Section 10(B) of the Act discusses the Unearned Premium Reserve. In a drafting note, the Act mentions that most states have a provision for the Unearned Premium Reserve that was established many years ago and that states should consider adopting a revised Unearned Premium Reserve that more appropriately reflects current economic conditions.

As a protective measure to consumers, the NAIC has adopted a built-in safety provision whereby a supplemental reserve must be recorded when the Unearned Premium Reserve is less than actuarially estimated reserves. **This reserve gives respective state insurance departments assurance that reserves recorded by domestic title insurers are sufficient when state mandated reserves are inadequate.**

The *Title Insurers Model Act* states that a reserve that is too high can result in an unfair penalty for domestic title insurers. In North Carolina, the existing reserve requirements are extremely conservative causing a competitive disadvantage to domestic title insurers in North Carolina. Investors Title Insurance Company is the largest domestic title insurer in North Carolina

and employs approximately 210 people in this state.

Lastly, I want to address your concerns regarding the practice of "tacking." The underwriter of a policy of title insurance maintains the same level of risk on the policy regardless of whether or not a new policy "tacks" onto an existing policy. The custom of "tacking" developed in order to reduce the time it takes to complete a title search. By "tacking," the attorney performing a new search only searches back to the point of the last title insurance policy. This practice, however, does not increase the original underwriter's risk. Once a policy is issued, particularly an owner's policy, it insures the chain of title up to that point. If a problem arises for a later owner of the property, that individual can sue (by virtue of the deed warranties) the owners up the chain, regardless of whether or not the current owner's attorney "tacked" onto a prior policy. For these reasons, the practice of "tacking" does not increase the level of risk for the original underwriter.

I hope this memorandum resolves your questions concerning the proposed legislation. It is important that this legislation pass in order that domestic title insurance companies are not penalized for being domiciled in North Carolina. If you have further questions, please feel free to call me collect at home this weekend at 919-387-0183. I sincerely appreciate your time and consideration relative to this issue and would like to assist in resolving any concerns you may have.

SENATE BILL 864

Short Title: Lab Testing Facility Sales Tax. (Public)

Referred to: Finance.

April 13, 1999

A BILL TO BE ENTITLED

AN ACT TO PROVIDE SALES TAX REDUCTIONS FOR CERTAIN CLINICAL LABORATORY TESTING COMPANIES.

The General Assembly of North Carolina enacts:

Section 1. Article 5 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-164.12C. Major clinical laboratory testing companies.**

(a) Definitions. -- The following definitions apply in this Article:

(1) Clinical laboratory testing company. -- A person whose primary business is providing professional clinical laboratory tests, analyses, diagnoses, and services and clinical laboratory occupational testing services.

(2) Major clinical laboratory testing company. -- A clinical laboratory testing company that meets all of the following conditions:

a. The company's facilities in this State are designed to perform more than 1,000 different types of clinical laboratory tests or procedures.

b. The Secretary of Commerce has certified that the company will, by the end of the five-year period beginning June 1, 1999, have invested at least one hundred million dollars ($100,000,000) in capital investment placed in service at its facilities in this State.

c. The Secretary of Commerce has certified that the company will, by the end of the three-year period beginning June 1,

1999, have created at least 200 new, full-time, permanent professional laboratory jobs at its facilities in this State.

(b) Tax Preferences. -- A major clinical laboratory testing company qualifies for tax reductions under G.S. 105-164.4A and G.S. 105-164.13.

(c) Forfeiture. -- If a major clinical laboratory testing company fails to make the required minimum investment or create the required number of new jobs within the period certified by the Secretary of Commerce under this section, the company no longer qualifies for the applicable tax reductions provided in this Article and forfeits all tax reductions previously received under this Article. Forfeiture does not occur, however, if the failure was due to events beyond the company's control. Upon forfeiture of tax reductions previously received, the company is liable under this Article for a tax equal to the amount of all past taxes previously avoided as a result of the tax reductions received plus interest at the rate established in G.S. 105-241.1(i), computed from the date the taxes would have been due if the tax reductions had not been received. The tax and interest are due 30 days after the date of the forfeiture. A major clinical laboratory testing company that fails to pay the tax and interest is subject to the penalties provided in G.S. 105-236."

Section 2.(a) G.S. 105-164.4(a)(1d)a. through k. are recodified as G.S. 105-164.4A.

Section 2.(b) G.S. 105-164.4(a)(1d), as amended by this section, reads as rewritten:

"(1d) The rate of one percent (1%) applies to the sales price of the ~~following articles.~~ articles listed in G.S. 105-164.4A. The maximum tax is eighty dollars ($80.00) per article."

Section 2.(c) G.S. 105-164.4A, as recodified by this section, reads as rewritten:

"**§ 105-164.4A. Articles taxed at one percent (1%), eighty dollars ($80.00).**

The following articles are taxable under G.S. 105-164.4(a)(1d):

~~a.~~(1) Farm machinery. -- Sales to a farmer of machines and machinery, and parts and accessories for these machines and machinery, for use by the farmer in the planting, cultivating, harvesting, or curing of farm crops or in the production of dairy products, eggs, or animals. A "farmer" includes a dairy operator, a poultry farmer, an egg producer, a livestock farmer, a farmer of crops, and a farmer of an aquatic species, as defined in G.S. 106-758. Items that are exempt from tax under G.S. 105-164.13(4c) are not subject to tax under ~~this section.~~ G.S. 105-164.4.

The term "machines and machinery" as used in this subdivision is defined as follows:

The term shall include all vehicular implements, designed and sold for any use defined in this subdivision, which are operated, drawn or propelled by motor or animal power, but shall not include vehicular implements which are operated wholly by hand,

and shall not include any motor vehicles required to be registered under Chapter 20 of the General Statutes.

The term shall include all nonvehicular implements and mechanical devices designed and sold for any use defined in this subdivision, which have moving parts, or which require the use of any motor or animal power, fuel, or electricity in their operation but shall not include nonvehicular implements which have no moving parts and are operated wholly by hand.

The term shall also include metal flues sold for use in curing tobacco, whether such flues are attached to handfired furnaces or used in connection with mechanical burners.

~~b.~~(2) Manufacturing machinery. -- Sales of mill machinery or mill machinery parts and accessories to manufacturing industries and plants, and sales to contractors and subcontractors purchasing mill machinery or mill machinery parts and accessories for use by them in the performance of contracts with manufacturing industries and plants, and sales to subcontractors purchasing mill machinery or mill machinery parts and accessories for use by them in the performance of contracts with general contractors who have contracts with manufacturing industries and plants. As used in this paragraph, the term "manufacturing industries and plants" does not include delicatessens, cafes, cafeterias, restaurants, and other similar retailers that are principally engaged in the retail sale of foods prepared by them for consumption on or off their premises.

~~c.~~(3) Telephone company property. -- Sales of central office equipment and switchboard and private branch exchange equipment to telephone companies regularly engaged in providing telephone service to subscribers on a commercial basis, and sales to these companies of prewritten computer programs used in providing telephone service to their subscribers.

~~d.~~(4) Laundry machinery. -- Sales to commercial laundries or to pressing and dry cleaning establishments of machinery used in the direct performance of the laundering or the pressing and cleaning service and of parts and accessories thereto.

~~e.~~(5) Freezer plant machinery. -- Sales to freezer locker plants of machinery used in the direct operation of ~~said~~ the freezer locker plant and of parts and accessories thereto.

~~f.~~(6) Broadcasting machinery. -- Sales of broadcasting equipment and parts and accessories thereto and towers to commercial radio and television companies which are under the regulation and supervision of the Federal Communications Commission.

~~g.~~(7) Tobacco equipment. -- Sales to farmers of bulk tobacco barns and racks and all parts and accessories thereto and similar apparatus used for the curing and drying of any farm produce.

~~h.~~(8) Farm storage facilities. -- Sales to farmers of grain, feed or soybean storage facilities and accessories thereto, whether or not dryers are attached, and all similar apparatus and accessories thereto for the storage of grain, feed or soybeans.

~~i.~~(9) Farm containers. -- Sales of containers to farmers or producers for use in the planting, producing, harvesting, curing, marketing, packaging, sale, or transporting or delivery of their products when such containers do not go with and become part of the sale of their products at wholesale or retail.

~~j.~~(10) Recycling facility equipment. -- Sales to a major recycling facility of the following tangible personal property for use in connection with the facility: cranes, structural steel crane support systems, foundations related to the cranes and support systems, port and dock facilities, rail equipment, and material handling equipment.

~~k.~~(11) **(Effective January 1, 2001)** Air courier equipment. -- Sales of the following items to an interstate air courier for use at its hub: materials handling equipment, racking systems, and related parts and accessories, for the storage or handling and movement of tangible personal property at an airport or in a warehouse or distribution facility."

Section 3. G.S. 105-164.4A, as recodified by this act, is amended by adding a new subdivision to read:

"(12) Major clinical laboratory testing equipment. -- Sales to a major clinical laboratory testing company of the following items for use in its clinical laboratory testing business: machinery, instruments, equipment, parts and accessories to these items, and computers used directly in the business."

Section 4. G.S. 105-164.13 is amended by adding a new subdivision to read:

"(46) Sales to a major clinical laboratory testing company of the following items that are not capitalized by the company and are used or consumed by it directly in its clinical laboratory testing business: medical products, medical accessories, reagents, chemicals, test kits, consumable lab supplies, and other similar tangible personal property not including machinery and equipment."

Section 5. Section 2 of this act is effective when it becomes law. The remainder of this act becomes effective July 1, 1999, and applies to sales made on or after that date.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE A TEMPORARY SALES TAX REFUND FOR MEDICAL LABORATORY TESTING COMPANIES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-164.14 is amended by adding a new subsection to read:

"(j) Medical Laboratory Testing Companies. -- A medical laboratory testing company is allowed an annual refund of fifty percent (50%) of the State sales and use taxes paid by it under this Article on the following items that are not capitalized by the company for tax purposes under the Code and are used or consumed by it directly in its medical laboratory testing business: medical products, medical accessories, reagents, chemicals, test kits, consumable laboratory supplies, and other similar tangible personal property not including machinery and equipment. Notwithstanding any other provision of law, the refund allowed in this subsection does not apply to general local sales and use taxes levied under Subchapter VIII of this Chapter, Chapter 1069 of the 1967 Session Laws, or any other local act. For the purpose of this subsection, a medical laboratory testing company is a laboratory that is primarily engaged in providing medical analytic or diagnostic services, including bodily fluid analysis, generally to the medical profession or to employers, or to patients on referral from a medical professional or employer, and is certified as a highly or moderately complex laboratory by the United States Health Care Financing Administration.

A request for a refund must be in writing and must include any information and documentation required by the Secretary. A request for a refund is due within six months after the end of the State's fiscal year. Refunds applied for after the due date are barred."

Section 2. This act becomes effective October 1, 2000, and applies to taxes paid on or after that date. This act is repealed effective for taxes paid on or after October 1, 2005.

SENATE BILL 864:
Lab Testing Facility Sales Tax

BILL ANALYSIS

Committee:	Senate Finance	**Sponsor:**	Senator Gulley
Date:	July 7, 1999	**Analysis by:**	Martha H. Harris
Version:	PCS for First Edition		Staff Attorney

SUMMARY: ***Allows a temporary refund of 2¢ of the 4¢ State sales tax paid on purchases of medical supplies and non-capital laboratory equipment by complex medical laboratory testing companies, effective October 1, 2000. The refund sunsets for taxes paid on or after October 1, 2005.***

Businesses whose services and products are exempt from sales tax are required to pay sales tax on their purchases of supplies and equipment used in the business. The general sales tax rate is 4% State and 2% local (2.5% in Mecklenburg County). This bill would provide a refund of 2¢ of the 4¢ State sales tax for certain supplies and equipment purchased by complex medical laboratory testing companies, even though the services provided by those companies are also exempt from sales tax. The laboratories would continue to pay local sales and use taxes on these supplies.

The sales tax refund proposed in the bill would be allowed to laboratories primarily engaged in providing medical analytic or diagnostic services generally to the medical profession or to employers, or to patients upon referral from a medical professional or employer. To qualify for the sale tax refund, the laboratory must be certified as a highly or moderately complex laboratory by the United States Health Care Financing Administration. The sales tax refund would cover the following items used or consumed by the laboratory in its medical testing business (but not including property capitalized by the laboratory or machinery and equipment): medical products, medical accessories, reagents, chemicals, test kits, consumable lab supplies, and other similar tangible personal property.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: North Carolina Department of Revenue, Sales Tax Division.

EFFECTIVE DATE: This act becomes effective October 1, 2000 and applies to taxes paid on or after this date. This act is repealed effective for taxes paid on or after October 1, 2005.

BILL SUMMARY: The bill maintains the current 6% sales tax on many of the chemicals, test kits, and supplies used in laboratory testing, but makes these purchases eligible for a partial sales tax refund. Under the bill qualifying companies would pay the full 6% sales tax when they purchase supplies and reagents. These companies would then be eligible to receive a reimbursement for 50% of the state portion of the state sales tax charged on certain medical supply purchases. To qualify for the exemption the business must be certified by the federal Health Care Finance Administration (HCFA) as a moderate or highly complex laboratory. The lab must also be "primarily engaged in providing medical, analytic or diagnostic services, including bodily fluid analysis, generally to the medical profession or to employers, or to patients on referral from a medical professional or employer". The bill defines this type of business as a medical laboratory testing company. The request for a refund is due within six months after the end of the state fiscal year. This sales tax refund sunsets in 2005.

BACKGROUND: The legislation authorizes a state sales tax refund for part of the tax charged on the following items that are used or consumed in the clinical laboratory testing business: medical products, medical accessories, reagents, chemicals, test kits, consumable lab supplies, and other similar tangible personal property not including machinery and equipment.

The special tax treatment only applies to companies that met both of two sets of qualifications. First, they must be certified by HCFA as a moderately or highly complex laboratory. Second, laboratory services, as defined in the bill, must be their primary business. Both the bill drafting

attorney and industry representatives believe this definition includes only those companies that are laboratory service companies.

According to HCFA, there are 1,506 laboratories in North Carolina that are certified as moderately or highly complex. Most of these laboratories are in hospitals or a doctor's office. Because the primary business of these facilities (hospitals and doctors offices) is not laboratory testing, they would not qualify for the special tax treatment in the bill. Based on a list of all 1506 HCFA certified laboratories, Fiscal Research identified 80 facilities that may be stand alone laboratory testing businesses. These laboratories appear to be operated by approximately 44 companies. Fiscal Research, in conjunction with KPMG Accounting in Greensboro, surveyed these facilities to determine if they met the qualifications listed in the bill. Companies that qualified were asked to supply information about their medical supply and equipment expenditures. Of those surveyed, 15 responded or 34%. Two of these respondents indicated that they did not meet the qualifying criteria in the bill. However, according to the two largest laboratory companies in the state (LabCorp and Spectrum), they represent more than 80% of the total qualifying market. They also indicate that there are two other significantly sized firms, Great Smokey Mountains Laboratory and Triad Laboratories. Three of these four major companies responded to the initial survey. Fiscal Research and industry representatives believe those who responded to the survey, including LabCorp, Spectrum, and Great Smokey Mountains, represent between 85% and 90% of the market. The mid-point of these two points or 87.5% is used in the fiscal note.

One of the responding companies the Laboratory Corporation of America or LabCorp, provided extensive information about their expenditures, purchases, and the company as a whole. According to the organization's filings with the Security and Exchange Commission, LabCorp is the largest independent clinical laboratory company in the United States, based on 1998 net revenue. The company is headquartered in Burlington, NC, and offers more than 2,000 different clinical laboratory tests. LabCorp current maintains 25 regional testing facilities. The company reports 1998 net sales of $1.6126 billion, with a gross profit of $563.4 million, and net earnings of $68.8 million. Because of the level of detail provided by LabCorp, and their dominant market share, much of the analysis is based on their information.

ASSUMPTIONS AND METHODOLOGY: Because of the unique structure of laboratory data, the estimates in this note are divided into three parts that reflect the three data segments available. Section 1 reflects the data provided by LabCorp, while Section 2 includes the estimates associated with the 12 other companies that responded to the survey and qualified for the exemption. Section 3 provides total loss estimates, including assumed losses associated with companies who did not respond to the survey. The data included in the note reflects only information provided by laboratory companies directly. No data from the Department of Revenue is used in this analysis.

Section 1: LabCorp Information:

According to documents provided by LabCorp, the organization's North Carolina laboratories spent $50.67 million and $46.89 million on reagents and other chemicals in 1997 and 1998. This estimate assumes that 90% of all laboratory supply expenses were associated with reagents and other chemicals. LabCorp officials believe a 5% growth rate in this type of expenditure is appropriate. When questioned about using a 5% growth rate in light of the increased output

anticipated by the bill, company representatives stated that "this additional work is not expected to greatly increase lab supply costs." They cite more favorable contracts with vendors, reducing waste, increased efficiency (by the company manufacturing its own reagents), and the low per unit cost associated with many of the more routine tests which will be handled by the North Carolina facilities.

Assuming the 5% growth rate is appropriate, reagent and chemical purchases by the North Carolina portions of LabCorp will be:

	1999	2000	2001	2002	2003	2004
Reagents & Other Chemicals	42,733,800	44,870,490	47,114,015	49,469,715	51,943,201	54,540,361

Under current law a 6% sales tax applies to these purchases. The tax liability associated with these estimates, once adjusted for the fiscal year basis are:

	1999-00	2000-01	2001-02	2002-03	2003-04
Reagents & Other Chemicals	43,802,145	45,992,252	48,291,865	50,706,458	53,241,781
Sales Tax (6%)	2,628,129	2,759,535	2,897,512	3,042,387	3,194,507

Because the bill offers a sales tax refund of 2% of the state tax, the potential savings are as follows:

	1999-00	2000-01	2001-02	2002-03	2003-04
Potential Refund from Purchases Made In	876,043	919,845	965,837	1,014,129	1,064,836

Section 2: Other Laboratory Companies:

The 12 non-LabCorp companies that responded to the survey reported annual laboratory supply purchases of $20,348,831. Assuming the 6% sales tax currently applies, the total revenue associated with these purchases is $1,220,930. Under the bill, these laboratory companies are eligible for a refund of 2% of the state tax. Assuming supply purchases grow by 5%, the potential revenue impact is as follows:

	1999-00	2000-01	2001-02	2002-03	2003-04
Potential Refund from Purchases Made In	406,977	427,326	448,692	471,126	494,683

Section 3: Total Losses

As mentioned previously, survey respondents are assumed to account for 87.5% of the qualifying market. Assuming the survey results apply to the remaining 12.5%, the fiscal loss associated with the bill is as follows:

Potential Refund from Purchases Made In					
	1999-00	2000-01	2001-02	2002-03	2003-04
LabCorp	876,043	919,845	965,837	1,014,129	1,064,836
Other Survey Respondents	406,977	427,326	448,692	471,126	494,683
Other Companies	183,289	192,453	202,076	212,179	222,788
TOTAL	1,466,308	1,539,623	1,616,605	1,697,435	1,782,307

Because the bill does not become effective until October 1, 2000 there will be no fiscal impact in FY 1999-00. Under the bill refunds will not be issued until January 1, 2002. Therefore, there will be no fiscal impact until FY 2001-02. The FY 2001-02 estimate is reduced by ¼ to account for the October 1 effective date. The bill sunsets with purchases made on or after October 1, 2005. Therefore the final year of fiscal impact will be 2006-7.

A BILL TO BE ENTITLED

AN ACT TO AMEND THE LAW REGARDING THE WAIVER OF COMPETITIVE BIDDING AND TO REQUIRE BID PROTESTS INVOLVING CONTRACTS OVER A CERTAIN AMOUNT TO BE HANDLED BY THE DEPARTMENT OF ADMINISTRATION.

The General Assembly of North Carolina enacts:

Section 1. G.S. 143-53(a)(1) reads as rewritten:

"(1) Prescribing the routine and procedures to be followed in canvassing bids and awarding contracts, and for reviewing decisions made pursuant thereto, and the decision of the reviewing body shall be the final administrative review. The Division of Purchase and Contract shall review and decide a protest on a contract valued at twenty-five thousand dollars ($25,000) or more. The Secretary shall adopt rules or criteria governing the review of and decision on a protest on a contract of less than twenty-five thousand dollars ($25,000) by the agency that awarded the contract."

Section 2. G.S. 143-53(a)(5) reads as rewritten:

"(5) Prescribing conditions under which purchases and contracts for the purchase, rental or lease of equipment, materials, supplies or services may be entered into by means other than competitive bidding. Notwithstanding the provisions of subsections (a) and (b) of this section, any waiver of competition for the purchase, rental,

or lease of equipment, materials, supplies, or services is subject to prior review by the Secretary, if the expenditure exceeds ten thousand dollars ($10,000). The Division may levy a fee, not to exceed one dollar ($1.00), for review of each waiver application."

Section 3. G.S. 143-57 reads as rewritten:

"**§ 143-57. Purchases of articles in certain emergencies.**

In case of any emergency or pressing need arising from unforeseen causes including but not limited to delay by contractors, delay in transportation, breakdown in machinery, or unanticipated volume of work, the Secretary of Administration shall have power to obtain or authorize obtaining in the open market any necessary supplies, materials, equipment, printing or services for immediate delivery to any department, institution or agency of the State government. A report on the circumstances of such emergency or need and the transactions thereunder shall be made a matter of record promptly thereafter. If the expenditure exceeds ten thousand dollars ($10,000), the report shall also be made promptly thereafter to the Division of Purchase and Contract."

Section 3.1. This act does not apply to an agency, board, department, institution, or commission that is exempt from Article 3 of Chapter 143 of the General Statutes or from the provisions of that Article that require certain contracts to be awarded by the Department of Administration.

Section 4. This act becomes effective July 1, 1999. Section 1 applies to bid protests filed on or after that date. Sections 2 and 3 of this act apply to contracts awarded on or after that date.

SENATE BILL 968:
Waiver of Competitive Bidding Modified

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Sen. Larry Shaw
Date:	July 2, 1999	**Summary by:**	Martha K. Waslton
Version:	2nd Edition		Committee Counsel

SUMMARY: ***Senate Bill 968 amends the law regarding the waiver of competitive bidding and requires bid protests involving contracts over a certain amount to be handled by the Department of Administration. The current version of the bill was given a favorable report in Senate Commerce on June 23, 1999. The bill is before the Senate Finance Committee because it allows the Secretary of Administration to levy a fee, not to exceed $1.00 for reviewing each waiver application.***

BILL ANALYSIS:

Section 1 of the bill provides that bid protests on State procurement contracts of $25,000 or more will be handled by the Division of Purchase and Contract. Currently, those protests are being handled by the agency that awarded the contract. Bid protests on contracts awarded by agencies under $25,000 would continue to be handled by the respective agencies, subject to rules adopted by the Secretary of Administration.

Section 2 provides that if an agency wants to waive competitive sealed bidding on a purchase that costs more than $10,000, the waiver is subject to prior review by the Secretary of Administration. A $1.00 fee is imposed for review of the waiver.

Section 3 provides that if the Secretary of Administration obtains goods or services pursuant to the emergency purchasing statute (G.S. 143-57), any such purchases over $10,000 must be reported to the Joint Legislative Commission on Governmental Operations promptly thereafter. The current law already requires the Secretary to note in the public record the justification for an emergency purchase.

Section 3.1 provides that agencies that are not subject to Article 3 of Chapter 143 (the laws governing the State's purchasing program) or whose contracts are not subject to that Article are exempt from this act.

The act becomes effective July 1, 1999.

Linwood Jones, committee counsel to Senate Commerce, contributed substantially to this summary.

EFFECTIVE DATE: The act becomes effective July 1, 1999.

BILL SUMMARY:
The bill amends the law regarding the waivers of competitive bidding for expenditures over $10,000 and requires bid protests involving contracts over $25,000 to be handled by the Department of Administration.

ASSUMPTIONS AND METHODOLOGY:
Although the Division of Purchase and Contract anticipates reviewing 1000 additional requests for bid waivers, the current staff can absorb this workload. By September 1999, all agencies will be online with the Division's Interactive Purchasing System (IPS). These agencies will be able to electronically send requisitions and bid waiver requests to the Division of Purchase and Contract. Division staff can review the request on the computer screen and then approve or deny a bid waiver by electronic mail. There will be no additional revenue because the Division does not plan to impose the $1 fee authorized in the bill.

A BILL TO BE ENTITLED

AN ACT TO AMEND THE NEWSPRINT RECYCLING TAX.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-102.6 reads as rewritten:

"**§ 105-102.6. (Effective July 1, 1999) Publishers of newsprint publications.**

(a) Purpose. -- The purpose of this section is to provide incentives for the recycling of newsprint and magazines and for the use of newsprint that contains recycled content.

(b) Definitions. -- The following definitions apply in this section:

(1) Gross tonnage of newsprint consumed. -- The weight in metric tons of all newsprint consumed by a publisher.

(2) Newsprint. -- Uncoated paper, whether supercalendered or machine finished, made primarily from mechanical wood pulp combined with some chemical wood pulp, weighing between 24.5 and 35 pounds for 500 sheets of paper two feet by three feet in size, and having a brightness of less than 60.

(2a) Nonvirgin newsprint. -- Newsprint that contains recycled postconsumer recovered paper.

(3) Postconsumer recovered paper. -- Paper products, generated by a business or consumer, that have served their intended end uses and have been separated or diverted from solid waste.

(4) Publisher. -- A person engaged in the business of producing publications printed on newsprint who acquires and uses newsprint for this business.

(5) Recycled content percentage. -- The percentage by weight of the total gross tonnage of newsprint consumed by the publisher that is recycled postconsumer recovered paper. For example, if a publisher consumes 10 tons of virgin newsprint, 10 tons of nonvirgin newsprint that contains fifty percent (50%) recycled postconsumer recovered paper, and 10 tons of nonvirgin newsprint that contains ten percent (10%) recycled postconsumer recovered paper, the publisher's recycled content percentage is 6/30 or twenty percent (20%).

(6) Recycled content tonnage. -- The weight in metric tons of the total gross tonnage of newsprint consumed by the publisher that is recycled postconsumer recovered paper.

(7) Recycling. -- Any process by which solid waste, or materials that would otherwise become solid waste, are collected, separated, or processed, and reused or returned to use in the form of raw materials or products.

(8) Recycling tonnage. -- The weight in metric tons of newsprint and magazines ~~that is~~ recycled or diverted to recycling by a publisher.

(9) Virgin newsprint. -- Newsprint that does not contain recycled postconsumer recovered paper.

(c) Minimum Recycled Content Percentage. -- The recycled content percentage of newsprint consumed by a publisher shall equal or exceed the following minimum recycled content percentages:

During 1991 and 1992, twelve percent (12%).

During 1993, fifteen percent (15%).

During 1994, twenty percent (20%).

During 1995 and 1996, twenty-five percent (25%).

During 1997 and 1998, thirty percent (30%).

During 1999 ~~and 2000,~~ through 2004, thirty-five percent (35%).

After ~~2000,~~ 2004, forty percent (40%).

A publisher who has developed and operates or contracts for the operation of a newspaper or magazine recycling program shall receive partial credit toward the recycled content percentage goals established in this subsection on the basis of ~~one-half ton~~ one ton of credit toward its total recycled content tonnage for each ton of recycling tonnage.

(d) Tax. -- Every publisher shall apply for and obtain from the Secretary a newsprint publisher tax reporting number and shall file an annual report with the Secretary by January 31 of each year. The report shall include the following information for the preceding calendar year:

(1) Tonnage of virgin newsprint consumed.

(2) Tonnage of nonvirgin newsprint consumed.

(3) Gross tonnage of newsprint consumed.
(4) Itemized percentages of recycled postconsumer recovered paper contained in tonnage of nonvirgin newsprint consumed.
(5) Recycled content tonnage.
(6) Recycled content percentage.
(7) Recycling tonnage.

In addition, each publisher whose recycled content percentage for a calendar year is less than the applicable minimum recycled content percentage provided in subsection (c) shall pay a tax of fifteen dollars ($15.00) on each ton by which the publisher's recycled content tonnage falls short of the tonnage of recycled postconsumer recovered paper needed to achieve the applicable minimum recycled content percentage provided in subsection (c). This tax is due when the report is filed. No county or city may impose a license tax on the business taxed under this section.

(e) Exemption. -- The tax levied in this section does not apply to an amount calculated pursuant to subsection (d) to the extent the amount is attributable solely to the publisher's inability to obtain sufficient recycled content newsprint because (i) recycled content newsprint was not available at a price comparable to the price of virgin newsprint; (ii) recycled content newsprint of a quality comparable to virgin newsprint was not available; or (iii) recycled content newsprint was not available within a reasonable period of time during the reporting period. In order to claim the exemption provided in this subsection, a publisher must certify to the Secretary:

(1) The amount of virgin newsprint consumed by the publisher during the reporting period solely for one of the reasons listed above.
(2) That the publisher attempted to obtain recycled content newsprint from every manufacturer of recycled content newsprint that offered to sell recycled content newsprint to the publisher within the preceding calendar year.
(3) The name, address, and telephone number of each recycled content newsprint manufacturer contacted, including the company name and the name of the company's individual representative or employee.

(f) Use of Proceeds. -- The Secretary shall, on or before April 15 of each year, credit the net proceeds of the tax imposed by this section to the Solid Waste Management Trust Fund created in G.S. 130A-309.12."

Section 2. This act becomes effective July 1, 1999.

HOUSE BILL 1479:
Newsprint Tax Credit Change

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Rep. Miller
Date:	July 6, 1999	**Summary by:**	Cindy Avrette and Martha Walston, Staff Attorneys
Version:	2nd Edition		

SUMMARY: House Bill 1479 expands the newsprint recycling tax credit to include magazine recycling programs, increases the credit that may be received from one-half ton to one ton, and delays the minimum recycled content percentage goal of 40% until 2005. The current version of the bill was given a favorable report in House Finance.

CURRENT LAW: A publisher must pay a privilege license tax of $15 for each ton of newsprint that does not have a recycled content of 35% or more. The General Assembly enacted this excise tax on newsprint in 1991. The purpose of the tax is to encourage the use of recycled newsprint by imposing a privilege license tax on those who produce publications printed on newsprint and do not use a minimum amount of recycled paper. The minimum amount of recycled paper required has increased since 1991 from 12% to 35%. The minimum amount of recycled paper that will be required after the year 2000 is 40%.

The tax rate is $15.00 for each ton of newsprint that is consumed during an annual reporting period and has an average recycled content percentage that is less than the required minimum recycled content percentage. The proceeds of the tax are earmarked for the Solid Waste Management Trust Fund. The tax does not apply if the producer can not meet the recycled content goal because of an inability to obtain newsprint made from recycled paper at a price or quality comparable to other newsprint, to acquire an amount needed for a publication, or to acquire the amount needed in a reasonable amount of time.

There is a credit that can be used towards the recycled content percentage goals for publishers who develop and operate, or contract for the operation of, a newspaper recycling program. A publisher may receive one-half ton credit toward its total recycled content tonnage for each ton of newsprint it recycles.

BILL ANALYSIS: House Bill 1479 changes the newsprint excise tax in three ways:

- It allows a publisher a credit for developing and operating a magazine recycling program as well as a newspaper recycling program.
- It allows a credit towards the recycled content percentage goals on the basis of **one ton** of credit for each ton of newsprint or magazines it recycles. The current law only allows one-half ton of credit for each ton of newsprint it recycles.
- It delays the 40% recycled content goal until 2005. It would have become effective 2001.

REVENUES					
Solid Waste Management Trust Fund	Less than $1,000 loss per year				

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue

EFFECTIVE DATE: The act is effective July 1, 1999.

BILL SUMMARY:
The bill extends the publisher tax credit to magazine recycling programs as well as newspaper recycling programs.

BACKGROUND:
A newspaper publisher pays a privilege tax of $15 for each ton of paper that does not have a recycled content of 35%. The publisher currently receives a half ton credit against the tax for each ton of newsprint it recycles. Publishers pay the tax when they file their annual report with the Secretary of Revenue by January 31 each year.

ASSUMPTIONS AND METHODOLOGY:
The Department of Revenue collected only $1,180.95 from 86 publishers in 1998. Adding magazines to the formula to determine the tax credit will reduce the amount of tax paid. However, the reduction cannot be calculated due to lack of data. The N.C. Recycling Association could not provide data on the amount of magazines that might be recycled each year.

HOUSE BILL 1471

Short Title: Adjust Highway Bond Maturity. (Public)

Referred to: Finance.

May 13, 1999

A BILL TO BE ENTITLED

AN ACT TO ADJUST THE MATURITY DATE OF THE 1996 HIGHWAY BONDS TO REFLECT A CHANGE IN THE ESTIMATED COMPLETION DATE OF HIGHWAY TRUST FUND PROJECTS.

The General Assembly of North Carolina enacts:

Section 1. The General Assembly finds that:

(1) The State Highway Bond Act of 1996 provided, subject to a vote of the qualified voters of the State, for the issuance of nine hundred fifty million dollars ($950,000,000) general obligation bonds of the State for certain highway purposes.

(2) These bonds were approved by the voters.

(3) The State Highway Bond Act of 1996 stated that the bonds could be used to expedite the completion of certain highway projects that would otherwise be funded from the Highway Trust Fund only when sufficient revenues were generated.

(4) The State Highway Bond Act of 1996 also stated the intent of the General Assembly that the debt service on the bonds be paid for with the revenues that would otherwise be deposited to the Highway Trust Fund to fund highway construction.

(5) The State Highway Bond Act of 1996 recognized that these revenues would be available only until the Highway Trust Fund sunset upon completion of the highway construction it funds, estimated to occur at the end of 2013, and thus required that the bonds must mature not later than that date.

(6) Since 1996, it has been determined that the Highway Trust Fund construction projects will not be completed by 2013 but instead could take until at least 2020.

(7) Accordingly, the 2013 deadline set for the maturity of the highway bonds is no longer appropriate, and should be extended to the current estimated date for completion of Highway Trust Fund projects, which is 2020.

Section 2. Section 2(b) of Chapter 590 of the 1995 Session Laws (1996) reads as rewritten:

"(b) Findings and determinations. -- The General Assembly finds that:

(1) Pursuant to Chapter 692 of the 1989 Session Laws, the General Assembly created the Highway Trust Fund, provided for revenues to be deposited to the Highway Trust Fund, and designated how the revenues may be expended.

(2) As contemplated by Chapter 692, highway construction to be funded from the Highway Trust Fund is funded on a "pay-as-you-go" basis, with highway construction proceeding based upon the amount of funds to be available to pay the costs of the construction on a current basis, and this highway construction is expected to be completed and funded by December 31, ~~2013.~~ 2020.

(3) Providing funds from the proceeds of bonds as authorized in this act will expedite the completion of construction of urban loops, Intrastate System highways, and necessary improvements to the State secondary road highway system that otherwise would be constructed only when sufficient revenues were generated to fund this construction.

(4) The State could issue the bonds authorized by this act, expediting this construction, and could provide sufficient funds to pay debt service on the bonds from the moneys otherwise to be deposited to the Highway Trust Fund to fund highway construction.

(5) Sufficient moneys are expected to be deposited to the Highway Trust Fund to pay anticipated debt service on the bonds authorized by this act.

(6) Although the bonds authorized by this act will constitute general obligation bonds, secured by the faith and credit and taxing power of the State, and although the funds deposited to the Highway Trust Fund are not specifically pledged to pay debt service on the bonds, it is the intent of the General Assembly that the debt service on the bonds authorized by this act will be provided from amounts deposited to the Highway Trust Fund, and certain amendments to Chapter 692 of the 1989 Session Laws are necessary to facilitate this funding of payments."

Section 3. Section 10(a) of Chapter 590 of the 1995 Session Laws (1996) reads as rewritten:

"(a) Terms and conditions. Bonds or notes may bear such date or dates, may be serial or term bonds or notes, or any combination thereof, may mature in such amounts and at such time or times, not later than December 1, ~~2013,~~ 2020, may be payable at such place or places, either within or without the United States of America, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts, may bear interest at such rate or rates, which may vary from time to time, and may be made redeemable before maturity, at the option of the State or otherwise as may be provided by the State, at such price or prices, including a price less than the face amount of the bonds or notes, and under such terms and conditions, all as may be determined by the State Treasurer, by and with the consent of the Council of State."

Section 4. This act is effective when it becomes law.

HOUSE BILL 1471:
Adjust Highway Bond Maturity

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Rep. Crawford
Date:	July 12, 1999	**Summary by:**	Martha K. Walston
Version:	First Edition		Committee Counsel

SUMMARY: ***House Bill 1471 extends the maturity date of the 1996 Highway Bonds from 2013 to 2020 to reflect the change in the estimated completion date of Highway trust Fund Projects. The bill is effective when it becomes law. House Bill 1471 was given a favorable report in House Finance.***

CURRENT LAW: The State Highway Bond Act of 1996, as voted on by the people, provided for the issuance of $950 million of general obligation bonds for certain highway purposes. These bonds could be used to expedite the completion of certain highway projects that would otherwise be funded from the Highway Trust Fund only when sufficient revenues were generated. It was the intent that the debt service on these bonds be paid for with the revenues that would otherwise be deposited to the Highway Trust Fund to fund highway construction. These revenues would only be available until the Highway Trust Fund sunset upon completion of the highway construction it funds. This completion was estimated to occur at the end of 2013.

It has been determined that the Highway Trust Fund construction projects will not be completed by 2013 but could take until at least 2020.

BILL ANALYSIS: House Bill extends the maturity date of the State highway bonds from 2013 to 2020 and amends the State Bond Highway Act of 1996 to reflect this new estimated date for completion of the projects and payment of the bonds.

AN ACT TO STRENGTHEN THE SEDIMENTATION POLLUTION CONTROL ACT OF 1973 AND TO REQUIRE THAT THE EXAMINATION FOR A GENERAL CONTRACTOR'S LICENSE INCLUDE QUESTIONS THAT TEST AN APPLICANT'S KNOWLEDGE OF THE REQUIREMENTS OF THE SEDIMENTATION POLLUTION CONTROL ACT OF 1973.

The General Assembly of North Carolina enacts:

Section 1. G.S. 113A-54.1 reads as rewritten:

"**§ 113A-54.1. Approval of erosion control plans.**

(a) A draft erosion control plan must contain the applicant's address and, if the applicant is not a resident of North Carolina, designate a North Carolina agent for the purpose of receiving notice from the Commission or the Secretary of compliance or noncompliance with the plan, this Article, or any rules adopted pursuant to this Article. The Commission shall approve, approve with modifications, or disapprove a draft erosion control plan for those land-disturbing activities for which prior plan approval is required within 30 days of receipt. The Commission shall condition approval of a draft erosion control plan upon the applicant's compliance with federal and State water quality laws, regulations, and rules. Failure to approve, approve with modifications, or disapprove a completed draft erosion control plan within 30 days of receipt shall be deemed approval of the plan. If the Commission disapproves a draft erosion control plan or a revised erosion control plan, it must state in writing the specific reasons that the plan was disapproved. Failure to approve, approve with modifications, or disapprove a revised erosion control plan within 15 days of receipt

shall be deemed approval of the plan. The Commission may establish an expiration date for erosion control plans approved under this Article.

(b) If, following commencement of a land-disturbing activity pursuant to an approved erosion control plan, the Commission determines that the plan is inadequate to meet the requirements of this Article, the Commission may require any revision of the plan that is necessary to comply with this Article. Failure to approve, approve with modifications, or disapprove a revised erosion control plan within 15 days of receipt shall be deemed approval of the plan.

(c) The ~~Director of the Division of Land Resources~~ Commission shall disapprove an erosion control plan if ~~the plan, when implemented,~~ implementation of the plan would result in a violation of rules adopted by the Environmental Management Commission to protect riparian buffers along surface waters. The Director of the Division of Land Resources may disapprove an erosion control plan upon finding that an applicant or a parent, subsidiary, or other affiliate of the applicant:

(1) Is conducting or has conducted land-disturbing activity without an approved plan, or has received notice of violation of a plan previously approved by the Commission or a local government pursuant to this Article and has not complied with the notice within the time specified in the notice;

(2) Has failed to pay a civil penalty assessed pursuant to this Article or a local ordinance adopted pursuant to this Article by the time the payment is due;

(3) Has been convicted of a misdemeanor pursuant to G.S. 113A-64(b) or any criminal provision of a local ordinance adopted pursuant to this Article; or

(4) Has failed to substantially comply with State rules or local ordinances and regulations adopted pursuant to this Article.

(d) In the event that an erosion control plan is disapproved by the Director pursuant to subsection (c) of this section, the Director shall state in writing the specific reasons that the plan was disapproved. The applicant may appeal the Director's disapproval of the plan to the Commission. For purposes of this subsection and subsection (c) of this section, an applicant's record may be considered for only the two years prior to the application date."

Section 2. G.S. 113A-57(4) reads as rewritten:

"(4) No person shall initiate any land-disturbing activity on a tract if more than one acre is to be uncovered unless, 30 or more days prior to initiating the activity, an erosion and sedimentation control plan for such activity is filed with the agency having jurisdiction. The agency having jurisdiction shall forward to the Director of the Division of Water Quality a copy of each erosion and sedimentation control plan for a land-disturbing activity that involves the utilization of ditches for the purpose of de-watering or lowering the water table of the tract."

Section 3. G.S. 113A-61(b1) reads as rewritten:

"(b1) A local government shall condition approval of a draft erosion control plan upon the applicant's compliance with federal and State water quality laws, regulations, and rules. A local government shall disapprove an erosion control plan if ~~the plan, when implemented,~~ implementation of the plan would result in a violation of rules adopted by the Environmental Management Commission to protect riparian buffers along surface waters. A local government may disapprove an erosion control plan upon finding that an applicant or a parent, subsidiary, or other affiliate of the applicant:

(1) Is conducting or has conducted land-disturbing activity without an approved plan, or has received notice of violation of a plan previously approved by the Commission or a local government pursuant to this Article and has not complied with the notice within the time specified in the notice;

(2) Has failed to pay a civil penalty assessed pursuant to this Article or a local ordinance adopted pursuant to this Article by the time the payment is due;

(3) Has been convicted of a misdemeanor pursuant to G.S. 113A-64(b) or any criminal provision of a local ordinance adopted pursuant to this Article; or

(4) Has failed to substantially comply with State rules or local ordinances and regulations adopted pursuant to this Article."

Section 4. G.S. 113A-64(a) reads as rewritten:

"(a) Civil Penalties. --

(1) Any person who violates any of the provisions of this Article or any ordinance, rule, or order adopted or issued pursuant to this Article by the Commission or by a local government, or who initiates or continues a land-disturbing activity for which an erosion control plan is required except in accordance with the terms, conditions, and provisions of an approved plan, is subject to a civil penalty. The maximum civil penalty for a ~~violation, other than a violation of a stop-work order issued under G.S. 113A-65.1, is five hundred dollars ($500.00). The maximum civil penalty for a violation of a stop-work order~~ violation is five thousand dollars ($5,000). ~~No penalty shall be assessed until the person alleged to be in violation has been notified of the violation as provided in G.S. 113A-61.1(b).~~ A civil penalty may be assessed from the date ~~the notice of violation is served.~~ of the violation. Each day of a continuing violation shall constitute a separate violation.

(2) The Secretary or a local government that administers an erosion and sediment control program approved under G.S. 113A-60 shall determine the amount of the civil penalty and shall notify the person who is assessed the civil penalty of the amount of the penalty and the reason for assessing the penalty. The notice of assessment shall be served by any means authorized under G.S.

1A-1, Rule 4, and shall direct the violator to either pay the assessment or contest the assessment within 30 days by filing a petition for a contested case under Article 3 of Chapter 150B of the General Statutes. If a violator does not pay a civil penalty assessed by the Secretary within 30 days after it is due, the Department shall request the Attorney General to institute a civil action to recover the amount of the assessment. If a violator does not pay a civil penalty assessed by a local government within 30 days after it is due, the local government may institute a civil action to recover the amount of the assessment. The civil action may be brought in the superior court of any county where the violation occurred or the violator's residence or principal place of business is located. A civil action must be filed within three years of the date the assessment was due. An assessment that is not contested is due when the violator is served with a notice of assessment. An assessment that is contested is due at the conclusion of the administrative and judicial review of the assessment.

(3) In determining the amount of the penalty, the Secretary shall consider the degree and extent of harm caused by the violation, the cost of rectifying the damage, the amount of money the violator saved by noncompliance, whether the violation was committed willfully and the prior record of the violator in complying or failing to comply with this Article.

(4) Repealed by Session Laws 1993 (Reg. Sess., 1994), c. 776, s. 11.

(5) The clear proceeds of civil penalties collected by the Department or other State agency under this subsection shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. Civil penalties collected by a local government under this subsection shall be credited to the general fund of the local government as nontax revenue."

Section 5. G.S. 113A-54.2(a) reads as rewritten:

"(a) The Commission may establish a fee schedule for the review and approval of erosion control plans under this Article. In establishing the fee schedule, the Commission shall consider the administrative and personnel costs incurred by the Department for reviewing the plans and for related compliance activities. ~~The total amount of fees collected under this section in any fiscal year may not exceed one-third of the total administrative and personnel costs incurred by the Department for reviewing the plans and for related compliance activities in the prior fiscal year.~~ An application fee may not exceed fifty dollars ($50.00) per acre of disturbed land shown on an erosion control plan or of land actually disturbed during the life of the project."

Section 6. G.S. 113A-61.1(c) reads as rewritten:

"(c) If the Secretary, a local government that administers an erosion and sediment control program approved under G.S. 113A-60, or other approving authority

determines that the person engaged in the land-disturbing activity has failed to comply with this Article, the Secretary, local government, or other approving authority shall immediately serve a notice of violation upon that person. The notice may be served by any means authorized under G.S. 1A-1, Rule 4. A notice of violation shall specify a date by which the person must comply with this Article and inform the person of the actions that need to be taken to comply with this Article. Any person who fails to comply within the time specified is subject to ~~the~~ additional civil and criminal penalties for a continuing violation as provided in G.S. 113A-64."

Section 7. G.S. 87-10(b), as amended by Section 1 of S.L. 1999-123, reads as rewritten:

"(b) The Board shall conduct an examination, either oral or written, of all applicants for license to ~~ascertain~~ ascertain, for the classification of license for which the applicant has applied: (i) the ability of the applicant to make a practical application of ~~his~~ the applicant's knowledge of the profession of ~~contracting,~~ contracting; ~~under the classification contained in the application, and to ascertain~~ (ii) the qualifications of the applicant in reading plans and specifications, knowledge of estimating costs, construction, ~~ethics~~ ethics, and other similar matters pertaining to the contracting ~~business~~ business; (iii) the knowledge of the applicant as to the responsibilities of a contractor to the public and of the requirements of the laws of the State of North Carolina relating to contractors, ~~construction and liens.~~ construction, and liens; and (iv) the applicant's knowledge of requirements of the Sedimentation Pollution Control Act of 1973, Article 4 of Chapter 113A of the General Statutes, and the rules adopted pursuant to that Article. If the results of the examination of the applicant shall be satisfactory to the Board, then the Board shall issue to the applicant a certificate to engage as a general contractor in the State of North Carolina, as provided in said certificate, which may be limited into five classifications as ~~the common use of the terms are known -- that is,~~ follows:

(1) Building contractor, which shall include private, public, commercial, industrial and residential buildings of all ~~types;~~ types.

(1a) Residential contractor, which shall include any general contractor constructing only residences which are required to conform to the residential building code adopted by the Building Code Council pursuant to G.S. ~~143-138;~~ 143-138.

(2) Highway ~~contractor;~~ contractor.

(3) Public utilities contractors, which shall include those whose operations are the performance of construction work on the following subclassifications of facilities:

a. Water and sewer ~~mains and~~ mains, water service ~~lines~~ lines, and house and building sewer lines as defined in the North Carolina State Building Code, and water storage tanks, lift stations, pumping stations, and appurtenances to water storage tanks, lift ~~stations~~ stations, and pumping ~~stations;~~ stations.

b. Water and wastewater treatment facilities and appurtenances ~~thereto;~~ thereto.

c. Electrical power transmission facilities, and primary and secondary distribution facilities ahead of the point of delivery of electric service to the ~~customer;~~ customer.

d. Public communication distribution ~~facilities; and~~ facilities.

e. Natural gas and other petroleum products distribution facilities; provided the General Contractors Licensing Board may issue license to a public utilities contractor limited to any of the above subclassifications for which the general contractor ~~qualifies, and~~ qualifies.

(4) Specialty contractor, which shall include those whose operations as such are the performance of construction work requiring special skill and involving the use of specialized building trades or crafts, but which shall not include any operations now or hereafter under the jurisdiction, for the issuance of license, by any board or commission pursuant to the laws of the State of North Carolina.

(b1) Public utilities contractors constructing water service lines and house and building sewer lines as provided in ~~(3)a above~~ sub-subdivision a. of subdivision (3) of subsection (b) of this section shall terminate said lines at a valve, box, meter, or manhole or cleanout at which the facilities from the building may be connected. Public utilities contractors constructing fire service mains for connection to fire sprinkler systems shall terminate those lines at a flange, cap, plug, or valve inside the building one foot above the finished floor. All fire service mains shall comply with the NFPA standards for fire service mains as incorporated into and made applicable by Volume V of the North Carolina Building Code."

Section 8. This act becomes effective 1 October 1999 and applies to land-disturbing activity that occurs on or after that date.

HOUSE BILL 1098:
Strengthen Sedimentation Act

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Representative Hackney
Date:	July 13, 1999	**Summary by:**	Rick Zechini
Version:	Second Edition		Staff Attorney

SUMMARY: House Bill 1098 amends the Sedimentation Pollution Control Act of 1973 by raising the maximum civil penalty for a violation to $5,000, clarifying when civil penalties may be assessed, removing a cap on the total amount of fees that may be collected in a fiscal year, requiring that erosion control plans for certain types of land-disturbing activities be forwarded to the Division of Water Quality, requiring the State Licensing Board for General Contractors to include questions regarding the Sedimentation Pollution Control Act on the general contractors examination, and requiring applicants for erosion control plans to comply with federal and State water quality laws, regulations, and rules.

CURRENT LAW: The Sedimentation Pollution Control Act (Act) requires a person conducting a land-disturbing activity involving the uncovering of more than one acre to file an erosion control plan at least 30 days prior to initiating the activity. In addition, the Act requires the installation of sedimentation and erosion control devices and practices that are sufficient to retain the sediment generated by the construction within the boundaries of the tract during construction and provide for permanent ground cover after completion of construction.

BILL ANALYSIS: House Bill 1098 raises the maximum civil penalty for a violation of the Act to $5,000. The current maximum civil penalty for a violation of the Act, other than a violation of a stop-work order, is $500. The current maximum civil penalty for a violation of a stop-work order is $5,000. A civil penalty may be assessed for each day of a continuing violation. The bill also clarifies that a person may be assessed a civil penalty from the date of the original violation and may be assessed additional civil penalties for continuing violations. In addition, the bill removes the cap that limits the total amount of fees that may be collected in a fiscal year for the review and approval of erosion control plans to one-third of the total administrative and personnel costs incurred by the Department of Environment and Natural Resources in reviewing the plans and for related compliance activities in the prior fiscal year. The bill provides that the approval of an erosion control plan is conditioned on the applicant's compliance with federal and State water quality laws, regulations, and rules. The bill also adds the requirement that a copy of any erosion control plan for a land-disturbing activity that involves the utilization of ditches for the purpose of de-watering or lowering the water table be forwarded to the Director of the Division of Water Quality. Furthermore, the bill adds the requirement that the State Licensing Board for General Contractors is to include questions on the Sedimentation Pollution Control Act and the rules adopted pursuant to the Act on the general contractors examination.

