substantially improve the law governing abandoned property. The Article, however, varies in several respects from the Uniform Act.

The bill, among other things, sets forth in a single section the various periods after which property is presumed abandoned and the owner activity that may rebut the presumption of abandonment. It closely follows the language of the United States Supreme Court opinion in *Texas v. New Jersey*, 379 U.S. 674, 85 S.Ct. 626, 13 L.Ed. 2d 596 (1965), in describing the general rules under which a state may take custody of abandoned property. The bill changes some of the holding periods established under the current law and includes some specific kinds of property not expressly addressed under the current law. Shorter holding periods increase the likelihood of locating the missing property owner. Like the current law, the owner, at any time, may make a claim to the State for restitution of property delivered into the State's custody. Please note that the property is and remains the property of the owner. The bill also makes conforming amendments to other sections of the General Statutes.

Specific Comments

Section 1. This section amends G.S. 116B-4 to cross refer to the appropriate provisions of the new Article 4 for filing claims with the Treasurer. The section also deletes language that is no longer necessary because the subject matter is covered in the new Article 4.

Section 2. This section repeals Article 2 of Chapter 116B (Abandoned Property) because the subject matter is covered in the new Article 4.

Section 3. This section repeals Article 3 of Chapter 116B (Administration of Abandoned Property) except for the following sections of Article 3 that are recodified within Article 1 of Chapter 116B: G.S. 116B-27 (Escheat Fund), 116B-36 (Administration of Escheat Fund; Escheat Account), G.S. 116B-37 (Distribution of income of fund), and G.S. 116B-47 (Employment of persons with specialized skills or knowledge).

Section 4. This section amends G.S. 116B-6, as recodified by Section 3 of the bill, to update language and internal statutory references and to make the statute gender neutral.

Section 5. This section amends G.S. 116B-8, as recodified by Section 3 of the bill, to make the statute gender neutral and to update language.

The Senate amended G.S. 116B-8 to provide that persons employed by the Treasurer to determine sources and amounts of unreported property are subject to the same policies, including confidentiality and ethics, as employees of the Department of State Treasurer assigned to determine sources and amounts of unreported property. In addition, the amendments limit compensation paid on a contingency fee basis to 10% of the final assessment.

Section 6. This section amends Chapter 116B of the General Statutes by adding a new Article 4, entitled "North Carolina Unclaimed Property Act" and consisting of §§ 116B-51 through 116B-79.

§ 116B-51. This section provides that the Article may be cited as the "North Carolina Unclaimed Property Act".

§ 116B-52. This section defines key terms used in the Article, including the following new terms: (1) "apparent owner"; (2) "domicile"; (3) "mineral"; (4) "mineral proceeds"; (5) "property"; (6) "record"; and (7) "state".

§ 116B-53. This section combines all dormancy periods for categories of property in one section, whereas current law sets out in separate sections the dormancy periods for each category of property. The section also reduces some of the dormancy periods under current law and includes some specific categories of property not specifically addressed under current

law (e.g. IRA's and unmatured debt).

Subsection (a) specifies when property is "unclaimed" for purposes of the applicable dormancy periods set forth in subsection (c). The presumption that the property is abandoned can be rebutted by contact between the apparent owner and the holder by means of a written communication from the owner to the holder, or by some other means memorialized in the records of the holder, or by other means whereby the owner indicates an interest in the property.

Subsection (b) sets forth a nonexclusive list of actions an owner can take to indicate interest in property. These actions include presentment of a check, making deposits and withdrawals from the account in which the property is held, paying a premium, or negotiating an instrument.

Subsection (c) provides that, on the expiration of the dormancy periods specified in subdivisions (1) through (16) of the subsection, unclaimed property is presumed abandoned.

The Senate amended subdivision (c)(8) to provide that any gift certificate or electronic gift card bearing an expiration date is deemed abandoned if the certificate or card remains unredeemed or dormant for more than three years after it was sold. The amount abandoned is deemed to be 60% of the unredeemed portion of the face value of the gift certificate or the electronic gift card.

The Senate also amended subdivision (c)(13) to provide that wages or other compensation for personal services is presumed abandoned if the compensation remains unclaimed for two years after the compensation becomes payable.

Subsection (d) provides that when the underlying interest, e.g. stock, is presumed abandoned, all other property accruing to the owner as a result of that interest, e.g. dividends, is then also presumed abandoned. Subsection (d) eliminates the situation where underlying stock is presumed abandoned and delivered to the Treasurer but dividends issued on the stock within the last five years must be held by the holder because the dormancy period as to the dividends has not yet expired.

Subsection (e) provides that property is deemed payable or distributable even though the owner has not made a demand or presented an instrument or document that is required to obtain payment.

§ 116B-54. This section brings forward current law on forfeited reservation deposits held by business associations.

The Senate amended § 116B-54 to add subsections (b), (c), (d), and (e). The new subsections provide that the following property is not abandoned property: (1) gift certificates

or electronic gift cards which do not expire in North Carolina; (2) prepaid calling cards issued by a telephone company; (3) manufactured home buyer deposits which a manufactured home dealer is authorized to retain under G.S. 143-143.21A or G.S. 143-143.21B; and (4) credit balances between business associations.

§ 116B-55. This section brings forward current law on taking custody of the contents of safe deposit boxes or other safekeeping depositories held by banks and other financial organizations. The contents of safe deposit boxes are presumed abandoned if the apparent owner has not claimed the property within the period established by G.S. 53-43.7. The contents are delivered to the Treasurer as provided by that statute If the contents include property described in § 116B-53 the Treasurer is required to hold the property for the remainder of the applicable dormancy period set forth in that section before the property is deemed to be received for purpose of public sale under § 116B-65.

§ 116B-56. This section describes the general rules under which this State may take custody of abandoned property. These rules are dependent upon the presence or absence of the last known address of the apparent owner in the records of the holder. Apparent owner is defined in § 116B-52(1) to mean the person whose name appears on the records of a holder as the person entitled to property held, issued, or owing by the holder. Abandoned property is subject to custodial taking by the State regardless of whether the property is located in this or another state.

The Senate amended subsection (a) by deleting a provision allowing North Carolina to take custody of property if: (1) the transaction out of which the property arose occurred in North Carolina; (2) the holder is domiciled in a state that does not provide for the custodial taking of the property; and (3) the last known address of the apparent owner or other person entitled to the property is unknown or is in a state that does not provide for the custodial taking of the property.

§ 116B-57. This section provides that dormancy charges imposed by holders for inactivity can not be levied against property held unless there is a valid and enforceable written contract between the owner and the holder for assessing the charges. The amount of the charges must be reasonable. In addition to dormancy charges, holders may deduct from the property presumed abandoned other lawful charges specially authorized by statute or contract.

§ 116B-58. This section clarifies the Treasurer's burden of proof in situations where the property being claimed by the Treasurer is an obligation arising from the issuance of a check or similar instrument by the holder and the obligation is disputed by the holder. Under this section, a record of the issuance of the instrument is prima facie evidence of an obligation. The Treasurer's burden of proof as to the existence and amount of the property and its abandonment is satisfied by showing issuance of the instrument and passage of the requisite dormancy period. Affirmative defenses available to the holder for establishing that the holder had no obligation to the apparent owner include payment, satisfaction, discharge, and want of

consideration.

§ 116B-59. This section requires a holder of property presumed abandoned to make a good faith effort to locate the apparent owner. If the value of the property is $50.00 or more, the holder must send written notice, by first-class mail, to the apparent owner not more than 120 days or less than 60 days before filing the report of abandoned property with the Treasurer. The section also brings forward current law specifying the contents of the notice.

§ 116B-60. This section requires the holder of property presumed abandoned to file a report with the Treasurer and specifies the contents of the report. The report must be filed before November 1 of each year and must cover the 12 months next preceding July 1 of that year, except that a report with respect to a life insurance company must be filed before May 1 of each year and must cover the calendar year next preceding. Before the date for filing the report, the holder may request an extension of time for filing the report, and the Treasurer may grant the extension for good cause. An affidavit stating that the holder has complied with § 116B-59 must be filed with the report. The section brings forward current law requiring a business association holding property presumed abandoned to certify the holding in its income tax return and requiring the Secretary of Revenue to furnish to the Escheat Fund the information appearing on the certification.

The Senate amended subsection (e) to require that a request for extension of time to file a report be accompanied by a processing fee of $10.00.

§ 116B-61. Subsection (a) requires the holder to pay or deliver the property described in the report upon filing the report. However, if the property is an automatic renewal deposit and a penalty or forfeiture in the payment of interest would result, the time for compliance is extended to the next filing and delivery date at which a penalty or forfeiture would no longer result.

Subsection (b) provides that with respect to securities and security entitlements that have been reported as abandoned property, the Treasurer is an "appropriate person" to make an indorsement, instruction, or entitlement order under Article 8 of Chapter 25 of the General Statutes. Accordingly, the Treasurer has the same rights under Article 8 as other persons who succeed by operation of law to securities or security entitlements, such as the executor or administrator of a decedent.

Where the holder is itself the issuer of a certificated security and does not have the original certificate to turn over to the Treasurer, subsection (c) allows the Treasurer to obtain a replacement certificate without giving an indemnity bond. G.S. 25-8-405 enables the owner of a certificated security to obtain a replacement of a lost, destroyed, or stolen certificate, provided that reasonable requirements are satisfied and a sufficient indemnity bond is supplied.

Subsection (d) indemnifies a person causing a replacement certificate to be issued to the

Treasurer from any claims that the person acted wrongfully in so doing. This indemnification is desirable in that it eliminates any duty of the transferring authority to make an independent investigation into whether the listed owner of the security is in fact missing, or into other factors which might affect the Treasurer's right to obtain custody of the property.

§ 116B-62. This section brings forward current law requiring the Treasurer to prepare a list of apparent owners to be delivered to the clerks of superior court and to publish notice of the list.

§ 116B-63. Subsection (a) defines when property is paid or delivered to the Treasurer in "good faith". Subsection (b) relieves a holder of all liability for any property paid or delivered to the Treasurer in good faith. Subsection (c) requires the Treasurer to reimburse a holder who pays unclaimed money to the Treasurer and subsequently pays a person reasonably appearing to the holder to be entitled to the money. Subsection (d) allows a holder to reclaim property other than money upon filing proof that the apparent owner has claimed the property from the holder. Subsection (e) allows the Treasurer to accept a holder's affidavit as sufficient proof of the holder's right to recover money and property. Subsection (f) provides that if any person or another state makes a claim on a holder for property paid or delivery to the Treasurer, the Treasurer, upon written notice of the claim, is required to defend the holder and provide indemnification against any liability on the claim resulting from payment or delivery of the property in good faith to the Treasurer.

§ 116B-64. This section provides that if property other than money is delivered to the Treasurer, the owner is entitled to receive from the Treasurer any income or gain realized or accruing on the property at or before liquidation or conversion of the property into money. If the property is interest-bearing or pays dividends, the interest or dividends must be paid until the date on which the property is delivered to the Treasurer.

§ 116B-65. Subsection (a) requires the public sale of abandoned property, other than securities, within three years after receipt of the property. Subsection (b) governs the sale of securities. Subsection (c) provides that a purchaser takes the property free of all claims of the owner or previous holder and of all persons claiming through or under them.

§ 116B-66. This section and § 116B-56 (rules for taking custody) are designed to carry out the priority scheme enunciated in *Texas v. New Jersey*. In general the state in which the owner had his or her last known address is entitled to claim abandoned property. Where there is insufficient information to permit this assertion of custody, the state of the holder's domicile takes the property subject to a later claim by the owner's state.

A claim to recover property under this section shall be presented in a form prescribed by the Treasurer and the Treasurer shall decide the claim within 90 days after it is presented. The Treasurer shall also require a state, before recovering property under this section, to agree to indemnify the State of North Carolina and its officers and employees against any liability on

a claim to the property.

§ 116B-67. This section allows the owner to make a claim to the State for restitution of property delivered into the State's custody.

§ 116B-68. This section provides that a person aggrieved by a decision of the Treasurer or whose claim has not been acted upon within 90 days after filing may commence an action to establish the claim in the Superior Court of Wake County.

§ 116B-69. Subsection (a) allows the Treasurer to decline to receive property which the Treasurer considers to have a value less than the expenses of notice and sale. Subsection (b) allows the holder, with the consent of the Treasurer, to report and deliver property before the property is presumed abandoned; however, the Treasurer must hold the property until the dormancy period runs before the property would be subject to other provisions of Chapter 116B. This authority will enable the Treasurer to take possession of property when the holder is terminating business but the property is not yet reportable.

§ 116B-70. Subsection (a) allows the Treasurer to destroy or otherwise dispose of property which has no substantial commercial value. The subsection provides immunity from liability, except for intentional misconduct. Subsection (b) brings forward current law in expressly providing for the retention of property having historic significance.

§ 116B-71. Subsection (a) brings forward current law (G.S. 116B-34), providing that the expiration of a period of limitation on a claim by an owner does not relieve a holder of the duties imposed by this Article.

Subsection (b), which has no counterpart in current law, establishes a period of limitation for the Treasurer to commence an enforcement action after the holder filed a report in which the holder specifically identified or should have identified property or gave express notice of a dispute regarding property. The period of limitation is tolled if the report is not filed, the notice of dispute is not given, or the report is fraudulent.

The Senate amended subsection (b) to change the period of limitation from ten years to three years and to extend the three-year period of limitation to six years after the holder filed a report if the holder failed to identify more than 25% of the value of the property or to give express notice to the Treasurer of a dispute regarding more than 25% of the value of the property.

§ 116B-72. This section is designed to facilitate compliance with Chapter 116B. Subsection (a) authorizes the Treasurer to require a person who has not filed a report or who has filed an inaccurate, incomplete, or false report to file a verified report in a form specified by the Treasurer. Subsection (b) authorizes the Treasurer to examine or to contract with any other person to examine the records of any person to determine whether the person has

complied with Chapter 116B. Subsection (c) authorizes the Treasurer to examine the records of an agent of a business association, e.g. a dividend disbursing agent or transfer agent, that is the holder of property presumed abandoned. Subsection (d) provides for the confidentiality of documents and working papers obtained or compiled in the course of an examination and lists the circumstances under which the documents and papers may be disclosed. If an examination results in the disclosure of reportable property, subsection (e) authorizes the Treasurer to assess against a holder who made a fraudulent report the cost of the examination at the rate of $200 a day for each examiner, or a greater amount that is reasonable and was incurred, but the assessment may not exceed the value of the property found to be reportable. Subsection (f) permits the use of estimates in instances where the holder has failed to report and deliver property and no longer has reasonably accessible records sufficient to prepare a specific report.

The Senate amended subsection (e) to delete language authorizing the Treasurer to assess the cost of an examination against a holder who willfully fails to report property.

§ 116B-73. Except as provided in subsection (b), subsection (a) requires a holder to maintain records containing the information required to be included in a report for 10 years after the holder filed the report, unless a shorter period is provided by rule of the Treasurer. Subsection (b) requires the issuer of travelers checks and money orders to maintain records of the instruments for three years after the holder filed the report.

§ 116B-73.1. The Senate added this new section to allow a holder to request the Treasurer to conduct a precompliance review of the holder's program for complying with the North Carolina Unclaimed Property Act. The Treasurer is authorized to charge a fee of $500.00 per day for conducting a precompliance review.

§ 116B-74. Subsection (a) authorizes the Treasurer to commence an enforcement action in this or another state. Subsection (b) brings forward current law allowing the Treasurer to order persons required to report, pay, or deliver property to appear before the Treasurer and to produce records and give testimony.

§ 116B-75. This section deals with interstate cooperation and joint actions. Subsection (a) allows an exchange of information relating to abandoned property or its possible existence. Subsection (b) explicitly permits the Treasurer to join with another state to seek enforcement of Chapter 116B. Subsection (c) explicitly permits the Attorney General of this State to commence an enforcement action on behalf of another state if the state agrees to pay the expenses incurred by the Attorney General. Subsection (d) explicitly permits the Treasurer to request that the attorney general of another state or another attorney commence an enforcement action in the other state on behalf of the Treasurer and also allows the Treasurer, with the approval of the Attorney General of this State, to retain an outside attorney to commence an enforcement action in this State on behalf of the Treasurer. The Treasurer may agree to base the attorneys' fees upon a percentage of the value of the property recovered for the State. Subsection (e) continues the authorization of the Treasurer to make expenditures from the

Escheat Fund as may be necessary to effectuate this section.

§ 116B-76. This section requires a holder who fails to report, pay, or deliver property to pay interest on the property or value of the property from the date the property should have been reported, paid, or delivered. The section also provides civil penalties for willful failure to report, pay, or deliver property and for making a fraudulent report. These penalties are different from the penalties under current law. The Treasurer is expressly authorized to waive, in whole or in part, interest and penalties; however, this authorization does not include the penalty for fraudulent reporting.

§ 116B-77. This section governs agreements between owners and "unclaimed property locators" or "heir finders" to locate abandoned property and is intended to enhance the likelihood that the owner of the property will be located by the efforts of the Treasurer and will receive a return of the property without payment of a "finder's fee." Subsection (a) voids any unclaimed property locator's or heir finder's agreement with the apparent owner if it was entered into during the period commencing on the date the property was presumed abandoned and extending to a time that is 24 months after the date the property is paid or delivered to the Treasurer. Subsection (b) requires that the agreement be in writing, identify the property, state its value before and after deduction of the fee, and specify the services to be rendered. Subsection (c) voids a provision of an agreement that provides for compensation that includes a portion of the underlying minerals or the mineral proceeds not yet presumed abandoned. Subsection (d) limits the locator's compensation to an amount that is not greater than 25% of the actual value of the property recovered. An owner who has made an agreement to pay compensation that is unenforceable, or the Treasurer on behalf of the owner, may bring an action to reduce the compensation. The court may award attorneys' fees to an owner who prevails in the action. Subsection (e) provides that an owner is not precluded from asserting that an agreement is invalid on grounds other than as provided in subsection (d).

The Senate added a new subsection (f) to require unclaimed property locators or heir finders to register annually with the Treasurer. The subsection also requires the payment of an annual registration fee of $100.00 to be credited to the General Fund.

§ 116B-78. This section sets forth transitional provisions.

§ 116B-79. This section authorizes the Treasurer to adopt rules necessary to carry out Chapter 116B.

Sections 7 through 12. These sections make conforming amendments to G.S. 44A-4(b)(1), 29-12, 53-43.7(b), 53-43.7(d), 53B-4, and 116-209.3. The amendments update statutory cross references, delete language believed to be no longer necessary, and make provisions gender neutral.

Section 13. This section is a general severability clause.

Section 14. This section authorizes the printing of drafters' comments.

Section 15. This section provides a delayed effective date of January 1, 2000.

The Senate amended Section 15 to provide that the act applies to property existing on or after January 1, 2000, and that § 116B-54(d) (exclusion for manufactured home buyer deposits) is intended to clarify and not change existing law.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of State Treasurer – Escheat and Unclaimed Property Program

EFFECTIVE DATE: The act becomes effective January 1, 2000.

BILL SUMMARY: This bill rewrites the escheat and unclaimed property laws in North Carolina.

ASSUMPTIONS AND METHODOLOGY:
The following sections of SB 244 have a potential fiscal impact on the Escheat Fund:

Section 5 – G.S. 116B-8
This section has no fiscal impact. This section limits the compensation the State Treasurer pays companies to uncover unreported, escheatable property. The limit will be 10% of the final assessment of property escheated to the state. This provision will not affect the Treasurer's current contracts with two firms. The state contract with the National Abandoned Property Processing Corp. pays 10% of the recovered property. The state contract with the Unclaimed

Property Clearinghouse pays 12% (6% for an audit and 6% for processing) for recovered property. This 12% is really for two separate functions that are paid as one fee. The provision would force the Treasurer to make two payments for these services.

Section 6 – G.S. 116B-53(c) & G.S. 116B-54(b)

Amending these statutes will produce a loss of revenue for the Escheat Fund by exempting gift certificates, manufactured home buyer's deposits, and credit balances between businesses from the definition of abandoned property. As for prepaid calling cards and electronic gift cards, there is no revenue loss because the Treasurer has never escheated these items. However, assuming that these items are eligible for escheat, there is a potential revenue loss that cannot be estimated at this time.

I. Gift Certificates

The Director of the Escheat and Unclaimed Property Program estimates that the Escheat Fund will lose $500,000 per year in unclaimed assets by eliminating gift certificates from escheat. Since the Escheat and Unclaimed Property Program does not record whether a gift certificate has an expiration date or not, this estimate assumes all unclaimed gift certificates are eligible to escheat. In 1998, the state received $117,522 from five companies that listed gift certificates as a specific property type. However, officials in the Escheat and Unclaimed Property Program believe that most gift certificates and gift cards are grouped together with other property types that are reported by businesses. The state collected $6.9 million in unclaimed property from businesses other than banks, insurance companies, and utilities in 1998. It is unknown what percentage of this amount is from gift certificates.

The Director of the Escheat and Unclaimed Property Program believes his agency has only begun discovering unclaimed gift certificates, phone cards, and electronic gift cards. The State Treasurer has six auditors and two contract audit firms that search for unclaimed property in North Carolina and in other states. A recent multi-state audit of a large retail chain found $1 million in unclaimed gift certificates in North Carolina. This $1 million will be remitted to the state over the next four years unless prohibited by SB 244.

To gauge whether North Carolina's estimate of escheated gift certificates was reasonable, unclaimed property programs in other states were surveyed by e-mail by legislative staff. Of the small number of states that responded, gift certificate collections in Indiana and Maine appear to validate the $500,000 estimate for North Carolina. An official with the Indiana Office of the Attorney General reported that $425,000 in gift certificates were escheated to the state in 1998. Indiana has a population of 5.8 million versus North Carolina's 7.4 million. Maine, state population 1.24 million, had $209,100 in gift certificates escheated in 1998. Some states reported that they grouped many classes of property together like North Carolina. Other states escheated gift certificates but admitted their low collections were due to noncompliance by retailers and the state's lack of aggressiveness in seeking unclaimed gift certificates.

II. Manufactured Home Buyers' Deposit

The Escheat and Unclaimed Property Program conducted an audit of a major mobile home manufacturer in North Carolina and found **$1.2 million in unclaimed buyers' deposits**. Passage of SB 244 would prevent the deposit of these funds into the Escheat Fund. There is also an annual revenue loss to the Escheat Fund from this exemption, but no estimate is available from the Treasurer's staff at this time.

III. Credit Balances

It is estimated that the Escheat Fund will lose $250,000 a year if credit balances between businesses are exempted from escheat. Since 1988, the Escheat Fund has received $1.46 million in unclaimed credit balances from in-state and out-of-state property holders. In the last four fiscal years, business to business credit balances have averaged $250,000 a year.

Section 6 – 116B-60

This section will generate annual revenue of $500 for the Escheat Fund. The Treasurer receives approximately 50 requests a year from property holders who request extensions for filing a report. Fifty requests times the $10 fee is $500.

Section 6 – 116B-72

No estimate available. The Escheat and Unclaimed Property Program did 57 record examinations in FY 97-98. This section would allow the Treasurer to charge $200 a day for an exam of a property holder who made a fraudulent report of unclaimed property. The Treasurer's staff does not think this power will be used often due to the difficulty of proving fraud.

Section 6 – 116B-73.1

No fiscal impact. This section states that the Treasurer may charge $500 per day for precompliance reviews. Heretofore, the Treasurer has provided five property holder seminars a year and offered free precompliance advice. The Treasurer's staff does not intend to charge for their compliance efforts.

Section 6 – 116B-76

No estimate available. This section will reduce the interest rate on holders who fail to report, pay, or deliver property in a prescribed time. The interest rate reduction from 12% to the market rate will reduce interest earnings for the Escheat Fund. No estimate is available for the increase in the civil penalty for fraudulent reporting because the Treasurer has not used this authority.

Section 6 – 116B-77

No fiscal impact. The $100 registration fee for third party tracers is not anticipated to be used because there are none presently operating in North Carolina.

SEAA

The interest from the Escheat Fund is deposited with the North Carolina State Education Assistance Authority (SEAA) to provide financial assistance to students in state supported schools of higher education. The interest on Escheat Fund investments in future years is calculated at 6% per year. This is the short-term investment rate recommended by the State Treasurer. It is assumed that the interest will accrue the year after the property is escheated. This interest would have been deposited with the State Education Assistance Authority to be used for student loans. The interest lost each year is as follows:

	Cumulative	Interest
FY 1999-00	$1,574,750	
FY 2000-01	$2,324,250	$94,485
FY 2001-02	$3,073,750	$139,455
FY 2002-03	$3,823,250	$184,425
FY 2003-04	$4,572,750	$229,395

Talking Points
for use in discussing SB 244

- Unclaimed property laws have not been updated for over 18 years.

- The General Statutes Commission reviewed carefully and approved most of what is in SB 244. The Senate made some changes to reflect current business practices and to address some serious concerns of the business community.

- Currently, the Treasurer's office is allowed to go back as far as 1982 in its audits of companies for unclaimed property. SB 244 conforms that time period to 3 years -- the same for most tax audits.

- SB 244 will allow consumers the benefit of gift certificates and electronic gift cards without expiration dates for an indefinite period of time. Current law requires that proceeds from gift certificates that are not used after a certain period of time to be surrendered to the Treasurer's office. Practically all gift certificates and electronic gift cards are issued with no known owner recorded so there is no method of reuniting the owner. SB 244 benefits consumers by improving the treatment of gift certificates and electronic gift cards under the Unclaimed Property Act.

- SB 244 addresses a serious problem in credit balances between businesses. Currently, credit balances as old as 17 years are subject to audit and escheat and the business must prove that all credit balances are not unclaimed property.

- SB 244 exempts only business-to-business credit balances. Businesses normally settle credit balances between themselves and do not routinely abandon property.

- Very often, credit balances are administrative errors. The cost of researching and documenting credit balances as old as 17 years (or even 10 years) far exceeds (often by as many as 10x) any amount surrendered to the Treasurer's office.

- The fiscal impact of SB244 to the General Fund is $0.

- The fiscal impact to the Escheats Fund is minuscule compared to the $33 million collected last year for the Fund.

UNCLAIMED PROPERTY
ACCOUNT RECEIVABLE CREDITS

Position

- Consider clarifying that account receivable credit balances resulting from business to business transactions, in connection with the sale of goods in the ordinary course of business, are not subject to the State of North Carolina Unclaimed Property Act.

Explanation

- Remove the costly burden to businesses for tracking credit balances which occur in its accounts receivable

- Each day our company has multiple transactions including billing, cash receipts, posting, credit disputes and issuing credit memos that involve thousands of customers, orders and products which have the potential for creating errors.

- Errors may include data entry errors, posting to the wrong account, account number errors, credits issued internally only because the customer has already deducted an amount from its payment, varying reference numbers, timing differences, credit memos issued twice, etc.

- On a periodic basis, credit managers clean up their customer open debit and credit balances. It is impractical and not value added for us to research all of the detail. The predominance of the write offs consist of debit balances. Credit balances written off during this process are the result of bookkeeping errors and timing differences.

- We conduct business with the majority of our customers on an ongoing basis. Customer satisfaction is a top priority. Balances owed to our customers are settled promptly. Our customers are smart business people with sophisticated systems and excellent personnel. If we do not satisfy them with first class service and settle amounts due to them, they are quick to let us know.

- Contract auditors currently require that businesses either prove that each credit balance, existing or written off, is the result of an error or report that amount as unclaimed property. Requiring the maintenance of records to prove that accounts receivable credit balances that result from bookkeeping errors, internal procedures and timing differences are not unclaimed property is very expensive. Requiring our company to research past transactions or to establish and maintain tracking systems to prove that such credits are not unclaimed property would place an unfair and unproductive burden on us and would result in only a small amount of these credits actually being escheatable.

- Some states either have or are in the process of excluding credit balances from the definition of unclaimed property. We need your support to help state businesses to operate more efficiently by not requiring the listing of account receivable credits as unclaimed property.

The Honorable John H. Kerr, III
Co-Chair, Senate Finance Committee
North Carolina Senate
526 Legislative Office Building
Raleigh, North Carolina 27601-2808

Dear Senators Hoyle and Kerr:

I attended your hearing on Senate Bill 244 and would like to comment on the cost to comply with reporting credit balances. I am Arthur Andersen's State and Local Tax Practice Director for the Carolinas and have assisted many clients through unclaimed property audits. Based on my experience, The Committee On State Taxes (COST) requested that I write you to address these costs.

The cost to comply with the credit balance issue needs to be discussed from two different perspectives. First, the cost incurred in an audit that is typically for the period 1981 forward often results in $10 of internal and consultant costs for each dollar that is ultimately turned over to the state. Second is the annual cost to comply as represented by the following client's situations:

The first example is a North Carolina based service company with annual sales of approximately $120 million. They have over 40,000 customers through out the Southeast and annually issue over 2.1 million invoices, each with an average amount due of $50. Annually approximately 130 accounts have a net credit balance that is over one year old of which approximately 50 are for inactive customers. Historically over 50 percent of the inactive customer accounts resulted from accounting errors, therefore; resulting in only $1,300 to be shared with North Carolina and the other Southeast states as unclaimed property. To research and analyze the all the inactive accounts to determine accounting errors, customers with several accounts and active/inactive customers; the time and expenses incurred by the computer programmer, accounts receivable supervisor and the analysts exceed 60 hours at a cost greater that the $1,300 reportable amount.

ARTHUR ANDERSEN

The second example is a billion-dollar manufacturer/distributor with sales in all fifty states. Each year they issue over 500,000 credits. Annually $25,000 to $50,000 relates to inactive customer accounts that are over one year old. The $25,000 to $50,000 is before reviewing for accounting errors. To properly review and determine which of these amounts are reportable to the 50 states the company does business in, they estimate it would take one full-time staff employee plus supervisory time resulting in an annual cost in excess of $50,000.

It is important to note that businesses do not in the normal course of business abandon property. It has been my experience that the majority of credit balances occur as the result of accounting errors such as improper posting, entering a credit twice or invoices issued in the field which the client pays however the invoice did not reaching the billing department.

Thank you for your interest in this matter. I hope this will answer your question regarding the fact that the cost to comply with reporting credit balances far exceed the benefit that the state would receive. If you have any questions please feel free to contact me at the above address or at 704-332-1454.

Very truly yours,

Treasurer, Merchants Sparring Over Gift Certificates

RALEIGH (AP) -- Got an old gift certificate someone gave you lying around uncashed? If you do, you're not alone.

Retailers expect to sell about $18 billion worth of gift certificates this year. Nearly 6 percent of them, over $1 billion, they estimate will never be redeemed.

The state treasurer's office estimates about $21 million in those unclaimed gift certificates will be stuck in dresser drawers in North Carolina.

What should be done with those certificates is now a matter of dispute between merchants and the treasurer's office. A bill approved by the Senate and likely to be considered this week by a House committee says gift certificates cannot be considered abandoned property that would go to the state's escheat fund in the treasurer's office. It would also exempt deposits on mobile homes, prepaid calling cards sold by phone companies and credit balances owed by one business to another.

North Carolina's escheat fund was created in 1789. Abandoned property and bank accounts are held by the state, which attempts to find the legal owner or his heirs. Interest from the fund is used for low-interest student loans.

Until 1972, the fund was managed by the University of North Carolina. When the treasurer's office took it over that year, there was about $4 million in the escheat fund.

Now, however, there is over $200 million in the fund, and the interest from it has provided 68,000 loans to students. About 4,500 new loans a year come from that interest.

Unclaimed gift certificates, says Terry Allen, who oversees the escheat fund, ought to be surrendered to the treasurer's office like other unclaimed property.

``Our primary purpose is to get it back to the people it belongs to," said Allen. ``If the state keeps whittling away and letting people keep money that doesn't belong to them, eventually you're going to hurt the fund."

An audit of an out-of-state discount chain, Allen said, showed nearly $1 million in unredeemed gift certificates that should come to the escheat fund.

But Fran Preston of the North Carolina Retail Merchants Association doesn't see it that way.

Merchants, she said, want to issue gift certificates with no expiration date. ``The main reason they are not redeemed is because they have an expiration date on them," she said. ``Somebody opens a drawer and says, `Oops, that one's expired.

``If there is no expiration date, then the gift certificate is just like cash and should not escheat."

Finding the rightful owners of gift certificates, she said, is practically impossible since they are used as gifts. The buyer, even if he could be located, is not the person who owns the certificate after it is given away.

And stores do not record the name and address of the eventual recipient, or the buyer, in most cases.

(MORE, Turn Over Page)

Stores have to pay federal and state taxes of up to 40 percent two years after a gift certificate is issued, Preston said. If it is not used in five years, then the store is supposed to surrender 100 percent of the certificate's value to the escheat fund.

The means merchants end up paying 140 percent of the certificate's value.

Allen said a study commission that looked at the issue agreed to give merchants 40 percent of the certificate's value, with 60 percent going to the state. But an amendment added in a Senate committee gave 100 percent of the value to merchants.

Prepaid phone cards and electronic greeting cards, which are like prepaid credit cards for specific stores, are such new innovations that the state has never collected them in its abandoned property fund, Allen said.

But they seem likely to become more common, and to create more abandoned property, he said. A $10 phone card, for instance, could have $1 in credit left when the customer sets it aside and forgets it. "You're talking about the potential of losing many, many millions of dollars that could be going toward student loans," Allen said.

But Preston said the income from uncashed gift certificates would be a small fraction of the escheat fund. And eliminating expiration dates will encourage more customers to use them. ``It is more important to get the certificate used by the consumer and the retailer than for the treasurer to hold it," she said.

``We are, maybe more than another business, in a relationship with the consumer," she said. ``It's in our best interest for the consumer to come in and use the certificate."

Tug of war over gift certificates

Billionaire merchant Sam Walton's heirs are sufficiently well off that they don't need to be dipping into North Carolina's college loan fund. Or at least that is how state Treasurer Harlan Boyles sees it.

This is why Boyles is not happy that the General Assembly is on the verge of providing what he sees as a multimillion-dollar windfall to Wal-Mart and other merchants by letting them keep unclaimed gift certificates.

Rob Christensen

Boyles, a conservative pro-business Democrat, thinks the unclaimed gift certificates should be turned over to the state's lost and found (escheats) fund, where the state can try to return the money to the rightful owner. And he thinks is it "selfish" and "unfair" that some companies are trying to hold on to the money.

"It is very confusing to me as to why the legislature would even give the time of day to a proposal like this when the beneficiaries are out-of-state [companies], by and large," Boyles said. And the people who would be hurt by the bill are North Carolinians, he said.

The stakes in the legislative battle are bigger than you might think. Americans spend $18 billion a year on gift certificates, and about 6 percent are never redeemed — lost, forgotten or not wanted.

Last year, the state treasurer's office collected an estimated $500,000 from stores — the value of unclaimed gift certificates.

Like other unclaimed property — savings accounts, checking accounts, securities, stocks and the like — the gift certificates end up in a special "escheat" fund in the state treasurer's office. There was $184.3 million in the pot last year.

The treasurer's office tries to find the owner. Meanwhile, interest earned in the fund is used for low-interest college loans — helping 5,000 Tar Heel students this year and 75,000 students over the years.

It was during Senate debate over a routine bill, updating the escheats law, that the legislation was amended to exempt gift certificates. The measure passed the Senate unanimously, with the backing of the N.C. Merchants Association and the N.C. Citizens for Business and Industry.

Boyles says he doesn't think it's a coincidence that the bill was amended not long after an audit found that Wal-Mart was holding $1 million in unclaimed gift certificates owned by North Carolina residents. This $1 million probably would have to be remitted to the state over the next four years, although the issue is expected to be contested.

But two of the senators responsible for the change, Republican Fletcher Hartsell of Concord and Democrat Dan Clodfelter of Charlotte, both said that Boyles has the wrong take on the issue.

They said the bill was not designed to help Wal-Mart or any other company. The two attorneys said Boyles does not have the law on his side. And despite whatever good may result from the student loans, they said, the unclaimed gift certificates are like legal tender and are the legal property of the stores and not the state.

"As far as I am concerned, the treasurer is asking us to pass a bad law so he can get credit for passing out more scholarships," Clodfelter said. "But he would be taking property that doesn't belong to the state of North Carolina. It belongs to other people."

The bill is scheduled to be considered in the House Finance Committee on Tuesday.

Senate Bill 244

Proposed amendments to Senate Bill 244

1) Eliminate fixed percentage payable to contract auditors.
2) Require the issuer of a gift certificate to retain names and addresses of purchasers.
3) Provide for the escheat of business-to-business credit balances where there is no longer a continuing business relationship.
4) Limit the reach-back period for an escheat audit to 10 years

G.S. 116B-8 Employment of persons with specialized skills or knowledge

The Treasurer's Office agrees that any persons whose services are employed by the Treasurer should meet the same confidentiality and ethics requirements as employees of the Department of State Treasurer. However, negotiation of compensation should be made by State Treasurer under competitive standards.

G.S. 116B-54(b) Exclusion of certain gift certificates or electronic gift cards

The North Carolina General Statutes Commission concurred with The National Conference of Commissioners on Uniform State Laws in deciding that it was equitable for issuers of gift certificates to retain 40% of the value of the certificate when it escheats. The Treasurer's Office also concurred on this issue.

Studies show that a gift certificate that is not presented within a year is highly unlikely to ever be presented. This year it is estimated that approximately $18 billion in gift certificates will be purchased, and approximately 6% of these will never be redeemed.

The committee substitute, adopted by the Senate, exempts gift certificates with no expiration date. This would allow for any windfall from the sale of these certificates to go to the holder rather than to be utilized for student loans.

In addition, this committee substitute

Does not protect the consumer.

Lacks any provision for making the issuer accountable.

Does not require the issuer to maintain the address of the purchaser so they can be notified after the certificate has been unredeemed after a period of time.

Does not protect the purchaser in the event of bankruptcy.

Does not prevent unredeemed certificates from being escheated to another state.

G.S. 116B-54(e) Exclusion of Business-to-Business Credit Balances from Escheat

Current law provides that business-to-business credit balances escheat. The Treasurer agrees that where there is an on-going business relation between two businesses, credit balances should not escheat. Only when the companies are no longer doing business with each other should the credit balance escheat. The Senate Committee Substitute however, provides for the exclusion of all business-to-business credit balances from escheat.

The cost of complying with credit balances and gift certificates under the uniform act would be minimal unless the company refuses to comply yearly and has to research many years back. When auditing for business-to-business credit balances where there is no longer a business relationship, North Carolina escheat auditors recover approximately $4,400 per audit hour

G.S. 116B-71(b) Limit the reach-back period for escheat audits

This provision was a result of an amendment introduced on the floor of the Senate. It reduces the amount of time that the Treasurer has to bring an action from ten years to three years after the holder has filed a report with the treasurer. The period of limitation is extended to six years after the holder filed a report if the holder failed to identify more than 25% of the value of the property or to give express notice to the Treasurer of a dispute regarding more than 25% of the value of the property. In the absence of such a report or other express notice, or if a fraudulent report is filed, the period of limitation is tolled.

Under present law, unclaimed property audits reach back to 1981, if the holder is found to be in non-compliance. This has been done to provide a means of equity for those holders who have been diligent in obeying the law and filing their reports. For holders in general compliance, audits generally go back approximately 3 years. The recommendation made by the North Carolina General Statutes Commission, and supported by the State Treasurer provided that the reach-back should be set at 10 years. The intent of the Senate floor amendment was to make the time frame on escheat audits similar to Department of Revenue audits. However, the Department of Revenue has hundreds of auditors and they cross-reference with the IRS. With over 12,500 holders on the escheat database and 4,500 of those filing positive reports each year, it would not be possible for the Treasurer's limited staff of five field auditors, and two contract auditors to be able to properly conduct all the audits necessary to ensure compliance with the law. Although no fiscal note has been requested, it is anticipated that the ultimate loss of revenue would be tens of millions of dollars.

Out-of-state companies, having unclaimed property (i.e. shares and bank deposits) in North Carolina would greatly benefit from this amendment.

A BILL TO BE ENTITLED

AN ACT TO MODIFY THE PURPOSES FOR WHICH THE GREENSBORO ROOM OCCUPANCY TAX MAY BE USED.

The General Assembly of North Carolina enacts:

Section 1. Chapter 22 of the 1991 Session Laws, as amended by Chapter 380 of the 1995 Session Laws, reads as rewritten:

"Section 1. Levy of Tax.

~~(a)~~ The Greensboro City Council ~~may, by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto,~~ may levy a city-wide room occupancy and tourism development tax in addition to any other occupancy tax authorized for Guilford County.

~~(b) Collection of the tax, and liability therefor, shall begin and continue only on and after the first day of a calendar month set by the city council in the resolution levying the tax which may in no case be earlier than the first day of the second succeeding calendar month after the date of adoption of the resolution.~~

"Sec. 2. Occupancy Tax.

The city room occupancy and tourism development tax that may be levied under this act shall be three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by any hotel, motel, inn, tourism camp, or other similar place within the City of Greensboro which is subject to the three percent (3%) sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales or occupancy tax.

"Sec. 3. Exemptions.

The tax authorized by this act does not apply to gross receipts derived by the following entities from accommodations furnished by them:

(1) Religious organizations;

(2) A business that offers to rent fewer than five units;

(3) Educational organizations;

(4) Summer camps; and

(5) Charitable, benevolent, and other nonprofit organizations.

"Sec. 4. Administration of Tax.

~~(a) The City of Greensboro may contract with Guilford County to collect and administer a tax levied under this act. The tax is due and payable to the city in monthly installments on or before the fifteenth day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the fifteenth day of each month, prepare and render a return on a form prescribed by the city. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.~~

~~(b) A person, firm, corporation, or association who fails or refuses to file the return required by this act shall pay a penalty of ten dollars ($10.00) for each day's omission. In case of failure or refusal to file the return or pay the tax for a period of 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due, in addition to any other penalty, with an additional tax of five percent (5%) for each additional month or fraction thereof until the occupancy tax is paid. The city council may, for good cause shown, compromise or forgive the additional tax penalties imposed by this subsection.~~

~~(c) Any person who willfully attempts in any manner to evade the occupancy tax imposed by this act or to make a return and who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both.~~ A tax levied under this section shall be levied, administered, and collected as provided in G.S. 160A-215. The penalties provided in G.S. 160A-215 apply to a tax levied under this act. The provisions for repeal of the tax as provided in G.S. 160A-215 do not apply to a tax levied under this act.

~~"Sec. 5. Collection of Tax.~~

~~Every operator of a business subject to the tax levied under this act shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the city. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The city or the county shall design, print, and furnish to all appropriate businesses in the city the necessary forms for filing returns and instructions to ensure the full collection of the tax.~~

"Sec. 6. Disposition of Taxes Collected.

(a) Until retirement of the debt to finance renovation and expansion of the Greensboro War Memorial Coliseum arena, the proceeds of the occupancy tax shall be used as provided in this subsection.

(1) Promotion funds. -- The city or the county shall remit twenty percent (20%) of the net proceeds of the tax to the Greensboro/Guilford County Tourism Development Authority. ~~'Net proceeds' means gross proceeds less the cost to the city or the county of administering and collecting the tax, not to exceed five percent (5%) of the gross proceeds of the tax.~~ The authority shall use the funds remitted to it under this subsection only ~~for activities and programs promoting and encouraging travel and tourism.~~ to promote travel and tourism and for tourism-related expenditures.

(2) Rent subsidy funds. -- The city may remit up to two hundred thousand dollars ($200,000) of the remaining net proceeds each fiscal year to the Greensboro/Guilford County Tourism Development Authority for a marketing fund. The marketing fund may be used only for coliseum rent subsidies to attract large groups that commit to fill at least 5,000 room nights for the event. Any part of the marketing fund that has not been spent or committed at the end of each fiscal year for this purpose shall be credited to the City of Greensboro for use in accordance with subdivision (3) of this subsection.

(3) Complex funds. -- The City of Greensboro shall receive the balance of the net proceeds and shall use these funds only (i) to finance the renovation and expansion of the Greensboro War Memorial Coliseum arena, (ii) to finance the renovation and expansion of the remainder of the Greensboro War Memorial Complex and acquisition of property in the vicinity of the Complex, and (iii) for maintenance of the Complex. In the event that the funds exceed the amount required for these purposes, the excess shall be retained in a special reserve fund and used (i) to make debt payments where additional funds are needed in any payment period or (ii) to call a portion of the debt.

(b) Upon retirement of the full debt to finance the renovation and expansion of the Greensboro War Memorial Coliseum arena, the proceeds of the occupancy tax shall be used as provided in this subsection.

(1) Promotion funds. -- The city or the county shall remit twenty-five percent (25%) of the net proceeds of the tax to the Greensboro/Guilford County Tourism Development Authority. The authority shall use the funds remitted to it under this subsection only ~~for activities and programs promoting and encouraging travel and tourism.~~ to promote travel and tourism and for tourism-related expenditures.

(2) Rent subsidy funds. -- The city may remit up to two hundred thousand dollars ($200,000) of the remaining net proceeds each fiscal year to the Greensboro/Guilford County Tourism Development Authority for a marketing fund. The marketing fund may be used only for coliseum rent subsidies to attract large groups that commit to fill at least 5,000 room nights for the event. Any part of the marketing fund that has not been spent or committed at the end of each fiscal year for this purpose shall be credited to the City of Greensboro for use in accordance with subdivision (3) of this subsection.

(3) Promotion and facilities funds. -- The city shall receive the balance of the net proceeds and shall use these funds only (i) for specific tourist-related events, programs, and activities, such as arts, recreational, or cultural events, or (ii) for promoting, improving, constructing, financing, or acquiring facilities or attractions that enhance the development of tourism. Before expending the proceeds for any of the purposes listed in this subsection, the city shall submit each project to the Greensboro/Guilford County Tourism Development Authority. The board of directors of that authority shall make recommendations to the city with respect to the projects within 60 days after submission by the city.

(c) The following definitions apply in this section:

(1) Net proceeds. -- Gross proceeds less the cost to the city or county of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars ($500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross receipts collected each year.

(2) Promote travel and tourism. -- To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area; the term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. -- Expenditures that, in the judgment of the Authority, are designed to increase the use of lodging facilities, meeting facilities, or convention facilities in a town or to attract tourists or business travelers to the town. The term includes tourism-related capital expenditures.

"Sec. 7. Contracts Authorized.

The City of Greensboro may contract with any nonprofit organization to assist it in carrying out the purposes for which the tax proceeds levied by this act may be expended. The Greensboro/Guilford County Tourism Development Authority may

contract with any person, firm, or agency to assist it in carrying out the purposes for which the tax proceeds levied by this act may be expended.

"Sec. 8. Reports.

The Greensboro/Guilford County Tourism Development Authority and the City of Greensboro shall report quarterly and at the close of the fiscal year to the city council on their receipts and expenditures for the preceding quarter and for the year in such detail as the council may require. The Greensboro/Guilford County Tourism Development Authority shall submit its annual budget for the funds provided in this act to the Greensboro City Council for approval prior to adoption by the authority. This action does not, however, incorporate the authority's budget into the annual operating budget of the City of Greensboro. The authority shall furnish its annual audit to the Greensboro City Council.

"Sec. 9. Repeal of Levy.

The Greensboro City Council may, by resolution, repeal the tax levied under this act, but the repeal may not become effective until the debt for the renovation and expansion of the Greensboro War Memorial Coliseum arena has been retired. In addition, the repeal may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal."

Section 2. City administrative provisions. -- Section 3 of S.L. 1997-410, as amended by Section 2 of S.L. 1997-447 and Section 4 of S.L. 1998-112, reads as rewritten:

"Section 3. Municipal Administrative Provisions. G.S. 160A-215, as enacted by S.L. 1997-361 and S.L. 1997-364, applies to the Cities of Goldsboro, Greensboro, Lumberton, Mount Airy, Shelby, and Statesville, to the Town of St. Pauls and to the municipalities in Brunswick County."

Section 3. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO MODIFY THE PURPOSES FOR WHICH THE GREENSBORO ROOM OCCUPANCY TAX MAY BE USED.

The General Assembly of North Carolina enacts:

Section 1. Chapter 22 of the 1991 Session Laws, as amended by Chapter 380 of the 1995 Session Laws, reads as rewritten:

"Section 1. Levy of Tax.

~~(a)~~ The Greensboro City Council ~~may, by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto,~~ may levy a city-wide room occupancy and tourism development tax in addition to any other occupancy tax authorized for Guilford County.

~~(b) Collection of the tax, and liability therefor, shall begin and continue only on and after the first day of a calendar month set by the city council in the resolution levying the tax which may in no case be earlier than the first day of the second succeeding calendar month after the date of adoption of the resolution.~~

Sec. 2. Occupancy Tax.

The city room occupancy and tourism development tax that may be levied under this act shall be three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by any hotel, motel, inn, tourism camp, or other similar place within the City of Greensboro which is subject to the three percent (3%) sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales or occupancy tax.

Sec. 3. Exemptions.

The tax authorized by this act does not apply to gross receipts derived by the following entities from accommodations furnished by them:

(1) Religious organizations;

(2) A business that offers to rent fewer than five units;

(3) Educational organizations;

(4) Summer camps; and

(5) Charitable, benevolent, and other nonprofit organizations.

Sec. 4. Administration of Tax.

~~(a) The City of Greensboro may contract with Guilford County to collect and administer a tax levied under this act. The tax is due and payable to the city in monthly installments on or before the fifteenth day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the fifteenth day of each month, prepare and render a return on a form prescribed by the city. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.~~

~~(b) A person, firm, corporation, or association who fails or refuses to file the return required by this act shall pay a penalty of ten dollars ($10.00) for each day's omission. In case of failure or refusal to file the return or pay the tax for a period of 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due, in addition to any other penalty, with an additional tax of five percent (5%) for each additional month or fraction thereof until the occupancy tax is paid. The city council may, for good cause shown, compromise or forgive the additional tax penalties imposed by this subsection.~~

~~(c) Any person who willfully attempts in any manner to evade the occupancy tax imposed by this act or to make a return~~

~~and who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both.~~ A tax levied under this section shall be levied, administered, and collected as provided in G.S. 160A-215. The penalties provided in G.S. 160A-215 apply to a tax levied under this act. The provisions for repeal of the tax as provided in G.S. 160A-215 do not apply to a tax levied under this act.

~~Sec. 5. Collection of Tax.~~

~~Every operator of a business subject to the tax levied under this act shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the city. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The city or the county shall design, print, and furnish to all appropriate businesses in the city the necessary forms for filing returns and instructions to ensure the full collection of the tax.~~

Sec. 6. Disposition of Taxes Collected.

(a) Until retirement of the debt to finance renovation and expansion of the Greensboro War Memorial Coliseum arena, the proceeds of the occupancy tax shall be used as provided in this subsection.

(1) Promotion Funds. -- The city or the county shall remit twenty percent (20%) of the net proceeds of the tax to the Greensboro/Guilford County Tourism Development Authority. ~~'Net proceeds' means gross proceeds less the cost to the city or the county of administering and collecting the tax, not to exceed five percent (5%) of the gross proceeds of the tax.~~ The authority shall use the funds remitted to it under this subsection only ~~for activities and programs promoting and encouraging travel and tourism.~~ to promote travel and tourism and for tourism-related expenditures.

(2) Rent Subsidy Funds. -- The city may remit up to two hundred thousand dollars ($200,000) of the remaining net proceeds each fiscal year to the

Greensboro/Guilford County Tourism Development Authority for a marketing fund. The marketing fund may be used only for coliseum rent subsidies to attract large groups that commit to fill at least 5,000 room nights for the event. Any part of the marketing fund that has not been spent or committed at the end of each fiscal year for this purpose shall be credited to the City of Greensboro for use in accordance with subdivision (3) of this subsection.

(3) Complex Funds. -- The City of Greensboro shall receive the balance of the net proceeds and shall use these funds only (i) to finance the renovation and expansion of the Greensboro War Memorial Coliseum arena, (ii) to finance the renovation and expansion of the remainder of the Greensboro War Memorial Complex and acquisition of property in the vicinity of the Complex, and (iii) for maintenance of the Complex. In the event that the funds exceed the amount required for these purposes, the excess shall be retained in a special reserve fund and used (i) to make debt payments where additional funds are needed in any payment period or (ii) to call a portion of the debt.

(b) Upon retirement of the full debt to finance the renovation and expansion of the Greensboro War Memorial Coliseum arena, the proceeds of the occupancy tax shall be used as provided in this subsection.

(1) Promotion Funds. -- The city or the county shall remit twenty-five percent (25%) of the net proceeds of the tax to the Greensboro/Guilford County Tourism Development Authority. The authority shall use the funds remitted to it under this subsection only ~~for activities and programs promoting and encouraging travel and tourism.~~ to promote travel and tourism and for tourism-related expenditures.

(2) Rent Subsidy Funds. -- The city may remit up to two hundred thousand dollars ($200,000) of the remaining net proceeds each fiscal year to the Greensboro/Guilford County Tourism Development Authority for a marketing fund. The marketing fund may be used only for coliseum rent subsidies to attract large groups that commit to fill at least 5,000 room nights for the event. Any part of the

marketing fund that has not been spent or committed at the end of each fiscal year for this purpose shall be credited to the City of Greensboro for use in accordance with subdivision (3) of this subsection.

(3) Promotion and Facilities Funds. -- The city shall receive the balance of the net proceeds and shall use these funds only (i) for specific tourist-related events, programs, and activities, such as arts, recreational, or cultural events, or (ii) for promoting, improving, constructing, financing, or acquiring facilities or attractions that enhance the development of tourism. Before expending the proceeds for any of the purposes listed in this subsection, the city shall submit each project to the Greensboro/Guilford County Tourism Development Authority. The board of directors of that authority shall make recommendations to the city with respect to the projects within 60 days after submission by the city.

(c) The following definitions apply in this section:

(1) Net proceeds. -- Gross proceeds less the cost to the city or county of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars ($500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross receipts collected each year.

(2) Promote travel and tourism. -- To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area; the term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. -- Expenditures that, in the judgment of the Authority, are designed to increase the use of lodging facilities, meeting facilities, or convention facilities in a town or to attract tourists or business travelers to the town. The term includes tourism-related capital expenditures.

Sec. 7. Contracts Authorized.

The City of Greensboro may contract with any nonprofit organization to assist it in carrying out the purposes for which the tax proceeds levied by this act may be expended. The Greensboro/Guilford County Tourism Development Authority may contract with any person, firm, or agency to assist it in carrying out the purposes for which the tax proceeds levied by this act may be expended.

Sec. 8. Reports.

The Greensboro/Guilford County Tourism Development Authority and the City of Greensboro shall report quarterly and at the close of the fiscal year to the city council on their receipts and expenditures for the preceding quarter and for the year in such detail as the council may require. The Greensboro/Guilford County Tourism Development Authority shall submit its annual budget for the funds provided in this act to the Greensboro City Council for approval prior to adoption by the authority. This action does not, however, incorporate the authority's budget into the annual operating budget of the City of Greensboro. The authority shall furnish its annual audit to the Greensboro City Council.

Sec. 9. Repeal of Levy.

The Greensboro City Council may, by resolution, repeal the tax levied under this act, but the repeal may not become effective until the debt for the renovation and expansion of the Greensboro War Memorial Coliseum arena has been retired. In addition, the repeal may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal."

Section 2. City administrative provisions. -- Section 3 of S.L. 1997-410, as amended by Section 2 of S.L. 1997-447 and Section 4 of S.L. 1998-112, reads as rewritten:

"Section 3. Municipal Administrative Provisions. G.S. 160A-215, as enacted by S.L. 1997-361 and S.L. 1997-364, applies to the Cities of Goldsboro, Greensboro, Lumberton, Mount Airy, Shelby, and Statesville, to the Town of St. Pauls and to the municipalities in Brunswick County."

SENATE BILL 523:
Modify Greensboro Room Tax Use

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Sen. Hagan
Date:	July 7, 1999	**Summary by:**	Cindy Avrette
Version:	PCS for 2nd Edition *S523-CSRB-7/6*		Committee Counsel

SUMMARY: Senate Bill 523 modifies Greensboro's current occupancy tax use by permitting the City of Greensboro to remit up to $200,000 to the Greensboro/Guilford County Tourism Development Authority for a marketing fund. The proposed committee substitute conforms the administrative provisions of the current room occupancy tax session law for Greensboro to the uniform occupancy tax provisions of G.S. 160A-215.

SENATE BILL 523: The 2nd Edition of Senate Bill 523 changes the use of the proceeds of the Greensboro occupancy tax. Currently, all proceeds from the occupancy tax are used either for activities and programs promoting and encouraging travel and tourism, or for the Greensboro coliseum complex. Senate Bill 323 allows, but does not require, the City of Greensboro to remit up to $200,000 of the net proceeds of the tax to the TDA for a marketing fund. The marketing fund may be used only for coliseum rent subsidies to attract large groups that commit to fill at least 5,000 room nights.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. In several instances, the General Assembly has authorized both a county and a city within that county to impose an occupancy tax. The rate of tax, the use of the tax proceeds, the administration of the tax, and the body with the authority to determine how the tax proceeds will be spent vary considerably. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax legislation – G.S. 153A-155 and G.S. 160A-215. These provisions provide uniformity in the areas of levy, administration, collection, repeal, and penalties.

The North Carolina Travel and Tourism Coalition has a policy statement for legislation authorizing local occupancy taxes. These principals include:

- **Rate** – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
- **Use** – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related purposes.
- **Definitions** – The term "net revenues", "promote travel and tourism", and "tourism-related expenditures" are defined terms.
- **Administration** – The net revenues must be administered by a local tourism promotion agency that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least ¾ of the members must be currently active in the promotion of travel and tourism in the taxing district and 1/3 of the members must be affiliated with organizations that collect the tax.

- **Costs of Collection** – The taxing authority may retain from the revenues its actual costs of collection not to exceed 3% of the first $500,000 collected each year plus 1% of the remainder collected each year.

PROPOSED COMMITTEE SUBSTITUE: Earlier this session, the Finance Chairs appointed a subcommittee to consider the occupancy tax legislation in light of the uniform provisions discussed above. Representative Jarrell chaired the subcommittee and Representatives Dedmon, Gibson, Goodwin, and C. Wilson were members of the subcommittee. The subcommittee gave a favorable recommendation to the legislation that met the uniform administrative provisions concerning levy, administration, collection, penalties, and repeal. Legislation enacting new occupancy taxes, or increasing the rate of existing occupancy taxes, also had to meet uniform distribution requirements. **This bill has not been through this subcommittee. The proposed committee substitute makes changes to the bill in light of the past work of the subcommittee this session:**

Administration. -- The proposed committee substitute for Senate Bill 523 conforms the administrative provisions of the 1991 Greensboro occupancy tax law with the uniform provisions first enacted in 1997. **Under the proposed committee substitute, the levy, administration, and collection of the occupancy taxes must be done in accordance with G.S. 160A-215.** These provisions are substantially the same as the ones in the current 1991 session law.

Repeal of tax. -- The proposed committee substitute does not conform the repeal provision with the uniform repeal provision because the current local act prohibits the repeal of the tax until the debt for the renovation and expansion of the Greensboro War Memorial Coliseum arena has been retired. The remaining provisions of the repeal provision reads substantially the same as the uniform provisions.

Penalty provision. -- Under the current Greensboro occupancy tax law, the penalty for failure to file a return is $10 for each day's omission. In case of failure to file the return or pay the tax for a period of 30 days after it is due, the penalty is 5% of the tax due. **The proposed committee substitute provides that the uniform penalties will apply.** The uniform occupancy tax penalties in G.S. 160A-215 are the same as the penalties for failure to pay or file a return for State sales and use taxes. The uniform penalty for failure to file a return is 5% of the amount of tax due, not to exceed 25% or $5, whichever is greater. The uniform penalty for failure to pay the tax due is 10% of the tax due or $5, whichever is greater.

Distribution. -- Although the distribution requirements under the current Greensboro occupancy tax law do not mirror the uniform distribution requirements, they do meet the spirit of the uniform requirements. **The proposed committee substitute does not substantively change the distribution requirements from the 2nd edition of the bill. It does define net proceeds to limit administrative costs to 3%, rather than 5% and it defines the terms "promote travel and tourism" and "tourism-related expenditures".** Under current law, as well as under the bill, all of the net proceeds must be used to promote travel and tourism. Twenty percent of the net proceeds are remitted to the Greensboro/Guilford County Tourism Development Authority to be used only for activities and programs promoting and encouraging travel and tourism. The remainder must be used to finance the renovation and expansion of the Greensboro War Memorial Coliseum arena, the Greensboro War Memorial Complex, and the maintenance of the Complex. Upon the retirement of the full debt to finance the renovation and expansion of the Greensboro War Memorial Coliseum arena, the city must remit 25% of the net proceeds to the Tourism Development Authority and must use the remainder only for activities and programs promoting and encouraging travel and tourism.

Tourism Development Authority. -- One of the uniform provisions considered by the subcommittee included the creation of a tourism development authority. The current Greensboro occupancy tax law references the Greensboro/Guilford County Tourism Development Authority. **The proposed committee substitute does not make any change in this area.** As noted above, a portion of the proceeds, including the proposed $200,000, goes to the TDA.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE CREATION OF MUNICIPAL SERVICE DISTRICTS IN CERTAIN CITIES FOR URBAN AREA REVITALIZATION PROJECTS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 160A-536 reads as rewritten:

"**§ 160A-536. Purposes for which districts may be established.**

(a) Purposes. -- The city council of any city may define any number of service districts in order to finance, provide, or maintain for the districts one or more of the following services, facilities, or functions in addition to or to a greater extent than those financed, provided or maintained for the entire city:

(1) Beach erosion control and flood and hurricane protection ~~works;~~ works.

(1a) (For applicability see note) Any service, facility, or function which the municipality may by law provide in the city, and including but not limited to placement of utility wiring underground, placement of period street lighting, placement of specially designed street signs and street furniture, landscaping, specialized street and sidewalk paving, and other appropriate improvements to the rights-of-way that generally preserve the character of an historic district; provided that this subdivision only applies to a service district which, at the time of its creation, had the same boundaries as an historic district created under Part 3A of Article 19 of this ~~Chapter;~~ Chapter.

(2) Downtown revitalization ~~projects;~~ projects.
(2a) Urban area revitalization projects.
(3) Drainage ~~projects;~~ projects.
(3a) Sewage collection and disposal systems of all types, including septic tank systems or other on-site collection or disposal facilities or ~~systems;~~ systems.
(4) Off-street parking ~~facilities; and~~ facilities.
(5) Watershed improvement projects, including but not limited to watershed improvement projects as defined in General Statutes Chapter 139; drainage projects, including but not limited to the drainage projects provided for by General Statutes Chapter 156; and water resources development projects, including but not limited to the federal water resources development projects provided for by General Statutes Chapter 143, Article 21.

(b) Downtown Revitalization Defined. -- As used in this section "downtown revitalization projects" include by way of illustration but not limitation improvements to water mains, sanitary sewer mains, storm sewer mains, electric power distribution lines, gas mains, street lighting, streets and sidewalks, including rights-of-way and easements therefor, the construction of pedestrian malls, bicycle paths, overhead pedestrian walkways, sidewalk canopies, and parking facilities both on-street and off-street, and other improvements intended to relieve traffic congestion in the central city, improve pedestrian and vehicular access thereto, reduce the incidence of crime therein, and generally to further the public health, safety, welfare, and convenience by promoting the economic health of the central city or downtown area. In addition, a downtown revitalization project may, in order to revitalize a downtown area and further the public health, safety, welfare, and convenience, include the provision of city services or functions in addition to or to a greater extent than those provided or maintained for the entire city. A downtown revitalization project may also include promotion and developmental activities (such as sponsoring festivals and markets in the downtown area, promoting business investment in the downtown area, helping to coordinate public and private actions in the downtown area, and developing and issuing publications on the downtown area) designed to improve the economic well-being of the downtown area and further the public health, safety, welfare, and convenience. Exercise of the authority granted by this Article to undertake downtown revitalization projects financed by a municipal service district shall not prejudice the city's authority to undertake urban renewal projects in the same area.

(c) Urban Area Revitalization Defined. -- As used in this section, the term 'urban area revitalization projects' includes the provision within an urban area of any service or facility that may be provided in a downtown area as a downtown revitalization project under subdivision (a)(2) and subsection (b) of this section. As used in this section, the term 'urban area' means an area that (i) is located within a city whose population exceeds 400,000 according to the most recent annual population statistics certified by the State Planning Officer and (ii) meets one or more of the following conditions:

(1) It is the central business district of the city.

(2) It consists primarily of existing or redeveloping concentrations of industrial, retail, wholesale, office, or significant employment-generating uses, or any combination of these uses.

(3) It is located in or along a major transportation corridor and does not include any residential parcels that are not, at their closest point, within 150 feet of the major transportation corridor right-of-way or any nonresidentially zoned parcels that are not, at their closest point, within 1,500 feet of the major transportation corridor right-of-way.

(4) It has as its center and focus a major concentration of public or institutional uses, such as airports, seaports, colleges or universities, hospitals and health care facilities, or governmental facilities.

(d) Contracts. -- A city may provide services, facilities, functions, or promotional and developmental activities in a service district with its own forces, through a contract with another governmental agency, through a contract with a private agency, or by any combination thereof. Any contracts entered into pursuant to this paragraph shall specify the purposes for which city moneys are to be used and shall require an appropriate accounting for those moneys at the end of each fiscal year or other appropriate period."

PRINCIPAL CLERK'S OFFICE (FOR ENGROSSMENT)

SENATE BILL 772:
Expand Municipal Service District

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Sen. Clodfelter
Date:	July 6, 1999	**Summary by:**	Cindy Avrette
Version:	1st Edition, as Amended Amendment unengrossed		Committee Counsel

SUMMARY: ***Senate Bill 772 expands the purposes for which service districts may be established in certain cities to include "urban area revitalization projects". The original bill defined an urban area as a city whose population exceeds 400,000. Only one city in the State, Charlotte, has a population that exceeds 400,000. The House Economic Growth and Community Development Committee amended the definition of an urban area to include a city whose population exceeds 25,000. The bill, as amended, may apply to following 23 cities: Charlotte, Raleigh, Greensboro, Winston-Salem, Durham, Fayetteville, Cary, Jacksonville, High Point, Asheville, Wilmington, Gastonia, Rocky Mount, Greenville, Goldsboro, Concord, Chapel Hill, Burlington, Wilson, Kannapolis, Hickory, Salisbury, and Kinston.***

CURRENT LAW: Article 23 of Chapter 160A sets out "The Municipal Service District Act of 1973". This Act allows a city council, by resolution, to define a service district upon finding that a proposed district is in need of one or more of the services, facilities or functions listed in the Act to a demonstrably greater extent than the remainder of the city. A service district may be established for the following purposes: (1) beach erosion control and flood and hurricane protection; (1a) certain services, facilities, or functions that preserve the character of an historic district; (2) downtown revitalization projects; (3) drainage projects, (4) off-street parking facilities; and (5) watershed improvement projects. A city may levy property taxes within defined service districts in addition to those levied throughout the city. The property taxes may not be in excess of a rate on each $100 value of property subject to taxation which, when added to the rate levied city wide, would exceed a maximum combined rate of $1.50 on the $100 appraised value of property subject to taxation. A city may also issue general obligation bonds to finance the services provided in a service district.

BILL ANALYSIS: Senate Bill 772 adds "urban area revitalization projects" to the purposes for which a service district may be established. Such projects include the providing of a service or facility within an urban area that may be provided in a downtown area as a downtown revitalization project. "Urban area " is defined as an area located within a city whose population exceeds 400,000 according to the most recent annual population statistics certified by the State Planning Officer and meets one or more of the following conditions:

1. Is the central business district of the city.
2. Consists primarily of industrial, retail, wholesale, office or significant employment generating uses.

3. Is on major transportation corridor and does not contain residential parcels within 150 feet of corridor right-of-way or nonresidentially zoned parcels within 1,500 feet of right-of-way.
4. Has as its focus a major concentration of public or institutional uses.

Martha Walston, counsel to the Senate Finance Committee, contributed to this summary.

moves to amend the bill on page 1, line 3, by rewriting the line to read:
"USES FOR TECHNOLOGY DEVELOPED BY RESEARCH UNIVERSITIES, TO REDUCE PROPERTY TAXES ON HOMESTEAD PROPERTY BY INCREASING THE EXEMPTION AMOUNT AND BY ALLOWING MORE INDIVIDUALS TO QUALIFY FOR THE HOMESTEAD TAX EXEMPTION, AND TO REIMBURSE LOCAL GOVERNMENTS FOR THE RESULTING REVENUE LOSS.";

and on page 8, lines 16 and 17, by rewriting the lines to read:

"Section 5. G.S. 105-277.1(a) reads as rewritten:

'(a) Exclusion. -- The following class of property is designated a special class of property under Article V, Sec. 2(2) of the North Carolina Constitution and shall be assessed for taxation in accordance with this section. The first ~~twenty thousand dollars ($20,000)~~ twenty-five thousand dollars ($25,000) in appraised value of a permanent residence owned and occupied by a qualifying owner is excluded from taxation. A qualifying owner is an owner who meets all of the following requirements as of January 1 preceding the taxable year for which the benefit is claimed:

(1) Is at least 65 years of age or totally and permanently disabled.
(2) Has an income for the preceding calendar year of not more than ~~fifteen thousand dollars ($15,000).~~ twenty-five thousand dollars ($25,000).
(3) Is a North Carolina resident.

An otherwise qualifying owner does not lose the benefit of this exclusion because of a temporary absence from his or her permanent residence for reasons of health, or because of an extended absence

while confined to a rest home or nursing home, so long as the residence is unoccupied or occupied by the owner's spouse or other dependent.'

Section 6. G.S. 105-309(f) reads as rewritten:

'(f) The following information shall appear on each abstract or on an information sheet distributed with the abstract. The abstract or sheet must include the address and telephone number of the assessor below the notice required by this subsection. The notice shall read as follows:

'PROPERTY TAX RELIEF FOR ELDERLY AND
PERMANENTLY DISABLED PERSONS.

North Carolina excludes from property taxes the first ~~twenty thousand dollars ($20,000)~~ twenty-five thousand dollars ($25,000) in appraised value of a permanent residence owned and occupied by North Carolina residents aged 65 or older or totally and permanently disabled whose income does not exceed ~~fifteen thousand dollars ($15,000).~~ twenty-five thousand dollars ($25,000). Income means the owner's adjusted gross income as determined for federal income tax purposes, plus all moneys received other than gifts or inheritances received from a spouse, lineal ancestor or lineal descendant.

If you received this exclusion in (assessor insert previous year), you do not need to apply again unless you have changed your permanent residence. If you received the exclusion in (assessor insert previous year) and your income in (assessor insert previous year) was above ~~fifteen thousand dollars ($15,000),~~ twenty-five thousand dollars ($25,000), you must notify the assessor. If you received the exclusion in (assessor insert previous year) because you were totally and permanently disabled and you are no longer totally and permanently disabled, you must notify the assessor. If the person receiving the exclusion in (assessor insert previous year) has died, the person required by law to list the property must notify the assessor. Failure to make any of the notices required by this paragraph before April 15 will result in penalties and interest.

If you did not receive the exclusion in (assessor insert previous year) but are now eligible, you may obtain a copy of an application from the assessor. It must be filed by April 15."'

Section 7. G.S. 105-277.1A reads as rewritten:

NORTH CAROLINA GENERAL ASSEMBLY
AMENDMENT
Senate Bill 1110

AMENDMENT NO._____
(to be filled in by
Principal Clerk)

S1110-ARB-7/7

'§ 105-277.1A. Property classified for taxation at reduced valuation; duties of tax collectors; reimbursement of localities for portion of tax lost.

(a) On September 1, 1990, the tax collector of each county and the tax collector of each city shall furnish to the Secretary of Revenue a list containing the name and address of each person who has qualified in that year for the exemption provided in G.S. 105-277.1. The list shall also contain for each name the total amount of property exempted, the tax rate the property is subject to, and the product obtained by multiplying those two numbers by each other. The lists shall be accompanied by an affidavit attesting to the accuracy of the list and shall all be on a form prescribed by the Secretary of Revenue.

(a1) On December 1, 1997, the tax collector of each county and the tax collector of each city shall furnish to the Secretary of Revenue two lists containing the name and address of each taxpayer who has qualified in that year for the exemption provided in G.S. 105-277.1. The first list shall include those taxpayers whose income was above eleven thousand dollars ($11,000) and the second list shall include those taxpayers whose income was eleven thousand dollars ($11,000) or less. On the first list, the tax collector shall provide for each name the total amount of property exempted and on the second list, the tax collector shall provide for each name the amount of property above fifteen thousand dollars ($15,000) exempted. On both lists, the tax collector shall provide the tax rate the property is subject to and the product obtained by multiplying the tax rate by the amount of property. The lists shall be accompanied by an affidavit attesting to the accuracy of the list and shall be on a form prescribed by the Secretary of Revenue.

(a2) On December 1, 2000, the tax collector of each county and the tax collector of each city shall furnish to the Secretary of Revenue two lists containing the name and address of each taxpayer who has qualified in that year for the exemption provided in G.S. 105-277.1. The first list shall include those taxpayers whose income was above fifteen thousand dollars ($15,000), and the second list shall include those taxpayers whose income was fifteen thousand dollars ($15,000) or less. On the first list, the tax collector shall provide for each name the total amount of property exempted, and on the second list, the tax collector shall provide for each name the amount of property above twenty thousand dollars ($20,000)

exempted. On both lists, the tax collector shall provide the tax rate the property is subject to and the product obtained by multiplying the tax rate by the amount of property. The lists shall be accompanied by an affidavit attesting to the accuracy of the list and shall be on a form prescribed by the Secretary of Revenue.

(b) Repealed by Session Laws 1996, Second Extra Session, c. 18, s. 15.1(c).

(c) The Secretary of Revenue may, for cause, grant an extension for the submission of a list required by this section.

(d) Before May 31, 1991, the Secretary of Revenue shall distribute to the county or city fifty percent (50%) of the total for the entire list provided pursuant to subsection (a) of this section of the product obtained by multiplying the tax exemption for each taxpayer times the applicable tax rate. Each year thereafter, on or before May 31, the Secretary of Revenue shall pay to each county and city that was entitled to receive a distribution under this subsection in 1991 the amount it was entitled to receive in 1991.

(d1) Before May 31, 1998, the Secretary of Revenue shall distribute to the county or city fifty percent (50%) of the total for both lists provided the preceding December 1 pursuant to subsection (a1) of this section of the product obtained by multiplying the applicable tax rate times the amount listed for each taxpayer. Before May 31, 1999, the Secretary of Revenue shall pay to each county and city the amount it received under this subsection in 1998.

(d2) Before May 31, 2001, the Secretary of Revenue shall distribute to the county or city the total for both lists provided the preceding December 1 pursuant to subsection (a2) of this section of the product obtained by multiplying the applicable tax rate times the amount listed for each taxpayer. Each year thereafter, on or before May 31, the Secretary of Revenue shall pay to each county and city the amount it received under this subsection in 2001.

(e) Any funds received by any county or city pursuant to this section because the county or city was collecting taxes for another unit of government or special district shall be credited to the funds of that other unit or district in accordance with regulations issued by the Local Government Commission.

(f) In order to pay for the reimbursement under this section and the cost to the Department of Revenue of administering the

A BILL TO BE ENTITLED

AN ACT TO PROVIDE AN INCENTIVE FOR BUSINESSES TO FIND COMMERCIAL USES FOR TECHNOLOGY DEVELOPED BY RESEARCH UNIVERSITIES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-129.9 reads as rewritten:

"**§ 105-129.9. Credit for investing in machinery and equipment.**

(a) ~~Credit.~~ General Credit. -- If a taxpayer that has purchased or leased eligible machinery and equipment places it in service in this State during the taxable year, the taxpayer is allowed a credit equal to seven percent (7%) of the excess of the eligible investment amount over the applicable threshold. Machinery and equipment is eligible if it is capitalized by the taxpayer for tax purposes under the Code and is not leased to another party. In addition, in the case of a large investment, machinery and equipment that is not capitalized by the taxpayer is eligible if the taxpayer leases it from another party. The credit may not be taken for the taxable year in which the equipment is placed in service but shall be taken in equal installments over the seven years following the taxable year in which the equipment is placed in service.

(a1) Technology Commercialization Credit. -- If a taxpayer is eligible for the credit allowed in this section with respect to eligible machinery and equipment and qualifies for one of the credits allowed in G.S. 105-129.9A with respect to the same machinery and equipment, the taxpayer may choose to take one of those credits instead of the credit allowed in this section. A taxpayer may take the credit allowed in this section

or one of the credits allowed in G.S. 105-129.9A during a taxable year with respect to eligible machinery and equipment, but may not take more than one of these credits with respect to the same machinery and equipment.

(b) Eligible Investment Amount. -- The eligible investment amount is the lesser of (i) the cost of the eligible machinery and equipment and (ii) the amount by which the cost of all of the taxpayer's eligible machinery and equipment that is in service in this State on the last day of the taxable year exceeds the cost of all of the taxpayer's eligible machinery and equipment that was in service in this State on the last day of the base year. The base year is that year, of the three immediately preceding taxable years, in which the taxpayer had the most eligible machinery and equipment in service in this State. A taxpayer that claims a credit under this section must include with the application for certification required under G.S. 105-129.6(a) specific documentation supporting the taxpayer's calculation of the eligible investment amount under this subsection.

(c) Threshold. -- The applicable threshold is the appropriate amount set out in the following table based on the enterprise tier of the area where the eligible machinery and equipment are placed in service during the taxable year. If the taxpayer places eligible machinery and equipment in service in more than one area during the taxable year, the threshold applies separately to the eligible machinery and equipment placed in service in each area. If the taxpayer places eligible machinery and equipment in service in an area over the course of a two-year period, the applicable threshold for the second taxable year is reduced by the eligible investment amount for the previous taxable year.

Area Enterprise Tier	Threshold
Tier One	$ -0-
Tier Two	100,000
Tier Three	200,000
Tier Four	500,000
Tier Five	1,000,000

(d) Expiration. -- If, in one of the seven years in which the installment of a credit accrues, the machinery and equipment with respect to which the credit was claimed are disposed of, taken out of service, or moved out of State, the credit expires and the taxpayer may not take any remaining installment of the credit. The taxpayer may, however, take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.5.

If, in one of the seven years in which the installment of a credit accrues, the machinery and equipment with respect to which the credit was claimed are moved to an area in a higher-numbered enterprise tier, or are moved from a development zone to an area that is not a development zone, the remaining installments of the credit are allowed only to the extent they would have been allowed if the machinery and equipment had been placed in service initially in the area to which they were moved.

(e) Planned Expansion. -- A taxpayer that signs a letter of commitment with the Department of Commerce to place specific eligible machinery and equipment in service in an area within two years after the date the letter is signed may, in the year

the eligible machinery and equipment are placed in service in that area, calculate the credit for which the taxpayer qualifies based on the area's enterprise tier and development zone designation for the year the letter was signed. All other conditions apply to the credit, but if the area has been redesignated to a higher-numbered enterprise tier or has lost its development zone designation after the year the letter of commitment was signed, the credit is allowed based on the area's enterprise tier and development zone designation for the year the letter was signed. If the taxpayer does not place part or all of the specified eligible machinery and equipment in service within the two-year period, the taxpayer does not qualify for the benefit of this subsection with respect to the machinery and equipment not placed in service within the two-year period. However, if the taxpayer qualifies for a credit in the year the eligible machinery and equipment are placed in service, the taxpayer may take the credit for that year as if no letter of commitment had been signed pursuant to this subsection."

Section 2. Article 3A of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-129.9A. Technology commercialization credit.**

(a) Credit. -- If a taxpayer that has purchased or leased eligible machinery and equipment places it in service in this State during the taxable year, the taxpayer may qualify for a credit as provided in this section. If the taxpayer is also eligible for the credit allowed under G.S. 105-129.9 with respect to the eligible machinery and equipment, the taxpayer may choose instead of the credit allowed under G.S. 105-129.9 with respect to the machinery and equipment to take one of the credits under this section for which the taxpayer qualifies. The twenty percent (20%) credit is a credit equal to twenty percent (20%) of the excess of the eligible investment amount over the applicable threshold for the taxable year. The fifteen percent (15%) credit is a credit equal to fifteen percent (15%) of the excess of the eligible investment amount over the applicable threshold for the taxable year.

Except as provided in this section, the provisions of G.S. 105-129.9 apply to the credits allowed under this section. As used in this section, the term 'research university' means an institution of higher education classified as a Research I university or a Research II university in the most recent edition of 'A Classification of Institutions of Higher Education,' the official report of The Carnegie Foundation for the Advancement of Teaching.

A credit allowed under this section must be taken for the taxable year in which the machinery and equipment are placed in service. A taxpayer may take the twenty percent (20%) credit allowed under this section, the fifteen percent (15%) credit allowed under this section, or the credit allowed in G.S. 105-129.9 during a taxable year with respect to eligible machinery and equipment, but may not take more than one of these credits with respect to the same machinery and equipment.

(b) Eligible Investment Amount. -- In calculating the eligible investment amount under this section, for the purpose of determining the taxpayer's machinery and equipment in service in this State during the taxable year and the three immediately preceding taxable years, the following exceptions apply:

(1) Machinery and equipment that were transferred to another taxpayer during the three-year period are considered the taxpayer's machinery and equipment if they are still in service in this State during the taxable year, and the taxpayer to whom they were transferred is ineligible under G.S. 105-129.4(e) to claim a new credit for the investment under this Article.

(2) Machinery and equipment that were taken out of service during the three-year period are considered the taxpayer's machinery and equipment in service if all of the following conditions are met:

a. The machinery and equipment were taken out of service by the taxpayer or by the person to whom the taxpayer transferred them.

b. The machinery and equipment were taken out of service at a location separate from any location with respect to which the taxpayer claims a credit under this section.

c. The machinery and equipment were used in a business that was not and is not competitive with any business with respect to which the taxpayer claimed a credit under this section. For the purpose of this subdivision, two businesses are not competitive if both of the following conditions are met:

1. Their products and services lack reasonable interchangeability of use by the customer, based on use but without regard to quality, price, condition, or availability.

2. Their products and services lack reasonable interchangeability of production in that the businesses could not readily switch production capabilities from one product or service to the other.

(c) Documentation. -- If the taxpayer claims the exception provided in subdivision (b)(2) of this section, the Secretary of Commerce must obtain an opinion of the Attorney General that the taxpayer meets all of the conditions of subdivision (b)(2) before the Secretary certifies the application under G.S. 105-129.6(a).

(d) Twenty Percent Credit. -- A taxpayer qualifies for a twenty percent (20%) credit under this section if it meets all of the following conditions:

(1) The eligible machinery and equipment are directly related to production based on technology developed by and licensed from a research university or are used to produce resources essential to the taxpayer's production based on technology developed by and licensed from a research university.

(2) The eligible machinery and equipment are placed in service in a tier one, two, or three enterprise area.

(3) The eligible investment amount is at least ten million dollars ($10,000,000) for the taxable year.

(4) The Secretary of Commerce has certified that the taxpayer will invest at least one hundred fifty million dollars ($150,000,000) in eligible machinery and equipment in a tier one, two, or three enterprise area by the end of the fourth year after the year in which the taxpayer first places eligible machinery and equipment in service in the enterprise area.

(5) No more than nine years have passed since the first taxable year the taxpayer claimed a credit under this section with respect to the same location.

(e) Fifteen Percent Credit. -- A taxpayer qualifies for a fifteen percent (15%) credit under this section if it meets all of the following conditions:

(1) The eligible machinery and equipment are directly related to production based on technology developed by and licensed from a research university, or are used to produce resources essential to the taxpayer's production based on technology developed by and licensed from a research university.

(2) The eligible machinery and equipment are placed in service in a tier one, two, or three enterprise area.

(3) The eligible investment amount is at least ten million dollars ($10,000,000) for the taxable year.

(4) The Secretary of Commerce has certified that the taxpayer will invest at least one hundred million dollars ($100,000,000) in eligible machinery and equipment in a tier one, two, or three enterprise area by the end of the fourth year after the year in which the taxpayer first places eligible machinery and equipment in service in the enterprise area.

(5) No more than nine years have passed since the first taxable year the taxpayer claimed a credit under this section with respect to the same location."

Section 3. G.S. 105-129.4(d) reads as rewritten:

"(d) Forfeiture. -- A taxpayer forfeits a credit allowed under this Article if the taxpayer was not eligible for the credit at the time the taxpayer applied for the credit. In addition, a taxpayer forfeits a large investment enhancement of a tax credit if the taxpayer fails to make the level of investment certified by the Secretary of Commerce under subsection (b1) of this section within the required two-year period. A taxpayer forfeits the technology commercialization credit allowed under G.S. 105-129.9A if the taxpayer fails to make the level of investment required by subsection (e) of that section within the required period or if the taxpayer fails to meet the terms of its licensing agreement with a research university. If a taxpayer claimed a twenty percent (20%) technology commercialization credit under G.S. 105-129.9A(d) and fails to make the level of investment required under that subsection within the required period, but does make the level of investment required under subsection (e) of that section within the required period, the taxpayer forfeits one-fourth of the twenty percent (20%) credit.

A taxpayer that forfeits a credit under this Article is liable for all past taxes avoided as a result of the credit plus interest at the rate established under G.S. 105-241.1(i), computed from the date the taxes would have been due if the credit had not been allowed. The past taxes and interest are due 30 days after the date the credit is forfeited; a taxpayer that fails to pay the past taxes and interest by the due date is subject to the penalties provided in G.S. 105-236. If a taxpayer forfeits the credit for creating ~~jobs~~ jobs, the technology commercialization credit, or the credit for investing in machinery and equipment, the taxpayer also forfeits any credit for worker training claimed for the jobs for which the credit for creating jobs was claimed or the jobs at the location with respect to which the technology commercialization credit or the credit for investing in machinery and equipment was claimed."

Section 4. G.S. 105-129.5 reads as rewritten:

"**§ 105-129.5. Tax election; cap.**

(a) Tax Election. -- The credits provided in this Article are allowed against the franchise tax levied in Article 3 of this Chapter and the income taxes levied in Article 4 of this Chapter. The credit for investing in central administrative office property provided in G.S. 105-129.12 is also allowed against the gross premiums tax levied in Article 8B of this Chapter. The taxpayer may divide the technology commercialization credit allowed in G.S. 105-129.9A between the taxes against which it is allowed. The taxpayer shall elect the percentage of the credit that will be taken against each tax when filing the return on which the credit is first taken. This election is binding. The percentage of the credit elected to be taken against each tax may be carried forward only against the same tax.

The taxpayer must take any other credit allowed in this Article against only one of the taxes against which it is allowed. The taxpayer shall elect the tax against which a credit will be claimed when filing the return on which the first installment of the credit is claimed. This election is binding. Any carryforwards of the credit must be claimed against the same tax.

(b) Cap. -- The credits allowed under this Article may not exceed fifty percent (50%) of the tax against which they are claimed for the taxable year, reduced by the sum of all other credits allowed against that tax, except tax payments made by or on behalf of the taxpayer. This limitation applies to the cumulative amount of credit, including carryforwards, claimed by the taxpayer under this Article against each tax for the taxable year. Any unused portion of a credit with respect to a large investment or with respect to the technology commercialization credit allowed in G.S. 105-129.9A may be carried forward for the succeeding 20 years. Any unused portion of any other credit may be carried forward for the succeeding five years."

Section 5. This act is effective for taxable years beginning on or after January 1, 2000.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE AN INCENTIVE FOR BUSINESSES TO FIND COMMERCIAL USES FOR TECHNOLOGY DEVELOPED BY RESEARCH UNIVERSITIES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-129.9 reads as rewritten:

"**§ 105-129.9. Credit for investing in machinery and equipment.**

(a) ~~Credit.~~ General Credit. -- If a taxpayer that has purchased or leased eligible machinery and equipment places it in service in this State during the taxable year, the taxpayer is allowed a credit equal to seven percent (7%) of the excess of the eligible investment amount over the applicable threshold. Machinery and equipment is eligible if it is capitalized by the taxpayer for tax purposes under the Code and is not leased to another party. In addition, in the case of a large investment, machinery and equipment that is not capitalized by the taxpayer is eligible if the taxpayer leases it from another party. The credit may not be taken for the taxable year in which the equipment is placed in service but shall be taken in equal installments over the seven years following the taxable year in which the equipment is placed in service.

(a1) Technology Commercialization Credit. -- If a taxpayer is eligible for the credit allowed in this section with respect to eligible machinery and equipment and qualifies for one of the credits allowed in G.S. 105-129.9A with respect to the same machinery and equipment, the taxpayer may choose to take one of those credits instead of the credit allowed in this section. A taxpayer may take the credit allowed in this section or one of the credits allowed in G.S. 105-129.9A during a taxable year with respect to eligible machinery and equipment, but may not take more than one of these credits with respect to the same machinery and equipment.

(b) Eligible Investment Amount. -- The eligible investment amount is the lesser of (i) the cost of the eligible machinery and equipment and (ii) the amount by which the cost of all of the taxpayer's eligible machinery and equipment that is in service in this State on the last day of the taxable year exceeds the cost of all of the taxpayer's eligible machinery and equipment that was in service in this State on the last day of the base year. The base year is that year, of the three immediately preceding taxable years, in which the taxpayer had the most eligible machinery and equipment in service in this State. A taxpayer that claims a credit under this section must include with the application for certification required under G.S. 105-129.6(a) specific documentation supporting the taxpayer's calculation of the eligible investment amount under this subsection.

(c) Threshold. -- The applicable threshold is the appropriate amount set out in the following table based on the enterprise tier of the area where the eligible machinery and equipment are placed in service during the taxable year. If the taxpayer places eligible machinery and equipment in service in more than one area during the taxable year, the threshold applies separately to the eligible machinery and equipment placed in service in each area. If the taxpayer places eligible machinery and equipment in service in an area over the course of a two-year period, the applicable threshold for the second taxable year is reduced by the eligible investment amount for the previous taxable year.

Area Enterprise Tier	Threshold
Tier One	$ -0-
Tier Two	100,000
Tier Three	200,000
Tier Four	500,000
Tier Five	1,000,000

(d) Expiration. -- If, in one of the seven years in which the installment of a credit accrues, the machinery and equipment with

respect to which the credit was claimed are disposed of, taken out of service, or moved out of State, the credit expires and the taxpayer may not take any remaining installment of the credit. The taxpayer may, however, take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.5.

If, in one of the seven years in which the installment of a credit accrues, the machinery and equipment with respect to which the credit was claimed are moved to an area in a higher-numbered enterprise tier, or are moved from a development zone to an area that is not a development zone, the remaining installments of the credit are allowed only to the extent they would have been allowed if the machinery and equipment had been placed in service initially in the area to which they were moved.

(e) Planned Expansion. -- A taxpayer that signs a letter of commitment with the Department of Commerce to place specific eligible machinery and equipment in service in an area within two years after the date the letter is signed may, in the year the eligible machinery and equipment are placed in service in that area, calculate the credit for which the taxpayer qualifies based on the area's enterprise tier and development zone designation for the year the letter was signed. All other conditions apply to the credit, but if the area has been redesignated to a higher-numbered enterprise tier or has lost its development zone designation after the year the letter of commitment was signed, the credit is allowed based on the area's enterprise tier and development zone designation for the year the letter was signed. If the taxpayer does not place part or all of the specified eligible machinery and equipment in service within the two-year period, the taxpayer does not qualify for the benefit of this subsection with respect to the machinery and equipment not placed in service within the two-year period. However, if the taxpayer qualifies for a credit in the year the eligible machinery and equipment are placed in service, the taxpayer may take the credit for that year as if no letter of commitment had been signed pursuant to this subsection."

Section 2. Article 3A of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-129.9A. Technology commercialization credit.**

(a) Credit. -- If a taxpayer that has purchased or leased eligible machinery and equipment places it in service in this State during the taxable year, the taxpayer may qualify for a credit as provided in this section. If the taxpayer is also eligible for the credit allowed under G.S. 105-129.9 with respect

to the eligible machinery and equipment, the taxpayer may choose instead of the credit allowed under G.S. 105-129.9 with respect to the machinery and equipment to take one of the credits under this section for which the taxpayer qualifies. The twenty percent (20%) credit is a credit equal to twenty percent (20%) of the excess of the eligible investment amount over the applicable threshold for the taxable year. The fifteen percent (15%) credit is a credit equal to fifteen percent (15%) of the excess of the eligible investment amount over the applicable threshold for the taxable year.

Except as provided in this section, the provisions of G.S. 105-129.9 apply to the credits allowed under this section. As used in this section, the term 'research university' means an institution of higher education classified as a Research I university or a Research II university in the most recent edition of 'A Classification of Institutions of Higher Education,' the official report of The Carnegie Foundation for the Advancement of Teaching.

A credit allowed under this section must be taken for the taxable year in which the machinery and equipment are placed in service. A taxpayer may take the twenty percent (20%) credit allowed under this section, the fifteen percent (15%) credit allowed under this section, or the credit allowed in G.S. 105-129.9 during a taxable year with respect to eligible machinery and equipment, but may not take more than one of these credits with respect to the same machinery and equipment.

(b) Eligible Investment Amount. -- In calculating the eligible investment amount under this section, for the purpose of determining the taxpayer's machinery and equipment in service in this State during the taxable year and the three immediately preceding taxable years, the following exceptions apply:

(1) Machinery and equipment that were transferred to another taxpayer during the three-year period are considered the taxpayer's machinery and equipment if they are still in service in this State during the taxable year, and the taxpayer to whom they were transferred is ineligible under G.S. 105-129.4(e) to claim a new credit for the investment under this Article.

(2) Machinery and equipment that were taken out of service during the three-year period are considered the taxpayer's machinery and equipment in service if all of the following conditions are met:

a. The machinery and equipment were taken out of service by the taxpayer or by the person to whom the taxpayer transferred them.

b. The machinery and equipment were taken out of service at a location separate from any location with respect to which the taxpayer claims a credit under this section.

c. The machinery and equipment were used in a business that was not and is not competitive with any business with respect to which the taxpayer claimed a credit under this section. For the purpose of this subdivision, two businesses are not competitive if both of the following conditions are met:

1. Their products and services lack reasonable interchangeability of use by the customer, based on use but without regard to quality, price, condition, or availability.

2. Their products and services lack reasonable interchangeability of production in that the businesses could not readily switch production capabilities from one product or service to the other.

(c) Documentation. -- If the taxpayer claims the exception provided in subdivision (b)(2) of this section, the Secretary of Commerce must obtain an opinion of the Attorney General that the taxpayer meets all of the conditions of subdivision (b)(2) before the Secretary certifies the application under G.S. 105-129.6(a).

(d) Twenty Percent Credit. -- A taxpayer qualifies for a twenty percent (20%) credit under this section if it meets all of the following conditions:

(1) The eligible machinery and equipment are directly related to production based on technology developed by and licensed from a research university or are used to produce resources essential to the taxpayer's production based on technology developed by and licensed from a research university.

(2) The eligible machinery and equipment are placed in service in a tier one, two, or three enterprise area.

(3) The eligible investment amount is at least ten million dollars ($10,000,000) for the taxable year.

(4) The Secretary of Commerce has certified that the taxpayer will invest at least one hundred fifty million dollars ($150,000,000) in eligible machinery and equipment in a tier one, two, or three enterprise area by the end of the fourth year after the year in which the taxpayer first places eligible machinery and equipment in service in the enterprise area.

(5) No more than nine years have passed since the first taxable year the taxpayer claimed a credit under this section with respect to the same location.

(e) Fifteen Percent Credit. -- A taxpayer qualifies for a fifteen percent (15%) credit under this section if it meets all of the following conditions:

(1) The eligible machinery and equipment are directly related to production based on technology developed by and licensed from a research university, or are used to produce resources essential to the taxpayer's production based on technology developed by and licensed from a research university.

(2) The eligible machinery and equipment are placed in service in a tier one, two, or three enterprise area.

(3) The eligible investment amount is at least ten million dollars ($10,000,000) for the taxable year.

(4) The Secretary of Commerce has certified that the taxpayer will invest at least one hundred million dollars ($100,000,000) in eligible machinery and equipment in a tier one, two, or three enterprise area by the end of the fourth year after the year in which the taxpayer first places eligible machinery and equipment in service in the enterprise area.

(5) No more than nine years have passed since the first taxable year the taxpayer claimed a credit under this section with respect to the same location."

Section 3. G.S. 105-129.4(d) reads as rewritten:

"(d) Forfeiture. -- A taxpayer forfeits a credit allowed under this Article if the taxpayer was not eligible for the credit at the time the taxpayer applied for the credit. In addition, a taxpayer forfeits a large investment enhancement of a tax credit if the taxpayer fails to make the level of investment certified by the Secretary of Commerce under subsection (b1) of this section within the required two-year period. A taxpayer forfeits

the technology commercialization credit allowed under G.S. 105-129.9A if the taxpayer fails to make the level of investment required by subsection (e) of that section within the required period or if the taxpayer fails to meet the terms of its licensing agreement with a research university. If a taxpayer claimed a twenty percent (20%) technology commercialization credit under G.S. 105-129.9A(d) and fails to make the level of investment required under that subsection within the required period, but does make the level of investment required under subsection (e) of that section within the required period, the taxpayer forfeits one-fourth of the twenty percent (20%) credit.

A taxpayer that forfeits a credit under this Article is liable for all past taxes avoided as a result of the credit plus interest at the rate established under G.S. 105-241.1(i), computed from the date the taxes would have been due if the credit had not been allowed. The past taxes and interest are due 30 days after the date the credit is forfeited; a taxpayer that fails to pay the past taxes and interest by the due date is subject to the penalties provided in G.S. 105-236. If a taxpayer forfeits the credit for creating ~~jobs~~ jobs, the technology commercialization credit, or the credit for investing in machinery and equipment, the taxpayer also forfeits any credit for worker training claimed for the jobs for which the credit for creating jobs was claimed or the jobs at the location with respect to which the technology commercialization credit or the credit for investing in machinery and equipment was claimed."

Section 4. G.S. 105-129.5 reads as rewritten:

"**§ 105-129.5. Tax election; cap.**

(a) Tax Election. -- The credits provided in this Article are allowed against the franchise tax levied in Article 3 of this Chapter and the income taxes levied in Article 4 of this Chapter. The credit for investing in central administrative office property provided in G.S. 105-129.12 is also allowed against the gross premiums tax levied in Article 8B of this Chapter. The taxpayer may divide the technology commercialization credit allowed in G.S. 105-129.9A between the taxes against which it is allowed. The taxpayer shall elect the percentage of the credit that will be taken against each tax when filing the return on which the credit is first taken. This election is binding. The percentage of the credit elected to be taken against each tax may be carried forward only against the same tax.

The taxpayer must take any other credit allowed in this Article against only one of the taxes against which it is allowed. The taxpayer shall elect the tax against which a credit will be

claimed when filing the return on which the first installment of the credit is claimed. This election is binding. Any carryforwards of the credit must be claimed against the same tax.

(b) Cap. -- The credits allowed under this Article may not exceed fifty percent (50%) of the tax against which they are claimed for the taxable year, reduced by the sum of all other credits allowed against that tax, except tax payments made by or on behalf of the taxpayer. This limitation applies to the cumulative amount of credit, including carryforwards, claimed by the taxpayer under this Article against each tax for the taxable year. Any unused portion of a credit with respect to a large investment or with respect to the technology commercialization credit allowed in G.S. 105-129.9A may be carried forward for the succeeding 20 years. Any unused portion of any other credit may be carried forward for the succeeding five years."

Section 5. This act is effective for taxable years beginning on or after January 1, 2000.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE AN INCENTIVE FOR BUSINESSES TO FIND COMMERCIAL USES FOR TECHNOLOGY DEVELOPED BY RESEARCH UNIVERSITIES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-129.9 reads as rewritten:

"**§ 105-129.9. Credit for investing in machinery and equipment.**

(a) ~~Credit.~~ General Credit. -- If a taxpayer that has purchased or leased eligible machinery and equipment places it in service in this State during the taxable year, the taxpayer is allowed a credit equal to seven percent (7%) of the excess of the eligible investment amount over the applicable threshold. Machinery and equipment is eligible if it is capitalized by the taxpayer for tax purposes under the Code and is not leased to another party. In addition, in the case of a large investment, machinery and equipment that is not capitalized by the taxpayer is eligible if the taxpayer leases it from another party. The credit may not be taken for the taxable year in which the equipment is placed in service but shall be taken in equal installments over the seven years following the taxable year in which the equipment is placed in service.

(a1) Technology Commercialization Credit. -- If a taxpayer is eligible for the credit allowed in this section with respect to eligible machinery and equipment and qualifies for one of the credits allowed in G.S. 105-129.9A with respect to the same machinery and equipment, the taxpayer may choose to take one of those credits instead of the credit allowed in this section. A taxpayer may take the credit allowed in this section or one of the credits allowed in G.S. 105-129.9A during a taxable year with respect to

eligible machinery and equipment, but may not take more than one of these credits with respect to the same machinery and equipment.

(b) Eligible Investment Amount. -- The eligible investment amount is the lesser of (i) the cost of the eligible machinery and equipment and (ii) the amount by which the cost of all of the taxpayer's eligible machinery and equipment that is in service in this State on the last day of the taxable year exceeds the cost of all of the taxpayer's eligible machinery and equipment that was in service in this State on the last day of the base year. The base year is that year, of the three immediately preceding taxable years, in which the taxpayer had the most eligible machinery and equipment in service in this State. A taxpayer that claims a credit under this section must include with the application for certification required under G.S. 105-129.6(a) specific documentation supporting the taxpayer's calculation of the eligible investment amount under this subsection.

(c) Threshold. -- The applicable threshold is the appropriate amount set out in the following table based on the enterprise tier of the area where the eligible machinery and equipment are placed in service during the taxable year. If the taxpayer places eligible machinery and equipment in service in more than one area during the taxable year, the threshold applies separately to the eligible machinery and equipment placed in service in each area. If the taxpayer places eligible machinery and equipment in service in an area over the course of a two-year period, the applicable threshold for the second taxable year is reduced by the eligible investment amount for the previous taxable year.

Area Enterprise Tier	Threshold
Tier One	$ -0-
Tier Two	100,000
Tier Three	200,000
Tier Four	500,000
Tier Five	1,000,000

(d) Expiration. -- If, in one of the seven years in which the installment of a credit accrues, the machinery and equipment with respect to which the credit was claimed are disposed of, taken out of service, or moved out of State, the credit expires and the taxpayer may not take any remaining installment of the credit. The taxpayer may, however, take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.5.

If, in one of the seven years in which the installment of a credit accrues, the machinery and equipment with respect to which the credit was claimed are moved to an area in a higher-numbered enterprise tier, or are moved from a development zone to an area that is not a development zone, the remaining installments of the credit are allowed only to the extent they would have been allowed if the machinery and equipment had been placed in service initially in the area to which they were moved.

(e) Planned Expansion. -- A taxpayer that signs a letter of commitment with the Department of Commerce to place specific eligible machinery and equipment in service in an area within two years after the date the letter is signed may, in the year the eligible machinery and equipment are placed in service in that area, calculate the

credit for which the taxpayer qualifies based on the area's enterprise tier and development zone designation for the year the letter was signed. If the taxpayer does not place part or all of the specified eligible machinery and equipment in service within the two-year period, the taxpayer does not qualify for the benefit of this subsection with respect to the machinery and equipment not placed in service within the two-year period. However, if the taxpayer qualifies for a credit in the year the eligible machinery and equipment are placed in service, the taxpayer may take the credit for that year as if no letter of commitment had been signed pursuant to this subsection."

Section 2. Article 3A of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-129.9A. Technology commercialization credit.**

(a) Credit. -- If a taxpayer that has purchased or leased eligible machinery and equipment places it in service in this State during the taxable year, the taxpayer may qualify for a credit as provided in this section. If the taxpayer is also eligible for the credit allowed under G.S. 105-129.9 with respect to the eligible machinery and equipment, the taxpayer may choose instead of the credit allowed under G.S. 105-129.9 with respect to the machinery and equipment to take one of the credits under this section for which the taxpayer qualifies. The twenty percent (20%) credit is a credit equal to twenty percent (20%) of the excess of the eligible investment amount over the applicable threshold for the taxable year. The fifteen percent (15%) credit is a credit equal to fifteen percent (15%) of the excess of the eligible investment amount over the applicable threshold for the taxable year.

Except as provided in this section, the provisions of G.S. 105-129.9 apply to the credits allowed under this section. As used in this section, the term 'research university' means an institution of higher education classified as a Research I university or a Research II university in the most recent edition of 'A Classification of Institutions of Higher Education,' the official report of The Carnegie Foundation for the Advancement of Teaching.

A credit allowed under this section must be taken for the taxable year in which the machinery and equipment are placed in service. A taxpayer may take the twenty percent (20%) credit allowed under this section, the fifteen percent (15%) credit allowed under this section, or the credit allowed in G.S. 105-129.9 during a taxable year with respect to eligible machinery and equipment, but may not take more than one of these credits with respect to the same machinery and equipment.

(b) Eligible Investment Amount. -- In calculating the eligible investment amount under this section, for the purpose of determining the taxpayer's machinery and equipment in service in this State during the taxable year and the three immediately preceding taxable years, the following exceptions apply:

(1) Machinery and equipment that were transferred to another taxpayer during the three-year period are considered the taxpayer's machinery and equipment if they are still in service in this State during the taxable year, and the taxpayer to whom they were transferred is not entitled to claim a new credit for the investment under this Article.

(2) Machinery and equipment that were taken out of service during the three-year period are considered the taxpayer's machinery and equipment in service if all of the following conditions are met:

a. The machinery and equipment were taken out of service by the taxpayer or by the person to whom the taxpayer transferred them.

b. The machinery and equipment were taken out of service at a site separate from any site with respect to which the taxpayer claims a credit under this section.

c. The machinery and equipment were used in a business that was not and is not competitive with any business with respect to which the taxpayer claimed a credit under this section. For the purpose of this subdivision, two businesses are not competitive if both of the following conditions are met:

1. Their products and services lack reasonable interchangeability of use by the customer, based on use but without regard to quality, price, condition, or availability.

2. Their products and services lack reasonable interchangeability of production in that the businesses could not readily switch production capabilities from one product or service to the other.

(c) Documentation. -- If the taxpayer claims the exception provided in subdivision (b)(2) of this section, the Secretary of Commerce must obtain an opinion of the Attorney General that the taxpayer meets all of the conditions of subdivision (b)(2) before the Secretary certifies the application under G.S. 105-129.6(a).

(d) Twenty Percent Credit. -- A taxpayer qualifies for a twenty percent (20%) credit under this section if it meets all of the following conditions:

(1) The eligible machinery and equipment are directly related to production based on technology developed by and licensed from a research university or are used to produce resources essential to the taxpayer's production based on technology developed by and licensed from a research university.

(2) The eligible machinery and equipment are placed in service in a tier one, two, or three enterprise area.

(3) The eligible investment amount is at least ten million dollars ($10,000,000) for the taxable year.

(4) The Secretary of Commerce has certified that the taxpayer will invest at least one hundred fifty million dollars ($150,000,000) in eligible machinery and equipment in a tier one, two, or three enterprise area by the end of the fourth year after the year in which the taxpayer first places eligible machinery and equipment in service in the enterprise area.

(5) No more than nine years have passed since the first taxable year the taxpayer claimed a credit under this section with respect to the same location.

(e) Fifteen Percent Credit. -- A taxpayer qualifies for a fifteen percent (15%) credit under this section if it meets all of the following conditions:

(1) The eligible machinery and equipment are directly related to production based on technology developed by and licensed from a research university, or are used to produce resources essential to the taxpayer's production based on technology developed by and licensed from a research university.

(2) The eligible machinery and equipment are placed in service in a tier one, two, or three enterprise area.

(3) The eligible investment amount is at least ten million dollars ($10,000,000) for the taxable year.

(4) The Secretary of Commerce has certified that the taxpayer will invest at least one hundred million dollars ($100,000,000) in eligible machinery and equipment in a tier one, two, or three enterprise area by the end of the fourth year after the year in which the taxpayer first places eligible machinery and equipment in service in the enterprise area.

(5) No more than nine years have passed since the first taxable year the taxpayer claimed a credit under this section with respect to the same location."

Section 3. G.S. 105-129.4(d) reads as rewritten:

"(d) Forfeiture. -- A taxpayer forfeits a credit allowed under this Article if the taxpayer was not eligible for the credit at the time the taxpayer applied for the credit. In addition, a taxpayer forfeits a large investment enhancement of a tax credit if the taxpayer fails to make the level of investment certified by the Secretary of Commerce under subsection (b1) of this section within the required two-year period. A taxpayer forfeits the technology commercialization credit allowed under G.S. 105-129.9A if the taxpayer fails to make the level of investment required by subsection (e) of that section within the required period or if the taxpayer fails to meet the terms of its licensing agreement with a research university. If a taxpayer claimed a twenty percent (20%) technology commercialization credit under G.S. 105-129.9A(d) and fails to make the level of investment required under that subsection within the required period, but does make the level of investment required under subsection (e) of that section within the required period, the taxpayer forfeits one-fourth of the twenty percent (20%) credit.

A taxpayer that forfeits a credit under this Article is liable for all past taxes avoided as a result of the credit plus interest at the rate established under G.S. 105-241.1(i), computed from the date the taxes would have been due if the credit had not been allowed. The past taxes and interest are due 30 days after the date the credit is forfeited; a taxpayer that fails to pay the past taxes and interest by the due date is subject to the penalties provided in G.S. 105-236. If a taxpayer forfeits the credit for creating jobs or the credit for investing in machinery and equipment, the taxpayer also forfeits any credit for worker training claimed for the jobs for which the credit for creating jobs was claimed or the jobs at the location with respect to which the credit for investing in machinery and equipment was claimed."

Section 4. G.S. 105-129.5 reads as rewritten:

"**§ 105-129.5. Tax election; cap.**

(a) Tax Election. -- The credits provided in this Article are allowed against the franchise tax levied in Article 3 of this Chapter and the income taxes levied in Article 4 of this Chapter. The credit for investing in central administrative office property provided in G.S. 105-129.12 is also allowed against the gross premiums tax levied in Article 8B of this Chapter. The taxpayer may divide the technology commercialization credit allowed in G.S. 105-129.9A between the taxes against which it is allowed. The taxpayer must take any other credit allowed in this Article against only one of the taxes against which it is allowed. The taxpayer shall elect the tax against which a credit will be claimed when filing the return on which the first installment of the credit is claimed. This election is binding. Any carryforwards of the credit must be claimed against the same tax.

(b) Cap. -- The credits allowed under this Article may not exceed fifty percent (50%) of the tax against which they are claimed for the taxable year, reduced by the sum of all other credits allowed against that tax, except tax payments made by or on behalf of the taxpayer. This limitation applies to the cumulative amount of credit, including carryforwards, claimed by the taxpayer under this Article against each tax for the taxable year. Any unused portion of a credit with respect to a large investment or with respect to the technology commercialization credit allowed in G.S. 105-129.9A may be carried forward for the succeeding 20 years. Any unused portion of any other credit may be carried forward for the succeeding five years."

Rep. Luebke

North Carolina Department of Revenue

on SB 1110 (Technology Commercialization Credit)

Department Comments and Concerns

The Department has the following comments and concerns about this bill:

(1) The tax credit in this bill is a custom-made tax credit for Dupont. It follows in the footsteps of the three custom tax credits enacted in the 1998 Session for Nucor, Federal Express, and Wisconsin Tissue and is one of the seven custom tax credits proposed this session. Four of the ones for this session are in Senate Bill 1115 (U.S. Airways, Midway , TIAA-CREF, and an unnamed mail order house), one is in House Bill 74 (R.J. Reynolds and other tobacco manufacturers), one is in Senate Bill 864 (LabCorps), and one is in this bill (Dupont).

(2) The calculation of "eligible investment amount" under this bill allows the taxpayer to have a net Statewide reduction in machinery and equipment and still qualify for the credit. This is because the bill allows certain machinery and equipment taken out of service to be counted as if it were still in service. Under the current credit for investing in machinery and equipment, the taxpayer must have a net increase in machinery and equipment to qualify. The eligible investment amount is the lower of two numbers – (i) the cost of the machinery and equipment placed in service and (ii) the amount by which the cost of the taxpayer's total Statewide machinery and equipment in service on the last day of the taxable year exceeds the cost of the taxpayer's total Statewide machinery and equipment in service on the last day of the base year. The base year is the year, of the preceding three years, in which the taxpayer had the most eligible machinery and equipment in service in this State. The difference in eligible investment amount under the current law and under the bill is shown in the following example; the example assumes a taxpayer claims the credit in tax year 2000:

Tax Year	Plant #1	Plant #2	Plant # 3	Current Yr. End Total	Current Eligible Investment Amount	Yr. End Total for Bill	Eligible Investment Amount for Bill	Difference
1997	100	100	0	200	–	200	–	–
1998	100	100	0	200	–	200	–	–
1999	80	100	0	180	–	200	–	–
2000	80	50	50	180	0	250	50	50
2001	80	50	100	230	30	300	50	20
2002	60	40	150	250	20	350	50	30
2003	30	40	200	270	20	380	30	10

(3) The exceptions in proposed G.S. 105-129.9A(b) to the calculation of eligible investment amount are not clear. In (b)(1), when is a taxpayer not entitled to claim the new credit? Is it when that taxpayer is prohibited under G.S. 105-129.4(e) or when that taxpayer does not meet one of the regular conditions

for qualifying, such as being in a Lee Act business or not having the required investment amount?
In G.S. 105-129.9A(b)(2), condition (2)a. is unnecessary because it is always met. In every case, the taxpayer will have taken the machinery and equipment out of service.
In G.S. 105-129.9A(b)(2)b., the Department requests that the language on page 4, lines 14 and 15 be changed to "a location other than the location at which the machinery and equipment that is eligible for the credit allowed by this section was placed in service." The current language implies that the credit is calculated on a site specific basis, which is not the case.

(4) A taxpayer who claims the technology commercialization credit and the worker training credit does not forfeit the worker training credit under G.S. 105-129.4(d) if the technology credit is forfeited. This does not parallel the treatment for the current machinery and equipment credit.

(5) A taxpayer who claims this credit can "divide" the credit between franchise and income tax. This is unlike the other Lee Act credits, which require a choice between one or the other types of taxes, and will further complicate the tracking of these credits. The Department requests that a taxpayer who elects to divide the credits be required to indicate the percentages to be split between the two and that this choice be binding. The current election for the other Lee Act credits is binding.

Senate Bill 1110: Technology Commercialization Credit

To: House Finance Committee Chairs and Bill Sponsor
From: Muriel K. Offerman, Secretary of Revenue
Date: July 6, 1999 7/7/99

Bill Summary

This bill creates a new income and franchise tax credit under Article 3A of Chapter 105 of the General Statutes, which contains the William S. Lee Tax Incentives for New and Expanding Businesses. The new tax credit is another tax credit for investing in machinery and equipment. The new tax credit is effective for taxable years beginning on or after January 1, 2000.

The new tax credit applies to a taxpayer that meets the following descriptions:

- Is in a kind of business, such as manufacturing, that is eligible for Lee Act credits.
- Places certain machinery and equipment in service in this State in a tier one, two, or three enterprise area during the taxable year. The machinery and equipment must be directly related to production based on technology developed by and licensed from a research university.
- Has a Statewide eligible investment amount for machinery and equipment of at least $10 million for the tax year the credit is claimed. The taxpayer's eligible investment amount is calculated differently for this credit than for the existing Lee Act credit for investing in machinery and equipment. The taxpayer can have net Statewide reductions in machinery and equipment and still qualify if the reductions meet either of the two descriptions in proposed G.S. 105-129.9A(b).
- Will invest at least $100 million in the described machinery and equipment by the end of the fourth year after first claiming a credit for any of the machinery and equipment.

The amount of the credit is either 15% or 20% of the excess over the taxpayer's eligible investment amount and the threshold for the tier one (0), tier two ($100,000) or tier three ($200,000) enterprise area. It is 20% if the five-year investment of the taxpayer will be at least $150 million, and it is 15% if the five-year investment of the taxpayer will be between $100 and $150 million. The credit is taken in the year the machinery and equipment is placed in service, cannot exceed 50% of the taxpayer's tax liability, and can be carried forward for 20 years. The existing Lee Act credit for machinery and equipment is 7% instead of 15% or 20%, must be taken in seven installments beginning the year after the machinery and equipment is placed in service, and can be carried forward for five years instead of 20 years.

SUMMARY: ***Effective beginning with the 2000 tax year, this bill would provide an enhanced investment tax credit for taxpayers who make large investments in tier one, two, and three counties of machinery and equipment used in production based on technology licensed from a research university.***

This bill would add a new investment tax credit to the Bill Lee Act. The credit, called the technology commercialization credit, would be an alternative to the existing 7% tax credit for investing in machinery and equipment. The technology commercialization credit applies only to investments in machinery and equipment used in production based on technology licensed from a research university. In addition, to qualify, the machinery and equipment must be located in a tier one, two, or three enterprise area. Finally, the taxpayer's investment must equal at least $10 million during the taxable year and must total at least $100 million over a five-year period. If the investment totals between $100 and $150 million over five years, the technology commercialization credit is equal to 15% of the amount invested. If the investment equals or exceeds $150 million over five years, the technology commercialization credit is equal to 20% of the amount invested. The technology commercialization credit remains available for 10 years of investments at a single location. The taxpayer's eligibility for the technology commercialization credit is based on the Secretary of Commerce's certification that the taxpayer will invest either $100 or $150 million over five years. If the taxpayer does not achieve the certified level of investment, the credit is forfeited.

The technology commercialization credit is more generous than the existing investment tax credit in several ways. The existing investment tax credit is 7% of the amount invested. The technology commercialization credit is 15% or 20% of the amount invested, depending upon the size of the investment.

The existing investment tax credit must be taken in seven annual installments beginning the year after the year the investment is placed in service. The technology commercialization credit may be taken in the year the investment is placed in service.

The existing investment tax credit applies only to the extent the new investment is not offset by the amount of machinery and equipment the taxpayer either sold or took out of service in the three-year period before the new investment was placed in service. This restriction limits the existing credit to net increases in North Carolina investment, and disallows it for investment that, in effect, is a replacement or relocation of pre-existing machinery and equipment. The technology commercialization credit is not required to be offset by machinery and equipment sold to another taxpayer if the new owner keeps the machinery and equipment in service in North Carolina. In addition, the technology commercialization credit is not required to be offset by machinery and equipment the taxpayer takes out of service if it was in service at a separate site and was used in a business that is not competitive with the technology commercialization business.

The existing investment tax credit, like all other Bill Lee Act credits, may be taken against the taxpayer's income tax or franchise tax, but not both. The technology commercialization credit may be taken against both income tax and franchise tax.

The existing investment tax credit, like all other Bill Lee Act credits, may be carried forward for five years unless the investment amount exceeds $150 million over a two-year period, in which case it may be carried forward for 20 years. The technology commercialization credit may be carried forward for 20 years.

BILL ANALYSIS

Committee:	House Finance	Sponsor:	Senator Rand
Date:	July 6, 1999	Analysis by:	Martha H. Harris
Version:	Proposed Comm Sub for Second Edition		Staff Attorney

SUMMARY: Effective beginning with the 2000 tax year, this bill would provide an enhanced investment tax credit for taxpayers who make large investments in tier one, two, and three counties of machinery and equipment used in production based on technology licensed from a research university. The proposed committee substitute makes technical and administrative change suggested by the Department of Revenue.

This bill would add a new investment tax credit to the Bill Lee Act. The credit, called the technology commercialization credit, would be an alternative to the existing 7% tax credit for investing in machinery and equipment. The technology commercialization credit applies only to investments in machinery and equipment used in production based on technology licensed from a research university. In addition, to qualify, the machinery and equipment must be located in a tier one, two, or three enterprise area. Finally, the taxpayer's investment must equal at least $10 million during the taxable year and must total at least $100 million over a five-year period. If the investment totals between $100 and $150 million over five years, the technology commercialization credit is equal to 15% of the amount invested. If the investment equals or exceeds $150 million over five years, the technology commercialization credit is equal to 20% of the amount invested. The technology commercialization credit remains available for 10 years of investments at a single location. The taxpayer's eligibility for the technology commercialization credit is based on the Secretary of Commerce's certification that the taxpayer will invest either $100 or $150 million over five years. If the taxpayer does not achieve the certified level of investment, the credit is forfeited. As for the existing investment tax credit, forfeiture of the credit triggers forfeiture of any worker training credit taken for training workers to operate the new machinery and equipment.

The technology commercialization credit is more generous than the existing investment tax credit in several ways. The existing investment tax credit is 7% of the amount invested. The technology commercialization credit is 15% or 20% of the amount invested, depending upon the size of the investment.

The existing investment tax credit must be taken in seven annual installments beginning the year after the year the investment is placed in service. The technology commercialization credit may be taken in the year the investment is placed in service.

The existing investment tax credit applies only to the extent the new investment is not offset by the amount of machinery and equipment the taxpayer either sold or took out of service in the three-year period before the new investment was placed in service. This restriction limits the

existing credit to net increases in North Carolina investment, and disallows it for investme that, in effect, is a replacement or relocation of pre-existing machinery and equipment. Th technology commercialization credit is not required to be offset by machinery and equipment sold to another taxpayer if the new owner keeps the machinery and equipment in service in North Carolina. In addition, the technology commercialization credit is not required to be offset by machinery and equipment the taxpayer takes out of service if it was in service at a separate location and was used in a business that is not competitive with the technology commercialization business.

The existing investment tax credit, like all other Bill Lee Act credits, may be taken against the taxpayer's income tax or franchise tax, but not both. The technology commercialization credit may be taken against both income tax and franchise tax. The taxpayer must determine what percentage of the credit will be taken against each tax, and must maintain the same percentage for the purpose of carryforwards. If new investment is made in a second or subsequent tax year, the taxpayer may elect a different percentage with respect to the credit for each tax year. The election is binding.

The existing investment tax credit, like all other Bill Lee Act credits, may be carried forward for five years unless the investment amount exceeds $150 million over a two-year period, in which case it may be carried forward for 20 years. The technology commercialization credit may be carried forward for 20 years.

NORTH CAROLINA GENERAL ASSEMBLY
LEGISLATIVE FISCAL ESTIMATE
(DRAFT OFFICIAL FISCAL NOTE)

BILL NUMBER: SB 1110 (Finance Committee Substitute Adopted 6/15/99)
SHORT TITLE: Technology Commercialization Credit

FISCAL IMPACT ($ Mill.)

Yes (X) **No ( )** **No Estimate Available ( )**

	FY 1999-00	FY 2000-01	FY 2001-02	FY 2002-03	FY 2003-04
REVENUES					
State General Fund		-$2.1	-$2.1	-$2.1	-$2.1

Note: The cost beginning in 2005-06 rises to $3.0 million and continues for 15 years at this rate.

PRINCIPAL DEPARTMENTS AFFECTED: Department of Revenue and Department of Commerce

EFFECTIVE DATE: Tax years beginning on or after January 1, 2000.

BILL SUMMARY: Adds a new investment tax credit that would be an alternative to the targeted 7% credit under the Bill Lee Act. The credit would apply to investments in machinery and equipment that meet the following conditions:

(1) Machinery and equipment is used in production that is based on technology licensed from a research university.
(2) Investment is located in a Tier 1, 2, or 3 county.
(3) Investment mounts to at least $10 million during the taxable year and at least $100 million over a five-year period.

If the investment amount is $100-$150 million during a five-year period, the credit is equal to 15% of the amount invested. If the amount is at least $150 million, the credit is 20%. The credit is available for 10 years of investments at a single location. The credit is taken in the year the investment in placed in service and is not required to be offset by machinery and equipment sold to another taxpayer if the new owner keeps the machinery and equipment in service in North Carolina. In addition, the credit is not required to be offset by machinery and equipment the taxpayer takes out of service at a separate location and was used in a business that is not competitive with the technology commercialization business. The credit may be taken against the income tax, the franchise tax, or both and may be carried forward 20 years.

ASSUMPTIONS AND METHODOLOGY: A review was made of planned investment activity, state tax liability, and existing Bill Lee Act credit usage data voluntarily supplied by a taxpayer planning a major project in a Tier 3 county in Southeastern North Carolina.

The major unknown is the potential additional tax loss from new or expanded investments that are stimulated by the incentives provided in the bill. Some issues affecting this activity are shown on next page.

Factors That Could Limit Fiscal Impact:

(1) The language in the proposed committee substitute limits eligibility in the following ways:

a. Size of investment: at least $100 million.
b. Location: Tiers 1, 2, or 3.
c. Production process at facility: based on technology licensed from a research university.

(2) A review of 1993-98 investment "announcements" compiled by the Department of Commerce indicates that only 20% of the number of announcements were located in Tiers 1-3. Many of the investments were not in manufacturing or processing industries.

(3) A conceptual point is that if a new or expanded investment is dependent upon the adoption of a particular incentive, the state's revenue loss will be from an economic activity that is not included in the baseline revenue forecast. In other words, if the investment does not take place, the bill would have no impact. In addition, the revenue forecasts used in the budget process have not built in a projection of the additional state and local tax revenues that will result from the investment decision.

(4) The cost of the new incentive would be offset to some extent by the cost of investment tax credits available under current law.

(5) The enhanced credit plus other Bill Lee Act credits taken cannot exceed 50% of tax due for a particular year.

(6) The special language in the bill having to do with the modification of the "net investment" test is fairly restrictive (see last paragraph in "Bill Summary").

Factors That Could Expand Fiscal Impact:

(1) There would be a revenue loss in traditional budgeting terms if the taxpayers making the new or expanded investment would do so without the proposed incentives.

(2) The new tax credits are substantially more lucrative to the taxpayer than the current Bill Lee Act investment tax credits.

EXPENDITURES

POSITIONS: 0

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Insurance

EFFECTIVE DATE: Sections 8 and 9 become effective September 1, 2000. The remainder is effective when it becomes law.

BILL SUMMARY: Section 1 reduces the annual licensing fee for nonresident insurance brokers from $100 to $50. Section 2 of the bill adds a new section to Article 33 of Chapter 58 to comply with the reciprocity requirements in the federal Gramm-Leach-Bliley Act (Public Law 106-102) and to establish a procedure for nonresident producers to obtain a license in North Carolina. It sets forth the procedures a nonresident person must follow to obtain a nonresident producer license. These provisions are modeled after the Producer Licensing Model Act drafted and adopted by the National Association of Insurance Commissioners.

Section 4 changes the applicable examination requirements for financial analysts and examiners who work for the Department of Insurance.

Section 8 of the bill increases the surety bond applicants licensed as dealers or set-up contractors must furnish. It increases the bond for a dealer with one place of business to $25,000. A dealer

with more than one business must furnish $25,000 for each additional place of business. Currently those with four or less must furnish $25,000 and others furnish $50,000. The bill also increases the bond for a set up contractor from $5,000 to $10,000.

Section 9 of the bill requires manufactured housing licensees to notify the Manufacturing Housing Board within 30 days of any change in address, ownership control, and bankruptcy.

