Senator Odom was recognized to explain the bill. After a brief discussion, Senator Dannelly moved to give the bill a "Favorable Report", motion passed. Copy of bill and supporting documents included in minutes.

HB 1473 – RENEWABLE ENERGY MFR. CREDIT

Representative Hackney was recognized to explain the bill. Senator Hoyle announced that vote taken last session on a proposed committee substitute should be reconsidered, motion by Senator Hoyle to reconsider the vote taken last year, motion passed. Senator Soles moved for adoption of a new proposed committee substitute, motion passed. After a time of discussion; Senator Soles moved to give the bill a "Favorable Report", motion passed. Copy of bill and supporting documents included in minutes.

HB 1539 – QUALIFIED ZONE ACADEMY BOND ACT

Representative Rogers was recognized to explain the bill. After a brief discussion, Senator Hartsell moved to give the bill a "Favorable Report", motion passed. Copy of bill and supporting documents included in minutes.

HB 1132 – PRESERVE FARMLANDS/SMALL FARMS

Representative Insko was recognized to again come and explain the bill. After a brief discussion, Senator Lee moved to give the bill a "Favorable Report", motion passed. Copy of bill and supporting documents included in minutes.

HB 1602 – STORMWATER UTILITY FEE

Representative Gibson was recognized to explain the bill After a time of discussion, Senator Rand moved to give the bill a "Favorable Report", motion passed. Copy of bill and supporting documents included in minutes.

SB 1448 – HILLSBOROUGH DEANNEXATION

Senator Kinnaird was recognized to explain the bill. Senator Rand moved for adoption of a proposed committee substitute, motion passed. After a brief discussion, Senator Rand moved to give the bill a "Favorable Report", motion passed. Copy of bill and supporting documents included in minutes.

MEETING RECESSED UNTIL 1:00 PM IN ROOM 544.

1:OO PM MEETING

The Senate Finance Committee reconvened at 1:00 PM in Room 544 of the Legislative Office Building with Senator Hoyle presiding. There were 25 members of the committee present.

SB 1300 -MIDLAND INCORPORATION

Senator Hartsell was recognized to explain the bill. After a brief explanation, Senator Moore moved to give the bill a "Favorable Report", motion passed. Copy of bill included in the minutes.

HB 1667 - CHARLOTTE CHARTER CONSOLIDATION

Senator Clodfelter was recognized to explain the bill. After a brief explanation, Senator Hartsell moved to give the bill a "Favorable Report", motion passed. Copy of bill included in the minutes.

HB 1587 - SEAGROVE ANNEXATION

Senator Lee was recognized to explain the bill for Representative Brubaker. After a brief explanation, Senator Soles moved to give the bill a "Favorable Report", motion passed. Copy of bill included in the minutes.

HB 677 - PROPERTY TAX CHANGES

Representative Haire was recognized to explain the bill. Senator Dannelly moved for adoption of a proposed committee substitute, motion passed. After a time of discussion, Senator Hoyle announced that the bill would be held and heard at a later meeting. Copy of bill and supporting documents included in the minutes.

HB 1624 - STREAMLINED SALES TAX SYSTEM

Representative Miller was recognized to explain the bill. After a time of discussion and an amendment by Senator Harris, which was not adopted, it was decided by Senator Hoyle that since there were questions on the bill, that the bill be held and heard at a later meeting. Copy of bill and supporting documents included in the minutes.

SB 1542 – VIDEO POKER MACHINES ILLEGAL

Senator Wellons was recognized to explain the bill. Senator Wellons moved for adoption of a proposed committee substitute, motion passed. After a length discussion on the bill, Senator Gulley moved to give the bill a "Favorable Report", motion passed. Copy of bill and supporting documents included in minutes.

Meeting adjourned.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1999

H

HOUSE BILL 1803*

Short Title: Huntersville Annexation Agreement. (Local)

Sponsors: Representative Saunders.

Referred to: Finance.

May 25, 2000

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE TOWN OF HUNTERSVILLE TO AMEND AN AGREEMENT FOR PAYMENTS IN LIEU OF ANNEXATION.

The General Assembly of North Carolina enacts:

Section 1. Notwithstanding any applicable provision of the General Statutes or any other public or local law, the Town of Huntersville is granted certain contract powers as follows:

(1) The Town of Huntersville may amend the agreement authorized by S.L. 1997-266 ("Agreement") which provided that in consideration of certain payments to the Town in lieu of taxes, certain property described in the Agreement as the "McGuire Nuclear Station Property" would not be involuntarily annexed by the Town prior to December 31, 2027. The Agreement shall be amended by extending the term that the McGuire Nuclear Station Property may not be involuntarily annexed by the Town for 15 years until December 31, 2042, and by accelerating the tax equivalent payments required under Schedule 1 by Duke Power to Huntersville to reflect present value considerations as follows:

AMENDED SCHEDULE 1

Tax Equivalent Payments: The parties agree that Schedule 1 of the Agreement shall be deleted and this Amended Schedule 1 placed

in its stead. The tax equivalent payments required under Schedule 1 by Duke Power to Huntersville with respect to its McGuire Nuclear Station Property shall be accelerated under this Amended Schedule 1 to reflect the total and complete prepayment of the remaining tax equivalent payments based on present value considerations as follows:

Year	Payment
1996	0
1997	0
1998	$333,333(Paid)
1999	$333,333(Paid)
2000 [August 1, 2000]	$2,700,000
2000	$333,333
2001	$333,333
2002	$333,333
2003	$333,333
2004	$333,333

The parties further agree that tax equivalent payments required under Amended Schedule 1 may be further amended and accelerated upon mutual agreement of the parties to reflect future prepayments based upon present value considerations.

Except as herein amended, the Agreement shall remain in full force and effect and that certain property described in the Agreement as the "McGuire Nuclear Station Property" may not be involuntarily annexed by the Town prior to December 31, 2042. The Town of Huntersville shall not seek to repeal this act upon its approval by the General Assembly.

(2) The amendment to the Agreement entered into as provided in subdivision (1) of this section is specifically determined to be consistent with the public policy of the State of North Carolina.

(3) Any amendment to the Agreement entered into as provided in subdivision (1) of this section is binding on and enforceable against the current and future members of the Board of Commissioners of the Town of Huntersville during the full term of such Agreement and any extension thereof.

(4) The parties to any Agreement amended in accordance with subdivision (1) of this section shall be authorized by this section to further modify, amend, and extend such Agreement on mutual written consent, without the approval of the General Assembly, provided that any such modification or amendment does not materially alter the concept of the Agreement.

Section 2. The Town of Huntersville may accept, as consideration for such amendment, an accelerated schedule for payments in lieu of taxes.

Section 3. The Agreement and its amendment under Section 1 of this act shall apply to the McGuire Nuclear Station Property described as follows.

EXHIBIT A

Parcel 1: That certain tract of land containing 25.25 acres, more or less, beginning at a point in the easterly boundary of County Road NO. 2134 and running thence N 88-52-58 E 653.8 feet to a point; thence S 7-19-56E 237.1 feet to a point; thence S 77-32-50 E 1130.4 feet to a point; thence S 45-37-01 W 1310.6 feet to a point; thence N 30-20-20 W 1144.1 feet to a point; thence N 84-16-48 W 245.8 feet to a point in the easterly boundary of County Road No. 2134; thence with said Road N 4-25-22 W 372.1 feet to the point of Beginning and being shown as Tax Parcels Nos. 16, 17 and 18 on tax map recorded in Book 13 at page 13 of the Mecklenburg County Registry, Parcel 2: That certain tract of land containing 1,239.0 acres, more or less and being more particularly described as BEGINNING at a point in the Catawba River, said point being located in the Mecklenburg/Lincoln County line and running thence from said beginning point in a generally easterly direction with the boundary of the Cowans Ford Hydroelectric Project (Lake Norman) a distance of 13, 136 feet to a point; thence S 2-50-59 W 176.6 feet to a point; thence S 25-09-08 E 147.8 feet to a point; thence with the boundary of the Cowans Ford Hydroelectric Project (Lake Norman) a distance of 711.4 feet to a point; thence leaving the boundary of the Cowans Ford Hydroelectric Project S 11-37 E 47.9 feet to a point; thence S 4-55 W 85.1 feet to a point; thence S 25-41 W 63.9 feet to a point; thence N 74-37W 29.5 feet to an iron pipe; thence N 80-24 W 13.1 feet to a stake; thence S 1-11 E-291.7 feet to an iron pin; thence S 5-50 W-151.3 feet to the centerline of road 2182; thence S 5-50 W-120.8 feet to an iron; thence S 11-22 W-241.7 feet to an iron pin; thence S 16-54 W-241.7 feet to an iron pin; thence S 22-26 W-241.7 feet to an iron pin; thence S 27-58 W-128.8 feet to an iron pin; thence S 5-50 W-151.3 feet to the centerline of road 2182; thence N 61-15 E-489.9 feet to an iron pin; thence S 51-07 E-214.9 feet to an iron pipe; thence S 11-42 E-444.5 feet to an iron pin; thence S 12-54 E-40.2 feet to an iron pipe; thence S 12-14 E-173 feet to an iron pin; thence S 12-20 E-152.0 feet to an iron pipe; thence S 82-15 W-444.2 feet to an iron pipe; thence N 7-51 W-224.9 feet to an iron pipe; thence S 82-13 W-150.3 feet to an iron pipe; thence S 8-07 E-225.2 feet to an iron pipe; thence S 82-30 W-252.5 feet to an iron; thence crossing NC Hwy. 73; S 41-36 W-155.1 feet to an iron pipe; thence N 82-26 E-304.6 feet to a concrete monument; thence N 82-14 E-591.0 feet to an iron pipe; thence S 8-47 E-210.6 feet to an iron pipe; thence N 81-52 E-210.5 feet to an iron pin; thence S 12-37 W-527.1 feet to an iron pipe; thence N 67-05 E-99.0 feet to a stake; thence S 74-55 E 1082.5 feet to a stake; thence S 23-15 W-2128.0 feet to an iron pipe; thence S 87-51 W-341.6 feet to a stake; thence S 72-56 W-662.7 feet to a stake; thence N 13-47 W-363.2 feet to an iron pin; thence S 62-54 W-375.0 feet to an iron pin; thence S 59-08 W-797.9 feet to an iron pipe; thence S 17-17 W-1048.5 feet to an iron pin in an old road bed; thence

HOUSE BILL 1629
Committee Substitute Favorable 6/5/00

Short Title: Butner Water & Sewer Bonds. (Public)

Sponsors:

Referred to:

May 18, 2000

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE ISSUANCE OF STATE REVENUE BONDS TO FINANCE IMPROVEMENTS TO THE WATER AND SEWER SYSTEM FOR THE COMMUNITY OF BUTNER AND THE CAMP BUTNER RESERVATION.

The General Assembly of North Carolina enacts:

Section 1. Findings and purpose. The General Assembly finds and determines as follows:

(1) The Community of Butner and the Camp Butner reservation constitute a unique State resource administered by the State of North Carolina through the Secretary of the North Carolina Department of Health and Human Services and regulated by Parts 1 through 1B of Article 6 of Chapter 122C of the General Statutes.

(2) Pursuant to G.S. 122C-407, the Department is authorized to acquire, construct, establish, enlarge, maintain, operate, and contract for the operation of a water supply and distribution system and a sewage collection and disposal system for the Camp Butner reservation. Acting pursuant to this authority, the Department has so established a water and sewer system for the Camp Butner reservation. While historically the Department has been able to construct, acquire, maintain, and operate the water and sewer system from funds appropriated to the Department by the General Assembly, from rates, fees, and charges collected from the users of the system, and from other funds available to the Department,

significant capital outlay is now required for the improvement and maintenance of the water and sewer system and at present there are not sufficient resources available for that purpose.

(3) The Secretary of Health and Human Services has proposed that the State finance improvements to the Camp Butner reservation through the issuance of revenue bonds issued by the State pursuant to The State and Local Government Revenue Bond Act, Article 5 of Chapter 159 of the General Statutes. G.S. 159-88(c) mandates that prior to the adoption of a bond order authorizing the issuance of revenue bonds of the State under The State and Local Government Revenue Bond Act, the General Assembly must enact legislation authorizing the undertaking of the revenue bond project to be financed and fixing the maximum aggregate principal amount of revenue bonds that will be issued for that purpose.

(4) It is the intent of the General Assembly to enact the legislation necessary so that the State may issue revenue bonds for the purpose of paying (i) the costs of acquisition, construction, reconstruction, improvement, enlargement, betterment, and extension of the water supply and distribution system and sewage collection and disposal system for the Community of Butner and the Camp Butner reservation and (ii) certain costs of issuance of the revenue bonds.

Section 2. Definitions. The following definitions apply in this act:

(1) "Department" means the North Carolina Department of Health and Human Services.

(2) "Secretary" means the Secretary of the North Carolina Department of Health and Human Services, or any successor office.

(3) "Project" means the water supply and distribution system and sewer collection and disposal system serving an area including, but not limited to, the Community of Butner and the Camp Butner reservation pursuant to G.S. 122C-407.

Section 3. General grant of powers. The State of North Carolina, acting through the Secretary, is authorized, subject to the provisions of this act, to issue revenue bonds pursuant to The State and Local Government Revenue Bond Act to pay the costs of the project and associated costs. The project is a "revenue bond project" within the meaning of The State and Local Government Revenue Bond Act. Except as otherwise provided in this act, these revenue bonds shall be issued in compliance with The State and Local Government Revenue Bond Act, and in administering the project the provisions of The State and Local Revenue Bond Act shall be in full force and effect.

Section 4. Issuance of revenue bonds. The total amount of bonds to be issued pursuant to this act shall not exceed forty million dollars ($40,000,000). These bonds may be issued at one time or from time to time as the Secretary considers necessary. Bonds issued pursuant to this act shall be issued pursuant to an order

adopted by the Council of State under G.S. 159-88 of The State and Local Government Revenue Bond Act. Bonds issued pursuant to this act shall be sold by the Local Government Commission pursuant to the provisions of Article 7 of Chapter 159 of the General Statues.

Section 5. Negotiable instruments. Notwithstanding any of the foregoing provisions of this act or any recitals in any bonds issued under the provisions of this act, all these bonds are negotiable instruments under the laws of this State, subject only to any applicable provisions for registration.

Section 6. Tax exemptions. Bonds issued under this act shall at all times be free from taxation by the State or any political subdivision or any of their agencies, excepting estate, inheritance, or gift taxes, income taxes on the gain from the transfer of the securities, and franchise taxes. The interest on the bonds is not subject to taxation as income.

Section 7. Interpretation of act. (a) Additional method. This act provides an additional and alternative method for the doing of the things authorized by the act and is supplemental and additional to powers conferred by other laws, and, except as expressly provided, does not derogate any powers now existing.

Section 7.(b) Statutory references. References in this act to specific sections or Chapters of the General Statutes are intended to be references to these sections or Chapters as they may be amended from time to time by the General Assembly.

Section 7.(c) Liberal construction. This act, being necessary for the health and welfare of the people of the State, shall be liberally construed to effect its purposes.

Section 7.(d) Severability. If any provision of this act or its application to any person or circumstance is held invalid, that invalidity does not affect other provisions or applications of the act that can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.

Section 8. Effective date. This act is effective when it becomes law.

HOUSE BILL 1629:
Butner Water & Sewer Bonds

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Rep. Crawford
Date:	June 25, 2000	**Summary by:**	Cindy Avrette
Version:	2nd Edition		Committee Counsel

SUMMARY: ***House Bill 1629 authorizes the State to issue $40 million of revenue bonds under The State and Local Government Revenue Bond Act to finance improvements to the Butner water and sewer system. The revenues of the Butner water and sewer system will secure the revenue bonds. The House Finance Committee only made technical corrections to the bill.***

CURRENT LAW: The Camp Butner reservation is an unincorporated area of the State located geographically in Granville County. The reservation is under the jurisdiction of the State and is administered by the Secretary of Health and Human Services. The general powers of the Secretary in governing the reservation are similar to those of a City Council. G.S. 122C-407 specifically authorizes the Secretary to operate a water supply and distribution system and a sewage collection and disposal system for the Camp Butner reservation. The Secretary may fix and enforce water and sewer rates and charges. The water and sewer system is in need of extensive improvements. The Department of Health and Human Services and the Department of Administration have suggested that a revenue bond financing would be an appropriate method for financing the cost of the improvements.

The State and Local Revenue Bond Act provides the statutory authority for the issuance of revenue bonds by local governments to finance the cost of revenue-producing facilities, such as water and sewer systems. Under a revenue bond, the revenues from the bond-financed project are pledged as the security for the payment of the bond. In 1983, the Act was amended to allow the State to issue bonds under it, subject to the same provisions as applied to local governments. However, before the State may issue bonds under the Act, the General Assembly must enact legislation authorizing the undertaking of the revenue bond project and the issuance of revenue bonds for it. The legislation must also fix the maximum aggregate principal amount of revenue bonds that will be issued for the project.

BILL ANALYSIS: House Bill 1629 provides the legislation necessary to authorize the issuance of $40 million of revenue bonds for the purpose of financing improvements to the water supply and distribution system and the sewer collection and disposal system serving the Community of Butner and the Camp Butner reservation. If the legislation is enacted, the State Treasurer must submit an application to the Local Government Commission for approval of the bond issue. In determining whether the bond issuance should be approved, the Commission must find all of the following:

- The proposed revenue bond issue is necessary.
- The amount proposed is adequate and not excessive.
- The proposed project is feasible.
- The net revenues of the project to be financed will be sufficient to service the proposed revenue bonds.
- The bonds can be marketed at a reasonable interest cost.

If the Commission approves the application for the issuance of the revenue bonds, the Council of State may adopt a revenue bond order. In fixing the details of the revenue bonds, the State is subject to the same restrictions as local governments under The State and Local Revenue Bond Act. The Local Government Commission would sell the bonds.

NORTH CAROLINA GENERAL ASSEMBLY

LEGISLATIVE FISCAL NOTE

BILL NUMBER: HB 1629 (House Finance Committee Substitute)

SHORT TITLE: Butner Water & Sewer Bonds

SPONSOR(S): Representatives Crawford, Allen & Fox

FISCAL IMPACT

Yes (X) **No ( )** **No Estimate Available ( )**

	FY 2000-01	FY 2001-02	FY 2002-03	FY 2003-04	FY 2004-05
REVENUES					
General Fund		No fiscal impact			
EXPENDITURES					
General Fund	$106,145	$90,223	$73,417	$56,168	$35,824

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Health and Human Services (HHS), Department of State Treasurer- Local Government Commission, Department of Correction, Office of Juvenile Justice, Department of Agriculture & Consumer Services, Department of Crime Control & Public Safety

EFFECTIVE DATE: Effective when it becomes law.

BILL SUMMARY:
The bill authorizes the issuance of up to $40 million in state revenue bonds to finance improvements to the water and sewer system for the community of Butner and the Camp Butner reservation. The bonds will be sold by the Local Government Commission and will be exempt from state tax.

ASSUMPTIONS AND METHODOLOGY:
Approximately $37.2 million in improvements are proposed for the Butner water and sewer system. Since these improvements will be phased in over 15 years, the bonds will be sold as needed to fund construction. The proposed bond sale schedule, subject to approval by the Local Government Commission, is as follows:

FY 2000-01	$9,946,300
FY 2005-06	$10,000,000
FY 2011-12	$15,730,000
FY 2014-15	$1,523,000
	$37,199,300

To repay the bond debt, water and sewer rates will increase an estimated 24% to 28%. The current versus proposed rates are as follows:

	Current	Proposed
Water Rates		
0 to 3,000 gallons	$8	
Greater than 3,000 gallons	$1.70 per 1,000 gallons	
0 to 2,000 gallons		$9
Greater than 2,000 gallons		$2.35 per 1,000 gallons
Sewage Rates		
0 to 3,000 gallons	$12	
Greater than 3,000 gallons	$1.70 per 1,000 gallons	
0 to 2,000 gallons		$12
Greater than 2,000 gallons		$2.35 per 1,000 gallons

The users of Butner water and sewer service are as follows:

	Water	Sewer
Industrial	37%	33%
Federal prison	21%	19%
Commercial & residential	16%	14%
State institutions	16%	14%
Sanitary districts (2)	10%	12%
Town of Creedmoor	0	8%

From April 1999 to April 2000, state institutions in Butner spent $442,272 on water and sewer services. The following is a breakdown of expenditures by department.

	Amount	Percent
Dept. of Health & Human Services	$272,191	61.5%
Dept. of Corrections	$141,798	32.1%
Office of Juvenile Justice	$17,766	4.0%
Dept. of Agriculture & Consumer Services	$9,845	2.2%
Dept. of Crime Control & Public Safety	$672	.2%

If water and sewer fees are increased 28% to pay for needed improvements, then an additional $123,836 must be appropriated from the General Fund each year to the five agencies listed above. Based on the most recent twelve months of expenditures, the increased appropriation would be apportioned as follows:

Dept. of Health & Human Services	$76,214
Dept. of Corrections	$39,703
Office of Juvenile Justice	$4,974
Dept. of Agriculture & Consumer Services	$2,757
Dept. of Crime Control & Public Safety	$188
	$123,836

Based on information from the Department of Health and Human Services (HHS), the largest user of water and sewer services among state institutions, future year budgets include only inflationary increases as approved by the Office of State Budget and Management (OSBM). Instead of a 28% increase for the water and sewer line item for Butner next year, HHS has included only 4% as instructed by OSBM. The following table shows the shortfall in funding between the amount needed to repay water and sewer bonds (28% rate hike) and the inflationary increases built into state agency budgets (4% to 5% a year).

	FY 1999-00*	FY 2000-01	FY 2001-02	FY 2002-03	FY 2003-04	FY 2004-05
Dept. of Health & Human Services	$272.191	$283,079	$292,878	$303,221	$313,836	$326,357
Dept. of Corrections	141,798	$147,470	$152,575	$157,963	$163,493	$170,016
Office of Juvenile Justice	$17,766	$18,477	$19,116	$19,791	$20,484	$21,301
Dept. of Agriculture & Consumer Services	$9,845	$10,239	$10,593	$10,967	$11,351	$11,804
Dept. of Crime Control & Public Safety	$672	$699	$723	$749	$775	$806
	$442,272	$459,963	$475,885	$492,691	$509,940	$530,284
Revenue needed to repay bonds		$566,108	$566,108	$566,108	$566,108	$566,108
Difference		$106,145	$90,223	$73,417	$56,168	$35,824

* Based on April 1999 to April 2000 actual expenditures

If this bill passes, the Office of Management and Budget would have the opportunity to build the new rates into the agency budgets as a continuation item.

HOUSE BILL 1579
Committee Substitute Favorable 6/6/00

Short Title: Monroe Charter Consolidation. (Local)

Sponsors:

Referred to:

May 18, 2000

A BILL TO BE ENTITLED

AN ACT TO REVISE AND CONSOLIDATE THE CHARTER OF THE CITY OF MONROE.

The General Assembly of North Carolina enacts:

Section 1. The Charter of the City of Monroe is revised and consolidated to read as follows:

"THE CHARTER OF THE CITY OF MONROE.

"ARTICLE I. INCORPORATION, CORPORATE POWERS, AND BOUNDARIES.

"Section 1.1. **Incorporation.** The City of Monroe in Union County and the inhabitants thereof shall continue to be a municipal body politic and corporate, under the name of the 'City of Monroe,' hereinafter at times referred to as the 'City.'

"Section 1.2. **Powers.** The City shall have and may exercise all of the powers, duties, rights, privileges, and immunities conferred upon the City of Monroe specifically by this Charter or upon municipal corporations by general law. The term 'general law' is employed herein as defined in G.S. 160A-1.

"Section 1.3. **Corporate Limits.** The corporate limits shall be those existing at the time of ratification of this Charter, as set forth on the official map of the City and as they may be altered from time to time in accordance with law. An official map of the City, showing the current municipal boundaries, shall be maintained permanently in the office of the City Clerk and shall be available for public inspection. Upon alteration of the corporate limits pursuant to law, the appropriate changes to the

official map shall be made and copies shall be filed in the office of the Secretary of State, the Union County Register of Deeds, and the appropriate board of elections.

"ARTICLE II. GOVERNING BODY.

"Section 2.1. **City Governing Body; Composition.** The City Council, hereinafter referred to as the 'Council,' and the Mayor shall be the governing body of the City.

"Section 2.2. **City Council; Composition; Terms of Office.** The Council shall be composed of six members, to be elected by all the qualified voters of the City, for staggered terms of four years or until their successors are elected and qualified.

"Section 2.3. **Mayor; Term of Office; Duties.** The Mayor shall be elected by all the qualified voters of the City for a term of two years or until a successor is elected and qualified. The Mayor shall be the official head of the City government and preside at meetings of the Council; shall have the right to cast one vote, and one vote only, upon any question or matter before the Council; and shall exercise the powers and duties conferred by law or as directed by the Council.

"Section 2.4. **Mayor Pro Tempore.** The Council shall elect one of its members as Mayor Pro Tempore to perform the duties of the Mayor during his or her absence or disability, in accordance with general law. The Mayor Pro Tempore shall serve in such capacity at the pleasure of the Council.

"Section 2.5. **Meetings.** In accordance with general law, the Council shall establish a suitable time and place for its regular meetings. Special and emergency meetings may be held as provided by general law.

"Section 2.6. **Quorum; Voting.** Official actions of the Council and all votes shall be taken in accordance with the applicable provisions of general law, including, but not limited to, G.S. 160A-75. The quorum provisions of G.S. 160A-74 shall apply.

"Section 2.7. **Compensation, Qualifications for Office; Vacancies.** The compensation and qualifications of the Mayor and Council members shall be in accordance with general law. Vacancies that occur in any elective office of the City shall be filled by majority vote of the remaining members of the governing body and shall be filled for the remainder of the unexpired term, notwithstanding the contrary provisions of G.S. 160A-63.

"ARTICLE III. ELECTION.

"Section 3.1. **Regular Municipal Elections.** Regular municipal elections shall be held in each odd-numbered year in accordance with the uniform municipal election laws of North Carolina. Elections shall be conducted on a nonpartisan basis and the results determined using the nonpartisan election and runoff method as provided in G.S. 163-293.

"Section 3.2. **Election of Mayor.** A Mayor shall be elected in each regular municipal election. The Mayor serving on the date of ratification of this act shall serve until the expiration of his or her term or until a successor is elected and qualified.

"Section 3.3. **Election of Council Members.** Three Council members shall be elected at large in each regular municipal election, as the respective terms expire. The council members serving on the date of ratification of this act shall serve until the expiration of their terms or until their successors are elected and qualified.

"Section 3.4. **Special Elections and Referenda.** Special elections and referenda may be held only as provided by general law or applicable local acts of the General Assembly.

"ARTICLE IV. ORGANIZATION AND ADMINISTRATION.

"Section 4.1. **Form of Government.** The City shall operate under the council-manager form of government, in accordance with Part 2 of Article 7 of Chapter 160A of the General Statutes.

"Section 4.2. **City Manager; Appointment; Powers and Duties.** The Council shall appoint a City Manager who shall be responsible for the administration of all departments of the City government. The City Manager shall have all the powers and duties conferred by general law, except as expressly limited by the provisions of this Charter, and the additional powers and duties conferred by the Council, so far as authorized by general law.

"Section 4.3. **City Attorney.** The Council shall appoint a City Attorney licensed to practice law in North Carolina. It shall be the duty of the City Attorney to represent the City, advise City officials, and perform other duties as required by law or as the Council may prescribe.

"Section 4.4. **City Clerk.** The Council shall appoint a City Clerk to keep a journal of the proceedings of the Council, to maintain official records and documents, to give notice of meetings, and to perform such other duties as required by law or as the Council may prescribe.

"Section 4.5. **Chief of Police.** The Council shall appoint a Chief of Police to maintain the peace and order of the community, enforce the laws, and perform such other duties as required by law or as the Council may prescribe.

"Section 4.6. **Tax Collector.** The Council shall appoint a Tax Collector to collect all taxes owed to the City, perform those duties specified in G.S. 105-350, and such other duties as required by law or as the Council may prescribe.

"Section 4.7. **Other Administrative Officers and Employees.** The Council may authorize other positions to be filled by appointment by the City Manager and may organize the City government as deemed appropriate, subject to the requirements of general law.

"Section 4.8. **Council-Manager Relationship.** The Council shall hold the City Manager responsible for the proper management of the affairs of the City and he or she shall keep the Council informed of the conditions and needs of the City and shall make such reports and recommendations as may be requested by the Council or as he or she may deem necessary. The City Manager shall have the authority to appoint and remove all officers, department heads, and employees in the administrative service of the City, except those provided in this Charter to be appointed and removed by the Council. The City Manager shall have direct supervisory authority over the City Attorney, City Clerk, Chief of Police, and Tax Collector in the performance of their respective duties and responsibilities. Neither the Mayor, the City Council, nor any member thereof shall direct the conduct or activities of any City employee, directly or indirectly, except through the City Manager.

"Section 4.9. **Settlement of Claims by City Manager.** The Council may authorize the City Manager to settle claims against the City for (i) personal injuries or damages to property when the amount involved does not exceed the sum of five thousand dollars ($5,000) and does not exceed the actual loss sustained, including loss of time, medical expenses, and any other expenses actually incurred; and (ii) the taking of small portions of private property which are needed for the rounding of corners at intersections of streets, when the amount involved in any such settlement does not exceed five thousand dollars ($5,000) and does not exceed the actual loss sustained. Settlement of a claim by the City Manager pursuant to this section shall constitute a complete release of the City from any and all damages sustained by the person involved in such settlement in any manner arising out of the incident, occasion, or taking complained of. All such settlements and all such releases shall be approved in advance by the City Attorney.

"ARTICLE V. STREETS AND SIDEWALKS.

"Section 5.1. **Assessments for Sidewalk or Curb and Gutter Improvements; Petition Unnecessary.** In addition to any authority granted by general law, the Council may levy special assessments for sidewalk improvements or repairs or curb and gutter improvements or repairs without the necessity of a petition. Improvements or repairs may be ordered according to standards and specifications of the City, and four-fifths of the total costs assessed against abutting property, not including the cost of improvements made at intersections, according to one or more of the assessment bases set forth in Article 10 of Chapter 160A of the General Statutes. In ordering improvements or repairs without a petition and assessing the costs thereof under authority of this Article, the Council shall comply with the procedures provided by Article 10 of Chapter 160A of the General Statutes, except those provisions relating to petitions of property owners and the sufficiency thereof. The effect of levying assessments under authority of this Article shall be the same as if the assessments were levied under Authority of Article 10 of Chapter 160A of the General Statutes.

"Section 5.2. **Acquisition of Street Right-of-Way Outside City Limits.** The authority of the City to acquire street right-of-way outside the corporate limits shall continue as provided in Chapter 177, Session Laws of 1985.

"ARTICLE VI. POLICE.

"Section 6.1. **City Police/Service of Civil Process.** In addition to the authority granted by G.S. 160A-285, City police officers shall have the power to serve civil citations, notices, complaints, and orders issued by the governing body or by a public officer of the City. Such authority shall exist within the corporate limits and the extraterritorial police jurisdiction as defined in G.S. 160A-286.

"ARTICLE VII. BIDDING AND PROCUREMENT.

"Section 7.1. **Force Account Work.** The authority of the City to proceed under G.S. 143-135 when work is performed by appointed agents using labor crews and equipment leased on a per diem basis shall continue as provided in Chapter 128, Session Laws of 1985.

"Section 7.2. **Natural Gas Purchases.** The authority of the City to purchase natural gas for consumption or resale using the informal bidding procedure of G.S. 143-131 shall continue as provided in Chapter 18, Session Laws of 1989.

"ARTICLE VIII. FIREFIGHTERS' RETIREMENT FUND.

"Section 8.1. **Fireman's Supplemental Retirement Fund.** The Monroe Fireman's Supplemental Retirement Fund shall continue as authorized by Chapter 31, Session Laws of 1975; Chapter 532, Session Laws of 1981; and any subsequent acts.

"ARTICLE IX. ALCOHOLIC BEVERAGE CONTROL.

"Section 9.1. **Alcoholic Beverage Control Stores.** Alcoholic Beverage Control Stores shall operate within the City of Monroe as provided in Chapter 541, Session Laws of 1963, as amended by Chapter 165, Session Laws of 1965; Chapter 197, Session Laws of 1989; Chapter 32, Session Laws of 1993; and any subsequent acts."

Section 2. The purpose of this act is to revise the Charter of the City of Monroe and to consolidate certain acts concerning the property, affairs, and government of the City. It is intended to continue without interruption those provisions of prior acts which are expressly consolidated into this act, so that all rights and liabilities which have accrued are preserved and may be enforced.

Section 3. This act does not repeal or affect any acts concerning the property, affairs, or government of public schools, or any acts validating official actions, proceedings, contracts, or obligations of any kind.

Section 4. The following acts, having served the purposes for which they were enacted or having been consolidated into this act, are expressly repealed:

Chapter 48, Private Laws of 1844-45
Chapter 239, Private Laws of 1848-49, except Section 1
Chapter 171, Private Laws of 1860-61
Chapter 83, Private Laws of 1872-73
Chapter 47, Private Laws of 1881, except for the first clause of Section 1
Chapter 12, Public Laws of 1887
Chapter 4, Private Laws of 1887
Chapter 89, Private Laws of 1887
Chapter 179, Private Laws of 1891
Chapter 48, Private Laws of 1893
Chapter 263, Private Laws of 1893
Chapter 78, Public Laws of 1897
Chapter 76, Private Laws of 1897
Chapter 127, Private Laws of 1897
Chapter 352, Private Laws of 1899
Chapter 434, Private Laws of 1901
Chapter 41, Private Laws of 1905
Chapter 111, Private Laws of 1905
Chapter 314, Private Laws of 1905
Chapter 406, Private Laws of 1905
Chapter 336, Private Laws of 1907, except Section 5
Chapter 352, Private Laws of 1907, except Section 4

Chapter 11, Private Laws of 1908 (Ex. Sess.)
Chapter 269, Private Laws of 1913
Chapter 383, Private Laws of 1913
Chapter 409, Private Laws of 1913
Chapter 455, Private Laws of 1913
Chapter 456, Private Laws of 1913
Chapter 58, Private Laws of 1913 (Ex. Sess.)
Chapter 26, Private Laws of 1917
Chapter 114, Public-Local Laws of 1919, as to Monroe only
Chapter 2, Private Laws of 1920 (Ex. Sess.)
Chapter 76, Private Laws of 1920 (Ex. Sess.)
Chapter 45, Private Laws of 1925, except Section 1
Chapter 187, Private Laws of 1925
Chapter 124, Private Laws of 1927
Chapter 132, Private Laws of 1927
Chapter 21, Private Laws of 1931
Chapter 178, Private Laws of 1933
Chapter 60, Public-Local Laws of 1937
Chapter 210, Public-Local Laws of 1939
Chapter 597, Session Laws of 1945
Chapter 28, Session Laws of 1947
Chapter 166, Session Laws of 1947, except Section 1
Chapter 641, Session Laws of 1949, except Section 1 and Section 2
Chapter 674, Session Laws of 1951
Chapter 123, Session Laws of 1953
Chapter 52, Session Laws of 1955
Chapter 497, Session Laws of 1955
Chapter 185, Session Laws of 1957
Chapter 703, Session Laws of 1957
Chapter 423, Session Laws of 1959
Chapter 466, Session Laws of 1959
Chapter 498, Session Laws of 1959
Chapter 1000, Session Laws of 1959, except Section 5
Chapter 121, Session Laws of 1961
Chapter 10, Session Laws of 1963
Chapter 70, Session Laws of 1963, except Section 11 and Section 13
Chapter 334, Session Laws of 1967
Chapter 370, Session Laws of 1967
Chapter 720, Session Laws of 1971
Chapter 419, Session Laws of 1975, except Section 2
Chapter 511, Session Laws of 1981
Chapter 270, Session Laws of 1983.

Section 5. This act does not affect any rights or interests which arose under any provisions repealed by this act.

Section 6. All existing ordinances, resolutions, and other provisions of the City of Monroe not inconsistent with the provisions of this act shall continue in effect until repealed or amended.

Section 7. No action or proceeding pending on the effective date of this act by or against the City or any of its departments or agencies shall be abated or otherwise affected by this act.

Section 8. If any provision of this act or application thereof is held invalid, such invalidity shall not affect other provisions or applications of this act which can be given effect without the invalid provision or application, and to this end the provisions of this act are declared to be severable.

Section 9. Whenever a reference is made in this act to a particular provision of the General Statutes, and such provision is later amended, superseded, or recodified, the reference shall be deemed amended to refer to the amended law or the law which most clearly corresponds to the statutory provision which is superseded or recodified.

Section 10. This act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1999

S 1

SENATE BILL 1544

Short Title: Tourist Directional Sign Program. (Public)

Sponsors: Senators Garrou; Albertson and Wellons.

Referred to: Appropriations/Base Budget.

May 30, 2000

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH A TOURIST ORIENTED DIRECTIONAL SIGN (TODS) PROGRAM.

The General Assembly of North Carolina enacts:

Section 1. Chapter 136 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 11B.

"Tourist Oriented Directional Sign Program.

"**§ 136-140.15. Scope of operations.**

(a) Tourist oriented directional signs (TODS) are guide signs which shall display the business identification of and directional information for business, service, and activity facilities. Each facility shall derive a major portion of income or visitors during the normal business season from road users not residing in the immediate area of the facility. TODS may include businesses involved with seasonal agricultural products.

(b) TODS shall not be installed for a business when any signs for that business would be required at intersections where, due to the number or conflicting locations of other highway signs or traffic control devices, or other physical or topographical features of the roadside, their presence would be impractical, unfeasible, or result in an unsafe or hazardous condition.

"**§ 136-140.16. Business eligibility criteria.**

(a) Any tourist oriented business shall be eligible to participate in the TODS Program. A business is considered to be 'tourist oriented' if a substantial portion of its products or services are of significant interest to tourists.

(b) All businesses shall be open to the general public and be 'tourist oriented' as defined in subsection (a) of this section. Businesses open to 'members only' or which restrict access to their facilities by the general public are not eligible for participation in the Program.

(c) Businesses shall comply with all applicable laws, ordinances, rules, and regulations concerning the provision of public accommodations without regard to race, religion, color, age, sex, national origin, disability, and any other category protected by federal or State constitutional or statutory law concerning the granting of licenses and approvals for public facilities.

(d) Businesses shall meet the following standards:

(1) Shall have the name of the business prominently displayed on the premises in such a manner that it is readily visible to motorists from the public highway on which the business is located.

(2) Shall be in continuous operation at least eight hours a day, five days a week during its normal season or the normal operating season for the type of business.

(3) Shall be licensed and approved by the appropriate State and/or local agencies regulating the particular type of business or activity.

(e) If a business is currently shown on another official highway guide sign (i.e., logo sign, supplemental guide sign) on the same approach to an intersection where a TODS panel for that business would be located, the business may elect to keep the existing highway guide sign or have it removed and replaced with TODS. If the business elects to retain the existing highway guide sign, the business shall be ineligible for TODS at that intersection.

"**§ 136-140.17. Terminating participation in Program.**

A business may terminate its participating in the Program at any time. The business will not be entitled to a refund of any fees paid, or portions thereof, because of voluntary termination of participation by the business, for any reason, prior to the end of its current contract period.

"**§ 136-140.18. Temporary removal or covering of TODS panels.**

(a) A business shall be allowed to close for remodeling or to repair damage from fire or other natural disaster, during which time its TODS panels shall be covered or removed. No refund of fees or any extension of the time remaining in their contract for participation will be provided for the period of closure.

(b) The Department may, at its discretion, remove or cover TODS panels for roadway construction or maintenance, for routine maintenance of the TODS assembly, traffic research study, or for any other reason deemed to be necessary or appropriate by the Department. Businesses shall not be entitled to any refunds of fee amounts for the period that the TODS panels are covered or removed unless this period exceeds seven days.

(c) The TODS panels for seasonal businesses shall have an appropriate message added during the period in which the businesses are open to the public as part of their normal seasonal operation.

"**§ 136-140.19. Department to issue rules to implement the TODS Program.**

The Department shall issue rules to implement the TODS Program created by this Article. Included in those rules:

(1) The Department shall set a fee to cover the initial costs of signs, sign maintenance, and administering the Program.

(2) The Department shall establish a standard for the size, color, and letter height of the TODS as specified in the National Manual of Uniform Traffic Control Devices for Streets and Highways.

(3) TODS shall not be placed for businesses more than five miles from the intersection or where prohibited by local ordinance.

(4) The number of TODS panels shall be limited to six per intersection with placement based on the earliest date of application and only one eligible business, service, or activity on each panel.

(5) If a business is not directly on a State highway, it is eligible for TODS panels if the following requirements are met:

a. It is located on a street that directly connects with a State road; and

b. It is located so that only one directional sign, placed on a State road, will lead the tourist to the place of business.

(6) A business shall not be eligible for TODS if it or its on-premises signs are readily visible from a State road."

Section 2. There is appropriated from the General Fund to the Department of Transportation the sum of ten thousand dollars ($10,000) for the 2000-2001 fiscal year to implement the Tourist Oriented Directional Sign Program.

Section 3. This act becomes effective July 1, 2000.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1999

Referred to:

May 30, 2000

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH A TOURIST-ORIENTED DIRECTIONAL SIGN (TODS) PROGRAM.

The General Assembly of North Carolina enacts:

Section 1. Chapter 136 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 11B.

"Tourist-Oriented Directional Sign Program.

"**§ 136-140.15. Scope of operations.**

(a) Program. -- The Department of Transportation shall administer a tourist-oriented directional signs (TODS) program.

(b) Definitions. -- The following definitions apply in this Article:

(1) TODS. -- Tourist-oriented directional signs (TODS) are guide signs that display the business identification of and directional information for tourist-oriented facilities.

(2) Tourist-oriented business. -- A business the substantial portion of whose products or services are of significant interest to tourists. The term may include a business involved with seasonal agricultural products.

(3) Tourist-oriented facility. -- A business, service, or activity facility that derives a major portion of income or visitors during the normal business season from road users not residing in the immediate area of the facility.

(c) Limitation. -- The Department shall not install TODS for a business if the signs would be required at intersections where, due to the number of conflicting locations of other highway signs or traffic control devices, or other physical or topographical features of the roadside, their presence would be impractical or unfeasible, or result in an unsafe or hazardous condition.

(d) Duplication. -- If a business is currently shown on another official highway guide sign, such as a logo sign or supplemental guide sign, on the same approach to an intersection where a TODS panel for that business would be located, the business may elect to keep the existing highway guide sign or have it removed and replaced with TODS. If the business elects to retain the existing highway guide sign, the business is ineligible for TODS at that intersection.

"**§ 136-140.16. Business eligibility criteria.**

Any tourist-oriented business is eligible to participate in the TODS program if it meets all of the following conditions:

(1) It is open to the general public and is not restricted to 'members only'.

(2) It does not restrict access to its facilities by the general public.

(3) It complies with all applicable laws, ordinances, rules, and regulations concerning the provision of public accommodations without regard to race, religion, color, age, sex, national origin, disability, and any other category protected by federal or State constitutional or statutory law concerning the granting of licenses and approvals for public facilities.

(4) It meets the following standards:

a. It has the name of the business prominently displayed on the premises in a manner that makes it readily visible to motorists from the public highway on which the business is located.

b. It is in continuous operation at least eight hours a day, five days a week during its normal season or the normal operating season for the type of business.

c. It is licensed and approved by the appropriate State and local agencies regulating the particular type of business or activity.

"**§ 136-140.17. Terminating participation in program.**

A business may terminate its participation in the TODS program at any time. The business is not entitled to a refund of any part of any fees paid because of voluntary termination of participation by the business, for any reason, before the end of its current contract period.

"**§ 136-140.18. Temporary modification of TODS panels.**

(a) The Department shall allow a participating business to close for remodeling or to repair damage from fire or other natural disaster if its TODS panels are covered or removed while the business is closed. No refund of fees or extension of the time remaining in the contract for participation will be provided for the period of closure.

(b) The Department may, at its discretion, remove or cover TODS panels for roadway construction or maintenance, for routine maintenance of the TODS assembly, for traffic research study, or for any other reason it considers appropriate. Businesses are not entitled to any refunds of fee amounts for the period that the TODS panels are covered or removed under this subsection unless the period exceeds seven days.

(c) The TODS panels for seasonal businesses shall have an appropriate message added during the period in which the businesses are open to the public as part of their normal seasonal operation.

"**§ 136-140.19. Department to adopt rules to implement the TODS program.**

The Department shall adopt rules to implement the TODS program created by this Article. The rules shall include all of the following:

(1) The Department shall set a fee to cover the initial costs of signs, sign maintenance, and administering the program.

(2) The Department shall establish a standard for the size, color, and letter height of the TODS as specified in the National Manual of Uniform Traffic Control Devices for Streets and Highways.

(3) TODS shall not be placed for businesses more than five miles from the sign.

(4) TODS shall not be placed where prohibited by local ordinance.

(5) The number of TODS panels shall not exceed six per intersection with placement based on the earliest date of application and with only one tourist-related facility on each panel.

(6) If a business is not directly on a State highway, it is eligible for TODS panels only if both of the following requirements are met:

a. It is located on a street that directly connects with a State road.

b. It is located so that only one directional sign, placed on a State road, will lead the tourist to the place of business.

(7) A TODS shall not be placed immediately in advance of the business if the facility and its on-premise advertising signs are readily visible from the roadway.

(8) The Department shall limit the placement of TODS to along highways other than fully controlled access highways and to rural areas in and around towns or cities with a population of less than 25,000."

Section 2. This act becomes effective July 1, 2000.

SENATE BILL 1544:
Tourist Directional Sign Program

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Garrou
Date:	June 26, 2000	**Summary by:**	Fred Kameny, Intern and Martha H. Harris, Staff Attorney
Version:	PCS2855		

SUMMARY: The proposed committee substitute for House Bill 1544 would establish within the Department of Transportation a tourist-oriented directional sign (TODS) program for businesses and other facilities that are of significant interest to tourists. The Department would be authorized to set user fees covering the cost of the program, so no appropriation from the General Fund or Highway Fund is required. The bill would become effective July 1, 2000.

ANALYSIS: The bill would add a new Article 11B to Chapter 136 of the General Statutes directing the Department of Transportation to administer a new program intended to make tourists better aware of these businesses and facilities by having the department erect nearby directional road signs. Signs may be erected only in rural areas and only along highways that are not fully controlled access highways. This limitation was not in the original bill, but is added by the proposed committee substitute.

The statute specifies eligibility criteria for the program, including requirements that an eligible business be open to the general public, be in continuous operation for at least part of the year, and comply with applicable anti-discrimination laws. The bill also precludes the installation of signs that are impractical or unsafe, that duplicate existing signs, or that are more than five miles from the businesses to which they relate. Finally, a sign may not be placed directly in advance of a business that is readily visible from the roadway.

The bill authorizes the Department to set fees, by rule, to cover all costs of administering the TODS program. The costs will include design, fabrication, installation, and administrative expenses. The first edition of the bill included a $10,000 appropriation from the General Fund to support the program; that appropriation is removed in the proposed committee substitute.

Although it is uncertain how many businesses might take part in the TODS program, it is estimated that under similar programs there have been about 4,000 tourist signs installed in Pennsylvania, 1,000 in Michigan, and 400 in Oregon.

In addition to limiting the program to rural areas and removing the appropriation, the proposed committee substitute reorganizes and clarifies the statutory language.

DRAFT

NORTH CAROLINA GENERAL ASSEMBLY

LEGISLATIVE FISCAL NOTE

BILL NUMBER: Senate Bill 1544 (Proposed Senate Finance Committee Substitute S1544-CSLK-4(LC))

SHORT TITLE: Tourist Directional Sign Program

SPONSOR(S): Senators Garrou; Albertson and Wellons

FISCAL IMPACT

Yes ( ) **No (X)** **No Estimate Available ( )**

	FY 2000-01	FY 2001-02	FY 2002-03	FY 2003-04	FY 2004-05
REVENUES					
EXPENDITURES					
POSITIONS:					

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Transportation

EFFECTIVE DATE: July 1, 2000

BILL SUMMARY: TOURIST DIRECTIONAL SIGN PROGRAM. Creates new Art. 11B in GS Ch. 136 (GS 136-140.15 through 136-140.19) requiring DOT to implement a tourist oriented directional sign (TODS) program. Defines a TODS as a guide sign displaying business identification and directional information for tourist-oriented businesses, services, and activities. Specifies eligibility criteria for businesses to be included on signs and requires DOT to issue rules dealing with, among other things, fees for cost of signs; size, color, and letter height of signs; and number of panels per sign. Effective July 1, 2000.

ASSUMPTIONS AND METHODOLOGY: This program is fee-supported and therefore does not have an impact on the Highway Fund.

DOT estimates that the cost for a business to participate in the TODS program could be approximately $800, broken out as follows:

DRAFT

One-time Administrative Cost (Application Review, Site Review, Contract Preparation)	$150
Sign Design	100
Sign Fabrication (2 mainline signs @$100, 1 trailblazer sign at $50)	250
Signs, sign supports, installation	300
TOTAL (Additional signs would add to the cost)	$800

In addition, there would be an annual maintenance cost of approximately $50 per business.

There is no estimate available on how many businesses would choose to participate in the program. DOT understands that Pennsylvania has about 4000 signs installed in a similar program, Michigan has about 1000, and Oregon has about 400. However, as North Carolina has the second largest state highway system, the potential could be quite large.

SENATE BILL 1252*

Short Title: Brownfields Tax Incentive. (Public)

Sponsors: Senator Odom.

Referred to: Agriculture/Environment/Natural Resources.

May 16, 2000

A BILL TO BE ENTITLED

AN ACT TO CREATE A TAX INCENTIVE FOR THE REDEVELOPMENT OF BROWNFIELDS PROPERTIES, AS RECOMMENDED BY THE ENVIRONMENTAL REVIEW COMMISSION.

The General Assembly of North Carolina enacts:

Section 1. Article 12 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-277.13. Taxation of improvements on brownfields.**

(a) Qualifying improvements on brownfields properties are designated a special class of property under Article V, Sec. 2(2) of the North Carolina Constitution and shall be appraised, assessed, and taxed in accordance with this section. An owner of land is entitled to the partial exclusion provided by this section for the first five taxable years beginning after the first completion of any qualifying improvements made after the later of July 1, 2000, or the date of the brownfields agreement. After property has qualified for the exclusion provided by this section, the assessor for the county in which the property is located shall annually appraise the improvements made to the property during the period of time that the owner is entitled to the exclusion.

(b) For the purposes of this section, the terms "qualifying improvements on brownfields properties" and "qualifying improvements" mean improvements made to real property that is subject to a brownfields agreement entered into by the Department of Environment and Natural Resources and the owner pursuant to G.S. 130A-310.32.

(c) The following table establishes the percentage of the appraised value of the qualified improvements that is excluded based on the taxable year:

Year	Percent of Appraised Value Excluded
Year 1	90%
Year 2	75%
Year 3	50%
Year 4	30%
Year 5	10%."

Section 2. This act is effective for taxes imposed for taxable years beginning on or after July 1, 2001.

SENATE BILL 1252:
Brownfields Tax Incentive

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Odom
Date:	June 27, 2000	**Summary by:**	Rick Zechini, Staffi Attorney and Karen Cochrane Brown Committee Co-Counsel
Version:	First Edition		

SUMMARY: ***Senate Bill 1252 temporarily reduces the local property tax on brownfields properties.***

BACKGROUND: The Brownfields Property Reuse Act authorizes the Department of Environment and Natural Resources (DENR) to enter into brownfields agreements with prospective developers. These brownfields agreements allow a developer to cleanup a contaminated property to a level that is less "clean" than would otherwise be required by law in exchange for subjecting the property to land-use restrictions. A developer who enters into an agreement with DENR and is complying with the agreement will not be held liable for cleanup of areas of contaminants identified in the agreement, so long as the activities conducted on the property do not increase the risk of harm to public health or the environment and the developer has not violated the land-use restrictions under the agreement.

BILL ANALYSIS: Senate Bill 1252 provides that the owner of real property that is subject to a brownfields agreement is entitled to a partial exclusion from local property tax for the first five years that improvements are made to the property. The partial exclusion is available beginning after the first completion of improvements made after the later of July 1, 2000, or the date of the brownfields agreement. The following table describes the percentage of the appraised value of improvements that is excluded based on the taxable year:

Taxable Year	Percent of Appraised Value
Year 1	90%
Year 2	75%
Year 3	50%
Year 4	30%
Year 5	10%

The Environmental Review Commission recommended this proposal to the 2000 Regular Session of the 1999 General Assembly for its consideration.

EFFECTIVE DATE: Senate Bill 1252 is effective for taxes imposed for taxable years beginning on or after July 1, 2001.

This summary was prepared by Rick Zechini, Committee Counsel to the Senate Agriculture, Environment, and Natural Resources Committee.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Environment and Natural Resources, County and Municipal Governments

EFFECTIVE DATE: Effective for taxes imposed for taxable years beginning on or after July 1, 2001.

BILL SUMMARY:

This bill would amend Article 12 of Chapter 105 of the General Statutes (Property Subject to Taxation) by including another section. This section creates a partial tax exemption for the appraised value of qualifying quality improvements on brownfields sites for the first five taxable years. This partial exemption includes any qualified improvements under the brownfields program completed after July 1, 2000. The following table outlines the partial tax exemption schedule:

Year	***Percentage of Appraised Value for Qualified Improvements Excluded***
Year 1	90%
Year 2	75%
Year 3	50%
Year 4	30%
Year 5	10%

BACKGROUND INFORMATION:
Chapter 9 of GS 130A provides for "brownfields agreements" between the Department of Environment and Natural Resources (DENR) and prospective developers of underutilized property. The qualified property under this agreement includes abandoned, idled, or underused property, at which expansion or redevelopment is hindered by potential state or locally mandated remediation of environmental contamination Under the agreement, the state provides the prospective developer with a covenant not to sue, contingent upon the developer conducting actions outlined in the agreement. Those actions are directed by the DENR, and include a mix of qualifying quality improvements, and enforceable land use restrictions. Qualifying quality improvements by the developer are defined as those site modifications authorized by the DENR, and include the cleanup of environmental contamination, prevention of future contamination, and modifications that would maximize benefit for the public. The restrictions placed upon land use prevent potential risks to public health and safety. Some examples would include the restriction of health care or child care facilities from the premises, as well as restrictions on the use of groundwater and soil from the site.

For entry into the program, prospective developers must show they did not cause or contribute to the contamination of the site, projects must emphasize redevelopment, and they must have public benefit commensurate with the liability relief provided. Projects that have resulted in public benefit are the preservation of an historic mill in Raleigh for mixed residential and commercial use, redevelopment of an abandoned furniture factory that created over 200 jobs in a rural town of 1000, and the construction of an inner city Winston-Salem supermarket. In limiting the liability and remediation costs of the prospective developer, redevelopment projects that would not ordinarily have been able to obtain financing are able to proceed. The money spent by the state on the brownfields program leverages large sums of private investment. On one site, $20,000 spent on state oversight and negotiation resulted in excess of $8 million in private investment for remediation and development.

There are currently 3 completed brownfields agreements and 6 agreements signed and pending. 17 additional applications have been filed and are active. There are over 1000 potential brownfields sites across the state that are currently underutilized or idle due to real or perceived environmental contamination.

ASSUMPTIONS AND METHODOLOGY:

This bill serves as a tax incentive to encourage additional brownfields development. It is not possible to accurately predict the extent to which this tax exemption will induce new developers to enter the program. Department of Environment and Natural Resources staff feel that this tax incentive will serve as an effective means of attracting additional brownfields site developers, as well as providing an incentive for pending agreements to proceed at a more rapid pace.

The tax exemption only extends to the tax appraised value of qualifying improvements upon the site, not the value of the entire site. It is not possible to predict the amount that each developer would spend on qualifying improvements, nor the tax assessed value of these improvements. However DENR staff and numerous county tax assessors feel that the additional property tax revenue provided by improvements to sites would be far greater than the combined tax loss over the five-year partial exemption period.

Due to the aforementioned factors, no estimate is available at this time.

A BILL TO BE ENTITLED

AN ACT TO MODIFY THE INCOME TAX CREDIT FOR MANUFACTURERS OF CERTAIN RENEWABLE ENERGY EQUIPMENT AND TO SUNSET THE CREDIT FOR COSTS INCURRED DURING TAXABLE YEARS BEGINNING ON OR AFTER JANUARY 1, 2002.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-130.28 reads as rewritten:

"**§ 105-130.28. Credit against corporate income tax for construction of a ~~photovoltaic~~ renewable energy equipment facility.**

(a) ~~Any~~ Credit. -- A corporation that constructs in North Carolina a facility for the ~~production of photovoltaic~~ manufacture of renewable energy equipment is allowed a credit against the tax imposed by this Part equal to twenty-five percent (25%) of the installation and equipment costs of construction paid during the taxable year. The entire credit may not be taken for the taxable year in which the costs are paid but must be taken in five equal installments beginning with the taxable year in which the costs are paid.

No credit is allowed, however, to the extent that any of the costs of the equipment were provided by federal, State, or local grants. To secure the credit allowed by this section, the taxpayer must own or control the facility at the time of construction. ~~The credit allowed by this section may not exceed the amount of the tax imposed by this Part for the taxable year reduced by the sum of all credits allowable, except payments of tax made by or on behalf of the taxpayer.~~

(b) ~~As used in this section, "photovoltaic equipment" means those products designed, manufactured, and produced to convert sunlight directly into electricity.~~ Definitions. -- The following definitions apply in this section:

(1) Biomass equipment. -- Products designed to use renewable biomass resources for biofuel production of ethanol, methanol, and biodiesel; anaerobic biogas production of methane utilizing agricultural and animal waste or garbage; or commercial thermal or electrical generation from renewable energy crops or wood waste materials. The term also includes related devices for converting, conditioning, and storing the liquid fuels, gas, and electricity produced with biomass equipment.

(2) Renewable biomass resources. -- Organic matter produced by terrestrial and aquatic plants and animals, such as standing vegetation, aquatic crops, forestry and agricultural residues, landfill wastes, and animal wastes.

(3) Renewable energy equipment. -- Biomass equipment, solar electric or thermal equipment, and wind energy equipment.

(4) Solar electric or thermal equipment. -- Products designed to convert sunlight into electricity or heat.

(5) Wind energy equipment. -- Products designed to capture and convert wind energy into electricity or mechanical power.

(c) Carryforward. -- The credit allowed by this section may not exceed the amount of the tax imposed by this Part for the taxable year reduced by the sum of all credits allowable, except payments of tax made by or on behalf of the taxpayer. Any unused portion of the credit may be carried forward for the succeeding 10 years. ~~The amount of credit allowed under this section may be carried over for the next succeeding five years.~~

(d) No Double Credit. -- A taxpayer that claims any other credit allowed under this Chapter with respect to construction of a facility for the manufacture of renewable energy equipment may not take the credit allowed in this section with respect to the same facility."

Section 2. G.S. 105-130.28, as amended by this act, is repealed effective for costs incurred during taxable years beginning on or after January 1, 2002.

Section 3. This act does not affect the rights or liabilities of the State, a taxpayer, or another person arising under the statute repealed by this act before the effective date of its repeal, nor does it affect the right to any refund or credit of a tax that accrued under the repealed statute before the effective date of its repeal.

Section 4. This act is effective for taxable years beginning on or after January 1, 2000.

(b) ~~As used in this section, "photovoltaic equipment" means those products designed, manufactured, and produced to convert sunlight directly into electricity.~~ Definitions. -- The following definitions apply in this section:

(1) Biomass equipment. -- Products designed to use renewable biomass resources for biofuel production of ethanol, methanol, and biodiesel; anaerobic biogas production of methane utilizing agricultural and animal waste or garbage; or commercial thermal or electrical generation from renewable energy crops or wood waste materials. The term also includes related devices for converting, conditioning, and storing the liquid fuels, gas, and electricity produced with biomass equipment.

(2) Renewable biomass resources. -- Organic matter produced by terrestrial and aquatic plants and animals, such as standing vegetation, aquatic crops, forestry and agricultural residues, landfill wastes, and animal wastes.

(3) Renewable energy equipment. -- Biomass equipment, solar electric or thermal equipment, and wind energy equipment.

(4) Solar electric or thermal equipment. -- Products designed to convert sunlight into electricity or heat.

(5) Wind energy equipment. -- Products designed to capture and convert wind energy into electricity or mechanical power.

(c) Carryforward. -- The credit allowed by this section may not exceed the amount of the tax imposed by this Part for the taxable year reduced by the sum of all credits allowable, except payments of tax made by or on behalf of the taxpayer. Any unused portion of the credit may be carried forward for the succeeding 10 years. ~~The amount of credit allowed under this section may be carried over for the next succeeding five years.~~

(d) No Double Credit. -- A taxpayer that claims any other credit allowed under this Chapter with respect to construction of a facility for the manufacture of renewable energy equipment may not take the credit allowed in this section with respect to the same facility."

Section 2. G.S. 105-130.28, as amended by this act, is repealed effective for costs incurred during taxable years beginning on or after January 1, 2002.

Section 3. This act does not affect the rights or liabilities of the State, a taxpayer, or another person arising under the statute repealed by this act before the effective date of its repeal, nor does it affect the right to any refund or credit of a tax that accrued under the repealed statute before the effective date of its repeal.

Section 4. This act is effective for taxable years beginning on or after January 1, 2000.

A BILL TO BE ENTITLED

AN ACT TO MODIFY THE INCOME TAX CREDIT FOR MANUFACTURERS OF CERTAIN RENEWABLE ENERGY EQUIPMENT AND TO FURTHER ADJUST THE SHARE CERTAIN CITIES RECEIVE FROM THE STATE GROSS RECEIPTS TAX.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-130.28 reads as rewritten:

"**§ 105-130.28. Credit against corporate income tax for construction of a ~~photovoltaic~~ renewable energy equipment facility.**

(a) ~~Any~~ Credit. -- A corporation that constructs in North Carolina a facility for the ~~production of photovoltaic~~ manufacture of renewable energy equipment is allowed a credit against the tax imposed by this Part equal to twenty-five percent (25%) of the installation and equipment costs of construction paid during the taxable year. The entire credit may not be taken for the taxable year in which the costs are paid but must be taken in five equal installments beginning with the taxable year in which the costs are paid.

No credit is allowed, however, to the extent that any of the costs of the equipment were provided by federal, State, or local grants. To secure the credit allowed by this section, the taxpayer must own or control the facility at the time of construction. ~~The credit allowed by this section may not exceed~~

~~the amount of the tax imposed by this Part for the taxable year reduced by the sum of all credits allowable, except payments of tax made by or on behalf of the taxpayer.~~

(b) ~~As used in this section, "photovoltaic equipment" means those products designed, manufactured, and produced to convert sunlight directly into electricity.~~ Definitions. -- The following definitions apply in this section:

(1) Biomass equipment. -- Products designed to use renewable biomass resources for biofuel production of ethanol, methanol, and biodiesel; anaerobic biogas production of methane utilizing agricultural and animal waste or garbage; or commercial thermal or electrical generation from renewable energy crops or wood waste materials. The term also includes related devices for converting, conditioning, and storing the liquid fuels, gas, and electricity produced with biomass equipment.

(2) Renewable biomass resources. -- Defined in G.S. 105-129.15.

(3) Renewable energy equipment. -- Biomass equipment, solar electric or thermal equipment, and wind energy equipment.

(4) Solar electric or thermal equipment. -- Products designed to convert sunlight into electricity or heat.

(5) Wind energy equipment. -- Products designed to capture and convert wind energy into electricity or mechanical power.

(c) Carryforward. -- The credit allowed by this section may not exceed the amount of the tax imposed by this Part for the taxable year reduced by the sum of all credits allowable, except payments of tax made by or on behalf of the taxpayer. Any unused portion of the credit may be carried forward for the succeeding 10 years. ~~The amount of credit allowed under this section may be carried over for the next succeeding five years.~~

(d) No Double Credit. -- A taxpayer that claims any other credit allowed under this Chapter with respect to construction of a facility for the manufacture of renewable energy equipment may not take the credit allowed in this section with respect to the same facility."

Section 2. G.S. 105-116.1 reads as rewritten:

"**§ 105-116.1. Distribution of gross receipts taxes to cities.**

(a) Definitions. -- The following definitions apply in this section:

(1) Freeze deduction. -- The amount by which the percentage distribution amount of a city was required to be reduced in fiscal year 1995-96 in determining the amount to distribute to the city.

(2) Percentage distribution amount. -- Three and nine hundredths percent (3.09%) of the gross receipts derived by an electric power company and a telephone company from sales within a city that are taxable under G.S. 105-116 or G.S. 105-120.

(b) Distribution. -- The Secretary must distribute to the cities part of the taxes collected under this Article on electric power companies and telephone companies. Each city's share for a calendar quarter is the percentage distribution amount for that city for that quarter minus one-fourth of the city's hold-back amount and one-fourth of the city's proportionate share of the annual cost to the Department of administering the distribution. The Secretary must make the distribution within 75 days after the end of each calendar quarter.

(c) Limited Hold-Harmless Adjustment. -- The hold-back amount for a city that, in the 1995-96 fiscal year, received from gross receipts taxes less than ninety-five percent (95%) of the amount it received in the 1990-91 fiscal year but at least sixty percent (60%) of the amount it received in the 1990-91 fiscal year is the amount determined by the following calculation:

(1) Adjust the city's 1995-96 distribution by adding the city's freeze deduction to the amount distributed to the city for that year.

(2) Compare the adjusted 1995-96 amount with the city's 1990-91 distribution.

(3) If the adjusted 1995-96 amount is less than or equal to the city's 1990-91 distribution, the hold-back amount for the city is zero.

(4) If the adjusted 1995-96 amount is more than the city's 1990-91 distribution, the hold-back amount for the city is the city's freeze deduction minus the difference between the city's 1990-91 distribution and the city's 1995-96 distribution.

(c1) Additional Limited Hold-Harmless Adjustment. -- The hold-back amount for a city that, in the 1995-96 fiscal year, received from gross receipts taxes less than sixty percent (60%) of the amount it received in the 1990-91 fiscal year is the amount determined by the following calculation:

(1) Adjust the city's 1999-2000 distribution by adding the city's freeze deduction to the amount distributed to the city for that year.

(2) Compare the adjusted 1999-2000 amount with the city's 1990-91 distribution.

(3) If the adjusted 1999-2000 amount is less than or equal to the city's 1990-91 distribution, the hold-back amount for the city is zero.

(4) If the adjusted 1999-2000 amount is more than the city's 1990-91 distribution, the hold-back amount for the city is the city's freeze deduction minus the difference between the city's 1990-91 distribution and the city's 1999-2000 distribution.

(d) Allocation of Hold-Harmless Adjustment. -- The hold-back amount for a city that, in the 1995-96 fiscal year, received from gross receipts taxes at least ninety-five percent (95%) of the amount it received in the 1990-91 fiscal year is the amount determined by the following calculation:

(1) Determine the amount by which the freeze deduction is reduced for all cities whose hold-back amount is determined under ~~subsection (c)~~ subsections (c) and (c1) of this section. This amount is the total hold-harmless adjustment.

(2) Determine the amount of gross receipts taxes that would be distributed for the quarter to cities whose hold-back amount is determined under this subsection if these cities received their percentage distribution amount minus one-fourth of their freeze deduction.

(3) For each city included in the calculation in subdivision (2) of this subsection, determine that city's percentage share of the amount determined under that subdivision.

(4) Add to the city's freeze deduction an amount equal to the city's percentage share under subdivision (3) of this subsection multiplied by the total hold-harmless adjustment.

(e) Disqualification. -- No municipality may receive any funds under this section if it was incorporated with an effective date of on or after January 1, 2000, and is disqualified from receiving funds under G.S. 136-41.2. No municipality may receive any funds under this section, incorporated with an effective date on or after January 1, 2000, unless a majority of the mileage of its streets are open to the public. The previous sentence becomes

effective with respect to distribution of funds on or after July 1, 1999."

Section 3. G.S. 105-130.28, as amended by this act, is repealed effective for costs incurred during taxable years beginning on or after January 1, 2006.

Section 4. This act does not affect the rights or liabilities of the State, a taxpayer, or another person arising under the statute repealed by this act before the effective date of its repeal, nor does it affect the right to any refund or credit of a tax that accrued under the repealed statute before the effective date of its repeal.

Section 5. Sections 1 and 3 of this act are effective for taxable years beginning on or after January 1, 2000. Section 2 of this act becomes effective October 1, 2000 and applies to distributions made on or after that date. The remainder of this act is effective when it becomes. law.

HOUSE BILL 1473:
Renewable Energy Manufacturers Credit

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Rep. Hackney
Date:	June 20, 2000	**Summary by:**	Martha K. Walston
Version:	Proposed Senate Committee Substitute		Committee Counsel

SUMMARY: ***House Bill 1473 expands the current corporate tax credit for a corporation that constructs a facility for the production of photovoltaic equipment to include the construction of a facility for the production of other types of renewable energy equipment. The bill provides that the credit must be taken in five equal installments and extends the carry forward from 5 years to 10 years. The bill becomes effective for taxable years beginning on or after January 1, 2000, and sunsets the credit for costs incurred during taxable years beginning on or after January 1, 2006.***

House Bill 1473 also adjusts the share certain cities receive from the State gross receipts tax.

CURRENT LAW: A corporation that constructs a facility for the production of photovoltaic equipment is allowed a credit equal to 25% of the installation and equipment costs of construction paid during the taxable year. The amount of the credit may not exceed the amount of tax owed; any unused credit may be carried forward for five years. Photovoltaic equipment means products designed, manufactured, and produced to convert sunlight directly into electricity. The credit is not allowed to the extent that federal, State, or local grants provide any of the costs of the equipment. To secure the credit, the taxpayer must own or control the facility at the time of construction.

BILL ANALYSIS:

Tax Credit for Manufacturers of Renewable Energy Equipment. House Bill 1473 would allow a corporation that constructed a facility in North Carolina for the manufacture of renewable energy equipment to receive a corporate income tax credit equal to 25% of the installation and equipment costs of construction paid during the taxable year. Renewable energy equipment is defined by the bill as biomass equipment, solar electric or thermal equipment, and wind energy equipment. This broad definition encompasses the current definition of photovoltaic equipment. The credit allowed under this bill differs from the current credit in the following ways:

- The entire credit could not be taken for the taxable year in which the costs are paid, but would be taken in five equal installments beginning with the taxable year in which the costs are paid.
- Any unused portion of the credit may be carried forward for 10 years instead of 5 years.
- A taxpayer that claims any other credit with respect to the construction of a facility to manufacture renewable energy equipment may not take this credit with respect to the same facility.

Adjustment to Franchise Tax Distribution Formula for Cities. House bill 1473 also makes an adjustment to the franchise tax distribution formula for cities.[1]

Background: Under the $1.2 billion State budget fix in 1991, the State eliminated the future growth to cities of this shared revenue. The total amount distributed was frozen but the relative share of each city changed based on the proportion of that city's receipts compared to the total of all cities' receipts. When the 1993 General Assembly restored growth, effective beginning with the 1995-96 fiscal year, it was decided that the State would "holdback" an amount equal to the growth of the distribution base from 1990-91 to 1994-95 as the contribution of each city to the State's budget problems. After growth was restored in 1995-96, it was discovered that some cities received less net distribution than in 1990-91, the last year prior to the "growth freeze". This happened to cities that experienced a temporary franchise tax base growth in the freeze years (1990-91 through 1994-95) and then a reduction of the base in 1995–96. To adjust for this loss of tax base growth, the 1997 General Assembly reduced the holdback amount, thereby increasing the amount of State franchise tax distributed to 40 cities. These 40 cities were the ones whose 1995-96 distributions were less than 95% of their 1990-91 distributions. The 1997 act increased the annual distribution to the affected cities by a total of $194,841. The annual distribution to the other 500 cities was reduced by the same amount, so that the State share of the franchise tax was not reduced. The 1997 adjustment, however, was not sufficient to hold the Town of Denton's loss to a level that did not go below its 1990-91 distribution. The reason the 1997 adjustment formula did not fully compensate Denton is because the manufacturing facility that was the basis of the holdback had not fully closed by 1995-96.

House Bill 1473 would allow the adjustment formula for a city that, in the 1995-96 fiscal year, received from gross receipts taxes less than 60% of the amount it received in the 1990-91 fiscal year, to be based upon the 1999-2000 fiscal year distribution rather than the higher 1995-96 distribution. This exception to the adjustment formula would apply to distributions made on or after October 1, 2000.

Cindy Avrette, committee counsel to House Finance, contributed substantially to this summary.

[1] The State distributes part of the State franchise tax imposed on utilities to the cities. Prior to July 1, 1999, the franchise taxes that were distributed were the taxes on electricity, piped natural gas, and telephone service. The rate for each utility was 3.22% In S.L. 1998-22, the General Assembly combined the franchise gross receipts and sales taxes on piped natural gas into a single per therm excise tax. That act preserved the distribution of the gross receipts tax to cities by providing that 50% of the new excise tax on piped gas service within a city would be distributed to that city.

GENERAL FUND					
Energy Mfr. Credit	No estimate available				
State Gross Receipts Tax	Redistribution of tax proceeds among cities				

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue

EFFECTIVE DATE: Sections 1 and 2 (tax credit) of this act are effective for taxable years beginning on or after January 1, 2000. The franchise tax distribution change becomes effective for distributions taking place on or after October 1, 2000.

BILL SUMMARY:

Renewable Energy Credits. Replaces the corporate tax credit for constructing a photovoltaic (PV) equipment facility with a corporate tax credit for constructing a renewable energy equipment facility. The tax credit is taken in five equal installments over five years. Unused tax credits have a 10 year carryforward. No taxpayer may receive more than one tax credit for this type of facility.

Franchise Tax Distribution. Makes a slight modification to the distribution of the State franchise tax on utility gross receipts that is shared with cities.

BACKGROUND:

Franchise Tax Distribution. Under the $1.2 billion State budget fix in 1991, the State eliminated the future growth to cities of this shared revenue. When the 1993 General Assembly restored growth, effective beginning with 1995-96, it was decided that the State would "holdback" an amount equal to the growth of the distribution base from 1990-91 to 1994-95 as the contribution of each city to the State's budget problems.

After growth was restored in 1995-96, it was discovered that some cities received less net distribution than in 1990-91, the last year prior to the "growth freeze". The reason had to do with the fact that in a handful of cities the source of the 1990-91 to 1994-95 growth had disappeared.

A good example is the town of Denton in which an apparel manufacturing plant that had come on line during the freeze period had closed down. This meant that Denton was being penalized for a distribution holdback that came from a plant that was no longer part of the franchise tax base.

The 1997 General Assembly modified the holdback to try to hold harmless 41 cities to approximately the 1990-91 distribution level. After the law was enacted the Town of Denton discovered that because the apparel manufacturing plant had not fully closed by 1995-96, the use of that year as the calculation base meant that the Town was still facing a substantial distribution loss, when compared to 1990-91.

This bill adjusts the 1997 holdback fix by replacing the 1995-96 fiscal year with 1998-99 to calculate the hold harmless provision.

ASSUMPTIONS AND METHODOLOGY:

Energy Tax Credit

The current corporate income tax credit for constructing photovoltaic manufacturing facilities has not been used since it was created in 1981. The Department of Revenue reported no usage of the credit from 1981 to 1987. After 1987, no separate accounting was done for each energy credit. Officials with the North Carolina Solar Center and the North Carolina Solar Energy Association do not recall this credit ever being used. These solar energy advocates believe the existing law's 5-year carry forward period is too short for new companies to show a profit and benefit from the tax incentive. The credit in HB 1473 lengthens the carry forward period from 5 to 10 years and expands credit eligibility to include biomass and wind energy equipment.

This fiscal note cannot predict the number of firms that will apply for this revised corporate tax credit nor the amount of credit to be requested. However, if only one firm applies for the credit, there will be a General Fund revenue loss due to the absence of applicants for the current tax credit program. The Chief of the Renewable Energy Branch of the U.S. Department of Energy (DOE) believes North Carolina is a good candidate for a small photovoltaic (PV) company using specialized technology and for a biomass equipment company working with the wood products industry. An example of a small PV company is Atlantis Energy, which built a $1.5 million plant in Cape Charles Virginia in 1995 to produce custom designed PV modules. A biomass equipment plant might be attracted to the North Carolina wood products industry, that produced 1,730 million kilowatt hours of energy from wood and wood waste in 1995. (DOE/Energy Information Administration)

The Chief of the DOE Renewable Energy Branch believes that manufacturers of photovoltaic (PV) and biomass equipment will expand production capacity over the next five years. The Million Solar Roofs Initiative that DOE began in 1997 aims to install a million solar energy systems on one million U.S. buildings by the year 2010. Since 64% of the shipments from the nation's 24 manufacturers of PV cells and modules (DOE 1995 estimate) are exported, an increase in domestic demand should prompt an expansion of PV plant capacity.

Franchise Tax Distribution

Based on actual tax base, holdback, and distribution data from the Department of Revenue, it is estimated that in future years the Town of Denton will receive an additional $14,000 per year. There is no State budget impact because the Denton funds will come from a pro rata reduction in the distribution of other cites.

A BILL TO BE ENTITLED

AN ACT TO MODIFY THE INCOME TAX CREDIT FOR MANUFACTURERS OF CERTAIN RENEWABLE ENERGY EQUIPMENT AND TO FURTHER ADJUST THE SHARE CERTAIN CITIES RECEIVE FROM THE STATE GROSS RECEIPTS TAX.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-130.28 reads as rewritten:

"**§ 105-130.28. Credit against corporate income tax for construction of a ~~photovoltaic~~ renewable energy equipment facility.**

(a) ~~Any~~ Credit. -- A corporation that constructs in North Carolina a facility for the ~~production of photovoltaic~~ manufacture of renewable energy equipment is allowed a credit against the tax imposed by this Part equal to twenty-five percent (25%) of the installation and equipment costs of construction paid during the taxable year. The entire credit may not be taken for the taxable year in which the costs are paid but must be taken in five equal installments beginning with the taxable year in which the costs are paid.

No credit is allowed, however, to the extent that any of the costs of the equipment were provided by federal, State, or local grants. To secure the credit allowed by this section, the taxpayer must own or control the facility at the time of construction. ~~The credit allowed by this section may not exceed the amount of the tax imposed by this Part for the taxable year reduced by the sum of all credits allowable, except payments of tax made by or on behalf of the taxpayer.~~

(b) ~~As used in this section, "photovoltaic equipment" means those products designed, manufactured, and produced to convert sunlight directly into electricity.~~ Definitions. -- The following definitions apply in this section:

(1) Biomass equipment. -- Products designed to use renewable biomass resources for biofuel production of ethanol, methanol, and biodiesel; anaerobic biogas production of methane utilizing agricultural and animal waste or garbage; or commercial thermal or electrical generation from renewable energy crops or wood waste materials. The term also includes related devices for converting, conditioning, and storing the liquid fuels, gas, and electricity produced with biomass equipment.

(2) Renewable biomass resources. -- Defined in G.S. 105-129.15.

(3) Renewable energy equipment. -- Biomass equipment, solar electric or thermal equipment, and wind energy equipment.

(4) Solar electric or thermal equipment. -- Products designed to convert sunlight into electricity or heat.

(5) Wind energy equipment. -- Products designed to capture and convert wind energy into electricity or mechanical power.

(c) Carryforward. -- The credit allowed by this section may not exceed the amount of the tax imposed by this Part for the taxable year reduced by the sum of all credits allowable, except payments of tax made by or on behalf of the taxpayer. Any unused portion of the credit may be carried forward for the succeeding 10 years. ~~The amount of credit allowed under this section may be carried over for the next succeeding five years.~~

(d) No Double Credit. -- A taxpayer that claims any other credit allowed under this Chapter with respect to construction of a facility for the manufacture of renewable energy equipment may not take the credit allowed in this section with respect to the same facility."

Section 2. G.S. 105-116.1 reads as rewritten:

"**§ 105-116.1. Distribution of gross receipts taxes to cities.**

(a) Definitions. -- The following definitions apply in this section:

(1) Freeze deduction. -- The amount by which the percentage distribution amount of a city was required to be reduced in fiscal year 1995-96 in determining the amount to distribute to the city.

(2) Percentage distribution amount. -- Three and nine hundredths percent (3.09%) of the gross receipts derived by an electric power company and a telephone company from sales within a city that are taxable under G.S. 105-116 or G.S. 105-120.

(b) Distribution. -- The Secretary must distribute to the cities part of the taxes collected under this Article on electric power companies and telephone companies. Each city's share for a calendar quarter is the percentage distribution amount for that city for that quarter minus one-fourth of the city's hold-back amount and one-fourth of the city's proportionate share of the annual cost to the Department of

administering the distribution. The Secretary must make the distribution within 75 days after the end of each calendar quarter.

(c) Limited Hold-Harmless Adjustment. -- The hold-back amount for a city that, in the 1995-96 fiscal year, received from gross receipts taxes less than ninety-five percent (95%) of the amount it received in the 1990-91 fiscal year but at least sixty percent (60%) of the amount it received in the 1990-91 fiscal year is the amount determined by the following calculation:

(1) Adjust the city's 1995-96 distribution by adding the city's freeze deduction to the amount distributed to the city for that year.

(2) Compare the adjusted 1995-96 amount with the city's 1990-91 distribution.

(3) If the adjusted 1995-96 amount is less than or equal to the city's 1990-91 distribution, the hold-back amount for the city is zero.

(4) If the adjusted 1995-96 amount is more than the city's 1990-91 distribution, the hold-back amount for the city is the city's freeze deduction minus the difference between the city's 1990-91 distribution and the city's 1995-96 distribution.

(c1) Additional Limited Hold-Harmless Adjustment. -- The hold-back amount for a city that, in the 1995-96 fiscal year, received from gross receipts taxes less than sixty percent (60%) of the amount it received in the 1990-91 fiscal year is the amount determined by the following calculation:

(1) Adjust the city's 1999-2000 distribution by adding the city's freeze deduction to the amount distributed to the city for that year.

(2) Compare the adjusted 1999-2000 amount with the city's 1990-91 distribution.

(3) If the adjusted 1999-2000 amount is less than or equal to the city's 1990-91 distribution, the hold-back amount for the city is zero.

(4) If the adjusted 1999-2000 amount is more than the city's 1990-91 distribution, the hold-back amount for the city is the city's freeze deduction minus the difference between the city's 1990-91 distribution and the city's 1999-2000 distribution.

(d) Allocation of Hold-Harmless Adjustment. -- The hold-back amount for a city that, in the 1995-96 fiscal year, received from gross receipts taxes at least ninety-five percent (95%) of the amount it received in the 1990-91 fiscal year is the amount determined by the following calculation:

(1) Determine the amount by which the freeze deduction is reduced for all cities whose hold-back amount is determined under ~~subsection (c)~~ subsections (c) and (c1) of this section. This amount is the total hold-harmless adjustment.

(2) Determine the amount of gross receipts taxes that would be distributed for the quarter to cities whose hold-back amount is determined under this subsection if these cities received their percentage distribution amount minus one-fourth of their freeze deduction.

(3) For each city included in the calculation in subdivision (2) of this subsection, determine that city's percentage share of the amount determined under that subdivision.

(4) Add to the city's freeze deduction an amount equal to the city's percentage share under subdivision (3) of this subsection multiplied by the total hold-harmless adjustment.

(e) Disqualification. -- No municipality may receive any funds under this section if it was incorporated with an effective date of on or after January 1, 2000, and is disqualified from receiving funds under G.S. 136-41.2. No municipality may receive any funds under this section, incorporated with an effective date on or after January 1, 2000, unless a majority of the mileage of its streets are open to the public. The previous sentence becomes effective with respect to distribution of funds on or after July 1, 1999."

Section 3. G.S. 105-130.28, as amended by this act, is repealed effective for costs incurred during taxable years beginning on or after January 1, 2006.

Section 4. This act does not affect the rights or liabilities of the State, a taxpayer, or another person arising under the statute repealed by this act before the effective date of its repeal, nor does it affect the right to any refund or credit of a tax that accrued under the repealed statute before the effective date of its repeal.

Section 5. Sections 1 and 3 of this act are effective for taxable years beginning on or after January 1, 2000. Section 2 of this act becomes effective October 1, 2000, and applies to distributions made on or after that date. The remainder of this act is effective when it becomes law.

Referred to:

May 16, 2000

A BILL TO BE ENTITLEBill

AN ACT TO DESIGNATE THE STATE BOARD OF EDUCATION AS THE STATE EDUCATION AGENCY RESPONSIBLE FOR ADMINISTERING THE QUALIFIED ZONE ACADEMY BOND PROGRAM.

The General Assembly of North Carolina enacts:

Section 1. Chapter 115C of the General Statutes is amended by adding a new Article to read:

"ARTICLE 34B.

"Qualified Zone Academy Bonds.

"**§ 115C-489.5. Qualified zone academy bonds; findings.**

The General Assembly finds:

(a) Section 226 of the Taxpayer Relief Act of 1997, as codified at 26 U.S.C. § 1397E, provides funds for school improvements through taxable qualified zone academy bonds. Ninety-five percent (95%) or more of the proceeds of a qualified zone academy bond issue must be used for a qualified purpose with respect to a qualified zone academy established by an eligible local education agency.

(b) Partnerships between private entities and local schools are promoted through the use of qualified zone academy bonds. Issuers must certify that they have received written commitments from one or more private entities to make qualified contributions valued at ten percent (10%) of the proceeds of the issue.

(c) Eligible taxpayers may receive federal tax credits for holding the qualified zone academy bonds. It is intended that the qualified zone academy bonds be sold at par

value so that the tax credits received are instead of interest that otherwise would have been paid on the bonds. Therefore, issuers of qualified zone academy bonds are obligated to repay the principal amount of the qualified zone academy bonds but need not make interest payments.

(d) Applicable federal law limits the amount of qualified zone academy bonds that may be issued in North Carolina in a calendar year.

"**§ 115C-489.6. Administration; consultation; issuance of bonds.**

(a) State Board of Education to Administer Program. -- The State Board of Education is designated the State education agency responsible for administering the qualified zone academy bond program in North Carolina for the purposes of 26 U.S.C. § 1397E. The State Board of Education shall perform all activities required to implement and carry out the qualified zone activity bond program in North Carolina. Those activities include:

(1) Defining those areas and schools that are eligible under federal law to participate in the qualified zone academy bond program in North Carolina.

(2) Designing an application process under which proposals may be solicited from qualified zone academies.

(3) Determining the eligibility of an applicant to be a participating qualified zone academy.

(4) Awarding the State's allocation of total funds among selected applicants and establishing conditions upon the usage of the allocation. These conditions must include:

a. Requiring that the bond proceeds be used only for rehabilitating or repairing the public school facility in which the qualified zone academy is located, which may include (i) wiring and other infrastructure improvements related to providing technology and (ii) equipment related to the rehabilitation or repair, but not personal computers or similar technology equipment.

b. Conditions designed to assure that the allocation is used in a timely manner.

(5) Confirming that the terms of any qualified zone academy bonds issued in accordance with this program are consistent with the terms of the federal program.

(b) Assistance. -- The Department of Public Instruction shall provide the State Board of Education any support it requires in carrying out this section.

(c) Consultation. -- In reviewing applications and awarding allocations, the State Board of Education shall consult with the Local Government Commission to determine whether a prospective issuer of qualified zone academy bonds is able to issue or incur marketable obligations.

(d) Issuance of Bonds. -- Any bonds designated as qualified zone academy bonds may be issued pursuant to the applicable provisions of and in compliance with the Local Government Bond Act, Article 4 of Chapter 159 of the General Statutes, or

pursuant to the applicable provisions of and in compliance with G.S. 160A-20, to the extent authorized by G.S. 153A-158.1. As provided in G.S. 159-123(b), bonds designated as qualified zone academy bonds to be issued pursuant to the Local Government Bond Act may be sold by the Local Government Commission at private sale."

Section 2. G.S. 159-123(b) reads as rewritten:

"(b) The following classes of bonds may be sold at private sale:

(1) Bonds that a State or federal agency has previously agreed to purchase.

(2) Any bonds for which no legal bid is received within the time allowed for submission of bids.

(3) Revenue bonds, including any refunding bonds issued pursuant to G.S. 159-84, and special obligation bonds issued pursuant to Chapter 159I of the General Statutes.

(4) Refunding bonds issued pursuant to G.S. 159-78.

(5) Refunding bonds issued pursuant to G.S. 159-72 if the Local Government Commission determines that a private sale is in the best interest of the issuing unit.

(6) Bonds designated as qualified zone academy bonds pursuant to G.S. 115C-489.6, if the Local Government Commission determines that a private sale is in the best interest of the issuing unit."

Section 3. G.S. 150B-21.1 is amended by adding a new subsection to read:

"(a7) Notwithstanding the provisions of subdivision (a)(2) of this section, an agency may adopt a temporary rule to implement the provisions of any of the following acts until all rules necessary to implement the provisions of the act have become effective as either temporary or permanent rules:

(1) Reserved.

(2) Article 34B of Chapter 115C of the General Statutes."

Section 4. Interpretation of Act. (a) Additional Method. This act provides an additional and alternative method for the doing of the things it authorizes and is as supplemental and additional to powers conferred by other laws. Except as otherwise expressly provided, it does not derogate any powers now existing.

Section 4.(b) Statutory References. References in this act to specific sections or Chapters of the General Statutes are intended to be references to those sections or Chapters as they may be amended from time to time by the General Assembly.

Section 4.(c) Liberal Construction. This act, being necessary for the health and welfare of the people of the State, shall be liberally construed to effect its purposes.

Section 4.(d) Severability. If any provision of this act or its application is held invalid, the invalidity does not affect other provisions or applications of this act that can be given effect without the invalid provisions or application, and to this end the provisions of this act are severable.

Section 5. G.S. 150B-21.1(a7)(2), as enacted by Section 3 of this act, is repealed effective July 1, 2003.

Section 6. This act is effective when it becomes law.

HOUSE BILL 1539:
Qualified Zone Academy Bonds

BILL ANALYSIS

Committee: Senate Finance
Date: June 25, 2000
Version: 3rd Edition

Introduced by: Rep. Rogers
Recommended by Education Oversight
Summary by: Cindy Avrette
Committee Counsel

SUMMARY: ***House Bill 1539 is a recommendation of the Joint Legislative Education Oversight Committee. It authorizes the State Board of Education to administer selection and monitoring provisions of federal legislation that allows counties to issue Qualified Zone Academy Bonds (QZABs) on behalf of eligible public schools. HB 1539 was discussed in House Education and House Finance.***

BACKGROUND: QZABs are a relatively new financing tool that can be used by eligible public schools for renovation and repair projects and for equipment and up-to-date technology. Under current law, they cannot be used for new construction. Congress enacted the QZAB program in 1997. Under the QZAB program, bondholders (banks, insurance companies, and other financial institutions) receive a federal income tax credit in lieu of a cash interest payment. This means that local governments may borrow money under the QZAB program at a zero interest rate.

Congress allocated $400 million in QZABs to the states in 1998, 1999, and 2000. An additional $400 million will be allocated in 2001. Each state has a specified allotment, which is based on the number of individuals with incomes below the poverty level.

Only certain public schools can qualify as a qualified zone academy eligible for the bonds. To be a qualified zone academy, the public school must meet one of the following two conditions:

- Be located in an empowerment zone or enterprise community.
- Expect at least 35% of its students to be eligible for free or reduced-cost lunches under the federal school lunch program. This criterion is the one that schools are most likely to meet.

A participating public school must also meet two additional requirements:

- Its programs must be designed in cooperation with private business to improve education and it must be subject to local academic standards and assessments.
- It must have commitments from private entities to contribute property or services in an amount equal to 10% of the QZABs to be issued.

BILL ANALYSIS: Each state is responsible for administering the QZAB program. North Carolina does not currently have a process for administering the program. House Bill 1539 authorizes the State Board of Education to administer a program to identify eligible schools, set up an application process, select one or more schools each year, and confirm that the bonds are issued in accordance with the federal restrictions. **House Finance amended the bill by removing the exemption of the State Board of Education from the Administrative Procedure Act's rule-making requirements related to administering the QZAB program. House Finance also added language to allow the State Board to adopt temporary rules to administer the QZAB program. This temporary rule-making provision sunsets July1, 2003.**

The bill limits the purpose for which bond proceeds may be used to rehabilitating and repairing eligible public schools, which may include wiring and equipment related to this purpose but not personal computers or similar technology equipment. The bill provides that the QZABs must be issued pursuant to the Local Government Bond Act. Since a local government does not have to have a formal bond issue to participate in the program, the bill provides that any other financing arrangement must be made in accordance with G.S. 160A-20, which governs other financing options such as installment contracts and certificates of participation. **House Finance also added language that the bonds must be issued to the extent authorized by G.S. 153A-158.1. This statute, which regulates the acquisition and improvement of school property in 76 counties, also governs financing options for public schools.**

Kory Goldsmith, counsel to the Education Committee, and Martha Walston, counsel to the Senate Finance Committee, contributed to this summary.

NORTH CAROLINA GENERAL ASSEMBLY

LEGISLATIVE FISCAL NOTE

BILL NUMBER: HB 1539 (House Finance Committee Substitute)

SHORT TITLE: Qualified Zone Academy Bond Act of 2000

SPONSOR(S): Representatives Rogers and Yongue

FISCAL IMPACT

Yes ( ) **No (X)** **No Estimate Available ( )**

	FY 2000-01	FY 2001-02	FY 2002-03	FY 2003-04	FY 2004-05
REVENUES					
EXPENDITURES	No General Fund Impact				
POSITIONS:					

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: County Governments

EFFECTIVE DATE: The act is effective when it becomes law.

BILL SUMMARY: This legislation authorizes the State Board of Education to administer selection and monitoring provisions of federal legislation (26 U.C.S. 1379E) that allows counties to issue Qualified Zone Academy Bonds (QZABs) on behalf of eligible public schools.