EFFECTIVE DATE: The act becomes effective October 1, 1999, and applies to land-disturbing activity that occurs on or after that date.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: The Department of Environment and Natural Resources, Land Resource Division and the North Carolina General Contractors Licensing Board.

EFFECTIVE DATE: October 1, 1999 and applies to land-disturbing activity that occurs on or after that date.

BILL SUMMARY: The bill makes several changes to the existing Sedimentation Control Act of 1973. The Sedimentation Control Act requires that a person conducting a land disturbing activity involving the uncovering of more than one acre to file an erosion control plan at least 30 days in advance. It also outlines several erosion and sedimentation limitation practices and devises that must be used during construction and after the project is completed. The bill raises the maximum civil penalty for a violation of the act to $5,000. It also clarifies that the penalty can be assessed from the date of the original violation and that additional penalties can apply for continued violations. The bill also removes the cap on the total amount of fees collected under this program. The bill also clarifies that a plan approval is conditional on the applicant's compliance with federal and state laws, regulations and rules. The legislation also states that certain types of erosion control plans must be forwarded to the Division of Water Quality. Finally, the bill mandates that questions on the Sedimentation Control Act be included on the general contractors licensing exam.

ASSUMPTIONS AND METHODOLOGY: There are three potential fiscal impacts to the bill. First, the bill increases the maximum civil penalty for a violation of the Sedimentation Control Act to $5,000. The current maximum charge is $500. The Division of Land Resources estimates that in FY 1996-97 forty (40) cases were referred to enforcement. In FY 1997-98 that

number increased to seventy-four (74). The Division reports that very few violators were actually charged the maximum per day penalty of $500. In FY 1996-97 there were three cases where civil penalties of $500 per day were charged. In FY 1997-98 there were four such cases. The Division can not effectively estimate the how often they would charge the new maximum per day penalty of $5,000. Therefore, while there could be a small revenue increase as a result of this portion of the bill, an accurate fiscal estimate is not possible.

The second potential fiscal impact relates to removing the fee cap. Currently the Department can not charge more than $50 per acre. Also, the total amount collected can not excess 1/3 of the administrative and personnel costs associated with the program in the previous fiscal year. The Division of Land Resources reports that 1/3 cap is the true constraint. The current per acre fee is now approximately $20. If the 1/3 expenditure cap were removed, the Division could increase its fee to as much as $50. In FY 1996-97 the Division collected $515,031 in per acre fees. In 1997-98 that amount increased to $580,565. These numbers suggest that fees were charged on approximately 29,000 acres in FY 1997-98. Assuming the Division increased the fee to $50, and the number of acres included remained at approximately 29,000, the fee revenue will increase to approximately $1,450,00. This is an increase of approximately $869,435. These funds are deposited in a special non-reverting account in the Department of Environment and Natural Resources and are used to offset the cost of the sedimentation program.

The third potential impact relates to changes in the general contractor's exam. The bill requires that the general contractor exam be modified to include questions about the Sedimentation Control Act. The Department of Insurance staffs the General Contractor's Licensing Board. Because the Division of Land Resources in DENR has agreed to write the questions, the cost to the Department of Insurance should be minimal.

A BILL TO BE ENTITLED

AN ACT TO AMEND THE STRUCTURAL PEST CONTROL ACT.

The General Assembly of North Carolina enacts:

Section 1. G.S. 106-65.23 reads as rewritten:

"**§ 106-65.23. Structural Pest Control Division of Department of Agriculture and Consumer Services recreated; Director; powers and duties of Commissioner; Structural Pest Control Committee created; appointment; terms; powers and duties; quorum.**

(a) There is recreated, within the North Carolina Department of Agriculture and Consumer Services, a Division to be known as the Structural Pest Control Division. The Commissioner of Agriculture may appoint a Director of the ~~Division~~ Division, chosen from a list of nominees submitted to him by the Structural Pest Control Committee created in this section, whose duties and authority shall be determined by the ~~Commissioner.~~ Commissioner in consultation with the Committee. The Director shall be responsible for and answerable to the Commissioner of Agriculture and the Structural Pest Control Committee as to the operation and conduct of the Structural Pest Control Division. The Director shall act as secretary to the Structural Pest Control ~~Committee created in this section.~~ Committee.

(b) The Commissioner shall have the following powers and duties under this Article:

(1) To administer and enforce the provisions of this Article and the rules adopted thereunder by the Structural Pest Control Committee. In order to carry out these powers and duties, the Commissioner may delegate to the Director of the Structural Pest

Control Division the powers and duties assigned to him under this Article.

(2) To assign the administrative and enforcement duties assigned to him in this Article.

(3) To direct, in consultation with the Structural Pest Control Committee, the work of the personnel employed by the Structural Pest Control Committee and the work of the personnel of the Department assigned to perform the administrative and enforcement functions of this Article.

(4) To develop, for the Structural Pest Control Committee's consideration for adoption, proposed rules, policies, new programs, and revisions of existing programs under this Article.

(5) To monitor existing enforcement programs and to provide evaluations of these programs to the Structural Pest Control Committee.

(6) To attend all meetings of the Structural Pest Control Committee, but without the power to vote unless the Commissioner attends as the designee on the Committee from the Department of Agriculture and Consumer Services.

(7) To keep an accurate and complete record of all meetings of the Structural Pest Control Committee and to have legal custody of all books, papers, documents, and other records of the Committee.

(8) To perform such other duties as may be assigned to him by the Structural Pest Control Committee.

(c) There is hereby created a Structural Pest Control Committee to be composed of the following members. The Commissioner shall appoint one member of the Committee who is not in the structural pest control business for a four-year term. The Commissioner of Agriculture shall designate an employee of the Department of Agriculture and Consumer Services to serve on the Committee at the pleasure of the Commissioner. The dean of the School of Agriculture of North Carolina State University at Raleigh shall appoint one member of the Committee who shall serve for one term of two years and who shall be a member of the entomology faculty of the University. The vacancy occurring on the Committee by the expired term of the member from the entomology faculty of the University shall be filled by the dean of the School of Agriculture of North Carolina State University at Raleigh who shall designate any person of the dean's choice from the entomology faculty of the University to serve on the Committee at the pleasure of the dean. The Secretary of Health and Human Services shall appoint one member of the Committee who shall be an epidemologist and who shall serve at the pleasure of the Secretary. The Governor shall appoint two members of the Committee who are actively engaged in the pest control industry, who are licensed in at least two phases of structural pest control as provided under G.S. 106-65.25(a), and who are residents of the State of North Carolina but not affiliates of the same company.

One member of the Committee shall be appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives in accordance with G.S. 120-121, and one member of the Committee shall be appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate in accordance with G.S. 120-121. Vacancies in such appointments shall be filled in accordance with G.S. 120-122.

The initial Committee members from the pest control industry shall be appointed as follows: one for a two-year term and one for a three-year term. The Governor shall appoint one member of the Committee who is a public member and who is unaffiliated with the structural pest control industry, the pesticide industry, the Department of Agriculture and Consumer Services, the Department of Health and Human Services and the School of Agriculture at North Carolina State University at Raleigh. The initial public member shall be appointed for a term of two years, commencing July 1, 1991. After the initial appointments by the Governor, all ensuing appointments by the Governor shall be for terms of four years. Appointments made by the General Assembly shall be for terms of two years. Any vacancy occurring on the Committee by reason of death, resignation, or otherwise shall be filled by the Governor or the Commissioner of Agriculture, as the case may be, for the unexpired term of the member whose seat is vacant.

(d) The Structural Pest Control Committee shall have the following powers and duties:

(1) To adopt rules and make policies as provided in this Article.

(2) To issue, deny, suspend, revoke, modify, or restrict licenses, certified applicator cards, and registered technician cards under the provisions of this Article. In all matters affecting licensure, the decision of the Committee shall constitute the final agency decision.

~~make final decisions under this Article concerning licenses, certified applicator cards, and identification cards. The Committee shall~~

(3) To report annually to the Board of Agriculture the action taken in the Committee's final decisions and the financial status of the Structural Pest Control Division.

~~The Director shall be responsible for and answerable to the Commissioner of Agriculture as to the operation and conduct of the Structural Pest Control Division.~~

(e) Each member of the Committee who is not an employee of the State shall receive as compensation for services per diem and necessary travel expenses and registration fees in accordance with the provisions as outlined for members of occupational licensing boards and currently provided for in G.S. 93B-5. Such per diem and necessary travel expenses and registration fees shall apply to the same effect that G.S. 93B-5 might hereafter be amended.

Five members of the Committee shall constitute a quorum but no action at any meeting of the Committee shall be taken without four votes in accord. The chairman shall be entitled to vote at all times.

The Committee shall meet at such times and such places in North Carolina as the chairman shall direct; provided, however, that four members of the Committee may call a special meeting of the Committee on five days' notice to the other members thereof.

Except as otherwise provided herein, all members of the Committee shall be appointed or designated, as the case may be, prior to and shall commence their respective terms on July 1, 1967.

At the first meeting of the Committee they shall elect a chairman who shall serve as such at the pleasure of the Committee.

Section 2. G.S. 106-65.24 reads as rewritten:

"**§ 106-65.24. Definitions.**

~~For the purposes of this Article, the following terms, when used in the Article or the rules and regulations, or orders made pursuant thereto, shall be construed respectively to mean:~~ As used in this Article:

(1) 'Animal' means all vertebrate and invertebrate species, including but not limited to man and other mammals, birds, fish, and shellfish.

(1a) 'Applicant for a certified applicator's identification card' means any person making application to use restricted use pesticides in any phase of structural pest control.

(2) 'Applicant for a license' means any person in charge of any individual, firm, partnership, corporation, association, or any other organization or any combination thereof, making application for a license to engage in structural pest control, control of structural pests or household pests, or fumigation operations, or any person qualified under the terms of this Article.

(3) 'Attractants' means substances, under whatever name known, which may be toxic to insects and other pests but are used primarily to induce insects and other pests to eat poisoned baits or to enter traps.

(3a) Repealed by Session Laws 1989, c. 725.

(3b) 'Branch Office' means any office under the management of a licensee that is not a home office. ~~'Call office' means any office or telephone answering service other than a licensee's home office which is used by a licensee to conduct structural pest control work and which employs no more than one individual engaged in structural pest control work.~~

(4) 'Certified applicator' means any individual who is certified under G.S. 106-65.25 as authorized to use or supervise the use of any pesticide which is classified for restricted use.

(6a) 'Deviation' means failure of the licensee or certified applicator or registered technician card holder to follow any rule adopted by the Committee under provisions of this Article.

(7) 'Device' means any instrument or contrivance (other than a firearm) which is intended for trapping, destroying, repelling, or mitigating any pest or any other form of plant or animal life (other than man and other than bacteria, virus, or other microorganism on or in living man or other living animals); but not including equipment used for the application of pesticides when sold separately therefrom.

(8) Repealed by Session Laws 1975, c. 570, s. 4.

(8a) 'Director' means the Director of the Structural Pest Control Division of the Department of Agriculture and Consumer Services.

(9) 'Employee' means any person employed by a licensee with the exceptions of clerical, janitorial, or office maintenance employees, or those employees performing work completely disassociated with the control of insect pests, rodents or the control of wood-destroying organisms.

(9a) 'Enforcement agency' means the Structural Pest Control Division of the Department of Agriculture and Consumer Services.

(10) 'Fumigants' means any substance which by itself or in combination with any other substance emits or liberates a gas or gases, fumes or vapors and which gas or gases, fumes or vapors when liberated and when used will destroy vermin, rodents, insects, and other pests; but may be lethal, poisonous, noxious, or dangerous to human life.

(11) 'Fungi' means wood-decaying fungi.

(11a) 'Home office' means the ~~licensee's principal place of business.~~ office identified to the enforcement agency by a licensee as his or her principal place of business.

(12) 'Insect' means any of the numerous small invertebrate animals generally having the body more or less obviously segmented, for the most part belonging to the class Insects, comprising six-legged, usually winged forms, as for example, beetles, bugs, bees, flies, and to other allied classes of arthropods whose members are wingless and usually have more than six legs, as for example, spiders, mites, ticks, centipedes, and sowbugs.

(13) 'Insecticides' means substances, not fumigants, under whatever name known, used for the destruction or control of insects and similar pests.

(14) 'Label' means the written, printed, or graphic matter on, or attached to, the pesticide or device or any of its containers or wrappers.

(14a) The term 'labeling' means all labels and other written, printed, or graphic matter:

a. Upon the pesticide (or device) or any of its containers or wrappers;
b. Accompanying the pesticide (or device) at any time;
c. To which reference is made on the label or in literature accompanying the pesticide (or device) except when accurate nonmisleading reference is made to current official publications of the United States Department of Agriculture or Interior, the United States Public Health Service, state experiment stations, state agricultural colleges, or other similar federal institutions or official agencies of this State or other states authorized by the law to conduct research in the field of pesticides.

(15) 'Licensee' means ~~the designated person in charge of the business establishment or business entity, whether it be individual, firm, partnership, corporation, association or any organization, or any combination thereof, engaged in pest control work covered under the provisions of this Article. Each branch office of a business establishment is to be in charge of a person who has a license herein provided for.~~ any person qualified for and holding a license for any phase of structural pest control pursuant to this Article.

(16) 'Person' means any individual, partnership, association, corporation, or any organized group of persons whether incorporated or not.

(17) 'Pest' means any living organism, including but not limited to, insects, rodents, birds, and fungi, which the Commissioner declares to be a pest.

(18) 'Pesticide' means any substance or mixture of substances intended for preventing, destroying, repelling, or mitigating any pest.

(19) 'Registered pesticide' means a pesticide which has been registered by federal and/or State agency responsible for registering pesticides.

(19a) 'Registered technician' means any individual who is required to be registered with the Structural Pest Control Division under G.S. 106-65.31.

(20) 'Repellents' means substances, not fumigants, under whatever name known, which may be toxic to insects and related pests, but are generally employed because of capacity for preventing the entrance or attack of pests.

(21) 'Restricted use pesticide' means a pesticide which has been designated as such by the federal and/or State agency responsible for registering pesticides.

(22) 'Rodenticides' means substances, not fumigants, under whatever name known, whether poisonous or otherwise, used for the destruction or control of rodents.

(23) 'Structural pest control' means the control of wood-destroying organisms or household pests (including, but not limited to, animals such as moths, cockroaches, ants, beetles, flies, mosquitoes, ticks, wasps, bees, fleas, mites, silverfish, millipedes, centipedes, sowbugs, crickets, termites, wood borers, etc.), including the identification of infestations or infections, the making of inspections, the use of pesticides, including insecticides, repellents, attractants, rodenticides, fungicides, and fumigants, as well as all other substances, mechanical devices or structural modifications under whatever name known, for the purpose of preventing, controlling and eradicating insects, vermin, rodents and other pests in household structures, commercial buildings, and other structures (including household structures, commercial buildings and other structures in all stages of construction), and outside areas, as well as all phases of fumigation, including treatment of products by vacuum fumigation, and the fumigation of railroad cars, trucks, ships, and airplanes, or any one or any combination thereof.

(24) 'Under the direct supervision of a certified applicator' means, unless otherwise prescribed by its labeling, a pesticide shall be considered to be applied under the direct supervision of a certified applicator if it is applied by a competent person acting under the instructions and control of a certified applicator who is available if and when needed, even though such certified applicator is not physically present at the time and place the pesticide is applied."

Section 3. G.S. 106-65.25 reads as rewritten:

"**§ 106-65.25. Phases of structural pest control; prohibited acts; license required; exceptions.**

(a) The Committee shall classify license phases to be issued under this Article. Separate phases or subphases shall be specified for:

(1) Control of household pests by any method other than fumigation ('P' phase);

(2) Control of wood-destroying organisms by any method other than fumigation ('W' phase); and

(3) Fumigation ('F' phase).

(b) It shall be unlawful for any person ~~to act in the capacity of a structural pest control licensee,~~ to:

(1) ~~advertise~~ Advertise as, offer to engage in, or engage in or supervise work as a manager, owner, or owner-operator in any phase of structural pest control or otherwise act in the capacity of a structural pest control licensee unless ~~he~~ the person is licensed ~~as provided for in~~ pursuant to this ~~Article.~~ Article or has engaged the services of a licensee as a full-time regular employee who is responsible for the structural pest control performed by the

company. A license is required for each phase of structural pest control. ~~No person may hold~~

(2) Hold more than one license for each ~~phase.~~ phase of structural pest control. ~~The licensee shall be responsible for the supervision of the work performed under his license.~~

(3) Use a restricted use pesticide in any phase of structural pest control, whether it be on the person's own property or on the property of another, unless the person:

a. Qualifies as a certified applicator for that phase of structural pest control; or

b. Is under the direct supervision of a certified applicator who possesses a valid certified applicator's identification card for that phase of structural pest control.

(4) Use or supervise the use of restricted use pesticides in demonstrating or supervising a demonstration to the public of the proper use and techniques of the application of pesticides or conducting field research with pesticides unless:

a. The person possesses a valid certified applicator's identification card;

b. The person is conducting laboratory research involving restricted use pesticides; or

c. The person is a doctor of medicine or a doctor of veterinary medicine applying restricted use pesticides as drugs or medication during the course of his or her normal professional practice.

This subdivision applies to all persons, including cooperative extension specialists demonstrating pesticide products, individuals demonstrating methods used in public programs, and local, State, federal, commercial, and other persons conducting field research on or using restricted use pesticides.

(c) ~~A licensee may not establish any office other than his home office from which more than one employee is performing structural pest control work unless a separate licensee is placed in charge of that office.~~ It shall be unlawful for any licensee to do any of the following:

(1) Establish, be in charge of, or manage any branch office in excess of the number of branch offices that may be established, supervised, or managed by a licensee as set forth in rules adopted by the Committee.

(2) Fail to supervise the structural pest control performed out of the licensee's home office or any branch office under the licensee's management.

(3) Allow his or her license to be used by any person or company for which he or she is not a full-time regular employee actively and

personally engaged in the supervision of the structural pest control performed under the license.

(4) Use any pesticide, material, or device prohibited by the Committee or use any approved pesticide, material, or device in a manner prohibited by the Committee.

(5) Use or supervise the use of restricted use pesticides in a phase of structural pest control for which the person is not licensed or qualified as a certified applicator unless the person's use is under the supervision of a licensee or certified applicator certified in that phase of structural pest control.

(c1) The Committee shall adopt rules that permit a licensee to establish branch offices in addition to a home office. In no event shall the rules adopted restrict the number of branch offices a licensee can establish, supervise, or manage to fewer than two branch offices. The rules shall include provisions to ensure that the licensee can adequately supervise all structural pest control performed from the offices and under his or her license.

(d) A license is not required for any person (or ~~his~~ the person's full-time regular employees) doing structural pest control ~~work~~ on ~~his~~ the person's own ~~property: provided, however, that no~~ property. No fee may be charged for structural pest control ~~work~~ performed by any such person.

~~(e) Any person who uses a restricted use pesticide in any phase of structural pest control, whether it be on his own property or on the property of another, must:~~

~~(1) Qualify as a certified applicator for that phase of structural pest control; or~~

~~(2) Be under the direct supervision of a certified applicator possessing a valid identification card for that phase of structural pest control.~~

~~(f) Persons who demonstrate to the public the proper use and techniques of application of pesticides or supervise such demonstration or conduct field research with pesticides, and in doing so, use or supervise the use of restricted use pesticides must possess a valid certified applicator's identification card. Included in the first group are such persons as extension representatives demonstrating pesticide products and those individuals demonstrating methods used on public programs. The second group includes local, State, federal, commercial, and other persons conducting field research on or utilizing restricted use pesticides.~~

~~This subsection does not apply to the following persons:~~

~~(1) Persons conducting laboratory-type research involving restricted use pesticides; or~~

~~(2) Doctors of medicine and doctors of veterinary medicine applying restricted use pesticides as drugs or medication during the course of their normal practice.~~

(g) Any person issued a license for any one or any combination of the phases of structural pest control shall be deemed to be a 'certified applicator' to use or supervise the use of restricted use pesticides so long as the pesticides are being used only in the ~~phase(s)~~ phase of structural pest control for which the person is licensed.

(h) Licenses and certified applicator's identification cards may only be issued to individuals. License certificates and certified applicator's identification cards shall be issued in the name of the individual, shall bear the name and address of ~~his~~ the individual's business or employer's business and shall indicate the phase or phases for which the individual is qualified and such other information as the Committee may specify."

Section 4. G.S. 106-65.26(d) reads as rewritten:

"(d) All applicants for license must have practical experience and knowledge of practical and scientific facts underlying the practice of structural pest control, control of wood-destroying ~~organisms~~ organisms, or fumigation. ~~No person who has within five years of his application been convicted of or has entered a plea of guilty or a plea of nolo contendere to a crime involving moral turpitude, or who has forfeited bond to a charge involving moral turpitude, shall be entitled to take an examination or the issuance of a license under the provisions of this Article.~~ No applicant is entitled to take an examination for the issuance of a license pursuant to this Article who has within five years of the date of application been convicted, entered a plea of guilty or of nolo contendre, or forfeited bond in any State or federal court for a violation of G.S. 106-65.25(b), any felony, or any crime involving moral turpitude."

Section 5. G.S. 106-65.27(c1) reads as rewritten:

"(c1) When there is a transfer of ownership, management, operation of a structural pest control business or in the event of the death or disability of a licensee there shall be not more than a total of 90 days during any 12-month period in which said business shall operate without a licensee assigned to ~~it.~~ it; provided that, in the event of the death or disability of a licensee, the Committee shall have the authority to grant up to an additional 90 days within the 12-month period in which a business may operate without a licensee assigned to it.

The owner, partnership, corporation, or other entity operating said business shall, within 10 days of such transfer or disability or within 30 days of death, designate in writing to the Division a certified applicator who shall be responsible for and in charge of the structural pest control operations of said business during the 90-day period. If the owner, partnership, corporation, or other entity operating the business fails to designate a certified applicator who shall be responsible for the operation of the business during the 90-day period, the business shall cease all structural pest control activities upon expiration of the applicable notification period and shall not resume operations until a certified applicator is so designated.

During the 90-day period the use of any restricted use pesticide shall be by or under the direct supervision of the certified applicator designated in writing to the Division. The designated certified applicator shall be responsible for correcting all deviations on all existing contracts and for all work performed under his supervision.

The new licensee shall be responsible for correcting all deviations on all existing contracts and for all work performed under his supervision."

Section 6. G.S. 106-65.28 is amended by adding a new subsection to read:

"(g) Any pesticide, material, or device for which such information is requested by the Committee pursuant to G.S. 106-65.29(9a) and denied by the registrant or manufacturer shall not be used in any structural pest control performed for compensation and may only be used by an individual performing structural pest control on the individual's own property."

Section 7. G.S. 106-65.29 reads as rewritten:

"**§ 106-65.29. Rules and regulations.**

In order to ensure that persons licensed and certified under this Article are capable of performing a high quality of workmanship, the Committee ~~is hereby authorized and empowered to make~~ may adopt rules ~~and regulations~~ with respect to:

(1) The amount and kind of training required of an applicant for a license and certified applicator's card to engage in any one or more of the three phases of structural pest control, and the amount and kind of training required of an applicant for a registered technician's identification card.

(2) The type, frequency and passing score of any examination given an applicant for a license and certified applicator's card under this Article.

(3) The amount, kind and frequency of continuing education required of a licensee and certified applicator.

(4) The methods and materials to be used in performing any work authorized by the issuance of a license and certified applicator's card under this Article.

(5) The business records to be made and maintained by licensees and certified applicators under this Article necessary for the Committee to determine whether the licensee and certified applicator is performing a high quality of workmanship.

(6) The credentials and identification required of licensees and certified applicators, their employees and equipment, including service vehicles, when engaged in any work defined under this Article.

(7) Safety methods and procedures for structural pest control work.

(8) Fees for reinspection following a finding of a deviation, as defined by the Committee.

(9) Fees for training materials provided by the Committee or the Division. Such fees may be placed in a revolving fund to be used for training and continuing education purposes and shall not revert to the General Fund.

(9a) Efficacy data and other technical information to be submitted by registrants and manufacturers of pesticides and other materials or devices for review and approval, in order for the Committee and the enforcement agency to ensure the efficacy of pesticides and other materials or devices used in structural pest control in this State. This subdivision does not require either the Committee or

the enforcement agency to disclose any information that is confidential information within the meaning of G.S. 132-1.2.

(10) The policies and programs set forth in this Article."

Section 8. G.S. 106-65.30 reads as rewritten:

"**§ 106-65.30. Inspectors; inspections and reports of violations; designation of resident agent.**

(a) For the enforcement of the provisions of this Article the Commissioner is authorized to appoint one or more qualified inspectors and such other employees as are necessary in order to carry out and enforce the provisions of this Article. The inspectors shall be known as "structural pest control inspectors." The Commissioner ~~shall~~ may enforce compliance with the provisions of this Article by making or causing to be made periodical and unannounced inspections of work done by licensees and certified applicators under this Article who engage in or supervise any one or more phases of structural pest control as defined in G.S. 106-65.25. The Commissioner shall cause the prompt and diligent investigation of all reports of violations of the provisions of this Article and all rules and regulations adopted pursuant to the provisions hereof; provided, however, no inspection shall be made by a representative of the Commissioner of any property without first securing the permission of the owner or occupant thereof.

(b) Prior to the issuance or renewal of a license or certified applicator's identification card, every nonresident owner of a business performing any phase of structural pest control work shall designate in writing to the Commissioner or his authorized agent a resident agent upon whom service of notice or process may be made to enforce the provisions of this Article and rules and regulations adopted pursuant to the provisions hereof or any civil or criminal liabilities arising hereunder.

(c) The Commissioner shall have authority to appoint personnel of the Structural Pest Control Division as special inspectors and said special inspectors are hereby vested with the authority to arrest with a warrant, or to arrest without a warrant when a violation of this Article is being committed in their presence or they have reasonable grounds to believe that a violation of this Article is being committed in their presence. Said special inspectors shall take offenders before the several courts of this State for prosecution or other proceedings. The provisions of this section do not apply to any person holding a valid structural pest control license, or a certified applicator's identification card, or a registered technician's identification card as issued under the provisions of this Article. Special inspectors shall not be entitled to the benefits of the Law Enforcement Officers' Benefit and Retirement Fund or the benefits of the Law Enforcement Officers' and Others Death Benefit Act as provided for in Articles 12 and 12A of Chapter 143 of the General Statutes, respectively."

Section 9. G.S. 106-65.31(b) reads as rewritten:

"(b) License. -- The fee for the issuance or renewal of a license for any one phase of structural pest control shall be ~~one hundred twenty-five dollars ($125.00).~~ one hundred fifty dollars ($150.00). Each additional phase shall be ~~fifty dollars ($50.00).~~ sixty-five dollars ($65.00). The fee for each subphase shall be ~~ten dollars ($10.00).~~ fifteen dollars ($15.00). Licenses shall expire on June 30 of each year and shall be

renewed annually. All licensees who fail or neglect to renew their license on or before June 30, but who make application before January 1 of the following year, may have their license renewed without having to be reexamined, unless the applicant is scheduled for periodic reexamination under regulations adopted pursuant to G.S. 106-65.27(d)(3). No structural pest control work may be performed until the license has been renewed or until a new license has been issued.

Any licensee whose employment is terminated by his employer or any licensee who is transferred to another company or location other than the company or location shown on his license certificate, may at any time, have his license reissued for the remainder of the license year for a fee of ten dollars ($10.00).

Any licensee whose license is lost or destroyed may secure a duplicate license for a fee of ten dollars ($10.00)."

Section 10. G.S. 106-65.33 reads as rewritten:

"**§ 106-65.33. Violation of Article, falsification of records, or misuse of registered pesticide a misdemeanor.**

(a) Any person who shall be adjudged to have violated any provision of this Article or who falsifies any records required to be kept by this Article or by the rules and regulations pursuant to this Article or who uses a registered pesticide in a manner inconsistent with its labeling shall be guilty of a Class 2 misdemeanor. In addition, if any person continues to violate or further violates any provision of this Article after written notice from the Committee, the court may determine that each day during which the violation continued or is repeated constitutes a separate violation subject to the foregoing penalties.

(b) Nothing in this Article shall be construed to require the Committee or the Commissioner to initiate, or attempt to initiate, any criminal or administrative proceedings under this Article for a minor violation of this Article whenever the Committee or Commissioner determines that the public interest will be adequately served in the circumstances by a suitable written notice or warning."

Section 11. G.S. 106-65.41 reads as rewritten:

"**§ 106-65.41. Civil penalties.**

A civil penalty of not more than two thousand dollars ($2,000) may be assessed by the Committee against any person for any one or more of the causes set forth in G.S. 106-65.28(a)(1) through ~~(12).~~ (12) and G.S. 106-65.28(a)(14) and (15), or who violates or directly causes a violation of any provision of this Article or any rule adopted pursuant to this Article. In determining the amount of any penalty, the Committee shall consider the degree and extent of harm caused by the violation. No civil penalty may be assessed under this section unless the person has been given an opportunity for a hearing pursuant to Chapter 150B of the General Statutes. Assessments may be collected, following judicial review, if any, of the Committee's final decision imposing the assessment, in any lawful manner for the collection of a debt.

The clear proceeds of civil penalties assessed pursuant to this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2."

Section 12. This act becomes effective October 1, 1999.

BILL ANALYSIS

HB 1233:
Structural Pest Control Act Amendments

Committee:	Senate Finance	**Introduced by:**	Representative Hill
Date:	July 12, 1999	**Summary by:**	Martha K. Walston
Version:	2nd Edition		Committee Counsel

SUMMARY:

House Bill 1233 makes several changes to the Structural Pest Control Statutes, including a clarification of the responsibilities of the Department of Agriculture and Consumer Services and the Structural Pest Control Committee, the allowance of branch offices, and the increase of annual licensing fees. The current version of HB 1233 was given a favorable report in House Agriculture and House Finance. The act becomes effective October 1, 1999.

BACKGROUND:

Structural pest control is the control of household pests and wood destroying insects, including inspection, identification, and the use of pesticides and other substances to eradicate or control pests in household structures, commercial buildings and other structures and outside areas. G.S. 105-65.24(23). The structural pest control industry is regulated under the Structural Pest Control Act, Article 4C of Chapter 106 of the General Statutes. The act is administered by Structural Pest Control Division (the Division) of the North Carolina Department of Agriculture and Consumer Services. Currently, the Director of the Division is appointed by the Commissioner of Agriculture, who also sets out the Director's duties and authority. The Act also provides for the appointment of a Structural Pest Control Committee (SPCC) that is charged with making the final agency decisions on licensing matters and authorized to make rules on training and education requirements, examination scores, methods and materials to be used in pest control work, safety, credentials and other matters. The membership of the SPCC includes one member appointed by the Commissioner who is not in the structural pest business, one member appointed by the Commissioner who is an employee of NCDA, one member appointed by the Dean of the College of Ag at NCSU who is on the entomology faculty, one member appointed by the Secretary of Health and Human Services who is an epidemiologist, two members appointed by the Governor who are actively engaged in the structural pest control business, and two members appointed by the General Assembly.

BILL ANALYSIS:

The first portion of House Bill 1233 rewrites the provisions of G.S. 106-65.23 clarifying the powers and duties of the Commissioner and those of the SPCC with respect to the administration of the structural pest control law. The bill provides that Commissioner shall have the power to:

- Administer and enforce the provisions of the Act and the rules adopted thereunder.
- Assign administrative and enforcement duties.
- Direct the work of the Division's employees and personnel assigned to the SPCC.

- Develop proposed rules and programs for consideration for adoption by the SPCC.
- Monitor and evaluate existing programs and report on these to the SPCC.
- Attend and keep records of the meetings of the SPCC.
- Perform other duties assigned by the SPCC.

The SPCC is given the authority to:

- Adopt rules and make policies as provided for in the Article.
- Issue, deny, suspend, revoke, modify or restrict licenses.
- Report annually to the Board of Agriculture.

In addition, the amendments to Article 4C allow the SPCC a larger role in the selection and oversight of the Director of the Division. Currently appointed by the Commissioner, the bill provides that the Director shall be chosen from a list of nominees provided by the SPCC. The Director's duties are to be set by the Commissioner in consultation with the SPCC and the Director is to be answerable to both the Commissioner and the SPCC for the operation of the Division.

Section 2 of the bill rewrites definitions. The term "call office" is deleted and replaced with the term "branch office". A branch office is any office under the management of a licensee that is not a home office. The term "home office" is redefined to mean the place of business identified to the Division as the principle place of business. The term "licensee" is redefined to mean a person qualified and holding a license for any phase of structural pest control.

Section 3 of the bill makes two substantial changes to G.S. 106-65.25 regarding prohibited acts.

The first major change provides some flexibility to persons who wish to engage in the structural pest control business. Currently such a person must himself be licensed. The amendment would allow a person to advertise, engage in, or supervise work in any phase of structural pest control, or otherwise act in the capacity of structural pest control licensee if the person either is licensed or employs a licensee as a full time regular employee responsible for each phase of structural pest control.

The second major change would allow a licensee to establish branch offices, the maximum number of which is to be set by the SPCC but in no event fewer than two branch offices in addition to a home office. It is unlawful for a licensee to establish more branch offices than allowed by rule, fail to supervise the work performed out of any office under his management, allow his license to be used by a person or company for which he is not a full-time regular employee, use prohibited materials or devices or use approved pesticides or devices in an unapproved manner, or use or supervise the use of a restricted use pesticide for which he is not licensed.

Other portions of G.S. 106-65.25 are also rewritten for clarity and moved within the section.

Section 4 of the bill amends G.S. 106-65.26(d) expanding the bases for refusing to allow a license applicant to sit for an examination. As rewritten these will include violations of G.S. 106-65.25(b), regarding the operation and supervision of branch offices, and felonies, in addition to crimes involving moral turpitude.

Section 5 of the bill amends G.S. 106-65.27(c1) to allow the SPCC to grant an additional 90 days during which a structural pest control business may operate without a licensee assigned to it in the event of the death or disability of the licensee.

Section 6 of the bill adds a new subsection to G.S. 106-65.28 that would curtail the commercial use of any pesticide, material, or device for which the SPCC has requested information from the manufacturer or registrant but that request has been denied. Such pesticides and other material may only be used by an individual applying the material on his own property.

Section 7 of the bill would allow the SPCC to adopt rules that would require manufacturers and registrants of pesticides and other materials to provide efficacy data and other technical information on such products. Confidential information provided under these rules is not required to be disclosed by the Division or SPCC.

Section 8 of the bill provides the Division with discretion as to the number of inspections it conducts of work done by licensees.

Section 9 of the bill raises the fee for any one phase of structural pest control from $125 to $150 per year. Each additional phase license fee is raised from $50 to $65. The fee for each subphase license is raised from $10 to $15 annually.

Section 10 of the bill amends G.S. 106-65.33, Violation of Article, to provide that the SPCC and the Commissioner are not required under the provisions of Article 4C to initiate criminal or administrative proceedings for minor violations of the article if the SPCC or Commissioner determines that the public interest would be adequately served by written warning.

Section 11 of the bill amends the civil penalties portion of Article 4C to authorize the SPCC to impose a civil penalty for violations of G.S. 106-65.28(a)(14) and (15). Subsection (14) prohibits applying a substance that contains the active ingredients of a registered pesticide but is not a registered pesticide. Subsection (15) prohibits combining a substance whose application is prohibited pursuant to Subsection (14) with any other substance to apply as a pesticide or for any other reason. The amendment also provides that a civil penalty may be levied against any person who violates the provisions of Article 4C or the rules adopted thereunder by the SPCC.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Agriculture and Consumer Services

EFFECTIVE DATE: The act becomes effective October 1, 1999.

BILL SUMMARY: The bill makes changes to the Structural Pest Control Statutes.

ASSUMPTIONS AND METHODOLOGY:
Section 9 of bill increases the license fee for structural pest control as follows:

Phase one increased from $125 to $150
Additional phases increased from $50 to $65
Subphases increased from $10 to $15

The Department of Agriculture and Consumer Services reports that as of June 30, 1999 there are 753 phase one licenses, 629 phase two/three licenses, and zero subphase licenses. Since the fee increase becomes effective after licenses are renewed on July 1, 1999, there will be no increase in revenue for FY 1999-00. Based on prior year experience, the number of licenses is projected to grow by 5% a year over the next five years as follows:

	Phase 1	Additional Phases
FY 1999-00	753	629
FY 2000-01	791	660
FY 2001-02	830	693
FY 2002-03	872	728
FY 2003-04	915	765

The revenue generated by the fee increase in FY 2000-01 is calculated as follows:

	Current	Proposed	No. Licenses	Additional Revenue
One Phase	$125	$150	791	$19,775
Additional Phases	$50	$65	660	$9,900

A BILL TO BE ENTITLED

AN ACT ALLOWING THE NORTH CAROLINA STATE BOARD OF DENTAL EXAMINERS TO ENTER INTO AGREEMENTS WITH SPECIAL IMPAIRED DENTIST PEER REVIEW ORGANIZATIONS TO INCLUDE PROGRAMS FOR IMPAIRED DENTAL HYGIENISTS, TO COLLECT FEES TO FUND SUCH PROGRAMS, AND TO PROVIDE FOR REPRESENTATION FOR DENTAL HYGIENISTS ON THE STATEWIDE SUPERVISORY COMMITTEE.

The General Assembly of North Carolina enacts:

Section 1. Article 2 of Chapter 90 is amended by adding a new section to read:

"**§ 90-48.3. Board authority to include impaired dental hygienists in programs developed for impaired dentists.**

The Board may enter into agreements with special impaired dentist peer review organizations to include programs for impaired dental hygienists, and the provisions of G.S. 90-48.2 shall apply to any such agreements and programs. Special impaired dentist peer review organizations shall have the authority to appoint to the organizations, upon the recommendation of the dental hygienist member of the Board, one additional member who is a licensed dental hygienist and the member shall participate in activities and programs as they relate to impaired dental hygienists. Peer liaisons and volunteers participating in programs for impaired dental hygienists shall be dental hygienists. Dental hygienists who work with special impaired dentist peer review organizations in conducting programs for impaired dental hygienists shall have the same protections and responsibilities as members of

traditional State and local dental society peer review committees under Article 2A of this Chapter and as provided in G.S. 90-48.2. The provisions of G.S. 90-48.2 regarding confidentiality shall also be applicable to all dental hygienist activities authorized under this section."

Section 2. G.S. 90-223 is amended by adding a new subsection to read:

"(e) The Board shall have the authority to provide for programs for impaired dental hygienists as authorized in G.S. 90-48.3."

Section 3. G.S. 90-232 reads as rewritten:

"**§ 90-232. Fees.**

In order to provide the means of carrying out and enforcing the provisions of this Article and the duties devolving upon the North Carolina State Board of Dental Examiners, it is authorized to charge and collect fees established by its rules and regulations not exceeding the following:

(1)	Each applicant for examination	$125.00
(2)	Each renewal certificate, which fee shall be annually fixed by the Board and not later than November 30 of each year it shall give written notice of the amount of the renewal fee to each dental hygienist licensed to practice in this State by mailing such notice to the last address of record with the Board of each such dental hygienist	60.00
(3)	Each restoration of license	60.00
(4)	Each provisional license	60.00
(5)	Each certificate of license to a resident dental hygienist desiring to change to another state or territory	25.00
(6)	Annual fee to be paid upon license renewal to assist in funding programs for impaired dental hygienists	40.00.

In no event may the annual fee imposed on dental hygienists to fund the impaired dental hygienists program exceed the annual fee imposed on dentists to fund the impaired dentist program. All fees shall be payable in advance to the Board and shall be disposed of by the Board in the discharge of its duties under this Article."

Section 4. G.S. 90-48.2(a) reads as rewritten:

"(a) The State Board of Dental Examiners may, under rules adopted by the Board in compliance with Chapter 150B of the General Statutes, enter into agreements with special impaired dentist peer review organizations formed by the North Carolina Dental Society. The organizations shall be made up of Dental Society members designated by the Society, the Board, and the Dental School of the University of North Carolina. Peer review activities to be covered by such agreements shall include investigation, review and evaluation of records, reports, complaints, litigation, and other information about the practices and practice patterns of dentists licensed by the Board, as such matters may relate to impaired dentists. Special impaired dentist peer review organizations may include a statewide supervisory committee and various

regional and local components or subgroups. The statewide supervisory committee shall consist of representatives from the North Carolina Dental Society, the UNC School of Dentistry, and the Board. When the statewide supervisory committee considers activities and programs that relate to impaired dental hygienists pursuant to G.S. 90-48.3, its membership shall be expanded to include two dental hygienists appointed upon the recommendation of the dental hygienist member of the Board."

Section 5. This act is effective when it becomes law.

HOUSE BILL 1470:
Impaired Dental Hygienists/Fee

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Rep. Allen
Date:	July 9, 1999	**Summary by:**	Martha K. Walston
Version:	2nd Edition		Committee Counsel

SUMMARY: ***House Bill 1470 authorizes the State Board of Dental Examiners to include impaired dental hygienists in programs developed for impaired dentists. The bill imposes an additional $40 annual fee on dental hygienists to support the programs for impaired dental hygienists. The current version of the bill was given a favorable report in House Finance and Senate Health Care.***

CURRENT LAW: The "Caring Dentist Program" is a program established through agreements between the State Board of Dental Examiners and special impaired dentist peer review organizations formed by the North Carolina Dental Society. The purpose of the program is to identify dentists who have a chemical dependency or a mental illness. If an impairment exists, the peer review organization seeks to intervene and treat the dentist. The peer review organization must report information to the State Board of Dental Examiners if it determines that:

- The dentist constitutes an imminent danger to the public or himself.
- The dentist refuses to cooperate with the program, refuses to submit to treatment, or is still impaired after treatment and exhibits professional incompetence.
- It reasonably appears that there are other grounds for disciplinary action.

The agreements, which establish the Caring Dentist Program, must provide for the investigation, review, and evaluation of information about the practice of licensed dentists as the practices may relate to an impairment. They must also provide for the identification, intervention, treatment, referral, and follow-up care of impaired dentists and for the due process rights of the dentist subject to the Program.

The members of the special impaired dentist peer review organization are volunteer Dental Society members selected by the Board of Directors of the Caring Dentist Program. The members may not be held liable in damages to any person for any action taken or recommendation made within the scope of the functions of that committee. As a general rule, the proceedings and records of a committee must be held in confidence and may not be subject to discovery or introduction into evidence in any civil action arising out of the matters which are the subject of an evaluation and review by the committee

The Board of Directors of the Caring Dentist Program is comprised of representatives from the Dental Society, the State Board of Dental Examiners, and the UNC School of Dentistry. Dentists must pay an annual fee of $50, in addition to the annual renewal fee, to help support the special peer review organizations for impaired dentists.

BILL ANALYSIS: House Bill 1470 would allow the State Board of Dental Examiners to enter into agreements with special impaired dentist peer review organizations to include programs for impaired dental hygienists. The provisions required to be in the agreements concerning impaired dentists would also apply to the agreements concerning impaired dental hygienists.

The bill would give the special impaired dentist peer review organizations the authority to appoint to the organizations one additional member who is a licensed dental hygienist. The organization would make the appointment upon the recommendation of the dental hygienist member of the State Board of Dental Examiners. The dental hygienist member of the State Board is elected by all the licensed dental hygienists. The dental hygienist member of the peer review organization would participate in activities and programs as they relate to impaired dental hygienists. Dental hygienists who work with the special peer review organizations would have the same responsibilities and protections that the dental members have. Peer liaisons and volunteers who work with impaired dental hygienists are required to be dental hygienists.

The bill would add two dental hygienists to the statewide supervisory committee of the Caring Dentist Program. The dental hygienist members would be present whenever the Committee considers activities and programs that relate to impaired dental hygienists. The two dental hygienists would be appointed to the committee upon the recommendation of the dental hygienist member of the Board.

The bill would also impose an additional annual fee on dental hygienists. The fee could not exceed $40, not could it exceed the annual fee amount imposed on dentists for the impaired dentist program. The fee would be payable upon license renewal. Licenses must be renewed on or before January 1 of each year. The fee would be used to help fund programs for impaired dental hygienists.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: North Carolina State Board of Dental Examiners, North Carolina Dental Society

EFFECTIVE DATE: The act is effective when it becomes law.

BILL SUMMARY:
This bill authorizes the North Carolina State Board of Dental Examiners to include impaired dental hygienists in programs developed for impaired dentists. The bill imposes an annual $40 fee on dental hygienists to support the program for impaired dental hygienists.

BACKGROUND:
The 1993 General Assembly approved HB 914 (SL 93, chapter 420) that authorized the North Carolina State Board of Dental Examiners to collect a fee of up to $50 from licensed dentists to be used for a program for impaired dentists operated by a new state – sanctioned peer review organization. The N.C. State Board of Dental Examiners and the N.C. Dental Society signed a Memorandum of Agreement on May 21, 1994 to create the Caring Dentist Program . The purpose of the Caring Dentist Program is to provide intervention and rehabilitation for dental practitioners impaired by chemical dependency or mental illness. Appropriate treatment programs and aftercare monitoring are sought for the impaired dentists. An eight-member Board of Directors oversees the Caring Dentist Program.

Although G.S. 90-39 allows a fee of $50 to be charged to pay for the program, only $15 has been assessed each dentist renewing his license since 1994. (NCAC 21-16M.0001) Actual fees collected in 1997 were $55,300 and actual program expenses for 1997 were $43,681. The 1997 fund balance for the program was $88,861.74. This fee is proposed to rise to $25 in 1999 and annual revenue will rise to $97,775. The increase will be used to fund a full-time director.

ASSUMPTIONS AND METHODOLOGY:
House Bill 1470 will allow the N.C. State Board of Dental Examiners to create a program for impaired dental hygienists similar to the Caring Dentist Program. The bill allows the Board to charge up to $40 for this program. Although the Director of the State Board of Dental Examiners suggested the initial fee would probably be $15, this fiscal note assumes the maximum of $40 for budget projection purposes. As of April 1, 1999, North Carolina has 4,446 licensed dental hygienists. Over the last five years, the number of licensed hygienists has grown 3.4% per year. This growth rate is projected to continue over the next five years as shown in the chart below.

	Hygienists	Revenue
FY 1999-00	4,446	$177,840
FY 2000-01	4,597	$183,887
FY 2001-02	4,753	$190,139
FY 2002-03	4,915	$196,603
FY 2003-04	5,082	$203,288
FY 2004-05	5,255	$210,200

Since the $40 fee is assessed upon renewal, the 4,446 currently licensed hygienists will pay the new fee in FY 1999-00. Those receiving a license in FY 1999-00 will begin paying the additional $40 fee in FY 2000-01 and so on. This simplified chart is an estimate and can not precisely account for attrition and new applicants each year.

A BILL TO BE ENTITLED

AN ACT TO SET THE PUBLIC UTILITY REGULATORY FEES, TO SET THE INSURANCE REGULATORY CHARGE, TO IMPOSE THE INSURANCE REGULATORY CHARGE ON SERVICE CORPORATIONS AND ON HEALTH MAINTENANCE ORGANIZATIONS IN THE YEAR 2000, AND TO ALLOW THE DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES TO IMPOSE FEES THAT REFLECT THE ACTUAL COST OF RENDERING THE SERVICE.

The General Assembly of North Carolina enacts:

Section 1. The percentage rate to be used in calculating the public utility regulatory fee under G.S. 62-302(b)(2) is nine-hundredths percent (0.09%) of each public utility's North Carolina jurisdictional revenues earned during each quarter that begins on or after July 1, 1999.

Section 2. The annual fee imposed on The North Carolina Electric Membership Corporation under G.S. 62-302(b1), as enacted by House Bill 476, 1999 General Assembly, S.L. 1999-180, for the 1999-2000 fiscal year is two hundred thousand dollars ($200,000).

Section 3. The percentage rate to be used in calculating the insurance regulatory charge under G.S. 58-6-25 is seven percent (7%) for the 1999 calendar year.

Section 4. G.S. 58-6-25 reads as rewritten:

"**§ 58-6-25. Insurance regulatory charge.**

(a) Charge Levied. -- There is levied on each insurance company an annual charge for the purposes stated in subsection (d) of this section. ~~As used in this section, the term "insurance company" means a company that pays the gross premiums tax levied in G.S. 105-228.5 and G.S. 105-228.8, except a service corporation subject to Article 65 of this Chapter. A health maintenance organization subject to Article 67 of this Chapter is not subject to those taxes and is therefore not subject to the charge levied in this section.~~ The charge levied in this section is in addition to all other fees and taxes. The percentage rate of the charge is established pursuant to subsection (b) of this section. For each insurance company that is not an Article 65 corporation nor a health maintenance organization, the rate is applied to ~~charge shall be at a percentage rate of~~ the company's premium tax liability for the taxable year. For Article 65 corporations and health maintenance organizations, the rate is applied to a presumed premium tax liability for the taxable year calculated as if the corporation or organization were an insurer providing health insurance. In determining an insurance company's premium tax liability for a taxable year, the following shall be disregarded:

(1) Additional taxes imposed by G.S. 105-228.8.
(2) The additional local fire and lightning tax imposed by G.S. 105-228.5(d)(4).
(3) Any tax credits for guaranty or solvency fund assessments under G.S. 105-228.5A or G.S. 97-133(a).
(4) Any tax credits allowed under Chapter 105 of the General Statutes other than tax payments made by or on behalf of the taxpayer.

(b) Rates. -- The rate of the charge for ~~the 1991 taxable year shall be six and five-tenths percent (6.5%). For subsequent taxable years, the rate~~ each taxable year shall be the percentage rate established by the General Assembly. When the Department prepares its budget request for each upcoming fiscal year, the Department shall propose a percentage rate of the charge levied in this section. The Governor shall submit that proposed rate to the General Assembly each fiscal year. The General Assembly shall set by law the percentage rate of the charge levied in this section. The percentage rate may not exceed the rate necessary to generate funds sufficient to defray the estimated cost of the operations of the Department for each upcoming fiscal year, including a reasonable margin for a reserve fund. The amount of the reserve may not exceed one-third of the estimated cost of operating the Department for each upcoming fiscal year. In calculating the amount of the reserve, the General Assembly shall consider all relevant factors that may affect the cost of operating the Department or a possible unanticipated increase or decrease in North Carolina premiums or other charge revenue.

(c) Returns; When Payable. -- The charge levied on each health maintenance organization is payable March 15 following the end of each calendar year. The charge levied on each insurance company other than a health maintenance organization is payable at the time the insurance company remits its premium tax. If the insurance company is required to remit installment payments of premiums tax under G.S. 105-228.5 for a taxable year, it shall also remit installment payments of the

charge levied in this section for that taxable year at the same time and on the same basis as the premium tax installment payments. Each installment payment shall be equal to at least thirty-three and one-third percent (33.3%) of the insurance company's regulatory charge liability incurred in the immediately preceding taxable year.

Every insurance company shall, on or before the date the charge levied in this section is due, file a return on a form prescribed by the Secretary of Revenue. The return shall state the company's total North Carolina premiums or presumed premiums for the taxable year and shall be accompanied by any supporting documentation that the Secretary of Revenue may by rule require.

(d) Use of Proceeds. -- The Insurance Regulatory Fund is created in the State treasury, under the control of the Office of State Budget and Management. The proceeds of the charge levied in this section and all fees collected under Articles 69 through 71 of this Chapter and under Articles 9 and 9C of Chapter 143 of the General Statutes shall be credited to the Fund. The Fund shall be placed in an interest-bearing account and any interest or other income derived from the Fund shall be credited to the Fund. Moneys in the Fund may be spent only pursuant to appropriation by the General Assembly and in accordance with the line item budget enacted by the General Assembly. The Fund is subject to the provisions of the Executive Budget Act, except that no unexpended surplus of the Fund shall revert to the General Fund. All money credited to the Fund shall be used to reimburse the General Fund for the following:

(1) Money appropriated to the Department of Insurance to pay its expenses incurred in regulating the insurance industry and other industries in this State.