Section 10 of the bill eliminates the requirement that the Commissioner of Insurance review plans for county, city and school district buildings comprising less than 10,000 square feet.

Sections 3, 5, 6, and 7 make some technical changes and clarifications of miscellaneous insurance provisions.

ASSUMPTIONS AND METHODOLOGY:

Sections 1 and 2: The bill reduces the annual fee for a nonresident broker license and it establishes procedures for nonresident brokers and agents to obtain a license in the State. The changes impact the revenue from the annual license fee and it also has the potential to impact the workload for processing applications for nonresident producers.

Section 1 of the bill reduces the annual nonresident broker license fee from $100.00 to $50.00. For 1998-99, there were 221 nonresident brokers. Assuming the number of nonresident brokers remains constant, the total revenue from the nonresident broker license fee would ***decrease*** by $11,050 annually. Assuming, however, that implementation of section 2, which establishes a procedure for nonresident producers to obtain a license in North Carolina, will result in an increase in the number of nonresident producer applicants, the revenue from the application fee (currently $30) and the annual fee ($50 as revised by Section 1 of the bill) may increase. At this time no data is available upon which to estimate what revenue increases, if any, will be.

Also, as noted above Section 2 establishes procedures for a nonresident producer to obtain a license in the State. The Department believes that administering the reciprocity requirements will not significantly impact its current workload and estimates that implementation of this portion of the bill will have no fiscal impact.

Section 10: This section eliminates the current requirement that the Commissioner review plans for city, county or school district buildings that are less than 10,000 square feet. Currently, the Office of the Fire Marshall's Engineering Division in the Department of Insurance reviews the building plans for all non-State owned buildings including those for use by a city, county or school district. Because of the number of plans submitted, there is a backlog for completing the initial review. The current turnaround time for the initial review of a set of plans is 5-8 weeks. Eliminating the need to review the plans for city, county, or school district buildings with less than 10,00 square feet, will reduce the workload. However, the reduction in the workload is not expected to result in the need for fewer positions. Rather, the reduced workload should allow the Department to complete its initial review of plans on a more timely basis and reduce the backlog.

Remaining Sections: Sections 3, 5, and 6 make technical changes and clarifications of miscellaneous insurance provisions. Section 4 changes the applicable examination requirement for financial analysts and examiners. Section 7 restricts the definition of a motor club district or association branch office. These sections are primarily technical or clarifying in nature. The

implementation of these changes has no impact on the workload and no fiscal impact on the department.

Section 8 increases the bond that a dealer or set-up contractor must furnish. Section 9 requires manufactured homes licensees to notify the Board of any change in address, ownership control or bankruptcy petition within 30 days. The bond increase and the notification provision have no impact on the Department's revenue or its workload

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE CONSTRUCTION AND THE FINANCING, WITHOUT APPROPRIATIONS FROM THE GENERAL FUND, OF CERTAIN CAPITAL IMPROVEMENTS PROJECTS OF THE CONSTITUENT INSTITUTIONS OF THE UNIVERSITY OF NORTH CAROLINA AND TO AMEND THE LAWS REGARDING CERTAIN REVENUE BONDS THAT MAY BE ISSUED BY THE BOARD OF GOVERNORS.

The General Assembly of North Carolina enacts:

Section 1. The purpose of this act is (i) to authorize the construction by The University of North Carolina, of the capital improvements projects listed in the act for the respective institutions, and (ii) to authorize the financing of these projects with funds available to the institutions from gifts, grants, receipts, self-liquidating indebetedness, or other funds, or any combination of these funds, but not including funds appropriated from the General Fund of the State.

Section 2. The capital improvements projects, and their respective costs, authorized by this act to be constructed and financed as provided in Section 1 of this act, are as follows:

1. **Appalachian State University**

New Dining Hall - Supplement	$ 9,569,744
Steam Distribution/Return System-Reconstruction	$ 3,109,200

2. **East Carolina University**

Diabetes Building - Planning	$ 500,000
West End Dining Hall - Supplement	$ 5,089,700
3. North Carolina School of the Arts	
Technology Infrastructure - Residence Halls	$ 1,000,000
4. North Carolina State University	
Expansion of Parking Facilities	$ 9,000,000
Centennial Campus Infrastructure	$18,780,000
Centennial Campus Tenant Upfits	$ 6,750,000
5. The University of North Carolina at Asheville	
New Residence Hall - Supplement	$ 3,720,800
6. The University of North Carolina at Chapel Hill	
Sonja H. Stone Black Cultural Center	$ 9,000,000
7. The University of North Carolina at Charlotte	
Alumni Center	$ 3,300,000
8. The University of North Carolina at Greensboro	
Parking Deck	$11,000,000
9. The University of North Carolina at Pembroke	
Dining Hall Addition	$ 750,000.

Section 3. At the request of the Board of Governors of The University of North Carolina and upon determining that it is in the best interest of the State to do so, the Director of the Budget may authorize an increase or decrease in the cost of, or a change in the method of, funding the projects authorized by this act. In determining whether to authorize a change in cost or funding, the Director of the Budget may consult with the Joint Legislative Commission on Governmental Operations.

Section 4. G.S. 116-187 reads as rewritten:

"**§ 116-187. Purpose of Article.**

The purpose of this Article is to authorize the Board of Governors of the University of North Carolina to issue revenue bonds, payable from rentals, charges, fees (including student fees) and other revenues but with no pledge of taxes or the faith and credit of the State or any agency or political subdivision thereof, to pay the cost, in whole or in part, ~~of buildings and other facilities for the housing, health, welfare, recreation and convenience of students enrolled at the institutions hereinafter designated, housing of faculty, adult or continuing education programs and for revenue producing parking decks or structures, and for University of North Carolina~~

~~Hospitals at Chapel Hill.~~ for projects as hereinafter defined or for nonprofit corporations providing such projects."

Section 5. G.S. 116-189(4) reads as rewritten:

"(4) The word 'institution' shall mean each of the institutions enumerated in G.S. 116-2, ~~and~~ the University of North Carolina ~~Hospitals at Chapel Hill~~ Health Care System, and the University of North Carolina General Administration."

Section 6. G.S. 116-189(5) is amended as follows:

"(5) ~~The word "project" shall mean and shall include any one or more buildings or facilities for (i) the housing, health, welfare, recreation and convenience of students, (ii) the housing of faculty, (iii) adult or continuing education, (iv) revenue producing parking decks or structures, and (v) education, research, patient care and community services at the University of North Carolina Hospitals at Chapel Hill, of any size or type approved by the Board and the Director of the Budget and any enlargements, improvements or additions so approved of or to any such buildings or facilities now or hereafter existing, including, but without limiting the generality thereof, dormitories and other student, faculty and adult or continuing education housing, dining facilities, student centers, gymnasiums, field houses and other physical education and recreation buildings, structures and facilities, infirmaries and other health care buildings, structures and facilities, academic facilities for adult or continuing education, and necessary land and interests in land, furnishings, equipment and parking facilities. Any project comprising a building or buildings for student activities or adult or continuing education or any enlargement or improvement thereof or addition thereto may include, without limiting the generality thereof, facilities for services such as lounges, restrooms, lockers, offices, stores for books and supplies, snack bars, cafeterias, restaurants, laundries, cleaning, postal, banking and similar services, offices, rooms and other facilities for guests and visitors and facilities for meetings and for recreational, cultural and entertainment activities.~~ The word 'project' shall mean and shall include any one or more buildings, structures, or facilities of any size or type now or hereafter existing for (i) the housing, health, welfare, recreation, and convenience of students, (ii) the housing of faculty, (iii) academic, research, patient care, and community services, and (iv) parking at an institution or institutions, that has been approved by the Board and the Director of the Budget and any improvements or additions so approved to any such buildings, structures, or facilities, including, but without limiting the generality thereof, dormitories and other student, faculty, and adult or continuing education housing, dining facilities, student centers, gymnasiums,

Section 3. At the request of the Board of Governors of The University of North Carolina and upon determining that it is in the best interest of the State to do so, the Director of the Budget may authorize an increase or decrease in the cost of, or a change in the method of, funding the projects authorized by this act. In determining whether to authorize a change in cost or funding, the Director of the Budget may consult with the Joint Legislative Commission on Governmental Operations.

Section 4. G.S. 116-187 reads as rewritten:

"**§ 116-187. Purpose of Article.**

The purpose of this Article is to authorize the Board of Governors of the University of North Carolina to issue revenue bonds, payable from rentals, charges, fees (including student fees) and other revenues but with no pledge of taxes or the faith and credit of the State or any agency or political subdivision thereof, to pay the cost, in whole or in part, ~~of buildings and other facilities for the housing, health, welfare, recreation and convenience of students enrolled at the institutions hereinafter designated, housing of faculty, adult or continuing education programs and for revenue-producing parking decks or structures, and for University of North Carolina Hospitals at Chapel Hill.~~ for projects as hereinafter defined or for nonprofit corporations providing such projects."

Section 5. G.S. 116-189(4) reads as rewritten:

"(4) The word 'institution' shall mean each of the institutions enumerated in G.S. 116-2, ~~and~~ the University of North Carolina ~~Hospitals at Chapel Hill~~ Health Care System, and the University of North Carolina General Administration."

Section 6. G.S. 116-189(5) is amended as follows:

"(5) ~~The word "project" shall mean and shall include any one or more buildings or facilities for (i) the housing, health, welfare, recreation and convenience of students, (ii) the housing of faculty, (iii) adult or continuing education, (iv) revenue-producing parking decks or structures, and (v) education, research, patient care and community services at the University of North Carolina Hospitals at Chapel Hill, of any size or type approved by the Board and the Director of the Budget and any enlargements, improvements or additions so approved of or to any such buildings or facilities now or hereafter existing, including, but without limiting the generality thereof, dormitories and other student, faculty and adult or continuing education housing, dining facilities, student centers, gymnasiums, field houses and other physical education and recreation buildings, structures and facilities, infirmaries and other health care buildings, structures and facilities, academic facilities for adult or continuing education, and necessary land and interests in land, furnishings, equipment and parking facilities. Any project comprising a building or buildings for student activities or adult or continuing education or any enlargement or improvement thereof or addition thereto may include, without limiting the generality thereof, facilities for services such as lounges, restrooms, lockers, offices, stores for books and supplies, snack bars, cafeterias, restaurants, laundries, cleaning, postal, banking and similar services, offices, rooms and other facilities for guests and visitors and facilities for meetings and for recreational, cultural and entertainment activities.~~ The word 'project' shall mean and shall include any one or more buildings, structures, or facilities of any size or type now or hereafter existing for (i) the housing, health, welfare, recreation, and convenience of students, (ii) the housing of faculty, (iii) academic, research, patient care, and community services, and (iv) parking at an institution or institutions, that has been approved by the Board and the Director of the Budget and any improvements or additions so approved to any such buildings, structures, or facilities, including, but without limiting the generality thereof, dormitories and other student, faculty, and adult or continuing education housing, dining facilities, student centers, gymnasiums, field houses and other physical education and recreation buildings, infirmaries and other health care buildings, academic facilities, furnishings, equipment, parking facilities, and necessary land and

interest in land. Any project may include, without limiting the generality thereof, facilities for services such as lounges, restrooms, lockers, offices, stores for books and supplies, snack bars, cafeterias, restaurants, laundries, cleaning, postal, banking and similar services, rooms and other facilities for guests and visitors, and facilities for meetings and for recreational, cultural, and entertainment activities."

Section 7. G.S. 116-190 reads as rewritten:

"**§ 116-190. General powers of Board of Governors.**

The Board is authorized, subject to the requirements of this Article:

(1) To determine the location and character of any project or projects and to acquire, construct and provide the same and to maintain, repair and operate and enter into contracts for the management, lease, use or operation of all or any portion of any project or projects and any existing facilities;

(2) To issue revenue bonds as hereinafter provided to pay all or any part of the cost of any project or projects, and to fund or refund the same;

(3) To fix and revise from time to time and charge and collect (i) student fees from students enrolled at the institution operated by the Board, (ii) rates, fees, rents and charges for the use of and for the services furnished by all or any portion of any project or projects and (iii) admission fees for athletic games and other public events;

(4) To establish and enforce, and to agree through any resolution or trust agreement authorizing or securing bonds under this Article to make and enforce, rules and regulations for the use of and services rendered by any project or projects and any existing facilities, including parietal rules, when deemed desirable by the Board, to provide for the maximum use of any project or projects and any existing facilities;

(5) To acquire, hold, lease and dispose of real and personal property in the exercise of its powers and the performance of its duties hereunder and to lease all or any part of any project or projects and any existing facilities for such period or periods of years, not exceeding 40 years, upon such terms and conditions as the Board determines subject to the provisions of G.S. 143-341;

(6) To employ consulting engineers, attorneys, accountants, construction and financial experts, superintendents, managers and such other employees and agents as may be necessary in its judgment in connection with any project or projects and existing facilities, and to fix their compensation;

(7) To make and enter into all contracts and agreements necessary or incidental to the performance of its duties and the execution of its powers under this Article;

(8) To receive and accept from any federal, State or other public agency and any private agency, person or other entity donations, loans, grants, aid or contributions of any money, property, labor or other things of value for any project or projects, and to agree to apply and use the same in accordance with the terms and conditions under which the same are provided; and

(8a) In connection with contracts with nonprofit corporations, (i) to use contracting methods that are considered to be alternatives to the traditional design/bid/build method (including design/build, construction management, and other methods that conform to State statutes that ensure free and competitive bidding by qualified contractors) without having to seek the approval of any other governmental agency or authority, (ii) to direct that insurance for the project be provided by the nonprofit corporation rather than the State, and (iii) to contract with certified code-compliance reviewers for the purposes of certifying plans and specifications and work in place for code compliance. No other reviews by State or local jurisdictions will be required. The Board shall have the sole responsibility to select and contract with designers and consultants and to award construction contracts and change orders related to projects with nonprofit corporations.

(9) To do all acts and things necessary or convenient to carry out the powers granted by this Article."

Section 8. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO ALLOW THE CITY OF CHARLOTTE TO USE THE PROCEDURES OF CHAPTER 136 OF THE GENERAL STATUTES FOR CONDEMNATION FOR ECONOMIC DEVELOPMENT PURPOSES WITHIN A DEFINED AREA.

The General Assembly of North Carolina enacts:

Section 1. Section 7.81 of the Charter of the City of Charlotte, being Chapter 713, Session Laws of 1965, as amended by Chapter 216, Session Laws of 1967, Chapter 384, Session Laws of 1969, and Chapters 432 and 1046, Session Laws of 1973, as rewritten by Chapter 437, Session Laws of 1983, and as amended by Chapter 31 of the 1989 Session Laws, reads as rewritten:

"Sec. 7.81. (a) The City of Charlotte shall have the power of eminent domain and may acquire, either by purchase, gift or condemnation, any land, right of access, right-of-way, water right, privilege, easement, or any other interest in or relating to land, water or improvements, either within or without the city limits, for any lawful public use or purpose. In the exercise of the power of eminent domain, the city is hereby vested with all power and authority now or hereafter granted by the laws of North Carolina applicable to the City of Charlotte, and the city shall follow the procedures now or hereafter prescribed by said laws; provided that, notwithstanding the provisions of G.S. 40A-1, in the exercise of its authority of eminent domain for the acquisition of property to be used for streets and highways, water supply and distribution systems, sewage collection and disposal systems, economic development purposes authorized by law within the territory described in subsection (b) of this

section, and airports, the City of Charlotte is hereby authorized to use the procedure and authority prescribed in Article 9 of Chapter 136 of the General Statutes of North Carolina, as now or hereafter amended; provided further, that whenever therein the words 'Secretary' or 'Secretary of Transportation' appear, they shall be deemed to include the 'City Manager'; provided further that nothing herein shall be construed to enlarge the power of the City of Charlotte to condemn property already devoted to public use. The City of Charlotte is also vested with the authority to condemn for public library purposes, property, rights, privileges, easements and restrictive covenants and conditions, including any restrictive covenants and conditions applicable to real estate now or hereafter owned, restricting the use of same in any manner whatsoever.

The City of Charlotte shall have the power of eminent domain to acquire property to provide housing for low- and moderate-income persons, but only to acquire: (i) vacant structures boarded up as a result of housing code violations; (ii) structures that have been found to contain housing code violations that the property owner has failed or refused to correct within a reasonable time; and (iii) vacant properties rendered vacant as a result of a housing code enforcement demolition order. Provided, that in the exercise of its authority of eminent domain to acquire property to provide housing for low- and moderate-income persons, the city shall follow the procedures prescribed in Chapter 40A of the General Statutes. Vesting of title to the property taken under this paragraph and right to possession shall occur pursuant to the provisions of G.S. 40A-42(b). The City may not file an eminent domain action to acquire property described in clauses (i) or (ii) of this paragraph until the property owner has had 150 days from the date of the order finding violations of the City Housing Code to correct the violations. The city council must adopt a plan to use condemned property for low or moderate income housing prior to exercising the powers under this paragraph.

(b) The area within which the City of Charlotte is authorized to use the procedure and authority prescribed in Article 9 of Chapter 136 of the General Statutes for economic development purposes by subsection (a) of this section is as follows: an area bounded on the east by Berryhill and West Morehead at Wilkinson Boulevard, on the south by the Norfolk Southern Railroad from Berryhill to the Billy Graham Parkway, on the north by Greenland Avenue, Ashley Road, Dublin Road, Cartwright, Carlyle Drive, Denver, Mulberry Church and Withrow, and on the west by Billy Graham Parkway. The property may be conveyed at private sale as allowed by the exception in G.S. 160A-279(d), but otherwise following the procedures of G.S. 160A-279."

Section 2. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO ALLOW THE CITY OF CHARLOTTE TO USE THE PROCEDURES OF CHAPTER 136 OF THE GENERAL STATUTES FOR CONDEMNATION FOR ECONOMIC DEVELOPMENT PURPOSES WITHIN A DEFINED AREA.

The General Assembly of North Carolina enacts:

Section 1. Section 7.81 of the Charter of the City of Charlotte, being Chapter 713, Session Laws of 1965, as amended by Chapter 216, Session Laws of 1967, Chapter 384, Session Laws of 1969, and Chapters 432 and 1046, Session Laws of 1973, as rewritten by Chapter 437, Session Laws of 1983, and as amended by Chapter 31 of the 1989 Session Laws, reads as rewritten:

"Sec. 7.81. (a) The City of Charlotte shall have the power of eminent domain and may acquire, either by purchase, gift or condemnation, any land, right of access, right-of-way, water right, privilege, easement, or any other interest in or relating to land, water or improvements, either within or without the city limits, for any lawful public use or purpose. In the exercise of the power of eminent domain, the city is hereby vested with all power and authority now or hereafter granted by the laws of North Carolina applicable to the City of Charlotte, and the city shall follow the procedures now or hereafter prescribed by said laws; provided that, notwithstanding the provisions of G.S. 40A-1, in the exercise of its authority of eminent domain for the acquisition of property to be used for streets and highways, water supply and distribution systems, sewage collection and disposal systems, economic development

purposes authorized by law within the territory described in subsection (b) of this section, and airports, the City of Charlotte is hereby authorized to use the procedure and authority prescribed in Article 9 of Chapter 136 of the General Statutes of North Carolina, as now or hereafter amended; provided further, that whenever therein the words 'Secretary' or 'Secretary of Transportation' appear, they shall be deemed to include the 'City Manager'; provided further that nothing herein shall be construed to enlarge the power of the City of Charlotte to condemn property already devoted to public use. The City of Charlotte is also vested with the authority to condemn for public library purposes, property, rights, privileges, easements and restrictive covenants and conditions, including any restrictive covenants and conditions applicable to real estate now or hereafter owned, restricting the use of same in any manner whatsoever.

The City of Charlotte shall have the power of eminent domain to acquire property to provide housing for low- and moderate-income persons, but only to acquire: (i) vacant structures boarded up as a result of housing code violations; (ii) structures that have been found to contain housing code violations that the property owner has failed or refused to correct within a reasonable time; and (iii) vacant properties rendered vacant as a result of a housing code enforcement demolition order. Provided, that in the exercise of its authority of eminent domain to acquire property to provide housing for low- and moderate-income persons, the city shall follow the procedures prescribed in Chapter 40A of the General Statutes. Vesting of title to the property taken under this paragraph and right to possession shall occur pursuant to the provisions of G.S. 40A-42(b). The City may not file an eminent domain action to acquire property described in clauses (i) or (ii) of this paragraph until the property owner has had 150 days from the date of the order finding violations of the City Housing Code to correct the violations. The city council must adopt a plan to use condemned property for low or moderate income housing prior to exercising the powers under this paragraph.

(b) The area within which the City of Charlotte is authorized to use the procedure and authority prescribed in Article 9 of Chapter 136 of the General Statutes for economic development purposes by subsection (a) of this section is as follows: an area bounded on the east by Berryhill and West Morehead at Wilkinson Boulevard, on the south by the Norfolk Southern Railroad from Berryhill to the Billy Graham Parkway, on the north by Greenland Avenue, Ashley Road, Dublin Road, Cartwright, Carlyle Drive, Denver, Mulberry Church and Withrow, and on the west by Billy Graham Parkway. The property may be conveyed at private sale as allowed by the exception in G.S. 160A-279(d), but otherwise following the procedures of G.S. 160A-279."

Section 2. If House Bill 1667 or Senate Bill 1391 of the 1999 Regular Session become law, then the amendments made by this act to Section 7.81 of the current city charter in this act are made in identical fashion to Section 7.81(a) of the revised charter enacted by House Bill 1667 or Senate Bill 1391, except that the reference to "subsection (b)" is changed to "subsection (c)", and the matter added to

the charter as Section 7.81(b) is instead added as Section 7.81(c), to the end that the repeal of Chapter 713 of the 1965 Session Laws does not affect this act.

Section 3. This act is effective when it becomes law.

HOUSE BILL 1748

Short Title: Change Granville Room Tax Use. (Local)

Sponsors: Representative Fox.

Referred to: Local Government I.

May 25, 2000

A BILL TO BE ENTITLED

AN ACT TO CHANGE THE PURPOSES FOR WHICH THE GRANVILLE COUNTY OCCUPANCY TAX CAN BE USED AND TO MAKE TECHNICAL CHANGES.

The General Assembly of North Carolina enacts:

Section 1. Section 1 of Chapter 454 of the 1993 Session Laws reads as rewritten:

"Section 1. Occupancy tax.

(a) **Authorization and Scope.**

The Granville County Board of Commissioners may ~~by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto,~~ levy a room occupancy tax of five percent (5%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations. The combined occupancy tax rates for Granville County and any city or town that is located in Granville County and is authorized to levy a room occupancy tax may not exceed six percent (6%).

(b) **Administration.**

A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 153A-155. The penalties provided in G.S. 153A-155 apply to a tax levied under this section.

~~(b) Collection.~~

~~Every operator of a business subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax.~~

~~(c) Administration.~~

~~The county shall administer a tax levied under this section. A tax levied under this section is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.~~

~~A return filed with the county finance officer under this section is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.~~

~~(d) Penalties.~~

~~A person, firm, corporation, or association who fails or refuses to file the return required by this section is subject to the civil and criminal penalties set by G.S. 105-236 for failure to pay or file a return for State sales and use taxes. The board of commissioners has the same authority to waive the penalties for a room occupancy tax that the Secretary of Revenue has to waive the penalties for State sales and use taxes.~~

(e) **Use of Tax Revenue.**

Granville County shall use at least ~~two-thirds~~ one-third of the proceeds of the tax revenue to promote travel and tourism and shall use the remaining tax proceeds for tourism-related expenditures. The term "promote travel and tourism" means to advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the county; the term includes administrative expenses incurred in engaging in the listed activities. The term "tourism-related expenditures" means expenditures that are designed to increase the use of lodging facilities in the county or to attract tourists or business travelers to the county and expenditures by the county to administer and collect the tax; it includes expenditures for the construction or maintenance of a convention or meeting facility and tournament-grade ballparks, to be used primarily by individuals who are not residents of the ~~county~~ county, and for the construction or maintenance of a coliseum or a visitors' ~~center, but does not include other capital expenditures.~~ center.

~~(f) Effective Date of Levy.~~

~~A tax levied under this section shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.~~

~~(g) Repeal.~~

~~A tax levied under this section may be repealed by a resolution adopted by the Granville County Board of Commissioners. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.~~"

Section 2. G.S. 153A-155 reads as rewritten:

"**§ 153A-155. Uniform provisions for room occupancy taxes.**

(a) Scope. -- This section applies only to counties the General Assembly has authorized to levy room occupancy taxes.

(b) Levy. -- A room occupancy tax may be levied only by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto. A room occupancy tax shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.

(c) Collection. -- Every operator of a business subject to a room occupancy tax shall, on and after the effective date of the levy of the tax, collect the tax. The tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records and shall be paid by the purchaser to the operator of the business as trustee for and on account of the taxing county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The taxing county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax. An operator of a business who collects a room occupancy tax may deduct from the amount remitted to the taxing county a discount equal to the discount the State allows the operator for State sales and use tax.

(d) Administration. -- The taxing county shall administer a room occupancy tax it levies. A room occupancy tax is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the taxing county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied. A room occupancy tax return filed with the county finance officer is not a public record and may not be disclosed except in accordance with G.S. 153A-148.1 or G.S. 160A-208.1.

(e) Penalties. -- A person, firm, corporation, or association who fails or refuses to file a room occupancy tax return or pay a room occupancy tax as required by law is subject to the civil and criminal penalties set by G.S. 105-236 for failure to pay or file a return for State sales and use taxes. The governing board of the taxing county has the same authority to waive the penalties for a room occupancy tax that the Secretary of Revenue has to waive the penalties for State sales and use taxes.

(f) Repeal or Reduction. -- A room occupancy tax levied by a county may be repealed or reduced by a resolution adopted by the governing body of the county. Repeal or reduction of a room occupancy tax shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the resolution was adopted. Repeal or reduction of a room occupancy tax does not affect a liability for a tax that was attached before the effective date of the repeal or reduction, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal or reduction.

(g) This section applies only to Avery, Brunswick, Craven, Currituck, Davie, Granville, Madison, Nash, Person, Randolph, Scotland, and Transylvania Counties."

Section 3. This act becomes effective October 1, 2000, and applies to taxes collected on or after that date.

~~(f) Effective Date of Levy.~~

~~A tax levied under this section shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.~~

~~(g) Repeal.~~

~~A tax levied under this section may be repealed by a resolution adopted by the Granville County Board of Commissioners. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.~~

Sec. 1.1. Granville Tourism Development Authority.

(a) **Appointment and Membership.**

The Board of County Commissioners shall adopt a resolution creating a county Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The Authority shall be composed of five members who shall serve for staggered three year terms. The members shall be appointed as follows: three appointed by the Granville County Board of Commissioners, one appointed by the Oxford City Council, and one appointed by the Creedmoor City Council. One of the three members appointed by the Granville County Board of Commissioners must be an owner or manager of a Granville County hotel or motel. The remaining members must be individuals who are currently active in the promotion of travel and tourism in the county. Vacancies shall be filled in the same manner as original appointments, and members appointed to fill vacancies shall serve for the remainder of the unexpired term. The resolution shall determine the compensation, if any, to be paid to the members of the Authority.

At the first meeting of each calendar year, the membership of the Authority shall elect one member to serve as chair until the first meeting of the following year. The Authority shall met at the call of the chair and shall adopt rules of procedure to govern its meetings. The Finance Officer for Granville County shall be the ex officio finance officer of the Authority.

(b) **Duties.**

The Authority shall expend the net proceeds of the tax levied under this Act for the purposes provided in this Act. The

Authority shall promote travel, tourism, and conventions in the county, sponsor tourist-related events and activities n the county, and finance tourist-related capital projects in the county.

(c) **Reports.**

The Authority shall report quarterly and at the close of the fiscal year to the Granville County Board of Commissioners on its receipts and expenditures for the preceding quarter and for the year in such detail as the board may require.

Sec. 2. This act is effective upon ratification."

Section 2. To achieve the staggered terms required on the Granville County Tourism Development Authority, as provided in Section 1 of this act, the initial terms of the members of the Authority shall be as follows: The initial term of the member who is an owner or manager of a hotel or motel shall be three years. The Granville County Board of Commissioner must designate one of its remaining appointees to serve an initial term of two years and the other to serve an initial term of one year. The remaining initial members shall serve terms of three years each. Thereafter, all terms shall be three years.

Section 3. Section 1(a) of Chapter 454 of the 1993 Session Laws, as amended by Section 1 of this act, reads as rewritten:

"(a) **Authorization and Scope.**

The Granville County Board of Commissioners may levy a room occupancy tax of ~~three percent (3%)~~ five percent (5%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). (3) Tourism-related expenditures. -- Expenditures that, in the judgment of the Authority, are designed to increase the use of lodging facilities in the county or to attract tourists or business travelers to the county. The term includes tourism-related capital expenditures."

Section 5. G.S. 153A-155(g) reads as rewritten:

"(g) This section applies only to Avery, Brunswick, Craven, Currituck, Davie, Granville, Madison, Nash, Person, Randolph, Scotland, and Transylvania Counties."

Section 6. Sections 3 and 4 of this act become effective October 1, 2007, and apply to taxes collected on or after that date. The remainder of this act becomes effective October 1, 2000, and applies to taxes collected on or after that date.

HOUSE BILL 1748:
Change Granville Room Tax Use

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Representative Fox
Date:	June 22, 2000	**Summary by:**	Cindy Avrette
Version:	PCS for 1st Edition H1748-CSRBX-6.21		Committee Counsel

SUMMARY: ***House Bill 1748 would have changed the purposes for which the Granville County Room Tax could be used and conformed the local law to the uniform occupancy tax provisions. The Proposed Committee Substitute changes the bill as follows:***

- ***It establishes a Granville County Tourism Development Authority, which will be responsible for expending the net proceeds of the county's occupancy tax.***
- ***It provides for a variation in the use of the tax revenue for 7 years.***
- ***It reduces the maximum county occupancy tax rate from 5% to 3% for 7 years.***

BILL ANALYSIS: The proposed committee substitute for **House Bill 1748** establishes a Granville County Tourism Development Authority. The bill provides that the Authority will be composed of 5 members: 3 appointed by the County, 1 by the City of Oxford, and 1 by the City of Creedmoor. The Authority becomes responsible for expending the net proceeds of the Granville County occupancy tax revenues for tourism-related expenditures and to promote travel and tourism in Granville County.

The bill changes the tax rate and the use of the net proceeds for 7 years: effective October 1, 2000, through October 1, 2007. Under current law, the occupancy tax in Granville County may not exceed 5% of the gross receipts derived from the rental of any room, lodging, or accommodation. Under the bill, the rate may not exceed 3% for taxes collected on or after October 1, 2000, through October 1, 2007. During the period of October 1, 2000, through October 1, 2007, the Authority may use up to 2/3 of the net proceeds for the following specified tourism-related expenditures:

- Developing facilities for fishing tournaments, skiing tournaments, and boating events.
- Constructing facilities for festivals.
- Constructing tournament grade multi-purpose athletic facilities.
- Making other similar capital expenditures designed to attract tourist and business travelers.

The remaining 1/3 of net proceeds must be used to promote travel and tourism in Granville County.

Effective October 1, 2007, the rate may return to 5% and the Authority must use 2/3 of the net proceeds to promote travel and tourism in Granville County and the remaining 1/3 for tourism-related expenditures.

UNIFORM PROVISIONS: **House** Bill 1748 meets most, but not all, of the uniform occupancy tax provisions recognized by the House Finance Committee:

1. The use of the money differs during the 7 years, as summarized above.
2. The taxing authority's costs of collection differs slightly.

The proposed committee substitute does conform the current session law governing Granville County occupancy taxes to the uniform occupancy tax statutory provisions. Therefore, the levy, administration,

collection, and repeal of the occupancy taxes must be done in accordance with G.S. 160A-215. These provisions are substantially the same as the ones under the county's current session law.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. In several instances, the General Assembly has authorized both a county and a city within that county to impose an occupancy tax. The rate of tax, the use of the tax proceeds, the administration of the tax, and the body with the authority to determine how the tax proceeds will be spent vary considerably. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax legislation – G.S. 153A-155 and G.S. 160A-215. These provisions provide uniformity in the areas of levy, administration, collection, repeal, and penalties.

The North Carolina Travel and Tourism Coalition has a policy statement for legislation authorizing local occupancy taxes. Many of the principles contained in its statement are similar to the ones established by the House Finance subcommittee in 1993. Based upon this work, the House Finance Subcommittee on Occupancy Taxes created last year looked for the inclusion of the following uniform provision in the occupancy tax bills the House Finance Committee has considered this biennium:

- **Rate** – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
- **Use** – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related purposes.
- **Definitions** The term "net revenues", promote travel and tourism", and "tourism related expenditures" are defined terms.
- **Administration** – The net revenues must be administered by a local tourism promotion agency that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least ¾ of the members must be currently active in the promotion of travel and tourism in the taxing district and 1/3 of the members must be affiliated with organizations that collect the tax.
- **Costs of Collection** – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first $500,000 collected each year plus 1% of the remainder collected each year.

There is a 32-page chart detailing the occupancy taxes authorized in North Carolina. There is also a chart detailing the amount of occupancy tax revenue collect by the various localities. These charts can be accessed on the North Carolina General Assembly's Intranet web page under "Resource Center", "Tax Center".

Other States - State and local governments in every state impose an occupancy tax. The taxes are usually earmarked for tourist related activities. The taxes are usually levied in addition to the general rate of sales tax. The combined state and local occupancy taxes average more than 10%.

Erika Churchill, counsel to the Local Government II Committee, contributed to this summary.

A BILL TO BE ENTITLED

AN ACT TO INCREASE THE FEE PAYABLE TO THE REGISTER OF DEEDS FOR THE FILING OF RIGHT-OF-WAY PLANS BY THE DEPARTMENT OF TRANSPORTATION.

The General Assembly of North Carolina enacts:

Section 1. G.S. 136-19.4 reads as rewritten:

"**§ 136-19.4. Registration of right-of-way plans.**

(a) A copy of the cover sheet and plan and profile sheets of the final right-of-way plans for all Department of Transportation projects, on those projects for which plans are prepared, under which right-of-way or other interest in real property is acquired or access is controlled shall be certified by the Department of Transportation to the register of deeds of the county or counties within which the project is located. The Department shall certify said plan sheets to the register of deeds within two weeks from their formal approval by the Board of Transportation.

(b) The copy of the plans certified to the register of deeds shall consist of a Xerox, photographic, or other permanent copy, except for plans electronically transmitted pursuant to subsection (b1) of this section, and shall measure approximately 17 inches by 11 inches including no less than one and one-half inches binding space on the left-hand side.

(b1) With the approval of the county in which the right-of-way plans are to be filed, the Department may transmit the plans electronically.

(c) Notwithstanding any other provision in the law, upon receipt of said original certified copy of the right-of-way plans, the register of deeds shall record said right-of-way plans and place the same in a book maintained for that purpose, and the register of deeds shall maintain a cross-index to said right-of-way plans by number of road affected, if any, and by identification number. No probate before the clerk of the superior court shall be required.

(d) If after the approval of said final right-of-way plans the Board of Transportation shall by resolution alter or amend said right-of-way or control of access, the Department of Transportation, within two weeks from the adoption by the Board of Transportation of said alteration or amendment, shall certify to the register of deeds in the county or counties within which the project is located a copy of the amended plan and profile sheets approved by the Board of Transportation and the register of deeds shall remove the original plan sheets and record the amended plan sheets in lieu thereof.

(e) The register of deeds in each county shall collect a fee from the Department of Transportation of twenty-one dollars ($21.00) for the first page and five dollars ($5.00) for each additional page for each original or amended plan and profile sheet recorded."

Section 2. This act becomes effective January 1, 2001.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Transportation

EFFECTIVE DATE: January 1, 2000

BILL SUMMARY: SB 328 allows DOT to transmit right-of-way plans electronically with the approval of the county in which the plans are to be filed. The fee collected from DOT by the register of deeds in each county would change to $21 for the first page plus $5 for each additional page from the current charge of $5 per page.

ASSUMPTIONS AND METHODOLOGY: DOT estimates that there are approximately 145 projects per year for which the additional fees would be relevant. At an additional charge of $16 for each the annual impact would be $2320. (The impact for FY1999-2000 would be half this amount.) This assumes that all counties permit the electronic filing. DOT points out that the language of the bill does not address revisions to plans but that even with charges for revisions the impact would not be greater than $3000 per year. There are likely to be savings from electronic submission of plans but no estimate of these savings is included. DOT is in a pilot project with several counties to test the system and estimate the savings and at this time no estimate of savings is available.

TECHNICAL CONSIDERATIONS: The expenditures would be from TIP funding, which could be either Federal funding or Trust Fund, depending on how the project is funded. Most of these will be 80% Federal funds with a 20% Trust Fund match.

Section 1.(b) The provisions of G.S. 160A-217 do not apply to the Town of Carolina Beach as to special assessments for street improvements in the area annexed by this section. This subsection does not affect the applicability to the Town of Carolina Beach of other provisions of Article 10 of Chapter 160A of the General Statutes.

DARE UTILITY DISTRICT

Section 1.1. Authorization to Create Utility District. A county board of commissioners may create one or more Utility Districts for the purpose of raising and expending funds to underground electric and telephone utility lines in the district.

Section 2.(a) Procedure. A county board of commissioners may by resolution signify its determination to create a Utility District under the provisions of this act. The resolution shall be adopted after a public hearing thereon, notice of which hearing shall be given by publication at least once, not less than 10 days prior to the date fixed for the hearing, in a newspaper having a general circulation in the county. The notice shall contain a brief statement of the substance of the proposed resolution, shall set forth the boundaries of the district, and shall state the time and place of the public hearing. No other publication of the resolution is required under the provisions of any other law.

Section 2.(b) The resolution shall include articles of incorporation which shall set forth:

(1) The name of the district;

(2) A statement that the district is organized under this act; and

(3) A description of the boundaries, which may include any territory designated by the county board of commissioners that is not in the corporate limits of any municipality.

Section 2.(c) No territory may be in more than one district.

Section 2.(d) All territory of a district shall be within the county.

Section 2.(e) A certified copy of the resolution signifying the determination to organize a district under the provisions of this act shall be filed with the Secretary of State, together with proof of publication of the notice of hearing on the resolution. If the Secretary of State finds that the resolution, including the articles of incorporation, conforms to the provisions of this act and that the notice of hearing was properly published, the Secretary of State shall file the resolution and proof of publication in the records of that office, shall issue a certificate of incorporation

under the seal of the State, and shall record the same in an appropriate book of record. The issuance of the certificate of incorporation by the Secretary of State shall constitute the district, a public body and body politic and corporate of the State of North Carolina. This certificate of incorporation shall be conclusive evidence of the fact that the district has been duly created and established under the provisions of this act.

Section 2.(f) When the district has been duly organized and its officers appointed as provided by this act, the secretary or clerk of the district shall certify to the Secretary of State the names and addresses of the officers as well as the address of the principal office of the district.

Section 3.(a) Annexation to District. By adoption of a resolution, and with the approval of the board of commissioners of a county by resolution, any municipality located wholly within that county may annex the entirety of that municipality to any Utility District created by this act, but no municipality may be in more than one district. The resolution shall be adopted by the municipal governing board after a public hearing thereon, notice of which hearing shall be given by publication at least once, not less than 10 days prior to the date fixed for the hearing, in a newspaper having a general circulation in the county. The notice shall contain a brief statement of the substance of the proposed resolution and shall state the time and place of the public hearing. No other publication of the resolution is required under the provisions of any other law.

Section 3.(b) By adoption of a resolution, the board of commissioners of a county may annex any area within that county but not within the corporate limits of any municipality to a Utility District, but no area may be in more than one district. The resolution shall be adopted by the county board of commissioners after a public hearing thereon, notice of which hearing shall be given by publication at least once, not less than 10 days prior to the date fixed for the hearing, in a newspaper having a general circulation in the county. The notice shall contain a brief statement of the substance of the proposed resolution, the boundaries of the proposed annexation, and shall state the time and place of the public hearing. No other publication of the resolution is required under the provisions of any other law.

Section 3.(c) If any area in a Utility District is annexed to the corporate limits of any municipality, it shall remain in the same Utility District notwithstanding any other provision of this act.

Section 4.(a) Governing Board. Each Utility District shall be governed by a special commission consisting of one person appointed by the board of commissioners of that county, one nonvoting member appointed by the board of commissioners of the county who has been recommended by each local telephone exchange carrier licensed to do business in North Carolina and providing service in that county, one nonvoting member appointed by the board of commissioners of the county who has been recommended by each electric utility provider in the county, one nonvoting member appointed by the board of commissioners of the county who has been recommended by each cable television provider in the county, and one

person appointed by the governing board of each municipality that has annexed its territory to the district under Section 3(a) of this act.

Section 4.(b) In the case of Dare County, one person shall also be appointed to the Special Commission by the Roanoke Island Commission established by Part 27A of Article 2 of Chapter 143B of the General Statutes. Appointments shall be for two-year terms.

Section 5.(a) Powers. By resolution the board of commissioners of the county, acting ex officio on behalf of the Utility District, may levy an assessment of up to:

(1) One dollar ($1.00) per month on each residential electric power customer bill for service within the district, and up to five dollars ($5.00) per month on each commercial or industrial electric power customer bill within the district.

(2) One dollar ($1.00) per month on each residential telephone customer bill for service within the district and up to five dollars ($5.00) per month on each commercial or industrial telephone customer bill within the district.

Section 5.(b) The Utility District may receive contributions from the State of North Carolina, local governments, and the private sector for corporate purposes authorized by this act.

Section 5.(c) The commission may contract with the State of North Carolina, another local government, or a private entity for carrying out the projects authorized by this act. Any State, local government, or other entity which carries out projects authorized by this act, or otherwise takes action affecting any company whose lines are effected pursuant to the terms of this act shall remain fully liable for any damages to company property. Any private sector entity with which the district wishes to contract to carry out projects authorized by this act must be approved in writing in advance by each company whose facilities will be affected and must carry sufficient insurance to cover any damages caused.

Section 5.(d) The board of commissioners may exempt from payment of the assessment on an electric bill any person for whom the payment would work an unreasonable financial hardship in accordance with criteria established by the board of commissioners. The board of commissioners shall exempt from payment of the assessment on a telephone bill those low-income residential telephone customers who pay reduced rates for local telephone service pursuant to an order of the North Carolina Utilities Commission.

Section 5.(e) The commission may order any cable television lines (or other lines other than electric or telephone) to be undergrounded when any electric or telephone line on the same pole is undergrounded.

Section 6. Use of Funds. The assessments levied under this act, after being expended for the necessary administrative expenses of the utility district, shall be used only for undergrounding of electric and telephone utility lines within the district. The budget for the Utility District shall be adopted by the special

commission for that district. The budget shall include funding to pay for the installation of conduit for underground telephone cable, where required.

Section 7. Corporate Existence. A Utility District created under this act shall have the power granted by this act, and may do all acts reasonably necessary to fulfill this purpose. A simple majority of the governing board constitutes a quorum, and approval by a majority of those present is sufficient to determine any matter before the governing body, if a quorum is present.

Section 8. Fiscal Control. The Utility District is a special district under G.S. 159-7 and is covered by the applicable provisions of Chapter 159 of the General Statutes.

Section 9.(a) Levy. An assessment authorized by this act may be levied only by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto. An assessment authorized by this act shall become effective on the date specified in the resolution levying the assessment. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the third month after the date the resolution is adopted. In establishing the effective date, the board of commissioners shall consult with any utility that will be collecting the assessment to determine any administrative lead times that might be desirable.

Section 9.(b) Collection. Every utility subject to an assessment authorized by this act shall, on and after the effective date of the levy of the assessment, collect it. The assessment shall be collected as part of the charge for furnishing service. The assessment shall be stated and charged separately and shall be paid by the purchaser to the utility as trustee for and on account of the Utility District. The assessment shall be passed on to the purchaser instead of being borne by the utility. The Utility District shall design, print, and furnish to all appropriate utilities in the district the necessary forms for filing returns and instructions to ensure the full collection of the assessment. A utility who collects an assessment authorized by this act may deduct from the amount remitted to the Utility District a discount equal to the discount the State allows the utility for State sales and use tax. For the purpose of this act, a utility includes a government entity providing service, a cooperative, and any other utility. A utility shall have the same right to suspend or terminate service for nonpayment of the assessment that it has to suspend or terminate service for payment of any other part of the utility bill. A utility has no obligation to take any legal action to enforce the collection of assessments under this act. The county or the district may initiate a collection action in its name and reasonable costs and attorneys' fees may be awarded to the plaintiff.

Section 9.(c) Administration. The Utility District shall administer an assessment it levies under this act. An assessment authorized by this act is due and payable to the district finance officer in monthly installments on or before the last day of the month following the month in which the assessment accrues. Every person, firm, corporation, or association liable for the assessment shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the Utility District. The return shall state the total gross receipts derived in the preceding

month upon which the assessment is levied. A return filed with the district finance officer is not a public record and may not be disclosed except in accordance with G.S. 153A-148.1 as if the Utility District were a county. The Utility District may adopt a payment schedule keyed to the billing cycle of the utility collecting the assessment rather than the calendar month, as long as there are at least 12 billing cycles per year.

Section 9.(d) Penalties. A person, firm, corporation, or association who fails or refuses to file an assessment return or pay an assessment authorized by this act as required by law is subject to the civil and criminal penalties set by G.S. 105-236 for failure to pay or file a return for State sales and use taxes. The governing board of the Utility District has the same authority to waive the penalties for an assessment authorized by this act that the Secretary of Revenue has to waive the penalties for State sales and use taxes.

Section 9.(e) Increase, Repeal, or Reduction. An assessment levied by a district under this act may be increased not in excess of the maximum allowed by this act, repealed or reduced by a resolution adopted by the board of commissioners of the county, acting ex officio on behalf of the Utility District. Repeal or reduction of an assessment authorized by this act shall become effective on the first day of a month and may not be earlier than the first day of the third month after the date the resolution is adopted. Repeal or reduction of an assessment authorized by this act does not affect a liability for an assessment that was attached before the effective date of the repeal or reduction, nor does it affect a right to a refund of an assessment that accrued before the effective date of the repeal or reduction. In establishing the effective date, the board of commissioners shall consult with any utility that will be collecting the assessment to determine any administrative lead times that might be desirable.

Section 10. Interlocal Agreements. By interlocal agreement adopted under Chapter 160A of the General Statutes, a Utility District created under this act may contract with a municipality or county to handle assessment collections and fiscal control.

Section 11.(a) The district shall coordinate with affected utilities, municipalities, and the North Carolina Department of Transportation to facilitate acquisition of rights-of-way for burial of cable.

Section 11.(b) The undergrounding required by this act shall be a coordinated effort between the utility district and the affected electric, telephone, and cable television companies.

Section 12. The State Auditor may perform audits pursuant to Article 5A of Chapter 147 of the General Statutes to ensure that funds collected by or paid to the Utility District are being managed in accordance with the provisions of this act, and shall perform an audit at least every two years. The costs of the audit shall be reimbursed to the State Auditor by the Utility District.

Section 13. Sections 1.1 through 12 of this act apply to Dare County only.

Section 14. Sections 1.1 through 11 of S.L. 1999-127 are repealed.

Section 15. This act is effective when it becomes law.

NORTH CAROLINA GENERAL ASSEMBLY AMENDMENT

A BILL TO BE ENTITLED

AN ACT TO PERMIT THE CITY OF CHARLOTTE TO USE WHEEL LOCKS TO ENFORCE PARKING ORDINANCES.

The General Assembly of North Carolina enacts:

Section 1. Chapter VI, Subchapter A, Article II of the Charter of the City of Charlotte, being Chapter 713 of the 1965 Session Laws, is amended by adding a new section:

"Section 6.28. **Towing Penalties.** The Council may provide by ordinance that any vehicle that has been towed for a parking violation is to be held until the towing fee and penalties related to all outstanding parking tickets and penalties owed to the City are paid in full, or a bond is posted in the amount of the towing fee and all outstanding parking tickets and penalties. Payment of the towing fee and all outstanding parking tickets and penalties shall not constitute a waiver of a person's right to contest the towing or the outstanding parking tickets and penalties."

Section 2. Chapter VI, Subchapter A, Article II of the Charter of the City of Charlotte, being Chapter 713 of the 1965 Session Laws, is amended by adding a new section:

"Section 6.29. **Wheel Locks Permitted.** The Council may provide by ordinance for the use of wheel locks on illegally parked vehicles for which there are three or more outstanding, unpaid, and overdue parking tickets for a period of 90 days. The ordinance shall provide for notice or warning to be affixed to the vehicle,

immobilization, towing, impoundment, appeal hearing, an immobilization fee not to exceed fifty dollars ($50.00), and charges for towing and storage. The City shall not be responsible for any damage to an immobilized illegally parked vehicle resulting from unauthorized attempts to free or move that vehicle."

Section 3. If Senate Bill 1391 or House Bill 1667, 1999 Session, becomes law, then Section 6.11 of the City of Charlotte, as enacted by Senate Bill 1391 or House Bill 1667, reads as rewritten:

"Section 6.11. **Parking Regulations and Violations.** (a) The Council may provide by ordinance that each hour a vehicle remains illegally parked in an on-street parking space is a separate offense, and the violator may be given a ticket for each offense.

(b) The Council may provide by ordinance that any vehicle that has been towed for a parking violation is to be held until the towing fee ~~and any related parking tickets and penalties are paid in full, or a bond is posted in the amount of the towing fee and any related parking tickets and penalties. Payment of the towing fee and any related parking tickets and penalties or posting of a bond shall not constitute a waiver of a person's right to contest the towing or any related parking tickets and penalties.~~ and penalties related to all outstanding parking tickets and penalties owed to the City are paid in full, or a bond is posted in the amount of the towing fee and all outstanding parking tickets and penalties. Payment of the towing fee and all outstanding parking tickets and penalties shall not constitute a waiver of a person's right to contest the towing or the outstanding parking tickets and penalties.

(c) The Council may provide by ordinance for the use of wheel locks on illegally parked vehicles for which there are three or more outstanding, unpaid, and overdue parking tickets for a period of 90 days. The ordinance shall provide for notice or warning to be affixed to the vehicle, immobilization, towing, impoundment, appeal hearing, an immobilization fee not to exceed fifty dollars ($50.00), and charges for towing and storage. The City shall not be responsible for any damage to an immobilized illegally parked vehicle resulting from unauthorized attempts to free or move that vehicle."

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE CITY OF MOUNT HOLLY TO ENTER INTO AN ANNEXATION AGREEMENT.

The General Assembly of North Carolina enacts:

Section 1. Notwithstanding any applicable provisions of the General Statutes or any other public or local law, the City of Mount Holly is granted certain contract powers as follows:

(1) The City of Mount Holly may, by agreement with the property owner, provide that certain property described in the agreement as the "Riverbend Steam Station Property" and as the "Mountain Island Power House and Dam" (excluding such portion of the dam as may lie in Mecklenburg County) may be voluntarily annexed by the City as set forth in the agreement, and the agreement may provide that, notwithstanding G.S. 160A-31(d) the effective date of such annexation is June 30, 2014. The City of Mount Holly shall not seek the repeal of this act.

(2) Any agreement entered into as provided in subdivision (1) of this section is deemed by this act to be proprietary and commercial in nature and is specifically determined to be consistent with the public policy of the State of North Carolina.

(3) Any agreement entered into as provided in subdivision (1) of this section is a continuing agreement and is binding on and enforceable against the current and future members of the City

Council of the City of Mount Holly during the full term of such agreement and any extension thereof.

(4) The parties to any agreement entered into as provided in subdivision (1) of this section may modify, amend, and extend such agreement on mutual written consent, without the approval of the General Assembly, provided that any such modification or amendment does not materially alter the concept of the agreement.

Section 2. The City of Mount Holly may accept, as consideration for such agreement, such monetary and nonmonetary consideration as may be set forth in said agreement.

Section 3. The agreement under Section 1 of this act allowing for the effective date of such annexation to be June 30, 2014, shall apply to the property as described as follows:

MINUTES
HOUSE COMMITTEE ON FINANCE

Monday, June 26, 2000

The House Committee on Finance met on Monday, June 26, 2000 in Room 544 of the Legislative Office Building at 4:00 p.m. The following members were present: Chairs Allen, Luebke and Miller; Vice Chairs Jarrell; Representatives Bridgeman, Brown, Buchanan, Capps, Cox Creech, Decker, Dedmon, Eddins, Edwards, Ford, Gibson, Goodwin, Gray, Hackney, Haire, Hill, McCombs, Pope, Rayfield, Tucker, Weiss, and Wilson. Staff including Cindy Avrette, Richard Bostic, Mary Shuping; Eugene Son and Rebekah Butler, Interns; were in attendance. A visitor Registration List is attached and made a part of these minutes.

Chair Luebke called the meeting to order. Chair Leubke recognized the pages and Sergeant-at-Arms staff and commented briefly on the agenda and proceeded to consider the following bills:

Rep. Miller was recognized to explain HB 1049, A BILL TO BE ENTITLED AN ACT AMENDING THE LAWS RELATED TO THE LICENSURE OF PHYSICIANS IN THIS STATE. Chair Luebke noted that the bill was being heard for discussion only. Rep. Miller sent forth an amendment. Cindy was recognized to explain the amendment. Ms. Avrette stated that the amendment would raise the annual registration fee from not more than $100 to an amount not more than $125. Ms. Avrette noted that the amendment would change the criminal statutes to make practicing without license a Class J felony. Rep. Miller made a motion to adopt the amendment.

Andy Wautry, Executive Director of the North Carolina Medical Board, was recognized to speak on the bill. Mr. Wautry stated that the board never meant to challenge alternative medical practitioners. Mr. Wautry noted that the intent of this bill was to regulate the practice of medicine through the physicians that they license. Mr. Wautry stated that the board supports Rep. Miller's amendment and would support a study committee on this subject.

Rep. Wilson questioned Mr. Wautry as to how many people have been convicted under the current law. Mr. Wautry stated that they did not track prosecutions because the board only has authority over those physicians they license. Mr. Wautry noted that they refer allegations to the State Attorney General" office who refers them to local district attorneys. Mr. Wautry noted that there have only been three or four prosecutions over the past five years.

Rep. Cox asked if there was any opposition to the amendment. There was none. The motion to adopt Rep. Miller's amendment passed. A copy of the bill, amendment and fiscal noted included in the minutes.

Dr. Maurice Werness was recognized to speak on the bill. Dr. Werness stated that naturopathic physicians are required to attend a four-year school that certifies all medical schools in this country. Dr. Werness noted that whereas traditional physicians utilize drugs in their treatment naturopathic physicians depend on diet and nutrients.

Barbara Earls was recognized to speak on the bill. Ms. Earls related a personal story regarding her experience with her homeopathic physician. Ms. Earls supports a patient's right to select their health care provider.

Julie Ensley was recognized to speak on the bill. Ms. Ensley, certified homeopath, stated that she supports freedom to select health care providers. Ms. Ensley recognized several boards that are working to license homeopathic practices. Ms. Ensley noted that homeopathic physicians work in conjunction with traditional physicians.

Dr. Marty Sullivan was recognized to speak on the bill. Dr. Sullivan an Associate Professor of Medicine at Duke University Medical Center, stated that the way the legislature handles this issue will set the tone for health care in North Carolina. Dr. Sullivan noted that it is important to integrate the various forms of health care if they are licensed first.

Dr. Douglas Mann was recognized to speak on the bill. Dr. Mann, Professor of Neurology at the University of North Carolina, stated that the University could serve as a resource to a future study commission on this subject. Dr. Mann noted his support for future certification of practitioners in these fields.

Dr. Crystal McLaughlin was recognized to speak on the bill. Dr. McLaughlin, Naturopathic Physician, state that naturopathic physicians want to work in conjunction with traditional physicians and not exclusive of them. Dr. McLaughlin related a story regarding cross-referencing of patients with a traditional physician.

Chair Luebke stated that the bill would be re-scheduled for Wednesday, June 28, 2000.

There being no further business, the meeting was adjourned at 4:45 p.m.

Respectfully submitted:

Representative Paul Luebke

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1999

HOUSE BILL 1049
Second Edition Engrossed 4/27/99

Short Title: Physician Licensure. (Public)

Sponsors: Representative Miller.

Referred to: Select Committee on Health Care Delivery.

April 14, 1999

A BILL TO BE ENTITLED

AN ACT AMENDING THE LAWS RELATED TO THE LICENSURE OF PHYSICIANS IN THIS STATE.

The General Assembly of North Carolina enacts:

Section 1. G.S. 90-5 reads as rewritten:

"**§ 90-5. Meetings of Board.**

The North Carolina Medical Board shall assemble at least once in every year in the City of ~~Raleigh, and shall remain in session from day to day until all applicants who may present themselves for examination within the first two days of this meeting have been examined and disposed of; other~~ Raleigh. Other meetings in each year may be held at some suitable point in the State if deemed advisable."

Section 2. G.S. 90-9 reads as rewritten:

"**§ 90-9. Examination for license; scope; conditions and prerequisites.**

It is the duty of the North Carolina Medical Board to examine for license to practice medicine or surgery, or any of the branches thereof, ~~every applicant who complies with the following provisions: the applicant shall, before admittance to examination, satisfy the Board of possession of academic education equal to the entrance requirements of the University of North Carolina, or furnish a certificate from the superintendent of public instruction of the county that the applicant has passed an examination upon literary attainments to meet the requirements of entrance in the regular course of the State University. The applicant shall exhibit a diploma or furnish satisfactory proof of graduation from a medical college or an osteopathic college approved by the American Osteopathic Association at the time of~~

~~graduation, dated from January 1, 1960, to the present, and whose medical and osteopathic schools shall require an attendance of not less than four years or for a lesser period of time approved by the Board, and supply these facilities for clinical and scientific instruction as meet the approval of the Board. An applicant shall have graduated from a medical college approved by the Liaison Commission on Medical Education or osteopathic college that has been approved by the American Osteopathic Association; or, if graduated from any other medical or osteopathic college, the applicant shall be enrolled in a graduate medical education and training program in North Carolina that has been approved by the Board. An applicant who has graduated from a medical college not approved by the Liaison Commission on Medical Education or osteopathic college that has not been approved by the American Osteopathic Association and who has not enrolled in a graduate medical education and training program in North Carolina which has been approved by the Board shall satisfy the Board that the applicant has successfully completed three years of graduate medical education in a training program approved by the Board.~~ applicants for a medical license who meet eligibility requirements as provided by Board rules. The Board may contract for the design of, application for, and administration of the licensing examination through the Federation of State Medical Boards of the U.S., Inc., its successor organization, or another organization approved by the Board. No applicant from a medical or osteopathic college that has been disapproved by the Board is eligible to take the examination.

The examination shall cover the branches of medical science and subjects which the Board considers necessary to determine competence to practice medicine. The Board may divide the examination into parts or components.

The Board shall grant the applicant a license authorizing the applicant to practice medicine in any of its branches if the Board determines that the applicant has successfully passed the examination, is of good moral character, satisfies the requirements of the Board's rules, and ~~is:~~ is one of the following:

(1) ~~a~~ A graduate of a medical college approved by the Liaison Commission on Medical Education or an osteopathic college approved by the American Osteopathic Association and has successfully completed one year of training in a medical education program approved by the Board after graduation from medical ~~school;~~ school.

(2) ~~a~~ A graduate of a medical college approved by the Liaison Commission on Medical Education or an osteopathic college approved by the American Osteopathic Association, is a dentist licensed to practice dentistry under Article 2 of Chapter 90 of the General Statutes, and has been certified by the American Board of Oral and Maxillofacial Surgery after having completed a residency in an Oral and Maxillofacial Surgery Residency Program approved by the Board before completion of medical ~~school; or~~ school.

(3) ~~a~~ A graduate of a medical college that has not been approved by the Liaison Commission on Medical Education or an osteopathic

college that has not been approved by the American Osteopathic Association and has successfully completed three years of training in a medical education program approved by the Board after graduation from medical school.

~~Applicants shall be examined by number only; names and other identifying information shall not appear on examination papers.~~"

Section 3. G.S. 90-14 reads as rewritten:

"**§ 90-14. Revocation, suspension, annulment or denial of license.**

(a) The Board shall have the power to deny, annul, suspend, or revoke a license, or other authority to practice medicine in this State, issued by the Board to any person who has been found by the Board to have committed any of the following acts or conduct, or for any of the following reasons:

(1) Immoral or dishonorable conduct.

(2) Producing or attempting to produce an abortion contrary to law.

(3) Made false statements or representations to the Board, or who has willfully concealed from the Board material information in connection with an application for a license.

(4) Repealed by Session Laws 1977, c. 838, s. 3.

(5) Being unable to practice medicine with reasonable skill and safety to patients by reason of illness, drunkenness, excessive use of alcohol, drugs, chemicals, or any other type of material or by reason of any physical or mental abnormality. The Board is empowered and authorized to require a physician licensed by it to submit to a mental or physical examination by physicians designated by the Board before or after charges may be presented against the physician, and the results of the examination shall be admissible in evidence in a hearing before the Board.

(6) Unprofessional conduct, including, but not limited to, departure from, or the failure to conform to, the standards of acceptable and prevailing medical practice, or the ethics of the medical profession, irrespective of whether or not a patient is injured thereby, or the committing of any act contrary to honesty, justice, or good morals, whether the same is committed in the course of the physician's practice or otherwise, and whether committed within or without North Carolina. The Board shall not revoke the license of or deny a license to a person solely because of that person's practice of a therapy that is experimental, nontraditional, or that departs from acceptable and prevailing medical practices unless, by competent evidence, the Board can establish that the treatment has a safety risk greater than the prevailing treatment or that the treatment is generally not effective.

(7) Conviction in any court of a crime involving moral turpitude, or the violation of a law involving the practice of medicine, or a

conviction of a felony; provided that a felony conviction shall be treated as provided in subsection (c) of this section.

(8) By false representations has obtained or attempted to obtain practice, money or anything of value.

(9) Has advertised or publicly professed to treat human ailments under a system or school of treatment or practice other than that for which the physician has been educated.

(10) Adjudication of mental incompetency, which shall automatically suspend a license unless the Board orders otherwise.

(11) Lack of professional competence to practice medicine with a reasonable degree of skill and safety for patients. In this connection the Board may consider repeated acts of a physician indicating the physician's failure to properly treat a patient. The Board may, upon reasonable grounds, require a physician to submit to inquiries or examinations, written or oral, by members of the Board or by other physicians licensed to practice medicine in this State, as the Board deems necessary to determine the professional qualifications of such licensee.

(12) Promotion of the sale of drugs, devices, appliances or goods for a patient, or providing services to a patient, in such a manner as to exploit the patient, and upon a finding of the exploitation, the Board may order restitution be made to the payer of the bill, whether the patient or the insurer, by the physician; provided that a determination of the amount of restitution shall be based on credible testimony in the record.

(13) Having a license to practice medicine or the authority to practice medicine revoked, suspended, restricted, or acted against or having a license to practice medicine denied by the licensing authority of any jurisdiction. For purposes of this subdivision, the licensing authority's acceptance of a license to practice medicine voluntarily relinquished by a physician or relinquished by stipulation, consent order, or other settlement in response to or in anticipation of the filing of administrative charges against the physician's license, is an action against a license to practice medicine.

(14) The failure to respond, within a reasonable period of time and in a reasonable manner as determined by the Board, to inquiries from the Board concerning any matter affecting the license to practice medicine.

(15) The failure to complete an amount not to exceed 150 hours of continuing medical education during any three consecutive calendar years pursuant to rules adopted by the Board.

(16) Aiding in the unlicensed practice of medicine.

(17) Allowing another person or organization to use a license issued by the Board.

(18) The repeated prescribing of controlled substances for personal or family use.
(19) Fee splitting.
(20) Failure to report to the Board disciplinary action in another state.
(21) Failure to make copies of patient records available to another physician when legally requested to do so.

For any of the foregoing reasons, the Board may deny the issuance of a license to an applicant or revoke a license issued to a physician, may suspend such a license for a period of time, and may impose conditions upon the continued practice after such period of suspension as the Board may deem advisable, may limit the accused physician's practice of medicine with respect to the extent, nature or location of the physician's practice as the Board deems advisable. The Board may, in its discretion and upon such terms and conditions and for such period of time as it may prescribe, restore a license so revoked or rescinded, except that no license that has been revoked shall be restored for a period of two years following the date of revocation. In addition to and in conjunction with the actions described above, the Board may make a finding adverse to a licensee or applicant but withhold imposition of judgment and penalty or it may impose judgment and penalty but suspend enforcement thereof and place the licensee on probation, which probation may be vacated upon noncompliance with such reasonable terms as the Board may impose. The Board may administer a public or private reprimand or a private letter of concern and the private reprimand and private letter of concern shall not require a hearing in accordance with G.S. 90-14.2 and shall not be disclosed to any person except the licensee. The Board may require a licensee to: (i) make specific redress or monetary redress; (ii) provide free public or charity service; (iii) complete educational, remedial training, or treatment programs; (iv) pay a fine; and (v) reimburse the Board for disciplinary costs.

(b) The Board ~~shall~~ may refer to the ~~State Medical Society Physician Health and Effectiveness Committee all physicians~~ North Carolina Physicians Health Program any physician or physician assistant whose health and effectiveness have been significantly impaired by alcohol, drug addiction or mental illness.

(c) A felony conviction shall result in the automatic revocation of a license issued by the Board, unless the Board orders otherwise or receives a request for a hearing from the person within 60 days of receiving notice from the Board, after the conviction, of the provisions of this subsection. If the Board receives a timely request for a hearing in such a case, the provisions of G.S. 90-14.2 shall be followed.

(d) The Board and its members and staff may release confidential or nonpublic information to any health care licensure board in this State or another state about the issuance, denial, annulment, suspension, or revocation of a license, or the voluntary surrender of a license by a Board-licensed physician, including the reasons for the action, or an investigative report made by the Board. ~~The Board shall notify the physician within 60 days after the information is transmitted. A summary of the information that is being transmitted shall be furnished to the physician. If the physician requests, in writing, within 30 days after being notified that such~~

~~information has been transmitted, he shall be furnished a copy of all information so transmitted. The notice or copies of the information shall not be provided if the information relates to an ongoing criminal investigation by any law enforcement agency, or authorized Department of Health and Human Services personnel with enforcement or investigative responsibilities.~~

(e) The Board and its members and staff shall not be held liable in any civil or criminal proceeding for exercising, in good faith, the powers and duties authorized by law.

(f) A person, partnership, firm, corporation, association, authority, or other entity shall be immune from civil and criminal liability for (i) reporting or investigating the acts or omissions of a licensee or applicant that violate the provisions of subsection (a) of this section or any other provision of law relating to the fitness of a licensee or applicant to practice medicine and (ii) initiating or conducting proceedings against a licensee or applicant if a complaint is made or action is taken in good faith without fraud or malice. Any person who testifies before the Board in good faith and without fraud or malice in any proceeding involving a violation of subsection (a) of this section or any other law relating to the fitness of an applicant or licensee to practice medicine, or who makes a recommendation to the Board in the nature of peer review, shall be immune from civil and criminal liability."

Section 4. G.S. 90-15.1 reads as rewritten:

"**§ 90-15.1. Registration every year with Board.**

Every person licensed to practice medicine by the North Carolina Medical Board shall register annually with the Board within 30 days of the person's birthday. A person who registers with the Board shall report to the Board the person's name and office and residence address and any other information required by the Board, and shall pay a registration fee fixed by the Board not in excess of ~~one hundred dollars ($100.00).~~ one hundred twenty-five dollars ($125.00). A physician who is not actively engaged in the practice of medicine in North Carolina and who does not wish to register the license may direct the Board to place the license on inactive status. For purposes of annual registration, the Board shall use a simplified registration form which allows registrants to confirm information on file with the Board. A physician who fails to register as required by this section shall pay an additional fee of twenty dollars ($20.00) to the Board. The license of any physician who fails to register and who remains unregistered for a period of 30 days after certified notice of the failure is automatically inactive. A person whose license is inactive shall not practice medicine in North Carolina nor be required to pay the annual registration fee. Upon payment of all accumulated fees and penalties, the license of the physician may be reinstated, subject to the Board requiring the physician to appear before the Board for an interview and to comply with other licensing requirements. The penalty may not exceed the maximum fee for a license under G.S. 90-13."

Section 5. G.S. 90-18 reads as rewritten:

"**§ 90-18. Practicing without license; practicing defined; penalties.**

(a) No person shall practice medicine or surgery, or any of the branches thereof, nor in any case prescribe for the cure of diseases unless the person shall have been

first licensed and registered so to do in the manner provided in this Article, and if any person shall practice medicine or surgery without being duly licensed and registered, as provided in this Article, the person shall not be allowed to maintain any action to collect any fee for such services. The person so practicing without license shall be guilty of a Class ~~1 misdemeanor.~~ I felony.

(b) Any person shall be regarded as practicing medicine or surgery within the meaning of this Article who shall diagnose or attempt to diagnose, treat or attempt to treat, operate or attempt to operate on, or prescribe for or administer to, or profess to treat any human ailment, physical or mental, or any physical injury to or deformity of another person. A person who resides in any state and who, by use of any electronic or other mediums, performs any of the acts described in this subsection shall be regarded as practicing medicine or surgery and shall be subject to the provisions of this Article and appropriate regulation by the North Carolina Medical Board. Any person who has graduated from a medical college or osteopathic college in accordance with G.S. 90-9 and who performs medical precertification, utilization review, or evaluation of the medical management of a patient and the use of resources for patient care shall be regarded as practicing medicine within the meaning of this Article.

(c) The following shall not constitute practicing medicine or surgery as defined in subsection (b) of this section:

(1) The administration of domestic or family remedies in cases of emergency.

(2) The practice of dentistry by any legally licensed dentist engaged in the practice of dentistry and dental surgery.

(3) The practice of pharmacy by any legally licensed pharmacist engaged in the practice of pharmacy.

(4) The practice of medicine and surgery by any surgeon or physician of the United States army, navy, or public health service in the discharge of his official duties.

(5) The treatment of the sick or suffering by mental or spiritual means without the use of any drugs or other material means.

(6) The practice of optometry by any legally licensed optometrist engaged in the practice of optometry.

(7) The practice of midwifery as defined in G.S. 90-178.2.

(8) The practice of chiropody by any legally licensed chiropodist when engaged in the practice of chiropody, and without the use of any drug.

(9) The practice of osteopathy by any legally licensed osteopath when engaged in the practice of osteopathy as defined by law, and especially G.S. 90-129.

(10) The practice of chiropractic by any legally licensed chiropractor when engaged in the practice of chiropractic as defined by law, and without the use of any drug or surgery.

(11) The practice of medicine or surgery by any nonregistered reputable physician or surgeon who comes into this State, either in person or by use of any electronic or other mediums, on an irregular basis, to consult with a resident registered physician or to consult with personnel at a medical school about educational or medical training. This proviso shall not apply to physicians resident in a neighboring state and regularly practicing in this State.

(12) Any person practicing radiology as hereinafter defined shall be deemed to be engaged in the practice of medicine within the meaning of this Article. 'Radiology' shall be defined as, that method of medical practice in which demonstration and examination of the normal and abnormal structures, parts or functions of the human body are made by use of X ray. Any person shall be regarded as engaged in the practice of radiology who makes or offers to make, for a consideration, a demonstration or examination of a human being or a part or parts of a human body by means of fluoroscopic exhibition or by the shadow imagery registered with photographic materials and the use of X rays; or holds himself out to diagnose or able to make or makes any interpretation or explanation by word of mouth, writing or otherwise of the meaning of such fluoroscopic or registered shadow imagery of any part of the human body by use of X rays; or who treats any disease or condition of the human body by the application of X rays or radium. Nothing in this subdivision shall prevent the practice of radiology by any person licensed under the provisions of Articles 2, 7, 8, and 12A of this Chapter.

(13) The performance of any medical acts, tasks, and functions by a licensed physician assistant at the direction or under the supervision of a physician in accordance with rules adopted by the Board. This subdivision shall not limit or prevent any physician from delegating to a qualified person any acts, tasks, and functions that are otherwise permitted by law or established by custom. The Board shall authorize physician assistants licensed in this State or another state to perform specific medical acts, tasks, and functions during a disaster.

(14) The practice of nursing by a registered nurse engaged in the practice of nursing and the performance of acts otherwise constituting medical practice by a registered nurse when performed in accordance with rules and regulations developed by a joint subcommittee of the North Carolina Medical Board and the Board of Nursing and adopted by both boards.

(15) The practice of dietetics/nutrition by a licensed dietitian/nutritionist under the provisions of Article 25 of this Chapter.

(16) The practice of acupuncture by a licensed acupuncturist in accordance with the provisions of Article 30 of this Chapter."

Section 6. G.S. 90-18.1 is amended by adding the following new subsection:

"(g) The provisions of G.S. 90-14 shall apply to physician assistants."

Section 7. This act is effective when it becomes law.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: North Carolina Medical Board, Administrative Office of the Courts (AOC)

EFFECTIVE DATE: The bill is effective when it becomes law.

BILL SUMMARY: The bill amends various laws pertaining to the licensure of physicians. Included in the changes is an amendment to raise the annual registration fee from not more than $100 to an amount not more than $125. The bill also changes the criminal statutes to make practicing without license a Class J felony.

ASSUMPTIONS AND METHODOLOGY:

Fee Increase

Section 4 of the bill increases the annual registration fee for physicians from $100 to $125. There are currently 28,735 physicians licensed in North Carolina. This number includes 19,638 doctors living in the state and 9,097 living outside the state. Staff of the North Carolina Medical Board estimates that the number of physicians licensed in the state increases 2% a year. The chart

below shows the projected five-year growth in physicians and the increased revenue from the $25 fee increase.

	FY 1999-00	FY 2000-01	FY 2001-02	FY 2002-03	FY 2003-04	FY 2004-05
Licenses	28,735	29,310	29,896	30,494	31,104	31,726
Fee Increase		$732,743	$747,397	$762,345	$777,592	$793,144

For 1999, the Medical Board's operating expenditures exceeded operating revenues by $52,709. The Board's 1999 budget was balanced with interest income from its cash reserves. As of October 31, 1999, the Medical Board had a total fund balance of $5,543,290 designated as follows:

Designated for litigation	$700,000
Designated for capital purchases	$43,359
Designated for building	$600,000
Undesignated	$4,199,931
Total Fund Balance	$5,543,290

The unrestricted, undesignated fund balance of $4.2 million equals 84.7% of the Medical Board's 1999 operating budget. The Board plans to use part of the increased revenue for additional investigators and attorneys.

Judicial/Corrections

Section 5 of the bill amends G.S. 90-18 to elevate the unlicensed practice of "medicine or surgery, or any branch thereof" to a Class I felony. Under current law, the unlicensed practice of medicine is a Class 1 misdemeanor. The Administrative Office of the Courts (AOC) data does not indicate the number of defendants who might be charged with the more serious felony offense pursuant to the bill, but the AOC does not anticipate a large number of such charges. Additionally, the impact on the court system would be lessened by the fact that misdemeanor violations of G.S. 90-18 are already handled in superior court.

The bill also adds performance of medical precertification, utilization review, or evaluation of medical management of a patient by a medical graduate as "practicing medicine." Though broadening the definition of "practicing medicine" could mean an increase in Class I felony offenses, AOC is unable to estimate the extent to which broadening this definition would impact the courts.

Since this offense appears to infrequently result in charges and/or convictions and since the proposed bill increases the penalty to a Class I felony, the Sentencing and Policy Advisory Commission estimates that it will have no significant impact on prison populations.

TECHNICAL CONSIDERATIONS:

Based an opinion by the Attorney General in 1992, the AOC believes that the acts covered by amended 90-18 (b) do not constitute the "practice of medicine." The amendment states that a person who has graduated from a medical or osteopathic college and who performs certain acts, such as utilization review, shall be regarded as "practicing medicine." Clearly then, the performance of those acts by a graduate without a license would now constitute a felony.

However, the amendment is not clear with regard to whether or not the performance of those acts by someone who is not a medical or osteopathic college graduate would be the practice of medicine.

HOUSE COMMITTEE ON FINANCE

Tuesday, June 27, 2000

The House Committee on Finance met on Tuesday, June 27, 2000 in Room 544 of the Legislative Office Building at 8:30 a.m. The following members were present: Chairs Allen, Luebke and Miller; Vice Chairs Jarrell and Wood; Representatives Bridgeman, Brown, Buchanan, Capps, Cox, Decker, Dedmon, Eddins, Edwards, Ford, Gibson, Goodwin, Gray, Hackney, Haire, Hill, McComas, McCombs, Morris, Pope, Rayfield, Starnes, Weiss, Wilson, and Womble. Staff including Cindy Avrette, Richard Bostic, Mary Shuping; Eugene Son and Rebekah Butler, Interns; were in attendance. A Visitor Registration List is attached and made a part of these minutes.

Chair Miller called the meeting to order. Chair Miller recognized the pages and Sargent-at-Arms staff and commented briefly on the agenda and proceeded to consider the following bills:

Senator Kerr was recognized to explain SB 1381, A BILL TO BE ENTITLED AN ACT TO REALLOCATE THE PROCEEDS OF THE CLEAN WATER BONDS. Rep. Allen made a motion to give the bill a favorable report. Chair Miller questioned whether any loans have already been made. Senator Kerr replied that around $20 million in loans have been made. Chair Miller questioned if any problems would arise from the recipients of those loans wanting grants instead. Senator Kerr noted that he believes that would not pose a problem. Bill Holman, Secretary of Environment and Natural Resources, was recognized to speak on the bill. Secretary Holman explained the application process regarding the Clean Water Revolving Loan Funds. There being no further questions, the vote was taken. The motion passed. A copy of the bill, bill analysis, and fiscal note included in the minutes.

Senator Kerr was recognized to explain SB 1477, A BILL TO BE ENTITLED AN ACT TO PROVIDE FOR A NEW, SUSTAINABLY DESIGNED, STATE OFFICE BUILDING AND WILDLIFE EDUCATION CENTER WITH RELATED PARKING FACILITIES, TO BE USED BY THE WILDLIFE RESOURCES COMMISSION, PURSUANT TO AN INSTALLMENT FINANCING CONTRACT IN A PRINCIPAL AMOUNT NOT TO EXCEED THIRTEEN MILLION FIVE HUNDRED THOUSAND DOLLARS, AND TO PROVIDE FOR A NEW EASTERN WILDLIFE EDUCATION CENTER WITH RELATED PARKING FACILITIES, TO BE ADMINISTERED BY THE WILDLIFE RESOURCES COMMISSION, PURSUANT TO AN INSTALLMENT FINANCING CONTRACT IN A PRINCIPAL AMOUNT NOT TO EXCEED FOUR MILLION DOLLARS. Rep. Hackney questioned whether this bill was connected to proposed legislation regarding canoeist-having access to rivers. Dick Hamilton, Assistant Director of the Wildlife Commission, was recognized to speak on the bill. Mr. Hamilton noted that there was a bill in the Transportation Commission. Mr. Hamilton noted that the two bills were not connected. Chair Miller questioned whether boaters had to pay to access the boat ramps. Mr. Hamilton said that all motorboats have to be registered and the fee to access these ramps are derived from the registration fee. Rep. Goodwin made a motion to give the bill a favorable report. Rep. Haire asked what the fee for canoeist would be. Mr. Hamilton replied that the fee would be $5. Rep. Haire asked if this would apply to white water rafting. Mr. Hamilton replied it would be the same. Chair Miller asked if these people could register their watercraft for $25 for three years instead of paying

$5 per visit. Mr. Hamilton said yes. Rep. Gray questioned how much money was in the Wildlife Resources Fund. Mr. Hamilton noted that there was $11 million in the Wildlife Resources Fund and $40 million in the Wildlife Endowment Fund. Rep. Gray asked if you could invade these funds to build buildings. Mr. Hamilton said that a change in the law would be required in order to access the Wildlife Endowment Fund but that the Wildlife Resources Fund could be used in emergency uses as operating reserve. Rep. Hackney asked if the bill could be displaced until the two parties could get together and resolve the differences between these two bills. Rep. Hackney made a motion to displace this bill until tomorrow. The motion passed. A copy of the bill included in the minutes.

Rep. Mitchell recognized to explain HB 1508, A BILL TO BE ENTITLED AN ACT TO ELIMINATE THE FINGERPRINTING REQUIREMENT FOR RENEWAL OF A CONCEALED HANDGUN PERMIT WHERE DOING SO WOULD NOT IMPEDE CRIMINAL RECORD UPDATES; TO DECREASE THE FEE FOR RENEWAL OF A CONCEALED HANDGUN PERMIT; AND TO CLARIFY THAT THE RELEASE FORM SUBMITTED FOR A CONCEALED HANDGUN APPLICANTS MENTAL HEALTH RECORDS MAY BE AN ORIGINAL OR PHOTOCOPIED FORM. Rep. Gibson made a motion to give the bill a favorable report. The motion passed. A copy of the bill, bill analysis and fiscal note included in the minutes.

Senator Dalton was recognized to explain SB 897, A BILL TO BE ENTITLED AN ACT TO PROVIDE TITLE PROTECTION FOR THE SAFETY PROFESSION. Chair Miller sent forth a technical amendment. Rep. Goodwin made a motion to roll the amendment into a Proposed Committee Substitute and give the Proposed Committee Substitute a favorable report and give the original bill an unfavorable report. The motion passed. A copy of the bill, amendment, Proposed Committee Substitute, bill analysis, and fiscal note included in the minutes.

Rep. Gibson was recognized to explain HB 1639, A BILL TO BE ENTITLED AN ACT TO CREATE A TAX INCENTIVE FOR THE REDEVELOPMENT OF BROWNFIELDS PROPERTIES, AS RECOMMENDED BY THE ENVIRONMENTAL REVIEW COMMISSION. Rep. Gibson sent forth a technical amendment. Staff was recognized to explain the amendment. Rep. Gibson made a motion to roll in the amendment and adopt a Proposed Committee Substitute. The motion passed. Rep. Womble sent forth an amendment. Rep. Gibson made a motion to roll in this amendment and adopt a Proposed Committee Substitute. The motion passed. Rep. Gibson made a motion to give the Proposed Committee Substitute a favorable report and give the original bill an unfavorable report. The motion passed. A copy of the bill, both amendments, Proposed Committee Substitute, bill analysis, and fiscal note included in the minutes.

Senator Clodfelter was recognized to explain SB 1152, A BILL TO BE ENTITLED AN ACT AUTHORIZING CITIES WITH A POPULATION OF MORE THAN TWO HUNDRED THOUSAND, THE CITIES OF WINSTON-SALEM, STATESVILLE, HIGH POINT, THOMASVILLE, MOORESVILLE, HAMLET, LEXINGTON, AND TROUTMAN TO DEMOLISH AND REMOVE CERTAIN NONRESIDENTIAL BUILDINGS AND STRUCTURES TO ENHANCE ECONOMIC DEVELOPMENT EFFORTS. Rep. Hill made a motion to adopt the Proposed Committee Substitute for discussion. The motion passed. Rep. Morris made a motion to give the Proposed Committee Substitute a favorable report and give the original bill an unfavorable

report. The motion passed. A copy of the bill, Proposed Committee Substitute, and bill analysis included in the minutes.

Senator Dalton was recognized to explain SB 1318, A BILL TO BE ENTITLED AN ACT TO PROVIDE THAT AN ENTERPRISE TIER TWO AREA MAY NOT BE REDESIGNATED AS A HIGHER-NUMBERED TIER AREA UNTIL IT HAS BEEN AN ENTERPRISE TIER TWO AREA FOR TWO CONSECUTIVE YEARS. Rep. Dedmon made a motion to give the bill a favorable report. The motion passed. A copy of the bill, bill analysis and fiscal note included in the minutes.

Staff was recognized to explain SB 1293, A BILL TO BE ENTITLED AN ACT TO MODIFY THE TAX LIMIT FOR THE TOWN OF BADIN. Rep. Womble made a motion to give the bill a favorable report. The motion passed. A copy of the bill included in the minutes.

There being no further business, the Chair adjourned the meeting at 9:56 a.m.

Respectfully submitted:

Representative George Miller

A BILL TO BE ENTITLED

AN ACT TO ELIMINATE THE FINGERPRINTING REQUIREMENT FOR RENEWAL OF A CONCEALED HANDGUN PERMIT WHERE DOING SO WOULD NOT IMPEDE CRIMINAL RECORD UPDATES; TO DECREASE THE FEE FOR RENEWAL OF A CONCEALED HANDGUN PERMIT; AND TO CLARIFY THAT THE RELEASE FORM SUBMITTED FOR A CONCEALED HANDGUN APPLICANT'S MENTAL HEALTH RECORDS MAY BE AN ORIGINAL OR PHOTOCOPIED FORM.

The General Assembly of North Carolina enacts:

Section 1. G.S. 14-415.16 reads as rewritten:

"**§ 14-415.16. Renewal of permit.**

The holder of a permit shall apply to renew the permit at least 30 days prior to its expiration date by filing with the sheriff of the county in which the person resides a renewal form provided by the sheriff's office, a notarized affidavit stating that the permittee remains qualified under the criteria provided in this Article, a newly administered full set of the permittee's fingerprints, and a renewal fee. Upon receipt of the completed renewal application, including the permittee's fingerprints, and the appropriate payment of fees, the sheriff shall determine if the permittee remains qualified to hold a permit in accordance with the provisions of G.S. 14-415.12. The permittee's criminal history shall be updated, and the sheriff may waive the requirement of taking another firearms safety and training course. If the permittee applies for a renewal of the permit within 30 days of its expiration date and if the permittee remains qualified to have a permit under G.S. 14-415.12, the sheriff shall

renew the permit. No fingerprints shall be required for a renewal permit if the applicant's fingerprints were submitted to the State Bureau of Investigation after June 30, 2001, on the Automated Fingerprint Information System (AFIS) as prescribed by the State Bureau of Investigation."

Section 2. G.S. 14-415.19 reads as rewritten:

"**§ 14-415.19. Fees.**

(a) The permit fees assessed under this Article are payable to the sheriff. The sheriff shall transmit the proceeds of these fees to the county finance officer to be remitted or credited by the county finance officer in accordance with the provisions of this subsection. The permit fees are as follows:

Application fee.....	$80.00
Renewal fee.....	~~$80.00~~ $75.00
Duplicate permit fee.....	$15.00

The county finance officer shall remit forty-five dollars ($45.00) of each new application fee ~~or~~ and forty dollars ($40.00) of each renewal fee to the North Carolina Department of Justice for the costs of State and federal criminal record checks performed in connection with processing applications and for the implementation of the provisions of this Article. The remaining thirty-five dollars ($35.00) of each application or renewal fee shall be used by the sheriff to pay the costs of administering this Article and for other law enforcement purposes. The county shall expend the restricted funds for these purposes only.

(b) An additional fee, not to exceed ten dollars ($10.00), shall be collected by the sheriff from an applicant for a permit to pay for the costs of processing the applicant's ~~fingerprints.~~ fingerprints, if fingerprints were required to be taken. This fee shall be retained by the sheriff."

Section 3. G.S. 14-415.14 is amended by adding a new subsection to read:

"(c) Any person or entity who is presented by the applicant or by the sheriff with an original or photocopied release form as described in G.S. 14-415.13(a)(5) shall promptly disclose to the sheriff any records concerning the mental health or capacity of the applicant who signed the form and authorized the release of the records."

Section 4. The Division of Mental Health, Developmental Disabilities, and Substance Abuse Services of the Department of Health and Human Services shall notify by United States mail, telefacsimile, or electronic mail all mental health clinics, hospitals, and licensed mental health professionals in North Carolina about the requirement in Section 3 of this act within 30 days after the effective date of this act.

Section 5. This act becomes effective July 1, 2000.

HOUSE BILL 1508:
Gun Permit/Decrease Renewal Fee

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Representative Mitchell
Date:	June 27, 2000	**Summary by:**	Mary Shuping
Version:	2nd edition		Research Assistant

SUMMARY: ***House Bill 1508, 2nd edition, eliminates the fingerprint requirement for renewal of a concealed handgun permit in certain circumstances; decreases the fee for the renewal of a concealed handgun permit; and requires mental health authorities to disclose to the sheriff the mental health records of an applicant upon the presentation of an original or photocopied release form.***

CURRENT LAW & BILL ANALYSIS:

Section 1. Current law requires a person who holds a concealed handgun permit to apply for renewal at least 30 days prior to the expiration of the permit by filing the following information with the sheriff in the county where the person resides:

- Notarized affidavit stating the person remains qualified to carry a permit.
- Newly administered set of fingerprints (for criminal background checks and criminal records updates).
- Renewal fee.

Section 1 of the bill provides that a new set of fingerprints will not be required for the renewal of a permit if the applicant's fingerprints were submitted to the SBI after June 30, 2001 using the Automated Fingerprint Information System (AFIS).

Section 2 revises the fees for renewal as follows:

Type of Fee	Current Fee	Proposed Fee
Application Fee	$80.00 *($45 to DOJ & $35 to sheriff)*	No Change
Renewal Fee	$80.00 *($45 to DOJ & $35 to sheriff)*	$75.00 *($40 to DOJ & $35 to sheriff)*
Fingerprint Fee	$10.00	$10.00 *Only if new fingerprints are required*

Sections 3 and 4. Current law requires applicants to submit a release form, prescribed by the Administrative Office of the Courts, that authorizes and requires disclosure to the sheriff of any records concerning the applicant's mental health or capacity.

Section 3 requires any person or entity (i.e., mental health provider) who is presented with an original or photocopied release form as described above to promptly disclose the applicant's mental health records to the sheriff.

Section 4 requires the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services in DHHS, to notify all mental health providers in North Carolina of the requirement set forth above within 30 days of the effective date.

EFFECTIVE DATE: July 1, 2000.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Justice; State Bureau of Investigation

EFFECTIVE DATE: July 1, 2000

BILL SUMMARY: After July 1, 2001, eliminates the requirement to submit new fingerprints as part of the concealed handgun permit renewal process if original fingerprints were collected via AFIS (automated fingerprint information system). Reduces the permit renewal fee from $80 to $75. Reduces the portion of the renewal fee to be remitted to the Department of Justice from $45 to $40.

ASSUMPTIONS AND METHODOLOGY: Estimate assumes that all applicants who received permits beginning in July 1996 will apply for renewal at the end of the four-year permit period. Monthly data on the number of handgun permits issued since January 1996 was used to calculate the impact on future SBI receipts. The decreased revenues reflect the impact of the $5 reduction in the renewal permit fee.

TECHNICAL CONSIDERATIONS: The Federal Bureau of Investigation (FBI) requires that fingerprints be submitted in order to conduct a national criminal background check. This requirement assures that individuals do not use aliases in an attempt to circumscribe the background investigation. If the fingerprint requirement was eliminated from the handgun permit renewal process, no national criminal background checks could be completed.

Therefore, HB 1508 retains the requirement that a national background check be completed as part of the concealed handgun permit process. However, since the original handgun permit legislation was implemented in 1995, an increasing number of county law enforcement agencies have begun to collect fingerprint data using AFIS. The State Bureau of Investigation estimates that from 60 to 70 percent of fingerprints are now submitted via AFIS. Fingerprint data collected via AFIS are of generally high quality and can be retained in a manner which allows the data to be used at later time by the FBI to update an applicant's national criminal information.

The full impact of HB 1508 will be evident in upcoming years, when applicants whose original fingerprints were collected via AFIS, submit permit renewal applications. These applicants will not have to be re-fingerprinted. In the initial years of the proposed statute's implementation, the majority of applicants applying for renewal will be those whose original prints were collected using the manual method. Because of this, these applicants will have to be re-fingerprinted as part of the renewal process. However, the majority of these fingerprints are expected to be collected using the AFIS method. In the out years, only applicants who reside in counties with no AFIS available will have to resubmit fingerprints as part of the handgun permit renewal process.

A BILL TO BE ENTITLED

AN ACT TO CREATE A TAX INCENTIVE FOR THE REDEVELOPMENT OF BROWNFIELDS PROPERTIES, AS RECOMMENDED BY THE ENVIRONMENTAL REVIEW COMMISSION.

The General Assembly of North Carolina enacts:

Section 1. Article 12 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-277.13. Taxation of improvements on brownfields.**

(a) Qualifying improvements on brownfields properties are designated a special class of property under Article V, Sec. 2(2) of the North Carolina Constitution and shall be appraised, assessed, and taxed in accordance with this section. An owner of land is entitled to the partial exclusion provided by this section for the first five taxable years beginning after the first completion of any qualifying improvements made after the later of July 1, 2000, or the date of the brownfields agreement. After property has qualified for the exclusion provided by this section, the assessor for the county in which the property is located shall annually appraise the improvements made to the property during the period of time that the owner is entitled to the exclusion.

(b) For the purposes of this section, the terms "qualifying improvements on brownfields properties" and "qualifying improvements" mean improvements made to real property that is subject to a brownfields agreement entered into by the Department of Environment and Natural Resources and the owner pursuant to G.S. 130A-310.32.

(c) The following table establishes the percentage of the appraised value of the qualified improvements that is excluded based on the taxable year:

Year	Percent of Appraised Value Excluded
Year 1	90%
Year 2	75%
Year 3	50%
Year 4	30%
Year 5	10%."

Section 2. This act is effective for taxes imposed for taxable years beginning on or after July 1, 2001.

Section 2. G.S. 130A-310.34(d) reads as rewritten:

"(d) Prior to entering into a brownfields agreement, the Department shall take into account the comment received during the comment period and at the public meeting if the Department holds a public meeting. The Department shall incorporate into the brownfields agreement provisions that reflect comment received during the comment period and at the public meeting to the extent practical. The Department shall give particular consideration to written comment that is supported by valid scientific and technical information and ~~analysis.~~ analysis and to written comment from the local governments having taxing jurisdiction over the brownfields property."

Section 3. Section 1 of this act is effective for taxes imposed for taxable years beginning on or after July 1, 2001. The remainder of this act is effective when it becomes law.

HOUSE BILL 1639:
Brownfields Tax Incentive

BILL ANALYSIS

Committee: House Finance
Date: July 27, 2000
Version: 1st Edition

Introduced by: Rep. McComas
Recommended by Environmental Review Comn.
Summary by: Cindy Avrette
Committee Counsel

SUMMARY: House Bill 1639 allows a partial exclusion over a five-year period from property taxes for qualifying improvements made on brownfields properties. The amount of the exclusion declines from 90% during the first year after the improvement to 10% during year five. The bill is effective for taxes imposed for taxable years beginning on or after July 1, 2001. The bill is a recommendation of the Environmental Review Commission.

CURRENT LAW: In 1997, the General Assembly enacted The Brownfields Property Reuse Act of 1997. Brownfields property is defined in the Act as abandoned, idled, or underused property at which expansion or redevelopment is hindered by actual environmental contamination or the possibility of environmental contamination and that is or may be subject to remediation. Under the Act, the Department of Environment and Natural Resources may enter into a brownsfield agreement with a prospective developer. These brownfields agreements allow a developer to cleanup a contaminated property to a level that is less "clean" than would otherwise be required by law in exchange for subjecting the proeprty to land-use restrictions. A developer who complies with the agreement will not be held liable for clean-up of areas of contaminants identified in the agreement, so long as the activities conducted on the property do not increase the risk of harm to public health or the environment.

BILL ANALYSIS: House Bill 1639 provides that improvements made to real property that is subject to a brownfields agreement will be granted a partial property tax exclusion for the first five taxable years beginning after the first completion of the improvement made after the later of July 1, 2000, or the date of the brownfields agreement. The property entitled to the exclusion must be appraised annually during the period of time that the owner is entitled to the exclusion.

The amount of the exclusion declines over the five-year period as follows:

Year	Percent of appraised value excluded
Year 1	90%
Year 2	75%
Year 3	50%
Year 4	30%
Year 5	10%

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Environment and Natural Resources, County, and Municipal Governments

EFFECTIVE DATE: Effective for taxes imposed for taxable years beginning on or after July 1, 2001.

BILL SUMMARY:

This bill would amend Article 12 of Chapter 105 of the General Statutes (Property Subject to Taxation) by including another section. This section creates a partial tax exemption for the appraised value of qualifying quality improvements on brownfields sites for the first five taxable years. This partial exemption includes any qualified improvements under the brownfields program completed after July 1, 2000. The following table outlines the partial tax exemption schedule:

Year	***Percentage of Appraised Value for Qualified Improvements Excluded***
Year 1	90%
Year 2	75%
Year 3	50%
Year 4	30%
Year 5	10%

BACKGROUND INFORMATION:

Chapter 9 of GS 130A provides for "brownfields agreements" between the Department of Environment and Natural Resources (DENR) and prospective developers of underutilized property. The qualified property under this agreement includes abandoned, idled, or underused property, at which expansion or redevelopment is hindered by potential state or locally mandated remediation of environmental contamination. Under the agreement, the state provides the prospective developer with a covenant not to sue, contingent upon the developer conducting actions outlined in the agreement. Those actions are directed by the DENR, and include a mix of qualifying quality improvements, and enforceable land use restrictions. Qualifying quality improvements by the developer are defined as those site modifications authorized by the DENR, and include the cleanup of environmental contamination, prevention of future contamination, and modifications that would maximize benefit for the public. The restrictions placed upon land use prevent potential risks to public health and safety. Some examples would include the restriction of health care or child care facilities from the premises, as well as restrictions on the use of groundwater and soil from the site.

For entry into the program, prospective developers must show they did not cause or contribute to the contamination of the site, projects must emphasize redevelopment, and they must have public benefit commensurate with the liability relief provided. Projects that have resulted in public benefit are the preservation of an historic mill in Raleigh for mixed residential and commercial use, redevelopment of an abandoned furniture factory that created over 200 jobs in a rural town of 1000, and the construction of an inner city Winston-Salem supermarket. In limiting the liability and remediation costs of the prospective developer, redevelopment projects that would not ordinarily have been able to obtain financing are able to proceed. The money spent by the state on the brownfields program leverages large sums of private investment. On one site, $20,000 spent on state oversight and negotiation resulted in excess of $8 million in private investment for remediation and development.

There are currently 3 completed brownfields agreements and 6 agreements signed and pending. 17 additional applications have been filed and are active. There are

over 1000 potential brownfields sites across the state that are currently underutilized or idle due to real or perceived environmental contamination.

ASSUMPTIONS AND METHODOLOGY:

This bill serves as a tax incentive to encourage additional brownfields development. It is not possible to accurately predict the extent to which this tax exemption will induce new developers to enter the program. Department of Environment and Natural Resources staff feel that this tax incentive will serve as an effective means of attracting additional brownfields site developers, as well as providing an incentive for pending agreements to proceed at a more rapid pace.

The tax exemption only extends to the tax appraised value of qualifying improvements upon the site, not the value of the entire site. It is not possible to predict the amount that each developer would spend on qualifying improvements, nor the tax assessed value of these improvements. However DENR staff and numerous county tax assessors feel that the additional property tax revenue provided by improvements to sites would be far greater than the combined tax loss over the five-year partial exemption period.

Due to the aforementioned factors, no estimate is available at this time.

SENATE BILL 897:
Safety Professionals

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Senator Dalton
Date:	June 27, 2000	**Summary by:**	Mary Shuping
Version:	4th edition		Research Assistant

SUMMARY: Senate Bill 897 would set up a State-sanctioned certification for safety professionals using the title "Certified Safety Professional" and "Associate Safety Professional". Specifically, safety professionals using those titles must be certified by the private Board of Certified Safety Professionals.

CURRENT LAW: Current law does not provide for the certification of safety professionals as defined in SB 897 nor does the law restrict the use of the title "Certified Safety Professional". SB 897 would make it unlawful for anyone to use the title "Certified Safety Professional" (CSP) or "Associate Safety Professional" (ASP) unless the person has met the requirements of the *private* Board of Certified Safety Professionals (Board).

BILL ANALYSIS: SB 897 adds a new Article entitled "Safety Profession" to Chapter 90 of the General Statues which governs medicine and allied occupations.

A *"safety professional"* is someone who applies the expertise gained from a study of safety science and professional safety experience to develop procedures and practices in order to reduce or control hazards that may harm people property or the environment. (Source: Board of Certified Safety Professionals. *Additional information on the safety profession and the Board is found on page 2.*)

Definitions (G.S. 90-646): Sets forth the definitions for "Associate Safety Professional," "Certified Safety Professional," and "Board of Certified Safety Professionals". An Associate or Certified Safety Professional is defined as a person who has met the education, experience, and examination requirements established by the Board.

Sanctions (G.S. 90-647): This section makes it an unfair trade practice for persons to represent themselves as Certified or Associate Safety Professionals unless they are certified by the Board. The court may impose a civil penalty and/or issue a restraining order against a person who has not been certified by the Board in order to prevent further use of either of the titles.

Exemptions (G.S. 90-648): The following persons are exempt from the Article:

- Persons who are licensed as other professionals and engaged in the practice of that profession and do not hold themselves out to be "Associate Safety Professionals" or "Certified Safety Professionals".
- Persons who practice within the scope of safety, injury, or illness prevention and do not use the title "Certified" or "Associate" Safety Professional.
- Licensed architects and persons working under licensed architects.
- Licensed professional engineers and persons working under licensed professional engineers.

This section also makes it clear that the Article does not permit the practice of engineering or architecture except by persons licensed to do so.

Registration/Fee (G.S. 90-649): This section requires the Board to file with the Secretary of State's office the name, address, telephone number, and date of certification for all ASP's and CSP's. The Board is also required to remit a **$35.00 fee** to the Secretary of State for the cost of administering and enforcing the law and may require this filing fee to be paid by the person whose certification is being filed. The Board is also required to notify the Secretary of State when a person's certification is revoked or no longer in effect.

Bill Gilkeson, Staff Attorney, Research Division, contributed to this summary.

INFORMATION SHEET ON SAFETY PROFESSIONALS*

Prepared for the House Finance Committee

June 27, 2000

A ***"safety professional"*** is someone who applies the expertise gained from the study of safety science and from professional safety experience to create or develop procedures, processes, standards, specifications, and systems to achieve a control of or reduction in hazards or exposures which may harm people, property, or the environment.

Employment of Safety Professionals: Safety professionals are employed in:

- Manufacturing (30%)
- Petro-chemical industry (14%)
- Construction (3%)
- Utilities (3%)
- Insurance (27%)
- Colleges and Universities (3%)
- Government (8%)
- Transportation (2%)

Board of Certified Safety Professionals: The Board of Certified Safety Professionals is a nonprofit organization which was organized as a peer certification board in 1969 with the purpose of certifying practitioners in the safety profession. The Board is comprised of a 13-member Board of Directors representing both the safety profession and the general public. The Board's mission is to establish the educational, experience, and examination criteria for safety practitioners who are responsible for the protection of life, property, and the environment. Specifically, the Board:

- Evaluates the academic and professional experience of safety professionals.
- Administers examinations.
- Certifies professionals who meet the Board's criteria and pass its examinations.

Certified & Associate Safety Professionals: Certified safety professionals (CSP's) are safety professionals who have met and continue to meet all requirements established by the Board and are authorized to use the title *Certified Safety Professional*. To become a CSP, a safety professional must:

- Hold either an Associate degree in safety or a Bachelor's degree in any field from an accredited academic institution: or an acceptable combination of education and experience.
- Have at least 4 years of professional safety practice.
- Pass the Board's 2-part examination: Safety Fundamentals, & Comprehensive Practice.
- Pay all applicable fees.

To retain the CSP designation, a person must:

- Pay the annual renewal fee.
- Meet continuing certification requirements.

The Associate Safety Professional (ASP) is an interim designation denoting progress towards the CSP designation. In order to be an ASP, the person must:

- Meet the academic requirements above.
- Pass the Safety Fundamental portion of the exam.
- Pay all applicable fees.

Certified Safety Professionals in NC: As of 1999, there were 275 certified safety professionals in North Carolina.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Secretary of State.

EFFECTIVE DATE: January 1, 2000 and applies to offenses committed on or after that date.

BILL SUMMARY: The bill creates a new "safety profession" and provides that only those individuals who are certified as either a Certified Safety Professional or an Associate Safety Professional may present themselves as safety professionals in North Carolina. The national, private Board of Certified Safety Professionals must certify these individuals. These individuals must also authorize the national Board to file the appropriate information with the Secretary of State before they can use the safety professional titles. The bill defines the terms "Associate Safety Professional", "Board of Certified Safety Professionals", and "Certified Safety Professional". Under the bill, representing that someone is a safety professional without having the appropriate certification will be considered an unfair trade practice.

The bill exempts from these requirement persons who are licensed in another field, are engaged in the practice of that profession, and do not represent themselves as an Associate Safety Professional or a Certified Safety Professional. Persons who practice in the field of safety, injury or illness prevention and who do not use the titles Associate Safety Professional, Certified Safety Professional, ASP, CSP, or otherwise represent themselves as safety professionals are exempt. Licensed professional engineers, licensed architects, and those under the supervision of these professionals are also exempt. Finally, the bill requires the Board to file with the Secretary of State the name, address, telephone number and date of certification of all certified and associate safety professionals. This listing must be accompanied by $35.00 for each certification. Finally

the bill clarifies that nothing in this Article shall permit the practice of engineering or architecture by persons not licensed under G.S. 83A or G.S. 89C.

ASSUMPTIONS AND METHODOLOGY: The only potential revenue impact of the bill relates to the fee. The Board of Certified Safety Professionals indicates that there were 275 certified safety professionals practicing in North Carolina. The potential revenue is $9,625 (275 certifications * $35 each) for the first fiscal year.

Fiscal Research expects that the revenue generated will decrease significantly in the out years. The Board indicates that they would be able to provide an updated list of professionals via computer disc or e-mail on whatever timetable the Secretary of State and the law deems appropriate. The Board reports that the number of certified professionals in North Carolina has increased from 200 in 1997 to 275 in 1999. Assuming the approximately 38 new professionals are added each year, the potential revenue stream from changes only would be approximately $1,330.

Previously the Secretary of State's Office indicated that they expect some consumer inquiries about the certification registry. They anticipated that the additional workload could be handled by the addition of one part time temporary person (Pay grade 59), to manage the registry data and the consumer inquires. Therefore, the potential cost to the Secretary of State is approximately $9,000 - $10,000 to implement the bill. Because of the uncertainty about the number of consumer inquiries about the certification registry, the Fiscal Research staff believes the initial request for a part-time temporary person a reasonable one. Please note, however, that a year's experience with the bill should reveal what impact, if any, that this bill has on the Department' workload and staffing needs.

Any remaining revenue from this bill, less expenses, will revert to the General Fund.

NOTE: Neither the revenue nor expenditures associated with this bill have been included in the state budget.

TECHNICAL CONSIDERATIONS: As mentioned previously, the bill is unclear about how often the listing will be updated once the initial database is installed. Additional language may be needed to clarify this issue.

AN ACT AUTHORIZING CITIES WITH A POPULATION OF MORE THAN TWO HUNDRED THOUSAND, THE CITIES OF WINSTON-SALEM, STATESVILLE, HIGH POINT, THOMASVILLE, MOORESVILLE, HAMLET, LEXINGTON, AND TROUTMAN TO DEMOLISH AND REMOVE CERTAIN NONRESIDENTIAL BUILDINGS AND STRUCTURES TO ENHANCE ECONOMIC DEVELOPMENT EFFORTS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 160A-426 reads as rewritten:

"**§ 160A-426. Unsafe buildings condemned.**

(a) Residential Building. -- Every building which shall appear to the inspector to be especially dangerous to life because of its liability to fire or because of bad condition of walls, overloaded floors, defective construction, decay, unsafe wiring or heating system, inadequate means of egress, or other causes, shall be held to be unsafe, and the inspector shall affix a notice of the dangerous character of the structure to a conspicuous place on the exterior wall of said building.

(b) Nonresidential Building or Structure. -- An inspector in a city whose population exceeds 200,000, according to the most recent annual population statistics certified by the State Planning Officer, shall declare a nonresidential building or structure within a community development target area to be unsafe if it meets both of the following conditions:

(1) It appears to the inspector to be vacant or abandoned.
(2) It appears to the inspector to be in such dilapidated condition as to cause or contribute to blight, disease, vagrancy, fire or safety hazard, to be a danger to children, or to tend to attract persons intent on criminal activities or other activities which would constitute a public nuisance.

If an inspector declares a nonresidential building or structure to be unsafe, the inspector must affix a notice of the unsafe character of the structure to a conspicuous place on the exterior wall of the building. For the purposes of this subsection, the term 'community development target area' means an area that has characteristics of a development zone under G.S. 105-129.3A, a 'nonresidential development area' under G.S. 160A-503(10), or an area with similar characteristics designated by the city council as being in special need of revitalization for the benefit and welfare of its citizens."

Section 2. G.S. 160A-428 reads as rewritten:

"**§ 160A-428. Action in event of failure to take corrective action.**

If the owner of a building or structure that has been condemned as unsafe pursuant to G.S. 160A-426 shall fail to take prompt corrective action, the local inspector shall give him written notice, by certified or registered mail to his last known address or by personal service,

(1) That the building or structure is in a condition that appears to ~~constitute a fire or safety hazard or to be dangerous to life, health, or other property;~~ meet one or more of the following conditions:
   a. Constitutes a fire or safety hazard.
   b. Is dangerous to life, health, or other property.
   c. Is likely to cause or contribute to blight, disease, vagrancy, or danger to children.
   d. Has a tendency to attract persons intent on criminal activities or other activities which would constitute a public nuisance.
(2) That a hearing will be held before the inspector at a designated place and time, not later than 10 days after the date of the notice, at which time the owner shall be entitled to be heard in person or by counsel and to present arguments and evidence pertaining to the matter; and
(3) That following the hearing, the inspector may issue such order to repair, close, vacate, or demolish the building or structure as appears appropriate.

If the name or whereabouts of the owner cannot after due diligence be discovered, the notice shall be considered properly and adequately served if a copy thereof is posted on the outside of the building or structure in question at least 10 days prior to the hearing and a notice of the hearing is published in a newspaper having general circulation in the city at least once not later than one week prior to the hearing."

Section 3. G.S. 160A-432 reads as rewritten:

"§ 160A-432. ~~Equitable enforcement.~~ Civil and equitable enforcement.

(a) Civil Enforcement. -- Whenever any violation is denominated a misdemeanor under the provisions of this Part, the city, either in addition to or in lieu of other remedies, may initiate any appropriate action or proceedings to prevent, restrain, correct, or abate the violation or to prevent the occupancy of the building or structure involved.

(b) Equitable Enforcement. -- In the case of a nonresidential building or structure declared unsafe under G.S. 160A-426(b), a city may, in lieu of taking action under subsection (a), cause the building or structure to be removed or demolished. The amounts incurred by the city in connection with the removal or demolition shall be a lien against the real property upon which the cost was incurred. The lien shall be filed, have the same priority, and be collected in the same manner as liens for special assessments provided in Article 10 of this Chapter. If the building or structure is removed or demolished by the city, the city shall sell the usable materials of the building and any personal property, fixtures, or appurtenances found in or attached to the building. The city shall credit the proceeds of the sale against the cost of the removal or demolition. Any balance remaining from the sale shall be deposited with the clerk of superior court of the county where the property is located and shall be disbursed by the court to the person found to be entitled thereto by final order or decree of the court.

(c) Nothing in this section shall be construed to impair or limit the power of the city to define and declare nuisances and to cause their removal or abatement by summary proceedings, or otherwise."

Section 4. Notwithstanding G.S. 160A-426, as enacted in Section 1 of this act, the provisions of this act apply to the cities of Winston-Salem, Statesville, High Point, Thomasville, Mooresville, Hamlet, Lexington, and Troutman.

Section 5. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT AUTHORIZING CITIES TO DEMOLISH AND REMOVE CERTAIN NONRESIDENTIAL BUILDINGS AND STRUCTURES TO ENHANCE ECONOMIC DEVELOPMENT EFFORTS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 160A-426 reads as rewritten:

"**§ 160A-426. Unsafe buildings condemned.**

(a) Residential Building. -- Every building which shall appear to the inspector to be especially dangerous to life because of its liability to fire or because of bad condition of walls, overloaded floors, defective construction, decay, unsafe wiring or heating system, inadequate means of egress, or other causes, shall be held to be unsafe, and the inspector shall affix a notice of the dangerous character of the structure to a conspicuous place on the exterior wall of said building.

(b) Nonresidential Building or Structure. -- An inspector may declare a nonresidential building or structure within a community development target area to be unsafe if it meets both of the following conditions:

(1) It appears to the inspector to be vacant or abandoned.

(2) It appears to the inspector to be in such dilapidated condition as to cause or contribute to blight, disease, vagrancy, fire or safety hazard, to be a danger to children, or to tend to attract persons intent on criminal activities or other activities which would constitute a public nuisance.

If an inspector declares a nonresidential building or structure to be unsafe, the inspector must affix a notice of the unsafe character of the structure to a conspicuous place on the exterior wall of the building. SENATE BILL 1152:
Nonresidential Abandoned Structures

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Sen. Clodfelter
Date:	June 27, 2000	**Summary by:**	Cindy Avrette
Version:	PCS for 4th Edition		Committee Counsel

SUMMARY: ***Senate Bill 1152 authorizes cities with a population of more than 200,000 to demolish and remove certain nonresidential buildings to enhance economic development efforts. It also gives this same authority to the following specified cities: Winston-Salem, Statesville, High Point, Thomasville, Mooresville, Hamlet, Lexington, and Troutman.***

PROPOSED COMMITTEE SUBSTITUTE: The *section granting the authority to specified cities is unconstitutional because the NC Constitution prohibits local acts relating to health, sanitation and the abatement of nuisances. {Article II, Sec. 24(1)(a)} The proposed committee substitute removes this section from the bill and grants the authority to all cities.*

CURRENT LAW: An inspector must declare a building to be unsafe if the building appears to be especially dangerous to life because of its liability to fire or because of the bad condition of its walls, overloaded floors, defective construction, decay, unsafe wiring or heating system, inadequate means of egress, or other similar causes. If the owner fails to correct the unsafe condition, the city may hold a hearing and thereafter issue an order requiring the owner to repair, close, vacate, or demolish the building. If the owner fails to comply with the order, the owner is guilty of a Class 1 misdemeanor and the city may initiate the appropriate action to abate the violation or to prevent the occupancy of the building.

BILL ANALYSIS: Section 1 of the bill would require an inspector to declare a nonresidential building located in a community development target area to be unsafe if it meets both of the following conditions:

- It is vacant or abandoned.
- It is so dilapidated as to cause blight, disease, vagrancy, fire or safety hazard, to be a danger to children, to attract criminals, or to otherwise constitute a public nuisance.

A "community development target area" is defined as an area that meets at least one of the following conditions:

1. Has characteristics of a development zone under G.S. 105-129.3A. A development zone is an area located in a city with a population of at least 5,000 and the area has a population of at least 1,000, no less than 20 % of which is below the poverty level.
2. Has characteristics of a nonresidential development area as defined in the Urban Redevelopment Law, Article 22 of Chapter 160A.
3. Is designated by the city council as being in need of revitalization for the benefit of its citizens.

Section 2 would make a conforming change.

If the owner of the unsafe nonresidential building fails to comply with an order to take corrective action concerning the building, Section 3 would allow the city to remove or demolish the building. The cost of demolition would become a lien against the property.

Karen Cochrane-Brown, with the Research Division, contributed to this summary.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE THAT AN ENTERPRISE TIER TWO AREA MAY NOT BE REDESIGNATED AS A HIGHER-NUMBERED TIER AREA UNTIL IT HAS BEEN AN ENTERPRISE TIER TWO AREA FOR TWO CONSECUTIVE YEARS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-129.3(c) reads as rewritten:

"(c) Exception for Enterprise Tier One and Two Areas. -- Notwithstanding the provisions of this section, a county designated as an enterprise tier one area or an enterprise tier two area may not be redesignated as a higher-numbered enterprise tier area until it has been ~~an~~ in its enterprise tier ~~one~~ area for at least two consecutive years."

Section 2. This act is effective when it becomes law and, notwithstanding G.S. 105-129.3(b), applies retroactively to designations for the 2000 and later calendar years.

SENATE BILL 1318:
Amend Bill Lee Act Tier Designations

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Senator Dalton
Date:	July 27, 2000	**Summary by:**	Martha K. Walston
Version:	First Edition		Committee Counsel

SUMMARY: ***Senate Bill 1318 provides that an enterprise tier two area may not be redesignated as a higher-numbered tier area until it has been an enterprise tier two area for at least two consecutive years. The act applies retroactively to tier designations for the 2000 and later calendar years.***

CURRENT LAW: Under the Bill Lee Act, all counties are divided into five enterprise tiers, ranked by economic distress as measured by a formula that combines unemployment, per capital income, and population growth. Those counties in lower-numbered tiers receive more favorable incentives than those in higher tiers. For example, enterprise tier one and two counties are the counties considered most in need of economic development based on high unemployment, low per capita income, and low population growth. During the 1999 Session, the Bill Lee Act was amended to provide the following three incentives for development in enterprise tier one and two counties:

- Extended Bill Lee Act credits to electronic mail order houses that create at least 250 jobs in tiers one and two.
- Extended Bill Lee Act credits to customer service centers in tiers one and two.
- Allowed annual refund of 6% sales taxes paid on capitalized machinery and equipment sold to businesses eligible for Bill Lee Act credits and located in tiers one and two.

In 1999, the General Assembly also allowed certain counties to qualify for a lower enterprise tier designation, effective January 1, 2000. The rules for assigning enterprise tier designations were changed to provide that the tier number that would otherwise be assigned by the formula is reduced by one for counties that have a population of less than 50,000 and also have more than 18% of their residents below the federal poverty level. Under this change, Alleghany, Ashe, Beaufort, Cherokee, Perquimans, Scotland, Vance, and Yancey Counties moved from tier two to tier one. Bladen, Hoke, Jones, Madison, Pamlico, and Pasquotank Counties moved from tier three to tier two. The change also provided that a county that has a population of less than 25,000 cannot be designated higher than tier three. Finally the 1999 changes provided that a county is designated as tier one if it has a population of less than 10,000 and also has more than 16% of its residents below the federal poverty level. Under this change, Camden, Clay, and Jones qualified as tier one counties.

BILL ANALYSIS: In 1997, the General Assembly amended the Bill Lee Act to guarantee that a county that obtained a tier one status could not lose that status for two years regardless of what the annual rankings would otherwise require. Senate Bill 1318 extends this guarantee to a county designated as a tier two area, so that a tier two area may not be redesignated as a higher-numbered tier area until it has been a tier two area for two consecutive years.

PRINCIPAL DEPARTMENTS AFFECTED: The tax credits are administered by the Department of Revenue. The Department of Commerce manages the credit application and verification process. The enactment of the bill will not affect the budget requirements of either department.

EFFECTIVE DATE: Applies to tier designations for the 2000 and later tax years.

ISSUE BACKGROUND: The Bill Lee Act is the package of state tax incentives that was first created in 1996 and has been modified in each subsequent year. Examples include a targeted investment tax credit for machinery and equipment, a jobs credit, a research and development credit, and a worker training tax credit. For many of the credits the counties of the State are divided into five economic distress tiers based on the unemployment rate, per capita income, and population growth. In general, **the lower the tier of a county, the more favorable the incentive.**

BILL SUMMARY: The 1997 General Assembly modified the tier determination language to guarantee that a Tier 1 county must remain a Tier 1 county for a minimum of two years. **SB 1318 specifies that a Tier 2 county must remain a Tier 2 county for at least 2 years before moving to a higher tier (with less favorable incentives).**

ASSUMPTIONS AND METHODOLOGY: A review of the 1999 and 2000 tier listings indicates that for 2000 only one county (Rutherford) would be affected by the legislation. Since

the tier determination process each year uses the most recent available data for each of the three factors, it is impossible to know in advance how many counties will be affected in future years.

The first impact of the bill would be the investment tax credit. The calculation of this impact started with the industrial recruitment "announcements" data by county from the Department of Commerce for 1993-98. For each announcement, it was assumed that 70% of the investment would be in machinery and equipment. This assumption is based on discussions with the Department of Commerce about their experience and a review of U.S. Department of Commerce detailed data on business investment. The effect of the bill is to raise the minimum investment threshold for eligible investments from $100,000 to $200,000. The change eliminates a handful of investments and reduces the investment base for credit calculation purposes by $100,000 for the other investments.

The next step was to divide the 7% tax credit impact using Rutherford County data over the 7-year period as required under the Bill Lee Act. The impact of the bill on the investment tax credit is relatively minor because most investments exceed the threshold amounts by a substantial margin. Thus, the $100,000 increment is not a major factor.

The other impact has to do with the jobs credit. For this estimate the industrial recruitment announcement data on jobs created was used. The data indicated an average of 420 new jobs per year in Rutherford County during the test period. The impact of the bill on the jobs credit is to restore the $1,000 credit advantage of Tier 2 counties over Tier 3 ($4,000 credit per job versus $3,000). The credit change was then divided over a 4-year period as the Bill Lee Act requires.

The provisions have no impact on the 2000-01 fiscal year because the two credits are taken in the year after the investment and job creation activity take place.

A BILL TO BE ENTITLED

AN ACT TO REALLOCATE THE PROCEEDS OF THE CLEAN WATER BONDS.

The General Assembly of North Carolina enacts:

Section 1. Withdrawal of Loan Funds. -- Pursuant to Section 5.1(i) of S.L. 1998-132, the following amounts of the Clean Water Bond proceeds allocated for loans in Section 5.1(h) of S.L. 1998-132 are withdrawn from allocation under Section 5.1(h) of S.L. 1998-132 and reallocated as provided in Section 2 of this act:

(1) Water supply and distribution systems and water conservation projects:

a. Reserved for loans to local government units whose bond rating is less than 75 or who have no bond rating ..... $ 3,500,000

b. Reserved for loans to local government units whose bond rating is 75 or more ..... $ 90,600,000.

(2) Wastewater collection systems and wastewater treatment works:

a. Reserved for loans to local government units whose bond rating is less than 75 or who have no bond rating ..... $ 7,100,000

b. Reserved for loans to local government units whose bond rating is 75 or more ..... $ 98,800,000

Total Withdrawn for Reallocation ..... $200,000,000.

Section 2.(a) Reallocation for High-Unit Cost Grants. -- Of the funds withdrawn pursuant to Section 1 of this act from allocation under Section 5.1(h) of S.L. 1998-132, the sum of one hundred forty-six million dollars ($146,000,000) shall be used by the Department of Environment and Natural Resources to provide grants to local government units for the same purpose and in accordance with Section 5.1(c) of S.L. 1998-132 and shall be allocated for this purpose as follows:

(1) High-Unit Cost Wastewater Account:

a. Reserved for grants to local government units whose bond rating is less than 75 or who have no bond rating ..... $ 37,960,000

b. Reserved for grants to local government units whose bond rating is 75 or greater ..... $ 35,040,000.

(2) High-Unit Cost Water Supply Account:

a. Reserved for grants to local government units whose bond rating is less than 75 or who have no bond rating ..... $ 37,960,000

b. Reserved for grants to local government units whose bond rating is 75 or greater ..... $ 35,040,000

Total Reallocated for Grants Under Section 5.1(c) ..... $146,000,000.

Section 2.(b) Reallocation for Unsewered Community Grants. -- Of the funds withdrawn pursuant to Section 1 of this act from allocation under Section 5.1(h) of S.L. 1998-132, the sum of twenty-five million nine hundred twenty thousand dollars ($25,920,000) is reallocated to be used to provide unsewered community grants to eligible local government units to assist with wastewater treatment works and wastewater collection systems for the same purpose and in accordance with Section 5.1(g) of S.L. 1998-132. Grants from amounts reallocated shall be awarded and administered by the Rural Economic Development Center in accordance with Section 5.1(g) of S.L. 1998-132. The funds reallocated under this section shall be awarded on the criteria set out in Section 5.1(g) of S.L. 1998-132.

Section 2.(c) Reallocation for Supplemental and Capacity Grants. -- Of the funds withdrawn pursuant to Section 1 of this act from allocation under Section 5.1(h) of S.L. 1998-132, the sum of twenty-eight million eighty thousand dollars ($28,080,000) is reallocated to be used to provide supplemental and capacity grants to eligible local government units to match federal, State, and other grant or loan program funds to plan or improve needed water and sewer projects. Grants from

amounts reallocated shall be awarded and administered by the Rural Economic Development Center in accordance with Section 5.1(f) of S.L. 1998-132 and this section. The proceeds reallocated under this section shall be allocated between supplemental grants and capacity grants as follows:

(1) Supplemental Grants.....$22,460,000
(2) Capacity Grants.....$ 5,620,000

The funds reallocated under this section shall be awarded on the criteria set out in Section 5.1(f) of S.L. 1998-132.

Notwithstanding the provisions of Section 5.1(f) of S.L. 1998-132, a maximum of twelve million dollars ($12,000,000) of supplemental grant funds and a maximum of three million dollars ($3,000,000) of capacity grant funds may be certified by the Rural Economic Development Center to the State Treasurer each fiscal year through June 30, 2005, and the State Treasurer may issue the amount certified up to fifteen million dollars ($15,000,000) each fiscal year through June 30, 2005. Upon certification for the fiscal year ending June 30, 2005, the State Treasurer may issue the remaining balance of the funds allocated under Section 5.1(f) of S.L. 1998-132 and under this section for any purpose authorized under Section 5.1(f) of S.L. 1998-132.

Section 3. G.S. 159G-6(a) reads as rewritten:

"(a) Revolving loans and grants.

(1) All funds appropriated or accruing to the Clean Water Revolving Loan and Grant Fund, other than funds set aside for administrative expenses, shall be used for revolving loans and grants to applicants for construction costs of wastewater treatment works, wastewater collection systems and water supply systems and other assistance as provided in this Chapter.

(2) The maximum principal amount of a revolving loan or a grant may be one hundred percent (100%) of the nonfederal share of the construction costs of any eligible project. The maximum principal amount of revolving loans made to any one applicant during any fiscal year shall be eight million dollars ($8,000,000).

(2a) The maximum principal amount of grants made to any applicant ~~during any fiscal year~~ over a period of three fiscal years shall be three million dollars ($3,000,000). The Department of Environment and Natural Resources may limit the maximum principal amount of the grant to two million dollars ($2,000,000) or two-thirds of the eligible project cost, whichever is less, when the bond rating of the local government unit equals or is greater than 75 during any fiscal year and when one million dollars ($1,000,000) or one-third of the eligible project cost, whichever is less, is available to the local government unit as a loan from any source.

(3) The State Treasurer shall be responsible for investing and distributing all funds appropriated or accruing to the Clean Water Revolving Loan and Grant Fund for revolving loans and grants

under this Chapter. In fulfilling his responsibilities under this section, the State Treasurer shall make a written request to the Department of Environment and Natural Resources to arrange for the appropriated funds to be (i) transferred from the appropriate accounts to an applicant to provide funds for one or more revolving loans or grants or (ii) invested as authorized by this Chapter with the interest on and the principal of such investments to be transferred to the applicant to provide funds for one or more revolving loans or grants."