BACKGROUND INFORMATION: The federal Taxpayer Relief Act of 1997 provides federal funding for certain public schools and programs by allowing local governments to issue Qualified Zone Academy Bonds for the rehabilitation and renovation of schools, development of course materials, and training of teachers and personnel. Bonds may not be issued for new construction. The local governments pay the principal on the bond, but pay no interest to the bondholder. In lieu of interest, the bondholder receives a federal tax credit.

$9,115,000 was allocated to North Carolina in 1998 and $8,851,000 in 1999 under the federal QZAB program. North Carolina counties are authorized to issue $11,281,000 in bond principal for the year 2000. The combined total of QZAB principal that counties are authorized to issue nationally is $400 million. In order for North Carolina counties to utilize the interest exemption on approximately $9.1 million authorized for 1998, the county bonds must be issued by

December 31, 2000. After this date, counties are no longer able to issue the 1998 QZAB bond allocation.

ASSUMPTIONS AND METHODOLOGY: There is no fiscal impact from this bill on the state level. The state issues no bonds, and shoulders none of the responsibility of the county QZAB issuance. County governments in effect, pay less over the term of the bond. They are only responsible for the repayment of the principal, while the interest due to bondholders is federally subsidized in the form of a tax credit.

Additionally, upon the passing of this bill, there will be no additional administration or operating costs. The State Board of Education will utilize existing staff and resources in the monitoring and direction of the program.

A BILL TO BE ENTITLED

AN ACT TO PROMOTE THE PRESERVATION OF FARMLAND AND TO PROMOTE SMALL, FAMILY-OWNED FARMS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 106-744(c) reads as rewritten:

"(c) There is established a 'North Carolina Farmland Preservation Trust Fund' to be administered by the Commissioner of Agriculture. The Trust Fund shall consist of all monies received for the purpose of purchasing agricultural conservation easements or transferred from counties or private sources. The Trust Fund shall be invested as provided in G.S. 147-69.2 and G.S. 147-69.3. The Commissioner shall use Trust Fund monies for the purchase of agricultural conservation easements, including transaction costs, and shall distribute Trust Fund monies ~~to counties and private nonprofit conservation organizations~~ for such purchases, including transaction ~~costs.~~ costs, as follows:

(1) To a private nonprofit conservation organization that matches thirty percent (30%) of the Trust Fund monies it receives with funds from sources other than the Trust Fund.

(2) To counties according to the match requirements under subsection (c1) of this section.

(c1) A county that is an enterprise tier four county or an enterprise tier five county, as these tiers are defined in G.S. 105-129.3(a), and that has prepared a

countywide farmland protection plan shall match fifteen percent (15%) of the Trust Fund monies it receives with county funds. A county that has not prepared a countywide farmland protection plan shall match thirty percent (30%) of the Trust Fund monies it receives with county funds. A county that is an enterprise tier one county, an enterprise tier two county, or an enterprise tier three county, as these counties are defined in G.S. 105-129.3(a), and that has prepared a countywide farmland protection plan shall not be required to match any of the Trust Fund monies it receives with county funds.

(c2) The Commissioner of Agriculture shall adopt rules ~~and regulations~~ governing the use, distribution, investment, and management of Trust Fund monies."

Section 2. G.S. 106-744 is amended by adding two new subsections to read:

"(e) As used in subsection (c1) of this section, a countywide farmland protection plan means a plan that satisfies all of the following requirements:

(1) The countywide farmland protection plan shall contain a list and description of existing agricultural activity in the county.

(2) The countywide farmland protection plan shall contain a list of existing challenges to continued family farming in the county.

(3) The countywide farmland protection plan shall contain a list of opportunities for maintaining or enhancing small, family-owned farms and the local agricultural economy.

(4) The countywide farmland protection plan shall describe how the county plans to maintain a viable agricultural community and shall address farmland preservation tools, such as agricultural economic development, including farm diversification and marketing assistance; other kinds of agricultural technical assistance, such as farm infrastructure financing, farmland purchasing, linking with younger farmers, and estate planning; the desirability and feasibility of donating agricultural conservation easements, and entering into voluntary agricultural districts.

(5) The countywide farmland protection plan shall contain a schedule for implementing the plan and an identification of possible funding sources for the long-term support of the plan.

(f) A countywide farmland protection plan that meets the requirements of subsection (e) of this section may be formulated with the assistance of an agricultural advisory board designated pursuant to G.S. 106-739."

Section 3. Part 2 of Article 18 of Chapter 153A of the General Statutes is amended by adding a new section to read:

"**§ 153A-335.1. Fees to support farmland protection.**

A county that has prepared and adopted a countywide farmland protection plan containing all the elements set forth in G.S. 106-744(e) may adopt an ordinance imposing a fee of no more than ten dollars ($10.00) for each subdivision plat required to be filed with the register of deeds for recordation. The monies collected pursuant

to this section shall be used to meet the county match requirements for obtaining funding from the North Carolina Farmland Preservation Trust Fund."

Section 4. This act becomes effective July 1, 2000.

HOUSE BILL 1132:
Preserve Farmlands/Promote Small Farms.

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Representative Insko
Date:	June 7, 2000	**Summary by:**	Karen Cochrane Brown
Version:	Fourth Edition		Committee Co-Counsel

SUMMARY: ***House Bill 1132 amends the Farmland Preservation Enabling Act to authorize distribution of Farmland Preservation Trust Fund monies to nonprofit conservation organizations on a 30% matching basis, and to counties on a 30%, 15% or 0% matching basis, depending on their tier status and whether the county has prepared a farmland protection plan. The bill also authorizes counties to impose a $10.00 fee for filing a subdivision plat with the register of deeds, to be used for the county match requirement for receiving funds from the trust fund.***

CURRENT LAW:

The Farmland Preservation Enabling Act was first enacted in 1986, to authorize counties to undertake farmland preservation programs. The Act also authorizes counties to purchase agricultural conservation easements over qualifying farmland and establishes the North Carolina Farmland Preservation Trust Fund to assist in the purchase of such easements. The Fund is administered by the Commissioner of Agriculture, who distributes trust fund monies to counties and private nonprofit conservation organizations for the purpose of purchasing agricultural conservation easements.

BILL ANALYSIS:

This bill amends the Farmland Preservation Enabling Act to make matching funds a requirement for receiving funds from the Farmland Preservation Trust Fund. Private nonprofit conservation organizations must match 30% of the money it receives from the Trust Fund with money from other sources. Counties must match on the following basis:

- 15% for a county that is an enterprise tier four or five county and that has prepared a countywide farmland protection plan.
- 30% for any county that has not prepared a countywide farmland protection plan.
- 0% for a county that is an enterprise tier one, two, or three county and that has prepared a countywide farmland protection plan.

Section 2 of the bill defines a farmland protection plan as a plan that contains: (1) a list and description of existing county agricultural activity; (2) a list of continuing challenges to continued family farming in the county; (3) a list of opportunities for maintaining or enhancing small family-owned farms and the local agricultural economy; (4) a description of county plans to maintain a viable agricultural community; and (5) a schedule for implementing the plan and identification of possible funding sources for the long term support of the plan. This section also provides that countywide farmland protection plans may be formulated with the assistance of an agricultural advisory board designated pursuant to the Farmland Preservation Enabling Act.

A county that has prepared and adopted a countywide farmland protection plan may impose a fee of no more than $10 for each subdivision plat required to be filed with the Register of Deeds for recordation. The money collected shall be used to meet the county match requirements for the Farmland Preservation Trust Fund.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Participating local governments.

EFFECTIVE DATE: July 1, 2000

BILL SUMMARY: The bill amends the Farmland Preservation Enabling Act. The bill makes county matching funds a requirement for receiving funds from the North Carolina Farmland Preservation Trust Fund. The county match requirements outlined in the legislation are as follows: 15% if the county has prepared a countywide farmland protection plan, 30% if the county has not created such a plan. Tier 1,2, and 3 counties (under the Bill Lee Act) are not required to provide any matching funds if they have prepared a countywide farmland protection plan. The bill requires that private non-profit organizations that draw Trust Fund monies must also provide a 30% match. The bill defines a Farmland Protection Plan, and authorizes counties that have prepared such a plan to impose a fee of no more than $10.00 for each subdivision plat filed with the Register of Deeds. This revenue must be used to meet the county match requirements. Finally, the legislation clarifies that countywide farmland protection plans may be formulated with the assistance of an agricultural advisory board designated by the Farmland Protection Enabling Act.

BACKGROUND INFORMATION: In 1985, the General Assembly enacted the Farmland Preservation Enabling Act, that authorized counties to undertake a series of programs to encourage the preservation of qualifying farmland. Qualifying farmland is defined as real property that:

1) Is participating in the farm present-use-value taxation program by G.S. 105-277.2 to 277.7;
2) Is certified by the Soil Conservation Service of the U.S. Department of Agriculture as being a farm on which at least two-thirds of the land is composed of soils that (a) are best suited for providing food, seed, fiber, forage, timber, and oil seed crops (b) have good soil qualities (c) are favorable for all major crops common to the county where the land is located (d) have a favorable growing season, and (e) receive the available moisture needed to produce high yields an average eight of ten years;
3) Is managed in accordance with the Soil Conservation Service erosion control practices that are addressed to highly erodable land; and
4) Is the subject of a conservation agreement as defined in G.S. 121-35, between the county and the owner of such land that prohibits nonfarm use or development of such land for a period of at least ten years.

The variety of programs authorized by the Farmland Preservation Enabling Act include:
1) The creation of Voluntary Agricultural Districts to encourage and foster agricultural communities, and to increase protection from nuisance suits and other negative impacts on properly managed farms.
2) The creation of an Agricultural Advisory Board to review and make recommendations concerning the agricultural districts, advise county commissioners on issues affecting the agricultural community, and perform other related tasks assigned by the board of county commissioners.
3) Hold public hearings on the condemnation of farmland.
4) Waive water and sewer assessments.
5) Adopt county ordinances.
6) Purchase agricultural conservation easements.

This bill addresses the sixth of the above listed authorities created by the Farmland Preservation Enabling Act, and will become effective on July 1, 2000.

ASSUMPTIONS AND METHODOLOGY: The two potential fiscal impacts of the bill relate to the $10.00 fee and the potential property tax loss.

According to the North Carolina Department of Agriculture and Consumer Services, the following thirteen counties have created programs and ordinances under the North Carolina Farmland Preservation Act:

-Avery
-Buncome
-Cherokee
-Clay
-Durham
-Forsyth
-Haywood
-Henderson
-Macon
-Madison
-Orange
-Rowan
-Wake

Grants from the Farmland Preservation Trust Fund were issued as follows:

	Farmland	County	Size(acres)
1	Daltonia Plantation	Iredell	198
2	Darrider farm	Rowan	81
3	Newlin-Hickory Grove Dairy	Alamance	122
4	Richardson Farm	Allegheny	298
5	Blackburn Farm	Forsyth	59
6	Preston Farm	Forsyth	207
7	Green Farm	Cabarrus	317
8	Prston Farm	Forsyth	66 of 200
9	Bovender Farm	Rutherford	304 of 935
10	Theys Farm	Wake	92 of 100
11	Liberty Farms	Randolph & Chatham	444 of 458
		Total	**2188 acres**

Under current law no county match is needed to participate in the program. Both the Department of Agriculture and representatives of the Sierra Club and Wildlife Federation believe that no county in the state currently has a program that would qualify under the proposed legislation, although some may be considering such a direction. Both the indicated interest groups and the Department agree that there is no reliable estimate of the number of counties that may choose to participate in the revised system. Therefore, no accurate fiscal estimate is available on the fee portion of the bill.

If a county chooses to participate there may be a potential property tax loss. If the county or a non-profit purchase the land using monies from the Trust, that land may become exempt from property tax. If monies are used to purchase an easement, the land value may decrease because the easement limits how the property can be used. However, the potential loss should be minimal for two reasons. First, because the land must be farmland in order to qualify under the rules of the Trust, the property is already listed at the reduced farm use value. Second, since most counties will only purchase easements, the land will still be taxable as farmland. Since the land is already listed as farmland, there would be no property tax loss.

A BILL TO BE ENTITLED

AN ACT TO PROMOTE THE PRESERVATION OF FARMLAND AND TO PROMOTE SMALL, FAMILY-OWNED FARMS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 106-744(c) reads as rewritten:

"(c) There is established a 'North Carolina Farmland Preservation Trust Fund' to be administered by the Commissioner of Agriculture. The Trust Fund shall consist of all monies received for the purpose of purchasing agricultural conservation easements or transferred from counties or private sources. The Trust Fund shall be invested as provided in G.S. 147-69.2 and G.S. 147-69.3. The Commissioner shall use Trust Fund monies for the purchase of agricultural conservation easements, including transaction costs, and shall distribute Trust Fund monies ~~to counties and private nonprofit conservation organizations~~ for such purchases, including transaction ~~costs.~~ costs, as follows:

(1) To a private nonprofit conservation organization that matches thirty percent (30%) of the Trust Fund

monies it receives with funds from sources other than the Trust Fund.

(2) To counties according to the match requirements under subsection (c1) of this section.

(c1) A county that is an enterprise tier four county or an enterprise tier five county, as these tiers are defined in G.S. 105-129.3(a), and that has prepared a countywide farmland protection plan shall match fifteen percent (15%) of the Trust Fund monies it receives with county funds. A county that has not prepared a countywide farmland protection plan shall match thirty percent (30%) of the Trust Fund monies it receives with county funds. A county that is an enterprise tier one county, an enterprise tier two county, or an enterprise tier three county, as these counties are defined in G.S. 105-129.3(a), and that has prepared a countywide farmland protection plan shall not be required to match any of the Trust Fund monies it receives with county funds.

(c2) The Commissioner of Agriculture shall adopt rules ~~and regulations~~ governing the use, distribution, investment, and management of Trust Fund monies."

Section 2. G.S. 106-744 is amended by adding two new subsections to read:

"(e) As used in subsection (c1) of this section, a countywide farmland protection plan means a plan that satisfies all of the following requirements:

(1) The countywide farmland protection plan shall contain a list and description of existing agricultural activity in the county.

(2) The countywide farmland protection plan shall contain a list of existing challenges to continued family farming in the county.

(3) The countywide farmland protection plan shall contain a list of opportunities for maintaining or enhancing small, family-owned farms and the local agricultural economy.

(4) The countywide farmland protection plan shall describe how the county plans to maintain a viable agricultural community and shall address farmland preservation tools, such as agricultural economic development, including farm diversification and marketing assistance; other kinds of agricultural technical assistance, such as farm infrastructure financing, farmland purchasing, linking with younger farmers, and estate planning; the

desirability and feasibility of donating agricultural conservation easements, and entering into voluntary agricultural districts.

(5) The countywide farmland protection plan shall contain a schedule for implementing the plan and an identification of possible funding sources for the long-term support of the plan.

(f) A countywide farmland protection plan that meets the requirements of subsection (e) of this section may be formulated with the assistance of an agricultural advisory board designated pursuant to G.S. 106-739."

Section 3. This act becomes effective July 1, 2000.

HOUSE BILL 1602
Committee Substitute Favorable 6/20/00

Short Title: Stormwater Utility Fees. (Public)

Sponsors:

Referred to:

May 18, 2000

A BILL TO BE ENTITLED

AN ACT TO CLARIFY THAT STORMWATER UTILITY FEES MAY BE USED TO FUND ALL COSTS OF STORMWATER MANAGEMENT PROGRAMS, AS RECOMMENDED BY THE ENVIRONMENTAL REVIEW COMMISSION.

The General Assembly of North Carolina enacts:

Section 1. G.S. 153A-274 reads as rewritten:

"**§ 153A-274. Public enterprise defined.**

As used in this Article, 'public enterprise' includes:

(1) Water supply and distribution ~~systems,~~ systems.

(2) Wastewater collection, treatment, and disposal systems of all types, including septic tank systems or other on-site collection or disposal facilities or ~~systems,~~ systems.

(3) Solid waste collection and disposal systems and ~~facilities,~~ facilities.

(4) ~~Airports,~~ Airports.

(5) Off-street parking ~~facilities,~~ facilities.

(6) Public transportation ~~systems,~~ systems.

(7) ~~Structural~~ Stormwater management programs designed to protect water quality by controlling the level of pollutants in, and the quantity and flow of, stormwater and structural and natural stormwater and drainage systems of all types."

Section 2. G.S. 153A-277 reads as rewritten:

"**§ 153A-277. Authority to fix and enforce rates.**

(a) A county may establish and revise from time to time schedules of rents, rates, fees, charges, and penalties for the use of or the services furnished by a public enterprise. Schedules of rents, rates, fees, charges, and penalties may vary for the same class of service in different areas of the county and may vary according to classes of service, and different schedules may be adopted for services provided outside of the county. A county may include a fee relating to subsurface discharge wastewater management systems and services on the property tax bill for the real property where the system for which the fee is imposed is located.

(a1) (1) Before it establishes or revises a schedule of rates, fees, charges, or penalties for stormwater management programs and structural and natural stormwater and drainage systems under this section, the board of commissioners shall hold a public hearing on the matter. A notice of the hearing shall be given at least once in a newspaper having general circulation in the area, not less than seven days before the public hearing. The hearing may be held concurrently with the public hearing on the proposed budget ordinance.

(2) The fees established under this subsection must be made applicable throughout the area of the county outside municipalities. Schedules of rates, fees, charges, and penalties for providing stormwater management programs and structural and natural stormwater and drainage system service may vary according to whether the property served is residential, commercial, or industrial property, the property's use, the size of the property, the area of impervious surfaces on the property, the quantity and quality of the runoff from the property, the characteristics of the watershed into which stormwater from the property drains, and other factors that affect the stormwater drainage system. Rates, fees, and charges imposed under this subsection may not exceed the county's cost of providing a stormwater management program and a structural and natural stormwater and drainage system. The county's cost of providing a stormwater management program and a structural and natural stormwater and drainage system includes any costs necessary to assure that all aspects of stormwater quality and quantity are managed in accordance with federal and State laws, regulations, and rules.

(3) No stormwater utility fee may be levied under this subsection whenever two or more units of local government operate separate stormwater management programs or separate structural and natural stormwater and drainage system services in the same area within a county. However, two or more units of local government may allocate among themselves the functions, duties, powers, and responsibilities for jointly operating a ~~single~~ stormwater management program and structural and natural stormwater and drainage system service in the same area within a county, provided

that only one unit may levy a fee for the service within the joint service area. For purposes of this subsection, a unit of local government shall include a regional authority providing stormwater management programs and structural and natural stormwater and drainage system services.

(b) A county may collect delinquent accounts by any remedy provided by law for collecting and enforcing private debts, and may specify by ordinance the order in which partial payments are to be applied among the various enterprise services covered by a bill for the services. A county may also discontinue service to a customer whose account remains delinquent for more than 10 days. If a delinquent customer is not the owner of the premises to which the services are delivered, the payment of the delinquent account may not be required before providing services at the request of a new and different tenant or occupant of the premises. If water or sewer services are discontinued for delinquency, it is unlawful for a person other than a duly authorized agent or employee of the county to reconnect the premises to the water or sewer system.

(c) Rents, rates, fees, charges, and penalties for enterprisory services are in no case a lien upon the property or premises served and, except as provided in subsection (d) of this section, are legal obligations of the person contracting for them, provided that no contract shall be necessary in the case of structural and natural stormwater and drainage systems.

(d) Rents, rates, fees, charges, and penalties for enterprisory services are legal obligations of the owner of the property or premises served when:

(1) The property or premises is leased or rented to more than one tenant and services rendered to more than one tenant are measured by the same meter; or

(2) Charges made for use of a sewerage system are billed separately from charges made for the use of a water distribution system."

Section 3. G.S. 160A-311 reads as rewritten:

"**§ 160A-311. Public enterprise defined.**

As used in this Article, the term 'public enterprise' includes:

(1) Electric power generation, transmission, and distribution ~~systems;~~ systems.

(2) Water supply and distribution ~~systems;~~ systems.

(3) Wastewater collection, treatment, and disposal systems of all types, including septic tank systems or other on-site collection or disposal facilities or ~~systems;~~ systems.

(4) Gas production, storage, transmission, and distribution systems, where systems shall also include the purchase ~~and/or~~ or lease of natural gas fields and natural gas reserves, the purchase of natural gas supplies, and the surveying, drilling and any other activities related to the exploration for natural gas, whether within the State or ~~without;~~ without.

(5) Public transportation ~~systems;~~ systems.

(6) Solid waste collection and disposal systems and ~~facilities;~~ facilities.
(7) Cable television ~~systems;~~ systems.
(8) Off-street parking facilities and ~~systems;~~ systems.
(9) ~~Airports;~~ Airports.
(10) ~~Structural~~ Stormwater management programs designed to protect water quality by controlling the level of pollutants in, and the quantity and flow of, stormwater and structural and natural stormwater and drainage systems of all types."

Section 4. G.S. 160A-314 reads as rewritten:

"**§ 160A-314. Authority to fix and enforce rates.**

(a) A city may establish and revise from time to time schedules of rents, rates, fees, charges, and penalties for the use of or the services furnished by any public enterprise. Schedules of rents, rates, fees, charges, and penalties may vary according to classes of service, and different schedules may be adopted for services provided outside the corporate limits of the city.

(a1) (1) Before it establishes or revises a schedule of rates, fees, charges, or penalties for stormwater management programs and structural and natural stormwater and drainage systems under this section, the city council shall hold a public hearing on the matter. A notice of the hearing shall be given at least once in a newspaper having general circulation in the area, not less than seven days before the public hearing. The hearing may be held concurrently with the public hearing on the proposed budget ordinance.

(2) The fees established under this subsection must be made applicable throughout the area of the city. Schedules of rates, fees, charges, and penalties for providing stormwater management programs and structural and natural stormwater and drainage system service may vary according to whether the property served is residential, commercial, or industrial property, the property's use, the size of the property, the area of impervious surfaces on the property, the quantity and quality of the runoff from the property, the characteristics of the watershed into which stormwater from the property drains, and other factors that affect the stormwater drainage system. Rates, fees, and charges imposed under this subsection may not exceed the city's cost of providing a stormwater management program and a structural and natural stormwater and drainage system. The city's cost of providing a stormwater management program and a structural and natural stormwater and drainage system includes any costs necessary to assure that all aspects of stormwater quality and quantity are managed in accordance with federal and State laws, regulations, and rules.

(3) No stormwater utility fee may be levied under this subsection whenever two or more units of local government operate separate stormwater management programs or separate structural and

natural stormwater and drainage system services in the same area within a county. However, two or more units of local government may allocate among themselves the functions, duties, powers, and responsibilities for jointly operating a ~~single~~ stormwater management program and structural and natural stormwater and drainage system service in the same area within a county, provided that only one unit may levy a fee for the service within the joint service area. For purposes of this subsection, a unit of local government shall include a regional authority providing stormwater management programs and structural and natural stormwater and drainage system services.

(a2) A fee for the use of a disposal facility provided by the city may vary based on the amount, characteristics, and form of recyclable materials present in solid waste brought to the facility for disposal. This section does not prohibit a city from providing aid to low-income persons to pay all or part of the cost of solid waste management services for those persons.

(b) A city shall have power to collect delinquent accounts by any remedy provided by law for collecting and enforcing private debts, and may specify by ordinance the order in which partial payments are to be applied among the various enterprise services covered by a bill for the services. A city may also discontinue service to any customer whose account remains delinquent for more than 10 days. When service is discontinued for delinquency, it shall be unlawful for any person other than a duly authorized agent or employee of the city to do any act that results in a resumption of services. If a delinquent customer is not the owner of the premises to which the services are delivered, the payment of the delinquent account may not be required before providing services at the request of a new and different tenant or occupant of the premises, but this restriction shall not apply when the premises are occupied by two or more tenants whose services are measured by the same meter.

(c) Except as provided in subsection (d) of this section and G.S. 160A-314.1, rents, rates, fees, charges, and penalties for enterprisory services shall be legal obligations of the person contracting for them, and shall in no case be a lien upon the property or premises served, provided that no contract shall be necessary in the case of structural and natural stormwater and drainage systems.

(d) Rents, rates, fees, charges, and penalties for enterprisory services shall be legal obligations of the owner of the premises served when:

(1) The property or premises is leased or rented to more than one tenant and services rendered to more than one tenant are measured by the same meter.

(2) Charges made for use of a sewage system are billed separately from charges made for the use of a water distribution system.

(e) Nothing in this section shall repeal any portion of any city charter inconsistent herewith."

Section 5. G.S. 162A-2(12) reads as rewritten:

"(12) The term 'water system' shall mean and include all plants, systems, facilities or properties used or useful or having the present capacity for future use in connection with the supply or distribution of water or the control and drainage of stormwater runoff and any integral part thereof, including but not limited to water supply systems, water distribution systems, stormwater management programs designed to protect water quality by controlling the level of pollutants in, and the quantity and flow of, stormwater and structural and natural stormwater and drainage systems of all types, sources of water supply including lakes, reservoirs and wells, intakes, mains, laterals, aqueducts, pumping stations, standpipes, filtration plants, purification plants, hydrants, meters, valves, and all necessary appurtenances and equipment and all properties, rights, easements and franchises relating thereto and deemed necessary or convenient by the authority for the operation thereof."

Section 6. G.S. 162A-6(14c) reads as rewritten:

"(14c) To adopt ordinances to regulate and control the discharge of sewage or stormwater into any sewerage system owned or operated by the ~~authority and~~ authority, to adopt ordinances concerning stormwater management programs designed to protect water quality by controlling the level of pollutants in and the quantity and flow of stormwater, and to adopt ordinances to regulate and control structural and natural stormwater and drainage systems of all types. Prior to the adoption of any such ordinance or any amendment to any such ordinance, the authority shall first pass a declaration of intent to adopt such ordinance or amendment. The declaration of intent shall describe the ordinance which it is proposed that the authority adopt. The declaration of intent shall be submitted to each governing body for review and comment. The authority shall consider any comment or suggestions offered by any governing body with respect to the proposed ordinance or amendment. Thereafter, the authority shall be authorized to adopt such ordinance or amendment to it at any time after 60 days following the submission of the declaration of intent to each governing body."

Section 7. G.S. 162A-9 reads as rewritten:

"**§ 162A-9. Rates and charges; contracts for water or services; deposits; delinquent charges.**

(a) An authority may establish and revise a schedule of rates, fees, and other charges for the use of and for the services furnished or to be furnished by any water system or sewer system or parts thereof owned or operated by the authority. The rates, fees, and charges established under this subsection are not subject to supervision or regulation by any bureau, board, commission, or other agency of the State or of any political subdivision.

Before an authority sets or revises rates, fees, or other charges for stormwater management programs and structural or natural stormwater and drainage system service, the authority shall hold a public hearing on the matter. At least seven days before the hearing, the authority shall publish notice of the public hearing in a newspaper having general circulation in the area. An authority may impose rates, fees, or other charges for stormwater management programs and stormwater and drainage system service on a person even though the person has not entered into a contract to receive the service.

Rates, fees, and charges shall be fixed and revised so that the revenues of the authority, together with any other available funds, will be sufficient at all times:

(1) To pay the cost of maintaining, repairing, and operating the systems or parts thereof owned or operated by the authority, including reserves for such purposes, and including provision for the payment of principal of and interest on indebtedness of a political subdivision or of political subdivisions which payment shall have been assumed by the authority, and

(2) To pay the principal of and the interest on all bonds issued by the authority under the provisions of this Article as the same shall become due and payable and to provide reserves therefor.

The fees established under this subsection must be made applicable throughout the service area. Schedules of rates, fees, charges, and penalties for providing stormwater management programs and structural and natural stormwater and drainage system service may vary according to whether the property served is residential, commercial, or industrial property, the property's use, the size of the property, the area of impervious surfaces on the property, the quantity and quality of the runoff from the property, the characteristics of the watershed into which stormwater from the property drains, and other factors that affect the stormwater drainage system. Rates, fees, and charges imposed under this subsection for stormwater management programs and stormwater and drainage system service may not exceed the authority's cost of providing a stormwater management program and a structural and natural stormwater and drainage system. The authority's cost of providing a stormwater management program and a structural and natural stormwater and drainage system includes any costs necessary to assure that all aspects of stormwater quality and quantity are managed in accordance with federal and State laws, regulations, and rules.

No stormwater utility fee may be levied under this subsection whenever two or more units of local government operate separate stormwater management programs or separate structural and natural stormwater and drainage system services in the same area within a county. However, two or more units of local government may allocate among themselves the functions, duties, powers, and responsibilities for jointly operating a ~~single~~ stormwater management program and structural and natural stormwater and drainage system service in the same area within a county, provided that only one unit may levy a fee for the service within the joint service area. For purposes of this subsection, a unit of local government shall include a regional

authority providing stormwater management programs and structural and natural stormwater and drainage system services.

(b) Notwithstanding any of the foregoing provisions of this section, the authority may enter into contracts relating to the collection, treatment or disposal of sewage or the purchase or sale of water which shall not be subject to revision except in accordance with their terms.

(c) In order to insure the payment of such rates, fees and charges as the same shall become due and payable, the authority may do the following in addition to exercising any other remedies which it may have:

(1) Require reasonable advance deposits to be made with it to be subject to application to the payment of delinquent rates, fees and charges.

(2) At the expiration of 30 days after any rates, fees and charges become delinquent, discontinue supplying water or the services and facilities of any water system or sewer system of the authority.

(3) Specify the order in which partial payments are to be applied when a bill covers more than one service."

Section 8. Sections 1 through 4 of this act are effective retroactively to 15 July 1989. Sections 5 through 7 of this act are effective retroactively to 8 July 1991. Section 8 of this act is effective when this act becomes law.

HOUSE BILL 1602:
Stormwater Utility Fees

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Reps. Gibson, McMahan, Adams, Insko, and Jarrell
Date:	June 25, 2000		
Version:	Third Edition	**Summary by:**	Rick Zechini, Staff Attorney

SUMMARY: ***House Bill 1602 authorizes counties, municipalities, and water and sewer authorities to establish and operate stormwater management programs as public enterprises and charge fees for the use of or services provided by these programs. The bill was amended on the House Floor to add a severability clause. The bill was discussed in the House Environment and House Finance Committees. Senate Bill 1336, introduced by Senator Odom, is identical to HB 1602, except that it does not contain a severability clause. SB 1336 is in Senate Finance.***

CURRENT LAW: The federal Clean Water Act requires an operator of a municipal storm sewer system serving 100,000 people or more to develop a stormwater management program. In the near future, federal law will also require an operator of a smaller municipal storm sewer system to develop a stormwater management program.

BACKGROUND: The North Carolina General Assembly responded to these federal requirements by enacting legislation (S.L. 1989-643) designed to allow counties and municipalities to establish and operate stormwater systems as public enterprises and charge fees for the services provided by these stormwater systems. In Smith Chapel Baptist Church v. City of Durham, 350 NC 805 (1999) the North Carolina Supreme Court interpreted the legislation enacted in 1989. The court found that the definition of public enterprise as it pertained to stormwater systems was a grant of authority limited to the physical infrastructure, structural or natural, for servicing stormwater. The court concluded that the City of Durham could not operate a stormwater management program as a public enterprise. Thus, the city could only charge fees to fund the construction, maintenance, and operation of the physical infrastructure of the stormwater system and could not charge fees to administer the stormwater management program.

BILL ANALYSIS: The First Edition of House Bill 1602 amended the definition of "public enterprise" in the county and municipal statutes to explicitly include stormwater management programs. The First Edition also made conforming changes to the statutes that allow counties and municipalities to charge fees for the use of and services provided by public enterprises. The Environmental Review Commission recommended this proposal to the 2000 Regular Session of the 1999 General Assembly for its consideration.

House Bill 1602 was amended by House Finance to also authorize water and sewer authorities to establish and operate stormwater management programs and to charge fees for the use of or services provided by these programs. The 2nd Edition allows these authorities to adopt ordinances concerning stormwater management programs. The House amended House Bill 1602 by adding a severability clause.

EFFECTIVE DATE: The sections of the bill that apply to counties and municipalities are effective retroactively to July 15, 1989. The sections of the bill that apply to water and sewer authorities are effective retroactively to July 8, 1991

REVENUES					
EXPENDITURES	No Fiscal Impact				
POSITIONS:					

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: County Governments

EFFECTIVE DATE: Effective when the act becomes law and applies retroactively to July 15, 1989.

BILL SUMMARY: This bill amends the definition of "public enterprise" in the county and municipal statutes to include, among other things, "stormwater management programs designed to protect water quality by controlling the level of pollutants in, and the quantity and flow of, stormwater and structural and natural stormwater and drainage systems of all types." The bill also makes conforming changes to the statutes that allow counties and municipalities to charge fees for the use of and services provided by public enterprises (also known as utilities). [1]

ASSUMPTIONS AND METHODOLOGY:

Background: The federal Clean Water Act of 1987 requires operators of municipal storm sewer systems serving 100,000 people or more to develop stormwater management programs. In response to this federal requirement, the 1989 General Assembly enacted legislation designed to allow counties and municipalities to establish and operate stormwater systems as public

[1] House Environment and Natural Resources, Committee Counsel Bill Summary, June 6, 2000.

enterprises (or utilities) and to charge fees for the services provided by these stormwater systems. In 1999, the North Carolina Supreme Court ruled that counties' and municipalities' authority to establish and operate stormwater systems as public enterprises was limited to the construction, maintenance and operation of the physical infrastructure of the stormwater system, and did not extend to the operation of stormwater management programs, which include supplemental activities such as public education, pollution prevention efforts and land use planning and management techniques.[2]

This bill amends the definition of public enterprise to explicitly include stormwater management programs and applies retroactively to July 15, 1989, the effective date of original state legislation. This expanded definition is intended to clarify that stormwater utility fees may be used to fund all costs of stormwater management programs, not just the physical infrastructure of the stormwater system.

Expenditures: This bill imposes no new expenditure requirements on counties or municipalities. It only expands counties' and municipalities' options for ways to pay for the expenses associated with the federal law that requires operators of municipal storm sewer systems serving 100,000 people or more to develop stormwater management programs. In March 2003, the federal government is expanding the number of municipal stormwater systems required to develop stormwater management programs to include urbanized areas with populations of 50,000 or greater. According to the Department of Environment and Natural Resources, there are 85 urbanized areas that will automatically fall under this new requirement and approximately 30 more that may have to comply with the federal law. This bill provides these additional urbanized areas with an option to pay for this federal requirement, but again it does not impose any new expenditures.

Revenues: Counties and municipalities that either voluntarily develop stormwater management programs or are required to develop stormwater management programs under the federal Clean Water Act have two options for paying for the costs associated with these programs: establish a stormwater management utility fee or use general fund money raised through property taxes. This bill provides those counties and municipalities with *the option* of charging a stormwater management utility fee. The authority to act on this option is discretionary. Because this bill does not require any county or municipality to charge a stormwater utility fee, there is no fiscal impact on the local governments' revenues as a result of this bill.

Of the six municipalities (Charlotte, Durham, Greensboro, Raleigh, Winston-Salem, and Fayetteville/Cumberland County) currently required to develop stormwater management programs, five have established stormwater utility fees to cover the costs of operation. Only one (Raleigh) has chosen to fund the program through its general fund. Of the five municipalities charging a stormwater utility fee, all five thought the initial state legislation gave them the authority to fund costs associated with a stormwater management program. This bill provides the clarifying language that explicitly states that the stormwater utility fees can be used for stormwater management programs and applies this expanded definition retroactively to July 15, 1989. Because this bill only adds clarifying language to allow the existing municipalities to

[2] House Environment and Natural Resources, Committee Counsel Bill Summary, June 6, 2000.

continue funding their stormwater management programs out of their stormwater utility fees, there is no new fiscal impact on the local governments' budgets.

A BILL TO BE ENTITLED

AN ACT TO REMOVE FROM THE CORPORATE LIMITS OF THE TOWN OF HILLSBOROUGH AN AREA PREVIOUSLY ANNEXED BY THE TOWN UNDER THE VOLUNTARY ANNEXATION PROVISIONS OF PART 4 (ANNEXATION OF NONCONTIGUOUS AREAS) OF ARTICLE 4A OF CHAPTER 160A OF THE GENERAL STATUTES.

The General Assembly of North Carolina enacts:

Section 1. The following described property, being approximately 31.65 acres of an area consisting of approximately 105.63 acres annexed to and made a part of the Town of Hillsborough by Ordinance No. 980310-1, duly adopted by the Board of Commissioners for the Town of Hillsborough on April 14, 1998, all in accordance with the provisions of law applicable to the voluntary annexation of noncontiguous areas set forth in Part 4 of Article 4A of Chapter 160A of the General Statutes, is removed from the corporate limits of the Town of Hillsborough, effective June 30, 2000:

Commencing at the NCGS monument "STREET" at the intersection of King and Cameron Streets, Hillsborough, Orange County, North Carolina, and then running from said monument North 52 degrees 25 minutes 58 seconds East 15,804.24 feet to the point and place of BEGINNING in the center of New Sharon Church Road. Thence from said point of beginning North 00 degrees 48 minutes 47 seconds West along the center of New Sharon Church Road 200.00 feet, thence North 89 degrees 08 minutes 18 seconds East 1,141.03 feet, thence North 45 degrees 02 minutes 22 seconds East 1,932.26 feet, thence South 44 degrees 57 minutes 38 seconds East 200.00 feet, thence South 45 degrees 02 minutes 22 seconds West 1,725.86 feet; thence

North 89 degrees 08 minutes 18 seconds East 1,155.45 feet, thence South 00 degrees 12 minutes 52 seconds East 200.01 feet, thence South 89 degrees 08 minutes 18 seconds West 1,177.25 feet, thence south 21 degrees 15 minutes 48 seconds West 2,521.31 feet, thence North 68 degrees 44 minutes 12 seconds West 200.00 feet, thence North 21 degrees 15 minutes 48 seconds East 2,440.00 feet, thence South 89 degrees 08 minutes 18 seconds West 1,188.64 feet, to the point and place of beginning, and containing approximately 31.65 acres, and being a portion of the property described in Record Book 1739, at pages 261 through 263, in the Office of the Register of Deeds of Orange County, North Carolina.

The above-described area to be removed from the corporate limits of the Town of Hillsborough is a portion of the annexed area that is shown on the plat "-ANNEXATION MAP - FOX HILL FARM" dated January 22, 1998, as prepared by ENT Land Surveys, Inc., and recorded in Plat Book 80, at page 171, in the Office of the Register of Deeds of Orange County, North Carolina; said portion to be removed is the area located to the East of New Sharon Church Road.

Section 2. Taxes on real and personal property within the above-described area due and payable to the Town of Hillsborough for fiscal years up through and including fiscal year 1999-2000 shall remain due and payable and shall be collected in accordance with applicable provisions of law if not paid in full prior to the effective date of this act. No taxes on the real or personal property within the above-described area shall be due to the Town of Hillsborough for fiscal year 2000-2001 or thereafter unless and until this property is again brought within the corporate limits of the Town of Hillsborough.

Section 3. From and after June 30, 2000, the Orange County zoning district classification applicable to the property, i.e., Agricultural Residential (A/R), that surrounds the above-described property shall be applicable to this property, unless and until such classification is changed by Orange County pursuant to law.

Section 4. This act is effective when it becomes law.

Referred to:

May 18, 2000

A BILL TO BE ENTITLED

AN ACT TO INCORPORATE THE TOWN OF MIDLAND, SUBJECT TO A REFERENDUM.

The General Assembly of North Carolina enacts:

Section 1. A Charter for the Town of Midland is enacted to read:

"CHARTER OF THE TOWN OF MIDLAND.

"CHAPTER I.

"INCORPORATION AND CORPORATE POWERS.

"Section 1.1. **Incorporation and Corporate Powers.** The inhabitants of the Town of Midland are a body corporate and politic under the name 'Town of Midland'. Under that name they shall have all the powers, duties, rights, privileges, and immunities conferred and imposed on cities by the general law of North Carolina.

"CHAPTER II.

"CORPORATE BOUNDARIES.

"Section 2.1. **Town Boundaries.** Until modified in accordance with the law, the corporate boundaries of the Town of Midland are as follows:

BEGINNING at a point of the northernmost corner of the property described by the Cabarrus County Tax Maps as Map/PIN 5556-12-4009. Thence in a southwesterly direction along the western boundaries of properties Map/PIN 5556-12-4009, 5556-11-1569, and 5556-01-7367. Continuing directly across Highway 601 to the Highway 601 right-of-way on the northwest property line of the property Map/PIN 5556-00-4725. Continuing in a southeastern direction along the right-of-way that borders Highway 601 to the right-of-way of Sossoman Road near northeast corner of the property.

Continuing southwest along the right-of-way to the point of intersection with the property Map/PIN 5556-00-5380. Thence moving west along the southeast property line of Map/PIN 5556-00-4725 to the point of intersection with the property Map/PIN 5546-90-9409. Thence moving northwest along the southwesternmost boundaries of Map/PIN 5556-00-4725, and Map/PIN 5546-91-7410 to the point where it intersects with the easterly corner of the property Map/PIN 5546-90-2819. Thence west and south along the north and west perimeter of said parcel to the point of intersection with Spring Drive. Continuing directly across Spring Drive to the northeast corner of Map/PIN 5546-80-8682. Thence west along the north boundary and south along the west boundary of said property to its southwest corner. Turn west and go to the southeast corner of Map/PIN 5545-80-5613. Turn south along the westerly property line of Map/PIN 5546-80-6239 and go to its intersection with the northernmost corner of Map/PIN 5545-89-4183. Continuing in a southwestern direction along the westernmost property line of Map/PIN 5545-89-4183 to the intersection of the property Map/PIN 5545-78-6238.

Thence moving in a northwestern direction along the northeastern property lines to the northernmost point of the property Map/PIN 5545-78-6238. Thence southwesterly along the southeast property lines of Map/PINs 5545-78-3569, 5545-78-1244, 5545-78-0052, and 5545-67-8748 to the south corner of Map/PIN 5545-67-8748. Thence northwest to the southeast corner of Map/PIN 5545-67-6519 and continuing west along the southeast property line to the south corner of said parcel. Turn southwest and go to the northernmost corner of Map/PIN 5545-67-3175. Continue southeast along the northeasterly property line of Map/PINs 5545-67-3175, 5545-67-3051, and 5545-66-3858 to the east corner of Map/PIN 5545-66-3858. Turn southwest and follow the northwest property line of Map/PIN 5545-66-4715 to the northwest corner of said parcel. Turn south and follow the west property line of Map/PINs 5545-66-4715, 5545-66-5602, and 5545-66-4494 to the intersection with the northerly property line of Map/PIN 5545-66-2067. Turn southwesterly along the northwesterly property line of Map/PIN 5545-66-2067 to the southeast corner of parcel Map/PIN 5545-56-8171. Thence continue north and then west along said parcel to the northwest corner of Map/PIN 5545-56-8171. Thence northwest across Snowcrest Drive to the north corner of Map/PIN 5545-56-6098. Turn southwest and continue along the east and south property lines of Map/PINs 5545-56-5300, 5545-56-3032, 5545-56-1145 to the east corner of Map/PIN 5545-56-0025. Thence southwest along the east property line of Map/PINs 5545-56-0025, 5545-45-9992, and 5545-45-9642 to the southeast corner of Map/PIN 5545-45-9642. Turn west and continue along the Map/PIN 5545-45-9642 property line to the intersection with the property line of Map/PIN 5545-45-6701.

Thence continuing southwest along the easternmost property lines of Map/PINs 5545-45-6701, and 5545-45-1648 to the southeasternmost corner of the property. Thence continuing southwest along the west property lines of Map/PINs 5545-45-4280 and 5545-35-7453. Thence continuing southwest 65 feet thence in a western direction across Troutman Road to the northeastern corner of Map/PIN 5545-34-9832. Thence continuing in a northwest direction to the northwest corner of the property. From that corner of the property continue southwest along the northwest property lines of

Map/PIN 5545-34-9832 and 5545-34-8782 to the southwest corner of Map/PIN 5545-34-8782.

Thence continue southeast to the northwestern corner of property Map/PIN 5545-34-8423. Thence continue southwest along the property line to the southwest corner of the property. Thence continue westerly and southerly along Map/PIN 5545-34-6124 to the intersection with Map/PIN 5545-34-2199. Thence continue westerly along the southerly property line of Map/PINs 5545-34-3410 and 5545-24-9440 to the northwest corner of property Map/PIN 5545-24-8197.

Thence continuing in a southwestern direction to the southwesternmost corner of Map/PIN 5545-24-8197. From that corner continue in a southeast direction to a point where the property line intersects the property line of property Map/PIN 5545-33-0983. At that point continue in a western direction to the westernmost corner of Map/PIN 5545-33-0983.

From that point continuing in a northwestern direction along the southern property line of Map/PIN 5545-24-5291 to its southwest corner. Then turn southwest and continue along the easterly and then northwest along the southeasterly property line of Map/PIN 5545-23-1979 to the northernmost corner of Map/PIN 5545-13-9685. Turn southwest and go to the westernmost corner of said property. Cross directly over an unnamed private road to the southernmost corner of Map/PIN 5545-13-6890. Proceed southwest along the southeast property line of Map/PINs 5545-13-3599 and 5545-13-0296 to the point of intersection with the east property line of Map/PIN 5545-02-7867. Go north on the east property line of said parcel to the southeast corner of property Map/PIN 5545-03-6194.

Turn southwest and proceed along the south and west property line of said parcel to the northernmost corner of Map/PIN 5545-02-5755. Thence southwest along the southeast property line of Map/PIN 5545-02-2876 to the northernmost corner of Map/PIN 5545-02-1533. Proceed along the northeast property line to the southeast corner of said parcel. Turn southwest and proceed along the southeast property line of Map/PINs 5545-02-1533 and 5535-92-8388 to the south corner of Map/PIN 5535-92-8388. Cross directly over Bethel Church Road to the east corner of Map/PIN 5535-92-5207. Continue along the southeast property line of Map/PIN 5535-92-5207 to the westernmost corner of Map/PIN 5535-91-6926. Turn southeast following the property line of Map/PIN 5535-91-6926 to the south corner of property Map/PIN 5545-02-6926. Continue southeast from that corner to the southwest corner of Map/PIN 5545-02-5551 and then east along said property line to the western right-of-way of Bethel Church Road.

Thence continue southeast along the western right-of-way of Bethel Church Road to the north property line of Map/PIN 5545-00-3369. Thence continue southwest to the northerly northwest corner of said property. Thence continue southeast along the property line to the northeastern corner of property Map/PIN 5545-00-3704. Thence continue west-southwest along the north property lines of Map/PINs 5545-00-3704 and 5535-90-9617 to the northwest corner of Map/PIN 5535-90-9617. From that corner continue south along the property line to the southwest corner of the property. Thence continue northeast to the point of intersection with the westerly property line

of Map/PIN 5545-00-3369. From that point continue south along said property line to the southerly southwest corner of the property Map/PIN 5545-00-3369. Thence continue southwest along the northerly property lines of Map/PINs 5534-99-8401, 5534-99-3460, 5534-99-2451, 5534-99-1410, and 5534-89-9430 to the northwest corner of the property Map/PIN 5534-89-9430. Thence move south to the northerly right-of-way for NC Highway 24/27. Thence continue west to the intersection with the property line of Map/PIN 5535-80-5534. Thence continue north then northwest to the northwest corner of the property. Thence continue southwest along the northerly property lines of the properties Map/PINs 5535-80-1414 and 5535-70-5934 to the northwest corner of Map/PIN 5535-70-5934.

Thence continue southeast to the northern corner of property Map/PIN 5535-70-1627. From that point continue southwest along the property line to the southeastern corner of property Map/PIN 5535-60-8678. Thence continue north and west along said property line around to the west corner of Map/PIN 5535-60-8678 and then southwest across Sam Black Road to the southeast corner of Map/PIN 5535-60-3559. From that point continue north along the property line to the north corner of Map/PIN 5535-50-3559. Thence proceed southwest along the easterly property line of Map/PIN 5535-50-4455 to its point of intersection with the northerly right-of-way for NC Highway 24/27.

Turn west along the NC Highway 24/27 right-of-way to its point of intersection with the property line of Map/PIN 5534-49-5492. Continue northwest to the north corner of said property. Cross directly over property Map/PIN 5535-50-4455 to the southerly northeast corner of Map/PIN 5534-49-4506. Proceed northwest along the northeast property lines of Map/PINs 5534-49-4506 and 5534-49-3677 to the northernmost corner of Map/Pin 5534-49-3677. Thence turn southwest and thence southeast to the southwest corner of said parcel. Continue southeast along the property line of Map/PINs 5534-49-4506 and 5534-49-4415 to a point of intersection with the northerly right-of-way for NC Highway 24/27.

From that point continue west along the northerly NC Highway 24/27 right-of-way to the western right-of-way of Flowes Store Road. Thence continue southeast along the west right-of-way of Flowes Store Road and Old Camden Road to the point of intersection with the southeasterly property line of property Map/PIN 5524-97-8018. Thence go northeast along the property line to the southeast corner of said parcel. Thence continue southeast across Old Camden Road to the southwestern corner of property Map/PIN 5534-07-8047. Continuing southeast along the southern property line of the said property and the property line of Map/PIN 5534-07-9085 to the southeastern corner of Map/PIN 5534-07-9085. Thence continue northeast along the northwesterly property line of Map/PIN 5534-17-6044 to the northernmost corner of the property. Thence north along the westerly property line of Map/PIN 5534-27-4832 to the westerly northwest corner of said property. Thence northeast along property lines to the northwest corner of Map/PIN 5534-28-2266. Thence southeast and northeast along the property line to the southeast corner of said parcel.

Thence continue along the northeasterly property lines of Map/PINs 5534-28-2266, 5534-28-1414, and 5534-28-1507 to the northeast corner of Map/PIN 5534-28-1507.

Thence cross Ritchie Road to the northwestern corner of property Map/PIN 5534-28-8371. Thence continue east along the said property line to the northerly northeast corner. Thence continue northwest along the westerly property line of property Map/PIN 5534-37-8848 to the westernmost corner of the property then northeast along the property line to the point of intersection with the southerly right-of-way for NC Highway 24/27. Thence continue along the right-of-way to the west property line of Map/PIN 5534-38-6988.

From that intersection continue south to the southwestern corner of the property. Thence continue southeast to the southeastern corner and then north to the right-of-way on the southern side of NC Highway 24/27. Thence continue east along the right-of-way to the west property line of Map/PIN 5534-49-0076. Continue south to the southwest corner of the parcel, thence continue southeasterly along the southerly property lines of Map/PINs 5534-49-0076 and 5534-49-4044 to the southernmost corner of Map/PIN 5534-49-4044. Thence continue northeast along the property line to the southwestern corner of Map/PIN 5534-49-8018. From that corner continue east to the southeastern corner of the said property and thence north to the right-of-way on the south side of NC Highway 24/27. Thence continue east along the right-of-way to the east property line of property Map/PIN 5534-68-1909. Thence continue southwest along the property line to the southeastern corner of Map/PIN 5534-68-1909. Thence continuing northeast along the south boundaries of Map/PINs 5534-69-4031, 5534-69-7102, and 5534-69-7183 to the southeast corner of Map/PIN 5534-69-7183 and thence north along the property line to the right-of-way along the south side of NC Highway 24/27. From that point continue east along the right-of-way to the intersection with the west right-of-way of Sam Black Road. Thence continue southeast along the right-of-way on the west side of Sam Black Road to the point of intersection with the northeast property line of property Map/PIN 5534-78-8739. Thence continue northwest to the northwestern corner of the property then southwest to the southwestern corner of the property.

Thence continue southeast along the property line to the southeastern corner of the property. Then cross Sam Black Road to the southwest corner of Map/PIN 5534-88-3986. Continue along the southerly property line of Map/PIN 5534-88-3986 to the southernmost corner of the property. Thence continue southeast along the southwest property line of Map/PIN 5534-97-1831 to the southern corner of the said property. Thence continuing southeast along the northeast property line of Map/PIN 5534-96-1653 to the southeastern corner of the property. Thence continuing southeast along the northeast property line of Map/PIN 5534-96-2168 to the southeast corner of said property. Thence continue southwest along the property line to the southwest corner of Map/PIN 5534-96-2168. Turn southeast and follow the southwest property lines of Map/PINs 5534-85-8783 and 5534-85-6566 to the south corner of Map/PIN 5534-85-6566. Cross directly over Ben Black Road to the northernmost corner of property Map/PIN 5534-85-4281. Thence continue southwest along the northwest property line to the southwest corner of the property. From that corner of the property continue southeast across the Norfolk Southern Railway right-of-way to the northwest corner of Map/PIN 5534-84-6486. Follow the Norfolk Southern Railway right-of-way to its

point of intersection with the northerly east line of the property Map/PIN 5534-84-6486. Thence continue along the eastern property lines of Map/PIN 5534-84-6486 to the southerly southeast corner of the property. Thence continue west-northwest along the southern property line to the westernmost corner of said property. From that corner continue southwest along the southeast property line of Map/PIN 5534-75-7521 to the southernmost corner of the property. Thence continue southwest to the southernmost corner of the property Map/PIN 5534-64-2431. From that point continue northwest along the southwest property line of said property and continue along the northeast property line of Map/PIN 5534-54-4074 to the northernmost corner of property Map/PIN 5534-54-4074.

Thence south along the property line of property Map/PIN 5534-54-1462 to the southeastern corner of the property. Thence continue along the southern property line to the southwestern corner of the property. From that point continue southwest along the west side of Map/Pin 5543-43-8793 to the right-of-way of Sleepy Hollow Road on the northern side. Thence continue northwest along the right-of-way to its intersection with the west side of property Map/PIN 5534-44-7569. Continue along the southwesterly property lines of Map/PIN 5534-44-7569 to the north corner of Map/Pin 5534-44-3371. From that point continue southwest along the northwest property line of Map/Pin 5534-44-3371 to the right-of-way of Sleepy Hollow Road along the northern side of the road. Thence continue west-northwest along the right-of-way to the point of intersection with Map/PIN 5534-34-3396. Turn north-northwest and follow said property line to the northerly southwest corner of that parcel. Follow the west and south property lines of property Map/PIN 5534-35-6533 to its point of intersection with the Norfolk Southern Railway right-of-way. From that intersection continue across the Norfolk Southern track to the Norfolk Southern Railway right-of-way along the northern side of the rail line. Thence continue westerly along the right-of-way to its intersection with the easterly property line of Map/PIN 5534-15-4291. Thence continue north to the northeast corner of said property. Thence continue west along the property line to the northwest corner of Map/PIN 5534-15-4291. Turn south and follow the westerly property lines of Map/PINs 5534-15-4291, 5534-14-4946, 5534-14-4842, 5534-14-4781, 5534-14-5548, 5534-14-5471, 5534-14-5268, 5534-14-5146, and 5534-13-6874 to the southwest corner of property Map/PIN 5534-13-6874. Thence continue southeast to the southeast corner of said property. From that corner continue north to the northeast corner of the property. Thence continue east along the northern property line of property Map/PINs 5534-23-2783 and 5534-33-1831 to the northern northeast corner of property Map/PIN 5534-33-1831. Thence, proceed south-southwest along the west property line of property Map/PIN 5534-33-3879 to the southwest corner of Map/PIN 5534-33-3879, then travel east-southeast along the southern property line of said parcel to the intersection with property Map/PIN 5534-33-4522. From here turn southwest and proceed along the northwest property line of Map/PIN 5534-33-4522 to the southwest corner of the property.

Thence proceed southeast along the northeastern boundary of property Map/PIN 5534-32-1232 to its easternmost corner. Turn west and follow the boundary of Map/PIN 5534-32-3086 to its westernmost intersection with Map/PIN 5534-31-3478.

Follow the northern border of Map/PIN 5534-31-3478 east to the intersection with Map/PIN 5534-31-5848. Turn south and follow the property line of property Map/PIN 5534-31-5848 to its southeast corner. Turn southeast and follow the northeastern border of the property Map/PIN 5534-41-0295 to its intersection with the west right-of-way of Cabarrus Station Road. Turn southwest and follow the right-of-way to its intersection with the northeasterly property line of Map/PIN 5534-40-2825. Turn northwest and follow said property line to its northern corner, thence southwest to its western corner. Now follow the property line for property Map/PIN 5534-40-2825 back to the westerly right-of-way for Cabarrus Station Road.

Continue southwest along said right-of-way until you meet the northeastern property line of Map/PIN 5534-30-8212. From here, turn northwest and go to the north corner of said parcel. Turn southwest and follow the property line to its western corner. Turn southeast and go to the north corner of Map/PIN 5533-39-6802. Turn southwest and follow the property lines of Map/PINs 5533-39-6802 and 5533-39-4605 respectively. Turn southeast at the westernmost corner of Map/PIN 5533-39-4605 and go to the north corner of property Map/PIN 5533-39-1416. Turn southwest and follow the property line of Map/PIN 5533-39-1416 west then south to the Cabarrus Station Road right-of-way.

Follow the northwesterly right-of-way of Cabarrus Station Road southwest until you come to its intersection with the property line of Map/PIN 5533-18-9661. Turn northwest and follow this line until you reach the northeast corner of the parcel. Turn southwest and travel along the westernmost southeast property line of Map/Pin 5533-29-4326 to the northwest corner of Map/PIN 5533-18-3388. From here, turn southeast and follow the property line for Map/PIN 5533-18-3388 until you reach the southwest corner of the property.

Cross directly over Cabarrus Station Road to the northwest corner of Map/PIN 5533-17-8801. Then go southeast along the property line to the point of intersection with the southwesterly right-of-way of Cabarrus Station Road. Travel northeast along the right-of-way until you reach the northeast property line of Map/PIN 5533-17-9887. Turn southeast and go to the intersection of Map/PIN 5533-27-2838 and the Cabarrus County Boundary. Continue southeast along the Cabarrus County Boundary to its intersection with the southeast property line of said property. From here, turn northeast and go along the northwest property line of Map/PIN 5533-27-8192 to the northeast corner of Map/PIN 5533-27-8192. Continue traveling northeast along the northwest property lines of Map/PINs 5533-37-3408 and 5533-48-0035 until you reach the northern corner of Map/PIN 5533-48-0035. Turn southeast and follow this property line to the intersection with Map/PIN 5533-47-7785. From here, turn northeast and follow the property line of Map/PIN 5533-47-7785 until you reach the northwest corner of Map/PIN 5533-57-4817. Turn southeast and follow this property line until you reach the right-of-way for the cul-de-sac on Forestbluff Drive. Continue following around the west side of the right-of-way until reaching Map/PIN 5533-57-5427. Turn southwest and follow the property line to the intersection with Map/PIN 5533-57-1174. Turn east and follow the property line of Map/PINs 5533-57-5427 and

5533-57-7516 to the intersection with Map/PIN 5533-57-7151. Turn south and follow this property line to the intersection with the Ben Black Road right-of-way.
From here, turn southwest and travel along the northerly Ben Black Road right-of-way for 727 feet. Turn southeast to the northwest corner of Map/PIN 5533-55-4997. Turn south and follow the property line of Map/PIN 5533-55-4997 until you meet Map/PIN 5533-55-7467. Now turn northeast and follow the Map/PIN 5533-55-7467 northwest property line until you meet Map/PIN 5533-66-0296. Turn southeast and travel along the property lines of Map/PINs 5533-66-0296 and 5533-66-2076 to the southern corner of Map/PIN 5533-66-2076. Turn northeast and follow the northwesterly property lines of Map/PIN 5533-76-5268 around to the north corner of Map/PIN 5533-76-2656. Cross directly over Ben Black Road to the south property line of Map/PIN 5533-77-2327.
Turn northeast and go to the southeast corner of Map/PIN 5533-77-2327. Turn northwest and go to the north corner of said property. From here, go north-northeast along the eastern borders of Map/PINs 5533-78-1051 and 5533-78-1271. At the northeast corner of 5533-78-1271 turn northwest and follow the southern boundary of Map/PIN 5533-68-6765 until you reach the Forestbluff Dr. right-of-way. Turn southwest and follow the Forestbluff Dr. right-of-way to its intersection with Map/PIN 5533-68-0070. From here, turn northwest and travel to the border of Map/PIN 5533-58-3389. Turn northeast and go to the southern corner of Map/PIN 5533-58-9936. Turn northwest and follow the property line of Map/PIN 5533-58-3389 to the end of Waterbury Road. From here, go northeast until you reach the northerly right-of-way for Waterbury Road. Turn west and go until you meet Map/PIN 5533-49-7149. Turn northeast and follow this property line until it intersects with Map/PIN 5533-49-5850. Turn southwest and go to the southern corner of said property. Turn northwest and go until you meet Map/PIN 5533-49-0935, then turn northeast and go to the easternmost corner of the property. From here, turn northwest and go to the Cabarrus Station Road right-of-way. Turn northeast and travel to the southwest property line of Map/PIN 5534-40-1154. From here, turn southeast and go to the southern corner of said property. Turn northeast and go along the southeast property lines of Map/PINs 5534-40-1154 and 5534-40-2371 to the eastern corner of Map/PIN 5534-40-2371. Turn southeast and go along the southwest property line of Map/PIN 5534-40-5408 to the south corner of Map/PIN 5534-40-5408. Turn northeast and go along the property line to the eastern corner of said property. Turn northeast and follow the northern property line for Map/PIN 5534-50-3474 up to its northern corner. Turn north-northwest and follow the eastern border of Map/PIN 5534-51-2593 until you reach the southwest corner of Map/PIN 5534-52-6179. Turn northeast and follow the border of said property until you reach the southerly right of way for Cabarrus Station Road.
Follow the Cabarrus Station Road right-of-way east to the west property line of Map/PIN 5534-72-3682. Turn southeast and follow the boundary of said property around until you meet the Cabarrus Station Road right-of-way again. Continue east on the right-of-way to the southwest edge of Map/PIN 5534-72-6774. Turn southeast and travel along the northeast edge of Map/PINs 5534-71-9823 and 5534-80-9905 to

the southern corner of Map/PIN 5534-91-5983. Turn north and go along the property line to the Bethel Avenue Extension right-of-way. Follow the westerly Bethel Avenue Extension right-of-way south to the point of intersection with Map/PIN 5534-91-6180. Turn due north to the point of intersection with the southwest property line of Map/PIN 5544-01-7629. Turn southeast and go to the southwest corner of said property. Turn southwest and follow the west property lines of Map/PINs 5543-29-0546 and 5543-09-5170 to the southwest corner of Map/PIN 5543-29-0546. Turn east and follow the south property line of Map/PIN 5543-29-0546, 5543-29-6374, 5543-29-8440, 5543-39-0670, 5543-39-4530, and 5543-39-4936 to the southeast corner of Map/PIN 5543-39-4936. Cross directly over Map/PIN 5543-37-3491 to the southwest corner of Map/PIN 5543-44-4681. Continue along the south property line of Map/PINs 5543-49-4681, 5544-40-9609 and 5544-50-5735 to the southwest corner of Map/PIN 5544-50-8763.

Follow the western boundary of 5544-50-8763 north to the northwest corner of said property. Turn west and go along the north property lines of Map/PINs 5544-50-5735 and 5544-40-9609 to the northernmost corner of Map/PIN 5544-40-9609. Turn northeast and go to the easternmost corner of Map/PIN 5544-51-3808. Turn northwest and go to the northerly northeast corner of said parcel. Turn north to the easternmost corner of Map/PIN 5544-42-8481. Go to the westernmost corner of Map/PIN 5544-63-6383. Follow the northwest perimeter of Map/PIN 5544-63-6383 north to the north corner and then southeast until you reach the property's easternmost corner. From here follow the southern border of Map/PIN 5544-83-4451 to the western corner of Map/PIN 5544-83-7180. Turn southwest along the west property line of Map/PINs 5544-92-1669 and 5544-92-0588 to the northwest corner of Map/PIN 5544-92-2309. Turn southeast and follow around the north, east, and south borders of said property until you reach its southwest corner. Turn south and follow the western border of Map/PIN 5544-91-2911 until you reach the centerline of the Norfolk Southern Railway tracks.

From here, cross to the south side of the railroad track to the northwest corner of Map/PIN 5544-91-6017. Follow the southwest border of said property until you reach the centerline of Highway 601. Follow the centerline of Highway 601 south for approximately 2364 feet until you reach a point directly opposite the southwest property line of Map/PIN 5543-89-3040. Turn southeast and go along the southwest property lines of Map/PINs 5543-89-3040 and 5543-88-7716 to the southernmost corner of Map/PIN 5543-88-7716. Turn northeast and follow the boundary of said property to its easternmost corner. Turn northwest and follow the same boundary and the northeast boundary of Map/PIN 5543-89-3040 to the southernmost corner of Map/PIN 5543-89-5201. Turn northeast and follow the boundary of Map/PIN 5543-88-8145 around to the intersection with the northwest corner of Map/PIN 5553-08-6749. Continue east along the northern border of Map/PIN 5553-08-6749 until you reach the Hopewell Church Road westerly right-of-way. Turn southeast and continue following the right-of-way to the northern perimeter of Map/PIN 5553-18-1552. From here, turn southwest and follow the boundary of Map/PINs 5553-08-6749 and 5543-88-8145 until you reach the westernmost corner of Map/PIN 5543-97-0017. Turn

southeast and follow the border of Map/PIN 5543-97-0017 to the intersection with Map/PIN 5543-97-6556. At this point, turn northeast and follow the southern boundary of said property to the intersection with Map/PIN 5553-06-9822. From here, follow the eastern border of Map/PIN 5543-96-6459 south to the southwest corner of Map/PIN 5553-06-6441. Turn southeast and follow the south boundary of Map/PIN 5553-06-6441 to its southeast corner. Cross directly over Map/PIN 5553-15-8474 and Hopewell Church Road to the southwest corner of Map/PIN 5553-15-4576. Continue southeast along the property lines of Map/PINs 5553-15-4576 and 5553-15-8474 to the southernmost corner of Map/PIN 5553-15-8474. Turn northeast and follow the perimeter of said property until you reach the easterly Hopewell Church Road right-of-way. Turn northeast and follow the right-of-way to the southwest border of Map/PIN 5553-16-9800. Turn southeast and follow the northeast border of Map/PIN 5553-24-9675 to the southernmost corner of Map/PIN 5553-26-8196. Turn northeast and follow the northwest boundary of Map/PIN 5553-35-9990 to its northernmost corner. Continue northeast, following the eastern boundary of Map/PIN 5553-38-6833. Continue along the perimeter of said property until you reach the southernmost corner of Map/PIN 5553-29-5443.

From here, turn northwest and follow the northeast border of Map/PIN 5553-18-6976 to the southern corner of Map/PIN 5553-19-6599. Turn northeast and follow the west boundary of Map/PIN 5553-29-5443 to its northernmost corner. Continue north along the northwest border of Map/PIN 5554-20-2483 until you reach Garmon Mill Road. Cross Garmon Mill Road to a point 27 feet west of the southeast corner of Map/PIN 5554-21-2045 on the south property line of said parcel. Turn east and go to the southeast corner of Map/PIN 5554-21-2045, cross over Oak St., and follow the Chaney Road northern right-of-way to the southeast corner of Map/PIN 5554-21-4046. Turn north and follow the western boundary of Map/PIN 5554-31-1263, directly across the Norfolk Southern Railway right-of-way to the west edge of Map/PIN 5554-31-0864, and continue along the west property line of said property and Map/PIN 5554-32-0922 to the west corner of Map/PIN 5554-32-0922. At the intersection with Map/PIN 5554-23-1707, continue northwest along said property's southwest boundary until you reach the northeast corner of Map/PIN 5554-13-6172. Turn west-southwest and follow the south and west boundaries of Map/PIN 5554-13-3760 around until you reach the property's northeasternmost corner. At this point, turn northeast and follow the western boundary of Map/PIN 5554-24-2721 to its northerly northwest corner. Turn northwest and follow the northern border of Map/PIN 5554-16-5399 until you reach the easterly right-of-way of US Highway 601.

Thence continue northeast along the right-of-way on the southeast side of US Highway 601 to its intersection with the southwest border of property Map/PIN 5554-17-6858. Thence continue southeast along the property line to the southeastern corner of said property. From that corner continue northeast along the property line of said property and property Map/PIN 5554-18-6075 to the northeastern corner of Map/PIN 5554-18-6075. Thence continue southeast along the property line of Map/PIN 5554-18-7280 to the southeast corner of said property. From that corner continue northeast along the eastern property line of the property and the property Map/PIN 5554-18-

8327 to the northeast corner of 5554-18-8327. Thence continue southeast to the southeast corner of Map/PIN 5554-18-7567.
Thence continue to the southernmost corner of property Map/PIN 5554-29-4168; Turn northeast and follow the northerly property line of Map/PIN 5554-38-7270 around to the southwest corner of Map/PIN 5554-49-7745. Thence continue east along the Map/PIN 5554-49-7745 property line and the property line of Map/PIN 5554-49-8595 to the southeast corner of the property. Thence continue east along the southern right-of-way of Loving Road to the property line of Map/PIN 5554-58-7874. From that point continue south along the property lines of said property and property Map/PIN 5554-58-2939 for approximately 723 feet to a point directly opposite the southwest corner of Map/PIN 5554-58-3931.
From that point continue east to the southwest corner and then to the southeast corner of property Map/PIN 5554-58-3931. Thence continue north along said property line to the northerly northeast corner of the property. From that corner of the property continue northeast directly across the property of Map/PIN 5554-58-7874 to the southern property line of Map/PIN 5554-59-4334. Thence continue east along the property line to the easterly northeast corner of the property. From that point continue directly across the property Map/PIN 5554-58-7874 to the property line of Map/PIN 5554-59-8365. Thence continue southeast to the southerly southwest corner of Map/PIN 5554-59-8365. Thence continue south to the northwest corner of Map/PIN 5554-69-0079. Thence continue southeast along the property line to the southernmost corner of Map/PIN 5554-69-2254. From that corner continue northeast along the property line to the southwestern corner of property Map/PIN 5554-69-5056. Thence continue southeast along the property lines of said property and property Map/PIN 5554-68-8951 to the southernmost corner of the property Map/PIN 5554-68-8951. Thence continue northeast along the eastern side of the property to the point of intersection with McManus Road. Turn and go east to the intersection with the McManus Road right-of-way.
Thence continue northeast along the right-of-way of McManus Road on the eastern side of the road to the intersection with the south border of property Map/PIN 5555-70-2167. Thence continue east to the southeastern corner of Map/PIN 5555-70-2167 then northeast to the northeasternmost corner and then northwest to the point of intersection with the McManus Road right-of-way. Thence continue northeast along the right-of-way on the eastern side of the road to the southwest property line of property Map/PIN 5555-70-4703. Thence continue southeast along the property line to the southernmost corner of said property and then northerly along the eastern property line to the point of intersection with NC Highway 24/27 southerly right of way. Thence continue directly across the Highway to the southeast corner of property Map/PIN 5555-72-5202. Continue along the southerly property lines of Map/PIN 5555-71-7706 and 5555-71-8321 to the southeast corner of Map/PIN 5555-71-8321.
Thence continue northwest along the eastern boundary to the northeast corner of the property. Thence continuing northwest along the property line of Map/PIN 5555-71-7706 to the northernmost corner of the property Map/PIN 5555-71-7706. Thence continue southwest along the westerly property line of said property and property

Map/PIN 5555-71-5202 to the point of intersection with the NC Highway 24/27 right-of-way. Thence continue southwest along the northern right-of-way of NC Highway 24/27 to the point of intersection with the east property line of Map/PIN 5555-61-8154. Thence continue northerly along the property line of said property to the northernmost corner. From that corner continue southwest along the northwest property line to the point of intersection with the NC Highway 24/27 right-of-way. Thence continue west along the northern right-of-way to the point of intersection with the east property line of property Map/PIN 5555-50-3891.

From that point continue northwest along the eastern property line of Map/PIN 5555-50-3891 to the northernmost corner of the property. Thence continue northeast along the southeast property line of property Map/PIN 5555-51-3993 to the northeastern corner of the property. Thence continue northwest along the northern property line to the northwestern corner of the property and continue southwest along the western property line of the property to the point of intersection with the NC Highway 24/27 right-of-way. Thence continue southwest along the northern right of way to the point of intersection with the property Map/PIN 5555-30-9401. Thence continue northeast along said property line to the northeast corner of the property and then southwest along the property line to the northwestern corner of the property. Thence continue northeast along the east property lines of Map/PINs 5555-30-6464 and 5555-30-8813 to the northeast corner of Map/PIN 5555-30-8813. Thence continue around the perimeter of Map/PIN 5555-30-8813 to the northwest corner of Map/PIN 5555-30-6464.

Cross over Widenhouse Road to the northeast corner of property Map/PIN 5555-30-3368. Thence continue northwest along the northern property line of Map/PIN 5555-30-3368 to the northwestern corner of the property. Thence continue northeast along the southeast property line of Map/PIN 5555-20-7506 to the northeastern corner of the property. From that corner continue northwest along the northern property line to the point of intersection with property Map/PIN 5555-21-3274. Thence continue northeast along the property line of said property to the northeastern corner of the property. From that corner continue west to the northwest corner of the property and continue south to the southwest corner. Cross directly over US Highway 601 to the northeast corner of property Map/PIN 5555-11-2213. Thence continue northwest along the northern property line of said property to the northernmost corner of the property.

Thence continue southwest along the northwest property line of property Map/PIN 5555-01-2134 to the west corner of the property. From that corner continue southwest along the property line of the property Map/PIN 5545-90-6414 to the point of intersection with the property Map/PIN 5545-90-1280. Thence continue northwest to the northwestern corner of said property. From that corner continue southwest along the property line to the southwest corner of Map/PIN 5545-90-1280 then southeast to the point of intersection with property Map/PIN 5544-99-4865. Thence continue southwest along the property line of Map/PIN 5544-99-4865 to the intersection with Map/PIN 5544-99-0543. Thence continue west along the northern boundary of said

property and property Map/PIN 5544-89-8583 to the northwestern corner of Map/PIN 5544-89-8583.

Thence continue south to the intersection with the northerly NC Highway 24/27 right-of-way. Thence continue west along the northern right-of-way of NC Highway 24/27 to the point of intersection with the property Map/PIN 5544-79-6696. Turn north, and follow the western border of Map/PIN 5545-80-6865 to the northeast corner of Map/PIN 5545-71-6954. Turn west and follow the northern border of said property and Map/PIN 5545-71-2774 until you reach the northwest corner of Map/PIN 5545-71-2774. Turn southwest and follow the boundaries of Map/PINs 5545-71-2774, 5545-71-0151, and 5545-60-9722 to the southeast corner of Map/PIN 5545-61-1127. Turn northwest and travel to the southwest corner of Map/PIN 5545-61-1127. Turn northeast and follow the western border of said property to its northwestern corner.

Turn northwest and follow the northern border of Map/PIN 5545-41-9555 until you reach the Jim Sossoman Road right-of-way. Turn northeast and follow the eastern right-of-way to its point of intersection with Map/PIN 5545-62-3629. Turn southeast and follow the southern boundary of Map/PIN 5545-62-3629 to its southeast corner. Turn north and follow the eastern bounds of Map/PINs 5545-62-3629, 5545-62-4814, 5545-62-4978, 5545-63-5135, 5545-53-8663, 5545-63-6465, 5545-63-7640, and 5545-64-1035 to the northeast corner of Map/PIN 5545-64-1035. Turn northwest and follow the border of said property to the Jim Sossoman Road eastern right-of-way.

Turn northeast and follow the eastern right-of-way to the intersection with Map/PIN 5545-74-8667. Turn southeast and follow the southern border of Map/PIN 5545-74-8667 to its easternmost corner. Continue northeast along the southeast border of Map/PIN 5545-84-6783 to its easternmost corner. Turn northwest and follow the east border of Map/PIN 5545-84-6783 to the northeast corner crossing over an unnamed right-of-way to the southeast corner of Map/PIN 5545-85-7344. Continue along the eastern and northern borders of said property until you reach the property's northwest corner. Continue northwest along the northern border of Map/PIN 5545-85-3576 to its northern corner. Turn southwest and go to the southwest corner of said property. When you reach an unnamed right-of-way, turn northwest and follow the right-of-way to the Jim Sossoman Road eastern right-of-way. When you reach the right-of-way for Jim Sossoman Road, turn northeast and follow the eastern right-of-way to its point of intersection with Map/PIN 5545-98-7291.

From this point, travel east along the southern border of Map/PIN 5545-98-7291 until you reach its southeast corner. Turn south and follow the eastern border of Map/PIN 5545-97-7724 and 5555-06-6822 to the southeast corner of 5555-06-6822. Turn southeast and follow the border of Map/PIN 5545-87-4111 southeast and then southwest to the southeast corner. From here, turn east and follow the northeast perimeter of Map/PIN 5555-03-7435 until you reach the southeast corner of Map/PIN 5555-12-6854. Turn north and follow the easterly property line of Map/PINs 5555-12-6854, 5555-12-6938, 5555-13-5302, 5555-13-4567, 5555-13-4840, 5555-14-4080, 5555-14-4158, 5555-14-4356, 5555-14-1498, 5555-14-4651, 5555-14-3932, and 5555-15-5279 to the northeast corner of Map/PIN 5555-15-5279. Turn southeast, cross the road to the southwest corner of Map/PIN 5555-25-0668, and continue to the southeast corner of

Map/PIN 5555-25-0668. Turn northeast and follow the western boundary of Map/PIN 5555-35-9827 to the northernmost corner of Map/PIN 5555-26-7559. Cross Mt. Pleasant Road to the southeast corner of Map/PIN 5555-27-5019. Proceed north along the easterly property line of said parcel and Map/PINs 5555-27-5383 and 5555-27-6647 to the southeast corner of Map/PIN 5555-28-5511.

Continue west along the southern boundary of Map/PIN 5555-28-5511 to its southwest corner. Cross Highway 601 to the southeast corner of Map/PIN 5555-17-6979. Proceed northerly along the easterly property lines of Map/PINs 5555-17-6979, 5555-18-6156, 5555-18-5472, 5555-18-4955, and 5555-19-2451 to the southeast corner of Map/PIN 5555-19-3854. Cross Highway 601 to the northwest corner of Map/PIN 5555-29-0676. Proceed along the west and south borders of the parcel to the southeast corner of said property. Follow the northeast property line of said parcel to the south corner of Map/PIN 5555-29-2721. Continue north on the east property line of Map/PIN 5555-29-2721 to the northeastern corner of said parcel. Turn northwest and follow the border of said property to its northwest corner. Turn northeast and follow the western border of Map/PIN 5555-29-9552 to its northwest corner. Turn west and follow the southern border of Map/PIN 5556-21-3259 back to the easterly US Highway 601 right-of-way. Staying on the east side right-of-way, continuing along Map/Pin 5556-21-3259 northwest then northeast to the intersection of Map/PIN 5556-23-1563. Turn west and follow the southern border of Map/PIN 5556-23-1563 to the Point of Beginning.

This area excludes any area described in Section 1 of S.L. 2000-7.

"CHAPTER III.

"GOVERNING BODY.

"Section 3.1. **Structure of Governing Body; Number of Members.** The governing body of the Town of Midland shall be the Town Council, which shall have four members, and the Mayor.

"Section 3.2. **Manner of Electing Town Council; Term of Office.** The qualified voters of the entire Town shall elect the members of the Town Council and, except as provided in this section, they shall serve four-year terms. In 2001, the two candidates receiving the highest number of votes shall be elected to four- year terms and the two candidates receiving the next highest number of votes shall be elected to two-year terms. In 2003 and biennially thereafter, two members shall be elected to four-year terms.

"Section 3.3. **Manner of Electing Mayor; Term of Office.** The qualified voters of the entire Town shall elect the Mayor. In 2001 and quadrennially thereafter, the Mayor shall be elected for a term of four years.

"Section 3.4. **Initial Council.** Until the organizational meeting after the initial regular municipal election of 2001, L.W. 'Bunk' Whitley, Joyce Beatty, and Dan Short are hereby appointed as members of the Town Council. Until that time, the Council shall consist of three members. Until the organizational meeting after the initial regular municipal election of 2001, the Town Council shall choose from among its members one person to serve as Mayor.

"CHAPTER IV.

"ELECTIONS.

"Section 4.1. **Conduct of Town Elections.** Regular municipal elections shall be held in each odd-numbered year in accordance with the uniform municipal election laws of North Carolina. Elections shall be conducted on a nonpartisan basis and results determined by a plurality as provided in G.S. 163-292.

"CHAPTER V.

"ADMINISTRATION.

"Section 5.1. **Town to Operate Under Mayor-Council Plan.** The Town of Midland shall operate under the Mayor-Council form of government as provided in Part 3 of Article 7 of Chapter 160A of the General Statutes."

Section 2. From and after the effective date of this act, the citizens and property in the Town of Midland shall be subject to municipal taxes levied for the year beginning July 1, 2000. For that purpose the Town shall obtain from Cabarrus County a record of property in the area herein incorporated which was listed for taxes as of January 1, 2000. The Town may adopt a budget ordinance for fiscal year 2000-2001 without following the timetable in the Local Government Budget and Fiscal Control Act, but shall follow the sequence of actions in the spirit of the act insofar as is practical. For fiscal year 2000-2001, ad valorem taxes may be paid at par or face amount within 90 days of adoption of the budget ordinance and thereafter in accordance with the schedule in G.S. 105-360.

Section 3. The Cabarrus County Board of Elections shall conduct an election on November 7, 2000, for the purpose of submission to the qualified voters of the area described in Section 2.1 of the Charter of the Town of Midland the question of whether or not the area shall be incorporated as the Town of Midland. Registration for the election shall be conducted in accordance with G.S. 163-288.2.

Section 4. In the election, the question on the ballot shall be:

"[ ]FOR [ ]AGAINST

Incorporation of the Town of Midland."

Section 5. In the election, if a majority of the votes are cast "For incorporation of the Town of Midland", Sections 1 through 2 of this act shall become effective on the date that the Cabarrus County Board of Elections certifies the results of the election. Otherwise, those sections shall have no force and effect.

Section 6. This act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1999

H 2

HOUSE BILL 1667
Committee Substitute Favorable 6/12/00

Short Title: Charlotte Charter Consolidation. (Local)

Sponsors:

Referred to:

May 23, 2000

A BILL TO BE ENTITLED

AN ACT TO REVISE AND CONSOLIDATE THE CHARTER OF THE CITY OF CHARLOTTE.

The General Assembly of North Carolina enacts:

Section 1. The Charter of the City of Charlotte is revised and consolidated to read as follows:

"THE CHARTER OF THE CITY OF CHARLOTTE.

"CHAPTER 1.

"ORGANIZATION AND POWERS.

"Section 1.01. **Incorporation and Corporate Powers.** The City shall continue to be a body politic and corporate by the name of "City of Charlotte."

"Section 1.02. **Existing Corporate Boundaries.** The corporate boundaries of the City shall be those existing at the time of ratification of this Charter and as the same may be altered from time to time in accordance with applicable laws.

"CHAPTER 2.

"ELECTIONS.

"Section 2.01. **Regular Municipal Elections; Conduct.** Regular municipal elections shall be held in the City every two years in odd-numbered years, and shall be conducted in accordance with the Uniform Municipal Elections Laws of North Carolina. The Mayor and members of the Council shall be elected according to the partisan election method authorized for municipalities.

"Section 2.02. **Election of the Mayor.** The Mayor shall be elected to serve a term of two years. The Mayor shall be elected by the qualified voters of the City voting at large.

"Section 2.03. **Election of Council Members.** The Council shall consist of 11 members. The City shall be divided into seven single-member electoral districts; Council members shall be apportioned to the districts so that each member represents the same number of persons as nearly as possible, except for members apportioned to the City at large. The qualified voters of each district shall nominate and elect candidates who reside in the district for seats apportioned to that district, and all the qualified voters of the City shall nominate and elect candidates apportioned to the City at large. There shall be four at-large members of the City Council. All members of the Council shall serve a term of two years.

"CHAPTER 3.

"GOVERNING BODY.

"Section 3.01. **Compensation of Mayor and Council members.** The salary of the Mayor and each Council member shall be in such amounts as established by the Council from time to time.

"Section 3.02. **Meetings.** Notwithstanding the provisions of general law, only the Mayor, or in the absence of the Mayor, the Mayor Pro Tempore, or a majority of the members of the Council may call special or emergency meetings.

"Secs. 3.03--3.22. Reserved.

"Section 3.23. **Quorum; Procedure; Voting.** (a) Six members of the Council shall constitute a quorum. A member who has withdrawn from a meeting, whether excused or not excused, shall be counted as present for purposes of determining a quorum.

(b) Its meetings shall be public and the Mayor, who shall be the official head of the City, shall preside, if present, but shall have no vote except in case of a tie, or as provided herein. Six affirmative votes of the Council members, or five of such affirmative votes, together with the affirmative vote of the Mayor, in case of a tie vote, shall be required for the passage of any motion, resolution, or ordinance. Motions, resolutions, and ordinances granting special franchises and special privileges must be voted on and passed at not less than two regular meetings of the Council. Except as provided in this section, motions, resolutions, and ordinances will be deemed adopted if passed upon one reading. Except for Council appointments to committees, boards, and commissions; its employment of the City Manager, the City Attorney and the City Clerk; its internal affairs and matters which must be approved by the voters, the Mayor may veto any action adopted by the Council. The veto must be exercised at the meeting at which the action was taken. An action vetoed by the Mayor shall automatically be on the agenda at the next regular or special meeting of the Council, but shall not become effective unless it was readopted by the Council with at least seven members voting in the affirmative. In the absence of the Mayor, the Mayor Pro Tempore shall preside and, when so presiding, shall have the right to vote upon all questions, but shall have no additional vote in case of a tie, and shall not have veto power; and in the absence of both, a chair Pro Tempore shall be chosen to preside at such meeting, and, when so presiding, he shall have the right to

vote upon all questions, but shall have no additional vote in case of a tie. Provided further, however, the Mayor shall have a vote in the consideration of amendments to zoning ordinances when said amendments are the subject of a valid protest as defined by G.S. 160A-385. In voting on amendments to zoning ordinances, the Mayor shall be deemed a member of the legislative body as that term is used in G.S. 160A-385. Provided further, however, the Mayor shall have a vote in the consideration of the employment or dismissal of the City Manager, the City Attorney and the City Clerk.

"Section 3.24. **Powers and Duties of Mayor.** (a) The Mayor shall be ex officio member of all boards or commissions elected or appointed by the Council or the Mayor, and he shall serve upon the same in an advisory capacity only and shall not have a vote.

(b) In the absence or incapacity of the Mayor, all his duties, powers, and obligations shall be vested in the Mayor Pro Tempore.

"CHAPTER 4.

"ADMINISTRATION.

"ARTICLE I. IN GENERAL.

"Section 4.01. **Form of Government.** The City shall operate under the Council-Manager form of government.

"ARTICLE II. City Manager.

"Section 4.02. **Appointments by Council.** The Council shall appoint the City Manager, City Clerk, and City Attorney, each of whom shall hold office during the pleasure of the Council.

"Section 4.03. **Council-Manager Relationship.** The Council shall hold the City Manager responsible for the proper management of the affairs of the City, and the City Manager shall keep the Council informed of the conditions and needs of the City, and shall make such reports and recommendations as may be requested by the Council or as the City Manager may deem necessary. Neither the Mayor, the Council nor any member thereof shall direct the conduct or activities of any City employee, directly or indirectly, except through the City Manager.

"Section 4.04. **Acting City Manager.** The Council may from time to time designate a department head or other City employee as acting City Manager who shall have the authority, during any absence, illness, or other disability of the City Manager, or during any temporary vacancy in the office of the City Manager, to exercise the powers and duties of the City Manager, except as the Council may otherwise prescribe.

"Section 4.05. **Personnel Administration Standards.** The Council shall establish by appropriate ordinances a system of personnel administration, not inconsistent with the provisions for civil service hereinafter set forth, governing the appointment, promotion, transfer, layoff, removal, discipline, and welfare of City employees. Such ordinances shall be based upon the following general standards:

(1) Employment shall be based on merit without regard to race, creed, color, sex, political affiliation, age, or physical defect or impairment of the applicant unless the defect or impairment prevents the applicant from performing, with reasonable

accommodation, an essential function of the employment sought. "Physical defect" or "impairment" shall be defined to mean any physical disability, infirmity, malformation, or disfigurement which is caused by bodily injury, birth defect, or illness including epilepsy.

(2) Conditions of employment shall be maintained to promote efficiency and economy in the operation of the City government.

(3) Position classification and compensation plans shall be established and revised from time to time to meet changing conditions.

(4) Appointments and promotions shall be made solely on the basis of merit and fitness, demonstrated by examination or other evidence of competence.

(5) Tenure of employment shall be subject to satisfactory performance of work, personal conduct compatible with the trust inherent in public service, necessity for the performance of work, and availability of funds.

(6) Such ordinances shall also prescribe the details of personnel organizations and procedures.

The City Council may, in its discretion, delegate all or any part of the authority granted to it by G.S. 160A-162 to the City Manager.

"Section 4.06. **Optional Rights.** The City Manager may:

(1) Approve the:

a. Acquisition by the City of real property having a value of ten thousand dollars ($10,000) or less.

b. Acquisition or sale by the City of real property having a value of more than ten thousand dollars ($10,000), when the City Manager certifies to the Council that the property is being acquired or sold for the purpose of increasing the supply of affordable housing available to low- or moderate-income persons. The Manager shall, within 10 days of any transaction authorized by this subdivision, report the details to the Council.

(2) Approve certain contracts as provided in Section 8.86 of this Charter.

(3) Approve agreements permitting encroachments into setbacks and rights-of-way.

(4) Accept dedicated streets for City maintenance.

"Secs. 4.07--4.60. Reserved.

"ARTICLE III. CIVIL SERVICE.

"Section 4.61. **Civil service Board; Membership, Powers and Duties.** (a) Establishment. There is hereby continued a civil service Board for the City of Charlotte, to consist of five members and two alternates; three members and one alternate to be appointed by the Council and two members and one alternate to be appointed by the Mayor. Each member shall serve for a term of three years. In case

of a vacancy on the Board, the Council or the Mayor, as the case may be, shall fill such vacancy for the unexpired term of said member. For the purposes of establishing a quorum of the Board, any combination of Board members and alternates totaling three shall constitute a quorum. All Board members and alternates shall attend regular meetings for the purposes of meeting attendance policy and familiarity with Board business and procedures. Alternates shall attend hearings when needed due to scheduling conflicts of regular Board members and shall vote only when serving in the absence of a regular Board member. Attendance at meetings and continued service on the Board shall be governed by the attendance policies established by the Council. Vacancies resulting from a member's failure to attend the required number of meetings or hearings shall be filled as provided herein.

(b) Qualifications; Removal. The members of the Civil Service Board shall be registered voters of the City of Charlotte or County of Mecklenburg and shall take an oath to faithfully perform their duties. The members of said Board shall be subject to removal from office by a two-thirds vote of the Council, with or without cause.

(c) Examinations. The Board shall establish and fix requirements for applicants for employment in the fire and police departments. All applicants shall be subjected to examination by or at the direction of said Board. The examination shall be competitive and free to all persons meeting the requirements of the Board, subject to reasonable limitations as to residence, age, health, and moral character; provided that:

(1) Applicants for employment in the fire department shall be at least 18 years of age, and

(2) Applicants for employment in the police department shall be at least 20 years of age.

The Council may, by ordinance, at any time and from time to time, fix and establish such lesser maximum age limits for applicants as may be consistent with the needs of the respective departments. The examination for applicants shall be practical in character and shall be limited to matters which fairly test the relative ability of the applicant to discharge the duties of the position applied for and shall include tests of physical qualifications and health, but no applicant shall be examined concerning his political or religious opinions or affiliations.

(d) Notice. Notice of time and place of every examination shall be given by the Board for one week preceding such examination in a newspaper published in the City, and such notice shall be posted in a conspicuous place in the office of the Board, or its designee, for at least two weeks preceding such examination.

(e) Register. The Board shall prepare and keep a register of persons passing the examination, graded according to the respective showings upon the examination, which register shall determine the appointments to be made in each of the departments under the eligibility rules and regulations established by the Board.

(f) Definitions. The terms "officer or employee" or "officer," as used in this Article, shall mean sworn officers with regard to the police department and shall mean uniformed personnel with regard to the fire department.

(g) Restrictions. No officer or employee of the fire and police departments shall take any part in any election or political function while in uniform or on duty other

than that of exercising his right to vote. Any officer or employee found by the Board to have violated this provision may be dismissed from service by the Board, or the Board may adjudge other punishment.

(h) Relieving a Member From Duty. The chief of either the fire or police department, or the officer in charge in the absence of the chief, may relieve an officer or employee of the respective departments of all duties, and the chief, or the officer in charge in the absence of the chief, shall provide such officer or employee with a written complaint setting forth the department rules or regulations the officer or employee is charged with violating, along with a statement of the basic facts supporting the charge, and the chief, or the officer in charge in the absence of the chief, shall simultaneously cite such officer to the Board for an automatic hearing as set forth herein with a recommendation that such officer be dismissed from the department. Any officer so relieved of duty shall not receive any pay or be assigned any duties until the Board has acted upon the charges at the conclusion of its hearing. In the alternative, the chief, or the officer in charge in the absence of the chief, may cite such officer to the Board for an automatic hearing in accordance with the foregoing procedure, but without relieving the officer from duty.

(i) Dismissal or Suspension of Officer. The chief of either the fire or police department, or the officer in charge in the absence of the chief, may suspend without pay for a period not exceeding 30 days, any officer or employee of the respective departments. In suspending such officer, the chief, or the officer in charge in the absence of the chief, will provide such officer with a written complaint setting forth the department rules or regulations the officer is charged with violating, along with a statement of the basic facts supporting the charge. Any such officer so suspended may appeal to the Board by giving written notice of appeal to the Board with a copy to the chief of such officer's department. Such notice of appeal must be received by the Board within a period of 15 days from the date of the officer's suspension, whereupon a hearing before the Board on such appeal shall be conducted as provided in subparagraph (c). Any officer suspended without pay shall receive no pay for the period of suspension unless the officer is found by the Board not to have committed the offense, or unless the Board adjudges a different period of suspension without pay, in which case the officer shall receive no pay for such different period of suspension.