(2) Money appropriated to State agencies to pay the expenses incurred in regulating the insurance industry, in certifying statewide data processors under Article 11A of Chapter 131E of the General Statutes, and in purchasing reports of patient data from statewide data processors certified under that Article.

(3) Money appropriated to the Department of Revenue to pay the expenses incurred in collecting and administering the taxes on insurance companies levied in Article 8B of Chapter 105 of the General Statutes.

(e) Definitions. -- The following definitions apply in this section:

(1) Article 65 corporation. -- Defined in G.S. 105-228.3.

(2) Insurance company. -- A company that pays the gross premiums tax levied in G.S. 105-228.5 and G.S. 105-228.8 or a health maintenance organization.

(3) Insurer. -- Defined in G.S. 105-228.3."

Section 5. G.S. 106-6.1 reads as rewritten:

"**§ 106-6.1. ~~Fees not to exceed actual cost.~~ Fees.**

~~Fees or charges established by any board or commission within the Department of Agriculture and Consumer Services for services rendered or for duties performed~~

~~shall not exceed the actual cost to the Department of rendering such service or performing such duty. As used herein, "cost" shall mean expenses incurred for mileage, subsistence, postage, computer time, salaries, materials, supplies, or other similar expenses which are incurred as a direct result of rendering the service or performing the duty. As used herein, "cost" shall not include fixed overhead expenses such as buildings, equipment, machinery, or other similar expenses which are indirectly related to a particular service or duty.~~ A board or commission within the Department of Agriculture and Consumer Services may establish fees or charges for the services it provides. The Board of Agriculture, subject to the provisions of Chapter 146 of the General Statutes, may establish a rate schedule for the use of facilities operated by the Department of Agriculture and Consumer Services."

Section 6. Section 4 of this act becomes effective January 1, 2000, and applies to the insurance regulatory charge levied for the 2000 calendar year. The remainder of this act is effective when it becomes law.

HOUSE BILL 1289:
1999 Fee Bill

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Rep. Luebke
Date:	July 7, 1999	**Summary by:**	Martha K. Walston
Version:	2nd Edition		Committee Counsel

SUMMARY: ***House Bill 1289 sets the public utility regulatory fee at 0.09%, it sets the public utility regulatory fee on The North Carolina Electric Membership Corporation at $200,000, it sets the insurance regulatory charge at 7%, it imposes the insurance regulatory charge on HMOs, Blue Cross Blue Shield of NC, and Delta Dental of NC in the year 2000, and it allows the Department of Agriculture and Consumer Services to consider indirect costs when establishing its fee schedule. The current version of the bill was given a favorable report in HouseFinance on July 1, 1999.***

PUBLIC UTILITY REGULATORY FEE: **Section 1** sets the public utility regulatory fee for fiscal year 1999-2000 at 0.09%. The rate maintains the current 0.09% rate set in fiscal year 1997-98. The utility regulatory fee was imposed in 1989. Its purpose is to defray the State's cost in regulating public utilities. The regulatory fee is imposed on all utilities that are subject to regulation by the North Carolina Utilities Commission. The fee is a percentage of the utility's North Carolina jurisdictional revenues. In general, jurisdictional revenue is revenue derived from providing utility service in North Carolina.

In addition to funding the State's cost in regulating public utilities, the money in the Utilities Commission and Public Staff Fund was used last biennium to finance the work of the Study Commission on the Future of Electric Service in North Carolina. Legislation has been introduced this session, House Bill 777 and Senate Bill 266, to continue funding this Commission with revenue from the Fund for the upcoming fiscal year. The General Assembly established the Commission in 1997. The purpose of the Commission is to examine the cost, adequacy, availability, and pricing of electric rates and service in North Carolina to determine whether legislation is necessary to assure an adequate and reliable source of electricity and an economical, fair, and equitable rates for all consumers of electricity in North Carolina.

Section 2 of the bill establishes the public utility regulatory fee to be paid by The North Carolina Electric Membership Corporation for the 1999-2000 fiscal year at $200,000. This section becomes effective if and only if House Bill 476 is enacted. The General Assembly ratified this bill on June 10. It has been presented to the Governor to sign. House Bill 476 authorizes electric membership corporations to form subsidiary corporations that may provide energy services and products, telecommunications services and products, and water and wastewater collection and treatment. The subsidiaries must fully compensate the electric membership corporation for its use of the corporation's personnel, services, equipment, and property. Under House Bill 476, the Utilities Commission is charged with regulating this aspect of the subsidiary's business. To pay for the cost of this regulation, the bill creates a flat regulatory fee to be paid by The North Carolina Electric Membership Corporation to the Utilities Commission and Public Staff Fund. The General Assembly must establish the flat fee amount each year. This bill sets the fee amount at $200,000 for the 1999-2000 fiscal year.

INSURANCE REGULATORY CHARGE: **Section 3** increases the insurance regulatory charge from 6% to 7%. This charge was first imposed in 1991. Its purpose is to make the Department of

Insurance receipt-supported and thereby eliminate General Fund support of the Department. The regulatory fee is imposed on insurance companies that pay the gross premiums tax, other than service corporations such as Blue Cross Blue Shield and Delta Dental Corporation. Health maintenance organizations do not pay the regulatory charge because they do not pay the gross premiums tax. The charge is a percentage of the insurance company's premiums tax liability.

In 1995, the General Assembly eliminated the insurance audit and examination fees for insurance companies, HMOs, medical corporations, and guaranty associations. The revenue generated by these audit fees was an estimated $4.5 million annually. Consequently, the costs of the audits are now paid for by the insurance regulatory charge as part of the costs of regulating the insurance industry.

Section 4 of the bill imposes the regulatory charge on the HMOs and the medical corporations, effective January 1, 2000. The fee will be levied on an imaginary amount of dollars the HMOs and medical corporations would owe if they paid the gross premiums tax at the 1.9% rate like other insurers. HMOs do not pay the gross premiums tax. Medical corporations pay the gross premiums tax at a rate of one-half of one percent (0.05%).

AGRICULTURAL FEES AND CHARGES: **Section 5** allows the Department of Agriculture and Consumer Services to consider its indirect costs when establishing its fees and charges. Under current law, the term "costs" is defined for purposes of the fees and charges the Department may impose. Under the definition, the Department can consider expenses such as mileage, computer time, salaries, supplies, etc. It may not consider fixed overhead expenses such as buildings, equipment, machinery, or other similar expenses which are indirectly related to a particular service or duty. This limitation is troublesome when rental rates and fees are established for the use of agency facilities at fairs and agricultural centers because most of the Department's costs are in the form of fixed overhead expenses. The Appropriations Committee has indicated that a "break even" philosophy should be followed at fairs, agricultural centers, and farmers' markets. The revision of this statute is needed for the Department to be able to establish a "break even" rental rate for these types of facilities. The Department must continue to establish rental rates and fees under the provisions of the Administrative Procedures Act.

Cindy Avrette, committee counsel to House Finance, contributed substantially to this summary.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: N.C. Department of Insurance, N.C. Utilities Commission/Public Staff, and N.C. Department of Agriculture.

EFFECTIVE DATE: Section 1 becomes effective July 1, 1999. The remainder becomes effective when it becomes law.

BILL SUMMARY: Each year the General Assembly must set the regulatory fees for the insurance industry and public utilities. The bill sets the public utility regulatory fee at nine-hundredths percent (0.09%) of each public utility's North Carolina jurisdictional revenues. It also sets a flat fee of $200,000 to be assessed on the North Carolina Electric Membership Corporation. This funding is to cover the cost associated with the Commission's new oversight responsibilities as outlined in H.B. 476. The bill also sets the insurance regulatory fee at seven percent (7.0%) of a company's premiums tax liability. The bill applies the insurance regulatory fee to Health Maintenance Organizations (HMO) starting with the January 1, 2000 calendar year. The rate for HMOs is based on a "presumed premiums tax liability". This presumed liability is calculated on what these companies would have paid in premiums tax if they were liable for such a tax (the HMOs do not pay a premiums tax). The bill applies the fee to a presumed premiums tax liability of 1.9% of the company's premium base. The bill also presumes an Article 65

corporate tax liability of 1.9% of their premium base. (Their actual premiums tax rate is 0.5%). This provision also becomes effective for the calendar year beginning January 1, 2000. The HMO payment is due on March 15th of each year for the previous year's tax. All other companies remit the fee when they pay the premiums tax.

ASSUMPTIONS AND METHODOLOGY: The bill sets three fees - the public utilities regulatory fee, the electric membership corporation regulatory fee, and the insurance regulatory fee. The bill also authorizes the Department of Agriculture to charge fees that exceed the direct costs associated with an event. Currently the Department's fees for participation in fairs, festivals, and farmers markets can reflect only the direct cost of that involvement.

Public Utilities Regulatory Fee: The legislation sets the utilities regulatory fee at 0.09% of each public utilities' North Carolina jurisdictional revenues earned during each quarter that begins on or after July 1, 1999. (This maintains the current 0.09% rate set in fiscal year 1998-99.) The revenue generated from this fee supports the operations of the North Carolina Utilities Commission and Public Staff.

G.S. 62-302(b)(2) states that the percentage rate established by the General Assembly and assessed by the Commission "may not exceed the amount necessary to generate funds sufficient to defray the estimated cost of the operations of the Commission and Public Staff for the upcoming fiscal year, including a reasonable margin for a reserve fund." The Utilities Commission estimates that combined operations of the Commission and the Public Staff in FY 1999-2000 will require expenditures of not less than $10,244,533. Revenues generated by the proposed utilities regulatory fee are estimated to be $8,500,000. The balance will be derived from other revenues generated by Commission fees and charges, or from the Accumulated Fee Margin Reserve Account.

The Utilities Commission indicates that the status of the Accumulated Fee Margin Reserve is as follows:

Balance as of 6/30/99	$ 7,414,519
Add: Estimated Collections and Interest for FY 1999-2000 using 0.09%	$ 9,400,000
Total Funds Available	$16,814,519
Less: Estimated FY 1999-2000 Expenditures Reimbursable from Fees	$(10,244,553)*
Estimated Margin Reserve for Period Ending 6/30/2000	$ 6,569,966

** The Utilities Commission indicates that potential costs incurred by the Legislative Study Commission on the Future of Electric Service in North Carolina are not included in FY 1999-2000 estimated expenditures. That cost, if any, is not estimated at this time. House Bill 777 and Senate Bill 26, both introduced this session, extend the authorization of study commission expenses from the reserve fund through FY 1999-2000. Both bills have been referred to their respective chambers' appropriations committees for consideration.*

Based on [illegible] reserve, the fee of 0.0[illegible] be sufficient to cover the [illegible] Public Staff.

[illegible] Corporation (E[illegible] **[illegible]atory Fee:** House Bill 1289 [illegible]CS also [illegible] be paid by the North Carolina EMC totaling $200,000. This fee [illegible] House Bill 1[illegible], which authorizes electric membership corporations to form subs[illegible] corporations to provide additional services beyond traditional electric services. House Bi[illegible] charges the Utilities Commission with regulating these new subsidiaries. The North Car[illegible] EMC will now be required to remit an annual fee to the Utilities Special Fund to pay for th[illegible] of this regulation. The Utilities Commission esti[illegible]nates that $200,000 will be sufficient [illegible]er these anticipated costs in FY 1999-2000.

Insurance [illegible]egulatory Fee: The bill sets the insurance regulatory charge effective for calendar year 1999 [illegible].0%. (This is an increase of 1.0% over the previous year). The charge is based on a percentag[illegible] a company's premiums tax liability for the taxable year. Every insurance company [illegible]ct to the premiums tax levied under G.S. 105-228.[illegible] is required to pay the insurance [illegible]atory charge.

G.S. 58-6-[illegible] states that the percentage rate, set annually, cannot exceed the rate necessary to generate [illegible] sufficient to defray the estimated cost of operatin[illegible] the Department of Insurance for the upc[illegible]ng year including a reasonable margin for a reserve fund. The reserve fund should not exceed [illegible]-third of the estimated operating cost. The revenue collected from the charge is deposited int[illegible] the Insurance Regulatory Fund invested with the State Treasurer and managed by the Office of [illegible]tate Budget and Management. Funds generated by the regulatory charge are used to reimburse [illegible]e General Fund for the amount appropriated to the Department of Insurance.

The historic [illegible]ase against which the fee is charged, and the associated rate, is listed below.

	1997-98	1998-99
Estimated Gross Premiums Tax	$268 million	$281 million
Regulatory [illegible]ate	0.0875	0.06
Total Reve[illegible]ue	$23.45 million	$16.86 million

The historic [illegible]ase excludes Health Maintenance Organizations, and includes Article 65 companies [illegible]ue Cross/Blue Shield and Delta Dental) at a reduced rate.

The projecte[illegible] revenue for 1999-00, with a regulatory surcharge rate [illegible]f 7% is as follows:

	1999-00
Estimated [illegible]ross Premiums Tax	$295.05 million
Regulator[illegible] ate	0.070
Total Reve[illegible]ue	$20.65 million

The Department estimates that $3.3 million in refunds will be [illegible] companies that overpaid their surcharge in the previous year. Thus, the net collection[illegible] [illegible]7.35 million (20.65

minus 3.30). The Department estimates that the operating expenditures for 1999-2000 will be approximately $20.8 million, and that the reserve fund will have a beginning balance of $8.70 million. The total available from the reserve fund ($8.7 million) and the estimated net collections ($17.35 million) will be $26.05 million. The total available, less the estimated operating expenditures of $20.8 million, will leave a year-end reserve balance of $5.25 million, which is approximately one-quarter or 25% of the estimated operating expenditures.

Based on the above and the advise of the executive branch, the regulatory surcharge rate of 7.0% assessed against companies in the existing base is sufficient to defray the estimated cost of the operations of the Department including a reasonable reserve fund.

The bill also includes the premiums tax bases of the Article 65 organizations and the HMOs will be included in next year's rate setting base. Because the changes affecting the HMOs and the Article 65 companies do not become effective until the calendar year beginning with January 1, 2000, only the historic base is included in the calculation of the current year's revenue stream and the associated regulatory fee. Adding these two groups will increase the base against which the fee is charged in future years by approximately $35 to $40 million annually.

Agricultural Fees: Under current law the Department of Agriculture can charge fees for participation in fairs, festivals and farmers markets. Under current law these fee can only reflect the marginal cost associated with a particular participant or vendor. They can not use fee revenue to address the fixed costs of these events. This includes ongoing maintenance and repairs. This portion of the bill would allow the Department to increase their fees to include more than just the marginal cost. The Department has not established a new proposed fee schedule, and can not estimate how much additional revenue they hope to receive as a result of the bill. As a result, no fiscal estimate is possible on this portion of the bill.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE TOWNSHIP HOSPITALS STILL OPERATING UNDER PRE-1983 LAW TO LEVY ADDITIONAL TAXES AFTER A REFERENDUM, AND TO MODERNIZE PROVISIONS OF LAW APPLICABLE TO THEM.

The General Assembly of North Carolina enacts:

Section 1. G.S. 131-4, as it applies to hospitals continuing to operate under Article 2, Chapter 131 of the North Carolina General Statutes pursuant to Section 3, Chapter 775 of the 1983 Session Laws, is amended by adding a new subdivision to read:

"(4) Extension of Tax Levy. Prior to or following the expiration of the tax levy specified in subdivision (3) of this section, a new petition may be presented to the governing body of any county in which a township is located, signed by 200 resident freeholders of such township asking that an annual tax continue to be levied for the maintenance, operation, and improvement of the public hospital, after the expiration of the tax levy specified in subdivision (3). The procedure for submitting the petition and holding an election on the issue of continuing the tax levy shall be the same as the procedure for the petition and election for establishment of the initial tax levy, provided that the requirement that 150 of the 200 petitioners not be residents of the city, town, or village where the hospital is to be located shall not apply. The tax to be levied

under such new election shall not exceed one twenty-fifth of one cent (1/25 of 1 cent) on the dollar ($1.00) for a period of time not exceeding 30 years and shall be for the issue of county or township bonds to provide funds for the maintenance and improvement of the public hospital."

Section 2. G.S. 131-5 reads as rewritten:

"**§ 131-5. Election on tax levy; collection and application of funds.**

The board of elections of such county, township, or town shall submit to the qualified electors thereof, at a regular or special election, the question whether there shall be levied upon the assessed property of such county, township, or town a tax of one fifteenth of one cent (1/15 of 1¢) on the dollar ($1.00) for the purchase of real estate for hospital purposes, for the construction of hospital buildings, and for maintaining same, or for either or all of such purposes. The ballots to be used at any election at which the hospital question is submitted shall be printed with a statement substantially as follows:

[ ] Yes.

For a ..... cent tax for a bond issue for a public hospital and for maintenance of same.

[ ] No.

If a majority of the qualified voters at such election on the proposition shall be in favor of a tax as submitted for a bond issue for a public hospital and for maintenance of same, the governing body shall levy the tax so authorized, which shall be collected in the same manner as other taxes are collected, and credited to the "Hospital Fund," and shall be paid out on the order of the hospital trustees for the purposes authorized by this Article, and for no other purposes whatever.

The procedure for the submission of the issue of the continuation of the tax levy shall be the same as set forth above, provided that the tax shall not exceed one twenty-fifth of one cent (1/25 of 1 cent) on the dollar ($1.00) and the issue to be submitted to the voters shall be as follows:

'[ ] FOR [ ] AGAINST

A ----- cent tax for a bond issue for maintenance and improvement of the public hospital'."

Section 3. All hospitals which continue to operate under Article 2 of Chapter 131 of the General Statutes pursuant to Section 3 of Chapter 775 of the 1983 Session Laws shall, in addition to the powers and authorities set forth in Article 2 of Chapter 131 of the General Statutes have the powers set forth in G.S. 131 E-7(a)(1), (3), (5), (6), 131E-7(b), 131E-7(c), 131E-7.1, 131E-11, 131E-23(1), (2), (5), (6), (7), (8), (10), (11), (12), (13), (14), (15), (16), (17), (18), (19), (23), (24), (25), (26), (27), (28), (30), (31), (32), (33), (34), 131E-26, and 131E-27.

Section 4. Any hospital continuing to operate under Article 2 of Chapter 131 of the General Statutes pursuant to Section 3 of Chapter 775 of the 1983 Session Laws shall be considered to be a "public hospital" within the meaning of G.S. 159-39 and to be a "unit of local government" within the meaning of G.S. 160A-20.

Section 5. This act is effective when it becomes law.

HOUSE BILL 279:
Township Hospitals

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Rep. Redwine
Date:	July 12, 1999	**Summary by:**	Martha K. Walston
Version:	2nd Edition		Committee Counsel

SUMMARY: ***House Bill 279 authorizes township hospitals still operating under pre-1983 law to levy additional taxes after a referendum. The second edition of House Bill 279 was given a favorable report in House Finance. The act is effective when it becomes law.***

BILL ANALYSIS: House Bill 279 provides that a petition may be presented to a governing body of a county in which a township is located, signed by 200 resident freeholders of the township, asking that the annual tax continue to be levied for the maintenance, operation, and improvement of a public hospital in the township after expiration of the tax levy imposed under the pre-1983 law. The tax to be levied may not exceed 1/25 of 1 cent on the dollar for a period of time not to exceed 30 years and shall be for the issue of county or township bonds to provide funds for the maintenance and improvement of the public hospital.

These hospitals are to be considered a public hospital under G.S. 159-39. A public hospital is a hospital that:

1. Is operated by a county, city, hospital district, or hospital authority, or
2. Is owned by a county, city, hospital district or hospital authority and operated by a nonprofit corporation or association, a majority of whose board of directors or trustees are appointed by the governing body of a county, city, hospital district, or hospital authority, or
3. On whose behalf a county or city has issued and has outstanding general obligation or revenue bonds, or to which a county or city makes current appropriations.

A BILL TO BE ENTITLED

AN ACT TO STRENGTHEN THE LITTERING LAW BY INCREASING THE MINIMUM AND MAXIMUM FINES AND BY REQUIRING COMMUNITY SERVICE IN THOSE INSTANCES WHERE IT IS CURRENTLY PERMISSIVE.

The General Assembly of North Carolina enacts:

Section 1. G.S. 14-399 reads as rewritten:

"**§ 14-399. Littering.**

(a) No person, including but not limited to, any firm, organization, private corporation, or governing body, agents or employees of any municipal corporation shall intentionally or recklessly throw, scatter, spill or place or intentionally or recklessly cause to be blown, scattered, spilled, thrown or placed or otherwise dispose of any litter upon any public property or private property not owned by him within this State or in the waters of this State including, but not limited to, any public highway, public park, lake, river, ocean, beach, campground, forest land, recreational area, trailer park, highway, road, street or alley except:

(1) When such property is designated by the State or political subdivision thereof for the disposal of garbage and refuse, and such person is authorized to use such property for such purpose; or

(2) Into a litter receptacle in such a manner that the litter will be prevented from being carried away or deposited by the elements upon any part of such private or public property or waters.

(b) When litter is blown, scattered, spilled, thrown or placed from a vehicle or watercraft, the operator thereof shall be presumed to have committed such offense. This presumption, however, does not apply to a vehicle transporting agricultural products or supplies when the litter from that vehicle is a nontoxic, biodegradable agricultural product or supply.

(c) Any person who violates this section in an amount not exceeding 15 pounds and not for commercial purposes is guilty of a Class 3 misdemeanor punishable by a fine of not less than ~~one hundred dollars ($100.00)~~ two hundred fifty dollars ($250.00) nor more than ~~five hundred dollars ($500.00)~~ one thousand dollars ($1,000) for the first offense. In addition, the court ~~may~~ shall require the violator to perform community service of not less than eight hours nor more than 24 hours. The community service required shall be to pick up litter if feasible, and if not feasible, to perform other labor commensurate with the offense committed. Any second or subsequent offense within three years after the date of a prior offense is punishable by a fine of not less than ~~one hundred dollars ($100.00)~~ five hundred dollars ($500.00) nor more than ~~one thousand dollars ($1,000).~~ two thousand dollars ($2,000). In addition, the court ~~may~~ shall require the violator to perform community service of not less than 16 hours nor more than 50 hours. The community service required shall be to pick up litter if feasible, and if not feasible, to perform other labor commensurate with the offense committed.

(d) Any person who violates this section in an amount exceeding 15 pounds but not exceeding 500 pounds and not for commercial purposes is guilty of a Class 3 misdemeanor punishable by a fine of not less than ~~one hundred dollars ($100.00)~~ five hundred dollars ($500.00) nor more than ~~one thousand dollars ($1,000).~~ two thousand dollars ($2,000). In addition, the court shall require the violator to perform community service of not less than 24 hours nor more than 100 hours. The community service required shall be to pick up litter if feasible, and if not feasible, to perform other community service commensurate with the offense committed.

(e) Any person who violates this section in an amount exceeding 500 pounds or in any quantity for commercial purposes, or who discards litter that is a hazardous waste as defined in G.S. 130A-290 is guilty of a Class I felony. In addition, the court ~~may~~ shall order the violator to:

(1) Remove, or render harmless, the litter that he discarded in violation of this section;

(2) Repair or restore property damaged by, or pay damages for any damage arising out of, his discarding litter in violation of this section; or

(3) Perform community public service relating to the removal of litter discarded in violation of this section or to the restoration of an area polluted by litter discarded in violation of this section.

(f) A court may enjoin a violation of this section.

(f1) If a violation of this section involves the operation of a motor vehicle, upon a finding of guilt, the court shall forward a record of the finding to the Department of Transportation, Division of Motor Vehicles, which shall record a penalty of one point

on the violator's drivers license pursuant to the point system established by G.S. 20-16. There shall be no insurance premium surcharge or assessment of points under the classification plan adopted pursuant to ~~G.S. 58-30.4~~ G.S. 58-36-65 for a finding of guilt under this section.

(g) A motor vehicle, vessel, aircraft, container, crane, winch, or machine involved in the disposal of more than 500 pounds of litter in violation of this section is declared contraband and is subject to seizure and summary forfeiture to the State.

(h) If a person sustains damages arising out of a violation of this section that is punishable as a felony, a court, in a civil action for such damages, shall order the person to pay the injured party threefold the actual damages or two hundred dollars ($200.00), whichever amount is greater. In addition, the court shall order the person to pay the injured party's court costs and attorney's fees.

(i) For the purpose of the section, unless the context requires otherwise:

(1) "Aircraft" means a motor vehicle or other vehicle that is used or designed to fly, but does not include a parachute or any other device used primarily as safety equipment.

~~(2) "Commercial vehicle" means a vehicle that is owned or used by a business, corporation, association, partnership, or sole proprietorship or any other entity conducting business for economic gain.~~

(2a) "Commercial purposes" means litter discarded by a business, corporation, association, partnership, sole proprietorship, or any other entity conducting business for economic gain, or by an employee or agent of such entity.

(3) "Law enforcement officer" means any officer of the North Carolina Highway Patrol, the State Bureau of Investigation, the Division of Motor Vehicles of the Department of Transportation, a county sheriff's department, a municipal law enforcement department, a law enforcement department of any other political subdivision, the Department, or the North Carolina Wildlife Resources Commission. In addition, and solely for the purposes of this section, "law enforcement officer" means any employee of a county or municipality designated by the county or municipality as a litter enforcement officer; or wildlife protectors as defined in G.S. 113-128(9);

(4) "Litter" means any garbage, rubbish, trash, refuse, can, bottle, box, container, wrapper, paper, paper product, tire, appliance, mechanical equipment or part, building or construction material, tool, machinery, wood, motor vehicle or motor vehicle part, vessel, aircraft, farm machinery or equipment, sludge from a waste treatment facility, water supply treatment plant, or air pollution control facility, dead animal, or discarded material in any form resulting from domestic, industrial, commercial, mining, agricultural, or governmental operations. "Litter" does not include

political pamphlets, handbills, religious tracts, newspapers, and other such printed materials the unsolicited distribution of which is protected by the Constitution of the United States or the Constitution of North Carolina.

(5) "Vehicle" has the same meaning as in G.S. 20-4.01(49); and

(6) "Watercraft" means any boat or vessel used for transportation across the water.

(j) It shall be the duty of all law enforcement officers to enforce the provisions of this section.

(k) This section does not limit the authority of any State or local agency to enforce other laws, rules or ordinances relating to litter or solid waste management."

Section 2. The Commissioner of Motor Vehicles is directed to include at least one question relating to littering on the next drivers license examination prepared by the Division of Motor Vehicles.

Section 3. This act becomes effective December 1, 1999, and applies to offenses committed on or after that date.

HOUSE BILL 222:
Strengthen Littering Law

BILL ANALYSIS

Committee: Senate Finance
Date: July 9, 1999
Version: Proposed Senate Committee Substitute

Introduced by: Representative Mitchell
Summary by: Martha K. Walston
Committee Counsel

SUMMARY: ***House Bill 222 will increase the minimum and maximum fines for discarding litter in any amount. The bill has been through House Judiciary III, House Finance, and Senate Judiciary II. The version of the bill passed by House Finance imposed mandatory community service for certain violations of the littering law. The Senate Proposed Committee Substitute reinstates the current law that gives the court the discretion to impose community service for discarding 15 pounds or less of litter not for commercial purposes.***

CURRENT LAW: ***Current law requires the following:***

Amount of Litter Discarded	Classification	Fine	Community Service
15 lbs. Or less; not for commercial purposes – *1st offense*	Class 3 Misdemeanor	$100 - $500	*May* require 8 – 24 hours of picking up litter or other labor commensurate with the offense
15 lbs. or less; not for commercial purposes – *2nd or subsequent offense committed within 3 years*	Class 3 Misdemeanor	$100 - $1,000	*May* require 16 - 50 hours of picking up litter or other labor commensurate with the offense
15 lbs. – 500 lbs.; not for commercial purposes	Class 3 Misdemeanor	$100 - $1,000	*Shall* require 24 – 100 hours of picking up litter or other labor commensurate with the offense.
> 500 lbs. ; or for commercial purposes; or hazardous waste	Class I Felony	Discretion of the court	*May* order the violator to remove or render harmless the litter; repair, restore, or pay for any property damage; or perform community service.

BILL ANALYSIS: House Bill 222 would (1) increase the fines for littering and (2) would make community service ,removal of litter, or payment of property damage mandatory for discarding more than 500 lbs. or for discarding any amount for commercial purposes, or for discarding litter that is a hazardous waste as follows:

Amount of Litter Discarded	Classification	Fine	Community Service
15 lbs. or less; not for commercial purposes – *1st offense*	Class 3 Misdemeanor	**$250 – $1,000**	*(Required under current law)*
15 lbs. or less; not for commercial purposes – *2nd or subsequent offense committed within 3 years*	Class 3 Misdemeanor	**$500 – $2,000**	*(Required under current law)*

15 lbs. – 500 lbs.; not for commercial purposes	Class 3 Misdemeanor	**$500 – $2,000**	*(Required under current law)*
> 500 lbs.; or for commercial purposes; or hazardous waste	Class I Felony	Discretion of the court	***Shall*** order the violator to remove or render harmless the litter; repair, restore, or pay for any property damage; or perform community service.

"Commercial purposes" is used throughout existing law, but was not defined. The bill defines "commercial purposes" and removes the definition of "commercial vehicle" since the term was not used in this section. "Commercial purposes" means "litter discarded by a business, corporation, association, partnership, sole proprietorship, or any other entity conducting business for economic gain, or by an employee or agent of such entity."

"Hazardous waste" is defined in G.S. 130A-290 as "a solid waste or combination of solid wastes, which because of its quantity, concentration or physical, chemical or infectious characteristics may:

a. cause or significantly contribute to an increase in mortality or an increase in serious irreversible or incapacitating reversible illness; or

b. pose a substantial present or potential hazard to human health or the environment when improperly treated, stored, transported, disposed of or otherwise managed.

EFFECTIVE DATE: House Bill 222 would become effective December 1, 1999, and apply to offenses committed on or after that date.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Administrative Office of the Courts, Community Service Work Program (Crime Control and Public Safety); Division of Motor Vehicles

EFFECTIVE DATE: December 1, 1999

BILL SUMMARY: **H 222. STRENGTHEN LITTERING LAW.** TO STRENGTHEN THE LITTERING LAW BY INCREASING THE MINIMUM AND MAXIMUM FINES, BY REQUIRING COMMUNITY SERVICE IN THOSE INSTANCES WHERE IT IS CURRENTLY PERMISSIVE, AND BY AUTHORIZING AN INSURANCE PREMIUM SURCHARGE AND ASSESSMENT OF POINTS PURSUANT TO G.S. 58-30.4 FOR PERSONS CONVICTED OF LITTERING. Amends GS 14-399 (basic prohibition against littering) to raise the minimum and maximum fines for each kind (first or subsequent offense, size of litter) of offense and to require community service (picking up litter, if feasible) where it is now discretionary. For amounts exceeding 500 pounds or for commercial purposes or hazardous waste, the court must (now, may) order removal and repair and community service relating to removal of litter and repair of damaged areas. Bill also removes provision specifying that no insurance premium surcharge or assessment of points may be made for a finding of guilt for littering . Defines "commercial purposes" as an offense committed by a business, corporation, association, partnership, sole proprietorship, or any other entity conducting business for economic gain, or by an employee or agent of such entity.

Also directs DMV to include at least one question on littering on next drivers license exam.

ASSUMPTIONS AND METHODOLOGY:

I. Fine Increase

This bill does not affect the criminal penalty for littering (Class 3 Misdemeanor for quantities through 500 pounds; Class I Felony for higher quantities, commercial or hazardous) but raises the fines for the misdemeanor penalty. The statute specifies the minimum and maximum fine for each violation but the judge has some discretion in setting the exact amount. The amounts are changed as follows:

Not exceeding 15 pounds/1st offense	raise minimum from $100 to $250 Maximum from $500 to $1000
Not exceeding 15 pounds/subse offense	minimum from $100 to $500 Maximum from $1000 to $2000
Exceeding 15 pounds Not exceeding 500 pounds/1st offense	mimimum from $100 to $500 Maximum from $1000 to $2000

In Calendar Year 1998, there were 3,229 charges for misdemeanor littering and 1,944 convictions. The Administrative Office of the Courts does not keep data broken down by specific criminal fines so we do not know the total amount of fine collected.

1,851 of the convictions were for amounts not exceeding 15 pounds. Assuming judges have on average used the midpoint of the range of possible fines, the average fine will increase from $300 to $625. Assuming all 1,851 convictions were first offenses, this increases fines levied by $601,575 (=1851*325).

An additional 93 convictions were for amounts from 15 pounds-500 pounds. Again assuming the midpoint of the range of fines, the average fine will increase from $550 to $1250, increasing total fines levied by $65,100.

The total increase in fines	**$601,575**
	$ 65,100
	$666,675

To the extent that more of the CY 1998 convictions were subsequent offenses or that judges levy fines closer to the maximum, this figure will increase. (If judges have been and continue levying the maximum fine, the total increase would be $1.02 Million. If they choose the minimum fines, increase would be $314,850)

II. Community Service Work Requirement

Current statute allows the judge to order community service for all categories of the offense, specifying the range of possible hours and that the service shall be picking up litter if feasible. The Community Service Work Program reports that they currently have only a handful of offenders sentenced for littering. Based on 1,994 convictions and assuming judges will use the

midpoint of the range of possible hours, this section would increase total community service work hours as follows:

Amounts less than 15#/1st offense	**@ 16 hours:**	**29,616**
Amounts greater than 15#	**@ 33 hours:**	**3,069**
Over 500 or commercial	**hours not specified**	
Total Increase in Hours		**32,685**

(If judges choose the minimum hours, increase would be 17,040; if they choose the maximum it will be 53,724)

In 1997-98, hours worked in the Community Service Work Program totalled 2.35 Million. Increases in the number of offenders and hours can be absorbed by the Department within current resources.

III. License Exam

Because the statute specifies a question on littering shall be included in the next examination, there is no fiscal impact of this section. The new question will be added at the time of next redesign/reprinting of the exams.

IV. Administrative Office of the Courts

The higher fines and mandatory community service requirement may cause defendants to mount a more vigorous defense which would increase the workload in the court system. However, no data is available to estimate this impact.

TECHNICAL CONSIDERATIONS

Most offenders sentenced to Community Service must pay a $100 fee which goes to the General Fund. The statutes governing different aspects (for DWI offenders, for parolees, etc) of the Community Service program specify this fee. Since GS 14-399 does not specify the fee, littering offenders would not be obligated to pay it unless the judge specifically includes it in their order. If all littering offenders sentenced to Community Service paid the fee, it would generate an additional $194,400 .

A BILL TO BE ENTITLED

AN ACT TO REGULATE COTTON GINS, COTTON WAREHOUSES, AND COTTON MERCHANTS.

The General Assembly of North Carolina enacts:

Section 1. Chapter 106 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 38B.

"Cotton Gins, Warehouses, Merchants.

"**§ 106-451.40. Definitions.**

(1) "Cotton gin" means any cotton gin.

(2) "Cotton merchant" means any person who buys cotton from the producer for the purpose of resale, or acts as a broker or agent for the producer in arranging the sale of cotton. It does not include a person who buys cotton for his own use.

(3) "Cotton warehouse" means any enclosure in which producer-owned cotton is stored or held for longer than 48 hours.

"**§ 106-451.41. Registration required.**

No person shall engage in business as a cotton gin, cotton warehouse, or cotton merchant without first having registered with the Commissioner of Agriculture. This shall include a cotton marketing cooperative or association that performs any of these functions.

"**§ 106-451.42. Application; bond; display of certificate of registration.**

(a) A cotton gin, cotton warehouse, cotton merchant, or cotton marketing cooperative or association shall, on or before July 1 of each year, file an application for registration on a form provided by the Commissioner of Agriculture. A fee of twenty-five dollars ($25.00) shall be submitted with each application.

(b) An application for registration as a cotton warehouse shall also be accompanied by a bond in the amount of three hundred thousand dollars ($300,000) issued by a company authorized to issue surety bonds in North Carolina and shall be conditioned upon fulfillment of contractual obligations related to the purchase or storage of cotton. A bond shall not be required for a person who is licensed and bonded under the U.S. Warehouse Act.

(c) The registration certificate shall be conspicuously displayed at the place of business.

"**§ 106-451.43. Records; receipts; other duties; denial of registration.**

(a) Cotton gins, cotton warehouses, cotton merchants, and cotton cooperatives or associations shall keep records of producer-owned cotton transactions for seven years, showing the producer's name, bale number, and bale weight.

(b) Cotton gins shall, within 48 hours of ginning, make available to the person from whom cotton was received, a paper document showing the bale number and weight for each bale of cotton ginned.

(c) Cotton gins, cotton warehouses, cotton merchants, and cotton cooperatives or associations shall not market, obligate for sale, or otherwise dispose of producer-owned cotton without written consent from the producer.

(d) Cotton gins, cotton warehouses, cotton merchants, and cotton cooperatives or associations shall assist the Commissioner of Agriculture or his agents in inspecting records of producer-owned cotton transactions. Cotton gins, cotton warehouses, cotton merchants, and cotton cooperatives or associations shall assist the Commissioner or his agents in weighing or reweighing a representative sample of cotton bales stored or held at their premises, using sampling procedures approved by the Board of Agriculture.

(e) Violation of any of the requirements of this section shall be grounds for denial, suspension, or revocation of registration under G.S. 106-451.41.

"**§ 106-451.44. Operation without registration unlawful; injunction.**

Engaging in business as a cotton gin, cotton warehouse, or cotton merchant without being registered under G.S. 106-451.41 is punishable as a Class 2 misdemeanor. In addition, the Commissioner of Agriculture may apply to any court of competent jurisdiction to obtain injunctive relief to prevent violations of this act."

Section 2. This act becomes effective January 1, 2000.

HOUSE BILL 1010:
Cotton Gins, Warehouses, Merchants

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Representative Hill
Date:	July 14, 1999	**Summary by:**	Mary Shuping
Version:	3rd Edition		Research Assistant

SUMMARY: ***House Bill 1010 requires all cotton gins, cotton warehouses, and cotton merchants to be registered. The bill also establishes the registration fee and bond requirements and provides that operation without registration is a Class 2 misdemeanor.***

The bill received a favorable report from the Senate Agriculture Committee on July 12, 1999.

CURRENT LAW & BILL ANALYSIS: Under current law, there is no requirement that cotton gins, warehouses, or merchants be registered.

House Bill 1010 would regulate cotton gins, warehouses, and merchants, as follows:

Cotton Gins, Cotton Warehouses, and Cotton Merchants would be required to register with the Commissioner of Agriculture before engaging in business. A "cotton warehouse" is an enclosure in which producer-owned cotton is stored or held for longer than 48 hours. A "cotton merchant" is a person who buys cotton for the purpose of resale, or acts as a broker or agent for the producer. The term does not include someone who buys cotton for his own use.

Registration Fee; Bond. Cotton gins, cotton merchants, and cotton warehouses would be required to register with the Department of Agriculture by July 1 of each year. The annual fee for registration is $25.00. In addition, cotton warehouses that are not licensed and bonded under the U.S. Warehouse Act must submit a bond in the amount of $300,000.

Records; Receipts; Denial of Registration. Cotton gins, cotton warehouses, cotton merchants, and cotton cooperatives or associations are required to keep records of producer-owned cotton transactions for 7 years and cannot dispose of the cotton without consent from the producer. Gins are required to give a document showing the bale number and weight for each bale to the grower within 48 hours. Finally, these entities are required to assist agents of the NC Department of Agriculture in inspection of records and weighing or re-weighing cotton bales samples. Violations of these requirements are grounds for denial, suspension, or revocation of registration.

Operation Without Registration is punishable as a Class 2 misdemeanor.

EFFECTIVE DATE: The act is effective January 1, 2000.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: North Carolina Department of Agriculture.

EFFECTIVE DATE: January 1, 2000.

BILL SUMMARY: The legislation requires that all cotton gins, cotton merchants, cotton warehouses and cotton marketing cooperative associations that gin, sell, or warehouse cotton register with the state. They must also pay a $25.00 annual fee. The fee is due on July 1 of each year. The registration must be conspicuously displayed at the place of business. The bill also requires that registration applications for cotton warehouses also include a bond of $300,000. No bond is required if the person involved is licensed and bonded under the U.S. Warehouse Act. Additionally the bill directs that gins, merchants, warehouses and cooperative associations maintain transaction records for seven years. Cotton gins must also, within 48 hours of ginning, make documents available to those who provided the cotton, showing the bale number and weight for each bale ginned. The bill also requires that gins, merchants, warehouses and cooperative associations get written consent from the producer before the product is sold or committed. The same organizations must also assist the Agriculture Commissioner and his agents when inspecting records or weighing cotton bales. Violation of any of the recording, sale, or assistance provisions is grounds for denial, suspension, or revocation of registration. Engaging in this business without the appropriate registration is punishable as a Class 2 misdemeanor. The Commission is authorized to apply for an injunction to prevent violations of the act.

ASSUMPTIONS AND METHODOLOGY: Under the legislation, each cotton gin, warehouse, merchant, and cooperative engaged in one or more of these businesses must register and pay a $25.00 annual fee. The Department of Agriculture reports that there where 48 cotton gins, 28 cotton warehouses, and 20 cotton merchants in 1997. Assuming each paid the $25.00 annual fee, the potential revenue is as follows:

	Number	Potential Revenue
Cotton Gins	48	1,200
Cotton Warehouses	28	700
Cotton Merchants	20	500
TOTAL	**96**	**2,400**

The fiscal note assumes no significant growth in the number of gins, warehouses, or merchants in the next five years.

The bill also makes operating a gin, warehouse or merchant without a registration a Class 2 misdemeanor. Because the maximum prison time associated with a Class 2 misdemeanor is 60 days, and the number of violations is expected to be extremely low, Fiscal Research does not anticipate the bill will create a cost to the prison system.

The Department of Agriculture reports that the registration and inspection processes outlined in the bill can be handled by existing staff.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR WITHHOLDING OF NORTH CAROLINA INCOME TAXES FROM TAXABLE PENSIONS, ANNUITIES, AND DEFERRED COMPENSATION.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-163.1 is amended by adding two new subdivisions to read:

"(11a) Pension payer. -- A payor or a plan administrator with respect to a pension payment under section 3405 of the Code.

(11b) Pension payment. -- A periodic payment or a nonperiodic distribution that is not an eligible rollover distribution, as defined in section 3405 of the Code."

Section 2. G.S. 105-163.1(14) reads as rewritten:

"(14) Withholding agent. -- An ~~employer~~ employer, a pension payer, or a payer."

Section 3. Article 4A of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-163.2A. Pension payers must withhold taxes.**

(a) Definitions. -- The definitions provided in section 3405 of the Code apply in this section.

(b) Withholding Required. -- A pension payer required to withhold federal taxes under section 3405 of the Code on a pension payment to a resident of this State must deduct and withhold from the payment the State income taxes payable on the

payment. Liability for withholding and paying taxes under this section on a pension payment falls on the person who would be liable under section 3405 of the Code for withholding federal taxes on the payment.

Except as otherwise provided in this section, the provisions of this Article apply to a pension payer's pension payment to a resident of this State as if it were an employer's payment of wages to an employee. If a pension payer has more than one arrangement under which it may make pension payments to a resident of this State, each arrangement must be treated separately under this section.

(c) Amount. -- In the case of a periodic payment, the pension payer must withhold the amount that would be required to be withheld under this Article if the payment were a payment of wages by an employer to an employee for the appropriate payroll period. If the recipient of periodic payments fails to file an exemption certificate under G.S. 105-163.5, the pension payer must compute the amount to be withheld as if the recipient were a married individual claiming three withholding exemptions.

In the case of a nonperiodic distribution, the pension payer must withhold taxes equal to four percent (4%) of the nonperiodic distribution.

(d) Election of No Withholding. -- The recipient may elect not to have taxes withheld under this section. The election must be in the form required by the Secretary. In the case of periodic payments, the election remains in effect until revoked by the recipient. In the case of a nonperiodic distribution, the election applies on a distribution-by-distribution basis unless it meets conditions prescribed by the Secretary for it to apply to subsequent nonperiodic distributions by the pension payer.

A pension payer must notify each recipient of the right to elect not to have taxes withheld under this section. The notice must comply with the requirements of section 3405 of the Code and any additional requirements prescribed by the Secretary.

A recipient's election not to have taxes withheld under this section is void if the recipient fails to furnish the recipient's tax identification number to the pension payer, or the Secretary has notified the pension payer that the tax identification number furnished by the recipient is incorrect.

(e) Exemptions. -- This section does not apply to the following pension payments:

(1) A pension payment that is wages under this Article.

(2) Any portion of a pension payment that meets both of the following conditions:

a. It is not a distribution or payment from an individual retirement plan as defined in section 7701 of the Code.

b. The pension payer reasonably believes it is not taxable to the recipient under Article 4 of this Chapter.

(3) A distribution described in section 404(k)(2) of the Code, relating to dividends on corporate securities.

(4) A pension payment that consists only of securities of the recipient's employer corporation plus cash not in excess of two

hundred dollars ($200.00) in lieu of securities of the employer corporation."

Section 4. This act becomes effective January 1, 2001.

HOUSE BILL 1466:
Pension Tax Withholding

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Rep. Cansler
Date:	July 14, 1999	**Summary by:**	Martha K. Walston
Version:	2nd Edition		Committee Counsel

SUMMARY: House Bill 1466 requires a person paying pensions, annuities, and deferred compensation to withhold North Carolina individual income tax from the payments unless the recipient elects not to have the tax withheld. The bill becomes effective January 1, 2001 The current version of House Bill 1466 was given a favorable report in House Finance.

CURRENT LAW: As a general rule, retirement income is not considered wages for income tax purposes. Under federal law, withholding is required on pensions, annuities, and certain deferred income, including IRAs. However, North Carolina does not piggyback this aspect of federal withholding law. Individuals whose income is not subject to withholding must estimate their income tax liability each year and pay the tax in four installments.

The Department of Revenue does allow voluntary withholding by employers. The holder of an IRA, although not an employer, may also enter into a voluntary withholding agreement. The voluntary agreements are optional – the payee can refuse to do it. Also, if the payer withholds the tax but does not pay it to the Department of Revenue, the taxpayer's only recourse is against the payer. The Department cannot credit the taxpayer and pursue the payer.

BILL ANALYSIS: House Bill 1466 provides that a pension payer required to withhold federal income tax on a pension payment to a resident of North Carolina must also withhold State income tax. A recipient may elect to not have tax withheld from the pension payment. The pension payer must notify each recipient of the right to elect not to have tax withheld.

In the case of periodic payments, the pension payer must withhold as if the recipient were a married person with three exemptions, unless the recipient provides an exemption certificate reflecting a different filing status or number of exemptions. For a non-periodic payment, the pension payer must withhold 4% of the payment. A pension payer who fails to withhold or remit the tax that is withheld is liable for the tax.

Cindy Avrette, committee counsel to House Finance, contributed substantially to this summary.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue

EFFECTIVE DATE: This act becomes effective January 1, 2001.

BILL SUMMARY:
The bill provides that a pension payer required to withhold federal taxes on a pension payment to a North Carolina resident must withhold state taxes on a pension payment, annuity, or deferred compensation unless the recipient elects not to withhold.

BACKGROUND:
Under current law, an employer or pension payer may enter into a voluntary agreement to withhold North Carolina tax on pensions or other income not requiring withholding. However, because the agreement is voluntary, the Department of Revenue may not pursue the pension payer for tax it withholds but does not remit. If the pension payer does not remit the tax to the Department of Revenue, then the retiree or pension recipient is not allowed credit against his tax liability for the tax withheld.

ASSUMPTIONS AND METHODOLOGY:
This bill does not apply to federal, state and local retirees with 5 years creditable service as of August 12, 1989. These groups are exempt from state income tax due to a court decision in the Bailey, Emory, and Patton lawsuits. Instead the bill will help the estimated 280,000 private sector

retirees in the state with pension income (estimate by Fiscal Research Division using Current Population Survey).

The Internal Revenue Service (IRS) does not know how many taxpayers have federal income tax withheld from their pension payment, annuity, or deferred compensation. When a company submits withheld income taxes, it does not separately account for current and former employees. Similarly, the North Carolina Department of Revenue has no data on the number of taxpayers that have chosen voluntary withholding of their pension payment, annuity, or deferred compensation. Without state and federal tax data, no estimate can be made on the General Fund impact of HB 1466. It can be assumed that the state General Fund could gain interest on funds that are withheld monthly instead of submitted quarterly in estimated payments. Unfortunately, the extent of this gain cannot be quantified.

HOUSE BILL 1084:
County Bonds for Landbanking

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Rep. McMahan
Date:	July 12, 1999	**Summary by:**	Martha K. Walston Committee Counsel
Version:	Third Edition		

SUMMARY: House Bill 1084 clarifies that a county may issue general obligation bonds to purchase land, to use either immediately or in the future, for county corporate, open space, community college, and public school purposes. The 2nd Edition of the bill was given a favorable report in House Finance, and the House made only technical changes.

CURRENT LAW: The Local Government Bond Act lists the purposes for which a county may issue general obligation bonds. Those purposes include land for corporate purposes, providing for community college facilitates, providing for school facilities, and providing for any purpose for which it is authorized to appropriate money. For each of these purposes, the bond money can be used to pay capital costs. The term "capital costs" is defined to include the costs of all property useful for the purpose authorized.

Bonds issued to provide land for corporate purposes or to provide for a purpose for which a county may appropriate money must be approved by the voters. As a general rule, general obligation bonds issued for community college and school purposes are also subject to a vote of the people. The Constitution does provide that bonds issued for certain purposes, including community college and school purposes, may be issued without a vote of the people to the extent that the aggregate principal sum does not exceed two-thirds of the amount by which the outstanding indebtedness of the issuing county has been reduced during the next preceding fiscal year.

BILL ANALYSIS: While it is clear that current law allows a county to issue bonds to pay the costs of acquiring land for county corporate, community college, and school purposes, it is not clear whether it can acquire the land for future use for these purposes. The current provision that authorizes the expenditure of bond proceeds to pay land costs is normally associated with the immediate use of the land for the purposes for which the bond itself was issued. The situation presented in this bill is slightly different. The primary purpose of the bonds being issued under the authority created by this bill is the purchase of the land itself.

While it can be inferred from current law that a county could issue bonds for the purpose of "landbanking" property for county corporate, community college, or school purposes, it is not clear. This bill clarifies the matter by providing specific, clear statutory authorization for the issuance of bonds for this purpose.

ASSUMPTIONS AND METHODOLOGY:
The bill clarifies the statutory authority of counties to issue General Obligation bonds to purchase land for multiple uses instead of issuing a General Obligation bond for each land use. Some bond attorneys have advised the State Treasurer that counties already have the authority for landbanking, but this bill clearly states county bond powers in order to avoid any court challenges.

PROPOSED
SELF-LIQUIDATING CAPITAL IMPROVEMENTS PROJECTS

The University of North Carolina

1999

May 24, 1999

THE UNIVERSITY OF NORTH CAROLINA
CAPITAL PROJECTS TO BE FUNDED
FROM NON-APPROPRIATED SOURCES

The proposed legislation provides for thirty-two self-liquidating capital improvements projects at eleven constituent institutions of The University of North Carolina. A description of each project follows:

Appalachian State University

Athletic Facilities, $6,241,500
The project would provide for the construction of a 20,000 square-foot indoor swimming complex with a 25-meter pool. As a part of the project, the University's existing swimming pool would be renovated; however, the existing pool is over 30 years old and is not large enough to meet current instructional and recreational demands. The project further provides for the construction of four new outdoor athletic fields to provide facilities for intramural athletics. The project would be financed through the sale of revenue bonds to be repaid from a new debt service fee of $25 annually.