Section 4. Sections 1, 2, and 4 of this act become effective July 1, 2000. Section 3 of this act is effective retroactively to July 1, 1999, and applies to grants made on or after the date this act becomes law.

SENATE BILL 1381:
Reallocate Water Bond Funds

BILL ANALYSIS

Committee: House Finance
Date: June 27, 2000
Version: 3rd edition

Introduced by: Senator Kerr
Summary by: Mary Shuping
Research Assistant

SUMMARY: ***SL 1998-132 authorized the issuance of $800 million in Clean Water Bonds, which was subsequently approved by the State's voters. Senate Bill 1381, 3rd edition, would reallocate $200 million in Clean Water Bonds proceeds from a program that makes loans to local governments for water and wastewater system upgrades to related grant programs. The bill would also raise annual caps on awards of Supplemental and Capacity Grants administered by the Rural Economic Development Center and further limit the amount of grant funding an applicant could receive from the Clean Water Revolving Loan and Grant Fund.***

BILL ANALYSIS:

WITHDRAWAL OF BOND PROCEEDS:

Section 1 provides for the following withdrawals and reallocations of bond proceeds:

Water Supply and Distribution Systems	
Reserved for local governments w/ bond rating of <75, or who have no bond rating.	$3,500,000
Reserved for loans to local governments w/ bond rating of 75 or more	$90,600,000
Wastewater Collection Systems and Wastewater Treatment Works	
Reserved for local governments w/ bond rating of <75, or who have no bond rating.	$7,100,000
Reserved for loans to local governments w/ bond rating of 75 or more	$98,800,000
TOTAL WITHDRAWN FOR REALLOCATION	**$200,000,000**

Effective Date: July 1, 2000.

REALLOCATION OF BOND PROCEEDS:

High-Unit Cost Grants ***(Sec. 2(a))***:

- Purpose: To provide grants to fund high-unit cost wastewater and water system projects, in accordance with the Clean Water Revolving Loan and Grant Program. A project that would require estimated household water and sewer user fees greater than 1.5% of the median household income is a high-unit cost project.
- Administering Agency: Department of Environment and Natural Resources (DENR)

➢ Allocation of Grants:

High Unit Cost Wastewater Account	
Reserved for local governments w/ bond rating of <75, or who have no bond rating.	$37,960,000
Reserved for loans to local governments w/ bond rating of 75 or more	$35,040,000
High Unit Cost Water Supply Account	
Reserved for local governments w/ bond rating of <75, or who have no bond rating.	$37,960,000
Reserved for loans to local governments w/ bond rating of 75 or more	$35,040,000
Total Reallocated for High Unit Cost Grants	**$146,000,000**

Unsewered Community Grants (Sec. 2(b)):

➢ Purpose: Unsewered Community Grants are provided to units of local government serving small, rural communities not served by centralized sewer systems for wastewater collection systems and treatment projects.
➢ Administering Agency: Rural Economic Development Center.
➢ Total Reallocation : **$25,920,000**

Supplemental and Capacity Grants (Sec. 2(c)):

➢ Purpose: Supplemental grants to local governments are used to match other grant or loan program funds for needed water and wastewater projects. Capacity grants to local governments are used to fund the costs associated with preparing grant and loan applications, capital improvement plans, and other efforts to support growth and development in rural areas.
➢ Administering Agency: Rural Economic Development Center.
➢ Total Reallocation:

Supplemental Grants	$22,460,000
Capacity Grants	$5,620,000
Total Reallocated for Supplemental & Capacity Grants	**$28,080,000**

➢ Increase Yearly Caps: The maximum award for Supplemental Grants is set at $12 million (currently $8 million) and for capacity grants is $3 million (currently $2 million). The new limits would apply to grant awards for fiscal years through June 30, 2005.

Effective Date – Section 2: July 1, 2000.

LIMIT GRANT RECEIPTS FROM THE CLEAN WATER REVOLVING LOAN & GRANT PROGRAM:

Section 3 limits the maximum principal amount of grants an applicant could receive from the Clean Water Revolving Loan and Grant Fund to $3 million over any three year period. The limit in current law is $3 million during any fiscal year.

Effective Date: July 1, 1999, and applies to grants made on or after the date this act becomes law.

PRINCIPAL DEPARTMENT AFFECTED: The loans and grants affected are administered by the Department of Natural and Economic Resources. The enactment of the bill will not affect the budget requirements of the Department.

EFFECTIVE DATE: See "Bill Summary"

BILL SUMMARY: (1) The 1998 Clean Water Bond act allocated $300 million to pass-through loans to local government units whose debt service would be fully repaid by the units applying for the loans. At the present time $285.2 million of the loans remain uncommitted. SB 1381 shifts $200 million of the loan portion of the 1998 bonds to grants, effective July 1, 2000. (2) The bill allocates the $200 million to various water supply and wastewater treatment categories, effective July 1, 2000. (3) Bill language revises the maximum grant award to any applicant from $3 million per fiscal year to $3 million over a period of 3 years.

ASSUMPTIONS AND METHODOLOGY: Under the 1998 authorization State's debt service on the clean water loans would be offset by loan repayments from local units so that there should not be any net debt costs to the State, assuming if the timing of the local repayments matches the State's debt service requirements. By converting the loans to grants, the local government repayment would be eliminated on $200 million of bonds.. Thus, the State's net debt service would increase in the same fashion as if $200 million of new bonds were.

Based on a simulation of potential bond issuance dates, the added debt service requirements would be as follows:

	($Mill.)
2000-01	none
2001-02	$ .9
2002-03	7.5
2003-04	18.6
2004-05	20.4

The issuance dates were based on discussions with the Department of Natural and Economic Resources. The Department based their cash flow needs estimates on many years of experience in administering the grant funds.

The additional net debt service requirements were then determined by prorating the annual clean water bond debt service projections provided by the Department of State Treasurer for the authorized but unissued bonds. This analysis was prepared in connection with the university bond proposal. This Clean Water Bond analysis assumed that the remaining $800 million of bonds would be issued over a 3 year period at an average interest rate of 6.5%.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR A NEW, SUSTAINABLY DESIGNED, STATE OFFICE BUILDING AND WILDLIFE EDUCATION CENTER WITH RELATED PARKING FACILITIES, TO BE USED BY THE WILDLIFE RESOURCES COMMISSION, PURSUANT TO AN INSTALLMENT FINANCING CONTRACT IN A PRINCIPAL AMOUNT NOT TO EXCEED THIRTEEN MILLION FIVE HUNDRED THOUSAND DOLLARS, AND TO PROVIDE FOR A NEW EASTERN WILDLIFE EDUCATION CENTER WITH RELATED PARKING FACILITIES, TO BE ADMINISTERED BY THE WILDLIFE RESOURCES COMMISSION, PURSUANT TO AN INSTALLMENT FINANCING CONTRACT IN A PRINCIPAL AMOUNT NOT TO EXCEED FOUR MILLION DOLLARS.

The General Assembly of North Carolina enacts:

Section 1. Authorization of Projects. -- (a) Raleigh Wildlife Center. -- The Department of Administration is authorized to acquire, construct, and equip a new State administrative office building and wildlife education center, and related parking facilities, to be located on the Centennial Campus of North Carolina State University at Raleigh, in the City of Raleigh, North Carolina, to be used by the Wildlife Resources Commission. Title to these facilities shall be held in the name of the State. The cost of acquiring, constructing, and equipping these facilities shall be financed as provided in this act.

Section 1.(b) Eastern Wildlife Education Center. -- The Department of Administration is authorized to acquire, construct, and equip a new State wildlife

education center, and related parking facilities, to be located in Currituck County and to be administered by the Wildlife Resources Commission. Title to these facilities shall be held in the name of the State. The cost of acquiring, constructing, and equipping these facilities shall be financed as provided in this act.

Section 2. Definitions. -- Unless a different meaning is required by the context, the following definitions apply in this act:

(1) "Certificates of participation" means certificates or other instruments delivered by a special corporation as provided in this act evidencing the assignment of proportionate and undivided interests in the rights to receive installment payments to be made by the State pursuant to a financing contract.

(2) "Cost" includes all of the following, without limiting or restricting any proper definition of this term in financing the cost of a Project as authorized by this act:

a. The cost of acquiring, constructing, and equipping the Project, including the acquisition of rights-of-way, easements, franchises, equipment, furnishings, and other interests in real or personal property acquired or used in connection with the Project.

b. The cost of engineering, architectural, and other consulting services as may be required.

c. Finance charges, reserves for installment payments and interest prior to and during construction and, if considered advisable by the State Treasurer, for a period not exceeding two years after the estimated date of completion of construction.

d. Administrative expenses and charges.

e. The cost of bond insurance, credit and liquidity facilities, interest rate swap agreements, financial and legal consultants, and related costs of financing the Project or delivering and selling certificates of participation, to the extent and as determined by the State Treasurer.

f. The cost of reimbursing the State for any payments made for any cost described above.

g. Any other costs and expenses necessary or incidental to the purposes of this act.

(3) "Credit facility" means an agreement that:

a. Is entered into by the State with a bank, savings and loan association, or other banking institution, an insurance company, reinsurance company, surety company or other insurance institution, a corporation, investment banking firm or other investment institution, or any financial institution or other similar provider of a credit facility, which provider

may be located within or without the United States of America; and

b. Provides for prompt payment of all or any part of the principal or purchase price (whether at maturity, presentment or tender for purchase, redemption, or acceleration), redemption premium, if any, and interest with respect to any financing contract or certificates of participation in consideration of the State agreeing to repay the provider of the credit facility in accordance with the terms and provisions of the agreement.

(4) "Department of Administration" means the North Carolina Department of Administration, created by Article 36 of Chapter 143 of the General Statutes, or should the Department of Administration be abolished or otherwise divested of its functions under this act, the public body succeeding it in its principal functions, or upon which are conferred by law the rights, powers, and duties given by this act to the Department of Administration.

(5) "Eastern Wildlife Education Center Project" means the (i) new State wildlife education center to be located in Currituck County, and related parking facilities, and (ii) equipment and furnishings related to the center and parking facilities.

(6) "Financing contract" means an installment financing contract entered into pursuant to the provisions of this act to finance the cost of a Project.

(7) "Office Project" means the (i) new State administrative office building and wildlife education center to be located in Raleigh, and related parking facilities, and (ii) equipment and furnishings related to the building, center, and parking facilities.

(8) "Project" means the Eastern Wildlife Education Center Project, the Office Project, or both.

(9) "Special corporation" means a nonprofit corporation created under Chapter 55A of the General Statutes for the purpose of delivering any certificates of participation provided by this act.

(10) "State" means the State of North Carolina.

(11) "Sustainably designed facility" means a building and surrounding environs designed using features that are energy efficient, incorporate reuseable and renewable resources, provide natural lighting, are nontoxic, require low maintenance, are congruent with the natural characteristics of the site, and cause minimum adverse impact to the environment.

(12) "Wildlife Resources Commission" means the North Carolina Wildlife Commission, created by Article 24 of Chapter 143 of the General Statutes, or should the North Carolina Wildlife Resources Commission be abolished or otherwise divested of its functions

under this act, the public body succeeding it in its principal functions, or upon which are conferred by law the rights, powers, and duties given by this act to the North Carolina Wildlife Resources Commission.

Section 3. Authorization of Financing Contracts. -- (a) The State, with the prior approval of the Council of State and the State Treasurer as provided in this act, is authorized to execute and deliver a financing contract in a principal amount not to exceed thirteen million five hundred thousand dollars ($13,500,000) in order to provide funds to the Department of Administration and the Wildlife Resources Commission to be used, together with any other available funds, to pay the cost of the Office Project.

Section 3.(b) The State, with the prior approval of the Council of State and the State Treasurer as provided in this act, is authorized to execute and deliver a financing contract in a principal amount not to exceed four million dollars ($4,000,000) in order to provide funds to the Department of Administration and the Wildlife Resources Commission to be used, together with any other available funds, to pay the cost of the Eastern Wildlife Education Center Project.

Section 3.(c) If the State determines that it is in its best interest to do so, the State may enter into one financing contract to finance both of the Projects described in subsections (a) and (b) of this section. The principal amount of the financing contract shall not, however, exceed seventeen million five hundred thousand dollars ($17,500,000).

Section 4. Approval Required. -- (a) A financing contract may not be entered into pursuant to this act unless prior to entering into the financing contract (1) the Council of State, by resolution, approves the execution and delivery of the financing contract, which resolution shall set forth (i) the not to exceed term or final maturity of the financing contract, (ii) the not to exceed interest rate or rates (or the equivalent thereof) with respect to the financing contract, and (iii) the appropriate officers of the State to execute and deliver the financing contract and all other documentation relating to it, and (2) the State Treasurer approves the financing contract and all other documentation related to it, including any deed of trust, security agreement, trust agreement, or credit facility. The resolution of the Council of State shall include any other matters as the Council of State may determine.

Section 4.(b) In determining whether to approve a financing contract, the State Treasurer may consider any factors the State Treasurer considers relevant in order to find and determine all of the following:

(1) The principal amount to be advanced to the State under the financing contract is adequate and not excessive for the purpose of paying the cost of the Project.

(2) The increase, if any, in State revenues necessary to pay the sums to become due under the financing contract is not excessive.

(3) The financing contract can be entered into on terms desirable to the State.

(4) In the case of delivery of certificates of participation, the sale of certificates of participation will not have an adverse effect upon any scheduled or proposed sale of obligations of the State or any State agency or of any unit of local government in the State.

Section 5. Security. -- (a) In order to secure the performance by the State of its obligations under a financing contract, the State may grant a lien on, or security interest in, all or any part of the Project or the land upon which the Project is or will be located.

Section 5.(b) No deficiency judgment may be rendered against the State or any agency, department, or commission of the State in any action for breach of any obligation contained in a financing contract entered into under this act or contained in any other related documentation, and the taxing power of the State or any agency, department, or commission of the State is not and may not be pledged directly or indirectly to secure any moneys due under a financing contract authorized by this act. In the event that the General Assembly does not appropriate funds sufficient to make payments required under the financing contract, the net proceeds received from the sale, lease, or other disposition of the Project or the site, or a portion of the Project or the site, subject to a lien or security interest created pursuant to subsection (a) of this section shall be applied to satisfy the payment obligations in accordance with the deed of trust, security agreement, or other documentation creating the lien or security interest. These net proceeds are appropriated for the purpose of making these payments. Any net proceeds in excess of the amount required to satisfy the obligations of the State under a financing contract or any other related documentation shall be paid to the State Treasurer for deposit to the General Fund of the State.

Section 5.(c) A financing contract shall not contain a nonsubstitution clause that restricts the right of the State to replace or provide a substitute for the Project.

Section 5.(d) A financing contract may include provisions requesting the Governor to submit in the Governor's budget proposal, or any amendments or supplements to the budget proposal, appropriations necessary to make the payments required under the financing contract.

Section 5.(e) A financing contract may contain any provisions for protecting and enforcing the rights and remedies of the entity advancing moneys or providing funds under the financing contract as may be reasonable, proper, and not in violation of law, including covenants setting forth the duties of the State in respect of the purposes to which the funds advanced under the financing contract may be applied and the duties of the State with respect to the Project, including, without limitation, provisions relating to insuring and maintaining the Project and to the custody, safeguarding, investment, and application of moneys.

Section 5.(f) The interest component of the installment payments to be made under a financing contract may be calculated based upon a fixed or variable interest rate or rates as determined by the State Treasurer.

Section 5.(g) If the State Treasurer determines that it is in the best interest of the State, the State may enter into, or arrange for the delivery of, a credit facility to secure payment of the installment payments under a financing contract or to secure payment of the purchase price of any certificates of participation delivered as provided in this act.

Section 5.(h) The entity entering into a financing contract with the State and any other professionals providing services relating to the financing contract, including, without limitation, the provider of any credit facility and the underwriter or placement agent for any certificates of participation, shall be selected by the State Treasurer pursuant to a competitive bidding process or negotiated process as determined by the State Treasurer.

Section 6. Source of Repayment. -- (a) The payment of amounts payable by the State under a financing contract and other related documentation during any fiscal biennium or fiscal year shall be limited to funds appropriated for that purpose by the General Assembly in its discretion. No provision of this act and no financing contract shall be construed or interpreted as creating a pledge of the faith and credit of the State or any agency, department, or commission of the State within the meaning of any constitutional debt limitation.

Section 6.(b) It is the intent of the General Assembly that the payments due under a financing contract and any other related documentation shall be made from amounts appropriated to and deposited in the Wildlife Resources Fund pursuant to G.S. 143-250 and from funds appropriated to and deposited in the Wildlife Endowment Fund pursuant to G.S. 143-250.1, including investment earnings on these amounts, in each case to the extent the funds may be lawfully applied for this purpose. In the event that funds appropriated to and deposited in the Wildlife Resources Fund and the Wildlife Endowment Fund, including investment earnings on such amounts, are not sufficient to make these payments, the General Assembly is not obligated to appropriate additional funds necessary to make these payments. The General Assembly may, however, in its discretion, appropriate the additional funds.

Section 6.(c) A financing contract entered into pursuant to this act shall incorporate a statement which sets forth a description of the provisions of subsections (a) and (b) of this section.

Section 6.(d) Expenditures during each fiscal biennium or fiscal year from the Wildlife Resources Fund and the Wildlife Endowment Fund shall be administered by the Wildlife Resources Commission in such a manner so as to assure that sufficient amounts shall be available in the Wildlife Resources Fund and the Wildlife Endowment Fund to make the required payments under a financing contract and any other related documentation.

Section 7. Certificates of Participation. -- (a) If certificates of participation are delivered pursuant to this act, a special corporation shall be created for the purpose of entering into a financing contract and executing and delivering certificates of participation. The special corporation shall furnish to the State Treasurer any information and documentation relating to the delivery and sale of the certificates of participation that the State Treasurer requests.

Section 7.(b) Certificates of participation may be sold by the State Treasurer in the manner, either at public or private sale, and for any price or prices that the State Treasurer determines to be in the best interest of the State and to effect the purposes of this act, except that the sale must be approved by the special corporation. Interest payable with respect to certificates of participation shall accrue at the rate or rates determined by the State Treasurer with the approval of the special corporation.

Section 7.(c) Certificates of participation may be delivered pursuant to a trust agreement with a corporate trustee approved by the State Treasurer. The corporate trustee may be any trust company or bank having the powers of a trust company within or without the State. A trust agreement may (i) provide for security and pledges and assignments with respect to the security as may be permitted under this act and further provide for the enforcement of any lien or security interest created pursuant to Section 5(a) of this act, and (ii) contain any provisions for protecting and enforcing the rights and remedies of the owners of any certificates of participation as may be reasonable, proper, and not in violation of law, as determined by the State Treasurer.

Section 8. Insurance. -- The State Treasurer may authorize, execute, obtain, or otherwise provide for bond insurance, credit facilities, interest rate swap agreements, and any other related instruments that the State Treasurer considers desirable in connection with the financing of a Project as provided in this act.

Section 9. Tax Exemption. -- A financing contract entered into under this act and any certificates of participation relating to it are exempt from all State, county, and municipal taxation or assessment, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, except for inheritance, estate, and gift taxes, income taxes on the gain from the transfer of the financing contract or certificates of participation, and franchise taxes. The interest component of the installment payments made by the State under the financing contract, including the interest component of any certificates of participation, is not subject to taxation as income.

Section 10. Public Contracts. -- The provisions of Articles 3 (Purchase and Contracts), 3B (Energy Conservation in Public Facilities), 3C (Contracts to Obtain Consultant Services), 3D (Procurement of Architectural, Engineering, and Surveying Services), and 8 (Public Contracts) of Chapter 143 of the General Statutes and any other laws, rules, or regulations of the State as relate to the acquisition and construction of State property apply to a Project. It is the intent of the General Assembly that the Office Project should be a sustainably designed facility.

Section 11. Interpretation of Act. -- (a) The foregoing sections of this act provide an additional and alternative method for the doing of the things authorized by the act, are supplemental and additional to powers conferred by other laws, and do not derogate any powers now existing.

Section 11.(b) References in this act to specific sections or Chapters of the General Statutes are intended to be references to those sections or Chapters as amended and as they may be amended from time to time by the General Assembly.

Section 11.(c) This act, being necessary for the health and welfare of the people of the State, shall be liberally construed to effect its purposes.

Section 11.(d) If any provision of this act or its application is held invalid, the invalidity does not affect other provisions or applications of this act that can be given effect without the invalid provisions or application, and to this end the provisions of this act are severable.

Section 12. Effective Date. -- This act is effective when it becomes law.

BILL SUMMARY: This bill authorizes the Wildlife Resources Commission (WRC) to enter into a financing contract for $13.5 million for the purposes of constructing a WRC administration building and resources center to be located on the Centennial Campus of North Carolina State University. The bill also authorizes the WRC to finance $4 million for the construction of a new eastern wildlife education center to be located in Currituck County.

ASSUMPTIONS AND METHODOLOGY: The construction financing costs authorized by this bill have no general fund impact, but rather are borne entirely by the Wildlife Resources Commission. The WRC expects to fund the construction of the new administration and education center and the eastern wildlife education center internally, with currently unbudgeted funds.

The anticipated yearly loan payment cost of the $13.5 million administration and education facility at 5.1% for 25 years is $956,495. The annual loan payment for the $4 million eastern wildlife center given the same loan term and interest rate is $283,406. The 5.1% rate of interest is

estimated using the most current seven day average of the open market tax-exempt bond rate. Upon the passing of this bill, the actual financing rate could be slightly higher or lower than the estimated 5.1%. The financing of this bill is to be handled by a consortium of banks and financial institutions as has been the practice in financing previous construction on the Centennial Campus. Though the individual financial institutions handling the financing are currently undecided, it will be a competitive offering with bids reviewed by the State Treasurer, and authorized by the Council of State.

Loan Terms

Estimated Cost of Building	$13,500,000	$4,000,000
Loan Term	25 years	25 years
Current Variable Interest Rate for Tax-Exempt Loans	5.10%	5.10%
Estimated Yearly Loan Payment	$956,495	$283,406

Funding for the yearly estimated loan payment comes from four revenue sources within the WRC. These revenues are outlined in the following table:

Available Funding Sources	WRC Adm. & Educ. Ctr.	Eastern NC Educ. Ctr.
(1) Current Lease Expense	$375,000	
(2) Short Term Interest (STIF) Earned on Wildlife Fund	$470,000	
(3) Sales Tax	$111,495	
(4) Endowment Fund Interest		$283,406
Estimated Yearly Loan Payments	$956,495	$283,406

1) The current WRC lease expense is supported by receipts collected from the sale of hunting and fishing licenses. Monies that are currently allocated toward rent payments would be allocated toward loan payments for the WRC administration center upon the passing of this bill. Therefore, the cost of hunting and fishing licenses to NC residents would be unaffected by this legislation.
2) The Wildlife Fund earns interest in the short term investment fund (STIF) at the Office of the State Treasurer. The projected annual revenue from this fund is approximately $572,000. Of this projected revenue, $470,000 is currently unbudgeted and could be directed towards yearly loan payments on the WRC administration center.
3) Under G.S. 105-633.4B, the Wildlife Fund earns a percentage of the state sales and use tax each year. $111,495 of the Fund balance would be appropriated towards making yearly loan payments for the WRC administration center upon the passing of this bill.
4) The Wildlife Endowment Fund earns interest in the long term investment fund (LTIF) at the Office of the State Treasurer. The estimated monthly interest earned is approximately $259,000 or $3.1 million per year. Each year the commissioners approve one time expenditures from the fund for approved wildlife projects. Receipts from the interest earned

on the endowment fund are not currently budgeted, and could be directed toward payment of the eastern wildlife education center yearly loan payment.

Estimates on the construction costs of the two facilities were made using the Office of State Construction guidelines so that the potential for additional construction expenditures were taken into account. But if the projects were to go over budget, WRC staff are confident that the Endowment Fund interest would cover extra costs, and no additonal appropriations would be requested. The estimated yearly operating costs of the eastern wildlife education center are $45,000. Monies from the Endowment Fund will be appropriated to pay for these operating costs. Similarly, any increase in yearly expenses associated with the Raleigh administration and education center will be paid for with monies from this fund.

MINUTES
HOUSE COMMITTEE ON FINANCE

Wednesday, June 28, 2000

The House Committee on Finance met on Wednesday, June 28, 2000 in Room 544 of the Legislative Office Building at 8:30 a.m. The following members were present: Chairs Allen, Luebke and Miller; Vice Chairs Jarrell and Wood; Representatives Bridgeman, Brown, Buchanan, Capps, Cox, Creech, Decker, Dedmon, Eddins, Edwards, Ford, Gibson, Goodwin, Gray, Hackney, Haire, Hill, Howard, McCombs, Miner, Pope, Rayfield, Starnes, Tucker, Weiss, Wilson, and Womble. Ex Officio members Baddour, Earle, and Cunningham. Staff including Cindy Avrette, Richard Bostic, Martha Harris, Linda Millsaps, Giles Perry, Evan Rodewald, Mary Shuping; Eugene Son and Rebekah Butler, Interns; were in attendance. A Visitor Registration List is attached and made a part of these minutes.

Chair Allen called the meeting to order. Chair Allen commented briefly on the agenda and proceeded to consider the following bills:

Senator Kerr was recognized to continue with SB 1477, A BILL TO BE ENTITLED AN ACT TO PROVIDE FOR A NEW, SUSTAINABLY DESIGNED, STATE OFFICE BUILDING AND WILDLIFE EDUCATION CENTER WITH RELATED PARKING FACILITIES, TO BE USED BY THE WILDLIFE RESOURCES COMMISSION, PURSUANT TO AN INSTALLMENT FINANCING CONTRACT IN A PRINCIPAL AMOUNT NOT TO EXCEED THIRTEEN MILLION FIVE HUNDRED THOUSAND DOLLARS, AND TO PROVIDE FOR A NEW EASTERN WILDLIFE EDUCATION CENTER WITH RELATED PARKING FACILITIES, TO BE ADMINISTERED BY THE WILDLIFE RESOURCES COMMISSION, PURSUANT TO AN INSTALLMENT FINANCING CONTRACT IN A PRINCIPAL AMOUNT NOT TO EXCEED FOUR MILLION DOLLARS. Rep. Buchanan made a motion to adopt a Proposed Committee Substitute for discussion. The motion passed. Rep. Buchanan was recognized to speak on the bill. Rep. Buchanan noted that the Department of Transportation had expressed concern over the ability to finance portions of this bill. Rep. Buchanan stated that he is opposed to this bill. Rep. Luebke made a motion to displace this bill until Rep. Hackney arrived. The motion passed.

Chair Allen recognized the pages and Sargent-at-Arms staff. Chair Allen noted that HB 1049 would not be heard today.

Senator Miller was recognized to explain SB 1481, A BILL TO BE ENTITLED AN ACT TO AMEND THE LEGAL DESCRIPTION OF THE REAL PROPERTY LOCATED WITHIN THE COUNTIES OF DURHAM AND WAKE, AS SET FORTH IN SECTION 2, CHAPTER 435, SESSION LAWS OF 1985, AND AS AMENDED BY SECTION 4, CHAPTER 841, SESSION LAWS OF 1989. Rep. Haire made a motion to give the bill a favorable report. The motion passed. A copy of the bill included in the minutes.

Rep. Crawford was recognized to explain HB 1630, A BILL TO BE ENTITLED AN ACT TO AUTHORIZE CONSTRUCTION OF A PILOT PRIVATELY FUNDED TOLL ROAD OR BRIDGE PROJECT AND TO DIRECT THE DEPARTMENT OF TRANSPORTATION TO

STUDY THE FEASIBILITY OF STATE-OWNED AND OPERATED TOLL ROADS OR BRIDGES. Chair Allen noted that HB 1630 had been scheduled for discussion only but some issues had been worked out and, subsequently; the bill would be heard and voted on. Rep. Bridgeman made a motion to adopt the Proposed Committee Substitute for discussion. The motion passed. Rep. Jarrell asked what would be the advantage of having a toll road. Rep. Crawford stated that the toll road would provide an additional route and also alleviate congestion on existing routes. Rep. Womble asked if state personnel, police and ambulances, would be required to cover this road. Rep. Crawford noted that the state already covers private roads and the Highway Patrol may be an additional fringe cost. Rep. Womble was recognized to speak on the bill. Rep. Womble noted that he would not be able to support the bill in its current form. Rep. Gray made a motion to give the Proposed Committee Substitute a favorable report and give the original bill an unfavorable report. Rep. Creech asked how the potential toll road builder could build this road faster than the state's Department of Transportation can. Rep. Crawford noted that this would be his only project whereas the Department of Transportation works on hundreds of projects simultaneously. Rep. Starnes was recognized to speak on the bill. Rep. Starnes stated that he had a problem turning over the owning and controlling of the state's infrastructure to private entities. Rep. Miller was recognized to speak on the bill. Rep. Miller noted that he spoke against the bill on the floor of the House of Representatives. Rep. Miller stated that the Proposed Committee Substitute has moved in the right direction by limiting this experiment to one toll road. Rep. Miller noted that the state was facing a potential gridlock situation and this experiment may provide an answer. Rep. Cole was recognized to speak on the bill. Rep. Cole, Co-chair of the Transportation Financing Committee, relayed several issues that the committee addressed including emission levels, traffic flow and interviews of Mr. Allen (proposed toll road builder). Jim Harrington, former Secretary of Transportation, was recognized to speak on the bill. Mr. Harrington noted that the Transportation Financing Committee looked at several ways to improve the state's current situation. Mr. Harrington stated that one of the recommendations from this committee was to look at toll roads as a supplementary approach to the problem. Tom Bradshaw, former Secretary of Transportation, was recognized to speak on the bill. Mr. Bradshaw noted examples of toll roads across the country. Mr. Bradshaw stated that the Transportation Financing Committee was recommending this approach as a pilot program and not as a panacea for all of the state's road issues. Mr. Bradshaw noted that technology has made this approach much more feasible than in years past. Ms. Jane Pinsky, with AAA of the Carolinas, was recognized to speak on the bill. Ms. Pinsky noted that her members expressed concerns over diverting state services, police and ambulance, to toll roads and her members were against the bill. Rep. Howard questioned Rep. Crawford as to the exemptions to open bidding regarding the toll road. Rep. Crawford stated that he would get back with her regarding that issue. There being no further questions, a vote was taken. The motion passed. A copy of the Proposed Committee Substitute, bill analysis and fiscal note included in the minutes.

Senator Kerr was recognized to continue with SB 1477. Rep. Hackney made a motion to give the original bill a favorable report. The motion passed. A copy of the bill, and the Proposed Committee Substitute included in the minutes.

Rep. Bonner was recognized to explain HB 1302, A BILL TO BE ENTITLED AN ACT TO EXEMPT FROM TAX MOTOR FUEL SOLD TO CHARTER SCHOOLS. Rep. Gibson made a motion to concur. The motion passed. A copy of the bill, and the bill analysis included in the minutes.

Rep. Brown was recognized to explain SB 1193, A BILL TO BE ENTITLED AN ACT TO RESOLVE A BOUNDARY OVERLAP BETWEEN THE RONDA AND ROARING RIVER VOLUNTEER FIRE TAX DISTRICTS IN WILKES COUNTY AND TO VALIDATE CERTAIN ACTIONS, AND TO EXPAND THE GLENDALE SPRINGS FIRE PROTECTION DISTRICT IN ASHE COUNTY. Rep. Brown made a motion to give the bill a favorable report. The motion passed. A copy of the bill included in the minutes.

Chair Allen noted that the committee would meet tomorrow and continue with the bills from today's agenda.

There being no further business, the Chair adjourned the meeting at 9:58 a.m.

Respectfully submitted:

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR A NEW, SUSTAINABLY DESIGNED, STATE OFFICE BUILDING AND WILDLIFE EDUCATION CENTER WITH RELATED PARKING FACILITIES, TO BE USED BY THE WILDLIFE RESOURCES COMMISSION, PURSUANT TO AN INSTALLMENT FINANCING CONTRACT IN A PRINCIPAL AMOUNT NOT TO EXCEED THIRTEEN MILLION FIVE HUNDRED THOUSAND DOLLARS, AND TO PROVIDE FOR A NEW EASTERN WILDLIFE EDUCATION CENTER WITH RELATED PARKING FACILITIES, TO BE ADMINISTERED BY THE WILDLIFE RESOURCES COMMISSION, PURSUANT TO AN INSTALLMENT FINANCING CONTRACT IN A PRINCIPAL AMOUNT NOT TO EXCEED FOUR MILLION DOLLARS.

The General Assembly of North Carolina enacts:

Section 1. Authorization of Projects. -- (a) Raleigh Wildlife Center. -- The Department of Administration is authorized to acquire, construct, and equip a new State administrative office building and wildlife education center, and related parking facilities, to be located on the Centennial Campus of North Carolina State University at Raleigh, in the City of Raleigh, North Carolina, to be used by the Wildlife Resources Commission. Title to these facilities shall be held in the name of the State. The cost of acquiring, constructing, and equipping these facilities shall be financed as provided in this act.

Section 1.(b) Eastern Wildlife Education Center. -- The Department of Administration is authorized to acquire, construct, and equip a new State wildlife

education center, and related parking facilities, to be located in Currituck County and to be administered by the Wildlife Resources Commission. Title to these facilities shall be held in the name of the State. The cost of acquiring, constructing, and equipping these facilities shall be financed as provided in this act.

Section 2. Definitions. -- Unless a different meaning is required by the context, the following definitions apply in this act:

(1) "Certificates of participation" means certificates or other instruments delivered by a special corporation as provided in this act evidencing the assignment of proportionate and undivided interests in the rights to receive installment payments to be made by the State pursuant to a financing contract.

(2) "Cost" includes all of the following, without limiting or restricting any proper definition of this term in financing the cost of a Project as authorized by this act:

a. The cost of acquiring, constructing, and equipping the Project, including the acquisition of rights-of-way, easements, franchises, equipment, furnishings, and other interests in real or personal property acquired or used in connection with the Project.

b. The cost of engineering, architectural, and other consulting services as may be required.

c. Finance charges, reserves for installment payments and interest prior to and during construction and, if considered advisable by the State Treasurer, for a period not exceeding two years after the estimated date of completion of construction.

d. Administrative expenses and charges.

e. The cost of bond insurance, credit and liquidity facilities, interest rate swap agreements, financial and legal consultants, and related costs of financing the Project or delivering and selling certificates of participation, to the extent and as determined by the State Treasurer.

f. The cost of reimbursing the State for any payments made for any cost described above.

g. Any other costs and expenses necessary or incidental to the purposes of this act.

(3) "Credit facility" means an agreement that:

a. Is entered into by the State with a bank, savings and loan association, or other banking institution, an insurance company, reinsurance company, surety company or other insurance institution, a corporation, investment banking firm or other investment institution, or any financial institution or other similar provider of a credit facility, which provider

may be located within or without the United States of America; and

b. Provides for prompt payment of all or any part of the principal or purchase price (whether at maturity, presentment or tender for purchase, redemption, or acceleration), redemption premium, if any, and interest with respect to any financing contract or certificates of participation in consideration of the State agreeing to repay the provider of the credit facility in accordance with the terms and provisions of the agreement.

(4) "Department of Administration" means the North Carolina Department of Administration, created by Article 36 of Chapter 143 of the General Statutes, or should the Department of Administration be abolished or otherwise divested of its functions under this act, the public body succeeding it in its principal functions, or upon which are conferred by law the rights, powers, and duties given by this act to the Department of Administration.

(5) "Eastern Wildlife Education Center Project" means the (i) new State wildlife education center to be located in Currituck County, and related parking facilities, and (ii) equipment and furnishings related to the center and parking facilities.

(6) "Financing contract" means an installment financing contract entered into pursuant to the provisions of this act to finance the cost of a Project.

(7) "Office Project" means the (i) new State administrative office building and wildlife education center to be located in Raleigh, and related parking facilities, and (ii) equipment and furnishings related to the building, center, and parking facilities.

(8) "Project" means the Eastern Wildlife Education Center Project, the Office Project, or both.

(9) "Special corporation" means a nonprofit corporation created under Chapter 55A of the General Statutes for the purpose of delivering any certificates of participation provided by this act.

(10) "State" means the State of North Carolina.

(11) "Sustainably designed facility" means a building and surrounding environs designed using features that are energy efficient, incorporate reuseable and renewable resources, provide natural lighting, are nontoxic, require low maintenance, are congruent with the natural characteristics of the site, and cause minimum adverse impact to the environment.

(12) "Wildlife Resources Commission" means the North Carolina Wildlife Commission, created by Article 24 of Chapter 143 of the General Statutes, or should the North Carolina Wildlife Resources Commission be abolished or otherwise divested of its functions

under this act, the public body succeeding it in its principal functions, or upon which are conferred by law the rights, powers, and duties given by this act to the North Carolina Wildlife Resources Commission.

Section 3. Authorization of Financing Contracts. -- (a) The State, with the prior approval of the Council of State and the State Treasurer as provided in this act, is authorized to execute and deliver a financing contract in a principal amount not to exceed thirteen million five hundred thousand dollars ($13,500,000) in order to provide funds to the Department of Administration and the Wildlife Resources Commission to be used, together with any other available funds, to pay the cost of the Office Project.

Section 3.(b) The State, with the prior approval of the Council of State and the State Treasurer as provided in this act, is authorized to execute and deliver a financing contract in a principal amount not to exceed four million dollars ($4,000,000) in order to provide funds to the Department of Administration and the Wildlife Resources Commission to be used, together with any other available funds, to pay the cost of the Eastern Wildlife Education Center Project.

Section 3.(c) If the State determines that it is in its best interest to do so, the State may enter into one financing contract to finance both of the Projects described in subsections (a) and (b) of this section. The principal amount of the financing contract shall not, however, exceed seventeen million five hundred thousand dollars ($17,500,000).

Section 4. Approval Required. -- (a) A financing contract may not be entered into pursuant to this act unless prior to entering into the financing contract (1) the Council of State, by resolution, approves the execution and delivery of the financing contract, which resolution shall set forth (i) the not to exceed term or final maturity of the financing contract, (ii) the not to exceed interest rate or rates (or the equivalent thereof) with respect to the financing contract, and (iii) the appropriate officers of the State to execute and deliver the financing contract and all other documentation relating to it, and (2) the State Treasurer approves the financing contract and all other documentation related to it, including any deed of trust, security agreement, trust agreement, or credit facility. The resolution of the Council of State shall include any other matters as the Council of State may determine.

Section 4.(b) In determining whether to approve a financing contract, the State Treasurer may consider any factors the State Treasurer considers relevant in order to find and determine all of the following:

(1) The principal amount to be advanced to the State under the financing contract is adequate and not excessive for the purpose of paying the cost of the Project.

(2) The increase, if any, in State revenues necessary to pay the sums to become due under the financing contract is not excessive.

(3) The financing contract can be entered into on terms desirable to the State.

(4) In the case of delivery of certificates of participation, the sale of certificates of participation will not have an adverse effect upon any scheduled or proposed sale of obligations of the State or any State agency or of any unit of local government in the State.

Section 5. Security. -- (a) In order to secure the performance by the State of its obligations under a financing contract, the State may grant a lien on, or security interest in, all or any part of the Project or the land upon which the Project is or will be located.

Section 5.(b) No deficiency judgment may be rendered against the State or any agency, department, or commission of the State in any action for breach of any obligation contained in a financing contract entered into under this act or contained in any other related documentation, and the taxing power of the State or any agency, department, or commission of the State is not and may not be pledged directly or indirectly to secure any moneys due under a financing contract authorized by this act. In the event that the General Assembly does not appropriate funds sufficient to make payments required under the financing contract, the net proceeds received from the sale, lease, or other disposition of the Project or the site, or a portion of the Project or the site, subject to a lien or security interest created pursuant to subsection (a) of this section shall be applied to satisfy the payment obligations in accordance with the deed of trust, security agreement, or other documentation creating the lien or security interest. These net proceeds are appropriated for the purpose of making these payments. Any net proceeds in excess of the amount required to satisfy the obligations of the State under a financing contract or any other related documentation shall be paid to the State Treasurer for deposit to the General Fund of the State.

Section 5.(c) A financing contract shall not contain a nonsubstitution clause that restricts the right of the State to replace or provide a substitute for the Project.

Section 5.(d) A financing contract may include provisions requesting the Governor to submit in the Governor's budget proposal, or any amendments or supplements to the budget proposal, appropriations necessary to make the payments required under the financing contract.

Section 5.(e) A financing contract may contain any provisions for protecting and enforcing the rights and remedies of the entity advancing moneys or providing funds under the financing contract as may be reasonable, proper, and not in violation of law, including covenants setting forth the duties of the State in respect of the purposes to which the funds advanced under the financing contract may be applied and the duties of the State with respect to the Project, including, without limitation, provisions relating to insuring and maintaining the Project and to the custody, safeguarding, investment, and application of moneys.

Section 5.(f) The interest component of the installment payments to be made under a financing contract may be calculated based upon a fixed or variable interest rate or rates as determined by the State Treasurer.

Section 5.(g) If the State Treasurer determines that it is in the best interest of the State, the State may enter into, or arrange for the delivery of, a credit facility to secure payment of the installment payments under a financing contract or to secure payment of the purchase price of any certificates of participation delivered as provided in this act.

Section 5.(h) The entity entering into a financing contract with the State and any other professionals providing services relating to the financing contract, including, without limitation, the provider of any credit facility and the underwriter or placement agent for any certificates of participation, shall be selected by the State Treasurer pursuant to a competitive bidding process or negotiated process as determined by the State Treasurer.

Section 6. Source of Repayment. -- (a) The payment of amounts payable by the State under a financing contract and other related documentation during any fiscal biennium or fiscal year shall be limited to funds appropriated for that purpose by the General Assembly in its discretion. No provision of this act and no financing contract shall be construed or interpreted as creating a pledge of the faith and credit of the State or any agency, department, or commission of the State within the meaning of any constitutional debt limitation.

Section 6.(b) It is the intent of the General Assembly that the payments due under a financing contract and any other related documentation shall be made from amounts appropriated to and deposited in the Wildlife Resources Fund pursuant to G.S. 143-250 and from funds appropriated to and deposited in the Wildlife Endowment Fund pursuant to G.S. 143-250.1, including investment earnings on these amounts, in each case to the extent the funds may be lawfully applied for this purpose. In the event that funds appropriated to and deposited in the Wildlife Resources Fund and the Wildlife Endowment Fund, including investment earnings on such amounts, are not sufficient to make these payments, the General Assembly is not obligated to appropriate additional funds necessary to make these payments. The General Assembly may, however, in its discretion, appropriate the additional funds.

Section 6.(c) A financing contract entered into pursuant to this act shall incorporate a statement which sets forth a description of the provisions of subsections (a) and (b) of this section.

Section 6.(d) Expenditures during each fiscal biennium or fiscal year from the Wildlife Resources Fund and the Wildlife Endowment Fund shall be administered by the Wildlife Resources Commission in such a manner so as to assure that sufficient amounts shall be available in the Wildlife Resources Fund and the Wildlife Endowment Fund to make the required payments under a financing contract and any other related documentation.

Section 7. Certificates of Participation. -- (a) If certificates of participation are delivered pursuant to this act, a special corporation shall be created for the purpose of entering into a financing contract and executing and delivering certificates of participation. The special corporation shall furnish to the State Treasurer any information and documentation relating to the delivery and sale of the certificates of participation that the State Treasurer requests.

Section 7.(b) Certificates of participation may be sold by the State Treasurer in the manner, either at public or private sale, and for any price or prices that the State Treasurer determines to be in the best interest of the State and to effect the purposes of this act, except that the sale must be approved by the special corporation. Interest payable with respect to certificates of participation shall accrue at the rate or rates determined by the State Treasurer with the approval of the special corporation.

Section 7.(c) Certificates of participation may be delivered pursuant to a trust agreement with a corporate trustee approved by the State Treasurer. The corporate trustee may be any trust company or bank having the powers of a trust company within or without the State. A trust agreement may (i) provide for security and pledges and assignments with respect to the security as may be permitted under this act and further provide for the enforcement of any lien or security interest created pursuant to Section 5(a) of this act, and (ii) contain any provisions for protecting and enforcing the rights and remedies of the owners of any certificates of participation as may be reasonable, proper, and not in violation of law, as determined by the State Treasurer.

Section 8. Insurance. -- The State Treasurer may authorize, execute, obtain, or otherwise provide for bond insurance, credit facilities, interest rate swap agreements, and any other related instruments that the State Treasurer considers desirable in connection with the financing of a Project as provided in this act.

Section 9. Tax Exemption. -- A financing contract entered into under this act and any certificates of participation relating to it are exempt from all State, county, and municipal taxation or assessment, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, except for inheritance, estate, and gift taxes, income taxes on the gain from the transfer of the financing contract or certificates of participation, and franchise taxes. The interest component of the installment payments made by the State under the financing contract, including the interest component of any certificates of participation, is not subject to taxation as income.

Section 10. Public Contracts. -- The provisions of Articles 3 (Purchase and Contracts), 3B (Energy Conservation in Public Facilities), 3C (Contracts to Obtain Consultant Services), 3D (Procurement of Architectural, Engineering, and Surveying Services), and 8 (Public Contracts) of Chapter 143 of the General Statutes and any other laws, rules, or regulations of the State as relate to the acquisition and construction of State property apply to a Project. It is the intent of the General Assembly that the Office Project should be a sustainably designed facility.

Section 11. Interpretation of Act. -- (a) The foregoing sections of this act provide an additional and alternative method for the doing of the things authorized by the act, are supplemental and additional to powers conferred by other laws, and do not derogate any powers now existing.

Section 11.(b) References in this act to specific sections or Chapters of the General Statutes are intended to be references to those sections or Chapters as amended and as they may be amended from time to time by the General Assembly.

Section 11.(c) This act, being necessary for the health and welfare of the people of the State, shall be liberally construed to effect its purposes.

Section 11.(d) If any provision of this act or its application is held invalid, the invalidity does not affect other provisions or applications of this act that can be given effect without the invalid provisions or application, and to this end the provisions of this act are severable.

Section 12. Effective Date. -- This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR A NEW, SUSTAINABLY DESIGNED, STATE OFFICE BUILDING AND WILDLIFE EDUCATION CENTER WITH RELATED PARKING FACILITIES, TO BE USED BY THE WILDLIFE RESOURCES COMMISSION, PURSUANT TO AN INSTALLMENT FINANCING CONTRACT IN A PRINCIPAL AMOUNT NOT TO EXCEED THIRTEEN MILLION FIVE HUNDRED THOUSAND DOLLARS, AND TO PROVIDE FOR A NEW EASTERN WILDLIFE EDUCATION CENTER WITH RELATED PARKING FACILITIES, TO BE ADMINISTERED BY THE WILDLIFE RESOURCES COMMISSION, PURSUANT TO AN INSTALLMENT FINANCING CONTRACT IN A PRINCIPAL AMOUNT NOT TO EXCEED FOUR MILLION DOLLARS AND TO AUTHORIZE THE DEPARTMENT OF TRANSPORTATION TO CONSTRUCT ACCESS TO RIVERS AND STREAMS.

The General Assembly of North Carolina enacts:

Section 1. Authorization of Projects. -- (a) Raleigh Wildlife Center. -- The Department of Administration is authorized to acquire, construct, and equip a new State administrative office building and wildlife education center, and related parking facilities, to be located on the Centennial Campus of North Carolina State University at Raleigh, in the City of Raleigh, North Carolina, to be used by the Wildlife Resources Commission. Title to these facilities shall be held in the name of the State.

The cost of acquiring, constructing, and equipping these facilities shall be financed as provided in this act.

Section 1.(b) Eastern Wildlife Education Center. -- The Department of Administration is authorized to acquire, construct, and equip a new State wildlife education center, and related parking facilities, to be located in Currituck County and to be administered by the Wildlife Resources Commission. Title to these facilities shall be held in the name of the State. The cost of acquiring, constructing, and equipping these facilities shall be financed as provided in this act.

Section 2. Definitions. -- Unless a different meaning is required by the context, the following definitions apply in this act:

(1) "Certificates of participation" means certificates or other instruments delivered by a special corporation as provided in this act evidencing the assignment of proportionate and undivided interests in the rights to receive installment payments to be made by the State pursuant to a financing contract.

(2) "Cost" includes all of the following, without limiting or restricting any proper definition of this term in financing the cost of a Project as authorized by this act:

a. The cost of acquiring, constructing, and equipping the Project, including the acquisition of rights-of-way, easements, franchises, equipment, furnishings, and other interests in real or personal property acquired or used in connection with the Project.

b. The cost of engineering, architectural, and other consulting services as may be required.

c. Finance charges, reserves for installment payments and interest prior to and during construction and, if considered advisable by the State Treasurer, for a period not exceeding two years after the estimated date of completion of construction.

d. Administrative expenses and charges.

e. The cost of bond insurance, credit and liquidity facilities, interest rate swap agreements, financial and legal consultants, and related costs of financing the Project or delivering and selling certificates of participation, to the extent and as determined by the State Treasurer.

f. The cost of reimbursing the State for any payments made for any cost described above.

g. Any other costs and expenses necessary or incidental to the purposes of this act.

(3) "Credit facility" means an agreement that:

a. Is entered into by the State with a bank, savings and loan association, or other banking institution, an insurance company, reinsurance company, surety company or other

insurance institution, a corporation, investment banking firm or other investment institution, or any financial institution or other similar provider of a credit facility, which provider may be located within or without the United States of America; and

b. Provides for prompt payment of all or any part of the principal or purchase price (whether at maturity, presentment or tender for purchase, redemption, or acceleration), redemption premium, if any, and interest with respect to any financing contract or certificates of participation in consideration of the State agreeing to repay the provider of the credit facility in accordance with the terms and provisions of the agreement.

(4) "Department of Administration" means the North Carolina Department of Administration, created by Article 36 of Chapter 143 of the General Statutes, or should the Department of Administration be abolished or otherwise divested of its functions under this act, the public body succeeding it in its principal functions, or upon which are conferred by law the rights, powers, and duties given by this act to the Department of Administration.

(5) "Eastern Wildlife Education Center Project" means the (i) new State wildlife education center to be located in Currituck County, and related parking facilities, and (ii) equipment and furnishings related to the center and parking facilities.

(6) "Financing contract" means an installment financing contract entered into pursuant to the provisions of this act to finance the cost of a Project.

(7) "Office Project" means the (i) new State administrative office building and wildlife education center to be located in Raleigh, and related parking facilities, and (ii) equipment and furnishings related to the building, center, and parking facilities.

(8) "Project" means the Eastern Wildlife Education Center Project, the Office Project, or both.

(9) "Special corporation" means a nonprofit corporation created under Chapter 55A of the General Statutes for the purpose of delivering any certificates of participation provided by this act.

(10) "State" means the State of North Carolina.

(11) "Sustainably designed facility" means a building and surrounding environs designed using features that are energy efficient, incorporate reuseable and renewable resources, provide natural lighting, are nontoxic, require low maintenance, are congruent with the natural characteristics of the site, and cause minimum adverse impact to the environment.

(12) "Wildlife Resources Commission" means the North Carolina Wildlife Commission, created by Article 24 of Chapter 143 of the General Statutes, or should the North Carolina Wildlife Resources Commission be abolished or otherwise divested of its functions under this act, the public body succeeding it in its principal functions, or upon which are conferred by law the rights, powers, and duties given by this act to the North Carolina Wildlife Resources Commission.

Section 3. Authorization of Financing Contracts. -- (a) The State, with the prior approval of the Council of State and the State Treasurer as provided in this act, is authorized to execute and deliver a financing contract in a principal amount not to exceed thirteen million five hundred thousand dollars ($13,500,000) in order to provide funds to the Department of Administration and the Wildlife Resources Commission to be used, together with any other available funds, to pay the cost of the Office Project.

Section 3.(b) The State, with the prior approval of the Council of State and the State Treasurer as provided in this act, is authorized to execute and deliver a financing contract in a principal amount not to exceed four million dollars ($4,000,000) in order to provide funds to the Department of Administration and the Wildlife Resources Commission to be used, together with any other available funds, to pay the cost of the Eastern Wildlife Education Center Project.

Section 3.(c) If the State determines that it is in its best interest to do so, the State may enter into one financing contract to finance both of the Projects described in subsections (a) and (b) of this section. The principal amount of the financing contract shall not, however, exceed seventeen million five hundred thousand dollars ($17,500,000).

Section 4. Approval Required. -- (a) A financing contract may not be entered into pursuant to this act unless prior to entering into the financing contract (1) the Council of State, by resolution, approves the execution and delivery of the financing contract, which resolution shall set forth (i) the not to exceed term or final maturity of the financing contract, (ii) the not to exceed interest rate or rates (or the equivalent thereof) with respect to the financing contract, and (iii) the appropriate officers of the State to execute and deliver the financing contract and all other documentation relating to it, and (2) the State Treasurer approves the financing contract and all other documentation related to it, including any deed of trust, security agreement, trust agreement, or credit facility. The resolution of the Council of State shall include any other matters as the Council of State may determine.

Section 4.(b) In determining whether to approve a financing contract, the State Treasurer may consider any factors the State Treasurer considers relevant in order to find and determine all of the following:

(1) The principal amount to be advanced to the State under the financing contract is adequate and not excessive for the purpose of paying the cost of the Project.

(2) The increase, if any, in State revenues necessary to pay the sums to become due under the financing contract is not excessive.

(3) The financing contract can be entered into on terms desirable to the State.

(4) In the case of delivery of certificates of participation, the sale of certificates of participation will not have an adverse effect upon any scheduled or proposed sale of obligations of the State or any State agency or of any unit of local government in the State.

Section 5. Security. -- (a) In order to secure the performance by the State of its obligations under a financing contract, the State may grant a lien on, or security interest in, all or any part of the Project or the land upon which the Project is or will be located.

Section 5.(b) No deficiency judgment may be rendered against the State or any agency, department, or commission of the State in any action for breach of any obligation contained in a financing contract entered into under this act or contained in any other related documentation, and the taxing power of the State or any agency, department, or commission of the State is not and may not be pledged directly or indirectly to secure any moneys due under a financing contract authorized by this act. In the event that the General Assembly does not appropriate funds sufficient to make payments required under the financing contract, the net proceeds received from the sale, lease, or other disposition of the Project or the site, or a portion of the Project or the site, subject to a lien or security interest created pursuant to subsection (a) of this section shall be applied to satisfy the payment obligations in accordance with the deed of trust, security agreement, or other documentation creating the lien or security interest. These net proceeds are appropriated for the purpose of making these payments. Any net proceeds in excess of the amount required to satisfy the obligations of the State under a financing contract or any other related documentation shall be paid to the State Treasurer for deposit to the General Fund of the State.

Section 5.(c) A financing contract shall not contain a nonsubstitution clause that restricts the right of the State to replace or provide a substitute for the Project.

Section 5.(d) A financing contract may include provisions requesting the Governor to submit in the Governor's budget proposal, or any amendments or supplements to the budget proposal, appropriations necessary to make the payments required under the financing contract.

Section 5.(e) A financing contract may contain any provisions for protecting and enforcing the rights and remedies of the entity advancing moneys or providing funds under the financing contract as may be reasonable, proper, and not in violation of law, including covenants setting forth the duties of the State in respect of the purposes to which the funds advanced under the financing contract may be applied and the duties of the State with respect to the Project, including, without limitation, provisions relating to insuring and maintaining the Project and to the custody, safeguarding, investment, and application of moneys.

Section 5.(f) The interest component of the installment payments to be made under a financing contract may be calculated based upon a fixed or variable interest rate or rates as determined by the State Treasurer.

Section 5.(g) If the State Treasurer determines that it is in the best interest of the State, the State may enter into, or arrange for the delivery of, a credit facility to secure payment of the installment payments under a financing contract or to secure payment of the purchase price of any certificates of participation delivered as provided in this act.

Section 5.(h) The entity entering into a financing contract with the State and any other professionals providing services relating to the financing contract, including, without limitation, the provider of any credit facility and the underwriter or placement agent for any certificates of participation, shall be selected by the State Treasurer pursuant to a competitive bidding process or negotiated process as determined by the State Treasurer.

Section 6. Source of Repayment. -- (a) The payment of amounts payable by the State under a financing contract and other related documentation during any fiscal biennium or fiscal year shall be limited to funds appropriated for that purpose by the General Assembly in its discretion. No provision of this act and no financing contract shall be construed or interpreted as creating a pledge of the faith and credit of the State or any agency, department, or commission of the State within the meaning of any constitutional debt limitation.

Section 6.(b) It is the intent of the General Assembly that the payments due under a financing contract and any other related documentation shall be made from amounts appropriated to and deposited in the Wildlife Resources Fund pursuant to G.S. 143-250 and from funds appropriated to and deposited in the Wildlife Endowment Fund pursuant to G.S. 143-250.1, including investment earnings on these amounts, in each case to the extent the funds may be lawfully applied for this purpose. In the event that funds appropriated to and deposited in the Wildlife Resources Fund and the Wildlife Endowment Fund, including investment earnings on such amounts, are not sufficient to make these payments, the General Assembly is not obligated to appropriate additional funds necessary to make these payments. The General Assembly may, however, in its discretion, appropriate the additional funds.

Section 6.(c) A financing contract entered into pursuant to this act shall incorporate a statement which sets forth a description of the provisions of subsections (a) and (b) of this section.

Section 6.(d) Expenditures during each fiscal biennium or fiscal year from the Wildlife Resources Fund and the Wildlife Endowment Fund shall be administered by the Wildlife Resources Commission in such a manner so as to assure that sufficient amounts shall be available in the Wildlife Resources Fund and the Wildlife Endowment Fund to make the required payments under a financing contract and any other related documentation.

Section 7. Certificates of Participation. -- (a) If certificates of participation are delivered pursuant to this act, a special corporation shall be created for the purpose of entering into a financing contract and executing and delivering certificates

of participation. The special corporation shall furnish to the State Treasurer any information and documentation relating to the delivery and sale of the certificates of participation that the State Treasurer requests.

Section 7.(b) Certificates of participation may be sold by the State Treasurer in the manner, either at public or private sale, and for any price or prices that the State Treasurer determines to be in the best interest of the State and to effect the purposes of this act, except that the sale must be approved by the special corporation. Interest payable with respect to certificates of participation shall accrue at the rate or rates determined by the State Treasurer with the approval of the special corporation.

Section 7.(c) Certificates of participation may be delivered pursuant to a trust agreement with a corporate trustee approved by the State Treasurer. The corporate trustee may be any trust company or bank having the powers of a trust company within or without the State. A trust agreement may (i) provide for security and pledges and assignments with respect to the security as may be permitted under this act and further provide for the enforcement of any lien or security interest created pursuant to Section 5(a) of this act, and (ii) contain any provisions for protecting and enforcing the rights and remedies of the owners of any certificates of participation as may be reasonable, proper, and not in violation of law, as determined by the State Treasurer.

Section 8. Insurance. -- The State Treasurer may authorize, execute, obtain, or otherwise provide for bond insurance, credit facilities, interest rate swap agreements, and any other related instruments that the State Treasurer considers desirable in connection with the financing of a Project as provided in this act.

Section 9. Tax Exemption. -- A financing contract entered into under this act and any certificates of participation relating to it are exempt from all State, county, and municipal taxation or assessment, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, except for inheritance, estate, and gift taxes, income taxes on the gain from the transfer of the financing contract or certificates of participation, and franchise taxes. The interest component of the installment payments made by the State under the financing contract, including the interest component of any certificates of participation, is not subject to taxation as income.

Section 10. Public Contracts. -- The provisions of Articles 3 (Purchase and Contracts), 3B (Energy Conservation in Public Facilities), 3C (Contracts to Obtain Consultant Services), 3D (Procurement of Architectural, Engineering, and Surveying Services), and 8 (Public Contracts) of Chapter 143 of the General Statutes and any other laws, rules, or regulations of the State as relate to the acquisition and construction of State property apply to a Project. It is the intent of the General Assembly that the Office Project should be a sustainably designed facility.

Section 11. Interpretation of Act. -- (a) The foregoing sections of this act provide an additional and alternative method for the doing of the things authorized by the act, are supplemental and additional to powers conferred by other laws, and do not derogate any powers now existing.

Section 11.(b) References in this act to specific sections or Chapters of the General Statutes are intended to be references to those sections or Chapters as amended and as they may be amended from time to time by the General Assembly.

Section 11.(c) This act, being necessary for the health and welfare of the people of the State, shall be liberally construed to effect its purposes.

Section 11.(d) If any provision of this act or its application is held invalid, the invalidity does not affect other provisions or applications of this act that can be given effect without the invalid provisions or application, and to this end the provisions of this act are severable.

Section 12. Public Access to Rivers and Streams. -- G.S. 136-18(9) reads as rewritten:

"(9) To employ appropriate means for properly selecting, planting and protecting trees, shrubs, vines, grasses or legumes in the highway right-of-way in the promotion of erosion control, landscaping and general protection of said highways; to acquire by gift or otherwise land for and to construct, operate and maintain roadside parks, picnic areas, picnic tables, scenic ~~overlooks~~ overlooks, public access to rivers and streams, and other appropriate turnouts for the safety and convenience of highway users; and to cooperate with municipal or county authorities, federal agencies, civic bodies and individuals in the furtherance of those objectives. None of the roadside parks, picnic areas, picnic tables, scenic overlooks or other turnouts, or any part of the highway right-of-way shall be used for commercial purposes except (i) for materials displayed in welcome centers in accordance with G.S. 136-89.56, and (ii) for vending machines permitted by the Department of Transportation and placed by the Division of Services for the Blind, Department of Health and Human Services, as the State licensing agency designated pursuant to Section 2(a)(5) of the Randolph-Sheppard Act (20 USC 107a(a)(5)). The Department of Transportation shall regulate the placing of the vending machines in highway rest areas and shall regulate the articles to be dispensed. Every other use or attempted use of any of these areas for commercial purposes shall constitute a Class 1 misdemeanor and each day's use shall constitute a separate offense."

Section 13. Effective Date. -- This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO EXEMPT FROM TAX MOTOR FUEL SOLD TO CHARTER SCHOOLS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-228.90(b) reads as rewritten:

"(b) Definitions. -- The following definitions apply in this Article:

(1) Charter school. -- A nonprofit corporation that has a charter under G.S. 115C-238.29D to operate a charter school.

~~(1)~~ (1a) City. -- A city as defined by G.S. 160A-1(2). The term also includes an urban service district defined by the governing board of a consolidated city-county, as defined by G.S. 160B-2(1).

~~(1a)~~ (1b) **(See Editor's note)** Code. -- The Internal Revenue Code as enacted as of June 1, 1999, including any provisions enacted as of that date which become effective either before or after that date.

~~(1b)~~ (1c) County. -- Any one of the counties listed in G.S. 153A-10. The term also includes a consolidated city-county as defined by G.S. 160B-2(1).

(2) Reserved.

(3) Electronic Funds Transfer. -- A transfer of funds initiated by using an electronic terminal, a telephone, a computer, or magnetic tape

to instruct or authorize a financial institution or its agent to credit or debit an account.

(4) Reserved.

(5) Person. -- An individual, a fiduciary, a firm, an association, a partnership, a limited liability company, a corporation, a unit of government, or another group acting as a unit. The term includes an officer or employee of a corporation, a member, a manager, or an employee of a limited liability company, and a member or employee of a partnership who, as officer, employee, member, or manager, is under a duty to perform an act in meeting the requirements of Subchapter I, V, or VIII of this Chapter or of Article 3 of Chapter 119 of the General Statutes.

(6) Secretary. -- The Secretary of Revenue.

(7) Tax. -- A tax levied under Subchapter I, V, or VIII of this Chapter or an inspection tax levied under Article 3 of Chapter 119 of the General Statutes. Unless the context clearly requires otherwise, the terms "tax" and "additional tax" include penalties and interest as well as the principal amount.

(8) Taxpayer. -- A person subject to the tax or reporting requirements of Subchapter I, V, or VIII of this Chapter or of Article 3 of Chapter 119 of the General Statutes."

Section 2. G.S. 105-449.88 reads as rewritten:

"**§ 105-449.88. Exemptions from the excise tax.**

The excise tax on motor fuel does not apply to the following:

(1) Motor fuel removed, by transport truck or another means of transfer outside the terminal transfer system, from a terminal for export, if the supplier of the motor fuel collects tax on it at the rate of the motor fuel's destination state.

(2) Motor fuel sold to the federal government for its use.

(3) Motor fuel sold to the State for its use.

(4) Motor fuel sold to a local board of education for use in the public school system.

(5) Diesel that is kerosene and is sold to an airport.

(6) Motor fuel sold to a charter school for use for charter school purposes."

Section 3. G.S. 115C-238.29J is amended by adding a new subsection to read:

"(d) The State Board of Education shall direct the Department of Public Instruction to notify the Department of Revenue when the State Board of Education terminates, fails to renew, or grants a charter for a charter school."

Section 4. This act becomes effective October 1, 2000.

SUMMARY: ***House Bill 1302 exempts motor fuel sold to a charter school board for use for charter school purposes from the excise tax on motor fuel.***

SENATE CHANGES: The Senate made two changes to the bill:

- It moved the effective date from October 1, 1999, to October 1, 2000, and updated the statutory language in Section 1.
- It added a provision required the State Board of Education to direct the Department of Public Instruction to notify The Department when the State Board terminates, fails to renew, or grants a charter for a charter school. This change will help the Department administer the fuel tax exemption.

CURRENT LAW: The motor fuel excise tax rate has two components: a flat rate plus a variable rate. The flat rate is 17.5¢ per gallon. The variable component may change every six months. It is added to the flat rate. The variable component is equal to the greater of 3.5¢ a gallon or 7% of the weighted average wholesale price of gasoline and No. 2 diesel fuel for the most recent six-month base period. The current motor fuel tax rate is 22¢ a gallon.

One-half cent a gallon of the motor fuel tax revenue is dedicated to the two underground storage tank funds and the water and air quality account. Seventy-five percent (75%) of the remainder of the revenue generated by this tax is allocated to the Highway Fund and the remaining 25% is credited to the Highway Trust Fund.

The motor fuel excise tax does not apply to the following:

- Motor fuel removed in this State for transportation to another state if the supplier collects tax on the motor fuel at the rate of the motor fuel's destination state.
- Motor fuel sold to the federal government for its use.
- Motor fuel sold to the State for its use.
- Motor fuel sold to a local board of education for use in the public school system.
- Diesel that is kerosene and is sold to an airport.

BILL ANALYSIS: House Bill 1302 adds "motor fuel sold to a charter school for use for charter school purposes" to the list of motor fuel tax exemptions. To enable the Department of Revenue to administer the tax exemption and to verify the existence of the applicant for the exemption, the bill requires the State Board of Education to direct the Department of Public Instruction to notify the Department when the State Board terminates, fails to renew, or grants a charter for a charter school.

A charter school is defined as a nonprofit corporation that has a charter under G.S. 115C-238.29D to operate a charter school. G.S. 115C-238.29D limits the number of charter schools to 100 schools statewide. Any person or nonprofit corporation may apply to the State Board of Education to establish a charter school. To be approved as a charter school, the applicant must meet the statutory requirements and the Board must find that the proposed school will provide or achieve improved student learning, increased learning opportunities for all students, the use of different and innovative teaching methods, new professional opportunities for teachers, and expanded educational choices for parents and students.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE CONSTRUCTION OF A PILOT PRIVATELY FUNDED TOLL ROAD OR BRIDGE PROJECT AND TO DIRECT THE DEPARTMENT OF TRANSPORTATION TO STUDY THE FEASIBILITY OF STATE-OWNED AND OPERATED TOLL ROADS OR BRIDGES.

The General Assembly of North Carolina enacts:

Section 1. Chapter 136 of the General Statutes is amended by adding a new Article 6G to read:

"ARTICLE 6G.

"Private Pilot Toll Project.

"§ 136-89.168. Private Pilot Toll Project.

(a) Authority to License. -- The Department of Transportation is authorized to issue a license to an applicant to finance, design, construct, maintain, improve, own, or operate, or any combination thereof, a pilot toll transportation project within the State of North Carolina. Any license authorized by this section must be issued on or before July 1, 2005.

(b) Requirement for Finding of Need. -- Prior to the issuance of any license under this section, the Department shall make a

written determination that the proposed project is necessary and in the public interest.

(c) Submission of Financial Data. -- A person applying for a license to construct a project under this section shall submit detailed financial data to the Department concerning the ability of applicant to finance the proposed project. The Department shall independently analyze the data submitted for each project proposal.

(d) Terms of License. -- Additional terms and conditions of any license issued pursuant to this section shall be within the discretion of the Department of Transportation, and shall include, in addition to any other requirements:

(1) Provisions establishing minimum design and construction standards for the project.

(2) Provisions establishing minimum maintenance standards for the project.

(3) Provisions requiring that appropriate traffic signs and other traffic control devices be erected and maintained on the project.

(4) Provisions establishing the rights and duties of the parties regarding infrastructure improvements and connections between the project and the State highway system.

(5) Provisions regarding any type of access control, if any, that may be required for the project.

(6) Provisions establishing the relative responsibilities of the licensee and the Department of Transportation to keep the completed project open and accessible to the public.

(7) Provisions concerning location of the project.

(e) Acquisition of Project Property. -- A person licensed to construct a project under this section shall acquire all right-of-way interests required for the project through private negotiation.

(f) Applicability of Other Laws. -- For the purpose of entering into contractual licensing agreements under this section, the Department of Transportation is exempted from any provision of the General Statutes that conflicts with the purposes of this section, specifically including G.S. 136-28.1 and G.S. 143-52. A project licensed under this section shall not be included in the distribution formula under G.S. 136-17.2A but shall require approval of the Board of Transportation under G.S. 143B-350(f)(4). A licensee under this section shall endeavor to comply

with the provisions of G.S. 136-28.4 concerning participation by disadvantaged businesses.

(g) Applicability of Motor Vehicle Laws. -- Any project licensed by the Department of Transportation under the authority granted in this section shall be considered a 'highway' as defined in G.S. 20-4.01(13) and a 'public vehicular area' as defined in G.S. 20-4.01(32). All law enforcement and emergency personnel, including the State Highway Patrol and the Division of Motor Vehicles, shall have the same powers and duties on such projects as on any other highway or public vehicular area.

(h) Resolution of Support Required. -- The Department shall not license any project under this section prior to receiving a resolution of support for the project approved by the county commissioners of each county in which the project will be located.

(i) Exclusive License. -- Upon the issuance of a license by the Department of Transportation, no further license of any type may be required by the State or local government body for the ownership, construction, or operation of the project.

(j) Definitions. -- The following definitions shall apply as used in this section:

(1) 'Person' shall mean any natural person, partnership, corporation, trust, association, sole proprietorship, or any other legal entity other than the State or its agencies, institutions, or political subdivisions.

(2) 'Project' shall mean a privately constructed, maintained, and operated toll highway, road, bridge, or other transportation-related facility.

(3) 'License' shall mean a person authorized through a contractual agreement with the Department of Transportation to finance, design, construct, maintain, improve, own, or operate, or any combination thereof, a project.

(k) Report. -- The Department shall report to the Joint Legislative Transportation Oversight Committee and to the Transportation Appropriations Subcommittee by February 1, 2001, and every year thereafter, on any toll project planning, construction, or operation commenced pursuant to the provisions of this Article."

Section 2. The Department shall study the feasibility of construction of State-owned and operated toll roads and the areas where any State-owned and operated toll roads are proposed and report its findings to the Joint Legislative Transportation

Oversight Committee and to the Transportation Appropriations Subcommittee by February 1, 2001.

Section 3. This act is effective when it becomes law.

HOUSE BILL 1630:
Toll Roads

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Crawford
Date:	July 28, 2000	**Summary by:**	Cindy Avrette
Version:	Proposed Committee Substitute H1630-CSRW-005		Committee Counsel

Summary: ***House Bill 1630 authorizes the construction and operation of three private toll projects in North Carolina and requires the Department of Transportation to study the feasibility of State-owned and operated toll roads. The proposed committee substitute limits the number of private toll projects to one. It also removes from the bill the provision that would allow the Department to exercise its power of eminent domain to acquire property rights for the private toll project and the provision that would allow the Department to transfer its property interest in property to the licensee.***

Bill Analysis:

The Department of Transportation may issue a license to a person to finance, design, construct, maintain, improve, own, or operate a toll highway, road, bridge, or other transportation-related facility. A license authorized by the act must be issued on or before July 1, 2005.

Requirements for Issuance of License

- DOT must make a written determination that the proposed project is necessary and is in the public interest.
- The applicant must submit detailed financial data to DOT showing its ability to finance the project.
- DOT must receive a resolution of support for the project approved by the county commissioners of each county in which the project will be located.

Terms of License – DOT is granted discretion to include conditions in the license issued under this section, but is required to include provisions concerning design, maintenance, connections to the existing highway system, and location of the project.

Methods of Acquiring Project Property – A licensee must acquire all right-of–way interests required for the project through private negotiation.

Exemptions -- DOT is exempted from conflicting laws (bidding requirements and advertisement) for the purpose of entering into contractual licensing agreements.

Motor Vehicle laws would apply on a project licensed under this section. The Highway Patrol and Division of Motor Vehicles would have the same powers on a project licensed under this section as any other road.

Reporting Requirements – DOT must report to the Joint Legislative Transportation Oversight Committee and to the Transportation Appropriations Subcommittee by February 1, 2001, and every year thereafter on any toll project.

Giles Perry, Counsel to the Transportation Committee, contributed substantially to this summary.

BILL SUMMARY:

House Bill 1630 authorizes the construction and operation of a pilot toll project.

Private Toll Projects

The Department of Transportation may issue a license to persons to finance, design, construct, maintain, improve, own, or operate a toll highway, road, bridge, or other transportation-related facility.

Requirements for Issuance of License

- DOT must make written determination that proposed project is necessary, in the public interest.
- Applicant must submit detailed financial data to DOT showing ability to finance the project

DOT must receive a resolution of support for the project approved by the county commissioners of each county in which the project will be located.

Terms of License – DOT is granted discretion to include conditions in any license issued under this section, but is required to include provisions concerning design, maintenance, connections to the existing highway system, and location of the project.

Methods of Acquiring Project Property – A licensee must acquire all right-of–way interests required for the project through private negotiation.

Exemptions -- DOT is exempted from conflicting laws (bidding requirements and advertisement) for the purpose of entering into contractual licensing agreements.

Motor Vehicle laws -- would apply on any project licensed under this section. The Highway Patrol and Division of Motor Vehicles would have the same powers on a project licensed under this section as any other road.

Reporting Requirements – DOT must report to Joint Legislative Transportation Oversight Committee and to the Transportation Appropriations Subcommittee by February 1, 2001 and every year thereafter on any toll project.

State-Owned and Operated Toll Projects

DOT shall study the feasibility of Stateowned and operated toll roads and report its findings to the Joint Legislative Transportation Oversight Committee.

ASSUMPTIONS AND METHODOLOGY:

A private toll road built under this law would be funded by private sources, and would not require construction funds from the State. Consequently, a private toll road would have no direct fiscal impact on the State. Over time, a private toll road could impact the State budget indirectly. For example, a private toll road could lead to more travelling from motorists, higher fuel consumption and increased gas tax revenues. Similarly, an additional road could result in a need for more law enforcement personnel to patrol the road. The indirect fiscal impact of a private toll road would be complex and would depend on the specifics of the road built, such as its length and the amount of traffic it carried. Because we have no way of anticipating these specifics, we cannot estimate the fiscal impact of this bill.

A BILL TO BE ENTITLED

AN ACT TO RESOLVE A BOUNDARY OVERLAP BETWEEN THE RONDA AND ROARING RIVER VOLUNTEER FIRE TAX DISTRICTS IN WILKES COUNTY AND TO VALIDATE CERTAIN ACTIONS, AND TO EXPAND THE GLENDALE SPRINGS FIRE PROTECTION DISTRICT IN ASHE COUNTY.

The General Assembly of North Carolina enacts:

Section 1.(a) The newly agreed boundary line for the Roaring River Fire Tax District in the area from the intersection of Poplar Springs Road and North Ridge Road south to Old U.S. Highway 421 shall be as follows:

BEGINNING at the intersection of S.R. 1924 (Poplar Springs Road) and S.R. 2015 (North Ridge Road), thence in a southeasterly direction with S.R. 2015 to the intersection of S.R. 2015 and N.C. Highway 268, including all property with primary access from S.R. 2015 between this and the preceding point; thence in a southerly direction in a straight line to a point on S.R. 2321 (Old 60) .2 miles west of Gray's Creek Bridge; thence in a southerly direction in a straight line to the intersection of S.R. 2318 (Mathis Mill Road), S.R. 2319 (South Plum Ridge Road), and S.R. 2320 (North Plum Ridge Road); thence in a southerly direction with S.R. 2319 to the intersection of S.R. 2319 and U.S. Highway 421, including all property adjacent to or accessed from S.R. 2319 between this and the preceding point; thence in an easterly direction following the centerline of U.S. Highway 421 to the intersection of U.S. 421 and S.R. 2346 (Old U.S. Highway 421); thence in a westerly direction with S.R. 2346 to a point 1.1 miles west of said intersection, including all property on both sides of

S.R. 2346 adjacent to or accessed from S.R. 2346. The foregoing description for said boundary line shall not be affected or altered in any way by the widening, relocation, or four-laning of U.S. Highway 421.

Section 1.(b) The newly agreed boundary line for the Ronda Fire Tax District in the area from the intersection of Poplar Springs Road and North Ridge Road south to Old U.S. Highway 421 shall be as follows:

BEGINNING at the intersection of S.R. 1924 (Poplar Springs Road) and S.R. 2015 (North Ridge Road), thence in a southeasterly direction with S.R. 2015 to the intersection of S.R. 2015 and N.C. Highway 268, excluding all property with primary access from S.R. 2015 between this and the preceding point; thence in a southerly direction in a straight line to a point on S.R. 2321 (Old 60) .2 miles west of Gray's Creek Bridge; thence in a southerly direction in a straight line to the intersection of S.R. 2318 (Mathis Mill Road), S.R. 2319 (South Plum Ridge Road), and S.R. 2320 (North Plum Ridge Road); thence in a southerly direction with S.R. 2319 to the intersection of S.R. 2319 and U.S. Highway 421, excluding all property adjacent to or accessed from S.R. 2319 between this and the preceding point; thence in an easterly direction following the centerline of U.S. Highway 421 to the intersection of U.S. 421 and S.R. 2346 (Old U.S. Highway 421); thence in a westerly direction with S.R. 2346 to a point 1.1 miles west of said intersection, excluding all property on both sides of S.R. 2346 adjacent to or accessed from S.R. 2346. The foregoing description for said boundary line shall not be affected or altered in any way by the widening, relocation, or four-laning of U.S. Highway 421.

Section 2. Subject to the new boundary line as provided in this act, the 1985 extensions of the Ronda and Roaring River Fire Tax districts in Wilkes County are valid and lawful. All collections of fire tax revenues by Wilkes County since 1985 in the areas subject to the extensions are valid and lawful, without regard to which fire tax district (and corresponding fire tax rate) those revenues were collected from, and without regard to which volunteer fire department those revenues were allocated to.

Section 3. The boundaries of the Glendale Springs Fire Protection District established under Article 3A of Chapter 69 of the General Statutes are as follows:

Beginning at the intersection of NC 88 and Low Gap Road running west to where NC 88 intersects with Ebenezer Road, labeled as point 2 on the exhibit. From there the line goes south - southeast along Ebenezer and taking an overland route to the east of and encompassing all of Roe Hunt Road to a point on the Blue Ridge Parkway labeled as point 3 on the exhibit. From there the line runs southwest - south along the county boundary line to a point east of the Blue Ridge Parkway labeled as point 4 on the exhibit. From there the line runs in a westerly direction along the county boundary line to a point on the Blue Ridge Parkway just west of its intersection with Park Vista Road, labeled as point 5 on the exhibit. From there the boundary line travels northwesterly for a short distance, encompassing both sides of Park Vista Road, before turning northward in an overland line to the intersection of Canoe Gap and Idlewild Road, labeled as point 6 on the exhibit. The boundary line

continues northward to the intersection of Canoe Gap Road and Hartsog Ford Road, labeled as point 7 on the exhibit. From there the line runs slightly northeast to a point where the river bridge crosses NC 163, labeled as point 8 on the exhibit. From there the boundary line takes a meandering path along the east side of the New River to a point where the river runs beside Boggs Road, labeled as point 9 on the exhibit. From there the boundary line runs slightly northeast to a point where Cox Road runs beside the New River, labeled as point 10 on the exhibit. From there, the line runs along the New River to a point where NC 16 intersects with NC 88, labeled as point 11 on the exhibit. From there, the line runs along NC 88, encompassing the southern portion of the road, until it intersects with Low Gap, labeled as point 1.

Section 4. Section 3 becomes effective June 30, 2000. The remainder of this act is effective when it becomes law.

MINUTES
HOUSE COMMITTEE ON FINANCE

Thursday, June 29, 2000

The House Committee on Finance met on Thursday, June 29, 2000 in Room 544 of the Legislative Office Building at 8:30 a.m. The following members were present: Chairs Allen, Luebke and Miller; Vice Chairs Jarrell and Wood; Representatives Bridgeman, Brown, Buchanan, Capps, Cox, Creech, Decker, Dedmon, Eddins, Edwards, Ford, Gibson, Goodwin, Gray, Hackney, Haire, Hill, Howard, McCombs, Miner, Pope, Rayfield, Starnes, Tucker, Weiss, Wilson, and Womble. Ex Officio members Baddour, Earle, and Cunningham. Staff including Cindy Avrette, Richard Bostic, Erika Churchill, David Crotts, Linda Millsaps, Mary Shuping; Eugene Son and Rebekah Butler, Interns; were in attendance. A Visitor Registration List is attached and made a part of these minutes.

Chair Luebke called the meeting to order. Chair Luebke recognized the pages and Sargent-at-Arms staff and commented briefly on the agenda and proceeded to consider the following bills:

Senator Hartsell was recognized to explain SB 1305, A BILL TO BE ENTITLED AN ACT TO ENACT REVISED ARTICLE 9 OF THE UNIFORM COMMERCIAL CODE, CONFORMING AMENDMENTS TO OTHER ARTICLES OF THE UNIFORM COMMERCIAL CODE, AND CONFORMING AMENDMENTS TO OTHER SECTIONS OF THE GENERAL STATUTES AND TO INCREASE CERTAIN FEES UNDER CURRENT ARTICLE 9, AS RECOMMENDED BY THE GENERAL STATUTES COMMISSION. Rep. Womble asked where the fees would be going. Senator Hartsell stated that the fees would go to the same places they are going now. Senator Hartsell noted that in the short-term, the fees would double; whereas in the long-term, the fees would probably reduce. Senator Hartsell stated that as of now, one would pay $15 in two places and in the future one would pay $30 in only one place. Senator Hartsell stated that for debtors whom had multiple locations, they currently have to file with the Secretary of State, at a cost of $15, and also file in each county in which the debtor has a location, often multiply counties at a cost of $15 per county (particularly in a commercial context). Senator Hartsell noted that currently this could cost up to hundreds of dollars and multiply filings, under the proposed legislation it would be reduced to one filing of $30. Professor Caroline Brown, with the University of North Carolina's School of Law, was recognized to speak on the bill. Professor Brown stated that the new statute would be more consumer-friendly than the old one was. Professor Brown noted that old filing could involve multiple states and multiple counties under the proposed legislation they need only be filed once. Rep. Brown made a motion to give the bill a favorable report. Rep. Capps asked if the revenues in the ensuing years produce $8 million while expenditures are only $1 million. Senator Hartsell noted that there is some uncertainty as to actual cost. Rep. Capps asked if the excess fees could be used for other purposes in the General Fund. Richard Bostic, Fiscal Analyst, was recognized to explain. Mr. Bostic stated that it is a General Fund revenue, it's not controlled by the Secretary of State. Mr. Bostic noted that the Appropriations Committee has to appropriate them funds so the money would go to other uses as deemed by the Appropriations Committee. Rep. Decker asked why county revenues were going down while state revenues were doubling. Senator Hartsell stated that the number of filings would be reducing. Professor Brown was recognized to explain the fee issue. Professor Brown stated that

the Register of Deeds officials that have worked with the drafting committee have expressed concern over the loss of revenue. Professor Brown stated that the cost to debtors is enormously less. Professor Brown noted that bankers estimate that they could save around two thousand dollars per transaction with a debtor (two thousand dollars in filing fees). Professor Brown stated that the $30 fee was chosen to allow Registers of Deeds to offset future revenue losses and to begin computerization of their filing systems. Rep. Capps asked if Senator Hartsell would be open to an amendment to put excess funds into the Rainy Day Fund. Senator Hartsell noted that the uncertainty of the time requirements, training and informing the public make that difficult. Rep. Capps asked staff if this amendment could be done. Richard Bostic stated that Marvin Dorman, Office of State Budget and Management, could take money from the receipts and place it in the Rainy Day Fund. Rep. Capps requested that the amendment be prepared. Rep. Cox asked if the Committee could hear from the Secretary of State's office regarding the bill. Scott Templeton, Deputy Secretary of State, was recognized to speak on the bill. Mr. Templeton stated that the Secretary of State's office has worked closely with the members of the General Statutes drafting committee on this bill. Mr. Templeton noted that the Secretary of State's office is comfortable with this bill. Rep. Eddins asked if the Secretary of State's office was aware of any opposition to this bill. Mr. Templeton stated that their office has dealt with one person and has worked to explain the outcome of this bill if enacted. Rep. Capps was recognized to send forth an amendment. Cindy Avrette was recognized to explain the amendment. Rep. Creech asked if it was the state's responsibility to fund the county's computerization. Senator Hartsell stated that he felt it was the county's responsibility. Rep. Creech asked if the counties would be required to maintain records for a set period of time, would this amendment become an unfunded mandate to the counties. Senator Hartsell stated that it would a reverse unfunded mandate. Senator Hartsell noted that long-term it would reduce the cost to counties after the transitional period. Chair Luebke noted that it might be appropriate to displace this bill until these questions can be answered. Rep. McComas was recognized to speak on the bill. Rep. McComas stated that he supported the bill. Rep. McComas noted that this bill would streamline the system and also cut down on the bureaucracy. Rep. Brown was recognized to speak on the bill. Rep. Brown stated that he was in support of the bill and felt that the Committee was ready to vote on it. Rep. Weiss was recognized to speak on the bill. Rep. Weiss stated that she was in support of the bill in its original form. There being no further questions a vote was taken. Division being noted, members were requested to raise their hands. The amendment was defeated 11-13. Rep. Pope was recognized to send forth an amendment. Rep. Pope was recognized to explain the amendment. Rep. Pope stated that the amendment would reduce the fee increase to $15-$20. Senator Hartsell asked if the amendment would reduce the fee going to the Register of Deeds. Cindy Avrette stated that it would reduce the fees going to the state as well as the county by $10. Rep. Pope was recognized to speak on the amendment. Rep. Pope stated that the initial transaction cost is in the filing but this would give the counties an increase over their current fee. Rep. Weiss was recognized to question staff. Rep. Weiss asked where the initial $30 fee come from. Senator Hartsell noted that currently the county fee is $15 and the state fee is $15 and thus, by combining them they derived the $30 fee. There being no further questions on the amendment a vote was taken. The amendment was defeated. Rep. Eddins requested the ayes and nayes on the vote on the bill. Chair Luebke noted that the remaining bills on the calendar would be heard at tomorrow's meeting. The roll was called. The bill passed by a count of 20 ayes and 1 nay. The motion passed. A copy of the bill, amendments, bill analysis, fiscal note and roll call included in the minutes.

Chair Luebke noted that there was time to hear one more bill.

Rep. Insko was recognized to explain HB 1768, A BILL TO BE ENTITLED AN ACT MAKING OMNIBUS CHANGES TO CERTAIN GENERAL AND LOCAL LAWS AFFECTING ORANGE COUNTY. Rep. Gibson was recognized to speak on the bill. Rep. Gibson noted that he had received some concerns on this bill. Rep. Allen made a motion to give the bill a favorable report. Rep. Creech was recognized to speak on the bill. Rep. Creech stated that he has received some concerns over this bill. Rep. Allen removed his motion on the bill. Chair Luebke moved to displace the bill until tomorrow's meeting.

There being no further business, the Chair adjourned the meeting at 9:51 a.m.

SENATE BILL 1305*
Second Edition Engrossed 6/20/00

Short Title: Revise Article 9 of the UCC. (Public)

Sponsors: Senator Hartsell.

Referred to: Judiciary I.

May 18, 2000

A BILL TO BE ENTITLED

AN ACT TO ENACT REVISED ARTICLE 9 OF THE UNIFORM COMMERCIAL CODE, CONFORMING AMENDMENTS TO OTHER ARTICLES OF THE UNIFORM COMMERCIAL CODE, AND CONFORMING AMENDMENTS TO OTHER SECTIONS OF THE GENERAL STATUTES AND TO INCREASE CERTAIN FEES UNDER CURRENT ARTICLE 9, AS RECOMMENDED BY THE GENERAL STATUTES COMMISSION.

The General Assembly of North Carolina enacts:

PART I. REVISED ARTICLE 9 OF THE UNIFORM COMMERCIAL CODE.

Section 1. Article 9 of Chapter 25 of the General Statutes is rewritten to read:

"ARTICLE 9.

"Secured Transactions.

"PART 1.

"GENERAL PROVISIONS.

"SUBPART 1. SHORT TITLE, DEFINITIONS, AND GENERAL CONCEPTS.

"§ 25-9-101. Short title.

This Article may be cited as Uniform Commercial Code-Secured Transactions.

"§ 25-9-102. Definitions and index of definitions.

(a) Article 9 definitions. -- In this Article:

(1) 'Accession' means goods that are physically united with other goods in such a manner that the identity of the original goods is not lost.

(2) 'Account', except as used in 'account for', means a right to payment of a monetary obligation, whether or not earned by performance, (i) for property that has been or is to be sold, leased, licensed, assigned, or otherwise disposed of, (ii) for services rendered or to be rendered, (iii) for a policy of insurance issued or to be issued, (iv) for a secondary obligation incurred or to be incurred, (v) for energy provided or to be provided, (vi) for the use or hire of a vessel under a charter or other contract, (vii) arising out of the use of a credit or charge card or information contained on or for use with the card, or (viii) as winnings in a lottery or other game of chance operated or sponsored by a state, governmental unit of a state, or person licensed or authorized to operate the game by a state or governmental unit of a state. The term includes health-care-insurance receivables. The term does not include (i) rights to payment evidenced by chattel paper or an instrument, (ii) commercial tort claims, (iii) deposit accounts, (iv) investment property, (v) letter-of-credit rights or letters of credit, or (vi) rights to payment for money or funds advanced or sold, other than rights arising out of the use of a credit or charge card or information contained on or for use with the card.

(3) 'Account debtor' means a person obligated on an account, chattel paper, or general intangible. The term does not include persons obligated to pay a negotiable instrument, even if the instrument constitutes part of chattel paper.

(4) 'Accounting', except as used in 'accounting for', means a record:

a. Authenticated by a secured party;

b. Indicating the aggregate unpaid secured obligations as of a date not more than 35 days earlier or 35 days later than the date of the record; and

c. Identifying the components of the obligations in reasonable detail.

(5) 'Agricultural lien' means an interest, other than a security interest, in farm products:

a. Which secures payment or performance of an obligation for:

1. Goods or services furnished in connection with a debtor's farming operation; or

2. Rent on real property leased by a debtor in connection with its farming operation;

b. Which is created by statute in favor of a person that:

1. In the ordinary course of its business furnished goods or services to a debtor in connection with a debtor's farming operation; or
2. Leased real property to a debtor in connection with the debtor's farming operation; and

c. Whose effectiveness does not depend on the person's possession of the personal property.

(6) 'As-extracted collateral' means:

a. Oil, gas, or other minerals that are subject to a security interest that:
1. Is created by a debtor having an interest in the minerals before extraction; and
2. Attaches to the minerals as extracted; or

b. Accounts arising out of the sale at the wellhead or minehead of oil, gas, or other minerals in which the debtor had an interest before extraction.

(7) 'Authenticate' means:

a. To sign; or

b. To execute or otherwise adopt a symbol, or encrypt or similarly process a record in whole or in part, with the present intent of the authenticating person to identify the person and adopt or accept a record.

(8) 'Bank' means an organization that is engaged in the business of banking. The term includes savings banks, savings and loan associations, credit unions, and trust companies.

(9) 'Cash proceeds' means proceeds that are money, checks, deposit accounts, or the like.

(10) 'Certificate of title' means a certificate of title with respect to which a statute provides for the security interest in question to be indicated on the certificate as a condition or result of the security interest's obtaining priority over the rights of a lien creditor with respect to the collateral.

(11) 'Chattel paper' means a record or records that evidence both a monetary obligation and a security interest in specific goods, a security interest in specific goods and software used in the goods, a security interest in specific goods and license of software used in the goods, a lease of specific goods, or a lease of specific goods and license of software used in the goods. In this subdivision, 'monetary obligation' means a monetary obligation secured by the goods or owed under a lease of the goods and includes a monetary obligation with respect to software used in the goods. The term does not include (i) charters or other contracts involving the use or hire of a vessel or (ii) records that evidence a right to payment arising out of the use of a credit or charge card or information

contained on or for use with the card. If a transaction is evidenced by records that include an instrument or series of instruments, the group of records taken together constitutes chattel paper.

(12) 'Collateral' means the property subject to a security interest or agricultural lien. The term includes:

a. Proceeds to which a security interest attaches;

b. Accounts, chattel paper, payment intangibles, and promissory notes that have been sold; and

c. Goods that are the subject of a consignment.

(13) 'Commercial tort claim' means a claim arising in tort with respect to which:

a. The claimant is an organization; or

b. The claimant is an individual and the claim:

1. Arose in the course of the claimant's business or profession; and

2. Does not include damages arising out of personal injury to or the death of an individual.

(14) 'Commodity account' means an account maintained by a commodity intermediary in which a commodity contract is carried for a commodity customer.

(15) 'Commodity contract' means a commodity futures contract, an option on a commodity futures contract, a commodity option, or another contract if the contract or option is:

a. Traded on or subject to the rules of a board of trade that has been designated as a contract market for such a contract pursuant to federal commodities laws; or

b. Traded on a foreign commodity board of trade, exchange, or market, and is carried on the books of a commodity intermediary for a commodity customer.

(16) 'Commodity customer' means a person for which a commodity intermediary carries a commodity contract on its books.

(17) 'Commodity intermediary' means a person that:

a. Is registered as a futures commission merchant under federal commodities law; or

b. In the ordinary course of its business provides clearance or settlement services for a board of trade that has been designated as a contract market pursuant to federal commodities law.

(18) 'Communicate' means:

a. To send a written or other tangible record;

b. To transmit a record by any means agreed upon by the persons sending and receiving the record; or

c. In the case of transmission of a record to or by a filing office, to transmit a record by any means prescribed by filing-office rule.

(19) 'Consignee' means a merchant to which goods are delivered in a consignment.

(20) 'Consignment' means a transaction, regardless of its form, in which a person delivers goods to a merchant for the purpose of sale and:

a. The merchant:

1. Deals in goods of that kind under a name other than the name of the person making delivery;

2. Is not an auctioneer; and

3. Is not generally known by its creditors to be substantially engaged in selling the goods of others;

b. With respect to each delivery, the aggregate value of the goods is one thousand dollars ($1,000) or more at the time of delivery;

c. The goods are not consumer goods immediately before delivery; and

d. The transaction does not create a security interest that secures an obligation.

(21) 'Consignor' means a person that delivers goods to a consignee in a consignment.

(22) 'Consumer debtor' means a debtor in a consumer transaction.

(23) 'Consumer goods' means goods that are used or bought for use primarily for personal, family, or household purposes.

(24) 'Consumer-goods transaction' means a consumer transaction in which:

a. An individual incurs an obligation primarily for personal, family, or household purposes; and

b. A security interest in consumer goods secures the obligation.

(25) 'Consumer obligor' means an obligor who is an individual and who incurred the obligation as part of a transaction entered into primarily for personal, family, or household purposes.

(26) 'Consumer transaction' means a transaction in which (i) an individual incurs an obligation primarily for personal, family, or household purposes, (ii) a security interest secures the obligation, and (iii) the collateral is held or acquired primarily for personal, family, or household purposes. The term includes consumer-goods transactions.

(27) 'Continuation statement' means an amendment of a financing statement which:

a. Identifies, by its file number, the initial financing statement to which it relates; and

b. Indicates that it is a continuation statement for, or that it is filed to continue the effectiveness of, the identified financing statement.

(28) 'Debtor' means:

a. A person having an interest, other than a security interest or other lien, in the collateral, whether or not the person is an obligor;

b. A seller of accounts, chattel paper, payment intangibles, or promissory notes; or

c. A consignee.

(29) 'Deposit account' means a demand, time, savings, passbook, or similar account maintained with a bank. The term does not include investment property or accounts evidenced by an instrument.

(30) 'Document' means a document of title or a receipt of the type described in G.S. 25-7-201(2).

(31) 'Electronic chattel paper' means chattel paper evidenced by a record or records consisting of information stored in an electronic medium.

(32) 'Encumbrance' means a right, other than an ownership interest, in real property. The term includes mortgages and other liens on real property.

(33) 'Equipment' means goods other than inventory, farm products, or consumer goods.

(34) 'Farm products' means goods, other than standing timber, with respect to which the debtor is engaged in a farming operation and which are:

a. Crops grown, growing, or to be grown, including:

1. Crops produced on trees, vines, and bushes; and

2. Aquatic goods produced in aquacultural operations;

b. Livestock, born or unborn, including aquatic goods produced in aquacultural operations;

c. Supplies used or produced in a farming operation; or

d. Products of crops or livestock in their unmanufactured states.

(35) 'Farming operation' means raising, cultivating, propagating, fattening, grazing, or any other farming, livestock, or aquacultural operation.

(36) 'File number' means the number assigned to an initial financing statement pursuant to G.S. 25-9-519(a).

(37) 'Filing office' means an office designated in G.S. 25-9-501 as the place to file a financing statement.

(38) 'Filing-office rule' means a rule adopted pursuant to G.S. 25-9-526.

(39) 'Financing statement' means a record or records composed of an initial financing statement and any filed record relating to the initial financing statement.

(40) 'Fixture filing' means the filing of a financing statement covering goods that are or are to become fixtures and satisfying G.S. 25-9-502(a) and (b). The term includes the filing of a financing statement covering goods of a transmitting utility which are or are to become fixtures.

(41) 'Fixtures' means goods that have become so related to particular real property that an interest in them arises under real property law.

(42) 'General intangible' means any personal property, including things in action, other than accounts, chattel paper, commercial tort claims, deposit accounts, documents, goods, instruments, investment property, letter-of-credit rights, letters of credit, money, and oil, gas, or other minerals before extraction. The term includes payment intangibles and software.

(43) 'Good faith' means honesty in fact and the observance of reasonable commercial standards of fair dealing.

(44) 'Goods' means all things that are movable when a security interest attaches. The term includes (i) fixtures, (ii) standing timber that is to be cut and removed under a conveyance or contract for sale, (iii) the unborn young of animals, (iv) crops grown, growing, or to be grown, even if the crops are produced on trees, vines, or bushes, and (v) manufactured homes. The term also includes a computer program embedded in goods and any supporting information provided in connection with a transaction relating to the program if (i) the program is associated with the goods in such a manner that it customarily is considered part of the goods, or (ii) by becoming the owner of the goods, a person acquires a right to use the program in connection with the goods. The term does not include a computer program embedded in goods that consist solely of the medium in which the program is embedded. The term also does not include accounts, chattel paper, commercial tort claims, deposit accounts, documents, general intangibles, instruments, investment property, letter-of-credit rights, letters of credit, money, or oil, gas, or other minerals before extraction.

(45) 'Governmental unit' means a subdivision, agency, department, county, parish, municipality, or other unit of the government of the United States, a state, or a foreign country. The term includes an organization having a separate corporate existence if the organization is eligible to issue debt on which interest is exempt from income taxation under the laws of the United States.

(46) 'Health-care-insurance receivable' means an interest in or claim under a policy of insurance which is a right to payment of a monetary obligation for health-care goods or services provided.

(47) 'Instrument' means a negotiable instrument or any other writing that evidences a right to the payment of a monetary obligation, is not itself a security agreement or lease, and is of a type that in ordinary course of business is transferred by delivery with any necessary indorsement or assignment. The term does not include (i) investment property, (ii) letters of credit, or (iii) writings that evidence a right to payment arising out of the use of a credit or charge card or information contained on or for use with the card.

(48) 'Inventory' means goods, other than farm products, which:

a. Are leased by a person as lessor;

b. Are held by a person for sale or lease or to be furnished under a contract of service;

c. Are furnished by a person under a contract of service; or

d. Consist of raw materials, work in process, or materials used or consumed in a business.

(49) 'Investment property' means a security, whether certificated or uncertificated, security entitlement, securities account, commodity contract, or commodity account.

(50) 'Jurisdiction of organization', with respect to a registered organization, means the jurisdiction under whose law the organization is organized.

(51) 'Letter-of-credit right' means a right to payment or performance under a letter of credit, whether or not the beneficiary has demanded or is at the time entitled to demand payment or performance. The term does not include the right of a beneficiary to demand payment or performance under a letter of credit.

(52) 'Lien creditor' means:

a. A creditor that has acquired a lien on the property involved by attachment, levy, or the like;

b. An assignee for benefit of creditors from the time of assignment;

c. A trustee in bankruptcy from the date of the filing of the petition; or

d. A receiver in equity from the time of appointment.

(53) 'Manufactured home' means a structure, transportable in one or more sections, which, in the traveling mode, is eight body feet or more in width or 40 body feet or more in length, or, when erected on site, is 320 or more square feet, and which is built on a permanent chassis and designed to be used as a dwelling with or without a permanent foundation when connected to the required utilities, and includes the plumbing, heating, air-conditioning, and

electrical systems contained therein. The term includes any structure that meets all of the requirements of this subdivision except the size requirements and with respect to which the manufacturer voluntarily files a certification required by the United States Secretary of Housing and Urban Development and complies with the standards established under Title 42 of the United States Code.

(54) 'Manufactured-home transaction' means a secured transaction:

a. That creates a purchase-money security interest in a manufactured home, other than a manufactured home held as inventory; or

b. In which a manufactured home, other than a manufactured home held as inventory, is the primary collateral.

(55) 'Mortgage' means a consensual interest in real property, including fixtures, which secures payment or performance of an obligation.

(56) 'New debtor' means a person that becomes bound as debtor under G.S. 25-9-203(d) by a security agreement previously entered into by another person.

(57) 'New value' means (i) money, (ii) money's worth in property, services, or new credit, or (iii) release by a transferee of an interest in property previously transferred to the transferee. The term does not include an obligation substituted for another obligation.

(58) 'Noncash proceeds' means proceeds other than cash proceeds.

(59) 'Obligor' means a person that, with respect to an obligation secured by a security interest in or an agricultural lien on the collateral, (i) owes payment or other performance of the obligation, (ii) has provided property other than the collateral to secure payment or other performance of the obligation, or (iii) is otherwise accountable in whole or in part for payment or other performance of the obligation. The term does not include issuers or nominated persons under a letter of credit.

(60) 'Original debtor', except as used in G.S. 25-9-310(c), means a person that, as debtor, entered into a security agreement to which a new debtor has become bound under G.S. 25-9-203(d).

(61) 'Payment intangible' means a general intangible under which the account debtor's principal obligation is a monetary obligation.

(62) 'Person related to', with respect to an individual, means:

a. The spouse of the individual;

b. A brother, brother-in-law, sister, or sister-in-law of the individual;

c. An ancestor or lineal descendant of the individual or the individual's spouse; or

d. Any other relative, by blood or marriage, of the individual or the individual's spouse who shares the same home with the individual.

(63) 'Person related to', with respect to an organization, means:

a. A person directly or indirectly controlling, controlled by, or under common control with the organization;

b. An officer or director of, or a person performing similar functions with respect to, the organization;

c. An officer or director of, or a person performing similar functions with respect to, a person described in sub-subdivision a. of this subdivision;

d. The spouse of an individual described in sub-subdivision a., b., or c. of this subdivision; or

e. An individual who is related by blood or marriage to an individual described in sub-subdivision a., b., c., or d. of this subdivision and shares the same home with the individual.

(64) 'Proceeds', except as used in G.S. 25-9-609(b), means the following property:

a. Whatever is acquired upon the sale, lease, license, exchange, or other disposition of collateral;

b. Whatever is collected on, or distributed on account of, collateral;

c. Rights arising out of collateral;

d. To the extent of the value of collateral, claims arising out of the loss, nonconformity, or interference with the use of, defects or infringement of rights in, or damage to, the collateral; or

e. To the extent of the value of collateral and to the extent payable to the debtor or the secured party, insurance payable by reason of the loss or nonconformity of, defects or infringement of rights in, or damage to, the collateral.

(65) 'Production-money crops' means crops that secure a production-money obligation incurred with respect to the production of those crops.

(66) 'Production-money obligation' means an obligation of an obligor incurred for new value given to enable the debtor to produce crops if the value is in fact used for the production of the crops.

(67) 'Production of crops' includes tilling and otherwise preparing land for growing, planting, cultivating, fertilizing, irrigating, harvesting, gathering, and curing crops, and protecting them from damage or disease.

(68) 'Promissory note' means an instrument that evidences a promise to pay a monetary obligation, does not evidence an order to pay, and

does not contain an acknowledgment by a bank that the bank has received for deposit a sum of money or funds.

(69) 'Proposal' means a record authenticated by a secured party which includes the terms on which the secured party is willing to accept collateral in full or partial satisfaction of the obligation it secures pursuant to G.S. 25-9-620, 25-9-621, and 25-9-622.

(70) 'Public-finance transaction' means a secured transaction in connection with which:

a. Debt securities are issued;

b. All or a portion of the securities issued have an initial stated maturity of at least 20 years; and

c. The debtor, obligor, secured party, account debtor or other person obligated on collateral, assignor or assignee of a secured obligation, or assignor or assignee of a security interest is a state or a governmental unit of a state.

(71) 'Pursuant to commitment', with respect to an advance made or other value given by a secured party, means pursuant to the secured party's obligation, whether or not a subsequent event of default or other event not within the secured party's control has relieved or may relieve the secured party from its obligation.

(72) 'Record', except as used in 'for record', 'of record', 'record or legal title', and 'record owner', means information that is inscribed on a tangible medium or that is stored in an electronic or other medium and is retrievable in perceivable form.

(73) 'Registered organization' means an organization organized solely under the law of a single state or the United States and as to which the state or the United States must maintain a public record showing the organization to have been organized.

(74) 'Secondary obligor' means an obligor to the extent that:

a. The obligor's obligation is secondary; or

b. The obligor has a right of recourse with respect to an obligation secured by collateral against the debtor, another obligor, or property of either.

(75) 'Secured party' means:

a. A person in whose favor a security interest is created or provided for under a security agreement, whether or not any obligation to be secured is outstanding;

b. A person that holds an agricultural lien;

c. A consignor;

d. A person to which accounts, chattel paper, payment intangibles, or promissory notes have been sold;

e. A trustee, indenture trustee, agent, collateral agent, or other representative in whose favor a security interest or agricultural lien is created or provided for; or

f. A person that holds a security interest arising under G.S. 25-2-401, 25-2-505, 25-2-711(3), 25-2A-508(5), 25-4-208, or 25-5-118.

(76) 'Security agreement' means an agreement that creates or provides for a security interest.

(77) 'Send', in connection with a record or notification, means:

a. To deposit in the mail, deliver for transmission, or transmit by any other usual means of communication, with postage or cost of transmission provided for, addressed to any address reasonable under the circumstances; or

b. To cause the record or notification to be received within the time that it would have been received if properly sent under sub-subdivision a. of this subdivision.

(78) 'Software' means a computer program and any supporting information provided in connection with a transaction relating to the program. The term does not include a computer program that is included in the definition of goods.

(79) 'State' means a state of the United States, the District of Columbia, Puerto Rico, the United States Virgin Islands, or any territory or insular possession subject to the jurisdiction of the United States.

(80) 'Supporting obligation' means a letter-of-credit right or secondary obligation that supports the payment or performance of an account, chattel paper, a document, a general intangible, an instrument, or investment property.

(81) 'Tangible chattel paper' means chattel paper evidenced by a record or records consisting of information that is inscribed on a tangible medium.

(82) 'Termination statement' means an amendment of a financing statement which:

a. Identifies, by its file number, the initial financing statement to which it relates; and

b. Indicates either that it is a termination statement or that the identified financing statement is no longer effective.

(83) 'Transmitting utility' means a person primarily engaged in the business of:

a. Operating a railroad, subway, street railway, or trolley bus;

b. Transmitting communications electrically, electromagnetically, or by light;

c. Transmitting goods by pipeline or sewer; or

d. Transmitting or producing and transmitting electricity, steam, gas, or water.

(c) Article 1 definitions and principles. -- Article 1 of this Chapter contains general definitions and principles of construction and interpretation applicable throughout this Article.

"§ 25-9-103. Purchase-money security interest; application of payments; burden of establishing.

(a) Definitions. -- In this section:

(1) 'Purchase-money collateral' means goods or software that secures a purchase-money obligation incurred with respect to that collateral; and

(2) 'Purchase-money obligation' means an obligation of an obligor incurred as all or part of the price of the collateral or for value given to enable the debtor to acquire rights in or the use of the collateral if the value is in fact so used.

(b) Purchase-money security interest in goods. -- A security interest in goods is a purchase-money security interest:

(1) To the extent that the goods are purchase-money collateral with respect to that security interest;

(2) If the security interest is in inventory that is or was purchase-money collateral, also to the extent that the security interest secures a purchase-money obligation incurred with respect to other inventory in which the secured party holds or held a purchase-money security interest; and

(3) Also to the extent that the security interest secures a purchase-money obligation incurred with respect to software in which the secured party holds or held a purchase-money security interest.

(c) Purchase-money security interest in software. -- A security interest in software is a purchase-money security interest to the extent that the security interest also secures a purchase-money obligation incurred with respect to goods in which the secured party holds or held a purchase-money security interest if:

(1) The debtor acquired its interest in the software in an integrated transaction in which it acquired an interest in the goods; and

(2) The debtor acquired its interest in the software for the principal purpose of using the software in the goods.

(d) Consignor's inventory purchase-money security interest. -- The security interest of a consignor in goods that are the subject of a consignment is a purchase-money security interest in inventory.

(e) Application of payment in non-consumer-goods transaction. -- In a transaction other than a consumer-goods transaction, if the extent to which a security interest is a purchase-money security interest depends on the application of a payment to a particular obligation, the payment must be applied:

(1) In accordance with any reasonable method of application to which the parties agree;

(2) In the absence of the parties' agreement to a reasonable method, in accordance with any intention of the obligor manifested at or before the time of payment; or

(3) In the absence of an agreement to a reasonable method and a timely manifestation of the obligor's intention, in the following order:

a. To obligations that are not secured; and

b. If more than one obligation is secured, to obligations secured by purchase-money security interests in the order in which those obligations were incurred.

(f) No loss of status of purchase-money security interest in non-consumer-goods transaction. -- In a transaction other than a consumer-goods transaction, a purchase-money security interest does not lose its status as such, even if:

(1) The purchase-money collateral also secures an obligation that is not a purchase-money obligation;

(2) Collateral that is not purchase-money collateral also secures the purchase-money obligation; or

(3) The purchase-money obligation has been renewed, refinanced, consolidated, or restructured.

(g) Burden of proof in non-consumer-goods transaction. -- In a transaction other than a consumer-goods transaction, a secured party claiming a purchase-money security interest has the burden of establishing the extent to which the security interest is a purchase-money security interest.

(h) Non-consumer-goods transactions; no inference. -- The limitation of the rules in subsections (e), (f), and (g) of this section to transactions other than consumer-goods transactions is intended to leave to the court the determination of the proper rules in consumer-goods transactions. The court may not infer from that limitation the nature of the proper rule in consumer-goods transactions and may continue to apply established approaches.

"§ 25-9-103.1. Production-money crops; production-money obligation; production-money security interest; burden of establishing.

(a) Production-money crops. -- A security interest in crops is a production-money security interest to the extent that the crops are production-money crops.

(b) Production-money obligation. -- If the extent to which a security interest is a production-money security interest depends on the application of a payment to a particular obligation, the payment must be applied:

(1) In accordance with any reasonable method of application to which the parties agree;

(2) In the absence of the parties' agreement to a reasonable method, in accordance with any intention of the obligor manifested at or before the time of payment; or

(3) In the absence of an agreement to a reasonable method and a timely manifestation of the obligor's intention, in the following order:

a. To obligations that are not secured; and

b. If more than one obligation is secured, to obligations secured by production-money security interests in the order in which those obligations were incurred.

(c) Production-money security interest. -- A production-money security interest does not lose its status as such, even if:

(1) The production-money crops also secure an obligation that is not a production-money obligation;
(2) Collateral that is not production-money crops also secures the production-money obligation; or
(3) The production-money obligation has been renewed, refinanced, or restructured.

(d) Burden of proof. -- A secured party claiming a production-money security interest has the burden of establishing the extent to which the security interest is a production-money security interest.

"**§ 25-9-104. Control of deposit account.**

(a) Requirements for control. -- A secured party has control of a deposit account if:
(1) The secured party is the bank with which the deposit account is maintained;
(2) The debtor, secured party, and bank have agreed in an authenticated record that the bank will comply with instructions originated by the secured party directing disposition of the funds in the deposit account without further consent by the debtor; or
(3) The secured party becomes the bank's customer with respect to the deposit account.

(b) Debtor's right to direct disposition. -- A secured party that has satisfied subsection (a) of this section has control, even if the debtor retains the right to direct the disposition of funds from the deposit account.

"**§ 25-9-105. Control of electronic chattel paper.**

A secured party has control of electronic chattel paper if the record or records comprising the chattel paper are created, stored, and assigned in such a manner that:
(1) A single authoritative copy of the record or records exists which is unique, identifiable and, except as otherwise provided in subdivisions (4), (5), and (6) of this section, unalterable;
(2) The authoritative copy identifies the secured party as the assignee of the record or records;
(3) The authoritative copy is communicated to and maintained by the secured party or its designated custodian;
(4) Copies or revisions that add or change an identified assignee of the authoritative copy can be made only with the participation of the secured party;
(5) Each copy of the authoritative copy and any copy of a copy is readily identifiable as a copy that is not the authoritative copy; and
(6) Any revision of the authoritative copy is readily identifiable as an authorized or unauthorized revision.

"**§ 25-9-106. Control of investment property.**

(a) Control under G.S. 25-8-106. -- A person has control of a certificated security, uncertificated security, or security entitlement as provided in G.S. 25-8-106.

(b) Control of commodity contract. -- A secured party has control of a commodity contract if:

(1) The secured party is the commodity intermediary with which the commodity contract is carried; or

(2) The commodity customer, secured party, and commodity intermediary have agreed that the commodity intermediary will apply any value distributed on account of the commodity contract as directed by the secured party without further consent by the commodity customer.

(c) Effect of control of securities account or commodity account. -- A secured party having control of all security entitlements or commodity contracts carried in a securities account or commodity account has control over the securities account or commodity account.

"§ 25-9-107. Control of letter-of-credit right.

A secured party has control of a letter-of-credit right to the extent of any right to payment or performance by the issuer or any nominated person if the issuer or nominated person has consented to an assignment of proceeds of the letter of credit under G.S. 25-5-114(c) or otherwise applicable law or practice.

"§ 25-9-108. Sufficiency of description.

(a) Sufficiency of description. -- Except as otherwise provided in subsections (c), (d), and (e) of this section, a description of personal or real property is sufficient, whether or not it is specific, if it reasonably identifies what is described.

(b) Examples of reasonable identification. -- Except as otherwise provided in subsection (d) of this section, a description of collateral reasonably identifies the collateral if it identifies the collateral by:

(1) Specific listing;

(2) Category;

(3) Except as otherwise provided in subsection (e) of this section, a type of collateral defined in this Chapter;

(4) Quantity;

(5) Computational or allocational formula or procedure; or

(6) Except as otherwise provided in subsection (c) of this section, any other method, if the identity of the collateral is objectively determinable.

(c) Supergeneric description not sufficient. -- A description of collateral as 'all the debtor's assets' or 'all the debtor's personal property' or using words of similar import does not reasonably identify the collateral.

(d) Investment property. -- Except as otherwise provided in subsection (e) of this section, a description of a security entitlement, securities account, or commodity account is sufficient if it describes:

(1) The collateral by those terms or as investment property; or

(2) The underlying financial asset or commodity contract.

(e) When description by type insufficient. -- A description only by type of collateral defined in this Chapter is an insufficient description of:

(1) A commercial tort claim; or
(2) In a consumer transaction, consumer goods, a security entitlement, a securities account, or a commodity account.

"SUBPART 2. APPLICABILITY OF ARTICLE.

"**§ 25-9-109. Scope.**

(a) General scope of Article. -- Except as otherwise provided in subsections (c) and (d) of this section, this Article applies to:
(1) A transaction, regardless of its form, that creates a security interest in personal property or fixtures by contract;
(2) An agricultural lien;
(3) A sale of accounts, chattel paper, payment intangibles, or promissory notes;
(4) A consignment;
(5) A security interest arising under G.S. 25-2-401, 25-2-505, 25-2-711(3), or 25-2A-508(5), as provided in G.S. 25-9-110; and
(6) A security interest arising under G.S. 25-4-208 or G.S. 25-5-118.

(b) Security interest in secured obligation. -- The application of this Article to a security interest in a secured obligation is not affected by the fact that the obligation is itself secured by a transaction or interest to which this Article does not apply.

(c) Extent to which Article does not apply. -- This Article does not apply to the extent that:
(1) A statute, regulation, or treaty of the United States preempts this Article;
(2) Another statute of this State expressly governs the creation, perfection, priority, or enforcement of a security interest created by this State or a governmental unit of this State;
(3) A statute of another state, a foreign country, or a governmental unit of another state or a foreign country, other than a statute generally applicable to security interests, expressly governs creation, perfection, priority, or enforcement of a security interest created by the state, country, or governmental unit; or
(4) The rights of a transferee beneficiary or nominated person under a letter of credit are independent and superior under G.S. 25-5-114.

(d) Inapplicability of Article. -- This Article does not apply to:
(1) A landlord's lien, other than an agricultural lien;
(2) A lien, other than an agricultural lien, given by statute or other rule of law for services or materials, but G.S. 25-9-333 applies with respect to priority of the lien;
(3) An assignment of a claim for wages, salary, or other compensation of an employee;
(4) A sale of accounts, chattel paper, payment intangibles, or promissory notes as part of a sale of the business out of which they arose;

(5) An assignment of accounts, chattel paper, payment intangibles, or promissory notes which is for the purpose of collection only;

(6) An assignment of a right to payment under a contract to an assignee that is also obligated to perform under the contract;

(7) An assignment of a single account, payment intangible, or promissory note to an assignee in full or partial satisfaction of a preexisting indebtedness;

(8) A transfer of an interest in or an assignment of a claim under a policy of insurance, other than an assignment by or to a health-care provider of a health-care-insurance receivable and any subsequent assignment of the right to payment, but G.S. 25-9-315 and G.S. 25-9-322 apply with respect to proceeds and priorities in proceeds;

(9) An assignment of a right represented by a judgment, other than a judgment taken on a right to payment that was collateral;

(10) A right of recoupment or setoff, but:

a. G.S. 25-9-340 applies with respect to the effectiveness of rights of recoupment or setoff against deposit accounts; and

b. G.S. 25-9-404 applies with respect to defenses or claims of an account debtor;

(11) The creation or transfer of an interest in or lien on real property, including a lease or rents thereunder, except to the extent that provision is made for:

a. Liens on real property in G.S. 25-9-203 and G.S. 25-9-308;

b. Fixtures in G.S. 25-9-334;

c. Fixture filings in G.S. 25-9-501, 25-9-502, 25-9-512, 25-9-516, and 25-9-519; and

d. Security agreements covering personal and real property in G.S. 25-9-604;

(12) An assignment of a claim arising in tort, other than a commercial tort claim, but G.S. 25-9-315 and G.S. 25-9-322 apply with respect to proceeds and priorities in proceeds; or

(13) An assignment of a deposit account in a consumer transaction, but G.S. 25-9-315 and G.S. 25-9-322 apply with respect to proceeds and priorities in proceeds.

"**§ 25-9-110. Security interests arising under Article 2 or 2A of this Chapter.**

A security interest arising under G.S. 25-2-401, 25-2-505, 25-2-711(3), or 25-2A-508(5) is subject to this Article. However, until the debtor obtains possession of the goods:

(1) The security interest is enforceable, even if G.S. 25-9-203(b)(3) has not been satisfied;

(2) Filing is not required to perfect the security interest;

(3) The rights of the secured party after default by the debtor are governed by Article 2 or 2A of this Chapter; and

(4) The security interest has priority over a conflicting security interest created by the debtor.

"PART 2.
"EFFECTIVENESS OF SECURITY AGREEMENT;
ATTACHMENT OF SECURITY INTEREST;
RIGHTS OF PARTIES TO SECURITY AGREEMENT.
"SUBPART 1. EFFECTIVENESS AND ATTACHMENT.

"§ 25-9-201. General effectiveness of security agreement.

(a) General effectiveness. -- Except as otherwise provided in this Chapter, a security agreement is effective according to its terms between the parties, against purchasers of the collateral, and against creditors.

(b) Applicable consumer laws and other law. -- A transaction subject to this Article is subject to any applicable rule of law which establishes a different rule for consumers, to any other statute, rule, or regulation of this State that regulates the rates, charges, agreements, and practices for loans, credit sales, or other extensions of credit, and to any consumer-protection statute, rule, or regulation of this State, including Chapter 24 of the General Statutes, the Retail Installment Sales Act (Chapter 25A of the General Statutes), the North Carolina Consumer Finance Act (Article 15 of Chapter 53 of the General Statutes), and the Pawnbrokers Modernization Act of 1989 (Chapter 91A of the General Statutes).

(c) Other applicable law controls. -- In case of conflict between this Article and a rule of law, statute, or regulation described in subsection (b) of this section, the rule of law, statute, or regulation controls. Failure to comply with a statute or regulation described in subsection (b) of this section has only the effect the statute or regulation specifies.

(d) Further deference to other applicable law. -- This Article does not:

(1) Validate any rate, charge, agreement, or practice that violates a rule of law, statute, or regulation described in subsection (b) of this section; or

(2) Extend the application of the rule of law, statute, or regulation to a transaction not otherwise subject to it.

"§ 25-9-202. Title to collateral immaterial.

Except as otherwise provided with respect to consignments or sales of accounts, chattel paper, payment intangibles, or promissory notes, the provisions of this Article with regard to rights and obligations apply whether title to collateral is in the secured party or the debtor.

"§ 25-9-203. Attachment and enforceability of security interest; proceeds; supporting obligations; formal requisites.

(a) Attachment. -- A security interest attaches to collateral when it becomes enforceable against the debtor with respect to the collateral, unless an agreement expressly postpones the time of attachment.

(b) Enforceability. -- Except as otherwise provided in subsections (c) through (i) of this section, a security interest is enforceable against the debtor and third parties with respect to the collateral only if:

(1) Value has been given;
(2) The debtor has rights in the collateral or the power to transfer rights in the collateral to a secured party; and
(3) One of the following conditions is met:
a. The debtor has authenticated a security agreement that provides a description of the collateral and, if the security interest covers timber to be cut, a description of the land concerned;
b. The collateral is not a certificated security and is in the possession of the secured party under G.S. 25-9-313 pursuant to the debtor's security agreement;
c. The collateral is a certificated security in registered form and the security certificate has been delivered to the secured party under G.S. 25-8-301 pursuant to the debtor's security agreement; or
d. The collateral is deposit accounts, electronic chattel paper, investment property, or letter-of-credit rights, and the secured party has control under G.S. 25-9-104, 25-9-105, 25-9-106, or 25-9-107 pursuant to the debtor's security agreement.

(c) Other UCC provisions. -- Subsection (b) of this section is subject to G.S. 25-4-208 on the security interest of a collecting bank, G.S. 25-5-118 on the security interest of a letter-of-credit issuer or nominated person, G.S. 25-9-110 on a security interest arising under Article 2 or 2A of this Chapter, and G.S. 25-9-206 on security interests in investment property.

(d) When person becomes bound by another person's security agreement. -- A person becomes bound as debtor by a security agreement entered into by another person if, by operation of law other than this Article or by contract:
(1) The security agreement becomes effective to create a security interest in the person's property; or
(2) The person becomes generally obligated for the obligations of the other person, including the obligation secured under the security agreement, and acquires or succeeds to all or substantially all of the assets of the other person.

(e) Effect of new debtor becoming bound. -- If a new debtor becomes bound as debtor by a security agreement entered into by another person:
(1) The agreement satisfies subdivision (b)(3) of this section with respect to existing or after-acquired property of the new debtor to the extent the property is described in the agreement; and
(2) Another agreement is not necessary to make a security interest in the property enforceable.

(f) Proceeds and supporting obligations. -- The attachment of a security interest in collateral gives the secured party the rights to proceeds provided by G.S. 25-9-315

and is also attachment of a security interest in a supporting obligation for the collateral.

(g) Lien securing right to payment. -- The attachment of a security interest in a right to payment or performance secured by a security interest or other lien on personal or real property is also attachment of a security interest in the security interest, mortgage, or other lien.

(h) Security entitlement carried in securities account. -- The attachment of a security interest in a securities account is also attachment of a security interest in the security entitlements carried in the securities account.

(i) Commodity contracts carried in commodity account. -- The attachment of a security interest in a commodity account is also attachment of a security interest in the commodity contracts carried in the commodity account.

"§ 25-9-204. After-acquired property; future advances.

(a) After-acquired collateral. -- Except as otherwise provided in subsection (b) of this section, a security agreement may create or provide for a security interest in after-acquired collateral.

(b) When after-acquired property clause not effective. -- A security interest does not attach under a term constituting an after-acquired property clause to:

(1) Consumer goods, other than an accession when given as additional security, unless the debtor acquires rights in them within 10 days after the secured party gives value; or

(2) A commercial tort claim.

(c) Future advances and other value. -- A security agreement may provide that collateral secures, or that accounts, chattel paper, payment intangibles, or promissory notes are sold in connection with future advances or other value, whether or not the advances or value are given pursuant to commitment.

"§ 25-9-205. Use or disposition of collateral permissible.

(a) When security interest not invalid or fraudulent. -- A security interest is not invalid or fraudulent against creditors solely because:

(1) The debtor has the right or ability to:

a. Use, commingle, or dispose of all or part of the collateral, including returned or repossessed goods;

b. Collect, compromise, enforce, or otherwise deal with collateral;

c. Accept the return of collateral or make repossessions; or

d. Use, commingle, or dispose of proceeds; or

(2) The secured party fails to require the debtor to account for proceeds or replace collateral.

(b) Requirements of possession not relaxed. -- This section does not relax the requirements of possession if attachment, perfection, or enforcement of a security interest depends upon possession of the collateral by the secured party.