(j) Appeal Hearings. Upon receipt of a citation for termination from either chief or upon receipt of notice of appeal for a suspension from any civil service covered police officer or firefighter, the Board shall hold a hearing not less than 15 days nor more than 30 days from the date the notice of appeal, or the citation, is received by the Board, and shall promptly notify the officer of the hearing date. Termination hearings shall be held with a panel of five made up of any combination of available members or alternates, and suspension hearings shall be held with a panel of three made up of any combination of available members or alternates. In the event an officer desires a hearing at a date other than that set by the Board within the period set forth above, such officer may file a written request for a change of hearing date setting forth the reasons for such request, and the Chair of the Board is empowered

to approve or disapprove such request; provided that such request must be received by the Board at least seven days prior to the date set for the hearing. For good cause, the Chair of the Board may set a hearing date other than within the period set forth above, or may continue the hearing from time to time. In the conduct of its hearing, each member of the Board shall have the power to subpoena witnesses, administer oaths, and compel the production of evidence. If a person fails or refuses to obey a subpoena issued pursuant to this subsection, the Board may apply to the General Court of Justice, Superior Court Division, for an order requiring that its subpoena be obeyed, and the court shall have jurisdiction to issue these orders after notice to all parties. If any person, while under oath at a hearing of the Board, willfully swears falsely, such person shall be guilty of a Class 1 misdemeanor. Both the officer and the police or fire department shall have the right to present relevant evidence to the Board at its hearing. The officer must be furnished with a copy of the charges which have been brought against an officer and which will be heard by the Board. The officer shall be required to answer questions from members of the Board or the Board's counsel; however, the officer may refuse to answer any question where the answer might incriminate the officer with respect to any criminal violation of State or federal laws. The officer may be present at all evidentiary portions of the hearing, may retain counsel to represent the officer at the hearing, and may cross-examine those witnesses who testify against the officer. The officer will be given the right to an open or closed hearing as he may elect. After the evidentiary portion of the hearing is concluded, the Board will consider the evidence in closed session, and the Board will make findings of facts which will be provided to the officer together with a statement of the action taken by the Board on the basis of its findings of fact.

(k) General Powers of the Board. If, at the completion of its hearing, the Board shall find that:

(1) An officer has not committed the offense or offenses with which such officer has been charged, the Board may restore such officer to full duty with reimbursement of any pay lost during the period the officer was suspended or relieved from duty.

(2) An officer has committed the offense or offenses with which such officer has been charged, the Board may issue an order:

a. Dismissing such officer;

b. Suspending such officer, without pay, for a period not exceeding 90 days; or

c. Imposing such other lesser punishment as it deems just and proper.

The Board may suspend its dismissal or suspension without pay and place such officer on probation for a period not to exceed one year upon such reasonable conditions as the Board may deem appropriate. The Board may order the department to furnish to the Board, during the period of probation, such information regarding the officer as the Board deems necessary.

(l) Appeal from Action of Board. Any officer may appeal from any order of the Board to the Superior Court of Mecklenburg County by giving notice of appeal, in writing, to the Superior Court within 10 days after the entry of the order. Assignments of error must be filed with the court and served upon the Board within 30 days after the entry of the order. The appeal to the Superior Court will be upon the record of the proceedings before the Board at its hearing.

(m) Incapability of performance. In those situations where the chief of the fire or police department determines that an officer of the respective department is permanently disabled, the chief may cite that officer to the Board with a statement of the facts relating to the inability of such officer to perform his duties, and the Board shall, upon receipt of any such citation, hold a hearing as provided for herein, and the Board may dismiss such officer if it finds that such officer can no longer perform his duty. Permanently disabled, as used in this paragraph, shall mean the continuing or enduring incapacity because of physical injury, sickness, or mental illness as determined by competent medical authority, to earn the wages which the officer was receiving at the time of the injury, sickness, or determination of mental illness in the same or any other related employment.

(n) Power of the Board to Require Investigation. The Board may require the chief of the fire or police department to investigate any incident or circumstance involving officers of such departments which shall come to the Board's attention; provided that a majority of the Board shall first determine that such an investigation is in the public's interest. The respective chief shall report the results of an investigation to the Board in writing within a time to be set by the Board.

(o) Annual Report. The Board shall make an annual report of its actions for the preceding year, and said annual report shall be kept in the files of the Board, and a copy delivered to the Council.

(p) Secretary. The City Clerk shall act as secretary to the Board and shall keep the minutes of its meetings and shall be custodian of all papers and records pertaining to the business of said Board and shall perform such other duties as the Board may require.

(q) Accommodations. The Council shall provide suitable rooms for the Board and shall provide sufficient reasonable use of public buildings for meetings and hearings of said Board as may be necessary.

(r) Compensation. The members of said Board shall serve without compensation.

(s) City Finance. Nothing in this Article shall be so construed as to deprive the Council of its control of the finances of said City.

(t) Exceptions. The provisions of this Article pertaining to civil service coverage of officers and employees of the fire and police departments shall not apply to the chief of the fire department or the chief of the police department and shall not apply to an officer of the police or fire department until he or she has been an officer of the respective department for at least 12 months. During such 12-months' probationary period, he or she shall be subject to discharge by the chief of such department under rules promulgated with respect thereto, such rules to be approved by the Council.

(u) Promotions and Demotions. The chief of the police department and the chief of the fire department shall have authority to make all promotions of officers of their respective departments, subject to majority approval of the Civil Service Board. Promotions are probationary for six months from the date they become effective. Any demotions, except voluntary demotions, shall be made only after written charges are preferred and a hearing held before the Civil Service Board. Except as otherwise provided, demotions must be approved by a majority vote of the Board.

(v) Wartime Emergency. Notwithstanding any other provisions of this Article, during any wartime emergency and for six months thereafter, officers of the fire department and police department may be employed on a temporary basis, and such temporarily employed officers may be discharged by the City Manager without the preferment of charges.

(w) Auxiliary Officers. The Council may authorize the City Manager to appoint auxiliary officers of the fire and police departments without previous examinations by the Civil Service Board, who, subject to such rules and conditions as the chiefs of their respective departments shall prescribe, shall have all the powers and duties of regular members of the police and fire departments. Such auxiliary officers of the said departments shall be subject to discharge by the City Manager, with or without cause, and without a hearing before the Civil Service Board.

"CHAPTER 5.

"AUTHORITIES, BOARDS, AND COMMISSIONS.

"ARTICLE I. IN GENERAL.

"Section 5.01. **Powers of Mayor and Council.** (a) In addition to any authorities, Boards or commissions now, or hereafter created and established by or pursuant to general, local, or special law, or this Charter, the Council may create and establish, by ordinance or resolution, such other authorities, boards, and commissions as it may deem necessary or appropriate to the administration, regulation, and operation of services, activities, and functions which the City is authorized by law to perform, regulate, and carry on. It is desirable that in appointing persons to boards, commissions, and authorities, the appointing authority should attempt to secure reasonable representation on each such body of all sexes, races, geographic sections of the City, and political parties. Provided, however, that such representation shall not be required, and the validity of any appointment may not be challenged on grounds that such representation has not been achieved.

(b) Any authority, board, commission, or other agency to which the Mayor or Council appoints members or appropriates money is hereby required to furnish to the Mayor and Council, upon request, such information as the Mayor and Council may deem relevant to the affairs of any such authority, board, commission, or other agency. The duty to provide such information is mandatory and may be enforced by an action for mandamus in the Superior Court of Mecklenburg County.

(c) The Mayor and Council may develop a plan and adopt such ordinances or resolutions as may be necessary to provide that the Mayor shall appoint one-third of the membership, and the Council shall appoint two-thirds of the membership of the following boards, commissions, and authorities:

(1) The Auditorium-Coliseum-Civic Center Authority;
(2) The Civil Service Board;
(3) The Housing Authority; and
(4) The Board of Adjustment.

"Secs. 5.02--5.20. Reserved.

"ARTICLE II. AUDITORIUM-COLISEUM-CONVENTION CENTER AUTHORITY.

"Section 5.21. **Continuation.** (a) The control, management, and operation of the property and improvements now or hereafter made or acquired by the City for auditorium, coliseum, civic center, and baseball stadium purposes shall continue to be vested in the authority to be known as the auditorium-coliseum-convention center authority. The authority shall continue to be composed of seven members, five members to be appointed by the Council and two members to be appointed by the Mayor. Each member shall serve a term of three years. No member shall serve more than two consecutive terms. In case any vacancy shall be created on said authority, the Council or the Mayor, as the case may be, shall appoint a member to fill the unexpired term. The members of the authority shall receive no compensation.

(b) Attendance of meetings and continued service on the authority shall be governed by the attendance policies established by the Council. Vacancies resulting from a member's failure to attend the required number of meetings shall be filled as provided herein.

"Section 5.22. **Officers and Funds.** The members of the authority shall elect annually from their body a chair, vice-chair, and a secretary and otherwise provide for the efficient administration of its affairs; provided, however, the finance officer of the City shall by virtue of his office be also the finance officer of the authority, and he shall serve as such finance officer without additional compensation. All funds of the authority shall be kept by its treasurer in a separate bank account or accounts from other funds of the City and shall be paid out only in accordance with procedures established by such authority. The net proceeds from the operation of the authority shall be used to pay the interest and retirement on the bonded debt of the City incurred in connection with such auditorium-coliseum-convention center-baseball stadium and shall not be used for any other purpose until said bonds, principal, and interest have been paid, except as may be otherwise approved by the Council for other uses of the authority. Quarterly operating statements of the authority and an annual audited statement shall be presented to the Council. The authority shall be deemed a "special district," as defined in G.S. 159-7, for purposes of the Local Government Budget and Fiscal Control Act and shall budget and administer its fiscal affairs according to the provisions of that act applicable to special districts.

"Section 5.23. **Powers and Duties.** (a) The authority shall operate the auditorium-coliseum-convention center-baseball stadium in a proper, efficient, economical, and business-like manner, to the end that such properties and facilities may effectively serve the public needs for which they were established at the least cost and expense to the City. The authority shall appoint a Manager of such auditorium-coliseum-

convention center-baseball stadium properties, whose salary shall be fixed by the authority. Such Manager shall, in addition to other duties imposed upon him by the authority, be responsible for the collection of rents or fees for the use of the properties and facilities of the authority. The authority shall select such other personnel as it deems advisable to properly operate such properties. The authority shall have full and complete control of such auditorium-coliseum-convention center-baseball stadium properties and facilities; shall have full and complete control over granting and denying the use of, and establishing and collecting rents and fees for the use of, the properties and facilities; shall make all reasonable rules and regulations as it deems necessary for the proper operation and maintenance of such properties and facilities; may expend funds of the authority for the advertising and promotion of the use of the properties and facilities; and may sponsor and promote shows, events, games and activities involving the use of the properties and facilities and make reasonable charges therefor.

(b) The authority may, in its discretion, lease or rent auditorium-coliseum-convention center-baseball stadium properties and facilities for such terms and upon such conditions as the authority may determine but not for longer than 10 years. Leases and rentals for terms of more than one year may be executed only after 10 days' public notice by publication describing the property to be leased or rented, stating the annual lease or rental payments and announcing the authority's intent to authorize the lease or rental at its next meeting. No public notice or resolution of the authority is required with respect to leases and rentals for terms of one year or less.

"CHAPTER 6.

"REGULATORY AND PLANNING FUNCTIONS.

"ARTICLE I. IN GENERAL.

"Secs. 6.01--6.10. Reserved.

"ARTICLE II. TRAFFIC AND PARKING.

"Section 6.11. **Parking Regulations and Violations.** (a) The Council may provide by ordinance that each hour a vehicle remains illegally parked in an on-street parking space is a separate offense, and the violator may be given a ticket for each offense.

(b) The Council may provide by ordinance that any vehicle that has been towed for a parking violation is to be held until the towing fee and any related parking tickets and penalties are paid in full, or a bond is posted in the amount of the towing fee and any related parking tickets and penalties. Payment of the towing fee and any related parking tickets and penalties or posting of a bond shall not constitute a waiver of a person's right to contest the towing or any related parking tickets and penalties.

"Section 6.12. **Fire Safety Parking Regulations.** Notwithstanding the provisions of Chapter 20 of the General Statutes or any other public or local laws to the contrary, the Council may adopt ordinances that prohibit parking or standing of motor vehicles within 15 feet in either direction of a fire hydrant or entrance to a fire station or within any area designated as a fire lane. Any ordinances adopted pursuant to this act may be enforced by authorized municipal authorities, including the Charlotte Fire Department, whether or not the vehicle is parked on public or private property, in the same manner that is used to enforce other parking laws and ordinances.

"Section 6.13. **Speed Limits.** The director of transportation may establish speed limits, as required by G.S. 20-141, on streets within the City of Charlotte, on behalf of the local governing body, the Charlotte City Council.

"Secs. 6.14--6.60. Reserved.

"ARTICLE III. UNSAFE BUILDINGS.

"Section 6.61. **Power to Inspect and Condemn Unsafe and Dangerous Buildings.** The Council may provide by ordinance for the inspection, condemnation, and removal of unsafe and dangerous buildings. Such ordinance may provide for the entry in and upon all premises, buildings, and structures within the jurisdiction of the City, to inspect and discover whether the same are unsafe and dangerous to life or property on account of defects or dilapidation, and to cause all unsafe and dangerous conditions to be repaired or removed, and all filth and trash in and around the same to be removed. Such ordinance may also provide for the condemnation, as unsafe and dangerous to life or property, of any such building or structure and to prohibit further use or occupancy thereof. If the owner of any such building or structure which has been so condemned, fails or refuses, after notice, hearing, and order, to repair or remove the unsafe and dangerous building or structure pursuant to such order, he shall be guilty of a Class 3 misdemeanor punishable as for a violation of any municipal ordinance. A copy of such notice and order shall be certified by the City Clerk and filed for recording in the office of the Clerk of Superior Court for Mecklenburg County in the Record of Lis Pendens and from the date or dates of recording of such notice and order, they shall be binding upon the successors and assigns of the owner. In addition, if the owner fails or refuses as aforesaid, or, if the owner cannot, after reasonable and diligent search and notice by publication, be located or found, then the City may enter upon such premises and remedy such unsafe and dangerous condition or demolish and remove such building or structure if necessary, and to charge the costs thereof against the owner of said premises, and the same shall be and remain a lien against the said premises until such costs are paid in full, and the lien herein provided shall have the same priority as the lien for unpaid taxes and may be collected in the same manner as taxes upon real property and the City, its agents, servants, employees, and contractors, shall not be liable in any manner, civilly or criminally, for carrying out the terms and provisions of this section or any ordinance adopted pursuant hereto. The term "costs", as used in this section, shall include interest at the rate of not less than six percent (6%) per annum until said lien is paid, nor more than twelve percent (12%) per annum until said lien is paid; the rate of interest to be determined by the Council on an annual fiscal year basis. Provided, that if the Council should fail to set a rate of interest in any fiscal year, the rate of interest in effect for the preceding fiscal year shall continue in effect.

"Secs. 6.62--6.80. Reserved.

"ARTICLE IV. FIRE PROTECTION.

"Section 6.81. **Power to Destroy Property.** The chief of the fire department or the officer in charge at the scene of a fire may order the blowing up, tearing down, or other destruction of any building, property, or structure when it is deemed necessary for the protection of life and property to stop the progress of a fire. No person shall

be held liable, civilly or criminally, for acting in obedience to orders thus given, nor shall the chief or officer giving such order be held liable, civilly or criminally, for the giving of such order or for damages to property destroyed pursuant to order.

"Section 6.82. **Power of Arrest.** The fire chief and his assistants, while on duty during fires, shall have the powers conferred upon police officers of the City to make arrests, and may make arrests without warrants for interference with or obstruction to their operations.

"Secs. 6.83--6.100. Reserved.

"ARTICLE V. DRAINAGE AND SANITATION.

"Section 6.101. **Drainage of Premises.** The Council may require that all property owners provide adequate drainage facilities to the end that their premises be free from standing water and permit the natural flow of water thereon to be taken care of, and to provide that in case of failure on the part of such owner or owners to so provide the same, to go upon their premises and construct the necessary facilities and to charge the costs thereof against the premises so improved.

"Section 6.102. **Weeds and Overgrowth.** The Council may require the owner or owners of all premises, vacant or improved, to keep same free from trash, obnoxious weeds, or overgrowth as they may be ordered and to provide that in case of failure on the part of such owner or owners to comply with any such order, to go upon their premises and perform such work as may be necessary to comply with such order, and to charge the cost thereof against the premises upon which such work is performed.

"Section 6.103. **Costs a Lien as for Taxes.** The costs to the City of any work performed under this Article shall constitute a lien upon the premises upon which the work is performed. The lien provided for herein shall have the same priority as the lien for unpaid taxes and may be collected in the same manner as taxes upon real property. The term "costs", as used in this section, shall include interest at the rate of not less than six percent (6%) per annum until said lien is paid, nor more than twelve percent (12%) per annum until said lien is paid; the rate of interest to be determined by the Council on an annual fiscal year basis. Provided, that if the Council should fail to set a rate of interest in any fiscal year, the rate of interest in effect for the preceding fiscal year shall continue in effect.

"Secs. 6.104--6.120. Reserved.

"ARTICLE VI. UTILITIES REGULATION.

"Section 6.121. **Power to Regulate; Franchises.** The Council may regulate and supervise the operation of all public utilities and quasi-public utilities operating or doing business within the City to the end that all citizens of the City shall receive from said public utilities and quasi-public utilities, equal treatment, good service, and just and reasonable rates, and to grant or refuse franchises or privileges to such utilities and to regulate the erection and location of all poles in the City and to require that all wires, pipes, and conduits be placed underground and to regulate the same; provided that such regulations shall not be in contravention of the general laws of North Carolina applicable to such utilities, as the same are now or may hereafter be enacted.

"Secs. 6.122--6.150. Reserved.

"ARTICLE VII. FAIR HOUSING.

"Section 6.151. **Equal Housing.** (a) The Council may adopt ordinances prohibiting discrimination on the basis of race, color, sex, religion, handicap, familial status, or national origin in real estate transactions. Such ordinances may regulate or prohibit any act, practice, activity, or procedure related, directly or indirectly, to the sale or rental of public or private housing, which affects or may tend to affect the availability or desirability of housing on an equal basis to all persons; may provide that violations constitute a criminal offense; may subject the offender to civil penalties; and may provide that the City may enforce the ordinances by application to the Superior Court Division of the General Court of Justice for appropriate legal and equitable remedies, including, but not limited to, mandatory and prohibitory injunctions and orders of abatement, attorneys' fees, and punitive damages, and the court shall have jurisdiction to grant such remedies.

(b) The Council also may amend any ordinance adopted pursuant to the provisions contained in subsection (a) of this section to ensure that such ordinance remains substantially equivalent to the federal Fair Housing Act (41 U.S.C.S. § 3601, et seq.). Any ordinance enacted pursuant to section 6.151(a) prohibiting discrimination on the basis of familial status shall not apply to housing for older persons as defined in the federal Fair Housing Act (41 U.S.C.S. § 3601, et seq.).

"Section 6.152. **Exemptions.** Any ordinance enacted pursuant to this Article may provide for exemption from its coverage:

(1) The rental of a housing accommodation in a building containing accommodations for not more than four families living independently of each other if the lessor or a member of his family resides in one of those accommodations.

(2) The rental of a room or rooms in a housing accommodation by an individual if he or a member of his family resides there.

(3) With respect to discrimination based on sex, the rental or leasing of housing accommodations in single-sex dormitory property.

(4) With respect to discrimination based on religion to housing accommodations owned and operated for other than a commercial purpose by a religious organization, association, or society, or any nonprofit institution or organization operated, supervised, or controlled by or in conjunction with a religious organization, association, or society, the sale, rental, or occupancy of such housing accommodation being limited or preference being given to persons of the same religion, unless membership in such religion is restricted because of race, color, national origin, or sex.

(5) Any person, otherwise subject to its provisions, who adopts and carries out a plan to eliminate present effects of past discriminatory practices or to assure equal opportunity in real estate transactions, if the plan is part of a conciliation agreement entered into by that person under the provisions of the ordinance.

"Section 6.153. **Enforcement.** The Council may create or designate a committee to assume the duty and responsibility of enforcing ordinances adopted pursuant to this article. Such committee may be granted any authority deemed necessary by the Council for the proper enforcement of any fair housing ordinance, including, but not limited to, the power to:

(1) Promulgate rules for the receipt, initiation, investigation, and conciliation of complaints of violations of the ordinance.

(2) Require answers to interrogatories, the production of documents and things, and the entry upon land and premises in the possession of a party to a complaint alleging a violation of the ordinance; compel the attendance of witnesses at hearings, administer oaths, and examine witnesses under oath or affirmation.

(3) Apply to the Superior Court of the General Court of Justice, upon the failure of any person to respond to or comply with a lawful interrogatory, request for production of documents and things, request to enter upon land and premises, or subpoena, for an order requiring such person to respond or comply.

(4) Upon finding reasonable cause to believe that a violation of the ordinance has occurred, to petition the General Court of Justice for appropriate civil relief on behalf of the aggrieved person or persons.

"Section 6.154. **Complaints and Other Records.** The Council may provide that neither complaints filed with any committee pursuant to the ordinance nor the results of the committee's investigations, discovery, or attempts at conciliation, in whatever form prepared and preserved, shall be subject to inspection, examination, or copying under the provisions of what is now Chapter 132 of the General Statutes.

"Section 6.155. **Committee Meetings.** The Council may provide that the statutory provisions relating to meetings of governmental bodies, presently embodied in Article 33C of Chapter 143 of the General Statutes, shall not apply to the activity of any committee authorized to enforce the ordinance, to the extent that said committee is receiving a complaint or conducting an investigation, discovery, or conciliation pertaining to a complaint filed pursuant to the ordinance.

"Secs. 6.156--6.182. Reserved.

"ARTICLE VIII. ZONING REGULATION.

"Section 6.183. **Amendments to Zoning Ordinances.** As a part of, and not in limitation of, the powers granted by general laws to enact amendments to zoning ordinances, whenever the Council is petitioned to enact an amendment changing the zoning of a particular area, it shall have and may exercise the power to amend by changing the existing zoning classification of the area covered by the petition, or any part or parts thereof, to the classification requested or to a higher classification or classifications, without the necessity of withdrawal or modification of the petition; provided that notices of hearings on such amendments shall inform the public that such action may be taken. If the Council desires to exercise the power granted herein,

it shall, for the purposes of this section, provide by ordinance for the classification of zoning districts from highest to lowest classification.

"Section 6.184. **Zoning Board of Adjustment.** (a) Members shall be appointed for a term of three years, and no member shall serve more than two full consecutive terms. The board of adjustment shall have and exercise all of the powers, duties, and functions enumerated in G.S. 160A-388; provided, however, that a majority vote of the members of the board shall be necessary to reverse any order, requirement, decision or determination of any administrative official charged with enforcement of the zoning ordinance or to decide in favor of the applicant any matter upon which it is required to pass under any ordinance or to effect any variation from the provisions of the ordinance.

(b) The board of adjustment shall have the power, upon an appeal filed with it by the owner of the property, to vary or modify the regulations of the zoning ordinance, as they apply to a particular piece of property, in accordance with G.S. 160A-388(d). Where such relief is granted, the board may impose reasonable and appropriate conditions and safeguards for the protection of the public interest and of neighboring properties.

"Secs. 6.185--6.201 Reserved.

"ARTICLE IX. SUBDIVISION REGULATION.

"Section 6.202. **Recording of Plats.** No one shall file or record in the Mecklenburg County Register of Deeds a plat of a subdivision of land located within the City's territorial jurisdiction without the approval of the Charlotte-Mecklenburg Planning Commission as required by this Article. The filing or recording of a plat of a subdivision without the approval of the Charlotte-Mecklenburg Planning Commission, as required by this Article, shall be null and void.

"Section 6.203. **Acceptance of and Improvements in Unapproved Streets.** The City shall not accept for maintenance, lay out, open, improve, grade, pave, or light any street or authorize the laying of water mains, sewer connections, or other facilities or utilities in any street within its territorial jurisdiction, (i) unless such street shall have been accepted or opened as, or shall have otherwise received the legal status of a public street prior to the said attachment of the City's subdivision jurisdiction, or (ii) unless such street corresponds in its location and lines with a street shown on a subdivision plat approved by the Charlotte-Mecklenburg Planning Commission, or (iii) unless such street be accepted as a public street by the City Manager.

"Section 6.204. **Approval of Plats.** The City Council may enact an ordinance providing that no plat of a subdivision of land lying within the corporate limits of the City of Charlotte or within the perimeter area shall be filed or recorded until it shall have been submitted to and approved by the Charlotte-Mecklenburg Planning Commission in accordance with regulations adopted under authority of this Article and such approval entered in writing on the plat by the Secretary of the Commission.

"Section 6.205. **Change or Modification of Street Names.** The Charlotte Department of Transportation may hear and approve requests to change or modify street names within the City of Charlotte. Any person dissatisfied with a decision of the Department may appeal to the City Council. In the event of an appeal, the City

Council may affirm, modify, or overturn the decision of the department. The decision of the City Council on appeal shall be final.

"Secs. 6.206--6.220. Reserved.

"ARTICLE X. TREES.

"Section 6.221. **Removal, Replacement, and Preservation of Trees.** The Council may adopt ordinances, only after holding public hearings, to regulate the removal of trees from public and private property within the City in order to preserve, protect, and enhance one of the most valuable natural resources of the community and to protect the health, safety and welfare of its citizens.

"CHAPTER 7.

"CITY SERVICES AND FACILITIES.

"ARTICLE I. IN GENERAL.

"Secs. 7.01--7.20. Reserved.

"ARTICLE II. WATER AND SEWER.

"Section 7.21. **Remedies for Collection of Charges.** In addition to the remedies provided by general law for the collection of charges for water and sewerage services, both within and without the corporate limits, if any such charge is not paid within 10 days after it becomes due, the same shall become a lien upon the property served or in connection with which the service or facility is used and said shall have the same priority as the lien for unpaid taxes and may be collected in the same manner as taxes upon real property. The Council may also require the payment of reasonable deposits by owners or tenants as a condition precedent to the furnishing of water or sewerage services, or both. Such deposits may be retained by the City as assurance for the payment of charges and may be refunded, without interest, upon such terms and conditions as the Council may establish.

"Section 7.22. **Dedication of Water and Sewer Lines.** Should any person, firm, or corporation connect any privately owned water or sewer line or lines without first dedicating, giving, granting, and conveying same to the City, the act of connecting shall be deemed a dedication, gift, grant, and conveyance of such lines to the City, and the City may accept same or may order the disconnection of such lines.

"Secs. 7.23--7.40. Reserved.

"ARTICLE III. REFUSE DISPOSAL.

"Section 7.41. **Disposition of Disposal Sites.** The Council may in its discretion lease or sell, at private sale, any lands now or hereafter owned or acquired by the City, to any person, firm, or corporation contracting with the City for disposal of municipally collected refuse, for use as a plant site or sites, upon such terms and considerations as the Council may prescribe.

"Secs. 7.42--7.70. Reserved.

"ARTICLE IV. SPAY/NEUTER CLINIC AND DIFFERENTIAL LICENSE TAX.

"Section 7.71. **Spay/Neuter Clinic.** The City may establish, equip, operate and maintain a spay/neuter clinic for cats and dogs, employ personnel for this clinic and appropriate and expend tax and nontax funds, including property taxes, for those purposes. In lieu of the City itself operating the spay/neuter clinic, the City is further authorized to contract with any individual, corporation, nonprofit corporation,

governmental body, or any other group for the purpose of operating a spay/neuter clinic, or for providing spay/neuter services for dogs and cats within the City. The City may appropriate and expend tax and nontax funds, including property taxes, for these purposes.

"Section 7.72. **Differential Licensing Tax.** The City may levy an annual differential license tax on the privilege of keeping a dog or cat within the City. The Council may levy a lower annual license tax for spayed or neutered dogs and cats than for nonspayed and nonneutered dogs and cats within the City.

"Secs. 7.73--7.80. Reserved.

"ARTICLE V. EMINENT DOMAIN.

"Section 7.81. **Powers and Procedures.** (a) Notwithstanding the provisions of G.S. 40A-1, in the exercise of its authority of eminent domain for the acquisition of property to be used for streets and highways, water supply and distribution systems, sewage collection and disposal systems, and airports, the City is hereby authorized to use the procedure and authority prescribed in Article 9 of Chapter 136 of the General Statutes, as now or hereafter amended; provided further, that whenever therein any reference is made to the State of North Carolina or any agency thereof, such reference shall be deemed to include the City, and whenever therein any reference is made to any official of the state of North Carolina, such reference shall be deemed to include the City Manager; provided further that nothing herein shall be construed to enlarge the power of the City to condemn property already devoted to public use.

(b) The City shall have the power of eminent domain to acquire property to provide housing for low- and moderate-income persons but only to acquire: (i) vacant structures Boarded up as a result of housing code violations; (ii) structures that have been found to contain housing code violations that the property owner has failed or refused to correct within a reasonable time; and (iii) vacant properties rendered vacant as a result of a housing code enforcement demolition order. Provided that in the exercise of its authority of eminent domain to acquire property to provide housing for low- and moderate-income persons, the City shall follow the procedures prescribed in Chapter 40A of the General Statutes. Vesting of title to the property taken under this subsection, and right to possession shall occur pursuant to the provisions of G.S. 40A-42(b). The City may not file an eminent domain action to acquire property described in clauses (i) or (ii) of this subsection until the property owner has had 150 days from the date of the order finding violations of the City housing code to correct the violations. The Council must adopt a plan to use condemned property for low- or moderate-income housing prior to exercising the powers under this subsection.

"Secs 7.82--7.103. Reserved.

"ARTICLE VI. LOCAL IMPROVEMENTS.

"Section 7.104. **Alternative Procedures.** (a) Upon receipt of a petition from an owner or owners representing fifty percent (50%) or less of the total street frontage where fifty percent (50%) or more of the total street frontage is in one ownership, the Council may order the making of any local improvement and assess the cost against

the abutting property in the same manner and following the same procedures as set forth in the general laws of North Carolina for the making of special assessments against property benefitted by local improvements.

(b) The Council may order the making of any local improvements and assess the cost thereof, except the City's portion, against only a limited number of abutting properties upon receipt of a petition from all such property owners asking that the improvement be made and that the total amount to be assessed for the improvement be assessed only against their properties.

(c) No petition shall be necessary for the making of any local improvements for which the City bears the entire cost without assessment.

(d) If, in the judgment of the Council, the abutting property to be assessed will be benefitted in an amount at least equal to the assessment, and such judgment shall be conclusive, no petition for local improvements shall be necessary and the Council may order the making of any local improvements and assess the cost thereof against abutting properties in the following cases:

(1) Street improvements and/or curb and gutter. When, in the judgment of the Council, any street or part of a street is unsafe; or, the improvement of a street or part of a street not more than three blocks in length is necessary to connect streets already paved; or, the improvement of a street or part of a street is necessary to connect a paved street, or portion thereof, with a paved highway; or, the improvement of a street or part of a street is necessary to provide a paved approach to a railroad or street grade separation or any bridge; or, any street or part of a street should be widened to accommodate present and anticipated volumes of traffic thereon.

(2) Water main improvements. When, in the judgment of the Council, any street or part of a street, or any property within the City, is without a public water supply and can be served, and water service should be provided in the public interest.

(3) Sanitary sewer improvements. When, in the judgment of the Council, any street or part of a street, or any property within the City, is without a public sanitary sewer system and can be served, and sanitary sewer service should be provided in the public interest.

(4) Storm sewer or other surface drainage improvements. When, in the judgment of the Council, any street or part of a street, or any property within the City, is without storm sewer or other surface drainage improvements, and can be served, and storm sewer or other surface drainage should be provided in the public interest.

(5) Sidewalk improvements. When, in the judgment of the Council, any street or part of a street is without sidewalks and sidewalks should be provided in the public interest.

(e) Whenever the Council finds that public interest requires a sidewalk or sidewalks or portion of driveways within the public right-of-way be repaired, the total

cost of such repairs may be assessed against the property abutting the sidewalk or driveway repaired. Before an assessment may be made against abutting property for a sidewalk or driveway repair, at least 30 days' written notice must be given to the abutting property owner personally or by registered or certified mail to his last known address or as shown on the tax records, that he is required to make the designated repairs at his own cost and expense in conformity with the sidewalk standards adopted by the City, and if he shall fail to make such repairs within 30 days after notice served upon him, the City may thereupon make said repairs and assess the cost thereof. Provided, however, if the Council finds that any sidewalk or driveway is in need of immediate repair, the Council may adopt a resolution setting out such finding and directing that such repair be made immediately by the City and that the cost thereof be assessed against the property abutting without notice to the property owner affected.

"Section 7.105. **Planting Strip and Driveway Maintenance.** It shall be the responsibility of the abutting property owner to maintain any property or driveway between the property line and the curb of a paved street.

"Section 7.106. **Corner Lot Exemption.** The Council may determine the amount and applicability of assessment exemptions for corner lots. Provided, exemptions for corner lots shall apply to only one side of each such lot and the amount of the exemption shall not exceed seventy-five percent (75%) of the frontage of that side. If the corner formed by the two intersecting streets is rounded into a curve or is foreshortened for the purpose of providing sight distance or for any other purpose of construction, the frontage for assessment purposes shall be calculated to the midpoint of the curve or foreshortened corner.

"Section 7.107. **Exchange of Property.** In connection with street widening, the City may purchase with any available funds, property immediately adjacent to property located on a street corner; provided, in the opinion of the Council, the value of such inside lands does not exceed the value of the corner property needed for street-widening purposes, and may convey and transfer such inside lands to the owner of the corner property in exchange for property needed for street-widening purposes, at private sale.

"Section 7.108. **Water and Sewer Facilities; Additional Authority.** In the construction, reconstruction, or extension of the water and sewerage systems, or either of them in whole or in part, the City shall have, in addition to all other authority now or hereafter granted, the authority to specially assess the costs thereof in accordance with the procedures and authority prescribed for counties by Article 9 of Chapter 153A of the General Statutes, as the same may be amended from time to time.

"ARTICLE VII. UPTOWN DEVELOPMENT PROJECTS.

"Section 7.109. **Public-Private Development Projects.** (a) Definition. In this Article, public-private development projects means a capital project located: (i) in the City's central business district, as defined by the Council; (ii) in or along a major transportation corridor; or (iii) in a development zone designated pursuant to G.S. 105-129.3A; comprising one or more buildings or other improvements and including

both public and private facilities. By way of illustration but not limitation, such a project might include a single building comprising a publicly owned parking structure and publicly owned convention center and a privately owned hotel or office building.

(b) Authorization. If the Council finds that it is likely to be of significant economic benefit to the area of the City in which the project is located, the City may acquire, construct, own, and operate or participate in the acquisition, construction, ownership, and operation of a public-private development project or of specific facilities within such a project. The City may enter into binding contracts with one or more private developers with respect to acquiring, constructing, owning, or operating such a project. Such a contract shall among other provisions, specify the following:

(1) The property interest of both the City and the developer or developers in the project.

(2) The responsibilities of the City and the developer or developers for construction of the project.

(3) The responsibilities of the City and the developer or developers with respect to financing the project.

(4) The responsibilities of the City and the developer or developers with respect to the operation of the project.

Such a contract may be entered into before the acquisition of any real property necessary to the project.

(c) Property Acquisition. A public-private development project may be constructed on property acquired by the developer or developers or on property directly acquired by the City by any means.

(d) Property Disposition. In connection with a public-private development project, the City may lease or convey interests in property owned by it, including air rights over public facilities, by private negotiation or sale, and Article 12 of Chapter 160A of the General Statutes does not apply to such dispositions.

(e) Construction of the Project. The contract between the City and the developer or developers may provide that the developer or developers shall be responsible for construction of the entire public-private development project. If so, the contract shall include such provisions as the City Council deems sufficient to assure that the public facility or facilities included in the project meet the needs of the City and are constructed at a reasonable price. A project constructed pursuant to this paragraph is not subject to Article 8 of Chapter 143 of the General Statutes as long as City funds constitute not more than fifty percent (50%) of the total costs of the project.

(f) Operation. The City may contract for the operation of any public facility or facilities included in a public-private development project by a person, partnership, firm, or corporation, public or private. Such a contract shall include provisions sufficient to assure that any such facility or facilities are operated for the benefit of the citizens of the City.

(g) Grant Funds. To assist in the financing of its share of a public-private development project, the City may apply for, accept, and expend grant funds from the federal or State governments.

"CHAPTER 8.
"MISCELLANEOUS.
"ARTICLE I. IN GENERAL.
"Secs. 8.01--8.20. Reserved.
"ARTICLE II. SALE OF PROPERTY.

"Section 8.21. **Personal Property.** The City may sell any and all personal property belonging to the City at private sale, and without resorting to public outcry and sale.

"Section 8.22. **Real Property.** (a) Whenever a disposition of an interest in real property is authorized by the City, the instrument conveying such interest may be executed by the Mayor or the Mayor's designee and attested by the City Clerk or Deputy City Clerk, with the corporate seal of the City attached. In the sale of real estate, the City may execute deeds in the usual form and containing full covenants of warranty.

(b) The City may convey interests in real property owned by it by private negotiation or sale, with respect to parcels of property having a fair market value of ten thousand dollars ($10,000) or less, and Article 12 of Chapter 160A of the General Statutes shall not apply to such dispositions. The City Manager may approve such dispositions.

(c) The City may, in addition to other authorized means, convey real property owned by it to persons of low- or moderate-income for residential purposes using the negotiated offer, advertisement, and upset bid process and requirements established by G.S. 160A-269, provided, however, the City may lower the bid deposit requirement to an amount not less than one percent (1%) of an offeror's bid.

(d) When the Council determines that a sale or disposition of property will advance or further any Council-adopted economic development, transportation, urban revitalization, community development, or land-use plan or policy, the City may, in addition to other authorized means, sell, exchange, or transfer the fee or any lesser interest in real property, either by public sale or by negotiated private sale. The City may attach to the transfer and to the interest conveyed such covenants, conditions, or restrictions (or a combination of them) the City deems necessary to further such adopted policies or plans. The consideration received by the City, if any, for such conveyance, may reflect the restricted use of the property resulting from such covenants, conditions, or restrictions. An interest in property pursuant to this subsection may be conveyed only pursuant to resolution of the Council authorizing the conveyance. Notice of the proposed transaction shall be given at least 10 days prior to adoption of the resolution by publication in a newspaper of general circulation, generally describing:

(1) The property involved;
(2) The nature of the interest to be conveyed; and
(3) All of the material terms of the proposed transaction, including any covenants, conditions, or restrictions which may be applicable.

The notice shall give the time and place of the Council meeting where the proposed transaction will be considered and shall announce the Council's intention

to authorize the proposed transaction. Notwithstanding the foregoing, the City may not sell the land or buildings located at 100 Paul Buck Boulevard by private sale.

"Secs. 8.23--8.80. Reserved.

"ARTICLE III. CONTRACTS AND PURCHASES.

"Section 8.81. **Bid Deposits.** The City may, in connection with bids on purchases and contracts to the City, accept as a bid deposit: cash; a cashier's check issued by or certified check drawn on a bank insured by the Federal Deposit Insurance Corporation; a United States money order payable to the City of Charlotte; or a bid bond issued by an insurance company authorized to engage in such business in North Carolina.

"Section 8.82. **Contract Specification Requirements.** The Council may establish minimum Minority and/or Women's Business Enterprise participation (M/WBE) requirements and in that event shall include such requirements in the specifications for City contracts. In addition, in construction and repair contracts under which subcontracts are customarily awarded by that primary contractor, the Council may establish specifications requiring bidders to subcontract a certain designated percentage of the construction and repair work amount; provided, that nothing in the specifications or requirements developed shall be construed to require that the award of subcontracts be made to subcontractors who do not submit the lowest responsible sub-bid and do not meet the bonding requirements otherwise required by law. Notwithstanding the provisions of G.S. 143-129 and G.S. 143-131, the Council may consider a bidder's compliance with specifications containing M/WBE or subcontracting requirements in its award of contracts, and may, in its discretion, refuse to award a contract to a bidder if it determines that the bidder has failed to make a good faith effort to comply with said requirements.

"Section 8.83. **Public Contracts.** G.S. 143-129 as it applies to the City is amended to provide that the City Manager or his designee may waive the requirement for a bid bond or deposit for the purchase of apparatus, supplies, material, or equipment where the successful bidder does not have any past experience of nonperformance with the City. The Council may consider a bid for the purchase of apparatus, supplies, materials, or equipment and award a contract on such bid notwithstanding the fact that the proposal is not accompanied by a bid deposit with the City.

"Section 8.84. **Exemption from Certain Purchasing Requirements.** (a) Because of the:

(1) Highly complex and innovative nature of telecommunications, data processing, and data communications equipment, supplies and services; and

(2) Desirability of a single point of responsibility for the development of contracts for products and services which include in their scope, combinations of design, installation, operation, management, and service and maintenance responsibilities over prolonged periods of time.

In some instances it may be beneficial to the City to award a contract on the basis of factors other than cost alone, including, but not limited to, (i) system design, (ii)

operation experience, (iii) system reliability, (iv) long-term operational costs, (v) compatibility with existing equipment, and (vi) emerging technology. Therefore, notwithstanding the provisions of Article 8 of Chapter 143 of the General Statutes, or any other general, special, or local law, a contract entered into between the City and any person selected as a responsible proposer pursuant to this section may be awarded, negotiated, and entered into in accordance with the following provisions for the award of a contract based upon an evaluation of proposals submitted in response to a request for proposal prepared by or for the City.

(b) This section establishes special procedures for the purchase and lease of telecommunications, data processing and data communications equipment, supplies and services, and applies only to those purchases and leases.

(c) The City shall give notice that it is requesting proposal as follows:

(1) By mailing notice of request for proposals a minimum of 10 days prior to the time specified for opening of said proposal to suppliers represented on the City's current relevant bid list; and

(2) By advertisement at least one week before the time specified for the opening of said proposals in a newspaper having general circulation in the City. The advertisement shall state the time and place where the request for proposals may be had, and the time and place for opening of said proposals, and shall reserve to the City the right to reject any or all such proposals.

All proposals shall be opened in public. Proposal shall be sealed if the invitation to propose so specifies.

(d) The City shall require in its request for proposals that each proposal to be submitted:

(1) Shall include:

a. Information relating to the experience of the proposer on the basis of which said proposer purports to be qualified to carry out all work required by a proposed contract;

b. The ability of the proposer to secure adequate financing;

c. Proposals for project staffing, implementation of work tasks, and the carrying out of all responsibilities required by a proposed contract;

(2) Language clearly identifying and specifying all elements of cost which would become charges to the City, in whichever form, in return for the fulfillment by the proposer of all tasks and responsibilities established by the request for the proposal for the full lifetime of a proposed contract, including, as appropriate, but not limited to, (i) the cost of purchase or lease of equipment, (ii) the cost of design, installation, operation, management, and maintenance of any system, and (iii) the cost of any services performed by proposer; and

(3) Shall include such other information as the City may determine to have a material bearing on its ability to evaluate any proposal in accordance with this section.

The City may prescribe the form and content of such proposal and, in any event, the proposer must submit sufficiently detailed information to permit a fair and equitable evaluation of such proposal. The City may evaluate such proposals based on one or more of the factors set forth above as the City determines to be appropriate.

(e) The City may make a contract award to any responsible proposer selected pursuant to this section based on a determination that the selected proposal is more responsive to the request for proposals and may thereupon negotiate a contract with said proposer for the purchase and/or lease of equipment and performance of the services set forth in the request for proposals and the response thereto. Such determination is conclusive.

"Section 8.85. **Construction, Design, and Operation of Sludge Management Facilities.** (a) Unless a different meaning is required by the context, the following definitions shall apply throughout this section:

(1) "Sludge" means any solid, semisolid, or liquid waste generated from a municipal, commercial, institutional, or industrial wastewater treatment plant, water supply treatment plant, or air pollution control facility, or any other waste having similar characteristics and effects.

(2) "Sludge management" means purposeful, systematic control of the generation, storage, collection, transport, treatment, processing, recovery, and disposal of sludge.

(3) "Sludge management facility" means land, personnel, and equipment used in sludge management.

(4) "Storage" means the containment of sludge in a manner which does not constitute disposal.

(5) "City" means the City of Charlotte.

(b) To acknowledge the highly complex and innovative nature of sludge management technology for processing sludge, the relatively limited availability of existing and proven proprietary technology involving sludge management facilities, the desirability of a single point of responsibility for the development of facilities, and the economic and technical utility of contracts for sludge management which include in their scope combinations of design, construction, operation, management, and maintenance responsibilities over prolonged periods of time and that in some instances it may be beneficial to the City to award a contract on the basis of factors other than cost alone, including, but not limited to, facility design, operational experience, system reliability, long-term operational costs, compatibility with sludge production facilities, environmental impact, and operation guarantees, this section establishes special procedures for the construction, design, and operation of sludge management facilities. Accordingly, and notwithstanding the provisions of Article 8 of Chapter 143 of the General Statutes, or any general, special, or local law, a contract

entered into between the City and any person pursuant to this section may be awarded in accordance with the following provisions for the award of a contract based upon an evaluation of proposals submitted in response to a request for proposals prepared by or for the City.

The City shall give notice that it is requesting proposals as follows: Proposals shall be invited by advertisement at least one week before the time specified for the opening of said proposals in a newspaper having general circulation in the City. The advertisement shall state the time and place where the request for proposals may be had, and the time and place for opening of the proposals, and shall reserve to the City the right to reject any or all such proposals. All proposals shall be opened in public. Proposals shall be sealed if the invitation to propose so specifies. Nothing in this paragraph limits the City from publicizing the request for proposals by other means or from directly soliciting proposals.

(c) The City shall require in its request for proposals that each proposal to be submitted shall include:

(1) Information relating to the experience of the proposer on the basis of which said proposer purports to be qualified to carry out all work required by a proposed contract; the ability of the proposer to secure adequate financing; and proposals for project staffing, implementation of work tasks, and the carrying out of all responsibilities required by a proposed contract;

(2) A proposal clearly identifying and specifying all elements of cost which would become charges to the City, in whatever form, in return for the fulfillment by the proposer of all tasks and responsibilities established by the request for the proposal for the full lifetime of a proposed contract, including, as appropriate, but not limited to, the cost of planning, design, construction, operation, management, and/or maintenance of any facility; provided, that the City may prescribe the form and content of such proposal and that, in any event, the proposer must submit sufficiently detailed information to permit a fair and equitable evaluation of such proposal; and

(3) Such other information as the City may determine to have a material bearing on its ability to evaluate any proposal in accordance with this section.

(d) Proposals received in response to such request for proposals may be evaluated on the basis of a technical analysis of facility design, operational experience of the technology to be utilized in the proposed facility, system reliability and availability, efficiency, environmental impact and protection, required staffing level during operation, projection of anticipated revenues from the materials produced by the facility, net cost to the City for operation and maintenance of the facility for the duration of time to be established in the request for proposals, and upon such other factors and information as the City determined to have a material bearing on its

ability to evaluate any proposal, which factors were set forth in said request for proposal.

(e) The City may make a contract award to any responsible proposer selected pursuant to this section based upon a determination that the selected proposal is more responsive to the request for proposals and may thereupon negotiate a contract with said proposer for the performance of the services set forth in the request for proposals and the response thereto. Such determination shall be deemed to be conclusive. Notwithstanding other provisions of Article 8 of Chapter 143 of the General Statutes, or any other general, local, or special law, a contract may be negotiated and entered into between a City and any person selected as a responsible proposer hereunder which may provide for, but not be limited to, the following:

(1) A contract, lease, rental, license, permit, or other authorization to design, construct, operate, and maintain such a sludge management facility, upon such terms and conditions for such consideration and for such term or duration, not to exceed 40 years, as may be agreed upon by the City and such person;

(2) Payment by the City of a fee or other charge to such person for acceptance, processing, management, and disposal of sludge;

(3) An obligation on the part of the City to deliver or cause to be delivered to a sludge management facility, guaranteed quantities of sludge; and

(4) The sale, utilization, or disposal of any form of material or residue resulting from the operation of any sludge management facility.

(f) The construction work for any facility or structure which is ancillary to the sludge management facility and which does not involve storage and processing of sludge or the recovery of useful or marketable forms of materials from sludge at the sludge management facility, shall be procured through competitive bidding procedures as described in Article 8 of Chapter 143 of the General Statutes. Such ancillary facilities shall include, but shall not necessarily be limited to, the following: roads, water and sewer lines to the facility limits, transfer stations, scale house, administration buildings, and residue and bypass disposal sites.

"Sec. 8.86. **Award and Approval of Certain Contracts.** The City Manager or the City Manager's duly authorized designee may award, approve, and execute contracts or agreements of any kind or nature on behalf of the City when the amount of such contract or agreement does not exceed fifty thousand dollars ($50,000); provided that the City Council shall have approved a sufficient appropriation in the annual budget for the current fiscal year for the general purpose specified in the contract or agreement. In addition, the City Manager or the City Manager's duly authorized designee may approve or execute amendments to contracts or agreements, including contracts initially approved by the City Council, when the amount in question does not exceed fifty thousand dollars ($50,000). Furthermore, the City Manager or the City Manager's duly authorized designee may award, approve, and execute contracts for the construction and installation of water and sewer lines that will eventually become a part of the City utility system, regardless of the amount, where the

construction and installation is the sole responsibility and is at the sole expense of another person, firm, or corporation.

"Secs. 8.87--8.100. Reserved.

"ARTICLE IV. CONFLICT OF INTEREST.

"Section 8.101. **Penalty.** It shall be unlawful for the Mayor or any member of the Council, or other officer or employee of the City, directly or indirectly, to become an independent contractor for work done by the City, or to become directly or indirectly financially interested in, or receive profits from, any purchase by the City. Any such person or persons violating this provision shall be guilty of a Class 1 misdemeanor.

"Secs. 8.102--8.120. Reserved.

"ARTICLE V. JOINT PERFORMANCE OF FUNCTIONS, ACTIVITIES, AND SERVICES.

"Section 8.121. **Purpose and Power.** For the purpose of enabling the more efficient and/or economical administration and performance of functions, activities, and services, the City of Charlotte and the County of Mecklenburg may, whenever it is deemed in the best interests of their citizens, enter into written agreements for the joint performance of any and all functions, activities, and services which each is now or hereafter authorized to undertake, perform, and carry on. Such joint performance may be carried on through consolidation of existing agencies or departments or through the creation and establishment of new agencies or departments and may include institutions or buildings now existing or hereafter constructed, owned, and operated, either singly or jointly.

"Section 8.122. **Provisions of Agreements.** Such written agreements shall set forth: the functions, activities, and services to be thus jointly carried on; the manner of administration thereof; the manner in which the expenses thereof shall be apportioned; and the manner in which any fees or revenues derived therefrom shall be apportioned. Such agreements may specify the term thereof and they may be terminated by either party thereto upon one-year's written notice to the other party of intention to terminate, and such agreements may be amended from time to time upon the mutual consent of the City and the County. Upon the ratification of such agreements by the governing bodies of the City and the County, they shall be spread upon their respective minutes.

"Section 8.123. **Effect of Agreements.** Whenever any such agreement has been ratified, then the consolidated agency, department, or institution designated or created to carry on such joint performance, shall be vested with all the powers, rights, duties, functions, and jurisdiction pertaining to the function, activity, or service to be jointly performed, theretofore existing or thereafter granted by law and vested in the City, the County, or both, and in the agencies, departments, or institutions so consolidated or created.

"Section 8.124. **Agreements With Other Governmental Agencies.**

The City may enter into similar written agreements as provided hereinabove, with any other governmental agency having similar authority.

"Secs. 8.125--8.130. Reserved.

"ARTICLE VI. LEASE OF PROPERTY.

"Section 8.131. **Generally.** Notwithstanding the provisions of G.S. 160A-272, the Council may, in its discretion, lease City-owned property for such terms and upon such conditions as the Council may determine, including terms of more than 10 years without the necessity of following any procedures other than those required by G.S. 160A-272 for leases of 10 years or less."

Section 2. The purpose of this act is to revise the Charter of the City of Charlotte and to consolidate certain acts concerning the property, affairs, and government of the City. It is intended to continue without interruption those provisions of prior acts which are expressly consolidated into this act, so that all rights and liabilities which have accrued are preserved and may be enforced.

Section 3. This act does not repeal or affect any acts concerning the property, affairs, or government of public schools or any acts validating official actions, proceedings, contracts, or obligations of any kind.

Section 4.(a) The following acts, having served the purposes for which they were enacted or having been consolidated into this act, are expressly repealed:

HOUSE BILL 1587
Committee Substitute Favorable 6/6/00

Short Title: Seagrove Annexation. (Local)

Sponsors:

Referred to:

May 18, 2000

A BILL TO BE ENTITLED

AN ACT TO ANNEX A DESCRIBED AREA TO THE CORPORATE LIMITS OF THE TOWN OF SEAGROVE AND PROVIDE THAT IT SHALL NOT BE CONSIDERED IN CALCULATING THE MAXIMUM AMOUNT OF SATELLITE ANNEXATIONS ALLOWED FOR THAT TOWN.

The General Assembly of North Carolina enacts:

Section 1. The corporate limits of the Town of Seagrove are extended to include so much of the following described area that is not already in the corporate limits:

BEGINNING at a point in the centerline of Seagrove Plank Road (NCSR 2846), said point being located North 22° 19' 01" East 47.40 feet from the intersection of Bennett Farm Road (NCSR 2848) with Seagrove Plank Road (NCSR 2846); thence from said beginning point along the centerline of Seagrove Plank Road as it curves to the left a chord course and distance of North 18° 56' 48" East 294.05 feet and a radius of 2,774.250 feet to a point; thence continuing along the centerline of Seagrove Plank Road North 16° 38' 16" East 236.40 feet to a point, the southwest corner of Gary Callicutt; thence along the southern line of Gary Callicutt South 73° 06' 24" East 404.71 feet, crossing an existing iron pipe at 30.84 feet to an existing iron pipe, the southeast corner of Gary Callicutt; thence along the eastern line of Gary Callicutt North 16° 56' 32" East 164.77 feet to an existing iron pipe in the southern line of Lonnie Blackmon; thence along the southern line of Lonnie Blackmon the following courses and distances: South 72° 58' 13" East 94.81 feet to an existing iron rod and South 84° 11' 03" East 292.94 feet to an existing iron rod, the southeast corner of

Blackmon and the southwest corner of Annie Jorgensen; thence along the southern line of Jorgensen the following courses and distances: South 84° 09' 45" East 1,197.14 feet to an existing angle iron; thence along the eastern line of Jorgensen North 24° 10' 18" East 647.02 feet to an existing iron pipe in the southern line of Cicero Bennett and in a branch; thence along the branch the following courses and distances: South 14° 24' 52" East 29.22 feet, South 88° 51' 24" East 80.18, South 47° 37' 27" East 73.37, South 26° 56' 34" East 50.15, South 70° 29' 42" East 108.61 feet, North 81° 22' 43" East 40.12 feet, South 88° 40' 25" East 64.64 feet, South 74° 13' 02" East 76.80 feet, South 74° 55' 08" East 94.22 feet and South 87° 20' 12" East 88.76 feet to a point in Fork Creek; thence along Fork Creek the following courses and distances: South 33° 17' 42" West 28.98 feet, South 64° 11' 20" West 56.21 feet, South 25° 54' 45" West 130.07 feet, South 14° 43' 37" West 50.58 feet, South 37° 07' 39" West, 152.04 feet, South 17° 19' 01" West 96.18 feet, South 07° 57' 19" East 93.04 feet, South 29° 50' 54" West 57.63 feet, South 88° 37' 18" West 55.27 feet, South 05° 39' 19" West 68.01 feet, South 86° 17' 47" West 43.63 feet, South 48° 33' 01" West 70.01 feet, South 04° 06' 23" East 29.26 feet, South 53° 41' 07" West 30.35 feet, South 08° 52' 52" West 65.70 feet, South 14° 09' 18" East 41.67 feet, South 52° 52' 26" West 38.74 feet, South 31° 45' 35" East 24.64 feet, South 01° 10' 31" West 28.91 feet and South 35° 31' 10" West 6.22 feet to a point in the line of James Graves; thence along the line of James Graves line the following courses and distances: North 87° 59' 58" West 303.80 feet, crossing an existing 36" poplar, to a new iron pipe, South 36° 03' 49" West 387.19 feet to a new iron pipe at stone in fence line and North 82° 23' 58" West 874.21 feet to an existing stone, the northeast corner of Paul Payne (Book 947, Page 22); thence along the northern line of Paul Payne North 82° 24' 57" West 379.97 feet to an existing stone and North 82° 45' 43" West 232.77 feet to an existing stone in the eastern line of Zeb Lindsay; thence along the eastern line of Lindsay North 06° 10' 57" East 206.39 feet to an existing stone; thence along the northern line of Zeb Lindsay in part and the northern line of Paul Payne (Book 879, Page 37) in part North 83° 22' 37" West 606.83 feet, crossing an existing angle iron at 576.09 feet, to the BEGINNING containing 49.178 acres, more or less, all according to a survey for H. Clay Presnell Estate by Steven D. Brown, RLS dated May 14, 1994 designated as Job No. 94024.

Section 2. In calculating the maximum area allowed for satellite corporate limits under G.S. 160A-58.1(b)(5), the entire territory described in Section 1 of this act is excluded.

Section 3. This act becomes effective June 30, 2000.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE CHEROKEE, GRAHAM, HAYWOOD, JACKSON, MADISON, POLK, AND SWAIN COUNTIES TO REQUIRE THE PAYMENT OF DELINQUENT PROPERTY TAXES BEFORE RECORDING DEEDS CONVEYING PROPERTY.

The General Assembly of North Carolina enacts:

Section 1. Article 2 of Chapter 161 of the General Statutes is amended by adding a new section to read:

"**§ 161-31. Tax certification.**

The board of commissioners of a county may, by resolution, require the register of deeds not to accept any deed for registration unless the county tax collector has certified that no delinquent ad valorem county taxes, ad valorem municipal taxes, or taxes with which the collector is charged are a lien on the property described in the deed."

Section 2. This act applies only to Cherokee, Graham, Haywood, Jackson, Madison, Polk, and Swain Counties.

Section 3. This act is effective when it becomes law.

March 29, 1999

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE CHEROKEE, GRAHAM, HAYWOOD, JACKSON, MADISON, POLK, AND SWAIN COUNTIES TO REQUIRE THE PAYMENT OF DELINQUENT PROPERTY TAXES BEFORE RECORDING DEEDS CONVEYING PROPERTY AND TO PROVIDE FOR REDUCED PROPERTY TAX VALUATIONS FOR LOW-INCOME HOUSING.

The General Assembly of North Carolina enacts:

Section 1.(a) Article 2 of Chapter 161 of the General Statutes is amended by adding a new section to read:

"**§ 161-31. Tax certification.**

The board of commissioners of a county may, by resolution, require the register of deeds not to accept any deed for registration unless the county tax collector has certified that no delinquent ad valorem county taxes, ad valorem municipal taxes, or taxes with which the collector is charged are a lien on the property described in the deed."

Section 1.(b) This section applies only to Cherokee, Graham, Haywood, Jackson, Madison, Polk, and Swain Counties.

Section 2. Article 12 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-277.13. Low-income buildings.**

(a) For the purpose of this section, a low-income building is a qualified low-income building as defined in section 42 of the Code that is subject to a restrictive covenant pursuant to section 42 of the Code under which the rents that may be charged tenants of the building are restricted. The term does not include a building exempted from taxation under G.S. 105-278.6.

(b) Low-income buildings are designated a special class of property under Section 2(3) of Article V of the North Carolina Constitution and shall be assessed for taxation in accordance with this section. A low-income building shall be assessed at eighty percent (80%) of its true value as determined in accordance with G.S. 105-283 when it was last appraised under G.S. 105-286 or G.S. 105-287.

(c) When a restrictive covenant pursuant to section 42 of the Code expires, subsection (b) of this section no longer applies and the building shall be assessed at one hundred percent (100%) of its true value for the succeeding taxable year as of January 1 following the expiration."

Section 3. Section 2 of this act is effective for taxes imposed for taxable years beginning on or after July 1, 2001. The remainder of this act is effective when it becomes law.

HOUSE BILL 677:
Property Tax Changes

BILL ANALYSIS

Committee:	Senate Finance	Introduced by:	Rep. Haire
Date:	June 19, 2000	Summary by:	Martha K. Walston and Martha H. Harris
Version:	PCS2440-LC		

SUMMARY: The proposed Senate Committee Substitute converts this local bill to a public bill by adding a Statewide property tax reduction for certain low-income housing. The first part of the bill, which previously received a favorable report in this Committee, is a local provision that authorizes the Counties of Cherokee, Graham, Haywood, Jackson, Polk, and Swain to require the payment of delinquent property taxes before a deed conveying property can be recorded. The bill was received from the House on the crossover deadline, April 29, 1999.

PROPERTY TAX ON LOW INCOME HOUSING: Section 2 of the proposed committee substitute would provide a property tax reduction for low-income buildings for which the owner has agreed to rent restrictions in exchange for federal and State income tax credits. Ad valorem taxes apply to the full market value of taxable property. Under this proposal, a low-income building would be assessed at 80% of market value as long as it is subject to rent restrictions.

Under current law, low-income housing that is owned by a nonprofit, charitable corporation and used for a charitable purpose (providing housing for people with low incomes) is exempt from property tax. Most low-income housing is not owned by nonprofit corporations, however. For-profit entities invest in and own low-income buildings in order to take advantage of federal and State income tax credits. The financial benefits of the tax credits make low-income housing an attractive investment despite the lower rents to which the owners agree in order to receive the credits. Through the income tax credits, the federal government and the State's General Fund subsidize commercial investment in low-income housing. Section 2 of this bill would add a local government subsidy.

This proposal arises from a dispute in Durham County in which the county assessed a low-income building at its market value of $7.5 million. The taxpayer asserted that the property should be appraised at a reduced value of $5.7 million, based on the reduced income from restricted rents, without accounting for the economic value of the tax credits. In a split decision, the Property Tax Commission ruled in favor of Durham County in June 2000. The taxpayer has the right to appeal this decision.

DELINQUENT TAXES: Section 1 of House Bill 677 authorizes the boards of commissioners of the Counties of Cherokee, Graham, Haywood, Jackson, Madison, Polk, and Swain to pass a resolution requiring the register of deeds in each of these counties to refuse to accept any deed for registration if there are delinquent property taxes owing on the property described in the deed or if there are any taxes that are a lien on the property. The county tax collector must first

certify that there are no delinquent taxes. This section becomes effective when the bill becomes law.

The following similar provisions exist for other local governments:

- S.L. 1993-657 requires payment of delinquent taxes in Ashe County before recording deeds.
- S.L. 1987-537 authorizes Mitchell County to direct its register of deeds not to record any deed unless the county tax collector certifies that all delinquent county and municipal taxes have been paid with respect to the property described in the deed. If the deed describes property located in the Town of Spruce Pine, then the deed must be accompanied by a certificate from the tax collector of that Town stating that all municipal taxes with respect to the property have been paid.
- S.L. 1999-326 adds the Town of Bakersville to the certification requirement for Mitchell County.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1999

HOUSE BILL 1624
Committee Substitute Favorable 6/5/00

Short Title: Streamlined Sales Tax System. (Public)

Sponsors:

Referred to:

May 18, 2000

A BILL TO BE ENTITLED

AN ACT TO IMPLEMENT THE RECOMMENDATION OF THE NATIONAL GOVERNORS' ASSOCIATION FOR A STREAMLINED SALES TAX COLLECTION SYSTEM AND TO OTHERWISE IMPROVE COLLECTION.

The General Assembly of North Carolina enacts:

Section 1. Article 5 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-164.27. Direct pay certificate.**

(a) Requirements. -- A person who purchases tangible personal property whose tax status cannot be determined at the time of the purchase because of one of the reasons listed below may apply to the Secretary for a direct pay certificate:

(1) The place of business where the property will be used is not known at the time of the purchase and a different tax consequence applies depending on where the property is used.

(2) The manner in which the property will be used is not known at the time of the purchase and one or more of the potential uses is taxable but others are not taxable.

(b) Procedure. -- An application for a direct pay certificate must be made on a form provided by the Secretary and contain the information required by the Secretary. The Secretary may grant the application if the Secretary finds that the applicant complies with the sales and use tax laws and that the applicant's compliance burden will be greatly reduced by use of the certificate.

(c) Effect. -- A direct pay certificate authorizes its holder to purchase any tangible personal property without paying tax to the seller and authorizes the seller to not collect any tax on a sale to the certificate holder. A person who purchases tangible personal property under a direct pay certificate is liable for use tax due on the purchase. The tax is payable when the property is placed in use. A direct pay certificate does not apply to taxes imposed under G.S. 105-164.4(a)(1f) or G.S. 105-164.4(a)(4a).

(d) Revocation. -- A direct pay certificate is valid until the holder returns it to the Secretary or it is revoked by the Secretary. The Secretary may revoke a direct pay certificate if the holder of the certificate does not file a sales and use tax return on time, does not pay sales and use on time, or otherwise fails to comply with the sales and use tax laws."

Section 2. Article 5 of Chapter 105 of the General Statutes is amended by adding the following new sections to read:

"**§ 105-164.43A. Certification of tax collector software and tax collector.**

(a) Software. -- The Secretary may certify a software program as a certified sales tax collection program if the Secretary determines that the program correctly determines all of the following and that the software can generate reports and returns required by the Secretary:

(1) The applicable combined State and local sales and use tax rate for a sale, based on a ship-to address.

(2) Whether or not an item is exempt from tax, based on a uniform product code or another method.

(3) Whether or not an exemption certificate offered by a purchaser is a valid certificate, based on the Department's registry of holders of exemption certificates.

(4) The amount of tax to be remitted for each taxpayer for a reporting period.

(5) Any other issue necessary for the application or calculation of sales and use tax due.

(b) Tax Collector. -- The Secretary may certify an entity as a Certified Sales Tax Collector if the entity meets all of the following requirements:

(1) The entity uses a certified sales tax collection program.

(2) The entity has agreed to update its program upon notification by the Secretary.

(3) The entity integrates its certified sales tax collection program with the system of a retailer for whom the entity collects tax so that the tax due on a sale is determined at the time of the sale.

(4) The entity remits the taxes it collects at the time and in the manner specified by the Secretary.

(5) The entity agrees to file sales and use tax returns on behalf of the retailers for whom it collects tax.

(6) The entity enters into a contract with the Secretary and agrees to comply with all the conditions of the contract.

"**§ 105-164.43B. Contract with Certified Sales Tax Collector.**

The Secretary may contract with a Certified Sales Tax Collector for the collection and remittance of sales and use taxes. The amount a Certified Sales Tax Collector charges under the contract is a cost of collecting the tax and is payable from the amount collected.

"**§ 105-164.43C. Effect of contract.**

(a) Retailer. -- A retailer may contract with a Certified Sales Tax Collector to collect and remit sales and use taxes payable to the State on sales made by the retailer. A retailer who contracts with a Certified Sales Tax Collector is not subject to audit by the State on the transactions it processes using the Collector's certified sales tax collection program. A retailer is subject to audit for transactions not processed by the Certified Sales Tax Collector.

The Department may review a retailer's procedures to determine if the certified sales tax collection program is functioning properly. A retailer who contracts with a Certified Sales Tax Collector is not liable for taxes due on sales processed using the program unless the retailer misrepresented the product it sells. A contract with a Certified Sales Tax Collector is not a factor in determining whether a person has nexus with this State for payment of any tax.

(b) Collector. -- A Certified Sales Tax Collector is the agent of a seller who contracts with the Certified Sales Tax Collector for collection and remittance of sales and use taxes payable to this State. As the seller's agent, the Certified Sales Tax Collector is liable for sales tax due on all sales transactions processed by the Certified Sales Tax Collector unless the seller misrepresented the type of property sold."

Section 3. G.S. 105-88(d) reads as rewritten:

"(d) A loan made by a person who does not comply with this section is not collectible at law ~~in the courts of this State in any case where the person making the loan has failed to pay the tax levied in this section or otherwise failed to comply with the provisions of this section.~~ under G.S. 105-269.13."

Section 4. G.S. 105-164.6A(b)(1) reads as rewritten:

"(b) Mandatory Provisions. -- The agreements must contain the following provisions:

(1) ~~The customer may elect to pay the use tax directly to the Secretary in accordance with law rather than to the seller.~~ The seller is not liable for use tax not paid to it by a customer."

Section 5. G.S. 105-164.13 is amended by adding a new subdivision to read:

"**§ 105-164.13. Retail sales and use tax.**

The sale at retail, the use, storage or consumption in this State of the following tangible personal property is specifically exempted from the tax imposed by this Article:

. . .

(16a) Tangible personal property sold to a person in the State but delivered to a person in another state."

. . . .

Section 6. G.S. 105-164.28 reads as rewritten:

"**§ 105-164.28. Certificate of resale.**

(a) Seller's Responsibility. -- A seller who accepts a certificate of resale from a purchaser of tangible personal property has the burden of proving that the sale was not a retail sale unless all of the following conditions are met:

(1) ~~The seller acted in good faith in accepting the certificate of resale.~~ For a sale made in person, the certificate is signed by the purchaser, states the purchaser's name, address, and registration number, and describes the type of tangible personal property generally sold by the purchaser in the regular course of business.

(2) ~~The certificate is in the form required by the Secretary.~~ For a sale made in person, the purchaser is engaged in the business of selling tangible personal property of the type sold.

(3) ~~The certificate is signed by the purchaser, states the purchaser's name, address, and registration number, and describes the type of tangible personal property generally sold by the purchaser in the regular course of business.~~ For a sale made over the Internet or by other remote means, the sales tax registration number given by the purchaser matches the number on the Department's registry.

~~(4) The purchaser is licensed under this Article or under the law of another taxing jurisdiction.~~

~~(5) The purchaser is engaged in the business of selling tangible personal property of the type sold.~~

(b) Liabilities. -- A purchaser who does not resell property purchased under a certificate of resale is liable for any tax subsequently determined to be due on the sale. A seller of property sold under a certificate of resale is jointly liable with the purchaser of the property for any tax subsequently determined to be due on the sale only if the Secretary proves that the sale was a retail sale."

Section 7. G.S. 105-236(5a) reads as rewritten:

"(5a) Misuse of Exemption ~~Certificate of Resale.~~ Certificate. -- For misuse of ~~a certificate of resale~~ an exemption certificate by a purchaser, the Secretary shall assess a penalty equal to two hundred fifty dollars ($250.00). An exemption certificate is a certificate issued by the Secretary that authorizes a retailer to sell tangible personal property to the holder of the certificate and either collect tax at a preferential rate or not collect tax on the sale. Examples of an exemption certificate include a certificate of resale, a direct pay certificate, and a farmer's certificate."

Section 8. G.S. 105-259(b) is amended by adding a new subdivision to read:

"(b) Disclosure Prohibited. -- An officer, an employee, or an agent of the State who has access to tax information in the course of service to or employment by the State may not disclose the information to any other person unless the disclosure is made for one of the following purposes:

. . .

(25) To provide public access to a database containing the names of retailers who are registered to collect sales and use taxes under Article 5 of this Chapter."

Section 9. Article 9 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-269.13. Debts not collectible under North Carolina law.**

(a) Debts Not Collectible. -- The following debts are not collectible and are not subject to execution under Article 28 of Chapter 1 of the General Statutes or any other provision of law:

(1) A loan made by a person who does not comply with G.S. 105-88.

(2) A debt owed to a retailer described in subsection (b) of this section as the result of the purchase of tangible personal property.

(b) Retailer. -- A debt owed to a retailer is subject to this section if all of the following applies to the retailer:

(1) The retailer meets one or more of the conditions in G.S. 105-164.8(b).

(2) The retailer is not registered to collect the use tax due under Article 5 of this Chapter on its sales delivered to an address in North Carolina.

(3) The retailer reported gross sales of at least five million dollars ($5,000,000) on its most recent federal income tax return."

Section 10. G.S. 105-269.14 is repealed.

Section 11. G.S. 105-164.16(d) reads as rewritten:

"(d) Use Tax on Out-of-State Purchases. -- ~~Use tax payable by~~ Notwithstanding subsection (b), an individual who purchases tangible personal property outside the State for a nonbusiness purpose ~~is due~~ shall file a use tax return on an annual basis. ~~For an individual who is not required to file an individual income tax return under Part 2 of Article 4 of this Chapter, the~~ The annual reporting period ends on the last day of the calendar ~~year and a use tax return is due by the following April 15. For an individual who is required to file an individual income tax return, the annual reporting period ends on the last day of the individual's income tax year, and the use tax must be paid on the income tax return as provided in G.S. 105-269.14.~~ year. The return is due by the due date, including any approved extensions, for filing the individual's income tax return."

Section 12. G.S. 105-466(c) reads as rewritten:

"(c) Collection of the tax, and liability therefor, shall begin and continue only on and after the first day of ~~a calendar month~~ the month of either January or July, as set by the board of county commissioners in the resolution levying the ~~tax, which shall in no case be~~ tax. In no event may the tax be imposed, or the tax rate changed, earlier than the first day of the second succeeding calendar month after the date of the adoption of the resolution. The county must give the Secretary at least 90 days advance notice of a new tax levy or tax rate change."

Section 13. Chapter 1096 of the 1967 Session Laws is amended by adding a new section to read:

"Section 10.3. Mecklenburg County must give the Secretary of Revenue at least 90 days advance notice of any tax rate change under this act. Any tax rate change under this act must become effective on the first day of the month of either January or July, as set by the board of county commissioners in the resolution levying the tax."

Section 14. G.S. 20-7(b1) reads as rewritten:

"(b1) Application. -- To obtain a drivers license from the Division, a person must complete an application form provided by the Division, present at least two forms of identification approved by the Commissioner, be a resident of this State, and demonstrate his or her physical and mental ability to drive safely a motor vehicle included in the class of license for which the person has applied. The Division may copy the identification presented or hold it for a brief period of time to verify its authenticity. To obtain an endorsement, a person must demonstrate his or her physical and mental ability to drive safely the type of motor vehicle for which the endorsement is required.

The application form must request all of the following ~~information:~~ information, and it must contain the disclosures concerning the request for an applicant's social security number required by section 7 of the federal Privacy Act of 1974, Pub. L. No. 93-579:

(1) The applicant's full name.

(2) The applicant's mailing address and residence address.

(3) A physical description of the applicant, including the applicant's sex, height, eye color, and hair color.

(4) The applicant's date of birth.

(5) The applicant's social security number. The Division shall not issue a license to an applicant who fails to provide the applicant's social security number. ~~The applicant's social security number shall not be printed on the license and may be released only to the Department of Health and Human Services, Child Support Enforcement Program, upon its request and for the purpose of establishing paternity or child support, or enforcing a child support order.~~

(6) The applicant's signature.

~~The application form must also contain the disclosures concerning the request for an applicant's social security number required by section 7 of the federal Privacy Act of 1974, Pub. L. No. 93-579.~~

(b2) Disclosure of Social Security Number. -- The social security number of an applicant is not a public record. The Division may not disclose an applicant's social security number except as allowed under federal law. A violation of the disclosure restrictions is punishable as provided in 42 U.S.C. § 408, and amendments to that law.

In accordance with 42 U.S.C. 405 and 42 U.S.C. 666, and amendments thereto, the Division may disclose a social security number obtained under ~~this subsection~~ subsection (b1) of this section only as follows:

(1) ~~for~~ For the purpose of administering the drivers license ~~laws or to~~ laws.

(2) To the Department of Health and Human Services, Child Support Enforcement Program for the purpose of ~~assist the State Child Support Enforcement Program in~~ establishing paternity or ~~establishing~~ child support or enforcing a child support order. ~~and may not disclose the social security number for any other purpose. The social security number of an applicant for a license or of a licensed driver is therefore not a public record. A violation of the disclosure restrictions is punishable as provided in 42 U.S.C. 408, and amendments thereto.~~

(3) To the Department of Revenue for the purpose of verifying taxpayer identity."

Section 15. G.S. 20-7(n)(7) reads as rewritten:

"(n) Format. -- A drivers license issued by the Division must be tamperproof and must contain all of the following information:

. . .

(7) ~~The license holder's social security number or another~~ An identifying number for the license holder assigned by the Division. The identifying number may not be the license holder's social security number."

. . . .

Section 16. Section 5.(a) of Chapter 341 of the 1999 Session Laws reads as rewritten:

"Section 5.(a) The Secretary of Revenue shall contract during the 1999-2001 fiscal biennium for the collection of delinquent tax debts owed by nonresidents and foreign entities. To implement this section, the Secretary may draw funds for the 1999-2000 fiscal year from net collections that would otherwise be credited to the General Fund under G.S. 105-269.14, enacted by Section 2 of this act. For the 2000-2001 fiscal year, the Secretary may retain the costs of implementing this section from the amounts collected pursuant to the contracts authorized by this section. The Secretary of Revenue shall report annually to the Revenue Laws Study Committee on its collections pursuant to this contract during the biennium."

Section 17. Section 6 of Chapter 341 of the 1999 Session Laws reads as rewritten:

"Section 6. The Department of Revenue shall conduct a study to identify and evaluate proposals for more efficient collection of taxes, including using electronic commerce and other technology to increase efficiency. The study shall include an analysis of the most efficient tax collection methods used in other states. The State Controller shall cooperate with the Department of Revenue in this study. The Department shall report the results of its study, including findings, recommendations,

and estimated revenue gains of each recommendation, to the Revenue Laws Study Committee by May 1, 2000. To implement this section, the Secretary of Revenue may draw up to fifty thousand dollars ($50,000) for the 1999-2000 fiscal year from net collections that would otherwise be credited to the General Fund under G.S. 105-269.14, enacted by Section 2 of this act. To implement the recommendations of this study, the Secretary may enter into a performance based contract and may draw up to five hundred thousand dollars ($500,000) for the 2000-2001 fiscal year from the revenue collected pursuant to Section 5 of this act to obtain assistance in developing a request for proposal for the performance based contract."

Section 18. Section 7 of this act becomes effective January 1, 2001. Sections 10 and 11 of this act become effective for taxable years beginning on or after January 1, 2003. The remainder of this act is effective when it becomes law.

FISCAL ANALYSIS MEMORANDUM

DATE: June 27, 2000

TO: House Finance Committee
FROM: Dave Crotts
Fiscal Research Division
RE: HB 1624 (With Senate Finance Amendment)
Streamlined Sales Tax System

FISCAL IMPACT

Yes (x) **No ( )** **No Estimate Available (x)**

GENERAL FUND REVENUE (STATE AND LOCAL): See "Assumptions and Methodology" section.
PRINCIPAL DEPARTMENT AFFECTED: The sales and use tax is collected by the Department of Revenue.
EFFECTIVE DATE: The sales tax exemption certificate provision becomes effective January 1, 2001. The remainder of the bill becomes effective when it becomes law.

ISSUE BACKGROUND: The objective of the proposal is to assist in the implementation of a system to simplify and streamline the sales and use tax collection system for remote and in-state retailers. This would be accomplished by shifting sales tax administration to a technology-oriented business model where the primary responsibility for calculating, collecting, reporting, and remitting the use tax lies with a "Certified Sales Tax Collector" instead of the remote retailer. The State would reimburse the Collector for the costs of integrating the system with a vendor's system and for operating the system. The costs of the system would be funded from the receipts collected and could be recovered through a flat transaction fee, a percentage rate, or some combination.

To participate in the program the Collector must use a certified software program to determine the state and local tax due on a transaction. The participating retailer will not be subject to state audit on the transactions it processes using the Collector's software. Finally, a contract with a Collector is not a factor in establishing nexus for state tax purposes.
EXPLANATION OF PROPOSAL: (1) Eliminates the "good faith" requirement when accepting an exemption certificate from a purchaser on a sale made over the Internet or by other remote means.

(2) Codifies a long-standing practice of the Department of Revenue to issue "direct pay certificates" to a person who is unsure how the property purchased should be taxed at the time of the acquisition.

(3) Provides that the penalty for misusing an exemption certificate applies not only to a resale certificate but also to a direct pay certificate and a farmer's certificate.

(4) Establishes a uniform sourcing rule that calculates tax due based on a "ship-to address".

(5) Provides that the customer of a retailer who takes part in the new system must pay the sales and use tax on the item purchased.

(6) Provides that local sales tax rate changes may be made no more than twice a year and at least 90 days notice must be given to the Department before a rate change can be made.

(7) Prohibits the use of state courts in North Carolina for debts owed to a retailer who is required to collect use tax for the State on a mail-order transaction but refuses to do so. The provision would apply only to retailers who report gross sales of at least $5 million on the most recent federal income tax return.

(8) Allows the Division of Motor Vehicles to disclose a social security number to the Department of Revenue for the purpose of verifying a taxpayer's identification.

(9) Provides funding for contracts for the collection of delinquent tax debts owed by nonresidents and foreign entities. Funds are provided by allowing the Secretary of Revenue to apply the amounts collected under the contract to the cost of the contract.

(10) Allows the Secretary of Revenue to retain as much as needed to develop a request for proposal for a more automated tax collection system. The earmarking shall come from the amounts derived during the 2000-01 fiscal year from the collection of delinquent debts owed by nonresidents and foreign entities.

(11) Requires certified sales tax collector to be bonded or have an irrevocable letter of credit in an amount set by the Secretary of Revenue.

(12) Provides that Department of Revenue may audit a retailer participating in steamlined sales tax system in the case of fraud.

ASSUMPTIONS AND METHODOLOGY: The provisions in the proposal represent implementation steps to achieving the objective of a simplified system of collecting sales and use taxes from remote and in-state retailers. Over the long-term a number of other actions will need to take place in North Carolina and other states to simplify the sales and use tax. Some examples include the development of common product definitions, local tax rate uniformity (numerous rates in other states), product return policies under the new system, joint audit procedures, and state/local tax exemption consistency. Thus, the current proposal is just the first step in a lengthy process.

A recent study by the Center for Business and Economic Research at the University of Tennessee estimates that by calendar year 2003 the incremental state and local revenue loss on e-commerce transactions would be $238 million. If the current revenue losses on catalog sales and e-commerce purchases are included, the maximum state and local revenue gain from the full implementation of the new system would be over $400 million by 2003.

SENATE BILL 1542

Short Title: Video Poker Machines Illegal. (Public)

Sponsors: Senators Wellons; and Carpenter.

Referred to: Finance.

May 30, 2000

A BILL TO BE ENTITLED

AN ACT TO MAKE POSSESSION OF MORE THAN THREE VIDEO POKER MACHINES ON ONE PREMISE ILLEGAL IN NORTH CAROLINA AND TO IMPOSE A PRIVILEGE TAX ON ALL VIDEO POKER MACHINES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 14-306 reads as rewritten:

"**§ 14-306. Slot machine or device defined.**

(a) Any machine, apparatus or device is a slot machine or device within the provisions of G.S. 14-296 through 14-309, if it is one that is adapted, or may be readily converted into one that is adapted, for use in such a way that, as a result of the insertion of any piece of money or coin or other object, such machine or device is caused to operate or may be operated in such manner that the user may receive or become entitled to receive any piece of money, credit, allowance or thing of value, or any check, slug, token or memorandum, whether of value or otherwise, or which may be exchanged for any money, credit, allowance or any thing of value, or which may be given in trade, or the user may secure additional chances or rights to use such machine, apparatus or device; or any other machine or device designed and manufactured primarily for use in connection with gambling and which machine or device is classified by the United States as requiring a federal gaming device tax stamp under applicable provisions of the Internal Revenue Code. This definition is intended to embrace all slot machines and similar devices except slot machines in which is kept any article to be purchased by depositing any coin or thing of value, and for which may be had any article of merchandise which makes the same return or returns of equal value each and every time it is operated, or any machine wherein

may be seen any pictures or heard any music by depositing therein any coin or thing of value, or any slot weighing machine or any machine for making stencils by the use of contrivances operated by depositing in the machine any coin or thing of value, or any lock operated by slot wherein money or thing of value is to be deposited, where such slot machines make the same return or returns of equal value each and every time the same is operated and does not at any time it is operated offer the user or operator any additional money, credit, allowance, or thing of value, or check, slug, token or memorandum, whether of value or otherwise, which may be exchanged for money, credit, allowance or thing of value or which may be given in trade or by which the user may secure additional chances or rights to use such machine, apparatus, or device, or in the playing of which the operator does not have a chance to make varying scores or tallies.

(b) The definition contained in ~~the first paragraph~~ subsection (a) of this section and G.S. 14-296, 14-301, 14-302, and 14-305 does not include coin-operated machines, video games, and devices used for amusement. Included within this exception are pinball machines, video games, and other mechanical devices that involve the use of skill or dexterity to make varying scores or tallies and which, in actual operation, limit to eight the number of accumulated credits or replays that may be played at one time and which may award free replays or paper coupons that may be exchanged for prizes or merchandise with a value not exceeding ten dollars ($10.00), but may not be exchanged or converted to money."

Section 2. Chapter 14 of the General Statutes is amended by adding a new section to read:

"**§ 14-306.1. Types of machines and devices prohibited by law; penalties.**

(a) It shall be unlawful for any person to keep on his premises or operate or permit to be kept on his premises more than three video games with a free play feature operated by a slot in which is deposited a coin or thing of value, or other device operated by a slot in which is deposited a coin or thing of value for the play of any form of card game for amusement and involving the use of skill or dexterity or machines that display different pictures, words, or symbols, at different plays or different numbers, whether in words or figures or, which deposit tokens, paper tickets, markers, or coins at regular intervals or in varying numbers to the player or in the machine, but the provisions of this section do not extend to coin-operated nonpayout pin tables, in-line pin games, or to automatic weighing, measuring, musical, and vending machines which are constructed to give a certain uniform and fair return in value for each coin deposited and in which there is no element of chance.

(b) Any person violating the provisions of this section is guilty of a Class 1 misdemeanor and, upon conviction, shall be fined not less than one thousand dollars ($1,000).

A second or subsequent violation of this section is a Class I felony.

A person violating the provisions of this section involving the operation of having caused the operation of 10 or more machines prohibited by this act shall be guilty of a Class G felony.

In addition to any other punishment imposed, the violator shall be, as a condition of probation, prohibited from possessing any machine described in subsection (a) of this section for a period of one year."

Section 3. Chapter 14 of the General Statutes is amended by adding a new section to read:

"**§ 14-306.2. Seizure and sale of unlawful machines.**

Any machine involved in a violation of G.S. 14-306 or of subsection (a) of G.S. 14-306.1 shall be seized by any law enforcement officer using the procedure set forth in G.S. 75D-5(f) and the proceeds of any sale shall be returned to the law enforcement agency effectuating the seizure."

Section 4. Chapter 14 of the General Statutes is amended by adding a new section to read:

"**§ 14-306.3. Privilege tax on video poker machines.**

(a) Every person, firm, or corporation that is engaged in the operation of a machine, the number of which is limited per location, as described in G.S. 14-306.1(a), shall apply for and procure from the Secretary of Revenue a State license for the privilege of operating those machines and shall pay for each machine a tax in the amount of one hundred dollars ($100.00) per year.

(b) The tax imposed by this section does not apply to machines other than those limited by G.S. 14-306.1.

(c) The tax imposed by this section shall be imposed as a State license tax for the privilege of operating the taxed machines, and nothing in this section shall be construed to relieve any person, firm, or corporation from the payment of any other tax or fee required by law.

(d) A separate State license shall be required for each location at which a machine described in G.S. 14-306.1(a) is located.

(e) The tax imposed by this section shall be paid to the Secretary of Revenue, or to one of the Secretary's deputies, shall be due and payable within thirty 30 days after the licensed machines are obtained, whether purchased or leased, and placed in the location, and are due annually, thereafter, on the first day of July of each year and after that date shall be deemed delinquent, and subject to all the remedies available and the penalties imposed for the payment of delinquent State license and privilege taxes.

(f) The Secretary of Revenue shall transfer, quarterly, the proceeds from the collection of the tax imposed by this section, to the sheriff of the county from which the tax was derived for use in enforcing the provisions of this Article."

Section 5. This act becomes effective December 1, 2000, and the taxes added in Section 4 of this act become effective January 1, 2001.

GENERAL ASSEMBLY OF NORTH CAROLINA

Referred to:

May 30, 2000

A BILL TO BE ENTITLED

AN ACT TO MAKE POSSESSION OF VIDEO POKER AND OTHER VIDEO GAME MACHINES IN NORTH CAROLINA UNLAWFUL.

The General Assembly of North Carolina enacts:

Section 1. Chapter 14 of the General Statutes is amended by adding a new section to read:

"**§ 14-306.1. Types of machines and devices prohibited by law; penalties.**

(a) Notwithstanding G.S. 14-306, it shall be unlawful for any person to keep on that person's premises or to operate or permit to be kept on that person's premises any video game machine on which any of the following games are played by depositing a coin, credit card, or debit card, or by any other means which would effectuate payment to activate the game:

(1) A video poker game or any other kind of video card game.
(2) A video bingo game.
(3) A video craps game.
(4) A video keno game.
(5) A video lotto game.
(6) A video game that involves matching different pictures, words, numbers, or symbols.

(b) Any person violating the provisions of this section is guilty of a Class 1 misdemeanor and, upon conviction, shall be fined not less than one thousand dollars ($1,000).

A second or subsequent violation of this section is a Class I felony.

A person violating the provisions of this section involving the operation or having caused the operation of 10 or more machines prohibited by this section shall be guilty of a Class G felony."

Section 2. G.S. 14-298 reads as rewritten:

"**§ 14-298. Gaming tables, illegal punchboards and slot machines to be destroyed by police officers.**

All sheriffs and officers of police are hereby authorized and directed, on information made to them on oath that any gaming table prohibited to be used by G.S. 14-289 through 14-300, ~~or~~ any illegal punchboard or illegal slot ~~machine~~ machine, or any video game machine prohibited to be used by G.S. 14-306.1, is in the possession or use of any person within the limits of their jurisdiction, to destroy the same by every means in their power; and they shall call to their aid all the good citizens of the county, if necessary, to effect its destruction."

Section 3. This act becomes effective December 1, 2000.

SENATE BILL 1542:
Video Poker Machines Illegal

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Wellons
Date:	June 26, 2000	**Summary by:**	Martha K. Walston
Version:	Proposed Committee Substitute		Committee Counsel

SUMMARY: ***The proposed committee substitute for Senate Bill 1542 adds a new section to Article 37 (Lotteries and Gaming) of the Criminal Law Chapter. The new section makes the possession of certain video game machines illegal. Senate Bill 1542 also authorizes local law enforcement to destroy these illegal video game machines. The act becomes effective December 1, 2000.***

CURRENT LAW: Under current law, certain slot machines and punchboards are illegal. Coin-operated machines, video games, and devices used for amusement are not considered illegal. Included within allowable exceptions are: pinball machines, video games, and other mechanical devices that involve the use of skill or dexterity to make varying scores or tallies and which, in actual operation, limit to eight the number of accumulated credits or replays that may be played at one time and which may award free replays or paper coupons that may be exchanged for prizes or merchandise with a value not exceeding $10.00. The coupons may not be exchanged or converted to money.

BILL ANALYSIS: Senate Bill 1542 does the following:

Certain video game machines unlawful. -- adds a new section making it unlawful for any person to keep on that person's premises or to operate or permit to be kept on that person's premises any video game machine when any of the following games on the machines require payment to play:

1. A video poker game or any other kind of video card game.
2. A video bingo game.
3. A video craps game.
4. A video keno game.
5. A video lotto game.
6. A video game that involves matching different pictures, words, numbers, or symbols.

- Violations for keeping or operating unlawful video game machines:
  - First offense is a Class 1 misdemeanor and carries a fine of not less than $1,000.
  - Second or subsequent offense is a Class I felony. The presumptive sentence is 4 to 6 months of community punishment or may consist of a fine only
  - If a person operates 10 or more machines prohibited by the section, that person is guilty of a Class G felony. A Class G felony carries a presumptive sentence of 10 to 13 months intermediate punishment or and active punishment. The sentence may also include a fine.

  - If any punishment is imposed under new G.S. 14-306.1, then the violator shall be, as a condition of probation, prohibited from possessing any unlawful video card game machine for a period of one year.

- Destruction of unlawful video game machines. Under current law, G.S. 14-298 authorizes local law enforcement to exercise their power to destroy any illegal gaming table, punchboard, or slot machine within their jurisdiction. Senate Bill 1542 extends this authority to apply to illegal video game machines prohibited by G.S. 14-306.1.

SENATE FINANCE COMMITTEE

WEDNESDAY, JUNE 28, 2000

1:00 P.M. – ROOM 544

The Senate Finance Committee met on Wednesday, June 28, 2000, at 1:00 P.M. in Room 544 with Senator John Kerr presiding. There were 23 committee members present for the meeting. The Pages were Whitney Ward, Rachel Evans, sponsored by Senator Kerr, and Kelly White.

HB 1730 – SUGAR MOUNTAIN CHARTER.

Representative Thompson was recognized to explain his Bill. Senator Metcalf moved for a Favorable Report. The motion carried. Copy of Bill included in the minutes.

HB 1699 – INSURANCE LICENSE FEES/RECIPROCITY.

Representative Hurley was recognized to explain his Bill. Bill Hale, representing the NC Department of Insurance, and Frank Gray, with the NC Insurance Department's Manufactured Homes Division, spoke in support of this Bill. Senator Lee moved for a Favorable Report. The motion carried. Copy of Bill, Explanation and Fiscal Note included in the minutes.

HB 1656 – LINCOLN COUNTY E & R BOARD.

Senator Hoyle was recognized to explain this Bill and Senator Dannelly moved for a Favorable Report and the motion carried. Copy of Bill included in the minutes.

HB 1819 – RURAL DEVELOPMENT AUTHORITY.