Improvements to Student Residence Facilities, $9,417,000
The project provides for a variety of improvements in eight student residence halls constructed prior to 1980. The University proposes to systematically replace roofs, windows, doors, security systems, floor coverings, and fixed equipment in all of the residence halls. The University further plans to upgrade plumbing, electrical and data systems in several of the residence halls. The project also provides for upgrades to the emergency controls and power sources for residence hall elevators. The University proposes to finance the project through the sale of revenue bonds to be repaid from residence hall receipts. It is estimated that room charges will increase by $55 per semester to finance the debt repayment.

Appalachian State University (continued)

Central Campus Parking Deck, $9,169,400
A parking study conducted in 1995 identified the loss of more than 700 parking spaces as a result of the construction of new facilities on the ASU campus. This loss, combined with an already existing shortage of parking facilities, requires that the University construct additional parking. The project provides for the construction of a 5-level structure located near the new Convocation Center. The structure would serve the parking needs of the campus population and would also provide parking facilities for participants attending events at the Center. The parking deck would contain 1200 square feet of office space for the traffic and parking operations department. The University proposes to finance the project through the sale of revenue bonds to be repaid from parking receipts. It is estimated that parking registration fees would increase by $50 to finance the repayment of the bonds. In addition, participants in events at the Convocation Center would pay for parking.

Plemmons Student Union Interior/Exterior Renovations, $4,046,700
The project provides for the addition of 20,000 square feet of space to the Plemmons Student Union as well as the renovation of approximately 10,000 square feet of space in the student union building. The added space would provide student areas and an informal eating area. The University proposes to finance the project through the sale of revenue bonds to be repaid from a new debt service fee of $15 annually.

Bookstore Renovations, $2,250,000
The University has previously received authorization to construct an addition to the campus bookstore and now seeks authority for the renovation of the existing 22,528 square-foot bookstore when the addition is completed. The University proposes to finance the project through the sale of revenue bonds to be repaid from bookstore receipts.

East Carolina University

Materials Warehouse, $2,900,300
The project would provide for the relocation of the University's warehouse facility to a location remote from the main academic campus, freeing space on campus for instructional activities. The new warehouse would contain approximately 35,000 square feet of space and would be constructed on University property located between the main campus and the School of Medicine. The University proposes to finance the project through the sale of revenue bonds to be repaid from overhead receipts and departmental charges.

East Carolina University (continued)

Jones Hall Renovations and College Hill Central Chiller Plant, $18,544,200

These projects represent the next phase of a long-term plan to upgrade and expand the quality of student services in the College Hill area of the campus. Jones Hall, a residence hall constructed in 1958, would be renovated to meet current life safety and accessibility standards. The renovations would include the replacement of the facility's mechanical systems to achieve improved environmental control as well as aesthetic renovations to both the interior and the exterior of the facility. The former cafeteria in Jones Hall would be renovated and expanded to provide an attractive alcohol-free late night entertainment alternative for students. The facility would include a juice and dessert bar and fitness center. The chiller to be installed to support this project would be located in a new facility that would provide the start of a centralized loop system for this area of campus. The University proposes to finance the project through the sale of revenue bonds to be repaid from a combination of residence hall receipts and food service receipts.

Strength and Conditioning Center, $8,587,000

In 1998, the General Assembly provided $2,000,000 for planning a Strength and Conditioning Center at ECU. The total project is estimated to cost $10,587,000 and the University requests authority to complete the financing for the facility from non-appropriated funds. The facility would be located between the stadium and the coliseum. It would serve as an athletic training and tutoring facility and would include a banquet hall capable of accommodating 500 people. Funds for this project would be privately raised by the East Carolina University Educational Foundation, Inc. Short-term bank financing may be required.

Elizabeth City State University

Renovation of Residence Halls, $2,050,000

The project provides for the first phase of renovations to six campus residence halls. Renovations would include upgrades to electrical and plumbing systems, the installation of new HVAC systems, and improvements to meet life safety requirements. The University proposes to finance the project through the issuance of revenue bonds to be repaid from residence hall receipts.

North Carolina A&T State University

Williams Cafeteria Renovation and Expansion, $8,579,100
The project would provide for the renovation and expansion of Williams Cafeteria, constructed in 1974. The project includes replacement of the HVAC, electrical, and plumbing systems; window replacement; and roof replacement. The 25,000 square foot expansion would provide for more diverse dining alternatives and would increase seating capacity by 750 seats. The University proposes to finance the project through the sale of revenue bonds to be repaid from food service receipts.

North Carolina State University

Central Stores Surplus Warehouse Expansion, $4,185,400
The project would provide for the construction of a 60,000 square-foot addition to the existing 39,000 square-foot University warehouse. Increasing remote storage capacity would allow for better utilization of core academic space. The University proposes to finance the project through indebtedness to be repaid from storage rental income.

Academic and Practice Facility, $22,071,100
The project would provide for a new 187,000 square-foot facility with training and academic areas for student athletes. Included in the facility would be study areas, tutoring spaces, computer labs, classrooms, reception areas, practice and training courts, team areas and coaches offices. Existing facilities are inadequate and do not meet the Athletics' Department needs for study, practice and training areas. The University proposes to finance the facility through gifts to the athletics department.

East Campus Dining Facility, $3,134,800
Currently, the main dining facility on the NCSU campus is located on the western end of the campus and serves several nearby residence halls. The University now proposes to construct a dining facility to serve the east end on the campus. The project would provide for the conversion of the recently vacated student infirmary into a student dining facility with a 225-seat dining capacity. The project would include upgrades to the building systems. The University proposes to finance the project through the sale of revenue bonds to be repaid from food service receipts.

The University of North Carolina at Asheville

New Residence Hall, $5,699,700
The project would provide for the construction of a new residence hall as the University begins to replace several existing residence halls that were built in the 1960s. It is more cost effective to replace these facilities than to attempt to renovate them to meet current standards. The residence hall would contain approximately 100 beds. The University proposes to finance the project through the sale of revenue bonds to be repaid from housing receipts.

North Carolina Center for Creative Retirement, $3,471,600
The Center for Creative Retirement has received grants, gifts and other receipts to finance the construction of a new 16,000 square-foot building to house the Center's activities. The facility would include classrooms, meeting rooms and administrative offices to create a learning environment for lifelong learning for retired individuals.

The University of North Carolina at Chapel Hill

Teaching Research Building – School of Public Health, $25,598,300
The project would provide for the construction of a 90,000 square-foot building with instructional facilities, research laboratories, offices, and support spaces for the School of Public Health. The building would be located south of the School's existing facilities in Rosenau Hall. The new building is needed for the School to continue the research that has led it to national prominence. The University proposes to finance the project through the sale of revenue bonds to be repaid from overhead receipts and other non-appropriated departmental funds.

Addition to Carrington Hall – School of Nursing, $7,904,000
This project provides for a 39,000 square-foot addition to Carrington Hall to meet the teaching and research needs of the School of Nursing. The six-floor addition would include an auditorium, computer laboratories, and teaching laboratories. Course offerings in Nursing have tripled since the original facility was constructed in 1969. A commensurate increase in the number of students served along with new technologies has necessitated the need to expand and modernize. The University proposes to finance the project through the sale of revenue bonds to be repaid from overhead receipts and other non-appropriated departmental funds.

Residence Halls for 1,000 Students, $42,067,500
The last residence hall constructed on the UNC-CH campus was completed in 1986. The University is now anticipating increased enrollment, more of the students want to live on campus, and the need exists to diversify the types of residence halls on campus. The project would provide for the construction of several low-rise residence halls housing 250 to 400 students each. The buildings would be located on the south end of campus proximate to the existing high-rise residence halls. The University proposes to finance the project through the sale of revenue bonds to be repaid from residence hall receipts.

Medical School Office Building, $33,677,000
The project provides for the construction of a 150,000 square-foot facility to house clinical faculty and staff, freeing up needed wet laboratory research space elsewhere on the health affairs campus. The six-story building would be located on the south side of Mason Farm Road. Two structures currently on the site would be demolished to accommodate this new structure. The building would include a 125-seat auditorium and a snack bar. Offices and conference rooms would be constructed using open architecture. The University proposes to finance the project from a combination of balances available in accounts of the University and the UNC Health Care System as well as borrowing to be repaid from overhead receipts and other non-appropriated departmental receipts.

Acquisition of Chapel Hill North Office Building, $6,200,000
The University is currently leasing this facility from the Endowment Fund of the University of North Carolina at Chapel Hill and proposes to now acquire this 50,400 square-foot facility. The building is currently fully occupied by activities that were formerly leasing commercial space throughout the towns of Chapel Hill and Carrboro. The project would be financed through the sale of revenue bonds to be repaid from charges to building occupants.

Airport Drive Office Building, $7,005,200
The University plans to lease land on Airport Road to The University of North Carolina at Chapel Hill Foundation, Inc., for the period required for the Foundation to construct a 60,000 square-foot, three-story office building. When the facility is completed, the lease would expire and the University would acquire the facility from the Foundation. The University proposes to finance the acquisition through indebtedness to be repaid from charges to building occupants.

The University of North Carolina at Charlotte

Bookstore, $4,099,200
The project would provide for the construction of a 25,000 square-foot bookstore to serve the UNC-Charlotte campus. The present bookstore was constructed in 1980 and does not adequately meet the needs of the current campus population. The new facility would be located close to parking facilities. The University proposes to finance the project from a combination of funds available in bookstore accounts and borrowing to be repaid from bookstore receipts.

Cone Center Renovations, $4,473,400
The N.C. Department of Insurance has determined that no further renovations are to be undertaken at the Cone Center until building code deficiencies are addressed in this building, a portion of which was constructed in 1962. The project would provide for the correction of the identified deficiencies as well as improvements to student government offices, student lounges, and the food court/cafeteria. The project would also provide for exterior renovation of the older section of the building to include larger windows, greater insulation and aesthetic improvements. The University proposes to finance the project from a combination of balances available in institutional accounts and borrowing to be repaid from a new debt service fee of $10 annually.

Parking Deck 'F', $8,223,400
The project would provide for the construction of an 800-space parking deck to meet the current demand for on-campus parking. The University's master plan identifies the need for multi-level parking structures located close to facilities and buffered by landscaping. The project would be financed by a combination of balances available in parking system accounts and borrowing to be paid from parking fees. A $5 increase in parking fees was approved in March of 1999. Similar increases are planned for the next two years.

The University of North Carolina at Greensboro

High-Rise Residence Hall Roof Replacements, $737,500
The project provides for the replacement of 126,200 square-feet of membrane type roofs on four high-rise residence halls. The project includes the installation of new insulation and roof drains, and restoration of parapet walls and top coping. The University proposes to finance the project through borrowing to be repaid from residence hall receipts.

The University of North Carolina at Greensboro (continued)

Residence Hall Data Wiring and Electrical Renovations, $4,525,000
The project provides for the University's share of funds needed to install data and telephone wiring in each room in fourteen of the University's residence halls. Six of the residence halls would also receive dropped ceilings and softer lighting in the hallways. The project also provides for the complete electrical renovation of two residence halls, Weil and Winfield, including replacement of electrical service, panels, outlets, wiring, lighting and fire alarm systems. The University proposes to finance the project from borrowing to be repaid from housing and dining system revenues.

Elliott University Center Renewal and Bookstore/Food Court Addition, $22,000,000
The project provides for a 51,100 square-foot addition to the Elliott University Center to include a bookstore, dining facilities, and an auditorium. The project also provides for renovation of the existing 118,600 square-foot facility to provide flexible high quality space capable of supporting social, cultural and recreational needs of the students. Building systems would be upgraded to support a higher intensity of use. The University proposes to finance the project through the sale of revenue bonds to be repaid from bookstore revenues, dining revenues, and a new student fee of $120 annually.

The University of North Carolina at Wilmington

Housing for 200 Students, $8,043,900
The project provides for the construction of 51,500 square-feet of housing for on-campus students. Currently, the demand for on-campus housing exceeds capacity by more than 100% and continued undergraduate enrollment growth at this campus will exacerbate this situation. The University proposes to finance the project from a combination of balances available in housing reserves and through the sale of revenue bonds to be repaid from housing receipts.

University Union Addition and Renovation, $7,615,000
The project provides for the addition of 41,200 square feet and the renovation of 54,300 square feet to the University Union to provide adequate space for student activities, dining, and bookstore sales. The University proposes to finance the project from a combination of balances available in institutional accounts and borrowing to be repaid from existing student fees along with dining and bookstore receipts.

Western Carolina University

Hinds University Center Addition, $4,904,200
Because WCU is located in a rural community, it lacks the off-campus amenities to which college-age students are attracted. The project provides for an addition to the Hinds University Center to accommodate increased student activities. The two-story, 31,400 square-foot addition would contain meeting spaces, lounge areas, a movie theater, post office, retail space and computer stations. The University proposes to finance the project through the sale of revenue bonds to be repaid from a new debt service fee of $65 annually.

New Student Housing (300 Beds), $14,480,600
The project provides for construction of a new residence hall with 75 residential suites serving four students each with shared living and bathroom facilities. The facility would contain 96,300 square feet of space and would include a lobby, laundry areas, housekeeping areas, offices, vending areas, and an apartment for a manager. The University proposes to finance the project through the sale of revenue bonds to be repaid from housing receipts. It is anticipated that room rates would increase by $145 per semester.

Housing for Students with Families (20 Units), $1,476,300
The project would provide for the construction of an apartment complex to accommodate the ever-growing number of students who have children and wish to live in campus housing. The complex would consist of five, four-plex, two bedroom apartment buildings. The University proposes to finance the project from borrowing to be repaid from rents charged to occupants of the housing units.

EFFECTIVE DATE: The act is effective when it becomes law.

BILL SUMMARY: The bill authorizes the construction and financing, without appropriations from the General Fund, of capital improvements projects of the constituent institutions of the University of North Carolina.

ASSUMPTIONS AND METHODOLOGY: The 32 projects listed in this bill are being constructed with funds other than the state General Fund (see attached chart). However, there are five projects that will require a General Fund appropriation for operating expenses. Operating expenses includes both salary and benefits for new personnel and non-personnel items such as utilities. The data provided by the UNC-General Administration includes a 3% increase per year for salaries and benefits and a 5% increase per years for non-personnel items and utilities.

A BILL TO BE ENTITLED

AN ACT TO REVISE THE MUNICIPAL INCORPORATION PROCESS SO AS TO PROVIDE MORE SCRUTINY.

The General Assembly of North Carolina enacts:

Section 1. G.S. 120-163(c) reads as rewritten:

"(c) The petition must include a proposed name for the city, a map of the city, a list of proposed services to be provided by the proposed municipality, the names of three persons to serve as interim governing board, a proposed charter, a statement of the estimated population, assessed valuation, degree of development, population density, and recommendations as to the form of government and manner of election. The petition must contain a statement that the proposed municipality will have a budget ordinance with an ad valorem tax levy of at least five cents (5¢) on the one hundred dollar ($100.00) valuation upon all taxable property within its corporate limits. The petition must contain a statement that the proposed municipality will offer four of the following services no later than the first day of the third fiscal year following the effective date of the incorporation: (i) police protection; (ii) fire protection; (iii) solid waste collection or disposal; (iv) water distribution; (v) street maintenance; (vi) street construction or right-of-way acquisition; (vii) street lighting; and (viii) zoning. In order to qualify for providing police protection, the proposed municipality must propose either to provide police service or to have services provided by contract with a county or another municipality that proposes that the

other government be compensated for providing supplemental protection. The proposed municipality may not contain any noncontiguous areas."

Section 2. G.S. 120-167 reads as rewritten:

"**§ 120-167. Additional criteria; population.**

The Commission may not make a positive recommendation unless the proposed municipality has a permanent population of at least ~~100.~~ 100 and a population density (either permanent or seasonal) of at least 250 persons per square mile."

Section 3. G.S. 120-168 reads as rewritten:

"**§ 120-168. Additional criteria; development.**

~~Except when the entire proposed municipality is within two miles of the Atlantic Ocean, Albemarle Sound, or Pamlico Sound, the~~ The Commission may not make a positive recommendation unless forty percent (40%) of the area is developed for residential, commercial, industrial, institutional, or governmental uses, or is dedicated as open space under the provisions of a zoning ordinance, subdivision ordinance, conditional or special use permit, or recorded restrictive covenants."

Section 4. G.S. 120-169.1 reads as rewritten:

"**§ 120-169.1. Additional criteria; level of development, ~~services.~~ services; financial impact on other local governments.**

~~(a) Level of Development. -- The Commission may not make a positive recommendation unless the entire area proposed for incorporation meets the applicable criteria for development under G.S. 160A-36(c) or G.S. 160A-48(c).~~

(b) Services. -- The Commission may not make a positive recommendation unless the area to be incorporated submits a plan for providing a reasonable level of municipal services. This plan shall be based on the proposed services stated in the petition under G.S. 120-163(c). ~~To meet the requirements of this subsection, the persons submitting the plan for incorporation must propose to provide at least two of the following services:~~

~~(1) Police protection.~~
~~(2) Fire protection.~~
~~(3) Garbage and refuse collection or disposal.~~
~~(4) Water distribution.~~
~~(5) Sewer collection or disposal.~~
~~(6) Street maintenance, construction, or right-of-way acquisition.~~
~~(7) Street lighting.~~
~~(8) Adoption of citywide planning and zoning.~~

(c) The Commission in its report shall indicate the impact on other municipalities and counties of diversion of already levied local taxes or State-shared revenues from existing local governments to support services in the proposed municipality."

Section 5. G.S. 136-41.2 reads as rewritten:

"**§ 136-41.2. Eligibility for funds; municipalities incorporated since January 1, 1945.**

(a) No municipality shall be eligible to receive funds under G.S. 136-41.1 unless it has conducted the most recent election required by its charter or the general law, whichever is applicable, for the purpose of electing municipal officials. The literal

requirement that the most recent required election shall have been held may be waived only:

(1) Where the members of the present governing body were appointed by the General Assembly in the act of incorporation and the date for the first election of officials under the terms of that act has not arrived; or,

(2) Where validly appointed or elected officials have advertised notice of election in accordance with law, but have not actually conducted an election for the reason that no candidates offered themselves for office.

(b) No municipality shall be eligible to receive funds under G.S. 136-41.1 unless it has levied an ad valorem tax for the current fiscal year of at least five cents (5¢) on the one hundred dollars ($100.00) valuation upon all taxable property within its corporate limits, and unless it has actually collected at least fifty percent (50%) of the total ad valorem tax levied for the preceding fiscal year; provided, however, that, for failure to have collected the required percentage of its ad valorem tax levy for the preceding fiscal year:

(1) No municipality making in any year application for its first annual allocation shall be declared ineligible to receive such allocation; and

(2) No municipality shall be declared ineligible to receive its share of the annual allocation to be made in the year 1964.

(c) No municipality shall be eligible to receive funds under G.S. 136-41.1 unless it has formally adopted a budget ordinance in substantial compliance with G.S. 160-410.3, showing revenue received from all sources, and showing that funds have been appropriated for at least two of the following municipal ~~services.~~ services if the municipality was incorporated with an effective date prior to January 1, 2000, water distribution; sewage collection or disposal; garbage and refuse collection or disposal; fire protection; police protection; street maintenance, construction, or right-of-way acquisition; or street ~~lighting.~~ lighting, or at least four of the following municipal services if the municipality was incorporated with an effective date of on or after January 1, 2000: (i) police protection; (ii) fire protection; (iii) solid waste collection or disposal; (iv) water distribution; (v) street maintenance; (vi) street construction or right-of-way acquisition; (vii) street lighting; and (viii) zoning.

(d) The provisions of this section shall not apply to any municipality incorporated prior to January 1, 1945."

Section 6. G.S. 105-472 is amended by adding a new subsection to read:

"(d) No municipality may receive any funds under this section if it was incorporated with an effective date of on or after January 1, 2000, and is disqualified from receiving funds under G.S. 136-41.2. No municipality may receive any funds under this section, incorporated with an effective date on or after January 1, 2000, unless a majority of the mileage of its streets are open to the public. The previous sentence becomes effective with respect to distribution of funds on or after July 1, 1999."

Section 7. G.S. 105-486 is amended by adding a new subsection to read:

"(d) No municipality may receive any funds under this section if it was incorporated with an effective date of on or after January 1, 2000, and is disqualified from receiving funds under G.S. 136-41.2. No municipality may receive any funds under this section, incorporated with an effective date on or after January 1, 2000, unless a majority of the mileage of its streets are open to the public. The previous sentence becomes effective with respect to distribution of funds on or after July 1, 1999."

Section 8. Chapter 1096 of the 1967 Session Laws is amended by adding a new section to read:

"Section 10.2. No municipality may receive any funds under this act if it was incorporated with an effective date of on or after January 1, 2000, and is disqualified from receiving funds under G.S. 136-41.2. No municipality may receive any funds under this act, incorporated with an effective date on or after January 1, 2000, unless a majority of the mileage of its streets are open to the public. The previous sentence becomes effective with respect to distribution of funds on or after July 1, 1999."

Section 9. G.S. 105-501 reads as rewritten:

"**§ 105-501. Distribution of additional taxes.**

The Secretary shall, on a quarterly basis, allocate the net proceeds of the additional one-half percent (1/2%) sales and use taxes levied under this Article to the taxing counties on a per capita basis according to the most recent annual population estimates certified to the Secretary by the State Budget Officer. The Secretary shall then adjust the amount allocated to each county as provided in G.S. 105-486(b). The amount allocated to each taxing county shall then be divided among the county and the municipalities located in the county in accordance with the method by which the one percent (1%) sales and use taxes levied in that county pursuant to Article 39 of this Chapter or Chapter 1096 of the 1967 Session Laws are distributed. No municipality may receive any funds under this section if it was incorporated with an effective date of on or after January 1, 2000, and is disqualified from receiving funds under G.S. 136-41.2. No municipality may receive any funds under this section, incorporated with an effective date on or after January 1, 2000, unless a majority of the mileage of its streets are open to the public. The previous sentence becomes effective with respect to distribution of funds on or after July 1, 1999.

If any taxes levied under this Article by a county have not been collected in that county for a full quarter because of the levy or repeal of the taxes, the Secretary shall distribute a pro rata share to that county for that quarter based on the number of months the taxes were collected in that county during the quarter.

In determining the net proceeds of the tax to be distributed, the Secretary shall deduct from the collections to be allocated an amount equal to one-fourth of the costs during the preceding fiscal year of:

(1) The Department of Revenue in performing the duties imposed by G.S. 105-275.2 and by Article 15 of this Chapter.

(2) The Property Tax Commission.

(3) The Institute of Government in operating a training program in property tax appraisal and assessment.

(4) The personnel and operations provided by the Department of State Treasurer for the Local Government Commission."

Section 10. G.S. 105-113.82 is amended by adding a new subsection to read:

"(h) No municipality may receive any funds under this section if it was incorporated with an effective date of on or after January 1, 2000, and is disqualified from receiving funds under G.S. 136-41.2. No municipality may receive any funds under this section, incorporated with an effective date on or after January 1, 2000, unless a majority of the mileage of its streets are open to the public. The previous sentence becomes effective with respect to distribution of funds on or after July 1, 1999."

Section 11. G.S. 105-116.1 is amended by adding a new subsection to read:

"(e) No municipality may receive any funds under this section if it was incorporated with an effective date of on or after January 1, 2000, and is disqualified from receiving funds under G.S. 136-41.2. No municipality may receive any funds under this section, incorporated with an effective date on or after January 1, 2000, unless a majority of the mileage of its streets are open to the public. The previous sentence becomes effective with respect to distribution of funds on or after July 1, 1999."

Section 12. Section 1 of this act applies with respect to municipalities for which the Joint Legislative Commission on Municipal Incorporations makes recommendations on or after the date this act becomes law. Sections 1 through 11 of this act, other than the repeal of G.S. 120-169.1(a), do not apply to any community which filed a petition with the Joint Legislative Commission on Municipal Incorporations prior to June 1, 1999. The remainder of this act is effective when it becomes law.

Section 13. Sections 1 through 11 of this act shall not apply to the community of Gray's Creek in Cumberland County nor to the Community of Union Cross in Forsyth County if either of those communities file a petition with the Joint Legislative Commission on Municipal Incorporations before July 1, 2002.

Senator Moore was recognized and asked that this bill not be heard today since the House version was already moving in the House.

SB 1184 – SPAY NEUTER PROGRAM.

Senator Kinnaird explained the Bill and Senator Purcell sent forth an Amendment. Senator Purcell's motion to adopt the Amendment passed. Copy of Amendment included in the Minutes. Jim Blackburn, representing the Association of County Commissioners, spoke on this bill. Stephen K. Vouch, Veterinarian, with the Department of Health and Human Services, also spoke in support of this Bill. Senator Foxx moved that the Bill be given a Favorable Report, as amended, and the motion was passed. The Bill will be sent to Appropriations. Copy of Original Bill, Explanation, Fiscal Note and Committee Sub included in the minutes.

HB 133 – EXEMPT DISABLED VETERAN VEHICLES.

Representative Rogers was recognized to explain his Bill. At the conclusion of Representative Rogers' explanation, he introduced Jeffrey Cooper from Martin County who is a disabled veteran. Mr. Cooper spoke in support of this Bill. On motion by Senator Soles, a Committee Substitute was adopted. After a general discussion on this Committee Sub., Senator Kerr announced that a Subcommittee would be appointed to work on this Bill. Copy of Original Bill, Committee Sub, Explanation and Fiscal Note included in the minutes. Also included in the minutes is a copy of memo from Senator Kerr and Senator Hoyle appointing members to this subcommittee.

HB 519 – HENDERSON FIRE DISTRICTS.

Representative Justus was recognized to explain his Bill and at the conclusion of his explanation, Senator Rand moved for a Favorable Report. The motion was passed.

Representative Justus introduced Ms. Evelyn Romeo, a former Clerk in the NC Legislature, from Hendersonville. Copy of Bill and Explanation included in the minutes.

SB 1280 – HEALTH CARE FACILITY AND CCRC TAX EXEMPT.

Senator Hoyle was recognized to explain SB 1280 and moved for the adoption of a Committee Sub. The motion was passed and Senator Hoyle explained the Bill. At the conclusion of his explanation, he moved for a Favorable Report for the Committee Sub and the motion was passed. Copy of the original Bill, Committee Sub, Explanation, and Fiscal Note included in the minutes.

SB 1190 – CAROLINA BEACH ANNEXATION/STREETS.

Senator Ballantine was recognized to explain his Bill. Senator Webster moved for a Favorable Report and the motion was passed. Copy of Bill included in the minutes.

HB 1326 – DRY CLEANING SOLVENT CLEANUP AMENDS.

Senator Clodfelter was recognized to explain this Bill and moved that a Committee Substitute be adopted. This motion passed. After Senator Clodfelter's explanation of the new Committee Sub, Senator R. Shaw moved for a Favorable Report for the Committee Sub. and the motion carried. Copy of Original Bill, Committee Sub, Explanation and Fiscal Note included in the minutes.

The meeting was adjourned at 12:05 P.M.

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH A VOLUNTARILY FUNDED STATEWIDE SPAY/NEUTER PROGRAM TO PROVIDE EDUCATION ON THE BENEFITS OF SPAYING AND NEUTERING PETS AND TO PROVIDE FINANCIAL ASSISTANCE TO COUNTIES AND CITIES OFFERING LOW-INCOME PERSONS REDUCED-COST SPAY/NEUTER SERVICES FOR DOGS AND CATS.

The General Assembly of North Carolina enacts:

Section 1. Chapter 19A of the General Statutes is amended by adding a new Article to read:

"ARTICLE 5.

"Spay/Neuter Program.

"**§ 19A-50. Legislative findings.**

The General Assembly finds that the uncontrolled breeding of cats and dogs in the State has led to unacceptable numbers of unwanted dogs, puppies and cats and kittens. These unwanted animals become strays and constitute a public nuisance and a public health hazard. The animals themselves suffer privation and death, are impounded, and most are destroyed at great expense to local governments. It is the intention of the General Assembly to provide a voluntary means of funding a spay/neuter program to provide financial assistance to local governments offering low-

income persons reduced-cost spay/neuter services for their dogs and cats and to provide a statewide education program on the benefits of spaying and neutering pets.

"**§ 19A-51. Spay/Neuter Program established.**

There is established in the Department of Health and Human Services a statewide program to foster the spaying and neutering of dogs and cats for the purpose of reducing the population of unwanted animals in the State. The program shall consist of the following components:

(a) Education Program. -- The Department shall establish a statewide program to educate the public about the benefits of having cats and dogs spayed and neutered. The Department may work cooperatively on the program with the North Carolina School of Veterinary Medicine, other State agencies and departments, county and city health departments and animal control agencies, and statewide and local humane organizations. The Department may employ outside consultants to assist with the education program.

(b) Local Spay/Neuter Assistance Program. -- The Department shall administer the Spay/Neuter Account established in G.S. 19A-52. Monies deposited in the account shall be available to reimburse eligible counties and cities for the direct costs of spay/neuter surgeries for cats and dogs made available to low-income persons.

"**§ 19A-52. Spay/Neuter Account established.**

(a) Creation. -- The Spay/Neuter Account is established as a nonreverting special revenue account in the Department of Health and Human Services. The Account consists of the following:

(1) Fifty cents (50¢) of the fee imposed by G.S. 130A-190(c) on the costs of obtaining rabies vaccination tags from the Department of Health and Human Services.

(2) Ten dollars ($10.00) of the additional fee imposed by G.S. 20-79.7 for an Animal Lovers special license plate.

(3) Any other funds available from appropriations by the General Assembly or from contributions and grants from public or private sources.

(b) Use. -- The revenue in the Account shall be used by the Department of Health and Human Services as follows:

(1) Twenty percent (20%) shall be used to develop and implement the statewide education program component of the Spay/Neuter Program established in G.S. 19A-51(a).

(2) Up to twenty percent (20%) of the money in the Account may be used to defray the costs of administering the Spay/Neuter Program established in this Article. In the first year the fund is operational, the Department shall use lapsed salary dollars within the Department to fund a position to administer the Spay/Neuter Program. In subsequent years, lapsed salary monies shall be used to supplement funding of the administration of the program if revenue from the Spay/Neuter Account is insufficient.

(3) Funds remaining after deductions for the education program and administrative expenses shall be distributed quarterly to eligible counties and cities seeking reimbursement for reduced-cost spay/neuter surgeries performed during the previous year.

"**§ 19A-53. Eligibility for distributions from Spay/Neuter Account.**

(a) A county or city is eligible for reimbursement from the Spay/Neuter Account if it meets both of the following conditions:

(1) The county or city levies an animal tax on dogs and cats under either G.S. 153A-153 or G.S. 160A-212, and the amount of the tax levied on a dog or cat that has not been spayed or neutered is at least three times higher than the amount of the tax levied on a dog or cat that has been spayed or neutered. A county or city may exempt from the higher tax rate a person who owns five or more dogs or five or more cats and has registered with the county or city as a dog breeder or a cat breeder. Registration shall be on forms provided by the county or city and accompanied by a registration fee of twenty-five dollars ($25.00). Any tax owed by a registered dog breeder or registered cat breeder pursuant to G.S. 153A-153 or G.S. 160A-212 during the 12-month period following registration shall be calculated as if the dogs or cats owned by the registrant were spayed or neutered.

(2) The county or city offers one or more of the following programs to low-income persons on a year-round basis for the purpose of reducing the cost of spaying and neutering procedures for dogs and cats:

a. A spay/neuter clinic operated by the county or city.

b. A spay/neuter clinic operated by a private organization under contract or other arrangement with the county or city.

c. A contract or contracts with one or more veterinarians, whether or not located within the county, to provide reduced-cost spaying and neutering procedures.

d. Subvention of the spaying and neutering costs incurred by low-income pet owners through the use of vouchers or other procedure that provides a discount of the cost of the spaying or neutering procedure fixed by a participating veterinarian or other provider.

e. Subvention of the spaying and neutering costs incurred by persons who adopt a pet from an animal shelter operated by or under contract with the county or city.

(b) For purposes of this Article, the term "low-income person" shall mean an individual who qualifies for one or more of the programs of public assistance administered by the Department pursuant to Chapter 108A of the General Statutes.

"**§ 19A-54. Distributions to counties and cities from Spay/Neuter Account.**

(a) Reimbursable Costs. -- Counties and cities eligible for distributions from the Spay/Neuter Account may receive reimbursement for the direct costs of a spay/neuter surgical procedure for a dog or cat owned by a low-income person meeting the Department's eligibility requirements for spay/neuter services. Reimbursable costs shall include anesthesia medication, and veterinary services. Counties and cities shall not be reimbursed for the administrative costs of providing reduced-cost spay/neuter services or capital expenditures for facilities and equipment associated with the provision of such services.

(b) Application. -- A county or city eligible for reimbursement of spaying and neutering costs from the Spay/Neuter Account shall apply to the Department of Health and Human Services by the last day of January, April, July, and October of each year to receive a distribution from the Account for that quarter. The application shall be submitted in the form required by the Department and shall include an itemized listing of the costs for which reimbursement is sought.

(c) Distribution. -- The Department shall make payments from the Spay/Neuter Account to eligible counties and cities who have made timely application for reimbursement within 30 days of the closing date for receipt of applications for that quarter. In the event that total requests for reimbursement exceed the amounts available in the Spay/Neuter Account for distribution, the monies available will be distributed as follows:

(1) Fifty percent (50%) of the monies available in the Spay/Neuter Account shall be reserved for reimbursement for eligible applicants within enterprise tier one, two, and three areas as defined in G.S. 105-129.3. The remaining fifty percent (50%) of the funds shall be used to fund reimbursement requests from eligible applicants in enterprise tier four and five areas as defined in G.S. 105-129.3.

(2) Among the eligible counties and cities in enterprise tier one, two, and three areas, reimbursement shall be made to each eligible county or city in proportion to the number of dogs and cats that have received rabies vaccinations during the preceding fiscal year in that county or city as compared to the number of dogs and cats that have received rabies vaccinations during the preceding fiscal year by all of the eligible applicants in enterprise tier one, two, or three areas.

(3) Among the eligible counties and cities in enterprise tier four and five areas, reimbursement shall be made to each eligible county or city in proportion to the number of dogs and cats that have received rabies vaccinations during the preceding fiscal year in that county or city as compared to the number of dogs and cats that have received rabies vaccinations during the preceeding fiscal year by all of the eligible applicants in enterprise tier four and five areas.

(4) Should funds remain available from the fifty percent (50%) of the Spay/Neuter Account designated for enterprise tier one, two, or

three areas after reimbursement of all claims by eligible applicants in those areas, the remaining funds shall be made available to reimburse eligible applicants in enterprise tier four and five areas."

Section 2. G.S. 130A-190 reads as rewritten:

"**§ 130A-190. Rabies vaccination tags.**

(a) A licensed veterinarian or a certified rabies vaccinator who administers rabies vaccine to a dog or cat shall issue a rabies vaccination tag to the owner of the animal. The rabies vaccination tag shall show the year issued, a vaccination number, the words "North Carolina" or the initials "N.C." and the words "rabies vaccine." Dogs and cats shall wear rabies vaccination tags at all times. However, cats may be exempted from wearing the tags by local ordinance. ~~Rabies~~

(b) Rabies vaccination tags, links and rivets may be obtained from the Department. The Secretary is authorized to establish by rule a fee for the rabies tags, links and rivets. Except as otherwise authorized in this section, the fee shall not exceed the actual cost of the rabies tags, links and rivets, plus transportation costs. The Secretary may increase the fee beyond the actual cost plus transportation, by an amount not to exceed five cents ($.05) per tag, to fund rabies education and prevention programs.

(c) The Department shall make available a special edition rabies tag to be known as the "I Care" tag. This tag shall be different in shape from the standard tag and shall carry the inscription "I Care" in addition to the information required by subsection (a) of this section. The Secretary is authorized to establish a fee for the "I Care" rabies tag equal to the amount set forth in subsection (b) of this section plus an additional fifty cents ($.50). The additional fifty cents ($.50) shall be credited to the Spay/Neuter Account established in G.S. 19A-52."

Section 3. G.S. 20-81.12(b10) reads as rewritten:

"(b10) Animal Lovers Plates. -- The Division must receive 300 or more applications before an animal lovers plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of the animal lovers plate to the ~~Department of Health and Human Services to create a statewide program to promote spaying and neutering of dogs and cats.~~ Spay/Neuter Account established in G.S. 19A-50."

Section 4. G.S. 130A-197 reads as rewritten:

"**§ 130A-197. Infected dogs and cats to be destroyed; protection of vaccinated dogs and cats.**

~~A~~ When the local health director reasonably suspects that a dog or cat ~~bitten by~~ has been exposed to the saliva or nervous tissue of a proven rabid animal or animal reasonably suspected of having rabies that is not available for laboratory ~~diagnosis~~ diagnosis, the dog or cat shall be considered to have been exposed to rabies. A dog or cat exposed to rabies shall be destroyed immediately by its owner, the county Animal Control Officer or a peace officer unless the dog or cat has been vaccinated against rabies in accordance with this Part and the rules of the Commission more than three weeks prior to being ~~bitten,~~ exposed, and is given a booster dose of rabies vaccine within three days of the ~~bite.~~ exposure. As an alternative to destruction, the

dog or cat may be quarantined at a veterinary hospital or animal control facility for a period of six months at the discretion of, and under conditions imposed by, the local health director."

Section 5. Every county or city animal shelter, or animal shelter operated under contract with a county or city or otherwise in receipt of State or local funding shall prepare an annual report setting forth the numbers, by species, of animals received into the shelter, the number adopted out, the number returned to owner, and the number destroyed. The report shall also contain the total operating expenses of the shelter and the cost per animal handled. The report shall be filed with the Department of Health and Human Services by August 1 of each year.

Section 6. The Department of Health and Human Services shall establish a pilot program for animal control in one of the counties within the enterprise tier one area, as defined in G.S. 105-29.3, that does not have an existing animal control program and that meets the qualifications established in this section.

The Department shall select a county to participate from among those counties applying to the Department for consideration for the pilot program. Counties wishing to participate should submit a written application to the Department describing in detail the animal control problems in the county, the proposed animal control program to be implemented with the funding available through the pilot program, and the expected results from the program. The Department shall make its selection based on its determination of where the pilot program would most effectively reduce the population of unwanted cats and dogs and enhance public health and safety. The decision of the Department as to the county chosen to participate in the pilot program shall be final.

To qualify to participate in the program, a county shall establish a differentiated tax on dogs and cats and offer a reduced cost spay/neuter program to low-income persons as provided in G.S. 19A-53(a). The county selected shall be required to provide a fifty percent (50%) match to any State funds that are allocated for the local animal control program. The county shall keep records of the number of cats and dogs spayed and neutered under the reduced cost spay/neuter program and shall report the results of the pilot program on animal control problems in the county to the Department on a semiannual basis.

Funding for the program shall be from the Spay/Neuter Account established pursuant to G.S. 19A-52 from funds received from the sale of Animal Lovers special license plates pursuant to G.S. 20-79.7 and shall not exceed fifty percent (50%) of the funds available from the sale of the special license plate or fifty thousand dollars ($50,000), whichever is less.

Section 7. This act becomes effective January 1, 2001.

SENATE BILL 1184:
Spay/Neuter Program (study bill)

BILL ANALYSIS

Committee: Senate Finance
Date: May 17, 2000
Version: 1st Edition

Introduced by: Senator Kirnaird
Summary by: Martha K. Walston
Committee Counsel

SUMMARY: ***SB 1184 is the recommendation of the LRC Animal Treatment Procedures Committee. The bill establishes a voluntarily funded statewide spay/neuter program to provide education on the benefits of spaying and neutering pets and to provide financial assistance to counties and cities offering low-income persons reduced cost spay/neuter services for dogs and cats. The bill is effective January 1, 2001. During the 1999 Session, bills were introduced in the House and Senate that would have required dog and cat owners to pay a 50 cent fee when their pet received a rabies vaccination.***

BILL ANALYSIS: The bill creates a voluntarily funded statewide program to provide two services:

1. Financial assistance to local governments that offer low-income persons reduced cost spay/neuter services for their dogs and cats. A low-income person is one who qualifies for one or more of the programs of public assistance administered by the Department of Health and Human Services. These programs include Work First, State-County Special Assistance for Adults, Foster Care and Adoption Assistance Payments, Food Stamp Program, and Medical Assistance Program.
2. Statewide program to educate the public on the benefits of spaying and neutering.

Funding for statewide program

The bill establishes a non-reverting special revenue Spay/Neuter Account in the Department of Health and Human Services to fund the above two services. Revenue for the Account comes from the following:

- An additional 50 cent fee on the cost of obtaining a special rabies tag. This special tag is an alternative to the standard tag and is a different shape and carries the designation "I Care".
- $10 of the additional fee for the purchase of Animal Lovers special license plates.
- Any appropriations by the General Assembly or contributions and grants.

Use of revenues in Account

- 20% to develop and implement the statewide education program.
- Up to 20% to defray costs of administering the Spay/Neuter Program. In the first year the fund is operational, the Department will use lapsed salary dollars to fund a position to administer the Program. In subsequent years, lapsed salary dollars will be used to supplement funding for administration of the program if revenue from the Spay/Neuter Account is insufficient.
- Remaining funds distributed quarterly to counties and cities seeking reimbursement for reduced-cost spay/neuter surgeries performed the previous year.

Eligibility for distribution

A county or city must meet two eligibility requirements for reimbursement:

1. Levy an annual animal tax on dogs and cats. The tax on animals that are not spayed or neutered must be at least three times the tax levied for pets that have been spayed or neutered (The county or city may exempt from the higher tax rate a person who owns five or more dogs or five or more cats and has registered with the county or city as a dog breeder or cat breeder. The registration fee is $25.)
2. Offer to low-income persons a year round, reduced cost spay/neuter program. Eligible local programs include a spay-neuter clinic operated by the local government or under contract with the local government; contracts with one or more veterinarians to provide low cost spay neuter procedures; subsidization of spay/neuter costs for low income pet owners through the use of vouchers; or subsidies of the spay/neuter costs for pets adopted from the local animal shelter

Method of distribution when revenue in Account is insufficient to cover all requests for reimbursement

Distributions are to be made quarterly and will be distributed as follows when there is insufficient revenue to cover all requests:

1. 50% of the money available will be reserved for reimbursement of eligible counties in enterprise tier one, two, or three areas. The remaining 50% will be available to eligible counties in tier four and five areas.
2. Of the money available to enterprise tier one, two and three areas, the funds shall be distributed to each eligible county or city in proportion to the number of dogs and cats that have received a vaccination during the preceding fiscal year as compared to the number of vaccinations given throughout the enterprise tier one, two, and three areas. Of the money available for the remaining eligible counties and cities, the monies will also be distributed proportionally according to the numbers of vaccinations given in the previous fiscal year.

Section 4 of the bill amends G.S. 130A-197 to allow, as an alternative to destruction, a six months quarantine of unvaccinated animals that have been exposed to rabies. The section also deletes reference to "bitten by" a proven rabid animal and substitutes "exposed to the saliva or nervous tissue" of a proven rabid animal.

Section 5 of the bill requires city and county animal shelters to make annual reports to DHHS on the number of animals received, adopted out, returned to owners, and destroyed, along with total operating expenses.

Section 6 of the bill directs the Department to establish a pilot animal control program in an enterprise tier one county that does not currently have a program meeting the standards of the act. The selected county must provide a 50% match to State funds allocated for the pilot program. The State funds will come from money in the Spay/Neuter Account from the sale of the Animal Lovers license plates, but the amount cannot exceed the lesser of 50% of this money or $50,000.

EFFECTIVE DATE: This act becomes effective January 1, 2001.

* Reversions from lapsed salaries (General Fund) may be used if funds are insufficient in the Spay/Neuter Account to fund administrative expenses.

BILL SUMMARY: This bill establishes a spay/neuter program in the North Carolina Department of Health and Human Services (HHS) – Division of Public Health. HHS will develop a statewide program to educate the public about the benefits of spaying and neutering cats and dogs. HHS will also create a Local Spay/Neuter Assistance Program to reimburse cities and counties for costs of performing spaying and neutering of pets belonging to low income persons. These spay/neuter programs are funded by 1) a voluntarily paid 50 cents fee on rabies

vaccination tags, 2) $10 from the sale of each Animal Lovers license plate, and 3) any appropriations or contributions. All revenues are paid into a Spay/Neuter Account that is then allocated 20% to statewide education, 20% to administration, and 60% to aid local governments.

ASSUMPTIONS AND METHODOLOGY:

REVENUE

Staff for the Veterinary Public Health Program in the Department of Health and Human Services estimates that one million rabies tags are sold annually to veterinarians. These tags provide proof of a rabies vaccination. Although not all tags are used in a year, it is the best indicator available for rabies vaccinations. SB 1184 makes available a special edition "I Care" rabies tag for an additional 50 cents. This additional fee is deposited into a new Spay/Neuter Account. Given that the purchase of "I Care" tags is voluntary, it is unknown what the annual revenue will be. The maximum revenue that can be obtained from this voluntary fee is $500,000 per year. The minimum revenue is zero.

SB 1184 transfers the future proceeds of the Animal Lovers special license plates into the Spay/Neuter Account. Since HB 1246 was approved on July 21, 1999, 592 persons have purchased the "I Care" animal lovers plate. $10 of the $20 special plate fee has gone to the Department of Health and Human Services for the spay/neuter program. At a minimum, the Spay/Neuter account will receive $5,920 from the renewal of these plates each year. With less than one year of experience with this tag, there is no reasonable method to estimate growth in plate sales.

Although SB 1184 does not mandate a local animal tax on dogs and cats, it does require local governments to have enacted this tax in order to qualify for grants from the Spay/Neuter Account. This animal tax must be three times higher for cats and dogs that have not been spayed or neutered than for cats and dogs that have been spayed or neutered. Some local governments may adopt this tax or amend their existing animal tax to qualify for the grant program. Twenty three counties reported an animal tax ordinance in a 1997 survey conducted by the North Carolina Association of County Commissioners, but it is not known whether these counties meet the tax standard in SB 1184. No similar survey is available for municipalities, but 47 towns and cities did report revenue from an animal tax in their 1997 AFIR (Annual Financial Information Report).

EXPENDITURE

1. A ½ FTE position titled Vet Tech II is needed to develop educational activities and to administer grant funds to counties for the surgical procedures. The position is also needed to establish a procedure with each licensed veterinarian and licensed certified rabies vaccinator in the state's 760 veterinary facilities for collecting and submitting the "I Care" tag fee.

2. In addition to the position, $12,505 will be needed for supplies, postage announcing the program and office equipment for the first year and $7,222 for the second year.

3. It is assumed that the inflation factor for the salary of the position will increase as follows: FY2002 - 3.6%, FY2003 - 3.5%, FY2004 - 3.7%, and FY2005 - 4.0%.

4. It is assumed that the inflation factor for general supplies will increase as follows:

FY2003 - 2.5%, FY2004 - 2.6%, and FY2005 - 2.7%.

TECHNICAL CONSIDERATIONS:

1. The bill explicitly states that 20% of the Spay/Neuter Account revenues will be used for administration and the difference of the revenues and actual costs of administration is to be funded from lapsed salaries. Lapsed salaries are unspent salary funds created by a vacant position. Since positions are budgeted for 100% of the fiscal year, each day that a position is left vacant results in unspent wages and fringe benefits for that day. Typically, these funds revert at the end of the year or are used in an approved transfer during the year. Due to the uncertainty of rabies tag receipts in the first year of the program, earmarking of lapsed salaries is equal to an appropriation of General Fund reversions in FY 2000-01. Furthermore, there is no guarantee that funds will be available during the fiscal year to cover the administrative cost of the program.

2. Reference on page 2, lines 10 and 11 to the North Carolina School of Veterinary Medicine should be changed to the North Carolina State University College of Veterinary Medicine.

"**§ 19A-51. Spay/Neuter Program established.**

There is established in the Department of Health and Human Services a statewide program to foster the spaying and neutering of dogs and cats for the purpose of reducing the population of unwanted animals in the State. The program shall consist of the following components:

(a) Education Program. -- The Department shall establish a statewide program to educate the public about the benefits of having cats and dogs spayed and neutered. The Department may work cooperatively on the program with the North Carolina School of Veterinary Medicine, other State agencies and departments, county and city health departments and animal control agencies, and statewide and local humane organizations. The Department may employ outside consultants to assist with the education program.

(b) Local Spay/Neuter Assistance Program. -- The Department shall administer the Spay/Neuter Account established in G.S. 19A-52. Monies deposited in the account shall be available to reimburse eligible counties and cities for the direct costs of spay/neuter surgeries for cats and dogs made available to low-income persons.

"**§ 19A-52. Spay/Neuter Account established.**

(a) Creation. -- The Spay/Neuter Account is established as a nonreverting special revenue account in the Department of Health and Human Services. The Account consists of the following:

(1) Fifty cents (50¢) of the fee imposed by G.S. 130A-190(c) on the costs of obtaining rabies vaccination tags from the Department of Health and Human Services.

(2) Ten dollars ($10.00) of the additional fee imposed by G.S. 20-79.7 for an Animal Lovers special license plate.

(3) Any other funds available from appropriations by the General Assembly or from contributions and grants from public or private sources.

(b) Use. -- The revenue in the Account shall be used by the Department of Health and Human Services as follows:

(1) Twenty percent (20%) shall be used to develop and implement the statewide education program component of the Spay/Neuter Program established in G.S. 19A-51(a).

(2) Up to twenty percent (20%) of the money in the Account may be used to defray the costs of administering the Spay/Neuter Program established in this Article. In the first year the Program is operational, the Department shall use lapsed salary dollars within the Department to fund a position to administer the Spay/Neuter Program. In subsequent years, lapsed salary monies shall be used to supplement funding of the administration of the program if revenue from the Spay/Neuter Account is insufficient.

(3) Funds remaining after deductions for the education program and administrative expenses shall be distributed quarterly to eligible counties and cities seeking reimbursement for reduced-cost spay/neuter surgeries performed during the previous year.

"**§ 19A-53. Eligibility for distributions from Spay/Neuter Account.**

(a) A county or city is eligible for reimbursement from the Spay/Neuter Account if it meets both of the following conditions:

(1) The county or city levies an animal tax on dogs and cats under either G.S. 153A-153 or G.S. 160A-212, and the amount of the tax levied on a dog or cat that has not been spayed or neutered is at least three times higher than the amount of the tax levied on a dog or cat that has been spayed or neutered. A county or city may exempt from the higher tax rate a person who owns five or more dogs or five or more cats and has registered with the county or city as a dog breeder or a cat breeder. Registration shall be on forms provided by the county or city and accompanied by a registration fee of twenty-five dollars ($25.00). Any tax owed by a registered dog breeder or registered cat breeder pursuant to G.S. 153A-153 or G.S. 160A-212 during the 12-month period following registration shall be calculated as if the dogs or cats owned by the registrant were spayed or neutered.

(2) The county or city offers one or more of the following programs to low-income persons on a year-round basis for the purpose of reducing the cost of spaying and neutering procedures for dogs and cats:

a. A spay/neuter clinic operated by the county or city.

b. A spay/neuter clinic operated by a private organization under contract or other arrangement with the county or city.

c. A contract or contracts with one or more veterinarians, whether or not located within the county, to provide reduced-cost spaying and neutering procedures.

d. Subvention of the spaying and neutering costs incurred by low-income pet owners through the use of vouchers or other procedure that provides a discount of the cost of the spaying or neutering procedure fixed by a participating veterinarian or other provider.

e. Subvention of the spaying and neutering costs incurred by persons who adopt a pet from an animal shelter operated by or under contract with the county or city.

(b) For purposes of this Article, the term "low-income person" shall mean an individual who qualifies for one or more of the programs of public assistance administered by the Department pursuant to Chapter 108A of the General Statutes.