"§ 25-9-206. Security interest arising in purchase or delivery of financial asset.

(a) Security interest when person buys through securities intermediary. -- A security interest in favor of a securities intermediary attaches to a person's security entitlement if:

(1) The person buys a financial asset through the securities intermediary in a transaction in which the person is obligated to pay the purchase price to the securities intermediary at the time of the purchase; and

(2) The securities intermediary credits the financial asset to the buyer's securities account before the buyer pays the securities intermediary.

(b) Security interest secures obligation to pay for financial asset. -- The security interest described in subsection (a) of this section secures the person's obligation to pay for the financial asset.

(c) Security interest in payment against delivery transaction. -- A security interest in favor of a person that delivers a certificated security or other financial asset represented by a writing attaches to the security or other financial asset if:

(1) The security or other financial asset:

a. In the ordinary course of business is transferred by delivery with any necessary indorsement or assignment; and

b. Is delivered under an agreement between persons in the business of dealing with such securities or financial assets; and

(2) The agreement calls for delivery against payment.

(d) Security interest secures obligation to pay for delivery. -- The security interest described in subsection (c) of this section secures the obligation to make payment for the delivery.

"SUBPART 2. RIGHTS AND DUTIES.

"§ 25-9-207. Rights and duties of secured party having possession or control of collateral.

(a) Duty of care when secured party in possession. -- Except as otherwise provided in subsection (d) of this section, a secured party shall use reasonable care in the custody and preservation of collateral in the secured party's possession. In the case of chattel paper or an instrument, reasonable care includes taking necessary steps to preserve rights against prior parties unless otherwise agreed.

(b) Expenses, risks, duties, and rights when secured party in possession. -- Except as otherwise provided in subsection (d) of this section, if a secured party has possession of collateral:

(1) Reasonable expenses, including the cost of insurance and payment of taxes or other charges, incurred in the custody, preservation, use, or operation of the collateral are chargeable to the debtor and are secured by the collateral;

(2) The risk of accidental loss or damage is on the debtor to the extent of a deficiency in any effective insurance coverage;

(3) The secured party shall keep the collateral identifiable, but fungible collateral may be commingled; and

(4) The secured party may use or operate the collateral:

a. For the purpose of preserving the collateral or its value;

b. As permitted by an order of a court having competent jurisdiction; or

c. Except in the case of consumer goods, in the manner and to the extent agreed by the debtor.

(c) Rights and duties when secured party in possession or control. -- Except as otherwise provided in subsection (d) of this section, a secured party having possession of collateral or control of collateral under G.S. 25-9-104, 25-9-105, 25-9-106, or 25-9-107:

(1) May hold as additional security any proceeds, except money or funds, received from the collateral;

(2) Shall apply money or funds received from the collateral to reduce the secured obligation, unless remitted to the debtor; and

(3) May create a security interest in the collateral.

(d) Buyer of certain rights to payment. -- If the secured party is a buyer of accounts, chattel paper, payment intangibles, or promissory notes or a consignor:

(1) Subsection (a) of this section does not apply unless the secured party is entitled under an agreement:

a. To charge back uncollected collateral; or

b. Otherwise to full or limited recourse against the debtor or a secondary obligor based on the nonpayment or other default of an account debtor or other obligor on the collateral; and

(2) Subsections (b) and (c) of this section do not apply.

"**§ 25-9-208. Additional duties of secured party having control of collateral.**

(a) Applicability of section. -- This section applies to cases in which there is no outstanding secured obligation and the secured party is not committed to make advances, incur obligations, or otherwise give value.

(b) Duties of secured party after receiving demand from debtor. -- Within 10 days after receiving an authenticated demand by the debtor:

(1) A secured party having control of a deposit account under G.S. 25-9-104(a)(2) shall send to the bank with which the deposit account is maintained an authenticated statement that releases the bank from any further obligation to comply with instructions originated by the secured party;

(2) A secured party having control of a deposit account under G.S. 25-9-104(a)(3) shall:

a. Pay the debtor the balance on deposit in the deposit account; or

b. Transfer the balance on deposit into a deposit account in the debtor's name;

(3) A secured party, other than a buyer, having control of electronic chattel paper under G.S. 25-9-105 shall:

a. Communicate the authoritative copy of the electronic chattel paper to the debtor or its designated custodian;

b. If the debtor designates a custodian that is the designated custodian with which the authoritative copy of the electronic chattel paper is maintained for the secured party, communicate to the custodian an authenticated record releasing the designated custodian from any further obligation to comply with instructions originated by the secured party and instructing the custodian to comply with instructions originated by the debtor; and

c. Take appropriate action to enable the debtor or its designated custodian to make copies of or revisions to the authoritative copy which add or change an identified assignee of the authoritative copy without the consent of the secured party;

(4) A secured party having control of investment property under G.S. 25-8-106(d)(2) or G.S. 25-9-106(b) shall send to the securities intermediary or commodity intermediary with which the security entitlement or commodity contract is maintained an authenticated record that releases the securities intermediary or commodity intermediary from any further obligation to comply with entitlement orders or directions originated by the secured party; and

(5) A secured party having control of a letter-of-credit right under G.S. 25-9-107 shall send to each person having an unfulfilled obligation to pay or deliver proceeds of the letter of credit to the secured party an authenticated release from any further obligation to pay or deliver proceeds of the letter of credit to the secured party.

"§ 25-9-209. Duties of secured party if account debtor has been notified of assignment.

(a) Applicability of section. -- Except as otherwise provided in subsection (c) of this section, this section applies if:

(1) There is no outstanding secured obligation; and

(2) The secured party is not committed to make advances, incur obligations, or otherwise give value.

(b) Duties of secured party after receiving demand from debtor. -- Within 10 days after receiving an authenticated demand by the debtor, a secured party shall send to an account debtor that has received notification of an assignment to the secured party as assignee under G.S. 25-9-406(a) an authenticated record that releases the account debtor from any further obligation to the secured party.

(c) Inapplicability to sales. -- This section does not apply to an assignment constituting the sale of an account, chattel paper, or payment intangible.

"**§ 25-9-210. Request for accounting; request regarding list of collateral or statement of account.**

(a) Definitions. -- In this section:

(1) 'Request' means a record of a type described in subdivision (2), (3), or (4) of this subsection.

(2) 'Request for an accounting' means a record authenticated by a debtor requesting that the recipient provide an accounting of the unpaid obligations secured by collateral and reasonably identifying the transaction or relationship that is the subject of the request.

(3) 'Request regarding a list of collateral' means a record authenticated by a debtor requesting that the recipient approve or correct a list of what the debtor believes to be the collateral securing an obligation and reasonably identifying the transaction or relationship that is the subject of the request.

(4) 'Request regarding a statement of account' means a record authenticated by a debtor requesting that the recipient approve or correct a statement indicating what the debtor believes to be the aggregate amount of unpaid obligations secured by collateral as of a specified date and reasonably identifying the transaction or relationship that is the subject of the request.

(b) Duty to respond to requests. -- Subject to subsections (c), (d), (e), and (f) of this section, a secured party, other than a buyer of accounts, chattel paper, payment intangibles, or promissory notes or a consignor, shall comply with a request within 14 days after receipt:

(1) In the case of a request for an accounting, by authenticating and sending to the debtor an accounting; and

(2) In the case of a request regarding a list of collateral or a request regarding a statement of account, by authenticating and sending to the debtor an approval or correction.

(c) Request regarding list of collateral; statement concerning type of collateral. -- A secured party that claims a security interest in all of a particular type of collateral owned by the debtor may comply with a request regarding a list of collateral by sending to the debtor an authenticated record including a statement to that effect within 14 days after receipt.

(d) Request regarding list of collateral; no interest claimed. -- A person that receives a request regarding a list of collateral, claims no interest in the collateral when it receives the request, and claimed an interest in the collateral at an earlier time shall comply with the request within 14 days after receipt by sending to the debtor an authenticated record:

(1) Disclaiming any interest in the collateral; and

(2) If known to the recipient, providing the name and mailing address of any assignee of or successor to the recipient's interest in the collateral.

(e) Request for accounting or regarding statement of account; no interest in obligation claimed. -- A person that receives a request for an accounting or a request regarding a statement of account, claims no interest in the obligations when it receives the request, and claimed an interest in the obligations at an earlier time shall comply with the request within 14 days after receipt by sending to the debtor an authenticated record:

(1) Disclaiming any interest in the obligations; and

(2) If known to the recipient, providing the name and mailing address of any assignee of or successor to the recipient's interest in the obligations.

(f) Charges for responses. -- A debtor is entitled without charge to one response to a request under this section during any six-month period. The secured party may require payment of a charge not exceeding twenty-five dollars ($25.00) for each additional response.

"PART 3.

"PERFECTION AND PRIORITY.

"SUBPART 1. LAW GOVERNING PERFECTION AND PRIORITY.

"§ 25-9-301. Law governing perfection and priority of security interests.

Except as otherwise provided in G.S. 25-9-303 through G.S. 25-9-306, the following rules determine the law governing perfection, the effect of perfection or nonperfection, and the priority of a security interest in collateral:

(1) Except as otherwise provided in this section, while a debtor is located in a jurisdiction, the local law of that jurisdiction governs perfection, the effect of perfection or nonperfection, and the priority of a security interest in collateral.

(2) While collateral is located in a jurisdiction, the local law of that jurisdiction governs perfection, the effect of perfection or nonperfection, and the priority of a possessory security interest in that collateral.

(3) Except as otherwise provided in subdivision (4) of this section, while negotiable documents, goods, instruments, money, or tangible chattel paper is located in a jurisdiction, the local law of that jurisdiction governs:

a. Perfection of a security interest in the goods by filing a fixture filing;

b. Perfection of a security interest in timber to be cut; and

c. The effect of perfection or nonperfection and the priority of a nonpossessory security interest in the collateral.

(4) The local law of the jurisdiction in which the wellhead or minehead is located governs perfection, the effect of perfection or

nonperfection, and the priority of a security interest in as-extracted collateral.

"§ 25-9-302. Law governing perfection and priority of agricultural liens.

While farm products are located in a jurisdiction, the local law of that jurisdiction governs perfection, the effect of perfection or nonperfection, and the priority of an agricultural lien on the farm products.

"§ 25-9-303. Law governing perfection and priority of security interests in goods covered by a certificate of title.

(a) Applicability of section. -- This section applies to goods covered by a certificate of title, even if there is no other relationship between the jurisdiction under whose certificate of title the goods are covered and the goods or the debtor.

(b) When goods covered by certificate of title. -- Goods become covered by a certificate of title when a valid application for the certificate of title and the applicable fee are delivered to the appropriate authority. Goods cease to be covered by a certificate of title at the earlier of the time the certificate of title ceases to be effective under the law of the issuing jurisdiction or the time the goods become covered subsequently by a certificate of title issued by another jurisdiction.

(c) Applicable law. -- The local law of the jurisdiction under whose certificate of title the goods are covered governs perfection, the effect of perfection or nonperfection, and the priority of a security interest in goods covered by a certificate of title from the time the goods become covered by the certificate of title until the goods cease to be covered by the certificate of title.

"§ 25-9-304. Law governing perfection and priority of security interests in deposit accounts.

(a) Law of bank's jurisdiction governs. -- The local law of a bank's jurisdiction governs perfection, the effect of perfection or nonperfection, and the priority of a security interest in a deposit account maintained with that bank.

(b) Bank's jurisdiction. -- The following rules determine a bank's jurisdiction for purposes of this Part:

(1) If an agreement between the bank and the debtor governing the deposit account expressly provides that a particular jurisdiction is the bank's jurisdiction for purposes of this Part, this Article, or this Chapter, that jurisdiction is the bank's jurisdiction.

(2) If subdivision (1) of this subsection does not apply and an agreement between the bank and its customer governing the deposit account expressly provides that the agreement is governed by the law of a particular jurisdiction, that jurisdiction is the bank's jurisdiction.

(3) If neither subdivision (1) nor subdivision (2) of this subsection applies and an agreement between the bank and its customer governing the deposit account expressly provides that the deposit account is maintained at an office in a particular jurisdiction, that jurisdiction is the bank's jurisdiction.

(4) If none of subdivisions (1), (2), and (3) of this subsection applies, the bank's jurisdiction is the jurisdiction in which the office identified in an account statement as the office serving the customer's account is located.

(5) If none of subdivisions (1), (2), (3), and (4) of this subsection applies, the bank's jurisdiction is the jurisdiction in which the chief executive office of the bank is located.

"§ 25-9-305. Law governing perfection and priority of security interests in investment property.

(a) Governing law: general rules. -- Except as otherwise provided in subsection (c) of this section, the following rules apply:

(1) While a security certificate is located in a jurisdiction, the local law of that jurisdiction governs perfection, the effect of perfection or nonperfection, and the priority of a security interest in the certificated security represented thereby.

(2) The local law of the issuer's jurisdiction as specified in G.S. 25-8-110(d) governs perfection, the effect of perfection or nonperfection, and the priority of a security interest in an uncertificated security.

(3) The local law of the securities intermediary's jurisdiction as specified in G.S. 25-8-110(e) governs perfection, the effect of perfection or nonperfection, and the priority of a security interest in a security entitlement or securities account.

(4) The local law of the commodity intermediary's jurisdiction governs perfection, the effect of perfection or nonperfection, and the priority of a security interest in a commodity contract or commodity account.

(b) Commodity intermediary's jurisdiction. -- The following rules determine a commodity intermediary's jurisdiction for purposes of this Part:

(1) If an agreement between the commodity intermediary and commodity customer governing the commodity account expressly provides that a particular jurisdiction is the commodity intermediary's jurisdiction for purposes of this Part, this Article, or this Chapter, that jurisdiction is the commodity intermediary's jurisdiction.

(2) If subdivision (1) of this subsection does not apply and an agreement between the commodity intermediary and commodity customer governing the commodity account expressly provides that the agreement is governed by the law of a particular jurisdiction, that jurisdiction is the commodity intermediary's jurisdiction.

(3) If neither subdivision (1) nor subdivision (2) of this subsection applies and an agreement between the commodity intermediary and commodity customer governing the commodity account expressly provides that the commodity account is maintained at an

office in a particular jurisdiction, that jurisdiction is the commodity intermediary's jurisdiction.

(4) If none of subdivisions (1), (2), and (3) of this subsection applies, the commodity intermediary's jurisdiction is the jurisdiction in which the office identified in an account statement as the office serving the commodity customer's account is located.

(5) If none of subdivisions (1), (2), (3), and (4) of this subsection applies, the commodity intermediary's jurisdiction is the jurisdiction in which the chief executive office of the commodity intermediary is located.

(c) When perfection governed by law of jurisdiction where debtor located. -- The local law of the jurisdiction in which the debtor is located governs:

(1) Perfection of a security interest in investment property by filing;

(2) Automatic perfection of a security interest in investment property created by a broker or securities intermediary; and

(3) Automatic perfection of a security interest in a commodity contract or commodity account created by a commodity intermediary.

"§ 25-9-306. Law governing perfection and priority of security interests in letter-of-credit rights.

(a) Governing law: issuer's or nominated person's jurisdiction. -- Subject to subsection (c) of this section, the local law of the issuer's jurisdiction or a nominated person's jurisdiction governs perfection, the effect of perfection or nonperfection, and the priority of a security interest in a letter-of-credit right if the issuer's jurisdiction or nominated person's jurisdiction is a state.

(b) Issuer's or nominated person's jurisdiction. -- For purposes of this Part, an issuer's jurisdiction or nominated person's jurisdiction is the jurisdiction whose law governs the liability of the issuer or nominated person with respect to the letter-of-credit right as provided in G.S. 25-5-116.

(c) When section not applicable. -- This section does not apply to a security interest that is perfected only under G.S. 25-9-308(d).

"§ 25-9-307. Location of debtor.

(a) 'Place of business.' -- In this section, 'place of business' means a place where a debtor conducts its affairs.

(b) Debtor's location: general rules. -- Except as otherwise provided in this section, the following rules determine a debtor's location:

(1) A debtor who is an individual is located at the individual's principal residence.

(2) A debtor that is an organization and has only one place of business is located at its place of business.

(3) A debtor that is an organization and has more than one place of business is located at its chief executive office.

(c) Limitation of applicability of subsection (b). -- Subsection (b) of this section applies only if a debtor's residence, place of business, or chief executive office, as applicable, is located in a jurisdiction whose law generally requires information

concerning the existence of a nonpossessory security interest to be made generally available in a filing, recording, or registration system as a condition or result of the security interest's obtaining priority over the rights of a lien creditor with respect to the collateral. If subsection (b) of this section does not apply, the debtor is located in the District of Columbia.

(d) Continuation of location: cessation of existence, etc. -- A person that ceases to exist, have a residence, or have a place of business continues to be located in the jurisdiction specified by subsections (b) and (c) of this section.

(e) Location of registered organization organized under state law. -- A registered organization that is organized under the law of a state is located in that state.

(f) Location of registered organization organized under federal law; bank branches and agencies. -- Except as otherwise provided in subsection (i) of this section, a registered organization that is organized under the law of the United States and a branch or agency of a bank that is not organized under the law of the United States or a state are located:

(1) In the state that the law of the United States designates, if the law designates a state of location;

(2) In the state that the registered organization, branch, or agency designates, if the law of the United States authorizes the registered organization, branch, or agency to designate its state of location; or

(3) In the District of Columbia, if neither subdivision (1) nor subdivision (2) of this subsection applies.

(g) Continuation of location: change in status of registered organization. -- A registered organization continues to be located in the jurisdiction specified by subsection (e) or (f) of this section notwithstanding:

(1) The suspension, revocation, forfeiture, or lapse of the registered organization's status as such in its jurisdiction of organization; or

(2) The dissolution, winding up, or cancellation of the existence of the registered organization.

(h) Location of United States. -- The United States is located in the District of Columbia.

(i) Location of foreign bank branch or agency if licensed in only one state. -- A branch or agency of a bank that is not organized under the law of the United States or a state is located in the state in which the branch or agency is licensed, if all branches and agencies of the bank are licensed in only one state.

(j) Location of foreign air carrier. -- A foreign air carrier under the Federal Aviation Act of 1958, as amended, is located at the designated office of the agent upon which service of process may be made on behalf of the carrier.

(k) Section applies only to this Part. -- This section applies only for purposes of this Part.

"SUBPART 2. PERFECTION.

"§ 25-9-308. When security interest or agricultural lien is perfected; continuity of perfection.

(a) Perfection of security interest. -- Except as otherwise provided in this section and G.S. 25-9-309, a security interest is perfected if it has attached and all of the applicable requirements for perfection in G.S. 25-9-310 through G.S. 25-9-316 have been satisfied. A security interest is perfected when it attaches if the applicable requirements are satisfied before the security interest attaches.

(b) Perfection of agricultural lien. -- An agricultural lien is perfected if it has become effective and all of the applicable requirements for perfection in G.S. 25-9-310 have been satisfied. An agricultural lien is perfected when it becomes effective if the applicable requirements are satisfied before the agricultural lien becomes effective.

(c) Continuous perfection; perfection by different methods. -- A security interest or agricultural lien is perfected continuously if it is originally perfected by one method under this Article and is later perfected by another method under this Article, without an intermediate period when it was unperfected.

(d) Supporting obligation. -- Perfection of a security interest in collateral also perfects a security interest in a supporting obligation for the collateral.

(e) Lien securing right to payment. -- Perfection of a security interest in a right to payment or performance also perfects a security interest in a security interest, mortgage, or other lien on personal or real property securing the right.

(f) Security entitlement carried in securities account. -- Perfection of a security interest in a securities account also perfects a security interest in the security entitlements carried in the securities account.

(g) Commodity contract carried in commodity account. -- Perfection of a security interest in a commodity account also perfects a security interest in the commodity contracts carried in the commodity account.

"**§ 25-9-309. Security interest perfected upon attachment.** The following security interests are perfected when they attach:

(1) A purchase-money security interest in consumer goods, except as otherwise provided in G.S. 25-9-311(b) with respect to consumer goods that are subject to a statute or treaty described in G.S. 25-9-311(a);

(2) An assignment of accounts or payment intangibles which does not by itself or in conjunction with other assignments to the same assignee transfer a significant part of the assignor's outstanding accounts or payment intangibles;

(3) A sale of a payment intangible;

(4) A sale of a promissory note;

(5) A security interest created by the assignment of a health-care-insurance receivable to the provider of the health-care goods or services;

(6) A security interest arising under G.S. 25-2-401, 25-2-505, 25-2-711(3), or 25-2A-508(5), until the debtor obtains possession of the collateral;

(7) A security interest of a collecting bank arising under G.S. 25-4-208;

(8) A security interest of an issuer or nominated person arising under G.S. 25-5-118;
(9) A security interest arising in the delivery of a financial asset under G.S. 25-9-206(c);
(10) A security interest in investment property created by a broker or securities intermediary;
(11) A security interest in a commodity contract or a commodity account created by a commodity intermediary;
(12) An assignment for the benefit of all creditors of the transferor and subsequent transfers by the assignee thereunder; and
(13) A security interest created by an assignment of a beneficial interest in a decedent's estate.

"§ 25-9-310. When filing required to perfect security interest or agricultural lien; security interests and agricultural liens to which filing provisions do not apply.

(a) General rule: perfection by filing. -- Except as otherwise provided in subsection (b) of this section and G.S. 25-9-312(b), a financing statement must be filed to perfect all security interests and agricultural liens.

(b) Exceptions: filing not necessary. -- The filing of a financing statement is not necessary to perfect a security interest:

(1) That is perfected under G.S. 25-9-308(d), (e), (f), or (g);
(2) That is perfected under G.S. 25-9-309 when it attaches;
(3) In property subject to a statute, regulation, or treaty described in G.S. 25-9-311(a);
(4) In goods in possession of a bailee which is perfected under G.S. 25-9-312(d)(1) or (2);
(5) In certificated securities, documents, goods, or instruments which is perfected without filing or possession under G.S. 25-9-312(e), (f), or (g);
(6) In collateral in the secured party's possession under G.S. 25-9-313;
(7) In a certificated security which is perfected by delivery of the security certificate to the secured party under G.S. 25-9-313;
(8) In deposit accounts, electronic chattel paper, investment property, or letter-of-credit rights which is perfected by control under G.S. 25-9-314;
(9) In proceeds which is perfected under G.S. 25-9-315;
(10) That is perfected under G.S. 25-9-316; or
(11) Created in connection with the issuance of any bond, note, or other evidence of indebtedness for borrowed money by this State or any political subdivision or agency thereof, except as provided in G.S. 63A-11(e), 143B-456.1(f), 159C-28, and 159D-23.

(c) Assignment of perfected security interest. -- If a secured party assigns a perfected security interest or agricultural lien, a filing under this Article is not required to continue the perfected status of the security interest against creditors of and transferees from the original debtor.

"**§ 25-9-311. Perfection of security interests in property subject to certain statutes, regulations, and treaties.**

(a) Security interest subject to other law. -- Except as otherwise provided in subsection (d) of this section, the filing of a financing statement is not necessary or effective to perfect a security interest in property subject to:

(1) A statute, regulation, or treaty of the United States whose requirements for a security interest's obtaining priority over the rights of a lien creditor with respect to the property preempt G.S. 25-9-310(a);

(2) A certificate-of-title statute of this State covering automobiles or other goods that provides for a security interest to be indicated on the certificate as a condition to or result of perfection of the security interest, including G.S. 20-58 and G.S. 75A-41; or

(3) A certificate-of-title statute of another jurisdiction which provides for a security interest to be indicated on the certificate as a condition or result of the security interest's obtaining priority over the rights of a lien creditor with respect to the property.

(b) Compliance with other law. -- Compliance with the requirements of a statute, regulation, or treaty described in subsection (a) of this section for obtaining priority over the rights of a lien creditor is equivalent to the filing of a financing statement under this Article. Except as otherwise provided in subsection (d) of this section and G.S. 25-9-313 and G.S. 25-9-316(d) and (e) for goods covered by a certificate of title, a security interest in property subject to a statute, regulation, or treaty described in subsection (a) of this section may be perfected only by compliance with those requirements, and a security interest so perfected remains perfected notwithstanding a change in the use or transfer of possession of the collateral.

(c) Duration and renewal of perfection. -- Except as otherwise provided in subsection (d) of this section and G.S. 25-9-316(d) and (e), duration and renewal of perfection of a security interest perfected by compliance with the requirements prescribed by a statute, regulation, or treaty described in subsection (a) of this section are governed by the statute, regulation, or treaty. In other respects, the security interest is subject to this Article.

(d) Inapplicability to certain inventory. -- During any period in which collateral subject to a statute specified in subdivision (a)(2) of this section is inventory held for sale or lease by a person or leased by that person as lessor and that person is in the business of selling goods of that kind, this section does not apply to a security interest in that collateral created by that person.

"**§ 25-9-312. Perfection of security interests in chattel paper, deposit accounts, documents, goods covered by documents, instruments, investment property, letter-of-credit rights, and money; perfection by permissive filing; temporary perfection without filing or transfer of possession.**

(a) Perfection by filing permitted. -- A security interest in chattel paper, negotiable documents, instruments, or investment property may be perfected by filing.

(b) Control or possession of certain collateral. -- Except as otherwise provided in G.S. 25-9-315(c) and (d) for proceeds:

(1) A security interest in a deposit account may be perfected only by control under G.S. 25-9-314;

(2) And except as otherwise provided in G.S. 25-9-308(d), a security interest in a letter-of-credit right may be perfected only by control under G.S. 25-9-314; and

(3) A security interest in money may be perfected only by the secured party's taking possession under G.S. 25-9-313.

(c) Goods covered by negotiable document. -- While goods are in the possession of a bailee that has issued a negotiable document covering the goods:

(1) A security interest in the goods may be perfected by perfecting a security interest in the document; and

(2) A security interest perfected in the document has priority over any security interest that becomes perfected in the goods by another method during that time.

(d) Goods covered by nonnegotiable document. -- While goods are in the possession of a bailee that has issued a nonnegotiable document covering the goods, a security interest in the goods may be perfected by:

(1) Issuance of a document in the name of the secured party;

(2) The bailee's receipt of notification of the secured party's interest; or

(3) Filing as to the goods.

(e) Temporary perfection: new value. -- A security interest in certificated securities, negotiable documents, or instruments is perfected without filing or the taking of possession for a period of 20 days from the time it attaches to the extent that it arises for new value given under an authenticated security agreement.

(f) Temporary perfection: goods or documents made available to debtor. -- A perfected security interest in a negotiable document or goods in possession of a bailee, other than one that has issued a negotiable document for the goods, remains perfected for 20 days without filing if the secured party makes available to the debtor the goods or documents representing the goods for the purpose of:

(1) Ultimate sale or exchange; or

(2) Loading, unloading, storing, shipping, transshipping, manufacturing, processing, or otherwise dealing with them in a manner preliminary to their sale or exchange.

(g) Temporary perfection: delivery of security certificate or instrument to debtor. -- A perfected security interest in a certificated security or instrument remains perfected for 20 days without filing if the secured party delivers the security certificate or instrument to the debtor for the purpose of:

(1) Ultimate sale or exchange; or

(2) Presentation, collection, enforcement, renewal, or registration of transfer.

(h) Expiration of temporary perfection. -- After the 20-day period specified in subsection (e), (f), or (g) of this section expires, perfection depends upon compliance with this Article.

"§ 25-9-313. When possession by or delivery to secured party perfects security interest without filing.

(a) Perfection by possession or delivery. -- Except as otherwise provided in subsection (b) of this section, a secured party may perfect a security interest in negotiable documents, goods, instruments, money, or tangible chattel paper by taking possession of the collateral. A secured party may perfect a security interest in certificated securities by taking delivery of the certificated securities under G.S. 25-8-301.

(b) Goods covered by certificate of title. -- With respect to goods covered by a certificate of title issued by this State, a secured party may perfect a security interest in the goods by taking possession of the goods only in the circumstances described in G.S. 25-9-316(d).

(c) Collateral in possession of person other than debtor. -- With respect to collateral other than certificated securities and goods covered by a document, a secured party takes possession of collateral in the possession of a person other than the debtor, the secured party, or a lessee of the collateral from the debtor in the ordinary course of the debtor's business, when:

(1) The person in possession authenticates a record acknowledging that it holds possession of the collateral for the secured party's benefit; or

(2) The person takes possession of the collateral after having authenticated a record acknowledging that it will hold possession of collateral for the secured party's benefit.

(d) Time of perfection by possession; continuation of perfection. -- If perfection of a security interest depends upon possession of the collateral by a secured party, perfection occurs no earlier than the time the secured party takes possession and continues only while the secured party retains possession.

(e) Time of perfection by delivery; continuation of perfection. -- A security interest in a certificated security in registered form is perfected by delivery when delivery of the certificated security occurs under G.S. 25-8-301 and remains perfected by delivery until the debtor obtains possession of the security certificate.

(f) Acknowledgment not required. -- A person in possession of collateral is not required to acknowledge that it holds possession for a secured party's benefit.

(g) Effectiveness of acknowledgment; no duties or confirmation. -- If a person acknowledges that it holds possession for the secured party's benefit:

(1) The acknowledgment is effective under subsection (c) of this section or G.S. 25-8-301(a), even if the acknowledgment violates the rights of a debtor; and

(2) Unless the person otherwise agrees or law other than this Article otherwise provides, the person does not owe any duty to the

secured party and is not required to confirm the acknowledgment to another person.

(h) Secured party's delivery to person other than debtor. -- A secured party having possession of collateral does not relinquish possession by delivering the collateral to a person other than the debtor or a lessee of the collateral from the debtor in the ordinary course of the debtor's business if the person was instructed before the delivery or is instructed contemporaneously with the delivery:

(1) To hold possession of the collateral for the secured party's benefit; or

(2) To redeliver the collateral to the secured party.

(i) Effect of delivery under subsection (h); no duties or confirmation. -- A secured party does not relinquish possession, even if a delivery under subsection (h) of this section violates the rights of a debtor. A person to which collateral is delivered under subsection (h) of this section does not owe any duty to the secured party and is not required to confirm the delivery to another person unless the person otherwise agrees or law other than this Article otherwise provides.

"§ 25-9-314. Perfection by control.

(a) Perfection by control. -- A security interest in investment property, deposit accounts, letter-of-credit rights, or electronic chattel paper may be perfected by control of the collateral under G.S. 25-9-104, 25-9-105, 25-9-106, or 25-9-107.

(b) Specified collateral; time of perfection by control; continuation of perfection. -- A security interest in deposit accounts, electronic chattel paper, or letter-of-credit rights is perfected by control under G.S. 25-9-104, 25-9-105, or 25-9-107 when the secured party obtains control and remains perfected by control only while the secured party retains control.

(c) Investment property: time of perfection by control; continuation of perfection. -- A security interest in investment property is perfected by control under G.S. 25-9-106 from the time the secured party obtains control and remains perfected by control until:

(1) The secured party does not have control; and

(2) One of the following occurs:

a. If the collateral is a certificated security, the debtor has or acquires possession of the security certificate;

b. If the collateral is an uncertificated security, the issuer has registered or registers the debtor as the registered owner; or

c. If the collateral is a security entitlement, the debtor is or becomes the entitlement holder.

"§ 25-9-315. Secured party's rights on disposition of collateral and in proceeds.

(a) Disposition of collateral: continuation of security interest or agricultural lien; proceeds. -- Except as otherwise provided in this Article and in G.S. 25-2-403(2):

(1) A security interest or agricultural lien continues in collateral notwithstanding sale, lease, license, exchange, or other disposition thereof unless the secured party authorized the disposition free of the security interest or agricultural lien; and

(2) A security interest attaches to any identifiable proceeds of collateral.

(b) When commingled proceeds identifiable. -- Proceeds that are commingled with other property are identifiable proceeds:

(1) If the proceeds are goods, to the extent provided by G.S. 25-9-336; and

(2) If the proceeds are not goods, to the extent that the secured party identifies the proceeds by a method of tracing, including application of equitable principles, that is permitted under law other than this Article with respect to commingled property of the type involved.

(c) Perfection of security interest in proceeds. -- A security interest in proceeds is a perfected security interest if the security interest in the original collateral was perfected.

(d) Continuation of perfection. -- A perfected security interest in proceeds becomes unperfected on the twenty-first day after the security interest attaches to the proceeds unless:

(1) The following conditions are satisfied:

a. A filed financing statement covers the original collateral;

b. The proceeds are collateral in which a security interest may be perfected by filing in the office in which the financing statement has been filed; and

c. The proceeds are not acquired with cash proceeds;

(2) The proceeds are identifiable cash proceeds; or

(3) The security interest in the proceeds is perfected other than under subsection (c) of this section when the security interest attaches to the proceeds or within 20 days thereafter.

(e) When perfected security interest in proceeds becomes unperfected. -- If a filed financing statement covers the original collateral, a security interest in proceeds which remains perfected under subdivision (d)(1) of this section becomes unperfected at the later of:

(1) When the effectiveness of the filed financing statement lapses under G.S. 25-9-515 or is terminated under G.S. 25-9-513; or

(2) The twenty-first day after the security interest attaches to the proceeds.

"§ 25-9-316. Continued perfection of security interest following change in governing law.

(a) General rule: effect on perfection of change in governing law. -- A security interest perfected pursuant to the law of the jurisdiction designated in G.S. 25-9-301(1) or G.S. 25-9-305(c) remains perfected until the earliest of:

(1) The time perfection would have ceased under the law of that jurisdiction;

(2) The expiration of four months after a change of the debtor's location to another jurisdiction; or

(3) The expiration of one year after a transfer of collateral to a person that thereby becomes a debtor and is located in another jurisdiction.

(b) Security interest perfected or unperfected under law of new jurisdiction. -- If a security interest described in subsection (a) of this section becomes perfected under the law of the other jurisdiction before the earliest time or event described in that subsection, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earliest time or event, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

(c) Possessory security interest in collateral moved to new jurisdiction. -- A possessory security interest in collateral, other than goods covered by a certificate of title and as-extracted collateral consisting of goods, remains continuously perfected if:

(1) The collateral is located in one jurisdiction and subject to a security interest perfected under the law of that jurisdiction;

(2) Thereafter the collateral is brought into another jurisdiction; and

(3) Upon entry into the other jurisdiction, the security interest is perfected under the law of the other jurisdiction.

(d) Goods covered by certificate of title from this State. -- Except as otherwise provided in subsection (e) of this section, a security interest in goods covered by a certificate of title which is perfected by any method under the law of another jurisdiction when the goods become covered by a certificate of title from this State remains perfected until the security interest would have become unperfected under the law of the other jurisdiction had the goods not become so covered.

(e) When subsection (d) security interest becomes unperfected against purchasers. -- A security interest described in subsection (d) of this section becomes unperfected as against a purchaser of the goods for value and is deemed never to have been perfected as against a purchaser of the goods for value if the applicable requirements for perfection under G.S. 25-9-311(b) or G.S. 25-9-313 are not satisfied before the earlier of:

(1) The time the security interest would have become unperfected under the law of the other jurisdiction had the goods not become covered by a certificate of title from this State; or

(2) The expiration of four months after the goods had become so covered.

(f) Change in jurisdiction of bank, issuer, nominated person, securities intermediary, or commodity intermediary. -- A security interest in deposit accounts, letter-of-credit rights, or investment property which is perfected under the law of the bank's jurisdiction, the issuer's jurisdiction, a nominated person's jurisdiction, the securities intermediary's jurisdiction, or the commodity intermediary's jurisdiction, as applicable, remains perfected until the earlier of:

(1) The time the security interest would have become unperfected under the law of that jurisdiction; or

(2) The expiration of four months after a change of the applicable jurisdiction to another jurisdiction.

(g) Subsection (f) security interest perfected or unperfected under law of new jurisdiction. -- If a security interest described in subsection (f) of this section becomes perfected under the law of the other jurisdiction before the earlier of the time or the end of the period described in that subsection, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earlier of that time or the end of that period, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

"SUBPART 3. PRIORITY.

"§ 25-9-317. Interests that take priority over or take free of security interest or agricultural lien.

(a) Conflicting security interests and rights of lien creditors. -- A security interest or agricultural lien is subordinate to the rights of:

(1) A person entitled to priority under G.S. 25-9-322; and

(2) Except as otherwise provided in subsection (e) of this section, a person that becomes a lien creditor before the earlier of the time:

a. The security interest or agricultural lien is perfected; or

b. One of the conditions specified in G.S. 25-9-203(b)(3) is met and a financing statement covering the collateral is filed.

(b) Buyers that receive delivery. -- Except as otherwise provided in subsection (e) of this section, a buyer, other than a secured party, of tangible chattel paper, documents, goods, instruments, or a security certificate takes free of a security interest or agricultural lien if the buyer gives value and receives delivery of the collateral without knowledge of the security interest or agricultural lien and before it is perfected.

(c) Lessees that receive delivery. -- Except as otherwise provided in subsection (e) of this section, a lessee of goods takes free of a security interest or agricultural lien if the lessee gives value and receives delivery of the collateral without knowledge of the security interest or agricultural lien and before it is perfected.

(d) Licensees and buyers of certain collateral. -- A licensee of a general intangible or a buyer, other than a secured party, of accounts, electronic chattel paper, general intangibles, or investment property other than a certificated security takes free of a security interest if the licensee or buyer gives value without knowledge of the security interest and before it is perfected.

(e) Purchase-money security interest. -- Except as otherwise provided in G.S. 25-9-320 and G.S. 25-9-321, if a person files a financing statement with respect to a purchase-money security interest before or within 20 days after the debtor receives delivery of the collateral, the security interest takes priority over the rights of a buyer, lessee, or lien creditor which arise between the time the security interest attaches and the time of filing.

"§ 25-9-318. No interest retained in right to payment that is sold; rights and title of seller of account or chattel paper with respect to creditors and purchasers.

(a) Seller retains no interest. -- A debtor that has sold an account, chattel paper, payment intangible, or promissory note does not retain a legal or equitable interest in the collateral sold.

(b) Deemed rights of debtor if buyer's security interest unperfected. -- For purposes of determining the rights of creditors of, and purchasers for value of an account or chattel paper from, a debtor that has sold an account or chattel paper, while the buyer's security interest is unperfected, the debtor is deemed to have rights and title to the account or chattel paper identical to those the debtor sold.

"§ 25-9-319. Rights and title of consignee with respect to creditors and purchasers.

(a) Consignee has consignor's rights. -- Except as otherwise provided in subsection (b) of this section, for purposes of determining the rights of creditors of, and purchasers for value of goods from, a consignee, while the goods are in the possession of the consignee, the consignee is deemed to have rights and title to the goods identical to those the consignor had or had power to transfer.

(b) Applicability of other law. -- For purposes of determining the rights of a creditor of a consignee, law other than this Article determines the rights and title of a consignee while goods are in the consignee's possession if, under this Part, a perfected security interest held by the consignor would have priority over the rights of the creditor.

"§ 25-9-320. Buyer of goods.

(a) Buyer in ordinary course of business. -- Except as otherwise provided in subsection (e) of this section, a buyer in ordinary course of business, other than a person buying farm products from a person engaged in farming operations, takes free of a security interest created by the buyer's seller, even if the security interest is perfected and the buyer knows of its existence.

(b) Buyer of consumer goods. -- Except as otherwise provided in subsection (e) of this section, a buyer of goods from a person who used or bought the goods for use primarily for personal, family, or household purposes takes free of a security interest, even if perfected, if the buyer buys:

(1) Without knowledge of the security interest;

(2) For value;

(3) Primarily for the buyer's personal, family, or household purposes; and

(4) Before the filing of a financing statement covering the goods.

(c) Effectiveness of filing for subsection (b). -- To the extent that it affects the priority of a security interest over a buyer of goods under subsection (b) of this section, the period of effectiveness of a filing made in the jurisdiction in which the seller is located is governed by G.S. 25-9-316(a) and (b).

(d) Buyer in ordinary course of business at wellhead or minehead. -- A buyer in ordinary course of business buying oil, gas, or other minerals at the wellhead or minehead or after extraction takes free of an interest arising out of an encumbrance.

(e) Possessory security interest not affected. -- Subsections (a) and (b) of this section do not affect a security interest in goods in the possession of the secured party under G.S. 25-9-313.

"§ 25-9-321. Licensee of general intangible and lessee of goods in ordinary course of business.

(a) 'Licensee in ordinary course of business'. -- In this section, 'licensee in ordinary course of business' means a person that becomes a licensee of a general intangible in good faith, without knowledge that the license violates the rights of another person in the general intangible, and in the ordinary course from a person in the business of licensing general intangibles of that kind. A person becomes a licensee in the ordinary course if the license to the person comports with the usual or customary practices in the kind of business in which the licensor is engaged or with the licensor's own usual or customary practices.

(b) Rights of licensee in ordinary course of business. -- A licensee in ordinary course of business takes its rights under a nonexclusive license free of a security interest in the general intangible created by the licensor, even if the security interest is perfected and the licensee knows of its existence.

(c) Rights of lessee in ordinary course of business. -- A lessee in ordinary course of business takes its leasehold interest free of a security interest in the goods created by the lessor, even if the security interest is perfected and the lessee knows of its existence.

"§ 25-9-322. Priorities among conflicting security interests in and agricultural liens on same collateral.

(a) General priority rules. -- Except as otherwise provided in this section, priority among conflicting security interests and agricultural liens in the same collateral is determined according to the following rules:

(1) Conflicting perfected security interests and agricultural liens rank according to priority in time of filing or perfection. Priority dates from the earlier of the time a filing covering the collateral is first made or the security interest or agricultural lien is first perfected, if there is no period thereafter when there is neither filing nor perfection.

(2) A perfected security interest or agricultural lien has priority over a conflicting unperfected security interest or agricultural lien.

(3) The first security interest or agricultural lien to attach or become effective has priority if conflicting security interests and agricultural liens are unperfected.

(b) Time of perfection: proceeds and supporting obligations. -- For the purposes of subdivision (a)(1) of this section:

(1) The time of filing or perfection as to a security interest in collateral is also the time of filing or perfection as to a security interest in proceeds; and

(2) The time of filing or perfection as to a security interest in collateral supported by a supporting obligation is also the time of filing or perfection as to a security interest in the supporting obligation.

(c) Special priority rules: proceeds and supporting obligations. -- Except as otherwise provided in subsection (f) of this section, a security interest in collateral

which qualifies for priority over a conflicting security interest under G.S. 25-9-327, 25-9-328, 25-9-329, 25-9-330, or 25-9-331 also has priority over a conflicting security interest in:

(1) Any supporting obligation for the collateral; and

(2) Proceeds of the collateral if:

a. The security interest in proceeds is perfected;

b. The proceeds are cash proceeds or of the same type as the collateral; and

c. In the case of proceeds that are proceeds of proceeds, all intervening proceeds are cash proceeds, proceeds of the same type as the collateral, or an account relating to the collateral.

(d) First-to-file priority rule for certain collateral. -- Subject to subsection (e) of this section and except as otherwise provided in subsection (f) of this section, if a security interest in chattel paper, deposit accounts, negotiable documents, instruments, investment property, or letter-of-credit rights is perfected by a method other than filing, conflicting perfected security interests in proceeds of the collateral rank according to priority in time of filing.

(e) Applicability of subsection (d). -- Subsection (d) of this section applies only if the proceeds of the collateral are not cash proceeds, chattel paper, negotiable documents, instruments, investment property, or letter-of-credit rights.

(f) Limitations on subsections (a) through (e). -- Subsections (a) through (e) of this section are subject to:

(1) Subsection (g) of this section and the other provisions of this Part;

(2) G.S. 25-4-208 with respect to a security interest of a collecting bank;

(3) G.S. 25-5-118 with respect to a security interest of an issuer or nominated person; and

(4) G.S. 25-9-110 with respect to a security interest arising under Article 2 or 2A of this Chapter.

(g) Priority under agricultural lien statute. -- A perfected agricultural lien on collateral has priority over a conflicting security interest in or agricultural lien on the same collateral if the statute creating the agricultural lien so provides.

"§ 25-9-323. Future advances.

(a) When priority based on time of advance. -- Except as otherwise provided in subsection (c) of this section, for purposes of determining the priority of a perfected security interest under G.S. 25-9-322(a)(1), perfection of the security interest dates from the time an advance is made to the extent that the security interest secures an advance that:

(1) Is made while the security interest is perfected only:

a. Under G.S. 25-9-309 when it attaches; or

b. Temporarily under G.S. 25-9-312(e), (f), or (g); and

(2) Is not made pursuant to a commitment entered into before or while the security interest is perfected by a method other than under G.S. 25-9-309 or G.S. 25-9-312(e), (f), or (g).

(b) Lien creditor. -- Except as otherwise provided in subsection (c) of this section, a security interest is subordinate to the rights of a person that becomes a lien creditor to the extent that the security interest secures an advance made more than 45 days after the person becomes a lien creditor unless the advance is made:

(1) Without knowledge of the lien; or

(2) Pursuant to a commitment entered into without knowledge of the lien.

(c) Buyer of receivables. -- Subsections (a) and (b) of this section do not apply to a security interest held by a secured party that is a buyer of accounts, chattel paper, payment intangibles, or promissory notes or a consignor.

(d) Buyer of goods. -- Except as otherwise provided in subsection (e) of this section, a buyer of goods other than a buyer in ordinary course of business takes free of a security interest to the extent that it secures advances made after the earlier of:

(1) The time the secured party acquires knowledge of the buyer's purchase; or

(2) 45 days after the purchase.

(e) Advances made pursuant to commitment: priority of buyer of goods. -- Subsection (d) of this section does not apply if the advance is made pursuant to a commitment entered into without knowledge of the buyer's purchase and before the expiration of the 45-day period.

(f) Lessee of goods. -- Except as otherwise provided in subsection (g) of this section, a lessee of goods, other than a lessee in ordinary course of business, takes the leasehold interest free of a security interest to the extent that it secures advances made after the earlier of:

(1) The time the secured party acquires knowledge of the lease; or

(2) 45 days after the lease contract becomes enforceable.

(g) Advances made pursuant to commitment: priority of lessee of goods. -- Subsection (f) of this section does not apply if the advance is made pursuant to a commitment entered into without knowledge of the lease and before the expiration of the 45-day period.

"**§ 25-9-324. Priority of purchase-money security interests.**

(a) General rule: purchase-money priority. -- Except as otherwise provided in subsection (g) of this section, a perfected purchase-money security interest in goods other than inventory or livestock has priority over a conflicting security interest in the same goods, and, except as otherwise provided in G.S. 25-9-327, a perfected security interest in its identifiable proceeds also has priority, if the purchase-money security interest is perfected when the debtor receives possession of the collateral or within 20 days thereafter.

(b) Inventory purchase-money priority. -- Subject to subsection (c) of this section and except as otherwise provided in subsection (g) of this section, a perfected purchase-money security interest in inventory has priority over a conflicting security

interest in the same inventory, has priority over a conflicting security interest in chattel paper or an instrument constituting proceeds of the inventory and in proceeds of the chattel paper, if so provided in G.S. 25-9-330, and, except as otherwise provided in G.S. 25-9-327, also has priority in identifiable cash proceeds of the inventory to the extent the identifiable cash proceeds are received on or before the delivery of the inventory to a buyer, if:

(1) The purchase-money security interest is perfected when the debtor receives possession of the inventory;

(2) The purchase-money secured party sends an authenticated notification to the holder of the conflicting security interest;

(3) The holder of the conflicting security interest receives the notification within five years before the debtor receives possession of the inventory; and

(4) The notification states that the person sending the notification has or expects to acquire a purchase-money security interest in inventory of the debtor and describes the inventory.

(c) Holders of conflicting inventory security interests to be notified. -- Subdivisions (b)(2) through (b)(4) of this section apply only if the holder of the conflicting security interest had filed a financing statement covering the same types of inventory:

(1) If the purchase-money security interest is perfected by filing, before the date of the filing; or

(2) If the purchase-money security interest is temporarily perfected without filing or possession under G.S. 25-9-312(f), before the beginning of the 20-day period thereunder.

(d) Livestock purchase-money priority. -- Subject to subsection (e) of this section and except as otherwise provided in subsection (g) of this section, a perfected purchase-money security interest in livestock that are farm products has priority over a conflicting security interest in the same livestock, and, except as otherwise provided in G.S. 25-9-327, a perfected security interest in their identifiable proceeds and identifiable products in their unmanufactured states also has priority, if:

(1) The purchase-money security interest is perfected when the debtor receives possession of the livestock;

(2) The purchase-money secured party sends an authenticated notification to the holder of the conflicting security interest;

(3) The holder of the conflicting security interest receives the notification within six months before the debtor receives possession of the livestock; and

(4) The notification states that the person sending the notification has or expects to acquire a purchase-money security interest in livestock of the debtor and describes the livestock.

(e) Holders of conflicting livestock security interests to be notified. -- Subdivisions (d)(2) through (d)(4) of this section apply only if the holder of the conflicting security interest had filed a financing statement covering the same types of livestock:

(1) If the purchase-money security interest is perfected by filing, before the date of the filing; or

(2) If the purchase-money security interest is temporarily perfected without filing or possession under G.S. 25-9-312(f), before the beginning of the 20-day period thereunder.

(f) Software purchase-money priority. -- Except as otherwise provided in subsection (g) of this section, a perfected purchase-money security interest in software has priority over a conflicting security interest in the same collateral, and, except as otherwise provided in G.S. 25-9-327, a perfected security interest in its identifiable proceeds also has priority, to the extent that the purchase-money security interest in the goods in which the software was acquired for use has priority in the goods and proceeds of the goods under this section.

(g) Conflicting purchase-money security interests. -- If more than one security interest qualifies for priority in the same collateral under subsection (a), (b), (d), or (f) of this section:

(1) A security interest securing an obligation incurred as all or part of the price of the collateral has priority over a security interest securing an obligation incurred for value given to enable the debtor to acquire rights in or the use of collateral; and

(2) In all other cases, G.S. 25-9-322(a) applies to the qualifying security interests.

"**§ 25-9-324.1. Priority of production-money security interests and agricultural liens.**

(a) Priority over conflicting security interests. -- Except as otherwise provided in subsections (c), (d), and (e) of this section, if the requirements of subsection (b) of this section are satisfied, a perfected production-money security interest in production-money crops has priority over a conflicting security interest in the same crops and, except as otherwise provided in G.S. 25-9-327, also has priority in their identifiable proceeds.

(b) Requirements for priority. -- A production-money security interest has priority under subsection (a) of this section if:

(1) The production-money security interest is perfected by filing when the production-money secured party first gives new value to enable the debtor to produce the crops;

(2) The production-money secured party sends an authenticated notification to the holder of the conflicting security interest not less than 10 or more than 30 days before the production-money secured party first gives new value to enable the debtor to produce the crops if the holder had filed a financing statement covering the crops before the date of the filing made by the production-money secured party; and

(3) The notification states that the production-money secured party has or expects to acquire a production-money security interest in the debtor's crops and provides a description of the crops.

(c) Multiple production-money security interests. -- Except as otherwise provided in subsection (d) or (e) of this section, if more than one security interest qualifies for priority in the same collateral under subsection (a) of this section, the security interests rank according to priority in time of filing under G.S. 25-9-322(a).

(d) New value to produce production-money crops. -- To the extent that a person holding a perfected security interest in production-money crops that are the subject of a production-money security interest gives new value to enable the debtor to produce the production-money crops and the value is in fact used for the production of the production-money crops, the security interests rank according to priority in time of filing under G.S. 25-9-322(a).

(e) Holder of agricultural lien and production-money security interest. -- To the extent that a person holds both an agricultural lien and a production-money security interest in the same collateral securing the same obligations, the rules of priority applicable to agricultural liens govern priority.

(f) Creating or perfecting production-money security interest not to operate as default or accelerating event. -- Creating or perfecting a production-money security interest shall not operate under any circumstances as a default on, an accelerating event under, or otherwise as a breach of any note or other instrument or agreement of any kind or nature to pay debt, any loan or credit agreement, or any security agreement or arrangement of any kind or nature where the collateral is real or personal property.

"§ 25-9-325. Priority of security interests in transferred collateral.

(a) Subordination of security interest in transferred collateral. -- Except as otherwise provided in subsection (b) of this section, a security interest created by a debtor is subordinate to a security interest in the same collateral created by another person if:

(1) The debtor acquired the collateral subject to the security interest created by the other person;

(2) The security interest created by the other person was perfected when the debtor acquired the collateral; and

(3) There is no period thereafter when the security interest is unperfected.

(b) Limitation of subsection (a) subordination. -- Subsection (a) of this section subordinates a security interest only if the security interest:

(1) Otherwise would have priority solely under G.S. 25-9-322(a) or G.S. 25-9-324; or

(2) Arose solely under G.S. 25-2-711(3) or G.S. 25-2A-508(5).

"§ 25-9-326. Priority of security interests created by new debtor.

(a) Subordination of security interest created by new debtor. -- Subject to subsection (b) of this section, a security interest created by a new debtor which is perfected by a filed financing statement that is effective solely under G.S. 25-9-508 in collateral in which a new debtor has or acquires rights is subordinate to a security interest in the same collateral which is perfected other than by a filed financing statement that is effective solely under G.S. 25-9-508.

(b) Priority under other provisions; multiple original debtors. -- The other provisions of this Part determine the priority among conflicting security interests in the same collateral perfected by filed financing statements that are effective solely under G.S. 25-9-508. However, if the security agreements to which a new debtor became bound as debtor were not entered into by the same original debtor, the conflicting security interests rank according to priority in time of the new debtor's having become bound.

"§ 25-9-327. Priority of security interests in deposit account.

The following rules govern priority among conflicting security interests in the same deposit account:

(1) A security interest held by a secured party having control of the deposit account under G.S. 25-9-104 has priority over a conflicting security interest held by a secured party that does not have control.

(2) Except as otherwise provided in subdivisions (3) and (4) of this section, security interests perfected by control under G.S. 25-9-314 rank according to priority in time of obtaining control.

(3) Except as otherwise provided in subdivision (4) of this section, a security interest held by the bank with which the deposit account is maintained has priority over a conflicting security interest held by another secured party.

(4) A security interest perfected by control under G.S. 25-9-104(a)(3) has priority over a security interest held by the bank with which the deposit account is maintained.

"§ 25-9-328. Priority of security interests in investment property.

The following rules govern priority among conflicting security interests in the same investment property:

(1) A security interest held by a secured party having control of investment property under G.S. 25-9-106 has priority over a security interest held by a secured party that does not have control of the investment property.

(2) Except as otherwise provided in subdivisions (3) and (4) of this section, conflicting security interests held by secured parties each of which has control under G.S. 25-9-106 rank according to priority in time of:

a. If the collateral is a security, obtaining control;

b. If the collateral is a security entitlement carried in a securities account and:

1. If the secured party obtained control under G.S. 25-8-106(d)(1), the secured party's becoming the person for which the securities account is maintained;

2. If the secured party obtained control under G.S. 25-8-106(d)(2), the securities intermediary's agreement to comply with the secured party's entitlement orders

with respect to security entitlements carried or to be carried in the securities account; or

3. If the secured party obtained control through another person under G.S. 25-8-106(d)(3), the time on which priority would be based under this subdivision if the other person were the secured party; or

c. If the collateral is a commodity contract carried with a commodity intermediary, the satisfaction of the requirement for control specified in G.S. 25-9-106(b)(2) with respect to commodity contracts carried or to be carried with the commodity intermediary.

(3) A security interest held by a securities intermediary in a security entitlement or a securities account maintained with the securities intermediary has priority over a conflicting security interest held by another secured party.

(4) A security interest held by a commodity intermediary in a commodity contract or a commodity account maintained with the commodity intermediary has priority over a conflicting security interest held by another secured party.

(5) A security interest in a certificated security in registered form which is perfected by taking delivery under G.S. 25-9-313(a) and not by control under G.S. 25-9-314 has priority over a conflicting security interest perfected by a method other than control.

(6) Conflicting security interests created by a broker, securities intermediary, or commodity intermediary which are perfected without control under G.S. 25-9-106 rank equally.

(7) In all other cases, priority among conflicting security interests in investment property is governed by G.S. 25-9-322 and G.S. 25-9-323.

"§ 25-9-329. Priority of security interests in letter-of-credit right.

The following rules govern priority among conflicting security interests in the same letter-of-credit right:

(1) A security interest held by a secured party having control of the letter-of-credit right under G.S. 25-9-107 has priority to the extent of its control over a conflicting security interest held by a secured party that does not have control.

(2) Security interests perfected by control under G.S. 25-9-314 rank according to priority in time of obtaining control.

"§ 25-9-330. Priority of purchaser of chattel paper or instrument.

(a) Purchaser's priority: security interest claimed merely as proceeds. -- A purchaser of chattel paper has priority over a security interest in the chattel paper which is claimed merely as proceeds of inventory subject to a security interest if:

(1) In good faith and in the ordinary course of the purchaser's business, the purchaser gives new value and takes possession of the

chattel paper or obtains control of the chattel paper under G.S. 25-9-105; and

(2) The chattel paper does not indicate that it has been assigned to an identified assignee other than the purchaser.

(b) Purchaser's priority: other security interests. -- A purchaser of chattel paper has priority over a security interest in the chattel paper which is claimed other than merely as proceeds of inventory subject to a security interest if the purchaser gives new value and takes possession of the chattel paper or obtains control of the chattel paper under G.S. 25-9-105 in good faith, in the ordinary course of the purchaser's business, and without knowledge that the purchase violates the rights of the secured party.

(c) Chattel paper purchaser's priority in proceeds. -- Except as otherwise provided in G.S. 25-9-327, a purchaser having priority in chattel paper under subsection (a) or (b) of this section also has priority in proceeds of the chattel paper to the extent that:

(1) G.S. 25-9-322 provides for priority in the proceeds; or

(2) The proceeds consist of the specific goods covered by the chattel paper or cash proceeds of the specific goods, even if the purchaser's security interest in the proceeds is unperfected.

(d) Instrument purchaser's priority. -- Except as otherwise provided in G.S. 25-9-331(a), a purchaser of an instrument has priority over a security interest in the instrument perfected by a method other than possession if the purchaser gives value and takes possession of the instrument in good faith and without knowledge that the purchase violates the rights of the secured party.

(e) Holder of purchase-money security interest gives new value. -- For purposes of subsections (a) and (b) of this section, the holder of a purchase-money security interest in inventory gives new value for chattel paper constituting proceeds of the inventory.

(f) Indication of assignment gives knowledge. -- For purposes of subsections (b) and (d) of this section, if chattel paper or an instrument indicates that it has been assigned to an identified secured party other than the purchaser, a purchaser of the chattel paper or instrument has knowledge that the purchase violates the rights of the secured party.

"§ 25-9-331. Priority of rights of purchasers of instruments, documents, and securities under other Articles; priority of interests in financial assets and security entitlements under Article 8.

(a) Rights under Articles 3, 7, and 8 not limited. -- This Article does not limit the rights of a holder in due course of a negotiable instrument, a holder to which a negotiable document of title has been duly negotiated, or a protected purchaser of a security. These holders or purchasers take priority over an earlier security interest, even if perfected, to the extent provided in Articles 3, 7, and 8 of this Chapter.

(b) Protection under Article 8. -- This Article does not limit the rights of or impose liability on a person to the extent that the person is protected against the assertion of a claim under Article 8 of this Chapter.

(c) Filing not notice. -- Filing under this Article does not constitute notice of a claim or defense to the holders, or purchasers, or persons described in subsections (a) and (b) of this section.

"§ 25-9-332. Transfer of money; transfer of funds from deposit account.

(a) Transferee of money. -- A transferee of money takes the money free of a security interest unless the transferee acts in collusion with the debtor in violating the rights of the secured party.

(b) Transferee of funds from deposit account. -- A transferee of funds from a deposit account takes the funds free of a security interest in the deposit account unless the transferee acts in collusion with the debtor in violating the rights of the secured party.

"§ 25-9-333. Priority of certain liens arising by operation of law.

(a) 'Possessory lien.' -- In this section, 'possessory lien' means an interest, other than a security interest or an agricultural lien:

(1) Which secures payment or performance of an obligation for services or materials furnished with respect to goods by a person in the ordinary course of the person's business;

(2) Which is created by statute or rule of law in favor of the person; and

(3) Whose effectiveness depends on the person's possession of the goods.

(b) Priority of possessory lien. -- A possessory lien on goods has priority over a security interest in the goods unless the lien is created by a statute that expressly provides otherwise.

"§ 25-9-334. Priority of security interests in fixtures and crops.

(a) Security interest in fixtures under this Article. -- A security interest under this Article may be created in goods that are fixtures or may continue in goods that become fixtures. A security interest does not exist under this Article in ordinary building materials incorporated into an improvement on land.

(b) Security interest in fixtures under real-property law. -- This Article does not prevent creation of an encumbrance upon fixtures under real property law.

(c) General rule: subordination of security interest in fixtures. -- In cases not governed by subsections (d) through (h) of this section, a security interest in fixtures is subordinate to a conflicting interest of an encumbrancer or owner of the related real property other than the debtor.

(d) Fixtures purchase-money priority. -- Except as otherwise provided in subsection (h) of this section, a perfected security interest in fixtures has priority over a conflicting interest of an encumbrancer or owner of the real property if the debtor has an interest of record in or is in possession of the real property and:

(1) The security interest is a purchase-money security interest;

(2) The interest of the encumbrancer or owner arises before the goods become fixtures; and

(3) The security interest is perfected by a fixture filing before the goods become fixtures or within 20 days thereafter.

(e) Priority of security interest in fixtures over interests in real property. -- A perfected security interest in fixtures has priority over a conflicting interest of an encumbrancer or owner of the real property if:

(1) The debtor has an interest of record in the real property or is in possession of the real property and the security interest:

a. Is perfected by a fixture filing before the interest of the encumbrancer or owner is of record; and

b. Has priority over any conflicting interest of a predecessor in title of the encumbrancer or owner;

(2) Before the goods become fixtures, the security interest is perfected by any method permitted by this Article and the fixtures are readily removable:

a. Factory or office machines;

b. Equipment that is not primarily used or leased for use in the operation of the real property; or

c. Replacements of domestic appliances that are consumer goods;

(3) The conflicting interest is a lien on the real property obtained by legal or equitable proceedings after the security interest was perfected by any method permitted by this Article; or

(4) The security interest is:

a. Created in a manufactured home in a manufactured-home transaction; and

b. Perfected pursuant to a statute described in G.S. 25-9-311(a)(2).

(f) Priority based on consent, disclaimer, or right to remove. -- A security interest in fixtures, whether or not perfected, has priority over a conflicting interest of an encumbrancer or owner of the real property if:

(1) The encumbrancer or owner has, in an authenticated record, consented to the security interest or disclaimed an interest in the goods as fixtures; or

(2) The debtor has a right to remove the goods as against the encumbrancer or owner.

(g) Continuation of subdivision (f)(2) priority. -- The priority of the security interest under subdivision (f)(2) of this section continues for a reasonable time if the debtor's right to remove the goods as against the encumbrancer or owner terminates.

(h) Priority of construction mortgage. -- A mortgage is a construction mortgage to the extent that it secures an obligation incurred for the construction of an improvement on land, including the acquisition cost of the land, if a recorded record of the mortgage so indicates. Except as otherwise provided in subsections (e) and (f) of this section, a security interest in fixtures is subordinate to a construction mortgage if a record of the mortgage is recorded before the goods become fixtures and the goods become fixtures before the completion of the construction. A mortgage has

this priority to the same extent as a construction mortgage to the extent that it is given to refinance a construction mortgage.

(i) Priority of security interest in crops. -- Except as provided in G.S. 42-15, a perfected security interest in crops growing on real property has priority over a conflicting interest of an encumbrancer or owner of the real property if the debtor has an interest of record in or is in possession of the real property.

"§ 25-9-335. Accessions.

(a) Creation of security interest in accession. -- A security interest may be created in an accession and continues in collateral that becomes an accession.

(b) Perfection of security interest. -- If a security interest is perfected when the collateral becomes an accession, the security interest remains perfected in the collateral.

(c) Priority of security interest. -- Except as otherwise provided in subsection (d) of this section, the other provisions of this Part determine the priority of a security interest in an accession.

(d) Compliance with certificate-of-title statute. -- A security interest in an accession is subordinate to a security interest in the whole which is perfected by compliance with the requirements of a certificate-of-title statute under G.S. 25-9-311(b).

(e) Removal of accession after default. -- After default, subject to Part 6 of this Article, a secured party may remove an accession from other goods if the security interest in the accession has priority over the claims of every person having an interest in the whole.

(f) Reimbursement following removal. -- A secured party that removes an accession from other goods under subsection (e) of this section shall promptly reimburse any holder of a security interest or other lien on, or owner of, the whole or of the other goods, other than the debtor, for the cost of repair of any physical injury to the whole or the other goods. The secured party need not reimburse the holder or owner for any diminution in value of the whole or the other goods caused by the absence of the accession removed or by any necessity for replacing it. A person entitled to reimbursement may refuse permission to remove until the secured party gives adequate assurance for the performance of the obligation to reimburse.

"§ 25-9-336. Commingled goods.

(a) 'Commingled goods.' -- In this section, 'commingled goods' means goods that are physically united with other goods in such a manner that their identity is lost in a product or mass.

(b) No security interest in commingled goods as such. -- A security interest does not exist in commingled goods as such. However, a security interest may attach to a product or mass that results when goods become commingled goods.

(c) Attachment of security interest to product or mass. -- If collateral becomes commingled goods, a security interest attaches to the product or mass.

(d) Perfection of security interest. -- If a security interest in collateral is perfected before the collateral becomes commingled goods, the security interest that attaches to the product or mass under subsection (c) of this section is perfected.

(e) Priority of security interest. -- Except as otherwise provided in subsection (f) of this section, the other provisions of this Part determine the priority of a security interest that attaches to the product or mass under subsection (c) of this section.

(f) Conflicting security interests in product or mass. -- If more than one security interest attaches to the product or mass under subsection (c) of this section, the following rules determine priority:

(1) A security interest that is perfected under subsection (d) of this section has priority over a security interest that is unperfected at the time the collateral becomes commingled goods.

(2) If more than one security interest is perfected under subsection (d) of this section, the security interests rank equally in proportion to the value of the collateral at the time it became commingled goods.

"**§ 25-9-337. Priority of security interests in goods covered by certificate of title.**

If, while a security interest in goods is perfected by any method under the law of another jurisdiction, this State issues a certificate of title that does not show that the goods are subject to the security interest or contain a statement that they may be subject to security interests not shown on the certificate:

(1) A buyer of the goods, other than a person in the business of selling goods of that kind, takes free of the security interest if the buyer gives value and receives delivery of the goods after issuance of the certificate and without knowledge of the security interest; and

(2) The security interest is subordinate to a conflicting security interest in the goods that attaches, and is perfected under G.S. 25-9-311(b), after issuance of the certificate and without the conflicting secured party's knowledge of the security interest.

"**§ 25-9-338. Priority of security interest or agricultural lien perfected by filed financing statement providing certain incorrect information.**

If a security interest or agricultural lien is perfected by a filed financing statement providing information described in G.S. 25-9-516(b)(5) which is incorrect at the time the financing statement is filed:

(1) The security interest or agricultural lien is subordinate to a conflicting perfected security interest in the collateral to the extent that the holder of the conflicting security interest gives value in reasonable reliance upon the incorrect information; and

(2) A purchaser, other than a secured party, of the collateral takes free of the security interest or agricultural lien to the extent that, in reasonable reliance upon the incorrect information, the purchaser gives value and, in the case of chattel paper, documents, goods, instruments, or a security certificate, receives delivery of the collateral.

"**§ 25-9-339. Priority subject to subordination.**

This Article does not preclude subordination by agreement by a person entitled to priority.

"SUBPART 4. RIGHTS OF BANK.

"**§ 25-9-340. Effectiveness of right of recoupment or setoff against deposit account.**

(a) Exercise of recoupment or setoff. -- Except as otherwise provided in subsection (c) of this section, a bank with which a deposit account is maintained may exercise any right of recoupment or setoff against a secured party that holds a security interest in the deposit account.

(b) Recoupment or setoff not affected by security interest. -- Except as otherwise provided in subsection (c) of this section, the application of this Article to a security interest in a deposit account does not affect a right of recoupment or setoff of the secured party as to a deposit account maintained with the secured party.

(c) When setoff ineffective. -- The exercise by a bank of a setoff against a deposit account is ineffective against a secured party that holds a security interest in the deposit account which is perfected by control under G.S. 25-9-104(a)(3), if the setoff is based on a claim against the debtor.

"**§ 25-9-341. Bank's rights and duties with respect to deposit account.**

Except as otherwise provided in G.S. 25-9-340(c), and unless the bank otherwise agrees in an authenticated record, a bank's rights and duties with respect to a deposit account maintained with the bank are not terminated, suspended, or modified by:

(1) The creation, attachment, or perfection of a security interest in the deposit account;

(2) The bank's knowledge of the security interest; or

(3) The bank's receipt of instructions from the secured party.

"**§ 25-9-342. Bank's right to refuse to enter into or disclose existence of control agreement.**

This Article does not require a bank to enter into an agreement of the kind described in G.S. 25-9-104(a)(2), even if its customer so requests or directs. A bank that has entered into such an agreement is not required to confirm the existence of the agreement to another person unless requested to do so by its customer.

"PART 4.

"RIGHTS OF THIRD PARTIES.

"**§ 25-9-401. Alienability of debtor's rights.**

(a) Other law governs alienability; exceptions. -- Except as otherwise provided in subsection (b) of this section and G.S. 25-9-406, 25-9-407, 25-9-408, and 25-9-409, whether a debtor's rights in collateral may be voluntarily or involuntarily transferred is governed by law other than this Article.

(b) Agreement does not prevent transfer. -- An agreement between the debtor and secured party which prohibits a transfer of the debtor's rights in collateral or makes the transfer a default does not prevent the transfer from taking effect.

"**§ 25-9-402. Secured party not obligated on contract of debtor or in tort.**

The existence of a security interest, agricultural lien, or authority given to a debtor to dispose of or use collateral, without more, does not subject a secured party to liability in contract or tort for the debtor's acts or omissions.

"**§ 25-9-403. Agreement not to assert defenses against assignee.**

(a) 'Value.' -- In this section, 'value' has the meaning provided in G.S. 25-3-303(a).

(b) Agreement not to assert claim or defense. -- Except as otherwise provided in this section, an agreement between an account debtor and an assignor not to assert against an assignee any claim or defense that the account debtor may have against the assignor is enforceable by an assignee that takes an assignment:

(1) For value;

(2) In good faith;

(3) Without notice of a claim of a property or possessory right to the property assigned; and

(4) Without notice of a defense or claim in recoupment of the type that may be asserted against a person entitled to enforce a negotiable instrument under G.S. 25-3-305(a).

(c) When subsection (b) not applicable. -- Subsection (b) of this section does not apply to defenses of a type that may be asserted against a holder in due course of a negotiable instrument under G.S. 25-3-305(b).

(d) Omission of required statement in consumer transaction. -- In a consumer transaction, if a record evidences the account debtor's obligation, law other than this Article requires that the record include a statement to the effect that the rights of an assignee are subject to claims or defenses that the account debtor could assert against the original obligee, and the record does not include such a statement:

(1) The record has the same effect as if the record included such a statement; and

(2) The account debtor may assert against an assignee those claims and defenses that would have been available if the record included such a statement.

(e) Rule for individual under other law. -- This section is subject to law other than this Article which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.

(f) Other law not displaced. -- Except as otherwise provided in subsection (d) of this section, this section does not displace law other than this Article which gives effect to an agreement by an account debtor not to assert a claim or defense against an assignee.

"§ 25-9-404. Rights acquired by assignee; claims and defenses against assignee.

(a) Assignee's rights subject to terms, claims, and defenses; exceptions. -- Unless an account debtor has made an enforceable agreement not to assert defenses or claims, and subject to subsections (b) through (e) of this section, the rights of an assignee are subject to:

(1) All terms of the agreement between the account debtor and assignor and any defense or claim in recoupment arising from the transaction that gave rise to the contract; and

(2) Any other defense or claim of the account debtor against the assignor which accrues before the account debtor receives a notification of the assignment authenticated by the assignor or the assignee.

(b) Account debtor's claim reduces amount owed to assignee. -- Subject to subsection (c) of this section and except as otherwise provided in subsection (d) of this section, the claim of an account debtor against an assignor may be asserted against an assignee under subsection (a) of this section only to reduce the amount the account debtor owes.

(c) Rule for individual under other law. -- This section is subject to law other than this Article which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.

(d) Omission of required statement in consumer transaction. -- In a consumer transaction, if a record evidences the account debtor's obligation, law other than this Article requires that the record include a statement to the effect that the account debtor's recovery against an assignee with respect to claims and defenses against the assignor may not exceed amounts paid by the account debtor under the record, and the record does not include such a statement, the extent to which a claim of an account debtor against the assignor may be asserted against an assignee is determined as if the record included such a statement.

(e) Inapplicability to health-care-insurance receivable. -- This section does not apply to an assignment of a health-care-insurance receivable.

"§ 25-9-405. Modification of assigned contract.

(a) Effect of modification on assignee. -- A modification of or substitution for an assigned contract is effective against an assignee if made in good faith. The assignee acquires corresponding rights under the modified or substituted contract. The assignment may provide that the modification or substitution is a breach of contract by the assignor. This subsection is subject to subsections (b) through (d) of this section.

(b) Applicability of subsection (a). -- Subsection (a) of this section applies to the extent that:

(1) The right to payment or a part thereof under an assigned contract has not been fully earned by performance; or

(2) The right to payment or a part thereof has been fully earned by performance and the account debtor has not received notification of the assignment under G.S. 25-9-406(a).

(c) Rule for individual under other law. -- This section is subject to law other than this Article which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.

(d) Inapplicability to health-care-insurance receivable. -- This section does not apply to an assignment of a health-care-insurance receivable.

"§ 25-9-406. Discharge of account debtor; notification of assignment; identification and proof of assignment; restrictions on assignment of accounts, chattel paper, payment intangibles, and promissory notes ineffective.

(a) Discharge of account debtor; effect of notification. -- Subject to subsections (b) through (i) of this section, an account debtor on an account, chattel paper, or a

payment intangible may discharge its obligation by paying the assignor until, but not after, the account debtor receives a notification, authenticated by the assignor or the assignee, that the amount due or to become due has been assigned and that payment is to be made to the assignee. After receipt of the notification, the account debtor may discharge its obligation by paying the assignee and may not discharge the obligation by paying the assignor.

(b) When notification ineffective. -- Subject to subsection (h) of this section, notification is ineffective under subsection (a) of this section:

(1) If it does not reasonably identify the rights assigned;

(2) To the extent that an agreement between an account debtor and a seller of a payment intangible limits the account debtor's duty to pay a person other than the seller and the limitation is effective under law other than this Article; or

(3) At the option of an account debtor, if the notification notifies the account debtor to make less than the full amount of any installment or other periodic payment to the assignee, even if:

a. Only a portion of the account, chattel paper, or payment intangible has been assigned to that assignee;

b. A portion has been assigned to another assignee; or

c. The account debtor knows that the assignment to that assignee is limited.

(c) Proof of assignment. -- Subject to subsection (h) of this section, if requested by the account debtor, an assignee shall seasonably furnish reasonable proof that the assignment has been made. Unless the assignee complies, the account debtor may discharge its obligation by paying the assignor, even if the account debtor has received a notification under subsection (a) of this section.

(d) Term restricting assignment generally ineffective. -- Except as otherwise provided in subsection (e) of this section and G.S. 25-2A-303 and G.S. 25-9-407 and subject to subsection (h) of this section, a term in an agreement between an account debtor and an assignor or in a promissory note is ineffective to the extent that it:

(1) Prohibits, restricts, or requires the consent of the account debtor or person obligated on the promissory note to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in, the account, chattel paper, payment intangible, or promissory note; or

(2) Provides that the assignment or transfer or the creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account, chattel paper, payment intangible, or promissory note.

(e) Inapplicability of subsection (d) to certain sales. -- Subsection (d) of this section does not apply to the sale of a payment intangible or promissory note.

(f) Legal restrictions on assignment generally ineffective. -- Except as otherwise provided in G.S. 25-2A-303 and G.S. 25-9-407 and subject to subsections (h) and (i)

of this section, a rule of law, statute, or regulation that prohibits, restricts, or requires the consent of a government, governmental body or official, or account debtor to the assignment or transfer of, or creation of a security interest in, an account or chattel paper is ineffective to the extent that the rule of law, statute, or regulation:

(1) Prohibits, restricts, or requires the consent of the government, governmental body or official, or account debtor to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in the account or chattel paper; or

(2) Provides that the assignment or transfer or the creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account or chattel paper.

(g) Subdivision (b)(3) not waivable. -- Subject to subsection (h) of this section, an account debtor may not waive or vary its option under subdivision (b)(3) of this section.

(h) Rule for individual under other law. -- This section is subject to law other than this Article which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.

(i) Inapplicability. -- This section does not apply to an assignment of a health-care-insurance receivable. Subsection (f) of this section does not apply to an assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in, a right the transfer of which is prohibited or restricted by any of the following statutes to the extent that the statute is inconsistent with subsection (f) of this section: North Carolina Structured Settlement Act (Article 44B of Chapter 1 of the General Statutes); North Carolina Crime Victims Compensation Act (Chapter 15B of the General Statutes); North Carolina Consumer Finance Act (Article 15 of Chapter 53 of the General Statutes); North Carolina Firemen's and Rescue Squad Workers' Pension Fund (Article 86 of Chapter 58 of the General Statutes); Employment Security Law (Chapter 96 of the General Statutes); North Carolina Workers' Compensation Act (Article 1 of Chapter 97 of the General Statutes); and Programs of Public Assistance (Article 2 of Chapter 108A of the General Statutes).

(j) Section prevails over specified inconsistent law. -- Except to the extent otherwise provided in subsection (i) of this section, this section prevails over any inconsistent provision of an existing or future statute, rule, or regulation of this State unless the provision is contained in a statute of this State, refers expressly to this section, and states that the provision prevails over this section.

"§ 25-9-407. Restrictions on creation or enforcement of security interest in leasehold interest or in lessor's residual interest.

(a) Term restricting assignment generally ineffective. -- Except as otherwise provided in subsection (b) of this section, a term in a lease agreement is ineffective to the extent that it:

(1) Prohibits, restricts, or requires the consent of a party to the lease to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in, an interest of a party under the lease contract or in the lessor's residual interest in the goods; or

(2) Provides that the assignment or transfer or the creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the lease.

(b) Effectiveness of certain terms. -- Except as otherwise provided in G.S. 25-2A-303(7), a term described in subdivision (a)(2) of this section is effective to the extent that there is:

(1) A transfer by the lessee of the lessee's right of possession or use of the goods in violation of the term; or

(2) A delegation of a material performance of either party to the lease contract in violation of the term.

(c) Security interest not material impairment. -- The creation, attachment, perfection, or enforcement of a security interest in the lessor's interest under the lease contract or the lessor's residual interest in the goods is not a transfer that materially impairs the lessee's prospect of obtaining return performance or materially changes the duty of or materially increases the burden or risk imposed on the lessee within the purview of G.S. 25-2A-303(4) unless, and then only to the extent that, enforcement actually results in a delegation of material performance of the lessor.

"§ 25-9-408. Restrictions on assignment of promissory notes, health-care-insurance receivables, and certain general intangibles ineffective.

(a) Term restricting assignment generally ineffective. -- Except as otherwise provided in subsection (b) of this section, a term in a promissory note or in an agreement between an account debtor and a debtor which relates to a health-care-insurance receivable or a general intangible, including a contract, permit, license, or franchise, and which term prohibits, restricts, or requires the consent of the person obligated on the promissory note or the account debtor to, the assignment or transfer of, or creation, attachment, or perfection of a security interest in, the promissory note, health-care-insurance receivable, or general intangible, is ineffective to the extent that the term:

(1) Would impair the creation, attachment, or perfection of a security interest; or

(2) Provides that the assignment or transfer or the creation, attachment, or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the promissory note, health-care-insurance receivable, or general intangible.

(b) Applicability of subsection (a) to sales of certain rights to payment. -- Subsection (a) of this section applies to a security interest in a payment intangible or

promissory note only if the security interest arises out of a sale of the payment intangible or promissory note.

(c) Legal restrictions on assignment generally ineffective. -- A rule of law, statute, or regulation that prohibits, restricts, or requires the consent of a government, governmental body or official, person obligated on a promissory note, or account debtor to the assignment or transfer of, or creation of a security interest in, a promissory note, health-care-insurance receivable, or general intangible, including a contract, permit, license, or franchise between an account debtor and a debtor, is ineffective to the extent that the rule of law, statute, or regulation:

(1) Would impair the creation, attachment, or perfection of a security interest; or

(2) Provides that the assignment or transfer or the creation, attachment, or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the promissory note, health-care-insurance receivable, or general intangible.

(d) Limitation on ineffectiveness under subsections (a) and (c). -- To the extent that a term in a promissory note or in an agreement between an account debtor and a debtor which relates to a health-care-insurance receivable or general intangible or a rule of law, statute, or regulation described in subsection (c) of this section would be effective under law other than this Article but is ineffective under subsection (a) or (c) of this section, the creation, attachment, or perfection of a security interest in the promissory note, health-care-insurance receivable, or general intangible:

(1) Is not enforceable against the person obligated on the promissory note or the account debtor;

(2) Does not impose a duty or obligation on the person obligated on the promissory note or the account debtor;

(3) Does not require the person obligated on the promissory note or the account debtor to recognize the security interest, pay or render performance to the secured party, or accept payment or performance from the secured party;

(4) Does not entitle the secured party to use or assign the debtor's rights under the promissory note, health-care-insurance receivable, or general intangible, including any related information or materials furnished to the debtor in the transaction giving rise to the promissory note, health-care-insurance receivable, or general intangible;

(5) Does not entitle the secured party to use, assign, possess, or have access to any trade secrets or confidential information of the person obligated on the promissory note or the account debtor; and

(6) Does not entitle the secured party to enforce the security interest in the promissory note, health-care-insurance receivable, or general intangible.

(e) Section prevails over specified inconsistent law. -- Except to the extent otherwise provided in subsection (f) of this section, this section prevails over any inconsistent provision of an existing or future statute, rule, or regulation of this State unless the provision is contained in a statute of this State, refers expressly to this section, and states that the provision prevails over this section.

(f) Inapplicability. -- Subsection (c) of this section does not apply to an assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in, a right the transfer of which is prohibited or restricted by any of the following statutes to the extent that the statute is inconsistent with subsection (c) of this section: North Carolina Structured Settlement Act (Article 44B of Chapter 1 of the General Statutes); North Carolina Crime Victims Compensation Act (Chapter 15B of the General Statutes); North Carolina Consumer Finance Act (Article 15 of Chapter 53 of the General Statutes); North Carolina Firemen's and Rescue Squad Workers' Pension Fund (Article 86 of Chapter 58 of the General Statutes); Employment Security Law (Chapter 96 of the General Statutes); North Carolina Workers' Compensation Act (Article 1 of Chapter 97 of the General Statutes); and Programs of Public Assistance (Article 2 of Chapter 108A of the General Statutes).

"**§ 25-9-409. Restrictions on assignment of letter-of-credit rights ineffective.**

(a) Term or law restricting assignment generally ineffective. -- A term in a letter of credit or a rule of law, statute, regulation, custom, or practice applicable to the letter of credit which prohibits, restricts, or requires the consent of an applicant, issuer, or nominated person to a beneficiary's assignment of or creation of a security interest in a letter-of-credit right is ineffective to the extent that the term or rule of law, statute, regulation, custom, or practice:

(1) Would impair the creation, attachment, or perfection of a security interest in the letter-of-credit right; or

(2) Provides that the assignment or the creation, attachment, or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the letter-of-credit right.

(b) Limitation on ineffectiveness under subsection (a). -- To the extent that a term in a letter of credit is ineffective under subsection (a) of this section but would be effective under law other than this Article or a custom or practice applicable to the letter of credit, to the transfer of a right to draw or otherwise demand performance under the letter of credit, or to the assignment of a right to proceeds of the letter of credit, the creation, attachment, or perfection of a security interest in the letter-of-credit right:

(1) Is not enforceable against the applicant, issuer, nominated person, or transferee beneficiary;

(2) Imposes no duties or obligations on the applicant, issuer, nominated person, or transferee beneficiary; and

(3) Does not require the applicant, issuer, nominated person, or transferee beneficiary to recognize the security interest, pay or

render performance to the secured party, or accept payment or other performance from the secured party.

"PART 5.
"FILING.

"SUBPART 1. FILING OFFICE; CONTENTS AND EFFECTIVENESS OF FINANCING STATEMENT.

"§ 25-9-501. Filing offices.

(a) Filing offices. -- Except as otherwise provided in subsection (b) of this section, if the local law of this State governs perfection of a security interest or agricultural lien, the office in which to file a financing statement to perfect the security interest or agricultural lien is:

(1) The office designated for the filing or recording of a record of a mortgage on the related real property, if:

a. The collateral is as-extracted collateral or timber to be cut; or

b. The financing statement is filed as a fixture filing and the collateral is goods that are or are to become fixtures; or

(2) The office of the Secretary of State, in all other cases, including a case in which the collateral is goods that are or are to become fixtures and the financing statement is not filed as a fixture filing.

(b) Filing office for transmitting utilities. -- The office in which to file a financing statement to perfect a security interest in collateral, including fixtures, of a transmitting utility is the office of the Secretary of State. The financing statement also constitutes a fixture filing as to the collateral indicated in the financing statement which is or is to become fixtures.

"§ 25-9-502. Contents of financing statement; record of mortgage as financing statement; time of filing financing statement.

(a) Sufficiency of financing statement. -- Subject to subsection (b) of this section, a financing statement is sufficient only if it:

(1) Provides the name of the debtor;

(2) Provides the name of the secured party or a representative of the secured party; and

(3) Indicates the collateral covered by the financing statement.

(b) Real-property-related financing statements. -- Except as otherwise provided in G.S. 25-9-501(b), to be sufficient, a financing statement that covers as-extracted collateral or timber to be cut, or which is filed as a fixture filing and covers goods that are or are to become fixtures, must satisfy subsection (a) of this section and also:

(1) Indicate that it covers this type of collateral;

(2) Indicate that it is to be filed in the real property records;

(3) Provide a description of the real property to which the collateral is related; and

(4) If the debtor does not have an interest of record in the real property, provide the name of a record owner.

(c) Record of mortgage as financing statement. -- A record of a mortgage is effective, from the date of recording, as a financing statement filed as a fixture filing or as a financing statement covering as-extracted collateral or timber to be cut only if:

(1) The record indicates the goods or accounts that it covers;

(2) The goods are or are to become fixtures related to the real property described in the record or the collateral is related to the real property described in the record and is as-extracted collateral or timber to be cut;

(3) The record satisfies the requirements for a financing statement in this section other than an indication that it is to be filed in the real property records; and

(4) The record is duly recorded.

(d) Filing before security agreement or attachment. -- A financing statement may be filed before a security agreement is made or a security interest otherwise attaches.

"**§ 25-9-503. Name of debtor and secured party.**

(a) Sufficiency of debtor's name. -- A financing statement sufficiently provides the name of the debtor:

(1) If the debtor is a registered organization, only if the financing statement provides the name of the debtor indicated on the public record of the debtor's jurisdiction of organization which shows the debtor to have been organized;

(2) If the debtor is a decedent's estate, only if the financing statement provides the name of the decedent and indicates that the debtor is an estate;

(3) If the debtor is a trust or a trustee acting with respect to property held in trust, only if the financing statement:

a. Provides the name specified for the trust in its organic documents or, if no name is specified, provides the name of the settlor and additional information sufficient to distinguish the debtor from other trusts having one or more of the same settlors; and

b. Indicates, in the debtor's name or otherwise, that the debtor is a trust or is a trustee acting with respect to property held in trust; and

(4) In other cases:

a. If the debtor has a name, only if it provides the individual or organizational name of the debtor; and

b. If the debtor does not have a name, only if it provides the names of the partners, members, associates, or other persons comprising the debtor.

(b) Additional debtor-related information. -- A financing statement that provides the name of the debtor in accordance with subsection (a) of this section is not rendered ineffective by the absence of:

(1) A trade name or other name of the debtor; or

(2) Unless required under sub-subdivision (a)(4)b. of this section, names of partners, members, associates, or other persons comprising the debtor.

(c) Debtor's trade name insufficient. -- A financing statement that provides only the debtor's trade name does not sufficiently provide the name of the debtor.

(d) Representative capacity. -- Failure to indicate the representative capacity of a secured party or representative of a secured party does not affect the sufficiency of a financing statement.

(e) Multiple debtors and secured parties. -- A financing statement may provide the name of more than one debtor and the name of more than one secured party.

"§ 25-9-504. Indication of collateral.

A financing statement sufficiently indicates the collateral that it covers if the financing statement provides:

(1) A description of the collateral pursuant to G.S. 25-9-108; or

(2) An indication that the financing statement covers all assets or all personal property.

"§ 25-9-505. Filing and compliance with other statutes and treaties for consignments, leases, other bailments, and other transactions.

(a) Use of terms other than 'debtor' and 'secured party.' -- A consignor, lessor, or other bailor of goods, a licensor, or a buyer of a payment intangible or promissory note may file a financing statement, or may comply with a statute or treaty described in G.S. 25-9-311(a), using the terms 'consignor', 'consignee', 'lessor', 'lessee', 'bailor', 'bailee', 'licensor', 'licensee', 'owner', 'registered owner', 'buyer', 'seller', or words of similar import, instead of the terms 'secured party' and 'debtor'.

(b) Effect of financing statement under subsection (a). -- This Part applies to the filing of a financing statement under subsection (a) of this section and, as appropriate, to compliance that is equivalent to filing a financing statement under G.S. 25-9-311(b), but the filing or compliance is not of itself a factor in determining whether the collateral secures an obligation. If it is determined for another reason that the collateral secures an obligation, a security interest held by the consignor, lessor, bailor, licensor, owner, or buyer which attaches to the collateral is perfected by the filing or compliance.

"§ 25-9-506. Effect of errors or omissions.

(a) Minor errors and omissions. -- A financing statement substantially satisfying the requirements of this Part is effective, even if it has minor errors or omissions, unless the errors or omissions make the financing statement seriously misleading.

(b) Financing statement seriously misleading. -- Except as otherwise provided in subsection (c) of this section, a financing statement that fails sufficiently to provide the name of the debtor in accordance with G.S. 25-9-503(a) is seriously misleading.

(c) Financing statement not seriously misleading. -- If a search of the records of the filing office under the debtor's correct name, using the filing office's standard search logic, if any, would disclose a financing statement that fails sufficiently to provide the name of the debtor in accordance with G.S. 25-9-503(a), the name provided does not make the financing statement seriously misleading.

(d) 'Debtor's correct name.' -- For purposes of G.S. 25-9-508(b), the 'debtor's correct name' in subsection (c) of this section means the correct name of the new debtor.

"§ 25-9-507. Effect of certain events on effectiveness of financing statement.

(a) Disposition. -- A filed financing statement remains effective with respect to collateral that is sold, exchanged, leased, licensed, or otherwise disposed of and in which a security interest or agricultural lien continues, even if the secured party knows of or consents to the disposition.

(b) Information becoming seriously misleading. -- Except as otherwise provided in subsection (c) of this section and G.S. 25-9-508, a financing statement is not rendered ineffective if, after the financing statement is filed, the information provided in the financing statement becomes seriously misleading under G.S. 25-9-506.

(c) Change in debtor's name. -- If a debtor so changes its name that a filed financing statement becomes seriously misleading under G.S. 25-9-506:

(1) The financing statement is effective to perfect a security interest in collateral acquired by the debtor before, or within four months after, the change; and

(2) The financing statement is not effective to perfect a security interest in collateral acquired by the debtor more than four months after the change, unless an amendment to the financing statement which renders the financing statement not seriously misleading is filed within four months after the change.

"§ 25-9-508. Effectiveness of financing statement if new debtor becomes bound by security agreement.

(a) Financing statement naming original debtor. -- Except as otherwise provided in this section, a filed financing statement naming an original debtor is effective to perfect a security interest in collateral in which a new debtor has or acquires rights to the extent that the financing statement would have been effective had the original debtor acquired rights in the collateral.

(b) Financing statement becoming seriously misleading. -- If the difference between the name of the original debtor and that of the new debtor causes a filed financing statement that is effective under subsection (a) of this section to be seriously misleading under G.S. 25-9-506:

(1) The financing statement is effective to perfect a security interest in collateral acquired by the new debtor before, and within four months after, the new debtor becomes bound under G.S. 25-9-203(d); and

(2) The financing statement is not effective to perfect a security interest in collateral acquired by the new debtor more than four months after the new debtor becomes bound under G.S. 25-9-203(d) unless an initial financing statement providing the name of the new debtor is filed before the expiration of that time.

(c) When section not applicable. -- This section does not apply to collateral as to which a filed financing statement remains effective against the new debtor under G.S. 25-9-507(a).

"§ 25-9-509. Persons entitled to file a record.

(a) Person entitled to file record. -- A person may file an initial financing statement, amendment that adds collateral covered by a financing statement, or amendment that adds a debtor to a financing statement only if:

(1) The debtor authorizes the filing in an authenticated record or pursuant to subsection (b) or (c) of this section; or

(2) The person holds an agricultural lien that has become effective at the time of filing and the financing statement covers only collateral in which the person holds an agricultural lien.

(b) Security agreement as authorization. -- By authenticating or becoming bound as debtor by a security agreement, a debtor or new debtor authorizes the filing of an initial financing statement, and an amendment, covering:

(1) The collateral described in the security agreement; and

(2) Property that becomes collateral under G.S. 25-9-315(a)(2), whether or not the security agreement expressly covers proceeds.

(c) Acquisition of collateral as authorization. -- By acquiring collateral in which a security interest or agricultural lien continues under G.S. 25-9-315(a)(1), a debtor authorizes the filing of an initial financing statement, and an amendment, covering the collateral and property that becomes collateral under G.S. 25-9-315(a)(2).

(d) Person entitled to file certain amendments. -- A person may file an amendment other than an amendment that adds collateral covered by a financing statement or an amendment that adds a debtor to a financing statement only if:

(1) The secured party of record authorizes the filing; or

(2) The amendment is a termination statement for a financing statement as to which the secured party of record has failed to file or send a termination statement as required by G.S. 25-9-513(a) or (c), the debtor authorizes the filing, and the termination statement indicates that the debtor authorized it to be filed.

(e) Multiple secured parties of record. -- If there is more than one secured party of record for a financing statement, each secured party of record may authorize the filing of an amendment under subsection (d) of this section.

"§ 25-9-510. Effectiveness of filed record.

(a) Filed record effective if authorized. -- A filed record is effective only to the extent that it was filed by a person that may file it under G.S. 25-9-509.

(b) Authorization by one secured party of record. -- A record authorized by one secured party of record does not affect the financing statement with respect to another secured party of record.

(c) Continuation statement not timely filed. -- A continuation statement that is not filed within the six-month period prescribed by G.S. 25-9-515(d) is ineffective.

"§ 25-9-511. Secured party of record.

(a) Secured party of record. -- A secured party of record with respect to a financing statement is a person whose name is provided as the name of the secured party or a representative of the secured party in an initial financing statement that has been filed. If an initial financing statement is filed under G.S. 25-9-514(a), the assignee named in the initial financing statement is the secured party of record with respect to the financing statement.

(b) Amendment naming secured party of record. -- If an amendment of a financing statement which provides the name of a person as a secured party or a representative of a secured party is filed, the person named in the amendment is a secured party of record. If an amendment is filed under G.S. 25-9-514(b), the assignee named in the amendment is a secured party of record.

(c) Amendment deleting secured party of record. -- A person remains a secured party of record until the filing of an amendment of the financing statement which deletes the person.

"**§ 25-9-512. Amendment of financing statement.**

(a) Amendment of information in financing statement. -- Subject to G.S. 25-9-509, a person may add or delete collateral covered by, continue or terminate the effectiveness of, or, subject to subsection (e) of this section, otherwise amend the information provided in, a financing statement by filing an amendment that:

(1) Identifies, by its file number, the initial financing statement to which the amendment relates; and

(2) If the amendment relates to an initial financing statement filed in a filing office described in G.S. 25-9-501(a)(1), provides the name of the debtor and the information specified in G.S. 25-9-502(b).

(b) Period of effectiveness not affected. -- Except as otherwise provided in G.S. 25-9-515, the filing of an amendment does not extend the period of effectiveness of the financing statement.

(c) Effectiveness of amendment adding collateral. -- A financing statement that is amended by an amendment that adds collateral is effective as to the added collateral only from the date of the filing of the amendment.

(d) Effectiveness of amendment adding debtor. -- A financing statement that is amended by an amendment that adds a debtor is effective as to the added debtor only from the date of the filing of the amendment.

(e) Certain amendments ineffective. -- An amendment is ineffective to the extent it:

(1) Purports to delete all debtors and fails to provide the name of a debtor to be covered by the financing statement; or

(2) Purports to delete all secured parties of record and fails to provide the name of a new secured party of record.

"**§ 25-9-513. Termination statement.**

(a) Consumer goods. -- A secured party shall cause the secured party of record for a financing statement to file a termination statement for the financing statement if the financing statement covers consumer goods and:

(1) There is no obligation secured by the collateral covered by the financing statement and no commitment to make an advance, incur an obligation, or otherwise give value; or

(2) The debtor did not authorize the filing of the initial financing statement.

(b) Time for compliance with subsection (a). -- To comply with subsection (a) of this section, a secured party shall cause the secured party of record to file the termination statement:

(1) Within one month after there is no obligation secured by the collateral covered by the financing statement and no commitment to make an advance, incur an obligation, or otherwise give value; or

(2) If earlier, within 20 days after the secured party receives an authenticated demand from a debtor.

(c) Other collateral. -- In cases not governed by subsection (a) of this section, within 20 days after a secured party receives an authenticated demand from a debtor, the secured party shall cause the secured party of record for a financing statement to send to the debtor a termination statement for the financing statement or file the termination statement in the filing office if:

(1) Except in the case of a financing statement covering accounts or chattel paper that has been sold or goods that are the subject of a consignment, there is no obligation secured by the collateral covered by the financing statement and no commitment to make an advance, incur an obligation, or otherwise give value;

(2) The financing statement covers accounts or chattel paper that has been sold but as to which the account debtor or other person obligated has discharged its obligation;

(3) The financing statement covers goods that were the subject of a consignment to the debtor but are not in the debtor's possession; or

(4) The debtor did not authorize the filing of the initial financing statement.

(d) Effect of filing termination statement. -- Except as otherwise provided in G.S. 25-9-510, upon the filing of a termination statement with the filing office, the financing statement to which the termination statement relates ceases to be effective. Except as otherwise provided in G.S. 25-9-510, for purposes of G.S. 25-9-519(g), 25-9-522(a), and 25-9-523(c), the filing with the filing office of a termination statement relating to a financing statement that indicates that the debtor is a transmitting utility also causes the effectiveness of the financing statement to lapse.

"**§ 25-9-514. Assignment of powers of secured party of record.**

(a) Assignment reflected on initial financing statement. -- Except as otherwise provided in subsection (c) of this section, an initial financing statement may reflect an assignment of all of the secured party's power to authorize an amendment to the

financing statement by providing the name and mailing address of the assignee as the name and address of the secured party.

(b) Assignment of filed financing statement. -- Except as otherwise provided in subsection (c) of this section, a secured party of record may assign of record all or part of its power to authorize an amendment to a financing statement by filing in the filing office an amendment of the financing statement which:

(1) Identifies, by its file number, the initial financing statement to which it relates;

(2) Provides the name of the assignor; and

(3) Provides the name and mailing address of the assignee.

(c) Assignment of record of mortgage. -- An assignment of record of a security interest in a fixture covered by a record of a mortgage which is effective as a financing statement filed as a fixture filing under G.S. 25-9-502(c) may be made only by an assignment of record of the mortgage in the manner provided by law of this State other than this Chapter.

"**§ 25-9-515. Duration and effectiveness of financing statement; effect of lapsed financing statement.**

(a) Five-year effectiveness. -- Except as otherwise provided in subsections (b), (e), (f), and (g) of this section, a filed financing statement is effective for a period of five years after the date of filing.

(b) Public-finance or manufactured-home transaction. -- Except as otherwise provided in subsections (e), (f), and (g) of this section, an initial financing statement filed in connection with a public-finance transaction or manufactured-home transaction is effective for a period of 30 years after the date of filing if it indicates that it is filed in connection with a public-finance transaction or manufactured-home transaction.

(c) Lapse and continuation of financing statement. -- The effectiveness of a filed financing statement lapses on the expiration of the period of its effectiveness unless before the lapse a continuation statement is filed pursuant to subsection (d) of this section. Upon lapse, a financing statement ceases to be effective and any security interest or agricultural lien that was perfected by the financing statement becomes unperfected, unless the security interest is perfected otherwise. If the security interest or agricultural lien becomes unperfected upon lapse, it is deemed never to have been perfected as against a purchaser of the collateral for value.

(d) When continuation statement may be filed. -- A continuation statement may be filed only within six months before the expiration of the five-year period specified in subsection (a) of this section or the 30-year period specified in subsection (b) of this section, whichever is applicable.

(e) Effect of filing continuation statement. -- Except as otherwise provided in G.S. 25-9-510, upon timely filing of a continuation statement, the effectiveness of the initial financing statement continues for a period of five years commencing on the day on which the financing statement would have become ineffective in the absence of the filing. Upon the expiration of the five-year period, the financing statement lapses in the same manner as provided in subsection (c) of this section, unless, before the

lapse, another continuation statement is filed pursuant to subsection (d) of this section. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the initial financing statement.

(f) Transmitting utility financing statement. -- If a debtor is a transmitting utility and a filed financing statement so indicates, the financing statement is effective until a termination statement is filed.

(g) Record of mortgage as financing statement. -- A record of a mortgage that is effective as a financing statement filed as a fixture filing under G.S. 25-9-502(c) remains effective as a financing statement filed as a fixture filing until the mortgage is released or satisfied of record or its effectiveness otherwise terminates as to the real property.

"§ 25-9-516. What constitutes filing; effectiveness of filing.

(a) What constitutes filing. -- Except as otherwise provided in subsection (b) of this section, communication of a record to a filing office and tender of the filing fee or acceptance of the record by the filing office constitutes filing.

(b) Refusal to accept record; filing does not occur. -- Filing does not occur with respect to a record that a filing office refuses to accept because:

(1) The record is not communicated by a method or medium of communication authorized by the filing office;

(2) An amount equal to or greater than the applicable filing fee is not tendered;

(3) The filing office is unable to index the record because:

a. In the case of an initial financing statement, the record does not provide a name for the debtor;

b. In the case of an amendment or correction statement, the record:

1. Does not identify the initial financing statement as required by G.S. 25-9-512 or G.S. 25-9-518, as applicable; or

2. Identifies an initial financing statement whose effectiveness has lapsed under G.S. 25-9-515;

c. In the case of an initial financing statement that provides the name of a debtor identified as an individual or an amendment that provides a name of a debtor identified as an individual which was not previously provided in the financing statement to which the record relates, the record does not identify the debtor's last name; or

d. In the case of a record filed in the filing office described in G.S. 25-9-501(a)(1), the record does not provide a sufficient description of the real property to which it relates;

(4) In the case of an initial financing statement or an amendment that adds a secured party of record, the record does not provide a name and mailing address for the secured party of record;

(5) In the case of an initial financing statement or an amendment that provides a name of a debtor which was not previously provided in the financing statement to which the amendment relates, the record does not:

a. Provide a mailing address for the debtor;

b. Indicate whether the debtor is an individual or an organization; or

c. If the financing statement indicates that the debtor is an organization, provide:

1. A type of organization for the debtor;

2. A jurisdiction of organization for the debtor; or

3. An organizational identification number for the debtor or indicate that the debtor has none;

(6) In the case of an assignment reflected in an initial financing statement under G.S. 25-9-514(a) or an amendment filed under G.S. 25-9-514(b), the record does not provide a name and mailing address for the assignee; or

(7) In the case of a continuation statement, the record is not filed within the six-month period prescribed by G.S. 25-9-515(d).

(c) Rules applicable to subsection (b). -- For purposes of subsection (b) of this section:

(1) A record does not provide information if the filing office is unable to read or decipher the information; and

(2) A record that does not indicate that it is an amendment or identify an initial financing statement to which it relates, as required by G.S. 25-9-512, 25-9-514, or 25-9-518, is an initial financing statement.

(d) Refusal to accept record; record effective as filed record. -- A record that is communicated to the filing office with tender of the filing fee, but which the filing office refuses to accept for a reason other than one set forth in subsection (b) of this section, is effective as a filed record except as against a purchaser of the collateral which gives value in reasonable reliance upon the absence of the record from the files.

"§ 25-9-517. Effect of indexing errors.

The failure of the filing office to index a record correctly does not affect the effectiveness of the filed record.

"§ 25-9-518. Claim concerning inaccurate or wrongfully filed record.

(a) Correction statement. -- A person may file in the filing office a correction statement with respect to a record indexed there under the person's name if the person believes that the record is inaccurate or was wrongfully filed.

(b) Sufficiency of correction statement. -- A correction statement must:

(1) Identify the record to which it relates by the file number assigned to the initial financing statement to which the record relates;

(2) Indicate that it is a correction statement; and

(3) Provide the basis for the person's belief that the record is inaccurate and indicate the manner in which the person believes the record should be amended to cure any inaccuracy or provide the basis for the person's belief that the record was wrongfully filed.

(c) Record not affected by correction statement. -- The filing of a correction statement does not affect the effectiveness of an initial financing statement or other filed record.

"SUBPART 2. DUTIES AND OPERATION OF FILING OFFICE.

"§ 25-9-519. Numbering, maintaining, and indexing records; communicating information provided in records.

(a) Filing office duties. -- For each record filed in a filing office, the filing office shall:

(1) Assign a unique number to the filed record;

(2) Create a record that bears the number assigned to the filed record and the date and time of filing;

(3) Maintain the filed record for public inspection; and

(4) Index the filed record in accordance with subsections (c), (d), and (e) of this section.

(b) File number. -- Except as otherwise provided in subsection (i) of this section, a file number assigned after January 1, 2003, must include a digit that:

(1) Is mathematically derived from or related to the other digits of the file number; and

(2) Aids the filing office in determining whether a number communicated as the file number includes a single-digit or transpositional error.

(c) Indexing: general. -- Except as otherwise provided in subsections (d) and (e) of this section, the filing office shall:

(1) Index an initial financing statement according to the name of the debtor and index all filed records relating to the initial financing statement in a manner that associates with one another an initial financing statement and all filed records relating to the initial financing statement; and

(2) Index a record that provides a name of a debtor which was not previously provided in the financing statement to which the record relates also according to the name that was not previously provided.

(d) Indexing: real-property-related financing statement. -- If a financing statement is filed as a fixture filing or covers as-extracted collateral or timber to be cut, the filing office shall index it:

(1) Under the names of the debtor and of each owner of record shown on the financing statement as if they were the mortgagors under a mortgage of the real property described; and

(2) To the extent that the law of this State provides for indexing of records of mortgages under the name of the mortgagee, under the name of the secured party as if the secured party were the mortgagee thereunder, or, if indexing is by description, as if the financing statement were a record of a mortgage of the real property described.

(e) Indexing: real-property-related assignment. -- If a financing statement is filed as a fixture filing or covers as-extracted collateral or timber to be cut, the filing office shall index an assignment filed under G.S. 25-9-514(a) or an amendment filed under G.S. 25-9-514(b):

(1) Under the name of the assignor as grantor; and

(2) To the extent that the law of this State provides for indexing a record of the assignment of a mortgage under the name of the assignee, under the name of the assignee.

(f) Retrieval and association capability. -- The filing office shall maintain a capability:

(1) To retrieve a record by the name of the debtor and by the file number assigned to the initial financing statement to which the record relates; and

(2) To associate and retrieve with one another an initial financing statement and each filed record relating to the initial financing statement.

(g) Removal of debtor's name. -- The filing office may not remove a debtor's name from the index until one year after the effectiveness of a financing statement naming the debtor lapses under G.S. 25-9-515 with respect to all secured parties of record.

(h) Timeliness of filing office performance. -- The filing office shall perform the acts required by subsections (a) through (e) of this section at the time and in the manner prescribed by filing-office rule, but after January 1, 2003, not later than three business days after the filing office receives the record in question.

(i) Inapplicability to real-property-related filing office. -- Subsection (b) of this section does not apply to a filing office described in G.S. 25-9-501(a)(1).

"§ 25-9-520. Acceptance and refusal to accept record.

(a) Mandatory refusal to accept record. -- A filing office shall refuse to accept a record for filing for a reason set forth in G.S. 25-9-516(b) and may refuse to accept a record for filing only for a reason set forth in G.S. 25-9-516(b).

(b) Communication concerning refusal. -- If a filing office refuses to accept a record for filing, it shall communicate to the person that presented the record the fact of and reason for the refusal and the date and time the record would have been filed had the filing office accepted it. The communication must be made at the time and in the manner prescribed by filing-office rule but in no event more than three business days after the filing office receives the record.

(c) When filed financing statement effective. -- A filed financing statement satisfying G.S. 25-9-502(a) and (b) is effective, even if the filing office is required to

refuse to accept it for filing under subsection (a) of this section. However, G.S. 25-9-338 applies to a filed financing statement providing information described in G.S. 25-9-516(b)(5) which is incorrect at the time the financing statement is filed.

(d) Separate application to multiple debtors. -- If a record communicated to a filing office provides information that relates to more than one debtor, this Part applies as to each debtor separately.

"**§ 25-9-521.** Reserved.

"**§ 25-9-522. Maintenance and destruction of records.**

(a) Post-lapse maintenance and retrieval of information. -- The filing office shall maintain a record of the information provided in a filed financing statement for at least one year after the effectiveness of the financing statement has lapsed under G.S. 25-9-515 with respect to all secured parties of record. The record must be retrievable by using the name of the debtor and by using the file number assigned to the initial financing statement to which the record relates.

(b) Destruction of written records. -- Except to the extent that a statute governing disposition of public records provides otherwise, the filing office immediately may destroy any written record evidencing a financing statement. However, if the filing office destroys a written record, it shall maintain another record of the financing statement which complies with subsection (a) of this section.

"**§ 25-9-523. Information from filing office.**

(a) Acknowledgment of filing written record. -- If a person that files a written record requests an acknowledgment of the filing, the filing office shall send to the person an image of the record showing the number assigned to the record pursuant to G.S. 25-9-519(a)(1) and the date and time of the filing of the record. However, if the person furnishes a copy of the record to the filing office, the filing office may instead:

(1) Note upon the copy the number assigned to the record pursuant to G.S. 25-9-519(a)(1) and the date and time of the filing of the record; and

(2) Send the copy to the person.

(b) Acknowledgment of filing other record. -- If a person files a record other than a written record, the filing office shall communicate to the person an acknowledgment that provides:

(1) The information in the record;

(2) The number assigned to the record pursuant to G.S. 25-9-519(a)(1); and

(3) The date and time of the filing of the record.

(c) Communication of requested information. -- Except as otherwise provided in subsection (g) of this section, the filing office shall communicate or otherwise make available in a record, for which it shall not be liable, the following information to any person that requests it:

(1) Whether there is on file on a date and time specified by the filing office, but not a date earlier than three business days before the filing office receives the request, any financing statement that:

a. Designates a particular debtor;

b. Has not lapsed under G.S. 25-9-515 with respect to all secured parties of record; and

c. If the request so states, has lapsed under G.S. 25-9-515 and a record of which is maintained by the filing office under G.S. 25-9-522(a);

(2) The date and time of filing of each financing statement; and

(3) The information provided in each financing statement.

(d) Medium for communicating information. -- In complying with its duty under subsection (c) of this section, the filing office may communicate information in any medium. However, if requested, the filing office shall communicate information by issuing a record that can be admitted into evidence in the courts of this State without extrinsic evidence of its authenticity.

(e) Timeliness of filing office performance. -- The filing office shall perform the acts required by subsections (a) through (d) of this section at the time and in the manner prescribed by filing-office rule, but after January 1, 2003, for a filing office described in G.S. 25-9-501(a)(2), not later than three business days after the filing office receives the request.

(f) Reserved.

(g) Inapplicability to real-property-related filing office. -- Subsection (c) of this section does not apply to a filing office described in G.S. 25-9-501(a)(1) with respect to financing statements filed on or after the effective date of this act.

"**§ 25-9-524. Delay by filing office.**

Delay by the filing office beyond a time limit prescribed by this Part is excused if:

(1) The delay is caused by interruption of communication or computer facilities, war, emergency conditions, failure of equipment, or other circumstances beyond control of the filing office; and

(2) The filing office exercises reasonable diligence under the circumstances.

"**§ 25-9-525. Fees.**

(a) Initial financing statement or other record: general rule. -- Except as otherwise provided in subsection (e) of this section, the fee for filing and indexing a record under this Part is:

(1) Thirty dollars ($30.00) if the record is communicated in writing and consists of one or two pages;

(2) Forty-five dollars ($45.00) if the record is communicated in writing and consists of more than two pages, plus two dollars ($2.00) for each page over 10 pages; and

(3) Thirty dollars ($30.00) if the record is communicated by another medium authorized by filing-office rule.

(b) Reserved.

(c) Number of names. -- The number of names required to be indexed does not affect the amount of the fee in subsection (a) of this section.

(d) Response to information request. -- The fee for responding to a request for information from the filing office, including for communicating whether there is on file any financing statement naming a particular debtor, is:

(1) Thirty dollars ($30.00) if the request is communicated in writing; and

(2) Thirty dollars ($30.00) if the request is communicated by another medium authorized by filing-office rule.

Upon request the filing office shall furnish a copy of any filed financing statement or statement of assignment for a uniform fee of two dollars ($2.00) per page. This subsection does not require that a fee be charged for remote access searching of the filing office database.

(e) Record of mortgage. -- This section does not require a fee with respect to a record of a mortgage which is effective as a financing statement filed as a fixture filing or as a financing statement covering as-extracted collateral or timber to be cut under G.S. 25-9-502(c). However, the recording and satisfaction fees that otherwise would be applicable to the record of the mortgage apply.

"**§ 25-9-526. Filing-office rules.**

(a) Adoption of filing-office rules. -- The Secretary of State shall adopt and publish rules to implement the Secretary of State's responsibilities under this Part. The filing-office rules must be consistent with this Article.

(b) Harmonization of rules. -- To keep the filing-office rules and practices of the filing office in harmony with the rules and practices of filing offices in other jurisdictions that enact substantially this Part, and to keep the technology used by the filing office compatible with the technology used by filing offices in other jurisdictions that enact substantially this Part, the Secretary of State, so far as is consistent with the purposes, policies, and provisions of this Article, in adopting, amending, and repealing filing-office rules, may:

(1) Consult with filing offices in other jurisdictions that enact substantially this Part;

(2) Consult the most recent version of the Model Rules promulgated by the International Association of Corporate Administrators or any successor organization; and

(3) Take into consideration the rules and practices of, and the technology used by, filing offices in other jurisdictions that enact substantially this Part.

"PART 6.

"DEFAULT.

"SUBPART 1. DEFAULT AND ENFORCEMENT OF SECURITY INTEREST.

"**§ 25-9-601. Rights after default; judicial enforcement; consignor or buyer of accounts, chattel paper, payment intangibles, or promissory notes.**

(a) Rights of secured party after default. -- After default, a secured party has the rights provided in this Part and, except as otherwise provided in G.S. 25-9-602, those provided by agreement of the parties. A secured party:

(1) May reduce a claim to judgment, foreclose, or otherwise enforce the claim, security interest, or agricultural lien by any available judicial procedure; and

(2) If the collateral is documents, may proceed either as to the documents or as to the goods they cover.

(b) Rights and duties of secured party in possession or control. -- A secured party in possession of collateral or control of collateral under G.S. 25-9-104, 25-9-105, 25-9-106, or 25-9-107 has the rights and duties provided in G.S. 25-9-207.

(c) Rights cumulative; simultaneous exercise. -- The rights under subsections (a) and (b) of this section are cumulative and may be exercised simultaneously.

(d) Rights of debtor and obligor. -- Except as otherwise provided in subsection (g) of this section and G.S. 25-9-605, after default, a debtor and an obligor have the rights provided in this Part and by agreement of the parties.

(e) Lien of levy after judgment. -- If a secured party has reduced its claim to judgment, the lien of any levy that may be made upon the collateral by virtue of an execution based upon the judgment relates back to the earliest of:

(1) The date of perfection of the security interest or agricultural lien in the collateral;

(2) The date of filing a financing statement covering the collateral; or

(3) Any date specified in a statute under which the agricultural lien was created.

(f) Execution sale. -- A sale pursuant to an execution is a foreclosure of the security interest or agricultural lien by judicial procedure within the meaning of this section. A secured party may purchase at the sale and thereafter hold the collateral free of any other requirements of this Article.

(g) Consignor or buyer of certain rights to payment. -- Except as otherwise provided in G.S. 25-9-607(c), this Part imposes no duties upon a secured party that is a consignor or is a buyer of accounts, chattel paper, payment intangibles, or promissory notes.

"**§ 25-9-602. Waiver and variance of rights and duties.**

Except as otherwise provided in G.S. 25-9-624, to the extent that they give rights to a debtor or obligor and impose duties on a secured party, the debtor or obligor may not waive or vary the rules stated in the following listed sections:

(1) G.S. 25-9-207(b)(4)c., which deals with use and operation of the collateral by the secured party;

(2) G.S. 25-9-210, which deals with requests for an accounting and requests concerning a list of collateral and statement of account;

(3) G.S. 25-9-607(c), which deals with collection and enforcement of collateral;

(4) G.S. 25-9-608(a) and G.S. 25-9-615(c) to the extent that they deal with application or payment of noncash proceeds of collection, enforcement, or disposition;

(5) G.S. 25-9-608(a) and G.S. 25-9-615(d) to the extent that they require accounting for or payment of surplus proceeds of collateral;

(6) G.S. 25-9-609 to the extent that it imposes upon a secured party that takes possession of collateral without judicial process the duty to do so without breach of the peace;

(7) G.S. 25-9-610(b), 25-9-611, 25-9-613, and 25-9-614, which deal with disposition of collateral;

(8) G.S. 25-9-615(f), which deals with calculation of a deficiency or surplus when a disposition is made to the secured party, a person related to the secured party, or a secondary obligor;

(9) G.S. 25-9-616, which deals with explanation of the calculation of a surplus or deficiency;

(10) G.S. 25-9-620, 25-9-621, and 25-9-622, which deal with acceptance of collateral in satisfaction of obligation;

(11) G.S. 25-9-623, which deals with redemption of collateral;

(12) G.S. 25-9-624, which deals with permissible waivers; and

(13) G.S. 25-9-625 and G.S. 25-9-626, which deal with the secured party's liability for failure to comply with this Article.

"§ 25-9-603. Agreement on standards concerning rights and duties.

(a) Agreed standards. -- The parties may determine by agreement the standards measuring the fulfillment of the rights of a debtor or obligor and the duties of a secured party under a rule stated in G.S. 25-9-602 if the standards are not manifestly unreasonable.

(b) Agreed standards inapplicable to breach of peace. -- Subsection (a) of this section does not apply to the duty under G.S. 25-9-609 to refrain from breaching the peace.

"§ 25-9-604. Procedure if security agreement covers real property or fixtures.

(a) Enforcement: personal and real property. -- If a security agreement covers both personal and real property, a secured party may proceed:

(1) Under this Part as to the personal property without prejudicing any rights with respect to the real property; or

(2) As to both the personal property and the real property in accordance with the rights with respect to the real property, in which case the other provisions of this Part do not apply.

(b) Enforcement: fixtures. -- Subject to subsection (c) of this section, if a security agreement covers goods that are or become fixtures, a secured party may proceed:

(1) Under this Part; or

(2) In accordance with the rights with respect to real property, in which case the other provisions of this Part do not apply.

(c) Removal of fixtures. -- Subject to the other provisions of this Part, if a secured party holding a security interest in fixtures has priority over all owners and encumbrancers of the real property, the secured party, after default, may remove the collateral from the real property.

(d) Injury caused by removal. -- A secured party that removes collateral shall promptly reimburse any encumbrancer or owner of the real property, other than the debtor, for the cost of repair of any physical injury caused by the removal. The secured party need not reimburse the encumbrancer or owner for any diminution in value of the real property caused by the absence of the goods removed or by any necessity of replacing them. A person entitled to reimbursement may refuse permission to remove until the secured party gives adequate assurance for the performance of the obligation to reimburse.

"§ 25-9-605. Unknown debtor or secondary obligor.

A secured party does not owe a duty based on its status as secured party:

(1) To a person that is a debtor or obligor, unless the secured party knows:

a. That the person is a debtor or obligor;

b. The identity of the person; and

c. How to communicate with the person; or

(2) To a secured party or lienholder that has filed a financing statement against a person, unless the secured party knows:

a. That the person is a debtor; and

b. The identity of the person.

"§ 25-9-606. Time of default for agricultural lien.

For purposes of this Part, a default occurs in connection with an agricultural lien at the time the secured party becomes entitled to enforce the lien in accordance with the statute under which it was created.

"§ 25-9-607. Collection and enforcement by secured party.

(a) Collection and enforcement generally. -- If so agreed, and in any event after default, a secured party:

(1) May notify an account debtor or other person obligated on collateral to make payment or otherwise render performance to or for the benefit of the secured party;

(2) May take any proceeds to which the secured party is entitled under G.S. 25-9-315;

(3) May enforce the obligations of an account debtor or other person obligated on collateral and exercise the rights of the debtor with respect to the obligation of the account debtor or other person obligated on collateral to make payment or otherwise render performance to the debtor, and with respect to any property that secures the obligations of the account debtor or other person obligated on the collateral;

(4) If it holds a security interest in a deposit account perfected by control under G.S. 25-9-104(a)(1), may apply the balance of the deposit account to the obligation secured by the deposit account; and

(5) If it holds a security interest in a deposit account perfected by control under G.S. 25-9-104(a)(2) or (a)(3), may instruct the bank

to pay the balance of the deposit account to or for the benefit of the secured party.

(b) Nonjudicial enforcement of mortgage. -- If necessary to enable a secured party to exercise under subdivision (a)(3) of this section the right of a debtor to enforce a mortgage nonjudicially, the secured party may record in the office in which a record of the mortgage is recorded:

(1) A copy of the security agreement that creates or provides for a security interest in the obligation secured by the mortgage; and

(2) The secured party's sworn affidavit in recordable form stating that:

a. A default has occurred; and

b. The secured party is entitled to enforce the mortgage nonjudicially.

(c) Commercially reasonable collection and enforcement. -- A secured party shall proceed in a commercially reasonable manner if the secured party:

(1) Undertakes to collect from or enforce an obligation of an account debtor or other person obligated on collateral; and

(2) Is entitled to charge back uncollected collateral or otherwise to full or limited recourse against the debtor or a secondary obligor.

(d) Expenses of collection and enforcement. -- A secured party may deduct from the collections made pursuant to subsection (c) of this section reasonable expenses of collection and enforcement, including reasonable attorney's fees and legal expenses incurred by the secured party.

(e) Duties to secured party not affected. -- This section does not determine whether an account debtor, bank, or other person obligated on collateral owes a duty to a secured party.

"§ 25-9-608. Application of proceeds of collection or enforcement; liability for deficiency and right to surplus.

(a) Application of proceeds, surplus, and deficiency if obligation secured. -- If a security interest or agricultural lien secures payment or performance of an obligation, the following rules apply:

(1) A secured party shall apply or pay over for application the cash proceeds of collection or enforcement under G.S. 25-9-607 in the following order to:

a. The reasonable expenses of collection and enforcement and, to the extent provided for by agreement and not prohibited by law, reasonable attorney's fees and legal expenses incurred by the secured party;

b. The satisfaction of obligations secured by the security interest or agricultural lien under which the collection or enforcement is made; and

c. The satisfaction of obligations secured by any subordinate security interest in or other lien on the collateral subject to the security interest or agricultural lien under which the collection or enforcement is made if the secured party

receives an authenticated demand for proceeds before distribution of the proceeds is completed.

(2) If requested by a secured party, a holder of a subordinate security interest or other lien shall furnish reasonable proof of the interest or lien within a reasonable time. Unless the holder complies, the secured party need not comply with the holder's demand under sub-subdivision (a)(1)c. of this section.

(3) A secured party need not apply or pay over for application noncash proceeds of collection and enforcement under G.S. 25-9-607 unless the failure to do so would be commercially unreasonable. A secured party that applies or pays over for application noncash proceeds shall do so in a commercially reasonable manner.

(4) A secured party shall account to and pay a debtor for any surplus, and the obligor is liable for any deficiency.

(b) No surplus or deficiency in sales of certain rights to payment. -- If the underlying transaction is a sale of accounts, chattel paper, payment intangibles, or promissory notes, the debtor is not entitled to any surplus, and the obligor is not liable for any deficiency.

"**§ 25-9-609. Secured party's right to take possession after default.**

(a) Possession; rendering equipment unusable; disposition on debtor's premises. -- After default, a secured party:

(1) May take possession of the collateral; and

(2) Without removal, may render equipment unusable and dispose of collateral on a debtor's premises under G.S. 25-9-610.

(b) Judicial and nonjudicial process. -- A secured party may proceed under subsection (a) of this section:

(1) Pursuant to judicial process; or

(2) Without judicial process, if it proceeds without breach of the peace.

(c) Assembly of collateral. -- If so agreed, and in any event after default, a secured party may require the debtor to assemble the collateral and make it available to the secured party at a place to be designated by the secured party which is reasonably convenient to both parties.

"**§ 25-9-610. Disposition of collateral after default.**

(a) Disposition after default. -- After default, a secured party may sell, lease, license, or otherwise dispose of any or all of the collateral in its present condition or following any commercially reasonable preparation or processing.

(b) Commercially reasonable disposition. -- Every aspect of a disposition of collateral, including the method, manner, time, place, and other terms, must be commercially reasonable. If commercially reasonable, a secured party may dispose of collateral by public or private proceedings, by one or more contracts, as a unit or in parcels, and at any time and place and on any terms.

(c) Purchase by secured party. -- A secured party may purchase collateral:

(1) At a public disposition; or

(2) At a private disposition only if the collateral is of a kind that is customarily sold on a recognized market or the subject of widely distributed standard price quotations.

(d) Warranties on disposition. -- A contract for sale, lease, license, or other disposition includes the warranties relating to title, possession, quiet enjoyment, and the like which by operation of law accompany a voluntary disposition of property of the kind subject to the contract.

(e) Disclaimer of warranties. -- A secured party may disclaim or modify warranties under subsection (d) of this section:

(1) In a manner that would be effective to disclaim or modify the warranties in a voluntary disposition of property of the kind subject to the contract of disposition; or

(2) By communicating to the purchaser a record evidencing the contract for disposition and including an express disclaimer or modification of the warranties.

(f) Record sufficient to disclaim warranties. -- A record is sufficient to disclaim warranties under subsection (e) of this section if it indicates 'There is no warranty relating to title, possession, quiet enjoyment, or the like in this disposition' or uses words of similar import.