Representative Tolson was recognized to explain his Bill. Rick Carlisle, Secretary of the NC Commerce Department, spoke in support of this Bill. Senator Albertson moved for a Favorable Report and the motion passed. Copy of Bill, Explanation and Fiscal Note included in the minutes.

HB 1624 – STREAMLINED SALES TAX SYSTEM.

Representative Miller was recognized to explain his Bill. This Bill had been on the Agenda for June 21st and on for June 27th. On June 21st., no action was taken and at the June 27th meeting, Senator Harris had offered an Amendment which had been discussed and the Bill had been displaced until a later date. Senator Harris was recognized and sent forth a new Amendment, after withdrawing his first Amendment. After discussion on this second Amendment, Senator Clodfelter offered a perfecting Amendment. Secretary

Muriel Offerman, Department of Revenue, was recognized to speak on this Bill. Fran Preston, representing the NC Retail Merchants' Association, also spoke on the Bill. After a general discussion, Senator Clodfelter withdrew his perfecting Amendment and offered another Amendment. This second Amendment was adopted on his motion and on a further motion, Senator Harris's Amendment, as perfected by Senator Clodfelter's Amendment, was adopted by the committee. On motion by Senator Albertson, HB 1624, as amended, was given a Favorable Report by the committee and will be rolled into a new Committee Sub. Copy of Bill, Fiscal Note, Senator Harris's first Amendment and Explanation of Amendment, Senator Harris's second Amendment, Senator Clodfelter's Amendment that was withdrawn, Senator Clodfelter's second Amendment that was adopted and copy of the new Committee Sub included in the minutes.

HB 1290 – LIMIT RECYCLING TAX INCENTIVES.

Senator Soles moved to adopt a new Committee Sub on this Bill and the motion carried. The Committee Sub was explained by Martha Walston, Staff Attorney. After discussion it was decided by the Chairs that this Bill would be held over and voted on at a later date. Copy of the Bill, Committee Sub, Explanation and Fiscal Note included in the minutes.

Referred to:

May 25, 2000

A BILL TO BE ENTITLED

AN ACT TO EQUALIZE RESIDENT AND NONRESIDENT INSURANCE BROKER LICENSE FEES; TO MAKE NORTH CAROLINA INSURANCE PRODUCER LICENSING LAWS COMPLY WITH THE RECIPROCITY REQUIREMENTS IN THE FEDERAL GRAMM-LEACH-BLILEY ACT, PUBLIC LAW 106-102; TO AMEND THE MINIMUM EDUCATION REQUIREMENTS FOR THE DEPARTMENT OF INSURANCE FINANCIAL EXAMINER AND ANALYST APPLICANTS; TO AMEND THE DEFINITION OF "PERSON" IN THE BEACH AND FAIR PLAN LAWS; TO AMEND THE DEFINITION OF "BRANCH OFFICE" IN THE MOTOR CLUB LAWS; TO INCREASE THE BOND AMOUNT FOR MANUFACTURED HOUSING LICENSEES; TO REQUIRE NOTIFICATION TO THE MANUFACTURED HOUSING BOARD FROM MANUFACTURED HOUSING LICENSEES OF CHANGES IN OWNERSHIP CONTROL AND BANKRUPTCIES; AND TO EXPEDITE BUILDING PLAN REVIEWS BY EXEMPTING REVIEWS OF COUNTY AND CITY BUILDINGS COMPRISING FEWER THAN TEN THOUSAND SQUARE FEET.

The General Assembly of North Carolina enacts:

Section 1. G.S. 58-33-125(a) reads as rewritten:

"(a) The following table indicates the annual fees that are required for the respective licenses issued, renewed, or cancelled under this Article and Article 21 of this Chapter:

Adjuster	$ 75.00
Adjuster, crop hail only	20.00
Agent appointment cancellation (paid by insurer)	10.00
Agent appointment, individual	20.00
Agent appointment, nonindividual	50.00
Agent appointment, Medicare supplement and long-term care, individual	10.00
Agent appointment, Medicare supplement and long-term care, nonindividual	20.00
Agent, overseas military	20.00
Broker, nonresident	~~100.00~~
	50.00
Broker, resident	50.00
Limited representative	20.00
Limited representative cancellation (paid by insurer)	10.00
Motor vehicle damage appraiser	75.00
Recertification, continuing education	5.00
Surplus lines licensee, corporate	50.00
Surplus lines licensee, individual	50.00

These fees are in lieu of any other license fees. Fees paid by an insurer on behalf of a person who is licensed or appointed to represent the insurer shall be paid to the Commissioner on a quarterly or monthly basis, in the discretion of the Commissioner. The recertification fee in this subsection shall be paid by persons subject to G.S. 58-33-130 at the time they renew their licenses or appointments under G.S. 58-33-130(c)."

Section 2. Article 33 of Chapter 58 of the General Statutes is amended by adding a new section to read:

"**§ 58-33-32. Interstate reciprocity in producer licensing.**

(a) The purpose of this section is to make North Carolina insurance producer licensing comply with the reciprocity requirements in the federal Gramm-Leach-Bliley Act, Public Law 106-102. This section does not apply to surplus lines licensees in Article 21 of this Chapter, except as provided in subsections (c) and (d) of this section.

(b) As used in this section:

(1) 'Home state' means the District of Columbia and any state or territory of the United States in which an insurance producer maintains a principal place of residence or principal place of business and is licensed to act as an insurance producer.

(2) 'Insurance producer' or 'producer' means a person required to be licensed under this Article to sell, solicit, or negotiate insurance.

(3) 'License' means a document issued by the Commissioner authorizing a person to act as an insurance producer for the kinds of insurance specified in the document. The license itself does not create any authority, actual, apparent, or inherent, in the holder to represent or commit to an insurance carrier.

(4) 'Limited line credit insurance' includes any type of credit insurance written under Article 57 of this Chapter, mortgage life, mortgage guaranty, mortgage disability, automobile dealer gap insurance, and any other form of insurance offered in connection with an extension of credit that is limited to partially or wholly extinguishing that credit obligation and that the Commissioner determines should be designated a form of limited line credit insurance.

(5) 'Limited line credit insurance producer' means a person who sells, solicits, or negotiates one or more forms of limited line credit insurance coverage to individuals through a master, corporate, group, or individual policy.

(6) 'Negotiate' means the act of conferring directly with or offering advice directly to a purchaser or prospective purchaser of a particular contract of insurance concerning any of the substantive benefits, terms, or conditions of the contract, provided that the person engaged in that act either sells insurance or obtains insurance from insurers for purchasers.

(7) 'Sell' means to exchange a contract of insurance by any means, for money or its equivalent, on behalf of an insurance company.

(8) 'Solicit' means attempting to sell insurance or asking or urging a person to apply for a particular kind of insurance from a particular company.

(9) 'Uniform Application' means the most recent version of the NAIC Uniform Application for resident and nonresident producer licensing.

(10) 'Uniform Business Entity Application' means the most recent version of the NAIC Uniform Business Entity Application for a resident and a nonresident corporation, association, partnership, limited liability company, limited liability partnership, or other legal entity.

(c) Unless denied licensure under G.S. 58-33-30 or G.S. 58-33-50, a nonresident person shall receive a nonresident producer license if:

(1) The person is currently licensed as a resident and in good standing in that person's home state;

(2) The person has submitted the proper request for licensure and has paid the fees required by G.S. 58-33-125;

(3) The person has submitted or transmitted to the Commissioner the application for licensure that the person submitted to that person's

home state, or in lieu of the same, a completed Uniform Application or Uniform Business Entity Application; and

(4) The person's home state awards nonresident producer licenses to residents of this State on the same basis.

The Commissioner may verify the producer's licensing status through the producer database maintained by the NAIC or affiliates or subsidiaries of the NAIC.

(d) Notwithstanding any other provision of this section, a person licensed as a surplus lines producer in that person's home state shall receive a nonresident surplus lines license pursuant to the provisions of this section. Except for the licensure provisions of this section, nothing in this section otherwise amends or supersedes any provision of Article 21 of this Chapter.

(e) Notwithstanding any other provision of this section, a person licensed or registered as a viatical settlement broker, viatical settlement provider, or viatical settlement representative, as defined in G.S. 58-58-42(a), in that person's home state shall receive a nonresident viatical settlement broker, viatical settlement provider, or viatical settlement representative license pursuant to this section. Except for the licensure provisions of this section, nothing in this section otherwise amends or supersedes any provision of G.S. 58-58-42.

(f) Notwithstanding any other provision of this section, a person licensed as a limited line credit insurance producer or other type of insurance producer in that person's home state shall receive a nonresident limited lines producer license pursuant to the provisions of this section, granting the same scope of authority as granted under the license issued by the producer's home state.

(g) An individual who applies for an insurance producer license in this State who was previously licensed for the same kinds of insurance in that individual's home state shall not be required to complete any prelicensing education or examination. This exemption is available only if:

(1) The applicant is currently licensed in the applicant's home state; or

(2) The application is received within 90 days after the cancellation of the applicant's previous license and the applicant's home state issues a certification that, at the time of cancellation, the applicant was in good standing in that state; or

(3) The home state's producer database records, maintained by the NAIC or affiliates or subsidiaries of the NAIC, indicate that the producer is or was licensed in good standing for the kind of insurance requested.

(h) The Commissioner shall not assess a greater fee for an insurance license or related service to a nonresident producer based solely on the fact that the producer does not reside in this State.

(i) The Commissioner shall waive any license application requirements for a nonresident license applicant with a valid license from the applicant's home state, except the requirements imposed by subsection (c) of this section, if the applicant's home state awards nonresident licenses to residents of this State on the same basis.

(j) A nonresident producer's satisfaction of the nonresident producer's home state's continuing education requirements for licensed insurance producers shall constitute satisfaction of this State's continuing education requirements if the nonresident producer's home state recognizes the satisfaction of its continuing education requirements imposed upon producers from this State on the same basis.

(k) A producer shall report to the Commissioner any administrative action taken against the producer in another state or by another governmental agency in this State within 30 days after the final disposition of the matter. This report shall include a copy of the order or consent order and other relevant legal documents.

(l) Within 30 days after the initial pretrial hearing date, a producer shall report to the Commissioner any criminal prosecution of the producer taken in any state. The report shall include a copy of the initial complaint filed, the order resulting from the hearing, and any other relevant legal documents."

Section 3. G.S. 58-33-30(h)(2)b. reads as rewritten:

"b. ~~A~~ Except as provided in G.S. 58-33-32, a nonresident of this State may be licensed without taking an otherwise required written examination if the ~~Commissioner~~ insurance regulator of the state of the applicant's residence certifies that the applicant has passed a similar written examination or has been a continuous holder, prior to the time such written examination was required, of a license like the license being applied for in this State."

Section 4. G.S. 58-2-25(b) reads as rewritten:

"(b) The minimum education requirements for financial analysts and examiners referred to in subsection (a) of this section are a bachelors degree, with the appropriate courses in accounting as defined in 21 NCAC 8A.0309, and other courses that are required to qualify the applicant as a candidate for the uniform certified public accountant examination, based on the examination requirements in effect at the time of ~~employment by the Department of the analyst or examiner.~~ graduation by the analyst or examiner from an accredited college or university."

Section 5. Article 45 of Chapter 58 of the General Statutes is amended by adding a new section to read:

"**§ 58-45-6. Persons who can be insured by the Association.**

As used in this Article, 'person' includes any county, city, or other political subdivision of the State of North Carolina."

Section 6. Article 46 of Chapter 58 of the General Statutes is amended by adding a new section to read:

"**§ 58-46-2. Persons who can be insured by the Association.**

As used in this Article, 'person' includes any county, city, or other political subdivision of the State of North Carolina."

Section 7. G.S. 58-69-2(1) reads as rewritten:

"(1) 'Branch or district office' means any physical location, other than a motor club's home ~~office, where the motor club or its representatives conduct~~ office, that is used by the motor club or its

representatives as a principal place of business for conducting any type of business authorized under this ~~Article.~~ Article and as a place of business that is used by clients or prospective clients in meeting or dealing with the motor club or its representatives in the normal course of business authorized under this Article."

Section 8. G.S. 143-143.12(a) reads as rewritten:

"(a) A person licensed as a manufactured home salesperson shall not be required to furnish a bond, but each applicant approved by the Board for license as a manufacturer, dealer, or set-up contractor shall furnish a corporate surety bond, cash bond or fixed value equivalent in the following amounts:

(1) For a manufacturer, two thousand dollars ($2,000) per manufactured home manufactured in the prior license year, up to a maximum of one hundred thousand dollars ($100,000). When no manufactured homes were produced in the prior year, the amount required shall be based on the estimated number of manufactured homes to be produced during the current year.

(2) For a dealer who has ~~four or less places~~ one place of business, the amount shall be ~~twenty-five~~ thirty-five thousand dollars ~~($25,000)~~ ($35,000).

(3) For a dealer who has more than ~~four places~~ one place of business, the amount shall be ~~fifty thousand dollars ($50,000)~~ twenty-five thousand dollars ($25,000) for each additional place of business.

(4) For a set-up contractor, the amount shall be ~~five~~ ten thousand dollars ~~($5,000)~~($10,000)."

Section 9. G.S. 143-143.11A reads as rewritten:

"**§ 143-143.11A. Notification of change of ~~address; service of notice.~~ address, control of ownership, and bankruptcy.**

(a) Every applicant for a license shall inform the Board of the applicant's business address. Every licensee shall give written notification to the Board of any change in the licensee's business address, for whatever reason, within 10 business days after the licensee moves to a new address or a change in the address takes place. A violation of this subsection shall not constitute grounds for revocation, suspension, or non-renewal of a license or for the imposition of any other penalty by the Board.

(b) Notwithstanding any other provision of law, whenever the Board is authorized or required to give notice to a licensee under this Article, the notice may be delivered personally to the licensee or sent by first-class mail to the licensee at the address provided to the Board under subsection (a) of this section. Notice shall be deemed given four days after mailing, and any Department employee may certify that notice has been given.

(c) Every person licensed under this Article, except for a person licensed as a manufactured home salesperson, shall give written notification to the Board of any change in ownership or control of the licensee's business within 30 business days after the change. A 'change in ownership or control' means the sale or conveyance of the capital stock of the business or of an owner's interest in the business, which operates

to place a person or group of persons, not previously in control of the business, in effective control of the business. A violation of this subsection shall not constitute grounds for revocation, suspension, or nonrenewal of a license or for the imposition of any other penalty by the Board.

(d) Upon the filing for protection under the United States Bankruptcy Code by any licensee, or by any business in which the licensee holds a position of employment, management or ownership, the licensee shall notify the Board of the filing of protection within three business days after the filing. Upon the appointment of a receiver by a court of this State for any licensee, or for any business in which the licensee holds a position of employment, management, or ownership the licensee shall notify the Board of the appointment within three business days after the appointment."

Section 10. G.S. 58-31-40 reads as rewritten:

"**§ 58-31-40. Commissioner to inspect State property; plans submitted.**

(a) ~~It is the duty of the Commissioner at least once in each year, or oftener, if deemed necessary, to~~ The Commissioner shall, at least once every year or more often if the Commissioner considers it necessary, visit, inspect, and thoroughly examine ~~each State institution or other~~ every State property ~~with a view to its~~ to analyze and determine its protection from fire, ~~as well as to the safety of its inmates or the property therein~~ including the property's occupants or contents, ~~in case of fire, and call to the attention of the board or officer having the same~~ The Commissioner shall notify the agency or official in charge of the property of any defect noted by ~~him~~ the Commissioner or any improvement ~~deemed~~ considered by the Commissioner to be necessary.

(b) No agency ~~board, commission, superintendent,~~ or other person ~~or persons~~ authorized ~~and~~ or directed by law to select ~~plans~~ a plan and erect ~~buildings~~ a building for the use of the State ~~of North Carolina~~ or any ~~institution thereof,~~ State institution shall receive and approve of the plan until it is submitted to and approved by the Commissioner as to the safety of the proposed building from fire, including the property's occupants or contents. No agency or person authorized or directed by law to select a plan or erect a building comprising 10,000 square feet or more for the use of any county, city, ~~or incorporated town~~ or school district shall receive and approve of ~~any plans~~ the plan until ~~they are~~ it is submitted to and approved by the Commissioner ~~of Insurance of the State~~ as to the safety of the proposed ~~buildings~~ building from fire, ~~as well as the protection of the inmates in case of fire.~~ including the property's occupants or contents."

Section 11. Sections 8 and 9 of this act become effective September 1, 2000. The remainder of this act is effective when it becomes law.

HB 1699:
Insurance License Fees/Reciprocity/AB

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Representative Hurley
Date:	June 28, 2000	**Summary by:**	Trina Griffin, Staff Atty.
Version:	3rd Edition		Mary Shuping, Rsch. Asst.

SUMMARY: ***House Bill 1699 reduces the annual licensing fee for nonresident insurance brokers. This bill also establishes a system of reciprocity for the licensing of insurance agents and brokers ("producers") to implement portions of the federal Gramm-Leach-Bliley Act which relate to the enactment of uniform laws governing the licensure of individuals and entities authorized to sell and solicit the purchase of insurance. The Federal Certification, as required by G.S. 120-36.8, is attached to this summary.***

The bill also

- ***Revises the examination requirements for financial analysts and examiners who work for the Department of Insurance (Section 4).***
- ***Clarifies the definition of "person" as used in two Articles in the Chapter on Insurance (Sections 5 & 6).***
- ***Revises the definition of a motor club or association "branch or district office" (Section 7).***
- ***Raises the surety bond amounts for manufactured home dealers and set-up contractors. (Section 8)***
- ***Requires notification to the Manufactured Housing Board from manufacturing housing licensees of any change in ownership or control of the licensee's business and of any federal bankruptcy or State receivership proceedings commenced against the licensee. (Section 9)***
- ***Allows architectural plans for city, county, and school buildings that are less than 10,000 feet to be approved by the local government's planning department and not the Commissioner. (Section 10)***

BILL ANALYSIS

Section 1. reduces the fee for a nonresident broker from $100.00 to $50.00.

BILL ANALYSIS - CHANGES REQUIRED TO IMPLEMENT FEDERAL LAW (Sections 2-3):

Section 2. Section 2 adds a new section to Article 33 of Chapter 58 of the General Statutes to comply with the reciprocity requirements of the federal law, specifically by establishing a procedure for nonresident producers to obtain a license in North Carolina.

G.S. 58-33-32(a) – (b) set forth the purpose of the new section and set out the applicable definitions.

G.S. 58-33-32(c) provides that a nonresident can obtain a North Carolina license if:

- The nonresident is currently licensed as a resident in good standing in the person's home state.
- The nonresident has submitted an application and paid the proper fees.
- The nonresident has submitted a copy of the person's home state licensure application, or a completed Uniform Application or Uniform Business Entity application.
- The nonresident's home state awards nonresident licenses on the same basis as North Carolina.

G.S. 58-33-32(d)-(f) provide that the licensure provisions of this section also apply to nonresidents licensed as surplus line producers, viatical settlement brokers, or limited line credit insurance producers who are seeking licensure in North Carolina.

G.S. 58-33-32(g) provides that a nonresident applicant is exempt from North Carolina's prelicensing education and examination requirements *if*:

- The applicant is currently licensed in the applicant's home state; *or*
- The application is received within 90 days after cancellation of the applicant's previous license, and the applicant's home state issues a certification that the applicant was in good standing; *or*
- The home state's producer database records indicate the applicant is or was licensed in good standing.

G.S. 58-33-32(h) provides that the Commissioner of Insurance cannot assess a greater fee for an insurance license for a nonresident based solely on the fact that the producer does not reside in North Carolina.

G.S. 58-33-32(i) provides that, except for the requirements in subsection (c), the licensure requirements for a nonresident will be waived *if* the applicant's home state awards a nonresident license to residents of North Carolina on the same basis.

G.S. 58-33-32(j) provides that satisfaction of the continuing education requirements in the applicant's home state will satisfy the continuing education requirements in North Carolina as long as there is a reciprocal agreement for identical treatment for North Carolina applicants in that state.

G.S. 58-33-32(k)-(l) require a producer to report to the Commissioner of Insurance any administrative action or criminal prosecution taken against the producer.

Section 3 makes conforming changes to G.S. 58-33-30.

BILL ANALYSIS – ADDITIONAL CHANGES (Sections 4-10)

Examination Requirements – Financial Analysts: **Section 4** changes the applicable examination requirements for financial analysts and examiners who work for the Department of Insurance. The bill proposes that a financial analyst or examiner must have taken all courses necessary to qualify for the CPA examination based on the examination requirements *in effect at the time the applicant graduated from an accredited college or university* (in addition to satisfying the minimum education requirements). The current law requires that the analyst or examiner have taken the courses required for the CPA examination in effect at the time of employment by the Department.

Clarification of Defintion of "Person": **Sections 5 and 6** of the bill clarify the definition of "person" as used in two Articles in the Chapter on Insurance: Essential Property Insurance for Beach Area Property (Article 45) and Fair Access to Insurance Requirements (Article 46). Both Articles involve the NC Insurance Underwriting Association which was established as a market of last resort for customers who have difficulty obtaining property insurance in the voluntary market. The bill states that "person" as used in these Articles shall include the State of North Carolina or any county, city, or other political subdivision of the State of North Carolina. For Article 45, the proposed definition would clarify that cities and counties with an insurable interest in beach property are eligible to apply to the Association for coverage. For Article 46, the proposed definition would ensure that cities and counties were eligible for coverage under the FAIR Plan which covers all other property.

Definition of Motor Club Branch Office: **Section 7** of the bill revises the definition of a motor club or association "branch or district office," which must be licensed by the Commissioner of Insurance. The current law defines a branch or district office as *any physical location, other than the home office, where representatives conduct business.* This bill would change that definition to any physical location, other than the home office, that is used as a *principal place of business and a place of business used by clients in meeting or dealing with motor club representatives in the normal course of business.*

Manufactured Housing Revisions: **Section 8** of the bill raises the surety bond amounts for manufactured dealers and set-up contractors, as detailed below:

Type of Manufactured Home License	Current Bond Amount	Proposed Bond Amount
Manufacturer	$2,000 per manufactured home, up to a maximum of $100,000	**NO CHANGE**
Dealer	• $25,000 for 4 or less places of business; • $50,000 for more than 4 places of business	• $35,000 for 1 place of business; • $25,000 for each additional place of business
Set-up Contractor	$5,000	$10,000

Section 8 becomes effective September 1, 2000

Section 9 requires manufactured housing licensees (except salespersons) to notify the Manufactured Housing Board of:

- Any change in ownership or control of the licensee's business.
- Any federal bankruptcy or State receivership proceedings commenced against the licensee.

Section 9 becomes effective September 1, 2000.

Architectural Plans – Local Government Buildings: **Section 10** provides that architectural plans for city, county, and school buildings that comprise fewer than 10,000 square feet would be approved by the local government's planning department and not by the Commissioner of Insurance.

EFFECTIVE DATE: Except as otherwise noted above, the bill is effective when it becomes law.

Bil Hale, Legislative Counsel, Department of Insurance, contributed to this summary.

FEDERAL CERTIFICATION FOR
HB 1699 – INSURANCE LICENSE FEES/RECIPROCITY/AB

Prepared by: Trina Griffin, Staff Attorney, Research Division

June 9, 2000

Federal Certification Required

G.S. 120-36.8 requires that every introduced bill proposing any change in the law which purports to implement federal law or purports to be required or necessary for compliance with federal law, or on which is conditioned the receipt of federal funds, shall have attached a certification identifying the federal law.

Background & Applicable Federal Law

House Bill 1699 proposes to implement certain provisions of the Gramm-Leach-Bliley Act, 15 USC §§ 6751 *et seq.* This information provides a summary of and citations to the relevant provisions of 15 USC §§ 6751 *et seq.* and the corresponding parts of HB1699.

In part, the Gramm-Leach-Bliley Act relates to the enactment of uniform laws and regulations governing the licensure of individuals and entities authorized to sell and solicit the purchase of insurance ("producers"). The Act requires at least a majority of the States to enact these laws by November 12, 2002. If the National Association of Insurance Commissioners ("NAIC") determines that the uniformity or reciprocity required has not been achieved by a majority of the States by November 12, 2002, the National Association of Registered Agents and Brokers ("NARAB") will be established. This Association would provide a mechanism through which uniform licensing, appointment, continuing education, and other qualification requirements could be adopted and applied on a multistate basis. NARAB would be a nonprofit corporation subject to the supervision and oversight of the NAIC. The requirements of this Act are not mandatory, and no federal funds are contingent upon compliance with this Act.

EXPLANATION - HOUSE BILL 1699

SECTION 1. FEES

Section 1 of HB1699 reduces the annual nonresident broker license fee from $100.00 to $50.00. ***However, this section is unrelated to the Gramm-Leach-Bliley Act. This provision does not require certification pursuant to G.S. 120-36.8.***

SECTION 2. INTERSTATE RECIPROCITY IN PRODUCER LICENSING

15 USC 6751(a) establishes the uniformity requirements. A State satisfies this provision if it (1) establishes uniform criteria regarding the integrity, personal qualifications, education, training and experience of licensed insurance producers, (2) establishes uniform continuing education requirements, including ethics, for licensed insurance producers, (3) establishes criteria to ensure that an insurance product is suitable and appropriate for the consumer, and (5) does not impose limitations on nonresident insurance producers because of their residence or place of operations. ***The National Association of Insurance Commissioners drafted and adopted a Producer Licensing Model Act to provide a uniform model for states electing to comply with the Gramm-Leach-Bliley Act. HB1699 conforms to the Model Act.***

15 USC 6751(b) establishes reciprocity requirements with regard to three main areas: licensing procedures, continuing education requirements and limitations on producer activities. The States must grant reciprocity to residents of all other States that satisfy each of these requirements.

1. Licensing Procedures - A state must license a nonresident, who is licensed in its home state, without requiring any additional requirements other than submission of an application and a copy of the applicant's home state application for licensure, proof that the producer is licensed and in good standing in its home state, and payment of the requisite fees. ***Section 2 of HB1699 adds a new section to Article 33 of Chapter 58 to comply with these reciprocity guidelines. Specifically, 58-33-32(c) states that a nonresident shall receive a nonresident producer license if the producer is a licensed resident in good standing in its home state, if the producer has submitted the requisite fees and application, if the producer has submitted a copy of its home state licensure application, and the home state awards nonresident licenses on the same basis as North Carolina.***

2. Continuing Education Requirements - A nonresident's satisfaction of continuing education requirements in its home state must constitute satisfaction of the continuing education requirements in the foreign state. ***58-33-32(j) provides that a nonresident who satisfies the continuing education requirements in the producers' home state shall constitute satisfaction of the continuing education requirements of this State as long as the home state has reciprocal treatment for licensed North Carolina insurance producers.***

3. No Limitations – A state must not impose any limitations on a nonresident's producer activities because of its residence or place of operations. ***Neither specifically prohibits discriminatory practices against nonresident producers, but there are no provisions that limit a nonresident's producer activities. In addition, 58-33-32(h) states that the Commissioner of Insurance shall not assess a greater fee for an insurance license to a nonresident producer based solely on the fact that the producer is a nonresident.***

15 USC §§ 6752-6762, 6764, 6766 make provisions for the establishment and governance of NARAB including provisions for membership criteria, a board of directors, bylaws, disciplinary action, and oversight by the NAIC. This Association will only be established if a majority of the states fail to enact uniformity and reciprocity requirements for the licensing of insurance producers by November 12, 2002. ***These sections do not require any legislative action by the states.***

15 USC § 6763 prohibits states from impeding the activities of any insurance producer because that producer is or plans to become a member of the Association or impose any requirements upon members of the Association that are different from the criteria for membership in the Association. Any state law that attempts to do so is preempted. ***This section does not require any legislative action by the states.***

REVENUES	($11,050)	($11,050)	($11,050)	($11,050)	($11,050)

Note: Revenue from the annual fee and the application fee may increase if the revised reciprocity provisions result in an increase in the number of nonresident producers. However, no estimate of potential increases in revenue is available at this time.

EXPENDITURES

POSITIONS: 0

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Insurance

EFFECTIVE DATE: Sections 8 and 9 become effective September 1, 2000. The remainder is effective when it becomes law.

BILL SUMMARY: Section 1 reduces the annual licensing fee for nonresident insurance brokers from $100 to $50. Section 2 of the bill adds a new section to Article 33 of Chapter 58 to comply with the reciprocity requirements in the federal Gramm-Leach-Bliley Act (Public Law 106-102) and to establish a procedure for nonresident producers to obtain a license in North Carolina. It sets forth the procedures a nonresident person must follow to obtain a nonresident producer license. These provisions are modeled after the Producer Licensing Model Act drafted and adopted by the National Association of Insurance Commissioners.

Section 4 changes the applicable examination requirements for financial analysts and examiners who work for the Department of Insurance.

Section 8 of the bill increases the surety bond applicants licensed as dealers or set-up contractors must furnish. It increases the bond for a dealer with one place of business to $25,000. A dealer with more than one business must furnish $25,000 for each additional place of business.

Currently those with four or less must furnish $25,000 and others furnish $50,000. The bill also increases the bond for a set up contractor from $5,000 to $10,000.

Section 9 of the bill requires manufactured housing licensees to notify the Manufacturing Housing Board within 30 days of any change in address, ownership control, and bankruptcy.

Section 10 of the bill eliminates the requirement that the Commissioner of Insurance review plans for county, city and school district buildings comprising less than 10,000 square feet.

Sections 3, 5, 6, and 7 make some technical changes and clarifications of miscellaneous insurance provisions.

ASSUMPTIONS AND METHODOLOGY:

Sections 1 and 2: The bill reduces the annual fee for a nonresident broker license and it establishes procedures for nonresident brokers and agents to obtain a license in the State. The changes impact the revenue from the annual license fee and it also has the potential to impact the workload for processing applications for nonresident producers.

Section 1 of the bill reduces the annual nonresident broker license fee from $100.00 to $50.00. For 1998-99, there were 221 nonresident brokers. Assuming the number of nonresident brokers remains constant, the total revenue from the nonresident broker license fee would ***decrease*** by $11,050 annually. Assuming, however, that implementation of section 2, which establishes a procedure for nonresident producers to obtain a license in North Carolina, will result in an increase in the number of nonresident producer applicants, the revenue from the application fee (currently $30) and the annual fee ($50 as revised by Section 1 of the bill) may increase. At this time no data is available upon which to estimate what revenue increases, if any, will be.

Also, as noted above, Section 2 establishes procedures for a nonresident producer to obtain a license in the State. The Department believes that administering the reciprocity requirements will not significantly impact its current workload and estimates that implementation of this portion of the bill will have no fiscal impact.

Section 10: This section eliminates the current requirement that the Commissioner review plans for city, county or school district buildings that are less than 10,000 square feet. Currently, the Office of the Fire Marshall's Engineering Division in the Department of Insurance reviews the building plans for all non-State owned buildings including those for use by a city, county or school district. Because of the number of plans submitted, there is a backlog for completing the initial review. The current turnaround time for the initial review of a set of plans is 5-8 weeks. Eliminating the need to review the plans for city, county, or school district buildings with less than 10,000 square feet, will reduce the workload. However, the reduction in the workload is not expected to result in the need for fewer positions. Rather, the reduced workload should allow the Department to complete its initial review of plans on a more timely basis and reduce the backlog.

Remaining Sections: Sections 3, 5, and 6 make technical changes and clarifications of miscellaneous insurance provisions. Section 4 changes the applicable examination requirement for financial analysts and examiners. Section 7 restricts the definition of a motor club district or association branch office. These sections are primarily technical or clarifying in nature. The

implementation of these changes has no impact on the workload and no fiscal impact on the department.

Section 8 increases the bond that a dealer or set-up contractor must furnish. Section 9 requires manufactured homes licensees to notify the Board of any change in address, ownership control or bankruptcy petition within 30 days. The bond increase and the notification provision have no impact on the Department's revenue or its workload

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE APPOINTMENT OF A SPECIAL BOARD OF EQUALIZATION AND REVIEW FOR LINCOLN COUNTY.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-322 reads as rewritten:

"**§ 105-322. Lincoln County board of equalization and review.**

(a) ~~Personnel.~~ Board Composed of Commissioners if Special Board Not Appointed. -- ~~Except as otherwise provided herein,~~ If the board of county commissioners does not appoint a special board of equalization and review as provided in this section, the board of equalization and review of ~~each~~ the county shall be composed of the members of the board of county commissioners.

(a1) Appointment of Special Board. -- Upon the adoption of a resolution so providing, the board of commissioners is authorized to appoint a special board of equalization and review to carry out the duties imposed under this section. ~~The resolution shall provide for the membership, qualifications, terms of office and the filling of vacancies on the board.~~ The special board shall be composed of five members and three alternate members. The board of commissioners shall ~~also~~ designate ~~the chairman~~ a chair of the special ~~board.~~ board from the membership of the board. The special board shall elect a vice-chair from its membership to serve as acting chair in the absence of the chair as necessary. To be eligible for appointment to the special board, the board of county commissioners must find that the person has

satisfactory knowledge of or experience in real estate, fee appraisals, banking, farming, or other business management.

Members of the special board shall serve a term of two years. No member may serve more than three consecutive terms. Vacancies shall be filled by the board of county commissioners; a successor appointed to fill a vacancy shall serve for the remainder of the term. Members of the special board shall serve at the pleasure of the board of county commissioners.

~~The resolution may also authorize a taxpayer to appeal a decision of the special board with respect to the listing or appraisal of his property or the property of others to the board of county commissioners.~~ The resolution creating the special board shall be adopted not later than the first Monday in March of the year for which it is to be effective and shall continue in effect until revised or rescinded. It shall be entered in the minutes of the meeting of the board of commissioners and a copy thereof shall be forwarded to the Department of Revenue within 15 days after its adoption.

~~Nothing in this subsection (a) shall be construed as repealing any law creating a special board of equalization and review or creating any board charged with the duties of a board of equalization and review in any county.~~

(a2) Quorum; Alternates. -- A majority of the members of the special board shall constitute a quorum for the purpose of transacting business. A decision of the special board shall be made by a majority of the members present. An alternate member of the special board shall have all the powers and duties of a regular board member when sitting as a member of the board or of any subcommittee or panel created by the board. The board of county commissioners shall adopt a resolution setting forth any other provisions it deems necessary to govern the proceedings of the special board and any subcommittee or panel created by the special board.

(b) Compensation. -- The board of county commissioners shall fix the compensation and allowances to be paid members of the board of equalization and review for their services and expenses.

(c) Oath. -- Each member of the board of equalization and review shall take the oath required by Article VI, § 7 of the North Carolina Constitution with the following phrase added to it: 'that I will not allow my actions as a member of the board of equalization and review to be influenced by personal or political friendships or obligations,'. The oath must be filed with the clerk of the board of county commissioners.

(d) Clerk and Minutes. -- The assessor or a person designated by the assessor shall serve as clerk to the board of equalization and review, shall be present at all meetings, shall maintain accurate minutes of the actions of the board, shall draft all written decisions of the special board, and shall give to the board such information as ~~he~~ the clerk may have or can obtain with respect to the listing and valuation of taxable property in the county. The chair of the special board shall review all written decisions drafted by the clerk. Only the chair of the special board or, in the chair's absence, the vice-chair can execute the decisions of the special board.

(e) Time of Meeting. -- ~~Each~~ Except as otherwise provided in this section, each year the board of equalization and review shall hold its first meeting not earlier than

the first Monday in April and not later than the first Monday in May. ~~In years in which a county does not conduct a real property revaluation, the~~ The board shall complete its duties on or before the ~~third Monday following its first meeting~~ advertised adjournment date unless, in its opinion, a longer period of time is necessary or expedient to a proper execution of its responsibilities. ~~In no event shall~~ Except as provided in subdivision (g)(7) of this section, the board may not sit later than July 1 except to hear and determine requests made under the provisions of subdivision (g)(2), below, when such requests are made within the time prescribed by law. ~~In the year in which a county conducts a real property revaluation, the board shall complete its duties on or before December 1, except that it may sit after that date to hear and determine requests made under the provisions of subdivision (g)(2), below, when such requests are made within the time prescribed by law. From the time of its first meeting until its adjournment, the~~ The board shall meet at such times as it deems reasonably necessary to perform its statutory duties and to receive requests and hear the appeals of taxpayers under the provisions of ~~subdivision (g)(2), below.~~ this section.

(f) Notice of Meetings and Adjournment. -- A notice of the date, hours, place, and purpose of the first meeting of the board of equalization and review shall be published at least three times in some newspaper having general circulation in the county, the first publication to be at least 10 days prior to the first meeting. The notice shall also state the dates and hours on which the board will meet following its first meeting and the date on which it expects to adjourn; it shall also carry a statement that in the event of earlier or later adjournment, notice to that effect will be published in the same newspaper. Should a notice be required on account of earlier adjournment, it shall be published at least once in the newspaper in which the first notice was published, such publication to be at least five days prior to the date fixed for adjournment. Should a notice be required on account of later adjournment, it shall be published at least once in the newspaper in which the first notice was published, such publication to be prior to the date first announced for adjournment.

(g) Powers and Duties. -- The board of equalization and review has the following powers and duties:

(1) ~~Powers and Duties. -- It shall be the duty of the board of equalization and review to~~ Duty to Review Tax Lists. -- The board shall examine and review the tax lists of the county for the current year to the end that all taxable property shall be listed on the abstracts and tax records of the county and appraised according to the standard required by G.S. 105-283, and the board shall correct the abstracts and tax records to conform to the provisions of this Subchapter. In carrying out its responsibilities under this subdivision (g)(1), the board, on its own motion or on sufficient cause shown by any person, shall:

a. List, appraise, and assess any taxable real or personal property that has been omitted from the tax lists.

b. Correct all errors in the names of persons and in the description of properties subject to taxation.

c. Increase or reduce the appraised value of any property that, in the board's opinion, ~~shall have~~ has been listed and appraised at a figure that is below or above the appraisal required by G.S. 105-283; however, the board shall not change the appraised value of any real property from that at which it was appraised for the preceding year except in accordance with the terms of G.S. 105-286 and 105-287.

d. Cause to be done whatever else ~~shall be~~ is necessary to make the lists and tax records comply with the provisions of this Subchapter.

e. Embody actions taken under the provisions of subdivisions (g)(1)a through (g)(1)d, above, in appropriate orders and have the orders entered in the minutes of the board.

f. Give written notice to the taxpayer at ~~his~~ the taxpayer's last-known address in the event the ~~board shall,~~ board, by appropriate order, ~~increase~~ increases the appraisal of any property or ~~list~~ lists for taxation any property omitted from the tax lists under the provisions of this subdivision (g)(1).

(2) Duty to Hear Taxpayer Appeals. -- On request, the board of equalization and review shall hear any taxpayer who owns or controls property taxable in the county with respect to the listing or appraisal of ~~his~~ the taxpayer's property or the property of others.

a. A request for a hearing under this subdivision (g)(2) shall be made in writing to or by personal appearance before the board prior to its adjournment. However, if the taxpayer requests review of a decision made by the board under the provisions of subdivision (g)(1), above, notice of which was mailed fewer than 15 days prior to the board's adjournment, the request for a hearing thereon may be made within 15 days after the notice of the board's decision was mailed.

b. Taxpayers may file separate or joint requests for hearings under the provisions of this subdivision (g)(2) at their election.

c. At a hearing under provisions of this subdivision (g)(2), the board, in addition to the powers it may exercise under the provisions of subdivision (g)(3), below, shall hear any evidence offered by the appellant, the assessor, and other county officials that is pertinent to the decision of the appeal. Upon the request of an appellant, the board shall subpoena witnesses or documents if there is a reasonable

basis for believing that the witnesses have or the documents contain information pertinent to the decision of the appeal.

d. On the basis of its decision after any hearing conducted under this subdivision (g)(2), the board shall adopt and have entered in its minutes an order reducing, increasing, or confirming the appraisal appealed or listing or removing from the tax lists the property whose omission or listing has been appealed. The board shall notify the appellant by mail as to the action taken on ~~his~~ the appeal not later than 30 days after the board's adjournment.

(3) Powers in Carrying Out Duties. -- In the performance of its duties under subdivisions (g)(1) and (g)(2), above, the board of equalization and review may exercise the following powers:

a. It may appoint committees composed of its own members or other persons to assist it in making investigations necessary to its work. It may also employ expert appraisers in its discretion. The expense of the employment of committees or appraisers shall be borne by the county. The board may, in its discretion, require the taxpayer to reimburse the county for the cost of any appraisal by experts demanded by ~~him~~ the taxpayer if the appraisal does not result in material reduction of the valuation of the property appraised and if the appraisal is not subsequently reduced materially by the board or by the Department of Revenue.

b. The board, in its discretion, may examine any witnesses and documents. It may place any witnesses under oath administered by any member of the board. It may subpoena witnesses or documents on its own motion, and it must do so when a request is made under the provisions of subdivision (g)(2)c, above.

A subpoena issued by the board shall be signed by the ~~chairman~~ chair of the board, directed to the witness or to the person having custody of the document, and served by an officer authorized to serve subpoenas. Any person who willfully fails to appear or to produce documents in response to a subpoena or to testify when appearing in response to a subpoena shall be guilty of a Class 1 misdemeanor.

(4) Power to Submit Reports. -- Upon the completion of its other duties, the board may submit to the Department of Revenue a report outlining the quality of the reappraisal, any problems it encountered in the reappraisal process, the number of appeals submitted to the board and to the Property Tax Commission, the success rate of the appeals submitted, and the name of the firm

that conducted the reappraisal. A copy of the report should be sent by the board to the firm that conducted the reappraisal.

(5) Duty to Appoint Motor Vehicle Review Subcommittee. -- The chair of the board of equalization and review shall appoint a subcommittee at the board's first meeting of the calendar year. The subcommittee shall hear and decide all appeals relating to the appraisal, situs, and taxability of classified motor vehicles under G.S. 105-330.2(b) and may meet as needed to exercise this authority. The subcommittee shall consist of three board members and three alternate members, which may include the alternate board members. Three members shall constitute a quorum for the purpose of transacting business. A decision of the subcommittee shall be made by a majority of the members.

(6) Power to Designate Reappraisal Year Panels. -- In any reappraisal year, the chair of the board of equalization and review may divide the board into separate panels consisting of three members, which may include the alternate board members. The chair shall designate one member of each panel to serve as its chair and may change the members of the panels during the year. Three members of each panel shall constitute a quorum for the purpose of transacting business. A decision of the panel shall be made by a majority of the members. A decision of a panel constitutes a decision of the board of equalization and review.

(7) Duty to Change Abstracts and Records After Adjournment. -- Following adjournment upon completion of its duties under subdivisions (g)(1) and (g)(2) of this section, the board shall continue to meet to carry out the following duties:

a. To hear and decide all appeals relating to discovered property under G.S. 105-312(d) and (k).

b. To hear and decide all appeals relating to the appraisal, situs, and taxability of classified motor vehicles under G.S. 105-330.2(b), as provided in subdivision (g)(5) of this section.

c. To hear and decide all appeals relating to audits conducted under G.S. 105-296(j) and (l) of property classified at present-use value and property exempted or excluded from taxation."

Section 2. Two of the initial five appointees to the special board of equalization and review shall be appointed to serve a one-year term.

Section 3. This act applies only to Lincoln County.

Section 4. This act is effective when it becomes law.

HOUSE BILL 1819*
Committee Substitute Favorable 6/14/00
Committee Substitute #2 Favorable 6/22/00

Short Title: Rural Redevelopment Authority. (Public)

Sponsors:

Referred to:

May 30, 2000

A BILL TO BE ENTITLED

AN ACT TO CREATE THE RURAL REDEVELOPMENT AUTHORITY TO FINANCE RURAL ECONOMIC DEVELOPMENT PROJECTS AND INVEST IN RURAL BUSINESS DEVELOPMENT.

The General Assembly of North Carolina enacts:

Section 1. Article 10 of Chapter 143B of the General Statutes is amended by adding a new Part to read:

"Part 2D. North Carolina Rural Redevelopment Authority.

"**§ 143B-437.20. Short title and intent.**

This Part is the 'North Carolina Rural Redevelopment Authority Act'. The purpose of the North Carolina Redevelopment Authority is to finance rural economic development projects and invest in rural business development.

"**§ 143B-437.21. Definitions.**

The following definitions apply in this Part:

(1) Authority. -- The North Carolina Rural Redevelopment Authority.

(2) Board. -- The Board of Directors of the Authority.

(3) Development project. -- Any investment that enables or makes more likely the location or expansion of industrial and commercial businesses in rural counties, which may include sites and industrial parks or centers, together with improvements, such as shell buildings and internal infrastructure.

(4) Financial institution. -- A business that is (i) a bank holding company, as defined in the Bank Holding Company Act of 1956, 12 U.S.C. §§ 1841, et seq., or its wholly owned subsidiary, (ii) registered as a broker-dealer under the Securities Exchange Act of 1934, 15 U.S.C. §§ 78a, et seq., or its wholly owned subsidiary, (iii) an investment company as defined in the Investment Company Act of 1940, 15 U.S.C. §§ 80a-1, et seq., whether or not it is required to register under that act, (iv) a small business investment company as defined in the Small Business Investment Act of 1958, 15 U.S.C. §§ 661, et seq., (v) a pension or profit-sharing fund or trust, or (vi) a bank, savings institution, trust company, financial services company, or insurance company. The term does not include, however, a business that does not generally market its services to the public and is controlled by a business that is not a financial institution.

(5) Intermediate-term loan. -- A loan whose term does not exceed three years.

(6) Regional partnership. -- Any of the following:

a. The Western North Carolina Regional Economic Development Commission created in G.S. 158-8.1.

b. The Northeastern North Carolina Regional Economic Development Commission created in G.S. 158-8.2.

c. The Southeastern North Carolina Regional Economic Development Commission created in G.S. 158-8.3.

d. The Global TransPark Development Commission created in G.S. 158-33.

e. The Carolinas Partnership, Inc.

f. The Research Triangle Regional Partnership.

g. The Piedmont Triad Partnership.

(7) Revenues. -- The receipts of the Authority during an accounting period, including interest and dividends on investments, realized capital gains, income from lending and consulting activities, rent or lease income, appropriations from the General Assembly, grants from the Golden L.E.A.F. (Long-term Economic Advancement Foundation), Inc., and grants and gifts from public and private entities to further the purposes of the Authority.

(8) Rural county. -- A county in North Carolina with a density of fewer than 200 people per square mile based on the most recent United States decennial census.

(9) Small business investment company. -- A small business investment company as defined in the Small Business Investment Act of 1958, 15 U.S.C. §§ 661, et seq.

"**§ 143B-437.22. Creation of Authority and Board.**

(a) Creation. -- The North Carolina Rural Redevelopment Authority is created as a body corporate and politic with the powers and jurisdiction as provided under this Part or any other law. The Authority is a State agency created to perform essential governmental and public functions. The Authority is located within the Department of Commerce, but exercises all of its powers, including the power to employ, direct, and supervise all personnel, independently of the Secretary of Commerce and, notwithstanding any other provision of law, is subject to the direction and supervision of the Secretary of Commerce only with respect to the management functions of coordinating and reporting.

(b) Board of Directors. -- The Authority is governed by a Board of Directors, which consists of the following nine members:

(1) Three members appointed by the Governor, two of whom must be representatives of financial institutions and one of whom must be an elected official representing a local government of or in a rural county.

(2) Two members appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives in accordance with G.S. 120-121, one of whom must be a representative of a regional partnership with a predominantly rural constituency and one of whom must be a representative of a financial institution.

(3) Two members appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate in accordance with G.S. 120-121, both of whom must be representatives of financial institutions.

(4) The Secretary of Commerce, who shall serve ex officio.

(5) The chief executive officer of the Authority.

(c) Oath. -- As the holder of an office, each member of the Board must take the oath required by Section 7 of Article VI of the North Carolina Constitution before assuming the duties of a Board member.

(d) Selection Criteria. -- In making appointments to the Board, the Governor and the General Assembly shall give consideration to the geographical representation of the State. In addition, members appointed representing financial institutions ideally would be experienced in areas such as commercial lending and commercial real estate lending, public finance, and economic development; work assignments or experiences in rural counties also would be desirable.

(e) Terms. -- The term of office of a member of the Board is three years, except that the Governor shall designate two of the initial members appointed under subdivision (b)(1) of this section to serve a term of one year, and the General Assembly shall designate one of the initial members appointed under subdivision (b)(2) of this section and one of the initial members appointed under subdivision (b)(3) of this section to serve a term of two years. The term of office for the chief executive officer of the Authority shall coincide with the officer's employment by the Board.

(f) Chair and Vice-Chair of the Board. -- The Governor shall designate one of the members appointed by the Governor as the Chair of the Board. The Governor shall convene the first meeting of the Board, at which time the members of the Board shall elect from their membership a Vice-Chair of the Board.

(g) Vacancies. -- All members of the Board shall remain in office until their successors are appointed and qualify. A vacancy in an appointment made by the Governor shall be filled by the Governor for the remainder of the unexpired term. A vacancy in an appointment made by the General Assembly shall be filled in accordance with G.S. 120-122. A person appointed to fill a vacancy must qualify in the same manner as a person appointed for a full term.

(h) Removal of Board Members. -- The Governor may remove any member of the Board for misfeasance, malfeasance, or nonfeasance in accordance with G.S. 143B-13(d). The Governor or the person who appointed a member of the Board may remove the member for using improper influence in accordance with G.S. 143B-13(c).

(i) Organization of the Board. -- The Board shall adopt bylaws with respect to the calling of meetings, quorums, voting procedures, the keeping of records, and other organizational and administrative matters as the Board may determine. A quorum shall consist of a majority of the members of the Board. No vacancy in the membership of the Board shall impair the right of a quorum to exercise all rights and to perform all the duties of the Board and the Authority.

(j) Compensation of the Board. -- No part of the revenues or assets of the Authority shall inure to the benefit of or be distributable to the members of the Board or officers or other private persons. The members of the Board other than the chief executive officer shall receive no salary for their services but may receive per diem and allowances in accordance with G.S. 138-5.

(k) Treasurer. -- The Board shall select the Authority's treasurer. The Board shall require a surety bond of the appointee in the amount as the Board may fix, and the premium shall be paid by the Authority as a necessary expense of the Authority.

(l) Chief Executive Officer and Other Employees. -- The Board shall appoint a full-time professional chief executive officer, whose salary shall be fixed by the Board, to serve at its pleasure. The chief executive officer or a person designated by the chief executive officer shall appoint, employ, dismiss, and, within the limits of available funding, fix the compensation of other employees as considered necessary.

(m) Office. -- The Board shall establish an office for the transaction of the Authority's business at the place the Board finds advisable or necessary to implement the provisions of this Part.

"**§ 143B-437.23. Powers of the Authority.**

(a) The Authority has all of the powers necessary to execute the provisions of this Part, including at least the following powers:

(1) The powers of a corporate body, including the power to sue and be sued, to make contracts, to adopt and use a common seal, and to alter the adopted seal as needed.

(2) To finance the purchase of real or personal property.

(3) To contract and enter into agreements with the State, local governments, other authorities of North Carolina, and other states for the interchange of business.

(4) To create and operate agencies and departments needed to implement this Part.

(5) To pay all necessary costs and expenses in the formation, organization, administration, and operation of the Authority.

(6) To apply for, accept, and administer grants of money from any federal agency, from the State or its political subdivisions, or from any other public or private sources available, and to expend the money in accordance with the requirements imposed by the donor.

(7) To adopt, alter, or repeal its own bylaws or rules implementing the provisions of this Part.

(8) To execute financing agreements, security documents, and other instruments necessary in exercising its power under this Part.

(9) To fix, charge, collect, pledge, or assign revenues of the Authority.

(10) To employ consulting engineers, architects, attorneys, real estate counselors, appraisers, and other consultants and employees as may be required in the judgment of the Board and to fix and pay their compensation from funds available to the Authority.

(11) To provide consulting and advisory services to government entities and to private, nonprofit entities.

(12) To procure and maintain adequate insurance or otherwise provide for adequate protection to indemnify the Authority and its officers, directors, agents, employees, adjoining property owners, or the general public against loss or liability resulting from any act or omission by or on behalf of the Authority.

(13) To exercise the powers granted counties and cities under G.S. 158-7.1(a).

(14) With the approval of any unit of local government, to use officers, employees, agents, and facilities of the unit of local government for the purposes and upon the terms as may be mutually agreeable.

(15) To receive and use appropriations from the State, including an appropriation from the proceeds of State general obligation bonds or notes.

(16) To create and administer the Rural Investment Fund and the Long-Term Rural Development Fund, as provided in this Part.

(17) To invest in securities of a small business investment company or in a limited partnership interest in a partnership that invests principally in companies in rural counties.

(18) To act as a regranting agency for government grants specifically designated for that purpose.

(b) To execute the powers provided in subsection (a) of this section, the Board shall determine the policies of the Authority by majority vote of the members of the

Board present and voting, a quorum having been established. Once a policy is determined, the Board shall communicate it to the chief executive officer, who has the exclusive authority to execute the policy of the Authority. No member of the Board is authorized to give operational directives to any employee of the Authority other than the chief executive officer.

(c) The Authority does not have the power of eminent domain or the power to levy any tax.

"**§ 143B-437.24:** Reserved.

"**§ 143B-437.25:** Reserved.

"**§ 143B-437.26. Authority funds.**

Funds of the Authority may be paid out only upon warrants signed by the treasurer or assistant treasurer of the Authority and countersigned by the Chair, the acting Chair, or the chief executive officer. No warrants may be drawn or issued disbursing any of the funds of the Authority except for a purpose authorized by this Part and unless the account or expenditure has been audited and approved by the Authority or its chief executive officer.

"**§ 143B-437.27. Rural Investment Fund.**

The Authority may create a revolving loan fund to be called the Rural Investment Fund. The Authority shall use monies in the Investment Fund only to make intermediate-term loans to government entities and to private, nonprofit entities for self-liquidating projects, such as shell buildings, in rural counties. The Authority shall adopt rules establishing interest rates, maximum loans, security requirements, eligibility standards, application procedures, award criteria, and award schedules, and otherwise providing for the administration of the Investment Fund. The Authority shall give priority to applications from regional partnerships.

"**§ 143B-437.28. Long-Term Rural Development Fund.**

(a) The Authority may create a fund to be known as the Long-Term Rural Development Fund. The Authority may invest and reinvest the assets of the Development Fund.

(b) The income derived from the investment or deposit of the Development Fund shall be used for the following purposes:

(1) To pay the administrative expenses of the Authority.

(2) To make intermediate-term loans and longer-term loans to government entities and to private, nonprofit entities for self-liquidating projects, such as shell buildings, in rural counties.

(3) To provide for the development of property for industrial sites and industrial parks in rural counties, including any of the following:

a. Providing water, sewer, gas, or electrical distribution lines or equipment for an industrial site or industrial park.

b. Providing road or railroad improvements for an industrial site or industrial park.

c. Providing fiber optic or coaxial cable, towers, and other infrastructure items to accommodate high-speed Internet access.

d. Providing air or water pollution control facilities.

(c) The Authority shall adopt rules establishing interest rates, maximum loans, security requirements, eligibility standards, application procedures, award criteria, and award schedules, and otherwise providing for the administration of the Development Fund. The Authority shall give priority to applications from regional partnerships.

"§ 143B-437.29. Contracting with minority businesses.

The Authority must comply with the policies regarding contracting with minority businesses as set out in G.S. 143-48, 143-128(f), and 143-135.5 and with any other applicable laws. The Authority is subject to Executive Order Number 150, issued April 20, 1999, regarding contracting with historically underutilized businesses.

"§ 143B-437.30. Conflicts of interest.

If any member, officer, or employee of the Authority is interested either directly or indirectly, or is an officer or employee of or has an ownership interest in any firm or corporation, not including units of local government, interested directly or indirectly, in any contract with the Authority, the member, officer, or employee must disclose the interest to the Board, which must set forth the disclosure in the minutes of the Board. The member, officer, or employee having an interest may not participate on behalf of the Authority in the authorization of any contract.

"§ 143B-437.31. Cooperation by other State agencies.

All State officers and agencies shall cooperate and may render services where appropriate to the Authority within their respective functions as may be requested by the Authority.

"§ 143B-437.32. Annual and quarterly reports.

The Authority must, promptly following the close of each fiscal year, submit an annual report of its activities for the preceding year to the Governor and the General Assembly. Each report must be accompanied by an audit of its books and accounts. The audit must be conducted by the State Auditor. The costs of all audits shall be paid from funds of the Authority.

Each annual report must be accompanied by data indicating the geographical distribution of development projects funded directly or indirectly by the Authority. Every three years, the Authority shall provide to the Governor and to the General Assembly an analysis of the data for the previous three-year period showing the extent to which the funding of development projects has been distributed among the rural counties of every geographical region in an equitable manner.

The Authority must submit quarterly reports to the Joint Legislative Commission on Governmental Operations. The reports must summarize the Authority's activities during the quarter and contain any information about the Authority's activities that is requested by the Commission.

"§ 143B-437.33. Dissolution.

Whenever the Board by resolution determines that the purposes for which the Authority was formed have been substantially fulfilled and that all obligations incurred by the Authority have been fully paid or satisfied, the Board may declare the Authority dissolved. On the effective date of the resolution, the title to all funds

and other property owned by the Authority at the time of the dissolution vests in the State and possession of the funds and other property must be delivered to the State."

Section 2. G.S. 120-123 is amended by adding a new subdivision to read:

"(70) The North Carolina Rural Redevelopment Authority created in Part 2D of Article 10 of Chapter 143B of the General Statutes."

Section 3. G.S. 126-5(c1) is amended by adding a new subdivision to read:

"(18) Employees of the North Carolina Rural Redevelopment Authority created in Part 2D of Article 10 of Chapter 143B of the General Statutes."

Section 4. G.S. 150B-21.1 is amended by adding a new subsection to read:

"(a7) Notwithstanding the provisions of subdivision (a)(2) of this section, an agency may adopt a temporary rule to implement the provisions of any of the following acts until all rules necessary to implement the provisions of the act have become effective as either temporary or permanent rules:

(1) Reserved.

(2) The North Carolina Rural Redevelopment Authority Act, Part 2D of Article 10 of Chapter 143B of the General Statutes."

Section 5. G.S. 150B-21.1(a7)(2), as enacted by Section 4 of this act, is repealed effective July 1, 2002.

Section 6. G.S. 66-58(b) is amended by adding a new subdivision to read:

"(21) The North Carolina Rural Redevelopment Authority or a lessee of the Authority."

Section 7. This act becomes effective July 1, 2000.

HOUSE BILL 1819:
Rural Redevelopment Authority Funds

BILL ANALYSIS

Committee: Senate Finance
Date: June 28, 2000
Version: Third Edition

Introduced by: Representative Tolson
Summary by: Kory Goldsmith, Staff Attorney, Karen Cochrane Brown, Committee Co-Counsel

SUMMARY:

HB 1819 creates the North Carolina Rural Redevelopment Authority to provide financing for rural economic development projects and to invest in rural business development. This proposal comes as a recommendation of the Rural Prosperity Task Force.

BILL ANALYSIS:

Section 1. - The bill adds a new Article 10 to Chapter 143B of the General Statutes.

G.S. 143B-437.20 – States the title of the act and sets-out the purpose of the Rural Redevelopment Authority.

G.S. 143B-437.21 – Provides definitions applicable to the act. A "**development project**" is an investment that enables or increases the possibility that an industrial expansion or location will occur in a rural county, including improvements such as shell buildings and internal infrastructure. An "**intermediate-term loan**" is a loan whose term does not exceed 3 years. A "**rural county**" is a county in North Carolina with a density of fewer than 200 people per square mile based on the most recent U.S. decennial census.

G.S. 143B-437.22 – Creates the Authority and the Board. The Authority is a body corporate and politic, and a State agency created to perform essential governmental and public functions. It is located in the Department of Commerce, but exercises its powers independently of the Secretary of Commerce. The Board of Directors is composed of 9 members.

- 3 appointed by the Governor – two must be representatives of financial institutions, one must be an elected official representing a local government in a rural county.
- 2 appointed by the House upon the recommendation of the Speaker – one must be a representative of a predominantly rural regional partnership and one must be representative of a financial institution.
- 2 appointed by the Senate upon the recommendation of the President Pro Tempore – both must be representatives of financial institutions.
- The Secretary of Commerce.
- The chief executive officer of the Authority.

Members serve 3-year terms except the chief executive officer's term coincides with his or her appointment by the Board. The authority that made the appointment fills vacancies. The Governor appoints one of the members as the Chair, and the Board elects a Vice-Chair.

G.S. 143B-437.23 – The Authority has the power to sue and be sued; contract with State and local governments; create and operate agencies and departments; pay necessary costs and expenses; apply for and administer grants; adopt and/or repeal bylaws; execute financing agreements; to employ professional consultants; to provide consulting and advisory services; to purchase insurance; to exercise the powers of local development provided to counties and cities under G.S. 158-7.1; to create and invest the monies of the Rural Investment Fund and the Long-Term Rural Development Fund; to invest in securities of a small business investment company; to act as a regranting agency.

G.S. 143B-437.26 – Funds of the Authority may only be paid upon warrants signed by the treasurer and counter signed by the Chair or the chief executive officer.

G.S. 143B-437.27 – Creates the Rural Investment Fund to be used to make intermediate-term loans to government entities and to private, nonprofit entities for self-liquidating projects. The Authority establishes the terms of the loans and shall give priority to applications from regional partnerships.

G.S. 143B-437.28 – Creates the Long-Term Rural Development Fund. The Authority shall invest the assets of the Development Fund and use the income from those investments to pay its administrative expenses, to make intermediate and long-term loans. The Authority establishes the terms of the loans and shall give priority to applications from regional partnerships.

G.S. 143B-437.29 – The Authority shall comply with existing laws and Executive Orders regarding minority businesses and historically under utilized businesses.

G.S. 143B-437.30 – Any member of the Board or officer or employee of the Authority who has a direct or indirect interest in firm or contract with the Authority shall disclose the interest and not participate on behalf of the Authority in the authorization of that contract.

G.S. 143B-437.31 – Other State agencies shall cooperate with the Authority.

G.S. 143B-437.32 – The Authority shall issue annual and quarterly reports to the General Assembly.

G.S. 143B-437.33 – Sets-out the provisions for dissolution of the Authority

Section 2. – Amends G.S. 120-123 to prohibit the appointment of members of the Legislature to the Board.

Section 3. – Amends G.S. 126-5(c1) to make the employees of the Authority exempt from the State Personnel Act.

Section 4. – Extends the amount of time during which the Authority may adopt temporary rules.

Section 5 – Sunsets, effective July 1, 2002, the temporary rule-making authority in Section 4.

Section 6 – Exempts the Authority and its lessees from the Umstead Act.

The Act becomes effective July 1, 2000.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Rural Development Authority, Department of Commerce.

EFFECTIVE DATE: July 1, 2000.

BILL SUMMARY: The bill creates the North Carolina Rural Redevelopment Authority. The purpose of the Authority is defined as financing " rural economic development projects and invest in rural business development". The bill outlines the structure, powers, and reporting requirements of the Authority and their governing board. It also defines the terms "development project", "rural county", and "intermediate-term loan". The legislation creates the Rural Investment and Long-term Rural Development Funds to make loans and investments. All property owned by the Authority is exempt from taxation.

ASSUMPTIONS AND METHODOLOGY: The bill has no direct fiscal impact on the state budget. An earlier version of the bill included an appropriation of $250,000 for the authority. That provision was removed from later editions of the bill, and the appropriated amount was moved into both the House and Senate Budgets (Senate Appropriations Committee Report page

H7, Item 25, House Appropriations Committee Report page H6 Item 23). However, a special provision in the budget places the $250,000 in a reserve. The special provision stipulates that the money is only available if H.B. 1819, S.B. 1516, or a substantially similar bill creating the North Carolina Rural Development Authority becomes law.

The bill could have a small fiscal impact on selected counties as it exempts Authority property from taxation. However, because the potential amount and location Authority property is unknown no fiscal estimate of the loss is possible.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1999

H 2

HOUSE BILL 1624
Committee Substitute Favorable 6/5/00

Short Title: Streamlined Sales Tax System. (Public)

Sponsors:

Referred to:

May 18, 2000

A BILL TO BE ENTITLED

AN ACT TO IMPLEMENT THE RECOMMENDATION OF THE NATIONAL GOVERNORS' ASSOCIATION FOR A STREAMLINED SALES TAX COLLECTION SYSTEM AND TO OTHERWISE IMPROVE COLLECTION.

The General Assembly of North Carolina enacts:

Section 1. Article 5 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"§ 105-164.27. Direct pay certificate.

(a) Requirements. -- A person who purchases tangible personal property whose tax status cannot be determined at the time of the purchase because of one of the reasons listed below may apply to the Secretary for a direct pay certificate:

(1) The place of business where the property will be used is not known at the time of the purchase and a different tax consequence applies depending on where the property is used.

(2) The manner in which the property will be used is not known at the time of the purchase and one or more of the potential uses is taxable but others are not taxable.

(b) Procedure. -- An application for a direct pay certificate must be made on a form provided by the Secretary and contain the information required by the Secretary. The Secretary may grant the application if the Secretary finds that the applicant complies with the sales and use tax laws and that the applicant's compliance burden will be greatly reduced by use of the certificate.

(c) Effect. -- A direct pay certificate authorizes its holder to purchase any tangible personal property without paying tax to the seller and authorizes the seller to not collect any tax on a sale to the certificate holder. A person who purchases tangible personal property under a direct pay certificate is liable for use tax due on the purchase. The tax is payable when the property is placed in use. A direct pay certificate does not apply to taxes imposed under G.S. 105-164.4(a)(1f) or G.S. 105-164.4(a)(4a).

(d) Revocation. -- A direct pay certificate is valid until the holder returns it to the Secretary or it is revoked by the Secretary. The Secretary may revoke a direct pay certificate if the holder of the certificate does not file a sales and use tax return on time, does not pay sales and use on time, or otherwise fails to comply with the sales and use tax laws."

Section 2. Article 5 of Chapter 105 of the General Statutes is amended by adding the following new sections to read:

"**§ 105-164.43A. Certification of tax collector software and tax collector.**

(a) Software. -- The Secretary may certify a software program as a certified sales tax collection program if the Secretary determines that the program correctly determines all of the following and that the software can generate reports and returns required by the Secretary:

(1) The applicable combined State and local sales and use tax rate for a sale, based on a ship-to address.

(2) Whether or not an item is exempt from tax, based on a uniform product code or another method.

(3) Whether or not an exemption certificate offered by a purchaser is a valid certificate, based on the Department's registry of holders of exemption certificates.

(4) The amount of tax to be remitted for each taxpayer for a reporting period.

(5) Any other issue necessary for the application or calculation of sales and use tax due.

(b) Tax Collector. -- The Secretary may certify an entity as a Certified Sales Tax Collector if the entity meets all of the following requirements:

(1) The entity uses a certified sales tax collection program.

(2) The entity has agreed to update its program upon notification by the Secretary.

(3) The entity integrates its certified sales tax collection program with the system of a retailer for whom the entity collects tax so that the tax due on a sale is determined at the time of the sale.

(4) The entity remits the taxes it collects at the time and in the manner specified by the Secretary.

(5) The entity agrees to file sales and use tax returns on behalf of the retailers for whom it collects tax.

(6) The entity enters into a contract with the Secretary and agrees to comply with all the conditions of the contract.

"§ 105-164.43B. Contract with Certified Sales Tax Collector.

The Secretary may contract with a Certified Sales Tax Collector for the collection and remittance of sales and use taxes. The amount a Certified Sales Tax Collector charges under the contract is a cost of collecting the tax and is payable from the amount collected.

"§ 105-164.43C. Effect of contract.

(a) Retailer. -- A retailer may contract with a Certified Sales Tax Collector to collect and remit sales and use taxes payable to the State on sales made by the retailer. A retailer who contracts with a Certified Sales Tax Collector is not subject to audit by the State on the transactions it processes using the Collector's certified sales tax collection program. A retailer is subject to audit for transactions not processed by the Certified Sales Tax Collector.

The Department may review a retailer's procedures to determine if the certified sales tax collection program is functioning properly. A retailer who contracts with a Certified Sales Tax Collector is not liable for taxes due on sales processed using the program unless the retailer misrepresented the product it sells. A contract with a Certified Sales Tax Collector is not a factor in determining whether a person has nexus with this State for payment of any tax.

(b) Collector. -- A Certified Sales Tax Collector is the agent of a seller who contracts with the Certified Sales Tax Collector for collection and remittance of sales and use taxes payable to this State. As the seller's agent, the Certified Sales Tax Collector is liable for sales tax due on all sales transactions processed by the Certified Sales Tax Collector unless the seller misrepresented the type of property sold."

Section 3. G.S. 105-88(d) reads as rewritten:

"(d) A loan made by a person who does not comply with this section is not collectible at law ~~in the courts of this State in any case where the person making the loan has failed to pay the tax levied in this section or otherwise failed to comply with the provisions of this section.~~ under G.S. 105-269.13."

Section 4. G.S. 105-164.6A(b)(1) reads as rewritten:

"(b) Mandatory Provisions. -- The agreements must contain the following provisions:

(1) ~~The customer may elect to pay the use tax directly to the Secretary in accordance with law rather than to the seller.~~ The seller is not liable for use tax not paid to it by a customer."

Section 5. G.S. 105-164.13 is amended by adding a new subdivision to read:

"§ 105-164.13. Retail sales and use tax.

The sale at retail, the use, storage or consumption in this State of the following tangible personal property is specifically exempted from the tax imposed by this Article:

...

(16a) Tangible personal property sold to a person in the State but delivered to a person in another state."

....

Section 6. G.S. 105-164.28 reads as rewritten:

"**§ 105-164.28. Certificate of resale.**

(a) Seller's Responsibility. -- A seller who accepts a certificate of resale from a purchaser of tangible personal property has the burden of proving that the sale was not a retail sale unless all of the following conditions are met:

(1) ~~The seller acted in good faith in accepting the certificate of resale.~~ For a sale made in person, the certificate is signed by the purchaser, states the purchaser's name, address, and registration number, and describes the type of tangible personal property generally sold by the purchaser in the regular course of business.

(2) ~~The certificate is in the form required by the Secretary.~~ For a sale made in person, the purchaser is engaged in the business of selling tangible personal property of the type sold.

(3) ~~The certificate is signed by the purchaser, states the purchaser's name, address, and registration number, and describes the type of tangible personal property generally sold by the purchaser in the regular course of business.~~ For a sale made over the Internet or by other remote means, the sales tax registration number given by the purchaser matches the number on the Department's registry.

~~(4) The purchaser is licensed under this Article or under the law of another taxing jurisdiction.~~

~~(5) The purchaser is engaged in the business of selling tangible personal property of the type sold.~~

(b) Liabilities. -- A purchaser who does not resell property purchased under a certificate of resale is liable for any tax subsequently determined to be due on the sale. A seller of property sold under a certificate of resale is jointly liable with the purchaser of the property for any tax subsequently determined to be due on the sale only if the Secretary proves that the sale was a retail sale."

Section 7. G.S. 105-236(5a) reads as rewritten:

"(5a) Misuse of Exemption ~~Certificate of Resale.~~ Certificate. -- For misuse of ~~a certificate of resale~~ an exemption certificate by a purchaser, the Secretary shall assess a penalty equal to two hundred fifty dollars ($250.00). An exemption certificate is a certificate issued by the Secretary that authorizes a retailer to sell tangible personal property to the holder of the certificate and either collect tax at a preferential rate or not collect tax on the sale. Examples of an exemption certificate include a certificate of resale, a direct pay certificate, and a farmer's certificate."

Section 8. G.S. 105-259(b) is amended by adding a new subdivision to read:

"(b) Disclosure Prohibited. -- An officer, an employee, or an agent of the State who has access to tax information in the course of service to or employment by the State may not disclose the information to any other person unless the disclosure is made for one of the following purposes:

. . .

(25) To provide public access to a database containing the names of retailers who are registered to collect sales and use taxes under Article 5 of this Chapter."

Section 9. Article 9 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-269.13. Debts not collectible under North Carolina law.**

(a) Debts Not Collectible. -- The following debts are not collectible and are not subject to execution under Article 28 of Chapter 1 of the General Statutes or any other provision of law:

(1) A loan made by a person who does not comply with G.S. 105-88.

(2) A debt owed to a retailer described in subsection (b) of this section as the result of the purchase of tangible personal property.

(b) Retailer. -- A debt owed to a retailer is subject to this section if all of the following applies to the retailer:

(1) The retailer meets one or more of the conditions in G.S. 105-164.8(b).

(2) The retailer is not registered to collect the use tax due under Article 5 of this Chapter on its sales delivered to an address in North Carolina.

(3) The retailer reported gross sales of at least five million dollars ($5,000,000) on its most recent federal income tax return."

Section 10. G.S. 105-269.14 is repealed.

Section 11. G.S. 105-164.16(d) reads as rewritten:

"(d) Use Tax on Out-of-State Purchases. -- ~~Use tax payable by~~ Notwithstanding subsection (b), an individual who purchases tangible personal property outside the State for a nonbusiness purpose ~~is due~~ shall file a use tax return on an annual basis. ~~For an individual who is not required to file an individual income tax return under Part 2 of Article 4 of this Chapter, the~~ The annual reporting period ends on the last day of the calendar ~~year and a use tax return is due by the following April 15. For an individual who is required to file an individual income tax return, the annual reporting period ends on the last day of the individual's income tax year, and the use tax must be paid on the income tax return as provided in G.S. 105-269.14.~~ year. The return is due by the due date, including any approved extensions, for filing the individual's income tax return."

Section 12. G.S. 105-466(c) reads as rewritten:

"(c) Collection of the tax, and liability therefor, shall begin and continue only on and after the first day of ~~a calendar month~~ the month of either January or July, as set by the board of county commissioners in the resolution levying the ~~tax, which shall in no case be~~ tax. In no event may the tax be imposed, or the tax rate changed, earlier than the first day of the second succeeding calendar month after the date of the adoption of the resolution. The county must give the Secretary at least 90 days advance notice of a new tax levy or tax rate change."

Section 13. Chapter 1096 of the 1967 Session Laws is amended by adding a new section to read:

"Section 10.3. Mecklenburg County must give the Secretary of Revenue at least 90 days advance notice of any tax rate change under this act. Any tax rate change under this act must become effective on the first day of the month of either January or July, as set by the board of county commissioners in the resolution levying the tax."

Section 14. G.S. 20-7(b1) reads as rewritten:

"(b1) Application. -- To obtain a drivers license from the Division, a person must complete an application form provided by the Division, present at least two forms of identification approved by the Commissioner, be a resident of this State, and demonstrate his or her physical and mental ability to drive safely a motor vehicle included in the class of license for which the person has applied. The Division may copy the identification presented or hold it for a brief period of time to verify its authenticity. To obtain an endorsement, a person must demonstrate his or her physical and mental ability to drive safely the type of motor vehicle for which the endorsement is required.

The application form must request all of the following ~~information:~~ information, and it must contain the disclosures concerning the request for an applicant's social security number required by section 7 of the federal Privacy Act of 1974, Pub. L. No. 93-579:

(1) The applicant's full name.
(2) The applicant's mailing address and residence address.
(3) A physical description of the applicant, including the applicant's sex, height, eye color, and hair color.
(4) The applicant's date of birth.
(5) The applicant's social security number. The Division shall not issue a license to an applicant who fails to provide the applicant's social security number. ~~The applicant's social security number shall not be printed on the license and may be released only to the Department of Health and Human Services, Child Support Enforcement Program, upon its request and for the purpose of establishing paternity or child support, or enforcing a child support order.~~
(6) The applicant's signature.

~~The application form must also contain the disclosures concerning the request for an applicant's social security number required by section 7 of the federal Privacy Act of 1974, Pub. L. No. 93-579.~~

(b2) Disclosure of Social Security Number. -- The social security number of an applicant is not a public record. The Division may not disclose an applicant's social security number except as allowed under federal law. A violation of the disclosure restrictions is punishable as provided in 42 U.S.C. § 408, and amendments to that law.

In accordance with 42 U.S.C. 405 and 42 U.S.C. 666, and amendments thereto, the Division may disclose a social security number obtained under ~~this subsection~~ subsection (b1) of this section only as follows:

(1) ~~for~~ For the purpose of administering the drivers license ~~laws or to~~ laws.

(2) To the Department of Health and Human Services, Child Support Enforcement Program for the purpose of ~~assist the State Child Support Enforcement Program in~~ establishing paternity or ~~establishing~~ child support or enforcing a child support order. ~~and may not disclose the social security number for any other purpose. The social security number of an applicant for a license or of a licensed driver is therefore not a public record. A violation of the disclosure restrictions is punishable as provided in 42 U.S.C. 408, and amendments thereto.~~

(3) To the Department of Revenue for the purpose of verifying taxpayer identity."

Section 15. G.S. 20-7(n)(7) reads as rewritten:

"(n) Format. -- A drivers license issued by the Division must be tamperproof and must contain all of the following information:

. . .

(7) ~~The license holder's social security number or another~~ An identifying number for the license holder assigned by the Division. The identifying number may not be the license holder's social security number."

. . . .

Section 16. Section 5.(a) of Chapter 341 of the 1999 Session Laws reads as rewritten:

"Section 5.(a) The Secretary of Revenue shall contract during the 1999-2001 fiscal biennium for the collection of delinquent tax debts owed by nonresidents and foreign entities. To implement this section, the Secretary may draw funds for the 1999-2000 fiscal year from net collections that would otherwise be credited to the General Fund under G.S. 105-269.14, enacted by Section 2 of this act. For the 2000-2001 fiscal year, the Secretary may retain the costs of implementing this section from the amounts collected pursuant to the contracts authorized by this section. The Secretary of Revenue shall report annually to the Revenue Laws Study Committee on its collections pursuant to this contract during the biennium."

Section 17. Section 6 of Chapter 341 of the 1999 Session Laws reads as rewritten:

"Section 6. The Department of Revenue shall conduct a study to identify and evaluate proposals for more efficient collection of taxes, including using electronic commerce and other technology to increase efficiency. The study shall include an analysis of the most efficient tax collection methods used in other states. The State Controller shall cooperate with the Department of Revenue in this study. The Department shall report the results of its study, including findings, recommendations,

and estimated revenue gains of each recommendation, to the Revenue Laws Study Committee by May 1, 2000. To implement this section, the Secretary of Revenue may draw up to fifty thousand dollars ($50,000) for the 1999-2000 fiscal year from net collections that would otherwise be credited to the General Fund under G.S. 105-269.14, enacted by Section 2 of this act. To implement the recommendations of this study, the Secretary may enter into a performance based contract and may draw up to five hundred thousand dollars ($500,000) for the 2000-2001 fiscal year from the revenue collected pursuant to Section 5 of this act to obtain assistance in developing a request for proposal for the performance based contract."

Section 18. Section 7 of this act becomes effective January 1, 2001. Sections 10 and 11 of this act become effective for taxable years beginning on or after January 1, 2003. The remainder of this act is effective when it becomes law.

FISCAL ANALYSIS MEMORANDUM

DATE: June 27, 2000

TO: House Finance Committee
FROM: Dave Crotts
Fiscal Research Division
RE: HB 1624 (With Senate Finance Amendment)
Streamlined Sales Tax System

FISCAL IMPACT

Yes (x) **No ( )** **No Estimate Available (x)**

GENERAL FUND REVENUE (STATE AND LOCAL): See "Assumptions and Methodology" section.
PRINCIPAL DEPARTMENT AFFECTED: The sales and use tax is collected by the Department of Revenue.
EFFECTIVE DATE: The sales tax exemption certificate provision becomes effective January 1, 2001. The remainder of the bill becomes effective when it becomes law.

ISSUE BACKGROUND: The objective of the proposal is to assist in the implementation of a system to simplify and streamline the sales and use tax collection system for remote and in-state retailers. This would be accomplished by shifting sales tax administration to a technology-oriented business model where the primary responsibility for calculating, collecting, reporting, and remitting the use tax lies with a "Certified Sales Tax Collector" instead of the remote retailer. The State would reimburse the Collector for the costs of integrating the system with a vendor's system and for operating the system. The costs of the system would be funded from the receipts collected and could be recovered through a flat transaction fee, a percentage rate, or some combination.

To participate in the program the Collector must use a certified software program to determine the state and local tax due on a transaction. The participating retailer will not be subject to state audit on the transactions it processes using the Collector's software. Finally, a contract with a Collector is not a factor in establishing nexus for state tax purposes.
EXPLANATION OF PROPOSAL: (1) Eliminates the "good faith" requirement when accepting an exemption certificate from a purchaser on a sale made over the Internet or by other remote means.

(2) Codifies a long-standing practice of the Department of Revenue to issue "direct pay certificates" to a person who is unsure how the property purchased should be taxed at the time of the acquisition.

(3) Provides that the penalty for misusing an exemption certificate applies not only to a resale certificate but also to a direct pay certificate and a farmer's certificate.

(4) Establishes a uniform sourcing rule that calculates tax due based on a "ship-to address".

(5) Provides that the customer of a retailer who takes part in the new system must pay the sa and use tax on the item purchased.

(6) Provides that local sales tax rate changes may be made no more than twice a year and at least 90 days notice must be given to the Department before a rate change can be made.

(7) Prohibits the use of state courts in North Carolina for debts owed to a retailer who is required to collect use tax for the State on a mail-order transaction but refuses to do so. The provision would apply only to retailers who report gross sales of at least $5 million on the most recent federal income tax return.

(8) Allows the Division of Motor Vehicles to disclose a social security number to the Department of Revenue for the purpose of verifying a taxpayer's identification.

(9) Provides funding for contracts for the collection of delinquent tax debts owed by nonresidents and foreign entities. Funds are provided by allowing the Secretary of Revenue to apply the amounts collected under the contract to the cost of the contract.

(10) Allows the Secretary of Revenue to retain as much as needed to develop a request for proposal for a more automated tax collection system. The earmarking shall come from the amounts derived during the 2000-01 fiscal year from the collection of delinquent debts owed by nonresidents and foreign entities.

(11) Requires certified sales tax collector to be bonded or have an irrevocable letter of credit in an amount set by the Secretary of Revenue.

(12) Provides that Department of Revenue may audit a retailer participating in steamlined sales tax system in the case of fraud.

ASSUMPTIONS AND METHODOLOGY: The provisions in the proposal represent implementation steps to achieving the objective of a simplified system of collecting sales and use taxes from remote and in-state retailers. Over the long-term a number of other actions will need to take place in North Carolina and other states to simplify the sales and use tax. Some examples include the development of common product definitions, local tax rate uniformity (numerous rates in other states), product return policies under the new system, joint audit procedures, and state/local tax exemption consistency. Thus, the current proposal is just the first step in a lengthy process.

A recent study by the Center for Business and Economic Research at the University of Tennessee estimates that by calendar year 2003 the incremental state and local revenue loss on e-commerce transactions would be $238 million. If the current revenue losses on catalog sales and e-commerce purchases are included, the maximum state and local revenue gain from the full implementation of the new system would be over $400 million by 2003.

AMENDMENT TO HB 1624: Streamline Sales Tax System
H1624-ARB-6.24

The Committee raised several concerns when this bill was before it last Wednesday. This amendment addresses those concerns:

- **Bonding of Certified Sales Tax Collector: Sen. Harris raised this concern. The amendment would require a certified sales tax collector to have a bond or an irrevocable letter of credit in an amount set by the Secretary. The language is very similar to the bonding requirements for persons licensed as motor fuel distributors. PAGE 1, LINES 1 – 6 OF THE AMENDMENT**

- **Gifts: Sen. Rand raised this concern. The amendment clarifies that sales tax is owed when property is shipped to a person outside this State but is subsequently used in this State by the purchaser. PAGE 1, LINES 11 – 23 OF THE AMENDMENT**

- **Assignment of debt: Sen. Soles raised this concern. The amendment clarifies that the limitations on using the State's courts to collect a debt apply equally to a person to whom the debt is assigned. PAGE 1, LINE 25 – PAGE 2, LINE 3**

- **Money for RFP: Sen. Rand raised this concern. The amendment removes the $500,000 figure from the bill and provides that the department may retain the amount needed to obtain the assistance necessary to develop the RFP for its performance-based contract. This is the way Marvin Dorman suggested handling this concern. PAGE 2, LINES 5 - 10**

- **Limit scope of audit: The Department raised this concern. It clarifies that the Department may audit a retailer who participates in the streamline sales tax system if the retailer is fraudulent. PAGE 1, LINES 8 AND 9**

"Section 17.1. G.S. 105-164.3(15) reads as rewritten:

'**§ 105-164.3. Definitions.**

The following definitions apply in this Article, except when the context clearly indicates a different meaning:

...

(15) Sale or selling. -- The transfer of title or possession of tangible personal property, conditional or otherwise, in any manner or by any means whatsoever, for a consideration paid or to be paid. When the consumer is physically present in the retailer's place of business when the tangible personal property is purchased, the transfer of title and possession of tangible personal property is deemed to have occurred at that time, regardless of whether the property is subsequently delivered to an address outside this State.

The term includes the fabrication of tangible personal property for consumers by persons engaged in business who furnish either directly or indirectly the materials used in the fabrication work. The term also includes the furnishing or preparing for a consideration of any tangible personal property consumed on the premises of the person furnishing or preparing the property or consumed at the place at which the property is furnished or prepared. The term also includes a transaction in which the possession of the property is transferred but the seller retains

title or security for the payment of the consideration.

If a retailer engaged in the business of selling prepared food and drink for immediate or on-premises consumption also gives prepared food or drink to its patrons or employees free of charge, for the purposes of this Article the property given away is considered sold along with the property sold. If a retailer gives an item of inventory to a customer free of charge on the condition that the customer purchase similar or related property, the item given away is considered sold along with the item sold. In all other cases, property given away or used by any retailer or wholesale merchant is not considered sold, whether or not the retailer or wholesale merchant recovers its cost of the property from sales of other property.'".

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1999

H D

HOUSE BILL 1624
Committee Substitute Favorable 6/5/00
Proposed Committee Substitute H1624-PCS5114-RB

Short Title: Streamlined Sales Tax System. (Public)

Sponsors:

Referred to:

May 18, 2000

A BILL TO BE ENTITLED

AN ACT TO IMPLEMENT THE RECOMMENDATION OF THE NATIONAL GOVERNORS' ASSOCIATION FOR A STREAMLINED SALES TAX COLLECTION SYSTEM AND TO OTHERWISE IMPROVE COLLECTION.

The General Assembly of North Carolina enacts:

Section 1. Article 5 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-164.27. Direct pay certificate.**

(a) Requirements. -- A person who purchases tangible personal property whose tax status cannot be determined at the time of the purchase because of one of the reasons listed below may apply to the Secretary for a direct pay certificate:

(1) The place of business where the property will be used is not known at the time of the purchase and a different tax consequence applies depending on where the property is used.

(2) The manner in which the property will be used is not known at the time of the purchase and one or more of the potential uses is taxable but others are not taxable.

(b) Procedure. -- An application for a direct pay certificate must be made on a form provided by the Secretary and contain the information required by the Secretary. The Secretary may grant the application if the Secretary finds that the applicant complies with the sales and use tax laws and that the applicant's compliance burden will be greatly reduced by use of the certificate.

(c) Effect. -- A direct pay certificate authorizes its holder to purchase any tangible personal property without paying tax to the seller and authorizes the seller to not collect any tax on a sale to the certificate holder. A person who purchases tangible personal property under a direct pay certificate is liable for use tax due on the purchase. The tax is payable when the property is placed in use. A direct pay certificate does not apply to taxes imposed under G.S. 105-164.4(a)(1f) or G.S. 105-164.4(a)(4a).

(d) Revocation. -- A direct pay certificate is valid until the holder returns it to the Secretary or it is revoked by the Secretary. The Secretary may revoke a direct pay certificate if the holder of the certificate does not file a sales and use tax return on time, does not pay sales and use on time, or otherwise fails to comply with the sales and use tax laws."

Section 2. Article 5 of Chapter 105 of the General Statutes is amended by adding the following new sections to read:

"**§ 105-164.43A. Certification of tax collector software and tax collector.**

(a) Software. -- The Secretary may certify a software program as a certified sales tax collection program if the Secretary determines that the program correctly determines all of the following and that the software can generate reports and returns required by the Secretary:

(1) The applicable combined State and local sales and use tax rate for a sale, based on a ship-to address.

(2) Whether or not an item is exempt from tax, based on a uniform product code or another method.

(3) Whether or not an exemption certificate offered by a purchaser is a valid certificate, based on the Department's registry of holders of exemption certificates.

(4) The amount of tax to be remitted for each taxpayer for a reporting period.

(5) Any other issue necessary for the application or calculation of sales and use tax due.

(b) Tax Collector. -- The Secretary may certify an entity as a Certified Sales Tax Collector if the entity meets all of the following requirements:

(1) The entity uses a certified sales tax collection program.

(2) The entity has agreed to update its program upon notification by the Secretary.

(3) The entity integrates its certified sales tax collection program with the system of a retailer for whom the entity collects tax so that the tax due on a sale is determined at the time of the sale.

(4) The entity remits the taxes it collects at the time and in the manner specified by the Secretary.

(5) The entity agrees to file sales and use tax returns on behalf of the retailers for whom it collects tax.

(6) The entity enters into a contract with the Secretary and agrees to comply with all the conditions of the contract.

"**§ 105-164.43B. Contract with Certified Sales Tax Collector.**

The Secretary may contract with a Certified Sales Tax Collector for the collection and remittance of sales and use taxes. A Certified Sales Tax Collector must file with the Secretary a bond or an irrevocable letter of credit in the amount set by the Secretary. A bond must be conditioned upon compliance with the contract, be payable to the State, and be in the form required by the Secretary. The amount a Certified Sales Tax Collector charges under the contract is a cost of collecting the tax and is payable from the amount collected.

"**§ 105-164.43C. Effect of contract.**

(a) Retailer. -- A retailer may contract with a Certified Sales Tax Collector to collect and remit sales and use taxes payable to the State on sales made by the retailer. In the absence of fraud, a retailer who contracts with a Certified Sales Tax Collector is not subject to audit by the State on the transactions it processes using the Collector's certified sales tax collection program. A retailer is subject to audit for transactions not processed by the Certified Sales Tax Collector.

The Department may review a retailer's procedures to determine if the certified sales tax collection program is functioning properly. A retailer who contracts with a Certified Sales Tax Collector is not liable for taxes due on sales processed using the program unless the retailer misrepresented the product it sells. A contract with a Certified Sales Tax Collector is not a factor in determining whether a person has nexus with this State for payment of any tax.

(b) Collector. -- A Certified Sales Tax Collector is the agent of a seller who contracts with the Certified Sales Tax Collector for collection and remittance of sales and use taxes payable to this State. As the seller's agent, the Certified Sales Tax Collector is liable for sales tax due on all sales transactions processed by the Certified Sales Tax Collector unless the seller misrepresented the type of property sold."

Section 3. G.S. 105-88(d) reads as rewritten:

"(d) A loan made by a person who does not comply with this section is not collectible at law ~~in the courts of this State in any case where the person making the loan has failed to pay the tax levied in this section or otherwise failed to comply with the provisions of this section.~~ under G.S. 105-269.13."

Section 4. G.S. 105-164.6A(b)(1) reads as rewritten:

"(b) Mandatory Provisions. -- The agreements must contain the following provisions:

(1) ~~The customer may elect to pay the use tax directly to the Secretary in accordance with law rather than to the seller.~~ The seller is not liable for use tax not paid to it by a customer."

Section 5. G.S. 105-164.13(14a) is recodified as G.S. 105-164.13(33a) and reads as rewritten:

"(33a) ~~Printed material which is sold by a printer~~ Tangible personal property sold by a retailer to a purchaser within or without this State, when ~~such printed material~~ the property is delivered in this State to a common carrier or to the United States Postal Service for delivery to the purchaser or the purchaser's designees outside

this ~~State, if~~ State and the purchaser does not ~~thereafter~~ subsequently use the ~~printed material~~ property in this State."

Section 6. G.S. 105-164.28 reads as rewritten:

"**§ 105-164.28. Certificate of resale.**

(a) Seller's Responsibility. -- A seller who accepts a certificate of resale from a purchaser of tangible personal property has the burden of proving that the sale was not a retail sale unless all of the following conditions are met:

(1) ~~The seller acted in good faith in accepting the certificate of resale.~~ For a sale made in person, the certificate is signed by the purchaser, states the purchaser's name, address, and registration number, and describes the type of tangible personal property generally sold by the purchaser in the regular course of business.

(2) ~~The certificate is in the form required by the Secretary.~~ For a sale made in person, the purchaser is engaged in the business of selling tangible personal property of the type sold.

(3) ~~The certificate is signed by the purchaser, states the purchaser's name, address, and registration number, and describes the type of tangible personal property generally sold by the purchaser in the regular course of business.~~ For a sale made over the Internet or by other remote means, the sales tax registration number given by the purchaser matches the number on the Department's registry.

~~(4) The purchaser is licensed under this Article or under the law of another taxing jurisdiction.~~

~~(5) The purchaser is engaged in the business of selling tangible personal property of the type sold.~~

(b) Liabilities. -- A purchaser who does not resell property purchased under a certificate of resale is liable for any tax subsequently determined to be due on the sale. A seller of property sold under a certificate of resale is jointly liable with the purchaser of the property for any tax subsequently determined to be due on the sale only if the Secretary proves that the sale was a retail sale."

Section 7. G.S. 105-236(5a) reads as rewritten:

"(5a) Misuse of Exemption ~~Certificate of Resale.~~ Certificate. -- For misuse of ~~a certificate of resale~~ an exemption certificate by a purchaser, the Secretary shall assess a penalty equal to two hundred fifty dollars ($250.00). An exemption certificate is a certificate issued by the Secretary that authorizes a retailer to sell tangible personal property to the holder of the certificate and either collect tax at a preferential rate or not collect tax on the sale. Examples of an exemption certificate include a certificate of resale, a direct pay certificate, and a farmer's certificate."