"**§ 19A-54. Distributions to counties and cities from Spay/Neuter Account.**

(a) Reimbursable Costs. -- Counties and cities eligible for distributions from the Spay/Neuter Account may receive reimbursement for the direct costs of a spay/neuter surgical procedure for a dog or cat owned by a low-income person meeting the Department's eligibility requirements for spay/neuter services. Reimbursable costs shall include anesthesia, medication, and veterinary services. Counties and cities

shall not be reimbursed for the administrative costs of providing reduced-cost spay/neuter services or capital expenditures for facilities and equipment associated with the provision of such services.

(b) Application. -- A county or city eligible for reimbursement of spaying and neutering costs from the Spay/Neuter Account shall apply to the Department of Health and Human Services by the last day of January, April, July, and October of each year to receive a distribution from the Account for that quarter. The application shall be submitted in the form required by the Department and shall include an itemized listing of the costs for which reimbursement is sought.

(c) Distribution. -- The Department shall make payments from the Spay/Neuter Account to eligible counties and cities who have made timely application for reimbursement within 30 days of the closing date for receipt of applications for that quarter. In the event that total requests for reimbursement exceed the amounts available in the Spay/Neuter Account for distribution, the monies available will be distributed as follows:

(1) Fifty percent (50%) of the monies available in the Spay/Neuter Account shall be reserved for reimbursement for eligible applicants within enterprise tier one, two, and three areas as defined in G.S. 105-129.3. The remaining fifty percent (50%) of the funds shall be used to fund reimbursement requests from eligible applicants in enterprise tier four and five areas as defined in G.S. 105-129.3.

(2) Among the eligible counties and cities in enterprise tier one, two, and three areas, reimbursement shall be made to each eligible county or city in proportion to the number of dogs and cats that have received rabies vaccinations during the preceding fiscal year in that county or city as compared to the number of dogs and cats that have received rabies vaccinations during the preceding fiscal year by all of the eligible applicants in enterprise tier one, two, or three areas.

(3) Among the eligible counties and cities in enterprise tier four and five areas, reimbursement shall be made to each eligible county or city in proportion to the number of dogs and cats that have received rabies vaccinations during the preceding fiscal year in that county or city as compared to the number of dogs and cats that have received rabies vaccinations during the preceeding fiscal year by all of the eligible applicants in enterprise tier four and five areas.

(4) Should funds remain available from the fifty percent (50%) of the Spay/Neuter Account designated for enterprise tier one, two, or three areas after reimbursement of all claims by eligible applicants in those areas, the remaining funds shall be made available to reimburse eligible applicants in enterprise tier four and five areas."

Section 2. G.S. 130A-190 reads as rewritten:

"**§ 130A-190. Rabies vaccination tags.**

(a) A licensed veterinarian or a certified rabies vaccinator who administers rabies vaccine to a dog or cat shall issue a rabies vaccination tag to the owner of the animal. The rabies vaccination tag shall show the year issued, a vaccination number, the words "North Carolina" or the initials "N.C." and the words "rabies vaccine." Dogs and cats shall wear rabies vaccination tags at all times. However, cats may be exempted from wearing the tags by local ordinance. ~~Rabies~~

(b) Rabies vaccination tags, links and rivets may be obtained from the Department. The Secretary is authorized to establish by rule a fee for the rabies tags, links and rivets. Except as otherwise authorized in this section, the fee shall not exceed the actual cost of the rabies tags, links and rivets, plus transportation costs. The Secretary may increase the fee beyond the actual cost plus transportation, by an amount not to exceed five cents ($.05) per tag, to fund rabies education and prevention programs.

(c) The Department shall make available a special edition rabies tag to be known as the "I Care" tag. This tag shall be different in shape from the standard tag and shall carry the inscription "I Care" in addition to the information required by subsection (a) of this section. The Secretary is authorized to establish a fee for the "I Care" rabies tag equal to the amount set forth in subsection (b) of this section plus an additional fifty cents ($.50). The additional fifty cents ($.50) shall be credited to the Spay/Neuter Account established in G.S. 19A-52."

Section 3. G.S. 20-81.12(b10) reads as rewritten:

"(b10) Animal Lovers Plates. -- The Division must receive 300 or more applications before an animal lovers plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of the animal lovers plate to the ~~Department of Health and Human Services to create a statewide program to promote spaying and neutering of dogs and cats.~~ Spay/Neuter Account established in G.S. 19A-50."

Section 4. G.S. 130A-197 reads as rewritten:

"**§ 130A-197. Infected dogs and cats to be destroyed; protection of vaccinated dogs and cats.**

~~A~~ When the local health director reasonably suspects that a dog or cat ~~bitten by~~ has been exposed to the saliva or nervous tissue of a proven rabid animal or animal reasonably suspected of having rabies that is not available for laboratory ~~diagnosis~~ diagnosis, the dog or cat shall be considered to have been exposed to rabies. A dog or cat exposed to rabies shall be destroyed immediately by its owner, the county Animal Control Officer or a peace officer unless the dog or cat has been vaccinated against rabies in accordance with this Part and the rules of the Commission more than three weeks prior to being ~~bitten,~~ exposed, and is given a booster dose of rabies vaccine within three days of the ~~bite.~~ exposure. As an alternative to destruction, the dog or cat may be quarantined at a veterinary hospital or animal control facility for a period of six months at the discretion of, and under conditions imposed by, the local health director."

Section 5. Every county or city animal shelter, or animal shelter operated under contract with a county or city or otherwise in receipt of State or local funding

shall prepare an annual report setting forth the numbers, by species, of animals received into the shelter, the number adopted out, the number returned to owner, and the number destroyed. The report shall also contain the total operating expenses of the shelter and the cost per animal handled. The report shall be filed with the Department of Health and Human Services by August 1 of each year.

Section 6. The Department of Health and Human Services shall establish a pilot program for animal control in one of the counties within the enterprise tier one area, as defined in G.S. 105-29.3, that does not have an existing animal control program and that meets the qualifications established in this section.

The Department shall select a county to participate from among those counties applying to the Department for consideration for the pilot program. Counties wishing to participate should submit a written application to the Department describing in detail the animal control problems in the county, the proposed animal control program to be implemented with the funding available through the pilot program, and the expected results from the program. The Department shall make its selection based on its determination of where the pilot program would most effectively reduce the population of unwanted cats and dogs and enhance public health and safety. The decision of the Department as to the county chosen to participate in the pilot program shall be final.

To qualify to participate in the program, a county shall establish a differentiated tax on dogs and cats and offer a reduced cost spay/neuter program to low-income persons as provided in G.S. 19A-53(a). The county selected shall be required to provide a fifty percent (50%) match to any State funds that are allocated for the local animal control program. The county shall keep records of the number of cats and dogs spayed and neutered under the reduced cost spay/neuter program and shall report the results of the pilot program on animal control problems in the county to the Department on a semiannual basis.

Funding for the program shall be from the Spay/Neuter Account established pursuant to G.S. 19A-52 from funds received from the sale of Animal Lovers special license plates pursuant to G.S. 20-79.7 and shall not exceed fifty percent (50%) of the funds available from the sale of the special license plate or fifty thousand dollars ($50,000), whichever is less.

Section 7. This act becomes effective January 1, 2001.

HOUSE BILL 133
Exempt Disabled Veteran Vehicles

BILL ANALYSIS

Committee:	Senate Finance	**Sponsor:**	Rep. Rogers
Date:	May 23, 2000	**Analysis by:**	Martha K. Walston
Version:	Senate PCS		Staff Attorney

SUMMARY: ***HB 133 exempts from property tax motor vehicles (1) owned by veterans with certain service-related disabilities and (2) altered with special equipment to accommodate the service-related disability, effective for tax years beginning July 1, 2000. To receive the exemption, the vehicle owner must first file an application with the county assessor. The only difference between the proposed Senate Committee Substitute and the version that passed the House last year is the effective date.***

CURRENT LAW: G.S. 105-275(5) grants a property tax exemption to vehicles that the U.S. government gives to veterans on account of disabilities they suffered in WWII, the Korean Conflict, or the Vietnam Era.

BILL ANALYSIS: House Bill 133 also gives a property tax exemption to vehicles owned by veterans with certain service-related disabilities when the vehicles have been altered with special equipment to accommodate the disability.

Under federal law, veterans with certain service-related disabilities qualify for an allowance to adapt a vehicle to accommodate the disability. Vehicles owned by these veterans and so altered would be eligible for the proposed property tax exemption. To qualify for the exemption, the person must meet the following federal requirements

1. Veteran - Be a person who served in the active military, naval, or air service, and who was discharged or released under conditions other than dishonorable.
2. Service-related disability - Be disabled from an injury that incurred or disease contracted in or aggravated by active service. The disability must be loss of one or both hands or feet, permanent loss of use of one or both hands or feet, or permanent impairment of vision of both eyes.
3. Adaptive equipment – Have a vehicle that has been adapted for the disability. Adaptive equipment includes, but is not limited to, power steering, power brakes, power window lifts, power seats, and special equipment necessary to assist the veteran into and out of the automobile or other conveyance. The term also includes (a) air-conditioning equipment when the equipment is necessary to the health and safety of the veteran and to the safety of others, regardless of whether the vehicle is to be operated by the veteran or for the veteran by another person, and (b) any modification of the size of the interior space of the vehicle if needed because of the physical condition of the veteran in order for the veteran to enter or operate the vehicle.

The veteran must file an application to receive the exemption. Once an approved exemption is on file, it remains in effect and the vehicle is omitted from the tax rolls. The application need not be renewed each year.

The original bill exempted from property tax all motor vehicles owned by veterans with combat-related total disabilities, and provided for the State to reimburse counties for their resulting revenue losses. The

original bill was estimated to cost the State nearly $300,000 a year. The House Committee on Transportation changed the exemption to one that applies to vehicles altered to accommodate veterans with certain service-related disabilities, and removed the reimbursement provision. This change resulted in a smaller estimated loss of $120,000 a year, and shifted the impact of the loss from the State to local governments.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue

EFFECTIVE DATE: Effective for taxable years beginning on or after July 1, 2000.

BILL SUMMARY:
The proposed bill exempts from property tax those motor vehicles owned by disabled veterans who are eligible for federal special equipment allowances.

BACKGROUND:
Veterans who have a service-connected loss of one or both hands or feet, a permanent loss of use of one or both hands or feet, or permanent impairment of vision of both eyes qualify for federal automobile assistance. The United States Department of Veterans Affairs (VA) offers a one-time payment of up to $8,000 toward the purchase of an automobile. The VA will also pay for adaptive equipment and for the repair, replacement, or reinstallation of adaptive equipment.

ASSUMPTIONS AND METHODOLOGY:
The North Carolina Division of Veterans Affairs in the Department of Administration reports that 1,560 veterans living in North Carolina are entitled to a federal automobile grant or adaptive equipment allowance for service-connected disabilities. For this fiscal note, it is assumed that each veteran will claim the property tax exemption for one vehicle. The average value of a vehicle in North Carolina was $7,632 in 1999. This vehicle value is the average of vehicle valuations taken from Cabarrus, Orange, Haywood, Surry, Halifax, and Sampson counties. A

company that provides vehicle tax values to county tax assessors statewide provided the data for 1999 vehicle values.

Since it is difficult to predict whether this veteran population will trade, buy, or retain their vehicles in the next five years, the average vehicle price is adjusted by a national inflation rate for light vehicles. A Standard & Poor's DRI national forecast for light vehicles (cars and trucks) in Spring 2000 predicted an increase in car values as follows:

2000 no increase
2001 -. 3%
2002 . 5%
2003 . 7%
2004 . 4%

Without a printout of addresses for disabled veterans, a statewide tax rate is used to estimate the fiscal impact of this bill. The unified property tax rate for all government jurisdictions in North Carolina has fluctuated from .994 per $100 of assessed valuation in 1993-94 to .958 per $100 in 1998-99. Due to pressures in many counties to build schools and provide other services, an estimated rate of $1.00 per $100 of assessed value is used in this note.

Using the variables mentioned above, the revenue impact is calculated as follows:

	Average Car Values	DRI Inflation est.	Disabled Veterans	Value of Exempted Property	Unified Property Tax Rate	Property Tax Exempted
1999-00	$7,632		1,560	$11,905,920	$1.00	$119,059
2000-01	$7,632	0	1,560	$11,905,920	$1.00	$119,059
2001-02	$7,609	-.3%	1,560	$11,870,040	$1.00	$118,700
2002-03	$7,647	.5%	1,560	$11,929,320	$1.00	$119,293
2003-04	$7,701	.7%	1,560	$12,013,560	$1.00	$120,136

HOUSE BILL 519
Committee Substitute Reported Without Prejudice 4/23/99

A BILL TO BE ENTITLED

AN ACT TO ALLOW HENDERSON COUNTY TO ADJUST THE BOUNDARIES OF CHAPTER 69 FIRE TAX DISTRICTS.

The General Assembly of North Carolina enacts:

Section 1. Notwithstanding G.S. 69-25.11, the boundaries of any fire protection district in Henderson County established under Article 3A of Chapter 69 of the General Statutes may be changed by resolution of the Board of Commissioners of Henderson County to follow the boundaries shown on the map in Attachment A to a resolution adopted by that board on March 17, 1999.

Section 2. This act is effective when it becomes law.

HOUSE BILL 519:
Henderson Fire Districts

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Rep. Justus
Date:	May 22, 2000	**Summary by:**	Martha K. Walston
Version:	2nd Edition		Committee Counsel

SUMMARY: ***This local bill allows the Henderson County commissioners to change the boundaries of any fire protection district in the county to follow the boundaries shown on a map attached to a resolution adopted by the county commissioners on March 17, 1999. The bill was given a favorable report in House Finance on June 30, 1999.***

CURRENT LAW: Fire protection in areas outside cities is provided through the establishment of fire protection districts. The statutes provide for the creation of three types of rural fire districts:

- **Insurance districts.** G.S. 153A-233 authorizes counties to designate fire districts and prescribe their boundaries for insurance-grading purposes. To pay for this protection, the county is authorized to appropriate funds "not otherwise limited as to use by law."
- **Tax-supported fired districts.** Article 3A of Chapter 69 of the General Statutes authorizes tax-supported fire districts. They are created by a petition and an election. To pay for this protection, a special tax is levied and collected on all taxable property in the district at a rate not exceeding 15 cents on the $100 valuation of property.
- **County service districts for fire protection.** Article 16 of Chapter 153A of the General Statutes authorizes the county commissioners to define service districts for fire protection after a public hearing. To pay for this protection, a county may levy an additional property tax within the district for the purposes of financing fire protection services. The county may also use revenues whose use is not otherwise restricted by law and it may issue general obligation bonds.

Last session, the General Assembly established a fourth type of fire district for Brunswick County: a fee-supported fire district. The County was authorized to impose annual fees for the provision of fire protection within the district. Similar legislation was passed for Union County in 1992.

BILL ANALYSIS: The current version of House Bill 519 allows the Henderson County commissioners to change the boundaries of any fire district in the County established for tax-supported fire districts under Article 3A of Chapter 39, without having to meet the requirements in G.S. 69-25.11. These changes to the boundaries are pursuant to a resolution adopted by the commissioners on March 17, 1999. They will equalize the tax districts and add residents who currently are not in a fire district.

G.S. 69-25.11 sets out the only means to alter established boundaries. They are:

1. The area in a district may be **increased** by adding adjoining territory upon the application of the owner, or a 2/3 majority of the owners of the territory to be included, the unanimous recommendation of the fire protection commissioners, the approval of a majority of the members

of the board of directors of the corporation furnishing fire protection, and the approval of the county boards of commissioners in which the district is located.

2. The area of a district may be **decreased** upon the application of the owner of the territory to be removed, the unanimous recommendation in writing of the fire protection commissioners of the district, the approval of a majority of the members of the board of directors of the corporation furnishing fire protection to the district, and the approval of the boards of county commissioners in which the district is located.
3. In the case of adjoining fire districts having the same rate of tax for fire protection, the board of county commissioners, upon petition of the fire protection commissioners and the boards of directors of the corporations furnishing fire protection in the affected districts, shall have the authority to **relocate** the boundary lines between the fire districts.
4. In the case of adjoining fire districts having a different rate of tax for fire protection, the board of county commissioners, upon petition of 2/3 of the owners of the territory involved and after receiving a favorable recommendation of the fire protection commissioners the boards of directors of the corporations furnishing fire protection in the affected districts, may transfer the territory from one district to another. and therefore **relocate** the boundary lines between the fire districts
5. The area of a district may be **increased** by adding adjoining territory lying within the corporate limits of the city if the territory is not already included within a district. Both the city governing body and the county commissioners of the county in which the district is located must all agree by resolution to the inclusion.

SENATE BILL 1280

Short Title: Health Care Facility and CCRC Tax Exempt. (Public)

Sponsors: Senators Hoyle; and Purcell.

Referred to: Finance.

May 17, 2000

A BILL TO BE ENTITLED

AN ACT TO CLARIFY THE PROPERTY TAX TREATMENT OF A HEALTH CARE FACILITY UNDERTAKEN BY THE MEDICAL CARE COMMISSION PURSUANT TO THE HEALTH CARE FACILITIES FINANCE ACT, AND TO EXTEND THE SUNSET ON THE PROPERTY TAX EXEMPTION FOR CONTINUING CARE RETIREMENT CENTERS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 131A-21 reads as rewritten:

"**§ 131A-21. Tax exemption.**

The exercise of the powers granted by this Chapter will be in all respects for the benefit of the people of the State and will promote their health and ~~welfare, and no tax or assessment shall be levied upon any health care facilities undertaken by the Commission prior to the retirement or provision for the retirement of all bonds or notes issued and obligations incurred by the Commission in connection with such health care facilities.~~ welfare. If bonds or notes are issued by the Commission to provide or improve a health care facility, then until the bonds or notes are retired, the facility for which bonds or notes are issued is exempt from property taxes to the extent provided in this section. An exemption under this section shall not exceed the lesser of the principal amount of the bonds or notes or the assessed value for ad valorem tax purposes of the facility. In the case of an addition or expansion to a facility, then only the new part is exempt. In the case of renovation to a facility, then only the part being renovated is exempt. In the case of construction of a new facility or improvement to an existing facility that affects the entire facility, then the entire

facility is exempt. This section does not affect a health care facility's eligibility for a property tax exemption under Subchapter II of Chapter 105 of the General Statutes.

Any bonds or notes issued by the Commission under the provisions of this Chapter shall at all times be free from taxation by the State or any local unit or political subdivision or other instrumentality of the State, excepting ~~inheritance~~ inheritance, estate, or gift taxes, income taxes on the gain from the transfer of the bonds and notes, and franchise taxes. The interest on the bonds and notes is not subject to taxation as income."

Section 2. Subsection (e) of Section 29A.18 of Chapter 212 of the 1998 Session Laws reads as rewritten:

"(e) Subsection (a) of this section is effective for taxes imposed for taxable years beginning on or after July 1, 1998. Notwithstanding the provisions of G.S. 105-282.1(a), an application for the benefit provided in subsection (a) of this section for the 1998-99 tax year is timely if it is filed on or before November 15, 1998. ~~Subsection (a) of this section~~ G.S. 105-278.6A is repealed effective for taxes imposed for taxable years beginning on or after July 1, ~~2000.~~ 2001. The remainder of this section is effective when it becomes law."

SENATE BILL 1280: CCRC Tax Exempt

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Sen. Hoyle
Date:	May 23, 2000	**Summary by:**	Martha K. Walston
Version:	Proposed Committee Substitute		Committee Counsel

SUMMARY: ***Senate Bill 1280 extends the sunset on the property tax exemption for continuing care retirement centers from July 1, 2000 to July 1, 2001. SB 1280 is a recommendation of the Revenue Laws Study Committee. The proposed committee substitute deletes the section of the original bill that clarified the tax exemption for health care facilities financed by Medical Care Commission bonds or notes.***

CURRENT LAW: G.S. 105-278.6A allows a continuing care retirement center (CCRC) that fails to qualify as charitable to receive a property tax exemption for its property if it meets all of the following requirements:

1. The center owns the property and uses it for a retirement community that includes a skilled nursing facility or an adult care facility and also includes independent living units. Its grounds and buildings must be on a single site and it must be designed for elderly residents.
2. The center must be nonprofit and exempt from income tax, and its assets upon dissolution must revert to a 501(c) (3) charitable organization.
3. The center must have an active fund-raising program to assist it in providing services to those who do not have the financial resources to pay the fees.
4. The governing body of the institution must be selected by a charitable nonprofit organization or fraternal association.
5. All of the center's revenues, less operating and capital expenses, must be applied to providing uncompensated goods and services to the elderly and to the local community, or applied to an endowment or reserve for these purposes.

The property tax exemption for these CCRCs is repealed for taxes imposed for taxable years beginning on or after July 1, 2000.

Bill Analysis. The proposal extends the sunset on the property tax exemption for CCRCs set out in G.S. 105-278.6A from July 1, 2000 to July 1, 2001. This will give interested parties more time to work out a compromise on the tax status of the non-charitable CCRCs.

Background. Prior to 1987, the General Assembly allowed a property tax exemption to homes for the aged, sick, or infirm if exclusively used for a charitable purpose. The owner of the property could not be organized for profit. A charitable purpose is defined as "one that has humane and philanthropic objectives; it is an activity that benefits humanity or a significant rather than limited segment of the community without expectation of pecuniary profit or reward." The General Assembly also exempted property owned by a charitable association or institution if it was used by the owner or gratuitously made available to a charitable entity and used by that entity.

In 1983 and 1984, the North Carolina courts ruled that two retirement homes, that had sought property tax exemption, were not eligible for the exemption. *Chapel Hill Residential Retirement Center,* 60 N.C. App. 294, rev. denied, 308 N.C. 386 (1983) and *Lutheran Retirement Ministries,* 70 N.C. App. 236, rev. denied, 312 N.C. 622 (1984). In concluding that these homes were not charitable, the courts noted the following facts about one or both institutions:

1. The institution refused to admit applicants with health problems rendering them physically unable to care for themselves.
2. Substantial entrance fees and monthly fees were required from all residents, and applicants had to demonstrate that they were financially capable of supporting themselves for the period of their life expectancy.
3. The operation of the institution was funded entirely or mainly from fees paid by residents, not by donations or endowments.
4. The costs were so high that only a small percentage of the elderly could afford the center.
5. The center retained the right to terminate a resident for nonpayment of fees unless nonpayment was beyond the resident's control.

In response to the courts' rulings, the General Assembly in 1987 enacted G.S. 105-275(32). This legislation classified and excluded from the property tax base certain homes for the "aged, sick, or infirm." To qualify, a continuing care retirement center did not have to be operated as a charity, but it did have to be owned and operated by a nonprofit organization that was a religious or Masonic organization. G.S. 105-275(32) also required that these homes provide residential and health facilities for the elderly. This legislation promoted residential communities for the elderly that did not qualify for tax exemption under the two prior statutes.

In 1998, Springmoor, Inc., a nonprofit corporation that manages and operates a self-contained residential community for the elderly, successfully challenged the constitutionality of the 1987 legislation. Springmoor alleged that its center met all the requirements of G.S. 105-275(32), except that it was not affiliated with a religious or Masonic organization as required by a subpart of the statute. The North Carolina Supreme Court agreed that the statute violated the First Amendment because it was an unconstitutional establishment of religion. Instead of severing the unconstitutional subpart from the statute, which would have given Springmoor exempt status, the Court ruled the entire statute unconstitutional. The Court explained that it was not the General Assembly's intent to provide a blanket exclusion for all nonprofit homes for the elderly.

After the *Springmoor* decision, the General Assembly enacted G.S. 105-278.6A. This statute temporarily revises the property tax exemption for retirement communities that was held unconstitutional in *Springmoor*. The exemption expires July 1, 2000. The Revenue Laws Study Committee appointed a subcommittee consisting of interested parties (including representatives of the CCRCs, the counties, and the tax assessors) to review the tax status of the CCRCs and to seek a compromise. During its six meetings, the subcommittee discussed numerous proposals and looked at other states' laws. Because the subcommittee did not reach a consensus, it recommended extension of the sunset on the property tax exemption for one year in order to give all interested parties more time to seek a compromise.

BILL SUMMARY:
The bill extends the sunset on the property tax exemption for Continuing Care Retirement Communities to *July 1, 2001.* The bill would become effective *July 1, 2000.*

BACKGROUND:
G.S. 105-278.6A allows a Continuing Care Retirement Center (CCRC) that fails to qualify as charitable to receive a property tax exemption for its property if it meets all of the following requirements:

1. The center owns the property and uses it for a retirement community that includes a skilled nursing facility or an adult care facility, and also includes independent living units. Its ground and buildings must be on a single site and it must be designed for elderly residents.
2. The center must be nonprofit and exempt from income tax, and its assets upon dissolution must revert to a 501 (c) (3) charitable organization.
3. The center must have an active fund raising program to assist it in providing services to those who do not have the financial resources to pay the fees.
4. The governing body of the institution must be selected by a charitable nonprofit organization or fraternal organization.
5. All of the center's revenues, less operating and capital expenses, must be applied to providing uncompensated goods and services to the elderly and to the local community, or applied to an endowment or reserve for that purpose.

ASSUMPTIONS AND METHODOLOGY:

The property tax exemption for these CCRCs is repealed for taxes imposed for taxable years beginning on or after July 1, 2000. The proposal extends the sunset on the property tax exemption for CCRCs set out in G.S. 105-278.6A to *July 1, 2001.* This will give interested parties additional time to reach a compromise on the tax status of the non-charitable CCRCs.

Technically, extending the property tax sunset one year has no fiscal impact on local governments. Prior to 1998, the non-charitable CCRCs were exempt from property tax. Since July 1, 1998, non-charitable CCRCs have been exempt from property taxes under G.S. 105-278.6A. Even with the impending sunset in 2000, local governments have not included CCRC revenue in their budget availability for FY 2000-2001. However, if the sunset were to expire in 2000 and the non-charitable CCRCs became fully taxable, then county governments could assess taxes on the property and receive an estimated $2.8 million in property tax revenues. (No figure is available for city property taxes at this time.) There is no General Fund impact of the proposal.

A BILL TO BE ENTITLED

AN ACT TO EARMARK THE STATE SALES TAX REVENUE FROM DRY-CLEANING AND LAUNDRY SERVICES FOR THE DRY-CLEANING SOLVENT CLEANUP FUND, AND TO AMEND THE DRY-CLEANING SOLVENT CLEANUP ACT OF 1997 TO REPEAL THE REQUIREMENT OF FINANCIAL RESPONSIBILITY FOR DRY-CLEANING FACILITIES AND WHOLESALE DRY-CLEANING SOLVENT DISTRIBUTION FACILITIES, TO ALLOW THE ENVIRONMENTAL MANAGEMENT COMMISSION TO ENTER INTO CONTRACTS WITH PRIVATE CONTRACTORS FOR ASSESSMENT AND REMEDIATION ACTIVITIES AT DRY-CLEANING FACILITIES AND WHOLESALE DRY-CLEANING SOLVENT DISTRIBUTION FACILITIES, TO ESTABLISH A STATE GOAL FOR THE REDUCTION OF THE USE OF PERCHLOROETHYLENE F-1,1,3 BY DRY-CLEANING FACILITIES, TO REQUIRE THE DEPARTMENT OF ENVIRONMENT AND NATURAL RESOURCES TO REPORT TO THE ENVIRONMENTAL REVIEW COMMISSION ON THE PROGRESS IN ATTAINING THIS GOAL AND THE COST AND EFFECTIVENESS OF DRY-CLEANING TECHNOLOGIES AND CHEMICALS THAT OFFER AN ALTERNATIVE TO THE USE OF PERCHLOROETHYLENE F-1,1,3, AND TO MAKE OTHER CHANGES IN THE DRY-CLEANING SOLVENT CLEANUP ACT OF 1997.

The General Assembly of North Carolina enacts:

Section 1. Chapter 105 of the General Statutes is amended to add a new section to read:

"**§ 105-164.44E. Transfer to the Dry-Cleaning Solvent Cleanup Fund.**

At the end of each quarter, the Secretary must transfer to the Dry-Cleaning Solvent Cleanup Fund established under G.S. 143-215.104C a percentage of the net amount of State sales and use taxes collected under G.S. 105-164.4(a)(4), as determined by the Secretary based on available data. The percentage amount to be transferred is as follows:

Quarters in Fiscal Year	Percentage
2001-2002	15%
2002-2003	30%
2003-2004	45%
2004-2005 and thereafter	60%."

Section 2. G.S. 143-215.104C(b) reads as rewritten:

"(b) Sources of Revenue. -- The following revenue is credited to the Fund:

(1) Dry-cleaning solvent taxes collected under Article 5D of Chapter 105 of the General Statutes.

(2) Recoveries made pursuant to G.S. 143-215.104N and G.S. 143-215.104O.

(3) Gifts and grants made to the Fund.

(4) Revenues credited to the Fund under G.S. 105-164.44E."

Section 3. G.S. 143-215.104B(b)(20), 143-215.104E, 143-215.104F(b)(3), 143-215.104F(d)(3), 143-215.104F(g), 143-215.104J(a)(5), 143-215.104P(a)(1), and Section 3 of S.L. 1997-392 are repealed.

Section 4. G.S. 143-215.104F(f) reads as rewritten:

"(f) Financial Responsibility Requirements. -- Each potentially responsible person who petitions the Commission to enter into a dry-cleaning solvent assessment agreement or dry-cleaning solvent remediation agreement shall accept written responsibility in the amount specified in this section for the assessment or remediation of the dry-cleaning solvent contamination identified in the petition. If two or more potentially responsible persons petition the Commission jointly, the requirements below shall be the aggregate requirements for the financial responsibility of all potentially responsible persons who are party to the petition. Unless an alternative arrangement is agreed to by co-petitioners, the financial responsibility requirements of this section shall be apportioned equally among the co-petitioners. ~~The requirements in this subsection shall be in addition to any insurance or other financial responsibility, including deductibles or retentions, established pursuant to G.S. 143-215.104E.~~

Facility or Abandoned Site Where Release Occurred	Costs
Dry-cleaning facilities owned by persons who employ fewer than five full-time employees, or the equivalent, in activities related to dry-cleaning operations during the preceding calendar year	~~$5,000~~ $10,000

Dry-cleaning facilities owned by persons who employ at least five but fewer than 10 full-time employees, or the equivalent, in activities related to dry-cleaning operations during the preceding calendar year	~~$10,000~~ $15,000
Dry-cleaning facilities owned by persons who employ 10 or more full-time employees, or the equivalent, in activities related to dry-cleaning operations during the preceding calendar year	~~$15,000~~ $20,000
Wholesale distribution facilities	~~$25,000~~ $30,000
Abandoned dry-cleaning facility sites	$50,000."

Section 5. G.S. 143-215.104C reads as rewritten:

"**§ 143-215.104C. (Repealed effective January 1, 2012) Dry-Cleaning Solvent Cleanup Fund.**

(a) Creation. -- The Dry-Cleaning Solvent Cleanup Fund is established as a special revenue fund to be administered by the Commission. Accordingly, revenue in the Fund at the end of a fiscal year does not revert and interest and other investment income earned by the Fund must be credited to it. The Fund is created to provide revenue to implement this Part.

(b) Sources of Revenue. -- The following revenue is credited to the Fund:

(1) Dry-cleaning solvent taxes collected under Article 5D of Chapter 105 of the General Statutes.

(2) Recoveries made pursuant to G.S. 143-215.104N and G.S. 143-215.104O.

(3) Gifts and grants made to the Fund.

(c) Disbursements. -- A claim filed against the Fund may be paid only from monies in the Fund and only in accordance with the provisions of this Part. Any obligation to pay or reimburse claims against the Fund shall be expressly contingent upon availability of monies in the Fund. Neither the State nor any of its agencies shall have any obligation to pay or reimburse any costs for which monies are not available in the Fund. The provisions of this Part shall not constitute a contract, either express or implied, to pay or reimburse costs in excess of the monies available in the Fund. In making disbursements from the Fund, the Commission shall ~~pay the claims with the highest priority before claims of lower priority, and claims of equal priority in the order in which the facility or abandoned site was certified~~ obligate monies to facilities or sites with higher priority before facilities or sites of lower priority, and facilities or sites with equal priority in the order in which the facilities or sites were prioritized until the revenue is exhausted. Consistent with the provisions of this Part, the Commission may disburse monies from the Fund to abate imminent hazards caused by dry-cleaning solvent contamination at abandoned dry-cleaning

facility sites that have not been certified. Up to twenty percent (20%) of the amount of revenue credited to the Fund in a year may be used to defray costs incurred by the Department and the Attorney General's Office in connection with administration of the program described in this Part, including oversight of response activities."

Section 6. G.S. 143-215.104D(a) reads as rewritten:

"(a) Administrative Functions. -- The Commission may delegate any or all of the powers enumerated in this subsection to the ~~Department or engage a private contractor or contractors to carry out the activities enumerated in this subsection. If the Commission engages a private contractor to carry out the functions enumerated in subdivisions (1) through (6) of this subsection, no action of the contractor shall be effective until ratified by the Commission.~~ Department. The Commission shall:

(1) Accept petitions for certification and petitions to enter into dry-cleaning solvent assessment agreements or remediation agreements under this Part.

(2) Prioritize certified dry-cleaning facilities, certified wholesale distribution facilities, or certified abandoned dry-cleaning facility sites for the initiation of assessment or remediation activities that are reimbursable from the Fund.

(3) Develop forms to be used by persons applying for reimbursement of assessment or remediation costs.

(4) Schedule funding of assessment and remediation activities.

(5) Determine whether assessment or remediation is necessary at a site at which dry-cleaning solvent contamination has occurred.

(5a) Enter into contracts with private contractors for assessment and remediation activities at certified dry-cleaning facilities, certified wholesale distribution facilities, or certified abandoned dry-cleaning facility sites.

(6) Determine that all necessary assessment and remediation has been completed at a contamination site.

(7) Make payments from the Fund to reimburse the costs of assessment and remediation. ~~Any payments made by a private contractor engaged by the Commission shall be authorized by the Commission prior to disbursement.~~"

Section 7. G.S. 143-215.104F, as amended by Sections 3 and 4 of this act, reads as rewritten:

"**§ 143-215.104F. (Repealed effective January 1, 2012) Requirements for certification, assessment agreements, and remediation agreements.**

(a) Any person petitioning for certification of a facility or abandoned site pursuant to G.S. 143-215.104G, for a dry-cleaning solvent assessment agreement pursuant to G.S. 143-215.104H, or for a dry-cleaning solvent remediation agreement pursuant to G.S. 143-215.104I, shall meet the requirements set out in this section and any other applicable requirements of this Part.

(b) Requirements for Potentially Responsible Persons Generally. -- Every petitioner shall provide the Commission with:

(1) ~~Information necessary for the Commission to determine the priority ranking of~~ Any information that the petitioner possesses relating to the contamination at the facility or abandoned site described in the petition.

(2) Information necessary to demonstrate the person's ability to incur the response costs specified in subsection (f) of this section.

(4) Information necessary to demonstrate that the petitioner, and any parent, subsidiary, or other affiliate of the petitioner has substantially complied with:

a. The terms of any dry-cleaning solvent assessment agreement, dry-cleaning solvent remediation agreement, brownfields agreement, or other similar agreement to which the petitioner or any parent, subsidiary, or other affiliate of the petitioner has been a party.

b. The requirements applicable to any remediation in which the petitioner has previously engaged.

c. Federal and State laws, regulations, and rules for the protection of the environment.

(5) Evidence demonstrating that a release of dry-cleaning solvent has occurred at the facility or abandoned site and that the release has resulted in dry-cleaning solvent contamination.

(c) Requirement for Property Owners. -- In addition to the information required by subsection (b) of this section, a petitioner who is the owner of the property on which the dry-cleaning solvent contamination identified in the petition is located shall provide the Commission a written agreement authorizing the Commission or its agent to have access to the property for purposes of conducting assessment or remediation activities or determining whether assessment or remediation activities are being conducted in compliance with this Part and any assessment agreement or remediation agreement.

(c1) Costs incurred by the petitioner for activities to obtain certification of a facility or site shall not be reimbursable from the Fund.

(d) The Commission shall reject any petition made pursuant to this Part in any of the following circumstances:

(1) The petitioner is an owner or operator of the facility described in the petition and the facility was not being operated in compliance with minimum management practices adopted by the Commission pursuant to G.S. 143-215.104D(b)(2) at the time the contamination was discovered.

(2) The petitioner is an owner or operator of the facility described in the petition and the petitioner owed delinquent taxes under Article 5D of Chapter 105 of the General Statutes at the time the dry-cleaning solvent contamination was discovered.

(e) The Commission may reject any petition made pursuant to this Part in any of the following circumstances:

(1) The petitioner fails to provide the information required by subsection (b) of this section.

(2) The petitioner falsified any information in its petition that was material to the determination of the priority ranking, the nature, scope and extent of contamination to be assessed or remediated, or the appropriate means to contain and remediate the contaminants.

(f) Financial Responsibility Requirements. -- Each potentially responsible person who petitions the Commission to ~~enter into a dry-cleaning solvent assessment agreement or dry-cleaning solvent remediation agreement~~ certify a facility or abandoned site shall accept written responsibility in the amount specified in this section for the assessment or remediation of the dry-cleaning solvent contamination identified in the petition. If two or more potentially responsible persons petition the Commission jointly, the requirements below shall be the aggregate requirements for the financial responsibility of all potentially responsible persons who are party to the petition. Unless an alternative arrangement is agreed to by co-petitioners, the financial responsibility requirements of this section shall be apportioned equally among the co-petitioners.

Facility or Abandoned Site Where Release Occurred	Costs
Dry-cleaning facilities owned by persons who employ fewer than five full-time employees, or the equivalent, in activities related to dry-cleaning operations during the preceding calendar year	$10,000
Dry-cleaning facilities owned by persons who employ at least five but fewer than 10 full-time employees, or the equivalent, in activities related to dry-cleaning operations during the preceding calendar year	$15,000
Dry-cleaning facilities owned by persons who employ 10 or more full-time employees, or the equivalent, in activities related to dry-cleaning operations during the preceding calendar year	$20,000
Wholesale distribution facilities	$30,000
Abandoned dry-cleaning facility sites	$50,000."

Section 8. G.S. 143-215.104G reads as rewritten:

"**§ 143-215.104G. (Effective January 1, 1999; repealed effective January 1, 2012) Certification of facilities and abandoned sites.**

(a) A potentially responsible party may petition the Commission to certify a facility or abandoned site where a release of dry-cleaning solvent ~~is believed to have~~ has occurred. The Commission shall certify the facility or abandoned site if the petitioner meets the applicable requirements of G.S. 143-215.104F. Upon its decision

to certify a facility or abandoned site, the Commission shall inform the petitioner of its decision and of the initial priority ranking of the facility or site.

~~(b) The Commission may change the initial priority rankings of any facility or abandoned site as additional facilities or abandoned sites are certified if the Commission, in its sole discretion, determines that additional facilities or sites pose a higher degree of harm or risk to public health and the environment. However, the Commission shall not change the priority ranking of a facility or an abandoned site that is set in a dry-cleaning solvent remediation agreement.~~

(c) A potentially responsible party who petitions for certification of a facility or abandoned site shall provide the Commission with either of the following:

(1) A ~~proposed dry-cleaning solvent assessment agreement or dry-cleaning solvent remediation agreement or an indication~~ written statement of the petitioner's intent to enter into an assessment agreement or remediation agreement.

(2) A written statement of the petitioner's intent to conduct assessment and remediation activities pursuant to subsection (d) of this section.

(d) A person who has access to property that is contaminated by dry-cleaning solvent and who has successfully petitioned for certification of the facility or abandoned site from which the contamination is believed to have resulted may undertake assessment or remediation of dry-cleaning solvent contamination located on the property consistent with the standards established by the Commission pursuant to G.S. 143-215.104D(b)(3) without first entering into a dry-cleaning solvent assessment agreement or a dry-cleaning solvent remediation agreement. No assessment or remediation activities undertaken pursuant to this subsection shall rely on standards that require the creation of land-use restrictions. A person who undertakes assessment or remediation activities pursuant to this subsection shall provide the Commission prior written notice of the activity. Costs associated with assessment or remediation activities undertaken pursuant to this subsection shall not be eligible for reimbursement from the Fund.

(e) The rejection of any petition filed pursuant to this section shall not affect the rights of any other petitioner, other than any parent, subsidiary, or other affiliate of the petitioner, under this Part. The rejection of a petition or the decertification of a facility or abandoned site may be the basis for rejection of a petition by any parent, subsidiary, or other affiliate of the petitioner for the facility or abandoned site."

Section 9. G.S. 143-215.104H reads as rewritten:

"**§ 143-215.104H. (Effective January 1, 1999; repealed effective January 1, 2012) Dry-Cleaning Solvent Assessment Agreements.**

(a) Assessment Agreements. -- One or more potentially responsible parties may petition the Commission to enter into a dry-cleaning solvent assessment agreement regarding a facility or abandoned site that has been certified pursuant to G.S. 143-215.104G. The Commission may, in its discretion, enter into an assessment agreement with any potentially responsible party who satisfies the requirements of this section and the applicable requirements of G.S. 143-215.104F. If more than one potentially

responsible party petitions the Commission, the Commission may enter into a single assessment agreement with one or more of the petitioners. The Commission shall not unreasonably refuse to enter into an assessment agreement pursuant to this section. ~~Petitioners shall~~ The Commission may require the petitioners to provide the Commission with any information necessary to ~~demonstrate that the:~~ demonstrate:

(1) ~~Priority~~ The priority ranking assigned to the facility or site is consistent with the rules adopted ~~by the Commission or the adjusted priority ranking that the petitioner agrees to accept is consistent with the rules adopted~~ by the Commission.

(2) ~~Projected~~ The projected schedule for funding of assessment ~~activities, including reimbursements from the Fund~~ activities is adequate.

(3) ~~Assessment~~ The assessment activities to be undertaken with respect to the dry-cleaning solvent contamination and any other contamination at the contamination site are adequate.

(4) ~~Person~~ The person who will be responsible for implementation of the activities is capable and qualified to conduct the assessment.

(4a) The amount of funds already expended by the petitioner for assessment or remediation of dry-cleaning solvent contamination at the facility or site.

(5) ~~Petitioner~~ The petitioner has and will continue to have available the financial resources necessary to pay the costs of assessment activities and the share of response costs imposed on the petitioner by G.S. 143-215.104F.

(6) ~~Permits~~ The permits or other authorizations required to conduct the assessment activities and to lawfully dispose of any hazardous substances or wastes generated by the assessment activities have been or can be obtained.

(7) ~~Assessment~~ The assessment activities will not increase the existing level of public exposure to health or environmental hazards at the contamination site.

(8) ~~Costs~~ The costs to be incurred in connection with the assessment activities contemplated by the assessment agreement are reasonable and necessary.

(9) ~~Petitioner~~ The petitioner has obtained the consent of other property owners to enter into their property for the purpose of conducting assessment activities specified in the assessment agreement.

(b) The terms and conditions of an assessment agreement regarding dry-cleaning solvent contamination shall be guided by and consistent with the rules adopted by the Commission pursuant to G.S. 143-215.104D and the reimbursement authorities and limitations set out in this Part. An assessment agreement shall, subject to the availability of monies from the Fund:

~~(1) Specify the date on which remediation will begin.~~

(1a) Require that the petitioner shall be liable to the Fund for an amount equal to the difference, if any, between the applicable amount of financial responsibility established by G.S. 143-215.104F and the amount reasonably paid by the petitioner for assessment or remediation activities of the type specified in G.S. 143-215.104N(a)(1) through (7) and otherwise consistent with the requirements of this Part.

(2) Provide for the prompt reimbursement of response costs incurred in assessment activities that are found by the Commission to be consistent with the assessment agreement and this Part.

(c) The Commission may refuse to enter into a dry-cleaning solvent assessment agreement with any petitioner if:

(1) The petitioner will not accept financial responsibility for the share of the response costs required by G.S. 143-215.104F.

(2) The petitioner will not accept responsibility for conducting, supervising, or otherwise undertaking assessment activities required by the Commission.

(3) The petitioner fails to provide any information required by subsection (a) of this section.

(d) The refusal of the Commission to enter into a dry-cleaning solvent assessment agreement with any petitioner shall not affect the rights of any other petitioner under this Part, except that the refusal may be the basis for rejection of a petition by any parent, subsidiary or other affiliate of the petitioner for the facility or abandoned site.

(e) If the Commission determines from an assessment prepared pursuant to this Part that the degree of risk to public health or the environment resulting from dry-cleaning solvent contamination otherwise subject to assessment or remediation under this Part and Article 9 of Chapter 130A is acceptable in light of the criteria established pursuant to G.S. 143-215.104D(b)(3) and Article 9 of Chapter 130A, the Commission shall issue a written statement of its determination and notify the owner or operator of the facility or abandoned site responsible for the contamination that no cleanup, no further cleanup, or no further action is required in connection with the contamination.

(f) If the Commission determines that no remediation or further action is required in connection with dry-cleaning solvent contamination otherwise subject to assessment or remediation pursuant to this Part and Article 9 of Chapter 130A, the Commission shall not pay or reimburse any response costs otherwise payable or reimbursable under this Part from the Fund other than costs reasonable and necessary to conduct the risk assessment pursuant to this section and in compliance with a dry-cleaning solvent assessment agreement."

Section 10. G.S. 143-215.104I(a) reads as rewritten:

"(a) Upon the completion of assessment activities required by a dry-cleaning solvent assessment agreement, one or more potentially responsible parties may petition the Commission to enter into a dry-cleaning solvent remediation agreement for any contamination requiring remediation. The Commission may, in its discretion,

enter into a remediation agreement with any petitioner who satisfies the requirements of this section and the applicable requirements of G.S. 143-215.104F. If more than one potentially responsible party petitions the Commission, the Commission may enter into a single remediation agreement with one or more of the petitioners. The Commission shall not unreasonably refuse to enter into a remediation agreement pursuant to this section. The Commission may, in its discretion, enter into a remediation agreement that includes the assessment described in G.S. 143-215.104H. Petitioners shall provide the Commission with any information necessary to demonstrate that:

~~(1) The petitioner, and any parent, subsidiary, or other affiliate of the petitioner has substantially complied with:~~

~~a. The terms of any dry-cleaning solvent assessment agreement, dry-cleaning solvent remediation agreement, brownfields agreement, or other similar agreement to which the petitioner or any parent, subsidiary, or other affiliate of the petitioner has been a party.~~

~~b. The requirements applicable to any remediation in which the petitioner has previously engaged.~~

~~c. Federal and State laws, regulations, and rules for the protection of the environment.~~

(2) As a result of the remediation agreement, the contamination site will be suitable for the uses specified in the remediation agreement while fully protecting public health and the environment from dry-cleaning solvent contamination and any other contaminants included in the remediation agreement.

(3) There is a public benefit commensurate with the liability protection provided under this Part.

(4) The petitioner has or can obtain the financial, managerial, and technical means to fully implement the remediation agreement and assure the safe use of the contamination site.

(5) The petitioner has complied with or will comply with all applicable procedural requirements.

(6) The remediation agreement will not cause the Department to violate the terms and conditions under which the Department operates and administers remedial programs, including the programs established or operated pursuant to Article 9 of Chapter 130A of the General Statutes, by delegation or similar authorization from the United States or its departments or agencies, including the United States Environmental Protection Agency.

(7) The priority ranking assigned to the facility or site is consistent with the rules adopted by the Commission or the ~~adjusted~~ priority ranking that the petitioner agrees to accept is consistent with the rules adopted by the Commission.

(8) The projected schedule for funding of remediation ~~activities, including reimbursements from the Fund.~~ activities.

(9) The petitioner will continue to have available the financial resources necessary to satisfy the share of response costs imposed on the petitioner by G.S. 143-215.104F.

(10) The expenditures eligible for reimbursement from the Fund and to be incurred in connection with the remediation agreement are reasonable and necessary.

(11) The consent of other property owners to enter into their property for purposes of conducting remediation activities specified in the remediation agreement."

Section 11. G.S. 143-215.104I(c)(6) reads as rewritten:

"(c) A dry-cleaning solvent remediation agreement shall contain a description of the contamination site that would be sufficient as a description of the property in an instrument of conveyance and, as applicable, a statement of:

. . .

(6) The ~~final~~ priority ranking of the facility or abandoned site."

Section 12. G.S. 143-215.104N(a) reads as rewritten:

"(a) Reimbursement. -- To the extent monies are available in the Fund for reimbursement of response costs, the Commission shall reimburse any ~~person~~ person, including a private contractor, responsible for implementing reasonable and necessary assessment and remediation activities at a contamination site associated with a certified facility or a certified abandoned site pursuant to a dry-cleaning solvent assessment agreement or dry-cleaning solvent remediation agreement for the following assessment and remediation response ~~costs.~~ costs, for which appropriate documentation is submitted:

(1) Costs of assessment with respect to dry-cleaning solvent contamination.

(2) Costs of treatment or replacement of potable water supplies affected by the contamination.

(3) Costs of remediation of affected soil, groundwater, surface waters, bedrock or other rock formations, or buildings.

(4) Monitoring of the contamination.

(5) Inspection and supervision of activities described in this subsection.

(6) Reasonable costs of restoring property as nearly as practicable to the conditions that existed prior to activities associated with assessment and remediation conducted pursuant to this Part.

(7) Other activities reasonably required to protect public health and the environment."

Section 13. G.S. 143-215.104I(g) reads as rewritten:

"(g) The terms and conditions of a dry-cleaning solvent remediation agreement concerned with dry-cleaning solvent contamination shall be guided by and consistent with the rules adopted by the Commission pursuant to G.S. 143-215.104D and the reimbursement authorities and limitations set out in this Part. A remediation

agreement shall provide, subject to availability of monies in the Fund, for prompt reimbursement of response costs incurred in assessment or remediation activities that are found by the Commission to be consistent with the remediation agreement and this Part. A remediation agreement may provide for the Commission to conduct assessment and remediation activities at the site."

Section 14. G.S. 143-215.104N(c) reads as rewritten:

"(c) The Commission shall not pay or reimburse any response costs arising from a dry-cleaning solvent assessment agreement or dry-cleaning solvent remediation agreement until the petitioners who are party to the agreement have exhausted the financial resources made available under the agreement pursuant to ~~G.S. 143-215.104E and~~ G.S. 143-215.104F."

Section 15. G.S. 143-215.104O reads as rewritten:

"**§ 143-215.104O. (Repealed effective January 1, 2012) Remediation of uncertified sites.**

(a) In the event the owner or operator of a facility or the current owner of an abandoned site cannot be identified or located, unreasonably refuses to enter into either an assessment agreement or remediation agreement or cannot be made to comply with the provisions of an assessment agreement or remediation agreement between the petitioner and the Commission, the Commission may direct the Department or a private contractor engaged by the Commission to use staff, equipment, or materials under the control of the Department or contractor or provided by other cooperating federal, State, or local agencies to develop and implement a plan for abatement of an imminent hazard, or to provide interim alternative sources of drinking water to third parties affected by dry-cleaning solvent contamination resulting from a release at the facility or abandoned site. The cost of any of these actions shall be paid from the Fund. The Department or private contractor shall keep a record of all expenses incurred for personnel and for the use of equipment and materials and all other expenses of developing and implementing the remediation plan.

(b) The Commission shall request the Attorney General to commence a civil action to secure reimbursement of costs incurred under this ~~subsection.~~ section.

(c) In the event a civil action is commenced pursuant to this Part to recover monies paid from the Fund, the Commission may recover, in addition to any amount due, the costs of the action, including reasonable attorneys' fees and investigation expenses. Any monies received or recovered as reimbursement shall be paid into the Fund or other source from which the expenditures were made."

Section 16. Section 5 of S.L. 1997-392 reads as rewritten:

"Section 5. This act constitutes a recent act of the General Assembly within the meaning of G.S. 150B-21.1. The Environmental Management Commission may adopt temporary rules to implement this act until ~~1 January 1999.~~ 30 June 2000."