"**§ 25-9-611. Notification before disposition of collateral.**

(a) 'Notification date.' -- In this section, 'notification date' means the earlier of the date on which:

(1) A secured party sends to the debtor and any secondary obligor an authenticated notification of disposition; or

(2) The debtor and any secondary obligor waive the right to notification.

(b) Notification of disposition required. -- Except as otherwise provided in subsection (d) of this section, a secured party that disposes of collateral under G.S. 25-9-610 shall send to the persons specified in subsection (c) of this section a reasonable authenticated notification of disposition.

(c) Persons to be notified. -- To comply with subsection (b) of this section, the secured party shall send an authenticated notification of disposition to:

(1) The debtor;

(2) Any secondary obligor; and

(3) If the collateral is other than consumer goods:

a. Any other person from which the secured party has received, before the notification date, an authenticated notification of a claim of an interest in the collateral;

b. Any other secured party or lienholder that, 10 days before the notification date, held a security interest in or other lien on the collateral perfected by the filing of a financing statement that:

1. Identified the collateral;

2. Was indexed under the debtor's name as of that date; and
3. Was filed in the office in which to file a financing statement against the debtor covering the collateral as of that date; and

c. Any other secured party that, 10 days before the notification date, held a security interest in the collateral perfected by compliance with a statute, regulation, or treaty described in G.S. 25-9-311(a).

(d) Subsection (b) inapplicable: perishable collateral; recognized market. -- Subsection (b) of this section does not apply if the collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market.

(e) Compliance with sub-subdivision (c)(3)b. -- A secured party complies with the requirement for notification prescribed by sub-subdivision (c)(3)b. of this section if:

(1) Not later than 20 days or earlier than 30 days before the notification date, the secured party requests, in a commercially reasonable manner, information concerning financing statements indexed under the debtor's name in the office indicated in sub-subdivision (c)(3)b. of this section; and

(2) Before the notification date, the secured party:

a. Did not receive a response to the request for information; or

b. Received a response to the request for information and sent an authenticated notification of disposition to each secured party or other lienholder named in that response whose financing statement covered the collateral.

"§ 25-9-612. Timeliness of notification before disposition of collateral.

(a) Reasonable time is question of fact. -- Except as otherwise provided in subsection (b) of this section, whether a notification is sent within a reasonable time is a question of fact.

(b) Ten-day period sufficient in nonconsumer transaction. -- In a transaction other than a consumer transaction, a notification of disposition sent after default and 10 days or more before the earliest time of disposition set forth in the notification is sent within a reasonable time before the disposition.

"§ 25-9-613. Contents and form of notification before disposition of collateral: general.

Except in a consumer-goods transaction, the following rules apply:

(1) The contents of a notification of disposition are sufficient if the notification:

a. Describes the debtor and the secured party;

b. Describes the collateral that is the subject of the intended disposition;

c. States the method of intended disposition;

d. States that the debtor is entitled to an accounting of the unpaid indebtedness and states the charge, if any, for an accounting; and

e. States the time and place of a public disposition or the time after which any other disposition is to be made.

(2) Whether the contents of a notification that lacks any of the information specified in subdivision (1) of this section are nevertheless sufficient is a question of fact.

(3) The contents of a notification providing substantially the information specified in subdivision (1) of this section are sufficient, even if the notification includes:

a. Information not specified by that subdivision; or

b. Minor errors that are not seriously misleading.

(4) A particular phrasing of the notification is not required.

(5) The following form of notification and the form appearing in G.S. 25-9-614(3), when completed, each provides sufficient information:

NOTIFICATION OF DISPOSITION OF COLLATERAL

To: [Name of debtor, obligor, or other person to which the notification is sent]

From: [Name, address, and telephone number of secured party]

Name of Debtor(s): [Include only if debtor(s) is/are not an addressee]

[For a public disposition:]

We will sell [or lease or license, as applicable] the [describe collateral] [to the highest qualified bidder] in public as follows:

Day and Date: _____

Time: _____

Place: _____

[For a private disposition:]

We will sell [or lease or license, as applicable] the [describe collateral] privately sometime after [day and date].

You are entitled to an accounting of the unpaid indebtedness secured by the property that we intend to sell [or lease or license, as applicable] [for a charge of $_____].

You may request an accounting by calling us at [telephone number]

"§ 25-9-614. Contents and form of notification before disposition of collateral: consumer-goods transaction.

In a consumer-goods transaction, the following rules apply:

(1) A notification of disposition must provide the following information:

a. The information specified in G.S. 25-9-613(1);

b. A description of any liability for a deficiency of the person to which the notification is sent;

c. A telephone number from which the amount that must be paid to the secured party to redeem the collateral under G.S. 25-9-623 is available; and

d. A telephone number or mailing address from which additional information concerning the disposition and the obligation secured is available.

(2) A particular phrasing of the notification is not required.

(3) The following form of notification, when completed, provides sufficient information:

[Name and address of secured party]

[Date]

NOTICE OF OUR PLAN TO SELL PROPERTY

[Name and address of any obligor who is also a debtor]

Subject: [Identification of Transaction]

We have your [describe collateral], because you broke promises in our agreement.

[For a public disposition:]

We will sell [describe collateral] at public sale. A sale could include a lease or license. The sale will be held as follows:

Date: _____

Time: _____

Place: _____

You may attend the sale and bring bidders if you want.

[For a private disposition:]

We will sell [describe collateral] at private sale sometime after [date]. A sale could include a lease or license.

The money that we get from the sale (after paying our costs) will reduce the amount you owe. If we get less money than you owe, you [will or will not, as applicable] still owe us the difference. If we get more money than you owe, you will get the extra money, unless we must pay it to someone else.

You can get the property back at any time before we sell it by paying us the full amount you owe (not just the past due payments), including our expenses. To learn the exact amount you must pay, call us at [telephone number].

If you want us to explain to you in writing how we have figured the amount that you owe us, you may call us at [telephone number] or write us at [secured party's address] and request a written explanation. [We will charge you $_____

for the explanation if we sent you another written explanation of the amount you owe us within the last six months.]

If you need more information about the sale call us at [telephone number] [or write us at [secured party's address]].

We are sending this notice to the following other people who have an interest in [describe collateral] or who owe money under your agreement:
[Names of all other debtors and obligors, if any]

(4) A notification in the form of subdivision (3) of this section is sufficient, even if additional information appears at the end of the form.

(5) A notification in the form of subdivision (3) of this section is sufficient, even if it includes errors in information not required by subdivision (1) of this section, unless the error is misleading with respect to rights arising under this Article.

(6) If a notification under this section is not in the form of subdivision (3) of this section, law other than this Article determines the effect of including information not required by subdivision (1) of this section.

"§ 25-9-615. Application of proceeds of disposition; liability for deficiency and right to surplus.

(a) Application of proceeds. -- A secured party shall apply or pay over for application the cash proceeds of disposition under G.S. 25-9-610 in the following order to:

(1) The reasonable expenses of retaking, holding, preparing for disposition, processing, and disposing, and, to the extent provided for by agreement and not prohibited by law, reasonable attorney's fees and legal expenses incurred by the secured party;

(2) The satisfaction of obligations secured by the security interest or agricultural lien under which the disposition is made;

(3) The satisfaction of obligations secured by any subordinate security interest in or other subordinate lien on the collateral if:

a. The secured party receives from the holder of the subordinate security interest or other lien an authenticated demand for proceeds before distribution of the proceeds is completed; and

b. In a case in which a consignor has an interest in the collateral, the subordinate security interest or other lien is senior to the interest of the consignor; and

(4) A secured party that is a consignor of the collateral if the secured party receives from the consignor an authenticated demand for proceeds before distribution of the proceeds is completed.

(b) Proof of subordinate interest. -- If requested by a secured party, a holder of a subordinate security interest or other lien shall furnish reasonable proof of the interest or lien within a reasonable time. Unless the holder does so, the secured party need not comply with the holder's demand under subdivision (a)(3) of this section.

(c) Application of noncash proceeds. -- A secured party need not apply or pay over for application noncash proceeds of disposition under G.S. 25-9-610 unless the failure to do so would be commercially unreasonable. A secured party that applies or pays over for application noncash proceeds shall do so in a commercially reasonable manner.

(d) Surplus or deficiency if obligation secured. -- If the security interest under which a disposition is made secures payment or performance of an obligation, after making the payments and applications required by subsection (a) of this section and permitted by subsection (c) of this section:

(1) Unless subdivision (a)(4) of this section requires the secured party to apply or pay over cash proceeds to a consignor, the secured party shall account to and pay a debtor for any surplus; and

(2) The obligor is liable for any deficiency.

(e) No surplus or deficiency in sales of certain rights to payment. -- If the underlying transaction is a sale of accounts, chattel paper, payment intangibles, or promissory notes:

(1) The debtor is not entitled to any surplus; and

(2) The obligor is not liable for any deficiency.

(f) Calculation of surplus or deficiency in disposition to person related to secured party. -- The surplus or deficiency following a disposition is calculated based on the amount of proceeds that would have been realized in a disposition complying with this Part to a transferee other than the secured party, a person related to the secured party, or a secondary obligor if:

(1) The transferee in the disposition is the secured party, a person related to the secured party, or a secondary obligor; and

(2) The amount of proceeds of the disposition is significantly below the range of proceeds that a complying disposition to a person other than the secured party, a person related to the secured party, or a secondary obligor would have brought.

(g) Cash proceeds received by junior secured party. -- A secured party that receives cash proceeds of a disposition in good faith and without knowledge that the receipt violates the rights of the holder of a security interest or other lien that is not subordinate to the security interest or agricultural lien under which the disposition is made:

(1) Takes the cash proceeds free of the security interest or other lien;

(2) Is not obligated to apply the proceeds of the disposition to the satisfaction of obligations secured by the security interest or other lien; and

(3) Is not obligated to account to or pay the holder of the security interest or other lien for any surplus.

"**§ 25-9-616. Explanation of calculation of surplus or deficiency.**

(a) Definitions. -- In this section:

(1) 'Explanation' means a writing that:

a. States the amount of the surplus or deficiency;

b. Provides an explanation in accordance with subsection (c) of this section of how the secured party calculated the surplus or deficiency;

c. States, if applicable, that future debits, credits, charges, including additional credit service charges or interest, rebates, and expenses may affect the amount of the surplus or deficiency; and

d. Provides a telephone number or mailing address from which additional information concerning the transaction is available.

(2) 'Request' means a record:

a. Authenticated by a debtor or consumer obligor;

b. Requesting that the recipient provide an explanation; and

c. Sent after disposition of the collateral under G.S. 25-9-610.

(b) Explanation of calculation. -- In a consumer-goods transaction in which the debtor is entitled to a surplus or a consumer obligor is liable for a deficiency under G.S. 25-9-615, the secured party shall:

(1) Send an explanation to the debtor or consumer obligor, as applicable, after the disposition and:

a. Before or when the secured party accounts to the debtor and pays any surplus or first makes written demand on the consumer obligor after the disposition for payment of the deficiency; and

b. Within 14 days after receipt of a request; or

(2) In the case of a consumer obligor who is liable for a deficiency, within 14 days after receipt of a request, send to the consumer obligor a record waiving the secured party's right to a deficiency.

(c) Required information. -- To comply with sub-subdivision (a)(1)b. of this section, a writing must provide the following information in the following order:

(1) The aggregate amount of obligations secured by the security interest under which the disposition was made, and, if the amount reflects a rebate of unearned interest or credit service charge, an indication of that fact, calculated as of a specified date:

a. If the secured party takes or receives possession of the collateral after default, not more than 35 days before the secured party takes or receives possession; or

b. If the secured party takes or receives possession of the collateral before default or does not take possession of the collateral, not more than 35 days before the disposition;

(2) The amount of proceeds of the disposition;

(3) The aggregate amount of the obligations after deducting the amount of proceeds;

(4) The amount, in the aggregate or by type, and types of expenses, including expenses of retaking, holding, preparing for disposition, processing, and disposing of the collateral, and attorney's fees secured by the collateral which are known to the secured party and relate to the current disposition;

(5) The amount, in the aggregate or by type, and types of credits, including rebates of interest or credit service charges, to which the obligor is known to be entitled and which are not reflected in the amount in subdivision (1) of this subsection; and

(6) The amount of the surplus or deficiency.

(d) Substantial compliance. -- A particular phrasing of the explanation is not required. An explanation complying substantially with the requirements of subsection (a) of this section is sufficient, even if it includes minor errors that are not seriously misleading.

(e) Charges for responses. -- A debtor or consumer obligor is entitled without charge to one response to a request under this section during any six-month period in which the secured party did not send to the debtor or consumer obligor an explanation pursuant to subdivision (b)(1) of this section. The secured party may require payment of a charge not exceeding twenty-five dollars ($25.00) for each additional response.

"§ 25-9-617. Rights of transferee of collateral.

(a) Effects of disposition. -- A secured party's disposition of collateral after default:

(1) Transfers to a transferee for value all of the debtor's rights in the collateral;

(2) Discharges the security interest under which the disposition is made; and

(3) Discharges any subordinate security interest or other subordinate lien.

(b) Rights of good-faith transferee. -- A transferee that acts in good faith takes free of the rights and interests described in subsection (a) of this section, even if the secured party fails to comply with this Article or the requirements of any judicial proceeding.

(c) Rights of other transferee. -- If a transferee does not take free of the rights and interests described in subsection (a) of this section, the transferee takes the collateral subject to:

(1) The debtor's rights in the collateral;

(2) The security interest or agricultural lien under which the disposition is made; and

(3) Any other security interest or other lien.

"§ 25-9-618. Rights and duties of certain secondary obligors.

(a) Rights and duties of secondary obligor. -- A secondary obligor acquires the rights and becomes obligated to perform the duties of the secured party after the secondary obligor:

(1) Receives an assignment of a secured obligation from the secured party;

(2) Receives a transfer of collateral from the secured party and agrees to accept the rights and assume the duties of the secured party; or

(3) Is subrogated to the rights of a secured party with respect to collateral.

(b) Effect of assignment, transfer, or subrogation. -- An assignment, transfer, or subrogation described in subsection (a) of this section:

(1) Is not a disposition of collateral under G.S. 25-9-610; and

(2) Relieves the secured party of further duties under this Article.

"**§ 25-9-619. Transfer of record or legal title.**

(a) 'Transfer statement.' -- In this section, 'transfer statement' means a record authenticated by a secured party stating:

(1) That the debtor has defaulted in connection with an obligation secured by specified collateral;

(2) That the secured party has exercised its postdefault remedies with respect to the collateral;

(3) That, by reason of the exercise, a transferee has acquired the rights of the debtor in the collateral; and

(4) The name and mailing address of the secured party, debtor, and transferee.

(b) Effect of transfer statement. -- A transfer statement entitles the transferee to the transfer of record of all rights of the debtor in the collateral specified in the statement in any official filing, recording, registration, or certificate-of-title system covering the collateral. If a transfer statement is presented with the applicable fee and request form to the official or office responsible for maintaining the system, the official or office shall:

(1) Accept the transfer statement;

(2) Promptly amend its records to reflect the transfer; and

(3) If applicable, issue a new appropriate certificate of title in the name of the transferee.

(c) Transfer not a disposition; no relief of secured party's duties. -- A transfer of the record or legal title to collateral to a secured party under subsection (b) of this section or otherwise is not of itself a disposition of collateral under this Article and does not of itself relieve the secured party of its duties under this Article.

"**§ 25-9-620. Acceptance of collateral in full or partial satisfaction of obligation; compulsory disposition of collateral.**

(a) Conditions to acceptance in satisfaction. -- Except as otherwise provided in subsection (g) of this section, a secured party may accept collateral in full or partial satisfaction of the obligation it secures only if:

(1) The debtor consents to the acceptance under subsection (c) of this section;

(2) The secured party does not receive, within the time set forth in subsection (d) of this section, a notification of objection to the proposal authenticated by:

a. A person to which the secured party was required to send a proposal under G.S. 25-9-621; or

b. Any other person, other than the debtor, holding an interest in the collateral subordinate to the security interest that is the subject of the proposal;

(3) If the collateral is consumer goods, the collateral is not in the possession of the debtor when the debtor consents to the acceptance; and

(4) Subsection (e) of this section does not require the secured party to dispose of the collateral or the debtor waives the requirement pursuant to G.S. 25-9-624.

(b) Purported acceptance ineffective. -- A purported or apparent acceptance of collateral under this section is ineffective unless:

(1) The secured party consents to the acceptance in an authenticated record or sends a proposal to the debtor; and

(2) The conditions of subsection (a) of this section are met.

(c) Debtor's consent. -- For purposes of this section:

(1) A debtor consents to an acceptance of collateral in partial satisfaction of the obligation it secures only if the debtor agrees to the terms of the acceptance in a record authenticated after default; and

(2) A debtor consents to an acceptance of collateral in full satisfaction of the obligation it secures only if the debtor agrees to the terms of the acceptance in a record authenticated after default or the secured party:

a. Sends to the debtor after default a proposal that is unconditional or subject only to a condition that collateral not in the possession of the secured party be preserved or maintained;

b. In the proposal, proposes to accept collateral in full satisfaction of the obligation it secures; and

c. Does not receive a notification of objection authenticated by the debtor within 20 days after the proposal is sent.

(d) Effectiveness of notification. -- To be effective under subdivision (a)(2) of this section, a notification of objection must be received by the secured party:

(1) In the case of a person to which the proposal was sent pursuant to G.S. 25-9-621, within 20 days after notification was sent to that person; and

(2) In other cases:

a. Within 20 days after the last notification was sent pursuant to G.S. 25-9-621; or

b. If a notification was not sent, before the debtor consents to the acceptance under subsection (c) of this section.

(e) Mandatory disposition of consumer goods. -- A secured party that has taken possession of collateral shall dispose of the collateral pursuant to G.S. 25-9-610 within the time specified in subsection (f) of this section if:

(1) Sixty percent (60%) of the cash price has been paid in the case of a purchase-money security interest in consumer goods; or

(2) Sixty percent (60%) of the principal amount of the obligation secured has been paid in the case of a non-purchase-money security interest in consumer goods.

(f) Compliance with mandatory disposition requirement. -- To comply with subsection (e) of this section, the secured party shall dispose of the collateral:

(1) Within 90 days after taking possession; or

(2) Within any longer period to which the debtor and all secondary obligors have agreed in an agreement to that effect entered into and authenticated after default.

(g) No partial satisfaction in consumer transaction. -- In a consumer transaction, a secured party may not accept collateral in partial satisfaction of the obligation it secures.

"**§ 25-9-621. Notification of proposal to accept collateral.**

(a) Persons to which proposal to be sent. -- A secured party that desires to accept collateral in full or partial satisfaction of the obligation it secures shall send its proposal to:

(1) Any person from which the secured party has received, before the debtor consented to the acceptance, an authenticated notification of a claim of an interest in the collateral;

(2) Any other secured party or lienholder that, 10 days before the debtor consented to the acceptance, held a security interest in or other lien on the collateral perfected by the filing of a financing statement that:

a. Identified the collateral;

b. Was indexed under the debtor's name as of that date; and

c. Was filed in the office or offices in which to file a financing statement against the debtor covering the collateral as of that date; and

(3) Any other secured party that, 10 days before the debtor consented to the acceptance, held a security interest in the collateral perfected by compliance with a statute, regulation, or treaty described in G.S. 25-9-311(a).

(b) Proposal to be sent to secondary obligor in partial satisfaction. -- A secured party that desires to accept collateral in partial satisfaction of the obligation it secures

shall send its proposal to any secondary obligor in addition to the persons described in subsection (a) of this section.

"§ 25-9-622. Effect of acceptance of collateral.

(a) Effect of acceptance. -- A secured party's acceptance of collateral in full or partial satisfaction of the obligation it secures:

(1) Discharges the obligation to the extent consented to by the debtor;

(2) Transfers to the secured party all of a debtor's rights in the collateral;

(3) Discharges the security interest or agricultural lien that is the subject of the debtor's consent and any subordinate security interest or other subordinate lien; and

(4) Terminates any other subordinate interest.

(b) Discharge of subordinate interest notwithstanding noncompliance. -- A subordinate interest is discharged or terminated under subsection (a) of this section, even if the secured party fails to comply with this Article.

"§ 25-9-623. Right to redeem collateral.

(a) Persons that may redeem. -- A debtor, any secondary obligor, or any other secured party or lienholder may redeem collateral.

(b) Requirements for redemption. -- To redeem collateral, a person shall tender:

(1) Fulfillment of all obligations secured by the collateral; and

(2) The reasonable expenses and attorney's fees described in G.S. 25-9-615(a)(1).

(c) When redemption may occur. -- A redemption may occur at any time before a secured party:

(1) Has collected collateral under G.S. 25-9-607;

(2) Has disposed of collateral or entered into a contract for its disposition under G.S. 25-9-610; or

(3) Has accepted collateral in full or partial satisfaction of the obligation it secures under G.S. 25-9-622.

"§ 25-9-624. Waiver.

(a) Waiver of disposition notification. -- A debtor or secondary obligor may waive the right to notification of disposition of collateral under G.S. 25-9-611 only by an agreement to that effect entered into and authenticated after default.

(b) Waiver of mandatory disposition. -- A debtor may waive the right to require disposition of collateral under G.S. 25-9-620(e) only by an agreement to that effect entered into and authenticated after default.

(c) Waiver of redemption right. -- Except in a consumer-goods transaction, a debtor or secondary obligor may waive the right to redeem collateral under G.S. 25-9-623 only by an agreement to that effect entered into and authenticated after default.

"SUBPART 2. NONCOMPLIANCE WITH ARTICLE.

"§ 25-9-625. Remedies for secured party's failure to comply with Article.

(a) Judicial orders concerning noncompliance. -- If it is established that a secured party is not proceeding in accordance with this Article, a court may order or restrain

collection, enforcement, or disposition of collateral on appropriate terms and conditions.

(b) Damages for noncompliance. -- Subject to subsections (c), (d), and (f) of this section, a person is liable for damages in the amount of any loss caused by a failure to comply with this Article. Loss caused by a failure to comply may include loss resulting from the debtor's inability to obtain, or increased costs of, alternative financing.

(c) Persons entitled to recover damages; statutory damages in consumer-goods transaction. -- Except as otherwise provided in G.S. 25-9-628:

(1) A person that, at the time of the failure, was a debtor, was an obligor, or held a security interest in or other lien on the collateral may recover damages under subsection (b) of this section for its loss; and

(2) If the collateral is consumer goods, a person that was a debtor or a secondary obligor at the time a secured party failed to comply with this Part may recover for that failure in any event an amount not less than the credit service charge plus ten percent (10%) of the principal amount of the obligation or the time-price differential plus ten percent (10%) of the cash price.

(d) Recovery when deficiency eliminated or reduced. -- A debtor whose deficiency is eliminated under G.S. 25-9-626 may recover damages for the loss of any surplus. However, a debtor or secondary obligor whose deficiency is eliminated or reduced under G.S. 25-9-626 may not otherwise recover under subsection (b) of this section for noncompliance with the provisions of this Part relating to collection, enforcement, disposition, or acceptance.

(e) Statutory damages: noncompliance with specified provisions. -- In addition to any damages recoverable under subsection (b) of this section, the debtor, consumer obligor, or person named as a debtor in a filed record, as applicable, may recover five hundred dollars ($500.00) in each case from a person that:

(1) Fails to comply with G.S. 25-9-208;

(2) Fails to comply with G.S. 25-9-209;

(3) Files a record that the person is not entitled to file under G.S. 25-9-509(a);

(4) Fails to cause the secured party of record to file or send a termination statement as required by G.S. 25-9-513(a) or (c);

(5) Fails to comply with G.S. 25-9-616(b)(1) and whose failure is part of a pattern, or consistent with a practice, of noncompliance; or

(6) Fails to comply with G.S. 25-9-616(b)(2).

(f) Statutory damages: noncompliance with G.S. 25-9-210. -- A debtor or consumer obligor may recover damages under subsection (b) of this section and, in addition, five hundred dollars ($500.00) in each case from a person that, without reasonable cause, fails to comply with a request under G.S. 25-9-210. A recipient of a request under G.S. 25-9-210 which never claimed an interest in the collateral or

obligations that are the subject of a request under that section has a reasonable excuse for failure to comply with the request within the meaning of this subsection.

(g) Limitation of security interest: noncompliance with G.S. 25-9-210. -- If a secured party fails to comply with a request regarding a list of collateral or a statement of account under G.S. 25-9-210, the secured party may claim a security interest only as shown in the list or statement included in the request as against a person that is reasonably misled by the failure.

"**§ 25-9-626. Action in which deficiency or surplus is in issue.**

(a) Applicable rules if amount of deficiency or surplus in issue. -- In an action arising from a transaction, other than a consumer transaction, in which the amount of a deficiency or surplus is in issue, the following rules apply:

(1) A secured party need not prove compliance with the provisions of this Part relating to collection, enforcement, disposition, or acceptance unless the debtor or a secondary obligor places the secured party's compliance in issue.

(2) If the secured party's compliance is placed in issue, the secured party has the burden of establishing that the collection, enforcement, disposition, or acceptance was conducted in accordance with this Part.

(3) Except as otherwise provided in G.S. 25-9-628, if a secured party fails to prove that the collection, enforcement, disposition, or acceptance was conducted in accordance with the provisions of this Part relating to collection, enforcement, disposition, or acceptance, the liability of a debtor or a secondary obligor for a deficiency is limited to an amount by which the sum of the secured obligation, expenses, and attorney's fees exceeds the greater of:

a. The proceeds of the collection, enforcement, disposition, or acceptance; or

b. The amount of proceeds that would have been realized had the noncomplying secured party proceeded in accordance with the provisions of this Part relating to collection, enforcement, disposition, or acceptance.

(4) For purposes of sub-subdivision (a)(3)b. of this section, the amount of proceeds that would have been realized is equal to the sum of the secured obligation, expenses, and attorney's fees unless the secured party proves that the amount is less than that sum.

(5) If a deficiency or surplus is calculated under G.S. 25-9-615(f), the debtor or obligor has the burden of establishing that the amount of proceeds of the disposition is significantly below the range of prices that a complying disposition to a person other than the secured party, a person related to the secured party, or a secondary obligor would have brought.

(b) Nonconsumer transactions; no inference. -- The limitation of the rules in subsection (a) of this section to transactions other than consumer transactions is

intended to leave to the court the determination of the proper rules in consumer transactions. The court may not infer from that limitation the nature of the proper rule in consumer transactions and may continue to apply established approaches.

"**§ 25-9-627. Determination of whether conduct was commercially reasonable.**

(a) Greater amount obtainable under other circumstances; no preclusion of commercial reasonableness. -- The fact that a greater amount could have been obtained by a collection, enforcement, disposition, or acceptance at a different time or in a different method from that selected by the secured party is not of itself sufficient to preclude the secured party from establishing that the collection, enforcement, disposition, or acceptance was made in a commercially reasonable manner.

(b) Dispositions that are commercially reasonable. -- A disposition of collateral is made in a commercially reasonable manner if the disposition is made:

(1) In the usual manner on any recognized market;

(2) At the price current in any recognized market at the time of the disposition; or

(3) Otherwise in conformity with reasonable commercial practices among dealers in the type of property that was the subject of the disposition.

(c) Approval by court or on behalf of creditors. -- A collection, enforcement, disposition, or acceptance is commercially reasonable if it has been approved:

(1) In a judicial proceeding;

(2) By a bona fide creditors' committee;

(3) By a representative of creditors; or

(4) By an assignee for the benefit of creditors.

(d) Approval under subsection (c) of this section not necessary; absence of approval has no effect. -- Approval under subsection (c) of this section need not be obtained, and lack of approval does not mean that the collection, enforcement, disposition, or acceptance is not commercially reasonable.

"**§ 25-9-628. Nonliability and limitation on liability of secured party; liability of secondary obligor.**

(a) Limitation of liability of secured party for noncompliance with Article. -- Unless a secured party knows that a person is a debtor or obligor, knows the identity of the person, and knows how to communicate with the person:

(1) The secured party is not liable to the person, or to a secured party or lienholder that has filed a financing statement against the person, for failure to comply with this Article; and

(2) The secured party's failure to comply with this Article does not affect the liability of the person for a deficiency.

(b) Limitation of liability based on status as secured party. -- A secured party is not liable because of its status as secured party:

(1) To a person that is a debtor or obligor, unless the secured party knows:

a. That the person is a debtor or obligor;

b. The identity of the person; and
c. How to communicate with the person; or

(2) To a secured party or lienholder that has filed a financing statement against a person, unless the secured party knows:
a. That the person is a debtor; and
b. The identity of the person.

(c) Limitation of liability if reasonable belief that transaction not a consumer-goods transaction or consumer transaction. -- A secured party is not liable to any person, and a person's liability for a deficiency is not affected, because of any act or omission arising out of the secured party's reasonable belief that a transaction is not a consumer-goods transaction or a consumer transaction or that goods are not consumer goods, if the secured party's belief is based on its reasonable reliance on:

(1) A debtor's representation concerning the purpose for which collateral was to be used, acquired, or held; or

(2) An obligor's representation concerning the purpose for which a secured obligation was incurred.

(d) Limitation of liability for statutory damages. -- A secured party is not liable to any person under G.S. 25-9-625(c)(2) for its failure to comply with G.S. 25-9-616.

(e) Limitation of multiple liability for statutory damages. -- A secured party is not liable under G.S. 25-9-625(c)(2) more than once with respect to any one secured obligation.

"PART 7.
"TRANSITION.

"§ 25-9-701. Effective date.

This act takes effect on July 1, 2001. References in this Part to 'this act' refer to PARTS I, II, and III of the session law by which this Part is added to Article 9 of Chapter 25 of the General Statutes. References in this Part to 'former Article 9' are to Article 9 of Chapter 25 of the General Statutes as in effect immediately before the effective date of this act.

"§ 25-9-702. Savings clause.

(a) Pre-effective-date transactions or liens. -- Except as otherwise provided in this Part, this act applies to a transaction or lien within its scope, even if the transaction or lien was entered into or created before the effective date of this act.

(b) Continuing validity. -- Except as otherwise provided in subsection (c) of this section and G.S. 25-9-703 through G.S. 25-9-709:

(1) Transactions and liens that were not governed by former Article 9, were validly entered into or created before the effective date of this act, and would be subject to this act if they had been entered into or created after the effective date of this act, and the rights, duties, and interests flowing from those transactions and liens remain valid after the effective date of this act; and

(2) The transactions and liens described in subdivision (1) of this subsection may be terminated, completed, consummated, and

enforced as required or permitted by this act or by the law that otherwise would apply if this act had not taken effect.

(c) Pre-effective-date proceedings. -- This act does not affect an action, case, or proceeding commenced before the effective date of this act.

"§ 25-9-703. Security interest perfected before effective date.

(a) Continuing priority over lien creditor: perfection requirements satisfied. -- A security interest that is enforceable immediately before the effective date of this act and would have priority over the rights of a person that becomes a lien creditor at that time is a perfected security interest under this act if, on the effective date of this act, the applicable requirements for enforceability and perfection under this act are satisfied without further action.

(b) Continuing priority over lien creditor: perfection requirements not satisfied. -- Except as otherwise provided in G.S. 25-9-705, if, immediately before the effective date of this act, a security interest is enforceable and would have priority over the rights of a person that becomes a lien creditor at that time, but the applicable requirements for enforceability or perfection under this act are not satisfied on the effective date of this act, the security interest:

(1) Is a perfected security interest for one year after the effective date of this act;

(2) Remains enforceable thereafter only if the security interest becomes enforceable under G.S. 25-9-203 before the year expires; and

(3) Remains perfected thereafter only if the applicable requirements for perfection under this act are satisfied before the year expires.

"§ 25-9-704. Security interest unperfected before effective date.

A security interest that is enforceable immediately before the effective date of this act but which would be subordinate to the rights of a person that becomes a lien creditor at that time:

(1) Remains an enforceable security interest for one year after the effective date of this act;

(2) Remains enforceable thereafter if the security interest becomes enforceable under G.S. 25-9-203 on the effective date of this act or within one year thereafter; and

(3) Becomes perfected:

a. Without further action, on the effective date of this act if the applicable requirements for perfection under this act are satisfied before or at that time; or

b. When the applicable requirements for perfection are satisfied if the requirements are satisfied after that time.

"§ 25-9-705. Effectiveness of action taken before effective date.

(a) Pre-effective-date action; one-year perfection period unless reperfected. -- If action, other than the filing of a financing statement, is taken before the effective date of this act and the action would have resulted in priority of a security interest over the rights of a person that becomes a lien creditor had the security interest become

enforceable before the effective date of this act, the action is effective to perfect a security interest that attaches under this act within one year after the effective date of this act. An attached security interest becomes unperfected one year after the effective date of this act unless the security interest becomes a perfected security interest under this act before the expiration of that period.

(b) Pre-effective-date filing. -- The filing of a financing statement before the effective date of this act is effective to perfect a security interest to the extent the filing would satisfy the applicable requirements for perfection under this act.

(c) Pre-effective-date filing in jurisdiction formerly governing perfection. -- This act does not render ineffective an effective financing statement that, before the effective date of this act, is filed and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in G.S. 25-9-103 of former Article 9. However, except as otherwise provided in subsections (d) and (e) of this section and G.S. 25-9-706, the financing statement ceases to be effective at the earlier of:

(1) The time the financing statement would have ceased to be effective under the law of the jurisdiction in which it is filed; and

(2) June 30, 2006.

(d) Continuation statement. -- The filing of a continuation statement after the effective date of this act does not continue the effectiveness of the financing statement filed before the effective date of this act. However, upon the timely filing of a continuation statement after the effective date of this act and in accordance with the law of the jurisdiction governing perfection as provided in Part 3 of this Article, the effectiveness of a financing statement filed in the same office in that jurisdiction before the effective date of this act continues for the period provided by the law of that jurisdiction.

(e) Application of subdivision (c)(2) to transmitting utility financing statement. -- Subdivision (c)(2) of this section applies to a financing statement that, before the effective date of this act, is filed against a transmitting utility and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in G.S. 25-9-103 of former Article 9 only to the extent that Part 3 of this Article provides that the law of a jurisdiction other than the jurisdiction in which the financing statement is filed governs perfection of a security interest in collateral covered by the financing statement.

(f) Application of Part 5. -- A financing statement that includes a financing statement filed before the effective date of this act and a continuation statement filed after the effective date of this act is effective only to the extent that it satisfies the requirements of Part 5 of this Article for an initial financing statement.

"§ 25-9-706. When initial financing statement suffices to continue effectiveness of financing statement.

(a) Initial financing statement in lieu of continuation statement. -- The filing of an initial financing statement in the office specified in G.S. 25-9-501 continues the effectiveness of a financing statement filed before the effective date of this act if:

(1) The filing of an initial financing statement in that office would be effective to perfect a security interest under this act;

(2) The pre-effective-date financing statement was filed in an office in another state or another office in this State; and

(3) The initial financing statement satisfies subsection (c) of this section.

(b) Period of continued effectiveness. -- The filing of an initial financing statement under subsection (a) of this section continues the effectiveness of the pre-effective-date financing statement:

(1) If the initial financing statement is filed before the effective date of this act, for the period provided in G.S. 25-9-403 of former Article 9 with respect to a financing statement; and

(2) If the initial financing statement is filed after the effective date of this act, for the period provided in G.S. 25-9-515 with respect to an initial financing statement.

(c) Requirement for initial financing statement under subsection (a). -- To be effective for purposes of subsection (a) of this section, an initial financing statement must:

(1) Satisfy the requirements of Part 5 of this Article for an initial financing statement;

(2) Identify the pre-effective-date financing statement by indicating the office in which the financing statement was filed and providing the dates of filing and file numbers, if any, of the financing statement and of the most recent continuation statement filed with respect to the financing statement; and

(3) Indicate that the pre-effective-date financing statement remains effective.

"§ 25-9-707. Amendment of pre-effective-date financing statement.

(a) 'Pre-effective-date financing statement'. -- In this section, 'pre-effective-date financing statement' means a financing statement filed before the effective date of this act.

(b) Applicable law. -- After the effective date of this act, a person may add or delete collateral covered by, continue or terminate the effectiveness of, or otherwise amend the information provided in, a pre-effective-date financing statement only in accordance with the law of the jurisdiction governing perfection as provided in Part 3 of this Article. However, the effectiveness of a pre-effective-date financing statement also may be terminated in accordance with the law of the jurisdiction in which the financing statement is filed.

(c) Method of amending: general rule. -- Except as otherwise provided in subsection (d) of this section, if the law of this State governs perfection of a security interest, the information in a pre-effective-date financing statement may be amended after the effective date of this act only if:

(1) The pre-effective-date financing statement and an amendment are filed in the office specified in G.S. 25-9-501;

(2) An amendment is filed in the office specified in G.S. 25-9-501 concurrently with, or after the filing in that office of, an initial financing statement that satisfies G.S. 25-9-706(c); or

(3) An initial financing statement that provides the information as amended and satisfies G.S. 25-9-706(c) is filed in the office specified in G.S. 25-9-501.

(d) Method of amending: continuation. -- If the law of this State governs perfection of a security interest, the effectiveness of a pre-effective-date financing statement may be continued only under G.S. 25-9-705(d) and (f) or G.S. 25-9-706.

(e) Reserved.

(f) Method of amending: termination. -- If the law of this State governs perfection of a security interest, the effectiveness of a pre-effective-date financing statement may be terminated after the effective date of this act only if:

(1) The pre-effective-date financing statement and a termination statement are filed in the office specified in G.S. 25-9-501; or

(2) A termination statement is filed in the office specified in G.S. 25-9-501 concurrently with the filing in that office of an initial financing statement that satisfies G.S. 25-9-706(c). Under this subsection, no separate fee shall be charged for the filing or indexing of the termination statement.

"§ 25-9-708. Persons entitled to file initial financing statement or continuation statement.

A person may file an initial financing statement or a continuation statement under this Part if:

(1) The secured party of record authorizes the filing; and

(2) The filing is necessary under this Part:

a. To continue the effectiveness of a financing statement filed before the effective date of this act; or

b. To perfect or continue the perfection of a security interest.

"§ 25-9-709. Priority.

(a) Law governing priority. -- This act determines the priority of conflicting claims to collateral. However, if the relative priorities of the claims were established before the effective date of this act, former Article 9 determines priority.

(b) Priority if security interest becomes enforceable under G.S. 25-9-203. -- For purposes of G.S. 25-9-322(a), the priority of a security interest that becomes enforceable under G.S. 25-9-203 dates from the effective date of this act if the security interest is perfected under this act by the filing of a financing statement before the effective date of this act which would not have been effective to perfect the security interest under former Article 9. This subsection does not apply to conflicting security interests each of which is perfected by the filing of such a financing statement.

"§ 25-9-710. Special transitional provision for maintaining and searching local-filing office records.

(a) In this section:

(1) 'Former-Article-9 records' means:
a. Financing statements and other records that have been filed in the local-filing office before July 1, 2001, and that are, or upon processing and indexing will be, reflected in the index maintained, as of June 30, 2001, by the local-filing office for financing statements and other records filed in the local-filing office before July 1, 2001; and
b. The index as of June 30, 2001.
The term does not include records presented to a local-filing office for filing after June 30, 2001, whether or not the records relate to financing statements filed in the local-filing office before July 1, 2001.
(2) 'Local-filing office' means a filing office, other than the office of the Secretary of State, that is designated as the proper place to file a financing statement under G.S. 25-9-401(1) of former Article 9. The term applies only with respect to a record that covers a type of collateral as to which the filing office is designated in that section as the proper place to file.

(b) A local-filing office must not accept for filing a record presented after June 30, 2001, whether or not the record relates to a financing statement filed in the local-filing office before July 1, 2001.

(c) Until July 1, 2008, each local-filing office must maintain all former Article 9 records in accordance with former Article 9. A former Article 9 record that is not reflected on the index maintained at June 30, 2001, by the local-filing office must be processed and indexed, and reflected on the index as of June 30, 2001, as soon as practicable but in any event no later than July 30, 2001.

(d) Until at least June 30, 2008, each local-filing office must respond to requests for information with respect to former Article 9 records relating to a debtor and issue certificates, in accordance with former Article 9. The fees charged for responding to requests for information relating to a debtor and issuing certificates with respect to former-Article-9 records must be the fees in effect under former Article 9 on June 30, 2001.

(e) After June 30, 2008, each local-filing office may remove and destroy, in accordance with any then applicable record retention law of this State, all former-Article-9 records, including the related index.

(f) This section does not apply, with respect to financing statements and other records, to a filing office in which mortgages or records of mortgages on real property are required to be filed or recorded, if:
(1) The collateral is timber to be cut or as-extracted collateral, or
(2) The record is or relates to a financing statement filed as a fixture and the collateral is goods that are or are to become fixtures."

Section 2.(a) Article 9 of Chapter 25 of the General Statutes, as enacted by Section 1 of this act, is amended by adding the following new section to read:
"**§ 25-9-521. Uniform form of written financing statement and amendment.**

(a) Initial financing statement form. -- A filing office that accepts written records may not refuse to accept a written initial financing statement in the following form and format except for a reason set forth in G.S. 25-9-516(b):

(b) Amendment form. -- A filing office that accepts written records may not refuse to accept a written record in the following form and format except for a reason set forth in G.S. 25-9-516(b)."

Section 2.(b) The Revisor of Statutes shall cause to be printed in G.S. 25-9-521(a), as enacted by subsection (a) of this section, the "National UCC Financing Statement (Form UCC1) (Rev. 07/29/98)" and the "National UCC Financing Statement Addendum (Form UCC1 Ad) (Rev. 07/29/98)" as reproduced in the official text of U.C.C. Article 9 (1999), which are hereby incorporated by reference into G.S. 25-9-521(a).

Section 2.(c) The Revisor of Statutes shall cause to be printed in G.S. 25-9-521(b), as enacted by subsection (a) of this section, the "National UCC Financing Statement Amendment (Form UCC3) (Rev. 07/29/98)" and the "National UCC Financing Statement Amendment Addendum (Form UCC3 Ad) (Rev. 07/29/98)" as reproduced in the official text of U.C.C. Article 9 (1999), which are hereby incorporated by reference into G.S. 25-9-521(b).

PART II. CONFORMING AMENDMENTS TO OTHER ARTICLES OF THE UNIFORM COMMERCIAL CODE.

Section 3. G.S. 25-1-105(2) reads as rewritten:

"(2) Where one of the following provisions of this Chapter specifies the applicable law, that provision governs and a contrary agreement is effective only to the extent permitted by the law (including the conflict of laws rules) so specified:

Rights of creditors against sold goods. (G.S. 25-2-402).

Applicability of the article on bank deposits and collections. (G.S. 25-4-102).

Governing law in the article on Funds Transfers. (G.S. 25-4A-507).

Letters of Credit. (G.S. 25-5-116).

Bulk transfers subject to the article on bulk transfers. (G.S. 25-6-102).

Applicability of the article on investment securities. (G.S. 25-8-110).

~~Perfection provisions of the article on secured transactions. (G.S. 25-9-103).~~

Law governing perfection, the effect of perfection or nonperfection, and the priority of security interests and agricultural liens. (G.S. 25-9-301 through G.S. 25-9-307).

~~Governing law in the article on Funds Transfers. (G.S. 25-4A-507).~~

~~Letters of Credit. (G.S. 25-5-116).~~"

Section 4. G.S. 25-1-109 reads as rewritten:

"**§ 25-1-109. Section captions.**

Section captions are parts of this chapter. The subsection headings in Article 9 of this Chapter are not parts of this Chapter."

Section 5. G.S. 25-1-201(9) reads as rewritten:

"(9) 'Buyer in ordinary course of business' means a person ~~who~~ that buys goods in good ~~faith and~~ faith, without knowledge that the sale ~~to him is in violation of~~ violates the ~~ownership~~ rights ~~or security interest~~ of ~~a third party~~ another person in the ~~goods~~ goods, and ~~buys~~ in the ordinary course from a ~~person~~ person, other than a pawnbroker, in the business of selling goods of that ~~kind but does not include a pawnbroker. All persons who sell minerals or the like (including oil and gas) at wellhead or minehead shall be deemed to be persons~~ kind. A person buys goods in the ordinary course if the sale to the person comports with the usual or customary practices in the kind of business in which the seller is engaged or with the seller's own usual or customary practices. A person that sells oil, gas, or other minerals at the wellhead or minehead is a person in the business of selling goods of that kind. ~~"Buying"~~ A buyer in ordinary course of business may ~~be~~ buy for ~~cash~~ cash, ~~or~~ by exchange of other ~~property~~ property, or on secured or unsecured ~~credit~~ credit, and ~~includes receiving~~ may acquire goods or documents of title under a preexisting contract for ~~sale but does not include a transfer in bulk or as security for or in total or partial satisfaction of a money debt.~~ sale. Only a buyer that takes possession of the goods or has a right to recover the goods from the seller under Article 2 of this Chapter may be a buyer in ordinary course of business. A person that acquires goods in a transfer in bulk or as security for or in total or partial satisfaction of a money debt is not a buyer in ordinary course of business."

Section 6. G.S. 25-1-201(32) reads as rewritten:

"(32) 'Purchase' includes taking by sale, discount, negotiation, mortgage, pledge, lien, security interest, issue or re-issue, gift or any other voluntary transaction creating an interest in property."

Section 7. G.S. 25-1-201(37) reads as rewritten:

"(37) 'Security interest' means an interest in personal property or fixtures which secures payment or performance of an obligation. ~~The retention or reservation of title by a seller of goods notwithstanding shipment or delivery to the buyer (G.S. 25-2-401) is limited in effect to a reservation of a "security interest".~~ The term also includes any interest of a consignor and a buyer of ~~accounts or~~ accounts, chattel ~~paper which~~ paper, a payment intangible, or a promissory note in a transaction that is subject to Article 9 of this Chapter. The special property interest of a buyer of goods on identification of those goods to a contract for sale under G.S. 25-2-401 is not a 'security interest,' but a buyer may also acquire a 'security interest' by complying with Article 9 of this Chapter. ~~Unless a consignment is intended as security, reservation~~

~~of title thereunder is not a "security interest" but a consignment is in any event subject to the provisions on consignment sales (G.S. 25-2-326).~~ Except as otherwise provided in G.S. 25-2-505, the right of a seller or lessor of goods under Article 2 or 2A of this Chapter to retain or acquire possession of the goods is not a 'security interest', but a seller or lessor may also acquire a 'security interest' by complying with Article 9 of this Chapter. The retention or reservation of title by a seller of goods notwithstanding shipment or delivery to the buyer (G.S. 25-2-401) is limited in effect to a reservation of a 'security interest'.

(a) Whether a transaction creates a lease or security interest is determined by the facts of each case; however, a transaction creates a security interest ~~if:~~ if the consideration the lessee is to pay the lessor for the right to possession and use of the goods is an obligation for the term of the lease not subject to termination by the lessee, and:

(i) The original term of the lease is equal to or greater than the remaining economic life of the goods, or

(ii) The lessee is bound to renew the lease for the remaining economic life of the goods or is bound to become the owner of the goods, or

(iii) The lessee has an option to renew the lease for the remaining economic life of the goods for no additional consideration or nominal additional consideration upon compliance with the lease agreement, or

(iv) The lessee has an option to become the owner of the goods for no additional consideration or nominal additional consideration upon compliance with the lease agreement.

(b) A transaction does not create a security interest merely because it provides that:

(i) The present value of the consideration the lessee is obligated to pay the lessor for the right to possession and use of the goods is substantially equal to or is greater than the fair market value of the goods at the time the lease is entered into,

(ii) The lessee assumes risk of loss of the goods, or agrees to pay taxes, insurance, filing, recording, or registration fees, or service or maintenance costs with respect to the goods,

(iii) The lessee has an option to renew the lease or to become the owner of the goods,

(iv) The lessee has an option to renew the lease for a fixed rent that is equal to or greater than the reasonably predictable fair market rent for the use of the goods for the term of the renewal at the time the option is to be performed, or

(v) The lessee has an option to become the owner of the goods for a fixed price that is equal to or greater than the reasonably predictable fair market value of the goods at the time the option is to be performed.

(c) For purposes of this subsection (37):

(i) Additional consideration is not nominal if (i) when the option to renew the lease is granted to the lessee the rent is stated to be the fair market rent for the use of the goods for the term of the renewal determined at the time the option is to be performed, or (ii) when the option to become the owner of the goods is granted to the lessee the price is stated to be the fair market value of the goods determined at the time the option is to be performed. Additional consideration is nominal if it is less than the lessee's reasonably predictable cost of performing under the lease agreement if the option is not exercised;

(ii) 'Reasonably predictable' and 'remaining economic life of the goods' are to be determined with reference to the facts and circumstances at the time the transaction is entered into; and

(iii) 'Present value' means the amount as of a date certain of one or more sums payable in the future, discounted to the date certain. The discount is determined by the interest rate specified by the parties if the rate is not manifestly unreasonable at the time the transaction is entered into; otherwise, the discount is determined by a commercially reasonable rate that takes into account the facts and circumstances of each case at the time the transaction was entered into."

Section 8. G.S. 25-2-103(3) reads as rewritten:

"(3) The following definitions in other articles apply to this article:

'Check.' G.S. 25-3-104.

'Consignee.' G.S. 25-7-102.

'Consignor.' G.S. 25-7-102.

'Consumer goods.' ~~G.S. 25-9-109.~~ G.S. 25-9-102.

'Dishonor.' ~~G.S. 25-3-507.~~ G.S. 25-3-502.

'Draft.' G.S. 25-3-104."

Section 9. G.S. 25-2-210 reads as rewritten:

"**§ 25-2-210. Delegation of performance; assignment of rights.**

~~(1) A party may perform his duty through a delegate unless otherwise agreed or unless the other party has a substantial interest in having his original promisor perform or control the acts required by the contract. No delegation of performance relieves the party delegating of any duty to perform or any liability for breach.~~

~~(2) Unless otherwise agreed all rights of either seller or buyer can be assigned except where the assignment would materially change the duty of the other party, or increase materially the burden or risk imposed on him by his contract, or impair materially his chance of obtaining return performance. A right to damages for breach of the whole contract, or a right arising out of the assignor's due performance of his entire obligation can be assigned despite agreement otherwise.~~

~~(3) Unless the circumstances indicate the contrary a prohibition of assignment of "the contract" is to be construed as barring only the delegation to the assignee of the assignor's performance.~~

~~(4) An assignment of "the contract" or of "all my rights under the contract" or an assignment in similar general terms is an assignment of rights and unless the language or the circumstances (as in an assignment for security) indicate the contrary, it is a delegation of performance of the duties of the assignor and its acceptance by the assignee constitutes a promise by him to perform those duties. This promise is enforceable by either the assignor or the other party to the original contract.~~

~~(5) The other party may treat any assignment which delegates performance as creating reasonable grounds for insecurity and may without prejudice to his rights against the assignor demand assurances from the assignee.~~

(1) A party may perform his duty through a delegate unless otherwise agreed or unless the other party has a substantial interest in having his original promisor perform or control the acts required by the contract. No delegation of performance relieves the party delegating of any duty to perform or any liability for breach.

(2) Except as otherwise provided in G.S. 25-9-406, unless otherwise agreed, all rights of either seller or buyer can be assigned except where the assignment would materially change the duty of the other party, or increase materially the burden or risk imposed on him by his contract, or impair materially his chance of obtaining return performance. A right to damages for breach of the whole contract or a right arising out of the assignor's due performance of his entire obligation can be assigned despite agreement otherwise.

(3) The creation, attachment, perfection, or enforcement of a security interest in the seller's interest under a contract is not a transfer that materially changes the duty of or increases materially the burden or risk imposed on the buyer or impairs materially the buyer's chance of obtaining return performance within the purview of subsection (2) of this section unless, and then only to the extent that, enforcement actually results in a delegation of material performance of the seller. Even in that event, the creation, attachment, perfection, and enforcement of the security interest remain effective, but (i) the seller is liable to the buyer for damages caused by the delegation to the extent that the damages could not reasonably be prevented by the buyer, and (ii) a court having jurisdiction may grant other appropriate relief,

including cancellation of the contract for sale or an injunction against enforcement of the security interest or consummation of the enforcement.

(4) Unless the circumstances indicate the contrary, a prohibition of assignment of 'the contract' is to be construed as barring only the delegation to the assignee of the assignor's performance.

(5) An assignment of 'the contract' or of 'all my rights under the contract' or an assignment in similar general terms is an assignment of rights and unless the language or the circumstances (as in an assignment for security) indicate the contrary, it is a delegation of performance of the duties of the assignor and its acceptance by the assignee constitutes a promise by him to perform those duties. This promise is enforceable by either the assignor or the other party to the original contract.

(6) The other party may treat any assignment which delegates performance as creating reasonable grounds for insecurity and may without prejudice to his rights against the assignor demand assurances from the assignee."

Section 10. G.S. 25-2-326 reads as rewritten:

"**§ 25-2-326. Sale on approval and sale or return; ~~consignment sales and~~ rights of creditors.**

~~(1) Unless otherwise agreed, if delivered goods may be returned by the buyer even though they conform to the contract, the transaction is~~

~~(a) a "sale on approval" if the goods are delivered primarily for use, and~~

~~(b) a "sale or return" if the goods are delivered primarily for resale.~~

~~(2) Except as provided in subsection (3), goods held on approval are not subject to the claims of the buyer's creditors until acceptance; goods held on sale or return are subject to such claims while in the buyer's possession.~~

~~(3) Where goods are delivered to a person for sale and such person maintains a place of business at which he deals in goods of the kind involved, under a name other than the name of the person making delivery, then with respect to claims of creditors of the person conducting the business the goods are deemed to be on sale or return. The provisions of this subsection are applicable even though an agreement purports to reserve title to the person making delivery until payment or resale or uses such words as "on consignment" or "on memorandum." However, this subsection is not applicable if the person making delivery~~

~~(a) complies with an applicable law providing for a consignor's interest or the like to be evidenced by a sign, or~~

~~(b) establishes that the person conducting the business is generally known by his creditors to be substantially engaged in selling the goods of others, or~~

~~(c) complies with the filing provisions of the article on secured transactions (article 9).~~

~~(4) Any "or return" term of a contract for sale is to be treated as a separate contract for sale within the statute of frauds section of this article (G.S. 25-2-201) and as contradicting the sale aspect of the contract within the provisions of this article on parol or extrinsic evidence (G.S. 25-2-202).~~

(1) Unless otherwise agreed, if delivered goods may be returned by the buyer even though they conform to the contract, the transaction is:

(a) a 'sale on approval' if the goods are delivered primarily for use, and

(b) a 'sale or return' if the goods are delivered primarily for resale.

(2) Goods held on approval are not subject to the claims of the buyer's creditors until acceptance; goods held on sale or return are subject to such claims while in the buyer's possession.

(3) Any 'or return' term of a contract for sale is to be treated as a separate contract for sale within the statute of frauds section of this article (G.S. 25-2-201) and as contradicting the sale aspect of the contract within the provisions of this article on parol or extrinsic evidence (G.S. 25-2-202)."

Section 11. G.S. 25-2-502 reads as rewritten:

"**§ 25-2-502. Buyer's right to goods on seller's repudiation, failure to deliver, or insolvency.**

~~(1) Subject to subsection (2) and even though the goods have not been shipped a buyer who has paid a part or all of the price of goods in which he has a special property under the provisions of the immediately preceding section [G.S. 25-2-501] may on making and keeping good a tender of any unpaid portion of their price recover them from the seller if the seller becomes insolvent within ten days after receipt of the first installment on their price.~~

~~(2) If the identification creating his special property has been made by the buyer he acquires the right to recover the goods only if they conform to the contract for sale.~~

(1) Subject to subsections (2) and (3) of this section and even though the goods have not been shipped, a buyer who has paid a part or all of the price of goods in which he has a special property under G.S. 25-2-501 may, on making and keeping good a tender of any unpaid portion of their price, recover them from the seller if:

a. in the case of goods bought for personal, family, or household purposes, the seller repudiates or fails to deliver as required by the contract; or

b. in all cases, the seller becomes insolvent within 10 days after receipt of the first installment on their price.

(2) The buyer's right to recover the goods under subdivision (1)a. of this section vests upon acquisition of a special property, even if the seller had not then repudiated or failed to deliver.

(3) If the identification creating his special property has been made by the buyer, he acquires the right to recover the goods only if they conform to the contract for sale."

Section 12. G.S. 25-2-716(3) reads as rewritten:

"(3) The buyer has a right of replevin for goods identified to the contract if after reasonable effort he is unable to effect cover for such goods or the circumstances reasonably indicate that such effort will be unavailing or if the goods have been shipped under reservation and satisfaction of the security interest in them has been made or tendered. In the case of goods bought for personal,

family, or household purposes, the buyer's right of replevin vests upon acquisition of a special property, even if the seller had not then repudiated or failed to deliver."

Section 13. G.S. 25-2A-103(3) reads as rewritten:

Section 14. G.S. 25-2A-303 reads as rewritten:

"§ 25-2A-303. Alienability of party's interest under lease contract or of lessor's residual interest in goods; delegation of performance; transfer of rights.

~~(1) As used in this section, "creation of a security interest" includes the sale of a lease contract that is subject to Article 9 of this Chapter, Secured Transactions, by reason of G.S. 25-9-102(1)(b).~~

~~(2) Except as provided in subsections (3) and (4) of this section, a provision in a lease agreement which (i) prohibits the voluntary or involuntary transfer, including a transfer by sale, sublease, creation, or enforcement of a security interest, or attachment, levy, or other judicial process, of an interest of a party under the lease contract or of the lessor's residual interest in the goods; or (ii) makes such a transfer an event of default, gives rise to the rights and remedies provided in subsection (5) of this section, but a transfer that is prohibited or is an event of default under the lease agreement is otherwise effective.~~

~~(3) A provision in a lease agreement which (i) prohibits the creation or enforcement of a security interest in an interest of a party under the lease contract or in the lessor's residual interest in the goods, or (ii) makes such a transfer an event of default, is not enforceable unless, and then only to the extent that, there is an actual transfer by the lessee of the lessee's right of possession or use of the goods in violation of the provision or an actual delegation of a material performance of either~~

~~party to the lease contract in violation of the provision. Neither the granting nor the enforcement of a security interest in (i) the lessor's interest under the lease contract or (ii) the lessor's residual interest in the goods is a transfer that materially impairs the prospect of obtaining return performance by, materially changes the duty of, or materially increases the burden or risk imposed on, the lessee within the purview of subsection (5) of this section unless, and then only to the extent that, there is an actual delegation of a material performance of the lessor.~~

~~(4) A provision in a lease agreement which (i) prohibits a transfer of a right to damages for default with respect to the whole lease contract or of a right to payment arising out of the transferor's due performance of the transferor's entire obligation, or (ii) makes such a transfer an event of default, is not enforceable, and such a transfer is not a transfer that materially impairs the prospect of obtaining return performance by, materially changes the duty of, or materially increases the burden or risk imposed on, the other party to the lease contract within the purview of subsection (5) of this section.~~

~~(5) Subject to subsections (3) and (4) of this section:~~

~~(a) if a transfer is made which is made an event of default under a lease agreement, the party to the lease contract not making the transfer, unless that party waives the default or otherwise agrees, has the rights and remedies described in G.S. 25-2A-501(2);~~

~~(b) if paragraph (a) is not applicable and if a transfer is made that (i) is prohibited under a lease agreement or (ii) materially impairs the prospect of obtaining return performance by, materially changes the duty of, or materially increases the burden or risk imposed on, the other party to the lease contract, unless the party not making the transfer agrees at any time to the transfer in the lease contract or otherwise, then, except as limited by contract, (i) the transferor is liable to the party not making the transfer for damages caused by the transfer to the extent that the damages could not reasonably be prevented by the party not making the transfer and (ii) a court having jurisdiction may grant other appropriate relief, including cancellation of the lease contract or an injunction against the transfer.~~

~~(6) A transfer of "the lease" or of "all my rights under the lease", or a transfer in similar general terms, is a transfer of rights and, unless the language or the circumstances, as in a transfer for security, indicate the contrary, the transfer is a delegation of duties by the transferor to the transferee. Acceptance by the transferee constitutes a promise by the transferee to perform those duties. The promise is enforceable by either the transferor or the other party to the lease contract.~~

~~(7) Unless otherwise agreed by the lessor and the lessee, a delegation of performance does not relieve the transferor as against the other party of any duty to perform or of any liability for default.~~

~~(8) In a consumer lease, to prohibit the transfer of an interest of a party under the lease contract or to make a transfer an event of default, the language must be specific, by a writing, and conspicuous.~~

(1) As used in this section, 'creation of a security interest' includes the sale of a lease contract that is subject to Article 9 of this Chapter, Secured Transactions, by reason of G.S. 25-9-109(a)(3).

(2) Except as provided in subsection (3) of this section and G.S. 25-9-407, a provision in a lease agreement which (i) prohibits the voluntary or involuntary transfer, including a transfer by sale, sublease, creation, or enforcement of a security interest, or attachment, levy, or other judicial process, of an interest of a party under the lease contract or of the lessor's residual interest in the goods; or (ii) makes such a transfer an event of default, gives rise to the rights and remedies provided in subsection (4) of this section, but a transfer that is prohibited or is an event of default under the lease agreement is otherwise effective.

(3) A provision in a lease agreement which (i) prohibits a transfer of a right to damages for default with respect to the whole lease contract or of a right to payment arising out of the transferor's due performance of the transferor's entire obligation, or (ii) makes such a transfer an event of default, is not enforceable, and such a transfer is not a transfer that materially impairs the prospect of obtaining return performance by, materially changes the duty of, or materially increases the burden or risk imposed on, the other party to the lease contract within the purview of subsection (4) of this section.

(4) Subject to subsection (3) of this section and G.S. 25-9-407:

(a) if a transfer is made which is made an event of default under a lease agreement, the party to the lease contract not making the transfer, unless that party waives the default or otherwise agrees, has the rights and remedies described in G.S. 25-2A-501(2);

(b) if paragraph (a) is not applicable and if a transfer is made that (i) is prohibited under a lease agreement or (ii) materially impairs the prospect of obtaining return performance by, materially changes the duty of, or materially increases the burden or risk imposed on, the other party to the lease contract, unless the party not making the transfer agrees at any time to the transfer in the lease contract or otherwise, then, except as limited by contract, (i) the transferor is liable to the party not making the transfer for damages caused by the transfer to the extent that the damages could not reasonably be prevented by the party not making the transfer and (ii) a court having jurisdiction may grant other appropriate relief, including cancellation of the lease contract or an injunction against the transfer.

(5) A transfer of 'the lease' or of 'all my rights under the lease', or a transfer in similar general terms, is a transfer of rights and, unless the language or the circumstances, as in a transfer for security, indicate the contrary, the transfer is a delegation of duties by the transferor to the transferee. Acceptance by the transferee

constitutes a promise by the transferee to perform those duties. The promise is enforceable by either the transferor or the other party to the lease contract.

(6) Unless otherwise agreed by the lessor and the lessee, a delegation of performance does not relieve the transferor as against the other party of any duty to perform or of any liability for default.

(7) In a consumer lease, to prohibit the transfer of an interest of a party under the lease contract or to make a transfer an event of default, the language must be specific, by a writing, and conspicuous."

Section 15. G.S. 25-2A-307 reads as rewritten:

"**§ 25-2A-307. Priority of liens arising by attachment or levy on, security interests in, and other claims to goods.**

~~(1) Except as otherwise provided in G.S. 25-2A-306, a creditor of a lessee takes subject to the lease contract.~~

~~(2) Except as otherwise provided in subsections (3) and (4) of this section and in G.S. 25-2A-306 and G.S. 25-2A-308, a creditor of a lessor takes subject to the lease contract unless:~~

~~(a) the creditor holds a lien that attached to the goods before the lease contract became enforceable;~~

~~(b) the creditor holds a security interest in the goods and the lessee did not give value and receive delivery of the goods without knowledge of the security interest; or~~

~~(c) the creditor holds a security interest in the goods which was perfected (G.S. 25-9-303) before the lease contract became enforceable.~~

~~(3) A lessee in the ordinary course of business takes the leasehold interest free of a security interest in the goods created by the lessor even though the security interest is perfected (G.S. 25-9-303) and the lessee knows of its existence.~~

~~(4) A lessee other than a lessee in the ordinary course of business takes the leasehold interest free of a security interest to the extent that it secures future advances made after the secured party acquires knowledge of the lease or more than 45 days after the lease contract becomes enforceable, whichever first occurs, unless the future advances are made pursuant to a commitment entered into without knowledge of the lease and before the expiration of the 45-day period.~~

(1) Except as otherwise provided in G.S. 25-2A-306, a creditor of a lessee takes subject to the lease contract.

(2) Except as otherwise provided in subsection (3) of this section and in G.S. 25-2A-306 and G.S. 25-2A-308, a creditor of a lessor takes subject to the lease contract unless the creditor holds a lien that attached to the goods before the lease contract became enforceable.

(3) Except as otherwise provided in G.S. 25-9-317, 25-9-321, and 25-9-323, a lessee takes a leasehold interest subject to a security interest held by a creditor of the lessor."

Section 16. G.S. 25-2A-309(1)(b) reads as rewritten:

"(b) a 'fixture filing' is the filing, in the office where a record of a mortgage on the real estate would be filed or recorded, of a financing statement covering goods that are or are to become fixtures and conforming to the requirements of ~~G.S. 25-9-402(5);~~ G.S. 25-9-502(a) and (b);"

Section 17. G.S. 25-4-208(c) reads as rewritten:

"(c) Receipt by a collecting bank of a final settlement for an item is a realization on its security interest in the item, accompanying documents, and proceeds. So long as the bank does not receive final settlement for the item or give up possession of the item or accompanying documents for purposes other than collection, the security interest continues to that extent and is subject to Article 9, but:

(1) No security agreement is necessary to make the security interest enforceable ~~(G.S. 25-9-203(1)(a);~~ (G.S. 25-9-203(b)(3)a.);

(2) No filing is required to perfect the security interest; and

(3) The security interest has priority over conflicting perfected security interests in the item, accompanying documents or proceeds."

Section 18. Article 5 of Chapter 25 of the General Statutes is amended by adding a new section to read:

"**§ 25-5-118. Security interest of issuer or nominated person.**

(a) An issuer or nominated person has a security interest in a document presented under a letter of credit to the extent that the issuer or nominated person honors or gives value for the presentation.

(b) So long as and to the extent that an issuer or nominated person has not been reimbursed or has not otherwise recovered the value given with respect to a security interest in a document under subsection (a) of this section, the security interest continues and is subject to Article 9 of this Chapter, but:

(1) A security agreement is not necessary to make the security interest enforceable under G.S. 25-9-203(b)(3);

(2) If the document is presented in a medium other than a written or other tangible medium, the security interest is perfected; and

(3) If the document is presented in a written or other tangible medium and is not a certificated security, chattel paper, a document of title, an instrument, or a letter of credit, the security interest is perfected and has priority over a conflicting security interest in the document so long as the debtor does not have possession of the document."

Section 19. G.S. 25-6-102 reads as rewritten:

"**§ 25-6-102. 'Bulk transfers'; transfers of equipment; enterprises subject to this article; bulk transfers subject to this article.**

(1) A 'bulk transfer' is any transfer in bulk and not in the ordinary course of the transferor's business of a major part of the materials, supplies, merchandise or other inventory ~~(G.S. 25-9-109)~~ (G.S. 25-9-102) of an enterprise subject to this article.

(2) A transfer of a substantial part of the equipment ~~(G.S. 25-9-109)~~ (G.S. 25-9-102) of such an enterprise is a bulk transfer if it is made in connection with a bulk transfer of inventory, but not otherwise.

(3) The enterprises subject to this article are all those whose principal business is the sale of merchandise from stock, including those who manufacture what they sell.

(4) Except as limited by ~~the following section [G.S. 25-6-103]~~ G.S. 25-6-103 all bulk transfers of goods located within this State are subject to this article."

Section 20. G.S. 25-7-503(1) reads as rewritten:

"(1) A document of title confers no right in goods against a person who before issuance of the document had a legal interest or a perfected security interest in them and who neither

(a) delivered or entrusted them or any document of title covering them to the bailor or his nominee with actual or apparent authority to ship, store or sell or with power to obtain delivery under this article (G.S. 25-7-403) or with power of disposition under this chapter (G.S. 25-2-403 and ~~25-9-307)~~ G.S. 25-9-320) or other statute or rule of law; nor

(b) acquiesced in the procurement by the bailor or his nominee of any document of title."

Section 21. G.S. 25-8-103(f) reads as rewritten:

"(f) A commodity contract, as defined in ~~G.S. 25-9-115,~~ G.S. 25-9-102(a)(15), is not a security or financial asset."

Section 22. G.S. 25-8-106 reads as rewritten:

"**§ 25-8-106. Control.**

(a) A purchaser has 'control' of a certificated security in bearer form if the certificated security is delivered to the purchaser.

(b) A purchaser has 'control' of a certificated security in registered form if the certificated security is delivered to the purchaser, and:

(1) The certificate is endorsed to the purchaser or in blank by an effective endorsement; or

(2) The certificate is registered in the name of the purchaser, upon original issue or registration of transfer by the issuer.

(c) A purchaser has 'control' of an uncertificated security if:

(1) The uncertificated security is delivered to the purchaser; or

(2) The issuer has agreed that it will comply with instructions originated by the purchaser without further consent by the registered owner.

(d) A purchaser has 'control' of a security entitlement if:

(1) The purchaser becomes the entitlement holder; ~~or~~

(2) The securities intermediary has agreed that it will comply with entitlement orders originated by the purchaser without further consent by the entitlement ~~holder.~~ holder; or

(3) Another person has control of the security entitlement on behalf of the purchaser or, having previously acquired control of the security entitlement, acknowledges that it has control on behalf of the purchaser.

(e) If an interest in a security entitlement is granted by the entitlement holder to the entitlement holder's own securities intermediary, the securities intermediary has control.

(f) A purchaser who has satisfied the requirements of ~~subdivision (c) (2) or (d) (2)~~ subsection (c) or (d) of this section has ~~control~~ control, even if the registered owner in the case of ~~subdivision (c) (2)~~ subsection (c) of this section or the entitlement holder in the case of ~~subdivision (d) (2)~~ subsection (d) of this section retains the right to make substitutions for the uncertificated security or security entitlement, to originate instructions or entitlement orders to the issuer or securities intermediary, or otherwise to deal with the uncertificated security or security entitlement.

(g) An issuer or a securities intermediary may not enter into an agreement of the kind described in subdivision (c) (2) or (d) (2) of this section without the consent of the registered owner or entitlement holder, but an issuer or a securities intermediary is not required to enter into such an agreement even though the registered owner or entitlement holder so directs. An issuer or securities intermediary that has entered into such an agreement is not required to confirm the existence of the agreement to another party unless requested to do so by the registered owner or entitlement holder."

Section 23. G.S. 25-8-110(e) reads as rewritten:

"~~(e) The following rules determine a 'securities intermediary's jurisdiction' for purposes of this section:~~

~~(1) If an agreement between the securities intermediary and its entitlement holder specifies that it is governed by the law of a particular jurisdiction, that jurisdiction is the securities intermediary's jurisdiction.~~

~~(2) If an agreement between the securities intermediary and its entitlement holder does not specify the governing law as provided in subdivision (1) of this subsection, but expressly specifies that the securities account is maintained at an office in a particular jurisdiction, that jurisdiction is the securities intermediary's jurisdiction.~~

~~(3) If an agreement between the securities intermediary and its entitlement holder does not specify a jurisdiction as provided in subdivision (1) or (2) of this subsection, the securities intermediary's jurisdiction is the jurisdiction in which is located the office identified in an account statement as the office serving the entitlement holder's account.~~

~~(4) If an agreement between the securities intermediary and its entitlement holder does not specify a jurisdiction as provided in subdivision (1) or (2) of this subsection and an account statement does not identify an office serving the entitlement holder's account as provided in subdivision (3) of this subsection, the securities intermediary's jurisdiction is the jurisdiction in which is located the chief executive office of the securities intermediary.~~

(e) The following rules determine a 'securities intermediary's jurisdiction' for purposes of this section:

(1) If an agreement between the securities intermediary and its entitlement holder governing the securities account expressly provides that a particular jurisdiction is the securities intermediary's jurisdiction for purposes of this Part, this Article, or this Chapter, that jurisdiction is the securities intermediary's jurisdiction.

(2) If subdivision (1) of this subsection does not apply and an agreement between the securities intermediary and its entitlement holder governing the securities account expressly provides that the agreement is governed by the law of a particular jurisdiction, that jurisdiction is the securities intermediary's jurisdiction.

(3) If neither subdivision (1) nor subdivision (2) of this section applies and an agreement between the securities intermediary and its entitlement holder governing the securities account expressly provides that the securities account is maintained at an office in a particular jurisdiction, that jurisdiction is the securities intermediary's jurisdiction.

(4) If none of the preceding subdivisions applies, the securities intermediary's jurisdiction is the jurisdiction in which the office identified in an account statement as the office serving the entitlement holder's account is located.

(5) If none of the preceding subdivisions applies, the securities intermediary's jurisdiction is the jurisdiction in which the chief executive office of the securities intermediary is located."

Section 24. G.S. 25-8-301(a) reads as rewritten:

"(a) Delivery of a certificated security to a purchaser occurs when:

(1) The purchaser acquires possession of the security certificate;

(2) Another person, other than a securities intermediary, either acquires possession of the security certificate on behalf of the purchaser or, having previously acquired possession of the certificate, acknowledges that it holds for the purchaser; or

(3) A securities intermediary acting on behalf of the purchaser acquires possession of the security certificate, only if the certificate is in registered form and ~~has been~~ is (i) registered in the name of the purchaser, (ii) payable to the order of the purchaser, or (iii) specially indorse to the purchaser by an effective ~~indorsement.~~ indorsement and has not been indorsed to the securities intermediary or in blank."

Section 25. G.S. 25-8-302(a) reads as rewritten:

"(a) Except as otherwise provided in subsections (b) and (c) of this section, ~~upon delivery~~ a purchaser of a certificated or uncertificated security ~~to a purchaser, the~~

~~purchaser~~ acquires all rights in the security that the transferor had or had power to transfer."

Section 26. G.S. 25-8-510 reads as rewritten:

"**§ 25-8-510. Rights of purchaser of security entitlement from entitlement holder.**

(a) ~~An~~ In a case not covered by the priority rules in Article 9 of this Chapter or the rules stated in subsection (c) of this section, an action based on an adverse claim to a financial asset or security entitlement, whether framed in conversion, replevin, constructive trust, equitable lien, or other theory, may not be asserted against a person who purchases a security entitlement, or an interest therein, from an entitlement holder if the purchaser gives value, does not have notice of the adverse claim, and obtains control.

(b) If an adverse claim could not have been asserted against an entitlement holder under G.S. 25-8-502, the adverse claim cannot be asserted against a person who purchases a security entitlement, or an interest therein, from the entitlement holder.

(c) In a case not covered by the priority rules in ~~Article 9,~~ Article 9 of this Chapter, a purchaser for value of a security entitlement, or an interest therein, who obtains control has priority over a purchaser of a security entitlement, or an interest therein, who does not obtain control. ~~Purchasers~~ Except as otherwise provided in subsection (d) of this section, purchasers who have control rank ~~equally, except that a~~ according to priority in time of:

(1) The purchaser's becoming the person for whom the securities account, in which the security entitlement is carried, is maintained, if the purchaser obtained control under G.S. 25-8-106(d)(1);

(2) The securities intermediary's agreement to comply with the purchaser's entitlement orders with respect to security entitlements carried or to be carried in the securities account in which the security entitlement is carried, if the purchaser obtained control under G.S. 25-8-106(d)(2); or

(3) If the purchaser obtained control through another person under G.S. 25-8-106(d)(3), the time on which priority would be based under this subsection if the other person were the secured party.

(d) A securities intermediary as purchaser has priority over a conflicting purchaser who has control unless otherwise agreed by the securities intermediary."

PART III. CONFORMING AMENDMENTS TO OTHER SECTIONS OF THE GENERAL STATUTES.

Section 27. G.S. 6-21.2(5) reads as rewritten:

"(5) The holder of an unsecured note or other writing(s) evidencing an unsecured debt, and/or the holder of a note and chattel mortgage or other security agreement and/or the holder of a conditional sale contract or any other such security agreement which evidences both a monetary obligation and a security interest in or a lease of specific goods, or his attorney at law, shall, after maturity of the obligation by default or otherwise, notify the maker, debtor,

account debtor, endorser or party sought to be held on said obligation that the provisions relative to payment of attorneys' fees in addition to the "outstanding balance" shall be enforced and that such maker, debtor, account debtor, endorser or party sought to be held on said obligation has five days from the mailing of such notice to pay the "outstanding balance" without the attorneys' fees. If such party shall pay the "outstanding balance" in full before the expiration of such time, then the obligation to pay the attorneys' fees shall be void, and no court shall enforce such provisions.

Notwithstanding the foregoing, however, if debtor has defaulted or violated the terms of the security agreement and has refused, on demand, to surrender possession of the collateral to the secured party as authorized by ~~§ 25-9-503,~~ G.S. 25-9-609, with the result that said secured party is required to institute an ancillary claim and delivery proceeding to secure possession of said collateral; no such written notice shall be required before enforcement of the provisions relative to payment of attorneys' fees in addition to the "outstanding balance."

Section 28. G.S. 20-28.2(f)(5) reads as rewritten:

"(5) The lienholder agrees to sell the motor vehicle in accordance with the terms of its agreement and pursuant to the provisions of ~~Part 5~~ Part 6 of Article 9 of Chapter 25 of the General Statutes. Upon the sale of the motor vehicle, the lienholder will pay to the clerk of court of the county in which the vehicle was forfeited all proceeds from the sale, less the amount of the lien in favor of the lienholder, and any towing and storage costs paid by the lienholder."

Section 29. G.S. 20-28.3(e3)(1) reads as rewritten:

"(1) A lienholder may file a petition with the clerk of court requesting the court to order pretrial release of a seized motor vehicle. The lienholder shall serve a copy of the petition on all interested parties which shall include the registered owner, the titled owner, the district attorney, and the county board of education attorney. Upon 10 days' prior notice of the date, time, and location of the hearing sent by the lienholder to all interested parties, a judge, after a hearing, shall order a seized motor vehicle released to the lienholder conditioned upon payment of all towing and storage costs incurred as a result of the seizure and impoundment of the motor vehicle if the judge determines, by the greater weight of the evidence, that:

a. Default on the obligation secured by the motor vehicle has occurred;

b. As a consequence of default, the lienholder is entitled to possession of the motor vehicle;

c. The lienholder agrees to sell the motor vehicle in accordance with the terms of its agreement and pursuant to the provisions of ~~Part 5~~ Part 6 of Article 9 of Chapter 25 of the General Statutes. Upon sale of the motor vehicle, the lienholder will pay to the clerk of court of the county in which the driver was charged all proceeds from the sale, less the amount of the lien in favor of the lienholder, and any towing and storage costs paid by the lienholder;

d. The lienholder agrees not to sell, give, or otherwise transfer possession of the seized motor vehicle while the motor vehicle is subject to forfeiture, or the forfeited motor vehicle after the forfeiture hearing, to the defendant or the motor vehicle owner; and

e. The seized motor vehicle while the motor vehicle is subject to forfeiture, or the forfeited motor vehicle after the forfeiture hearing, had not previously been released to the lienholder as a result of a prior seizure involving the same defendant or motor vehicle owner."

Section 30. G.S. 20-58.8 reads as rewritten:

"§ 20-58.8. Applicability of §§ 20-58 to 20-58.8; use of term 'lien'.

~~(a) The provisions of G.S. 20-58 through 20-58.8 apply to the perfection of security interests pursuant to G.S. 25-9-302.~~

(b) The provisions of G.S. 20-58 through 20-58.8 inclusive shall not apply to or affect:

(1) A lien given by statute or rule of law for storage of a motor vehicle or to a supplier of services or materials for a vehicle;

(2) A lien arising by virtue of a statute in favor of the United States, this State or any political subdivision of this State; or

(3) A security interest in a vehicle created by a manufacturer or by a dealer in new or used vehicles who holds the vehicle in his inventory. ~~Such security interests shall be perfected by filing a financing statement under Article 9 of the Uniform Commercial Code.~~

(c) When the term "lien" is used in other sections of this Chapter, or has been used prior to October 1, 1969, with reference to transactions governed by G.S. 20-58 through 20-58.8, to describe contractual agreements creating security interests in personal property, the term "lien" shall be construed to refer to a "security interest" as the term is used in G.S. 20-58 through 20-58.8 and the Uniform Commercial Code."

Section 31. G.S. 25A-16 reads as rewritten:

"§ 25A-16. Transfer of equity.

If a buyer voluntarily transfers his rights in collateral pursuant to ~~G.S. 25-9-311~~ applicable law and the seller agrees, the seller may impose a transfer fee not to

exceed ten percent (10%) of the unpaid balance of the debt or thirty-five dollars ($35.00), whichever is less."

Section 32. G.S. 25A-22(b) reads as rewritten:

"(b) Upon the payment of all sums for which the buyer is obligated under a consumer credit sale, the seller shall promptly release any security interest in accordance with the terms of ~~G.S. 25-9-404~~ G.S. 25-9-513 or G.S. 20-58.4, whichever is applicable. In the event a security interest in real property is involved, the seller shall take such action as is necessary to enable the lien to be discharged of record under the provisions of G.S. 45-37."

Section 33. G.S. 44-68.14(a)(1) reads as rewritten:

"(1) The Secretary of State, he shall cause the notice to be ~~marked, held, and indexed~~ numbered, maintained, and indexed in accordance with ~~the provisions of G.S. 25-9-403(4),~~ G.S. 25-9-519, as if the notice were a financing statement within the meaning of the Uniform Commercial Code, Chapter 25 of the General Statutes; or".

Section 34. G.S. 44-68.14(b) reads as rewritten:

"(b) If a certificate of release, nonattachment, discharge, or subordination of any lien is presented to the Secretary of State for filing he shall cause:

(1) A record of a certificate of release or nonattachment to be ~~marked, held, and indexed~~ numbered, maintained, and indexed as if a record of the certificate were a termination statement within the meaning of the Uniform Commercial Code, Chapter 25 of the General Statutes, but the record of the notice of lien to which the certificate relates may not be removed from the files; and

(2) A record of a certificate of discharge or subordination to be ~~marked, held, and indexed~~ numbered, maintained, and indexed as if the record of the certificate were a release of collateral within the meaning of the Uniform Commercial Code, Chapter 25 of the General Statutes."

Section 35. G.S. 47-20(b)(1) reads as rewritten:

"(1) 'Rents, issues, or profits' means all amounts payable by or on behalf of any lessee, tenant, or other person having a possessory interest in real estate on account of or pursuant to any written or oral lease or other instrument evidencing a possessory interest in real property or pursuant to any form of tenancy implied by law, and all amounts payable by or on behalf of any licensee or permittee or other person occupying or using real property under license or permission from the owner or person entitled to possession. The term shall not include farm products as defined in ~~G.S. 25-9-109(3),~~ G.S. 25-9-102(34), timber, the proceeds from the sale of farm products or timber, or the proceeds from the recovery or severance of any mineral deposits located on or under real property."

Section 36. G.S. 53-177 reads as rewritten:

"**§ 53-177. Recording fees.**

The licensee may collect from the borrower the amount of any fees necessary to file or record its security interest with any public official or agency of a county or the State as may be required pursuant to ~~G.S. 25-9-302 et seq.~~ Article 9 of Chapter 25 of the General Statutes or G.S. 20-58 **et seq.** Upon full disclosure to the borrower on how the fees will be applied, such fees may either (i) be paid by the licensee to such public official or agency of the county or State, or (ii) in lieu of recording or filing, applied by the licensee to purchase nonfiling or nonrecording insurance on the instrument securing the loan, or (iii) be retained by a licensee that elects to self insure against the loss of a security interest by reason of not filing or recording its security instrument: Provided, however, the amount collected by the licensee from the borrower for the purchase of a nonfiling or nonrecording insurance policy, or for self insurance, shall be the premium amount for such insurance as fixed by the Commissioner of Insurance. Such premium shall be at least one dollar ($1.00) less than the cost of recording or filing a security interest. Provided further, a licensee shall not collect or permit to be collected any notary fee in connection with any loan made under this Article, nor may a licensee collect any fee from the borrower for the cost of releasing a security interest except such fee as actually paid to any public official or agency of the county or State for such purpose."

Section 37. G.S. 63A-11(e) reads as rewritten:

"(e) ~~The provisions of G.S. 25-9-104(e) and G.S. 25-9-302(6) to the contrary notwithstanding, the provisions of Article 9 of the North Carolina Uniform Commercial Code, G.S. 25-9-101 to G.S. 25-9-607 inclusive, shall apply to transactions under this section, but not to transactions involving the issuance of bonds for airport projects, to the same extent the provisions of Article 9 would apply were G.S. 25-9-104(e) and G.S. 25-9-302(6) repealed.~~ Article 9 of Chapter 25 of the General Statutes applies to transactions under this section but not to transactions involving the issuance of bonds for airport projects."

Section 38. G.S. 75A-41 reads as rewritten:

"**§ 75A-41. Security interests subsequently created.**

~~Security interests, other than a security interest in inventory held for sale to be perfected only as provided in G.S. 25-9-301 to G.S. 25-9-408,~~ Except for security interests in watercraft that are inventory held for sale, security interests created in watercraft by the voluntary act of the owner after the original issue of title to the owner must be shown on the certificate of title. In such cases, the owner shall file an application with the Commission on a blank furnished for that purpose, setting forth the security interests and other information as the Commission requires. The Commission, if satisfied that it is proper that the same be recorded and upon surrender of the certificate of title covering the watercraft, shall thereupon issue a new certificate of title showing their security interests in the order of the priority according to the date of the filing of the application. For the purpose of recording the subsequent security interest, the Commission may require any secured party to deliver the certificate of title to the Commission. The newly issued certificate shall

be sent or delivered to the secured party from whom the prior certificate was obtained."

Section 39. G.S. 75A-42 reads as rewritten:

"**§ 75A-42. Certificate as notice of security interest.**

A certificate of title, when issued by the Commission showing a security interest, shall be deemed adequate notice to the State, creditors, and purchasers that a security interest in the watercraft exists and the recording or filing of the creation or reservation of a security interest in the county or city wherein the purchaser or debtor resides or elsewhere is not necessary and shall not be required. Watercraft, other than those that are inventory held for sale, for which a certificate of title is currently in ~~effect,~~ effect shall be exempt from the provisions of ~~G.S. 25-9-302, 25-9-304, 25-9-307, 25-9-309, 25-9-312, 25-9-318, and 25-9-401 to 25-9-408~~ G.S. 25-9-309, 25-9-310, 25-9-312, 25-9-320, 25-9-322, 25-9-323, 25-9-324, 25-9-331, 25-9-404, 25-9-405, 25-9-406, and 25-9-501 to 25-9-526 for so long as the certificate of title remains in effect."

Section 40. G.S. 75A-44 reads as rewritten:

"**§ 75A-44. Priority of security interests shown on certificates.**

~~The security interests, except security interests in watercraft which are inventory held for sale and which are perfected under G.S. 25-9-301 to 25-9-408,~~ Except for security interests in watercraft that are inventory held for sale, security interests shown upon the certificates of title issued by the Commission pursuant to applications for certificates shall have priority over any other liens or security interests against the watercraft however created and recorded, except for a mechanics lien for repairs, provided that the mechanic furnishes the holder of any recorded lien who may request it with an itemized sworn statement of the work done and materials supplied for which the lien is claimed."

Section 41. G.S. 143B-456.1(f) reads as rewritten:

"(f) ~~The provisions of G.S. 25-9-104(e) and G.S. 25-9-302(6) to the contrary notwithstanding, the provisions of Article 9 of the North Carolina Uniform Commercial Code, being G.S. 25-9-101 to G.S. 25-9-607, inclusive, shall apply to transactions under this section to the same extent the provisions of such Article 9 would apply were G.S. 25-9-104(e) and G.S. 25-9-302(6) hereby repealed.~~ Article 9 of Chapter 25 of the General Statutes applies to transactions under this section."

Section 42. G.S. 159C-28 reads as rewritten:

"**§ 159C-28. Application of the U.C.C.**

~~The provisions of G.S. 25-9-104(e) and 25-9-302(6) to the contrary notwithstanding, the provisions of Article 9 of the North Carolina Uniform Commercial Code, being G.S. 25-9-101 to 25-9-607, inclusive, shall apply to transactions under Chapter 159C to the same extent the provisions of such Article 9 would apply were G.S. 25-9- 104(e) and 25-9-302(6) hereby repealed.~~ Article 9 of Chapter 25 of the General Statutes applies to transactions under this Chapter."

Section 43. G.S. 159D-23 reads as rewritten:

"**§ 159D-23. Application of Article 9 of Chapter 25.**

~~The provisions of G.S. 25-9-104(e) and 25-9-302(6) to the contrary notwithstanding, the provisions of Article 9 of North Carolina Uniform Commercial Code, being G.S. 25-9-101 to 25-9-607, inclusive, shall apply [to] transactions under this Chapter 159D to the same extent the provisions of such Article 9 would apply were G.S. 25-9-104(e) and 25-9-302(6) hereby repealed.~~ Article 9 of Chapter 25 of the General Statutes applies to transactions under this Chapter."

Section 44. G.S. 161-10(a)(13) reads as rewritten:

"(13) Uniform Commercial Code. -- Such fees as are provided for in Chapter 25, Article 9, ~~Part 4,~~ Part 5, of the General Statutes."

PART IV. UCC ARTICLE 9 FILING FEES INCREASE.

Section 45. G.S. 25-9-403(5) reads as rewritten:

"(5) The uniform fee for filing and indexing and for stamping a copy furnished by the secured party to show the date and place of filing for an original financing statement or for a continuation statement is ~~fifteen dollars ($15.00).~~ thirty dollars ($30.00)."

Section 46. G.S. 25-9-405 reads as rewritten:

"**§ 25-9-405. Assignment of security interest; duties of filing officer; fees.**

(1) A financing statement may disclose an assignment of a security interest in the collateral described in the financing statement by indication in the financing statement of the name and address of the assignee or by an assignment itself or a copy thereof on the face or back of the statement. On presentation to the filing officer of such a financing statement the filing officer shall mark the same as provided in G.S. 25-9-403(4). The uniform fee for filing, indexing, and furnishing filing data for a financing statement so indicating an assignment is ~~fifteen dollars ($15.00).~~ thirty dollars ($30.00).

(2) A secured party may assign of record all or part of his rights under a financing statement by the filing in the place where the original financing statement was filed of a separate written statement of assignment signed by the secured party of record and setting forth the name of the secured party of record and the debtor, the file number and also the most current file number if it has been continued and the date of filing of the financing statement and the name and address of the assignee and containing a description of the collateral assigned. A copy of the assignment is sufficient as a separate statement if it complies with the preceding sentence. On presentation to the filing officer of such a separate statement, the filing officer shall mark such separate statement with the date and hour of the filing. He shall note the assignment on the Uniform Commercial Code index of the financing statement, and in the case of a fixture filing, or a filing covering timber to be cut, or covering minerals or the like (including oil and gas) or accounts subject to subsection (5) of G.S. 25-9-103, he shall index in the real estate index the assignment under the name of the assignor as grantor and, to the extent that the law of this State provides for indexing the assignment of a mortgage under the name of the assignee, he shall index the assignment of the financing statement under the name of the assignee. The uniform fee for filing, indexing, and furnishing filing data about such a separate statement of

assignment is ~~fifteen dollars ($15.00).~~ thirty dollars ($30.00). Notwithstanding the provisions of this subsection, an assignment of record of a security interest in a fixture contained in a mortgage effective as a fixture filing (subsection (6) of G.S. 25-9-402) may be made only by an assignment of the mortgage in the manner provided by the law of the State other than this Chapter.

(3) After the disclosure or filing of an assignment under this section, the assignee is the secured party of record."

Section 47. G.S. 25-9-406 reads as rewritten:

"**§ 25-9-406. Release of collateral; duties of filing officer; fees.**

A secured party of record may, by his signed statement, release all or a part of any collateral described in a filed financing statement. The statement of release is sufficient if it contains a description of the collateral being released, the name and address of the debtor, the name and address of the secured party, and the file number of the financing statement. A statement of release signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed by the secured party of record and complying with subsection (2) of G.S. 25-9-405, including payment of the required fee. Upon presentation of such a statement of release to the filing officer he shall mark the statement with the hour and date of filing and shall note the same upon the margin of the index of the filing of the financing statement. The uniform fee for filing and noting such a statement of release is ~~fifteen dollars ($15.00).~~ thirty dollars ($30.00)."

Section 48. G.S. 25-9-407 reads as rewritten:

"**§ 25-9-407. Information from filing officer.**

(1) If the person filing any financing statement, termination statement, statement of assignment or statement of release furnishes the filing officer a copy thereof, the filing officer shall upon request note upon the copy the file number and date and hour of the filing of the original and deliver or send the copy to such person.

(2) Upon request of any person, the filing officer shall issue his certificate for which he shall not be liable showing whether there is on file, on the date and hour stated therein, any presently effective financing statement naming a particular debtor and any statement of assignment thereof and if there is, giving the date and hour of filing of each such statement and the names and addresses of each secured party therein. The uniform fee for such a certificate shall be ~~fifteen dollars ($15.00).~~ thirty dollars ($30.00). Where the Uniform Commercial Code index has been automated, the filing officer shall issue a computer printout of the index entries for a particular debtor for a fee of ~~fifteen dollars ($15.00).~~ thirty dollars ($30.00). Upon request the filing officer shall furnish a copy of any filed financing statement or statement of assignment for a uniform fee of one dollar ($1.00) per page."

PART V. DIRECTIONS AND EFFECTIVE DATE.

Section 49. The Revisor of Statutes shall cause to be printed along with this act all relevant portions of the official comments to the Uniform Commercial Code, Revised Article 9 and conforming amendments to Articles 1, 2, 2A, 4, 5, 6, 7,

and 8 and all explanatory comments of the drafters of this act as the Revisor deems appropriate.

Section 50. The Department of the Secretary of State shall study the issue of fraudulent filings under Article 9 of Chapter 25 of the General Statutes that are intended to hinder, harass, delay, or otherwise interfere with public employees in the performance of their lawful duties. The Department shall report to the General Assembly by January 1, 2001, with any recommendations which may include the creation of civil or criminal sanctions or remedies related to these filings.

Section 51. Parts I, II, and III of this act become effective July 1, 2001. Part IV of this act becomes effective September 1, 2000, and applies to fees paid on or after that date. The remainder of this act is effective when it becomes law.

MEMORANDUM

TO: House Finance Committee

FROM: General Statutes Commission

DATE: June 28, 2000

RE: **Senate Bill 1305 (Revise Article 9 of the UCC)**

Senate Bill 1305 is based on Uniform Commercial Code Revised Article 9 (Secured Transactions), which was approved in 1998 and amended in 1999 by the National Conference of Commissioners on Uniform State Laws in conjunction with the American Law Institute to update the statutory framework that governs security interests in personal property and fixtures. Revised Article 9 expands the scope of property and transactions covered by current Article 9, modifies as well as creates definitions, modernizes the filing system for financing statements, simplifies methods of perfection and increases the certainty of priority rules, formulates clearer rules for the enforcement of security interests, and provides specific transition rules. About 25 states have already enacted Revised Article 9 to become effective on the uniform effective date of July 1, 2001.

Senate Bill 1305 consists of five parts. Part I is based on Revised Article 9. Part II makes conforming amendments to other articles of the Uniform Commercial Code. Part III makes conforming and clarifying amendments to other sections of the General Statutes. Part IV increases certain fees in current Article 9 from $15.00 to $30.00 to provide revenue for use in the implementation of Revised Article 9. Part V authorizes the printing of drafters' comments, provides a delayed effective date of September 1, 2000, for the increases in current fees, and provides a delayed effective date of July 1, 2001, for Revised Article 9 and the conforming and clarifying amendments. The Senate amended Part V to authorize the Secretary of State to "study the issue of fraudulent filings under Article 9 of Chapter 25 of the General Statutes that are intended to hinder, harass, delay or otherwise interfere with public employees in the performance of their lawful duties" and to report to the General Assembly by January 1, 2001.

Revised Article 9 supports commerce by reducing costs and uncertainty of financing personal property, including the modern form of asset securitization. It accomplishes this by, among other things:

- Scope and definitional provisions that bring within Revised Article 9 several kinds of collateral formerly left to the uncertainties of common law, e.g., health care receivables, deposit accounts in nonconsumer transactions, commercial tort claims, and proceeds which are stock dividends and licensing royalties. Revised Article 9 also applies to the perfection and priority of agricultural liens.

- Filing rules that require only one filing for each debtor in most financing transactions, no matter how many items or kinds of collateral are involved. Revised Article 9 provides for central filing in the Secretary of State's office for filings other than fixture filings and filings with respect to timber to be cut and "as-extracted collateral", which will continue to be filed in the register of deeds' office.

- Requiring most filings to be made at the location of the debtor, e.g., state of formation for a registered entity, rather than where the collateral is located. Thus the filer knows just where to file and the searcher knows exactly where to look.

- Timing standards for performance by filing offices.

- Vastly simplified rules that determine which state's law controls.

- Simplified formalities such as allowing electronic "signatures" on the security agreement and permitting very broad description of collateral in filings.

- Facilitation of electronic filing by providing uniform statutory forms for filing and eliminating the requirement that the debtor sign an authorized financing statement.

- Providing for perfection by "control" rather than filing or possession of collateral, for deposit accounts, letter of credit rights, and electronic chattel paper as well as investment property.

- Priority and foreclosure rules that settle existing uncertainties and enhance purchase money security.

- Elimination of North Carolina's nonuniform Part 6 (Public Sale Procedures) of current UCC Article 9 and providing a uniform "safe harbor" form for giving notice to the debtor of a private or public foreclosure sale.

- Additional protection of consumer debtors in foreclosure by additional disclosure requirements.

- Transition rules that provide detailed guidelines, including time frames, for creditors whose security interests are already perfected under existing law. Under these rules, creditors will be able to determine when and how they must act to continue, amend or terminate perfection.

These and other changes made by Revised Article 9 eliminate much risk and cost associated with secured financing. North Carolina's prestige as a major banking and financial center makes passage in time for the uniform effective date of July 1, 2001, extremely urgent.

The strategy of Revised Article 9 is to create a nationwide mechanism for secured transactions. For this reason, uniformity is more than usually important. However, some variations of a local nature have seemed advisable, which include:

- Incorporating Revised Article 9's optional set of model provisions for priority of production-money security interests in crops.

- Providing that Revised Article 9's provisions, which render ineffective any legal restrictions on the assignment of rights to payment, do not apply to certain specified statutory restrictions on assignments, e.g., structured settlement payment rights, workers' compensation claims, and crime victims award payments.

- Postponing to January 1, 2003, the date after which filings in the Secretary of State's office are required to have assigned file numbers that include a verification number, commonly known as a "check digit".

- Changing from two business days to three business days the time period in which filing offices are required to perform the duties imposed by §§ 25-9-519 and 25-9-523 and providing a delayed effective date of January 1, 2003, for compliance with the time period.

- Requiring a filing office to communicate its refusal to accept a record for filing within three business days rather than two business days after receipt of the record.

- Bringing forward the current nonliability provision for the information communicated by a filing office in responding to a request for information.

- Deleting the requirement that filing offices make copies of all filed records available to the public because the public records law already covers access to these records.

- Deleting the provision for an increased fee for filing and indexing a record of a mortgage as an initial financing statement where the financing statement indicates that it is filed in connection with either a public-finance transaction or a manufactured-home transaction.

- Deleting the requirement of an annual report to the Governor and the Legislature on filing office operations.

- Providing that a financing statement filed before July 1, 2001, may be terminated only by filing in the office specified in § 25-9-501. (§ 25-9-706(c)).

WHY STATES SHOULD ADOPT UNIFORM COMMERCIAL CODE ARTICLE 9 - SECURED TRANSACTIONS

Trillions of dollars of commercial and consumer credit are granted each year in secured transactions under Article 9 of the Uniform Commercial Code -- a manufacturer finances the acquisition of machinery and raw materials, a retailer finances inventory, a consumer finances furniture for a new house. The manufacturer, the retailer, and the consumer all depend upon Article 9 of the Uniform Commercial Code to make it possible for them to obtain the credit they need. Their creditors get assurance, in the form of the collateral that secures the granting of credit, that it will cushion the risk of default in the event the debtor does not pay the debt. Article 9 of the Uniform Commercial Code is absolutely necessary to economic function in the United States. It is the crankshaft for the American economic engine, and it is the envy of the rest of the world, which often struggles with the mechanics of credit granting and enforcement of creditor's rights.

Major revisions to Article 9 were completed in 1998. These revisions bring Article 9 into the 21st Century. There are many reasons that Revised Article 9 should be adopted in every state.

Technology. Paper-based transactions are giving way to electronic transactions. Revised Article 9 makes way for this revolution.

Volume. Article 9 was first proposed in 1951. Its last update was in 1972. Since 1972 the volume of commerce and the volume of credit has increased exponentially. Volume of secured transactions increases proportionately and directly with increase in economic activity in the United States. *The filing system revisions are particularly necessary to meet the problem of increased volume.*

New Collateral. New kinds of property and transactions have been developed since Article 9 was last amended. The *scope* of Article 9 expands to keep up and the 1998 revisions meet the needs for collateral into the new millennium. Examples of specific new collateral are deposit accounts and health insurance receivables.

Certainty of Perfection. Uncertainties about where to perfect a security interest under old Article 9 are overcome by the new basic rule in the 1998 revisions that makes the location of the debtor the place where the creditor will perfect the security interest.

New Liens. Statutory, non-possessory liens have proliferated since Article 9 was originally approved. Such liens represent a risk for creditors, and a potential conflict with security interests in collateral, if there is no public notice of their existence. Article 9 includes certain statutory, non-possessory liens for the purposes of providing public notice and setting priorities between creditors.

Clarification of Rules. Over time, provisions of Article 9 have been interpreted by courts, sometimes in conflicting ways. Some decisions deal with issues that were not expressly addressed in original Article 9. The result is ambiguity in the application of some rules. The revisions to Article 9 address and cure the accrued ambiguity problems.

Consumer Impact. Revised Article 9 addresses consumer issues that were not addressed in original Article 9.

Commitment to Uniformity. Amendments to Article 9 from state to state have created differences that impair interstate transactions. The revisions address specific kinds of secured transactions in oil and gas and agriculture in an effort to re-establish uniformity of law governing these kinds of transactions.

UNIFORM COMMERCIAL CODE
REVISED ARTICLE 9, SECURED TRANSACTIONS (1998)

- A Summary -

The Uniform Commercial Code has eleven substantive articles. Article 9, Secured Transactions, may be the most important of the eleven. Article 9 provides the rules governing any transaction (other than a finance lease) that couples a debt with a creditor's interest in a debtor's personal property. If the debtor defaults, the creditor may repossess and sell the property (generally called collateral) to satisfy the debt. The creditor's interest is called a "security interest." Article 9 also covers certain kinds of sales that look like a grant of a security interest.

The operation of Article 9 appears deceptively simple. There are two key concepts: "attachment" and "perfection." These terms describe the two key events in the creation of a "security interest." Attachment generally occurs when the security interest is effective between the creditor and the debtor, and that usually happens when their agreement provides that it take place. Perfection occurs when the creditor establishes his or her "priority" in relation to other creditors of the debtor in the same collateral. The creditor with "priority" may use the collateral to satisfy the debtor's obligation when the debtor defaults before other creditors subsequent in priority may do so. Perfection occurs usually when a "financing statement" is filed in the appropriate public record. Generally, the first to file has the first priority, and so on.

Article 9 relies on the public record because it provides the means for creditors to determine if there is any security interest that precedes theirs—a notice function. A subsequent secured creditor cannot complain that his or her grant of credit was made in ignorance of the prior security interests easily found in the public record, and cannot complain of the priority of the prior interests as a result. Every secured creditor has a priority over any unsecured creditor.

The somewhat simple description in the prior paragraphs should not mislead anyone. Article 9 is not simple. There are substantial exceptions to the above-stated perfection rule, for example. Filing is not the only method for perfection. Much depends upon the kind of property that is collateral. Possession of collateral by the secured party is an alternative method of perfection for many kinds of collateral. For some kinds of property, control (a defined term) either perfects the interest or provides a better priority than filing does. There are kinds of transactions for which attachment is perfection. Priority is, also, not always a matter of perfecting a security interest first in time.

The following numbered topics highlight Article 9 as revised in 1998. They are not a treatise on Revised Article 9, but are a schematic summary of its relevant changes.

1. **The Scope Issue.** The 1998 revision expands the "scope" of Article 9. What this means literally is that the kinds of property in which a security interest can be taken by a creditor under Article 9 increases over those available in Article 9 before revision. Also, certain kinds of transactions that did not come under Article 9 before, now come under Article 9. These are some of the kinds of collateral that are included in Revised Article 9 that are not in original Article 9: sales of payment intangibles and promissory notes; security interests created by governmental debtors; health insurance receivables; consignments; and commercial tort claims. Nonpossessory, statutory agricultural liens come under Article 9 for determination of perfection and priority, generally the same as security interests come under it for those purposes.

2. **Perfection.** Filing a financing statement remains the dominant way to perfect a security interest in most kinds of property. It is clearer in Revised Article 9 that filing a financing statement will perfect a security interest, even if there is another method of perfection. "Control" is the method of perfection for letter of credit rights and deposit accounts, as well as for investment property. Control was available only to perfect security interests in investment property under old Article 9. A creditor has control when the debtor cannot transfer the property without the creditor's consent. Possession, as an alternative method to filing a financing statement to perfect a security interest, is the only method for perfecting a security interest in money that is not proceeds of sale from property subject to a security interest. Automatic perfection for a purchase money security interest is increased from ten days in old Article 9 to twenty days in Revised Article 9. Attachment of a purchase money security interest is perfection, at least for the twenty-day period. Then another method of perfection is necessary to continue the perfected security interest. However, a purchase money security interest in consumer goods remains perfected automatically for the duration of the security interest.

3. **Choice of Law.** In interstate secured transactions, it is necessary to determine which state's laws apply to perfection, the effect of perfection and the priority of security interests. It is particularly important to know where to file a financing statement. The 1998 revisions to Article 9 make two fundamental changes from old Article 9. In old Article 9, the basic rule chooses the law of the state in which the collateral is found as the law that governs perfection, effect of perfection,

and a creditor's priority. In Revised Article 9, the new rule chooses the state that is the location of the debtor. Further, if the debtor is an entity created by registration in a state, the location of the debtor is the location in which the entity is created by registration. If an entity is a corporation, for example, the location of the debtor is the state in which the corporate charter is filed or registered. In old Article 9, the entity that is a debtor is located in the state in which it has its chief executive office. These changes in basic choice of law rules will change the place in which a financing statement is filed in a great many instances from the place it would have been filed under old Article 9. At the same time, the location of the debtor establishes a more certain place to perfect than the old rule does. Collateral shifts location much easier than the debtors do.

4. **The Filing System.** Improvements in the filing system in the 1998 revisions to Article 9 include a full commitment to centralized filing—one place in every state in which financing statements are filed, and a filing system that escorts filing from the world of filed documents to the world of electronic communications and records. Under Revised Article 9, the only local filing of financing statements occurs in the real estate records for fixtures. Fixtures are items of personal property that become physically part of the real estate, and are treated as part of the real estate until severed from it. It is anticipated that electronic filing of financing statements will replace the filing of paper. Paper filing of financing statements is already disappearing in many states in 1998, as Revised Article 9 becomes available to them. Revised Article 9 definitions and provisions allow this transition from paper to electronic filing without further revision of the law. Revised Article 9 makes filing office operations more ministerial than old Article 9 did. The office that files financing statements has no responsibility for the accuracy of information on the statements and is fully absolved from any liability for the contents of any statements received and filed. Financing statements may, therefore, be considerably simplified. There is no signature requirement, for example, for a financing statement.

5. **Consumer Transactions.** Revised Article 9 makes a clearer distinction between transactions in which the debtor is a consumer than prior Article 9 did. Enforcement of a security interest that is included in a consumer transaction is handled differently in certain respects in the 1998 revisions to Article 9 than it was pre-1998. Examples of consumer provisions are: a consumer cannot waive redemption rights in a financing agreement; a consumer buyer of goods who pre-pays in whole or in part, has an enforceable interest in the purchased goods and may obtain the goods as a remedy; a consumer is entitled to disclosure of the amount of any deficiency assessed against him

or her, and the method for calculating the deficiency; and, a secured creditor may not accept collateral as partial satisfaction of a consumer obligation, so that choosing strict foreclosure as a remedy means that no deficiency may be assessed against the debtor. Although it governs more than consumer transactions, the good faith standard becomes the objective standard of commercial reasonableness in the 1998 revisions to Article 9.

6. **Default and Enforcement.** Article 9 provisions on default and enforcement deal generally with the procedures for obtaining property in which a creditor has a security interest and selling it to satisfy the debt, when the debtor is in default. Normally, the creditor has the right to repossess the property. Revised Article 9 includes new rules dealing with "secondary" obligors (guarantors), new special rules for some of the new kinds of property subject to security interests, new rules for the interests of subordinate creditors with security interests in the same property, and new rules for aspects of enforcement when the debtor is a consumer debtor. These are some of the specific new rules: a secured party (creditor with security interest) is obliged to notify a secondary obligor when there is a default, and a secondary obligor generally cannot waive rights by becoming a secondary obligor; a secured party who repossesses goods and sells them is subject to the usual warranties that are part of any sale; junior secured creditors (subsequent in priority) and lienholders who have filed financing statements, must be notified when a secured party repossesses collateral; and, if a secured party sells collateral at a low price to an insider buyer, the price that the goods should have obtained in a commercially reasonable sale, rather than the actual price, is the price that will be used in calculating the deficiency.

Founded in 1892, the National Conference of Commissioners on Uniform State Laws is a confederation of state commissioners on uniform laws. Its membership comprises more than 300 attorneys, judges, and law professors, who are appointed by each of the 50 states, the District of Columbia, Puerto Rico, and the U.S. Virgin Islands, to draft uniform and model state laws and work toward their enactment.

Negative Ramifications if Revised UCC Article 9 is not Enacted in North Carolina

The incompatibility of North Carolina's present Article 9 of the Uniform Commercial Code ("present Article 9") and Revised Article 9 of the Uniform Commercial Code ("Revised Article 9"), which most other states are adopting, leaves creditors with unanswerable questions about where to file and about which state's law will govern a transaction's outcome. To be protected, a creditor whose business might invoke North Carolina law may well have to file in many states AND counties, and often in different places for each of many debtors and items of collateral. The cost and confusion are huge. It is conceivable that the cost may range into thousands of dollars for one transaction.

There are other differences between present Article 9 and Revised Article 9. For example, in multi-state transactions, the following issues could arise:

- Some terms that were defined in present Article 9 have been re-defined in Revised Article 9 (e.g., "accounts"), which could create ambiguity regarding what collateral is covered.

- Revised Article 9 is much more expansive in coverage. The parties would be able to secure and perfect a security interest in a greater variety of assets in states that had enacted Revised Article 9, as opposed to those that had not enacted Revised Article 9. Therefore, the same security agreement could be applied and interpreted differently in different states.

- How collateral can be described in financing statements has been changed in Revised Article 9 (e.g., supergeneric descriptions of property are allowed). This again could result in inconsistent results from state to state.

Present Article 9 leaves uncertain and risky the position of those engaging in asset securitization--a major trend in modern financing. Revised Article 9 makes a real difference for securitization.

Revised Article 9 expressly provides for the use of electronic media. Present Article 9 leaves this huge issue unresolved and open to litigation.

When the debtor and the collateral are in a state that has enacted Revised Article 9, possible bankruptcy jurisdiction in a state that has not enacted Revised Article 9 makes even perfection of those security interests uncertain. A bankruptcy court in a state that has not enacted Revised Article 9 may have the ability to void the perfection that is valid in the state in which the interest is perfected under Revised Article 9. This uncertainty will also increase the cost of secured loans for all involved.

The bottom line is that North Carolina's commercial credibility and the welfare not only of its creditor population, but also of its debtors who ultimately pay, are greatly enhanced by enactment of Revised Article 9.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of the Secretary of State; County Registers of Deeds

EFFECTIVE DATE: Part IV (fee increase) is effective September 1, 2000 and applies to fees paid on or after that date. Parts I, II, and III become effective July 1, 2001. The remainder of the bill is effective when it becomes law.

BILL SUMMARY: This bill rewrites Article 9 of the Uniform Commercial Code to conform state law to revisions adopted by the National Conference of Commissioners on Uniform State Laws. One major change is a requirement that all financing statements be filed with the Secretary of State except for fixture filings, which will continue to be filed with county Registers of Deeds. The bill also increases filing fees from $15 to $30.

ASSUMPTIONS AND METHODOLOGY:

EXPENDITURES:

This bill will transfer all of the Uniform Commercial Code (UCC) filings except fixture and timber/mineral filings from the county Registers of Deeds to the Secretary of State. The North Carolina Association of Register of Deeds (NCARD) reported 209,635 UCC filings in county offices in FY 1998-99. The Secretary of State sampled 10,000 filings in eight counties and determined that they receive approximately 24% of the filings made in the counties. Also, NCARD estimates that 31,405 (or 15%) of the county filings are the fixture and timber/mineral filings which will continue to be filed in the counties. Accordingly, the Secretary of State expects they will receive an additional 61% (100% - 24% duplicates – 15% retained in the county) or 127,713 of the filings that under current law are filed in the counties. In addition, SB 1305 also requires the Secretary of State to file liens on manufactured housing. The Secretary of State estimates based on discussions with the Department of Motor Vehicles they would receive approximately 50,000 manufactured housing filings. The 127,713 filings transferred from the counties and the new manufactured housing filings total 177,713. The UCC Section within Secretary of State's Certification and Filing Division currently processes 140,000 filings per year. The 177,713 projected increase is a 127% increase over the existing workload.

Currently, there are 29 employees in the UCC section. Twenty-five of the employees process the 140,000 annual filings. This equates to 5,600 filings per employee. The remaining 4 employees provide management and support services. To handle the increased workload in a timely manner, the Secretary of State estimates it will need 45 additional positions in the UCC section beginning January 1, 2001 for a total UCC staff of 74. Of the 74 employees, 11 will provide management and program support and 63 will process the estimated 317,713 annual filings. This equates to 5,043 filings per employee, a 10% decrease from the current ratio. Because the Secretary of State plans to implement double-key verification as recommended by the model rules, the turnaround time for processing each filing will increase. Therefore, the filing per employee ratio for their requested level of staffing is lower than the existing ratio.

The requested staffing of the UCC section would be as follows:

Positions	Current	Additional	Total
Director	0	1	1
Assistant Director	0	1	1
Executive Assistant	0	1	1
Applications Analyst Programmer	0	1	1
Administrative Assistant	2	3	5
Staff Development Specialist	0	1	1
Administrative Officer	2	3	5
Information Processing Technician		8	8
Processing Assistant V	25	25	50
Mail Clerk	0	1	1
Total	29	45	74

To house and equip UCC staff, the Secretary of State requests the following one-time expenditures:

Computers	$398,504
Office Equipment	$61,264
Contractual Services (programming, etc.)	$351,490
Rent/Lease Building	$231,500
Office Furniture	$955,772
Total	**$1,998,530**

The first year and annualized recurring cost for the 45 positions is as follows:

	2000-2001	**2001-2002**
Salaries	$621,166	$1,242,332
Benefits	$153,377	$306,752
Office equipment	$30,600	$30,600
Telephone service	$19,500	$39,000
Office supplies	$10,325	$20,650
Rent/Lease	$112,500	$225,000
Contractual services	$40,000	$40,000
Maintenance agreement	$40,000	$40,000
Travel	$15,500	$10,000
Total	**$1,042,968**	
Total	**$3,041,498**	**$1,954,334**

Some of the major components of the nonrecurring costs include

- Computer cost for 51 computer systems for the 45 new positions and six for public use ($187,629); 15 laser printers ($3,375), 2 high volume scanners ($20,000), and 25 desktop scanners ($37,500);

- Office equipment cost for 2 copiers ($31,500), a fax machine ($2,500), 5 reader printers ($30,600), 74 telephones ($22,000);

- Office furniture cost for upfitting 12 offices ($194,699), 67 cubicles ($550,364), a training room ($44,335), a smaller conference room ($8,115), a public reception/work area and a break area ($70,389), and vendor charges for design, delivery installation, and taxes ($87,867): and

- Contractual services for electronic data interchange programming, implementation, and software.

The Secretary of State has been advised that there is no additional space in state owned buildings. Thus the estimate as summarized above includes the lease, contractual service, equipment, and furniture cost of leasing space effective January 1, 2001, moving the existing employees to the new facility and outfitting the location. Also, the estimate includes the cost of implementing an electronic data interchange system that would allow for the electronic vs. paper

submission of financing statements and the cost to convert microfilm to optical images that can be accessed via the Internet.

The Fiscal Research Division believes the driving cost factor in this bill is the number of additional filings at the state level. We further believe that the method by which the Secretary of State projected the increased number of filings is reasonable. However, there are unknown factors that may impact the actual increase in workload. For example, SB 1305 will eliminate the need to file in this state if the debtor is not a resident of the state, thereby decreasing the number of filings. It will also transfer to the state filings of resident debtors who have property located outside of the state, thereby increasing the number of filings. We have no data to indicate the impact this will have on the number of filings. Also, the Secretary of State's sample data indicates that 24% of the current county filings are duplicated at the state level. However, the sample data revealed that duplicate filings in the 8 counties sampled range from 11% to as high as 55%. Thus, it is possible that the number of duplicate filings may be somewhat higher than the estimated 24% upon which the increased filing projection is based. If this were so, the additional workload would be less than expected. Notwithstanding these unknown factors, we believe the projected increase in filings is reasonable based on the best available data and that only actual experience with the bill will reveal the true extent of its impact on the workload.

Because the projections indicate a substantial increase (approximately 127%) in the Secretary of State's workload, Fiscal Research believes that it is imperative that the office is reasonably prepared to handle the increase. It is necessary to hire and train staff before the bill is implemented. We believe that 41 additional positions will provide adequate staffing to handle the anticipated increased workload. Considering the July 1, 2001 effective date of the bill and the pre-filings, which are expected to start in January 2001, we believe that funding should be provided to allow the Secretary of State to establish the positions in phases. The 41 positions along with the recommended effective hiring dates are noted in the table below.

Positions	FRD's Additional Staffing Recommendation	Effective Date	Total Including Existing Staff
Director	1	Oct 1, 2000	1
Assistant Director	0		0
Executive Assistant	1	Oct 1, 2000	1
Applications Analyst Programmer	1	Oct 1, 2000	1
Administrative Assistant	2	Jan 1/Apr 1	4
Staff Development Specialist	1	Oct 1, 2000	1
Administrative Officer	2	Jan 1/Apr 1	4
Information Processing Technician	8	Jan 1/Apr 1	8
Processing Assistant V	24	Jan 1/Apr 1	49
Mail Clerk	1	Jan 1, 2001	1
Total	**41**		**70**

We believe the management and support positions for the director, the executive assistant, the applications analyst programmer and the staff development specialist should be effective October 1, 2000. This will allow the critical management and support positions to participate in the development of the department's plan for implementing the bill, training, hiring, making

necessary programming changes and developing/testing/implementing the electronic data interchange system prior to the start of the increased workflow. We also recommend establishing 1 administrative assistant position, 1 administrative officer position, 4 information processing technicians, 12 processing assistant IVs, and the mail clerk position with an effective date of January 1, 2001 to handle the increased workload from the pre-filings. The remaining administrative assistant position, administrative officer position, 4 information processing technicians, and 12 processing assistant IVs should be established with an effective date no earlier than April 1, 2001. We believe this phase-in will enable to the Department to handle pre-filings and it will also allow time for the staff to receive adequate training before the bill becomes effective.

The total number of recommended positions is 4 less than the Department's estimate. We are not recommending funding for the assistant director position at this time. Further, we are recommending funding for two administrative assistants instead of three, two administrative officers instead of three, and 24 processing assistants instead of 25. This level of additional staff along with the existing staff would provide 61 employees to process filings, 4 management staff and 5 support positions. This equates to a 1 to 15 management to staff ratio and a 1 to 15 support to staff ratio. These ratios are just slightly higher than the existing ratio. Also, the filing/employee ratio would be approximately 5,208 per employee. This ratio is slightly higher than the 5,043 filings per employee ratio with the staff level as requested by the Secretary of State. However, the ratio is lower than the existing ratio and we believe it will facilitate a timely turnaround time with double-key verification.

We have adjusted the Secretary of State's estimate to reflect the number of positions noted and the effective dates. The total of the personnel cost would be $600,239 recurring the first year and $1,399,307 in subsequent years. We estimate the nonrecurring operating cost to be $1,891,004 and the recurring cost to be $268,425 the first year and $405,250 in subsequent years. These costs are summarized in the table below.

	FY 2000-2001	FY 2001-2002
Salaries	$482,224	$1,121,534
Benefits	$118,015	$277,773
Total Personnel	**$600,239**	**$1,399,307**
Operating Cost		
Recurring	$268,425	$405,250
Nonrecurring	$1,891,004	
Total Operating	**$2,159,429**	**$405,250**
Total Cost	**$2,759,668**	**$1,804,557**

As noted above, we believe the driving cost factor in this bill is the number of additional filings which will be made at the state level. Though, we believe the projected number of additional filings is reasonable, we believe also that only actual experience with the bill will reveal the true extent of the increased workload. Experience will also reveal the actual level of staff needed to process the filings in a timely manner and to provide an adequate level of management and support. Because actual staffing needs based on experience may vary from the projected staffing needs, we recommend that the Secretary of State consider establishing a number of temporary or

time limited positions until experience with the bill reveals what the true filing activity will be. This will eliminate having an excess number of permanent positions should experience reveal a lower staffing need. We further recommend that the Secretary of State report on its experience with the bill to the Joint Legislative Commission on Governmental Operations on a quarterly basis beginning no later than October 1, 2000. The report should include, but is not limited to, the following: the status of filling the positions, the number of filings, the turnaround time for processing the filings, the filings per employee ratio, any needed adjustments to the staffing level, and the projected revenue from the filing fees.

REVENUE:

I. Counties

As stated above, there were 209,365 UCC filings in county offices in FY 1998-99. SB 1305 will transfer all filings except fixtures and timber/minerals filings from the counties to the Secretary of State. Ann Shaw, President of the North Carolina Association of Registers of Deeds, estimates that counties will retain only 15% of the current UCC filings. The 209,365 UCC filings in FY 1998-99 generated $2,857,217 (9% of the filings were terminations that were charged no fee). After the transfer to the state, it is estimated that only 31,405 filings will remain in the counties for revenues of $471,075. This is a loss of $2,386,142 to county general funds. Part of the loss is offset by an increase in the fee from $15 to $30. The counties will recoup $471, 075 from the fee increase. The net impact to counties is $1.9 million per year. Additional fees could be received from multiple page filings, but there is no data on the number of such filings in the counties.

One complication is that the bill allows pre-filing of documents prior to July 1, 2001. State and county officials cannot estimate the impact of this provision. This memo assumes half of those that usually file in the county will chose to file with the state in FY 2000-01. Counties will receive the new fee for half the non-fixture filings (88,980) for additional revenue of $1,334,700 in FY 2000-01. Adjusting this for the September effective date (10 months) gives a revenue projection of $2,617,062. The net revenue loss for FY 2000-01 is $240,155.

II. Secretary of State

The Secretary of State currently has 140,000 UCC filings. Of this total, 80% are charged $15 and 20% are charged no fee. The approximate revenues are $1,680,000. Under SB 1305, the Secretary of State will receive 317,713 filings annually. At a minimum of $30 per filing, this workload will generate $9,531,390 in revenue. It is estimated that 20% of these filings will have additional pages that will require an additional $15 fee. This would yield an additional $953,139 in revenue. The net increase for the General Fund will be approximately $8,804,529.

As stated above, half the filings now done in the counties will be pre-filed with the Secretary of State thus new revenues in FY 2000-01 will be $1,915,695 (63,857 filings X $30). The Secretary of State will also receive a fee increase starting in September 2000. The current 140,000 filings charged a fee of $30 will produce $4.2 million. The prefilings plus the increased fee revenue minus the current revenue of $1.68 million yields net revenue of $4.44 million in FY 2000-01. Adjusting the 203,857 estimated filings for only ten months of increased fees in FY 2000-01 reduces additional first year revenues to $3.9 million.

MINUTES
HOUSE COMMITTEE ON FINANCE

Friday, June 30, 2000

The House Committee on Finance met on Friday, June 30, 2000 in Room 544 of the Legislative Office Building at 8:30 a.m. The following members were present: Chairs Allen, Luebke and Miller; Vice Chairs Jarrell and Wood; Representatives Bridgeman, Brown, Buchanan, Capps, Cox, Creech, Decker, Dedmon, Eddins, Edwards, Ford, Gibson, Goodwin, Gray, Hackney, Haire, Hill, Howard, McComas, McCombs, Morris, Pope, Rayfield, Starnes, Tucker, Weiss, and Womble; and Ex Officio member Cunningham. Staff including Cindy Avrette, Richard Bostic, Erika Churchill, Linda Millsaps, Mary Shuping; Eugene Son and Rebekah Butler, Interns; were in attendance. A Visitor Registration List is attached and made a part of these minutes.

Chair Allen called the meeting to order. Chair Allen recognized the pages and Sargent-at-Arms staff and commented briefly on the agenda and proceeded to consider the following bills:

Rep. Smith was recognized to explain SB 1210, A BILL TO BE ENTITLED AN ACT TO AUTHORIZE THE DIVISION OF MOTOR VEHICLES TO ISSUE SUPPORT PUBLIC SCHOOLS SPECIAL REGISTRATION PLATES, DUCKS UNLIMITED SPECIAL REGISTRATION PLATES, OMEGA PSI PHI FRATERNITY SPECIAL REGISTRATION PLATES, TOBACCO HERITAGE SPECIAL REGISTRATION PLATES, "N.C. MARITIME MUSEUM" SPECIAL REGISTRATION PLATES, AND LITTER PREVENTION SPECIAL REGISTRATION PLATES; TO CREATE THE FUND FOR THE REDUCTION OF CLASS SIZE IN PUBLIC SCHOOLS; AND TO REMOVE THE SPECIAL REGISTRATION PLATE ACCOUNT FEE FROM THE LEGION OF VALOR SPECIAL REGISTRATION PLATES, CONGRESSIONAL MEDAL OF HONOR SPECIAL REGISTRATION PLATES, 100% DISABLED VETERAN SPECIAL REGISTRATION PLATES, EX-PRISONER OF WAR SPECIAL REGISTRATION PLATES, AND TO MODIFY THE BASIS FOR ISSUING PERMANENT PLATES TO CHURCH BUSES. Rep. Buchanan made a motion to adopt a Proposed Committee Substitute. The motion passed. Chair Allen temporarily displaced the bill.