Section 8. G.S. 105-259(b) is amended by adding a new subdivision to read:

"(b) Disclosure Prohibited. -- An officer, an employee, or an agent of the State who has access to tax information in the course of service to or employment by the

State may not disclose the information to any other person unless the disclosure is made for one of the following purposes:

. . .

(25) To provide public access to a database containing the names of retailers who are registered to collect sales and use taxes under Article 5 of this Chapter."

Section 9. Article 9 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-269.13. Debts not collectible under North Carolina law.**

(a) Debts Not Collectible. -- The following debts are not collectible and are not subject to execution under Article 28 of Chapter 1 of the General Statutes or any other provision of law:

(1) A loan made by a person who does not comply with G.S. 105-88.

(2) A debt owed to a retailer described in subsection (b) of this section as the result of the purchase of tangible personal property.

(b) Retailer. -- A debt owed to a retailer is subject to this section if all of the following applies to the retailer:

(1) The retailer meets one or more of the conditions in G.S. 105-164.8(b).

(2) The retailer is not registered to collect the use tax due under Article 5 of this Chapter on its sales delivered to an address in North Carolina.

(3) The retailer reported gross sales of at least five million dollars ($5,000,000) on its most recent federal income tax return.

(c) Assignment. -- An assignment to a person of a debt listed in subsection (a) of this section is subject to the collection restrictions imposed by this section."

Section 10. G.S. 105-269.14 is repealed.

Section 11. G.S. 105-164.16(d) reads as rewritten:

"(d) Use Tax on Out-of-State Purchases. -- ~~Use tax payable by~~ Notwithstanding subsection (b), an individual who purchases tangible personal property outside the State for a nonbusiness purpose ~~is due~~ shall file a use tax return on an annual basis. ~~For an individual who is not required to file an individual income tax return under Part 2 of Article 4 of this Chapter, the~~ The annual reporting period ends on the last day of the calendar ~~year and a use tax return is due by the following April 15. For an individual who is required to file an individual income tax return, the annual reporting period ends on the last day of the individual's income tax year, and the use tax must be paid on the income tax return as provided in G.S. 105-269.14.~~ year. The return is due by the due date, including any approved extensions, for filing the individual's income tax return."

Section 12. G.S. 105-466(c) reads as rewritten:

"(c) Collection of the tax, and liability therefor, shall begin and continue only on and after the first day of ~~a calendar month~~ the month of either January or July, as set by the board of county commissioners in the resolution levying the ~~tax,which shall in no case be~~ tax. In no event may the tax be imposed, or the tax rate changed, earlier

than the first day of the second succeeding calendar month after the date of the adoption of the resolution. The county must give the Secretary at least 90 days advance notice of a new tax levy or tax rate change."

Section 13. Chapter 1096 of the 1967 Session Laws is amended by adding a new section to read:

"Section 10.3. Mecklenburg County must give the Secretary of Revenue at least 90 days advance notice of any tax rate change under this act. Any tax rate change under this act must become effective on the first day of the month of either January or July, as set by the board of county commissioners in the resolution levying the tax."

Section 14. G.S. 20-7(b1) reads as rewritten:

"(b1) Application. -- To obtain a drivers license from the Division, a person must complete an application form provided by the Division, present at least two forms of identification approved by the Commissioner, be a resident of this State, and demonstrate his or her physical and mental ability to drive safely a motor vehicle included in the class of license for which the person has applied. The Division may copy the identification presented or hold it for a brief period of time to verify its authenticity. To obtain an endorsement, a person must demonstrate his or her physical and mental ability to drive safely the type of motor vehicle for which the endorsement is required.

The application form must request all of the following ~~information:~~ information, and it must contain the disclosures concerning the request for an applicant's social security number required by section 7 of the federal Privacy Act of 1974, Pub. L. No. 93-579:

(1) The applicant's full name.

(2) The applicant's mailing address and residence address.

(3) A physical description of the applicant, including the applicant's sex, height, eye color, and hair color.

(4) The applicant's date of birth.

(5) The applicant's social security number. The Division shall not issue a license to an applicant who fails to provide the applicant's social security number. ~~The applicant's social security number shall not be printed on the license and may be released only to the Department of Health and Human Services, Child Support Enforcement Program, upon its request and for the purpose of establishing paternity or child support, or enforcing a child support order.~~

(6) The applicant's signature.

~~The application form must also contain the disclosures concerning the request for an applicant's social security number required by section 7 of the federal Privacy Act of 1974, Pub. L. No. 93-579.~~

(b2) Disclosure of Social Security Number. -- The social security number of an applicant is not a public record. The Division may not disclose an applicant's social security number except as allowed under federal law. A violation of the disclosure

restrictions is punishable as provided in 42 U.S.C. § 408, and amendments to that law.

In accordance with 42 U.S.C. 405 and 42 U.S.C. 666, and amendments thereto, the Division may disclose a social security number obtained under ~~this subsection~~ subsection (b1) of this section only as follows:

(1) ~~for~~ For the purpose of administering the drivers license ~~laws or to~~ laws.

(2) To the Department of Health and Human Services, Child Support Enforcement Program for the purpose of ~~assist the State Child Support Enforcement Program in~~ establishing paternity or ~~establishing~~ child support or enforcing a child support order. ~~and may not disclose the social security number for any other purpose. The social security number of an applicant for a license or of a licensed driver is therefore not a public record. A violation of the disclosure restrictions is punishable as provided in 42 U.S.C. 408, and amendments thereto.~~

(3) To the Department of Revenue for the purpose of verifying taxpayer identity."

Section 15. G.S. 20-7(n)(7) reads as rewritten:

"(n) Format. -- A drivers license issued by the Division must be tamperproof and must contain all of the following information:

. . .

(7) ~~The license holder's social security number or another~~ An identifying number for the license holder assigned by the Division. The identifying number may not be the license holder's social security number."

. . . .

Section 16. Section 5.(a) of Chapter 341 of the 1999 Session Laws reads as rewritten:

"Section 5.(a) The Secretary of Revenue shall contract during the 1999-2001 fiscal biennium for the collection of delinquent tax debts owed by nonresidents and foreign entities. To implement this section, the Secretary may draw funds for the 1999-2000 fiscal year from net collections that would otherwise be credited to the General Fund under G.S. 105-269.14, enacted by Section 2 of this act. For the 2000-2001 fiscal year, the Secretary may retain the costs of implementing this section from the amounts collected pursuant to the contracts authorized by this section. The Secretary of Revenue shall report annually to the Revenue Laws Study Committee on its collections pursuant to this contract during the biennium."

Section 17. Section 6 of Chapter 341 of the 1999 Session Laws reads as rewritten:

"Section 6. The Department of Revenue shall conduct a study to identify and evaluate proposals for more efficient collection of taxes, including using electronic commerce and other technology to increase efficiency. The study shall include an analysis of the most efficient tax collection methods used in other states. The State

Controller shall cooperate with the Department of Revenue in this study. The Department shall report the results of its study, including findings, recommendations, and estimated revenue gains of each recommendation, to the Revenue Laws Study Committee by May 1, 2000. To implement this section, the Secretary of Revenue may draw up to fifty thousand dollars ($50,000) for the 1999-2000 fiscal year from net collections that would otherwise be credited to the General Fund under G.S. 105-269.14, enacted by Section 2 of this act. To implement the recommendations of this study, the Secretary may enter into a performance-based contract and may withhold from the revenue collected pursuant to Section 5 of this act the amount needed to obtain assistance in developing a request for proposal for the performance-based contract."

Section 18. Section 7 of this act becomes effective January 1, 2001. Sections 10 and 11 of this act become effective for taxable years beginning on or after January 1, 2003. The remainder of this act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO REMOVE THE SPECIAL TAX TREATMENT FOR CERTAIN EQUIPMENT AND FACILITIES FOR RECYCLING, WASTE REDUCTION, OR RESOURCE RECOVERY WHEN ACQUIRED MORE THAN TWO YEARS PRIOR TO THE DATE OF APPLICATION FOR CERTIFICATION BY THE DEPARTMENT OF ENVIRONMENT AND NATURAL RESOURCES AND TO LIMIT TO THREE YEARS THE CERTIFICATION FOR SPECIAL TAX TREATMENT FOR CERTAIN REAL PROPERTY USED FOR RECYCLING, WASTE REDUCTION, OR RESOURCE RECOVERY.

The General Assembly of North Carolina enacts:

Section 1. G.S. 130A-294(a)(3) reads as rewritten:

"(3) Develop and adopt rules to establish standards for qualification as a 'recycling, reduction or resource recovering facility' or as 'recycling, reduction or resource recovering equipment' for the purpose of special tax classifications or treatment, and to certify as qualifying those applicants which meet the established standards. The standards shall be developed to qualify only those facilities and equipment exclusively used in the actual waste recycling, reduction or resource recovering process and shall exclude any incidental or supportive facilities and ~~equipment;~~ equipment. The following limitations apply to an applicant that is not a large recycling facility or a major recycling facility, qualified under G.S. 105-129.26:

a. Facilities or equipment acquired by the applicant or a related person more than two years before the date application is made for certification under this subdivision shall not be certified as qualifying for special tax classification or treatment under this subdivision.

b. A certificate that qualifies real property for special tax classification or treatment under this subdivision is limited to three years after the date the certificate is issued and shall not be renewed or reissued for that applicant or a related person.

For purposes of this subdivision, 'related person' means a related person as determined under section 267(b) or 707(b) of the Internal Revenue Code."

Section 2. This act is effective for taxes imposed for taxable years beginning on or after July 1, 2000.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1999

H D

HOUSE BILL 1290
Committee Substitute Favorable 6/24/99
Proposed Senate Committee Substitute H1290-PCS2447-SC001

Short Title: Revenue Laws Clarifying Changes. (Public)

Sponsors:

Referred to:

April 19, 1999

A BILL TO BE ENTITLED

AN ACT TO IMPROVE THE ADMINISTRATION OF THE TAX LAWS BY MAKING CLARIFYING AND CONFORMING CHANGES TO THE REVENUE AND RELATED LAWS.

The General Assembly of North Carolina enacts:

Section 1.(a) Section 10.2(3) of Chapter 13 of the Session Laws of the 1996 Second Extra Session, as amended by Section 1 of S.L. 1999-360, reads as rewritten:

"(3) Quality jobs and business expansion tax credits. -- Sections 3.5, 3.6, and 3.8 through 3.10 of Part III of this act become effective August 1, 1996. G.S. 105-129.11, as enacted by Part III of this act, becomes effective for taxable years beginning on or after January 1, 1997, and applies to training expenditures made on or after July 1, 1997. The remainder of Part III of this act is effective for taxable years beginning on or after January 1, 1996, and applies to jobs created on or after August 1, 1996, and property placed in service on or after August 1, 1996. Article 3A of Chapter 105 of the General Statutes is repealed ~~effective for applications for credits filed under G.S. 105-129.6 on or after January 1, 2006. G.S. 105-129.16 is repealed effective for business property placed in service on or after January 1, 2002. The remainder of~~ as provided in that Article. Article 3B of Chapter 105 of the General Statutes is

repealed ~~effective for buildings to which federal credits are allocated on or after January 1, 2006.~~ as provided in that Article. "

Section 1.(b) Section 4 of S.L. 1997-277, as amended by Section 18.1 of S.L. 1999-360, is recodified as G.S. 105-129.2A(b), (c), and (d).

Section 1.(c) G.S. 105-129.2A, as enacted by this act, reads as rewritten:

"**§ 105-129.2A. Sunset; studies.**

(a) Sunset. -- This Article is repealed effective for applications for credits filed under G.S. 105-129.6 on or after January 1, 2006.

(b) Equity Study. -- The Department of Commerce shall study the effect of the tax incentives provided in ~~the William S. Lee Quality Jobs and Business Expansion Act, codified as Article 3A of Chapter 105 of the General Statutes,~~ this Article on tax equity. This study shall include the following:

(1) Reexamining the formula in G.S. 105-129.3(b) used to define enterprise tiers, to include consideration of alternative measures for more equitable treatment of counties in similar economic circumstances.

(2) Considering whether the assignment of tiers and the applicable thresholds are equitable for smaller counties, for example those under 50,000 in population.

(3) Compiling any available data on whether expanding North Carolina businesses receive fewer benefits than out-of-State businesses that locate to North Carolina.

(c) Impact Study. -- The Department of Commerce shall study the effectiveness of the tax incentives provided in ~~the William S. Lee Quality Jobs and Business Expansion Act, codified as Article 3A of Chapter 105 of the General Statutes.~~ this Article. This study shall include:

(1) Study of the distribution of tax incentives across new and expanding industries.

(2) Examination of data on economic recruitment for the period 1994 through 2000 by county, by industry type, by size of investment, and by number of jobs, and other relevant information to determine the pattern of business locations and expansions before and after the enactment of the William S. Lee Act incentives.

(3) Measuring the direct costs and benefits of the tax incentives.

(4) Compiling available information on the current use of incentives by other states and whether that use is increasing or declining.

(d) Report. -- The Department of Commerce shall report the results of these studies and its recommendations to the 2001 General Assembly by April 1, 2001."

Section 1.(d) Article 3B of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-129.15A. Sunset.**

G.S. 105-129.16 is repealed effective for business property placed in service on or after January 1, 2002. The remainder of this Article is repealed effective January 1, 2006. The repeal of G.S. 105-129.16A applies to renewable energy property placed in

service on or after January 1, 2006. The repeal of G.S. 105-129.16B applies to buildings to which federal credits are allocated on or after January 1, 2006."

Section 2. Effective July 1, 2000, G.S. 105-88(e) reads as rewritten:

"(e) Counties, cities, and towns may levy a license tax on the business taxed under this ~~section not in excess of~~ section. Except as provided in G.S. 160A-211 and G.S. 153A-152, the tax may not exceed one hundred dollars ($100.00)."

Section 3. G.S. 105-113.82 reads as rewritten:

"**§ 105-113.82. Distribution of part of beer and wine taxes.**

(a) Amount, Method. -- The Secretary shall distribute annually the following percentages of the net amount of excise taxes collected on the sale of malt beverages and wine during the preceding 12-month period ending March 31, less the amount of the net proceeds credited to the Department of Agriculture and Consumer Services under G.S. 105-113.81A, to the counties and cities in which the retail sale of these beverages is ~~authorized.~~ authorized in the entire county or city:

(1) Of the tax on malt beverages levied under G.S. 105-113.80(a), twenty-three and three-fourths percent (23 3/4%);

(2) Of the tax on unfortified wine levied under G.S. 105-113.80(b), sixty-two percent (62%); and

(3) Of the tax on fortified wine levied under G.S. 105-113.80(b), twenty-two percent (22%).

If malt beverages, unfortified wine, or fortified wine may be licensed to be sold at retail in both a county and a city located in the county, both the county and city shall receive a portion of the amount distributed, that portion to be determined on the basis of population. If one of these beverages may be licensed to be sold at retail in a city located in a county in which the sale of the beverage is otherwise prohibited, only the city shall receive a portion of the amount distributed, that portion to be determined on the basis of population. The amounts distributed under subdivisions (1), (2), and (3) shall be computed separately.

~~(b) Reduction in Amount Distributed. -- Where the sale of malt beverages, unfortified wine, or fortified wine is prohibited in a defined area of a city or county in which the sale of the beverage is authorized, the amount that would otherwise be distributed to the city or county on the basis of population under subsection (a) shall be reduced in the same ratio that the area of the defined area bears to the total area of the city or county, unless the defined area is a city. If the defined area in a county is a city, the reduction in the amount that would otherwise be distributed to the county under subsection (a) shall be based on population instead of area.~~

(c) Exception. -- Notwithstanding subsection (a), in a county in which ABC stores have been established by petition, the revenue shall be distributed as though the entire county had approved the retail sale of a beverage whose retail sale is authorized in part of the county.

(d) Time. -- The revenue shall be distributed to cities and counties within 60 days after March 31 of each year.

(e) Population Estimates. -- To determine the population of a city or county for purposes of the distribution required by this section, the Secretary shall use the most recent annual estimate of population certified by the State Planning Officer.

(f) City Defined. -- As used in this section, the term "city" means a city as defined in G.S. 153A-1(1) or an urban service district defined by the governing body of a consolidated city-county.

(g) Use of Funds. -- Funds distributed to a county or city under this section may be used for any public purpose.

(h) Disqualification. -- No municipality may receive any funds under this section if it was incorporated with an effective date of on or after January 1, 2000, and is disqualified from receiving funds under G.S. 136-41.2. No municipality may receive any funds under this section, incorporated with an effective date on or after January 1, 2000, unless a majority of the mileage of its streets are open to the public. The previous sentence becomes effective with respect to distribution of funds on or after July 1, 1999."

Section 4. G.S. 105-119 and G.S. 105-120.1 are repealed.

Section 5. G.S. 105-114 reads as rewritten:

"**§ 105-114. Nature of taxes; definitions.**

(a) Nature of Taxes. -- The taxes levied in this Article upon persons and partnerships are for the privilege of engaging in business or doing the act named.

(a1) Scope. -- The taxes levied in this Article upon corporations are privilege or excise taxes levied upon:

(1) Corporations organized under the laws of this State for the existence of the corporate rights and privileges granted by their charters, and the enjoyment, under the protection of the laws of this State, of the powers, rights, privileges and immunities derived from the State by the form of such existence; and

(2) Corporations not organized under the laws of this State for doing business in this State and for the benefit and protection which these corporations receive from the government and laws of this State in doing business in this State.

~~If~~

(a2) Condition for Doing Business. -- If the corporation is organized under the laws of this State, the payment of the taxes levied by this Article ~~shall be~~ is a condition precedent to the right to continue in the corporate form of ~~organization; and if~~ organization. If the corporation is not organized under the laws of this State, payment of these taxes ~~shall be~~ is a condition precedent to the right to continue to engage in doing business in this State.

(a3) Tax Year. -- The taxes levied in this Article are for the fiscal year of the State in which the taxes become ~~due;~~ due, except that the taxes levied in G.S. 105-122 are for the income year of the corporation in which the taxes become due.

~~G.S. 105-122~~

(a4) No Double Taxation. -- G.S. 105-122 does not apply to ~~street transportation systems taxed under G.S. 105-120.1 or~~ holding companies taxed under G.S. 105-120.2.

G.S. 105-122 applies to a corporation taxed under another section of this Article only to the extent the taxes levied on the corporation in G.S. 105-122 exceed the taxes levied on the corporation in other sections of this Article.

(b) Definitions. -- The following definitions apply in this Article:

(1) City. -- Defined in G.S. 105-228.90.

(1a) Code. -- Defined in G.S. 105-228.90.

(2) Corporation. -- A domestic corporation, a foreign corporation, an electric membership corporation organized under Chapter 117 of the General Statutes or doing business in this State, or an association that is organized for pecuniary gain, has capital stock represented by shares, whether with or without par value, and has privileges not possessed by individuals or partnerships. The term includes a mutual or capital stock savings and loan association or building and loan association chartered under the laws of any state or of the United States. The term does not include a limited liability company.

(3) Doing business. -- Each and every act, power, or privilege exercised or enjoyed in this State, as an incident to, or by virtue of the powers and privileges granted by the laws of this State.

(4) Income year. -- Defined in G.S. 105-130.2(5)."

Section 6. G.S. 105-164.3(8a) reads as rewritten:

"(8a) 'Manufactured home' means a structure that is designed to be used as a dwelling and is manufactured in accordance with the specifications for manufactured homes issued by the United States Department of Housing and Urban Development. ~~and:~~

~~a. Is built on a permanent chassis;~~

~~b. Is transportable in one or more sections;~~

~~c. When transported, is at least eight feet wide or forty feet long; and~~

~~d. When erected on a site, has at least 320 square feet.~~"

Section 7.(a) G.S. 105-187.1 is amended by adding a new subdivision to read:

"(3a) Retailer. -- A retailer as defined in G.S. 105-164.3 who is engaged in the business of selling, leasing, or renting motor vehicles."

Section 7.(b) G.S. 105-187.5(a) reads as rewritten:

"(a) Election. -- A retailer ~~who is engaged in the business of leasing or renting motor vehicles~~ may elect not to pay the tax imposed by this Article at the rate set in G.S. 105-187.3 when applying for a certificate of title for a motor vehicle purchased by the retailer for lease or rental. A retailer who makes this election shall pay a tax on the gross receipts of the lease or rental of the vehicle. Like the tax imposed by G.S. 105-187.3, this alternate tax is a tax on the privilege of using the highways of this State. The tax is imposed on a retailer, but is to be added to the lease or rental price of a motor vehicle and thereby be paid by the person who leases or rents the vehicle."

Section 7.(c) G.S. 20-4.01(5) reads as rewritten:

"(5) Dealer. -- Every person engaged in the business of buying, selling, distributing, or exchanging motor vehicles, ~~trailers~~ trailers, or semitrailers in this State, and having an established place of business in this ~~State and being subject to the tax levied by G.S. 105-89.~~ State.

The terms 'motor vehicle dealer,' 'new motor vehicle dealer,' and 'used motor vehicle dealer' ~~shall~~ as used in Article 12 of this Chapter have the meaning set forth in G.S. 20-286."

Section 8. G.S. 105-259(b)(15) reads as rewritten:

"(b) Disclosure Prohibited. -- An officer, an employee, or an agent of the State who has access to tax information in the course of service to or employment by the State may not disclose the information to any other person unless the disclosure is made for one of the following purposes:

. . .

(15) To exchange information concerning a tax imposed by Articles 2A, 2C, or 2D of this Chapter with one of the following agencies when the information is needed to fulfill a duty imposed on the Department or the agency:

a. The North Carolina Alcoholic Beverage Control Commission.

b. The Division of Alcohol Law Enforcement of the Department of Crime Control and Public Safety.

c. The Bureau of Alcohol, Tobacco, and Firearms of the United States Treasury Department.

d. Law enforcement agencies.

e. The Division of Adult Probation and Parole of the Department of Correction."

Section 9. G.S. 105-449.44 reads as rewritten:

"§ 105-449.44. How to determine the amount of fuel used in the State; presumption of amount used.

(a) Calculation. -- The amount of motor fuel or alternative fuel a motor carrier ~~carries~~ uses in its operations in this State for a reporting period is the ratio of the number of miles the motor carrier travels in this State during that period to the total number of miles the motor carrier travels inside and outside this State during that period, multiplied by the total amount of fuel the motor carrier uses in its operations inside and outside the State during that period.

(b) Presumption. -- The Secretary ~~shall~~ must check reports filed under this Article against the weigh station records and other records of the Division of Motor Vehicles of the Department of Transportation concerning motor carriers to determine if motor carriers that are operating in this State are filing the reports required by this Article. The Department may assess a motor carrier for the amount payable based on the presumed mileage. A motor carrier that does either of the following for a quarter is

presumed to have traveled in this State during that quarter the number of miles equal to 10 trips of 450 miles each for each of the motor carrier's vehicles:

(1) Fails to file a report for the quarter and the records of the Division indicate the carrier operated in this State during the quarter.

(2) Files a report for the quarter that, based on the records of the Division, understates by at least twenty-five percent (25%) the carrier's mileage in this State for the quarter.

(c) Vehicles. -- The number of vehicles of a motor carrier that is registered under this Article is the number of identification markers issued to the carrier. The number of vehicles of a carrier that is not registered under this Article is the number of vehicles registered by the motor carrier in the carrier's base state under the International Registration Plan. ~~The Department shall assess a motor carrier for the amount payable based on the presumed mileage.~~"

Section 10.(a) Effective July 1, 2000, G.S. 105-449.60(31) and (40) read as rewritten:

"**§ 105-449.60. Definitions.**

The following definitions apply in this Article:

. . .

(31) Supplier. -- Any of the following:

a. A position holder or a person who receives motor fuel pursuant to a two-party ~~transaction.~~ exchange.

b. A fuel alcohol provider.

. . .

(40) Two-party ~~transaction.~~ exchange. -- A transaction in which motor fuel is transferred ~~between two licensed suppliers as the motor fuel crosses the terminal rack as the result of an exchange agreement or a sale between the suppliers that requires the supplier that is the position holder~~ from one licensed supplier to another licensed supplier pursuant to an exchange agreement under which the supplier that is the position holder agrees to deliver motor fuel to the other supplier or the other supplier's customer at the rack of the terminal at which the delivering supplier is the position holder."

Section 10.(b) Effective July 1, 2000, G.S. 105-449.88 is amended by adding a new subdivision to read:

"**§ 105-449.88. Exemptions from the excise tax.**

The excise tax on motor fuel does not apply to the following:

. . .

(1a) Motor fuel removed by transport truck from a terminal for export if the motor fuel is removed by a licensed distributor or licensed exporter, the supplier that is the position holder for the motor fuel sells the motor fuel to another supplier as the motor fuel crosses the terminal rack, the purchasing supplier or its customer receives the motor fuel at the terminal rack for export, and the supplier

that is the position holder collects tax on the motor fuel at the rate of the motor fuel's destination state."

Section 11.(a) G.S. 105-449.60(41) reads as rewritten:

"**§ 105-449.60. Definitions.**

The following definitions apply in this Article:

. . .

(41) User. -- A person who owns or operates a licensed highway vehicle that has a registered gross vehicle weight of at last 10,001 pounds and who ~~and~~ does not maintain storage facilities for motor fuel."

Section 11.(b) G.S. 105-449.68 reads as rewritten:

"**§ 105-449.68. Restrictions on who can get a license as a distributor.**

A bulk-end user of motor fuel may not be licensed as a distributor unless the bulk-end user also acquires motor fuel from a supplier or from another distributor for subsequent sale. This restriction does not apply to a bulk-end user that was licensed as a distributor on January 1, 1996. If a distributor license held by a bulk-end user on January 1, 1996, is subsequently cancelled, the bulk-end user is subject to the restriction set in this section."

Section 11.(c) G.S. 105-449.97(c) reads as rewritten:

"(c) Percentage Discount. -- A supplier that sells motor fuel directly to an unlicensed distributor or to the bulk-end user, the retailer, or the user of the fuel may take the same percentage discount on the fuel that a licensed distributor may take under G.S. 105-449.93(b) when making deferred payments of tax to the supplier."

Section 12. G.S. 105-449.88(1) reads as rewritten:

"**§ 105-449.88. Exemptions from the excise tax.**

The excise tax on motor fuel does not apply to the following:

(1) Motor fuel removed, by transport truck or another means of transfer outside the terminal transfer system, from a terminal for export, if the motor fuel is removed by a licensed distributor or a licensed exporter and the supplier of the motor fuel collects tax on it at the rate of the motor fuel's destination state."

Section 13. The catch line of G.S. 105-449.105 reads as rewritten:

"**§ 105-449.105. Refunds upon application for tax paid on exempt fuel, lost fuel, and fuel unsalable for highway ~~use, and undyed diesel fuel used in boats.~~ use.**"

Section 14. G.S. 105-449.121(b)(2) reads as rewritten:

"(b) Inspection. -- The Secretary or a person designated by the Secretary may do any of the following to determine tax liability under this Article:

. . .

(2) Audit a ~~distributor~~ distributor, a retailer, a bulk-end user, or a motor fuel user that is not licensed under this Article."

Section 15.(a) G.S. 62A-5(d) reads as rewritten:

"(d) Any taxes due on 911 service provided by the service supplier will be billed to the local government subscribing to that service. ~~State and local taxes do not apply to 911 charges billed to subscribers under this Article.~~"

Section 15.(b) G.S. 105-120(c1) reads as rewritten:

"(c1) ~~Enhanced 911~~ Service ~~Charge.~~ Charges. -- Gross receipts of an entity that provides local telecommunications service do not include 911 charges imposed under G.S. 62A-5 and remitted to a local government under G.S. 62A-6, or wireless Enhanced 911 service charges imposed under G.S. 62A-23 and remitted to the Wireless Fund under G.S. 62A-24."

Section 15.(c) G.S. 105-130.5(b)(17) reads as rewritten:

"(17) The amount of 911 charges collected under G.S. 62A-5 and remitted to a local government under G.S. 62A-6, and the amount of wireless Enhanced 911 service charges collected under G.S. 62A-23 and remitted to the Wireless Fund under G.S. 62A-24."

Section 16. Except as otherwise provided in this act, this act is effective when it becomes law.

HOUSE BILL 1290 (PCS): Revenue Laws Clarifying Changes

BILL ANALYSIS

Committee: Senate Finance
Date: June 28, 2000
Version: PCS for 2nd ed.
(H1290-PCSSCX-001(6.27))

Introduced by: Representative Luebke
Summary by: Cindy Avrette, Staff Atty.
Mary Shuping, Rsch. Asst.

SUMMARY: ***The Proposed Committee Substitute for HB 1290 incorporates numerous changes to the revenue and related laws which were originally included in HB 1575. These changes were recommended by the Revenue Laws Study Committee. A section-by-section analysis of the bill is found in the table below.***

SECTION	*EXPLANATION*
1	Reorganizes the sunsets for the William S. Lee Act and the General Business Credits Act, so that the sunset language will be codified within each Act. Also codifies the William S. Lee study provisions with the sunset. Codifying the sunsets separates the two Acts' sunsets, which are currently in the same session law, and makes them easier for taxpayers to find. This section also clarifies the sunset of the Renewable Energy Tax Credits added to the General Business Credits Act in 1999.
2	Clarifies that the $100 local tax limitation enacted in 1999 for loan agencies and other related businesses does not repeal the pre-existing local authority to tax pawnbrokers up to $275 a year. This section becomes effective July 1, 2000.
3	Clarifies that a county or city does not share in the distribution of beer and wine tax if the only place where beer and wine sales are authorized in the county or city is a sports club. Also, repeals an obsolete subsection.
4	Repeals the special franchise taxes on telegraph companies and street bus companies. The Department of Revenue states that there are no taxpayers paying tax under these provisions. With repeal of these special taxes, the general corporate franchise tax will apply to any companies that might have otherwise fallen under the provisions of the special taxes.
5	Repeals a cross-reference to the special franchise tax street bus companies, repealed by Section 4, and reorganizes language of statute.
6	Changes the form of the definition of manufactured home in the sales tax law from a restatement of federal standards to a cross-reference to federal standards.
7	Clarifies that a retailer for purposes of Highway Use Tax must be engaged in the business of selling or leasing motor vehicles, and clarifies and updates definition language in Chapter 20 of the General Statutes.
8	Allows the Department of Revenue to exchange information with the Department of Correction Division of Probation and Parole to assist in collecting the controlled substances tax.

SECTION	EXPLANATION
9	Clarifies that assessments based on presumed mileage are used only if the Department considers the presumption reasonable, corrects incorrect terminology, and changes sentence order.
10	Effective July 1, 2000, changes the method by which tax on fuel is charged at the destination state's rate when the fuel is simultaneously sold from one supplier, to another supplier, to a customer who picks the fuel up at the rack for export. In 1998, S.L. 1998-146 attempted to address this situation by expanding the definition of two-party exchange to include buy-sell agreements as one type of two-party transaction for purposes of the definition of "supplier". That change created confusion and led to mismatches between terminal operator reports and supplier returns. This section changes back to the old, narrower definition of two-party exchange and then adds a specific provision allowing the destination state's tax rate to be paid when the fuel is transferred at the rack pursuant to a buy-sell agreement.
11	Restores to definition of "user" a provision that was inadvertently deleted, and makes conforming changes to reflect defined term. Users are subject to audit. Adding this vehicle weight threshold, formerly provided in G.S. 105-449.9 (repealed), limits the audit provision to larger vehicles.
12	Conforms exemption statute to reflect that an unlicensed exporter or distributor is liable for tax under G.S. 105-449.82(c). Thus, fuel is exempt only if removed by licensed distributor or licensed exporter.
13	Conforms the statute catchline by removing a reference to a repealed provision.
14	Restores a provision making fuel retailers and bulk-end users subject to audit by the Department of Revenue. S.L. 1999-438 repealed the requirement that retailers and bulk-end users obtain licenses. An unintended consequence of this repeal was elimination of the Department's audit authority over these users and sellers of motor fuel.
15	Moves tax exemption language from G.S. 62A-5 to the corporate income tax statutes, to make Articles 1 and 2 of Chapter 62A consistent.
16	Effective date. Unless otherwise provided, the act is effective when it becomes law.

NORTH CAROLINA GENERAL ASSEMBLY

LEGISLATIVE FISCAL NOTE

BILL NUMBER: House Bill 1290 (Senate Finance Committee Substitute)

SHORT TITLE: Revenue Laws Clarifying Changes

REVENUES					
LOCAL GOVERNMENTS	See Assumptions and Methodology				

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Local governments, Department of Revenue, Department of Correction

EFFECTIVE DATE: Section 2 (pawnbrokers) and Section 10 (fuel tax) are effective July 1, 2000. The remainder of the act is effective when it becomes law

BILL SUMMARY: This bill makes numerous technical and clarifying changes to the state revenue laws and related statutes.

ASSUMPTIONS AND METHODOLOGY:
Of the 16 sections in the bill, only section 2 has a fiscal impact. When the General Assembly approved Senate Bill 1112 (S.L. 1999-438), it inadvertently capped city and county privilege taxes on pawnbrokers at $100. Previous law (G.S. 105-50) allowed cities and counties to charge pawnbrokers up to $275 per year. In a 1996 survey conducted by the Fiscal Research Division of the General Assembly, 44 counties and 24 cities reported having a privilege tax on pawnbrokers ranging from $5 to $275. These local governments also reported FY 1995-96 tax revenues from pawnbrokers of $77,844. If all local governments changed their ordinance in response to SB 1112, then they would have experienced a loss of $47,993 based on the 1996 report. Passage of this bill would allow local governments to return their tax on pawnbrokers to previous levels and regain revenue lost due to SB 1112.

SENATE FINANCE COMMITTEE

THURSDAY, JUNE 29, 2000

9:00 AM - ROOM 1027

The Senate Finance Committee met on Thursday, June 29, 2000 at 9:00 AM in Room 1027 of the Legislative Building with Senator Hoyle presiding. There were 18 members of the committee present. Kelley White from Greenville, North Carolina, sponsored by Senator Warren, Rachel Evans from Fremont, North Carolina and Russell Jinnette from Goldsboro, North Carolina, both sponsored by Senator John Kerr served as pages for the meeting.

HB 1728 - SPRUCE PINE DEANNEXATION

Senator Moore was recognized to explain this bill for Representative Thompson. After a brief time, Senator Foxx moved for a "Favorable Report", motion passed. Copy of bill is included in the minutes.

SB 1364 - EXTEND CABARRUS E&R BOARD

Martha Walston, Committee Attorney, was recognized to explain the bill in the absence of Senator Hartsell. After a brief time, Senator Foxx moved for a "Favorable Report", motion passed. Copy of bill is included in the minutes.

HB 1520 - RESTRAINTS IN FACILITIES

Representative Insko was recognized to explain the bill. After a time of discussion, Senator Wellons moved to give the bill a "Favorable Report", motion passed. Copy of bill and supporting documents included in minutes.

NOTE: Senator Hoyle turned the meeting over to Senator Kerr so that he could explain the following bill.

HB 1340 - RESPIRATORY CARE PRACTICE ACT

Senator Hoyle was recognized to explain the bill. He moved for adoption of a proposed committee substitute, motion passed. After a time of discussion, Senator Hoyle offered a technical amendment to the bill and moved that it be adopted, motion passed. After further discussion, Senator Dannelly moved for a "Favorable Report" and that bill be rolled into a new committee substitute, motion passed.

SB 1192 - CRIM. RECORD CHECKS/LONG-TERM CARE

NOTE: Bill was withdrawn from the Agenda by Senator Rand

HB 1290 - REVENUE LAWS CLARIFYING CHANGES

Martha Walston, Committee Attorney, was recognized to explain the bill in the absence of Representative Luebke. After a time of discussion, Senator Clodfelter moved for a "Favorable Report", motion passed. Copy of bill and supporting documents included in minutes.

Meeting adjourned.

SENATE FINANCE COMMITTEE MEETS ON SENATE CHAMBER FLOOR

Senator Hoyle called the meeting to order.

HB 1803 - HUNTERSVILLE ANNEXATION AGREEMENT

After a brief discussion, Senator Weinstein moved for a "Favorable Report", motion passed. Copy of bill included in the minutes.

Meeting adjourned

David W. Hoyle, Co-Chairman

John H. Kerr, III, Co-Chairman

A BILL TO BE ENTITLED

AN ACT PERTAINING TO THE USE OF RESTRAINTS AND SECLUSION IN CERTAIN FACILITIES, REQUIRING THE REPORTING OF CERTAIN DEATHS IN CERTAIN FACILITIES, AND IMPOSING A PENALTY FOR FAILURE TO REPORT.

The General Assembly of North Carolina enacts:

Section 1. G.S. 122C-60 reads as rewritten:

"**§ 122C-60. Use of physical restraints or seclusion.**

(a) Physical restraint or seclusion of a client shall be employed only when there is imminent danger of abuse or injury to ~~himself~~ the client or others, when substantial property damage is occurring, or when the restraint or seclusion is necessary as a measure of therapeutic treatment. All instances of restraint or seclusion and the detailed reasons for such action shall be documented in the client's record. Each client who is restrained or secluded shall be observed frequently, and a written notation of the observation shall be made in the client's record.

(a1) A facility that employs physical restraint or seclusion of a client shall collect data on the use of the restraints and seclusion. The data shall reflect for each incidence, the type of procedure used, the length of time employed, alternatives considered or employed, and the effectiveness of the procedure or alternative employed. The facility shall analyze the data on at least a quarterly basis to monitor effectiveness, determine trends, and take corrective action where necessary. The

facility shall make the data available to the Secretary upon request. Nothing in this subsection abrogates State or federal law or requirements pertaining to the confidentiality, privilege, or other prohibition against disclosure of information provided to the Secretary under this subsection. In reviewing data requested under this subsection, the Secretary shall adhere to State and federal requirements of confidentiality, privilege, and other prohibitions against disclosure and release applicable to the information received under this subsection.

(a2) Facilities shall implement policies and practices that emphasize the use of alternatives to physical restraint and seclusion. Physical restraint and seclusion may be employed only by staff who have been trained and have demonstrated competence in the proper use of and alternatives to these procedures. Facilities shall ensure that staff authorized to employ and terminate these procedures are retrained and have demonstrated competence at least annually.

(b) The Commission ~~may~~ shall adopt rules to implement this section. In adopting rules, the Commission shall take into consideration federal regulations and national accreditation standards. Rules adopted by the Commission shall include:

(1) Staff training and competence in:
   a. The use of positive behavioral supports.
   b. Communication strategies for defusing and deescalating potentially dangerous behavior.
   c. Monitoring vital indicators.
   d. Administration of CPR.
   e. Debriefing with client and staff.
   f. Methods for determining staff competence, including qualifications of trainers and training curricula.
   g. Other areas to ensure the safe and appropriate use of restraints and seclusion.

(2) Other matters relating to the use of physical restraint or seclusion of clients necessary to ensure the safety of clients and others.

The Department may investigate complaints and inspect a facility at any time to ensure compliance with this section."

Section 2.(a) G.S. 131D-10.5 reads as rewritten:

"**§ 131D-10.5. Powers and duties of the Commission.**

In addition to other powers and duties prescribed by law, the Commission shall exercise the following powers and duties:

(1) Adopt, amend and repeal rules consistent with the laws of this State and the laws and regulations of the federal government to implement the provisions and purposes of this Article;

(2) Issue declaratory rulings as may be needed to implement the provisions and purposes of this Article;

(3) Adopt rules governing procedures to appeal Department decisions pursuant to this Article granting, denying, suspending or revoking licenses; ~~and~~

(4) Adopt criteria for waiver of licensing rules adopted pursuant to this ~~Article.~~ Article;

(5) Adopt rules on documenting the use of physical restraint in residential child-care facilities; and

(6) Adopt rules establishing personnel and training requirements related to the use of physical restraints and time-out for staff employed in residential child-care facilities."

Section 2.(b) Article 1A of Chapter 131D of the General Statutes is amended by adding the following new section to read:

"**§ 131D-10.5A. Collection of data on use of restraints in residential child-care facilities.**

A residential child-care facility that employs physical restraint of a child shall collect data on the use of the restraint. The data shall reflect for each incidence, the type of procedure used, the length of time employed, alternatives considered or employed, and the effectiveness of the procedure or alternative employed. The facility shall analyze the data on at least a quarterly basis to monitor effectiveness, determine trends, and take corrective action where necessary. The facility shall make the data available to the Department upon request. Nothing in this subsection abrogates State or federal law or requirements pertaining to the confidentiality, privilege, or other prohibition against disclosure of information provided to the Department under this subsection. In reviewing data requested under this subsection, the Department shall adhere to State and federal requirements of confidentiality, privilege, and other prohibitions against disclosure and release applicable to the information received under this subsection."

Section 3.(a) Article 2 of Chapter 122C of the General Statutes is amended by adding the following new section to read:

"**§ 122C-31. Report required upon death of client.**

(a) A facility shall notify the Secretary immediately upon the death of any client of the facility that occurs within seven days of physical restraint or seclusion of the client, and shall notify the Secretary within three days of the death of any client of the facility resulting from violence, accident, suicide, or homicide. The Secretary may assess a civil penalty of not less than five hundred dollars ($500.00) and not more than one thousand dollars ($1,000) against a facility that fails to notify the Secretary of a death and the circumstances surrounding the death known to the facility. Chapter 150B of the General Statutes governs the assessment of a penalty under this section. A civil penalty owed under this section may be recovered in a civil action brought by the Secretary or the Attorney General. The clear proceeds of the penalty shall be remitted to the State Treasurer for deposit in accordance with State law.

(b) Upon receipt of notification from a facility in accordance with subsection (a) of this section, the Secretary shall notify the Governor's Advocacy Council for Persons With Disabilities that a person with a disability has died. The Secretary shall provide the Council access to the information about each death reported pursuant to subsection (a) of this section, including information resulting from any investigation of the death by the Department and from reports received from the Chief Medical

Examiner pursuant to G.S. 130A-385. The Council shall use the information in accordance with its powers and duties under G.S. 143B-403.1 and applicable federal law and regulations.

(c) If the death of a client of a facility occurs within seven days of the use of physical restraint or seclusion, then the Secretary shall initiate immediately an investigation of the death.

(d) An inpatient psychiatric unit of a hospital licensed under Chapter 131E of the General Statutes shall comply with this section.

(e) Nothing in this section abrogates State or federal law or requirements pertaining to the confidentiality, privilege, or other prohibition against disclosure of information provided to the Secretary or the Council. In carrying out the requirements of this section, the Secretary and the Council shall adhere to State and federal requirements of confidentiality, privilege, and other prohibitions against disclosure and release applicable to the information received under this section. A facility or provider that makes available confidential information in accordance with this section and with State and federal law is not liable for the release of the information.

(f) The Secretary shall establish a standard reporting format for reporting deaths pursuant to this section and shall provide to facilities subject to this section a form for the facility's use in complying with this section."

Section 3.(b) Article 1 of Chapter 122C of the General Statutes is amended by adding the following new section to read:

"**§ 122C-5. Report on restraint and seclusion.**

The Secretary shall report annually on October 1 to the Legislative Study Commission on Mental Health, Developmental Disabilities, and Substance Abuse Services on the following for the immediately preceding fiscal year:

(1) The level of compliance of each facility with applicable State and federal laws, rules, and regulations governing the use of restraints and seclusion. The information shall indicate areas of highest and lowest levels of compliance.

(2) The total number of facilities that reported deaths under G.S. 122C-31, the number of deaths reported by each facility, the number of deaths investigated pursuant to G.S. 122C-31, and the number found by the investigation to be related to the use of restraint or seclusion."

Section 4. G.S. 130A-385 is amended by adding the following new subsection to read:

"(f) If a death occurred in a facility licensed subject to Article 2 or Article 3 of Chapter 122C of the General Statutes, or Articles 1 or 1A of Chapter 131D of the General Statutes, and the deceased was a client or resident of the facility or a recipient of facility services at the time of death, then the Chief Medical Examiner shall forward a copy of the medical examiner's report to the Secretary of Health and Human Services within 30 days of receipt of the report from the medical examiner."

Section 5.(a) Article 1A of Chapter 131D of the General Statutes is amended by adding the following new section to read:

"**§ 131D-10.6B. Report of death.**

(a) A facility licensed under this Article shall notify the Department immediately upon the death of any resident of the facility that occurs within seven days of physical restraint of the resident, and shall notify the Department within three days of the death of any resident of the facility resulting from violence, accident, suicide, or homicide. The Department may assess a civil penalty of not less than five hundred dollars ($500.00) and not more than one thousand dollars ($1,000) against a facility that fails to notify the Department of a death and the circumstances surrounding the death known to the facility. Chapter 150B of the General Statutes governs the assessment of a penalty under this section. A civil penalty owed under this section may be recovered in a civil action brought by the Department or the Attorney General. The clear proceeds of the penalty shall be remitted to the State Treasurer for deposit in accordance with State law.

(b) Upon receipt of notification from a facility in accordance with subsection (a) of this section, the Department shall notify the Governor's Advocacy Council for Persons With Disabilities that a person with a disability has died. The Department shall provide the Council access to the information about each death reported to the Council pursuant to subsection (a) of this section, including information resulting from any investigation of the death by the Department, and from reports received from the Chief Medical Examiner pursuant to G.S. 130A-385. The Council shall use the information in accordance with its powers and duties under G.S. 143B-403.1 and applicable federal law and regulations.

(c) If the death of a resident of the facility occurs within seven days of the use of physical restraint, the Department shall initiate immediately an investigation of the death.

(d) Nothing in this section abrogates State or federal law or requirements pertaining to the confidentiality, privilege, or other prohibition against disclosure of information provided to the Department or the Council. In carrying out the requirements of this section, the Department and the Council shall adhere to State and federal requirements of confidentiality, privilege, and other prohibitions against disclosure and release applicable to the information received under this section. A facility or provider that makes available confidential information in accordance with this section and with State and federal law is not liable for the release of the information.

(e) The Secretary shall establish a standard reporting format for reporting deaths pursuant to this section and shall provide to facilities subject to this section a form for the facility's use in complying with this section."

Section 5.(b) G.S. 131D-10.6 is amended by adding the following new subdivision to read:

"(10) Report annually on October 1 to the Legislative Study Commission on Mental Health, Developmental Disabilities, and Substance Abuse Services the level of facility compliance with applicable

State law governing the use of restraint and time-out in residential child-care facilities. The report shall also include the total number of facilities that reported deaths under this section, the number of deaths reported by each facility, the number of deaths investigated pursuant to this section, and the number found by the investigation to be related to the use of physical restraint or time-out."

Section 6.(a) Article 3 of Chapter 131D of the General Statutes is amended by adding the following new section to read:

"**§ 131D-34.1. Report of death of resident.**

(a) An adult care home shall notify the Department of Health and Human Services immediately upon the death of any resident that occurs in the adult care home or that occurs within 24 hours of the resident's transfer to a hospital if the death occurred within seven days of the adult care home's use of physical restraint or physical hold of the resident, and shall notify the Department of Health and Human Services within three days of the death of any resident of the adult care home resulting from violence, accident, suicide, or homicide. The Department may assess a civil penalty of not less than five hundred dollars ($500.00) and not more than one thousand dollars ($1,000) against a facility that fails to notify the Department of a death and the circumstances surrounding the death known to the facility. Chapter 150B of the General Statutes governs the assessment of a penalty under this section. A civil penalty owed under this section may be recovered in a civil action brought by the Department or the Attorney General. The clear proceeds of the penalty shall be remitted to the State Treasurer for deposit in accordance with State law.

(b) Upon receipt of notification from an adult care home in accordance with subsection (a) of this section, the Department of Health and Human Services shall notify the Governor's Advocacy Council for Persons With Disabilities that a person with a disability has died. The Department shall provide the Council access to the information about each death reported pursuant to subsection (a) of this section, including information resulting from any investigation of the death by the Department and from reports received from the Chief Medical Examiner pursuant to G.S. 130A-385. The Council shall use the information in accordance with its powers and duties under G.S. 143B-403.1 and applicable federal law and regulations.

(c) If the death of a resident of the adult care home occurs within seven days of the adult care home's use of physical restraint or physical hold, the Department shall initiate immediately an investigation of the death.

(d) Nothing in this section abrogates State or federal law or requirements pertaining to the confidentiality, privilege, or other prohibition against disclosure of information provided to the Department or the Council. In carrying out the requirements of this section, the Department and the Council shall adhere to State and federal requirements of confidentiality, privilege, and other prohibitions against disclosure and release applicable to the information received under this section. A facility or provider that makes available confidential information in accordance with this section and with State and federal law is not liable for the release of the information.

(e) The Secretary shall establish a standard reporting format for reporting deaths pursuant to this section and shall provide to facilities subject to this section a form for the facility's use in complying with this section."

Section 6.(b) Article 5 of Chapter 131D of the General Statutes is amended by adding the following new section to read:

"**§ 131D-42. Report on use of restraint.**

The Department shall report annually on October 1 to the Legislative Study Commission on Mental Health, Developmental Disabilities, and Substance Abuse Services the following for the immediately preceding fiscal year:

(1) The level of compliance of each adult care home with applicable State law and rules governing the use of physical restraint and physical hold of residents. The information shall indicate areas of highest and lowest levels of compliance.

(2) The total number of adult care homes that reported deaths under G.S. 131D-34.1, the number of deaths reported by each facility, the number of deaths investigated pursuant to G.S. 131D-34.1, and the number found by the investigation to be related to the adult care home's use of physical restraint or physical hold."

Section 7. This act becomes effective January 1, 2001.

HOUSE BILL 1520:
Restraints in Facilities

BILL ANALYSIS

Committee:	Senate Health Care	**Introduced by:**	Rep. Verla Insko (Primary Sponsor)
Date:	June 28, 2000		
Version:	Third Edition	**Summary by:**	Linda Attarian Committee Counsel

SUMMARY: The proposed legislation:

- *requires data collection and analysis related to the use of physical restraint and seclusion in **mental health facilities and residential child care facilities**;*
- *requires **mental health facilities** to implement policies and practices that emphasize the use of alternatives to physical restraint or seclusion;*
- *requires reporting and investigation of all deaths occurring within seven days of the use of restraints and seclusion in **mental health facilities, residential child care facilities, and adult care homes** ;*
- *requires reporting of all deaths resulting from violence, accident, suicide, or homicide in **mental health facilities, residential child care facilities, and adult care homes** within three days of the death;*
- *limits the employment of restraint or seclusion in **mental health facilities** to only those staff members who have been properly trained;*
- *requires rule-making authorities to adopt rules on staff training and other matters relating to the use of physical restraint and seclusion necessary to ensure the safety of clients and others **in mental health facilities and residential child care facilities**; and*
- *requires DHHS to make annual reports concerning the use of restraints and seclusion and deaths related to the use of restraints and seclusion in **mental health facilities, residential child care facilities and adult care homes** to the Legislative Study Commission on MH/DD/SAS;*
- *does not abrogate State or federal law or requirements pertaining to the confidentiality, privilege or other prohibitions against disclosure of information provided to the Secretary or the Governor's Advocacy Council for Persons with Disabilities.*

The act becomes effective January 1, 2001.

CURRENT LAW: The use of physical restraints, seclusion, and time-out in mental health facilities, child placement facilities, and adult care homes are currently regulated by a combination of State and federal laws, rules and regulations. The proposed legislation adds additional requirements to this body of law.

BILL ANALYSIS:

Section 1. Current law (G.S. 122C-60) requires mental health facilities to document all instances of restraint or seclusion and record detailed reasons for such actions in the clients record. The bill amends this statute by requiring facilities to collect data on each incident of use of restraints and seclusion and analyze data. The data collected must include the type of procedure used; the length of time employed;

the alternatives considered or employed; and the effectiveness of the procedure or alternative employed. The facilities must analyze the data quarterly to monitor effectiveness, trends, and must take corrective action when necessary. The facility must make the data available to the Secretary on request in accordance with existing State and federal laws pertaining to the disclosure of patient records.

In addition, the section further amends G.S. 122C-60 to require:

Mental health facilities to implement policies and practices that emphasize use of alternatives to physical restraint and seclusion.

Only staff who have been trained and have demonstrated competence in proper use of and alternatives to the use of restraints and seclusion may employ restraints and seclusion. Staff must be retrained at least annually.

Mental Health Commission must adopt rules that provide for staff training and competence in several aspects of the use of restraints and seclusion and other matters relating to the use of physical restraints and seclusion necessary to ensure the safety of clients and others. The Commission must take into federal regulations and national accreditation standards in adopting the rules.

Applicability of this section:
- Psychiatric hospitals (10 facilities);
- Mental health group homes, day treatment and outpatient programs (3400 facilities); and
- Intermediate care facilities for the mentally retarded (332 facilities).

Section 2(a). This section adds a new section to Article 1A of Chapter 131D to require residential child care facilities to collect data on the use of restraint. The data must include the type of procedure used, the length of time employed, alternatives considered or employed, and the effectiveness of the procedure or alternative employed. The facilities must analyze the data to monitor the effectiveness, determine trends, and take corrective actions where necessary. Data must be made available to the Secretary on request.

Section 2(b). This section also requires the Social Services Commission to adopt rules regulating the use of physical restraint and to establish personnel and training requirements.

Applicability of this section: A residential child care facility is defined as a "staffed premise with paid or volunteer staff where children receive continuing full-time foster care. They include child-caring institutions, group homes, and children's camps which provide foster care (includes "wilderness camps").

Section 3 (a). Amends Chapter 122C to add a new section to require mental health facilities to immediately report to the Secretary of DHHS all deaths occurring within seven days of the use of physical restraint or seclusion. The Secretary shall initiate an investigation of such deaths immediately and notify the Governor's Advocacy Council for Persons with Disabilities.

This section further requires the Secretary to report annually to the Legislative Study Commission on MH/DD/SAS each October 1. Report must include:
1. The level of compliance among facilities;
2. Total number of faculties reporting any deaths;

3. The number of deaths reported by each facility;
4. The number of deaths investigated by the Secretary;
5. The number of deaths related to the use of seclusion.

Section 4. Requires the Chief Medical Examiner to forward copies of the medical examiner's report to DHHS in deaths of certain clients.

Section 5(a). Adds a new section to Article 1A of Chapter 131D to require residential childcare facilities to immediately notify DHHS of all deaths occurring within seven days of the use of physical restraint. The Secretary shall initiate an investigation of such deaths immediately and notify the Governor's Advocacy Council for Persons with Disabilities.

Section 5(b). Amends G.S. 131D-10.6 to require the Department to report annually on October 1 to the Legislative Study Commission on MH/DD/SAS. Report must include:
1. The level of compliance with applicable State law governing among facilities;
2. Total number of faculties reporting any deaths;
3. The number of deaths reported by each facility;
4. The number of deaths investigated by the Secretary;
5. The number of deaths related to the use of physical restraint or timeout.

Section 6(a). Amends Article 3 of Chapter 131D to require adult care homes to notify DHHS immediately of all deaths occurring in the adult care home or occurring within 24 hours of a transfer to a hospital from an adult care home, within seven days of the use of a physical restraint or physical hold. The Secretary shall initiate an investigation of such deaths immediately and notify the Governor's Advocacy Council for Persons with Disabilities.

Section 6(b).
The Department shall report annually on October 1 to the Legislative Study Commission on MH/DD/SAS. Report must include:
1. The level of compliance of each adult care home with applicable State law and rules governing the use of physical restraint and physical holds;
2. The number of facilities that reported deaths.
3. The number of deaths reported by each facility;
4. The number of deaths investigated by the Secretary;
5. The number of deaths related to the use of physical restraint or physical hold.

Section 7: The bill becomes effective January 1, 2001.

SUMMARY: The Fourth Edition of the bill includes all of the language in H1520, 3rd edition, and also a penalty provision for violation of the death reporting requirements provided for in the legislation. The Secretary of DHHS would be able to assess a single penalty of not less than $500.00, and not more than $1000.00 against a mental health facility, residential child-care facility or adult care home when it fails to report a death that occurs as a result of violence, accident, suicide, homicide or a death occurring within seven days of the use of restraint or seclusion, as required by the legislation. The civil penalty would be non-continuing. The penalty owed under this provision could be recovered in a civil action brought by the Secretary or the Attorney General.

NORTH CAROLINA GENERAL ASSEMBLY

LEGISLATIVE FISCAL NOTE

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Health & Human Services & local Area Mental Health Authorities

EFFECTIVE DATE: January 1, 2001

BILL SUMMARY: This bill amends various sections in the General Statutes to regulate the use of restraints and seclusion in facilities serving the mentally ill, developmental disabled and individuals receiving substance abuse services. The bill amends the statutes as follows:

Mental Health/Developmental Disabilities/Substance Abuse Services Facilities:

Amends G. S. 122C to specify the use of restraints and seclusion only when there is imminent risk of danger or harm to the client or others or when, under certain conditions, planned restrictive interventions are employed.

Prohibits the use of planned restrictive interventions except when (1) there is documented evidence that serious harm to the client or others will occur; (2) only as a last resort after other alternatives have been unsuccessful; (3) the intervention has been pre-approved by a physician or psychologist prior to implementation; (4) the client or his/her legally responsible adult has consented; and (5) the planned intervention will expire after 90 days unless a review indicates continuation is warranted. The bill specifies that the use of restraints or seclusion must be terminated when the client is no longer a danger to self or others.

Requires that in all cases the written order of a physician or psychologist must be obtained within one hour of the initiation of the restraint or seclusion.

The bill also requires continuous observation of clients while in restraint or seclusion and specifies that the requirements in the bill apply to all individuals and facilities providing services under G.S. 122C.

Finally, the bill requires all facilities to document and analyze data on the use of restraints.

Residential Child Care Facilities:

Amends G. S. 131D-10.5A to allow the use of physical restraints in residential child-care facilities when there is imminent risk of harm to the child or others. The following conditions must also be met: (1) continuous observation by facility staff; and (2) use of restraints restricted to trained staff.

The bill also allows the removal of a child to a separate unlocked room or area (also known as "time-out") and requires facilities to document the use of restraints.

Adult Care Homes:

Amends G.S. 131D-2 to regulate the use of restraints in adult care homes, in emergency situations, when medical symptoms warrant and the use of alternatives have failed. The following conditions must also be met: (1) continuous observation by facility staff; and (2) only trained staff wold employ restraints.

The bill prohibits the use of chemical restraints and requires facilities to document the use of restraints.

All Facilities:

The bill requires that all facilities licensed under G.S. 122C (all mental health, developmental disabilities and substance abuse services facilities), 131-D (residential child-care facilities); and G.S. 131D-2 (adult care homes) report all deaths to the Department of Health and Human Services and imposes a civil penalty for noncompliance.

The bill requires the Department of Health and Human Services to notify the Governor's Advocacy Council for Persons with Disabilities when a person with a disability (residing in a facility) dies and requires DHHS to provide access to information regarding the death.

Requires the Secretary of DHHS to investigate any death occurring within seven days after the use of restraints.

ASSUMPTIONS AND METHODOLOGY:

Several components of the bill directly impact on state and local government and other providers.

STATE:

1. Section 1(b) requires a facility to obtain the written order of a physician or licensed psychologist within one hour of initiating the use of physical restraint, mechanical restraint, protective behavioral device, seclusion, or isolation time-out.

Estimated Cost: The Department of Health and Human Services indicates that current institutional policies require on-call staff to meet this need, thus no additional cost is projected.

2. Section 1(e) requires a facility to ensure that each client in physical restraint, mechanical restraint, seclusion, or isolation time-out is observed continuously by facility staff.

Estimated Cost: The Department of Health and Human Services indicates that current institutional policies require continuous observation when restraints are used, thus no additional cost is projected.

3. Section 1(I) requires facilities to train staff authorized to employ restraints.

Estimated Costs: The DHHS estimates that additional training costs could be absorbed within the current institutional operating budgets with the exception of $100,000 in projected cost to develop training materials and establish one position to coordinate training for new and existing staff within the institutions.

4. Section 1(k) requires facilities to collect and analyze data on the use of restraints.

Estimated Cost: The DHHS estimates that additional data collection cost could be absorbed within the current institutional operating budgets.

5. Section 4 requires a facility to notify the Secretary of DHHS immediately upon the death of any client of the facility. Failure to comply with reporting requirements may result in a civil penalty.

Estimated Cost: The DHHS estimates that costs associated with mandatory death reporting could be absorbed within the current institutional operating budgets.

LOCAL GOVERNMENT AND OTHER PROVIDERS:

The previous sections discussed projected costs to state operated facilities. Currently local area mental health authorities, other local governments and other providers do not compile these data thus projections cannot be made. Anecdotal information suggests the bill may have a financial impact on various facilities however no data on the use of restraints in local government programs or private providers are available to project costs.

TECHNICAL CONSIDERATIONS: None

FISCAL RESEARCH DIVISION 733-4910

HOUSE BILL 1340
Committee Substitute Favorable 6/23/99
Senate Health Care Committee Substitute Adopted 6/15/00

Short Title: Respiratory Care Practice Act. (Public)

Sponsors:

Referred to:

April 26, 1999

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH THE RESPIRATORY CARE PRACTICE ACT.

The General Assembly of North Carolina enacts:

Section 1. Chapter 90 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 38.

"Respiratory Care Practice Act.

"**§ 90-646. Short title.**

This Article may be cited as the 'Respiratory Care Practice Act'.

"**§ 90-647. Purpose.**

The General Assembly finds that the practice of respiratory care in the State of North Carolina affects the public health, safety, and welfare and that the mandatory licensure of persons who engage in respiratory care is necessary to ensure a minimum standard of competency. It is the purpose and intent of this Article to protect the public from the unqualified practice of respiratory care and from unprofessional conduct by persons licensed pursuant to this Article.

"**§ 90-648. Definitions.**

The following definitions apply in this Article:

(1) Board. -- The North Carolina Respiratory Care Board.

(2) Diagnostic testing. -- Cardiopulmonary procedures and tests performed on the written order of a physician licensed under Article 1 of this Chapter that provide information to the physician

to formulate a diagnosis of the patient's condition. The tests and procedures may include pulmonary function testing, electrocardiograph testing, cardiac stress testing, and sleep related testing.

(3) Direct supervision. -- The authority and responsibility to direct the performance of activities as established by policies and procedures for safe and appropriate completion of services.

(4) Individual. -- A human being.

(5) License. -- A certificate issued by the Board recognizing the person named therein as having met the requirements to practice respiratory care as defined in this Article.

(6) Licensee. -- A person who has been issued a license under this Article.

(7) Medical director. -- An appointed physician who is licensed under Article 1 of this Chapter and a member of the entity's medical staff, and who is granted the authority and responsibility for assuring and establishing policies and procedures and that the provision of such is provided to the quality, safety, and appropriateness standards as recognized within the defined scope of practice for the entity.

(8) Person. -- An individual, corporation, partnership, association, unit of government, or other legal entity.

(9) Physician. -- A doctor of medicine licensed by the State of North Carolina in accordance with Article 1 of this Chapter.

(10) Practice of respiratory care. -- As defined by the written order of a physician licensed under Article 1 of this Chapter, the observing and monitoring of signs and symptoms, general behavior, and general physical response to respiratory care treatment and diagnostic testing, including the determination of whether such signs, symptoms, reactions, behavior, or general response exhibit abnormal characteristics, and the performance of diagnostic testing and therapeutic application of:

a. Medical gases, humidity, and aerosols including the maintenance of associated apparatus, except for the purpose of anesthesia.

b. Pharmacologic agents related to respiratory care procedures, including those agents necessary to perform hemodynamic monitoring.

c. Mechanical or physiological ventilatory support.

d. Cardiopulmonary resuscitation and maintenance of natural airways, the insertion and maintenance of artificial airways under the direct supervision of a recognized medical director in a health care environment which identifies these

services within the scope of practice by the facility's governing board.

e. Hyperbaric oxygen therapy.

f. New and innovative respiratory care and related support activities in appropriately identified environments and under the training and practice guidelines established by the American Association of Respiratory Care.

The term also means the interpretation and implementation of a physician's written or verbal order pertaining to the acts described in this subdivision.

(11) Respiratory care. -- As defined by the written order of a physician licensed under Article 1 of Chapter 90, the treatment, management, diagnostic testing, and care of patients with deficiencies and abnormalities associated with the cardiopulmonary system.

(12) Respiratory care practitioner. -- A person who has been licensed by the Board to engage in the practice of respiratory care.

(13) Support activities. -- Procedures that do not require formal academic training, including the delivery, setup, and maintenance of apparatus. The term also includes giving instructions on the use, fitting, and application of apparatus, but does not include therapeutic evaluation and assessment.

"**§ 90-649. North Carolina Respiratory Care Board; creation.**

(a) The North Carolina Respiratory Care Board is created. The Board shall consist of 10 members as follows:

(1) Two members shall be respiratory care practitioners.

(2) Four members shall be physicians licensed to practice in North Carolina, and whose primary practice is Pulmonology, Anesthesiology, Critical Care Medicine, or whose specialty is Cardiothoracic Disorders.

(3) One member shall represent the NCHA.

(4) One member shall represent the North Carolina Association of Medical Equipment Services.

(5) Two members shall represent the public at large.

(b) Members of the Board shall be citizens of the United States and residents of this State. The respiratory care practitioner members shall have practiced respiratory care for at least five years and shall be licensed under this Article. The public members shall not be: (i) a respiratory care practitioner, (ii) an agent or employee of a person engaged in the profession of respiratory care, (iii) a health care professional licensed under this Chapter or a person enrolled in a program to become a licensed health care professional, (iv) an agent or employee of a health care institution, a health care insurer, or a health care professional school, (v) a member of an allied health profession or a person enrolled in a program to become a member

of an allied health profession, or (vi) a spouse of an individual who may not serve as a public member of the Board.

"**§ 90-650. Appointments and removal of Board members; terms and compensation.**

(a) The members of the Board shall be appointed as follows:

(1) The Governor shall appoint the public members described in G.S. 90-649(a)(5).

(2) The General Assembly, upon the recommendation of the Speaker of the House of Representatives, shall appoint one of the respiratory care practitioner members described in G.S. 90-649(a)(1) and one of the physician members described in G.S. 90-649(a)(2) in accordance with G.S. 120-121.

(3) The General Assembly, upon the recommendation of the President Pro Tempore of the Senate, shall appoint one of the respiratory care practitioner members described in G.S. 90-649(a)(1) and one of the physician members described in G.S. 90-649(a)(2) in accordance with G.S. 120-121.

(4) The North Carolina Medical Society shall appoint one of the physician members described in G.S. 90-649(a)(2).

(5) The Old North State Medical Society shall appoint one of the physician members described in G.S. 96-649(a)(2).

(6) The North Carolina Hospital Association shall appoint the member described in G.S. 90-649(a)(3).

(7) The North Carolina Association of Medical Equipment Services shall appoint the member described in G.S. 90-649(a)(4).

(b) Members of the Board shall take office on the first day of November immediately following the expired term of that office and shall serve for a term of three years and until their successors are appointed and qualified. No member shall serve on the Board for more than two consecutive terms.

(c) The Governor may remove members of the Board, after notice and an opportunity for hearing, for incompetence, neglect of duty, unprofessional conduct, conviction of any felony, failure to meet the qualifications of this Article, or committing any act prohibited by this Article.

(d) Any vacancy shall be filled by the authority originally filling that position, except that any vacancy in appointments by the General Assembly shall be filled in accordance with G.S. 120-122. Appointees to fill vacancies shall serve the remainder of the unexpired term and until their successors have been duly appointed and qualified.

(e) Members of the Board shall receive no compensation for their services but shall be entitled to travel, per diem, and other expenses authorized by G.S. 93B-5.

(f) Individual members shall be immune from civil liability arising from activities performed within the scope of their official duties.

"**§ 90-651. Election of officers; meetings of the Board.**

(a) The Board shall elect a chair and a vice-chair who shall hold office according to rules adopted pursuant to this Article, except that all officers shall be elected

annually by the Board for one-year terms and shall serve until their successors are elected and qualified.

(b) The Board shall hold at least two regular meetings each year as provided by rules adopted pursuant to this Article. The Board may hold additional meetings upon the call of the chair or any two Board members. A majority of the Board membership shall constitute a quorum.

"§ 90-652. Powers and duties of the Board.

The Board shall have the power and duty to:

(1) Determine the qualifications and fitness of applicants for licensure, renewal of licensure, and reciprocal licensure.

(2) Establish and adopt rules necessary to conduct its business, carry out its duties, and administer this Article.

(3) Adopt and publish a code of ethics.

(4) Deny, issue, suspend, revoke, and renew licenses in accordance with this Article.

(5) Conduct investigations, subpoena individuals and records, and do all other things necessary and proper to discipline persons licensed under this Article and to enforce this Article.

(6) Employ professional, clerical, investigative, or special personnel necessary to carry out the provisions of this Article and purchase or rent office space, equipment, and supplies.

(7) Adopt a seal by which it shall authenticate its proceedings, official records, and licenses.

(8) Conduct administrative hearings in accordance with Article 3A of Chapter 150B of the General Statutes.

(9) Establish certain reasonable fees as authorized by this Article for applications for examination, licensure, provisional licensure, renewal of licensure, and other services provided by the Board.

(10) Submit an annual report to the North Carolina Medical Board, the North Carolina Hospital Association, the North Carolina Society of Respiratory Care, the Governor, and the General Assembly of all the Board's official actions during the preceding year, together with any recommendations and findings regarding improvements of the practice of respiratory care.

(11) Publish and make available upon request the licensure standards prescribed under this Article and all rules adopted pursuant to this Article.

(12) Request and receive the assistance of State educational institutions or other State agencies.

(13) Establish and approve continuing education requirements for persons seeking licensure under this Article.

"§ 90-653. Licensure requirements; examination.

(a) Each applicant for licensure under this Article shall meet the following requirements:

(1) Submit a completed application as required by the Board.
(2) Submit any fees required by the Board.
(3) Submit to the Board written evidence, verified by oath, that the applicant has successfully completed the minimal requirements of a respiratory care education program as approved by the Commission for Accreditation of Allied Health Educational Programs.
(4) Submit to the Board written evidence, verified by oath, that the applicant has successfully completed the minimal requirements for Basic Cardiac Life Support as recognized by the American Heart Association.
(5) Pass the entry-level examination given by the National Board for Respiratory Care, Inc.

(b) At least three times each year, the Board shall cause the examination required in subdivision (5) of subsection (a) of this section to be given to applicants at a time and place to be announced by the Board. Any applicant who fails to pass the first examination may take additional examinations in accordance with rules adopted pursuant to this Article.

"**§ 90-654. Exemption from certain requirements.**

(a) The Board may issue a license to an applicant who, as of October 1, 2000, has passed the entry-level examination given by the National Board for Respiratory Care, Inc. An applicant applying for licensure under this subsection shall submit his or her application to the Board before October 1, 2002.

(b) The Board may grant a temporary license to an applicant who, as of October 1, 2000, does not meet the qualifications of G.S. 90-653 but, through written evidence verified by oath, demonstrates that he or she is performing the duties of a respiratory care practitioner within the State. The temporary license is valid until October 1, 2002, within which time the applicant shall be required to complete the requirements of G.S. 90-653(a)(5). A license granted under this subsection shall contain an endorsement indicating that the license is temporary and shall state the date the license was granted and the date it expires.

"**§ 90-655. Licensure by reciprocity.**

The Board may grant, upon application and the payment of proper fees, a license to a person who, at the time of application holds a valid license, certificate, or registration as a respiratory care practitioner issued by another state or a political territory or jurisdiction acceptable to the Board if, in the Board's determination, the requirements for that license, certificate, or registration are substantially the same as the requirements for licensure under this Article.

"**§ 90-656. Provisional license.**

The Board may grant a provisional license for a period not exceeding 12 months to any applicant who has successfully completed the education requirements under G.S. 90-653(a)(3) and has made application to take the examination required under G.S. 90-653(a)(5). A provisional license allows the individual to practice respiratory care under the supervision of a respiratory care practitioner and in accordance with rules

adopted pursuant to this Article. A license granted under this section shall contain an endorsement indicating that the license is provisional and stating the terms and conditions of its use by the licensee and shall state the date the license was granted and the date it expires.

"§ 90-657. Notification of applicant following evaluation of application.

After evaluation of the application and of any other evidence required from the applicant by the Board, the Board shall notify each applicant that the application and evidence submitted are satisfactory and accepted or unsatisfactory and rejected. If the application and evidence is rejected, the notice shall state the reasons for the rejection.

"§ 90-658. License as property of the Board; display requirement; renewal; inactive status.

(a) A license issued by the Board is the property of the Board and shall be surrendered by the licensee to the Board on demand.

(b) The licensee shall display the license in the manner prescribed by the Board.

(c) The licensee shall inform the Board of any change of the licensee's address.

(d) The license shall be renewed by the Board annually upon the payment of a renewal fee if, at the time of application for renewal, the applicant is not in violation of this Article and has fulfilled the current requirements regarding continuing education as established by rules adopted pursuant to this Article.

(e) The Board shall notify a licensee at least 30 days in advance of the expiration of his or her license. Each licensee is responsible for renewing his or her license before the expiration date. Licenses that are not renewed automatically lapse.

(f) The Board may provide for the late renewal of an automatically lapsed license upon the payment of a late fee. No late fee renewal may be granted more than five years after a license expires.

(g) In accordance with rules adopted pursuant to this Article, a licensee may request that his or her license be declared inactive and may thereafter apply for active status.

"§ 90-659. Suspension, revocation, and refusal to renew a license.

(a) The Board shall take the necessary actions to deny or refuse to renew a license, suspend or revoke a license, or to impose probationary conditions on a licensee or applicant if the licensee or applicant:

(1) Has engaged in any of the following conduct:

a. Employed fraud, deceit, or misrepresentation in obtaining or attempting to obtain a license or the renewal of a license.

b. Committed an act of malpractice, gross negligence, or incompetence in the practice of respiratory care.

c. Practiced respiratory care without a license.

d. Engaged in health care practices that are determined to be hazardous to public health, safety, or welfare.

(2) Was convicted of or entered a plea of guilty or nolo contendere to any crime involving moral turpitude.

(3) Was adjudicated insane or incompetent, until proof of recovery from the condition can be established.

(4) Engaged in any act or practice that violates any of the provisions of this Article or any rule adopted pursuant to this Article, or aided, abetted, or assisted any person in such a violation.

(b) Denial, refusal to renew, suspension, or revocation of a license, or imposition of probationary conditions upon a licensee may be ordered by the Board after a hearing held in accordance with Article 3A of Chapter 150B of the General Statutes and rules adopted pursuant to this Article. An application may be made to the Board for reinstatement of a revoked license if the revocation has been in effect for at least one year.

"**§ 90-660. Expenses; fees.**

(a) All salaries, compensation, and expenses incurred or allowed for carrying out the purposes of this Article shall be paid by the Board exclusively out of the fees received by the Board as authorized by this Article or funds received from other sources. In no case shall any salary, expense, or other obligations of the Board be charged against the State.

(b) All monies received by the Board pursuant to this Article shall be deposited in an account for the Board and shall be used for the administration and implementation of this Article. The Board shall establish fees in amounts to cover the cost of services rendered for the following purposes:

(1) For an initial application, a fee not to exceed twenty-five dollars ($25.00).

(2) For examination or reexamination, a fee not to exceed one hundred fifty dollars ($150.00).

(3) For issuance of any license, a fee not to exceed one hundred dollars ($100.00).

(4) For the renewal of any license, a fee not to exceed fifty dollars ($50.00).

(5) For the late renewal of any license, an additional late fee not to exceed fifty dollars ($50.00).

(6) For a license with a provisional or temporary endorsement, a fee not to exceed thirty-five dollars ($35.00).

(7) For copies of rules adopted pursuant to this Article and licensure standards, charges not exceeding the actual cost of printing and mailing.

"**§ 90-661. Requirement of license.**

After October 1, 2002, it shall be unlawful for any person who is not currently licensed under this Article to:

(1) Engage in the practice of respiratory care.

(2) Use the title 'respiratory care practitioner'.

(3) Use the letters 'RCP', 'RTT', 'RT', or any facsimile or combination in any words, letters, abbreviations, or insignia.

(4) Imply orally or in writing or indicate in any way that the person is a respiratory care practitioner or is otherwise licensed under this Article.

(5) Employ or solicit for employment unlicensed persons to practice respiratory care.

"**§ 90-662. Violation a misdemeanor.**

Any person who violates any provision of this Article shall be guilty of a Class 1 misdemeanor.

"**§ 90-663. Injunctions.**

The Board may apply to the superior court for an order enjoining violations of this Article, and upon a showing by the Board that any person has violated or is about to violate this Article, the court may grant an injunction or restraining order or take other appropriate action.

"**§ 90-664. Persons and practices not affected.**

The requirements of this Article shall not apply to:

(1) Any person registered, certified, credentialed, or licensed to engage in another profession or occupation or any person working under the supervision of a person registered, certified, credentialed, or licensed to engage in another profession or occupation in this State who is performing work incidental to or within the practice of that profession or occupation and does not represent himself or herself as a respiratory care practitioner.

(2) A student or trainee working under the direct supervision of a respiratory care practitioner while fulfilling an experience requirement or pursuing a course of study to meet requirements for licensure in accordance with rules adopted pursuant to this Article.

(3) A respiratory care practitioner serving in the armed forces or the Public Health Service of the United States or employed by the Veterans Administration when performing duties associated with that service or employment.

(4) A person who performs only support activities as defined in G.S. 90-648(13).

"**§ 90-665. Third-party reimbursement.**

Nothing in this Article shall be construed to require direct third-party reimbursements to persons licensed under this Article."

Section 2. G.S. 120-123 is amended by adding a new subdivision to read:

"(70) The North Carolina Respiratory Care Board as created by Article 37 of Chapter 90 of the General Statutes."

Section 3. The initial appointments to the North Carolina Respiratory Care Board, created in G.S. 90-649, as enacted in Section 1 of this act, shall be appointed no later than October 1, 2000. Notwithstanding the provisions of G.S. 90-649(b), as enacted in Section 1 of this act, the initial members of the North Carolina Respiratory Care Board who are appointed pursuant to G.S. 90-649(a)(1) must have

passed the entry-level examination administered by the National Board for Respiratory Care, Inc. Notwithstanding the provisions of G.S. 90-650(b), as enacted in Section 1 of this act, of the initial appointments to the North Carolina Respiratory Care Board, one of the members appointed by the General Assembly, upon the recommendation of the Speaker of the House of Representatives, and one of the members appointed by the General Assembly, upon the recommendation of the President Pro Tempore of the Senate, shall be appointed for three-year terms; one of the members appointed by the General Assembly, upon the recommendation of the Speaker of the House of Representatives, and one of the members appointed by the General Assembly, upon the recommendation of the President Pro Tempore of the Senate, shall be appointed for two-year terms; the public members appointed by the Governor shall be appointed for a one-year term; the physician member appointed by the North Carolina Medical Society shall be appointed for a one-year term; the physician member appointed by the Old North State Medical Society shall be appointed for a one-year term; and the members appointed by the North Carolina Hospital Association and the North Carolina Association of Medical Equipment Services shall be appointed for one-year terms.

Section 4. This act is effective when it becomes law.

Referred to:

April 26, 1999

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH THE RESPIRATORY CARE PRACTICE ACT, TO PROVIDE FOR THE PROMPT PAYMENT OF CLAIMS UNDER HEALTH BENEFIT PLANS, AND TO MAKE CONFORMING AMENDMENTS TO RELATED CLAIM PAYMENT LAWS.

The General Assembly of North Carolina enacts:

Section 1. Chapter 90 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 38.

"Respiratory Care Practice Act.

"**§ 90-646. Short title.**

This Article may be cited as the 'Respiratory Care Practice Act'.

"**§ 90-647. Purpose.**

The General Assembly finds that the practice of respiratory care in the State of North Carolina affects the public health, safety, and welfare and that the mandatory licensure of persons who engage in respiratory care is necessary to ensure a minimum standard of competency. It is the purpose and intent of this Article to protect the public from the unqualified practice of respiratory care and from unprofessional conduct by persons licensed pursuant to this Article.

"**§ 90-648. Definitions.**

The following definitions apply in this Article:

(1) Board. -- The North Carolina Respiratory Care Board.

(2) Diagnostic testing. -- Cardiopulmonary procedures and tests performed on the written order of a physician licensed under Article 1 of this Chapter that provide information to the physician to formulate a diagnosis of the patient's condition. The tests and procedures may include pulmonary function testing, electrocardiograph testing, cardiac stress testing, and sleep related testing.

(3) Direct supervision. -- The authority and responsibility to direct the performance of activities as established by policies and procedures for safe and appropriate completion of services.

(4) Individual. -- A human being.

(5) License. -- A certificate issued by the Board recognizing the person named therein as having met the requirements to practice respiratory care as defined in this Article.

(6) Licensee. -- A person who has been issued a license under this Article.

(7) Medical director. -- An appointed physician who is licensed under Article 1 of this Chapter and a member of the entity's medical staff, and who is granted the authority and responsibility for assuring and establishing policies and procedures and that the provision of such is provided to the quality, safety, and appropriateness standards as recognized within the defined scope of practice for the entity.

(8) Person. -- An individual, corporation, partnership, association, unit of government, or other legal entity.

(9) Physician. -- A doctor of medicine licensed by the State of North Carolina in accordance with Article 1 of this Chapter.

(10) Practice of respiratory care. -- As defined by the written order of a physician licensed under Article 1 of this Chapter, the observing and monitoring of signs and symptoms, general behavior, and general physical response to respiratory care treatment and diagnostic testing, including the determination of whether such signs, symptoms, reactions, behavior, or general response exhibit abnormal characteristics, and the performance of diagnostic testing and therapeutic application of:

a. Medical gases, humidity, and aerosols including the maintenance of associated apparatus, except for the purpose of anesthesia.

b. Pharmacologic agents related to respiratory care procedures, including those agents necessary to perform hemodynamic monitoring.

c. Mechanical or physiological ventilatory support.

d. Cardiopulmonary resuscitation and maintenance of natural airways, the insertion and maintenance of artificial airways under the direct supervision of a recognized medical director in a health care environment which identifies these services within the scope of practice by the facility's governing board.

e. Hyperbaric oxygen therapy.

f. New and innovative respiratory care and related support activities in appropriately identified environments and under the training and practice guidelines established by the American Association of Respiratory Care.

The term also means the interpretation and implementation of a physician's written or verbal order pertaining to the acts described in this subdivision.

(11) Respiratory care. -- As defined by the written order of a physician licensed under Article 1 of Chapter 90, the treatment, management, diagnostic testing, and care of patients with deficiencies and abnormalities associated with the cardiopulmonary system.

(12) Respiratory care practitioner. -- A person who has been licensed by the Board to engage in the practice of respiratory care.

(13) Support activities. -- Procedures that do not require formal academic training, including the delivery, setup, and maintenance of apparatus. The term also includes giving instructions on the use, fitting, and application of apparatus, but does not include therapeutic evaluation and assessment.

"**§ 90-649. North Carolina Respiratory Care Board; creation.**

(a) The North Carolina Respiratory Care Board is created. The Board shall consist of 10 members as follows:

(1) Two members shall be respiratory care practitioners.

(2) Four members shall be physicians licensed to practice in North Carolina, and whose primary practice is Pulmonology, Anesthesiology, Critical Care Medicine, or whose specialty is Cardiothoracic Disorders.

(3) One member shall represent the NCHA.

(4) One member shall represent the North Carolina Association of Medical Equipment Services.

(5) Two members shall represent the public at large.

(b) Members of the Board shall be citizens of the United States and residents of this State. The respiratory care practitioner members shall have practiced respiratory care for at least five years and shall be licensed under this Article. The public members shall not be: (i) a respiratory care practitioner, (ii) an agent or employee of a person engaged in the profession of respiratory care, (iii) a health care professional licensed under this Chapter or a person enrolled in a program to become

a licensed health care professional, (iv) an agent or employee of a health care institution, a health care insurer, or a health care professional school, (v) a member of an allied health profession or a person enrolled in a program to become a member of an allied health profession, or (vi) a spouse of an individual who may not serve as a public member of the Board.

"**§ 90-650. Appointments and removal of Board members; terms and compensation.**

(a) The members of the Board shall be appointed as follows:

(1) The Governor shall appoint the public members described in G.S. 90-649(a)(5).

(2) The General Assembly, upon the recommendation of the Speaker of the House of Representatives, shall appoint one of the respiratory care practitioner members described in G.S. 90-649(a)(1) and one of the physician members described in G.S. 90-649(a)(2) in accordance with G.S. 120-121.

(3) The General Assembly, upon the recommendation of the President Pro Tempore of the Senate, shall appoint one of the respiratory care practitioner members described in G.S. 90-649(a)(1) and one of the physician members described in G.S. 90-649(a)(2) in accordance with G.S. 120-121.

(4) The North Carolina Medical Society shall appoint one of the physician members described in G.S. 90-649(a)(2).

(5) The Old North State Medical Society shall appoint one of the physician members described in G.S. 96-649(a)(2).

(6) The North Carolina Hospital Association shall appoint the member described in G.S. 90-649(a)(3).

(7) The North Carolina Association of Medical Equipment Services shall appoint the member described in G.S. 90-649(a)(4).

(b) Members of the Board shall take office on the first day of November immediately following the expired term of that office and shall serve for a term of three years and until their successors are appointed and qualified. No member shall serve on the Board for more than two consecutive terms.

(c) The Governor may remove members of the Board, after notice and an opportunity for hearing, for incompetence, neglect of duty, unprofessional conduct, conviction of any felony, failure to meet the qualifications of this Article, or committing any act prohibited by this Article.

(d) Any vacancy shall be filled by the authority originally filling that position, except that any vacancy in appointments by the General Assembly shall be filled in accordance with G.S. 120-122. Appointees to fill vacancies shall serve the remainder of the unexpired term and until their successors have been duly appointed and qualified.

(e) Members of the Board shall receive no compensation for their services but shall be entitled to travel, per diem, and other expenses authorized by G.S. 93B-5.

(f) Individual members shall be immune from civil liability arising from activities performed within the scope of their official duties.

"**§ 90-651. Election of officers; meetings of the Board.**

(a) The Board shall elect a chair and a vice-chair who shall hold office according to rules adopted pursuant to this Article, except that all officers shall be elected annually by the Board for one-year terms and shall serve until their successors are elected and qualified.

(b) The Board shall hold at least two regular meetings each year as provided by rules adopted pursuant to this Article. The Board may hold additional meetings upon the call of the chair or any two Board members. A majority of the Board membership shall constitute a quorum.

"**§ 90-652. Powers and duties of the Board.**

The Board shall have the power and duty to:

(1) Determine the qualifications and fitness of applicants for licensure, renewal of licensure, and reciprocal licensure.

(2) Establish and adopt rules necessary to conduct its business, carry out its duties, and administer this Article.

(3) Adopt and publish a code of ethics.

(4) Deny, issue, suspend, revoke, and renew licenses in accordance with this Article.

(5) Conduct investigations, subpoena individuals and records, and do all other things necessary and proper to discipline persons licensed under this Article and to enforce this Article.

(6) Employ professional, clerical, investigative, or special personnel necessary to carry out the provisions of this Article and purchase or rent office space, equipment, and supplies.

(7) Adopt a seal by which it shall authenticate its proceedings, official records, and licenses.

(8) Conduct administrative hearings in accordance with Article 3A of Chapter 150B of the General Statutes.

(9) Establish certain reasonable fees as authorized by this Article for applications for examination, licensure, provisional licensure, renewal of licensure, and other services provided by the Board.

(10) Submit an annual report to the North Carolina Medical Board, the North Carolina Hospital Association, the North Carolina Society of Respiratory Care, the Governor, and the General Assembly of all the Board's official actions during the preceding year, together with any recommendations and findings regarding improvements of the practice of respiratory care.

(11) Publish and make available upon request the licensure standards prescribed under this Article and all rules adopted pursuant to this Article.

(12) Request and receive the assistance of State educational institutions or other State agencies.

(13) Establish and approve continuing education requirements for persons seeking licensure under this Article.

"**§ 90-653. Licensure requirements; examination.**

(a) Each applicant for licensure under this Article shall meet the following requirements:

(1) Submit a completed application as required by the Board.

(2) Submit any fees required by the Board.

(3) Submit to the Board written evidence, verified by oath, that the applicant has successfully completed the minimal requirements of a respiratory care education program as approved by the Commission for Accreditation of Allied Health Educational Programs.

(4) Submit to the Board written evidence, verified by oath, that the applicant has successfully completed the minimal requirements for Basic Cardiac Life Support as recognized by the American Heart Association.

(5) Pass the entry-level examination given by the National Board for Respiratory Care, Inc.

(b) At least three times each year, the Board shall cause the examination required in subdivision (5) of subsection (a) of this section to be given to applicants at a time and place to be announced by the Board. Any applicant who fails to pass the first examination may take additional examinations in accordance with rules adopted pursuant to this Article.

"**§ 90-654. Exemption from certain requirements.**

(a) The Board may issue a license to an applicant who, as of October 1, 2000, has passed the entry-level examination given by the National Board for Respiratory Care, Inc. An applicant applying for licensure under this subsection shall submit his or her application to the Board before October 1, 2002.

(b) The Board may grant a temporary license to an applicant who, as of October 1, 2000, does not meet the qualifications of G.S. 90-653 but, through written evidence verified by oath, demonstrates that he or she is performing the duties of a respiratory care practitioner within the State. The temporary license is valid until October 1, 2002, within which time the applicant shall be required to complete the requirements of G.S. 90-653(a)(5). A license granted under this subsection shall contain an endorsement indicating that the license is temporary and shall state the date the license was granted and the date it expires.

"**§ 90-655. Licensure by reciprocity.**

The Board may grant, upon application and the payment of proper fees, a license to a person who, at the time of application holds a valid license, certificate, or registration as a respiratory care practitioner issued by another state or a political territory or jurisdiction acceptable to the Board if, in the Board's determination, the requirements for that license, certificate, or registration are substantially the same as the requirements for licensure under this Article.

"**§ 90-656. Provisional license.**

The Board may grant a provisional license for a period not exceeding 12 months to any applicant who has successfully completed the education requirements under G.S.

90-653(a)(3) and has made application to take the examination required under G.S. 90-653(a)(5). A provisional license allows the individual to practice respiratory care under the supervision of a respiratory care practitioner and in accordance with rules adopted pursuant to this Article. A license granted under this section shall contain an endorsement indicating that the license is provisional and stating the terms and conditions of its use by the licensee and shall state the date the license was granted and the date it expires.

"§ 90-657. Notification of applicant following evaluation of application.

After evaluation of the application and of any other evidence required from the applicant by the Board, the Board shall notify each applicant that the application and evidence submitted are satisfactory and accepted or unsatisfactory and rejected. If the application and evidence is rejected, the notice shall state the reasons for the rejection.

"§ 90-658. License as property of the Board; display requirement; renewal; inactive status.

(a) A license issued by the Board is the property of the Board and shall be surrendered by the licensee to the Board on demand.

(b) The licensee shall display the license in the manner prescribed by the Board.

(c) The licensee shall inform the Board of any change of the licensee's address.

(d) The license shall be renewed by the Board annually upon the payment of a renewal fee if, at the time of application for renewal, the applicant is not in violation of this Article and has fulfilled the current requirements regarding continuing education as established by rules adopted pursuant to this Article.

(e) The Board shall notify a licensee at least 30 days in advance of the expiration of his or her license. Each licensee is responsible for renewing his or her license before the expiration date. Licenses that are not renewed automatically lapse.

(f) The Board may provide for the late renewal of an automatically lapsed license upon the payment of a late fee. No late fee renewal may be granted more than five years after a license expires.

(g) In accordance with rules adopted pursuant to this Article, a licensee may request that his or her license be declared inactive and may thereafter apply for active status.

"§ 90-659. Suspension, revocation, and refusal to renew a license.

(a) The Board shall take the necessary actions to deny or refuse to renew a license, suspend or revoke a license, or to impose probationary conditions on a licensee or applicant if the licensee or applicant:

(1) Has engaged in any of the following conduct:

a. Employed fraud, deceit, or misrepresentation in obtaining or attempting to obtain a license or the renewal of a license.

b. Committed an act of malpractice, gross negligence, or incompetence in the practice of respiratory care.

c. Practiced respiratory care without a license.

d. Engaged in health care practices that are determined to be hazardous to public health, safety, or welfare.

(2) Was convicted of or entered a plea of guilty or nolo contendere to any crime involving moral turpitude.
(3) Was adjudicated insane or incompetent, until proof of recovery from the condition can be established.
(4) Engaged in any act or practice that violates any of the provisions of this Article or any rule adopted pursuant to this Article, or aided, abetted, or assisted any person in such a violation.

(b) Denial, refusal to renew, suspension, or revocation of a license, or imposition of probationary conditions upon a licensee may be ordered by the Board after a hearing held in accordance with Article 3A of Chapter 150B of the General Statutes and rules adopted pursuant to this Article. An application may be made to the Board for reinstatement of a revoked license if the revocation has been in effect for at least one year.

"**§ 90-660. Expenses; fees.**

(a) All salaries, compensation, and expenses incurred or allowed for carrying out the purposes of this Article shall be paid by the Board exclusively out of the fees received by the Board as authorized by this Article or funds received from other sources. In no case shall any salary, expense, or other obligations of the Board be charged against the State.

(b) All monies received by the Board pursuant to this Article shall be deposited in an account for the Board and shall be used for the administration and implementation of this Article. The Board shall establish fees in amounts to cover the cost of services rendered for the following purposes:

(1) For an initial application, a fee not to exceed twenty-five dollars ($25.00).
(2) For examination or reexamination, a fee not to exceed one hundred fifty dollars ($150.00).
(3) For issuance of any license, a fee not to exceed one hundred dollars ($100.00).
(4) For the renewal of any license, a fee not to exceed fifty dollars ($50.00).
(5) For the late renewal of any license, an additional late fee not to exceed fifty dollars ($50.00).
(6) For a license with a provisional or temporary endorsement, a fee not to exceed thirty-five dollars ($35.00).
(7) For copies of rules adopted pursuant to this Article and licensure standards, charges not exceeding the actual cost of printing and mailing.