Section 17. Section 7 of S.L. 1997-392 reads as rewritten:

"Section 7. (a) Any person who undertakes assessment or remediation of dry-cleaning solvent contamination pursuant to ~~an~~ a notice of violation or enforcement action by the Department of ~~Environment, Health,~~ Environment and

Natural Resources during the period beginning 1 October 1997 and ~~1 January 1999~~ ending 30 June 2000 may, on or after ~~1 January 1999~~ 30 June 2000 seek reimbursement from the Dry-Cleaning Solvent Cleanup Fund for any costs exceeding fifty thousand dollars ($50,000). The Commission shall reimburse costs if it finds that the costs incurred were (i) appropriately documented and reasonably necessary to assess or remediate the dry-cleaning solvent contamination; (ii) for any of the activities described in subdivisions (1) through (7) of G.S. 143-215.104N(a); (iii) not subject to any of the limitations in subdivisions (4) ~~or (5)~~ through (9) of G.S. 143-215.104N(b); and (iv) not reimbursable from pollution and remediation legal liability insurance; and (v) required by a notice of violation or a specific order of the Department of ~~Environment, Health,~~ Environment and Natural Resources issued on or after 30 June 1996. No reimbursement may be paid pursuant to this section for dry-cleaning solvent contamination that did not result from operations at a dry-cleaning or wholesale distribution facility. Notwithstanding any other provision of this subsection, the Commission may by rule shorten the period during which costs subject to reimbursement pursuant to this subsection may be incurred.

(b) Any person who, as of ~~1 January 1999,~~ 30 June 2000, is undertaking assessment or remediation of dry-cleaning solvent contamination shall be eligible to petition the Commission to enter into a dry-cleaning solvent assessment agreement or dry-cleaning solvent remediation agreement with respect to the contamination. In calculating the required financial contribution of parties to any agreement, the Commission shall determine the reasonable cost of any necessary unreimbursed assessment or remediation activity undertaken by the parties with respect to the contamination site prior to ~~1 January 1999~~ 30 June 2000 and shall credit the amount toward any applicable financial responsibility limits established in G.S. 143-215.104F. Notwithstanding any other provision of this subsection, the Commission may by rule establish a different cutoff date for assessment and remediation activities covered by this subsection."

Section 18. If any section or provision of this act is declared unconstitutional or invalid by the courts, the unconstitutional or invalid section or provision does not affect the validity of this act as a whole or any part of this act other than the part declared to be unconstitutional or invalid.

Section 19. Article 21A of Chapter 143 of the General Statutes is amended by adding a new section to read:

"**§ 143-215.104V. Dry-cleaning solvent reduction goals.**

It shall be the goal of the State of North Carolina to reduce the use of Perchloroethylene F-1,1,3 (PERC) by dry-cleaning facilities in accordance with the following schedule:

Percent Reduction in PERC	Reduction Deadline
10%	1 July 2004
25%	1 July 2009
50%	1 July 2014
100%	1 July 2019."

Section 20. G.S. 143-215.104U reads as rewritten:

"**§ 143-215.104U. (Repealed effective January 1, 2012) Reporting requirements.**

(a) The Secretary shall present an annual report to the Environmental Review Commission that shall include at least the following:

(1) A list of all dry-cleaning solvent contamination reported to the Department.

(2) A list of all facilities and abandoned sites certified by the Commission and the status of contamination associated with each facility or abandoned site.

(3) An estimate of the cost of assessment and remediation required in connection with facilities or abandoned sites certified by the Commission and an estimate of assessment and remediation costs expected to be paid from the Fund.

(4) A statement of receipts and disbursements for the Fund.

(5) A statement of all claims against the Fund, including claims paid, claims denied, pending claims, anticipated claims, and any other obligations.

(6) The adequacy of the Fund to carry out the purposes of this Part together with any recommendations as to measures that may be necessary to assure the continued solvency of the Fund.

(7) The progress of the State in attaining the goals of reducing the use of Perchloroethylene F-1,1,3 (PERC) as established in G.S. 143-215.104T.

(8) The cost and effectiveness of dry-cleaning technologies and chemicals that offer an alternative to the use of Perchloroethylene F-1,1,3 (PERC).

(b) The Secretary shall make the annual report required by this section on or before 1 October of each year."

Section 21. Sections 1 and 2 of this act become effective July 1, 2001. G.S. 105-164.44E and G.S. 143-215.104C(b)(4), as enacted by this act, are repealed on July 1, 2010. The remainder of this act is effective when it becomes law, and Sections 3 and 4 of this act apply retroactively to April 1, 1998.

A BILL TO BE ENTITLED

AN ACT TO DESIGNATE THE STATE SALES TAX REVENUE FROM DRY-CLEANING AND LAUNDRY SERVICES TO THE DRY-CLEANING SOLVENT CLEANUP FUND; TO INCREASE THE STATE SALES TAX ON DRY-CLEANING SOLVENTS; TO AMEND THE DRY-CLEANING SOLVENT CLEANUP ACT OF 1997 TO REPEAL THE REQUIREMENT OF FINANCIAL RESPONSIBILITY FOR DRY-CLEANING FACILITIES AND WHOLESALE DRY-CLEANING SOLVENT DISTRIBUTION FACILITIES; TO ALLOW THE ENVIRONMENTAL MANAGEMENT COMMISSION TO ENTER INTO CONTRACTS WITH PRIVATE CONTRACTORS FOR ASSESSMENT AND REMEDIATION ACTIVITIES AT DRY-CLEANING FACILITIES AND WHOLESALE DRY-CLEANING SOLVENT DISTRIBUTION FACILITIES; TO DIRECT THE SECRETARY OF ENVIRONMENT AND NATURAL RESOURCES TO STUDY THE USE OF DRY-CLEANING SOLVENTS IN NORTH CAROLINA, AND TO MAKE OTHER CHANGES IN THE DRY-CLEANING SOLVENT CLEANUP ACT OF 1997.

The General Assembly of North Carolina enacts:

Section 1.1. Article 5 of Chapter 105 of the General Statutes is amended to add a new section to read:

"**§ 105-164.44E. Transfer to the Dry-Cleaning Solvent Cleanup Fund.**

At the end of each quarter, the Secretary must transfer to the Dry-Cleaning Solvent Cleanup Fund established under G.S. 143-215.104C an amount equal to

fifteen percent (15%) of the net State sales and use taxes collected under G.S. 105-164.4(a)(4) during the previous fiscal year, as determined by the Secretary based on available data."

Section 1.2. G.S. 105-187.31 reads as rewritten:

"**§ 105-187.31. (Repealed effective January 1, 2010.) Tax imposed.**

A privilege tax is imposed on a dry-cleaning solvent retailer at a flat rate for each gallon of dry-cleaning solvent sold by the retailer to a dry-cleaning facility. An excise tax is imposed on dry-cleaning solvent purchased outside the State for storage, use, or consumption by a dry-cleaning facility in this State. The rate of the privilege tax and the excise tax is ~~five dollars and eighty-five cents ($5.85)~~ ten dollars ($10.00) for each gallon of dry-cleaning solvent that is chlorine-based and ~~eighty cents (80¢)~~ one dollar and thirty-five cents ($1.35) for each gallon of dry-cleaning solvent that is hydrocarbon-based. These taxes are in addition to all other taxes."

Section 1.3. G.S. 105-164.7 reads as rewritten:

"**§ 105-164.7. Sales tax part of purchase price.**

Every retailer ~~engaged in the business of selling or delivering or taking orders for the sale or delivery of tangible personal property for storage, use or consumption in this State~~ subject to the tax levied in G.S. 105-164.4 shall at the time of selling or delivering or taking an order for the sale or delivery of ~~said~~ taxable tangible personal property or a taxable service, or collecting the sales ~~price thereof or any part thereof,~~ price, add to the sales price ~~of such tangible personal property~~ the amount of ~~the~~ tax due. ~~on the sale thereof and when so added said~~ The tax ~~shall constitute~~ constitutes a part of ~~such~~ the purchase price, ~~shall be~~ is a debt from the purchaser to the retailer until ~~paid~~ paid, and ~~shall be~~ is recoverable at law in the same manner as other debts. ~~Said~~ The tax ~~shall~~ must be stated and charged separately from the sales ~~price and~~ price, shown separately on the retailer's sales ~~records~~ records, and ~~shall be~~ paid by the purchaser to the retailer as trustee for and on account of the ~~State and the~~ State. The retailer ~~shall be~~ is liable for the collection ~~thereof~~ of the tax and for its payment to the ~~Secretary and the~~ Secretary. The retailer's failure to charge to or collect ~~said~~ the tax from the purchaser ~~shall~~ does not affect ~~such~~ this liability. It is the ~~purpose and~~ intent of this Article that the tax ~~herein levied and imposed shall~~ be added to the sales price of tangible personal property and services when sold at retail and ~~thereby~~ be borne and passed on to the customer, instead of being borne by the retailer."

Section 2. G.S. 143-215.104C(b) reads as rewritten:

"(b) Sources of Revenue. -- The following revenue is credited to the Fund:

(1) Dry-cleaning solvent taxes collected under Article 5D of Chapter 105 of the General Statutes.

(2) Recoveries made pursuant to G.S. 143-215.104N and G.S. 143-215.104O.

(3) Gifts and grants made to the Fund.

(4) Revenues credited to the Fund under G.S. 105-164.44E."

Section 3. G.S. 143-215.104B(b)(20), 143-215.104E, 143-215.104F(b)(3), 143-215.104F(d)(3), 143-215.104F(g), 143-215.104J(a)(5), 143-215.104P(a)(1), and Section 3 of S.L. 1997-392 are repealed.

Section 4. G.S. 143-215.104F(f) reads as rewritten:

"(f) Financial Responsibility Requirements. -- Each potentially responsible person who petitions the Commission to enter into a dry-cleaning solvent assessment agreement or dry-cleaning solvent remediation agreement shall accept written responsibility in the amount specified in this section for the assessment or remediation of the dry-cleaning solvent contamination identified in the petition. If two or more potentially responsible persons petition the Commission jointly, the requirements below shall be the aggregate requirements for the financial responsibility of all potentially responsible persons who are party to the petition. Unless an alternative arrangement is agreed to by co-petitioners, the financial responsibility requirements of this section shall be apportioned equally among the co-petitioners. ~~The requirements in this subsection shall be in addition to any insurance or other financial responsibility, including deductibles or retentions, established pursuant to G.S. 143-215.104E.~~ The financial responsibility required shall be as follows:

~~Facility or Abandoned Site Where Release Occurred Costs~~

~~Dry-cleaning facilities owned by persons who employ fewer than five full-time employees, or the equivalent, in activities related to dry-cleaning operations during the preceding calendar year $5,000~~

~~Dry-cleaning facilities owned by persons who employ at least five but fewer than 10 full-time employees, or the equivalent, in activities related to dry-cleaning operations during the preceding calendar year $10,000~~

~~Dry-cleaning facilities owned by persons who employ 10 or more full-time employees, or the equivalent, in activities related to dry-cleaning operations during the preceding calendar year $15,000~~

~~Wholesale distribution facilities $25,000~~

~~Abandoned dry-cleaning facility sites $50,000.~~

(1) For dry-cleaning facilities owned by persons who employ fewer than five full-time employees, or the equivalent, in activities related to dry-cleaning operations during the calendar year preceding the date of the petition, the first five thousand dollars ($5,000) of the costs of assessment or remediation and one percent (1%) of the costs of assessment or remediation in excess of two hundred thousand dollars ($200,000) but not exceeding one million dollars ($1,000,000).

(2) For dry-cleaning facilities owned by persons who employ at least five but fewer than 10 full-time employees, or the equivalent, in

activities related to dry-cleaning operations during the calendar year preceding the date of the petition, the first ten thousand dollars ($10,000) of the costs of assessment or remediation, two percent (2%) of the costs of assessment or remediation in excess of two hundred thousand dollars ($200,000) but not exceeding five hundred thousand dollars ($500,000), and one percent (1%) of the costs of assessment or remediation in excess of five hundred thousand dollars ($500,000) but not exceeding one million dollars ($1,000,000).

(3) For dry-cleaning facilities owned by persons who employ 10 or more full-time employees, or the equivalent, in activities related to dry-cleaning operations during the calendar year preceding the date of the petition, the first fifteen thousand dollars ($15,000) of the costs of assessment or remediation, three percent (3%) of the costs of assessment or remediation in excess of two hundred thousand dollars ($200,000) but not exceeding five hundred thousand dollars ($500,000), and one percent (1%) of the costs of assessment or remediation in excess of five hundred thousand dollars ($500,000) but not exceeding one million dollars ($1,000,000).

(4) For wholesale distribution facilities and abandoned dry-cleaning facility sites, the first twenty-five thousand dollars ($25,000) of the costs of assessment or remediation, three percent (3%) of the costs of assessment or remediation in excess of two hundred thousand dollars ($200,000) but not exceeding five hundred thousand dollars ($500,000), and one percent (1%) of the costs of assessment or remediation in excess of five hundred thousand dollars ($500,000) but not exceeding one million dollars ($1,000,000)."

Section 5. G.S. 143-215.104C(c) reads as rewritten:

"(c) Disbursements. -- A claim filed against the Fund may be paid only from monies in the Fund and only in accordance with the provisions of this Part. Any obligation to pay or reimburse claims against the Fund shall be expressly contingent upon availability of monies in the Fund. Neither the State nor any of its agencies shall have any obligation to pay or reimburse any costs for which monies are not available in the Fund. The provisions of this Part shall not constitute a contract, either express or implied, to pay or reimburse costs in excess of the monies available in the Fund. In making disbursements from the Fund, the Commission shall ~~pay the claims with the highest priority before claims of lower priority, and claims of equal priority in the order in which the facility or abandoned site was certified~~ obligate monies to facilities or abandoned sites with higher priority before facilities or abandoned sites of lower priority, and facilities or abandoned sites with equal priority in the order in which the facilities or abandoned sites were prioritized until the revenue is exhausted. Consistent with the provisions of this Part, the Commission may disburse monies from the Fund to abate imminent hazards caused by dry-cleaning

solvent contamination at abandoned dry-cleaning facility sites that have not been certified. Up to twenty percent (20%) of the amount of revenue credited to the Fund in a year may be used to defray costs incurred by the Department and the Attorney General's Office in connection with administration of the program described in this Part, including oversight of response activities."

Section 5.1. Effective July 1, 2001, G.S. 143-215.104(C)(c), as amended by Section 5 of this act, reads as rewritten:

"(c) Disbursements. -- A claim filed against the Fund may be paid only from monies in the Fund and only in accordance with the provisions of this Part. Any obligation to pay or reimburse claims against the Fund shall be expressly contingent upon availability of monies in the Fund. Neither the State nor any of its agencies shall have any obligation to pay or reimburse any costs for which monies are not available in the Fund. The provisions of this Part shall not constitute a contract, either express or implied, to pay or reimburse costs in excess of the monies available in the Fund. In making disbursements from the Fund, the Commission shall obligate monies to facilities or sites with higher priority before facilities or sites of lower priority, and facilities or sites with equal priority in the order in which the facilities or sites were prioritized until the revenue is exhausted. Consistent with the provisions of this Part, the Commission may disburse monies from the Fund to abate imminent hazards by dry-cleaning solvent contamination at abandoned dry-cleaning facility sites that have not been certified. Up to ~~twenty percent (20%)~~ forty percent (40%) of the amount of revenue credited to the Fund in a year may be used to defray costs incurred by the Department and the Attorney General's Office in connection with administration of the program described in this Part, including oversight of response activities."

Section 5.2. Effective July 1, 2002, G.S. 143-215.104C(c), as amended by Sections 5 and 5.1 of this act, reads as rewritten:

"(c) Disbursements. -- A claim filed against the Fund may be paid only from monies in the Fund and only in accordance with the provisions of this Part. Any obligation to pay or reimburse claims against the Fund shall be expressly contingent upon availability of monies in the Fund. In making disbursements from the Fund, the Commission shall obligate monies to facilities or sites with higher priority before facilities or sites of lower priority, and facilities or sites with equal priority in the order in which the facilities or sites were prioritized until the revenue is exhausted. Consistent with the provisions of this Part, the Commission may disburse monies from the Fund to abate imminent hazards by dry-cleaning solvent contamination at abandoned dry-cleaning facility sites that have not been certified. Up to ~~forty percent (40%)~~ forty-five percent (45%) of the amount of revenue credited to the Fund in a year may be used to defray costs incurred by the Department and the Attorney General's Office in connection

with administration of the program described in this Part, including oversight of response activities."

Section 5.3. Effective July 1, 2003, G.S. 143-215.104C(c), as amended by Sections 5, 5.1, and 5.2 of this act, reads as rewritten:

"(c) Disbursements. -- A claim filed against the Fund may be paid only from monies in the Fund and only in accordance with the provisions of this Part. Any obligation to pay or reimburse claims against the Fund shall be expressly contingent upon availability of monies in the Fund. Neither the State nor any of its agencies shall have any obligation to pay or reimburse any costs for which monies are not available in the Fund. Up to ~~forty-five percent (45%)~~ twenty percent (20%) of the amount of revenue credited to the Fund in a year may be used to defray costs incurred by the Department and the Attorney General's Office in connection with administration of the program described in this Part, including oversight of response activities."

Section 6. G.S. 143-215.104D(a) reads as rewritten:

"(a) Administrative Functions. -- The Commission may delegate any or all of the powers enumerated in this subsection to the ~~Department or engage a private contractor or contractors to carry out the activities enumerated in this subsection. If the Commission engages a private contractor to carry out the functions enumerated in subdivisions (1) through (6) of this subsection, no action of the contractor shall be effective until ratified by the Commission.~~ Department. The Commission shall:

(1) Accept petitions for certification and petitions to enter into dry-cleaning solvent assessment agreements or remediation agreements under this Part.

(2) Prioritize certified dry-cleaning facilities, certified wholesale distribution facilities, or certified abandoned dry-cleaning facility sites for the initiation of assessment or remediation activities that are reimbursable from the Fund.

(3) Develop forms to be used by persons applying for reimbursement of assessment or remediation costs.

(4) Schedule funding of assessment and remediation activities.

(5) Determine whether assessment or remediation is necessary at a site at which dry-cleaning solvent contamination has occurred.

(5a) Enter into contracts with private contractors for assessment and remediation activities at certified dry-cleaning facilities, certified

wholesale distribution facilities, and certified abandoned dry-cleaning facility sites.

(6) Determine that all necessary assessment and remediation has been completed at a contamination site.

(7) Make payments from the Fund to reimburse the costs of assessment and remediation. ~~Any payments made by a private contractor engaged by the Commission shall be authorized by the Commission prior to disbursement.~~"

Section 7. G.S. 143-215.104F, as amended by Sections 3 and 4 of this act, reads as rewritten:

"**§ 143-215.104F. (Repealed effective January 1, 2012) Requirements for certification, assessment agreements, and remediation agreements.**

(a) Any person petitioning for certification of a facility or abandoned site pursuant to G.S. 143-215.104G, for a dry-cleaning solvent assessment agreement pursuant to G.S. 143-215.104H, or for a dry-cleaning solvent remediation agreement pursuant to G.S. 143-215.104I, shall meet the requirements set out in this section and any other applicable requirements of this Part.

(b) Requirements for Potentially Responsible Persons Generally. -- Every petitioner shall provide the Commission with:

(1) ~~Information necessary for the Commission to determine the priority ranking of~~ Any information that the petitioner possesses relating to the contamination at the facility or abandoned site described in the petition.

(2) Information necessary to demonstrate the person's ability to incur the response costs specified in subsection (f) of this section.

(4) Information necessary to demonstrate that the petitioner, and any parent, subsidiary, or other affiliate of the petitioner, has substantially complied with:

a. The terms of any dry-cleaning solvent assessment agreement, dry-cleaning solvent remediation agreement, brownfields agreement, or other similar agreement to which the petitioner or any parent, subsidiary, or other affiliate of the petitioner has been a party.

b. The requirements applicable to any remediation in which the petitioner has previously engaged.

c. Federal and State laws, regulations, and rules for the protection of the environment.

(5) Evidence demonstrating that a release of dry-cleaning solvent has occurred at the facility or abandoned site and that the release has resulted in dry-cleaning solvent contamination.

(c) Requirement for Property Owners. -- In addition to the information required by subsection (b) of this section, a petitioner who is the owner of the property on which the dry-cleaning solvent contamination identified in the petition is located shall provide the Commission a written agreement authorizing the Commission or its agent

to have access to the property for purposes of conducting assessment or remediation activities or determining whether assessment or remediation activities are being conducted in compliance with this Part and any assessment agreement or remediation agreement.

(c1) Costs incurred by the petitioner for activities to obtain certification of a facility or abandoned site shall not be reimbursable from the Fund.

(d) The Commission shall reject any petition made pursuant to this Part in any of the following circumstances:

(1) The petitioner is an owner or operator of the facility described in the petition and the facility was not being operated in compliance with minimum management practices adopted by the Commission pursuant to G.S. 143-215.104D(b)(2) at the time the contamination was discovered.

(2) The petitioner is an owner or operator of the facility described in the petition and the petitioner owed delinquent taxes under Article 5D of Chapter 105 of the General Statutes at the time the dry-cleaning solvent contamination was discovered.

(e) The Commission may reject any petition made pursuant to this Part in any of the following circumstances:

(1) The petitioner fails to provide the information required by subsection (b) of this section.

(2) The petitioner falsified any information in its petition that was material to the determination of the priority ranking, the nature, scope and extent of contamination to be assessed or remediated, or the appropriate means to contain and remediate the contaminants.

(f) Financial Responsibility Requirements. -- Each potentially responsible person who petitions the Commission to ~~enter into a dry-cleaning solvent assessment agreement or dry-cleaning solvent remediation agreement~~ certify a facility or abandoned site shall accept written responsibility in the amount specified in this section for the assessment or remediation of the dry-cleaning solvent contamination identified in the petition. If two or more potentially responsible persons petition the Commission jointly, the requirements below shall be the aggregate requirements for the financial responsibility of all potentially responsible persons who are party to the petition. Unless an alternative arrangement is agreed to by co-petitioners, the financial responsibility requirements of this section shall be apportioned equally among the co-petitioners. The financial responsibility required shall be as follows:

(1) For dry-cleaning facilities owned by persons who employ fewer than five full-time employees, or the equivalent, in activities related to dry-cleaning operations during the calendar year preceding the date of the petition, the first five thousand dollars ($5,000) of the costs of assessment or remediation and one percent (1%) of the costs of assessment or remediation in excess of two hundred thousand dollars ($200,000) but not exceeding one million dollars ($1,000,000).

(2) For dry-cleaning facilities owned by persons who employ at least five but fewer than 10 full-time employees, or the equivalent, in activities related to dry-cleaning operations during the calendar year preceding the date of the petition, the first ten thousand dollars ($10,000) of the costs of assessment or remediation, two percent (2%) of the costs of assessment or remediation in excess of two hundred thousand dollars ($200,000) but not exceeding five hundred thousand dollars ($500,000), and one percent (1%) of the costs of assessment or remediation in excess of five hundred thousand dollars ($500,000) but not exceeding one million dollars ($1,000,000).

(3) For dry-cleaning facilities owned by persons who employ 10 or more full-time employees, or the equivalent, in activities related to dry-cleaning operations during the calendar year preceding the date of the petition, the first fifteen thousand dollars ($15,000) of the costs of assessment or remediation, three percent (3%) of the costs of assessment or remediation in excess of two hundred thousand dollars ($200,000) but not exceeding five hundred thousand dollars ($500,000), and one percent (1%) of the costs of assessment or remediation in excess of five hundred thousand dollars ($500,000) but not exceeding one million dollars ($1,000,000).

(4) For wholesale distribution facilities and abandoned dry-cleaning facility sites, the first twenty-five thousands dollars ($25,000) of the costs of assessment or remediation, three percent (3%) of the costs of assessment or remediation in excess of two hundred thousand dollars ($200,000) but not exceeding five hundred thousand dollars ($500,000), and one percent (1%) of the costs of assessment or remediation in excess of five hundred thousand dollars ($500,000) but not exceeding one million dollars ($1,000,000)."

Section 8. G.S. 143-215.104G reads as rewritten:

"**§ 143-215.104G. (Effective January 1, 1999; repealed effective January 1, 2012) Certification of facilities and abandoned sites.**

(a) A potentially responsible party may petition the Commission to certify a facility or abandoned site where a release of dry-cleaning solvent ~~is believed to have~~ has occurred. The Commission shall certify the facility or abandoned site if the petitioner meets the applicable requirements of G.S. 143-215.104F. Upon its decision to certify a facility or abandoned site, the Commission shall inform the petitioner of its decision and of the initial priority ranking of the facility or site.

~~(b) The Commission may change the initial priority rankings of any facility or abandoned site as additional facilities or abandoned sites are certified if the Commission, in its sole discretion, determines that additional facilities or sites pose a higher degree of harm or risk to public health and the environment. However, the~~

~~Commission shall not change the priority ranking of a facility or an abandoned site that is set in a dry-cleaning solvent remediation agreement.~~

(c) A potentially responsible party who petitions for certification of a facility or abandoned site shall provide the Commission with either of the following:

(1) A ~~proposed dry-cleaning solvent assessment agreement or dry-cleaning solvent remediation agreement or an indication~~ written statement of the petitioner's intent to enter into an assessment agreement or remediation agreement.

(2) A written statement of the petitioner's intent to conduct assessment and remediation activities pursuant to subsection (d) of this section.

(d) A person who has access to property that is contaminated by dry-cleaning solvent and who has successfully petitioned for certification of the facility or abandoned site from which the contamination is believed to have resulted may undertake assessment or remediation of dry-cleaning solvent contamination located on the property consistent with the standards established by the Commission pursuant to G.S. 143-215.104D(b)(3) without first entering into a dry-cleaning solvent assessment agreement or a dry-cleaning solvent remediation agreement. No assessment or remediation activities undertaken pursuant to this subsection shall rely on standards that require the creation of land-use restrictions. A person who undertakes assessment or remediation activities pursuant to this subsection shall provide the Commission prior written notice of the activity. Costs associated with assessment or remediation activities undertaken pursuant to this subsection shall not be eligible for reimbursement from the Fund.

(e) The rejection of any petition filed pursuant to this section shall not affect the rights of any other petitioner, other than any parent, subsidiary, or other affiliate of the petitioner, under this Part. The rejection of a petition or the decertification of a facility or abandoned site may be the basis for rejection of a petition by any parent, subsidiary, or other affiliate of the petitioner for the facility or abandoned site."

Section 9. G.S. 143-215.104H reads as rewritten:

"**§ 143-215.104H. (Effective January 1, 1999; repealed effective January 1, 2012) Dry-Cleaning Solvent Assessment Agreements.**

(a) Assessment Agreements. -- One or more potentially responsible parties may petition the Commission to enter into a dry-cleaning solvent assessment agreement regarding a facility or abandoned site that has been certified pursuant to G.S. 143-215.104G. The Commission may, in its discretion, enter into an assessment agreement with any potentially responsible party who satisfies the requirements of this section and the applicable requirements of G.S. 143-215.104F. If more than one potentially responsible party petitions the Commission, the Commission may enter into a single assessment agreement with one or more of the petitioners. The Commission shall not unreasonably refuse to enter into an assessment agreement pursuant to this section. ~~Petitioners shall~~ The Commission may require the petitioners to provide the Commission with any information necessary to ~~demonstrate that the:~~ demonstrate:

(1) ~~Priority~~ The priority ranking assigned to the facility or site is consistent with the rules adopted ~~by the Commission or the adjusted priority ranking that the petitioner agrees to accept is consistent with the rules adopted~~ by the Commission.

(2) ~~Projected~~ The projected schedule for funding of assessment ~~activities, including reimbursements from the Fund~~ activities is adequate.

(3) ~~Assessment~~ The assessment activities to be undertaken with respect to the dry-cleaning solvent contamination and any other contamination at the contamination site are adequate.

(4) ~~Person~~ The person who will be responsible for implementation of the activities is capable and qualified to conduct the assessment.

(4a) The amount of funds already expended by the petitioner for assessment or remediation of dry-cleaning solvent contamination at the facility or abandoned site.

(5) ~~Petitioner~~ The petitioner has and will continue to have available the financial resources necessary to pay the costs of assessment activities and the share of response costs imposed on the petitioner by G.S. 143-215.104F.

(6) ~~Permits~~ The permits or other authorizations required to conduct the assessment activities and to lawfully dispose of any hazardous substances or wastes generated by the assessment activities have been or can be obtained.

(7) ~~Assessment~~ The assessment activities will not increase the existing level of public exposure to health or environmental hazards at the contamination site.

(8) ~~Costs~~ The costs to be incurred in connection with the assessment activities contemplated by the assessment agreement are reasonable and necessary.

(9) ~~Petitioner~~ The petitioner has obtained the consent of other property owners to enter into their property for the purpose of conducting assessment activities specified in the assessment agreement.

(b) The terms and conditions of an assessment agreement regarding dry-cleaning solvent contamination shall be guided by and consistent with the rules adopted by the Commission pursuant to G.S. 143-215.104D and the reimbursement authorities and limitations set out in this Part. An assessment agreement shall, subject to the availability of monies from the Fund:

~~(1) Specify the date on which remediation will begin.~~

(1a) Require that the petitioner shall be liable to the Fund for an amount equal to the difference, if any, between the applicable amount for which the petitioner is responsible under G.S. 143-215.104F and the amount reasonably paid by the petitioner for assessment or remediation activities of the type specified in G.S.

143-215.104N(a)(1) through (7) and that are otherwise consistent with the requirements of this Part.

(2) Provide for the prompt reimbursement of response costs incurred in assessment activities that are found by the Commission to be consistent with the assessment agreement and this Part.

(c) The Commission may refuse to enter into a dry-cleaning solvent assessment agreement with any petitioner if:

(1) The petitioner will not accept financial responsibility for the share of the response costs required by G.S. 143-215.104F.

(2) The petitioner will not accept responsibility for conducting, supervising, or otherwise undertaking assessment activities required by the Commission.

(3) The petitioner fails to provide any information required by subsection (a) of this section.

(d) The refusal of the Commission to enter into a dry-cleaning solvent assessment agreement with any petitioner shall not affect the rights of any other petitioner under this Part, except that the refusal may be the basis for rejection of a petition by any parent, subsidiary or other affiliate of the petitioner for the facility or abandoned site.

(e) If the Commission determines from an assessment prepared pursuant to this Part that the degree of risk to public health or the environment resulting from dry-cleaning solvent contamination otherwise subject to assessment or remediation under this Part and Article 9 of Chapter 130A is acceptable in light of the criteria established pursuant to G.S. 143-215.104D(b)(3) and Article 9 of Chapter 130A, the Commission shall issue a written statement of its determination and notify the owner or operator of the facility or abandoned site responsible for the contamination that no cleanup, no further cleanup, or no further action is required in connection with the contamination.

(f) If the Commission determines that no remediation or further action is required in connection with dry-cleaning solvent contamination otherwise subject to assessment or remediation pursuant to this Part and Article 9 of Chapter 130A, the Commission shall not pay or reimburse any response costs otherwise payable or reimbursable under this Part from the Fund other than costs reasonable and necessary to conduct the risk assessment pursuant to this section and in compliance with a dry-cleaning solvent assessment agreement."

Section 10. G.S. 143-215.104I(a) reads as rewritten:

"(a) Upon the completion of assessment activities required by a dry-cleaning solvent assessment agreement, one or more potentially responsible parties may petition the Commission to enter into a dry-cleaning solvent remediation agreement for any contamination requiring remediation. The Commission may, in its discretion, enter into a remediation agreement with any petitioner who satisfies the requirements of this section and the applicable requirements of G.S. 143-215.104F. If more than one potentially responsible party petitions the Commission, the Commission may enter into a single remediation agreement with one or more of the petitioners. The Commission shall not unreasonably refuse to enter into a remediation agreement

pursuant to this section. The Commission may, in its discretion, enter into a remediation agreement that includes the assessment described in G.S. 143-215.104H. Petitioners shall provide the Commission with any information necessary to ~~demonstrate that:~~ demonstrate:

~~(1) The petitioner, and any parent, subsidiary, or other affiliate of the petitioner has substantially complied with:~~

~~a. The terms of any dry-cleaning solvent assessment agreement, dry-cleaning solvent remediation agreement, brownfields agreement, or other similar agreement to which the petitioner or any parent, subsidiary, or other affiliate of the petitioner has been a party.~~

~~b. The requirements applicable to any remediation in which the petitioner has previously engaged.~~

~~c. Federal and State laws, regulations, and rules for the protection of the environment.~~

(2) As a result of the remediation agreement, the contamination site will be suitable for the uses specified in the remediation agreement while fully protecting public health and the environment from dry-cleaning solvent contamination and any other contaminants included in the remediation agreement.

(3) There is a public benefit commensurate with the liability protection provided under this Part.

(4) The petitioner has or can obtain the financial, managerial, and technical means to fully implement the remediation agreement and assure the safe use of the contamination site.

(5) The petitioner has complied with or will comply with all applicable procedural requirements.

(6) The remediation agreement will not cause the Department to violate the terms and conditions under which the Department operates and administers remedial programs, including the programs established or operated pursuant to Article 9 of Chapter 130A of the General Statutes, by delegation or similar authorization from the United States or its departments or agencies, including the United States Environmental Protection Agency.

(7) The priority ranking assigned to the facility or site is consistent with the rules adopted by the Commission or the ~~adjusted~~ priority ranking that the petitioner agrees to accept is consistent with the rules adopted by the Commission.

(8) The projected schedule for funding of remediation ~~activities, including reimbursements from the Fund.~~ activities.

(9) The petitioner will continue to have available the financial resources necessary to satisfy the share of response costs imposed on the petitioner by G.S. 143-215.104F.

(10) The expenditures eligible for reimbursement from the Fund and to be incurred in connection with the remediation agreement are reasonable and necessary.

(11) The consent of other property owners to enter into their property for purposes of conducting remediation activities specified in the remediation agreement."

Section 11. G.S. 143-215.104I(c)(6) reads as rewritten:

"(c) A dry-cleaning solvent remediation agreement shall contain a description of the contamination site that would be sufficient as a description of the property in an instrument of conveyance and, as applicable, a statement of:

. . .

(6) The ~~final~~ priority ranking of the facility or abandoned site."

Section 12. G.S. 143-215.104N(a) reads as rewritten:

"(a) Reimbursement. -- To the extent monies are available in the Fund for reimbursement of response costs, the Commission shall reimburse any ~~person~~ person, including a private contractor, responsible for implementing reasonable and necessary assessment and remediation activities at a contamination site associated with a certified facility or a certified abandoned site pursuant to a dry-cleaning solvent assessment agreement or dry-cleaning solvent remediation agreement for the following assessment and remediation response ~~costs:~~ costs, for which appropriate documentation is submitted:

(1) Costs of assessment with respect to dry-cleaning solvent contamination.

(2) Costs of treatment or replacement of potable water supplies affected by the contamination.

(3) Costs of remediation of affected soil, groundwater, surface waters, bedrock or other rock formations, or buildings.

(4) Monitoring of the contamination.

(5) Inspection and supervision of activities described in this subsection.

(6) Reasonable costs of restoring property as nearly as practicable to the conditions that existed prior to activities associated with assessment and remediation conducted pursuant to this Part.

(7) Other activities reasonably required to protect public health and the environment."

Section 13. G.S. 143-215.104I(g) reads as rewritten:

"(g) The terms and conditions of a dry-cleaning solvent remediation agreement concerned with dry-cleaning solvent contamination shall be guided by and consistent with the rules adopted by the Commission pursuant to G.S. 143-215.104D and the reimbursement authorities and limitations set out in this Part. A remediation agreement shall provide, subject to availability of monies in the Fund, for prompt reimbursement of response costs incurred in assessment or remediation activities that are found by the Commission to be consistent with the remediation agreement and this Part. A remediation agreement may provide that the Commission conduct assessment and remediation activities at the facility or abandoned site."

Section 14.(a) G.S. 143-215.104N(b)(3) reads as rewritten:

"(3) ~~For costs before funds available through the financial responsibility demonstrated by the owner or operator of the facility or abandoned site pursuant to G.S. 143-215.104E and~~ For costs incurred in connection with dry-cleaning solvent contamination from a facility or abandoned site for which funds obligated by petitioners pursuant to a dry-cleaning solvent assessment agreement or dry-cleaning solvent remediation agreement in accordance with G.S. 143-214.104F(f) are ~~exhausted.~~ overdue."

Section 14.(b) G.S. 143-215.104N(c) reads as rewritten:

"(c) The Commission shall not pay or reimburse any response costs arising from a dry-cleaning solvent assessment agreement or dry-cleaning solvent remediation agreement until the petitioners who are party to the agreement have ~~exhausted the financial resources made available under G.S. 143-215.104E and G.S. 143-215.104F.~~ paid all sums due under the agreement."

Section 15. G.S. 143-215.104O reads as rewritten:

"**§ 143-215.104O. (Repealed effective January 1, 2012) Remediation of uncertified sites.**

(a) In the event the owner or operator of a facility or the current owner of an abandoned site cannot be identified or located, unreasonably refuses to enter into either an assessment agreement or remediation agreement or cannot be made to comply with the provisions of an assessment agreement or remediation agreement between the petitioner and the Commission, the Commission may direct the Department or a private contractor engaged by the Commission to use staff, equipment, or materials under the control of the Department or contractor or provided by other cooperating federal, State, or local agencies to develop and implement a plan for abatement of an imminent hazard, or to provide interim alternative sources of drinking water to third parties affected by dry-cleaning solvent contamination resulting from a release at the facility or abandoned site. The cost of any of these actions shall be paid from the Fund. The Department or private contractor shall keep a record of all expenses incurred for personnel and for the use of equipment and materials and all other expenses of developing and implementing the remediation plan.

(b) The Commission shall request the Attorney General to commence a civil action to secure reimbursement of costs incurred under this ~~subsection.~~ section.

(c) In the event a civil action is commenced pursuant to this Part to recover monies paid from the Fund, the Commission may recover, in addition to any amount due, the costs of the action, including reasonable attorneys' fees and investigation expenses. Any monies received or recovered as reimbursement shall be paid into the Fund or other source from which the expenditures were made."

Section 16. G.S. 143-215.104S reads as rewritten:

"**§ 143-215.104S. (Repealed effective January 1, 2012) Appeals.**

Any person who is aggrieved by a decision of the Commission under G.S. 143-215.104E through G.S. 143-215.104O may commence a contested case by filing a

petition under G.S. 150B-23 within 60 days after the Commission's decision. If no contested case is initiated within the allotted time period, the Commission's decision shall be final and not subject to review. The Commission shall make the final agency decision in contested cases initiated pursuant to this section. Notwithstanding the provisions of G.S. 6-19.1, no party seeking to compel remediation of dry-cleaning solvent contamination in excess of that required by a dry-cleaning solvent remediation agreement approved by the Commission shall be eligible to recover attorneys' fees. The Commission shall not delegate its authority to make a final agency decision pursuant to this section."

Section 17. Section 5 of S.L. 1997-392 reads as rewritten:

"Section 5. This act constitutes a recent act of the General Assembly within the meaning of G.S. 150B-21.1. The Environmental Management Commission may adopt temporary rules to implement this act until ~~1 January 1999.~~ 30 June 2001."

Section 18. Section 7 of S.L. 1997-392 reads as rewritten:

"Section 7. (a) Any person who undertakes assessment or remediation of dry-cleaning solvent contamination pursuant to ~~an~~ a notice of violation or enforcement action by the Department of ~~Environment, Health,~~ Environment and Natural Resources during the period beginning 1 October 1997 and ~~1 January 1999~~ ending 30 June 2001 may, on or after ~~1 January 1999~~ 30 June 2001 seek reimbursement from the Dry-Cleaning Solvent Cleanup Fund for any costs exceeding fifty thousand dollars ($50,000). The Commission shall reimburse costs if it finds that the costs incurred were (i) appropriately documented and reasonably necessary to assess or remediate the dry-cleaning solvent contamination; (ii) for any of the activities described in subdivisions (1) through (7) of G.S. 143-215.104N(a); (iii) not subject to any of the limitations in subdivisions (4) ~~or (5)~~ through (9) of G.S. 143-215.104N(b); (iv) not reimbursable from pollution and remediation legal liability insurance; and (v) required by a notice of violation or a specific order of the Department of ~~Environment, Health,~~ Environment and Natural Resources issued on or after 30 June 1996. No reimbursement may be paid pursuant to this section for dry-cleaning solvent contamination that did not result from operations at a dry-cleaning or wholesale distribution facility.

(b) Any person who, as of ~~1 January 1999,~~ 30 June 2001, is undertaking assessment or remediation of dry-cleaning solvent contamination shall be eligible to petition the Commission to enter into a dry-cleaning solvent assessment agreement or dry-cleaning solvent remediation agreement with respect to the contamination. In calculating the required financial contribution of parties to any agreement, the Commission shall determine the reasonable cost of any necessary unreimbursed assessment or remediation activity undertaken by the parties with respect to the contamination site prior to ~~1 January 1999~~ 30 June 2001 and shall credit the amount toward any applicable financial responsibility limits established in G.S. 143-215.104F.

(c) Notwithstanding any other provision of this section, the total of all payments made pursuant to this section in a single fiscal year shall not exceed ten percent (10%) of the revenues credited to the Dry-Cleaning Solvent Cleanup Fund in the

preceding fiscal year. The Commission may by rule establish a different cutoff date for assessment and remediation activities covered by this section."

Section 19. The Commission on Health Services shall adopt a rule that, notwithstanding any other rule, requires that a person who generates wastes at a dry-cleaning facility or wholesale distribution facility that contains the solvents perchloroethylene, F-1,1,3, or 1,1,1 trichloroethane to deliver the wastes to a facility that is legally authorized to manage or recycle hazardous wastes containing these solvents. The rule required by this section shall not apply to the disposal of wastewater generated from the dry-cleaning process, which shall be regulated as otherwise provided by law.

Section 20. If any section or provision of this act is declared unconstitutional or invalid by the courts, the unconstitutional or invalid section or provision does not affect the validity of this act as a whole or any part of this act other than the part declared to be unconstitutional or invalid.

Section 21. The Secretary of Environment and Natural Resources shall study dry-cleaning processes and equipment that are potential alternatives to the predominant dry-cleaning processes and equipment currently utilized. The Secretary shall be assisted in this study by a balanced working group of stakeholders that includes representatives of nonprofit conservation organizations, representatives of the dry-cleaning industry, manufacturers of dry-cleaning processes and equipment, manufacturers of dry-cleaning solvents, and researchers knowledgeable about garment cleaning and the dry-cleaning industry.

The study shall identify alternative dry-cleaning processes and equipment currently in use or under development, identify the historical trends in the use of these processes and equipment, and evaluate the benefits and costs of, and the feasibility of implementing and installing, these processes and equipment. In evaluating the alternative processes and equipment, the Secretary shall consider, at a minimum, the following factors:

(1) The environmental and public health impacts of the processes and equipment;

(2) The ability of the processes and equipment to clean a wide variety of natural and synthetic fabrics without damage;

(3) The ability of small business organizations to finance, own, and operate the processes and equipment; and

(4) The effect of widespread use of the processes and equipment on fire safety.

If the Secretary finds that there are significant potential obstacles to the implementation of beneficial alternative dry-cleaning processes and equipment, the Secretary shall recommend to the General Assembly specific regulatory and nonregulatory policy measures to promote the increased use of such alternative processes and equipment by the State's dry-cleaning industry. The Secretary shall submit an interim report no later than November 1, 2000, and a final report no later than September 1, 2001, to the Environmental Review Commission. These reports

shall include the Secretary's findings and recommendations, including any legislative proposals.

Section 22. This act constitutes a recent act of the General Assembly within the meaning of G.S. 150B-21.1. The Environmental Management Commission and the Commission on Health Services may adopt temporary rules to implement the provisions of this act until 1 July 2001.

Section 23. Section 1.1 of this act becomes effective April 1, 2003, and expires June 30, 2010. Section 1.2 of this act becomes effective October 1, 2001, and expires January 1, 2010. Sections 3 and 4 of this act are effective on and after April 1, 1998. Section 5.1 of this act becomes effective July 1, 2001. Section 5.2 of this act becomes effective July 1, 2002. Section 5.3 of this act becomes effective July 1, 2003. All other sections of this act are effective when this act becomes law.

HOUSE BILL 1326:
Dry-Cleaning Solvent Cleanup Amends.

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Rep. Gibson
Date:	May 24, 2000	**Summary by:**	Martha K. Walston and Rick Zechini
Version:	Senate Proposed Committee Substitute		Committee Counsel

SUMMARY: *House Bill 1326 earmarks a percentage of the State sales and use taxes collected on dry-cleaning and laundry services to the Dry-Cleaning Solvent Fund, increases the privilege tax on dry-cleaning solvent, amends the Dry-Cleaning Solvent Cleanup Act of 1997 by repealing the requirement of financial responsibility for dry-cleaning facilities, allows the Environmental Management Commission, and by delegation the Department of Environment and Natural Resources, to enter into contracts for the cleanup of contamination resulting from dry-cleaning facilities, requires an owner of a dry-cleaning facility to be responsible for co-payments upon accessing the Dry-Cleaning Solvent Fund, temporarily increases the amount of revenue from the Dry-Cleaning Solvent Fund that may be used for administrative costs, requires the Secretary of the Environment and Natural Resources to study alternative dry-cleaning processes and equipment, and makes other changes to the Dry-Cleaning Solvent Cleanup Act of 1997.*

CURRENT LAW AND BACKGROUND: The Dry-Cleaning Solvent Cleanup Act of 1997 (Act) is designed to facilitate the cleanup of contamination at dry-cleaning facilities. The Act employs two monetary tools to assist parties in cleaning up contaminated dry-cleaning facilities:

1. Pollution and remediation legal liability insurance; and
2. The Dry-Cleaning Solvent Cleanup Fund (Fund).

It was thought that all dry-cleaners would be able to purchase the type of insurance described above, and that the insurance would provide funds to assist in the cleanup of contaminated dry-cleaning facilities. There is an incentive to purchase this insurance because eligibility for reimbursement from the Fund is contingent on the owner of the dry-cleaning facility having satisfied the Act's financial responsibility requirement. The financial responsibility requirement is satisfied by establishing and maintaining financial responsibility for legal liability for dry-cleaning solvent contamination at the facility by either:

1. Obtaining pollution and remediation legal liability insurance for the facility with coverage limits not less than $1,000,000; or,
2. Depositing securities or an acceptable third-party bond in an amount not less than $1,000,000.

The type of insurance that the Act requires, while available at the time the Act was passed, is not available now and therefore the Fund is the sole source of financial assistance available for cleaning up contaminated dry-cleaning facilities. Under current law, the major source of revenue for the Fund is a dry-cleaning solvent tax on in-state retailers that sell solvent to dry-cleaning facilities, and on dry-cleaning facilities that purchase solvent outside the State. The solvent tax is a per gallon privilege tax equal to $5.85 per gallon of chorine-based solvents, and 80 cents per gallon of hydrocarbon-based solvents. The tax became effective October 1, 1997 and expires January 1, 2010. The Department of Revenue collects the tax in the same manner as a sales tax. Currently the Fund is receiving roughly $870,000 per year from the dry-cleaning solvent tax.

After an owner of a dry-cleaning facility meets the applicable deductibles, monies from the Fund may be used to reimburse the owner for the costs the owner expends for cleanup. Because of the limited amount of monies in the Fund and the fact that the Fund is also the source of funding for the administration of the Dry-Cleaning Program, no monies from the Fund have been disbursed for cleaning up contaminated dry-cleaning facilities.

BILL ANALYSIS: Section 1.1 adds a new section to Chapter 105 to require the Secretary of Revenue to make quarterly transfers from the State sales and use taxes collected on dry-cleaning and laundry businesses to the Dry-Cleaning Solvent Cleanup Fund. The amount transferred each quarter will equal 15% of the net State sales and use tax collected on these businesses in the previous fiscal year. The transfer becomes effective April 1, 2003 and expires June 30, 2010.

Under current law the 4% State sales and use tax is imposed on the gross receipts of the following retailers:

- Persons engaged in the business of operating a dry-cleaning, pressing, or hat-blocking establishment, a laundry, or any similar business.
- Persons engaged in the business of renting clean linen or towels or wearing apparel, or any similar business.
- Persons engaged in the business of soliciting cleaning, pressing, hat blocking, laundering, or linen rental business for any of these businesses.

The following receipts are exempt from the State sales and use tax: receipts derived from services performed for resale by a retailer that pays the tax on the total gross receipts derived from the services; and receipts derived from coin, token, or card-operated washing machines, extractors, and dryers.

Section 1.2 increases the tax rate imposed on the sale and use of dry-cleaning solvents as follows:.

- From $5.85 to $10.00 per gallon of dry-cleaning solvent that is chlorine-based.
- From 80 cents to $1.35 per gallon of dry-cleaning solvent that is hydrocarbon-based.

The increase becomes effective October 1, 2001 and expires January 1, 2010.

Section 1.3 amends G.S. 105-164.7 to clarify that the sales tax procedure is the same for services as for sales of tangible personal property.

House Bill 1326 also amends the required deductibles to be paid by an owner of a dry-cleaning facility to access the Fund by adding co-payment obligations as follows:

Type of Facility	Deductible	Co-pay
Fewer then 5 employees	$5,000	1% of the costs between $200,000 and $1,000,000
At least 5 but fewer than 10 employees	$10,000	2% of the costs between $200,00 and $500,000 and 1% of the costs between $500,000 and $1,000,000
10 or more employees	$15,000	3% of the costs between $200,000 and $500,000 and 1% of the costs between $500,000 and $1,000,000
Wholesale Distribution Facility	$25,000	3% of the costs between $200,000 and $500,000 and 1% of the costs between $500,000 and $1,000,000

House Bill 1326 also amends the Act in the following ways:

- Providing that of the revenue credited to the Fund, DENR and the Attorney General's Office may use up to 40% in FY 2001 and up to 45% in FY 2002 for the administration of the program. Prior to FY 2001, and starting in FY 2003 and thereafter, DENR and the Attorney General's Office may use up to 20% of the revenue credited to the Fund for the administration of the program.
- Repealing the requirement of financial responsibility for dry-cleaning facilities.
- Allowing the Dry-Cleaning Program to be a "State lead" program. This allows the Environmental Management Commission, and by delegation the Department of Environment and Natural Resources, to enter into contracts with environmental consultants for the cleanup of contaminated dry-cleaning facilities. Currently an owner of a dry-cleaning facility contracts with an environmental consultant to do the cleanup work and seeks reimbursement from the Fund.
- Directing the Secretary of Environment and Natural Resources, with the assistance of a balanced working group of stakeholders, to study alternative dry-cleaning processes and equipment. The Secretary is required to submit an interim report no later than November 1, 2000 and a final report no later than September 1, 2001.

POSITIONS: Not yet determined

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue (DOR); Department of Environment & Natural Resources (DENR); Department of Justice; and Environmental Management Commission.

EFFECTIVE DATE: Section 1.1 (sales tax transfer) becomes effective April 1, 2003, and is repealed effective July 1, 2010. Section 1.2 (dry cleaning solvent tax increase) becomes effective October 1, 2000. Section 5.1 (40% admin.) is effective July 1, 2001. Section 5.2 (45% admin.) is effective July 1, 2002. Section 5.3 (20% admin.) is effective July 1,2003. The remaining sections become effective upon enactment of the bill. Sections 3 and 4 apply retroactively to April 1, 1998.