Rep. Gibson was recognized to explain HB 1583, A BILL TO BE ENTITLED AN ACT TO PROVIDE A NEW TAX CREDIT AS AN INCENTIVE FOR INVESTING IN DRY-CLEANING EQUIPMENT THAT DOES NOT USE HAZARDOUS SUBSTANCES, AS RECOMMENDED BY THE ENVIRONMENTAL REVIEW COMMISSION. Rep. Hill made a motion to give the Proposed Committee Substitute a favorable report and give the original bill an unfavorable report. The motion passed. A copy of the bill, Proposed Committee Substitute, bill analysis, and fiscal note included in the minutes.

Rep. Smith was recognized to continue with SB 1210. Rep. Dedmon sent forth an amendment. Staff was recognized to explain the amendment. Rep. Dedmon made a motion to adopt the amendment. The motion passed. Rep. Hill made a motion to give the Proposed Committee Substitute a favorable report and give the original bill an unfavorable report. Chair Allen temporarily displaced the bill.

Rep. Insko was recognized to explain HB 1768 A BILL TO BE ENTITLED AN ACT MAKING OMINIBUS CHANGES TO CERTAIN GENERAL AND LOCAL LAWS AFFECTING ORANGE COUNTY. Rep. Buchanan made a motion to adopt a Proposed Committee Substitute. The motion passed. Rep. Hackney made a motion to give the Proposed Committee Substitute a favorable report and give the original bill an unfavorable report. A copy of the bill, Proposed Committee Substitute included in the minutes.

Rep. Smith was recognized to continue with SB 1210. Rep. Hill was recognized to withdraw his motion. Rep. Morris sent forth an amendment. Rep. Bridgeman made a motion to adopt the amendment. The motion passed. Rep. Hill made a motion to give the Proposed Committee Substitute a favorable report and give the original bill an unfavorable report. The motion passed. A copy of the bill, Proposed Committee Substitutes, amendments and bill analysis included in the minutes.

Rep. Cole was recognized to explain HB 1566, A BILL TO BE ENTITLED AN ACT TO PROVIDE FOR A PROCEDURE FOR CREATION OF A TEMPORARY LIEN ON A MOTOR VEHICLE WHEN A MANUFACTURER'S STATEMENT OF ORIGIN OR AN EXISTING CERTIFICATE OF TITLE ON A MOTOR VEHICLE IS UNAVAILABLE AND TO MAKE OTHER CONFORMING CHANGES. Rep. Dedmon sent forth an amendment. Staff was recognized to explain the amendment. Rep. Dedmon made a motion to adopt the amendment. The motion passed. Rep. Womble asked if there was any opposition to the bill. Rep. Cole noted that he was unaware of any opposition. Rep. Womble asked if anyone from the Department of Motor Vehicles was present to comment on the bill. Captain Pickford, with the Department of Motor Vehicles, was recognized to speak on the bill. Captain Pickford stated that the Department was in support of the bill but noted that there was a concern over fully protecting the consumer. Rep. Womble responded that he too had received comments concerning consumer protection issues. Rep. Womble asked if staff could provide additional wording in the bill to clear up these concerns. Chair Allen temporarily displaced the bill.

Senator Rand was recognized to explain SB 1472, A BILL TO BE ENTITLED AN ACT TO PROVIDE REVENUE BOND FINANCING OF CERTAIN PRIVATE PROJECTS THAT PERFORM A PUBLIC PURPOSE AND TO REORGANIZE THE INDUSTRIAL FACILITIES AND POLLUTION CONTROL FINANCING AUTHORITY. Rep. Hackney sent forth an amendment. Staff was recognized to explain the amendment. Rep. Hackney made a motion to adopt the amendment. The motion passed. Rep. Goodwin made a motion to give the bill a favorable report as amended. Rep. Luebke asked how much of an expansion in the Local Government Commission does this represent. Bob High, with the Department of State Treasurer, was recognized to speak on the bill. Mr. High stated that this bill would make the current work easier and would make only minimal increases. Rep. Luebke asked if anything being consolidated in this bill would escape the review of the Local Government Commission. Mr. High stated that there wasn't to the best of his knowledge. Rep. Weiss asked if religious organizations were allowed to use this. Mr. High said in very limited situations that follow certain guidelines and standards. Rep. Decker asked if there was any limit to the amount of money issued by these bonds in one year. Mr. High stated that there wasn't to the best of his knowledge. Mr. High noted that these were self-liquidating projects; therefore, the real limitation was the ability to repay and the ability to market

the debt. There being no further questions on the bill, a vote was taken. The motion passed. A copy of the bill, amendment and bill analysis included in the minutes.

Senator Kinnaird was recognized to explain SB 1184, A BILL TO BE ENTITLED AN ACT TO ESTABLISH A VOLUNTARILY FUNDED STATEWIDE SPAY/NEUTER PROGRAM TO PROVIDE EDUCATION ON THE BENEFITS OF SPAYING AND NEUTERING PETS AND TO PROVIDE FINANCIAL ASSISTANCE TO COUNTIES AND CITIES OFFERING LOW-INCOME PERSONS REDUCED-COST SPAY/NEUTER SERVICES FOR DOGS AND CATS. Rep. Hill sent forth an amendment. Staff was recognized to explain the amendment. Rep. Hill made a motion to adopt the amendment. The motion passed. Rep. Womble made a motion to give the bill a favorable report. Rep. Decker asked what criteria would be used to determine low-income people. Senator Kinnaird stated that certain services such as free lunches, work first, food stamps, disabled and elderly. Rep. Decker mentioned that in his county, a property tax is charged on a person's dog or cat and he wondered if there was a way to check if a person had paid that tax before receiving the shot. Senator Kinnaird stated that the program would be run through the counties and it would be up to the counties. Rep. Decker asked if staff could draft an amendment. Chair Allen temporarily displaced the bill.

Rep. Cole was recognized to continue with HB 1566. Staff was recognized to explain the amendment. Rep. Womble was recognized to speak on the amendment. Rep. Womble made a motion to adopt the amendment. Rep. Brown made a motion to give the Proposed Committee Substitute a favorable report and give the original bill an unfavorable report. The motion passed. A copy of the Bill, Proposed Committee Substitute, amendments, bill analysis and fiscal note included in the minutes.

Senator Kinnaird was recognized to continue with SB 1184. Rep. Decker sent forth an amendment. Staff was recognized to explain the amendment. Rep. Hackney noted that this would increase the workload for the counties and asked if there was anyone representing the counties to speak on this bill. Ron Aycock, with the County Commissioners Association, was recognized to speak on the bill. Mr. Aycock noted that there may be some administrative burdens on the counties if this amendment passed. Senator Kinnaird asked if a process similar to the vehicle tax could be done. Mr. Aycock stated that he was not sure how difficult that would be. Rep. Goodwin asked if this would be an unfunded mandate. Mr. Aycock noted that it would be similar if not the same. Rep. McComas was recognized to speak on the bill. Rep. McComas stated that in Wrightsville Beach after a person pays their pet fee/tax, they receive a tag to put on the pet's collar.

Chair Allen noted the time and stated that the Committee would go into recess at 9:51 a.m. until after session.

The House Committee on Finance reconvened on Friday, June 30, 2000 in Room 544 of the Legislative Office Building at 1:05 p.m. The following members were present: Chairs Allen, Luebke and Miller; Vice Chairs Jarrell and Wood; Representatives Bridgeman, Brown, Buchanan, Capps, Cox, Creech, Decker, Dedmon, Eddins, Edwards, Ford, Gibson, Goodwin, Gray, Hackney, Haire, Hill, Howard, McComas, McCombs, Morris, Pope, Rayfield, Starnes, Tucker, Weiss, and Womble; and Ex Officio member Cunningham. Staff including Cindy Avrette, Richard Bostic, Erika Churchill, Linda Millsaps, Mary Shuping; Eugene Son and Rebekah Butler, Interns; were in attendance

Chair Allen called the meeting to order.

Rep. Hill was recognized to continue with SB 1184. Rep. Hill was recognized to speak on the amendment. Rep. Hill stated that he was opposed to the amendment. Rep. Rayfield asked if this amendment would require a tax increase. Rep. Hill stated that if the amendment were defeated there would be no tax required. There being no further questions on the amendment a vote was taken. The amendment was defeated. Rep. Hill made a motion to give the bill a favorable report. Rep. Tucker was recognized to speak on the bill. Rep. Tucker noted that he could not support the bill due to the possibility of a tax increase. Rep. Weiss noted that taxpayers are already paying for the care and capture of stray animals and this bill give the county commissioners a voluntary spay/neuter option. Rep. Capps was recognized to speak on the bill. Rep. Capps stated that he did not trust the county commissioners to do the right thing. Chair Allen temporarily displaced the bill.

Senator Kinnaird was recognized to explain SB 1448, A BILL TO BE ENTITLED AN ACT TO REMOVE FROM THE CORPORATE LIMITS OF THE TOWN OF HILLSBOROUGH AN AREA PREVIOUSLY ANNEXED BY THE TOWN UNDER THE VOLUNTARY ANNEXATION PROVISIONS OF PART 4 (ANNEXATION OF NONCONTIGUOUS AREAS) OF ARTICLE 4A OF CHAPTER 160A OF THE GENERAL STATUTES. Rep. Brown made a motion to give the bill a favorable report. The motion passed. A copy of the bill included in the minutes.

Rep. McMahan was recognized to explain SB 1354, A BILL TO BE ENTITLED AN ACT TO AUTHORIZE MECKLENBURG COUNTY TO MATCH FEDERAL INDEPENDENT LIVING FUNDS IN THE EVENT THE STATE DOES NOT PROVIDE MATCHING FUNDS. Rep. Capps made a motion to give the bill a favorable report. The motion passed. A copy of the bill included in the minutes.

Rep. Owens was recognized to explain SB 1460, A BILL TO BE ENTITLED AN ACT TO PROVIDE INCENTIVES FOR DEVELOPMENT OF THE FILM INDUSTRY IN NORTH CAROLINA. Rep. Luebke made a motion to adopt a Proposed Committee Substitute. The motion passed. Rep. Morris made a motion to give the Proposed Committee Substitute a favorable report and give the original bill an unfavorable report. Rep. Pope was recognized to speak on the bill. Rep. Pope stated that motion pictures are for-profit businesses and he doesn't believe that grants should be made available for these endeavors. Rep. Luebke sent forth an amendment. Rep. Luebke made a motion to adopt the amendment. The motion passed. Rep. Morris made a motion to give the Proposed Committee Substitute a favorable report and give the original bill an

unfavorable report. The motion passed. A copy of the bill, Proposed Committee Substitute and bill analysis included in the minutes.

Rep. Luebke was recognized to explain HB 1559, A BILL TO BE ENTITLED AN ACT TO UPDATE THE REFERENCE TO THE INTERNAL REVENUE CODE USED IN DEFINING AND DETERMINING CERTAIN STATE TAX PROVISIONS, TO CONFORM TO FEDERAL LAW REGARDING PENSION TAX WITHHOLDING AND DEADLINES FOR PAYMENTS OF CERTAIN ESTIMATED INCOME TAXES, TO CLARIFY THE SALES FACTOR FOR DETERMINATION OF STATE CORPORATE INCOME AND FRANCHISE TAX, AND TO ENABLE THE COLLECTION OF TAX DEBT OWED TO NORTH CAROLINA THROUGH THE FEDERAL TREASURY OFFSET PROGRAM. Rep. Cunningham made a motion to concur. The motion passed. A copy of the bill, bill analysis and fiscal note included in the minutes.

Rep. Miller was recognized to explain HB 1806, A BILL TO BE ENTITLED AN ACT TO EXEMPT SALES TO MANUFACTURERS OF ELECTRICITY USED IN ARC FURNACES, INDUCTION FURNACES, AND ALUMINUM MANUFACTURING PROCESSES FROM THE SALES AND USE TAX. Chair Allen noted that this bill would be heard for discussion only. Sharon Miller, with the Carolina Utility Customer's Association, was recognized to speak on the bill. Ms. Miller stated that her organization supports this bill and feels that without this legislation members of her organization would be facing a tax increase. Rep. Capps asked if this bill would restore the exemptions to the previous form. Ms. Miller stated that would be unconstitutional and that this legislation would include the arc furnaces and the induction furnaces. Rep. Hackney asked who would actually pay the tax. Richard Bostic, Fiscal Analyst, was recognized to respond. Mr. Bostic stated that the manufacturer would pay the tax to the utilities and the utility would pass it along to Department of Revenue. Charles Francis, with Wood and Francis representing Alcoa, was recognized to speak on the bill. Mr. Francis stated that the electricity used is not the electricity to run the plant it is used in order to make a product. Mr. Francis noted that it is similar to thread being used to make ties. Chair Allen ended the discussion on this bill. A copy of the bill, bill analysis and fiscal note included in the minutes.

Senator Kinnaird was recognized to continue with SB 1184. Rep. Capps sent forth an amendment. Rep. Capps made a motion to adopt the amendment. The motion passed. Rep. Rayfield sent forth an amendment. Rep. Rayfield made a motion to adopt the amendment. Rep. Rayfield was recognized to speak on the amendment. There being no further questions on the amendment a vote was taken. The motion was defeated. Rep. Womble made a motion to give the Proposed Committee Substitute a favorable report and give the original bill an unfavorable report. The motion passed. A copy of the bill, Proposed Committee Substitute, amendments, bill analysis and fiscal note included in the minutes.

There being no further business, the Chair adjourned the meeting at 2:18 p.m.

A BILL TO BE ENTITLED

AN ACT TO UPDATE THE REFERENCE TO THE INTERNAL REVENUE CODE USED IN DEFINING AND DETERMINING CERTAIN STATE TAX PROVISIONS, TO CONFORM TO FEDERAL LAW REGARDING PENSION TAX WITHHOLDING AND DEADLINES FOR PAYMENTS OF CERTAIN ESTIMATED INCOME TAXES, TO CLARIFY THE SALES FACTOR FOR DETERMINATION OF STATE CORPORATE INCOME AND FRANCHISE TAX, AND TO ENABLE THE COLLECTION OF TAX DEBT OWED TO NORTH CAROLINA THROUGH THE FEDERAL TREASURY OFFSET PROGRAM.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-228.90(b)(1a) reads as rewritten:

"(b) Definitions. -- The following definitions apply in this Article:

. . .

(1a) Code. -- The Internal Revenue Code as enacted as of ~~June 1, 1999~~, January 1, 2000, including any provisions enacted as of that date which become effective either before or after that date."

Section 2. G.S. 105-163.1(11b) reads as rewritten:

"(11b) **(Effective January 1, 2001)** Pension payment. -- A periodic payment or a nonperiodic distribution ~~that is not an eligible~~

~~rollover distribution,~~ as those terms are defined in section 3405 of the Code."

Section 3. G.S. 105-163.2A(d) reads as rewritten:

"(d) Election of No Withholding. -- The recipient may elect not to have taxes withheld under this ~~section.~~ section to the extent permitted by section 3405 of the Code. The election must be in the form required by the Secretary. In the case of periodic payments, the election remains in effect until revoked by the recipient. In the case of a nonperiodic distribution, the election applies on a distribution-by-distribution basis unless it meets conditions prescribed by the Secretary for it to apply to subsequent nonperiodic distributions by the pension payer.

A pension payer must notify each recipient of the right to elect not to have taxes withheld under this section. The notice must comply with the requirements of section 3405 of the Code and any additional requirements prescribed by the Secretary.

A recipient's election not to have taxes withheld under this section is void if the recipient fails to furnish the recipient's tax identification number to the pension payer, or the Secretary has notified the pension payer that the tax identification number furnished by the recipient is incorrect."

Section 4. G.S. 105-163.15(i) reads as rewritten:

"(i) Notwithstanding ~~the other provisions~~ subsections (c), (d), (e), and (h) of this section, an individual who is a farmer or fisherman for a taxable year is subject to the provisions of this subsection.

(1) One installment. -- The individual is required to make only one installment payment of tax for that taxable year. This installment is due on or before January 15 of the following taxable ~~year but may be paid without penalty or interest on or before March 1 of that~~ year. The amount of the installment payment ~~shall~~ must be the lesser of:

~~(1)~~ a. Sixty-six and two-thirds percent (66 2/3%) of the tax shown on the return for the taxable year, or, if no return is filed, sixty-six and two-thirds percent (66 2/3%) of the tax for that year; or

~~(2)~~ b. One hundred percent (100%) of the tax shown on the return of the individual for the preceding taxable year, if the preceding taxable year was a taxable year of 12 months and the individual filed a return for that year.

(2) Exception. -- If, on or before March 1 of the following taxable year, the taxpayer files a return for the taxable year and pays in full the amount computed on the return as payable, no addition to tax is imposed under subsection (a) of this section with respect to any underpayment of the required installment for the taxable year.

(3) Eligibility. -- An individual is a farmer or fisherman for any taxable year if the individual's gross income from farming or

fishing, including oyster farming, for the taxable year is at least sixty-six and two-thirds percent (66 2/3%) of the total gross income from all sources for the taxable year, or the individual's gross income from farming or fishing, including oyster farming, shown on the return of the individual for the preceding taxable year is at least sixty-six and two-thirds percent (66 2/3%) of the total gross income from all sources shown on the return."

Section 5. G.S. 105-130.4(a)(7) reads as rewritten:

"(a) As used in this section, unless the context otherwise requires:

. . .

(7) "Sales" means all gross receipts of the corporation except ~~receipts~~ for the following receipts:

a. Receipts from ~~any~~ a casual sale of ~~property and except receipts~~ property.

b. Receipts allocated under subsections (c) through (h) of this section.

c. Receipts exempt from taxation.

d. The portion of receipts realized from the sale or maturity of securities or other obligations that represents a return of principal."

Section 6. G.S. 105A-13 reads as rewritten:

"§ 105A-13. Collection assistance fees.

(a) State Setoff. -- To recover the costs incurred by the Department in collecting debts under this Chapter, a collection assistance fee of no more than fifteen dollars ($15.00) is imposed on each debt collected through setoff. The Department must collect this fee as part of the debt and retain it. The Department must set the amount of the collection assistance fee based on its actual cost of collection under this Chapter for the immediately preceding year. If the Department is able to collect only part of a debt through setoff, the collection assistance fee has priority over the remainder of the debt. The collection assistance fee shall not be added to child support debts or collected as part of child support debts. Instead, the Department shall retain from collections under Division II of Article 4 of Chapter 105 of the General Statutes the cost of collecting child support debts under this Chapter.

(b) Federal Setoff. -- A collection assistance fee of fifteen dollars ($15.00) applies to a setoff made by the United States Department of the Treasury to recover tax owed to North Carolina. The Department of Revenue must add the fee to the amount of the tax liability submitted to the United States Department of the Treasury for setoff. The Department of Revenue must collect the fee as part of the debt and retain it. If a federal setoff covers only part of the tax due, the collection assistance fee has priority over the tax due."

Section 7. Notwithstanding Section 1 of this bill, any amendments to the Internal Revenue Code enacted in 1999 that increase North Carolina taxable

income for the 1999 taxable year become effective for taxable years beginning on or after January 1, 2000.

Section 8. Sections 2 and 3 of this act become effective January 1, 2001. The remainder of this act is effective when it becomes law.

HOUSE BILL 1559:
Conform with Federal Law

BILL ANALYSIS

Committee: House Finance
FOR CONCURRENCE
Date: June 30, 2000
Version: 3rd Edition

Introduced by: Rep. Luebke
Recommended by Revenue Laws
Summary by: Cindy Avrette
Committee Counsel

SUMMARY: House Bill 1559 is a recommendation of the Revenue Laws Study Commission. The bill passed House Finance on May 31st and was passed by the House on June 7th. It makes three tax law changes:

- *It rewrites the definition of the Internal Revenue Code used in the State tax statutes to change the reference date from June 1, 1999, to January 1, 2000. Updating the Internal Revenue Code reference makes recent amendments to the Code applicable to the State to the extent that State tax law previously tracked federal law. (Sections 1 and 7)*
- *It returns the withholding law for farmers and fishers to conformity with federal law, correcting an inadvertent change made in 1985. Federal law forgives the penalty for farmers' and fishers' late payment of estimated taxes if the final return is filed, with taxes paid in full, by March 1 following the end of the taxable year. (Section 4)*
- *It amends the definition of "sales" for purposes of the apportionment formula to clarify that the receipts of a multi-state corporation should only include the net gain realized from the sale or maturity of securities, not the rolled over capital or return of principal and not receipts otherwise exempt from tax. (Section 5)*

THE SENATE FINANCE COMMITTEE SUBSTITUTE ADDED TWO PROVISIONS TO THE BILL:

- **CONFORM PENSION TAX WITHHOLDING:** *It incorporated the provisions of Senate Bill 1309, Pension Tax Withholding, which was also recommended by the Revenue Laws Study Committee. It requires withholding of State income taxes on an eligible rollover distribution to the extent permitted under federal law. This section would become effective January 1, 2001. (Sections 2 and 3)*

  Under federal law, withholding is required on pensions, annuities, and certain deferred income, including IRAs, unless the taxpayer makes an election not to have the tax withheld. There is one exception to this rule: withholding is required on an eligible rollover distribution[1], and a taxpayer may not elect not to have the tax withheld.

  In 1999, the General Assembly passed House Bill 1466 (S.L. 1999-414) which tracks part of the federal law. Under current State tax law, a pension payer must withhold State income tax on a pension payment, other than an eligible rollover distribution, if the pension payer was withholding

[1] For practical purposes, an eligible rollover distribution is a distribution from a pension plan before retirement that is includable in gross income and that is not a payment required under federal law (such as a death benefit). The payment must be eligible for rollover into another 401(k) or IRA. Generally, an eligible rollover distribution occurs when an individual changes jobs.

federal income tax on the payment. As under federal law, a recipient of a pension payment that is not an eligible rollover distribution may elect not to have tax withheld from the pension payment. Unlike federal law, S.L. 1999-414 does not require that tax be withheld from an eligible rollover distribution.

Sections 2 and 3 of this bill would require that North Carolina tax be withheld on eligible rollover distributions to the same extent as required under federal law. The effect of this change would be to conform North Carolina law to federal law in this regard.

- **TREASURY OFFSET PROGRAM:** ***It enabled the Department of Revenue to collect delinquent tax debts owed to the State through the Treasury Offset Program by providing for the imposition of a collection assistance fee. (Section 6)***

The Department of Revenue may collect delinquent tax debts owed to the State through the Treasury Offset Program. To participate in the program, the State must pay a fee of $9.65 to the Treasury Offset Program, send a certified letter to the taxpayer at a cost of $3.01, plus incur other incidental expenses. Section 7 enables the Department to impose a $15.00 collection assistance fee on each tax debt collected through the Treasury Offset Program. The State also imposes a collection assistance fee on debts collected through the State debt setoff collection act. The amount of that fee cannot exceed $15.00. The collection assistance fee is added to the amount of the tax liability submitted to the United State Department of the Treasury for setoff. As under the State setoff debt collection act, the collection assistance fee has priority over the debt setoff. Therefore, if the federal setoff covers only part of the tax due, the collection assistance fee has priority over the tax due.

[2] For practical purposes, an eligible rollover distribution is a distribution from a pension plan before retirement that is includable in gross income and that is not a payment required under federal law (such as a death benefit). The payment must be eligible for rollover into another 401(k) or IRA. Generally, an eligible rollover distribution occurs when an individual changes jobs.

EFFECTIVE DATE: Sections 2 and 3 (pension tax withholding) of the bill are effective January 1, 2001. The remainder of the act is effective when it becomes law.

BILL SUMMARY:

Section one of the bill updates the reference to the Internal Revenue Code used in state tax provisions from June 1, 1999, to January 1, 2000. Sections two and three conform state pension tax withholding provisions to federal law. Section four conforms state statutes with federal law regarding deadlines for payments of certain estimated income taxes. Section five clarifies in the corporate apportionment formula that receipts of a multistate corporation should only include the net gain realized from the sale or maturity of securities, not the rolled over capital or return of principal. Section 6 allows the Department of Revenue to collect delinquent tax debts with the assistance of the U.S. Department of the Treasury and allows the Department to charge a $15 collection assistance fee to the taxpayer owing the debt.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR A PROCEDURE FOR CREATION OF A TEMPORARY LIEN ON A MOTOR VEHICLE WHEN A MANUFACTURER'S STATEMENT OF ORIGIN OR AN EXISTING CERTIFICATE OF TITLE ON A MOTOR VEHICLE IS UNAVAILABLE AND TO MAKE OTHER CONFORMING CHANGES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 20-52.1 reads as rewritten:

"**§ 20-52.1. Manufacturer's certificate of transfer of new motor vehicle.**

(a) Any manufacturer transferring a new motor vehicle to another shall, at the time of the transfer, supply the transferee with a manufacturer's certificate of origin assigned to the transferee.

(b) Any dealer transferring a new vehicle to another dealer shall, at the time of transfer, give such transferee the proper manufacturer's certificate assigned to the transferee.

(c) Upon sale of a new vehicle by a dealer to a consumer-purchaser, the dealer shall execute in the presence of a person authorized to administer oaths an assignment of the manufacturer's certificate of origin for the vehicle, including in such assignment the name and address of the transferee and no title to a new motor vehicle acquired by a dealer under the provisions of subsections (a) and (b) of this section shall pass or vest until such assignment is executed and the motor vehicle delivered to the transferee.

Any dealer transferring title to, or an interest in, a new vehicle shall deliver the manufacturer's certificate of origin duly assigned in accordance with the foregoing provision to the transferee at the time of delivering the vehicle, except that where a security interest is obtained in the motor vehicle from the transferee in payment of the purchase price or otherwise, the transferor shall deliver the manufacturer's certificate of origin to the lienholder and the lienholder shall forthwith forward the manufacturer's certificate of origin together with the transferee's application for certificate of title and necessary fees to the Division. Any person who delivers or accepts a manufacturer's certificate of origin assigned in blank shall be guilty of a Class 2 ~~misdemeanor.~~ misdemeanor, unless done in accordance with subsection (d) of this section.

(d) When a manufacturer's statement of origin or an existing certificate of title on a motor vehicle is unavailable, a motor vehicle dealer licensed under Article 12 of this Chapter may also transfer title to another by certifying in writing to the Division that all prior perfected liens on the vehicle have been paid and that the motor vehicle dealer, despite having used reasonable diligence, is unable to obtain the vehicle's statement of origin or certificate of title. The Division is authorized to develop a form for this purpose."

Section 2. G.S. 20-58 reads as rewritten:

"**§ 20-58. Perfection by indication of security interest on certificate of title.**

(a) Except as provided in G.S. 20-58.8, a security interest in a vehicle of a type for which a certificate of title is required shall be perfected only as hereinafter provided.

(1) If the vehicle is not registered in this State, the application for notation of a security interest shall be the application for certificate of title provided for in G.S. 20-52.

(2) If the vehicle is registered in this State, the application for notation of a security interest shall be in the form prescribed by the Division, signed by the debtor, and contain the date of application of each security interest, and name and address of the secured party from whom information concerning the security interest may be obtained. The application must be accompanied by the existing certificate of title unless in the possession of a prior secured party. If there is an existing certificate of title issued by this or any other jurisdiction in the possession of a prior secured party, the application for notation of the security interest shall in addition contain the name and address of such prior secured party. An application for notation of a security interest may be signed by the secured party instead of the debtor when the application is accompanied by documentary evidence of the applicant's security interest in that motor vehicle signed by the debtor and by affidavit of the applicant stating the reason the debtor did not sign the application. In the event the certificate cannot be obtained for recordation of the security interest, when title remains in the name

of the debtor, the Division shall cancel the certificate and issue a new certificate of title listing all the respective security interests.

(3) If the application for notation of security interest is made in order to continue the perfection of a security interest perfected in another jurisdiction, it may be signed by the secured party instead of the debtor. Such application shall be accompanied by documentary evidence of a perfected security interest. No such application shall be valid unless an application for a certificate of title has been made in North Carolina. The security interest perfected herein shall be subject to the provisions set forth in G.S. 20-58.5.

(b) When a manufacturer's statement of origin or an existing certificate of title on a motor vehicle is unavailable, a first lienholder who holds a valid license as a motor vehicle dealer issued by the Commissioner under Article 12 of this Chapter or his designee may file a notarized copy of an instrument creating and evidencing a security interest in the motor vehicle with the Division of Motor Vehicles. A filing pursuant to this subsection shall constitute constructive notice to all persons of the security interest in the motor vehicle described in the filing. The constructive notice shall be effective from the date of the filing if the filing is made within 20 days after the date of the security agreement. The constructive notice shall date from the date of the filing with the Division if it is made more than 20 days after the date of the security agreement. The notation of a security interest created under this subsection shall automatically expire 60 days after the date of the creation of the security interest, or upon perfection of the security interest as provided in subsection (a) of this section. A security interest notation made under this subsection and then later perfected under subsection (a) of this section shall be presumed to have been perfected on the date of the earlier filing. The Division may charge a fee not to exceed ten dollars ($10.00) for each notation of security interest filed pursuant to this subsection."

Section 3. G.S. 20-63(h) reads as rewritten:

"(h) Commission Contracts for Issuance of Plates and Certificates. -- All registration plates, registration certificates and certificates of title issued by the Division, outside of those issued from the Raleigh offices of the said Division and those issued and handled through the United States mail, shall be issued insofar as practicable and possible through commission contracts entered into by the Division for the issuance of such plates and certificates in localities throughout North Carolina with persons, firms, corporations or governmental subdivisions of the State of North Carolina and the Division shall make a reasonable effort in every locality, except as hereinbefore noted, to enter into a commission contract for the issuance of such plates and certificates and a record of these efforts shall be maintained in the Division. In the event the Division is unsuccessful in making commission contracts as hereinbefore set out it shall then issue said plates and certificates through the regular employees of the Division. Whenever registration plates, registration certificates and certificates of title are issued by the Division through commission contract

arrangements, the Division shall provide proper supervision of such distribution. Commission contracts entered under this subsection shall provide for the payment of compensation for all transactions as set forth below. Nothing contained in this subsection will allow or permit the operation of fewer outlets in any county in this State than are now being operated.

A transaction is any of the following activities:

(1) Issuance of a registration plate, a registration card, a registration renewal sticker, or a certificate of title.

(2) Issuance of a handicapped placard or handicapped identification card.

(3) Acceptance of an application for a personalized registration plate.

(4) Acceptance of a surrendered registration plate, registration card, or registration renewal sticker, or acceptance of an affidavit stating why a person cannot surrender a registration plate, registration card, or registration renewal sticker.

(5) Cancellation of a title because the vehicle has been junked.

(6) Acceptance of an application for, or issuance of, a refund for a fee or a tax, other than the highway use tax.

(7) Receipt of the civil penalty imposed by G.S. 20-309 for a lapse in financial responsibility or receipt of the restoration fee imposed by that statute.

(8) Acceptance of a notice of failure to maintain financial responsibility for a motor vehicle.

(8a) Collection of civil penalties imposed for violations of G.S. 20-183.8A.

(8b) Sale of one or more inspection stickers in a single transaction to a licensed inspection station.

(9) Collection of the highway use tax.

(10) Acceptance of a temporary lien filing.

Performance at the same time of any combination of the items that are listed within each subdivision or are listed within subdivisions (1) through (8b) of this section is a single transaction for which a dollar and thirty-five cent ($1.35) compensation shall be paid. Performance of the item listed in subdivision (9) of this subsection in combination with any other items listed in this subsection is a separate transaction for which a one dollar and twenty cent ($1.20) compensation shall be paid."

Section 4. G.S. 20-72(b) reads as rewritten:

"(b) In order to assign or transfer title or interest in any motor vehicle registered under the provisions of this Article, the owner shall execute in the presence of a person authorized to administer oaths an assignment and warranty of title on the reverse of the certificate of title in form approved by the Division, including in such assignment the name and address of the transferee; and no title to any motor vehicle shall pass or vest until such assignment is executed and the motor vehicle delivered to the transferee. The provisions of this section shall not apply to any foreclosure or

repossession under a chattel mortgage or conditional sales contract or any judicial sale.

When a manufacturer's statement of origin or an existing certifcate of title on a motor vehicle is unavailable, a motor vehicle dealer licensed under Article 12 of this Chapter may also transfer title to another by certifying in writing to the Division that all prior perfected liens on the vehicle have been paid and that the motor vehicle dealer, despite having used reasonable diligence, is unable to obtain the vehicle's statement of origin or certificate of title. The Division is authorized to develop a form for this purpose.

Any person transferring title or interest in a motor vehicle shall deliver the certificate of title duly assigned in accordance with the foregoing provision to the transferee at the time of delivering the vehicle, except that where a security interest is obtained in the motor vehicle from the transferee in payment of the purchase price or otherwise, the transferor shall deliver the certificate of title to the lienholder and the lienholder shall forward the certificate of title together with the transferee's application for new title and necessary fees to the Division within 20 days. Any person who delivers or accepts a certificate of title assigned in blank shall be guilty of a Class 2 misdemeanor.

The title to a salvage vehicle shall be forwarded to the Division as provided in G.S. 20-109.1."

Section 5. G.S. 20-79.1(h) reads as rewritten:

"(h) Temporary registration plates or markers shall expire and become void upon the receipt of the annual registration plates from the Division, or upon the rescission of a contract to purchase a motor vehicle, or upon the expiration of 30 days from the date of issuance, depending upon whichever event shall first occur. No refund or credit or fees paid by dealers to the Division for temporary registration plates or markers shall be allowed, except in the event that the Division discontinues the issuance of temporary registration plates or markers or unless the dealer discontinues business. In this event the unissued registration plates or markers with the unissued registration certificates shall be returned to the Division and the dealer may petition for a refund. Upon the expiration of the 30 days from the date of issuance, a second 30-day temporary registration plate or marker may be issued by the dealer upon showing the vehicle has been sold, a temporary lien has been filed as provided in G.S. 20-58, and that the dealer, having used reasonable diligence, is unable to obtain the vehicle's statement of origin or certificate of title so that the lien may be perfected."

Section 6. This act becomes effective May 1, 2001.

Any dealer transferring title to, or an interest in, a new vehicle shall deliver the manufacturer's certificate of origin duly assigned in accordance with the foregoing provision to the transferee at the time of delivering the vehicle, except that where a security interest is obtained in the motor vehicle from the transferee in payment of the purchase price or otherwise, the transferor shall deliver the manufacturer's certificate of origin to the lienholder and the lienholder shall forthwith forward the manufacturer's certificate of origin together with the transferee's application for certificate of title and necessary fees to the Division. Any person who delivers or accepts a manufacturer's certificate of origin assigned in blank shall be guilty of a Class 2 ~~misdemeanor.~~ misdemeanor, unless done in accordance with subsection (d) of this section.

(d) When a manufacturer's statement of origin or an existing certificate of title on a motor vehicle is unavailable, a motor vehicle dealer licensed under Article 12 of this Chapter may also transfer title to another by certifying in writing in a sworn statement to the Division that all prior perfected liens on the vehicle have been paid and that the motor vehicle dealer, despite having used reasonable diligence, is unable to obtain the vehicle's statement of origin or certificate of title. The Division is authorized to develop a form for this purpose."

Section 2. G.S. 20-58 reads as rewritten:

"**§ 20-58. Perfection by indication of security interest on certificate of title.**

(a) Except as provided in G.S. 20-58.8, a security interest in a vehicle of a type for which a certificate of title is required shall be perfected only as hereinafter provided.

(1) If the vehicle is not registered in this State, the application for notation of a security interest shall be the application for certificate of title provided for in G.S. 20-52.

(2) If the vehicle is registered in this State, the application for notation of a security interest shall be in the form prescribed by the Division, signed by the debtor, and contain the date of application of each security interest, and name and address of the secured party from whom information concerning the security interest may be obtained. The application must be accompanied by the existing certificate of title unless in the possession of a prior secured party. If there is an existing certificate of title issued by this or any other jurisdiction in the possession of a prior secured party, the application for notation of the security interest shall in addition contain the name and address of such prior secured party. An application for notation of a security interest may be signed by the secured party instead of the debtor when the application is accompanied by documentary evidence of the applicant's security interest in that motor vehicle signed by the debtor and by affidavit of the applicant stating the reason the debtor did not sign the application. (3) If the application for notation of security interest is made in order to continue the perfection of a security interest perfected in another jurisdiction, it may be signed by the secured party instead of the debtor. Such application shall be accompanied by documentary evidence of a perfected security interest. No such application shall be valid unless an application for a certificate of title has been made in North Carolina. The security interest perfected herein shall be subject to the provisions set forth in G.S. 20-58.5.

(b) When a manufacturer's statement of origin or an existing certificate of title on a motor vehicle is unavailable, a first lienholder who holds a valid license as a motor vehicle dealer issued by the Commissioner under Article 12 of this Chapter or his designee may file a notarized copy of an instrument creating and evidencing a security interest in the motor vehicle with the Division of Motor Vehicles. A filing pursuant to this subsection shall constitute constructive notice to all persons of the security interest in the motor vehicle described in the filing. The constructive notice shall be effective from the date of the filing if the filing is made within 20 days after the date of the security agreement. The constructive notice shall date from the date of the filing with the Division if it is made more than 20 days after the date of the security agreement. The notation of a security interest created under this subsection shall automatically expire 60 days after the date of the creation of the security interest, or upon perfection of the security interest as provided in subsection (a) of this section. A security interest notation made under this subsection and then later perfected under subsection (a) of this section shall be presumed to have been perfected on the date of the earlier filing. The Division may charge a fee not to exceed ten dollars ($10.00) for each notation of security interest filed pursuant to this subsection."

Section 3. G.S. 20-63(h) reads as rewritten:

"(h) Commission Contracts for Issuance of Plates and Certificates. -- All registration plates, registration certificates and certificates of title issued by the Division, outside of those issued from the Raleigh offices of the said Division and those issued and handled through the United States mail, shall be issued insofar as practicable and possible through commission contracts entered into by the Division for the issuance of such plates and certificates in localities throughout North Carolina with persons, firms, corporations or governmental subdivisions of the State of North Carolina and the Division shall make a reasonable effort in every locality, except as hereinbefore noted, to enter into a commission contract for the issuance of such plates and certificates and a record of these efforts shall be maintained in the Division. HOUSE BILL 1566:
Temp. MV Lien Filing

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Representative Cole
Date:	June 29, 2000	**Summary by:**	Wendy L. Graf
Version:	2nd Edition		Staff Attorney

SUMMARY: ***House Bill 1566 creates a procedure by which a first lienholder or his designee may file an application with the DMV for a temporary lien on a motor vehicle in cases where a manufacturer's statement of origin or an existing certificate of title on a motor vehicle is unavailable. The act becomes effective May 1, 2001.***

CURRENT LAW: Under current law (G.S. 20-58) there are three ways to perfect a security interest in a vehicle for which a certificate of title is required. In order to perfect a security interest by any of these methods, G.S. 20-58.2 requires that the DMV be provided with the application for notation of security interest within 20 days after the date of the security agreement in order for the date of perfection to relate back to the date of the execution of the security agreement. Otherwise, the interest is perfected when the application is delivered to the DMV. Therefore, if a manufacturer's statement of origin or certificate of title on a motor vehicle is unavailable until after that 20 day period has passed, a first lienholder's interest would not be perfected until he was able to provide that paper work to the DMV.

BILL ANALYSIS: House Bill 1566 changes the current law by adding a subsection to G.S. 20-58 which would allow a first lienholder to provide the DMV with an instrument, other than the manufacturer's statement of origin or certificate of title, evidencing a security interest in a motor vehicle within 20 days after the date of the security agreement. This would create a temporary notation of a security interest that would automatically expire 60 days after the security interest was created, or upon perfection of the security interest by any of the methods existing under current law. Perfection of a security interest under this subsection would also relate back to the date of the execution of the security agreement.

The bill also makes conforming changes to other sections of the General Statutes that would be affected by the changes made to G.S. 20-58. Those changes include:

* G.S. 20-72(b) allows a dealer to transfer title on a motor vehicle by certifying in writing to the DMV that all prior perfected liens have been paid and that the dealer is unable to obtain the vehicles statement of origin or certificate of title.

* G.S. 20-52.1 provides a procedure by which a dealer may transfer title to another when he is unable to obtain the vehicle's statement of origin or certificate of title, without being subject to the criminal penalty that one who delivers or accepts a certificate of origin assigned in blank would otherwise be guilty of.

* G.S. 20-79.1(h) allows the dealer to issue a second temporary registration plate, upon expiration of the first, upon showing that a temporary lien has been properly filed.

* G.S. 20-63(h) adds the issuance of a second temporary plate to the list of transactions for which commission contracts may be entered into by the DMV.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: The Department of Transportation, Motor Vehicles Division.

EFFECTIVE DATE: May 1, 2001.

BILL SUMMARY: Under current law a manufacturer's statement of origin or a certificate of title is needed when transferring ownership in a vehicle. The bill provides alternative methods of transfer when the manufacturer's statement of origin or an existing certificate of title is not available in a timely fashion. Under the bill, when these documents are not available, a licensed motor vehicle dealer can transfer title by certifying in writing to DMV that 1) all prior perfect liens on the vehicle have been paid and 2) despite "reasonable diligence" these documents are unavailable. Similarly, a dealer who is the first lienholder may file a notarized copy of an instrument creating and evidencing a security interest in the vehicle with the DMV. The notation of security interest is time limited. The DMV can charge a fee of up to $10.00 for each notation of security interest filed. Finally the bill authorizes a dealer to issue a second thirty day temporary plate if the vehicle has been sold, a temporary lien has been filed, and the dealer is unable to obtain the vehicle's statement of origin or certificate of title, making the dealer unable to perfect the lien.

ASSUMPTIONS AND METHODOLOGY: Under federal law titles and statements of origin must be transferred within 20 days to remain valid and enforceable. According to industry experts, automobile dealers and others transferring a vehicle are often unable to transfer the appropriate paperwork within that time period. The temporary lien system in the bill is an attempt to address this issue.

Tennessee has a temporary lien program similar to that developed in the bill. The Tennessee Secretary of State's office that administers the program estimates that they process between 200 and 250 temporary lien applications a day, or approximately 52,000 to 65,000 per year. According to the U.S. Department of Transportation, North Carolina has approximately 50% more registered vehicles than Tennessee. Using this percentage as a proxy suggests that North Carolina could expect to see approximately 300-375 temporary lien applications each day. The lower estimate of 300 per day or 78,000 per year is used for a revenue estimate.

Assuming the $10.00 fee is charged for each application, the bill will generate approximately $780,000 annually.

The Division of Motor Vehicles believes they will need one additional staff person (Grade 57) to implement the provisions of the bill. They also suggest that a high speed scanner, personal computer, software and associated hardware are needed. The MIS Division also estimates that three (3) additional FTEs will be needed in 2000-01 to rewrite their STARS database, plus $14,880 to cover ITS charges. DMV's total estimated costs are as follows:

	FY 2000-01	FY 2001-02	FY 2002-03	FY 2003-04	FY 2004-05
DMV Personnel	3998	23990	23990	23990	23990
Scanner & other software and equipment	60315				
MIS Personnel	176000				
ITS Charges	14880				
TOTAL	255193	23990	23990	23990	2399

In addition, DMV reports that they would contract with the local tag agents to process the applications. The Department believes they will pay the tag agents $1.35 per temporary lien or $105,300 per year.

The overall anticipated revenues and expenditures are as follows:

	FY 2000-01	FY 2001-02	FY 2002-03	FY 2003-04	FY 2004-05
Revenues					
Application Fees @ $10.00 each	130,000	780,000	780,000	780,000	780,000
Expenditures					
DMV and MIS Start-up Combined	263190	23990	23990	23990	23990
Tag Agent Fees	17550	105300	105300	105300	105300
Total Expenditures	280740	129290	129290	129290	129290
NET REVENUES	-150,740	650,710	650,710	650,710	650,710

While Tennessee's permanent personnel costs are significantly higher (their program uses twelve full time equivalents) Fiscal Research Appropriations staff believes North Carolina's use of tag agents makes the lower personnel cost estimates from DMV reasonable.

TECHNICAL CONSIDERATIONS: The bill does not specify which fund will benefit from the $10.00. Fiscal staff recommends that the bill be revised to clarify that the revenues and expenditures for this program should be a part of the Highway Fund.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE A NEW TAX CREDIT AS AN INCENTIVE FOR INVESTING IN DRY-CLEANING EQUIPMENT THAT DOES NOT USE HAZARDOUS SUBSTANCES, AS RECOMMENDED BY THE ENVIRONMENTAL REVIEW COMMISSION.

The General Assembly of North Carolina enacts:

Section 1. Article 3B of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-129.16C. Credit for investing in dry-cleaning equipment that does not use a hazardous substance.**

(a) Credit. -- If a taxpayer that has purchased or leased qualified dry-cleaning equipment places it in service in this State for commercial purposes during the taxable year, the taxpayer is allowed a credit equal to thirty-five percent (35%) of the cost of the equipment. To support the credit allowed by this section, the taxpayer must file with the tax return for the taxable year in which the credit is claimed a certification by the Department of Environment and Natural Resources that the equipment purchased or leased by the taxpayer is qualified dry-cleaning equipment.

(b) Restrictions. -- No credit is allowed under this section to the extent the cost of the equipment was paid with public funds. A taxpayer that claims any other credit allowed under this Chapter with respect to qualified dry-cleaning equipment may not take the credit allowed in this section with respect to the same equipment.

(c) Definitions. -- The following definitions apply only in this section:

(1) Hazardous solvent. -- A solvent any portion of which consists of a chlorine-based solvent, a hydrocarbon-based solvent, a hazardous substance as defined in G.S. 130A-310(2), or any substance determined by the Administrator of the Environmental Protection Agency or the Director of the National Institute of Occupational Safety and Health to possess carcinogenic potential to humans.

(2) Qualified dry-cleaning equipment. -- Equipment that is designed and used primarily to dry-clean clothing and other fabric and does not use any hazardous solvent or any other substance that the Department of Environment and Natural Resources determines to pose a threat to human health or the environment."

Section 2. This act is effective for taxable years beginning on or after July 1, 2001.

HOUSE BILL 1583:
Nonhazardous Dry Cleaning Tech. Incentive

BILL ANALYSIS

Committee:	House Finance	Sponsor:	Representative Pryor Gibson
Date:	June 28, 2000		
Version:	Proposed Committee Substitute for the Second Edition	Analysis by:	Rick Zechini, Staff Attorney

SUMMARY: The Proposed Committee Substitute for the Second Edition of House Bill 1583 provides a tax credit for commercial dry-cleaners who invest in environmentally friendly dry-cleaning equipment, effective July 1, 2001.

BILL ANALYSIS: The Proposed Committee Substitute for the Second Edition of House Bill 1583 adds a new section to Article 3B of Chapter 105 of the General Statutes, which currently provides tax credits for investing in general business property, renewable energy property, and low-income housing. The new section provides a tax credit for commercial dry-cleaners who buy or lease "qualified dry-cleaning equipment." "Qualified dry-cleaning equipment" is defined as dry-cleaning equipment that does not use any of the following:

- A chlorine-based solvent.
- A hydrocarbon-based solvent.
- A solvent that contains a hazardous substance as defined in the federal Comprehensive Environmental Response, Compensation, and Liability Act.
- A solvent that contains a substance determined by the Environmental Protection Agency or the National Institute of Occupational Safety and Health to possess carcinogenic potential to humans.
- A substance that the Department of Environment and Natural Resources (DENR) determines to pose a threat to human health or the environment.

It is estimated that 99% of the State's dry-cleaners currently use chlorine-based or hydrocarbon-based solvent. Use of these solvents has led to soil and groundwater contamination.

The new credit, which is similar to the renewable energy credit that was enacted in 1999, provides a credit for equipment placed in service in this State equal to 20% of the taxpayer's cost. Like the other credits in Article 3B, it may be taken against corporate or individual income tax or corporate franchise tax, at the taxpayer's choice; it may not exceed 50% of the taxpayer's tax liability in any given year; and any excess over this limit may be carried forward for up to five years. Article 3B requires the taxpayer to maintain and make available in case of audit any records necessary to determine and verify the amount of the credit to which the taxpayer is entitled. A taxpayer claiming the credit allowed under the new section must file with the tax

return a certification by DENR that the equipment purchased or leased by the taxpayer is "qualified dry-cleaning equipment."

The Environmental Review Commission recommended this proposal to the 2000 Regular Session of the 1999 General Assembly for its consideration.

The Proposed Committee Substitute amends the Second Edition of the bill by reducing the amount of the credit to 20% of the cost of the qualified dry-cleaning equipment from 35% of the cost of the qualified dry-cleaning equipment.

EFFECTIVE DATE: The Proposed Committee Substitute for the Second Edition of House Bill 1583 is effective for taxable years beginning on or after July 1, 2001.

EFFECTIVE DATE: This act is effective for taxable years beginning on or after July 1, 2001.

BILL SUMMARY: This bill provides a tax credit equal to 20% of the cost of purchasing or leasing nonhazardous dry cleaning equipment. To qualify as nonhazardous, the equipment must not use chlorine-based solvents, hydrocarbon-based solvents, or any other substance deemed hazardous by the Environmental Protection Agency or the Director of the National Institute of Occupational Safety and Health. In addition to not using any hazardous solvent, the equipment must be designed primarily to dry-clean clothes.

ASSUMPTIONS AND METHODOLOGY:

SOLVENTS

Hazardous dry cleaning solvents include hydrocarbon or petroleum based products and chlorine based solvents such as perchloroethylene. According to the National Institute of Environmental Health Sciences, 80% to 85% of the dry cleaners in the U.S. use perchloroethylene (commonly called perc). The Executive Director of the North Carolina Association of Launderers and Cleaners estimates that 84% of the dry cleaners in this state use perc and 15% use petroleum products. The remaining 1% of the state's dry cleaners use nonhazardous materials such as liquid carbon dioxide, Rynex, silicon based Green Earth, and water (wet cleaning). Although regulated as a hazardous material by the EPA, perc has been the solvent of choice because it can be used on all common textiles and fibers without risk of fabric shrinkage or faded dyes. Perc is also very

effective at removing fats, oils and grease out of clothes. While remaining the dominant dry cleaning solvent, perc use has declined 70% over the past decade due to innovations in equipment design, better operation and maintenance of equipment, and better training of employees.

NC DRYCLEANING MARKET

Growth in the dry cleaning industry was stagnant in the 1990's and is not expected to improve in the next five years. Economic census reports reveal that from 1992 to 1997, the number of dry cleaning plants in NC grew .56% a year. Meanwhile, the state's population grew 1.75% a year in the same five-year period. An analyst with the International Fabricare Institute said there were too many cleaners in the industry making the business very competitive. This was confirmed by the EPA Office of Compliance Sector Notebook Project: Profile of the Dry Cleaning Industry when it reported in September 1995 that "commercial dry cleaning is not a high profit business and many dry cleaners are barely able to stay in business." Sixty three percent of dry cleaners in 1993 had annual revenue of $113,000 or less. Sole proprietorship returns in 1997, showed that 74.3 % of dry cleaners were profitable and the net income for dry cleaners was $12,432 a year (Summer 1999 SOI Bulletin).

In 1997, the US Census Bureau published an Economic Census for North Carolina that listed 696 dry cleaning plants in the state. The Executive Director of the North Carolina Association of Launderers and Cleaners estimates that the average number of dry cleaning machines per facility is 1.1 due to the large number of small operations. Using the 696 plants reported in 1997 times 1.1 machines per facility equals 766 dry cleaning machines in North Carolina. The estimated life span of these machines is 12 to 15 years. Assuming an equal number of machines are retired each year, then between 51 (every 12 years) and 64 machines (every 15 years) will be purchased. This projection is in line with the Association of Launderers and Cleaners' estimate that 50 to 60 dry cleaning machines will be replaced in each of the next five years. Some of the replacement equipment may go into large central operations as the result of consolidation among smaller shops.

SWITCH TO NONHAZARDOUS SOLVENTS

As mentioned above, nonhazardous dry cleaners make up about 1% of the dry cleaning market. A Raleigh dry cleaner is one of 32 test sites in the world for silicone based Green Earth solution. Micell Technologies uses liquid carbon dioxide in its Hangers franchises in Wilmington, Morrisville, and Greensboro. Under a license agreement with Global Technologies, Sail Star USA will begin assembly of carbon dioxide dry cleaning machines in Charlotte this year. No advance orders have been received from North Carolina dry cleaning plants.

While nonhazardous dry cleaning machines are available, there has been no stampede to invest in the new technologies. Price is one obstacle. Given the low profit margins of many dry cleaning operations, many cannot afford the new technology. The cost of a new perc machine can range from $35,000 to $60,000, with an average of $50,000 for a 50 pound load machine. The carbon dioxide machines offered by Micell Technologies have an average cost of $165,000 plus a franchise requirement that cost $25,000 and a pledge of 5% of gross revenue as a royalty. The carbon dioxide machines built by Sail Star USA will cost between $80,000 to $120,000, but can be purchased without franchise obligations. Green Earth machines are not yet in full production but are estimated to cost between $40,000 to $60,000. (Hydrocarbon machines can be retrofitted to use Green Earth solution for less than $5000.)

Another obstacle to conversion to new technologies is the reluctance to invest in a technology that does not have a proven track record. Dr. Manfred Wentz, visiting professor at N.C. State University College of Textiles, said the new technologies have not reached maturity and that skeptics abound in the dry cleaning industry. A dry cleaning equipment dealer in Raleigh said the new technologies need a two or three year "shake out period" and that many dry cleaning operators may wait to see if the prices go down. The CEO of the Neighborhood Cleaners Institute said that carbon dioxide machines "have promise", but that the technology is "not all there yet". Some cleaners use wet cleaning in conjunction with their dry cleaning operation. Research by the International Fabricare Institute found "that up to 40 percent of garments could be wetcleaned quite readily but that it takes a serious commitment to proper training of employees to clean 60 to 80 percent of all garments." Wet cleaning machines can clean most garments but cannot adequately dissolve lipophilic stains such as oils, greases, fats and waxes.

Another hurdle to conversion in the short run is that many dry cleaning operators have invested in new perc machines in response to EPA regulations on hazardous solvents. These operators will get the maximum use of these machines before buying a new one. These new machines have reduced solvent use while providing the operators with the best and most consistent cleaner.

TAX CREDIT

In the short run, Micell Technologies seems to be the only nonhazardous solvent dry cleaning equipment company in position to capture a share of the new and replacement market of dry cleaning machines. Micell Technologies has estimated that it will sell 10 machines in North Carolina in 2001, 8 in 2002, and 7 in 2003 without the tax credit. With the tax credit, the company expects a 50% boost in sales to 15 in 2001, 12 in 2002, and 11 in 2003. Bank of America's announcement on April 22, 2000 that it would finance the purchase of Hangers franchises in conjunction with the Small Business Administration should make Micell's market projections more achievable.

By 2003 and 2004, the other nonhazardous solvent equipment manufacturers will have completed several years of tests and should produce enough machines to be more price competitive with perc and petroleum machines. Sail Star USA in Charlotte projects total production for the US market will increase from 150 units in year 2000 to maximum of 4,000 units in 2003. By 2003, the cost of each Sail Star unit could be as low as $60,000, a price competitive with perc. By 2003, Green Earth machines will have had three to four years of market experience and if the results are positive, the machine's $50,000 price tag will make it competitive in the market place.

This fiscal note assumes that 60 dry cleaning machines will be purchased each year from 2000 to 2005. The note assumes that Micell machines will be the only nonhazardous solvent machines sold until 2003. Beginning in 2003, it is assumed that all new and replacement dry cleaning machines will use nonhazardous solvents due to EPA and state environmental regulations. It is assumed that half of these dry cleaning machines will be purchased in the first six months of the fiscal year and half will be purchased in the second half of the fiscal year. (The exception is in 2001 when dry cleaners can be expected to delay purchase of Micell equipment until July 1 to get the 20% credit and use 100% of the credit in the tax year and fiscal year.) The dry cleaning companies will deduct the 20% tax credit from quarterly estimated income tax payments. In order to calculate fiscal year impact, it is assumed that 45% of the tax credit will be taken within the first 6 months (two quarters) of the purchase and 55% in the following two quarters. It is

assumed that the companies purchasing Micell equipment and Hangers franchise will be able to use the full tax credit in the year the equipment is purchased or leased. (For leased property, the tax credit is applied to eight times the annual rental rate.) For those purchasing or leasing other equipment, primarily replacement machines, it is assumed that they will be small businesses that do not have sufficient income to absorb the full tax credit and thus the credit will be carried forward for five years. To calculate the impact by fiscal year, the credit is divided equally over a five-year period. The chart below shows how the fiscal impact is calculated.

HOUSE BILL 1768

Short Title: Orange/Chatham Omnibus Act. (Local)

Sponsors: Representatives Insko and Hackney.

Referred to: Local Government I.

May 25, 2000

A BILL TO BE ENTITLED

AN ACT MAKING OMNIBUS CHANGES TO CERTAIN GENERAL AND LOCAL LAWS AFFECTING ORANGE COUNTY.

The General Assembly of North Carolina enacts:

PART I. ORANGE COUNTY ADDED TO THOSE COUNTIES USING ATTACHMENT AND GARNISHMENT IN THE COLLECTION OF AMBULANCE SERVICE FEES

Section 1. G.S. 44-51.8 reads as rewritten:

"**§ 44-51.8. Counties to which Article applies.**

The provisions of this Article shall apply only to Alamance, Alexander, Alleghany, Anson, Ashe, Beaufort, Bladen, Brunswick, Buncombe, Burke, Cabarrus, Caldwell, Caswell, Catawba, Chatham, Cherokee, Chowan, Cleveland, Columbus, Craven, Cumberland, Dare, Davidson, Davie, Duplin, Durham, Edgecombe, Forsyth, Franklin, Gaston, Graham, Granville, Greene, Guilford, Halifax, Harnett, Haywood, Henderson, Hertford, Hoke, Hyde, Iredell, Johnston, Jones, Lee, Lenoir, Lincoln, McDowell, Macon, Madison, Mecklenburg, Mitchell, Montgomery, Moore, Nash, New Hanover, Onslow, Orange, Pasquotank, Person, Pitt, Polk, Randolph, Richmond, Robeson, Rockingham, Rowan, Rutherford, Sampson, Scotland, Stanly, Stokes, Surry, Swain, Transylvania, Tyrrell, Union, Vance, Wake, Warren, Washington, Watauga, Wilkes, Wilson, Yadkin and Yancey Counties."

PART II. REGULATION OF OPEN BURNING

Section 2. G.S. 153A-136 reads as rewritten:

"**§ 153A-136. Regulation of solid wastes.**

(a) A county may by ordinance regulate the storage, collection, transportation, use, disposal, and other disposition of solid wastes. Such an ordinance may:

(1) Regulate the activities of persons, firms, and corporations, both public and private.

(2) Require each person wishing to commercially collect or dispose of solid wastes to secure a license from the county and prohibit any person from commercially collecting or disposing of solid wastes without a license. A fee may be charged for a license.

(3) Grant a franchise to one or more persons for the exclusive right to commercially collect or dispose of solid wastes within all or a defined portion of the county and prohibit any other person from commercially collecting or disposing of solid wastes in that area. The board of commissioners may set the terms of any franchise, except that no franchise may be granted for a period exceeding 30 years, nor may any franchise by its terms impair the authority of the board of commissioners to regulate fees as authorized by this section.

(4) Regulate the fees, if any, that may be charged by licensed or franchised persons for collecting or disposing of solid wastes.

(5) Require the source separation of materials prior to collection of solid waste for disposal.

(6) Require participation in a recycling program by requiring separation of designated materials by the owner or occupant of the property prior to disposal. An owner of recovered materials as defined by G.S. 130A-290(a)(24) retains ownership of the recovered materials until the owner conveys, sells, donates, or otherwise transfers the recovered materials to a person, firm, company, corporation, or unit of local government. A county may not require an owner to convey, sell, donate, or otherwise transfer recovered materials to the county or its designee. If an owner places recovered materials in receptacles or delivers recovered materials to specific locations, receptacles, and facilities that are owned or operated by the county or its designee, then ownership of these materials is transferred to the county or its designee.

(7) Include any other proper matter.

(b) Any ordinance adopted pursuant to this section shall be consistent with and supplementary to any rules adopted by the Commission for Health Services or the Department of Environment and Natural Resources.

(c) The board of commissioners of a county shall consider alternative sites and socioeconomic and demographic data and shall hold a public hearing prior to selecting or approving a site for a new sanitary landfill that receives residential solid

waste that is located within one mile of an existing sanitary landfill within the State. The distance between an existing and a proposed site shall be determined by measurement between the closest points on the outer boundary of each site. The definitions set out in G.S. 130A-290 apply to this subsection. As used in this subsection:

(1) "Approving a site" refers to prior approval of a site under G.S. 130A-294(a)(4).

(2) "Existing sanitary landfill" means a sanitary landfill that is in operation or that has been in operation within the five-year period immediately prior to the date on which an application for a permit is submitted.

(3) "New sanitary landfill" means a sanitary landfill that includes areas not within the legal description of an existing sanitary landfill as set out in the permit for the existing sanitary landfill.

(4) "Socioeconomic and demographic data" means the most recent socioeconomic and demographic data compiled by the United States Bureau of the Census and any additional socioeconomic and demographic data submitted at the public hearing.

(d) As used in this section, "solid waste" means nonhazardous solid waste, that is, solid waste as defined in G.S. 130A-290 but not including hazardous waste.

(e) A county may by ordinance regulate and prohibit the open burning of trees, limbs, stumps, and construction debris. A county may, as a condition of approval of any permit for a subdivision, clearing, and development of land or construction of buildings within the planning jurisdiction of the county, regulate and prohibit the open burning of trees, limbs, stumps, and construction debris associated with the permitted activity."

PART III. APPLICABILITY AND EFFECTIVE DATE

Section 3. This act applies to Orange County only.

Section 4. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT MAKING OMNIBUS CHANGES TO CERTAIN GENERAL AND LOCAL LAWS AFFECTING ORANGE COUNTY.

The General Assembly of North Carolina enacts:

PART I. ORANGE COUNTY ADDED TO THOSE COUNTIES USING ATTACHMENT AND GARNISHMENT IN THE COLLECTION OF AMBULANCE SERVICE FEES

Section 1. G.S. 44-51.8 reads as rewritten:

"**§ 44-51.8. Counties to which Article applies.**

The provisions of this Article shall apply only to Alamance, Alexander, Alleghany, Anson, Ashe, Beaufort, Bladen, Brunswick, Buncombe, Burke, Cabarrus, Caldwell, Caswell, Catawba, Chatham, Cherokee, Chowan, Cleveland, Columbus, Craven, Cumberland, Dare, Davidson, Davie, Duplin, Durham, Edgecombe, Forsyth, Franklin, Gaston, Graham, Granville, Greene, Guilford, Halifax, Harnett, Haywood, Henderson, Hertford, Hoke, Hyde, Iredell, Johnston, Jones, Lee, Lenoir, Lincoln, McDowell, Macon, Madison, Mecklenburg, Mitchell, Montgomery, Moore, Nash, New Hanover, Onslow, Orange, Pasquotank, Person, Pitt, Polk, Randolph, Richmond, Robeson, Rockingham, Rowan, Rutherford, Sampson, Scotland, Stanly, Stokes, Surry, Swain, Transylvania, Tyrrell, Union, Vance, Wake, Warren, Washington, Watauga, Wilkes, Wilson, Yadkin and Yancey Counties."

PART II. REGULATION OF OPEN BURNING

Section 2. G.S. 153A-136 reads as rewritten:

"**§ 153A-136. Regulation of solid wastes.**

(a) A county may by ordinance regulate the storage, collection, transportation, use, disposal, and other disposition of solid wastes. Such an ordinance may:

(1) Regulate the activities of persons, firms, and corporations, both public and private.

(2) Require each person wishing to commercially collect or dispose of solid wastes to secure a license from the county and prohibit any person from commercially collecting or disposing of solid wastes without a license. A fee may be charged for a license.

(3) Grant a franchise to one or more persons for the exclusive right to commercially collect or dispose of solid wastes within all or a defined portion of the county and prohibit any other person from commercially collecting or disposing of solid wastes in that area. The board of commissioners may set the terms of any franchise, except that no franchise may be granted for a period exceeding 30 years, nor may any franchise by its terms impair the authority of the board of commissioners to regulate fees as authorized by this section.

(4) Regulate the fees, if any, that may be charged by licensed or franchised persons for collecting or disposing of solid wastes.

(5) Require the source separation of materials prior to collection of solid waste for disposal.

(6) Require participation in a recycling program by requiring separation of designated materials by the owner or occupant of the property prior to disposal. An owner of recovered materials as defined by G.S. 130A-290(a)(24) retains ownership of the recovered materials until the owner conveys, sells, donates, or otherwise transfers the recovered materials to a person, firm, company, corporation, or unit of local government. A county may not require an owner to convey, sell, donate, or otherwise transfer recovered materials to the county or its designee. If an owner places recovered materials in receptacles or delivers recovered materials to specific locations, receptacles, and facilities that are owned or operated by the county or its designee, then ownership of these materials is transferred to the county or its designee.

(7) Include any other proper matter.

(b) Any ordinance adopted pursuant to this section shall be consistent with and supplementary to any rules adopted by the Commission for Health Services or the Department of Environment and Natural Resources.

(c) The board of commissioners of a county shall consider alternative sites and socioeconomic and demographic data and shall hold a public hearing prior to

selecting or approving a site for a new sanitary landfill that receives residential solid waste that is located within one mile of an existing sanitary landfill within the State. The distance between an existing and a proposed site shall be determined by measurement between the closest points on the outer boundary of each site. The definitions set out in G.S. 130A-290 apply to this subsection. As used in this subsection:

(1) "Approving a site" refers to prior approval of a site under G.S. 130A-294(a)(4).

(2) "Existing sanitary landfill" means a sanitary landfill that is in operation or that has been in operation within the five-year period immediately prior to the date on which an application for a permit is submitted.

(3) "New sanitary landfill" means a sanitary landfill that includes areas not within the legal description of an existing sanitary landfill as set out in the permit for the existing sanitary landfill.

(4) "Socioeconomic and demographic data" means the most recent socioeconomic and demographic data compiled by the United States Bureau of the Census and any additional socioeconomic and demographic data submitted at the public hearing.

(d) As used in this section, "solid waste" means nonhazardous solid waste, that is, solid waste as defined in G.S. 130A-290 but not including hazardous waste.

(e) A county may, as a condition of approval of any permit for a subdivision, clearing, and development of land or construction of buildings within the planning jurisdiction of the county, regulate and prohibit the open burning of trees, limbs, stumps, and construction debris associated with the permitted activity. Agricultural, horticultural, and silvacultural activities which are exempt by law from requirements of a county permit for subdivision, clearing, and development of land or construction of buildings within the planning jurisdiction of the county are not made subject to such permitting by this subsection."

PART III. APPLICABILITY AND EFFECTIVE DATE

Section 3. This act applies to Orange County only.

Section 4. This act is effective when it becomes law.

HOUSE BILL 1806

Short Title: Some Electricity Tax Exempt. (Public)

May 25, 2000

A BILL TO BE ENTITLED

AN ACT TO EXEMPT SALES TO MANUFACTURERS OF ELECTRICITY USED IN ARC FURNACES, INDUCTION FURNACES, AND ALUMINUM MANUFACTURING PROCESSES FROM THE SALES AND USE TAX.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-164.13 is amended by adding a new subdivision to read:

"(8b) Sales to a manufacturer of electricity that enters into and is used in the operation of arc furnaces, induction furnaces, and aluminum manufacturing processes."

Section 2. This act becomes effective March 1, 2000, and applies to sales made on or after that date.

Bill Analysis
House Bill 1806: Some Electricity Tax Exempt

To: Finance Committee Chairs and Bill Sponsor
From: Muriel K. Offerman, Secretary of Revenue
Date: June 27, 2000

Bill Summary

The proposed bill exempts sales of electricity made to a manufacturer that enters into or is used in the operation of arc furnaces, induction furnaces, and aluminum manufacturing processes.

The act is effective March 1, 2000, and applies to sales made on or after this date.

Sales of electricity are subject to the 2.83% or 3% rate of sales tax unless specifically exempted. Sales of electricity to manufacturing industries and manufacturing plants for use in connection with the operation of the industries and plants other than sales of electricity to be used for residential heating purposes are subject to the 2.83% rate of tax.

Department's Comments

Since the imposition of sales tax on sales of electricity effective January 1, 1985, the Sales and Use Tax Division has issued private letter rulings to several types of manufacturers advising that a portion of the firms' purchases of electricity was not subject to sales or use tax pursuant to G.S. 105-164.13(8) based on the Division's interpretation that the electricity purchased entered into the manufacturers' products. The types of manufacturers include the following: operators of arc furnaces, aluminum manufacturers, and battery manufacturers. The Division has issued private letter rulings that held that the exemption did not apply to electricity used to operate an induction furnace.

In a decision rendered on February 14, 2000, the Department's Hearings Officer concluded that the exemption provided under G.S. 105-164.13(8) for tangible personal property that entered into or became an ingredient or component part of a product did not apply to the sale of electricity to manufacturers that operate an arc or an induction furnace.

Based on the findings and conclusions of the Hearings Officer with regard to the nature of electricity, the Division issued Directive SD-00-01 on February 16, 2000, which provided that as of March 1, 2000, sales of electricity to

manufacturers were taxable at either the 2.83% or 3% rate, notwithstanding that a taxpayer had received a prior written ruling from the Division advising that the manufacturer's purchases of electricity were exempt from tax.

The proposed bill would exempt sales of electricity to most of the firms that otherwise would be taxable as of March 1, 2000 as a result of the decision of the Hearings Officer. Sales tax would continue to be due on sales of electricity to manufacturers when used in a manner other than to operate an arc furnace, induction furnace, or aluminum manufacturing process.

Department's Concerns

(1) The exemption is not uniform in that only certain manufacturers that had received rulings from the Division regarding their electricity purchases will be entitled to the exemption and the other firms will be liable for sales or use tax on all their purchases of electricity.

(2) Only electricity purchased for a use set out in the bill is exempt from tax; electricity used by manufacturers for other purposes at a plant will be subject to tax at the rate of 2.83%. In order to provide a means to account for taxable and nontaxable electricity purchases, we recommend that the exemption apply to electricity used for the denoted purposes as measured by a separate meter or another separate device. Similar provisions are included in G.S. 105-164.4(a)(1f), which is the subsection that provides for the reduced rate of tax on sales of electricity to farmers, manufacturers, and commercial laundries.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue – Sales and Use Tax Division

EFFECTIVE DATE: The act becomes effective March 1, 2000, and applies to sales made on after that date.

BILL SUMMARY: The bill exempts sales to manufacturers of electricity used in arc furnaces, induction furnaces, and aluminum manufacturing processes from the sales and use tax.

BACKGROUND: The Secretary of Revenue issued a Directive on February 14, 2000 that ruled electricity is not "an ingredient or component part of the materials being produced by a manufacturer in the operation of an arc furnace or an induction furnace". The Secretary determined that electricity is a form of energy, not a form of matter or tangible property that the Legislature intended to exempt from tax. The Directive overruled previous private letter rulings from the Sales and Use Tax Division of the Department of Revenue that allowed a sales tax exemption for arc furnaces. Effective March 1, 2000, electricity used in arc furnaces is once again subject to the 2.83% sales tax (3% is not separately metered). The Directive clarified that electricity used in induction furnaces is not tax exempt.

ASSUMPTIONS AND METHODOLOGY:
The Tax Research Division of the Department of Revenue estimates a General Fund revenue loss of $1.35 million a year if HB 1806 is approved. The estimate of tax paid on electricity used in arc furnaces, induction furnaces, and aluminum manufacturing processes is based on information

taken from sales and use tax returns and from requests for refund of sales and use tax paid. Due to a March 1, 2000 effective date, the Department will also refund $337,500 in FY 2000-01 for three months of collections in the last quarter of FY 1999-00.

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH A VOLUNTARILY FUNDED STATEWIDE SPAY/NEUTER PROGRAM TO PROVIDE EDUCATION ON THE BENEFITS OF SPAYING AND NEUTERING PETS AND TO PROVIDE FINANCIAL ASSISTANCE TO COUNTIES AND CITIES OFFERING LOW-INCOME PERSONS REDUCED-COST SPAY/NEUTER SERVICES FOR DOGS AND CATS.

The General Assembly of North Carolina enacts:

Section 1. Chapter 19A of the General Statutes is amended by adding a new Article to read:

"ARTICLE 5.

"Spay/Neuter Program.

"**§ 19A-50. Legislative findings.**

The General Assembly finds that the uncontrolled breeding of cats and dogs in the State has led to unacceptable numbers of unwanted dogs, puppies and cats and kittens. These unwanted animals become strays and constitute a public nuisance and a public health hazard. The animals themselves suffer privation and death, are impounded, and most are destroyed at great expense to local governments. It is the intention of the General Assembly to provide a voluntary means of funding a spay/neuter program to provide financial assistance to local governments offering low-income persons reduced-cost spay/neuter services for their dogs and cats and to provide a statewide education program on the benefits of spaying and neutering pets.

" **§ 19A-51. Spay/Neuter Program established.**

There is established in the Department of Health and Human Services a statewide program to foster the spaying and neutering of dogs and cats for the purpose of reducing the population of unwanted animals in the State. The program shall consist of the following components:

(a) Education Program. -- The Department shall establish a statewide program to educate the public about the benefits of having cats and dogs spayed and neutered. The Department may work cooperatively on the program with the North Carolina School of Veterinary Medicine, other State agencies and departments, county and city health departments and animal control agencies, and statewide and local humane organizations. The Department may employ outside consultants to assist with the education program.

(b) Local Spay/Neuter Assistance Program. -- The Department shall administer the Spay/Neuter Account established in G.S. 19A-52. Monies deposited in the account shall be available to reimburse eligible counties and cities for the direct costs of spay/neuter surgeries for cats and dogs made available to low-income persons.

"**§ 19A-52. Spay/Neuter Account established.**

(a) Creation. -- The Spay/Neuter Account is established as a nonreverting special revenue account in the Department of Health and Human Services. The Account consists of the following:

(1) Fifty cents (50¢) of the fee imposed by G.S. 130A-190(c) on the costs of obtaining rabies vaccination tags from the Department of Health and Human Services.

(2) Ten dollars ($10.00) of the additional fee imposed by G.S. 20-79.7 for an Animal Lovers special license plate.

(3) Any other funds available from appropriations by the General Assembly or from contributions and grants from public or private sources.

(b) Use. -- The revenue in the Account shall be used by the Department of Health and Human Services as follows:

(1) Twenty percent (20%) shall be used to develop and implement the statewide education program component of the Spay/Neuter Program established in G.S. 19A-51(a).

(2) Up to twenty percent (20%) of the money in the Account may be used to defray the costs of administering the Spay/Neuter Program established in this Article.

(3) Funds remaining after deductions for the education program and administrative expenses shall be distributed quarterly to eligible counties and cities seeking reimbursement for reduced-cost spay/neuter surgeries performed during the previous year.

"**§ 19A-53. Eligibility for distributions from Spay/Neuter Account.**

(a) A county or city is eligible for reimbursement from the Spay/Neuter Account if it meets both of the following conditions:

(1) The county or city levies an animal tax on dogs and cats under either G.S. 153A-153 or G.S. 160A-212, and the amount of the tax levied on a dog or cat that has not been spayed or neutered is at least three times higher than the amount of the tax levied on a dog or cat that has been spayed or neutered; provided that the total amount of the tax levied shall not exceed twenty-five dollars ($25.00). A county or city may exempt from the higher tax rate a person who owns five or more dogs or five or more cats and has registered with the county or city as a dog breeder or a cat breeder. Registration shall be on forms provided by the county or city and accompanied by a registration fee of twenty-five dollars ($25.00). Any tax owed by a registered dog breeder or registered cat breeder pursuant to G.S. 153A-153 or G.S. 160A-212 during the 12-month period following registration shall be calculated as if the dogs or cats owned by the registrant were spayed or neutered.

(2) The county or city offers one or more of the following programs to low-income persons on a year-round basis for the purpose of reducing the cost of spaying and neutering procedures for dogs and cats:

a. A spay/neuter clinic operated by the county or city.

b. A spay/neuter clinic operated by a private organization under contract or other arrangement with the county or city.

c. A contract or contracts with one or more veterinarians, whether or not located within the county, to provide reduced-cost spaying and neutering procedures.

d. Subvention of the spaying and neutering costs incurred by low-income pet owners through the use of vouchers or other procedure that provides a discount of the cost of the spaying or neutering procedure fixed by a participating veterinarian or other provider.

e. Subvention of the spaying and neutering costs incurred by persons who adopt a pet from an animal shelter operated by or under contract with the county or city.

(b) For purposes of this Article, the term "low-income person" shall mean an individual who qualifies for one or more of the programs of public assistance administered by the Department pursuant to Chapter 108A of the General Statutes.

"**§ 19A-54. Distributions to counties and cities from Spay/Neuter Account.**

(a) Reimbursable Costs. -- Counties and cities eligible for distributions from the Spay/Neuter Account may receive reimbursement for the direct costs of a spay/neuter surgical procedure for a dog or cat owned by a low-income person meeting the Department's eligibility requirements for spay/neuter services. Reimbursable costs shall include anesthesia, medication, and veterinary services. Counties and cities shall not be reimbursed for the administrative costs of providing reduced-cost

spay/neuter services or capital expenditures for facilities and equipment associated with the provision of such services.

(b) Application. -- A county or city eligible for reimbursement of spaying and neutering costs from the Spay/Neuter Account shall apply to the Department of Health and Human Services by the last day of January, April, July, and October of each year to receive a distribution from the Account for that quarter. The application shall be submitted in the form required by the Department and shall include an itemized listing of the costs for which reimbursement is sought.

(c) Distribution. -- The Department shall make payments from the Spay/Neuter Account to eligible counties and cities who have made timely application for reimbursement within 30 days of the closing date for receipt of applications for that quarter. In the event that total requests for reimbursement exceed the amounts available in the Spay/Neuter Account for distribution, the monies available will be distributed as follows:

(1) Fifty percent (50%) of the monies available in the Spay/Neuter Account shall be reserved for reimbursement for eligible applicants within enterprise tier one, two, and three areas as defined in G.S. 105-129.3. The remaining fifty percent (50%) of the funds shall be used to fund reimbursement requests from eligible applicants in enterprise tier four and five areas as defined in G.S. 105-129.3.

(2) Among the eligible counties and cities in enterprise tier one, two, and three areas, reimbursement shall be made to each eligible county or city in proportion to the number of dogs and cats that have received rabies vaccinations during the preceding fiscal year in that county or city as compared to the number of dogs and cats that have received rabies vaccinations during the preceding fiscal year by all of the eligible applicants in enterprise tier one, two, or three areas.

(3) Among the eligible counties and cities in enterprise tier four and five areas, reimbursement shall be made to each eligible county or city in proportion to the number of dogs and cats that have received rabies vaccinations during the preceding fiscal year in that county or city as compared to the number of dogs and cats that have received rabies vaccinations during the preceeding fiscal year by all of the eligible applicants in enterprise tier four and five areas.

(4) Should funds remain available from the fifty percent (50%) of the Spay/Neuter Account designated for enterprise tier one, two, or three areas after reimbursement of all claims by eligible applicants in those areas, the remaining funds shall be made available to reimburse eligible applicants in enterprise tier four and five areas."

Section 2. G.S. 130A-190 reads as rewritten:

"**§ 130A-190. Rabies vaccination tags.**

(a) A licensed veterinarian or a certified rabies vaccinator who administers rabies vaccine to a dog or cat shall issue a rabies vaccination tag to the owner of the animal. The rabies vaccination tag shall show the year issued, a vaccination number, the words "North Carolina" or the initials "N.C." and the words "rabies vaccine." Dogs and cats shall wear rabies vaccination tags at all times. However, cats may be exempted from wearing the tags by local ordinance. ~~Rabies~~

(b) Rabies vaccination tags, links and rivets may be obtained from the Department. The Secretary is authorized to establish by rule a fee for the rabies tags, links and rivets. Except as otherwise authorized in this section, the fee shall not exceed the actual cost of the rabies tags, links and rivets, plus transportation costs. The Secretary may increase the fee beyond the actual cost plus transportation, by an amount not to exceed five cents ($.05) per tag, to fund rabies education and prevention programs.

(c) The Department shall make available a special edition rabies tag to be known as the "I Care" tag. This tag shall be different in shape from the standard tag and shall carry the inscription "I Care" in addition to the information required by subsection (a) of this section. The Secretary is authorized to establish a fee for the "I Care" rabies tag equal to the amount set forth in subsection (b) of this section plus an additional fifty cents ($.50). The additional fifty cents ($.50) shall be credited to the Spay/Neuter Account established in G.S. 19A-52."

Section 3. G.S. 20-81.12(b10) reads as rewritten:

"(b10) Animal Lovers Plates. -- The Division must receive 300 or more applications before an animal lovers plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of the animal lovers plate to the ~~Department of Health and Human Services to create a statewide program to promote spaying and neutering of dogs and cats.~~ Spay/Neuter Account established in G.S. 19A-50."

Section 4. G.S. 130A-197 reads as rewritten:

"§ 130A-197. Infected dogs and cats to be destroyed; protection of vaccinated dogs and cats.

~~A~~ When the local health director reasonably suspects that a dog or cat ~~bitten by~~ has been exposed to the saliva or nervous tissue of a proven rabid animal or animal reasonably suspected of having rabies that is not available for laboratory ~~diagnosis~~ diagnosis, the dog or cat shall be considered to have been exposed to rabies. A dog or cat exposed to rabies shall be destroyed immediately by its owner, the county Animal Control Officer or a peace officer unless the dog or cat has been vaccinated against rabies in accordance with this Part and the rules of the Commission more than three weeks prior to being ~~bitten,~~ exposed, and is given a booster dose of rabies vaccine within three days of the ~~bite.~~ exposure. As an alternative to destruction, the dog or cat may be quarantined at a veterinary hospital or animal control facility for a period of six months at the discretion of, and under conditions imposed by, the local health director."

Section 5. Every county or city animal shelter, or animal shelter operated under contract with a county or city or otherwise in receipt of State or local funding

shall prepare an annual report setting forth the numbers, by species, of animals received into the shelter, the number adopted out, the number returned to owner, and the number destroyed. The report shall also contain the total operating expenses of the shelter and the cost per animal handled. The report shall be filed with the Department of Health and Human Services by August 1 of each year.

Section 6. The Department of Health and Human Services shall establish a pilot program for animal control in one of the counties within the enterprise tier one area, as defined in G.S. 105-29.3, that does not have an existing animal control program and that meets the qualifications established in this section.

The Department shall select a county to participate from among those counties applying to the Department for consideration for the pilot program. Counties wishing to participate should submit a written application to the Department describing in detail the animal control problems in the county, the proposed animal control program to be implemented with the funding available through the pilot program, and the expected results from the program. The Department shall make its selection based on its determination of where the pilot program would most effectively reduce the population of unwanted cats and dogs and enhance public health and safety. The decision of the Department as to the county chosen to participate in the pilot program shall be final.

To qualify to participate in the program, a county shall establish a differentiated tax on dogs and cats and offer a reduced cost spay/neuter program to low-income persons as provided in G.S. 19A-53(a). The county selected shall be required to provide a fifty percent (50%) match to any State funds that are allocated for the local animal control program. The county shall keep records of the number of cats and dogs spayed and neutered under the reduced cost spay/neuter program and shall report the results of the pilot program on animal control problems in the county to the Department on a semiannual basis.

Funding for the program shall be from the Spay/Neuter Account established pursuant to G.S. 19A-52 from funds received from the sale of Animal Lovers special license plates pursuant to G.S. 20-79.7 and shall not exceed fifty percent (50%) of the funds available from the sale of the special license plate or fifty thousand dollars ($50,000), whichever is less.

Section 7. This act becomes effective January 1, 2001.

SENATE BILL 1184:
Spay/Neuter Program (study bill)

BILL ANALYSIS

Committee: House Finance
Date: June 28, 2000
Version: 3rd Edition

Introduced by: Senator Kinnaird
Summary by: Mary Shuping
Research Assistant

SUMMARY: ***SB 1184 is the recommendation of the LRC Animal Treatment Procedures Committee. The bill establishes a voluntarily funded statewide spay/neuter program to provide education on the benefits of spaying and neutering pets and to provide financial assistance to counties and cities offering low-income persons reduced cost spay/neuter services for dogs and cats. The bill is effective January 1, 2001.***

BILL ANALYSIS:

Section 1

Creation of Voluntarily Funded Statewide Spay/Neuter Program to provide two services:

- Financial assistance to local governments that offer low-income persons reduced cost spay/neuter services for their dogs and cats. (A "low-income person" is defined as one who qualifies for one or more of the programs of public assistance administered by the Department of Health and Human Services. These programs include Work First, State-County Special Assistance for Adults, Foster Care and Adoption Assistance Payments, Food Stamp Program, and Medical Assistance Program.)
- Statewide program to educate the public on the benefits of spaying and neutering.

Funding for statewide program

The bill establishes a non-reverting special revenue Spay/Neuter Account in the Department of Health and Human Services to fund the above two services. Revenue for the Account comes from the following:

- An additional 50 cent fee on the cost of obtaining a special rabies tag. This special tag is an alternative to the standard tag and is a different shape and carries the designation "I Care".
- $10 of the additional fee for the purchase of Animal Lovers special license plates.
- Any appropriations by the General Assembly or contributions and grants.

Use of revenues in Account

- 20% to develop and implement the statewide education program.
- Up to 20% to defray costs of administering the Spay/Neuter Program. In the first year the fund is operational, the Department will use lapsed salary dollars to fund a position to administer the Program. In subsequent years, lapsed salary dollars will be used to supplement funding for administration of the program if revenue from the Spay/Neuter Account is insufficient.
- Remaining funds distributed quarterly to counties and cities seeking reimbursement for reduced-cost spay/neuter surgeries performed the previous year.

Eligibility for distribution

A county or city must meet two eligibility requirements for reimbursement:

1. Levy an annual animal tax on dogs and cats. The tax on animals that are not spayed or neutered must be at least three times the tax levied for pets that have been spayed or neutered (The county or city may exempt from the higher tax rate a person who owns five or more dogs or five or more cats and has registered with the county or city as a dog breeder or cat breeder. The registration fee may not exceed $25.)
2. Offer to low-income persons a year round, reduced cost spay/neuter program. Eligible local programs include a spay-neuter clinic operated by the local government or under contract with the local government; contracts with one or more veterinarians to provide low cost spay neuter procedures; subsidization of spay/neuter costs for low income pet owners through the use of vouchers; or subsidies of the spay/neuter costs for pets adopted from the local animal shelter

Reimbursable Costs & Method of Distribution

Reimbursements to eligible counties and cities are for the direct costs of a spay/neuter surgical procedure for a dog or cat owned by a low-income person. Reimbursable costs include anesthesia, medication and veterinary services. Reimbursable costs do *not* include administrative costs or capital expenditures.

Of the funds available in the Account, 50% will be reserved for reimbursement to eligible counties in enterprise tier one, two, or three areas. The remaining 50% will be available to eligible counties in tier four and five areas. Of the money available to enterprise tier one, two and three areas, the funds shall be distributed to each eligible county or city in proportion to the number of dogs and cats that have received a vaccination during the preceding fiscal year as compared to the number of vaccinations given throughout the enterprise tier one, two, and three areas. Of the money available for the remaining eligible counties and cities, the monies will also be distributed proportionally according to the numbers of vaccinations given in the previous fiscal year.

Section 2 establishes the special edition of the rabies tag ("I Care" tag) which costs an additional 50 cents. The additional charge is credited to the Spay/Neuter Account.

Section 3 clarifies that $10 of the fee from the "Animal Lovers" special license plate will be deposited in the Spay/Neuter Account. (Under current law, the $10/plate is deposited with the DHHS to create a statewide program for spaying and neutering of dogs and cats.)

Section 4 of the bill amends G.S. 130A-197 to allow, as an alternative to destruction, a six months quarantine of unvaccinated animals that have been exposed to rabies. The section also deletes reference to "bitten by" a proven rabid animal and substitutes "exposed to the saliva or nervous tissue" of a proven rabid animal.

Section 5 of the bill requires city and county animal shelters to make annual reports to DHHS on the number of animals received, adopted out, returned to owners, and destroyed, along with total operating expenses.

Section 6 of the bill directs the Department to establish a pilot animal control program in an enterprise tier one county that does not currently have a program meeting the standards of the act. The selected county must provide a 50% match to State funds allocated for the pilot program. The State funds will come from money in the Spay/Neuter Account from the sale of the Animal Lovers license plates, but the amount cannot exceed the lesser of 50% of this money or $50,000.

EFFECTIVE DATE: January 1, 2001.

EFFECTIVE DATE: This act becomes effective January 1, 2001.

* Reversions from lapsed salaries (General Fund) may be used if funds are insufficient in the Spay/Neuter Account to fund administrative expenses.

BILL SUMMARY: This bill establishes a spay/neuter program in the North Carolina Department of Health and Human Services (HHS) – Division of Public Health. HHS will develop a statewide program to educate the public about the benefits of spaying and neutering cats and dogs. HHS will also create a Local Spay/Neuter Assistance Program to reimburse cities and counties for costs of performing spaying and neutering of pets belonging to low income persons. These spay/neuter programs are funded by 1) a voluntarily paid 50 cents fee on rabies

vaccination tags, 2) $10 from the sale of each Animal Lovers license plate, and 3) any appropriations or contributions. All revenues are paid into a Spay/Neuter Account that is then allocated 20% to statewide education, 20% to administration, and 60% to aid local governments.

ASSUMPTIONS AND METHODOLOGY:

REVENUE

Staff for the Veterinary Public Health Program in the Department of Health and Human Services estimates that one million rabies tags are sold annually to veterinarians. These tags provide proof of a rabies vaccination. Although not all tags are used in a year, it is the best indicator available for rabies vaccinations. SB 1184 makes available a special edition "I Care" rabies tag for an additional 50 cents. This additional fee is deposited into a new Spay/Neuter Account. Given that the purchase of "I Care" tags is voluntary, it is unknown what the annual revenue will be. The maximum revenue that can be obtained from this voluntary fee is $500,000 per year. The minimum revenue is zero.

SB 1184 transfers the future proceeds of the Animal Lovers special license plates into the Spay/Neuter Account. Since HB 1246 was approved on July 21, 1999, 592 persons have purchased the "I Care" animal lovers plate. $10 of the $20 special plate fee has gone to the Department of Health and Human Services for the spay/neuter program. At a minimum, the Spay/Neuter account will receive $5,920 from the renewal of these plates each year. With less than one year of experience with this tag, there is no reasonable method to estimate growth in plate sales.

Although SB 1184 does not mandate a local animal tax on dogs and cats, it does require local governments to have enacted this tax in order to qualify for grants from the Spay/Neuter Account. This animal tax must be three times higher for cats and dogs that have not been spayed or neutered than for cats and dogs that have been spayed or neutered. Some local governments may adopt this tax or amend their existing animal tax to qualify for the grant program. Twenty three counties reported an animal tax ordinance in a 1997 survey conducted by the North Carolina Association of County Commissioners, but it is not known whether these counties meet the tax standard in SB 1184. No similar survey is available for municipalities, but 47 towns and cities did report revenue from an animal tax in their 1997 AFIR (Annual Financial Information Report).

EXPENDITURE

1. A ½ FTE position titled Vet Tech II is needed to develop educational activities and to administer grant funds to counties for the surgical procedures. The position is also needed to establish a procedure with each licensed veterinarian and licensed certified rabies vaccinator in the state's 760 veterinary facilities for collecting and submitting the "I Care" tag fee.

2. In addition to the position, $12,505 will be needed for supplies, postage announcing the program and office equipment for the first year and $7,222 for the second year.

3. It is assumed that the inflation factor for the salary of the position will increase as follows: FY2002 - 3.6%, FY2003 - 3.5%, FY2004 - 3.7%, and FY2005 - 4.0%.

4. It is assumed that the inflation factor for general supplies will increase as follows:

FY2003 - 2.5%, FY2004 - 2.6%, and FY2005 - 2.7%.

TECHNICAL CONSIDERATIONS:

1. The bill explicitly states that 20% of the Spay/Neuter Account revenues will be used for administration and the difference of the revenues and actual costs of administration is to be funded from lapsed salaries. Lapsed salaries are unspent salary funds created by a vacant position. Since positions are budgeted for 100% of the fiscal year, each day that a position is left vacant results in unspent wages and fringe benefits for that day. Typically, these funds revert at the end of the year or are used in an approved transfer during the year. Due to the uncertainty of rabies tag receipts in the first year of the program, earmarking of lapsed salaries is equal to an appropriation of General Fund reversions in FY 2000-01. Furthermore, there is no guarantee that funds will be available during the fiscal year to cover the administrative cost of the program.

2. Reference on page 2, lines 10 and 11 to the North Carolina School of Veterinary Medicine should be changed to the North Carolina State University College of Veterinary Medicine.

Section 5. G.S. 20-81.12 is amended by adding the following new subsections to read:

"(b12) Support Public Schools Plates. -- The Division must receive 300 or more applications for a Support Public Schools plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of Support Public Schools plates to the Fund for the Reduction of Class Size in Public Schools created pursuant to G.S. 115C-472.10.

(b13) Ducks Unlimited Plates. -- The Division must receive 300 or more applications for a Ducks Unlimited plate and receive any necessary licenses from Ducks Unlimited, Inc., for use of their logo before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of Ducks Unlimited plates to the Wildlife Resources Commission to be used to support the conservation programs of Ducks Unlimited, Inc., in this State.

(b14) Omega Psi Phi Fraternity Plates. -- The Division must receive 300 or more applications for an Omega Psi Phi Fraternity plate and receive any necessary licenses, without charge, from Omega Psi Phi Fraternity, Incorporated, before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of Omega Psi Phi Fraternity plates to the United Negro College Fund, Inc., through the Winston-Salem Area Office for the benefit of UNCF colleges in this State.

(b15) Litter Prevention Plates. -- The Division shall develop a litter prevention plate regardless of the number of applications for the plate that the Division receives. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of litter prevention plates to the Litter Prevention Account created pursuant to G.S. 136-125.1."

Section 6. Chapter 115C of the General Statutes is amended by adding a new Article to read:

"ARTICLE 32C.

"Fund for the Reduction of Class Size in Public Schools.

"§ 115C-472.10. Establishment of the Fund for the Reduction of Class Size in Public Schools.

(a) There is established under the control and direction of the State Board of Education the Fund for the Reduction of Class Size in Public Schools. This fund shall be a nonreverting special revenue fund consisting of moneys credited to it under G.S. 20-81.12(b12) from the sale of special registration plates to support the public schools.

(b) The State Board of Education shall allocate funds in the Fund for the Reduction of Class Size in Public Schools to local school administrative units to reduce class size in public schools."

Section 7. G.S. 20-81.12(b2) is amended by adding the following new subdivision:

"(b2) State Attraction Plates. -- The Division must receive 300 or more applications for a State attraction plate before the plate may be developed. The Division must transfer quarterly the money in the Collegiate and Cultural Attraction

Plate Account derived from the sale of State attraction plates to the organizations named below in proportion to the number of State attraction plates sold representing that organization:

. . .

(1b) The North Carolina Maritime Museum. -- The revenue derived from the special plate shall be transferred quarterly to Friends of the Museum, North Carolina Maritime Museum, Inc., to be used for educational programs and conservation programs and for operating expenses of the North Carolina Maritime Museum."

Section 8. G.S. 20-84(b)(9) reads as rewritten:

"(b) Permanent Registration Plates. -- The Division may issue permanent plates for the following motor vehicles:

. . .

(9) A bus owned by a church and used exclusively for transporting individuals to Sunday ~~school and~~ school, to church ~~services.~~ services, and to other church related activities."

Section 9.(a) Chapter 136 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 10A.

"Litter Prevention Account.

"§ 136-125.1. Litter Prevention Account.

There is established under the control and direction of the Department of Transportation the Litter Prevention Account. The Account shall be a nonreverting special revenue account within the Highway Fund and shall consist of moneys credited to the Account under G.S. 20-81.12(b12) from the sale of litter prevention special registration plates. The Department of Transportation shall allocate the funds in the Account to reduce litter in the State.

"§ 136-125.2. Report.

The Department of Transportation shall report no later than October 1 of each year to the Joint Legislative Transportation Oversight Committee and the Environmental Review Commission regarding the allocation of funds from the Litter Prevention Account. The report shall include all receipts to and allocations from the Account made during the previous fiscal year and shall explain how each allocation serves to reduce litter in the State."

Section 9.(b) The first report required by G.S. 136-125.2, as enacted by subsection (a) of this section, is due no later than October 1, 2002.

Section 9.(c) The Department of Transportation, the Department of Environment and Natural Resources, and the Department of Public Instruction shall cooperatively develop the phrase and picture to be used on the litter prevention special registration plate authorized by G.S. 20-79.6(b)(22a), as enacted by this act.

Section 9.(d) The Legislative Research Commission shall study issues related to the prevention and removal of litter. The Commission shall make a final report of its recommendations regarding the prevention and removal of litter, including any proposed legislation, to the 2001 General Assembly.

SENATE BILL 1210:
Special Registration Plates

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Sen. Odom
Date:	June 29, 2000	**Summary by:**	Cindy Avrette
Version:	PCS for 2nd Edition S1210-CSRB-6.29		Committee Counsel

SUMMARY: The proposed committee substitute for Senate Bill 1210 does four things:

- ***It expands the purposes for which a church bus may be used and still qualify to receive a permanent registration plate. The expanded purpose is the transporting of individuals to church related activities. Under current law, the bus may only be used to transport individuals to Sunday school and church.***
- ***It removes the additional $10 fee imposed for special registration plates from the Legion of Valor special registration plate.***
- ***Current law gives one special registration plate, free of charge, to a recipient of the Congressional Medal of Honor, a 100% disabled veteran, and an ex-prisoner of war. This bill provides that these persons may receive additional special plates without paying the $10 additional special registration plate fee.***
- ***It authorizes DMV to issue seven <u>new</u> special registration plates.***

BILL ANALYSIS: DMV may issue a permanent registration plate to for a bus owned b a church and used exclusively for transporting individuals to Sunday school and church. A permanent registration plate costs $6.00. Senate Bill 1210 expands the purposes for which a church may use a bus and still be eligible for the permanent registration plate. The expanded use is the transporting of individuals to church-related activities.

The bill adds Legion of Valor plates to the list of plates that may be obtained without paying the additional $10 fee. The Legion of Valor plate is issuable to a recipient of one of the following military decorations: The Congressional Medal of Honor, the Distinguished Service Cross, the Navy Cross, or the Air Force Cross.

A recipient of the Congressional Medal of Honor, as well as a 100% disabled veteran and an ex-prisoner of war, may obtain one special registration plate free of charge. The bill provides that these people may obtain additional special registration plates without paying the additional $10 fee. The regular registration plate fee would be imposed for the additional plates.

Lastly, the bill creates seven new special registration plates. Before the plates may be issued, DMV would need to receive at least 300 applications for the plate. The cost of the special registration plates would be the regular registration plate fee plus an additional amount. All six of the new plates are subject to the $10 special registration plate fee. The revenue from that portion of the fee would be distributed as outlined above. Five of the plates are subject to an additional amount that may be used for specified purposes. The chart on back lists the six new plates, the additional fee amount imposed for each new plate, and the distribution of the fee revenues, and it gives a brief description of the plate:

Name of Plate	Fee Amount	$10 goes to the Special Registration Plate Fund: Distribution of Remainder	Brief Description
Ducks Unlimited	$20.00	Wildlife Resources Commission to be used to support the conservation programs of Ducks Unlimited, Inc., in this State.	Ducks Unlimited logo and the words "Ducks Unlimited".
Goodness Grows	$20.00	North Carolina Agricultural Promotions, Inc., to be sued to promote the sale of North Carolna agricultural products.	Logo for "Goodness Grows in North Carolina" and the phrase "Agriculture: NC's #1 Industry".
Litter Prevention	$20.00	Litter Prevention Account. *The bill creates the Account as a nonreverting special revenue account within the Highway Fund. The money in the Account may only be used to reduce litter in the State.	DOT, DENR, and DPI must cooperatively develop the phrase and picture to be used. The phrase and picture must be appropriate to the subject of litter prevention.
NC Maritime Museum	$30.00	Friends of the Museum, North Carolina Maritime Museum, Inc., to be used for educational programs and conservation programs and for operating expenses of the Museum.	Phrase or an insignia representing the NC Maritime Museum.
Omega Psi Phi Fraternity	$20.00	United Negro College Fund, Inc., through the Winston-Salem Area Office for the benefit of UNCF colleges in this State.	Omega Psi Phi Fraternity symbol and name.
Support Public Schools	$20.00	Fund for the Reduction of Class Size in Public Schools. *The bill creates this fund as a nonreverting special revenue fund. The State Board of Education must allocate the revenue in the Fund to local school administrative units to reduce class size in public schools.	A picture representing an old-time one-room schoolhouse and the words "Support Our Public Schools."
Tobacco Heritage	----------	----------	A picture of a tobacco leaf and plow.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE INCENTIVES FOR DEVELOPMENT OF THE FILM INDUSTRY IN NORTH CAROLINA.

The General Assembly of North Carolina enacts:

Section 1. Part 2 of Article 10 of Chapter 143B of the General Statutes is amended by adding a new section to read:

"**§ 143B-434.3. Film Industry Development Account.**

(a) Creation and Purpose of Account. -- There is created in the Department of Commerce, Division of Travel and Tourism, the Film Industry Development Account to provide annual grants as incentives to production companies that engage in production activities in this State. The Division of Travel and Tourism shall administer this program in accordance with the following provisions:

(1) To be eligible for a grant, a production company must engage in production activities in this State. A grant may not be used for political or issue advertising.

(2) A grant may not exceed fifteen percent (15%) of the amount the production company spends for goods and services in this State during the calendar year.

(3) A grant may not exceed two hundred thousand dollars ($200,000) per production.

(b) Production Company Defined. -- As used in this section, the term 'production company' has the meaning provided in G.S. 105-164.3.

(c) Reports. -- The Department of Commerce shall report annually to the General Assembly concerning the applications made to the account, the payments made from the account, and the effect of the payments on job creation in the State. The Department of Commerce shall also report quarterly to the Joint Legislative Commission on Governmental Operations and the Fiscal Research Division on the use of the moneys in the account, including information regarding to whom payments were made and in what amounts."

Section 2. G.S. 143-341(4) is amended by adding a new sub-subdivision to read:

"**§ 143-341. Powers and duties of Department.**

The Department of Administration has the following powers and duties:

. . .

(4) Real Property Control:

. . .

o. To provide that no fee, other than reimbursement of actual costs incurred and actual revenues lost by the State, shall be charged when State buildings are made available to a production company for a production. As used in this subdivision, the term 'production company' has the meaning provided in G.S. 105-164.3.

. . . ."

Section 3. Article 10 of Chapter 143 of the General Statutes is amended by adding a new section to read:

"**§ 143-162.2. Use of public property by production companies.**

If a State agency makes real property available to a production company for a production, it shall not charge any fee other than reimbursement of actual costs incurred and actual revenues lost by the agency. As used in this section, the term 'production company' has the meaning provided in G.S. 105-164.3. This section does not require a State agency to make real property available to a production company for a production."

Section 4. G.S. 105-164.3 is amended by adding a new subdivision to read:

"(11c) 'Production company' means a person engaged in the business of making original motion picture, television, or radio images for theatrical, commercial, advertising, or educational purposes."

Section 5. G.S. 105-164.13(22a) reads as rewritten:

"(22a) Sales of audiovisual masters made or used by a production company in making visual and audio images for first generation reproduction. For the purpose of this subdivision, an "audiovisual master" is an audio or video film, tape, or disk or another audio or video storage device from which all other copies are made. ~~For the purpose of this subdivision, a production company is a person~~

~~engaged in the business of making motion picture, television, or radio images for theatrical, commercial, advertising, or educational purposes.~~"

SENATE BILL 1460:
Film Industry Incentives

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Senator Lee
Date:	June 30, 2000	**Summary by:**	Martha K. Walston
Version:	PCS for 3rd edition		Staff Atty. & Mary Shuping,
	S1460-PCSSC-6.30		Research Asst.

SUMMARY: ***Senate Bill 1460 creates the Film Industry Development Account within the Department of Commerce, Division of Travel and Tourism to provide annual grants as incentives to production companies that engage in production activities in the State. The grant may not exceed 15% of the amount the production company spends for goods and services in the State during a calendar year. The bill provides other economic and tax incentives to production companies.***

<u>The Proposed House Finance Committee Substitute</u> does the following:

Removes the provision that would have allowed a production company an annual refund of the State sales tax it paid on the rental of transient accommodations for occupancy of its employees.

BILL ANALYSIS: Senate Bill 1460 provides the following economic and tax incentives to the film industry in the State:

- Creates the Film Industry Development Account within the Department of Commerce, Division of Travel and Tourism. This Account will provide annual grants to production companies that engage in production activities in the State. The grant may not exceed 15% of the amount the production company spends for goods and services in the State during a calendar year, and the grant may not exceed $200,000 per production. This part of the bill becomes effective July 1, 2000.
- Defines "production company" as a person engaged in the business of making original motion picture, television, or radio images for theatrical, commercial, advertising, or educational purposes. This part of the bill is effective when it becomes law.
- Requires the Department of Commerce to make annual reports to the General Assembly regarding the activities of the Film Industry Development Account, and to make quarterly reports to the Joint Legislative Commission on Governmental Operations and to the Fiscal Research Division on the use of the moneys in the Account. This part of the bill becomes effective July 1, 2000.
- Authorizes the Department of Administration to provide that a production company will only be charged reimbursement of actual costs incurred and actual revenues lost by the State, when State buildings are made available to a production company for a production. If any State agency makes real property available to a production company for production, the same limitations on fees apply. This part of the bill is effective when it becomes law.
- Allows a production company an annual refund of the State sales tax it pays on the rental of transient accommodations for occupancy of its employees. The refund of the State sales tax paid on the rental for the entire rental period is allowed if the employee occupies a transient accommodation for a continuous period of more than 30 days but less than 90 days. The request for refund must be in writing and is barred if applied for later than six months after the end of the State's fiscal year. This part of the bill becomes effective October 1, 2000, and applies to taxes paid on or after that date.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE REVENUE BOND FINANCING OF CERTAIN PRIVATE PROJECTS THAT PERFORM A PUBLIC PURPOSE AND TO REORGANIZE THE INDUSTRIAL FACILITIES AND POLLUTION CONTROL FINANCING AUTHORITY.

The General Assembly of North Carolina enacts:

Section 1. Chapter 115E of the General Statutes is recodified as Article 2 of Chapter 159D of the General Statutes.

Section 2. Chapter 159D of the General Statutes, as amended by this act, reads as rewritten:

"Chapter 159D.

"The North Carolina ~~Industrial and Pollution Control~~ Capital Facilities ~~Pool Program~~ Financing Act.

"ARTICLE 1.

"Industrial and Pollution Control Facilities Financing.

"§ 159D-1. Short title.

This ~~chapter~~ Article may be referred to as "The North Carolina Industrial and Pollution Control Facilities ~~Pool Program~~ Financing Act."

"§ 159D-2. Legislative findings and purposes.

(a) The General Assembly finds and determines that there exists in the State a critical condition of unemployment and a scarcity of employment opportunities; that the economic insecurity which results from such unemployment and scarcity of

employment opportunities constitutes a serious menace to the safety, morals and general welfare of the entire State; that such unemployment and scarcity of employment opportunities have caused many workers and their families, including young adults upon whom future economic prosperity is dependent, to migrate elsewhere to find employment and establish homes; that such emigration has resulted in a reduced rate of growth in the tax base of the counties and other local governmental units of the State which impairs the financial ability of such counties and other local governmental units to support education and other local governmental services; that such unemployment results in obligations to grant public assistance and to pay unemployment compensation; that the aforesaid conditions can best be remedied by the attraction, stimulation, expansion and rehabilitation and revitalization of industrial and manufacturing facilities for industry in the State; and that there is a need to stimulate a larger flow of private investment funds into industrial building programs ~~into [in]~~ in the State.

(b) The General Assembly further finds and determines that the development and expansion of industry within the State, which are essential to the economic growth of the State, and to the full employment and prosperity of its people, are accompanied by the increased production and discharge of gaseous, liquid, and solid pollution and wastes which threaten and endanger the health, welfare and safety of the inhabitants of the State by polluting the air, land and waters of the State; that in order to reduce, control, and prevent such environmental pollution, it is imperative that action be taken at various levels of government to require the provision of devices, equipment and facilities for the collection, reduction, treatment, and disposal of such pollution and wastes; that the assistance provided in this ~~Chapter,~~ Article, especially with respect to financing, is therefore in the public interest and serves a public purpose of the State in promoting the health, welfare and safety of the inhabitants of the State not only physically by collecting, reducing, treating and preventing environmental pollution but also economically by securing and retaining private industry thereby maintaining a higher level of employment and economic activity and stability.

~~(c) The General Assembly further finds that the federal government and its agencies have established, and may in the future establish, programs to promote gainful employment opportunity and the prevention and control of the pollution of air, land and waters of the United States through assistance in the financing of industrial and manufacturing facilities and pollution control facilities for industry and that the economical implementation of such programs in the State of North Carolina may require the financing of such facilities through a uniform statewide program.~~

~~(c1) The General Assembly further finds that certain provisions of federal tax law, economies of scale and credit market conditions make it advantageous for counties in North Carolina to be authorized to create a single authority with the legal capacity to combine separate financings into one or more pools that may be offered for sale on more favorable terms than any single financing standing alone.~~

~~(d) It is therefore declared to be the policy of the State to promote the right to gainful employment opportunity, private industry, the prevention and control of the pollution of the air, land and waters of the State, and the safety, morals and health of~~

~~the people of the State, and thereby promote general welfare of the people of the State, by authorizing counties to create an authority which shall be a political subdivision and body corporate and politic of the State. This body is to be formed (i) to aid in the financing of industrial and manufacturing facilities for the purpose of alleviating unemployment or raising below average manufacturing wages by financing industrial and manufacturing facilities which provide job opportunities or pay better wages than those prevalent in the area and (ii) to aid in financing pollution control facilities for industry in connection with manufacturing and industrial facilities, in each case in connection with pool programs to effect such purposes; provided, however, that it is the policy of the State to finance only those facilities where there is a direct or indirect favorable impact on employment or an improvement in the degree of prevention or control of pollution commensurate with the size and cost of the facilities.~~

"§ 159D-3. Definitions.

The following terms, whenever used or referred to in this ~~Chapter;~~ Article, shall have the following respective meanings, unless a different meaning clearly appears from the context:

(1) ~~"Agency" shall include any agency, bureau, commission, department or instrumentality.~~
'Agency' means the North Carolina Capital Facilities Finance Agency, an agency of the State created pursuant to G.S. 159D-38 of the North Carolina Capital Facilities Finance Act, codified as Article 2 of this Chapter.

(2) 'Air pollution control facility' shall mean any structure, equipment or other facility for, including any increment in the cost of any structure, equipment or facility attributable to, the purpose of treating, neutralizing or reducing gaseous industrial waste and other air pollutants, including recovery, treatment, neutralizing or stabilizing plants and equipment and their appurtenances, which shall have been certified by the agency having jurisdiction to be in furtherance of the purpose of abating or controlling atmospheric pollutants or contaminants.

(3) 'Authority' shall mean The North Carolina Industrial and Pollution Control Facilities Financing Authority, a political subdivision and body politic of the State, ~~which may be~~ created pursuant to the provisions of this ~~Chapter and which shall have the powers and authority specified in and by this Chapter.~~ Article.

(4) 'Bonds' shall mean revenue bonds ~~of an authority~~ issued under the provisions of this ~~Chapter.~~ Article.

(5) 'Cost' as applied to any project shall embrace all capital costs thereof, including the cost of construction, the cost of acquisition of all property, including rights in land and other property, both real and personal and improved and unimproved, the cost of demolishing, removing or relocating any buildings or structures on

lands so acquired, including the cost of acquiring any lands to which such buildings or structures may be moved or relocated, the cost of all machinery and equipment, installation, start-up expenses, financing charges, interest prior to, during and for a period not exceeding one year after completion of construction, the cost of engineering and architectural surveys, plans and specifications, the cost of consultants' and legal services, other expenses necessary or incident to determining the feasibility or practicability of such project, administrative and other expenses necessary or incident to the acquisition or construction of such project and the financing of the acquisition and construction thereof, including a reserve for debt services.

~~(6) 'Pool program" shall mean a program of the authority whereby separate financings for obligors are combined into one or more pools for purposes of sale. The credit of such financings or the pool may be enhanced by participation in a federal program, by a guaranty such as a surety bond, insurance or a letter of credit, by additional collateral or by any other device, fund or guaranty by any person other than the authority, agency, under which payment of bonds or the obligations of an obligor under a financing agreement shall be guaranteed, in whole or in part, by such person or persons.~~

(7) 'Financing agreement' shall mean a written instrument establishing the rights and responsibilities of the ~~authority~~ agency and the operator with respect to a project financed by the issue of bonds.

(8) 'Governing body' shall mean the board, commission, council or other body in which the general legislative powers of any county or other political subdivision are vested.

(9) 'Obligor' shall mean collectively the operator and any others (including, but not by way of limitation, any other person, collateral device or fund that shall be obligated to pay) who or which shall be obligated under a financing agreement or guaranty agreement or other contract or agreement to make payments to, or for the benefit of, the holders of bonds of the ~~authority.~~ agency. Any requirement of an obligor may be satisfied by any one or more persons who are defined collectively by this ~~Chapter~~ Article as the obligor.

(10) 'Operator' shall mean the person entitled to the use or occupancy of a project.

(11) 'Political subdivision' shall mean any county, city, town, other unit of local government or any other governmental corporation, ~~agency,~~ entity, authority or instrumentality of the State now or hereafter existing.

(12) 'Pollution and pollutants' shall mean any noxious or deleterious substances in any air or waters of or adjacent to the State of North Carolina or affecting the physical, chemical or biological properties of any air or waters of or adjacent to the State of North Carolina in a manner and to an extent which renders or is likely to render such air or waters harmful or inimical to the public health, safety or welfare, or to animal, bird or aquatic life, or to the use of such air or waters for domestic, industrial or agricultural purposes or recreation.

(13) 'Project' shall mean any land, equipment or any one or more buildings or other structures, whether or not on the same site or sites, and any rehabilitation, improvement, renovation or enlargement of, or any addition to, any building or structure for use as or in connection with (i) any industrial project for industry which project may be any industrial or manufacturing factory, mill, assembly plant or fabricating plant, or freight terminal, or industrial research, development or laboratory facility or industrial processing facility for industrial or manufactured products, or (ii) any pollution control project for industry which project may be any air pollution control facility, water pollution control facility, or solid waste disposal facility in connection with any factory, mill, plant, terminal or facility described in clause (i) of this subdivision, or (iii) any combination of projects mentioned in clauses (i) and (ii) of this subdivision. Any project may include all appurtenances and incidental facilities such as land, headquarters or office facilities, warehouses, distribution centers, access roads, sidewalks, utilities, railway sidings, trucking and similar facilities, parking facilities, landing strips and other facilities for aircraft, waterways, docks, wharves and other improvements necessary or convenient for the construction, maintenance and operation of any building or structure, or addition thereto.

(14) 'Revenues' shall mean, with respect to any project, the rents, fees, charges, payments, proceeds and other income or profit derived therefrom or from the financing agreement or security document in connection therewith.

(15) 'Security document' shall mean a written instrument or instruments establishing the rights and responsibilities of the ~~authority~~ agency and the holders of bonds issued to finance a project, and may provide for, or be in the form of an agreement with, a trustee for the benefit of such bondholders. A security document may contain an assignment, pledge, mortgage or other encumbrance of all or part of the ~~authority's~~ agency's interest in, or right to receive revenues with respect to, a project and any other property provided by the operator or other obligor under a

financing agreement and may bear any appropriate title. A financing agreement and a security document may be combined as one instrument.

(16) 'Solid waste' shall mean solid waste materials resulting from any industrial or manufacturing activities or from any pollution control facility.

(17) 'Solid waste disposal facility' shall mean a facility for the purpose of treating, burning, compacting, composting, storing or disposing of solid waste.

(18) 'Water pollution control facility' shall mean any structure, equipment or other facility for, including any increment in the cost of any structure, equipment or facility attributable to, the purpose of treating, neutralizing or reducing liquid industrial waste and other water pollution, including collecting, treating, neutralizing, stabilizing, cooling, segregating, holding, recycling, or disposing of liquid industrial waste and other water pollution, including necessary collector, interceptor, and outfall lines and pumping stations, which ~~shall have~~ has been certified by the ~~agency~~ entity exercising jurisdiction to be in furtherance of the purpose of abating or controlling water pollution.

~~"§ 159D-4. Creation of the authority.~~

~~(a) The governing bodies of two or more counties are hereby authorized to create by resolution a political subdivision and body corporate and politic of the State known as "The North Carolina Industrial Facilities and Pollution Control Financing Authority", in order to effectuate in the most economical manner the acquisition, construction and financing of projects through pool programs.~~

~~If each governing body shall determine that it is in the best interest of the county to cause to be created and to become a member of the authority, each governing body shall adopt a resolution so finding and setting forth the names of the counties which are proposed to be initial members of the authority. The governing body of the county shall thereupon by ordinance or resolution appoint one commissioner of the authority.~~

~~Any two or more commissioners so named may file with the Secretary of State an application signed by them setting forth (i) the names of all the proposed member counties; (ii) the name and official residence of each of the commissioners so far as known to them; (iii) a certified copy of the appointment evidencing their right to office; (iv) a statement that each governing body of each respective county appointing a commissioner has made the aforesaid determination; and (v) the desire that an authority be organized as a political subdivision and a body corporate and politic under this Chapter.~~

~~The application shall be subscribed and sworn to by such commissioners before an officer or officers authorized by the laws of the State to administer and certify oaths.~~

~~The Secretary of State shall examine the application and, if he finds that the name proposed for the authority is not identical with that of any other corporation of this~~

~~State or of any agency or instrumentality thereof, or so nearly similar as to lead to confusion and uncertainty, he shall receive and file it and shall record it in an appropriate book of record in his office.~~

~~When the application has been made, filed and recorded as herein provided, the authority shall constitute a political subdivision and a body corporate and politic under the name proposed in the application. The Secretary of State shall make and issue to the commissioners executing the application a certificate of incorporation pursuant to this Chapter under the seal of the State, and shall record the same with the application. The certificate shall set forth the names of the member counties.~~

~~In any suit, action or proceeding involving the validity or enforcement of, or relating to, any contract of the authority, the authority, in the absence of establishing fraud in the premises, shall be conclusively deemed to have been established in accordance with the provisions of this Chapter upon proof of the issuance of the aforesaid certificate by the Secretary of State. A copy of such certificate, duly certified by the Secretary of State, shall be admissible in evidence in any such suit, action or proceeding, and shall be conclusive proof of the filing and contents thereof.~~

~~Notice of the issuance of such certificate shall be given to all of the proposed member counties by the Secretary of State. If a commissioner of any such county has not signed the application to the Secretary of State and such county does not notify the Secretary of State of the appointment of a commissioner within 40 days after receipt of such notice, such county shall be deemed to have elected not to be a member of the authority. As soon as practicable after the expiration of such 40-day period, the Secretary of State shall issue a new certificate of incorporation, if necessary, setting forth the names of those counties which have elected to become members of the authority. The failure of any proposed member to become a member shall not affect the validity of the corporate existence of the authority.~~

~~(b) After the creation of the authority, any county may become a member thereof upon application to the authority after adoption of a resolution or ordinance by the governing body of the county setting forth the determination and finding prescribed in paragraph (a) of this G.S. 159D-4, and authorizing said county to participate. Any county may withdraw from membership in the authority, provided, however, that all contractual rights acquired and obligations incurred while a county was a member shall remain in full force and effect.~~

~~(c) The authority shall consist of a board of commissioners appointed by the respective governing bodies of the counties which are members of the authority. Each commissioner shall have one vote. Each commissioner shall serve at the pleasure of the governing body by which he was appointed. Each appointed commissioner before entering upon his duties shall take and subscribe to an oath before some person authorized by law to administer oaths to execute the duties of his office faithfully and impartially, and a record of such oath shall be filed with the governing body of the appointing municipality and spread upon its minutes.~~

~~(d) The board of commissioners of the authority shall annually elect from its membership a chairman and a vice-chairman and another person or persons, who may but need not be commissioners, as treasurer, secretary and, if desired, assistant~~

~~secretary. The position of secretary and treasurer or assistant secretary and treasurer may be held by the same person. The secretary of the authority shall keep a record of the proceedings of the authority and shall be the custodian of all books, documents and papers filed with the authority, the minute book or journal of the authority and its official seal. Either the secretary or the assistant secretary of the authority may cause copies to be made of all minutes and other records and documents of the authority and may give certificates under the official seal of the authority to the effect that such copies are true copies, and all persons dealing with the authority may rely upon such certificates.~~

~~(c) A majority of the commissioners of the authority then in office shall constitute a quorum. Except as provided in subsection (f) of this G.S. 159D-4, the affirmative vote of a majority of all the commissioners of the authority shall be necessary for any action of the board. A vacancy in the board of commissioners of the authority shall not impair the right of a quorum to exercise all the rights and perform all the duties of the authority. Any action taken by the authority under the provisions of this Chapter may be authorized by resolution at any regular or special meeting, and each resolution shall take effect immediately and need not be published or posted. No bonds shall be issued under the provisions of this Chapter unless the issuance thereof shall have been approved by the governing body of the county in which the project with respect to which the bonds were issued is located.~~

~~(f) If at any time there shall be more than seven counties which are members of the authority, the board of commissioners of the authority may create an executive committee of the board of commissioners. The board may provide for the composition of the executive committee so as to afford, in its judgment, fair representation of the member counties. Any power of the authority under the provisions of this Chapter may be exercised by the executive committee of the authority between meetings of the authority, except that the executive committee may not overrule, reverse or disregard any action of the board of commissioners of the authority. The membership of the executive committee, terms of office of members thereof and the method of filling vacancies therein shall be fixed by the rules or bylaws of the board of commissioners.~~

~~(g) No commissioner of an authority shall receive any compensation for the performance of his duties under this Chapter, provided, however, that each commissioner shall be reimbursed for his necessary expenses incurred while engaged in the performance of duties but only from moneys provided by obligors.~~

~~(h) Within 30 days of the date of creation of the authority, the authority shall advise the Department of Commerce and the Local Government Commission that an authority has been formed. The authority shall also furnish such Department and such Commission with (i) a list of its commissioners and its officers and (ii) a description of any projects that are under consideration by the authority. The authority shall, from time to time, notify the Department of Commerce and the Local Government Commission of changes in the commissioners and officers, of counties which have become members of the authority and of new projects under consideration by the authority.~~

"§ 159D-4.1. Jurisdiction of the agency.

All actions taken by counties, local officials, the Secretary of State, the State Treasurer, and other interested parties to create and organize The North Carolina Industrial Facilities and Pollution Control Financing Authority are ratified and confirmed. All duties, powers, jurisdiction, and responsibilities vested by statute or by contract in the authority are transferred to and vested in the North Carolina Capital Facilities Finance Agency, subject to the provisions of this Article. Upon this transfer, the agency is responsible for all duties and obligations of the authority entered into or incurred, by contract or otherwise, before the transfer. Particularly, the agency is responsible for all matters relating to any outstanding bonds of the authority to the same extent that the authority was responsible for them before the date of transfer. The agency for all purposes assumes the role and is the legal successor of the authority. Upon this transfer, the authority is dissolved.

"**§ 159D-5. General powers.**

The ~~authority~~ agency shall have all of the powers necessary or convenient to carry out and effectuate the purposes and provisions of this ~~Chapter;~~ Article, ~~including, but without limiting the generality of the foregoing, the powers:~~ including all of the following:

(1) To adopt bylaws for the regulation of its affairs and the conduct of its business and to prescribe rules, regulations and policies in connection with the performance of its functions and duties;

(2) To adopt an official seal and alter the same at pleasure;

(3) To maintain an office at such place or places as it may determine;

(4) To sue and be sued in its own name, plead and be impleaded;

(5) To receive, administer and comply with the conditions and requirements respecting any gift, grant or donation of any property or money;

(6) To make and execute financing agreements, security documents and other contracts and instruments necessary or convenient in the exercise of the powers and functions of the ~~authority~~ agency under this ~~Chapter;~~ Article;

(7) To acquire by purchase, lease, gift or otherwise, but not by eminent domain, or to obtain options for the acquisition of any property, real or personal, improved or unimproved, and interests in land less than the fee thereof, for the construction, operation or maintenance of any project;

(8) To sell, lease, exchange, transfer or otherwise dispose of, or to grant options for any such purposes with respect to, any real or personal property or interest therein;

(9) To pledge or assign revenues of the ~~authority;~~ agency;

(10) To construct, acquire, own, repair, maintain, extend, improve, rehabilitate, renovate, furnish and equip one or more projects and to pay all or any part of the costs thereof from the proceeds of bonds of the ~~authority~~ agency or from any contribution, gift or

donation or other funds made available to the ~~authority~~ agency for such purpose;

(11) To fix, charge and collect revenues with respect to any project;

(12) To employ consulting engineers, architects, attorneys, real estate counselors, appraisers and such other consultants and employees as may be required in the judgment of the ~~authority~~ agency and to fix and pay their compensation from funds available to the ~~authority~~ agency therefor and to select and retain subject to approval of the Local Government Commission the financial consultants, underwriters and bond attorneys to be associated with the issuance of any bonds and to pay for services rendered by underwriters, financial consultants or bond attorneys out of the proceeds of any such issue with regard to which the services were performed; and

(13) To do all acts and things necessary, convenient or desirable to carry out the purposes, and to exercise the powers ~~herein granted.~~ granted in this Article.

"**§ 159D-6. Bonds.**

(a) The ~~authority~~ agency is ~~hereby~~ authorized to provide for the issuance, at one time or from time to time, of bonds of the ~~authority~~ agency for the purpose of paying all or any part of the cost of any project. The principal of, the interest on and any premium payable under the redemption of such bonds shall be payable solely from the funds herein authorized for such payment. The bonds of each issue shall bear interest as may be determined by the Local Government Commission of North Carolina with the approval of the ~~authority~~ agency and the obligor irrespective of the limitations of G.S. 24-1.1, as amended, and successor provisions. The bonds of each issue shall be dated, shall mature at such time or times not exceeding 30 years from the date of their issuance, and may be made redeemable before maturity at such price or prices and under such terms and conditions, as may be fixed by the ~~authority~~ agency prior to the issuance of the bonds. The ~~authority~~ agency shall determine the form and the manner of execution of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest. In case any officer whose signature or a facsimile of whose signature ~~shall appear~~ appears on any bonds or coupons ~~shall cease~~ ceases to be ~~such~~ that officer before the delivery of ~~such~~ the bonds, ~~such~~ the signature or ~~such~~ the facsimile shall nevertheless be valid and sufficient for all purposes the same as if ~~he~~ the officer had remained in office until such delivery. The ~~authority~~ agency may also provide for the authentication of the bonds by a trustee or fiscal agent. ~~The bonds may be issued in coupon or in fully registered form, or both, as the authority may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest, and for the interchange of registered and coupon bonds.~~

(b) The proceeds of the bonds of each issue shall be used solely for the payment of the cost of the project or projects, or a portion thereof, for which ~~such~~ the bonds ~~shall have been~~ were issued, and shall be disbursed in such manner and under such restrictions, if any, as the ~~authority~~ agency may provide in the financing agreement and the security document. If the proceeds of the bonds of any issue, by reason of increased construction costs or error in estimates or otherwise, ~~shall be~~ are less than such cost, additional bonds may in like manner be issued to provide the amount of such deficiency.