"**§ 90-661. Requirement of license.**

After October 1, 2002, it shall be unlawful for any person who is not currently licensed under this Article to:

(1) Engage in the practice of respiratory care.
(2) Use the title 'respiratory care practitioner'.

(3) Use the letters 'RCP', 'RTT', 'RT', or any facsimile or combination in any words, letters, abbreviations, or insignia.

(4) Imply orally or in writing or indicate in any way that the person is a respiratory care practitioner or is otherwise licensed under this Article.

(5) Employ or solicit for employment unlicensed persons to practice respiratory care.

"**§ 90-662. Violation a misdemeanor.**

Any person who violates any provision of this Article shall be guilty of a Class 1 misdemeanor.

"**§ 90-663. Injunctions.**

The Board may apply to the superior court for an order enjoining violations of this Article, and upon a showing by the Board that any person has violated or is about to violate this Article, the court may grant an injunction or restraining order or take other appropriate action.

"**§ 90-664. Persons and practices not affected.**

The requirements of this Article shall not apply to:

(1) Any person registered, certified, credentialed, or licensed to engage in another profession or occupation or any person working under the supervision of a person registered, certified, credentialed, or licensed to engage in another profession or occupation in this State who is performing work incidental to or within the practice of that profession or occupation and does not represent himself or herself as a respiratory care practitioner.

(2) A student or trainee working under the direct supervision of a respiratory care practitioner while fulfilling an experience requirement or pursuing a course of study to meet requirements for licensure in accordance with rules adopted pursuant to this Article.

(3) A respiratory care practitioner serving in the armed forces or the Public Health Service of the United States or employed by the Veterans Administration when performing duties associated with that service or employment.

(4) A person who performs only support activities as defined in G.S. 90-648(13).

"**§ 90-665. Third-party reimbursement.**

Nothing in this Article shall be construed to require direct third-party reimbursements to persons licensed under this Article."

Section 2. G.S. 120-123 is amended by adding a new subdivision to read:

"(70) The North Carolina Respiratory Care Board as created by Article 37 of Chapter 90 of the General Statutes."

Section 3. The initial appointments to the North Carolina Respiratory Care Board, created in G.S. 90-649, as enacted in Section 1 of this act, shall be appointed no later than October 1, 2000. Notwithstanding the provisions of G.S. 90-

649(b), as enacted in Section 1 of this act, the initial members of the North Carolina Respiratory Care Board who are appointed pursuant to G.S. 90-649(a)(1) must have passed the entry-level examination administered by the National Board for Respiratory Care, Inc. Notwithstanding the provisions of G.S. 90-650(b), as enacted in Section 1 of this act, of the initial appointments to the North Carolina Respiratory Care Board, one of the members appointed by the General Assembly, upon the recommendation of the Speaker of the House of Representatives, and one of the members appointed by the General Assembly, upon the recommendation of the President Pro Tempore of the Senate, shall be appointed for three-year terms; one of the members appointed by the General Assembly, upon the recommendation of the Speaker of the House of Representatives, and one of the members appointed by the General Assembly, upon the recommendation of the President Pro Tempore of the Senate, shall be appointed for two-year terms; the public members appointed by the Governor shall be appointed for a one-year term; the physician member appointed by the North Carolina Medical Society shall be appointed for a one-year term; the physician member appointed by the Old North State Medical Society shall be appointed for a one-year term; and the members appointed by the North Carolina Hospital Association and the North Carolina Association of Medical Equipment Services shall be appointed for one-year terms.

Section 4.(a) Article 3 of Chapter 58 of the General Statutes is amended by adding a new section to read:

"**§ 58-3-225. Prompt claim payments under health benefit plans.**

(a) As used in this section:

(1) 'Health benefit plan' means an accident and health insurance policy or certificate; a nonprofit hospital or medical service corporation contract; a health maintenance organization subscriber contract; a plan provided by a multiple employer welfare arrangement; or a plan provided by another benefit arrangement, to the extent permitted by the Employee Retirement Income Security Act of 1974, as amended, or by any waiver of or other exception to that act provided under federal law or regulation. 'Health benefit plan' does not mean any plan implemented or administered by the North Carolina or United States Department of Health and Human Services, or any successor agency, or its representatives. 'Health benefit plan' also does not mean any of the following kinds of insurance:

a. Credit.

b. Disability income.

c. Coverage issued as a supplement to liability insurance.

d. Hospital income or indemnity.

e. Insurance under which benefits are payable with or without regard to fault and that is statutorily required to be contained in any liability policy or equivalent self-insurance.

f. Long-term or nursing home care.

g. Medical payments under motor vehicle or homeowners' insurance policies.
h. Medicare supplement.
i. Short-term limited duration health insurance policies as defined in Part 144 of Title 45 of the Code of Federal Regulations.
j. Workers' compensation.

(2) 'Claimant' includes a health care provider or facility that is responsible or permitted under contract with the insurer or by valid assignment of benefits for directly making the claim with an insurer.

(3) 'Health care facility' means a facility that is licensed under Chapter 131E or Chapter 122C of the General Statutes or is owned or operated by the State of North Carolina in which health care services are provided to patients.

(4) 'Health care provider' means an individual who is licensed, certified, or otherwise authorized under Chapter 90 of the General Statutes to provide health care services in the ordinary course of business or practice of a profession or in an approved education or training program.

(5) 'Insurer' includes an insurance company subject to this Chapter, a service corporation organized under Article 65 of this Chapter, a health maintenance organization organized under Article 67 of this Chapter, or a multiple employer welfare arrangement subject to Article 49 of this Chapter, that writes a health benefit plan.

(b) An insurer shall, within 30 calendar days after receipt of a claim, send by electronic or paper mail to the claimant:

(1) Payment of the claim.
(2) Notice of denial of the claim.
(3) Notice that the proof of loss is inadequate or incomplete.
(4) Notice that the claim is not submitted on the form required by the health benefit plan, by the contract between the insurer and health care provider or health care facility, or by applicable law.
(5) Notice that coordination of benefits information is needed in order to pay the claim.
(6) Notice that the claim is pending based on nonpayment of fees or premiums.

For purposes of this section, an insurer is presumed to have received a written claim five business days after the claim has been placed first-class postage prepaid in the United States mail addressed to the insurer and an electronic claim transmitted to the insurer or a designated clearinghouse on the day the claim is electronically transmitted. The presumption may be rebutted by sufficient evidence that the claim was received on another day or not received at all.

(c) If the claim is denied, the notice shall include all of the specific good faith reason or reasons for the denial, including, without limitation, coordination of benefits, lack of eligibility, or lack of coverage for the services provided. If the claim is contested or cannot be paid because the proof of loss is inadequate or incomplete, or not paid pending receipt of requested coordination of benefits information, the notice shall contain the specific good faith reason or reasons why the claim has not been paid and an itemization or description of all of the information needed by the insurer to complete the processing of the claim. If all or part of the claim is contested or cannot be paid because of the application of a specific utilization management or medical necessity standard is not satisfied, the notice shall contain the specific clinical rationale for that decision or shall refer to specific provisions in documents that are made readily available through the insurer which provide the specific clinical rationale for that decision; however, if a notice of noncertification has already been provided under G.S. 58-50-61(h), then the specific clinical rationale for the decision is not required under this subsection. If the claim is contested or cannot be paid because of nonpayment of premiums, the notice shall contain a statement advising the claimant of the nonpayment of premiums. If a claim is not paid pending receipt of requested coordination of benefits information, the notice shall so specify. If a claim is denied or contested in part, the insurer shall pay the undisputed portion of the claim within 30 calendar days after receipt of the claim and send the notice of the denial or contested status within 30 days after receipt of the claim. If a claim is contested or cannot be paid because the claim was not submitted on the required form, the notice shall contain the required form, if the form is other than a UB or HCFA form, and instructions to complete that form. Upon receipt of additional information requested in its notice to the claimant, the insurer shall continue processing the claim and pay or deny the claim within 30 days after receiving the additional information.

(d) If an insurer requests additional information under subsection (c) of this section and the insurer does not receive the additional information within 90 days after the request was made, the insurer shall deny the claim and send the notice of denial to the claimant in accordance with subsection (c) of this section. The insurer shall include the specific reason or reasons for denial in the notice, including the fact that information that was requested was not provided. The insurer shall inform the claimant in the notice that the claim will be reopened if the information previously requested is submitted to the insurer within one year after the date of the denial notice closing the claim.

(e) Health benefit plan claim payments that are not made in accordance with this section shall bear interest at the annual percentage rate of eighteen percent (18%) beginning on the date following the day on which the claim should have been paid. If additional information was requested by the insurer under subsection (b) of this section, interest on health benefit claim payments shall begin to accrue on the 31st day after the insurer received the additional information. A payment is considered made on the date upon which a check, draft, or other valid negotiable instrument is placed in the United States Postal Service in a properly addressed, postpaid envelope,

or, if not mailed, on the date of the electronic transfer or other delivery of the payment to the claimant. This subsection does not apply to claims for benefits that are not covered by the health benefit plan; nor does this subsection apply to deductibles, co-payments, or other amounts for which the insurer is not liable.

(f) Insurers may require that claims be submitted within 180 days after the date of the provision of care to the patient by the health care provider and, in the case of health care provider facility claims, within 180 days after the date of the patient's discharge from the facility. However, an insurer may not limit the time in which claims may be submitted to fewer than 180 days. Unless otherwise agreed to by the insurer and the claimant, failure to submit a claim within the time required does not invalidate or reduce any claim if it was not reasonably possible for the claimant to file the claim within that time, provided that the claim is submitted as soon as reasonably possible and in no event, except in the absence of legal capacity of the insured, later than one year from the time submittal of the claim is otherwise required.

(g) If a claim for which the claimant is a health care provider or health care facility has not been paid or denied within 60 days after receipt of the initial claim, the insurer shall send a claim status report to the insured. Provided, however, that the claims status report is not required during the time an insurer is awaiting information requested under subsection (c) of this section. The report shall indicate that the claim is under review and the insurer is communicating with the health care provider or health care facility to resolve the matter. While a claim remains unresolved, the insurer shall send a claim status report to the insured with a copy to the provider 30 days after the previous report was sent.

(h) To the extent permitted by the contract between the insurer and the health care provider or health care facility, the insurer may recover overpayments made to the health care provider or health care facility by making demands for refunds and by offsetting future payments. Any such recoveries may also include related interest payments that were made under the requirements of this section. Recoveries by the insurer must be accompanied by the specific reason and adequate information to identify the specific claim. To the extent permitted by the contract between the insurer and the health care provider or health care facility, the health care provider or health care facility may recover underpayments or nonpayments by the insurer by making demands for refunds. Any such recoveries by the health care provider or health care facility of underpayments or nonpayment by the insurer may include applicable interest under this section. The period for which such recoveries may be made may be specified in the contract between the insurer and health care provider or health care facility.

(i) Every insurer shall maintain written or electronic records of its activities under this section, including records of when each claim was received, paid, denied, or pended, and the insurer's review and handling of each claim under this section, sufficient to demonstrate compliance with this section.

(j) A violation of this section by an insurer subjects the insurer to the sanctions in G.S. 58-2-70. The authority of the Commissioner under this subsection does not

impair the right of a claimant to pursue any other action or remedy available under law. With respect to a specific claim, an insurer paying statutory interest in good faith under this section is not subject to sanctions for that claim under this subsection.

(k) An insurer is not in violation of this section nor subject to interest payments under this section if its failure to comply with this section is caused in material part by (i) the person submitting the claim, or (ii) by matters beyond the insurer's reasonable control, including an act of God, insurrection, strike, fire, or power outages. In addition, an insurer is not in violation of this section or subject to interest payments to the claimant under this section if the insurer has a reasonable basis to believe that the claim was submitted fraudulently and notifies the claimant of the alleged fraud.

(l) This section does not apply to claims processed by an insurer on a claims adjudication system that was implemented prior to January 1, 1982, provided that the insurer:

(1) Verifies with the Commissioner that its claims adjudication system qualifies under this subsection; and

(2) Is implementing a new claims adjudication software system and is proceeding in good faith to move all claims to the new system as soon as possible and in any event no later than December 31, 2002.

This subsection expires January 1, 2003.

(m) Nothing in this section limits or impairs the patient's liability under existing law for payment of medical expenses."

Section 4.(b) G.S. 58-3-100(c) reads as rewritten:

"(c) The Commissioner may impose a civil penalty under G.S. 58-2-70 if an HMO, service corporation, MEWA, or insurer fails to acknowledge a claim within 30 days after receiving written or electronic notice of the claim, but only if the notice contains sufficient information for the insurer to identify the specific coverage involved. Acknowledgement of the claim shall be made to the claimant or his legal representative advising that the claim is being investigated; or shall be a payment of the claim; or shall be a bona fide written offer of settlement; or shall be a written denial of the claim. A claimant includes an insured, a health care provider, or a health care facility that is responsible for directly making the claim with an insurer. This subsection does not apply to insurers subject to G.S. 58-3-225."

Section 4.(c) G.S. 58-3-172(a) reads as rewritten:

"(a) For all claims denied for health care provider services under health benefit plans, written notification of the denied claim shall be given to the insured and to the health care provider submitting the claim if the health care provider would otherwise be eligible for payment. This subsection does not apply to insurers subject to G.S. 58-3-225."

Section 4.(d) G.S. 58-51-15(a)(7) reads as rewritten:

"(7) A provision in the substance of the following language:

PROOFS OF LOSS: Written proof of loss must be furnished to the insurer at its said office in the case of a claim for loss for which this policy provides any periodic payment contingent upon

continuing loss within ~~90~~ 180 days after the termination of the period for which the insurer is liable and in case of a claim for any other loss within ~~90~~ 180 days after the date of such loss. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal ~~capacity,~~ capacity of the insured, later than one year from the time proof is otherwise required."

Section 5. Section 4 of this act becomes effective July 1, 2001, and applies to claims received on or after that date. The remainder of this act is effective when it becomes law.

HOUSE BILL 1340:
Respiratory Care Practice Act

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Representative Tolson
Date:	June 2 8, 2000	**Summary by:**	Martha K. Walston
Version:	H1340-PCS2452-LN001		Committee Counsel

SUMMARY: ***House Bill 1340 establishes the Respiratory Care Practice Act for the purpose of licensing respiratory care practitioners. The bill sets up the Respiratory Care Board, establishes licensure requirements, provides for the denial, suspension, and revocation of licenses, establishes fees, provides that a violation is a Class 1 misdemeanor, and exempts certain persons and practices from licensure. HB 1340 was given a favorable report in Senate Finance and re-referred to Senate Finance***

The PCS adds a new section to Article 3 of Chapter 58 to provide for prompt payment of claims under health benefit plans and to make conforming amendments to related claim payment laws. The changes are in Sections 4(a)-4(d) of the bill beginning on page 10. The new section is effective July 1, 2001.

The new section to the Insurance Chapter of the General Statutes does the following:

- Defines a health benefit plan
- Requires insurer that writes health benefit plan, within 30 days after receipt of claim, to do one of the following by sending electronic or paper mail to claimant: pay claim, deny claim, notify claimant that proof of loss is inadequate or incomplete, notify claimant that claim not submitted on proper form, notify claimant that coordination of benefits information is needed to pay claim, or notify claimant that claim is pending based on nonpayment of fees or premiums.
- If claim not paid, the notice must specify reasons.
- Upon receipt of additional information requested in the notice, the insurer must pay or deny claim within 30 days. If the insurer does not receive the necessary additional information within 90 days of its request, the insurer shall deny the claim, notify claimant of reasons for denial, and indicate that the claim will be reopened if the requested information is submitted within one year of the denial notice.
- **Requires the insurer to pay 18% annual interest on claim payments not made in accordance with the new section.**
- Insurers may not limit the time in which claims may be submitted to fewer than 180 days.
- Allows insurer, to extent permitted by contract between the insurer and provider or health care facility, to recover overpayments made to a health care provider or health care facility by making demands for refunds and by offsetting future payments.
- If an insurer violates the new section, he is subject to sanctions including monetary penalty of not less than $100 nor more than $1,000 or restitution.
- The new section does not apply to certain claims processed by an insurer on a claims adjudication system that was implemented prior to January 1, 1982

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: North Carolina Respiratory Care Board

EFFECTIVE DATE: This act is effective when it becomes law.

BILL SUMMARY:

This bill establishes the Respiratory Care Practice Act. It creates an eight member NC Respiratory Care Board with powers and duties that include determining qualifications and fitness of applicants for licensure, renewal of licensure, reciprocal licensure, and suspension, revocation, and refusal to renew license. Provides that after Oct. 1, 2000, it is unlawful for person to engage in practice of respiratory care without license. The bill sets the following maximum fees: (1) initial application, $25; (2) examination or reexamination, $150; (3) issuance of license, $100; (4) renewal of license, $50; (5) late renewal of license, $50; and (6) license with provisional or temporary endorsement, $35. Violation of any provision of Article is a Class 1 misdemeanor.

ASSUMPTIONS AND METHODOLOGY:

The North Carolina Society for Respiratory Care identified approximately 2,100 respiratory care practitioners in North Carolina in 1995. This number has grown to 2,300 in 1999 based on 1) the state's Community College System graduates approximately 110 respiratory care students each year, and 2) it is estimated that 60 respiratory care professionals retire or leave the profession each year. This net gain of 50 respiratory care professionals is expected to continue into the near future.

The chart below estimates the number of applications, licenses, license endorsements, and license renewals handled by the new North Carolina Respiratory Care Board each fiscal year.

	FY 99-00	FY 00-01	FY 01-02	FY 02-03	FY 03-04
Applications	2,300	110	110	110	110
Initial Licenses	2,300	110	110	110	110
Temporary Endorsements	575				
License Renewal		2,240	2,290	2,340	2,390

This fiscal note assumes that the Board will be appointed during FY 1999-00 and that Board staff will be hired in time to receive applications and issue licenses to 2300 current respiratory care practitioners in the state in FY 1999-00. Approximately 75% of the current professionals have passed an exam given by the National Board for Respiratory Care (NBRC) and will be issued a license. The remaining 25% of existing professionals will receive a license with a temporary endorsement until they complete the NBRC exam. Since the NBRC exam is given in March, July and November, it is assumed that this group will take the exam in July 2000 to meet the October 2000 deadline. Future year license renewal assumes an attrition rate of 60 professionals each year and increase of 110 new applicants from the Community Colleges.

The next chart shows the anticipated revenue from the proposed fees. Respiratory care practitioners will pay a $25 application fee and a $100 license fee in their first year in the program. The annual license renewal fee is $50. A respiratory care practitioner that has not passed the NBRC exam must pay $25 application fee, a $100 license fee, and a $35 temporary endorsement fee. The fee for the NBRC exam is $150 and goes directly to the national board and is not kept by the state board. This exam is already given to all those graduating from Community College respiratory care programs.

	FY 99-00	FY 00-01	FY 01-02	FY 02-03	FY 03-04
Applications ($25)	$57,500	$2,750	$2,750	$2,750	$2,750
Initial Licenses ($100)	$230,000	$11,000	$11,000	$11,000	$11,000
Temporary Endorsement ($35)	$20,125				
License Renewal ($50)		$112,000	$114,500	$117,000	$119,500
Total Fee Revenue	$307,625	$125,750	$128,250	$130,750	$133,250

TECHNICAL CONSIDERATIONS:
GS 90-660(b) (2) does not identify the $150 exam fee as the cost of the exam given by the National Board for Respiratory Care (NBRC).

FISCAL RESEARCH DIVISION 733-4910
PREPARED BY: Richard Bostic

APPROVED BY: Tom Covington

DATE: Tuesday, July 06, 1999

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1999

H D

HOUSE BILL 1340
Committee Substitute Favorable 6/23/99
Senate Health Care Committee Substitute Adopted 6/15/00
Proposed Senate Committee Substitute H1340-PCS8215-LN001

Short Title: Respiratory Care Practice Act. (Public)

Sponsors:

Referred to:

April 26, 1999

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH THE RESPIRATORY CARE PRACTICE ACT, TO PROVIDE FOR THE PROMPT PAYMENT OF CLAIMS UNDER HEALTH BENEFIT PLANS, AND TO MAKE CONFORMING AMENDMENTS TO RELATED CLAIM PAYMENT LAWS.

The General Assembly of North Carolina enacts:

Section 1. Chapter 90 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 38.

"Respiratory Care Practice Act.

"**§ 90-646. Short title.**

This Article may be cited as the 'Respiratory Care Practice Act'.

"**§ 90-647. Purpose.**

The General Assembly finds that the practice of respiratory care in the State of North Carolina affects the public health, safety, and welfare and that the mandatory licensure of persons who engage in respiratory care is necessary to ensure a minimum standard of competency. It is the purpose and intent of this Article to protect the public from the unqualified practice of respiratory care and from unprofessional conduct by persons licensed pursuant to this Article.

"**§ 90-648. Definitions.**

The following definitions apply in this Article:

(1) Board. -- The North Carolina Respiratory Care Board.

(2) Diagnostic testing. -- Cardiopulmonary procedures and tests performed on the written order of a physician licensed under Article 1 of this Chapter that provide information to the physician to formulate a diagnosis of the patient's condition. The tests and procedures may include pulmonary function testing, electrocardiograph testing, cardiac stress testing, and sleep related testing.

(3) Direct supervision. -- The authority and responsibility to direct the performance of activities as established by policies and procedures for safe and appropriate completion of services.

(4) Individual. -- A human being.

(5) License. -- A certificate issued by the Board recognizing the person named therein as having met the requirements to practice respiratory care as defined in this Article.

(6) Licensee. -- A person who has been issued a license under this Article.

(7) Medical director. -- An appointed physician who is licensed under Article 1 of this Chapter and a member of the entity's medical staff, and who is granted the authority and responsibility for assuring and establishing policies and procedures and that the provision of such is provided to the quality, safety, and appropriateness standards as recognized within the defined scope of practice for the entity.

(8) Person. -- An individual, corporation, partnership, association, unit of government, or other legal entity.

(9) Physician. -- A doctor of medicine licensed by the State of North Carolina in accordance with Article 1 of this Chapter.

(10) Practice of respiratory care. -- As defined by the written order of a physician licensed under Article 1 of this Chapter, the observing and monitoring of signs and symptoms, general behavior, and general physical response to respiratory care treatment and diagnostic testing, including the determination of whether such signs, symptoms, reactions, behavior, or general response exhibit abnormal characteristics, and the performance of diagnostic testing and therapeutic application of:

a. Medical gases, humidity, and aerosols including the maintenance of associated apparatus, except for the purpose of anesthesia.

b. Pharmacologic agents related to respiratory care procedures, including those agents necessary to perform hemodynamic monitoring.

c. Mechanical or physiological ventilatory support.

d. Cardiopulmonary resuscitation and maintenance of natural airways, the insertion and maintenance of artificial airways under the direct supervision of a recognized medical director in a health care environment which identifies these services within the scope of practice by the facility's governing board.
e. Hyperbaric oxygen therapy.
f. New and innovative respiratory care and related support activities in appropriately identified environments and under the training and practice guidelines established by the American Association of Respiratory Care.

The term also means the interpretation and implementation of a physician's written or verbal order pertaining to the acts described in this subdivision.

(11) Respiratory care. -- As defined by the written order of a physician licensed under Article 1 of Chapter 90, the treatment, management, diagnostic testing, and care of patients with deficiencies and abnormalities associated with the cardiopulmonary system.

(12) Respiratory care practitioner. -- A person who has been licensed by the Board to engage in the practice of respiratory care.

(13) Support activities. -- Procedures that do not require formal academic training, including the delivery, setup, and maintenance of apparatus. The term also includes giving instructions on the use, fitting, and application of apparatus, but does not include therapeutic evaluation and assessment.

"**§ 90-649. North Carolina Respiratory Care Board; creation.**

(a) The North Carolina Respiratory Care Board is created. The Board shall consist of 10 members as follows:

(1) Two members shall be respiratory care practitioners.
(2) Four members shall be physicians licensed to practice in North Carolina, and whose primary practice is Pulmonology, Anesthesiology, Critical Care Medicine, or whose specialty is Cardiothoracic Disorders.
(3) One member shall represent the NCHA.
(4) One member shall represent the North Carolina Association of Medical Equipment Services.
(5) Two members shall represent the public at large.

(b) Members of the Board shall be citizens of the United States and residents of this State. The respiratory care practitioner members shall have practiced respiratory care for at least five years and shall be licensed under this Article. The public members shall not be: (i) a respiratory care practitioner, (ii) an agent or employee of a person engaged in the profession of respiratory care, (iii) a health care professional licensed under this Chapter or a person enrolled in a program to become

a licensed health care professional, (iv) an agent or employee of a health care institution, a health care insurer, or a health care professional school, (v) a member of an allied health profession or a person enrolled in a program to become a member of an allied health profession, or (vi) a spouse of an individual who may not serve as a public member of the Board.

"**§ 90-650. Appointments and removal of Board members; terms and compensation.**

(a) The members of the Board shall be appointed as follows:

(1) The Governor shall appoint the public members described in G.S. 90-649(a)(5).

(2) The General Assembly, upon the recommendation of the Speaker of the House of Representatives, shall appoint one of the respiratory care practitioner members described in G.S. 90-649(a)(1) and one of the physician members described in G.S. 90-649(a)(2) in accordance with G.S. 120-121.

(3) The General Assembly, upon the recommendation of the President Pro Tempore of the Senate, shall appoint one of the respiratory care practitioner members described in G.S. 90-649(a)(1) and one of the physician members described in G.S. 90-649(a)(2) in accordance with G.S. 120-121.

(4) The North Carolina Medical Society shall appoint one of the physician members described in G.S. 90-649(a)(2).

(5) The Old North State Medical Society shall appoint one of the physician members described in G.S. 96-649(a)(2).

(6) The North Carolina Hospital Association shall appoint the member described in G.S. 90-649(a)(3).

(7) The North Carolina Association of Medical Equipment Services shall appoint the member described in G.S. 90-649(a)(4).

(b) Members of the Board shall take office on the first day of November immediately following the expired term of that office and shall serve for a term of three years and until their successors are appointed and qualified. No member shall serve on the Board for more than two consecutive terms.

(c) The Governor may remove members of the Board, after notice and an opportunity for hearing, for incompetence, neglect of duty, unprofessional conduct, conviction of any felony, failure to meet the qualifications of this Article, or committing any act prohibited by this Article.

(d) Any vacancy shall be filled by the authority originally filling that position, except that any vacancy in appointments by the General Assembly shall be filled in accordance with G.S. 120-122. Appointees to fill vacancies shall serve the remainder of the unexpired term and until their successors have been duly appointed and qualified.

(e) Members of the Board shall receive no compensation for their services but shall be entitled to travel, per diem, and other expenses authorized by G.S. 93B-5.

(f) Individual members shall be immune from civil liability arising from activities performed within the scope of their official duties.

"**§ 90-651. Election of officers; meetings of the Board.**

(a) The Board shall elect a chair and a vice-chair who shall hold office according to rules adopted pursuant to this Article, except that all officers shall be elected annually by the Board for one-year terms and shall serve until their successors are elected and qualified.

(b) The Board shall hold at least two regular meetings each year as provided by rules adopted pursuant to this Article. The Board may hold additional meetings upon the call of the chair or any two Board members. A majority of the Board membership shall constitute a quorum.

"**§ 90-652. Powers and duties of the Board.**

The Board shall have the power and duty to:

(1) Determine the qualifications and fitness of applicants for licensure, renewal of licensure, and reciprocal licensure.

(2) Establish and adopt rules necessary to conduct its business, carry out its duties, and administer this Article.

(3) Adopt and publish a code of ethics.

(4) Deny, issue, suspend, revoke, and renew licenses in accordance with this Article.

(5) Conduct investigations, subpoena individuals and records, and do all other things necessary and proper to discipline persons licensed under this Article and to enforce this Article.

(6) Employ professional, clerical, investigative, or special personnel necessary to carry out the provisions of this Article and purchase or rent office space, equipment, and supplies.

(7) Adopt a seal by which it shall authenticate its proceedings, official records, and licenses.

(8) Conduct administrative hearings in accordance with Article 3A of Chapter 150B of the General Statutes.

(9) Establish certain reasonable fees as authorized by this Article for applications for examination, licensure, provisional licensure, renewal of licensure, and other services provided by the Board.

(10) Submit an annual report to the North Carolina Medical Board, the North Carolina Hospital Association, the North Carolina Society of Respiratory Care, the Governor, and the General Assembly of all the Board's official actions during the preceding year, together with any recommendations and findings regarding improvements of the practice of respiratory care.

(11) Publish and make available upon request the licensure standards prescribed under this Article and all rules adopted pursuant to this Article.

(12) Request and receive the assistance of State educational institutions or other State agencies.

(13) Establish and approve continuing education requirements for persons seeking licensure under this Article.

"**§ 90-653. Licensure requirements; examination.**

(a) Each applicant for licensure under this Article shall meet the following requirements:

(1) Submit a completed application as required by the Board.

(2) Submit any fees required by the Board.

(3) Submit to the Board written evidence, verified by oath, that the applicant has successfully completed the minimal requirements of a respiratory care education program as approved by the Commission for Accreditation of Allied Health Educational Programs.

(4) Submit to the Board written evidence, verified by oath, that the applicant has successfully completed the minimal requirements for Basic Cardiac Life Support as recognized by the American Heart Association.

(5) Pass the entry-level examination given by the National Board for Respiratory Care, Inc.

(b) At least three times each year, the Board shall cause the examination required in subdivision (5) of subsection (a) of this section to be given to applicants at a time and place to be announced by the Board. Any applicant who fails to pass the first examination may take additional examinations in accordance with rules adopted pursuant to this Article.

"**§ 90-654. Exemption from certain requirements.**

(a) The Board may issue a license to an applicant who, as of October 1, 2000, has passed the entry-level examination given by the National Board for Respiratory Care, Inc. An applicant applying for licensure under this subsection shall submit his or her application to the Board before October 1, 2002.

(b) The Board may grant a temporary license to an applicant who, as of October 1, 2000, does not meet the qualifications of G.S. 90-653 but, through written evidence verified by oath, demonstrates that he or she is performing the duties of a respiratory care practitioner within the State. The temporary license is valid until October 1, 2002, within which time the applicant shall be required to complete the requirements of G.S. 90-653(a)(5). A license granted under this subsection shall contain an endorsement indicating that the license is temporary and shall state the date the license was granted and the date it expires.

"**§ 90-655. Licensure by reciprocity.**

The Board may grant, upon application and the payment of proper fees, a license to a person who, at the time of application holds a valid license, certificate, or registration as a respiratory care practitioner issued by another state or a political territory or jurisdiction acceptable to the Board if, in the Board's determination, the requirements for that license, certificate, or registration are substantially the same as the requirements for licensure under this Article.

"**§ 90-656. Provisional license.**

The Board may grant a provisional license for a period not exceeding 12 months to any applicant who has successfully completed the education requirements under G.S.

90-653(a)(3) and has made application to take the examination required under G.S. 90-653(a)(5). A provisional license allows the individual to practice respiratory care under the supervision of a respiratory care practitioner and in accordance with rules adopted pursuant to this Article. A license granted under this section shall contain an endorsement indicating that the license is provisional and stating the terms and conditions of its use by the licensee and shall state the date the license was granted and the date it expires.

"§ 90-657. Notification of applicant following evaluation of application.

After evaluation of the application and of any other evidence required from the applicant by the Board, the Board shall notify each applicant that the application and evidence submitted are satisfactory and accepted or unsatisfactory and rejected. If the application and evidence is rejected, the notice shall state the reasons for the rejection.

"§ 90-658. License as property of the Board; display requirement; renewal; inactive status.

(a) A license issued by the Board is the property of the Board and shall be surrendered by the licensee to the Board on demand.

(b) The licensee shall display the license in the manner prescribed by the Board.

(c) The licensee shall inform the Board of any change of the licensee's address.

(d) The license shall be renewed by the Board annually upon the payment of a renewal fee if, at the time of application for renewal, the applicant is not in violation of this Article and has fulfilled the current requirements regarding continuing education as established by rules adopted pursuant to this Article.

(e) The Board shall notify a licensee at least 30 days in advance of the expiration of his or her license. Each licensee is responsible for renewing his or her license before the expiration date. Licenses that are not renewed automatically lapse.

(f) The Board may provide for the late renewal of an automatically lapsed license upon the payment of a late fee. No late fee renewal may be granted more than five years after a license expires.

(g) In accordance with rules adopted pursuant to this Article, a licensee may request that his or her license be declared inactive and may thereafter apply for active status.

"§ 90-659. Suspension, revocation, and refusal to renew a license.

(a) The Board shall take the necessary actions to deny or refuse to renew a license, suspend or revoke a license, or to impose probationary conditions on a licensee or applicant if the licensee or applicant:

(1) Has engaged in any of the following conduct:

a. Employed fraud, deceit, or misrepresentation in obtaining or attempting to obtain a license or the renewal of a license.

b. Committed an act of malpractice, gross negligence, or incompetence in the practice of respiratory care.

c. Practiced respiratory care without a license.

d. Engaged in health care practices that are determined to be hazardous to public health, safety, or welfare.

(2) Was convicted of or entered a plea of guilty or nolo contendere to any crime involving moral turpitude.
(3) Was adjudicated insane or incompetent, until proof of recovery from the condition can be established.
(4) Engaged in any act or practice that violates any of the provisions of this Article or any rule adopted pursuant to this Article, or aided, abetted, or assisted any person in such a violation.

(b) Denial, refusal to renew, suspension, or revocation of a license, or imposition of probationary conditions upon a licensee may be ordered by the Board after a hearing held in accordance with Article 3A of Chapter 150B of the General Statutes and rules adopted pursuant to this Article. An application may be made to the Board for reinstatement of a revoked license if the revocation has been in effect for at least one year.

"**§ 90-660. Expenses; fees.**

(a) All salaries, compensation, and expenses incurred or allowed for carrying out the purposes of this Article shall be paid by the Board exclusively out of the fees received by the Board as authorized by this Article or funds received from other sources. In no case shall any salary, expense, or other obligations of the Board be charged against the State.

(b) All monies received by the Board pursuant to this Article shall be deposited in an account for the Board and shall be used for the administration and implementation of this Article. The Board shall establish fees in amounts to cover the cost of services rendered for the following purposes:

(1) For an initial application, a fee not to exceed twenty-five dollars ($25.00).
(2) For examination or reexamination, a fee not to exceed one hundred fifty dollars ($150.00).
(3) For issuance of any license, a fee not to exceed one hundred dollars ($100.00).
(4) For the renewal of any license, a fee not to exceed fifty dollars ($50.00).
(5) For the late renewal of any license, an additional late fee not to exceed fifty dollars ($50.00).
(6) For a license with a provisional or temporary endorsement, a fee not to exceed thirty-five dollars ($35.00).
(7) For copies of rules adopted pursuant to this Article and licensure standards, charges not exceeding the actual cost of printing and mailing.

"**§ 90-661. Requirement of license.**

After October 1, 2002, it shall be unlawful for any person who is not currently licensed under this Article to:

(1) Engage in the practice of respiratory care.
(2) Use the title 'respiratory care practitioner'.

(3) Use the letters 'RCP', 'RTT', 'RT', or any facsimile or combination in any words, letters, abbreviations, or insignia.

(4) Imply orally or in writing or indicate in any way that the person is a respiratory care practitioner or is otherwise licensed under this Article.

(5) Employ or solicit for employment unlicensed persons to practice respiratory care.

"**§ 90-662. Violation a misdemeanor.**

Any person who violates any provision of this Article shall be guilty of a Class 1 misdemeanor.

"**§ 90-663. Injunctions.**

The Board may apply to the superior court for an order enjoining violations of this Article, and upon a showing by the Board that any person has violated or is about to violate this Article, the court may grant an injunction or restraining order or take other appropriate action.

"**§ 90-664. Persons and practices not affected.**

The requirements of this Article shall not apply to:

(1) Any person registered, certified, credentialed, or licensed to engage in another profession or occupation or any person working under the supervision of a person registered, certified, credentialed, or licensed to engage in another profession or occupation in this State who is performing work incidental to or within the practice of that profession or occupation and does not represent himself or herself as a respiratory care practitioner.

(2) A student or trainee working under the direct supervision of a respiratory care practitioner while fulfilling an experience requirement or pursuing a course of study to meet requirements for licensure in accordance with rules adopted pursuant to this Article.

(3) A respiratory care practitioner serving in the armed forces or the Public Health Service of the United States or employed by the Veterans Administration when performing duties associated with that service or employment.

(4) A person who performs only support activities as defined in G.S. 90-648(13).

"**§ 90-665. Third-party reimbursement.**

Nothing in this Article shall be construed to require direct third-party reimbursements to persons licensed under this Article."

Section 2. G.S. 120-123 is amended by adding a new subdivision to read:

"(70) The North Carolina Respiratory Care Board as created by Article 37 of Chapter 90 of the General Statutes."

Section 3. The initial appointments to the North Carolina Respiratory Care Board, created in G.S. 90-649, as enacted in Section 1 of this act, shall be appointed no later than October 1, 2000. Notwithstanding the provisions of G.S. 90-

649(b), as enacted in Section 1 of this act, the initial members of the North Carolina Respiratory Care Board who are appointed pursuant to G.S. 90-649(a)(1) must have passed the entry-level examination administered by the National Board for Respiratory Care, Inc. Notwithstanding the provisions of G.S. 90-650(b), as enacted in Section 1 of this act, of the initial appointments to the North Carolina Respiratory Care Board, one of the members appointed by the General Assembly, upon the recommendation of the Speaker of the House of Representatives, and one of the members appointed by the General Assembly, upon the recommendation of the President Pro Tempore of the Senate, shall be appointed for three-year terms; one of the members appointed by the General Assembly, upon the recommendation of the Speaker of the House of Representatives, and one of the members appointed by the General Assembly, upon the recommendation of the President Pro Tempore of the Senate, shall be appointed for two-year terms; the public members appointed by the Governor shall be appointed for a one-year term; the physician member appointed by the North Carolina Medical Society shall be appointed for a one-year term; the physician member appointed by the Old North State Medical Society shall be appointed for a one-year term; and the members appointed by the North Carolina Hospital Association and the North Carolina Association of Medical Equipment Services shall be appointed for one-year terms.

Section 4.(a) Article 3 of Chapter 58 of the General Statutes is amended by adding a new section to read:

"**§ 58-3-225. Prompt claim payments under health benefit plans.**

(a) As used in this section:

(1) 'Health benefit plan' means an accident and health insurance policy or certificate; a nonprofit hospital or medical service corporation contract; a health maintenance organization subscriber contract; a plan provided by a multiple employer welfare arrangement; or a plan provided by another benefit arrangement, to the extent permitted by the Employee Retirement Income Security Act of 1974, as amended, or by any waiver of or other exception to that act provided under federal law or regulation. 'Health benefit plan' does not mean any plan implemented or administered by the North Carolina or United States Department of Health and Human Services, or any successor agency, or its representatives. 'Health benefit plan' also does not mean any of the following kinds of insurance:

a. Credit.

b. Disability income.

c. Coverage issued as a supplement to liability insurance.

d. Hospital income or indemnity.

e. Insurance under which benefits are payable with or without regard to fault and that is statutorily required to be contained in any liability policy or equivalent self-insurance.

f. Long-term or nursing home care.

g. Medical payments under motor vehicle or homeowners' insurance policies.
h. Medicare supplement.
i. Short-term limited duration health insurance policies as defined in Part 144 of Title 45 of the Code of Federal Regulations.
j. Workers' compensation.

(2) 'Claimant' includes a health care provider or facility that is responsible or permitted under contract with the insurer or by valid assignment of benefits for directly making the claim with an insurer.

(3) 'Health care facility' means a facility that is licensed under Chapter 131E or Chapter 122C of the General Statutes or is owned or operated by the State of North Carolina in which health care services are provided to patients.

(4) 'Health care provider' means an individual who is licensed, certified, or otherwise authorized under Chapter 90 or 90B of the General Statutes to provide health care services in the ordinary course of business or practice of a profession or in an approved education or training program.

(5) 'Insurer' includes an insurance company subject to this Chapter, a service corporation organized under Article 65 of this Chapter, a health maintenance organization organized under Article 67 of this Chapter, or a multiple employer welfare arrangement subject to Article 49 of this Chapter, that writes a health benefit plan.

(b) An insurer shall, within 30 calendar days after receipt of a claim, send by electronic or paper mail to the claimant:

(1) Payment of the claim.
(2) Notice of denial of the claim.
(3) Notice that the proof of loss is inadequate or incomplete.
(4) Notice that the claim is not submitted on the form required by the health benefit plan, by the contract between the insurer and health care provider or health care facility, or by applicable law.
(5) Notice that coordination of benefits information is needed in order to pay the claim.
(6) Notice that the claim is pending based on nonpayment of fees or premiums.

For purposes of this section, an insurer is presumed to have received a written claim five business days after the claim has been placed first-class postage prepaid in the United States mail addressed to the insurer or an electronic claim transmitted to the insurer or a designated clearinghouse on the day the claim is electronically transmitted. The presumption may be rebutted by sufficient evidence that the claim was received on another day or not received at all.

(c) If the claim is denied, the notice shall include all of the specific good faith reason or reasons for the denial, including, without limitation, coordination of benefits, lack of eligibility, or lack of coverage for the services provided. If the claim is contested or cannot be paid because the proof of loss is inadequate or incomplete, or not paid pending receipt of requested coordination of benefits information, the notice shall contain the specific good faith reason or reasons why the claim has not been paid and an itemization or description of all of the information needed by the insurer to complete the processing of the claim. If all or part of the claim is contested or cannot be paid because of the application of a specific utilization management or medical necessity standard is not satisfied, the notice shall contain the specific clinical rationale for that decision or shall refer to specific provisions in documents that are made readily available through the insurer which provide the specific clinical rationale for that decision; however, if a notice of noncertification has already been provided under G.S. 58-50-61(h), then the specific clinical rationale for the decision is not required under this subsection. If the claim is contested or cannot be paid because of nonpayment of premiums, the notice shall contain a statement advising the claimant of the nonpayment of premiums. If a claim is not paid pending receipt of requested coordination of benefits information, the notice shall so specify. If a claim is denied or contested in part, the insurer shall pay the undisputed portion of the claim within 30 calendar days after receipt of the claim and send the notice of the denial or contested status within 30 days after receipt of the claim. If a claim is contested or cannot be paid because the claim was not submitted on the required form, the notice shall contain the required form, if the form is other than a UB or HCFA form, and instructions to complete that form. Upon receipt of additional information requested in its notice to the claimant, the insurer shall continue processing the claim and pay or deny the claim within 30 days after receiving the additional information.

(d) If an insurer requests additional information under subsection (c) of this section and the insurer does not receive the additional information within 90 days after the request was made, the insurer shall deny the claim and send the notice of denial to the claimant in accordance with subsection (c) of this section. The insurer shall include the specific reason or reasons for denial in the notice, including the fact that information that was requested was not provided. The insurer shall inform the claimant in the notice that the claim will be reopened if the information previously requested is submitted to the insurer within one year after the date of the denial notice closing the claim.

(e) Health benefit plan claim payments that are not made in accordance with this section shall bear interest at the annual percentage rate of eighteen percent (18%) beginning on the date following the day on which the claim should have been paid. If additional information was requested by the insurer under subsection (b) of this section, interest on health benefit claim payments shall begin to accrue on the 31st day after the insurer received the additional information. A payment is considered made on the date upon which a check, draft, or other valid negotiable instrument is placed in the United States Postal Service in a properly addressed, postpaid envelope,

or, if not mailed, on the date of the electronic transfer or other delivery of the payment to the claimant. This subsection does not apply to claims for benefits that are not covered by the health benefit plan; nor does this subsection apply to deductibles, co-payments, or other amounts for which the insurer is not liable.

(f) Insurers may require that claims be submitted within 180 days after the date of the provision of care to the patient by the health care provider and, in the case of health care provider facility claims, within 180 days after the date of the patient's discharge from the facility. However, an insurer may not limit the time in which claims may be submitted to fewer than 180 days. Unless otherwise agreed to by the insurer and the claimant, failure to submit a claim within the time required does not invalidate or reduce any claim if it was not reasonably possible for the claimant to file the claim within that time, provided that the claim is submitted as soon as reasonably possible and in no event, except in the absence of legal capacity of the insured, later than one year from the time submittal of the claim is otherwise required.

(g) If a claim for which the claimant is a health care provider or health care facility has not been paid or denied within 60 days after receipt of the initial claim, the insurer shall send a claim status report to the insured. Provided, however, that the claims status report is not required during the time an insurer is awaiting information requested under subsection (c) of this section. The report shall indicate that the claim is under review and the insurer is communicating with the health care provider or health care facility to resolve the matter. While a claim remains unresolved, the insurer shall send a claim status report to the insured with a copy to the provider 30 days after the previous report was sent.

(h) To the extent permitted by the contract between the insurer and the health care provider or health care facility, the insurer may recover overpayments made to the health care provider or health care facility by making demands for refunds and by offsetting future payments. Any such recoveries may also include related interest payments that were made under the requirements of this section. Recoveries by the insurer must be accompanied by the specific reason and adequate information to identify the specific claim. To the extent permitted by the contract between the insurer and the health care provider or health care facility, the health care provider or health care facility may recover underpayments or nonpayments by the insurer by making demands for refunds. Any such recoveries by the health care provider or health care facility of underpayments or nonpayment by the insurer may include applicable interest under this section. The period for which such recoveries may be made may be specified in the contract between the insurer and health care provider or health care facility.

(i) Every insurer shall maintain written or electronic records of its activities under this section, including records of when each claim was received, paid, denied, or pended, and the insurer's review and handling of each claim under this section, sufficient to demonstrate compliance with this section.

(j) A violation of this section by an insurer subjects the insurer to the sanctions in G.S. 58-2-70. The authority of the Commissioner under this subsection does not

impair the right of a claimant to pursue any other action or remedy available under law. With respect to a specific claim, an insurer paying statutory interest in good faith under this section is not subject to sanctions for that claim under this subsection.

(k) An insurer is not in violation of this section nor subject to interest payments under this section if its failure to comply with this section is caused in material part by (i) the person submitting the claim, or (ii) by matters beyond the insurer's reasonable control, including an act of God, insurrection, strike, fire, or power outages. In addition, an insurer is not in violation of this section or subject to interest payments to the claimant under this section if the insurer has a reasonable basis to believe that the claim was submitted fraudulently and notifies the claimant of the alleged fraud.

(l) This section does not apply to claims processed by an insurer on a claims adjudication system that was implemented prior to January 1, 1982, provided that the insurer:

(1) Verifies with the Commissioner that its claims adjudication system qualifies under this subsection; and

(2) Is implementing a new claims adjudication software system and is proceeding in good faith to move all claims to the new system as soon as possible and in any event no later than December 31, 2002.

This subsection expires January 1, 2003.

(m) Nothing in this section limits or impairs the patient's liability under existing law for payment of medical expenses."

Section 4.(b) G.S. 58-3-100(c) reads as rewritten:

"(c) The Commissioner may impose a civil penalty under G.S. 58-2-70 if an HMO, service corporation, MEWA, or insurer fails to acknowledge a claim within 30 days after receiving written or electronic notice of the claim, but only if the notice contains sufficient information for the insurer to identify the specific coverage involved. Acknowledgement of the claim shall be made to the claimant or his legal representative advising that the claim is being investigated; or shall be a payment of the claim; or shall be a bona fide written offer of settlement; or shall be a written denial of the claim. A claimant includes an insured, a health care provider, or a health care facility that is responsible for directly making the claim with an insurer. This subsection does not apply to insurers subject to G.S. 58-3-225."

Section 4.(c) G.S. 58-3-172(a) reads as rewritten:

"(a) For all claims denied for health care provider services under health benefit plans, written notification of the denied claim shall be given to the insured and to the health care provider submitting the claim if the health care provider would otherwise be eligible for payment. This subsection does not apply to insurers subject to G.S. 58-3-225."

Section 4.(d) G.S. 58-51-15(a)(7) reads as rewritten:

"(7) A provision in the substance of the following language:

PROOFS OF LOSS: Written proof of loss must be furnished to the insurer at its said office in the case of a claim for loss for which this policy provides any periodic payment contingent upon

continuing loss within ~~90~~ 180 days after the termination of the period for which the insurer is liable and in case of a claim for any other loss within ~~90~~ 180 days after the date of such loss. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal ~~capacity,~~ capacity of the insured, later than one year from the time proof is otherwise required."

Section 5. Section 4 of this act becomes effective July 1, 2001, and applies to claims received on or after that date. The remainder of this act is effective when it becomes law.

House Bill 1340

AMENDMENT NO._____
(to be filled in by
Principal Clerk)

H1340-ALN-001

Date_____,2000

Comm. Sub. [yes]3rd ed.
Amends Title [yes]

Senator Hoyle

moves to amend the bill on page 1, line 2,
by deleting the word "ACT." and substituting the following:
"ACT, TO PROVIDE FOR THE PROMPT PAYMENT OF CLAIMS UNDER HEALTH BENEFIT PLANS, AND TO MAKE CONFORMING AMENDMENTS TO RELATED CLAIM PAYMENT LAWS."; and

further moves to amend the bill on page 10, line 18,
by rewriting the line to read:
"Section 4.(a) Article 3 of Chapter 58 of the General Statutes is amended by adding new sections to read:
'**§ 58-3-225. Prompt claim payments under health benefit plans.**
(a) As used in this section:
(1) "Health benefit plan" means an accident and health insurance policy or certificate; a nonprofit hospital or medical service corporation contract; a health maintenance organization subscriber contract; a plan provided by a multiple employer welfare arrangement; or a plan provided by another benefit arrangement, to the extent permitted by the Employee Retirement Income Security Act of 1974, as amended, or by any waiver of or other exception to that act provided under federal law or regulation. "Health benefit plan" does not mean any plan implemented or administered by the North Carolina or United States Department of Health and Human Services, or any successor agency, or its representatives. "Health benefit plan" also does not mean any of the following kinds of insurance:
a. Credit.
b. Disability income.
c. Coverage issued as a supplement to liability insurance.
d. Hospital income or indemnity.

e. Insurance under which benefits are payable with or without regard to fault and that is statutorily required to be contained in any liability policy or equivalent self-insurance.
f. Long-term or nursing home care.
g. Medical payments under motor vehicle or homeowners' insurance policies.
h. Medicare supplement.
i. Short-term limited duration health insurance policies as defined in Part 144 of Title 45 of the Code of Federal Regulations.
j. Workers' compensation.

(2) "Claimant" includes a health care provider or facility that is responsible or permitted under contract with the insurer or by valid assignment of benefits for directly making the claim with an insurer.

(3) "Health care facility" means a facility that is licensed under Chapter 131E or Chapter 122C of the General Statutes or is owned or operated by the State of North Carolina in which health care services are provided to patients.

(4) "Health care provider" means an individual who is licensed, certified, or otherwise authorized under Chapter 90 of the General Statutes to provide health care services in the ordinary course of business or practice of a profession or in an approved education or training program.

(5) "Insurer" includes an insurance company subject to this Chapter, a service corporation organized under Article 65 of this Chapter, a health maintenance organization organized under Article 67 of this Chapter, or a multiple employer welfare arrangement subject to Article 49 of this Chapter, that writes a health benefit plan.

(b) An insurer shall, within 30 calendar days after receipt of a claim, send by electronic or paper mail to the claimant:

(1) Payment of the claim.
(2) Notice of denial of the claim.
(3) Notice that the proof of loss is inadequate or incomplete, or
(4) Notice that the claim is not submitted on the form required by the health benefit plan, by the contract between the insurer and health care provider or health care facility, or by applicable law.

(5) Notice that coordination of benefits information is needed in order to pay the claim.

(6) Notice that the claim is pending based on nonpayment of fees or premiums.

For purposes of this section, an insurer is presumed to have received a written claim five business days after the claim has been placed first-class postage prepaid in the United States mail addressed to the insurer and an electronic claim transmitted to the insurer or a designated clearinghouse on the day the claim is electronically transmitted. The presumption may be rebutted by sufficient evidence that the claim was received on another day or not received at all.

(c) If the claim is denied, the notice shall include all of the specific good faith reason or reasons for the denial, including, without limitation, coordination of benefits, lack of eligibility, or lack of coverage for the services provided. If the claim is contested or cannot be paid because the proof of loss is inadequate or incomplete, or not paid pending receipt of requested coordination of benefits information, the notice shall contain the specific good faith reason or reasons why the claim has not been paid and an itemization or description of all of the information needed by the insurer to complete the processing of the claim. If all or part of the claim is contested or cannot be paid because of the application of a specific utilization management or medical necessity standard is not satisfied, the notice shall contain the specific clinical rationale for that decision or shall refer to specific provisions in documents that are made readily available through the insurer which provide the specific clinical rationale for that decision; however, if a notice of noncertification has already been provided under G.S. 58-50-61(h), then the specific clinical rationale for the decision is not required under this subsection. If the claim is contested or cannot be paid because of nonpayment of premiums, the notice shall contain a statement advising the claimant of the nonpayment of premiums. If a claim is not paid pending receipt of requested coordination of benefits information, the notice shall so specify. If a claim is denied or contested in part, the insurer shall pay the undisputed portion of the claim within 30 calendar days after receipt of the claim and send the notice of the denial or contested status within 30 days after receipt of the claim. If a claim is contested or cannot be paid because the claim was not submitted on the required form, the notice shall contain the required form, if the form is other than a UB or HCFA form, and instructions to complete that form. Upon receipt of additional information requested in its notice to the claimant, the insurer shall continue

processing the claim and pay or deny the claim within 30 days after receiving the additional information.

(d) If an insurer requests additional information under subsection (c) of this section and the insurer does not receive the additional information within 90 days after the request was made, the insurer shall deny the claim and send the notice of denial to the claimant in accordance with subsection (c) of this section. The insurer shall include the specific reason or reasons for denial in the notice, including the fact that information that was requested was not provided. The insurer shall inform the claimant in the notice that the claim will be reopened if the information previously requested is submitted to the insurer within one year after the date of the denial notice closing the claim.

(e) Health benefit plan claim payments that are not made in accordance with this section shall bear interest at the annual percentage rate of eighteen percent (18%) beginning on the date following the day on which the claim should have been paid. If additional information was requested by the insurer under subsection (b) of this section, interest on health benefit claim payments shall begin to accrue on the 31st day after the insurer received the additional information. A payment is considered made on the date upon which a check, draft, or other valid negotiable instrument is placed in the United States Postal Service in a properly addressed, postpaid envelope, or, if not mailed, on the date of the electronic transfer or other delivery of the payment to the claimant. This subsection does not apply to claims for benefits that are not covered by the health benefit plan; nor does this subsection apply to deductibles, co-payments, or other amounts for which the insurer is not liable.

(f) Insurers may require that claims be submitted within 180 days after the date of the provision of care to the patient by the health care provider and, in the case of health care provider facility claims, within 180 days after the date of the patient's discharge from the facility. However, an insurer may not limit the time in which claims may be submitted to fewer than 180 days. Unless otherwise agreed to by the insurer and the claimant, failure to submit a claim within the time required does not invalidate or reduce any claim if it was not reasonably possible for the claimant to file the claim within that time, provided that the claim is submitted as soon as reasonably possible and in no event, except in the absence of legal capacity of the insured, later than one year from the time submittal of the claim is otherwise required.

(g) If a claim for which the claimant is a health care provider or health care facility has not been paid or denied within 60 days after receipt of the initial claim, the insurer shall send a claim

status report to the insured. Provided, however, that the claims status report is not required during the time an insurer is awaiting information requested under subsection (c) of this section. The report shall indicate that the claim is under review and the insurer is communicating with the health care provider or health care facility to resolve the matter. While a claim remains unresolved, the insurer shall send a claim status report to the insured with a copy to the provider 30 days after the previous report was sent.

(h) To the extent permitted by the contract between the insurer and the health care provider or health care facility, the insurer may recover overpayments made to the health care provider or health care facility by making demands for refunds and by offsetting future payments. Any such recoveries may also include related interest payments that were made under the requirements of this section. Recoveries by the insurer must be accompanied by the specific reason and adequate information to identify the specific claim. To the extent permitted by the contract between the insurer and the health care provider or health care facility, the health care provider or health care facility may recover underpayments or nonpayments by the insurer by making demands for refunds. Any such recoveries by the health care provider or health care facility of underpayments or nonpayment by the insurer may include applicable interest under this section. The period for which such recoveries may be made may be specified in the contract between the insurer and health care provider or health care facility.

(i) Every insurer shall maintain written or electronic records of its activities under this section, including records of when each claim was received, paid, denied, or pended, and the insurer's review and handling of each claim under this section, sufficient to demonstrate compliance with this section.

(j) A violation of this section by an insurer subjects the insurer to the sanctions in G.S. 58-2-70. The authority of the Commissioner under this subsection does not impair the right of a claimant to pursue any other action or remedy available under law. With respect to a specific claim, an insurer paying statutory interest in good faith under this section is not subject to sanctions for that claim under this subsection.

(k) An insurer is not in violation of this section nor subject to interest payments under this section if its failure to comply with this section is caused in material part by (i) the person submitting the claim, or (ii) by matters beyond the insurer's reasonable control, including an act of God, insurrection, strike, fire, or power outages. In addition, an insurer is not in violation of this section or subject to interest payments to the claimant under this section if the insurer has a reasonable basis to believe that the

claim was submitted fraudulently and notifies the claimant of the alleged fraud.

(l) This section does not apply to claims processed by an insurer on a claims adjudication system that was implemented prior to January 1, 1982, provided that the insurer:

(1) Verifies with the Commissioner that its claims adjudication system qualifies under this subsection; and

(2) Is implementing a new claims adjudication software system and is proceeding in good faith to move all claims to the new system as soon as possible and in any event no later than December 31; 2002.

This subsection expires January 1, 2003.

(m) Nothing in this section limits or impairs the patient's liability under existing law for payment of medical expenses.'

Section 4.(b) G.S. 58-3-100(c) reads as rewritten:

'(c) The Commissioner may impose a civil penalty under G.S. 58-2-70 if an HMO, service corporation, MEWA, or insurer fails to acknowledge a claim within 30 days after receiving written or electronic notice of the claim, but only if the notice contains sufficient information for the insurer to identify the specific coverage involved. Acknowledgement of the claim shall be made to the claimant or his legal representative advising that the claim is being investigated; or shall be a payment of the claim; or shall be a bona fide written offer of settlement; or shall be a written denial of the claim. A claimant includes an insured, a health care provider, or a health care facility that is responsible for directly making the claim with an insurer. This subsection does not apply to insurers subject to G.S. 58-3-225.'

Section 4.(c) G.S. 58-3-172(a) reads as rewritten:

'(a) For all claims denied for health care provider services under health benefit plans, written notification of the denied claim shall be given to the insured and to the health care provider submitting the claim if the health care provider would otherwise be eligible for payment. This subsection does not apply to insurers subject to G.S. 58-3-225.'

Section 4.(d) G.S. 58-51-15(a)(7) reads as rewritten:

'(7) A provision in the substance of the following language:

PROOFS OF LOSS: Written proof of loss must be furnished to the insurer at its said office in the case of a claim for loss for which this policy provides any periodic payment contingent upon continuing loss within ~~90~~ 180 days after the termination of the period for which the insurer is

HOUSE BILL 1290
Committee Substitute Favorable 6/24/99

Short Title: Limit Recycling Tax Incentives. (Public)

Sponsors:

Referred to:

April 19, 1999

A BILL TO BE ENTITLED

AN ACT TO REMOVE THE SPECIAL TAX TREATMENT FOR CERTAIN EQUIPMENT AND FACILITIES FOR RECYCLING, WASTE REDUCTION, OR RESOURCE RECOVERY WHEN ACQUIRED MORE THAN TWO YEARS PRIOR TO THE DATE OF APPLICATION FOR CERTIFICATION BY THE DEPARTMENT OF ENVIRONMENT AND NATURAL RESOURCES AND TO LIMIT TO THREE YEARS THE CERTIFICATION FOR SPECIAL TAX TREATMENT FOR CERTAIN REAL PROPERTY USED FOR RECYCLING, WASTE REDUCTION, OR RESOURCE RECOVERY.

The General Assembly of North Carolina enacts:

Section 1. G.S. 130A-294(a)(3) reads as rewritten:

"(3) Develop and adopt rules to establish standards for qualification as a 'recycling, reduction or resource recovering facility' or as 'recycling, reduction or resource recovering equipment' for the purpose of special tax classifications or treatment, and to certify as qualifying those applicants which meet the established standards. The standards shall be developed to qualify only those facilities and equipment exclusively used in the actual waste recycling, reduction or resource recovering process and shall exclude any incidental or supportive facilities and ~~equipment;~~ equipment. The following limitations apply to an applicant that is not a large recycling facility or a major recycling facility, qualified under G.S. 105-129.26:

a. Facilities or equipment acquired by the applicant or a related person more than two years before the date application is made for certification under this subdivision shall not be certified as qualifying for special tax classification or treatment under this subdivision.

b. A certificate that qualifies real property for special tax classification or treatment under this subdivision is limited to three years after the date the certificate is issued and shall not be renewed or reissued for that applicant or a related person.

For purposes of this subdivision, 'related person' means a related person as determined under section 267(b) or 707(b) of the Internal Revenue Code."

Section 2. This act is effective for taxes imposed for taxable years beginning on or after July 1, 2000.

HOUSE BILL 1290
Committee Substitute Favorable 6/24/99
Proposed Senate Committee Substitute H1290-PCS2447-SC001

Short Title: Revenue Laws Clarifying Changes. (Public)

Sponsors:

Referred to:

April 19, 1999

A BILL TO BE ENTITLED

AN ACT TO IMPROVE THE ADMINISTRATION OF THE TAX LAWS BY MAKING CLARIFYING AND CONFORMING CHANGES TO THE REVENUE AND RELATED LAWS.

The General Assembly of North Carolina enacts:

Section 1.(a) Section 10.2(3) of Chapter 13 of the Session Laws of the 1996 Second Extra Session, as amended by Section 1 of S.L. 1999-360, reads as rewritten:

"(3) Quality jobs and business expansion tax credits. -- Sections 3.5, 3.6, and 3.8 through 3.10 of Part III of this act become effective August 1, 1996. G.S. 105-129.11, as enacted by Part III of this act, becomes effective for taxable years beginning on or after January 1, 1997, and applies to training expenditures made on or after July 1, 1997. The remainder of Part III of this act is effective for taxable years beginning on or after January 1, 1996, and applies to jobs created on or after August 1, 1996, and property placed in service on or after August 1, 1996. Article 3A of Chapter 105 of the General Statutes is repealed ~~effective for applications for credits filed under G.S. 105-129.6 on or after January 1, 2006. G.S. 105-129.16 is repealed effective for business property placed in service on or after January 1, 2002. The remainder of~~ as provided in that Article. Article 3B of Chapter 105 of the General Statutes is

repealed ~~effective for buildings to which federal credits are allocated on or after January 1, 2006.~~ as provided in that Article. "

Section 1.(b) Section 4 of S.L. 1997-277, as amended by Section 18.1 of S.L. 1999-360, is recodified as G.S. 105-129.2A(b), (c), and (d).

Section 1.(c) G.S. 105-129.2A, as enacted by this act, reads as rewritten:

"**§ 105-129.2A. Sunset; studies.**

(a) Sunset. -- This Article is repealed effective for applications for credits filed under G.S. 105-129.6 on or after January 1, 2006.

(b) Equity Study. -- The Department of Commerce shall study the effect of the tax incentives provided in ~~the William S. Lee Quality Jobs and Business Expansion Act, codified as Article 3A of Chapter 105 of the General Statutes,~~ this Article on tax equity. This study shall include the following:

(1) Reexamining the formula in G.S. 105-129.3(b) used to define enterprise tiers, to include consideration of alternative measures for more equitable treatment of counties in similar economic circumstances.

(2) Considering whether the assignment of tiers and the applicable thresholds are equitable for smaller counties, for example those under 50,000 in population.

(3) Compiling any available data on whether expanding North Carolina businesses receive fewer benefits than out-of-State businesses that locate to North Carolina.

(c) Impact Study. -- The Department of Commerce shall study the effectiveness of the tax incentives provided in ~~the William S. Lee Quality Jobs and Business Expansion Act, codified as Article 3A of Chapter 105 of the General Statutes.~~ this Article. This study shall include:

(1) Study of the distribution of tax incentives across new and expanding industries.

(2) Examination of data on economic recruitment for the period 1994 through 2000 by county, by industry type, by size of investment, and by number of jobs, and other relevant information to determine the pattern of business locations and expansions before and after the enactment of the William S. Lee Act incentives.

(3) Measuring the direct costs and benefits of the tax incentives.

(4) Compiling available information on the current use of incentives by other states and whether that use is increasing or declining.

(d) Report. -- The Department of Commerce shall report the results of these studies and its recommendations to the 2001 General Assembly by April 1, 2001."

Section 1.(d) Article 3B of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-129.15A. Sunset.**

G.S. 105-129.16 is repealed effective for business property placed in service on or after January 1, 2002. The remainder of this Article is repealed effective January 1, 2006. The repeal of G.S. 105-129.16A applies to renewable energy property placed in

service on or after January 1, 2006. The repeal of G.S. 105-129.16B applies to buildings to which federal credits are allocated on or after January 1, 2006."

Section 2. Effective July 1, 2000, G.S. 105-88(e) reads as rewritten:

"(e) Counties, cities, and towns may levy a license tax on the business taxed under this ~~section not in excess of~~ section. Except as provided in G.S. 160A-211 and G.S. 153A-152, the tax may not exceed one hundred dollars ($100.00)."

Section 3. G.S. 105-113.82 reads as rewritten:

"**§ 105-113.82. Distribution of part of beer and wine taxes.**

(a) Amount, Method. -- The Secretary shall distribute annually the following percentages of the net amount of excise taxes collected on the sale of malt beverages and wine during the preceding 12-month period ending March 31, less the amount of the net proceeds credited to the Department of Agriculture and Consumer Services under G.S. 105-113.81A, to the counties and cities in which the retail sale of these beverages is ~~authorized.~~ authorized in the entire county or city:

(1) Of the tax on malt beverages levied under G.S. 105-113.80(a), twenty-three and three-fourths percent (23 3/4%);

(2) Of the tax on unfortified wine levied under G.S. 105-113.80(b), sixty-two percent (62%); and

(3) Of the tax on fortified wine levied under G.S. 105-113.80(b), twenty-two percent (22%).

If malt beverages, unfortified wine, or fortified wine may be licensed to be sold at retail in both a county and a city located in the county, both the county and city shall receive a portion of the amount distributed, that portion to be determined on the basis of population. If one of these beverages may be licensed to be sold at retail in a city located in a county in which the sale of the beverage is otherwise prohibited, only the city shall receive a portion of the amount distributed, that portion to be determined on the basis of population. The amounts distributed under subdivisions (1), (2), and (3) shall be computed separately.

~~(b) Reduction in Amount Distributed. -- Where the sale of malt beverages, unfortified wine, or fortified wine is prohibited in a defined area of a city or county in which the sale of the beverage is authorized, the amount that would otherwise be distributed to the city or county on the basis of population under subsection (a) shall be reduced in the same ratio that the area of the defined area bears to the total area of the city or county, unless the defined area is a city. If the defined area in a county is a city, the reduction in the amount that would otherwise be distributed to the county under subsection (a) shall be based on population instead of area.~~

(c) Exception. -- Notwithstanding subsection (a), in a county in which ABC stores have been established by petition, the revenue shall be distributed as though the entire county had approved the retail sale of a beverage whose retail sale is authorized in part of the county.

(d) Time. -- The revenue shall be distributed to cities and counties within 60 days after March 31 of each year.

(e) Population Estimates. -- To determine the population of a city or county for purposes of the distribution required by this section, the Secretary shall use the most recent annual estimate of population certified by the State Planning Officer.

(f) City Defined. -- As used in this section, the term "city" means a city as defined in G.S. 153A-1(1) or an urban service district defined by the governing body of a consolidated city-county.

(g) Use of Funds. -- Funds distributed to a county or city under this section may be used for any public purpose.

(h) Disqualification. -- No municipality may receive any funds under this section if it was incorporated with an effective date of on or after January 1, 2000, and is disqualified from receiving funds under G.S. 136-41.2. No municipality may receive any funds under this section, incorporated with an effective date on or after January 1, 2000, unless a majority of the mileage of its streets are open to the public. The previous sentence becomes effective with respect to distribution of funds on or after July 1, 1999."

Section 4. G.S. 105-119 and G.S. 105-120.1 are repealed.

Section 5. G.S. 105-114 reads as rewritten:

"**§ 105-114. Nature of taxes; definitions.**

(a) Nature of Taxes. -- The taxes levied in this Article upon persons and partnerships are for the privilege of engaging in business or doing the act named.

(a1) Scope. -- The taxes levied in this Article upon corporations are privilege or excise taxes levied upon:

(1) Corporations organized under the laws of this State for the existence of the corporate rights and privileges granted by their charters, and the enjoyment, under the protection of the laws of this State, of the powers, rights, privileges and immunities derived from the State by the form of such existence; and

(2) Corporations not organized under the laws of this State for doing business in this State and for the benefit and protection which these corporations receive from the government and laws of this State in doing business in this State.

~~If~~

(a2) Condition for Doing Business. -- If the corporation is organized under the laws of this State, the payment of the taxes levied by this Article ~~shall be~~ is a condition precedent to the right to continue in the corporate form of ~~organization; and if~~ organization. If the corporation is not organized under the laws of this State, payment of these taxes ~~shall be~~ is a condition precedent to the right to continue to engage in doing business in this State.

(a3) Tax Year. -- The taxes levied in this Article are for the fiscal year of the State in which the taxes become ~~due;~~ due, except that the taxes levied in G.S. 105-122 are for the income year of the corporation in which the taxes become due.

~~G.S. 105-122~~

(a4) No Double Taxation. -- G.S. 105-122 does not apply to ~~street transportation systems taxed under G.S. 105-120.1 or~~ holding companies taxed under G.S. 105-120.2.

G.S. 105-122 applies to a corporation taxed under another section of this Article only to the extent the taxes levied on the corporation in G.S. 105-122 exceed the taxes levied on the corporation in other sections of this Article.

(b) Definitions. -- The following definitions apply in this Article:

(1) City. -- Defined in G.S. 105-228.90.

(1a) Code. -- Defined in G.S. 105-228.90.

(2) Corporation. -- A domestic corporation, a foreign corporation, an electric membership corporation organized under Chapter 117 of the General Statutes or doing business in this State, or an association that is organized for pecuniary gain, has capital stock represented by shares, whether with or without par value, and has privileges not possessed by individuals or partnerships. The term includes a mutual or capital stock savings and loan association or building and loan association chartered under the laws of any state or of the United States. The term does not include a limited liability company.

(3) Doing business. -- Each and every act, power, or privilege exercised or enjoyed in this State, as an incident to, or by virtue of the powers and privileges granted by the laws of this State.

(4) Income year. -- Defined in G.S. 105-130.2(5)."

Section 6. G.S. 105-164.3(8a) reads as rewritten:

"(8a) 'Manufactured home' means a structure that is designed to be used as a dwelling and is manufactured in accordance with the specifications for manufactured homes issued by the United States Department of Housing and Urban Development. ~~and:~~

~~a. Is built on a permanent chassis;~~

~~b. Is transportable in one or more sections;~~

~~c. When transported, is at least eight feet wide or forty feet long; and~~

~~d. When erected on a site, has at least 320 square feet.~~"

Section 7.(a) G.S. 105-187.1 is amended by adding a new subdivision to read:

"(3a) Retailer. -- A retailer as defined in G.S. 105-164.3 who is engaged in the business of selling, leasing, or renting motor vehicles."

Section 7.(b) G.S. 105-187.5(a) reads as rewritten:

"(a) Election. -- A retailer ~~who is engaged in the business of leasing or renting motor vehicles~~ may elect not to pay the tax imposed by this Article at the rate set in G.S. 105-187.3 when applying for a certificate of title for a motor vehicle purchased by the retailer for lease or rental. A retailer who makes this election shall pay a tax on the gross receipts of the lease or rental of the vehicle. Like the tax imposed by G.S. 105-187.3, this alternate tax is a tax on the privilege of using the highways of this State. The tax is imposed on a retailer, but is to be added to the lease or rental price of a motor vehicle and thereby be paid by the person who leases or rents the vehicle."

Section 7.(c) G.S. 20-4.01(5) reads as rewritten:

"(5) Dealer. -- Every person engaged in the business of buying, selling, distributing, or exchanging motor vehicles, ~~trailers~~ trailers, or semitrailers in this State, and having an established place of business in this ~~State and being subject to the tax levied by G.S. 105-89.~~ State.

The terms 'motor vehicle dealer,' 'new motor vehicle dealer,' and 'used motor vehicle dealer' ~~shall~~ as used in Article 12 of this Chapter have the meaning set forth in G.S. 20-286."

Section 8. G.S. 105-259(b)(15) reads as rewritten:

"(b) Disclosure Prohibited. -- An officer, an employee, or an agent of the State who has access to tax information in the course of service to or employment by the State may not disclose the information to any other person unless the disclosure is made for one of the following purposes:

. . .

(15) To exchange information concerning a tax imposed by Articles 2A, 2C, or 2D of this Chapter with one of the following agencies when the information is needed to fulfill a duty imposed on the Department or the agency:

a. The North Carolina Alcoholic Beverage Control Commission.

b. The Division of Alcohol Law Enforcement of the Department of Crime Control and Public Safety.

c. The Bureau of Alcohol, Tobacco, and Firearms of the United States Treasury Department.

d. Law enforcement agencies.

e. The Division of Adult Probation and Parole of the Department of Correction."

Section 9. G.S. 105-449.44 reads as rewritten:

"§ 105-449.44. How to determine the amount of fuel used in the State; presumption of amount used.

(a) Calculation. -- The amount of motor fuel or alternative fuel a motor carrier ~~carries~~ uses in its operations in this State for a reporting period is the ratio of the number of miles the motor carrier travels in this State during that period to the total number of miles the motor carrier travels inside and outside this State during that period, multiplied by the total amount of fuel the motor carrier uses in its operations inside and outside the State during that period.

(b) Presumption. -- The Secretary ~~shall~~ must check reports filed under this Article against the weigh station records and other records of the Division of Motor Vehicles of the Department of Transportation concerning motor carriers to determine if motor carriers that are operating in this State are filing the reports required by this Article. The Department may assess a motor carrier for the amount payable based on the presumed mileage. A motor carrier that does either of the following for a quarter is

presumed to have traveled in this State during that quarter the number of miles equal to 10 trips of 450 miles each for each of the motor carrier's vehicles:

(1) Fails to file a report for the quarter and the records of the Division indicate the carrier operated in this State during the quarter.

(2) Files a report for the quarter that, based on the records of the Division, understates by at least twenty-five percent (25%) the carrier's mileage in this State for the quarter.

(c) Vehicles. -- The number of vehicles of a motor carrier that is registered under this Article is the number of identification markers issued to the carrier. The number of vehicles of a carrier that is not registered under this Article is the number of vehicles registered by the motor carrier in the carrier's base state under the International Registration Plan. ~~The Department shall assess a motor carrier for the amount payable based on the presumed mileage.~~"

Section 10.(a) Effective July 1, 2000, G.S. 105-449.60(31) and (40) read as rewritten:

"**§ 105-449.60. Definitions.**

The following definitions apply in this Article:

. . .

(31) Supplier. -- Any of the following:

a. A position holder or a person who receives motor fuel pursuant to a two-party ~~transaction.~~ exchange.

b. A fuel alcohol provider.

. . .

(40) Two-party ~~transaction.~~ exchange. -- A transaction in which motor fuel is transferred ~~between two licensed suppliers as the motor fuel crosses the terminal rack as the result of an exchange agreement or a sale between the suppliers that requires the supplier that is the position holder~~ from one licensed supplier to another licensed supplier pursuant to an exchange agreement under which the supplier that is the position holder agrees to deliver motor fuel to the other supplier or the other supplier's customer at the rack of the terminal at which the delivering supplier is the position holder."

Section 10.(b) Effective July 1, 2000, G.S. 105-449.88 is amended by adding a new subdivision to read:

"**§ 105-449.88. Exemptions from the excise tax.**

The excise tax on motor fuel does not apply to the following:

. . .

(1a) Motor fuel removed by transport truck from a terminal for export if the motor fuel is removed by a licensed distributor or licensed exporter, the supplier that is the position holder for the motor fuel sells the motor fuel to another supplier as the motor fuel crosses the terminal rack, the purchasing supplier or its customer receives the motor fuel at the terminal rack for export, and the supplier

that is the position holder collects tax on the motor fuel at the rate of the motor fuel's destination state."

Section 11.(a) G.S. 105-449.60(41) reads as rewritten:

"**§ 105-449.60. Definitions.**

The following definitions apply in this Article:

. . .

(41) User. -- A person who owns or operates a licensed highway vehicle that has a registered gross vehicle weight of at last 10,001 pounds and who ~~and~~ does not maintain storage facilities for motor fuel."

Section 11.(b) G.S. 105-449.68 reads as rewritten:

"**§ 105-449.68. Restrictions on who can get a license as a distributor.**

A bulk-end user of motor fuel may not be licensed as a distributor unless the bulk-end user also acquires motor fuel from a supplier or from another distributor for subsequent sale. This restriction does not apply to a bulk-end user that was licensed as a distributor on January 1, 1996. If a distributor license held by a bulk-end user on January 1, 1996, is subsequently cancelled, the bulk-end user is subject to the restriction set in this section."

Section 11.(c) G.S. 105-449.97(c) reads as rewritten:

"(c) Percentage Discount. -- A supplier that sells motor fuel directly to an unlicensed distributor or to the bulk-end user, the retailer, or the user of the fuel may take the same percentage discount on the fuel that a licensed distributor may take under G.S. 105-449.93(b) when making deferred payments of tax to the supplier."

Section 12. G.S. 105-449.88(1) reads as rewritten:

"**§ 105-449.88. Exemptions from the excise tax.**

The excise tax on motor fuel does not apply to the following:

(1) Motor fuel removed, by transport truck or another means of transfer outside the terminal transfer system, from a terminal for export, if the motor fuel is removed by a licensed distributor or a licensed exporter and the supplier of the motor fuel collects tax on it at the rate of the motor fuel's destination state."

Section 13. The catch line of G.S. 105-449.105 reads as rewritten:

"**§ 105-449.105. Refunds upon application for tax paid on exempt fuel, lost fuel, and fuel unsalable for highway ~~use, and undyed diesel fuel used in boats.~~ use.**"

Section 14. G.S. 105-449.121(b)(2) reads as rewritten:

"(b) Inspection. -- The Secretary or a person designated by the Secretary may do any of the following to determine tax liability under this Article:

. . .

(2) Audit a ~~distributor~~ distributor, a retailer, a bulk-end user, or a motor fuel user that is not licensed under this Article."

Section 15.(a) G.S. 62A-5(d) reads as rewritten:

"(d) Any taxes due on 911 service provided by the service supplier will be billed to the local government subscribing to that service. ~~State and local taxes do not apply to 911 charges billed to subscribers under this Article.~~"

Section 15.(b) G.S. 105-120(c1) reads as rewritten:

"(c1) ~~Enhanced 911~~ Service ~~Charge.~~ Charges. -- Gross receipts of an entity that provides local telecommunications service do not include 911 charges imposed under G.S. 62A-5 and remitted to a local government under G.S. 62A-6, or wireless Enhanced 911 service charges imposed under G.S. 62A-23 and remitted to the Wireless Fund under G.S. 62A-24."

Section 15.(c) G.S. 105-130.5(b)(17) reads as rewritten:

"(17) The amount of 911 charges collected under G.S. 62A-5 and remitted to a local government under G.S. 62A-6, and the amount of wireless Enhanced 911 service charges collected under G.S. 62A-23 and remitted to the Wireless Fund under G.S. 62A-24."

Section 16. Except as otherwise provided in this act, this act is effective when it becomes law.

HOUSE BILL 1290 (PCS): Revenue Laws Clarifying Changes

BILL ANALYSIS

Committee: Senate Finance
Date: June 28, 2000
Version: PCS for 2nd ed.
(H1290-PCSSCX-001(6.27))

Introduced by: Representative Luebke
Summary by: Cindy Avrette, Staff Atty.
Mary Shuping, Rsch. Asst.

SUMMARY: ***The Proposed Committee Substitute for HB 1290 incorporates numerous changes to the revenue and related laws which were originally included in HB 1575. These changes were recommended by the Revenue Laws Study Committee. A section-by-section analysis of the bill is found in the table below.***

SECTION	*EXPLANATION*
1	Reorganizes the sunsets for the William S. Lee Act and the General Business Credits Act, so that the sunset language will be codified within each Act. Also codifies the William S. Lee study provisions with the sunset. Codifying the sunsets separates the two Acts' sunsets, which are currently in the same session law, and makes them easier for taxpayers to find. This section also clarifies the sunset of the Renewable Energy Tax Credits added to the General Business Credits Act in 1999.
2	Clarifies that the $100 local tax limitation enacted in 1999 for loan agencies and other related businesses does not repeal the pre-existing local authority to tax pawnbrokers up to $275 a year. This section becomes effective July 1, 2000.
3	Clarifies that a county or city does not share in the distribution of beer and wine tax if the only place where beer and wine sales are authorized in the county or city is a sports club. Also, repeals an obsolete subsection.
4	Repeals the special franchise taxes on telegraph companies and street bus companies. The Department of Revenue states that there are no taxpayers paying tax under these provisions. With repeal of these special taxes, the general corporate franchise tax will apply to any companies that might have otherwise fallen under the provisions of the special taxes.
5	Repeals a cross-reference to the special franchise tax street bus companies, repealed by Section 4, and reorganizes language of statute.
6	Changes the form of the definition of manufactured home in the sales tax law from a restatement of federal standards to a cross-reference to federal standards.
7	Clarifies that a retailer for purposes of Highway Use Tax must be engaged in the business of selling or leasing motor vehicles, and clarifies and updates definition language in Chapter 20 of the General Statutes.
8	Allows the Department of Revenue to exchange information with the Department of Correction Division of Probation and Parole to assist in collecting the controlled substances tax.

SECTION	EXPLANATION
9	Clarifies that assessments based on presumed mileage are used only if the Department considers the presumption reasonable, corrects incorrect terminology, and changes sentence order.
10	Effective July 1, 2000, changes the method by which tax on fuel is charged at the destination state's rate when the fuel is simultaneously sold from one supplier, to another supplier, to a customer who picks the fuel up at the rack for export. In 1998, S.L. 1998-146 attempted to address this situation by expanding the definition of two-party exchange to include buy-sell agreements as one type of two-party transaction for purposes of the definition of "supplier". That change created confusion and led to mismatches between terminal operator reports and supplier returns. This section changes back to the old, narrower definition of two-party exchange and then adds a specific provision allowing the destination state's tax rate to be paid when the fuel is transferred at the rack pursuant to a buy-sell agreement.
11	Restores to definition of "user" a provision that was inadvertently deleted, and makes conforming changes to reflect defined term. Users are subject to audit. Adding this vehicle weight threshold, formerly provided in G.S. 105-449.9 (repealed), limits the audit provision to larger vehicles.
12	Conforms exemption statute to reflect that an unlicensed exporter or distributor is liable for tax under G.S. 105-449.82(c). Thus, fuel is exempt only if removed by licensed distributor or licensed exporter.
13	Conforms the statute catchline by removing a reference to a repealed provision.
14	Restores a provision making fuel retailers and bulk-end users subject to audit by the Department of Revenue. S.L. 1999-438 repealed the requirement that retailers and bulk-end users obtain licenses. An unintended consequence of this repeal was elimination of the Department's audit authority over these users and sellers of motor fuel.
15	Moves tax exemption language from G.S. 62A-5 to the corporate income tax statutes, to make Articles 1 and 2 of Chapter 62A consistent.
16	Effective date. Unless otherwise provided, the act is effective when it becomes law.

NORTH CAROLINA GENERAL ASSEMBLY

LEGISLATIVE FISCAL NOTE

BILL NUMBER: House Bill 1290 (Senate Finance Committee Substitute)

SHORT TITLE: Revenue Laws Clarifying Changes

SPONSOR(S):

FISCAL IMPACT

Yes (X) **No ( )** **No Estimate Available ( )**

	FY 2000-01	FY 2001-02	FY 2002-03	FY 2003-04	FY 2004-05
REVENUES					
LOCAL GOVERNMENTS	See Assumptions and Methodology				

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Local governments, Department of Revenue, Department of Correction

EFFECTIVE DATE: Section 2 (pawnbrokers) and Section 10 (fuel tax) are effective July 1, 2000. The remainder of the act is effective when it becomes law

BILL SUMMARY: This bill makes numerous technical and clarifying changes to the state revenue laws and related statutes.

ASSUMPTIONS AND METHODOLOGY:

Of the 16 sections in the bill, only section 2 has a fiscal impact. When the General Assembly approved Senate Bill 1112 (S.L. 1999-438), it inadvertently capped city and county privilege taxes on pawnbrokers at $100. Previous law (G.S. 105-50) allowed cities and counties to charge pawnbrokers up to $275 per year. In a 1996 survey conducted by the Fiscal Research Division of the General Assembly, 44 counties and 24 cities reported having a privilege tax on pawnbrokers ranging from $5 to $275. These local governments also reported FY 1995-96 tax revenues from pawnbrokers of $77,844. If all local governments changed their ordinance in response to SB 1112, then they would have experienced a loss of $47,993 based on the 1996 report. Passage of this bill would allow local governments to return their tax on pawnbrokers to previous levels and regain revenue lost due to SB 1112.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1999

H 1

HOUSE BILL 1803*

Short Title: Huntersville Annexation Agreement. (Local)

Sponsors: Representative Saunders.

Referred to: Finance.

May 25, 2000

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE TOWN OF HUNTERSVILLE TO AMEND AN AGREEMENT FOR PAYMENTS IN LIEU OF ANNEXATION.

The General Assembly of North Carolina enacts:

Section 1. Notwithstanding any applicable provision of the General Statutes or any other public or local law, the Town of Huntersville is granted certain contract powers as follows:

(1) The Town of Huntersville may amend the agreement authorized by S.L. 1997-266 ("Agreement") which provided that in consideration of certain payments to the Town in lieu of taxes, certain property described in the Agreement as the "McGuire Nuclear Station Property" would not be involuntarily annexed by the Town prior to December 31, 2027. The Agreement shall be amended by extending the term that the McGuire Nuclear Station Property may not be involuntarily annexed by the Town for 15 years until December 31, 2042, and by accelerating the tax equivalent payments required under Schedule 1 by Duke Power to Huntersville to reflect present value considerations as follows:

AMENDED SCHEDULE 1

Tax Equivalent Payments: The parties agree that Schedule 1 of the Agreement shall be deleted and this Amended Schedule 1 placed

in its stead. The tax equivalent payments required under Schedule 1 by Duke Power to Huntersville with respect to its McGuire Nuclear Station Property shall be accelerated under this Amended Schedule 1 to reflect the total and complete prepayment of the remaining tax equivalent payments based on present value considerations as follows:

Year	Payment
1996	0
1997	0
1998	$333,333(Paid)
1999	$333,333(Paid)
2000 [August 1, 2000]	$2,700,000
2000	$333,333
2001	$333,333
2002	$333,333
2003	$333,333
2004	$333,333

The parties further agree that tax equivalent payments required under Amended Schedule 1 may be further amended and accelerated upon mutual agreement of the parties to reflect future prepayments based upon present value considerations.

Except as herein amended, the Agreement shall remain in full force and effect and that certain property described in the Agreement as the "McGuire Nuclear Station Property" may not be involuntarily annexed by the Town prior to December 31, 2042. The Town of Huntersville shall not seek to repeal this act upon its approval by the General Assembly.

(2) The amendment to the Agreement entered into as provided in subdivision (1) of this section is specifically determined to be consistent with the public policy of the State of North Carolina.

(3) Any amendment to the Agreement entered into as provided in subdivision (1) of this section is binding on and enforceable against the current and future members of the Board of Commissioners of the Town of Huntersville during the full term of such Agreement and any extension thereof.

(4) The parties to any Agreement amended in accordance with subdivision (1) of this section shall be authorized by this section to further modify, amend, and extend such Agreement on mutual written consent, without the approval of the General Assembly, provided that any such modification or amendment does not materially alter the concept of the Agreement.

Section 2. The Town of Huntersville may accept, as consideration for such amendment, an accelerated schedule for payments in lieu of taxes.

Section 3. The Agreement and its amendment under Section 1 of this act shall apply to the McGuire Nuclear Station Property described as follows.

EXHIBIT A

Parcel 1: That certain tract of land containing 25.25 acres, more or less, beginning at a point in the easterly boundary of County Road NO. 2134 and running thence N 88-52-58 E 653.8 feet to a point; thence S 7-19-56E 237.1 feet to a point; thence S 77-32-50 E 1130.4 feet to a point; thence S 45-37-01 W 1310.6 feet to a point; thence N 30-20-20 W 1144.1 feet to a point; thence N 84-16-48 W 245.8 feet to a point in the easterly boundary of County Road No. 2134; thence with said Road N 4-25-22 W 372.1 feet to the point of Beginning and being shown as Tax Parcels Nos. 16, 17 and 18 on tax map recorded in Book 13 at page 13 of the Mecklenburg County Registry, Parcel 2: That certain tract of land containing 1,239.0 acres, more or less and being more particularly described as BEGINNING at a point in the Catawba River, said point being located in the Mecklenburg/Lincoln County line and running thence from said beginning point in a generally easterly direction with the boundary of the Cowans Ford Hydroelectric Project (Lake Norman) a distance of 13, 136 feet to a point; thence S 2-50-59 W 176.6 feet to a point; thence S 25-09-08 E 147.8 feet to a point; thence with the boundary of the Cowans Ford Hydroelectric Project (Lake Norman) a distance of 711.4 feet to a point; thence leaving the boundary of the Cowans Ford Hydroelectric Project S 11-37 E 47.9 feet to a point; thence S 4-55 W 85.1 feet to a point; thence S 25-41 W 63.9 feet to a point; thence N 74-37W 29.5 feet to an iron pipe; thence N 80-24 W 13.1 feet to a stake; thence S 1-11 E-291.7 feet to an iron pin; thence S 5-50 W-151.3 feet to the centerline of road 2182; thence S 5-50 W-120.8 feet to an iron; thence S 11-22 W-241.7 feet to an iron pin; thence S 16-54 W-241.7 feet to an iron pin; thence S 22-26 W-241.7 feet to an iron pin; thence S 27-58 W-128.8 feet to an iron pin; thence S 5-50 W-151.3 feet to the centerline of road 2182; thence N 61-15 E-489.9 feet to an iron pin; thence S 51-07 E-214.9 feet to an iron pipe; thence S 11-42 E-444.5 feet to an iron pin; thence S 12-54 E-40.2 feet to an iron pipe; thence S 12-14 E-173 feet to an iron pin; thence S 12-20 E-152.0 feet to an iron pipe; thence S 82-15 W-444.2 feet to an iron pipe; thence N 7-51 W-224.9 feet to an iron pipe; thence S 82-13 W-150.3 feet to an iron pipe; thence S 8-07 E-225.2 feet to an iron pipe; thence S 82-30 W-252.5 feet to an iron; thence crossing NC Hwy. 73; S 41-36 W-155.1 feet to an iron pipe; thence N 82-26 E-304.6 feet to a concrete monument; thence N 82-14 E-591.0 feet to an iron pipe; thence S 8-47 E-210.6 feet to an iron pipe; thence N 81-52 E-210.5 feet to an iron pin; thence S 12-37 W-527.1 feet to an iron pipe; thence N 67-05 E-99.0 feet to a stake; thence S 74-55 E 1082.5 feet to a stake; thence S 23-15 W-2128.0 feet to an iron pipe; thence S 87-51 W-341.6 feet to a stake; thence S 72-56 W-662.7 feet to a stake; thence N 13-47 W-363.2 feet to an iron pin; thence S 62-54 W-375.0 feet to an iron pin; thence S 59-08 W-797.9 feet to an iron pipe; thence S 17-17 W-1048.5 feet to an iron pin in an old road bed; thence

SESSION 1999

H D

HOUSE BILL 1748
Committee Substitute Favorable 6/22/00
Proposed Senate Committee Substitute H1748-PCSA264-LB1

Short Title: Granville/Banner Elk Tax Use. (Local)

Sponsors:

Referred to:

May 25, 2000

A BILL TO BE ENTITLED

AN ACT TO CHANGE THE PURPOSES FOR WHICH THE GRANVILLE COUNTY OCCUPANCY TAX CAN BE USED FOR A LIMITED PERIOD OF TIME, TO ESTABLISH A TOURISM DEVELOPMENT AUTHORITY, TO MAKE TECHNICAL CHANGES, TO CHANGE THE PURPOSES FOR WHICH THE BANNER ELK OCCUPANCY TAX MAY BE USED, AND TO MAKE CONFORMING CHANGES.

The General Assembly of North Carolina enacts:

Section 1. Chapter 454 of the 1993 Session Laws reads as rewritten:

"Section 1. Occupancy tax.

(a) **Authorization and Scope.**

The Granville County Board of Commissioners may ~~by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto,~~ levy a room occupancy tax of ~~five percent (5%)~~ three percent (3%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations. The combined occupancy tax rates for Granville County and any city or town that is located in Granville County and is authorized to levy a room occupancy tax may not exceed six percent (6%).

(b) **Administration.**

A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 153A-155. The penalties provided in G.S. 153A-155 apply to a tax levied under this section.

~~(b) Collection.~~

~~Every operator of a business subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax.~~

~~(c) Administration.~~

~~The county shall administer a tax levied under this section. A tax levied under this section is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.~~

~~A return filed with the county finance officer under this section is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.~~

~~(d) Penalties.~~

~~A person, firm, corporation, or association who fails or refuses to file the return required by this section is subject to the civil and criminal penalties set by G.S. 105-236 for failure to pay or file a return for State sales and use taxes. The board of commissioners has the same authority to waive the penalties for a room occupancy tax that the Secretary of Revenue has to waive the penalties for State sales and use taxes.~~

(e) **Distribution and** Use of Tax Revenue.