BILL SUMMARY: This bill amends the Dry Cleaning Solvent Cleanup Act of 1997 and increases tax revenues and tax distributions to fund the solvent cleanup effort. The tax changes include an increase in the dry cleaning solvent tax in October 2000 and the transfer of 60% of the state sales tax receipts on dry cleaning and laundry services from the General Fund to the Dry Cleaning Solvent Cleanup Fund beginning in 2003. The share of the Dry Cleaning Solvent Cleanup Fund that can be used for administrative expenses for DENR and the Department of Justice will be temporarily increased in 2001 and 2002. The amendments deal with the financial

DRAFT

responsibility of dry cleaners for cleanup costs, the ability of the Department of Environment and Natural Resources (DENR) to contract for assessment and remediation, and technical and clarifying language changes.

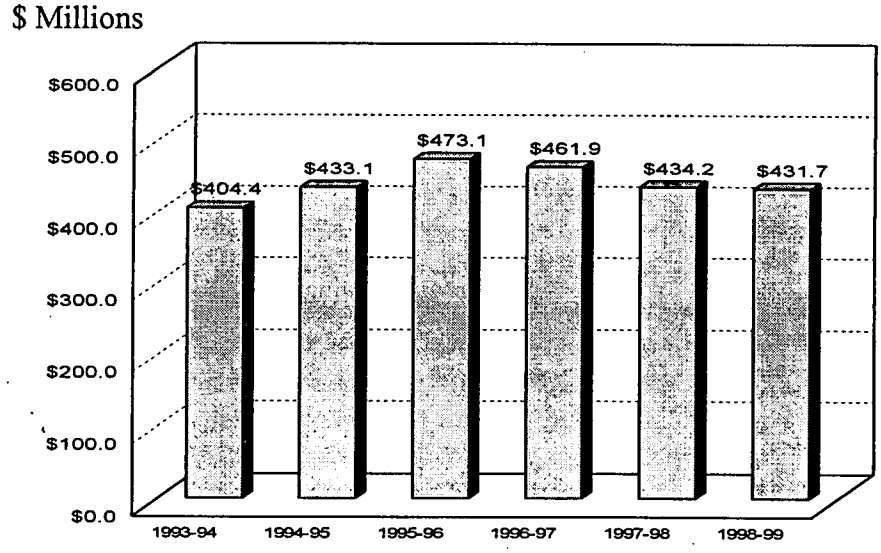
BACKGROUND: A state sales tax of 4% and local sales tax of 2% is imposed on the gross receipts of businesses "operating a dry-cleaning, pressing, or hat blocking establishment, a laundry, or any similar business, engaged in the business of renting clean linen or towels or wearing apparel, or any similar business, or engaged in the business of soliciting cleaning, pressing, hat blocking, laundering or linen rental business for any of these businesses." A 1% sales tax with a $80 maximum is applied to sales of dry-cleaning and laundering machinery. Items used in the dry-cleaning and laundering process such as starch, soap, cleaning fluids, hangers, and bags are exempted from sales and use tax.

ASSUMPTIONS AND METHODOLOGY:

SALES TAX RECEIPTS

The gross retail sales for laundries and dry cleaners have declined in recent years from a high of $473.1 million in 1995-96 to $431.7 million in 1998-99. Gross retail sales in the current fiscal year (FY 1999-00) are on pace to finish at $427.1 million. This fiscal note will assume a no growth scenario for the next five years and annual gross retail sales of $430 million.

GROSS RETAIL SALES FOR LAUNDRIES AND DRY CLEANERS



Gross retail sales include both taxable and nontaxable sales reported on monthly and semi-monthly sales and use tax returns. To estimate the impact of HB 1326, nontaxable sales must be removed from the equation. Dividing sales tax collection by 4%, then dividing that result by gross retail sales provides the percentage of taxable sales. From 1993 to 1999, the percentage of taxable sales ranged from 81.6% in FY 1996-97 to 90.3% in 1998-99 (see chart below). This fiscal note will assume the midpoint of this range or 87.9%.

	Sales Tax Collected	Gross Retail Sales	Percent (%) Taxable
FY 1998-99	$15,590,900	$431,689,610	90.3%
FY 1997-98	$15,225,715	$434,290,844	87.6%
FY 1996-97	$15,085,579	$461,954,623	81.6%
FY 1995-96	$16,091,521	$473,132,389	85.0%
FY 1994-95	$15,234,188	$433,121,056	87.9%
FY 1993-94	$14,426,870	$404,433,777	89.2%
FY 1992-93	$13,689,558	$383,399,394	89.3%

If there is $430 million in gross retail sales of laundry and dry-cleaning services each year, then 87.9% or $377,970,000 in sales are taxable. A 4% state sales tax on $378 million in dry-cleaning, laundry and linen rental services is equal to $15.12 million.

TRANSFER OF SALES TAX

Section 1.1 of HB 1326 transfers 60% of the 4% state sales tax on dry cleaning and laundry services from the General Fund to the Dry-Cleaning Solvent Cleanup Fund as of April 1, 2003. This section does not affect the 2% local sales tax on these services. As outlined above, annual sales of dry-cleaning, laundry and linen rental services will be $378 million in 2003 and the 4% sales tax will yield $15.12 million in revenue. The Dry-Cleaning Solvent Cleanup Fund will receive 60% of this amount or $9.07 million each year through 2010. The April 1 effective date ensures that four quarterly payments will be made in FY 2003-04.

SOLVENT TAX INCREASE - PERC

Section 1.2 increases the tax on chlorine based solvents from $5.85 per gallon to $10.00 per gallon. Before calculating the impact of this tax increase, the projected volume of solvent to be taxed must be determined. Two calendar years of consumption data show that the use of the chlorinated solvent perchloroethylene (perc) increased from 119,238 gallons in 1998 to 124,724 gallons in 1999 for an increase of 4.5%. However, when you compare the gallons purchased in the first ten months of FY 1999-00 to the gallons purchased in the first ten months of FY 1998-99, perc consumption is down 2.3%. However, there is insufficient state data to determine a trend.

When the Dry-Cleaning Solvent Cleanup Fund was established in 1997, representatives of the North Carolina dry cleaning industry estimated that perc use would decline 1% a year, but the Department of Environment and Natural Resources (DENR) estimated a 7% annual decline. According to the publisher of the *Chemical Market Reporter*, U.S. production of perchloroethylene (perc) fell 5% a year from 1987 to 1996. The European Chlorinated Solvent Association reported West European perc production fell 3.8% a year from 1995 to 1998. Due to the conversion of dry cleaning machines to alternative solvents and to the creation of newer generations of perc machines that use less solvent, it is reasonable to assume a decline of perc use over the next five years. This fiscal note will assume a 5% reduction in perc use each year based on perc sales in the US market.

DRAFT

The chart below shows the difference in revenue from the current $5.85 per gallon of perc to $10.00 per gallon. FY 2000-01 revenues must be reduced by one-fourth to account for the October 1, 2000 effective date.

	Actual	Estimated					
	1998-99	1999-00	2000-01	2001-02	2002-03	2003-04	2004-05

Current Revenue	$731,747	$710,453	$674,931	$641,184	$609,125	$578,669	$549,735
Perc Fee (HB 1326)			$10.00	$10.00	$10.00	$10.00	$10.00
HB 1326 Revenue			$1,153,728	$1,096,041	$1,041,239	$989,177	$939,718
Revenue Change			$478,797	$454,857	$432,114	$410,509	$389,983

SOLVENT TAX INCREASE - HYDROCARBON

Section 1.2 also increases the tax on hydrocarbon or petroleum based solvents from 80 cents a gallon to $1.35 per gallon. Hydrocarbon solvent consumption dropped from 184,453 gallons in 1998 to 177,703 gallons in 1999 for a decline of 3.7%. If hydrocarbon solvent consumption in the first 10 months of FY 1999-00 is compared to the same period in FY 1998-99, a 14.4% decline in consumption is noted. As with perc, the state data is not sufficient to determine a trend. In 1997, the dry cleaning industry projected a 1% decline in use while DENR estimated that hydrocarbon solvent use would not change. A decline in hydrocarbon use is expected over the next five years due to the conversion of dry cleaning machines to less hazardous solvents. For example, one nonhazardous solvent that is silicon-based can be used in a hydrocarbon machine after a conversion costing less than $5,000. This fiscal note will assume a 4% decline in hydrocarbon use based on the decline in 1999.

The chart below shows the difference in revenue from the current $.80 per gallon of petroleum to $1.35 per gallon. FY 2000-01 revenues must be reduced by one-fourth to account for the October 1, 2000, effective date.

	Actual	Estimated

EXPENDITURES

Section 5.1 of the bill increases the amount that DENR and the Department of Justice can spend on administering the cleanup program from 20% of the Fund to 40% for FY 2001-02. Section 5.2 increases the administrative cap to 45% for FY 2002-03 and section 5.3 returns the cap to 20% in FY 2003-04. The temporary increase will bring funding in line with the expenses originally projected by the two Departments in 1997. When the Dry Cleaning Solvent Cleanup Fund was proposed in 1997, DENR requested $403,401 to fund 10 positions to handle certifications, inspections, assessments, billing, etc. This estimate was based on the department's

DRAFT

experience with the Underground Storage Tank Program. The Department of Justice also wanted $148,678 for one attorney and two paralegals. In the current fiscal year 1999-2000, DENR is budgeted $118,088 for Dry Cleaning Solvent Cleanup Fund administrative expenses. This budget funds two positions, a hydrogeologist and an environmental scientist, but does not include funding for the legal services provided by the Department of Justice. The increased revenue will allow DENR to reimburse the Department of Justice for attorney services, hire additional staff and contract out for site assessments and other program needs.

The increased revenue from the solvent tax and the sales tax transfer will boost the administrative budget based on the current 20% cap in the present law. The 40% and 45% administrative cap will more than double the allowable expenditures in 2002 and 2003.

SENATE FINANCE COMMITTEE

WEDNESDAY, MAY 31, 2000

1:30 PM – ROOM 544

The Senate Finance Committee met on Wednesday, May 31, 2000 at 1:30 PM in Room 544 with Senator Hoyle presiding. There were 24 committee members present. Sara Brown from Cherryville, North Carolina, Elizabeth Stallings from Gastonia, North Carolina and Haddon Mackie also from Gastonia, North Carolina, all sponsored by Senator Hoyle, were introduced as the pages for the Meeting.

HB 723 – Dark Window Inspection Fee

Representative Verla Insko was recognized to explain this bill. After a time of discussion, it was decided that bill would be pulled back and heard at a later time. Copy of Bill and supporting documents included in the minutes.

SB 1363 – Extend Whiteville ETJ

Senator Soles was recognized to explain the bill. After a brief discussion on the bill, Senator Tony Rand moved for a "Favorable Report", motion passed. Copy of the Bill and supporting documents included in the minutes.

SB 1264 – Mount Holly Annexation

Senator Forrester was recognized to explain the bill. After a brief discussion on the bill, Senator Rony Rand moved for a "Favorable Report", motion passed. Copy of the Bill and supporting documents included in the minutes.

SB 1210 – Support Public School Plates

Martha Walston, Committee Attorney, was recognized to explain the bill and the proposed committee substitute which includes SB 1181 – Reduce Legion of Valor Plage Fee, SB 1216-Ducks Unlimited Plates, SB 1262-Omega Psi Phi Special, and SB 1528-Tobacco Heritage Place. Senator Albertson moved for adoption of proposed committee substitute, motion passed. Senator Rand explained his amendment to the bill and moved for adoption of amendment, motion passed. Senator Clodfelter moved for "Favorable Report as Amended", motion passed and bill to be rolled into a new committee substitute. Copy of the Bill and supporting documents included in the minutes.

SB 1200 – Municipal Participation

Senator Gulley was recognized to explain the bill. After numerous questions and comments on the bill, it was decided that bill would be pulled back to be heard later. Senator Hartsell asked that an amendment to the bill be prepared by staff. Copy of Bill and supporting documents included in the minutes.

Meeting adjourned.

A BILL TO BE ENTITLED

AN ACT TO ALLOW A PERSON WHO SUFFERS FROM A MEDICAL CONDITION THAT CAUSES THE PERSON TO BE PHOTOSENSITIVE TO VISIBLE LIGHT TO HAVE A DARKER VEHICLE WINDOW THAN IS ALLOWED UNDER THE WINDOW TINTING LAWS AND TO ELIMINATE THE AFTER-FACTORY WINDOW TINTING INSPECTION FEE FOR VEHICLES OWNED BY PERSONS ISSUED A MEDICAL EXCEPTION PERMIT BY THE DIVISION OF MOTOR VEHICLES ALLOWING THE WINDOW TINTING.

The General Assembly of North Carolina enacts:

Section 1. G.S. 20-127 reads as rewritten:

"**§ 20-127. Windows and windshield wipers.**

(a) Windshield Wipers. -- A vehicle that is operated on a highway and has a windshield ~~must~~ shall have a windshield wiper to clear rain or other substances from the windshield in front of the driver of the vehicle and the windshield wiper ~~must~~ shall be in good working order. If a vehicle has more than one windshield wiper to clear substances from the windshield, all the windshield wipers ~~must~~ shall be in good working order.

(b) Window Tinting Restrictions. -- A window of a vehicle that is operated on a highway or a public vehicular area ~~must~~ shall comply with this subsection. The

windshield of the vehicle may be tinted only along the top of the windshield and the tinting may not extend more than five inches below the top of the windshield or below the AS1 line of the windshield, whichever measurement is longer. Provided, however, an untinted clear film, which does not obstruct vision but which reduces or eliminates ultraviolet radiation from entering a vehicle may be applied to the windshield. Any other window of the vehicle may be tinted in accordance with the following restrictions:

(1) The total light transmission of the tinted window ~~must~~ shall be at least thirty-five percent (35%). A vehicle window that, by use of a light meter approved by the Commissioner, measures a total light transmission of more than thirty-two percent (32%) is conclusively presumed to meet this restriction.

(2) The light reflectance of the tinted window ~~must~~ shall be twenty percent (20%) or less.

(3) Tinted film or another material used to tint the window ~~must~~ shall be nonreflective and ~~must~~ shall not be ~~a color other than~~ red, yellow, or amber.

(c) Tinting Exceptions. -- The window tinting restrictions in subsection (b) of this section apply without exception to the windshield of a vehicle. The window tinting restrictions in subdivisions (b)(1) and (b)(2) of this section do not apply to any of the following vehicle windows:

(1) A window of an excursion passenger vehicle, as defined in G.S. 20-4.01(27)a.

(2) A window of a for-hire passenger vehicle, as defined in G.S. 20-4.01(27)b.

(3) A window of a common carrier of passengers, as defined in G.S. 20-4.01(27)c.

(4) A window of a motor home, as defined in G.S. 20-4.01(27)d2.

(5) A window of an ambulance, as defined in G.S. 20-4.01(27)f.

(6) The rear window of a property-hauling vehicle, as defined in G.S. 20-4.01(31).

(7) A window of a limousine.

(8) A window of a law enforcement vehicle.

(9) A window of a multipurpose vehicle that is behind the driver of the vehicle. A multipurpose vehicle is a passenger vehicle that is designed to carry 10 or fewer passengers and either is constructed on a truck chassis or has special features designed for occasional off-road operation. A minivan and a pickup truck are multipurpose vehicles.

(10) A window of a vehicle that is registered in another state and meets the requirements of the state in which it is registered.

(11) A window of a vehicle for which the Division has issued a medical exception permit under subsection (f) of this section.

(d) Violations. -- A person who does any of the following commits a misdemeanor of the class set in G.S. 20-176:

(1) Applies tinting to the window of a vehicle that is subject to a safety inspection in this State and the resulting tinted window does not meet the window tinting restrictions set in this section.

(2) Drives on a highway or a public vehicular area a vehicle that has a window that does not meet the window tinting restrictions set in this section.

(e) Defense. -- It is a defense to a charge of driving a vehicle with an unlawfully tinted window that the tinting was removed within 15 days after the charge and the window now meets the window tinting restrictions. To assert this defense, the person charged ~~must~~ shall produce in court, or submit to the prosecuting attorney before trial, a certificate from the Division of Motor Vehicles or the Highway Patrol showing that the window complies with the restrictions.

(f) Medical Exception. -- A person who suffers from a medical condition that causes the person to be photosensitive to visible light may obtain a medical exception permit. To obtain a permit, an applicant shall apply in writing to the Drivers Medical Evaluation Program, have his or her doctor complete the required medical evaluation form provided by the Division, and pay the application fee. The application fee is five dollars ($5.00). The permit shall be valid for five years from the date of issue, unless a shorter time is directed by the Drivers Medical Evaluation Program. The renewal shall require a medical recertification that the person continues to suffer from a medical condition requiring tinting.

A person may receive no more than two medical exception permits that are valid at any one time. A permit issued under this subsection shall specify the vehicle to which it applies, the windows that may be tinted, and the permitted levels of tinting. The permit shall be carried in the vehicle to which it applies when the vehicle is driven on a highway."

Section 2. The Medical Review Branch of the Division of Motor Vehicles shall issue rules and create forms and permits necessary for this program. Until funds for this program are appropriated by the General Assembly, the Medical Review Branch shall manually issue all medical exception permits and shall manually maintain the records related specifically to these permits.

The Division of Motor Vehicles shall add the medical exception described in Section 1 of this act to the STARS program, to allow the computerized issuance of medical exception permits and to allow computerized maintenance of the records related specifically to these permits when it is modifying that computer program for some other purpose.

The Division of Motor Vehicles shall report to the Joint Legislative Transportation Oversight Committee six months after the first medical exception permit is issued on the number of permits issued and the projected additional costs, if any, of operating the program.

Section 3. G.S. 20-183.7(a) reads as rewritten:

"(a) Fee Amount. -- When a fee applies to an inspection of a vehicle or the issuance of an inspection sticker, the fee must be collected. The following fees apply to an inspection of a vehicle and the issuance of an inspection sticker:

Type	Inspection	Sticker
Safety ~~Only, Without After-Factory Tinted Window~~ Only	$ 8.25	$ 1.00
~~Safety Only, With After-Factory Tinted Window~~	~~18.25~~	~~1.00~~
Emissions and Safety ~~Without After-Factory Tinted Window~~	17.00	2.40
~~Emissions and Safety With After-Factory Tinted Window~~	~~27.00~~	~~2.40~~.

The fee for performing an inspection of a vehicle applies when an inspection is performed, regardless of whether the vehicle passes the inspection. The fee for an inspection sticker applies when an inspection sticker is put on a vehicle. The fee for ~~performing an inspection of a vehicle with a~~ inspecting after-factory tinted ~~window~~ windows shall be ten dollars ($10.00), and the fee applies only to an inspection performed with a light meter after a safety inspection mechanic determined that the window had after-factory tint. A safety inspection mechanic shall not inspect an after-factory tinted window of a vehicle for which the Division has issued a medical exception permit pursuant to G.S. 20-127(f).

A vehicle that is inspected at an inspection station and fails the inspection is entitled to be reinspected at the same station at any time within 30 days of the failed inspection without paying another inspection fee."

Section 4. This act becomes effective July 1, 2001.

HOUSE BILL 723:
Dark Window Inspection Fee

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Representative Insko
Date:	May 24, 2000	**Summary by:**	Karen Cochrane Brown
Version:	5th Edition		Committee Co-Counsel

SUMMARY: ***House Bill 723 allows a person who suffers from a medical condition that causes the person to be photosensitive to have a darker windshield than allowed by current law. The bill also eliminates the after-factory window tinting inspection fee for those persons.***

CURRENT LAW & BILL ANALYSIS:

Section 1. Windshield Tinting Restrictions. Under current law, windshields may only be tinted along the top of the windshield and the tinting may not extend more than five inches below the top of the windshield. There are no exceptions to this requirement. HB 723 would allow an untinted clear film that reduces or eliminates ultraviolet light but does not obstruct vision to be placed on the windshield.

Also under current law, windshields must have a total light transmission of at least 35% with a light reflectance of 20% or less. There are, however, exceptions to this requirement for limousines, motor homes, multipurpose vehicles, minivans, and pickup trucks. HB 723 would add to the exceptions those vehicles for which the DMV has issued a medical exception permit.

HB 723 also authorizes the DMV to issue "Medical Exception" permits to persons who suffer from a medical condition that causes the person to be photosensitive. In order to obtain a permit, the person must:

- Apply to the Drivers Medical Evaluation Program
- Have his or her doctor complete the required medical evaluation form.
- Pay an application fee of $5.00.

The permit is valid for five years from the date of issue, unless a shorter time is directed by the Program. In order to renew the permit, the applicant must provide medical recertification that he or she continues to suffer from the condition.

A person may receive no more than two medical exception permits at any one time. A Medical Exception Permit must

- Specify the vehicle to which it applies.
- Specify the windows that may be tinted, and the permitted levels of tinting.
- Be carried in the vehicle to which it applies, and the vehicle must display a medical exception permit sticker.

Section 2 of the bill requires the Medical Review Branch of DMV to implement the program through rule-making. In addition, until funds are appropriated by the General Assembly, the Medical Review Branch is required to manually issue all medical exception permits and to maintain records on those permits. This section also requires DMV to modify its computer system in order to allow for the

computerized issuance of permits when it is modifying that computer program for some other purpose. Finally, DMV is required to report to the Joint Legislative Transportation Oversight Committee six months after issuing the first medical exception permit on the number of permits issued and the additional cost of operating the program.

Section 3 deletes the separate fees for safety and emissions inspections for after-factory tinted windows and provides that the fee for inspecting an after-factory tinted window is $10.00, and the fee only applies to an inspection with a light meter after the inspector determines that the window has an after-factory tint. However, this section prohibits the inspection of an after-factory tinted window for a vehicle having a medical exception permit.

EFFECTIVE DATE: The act becomes effective July 1, 2001.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Transportation – Division of Motor Vehicles (DMV)
Department of Health and Human Services

EFFECTIVE DATE: This act is effective July 1, 2001.

BILL SUMMARY:
The act allows persons with photosensitive medical conditions, such as systemic lupus erythematosus, to obtain medical exceptions from the window tinting law. To receive a medical exception permit, a person must complete an application with the Division of Motor Vehicles, pay a $5 application fee, and obtain a doctor's written statement about the photosensitive medical condition that warrants darker window tinting. The medical exception permit is renewed every five years and must be accompanied by a medical recertification. A person may receive no more than two medical exception permits.

BACKGROUND:
Lupus is a chronic, autoimmune disease that causes inflammation of the joints, skin, blood, kidneys and other organ systems. (Autoimmune means the body's immune system mistakenly attacks healthy tissues.) Lupus patients are 90% female who began having symptoms of the disease in their early twenties and thirties. Forty to sixty percent of systemic lupus patients, the

most severe form of the disease, are photosensitive. The sun's UV rays cause the skin of a systemic lupus patient to become red, inflamed and develop a rash.

ASSUMPTIONS AND METHODOLOGY:

REVENUE

The Lupus Foundation of America estimates that 1 out of every 185 Americans has some form of Lupus. Using the North Carolina population age 18 and older of 5,720,050 in 1998, there are 30,919 Lupus sufferers of driving age in the state. Information from the Colorado HealthNet indicates that approximately 30 percent of Lupus sufferers have photosensitivity as a symptom. Based on this figure, there would be an estimated 9,300 persons in North Carolina eligible for the medical exception permit due to Lupus. No information is available on the potential number of persons suffering from other photosensitive medical conditions, but it is expected that Lupus is the most prevalent photosensitive medical condition in the State.

Although there are potentially 9,300 persons eligible for a medical exception permit, data from a 1998 survey conducted by Dr. Laurel Broadhurst in the Department of Health and Human Services suggest only a fraction of this population will apply for the permit. Dr. Broadhurst contacted window-tinting programs in several states, as well as local doctors and national organizations that treat Lupus and other photosensitive diseases. Georgia, a state with a population only 100,000 greater than NC, reported only 120 to 180 permits issued each year. In Pennsylvania, with population 60% larger than NC, Dr. Broadhurst found that only 634 drivers had applied for a medical exemption since 1991. Given this anecdotal data, the Division of Medical Evaluation in the Department of Health and Human Services estimated that only 100 persons per year would apply for this permit. At $5 per permit, this bill raises $500 in revenue for the Highway Fund each year.

NOTE: Inspection stations will no longer inspect the window tinting of Lupus patients each year and will lose the $10 inspection fee they now receive on these vehicles.

EXPENDITURE

There will be a one-time cost to reprogram the State Title and Registration System (STARS) for the new medical exception permit. For other recently mandated changes in the STARS system, DMV requested $17,200 for 160 hours of software development. The Governor's Recommended Changes to the 2000-2001 State Budget includes a $3.3 million reserve for "continual maintenance and functional modifications" to the STARS system and other DMV computer programs. If the reserve is approved, the programming costs required for this bill could be funded from this source.

A BILL TO BE ENTITLED

AN ACT ALLOWING THE CITY OF WHITEVILLE TO EXERCISE EXTRATERRITORIAL JURISDICTION OVER AN AREA EXTENDING TWO MILES FROM ITS LIMITS.

The General Assembly of North Carolina enacts:

Section 1. Notwithstanding G.S. 160A-360(a), the City of Whiteville may exercise the powers granted in Article 19 of Chapter 160A of the General Statutes over an area extending not more than two miles beyond its limits.

Section 2. This act is effective when it becomes law.

SENATE BILL 1363:
Extend Whiteville ETJ.

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Soles
Date:	May 31, 2000	**Summary by:**	Karen Cochrane Brown
Version:	1st Edition		Committee Co-Counsel

SUMMARY:

Senate Bill 1363 would allow the City of Whiteville to exercise extraterritorial jurisdiction over an area extending two miles beyond its limits.

CURRENT LAW:

Under current law, planning and regulation of development (zoning) powers may be exercised by any city within its corporate limits and within a defined area extending up to one mile beyond its limits. If the city has a population between 10,000 and 25,000, it may exercise these powers over an area extending two miles beyond its limits, with the approval of the board or boards of county commissioners. If the city has a population of more than 25,000, it may exercise these powers over an area extending three miles beyond its limits, also with county approval.

BILL ANALYSIS:

Senate Bill 1363 would authorize the City of Whiteville, which has a population of less than 10,000, to exercise extraterritorial jurisdiction under Article 19 of Chapter 160A, over an area extending two miles beyond its limits.

This act becomes effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE CITY OF MOUNT HOLLY TO ENTER INTO AN ANNEXATION AGREEMENT.

The General Assembly of North Carolina enacts:

Section 1. Notwithstanding any applicable provisions of the General Statutes or any other public or local law, the City of Mount Holly is granted certain contract powers as follows:

(1) The City of Mount Holly may, by agreement with the property owner, provide that certain property described in the agreement as the "Riverbend Steam Station Property" and as the "Mountain Island Power House and Dam" (excluding such portion of the dam as may lie in Mecklenburg County) may be voluntarily annexed by the City as set forth in the agreement, and the agreement may provide that, notwithstanding G.S. 160A-31(d) the effective date of such annexation is June 30, 2014. The City of Mount Holly shall not seek the repeal of this act.

(2) Any agreement entered into as provided in subdivision (1) of this section is deemed by this act to be proprietary and commercial in nature and is specifically determined to be consistent with the public policy of the State of North Carolina.

(3) Any agreement entered into as provided in subdivision (1) of this section is a continuing agreement and is binding on and enforceable against the current and future members of the City

Council of the City of Mount Holly during the full term of such agreement and any extension thereof.

(4) The parties to any agreement entered into as provided in subdivision (1) of this section may modify, amend, and extend such agreement on mutual written consent, without the approval of the General Assembly, provided that any such modification or amendment does not materially alter the concept of the agreement.

Section 2. The City of Mount Holly may accept, as consideration for such agreement, such monetary and nonmonetary consideration as may be set forth in said agreement.

Section 3. The agreement under Section 1 of this act allowing for the effective date of such annexation to be June 30, 2014, shall apply to the property as described as follows:

Tract One: Riverbend Steam Station Property. Commencing on NC grid station "45-EG-5", with NC values based on NAD 83 of North 179,784.43 (meters) and East 429,640.17 (meters), and runs thence North 82-13-49 East 1,017.26 feet to a #5 rebar found on the eastern margin of the right-of-way for NC Highway #16; thence North 62-21-20 East 88.42 feet to a #5 rebar found on the northern margin of the right-of-way for Horseshoe Bend Beach Road (S.R. 1912), thence with the northern margin of Horseshoe Bend Beach Road North 37-04-00 East 77.42 feet to an iron pin; thence, continuing with the northern margin of said road, North 40-00-27 East 174.20 feet to a mag. nail, on the north margin of S.R. 1911, thence North 40-01-19 East 39.92 fee. to the POINT OF BEGINNING OF THE FOLLOWING DESCRIBED TRACT O. Section 4. No portion of the Riverbend Steam Station Property as described in Section 3 of this act and no portion of the Mountain Island Power House and Dam described in Section 3 of this act shall be subject to involuntary annexation, or designation as an urban tax district or otherwise subjected to the power of a municipal taxing authority by the City of Mount Holly or any other town or municipality or consolidated government, if provided under the terms of said agreement as referred to in Section 1 of this act.

Section 5. This act is effective when it becomes law.

SENATE BILL 1264:
Mount Holly Annexation

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Forrester
Date:	May 31, 2000	**Summary by:**	Karen Cochrane Brown
Version:	2d Edition		Committee Co-Counsel

SUMMARY:

Senate Bill 1264 permits the City of Mount Holly to enter into a voluntary annexation agreement with the owner of Riverbend Steam Station and Mountain Island Power House and Dam, (excluding such portions as may lie in Mecklenburg County) under which those properties are annexed into the city effective June 30, 2014.

BILL ANALYSIS:

This bill grants the City of Mount Holly certain contract powers, allowing it to enter an agreement with owners of certain described property, whereby the property may be annexed by the city effective June 30, 2014. The City of Mount Holly shall not seek the repeal of this act.

The agreement is proprietary and commercial and is determined to be consistent with the public policy of the State. The agreement is also binding and enforceable against the current and future members of the City Council.

The parties, with mutual written consent, may modify, amend, r extend the agreement without the approval of the General Assembly as long as the changes do not materially alter the agreement's concept.

The City of Mount Holly may accept, as consideration for the agreement, such monetary and nonmonetary consideration as specified in the agreement.

No portion of the property described in the agreement shall be subject to involuntary annexation, or designation as an urban tax district or otherwise subjected to the power of a municipal taxing authority, if provided under the terms of the agreement.

This act becomes effective when it becomes law.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED:					

EFFECTIVE DATE: June 30, 2014

BILL SUMMARY: This bill authorizes the city of Mount Holly to enter into an annexation agreement with the owner of the property described as the "Riverbend Steam Station Property" and the "Mountain Island Power House and Dam"(excluding such portion of the dam as may lie in Mecklenburg County). These properties may be voluntarily annexed by the city as set forth in the Agreement, and the agreement may provide that, notwithstanding G.S. 160A-31 (d) the effective date of such annexation is June 30, 2014.

ASSUMPTIONS AND METHODOLOGY: This legislation authorizes the city of Mount Holly to annex the Riverbend Steam Station and Mountain Island Power House properties upon the agreement of the landowner. This legislation is not effective until June 30, 2014. Additionally, this bill is permissive, and merely grants Mount Holly the authority to annex the property. They may or may not choose to exercise this authority. Therefore, there is no fiscal impact within the next five year period.

SENATE BILL 1210
SPECIAL REGISTRATION PLATES

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Sen. Odom
Date:	May 31, 2000	**Summary by:**	Martha K. Walston, Staff Attorney
Version:	Proposed Committee Substitute		

SUMMARY: ***The proposed committee substitute for Senate Bill 1210 is a combination of bills that have been introduced during the Short Session to authorize the Division of Motor Vehicles to issue special registration plates. Each plate may be issued to a registered owner of a motor vehicle who pays the regular registration fee plus an additional fee. The Division must receive at least 300 applications for each plate before it can issue the plate.***

The proposed committee substitute also removes the additional fee on a Legion of Valor special registration plate. This plate does not require 300 applications.

The bill is effective when it becomes law.

- ***SB 1181, introduced by Sen. Rand, removes the additional fee for a Legion of Valor Plate.***
- ***SB 1210, introduced by Sen. Odom, authorizes issuance of "Support Public Schools" Plates for an additional $20 fee.***
- ***SB 1216, introduced by Sen. Phillips and Purcell, authorizes issuance of "Ducks Unlimited" Plates for an additional $20 fee.***
- ***SB 1262, introduced by Sen. Dannelly, authorizes issuance of Omega Psi Phi Fraternity Plates for an additional $20 fee.***
- ***SB 1528, introduced by Sen. Albertson, authorizes issuance of Tobacco Heritage Plates for an additional $10 fee.***

CURRENT LAW: Upon request, the Division of Motor Vehicles may issue special registration plates. There are currently more than 54 special registration plates. These special plates include the following military plates: Bronze Star Recipient, Combat Veteran, Disabled Veteran, Distinguished Flying Cross, 82nd Airborne Division Association Member, Legion of Valor, Military Reservist, National Guard Member, Partially Disabled Veteran, Pearl Harbor Survivor, Prisoner of War, Purple Heart Recipient, Silver Star Recipient, Veterans of Foreign Wars, and Vietnam Veteran. During the 1999 Session the General Assembly also passed legislation authorizing special registration plates for Retired Highway Patrol, Kids First, International Association of Fire Fighters, University Health Systems of Eastern Carolina, and Animal Lovers.

The cost of a special registration plate is the regular registration fee plus an additional fee of at least $10. The first $10 of every additional fee amount is credited to the Special Registration Plate Account. The remainder of the additional fee, if any, is transferred quarterly to the appropriate organization named in the statute. After deducting the costs of the plates from the Special Registration Plate Account, the money in the Account is distributed as follows:

AMOUNT	PURPOSE
$525,000 distributed annually	Operating assistance for certain Visitor Centers
33% distributed quarterly	Dept. of Commerce for advertising the promotion of travel and industrial development in the State
50% distributed quarterly	Dept. of Transportation for beautification of highways
17% distributed quarterly	Dept. of Health and Human Services to promote travel accessibility for disabled persons.

This uniform system of fees has been in place since 1991 when a study commission recommended that the special registration plate system be simplified through a uniform fee schedule. The only exceptions to the general rule are for plates issued to a recipient of the Congressional Medal of Honor, a 100% disabled veteran, an ex-prisoner of war, an active member of the National Guard, and a recipient of the Purple Heart award. Recipients of the Congressional Medal of Honor, a 100% disabled veteran, and an ex-prisoner of war may receive, upon request, one free registration plate.

BILL ANALYSIS: The proposed committee substitute for Senate Bill 1210 authorizes the Division of Motor Vehicles to issue the following special plates:

- **Support Public Schools Plates** – to registered owner of a motor vehicle for a $20 additional fee. $10 of the fee goes to the Special Registration Plate Account. The remaining $10 is transferred from the Collegiate and Cultural Attraction Plate Account to the newly created Fund for the Reduction of Class Size in Public Schools. The State Board of Education will allocate the money in the new Fund to local school administrative units to reduce class size in public schools. The plate will bear a picture of an old-time one-room schoolhouse and the words "Support Our Public Schools".
- **Ducks Unlimited Plates** – to registered owner of a motor vehicle for a $20 additional fee. $10 of this fee will go to Special Registration Plate Account. The remaining $10 will go to the Wildlife Resources Commission to support conservation programs of Ducks Unlimited, Inc., in the State. The plate will bear Ducks Unlimited, Inc. logo and words "Ducks Unlimited".
- **Omega Psi Phi Fraternity Plates** – to registered owner of a motor vehicle for a $20 additional fee. $10 of the fee goes to the Special Registration Plate Account. The remaining $10 goes to the United Negro College Fund, Inc. through the Winston-Salem Area Office for benefit of UNCF colleges in this State. The plate will bear the fraternity's symbol and name.
- **Tobacco Heritage Plates** – to registered owner of a motor vehicle for a $10 additional fee. This fee will go to the Special Registration Plate Account. The plate will bear a picture of a tobacco leaf and plow.

The proposed committee substitute also removes the $10 additional fee required for Legion of Valor special registration plates. Under current law, this plate is issuable to a recipient of one of the following military decorations: the Congressional Medal of Honor, the Distinguished Service Cross, the Navy Cross, or the Air Force Cross. The plate bears the emblem and name of the recipient's decoration. Current law allows a recipient of the Congressional Medal of Honor to receive one free registration plate.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Transportation, Division of Motor Vehicles, State Board of Education, Wildlife Resources Commission, and United Negro College Fund

EFFECTIVE DATE: When it becomes law.

BILL SUMMARY: The legislation authorizes the Division of Motor Vehicles (DMV) to issue the following special registration plates:

- **"Support Public Schools"** plate to the registered owner of a motor vehicle for a $20 additional fee. $10 goes to the Special Registration Plate Account. The

remaining $10 is transferred from the Collegiate and Cultural Attraction Plate Account to the newly created Fund for the Reduction of Class Size in Public Schools. The State Board of Education will allocate the money in the new Fund to local school administrative units to reduce class size in public schools. The plate will bear a picture of an old-time one-room schoolhouse and the words "Support Our Public Schools".

- **"Ducks Unlimited"** plate to the registered owner of a motor vehicle for a $20 additional fee. $10 will go into the Special Registration Plate Account. The remaining $10 will go to the Wildlife Resources Commission to support conservation programs of Ducks Unlimited Inc. in North Carolina. The plate will bear the words "Ducks Unlimited" and the organization's logo.
- **"Omega Psi Phi Fraternity"** plate to the registered owner of a motor vehicle for an additional $20 fee. $10 goes to the Special Registration Plate Account. The remaining $10 goes to the United Negro College Fund, Inc. for the benefit of colleges within the state. The plate will bear the fraternity's name and symbol.
- **"Tobacco Heritage"** plate to the registered owner of a motor vehicle for an additional $10 fee. This fee will go to the Special Registration Plate Account. The plate will bear a picture of a tobacco leaf and plow.

Each plate may be issued to a registered owner of a motor vehicle who pays the regular registration fee plus the additional fee. The DMV must receive at least 300 applications for each plate before it becomes law. The bill is effective when it becomes law.

ASSUMPTIONS AND METHODOLOGY:

In addition to the normal $20 registration fee that every owner of a private passenger vehicle pays, there is a $20 additional fee for the "Support Public Schools", "Ducks Unlimited", and "Omega Psi Phi" special registration plates. There is an additional $10 fee for the "Tobacco Heritage" plates. Because there is no way to determine how many plates will be requested, this fiscal note assumes the issuance of the minimum 300 license plates in FY 2000-01. As a result, the bill raises a total of $21,000 [($20 x 900 plates) + ($10 x 300 plates)]. $12,000 of this amount goes to the Special Registration Plate Account. $3,000 is distributed to each of the organizations outlined in the statute. The note assumes that the plates that are issued in FY 2000-01 will be renewed in following years.

According to the Division of Motor Vehicles, there is a one-time cost of approximately $100 to design a new plate. There is also a production cost of approximately $3.56 per plate. The total production cost for 1,200 plates is $4,272. Including the design costs, the total cost for 1,200 plates in the first year is $4,672.

SENATE BILL 1200*

Short Title: Municipal Participation. (Public)

Sponsors: Senator Gulley.

Referred to: Finance.

May 10, 2000

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE ADDITIONAL VOLUNTARY MUNICIPAL PARTICIPATION IN ROAD CONSTRUCTION.

The General Assembly of North Carolina enacts:

Section 1. G.S. 136-66.3 reads as rewritten:

"**§ 136-66.3. Municipal participation in improvements to the State highway system.**

(a) ~~Except as otherwise authorized by this Article, no municipality shall participate in the cost of any State highway system improvement project approved by the Board of Transportation under G.S. 143B-350(f)(4). No municipality shall be required to contribute to the right-of-way and construction costs of any State highway system improvement approved by the Board of Transportation under G.S. 143B-350(f)(4), nor shall the Department of Transportation accept any participation, directly or indirectly, from a municipality except as authorized by this Article.~~

~~(b) The restrictions imposed by this section on participation by municipalities in the implementation of improvements on the State highway system shall not apply to those improvements approved by the Board of Transportation which are financed by funds allocated by the General Assembly for the "Small Urban Construction Program". The municipalities~~ When any one or more street construction or highway improvement projects are proposed on the State highway system in and around a municipality, the Department of Transportation and the municipal governing body shall reach agreement on their respective responsibilities for such project or projects. In reaching such agreement, the Department of Transportation and the municipality shall take into consideration:

(1) The relative importance of the project to a coordinated statewide system of highways.
(2) The relative benefit of the project to the municipality.
(3) The degree to which the cost of acquisition of rights-of-way can be reduced or minimized through action by the municipality and/or the Department of Transportation to acquire all or part of the rights-of-way for proposed projects well in advance of construction of such projects. Municipalities may, but shall not be required to, participate in the right-of-way and construction cost of ~~"Small Urban Construction Program"~~ State highway system improvements.

(c) A municipality is authorized and empowered to acquire land by dedication and acceptance, purchase, or eminent domain, and make improvements to portions of the State highway system lying within or outside the municipal corporate limits utilizing local funds that have been authorized for that ~~purpose by a vote of the citizens of the municipality. The governing body of the municipality may call a special referendum at any time to allow this use of funds.~~ purpose. The ~~total cost of the~~ improvements authorized by this subsection shall be the responsibility of the municipality and shall not ~~be participated in by the Department of Transportation, nor shall the construction of improvements~~ be a consideration for any other project by the Department of Transportation. All improvements to the State highway system shall be done in accordance with the specifications and requirements of the Department of Transportation and shall be set forth in an agreement entered into between the municipality and the Department. The Board of Transportation shall not give consideration to or credit for such locally financed improvements in the Transportation Improvement Program under G.S. 143B-350(f)(4).

(d) When in the review and approval by a municipality of plans for the development of property abutting the State highway system it is determined by the municipality that improvements to the State highway system are necessary to provide for the safe and orderly movement of traffic, the municipality is authorized to construct, or have constructed, said improvements to the State highway system in vicinity of the development. For purposes of this section, improvements include but are not limited to additional travel lanes, turn lanes, curb and gutter, and drainage facilities. All improvements to the State highway system shall be constructed in accordance with the specifications and requirements of the Department of Transportation and be approved by the Department of Transportation.

(e) A municipality may pursuant to an agreement with the Department of Transportation reimburse the Department of Transportation for the cost of all improvements, including ~~additional~~ right-of-way, for a street or highway improvement project approved by the Board of Transportation under ~~G.S. 143B-350(f)(4) that are in addition to those improvements that the Department of Transportation would normally include in the project.~~ G.S. 143B-350(f)(4). Funds expended by a municipality pursuant to an agreement with the Department of Transportation shall not be considered in calculating distribution of construction funds under G.S. 136-17.2A.

(f) Municipalities having a population of less than 10,000 according to the most recent annual estimates of population as certified to the Secretary of Revenue by the State Budget Officer shall not participate in the right-of-way and construction costs of any State highway system improvement project approved by the Board of Transportation under G.S. 143B-350(f)(4).

~~Municipalities having a population of 10,000 or more according to the most recent annual estimates of population as certified to the Secretary of Revenue by the State Budget Officer may, but shall not be required by the Department or Board of Transportation, participate up to a maximum percentage as shown below in the cost of rights-of-way of the portion of any transportation improvement project approved by the Board of Transportation under G.S. 143B-350(f)(4) that is located within the municipal corporate limits:~~

~~Municipal Population~~	~~Maximum Participation In Right-of-Way Costs~~
~~10,000 - 25,000~~	~~5%~~
~~25,001 - 50,000~~	~~10%~~
~~50,001 - 100,000~~	~~15%~~
~~over 100,000~~	~~25%~~

Any participation shall be set forth in an agreement between the municipality and the Department of Transportation. Upon request of the municipality, the Department of Transportation shall allow the municipality a period of not less than three years from the date construction of the project is initiated to reimburse the Department their agreed upon share of the costs ~~of rights-of-way~~ necessary for the project. The Department of Transportation shall not charge a municipality any interest ~~on its agreed upon share of rights-of-way costs.~~ during the initial three years. The ~~Secretary~~ Department shall report in writing, on a monthly basis, to the Joint Legislative Commission on Governmental Operations on all agreements entered into between municipalities and the Department of Transportation. The report shall state in summary form the contents of such agreements.

(g) In the acquisition of rights-of-way for any State highway system street or highway in or around a municipality, the municipality shall be vested with the same authority to acquire such rights-of-way as is granted to the Department of Transportation in this Chapter. In the acquisition of such rights-of-way, municipalities may use the procedures provided in Article 9 of this Chapter, and wherever the words "Department of Transportation" appear in Article 9 they shall be deemed to include "municipality" or "municipal governing body," and wherever the words "Administrator," "Administrator of Highways," "Administrator of the Department of Transportation," or "Chairman of the Department of Transportation" appear in Article 9 they shall be deemed to include "municipal clerk". It is the intention of this subsection that the powers herein granted to municipalities for the purpose of acquiring rights-of-way shall be in addition to and supplementary to those

powers granted in any local act or in any other general statute, and in any case in which the provisions of this subsection or Article 9 of this Chapter are in conflict with the provisions of any local act or any other provision of any general statute, then the governing body of the municipality may in its discretion proceed in accordance with the provisions of such local act or other general statute, or, as an alternative method of procedure, in accordance with the provisions of this subsection and Article 9 of this Chapter.

(h) In the absence of an agreement, the Department of Transportation shall retain authority to pay the full cost of acquiring rights-of-way where the proposed project is deemed important to a coordinated State highway system.

(i) Either the municipality or the Department of Transportation may at any time propose changes in the agreement setting forth their respective responsibilities ~~for right-of-way acquisition~~ by giving notice to the other party, but no change shall be effective until it is adopted by both the municipal governing body and the Department of Transportation.

(j) Any municipality that agrees to contribute any part of the cost of acquiring rights-of-way for any State highway system street or highway shall be a proper party in any proceeding in court relating to the acquisition of such rights-of-way."

Section 2. This act becomes effective July 1, 2000.

SENATE BILL 1200:
Municipal Participation

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Gulley
Date:	May 31, 2000	**Summary by:**	Karen Cochrane Brown
Version:	1st Edition		Committee Co-Counsel

SUMMARY:

Senate Bill 1200 is a recommendation of the LRC Transportation Finance Committee. It authorizes additional voluntary municipal participation in State highway contruction projects by removing certain limitations contained in current law.

CURRENT LAW:

Under current law, municipalities may not participate in the costs of State highway construction projects except:

1. Projects funded by the Small Urban Construction Program;
2. Projects funded by the municipality, upon a favorable referendum of the voters of the municipality;
3. Development access projects (new travel lanes, turn lanes, curb and gutter, and drainage);
4. By agreement with the DOT to provide improvements to an existing project that DOT would not normally include;
5. For municipalities with a population over 10,000, a sliding-scale participation of between 5% and 25% of the cost of right-of-way construction.

Municipalities with a population of less than 10,000 can not participate in the right-of-way and construction costs of any State highway system project.

BILL ANALYSIS:

Senate Bill 1200 changes the law by authorizing municipalities to reach agreement with DOT about their level of participation after consideration of the following:

- The relative importance of the project to a coordinated statewide highway system.
- The relative benefit of the project to the municipality.
- The degree to which costs can be minimized by action of the municipality or DOT to acquire all or part of the right of way in advance of construction.

The bill also provides that municipalities may fund State hghway improvements without a referendum. Funds expended by a municipality under an agreement with DOT shall not be considered in calculating distribution of construction funds under the distribution formula set forth in G.S. 136-17.2A.

The bill also removes the percentage restrictions on participation for municipalities with a population over 10,000.

The bill becomes effective July 1, 2000.

BILL SUMMARY:

Under current law (G.S. 136-66.3) municipalities of 10,000 or more in population may participate in State highway system improvements, subject to specified limitations. Municipalities are now authorized to fund:

- 5% to 25% of the cost of right of way and construction, depending on municipal population;
- the full cost of right of way and construction, if approved in a municipal election;
- part of the right of way and construction costs for projects funded by the State small urban construction program;

- development access projects (new travel lanes, turn lanes, curb and gutter, and drainage).

Senate Bill 1200 would change the current system of municipal participation by:

- removing the percentage restrictions on municipal participation in the funding of State highway system improvements; and
- removing the requirement for a municipal election to approve any 100% municipally funded improvement to the State system.

House Bill 1556 also specifies that municipal participation in State highway construction will not be considered in calculating regional funding under the equity distribution formula.

ASSUMPTIONS AND METHODOLOGY:

By removing restrictions on municipal participation in the funding of State highway projects, this bill would make municipal participation easier and should therefore provide the State with additional municipal funding to meet construction demands. The bill would enable the State to construct more projects than it would be able to construct under the current municipal funding restrictions. If municipal funding led to a significant increase in the number of projects under construction, over time, more projects could lead to a larger State highway system and correspondingly higher costs to patrol and maintain this system. However, because of uncertainties over the level of local participation (which would be voluntary) and lack of knowledge about the number of projects that would be constructed with the assistance of municipal funds, we are unable to estimate the fiscal impact of this bill on the State or on municipalities.

SENATE FINANCE COMMITTEE

TUESDAY, JUNE 06, 2000

1:30 PM – ROOM 544

The Senate Finance Committee met on Tuesday, June 6, 2000 at 1:30 PM in Room 544 of the LOB. There were 24 committee members present. Senator John H. Kerr, III, Co-Chairman of the Committee, called the meeting to order. Shea Setzer from Asheboro, North Carolina, sponsored by Senator David Hoyle, Chris Cantrell from Wilmington, North Carolina, sponsored by Senator Patrick Ballantine, Paul Saylors from Goldsboro, North Carolina and Rod Smith from Pink Hill, North Carolina, both sponsored by Senator John Kerr, were introduced as the pages for the Meeting.

HB 723 – Dark Window Inspection Fee

Representative Verla Insko was recognized to again come and explain this Bill. Senator Dannelly presented an amendment to this bill and made a motion for the adoption, motion passed. After further discussion, Senator Lee moved for a "Favorable Report" with notion to roll the amendment into a committee substitute, motion passed. Copy of the bill and supporting documents are included in the minutes.

HB 133 – Exempt Disabled Vehicles

Representative Rogers was recognized to explain the bill. Senator Moore moved for adoption of a proposed committee substitute, motion passed. After a time of discussion, Senator Moore moved to give the bill a "Favorable Report", motion passed. Copy of the bill and supporting documents are included in the minutes.

SB 1334 – Tabor City Annexation

Senator Soles was recognized to explain the bill. Senator Soles moved for adoption of a proposed committee substitute, motion passed. After a brief discussion, Senator Dannelly moved for a "Favorable Report", motion passed. Copy of bill and supporting documents are included in the minutes.

SB 1200 – Municipal Incorporations

Senator Gulley was recognized again to come and explain this bill. Senator Gulley moved for adoption of a proposed committee substitute, motion passed. After a length discussion on the bill, Senator Soles suggested that a new proposed committee substitute be prepared to include all counties. Bill will be held over to another meeting. Copy of bill and supporting documents are included in the minutes.

Meeting adjourned.

A BILL TO BE ENTITLED

AN ACT TO ALLOW A PERSON WHO SUFFERS FROM A MEDICAL CONDITION THAT CAUSES THE PERSON TO BE PHOTOSENSITIVE TO VISIBLE LIGHT TO HAVE A DARKER VEHICLE WINDOW THAN IS ALLOWED UNDER THE WINDOW TINTING LAWS AND TO ELIMINATE THE AFTER-FACTORY WINDOW TINTING INSPECTION FEE FOR VEHICLES OWNED BY PERSONS ISSUED A MEDICAL EXCEPTION PERMIT BY THE DIVISION OF MOTOR VEHICLES ALLOWING THE WINDOW TINTING.