(c) The proceeds of bonds issued pursuant to this Article shall not be used to refinance the cost of a project. For the purposes of this section, a cost of a project is considered refinanced if both of the following conditions are met:

(1) The cost is initially paid from sources other than bond proceeds, and the original expenditure is to be reimbursed from bond proceeds.

(2) The original expenditure was paid more than 60 days before the agency took some action indicating its intent that the expenditure would be financed or reimbursed from bond proceeds.

(d) Notwithstanding subsection (c) of this section, preliminary expenditures that are incurred prior to the commencement of the acquisition, construction, or rehabilitation of a project, such as architectural costs, engineering costs, surveying costs, soil testing costs, bond issuance costs, and other similar costs, may be reimbursed from bond proceeds even if these costs are incurred or paid more than 60 days prior to the agency's action. This exception that allows preliminary expenditures to be reimbursed from bond proceeds, whether or not they are incurred or paid within 60 days of the agency's action, does not include costs that are incurred incident to the commencement of the construction of a project, such as expenditures for land acquisition and site preparation. In any event, an expenditure originally paid before the agency took some action indicating its intent that the expenditures would be financed or reimbursed from bond proceeds may be reimbursed from bond proceeds only if the agency finds that reimbursing those costs from bond proceeds will promote the purposes of this Article.

~~The authority may issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds have been executed and are available for delivery. The authority may also provide for the replacement of any bonds which shall become mutilated or shall be destroyed or lost.~~

(e) Bonds may be issued under the provisions of this ~~Chapter~~ Article without obtaining, except as otherwise expressly provided in this ~~Chapter,~~ Article, the consent of the ~~State or of any political subdivision or of any agency of either thereof,~~ State or of any political subdivision and without any other proceedings or the happening of any conditions or things other than those proceedings, conditions or things ~~which are~~ specifically required by this ~~Chapter~~ Article and the provisions of the financing agreement and security document authorizing the issuance of such bonds and securing the same.

"**§ 159D-7. Approval of ~~project.~~ project by Secretary of Commerce.**

(a) Approval Required. -- No bonds may be issued by the ~~authority~~ agency pursuant to this Article unless the project for which ~~the~~ their issuance ~~thereof~~ is proposed is first approved by the Secretary of Commerce. The ~~authority~~ agency shall file an application for approval of its proposed project with the Secretary of Commerce, and shall notify the Local Government Commission of such filing.

(b) Findings. -- The Secretary shall not approve any proposed project unless ~~he shall make~~ the Secretary makes all of the following, applicable findings:

(1) In the case of a proposed industrial project,

a. That the operator of the proposed project pays, or has agreed to pay thereafter, an average weekly manufacturing wage that (i) ~~which~~ is above the average weekly manufacturing wage paid in the county in which the project is to be located or (ii) ~~which~~ is not less than ten percent (10%) above the average weekly manufacturing wage paid in the State; and

b. That the proposed project will not have a materially adverse effect on the ~~environment;~~ environment.

(2) In the case of a proposed pollution control project, that such project will have a materially favorable impact on the environment or will prevent or diminish materially the impact of pollution which would otherwise ~~occur; and~~ occur.

(2a) In the case of a hazardous waste facility or low-level radioactive waste facility ~~which~~ that is used as a reduction, recovery or recycling facility, that such project will further the waste management goals of North Carolina and will not have an adverse effect upon public health or a significant adverse effect on the ~~environment; and~~ environment.

(3) In any case (whether the proposed project is an industrial or a pollution control project),

a. That the jobs to be generated or saved, directly or indirectly, by the proposed project will be large enough in number to have a measurable impact on the area immediately surrounding the proposed project and will be commensurate with the size and cost of the proposed project,

b. That the proposed operator of the proposed project has demonstrated or can demonstrate the capability to operate such project, and

c. That the financing of such project by the ~~authority~~ agency will not cause or result in the abandonment of an existing industrial or manufacturing facility of the proposed operator or an affiliate elsewhere within the State unless the facility is to be abandoned because of obsolescence, lack of available labor in the area, or site limitations.

(c) Initial Operator. -- ~~In no case shall the Secretary of Commerce~~ If the initial proposed operator of a project is not expected to be the operator for the term of the bonds proposed to be issued, the Secretary may make the findings required pursuant to subdivisions (b)(1)a. and (3)b. of this section only with respect to the initial operator. The initial operator shall be identified in the application for approval of the proposed project.

(d) Public Hearing. -- The Secretary of Commerce shall not approve any proposed project pursuant to this section unless the governing body of the county in which the project is located has first conducted a public hearing and, at or after the public hearing, approved in principle the issuance of bonds under this Article for the purpose of paying all or part of the cost of the proposed project. Notice of the public hearing shall be published at least once in at least one newspaper of general circulation in the county not less than 14 days before the public hearing. The notice shall describe generally the bonds proposed to be issued and the proposed project, including its general location, and any other information the governing body considers appropriate or the Secretary of Commerce prescribes for the purpose of providing the Secretary with the views of the community. The notice shall also state that following the public hearing the agency intends to file an application for approval of the proposed project with the Secretary of Commerce.

(e) Certificate of Department of Environment and Natural Resources. -- The Secretary of Commerce shall not make the findings required by subdivisions (b)(1)b and (2) of this section unless ~~he shall have~~ the Secretary has first received a certification from the Department of Environment and Natural Resources that, in the case of a proposed industrial project, the proposed project will not have a materially adverse effect on the environment and that, in the case of a proposed pollution control project, the proposed project will have a materially favorable impact on the environment or will prevent or diminish materially the impact of pollution which would otherwise occur. ~~In no case shall the~~ The Secretary ~~of Commerce~~ shall not make the findings required by subdivision (b)(2a) of this section unless ~~he shall have~~ the Secretary has first received a certification from the Department of Environment and Natural Resources that the proposed project is environmentally sound, will not have an adverse effect on public health and will further the waste management goals of North Carolina. ~~In any case where the Secretary shall make~~ The Secretary of Commerce shall deliver a copy of the application to the Department of Environment and Natural Resources. The Department of Environment and Natural Resources shall provide each certification to the Secretary of Commerce within seven days after the applicant satisfactorily demonstrates to it that all permits, including environmental permits, necessary for the construction of the proposed project have been obtained, unless the agency consents to a longer period of time.

(f) Waiver of Wage Requirement. -- If the Secretary of Commerce has made all of the required findings respecting a proposed industrial project, except that prescribed in subdivision (b)(1)a of this section, the Secretary may, in ~~his~~ the Secretary's discretion, approve the proposed project if ~~he shall have~~ the Secretary has received (i) a resolution of the governing body of the county in which the proposed project is

to be located requesting that the proposed project be approved notwithstanding that the operator will not pay an average weekly manufacturing wage above the average weekly manufacturing wage in the county and (ii) a letter from an appropriate State official, selected by the Secretary, to the effect that unemployment in the county is especially severe.

(g) Rules. -- To facilitate ~~his~~ the Secretary's review of each proposed project, the Secretary may require the ~~authority~~ agency to obtain and submit such data and information about such project as the Secretary may prescribe. ~~In addition, the Secretary may, in his discretion, request the authority to hold a public hearing on the proposed project for the purpose of providing the Secretary directly with the views of the community to be affected.~~ The Secretary may also prescribe such forms and such rules ~~and regulations~~ as ~~he shall deem~~ the Secretary considers reasonably necessary to implement the provisions of this section.

(h) Certificate of Approval. -- If the Secretary approves the proposed project, ~~he~~ the Secretary shall prepare a certificate of approval evidencing such approval and setting forth ~~his~~ the findings and shall cause ~~said~~ the certificate of approval to be published in a newspaper of general circulation within the county in which the proposed project is to be located. Any such approval shall be reviewable as provided in Article 4 of Chapter 150B of the General Statutes ~~of North Carolina~~ only by an action filed, within 30 days after notice of such findings and approval shall have been so published, in the Superior Court of Wake County. ~~Such~~ The superior court is hereby vested with jurisdiction to hear such action, but if no such action is filed within the 30 days herein prescribed, the validity of such approval shall be conclusively presumed, and no court shall have authority to inquire into such approval. Copies of the certificate of approval of the proposed project will be given to the ~~authority,~~ agency, the governing body of the county in which the proposed project is to be located and the secretary of the Local Government Commission.

~~Such~~ The certificate of approval shall become effective immediately following the expiration of ~~such~~ the 30-day period or the expiration of any appeal period after a final determination by any court of any action timely filed pursuant to this section. ~~Such~~ The certificate shall expire one year after its date unless extended by the Secretary who shall not extend ~~such~~ the certificate unless ~~he shall~~ the Secretary again ~~approve~~ approves the proposed project as provided in this section. If bonds are issued within that year pursuant to the authorization of this Article or Chapter 159C of the General Statutes to pay all or part of the costs of the project, however, the certificate expires three years after the date of the first issuance of the bonds.

(i) Certificate Issued Under Chapter 159C Effective. -- Any certificate of approval with respect to a project which has become effective pursuant to G.S. 159C-7 ~~shall be deemed to satisfy~~ satisfies the requirements of this section to the extent that the findings made by the Secretary pursuant to G.S. 159C-7 are consistent with the findings required to be made by the Secretary pursuant ~~hereto.~~ to this section.

"§ 159D-8. Approval of bonds.

(a) No bonds may be issued by the ~~authority~~ agency pursuant to this Article unless the issuance ~~thereof~~ is first approved by the Local Government Commission.

The ~~authority~~ agency shall file an application for approval of its proposed bond issue with the secretary of the Local Government Commission, and shall notify the Secretary of the Department of Commerce of such filing.

(b) In determining whether a proposed bond issue should be approved, the Local Government Commission may consider, without limitation, the following:

(1) Whether the proposed operator and obligor have demonstrated or can demonstrate the financial responsibility and capability to fulfill their obligations with respect to the financing agreement. In making such determination, the commission may consider the operator's experience and the obligor's ratio of current assets to current liabilities, net worth, earnings trends and coverage of fixed charges, the nature of the industry or business involved and its stability and any additional security such as insurance, guaranties or property to be pledged or secure such bonds.

(2) Whether the political subdivisions in or near which the proposed project is to be located have the ability to cope satisfactorily with the impact of such project and to provide, or cause to be provided, the public facilities and services, including utilities, that will be necessary for such project and on account of any increase in population which are expected to result therefrom.

(3) Whether the proposed date and manner of sale will have an adverse effect upon any scheduled or anticipated sale of obligations by the State or any political subdivision or any agency of either of them.

(c) To facilitate the review of the proposed bond issue by the commission, the Secretary may require the ~~authority~~ agency to obtain and submit such financial data and information about the proposed bond issue and the security therefor, including the proposed prospectus or offering circular, the proposed financing agreement and security document and annual and other financial reports and statements of the obligor, as the Secretary may prescribe. The Secretary may also prescribe ~~such~~ forms and ~~such~~ rules ~~and regulations as he shall deem~~ that the Secretary considers reasonably necessary to implement the provisions of this section.

"§ 159D-9. Sale of bonds.

Bonds issued under this Article may be sold in such manner, either at public or private sale, and for such price as the Local Government Commission ~~shall determine~~ determines to be for the best interests of the ~~authority~~ agency and effectuate best the purposes of this ~~Chapter~~ Article irrespective of the interest limitations set forth in G.S. 24-1.1, as amended, and successor ~~provisions provided that such sale shall be~~ provisions, as long as the sale is approved by the ~~authority~~ agency and the obligor.

"§ 159D-10. Location of projects.

~~Except as provided in this section, any~~ Any project of the ~~authority~~ agency shall be located within the boundaries of ~~a county which is a member of the authority. A portion or portions of any project including, but not limited to, any real or personal property or improvements necessary or convenient for the construction, maintenance,~~

~~and operation of the project, may be located in a county or counties other than the county in which the principal part of the project is located so long as the additional portion or portions constitute functionally appurtenant or incidental facilities and the governing body of each other county in which the additional portion or portions of the project is or are located approves the project.~~ the State. Bonds may not be issued to finance any project or group of projects in any county of the State unless the board of commissioners for the county in which the project is located has consented to the location of the project within the county.

"**§ 159D-11. Financing agreements.**

(a) Every financing agreement shall provide that:

(1) Repealed by Session Laws 1987, c. 517, s. 7.

(2) The amounts payable under the financing agreement shall be sufficient to pay all of the principal of and interest and redemption premium, if any, and interest on the bonds ~~that shall be~~ issued by the ~~authority~~ agency to pay the cost of the project as ~~the same shall~~ they respectively become due;

(3) The obligor shall pay all costs incurred by the ~~authority~~ agency in connection with the financing and administration of the project, except as may be paid out of the proceeds of bonds or otherwise, including, but without limitation, insurance costs, the cost of administering the financing agreement and the security document and the fees and expenses of the fiscal agent or trustee, paying agents, attorneys, consultants and others;

(4) The obligor shall pay all the costs and expenses of operation, maintenance and upkeep of the project; and

(5) The obligor's obligation to provide for the payment of the bonds in full shall not be subject to cancellation, termination or abatement until ~~such~~ payment of the bonds or provision for payment has been ~~therefor shall be~~ made.

(b) The financing agreement may be in the nature of:

(1) A sale and leaseback,

(2) A lease purchase,

(3) A conditional sale,

(4) An installment sale,

(5) A secured or unsecured loan,

(6) A loan and mortgage, or

(7) Another ~~Other~~ similar transaction.

(c) The financing agreement, if in the nature of a lease agreement, shall either provide that the obligor ~~shall have~~ has an option to purchase, or require that the obligor purchase, the project upon the expiration or termination of the financing agreement subject to the condition that payment in full of the principal of, and the interest and any redemption premium on, the bonds, or provision for payment has ~~therefor, shall have~~ been made.

(d) The financing agreement may provide the ~~authority~~ agency with rights and remedies in the event of a default by the obligor ~~thereunder~~ under it including, without limitation, any one or more of the following:

(1) Acceleration of all amounts payable under the financing agreement;

(2) Reentry and repossession of the project;

(3) Termination of the financing agreement;

(4) Leasing or sale or ~~fore-closure [sic]~~ foreclosure of the project to others; and

(5) Taking whatever actions at law or in equity may appear necessary or desirable to collect the amounts payable under, and to enforce covenants made in, the financing agreement.

(e) The ~~authority's~~ agency's interest in a project under a financing agreement may be that of owner, lessor, lessee, conditional or installment vendor, mortgagor, mortgagee, secured party or otherwise, but the ~~authority~~ agency need not have any ownership or possessory interest in the project.

(f) The ~~authority~~ agency may assign all or any of its rights and remedies under the financing agreement to the trustee or bondholders under the security document.

(g) ~~Any such~~ The financing agreement may contain ~~such~~ any additional provisions ~~as in the determination of the authority~~ the agency considers ~~are~~ necessary or convenient to effectuate the purposes of this ~~Chapter.~~ Article.

"§ 159D-12. Security documents.

(a) Bonds issued under the provisions of this ~~Chapter~~ Article may be secured by a security document which may be a trust instrument between the ~~authority~~ agency and a bank or trust company or individual within the State, or a bank or a trust company without the State, as trustee. Such security document may pledge and assign the revenues provided for the security of the bonds, including proceeds from the sale of any project, or part thereof, insurance proceeds and condemnation awards, and may convey or mortgage the project and other property to secure a bond issue.

The revenues and other funds derived from the project, except ~~such part thereof as may be necessary to provide reserves therefor, if any,~~ any part necessary to provide reserves shall be set aside at such regular intervals as may be provided in such security document in a sinking fund which may be ~~thereby~~ pledged to, and charged with, the payment of the principal of and the interest on such bonds as ~~the same shall~~ they become due and the redemption price or the purchase price of bonds retired by call or purchase as therein provided. Such pledge shall be valid and binding from the time when the pledge is made. The revenues so pledged and thereafter received by the ~~authority~~ agency shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the ~~authority,~~ agency, irrespective of whether such parties have notice thereof. The use and disposition of money to the credit of such sinking fund shall be subject to the provisions of the security document. Such security document may contain such provisions for protecting and enforcing the rights and remedies of

the bondholders as may be reasonable and proper and not in violation of law, including, without limitation, any one or more of the following:

(1) Acceleration of all amounts payable under the security document;

(2) Appointment of a receiver to manage the project and any other property mortgaged or assigned as security for the bonds;

(3) Foreclosure and sale of the project and any other property mortgaged or assigned as security for the bonds; and

(4) Rights to bring and maintain such other actions at law or in equity as may appear necessary or desirable to collect the amounts payable under, or to enforce the covenants made in, the security document.

(b) It ~~shall be~~ is lawful for any bank or trust company incorporated under the laws of this State which may act as depositary of the proceeds of bonds, revenues or other funds provided under this ~~Chapter~~ Article to furnish such indemnifying bonds or to pledge such securities as may be required by the ~~authority.~~ agency. All expenses incurred in carrying out the provisions of such security document may be treated as a part of the cost of the project in connection with which bonds are issued or as an expense of administration of such project.

The ~~authority~~ agency may subordinate the bonds or its rights under the financing agreement or otherwise to any prior, contemporaneous or future securities or obligations or lien, mortgage or other security interest.

Any such security document may contain such additional provisions as in the determination of the ~~authority~~ agency are necessary or convenient or effectuate the purposes of this ~~Chapter.~~ Article.

"§ 159D-13. Trust funds.

Notwithstanding any other provisions of law to the contrary, all money received pursuant to the authority of this ~~Chapter,~~ Article, whether as proceeds from the sale of bonds or as revenues, ~~shall be deemed to be~~ are trust funds to be held and applied solely as provided in this ~~Chapter.~~ Article. The security document may provide that any of ~~such moneys~~ the money may be temporarily invested and reinvested pending ~~the~~ its disbursement ~~thereof~~ in ~~such~~ any securities and other investments as ~~shall be~~ provided in such security document, and shall provide that any officer with whom, or any bank or trust company with which, ~~such moneys shall be~~ the money is deposited shall act as trustee ~~of such moneys~~ and shall hold and apply ~~the same~~ it for the purpose ~~hereof,~~ of this Article, subject to ~~such~~ any regulations ~~as~~ this ~~Chapter~~ Article and ~~such~~ the security document ~~may~~ provide.

"§ 159D-14. Tax exemption.

The ~~authority~~ agency ~~shall not be~~ is not required to pay any taxes on any project or on any other property owned by the ~~authority~~ agency under the provisions of this ~~Chapter~~ Article or upon the income ~~therefrom.~~ from the property.

The interest on bonds issued by the ~~authority~~ agency ~~shall be~~ is exempt from all income taxes within the State.

All projects and all transactions ~~therefor shall be~~ for them are subject to taxation to the extent ~~such projects and transactions~~ they would be subject to taxation if no public body were involved ~~therewith.~~ with them.

"§ 159D-15. Construction contracts.

The ~~authority~~ agency may agree with the prospective operator that all contracts relating to the acquisition, construction, installation and equipping of a project shall be solicited, negotiated, awarded and executed by the prospective operator and its agents subject only to such approval by the ~~authority~~ agency as the ~~authority~~ agency may require in such agreement. Such agreement may provide that the ~~authority~~ agency may, out of the proceeds of bonds, make advances to or reimburse the operator for all or a portion of its costs incurred in connection with such contracts.

"§ 159D-16. Conflict of interest.

If any officer, commissioner or employee of the ~~authority~~ agency ~~shall be~~ is interested either directly or indirectly in any contract with the ~~authority,~~ agency, such interest shall be disclosed to the ~~authority~~ agency and shall be set forth in the minutes of the ~~authority,~~ agency, and the officer, commissioner, employee or member having such interest ~~therein~~ shall not participate on behalf of the ~~authority~~ agency in the authorization of ~~any such contract, provided, however, that this section shall~~ the project. This section does not apply to the ownership of less than one ~~per centum~~ percent (1%) of the stock of any operator or obligor. Failure to take any or all actions necessary to carry out the purposes of this section ~~shall~~ does not affect the validity of bonds issued pursuant to the provisions of this ~~Chapter.~~ Article.

"§ 159D-17. Credit of State not pledged.

"Private ~~Educational~~ Capital Facilities Finance Act.

"§ 159D-35. Short title.

This ~~Chapter~~ Article shall be known, and may be cited, as the 'Private ~~Educational~~ Capital Facilities Finance Act.'

"§ 159D-36. Legislative findings.

It is ~~hereby~~ declared that for the benefit of the people of the State of North Carolina, the increase of their commerce, welfare and prosperity and the improvement of their health and living conditions it is essential that they be given the fullest opportunity to learn and to develop their intellectual capacities; that it is essential for institutions for higher education and institutions for elementary and secondary education within the State to be able to construct and renovate facilities to assist its citizens in achieving the fullest development of their intellectual capacities; and that it is the purpose of this ~~Chapter~~ Article to provide a measure of assistance and an alternative method to enable private institutions for higher education and institutions for elementary and secondary education in the State to provide the facilities and the structures that are needed to accomplish the purposes of this ~~Chapter,~~ Article, all to the public benefit and good, to the extent and in the manner provided ~~herein.~~ in this Article.

It is ~~hereby~~ further declared that this purpose will benefit the people as a way to improve student learning, increase learning opportunities for all students, encourage the use of different and innovative teaching methods, create new professional opportunities for teachers, provide parents and students with expanded choices in the types of educational opportunities that are available, and lower the overall cost of education to the State and to parents and students.

The General Assembly also finds that the private sector often provides services and opportunities to the people of the State of North Carolina in activities that constitute a public purpose, and that these activities by the private sector are to be fostered and encouraged. The people of the State of North Carolina will benefit from the enactment of laws and creation of programs that assist the private sector in obtaining financing for capital improvements of facilities that will be used in conducting these activities.

Bonds or notes issued under the provisions of this ~~Chapter~~ Article shall not be secured by a pledge of the faith and credit of the State or of any political subdivision ~~thereof or be deemed to~~ of the State, or create an indebtedness of the State, or of any ~~such~~ political subdivision ~~thereof,~~ of the State requiring any voter approval, but shall be payable solely from the revenues and other funds provided ~~therefor.~~ for payment. Each bond or note issued under this ~~Chapter~~ Article shall contain on ~~the face thereof~~ its face a statement to the effect that the agency ~~shall not be~~ is not obligated to pay ~~the same~~ it nor the interest ~~thereon~~ on it except from the revenues and other funds pledged ~~therefor~~ for its payment and that neither the faith and credit nor the taxing power of the State or of any political subdivision ~~thereof~~ of the State is pledged as security for the payment of the principal of or the interest on ~~such~~ the bond or note.

Expenses incurred by the agency in carrying out the provisions of this ~~Chapter~~ Article may be made payable from funds provided pursuant to, or made available for use under, this ~~Chapter~~ Article and no liability shall be incurred by the agency ~~hereunder~~ under this Article beyond the extent to which moneys ~~shall~~ have been so provided.

"§ 159D-45. Bonds and notes.

(a) The agency is ~~hereby~~ authorized to provide for the issuance, at one time or from time to time, of bonds, or notes in anticipation of the issuance of bonds, of the agency to carry out and effectuate its corporate purposes. The principal of and the interest on such bonds or notes shall be payable solely from funds provided under this ~~Chapter~~ Article for such payment. Any such notes may be made payable from the proceeds of bonds or renewal notes or, in the event bond or renewal note proceeds are not available, such notes may be paid from any available revenues or other funds provided therefor. The bonds or notes of each issue shall be dated and may be made redeemable before maturity at the option of the agency at such price or prices and upon such terms and conditions as may be determined by the agency. The bonds may also be made payable from time to time on demand or tender for purchase by the owner upon such terms and conditions as may be determined by the agency. Any such bonds or notes shall bear interest at such rate or rates (including variable rates) as may be determined by the Local Government Commission ~~of North Carolina~~ with the approval of the agency. Notes shall mature at such time or times not exceeding 10 years from their date or dates and bonds shall mature at such time or times not exceeding 40 years from their date or dates, as may be determined by the agency. The agency shall determine the form and manner of execution of the bonds or notes, including any interest coupons to be attached thereto, and shall fix the denomination or denominations and the place or places of payment of principal and interest, which may be any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature ~~shall appear~~ appears on any bonds or notes or coupons attached ~~thereto shall cease to be such~~ to them ceases to be that officer before ~~the delivery thereof, such~~ their delivery, the

signature or ~~such~~ facsimile shall nevertheless be valid and sufficient for all purposes the same as if ~~he~~ the officer had remained in office until ~~such~~ delivery. The agency may also provide for the authentication of the bonds or notes by a trustee or fiscal agent. The bonds or notes may be issued in coupon or in registered form, or both, as the agency may determine, and provision may be made for the registration of any coupon bonds or notes as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds or notes of any bonds or notes registered as to both principal and interest, and for the interchange of registered and coupon bonds or notes. No bonds or notes may be issued by the agency under this ~~Chapter~~ Article unless the issuance thereof is approved by the Local Government ~~Commission of North Carolina.~~ Commission.

(b) The agency shall file with the Secretary of the Local Government Commission an application requesting approval of the issuance of ~~such~~ the bonds or ~~notes which shall contain such~~ notes. The application must include any information and ~~have attached to it such~~ documents concerning the proposed financing and prospective borrower, vendee or lessee ~~as the Secretary may require.~~ required by the Secretary.

In determining whether a proposed bond or note issue should be approved, the Local Government Commission may consider, in addition to the criteria and requirements ~~mentioned~~ in this ~~Chapter,~~ Article, the effect of the proposed financing upon any scheduled or proposed sale of tax-exempt obligations by the State or any of its agencies or departments or by any unit of local government in the State.

The Local Government Commission shall approve the issuance of ~~such~~ the bonds or notes if, upon the information and evidence it receives, it finds ~~and determines~~ that the proposed financing will effectuate the purposes of this ~~Chapter.~~ Article.

Upon the filing with the Local Government Commission of a resolution of the agency requesting that its bonds or notes be sold, ~~such~~ the bonds or notes may be sold in such manner, either at public or private sale, and for such price as the Local Government Commission ~~shall determine~~ determines to be for the best interests of the agency and to effectuate best the purposes of this ~~Chapter;~~ Article, ~~provided that such sale shall be~~ as long as the sale is approved by the agency.

(c) The proceeds of any bonds or notes shall be used solely for the purposes for which issued and shall be disbursed in such manner and under such restrictions, if any, as the agency may provide in the resolution authorizing the issuance of, or any trust agreement securing, ~~such~~ the bonds or notes.

(d) Prior to the preparation of definitive bonds, the agency may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds, when ~~such bonds shall~~ the bonds have been executed and are available for delivery. The agency may also provide for the replacement of any bonds or notes which ~~shall~~ become mutilated or ~~shall be~~ are destroyed or lost.

(e) Bonds or notes may be issued under the provisions of this ~~Chapter~~ Article without obtaining, except as otherwise expressly provided in this ~~Chapter,~~ Article, the consent of any department, division, commission, board, body, bureau or agency of the State, and without any other proceedings or the happening of any conditions or

things other than those proceedings, conditions or things ~~which are~~ specifically required by this ~~Chapter~~ Article and the provisions of the resolution authorizing the issuance of, or any trust agreement securing, ~~such~~ the bonds or notes.

(f) Before the issuance of bonds pursuant to this Article to finance a project, the Agency shall hold a public hearing with respect to the proposed project and the issuance of the bonds to finance the proposed project. The public hearing may be held at any location designated by the Agency, including at the offices of the Agency in Raleigh, North Carolina.

The public hearing may be conducted by the Agency or by a hearing officer designated by the Agency to conduct public hearings. Notice of the public hearing must be published at least once in at least one newspaper of general circulation in the county where the proposed project is to be located not less than 14 days before the public hearing. The notice must describe generally the bonds proposed to be issued and the proposed project, including its general location, and any other information the Agency considers appropriate. A copy of the notice of public hearing must be mailed to the clerk of the Board of Commissioners of the county in which the proposed project is to be located and to the governing body of any city or town in which the proposed project is to be operated.

"§ 159D-46. Trust agreement or resolution.

In the discretion of the agency any bonds or notes issued under the provisions of this ~~Chapter~~ Article may be secured by a trust agreement by and between the agency and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the State. Such trust agreement or the resolution authorizing the issuance of such bonds or notes may pledge or assign all or any part of the revenues of the agency received pursuant to this ~~Chapter,~~ Article, including, without limitation, fees, loan repayments, purchase price payments, rents, charges, insurance proceeds, condemnation awards and any other revenues and funds received in connection with any project and may grant a deed of trust or a mortgage on any project. Such trust agreement or resolution may contain such provisions for protecting and enforcing the rights and remedies of the holders of any such bonds or notes as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the agency in relation to the purposes to which bond or note proceeds may be applied, the disposition or pledging of the revenues of the agency, including any payments in respect of any federally guaranteed security or any federally insured mortgage note, the duties of the agency with respect to the acquisition, construction, maintenance, repair and operation of any project, the fees, loan repayments, purchase price payments, rents and charges to be fixed and collected in connection therewith, the terms and conditions for the issuance of additional bonds or notes, and the custody, safeguarding and application of all moneys. All bonds issued under this ~~Chapter~~ Article shall be equally and ratably secured by a pledge, charge, and lien upon revenues provided for in such trust agreement or resolution, without priority by reason of number, or of dates of bonds, execution, or delivery, in accordance with the provisions of this ~~Chapter~~ Article and of such trust agreement or resolution; except that the agency may provide in such

trust agreement or resolution that bonds issued pursuant thereto shall to the extent and in the manner prescribed in such trust agreement or resolution be subordinated and junior in standing, with respect to the payment of principal and interest and the security thereof, to any other bonds. It shall be lawful for any bank or trust company incorporated under the laws of the State which may act as depositary of the proceeds of bonds or notes, revenues or other money hereunder to furnish such indemnifying bonds or to pledge such securities as may be required by the agency. Any such trust agreement or resolution may set off the rights and remedies, including foreclosure of any deed of trust or mortgage, of the holders of any bonds or notes and of the trustee, and may restrict the individual right of action by any such holders. In addition to the foregoing, any such trust agreement or resolution may contain such other provisions as the agency ~~may deem~~ considers reasonable and proper for the security of the holders of any bonds or notes. Expenses incurred in carrying out the provisions of such trust agreement or resolution may be treated as a part of the cost of any project or paid from the revenues pledged or assigned to the payment of the principal of and the interest on bonds or notes or from any other funds available to the agency.

"**§ 159D-47. Revenues; pledges of revenues.**

(a) The agency is ~~hereby~~ authorized to fix and to collect fees, loan repayments, purchase price payments, rents and charges for the use of any project, and any part or section ~~thereof,~~ of the project and to contract with any participating institution for ~~the use thereof.~~ its use. The agency may require that the participating institution ~~shall~~ operate, repair or maintain such project and ~~shall~~ bear the cost ~~thereof~~ and other costs of the agency in connection ~~therewith,~~ with the project all as may be provided in the agreement of sale or lease, loan agreement or other contract with the agency, in addition to other obligations imposed under ~~such~~ the agreement or contract.

(b) The fees, loan repayments, purchase price payments, rents and charges shall be fixed so as to provide a fund sufficient, with any other available funds, ~~such other funds as may be made available therefor,~~ (i) to pay the costs of operating, repairing and maintaining the project to the extent that adequate provision for the payment of such costs has not otherwise been provided for, (ii) to pay the principal of and the interest on all bonds or notes as ~~the same shall~~ they become due and payable and (iii) to create and maintain any reserves provided for in the resolution authorizing the issuance of, or any trust agreement securing, ~~such bonds, and such~~ the bonds. The fees, loan repayments, purchase price payments, rents and charges may be applied or pledged to the payment of debt service on the bonds prior to the payment of the costs of operating, repairing and maintaining the project.

(c) All pledges of fees, loan repayments, purchase price payments, rents, charges and other revenues under the provisions of this ~~Chapter~~ Article ~~shall be~~ are valid and binding from the time when ~~such pledges~~ they are made. All ~~such~~ revenues so pledged and thereafter received by the agency ~~shall~~ are immediately ~~be~~ subject to the lien of ~~such~~ the pledge without any physical delivery ~~thereof~~ or further act, and the lien of ~~any such~~ the pledge ~~shall be~~ is valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the agency, irrespective of whether ~~such~~ the parties have notice ~~thereof.~~ of it. The resolution or any trust

agreement by which a pledge is created or any loan agreement, agreement of sale or lease need not be filed or recorded except in the records of the agency.

(d) The State of North Carolina ~~does pledge to and agree~~ pledges to and agrees with the holders of any bonds or notes issued by the agency that so long as any of ~~such~~ the bonds or notes are outstanding and unpaid the State will not limit or alter the rights vested in the agency at the time of issuance of the bonds or notes to fix, revise, charge, and collect or cause to be fixed, revised, charged and collected loan repayments, purchase price payments, rents, fees and charges for the use of or services rendered by any project in connection with which the bonds or notes were issued, so as to provide a fund sufficient, with ~~such other funds as may be made available therefor,~~ any other available funds to pay the costs of operating, repairing and maintaining the project, to pay the principal of and the interest on all bonds and notes as ~~the same shall~~ they become due and ~~payable and~~ payable, to create and maintain any reserves provided ~~therefor~~ for their payment, and to fulfill the terms of any agreements made with the bondholders or ~~noteholders, nor will the State~~ noteholders. The State will not in any way impair the rights and remedies of the bondholders or noteholders until the bonds or notes and all costs and expenses in connection with any action or proceedings by or on behalf of the bondholders or noteholders, are fully paid, met and discharged.

"**§ 159D-48. Trust funds.**

Notwithstanding any other provisions of law to the contrary, all moneys received pursuant to the authority of this ~~Chapter,~~ Article, ~~including, without limitation,~~ including fees, loan repayments, purchase price payments, rents, charges, insurance proceeds, condemnation awards and any other revenues and funds received in connection with any project, ~~shall be deemed to be~~ are trust funds to be held and applied solely as provided in this ~~Chapter.~~ Article. The resolution authorizing the issuance of, or any trust agreement securing, any bonds or notes may provide that any of ~~such~~ these moneys may be temporarily invested pending ~~the~~ their disbursement ~~thereof~~ and shall provide that any officer with whom, or any bank or trust company with which, such moneys ~~shall be~~ are deposited shall act as trustee of such moneys and shall hold and apply ~~the same~~ them for the purposes of this ~~Chapter,~~ Article, subject to ~~such~~ any limitations ~~as~~ provided in this ~~Chapter~~ Article and ~~such~~ in the resolution or trust ~~agreement may provide. Any such~~ agreement. The moneys may be invested as provided in G.S. 159-30, as it may from time to time be amended.

"**§ 159D-49. Remedies.**

Any holder of bonds or notes issued under the provisions of this ~~Chapter~~ Article or any coupons appertaining thereto, and the trustee under any trust agreement or resolution authorizing the issuance of such bonds or notes, except to the extent the rights herein given may be restricted by such trust agreement or resolution, may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights under the laws of the State or granted hereunder or under such trust agreement or resolution, or under any other contract executed by the agency pursuant to this ~~Chapter,~~ Article, and may enforce and compel the

performance of all duties required by this ~~Chapter~~ Article or by such trust agreement or resolution to be performed by the agency or by any officer ~~thereof.~~ of the agency.

"**§ 159D-50. Investment securities.**

All bonds, notes and interest coupons ~~appertaining thereto~~ issued under this ~~Chapter~~ Article are ~~hereby made~~ investment securities within the meaning of and for all the purposes of Article 8 of the Uniform Commercial Code as enacted in this State, whether or not they are of such form and character as to be investment securities under ~~said Article 8,~~ that Article, subject only to the provisions of the bonds and notes pertaining to registration.

"**§ 159C-6. Bonds.**

(a) Each authority is authorized to provide for the issuance, at one time or from time to time, of bonds of the authority for the purpose of paying all or any part of the cost of any project. The principal of, the interest on and any premium payable upon the redemption of ~~such~~ the bonds shall be payable solely from the funds ~~herein authorized for such~~ authorized in this Article for their payment. The bonds of each issue shall bear interest as may be determined by the Local Government Commission ~~of North Carolina~~ with the approval of the authority and the obligor irrespective of the limitations of G.S. 24-1.1, as amended, and successor provisions. The bonds of each issue shall be dated, shall mature at ~~such~~ any time or times not exceeding 35 years after the date of their issuance, and may be made redeemable before maturity at ~~such~~ any price or prices and under ~~such~~ any terms and conditions, as may be fixed by the authority ~~prior to~~ before the issuance of the bonds. The authority shall determine the form and the manner of execution of the bonds, including any interest coupons to be attached ~~thereto,~~ to them, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest. In case any officer whose signature ~~or a facsimile of whose signature appears on any bonds or coupons ceases to be that officer before the delivery of the bonds, the signature or the facsimile shall nevertheless be valid and sufficient for all purposes the same as if the~~

~~person had remained in office until such delivery.~~ or a facsimile of whose signature appears on any bonds or coupons ceases to be that officer before the delivery of the bonds, the signature or the facsimile shall nevertheless be valid and sufficient for all purposes the same as if the officer had remained in office until the delivery. The authority may also provide for the authentication of the bonds by a trustee or fiscal agent. The bonds may be issued in coupon or in fully registered form, or both, as the authority may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest, and for the interchange of registered and coupon bonds.

(b) The proceeds of the bonds of each issue shall be used solely for the payment of the cost of ~~the project or projects, or a portion thereof,~~ all or part of the project for which the bonds were issued, and shall be disbursed in ~~such~~ any manner and under ~~such~~ any restrictions, ~~if any,~~ as the authority may provide in the financing agreement and the security document. If the proceeds of the bonds of any issue, by reason of increased construction costs or error in estimates or otherwise, are less than ~~such~~ this cost, additional bonds may in like manner be issued to provide the amount of the deficiency.

(c) The proceeds of bonds shall not be used to refinance the cost of ~~a~~ an industrial project or a pollution control project. For the purposes of this section, a cost of ~~a~~ an industrial project or a pollution control project is considered refinanced if both of the following conditions are met:

(1) The cost is initially paid from sources other than bond proceeds, and the original expenditure is to be reimbursed from bond proceeds.

(2) The original expenditure was paid more than 60 days before the authority took some action indicating its intent that the expenditure would be financed or reimbursed from bond proceeds.

(d) ~~However,~~ Notwithstanding subsection (c) of this section, preliminary expenditures that are incurred prior to the commencement of the acquisition, construction, or rehabilitation of ~~a~~ an industrial project or a pollution control project, such as architectural costs, engineering costs, surveying costs, soil testing costs, bond issuance costs, and other similar costs, may be reimbursed from bond proceeds even if these costs are incurred or paid more than 60 days prior to the authority's action. This exception that allows preliminary expenditures to be reimbursed from bond proceeds, regardless of whether or not they are incurred or paid within 60 days of the authority's action, does not include costs that are incurred incident to the commencement of the construction of ~~a~~ an industrial project or a pollution control project, such as expenditures for land acquisition and site preparation. In any event, an expenditure in connection with an industrial project or a pollution control project originally paid before the authority took some action indicating its intent that the expenditures would be financed or reimbursed from bond proceeds may ~~only~~ be reimbursed from bond proceeds only if the authority finds that reimbursing those costs from bond proceeds will promote the purposes of this Chapter.

(e) An authority may make loans to an obligor to refund outstanding loans, obligations, deeds of trust, or advances issued, made, or given by the obligor for the cost of a special purpose project.

(f) The authority may issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when ~~such~~ the bonds have been executed and are available for delivery. The authority may also provide for the replacement of any bonds that become mutilated or are destroyed or lost.

(g) Bonds may be issued under the provisions of this Chapter without obtaining, except as otherwise expressly provided in this Chapter, the consent of the State or of any political subdivision or of any agency of either, and without any other proceedings or the happening of any conditions or things other than those proceedings, ~~conditions~~ conditions, or things ~~which~~ that are specifically required by this Chapter and the provisions of the financing agreement and security document authorizing the issuance of ~~such bonds and securing the same.~~ the bonds and securing the bonds."

Section 6. G.S. 159C-7 reads as rewritten:

"**§ 159C-7. Approval of ~~project~~ industrial projects and pollution control projects by Secretary of Commerce.**

(a) Approval Required. -- No bonds may be issued by an authority to finance an industrial project or a pollution control project unless the project for which their issuance is proposed is first approved by the Secretary of Commerce. The authority shall file an application for approval of its proposed industrial project or pollution control project with the Secretary of Commerce, and shall notify the Local Government Commission of ~~such~~ the filing.

(b) Findings. -- The Secretary shall not approve any proposed industrial project or pollution control project unless the Secretary makes all of the following, applicable findings:

(1) In the case of a proposed industrial project,

a. That the operator of the proposed project pays, or has agreed to pay thereafter, an average weekly manufacturing wage that (i) is above the average weekly manufacturing wage paid in the county, or (ii) is not less than ten percent (10%) above the average weekly manufacturing wage paid in the State, and

b. That the proposed project will not have a materially adverse effect on the environment.

(2) In the case of a proposed pollution control project, that ~~such~~ the project will have a materially favorable impact on the environment or will prevent or diminish materially the impact of pollution which would otherwise occur.

(2a) In the case of a hazardous waste facility or low-level radioactive waste facility that is used as a reduction, recovery or recycling facility, that such project will further the waste management goals

of North Carolina and will not have an adverse effect upon public health or a significant adverse effect on the environment.

(3) In ~~any case (whether the proposed project is~~ the case of an industrial project or a pollution control ~~project),~~ project, except a pollution control project for a public utility,

a. That the jobs to be generated or saved, directly or indirectly, by the proposed project will be large enough in number to have a measurable impact on the area immediately surrounding the proposed project and will be commensurate with the size and cost of the proposed project,

b. That the proposed operator of the proposed project has demonstrated or can demonstrate the capability to operate ~~such~~ the project, and

c. That the financing of ~~such~~ the project by the authority will not cause or result in the abandonment of an existing industrial or manufacturing facility of the proposed operator or an affiliate elsewhere within the State unless the facility is to be abandoned because of obsolescence, lack of available labor in the area, or site limitations.

(b1) Initial Operator. -- If the initial proposed operator of ~~a~~ an industrial project or a pollution control project is not expected to be the operator for the term of the bonds proposed to be issued, the Secretary may make the findings required pursuant to subdivisions ~~(1)a.~~ (b)(1)a. and (3)b. of this section only with respect to the initial operator. The initial operator shall be identified in the application for approval of the proposed project.

(c) Public Hearing. -- The Secretary of Commerce shall not approve any proposed industrial project or pollution control project pursuant to this section unless the governing body of the county in which the project is located has first conducted a public hearing and, at or after the public hearing, approved in principle the issuance of bonds under this Chapter for the purpose of paying all or part of the cost of the proposed project. Notice of the public hearing shall be published at least once in at least one newspaper of general circulation in the county not less than 14 days before the public hearing. The notice shall describe generally the bonds proposed to be issued and the proposed project, including its general location, and any other information the governing body considers appropriate or the Secretary of Commerce prescribes for the purpose of providing the Secretary with the views of the community. The notice shall also state that following the public hearing the authority intends to file an application for approval of the proposed project with the Secretary of Commerce.

(d) Certificate of Department of Environment and Natural Resources. -- The Secretary of Commerce shall not make the findings required by subdivisions (b)(1)b and (2) of this section unless the Secretary has first received a certification from the Department of Environment and Natural Resources that, in the case of a proposed industrial project, the proposed project will not have a materially adverse effect on

the environment and that, in the case of a proposed pollution control project, the proposed project will have a materially favorable impact on the environment or will prevent or diminish materially the impact of pollution which would otherwise occur. The Secretary of Commerce shall not make the findings required by subdivision (2a) unless the Secretary has first received a certification from the Department of Environment and Natural Resources that the proposed project is environmentally sound, will not have an adverse effect on public health and will further the waste management goals of North Carolina. The Secretary of Commerce shall deliver a copy of the application to the Department of Environment and Natural Resources. The Department of Environment and Natural Resources shall provide each certification to the Secretary of Commerce within seven days after the applicant satisfactorily demonstrates to it that all permits, including environmental permits, necessary for the construction of the proposed project have been obtained, unless the authority consents to a longer period of time.

(e) Waiver of Wage Requirement. -- If the Secretary of Commerce has made all of the required findings respecting a proposed industrial project except that prescribed in ~~subparagraph~~ subdivision (b)(1)a of this section, the Secretary may, in the Secretary's discretion, approve the proposed industrial project if the Secretary has received (i) a resolution of the governing body of the county requesting that the proposed industrial project be approved notwithstanding that the operator will not pay an average weekly manufacturing wage above the average weekly manufacturing wage in the county and (ii) a letter from an appropriate State official, selected by the Secretary, to the effect that unemployment in the county is especially severe.

(f) Rules. -- To facilitate review of each proposed industrial project or pollution control project, the Secretary may require the authority to obtain and submit ~~such~~ any data and information about ~~such~~ the project ~~as~~ the Secretary may prescribe. The Secretary may also prescribe ~~such~~ forms and ~~such~~ rules ~~as~~ the Secretary considers reasonably necessary to implement the provisions of this section.

(g) Certificate of Approval. -- If the Secretary approves the proposed industrial project or pollution control project, the Secretary shall prepare a certificate of approval evidencing ~~such~~ the approval and setting forth the findings and shall cause the certificate of approval to be published in a newspaper of general circulation within the county. ~~Any such~~ This approval shall be reviewable as provided in Article 4 of Chapter 150B of the General Statutes ~~of North Carolina~~ only by an action filed, within 30 days after notice of ~~such~~ the findings and approval ~~shall~~ have been so published, in the Superior Court of Wake County. The superior court is ~~hereby~~ vested with jurisdiction to hear ~~such~~ the action, but if no ~~such~~ action is filed within the 30 days ~~herein~~ prescribed, the validity of ~~such~~ the approval ~~shall be~~ is conclusively presumed, and no court ~~shall have~~ has authority to inquire into ~~such~~ the approval. Copies of the certificate of approval of the proposed industrial project or pollution control project will be given to the authority, the ~~governing body of the county~~ board of county commissioners, and the Secretary of the Local Government Commission.

The certificate of approval ~~shall become~~ becomes effective immediately following the expiration of the 30-day period or the expiration of any appeal period after a final determination by any court of any action timely filed pursuant to this section. The certificate ~~shall expire~~ expires one year after its date unless extended by the Secretary who shall not extend the certificate unless the Secretary again approves the proposed industrial project or pollution control project as provided in this section. If bonds are issued within that year pursuant to the authorization of this Chapter to pay all or part of the costs of the industrial project or pollution control project, however, the certificate ~~shall expire~~ expires three years after the date of the first issuance of the bonds."

Section 7. G.S. 159C-8 reads as rewritten:

"**§ 159C-8. Approval of bonds.**

(a) No bonds may be issued by an authority unless the issuance ~~thereof~~ of the bonds is first approved by the Local Government Commission.

The authority shall file an application for approval of its proposed bond issue with the Secretary of the Local Government Commission, and shall notify the Secretary of ~~the Department of~~ Commerce of ~~such filing.~~ the filing if the project is an industrial project or pollution control project.

(b) In determining whether a proposed bond issue should be approved, the Local Government Commission may ~~consider, without limitation,~~ consider any of the following:

(1) Whether the proposed operator and obligor have demonstrated or can demonstrate the financial responsibility and capability to fulfill their obligations with respect to the financing agreement. In making such determination, the Commission may consider the operator's experience and the obligor's ratio of current assets to current liabilities, net worth, earnings trends and coverage of fixed charges, the nature of the industry or business involved and its stability and any additional security such as credit enhancement, insurance, guaranties or property to be pledged to secure such bonds.

(2) Whether the political subdivisions in or near which the proposed project is to be located have the ability to cope satisfactorily with the impact of ~~such~~ the project and to provide, or cause to be provided, the public facilities and services, including utilities, that will be necessary for ~~such~~ the project and on account of any increase in population which are expected to result ~~therefrom.~~ from the project.

(3) Whether the proposed date and manner of sale will have an adverse effect upon any scheduled or anticipated sale of obligations by the State or any political subdivision or any agency of either of them.

(4) Any other factors the Commission considers relevant.

(c) The Local Government Commission shall not approve the issuance of bonds for a special purpose project unless the governing body of the county in which the special purpose project is located has conducted a public hearing and, at or after the public hearing, approved in principle the issuance of bonds under this Chapter for the purposes of paying all or a part of the proposed special purpose project. Notice of the public hearing must be published at least once in at least one newspaper of general circulation in the county not less than 14 days before the public hearing. The notice must describe generally the bonds proposed to be issued and the proposed special purpose project, including its general location, and any other information the governing body considers appropriate.

(d) If the initial proposed operator of the project is not expected to be the operator for the term of the bonds proposed to be issued, the Local Government Commission may consider the matters required under subdivision ~~(1)~~ (b)(1) of this section only with respect to the initial operator. The obligor shall be obligated to perform all of the duties of the obligor required hereunder during the term the bonds are outstanding. The Local Government Commission shall evaluate the obligor's ability to perform these duties without regard to whether the initial proposed operator of the project is expected to be the operator for the term of the bonds proposed to be issued. To facilitate the review of the proposed bond issue by the Commission, the Secretary may require the authority to obtain and submit ~~such~~ any financial data and information about the proposed bond issue and the security ~~therefor,~~ for it, including the proposed prospectus or offering circular, the proposed financing agreement and security document and annual and other financial reports and statements of the obligor, as the Secretary may prescribe. The Secretary may also prescribe ~~such forms and such rules and regulations as he shall deem~~ any forms and rules the Secretary considers reasonably necessary to implement the provisions of this section. "

Section 8. G.S. 159C-11 reads as rewritten:

"**§ 159C-11. Financing agreements.**

(a) Every financing agreement shall provide that:

(1) The amounts payable under the financing agreement shall be sufficient to pay all of the principal of and redemption premium, if any, and interest on the bonds ~~that shall be~~ issued by the authority to pay the cost of the project as ~~the same shall~~ they respectively become ~~due;~~ due.

(2) The obligor shall pay all costs incurred by the authority in connection with the financing and administration of the project, except as may be paid out of the proceeds of bonds or otherwise, ~~including, but without limitation,~~ including insurance costs, the cost of administering the financing agreement and the security document and the fees and expenses of the fiscal agent or trustee, paying agents, attorneys, consultants and ~~others;~~ others.

(3) The obligor shall pay all the costs and expenses of operation, maintenance and upkeep of the ~~project; and~~ project.

(4) The obligor's obligation to provide for the payment of the bonds in full ~~shall not be~~ is not subject to cancellation, termination or abatement until ~~such~~ payment of the bonds or provision for their payment has been ~~therefor shall be~~ made.

(5) If the proposed initial operator of the project is not expected to be the operator for the term of the bonds proposed to be issued, the financing agreement shall require that the obligor attempt to arrange for a new operator when the current operator discontinues serving as operator. The new operator is subject to the approval of the Secretary under subdivisions (b)(1)a. and (3)b. of G.S. 159C-7 ~~and~~ if the project is an industrial project or a pollution control project, and is subject in any event to the approval of the Local Government Commission under G.S. 159C-8.

(b) The financing agreement, if in the nature of a lease agreement, shall either provide that the obligor ~~shall have~~ has an option to purchase, or require that the obligor purchase, the project upon the expiration or termination of the financing agreement subject to the condition that payment in full of the principal of, and the interest and any redemption premium on, the bonds, or provision ~~therefor, shall have~~ for payment, has been made.

The financing agreement may provide the authority with rights and remedies in the event of a default by the obligor ~~thereunder including, without limitation,~~ under the agreement, including any one or more of the following:

(1) Acceleration of all amounts payable under the financing agreement;

(2) Reentry and repossession of the project;

(3) Termination of the financing agreement;

(4) Leasing or sale or foreclosure of the project to others; and

(5) Taking whatever actions at law or in equity may appear necessary or desirable to collect the amounts payable under, and to enforce covenants made in, the financing agreement.

(c) The authority's interest in a project under a financing agreement may be that of owner, lessor, lessee, conditional or installment vendor, mortgagor, mortgagee, secured party or otherwise, but the authority need not have any ownership or possessory interest in the project.

The authority may assign all or any of its rights and remedies under the financing agreement to the trustee or the bondholders under a security document.

~~Any such~~ The financing agreement may contain ~~such~~ any additional provisions ~~as in the determination of~~ the authority ~~are~~ considers necessary or convenient to effectuate the purposes of this Chapter."

Section 9. G.S. 159C-19 reads as rewritten:

"**§ 159C-19. Revenue refunding bonds.**

(a) Each authority is ~~hereby~~ authorized to provide by resolution for the issuance of refunding bonds of the authority for the purpose of refunding any bonds then outstanding that have been issued under the provisions of this Chapter, including the

payment of any redemption premium ~~thereon~~ on them and any interest accrued or to accrue to the date of redemption of ~~such~~ the bonds, and, if deemed advisable by the authority, for either or both of the following additional purposes:

(1) Constructing improvements, additions, extensions or enlargements of the project or projects in connection with which the bonds to be refunded have been issued, and

(2) Paying all or any part of the cost of any additional project or projects.

(a1) The issuance of ~~such~~ these bonds, ~~the~~ their maturities and other ~~details thereof,~~ details, the rights of ~~the holders thereof,~~ their holders, and the rights, ~~duties~~ duties, and obligations of the authority in respect to ~~the same~~ them shall be governed by the provisions of this Chapter that relate to the issuance of bonds, ~~insofar as such provisions may be appropriate therefor,~~ to the extent appropriate, including that ~~any such~~ the bonds may have a single maturity within the limit prescribed by G.S. 159C-6.

The approvals required by G.S. 159C-7 and 159C-8 shall be obtained prior to the issuance of any refunding ~~bonds; provided, however, that in the case where~~ bonds, except that if the refunding bonds of all or a portion of an issue are to be issued solely for the purpose of refunding outstanding bonds issued under this Chapter, the approval required by G.S. 159C-7 ~~shall not be~~ is not required as to the project financed with the bonds to be refunded.

(b) Refunding bonds issued under this section may be sold or exchanged for outstanding bonds issued under this Chapter and, if sold, ~~the proceeds thereof~~ their proceeds may be applied, in addition to any other authorized purposes, to the purchase, ~~redemption~~ redemption, or payment of ~~such~~ the outstanding bonds. Refunding bonds may be issued, in the determination of the authority, at any time ~~not more than five years prior to~~ before the date of maturity or maturities or the date selected for the redemption of the bonds being refunded ~~thereby.~~ by them. Pending the application of the proceeds of ~~such~~ the refunding bonds, with any other available funds, to the payment of the principal of and accrued interest and any redemption premium on the bonds being refunded, and, if so provided or permitted in the security document securing ~~the same,~~ them, to the payment of any interest on ~~such~~ the refunding bonds and any expenses in connection with ~~such~~ the refunding, ~~such~~ the proceeds may be invested in direct obligations of, or obligations the principal of and the interest on which are unconditionally guaranteed by, the United States of America ~~which shall mature or which shall be~~ that mature or are subject to redemption by the ~~holder thereof,~~ holder, at the option of such holder, not later than the respective dates when the proceeds, together with the interest accruing ~~thereon,~~ on them, will be required for the purposes intended."

Section 10. The amendments to G.S. 159D-55, as recodified by this act, become effective with respect to obligations issued on or after August 1, 2000. The remainder of this act becomes effective July 1, 2000.

SENATE BILL 1472:
Conduit Agency Financing

BILL ANALYSIS

Committee:	House Finance	Sponsor:	Senator Rand
Date:	June 29, 2000	Analysis by:	Martha H. Harris*
Version:	Third Edition		Staff Attorney

SUMMARY: Senate Bill 1472 makes the following changes regarding revenue bonds issued on behalf of private entities:

- *Expands the NC Educational Facilities Finance Agency to become the NC Capital Facilities Finance Agency, and authorizes the agency to issue bonds on behalf of private entities for various projects that have a public purpose ("special purpose projects"). (Section 1; Section 2, pages 22 through 39)*
- *Authorizes County Industrial Facilities and Pollution Control Financing Authorities to issue bonds on behalf of private entities for various projects that have a public purpose. (Sections 3 through 9, pages 39 to end)*
- *Dissolves the NC Industrial Facilities and Pollution Control Financing Authority and transfers its powers and duties to the NC Capital Facilities Finance Agency. (Section 2, pages 1 through 21)*

Background. In a conduit financing, a governmental entity issues its bonds to finance facilities for a private party, then receives payments from the private party to service the bonds. If the federal tax law permits tax-exempt bond issues for the type of facility financed, the private party is able to borrow at tax-exempt rates. Under current law, conduit financing is authorized for private industrial and pollution facilities through county authorities (Chapter 159C of the General Statutes) and through a State authority (Chapter 159D of the General Statutes) and for private educational facilities through a State agency (Chapter 115E of the General Statutes). Counties and cities may also provide conduit financing directly.

Federal law allows tax-exempt conduit financing for a variety of projects beyond the industrial, pollution control, and educational projects currently authorized in Chapters 159C, 159D, and 115E of the General Statutes. Recent financings have been proposed and entered into for new types of projects, such as recreational facilities to be leased to or operated by a YMCA. The Treasurer's Office had two concerns about the expansion of the type of projects being financed under current law. First, although the projects have a public purpose and satisfy federal requirements, the current North Carolina statutes do not clearly authorize conduit financing for these types of projects. Second, to the extent the conduit financing is conducted directly by a local government, rather than a special purpose authority, the local government's credit rating is at risk if the private entity were to go into default.

---

*G. Thomas Lee of Poyner and Spruill contributed background information for this analysis.

Senate Bill 1472 would address these concerns by providing specific statutory authority for conduit financing of "special purpose projects," a variety of private, public purpose projects, through the following limited purpose agencies: County Industrial Facilities and Pollution Control Financing Authorities and the North Carolina Educational Facilities Finance Agency, which would be renamed the North Carolina Capital Facilities Finance Agency to reflect its broader financing authority. The types of projects that the bill would give these entities the power to finance are:

- water systems and facilities
- sewage disposal systems or facilities
- public transportation systems, facilities, or equipment
- public parking facilities
- public auditoriums and similar facilities
- recreational facilities
- solid waste facilities
- facilities for persons with disabilities and for the disadvantaged, such as Goodwill stores and sheltered workshops, but not including retail establishments unless 75% of the inventory is used, donated goods and 75% of the employees will be disadvantaged or disabled persons

Student housing facilities owned by entities other than educational institutions would also be authorized for the Capital Facilities Financing Agency. The Treasurer's office has identified these types of projects as those for which the private sector currently seeks conduit financing, or is expected to seek conduit financing in the foreseeable future.

The bill authorizes both the initial financing of special purpose projects and the refinancing of pre-existing debt for special purpose projects.

Multi-County Projects. County Industrial Facilities and Pollution Control Financing Authorities are created by county governments and thus have limited ability to finance multi-county projects. Authorizing the North Carolina Educational Facilities Finance Agency to provide conduit financing would allow financing of multi-county projects, such as a proposed multi-county recreational facility to be operated by a YMCA near Winston-Salem. As part of expanding and renaming the Agency, its statutes are recodified from Chapter 115E of the General Statutes to Article 2 of Chapter 159D of the General Statutes.

Private Student Housing. By authorizing the North Carolina Educational Facilities Finance Agency to provide conduit financing for student housing that is not owned or operated by an educational institution, the bill would address current proposals to finance private, nonprofit housing for students at various universities, including Appalachian State University, Fayetteville State University, and North Carolina Agricultural and Technical State University.

Clean-up Amendments. This bill also makes "clean-up" amendments concerning the North Carolina Industrial Facilities and Pollution Control Financing Authority, created in Chapter 159D of the General Statutes. This authority is a State entity that issued bonds in the late 1980s and early 1990s for purposes similar to those provided for County Industrial Facilities and

Pollution Control Financing Authorities in Chapter 159C. The State authority is moribund at this time due to loss of records regarding its creation and membership. From time to time, administrative duties arise regarding its outstanding bonds. This bill would authorize the North Carolina Educational Facilities Finance Agency to take over the remaining responsibilities of the Industrial Facilities and Pollution Control Financing Authority, which would be dissolved. Although additional bonds are not expected to be issued under Chapter 159D for industrial or pollution control projects, the bill makes a few changes to conform the provisions to those governing County Industrial Facilities and Pollution Control Financing Authorities in Chapter 159C, and to delete obsolete provisions.

Conduit Financing Procedure. Under the bill, a private entity (either nonprofit or for-profit) could obtain financing from a County Industrial Facilities and Pollution Control Financing Authority or from the North Carolina Capital Facilities Finance Agency in order to acquire, construct, and improve a public purpose project. The financing would usually be tax-exempt under federal law and could include revenue bonds or other forms of debt, but would not include any financing that pledges the faith or credit of the State, a local government, or any political subdivision. The advantage to private entities of tax-exempt financing is that interest rates on tax-exempt financing are significantly lower than on taxable financing. The private entity must pay for the entire cost of the financing and of the facility being financed.

The bill makes tax-exempt financing available for capital facilities for the following public purpose projects: water systems, sewage disposal systems, public transportation systems, public parking facilities, public auditoriums and convention centers, recreational facilities, solid waste facilities, and facilities for persons with disabilities and for the disadvantaged. In the case of the Capital Facilities Finance Agency, student housing may also be financed. Under current law, the Agency may finance facilities related to educational institutions, including student housing, but only on behalf of an educational institution and not on behalf of other entities.

In addition to a building, the financing could cover land acquisition, landscaping, site preparation, furniture, and machinery and equipment, as well as engineering and architectural services and other administrative expenses related to construction or acquisition of a project. Financing from the Capital Facilities Finance Agency is not available for projects that discriminate based on race, creed, color, or national origin. The law governing County Industrial Facilities and Pollution Control Financing Authorities does not contain a similar restriction.

Conduit financing through the State would be administered by the Capital Facilities Finance Agency (currently called the Educational Facilities Finance Agency), which is located in the Department of State Treasurer. The Agency has seven members: the State Treasurer, the State Auditor, one member appointed upon the recommendation of the President Pro Tempore of the Senate, one member appointed upon the recommendation of the Speaker of the House of Representatives, and three members appointed by the Governor. The appointive members must be residents of North Carolina and cannot hold other public office. The Agency is audited annually and submits an annual report to the Governor and the General Assembly.

A private entity could qualify for financing only if the Agency found it to be financially responsible and capable of fulfilling its obligations. Before financing is approved, the Agency must find that the entity has provided adequately for the payment of principal and interest on the bonds and for the operation, repair, and maintenance of the facility to be financed. The bill clarifies that the Agency, in making this finding, may consider whether the private entity on behalf of whom the bonds will be issued has arranged for delivery of a letter of credit or for any other credit enhancement to secure the obligations. Similar provisions are found in the current law governing County Industrial Facilities and Pollution Control Financing Authorities.

Public notice and a public hearing are required before the bonds may be approved. The governing body of the county, and of any municipality, in which the project will be located must be notified of the hearing.

The Agency may issue bonds only if they are approved by the Local Government Commission. The Local Government Commission sets the interest rates on the bonds and administers their sale. The bonds may be secured by a trust agreement with a corporate trustee, such as a bank. The Agency will require the private entity to pay fees, loan repayments, rents, or other charges sufficient to cover the payment of principal and interest on the bonds and the operation, repair, and maintenance of the facility to be financed, and the bonds will be secured by the pledge of these revenues.

PART IV. COURT COSTS FOR TECHNOLOGY

Section 4.(a) G.S. 7A-304(a)(4) reads as rewritten:

"(a) In every criminal case in the superior or district court, wherein the defendant is convicted, or enters a plea of guilty or nolo contendere, or when costs are assessed against the prosecuting witness, the following costs shall be assessed and collected, except that when the judgment imposes an active prison sentence, costs shall be assessed and collected only when the judgment specifically so provides, and that no costs may be assessed when a case is dismissed.

. . .

(4) For support of the General Court of Justice, the sum of ~~sixty-one dollars ($61.00)~~ sixty-five dollars ($65.00) in the district court, including cases before a magistrate, and the sum of ~~sixty-eight dollars ($68.00)~~ seventy-two dollars ($72.00) in the superior court, to be remitted to the State Treasurer.

. . . ."

Section 4.(b) G.S. 7A-305(a)(2) reads as rewritten:

"(a) In every civil action in the superior or district court the following costs shall be assessed:

. . .

(2) For support of the General Court of Justice, the sum of ~~fifty-five dollars ($55.00)~~ fifty-nine dollars ($59.00) in the superior court, and the sum of ~~forty dollars ($40.00)~~ forty-four dollars ($44.00) in the district court except that if the case is assigned to a magistrate the sum shall be ~~twenty-eight dollars ($28.00).~~ thirty-three dollars ($33.00). Sums collected under this subsection shall be remitted to the State Treasurer.

. . . ."

Section 4.(c) G.S. 7A-306(a) and (b) read as rewritten:

"**§ 7A-306. Costs in special proceedings.**

(a) In every special proceeding in the superior court, the following costs shall be assessed:

(1) For the use of the courtroom and related judicial facilities, the sum of ten dollars ($10.00) to be remitted to the county. Funds derived from the facilities fees shall be used in the same manner, for the same purposes, and subject to the same restrictions, as facilities fees assessed in criminal actions.

(2) For support of the General Court of Justice the sum of ~~twenty-six dollars ($26.00).~~ thirty dollars ($30.00). In addition, in proceedings involving land, except boundary disputes, if the fair market value of the land involved is over one hundred dollars ($100.00), there shall be an additional sum of thirty cents (30¢) per one hundred dollars ($100.00) of value, or major fraction thereof, not to exceed a maximum additional sum of two hundred dollars ($200.00). Fair market value is determined by the sale price if there is a sale, the appraiser's valuation if there is no sale, or the appraised value from the property tax records if there is neither a sale nor an appraiser's valuation. Sums collected under this subsection shall be remitted to the State Treasurer.

(b) The facilities fee and ~~twenty-six dollars ($26.00)~~ thirty dollars ($30.00) of the General Court of Justice fee are payable at the time the proceeding is initiated.

. . . ."

Section 4.(d) G.S. 7A-307(a) and (b) read as rewritten:

"(a) In the administration of the estates of decedents, minors, incompetents, of missing persons, and of trusts under wills and under powers of attorney, and in collections of personal property by affidavit, the following costs shall be assessed:

(1) For the use of the courtroom and related judicial facilities, the sum of ten dollars ($10.00), to be remitted to the county. Funds derived from the facilities fees shall be used in the same manner, for the same purposes, and subject to the same restrictions, as facilities fees assessed in criminal actions.

(2) For support of the General Court of Justice, the sum of ~~twenty-six dollars ($26.00),~~ thirty dollars ($30.00), plus an additional forty cents (40¢) per one hundred dollars ($100.00), or major fraction

thereof, of the gross estate, not to exceed three thousand dollars ($3,000). Gross estate shall include the fair market value of all personalty when received, and all proceeds from the sale of realty coming into the hands of the fiduciary, but shall not include the value of realty. In collections of personal property by affidavit, the fee based on the gross estate shall be computed from the information in the final affidavit of collection made pursuant to G.S. 28A-25-3 and shall be paid when that affidavit is filed. In all other cases, this fee shall be computed from the information reported in the inventory and shall be paid when the inventory is filed with the clerk. If additional gross estate, including income, comes into the hands of the fiduciary after the filing of the inventory, the fee for such additional value shall be assessed and paid upon the filing of any account or report disclosing such additional value. For each filing the minimum fee shall be ~~ten dollars ($10.00).~~ fifteen dollars ($15.00). Sums collected under this subsection shall be remitted to the State Treasurer.

(2a) Notwithstanding subdivision (2) of this subsection, the fee of forty cents (40¢) per one hundred dollars ($100.00), or major fraction, of the gross estate, not to exceed three thousand dollars ($3,000), shall not be assessed on personalty received by a trust under a will when the estate of the decedent was administered under Chapters 28 or 28A of the General Statutes. Instead, a fee of ~~fifteen dollars ($15.00)~~ twenty dollars ($20.00) shall be assessed on the filing of each annual and final account.

(2b) Notwithstanding subdivisions (1) and (2) of this subsection, no costs shall be assessed when the estate is administered or settled pursuant to G.S. 28A-25-6.

(3) For probate of a will without qualification of a personal representative, the clerk shall assess a facilities fee as provided in subdivision (1) of this subsection and shall assess for support of the General Court of Justice, the sum of ~~seventeen dollars ($17.00).~~ twenty dollars ($20.00).

(b) In collections of personal property by affidavit, the facilities fee and ~~twenty-six dollars ($26.00)~~ thirty dollars ($30.00) of the General Court of Justice fee shall be paid at the time of filing the qualifying affidavit pursuant to G.S. 28A-25-1. In all other cases, these fees shall be paid at the time of filing of the first inventory. If the sole asset of the estate is a cause of action, ~~the thirty dollars ($30.00)~~ these fees shall be paid at the time of the qualification of the fiduciary.

. . . ."

Section 4.(e) G.S. 7A-308(a)(1) reads as rewritten:

"(a) The following miscellaneous fees and commissions shall be collected by the clerk of superior court and remitted to the State for the support of the General Court of Justice:

(1) Foreclosure under power of sale in deed of trust or mortgage ..... ~~$30.00~~ $40.00
If the property is sold under the power of sale, an additional amount will be charged, determined by the following formula: thirty cents (30¢) per one hundred dollars ($100.00), or major fraction thereof, of the final sale price. If the amount determined by the formula is less than ten dollars ($10.00), a minimum ten dollar ($10.00) fee will be collected. If the amount determined by the formula is more than two hundred dollars ($200.00), a maximum two hundred dollar ($200.00) fee will be collected."

PART V. JAIL FEE FOR LOCAL GOVERNMENTS

Section 5. G.S. 7A-313 reads as rewritten:

"**§ 7A-313. Uniform jail fees.**

~~Only persons~~ Persons who are lawfully confined in jail awaiting ~~trial, or who are ordered to pay jail fees pursuant to a probationary sentence,~~ trial shall be liable to the county or municipality maintaining the jail in the sum of five dollars ($5.00) for each 24 hours' confinement, or fraction thereof, except that a person so confined shall not be liable for this fee if the case or proceeding against him is dismissed, or if acquitted, or if judgment is arrested, or if probable cause is not found, or if the grand jury fails to return a true bill.

Persons who are ordered to pay jail fees pursuant to a probationary sentence shall be liable to the county or municipality maintaining the jail at the same per diem rate paid by the Department of Correction to local jails for maintaining a prisoner, as set by the General Assembly in its appropriations acts."

PART VI. INCREASE FEE FOR EMERGENCY PLANNING

Section 6. G.S. 166A-6.1(b) reads as rewritten:

"(b) Every person, firm, corporation or municipality who is licensed to construct or who is operating a fixed nuclear facility for the production of electricity shall pay to the Department of Crime Control and Public Safety, for the use of the Division of Radiation Protection ~~Division~~ of the Department of Environment and Natural Resources, an annual fee of ~~eighteen thousand dollars ($18,000)~~ thirty-six thousand dollars ($36,000) for each fixed nuclear facility ~~which~~ that is located within this State or has a Plume Exposure Pathway Emergency Planning Zone of which any part is located within this State. This fee shall be applied to the costs of planning and implementing emergency response activities as are required by the Federal Emergency Management Agency for the operation of nuclear facilities. ~~Said~~ This fee is to be paid no later than July 31 of each year."

PART VII. OVERSIZE LOAD PERMITS AND PENALTIES

Section 7.(a) G.S. 20-119(d) reads as rewritten:

"(d) ~~Violation~~ For each violation of any of the terms or conditions of a special permit issued under this section ~~shall be a Class 3 misdemeanor. A person convicted~~

~~of a Class 3 misdemeanor under this section shall be subject to a fine of not more than five hundred dollars ($500.00).~~ the Department of Transportation may assess a separate civil penalty against the registered owner of the vehicle as follows:

(1) A fine of five hundred dollars ($500.00) for any of the following: operating without a permit, moving a load off the route specified in the permit, falsifying information to obtain a permit, failing to comply with dimension restrictions of a permit, or failing to comply with escort vehicle requirements.

(2) A fine of two hundred fifty dollars ($250.00) for moving loads beyond the distance allowances of an annual permit covering the movement of house trailers from the retailer's premises or for operating in violation of time of travel restrictions.

(3) A fine of one hundred dollars ($100.00) for any other violation of the permit conditions or requirements imposed by applicable regulations.

The Department of Transportation may refuse to issue additional permits or suspend existing permits if there are repeated violations of subdivision (1) or (2) of this subsection."

Section 7.(b) G.S. 20-140 is amended by adding a new subsection to read:

"(f) A person is guilty of the Class 2 misdemeanor of reckless driving if the person drives a commercial motor vehicle carrying a load that is subject to the permit requirements of G.S. 20-119 upon a highway or any public vehicular area either:

(1) Carelessly and heedlessly in willful or wanton disregard of the rights or safety of others; or

(2) Without due caution and circumspection and at a speed or in a manner so as to endanger or be likely to endanger any person or property."

Section 7.(c) G.S. 20-141 is amended by adding a new subsection to read:

"(j3) A person is guilty of a Class 2 misdemeanor if the person drives a commercial motor vehicle carrying a load that is subject to the permit requirements of G.S. 20-119 upon a highway or any public vehicular area at a speed in excess of 15 miles per hour above either:

(1) The posted speed; or

(2) The restricted speed, if any, of the permit, or if no permit was obtained, the speed that would be applicable to the load if a permit had been obtained."

Section 7.(d) G.S. 20-16(c) reads as rewritten:

"(c) The Division shall maintain a record of convictions of every person licensed or required to be licensed under the provisions of this Article as an operator and shall enter therein records of all convictions of such persons for any violation of the motor vehicle laws of this State and shall assign to the record of such person, as of the date of commission of the offense, a number of points for every such conviction

in accordance with the following schedule of convictions and points, except that points shall not be assessed for convictions resulting in suspensions or revocations under other provisions of laws: Further, any points heretofore charged for violation of the motor vehicle inspection laws shall not be considered by the Division of Motor Vehicles as a basis for suspension or revocation of driver's license:

Over length
Over width
Over height
Illegal parking
Carrying concealed weapon
Improper plates
Improper registration
Improper muffler
Improper display of license plates or dealers' tags
Unlawful display of emblems and insignia
Failure to display current inspection certificate.

In case of the conviction of a licensee of two or more traffic offenses committed on a single occasion, such licensee shall be assessed points for one offense only and if the offenses involved have a different point value, such licensee shall be assessed for the offense having the greater point value.

Upon the restoration of the license or driving privilege of such person whose license or driving privilege has been suspended or revoked because of conviction for a traffic offense, any points that might previously have been accumulated in the driver's record shall be cancelled.

Whenever any licensee accumulates as many as seven points or accumulates as many as four points during a three-year period immediately following reinstatement of his license after a period of suspension or revocation, the Division may request the licensee to attend a conference regarding such licensee's driving record. The Division may also afford any licensee who has accumulated as many as seven points or any licensee who has accumulated as many as four points within a three-year period immediately following reinstatement of his license after a period of suspension or revocation an opportunity to attend a driver improvement clinic operated by the Division and, upon the successful completion of the course taken at the clinic, three points shall be deducted from the licensee's conviction record; provided, that only one deduction of points shall be made on behalf of any licensee within any five-year period.

When a license is suspended under the point system provided for herein, the first such suspension shall be for not more than 60 days; the second such suspension shall not exceed six months and any subsequent suspension shall not exceed one year.

Whenever the driver's license of any person is subject to suspension under this subsection and at the same time also subject to suspension or revocation under other provisions of laws, such suspensions or revocations shall run concurrently.

In the discretion of the Division, a period of probation not to exceed one year may be substituted for suspension or for any unexpired period of suspension under subsections (a)(1) through (a)(10a) of this section. Any violation of probation during the probation period shall result in a suspension for the unexpired remainder of the suspension period. Any accumulation of three or more points under this subsection during a period of probation shall constitute a violation of the condition of probation."

Section 7.(e) G.S. 20-17.4(d) reads as rewritten:

"(d) Less Than a Year. -- A person is disqualified from driving a commercial motor vehicle for 60 days if that person is convicted of two serious traffic violations, or 120 days if convicted of three or more serious traffic violations, committed in a commercial motor vehicle arising from separate incidents occurring within a three-year period. For purposes of this subsection, a 'serious violation' includes violations of G.S. 20-140(f) and G.S. 20-141(j3)."

Section 7.(f) G.S. 20-119(b) reads as rewritten:

"(b) Upon the issuance of a special permit for an oversize or overweight vehicle by the Department of Transportation in accordance with this section, the applicant shall pay to the Department for a single trip permit a fee of ~~ten~~ twelve dollars ~~($10.00)~~ ($12.00) ~~for a single trip permit and fifty dollars ($50.00) for an annual permit issued for a single vehicle. Any person who operates more than one vehicle may obtain an annual permit for all oversize or overweight vehicles operated by the person upon payment of an annual fee based on the following schedule:~~

~~No. of Vehicles~~	~~Annual Permit Rate Per Vehicle~~
~~First 50~~	~~$50.00~~
~~51 to 100~~	~~40.00~~

~~101 to 150 30.00~~
~~Over 150 20.00~~

~~Any vehicle required to obtain an overweight permit shall not be charged an additional fee for oversize. Any vehicle required to obtain an oversize permit shall not be charged an additional fee for overweight.~~ for each dimension over lawful dimensions, including height, length, width, and weight up to 132,000 pounds. For overweight vehicles, the applicant shall pay to the Department for a single trip permit in addition to the fee imposed by the previous sentence a fee of three dollars ($3.00) per 1,000 pounds over 132,000 pounds.

Upon the issuance of an annual permit for a single vehicle, the applicant shall pay a fee in accordance with the following schedule:

Commodity:	Annual Fee:
Annual Permit to Move House Trailers	$200.00
Annual Permit to Move Other Commodities	$100.00

In addition to the fees set out in this subsection, applications for permits that require an engineering study for pavement or structures or other special conditions or considerations shall be accompanied by a nonrefundable application fee of one hundred dollars ($100.00).

This subsection ~~shall~~ does not apply to farm equipment or machinery being used at the time for agricultural purposes, nor to the moving of a house as provided for by the license and permit requirements of Article 16 of this Chapter. Fees will not be assessed for permits for oversize and overweight vehicles issued to any agency of the United States Government or the State of North Carolina, its agencies, institutions, subdivisions, or municipalities if the vehicle is registered in the name of the agency."

Section 7.(g) It is the intent of the General Assembly that the permit fees provided in G.S. 20-119 shall be adjusted periodically to assure that the revenue generated by the fees is equal to the cost to the Department of administering the Oversize/Overweight Permit Unit Program within the Division of Highways. At least every two years, the Department shall review and compare the revenue generated by the permit fees and the cost of administering the program, and shall report to the Joint Legislative Transportation Oversight Committee created in G.S. 120-70.50 its recommendations for adjustments to the permit fees to bring the revenues and the costs into alignment.

PART VIII. FEES FOR ACCESS TO AGENCY SERVICES THROUGH ELECTRONIC AND DIGITAL TRANSACTIONS

Section 8. Article 11A of Chapter 66 of the General Statutes is amended by adding a new section to read:

"§ 66-58.12. Agencies may provide access to services through electronic and digital transactions; fees authorized.

(a) Public agencies are encouraged to maximize citizen and business access to their services through the use of electronic and digital transactions. A public agency may

determine, through program and transaction analysis, which of its services may be made available to the public through electronic means, including the Internet. The agency shall identify any inhibitors to electronic transactions between the agency and the public, including legal, policy, financial, or privacy concerns and specific inhibitors unique to the agency or type of transaction. An agency shall not provide a transaction through the Internet that is impractical, unreasonable, or not permitted by laws pertaining to privacy or security.

(b) An agency may charge a fee to cover its costs of permitting a person to complete a transaction through the World Wide Web or other means of electronic access. The fee may be applied on a per transaction basis and may be calculated either as a flat fee or a percentage fee, as determined under an agreement between a person and a public agency. The fee must be approved by the Information Resource Management Commission, in consultation with the Joint Legislative Commission on Governmental Operations. The fee may be collected by the agency or by its third-party agent. The revenue derived from the fee must be credited to a nonreverting agency reserve account. The funds in the account may be expended only for e-commerce initiatives and projects approved by the Information Resource Management Commission, in consultation with the Joint Select Committee on Information Technology.

(c) This section shall not apply to the Judicial Department."

PART IX. WHITE GOODS SUNSET REPEAL

Section 9.(a) Section 11 of Chapter 471 of the 1993 Session Laws, as amended by Section 15.1(b) of Chapter 769 of the 1993 Session Laws and Section 7 of S.L. 1998-24, reads as rewritten:

"Sec. 11. Sections 1 through 5 of this act and this section become effective January 1, 1994. ~~Section 3 of this act expires July 1, 2001. Section 6 of this act becomes effective July 1, 2001. Sections 7, 8, and 9 of this act become effective July 1, 2002.~~

~~The repeal of the tax imposed by Section 3 of this act does not affect the rights or liabilities of the State, a taxpayer, or another person that arose during the time the tax was in effect.~~ The first report submitted by the Department to the Environmental Review Commission under G.S. 130A-309.85, as enacted by this act, shall cover the period from January 1, 1994, to June 30, 1994."

Section 9.(b) The Department of Environment and Natural Resources shall study issues related to the scrap tire disposal tax and the white goods disposal tax. This study shall include an evaluation of whether the amount of the scrap tire disposal tax and the amount of the white goods disposal tax should be altered and whether the distribution of the proceeds of these taxes should be reapportioned. The Department shall report its findings and recommendations, including any legislative proposals, to the Environmental Review Commission no later than October 1, 2000.

	♦ Establishes a nonrefundable fee of $100 for permits for which an engineering study of the move's impact is required. **Penalties for Oversize Loads:** Allows DOT to assess a separate penalty against a vehicle's registered owner as follows: ♦ $500 for operating without a special permit for an oversize or overweight vehicle, for moving a load off the route specified in the permit, for falsifying information to obtain a permit, for failing to comply with the permit's dimensional restrictions, or for failing to comply with escort vehicle requirements. DOT can refuse to issue additional permits if the registered owner commits repeated violations of these offenses. ♦ $250 for moving loads beyond the distance allowances of an annual permit covering the movement of house trailers from the retailer's premises or for violating travel restrictions. DOT can refuse to issue additional permits if the registered owner commits repeated violations of these offenses. ♦ $100 for any other violation of overweight or oversize permit conditions or requirements. Establishes a Class 2 misdemeanor if the driver of a commercial vehicle, carrying a load subject to oversize or overweight permits, drives at a speed in excess of 15mph either over the posted speed or restricted speed limit set out in the permit or drives the vehicle recklessly or without due caution and circumspection. Makes these misdemeanors a "serious violation" for purposes of disqualifying a person from driving a commercial vehicle. Assigns 6 points to the driver's record for committing any of these offenses. Directs DOT, by December 1, 2002, to review and compare the revenue generated by the permit fees and the cost of administering the program and report to the Joint Legislative Transportation

"Section 3.3. **Manner of Electing Mayor; Term of Office.** The qualified voters of the entire Town shall elect the Mayor. In 2001 and quadrennially thereafter, the Mayor shall be elected for a term of four years.

"Section 3.4. **Initial Council.** Until the organizational meeting after the initial regular municipal election of 2001, L.W. 'Bunk' Whitley, Joyce Beatty, and Dan Short are hereby appointed as members of the Town Council. Until that time, the Council shall consist of three members. Until the organizational meeting after the initial regular municipal election of 2001, the Town Council shall choose from among its members one person to serve as Mayor.

"CHAPTER IV.

"ELECTIONS.

"Section 4.1. **Conduct of Town Elections.** Regular municipal elections shall be held in each odd-numbered year in accordance with the uniform municipal election laws of North Carolina. Elections shall be conducted on a nonpartisan basis and results determined by a plurality as provided in G.S. 163-292.

"CHAPTER V.

"ADMINISTRATION.

"Section 5.1. **Town to Operate Under Mayor-Council Plan.** The Town of Midland shall operate under the Mayor-Council form of government as provided in Part 3 of Article 7 of Chapter 160A of the General Statutes."

Section 2. From and after the effective date of this act, the citizens and property in the Town of Midland shall be subject to municipal taxes levied for the year beginning July 1, 2000. For that purpose the Town shall obtain from Cabarrus County a record of property in the area herein incorporated which was listed for taxes as of January 1, 2000. The Town may adopt a budget ordinance for fiscal year 2000-2001 without following the timetable in the Local Government Budget and Fiscal Control Act, but shall follow the sequence of actions in the spirit of the act insofar as is practical. For fiscal year 2000-2001, ad valorem taxes may be paid at par or face amount within 90 days of adoption of the budget ordinance and thereafter in accordance with the schedule in G.S. 105-360.

Section 3. The Cabarrus County Board of Elections shall conduct an election on November 7, 2000, for the purpose of submission to the qualified voters of the area described in Section 2.1 of the Charter of the Town of Midland the question of whether or not the area shall be incorporated as the Town of Midland. Registration for the election shall be conducted in accordance with G.S. 163-288.2.

Section 4. In the election, the question on the ballot shall be:

"[ ]FOR [ ]AGAINST

Incorporation of the Town of Midland."

Section 5. In the election, if a majority of the votes are cast "For incorporation of the Town of Midland", Sections 1 through 2 of this act shall become effective on the date that the Cabarrus County Board of Elections certifies the results of the election. Otherwise, those sections shall have no force and effect.

Section 6. This act is effective when it becomes law.

MINUTES
HOUSE COMMITTEE ON FINANCE

Wednesday, July 5, 2000

The House Committee on Finance met on Wednesday, July 5, 2000 in Room 544 of the Legislative Office Building at 8:30 a.m. The following members were present: Chairs Allen and Miller; Vice Chair Jarrell; Representatives Bridgeman, Brown, Buchanan, Capps, Church, Cox, Decker, Dedmon, Eddins, Edwards, Ford, Gibson, Goodwin, Gray, Hackney, Haire, Hill, Howard, Morris, Pope, Rayfield, Starnes, Tucker, Weiss, Wilson and Womble; and Ex Officio members Baddour and Earle. Staff including Cindy Avrette, Richard Bostic, Gerry Cohen, Linda Millsaps, Mary Shuping; Eugene Son and Rebekah Butler, Interns; were in attendance. A Visitor Registration List is attached and made a part of these minutes.

Chair Miller called the meeting to order. Chair Miller recognized the pages and Sargent-at-Arms staff and commented briefly on the agenda and proceeded to consider the following bills:

Rep. Womble was recognized to explain HB 1359, A BILL TO BE ENTITLED AN ACT AUTHORIZING THE CITY OF WINSTON-SALEM TO REMOVE AND DISPOSE OF MOTOR VEHICLES THAT POSE A SAFETY HAZARD. Rep. Jarrell made a motion to adopt a Proposed Committee Substitute. The motion passed. Rep. Womble sent forth a technical amendment. Staff was recognized to explain the amendment. Rep. Womble made a motion to adopt an amended Proposed Committee Substitute. The motion passed. Rep. Jarrell made a motion to give the Proposed Committee Substitute a favorable report and give the original bill an unfavorable report. The motion passed. A copy of the bill and the Proposed Committee Substitute included in the minutes.

Senator Hoyle was recognized to explain SB 1463, A BILL TO BE ENTITLED AN ACT TO ALLOW DARE COUNTY TO CREATE SPECIAL DISTRICTS TO UNDERGROUND LINES. Rep. Allen sent forth an amendment and made a motion to adopt. The motion passed. Rep. Buchanan made a motion to give the Proposed Committee Substitute a favorable report and give the original bill an unfavorable report. Rep. Haire asked if this was new legislation. Senator Hoyle stated that prior legislation allowed electric lines to be placed underground and this bill would allow telephone lines to be placed underground as well. Rep. Culpepper was recognized to speak on the bill. Rep. Culpepper stated that as amended, this bill would exempt people of financial hardship from being charged hook up fees to be connected at their house. Rep. Culpepper noted that each township would have to agree to be included in one of these districts. Rep. Starnes asked if there was a sunset included in the bill regarding the initial assessment. Staff was recognized to respond. Cindy Avrette, General Counsel, stated that once the lines have been undergrounded and the costs have been paid the board of Commissioners will terminate assessment. Rep. Howard asked if there was going to be "no-cost" to the citizens to accept this process. Mike Thompson, with North Carolina Power, was recognized to explain the process. Mr. Thompson stated that if the lines were taken from overhead to underground there would be a charge incurred. Rep. Howard asked if Mr. Thompson had any idea what that cost would be. Mr. Thompson noted that it would vary per individual. Rep. Howard requested the ayes and nayes on the vote. Rep. Capps was recognized to speak on the bill. Rep. Capps noted that he would not support the bill because he felt it was a tax

increase and he would prefer that the citizens of Dare County to vote on this issue. Chair Miller requested staff to clarify this issue. Gerry Cohen, Director of Bill Drafting, was recognized to respond. Mr. Cohen stated that this bill authorizes the Dare County officials to levy the assessment. Rep. Eddins asked how many people would qualify under the proposed financial hardship clause. Pam Wescott, with Sprint, was recognized to respond. Ms. Wescott stated that there would be approximately 3,000 people who would qualify. Rep. Allen sent forth an amendment. Gerry Cohen was recognized to explain the amendment. Mr. Cohen stated that the amendment would cover the cost of transferring the overhead to the underground service. The motion passed. Rep. Buchanan made a motion to give the Proposed Committee Substitute a favorable report and give the original bill an unfavorable report. The roll was called. By a vote of 17 ayes and 11 nayes, the motion passed. A copy of the bill, amendment, Proposed Committee Substitute, fiscal note and roll call vote included in the minutes.

Rep. Haire was recognized to explain SB 586, A BILL TO BE ENTITLED AN ACT TO AUTHORIZE THE CREATION OF MILLENNIAL CAMPUSES AT THE CONSTITUENT INSTITUTIONS OF THE UNIVERSITY OF NORTH CAROLINA. Chancellor John Bardo, with Western Carolina University, was recognized to speak on the bill. Chancellor Bardo stated that faculty members at a regional comprehensive university spend a majority of their time teaching in the classroom while retaining their research responsibilities. Chancellor Bardo noted that in addition to teaching and research, regional comprehensive universities are looked at as drivers of economic development. Chancellor Bardo noted that the millennial campus would be a continuation of this theme. Chancellor Bardo stated that this bill would promote economic development in the mountain regions and allow graduates to work in the mountain regions without having to move to rural areas to work. Chair Miller noted that the committee was out of time and would continue with this bill at tomorrow's meeting. A copy of the bill, bill analysis and fiscal note included in the minutes.

There being no further business, the Chair adjourned the meeting at 11:00 a.m.

Respectfully submitted:

Representative George Miller

A BILL TO BE ENTITLED

AN ACT AUTHORIZING THE CITY OF WINSTON-SALEM TO REMOVE AND DISPOSE OF MOTOR VEHICLES THAT POSE A SAFETY HAZARD.

The General Assembly of North Carolina enacts:

Section 1. G.S. 160A-303 reads as rewritten:

"**§ 160A-303. Removal and disposal of junked and abandoned motor ~~vehicles.~~ vehicles and motor vehicles that constitute a safety hazard.**

(a) A city may by ordinance prohibit the abandonment of motor vehicles on the public streets or on public or private property within the city, and may enforce any such ordinance by removing and disposing of junked or abandoned motor vehicles or motor vehicles that constitute a safety hazard according to the procedures prescribed in this section.

(b) A motor vehicle is defined to include all machines designed or intended to travel over land or water by self-propulsion or while attached to any self-propelled vehicle.

(b1) An abandoned motor vehicle is one that:

(1) Has been left upon a street or highway in violation of a law or ordinance ~~prohibiting parking; or~~ that prohibits parking or requires the display of a valid license plate or registration sticker; or

(2) Is left on property owned or operated by the city for longer than 24 hours; or

(3) Is left on private property without the consent of the owner, occupant, or lessee thereof for longer than two hours; or

(4) Is left on any public street or highway for longer than seven ~~days.~~ days, or within the corporate limits of the City of Winston-Salem for longer than 48 hours on:

a. U.S. Highway 52;

b. Interstate Highway 40; ~~or~~

c. Business Interstate Highway 40;

d. Peters Creek Parkway;

e. Silas Creek Parkway; or

f. Highway 421.

~~within the corporate limits of the City of Winston-Salem for longer than 48 hours.~~

(b2) A junked motor vehicle is an abandoned motor vehicle that also:

(1) Is partially dismantled or wrecked; or

(2) Cannot be self-propelled or moved in the manner in which it was originally intended to move; or

(3) Is more than five years old and worth less than ~~one hundred dollars ($100.00);~~ five hundred dollars ($500.00); or

(4) Does not display a current license plate.

(b3) A motor vehicle that constitutes a safety hazard is one that is left upon a public street or highway or private property longer than 48 hours; has been declared a safety hazard, without regard to whether the vehicle is abandoned or junked as defined in this section, by the Board of Aldermen or a duly authorized city official or employee pursuant to an ordinance adopted under this section; and:

(1) Is a breeding ground or harbor for rats;

(2) Is a point of concentration or source of leaking of uncontained gasoline, oil, or other flammable or explosive materials;

(3) Is positioned in a way that there is a danger it will fall or turn over; or

(4) Is a source of danger for children because they might become entrapped in areas of confinement that cannot be opened from the inside.

(c) Any junked or abandoned motor vehicle or motor vehicle that constitutes a safety hazard that is found to be in violation of an ordinance adopted under this section may be removed to a storage garage or area, but no ~~such~~ junked or abandoned motor vehicle or motor vehicle that constitutes a safety hazard shall be removed from private property without the written request of the owner, lessee, or occupant of the ~~premises unless the council or a duly authorized city official or employee has declared it to be a health or safety hazard.~~ premises. The city may require any person requesting the removal of a ~~junked or abandoned~~ motor vehicle from private property to indemnify the city against any loss, expense, or liability incurred because of the removal, storage, or sale thereof. When ~~an abandoned or~~

~~junked~~ a motor vehicle is removed, the city shall give notice to the owner as required by G.S. 20-219.11(a) and (b).

(d) Hearing Procedure. -- Regardless of whether a city does its own removal and disposal of motor vehicles or contracts with another person to do so, the city, shall provide a hearing procedure for the owner. For purposes of this subsection, the definitions in G.S. 20-219.9 apply.

(1) If the city operates in such a way that the person who tows the vehicle is responsible for collecting towing fees, all provisions of Article 7A, Chapter 20, apply.

(2) If the city operates in such a way that it is responsible for collecting towing fees, it shall:

a. Provide by contract or ordinance for a schedule of reasonable towing ~~fees,~~ fees and storage fees that are comparable to the fees customarily charged to the public by local private towers.

b. Provide a procedure for a prompt fair hearing to contest the towing,

c. Provide for an appeal to district court from that hearing,

d. Authorize release of the vehicle at any time after towing by the posting of a bond or paying of the fees due, and

e. Provide a sale procedure similar to that provided in G.S. 44A-4, 44A-5, and 44A-6, except that no hearing in addition to the probable cause hearing is required. If no one purchases the vehicle at the sale and if the value of the vehicle is less than the amount of the lien, the city may destroy it.

(e) Repealed by Session Laws 1983, c. 420, s. 13.

(f) No person shall be held to answer in any civil or criminal action to any owner or other person legally entitled to the possession of any abandoned, lost, or stolen motor vehicle for disposing of the vehicle as provided in this section.

(g) Nothing in this section shall apply to any vehicle in an enclosed building or any vehicle on the premises of a business enterprise being operated in a lawful place and manner if the vehicle is necessary to the operation of the enterprise, or to any vehicle in an appropriate storage place or depository maintained in a lawful place and manner by the city.

(h) Repealed by Session Laws 1983, c. 420, s. 13."

Section 2. G.S. 160A-303.2(a) reads as rewritten:

"(a) A municipality may by ordinance regulate, restrain or prohibit the abandonment of junked motor vehicles on public grounds and on private property within the municipality's ordinance-making jurisdiction upon a finding that such regulation, restraint or prohibition is necessary and desirable to promote or enhance community, neighborhood or area appearance, and may enforce any such ordinance by removing or disposing of junked motor vehicles subject to the ordinance according to the procedures prescribed in this section. The authority granted by this section

shall be supplemental to any other authority conferred upon municipalities. Nothing in this section shall be construed to authorize a municipality to require the removal or disposal of a motor vehicle kept or stored at a bona fide 'automobile graveyard' or 'junkyard' as defined in G.S. 136-143.

For purposes of this section, the term 'junked motor vehicle' means a vehicle that does not display a current license plate and that:

(1) Is partially dismantled or wrecked; or

(2) Cannot be self-propelled or moved in the manner in which it originally was intended to move; or

(3) Is more than five years old and appears to be worth less than ~~one hundred dollars ($100.00).~~ five hundred dollars ($500.00)."

Section 3. This act applies to the City of Winston-Salem only.

Section 4. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO ALLOW DARE COUNTY TO CREATE SPECIAL DISTRICTS TO UNDERGROUND LINES.

The General Assembly of North Carolina enacts:

Section 1. Authorization to Create Utility District. A county board of commissioners may create one or more Utility Districts for the purpose of raising and expending funds to underground electric and telephone utility lines in the district.

Section 2.(a) Procedure. A county board of commissioners may by resolution signify its determination to create a Utility District under the provisions of this act. The resolution shall be adopted after a public hearing thereon, notice of which hearing shall be given by publication at least once, not less than 10 days prior to the date fixed for the hearing, in a newspaper having a general circulation in the county. The notice shall contain a brief statement of the substance of the proposed resolution, shall set forth the boundaries of the district, and shall state the time and place of the public hearing. No other publication of the resolution is required under the provisions of any other law.

Section 2.(b) The resolution shall include articles of incorporation which shall set forth:

(1) The name of the district;

(2) A statement that the district is organized under this act; and

(3) A description of the boundaries, which may include any territory designated by the county board of commissioners that is not in the corporate limits of any municipality.

Section 2.(c) No territory may be in more than one district.

Section 2.(d) All territory of a district shall be within the county.

Section 2.(e) A certified copy of the resolution signifying the determination to organize a district under the provisions of this act shall be filed with the Secretary of State, together with proof of publication of the notice of hearing on the resolution. If the Secretary of State finds that the resolution, including the articles of incorporation, conforms to the provisions of this act and that the notice of hearing was properly published, the Secretary of State shall file the resolution and proof of publication in the records of that office, shall issue a certificate of incorporation under the seal of the State, and shall record the same in an appropriate book of record. The issuance of the certificate of incorporation by the Secretary of State shall constitute the district, a public body and body politic and corporate of the State of North Carolina. This certificate of incorporation shall be conclusive evidence of the fact that the district has been duly created and established under the provisions of this act.

Section 2.(f) When the district has been duly organized and its officers appointed as provided by this act, the secretary or clerk of the district shall certify to the Secretary of State the names and addresses of the officers as well as the address of the principal office of the district.

Section 3.(a) Annexation to District. By adoption of a resolution, and with the approval of the board of commissioners of a county by resolution, any municipality located wholly within that county may annex the entirety of that municipality to any Utility District created by this act, but no municipality may be in more than one district. The resolution shall be adopted by the municipal governing board after a public hearing thereon, notice of which hearing shall be given by publication at least once, not less than 10 days prior to the date fixed for the hearing, in a newspaper having a general circulation in the county. The notice shall contain a brief statement of the substance of the proposed resolution and shall state the time and place of the public hearing. No other publication of the resolution is required under the provisions of any other law.

Section 3.(b) By adoption of a resolution, the board of commissioners of a county may annex any area within that county but not within the corporate limits of any municipality to a Utility District, but no area may be in more than one district. The resolution shall be adopted by the county board of commissioners after a public hearing thereon, notice of which hearing shall be given by publication at least once, not less than 10 days prior to the date fixed for the hearing, in a newspaper having a general circulation in the county. The notice shall contain a brief statement of the substance of the proposed resolution, the boundaries of the proposed annexation, and shall state the time and place of the public hearing. No other publication of the resolution is required under the provisions of any other law.

Section 3.(c) If any area in a Utility District is annexed to the corporate limits of any municipality, it shall remain in the same Utility District notwithstanding any other provision of this act.

Section 4.(a) Governing Board. Each Utility District shall be governed by a special commission consisting of one person appointed by the board of commissioners of that county, one nonvoting member appointed by the board of commissioners of the county who has been recommended by each local telephone exchange carrier licensed to do business in North Carolina and providing service in that county, one nonvoting member appointed by the board of commissioners of the county who has been recommended by each electric utility provider in the county, one nonvoting member appointed by the board of commissioners of the county who has been recommended by each cable television provider in the county, and one person appointed by the governing board of each municipality that has annexed its territory to the district under Section 3(a) of this act.

Section 4.(b) In the case of Dare County, one person shall also be appointed to the Special Commission by the Roanoke Island Commission established by Part 27A of Article 2 of Chapter 143B of the General Statutes. Appointments shall be for two-year terms.

Section 5.(a) Powers. By resolution the board of commissioners of the county, acting ex officio on behalf of the Utility District, may levy an assessment of up to:

(1) One dollar ($1.00) per month on each residential electric power customer bill for service within the district, and up to five dollars ($5.00) per month on each commercial or industrial electric power customer bill within the district.

(2) One dollar ($1.00) per month on each residential telephone customer bill for service within the district and up to five dollars ($5.00) per month on each commercial or industrial telephone customer bill within the district.

Section 5.(b) The Utility District may receive contributions from the State of North Carolina, local governments, and the private sector for corporate purposes authorized by this act.

Section 5.(c) The commission may contract with the State of North Carolina, another local government, or a private entity for carrying out the projects authorized by this act. Any State, local government, or other entity which carries out projects authorized by this act, or otherwise takes action affecting any company whose lines are effected pursuant to the terms of this act shall remain fully liable for any damages to company property. Any private sector entity with which the district wishes to contract to carry out projects authorized by this act must be approved in writing in advance by each company whose facilities will be affected and must carry sufficient insurance to cover any damages caused.

Section 5.(d) The board of commissioners may exempt from payment of the assessment on an electric bill any person for whom the payment would work an unreasonable financial hardship in accordance with criteria established by the board

of commissioners. The board of commissioners shall exempt from payment of the assessment on a telephone bill those low-income residential telephone customers who pay reduced rates for local telephone service pursuant to an order of the North Carolina Utilities Commission.

Section 5.(e) The commission may order any cable television lines (or other lines other than electric or telephone) to be undergrounded when any electric or telephone line on the same pole is undergrounded.

Section 6. Use of Funds. The assessments levied under this act, after being expended for the necessary administrative expenses of the utility district, shall be used only for undergrounding of electric and telephone utility lines within the district. The budget for the Utility District shall be adopted by the special commission for that district. The budget shall include funding to pay for the installation of conduit for underground telephone cable, where required.

Section 7. Corporate Existence. A Utility District created under this act shall have the power granted by this act, and may do all acts reasonably necessary to fulfill this purpose. A simple majority of the governing board constitutes a quorum, and approval by a majority of those present is sufficient to determine any matter before the governing body, if a quorum is present.

Section 8. Fiscal Control. The Utility District is a special district under G.S. 159-7 and is covered by the applicable provisions of Chapter 159 of the General Statutes.

Section 9.(a) Levy. An assessment authorized by this act may be levied only by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto. An assessment authorized by this act shall become effective on the date specified in the resolution levying the assessment. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the third month after the date the resolution is adopted. In establishing the effective date, the board of commissioners shall consult with any utility that will be collecting the assessment to determine any administrative lead times that might be desirable.

Section 9.(b) Collection. Every utility subject to an assessment authorized by this act shall, on and after the effective date of the levy of the assessment, collect it. The assessment shall be collected as part of the charge for furnishing service. The assessment shall be stated and charged separately and shall be paid by the purchaser to the utility as trustee for and on account of the Utility District. The assessment shall be passed on to the purchaser instead of being borne by the utility. The Utility District shall design, print, and furnish to all appropriate utilities in the district the necessary forms for filing returns and instructions to ensure the full collection of the assessment. A utility who collects an assessment authorized by this act may deduct from the amount remitted to the Utility District a discount equal to the discount the State allows the utility for State sales and use tax. For the purpose of this act, a utility includes a government entity providing service, a cooperative, and any other utility. A utility shall have the same right to suspend or terminate service for nonpayment of the assessment that it has to suspend or

terminate service for payment of any other part of the utility bill. A utility has no obligation to take any legal action to enforce the collection of assessments under this act. The county or the district may initiate a collection action in its name and reasonable costs and attorneys' fees may be awarded to the plaintiff.

Section 9.(c) Administration. The Utility District shall administer an assessment it levies under this act. An assessment authorized by this act is due and payable to the district finance officer in monthly installments on or before the last day of the month following the month in which the assessment accrues. Every person, firm, corporation, or association liable for the assessment shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the Utility District. The return shall state the total gross receipts derived in the preceding month upon which the assessment is levied. A return filed with the district finance officer is not a public record and may not be disclosed except in accordance with G.S. 153A-148.1 as if the Utility District were a county. The Utility District may adopt a payment schedule keyed to the billing cycle of the utility collecting the assessment rather than the calendar month, as long as there are at least 12 billing cycles per year.

Section 9.(d) Penalties. A person, firm, corporation, or association who fails or refuses to file an assessment return or pay an assessment authorized by this act as required by law is subject to the civil and criminal penalties set by G.S. 105-236 for failure to pay or file a return for State sales and use taxes. The governing board of the Utility District has the same authority to waive the penalties for an assessment authorized by this act that the Secretary of Revenue has to waive the penalties for State sales and use taxes.

Section 9.(e) Increase, Repeal, or Reduction. An assessment levied by a district under this act may be increased not in excess of the maximum allowed by this act, repealed or reduced by a resolution adopted by the board of commissioners of the county, acting ex officio on behalf of the Utility District. Repeal or reduction of an assessment authorized by this act shall become effective on the first day of a month and may not be earlier than the first day of the third month after the date the resolution is adopted. Repeal or reduction of an assessment authorized by this act does not affect a liability for an assessment that was attached before the effective date of the repeal or reduction, nor does it affect a right to a refund of an assessment that accrued before the effective date of the repeal or reduction. In establishing the effective date, the board of commissioners shall consult with any utility that will be collecting the assessment to determine any administrative lead times that might be desirable. Once the lines have been undergrounded and the costs have been paid, the board of commissioners shall terminate the assessment.

Section 10. Interlocal Agreements. By interlocal agreement adopted under Chapter 160A of the General Statutes, a Utility District created under this act may contract with a municipality or county to handle assessment collections and fiscal control.

Section 11.(a) The district shall coordinate with affected utilities, municipalities, and the North Carolina Department of Transportation to facilitate acquisition of rights-of-way for burial of cable.

Section 11.(b) The undergrounding required by this act shall be a coordinated effort between the utility district and the affected electric, telephone, and cable television companies.

Section 12. The State Auditor may perform audits pursuant to Article 5A of Chapter 147 of the General Statutes to ensure that funds collected by or paid to the Utility District are being managed in accordance with the provisions of this act, and shall perform an audit at least every two years. The costs of the audit shall be reimbursed to the State Auditor by the Utility District.

Section 13. This act applies to Dare County only.

Section 14. Sections 1.1 through 11 of S.L. 1999-127 are repealed.

Section 15. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO ALLOW DARE COUNTY TO CREATE SPECIAL DISTRICTS TO UNDERGROUND LINES.

The General Assembly of North Carolina enacts:

Section 1. Authorization to Create Utility District. A county board of commissioners may create one or more Utility Districts for the purpose of raising and expending funds to underground electric and telephone utility lines in the district.

Section 2.(a) Procedure. A county board of commissioners may by resolution signify its determination to create a Utility District under the provisions of this act. The resolution shall be adopted after a public hearing thereon, notice of which hearing shall be given by publication at least once, not less than 10 days prior to the date fixed for the hearing, in a newspaper having a general circulation in the county. The notice shall contain a brief statement of the substance of the proposed resolution, shall set forth the boundaries of the district, and shall state the time and place of the public hearing. No other publication of the resolution is required under the provisions of any other law.

Section 2.(b) The resolution shall include articles of incorporation which shall set forth:

(1) The name of the district;

(2) A statement that the district is organized under this act; and

(3) A description of the boundaries, which may include any territory designated by the county board of commissioners that is not in the corporate limits of any municipality.

Section 2.(c) No territory may be in more than one district.

Section 2.(d) All territory of a district shall be within the county.

Section 2.(e) A certified copy of the resolution signifying the determination to organize a district under the provisions of this act shall be filed with the Secretary of State, together with proof of publication of the notice of hearing on the resolution. If the Secretary of State finds that the resolution, including the articles of incorporation, conforms to the provisions of this act and that the notice of hearing was properly published, the Secretary of State shall file the resolution and proof of publication in the records of that office, shall issue a certificate of incorporation under the seal of the State, and shall record the same in an appropriate book of record. The issuance of the certificate of incorporation by the Secretary of State shall constitute the district, a public body and body politic and corporate of the State of North Carolina. This certificate of incorporation shall be conclusive evidence of the fact that the district has been duly created and established under the provisions of this act.

Section 2.(f) When the district has been duly organized and its officers appointed as provided by this act, the secretary or clerk of the district shall certify to the Secretary of State the names and addresses of the officers as well as the address of the principal office of the district.

Section 3.(a) Annexation to District. By adoption of a resolution, and with the approval of the board of commissioners of a county by resolution, any municipality located wholly within that county may annex the entirety of that municipality to any Utility District created by this act, but no municipality may be in more than one district. The resolution shall be adopted by the municipal governing board after a public hearing thereon, notice of which hearing shall be given by publication at least once, not less than 10 days prior to the date fixed for the hearing, in a newspaper having a general circulation in the county. The notice shall contain a brief statement of the substance of the proposed resolution and shall state the time and place of the public hearing. No other publication of the resolution is required under the provisions of any other law.

Section 3.(b) By adoption of a resolution, the board of commissioners of a county may annex any area within that county but not within the corporate limits of any municipality to a Utility District, but no area may be in more than one district. The resolution shall be adopted by the county board of commissioners after a public hearing thereon, notice of which hearing shall be given by publication at least once, not less than 10 days prior to the date fixed for the hearing, in a newspaper having a general circulation in the county. The notice shall contain a brief statement of the substance of the proposed resolution, the boundaries of the proposed annexation, and shall state the time and place of the public hearing. No other publication of the resolution is required under the provisions of any other law.

Section 3.(c) If any area in a Utility District is annexed to the corporate limits of any municipality, it shall remain in the same Utility District notwithstanding any other provision of this act.

Section 4.(a) Governing Board. Each Utility District shall be governed by a special commission consisting of one person appointed by the board of commissioners of that county, one nonvoting member appointed by the board of commissioners of the county who has been recommended by each local telephone exchange carrier licensed to do business in North Carolina and providing service in that county, one nonvoting member appointed by the board of commissioners of the county who has been recommended by each electric utility provider in the county, one nonvoting member appointed by the board of commissioners of the county who has been recommended by each cable television provider in the county, and one person appointed by the governing board of each municipality that has annexed its territory to the district under Section 3(a) of this act.

Section 4.(b) In the case of Dare County, one person shall also be appointed to the Special Commission by the Roanoke Island Commission established by Part 27A of Article 2 of Chapter 143B of the General Statutes. Appointments shall be for two-year terms.

Section 5.(a) Powers. By resolution the board of commissioners of the county, acting ex officio on behalf of the Utility District, may levy an assessment of up to:

(1) One dollar ($1.00) per month on each residential electric power customer bill for service within the district, and up to five dollars ($5.00) per month on each commercial or industrial electric power customer bill within the district.

(2) One dollar ($1.00) per month on each residential telephone customer bill for service within the district and up to five dollars ($5.00) per month on each commercial or industrial telephone customer bill within the district.

Section 5.(b) The Utility District may receive contributions from the State of North Carolina, local governments, and the private sector for corporate purposes authorized by this act.

Section 5.(c) The commission may contract with the State of North Carolina, another local government, or a private entity for carrying out the projects authorized by this act. Any State, local government, or other entity which carries out projects authorized by this act, or otherwise takes action affecting any company whose lines are effected pursuant to the terms of this act shall remain fully liable for any damages to company property. Any private sector entity with which the district wishes to contract to carry out projects authorized by this act must be approved in writing in advance by each company whose facilities will be affected and must carry sufficient insurance to cover any damages caused.

Section 5.(d) The board of commissioners may exempt from payment of the assessment on an electric bill any person for whom the payment would work an unreasonable financial hardship in accordance with criteria established by the board

of commissioners. The board of commissioners shall exempt from payment of the assessment on a telephone bill those low-income residential telephone customers who pay reduced rates for local telephone service pursuant to an order of the North Carolina Utilities Commission.

Section 5.(e) The commission may order any cable television lines (or other lines other than electric or telephone) to be undergrounded when any electric or telephone line on the same pole is undergrounded.

Section 6. Use of Funds. The assessments levied under this act, after being expended for the necessary administrative expenses of the utility district, shall be used only for undergrounding of electric and telephone utility lines within the district. When an electric or telephone utility line is undergrounded adjacent to a residential premises which is served by that distribution line, the Utility District shall, at no additional cost to the customer, underground the customer service line to the premises and replace or modify the meter base to accept the underground service. The budget for the Utility District shall be adopted by the special commission for that district. The budget shall include funding to pay for the installation of conduit for underground telephone cable, where required.

Section 7. Corporate Existence. A Utility District created under this act shall have the power granted by this act, and may do all acts reasonably necessary to fulfill this purpose. A simple majority of the governing board constitutes a quorum, and approval by a majority of those present is sufficient to determine any matter before the governing body, if a quorum is present.

Section 8. Fiscal Control. The Utility District is a special district under G.S. 159-7 and is covered by the applicable provisions of Chapter 159 of the General Statutes.

Section 9.(a) Levy. An assessment authorized by this act may be levied only by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto. An assessment authorized by this act shall become effective on the date specified in the resolution levying the assessment. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the third month after the date the resolution is adopted. In establishing the effective date, the board of commissioners shall consult with any utility that will be collecting the assessment to determine any administrative lead times that might be desirable.

Section 9.(b) Collection. Every utility subject to an assessment authorized by this act shall, on and after the effective date of the levy of the assessment, collect it. The assessment shall be collected as part of the charge for furnishing service. The assessment shall be stated and charged separately and shall be paid by the purchaser to the utility as trustee for and on account of the Utility District. The assessment shall be passed on to the purchaser instead of being borne by the utility. The Utility District shall design, print, and furnish to all appropriate utilities in the district the necessary forms for filing returns and instructions to ensure the full collection of the assessment. A utility who collects an assessment authorized by this act may deduct from the amount remitted to the Utility District a discount

equal to the discount the State allows the utility for State sales and use tax. For the purpose of this act, a utility includes a government entity providing service, a cooperative, and any other utility. A utility shall have the same right to suspend or terminate service for nonpayment of the assessment that it has to suspend or terminate service for payment of any other part of the utility bill. A utility has no obligation to take any legal action to enforce the collection of assessments under this act. The county or the district may initiate a collection action in its name and reasonable costs and attorneys' fees may be awarded to the plaintiff.

Section 9.(c) Administration. The Utility District shall administer an assessment it levies under this act. An assessment authorized by this act is due and payable to the district finance officer in monthly installments on or before the last day of the month following the month in which the assessment accrues. Every person, firm, corporation, or association liable for the assessment shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the Utility District. The return shall state the total gross receipts derived in the preceding month upon which the assessment is levied. A return filed with the district finance officer is not a public record and may not be disclosed except in accordance with G.S. 153A-148.1 as if the Utility District were a county. The Utility District may adopt a payment schedule keyed to the billing cycle of the utility collecting the assessment rather than the calendar month, as long as there are at least 12 billing cycles per year.

Section 9.(d) Penalties. A person, firm, corporation, or association who fails or refuses to file an assessment return or pay an assessment authorized by this act as required by law is subject to the civil and criminal penalties set by G.S. 105-236 for failure to pay or file a return for State sales and use taxes. The governing board of the Utility District has the same authority to waive the penalties for an assessment authorized by this act that the Secretary of Revenue has to waive the penalties for State sales and use taxes.

Section 9.(e) Increase, Repeal, or Reduction. An assessment levied by a district under this act may be increased not in excess of the maximum allowed by this act, repealed or reduced by a resolution adopted by the board of commissioners of the county, acting ex officio on behalf of the Utility District. Repeal or reduction of an assessment authorized by this act shall become effective on the first day of a month and may not be earlier than the first day of the third month after the date the resolution is adopted. Repeal or reduction of an assessment authorized by this act does not affect a liability for an assessment that was attached before the effective date of the repeal or reduction, nor does it affect a right to a refund of an assessment that accrued before the effective date of the repeal or reduction. In establishing the effective date, the board of commissioners shall consult with any utility that will be collecting the assessment to determine any administrative lead times that might be desirable. Once the lines have been undergrounded and the costs have been paid, the board of commissioners shall terminate the assessment.

Section 10. Interlocal Agreements. By interlocal agreement adopted under Chapter 160A of the General Statutes, a Utility District created under this act

may contract with a municipality or county to handle assessment collections and fiscal control.

Section 11.(a) The district shall coordinate with affected utilities, municipalities, and the North Carolina Department of Transportation to facilitate acquisition of rights-of-way for burial of cable.

Section 11.(b) The undergrounding required by this act shall be a coordinated effort between the utility district and the affected electric, telephone, and cable television companies.

Section 12. The State Auditor may perform audits pursuant to Article 5A of Chapter 147 of the General Statutes to ensure that funds collected by or paid to the Utility District are being managed in accordance with the provisions of this act, and shall perform an audit at least every two years. The costs of the audit shall be reimbursed to the State Auditor by the Utility District.

Section 13. This act applies to Dare County only.

Section 14. Sections 1.1 through 11 of S.L. 1999-127 are repealed.

Section 15. This act is effective when it becomes law.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Dare County Local Government, Office of the State Auditor, Department of the Secretary of State

EFFECTIVE DATE: This act is effective when it becomes law.

BILL SUMMARY:

This legislation allows Dare County to expand the purpose of special tax districts authorized in SL 1999-127 to include telephone lines.

BACKGROUND INFORMATION:

Under SL 1999-127, Dare County is authorized to create one or more utility districts for the purpose of raising and expending funds to install underground electric utility lines. A fee of $1 per residential customer and $5 per commercial customer is to be levied on electricity service

clients within these utility districts. Though this plan has been established and authorized, it has not been fully implemented. Given the most current estimates of residential and commercial electricity use within Dare County, the previously authorized legislation will raise approximately **$552,400** per year.

The monthly revenue from SL 1999-127 is $46,034. The yearly revenue from this electricity line fee is $552,408. Dare County has three major providers of electricity; NC Power, Tideland Electric, and Cape Hatteras Electric Membership Cooperative (CHEMC). The Dare County Manager's Office provided estimates of the number of customers for each of the three companies that are shown in the chart below.

Dare Co. Electricity Lines

Dare Co. Customers		$1/mth Residential	$5/mth Commercial		Revenue
Residential					
	NC Power	20,699			$20,699
	Tideland	604			$604
	CHEMC	4,986			$4,986
	Total	26,289			**$26,289**
Commercial					
	NC Power		2,896		$14,480
	Tideland		106		$530
	CHEMC		947		$4,735
	Total		3,949		**$19,745**
				Total Rev. monthly	**$46,034**
				Yearly	**$552,408**

ASSUMPTIONS AND METHODOLOGY:

This legislation authorizes Dare County to levy a fee of $1 per residential customer and up to $5 per commercial customer for telephone service. These fees are in addition to the existing electricity fee. This fiscal note assumes the maximum $5 commercial fee authorized for all estimates. The expansion of utility fees to include telephone lines will generate **$927,684** per year.

Since Sprint is the bulk telephone carrier for Dare County, estimates for telephone fee revenues are generated using the number of customers serviced by this principal carrier within the utility district. The monthly revenue within Dare County from a telephone line fee will be $77,307 and the yearly revenue will be $927,684.

Dare Co. Phone Lines

Dare Co. Accounts	$1/mth Residential	$5/mth Commercial		Revenue
Residential	28,322			$28,322
Commercial		9,797		$48,985
			Total Rev. Monthly	**$77,307**
			Yearly	**$927,684**

The proposed installation of underground utility lines within Dare County will follow the two main corridors within the region - US 158 and NC 12. The distance along each of these routes from Kitty Hawk to Nags Head is approximately 20 miles. Therefore, the approximate mileage of the lines to be installed underground is 40 miles. Preliminary estimates reveal a cost of $1 million per mile of underground installation for each utility line. Therefore the underground installation of electricity and telephone lines along these corridors will cost $80 million to $100 million.

The utility poles along these two corridors are leased by NC Power to Sprint and Charter Communications, the bulk telephone and cable carriers. In accordance with their lease agreement, Charter Communications would be required to install underground lines upon NC Power doing so. Although authorized to install these underground lines and collect fees to do so by SL 1999-127, NC Power will not install lines underground until telephone lines are authorized to be installed underground. They do not wish to devote time and resources toward this installation when telephone lines would remain on their leased pole directly overhead. In essence, the failure to authorize this bill negates the utility of the previously authorized legislation.

The utility company is only responsible for underground installation costs on the actual right of way. The property owner is responsible for any costs of installation on their property, or from the right of way to their residence or business.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE CREATION OF MILLENNIAL CAMPUSES AT THE CONSTITUENT INSTITUTIONS OF THE UNIVERSITY OF NORTH CAROLINA.

The General Assembly of North Carolina enacts:

Section 1. The catch line of G.S. 116-36.5 reads as rewritten:

"**§ 116-36.5. Centennial Campus trust fund; Horace Williams Campus trust ~~fund.~~ fund; Millennial Campuses' trust funds.**"

Section 2. G.S. 116-36.5 is amended by adding a new subsection to read:

"(c) All moneys received through development of a Millennial Campus of a constituent institution of The University of North Carolina as defined by G.S. 116-198.33(4b), from whatever source, including the net proceeds from the lease or rental of real property on a Millennial Campus, shall be placed in a special, continuing, and nonreverting trust fund having the sole and exclusive use for further development of that Millennial Campus, including its operational development. This fund shall be treated in the manner of institutional trust funds as provided in G.S. 116-36.1. This fund shall be deemed an additional and alternative method of funding the Millennial Campus and not an exclusive one. To the extent that any general, special, or local law is inconsistent with this section, it is declared inapplicable to this section."

Section 3. The title of Article 21B of Chapter 116 of the General Statutes reads as rewritten:

"The Centennial ~~Campus and~~ Campus, the Horace Williams ~~Campus~~

Campus, and the Millennial Campuses Financing Act."

Section 4. G.S. 116-198.31 reads as rewritten:

"**§ 116-198.31. Purpose of Article.**

The purpose of this Article is to authorize the Board of Governors of The University of North Carolina to issue revenue bonds, payable from any leases, rentals, charges, fees, and other revenues but with no pledge of taxes or the faith and credit of the State or any agency or political subdivision thereof, to pay the cost, in whole or part, of buildings, structures, or other facilities for the Centennial Campus, located at North Carolina State University at ~~Raleigh and~~ Raleigh, for the Horace Williams Campus located at the University of North Carolina at Chapel ~~Hill.~~ Hill, and for any Millennial Campus as defined by G.S. 116-198.33(4b)."

Section 5. G.S. 116-198.33 reads as rewritten:

"**§ 116-198.33. Definitions.**

As used in this Article, the following words and terms shall have the following meanings, unless the context shall indicate another or different meaning or intent:

(1) The word 'Board' shall mean the Board of Governors of The University of North Carolina.

(2) The word 'cost' as applied to any project, shall include the cost of acquisition or construction; the cost of acquisition of all property, both real and personal, or interests therein; the cost of demolishing, removing, or relocating any buildings or structures on land so acquired, including the cost of acquiring any lands to which such buildings or structures may be removed or relocated; the cost of all labor, materials, equipment and furnishings, financing charges, interest prior to and during construction and, if deemed advisable by the Board, for a period not exceeding one year after completion of such construction; provisions for working capital, reserves for debt service and for extensions, enlargements, additions, and improvements; cost of engineering, financial, and legal services, plans, specifications, studies, surveys, and estimates of cost and of revenues; administrative expenses; expenses necessary or incident to determining the feasibility or practicability of constructing the project; and such other expenses as may be necessary or incident to acquisition or construction with respect to the project or to the placing of the project in operation. Any obligation or expense incurred by the Board prior to the issuance of bonds under the provisions of this Article in connection with any of the foregoing items of cost may be regarded as a part of such cost.

(3) The word 'Institution' shall mean North Carolina State University at Raleigh and the University of North Carolina at Chapel ~~Hill.~~ Hill, or a constituent institution of The University of North Carolina with a Millennial Campus as defined by G.S. 116-198.33(4b).

(4) The term 'Centennial Campus' means all of the following properties:

a. The real property and appurtenant facilities bounded by Blue Ridge Road, Hillsborough Street, Wade Avenue, and Interstate 440 that are the sites of the College of Veterinary Medicine, the University Club, and the Agricultural Turf Grass Management Program.

b. The real property and appurtenant facilities that are the former Dix Hospital properties and other contiguous parcels of property that are adjacent to Centennial Boulevard.

c. All other real property and appurtenant facilities designated by the Board of Governors as part of the Centennial Campus. The properties designated by the Board of Governors do not have to be contiguous with the Centennial Campus to be designated as part of that Campus.

(4a) The term 'Horace Williams Campus' means all of the following properties:

a. The real property and appurtenant facilities left to the University of North Carolina at Chapel Hill by the Will of Henry Horace Williams.

b. All other real property and appurtenant facilities designated by the Board of Governors as part of the Horace Williams Campus. The properties designated by the Board of Governors do not have to be contiguous with the Horace Williams Campus to be designated as part of that Campus.

(4b) The term 'Millennial Campus' means all real property and appurtenant facilities designated by the Board of Governors as part of a Millennial Campus of a constituent institution of The University of North Carolina other than North Carolina State University or the University of North Carolina at Chapel Hill. The properties designated by the Board of Governors do not have to be contiguous with the constituent institution to be designated as part of the institution's Millennial Campus.

(5) The term 'existing facilities' shall mean buildings and facilities, then existing, any part of the revenues of which are pledged under the provisions of any resolution authorizing the issuance of revenue bonds hereunder to the payment of such bonds.