~~Granville County shall use at least two-thirds of the proceeds of the tax revenue to promote travel and tourism and shall use the remaining tax proceeds for tourism-related expenditures. The term "promote travel and tourism" means to~~ The county shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the Granville County Tourism Development Authority. The Authority may use up to two-thirds of the funds remitted to it under this subsection for the following tourism-related expenditures designed to attract tourists and business travelers from outside the county into the county: (i) developing facilities for fishing tournaments, skiing tournaments, and boating events; (ii) constructing facilities for festivals; (iii) constructing tournament grade multipurpose athletic facilities; and (iv) financing

other similar capital expenditures. The Authority shall use the remaining net proceeds to promote travel and tourism in Granville County.

The following definitions apply in this subsection:

(1) Net proceeds. -- Gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the gross proceeds.

(2) Promote travel and tourism. -- To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the ~~county; the~~ county. The term includes administrative expenses incurred in engaging in the listed activities. ~~The term "tourism-related expenditures" means expenditures that~~

(3) Tourism-related expenditures. -- Expenditures that, in the judgment of the Authority, are designed to increase the use of lodging facilities in the county or to attract tourists or business travelers to the ~~county and expenditures by the county to administer and collect the tax; it~~ county. The term includes ~~expenditures for the construction or maintenance of a convention or meeting facility to be used primarily by individuals who are not residents of the county and for the construction or maintenance of a coliseum or a visitors' center, but does not include other~~ tourism-related capital expenditures.

~~(f) Effective Date of Levy.~~

~~A tax levied under this section shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.~~

~~(g) Repeal.~~

~~A tax levied under this section may be repealed by a resolution adopted by the Granville County Board of Commissioners. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.~~

Sec. 1.1. Granville Tourism Development Authority.

(a) **Appointment and Membership.**

The Board of County Commissioners shall adopt a resolution creating a county Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The Authority shall be composed of five members who shall serve for staggered three-year terms. The members shall be appointed as follows: three appointed by the Granville County Board of Commissioners, one appointed by the Oxford City Council, and one appointed by the

Creedmoor City Council. One of the three members appointed by the Granville County Board of Commissioners must be an owner or manager of a Granville County hotel or motel. The remaining members must be individuals who are currently active in the promotion of travel and tourism in the county. Vacancies shall be filled in the same manner as original appointments, and members appointed to fill vacancies shall serve for the remainder of the unexpired term. The resolution shall determine the compensation, if any, to be paid to the members of the Authority.

At the first meeting of each calendar year, the membership of the Authority shall elect one member to serve as chair until the first meeting of the following year. The Authority shall meet at the call of the chair and shall adopt rules of procedure to govern its meetings. The Finance Officer for Granville County shall be the ex officio finance officer of the Authority.

(b) **Duties.**

The Authority shall expend the net proceeds of the tax levied under this act for the purposes provided in this act. The Authority shall promote travel, tourism, and conventions in the county, sponsor tourist-related events and activities in the county, and finance tourist-related capital projects in the county.

(c) **Reports.**

The Authority shall report quarterly and at the close of the fiscal year to the Granville County Board of Commissioners on its receipts and expenditures for the preceding quarter and for the year in such detail as the board may require.

Sec. 2. This act is effective upon ratification."

Section 2. To achieve the staggered terms required on the Granville County Tourism Development Authority, as provided in Section 1 of this act, the initial terms of the members of the Authority shall be as follows: The initial term of the member who is an owner or manager of a hotel or motel shall be three years. The Granville County Board of Commissioners must designate one of its remaining appointees to serve an initial term of two years and the other to serve an initial term of one year. The remaining initial members shall serve terms of three years each. Thereafter, all terms shall be three years.

Section 3. Section 1(a) of Chapter 454 of the 1993 Session Laws, as amended by Section 1 of this act, reads as rewritten:

"(a) **Authorization and Scope.**

The Granville County Board of Commissioners may levy a room occupancy tax of ~~three percent (3%)~~ five percent (5%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations. The combined occupancy tax rates for Granville County and any city or town that is located in Granville County and is authorized to levy a room occupancy tax may not exceed six percent (6%)."

Section 4. Section 1(e) of Chapter 454 of the 1993 Session Laws, as amended by Section 1 of this act, reads as rewritten:

"(e) **Distribution and Use of Tax Revenue.**

The county shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the Granville County Tourism Development Authority. The Authority ~~may~~ shall use ~~up to~~ at least two-thirds of the funds remitted to it under this subsection ~~for the following tourism-related expenditures designed to attract tourists and business travelers from outside the county into the county: (i) developing facilities for fishing tournaments, skiing tournaments, and boating events; (ii) constructing facilities for festivals; (iii) constructing tournament grade multi-purpose athletic facilities; and (iv) financing other similar capital expenditures. The Authority shall use the remaining net proceeds~~ to promote travel and tourism in Granville ~~County.~~ County and shall use the remainder for tourism-related expenditures.

The following definitions apply in this subsection:

(1) Net proceeds. -- Gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the gross proceeds.

(2) Promote travel and tourism. -- To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the county. The term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. -- Expenditures that, in the judgment of the Authority, are designed to increase the use of lodging facilities in the county or to attract tourists or business travelers to the county. The term includes tourism-related capital expenditures."

Section 5. G.S. 153A-155(g) reads as rewritten:

"(g) This section applies only to Avery, Brunswick, Craven, Currituck, Davie, Granville, Madison, Nash, Person, Randolph, Scotland, and Transylvania Counties."

Section 6. Sections 1 through 6 of Chapter 318 of the 1989 Session Laws, as amended by Chapter 428 of the 1993 Session Laws, read as rewritten:

"**Section 1.** Occupancy Tax. The Town Council of Banner Elk may ~~by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto,~~ levy a room occupancy and tourism development tax. ~~Collection of the tax and liability therefor shall begin and continue only on and after the first day of a calendar month set by the Town Council of Banner Elk in the resolution levying the tax, which in no case may be earlier than the first day of the second succeeding calendar month after the date of adoption of the resolution.~~

The occupancy and tourism development tax that may be levied under this act shall be three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation in the Town of Banner Elk that is subject to sales tax imposed by the State under G.S. ~~105-164.4(3).~~ 105-164.4(a)(3). This tax is in addition to any State or local sales tax. The tax shall not apply to any room, lodging, or accommodation supplied to the same person for a period of 90 continuous days or

more or to sleeping rooms or lodging furnished by charitable, educational, or religious institutions or by nonprofit organizations.

"**Sec. 2.** Administration of Tax. (a) A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 160A-215. The penalties provided in G.S. 160A-215 apply to a tax levied under this section. ~~The Town of Banner Elk shall administer a tax levied under this act. A tax levied under this act is due and payable to the town in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, and association liable for the tax shall, on or before the 15th day of each month prepare and render a return on a form prescribed by the town. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied. A return filed with the county town under this act is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.~~

~~(b) Any person, firm, corporation, or association who fails or refuses to file the return required by this act is subject to the civil and criminal penalties set by G.S. 105-236 for failure to pay or file a return for State sales and use taxes. The town council has the same authority to waive the penalties for a room occupancy tax that the Secretary of Revenue has to waive the penalties for State sales and use taxes.~~

(c) All persons, firms, corporations, and associations who rent either their own dwelling or dwellings or rooms for other persons are required to submit to the town a list of all rented properties. This list shall include the owner's name and current address and the location of the rental property. The list shall be submitted semi-annually on or before November 30 and May 30. Failure to file this listing shall subject the person, firm, corporation, or association to a civil penalty of fifty dollars ($50.00).

"**Sec. 3.** Collection of Tax. ~~(a) Every operator of a business and every individual renting his or her own property subject to the tax levied pursuant to this act shall on and after the effective date of the levy of the tax, collect the three percent (3%) room occupancy tax. This tax shall be collected as part of the charge for furnishing any taxable accommodations. The tax shall be stated and charged separately from the sales records and shall be paid by the purchaser to the operator of the business as trustee for and on account of the Town of Banner Elk. It is the intent of this act that the room occupancy tax levied by the Town of Banner Elk shall be added to the sales price and that the tax shall be passed on to the purchaser instead of being borne by the operator of the business. The town shall design, print, and furnish to all appropriate businesses in the town the necessary forms for filing returns and instructions to ensure the full collection of the tax.~~

(b) Collection of the tax shall be the responsibility of the Banner Elk Tax Administrator. In his or her discretion, the tax administrator may proceed against an operator whose occupancy tax is delinquent employing all remedies for collection of tax as set out in G.S. 105-367, 105-368, 105-374, and 105-375. In employing the remedies under those statutes, the tax levied under this act shall be treated as a property tax on personal property. The Tax Administrator may audit occupancy tax

reports as he or she deems necessary utilizing information available to him or her in property tax matters.

~~"Sec. 4. Discount for Payment of Taxes When Due. Every operator who pays the occupancy tax imposed by this act may deduct from the amount of the tax for which he is liable and which he actually pays a discount equal to the discount the State allows the operator for collecting State sales and use taxes. Provided, however, the tax administrator may deny a taxpayer the benefit of this section for failure to pay the full tax when due as well as in cases of fraud, evasion, or failure to keep accurate and clear records as required. Provided, further, that in order to receive any discount allowed the taxpayer must deduct the discount at the time of making the monthly remittance of tax to the town.~~

"**Sec. 5.** Disposition of Taxes Collected. The town council shall use at least ~~two-thirds~~ one-third of the room occupancy tax proceeds to promote travel and tourism and shall use the remainder of the proceeds only for tourism-related expenditures. The term 'promote travel and tourism' means to advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in or sponsor similar promotional activities that attract tourists or business travelers to the area; the term includes administrative expenses incurred in engaging in the listed activities. The term 'tourism-related expenditures' means expenditures that are designed to increase the use of lodging ~~facilities~~ facilities, recreational facilities, and business establishments in the town or to attract tourists or business travelers to the ~~town~~ town, and expenditures incurred by the town in collecting the tax. The term includes expenditures to construct, maintain, operate, or market a convention or meeting facility, a visitors' center, ~~or a coliseum~~ a coliseum, sidewalks, or public parking areas, and other expenditures that, in the judgment of the town council, will facilitate and support tourism.

The town may retain its costs of collecting the tax, not to exceed seven percent (7%) of the amount collected.

~~"Sec. 6. Repeal of Levy. The Banner Elk Town Council may by resolution repeal the levy of the room occupancy tax in Banner Elk, but no repeal of taxes levied under this act shall be effective until the end of the fiscal year in which the repeal resolution was adopted. No liability for a tax levied under this act that attached prior to the date on which a levy is repealed shall be discharged as a result of the repeal, and no right to a refund of a tax that accrued prior to the effective date on which a levy is repealed shall be denied as a result of the repeal.~~"

Section 7. G.S. 160A-215 reads as rewritten:

"**§ 160A-215. Uniform provisions for room occupancy taxes.**

(a) Scope. -- This section applies only to municipalities the General Assembly has authorized to levy room occupancy taxes. For the purpose of this section, the term "city" means a municipality.

(b) Levy. -- A room occupancy tax may be levied only by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto. A room occupancy tax shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not

be earlier than the first day of the second month after the date the resolution is adopted.

(c) Collection. -- Every operator of a business subject to a room occupancy tax shall, on and after the effective date of the levy of the tax, collect the tax. The tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records and shall be paid by the purchaser to the operator of the business as trustee for and on account of the taxing city. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The taxing city shall design, print, and furnish to all appropriate businesses and persons in the city the necessary forms for filing returns and instructions to ensure the full collection of the tax. An operator of a business who collects a room occupancy tax may deduct from the amount remitted to the taxing city a discount equal to the discount the State allows the operator for State sales and use tax.

(d) Administration. -- The taxing city shall administer a room occupancy tax it levies. A room occupancy tax is due and payable to the city finance officer in monthly installments on or before the fifteenth day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the fifteenth day of each month, prepare and render a return on a form prescribed by the taxing city. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied. A room occupancy tax return filed with the city finance officer is not a public record and may not be disclosed except in accordance with G.S. 153A-148.1 or G.S. 160A-208.1.

(e) Penalties. -- A person, firm, corporation, or association who fails or refuses to file a room occupancy tax return or pay a room occupancy tax as required by law is subject to the civil and criminal penalties set by G.S. 105-236 for failure to pay or file a return for State sales and use taxes. The governing board of the taxing city has the same authority to waive the penalties for a room occupancy tax that the Secretary of Revenue has to waive the penalties for State sales and use taxes.

(f) Repeal or Reduction. -- A room occupancy tax levied by a city may be repealed or reduced by a resolution adopted by the governing body of the city. Repeal or reduction of a room occupancy tax shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the resolution was adopted. Repeal or reduction of a room occupancy tax does not affect a liability for a tax that was attached before the effective date of the repeal or reduction, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal or reduction.

(g) This section applies only to the Cities of Goldsboro, Greensboro, Lumberton, Mount Airy, Shelby, and Statesville, to the Towns of ~~Mooresville~~ Banner Elk, Mooresville, and St. Pauls, and to the municipalities in Brunswick County."

Section 8. Sections 3 and 4 of this act become effective October 1, 2007, and apply to taxes collected on or after that date. Section 6 of this act becomes effective on the first day of the first month after it becomes law and applies to taxes

collected on or after that date. Section 7 of this act is effective when it becomes law. The remainder of this act becomes effective October 1, 2000, and applies to taxes collected on or after that date.

A BILL TO BE ENTITLED

AN ACT TO ALLOW THE CITY OF CHARLOTTE TO USE THE PROCEDURES OF CHAPTER 136 OF THE GENERAL STATUTES FOR CONDEMNATION FOR ECONOMIC DEVELOPMENT PURPOSES WITHIN A DEFINED AREA.

The General Assembly of North Carolina enacts:

Section 1. Section 7.81 of the Charter of the City of Charlotte, being Session Law 2000-26, reads as rewritten:

"Section 7.81. **Powers and Procedures.** (a) Notwithstanding the provisions of G.S. 40A-1, in the exercise of its authority of eminent domain for the acquisition of property to be used for streets and highways, water supply and distribution systems, sewage collection and disposal systems, economic development purposes authorized by law within the territory described in subsection (c) of this section, and airports, the City is hereby authorized to use the procedure and authority prescribed in Article 9 of Chapter 136 of the General Statutes, as now or hereafter amended; provided further, that whenever therein any reference is made to the State of North Carolina or any agency thereof, such reference shall be deemed to include the City, and whenever therein any reference is made to any official of the state of North Carolina, such reference shall be deemed to include the City Manager; provided further that nothing herein shall be construed to enlarge the power of the City to condemn property already devoted to public use.

(b) The City shall have the power of eminent domain to acquire property to provide housing for low- and moderate-income persons but only to acquire: (i) vacant structures Boarded up as a result of housing code violations; (ii) structures that have been found to contain housing code violations that the property owner has failed or refused to correct within a reasonable time; and (iii) vacant properties rendered vacant as a result of a housing code enforcement demolition order. Provided that in the exercise of its authority of eminent domain to acquire property to provide housing for low- and moderate-income persons, the City shall follow the procedures prescribed in Chapter 40A of the General Statutes. Vesting of title to the property taken under this subsection, and right to possession shall occur pursuant to the provisions of G.S. 40A-42(b). The City may not file an eminent domain action to acquire property described in clauses (i) or (ii) of this subsection until the property owner has had 150 days from the date of the order finding violations of the City housing code to correct the violations. The Council must adopt a plan to use condemned property for low- or moderate-income housing prior to exercising the powers under this subsection.

(c) The area within which the City of Charlotte is authorized to use the procedure and authority prescribed in Article 9 of Chapter 136 of the General Statutes for economic development purposes by subsection (a) of this section is as follows: an area bounded on the east by Berryhill Road, on the south by the Norfolk Southern Railroad, on the north by Wilkinson Boulevard, and on the west by Billy Graham Parkway. The property may be conveyed at private sale as allowed by the exception in G.S. 160A-279(d), but otherwise following the procedures of G.S. 160A-279.

(d) Before the City of Charlotte may use the procedure and authority prescribed in Article 9 of Chapter 136 of the General Statutes for economic development purposes in the area defined in subsection (c) of this section, the City shall designate a not-for-profit corporation to which it may intend to convey the property at private sale as allowed by subsection (c) of this section, and that corporation must demonstrate to the City that the corporation has attempted to negotiate with the property owner in good faith for the purchase of the property.

(e) Before the City of Charlotte may use the procedure and authority prescribed in Article 9 of Chapter 136 of the General Statutes for economic development purposes in the area defined in subsection (c) of this section, the corporation designated under subsection (d) of this section must demonstrate to the City that as long as the use of the property is compatible with the development plan for the area, the corporation has used its best good faith efforts to relocate within the economic development project area any business displaced by the project."

Section 2. This act is effective when it becomes law.

HOUSE BILL 1647:
Charlotte Economic Development Quicktake

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Rep. McMahan
Date:	June 29, 2000	**Summary by:**	Martha K. Walston Committee Counsel
Version:	Proposed Senate Committee Substitute H1647-CSLB-3		

SUMMARY: ***House Bill 1647 amends the newly ratified Charlotte Charter (HB 1667) by allowing the City to use the condemnation procedure in Article 9 of Chapter 136 for economic development purposes within a defined area of the City. This defined area may be conveyed at private sale. The condemnation procedure in Article 9 of Chapter 136 is used by the Department of Transportation and provides a quicker way to acquire property than the condemnation procedure in Chapter 40A. The act is effective when it becomes law.***

CURRENT LAW: Under the current Charter of the City of Charlotte, the City has the power of eminent domain and may acquire property by condemnation under Chapter 40A. This Chapter sets forth the condemnation procedures for cities and counties, private condemnors, and certain other listed public condemnors. The Charter also authorizes the City to acquire property for streets and highways, water supply and distribution systems, sewage collection and disposal systems, and airports by using the condemnation procedure in Article 9 of Chapter 136 (Condemnation by the Department of Transportation). This procedure for condemnation vests title and right to immediate possession in the City upon the filing of the complaint for condemnation, the declaration of taking, and deposit in the court of the estimated compensation.

BILL ANALYSIS: House Bill 1647 amends the Charter of Charlotte as follows:

- The City may use the condemnation procedure in Article 9 of Chapter 136 for economic development purposes within a defined area of the City. The defined area may be conveyed at private sale
- Use of the condemnation procedure in Article 9 of Chapter 136 for economic development purposes in the defined area of the City, is conditioned on the following:
    1. The City must designate a not-for-profit corporation to which it may intend to convey the property at private sale.
    2. The not-for-profit corporation must demonstrate to the City that the corporation has attempted to negotiate with the property owner in good faith for the purchase of the property.
    3. The not-for-profit corporation must demonstrate to the City that as long as the use of the property is compatible with the development plan for the area, the corporation has used its best good faith efforts to relocate within the economic development project area any business displaced by the project.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1999

S 1

SENATE BILL 1529

Short Title: Register of Deeds Fee Adjustments. (Public)

Sponsors: Senator Dalton.

Referred to: Finance.

May 30, 2000

A BILL TO BE ENTITLED

AN ACT TO ADJUST AND ADD FEES CHARGED BY THE REGISTER OF DEEDS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 47-21 reads as rewritten:

"**§ 47-21. Blank or master forms of mortgages, etc.; embodiment by reference in instruments later filed.**

It shall be lawful for any person, firm or corporation to have a blank or master form of mortgage, deed of trust, or other instrument conveying an interest in, or creating a lien on, real and/or personal property, filed, indexed and recorded in the office of the register of deeds. When any ~~such~~ blank or master form is filed with the register of deeds, ~~he~~ the register of deeds shall record ~~the same, and shall index the same~~ and index it in the manner now provided by law for the indexing of instruments recorded in his office, except that the name of the person, firm or corporation whose name appears on ~~such~~ the blank or master form shall be inserted in the indices as grantor and also as grantee. The fee for filing, recording and indexing ~~such~~ a blank or master form shall be ~~five dollars ($5.00).~~ fifty dollars ($50.00) for the first page, which page shall not exceed 8 1/2 inches by 14 inches, plus two dollars ($2.00) for each additional page or fraction thereof. A page exceeding 8 1/2 inches by 14 inches shall be considered two pages.

When any deed, mortgage, deed of trust, or other instrument conveying an interest in, or creating a lien on, real and/or personal property, refers to the provisions, terms, covenants, conditions, obligations, or powers set forth in any ~~such~~ blank or master form recorded as ~~herein authorized,~~ authorized by this section, and states the

office of recordation of ~~such~~ the blank or master form, book and page where ~~same~~ it is ~~recorded such~~ recorded, that reference shall be equivalent to setting forth in extenso in ~~such~~ the deed, mortgage, deed of trust, or other instrument conveying an interest in, or creating a lien on, real and/or personal property, the provisions, terms, covenants, conditions, obligations and powers set forth in ~~such~~ the blank or master form. Provided this section shall not apply to Alleghany, Ashe, Avery, Beaufort, Bladen, Camden, Carteret, Chowan, Cleveland, Columbus, Dare, Gates, Granville, Guilford, Halifax, Iredell, Jackson, Martin, Moore, Perquimans, Sampson, Stanly, Swain, Transylvania, Vance, Washington and Watauga Counties."

Section 2. G.S. 161-10(a) reads as rewritten:

"(a) Except as provided in G.S. 161-11.1 or 161-11.2, all fees collected under this section shall be deposited into the county general fund. ~~In the performance of his duties,~~ While performing the duties of the office, the register of deeds shall collect the following fees which shall be uniform throughout the State:

* * *

(8a) Vital Records Network. -- For obtaining access to the Vital Records Computer Network two dollars ($2.00).

* * *

(19) Miscellaneous Services. -- For performing miscellaneous services such as faxing documents, providing laminated copies of documents, expedited delivery of documents, and similar services, the cost of the service."

Section 3. This act becomes effective October 1, 2000.

SENATE BILL 1529:
Register of Deeds Fee Adjustments.

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Dalton
Date:	June 21, 2000	**Summary by:**	Karen Cochrane Brown
Version:	First Edition		Committee Co-Counsel

SUMMARY:

Senate Bill 1529 increases the fee for filing, recording and indexing a blank or master form mortgage or deed of trust from $5.00 to $50.00 for the first page plus $2.00 for each additional page. The bill also authorizes the register of deeds to collect a fee of $2.00 for providing access to the Vital Records Computer Network and to collect the actual cost of providing miscellaneous services such as faxing documents, laminating documents, or providing expedited delivery.

CURRENT LAW:

Under current law, a person, firm or corporation may file a blank or master form mortgage, deed of trust or other instrument conveying an interest in, or creating a lien on real and/or personal property. A subsequent deed, mortgage, deed of trust or other instrument may refer to the provisions, terms, covenants, conditions, obligations, or powers set forth in the blank or master form and state the office of recordation, and the reference shall be the equivalent of setting forth the provisions of the blank or master form in full. The register of deeds is authorized to charge a fee of five dollars for filing, recording, and indexing a blank or master form. This provision does not apply to the following counties:

Alleghany, Ashe, Avery, Beaufort, Bladen, Camden, Carteret, Chowan, Cleveland, Columbus, Dare, Gates, Granville, Guilford, Halifax, Iredell, Jackson, Martin, Moore, Perquimans, Sampson, Stanly, Swain, Transylvania, Vance, Washington, and Watauga.

BILL ANALYSIS:

This bill authorizes the register of deeds to charge an increased fee for filing, recording and indexing a blank or master form document. The increase is from five dollars for the entire document to fifty dollars for the first page plus two dollars for each additional page.

In addition, the bill amends the law relating to uniform fees charged by registers of deeds by adding two additional services. The register of deeds may collect a two-dollar fee for obtaining access to the Vital Records Computer Network, and may also collect the cost of providing miscellaneous services such as faxing, laminating and expediting delivery.

This act becomes effective October 1, 2000.

NORTH CAROLINA GENERAL ASSEMBLY

LEGISLATIVE FISCAL NOTE

BILL NUMBER: SB 1529 (First Edition)

SHORT TITLE: Register of Deeds Fee Adjustments

SPONSOR(S): Senator Dalton

FISCAL IMPACT

Yes ( ) **No ( )** **No Estimate Available (X)**

REVENUES					
EXPENDITURES					
POSITIONS:					

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: County Governments

EFFECTIVE DATE: This act is effective October 1, 2000.

BILL SUMMARY: This bill amends G.S. 47-21 to authorize the county Registers of Deeds to adjust the fee for filing, recording, and indexing a blank or master form of mortgage, deed of trust, or other instrument conveying a lien on real or personal property. The legislation allows them to raise the fee for this service from $5 to $50 for the first page, and $2 for each additional page or fraction thereof. This legislation does not apply to the following counties:

Alleghany, Ashe, Avery, Beaufort, Bladen, Camden, Carteret, Chowan, Cleveland, Columbus, Dare, Gates, Granville, Guilford, Halifax, Iredell, Jackson, Martin, Moore, Perquimans, Sampson, Stanly, Swain, Transylvania, Vance, Washington, and Watauga.

The second portion of this legislation amends G.S. 161-10 (a) to authorize the county Register of Deeds to collect a $2 access fee to the Vital Records Network, and to collect the cost of providing miscellaneous services.

ASSUMPTIONS AND METHODOLOGY: G.S. 47-21 that authorizes the collection of fees for the filing of blank or master forms for mortgages, deeds of trust, and other property liens was

first authorized in 1935, and was amended in 1971 to the current $5 rate. However, the convention of filing on blank or master forms is very rarely utilized in North Carolina anymore. According to the North Carolina Association of Registers of Deeds, on average, ten of these master forms are recorded and filed per year across the state. Of those filed, the documents are an average of six pages. This fiscal note assumes a yearly filing of ten of these master forms that contain six pages each. Therefore, upon the passing of this bill, the gross revenue for all counties will be approximately **$550** from this portion of the bill.

The second portion of this bill authorizes county Registers of Deeds to collect a $2 fee for access to the Vital Records Network, and to collect the costs of providing miscellaneous services. Currently, a North Carolina resident may, for a $10 fee, obtain an official birth certificate duplicate by travelling to Vital Records in Raleigh or waiting 6-8 weeks for the duplicate to arrive via the mail request system. Of this $10, $5 is directed to the state general fund and $5 to the State Automation Fund. A Vital Records Network that would allow residents to obtain an official birth certificate from any county in the state has been designed, and is being implemented. This system would allow North Carolina residents to obtain an official birth certificate from the Register of Deeds in their county of residence, without physically going to Vital Records in Raleigh or waiting 6-8 weeks for the mail request system. The test pilot for this Vital Records Network is scheduled for implementation in Harnett County in August of this year.

Under current legislation, Registers of Deeds are only authorized to collect $8 for access to this Vital Records Network. Of this $8, $5 is directed to the State Automation Fund, and $3 is directed to the state general fund. This situation creates a $2 discrepancy between obtaining a birth certificate via the network, and obtaining a certificate by the conventional means of mail request or travelling to Raleigh. Upon the passing of this legislation, the fee for obtaining a birth certificate duplicate would be the same regardless of which method is used. There is currently no estimate of the number of North Carolinians who will utilize the Vital Records Network service or the number of counties that will participate, until the performance of the test pilot is evaluated. Therefore, no estimate of the fiscal impact of this portion of the bill is available at this time. Yet given the time and expense of travel to Raleigh from other cities, and the time involved in a mail request, the majority of Registers of Deeds in the state feel that a vast majority of residents will choose to utilize the service.

The second portion of this bill also allows the county Register of Deeds to collect the costs of providing miscellaneous services that vary across counties. This portion of the bill is permissive, and authorizes the Registers of Deeds to charge a fee for the actual expenses incurred from providing such services such as lamination, faxing, expedited delivery, etc.. This legislation merely allows county Registers of Deeds to recoup the costs of these services, and therefore has no fiscal impact.

Section 2. This act becomes effective October 1, 2000.

SENATE BILL 1529:
Register of Deeds Fee Adjustments.

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Dalton
Date:	June 30, 2000	**Summary by:**	Martha K. Walston and Karen Cochrane Brown Committee Co-Counsel
Version:	Proposed Committee Substitute		

SUMMARY:

The proposed committee substitute for Senate Bill 1529 authorizes the register of deeds to collect a fee of $2.00 for providing access to the Vital Records Computer Network and to collect the actual cost of providing miscellaneous services such as faxing documents, laminating documents, or providing expedited delivery. The original bill also increased the fee for filing, recording and indexing a blank or master form mortgage or deed of trust from $5.00 to $50.00 for the first page plus $2.00 for each additional page. The Proposed Committee Substitute keeps the fee at $5.00.

CURRENT LAW:

G.S. 161-10 sets out the uniform fees charged by registers of deeds. These fees are deposited into the county general fund with the following exceptions: (a) the uniform fees do not apply to armed forces discharge documents, and (b) $20 of each marriage license fee is credited to the Domestic Violence Center Fund.

BILL ANALYSIS:

The bill amends G.S. 161-10 by adding two additional services for which fees are to be collected. The register of deeds may collect a two-dollar fee for obtaining access to the Vital Records Computer Network, and may also collect the cost of providing miscellaneous services such as faxing, laminating and expediting delivery. These fees are deposited into the county general fund.

This act becomes effective October 1, 2000.

REVENUES					
EXPENDITURES					

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: County Registers of Deeds

EFFECTIVE DATE: This act is effective October 1, 2000.

BILL SUMMARY:
This legislation amends G.S. 161-10 (a) to authorize county Registers of Deeds to collect a $2 access fee to the Vital Records Network and to collect the cost of providing miscellaneous services.

ASSUMPTIONS AND METHODOLOGY:
Section 2 of SB 1529 authorizes county Registers of Deeds to collect a $2 fee for access to the Vital Records Network. Currently, a North Carolina resident pays a $10 fee to obtain an official birth certificate duplicate by travelling to Vital Records in Raleigh or by waiting 6-8 weeks for the duplicate to arrive via the mail request system. Of this $10, $5 is directed to the state General Fund and $5 to the State Automation Fund. A Vital Records Network has been designed to allow North Carolina residents to obtain on-line access to official birth certificate duplicates from the Register of Deeds in their county of residence. The test pilot for this Vital Records Network is scheduled for implementation in Harnett County in August of this year.

Under current legislation, Registers of Deeds are only authorized to collect $8 for access to this Vital Records Network. Of this $8, $5 is directed to the State Automation Fund and $3 is directed to the state General Fund. This situation creates a $2 discrepancy between obtaining a birth certificate via the network and obtaining a certificate by the conventional means of mail

request or travel to Raleigh. Upon the passage of SB 1529, the fee for obtaining a birth certificate duplicate will be the same regardless of which method is used. Until the Harnett County pilot project is completed, there is no reliable estimate of the number of North Carolinians who will utilize the Vital Records Network. There is also no estimate of the number of counties that will participate in the program. Therefore, no estimate of the fiscal impact of this portion of the bill is available at this time. However, the majority of Registers of Deeds in the state feel that most residents will choose to utilize the Vital Records Network because of the time and expense of travel to Raleigh and the time involved in a mail request.

This bill also allows the county Register of Deeds to collect the costs of providing miscellaneous services. Under the bill, the Registers of Deeds may charge a fee for the actual expenses incurred from providing such services such as lamination, faxing, expedited delivery, etc. No estimate is available of the amount of uncompensated services provided by the 100 Registers of Deeds.

A BILL TO BE ENTITLED

AN ACT TO ELIMINATE THE FINGERPRINTING REQUIREMENT FOR RENEWAL OF A CONCEALED HANDGUN PERMIT WHERE DOING SO WOULD NOT IMPEDE CRIMINAL RECORD UPDATES; TO DECREASE THE FEE FOR RENEWAL OF A CONCEALED HANDGUN PERMIT; AND TO CLARIFY THAT THE RELEASE FORM SUBMITTED FOR A CONCEALED HANDGUN APPLICANT'S MENTAL HEALTH RECORDS MAY BE AN ORIGINAL OR PHOTOCOPIED FORM.

The General Assembly of North Carolina enacts:

Section 1. G.S. 14-415.16 reads as rewritten:

"**§ 14-415.16. Renewal of permit.**

The holder of a permit shall apply to renew the permit at least 30 days prior to its expiration date by filing with the sheriff of the county in which the person resides a renewal form provided by the sheriff's office, a notarized affidavit stating that the permittee remains qualified under the criteria provided in this Article, a newly administered full set of the permittee's fingerprints, and a renewal fee. Upon receipt of the completed renewal application, including the permittee's fingerprints, and the appropriate payment of fees, the sheriff shall determine if the permittee remains qualified to hold a permit in accordance with the provisions of G.S. 14-415.12. The permittee's criminal history shall be updated, and the sheriff may waive the requirement of taking another firearms safety and training course. If the permittee applies for a renewal of the permit within 30 days of its expiration date and if the permittee remains qualified to have a permit under G.S. 14-415.12, the sheriff shall

renew the permit. No fingerprints shall be required for a renewal permit if the applicant's fingerprints were submitted to the State Bureau of Investigation after June 30, 2001, on the Automated Fingerprint Information System (AFIS) as prescribed by the State Bureau of Investigation."

Section 2. G.S. 14-415.19 reads as rewritten:

"**§ 14-415.19. Fees.**

(a) The permit fees assessed under this Article are payable to the sheriff. The sheriff shall transmit the proceeds of these fees to the county finance officer to be remitted or credited by the county finance officer in accordance with the provisions of this subsection. The permit fees are as follows:

Application fee.....	$80.00
Renewal fee.....	~~$80.00~~ $75.00
Duplicate permit fee.....	$15.00

The county finance officer shall remit forty-five dollars ($45.00) of each new application fee ~~or~~ and forty dollars ($40.00) of each renewal fee to the North Carolina Department of Justice for the costs of State and federal criminal record checks performed in connection with processing applications and for the implementation of the provisions of this Article. The remaining thirty-five dollars ($35.00) of each application or renewal fee shall be used by the sheriff to pay the costs of administering this Article and for other law enforcement purposes. The county shall expend the restricted funds for these purposes only.

(b) An additional fee, not to exceed ten dollars ($10.00), shall be collected by the sheriff from an applicant for a permit to pay for the costs of processing the applicant's ~~fingerprints.~~ fingerprints, if fingerprints were required to be taken. This fee shall be retained by the sheriff."

Section 3. G.S. 14-415.14 is amended by adding a new subsection to read:

"(c) Any person or entity who is presented by the applicant or by the sheriff with an original or photocopied release form as described in G.S. 14-415.13(a)(5) shall promptly disclose to the sheriff any records concerning the mental health or capacity of the applicant who signed the form and authorized the release of the records."

Section 4. The Division of Mental Health, Developmental Disabilities, and Substance Abuse Services of the Department of Health and Human Services shall notify by United States mail, telefacsimile, or electronic mail all mental health clinics, hospitals, and licensed mental health professionals in North Carolina about the requirement in Section 3 of this act within 30 days after the effective date of this act.

Section 5. This act becomes effective July 1, 2000.

HOUSE BILL 1508:
Gun Permit/Decrease Renewal Fee

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Representative Mitchell
Date:	June 27, 2000	**Summary by:**	Mary Shuping
Version:	2nd edition		Research Assistant

SUMMARY: ***House Bill 1508, 2nd edition, eliminates the fingerprint requirement for renewal of a concealed handgun permit in certain circumstances; decreases the fee for the renewal of a concealed handgun permit; and requires mental health authorities to disclose to the sheriff the mental health records of an applicant upon the presentation of an original or photocopied release form.***

CURRENT LAW & BILL ANALYSIS:

Section 1. Current law requires a person who holds a concealed handgun permit to apply for renewal at least 30 days prior to the expiration of the permit by filing the following information with the sheriff in the county where the person resides:

- Notarized affidavit stating the person remains qualified to carry a permit.
- Newly administered set of fingerprints (for criminal background checks and criminal records updates).
- Renewal fee.

Section 1 of the bill provides that a new set of fingerprints will not be required for the renewal of a permit if the applicant's fingerprints were submitted to the SBI after June 30, 2001 using the Automated Fingerprint Information System (AFIS).

Section 2 revises the fees for renewal as follows:

Type of Fee	Current Fee	Proposed Fee
Application Fee	$80.00 *($45 to DOJ & $35 to sheriff)*	No Change
Renewal Fee	$80.00 *($45 to DOJ & $35 to sheriff)*	$75.00 *($40 to DOJ & $35 to sheriff)*
Fingerprint Fee	$10.00	$10.00 *Only if new fingerprints are required*

Sections 3 and 4. Current law requires applicants to submit a release form, prescribed by the Administrative Office of the Courts, that authorizes and requires disclosure to the sheriff of any records concerning the applicant's mental health or capacity.

Section 3 requires any person or entity (i.e., mental health provider) who is presented with an original or photocopied release form as described above to promptly disclose the applicant's mental health records to the sheriff.

Section 4 requires the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services in DHHS, to notify all mental health providers in North Carolina of the requirement set forth above within 30 days of the effective date.

EFFECTIVE DATE: July 1, 2000.

NORTH CAROLINA GENERAL ASSEMBLY

A BILL TO BE ENTITLED

AN ACT TO REQUIRE CRIMINAL BACKGROUND CHECKS FROM STATE AND NATIONAL REPOSITORIES OF CRIMINAL HISTORY FOR CERTAIN APPLICANTS FOR EMPLOYMENT IN ADULT CARE HOMES, NURSING HOMES, HOME CARE AGENCIES, AND CERTAIN MENTAL HEALTH, DEVELOPMENTAL DISABILITIES, AND SUBSTANCE ABUSE SERVICES FACILITIES; TO IMPOSE A CRIMINAL PENALTY FOR FALSIFYING INFORMATION ON EMPLOYMENT APPLICATIONS; AND TO REQUIRE CERTAIN DISCLOSURES BY NURSING HOMES.

The General Assembly of North Carolina enacts:

Section 1. Article 4 of Chapter 114 of the General Statutes is amended by adding the following new section to read:

"**§ 114-19.10. Criminal record checks for adult care homes, nursing homes, home care agencies, and area mental health, developmental disabilities, and substance abuse services authorities.**

The Department of Justice may provide to the following entities the criminal history from the State and National Repositories of Criminal Histories:

(1) Nursing homes or combination homes licensed under Chapter 131E of the General Statutes.

(2) Adult care homes licensed under Chapter 131D of the General Statutes.

(3) Home care agencies licensed under Chapter 131E of the General Statutes.

(4) Area mental health, developmental disabilities, and substance abuse services authorities licensed under Chapter 122C of the General Statutes, including a contract agency of an area authority that is subject to the provisions of Article 4 of that Chapter.

The criminal history shall be provided to nursing homes and home care agencies in accordance with G.S. 131E-265, to adult care homes in accordance with G.S. 131D-40, and to area mental health, developmental disabilities, and substance abuse services authorities in accordance with G.S. 122C-80. The requesting entity shall provide to the Department of Justice, along with the request, the fingerprints of the individual to be checked if a national criminal history record check is required, any additional information required by the Department of Justice, and a form signed by the individual to be checked consenting to the check of the criminal record and to the use of fingerprints and other identifying information required by the State or National Repositories of Criminal Histories. If a national criminal history record check is required, the fingerprints of the individual shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation shall forward a set of fingerprints to the Federal Bureau of Investigation for a national criminal history record check. All information received by the entity shall be kept confidential in accordance with G.S. 131E-265, 131D-40, and 122C-80, as applicable. The Department of Justice shall charge a reasonable fee for conducting the checks authorized by this section. The fee for the State check may not exceed fourteen dollars ($14.00)."

Section 2.(a) Subsections (a) and (a1) of G.S. 131D-40 read as rewritten:

"(a) Requirement; Adult Care Home. -- An offer of employment by an adult care home licensed under this Chapter to an applicant to fill a position that does not require the applicant to have an occupational license is conditioned on consent to a criminal history record check of the applicant. If the applicant has been a resident of this State for less than five years, then the offer of employment is conditioned on consent to a State and national criminal history record check of the applicant. The national criminal history record check shall include a check of the applicant's fingerprints. If the applicant has been a resident of this State for five years or more, then the offer is conditioned on consent to a State criminal history record check of the applicant. An adult care home shall not employ an applicant who refuses to consent to a criminal history record check required by this section. Within five business days of making the conditional offer of employment, an ~~An~~ adult care home shall submit a request to the Department of Justice under ~~G.S. 114-19.3~~ G.S. 114-19.10 to conduct a State or national criminal history record ~~check~~ check required by this section, or shall submit a request to a private entity to conduct a State criminal history record check required by this section. ~~within five business days of making the conditional offer of employment.~~ All criminal history information received by the home is confidential and may not be disclosed, except to the applicant as provided in subsection (b) of this section.

(a1) Requirement; Contract Agency of Adult Care Home. -- An offer of employment by a contract agency of an adult care home licensed under this Chapter

to an applicant to fill a position that does not require the applicant to have an occupational license is conditioned upon consent to a criminal history record check of the applicant. If the applicant has been a resident of this State for less than five years, then the offer of employment is conditioned on consent to a State and national criminal history record check of the applicant. The national criminal history record check shall include a check of the applicant's fingerprints. If the applicant has been a resident of this State for five years or more, then the offer is conditioned on consent to a State criminal history record check of the applicant. A contract agency of an adult care home shall not employ an applicant who refuses to consent to a criminal history record check required by this section. Within five business days of making the conditional offer of employment, a ~~A~~ contract agency of an adult care home shall submit a request to the Department of Justice under G.S. ~~114-19.3~~ 114-19.10 to conduct a State or national criminal history record check required by this section, or shall submit a request to a private entity to conduct a State criminal history record check required by this section. ~~criminal history record check within five business days of making the conditional offer of employment.~~ All criminal history information received by the contract agency is confidential and may not be disclosed, except to the applicant as provided by subsection (b) of this section."

Section 2.(b) G.S. 131D-40 is amended by adding the following new subsections to read:

"(e) Penalty for Furnishing False Information. -- Any applicant for employment who willfully furnishes, supplies, or otherwise gives false information on an employment application that is the basis for a criminal history record check under this section shall be guilty of a Class A1 misdemeanor.

(f) Conditional Employment. -- An adult care home may employ an applicant conditionally prior to obtaining the results of a criminal record check regarding the applicant if both of the following requirements are met:

(1) The adult care home shall not employ an applicant prior to obtaining the applicant's consent for a criminal record check as required in subsection (a) of this section or the completed fingerprint cards as required in G.S. 114-19.10.

(2) The adult care home shall submit the request for a criminal record check not later than five business days after the individual begins conditional employment.

(g) Immunity From Liability. -- An entity and officers and employees of an entity shall be immune from liability for failure to consider criminal history information not contained in the criminal history record check requested and received by the entity pursuant to this section."

Section 3.(a) Subsections (a) and (a1) of G.S. 131E-265 read as rewritten:

"(a) Requirement; Nursing Home or Home Care Agency. -- An offer of employment by a nursing home licensed under this Chapter to an applicant to fill a position that does not require the applicant to have an occupational license is conditioned on consent to a criminal history record check of the applicant. If the applicant has been a resident of this State for less than five years, then the offer of

employment is conditioned on consent to a State and national criminal history record check of the applicant. The national criminal history record check shall include a check of the applicant's fingerprints. If the applicant has been a resident of this State for five years or more, then the offer is conditioned on consent to a State criminal history record check of the applicant. An offer of employment by a home care agency licensed under this Chapter to an applicant to fill a position that requires entering the patient's home is conditioned on consent to a criminal history record check of the applicant. In addition, employment status change of a current employee of a home care agency licensed under this Chapter from a position that does not require entering the patient's home to a position that requires entering the patient's home shall be conditioned on consent to a criminal history record check of that current employee. If the applicant for employment or if the current employee who is changing employment status has been a resident of this State for less than five years, then the offer of employment or change in employment status is conditioned on consent to a State and national criminal history record check. The national criminal history record check shall include a check of the applicant's or current employee's fingerprints. If the applicant or current employee has been a resident of this State for five years or more, then the offer is conditioned on consent to a State criminal history record check of the applicant or current employee applying for a change in employment status. A nursing home or a home care agency shall not employ an applicant who refuses to consent to a criminal history record check required by this section. In addition, a home care agency shall not change a current employee's employment status from a position that does not require entering the patient's home to a position that requires entering the patient's home who refuses to consent to a criminal history record check required by this section. Within five business days of making the conditional offer of employment, ~~A~~ a nursing home or home care agency shall submit a request to the Department of Justice under G.S. ~~114-19.3~~ 114.19.10 to conduct a ~~criminal history record check within five business days of making the conditional offer of employment.~~ State or national criminal history record check required by this section, or shall submit a request to a private entity to conduct a State criminal history record check required by this section. All criminal history information received by the home or agency is confidential and may not be disclosed, except to the applicant as provided in subsection (b) of this section.

(a1) Requirement; Contract Agency of Nursing Home or Home Care Agency. -- An offer of employment by a contract agency of a nursing home or home care agency licensed under this Chapter to an applicant to fill a position that does not require the applicant to have an occupational license is conditioned upon consent to a criminal history record check of the applicant. If the applicant has been a resident of this State for less than five years, then the offer of employment is conditioned on consent to a State and national criminal history record check of the applicant. The national criminal history record check shall include a check of the applicant's fingerprints. If the applicant has been a resident of this State for five years or more, then the offer is conditioned on consent to a State criminal history record check of the applicant. A contract agency of a nursing home or home care agency shall not employ an

applicant who refuses to consent to a criminal history record check required by this section. Within five business days of making the conditional offer of employment, ~~A~~ a contract agency of a nursing home or home care agency shall submit a request to the Department of Justice under G.S. ~~114-19.3~~ 114-19.10 ~~to conduct a criminal history record check within five business days of making the conditional offer of employment.~~ to conduct a State or national criminal history record check required by this section, or shall submit a request to a private entity to conduct a State criminal history record check required by this section. All criminal history information received by the contract agency is confidential and may not be disclosed, except to the applicant as provided by subsection (b) of this section."

Section 3.(b) G.S. 131E-265 is amended by adding the following new subsections to read:

"(e) Penalty for Furnishing False Information. -- Any applicant for employment who willfully furnishes, supplies, or otherwise gives false information on an employment application that is the basis for a criminal history record check under this section shall be guilty of a Class A1 misdemeanor.

(f) Conditional Employment. -- A nursing home or home care agency may employ an applicant conditionally prior to obtaining the results of a criminal record check regarding the applicant if both of the following requirements are met:

(1) The nursing home or home care agency shall not employ an applicant prior to obtaining the applicant's consent for a criminal record check as required in subsection (a) of this section or the completed fingerprint cards as required in G.S. 114-19.10.

(2) The nursing home or home care agency shall submit the request for a criminal record check not later than five business days after the individual begins conditional employment.

(g) Immunity From Liability. -- An entity and officers and employees of an entity shall be immune from liability for failure to consider criminal history information not contained in the criminal history record check requested and received by the entity pursuant to this section."

Section 4. Chapter 122C of the General Statutes is amended by adding the following new Article to read:

"ARTICLE 3A.

"Miscellaneous Provisions.

"§ 122C-80. Criminal history record check required for certain applicants for employment.

(a) Definition. -- As used in this section, 'area authority' means an area mental health, developmental disabilities, and substance abuse services area authority, including a contract agency of an area authority that is subject to the provisions of Article 4 of this Chapter.

(b) Requirement. -- An offer of employment by an area authority licensed under this Chapter to an applicant to fill a position that does not require the applicant to have an occupational license is conditioned on consent to a State and national criminal history record check of the applicant. If the applicant has been a resident of

this State for less than five years, then the offer of employment is conditioned on consent to a State and national criminal history record check of the applicant. The national criminal history record check shall include a check of the applicant's fingerprints. If the applicant has been a resident of this State for five years or more, then the offer is conditioned on consent to a State criminal history record check of the applicant. An area authority shall not employ an applicant who refuses to consent to a criminal history record check required by this section. Within five business days of making the conditional offer of employment, an area authority shall submit a request to the Department of Justice under G.S. 114-19.10 to conduct a criminal history record check required by this section. All criminal history information received by the area authority is confidential and may not be disclosed, except to the applicant as provided in subsection (c) of this section.

(c) Action. -- If an applicant's criminal history record check reveals one or more convictions of a relevant offense, the area authority shall consider all of the following factors in determining whether to hire the applicant:

(1) The level and seriousness of the crime.

(2) The date of the crime.

(3) The age of the person at the time of the conviction.

(4) The circumstances surrounding the commission of the crime, if known.

(5) The nexus between the criminal conduct of the person and the job duties of the position to be filled.

(6) The prison, jail, probation, parole, rehabilitation, and employment records of the person since the date the crime was committed.

(7) The subsequent commission by the person of a relevant offense.

The fact of conviction of a relevant offense alone shall not be a bar to employment; however, the listed factors shall be considered by the area authority. If the area authority disqualifies an applicant after consideration of the relevant factors, then the area authority may disclose information contained in the criminal history record check that is relevant to the disqualification, but may not provide a copy of the criminal history record check to the applicant.

(d) Limited Immunity. -- An area authority and an officer or employee of an area authority that, in good faith, complies with this section shall be immune from liability for:

(1) The failure of the area authority to employ an individual on the basis of information provided in the criminal history record check of the individual.

(2) Failure to consider criminal history information not contained in the criminal history record check requested and received by the entity pursuant to this section.

(e) Relevant Offense. -- As used in this section, 'relevant offense' means a State crime, whether a misdemeanor or felony, that bears upon an individual's fitness to have responsibility for the safety and well-being of persons needing mental health, developmental disabilities, or substance abuse services. These crimes include the

criminal offenses set forth in any of the following Articles of Chapter 14 of the General Statutes: Article 5, Counterfeiting and Issuing Monetary Substitutes; Article 5A, Endangering Executive and Legislative Officers; Article 6, Homicide; Article 7A, Rape and Other Sex Offenses; Article 8, Assaults; Article 10, Kidnapping and Abduction; Article 13, Malicious Injury or Damage by Use of Explosive or Incendiary Device or Material; Article 14, Burglary and Other Housebreakings; Article 15, Arson and Other Burnings; Article 16, Larceny; Article 17, Robbery; Article 18, Embezzlement; Article 19, False Pretenses and Cheats; Article 19A, Obtaining Property or Services by False or Fraudulent Use of Credit Device or Other Means; Article 19B, Financial Transaction Card Crime Act; Article 20, Frauds; Article 21, Forgery; Article 26, Offenses against Public Morality and Decency; Article 26A, Adult Establishments; Article 27, Prostitution; Article 28, Perjury; Article 29, Bribery; Article 31, Misconduct in Public Office; Article 35, Offenses Against the Public Peace; Article 36A, Riots and Civil Disorders; Article 39, Protection of Minors; Article 40, Protection of the Family; Article 59, Public Intoxication; and Article 60, Computer-Related Crime. These crimes also include possession or sale of drugs in violation of the North Carolina Controlled Substances Act, Article 5 of Chapter 90 of the General Statutes, and alcohol-related offenses such as sale to underage persons in violation of G.S. 18B-302 or driving while impaired in violation of G.S. 20-138.1 through G.S. 20-138.5.

(f) Penalty for Furnishing False Information. -- Any applicant for employment who willfully furnishes, supplies, or otherwise gives false information on an employment application that is the basis for a criminal history record check under this section shall be guilty of a Class A1 misdemeanor.

(g) Conditional Employment. -- An area authority may employ an applicant conditionally prior to obtaining the results of a criminal record check regarding the applicant if both of the following requirements are met:

(1) The area authority shall not employ an applicant prior to obtaining the applicant's consent for criminal record check as required in subsection (b) of this section or the completed fingerprint cards as required in G.S. 114-19.10.

(2) The area authority shall submit the request for a criminal record check not later than five business days after the individual begins conditional employment."

Section 5. G.S. 114-19.3(a) reads as rewritten:

"(a) Authority. -- The Department of Justice may provide to any of the following entities a criminal record check of an individual who is employed by that entity, has applied for employment with that entity, or has volunteered to provide direct care on behalf of that entity:

(1) Hospitals licensed under Chapter 131E of the General Statutes.

~~(2) Nursing homes or combination homes licensed under Chapter 131E of the General Statutes.~~

~~(3) Adult care homes licensed under Chapter 131D of the General Statutes.~~

(4) ~~Home care agencies or hospices~~ Hospices licensed under Chapter 131E of the General Statutes.
(5) Child placing agencies licensed under Chapter 131D of the General Statutes.
(6) Residential child care facilities licensed under Chapter 131D of the General Statutes.
(7) Hospitals licensed under Chapter 122C of the General Statutes.
~~(8) Area mental health, developmental disabilities, and substance abuse authorities licensed under Chapter 122C of the General Statutes, including a contract agency of an area authority that is subject to the provisions of Article 4 of that Chapter.~~
(9) Licensed child care facilities and nonlicensed child care homes regulated by the State.
(10) Any other organization or corporation, whether for profit or nonprofit, that provides direct care or services to children, the sick, the disabled, or the elderly."

Section 6. Effective January 1, 2001, Part A of Article 6 of Chapter 131E of the General Statutes is amended by adding the following new section to read:

"**§ 131E-113. Special care units; disclosure of information required.**

(a) A nursing home or combination home licensed under this Part that provides special care for persons with Alzheimer's disease or other dementias in a special care unit shall make the following disclosures pertaining to the special care provided that distinguishes the special care unit as being especially designed for residents with Alzheimer's disease or other dementias. The disclosure shall be made annually, in writing, to all of the following:

(1) The Department, as part of its licensing procedures.
(2) Each person seeking placement within a special care unit, or the person's authorized representative, prior to entering into an agreement with the person to provide special care.

(b) Information that must be disclosed in writing shall include, but is not limited to, all of the following:

(1) A statement of the overall philosophy and mission of the licensed facility and how it reflects the special needs of residents with dementia.
(2) The process and criteria for placement, transfer, or discharge to or from the special care unit.
(3) The process used for assessment and establishment of the plan of care and its implementation, as required under State and federal law.
(4) Typical staffing patterns and how the patterns reflect the resident's need for increased care and supervision.
(5) Dementia-specific staff training.
(6) Physical environment features designed specifically for the special care unit.

(7) Alzheimer's disease and other dementia-specific programming.
(8) Opportunities for family involvement.
(9) Additional costs or fees to the resident for special care.

(c) As part of its license renewal procedures and inspections, the Department shall examine for accuracy the written disclosures made by each licensed facility subject to this section.

(d) Nothing in this section shall be construed as prohibiting a nursing home or combination home that does not offer a special care unit from admitting a person with Alzheimer's disease or other dementias. The disclosures required by this section apply only to a nursing home or combination home that advertises, markets, or otherwise promotes itself as providing a special care unit for persons with Alzheimer's disease or other dementias.

(e) As used in this section, the term 'special care unit' means a wing or hallway within a nursing home, or a program provided by a nursing home, that is designated especially for residents with Alzheimer's disease or other dementias, or other special needs disease or condition, as determined by the Medical Care Commission, which may include mental disabilities."

Section 7. Sections 1 through 5 of this act become effective October 1, 2001, and apply to offenses committed and offers of employment made on and after that date. The remainder of this act is effective when it becomes law.

Referred to:

May 10, 2000

A BILL TO BE ENTITLED

AN ACT TO REQUIRE CRIMINAL BACKGROUND CHECKS FROM STATE AND NATIONAL REPOSITORIES OF CRIMINAL HISTORY FOR CERTAIN APPLICANTS FOR EMPLOYMENT IN ADULT CARE HOMES, NURSING HOMES, HOME CARE AGENCIES, AND CERTAIN MENTAL HEALTH, DEVELOPMENTAL DISABILITIES, AND SUBSTANCE ABUSE SERVICES FACILITIES; TO IMPOSE A CRIMINAL PENALTY FOR FALSIFYING INFORMATION ON EMPLOYMENT APPLICATIONS; TO REQUIRE CERTAIN DISCLOSURES BY NURSING HOMES; AND PERTAINING TO RULES FOR THE OPERATION OF THE ADULT CARE PORTION OF NURSING HOMES.

The General Assembly of North Carolina enacts:

Section 1. Article 4 of Chapter 114 of the General Statutes is amended by adding the following new section to read:

"**§ 114-19.10. Criminal record checks for adult care homes, nursing homes, home care agencies, and area mental health, developmental disabilities, and substance abuse services authorities.**

The Department of Justice may provide to the following entities the criminal history from the State and National Repositories of Criminal Histories:

(1) Nursing homes or combination homes licensed under Chapter 131E of the General Statutes.

(2) Adult care homes licensed under Chapter 131D of the General Statutes.
(3) Home care agencies licensed under Chapter 131E of the General Statutes.
(4) Area mental health, developmental disabilities, and substance abuse services authorities licensed under Chapter 122C of the General Statutes, including a contract agency of an area authority that is subject to the provisions of Article 4 of that Chapter.

The criminal history shall be provided to nursing homes and home care agencies in accordance with G.S. 131E-265, to adult care homes in accordance with G.S. 131D-40, and to area mental health, developmental disabilities, and substance abuse services authorities in accordance with G.S. 122C-80. The requesting entity shall provide to the Department of Justice, along with the request, the fingerprints of the individual to be checked if a national criminal history record check is required, any additional information required by the Department of Justice, and a form signed by the individual to be checked consenting to the check of the criminal record and to the use of fingerprints and other identifying information required by the State or National Repositories of Criminal Histories. If a national criminal history record check is required, the fingerprints of the individual shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation shall forward a set of fingerprints to the Federal Bureau of Investigation for a national criminal history record check. All information received by the entity shall be kept confidential in accordance with G.S. 131E-265, 131D-40, and 122C-80, as applicable. The Department of Justice shall charge a reasonable fee for conducting the checks authorized by this section. The fee for the State check may not exceed fourteen dollars ($14.00)."

Section 2.(a) Subsections (a) and (a1) of G.S. 131D-40 read as rewritten:

"(a) Requirement; Adult Care Home. -- An offer of employment by an adult care home licensed under this Chapter to an applicant to fill a position that does not require the applicant to have an occupational license is conditioned on consent to a criminal history record check of the applicant. If the applicant has been a resident of this State for less than five years, then the offer of employment is conditioned on consent to a State and national criminal history record check of the applicant. The national criminal history record check shall include a check of the applicant's fingerprints. If the applicant has been a resident of this State for five years or more, then the offer is conditioned on consent to a State criminal history record check of the applicant. An adult care home shall not employ an applicant who refuses to consent to a criminal history record check required by this section. Within five business days of making the conditional offer of employment, an ~~An~~ adult care home shall submit a request to the Department of Justice under ~~G.S. 114-19.3~~ G.S. 114-19.10 to conduct a State or national criminal history record ~~check~~ check required by this section, or shall submit a request to a private entity to conduct a State criminal history record check required by this section. ~~within five business days of making the conditional offer of employment.~~ All criminal history information received by the

home is confidential and may not be disclosed, except to the applicant as provided in subsection (b) of this section.

(a1) Requirement; Contract Agency of Adult Care Home. -- An offer of employment by a contract agency of an adult care home licensed under this Chapter to an applicant to fill a position that does not require the applicant to have an occupational license is conditioned upon consent to a criminal history record check of the applicant. If the applicant has been a resident of this State for less than five years, then the offer of employment is conditioned on consent to a State and national criminal history record check of the applicant. The national criminal history record check shall include a check of the applicant's fingerprints. If the applicant has been a resident of this State for five years or more, then the offer is conditioned on consent to a State criminal history record check of the applicant. A contract agency of an adult care home shall not employ an applicant who refuses to consent to a criminal history record check required by this section. Within five business days of making the conditional offer of employment, a ~~A~~ contract agency of an adult care home shall submit a request to the Department of Justice under G.S. ~~114-19.3~~ 114-19.10 to conduct a State or national criminal history record check required by this section, or shall submit a request to a private entity to conduct a State criminal history record check required by this section. ~~criminal history record check within five business days of making the conditional offer of employment.~~ All criminal history information received by the contract agency is confidential and may not be disclosed, except to the applicant as provided by subsection (b) of this section."

Section 2.(b) G.S. 131D-40 is amended by adding the following new subsections to read:

"(e) Penalty for Furnishing False Information. -- Any applicant for employment who willfully furnishes, supplies, or otherwise gives false information on an employment application that is the basis for a criminal history record check under this section shall be guilty of a Class A1 misdemeanor.

(f) Conditional Employment. -- An adult care home may employ an applicant conditionally prior to obtaining the results of a criminal history record check regarding the applicant if both of the following requirements are met:

(1) The adult care home shall not employ an applicant prior to obtaining the applicant's consent for a criminal history record check as required in subsection (a) of this section or the completed fingerprint cards as required in G.S. 114-19.10.

(2) The adult care home shall submit the request for a criminal history record check not later than five business days after the individual begins conditional employment.

(g) Immunity From Liability. -- An entity and officers and employees of an entity shall be immune from liability for failure to consider criminal history information not contained in the criminal history record check requested and received by the entity pursuant to this section."

Section 3.(a) Subsections (a) and (a1) of G.S. 131E-265 read as rewritten:

"(a) Requirement; Nursing Home or Home Care Agency. -- An offer of employment by a nursing home licensed under this Chapter to an applicant to fill a position that does not require the applicant to have an occupational license is conditioned on consent to a criminal history record check of the applicant. If the applicant has been a resident of this State for less than five years, then the offer of employment is conditioned on consent to a State and national criminal history record check of the applicant. The national criminal history record check shall include a check of the applicant's fingerprints. If the applicant has been a resident of this State for five years or more, then the offer is conditioned on consent to a State criminal history record check of the applicant. An offer of employment by a home care agency licensed under this Chapter to an applicant to fill a position that requires entering the patient's home is conditioned on consent to a criminal history record check of the applicant. In addition, employment status change of a current employee of a home care agency licensed under this Chapter from a position that does not require entering the patient's home to a position that requires entering the patient's home shall be conditioned on consent to a criminal history record check of that current employee. If the applicant for employment or if the current employee who is changing employment status has been a resident of this State for less than five years, then the offer of employment or change in employment status is conditioned on consent to a State and national criminal history record check. The national criminal history record check shall include a check of the applicant's or current employee's fingerprints. If the applicant or current employee has been a resident of this State for five years or more, then the offer is conditioned on consent to a State criminal history record check of the applicant or current employee applying for a change in employment status. A nursing home or a home care agency shall not employ an applicant who refuses to consent to a criminal history record check required by this section. In addition, a home care agency shall not change a current employee's employment status from a position that does not require entering the patient's home to a position that requires entering the patient's home who refuses to consent to a criminal history record check required by this section. Within five business days of making the conditional offer of employment, ~~A~~ a nursing home or home care agency shall submit a request to the Department of Justice under G.S. ~~114-19.3~~ 114.19.10 to conduct a ~~criminal history record check within five business days of making the conditional offer of employment.~~ State or national criminal history record check required by this section, or shall submit a request to a private entity to conduct a State criminal history record check required by this section. All criminal history information received by the home or agency is confidential and may not be disclosed, except to the applicant as provided in subsection (b) of this section.

(a1) Requirement; Contract Agency of Nursing Home or Home Care Agency. -- An offer of employment by a contract agency of a nursing home or home care agency licensed under this Chapter to an applicant to fill a position that does not require the applicant to have an occupational license is conditioned upon consent to a criminal history record check of the applicant. If the applicant has been a resident of this State for less than five years, then the offer of employment is conditioned on consent to a

State and national criminal history record check of the applicant. The national criminal history record check shall include a check of the applicant's fingerprints. If the applicant has been a resident of this State for five years or more, then the offer is conditioned on consent to a State criminal history record check of the applicant. A contract agency of a nursing home or home care agency shall not employ an applicant who refuses to consent to a criminal history record check required by this section. Within five business days of making the conditional offer of employment, ~~A~~ a contract agency of a nursing home or home care agency shall submit a request to the Department of Justice under G.S. ~~114-19.3~~ 114-19.10 ~~to conduct a criminal history record check within five business days of making the conditional offer of employment.~~ to conduct a State or national criminal history record check required by this section, or shall submit a request to a private entity to conduct a State criminal history record check required by this section. All criminal history information received by the contract agency is confidential and may not be disclosed, except to the applicant as provided by subsection (b) of this section."

Section 3.(b) G.S. 131E-265 is amended by adding the following new subsections to read:

"(e) Penalty for Furnishing False Information. -- Any applicant for employment who willfully furnishes, supplies, or otherwise gives false information on an employment application that is the basis for a criminal history record check under this section shall be guilty of a Class A1 misdemeanor.

(f) Conditional Employment. -- A nursing home or home care agency may employ an applicant conditionally prior to obtaining the results of a criminal history record check regarding the applicant if both of the following requirements are met:

(1) The nursing home or home care agency shall not employ an applicant prior to obtaining the applicant's consent for a criminal history record check as required in subsection (a) of this section or the completed fingerprint cards as required in G.S. 114-19.10.

(2) The nursing home or home care agency shall submit the request for a criminal history record check not later than five business days after the individual begins conditional employment.

(g) Immunity From Liability. -- An entity and officers and employees of an entity shall be immune from liability for failure to consider criminal history information not contained in the criminal history record check requested and received by the entity pursuant to this section."

Section 4. Chapter 122C of the General Statutes is amended by adding the following new Article to read:

"ARTICLE 3A.

"Miscellaneous Provisions.

"§ 122C-80. Criminal history record check required for certain applicants for employment.

(a) Definition. -- As used in this section, 'area authority' means an area mental health, developmental disabilities, and substance abuse services area authority,

including a contract agency of an area authority that is subject to the provisions of Article 4 of this Chapter.

(b) Requirement. -- An offer of employment by an area authority licensed under this Chapter to an applicant to fill a position that does not require the applicant to have an occupational license is conditioned on consent to a State and national criminal history record check of the applicant. If the applicant has been a resident of this State for less than five years, then the offer of employment is conditioned on consent to a State and national criminal history record check of the applicant. The national criminal history record check shall include a check of the applicant's fingerprints. If the applicant has been a resident of this State for five years or more, then the offer is conditioned on consent to a State criminal history record check of the applicant. An area authority shall not employ an applicant who refuses to consent to a criminal history record check required by this section. Within five business days of making the conditional offer of employment, an area authority shall submit a request to the Department of Justice under G.S. 114-19.10 to conduct a criminal history record check required by this section. All criminal history information received by the area authority is confidential and may not be disclosed, except to the applicant as provided in subsection (c) of this section.

(c) Action. -- If an applicant's criminal history record check reveals one or more convictions of a relevant offense, the area authority shall consider all of the following factors in determining whether to hire the applicant:

(1) The level and seriousness of the crime.
(2) The date of the crime.
(3) The age of the person at the time of the conviction.
(4) The circumstances surrounding the commission of the crime, if known.
(5) The nexus between the criminal conduct of the person and the job duties of the position to be filled.
(6) The prison, jail, probation, parole, rehabilitation, and employment records of the person since the date the crime was committed.
(7) The subsequent commission by the person of a relevant offense.

The fact of conviction of a relevant offense alone shall not be a bar to employment; however, the listed factors shall be considered by the area authority. If the area authority disqualifies an applicant after consideration of the relevant factors, then the area authority may disclose information contained in the criminal history record check that is relevant to the disqualification, but may not provide a copy of the criminal history record check to the applicant.

(d) Limited Immunity. -- An area authority and an officer or employee of an area authority that, in good faith, complies with this section shall be immune from liability for:

(1) The failure of the area authority to employ an individual on the basis of information provided in the criminal history record check of the individual.

(2) Failure to consider criminal history information not contained in the criminal history record check requested and received by the entity pursuant to this section.

(e) Relevant Offense. -- As used in this section, 'relevant offense' means a State crime, whether a misdemeanor or felony, that bears upon an individual's fitness to have responsibility for the safety and well-being of persons needing mental health, developmental disabilities, or substance abuse services. These crimes include the criminal offenses set forth in any of the following Articles of Chapter 14 of the General Statutes: Article 5, Counterfeiting and Issuing Monetary Substitutes; Article 5A, Endangering Executive and Legislative Officers; Article 6, Homicide; Article 7A, Rape and Other Sex Offenses; Article 8, Assaults; Article 10, Kidnapping and Abduction; Article 13, Malicious Injury or Damage by Use of Explosive or Incendiary Device or Material; Article 14, Burglary and Other Housebreakings; Article 15, Arson and Other Burnings; Article 16, Larceny; Article 17, Robbery; Article 18, Embezzlement; Article 19, False Pretenses and Cheats; Article 19A, Obtaining Property or Services by False or Fraudulent Use of Credit Device or Other Means; Article 19B, Financial Transaction Card Crime Act; Article 20, Frauds; Article 21, Forgery; Article 26, Offenses Against Public Morality and Decency; Article 26A, Adult Establishments; Article 27, Prostitution; Article 28, Perjury; Article 29, Bribery; Article 31, Misconduct in Public Office; Article 35, Offenses Against the Public Peace; Article 36A, Riots and Civil Disorders; Article 39, Protection of Minors; Article 40, Protection of the Family; Article 59, Public Intoxication; and Article 60, Computer-Related Crime. These crimes also include possession or sale of drugs in violation of the North Carolina Controlled Substances Act, Article 5 of Chapter 90 of the General Statutes, and alcohol-related offenses such as sale to underage persons in violation of G.S. 18B-302 or driving while impaired in violation of G.S. 20-138.1 through G.S. 20-138.5.

(f) Penalty for Furnishing False Information. -- Any applicant for employment who willfully furnishes, supplies, or otherwise gives false information on an employment application that is the basis for a criminal history record check under this section shall be guilty of a Class A1 misdemeanor.

(g) Conditional Employment. -- An area authority may employ an applicant conditionally prior to obtaining the results of a criminal history record check regarding the applicant if both of the following requirements are met:

(1) The area authority shall not employ an applicant prior to obtaining the applicant's consent for criminal history record check as required in subsection (b) of this section or the completed fingerprint cards as required in G.S. 114-19.10.

(2) The area authority shall submit the request for a criminal history record check not later than five business days after the individual begins conditional employment."

Section 5. G.S. 114-19.3(a) reads as rewritten:

"(a) Authority. -- The Department of Justice may provide to any of the following entities a criminal record check of an individual who is employed by that entity, has

applied for employment with that entity, or has volunteered to provide direct care on behalf of that entity:

(1) Hospitals licensed under Chapter 131E of the General Statutes.

~~(2) Nursing homes or combination homes licensed under Chapter 131E of the General Statutes.~~

~~(3) Adult care homes licensed under Chapter 131D of the General Statutes.~~

(4) ~~Home care agencies or hospices~~ Hospices licensed under Chapter 131E of the General Statutes.

(5) Child placing agencies licensed under Chapter 131D of the General Statutes.

(6) Residential child care facilities licensed under Chapter 131D of the General Statutes.

(7) Hospitals licensed under Chapter 122C of the General Statutes.

~~(8) Area mental health, developmental disabilities, and substance abuse authorities licensed under Chapter 122C of the General Statutes, including a contract agency of an area authority that is subject to the provisions of Article 4 of that Chapter.~~

(9) Licensed child care facilities and nonlicensed child care homes regulated by the State.

(10) Any other organization or corporation, whether for profit or nonprofit, that provides direct care or services to children, the sick, the disabled, or the elderly."

Section 6. Effective January 1, 2001, Part A of Article 6 of Chapter 131E of the General Statutes is amended by adding the following new section to read:

"**§ 131E-113. Special care units; disclosure of information required.**

(a) A nursing home or combination home licensed under this Part that provides special care for persons with Alzheimer's disease or other dementias in a special care unit shall make the following disclosures pertaining to the special care provided that distinguishes the special care unit as being especially designed for residents with Alzheimer's disease or other dementias. The disclosure shall be made annually, in writing, to all of the following:

(1) The Department, as part of its licensing procedures.

(2) Each person seeking placement within a special care unit, or the person's authorized representative, prior to entering into an agreement with the person to provide special care.

(b) Information that must be disclosed in writing shall include, but is not limited to, all of the following:

(1) A statement of the overall philosophy and mission of the licensed facility and how it reflects the special needs of residents with dementia.

(2) The process and criteria for placement, transfer, or discharge to or from the special care unit.

(3) The process used for assessment and establishment of the plan of care and its implementation, as required under State and federal law.
(4) Typical staffing patterns and how the patterns reflect the resident's need for increased care and supervision.
(5) Dementia-specific staff training.
(6) Physical environment features designed specifically for the special care unit.
(7) Alzheimer's disease and other dementia-specific programming.
(8) Opportunities for family involvement.
(9) Additional costs or fees to the resident for special care.

(c) As part of its license renewal procedures and inspections, the Department shall examine for accuracy the written disclosures made by each licensed facility subject to this section.

(d) Nothing in this section shall be construed as prohibiting a nursing home or combination home that does not offer a special care unit from admitting a person with Alzheimer's disease or other dementias. The disclosures required by this section apply only to a nursing home or combination home that advertises, markets, or otherwise promotes itself as providing a special care unit for persons with Alzheimer's disease or other dementias.

(e) As used in this section, the term 'special care unit' means a wing or hallway within a nursing home, or a program provided by a nursing home, that is designated especially for residents with Alzheimer's disease or other dementias, or other special needs disease or condition, as determined by the Medical Care Commission, which may include mental disabilities."

Section 6.1. G.S. 131E-104 reads as rewritten:

"**§ 131E-104. Rules and enforcement.**

(a) The Commission is authorized to adopt, amend, and repeal all rules necessary for the implementation of this Part.

(b) The Commission shall adopt rules for the operation of the adult care portion of a combination ~~home that are equal to the rules adopted by the Social Services Commission for the operation of freestanding adult care homes. The adult care portion of a combination home in existence on January 1, 1982, shall be exempt from physical plant minimum standards, unless the Department determines the exemption to be an imminent hazard to health, safety and welfare of the residents.~~ home. The rules shall provide that for each requirement applicable to freestanding adult care homes or freestanding nursing homes, the combination home may choose to operate the adult care portion of the home in compliance with either the requirement applicable to freestanding adult care homes or the higher standard applicable to freestanding nursing homes."

Section 7. Sections 1 through 5 of this act become effective January 1, 2001, and apply to offenses committed and offers of employment made on and after that date. The remainder of this act is effective when it becomes law.

SENATE BILL 1192:
Crim. Record Checks/Long-Term Care

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Sen. Rand
Date:	July 6, 2000	**Summary by:**	Gann Watson
Version:	S1192-PCS2863-LN2		Staff Attorney

CURRENT LAW: Current law only requires a State criminal history record check for employees of adult care homes, nursing homes, combination homes, home care agencies, and certain mental health, developmental disabilities, and substance abuse service facilities. These record checks are fingerprint-based but do no include a national criminal history record check conducted by the FBI.

Adult care homes are required to make the disclosures that this bill would require nursing homes and combination homes to make.

BILL ANALYSIS: The bill addresses three areas:

1. Requires that criminal history record checks be conducted for certain applicants for employment in nursing homes, adult care homes, home care agencies, and area mental health authorities and their contracting agencies.

- If applicant has been a resident of NC for less than 5 years, then the offer of employment is conditioned upon applicant's consent to both a State and federal fingerprint check.
- If applicant has been a resident for 5 years or longer, then the offer is conditioned upon consent to a State check (not fingerprint), which may be done by a private entity.
- It is a Class A1 misdemeanor for providing false information on an application.
- The facility may employ an applicant conditionally, pending results of the check.

The Department of Justice may charge a reasonable fee for the checks. The fee for the State may not exceed $14.

2. Requires nursing homes that offer special care units to disclose certain information about the services provided in the special care unit.

3. Authorizes the Medical Care Commission to adopt rules pertaining to the adult care portion of combination homes. Current law requires that the rules adopted by the Medical Care Commission be equal to the rules adopted by the Social Services Commission for freestanding adult care homes. Current law also exempts the adult care portion of combination homes in existence in 1982 from the physical plant minimum standards, unless the exemption would pose an imminent hazard to health, safety, and welfare of residents. This amendment allows the combination home to choose between rules applicable to nursing homes and those applicable to adult care homes, with respect to operation of the adult care portion of the combination home.

Effective date: Sections 1-5 (Criminal background check) and Section 6 (disclosure requirement) effective January 1, 2001. The remainder of the bill is effective immediately.

NORTH CAROLINA GENERAL ASSEMBLY

LEGISLATIVE FISCAL NOTE

BILL NUMBER: S 1192 (Revised 7/6/00)

SHORT TITLE: Criminal Record Checks/Long-Term Care

SPONSOR(S): Senators Rand; Forrester, Hagan, Lucas, Metcalf, Phillips, and Purcell

FISCAL IMPACT

Yes (x) **No ( )** **No Estimate Available ( )**

	FY 2000-01	FY 2001-02	FY 2002-03	FY 2003-04	FY 2004-05
REVENUES	1,080,000	1,440,000	1,440,000	1,440,000	1,440,000
EXPENDITURES	1,129,500	1,506,000	1,506,000	1,506,000	1,506,000
POSITIONS:	**n/a**				

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Justice; State Bureau of Investigation

EFFECTIVE DATE: October 1, 2000

BILL SUMMARY: Requires national criminal history background checks on persons to be hired by adult care homes, nursing homes, home care agencies, and certain mental health, developmental disabilities and substance abuse services facilities in certain circumstances, in additional to the state background check currently required. Requires certain disclosures by nursing care homes. Imposes a criminal penalty for falsifying information on employment applications.

ASSUMPTIONS AND METHODOLOGY: As no data was available to indicate the percentage of affected applicants who have resided in the state less than five (5) years, the fiscal note provides an estimate of the maximum impact assuming that a national background check must be conducted on all applicants. FY 2000-01 impact is for three-quarters of the year since the proposed statute becomes effective October 1, 2000. **This revision incorporates the two-dollar ($2) processing cost associated with forwarding national background requests to and from the Federal Bureau of Investigation (FBI).**

HOUSE BILL 1290
Committee Substitute Favorable 6/24/99
Senate Finance Committee Substitute Adopted 6/29/00

Short Title: Revenue Laws Clarifying Changes. (Public)

Sponsors:

Referred to:

April 19, 1999

A BILL TO BE ENTITLED

AN ACT TO IMPROVE THE ADMINISTRATION OF THE TAX LAWS BY MAKING CLARIFYING AND CONFORMING CHANGES TO THE REVENUE AND RELATED LAWS.

The General Assembly of North Carolina enacts:

Section 1.(a) Section 10.2(3) of Chapter 13 of the Session Laws of the 1996 Second Extra Session, as amended by Section 1 of S.L. 1999-360, reads as rewritten:

"(3) Quality jobs and business expansion tax credits. -- Sections 3.5, 3.6, and 3.8 through 3.10 of Part III of this act become effective August 1, 1996. G.S. 105-129.11, as enacted by Part III of this act, becomes effective for taxable years beginning on or after January 1, 1997, and applies to training expenditures made on or after July 1, 1997. The remainder of Part III of this act is effective for taxable years beginning on or after January 1, 1996, and applies to jobs created on or after August 1, 1996, and property placed in service on or after August 1, 1996. Article 3A of Chapter 105 of the General Statutes is repealed ~~effective for applications for credits filed under G.S. 105-129.6 on or after January 1, 2006. G.S. 105-129.16 is repealed effective for business property placed in service on or after January 1, 2002. The remainder of~~ as provided in that Article. Article 3B of Chapter 105 of the General Statutes is

repealed ~~effective for buildings to which federal credits are allocated on or after January 1, 2006.~~ as provided in that Article. "

Section 1.(b) Section 4 of S.L. 1997-277, as amended by Section 18.1 of S.L. 1999-360, is recodified as G.S. 105-129.2A(b), (c), and (d).

Section 1.(c) G.S. 105-129.2A, as enacted by this act, reads as rewritten:

"**§ 105-129.2A. Sunset; studies.**

(a) Sunset. -- This Article is repealed effective for applications for credits filed under G.S. 105-129.6 on or after January 1, 2006.

(b) Equity Study. -- The Department of Commerce shall study the effect of the tax incentives provided in ~~the William S. Lee Quality Jobs and Business Expansion Act, codified as Article 3A of Chapter 105 of the General Statutes,~~ this Article on tax equity. This study shall include the following:

(1) Reexamining the formula in G.S. 105-129.3(b) used to define enterprise tiers, to include consideration of alternative measures for more equitable treatment of counties in similar economic circumstances.

(2) Considering whether the assignment of tiers and the applicable thresholds are equitable for smaller counties, for example those under 50,000 in population.

(3) Compiling any available data on whether expanding North Carolina businesses receive fewer benefits than out-of-State businesses that locate to North Carolina.

(c) Impact Study. -- The Department of Commerce shall study the effectiveness of the tax incentives provided in ~~the William S. Lee Quality Jobs and Business Expansion Act, codified as Article 3A of Chapter 105 of the General Statutes.~~ this Article. This study shall include:

(1) Study of the distribution of tax incentives across new and expanding industries.

(2) Examination of data on economic recruitment for the period 1994 through 2000 by county, by industry type, by size of investment, and by number of jobs, and other relevant information to determine the pattern of business locations and expansions before and after the enactment of the William S. Lee Act incentives.

(3) Measuring the direct costs and benefits of the tax incentives.

(4) Compiling available information on the current use of incentives by other states and whether that use is increasing or declining.

(d) Report. -- The Department of Commerce shall report the results of these studies and its recommendations to the 2001 General Assembly by April 1, 2001."

Section 1.(d) Article 3B of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-129.15A. Sunset.**

G.S. 105-129.16 is repealed effective for business property placed in service on or after January 1, 2002. The remainder of this Article is repealed effective January 1, 2006. The repeal of G.S. 105-129.16A applies to renewable energy property placed in

service on or after January 1, 2006. The repeal of G.S. 105-129.16B applies to buildings to which federal credits are allocated on or after January 1, 2006."

Section 2. Effective July 1, 2000, G.S. 105-88(e) reads as rewritten:

"(e) Counties, cities, and towns may levy a license tax on the business taxed under this ~~section not in excess of~~ section. Except as provided in G.S. 160A-211 and G.S. 153A-152, the tax may not exceed one hundred dollars ($100.00)."

Section 3. G.S. 105-113.82 reads as rewritten:

"**§ 105-113.82. Distribution of part of beer and wine taxes.**

(a) Amount, Method. -- The Secretary shall distribute annually the following percentages of the net amount of excise taxes collected on the sale of malt beverages and wine during the preceding 12-month period ending March 31, less the amount of the net proceeds credited to the Department of Agriculture and Consumer Services under G.S. 105-113.81A, to the counties and cities in which the retail sale of these beverages is ~~authorized.~~ authorized in the entire county or city:

(1) Of the tax on malt beverages levied under G.S. 105-113.80(a), twenty-three and three-fourths percent (23 3/4%);

(2) Of the tax on unfortified wine levied under G.S. 105-113.80(b), sixty-two percent (62%); and

(3) Of the tax on fortified wine levied under G.S. 105-113.80(b), twenty-two percent (22%).

If malt beverages, unfortified wine, or fortified wine may be licensed to be sold at retail in both a county and a city located in the county, both the county and city shall receive a portion of the amount distributed, that portion to be determined on the basis of population. If one of these beverages may be licensed to be sold at retail in a city located in a county in which the sale of the beverage is otherwise prohibited, only the city shall receive a portion of the amount distributed, that portion to be determined on the basis of population. The amounts distributed under subdivisions (1), (2), and (3) shall be computed separately.

~~(b) Reduction in Amount Distributed. -- Where the sale of malt beverages, unfortified wine, or fortified wine is prohibited in a defined area of a city or county in which the sale of the beverage is authorized, the amount that would otherwise be distributed to the city or county on the basis of population under subsection (a) shall be reduced in the same ratio that the area of the defined area bears to the total area of the city or county, unless the defined area is a city. If the defined area in a county is a city, the reduction in the amount that would otherwise be distributed to the county under subsection (a) shall be based on population instead of area.~~

(c) Exception. -- Notwithstanding subsection (a), in a county in which ABC stores have been established by petition, the revenue shall be distributed as though the entire county had approved the retail sale of a beverage whose retail sale is authorized in part of the county.

(d) Time. -- The revenue shall be distributed to cities and counties within 60 days after March 31 of each year.

(e) Population Estimates. -- To determine the population of a city or county for purposes of the distribution required by this section, the Secretary shall use the most recent annual estimate of population certified by the State Planning Officer.

(f) City Defined. -- As used in this section, the term "city" means a city as defined in G.S. 153A-1(1) or an urban service district defined by the governing body of a consolidated city-county.

(g) Use of Funds. -- Funds distributed to a county or city under this section may be used for any public purpose.

(h) Disqualification. -- No municipality may receive any funds under this section if it was incorporated with an effective date of on or after January 1, 2000, and is disqualified from receiving funds under G.S. 136-41.2. No municipality may receive any funds under this section, incorporated with an effective date on or after January 1, 2000, unless a majority of the mileage of its streets are open to the public. The previous sentence becomes effective with respect to distribution of funds on or after July 1, 1999."

Section 4. G.S. 105-119 and G.S. 105-120.1 are repealed.

Section 5. G.S. 105-114 reads as rewritten:

"**§ 105-114. Nature of taxes; definitions.**

(a) Nature of Taxes. -- The taxes levied in this Article upon persons and partnerships are for the privilege of engaging in business or doing the act named.

(a1) Scope. -- The taxes levied in this Article upon corporations are privilege or excise taxes levied upon:

(1) Corporations organized under the laws of this State for the existence of the corporate rights and privileges granted by their charters, and the enjoyment, under the protection of the laws of this State, of the powers, rights, privileges and immunities derived from the State by the form of such existence; and

(2) Corporations not organized under the laws of this State for doing business in this State and for the benefit and protection which these corporations receive from the government and laws of this State in doing business in this State.

~~If~~

(a2) Condition for Doing Business. -- If the corporation is organized under the laws of this State, the payment of the taxes levied by this Article ~~shall be~~ is a condition precedent to the right to continue in the corporate form of ~~organization; and if~~ organization. If the corporation is not organized under the laws of this State, payment of these taxes ~~shall be~~ is a condition precedent to the right to continue to engage in doing business in this State.

(a3) Tax Year. -- The taxes levied in this Article are for the fiscal year of the State in which the taxes become ~~due;~~ due, except that the taxes levied in G.S. 105-122 are for the income year of the corporation in which the taxes become due.

~~G.S. 105-122~~

(a4) No Double Taxation. -- G.S. 105-122 does not apply to ~~street transportation systems taxed under G.S. 105-120.1 or~~ holding companies taxed under G.S. 105-120.2.

G.S. 105-122 applies to a corporation taxed under another section of this Article only to the extent the taxes levied on the corporation in G.S. 105-122 exceed the taxes levied on the corporation in other sections of this Article.

(b) Definitions. -- The following definitions apply in this Article:

(1) City. -- Defined in G.S. 105-228.90.

(1a) Code. -- Defined in G.S. 105-228.90.

(2) Corporation. -- A domestic corporation, a foreign corporation, an electric membership corporation organized under Chapter 117 of the General Statutes or doing business in this State, or an association that is organized for pecuniary gain, has capital stock represented by shares, whether with or without par value, and has privileges not possessed by individuals or partnerships. The term includes a mutual or capital stock savings and loan association or building and loan association chartered under the laws of any state or of the United States. The term does not include a limited liability company.

(3) Doing business. -- Each and every act, power, or privilege exercised or enjoyed in this State, as an incident to, or by virtue of the powers and privileges granted by the laws of this State.

(4) Income year. -- Defined in G.S. 105-130.2(5)."

Section 6. G.S. 105-164.3(8a) reads as rewritten:

"(8a) 'Manufactured home' means a structure that is designed to be used as a dwelling and is manufactured in accordance with the specifications for manufactured homes issued by the United States Department of Housing and Urban Development. ~~and:~~

~~a. Is built on a permanent chassis;~~

~~b. Is transportable in one or more sections;~~

~~c. When transported, is at least eight feet wide or forty feet long; and~~

~~d. When erected on a site, has at least 320 square feet.~~"

Section 7.(a) G.S. 105-187.1 is amended by adding a new subdivision to read:

"(3a) Retailer. -- A retailer as defined in G.S. 105-164.3 who is engaged in the business of selling, leasing, or renting motor vehicles."

Section 7.(b) G.S. 105-187.5(a) reads as rewritten:

"(a) Election. -- A retailer ~~who is engaged in the business of leasing or renting motor vehicles~~ may elect not to pay the tax imposed by this Article at the rate set in G.S. 105-187.3 when applying for a certificate of title for a motor vehicle purchased by the retailer for lease or rental. A retailer who makes this election shall pay a tax on the gross receipts of the lease or rental of the vehicle. Like the tax imposed by G.S. 105-187.3, this alternate tax is a tax on the privilege of using the highways of this State. The tax is imposed on a retailer, but is to be added to the lease or rental price of a motor vehicle and thereby be paid by the person who leases or rents the vehicle."

Section 7.(c) G.S. 20-4.01(5) reads as rewritten:

"(5) Dealer. -- Every person engaged in the business of buying, selling, distributing, or exchanging motor vehicles, ~~trailers~~ trailers, or semitrailers in this State, and having an established place of business in this ~~State and being subject to the tax levied by G.S. 105-89.~~ State.

The terms 'motor vehicle dealer,' 'new motor vehicle dealer,' and 'used motor vehicle dealer' ~~shall~~ as used in Article 12 of this Chapter have the meaning set forth in G.S. 20-286."

Section 8. G.S. 105-259(b)(15) reads as rewritten:

"(b) Disclosure Prohibited. -- An officer, an employee, or an agent of the State who has access to tax information in the course of service to or employment by the State may not disclose the information to any other person unless the disclosure is made for one of the following purposes:

. . .

(15) To exchange information concerning a tax imposed by Articles 2A, 2C, or 2D of this Chapter with one of the following agencies when the information is needed to fulfill a duty imposed on the Department or the agency:

a. The North Carolina Alcoholic Beverage Control Commission.

b. The Division of Alcohol Law Enforcement of the Department of Crime Control and Public Safety.

c. The Bureau of Alcohol, Tobacco, and Firearms of the United States Treasury Department.

d. Law enforcement agencies.

e. The Division of Adult Probation and Parole of the Department of Correction."

Section 9. G.S. 105-449.44 reads as rewritten:

"**§ 105-449.44. How to determine the amount of fuel used in the State; presumption of amount used.**

(a) Calculation. -- The amount of motor fuel or alternative fuel a motor carrier ~~carries~~ uses in its operations in this State for a reporting period is the ratio of the number of miles the motor carrier travels in this State during that period to the total number of miles the motor carrier travels inside and outside this State during that period, multiplied by the total amount of fuel the motor carrier uses in its operations inside and outside the State during that period.

(b) Presumption. -- The Secretary ~~shall~~ must check reports filed under this Article against the weigh station records and other records of the Division of Motor Vehicles of the Department of Transportation concerning motor carriers to determine if motor carriers that are operating in this State are filing the reports required by this Article. The Department may assess a motor carrier for the amount payable based on the presumed mileage. A motor carrier that does either of the following for a quarter is

presumed to have traveled in this State during that quarter the number of miles equal to 10 trips of 450 miles each for each of the motor carrier's vehicles:

(1) Fails to file a report for the quarter and the records of the Division indicate the carrier operated in this State during the quarter.

(2) Files a report for the quarter that, based on the records of the Division, understates by at least twenty-five percent (25%) the carrier's mileage in this State for the quarter.

(c) Vehicles. -- The number of vehicles of a motor carrier that is registered under this Article is the number of identification markers issued to the carrier. The number of vehicles of a carrier that is not registered under this Article is the number of vehicles registered by the motor carrier in the carrier's base state under the International Registration Plan. ~~The Department shall assess a motor carrier for the amount payable based on the presumed mileage.~~"

Section 10.(a) Effective July 1, 2000, G.S. 105-449.60(31) and (40) read as rewritten:

"**§ 105-449.60. Definitions.**

The following definitions apply in this Article:

. . .

(31) Supplier. -- Any of the following:

a. A position holder or a person who receives motor fuel pursuant to a two-party ~~transaction.~~ exchange.

b. A fuel alcohol provider.

. . .

(40) Two-party ~~transaction.~~ exchange. -- A transaction in which motor fuel is transferred ~~between two licensed suppliers as the motor fuel crosses the terminal rack as the result of an exchange agreement or a sale between the suppliers that requires the supplier that is the position holder~~ from one licensed supplier to another licensed supplier pursuant to an exchange agreement under which the supplier that is the position holder agrees to deliver motor fuel to the other supplier or the other supplier's customer at the rack of the terminal at which the delivering supplier is the position holder."

Section 10.(b) Effective July 1, 2000, G.S. 105-449.88 is amended by adding a new subdivision to read:

"**§ 105-449.88. Exemptions from the excise tax.**

The excise tax on motor fuel does not apply to the following:

. . .

(1a) Motor fuel removed by transport truck from a terminal for export if the motor fuel is removed by a licensed distributor or licensed exporter, the supplier that is the position holder for the motor fuel sells the motor fuel to another supplier as the motor fuel crosses the terminal rack, the purchasing supplier or its customer receives the motor fuel at the terminal rack for export, and the supplier

that is the position holder collects tax on the motor fuel at the rate of the motor fuel's destination state."

Section 11.(a) G.S. 105-449.60(41) reads as rewritten:

"**§ 105-449.60. Definitions.**

The following definitions apply in this Article:

. . .

(41) User. -- A person who owns or operates a licensed highway vehicle that has a registered gross vehicle weight of at last 10,001 pounds and who ~~and~~ does not maintain storage facilities for motor fuel."

Section 11.(b) G.S. 105-449.68 reads as rewritten:

"**§ 105-449.68. Restrictions on who can get a license as a distributor.**

A bulk-end user of motor fuel may not be licensed as a distributor unless the bulk-end user also acquires motor fuel from a supplier or from another distributor for subsequent sale. This restriction does not apply to a bulk-end user that was licensed as a distributor on January 1, 1996. If a distributor license held by a bulk-end user on January 1, 1996, is subsequently cancelled, the bulk-end user is subject to the restriction set in this section."

Section 11.(c) G.S. 105-449.97(c) reads as rewritten:

"(c) Percentage Discount. -- A supplier that sells motor fuel directly to an unlicensed distributor or to the bulk-end user, the retailer, or the user of the fuel may take the same percentage discount on the fuel that a licensed distributor may take under G.S. 105-449.93(b) when making deferred payments of tax to the supplier."

Section 12. G.S. 105-449.88(1) reads as rewritten:

"**§ 105-449.88. Exemptions from the excise tax.**

The excise tax on motor fuel does not apply to the following:

(1) Motor fuel removed, by transport truck or another means of transfer outside the terminal transfer system, from a terminal for export, if the motor fuel is removed by a licensed distributor or a licensed exporter and the supplier of the motor fuel collects tax on it at the rate of the motor fuel's destination state."

Section 13. The catch line of G.S. 105-449.105 reads as rewritten:

"**§ 105-449.105. Refunds upon application for tax paid on exempt fuel, lost fuel, and fuel unsalable for highway ~~use, and undyed diesel fuel used in boats.~~ use.**"

Section 14. G.S. 105-449.121(b)(2) reads as rewritten:

"(b) Inspection. -- The Secretary or a person designated by the Secretary may do any of the following to determine tax liability under this Article:

. . .

(2) Audit a ~~distributor~~ distributor, a retailer, a bulk-end user, or a motor fuel user that is not licensed under this Article."

Section 15.(a) G.S. 62A-5(d) reads as rewritten:

"(d) Any taxes due on 911 service provided by the service supplier will be billed to the local government subscribing to that service. ~~State and local taxes do not apply to 911 charges billed to subscribers under this Article.~~"

Section 15.(b) G.S. 105-120(c1) reads as rewritten:

"(c1) ~~Enhanced 911~~ Service ~~Charge.~~ Charges. -- Gross receipts of an entity that provides local telecommunications service do not include 911 charges imposed under G.S. 62A-5 and remitted to a local government under G.S. 62A-6, or wireless Enhanced 911 service charges imposed under G.S. 62A-23 and remitted to the Wireless Fund under G.S. 62A-24."

Section 15.(c) G.S. 105-130.5(b)(17) reads as rewritten:

"(17) The amount of 911 charges collected under G.S. 62A-5 and remitted to a local government under G.S. 62A-6, and the amount of wireless Enhanced 911 service charges collected under G.S. 62A-23 and remitted to the Wireless Fund under G.S. 62A-24."

Section 16. Except as otherwise provided in this act, this act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1999

H

HOUSE BILL 1290
Committee Substitute Favorable 6/24/99
Senate Finance Committee Substitute Adopted 6/29/00
Proposed Senate Committee Substitute H1290-PCS5119-RB

Short Title: Revenue Laws Clarifying Changes. (Public)

Sponsors:

Referred to:

April 19, 1999

A BILL TO BE ENTITLED

AN ACT TO IMPROVE THE ADMINISTRATION OF THE TAX LAWS BY MAKING CLARIFYING AND CONFORMING CHANGES TO THE REVENUE AND RELATED LAWS.

The General Assembly of North Carolina enacts:

Section 1.(a) Section 10.2(3) of Chapter 13 of the Session Laws of the 1996 Second Extra Session, as amended by Section 1 of S.L. 1999-360, reads as rewritten:

"(3) Quality jobs and business expansion tax credits. -- Sections 3.5, 3.6, and 3.8 through 3.10 of Part III of this act become effective August 1, 1996. G.S. 105-129.11, as enacted by Part III of this act, becomes effective for taxable years beginning on or after January 1, 1997, and applies to training expenditures made on or after July 1, 1997. The remainder of Part III of this act is effective for taxable years beginning on or after January 1, 1996, and applies to jobs created on or after August 1, 1996, and property placed in service on or after August 1, 1996. Article 3A of Chapter 105 of the General Statutes is repealed ~~effective for applications for credits filed under G.S. 105-129.6 on or after January 1, 2006. G.S. 105-129.16 is repealed effective for business property placed in service on or after January 1, 2002. The remainder of~~ as provided

2006. The repeal of G.S. 105-129.16A applies to renewable energy property placed in service on or after January 1, 2006. The repeal of G.S. 105-129.16B applies to buildings to which federal credits are allocated on or after January 1, 2006."

Section 2. Effective July 1, 2001, G.S. 105-88(e) reads as rewritten:

"(e) Counties, cities, and towns may levy a license tax on the business taxed under this ~~section not in excess of~~ section. Except as provided in G.S. 160A-211 and G.S. 153A-152, the tax may not exceed one hundred dollars ($100.00)."

Section 3. G.S. 105-113.82 reads as rewritten:

"**§ 105-113.82. Distribution of part of beer and wine taxes.**

(a) Amount, Method. -- The Secretary shall distribute annually the following percentages of the net amount of excise taxes collected on the sale of malt beverages and wine during the preceding 12-month period ending March 31, less the amount of the net proceeds credited to the Department of Agriculture and Consumer Services under G.S. 105-113.81A, to the counties and cities in which the retail sale of these beverages is ~~authorized.~~ authorized in the entire county or city:

(1) Of the tax on malt beverages levied under G.S. 105-113.80(a), twenty-three and three-fourths percent (23 3/4%);

(2) Of the tax on unfortified wine levied under G.S. 105-113.80(b), sixty-two percent (62%); and

(3) Of the tax on fortified wine levied under G.S. 105-113.80(b), twenty-two percent (22%).

If malt beverages, unfortified wine, or fortified wine may be licensed to be sold at retail in both a county and a city located in the county, both the county and city shall receive a portion of the amount distributed, that portion to be determined on the basis of population. If one of these beverages may be licensed to be sold at retail in a city located in a county in which the sale of the beverage is otherwise prohibited, only the city shall receive a portion of the amount distributed, that portion to be determined on the basis of population. The amounts distributed under subdivisions (1), (2), and (3) shall be computed separately.

~~(b) Reduction in Amount Distributed. -- Where the sale of malt beverages, unfortified wine, or fortified wine is prohibited in a defined area of a city or county in which the sale of the beverage is authorized, the amount that would otherwise be distributed to the city or county on the basis of population under subsection (a) shall be reduced in the same ratio that the area of the defined area bears to the total area of the city or county, unless the defined area is a city. If the defined area in a county is a city, the reduction in the amount that would otherwise be distributed to the county under subsection (a) shall be based on population instead of area.~~

(c) Exception. -- Notwithstanding subsection (a), in a county in which ABC stores have been established by petition, the revenue shall be distributed as though the entire county had approved the retail sale of a beverage whose retail sale is authorized in part of the county.

(d) Time. -- The revenue shall be distributed to cities and counties within 60 days after March 31 of each year.

Section 5. G.S. 105-113.85 reads as rewritten:

"**§ 105-113.85. Discount.**

Each wholesaler or importer who remits the excise taxes on malt beverages or wine may deduct from the amount payable by him a discount of four percent (4%). This discount covers losses due to spoilage and breakage, expenses incurred in preparing the records and reports required by this Article, and the expense of furnishing a bond. ~~No discount is allowed on taxpaid beverages given as free goods for advertising.~~"

Section 6. G.S. 105-113.88 reads as rewritten:

"**§ 105-113.88. ~~Record keeping~~ Record-keeping requirements.**

~~(a) Requirement. -- Every person licensed under this Article shall maintain complete and accurate records of all purchases and sales of alcoholic beverages taxable under this Article. These records shall be kept separate from all other records the person keeps. Each person shall also maintain copies of all reports filed with the Secretary and invoices, sales tickets, and other data that substantiate those reports.~~

~~(b) Length of Time Records Shall Be Kept. -- Every person licensed under this Article shall keep the records, reports, and other information required by this section for three years.~~

A person who is required to file a report or return under this Article must keep a record of all documents used to determine information the person provides in a report or return. The records must be kept for three years from the due date of the report or return to which the records apply."

Section 7. G.S. 105-119 and G.S. 105-120.1 are repealed.

Section 8. G.S. 105-114 reads as rewritten:

"**§ 105-114. Nature of taxes; definitions.**

(a) Nature of Taxes. -- The taxes levied in this Article upon persons and partnerships are for the privilege of engaging in business or doing the act named.

(a1) Scope. -- The taxes levied in this Article upon corporations are privilege or excise taxes levied upon:

(1) Corporations organized under the laws of this State for the existence of the corporate rights and privileges granted by their charters, and the enjoyment, under the protection of the laws of this State, of the powers, rights, privileges and immunities derived from the State by the form of such existence; and

(2) Corporations not organized under the laws of this State for doing business in this State and for the benefit and protection which these corporations receive from the government and laws of this State in doing business in this State.

~~If~~

(a2) Condition for Doing Business. -- If the corporation is organized under the laws of this State, the payment of the taxes levied by this Article ~~shall be~~ is a condition precedent to the right to continue in the corporate form of ~~organization; and if~~ organization. If the corporation is not organized under the laws of this State,

Section 10.(a) G.S. 105-187.1 is amended by adding a new subdivision to read:

"(3a) Retailer. -- A retailer as defined in G.S. 105-164.3 who is engaged in the business of selling, leasing, or renting motor vehicles."

Section 10.(b) G.S. 105-187.5(a) reads as rewritten:

"(a) Election. -- A retailer ~~who is engaged in the business of leasing or renting motor vehicles~~ may elect not to pay the tax imposed by this Article at the rate set in G.S. 105-187.3 when applying for a certificate of title for a motor vehicle purchased by the retailer for lease or rental. A retailer who makes this election shall pay a tax on the gross receipts of the lease or rental of the vehicle. Like the tax imposed by G.S. 105-187.3, this alternate tax is a tax on the privilege of using the highways of this State. The tax is imposed on a retailer, but is to be added to the lease or rental price of a motor vehicle and thereby be paid by the person who leases or rents the vehicle."

Section 10.(c) G.S. 20-4.01(5) reads as rewritten:

"(5) Dealer. -- Every person engaged in the business of buying, selling, distributing, or exchanging motor vehicles, ~~trailers~~ trailers, or semitrailers in this State, and having an established place of business in this ~~State and being subject to the tax levied by G.S. 105-89.~~ State.

The terms 'motor vehicle dealer,' 'new motor vehicle dealer,' and 'used motor vehicle dealer' ~~shall~~ as used in Article 12 of this Chapter have the meaning set forth in G.S. 20-286."

Section 11. G.S. 105-259(b)(15) reads as rewritten:

"(b) Disclosure Prohibited. -- An officer, an employee, or an agent of the State who has access to tax information in the course of service to or employment by the State may not disclose the information to any other person unless the disclosure is made for one of the following purposes:

. . .

(15) To exchange information concerning a tax imposed by Articles 2A, 2C, or 2D of this Chapter with one of the following agencies when the information is needed to fulfill a duty imposed on the Department or the agency:

a. The North Carolina Alcoholic Beverage Control Commission.

b. The Division of Alcohol Law Enforcement of the Department of Crime Control and Public Safety.

c. The Bureau of Alcohol, Tobacco, and Firearms of the United States Treasury Department.

d. Law enforcement agencies.

e. The Division of Adult Probation and Parole of the Department of Correction."

Section 12. G.S. 105-449.44 reads as rewritten:

the other supplier or the other supplier's customer at the rack of the terminal at which the delivering supplier is the position holder."

Section 13.(b) Effective July 1, 2000, G.S. 105-449.88 is amended by adding a new subdivision to read:

"**§ 105-449.88. Exemptions from the excise tax.**

The excise tax on motor fuel does not apply to the following:

. . .

(1a) Motor fuel removed by transport truck from a terminal for export if the motor fuel is removed by a licensed distributor or licensed exporter, the supplier that is the position holder for the motor fuel sells the motor fuel to another supplier as the motor fuel crosses the terminal rack, the purchasing supplier or its customer receives the motor fuel at the terminal rack for export, and the supplier that is the position holder collects tax on the motor fuel at the rate of the motor fuel's destination state."

Section 14.(a) G.S. 105-449.60(41) reads as rewritten:

"**§ 105-449.60. Definitions.**

The following definitions apply in this Article:

. . .

(41) User. -- A person who owns or operates a licensed highway vehicle that has a registered gross vehicle weight of at last 10,001 pounds and who ~~and~~ does not maintain storage facilities for motor fuel."

Section 14.(b) G.S. 105-449.68 reads as rewritten:

"**§ 105-449.68. Restrictions on who can get a license as a distributor.**

A bulk-end user of motor fuel may not be licensed as a distributor unless the bulk-end user also acquires motor fuel from a supplier or from another distributor for subsequent sale. This restriction does not apply to a bulk-end user that was licensed as a distributor on January 1, 1996. If a distributor license held by a bulk-end user on January 1, 1996, is subsequently cancelled, the bulk-end user is subject to the restriction set in this section."

Section 14.(c) G.S. 105-449.97(c) reads as rewritten:

"(c) Percentage Discount. -- A supplier that sells motor fuel directly to an unlicensed distributor or to the bulk-end user, the retailer, or the user of the fuel may take the same percentage discount on the fuel that a licensed distributor may take under G.S. 105-449.93(b) when making deferred payments of tax to the supplier."

Section 15. G.S. 105-449.88(1) reads as rewritten:

"**§ 105-449.88. Exemptions from the excise tax.**

The excise tax on motor fuel does not apply to the following:

(1) Motor fuel removed, by transport truck or another means of transfer outside the terminal transfer system, from a terminal for export, if the motor fuel is removed by a licensed distributor or a licensed exporter and the supplier of the motor fuel collects tax on it at the rate of the motor fuel's destination state."

of wireless Enhanced 911 service charges collected under G.S. 62A-23 and remitted to the Wireless Fund under G.S. 62A-24."

Section 20. Except as otherwise provided in this act, this act is effective when it becomes law.

HOUSE BILL 1290:
Revenue Laws Clarifying Changes

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Rep. Luebke
Date:	July 6, 2000	**Summary by:**	Cindy Avrette, Staff Atty. &
Version:	PCS for the 3rd edition		Mary Shuping, Rsch. Asst.

CHANGES IN THE PCS

- **MODIFIES SECTION 2:** The PCS changes the effective date for Section 2 from July 1, 2000 to July 1, 2001.
- **ADDS SECTION 5:** The Department plans to administer the excise tax on tobacco products and the excise taxes on beer, wine, and liquor through the same computer program. The change requested by the Department seeks to conform the discount statutes for these excise taxes so that they are uniform. The PCS removes the language that the discount is not allowed on taxpaid beverages given as free goods for advertising because similar language is not included in the tobacco product article. These changes were requested by the Department of Revenue and included in HB 1575, 2nd edition.
- **ADDS SECTION 4 & SECTION 6:** The PCS eliminates the requirement that resident breweries, resident wineries, and nonresident vendors file an invoice with the Secretary and that two copies of the invoice be given to wholesalers and importers. The person will still be required to file a report that contains the information required by the Secretary. These businesses have to keep records of the information needed to file reports and returns for three years. The amendment allows the businesses to keep the information in a format that is useful to them by not restricting them to invoices. These changes were requested by the Department of Revenue and included in HB 1575, 2nd edition.
- **MODIFIES SECTION 9:** This section changes the form of the definition of manufactured home in the sales tax law from a restatement of federal standards to a cross-reference to federal standards. The PCS also codifies an administrative application of the sales tax definition for manufactured homes to include modular homes that are built on a permanent chassis and are transportable in one or more sections.
- **ADDS SECTION 17:** The PCS incorporates a change concerning "locked pumps" made by the federal law, effective June 30, 1998. The federal change already applies in North Carolina, the amendment simply codifies the change and clarifies that a distributor is still eligible for a refund of the excise taxes paid on kerosene if the pump meets the requirements of federal law. A locked pump is one that is kept locked by the retailer and must be unlocked by the retailer for each sale of kerosene. The distributor may currently apply for a refund if the dispensing device for the kerosene is not suitable for use in fueling a highway vehicle. This change was requested by the Department of Revenue and included in HB 1575, 2nd edition.
- The PCS also clarifies that the distributor is liable for any overpayments of a refund, even if the action of the retailer contributed to the overpayment. One action of a retailer that could contribute to an overpayment is that the retailer does not keep the pump locked as required. Under current law, any taxpayer is liable for any overpayment of a refund. This change was requested by the Department of Revenue and included in HB 1575, 2nd edition.

REVENUES					
LOCAL GOVERNMENTS	See Assumptions and Methodology				

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Local governments, Department of Revenue, Department of Correction

EFFECTIVE DATE: Section 2 (pawnbrokers) and Section 10 (fuel tax) are effective July 1, 2000. The remainder of the act is effective when it becomes law

BILL SUMMARY: This bill makes numerous technical and clarifying changes to the state revenue laws and related statutes.

ASSUMPTIONS AND METHODOLOGY:
Of the 16 sections in the bill, only section 2 has a fiscal impact. When the General Assembly approved Senate Bill 1112 (S.L. 1999-438), it inadvertently capped city and county privilege taxes on pawnbrokers at $100. Previous law (G.S. 105-50) allowed cities and counties to charge pawnbrokers up to $275 per year. In a 1996 survey conducted by the Fiscal Research Division of the General Assembly, 44 counties and 24 cities reported having a privilege tax on pawnbrokers ranging from $5 to $275. These local governments also reported FY 1995-96 tax revenues from pawnbrokers of $77,844. If all local governments changed their ordinance in response to SB 1112, then they would have experienced a loss of $47,993 based on the 1996 report. Passage of this bill would allow local governments to return their tax on pawnbrokers to previous levels and regain revenue lost due to SB 1112.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE CONSTRUCTION AND THE FINANCING, WITHOUT APPROPRIATIONS FROM THE GENERAL FUND, OF CERTAIN CAPITAL IMPROVEMENTS PROJECTS OF THE CONSTITUENT INSTITUTIONS OF THE UNIVERSITY OF NORTH CAROLINA AND TO AMEND THE LAWS REGARDING CERTAIN REVENUE BONDS THAT MAY BE ISSUED BY THE BOARD OF GOVERNORS.

The General Assembly of North Carolina enacts:

Section 1. The purpose of this act is (i) to authorize the construction by The University of North Carolina, of the capital improvements projects listed in the act for the respective institutions, and (ii) to authorize the financing of these projects with funds available to the institutions from gifts, grants, receipts, self-liquidating indebetedness, or other funds, or any combination of these funds, but not including funds appropriated from the General Fund of the State.

Section 2. The capital improvements projects, and their respective costs, authorized by this act to be constructed and financed as provided in Section 1 of this act, are as follows:

1. **Appalachian State University**

New Dining Hall - Supplement	$ 9,569,744
Steam Distribution/Return System-Reconstruction	$ 3,109,200

2. **East Carolina University**	
Diabetes Building - Planning	$ 500,000
West End Dining Hall - Supplement	$ 5,089,700
3. **North Carolina School of the Arts**	
Technology Infrastructure - Residence Halls	$ 1,000,000
4. **North Carolina State University**	
Expansion of Parking Facilities	$ 9,000,000
Centennial Campus Infrastructure	$18,780,000
Centennial Campus Tenant Upfits	$ 6,750,000
5. **The University of North Carolina at Asheville**	
New Residence Hall - Supplement	$ 3,720,800
6. **The University of North Carolina at Chapel Hill**	
Sonja H. Stone Black Cultural Center	$ 9,000,000
7. **The University of North Carolina at Charlotte**	
Alumni Center	$ 3,300,000
8. **The University of North Carolina at Greensboro**	
Parking Deck	$11,000,000
9. **The University of North Carolina at Pembroke**	
Dining Hall Addition	$ 750,000.

Section 3. At the request of the Board of Governors of The University of North Carolina and upon determining that it is in the best interest of the State to do so, the Director of the Budget may authorize an increase or decrease in the cost of, or a change in the method of, funding the projects authorized by this act. In determining whether to authorize a change in cost or funding, the Director of the Budget may consult with the Joint Legislative Commission on Governmental Operations.

Section 4. G.S. 116-189(4) reads as rewritten:

"(4) The word 'institution' shall mean each of the institutions enumerated in G.S. 116-2, ~~and~~ the University of North Carolina ~~Hospitals at Chapel Hill~~ Health Care System, and the University of North Carolina General Administration."

Section 5. G.S. 116-189(5) is amended as follows:

"(5) ~~The word "project" shall mean and shall include any one or more buildings or facilities for (i) the housing, health, welfare, recreation and convenience of students, (ii) the housing of faculty, (iii) adult or continuing education, (iv) revenue producing parking decks or~~

~~structures, and (v) education, research, patient care and community services at the University of North Carolina Hospitals at Chapel Hill, of any size or type approved by the Board and the Director of the Budget and any enlargements, improvements or additions so approved of or to any such buildings or facilities now or hereafter existing, including, but without limiting the generality thereof, dormitories and other student, faculty and adult or continuing education housing, dining facilities, student centers, gymnasiums, field houses and other physical education and recreation buildings, structures and facilities, infirmaries and other health care buildings, structures and facilities, academic facilities for adult or continuing education, and necessary land and interests in land, furnishings, equipment and parking facilities. Any project comprising a building or buildings for student activities or adult or continuing education or any enlargement or improvement thereof or addition thereto may include, without limiting the generality thereof, facilities for services such as lounges, restrooms, lockers, offices, stores for books and supplies, snack bars, cafeterias, restaurants, laundries, cleaning, postal, banking and similar services, offices, rooms and other facilities for guests and visitors and facilities for meetings and for recreational, cultural and entertainment activities.~~ The word 'project' shall mean and shall include any one or more buildings, structures, or facilities of any size or type now or hereafter existing for (i) the housing, health, welfare, recreation, and convenience of students, (ii) the housing of faculty, (iii) academic, research, patient care, and community services, and (iv) parking at an institution or institutions, that has been approved by the Board and the Director of the Budget and any improvements or additions so approved to any such buildings, structures, or facilities, including, but without limiting the generality thereof, dormitories and other student, faculty, and adult or continuing education housing, dining facilities, student centers, gymnasiums, field houses and other physical education and recreation buildings, infirmaries and other health care buildings, academic facilities, furnishings, equipment, parking facilities, and necessary land and interest in land. Any project may include, without limiting the generality thereof, facilities for services such as lounges, restrooms, lockers, offices, stores for books and supplies, snack bars, cafeterias, restaurants, laundries, cleaning, postal, banking and similar services, rooms and other facilities for guests and visitors, and facilities for meetings and for recreational, cultural, and entertainment activities."

Section 6. This act is effective when it becomes law.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: The University of North Carolina – General Administration

EFFECTIVE DATE: This act is effective when it becomes law.

BILL SUMMARY: The bill authorizes the construction and financing, without appropriations from the General Fund, of capital improvements projects of the constituent institutions of the University of North Carolina. The bill amends the definition of "institution" to include the UNC Health Care System and UNC General Administration. The bill also amends the definition of the term "project."

ASSUMPTIONS AND METHODOLOGY: The 13 projects listed in this bill are being constructed with funds other than the state General Fund (see attached chart). However, there are two projects that the institutions will request a General Fund appropriation for operating expenses. Operating expenses includes both salary and benefits for new personnel and non-personnel items such as utilities. The data provided by the UNC-General Administration includes a 3% increase per year for salaries and benefits and a 5% increase per years for non-personnel items and utilities.

SENATE FINANCE COMMITTEE

TUESDAY, JULY 11, 2000

11:00 AM - ROOM 544

The Senate Finance Committee met on Tuesday, July 11, 2000 at 11:00 AM in Room 544 of the Legislative Office Building with 24 members of the committee present and Senator Hoyle presiding. Jim Caldwell, Allison Avery and Brandon Carpenter all sponsored by Senator Hoyle along with Charles Gaylor sponsored by Senator Kerr were introduced as the pages for the meeting.

HB 1583 - NONHAZ. DRY-CLEANING TECHNOLOGY INCENTIVE

Senator Odom was recognized to explain the bill for Representative Gibson. After a time of discussion, Senator Kerr sent forth an amendment to the bill and moved that it be adopted, motion passed. Discussion continued and then Senator Albertson moved to give the bill a "Favorable Report" and be rolled into a committee substitute, motion passed. Copy of bill and supporting documents included in the minutes.

HB 1566 - TEMP. MV LIEN FILING

Representative Cole was recognized to explain the bill. Senator Kerr offered an amendment to the bill and moved that it be adopted, motion passed. After a time of discussion, Senator Cooper had a technical change to the bill suggestion and staff was instructed to draft the amendment. Senator Cooper sent forth the amendment and moved that it be adopted, motion passed. Senator Larry Shaw moved to give the bill a "Favorable Report" and be rolled into a committee substitute, motion passed. Copy of bill and supporting document included in the minutes.

HB 1768 - ORANGE OMNIBUS ACT

Senator Kinnaird was recognized to explain the bill for Representative Insko. After a time of discussion, Senator Ballantine sent forth an amendment to add Carteret and Pender Counties to the bill and moved that amendment be adopted, motion passed. Senator Rand moved to give the bill a "Favorable Report" and be rolled into a committee substitute, motion passed. Copy of bill and supporting documents included in the minutes.

BILL ADDED TO THE AGENDA AT THE REQUEST OF SENATOR HOYLE

HB 677 - CERTAIN COUNTIES DELINQUENT TAXES

Senator Hoyle came to explain the bill and after a brief discussion, Senator Dannelly moved to give the bill a "Favorable Report", motion passed. Copy of bill and supporting documents included in the minutes.

Meeting adjourned.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE A NEW TAX CREDIT AS AN INCENTIVE FOR INVESTING IN DRY-CLEANING EQUIPMENT THAT DOES NOT USE HAZARDOUS SUBSTANCES, AS RECOMMENDED BY THE ENVIRONMENTAL REVIEW COMMISSION.

The General Assembly of North Carolina enacts:

Section 1. Article 3B of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-129.16C. Credit for investing in dry-cleaning equipment that does not use a hazardous substance.**

(a) Credit. -- If a taxpayer that has purchased or leased qualified dry-cleaning equipment, places it in service in this State for commercial purposes during the taxable year, the taxpayer is allowed a credit equal to twenty percent (20%) of the cost of the equipment. To support the credit allowed by this section, the taxpayer must file with the tax return for the taxable year in which the credit is claimed a certification by the Department of Environment and Natural Resources that the equipment purchased or leased by the taxpayer is qualified dry-cleaning equipment.

(b) Restrictions. -- No credit is allowed under this section to the extent the cost of the equipment was paid with public funds. A taxpayer that claims any other credit allowed under this Chapter with respect to qualified dry-cleaning equipment may not take the credit allowed in this section with respect to the same equipment.

(c) Definitions. -- The following definitions apply only in this section:

(1) Hazardous solvent. -- A solvent, any portion of which consists of a chlorine-based solvent, a hydrocarbon-based solvent, a hazardous substance as defined in G.S. 130A-310(2), or any substance determined by the Administrator of the Environmental Protection Agency or the Director of the National Institute of Occupational Safety and Health to possess carcinogenic potential to humans.

(2) Qualified dry-cleaning equipment. -- Equipment that is designed and used primarily to dry-clean clothing and other fabric and does not use any hazardous solvent or any other substance that the Department of Environment and Natural Resources determines to pose a threat to human health or the environment."

Section 2. This act is effective for taxable years beginning on or after July 1, 2001.

HOUSE BILL 1583:
Nonhazardous Dry Cleaning Tech. Incentive

BILL ANALYSIS

Committee:	Senate Finance	**Sponsor:**	Representative Pryor Gibson
Date:	July 7, 2000	**Analysis by:**	Rick Zechini, Staff Attorney
Version:	Third Edition		

SUMMARY: ***House Bill 1583 provides a tax credit for commercial dry-cleaners who invest in environmentally friendly dry-cleaning equipment, effective July 1, 2001. The credit is equal to 20% of the cost of the equipment. (An earlier version of the bill allowed a 35% credit.) House Bill 1583 was heard in House Finance and House Environment. The Environmental Review Commission recommended this proposal to the 2000 Regular Session of the 1999 General Assembly for its consideration.***

BILL ANALYSIS: House Bill 1583 adds a new section to Article 3B of Chapter 105 of the General Statutes, which currently provides tax credits for investing in general business property, renewable energy property, and low-income housing. The new section provides a tax credit for commercial dry-cleaners who buy or lease "qualified dry-cleaning equipment." "Qualified dry-cleaning equipment" is defined as dry-cleaning equipment that does not use any of the following:

- A chlorine-based solvent.
- A hydrocarbon-based solvent.
- A solvent that contains a hazardous substance as defined in the federal Comprehensive Environmental Response, Compensation, and Liability Act.
- A solvent that contains a substance determined by the Environmental Protection Agency or the National Institute of Occupational Safety and Health to possess carcinogenic potential to humans.
- A substance that the Department of Environment and Natural Resources (DENR) determines to pose a threat to human health or the environment.

It is estimated that 99% of the State's dry-cleaners currently use chlorine-based or hydrocarbon-based solvent. Use of these solvents has led to soil and groundwater contamination.

The new credit, which is similar to the renewable energy credit that was enacted in 1999, provides a credit for equipment placed in service in this State equal to 20% of the taxpayer's cost. Like the other credits in Article 3B, it may be taken against corporate or individual income tax or corporate franchise tax, at the taxpayer's choice; it may not exceed 50% of the taxpayer's tax liability in any given year; and any excess over this limit may be carried forward for up to five years. Article 3B requires the taxpayer to maintain and make available in case of audit any records necessary to determine and verify the amount of the credit to which the taxpayer is entitled. A taxpayer claiming the credit allowed under the new section must file with the tax return a certification by DENR that the equipment purchased or leased by the taxpayer is "qualified dry-cleaning equipment."

This new tax credit will sunset January 1, 2006, the date that Article 3B is repealed.

	FY 2000-01	FY 2001-02	FY 2002-03	FY 2003-04	FY 2004-05
REVENUES					
General Fund		($584,100)	($423,000)	($507,600)	($625,200)
EXPENDITURES					

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue

EFFECTIVE DATE: This act is effective for taxable years beginning on or after July 1, 2001.

BILL SUMMARY: This bill provides a tax credit equal to 20% of the cost of purchasing or leasing nonhazardous dry cleaning equipment. To qualify as nonhazardous, the equipment must not use chlorine-based solvents, hydrocarbon-based solvents, or any other substance deemed hazardous by the Environmental Protection Agency or the Director of the National Institute of Occupational Safety and Health. In addition to not using any hazardous solvent, the equipment must be designed primarily to dry-clean clothes.

ASSUMPTIONS AND METHODOLOGY:

SOLVENTS

Hazardous dry cleaning solvents include hydrocarbon or petroleum based products and chlorine based solvents such as perchloroethylene. According to the National Institute of Environmental Health Sciences, 80% to 85% of the dry cleaners in the U.S. use perchloroethylene (commonly called perc). The Executive Director of the North Carolina Association of Launderers and Cleaners estimates that 84% of the dry cleaners in this state use perc and 15% use petroleum products. The remaining 1% of the state's dry cleaners use nonhazardous materials such as liquid carbon dioxide, Rynex, silicon based Green Earth, and water (wet cleaning). Although regulated as a hazardous material by the EPA, perc has been the solvent of choice because it can be used on all common textiles and fibers without risk of fabric shrinkage or faded dyes. Perc is also very

effective at removing fats, oils and grease out of clothes. While remaining the dominant dry cleaning solvent, perc use has declined 70% over the past decade due to innovations in equipment design, better operation and maintenance of equipment, and better training of employees.

NC DRYCLEANING MARKET

Growth in the dry cleaning industry was stagnant in the 1990's and is not expected to improve in the next five years. Economic census reports reveal that from 1992 to 1997, the number of dry cleaning plants in NC grew .56% a year. Meanwhile, the state's population grew 1.75% a year in the same five-year period. An analyst with the International Fabricare Institute said there were too many cleaners in the industry making the business very competitive. This was confirmed by the EPA Office of Compliance Sector Notebook Project: Profile of the Dry Cleaning Industry when it reported in September 1995 that "commercial dry cleaning is not a high profit business and many dry cleaners are barely able to stay in business." Sixty three percent of dry cleaners in 1993 had annual revenue of $113,000 or less. Sole proprietorship returns in 1997, showed that 74.3 % of dry cleaners were profitable and the net income for dry cleaners was $12,432 a year (Summer 1999 SOI Bulletin).

In 1997, the US Census Bureau published an Economic Census for North Carolina that listed 696 dry cleaning plants in the state. The Executive Director of the North Carolina Association of Launderers and Cleaners estimates that the average number of dry cleaning machines per facility is 1.1 due to the large number of small operations. Using the 696 plants reported in 1997 times 1.1 machines per facility equals 766 dry cleaning machines in North Carolina. The estimated life span of these machines is 12 to 15 years. Assuming an equal number of machines are retired each year, then between 51 (every 12 years) and 64 machines (every 15 years) will be purchased. This projection is in line with the Association of Launderers and Cleaners' estimate that 50 to 60 dry cleaning machines will be replaced in each of the next five years. Some of the replacement equipment may go into large central operations as the result of consolidation among smaller shops.

SWITCH TO NONHAZARDOUS SOLVENTS

As mentioned above, nonhazardous dry cleaners make up about 1% of the dry cleaning market. A Raleigh dry cleaner is one of 32 test sites in the world for silicone based Green Earth solution. Micell Technologies uses liquid carbon dioxide in its Hangers franchises in Wilmington, Morrisville, and Greensboro. Under a license agreement with Global Technologies, Sail Star USA will begin assembly of carbon dioxide dry cleaning machines in Charlotte this year. No advance orders have been received from North Carolina dry cleaning plants.

While nonhazardous dry cleaning machines are available, there has been no stampede to invest in the new technologies. Price is one obstacle. Given the low profit margins of many dry cleaning operations, many cannot afford the new technology. The cost of a new perc machine can range from $35,000 to $60,000, with an average of $50,000 for a 50 pound load machine. The carbon dioxide machines offered by Micell Technologies have an average cost of $165,000 plus a franchise requirement that cost $25,000 and a pledge of 5% of gross revenue as a royalty. The carbon dioxide machines built by Sail Star USA will cost between $80,000 to $120,000, but can be purchased without franchise obligations. Green Earth machines are not yet in full production but are estimated to cost between $40,000 to $60,000. (Hydrocarbon machines can be retrofitted to use Green Earth solution for less than $5000.)

Another obstacle to conversion to new technologies is the reluctance to invest in a technology that does not have a proven track record. Dr. Manfred Wentz, visiting professor at N.C. State University College of Textiles, said the new technologies have not reached maturity and that skeptics abound in the dry cleaning industry. A dry cleaning equipment dealer in Raleigh said the new technologies need a two or three year "shake out period" and that many dry cleaning operators may wait to see if the prices go down. The CEO of the Neighborhood Cleaners Institute said that carbon dioxide machines "have promise", but that the technology is "not all there yet". Some cleaners use wet cleaning in conjunction with their dry cleaning operation. Research by the International Fabricare Institute found "that up to 40 percent of garments could be wetcleaned quite readily but that it takes a serious commitment to proper training of employees to clean 60 to 80 percent of all garments." Wet cleaning machines can clean most garments but cannot adequately dissolve lipophilic stains such as oils, greases, fats and waxes.

Another hurdle to conversion in the short run is that many dry cleaning operators have invested in new perc machines in response to EPA regulations on hazardous solvents. These operators will get the maximum use of these machines before buying a new one. These new machines have reduced solvent use while providing the operators with the best and most consistent cleaner.

TAX CREDIT

In the short run, Micell Technologies seems to be the only nonhazardous solvent dry cleaning equipment company in position to capture a share of the new and replacement market of dry cleaning machines. Micell Technologies has estimated that it will sell 10 machines in North Carolina in 2001, 8 in 2002, and 7 in 2003 without the tax credit. With the tax credit, the company expects a 50% boost in sales to 15 in 2001, 12 in 2002, and 11 in 2003. Bank of America's announcement on April 22, 2000 that it would finance the purchase of Hangers franchises in conjunction with the Small Business Administration should make Micell's market projections more achievable.

By 2003 and 2004, the other nonhazardous solvent equipment manufacturers will have completed several years of tests and should produce enough machines to be more price competitive with perc and petroleum machines. Sail Star USA in Charlotte projects total production for the US market will increase from 150 units in year 2000 to maximum of 4,000 units in 2003. By 2003, the cost of each Sail Star unit could be as low as $60,000, a price competitive with perc. By 2003, Green Earth machines will have had three to four years of market experience and if the results are positive, the machine's $50,000 price tag will make it competitive in the market place.

This fiscal note assumes that 60 dry cleaning machines will be purchased each year from 2000 to 2005. The note assumes that Micell machines will be the only nonhazardous solvent machines sold until 2003. Beginning in 2003, it is assumed that all new and replacement dry cleaning machines will use nonhazardous solvents due to EPA and state environmental regulations. It is assumed that half of these dry cleaning machines will be purchased in the first six months of the fiscal year and half will be purchased in the second half of the fiscal year. (The exception is in 2001 when dry cleaners can be expected to delay purchase of Micell equipment until July 1 to get the 20% credit and use 100% of the credit in the tax year and fiscal year.) The dry cleaning companies will deduct the 20% tax credit from quarterly estimated income tax payments. In order to calculate fiscal year impact, it is assumed that 45% of the tax credit will be taken within the first 6 months (two quarters) of the purchase and 55% in the following two quarters. It is

assumed that the companies purchasing Micell equipment and Hangers franchise will be able to use the full tax credit in the year the equipment is purchased or leased. (For leased property, the tax credit is applied to eight times the annual rental rate.) For those purchasing or leasing other equipment, primarily replacement machines, it is assumed that they will be small businesses that do not have sufficient income to absorb the full tax credit and thus the credit will be carried forward for five years. To calculate the impact by fiscal year, the credit is divided equally over a five-year period. The chart below shows how the fiscal impact is calculated.

		FY 2000-01		FY 2001-02		FY 2002-03	
		July-Dec 2000	Jan - June 2001	July-Dec 2001	Jan - June 2002	July-Dec 2002	Jan - June 2003

A BILL TO BE ENTITLED

AN ACT TO PROVIDE AN INCENTIVE FOR INVESTING IN DRY-CLEANING EQUIPMENT THAT DOES NOT USE HAZARDOUS SUBSTANCES AND TO MODIFY THE AUTHORIZATION FOR INVESTING STATE FUNDS IN RURAL NORTH CAROLINA.

The General Assembly of North Carolina enacts:

Section 1. Article 3B of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-129.16C. Credit for investing in dry-cleaning equipment that does not use a hazardous substance.**

(a) Credit. -- If a taxpayer that has purchased or leased qualified dry-cleaning equipment, places it in service in this State for commercial purposes during the taxable year, the taxpayer is allowed a credit equal to twenty percent (20%) of the cost of the equipment. To support the credit allowed by this section, the taxpayer must file with the tax return for the taxable year in which the credit is claimed a certification by the Department of Environment and Natural Resources that the equipment purchased or leased by the taxpayer is qualified dry-cleaning equipment.

(b) Restrictions. -- No credit is allowed under this section to the extent the cost of the equipment was paid with public funds. A taxpayer that claims any other credit allowed under this Chapter with respect to qualified dry-cleaning equipment may not take the credit allowed in this section with respect to the same equipment.

(c) Definitions. -- The following definitions apply only in this section:

(1) Hazardous solvent. -- A solvent, any portion of which consists of a chlorine-based solvent, a hydrocarbon-based solvent, a hazardous substance as defined in G.S. 130A-310(2), or any substance determined by the Administrator of the Environmental Protection Agency or the Director of the National Institute of Occupational Safety and Health to possess carcinogenic potential to humans.

(2) Qualified dry-cleaning equipment. -- Equipment that is designed and used primarily to dry-clean clothing and other fabric and does not use any hazardous solvent or any other substance that the Department of Environment and Natural Resources determines to pose a threat to human health or the environment."

Section 2. G.S. 147-69.2(b)(9) and (10) read as rewritten:

"(b) It shall be the duty of the State Treasurer to invest the cash of the funds enumerated in subsection (a) of this section in excess of the amount required to meet the current needs and demands on such funds, selecting from among the following:

. . .

(9) Obligations and securities of The North Carolina Enterprise Corporation, of the North Carolina Economic Opportunities Fund, or of a limited partnership in which The North Carolina Enterprise Corporation or the North Carolina Economic Opportunities Fund is the only general partner, not to exceed twenty million dollars ($20,000,000) from all ~~funds.~~

~~(10)~~ ~~A~~ funds; and a limited partnership interest in a partnership whose primary purpose is to invest in venture capital or corporate buyout transactions, not to exceed thirty million dollars ($30,000,000) from all funds. These maximum dollar amounts do not apply to or restrict the reinvestment in accordance with this subdivision of any income from these investments."

Section 3. Section 1 of this act is effective for taxable years beginning on or after July 1, 2001. The remainder of this act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR A PROCEDURE FOR CREATION OF A TEMPORARY LIEN ON A MOTOR VEHICLE WHEN A MANUFACTURER'S STATEMENT OF ORIGIN OR AN EXISTING CERTIFICATE OF TITLE ON A MOTOR VEHICLE IS UNAVAILABLE AND TO MAKE OTHER CONFORMING CHANGES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 20-52.1 reads as rewritten:

"**§ 20-52.1. Manufacturer's certificate of transfer of new motor vehicle.**

(a) Any manufacturer transferring a new motor vehicle to another shall, at the time of the transfer, supply the transferee with a manufacturer's certificate of origin assigned to the transferee.

(b) Any dealer transferring a new vehicle to another dealer shall, at the time of transfer, give such transferee the proper manufacturer's certificate assigned to the transferee.

(c) Upon sale of a new vehicle by a dealer to a consumer-purchaser, the dealer shall execute in the presence of a person authorized to administer oaths an assignment of the manufacturer's certificate of origin for the vehicle, including in such assignment the name and address of the transferee and no title to a new motor vehicle acquired by a dealer under the provisions of subsections (a) and (b) of this

section shall pass or vest until such assignment is executed and the motor vehicle delivered to the transferee.

Any dealer transferring title to, or an interest in, a new vehicle shall deliver the manufacturer's certificate of origin duly assigned in accordance with the foregoing provision to the transferee at the time of delivering the vehicle, except that where a security interest is obtained in the motor vehicle from the transferee in payment of the purchase price or otherwise, the transferor shall deliver the manufacturer's certificate of origin to the lienholder and the lienholder shall forthwith forward the manufacturer's certificate of origin together with the transferee's application for certificate of title and necessary fees to the Division. Any person who delivers or accepts a manufacturer's certificate of origin assigned in blank shall be guilty of a Class 2 ~~misdemeanor.~~ misdemeanor, unless done in accordance with subsection (d) of this section.

(d) When a manufacturer's statement of origin or an existing certificate of title on a motor vehicle is unavailable, a motor vehicle dealer licensed under Article 12 of this Chapter may also transfer title to another by certifying in writing in a sworn statement to the Division that all prior perfected liens on the vehicle have been paid and that the motor vehicle dealer, despite having used reasonable diligence, is unable to obtain the vehicle's statement of origin or certificate of title. The Division is authorized to develop a form for this purpose. The filing of a false sworn certification with the Division pursuant to this subsection shall constitute a Class H felony."

Section 2. G.S. 20-58 reads as rewritten:

"**§ 20-58. Perfection by indication of security interest on certificate of title.**

(a) Except as provided in G.S. 20-58.8, a security interest in a vehicle of a type for which a certificate of title is required shall be perfected only as hereinafter provided.

(1) If the vehicle is not registered in this State, the application for notation of a security interest shall be the application for certificate of title provided for in G.S. 20-52.

(2) If the vehicle is registered in this State, the application for notation of a security interest shall be in the form prescribed by the Division, signed by the debtor, and contain the date of application of each security interest, and name and address of the secured party from whom information concerning the security interest may be obtained. The application must be accompanied by the existing certificate of title unless in the possession of a prior secured party. If there is an existing certificate of title issued by this or any other jurisdiction in the possession of a prior secured party, the application for notation of the security interest shall in addition contain the name and address of such prior secured party. An application for notation of a security interest may be signed by the secured party instead of the debtor when the application is accompanied by documentary evidence of the applicant's security interest in that motor vehicle signed by the debtor and by affidavit

of the applicant stating the reason the debtor did not sign the application. In the event the certificate cannot be obtained for recordation of the security interest, when title remains in the name of the debtor, the Division shall cancel the certificate and issue a new certificate of title listing all the respective security interests.

(3) If the application for notation of security interest is made in order to continue the perfection of a security interest perfected in another jurisdiction, it may be signed by the secured party instead of the debtor. Such application shall be accompanied by documentary evidence of a perfected security interest. No such application shall be valid unless an application for a certificate of title has been made in North Carolina. The security interest perfected herein shall be subject to the provisions set forth in G.S. 20-58.5.

(b) When a manufacturer's statement of origin or an existing certificate of title on a motor vehicle is unavailable, a first lienholder who holds a valid license as a motor vehicle dealer issued by the Commissioner under Article 12 of this Chapter or his designee may file a notarized copy of an instrument creating and evidencing a security interest in the motor vehicle with the Division of Motor Vehicles. A filing pursuant to this subsection shall constitute constructive notice to all persons of the security interest in the motor vehicle described in the filing. The constructive notice shall be effective from the date of the filing if the filing is made within 20 days after the date of the security agreement. The constructive notice shall date from the date of the filing with the Division if it is made more than 20 days after the date of the security agreement. The notation of a security interest created under this subsection shall automatically expire 60 days after the date of the creation of the security interest, or upon perfection of the security interest as provided in subsection (a) of this section. A security interest notation made under this subsection and then later perfected under subsection (a) of this section shall be presumed to have been perfected on the date of the earlier filing. The Division may charge a fee not to exceed ten dollars ($10.00) for each notation of security interest filed pursuant to this subsection. A false filing with the Division pursuant to this subsection shall constitute a Class H felony."

Section 3. G.S. 20-63(h) reads as rewritten:

"(h) Commission Contracts for Issuance of Plates and Certificates. -- All registration plates, registration certificates and certificates of title issued by the Division, outside of those issued from the Raleigh offices of the said Division and those issued and handled through the United States mail, shall be issued insofar as practicable and possible through commission contracts entered into by the Division for the issuance of such plates and certificates in localities throughout North Carolina with persons, firms, corporations or governmental subdivisions of the State of North Carolina and the Division shall make a reasonable effort in every locality, except as hereinbefore noted, to enter into a commission contract for the issuance of such plates and certificates and a record of these efforts shall be maintained in the

Division. In the event the Division is unsuccessful in making commission contracts as hereinbefore set out it shall then issue said plates and certificates through the regular employees of the Division. Whenever registration plates, registration certificates and certificates of title are issued by the Division through commission contract arrangements, the Division shall provide proper supervision of such distribution. Commission contracts entered under this subsection shall provide for the payment of compensation for all transactions as set forth below. Nothing contained in this subsection will allow or permit the operation of fewer outlets in any county in this State than are now being operated.

A transaction is any of the following activities:

(1) Issuance of a registration plate, a registration card, a registration renewal sticker, or a certificate of title.

(2) Issuance of a handicapped placard or handicapped identification card.

(3) Acceptance of an application for a personalized registration plate.

(4) Acceptance of a surrendered registration plate, registration card, or registration renewal sticker, or acceptance of an affidavit stating why a person cannot surrender a registration plate, registration card, or registration renewal sticker.

(5) Cancellation of a title because the vehicle has been junked.

(6) Acceptance of an application for, or issuance of, a refund for a fee or a tax, other than the highway use tax.

(7) Receipt of the civil penalty imposed by G.S. 20-309 for a lapse in financial responsibility or receipt of the restoration fee imposed by that statute.

(8) Acceptance of a notice of failure to maintain financial responsibility for a motor vehicle.

(8a) Collection of civil penalties imposed for violations of G.S. 20-183.8A.

(8b) Sale of one or more inspection stickers in a single transaction to a licensed inspection station.

(9) Collection of the highway use tax.

(10) Acceptance of a temporary lien filing.

Performance at the same time of any combination of the items that are listed within each subdivision or are listed within subdivisions (1) through (8b) of this section is a single transaction for which a dollar and thirty-five cent ($1.35) compensation shall be paid. Performance of the item listed in subdivision (9) of this subsection in combination with any other items listed in this subsection is a separate transaction for which a one dollar and twenty cent ($1.20) compensation shall be paid."

Section 4. G.S. 20-72(b) reads as rewritten:

"(b) In order to assign or transfer title or interest in any motor vehicle registered under the provisions of this Article, the owner shall execute in the presence of a person authorized to administer oaths an assignment and warranty of title on the

reverse of the certificate of title in form approved by the Division, including in such assignment the name and address of the transferee; and no title to any motor vehicle shall pass or vest until such assignment is executed and the motor vehicle delivered to the transferee. The provisions of this section shall not apply to any foreclosure or repossession under a chattel mortgage or conditional sales contract or any judicial sale.

When a manufacturer's statement of origin or an existing certificate of title on a motor vehicle is unavailable, a motor vehicle dealer licensed under Article 12 of this Chapter may also transfer title to another by certifying in writing in a sworn statement to the Division that all prior perfected liens on the vehicle have been paid and that the motor vehicle dealer, despite having used reasonable diligence, is unable to obtain the vehicle's statement of origin or certificate of title. The Division is authorized to develop a form for this purpose. The filing of a false sworn certification with the Division pursuant to this paragraph shall constitute a Class H felony.

Any person transferring title or interest in a motor vehicle shall deliver the certificate of title duly assigned in accordance with the foregoing provision to the transferee at the time of delivering the vehicle, except that where a security interest is obtained in the motor vehicle from the transferee in payment of the purchase price or otherwise, the transferor shall deliver the certificate of title to the lienholder and the lienholder shall forward the certificate of title together with the transferee's application for new title and necessary fees to the Division within 20 days. Any person who delivers or accepts a certificate of title assigned in blank shall be guilty of a Class 2 misdemeanor.

The title to a salvage vehicle shall be forwarded to the Division as provided in G.S. 20-109.1."

Section 5. G.S. 20-79.1(h) reads as rewritten:

"(h) Temporary registration plates or markers shall expire and become void upon the receipt of the annual registration plates from the Division, or upon the rescission of a contract to purchase a motor vehicle, or upon the expiration of 30 days from the date of issuance, depending upon whichever event shall first occur. No refund or credit or fees paid by dealers to the Division for temporary registration plates or markers shall be allowed, except in the event that the Division discontinues the issuance of temporary registration plates or markers or unless the dealer discontinues business. In this event the unissued registration plates or markers with the unissued registration certificates shall be returned to the Division and the dealer may petition for a refund. Upon the expiration of the 30 days from the date of issuance, a second 30-day temporary registration plate or marker may be issued by the dealer upon showing the vehicle has been sold, a temporary lien has been filed as provided in G.S. 20-58, and that the dealer, having used reasonable diligence, is unable to obtain the vehicle's statement of origin or certificate of title so that the lien may be perfected."

Section 6. This act becomes effective May 1, 2001, and applies to offenses occurring on or after that date.

HOUSE BILL 1566:
Temp. MV Lien Filing

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Representative Cole; and Fox
Date:	July 10, 2000	**Summary by:**	Wendy L. Graf, Staff Attorney, Karen Cochrane Brown, Committee Co-Counsel
Version:	Fourth Edition		

SUMMARY: ***House Bill 1566 creates a procedure by which a first lienholder or his designee may file an application with the DMV for a temporary lien on a motor vehicle in cases where a manufacturer's statement of origin or an existing certificate of title on a motor vehicle is unavailable.DMV is authorized to charge a fee of up to $10.00 for filing the notation of security interest. Filing a false statement under this provision constitutes a Class H felony. The act becomes effective May 1, 2001.***

CURRENT LAW: Under current law (G.S. 20-58) there are three ways to perfect a security interest in a vehicle for which a certificate of title is required. In order to perfect a security interest by any of these methods, G.S. 20-58.2 requires that the DMV be provided with the application for notation of security interest within 20 days after the date of the security agreement in order for the date of perfection to relate back to the date of the execution of the security agreement. Otherwise, the interest is perfected when the application is delivered to the DMV. Therefore, if a manufacturer's statement of origin or certificate of title on a motor vehicle is unavailable until after that 20 day period has passed, a first lienholder's interest would not be perfected until he was able to provide that paper work to the DMV.

BILL ANALYSIS: House Bill 1566 changes the current law by adding a subsection to G.S. 20-58 which would allow a first lienholder to provide the DMV with an instrument, other than the manufacturer's statement of origin or certificate of title, evidencing a security interest in a motor vehicle within 20 days after the date of the security agreement. This would create a temporary notation of a security interest that would automatically expire 60 days after the security interest was created, or upon perfection of the security interest by any of the methods existing under current law. Perfection of a security interest under this subsection would also relate back to the date of the execution of the security agreement.

The bill also authorizes DMV to charge a fee of up to $10.00 for each notation of security interest filed. A false filing with DMV constitutes a Class H felony.

The bill also makes conforming changes to other sections of the General Statutes that would be affected by the changes made to G.S. 20-58. Those changes include:

* G.S. 20-72(b) allows a dealer to transfer title on a motor vehicle by certifying in writing to the DMV that all prior perfected liens have been paid and that the dealer is unable to obtain the vehicles statement of origin or certificate of title.

* G.S. 20-52.1 provides a procedure by which a dealer may transfer title to another when he is unable to obtain the vehicle's statement of origin or certificate of title, without being subject to the criminal penalty that one who delivers or accepts a certificate of origin assigned in blank would otherwise be guilty of.

* G.S. 20-79.1(h) allows the dealer to issue a second temporary registration plate, upon expiration of the first, upon showing that a temporary lien has been properly filed.

* G.S. 20-63(h) adds the issuance of a second temporary plate to the list of transactions for which commission contracts may be entered into by the DMV.

NORTH CAROLINA GENERAL ASSEMBLY

LEGISLATIVE FISCAL NOTE

DRAFT

BILL NUMBER: H.B. 1566, 4th Edition

SHORT TITLE: Temporary Motor Vehicle Lien Filing

SPONSOR(S): Rep. Cole

FISCAL IMPACT

EXPENDITURES					
Highway Fund	305,066	129,290	129,290	129,290	129,290

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: The Department of Transportation, Motor Vehicles Division. The Department of Correction. The Administrative Office of the Courts.

EFFECTIVE DATE: February 1, 2001.

BILL SUMMARY: Under current law a manufacturer's statement of origin or a certificate of title is needed when transferring ownership in a vehicle. The bill provides alternative methods of transfer when the manufacturer's statement of origin or an existing certificate of title is not available in a timely fashion. Under the bill, when these documents are not available, a licensed motor vehicle dealer can transfer title by certifying in writing to DMV that 1) all prior perfect liens on the vehicle have been paid and 2) despite "reasonable diligence" these documents are unavailable. Similarly, a dealer who is the first lienholder may file a notarized copy of an instrument creating and evidencing a security interest in the vehicle with the DMV. **The 4th Edition specifies that the filing of a false sworn certification in these instances is a Class H felony**. The notation of security interest is time limited. The DMV can charge a fee of up to $10.00 for each notation of security interest filed. Finally the bill authorizes a dealer to issue a second thirty day temporary plate if the vehicle has been sold, a temporary lien has been filed, and the dealer is unable to obtain the vehicle's statement of origin or certificate of title, making the dealer unable to perfect the lien.

ASSUMPTIONS AND METHODOLOGY: Under federal law titles and statements of origin must be transferred within 20 days to remain valid and enforceable. According to industry experts, automobile dealers and others transferring a vehicle are often unable to transfer the appropriate paperwork within that time period. The temporary lien system in the bill is an attempt to address this issue.
Tennessee has a temporary lien program similar to that developed in the bill. The Tennessee Secretary of State's office that administers the program estimates that they process between 200 and 250 temporary lien applications a day, or approximately 52,000 to 65,000 per year. According to the U.S. Department of Transportation, North Carolina has approximately 50% more registered vehicles than Tennessee. Using this percentage as a proxy suggests that North Carolina could expect to see approximately 300-375 temporary lien applications each day. The lower estimate of 300 per day or 78,000 per year is used for a revenue estimate.

Assuming the $10.00 fee is charged for each application, the bill will generate approximately $780,000 annually.

The Division of Motor Vehicles believes they will need one additional staff person (Grade 57) to implement the provisions of the bill. They also suggest that a high-speed scanner, personal computer, software and associated hardware are needed. The MIS Division also estimates that three (3) additional FTEs will be needed in 2000-01 to rewrite their STARS database, plus $14,880 to cover ITS charges. DMV's total estimated costs are as follows:

	FY 2000-01	FY 2001-02	FY 2002-03	FY 2003-04	FY 2004-05
DMV Personnel	9996	23990	23990	23990	23990
Scanner & other software and equipment	60315				
MIS Personnel	176000				
ITS Charges	14880				
TOTAL	261191	23990	23990	23990	23990

In addition, DMV reports that they would contract with the local tag agents to process the applications. The Department believes they will pay the tag agents $1.35 per temporary lien or $105,300 per year.

The overall anticipated revenues and expenditures are as follows:

	FY 2000-01	FY 2001-02	FY 2002-03	FY 2003-04	FY 2004-05
Revenues					
Application Fees @ $10.00 each	325,000	780,000	780,000	780,000	780,000
Expenditures					
DMV and MIS Start-up Combined	261,191	23990	23990	23990	23990
Tag Agent Fees	43,875	105300	105300	105300	105300
Total Expenditures	305,066	129290	129290	129290	129290
NET REVENUES	19,934	650,710	650,710	650,710	650,710

While Tennessee's permanent personnel costs are significantly higher (their program uses twelve full time equivalents) Fiscal Research Appropriations staff believes North Carolina's use of tag agents makes the lower personnel cost estimates from DMV reasonable.

Criminal Penalty

The 4th Edition of HB 1566 specifies a Class H felony for a motor vehicle dealer filing a false sworn certification with the Division of Motor Vehicles for certain specified transactions.

Dept of Correction/Judicial Branch

Because this would be a new offense, there are no historical data from which to estimate an impact. However, there are several reasons to believe convictions for this new offense would be infrequent and the Fiscal Research Division believes any impact can be absorbed. There is no data to suggest dealers would not comply with the law. Under current law, obtaining property by false pretenses is already a Class H felony for values less than $100,000. In many cases (if the false statement causes something of value to be obtained), filing of false sworn certification could be prosecuted under this broader statute. To the extent that is true, the penalty specified in HB 1566 would have no impact on the Judicial Branch or the Department of Correction. While it is possible that the specification of a new penalty could increase the likelihood of prosecution and that there will be some cases that fall outside the state outlawing obtaining property by false pretenses, there is no data to suggest the effect would be significant. The Judicial Branch notes that it would be a similar offense to altering/forging certificates of title, registration cards, or applications, under GS 20-71(a). During 1999, 17 defendants were charged with this Class I felony offense, and 7 defendants were convicted of it. They believe any new trials would be infrequent and the impact of this individual bill could be absorbed.

For any new Class H felony, if there were 25 convictions, the Sentencing Commission estimates that there would be a need for 7 new prison beds in the first year and an additional 7 in the second year. Because Sentencing Commission projections indicate no available prison beds in future years, any new inmate would increase the costs of the Department of Correction. The annual operating cost for a medium security inmate is $23,842.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR A PROCEDURE FOR CREATION OF A TEMPORARY LIEN ON A MOTOR VEHICLE WHEN A MANUFACTURER'S STATEMENT OF ORIGIN OR AN EXISTING CERTIFICATE OF TITLE ON A MOTOR VEHICLE IS UNAVAILABLE AND TO MAKE OTHER CONFORMING CHANGES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 20-52.1 reads as rewritten:

"**§ 20-52.1. Manufacturer's certificate of transfer of new motor vehicle.**

(a) Any manufacturer transferring a new motor vehicle to another shall, at the time of the transfer, supply the transferee with a manufacturer's certificate of origin assigned to the transferee.

(b) Any dealer transferring a new vehicle to another dealer shall, at the time of transfer, give such transferee the proper manufacturer's certificate assigned to the transferee.

(c) Upon sale of a new vehicle by a dealer to a consumer-purchaser, the dealer shall execute in the presence of a person authorized to administer oaths an assignment of the manufacturer's certificate of origin for the vehicle, including in such assignment the name and address of the transferee and no title to a new motor vehicle acquired by a dealer under the provisions of subsections (a) and (b) of this

section shall pass or vest until such assignment is executed and the motor vehicle delivered to the transferee.

Any dealer transferring title to, or an interest in, a new vehicle shall deliver the manufacturer's certificate of origin duly assigned in accordance with the foregoing provision to the transferee at the time of delivering the vehicle, except that where a security interest is obtained in the motor vehicle from the transferee in payment of the purchase price or otherwise, the transferor shall deliver the manufacturer's certificate of origin to the lienholder and the lienholder shall forthwith forward the manufacturer's certificate of origin together with the transferee's application for certificate of title and necessary fees to the Division. Any person who delivers or accepts a manufacturer's certificate of origin assigned in blank shall be guilty of a Class 2 ~~misdemeanor.~~ misdemeanor, unless done in accordance with subsection (d) of this section.

(d) When a manufacturer's statement of origin or an existing certificate of title on a motor vehicle is unavailable, a motor vehicle dealer licensed under Article 12 of this Chapter may also transfer title to another by certifying in writing in a sworn statement to the Division that all prior perfected liens on the vehicle have been paid and that the motor vehicle dealer, despite having used reasonable diligence, is unable to obtain the vehicle's statement of origin or certificate of title. The Division is authorized to develop a form for this purpose. The filing of a false sworn certification with the Division pursuant to this subsection shall constitute a Class H felony."

Section 2. G.S. 20-58 reads as rewritten:

"**§ 20-58. Perfection by indication of security interest on certificate of title.**

(a) Except as provided in G.S. 20-58.8, a security interest in a vehicle of a type for which a certificate of title is required shall be perfected only as hereinafter provided.

(1) If the vehicle is not registered in this State, the application for notation of a security interest shall be the application for certificate of title provided for in G.S. 20-52.

(2) If the vehicle is registered in this State, the application for notation of a security interest shall be in the form prescribed by the Division, signed by the debtor, and contain the date of application of each security interest, and name and address of the secured party from whom information concerning the security interest may be obtained. The application must be accompanied by the existing certificate of title unless in the possession of a prior secured party. If there is an existing certificate of title issued by this or any other jurisdiction in the possession of a prior secured party, the application for notation of the security interest shall in addition contain the name and address of such prior secured party. An application for notation of a security interest may be signed by the secured party instead of the debtor when the application is accompanied by documentary evidence of the applicant's security interest in that motor vehicle signed by the debtor and by affidavit

of the applicant stating the reason the debtor did not sign the application. In the event the certificate cannot be obtained for recordation of the security interest, when title remains in the name of the debtor, the Division shall cancel the certificate and issue a new certificate of title listing all the respective security interests.

(3) If the application for notation of security interest is made in order to continue the perfection of a security interest perfected in another jurisdiction, it may be signed by the secured party instead of the debtor. Such application shall be accompanied by documentary evidence of a perfected security interest. No such application shall be valid unless an application for a certificate of title has been made in North Carolina. The security interest perfected herein shall be subject to the provisions set forth in G.S. 20-58.5.

(b) When a manufacturer's statement of origin or an existing certificate of title on a motor vehicle is unavailable, a first lienholder who holds a valid license as a motor vehicle dealer issued by the Commissioner under Article 12 of this Chapter or his designee may file a notarized copy of an instrument creating and evidencing a security interest in the motor vehicle with the Division of Motor Vehicles. A filing pursuant to this subsection shall constitute constructive notice to all persons of the security interest in the motor vehicle described in the filing. The constructive notice shall be effective from the date of the filing if the filing is made within 20 days after the date of the security agreement. The constructive notice shall date from the date of the filing with the Division if it is made more than 20 days after the date of the security agreement. The notation of a security interest created under this subsection shall automatically expire 60 days after the date of the creation of the security interest, or upon perfection of the security interest as provided in subsection (a) of this section, whichever occurs first. A security interest notation made under this subsection and then later perfected under subsection (a) of this section shall be presumed to have been perfected on the date of the earlier filing. The Division may charge a fee not to exceed ten dollars ($10.00) for each notation of security interest filed pursuant to this subsection. The fee shall be credited to the Highway Fund. A false filing with the Division pursuant to this subsection shall constitute a Class H felony."

Section 3. G.S. 20-63(h) reads as rewritten:

"(h) Commission Contracts for Issuance of Plates and Certificates. -- All registration plates, registration certificates and certificates of title issued by the Division, outside of those issued from the Raleigh offices of the said Division and those issued and handled through the United States mail, shall be issued insofar as practicable and possible through commission contracts entered into by the Division for the issuance of such plates and certificates in localities throughout North Carolina with persons, firms, corporations or governmental subdivisions of the State of North Carolina and the Division shall make a reasonable effort in every locality, except as hereinbefore noted, to enter into a commission contract for the issuance of such

plates and certificates and a record of these efforts shall be maintained in the Division. In the event the Division is unsuccessful in making commission contracts as hereinbefore set out it shall then issue said plates and certificates through the regular employees of the Division. Whenever registration plates, registration certificates and certificates of title are issued by the Division through commission contract arrangements, the Division shall provide proper supervision of such distribution. Commission contracts entered under this subsection shall provide for the payment of compensation for all transactions as set forth below. Nothing contained in this subsection will allow or permit the operation of fewer outlets in any county in this State than are now being operated.

A transaction is any of the following activities:

(1) Issuance of a registration plate, a registration card, a registration renewal sticker, or a certificate of title.

(2) Issuance of a handicapped placard or handicapped identification card.

(3) Acceptance of an application for a personalized registration plate.

(4) Acceptance of a surrendered registration plate, registration card, or registration renewal sticker, or acceptance of an affidavit stating why a person cannot surrender a registration plate, registration card, or registration renewal sticker.

(5) Cancellation of a title because the vehicle has been junked.

(6) Acceptance of an application for, or issuance of, a refund for a fee or a tax, other than the highway use tax.

(7) Receipt of the civil penalty imposed by G.S. 20-309 for a lapse in financial responsibility or receipt of the restoration fee imposed by that statute.

(8) Acceptance of a notice of failure to maintain financial responsibility for a motor vehicle.

(8a) Collection of civil penalties imposed for violations of G.S. 20-183.8A.

(8b) Sale of one or more inspection stickers in a single transaction to a licensed inspection station.

(9) Collection of the highway use tax.

(10) Acceptance of a temporary lien filing.

Performance at the same time of any combination of the items that are listed within each subdivision or are listed within subdivisions (1) through (8b) of this section is a single transaction for which a dollar and thirty-five cent ($1.35) compensation shall be paid. Performance of the item listed in subdivision (9) of this subsection in combination with any other items listed in this subsection is a separate transaction for which a one dollar and twenty cent ($1.20) compensation shall be paid."

Section 4. G.S. 20-72(b) reads as rewritten:

"(b) In order to assign or transfer title or interest in any motor vehicle registered under the provisions of this Article, the owner shall execute in the presence of a

person authorized to administer oaths an assignment and warranty of title on the reverse of the certificate of title in form approved by the Division, including in such assignment the name and address of the transferee; and no title to any motor vehicle shall pass or vest until such assignment is executed and the motor vehicle delivered to the transferee. The provisions of this section shall not apply to any foreclosure or repossession under a chattel mortgage or conditional sales contract or any judicial sale.

When a manufacturer's statement of origin or an existing certificate of title on a motor vehicle is unavailable, a motor vehicle dealer licensed under Article 12 of this Chapter may also transfer title to another by certifying in writing in a sworn statement to the Division that all prior perfected liens on the vehicle have been paid and that the motor vehicle dealer, despite having used reasonable diligence, is unable to obtain the vehicle's statement of origin or certificate of title. The Division is authorized to develop a form for this purpose. The filing of a false sworn certification with the Division pursuant to this paragraph shall constitute a Class H felony.

Any person transferring title or interest in a motor vehicle shall deliver the certificate of title duly assigned in accordance with the foregoing provision to the transferee at the time of delivering the vehicle, except that where a security interest is obtained in the motor vehicle from the transferee in payment of the purchase price or otherwise, the transferor shall deliver the certificate of title to the lienholder and the lienholder shall forward the certificate of title together with the transferee's application for new title and necessary fees to the Division within 20 days. Any person who delivers or accepts a certificate of title assigned in blank shall be guilty of a Class 2 misdemeanor.

The title to a salvage vehicle shall be forwarded to the Division as provided in G.S. 20-109.1."

Section 5. G.S. 20-79.1(h) reads as rewritten:

"(h) Temporary registration plates or markers shall expire and become void upon the receipt of the annual registration plates from the Division, or upon the rescission of a contract to purchase a motor vehicle, or upon the expiration of 30 days from the date of issuance, depending upon whichever event shall first occur. No refund or credit or fees paid by dealers to the Division for temporary registration plates or markers shall be allowed, except in the event that the Division discontinues the issuance of temporary registration plates or markers or unless the dealer discontinues business. In this event the unissued registration plates or markers with the unissued registration certificates shall be returned to the Division and the dealer may petition for a refund. Upon the expiration of the 30 days from the date of issuance, a second 30-day temporary registration plate or marker may be issued by the dealer upon showing the vehicle has been sold, a temporary lien has been filed as provided in G.S. 20-58, and that the dealer, having used reasonable diligence, is unable to obtain the vehicle's statement of origin or certificate of title so that the lien may be perfected."

Section 6. This act becomes effective May 1, 2001, and applies to offenses occurring on or after that date.

A BILL TO BE ENTITLED

AN ACT MAKING OMNIBUS CHANGES TO CERTAIN GENERAL AND LOCAL LAWS AFFECTING ORANGE COUNTY.

The General Assembly of North Carolina enacts:

PART I. ORANGE COUNTY ADDED TO THOSE COUNTIES USING ATTACHMENT AND GARNISHMENT IN THE COLLECTION OF AMBULANCE SERVICE FEES

Section 1. G.S. 44-51.8 reads as rewritten:

"**§ 44-51.8. Counties to which Article applies.**

The provisions of this Article shall apply only to Alamance, Alexander, Alleghany, Anson, Ashe, Beaufort, Bladen, Brunswick, Buncombe, Burke, Cabarrus, Caldwell, Caswell, Catawba, Chatham, Cherokee, Chowan, Cleveland, Columbus, Craven, Cumberland, Dare, Davidson, Davie, Duplin, Durham, Edgecombe, Forsyth, Franklin, Gaston, Graham, Granville, Greene, Guilford, Halifax, Harnett, Haywood, Henderson, Hertford, Hoke, Hyde, Iredell, Johnston, Jones, Lee, Lenoir, Lincoln, McDowell, Macon, Madison, Mecklenburg, Mitchell, Montgomery, Moore, Nash, New Hanover, Onslow, Orange, Pasquotank, Person, Pitt, Polk, Randolph, Richmond, Robeson, Rockingham, Rowan, Rutherford, Sampson, Scotland, Stanly, Stokes, Surry, Swain, Transylvania, Tyrrell, Union, Vance, Wake, Warren, Washington, Watauga, Wilkes, Wilson, Yadkin and Yancey Counties."

PART II. REGULATION OF OPEN BURNING

Section 2. G.S. 153A-136 reads as rewritten:

"**§ 153A-136. Regulation of solid wastes.**

(a) A county may by ordinance regulate the storage, collection, transportation, use, disposal, and other disposition of solid wastes. Such an ordinance may:

(1) Regulate the activities of persons, firms, and corporations, both public and private.

(2) Require each person wishing to commercially collect or dispose of solid wastes to secure a license from the county and prohibit any person from commercially collecting or disposing of solid wastes without a license. A fee may be charged for a license.

(3) Grant a franchise to one or more persons for the exclusive right to commercially collect or dispose of solid wastes within all or a defined portion of the county and prohibit any other person from commercially collecting or disposing of solid wastes in that area. The board of commissioners may set the terms of any franchise, except that no franchise may be granted for a period exceeding 30 years, nor may any franchise by its terms impair the authority of the board of commissioners to regulate fees as authorized by this section.

(4) Regulate the fees, if any, that may be charged by licensed or franchised persons for collecting or disposing of solid wastes.

(5) Require the source separation of materials prior to collection of solid waste for disposal.

(6) Require participation in a recycling program by requiring separation of designated materials by the owner or occupant of the property prior to disposal. An owner of recovered materials as defined by G.S. 130A-290(a)(24) retains ownership of the recovered materials until the owner conveys, sells, donates, or otherwise transfers the recovered materials to a person, firm, company, corporation, or unit of local government. A county may not require an owner to convey, sell, donate, or otherwise transfer recovered materials to the county or its designee. If an owner places recovered materials in receptacles or delivers recovered materials to specific locations, receptacles, and facilities that are owned or operated by the county or its designee, then ownership of these materials is transferred to the county or its designee.

(7) Include any other proper matter.

(b) Any ordinance adopted pursuant to this section shall be consistent with and supplementary to any rules adopted by the Commission for Health Services or the Department of Environment and Natural Resources.

(c) The board of commissioners of a county shall consider alternative sites and socioeconomic and demographic data and shall hold a public hearing prior to selecting or approving a site for a new sanitary landfill that receives residential solid waste that is located within one mile of an existing sanitary landfill within the State. The distance between an existing and a proposed site shall be determined by measurement between the closest points on the outer boundary of each site. The definitions set out in G.S. 130A-290 apply to this subsection. As used in this subsection:

(1) "Approving a site" refers to prior approval of a site under G.S. 130A-294(a)(4).

(2) "Existing sanitary landfill" means a sanitary landfill that is in operation or that has been in operation within the five-year period immediately prior to the date on which an application for a permit is submitted.

(3) "New sanitary landfill" means a sanitary landfill that includes areas not within the legal description of an existing sanitary landfill as set out in the permit for the existing sanitary landfill.

(4) "Socioeconomic and demographic data" means the most recent socioeconomic and demographic data compiled by the United States Bureau of the Census and any additional socioeconomic and demographic data submitted at the public hearing.

(d) As used in this section, "solid waste" means nonhazardous solid waste, that is, solid waste as defined in G.S. 130A-290 but not including hazardous waste.

(e) A county may, as a condition of approval of any permit for a subdivision, clearing, and development of land or construction of buildings within the planning jurisdiction of the county, regulate and prohibit the open burning of trees, limbs, stumps, and construction debris associated with the permitted activity. Agricultural, horticultural, and silvacultural activities which are exempt by law from requirements of a county permit for subdivision, clearing, and development of land or construction of buildings within the planning jurisdiction of the county are not made subject to such permitting by this subsection."

PART III. APPLICABILITY AND EFFECTIVE DATE

Section 3. This act applies to Orange County only, except that Section 2 of this act does not apply to Carr and Cheeks Precincts.

Section 4. This act is effective when it becomes law.

Referred to:

March 29, 1999

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE CHEROKEE, GRAHAM, HAYWOOD, JACKSON, MADISON, POLK, AND SWAIN COUNTIES TO REQUIRE THE PAYMENT OF DELINQUENT PROPERTY TAXES BEFORE RECORDING DEEDS CONVEYING PROPERTY.

The General Assembly of North Carolina enacts:

Section 1. Article 2 of Chapter 161 of the General Statutes is amended by adding a new section to read:

"**§ 161-31. Tax certification.**

The board of commissioners of a county may, by resolution, require the register of deeds not to accept any deed for registration unless the county tax collector has certified that no delinquent ad valorem county taxes, ad valorem municipal taxes, or taxes with which the collector is charged are a lien on the property described in the deed."

Section 2. This act applies only to Cherokee, Graham, Haywood, Jackson, Madison, Polk, and Swain Counties.

Section 3. This act is effective when it becomes law.

HOUSE BILL 677:
Certain Counties Delinquent Taxes

BILL ANALYSIS

Committee: Senate Finance
Date: June 19, 2000
Version: 3rd Edition

Introduced by: Rep. Haire
Summary by: Martha K. Walston
Committee Counsel

SUMMARY: ***House Bill 677 is a local bill that authorizes the Counties of Cherokee, Graham, Haywood, Jackson, Polk, and Swain to require the payment of delinquent property taxes before a deed conveying property can be recorded. The bill has been reviewed in House Local Government II and House Rules. The bill was received from the House on April 29, 1999. House Bill 677 is effective when it becomes law.***

BILL ANALYSIS: House Bill 677 authorizes the boards of commissioners of the Counties of Cherokee, Graham, Haywood, Jackson, Madison, Polk, and Swain to pass a resolution requiring the register of deeds in each of these counties to refuse to accept any deed for registration if there are delinquent property taxes owing on the property described in the deed or if there are any taxes that are a lien on the property. The county tax collector must first certify that there are no delinquent taxes.

BACKGROUND: S.L. 1993-657 requires payment of delinquent taxes in Ashe County before recording deeds.

S.L 1987-537 authorizes Mitchell County to direct its register of deeds not to record any deed unless the county tax collector certifies that all delinquent county and municipal taxes have been paid with respect to the property described in the deed. If the deed describes property located in the Town of Spruce Pine, then the deed must be accompanied by a certificate from the tax collector of that Town stating that all municipal taxes with respect to the property have been paid.

S.L. 1999-326 adds the Town of Bakersville to the certification requirement.

HOUSE BILL 677:
Certain Counties Delinquent Taxes

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Rep. Haire
Date:	July 10, 2000	**Summary by:**	Martha K. Walston
Version:	3rd Edition		Committee Counsel

SUMMARY: ***House Bill 677 is a local bill that authorizes the Counties of Cherokee, Graham, Haywood, Jackson, Madison, Polk, and Swain to require the payment of delinquent property taxes before a deed conveying property can be recorded. The bill has been reviewed in House Local Government II and House Rules. The bill was received from the House on April 29, 1999. House Bill 677 is effective when it becomes law.***

BILL ANALYSIS: House Bill 677 authorizes the boards of commissioners of the Counties of Cherokee, Graham, Haywood, Jackson, Madison, Polk, and Swain to pass a resolution requiring the register of deeds in each of these counties to refuse to accept any deed for registration if there are delinquent property taxes owing on the property described in the deed or if there are any taxes that are a lien on the property. The county tax collector must first certify that there are no delinquent taxes.

BACKGROUND: S.L. 1993-657 requires payment of delinquent taxes in Ashe County before recording deeds.

S.L 1987-537 authorizes Mitchell County to direct its register of deeds not to record any deed unless the county tax collector certifies that all delinquent county and municipal taxes have been paid with respect to the property described in the deed. If the deed describes property located in the Town of Spruce Pine, then the deed must be accompanied by a certificate from the tax collector of that Town stating that all municipal taxes with respect to the property have been paid.

S.L. 1999-326 adds the Town of Bakersville to the certification requirement.

SENATE FINANCE COMMITTEE

WEDNESDAY, JULY 12, 2000

ROOM 1027 – 4:15 P.M.
(RECESS DURING SESSION)

The Senate Finance Committee met on Wednesday, July 12, 2000, in Room 1027 while session was in recess with Senator John Kerr presiding. All committee members present for session were in attendance.

HB 1630 – TOLL ROADS.

Senator Gulley was recognized to explain this Bill and on motion by Senator Rand, a Committee Sub was adopted by the committee. At the conclusion of Senator Gulley's explanation, there was a general discussion on this Bill with questions from the committee members answered by Senator Gulley and by DOT. Senator Larry Shaw requested during the interim that Transportation look at I-95. Senator Dannelly moved for a Favorable Report for the Committee Sub and the motion carried. Copy of Bill, Committee Sub, Explanation and Fiscal Note included in the minutes.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE CONSTRUCTION OF A PILOT PRIVATELY FUNDED TOLL ROAD OR BRIDGE PROJECT AND TO DIRECT THE DEPARTMENT OF TRANSPORTATION TO STUDY THE FEASIBILITY OF STATE-OWNED AND OPERATED TOLL ROADS OR BRIDGES.

The General Assembly of North Carolina enacts:

Section 1. Chapter 136 of the General Statutes is amended by adding a new Article 6G to read:

"ARTICLE 6G.

"Private Pilot Toll Project.

"§ 136-89.168. Private Pilot Toll Project.

(a) Authority to License. -- The Department of Transportation is authorized to issue a license to an applicant to finance, design, construct, maintain, improve, own, or operate, or any combination thereof, a pilot toll transportation project within the State of North Carolina. Any license authorized by this section must be issued on or before July 1, 2005.

(b) Requirement for Finding of Need. -- Prior to the issuance of any license under this section, the Department shall make a written determination that the proposed project is necessary and in the public interest.

(c) Submission of Financial Data. -- A person applying for a license to construct a project under this section shall submit detailed financial data to the Department

concerning the ability of applicant to finance the proposed project. The Department shall independently analyze the data submitted for each project proposal.

(d) Terms of License. -- Additional terms and conditions of any license issued pursuant to this section shall be within the discretion of the Department of Transportation, and shall include, in addition to any other requirements:

(1) Provisions establishing minimum design and construction standards for the project.

(2) Provisions establishing minimum maintenance standards for the project.

(3) Provisions requiring that appropriate traffic signs and other traffic control devices be erected and maintained on the project.

(4) Provisions establishing the rights and duties of the parties regarding infrastructure improvements and connections between the project and the State highway system.

(5) Provisions regarding any type of access control, if any, that may be required for the project.

(6) Provisions establishing the relative responsibilities of the licensee and the Department of Transportation to keep the completed project open and accessible to the public.

(7) Provisions concerning location of the project.

(e) Acquisition of Project Property. -- A person licensed to construct a project under this section shall acquire all right-of-way interests required for the project through private negotiation.

(f) Applicability of Other Laws. -- For the purpose of entering into contractual licensing agreements under this section, the Department of Transportation is exempted from any provision of the General Statutes that conflicts with the purposes of this section, specifically including G.S. 136-28.1 and G.S. 143-52. A project licensed under this section shall not be included in the distribution formula under G.S. 136-17.2A but shall require approval of the Board of Transportation under G.S. 143B-350(f)(4). A licensee under this section shall endeavor to comply with the provisions of G.S. 136-28.4 concerning participation by disadvantaged businesses.

(g) Applicability of Motor Vehicle Laws. -- Any project licensed by the Department of Transportation under the authority granted in this section shall be considered a 'highway' as defined in G.S. 20-4.01(13) and a 'public vehicular area' as defined in G.S. 20-4.01(32). All law enforcement and emergency personnel, including the State Highway Patrol and the Division of Motor Vehicles, shall have the same powers and duties on such projects as on any other highway or public vehicular area.

(h) Resolution of Support Required. -- The Department shall not license any project under this section prior to receiving a resolution of support for the project approved by the county commissioners of each county in which the project will be located.

(i) Exclusive License. -- Upon the issuance of a license by the Department of Transportation, no further license of any type may be required by the State or local government body for the ownership, construction, or operation of the project.

(j) Definitions. -- The following definitions apply as used in this section:

(1) 'Person' means any natural person, partnership, corporation, trust, association, sole proprietorship, or any other legal entity other than the State or its agencies, institutions, or political subdivisions.

(2) 'Project' means a privately constructed, maintained, and operated toll highway, road, bridge, or other transportation-related facility.

(3) 'License' means a person authorized through a contractual agreement with the Department of Transportation to finance, design, construct, maintain, improve, own, or operate, or any combination thereof, a project.

(k) Report. -- The Department shall report to the Joint Legislative Transportation Oversight Committee and to the Transportation Appropriations Subcommittee by February 1, 2001, and every year thereafter, on any toll project planning, construction, or operation commenced pursuant to the provisions of this Article."

Section 2. The Department shall study the feasibility of construction of State-owned and operated toll roads and the areas where any State-owned and operated toll roads are proposed and report its findings to the Joint Legislative Transportation Oversight Committee and to the Transportation Appropriations Subcommittee by February 1, 2001.

Section 3. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE CONSTRUCTION OF PILOT PRIVATELY FUNDED ROAD OR BRIDGE PROJECTS FUNDED BY TOLLS OR OTHER ALTERNATE FINANCING METHODS, AND TO DIRECT THE DEPARTMENT OF TRANSPORTATION TO STUDY THE FEASIBILITY OF STATE-OWNED AND STATE-OPERATED TOLL ROADS OR BRIDGES.

The General Assembly of North Carolina enacts:

Section 1. Chapter 136 of the General Statutes is amended by adding a new Article 6G to read:

"ARTICLE 6G.

"Private Pilot Toll Project.

"**§ 136-89.168. Legislative findings.**

It is hereby declared that the existing State road system is becoming increasingly congested and overburdened with traffic in many areas of the State; that the sharp surge of vehicle miles traveled is overwhelming the State's ability to build and pay for adequate road improvements; and that an adequate answer to this challenge will require the State to be innovative and utilize several new approaches to transportation improvements in North Carolina. It is the purpose of this Article to authorize the construction of no more than two private toll road projects as pilots. In doing this, the Department of Transportation is directed to focus on using toll roads

to alleviate commuter traffic congestion. It is the intent that there be no toll on existing State roads.

"**§ 136-89.169. Private Pilot Toll Project.**

(a) Authority to License. -- The Department of Transportation is authorized to issue a license to an applicant to finance, design, construct, maintain, improve, own, or operate, or any combination thereof, either solely from private resources or using a combination of private or public resources, up to two pilot toll transportation projects within the State of North Carolina. Any license authorized by this section must be issued on or before July 1, 2003.

(b) Requirement for Finding of Need. -- Prior to the issuance of any license under this section, the Department shall make a written determination that the proposed project is necessary and in the public interest.

(c) Submission of Financial Data. -- A person applying for a license to construct a project under this section shall submit detailed financial data to the Department concerning the ability of applicant to finance the proposed project. The Department shall independently analyze the data submitted for each project proposal.

(d) License Period. -- A license issued under this section shall not exceed 50 years from beginning of the operations of the road or bridge. A license may be renewed for an additional 50-year term at the discretion of the Department and in conformity with this Article.

(e) State Use for Other Purposes. -- A license issued pursuant to this section shall reserve unto the State or its designee the authority to enter and utilize the project right-of-way for other transportation or utility-related purposes, as long as those purposes do not interfere with the use by the licensee.

(f) Terms of License. -- Additional terms and conditions of any license issued pursuant to this section shall be within the discretion of the Department of Transportation, and shall include, in addition to any other requirements:

(1) Provisions establishing minimum design and construction standards for the project.

(2) Provisions establishing minimum maintenance standards for the project and the responsibility for such maintenance.

(3) Provisions requiring that appropriate traffic signs and other traffic control devices be erected and maintained on the project.

(4) Provisions establishing the rights and duties of the parties regarding infrastructure improvements and connections between the project and the State highway system.

(5) Provisions regarding any type of access control, if any, that may be required for the project.

(6) Provisions establishing the relative responsibilities of the licensee and the Department of Transportation to keep the completed project open and accessible to the public.

(7) Provisions requiring that the State of North Carolina, its agencies, officials, and employees be indemnified and held harmless by the

licensee for any liability incurred on the project in connection with project construction, maintenance, or operation.

(8) Provisions concerning location of the project.

(9) Provisions concerning reasonable restrictions that would prevent the State or the Department from constructing competitive transportation facilities during the term of the license.

(g) Department Powers. -- The Department may exercise any power possessed by it with respect to the development and construction of State transportation projects to facilitate the development and construction of transportation projects pursuant to this Article.

(h) Acquisition of Project Property. -- A person licensed to construct a project under this section shall make all reasonable efforts to acquire all right-of-way interests required for the project through private negotiation. The Department is authorized to exercise its power of eminent domain to acquire property rights necessary for construction and maintenance of the project only as to those property interests that cannot be acquired by the licensee at a reasonable price through private negotiation. A licensee requesting that the Department exercise its power of eminent domain shall be required to reimburse the Department in the full amount of its costs incurred in acquiring the necessary property interests for the private portion of the project, including any negotiated settlement or jury verdict, and any attorneys' fees that may be awarded. The acquisition of property interests necessary for inclusion in a project licensed under this section is hereby declared to be for a public transportation purpose.

(i) Transfer of Department Property to Licensee. -- Notwithstanding the provisions of G.S. 136-19, should the Department determine that a licensed project require property interests held by the Department, such interests as the Department determines to be necessary may be conveyed to the licensee for fair market value.

(j) Applicability of Other Laws. -- For the purpose of entering into contractual licensing agreements under this section, the Department of Transportation is exempted from any provision of the General Statutes that conflicts with the purposes of this section, specifically including G.S. 136-28.1 and G.S. 143-52. A project licensed under this section shall not be included in the distribution formula under G.S. 136-17.2A but shall require approval of the Board of Transportation under G.S. 143B-350(f)(4). A licensee under this section shall endeavor to comply with the provisions of G.S. 136-28.4 concerning participation by disadvantaged businesses.

(k) Applicability of Motor Vehicle Laws. -- Any project licensed by the Department of Transportation under the authority granted in this section shall be considered a 'highway' as defined in G.S. 20-4.01(13) and a 'public vehicular area' as defined in G.S. 20-4.01(32). All law enforcement and emergency personnel, including the State Highway Patrol and the Division of Motor Vehicles, shall have the same powers and duties on such projects as on any other highway or public vehicular area.

(l) Exclusive License. -- Upon the issuance of a license by the Department of Transportation, no further license of any type may be required by the State or local government body for the ownership, construction, or operation of the project.

(m) Definitions. -- The following definitions apply as used in this section:

(1) 'Person' means any natural person, partnership, corporation, trust, association, sole proprietorship, or any other legal entity other than the State or its agencies, institutions, or political subdivisions.

(2) 'Project' means a privately constructed, maintained, and operated toll highway, road, bridge, or other transportation-related facility funded through tolls or other alternative financing methods.

(3) 'Licensee' means a person authorized through a contractual agreement with the Department of Transportation to finance, design, construct, maintain, improve, own, or operate, or any combination thereof, a project.

(n) Report. -- The Department shall report to the Joint Legislative Transportation Oversight Committee and to the Joint Transportation Appropriations Subcommittee by February 1, 2001, and every year thereafter, on any toll project planning, construction, or operation commenced pursuant to the provisions of this Article."

Section 2. The Department shall study the feasibility of construction of State-owned and State-operated toll roads and the areas where any State-owned and State-operated toll roads are proposed and report its findings to the Joint Legislative Transportation Oversight Committee and to the Joint Transportation Appropriations Subcommittee by February 1, 2001.

Section 3. This act is effective when it becomes law.

HOUSE BILL 1630:
Toll Roads

BILL ANALYSIS

Committee: House Finance
Date: July 10, 2000
Version: Third Edition

Introduced by: Rep. Crawford
Summary by: Cindy Avrette
Committee Counsel

Summary: ***House Bill 1630 authorizes the construction and operation of one private toll projects in North Carolina and requires the Department of Transportation to study the feasibility of State-owned and operated toll roads. An earlier version of the bill would have authorized the construction and operation of three private toll projects, would have allowed the Department to exercise its power of eminent domain to acquire property rights for the private toll project, and would have allowed the Department to transfer its property interest in property to the licensee.***

Bill Analysis:

The Department of Transportation may issue a license to a person to finance, design, construct, maintain, improve, own, or operate a toll highway, road, bridge, or other transportation-related facility. A license authorized by the act must be issued on or before July 1, 2005.

Requirements for Issuance of License

- DOT must make a written determination that the proposed project is necessary and is in the public interest.
- The applicant must submit detailed financial data to DOT showing its ability to finance the project.
- DOT must receive a resolution of support for the project approved by the county commissioners of each county in which the project will be located.

Terms of License – DOT is granted discretion to include conditions in the license issued under this section, but is required to include provisions concerning design, maintenance, connections to the existing highway system, and location of the project.

Methods of Acquiring Project Property – A licensee must acquire all right-of–way interests required for the project through private negotiation.

Exemptions -- DOT is exempted from conflicting laws (bidding requirements and advertisement) for the purpose of entering into contractual licensing agreements.

Motor Vehicle laws would apply on a project licensed under this section. The Highway Patrol and Division of Motor Vehicles would have the same powers on a project licensed under this section as any other road.

Reporting Requirements – DOT must report to the Joint Legislative Transportation Oversight Committee and to the Transportation Appropriations Subcommittee by February 1, 2001, and every year thereafter on any toll project.

Giles Perry, Counsel to the Transportation Committee, contributed substantially to this summary.

FISCAL ANALYSIS MEMORANDUM

POSITIONS:					

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Transportation

EFFECTIVE DATE: When bill becomes law

BILL SUMMARY:

House Bill 1630 authorizes the construction and operation of a pilot toll project.

Private Toll Projects

The Department of Transportation may issue a license to persons to finance, design, construct, maintain, improve, own, or operate a toll highway, road, bridge, or other transportation-related facility.

Requirements for Issuance of License

- DOT must make written determination that proposed project is necessary, in the public interest.
- Applicant must submit detailed financial data to DOT showing ability to finance the project

DOT must receive a resolution of support for the project approved by the county commissioners of each county in which the project will be located.

Terms of License – DOT is granted discretion to include conditions in any license issued under this section, but is required to include provisions concerning design, maintenance, connections to the existing highway system, and location of the project.

Methods of Acquiring Project Property – A licensee must acquire all right-of–way interests required for the project through private negotiation.

Exemptions -- DOT is exempted from conflicting laws (bidding requirements and advertisement) for the purpose of entering into contractual licensing agreements.

Motor Vehicle laws -- would apply on any project licensed under this section. The Highway Patrol and Division of Motor Vehicles would have the same powers on a project licensed under this section as any other road.

Reporting Requirements – DOT must report to Joint Legislative Transportation Oversight Committee and to the Transportation Appropriations Subcommittee by February 1, 2001 and every year thereafter on any toll project.

State-Owned and Operated Toll Projects

DOT shall study the feasibility of Stateowned and operated toll roads and report its findings to the Joint Legislative Transportation Oversight Committee.

ASSUMPTIONS AND METHODOLOGY:

A private toll road built under this law would be funded by private sources, and would not require construction funds from the State. Consequently, a private toll road would have no direct fiscal impact on the State. Over time, a private toll road could impact the State budget indirectly. For example, a private toll road could lead to more travelling from motorists, higher fuel consumption and increased gas tax revenues. Similarly, an additional road could result in a need for more law enforcement personnel to patrol the road. The indirect fiscal impact of a private toll road would be complex and would depend on the specifics of the road built, such as its length and the amount of traffic it carried. Because we have no way of anticipating these specifics, we cannot estimate the fiscal impact of this bill.