(6) The word 'project' shall mean and shall include any one or more buildings, structures, administration buildings, libraries, research or instructional facilities, housing maintenance, storage, or utility facilities, and any facilities related thereto or required or useful for conducting of research or the operation of the Centennial ~~Campus or~~ Campus, the Horace Williams Campus, or of a Millennial Campus as defined by G.S. 116-198.33(4b), including roads, water,

sewer, power, gas, greenways, parking, or any other support facilities essential or convenient for the orderly conduct of the Centennial ~~Campus or~~ Campus, the Horace Williams ~~Campus~~ Campus, or a Millennial Campus, respectively.

(7) The word 'revenues' shall mean all or any part of the rents, leases, charges, fees, and other income revenues derived from or in connection with any project or projects and existing facilities."

Section 6. G.S. 116-198.34 reads as rewritten:

"**§ 116-198.34. General powers of Board of Governors.**

The Board may exercise any one or more of the following powers:

(1) To determine the location and character of any project or projects, and to acquire, construct, and provide the same, and to maintain, repair, and operate, and to enter into contracts for the management, lease, use, or operation of all or any portion of any project or projects and any existing facilities.

(2) To issue revenue bonds as hereinafter provided to pay all or any part of the cost of any project or projects, and to fund or refund the same.

(3) To fix and revise from time to time and charge and collect rates, fees, rents, and charges for the use of, and for the services furnished by, all or any portion of any project or projects.

(4) To establish and enforce, and to agree through any resolution or trust agreement authorizing or securing bonds under this Article to make and enforce, rules and regulations for the use of and services rendered by any project or projects and any existing facilities, to provide for the maximum use of any project or projects and any existing facilities.

(5) To acquire, hold, lease, and dispose of real and personal property in the exercise of its powers and the performance of its duties hereunder and to lease all or any part of any project or projects and any existing facilities upon such terms and conditions as the Board determines, subject to the provisions of G.S. 143-341 and Chapter 146 of the General Statutes.

Notwithstanding G.S. 143-341 and Chapter 146 of the General Statutes, a disposition by easement, lease, or rental agreement of space in any building on the Centennial ~~Campus or~~ Campus, on the Horace Williams ~~Campus~~ Campus, or on a Millennial Campus made for a period of 10 years or less shall not require the approval of the Governor and the Council of State. All other acquisitions and dispositions made under this subdivision are subject to the provisions of G.S. 143-341 and Chapter 146 of the General Statutes.

(6) To employ consulting engineers, architects, attorneys, accountants, construction and financial experts, superintendents, managers, and

such other employees and agents as may be necessary in its judgment in connection with any project or projects and existing facilities, and to fix their compensation.

(7) To make and enter into all contracts and agreements necessary or incidental to the performance of its duties and the execution of its powers under this Article.

(8) To receive and accept from any federal, State, or other public agency and any private agency, person or other entity donations, loans, grants, aid, or contributions of any money, property, labor, or other things of value for any project or projects, and to agree to apply and use the same in accordance with the terms and conditions under which the same are provided.

(8a) To designate the real property and appurtenant facilities to be included as part of the Centennial ~~Campus or~~ Campus, the Horace Williams ~~Campus.~~ Campus, or a Millennial Campus.

(8b) Acting on recommendation made by the President of The University of North Carolina after consultation by the President with the Chancellor and the Board of Trustees of a constituent institution, to designate real property held by, or to be acquired by, a constituent institution as a 'Millennial Campus' of the institution. That designation shall be based on an express finding by the Board of Governors that the institution desiring to create a 'Millennial Campus' has the administrative and fiscal capability to create and maintain such a campus and provided further, that the Board of Governors has found that the creation of the constituent institution's 'Millennial Campus' will enhance the institution's research, teaching, and service missions as well as enhance the economic development of the region served by the institution. Additionally, the Board of Governors may authorize two or more constituent institutions which meet the requirements of this section to create a joint Millennial Campus.

(9) To do all acts and things necessary or convenient to carry out the powers granted by this Article."

Section 7. G.S. 116-198.35 reads as rewritten:

"**§ 116-198.35. Issuance of bonds and bond anticipation notes.**

The Board is hereby authorized to issue, subject to the approval of the Director of the Budget, at one time or from time to time, revenue bonds of the Board for the purpose of paying all or any part of the cost of acquiring, constructing, or providing any project or projects on the Centennial ~~Campus or~~ Campus, on the Horace Williams ~~Campus.~~ Campus, or on a Millennial Campus. The bonds of each issue shall be dated, shall mature at such time or times not exceeding 40 years from their date or dates, shall bear interest at such rate or rates as may be determined by the Board, and may be redeemable before maturity, at the option of the Board, at such price or prices and under such terms and conditions as may be fixed by the Board prior to the

issuance of the bonds. The Board shall determine the form and manner of execution of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. Notwithstanding any of the other provisions of this Article or any recitals in any bonds issued under the provisions of this Article, all such bonds shall be deemed to be negotiable instruments under the laws of this State, subject only to the provisions for registration in any resolution authorizing the issuance of such bonds or any trust agreement securing the same. The bonds may be issued in coupon or registered form or both or as book-entry bonds, as the Board may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest. The Board may sell such bonds in such manner, at public or private sale, and for such price, as it may determine to be for the best interests of the Board.

The proceeds of the bonds of each issue shall be used solely for the purpose for which such bonds shall have been authorized and shall be disbursed in such manner and under such restrictions, if any, as the Board may provide in the resolution authorizing the issuance of such bonds or in the trust agreement hereinafter mentioned securing the same. Unless otherwise provided in the authorizing resolution or in the trust agreement securing such bonds, if the proceeds of such bonds, by error of estimates or otherwise, shall be less than such cost, additional bonds may in like manner be issued to provide the amount of such deficit and shall be deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the bonds first issued for the same purpose.

The resolution providing for the issuance of revenue bonds, and any trust agreement securing such bonds, may also contain such limitations upon the issuance of additional revenue bonds as the Board may deem proper, and such additional bonds shall be issued under such restrictions and limitations as may be prescribed by such resolution or trust agreement.

Prior to the preparation of definitive bonds, the Board may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The Board may also provide for the replacement of any bonds which shall become mutilated or be destroyed or lost.

Except as herein otherwise provided, bonds may be issued under this Article and other powers vested in the Board under this Article may be exercised by the Board without obtaining the consent of any department, division, commission, board, bureau, or agency of the State and without any other proceedings or the happening of

any other conditions or things than those proceedings, conditions, or things which are specifically required by this Article.

The Board may enter into or negotiate a note with an acceptable bank or trust company in lieu of issuing bonds for the financing of projects covered under this section. The terms and conditions of any note of this nature shall be in accordance with the terms and conditions surrounding issuance of bonds.

The Board is hereby authorized to issue, subject to the approval of the Director of the Budget, at one time or from time to time, revenue bond anticipation notes of the Board in anticipation of the issuance of bonds authorized pursuant to the provisions of this Article. The principal of and the interest on such notes shall be payable solely from the proceeds of bonds or renewal notes, or, in the event bond or renewal note proceeds are not available, any available revenues of the project or projects for which such bonds shall have been authorized. The notes of each issue shall be dated, shall mature at such time or times not exceeding two years from their date or dates, shall bear interest at such rate or rates as may be determined by the Board, and may be redeemable before maturity, at the option of the Board, at such price or prices and under such terms and conditions as may be fixed by the Board prior to the issuance of the notes. The Board shall determine the form and the manner of execution of the notes, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the notes and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature shall appear on any notes or coupons shall cease to be such officer before the delivery of such notes, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. Notwithstanding any of the other provisions of this Article or any recitals in any notes issued under the provisions of this Article, all such notes shall be deemed to be negotiable instruments under the laws of this State, subject only to the provisions for registration in any resolution authorizing the issuance of such notes or any trust agreement securing the bonds in anticipation of which such notes are being issued. The notes may be issued in coupon or registered form or both or as book entry notes, as the Board may determine, and provision may be made for the registration of any coupon notes as to principal alone and also as to both principal and interest, and for the reconversion into coupon notes of any notes registered as to both principal and interest. The Board may sell such notes in such manner, at public or private sale, and for such price, as it may determine to be for the best interests of the Board.

The proceeds of the notes of each issue shall be used solely for the purpose for which the bonds in anticipation of which such notes are being issued shall have been authorized, and such note proceeds shall be disbursed in such manner and under such restrictions, if any, as the Board may provide in the resolution authorizing the issuance of such notes or bonds or in the trust agreement securing such bonds.

The resolution providing for the issuance of notes, and any trust agreement securing the bonds in anticipation of which such notes are being authorized, may also contain such limitations upon the issuance of additional notes as the Board may deem

proper, and such additional notes shall be issued under such restrictions and limitations as may be prescribed by such resolution or trust agreement. The Board may also provide for the replacement of any notes which shall become mutilated or be destroyed or lost.

Except as herein otherwise provided, notes may be issued under this Article and other powers vested in the Board under this Article may be exercised by the Board without obtaining the consent of any department, division, commission, board, bureau, or agency of the State and without any other proceedings or the happening of any other conditions or things than those proceedings, conditions, or things which are specifically required by this Article.

Unless the context shall otherwise indicate, the word 'bonds' wherever used in this Article, shall be deemed and construed to include the words 'bond anticipation notes.'"

Section 8. G.S. 116-198.37 reads as rewritten:

"**§ 116-198.37. Fixing fees, rents, and charges; sinking fund.**

For the purpose of aiding in the acquisition, construction, or provision of any project and the maintenance, repair, and operation of any project or any existing facilities, the Board is authorized to fix, revise from time to time, charge, and collect such fee or fees for such privileges and services and in such amount or amounts as the Board shall determine, and to fix, revise from time to time, charge, and collect other fees, rents, and charges for the use of and for the services furnished or to be furnished by any project or projects and any existing facilities, or any portion thereof, and to contract with any person, partnership, association, or corporation for the lease, use, occupancy, or operation of any project or projects and any existing facilities, or any part thereof, and to fix the terms, conditions, fees, rents, and charges for any such lease, use, occupancy, or operation. So long as bonds issued hereunder and payable therefrom are outstanding, such fees, rents, and charges shall be so fixed and adjusted, with relation to other revenues available therefor, as to provide funds pursuant to the requirements of the resolution or trust agreement authorizing or securing such bonds at least sufficient with such other revenues, if any, (i) to pay the cost of maintaining, repairing, and operating any project or projects and any existing facilities any part of the revenues of which are pledged to the payment of the bonds issued for such project or projects, (ii) to pay the principal of and the interest on such bonds as the same shall become due and payable, and (iii) to create and maintain reserves for such purposes. Any surplus funds remaining after application to the purposes mentioned in (i), (ii), and (iii), above, shall be held in trust and applied by the Board to the development of the Centennial ~~Campus or~~ Campus, the Horace Williams ~~Campus~~ Campus, or a Millennial Campus, as applicable. Such fees, rents, and charges shall not be subject to supervision or regulation by any other commission, board, bureau, or agency of the State. A sufficient amount of the revenues, except such part thereof as may be necessary to pay such cost of maintenance, repair, and operation and to provide such reserves therefor and for renewals, replacements, extensions, enlargements, and improvements as may be provided for in the resolution authorizing the issuance of such bonds or in the trust

agreement securing the same, shall be set aside at such regular intervals as may be provided in such resolution or such trust agreement in a sinking fund which is hereby pledged to and charged with the payment of the principal of and the interest on such bonds as the same shall become due and the redemption price or the purchase price of bonds retired by call or purchase as therein provided. Such pledge shall be valid and binding from the time when the pledge is made; the fees, rents, and charges and other revenues or other moneys so pledged and thereafter received by the Board shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act; and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the Board, irrespective of whether such parties have notice thereof. Neither the resolution nor any trust agreement by which a pledge is created need be filed or recorded except in the records of the Board. The use and disposition of moneys to the credit of such sinking fund shall be subject to the provisions of the resolution authorizing the issuance of such bonds or of the trust agreement securing the same."

Section 9. G.S. 146-30(b1) reads as rewritten:

"(b1) Notwithstanding the other provisions of this section, no service charge into the State Land Fund shall be deducted from or levied against the proceeds of any disposition by lease, rental, or easement of State lands that are designated as part of the Centennial Campus as defined by ~~G.S. 116-198.33(4) or~~ G.S. 116-198.33(4), that are designated as part of the Horace Williams Campus as defined by ~~G.S. 116-198.33(4a).~~ G.S. 116-198.33(4a), or that are designated as part of a Millennial Campus as defined by G.S. 116-198.33(4b). All net proceeds of those dispositions are governed by G.S. 116-36.5."

Section 10. G.S. 66-58(b) reads as rewritten:

"(b) The provisions of subsection (a) of this section shall not apply to:

(1) Counties and municipalities.

(2) The Department of Health and Human Services or the Department of Agriculture and Consumer Services for the sale of serums, vaccines, and other like products.

(3) The Department of Administration, except that the agency shall not exceed the authority granted in the act creating the agency.

(4) The State hospitals for the mentally ill.

(5) The Department of Health and Human Services.

(6) The North Carolina School for the Blind at Raleigh.

(6a) The Office of Juvenile Justice.

(7) The North Carolina Schools for the Deaf.

(8) The Greater University of North Carolina with regard to its utilities and other services now operated by it nor to the sale of articles produced incident to the operation of instructional departments, articles incident to educational research, articles of merchandise incident to classroom work, meals, books, or to articles of merchandise not exceeding twenty-five cents (25¢) in value when sold to members of the educational staff or staff

auxiliary to education or to duly enrolled students or occasionally to immediate members of the families of members of the educational staff or of duly enrolled students nor to the sale of meals or merchandise to persons attending meetings or conventions as invited guests nor to the operation by the University of North Carolina of an inn or hotel and dining and other facilities usually connected with a hotel or inn, nor to the hospital and Medical School of the University of North Carolina, nor to the Coliseum of North Carolina State University at Raleigh, and the other schools and colleges for higher education maintained or supported by the State, nor to the Centennial Campus of North Carolina State University at Raleigh, nor to the Horace Williams Campus of the University of North Carolina at Chapel Hill, nor to a Millennial Campus of a constituent institution of The University of North Carolina, nor to the comprehensive student health services or the comprehensive student infirmaries maintained by the constituent institutions of the University of North Carolina.

(9) The Department of Environment and Natural Resources, except that the Department shall not construct, maintain, operate or lease a hotel or tourist inn in any park over which it has jurisdiction. The North Carolina Wildlife Resources Commission may sell wildlife memorabilia as a service to members of the public interested in wildlife conservation.

(10) Child-caring institutions or orphanages receiving State aid.

(11) Highlands School in Macon County.

(12) The North Carolina State Fair.

(13) Rural electric memberships corporations.

(13a) State Farm Operations Commission.

(13b) The Department of Agriculture and Consumer Services with regard to its lessees at farmers' markets operated by the Department.

(13c) The Western North Carolina Agricultural Center.

(13d) Agricultural centers or livestock facilities operated by the Department of Agriculture and Consumer Services.

(14) Nothing herein contained shall be construed to prohibit the engagement in any of the activities described in subsection (a) hereof by a firm, corporation or person who or which is a lessee of space only of the State of North Carolina or any of its departments or agencies; provided the leases shall be awarded by the Department of Administration to the highest bidder, as provided by law in the case of State contracts and which lease shall be for a term of not less than one year and not more than five years.

(15) The State Department of Correction is authorized to purchase and install automobile license tag plant equipment for the purpose of

manufacturing license tags for the State and local governments and for such other purposes as the Department may direct.

The Commissioner of Motor Vehicles, or such other authority as may exercise the authority to purchase automobile license tags is hereby directed to purchase from, and to contract with, the State Department of Correction for the State automobile license tag requirements from year to year.

The price to be paid to the State Department of Correction for the tags shall be fixed and agreed upon by the Governor, the State Department of Correction, and the Motor Vehicle Commissioner, or such authority as may be authorized to purchase the supplies.

(16) Laundry services performed by the Department of Correction may be provided only for agencies and instrumentalities of the State which are supported by State funds and for county or municipally controlled and supported hospitals presently being served by the Department of Correction, or for which services have been contracted or applied for in writing, as of May 22, 1973. In addition to the prior sentence, laundry services performed by the Department of Correction may be provided for the Governor Morehead School and the North Carolina School for the Deaf.

The services shall be limited to wet-washing, drying and ironing of flatwear or flat goods such as towels, sheets and bedding, linens and those uniforms prescribed for wear by the institutions and further limited to only flat goods or apparel owned, distributed or controlled entirely by the institutions and shall not include processing by any dry-cleaning methods; provided, however, those garments and items presently being serviced by wet-washing, drying and ironing may in the future, at the election of the Department of Correction, be processed by a dry-cleaning method.

(17) The North Carolina Global TransPark Authority or a lessee of the Authority.

(18) The activities and products of private enterprise carried on or manufactured within a State prison facility pursuant to G.S. 148-70.

(19) The North Carolina Justice Academy.

(20) The Department of Transportation, or any nonprofit lessee of the Department, for the sale of books, crafts, gifts, and other tourism-related items at visitor centers owned by the Department."

Section 11. This act is effective when it becomes law.

SENATE BILL 586:
UNC Millennial Campuses.

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Sen. Lee
Date:	July 5, 2000	**Summary by:**	Robin Johnson
Version:	3rd Edition		Emily Johnson

SUMMARY: ***Senate Bill 586 is identical to SB 1549, 2nd edition, and would authorize the Board of Governors (Board) to designate real property and appurtenant facilities to be part of a Millennial Campus and to issue revenue bonds to pay the cost of buildings, structures or other facilities on a Millennial Campus. The bill would further authorize the transfer of all net revenues from the lease or rental of real property, fees, and other charges incident to the development of specific portions of University campuses designated as "millennial campuses" into a special, continuing, and non-reverting trust reserved for the sole and exclusive use of development of those millennial campuses. A Millennial Campus would be associated with one or more constituent institutions of The University of North Carolina other than North Carolina State University (NCSU) or the University of North Carolina at Chapel Hill (UNC-CH). A Millennial Campus would have the same purpose as the Centennial Campus located at NCSU and the Horace Williams Campus located at UNC-CH. These campuses, authorized in 1987 and 1999 respectively, are intended to bring together business, industry, and academia. The act would take effect when it becomes law.***

BILL ANALYSIS:

Designation of a Millennial Campus. The Board would be authorized to designate real property and appurtenant facilities to be held by or acquired by a constituent institution as a Millennial Campus. This designation would be based on a recommendation of the President after she has consulted with the institution's Chancellor and Board of Trustees. The Board would be required to make an express finding that the institution has the administrative and fiscal capability to create and maintain a Millennial Campus. It also must find that the creation of a Millennial Campus would enhance the institution's research, teaching, and service missions and the region's economic development. The Board would be able to authorize two or more institutions that meet these other requirements to create a joint Millennial Campus.

Leases. The Board would be authorized to approve and enter into leases of land and buildings on or for a Millennial Campus. Rental agreements made for 10 years or less would not require the approval of the Governor and Council of State. No service charge would be deducted for the State Land Fund from the proceeds of any lease of State lands designated as part of a Millennial Campus. These provisions are identical to those applicable to the Centennial and Horace Williams Campuses.

Revenue Bonds. The Board would be allowed to issue revenue bonds to pay all or part of the cost of any project on a Millennial Campus. These projects may include administration buildings, libraries, research or instructional facilities, roads, water, sewer, parking, and other facilities related to the operation of the Campus. The bonds are payable from revenues derived from leases, rentals, charges, and fees set by the Board of Governors. Currently, the Board may issue revenue bonds to pay the cost of these projects on the Centennial Campus and the Horace Williams Campus.

Finances. The bill would enable UNC to leverage State dollars with corporate dollars through partnership arrangements between a millennial campus and a private entity. These partnerships will attract private revenue and will also assist the State in retiring public indebtedness. These partnerships will generate

rental income from lease arrangements. In some situations, the private entities would actually build buildings on land they lease from the campus and, at the end of the lease, ownership of the building would transfer to the State. In other cases, the campus will build the building and lease it to a private entity, which assists in repayment of the public indebtedness.

Trust Fund. The proceeds from all monies received through the development of a Millennial Campus would be credited to a special, nonreverting trust fund. The money in each fund may be used only for the development of that Campus. These trust funds would be identical to those created for the Centennial and Horace Williams Campuses. The Board would manage and administer each trust fund; however, the Board may delegate these responsibilities to the chancellors.

Umstead Act Exemption. Much of the revenue generated from a Millennial Campus will come from the lease of office space to private industry. As a general rule, it is unlawful under the Umstead Act for the State to lease space in a State-owned building for the purpose of operating a business. A Millennial Campus would be treated the same as the Centennial and Horace Williams Campuses, which are exempted from these provisions of the Umstead Act.

Effective Date. The bill would take effect when it becomes law.

Re-referral. The bill must be re-referred to Finance.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: UNC System

EFFECTIVE DATE: Upon becoming law

BILL SUMMARY: Amends Art. 21B of GS Ch. 116 (Centennial and Horace Williams Campus Financing Act) to authorize UNC Board of Governors to issue revenue bonds for cost of buildings and other facilities at Millennial Campuses. Amends GS 116-198.33(4b) and 116-198.34(8b) to authorize Board to designate as Millennial Campus real property of constituent institutions of UNC other than NC State or UNC-CH. Adds GS 116-36.5(c) establishing special trust fund for monies received for development of a Millennial Campus. Makes conforming changes to GS 116-198.35 (issuance of bonds), 116-198.37 (fees, rents, and charges), 146-30(b1) (net proceeds of dispositions), and 66-58(b) (sale of merchandise or services).

ASSUMPTIONS AND METHODOLOGY: Projects would come back to the General Assembly for approval through the self-liquidating bill process. The only minor potential fiscal impact is section 9, exempting the proceeds of any disposition of land from a service charge into the State Land Fund. Since the intent of the Millennial Campus is to acquire land rather than dispose of it, losses, if any, would be very minimal.

HOUSE COMMITTEE ON FINANCE

Thursday, July 6, 2000

The House Committee on Finance met on Thursday, July 6, 2000 in Room 544 of the Legislative Office Building at 8:30 a.m. The following members were present: Chairs Allen, Luebke and Miller; Vice Chairs Jarrell and Wood; Representatives Bridgeman, Brown, Capps, Church, Creech, Decker, Dedmon, Eddins, Edwards, Ford, Gibson, Goodwin, Gray, Hackney, Haire, Hill, Howard, McComas, McCombs, Morris, Pope, Rayfield, Starnes, Tucker, Weiss, Wilson and Womble; and Ex Officio members Baddour and Cunningham. Staff including Cindy Avrette, Richard Bostic, Gerry Cohen, Linda Millsaps, Mary Shuping; Eugene Son and Rebekah Butler, Interns; were in attendance. A Visitor Registration List is attached and made a part of these minutes.

Chair Luebke called the meeting to order. Chair Luebke recognized the pages and Sargent-at-Arms staff and commented briefly on the agenda and proceeded to consider the following bills:

Rep. Haire was recognized to explain SB 586, A BILL TO BE ENTITLED AN ACT TO AUTHORIZE THE CREATION OF MILLENNIAL CAMPUSES AT THE CONSTITUENT INSTITUTIONS OF THE UNIVERSITY OF NORTH CAROLINA. Rep. Jarrell sent forth an amendment. Rep. Jarrell made a motion to adopt the amendment. The motion passed. Rep. Miller sent forth an amendment. Rep. Miller was recognized to explain the amendment. Rep. Miller made a motion to adopt the amendment. The motion passed. Rep. Rayfield asked how the investment fund would be treated if one wanted to get out. Rep. Miller noted that this is a voluntary plan and people can get in or out whenever they wish. Rep. Pope was recognized to speak in support of the bill. Rep. Pope said that the Centennial Campus at North Carolina State University has been a tremendous asset but warns that future private partnerships paying must be accountable for repairs and renovations. Rep. Brown made a motion to give the Proposed Committee Substitute and give the original bill an unfavorable report. The motion passed. A copy of the bill, amendments, bill analysis and fiscal note included in the minutes.

Rep. Miller was recognized to explain HB 1049, A BILL TO BE ENTITLED AMENDING THE LAWS RELATED TO THE LICENSURE OF PHYSICIANS IN THIS STATE. Rep. Womble made a motion to adopt a Proposed Committee Substitute. The motion passed. Rep. Womble made a motion to give the Proposed Committee Substitute a favorable report and give the original bill an unfavorable report. Rep. Weiss asked if the contributions of alternative medical community to health care in North Carolina would be addressed by a study commission. Rep. Miller stated that if a request is made it would be considered for the study committees bill. Chair Luebke noted that Rep. Weiss could move this forward by talking to the Rule Committee Chair, Representative Culpepper. Rep. Hackney asked what this bill does. Andy Wautry, with the North Carolina Medical Board, was recognized to respond. Mr. Wautry stated that this bill would allow the Medical Board to do a better job regulating the practice of medicine. Mr. Wautry noted that as an example, this bill would give the Medical Board authority to impose probation; currently, the board can only impose probation if the licensee concurs. Rep. Jarrell was recognized to speak on the bill. Rep. Jarrell stated that she had been telling constituents that the issue of alternate health

care would be addressed by a study commission and that she would feel better if this could be done. Rep. Hill was recognized to speak on the bill. Rep. Hill noted that he too had been informing his constituents that this issue would be in the study committees bill. Rep. Miller noted that this could be accomplished by amending the bill in such a manner. Rep. Hill sent forth an amendment. Staff was recognized to explain the amendment. Rep. Hill made a motion to adopt the amendment. The motion passed. Rep. Womble made a motion to roll this amendment into a Proposed Committee Substitute and give a favorable report and give the original bill an unfavorable report. Rep. Haire asked why immunity was worded in this bill and if it is in similar legislation. Staff noted that it is not common language in similar bills. Rep. Haire asked what caused this language to be included. Mr. Wautry stated that in order to make a case against a physician the board must obtain peer testimony and this language would allow the board to do such. Mr. Wautry noted that it was boilerplate language. Rep. Hackney noted that if it was boilerplate language it was poorly worded. Rep. Haire sent forth an amendment. Staff was recognized to explain the amendment. Rep. Haire made a motion to adopt the amendment. Rep. Hackney was recognized to speak on the bill. Rep. Hackney noted that he was not opposed to what the Medical Board was requesting; he was opposed to the wording. The motion passed. Rep. Womble made a motion to roll all the amendments into a Proposed Committee Substitute and give a favorable report and give the original bill an unfavorable report. The motion passed. A copy of the bill, amendments, Proposed Committee Substitute, bill analysis and fiscal note included in the minutes.

Senator Dalton was recognized to explain SB 1529, A BILL TO BE ENTITLED AN ACT TO ADJUST AND ADD FEES CHARGED BY THE REGISTER OF DEEDS. Rep. Miller made a motion to give the bill a favorable report. The motion passed. A copy of the bill and fiscal note included in the minutes.

Rep. Insko was recognized to explain HB 1132, A BILL TO BE ENTITLED AN ACT TO PROMOTE THE PRESERVATION OF FARMLAND AND TO PROMOTE SMALL, FAMILY-OWNED FARMS. Rep. Hackney made a motion to concur. The motion passed. A copy of the bill and bill analysis included in the minutes.

Chair Luebke added a bill to the agenda.

Senator Metcalf was recognized to explain SB 1474, A BILL TO BE ENTITLED AN ACT TO AUTHORIZE ASHEVILLE-BUNCOMBE TECHNICAL COMMUNITY COLLEGE TO LEASE CERTAIN PROPERTY BY PRIVATE NEGOTIATION AND TO ALLOW FLEXIBLE USE OF LEASE PROCEEDS. Rep. Allen made a motion to give the bill a favorable report. Rep. Creech asked if the college would have to maintain upkeep of the incubator facility. Senator Metcalf noted that the college has been looking to address these concerns. There being no further questions a vote was taken. The motion passed. A copy of the bill included in the minutes.

There being no further business, the Chair adjourned the meeting at 9:45 a.m.

Respectfully submitted:

Representative Paul Luebke

A BILL TO BE ENTITLED

AN ACT AMENDING THE LAWS RELATED TO THE LICENSURE OF PHYSICIANS IN THIS STATE.

The General Assembly of North Carolina enacts:

Section 1. G.S. 90-5 reads as rewritten:

"**§ 90-5. Meetings of Board.**

The North Carolina Medical Board shall assemble at least once in every year in the City of ~~Raleigh, and shall remain in session from day to day until all applicants who may present themselves for examination within the first two days of this meeting have been examined and disposed of; other~~ Raleigh. Other meetings in each year may be held at some suitable point in the State if deemed advisable."

Section 2. G.S. 90-9 reads as rewritten:

"**§ 90-9. Examination for license; scope; conditions and prerequisites.**

It is the duty of the North Carolina Medical Board to examine for license to practice medicine or surgery, or any of the branches thereof, ~~every applicant who complies with the following provisions: the applicant shall, before admittance to examination, satisfy the Board of possession of academic education equal to the entrance requirements of the University of North Carolina, or furnish a certificate from the superintendent of public instruction of the county that the applicant has passed an examination upon literary attainments to meet the requirements of entrance in the regular course of the State University. The applicant shall exhibit a diploma or furnish satisfactory proof of graduation from a medical college or an osteopathic college approved by the American Osteopathic Association at the time of~~

~~graduation, dated from January 1, 1960, to the present, and whose medical and osteopathic schools shall require an attendance of not less than four years or for a lesser period of time approved by the Board, and supply these facilities for clinical and scientific instruction as meet the approval of the Board. An applicant shall have graduated from a medical college approved by the Liaison Commission on Medical Education or osteopathic college that has been approved by the American Osteopathic Association; or, if graduated from any other medical or osteopathic college, the applicant shall be enrolled in a graduate medical education and training program in North Carolina that has been approved by the Board. An applicant who has graduated from a medical college not approved by the Liaison Commission on Medical Education or osteopathic college that has not been approved by the American Osteopathic Association and who has not enrolled in a graduate medical education and training program in North Carolina which has been approved by the Board shall satisfy the Board that the applicant has successfully completed three years of graduate medical education in a training program approved by the Board.~~ applicants for a medical license who meet eligibility requirements as provided by Board rules. The Board may contract for the design of, application for, and administration of the licensing examination through the Federation of State Medical Boards of the U.S., Inc., its successor organization, or another organization approved by the Board. No applicant from a medical or osteopathic college that has been disapproved by the Board is eligible to take the examination.

The examination shall cover the branches of medical science and subjects which the Board considers necessary to determine competence to practice medicine. The Board may divide the examination into parts or components.

The Board shall grant the applicant a license authorizing the applicant to practice medicine in any of its branches if the Board determines that the applicant has successfully passed the examination, is of good moral character, satisfies the requirements of the Board's rules, and ~~is:~~ is one of the following:

(1) ~~a~~ A graduate of a medical college approved by the Liaison Commission on Medical Education or an osteopathic college approved by the American Osteopathic Association and has successfully completed one year of training in a medical education program approved by the Board after graduation from medical ~~school;~~ school.

(2) ~~a~~ A graduate of a medical college approved by the Liaison Commission on Medical Education or an osteopathic college approved by the American Osteopathic Association, is a dentist licensed to practice dentistry under Article 2 of Chapter 90 of the General Statutes, and has been certified by the American Board of Oral and Maxillofacial Surgery after having completed a residency in an Oral and Maxillofacial Surgery Residency Program approved by the Board before completion of medical ~~school; or~~ school.

(3) ~~a~~ A graduate of a medical college that has not been approved by the Liaison Commission on Medical Education or an osteopathic

college that has not been approved by the American Osteopathic Association and has successfully completed three years of training in a medical education program approved by the Board after graduation from medical school.

~~Applicants shall be examined by number only; names and other identifying information shall not appear on examination papers.~~"

Section 3. G.S. 90-14 reads as rewritten:

"**§ 90-14. Revocation, suspension, annulment or denial of license.**

(a) The Board shall have the power to deny, annul, suspend, or revoke a license, or other authority to practice medicine in this State, issued by the Board to any person who has been found by the Board to have committed any of the following acts or conduct, or for any of the following reasons:

(1) Immoral or dishonorable conduct.

(2) Producing or attempting to produce an abortion contrary to law.

(3) Made false statements or representations to the Board, or who has willfully concealed from the Board material information in connection with an application for a license.

(4) Repealed by Session Laws 1977, c. 838, s. 3.

(5) Being unable to practice medicine with reasonable skill and safety to patients by reason of illness, drunkenness, excessive use of alcohol, drugs, chemicals, or any other type of material or by reason of any physical or mental abnormality. The Board is empowered and authorized to require a physician licensed by it to submit to a mental or physical examination by physicians designated by the Board before or after charges may be presented against the physician, and the results of the examination shall be admissible in evidence in a hearing before the Board.

(6) Unprofessional conduct, including, but not limited to, departure from, or the failure to conform to, the standards of acceptable and prevailing medical practice, or the ethics of the medical profession, irrespective of whether or not a patient is injured thereby, or the committing of any act contrary to honesty, justice, or good morals, whether the same is committed in the course of the physician's practice or otherwise, and whether committed within or without North Carolina. The Board shall not revoke the license of or deny a license to a person solely because of that person's practice of a therapy that is experimental, nontraditional, or that departs from acceptable and prevailing medical practices unless, by competent evidence, the Board can establish that the treatment has a safety risk greater than the prevailing treatment or that the treatment is generally not effective.

(7) Conviction in any court of a crime involving moral turpitude, or the violation of a law involving the practice of medicine, or a

conviction of a felony; provided that a felony conviction shall be treated as provided in subsection (c) of this section.

(8) By false representations has obtained or attempted to obtain practice, money or anything of value.

(9) Has advertised or publicly professed to treat human ailments under a system or school of treatment or practice other than that for which the physician has been educated.

(10) Adjudication of mental incompetency, which shall automatically suspend a license unless the Board orders otherwise.

(11) Lack of professional competence to practice medicine with a reasonable degree of skill and safety for patients. In this connection the Board may consider repeated acts of a physician indicating the physician's failure to properly treat a patient. The Board may, upon reasonable grounds, require a physician to submit to inquiries or examinations, written or oral, by members of the Board or by other physicians licensed to practice medicine in this State, as the Board deems necessary to determine the professional qualifications of such licensee.

(12) Promotion of the sale of drugs, devices, appliances or goods for a patient, or providing services to a patient, in such a manner as to exploit the patient, and upon a finding of the exploitation, the Board may order restitution be made to the payer of the bill, whether the patient or the insurer, by the physician; provided that a determination of the amount of restitution shall be based on credible testimony in the record.

(13) Having a license to practice medicine or the authority to practice medicine revoked, suspended, restricted, or acted against or having a license to practice medicine denied by the licensing authority of any jurisdiction. For purposes of this subdivision, the licensing authority's acceptance of a license to practice medicine voluntarily relinquished by a physician or relinquished by stipulation, consent order, or other settlement in response to or in anticipation of the filing of administrative charges against the physician's license, is an action against a license to practice medicine.

(14) The failure to respond, within a reasonable period of time and in a reasonable manner as determined by the Board, to inquiries from the Board concerning any matter affecting the license to practice medicine.

(15) The failure to complete an amount not to exceed 150 hours of continuing medical education during any three consecutive calendar years pursuant to rules adopted by the Board.

(16) Aiding in the unlicensed practice of medicine.

(17) Allowing another person or organization to use a license issued by the Board.

(18) The repeated prescribing of controlled substances for personal or family use.
(19) Fee splitting.
(20) Failure to report to the Board disciplinary action in another state.
(21) Failure to make copies of patient records available to another physician when legally requested to do so.

For any of the foregoing reasons, the Board may deny the issuance of a license to an applicant or revoke a license issued to a physician, may suspend such a license for a period of time, and may impose conditions upon the continued practice after such period of suspension as the Board may deem advisable, may limit the accused physician's practice of medicine with respect to the extent, nature or location of the physician's practice as the Board deems advisable. The Board may, in its discretion and upon such terms and conditions and for such period of time as it may prescribe, restore a license so revoked or rescinded, except that no license that has been revoked shall be restored for a period of two years following the date of revocation. In addition to and in conjunction with the actions described above, the Board may make a finding adverse to a licensee or applicant but withhold imposition of judgment and penalty or it may impose judgment and penalty but suspend enforcement thereof and place the licensee on probation, which probation may be vacated upon noncompliance with such reasonable terms as the Board may impose. The Board may administer a public or private reprimand or a private letter of concern and the private reprimand and private letter of concern shall not require a hearing in accordance with G.S. 90-14.2 and shall not be disclosed to any person except the licensee. The Board may require a licensee to: (i) make specific redress or monetary redress; (ii) provide free public or charity service; (iii) complete educational, remedial training, or treatment programs; (iv) pay a fine; and (v) reimburse the Board for disciplinary costs.

(b) The Board ~~shall~~ may refer to the ~~State Medical Society Physician Health and Effectiveness Committee all physicians~~ North Carolina Physicians Health Program any physician or physician assistant whose health and effectiveness have been significantly impaired by alcohol, drug addiction or mental illness.

(c) A felony conviction shall result in the automatic revocation of a license issued by the Board, unless the Board orders otherwise or receives a request for a hearing from the person within 60 days of receiving notice from the Board, after the conviction, of the provisions of this subsection. If the Board receives a timely request for a hearing in such a case, the provisions of G.S. 90-14.2 shall be followed.

(d) The Board and its members and staff may release confidential or nonpublic information to any health care licensure board in this State or another state about the issuance, denial, annulment, suspension, or revocation of a license, or the voluntary surrender of a license by a Board-licensed physician, including the reasons for the action, or an investigative report made by the Board. ~~The Board shall notify the physician within 60 days after the information is transmitted. A summary of the information that is being transmitted shall be furnished to the physician. If the physician requests, in writing, within 30 days after being notified that such~~

~~information has been transmitted, he shall be furnished a copy of all information so transmitted. The notice or copies of the information shall not be provided if the information relates to an ongoing criminal investigation by any law enforcement agency, or authorized Department of Health and Human Services personnel with enforcement or investigative responsibilities.~~

(e) The Board and its members and staff shall not be held liable in any civil or criminal proceeding for exercising, in good faith, the powers and duties authorized by law.

(f) A person, partnership, firm, corporation, association, authority, or other entity shall be immune from civil and criminal liability for (i) reporting or investigating the acts or omissions of a licensee or applicant that violate the provisions of subsection (a) of this section or any other provision of law relating to the fitness of a licensee or applicant to practice medicine and (ii) initiating or conducting proceedings against a licensee or applicant if a complaint is made or action is taken in good faith without fraud or malice. Any person who testifies before the Board in good faith and without fraud or malice in any proceeding involving a violation of subsection (a) of this section or any other law relating to the fitness of an applicant or licensee to practice medicine, or who makes a recommendation to the Board in the nature of peer review, shall be immune from civil and criminal liability."

Section 4. G.S. 90-15.1 reads as rewritten:

"**§ 90-15.1. Registration every year with Board.**

Every person licensed to practice medicine by the North Carolina Medical Board shall register annually with the Board within 30 days of the person's birthday. A person who registers with the Board shall report to the Board the person's name and office and residence address and any other information required by the Board, and shall pay a registration fee fixed by the Board not in excess of ~~one hundred dollars ($100.00).~~ one hundred twenty-five dollars ($125.00). A physician who is not actively engaged in the practice of medicine in North Carolina and who does not wish to register the license may direct the Board to place the license on inactive status. For purposes of annual registration, the Board shall use a simplified registration form which allows registrants to confirm information on file with the Board. A physician who fails to register as required by this section shall pay an additional fee of twenty dollars ($20.00) to the Board. The license of any physician who fails to register and who remains unregistered for a period of 30 days after certified notice of the failure is automatically inactive. A person whose license is inactive shall not practice medicine in North Carolina nor be required to pay the annual registration fee. Upon payment of all accumulated fees and penalties, the license of the physician may be reinstated, subject to the Board requiring the physician to appear before the Board for an interview and to comply with other licensing requirements. The penalty may not exceed the maximum fee for a license under G.S. 90-13."

Section 5. G.S. 90-18 reads as rewritten:

"**§ 90-18. Practicing without license; practicing defined; penalties.**

(a) No person shall practice medicine or surgery, or any of the branches thereof, nor in any case prescribe for the cure of diseases unless the person shall have been

first licensed and registered so to do in the manner provided in this Article, and if any person shall practice medicine or surgery without being duly licensed and registered, as provided in this Article, the person shall not be allowed to maintain any action to collect any fee for such services. The person so practicing without license shall be guilty of a Class ~~1 misdemeanor.~~ I felony.

(b) Any person shall be regarded as practicing medicine or surgery within the meaning of this Article who shall diagnose or attempt to diagnose, treat or attempt to treat, operate or attempt to operate on, or prescribe for or administer to, or profess to treat any human ailment, physical or mental, or any physical injury to or deformity of another person. A person who resides in any state and who, by use of any electronic or other mediums, performs any of the acts described in this subsection shall be regarded as practicing medicine or surgery and shall be subject to the provisions of this Article and appropriate regulation by the North Carolina Medical Board. Any person who has graduated from a medical college or osteopathic college in accordance with G.S. 90-9 and who performs medical precertification, utilization review, or evaluation of the medical management of a patient and the use of resources for patient care shall be regarded as practicing medicine within the meaning of this Article.

(c) The following shall not constitute practicing medicine or surgery as defined in subsection (b) of this section:

(1) The administration of domestic or family remedies in cases of emergency.

(2) The practice of dentistry by any legally licensed dentist engaged in the practice of dentistry and dental surgery.

(3) The practice of pharmacy by any legally licensed pharmacist engaged in the practice of pharmacy.

(4) The practice of medicine and surgery by any surgeon or physician of the United States army, navy, or public health service in the discharge of his official duties.

(5) The treatment of the sick or suffering by mental or spiritual means without the use of any drugs or other material means.

(6) The practice of optometry by any legally licensed optometrist engaged in the practice of optometry.

(7) The practice of midwifery as defined in G.S. 90-178.2.

(8) The practice of chiropody by any legally licensed chiropodist when engaged in the practice of chiropody, and without the use of any drug.

(9) The practice of osteopathy by any legally licensed osteopath when engaged in the practice of osteopathy as defined by law, and especially G.S. 90-129.

(10) The practice of chiropractic by any legally licensed chiropractor when engaged in the practice of chiropractic as defined by law, and without the use of any drug or surgery.

(11) The practice of medicine or surgery by any nonregistered reputable physician or surgeon who comes into this State, either in person or by use of any electronic or other mediums, on an irregular basis, to consult with a resident registered physician or to consult with personnel at a medical school about educational or medical training. This proviso shall not apply to physicians resident in a neighboring state and regularly practicing in this State.

(12) Any person practicing radiology as hereinafter defined shall be deemed to be engaged in the practice of medicine within the meaning of this Article. 'Radiology' shall be defined as, that method of medical practice in which demonstration and examination of the normal and abnormal structures, parts or functions of the human body are made by use of X ray. Any person shall be regarded as engaged in the practice of radiology who makes or offers to make, for a consideration, a demonstration or examination of a human being or a part or parts of a human body by means of fluoroscopic exhibition or by the shadow imagery registered with photographic materials and the use of X rays; or holds himself out to diagnose or able to make or makes any interpretation or explanation by word of mouth, writing or otherwise of the meaning of such fluoroscopic or registered shadow imagery of any part of the human body by use of X rays; or who treats any disease or condition of the human body by the application of X rays or radium. Nothing in this subdivision shall prevent the practice of radiology by any person licensed under the provisions of Articles 2, 7, 8, and 12A of this Chapter.

(13) The performance of any medical acts, tasks, and functions by a licensed physician assistant at the direction or under the supervision of a physician in accordance with rules adopted by the Board. This subdivision shall not limit or prevent any physician from delegating to a qualified person any acts, tasks, and functions that are otherwise permitted by law or established by custom. The Board shall authorize physician assistants licensed in this State or another state to perform specific medical acts, tasks, and functions during a disaster.

(14) The practice of nursing by a registered nurse engaged in the practice of nursing and the performance of acts otherwise constituting medical practice by a registered nurse when performed in accordance with rules and regulations developed by a joint subcommittee of the North Carolina Medical Board and the Board of Nursing and adopted by both boards.

(15) The practice of dietetics/nutrition by a licensed dietitian/nutritionist under the provisions of Article 25 of this Chapter.

(16) The practice of acupuncture by a licensed acupuncturist in accordance with the provisions of Article 30 of this Chapter."

Section 6. G.S. 90-18.1 is amended by adding the following new subsection:

"(g) The provisions of G.S. 90-14 shall apply to physician assistants."

Section 7. This act is effective when it becomes law.

Section 2. G.S. 90-9 reads as rewritten:

"**§ 90-9. Examination for license; scope; conditions and prerequisites.**

It is the duty of the North Carolina Medical Board to examine for license to practice medicine or surgery, or any of the branches thereof, ~~every applicant who complies with the following provisions: the applicant shall, before admittance to examination, satisfy the Board of possession of academic education equal to the entrance requirements of the University of North Carolina, or furnish a certificate from the superintendent of public instruction of the county that the applicant has passed an examination upon literary attainments to meet the requirements of entrance in the regular course of the State University. The applicant shall exhibit a~~

~~diploma or furnish satisfactory proof of graduation from a medical college or an osteopathic college approved by the American Osteopathic Association at the time of graduation, dated from January 1, 1960, to the present, and whose medical and osteopathic schools shall require an attendance of not less than four years or for a lesser period of time approved by the Board, and supply these facilities for clinical and scientific instruction as meet the approval of the Board. An applicant shall have graduated from a medical college approved by the Liaison Commission on Medical Education or osteopathic college that has been approved by the American Osteopathic Association; or, if graduated from any other medical or osteopathic college, the applicant shall be enrolled in a graduate medical education and training program in North Carolina that has been approved by the Board. An applicant who has graduated from a medical college not approved by the Liaison Commission on Medical Education or osteopathic college that has not been approved by the American Osteopathic Association and who has not enrolled in a graduate medical education and training program in North Carolina which has been approved by the Board shall satisfy the Board that the applicant has successfully completed three years of graduate medical education in a training program approved by the Board.~~ applicants for a medical license who meet eligibility requirements as provided by Board rules. The Board may contract for the design of, application for, and administration of the licensing examination through the Federation of State Medical Boards of the U.S., Inc., its successor organization, or another organization approved by the Board. No applicant from a medical or osteopathic college that has been disapproved by the Board is eligible to take the examination.

The examination shall cover the branches of medical science and subjects which the Board considers necessary to determine competence to practice medicine. The Board may divide the examination into parts or components.

The Board shall grant the applicant a license authorizing the applicant to practice medicine in any of its branches if the Board determines that the applicant has successfully passed the examination, is of good moral character, satisfies the requirements of the Board's rules, and ~~is:~~ is one of the following:

(1) ~~a~~ A graduate of a medical college approved by the Liaison Commission on Medical Education or an osteopathic college approved by the American Osteopathic Association and has successfully completed one year of training in a medical education program approved by the Board after graduation from medical ~~school;~~ school.

(2) ~~a~~ A graduate of a medical college approved by the Liaison Commission on Medical Education or an osteopathic college approved by the American Osteopathic Association, is a dentist licensed to practice dentistry under Article 2 of Chapter 90 of the General Statutes, and has been certified by the American Board of Oral and Maxillofacial Surgery after having completed a residency in an Oral and Maxillofacial Surgery Residency Program approved by the Board before completion of medical ~~school; or~~ school.

(3) ~~a~~ A graduate of a medical college that has not been approved by the Liaison Commission on Medical Education or an osteopathic college that has not been approved by the American Osteopathic Association and has successfully completed three years of training in a medical education program approved by the Board after graduation from medical school.

~~Applicants shall be examined by number only; names and other identifying information shall not appear on examination papers.~~"

Section 3. G.S. 90-14 reads as rewritten:

"**§ 90-14. Revocation, suspension, annulment or denial of license.**

(a) The Board shall have the power to deny, annul, suspend, or revoke a license, or other authority to practice medicine in this State, issued by the Board to any person who has been found by the Board to have committed any of the following acts or conduct, or for any of the following reasons:

(1) Immoral or dishonorable conduct.

(2) Producing or attempting to produce an abortion contrary to law.

(3) Made false statements or representations to the Board, or who has willfully concealed from the Board material information in connection with an application for a license.

(4) Repealed by Session Laws 1977, c. 838, s. 3.

(5) Being unable to practice medicine with reasonable skill and safety to patients by reason of illness, drunkenness, excessive use of alcohol, drugs, chemicals, or any other type of material or by reason of any physical or mental abnormality. The Board is empowered and authorized to require a physician licensed by it to submit to a mental or physical examination by physicians designated by the Board before or after charges may be presented against the physician, and the results of the examination shall be admissible in evidence in a hearing before the Board.

(6) Unprofessional conduct, including, but not limited to, departure from, or the failure to conform to, the standards of acceptable and prevailing medical practice, or the ethics of the medical profession, irrespective of whether or not a patient is injured thereby, or the committing of any act contrary to honesty, justice, or good morals, whether the same is committed in the course of the physician's practice or otherwise, and whether committed within or without North Carolina. The Board shall not revoke the license of or deny a license to a person solely because of that person's practice of a therapy that is experimental, nontraditional, or that departs from acceptable and prevailing medical practices unless, by competent evidence, the Board can establish that the treatment has a safety risk greater than the prevailing treatment or that the treatment is generally not effective.

(7) Conviction in any court of a crime involving moral turpitude, or the violation of a law involving the practice of medicine, or a conviction of a felony; provided that a felony conviction shall be treated as provided in subsection (c) of this section.

(8) By false representations has obtained or attempted to obtain practice, money or anything of value.

(9) Has advertised or publicly professed to treat human ailments under a system or school of treatment or practice other than that for which the physician has been educated.

(10) Adjudication of mental incompetency, which shall automatically suspend a license unless the Board orders otherwise.

(11) Lack of professional competence to practice medicine with a reasonable degree of skill and safety for patients. In this connection the Board may consider repeated acts of a physician indicating the physician's failure to properly treat a patient. The Board may, upon reasonable grounds, require a physician to submit to inquiries or examinations, written or oral, by members of the Board or by other physicians licensed to practice medicine in this State, as the Board deems necessary to determine the professional qualifications of such licensee.

(12) Promotion of the sale of drugs, devices, appliances or goods for a patient, or providing services to a patient, in such a manner as to exploit the patient, and upon a finding of the exploitation, the Board may order restitution be made to the payer of the bill, whether the patient or the insurer, by the physician; provided that a determination of the amount of restitution shall be based on credible testimony in the record.

(13) Having a license to practice medicine or the authority to practice medicine revoked, suspended, restricted, or acted against or having a license to practice medicine denied by the licensing authority of any jurisdiction. For purposes of this subdivision, the licensing authority's acceptance of a license to practice medicine voluntarily relinquished by a physician or relinquished by stipulation, consent order, or other settlement in response to or in anticipation of the filing of administrative charges against the physician's license, is an action against a license to practice medicine.

(14) The failure to respond, within a reasonable period of time and in a reasonable manner as determined by the Board, to inquiries from the Board concerning any matter affecting the license to practice medicine.

(15) The failure to complete an amount not to exceed 150 hours of continuing medical education during any three consecutive calendar years pursuant to rules adopted by the Board.

(16) Allowing another person or organization to use a license issued by the Board.
(17) The repeated prescribing of controlled substances for personal or family use.
(18) Fee splitting.
(19) Failure to report to the Board disciplinary action in another state.
(20) Failure to make copies of patient records available to another physician when legally requested to do so.

For any of the foregoing reasons, the Board may deny the issuance of a license to an applicant or revoke a license issued to a physician, may suspend such a license for a period of time, and may impose conditions upon the continued practice after such period of suspension as the Board may deem advisable, may limit the accused physician's practice of medicine with respect to the extent, nature or location of the physician's practice as the Board deems advisable. The Board may, in its discretion and upon such terms and conditions and for such period of time as it may prescribe, restore a license so revoked or rescinded, except that no license that has been revoked shall be restored for a period of two years following the date of revocation. In addition to and in conjunction with the actions described above, the Board may make a finding adverse to a licensee or applicant but withhold imposition of judgment and penalty or it may impose judgment and penalty but suspend enforcement thereof and place the licensee on probation, which probation may be vacated upon noncompliance with such reasonable terms as the Board may impose. The Board may administer a public or private reprimand or a private letter of concern and the private reprimand and private letter of concern shall not require a hearing in accordance with G.S. 90-14.2 and shall not be disclosed to any person except the licensee. The Board may require a licensee to: (i) make specific redress or monetary redress; (ii) provide free public or charity service; (iii) complete educational, remedial training, or treatment programs; (iv) pay a fine; and (v) reimburse the Board for disciplinary costs.

(b) The Board ~~shall~~ may refer to the ~~State Medical Society Physician Health and Effectiveness Committee all physicians~~ North Carolina Physicians Health Program any physician or physician assistant whose health and effectiveness have been significantly impaired by alcohol, drug addiction or mental illness.

(c) A felony conviction shall result in the automatic revocation of a license issued by the Board, unless the Board orders otherwise or receives a request for a hearing from the person within 60 days of receiving notice from the Board, after the conviction, of the provisions of this subsection. If the Board receives a timely request for a hearing in such a case, the provisions of G.S. 90-14.2 shall be followed.

(d) The Board and its members and staff may release confidential or nonpublic information to any health care licensure board in this State or another state about the issuance, denial, annulment, suspension, or revocation of a license, or the voluntary surrender of a license by a Board-licensed physician, including the reasons for the action, or an investigative report made by the Board. ~~The Board shall notify the physician within 60 days after the information is transmitted. A summary of the~~

~~information that is being transmitted shall be furnished to the physician. If the physician requests, in writing, within 30 days after being notified that such information has been transmitted, he shall be furnished a copy of all information so transmitted. The notice or copies of the information shall not be provided if the information relates to an ongoing criminal investigation by any law enforcement agency, or authorized Department of Health and Human Services personnel with enforcement or investigative responsibilities.~~

(e) The Board and its members and staff shall not be held liable in any civil or criminal proceeding for exercising, in good faith, the powers and duties authorized by law.

(f) A person, partnership, firm, corporation, association, authority, or other entity shall be immune from civil and criminal liability for (i) reporting or investigating the acts or omissions of a licensee or applicant that violate the provisions of subsection (a) of this section or any other provision of law relating to the fitness of a licensee or applicant to practice medicine and (ii) initiating or conducting proceedings against a licensee or applicant if a complaint is made or action is taken in good faith without fraud or malice. Any person who testifies before the Board in good faith and without fraud or malice in any proceeding involving a violation of subsection (a) of this section or any other law relating to the fitness of an applicant or licensee to practice medicine, or who makes a recommendation to the Board in the nature of peer review, shall be immune from civil and criminal liability."

Section 4. G.S. 90-15.1 reads as rewritten:

"**§ 90-15.1. Registration every year with Board.**

Every person licensed to practice medicine by the North Carolina Medical Board shall register annually with the Board within 30 days of the person's birthday. A person who registers with the Board shall report to the Board the person's name and office and residence address and any other information required by the Board, and shall pay a registration fee fixed by the Board not in excess of ~~one hundred dollars ($100.00).~~ one hundred twenty-five dollars ($125.00). A physician who is not actively engaged in the practice of medicine in North Carolina and who does not wish to register the license may direct the Board to place the license on inactive status. For purposes of annual registration, the Board shall use a simplified registration form which allows registrants to confirm information on file with the Board. A physician who fails to register as required by this section shall pay an additional fee of twenty dollars ($20.00) to the Board. The license of any physician who fails to register and who remains unregistered for a period of 30 days after certified notice of the failure is automatically inactive. A person whose license is inactive shall not practice medicine in North Carolina nor be required to pay the annual registration fee. Upon payment of all accumulated fees and penalties, the license of the physician may be reinstated, subject to the Board requiring the physician to appear before the Board for an interview and to comply with other licensing requirements. The penalty may not exceed the maximum fee for a license under G.S. 90-13."

Section 5. G.S. 90-18.1 is amended by adding the following new subsection:

"(g) The provisions of G.S. 90-14 shall apply to physician assistants."

Section 6. This act is effective when it becomes law.

HOUSE BILL 1049: Physician Licensure

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Miller
Date:	July 6, 2000	**Summary by:**	Cindy Avrette
Version:	PCS for 2nd Edition H1049-CSRB-7.5		Committee Counsel

SUMMARY: ***House Bill 1049 would amend certain sections in Article 1 of Chapter 90 of the General Statutes related to the licensure of physicians in North Carolina. The bill becomes effective when it becomes law.***

PROPOSED COMMITTEE SUBSTITUTE: ***The proposed committee substitute incorporates the three changes adopted by the committee on Monday, June 26:***

- ***It removes the provision that would have included "aiding in the unlicensed practice of medicine" as a grounds for suspending or revoking a medical license.***
- ***It removes the provision that would have made it a Class I felony to practice medicine without a license.***
- ***It removes the language that would have regarded persons who perform medical precertifications as practicing medicine.***

CURRENT LAW: Article 1 of Chapter 90 of the General statutes regulates the practice of medicine by licensing physicians and by defining the scope of medical practice. This authority to regulate the practice of medicine is vested in the North Carolina Medical Board consisting of 12 members, seven of whom shall be licensed physicians.

BILL ANALYSIS: House Bill 1049 makes the following changes to the bill:

Section 1: Specifies that the North Carolina Medical Board shall meet at least once a year. Language is deleted that requires the Board to remain in session for purposes of examining students.

Section 2: Rewrites G.S. 90-9 to:

(1) Allow the Board to set additional eligibility requirements by rule. To be licensed, the statute continues to require that the applicant pass the examination, be of good moral character, and be a graduate of an accepted medical college.
(2) Allow the Board to contract with outside groups to design and administer the licensing tests. The Board no longer administers its own tests. All the states use the United States Medical Licensing Exam.
(3) Delete the requirement that tests be done by number only. This change is needed so that the State may use the national exam.

Section 3: Adds the following new grounds for revocating, suspending, or denying a license:

- Allowing another person or organization to use a medical license.
- Repeated prescribing of controlled substances for personal or family use.
- Fee spliting.
- Failure to report a disciplinary action taken in another state.
- Failure to provide patient records to another physician when legally requested to do so.

Second, this section gives the Board the ability to impose probation in lieu of other action and to condition probation on payment of fine, restitution to the Board or another party or impose a requirement of free or charity service.

This section also allows the Board to refer a physician's assistant with an alcohol, a drug or a mental health problem to the NC Physicians Health Program. It currently has the authority to refer a physician to this treatment program.

Lastly, this section provides immunity from civil and criminal liability for good faith reporting of a violation, participating in investigation or testifying.

Section 4: Raises the annual registration fee from "not more than $100" to "not more than "$125".

Section 5: Provides that the grounds to revoke or deny a license to a physician would also apply to a physician assistant.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: North Carolina Medical Board

EFFECTIVE DATE: The bill is effective when it becomes law.

BILL SUMMARY: The bill amends various laws pertaining to the licensure of physicians. Included in the changes is an amendment to raise the annual registration fee from not more than $100 to an amount not more than $125.

ASSUMPTIONS AND METHODOLOGY:
The bill increases the annual registration fee for physicians from $100 to $125. There are currently 28,735 physicians licensed in North Carolina. This number includes 19,638 doctors living in the state and 9,097 living outside the state. Staff of the North Carolina Medical Board estimates that the number of physicians licensed in the state increases 2% a year. The chart below shows the projected five-year growth in physicians and the increased revenue from the $25 fee increase.

	FY 1999-00	FY 2000-01	FY 2001-02	FY 2002-03	FY 2003-04	FY 2004-05

Fee Increase		$732,743	$747,397	$762,345	$777,592	$793,144

For 1999, the Medical Board's operating expenditures exceeded operating revenues by $52,709. The Board's 1999 budget was balanced with interest income from its cash reserves. As of October 31, 1999, the Medical Board had a total fund balance of $5,543,290 designated as follows:

Designated for litigation	$700,000
Designated for capital purchases	$43,359
Designated for building	$600,000
Undesignated	$4,199,931
Total Fund Balance	$5,543,290

The unrestricted, undesignated fund balance of $4.2 million equals 84.7% of the Medical Board's 1999 operating budget. The Board plans to use part of the increased revenue for additional investigators and attorneys.

A BILL TO BE ENTITLED

AN ACT TO PROMOTE THE PRESERVATION OF FARMLAND AND TO PROMOTE SMALL, FAMILY-OWNED FARMS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 106-744(c) reads as rewritten:

"(c) There is established a 'North Carolina Farmland Preservation Trust Fund' to be administered by the Commissioner of Agriculture. The Trust Fund shall consist of all monies received for the purpose of purchasing agricultural conservation easements or transferred from counties or private sources. The Trust Fund shall be invested as provided in G.S. 147-69.2 and G.S. 147-69.3. The Commissioner shall use Trust Fund monies for the purchase of agricultural conservation easements, including transaction costs, and shall distribute Trust Fund monies ~~to counties and private nonprofit conservation organizations~~ for such purchases, including transaction ~~costs.~~ costs, as follows:

(1) To a private nonprofit conservation organization that matches thirty percent (30%) of the Trust Fund monies it receives with funds from sources other than the Trust Fund.

(2) To counties according to the match requirements under subsection (c1) of this section.

(c1) A county that is an enterprise tier four county or an enterprise tier five county, as these tiers are defined in G.S. 105-129.3(a), and that has prepared a

countywide farmland protection plan shall match fifteen percent (15%) of the Trust Fund monies it receives with county funds. A county that has not prepared a countywide farmland protection plan shall match thirty percent (30%) of the Trust Fund monies it receives with county funds. A county that is an enterprise tier one county, an enterprise tier two county, or an enterprise tier three county, as these counties are defined in G.S. 105-129.3(a), and that has prepared a countywide farmland protection plan shall not be required to match any of the Trust Fund monies it receives with county funds.

(c2) The Commissioner of Agriculture shall adopt rules ~~and regulations~~ governing the use, distribution, investment, and management of Trust Fund monies."

Section 2. G.S. 106-744 is amended by adding two new subsections to read:

"(e) As used in subsection (c1) of this section, a countywide farmland protection plan means a plan that satisfies all of the following requirements:

(1) The countywide farmland protection plan shall contain a list and description of existing agricultural activity in the county.

(2) The countywide farmland protection plan shall contain a list of existing challenges to continued family farming in the county.

(3) The countywide farmland protection plan shall contain a list of opportunities for maintaining or enhancing small, family-owned farms and the local agricultural economy.

(4) The countywide farmland protection plan shall describe how the county plans to maintain a viable agricultural community and shall address farmland preservation tools, such as agricultural economic development, including farm diversification and marketing assistance; other kinds of agricultural technical assistance, such as farm infrastructure financing, farmland purchasing, linking with younger farmers, and estate planning; the desirability and feasibility of donating agricultural conservation easements, and entering into voluntary agricultural districts.

(5) The countywide farmland protection plan shall contain a schedule for implementing the plan and an identification of possible funding sources for the long-term support of the plan.

(f) A countywide farmland protection plan that meets the requirements of subsection (e) of this section may be formulated with the assistance of an agricultural advisory board designated pursuant to G.S. 106-739."

Section 3. This act becomes effective July 1, 2000.

HOUSE BILL 1132:
Preserve Farmlands/Promote Small Farms

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Insko
Date:	July 6, 2000	**Summary by:**	Mary Shuping
Version:	5th edition		Research Assistant

HB 1132, 5TH EDITION IS BACK FOR CONCURRENCE

Changes made by the Senate:

The Senate removed the provision allowing a county which has adopted a countywide farmland protection plan to impose a fee of no more than $10.00 for each subdivision plat required to be filed with the Register of Deeds.

- **HB 1132 was reported out of House Finance on July 8, 1999, and passed the House on July 15, 1999.**

BACKGROUND: The Farmland Preservation Enabling Act authorizes counties to undertake farmland preservation programs. The Act also establishes a North Carolina Farmland Preservation Trust Fund, consisting of all monies received for the purpose of purchasing agricultural conservation easements. The Trust Fund is administered by the Commissioner of Agriculture.

HB 1132 provides that in order to be eligible for Trust Fund monies:

- Private non-profit conservation organizations must provide a 30% match.
- County matching requirements: 15% if the county has prepared a countywide farmland protection plan; 30% if the county has not prepared such a plan; and, Tier 1, 2, and 3 counties (as defined in the Bill Lee Act) that have prepared countywide farmland protection plans are not required to provide a match.

Countywide Farmland Protection Plans are plans that contain:

- A list and description of existing agricultural activity.
- A list of existing challenges to continued family farming.
- A list of opportunities for maintaining or enhancing small, family-owned farms and the local agricultural economy.
- A description of how the county plans to maintain a viable agricultural community.
- A schedule for implementing the plan and identification of possible funding sources for the long-term support of the plan.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE CREATION OF MILLENNIAL CAMPUSES AT THE CONSTITUENT INSTITUTIONS OF THE UNIVERSITY OF NORTH CAROLINA.

The General Assembly of North Carolina enacts:

Section 1. The catch line of G.S. 116-36.5 reads as rewritten:

"**§ 116-36.5. Centennial Campus trust fund; Horace Williams Campus trust ~~fund.~~ fund; Millennial Campuses' trust funds.**"

Section 2. G.S. 116-36.5 is amended by adding a new subsection to read:

"(c) All moneys received through development of a Millennial Campus of a constituent institution of The University of North Carolina as defined by G.S. 116-198.33(4b), from whatever source, including the net proceeds from the lease or rental of real property on a Millennial Campus, shall be placed in a special, continuing, and nonreverting trust fund having the sole and exclusive use for further development of that Millennial Campus, including its operational development. This fund shall be treated in the manner of institutional trust funds as provided in G.S. 116-36.1. This fund shall be deemed an additional and alternative method of funding the Millennial Campus and not an exclusive one. To the extent that any general, special, or local law is inconsistent with this section, it is declared inapplicable to this section."

Section 3. The title of Article 21B of Chapter 116 of the General Statutes reads as rewritten:

"The Centennial ~~Campus and~~ Campus, the Horace Williams ~~Campus~~

Campus, and the Millennial Campuses Financing Act."

Section 4. G.S. 116-198.31 reads as rewritten:

"**§ 116-198.31. Purpose of Article.**

The purpose of this Article is to authorize the Board of Governors of The University of North Carolina to issue revenue bonds, payable from any leases, rentals, charges, fees, and other revenues but with no pledge of taxes or the faith and credit of the State or any agency or political subdivision thereof, to pay the cost, in whole or part, of buildings, structures, or other facilities for the Centennial Campus, located at North Carolina State University at ~~Raleigh and~~ Raleigh, for the Horace Williams Campus located at the University of North Carolina at Chapel ~~Hill.~~ Hill, and for any Millennial Campus as defined by G.S. 116-198.33(4b)."

Section 5. G.S. 116-198.33 reads as rewritten:

"**§ 116-198.33. Definitions.**

As used in this Article, the following words and terms shall have the following meanings, unless the context shall indicate another or different meaning or intent:

(1) The word 'Board' shall mean the Board of Governors of The University of North Carolina.

(2) The word 'cost' as applied to any project, shall include the cost of acquisition or construction; the cost of acquisition of all property, both real and personal, or interests therein; the cost of demolishing, removing, or relocating any buildings or structures on land so acquired, including the cost of acquiring any lands to which such buildings or structures may be removed or relocated; the cost of all labor, materials, equipment and furnishings, financing charges, interest prior to and during construction and, if deemed advisable by the Board, for a period not exceeding one year after completion of such construction; provisions for working capital, reserves for debt service and for extensions, enlargements, additions, and improvements; cost of engineering, financial, and legal services, plans, specifications, studies, surveys, and estimates of cost and of revenues; administrative expenses; expenses necessary or incident to determining the feasibility or practicability of constructing the project; and such other expenses as may be necessary or incident to acquisition or construction with respect to the project or to the placing of the project in operation. Any obligation or expense incurred by the Board prior to the issuance of bonds under the provisions of this Article in connection with any of the foregoing items of cost may be regarded as a part of such cost.

(3) The word 'Institution' shall mean North Carolina State University at Raleigh and the University of North Carolina at Chapel ~~Hill.~~ Hill, or a constituent institution of The University of North Carolina with a Millennial Campus as defined by G.S. 116-198.33(4b).

(4) The term 'Centennial Campus' means all of the following properties:

a. The real property and appurtenant facilities bounded by Blue Ridge Road, Hillsborough Street, Wade Avenue, and Interstate 440 that are the sites of the College of Veterinary Medicine, the University Club, and the Agricultural Turf Grass Management Program.

b. The real property and appurtenant facilities that are the former Dix Hospital properties and other contiguous parcels of property that are adjacent to Centennial Boulevard.

c. All other real property and appurtenant facilities designated by the Board of Governors as part of the Centennial Campus. The properties designated by the Board of Governors do not have to be contiguous with the Centennial Campus to be designated as part of that Campus.

(4a) The term 'Horace Williams Campus' means all of the following properties:

a. The real property and appurtenant facilities left to the University of North Carolina at Chapel Hill by the Will of Henry Horace Williams.

b. All other real property and appurtenant facilities designated by the Board of Governors as part of the Horace Williams Campus. The properties designated by the Board of Governors do not have to be contiguous with the Horace Williams Campus to be designated as part of that Campus.

(4b) The term 'Millennial Campus' means all real property and appurtenant facilities designated by the Board of Governors as part of a Millennial Campus of a constituent institution of The University of North Carolina other than North Carolina State University or the University of North Carolina at Chapel Hill. The properties designated by the Board of Governors do not have to be contiguous with the constituent institution to be designated as part of the institution's Millennial Campus.

(5) The term 'existing facilities' shall mean buildings and facilities, then existing, any part of the revenues of which are pledged under the provisions of any resolution authorizing the issuance of revenue bonds hereunder to the payment of such bonds.

(6) The word 'project' shall mean and shall include any one or more buildings, structures, administration buildings, libraries, research or instructional facilities, housing maintenance, storage, or utility facilities, and any facilities related thereto or required or useful for conducting of research or the operation of the Centennial ~~Campus or~~ Campus, the Horace Williams Campus, or of a Millennial Campus as defined by G.S. 116-198.33(4b), including roads, water,

sewer, power, gas, greenways, parking, or any other support facilities essential or convenient for the orderly conduct of the Centennial ~~Campus or~~ Campus, the Horace Williams ~~Campus~~ Campus, or a Millennial Campus, respectively.

(7) The word 'revenues' shall mean all or any part of the rents, leases, charges, fees, and other income revenues derived from or in connection with any project or projects and existing facilities."

Section 6. G.S. 116-198.34 reads as rewritten:

"**§ 116-198.34. General powers of Board of Governors.**

The Board may exercise any one or more of the following powers:

(1) To determine the location and character of any project or projects, and to acquire, construct, and provide the same, and to maintain, repair, and operate, and to enter into contracts for the management, lease, use, or operation of all or any portion of any project or projects and any existing facilities.

(2) To issue revenue bonds as hereinafter provided to pay all or any part of the cost of any project or projects, and to fund or refund the same.

(3) To fix and revise from time to time and charge and collect rates, fees, rents, and charges for the use of, and for the services furnished by, all or any portion of any project or projects.

(4) To establish and enforce, and to agree through any resolution or trust agreement authorizing or securing bonds under this Article to make and enforce, rules and regulations for the use of and services rendered by any project or projects and any existing facilities, to provide for the maximum use of any project or projects and any existing facilities.

(5) To acquire, hold, lease, and dispose of real and personal property in the exercise of its powers and the performance of its duties hereunder and to lease all or any part of any project or projects and any existing facilities upon such terms and conditions as the Board determines, subject to the provisions of G.S. 143-341 and Chapter 146 of the General Statutes.

Notwithstanding G.S. 143-341 and Chapter 146 of the General Statutes, a disposition by easement, lease, or rental agreement of space in any building on the Centennial ~~Campus or~~ Campus, on the Horace Williams ~~Campus~~ Campus, or on a Millennial Campus made for a period of 10 years or less shall not require the approval of the Governor and the Council of State. All other acquisitions and dispositions made under this subdivision are subject to the provisions of G.S. 143-341 and Chapter 146 of the General Statutes.

(6) To employ consulting engineers, architects, attorneys, accountants, construction and financial experts, superintendents, managers, and

such other employees and agents as may be necessary in its judgment in connection with any project or projects and existing facilities, and to fix their compensation.

(7) To make and enter into all contracts and agreements necessary or incidental to the performance of its duties and the execution of its powers under this Article.

(8) To receive and accept from any federal, State, or other public agency and any private agency, person or other entity donations, loans, grants, aid, or contributions of any money, property, labor, or other things of value for any project or projects, and to agree to apply and use the same in accordance with the terms and conditions under which the same are provided.

(8a) To designate the real property and appurtenant facilities to be included as part of the Centennial ~~Campus or~~ Campus, the Horace Williams ~~Campus.~~ Campus, or a Millennial Campus.

(8b) Acting on recommendation made by the President of The University of North Carolina after consultation by the President with the Chancellor and the Board of Trustees of a constituent institution, to designate real property held by, or to be acquired by, a constituent institution as a 'Millennial Campus' of the institution. That designation shall be based on an express finding by the Board of Governors that the institution desiring to create a 'Millennial Campus' has the administrative and fiscal capability to create and maintain such a campus and provided further, that the Board of Governors has found that the creation of the constituent institution's 'Millennial Campus' will enhance the institution's research, teaching, and service missions as well as enhance the economic development of the region served by the institution. Additionally, the Board of Governors may authorize two or more constituent institutions which meet the requirements of this section to create a joint Millennial Campus.

(9) To do all acts and things necessary or convenient to carry out the powers granted by this Article."

Section 7. G.S. 116-198.35 reads as rewritten:

"**§ 116-198.35. Issuance of bonds and bond anticipation notes.**

The Board is hereby authorized to issue, subject to the approval of the Director of the Budget, at one time or from time to time, revenue bonds of the Board for the purpose of paying all or any part of the cost of acquiring, constructing, or providing any project or projects on the Centennial ~~Campus or~~ Campus, on the Horace Williams ~~Campus.~~ Campus, or on a Millennial Campus. The bonds of each issue shall be dated, shall mature at such time or times not exceeding 40 years from their date or dates, shall bear interest at such rate or rates as may be determined by the Board, and may be redeemable before maturity, at the option of the Board, at such price or prices and under such terms and conditions as may be fixed by the Board prior to the

issuance of the bonds. The Board shall determine the form and manner of execution of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. Notwithstanding any of the other provisions of this Article or any recitals in any bonds issued under the provisions of this Article, all such bonds shall be deemed to be negotiable instruments under the laws of this State, subject only to the provisions for registration in any resolution authorizing the issuance of such bonds or any trust agreement securing the same. The bonds may be issued in coupon or registered form or both or as book-entry bonds, as the Board may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest. The Board may sell such bonds in such manner, at public or private sale, and for such price, as it may determine to be for the best interests of the Board.

The proceeds of the bonds of each issue shall be used solely for the purpose for which such bonds shall have been authorized and shall be disbursed in such manner and under such restrictions, if any, as the Board may provide in the resolution authorizing the issuance of such bonds or in the trust agreement hereinafter mentioned securing the same. Unless otherwise provided in the authorizing resolution or in the trust agreement securing such bonds, if the proceeds of such bonds, by error of estimates or otherwise, shall be less than such cost, additional bonds may in like manner be issued to provide the amount of such deficit and shall be deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the bonds first issued for the same purpose.

The resolution providing for the issuance of revenue bonds, and any trust agreement securing such bonds, may also contain such limitations upon the issuance of additional revenue bonds as the Board may deem proper, and such additional bonds shall be issued under such restrictions and limitations as may be prescribed by such resolution or trust agreement.

Prior to the preparation of definitive bonds, the Board may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The Board may also provide for the replacement of any bonds which shall become mutilated or be destroyed or lost.

Except as herein otherwise provided, bonds may be issued under this Article and other powers vested in the Board under this Article may be exercised by the Board without obtaining the consent of any department, division, commission, board, bureau, or agency of the State and without any other proceedings or the happening of

any other conditions or things than those proceedings, conditions, or things which are specifically required by this Article.

The Board may enter into or negotiate a note with an acceptable bank or trust company in lieu of issuing bonds for the financing of projects covered under this section. The terms and conditions of any note of this nature shall be in accordance with the terms and conditions surrounding issuance of bonds.

The Board is hereby authorized to issue, subject to the approval of the Director of the Budget, at one time or from time to time, revenue bond anticipation notes of the Board in anticipation of the issuance of bonds authorized pursuant to the provisions of this Article. The principal of and the interest on such notes shall be payable solely from the proceeds of bonds or renewal notes, or, in the event bond or renewal note proceeds are not available, any available revenues of the project or projects for which such bonds shall have been authorized. The notes of each issue shall be dated, shall mature at such time or times not exceeding two years from their date or dates, shall bear interest at such rate or rates as may be determined by the Board, and may be redeemable before maturity, at the option of the Board, at such price or prices and under such terms and conditions as may be fixed by the Board prior to the issuance of the notes. The Board shall determine the form and the manner of execution of the notes, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the notes and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature shall appear on any notes or coupons shall cease to be such officer before the delivery of such notes, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. Notwithstanding any of the other provisions of this Article or any recitals in any notes issued under the provisions of this Article, all such notes shall be deemed to be negotiable instruments under the laws of this State, subject only to the provisions for registration in any resolution authorizing the issuance of such notes or any trust agreement securing the bonds in anticipation of which such notes are being issued. The notes may be issued in coupon or registered form or both or as book entry notes, as the Board may determine, and provision may be made for the registration of any coupon notes as to principal alone and also as to both principal and interest, and for the reconversion into coupon notes of any notes registered as to both principal and interest. The Board may sell such notes in such manner, at public or private sale, and for such price, as it may determine to be for the best interests of the Board.

The proceeds of the notes of each issue shall be used solely for the purpose for which the bonds in anticipation of which such notes are being issued shall have been authorized, and such note proceeds shall be disbursed in such manner and under such restrictions, if any, as the Board may provide in the resolution authorizing the issuance of such notes or bonds or in the trust agreement securing such bonds.

The resolution providing for the issuance of notes, and any trust agreement securing the bonds in anticipation of which such notes are being authorized, may also contain such limitations upon the issuance of additional notes as the Board may deem

proper, and such additional notes shall be issued under such restrictions and limitations as may be prescribed by such resolution or trust agreement. The Board may also provide for the replacement of any notes which shall become mutilated or be destroyed or lost.

Except as herein otherwise provided, notes may be issued under this Article and other powers vested in the Board under this Article may be exercised by the Board without obtaining the consent of any department, division, commission, board, bureau, or agency of the State and without any other proceedings or the happening of any other conditions or things than those proceedings, conditions, or things which are specifically required by this Article.

Unless the context shall otherwise indicate, the word 'bonds' wherever used in this Article, shall be deemed and construed to include the words 'bond anticipation notes.'"

Section 8. G.S. 116-198.37 reads as rewritten:

"**§ 116-198.37. Fixing fees, rents, and charges; sinking fund.**

For the purpose of aiding in the acquisition, construction, or provision of any project and the maintenance, repair, and operation of any project or any existing facilities, the Board is authorized to fix, revise from time to time, charge, and collect such fee or fees for such privileges and services and in such amount or amounts as the Board shall determine, and to fix, revise from time to time, charge, and collect other fees, rents, and charges for the use of and for the services furnished or to be furnished by any project or projects and any existing facilities, or any portion thereof, and to contract with any person, partnership, association, or corporation for the lease, use, occupancy, or operation of any project or projects and any existing facilities, or any part thereof, and to fix the terms, conditions, fees, rents, and charges for any such lease, use, occupancy, or operation. So long as bonds issued hereunder and payable therefrom are outstanding, such fees, rents, and charges shall be so fixed and adjusted, with relation to other revenues available therefor, as to provide funds pursuant to the requirements of the resolution or trust agreement authorizing or securing such bonds at least sufficient with such other revenues, if any, (i) to pay the cost of maintaining, repairing, and operating any project or projects and any existing facilities any part of the revenues of which are pledged to the payment of the bonds issued for such project or projects, (ii) to pay the principal of and the interest on such bonds as the same shall become due and payable, and (iii) to create and maintain reserves for such purposes. Any surplus funds remaining after application to the purposes mentioned in (i), (ii), and (iii), above, shall be held in trust and applied by the Board to the development of the Centennial ~~Campus or~~ Campus, the Horace Williams ~~Campus~~ Campus, or a Millennial Campus, as applicable. Such fees, rents, and charges shall not be subject to supervision or regulation by any other commission, board, bureau, or agency of the State. A sufficient amount of the revenues, except such part thereof as may be necessary to pay such cost of maintenance, repair, and operation and to provide such reserves therefor and for renewals, replacements, extensions, enlargements, and improvements as may be provided for in the resolution authorizing the issuance of such bonds or in the trust

agreement securing the same, shall be set aside at such regular intervals as may be provided in such resolution or such trust agreement in a sinking fund which is hereby pledged to and charged with the payment of the principal of and the interest on such bonds as the same shall become due and the redemption price or the purchase price of bonds retired by call or purchase as therein provided. Such pledge shall be valid and binding from the time when the pledge is made; the fees, rents, and charges and other revenues or other moneys so pledged and thereafter received by the Board shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act; and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the Board, irrespective of whether such parties have notice thereof. Neither the resolution nor any trust agreement by which a pledge is created need be filed or recorded except in the records of the Board. The use and disposition of moneys to the credit of such sinking fund shall be subject to the provisions of the resolution authorizing the issuance of such bonds or of the trust agreement securing the same."

Section 9. G.S. 146-30(b1) reads as rewritten:

"(b1) Notwithstanding the other provisions of this section, no service charge into the State Land Fund shall be deducted from or levied against the proceeds of any disposition by lease, rental, or easement of State lands that are designated as part of the Centennial Campus as defined by ~~G.S. 116-198.33(4) or~~ G.S. 116-198.33(4), that are designated as part of the Horace Williams Campus as defined by ~~G.S. 116-198.33(4a).~~ G.S. 116-198.33(4a), or that are designated as part of a Millennial Campus as defined by G.S. 116-198.33(4b). All net proceeds of those dispositions are governed by G.S. 116-36.5."

Section 10. G.S. 66-58(b) reads as rewritten:

"(b) The provisions of subsection (a) of this section shall not apply to:

(1) Counties and municipalities.

(2) The Department of Health and Human Services or the Department of Agriculture and Consumer Services for the sale of serums, vaccines, and other like products.

(3) The Department of Administration, except that the agency shall not exceed the authority granted in the act creating the agency.

(4) The State hospitals for the mentally ill.

(5) The Department of Health and Human Services.

(6) The North Carolina School for the Blind at Raleigh.

(6a) The Office of Juvenile Justice.

(7) The North Carolina Schools for the Deaf.

(8) The Greater University of North Carolina with regard to its utilities and other services now operated by it nor to the sale of articles produced incident to the operation of instructional departments, articles incident to educational research, articles of merchandise incident to classroom work, meals, books, or to articles of merchandise not exceeding twenty-five cents (25¢) in value when sold to members of the educational staff or staff

auxiliary to education or to duly enrolled students or occasionally to immediate members of the families of members of the educational staff or of duly enrolled students nor to the sale of meals or merchandise to persons attending meetings or conventions as invited guests nor to the operation by the University of North Carolina of an inn or hotel and dining and other facilities usually connected with a hotel or inn, nor to the hospital and Medical School of the University of North Carolina, nor to the Coliseum of North Carolina State University at Raleigh, and the other schools and colleges for higher education maintained or supported by the State, nor to the Centennial Campus of North Carolina State University at Raleigh, nor to the Horace Williams Campus of the University of North Carolina at Chapel Hill, nor to a Millennial Campus of a constituent institution of The University of North Carolina, nor to the comprehensive student health services or the comprehensive student infirmaries maintained by the constituent institutions of the University of North Carolina.

(9) The Department of Environment and Natural Resources, except that the Department shall not construct, maintain, operate or lease a hotel or tourist inn in any park over which it has jurisdiction. The North Carolina Wildlife Resources Commission may sell wildlife memorabilia as a service to members of the public interested in wildlife conservation.

(10) Child-caring institutions or orphanages receiving State aid.

(11) Highlands School in Macon County.

(12) The North Carolina State Fair.

(13) Rural electric memberships corporations.

(13a) State Farm Operations Commission.

(13b) The Department of Agriculture and Consumer Services with regard to its lessees at farmers' markets operated by the Department.

(13c) The Western North Carolina Agricultural Center.

(13d) Agricultural centers or livestock facilities operated by the Department of Agriculture and Consumer Services.

(14) Nothing herein contained shall be construed to prohibit the engagement in any of the activities described in subsection (a) hereof by a firm, corporation or person who or which is a lessee of space only of the State of North Carolina or any of its departments or agencies; provided the leases shall be awarded by the Department of Administration to the highest bidder, as provided by law in the case of State contracts and which lease shall be for a term of not less than one year and not more than five years.

(15) The State Department of Correction is authorized to purchase and install automobile license tag plant equipment for the purpose of

manufacturing license tags for the State and local governments and for such other purposes as the Department may direct.

The Commissioner of Motor Vehicles, or such other authority as may exercise the authority to purchase automobile license tags is hereby directed to purchase from, and to contract with, the State Department of Correction for the State automobile license tag requirements from year to year.

The price to be paid to the State Department of Correction for the tags shall be fixed and agreed upon by the Governor, the State Department of Correction, and the Motor Vehicle Commissioner, or such authority as may be authorized to purchase the supplies.

(16) Laundry services performed by the Department of Correction may be provided only for agencies and instrumentalities of the State which are supported by State funds and for county or municipally controlled and supported hospitals presently being served by the Department of Correction, or for which services have been contracted or applied for in writing, as of May 22, 1973. In addition to the prior sentence, laundry services performed by the Department of Correction may be provided for the Governor Morehead School and the North Carolina School for the Deaf.

The services shall be limited to wet-washing, drying and ironing of flatwear or flat goods such as towels, sheets and bedding, linens and those uniforms prescribed for wear by the institutions and further limited to only flat goods or apparel owned, distributed or controlled entirely by the institutions and shall not include processing by any dry-cleaning methods; provided, however, those garments and items presently being serviced by wet-washing, drying and ironing may in the future, at the election of the Department of Correction, be processed by a dry-cleaning method.

(17) The North Carolina Global TransPark Authority or a lessee of the Authority.

(18) The activities and products of private enterprise carried on or manufactured within a State prison facility pursuant to G.S. 148-70.

(19) The North Carolina Justice Academy.

(20) The Department of Transportation, or any nonprofit lessee of the Department, for the sale of books, crafts, gifts, and other tourism-related items at visitor centers owned by the Department."

(c1) Investments. -- The Authority shall determine an appropriate investment strategy for the Parental Savings Trust Fund. The strategy may include a combination of fixed income assets and preferred or common stocks issued by any company incorporated, or otherwise located within or without the United States, or other appropriate investment instruments to achieve long-term return through a combination of capital appreciation and current income. The Authority may deposit all or any portion of the Parental Savings Trust Fund for investment either with the State Treasurer, or in the individual, common, or collective trust funds of an investment manager or managers that meet the requirements of this subsection. Contributions to the Parental Savings Trust Fund on deposit with the State Treasurer shall be invested by the State Treasurer as authorized in G.S. 147-69.2(b)(1) through (6) and the applicable provisions of G.S. 147-69.3. Contributions to the Parental Savings Trust Fund may be invested in the individual, common, or collective trust funds of an investment manager provided that the investment manager meets both of the following conditions:

(1) The investment manager has assets under management of at least one hundred million dollars ($100,000,000) at all times.

(2) The investment manager is subject to the jurisdiction and regulation of the United States Security and Exchange Commission.

(d) Administration of the Trust Fund. -- The Authority is authorized to develop and perform all functions necessary and desirable to administer the Parental Savings Trust Fund and to provide such other services as the Authority shall deem necessary to facilitate participation in the Parental Savings Trust Fund. SENATE BILL 586:
UNC Millennial Campuses.

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Sen. Lee
Date:	July 5, 2000	**Summary by:**	Robin Johnson
Version:	3rd Edition		Emily Johnson

SUMMARY: ***Senate Bill 586 is identical to SB 1549, 2nd edition, and would authorize the Board of Governors (Board) to designate real property and appurtenant facilities to be part of a Millennial Campus and to issue revenue bonds to pay the cost of buildings, structures or other facilities on a Millennial Campus. The bill would further authorize the transfer of all net revenues from the lease or rental of real property, fees, and other charges incident to the development of specific portions of University campuses designated as "millennial campuses" into a special, continuing, and non-reverting trust reserved for the sole and exclusive use of development of those millennial campuses. A Millennial Campus would be associated with one or more constituent institutions of The University of North Carolina other than North Carolina State University (NCSU) or the University of North Carolina at Chapel Hill (UNC-CH). A Millennial Campus would have the same purpose as the Centennial Campus located at NCSU and the Horace Williams Campus located at UNC-CH. These campuses, authorized in 1987 and 1999 respectively, are intended to bring together business, industry, and academia. The act would take effect when it becomes law.***

BILL ANALYSIS:

Designation of a Millennial Campus. The Board would be authorized to designate real property and appurtenant facilities to be held by or acquired by a constituent institution as a Millennial Campus. This designation would be based on a recommendation of the President after she has consulted with the institution's Chancellor and Board of Trustees. The Board would be required to make an express finding that the institution has the administrative and fiscal capability to create and maintain a Millennial Campus. It also must find that the creation of a Millennial Campus would enhance the institution's research, teaching, and service missions and the region's economic development. The Board would be able to authorize two or more institutions that meet these other requirements to create a joint Millennial Campus.

Leases. The Board would be authorized to approve and enter into leases of land and buildings on or for a Millennial Campus. Rental agreements made for 10 years or less would not require the approval of the Governor and Council of State. No service charge would be deducted for the State Land Fund from the proceeds of any lease of State lands designated as part of a Millennial Campus. These provisions are identical to those applicable to the Centennial and Horace Williams Campuses.

Revenue Bonds. The Board would be allowed to issue revenue bonds to pay all or part of the cost of any project on a Millennial Campus. These projects may include administration buildings, libraries, research or instructional facilities, roads, water, sewer, parking, and other facilities related to the operation of the Campus. The bonds are payable from revenues derived from leases, rentals, charges, and fees set by the Board of Governors. Currently, the Board may issue revenue bonds to pay the cost of these projects on the Centennial Campus and the Horace Williams Campus.

Finances. The bill would enable UNC to leverage State dollars with corporate dollars through partnership arrangements between a millennial campus and a private entity. These partnerships will attract private revenue and will also assist the State in retiring public indebtedness. These partnerships will generate

rental income from lease arrangements. In some situations, the private entities would actually build buildings on land they lease from the campus and, at the end of the lease, ownership of the building would transfer to the State. In other cases, the campus will build the building and lease it to a private entity, which assists in repayment of the public indebtedness.

Trust Fund. The proceeds from all monies received through the development of a Millennial Campus would be credited to a special, nonreverting trust fund. The money in each fund may be used only for the development of that Campus. These trust funds would be identical to those created for the Centennial and Horace Williams Campuses. The Board would manage and administer each trust fund; however, the Board may delegate these responsibilities to the chancellors.

Umstead Act Exemption. Much of the revenue generated from a Millennial Campus will come from the lease of office space to private industry. As a general rule, it is unlawful under the Umstead Act for the State to lease space in a State-owned building for the purpose of operating a business. A Millennial Campus would be treated the same as the Centennial and Horace Williams Campuses, which are exempted from these provisions of the Umstead Act.

Effective Date. The bill would take effect when it becomes law.

Re-referral. The bill must be re-referred to Finance.

EFFECTIVE DATE: Upon becoming law

BILL SUMMARY: Amends Art. 21B of GS Ch. 116 (Centennial and Horace Williams Campus Financing Act) to authorize UNC Board of Governors to issue revenue bonds for cost of buildings and other facilities at Millennial Campuses. Amends GS 116-198.33(4b) and 116-198.34(8b) to authorize Board to designate as Millennial Campus real property of constituent institutions of UNC other than NC State or UNC-CH. Adds GS 116-36.5(c) establishing special trust fund for monies received for development of a Millennial Campus. Makes conforming changes to GS 116-198.35 (issuance of bonds), 116-198.37 (fees, rents, and charges), 146-30(b1) (net proceeds of dispositions), and 66-58(b) (sale of merchandise or services).

ASSUMPTIONS AND METHODOLOGY: Projects would come back to the General Assembly for approval through the self-liquidating bill process. The only minor potential fiscal impact is section 9, exempting the proceeds of any disposition of land from a service charge into the State Land Fund. Since the intent of the Millennial Campus is to acquire land rather than dispose of it, losses, if any, would be very minimal.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: County Registers of Deeds

EFFECTIVE DATE: This act is effective October 1, 2000.

BILL SUMMARY:
This legislation amends G.S. 161-10 (a) to authorize county Registers of Deeds to collect a $2 access fee to the Vital Records Network and to collect the cost of providing miscellaneous services.

ASSUMPTIONS AND METHODOLOGY:
Section 2 of SB 1529 authorizes county Registers of Deeds to collect a $2 fee for access to the Vital Records Network. Currently, a North Carolina resident pays a $10 fee to obtain an official birth certificate duplicate by travelling to Vital Records in Raleigh or by waiting 6-8 weeks for the duplicate to arrive via the mail request system. Of this $10, $5 is directed to the state General Fund and $5 to the State Automation Fund. A Vital Records Network has been designed to allow North Carolina residents to obtain on-line access to official birth certificate duplicates from the Register of Deeds in their county of residence. The test pilot for this Vital Records Network is scheduled for implementation in Harnett County in August of this year.

Under current legislation, Registers of Deeds are only authorized to collect $8 for access to this Vital Records Network. Of this $8, $5 is directed to the State Automation Fund and $3 is

directed to the state General Fund. This situation creates a $2 discrepancy between obtaining a birth certificate via the network and obtaining a certificate by the conventional means of mail request or travel to Raleigh. Upon the passage of SB 1529, the fee for obtaining a birth certificate duplicate will be the same regardless of which method is used. Until the Harnett County pilot project is completed, there is no reliable estimate of the number of North Carolinians who will utilize the Vital Records Network. There is also no estimate of the number of counties that will participate in the program. Therefore, no estimate of the fiscal impact of this portion of the bill is available at this time. However, the majority of Registers of Deeds in the state feel that most residents will choose to utilize the Vital Records Network because of the time and expense of travel to Raleigh and the time involved in a mail request.

This bill also allows the county Register of Deeds to collect the costs of providing miscellaneous services. Under the bill, the Registers of Deeds may charge a fee for the actual expenses incurred from providing such services such as lamination, faxing, expedited delivery, etc. No estimate is available of the amount of uncompensated services provided by the 100 Registers of Deeds.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE ASHEVILLE-BUNCOMBE TECHNICAL COMMUNITY COLLEGE TO LEASE CERTAIN PROPERTY BY PRIVATE NEGOTIATION AND TO ALLOW FLEXIBLE USE OF LEASE PROCEEDS.

The General Assembly of North Carolina enacts:

Section 1. Notwithstanding the provisions of G.S. 115D-15, G.S. 115C-518, Article 12 of Chapter 160A of the General Statutes, or any other provisions of law, the Board of Trustees of Asheville-Buncombe Technical Community College may lease any or all portions or interest in the Enka Center of the College by private negotiation. The terms and conditions of any such lease shall be set by the Board and may include rental at less than fair market value. The duration of any such lease shall not exceed five years. Any such lease shall not require the prior approval of the State Board of Community Colleges. The Board shall report annually to the State Board of Community Colleges on any leases entered into pursuant to this act.

The Enka Center property was donated to the College by BASF Corporation. It is located in Buncombe County at the intersection of the southern margin of U.S. Highways 19 and 23 and the western margin of Sand Hill Road.

Section 2. Notwithstanding G.S. 115D-15 or any other provision of law, Asheville-Buncombe Technical Community College may use the proceeds of leases of property pursuant to this act for Plant Fund and Current Expenses budget items at the Enka Center and for the operating costs of programs at the Enka Center.

Section 3. This act is effective when it becomes law.

Tuesday, July 11, 2000

The House Committee on Finance met on Tuesday, July 11, 2000 in the Chamber of the House of Representatives at 1:20 p.m.

Chair Luebke called the meeting to order. With a quorum being present, Chair Luebke commented briefly and proceeded to consider the following bills:

Rep. Wright was recognized to explain SB 1192, A BILL TO BE ENTITLED AN ACT TO REQUIRE CRIMINAL BACKGROUND CHECKS FROM STATE AND NATIONAL REPOSITORIES OF CRIMINAL HISTORY FOR CERTAIN APPLICANTS FOR EMPLOYMENT IN ADULT CARE HOMES, NURSING HOMES, HOME CARE AGENCIES, AND CERTAIN MENTAL HEALTH, DEVELOPMENTAL DISABILITIES, AND SUBSTANCE ABUSE SERVICES FACILITIES; TO IMPOSE A CRIMINAL PENALTY FOR FALSIFYING INFORMATION ON EMPLOYMENT APPLICATIONS; TO REQUIRE CERTAIN DISCLOSURES BY NURSING HOMES; AND PERTAINING TO RULES FOR THE OPERATION OF THE ADULT CARE PORTION OF NURSING HOMES. Rep. Hackney noted his concern about the liability language in the bill and stated that he could not support the bill in its present form. Chair Luebke stated that the bill was presented to the Finance Committee as non-controversial and if a member finds it controversial then the bill would be displaced.

Chair Luebke read a list of bills remaining before the Finance Committee. Rep. Jarrell made a motion to give the bills an indefinite postponement report. The motion passed. A copy of the report included in the minutes.

A BILL TO BE ENTITLED

AN ACT TO REQUIRE CRIMINAL BACKGROUND CHECKS FROM STATE AND NATIONAL REPOSITORIES OF CRIMINAL HISTORY FOR CERTAIN APPLICANTS FOR EMPLOYMENT IN ADULT CARE HOMES, NURSING HOMES, HOME CARE AGENCIES, AND CERTAIN MENTAL HEALTH, DEVELOPMENTAL DISABILITIES, AND SUBSTANCE ABUSE SERVICES FACILITIES; TO IMPOSE A CRIMINAL PENALTY FOR FALSIFYING INFORMATION ON EMPLOYMENT APPLICATIONS; TO REQUIRE CERTAIN DISCLOSURES BY NURSING HOMES; AND PERTAINING TO RULES FOR THE OPERATION OF THE ADULT CARE PORTION OF NURSING HOMES.

The General Assembly of North Carolina enacts:

Section 1. Article 4 of Chapter 114 of the General Statutes is amended by adding the following new section to read:

"**§ 114-19.10. Criminal record checks for adult care homes, nursing homes, home care agencies, and area mental health, developmental disabilities, and substance abuse services authorities.**

The Department of Justice may provide to the following entities the criminal history from the State and National Repositories of Criminal Histories:

(1) Nursing homes or combination homes licensed under Chapter 131E of the General Statutes.

(2) Adult care homes licensed under Chapter 131D of the General Statutes.

(3) Home care agencies licensed under Chapter 131E of the General Statutes.

(4) Area mental health, developmental disabilities, and substance abuse services authorities licensed under Chapter 122C of the General Statutes, including a contract agency of an area authority that is subject to the provisions of Article 4 of that Chapter.

The criminal history shall be provided to nursing homes and home care agencies in accordance with G.S. 131E-265, to adult care homes in accordance with G.S. 131D-40, and to area mental health, developmental disabilities, and substance abuse services authorities in accordance with G.S. 122C-80. The requesting entity shall provide to the Department of Justice, along with the request, the fingerprints of the individual to be checked if a national criminal history record check is required, any additional information required by the Department of Justice, and a form signed by the individual to be checked consenting to the check of the criminal record and to the use of fingerprints and other identifying information required by the State or National Repositories of Criminal Histories. If a national criminal history record check is required, the fingerprints of the individual shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation shall forward a set of fingerprints to the Federal Bureau of Investigation for a national criminal history record check. All information received by the entity shall be kept confidential in accordance with G.S. 131E-265, 131D-40, and 122C-80, as applicable. The Department of Justice shall charge a reasonable fee for conducting the checks authorized by this section. The fee for the State check may not exceed fourteen dollars ($14.00)."

Section 2.(a) Subsections (a) and (a1) of G.S. 131D-40 read as rewritten:

Section 3.(b) G.S. 131E-265 is amended by adding the following new subsections to read:

"(e) Penalty for Furnishing False Information. -- Any applicant for employment who willfully furnishes, supplies, or otherwise gives false information on an employment application that is the basis for a criminal history record check under this section shall be guilty of a Class A1 misdemeanor.

(f) Conditional Employment. -- A nursing home or home care agency may employ an applicant conditionally prior to obtaining the results of a criminal history record check regarding the applicant if both of the following requirements are met:

(1) The nursing home or home care agency shall not employ an applicant prior to obtaining the applicant's consent for a criminal history record check as required in subsection (a) of this section or the completed fingerprint cards as required in G.S. 114-19.10.

(2) The nursing home or home care agency shall submit the request for a criminal history record check not later than five business days after the individual begins conditional employment.

(g) Immunity From Liability. -- An entity and officers and employees of an entity shall be immune from liability for failure to consider criminal history information not contained in the criminal history record check requested and received by the entity pursuant to this section."

Section 4. Chapter 122C of the General Statutes is amended by adding the following new Article to read:

"ARTICLE 3A.

"Miscellaneous Provisions.

"§ 122C-80. Criminal history record check required for certain applicants for employment.

(a) Definition. -- As used in this section, 'area authority' means an area mental health, developmental disabilities, and substance abuse services area authority,

including a contract agency of an area authority that is subject to the provisions of Article 4 of this Chapter.

(b) Requirement. -- An offer of employment by an area authority licensed under this Chapter to an applicant to fill a position that does not require the applicant to have an occupational license is conditioned on consent to a State and national criminal history record check of the applicant. If the applicant has been a resident of this State for less than five years, then the offer of employment is conditioned on consent to a State and national criminal history record check of the applicant. The national criminal history record check shall include a check of the applicant's fingerprints. If the applicant has been a resident of this State for five years or more, then the offer is conditioned on consent to a State criminal history record check of the applicant. An area authority shall not employ an applicant who refuses to consent to a criminal history record check required by this section. Within five business days of making the conditional offer of employment, an area authority shall submit a request to the Department of Justice under G.S. 114-19.10 to conduct a criminal history record check required by this section. All criminal history information received by the area authority is confidential and may not be disclosed, except to the applicant as provided in subsection (c) of this section.

(c) Action. -- If an applicant's criminal history record check reveals one or more convictions of a relevant offense, the area authority shall consider all of the following factors in determining whether to hire the applicant:

(1) The level and seriousness of the crime.
(2) The date of the crime.
(3) The age of the person at the time of the conviction.
(4) The circumstances surrounding the commission of the crime, if known.
(5) The nexus between the criminal conduct of the person and the job duties of the position to be filled.
(6) The prison, jail, probation, parole, rehabilitation, and employment records of the person since the date the crime was committed.
(7) The subsequent commission by the person of a relevant offense.

The fact of conviction of a relevant offense alone shall not be a bar to employment; however, the listed factors shall be considered by the area authority. If the area authority disqualifies an applicant after consideration of the relevant factors, then the area authority may disclose information contained in the criminal history record check that is relevant to the disqualification, but may not provide a copy of the criminal history record check to the applicant.

(d) Limited Immunity. -- An area authority and an officer or employee of an area authority that, in good faith, complies with this section shall be immune from liability for:

(1) The failure of the area authority to employ an individual on the basis of information provided in the criminal history record check of the individual.

(2) Failure to consider criminal history information not contained in the criminal history record check requested and received by the entity pursuant to this section.

(e) Relevant Offense. -- As used in this section, 'relevant offense' means a State crime, whether a misdemeanor or felony, that bears upon an individual's fitness to have responsibility for the safety and well-being of persons needing mental health, developmental disabilities, or substance abuse services. These crimes include the criminal offenses set forth in any of the following Articles of Chapter 14 of the General Statutes: Article 5, Counterfeiting and Issuing Monetary Substitutes; Article 5A, Endangering Executive and Legislative Officers; Article 6, Homicide; Article 7A, Rape and Other Sex Offenses; Article 8, Assaults; Article 10, Kidnapping and Abduction; Article 13, Malicious Injury or Damage by Use of Explosive or Incendiary Device or Material; Article 14, Burglary and Other Housebreakings; Article 15, Arson and Other Burnings; Article 16, Larceny; Article 17, Robbery; Article 18, Embezzlement; Article 19, False Pretenses and Cheats; Article 19A, Obtaining Property or Services by False or Fraudulent Use of Credit Device or Other Means; Article 19B, Financial Transaction Card Crime Act; Article 20, Frauds; Article 21, Forgery; Article 26, Offenses Against Public Morality and Decency; Article 26A, Adult Establishments; Article 27, Prostitution; Article 28, Perjury; Article 29, Bribery; Article 31, Misconduct in Public Office; Article 35, Offenses Against the Public Peace; Article 36A, Riots and Civil Disorders; Article 39, Protection of Minors; Article 40, Protection of the Family; Article 59, Public Intoxication; and Article 60, Computer-Related Crime. These crimes also include possession or sale of drugs in violation of the North Carolina Controlled Substances Act, Article 5 of Chapter 90 of the General Statutes, and alcohol-related offenses such as sale to underage persons in violation of G.S. 18B-302 or driving while impaired in violation of G.S. 20-138.1 through G.S. 20-138.5.

(f) Penalty for Furnishing False Information. -- Any applicant for employment who willfully furnishes, supplies, or otherwise gives false information on an employment application that is the basis for a criminal history record check under this section shall be guilty of a Class A1 misdemeanor.

(g) Conditional Employment. -- An area authority may employ an applicant conditionally prior to obtaining the results of a criminal history record check regarding the applicant if both of the following requirements are met:

(1) The area authority shall not employ an applicant prior to obtaining the applicant's consent for criminal history record check as required in subsection (b) of this section or the completed fingerprint cards as required in G.S. 114-19.10.

(2) The area authority shall submit the request for a criminal history record check not later than five business days after the individual begins conditional employment."

Section 5. G.S. 114-19.3(a) reads as rewritten:

"(a) Authority. -- The Department of Justice may provide to any of the following entities a criminal record check of an individual who is employed by that entity, has

applied for employment with that entity, or has volunteered to provide direct care on behalf of that entity:

(1) Hospitals licensed under Chapter 131E of the General Statutes.

~~(2) Nursing homes or combination homes licensed under Chapter 131E of the General Statutes.~~

~~(3) Adult care homes licensed under Chapter 131D of the General Statutes.~~

(4) ~~Home care agencies or hospices~~ Hospices licensed under Chapter 131E of the General Statutes.

(5) Child placing agencies licensed under Chapter 131D of the General Statutes.

(6) Residential child care facilities licensed under Chapter 131D of the General Statutes.

(7) Hospitals licensed under Chapter 122C of the General Statutes.

~~(8) Area mental health, developmental disabilities, and substance abuse authorities licensed under Chapter 122C of the General Statutes, including a contract agency of an area authority that is subject to the provisions of Article 4 of that Chapter.~~

(9) Licensed child care facilities and nonlicensed child care homes regulated by the State.

(10) Any other organization or corporation, whether for profit or nonprofit, that provides direct care or services to children, the sick, the disabled, or the elderly."

Section 6. Effective January 1, 2001, Part A of Article 6 of Chapter 131E of the General Statutes is amended by adding the following new section to read:

"**§ 131E-113. Special care units; disclosure of information required.**

(a) A nursing home or combination home licensed under this Part that provides special care for persons with Alzheimer's disease or other dementias in a special care unit shall make the following disclosures pertaining to the special care provided that distinguishes the special care unit as being especially designed for residents with Alzheimer's disease or other dementias. The disclosure shall be made annually, in writing, to all of the following:

(1) The Department, as part of its licensing procedures.

(2) Each person seeking placement within a special care unit, or the person's authorized representative, prior to entering into an agreement with the person to provide special care.

(b) Information that must be disclosed in writing shall include, but is not limited to, all of the following:

(1) A statement of the overall philosophy and mission of the licensed facility and how it reflects the special needs of residents with dementia.

(2) The process and criteria for placement, transfer, or discharge to or from the special care unit.

(3) The process used for assessment and establishment of the plan of care and its implementation, as required under State and federal law.
(4) Typical staffing patterns and how the patterns reflect the resident's need for increased care and supervision.
(5) Dementia-specific staff training.
(6) Physical environment features designed specifically for the special care unit.
(7) Alzheimer's disease and other dementia-specific programming.
(8) Opportunities for family involvement.
(9) Additional costs or fees to the resident for special care.

(c) As part of its license renewal procedures and inspections, the Department shall examine for accuracy the written disclosures made by each licensed facility subject to this section.

(d) Nothing in this section shall be construed as prohibiting a nursing home or combination home that does not offer a special care unit from admitting a person with Alzheimer's disease or other dementias. The disclosures required by this section apply only to a nursing home or combination home that advertises, markets, or otherwise promotes itself as providing a special care unit for persons with Alzheimer's disease or other dementias.

(e) As used in this section, the term 'special care unit' means a wing or hallway within a nursing home, or a program provided by a nursing home, that is designated especially for residents with Alzheimer's disease or other dementias, or other special needs disease or condition, as determined by the Medical Care Commission, which may include mental disabilities."

Section 6.1. G.S. 131E-104 reads as rewritten:

"**§ 131E-104. Rules and enforcement.**

(a) The Commission is authorized to adopt, amend, and repeal all rules necessary for the implementation of this Part.

(b) The Commission shall adopt rules for the operation of the adult care portion of a combination ~~home that are equal to the rules adopted by the Social Services Commission for the operation of freestanding adult care homes. The adult care portion of a combination home in existence on January 1, 1982, shall be exempt from physical plant minimum standards, unless the Department determines the exemption to be an imminent hazard to health, safety and welfare of the residents.~~ home. The rules shall provide that for each requirement applicable to freestanding adult care homes or freestanding nursing homes, the combination home may choose to operate the adult care portion of the home in compliance with either the requirement applicable to freestanding adult care homes or the higher standard applicable to freestanding nursing homes."

Section 7. Sections 1 through 5 of this act become effective January 1, 2001, and apply to offenses committed and offers of employment made on and after that date. The remainder of this act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO REQUIRE CRIMINAL BACKGROUND CHECKS FROM STATE AND NATIONAL REPOSITORIES OF CRIMINAL HISTORY FOR CERTAIN APPLICANTS FOR EMPLOYMENT IN ADULT CARE HOMES, NURSING HOMES, HOME CARE AGENCIES, AND CERTAIN MENTAL HEALTH, DEVELOPMENTAL DISABILITIES, AND SUBSTANCE ABUSE SERVICES FACILITIES; TO IMPOSE A CRIMINAL PENALTY FOR FALSIFYING INFORMATION ON EMPLOYMENT APPLICATIONS; TO REQUIRE CERTAIN DISCLOSURES BY NURSING HOMES; AND PERTAINING TO RULES FOR THE OPERATION OF THE ADULT CARE PORTION OF NURSING HOMES.

The General Assembly of North Carolina enacts:

Section 1. Article 4 of Chapter 114 of the General Statutes is amended by adding the following new section to read:

"**§ 114-19.10. Criminal record checks for adult care homes, nursing homes, home care agencies, and area mental health, developmental disabilities, and substance abuse services authorities.**

The Department of Justice may provide to the following entities the criminal history from the State and National Repositories of Criminal Histories:

(1) Nursing homes or combination homes licensed under Chapter 131E of the General Statutes.

(2) Adult care homes licensed under Chapter 131D of the General Statutes.
(3) Home care agencies licensed under Chapter 131E of the General Statutes.
(4) Area mental health, developmental disabilities, and substance abuse services authorities licensed under Chapter 122C of the General Statutes, including a contract agency of an area authority that is subject to the provisions of Article 4 of that Chapter.

The criminal history shall be provided to nursing homes and home care agencies in accordance with G.S. 131E-265, to adult care homes in accordance with G.S. 131D-40, and to area mental health, developmental disabilities, and substance abuse services authorities in accordance with G.S. 122C-80. The requesting entity shall provide to the Department of Justice, along with the request, the fingerprints of the individual to be checked if a national criminal history record check is required, any additional information required by the Department of Justice, and a form signed by the individual to be checked consenting to the check of the criminal record and to the use of fingerprints and other identifying information required by the State or National Repositories of Criminal Histories. If a national criminal history record check is required, the fingerprints of the individual shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation shall forward a set of fingerprints to the Federal Bureau of Investigation for a national criminal history record check. All information received by the entity shall be kept confidential in accordance with G.S. 131E-265, 131D-40, and 122C-80, as applicable. The Department of Justice shall charge a reasonable fee for conducting the checks authorized by this section. The fee for the State check may not exceed fourteen dollars ($14.00)."

Section 2.(a) Subsections (a) and (a1) of G.S. 131D-40 read as rewritten:

"(a) Requirement; Adult Care Home. -- An offer of employment by an adult care home licensed under this Chapter to an applicant to fill a position that does not require the applicant to have an occupational license is conditioned on consent to a criminal history record check of the applicant. All criminal history information received by the contract agency is confidential and may not be disclosed, except to the applicant as provided by subsection (b) of this section."

Section 3.(b) G.S. 131E-265 is amended by adding the following new subsections to read:

"(e) Penalty for Furnishing False Information. -- Any applicant for employment who willfully furnishes, supplies, or otherwise gives false information on an employment application that is the basis for a criminal history record check under this section shall be guilty of a Class A1 misdemeanor.

(f) Conditional Employment. -- A nursing home or home care agency may employ an applicant conditionally prior to obtaining the results of a criminal history record check regarding the applicant if both of the following requirements are met:

(1) The nursing home or home care agency shall not employ an applicant prior to obtaining the applicant's consent for a criminal history record check as required in subsection (a) of this section or the completed fingerprint cards as required in G.S. 114-19.10.

(2) The nursing home or home care agency shall submit the request for a criminal history record check not later than five business days after the individual begins conditional employment.

(g) Immunity From Liability. -- An entity and officers and employees of an entity shall be immune from civil liability for failure to check an employee's history of criminal offenses if the employee's criminal history record check is requested and received in compliance with this section."

Section 4. Chapter 122C of the General Statutes is amended by adding the following new Article to read:

"ARTICLE 3A.

"Miscellaneous Provisions.

"§ 122C-80. Criminal history record check required for certain applicants for employment.

(a) Definition. -- As used in this section, 'area authority' means an area mental health, developmental disabilities, and substance abuse services area authority,

including a contract agency of an area authority that is subject to the provisions of Article 4 of this Chapter.

(b) Requirement. -- An offer of employment by an area authority licensed under this Chapter to an applicant to fill a position that does not require the applicant to have an occupational license is conditioned on consent to a State and national criminal history record check of the applicant. If the applicant has been a resident of this State for less than five years, then the offer of employment is conditioned on consent to a State and national criminal history record check of the applicant. The national criminal history record check shall include a check of the applicant's fingerprints. If the applicant has been a resident of this State for five years or more, then the offer is conditioned on consent to a State criminal history record check of the applicant. An area authority shall not employ an applicant who refuses to consent to a criminal history record check required by this section. Within five business days of making the conditional offer of employment, an area authority shall submit a request to the Department of Justice under G.S. 114-19.10 to conduct a criminal history record check required by this section. All criminal history information received by the area authority is confidential and may not be disclosed, except to the applicant as provided in subsection (c) of this section.

(c) Action. -- If an applicant's criminal history record check reveals one or more convictions of a relevant offense, the area authority shall consider all of the following factors in determining whether to hire the applicant:

(1) The level and seriousness of the crime.
(2) The date of the crime.
(3) The age of the person at the time of the conviction.
(4) The circumstances surrounding the commission of the crime, if known.
(5) The nexus between the criminal conduct of the person and the job duties of the position to be filled.
(6) The prison, jail, probation, parole, rehabilitation, and employment records of the person since the date the crime was committed.
(7) The subsequent commission by the person of a relevant offense.

The fact of conviction of a relevant offense alone shall not be a bar to employment; however, the listed factors shall be considered by the area authority. If the area authority disqualifies an applicant after consideration of the relevant factors, then the area authority may disclose information contained in the criminal history record check that is relevant to the disqualification, but may not provide a copy of the criminal history record check to the applicant.

(d) Limited Immunity. -- An area authority and an officer or employee of an area authority that, in good faith, complies with this section shall be immune from civil liability for:

(1) The failure of the area authority to employ an individual on the basis of information provided in the criminal history record check of the individual.

(2) Failure to check an employee's history of criminal offenses if the employee's criminal history record check is requested and received in compliance with this section.

(e) Relevant Offense. -- As used in this section, 'relevant offense' means a State crime, whether a misdemeanor or felony, that bears upon an individual's fitness to have responsibility for the safety and well-being of persons needing mental health, developmental disabilities, or substance abuse services. These crimes include the criminal offenses set forth in any of the following Articles of Chapter 14 of the General Statutes: Article 5, Counterfeiting and Issuing Monetary Substitutes; Article 5A, Endangering Executive and Legislative Officers; Article 6, Homicide; Article 7A, Rape and Other Sex Offenses; Article 8, Assaults; Article 10, Kidnapping and Abduction; Article 13, Malicious Injury or Damage by Use of Explosive or Incendiary Device or Material; Article 14, Burglary and Other Housebreakings; Article 15, Arson and Other Burnings; Article 16, Larceny; Article 17, Robbery; Article 18, Embezzlement; Article 19, False Pretenses and Cheats; Article 19A, Obtaining Property or Services by False or Fraudulent Use of Credit Device or Other Means; Article 19B, Financial Transaction Card Crime Act; Article 20, Frauds; Article 21, Forgery; Article 26, Offenses Against Public Morality and Decency; Article 26A, Adult Establishments; Article 27, Prostitution; Article 28, Perjury; Article 29, Bribery; Article 31, Misconduct in Public Office; Article 35, Offenses Against the Public Peace; Article 36A, Riots and Civil Disorders; Article 39, Protection of Minors; Article 40, Protection of the Family; Article 59, Public Intoxication; and Article 60, Computer-Related Crime. These crimes also include possession or sale of drugs in violation of the North Carolina Controlled Substances Act, Article 5 of Chapter 90 of the General Statutes, and alcohol-related offenses such as sale to underage persons in violation of G.S. 18B-302 or driving while impaired in violation of G.S. 20-138.1 through G.S. 20-138.5.

(f) Penalty for Furnishing False Information. -- Any applicant for employment who willfully furnishes, supplies, or otherwise gives false information on an employment application that is the basis for a criminal history record check under this section shall be guilty of a Class A1 misdemeanor.

(g) Conditional Employment. -- An area authority may employ an applicant conditionally prior to obtaining the results of a criminal history record check regarding the applicant if both of the following requirements are met:

(1) The area authority shall not employ an applicant prior to obtaining the applicant's consent for criminal history record check as required in subsection (b) of this section or the completed fingerprint cards as required in G.S. 114-19.10.

(2) The area authority shall submit the request for a criminal history record check not later than five business days after the individual begins conditional employment."

Section 5. G.S. 114-19.3(a) reads as rewritten:

"(a) Authority. -- The Department of Justice may provide to any of the following entities a criminal record check of an individual who is employed by that entity, has

applied for employment with that entity, or has volunteered to provide direct care on behalf of that entity:

(1) Hospitals licensed under Chapter 131E of the General Statutes.

~~(2) Nursing homes or combination homes licensed under Chapter 131E of the General Statutes.~~

~~(3) Adult care homes licensed under Chapter 131D of the General Statutes.~~

(4) ~~Home care agencies or hospices~~ Hospices licensed under Chapter 131E of the General Statutes.

(5) Child placing agencies licensed under Chapter 131D of the General Statutes.

(6) Residential child care facilities licensed under Chapter 131D of the General Statutes.

(7) Hospitals licensed under Chapter 122C of the General Statutes.

~~(8) Area mental health, developmental disabilities, and substance abuse authorities licensed under Chapter 122C of the General Statutes, including a contract agency of an area authority that is subject to the provisions of Article 4 of that Chapter.~~

(9) Licensed child care facilities and nonlicensed child care homes regulated by the State.

(10) Any other organization or corporation, whether for profit or nonprofit, that provides direct care or services to children, the sick, the disabled, or the elderly."

Section 6. Effective January 1, 2001, Part A of Article 6 of Chapter 131E of the General Statutes is amended by adding the following new section to read:

"**§ 131E-113. Special care units; disclosure of information required.**

(a) A nursing home or combination home licensed under this Part that provides special care for persons with Alzheimer's disease or other dementias in a special care unit shall make the following disclosures pertaining to the special care provided that distinguishes the special care unit as being especially designed for residents with Alzheimer's disease or other dementias. The disclosure shall be made annually, in writing, to all of the following:

(1) The Department, as part of its licensing procedures.

(2) Each person seeking placement within a special care unit, or the person's authorized representative, prior to entering into an agreement with the person to provide special care.

(b) Information that must be disclosed in writing shall include, but is not limited to, all of the following:

(1) A statement of the overall philosophy and mission of the licensed facility and how it reflects the special needs of residents with dementia.

(2) The process and criteria for placement, transfer, or discharge to or from the special care unit.

(3) The process used for assessment and establishment of the plan of care and its implementation, as required under State and federal law.
(4) Typical staffing patterns and how the patterns reflect the resident's need for increased care and supervision.
(5) Dementia-specific staff training.
(6) Physical environment features designed specifically for the special care unit.
(7) Alzheimer's disease and other dementia-specific programming.
(8) Opportunities for family involvement.
(9) Additional costs or fees to the resident for special care.

(c) As part of its license renewal procedures and inspections, the Department shall examine for accuracy the written disclosures made by each licensed facility subject to this section.

(d) Nothing in this section shall be construed as prohibiting a nursing home or combination home that does not offer a special care unit from admitting a person with Alzheimer's disease or other dementias. The disclosures required by this section apply only to a nursing home or combination home that advertises, markets, or otherwise promotes itself as providing a special care unit for persons with Alzheimer's disease or other dementias.

(e) As used in this section, the term 'special care unit' means a wing or hallway within a nursing home, or a program provided by a nursing home, that is designated especially for residents with Alzheimer's disease or other dementias, or other special needs disease or condition, as determined by the Medical Care Commission, which may include mental disabilities."

Section 6.1. G.S. 131E-104 reads as rewritten:

"§ 131E-104. Rules and enforcement.

(a) The Commission is authorized to adopt, amend, and repeal all rules necessary for the implementation of this Part.

(b) The Commission shall adopt rules for the operation of the adult care portion of a combination ~~home that are equal to the rules adopted by the Social Services Commission for the operation of freestanding adult care homes. The adult care portion of a combination home in existence on January 1, 1982, shall be exempt from physical plant minimum standards, unless the Department determines the exemption to be an imminent hazard to health, safety and welfare of the residents.~~ home. The rules shall provide that for each requirement applicable to freestanding adult care homes or freestanding nursing homes, the combination home may choose to operate the adult care portion of the home in compliance with either the requirement applicable to freestanding adult care homes or the higher standard applicable to freestanding nursing homes."

Section 7. Sections 1 through 5 of this act become effective January 1, 2001, and apply to offenses committed and offers of employment made on and after that date. The remainder of this act is effective when it becomes law.

SENATE BILL 1192:
Crim. Record Checks/Long-Term Care

BILL ANALYSIS

Committee: House Finance
Date: July 11, 2000
Version: 3rd Edition

Introduced by: Sen. Rand
Summary by: Cindy Avrette
Staff Attorney

Summary: *The original bill, Senate Bill 1192, was recommended to the General Assembly by the Health Care Oversight Commission. The original bill did two things:*

- *It required State and national criminal record checks for applicants for employment in adult care homes, nursing homes, and home care agencies.*
- *It made it a Class A1 misdemeanor for an applicant for employment in adult care homes, nursing homes, and home care agencies to falsify information on employment applications.*

THE SENATE MADE THE FOLLOWING CHANGES TO THE ORIGINAL BILL:

- *Provided that only a State record check required if the applicant has been a resident of NC for 5 or more years; State and federal record check required if the applicant has NOT been a resident of NC for 5 years.*
- *Provided for conditional employment of applicant if the applicant consents to the record check and the request for the record check is made within 5 business days after the applicant begins conditional employment.*
- *Provided for immunity from liability of the entity and the employees of the entity for failure to consider criminal history information not contained in the criminal history record check requested and received.*
- *Added similar record check, conditional employment, and immunity from liability provisions for certain mental health, developmental disabilities, and substance service facilities.*
- *Added disclosure requirements for special care units that provide special care for persons with Alzheimer's disease or other dementias when the special care unit distinguishes itself as being especially designed for residents with Alzheimer's disease or other dementias.*
- *Added a provision authorizing the Medical Care Commission to adopt rules pertaining to the adult care portion of combination homes.*

CURRENT LAW: Current law only requires a State criminal history record check for employees of adult care homes, nursing homes, combination homes, home care agencies, and certain mental health, developmental disabilities, and substance abuse service facilities. These record checks are fingerprint-based but do no include a national criminal history record check conducted by the FBI.

BILL ANALYSIS: The bill addresses three areas:

1. Requires that criminal history record checks be conducted for certain applicants for employment in nursing homes, adult care homes, home care agencies, and area mental health authorities and their contracting agencies.

- If applicant has been a resident of NC for less than 5 years, then the offer of employment is conditioned upon applicant's consent to both a State and federal fingerprint check.
- If applicant has been a resident for 5 years or longer, then the offer is conditioned upon consent to a State check (not fingerprint), which may be done by a private entity.
- It is a Class A1 misdemeanor for providing false information on an application.
- The facility may employ an applicant conditionally, pending results of the check.

The Department of Justice may charge a reasonable fee for the checks. The fee for the State may not exceed $14.

2. Requires nursing homes that offer special care units to disclose certain information about the services provided in the special care unit on an annual basis. The disclosure must be made as part of the nursing home's licensing procedures and it must be made to each person seeking placement within the special care unit. The information that must be disclosed include the following

- A statement of the overall philosophy and mission of the facility and how it reflects the special needs of the residents with dementia.
- The process and criteria for placement, transfer, or discharge to or from the special care unit.
- The process used for assessment and establishment of the plan of care and its implementation.
- Typical staffing patterns.
- Dementia-specific staff training.
- Physical environment features designed specifically for the special care unit.
- Alzheimer's disease and other dementia-specific programming.
- Opportunities for family involvement.
- Additional costs or fees to the resident for special care.

3. Authorizes the Medical Care Commission to adopt rules pertaining to the adult care portion of combination homes. Current law requires that the rules adopted by the Medical Care Commission be equal to the rules adopted by the Social Services Commission for freestanding adult care homes. Current law also exempts the adult care portion of combination homes in existence in 1982 from the physical plant minimum standards, unless the exemption would pose an imminent hazard to health, safety, and welfare of residents. This amendment allows the combination home to choose between rules applicable to nursing homes and those applicable to adult care homes, with respect to operation of the adult care portion of the combination home.

Effective date: Sections 1-5 (Criminal background check) and Section 6 (disclosure requirement) effective January 1, 2001. The remainder of the bill is effective immediately.