The General Assembly of North Carolina enacts:

Section 1. G.S. 20-127 reads as rewritten:

"**§ 20-127. Windows and windshield wipers.**

(a) Windshield Wipers. -- A vehicle that is operated on a highway and has a windshield ~~must~~ shall have a windshield wiper to clear rain or other substances from the windshield in front of the driver of the vehicle and the windshield wiper ~~must~~ shall be in good working order. If a vehicle has more than one windshield wiper to clear substances from the windshield, all the windshield wipers ~~must~~ shall be in good working order.

(b) Window Tinting Restrictions. -- A window of a vehicle that is operated on a highway or a public vehicular area ~~must~~ shall comply with this subsection. The

windshield of the vehicle may be tinted only along the top of the windshield and the tinting may not extend more than five inches below the top of the windshield or below the AS1 line of the windshield, whichever measurement is longer. Provided, however, an untinted clear film, which does not obstruct vision but which reduces or eliminates ultraviolet radiation from entering a vehicle may be applied to the windshield. Any other window of the vehicle may be tinted in accordance with the following restrictions:

(1) The total light transmission of the tinted window ~~must~~ shall be at least thirty-five percent (35%). A vehicle window that, by use of a light meter approved by the Commissioner, measures a total light transmission of more than thirty-two percent (32%) is conclusively presumed to meet this restriction.

(2) The light reflectance of the tinted window ~~must~~ shall be twenty percent (20%) or less.

(3) Tinted film or another material used to tint the window ~~must~~ shall be nonreflective and ~~must~~ shall not be ~~a color other than~~ red, yellow, or amber.

(c) Tinting Exceptions. -- The window tinting restrictions in subsection (b) of this section apply without exception to the windshield of a vehicle. The window tinting restrictions in subdivisions (b)(1) and (b)(2) of this section do not apply to any of the following vehicle windows:

(1) A window of an excursion passenger vehicle, as defined in G.S. 20-4.01(27)a.

(2) A window of a for-hire passenger vehicle, as defined in G.S. 20-4.01(27)b.

(3) A window of a common carrier of passengers, as defined in G.S. 20-4.01(27)c.

(4) A window of a motor home, as defined in G.S. 20-4.01(27)d2.

(5) A window of an ambulance, as defined in G.S. 20-4.01(27)f.

(6) The rear window of a property-hauling vehicle, as defined in G.S. 20-4.01(31).

(7) A window of a limousine.

(8) A window of a law enforcement vehicle.

(9) A window of a multipurpose vehicle that is behind the driver of the vehicle. A multipurpose vehicle is a passenger vehicle that is designed to carry 10 or fewer passengers and either is constructed on a truck chassis or has special features designed for occasional off-road operation. A minivan and a pickup truck are multipurpose vehicles.

(10) A window of a vehicle that is registered in another state and meets the requirements of the state in which it is registered.

(11) A window of a vehicle for which the Division has issued a medical exception permit under subsection (f) of this section.

(d) Violations. -- A person who does any of the following commits a misdemeanor of the class set in G.S. 20-176:

(1) Applies tinting to the window of a vehicle that is subject to a safety inspection in this State and the resulting tinted window does not meet the window tinting restrictions set in this section.

(2) Drives on a highway or a public vehicular area a vehicle that has a window that does not meet the window tinting restrictions set in this section.

(e) Defense. -- It is a defense to a charge of driving a vehicle with an unlawfully tinted window that the tinting was removed within 15 days after the charge and the window now meets the window tinting restrictions. To assert this defense, the person charged ~~must~~ shall produce in court, or submit to the prosecuting attorney before trial, a certificate from the Division of Motor Vehicles or the Highway Patrol showing that the window complies with the restrictions.

(f) Medical Exception. -- A person who suffers from a medical condition that causes the person to be photosensitive to visible light may obtain a medical exception permit. To obtain a permit, an applicant shall apply in writing to the Drivers Medical Evaluation Program, have his or her doctor complete the required medical evaluation form provided by the Division, and pay the application fee. The application fee is five dollars ($5.00). The permit shall be valid for five years from the date of issue, unless a shorter time is directed by the Drivers Medical Evaluation Program. The renewal shall require a medical recertification that the person continues to suffer from a medical condition requiring tinting.

A person may receive no more than two medical exception permits that are valid at any one time. A permit issued under this subsection shall specify the vehicle to which it applies, the windows that may be tinted, and the permitted levels of tinting. The permit shall be carried in the vehicle to which it applies when the vehicle is driven on a highway."

Section 2. The Medical Review Branch of the Division of Motor Vehicles shall issue rules and create forms and permits necessary for this program. Until funds for this program are appropriated by the General Assembly, the Medical Review Branch shall manually issue all medical exception permits and shall manually maintain the records related specifically to these permits.

The Division of Motor Vehicles shall add the medical exception described in Section 1 of this act to the STARS program, to allow the computerized issuance of medical exception permits and to allow computerized maintenance of the records related specifically to these permits when it is modifying that computer program for some other purpose.

The Division of Motor Vehicles shall report to the Joint Legislative Transportation Oversight Committee six months after the first medical exception permit is issued on the number of permits issued and the projected additional costs, if any, of operating the program.

Section 3. G.S. 20-183.7(a) reads as rewritten:

"(a) Fee Amount. -- When a fee applies to an inspection of a vehicle or the issuance of an inspection sticker, the fee must be collected. The following fees apply to an inspection of a vehicle and the issuance of an inspection sticker:

Type	Inspection	Sticker
Safety ~~Only, Without After-Factory Tinted Window~~ Only	$ 8.25	$ 1.00
~~Safety Only, With After-Factory Tinted Window~~	~~18.25~~	~~1.00~~
Emissions and Safety ~~Without After-Factory Tinted Window~~	17.00	2.40
~~Emissions and Safety With After-Factory Tinted Window~~	~~27.00~~	~~2.40~~.

The fee for performing an inspection of a vehicle applies when an inspection is performed, regardless of whether the vehicle passes the inspection. The fee for an inspection sticker applies when an inspection sticker is put on a vehicle. The fee for ~~performing an inspection of a vehicle with a~~ inspecting after-factory tinted ~~window~~ windows shall be ten dollars ($10.00), and the fee applies only to an inspection performed with a light meter after a safety inspection mechanic determined that the window had after-factory tint. A safety inspection mechanic shall not inspect an after-factory tinted window of a vehicle for which the Division has issued a medical exception permit pursuant to G.S. 20-127(f).

A vehicle that is inspected at an inspection station and fails the inspection is entitled to be reinspected at the same station at any time within 30 days of the failed inspection without paying another inspection fee."

Section 4. This act becomes effective July 1, 2001.

HOUSE BILL 723:
Dark Window Inspection Fee

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Representative Insko
Date:	May 24, 2000	**Summary by:**	Karen Cochrane Brown
Version:	5th Edition		Committee Co-Counsel

SUMMARY: ***House Bill 723 allows a person who suffers from a medical condition that causes the person to be photosensitive to have a darker windshield than allowed by current law. The bill also eliminates the after-factory window tinting inspection fee for those persons.***

CURRENT LAW & BILL ANALYSIS:

Section 1. Windshield Tinting Restrictions. Under current law, windshields may only be tinted along the top of the windshield and the tinting may not extend more than five inches below the top of the windshield. There are no exceptions to this requirement. HB 723 would allow an untinted clear film that reduces or eliminates ultraviolet light but does not obstruct vision to be placed on the windshield.

Also under current law, windshields must have a total light transmission of at least 35% with a light reflectance of 20% or less. There are, however, exceptions to this requirement for limousines, motor homes, multipurpose vehicles, minivans, and pickup trucks. HB 723 would add to the exceptions those vehicles for which the DMV has issued a medical exception permit.

HB 723 also authorizes the DMV to issue "Medical Exception" permits to persons who suffer from a medical condition that causes the person to be photosensitive. In order to obtain a permit, the person must:

- Apply to the Drivers Medical Evaluation Program
- Have his or her doctor complete the required medical evaluation form.
- Pay an application fee of $5.00.

The permit is valid for five years from the date of issue, unless a shorter time is directed by the Program. In order to renew the permit, the applicant must provide medical recertification that he or she continues to suffer from the condition.

A person may receive no more than two medical exception permits at any one time. A Medical Exception Permit must

- Specify the vehicle to which it applies.
- Specify the windows that may be tinted, and the permitted levels of tinting.
- Be carried in the vehicle to which it applies, and the vehicle must display a medical exception permit sticker.

Section 2 of the bill requires the Medical Review Branch of DMV to implement the program through rule-making. In addition, until funds are appropriated by the General Assembly, the Medical Review Branch is required to manually issue all medical exception permits and to maintain records on those permits. This section also requires DMV to modify its computer system in order to allow for the

computerized issuance of permits when it is modifying that computer program for some other purpose. Finally, DMV is required to report to the Joint Legislative Transportation Oversight Committee six months after issuing the first medical exception permit on the number of permits issued and the additional cost of operating the program.

Section 3 deletes the separate fees for safety and emissions inspections for after-factory tinted windows and provides that the fee for inspecting an after-factory tinted window is $10.00, and the fee only applies to an inspection with a light meter after the inspector determines that the window has an after-factory tint. However, this section prohibits the inspection of an after-factory tinted window for a vehicle having a medical exception permit.

EFFECTIVE DATE: The act becomes effective July 1, 2001.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Transportation – Division of Motor Vehicles (DMV)
Department of Health and Human Services

EFFECTIVE DATE: This act is effective July 1, 2001.

BILL SUMMARY:
The act allows persons with photosensitive medical conditions, such as systemic lupus erythematosus, to obtain medical exceptions from the window tinting law. To receive a medical exception permit, a person must complete an application with the Division of Motor Vehicles, pay a $5 application fee, and obtain a doctor's written statement about the photosensitive medical condition that warrants darker window tinting. The medical exception permit is renewed every five years and must be accompanied by a medical recertification. A person may receive no more than two medical exception permits.

BACKGROUND:
Lupus is a chronic, autoimmune disease that causes inflammation of the joints, skin, blood, kidneys and other organ systems. (Autoimmune means the body's immune system mistakenly attacks healthy tissues.) Lupus patients are 90% female who began having symptoms of the disease in their early twenties and thirties. Forty to sixty percent of systemic lupus patients, the

most severe form of the disease, are photosensitive. The sun's UV rays cause the skin of a systemic lupus patient to become red, inflamed and develop a rash.

ASSUMPTIONS AND METHODOLOGY:

REVENUE

The Lupus Foundation of America estimates that 1 out of every 185 Americans has some form of Lupus. Using the North Carolina population age 18 and older of 5,720,050 in 1998, there are 30,919 Lupus sufferers of driving age in the state. Information from the Colorado HealthNet indicates that approximately 30 percent of Lupus sufferers have photosensitivity as a symptom. Based on this figure, there would be an estimated 9,300 persons in North Carolina eligible for the medical exception permit due to Lupus. No information is available on the potential number of persons suffering from other photosensitive medical conditions, but it is expected that Lupus is the most prevalent photosensitive medical condition in the State.

Although there are potentially 9,300 persons eligible for a medical exception permit, data from a 1998 survey conducted by Dr. Laurel Broadhurst in the Department of Health and Human Services suggest only a fraction of this population will apply for the permit. Dr. Broadhurst contacted window-tinting programs in several states, as well as local doctors and national organizations that treat Lupus and other photosensitive diseases. Georgia, a state with a population only 100,000 greater than NC, reported only 120 to 180 permits issued each year. In Pennsylvania, with population 60% larger than NC, Dr. Broadhurst found that only 634 drivers had applied for a medical exemption since 1991. Given this anecdotal data, the Division of Medical Evaluation in the Department of Health and Human Services estimated that only 100 persons per year would apply for this permit. At $5 per permit, this bill raises $500 in revenue for the Highway Fund each year.

NOTE: Inspection stations will no longer inspect the window tinting of Lupus patients each year and will lose the $10 inspection fee they now receive on these vehicles.

EXPENDITURE

There will be a one-time cost to reprogram the State Title and Registration System (STARS) for the new medical exception permit. For other recently mandated changes in the STARS system, DMV requested $17,200 for 160 hours of software development. The Governor's Recommended Changes to the 2000-2001 State Budget includes a $3.3 million reserve for "continual maintenance and functional modifications" to the STARS system and other DMV computer programs. If the reserve is approved, the programming costs required for this bill could be funded from this source.

A BILL TO BE ENTITLED

AN ACT TO EXEMPT FROM PROPERTY TAX MODIFIED MOTOR VEHICLES OWNED BY DISABLED VETERANS WHO ARE ELIGIBLE FOR FEDERAL SPECIAL EQUIPMENT ALLOWANCES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-275 is amended by adding a new subdivision to read:

"(5a) A motor vehicle owned by a disabled veteran that is altered with special equipment to accommodate a service-connected disability. As used in this section, disabled veteran means a person as defined in 38 U.S.C. § 101(2) who is entitled to special automotive equipment for a service-connected disability, as provided in 38 U.S.C. § 3901."

Section 2. This act is effective for taxes imposed for taxable years beginning on or after July 1, 1999.

HOUSE BILL 133
Exempt Disabled Veteran Vehicles

BILL ANALYSIS

Committee:	Senate Finance	**Sponsor:**	Rep. Rogers
Date:	May 23, 2000	**Analysis by:**	Martha K. Walston
Version:	Senate PCS		Staff Attorney

SUMMARY: ***HB 133 exempts from property tax motor vehicles (1) owned by veterans with certain service-related disabilities and (2) altered with special equipment to accommodate the service-related disability, effective for tax years beginning July 1, 2000. To receive the exemption, the vehicle owner must first file an application with the county assessor. The only difference between the proposed Senate Committee Substitute and the version that passed the House last year is the effective date.***

CURRENT LAW: G.S. 105-275(5) grants a property tax exemption to vehicles that the U.S. government gives to veterans on account of disabilities they suffered in WWII, the Korean Conflict, or the Vietnam Era.

BILL ANALYSIS: House Bill 133 also gives a property tax exemption to vehicles owned by veterans with certain service-related disabilities when the vehicles have been altered with special equipment to accommodate the disability.

Under federal law, veterans with certain service-related disabilities qualify for an allowance to adapt a vehicle to accommodate the disability. Vehicles owned by these veterans and so altered would be eligible for the proposed property tax exemption. To qualify for the exemption, the person must meet the following federal requirements

1. Veteran - Be a person who served in the active military, naval, or air service, and who was discharged or released under conditions other than dishonorable.
2. Service-related disability - Be disabled from an injury that incurred or disease contracted in or aggravated by active service. The disability must be loss of one or both hands or feet, permanent loss of use of one or both hands or feet, or permanent impairment of vision of both eyes.
3. Adaptive equipment – Have a vehicle that has been adapted for the disability. Adaptive equipment includes, but is not limited to, power steering, power brakes, power window lifts, power seats, and special equipment necessary to assist the veteran into and out of the automobile or other conveyance. The term also includes (a) air-conditioning equipment when the equipment is necessary to the health and safety of the veteran and to the safety of others, regardless of whether the vehicle is to be operated by the veteran or for the veteran by another person, and (b) any modification of the size of the interior space of the vehicle if needed because of the physical condition of the veteran in order for the veteran to enter or operate the vehicle.

The veteran must file an application to receive the exemption. Once an approved exemption is on file, it remains in effect and the vehicle is omitted from the tax rolls. The application need not be renewed each year.

The original bill exempted from property tax all motor vehicles owned by veterans with combat-related total disabilities, and provided for the State to reimburse counties for their resulting revenue losses. The

original bill was estimated to cost the State nearly $300,000 a year. The House Committee on Transportation changed the exemption to one that applies to vehicles altered to accommodate veterans with certain service-related disabilities, and removed the reimbursement provision. This change resulted in a smaller estimated loss of $120,000 a year, and shifted the impact of the loss from the State to local governments.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue

EFFECTIVE DATE: Effective for taxable years beginning on or after July 1, 2000.

BILL SUMMARY:
The proposed bill exempts from property tax those motor vehicles owned by disabled veterans who are eligible for federal special equipment allowances.

BACKGROUND:
Veterans who have a service-connected loss of one or both hands or feet, a permanent loss of use of one or both hands or feet, or permanent impairment of vision of both eyes qualify for federal automobile assistance. The United States Department of Veterans Affairs (VA) offers a one-time payment of up to $8,000 toward the purchase of an automobile. The VA will also pay for adaptive equipment and for the repair, replacement, or reinstallation of adaptive equipment.

ASSUMPTIONS AND METHODOLOGY:
The North Carolina Division of Veterans Affairs in the Department of Administration reports that 1,560 veterans living in North Carolina are entitled to a federal automobile grant or adaptive equipment allowance for service-connected disabilities. For this fiscal note, it is assumed that each veteran will claim the property tax exemption for one vehicle. The average value of a vehicle in North Carolina was $7,632 in 1999. This vehicle value is the average of vehicle valuations taken from Cabarrus, Orange, Haywood, Surry, Halifax, and Sampson counties. A

company that provides vehicle tax values to county tax assessors statewide provided the data for 1999 vehicle values.

Since it is difficult to predict whether this veteran population will trade, buy, or retain their vehicles in the next five years, the average vehicle price is adjusted by a national inflation rate for light vehicles. A Standard & Poor's DRI national forecast for light vehicles (cars and trucks) in Spring 2000 predicted an increase in car values as follows:

2000 no increase
2001 -. 3%
2002 . 5%
2003 . 7%
2004 . 4%

Without a printout of addresses for disabled veterans, a statewide tax rate is used to estimate the fiscal impact of this bill. The unified property tax rate for all government jurisdictions in North Carolina has fluctuated from .994 per $100 of assessed valuation in 1993-94 to .958 per $100 in 1998-99. Due to pressures in many counties to build schools and provide other services, an estimated rate of $1.00 per $100 of assessed value is used in this note.

Using the variables mentioned above, the revenue impact is calculated as follows:

	Average Car Values	DRI Inflation est.	Disabled Veterans	Value of Exempted Property	Unified Property Tax Rate	Property Tax Exempted
1999-00	$7,632		1,560	$11,905,920	$1.00	$119,059
2000-01	$7,632	0	1,560	$11,905,920	$1.00	$119,059
2001-02	$7,609	-.3%	1,560	$11,870,040	$1.00	$118,700
2002-03	$7,647	.5%	1,560	$11,929,320	$1.00	$119,293
2003-04	$7,701	.7%	1,560	$12,013,560	$1.00	$120,136
2004-05	$7,731	.4%	1,560	$12,060,360	$1.00	$120,604

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE ADDITIONAL VOLUNTARY MUNICIPAL PARTICIPATION IN ROAD CONSTRUCTION.

The General Assembly of North Carolina enacts:

Section 1. G.S. 136-66.3 reads as rewritten:

"**§ 136-66.3. Municipal participation in improvements to the State highway system.**

(a) ~~Except as otherwise authorized by this Article, no municipality shall participate in the cost of any State highway system improvement project approved by the Board of Transportation under G.S. 143B-350(f)(4). No municipality shall be required to contribute to the right-of-way and construction costs of any State highway system improvement approved by the Board of Transportation under G.S. 143B-350(f)(4), nor shall the Department of Transportation accept any participation, directly or indirectly, from a municipality except as authorized by this Article.~~

~~(b) The restrictions imposed by this section on participation by municipalities in the implementation of improvements on the State highway system shall not apply to those improvements approved by the Board of Transportation which are financed with funds allocated by the General Assembly for the "Small Urban Construction Program". The municipalities~~ When any one or more street construction or highway improvement projects are proposed on the State highway system in and adjacent to a municipality, the Department of Transportation and the municipal governing body shall reach agreement on their respective responsibilities for such project or projects. In reaching such agreement, the Department of Transportation and the municipality shall take into consideration:

(1) The relative importance of the project to a coordinated statewide system of highways.
(2) The relative benefit of the project to the municipality.
(3) The degree to which the cost of acquisition of rights-of-way can be reduced or minimized through action by the municipality and/or the Department of Transportation to acquire all or part of the rights-of-way for proposed projects well in advance of construction of such projects. Municipalities may, but shall not be required to, participate in the right-of-way and construction cost of ~~"Small Urban Construction Program"~~ State highway system improvements.

(c) A municipality is authorized and empowered to acquire land by dedication and acceptance, purchase, or eminent domain, and make improvements to portions of the State highway system lying within or outside the municipal corporate limits utilizing local funds that have been authorized for that ~~purpose by a vote of the citizens of the municipality. The governing body of the municipality may call a special referendum at any time to allow this use of funds.~~ purpose. The ~~total cost of the~~ improvements authorized by this subsection shall be the responsibility of the municipality and shall not ~~be participated in by the Department of Transportation, nor shall the construction of improvements~~ be a consideration for any other project by the Department of Transportation. All improvements to the State highway system shall be done in accordance with the specifications and requirements of the Department of Transportation and shall be set forth in an agreement entered into between the municipality and the Department. The Board of Transportation shall not give consideration to or credit for such locally financed improvements in the Transportation Improvement Program under G.S. 143B-350(f)(4).

(d) When in the review and approval by a municipality of plans for the development of property abutting the State highway system it is determined by the municipality that improvements to the State highway system are necessary to provide for the safe and orderly movement of traffic, the municipality is authorized to construct, or have constructed, said improvements to the State highway system in vicinity of the development. For purposes of this section, improvements include but are not limited to additional travel lanes, turn lanes, curb and gutter, and drainage facilities. All improvements to the State highway system shall be constructed in accordance with the specifications and requirements of the Department of Transportation and be approved by the Department of Transportation.

(e) A municipality may pursuant to an agreement with the Department of Transportation reimburse the Department of Transportation for the cost of all improvements, including ~~additional~~ right-of-way, for a street or highway improvement project approved by the Board of Transportation under ~~G.S. 143B-350(f)(4) that are in addition to those improvements that the Department of Transportation would normally include in the project.~~ G.S. 143B-350(f)(4). Funds expended by a municipality pursuant to an agreement with the Department of Transportation shall not be considered in calculating distribution of construction funds under G.S. 136-17.2A.

(f) Municipalities having a population of less than 10,000 according to the most recent annual estimates of population as certified to the Secretary of Revenue by the State Budget Officer shall not participate in the right-of-way and construction costs of any State highway system improvement project approved by the Board of Transportation under G.S. 143B-350(f)(4).

~~Municipalities having a population of 10,000 or more according to the most recent annual estimates of population as certified to the Secretary of Revenue by the State Budget Officer may, but shall not be required by the Department or Board of Transportation, participate up to a maximum percentage as shown below in the cost of rights-of-way of the portion of any transportation improvement project approved by the Board of Transportation under G.S. 143B-350(f)(4) that is located within the municipal corporate limits.~~

~~50,001 - 100,000~~	~~15%~~
~~over 100,000~~	~~25%~~

Any participation shall be set forth in an agreement between the municipality and the Department of Transportation. Upon request of the municipality, the Department of Transportation shall allow the municipality a period of not less than three years from the date construction of the project is initiated to reimburse the Department their agreed upon share of the costs ~~of rights-of-way~~ necessary for the project. The Department of Transportation shall not charge a municipality any interest ~~on its agreed upon share of rights-of-way costs.~~ during the initial three years. The ~~Secretary~~ Department shall report in writing, on a monthly basis, to the Joint Legislative Commission on Governmental Operations on all agreements entered into between municipalities and the Department of Transportation. The report shall state in summary form the contents of such agreements.

(g) In the acquisition of rights-of-way for any State highway system street or highway in or around a municipality, the municipality shall be vested with the same authority to acquire such rights-of-way as is granted to the Department of Transportation in this Chapter. In the acquisition of such rights-of-way, municipalities may use the procedures provided in Article 9 of this Chapter, and wherever the words "Department of Transportation" appear in Article 9 they shall be deemed to include "municipality" or "municipal governing body," and wherever the words "Administrator," "Administrator of Highways," "Administrator of the Department of Transportation," or "Chairman of the Department of Transportation" appear in Article 9 they shall be deemed to include "municipal clerk". It is the intention of this subsection that the powers herein granted to municipalities for the purpose of acquiring rights-of-way shall be in addition to and supplementary to those

powers granted in any local act or in any other general statute, and in any case in which the provisions of this subsection or Article 9 of this Chapter are in conflict with the provisions of any local act or any other provision of any general statute, then the governing body of the municipality may in its discretion proceed in accordance with the provisions of such local act or other general statute, or, as an alternative method of procedure, in accordance with the provisions of this subsection and Article 9 of this Chapter.

(h) In the absence of an agreement, the Department of Transportation shall retain authority to pay the full cost of acquiring rights-of-way where the proposed project is deemed important to a coordinated State highway system.

(i) Either the municipality or the Department of Transportation may at any time propose changes in the agreement setting forth their respective responsibilities ~~for right-of-way acquisition~~ by giving notice to the other party, but no change shall be effective until it is adopted by both the municipal governing body and the Department of Transportation.

(j) Any municipality that agrees to contribute any part of the cost of acquiring rights-of-way for any State highway system street or highway shall be a proper party in any proceeding in court relating to the acquisition of such rights-of-way."

EFFECTIVE DATE: July 1, 2000

BILL SUMMARY:

Under current law (G.S. 136-66.3) municipalities of 10,000 or more in population may participate in State highway system improvements, subject to specified limitations. Municipalities are now authorized to fund:

- 5% to 25% of the cost of right of way and construction, depending on municipal population;
- the full cost of right of way and construction, if approved in a municipal election;
- part of the right of way and construction costs for projects funded by the State small urban construction program;

- development access projects (new travel lanes, turn lanes, curb and gutter, and drainage).

Senate Bill 1200 would change the current system of municipal participation by:

- removing the percentage restrictions on municipal participation in the funding of State highway system improvements; and
- removing the requirement for a municipal election to approve any 100% municipally funded improvement to the State system.

House Bill 1556 also specifies that municipal participation in State highway construction will not be considered in calculating regional funding under the equity distribution formula.

ASSUMPTIONS AND METHODOLOGY:

By removing restrictions on municipal participation in the funding of State highway projects, this bill would make municipal participation easier and should therefore provide the State with additional municipal funding to meet construction demands. The bill would enable the State to construct more projects than it would be able to construct under the current municipal funding restrictions. If municipal funding led to a significant increase in the number of projects under construction, over time, more projects could lead to a larger State highway system and correspondingly higher costs to patrol and maintain this system. However, because of uncertainties over the level of local participation (which would be voluntary) and lack of knowledge about the number of projects that would be constructed with the assistance of municipal funds, we are unable to estimate the fiscal impact of this bill on the State or on municipalities.

(e) Authorization to Participate in Project Additions. -- Pursuant to an agreement with the Department of Transportation, ~~A~~ a municipality may ~~pursuant to an agreement with the Department of Transportation~~ reimburse the Department of Transportation for the cost of all improvements, including additional right-of-way, for a street or highway improvement ~~project~~ projects approved by the Board of Transportation under ~~G.S. 143B-350(f)(4)~~ G.S. 143B-350(f)(4), that are in addition to those improvements that the Department of Transportation would normally include in the project.

~~(f) Municipalities having a population of less than 10,000 according to the most recent annual estimates of population as certified to the Secretary of Revenue by the State Budget Officer shall not participate in the right-of-way and construction costs of any State highway system improvement project approved by the Board of Transportation under G.S. 143B-350(f)(4).~~

~~Municipalities having a population of 10,000 or more according to the most recent annual estimates of population as certified to the Secretary of Revenue by the State Budget Officer may, but shall not be required by the Department or Board of Transportation, participate up to a maximum percentage as shown below in the cost of rights-of-way of the portion of any transportation improvement project approved by the Board of Transportation under G.S. 143B-350(f)(4) that is located within the municipal corporate limits:~~

~~Municipal Population~~	~~Maximum Participation In Right-of-Way Costs~~
~~10,000 - 25,000~~	~~5%~~
~~25,001 - 50,000~~	~~10%~~
~~50,001 - 100,000~~	~~15%~~
~~over 100,000~~	~~25%~~

(e1) Reimbursement Procedure. -- ~~Any participation shall be set forth in an agreement between the municipality and the Department of Transportation.~~ Upon request of the municipality, the Department of Transportation shall allow the municipality a period of not less than three years from the date construction of the project is initiated to reimburse the Department their agreed upon share of the costs ~~of rights-of-way~~ necessary for the project. The Department of Transportation shall not charge a municipality any interest ~~on its agreed upon share of rights-of-way costs.~~ during the initial three years.

(f) Report to General Assembly. -- The ~~Secretary~~ Department shall report in writing, on a monthly basis, to the Joint Legislative Commission on Governmental Operations on all agreements entered into between municipalities and the

Department of Transportation. The report shall state in summary form the contents of such agreements.

(g) Municipal Acquisition of Right-of-Way. -- In the acquisition of rights-of-way for any State highway system street or highway in or around a municipality, the municipality shall be vested with the same authority to acquire such rights-of-way as is granted to the Department of Transportation in this Chapter. In the acquisition of such rights-of-way, municipalities may use the procedures provided in Article 9 of this Chapter, and wherever the words "Department of Transportation" appear in Article 9 they shall be deemed to include "municipality" or "municipal governing body," and wherever the words "Administrator," "Administrator of Highways," "Administrator of the Department of Transportation," or "Chairman of the Department of Transportation" appear in Article 9 they shall be deemed to include "municipal clerk". It is the intention of this subsection that the powers herein granted to municipalities for the purpose of acquiring rights-of-way shall be in addition to and supplementary to those powers granted in any local act or in any other general statute, and in any case in which the provisions of this subsection or Article 9 of this Chapter are in conflict with the provisions of any local act or any other provision of any general statute, then the governing body of the municipality may in its discretion proceed in accordance with the provisions of such local act or other general statute, or, as an alternative method of procedure, in accordance with the provisions of this subsection and Article 9 of this Chapter.

(h) Department Authority Concerning Rights-of-Way. -- In the absence of an agreement, the Department of Transportation shall retain authority to pay the full cost of acquiring rights-of-way where the proposed project is deemed important to a coordinated State highway system.

(i) Changes to Municipal Participation Agreement. -- Either the municipality or the Department of Transportation may at any time propose changes in the agreement setting forth their respective responsibilities ~~for right-of-way acquisition~~ by giving notice to the other party, but no change shall be effective until it is adopted by both the municipal governing body and the Department of Transportation.

(j) Municipality Party to Right-of-Way Proceeding. -- Any municipality that agrees to contribute any part of the cost of acquiring rights-of-way for any State highway system street or highway shall be a proper party in any proceeding in court relating to the acquisition of such rights-of-way.

(k) Specified County Participation. -- In addition to the authority given to Burke, Cabarrus, and Mecklenburg Counties by Chapter 478 of the 1993 Session Laws, these counties are authorized to participate in State highway improvement projects located anywhere in each respective county in accordance with this section."

Section 2. This act becomes effective July 1, 2000.

HOUSE BILL 1302

Short Title: Charter School Fuel Exemption. (Public)

Sponsors: Representatives Bonner; Sutton and Yongue.

Referred to: Finance.

April 20, 1999

A BILL TO BE ENTITLED

AN ACT TO EXEMPT FROM TAX MOTOR FUEL SOLD TO CHARTER SCHOOLS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-228.90(b) reads as rewritten:

"(b) Definitions. -- The following definitions apply in this Article:

(1) Reserved.

(2) Charter school board. -- A nonprofit corporation that has a charter under G.S. 115C-238.29D to operate a charter school.

~~(1)~~ (3) City. -- A city as defined by G.S. 160A-1(2). The term also includes an urban service district defined by the governing board of a consolidated city-county, as defined by G.S. 160B-2(1).

~~(1a)~~ (4) Code. -- The Internal Revenue Code as enacted as of September 1, 1998, including any provisions enacted as of that date which become effective either before or after that date.

~~(1b)~~ (5) County. -- Any one of the counties listed in G.S. 153A-10. The term also includes a consolidated city-county as defined by G.S. 160B-2(1).

~~(2)~~ (6) Reserved.

~~(3)~~ (7) Electronic Funds Transfer. -- A transfer of funds initiated by using an electronic terminal, a telephone, a computer, or magnetic tape to instruct or authorize a financial institution or its agent to credit or debit an account.

~~(4)~~ (8) Reserved.

~~(5)~~ (9) Person. -- An individual, a fiduciary, a firm, an association, a partnership, a limited liability company, a corporation, a unit of government, or another group acting as a unit. The term includes an officer or employee of a corporation, a member, a manager, or an employee of a limited liability company, and a member or employee of a partnership who, as officer, employee, member, or manager, is under a duty to perform an act in meeting the requirements of Subchapter I, V, or VIII of this Chapter or of Article 3 of Chapter 119 of the General Statutes.

~~(6)~~ (10) Secretary. -- The Secretary of Revenue.

~~(7)~~ (11) Tax. -- A tax levied under Subchapter I, V, or VIII of this Chapter or an inspection tax levied under Article 3 of Chapter 119 of the General Statutes. Unless the context clearly requires otherwise, the terms "tax" and "additional tax" include penalties and interest as well as the principal amount.

~~(8)~~ (12) Taxpayer. -- A person subject to the tax or reporting requirements of Subchapter I, V, or VIII of this Chapter or of Article 3 of Chapter 119 of the General Statutes."

Section 2. G.S. 105-449.88 reads as rewritten:

"**§ 105-449.88. Exemptions from the excise tax.**

The excise tax on motor fuel does not apply to the following:

(1) Motor fuel removed, by transport truck or another means of transfer outside the terminal transfer system, from a terminal for export, if the supplier of the motor fuel collects tax on it at the rate of the motor fuel's destination state.

(2) Motor fuel sold to the federal government for its use.

(3) Motor fuel sold to the State for its use.

(4) Motor fuel sold to a local board of education for use in the public school system.

(5) Diesel that is kerosene and is sold to an airport.

(6) Motor fuel sold to a charter school board for use for charter school purposes."

Section 3. This act becomes effective October 1, 1999.

HOUSE BILL 1302:
Charter School Fuel Exemption

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Rep. Bonner
Date:	June 6, 2000	**Summary by:**	Cindy Avrette and Martha Walston
Version:	Proposed Senate Committee Substitute		Committee Counsel

SUMMARY: ***House Bill 1302 exempts motor fuel sold to a charter school board for use for charter school purposes from the excise tax on motor fuel. The proposed senate committee substitute moves the effective date from October 1, 1999 to October 1, 2000, and updates the statutory language in Section 1 of the bill.***

CURRENT LAW: The motor fuel excise tax rate has two components: a flat rate plus a variable rate. The flat rate is 17.5¢ per gallon. The variable component may change every six months. It is added to the flat rate. The variable component is equal to the greater of 3.5¢ a gallon or 7% of the weighted average wholesale price of gasoline and No. 2 diesel fuel for the most recent six-month base period. The current motor fuel tax rate is 22¢ a gallon.

One-half cent a gallon of the motor fuel tax revenue is dedicated to the two underground storage tank funds and the water and air quality account. Seventy-five percent (75%) of the remainder of the revenue generated by this tax is allocated to the Highway Fund and the remaining 25% is credited to the Highway Trust Fund.

The motor fuel excise tax does not apply to the following:

- Motor fuel removed in this State for transportation to another state if the supplier collects tax on the motor fuel at the rate of the motor fuel's destination state.
- Motor fuel sold to the federal government for its use.
- Motor fuel sold to the State for its use.
- Motor fuel sold to a local board of education for use in the public school system.
- Diesel that is kerosene and is sold to an airport.

BILL ANALYSIS: House Bill 1302 adds "motor fuel sold to a charter school for use for charter school purposes" to the list of motor fuel tax exemptions. A charter school is defined as a nonprofit corporation that has a charter under G.S. 115C-238.29D to operate a charter school. G.S. 115C-238.29D limits the number of charter schools to 100 schools statewide. Any person or nonprofit corporation may apply to the State Board of Education to establish a charter school. To be approved as a charter school, the applicant must meet the statutory requirements and the Board must find that the proposed school will provide or achieve improved student learning, increased learning opportunities for all students, the use of different and innovative teaching methods, new professional opportunities for teachers, and expanded educational choices for parents and students.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue – Motor Fuels Tax Division

EFFECTIVE DATE: This act becomes effective October 1, 1999.

BILL SUMMARY: The act exempts charter schools from paying the motor fuels tax.

ASSUMPTIONS AND METHODOLOGY: Based on data from the Department of Public Instruction accounting system, 22 out of 34 charter schools (65%) reported purchases of motor fuel in 1997-98. The average charter school spent $2,630 on motor fuel that year. Given the average gallon of gas sold for $1.15 per gallon in 1997-98, then those charter schools reporting fuel use consumed 2,287 gallons of motor fuel in a year.

The number of charter schools in North Carolina is capped at 100 in G.S. 115C-38.29D(6). If the current motor fuel usage rate of 65% is applied to the 100 charter schools, then 65 schools in the state will take advantage of the fuel tax exemption in future years. Future gas tax rates are projected by the Office of State Budget and Management (OSBM) using refined petroleum price and consumption data compiled by Standard & Poor's DRI. The chart below shows the estimated motor fuel tax that will be paid by charter schools in the next five years. The estimated revenue loss from a fuel tax exemption is divided between the Highway Fund (75%) and the Highway Trust Fund (25%). With an October 1, 1999 effective date, the first year revenue loss is 75% of the estimate for 1999-00.

SENATE BILL 1477

Short Title: Finance New Wildlife Centers. (Public)

Sponsors: Senators Kerr; Albertson and Phillips.

Referred to: Finance.

May 25, 2000

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR A NEW, SUSTAINABLY DESIGNED, STATE OFFICE BUILDING AND WILDLIFE EDUCATION CENTER WITH RELATED PARKING FACILITIES, TO BE USED BY THE WILDLIFE RESOURCES COMMISSION, PURSUANT TO AN INSTALLMENT FINANCING CONTRACT IN A PRINCIPAL AMOUNT NOT TO EXCEED THIRTEEN MILLION FIVE HUNDRED THOUSAND DOLLARS, AND TO PROVIDE FOR A NEW EASTERN WILDLIFE EDUCATION CENTER WITH RELATED PARKING FACILITIES, TO BE ADMINISTERED BY THE WILDLIFE RESOURCES COMMISSION, PURSUANT TO AN INSTALLMENT FINANCING CONTRACT IN A PRINCIPAL AMOUNT NOT TO EXCEED FOUR MILLION DOLLARS.

The General Assembly of North Carolina enacts:

Section 1. Authorization of Projects. -- (a) Raleigh Wildlife Center. -- The Department of Administration is authorized to acquire, construct, and equip a new State administrative office building and wildlife education center, and related parking facilities, to be located on the Centennial Campus of North Carolina State University at Raleigh, in the City of Raleigh, North Carolina, to be used by the Wildlife Resources Commission. Title to these facilities shall be held in the name of the State. The cost of acquiring, constructing, and equipping these facilities shall be financed as provided in this act.

Section 1.(b) Eastern Wildlife Education Center. -- The Department of Administration is authorized to acquire, construct, and equip a new State wildlife education center, and related parking facilities, to be located in Currituck County

and to be administered by the Wildlife Resources Commission. Title to these facilities shall be held in the name of the State. The cost of acquiring, constructing, and equipping these facilities shall be financed as provided in this act.

Section 2. Definitions. -- Unless a different meaning is required by the context, the following definitions apply in this act:

(1) "Certificates of participation" means certificates or other instruments delivered by a special corporation as provided in this act evidencing the assignment of proportionate and undivided interests in the rights to receive installment payments to be made by the State pursuant to a financing contract.

(2) "Cost" includes all of the following, without limiting or restricting any proper definition of this term in financing the cost of a Project as authorized by this act:

a. The cost of acquiring, constructing, and equipping the Project, including the acquisition of rights-of-way, easements, franchises, equipment, furnishings, and other interests in real or personal property acquired or used in connection with the Project.

b. The cost of engineering, architectural, and other consulting services as may be required.

c. Finance charges, reserves for installment payments and interest prior to and during construction and, if considered advisable by the State Treasurer, for a period not exceeding two years after the estimated date of completion of construction.

d. Administrative expenses and charges.

e. The cost of bond insurance, credit and liquidity facilities, interest rate swap agreements, financial and legal consultants, and related costs of financing the Project or delivering and selling certificates of participation, to the extent and as determined by the State Treasurer.

f. The cost of reimbursing the State for any payments made for any cost described above.

g. Any other costs and expenses necessary or incidental to the purposes of this act.

(3) "Credit facility" means an agreement that:

a. Is entered into by the State with a bank, savings and loan association, or other banking institution, an insurance company, reinsurance company, surety company or other insurance institution, a corporation, investment banking firm or other investment institution, or any financial institution or other similar provider of a credit facility, which provider may be located within or without the United States of America; and

b. Provides for prompt payment of all or any part of the principal or purchase price (whether at maturity, presentment or tender for purchase, redemption, or acceleration), redemption premium, if any, and interest with respect to any financing contract or certificates of participation in consideration of the State agreeing to repay the provider of the credit facility in accordance with the terms and provisions of the agreement.

(4) "Department of Administration" means the North Carolina Department of Administration, created by Article 36 of Chapter 143 of the General Statutes, or should the Department of Administration be abolished or otherwise divested of its functions under this act, the public body succeeding it in its principal functions, or upon which are conferred by law the rights, powers, and duties given by this act to the Department of Administration.

(5) "Eastern Wildlife Education Center Project" means the (i) new State wildlife education center to be located in Currituck County, and related parking facilities, and (ii) equipment and furnishings related to the center and parking facilities.

(6) "Financing contract" means an installment financing contract entered into pursuant to the provisions of this act to finance the cost of a Project.

(7) "Office Project" means the (i) new State administrative office building and wildlife education center to be located in Raleigh, and related parking facilities, and (ii) equipment and furnishings related to the building, center, and parking facilities.

(8) "Project" means the Eastern Wildlife Education Center Project, the Office Project, or both.

(9) "Special corporation" means a nonprofit corporation created under Chapter 55A of the General Statutes for the purpose of delivering any certificates of participation provided by this act.

(10) "State" means the State of North Carolina.

(11) "Sustainably designed facility" means a building and surrounding environs designed using features that are energy efficient, incorporate reuseable and renewable resources, provide natural lighting, are nontoxic, require low maintenance, are congruent with the natural characteristics of the site, and cause minimum adverse impact to the environment.

(12) "Wildlife Resources Commission" means the North Carolina Wildlife Commission, created by Article 24 of Chapter 143 of the General Statutes, or should the North Carolina Wildlife Resources Commission be abolished or otherwise divested of its functions under this act, the public body succeeding it in its principal functions, or upon which are conferred by law the rights, powers,

and duties given by this act to the North Carolina Wildlife Resources Commission.

Section 3. Authorization of Financing Contracts. -- (a) The State, with the prior approval of the Council of State and the State Treasurer as provided in this act, is authorized to execute and deliver a financing contract in a principal amount not to exceed thirteen million five hundred thousand dollars ($13,500,000) in order to provide funds to the Department of Administration and the Wildlife Resources Commission to be used, together with any other available funds, to pay the cost of the Office Project.

Section 3.(b) The State, with the prior approval of the Council of State and the State Treasurer as provided in this act, is authorized to execute and deliver a financing contract in a principal amount not to exceed four million dollars ($4,000,000) in order to provide funds to the Department of Administration and the Wildlife Resources Commission to be used, together with any other available funds, to pay the cost of the Eastern Wildlife Education Center Project.

Section 3.(c) If the State determines that it is in its best interest to do so, the State may enter into one financing contract to finance both of the Projects described in subsections (a) and (b) of this section. The principal amount of the financing contract shall not, however, exceed seventeen million five hundred thousand dollars ($17,500,000).

Section 4. Approval Required. -- (a) A financing contract may not be entered into pursuant to this act unless prior to entering into the financing contract (1) the Council of State, by resolution, approves the execution and delivery of the financing contract, which resolution shall set forth (i) the not to exceed term or final maturity of the financing contract, (ii) the not to exceed interest rate or rates (or the equivalent thereof) with respect to the financing contract, and (iii) the appropriate officers of the State to execute and deliver the financing contract and all other documentation relating to it, and (2) the State Treasurer approves the financing contract and all other documentation related to it, including any deed of trust, security agreement, trust agreement, or credit facility. The resolution of the Council of State shall include any other matters as the Council of State may determine.

Section 4.(b) In determining whether to approve a financing contract, the State Treasurer may consider any factors the State Treasurer considers relevant in order to find and determine all of the following:

(1) The principal amount to be advanced to the State under the financing contract is adequate and not excessive for the purpose of paying the cost of the Project.

(2) The increase, if any, in State revenues necessary to pay the sums to become due under the financing contract is not excessive.

(3) The financing contract can be entered into on terms desirable to the State.

(4) In the case of delivery of certificates of participation, the sale of certificates of participation will not have an adverse effect upon

any scheduled or proposed sale of obligations of the State or any State agency or of any unit of local government in the State.

Section 5. Security. -- (a) In order to secure the performance by the State of its obligations under a financing contract, the State may grant a lien on, or security interest in, all or any part of the Project or the land upon which the Project is or will be located.

Section 5.(b) No deficiency judgment may be rendered against the State or any agency, department, or commission of the State in any action for breach of any obligation contained in a financing contract entered into under this act or contained in any other related documentation, and the taxing power of the State or any agency, department, or commission of the State is not and may not be pledged directly or indirectly to secure any moneys due under a financing contract authorized by this act. In the event that the General Assembly does not appropriate funds sufficient to make payments required under the financing contract, the net proceeds received from the sale, lease, or other disposition of the Project or the site, or a portion of the Project or the site, subject to a lien or security interest created pursuant to subsection (a) of this section shall be applied to satisfy the payment obligations in accordance with the deed of trust, security agreement, or other documentation creating the lien or security interest. These net proceeds are appropriated for the purpose of making these payments. Any net proceeds in excess of the amount required to satisfy the obligations of the State under a financing contract or any other related documentation shall be paid to the State Treasurer for deposit to the General Fund of the State.

Section 5.(c) A financing contract shall not contain a nonsubstitution clause that restricts the right of the State to replace or provide a substitute for the Project.

Section 5.(d) A financing contract may include provisions requesting the Governor to submit in the Governor's budget proposal, or any amendments or supplements to the budget proposal, appropriations necessary to make the payments required under the financing contract.

Section 5.(e) A financing contract may contain any provisions for protecting and enforcing the rights and remedies of the entity advancing moneys or providing funds under the financing contract as may be reasonable, proper, and not in violation of law, including covenants setting forth the duties of the State in respect of the purposes to which the funds advanced under the financing contract may be applied and the duties of the State with respect to the Project, including, without limitation, provisions relating to insuring and maintaining the Project and to the custody, safeguarding, investment, and application of moneys.

Section 5.(f) The interest component of the installment payments to be made under a financing contract may be calculated based upon a fixed or variable interest rate or rates as determined by the State Treasurer.

Section 5.(g) If the State Treasurer determines that it is in the best interest of the State, the State may enter into, or arrange for the delivery of, a credit facility to secure payment of the installment payments under a financing contract or

to secure payment of the purchase price of any certificates of participation delivered as provided in this act.

Section 5.(h) The entity entering into a financing contract with the State and any other professionals providing services relating to the financing contract, including, without limitation, the provider of any credit facility and the underwriter or placement agent for any certificates of participation, shall be selected by the State Treasurer pursuant to a competitive bidding process or negotiated process as determined by the State Treasurer.

Section 6. Source of Repayment. -- (a) The payment of amounts payable by the State under a financing contract and other related documentation during any fiscal biennium or fiscal year shall be limited to funds appropriated for that purpose by the General Assembly in its discretion. No provision of this act and no financing contract shall be construed or interpreted as creating a pledge of the faith and credit of the State or any agency, department, or commission of the State within the meaning of any constitutional debt limitation.

Section 6.(b) It is the intent of the General Assembly that the payments due under a financing contract and any other related documentation shall be made from amounts appropriated to and deposited in the Wildlife Resources Fund pursuant to G.S. 143-250 and from funds appropriated to and deposited in the Wildlife Endowment Fund pursuant to G.S. 143-250.1, including investment earnings on these amounts, in each case to the extent the funds may be lawfully applied for this purpose. In the event that funds appropriated to and deposited in the Wildlife Resources Fund and the Wildlife Endowment Fund, including investment earnings on such amounts, are not sufficient to make these payments, the General Assembly is not obligated to appropriate additional funds necessary to make these payments. The General Assembly may, however, in its discretion, appropriate the additional funds.

Section 6.(c) A financing contract entered into pursuant to this act shall incorporate a statement which sets forth a description of the provisions of subsections (a) and (b) of this section.

Section 6.(d) Expenditures during each fiscal biennium or fiscal year from the Wildlife Resources Fund and the Wildlife Endowment Fund shall be administered by the Wildlife Resources Commission in such a manner so as to assure that sufficient amounts shall be available in the Wildlife Resources Fund and the Wildlife Endowment Fund to make the required payments under a financing contract and any other related documentation.

Section 7. Certificates of Participation. -- (a) If certificates of participation are delivered pursuant to this act, a special corporation shall be created for the purpose of entering into a financing contract and executing and delivering certificates of participation. The special corporation shall furnish to the State Treasurer any information and documentation relating to the delivery and sale of the certificates of participation that the State Treasurer requests.

Section 7.(b) Certificates of participation may be sold by the State Treasurer in the manner, either at public or private sale, and for any price or prices that the State Treasurer determines to be in the best interest of the State and to effect

the purposes of this act, except that the sale must be approved by the special corporation. Interest payable with respect to certificates of participation shall accrue at the rate or rates determined by the State Treasurer with the approval of the special corporation.

Section 7.(c) Certificates of participation may be delivered pursuant to a trust agreement with a corporate trustee approved by the State Treasurer. The corporate trustee may be any trust company or bank having the powers of a trust company within or without the State. A trust agreement may (i) provide for security and pledges and assignments with respect to the security as may be permitted under this act and further provide for the enforcement of any lien or security interest created pursuant to Section 5(a) of this act, and (ii) contain any provisions for protecting and enforcing the rights and remedies of the owners of any certificates of participation as may be reasonable, proper, and not in violation of law, as determined by the State Treasurer.

Section 8. Insurance. -- The State Treasurer may authorize, execute, obtain, or otherwise provide for bond insurance, credit facilities, interest rate swap agreements, and any other related instruments that the State Treasurer considers desirable in connection with the financing of a Project as provided in this act.

Section 9. Tax Exemption. -- A financing contract entered into under this act and any certificates of participation relating to it are exempt from all State, county, and municipal taxation or assessment, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, except for inheritance and gift taxes, income taxes on the gain from the transfer of the financing contract or certificates of participation, and franchise taxes. The interest component of the installment payments made by the State under the financing contract, including the interest component of any certificates of participation, is not subject to taxation as income.

Section 10. Public Contracts. -- The provisions of Articles 3 (Purchase and Contracts), 3B (Energy Conservation in Public Facilities), 3C (Contracts to Obtain Consultant Services), 3D (Procurement of Architectural, Engineering, and Surveying Services), and 8 (Public Contracts) of Chapter 143 of the General Statutes and any other laws, rules, or regulations of the State as relate to the acquisition and construction of State property apply to a Project. It is the intent of the General Assembly that the Office Project should be a sustainably designed facility.

Section 11. Interpretation of Act. -- (a) The foregoing sections of this act provide an additional and alternative method for the doing of the things authorized by the act, are supplemental and additional to powers conferred by other laws, and do not derogate any powers now existing.

Section 11.(b) References in this act to specific sections or Chapters of the General Statutes are intended to be references to those sections or Chapters as amended and as they may be amended from time to time by the General Assembly.

Section 11.(c) This act, being necessary for the health and welfare of the people of the State, shall be liberally construed to effect its purposes.

Section 11.(d) If any provision of this act or its application is held invalid, the invalidity does not affect other provisions or applications of this act that can be given effect without the invalid provisions or application, and to this end the provisions of this act are severable.

Section 12. Effective Date. -- This act is effective when it becomes law.

SENATE BILL 1477:
Finance New Wildlife Centers

BILL ANALYSIS

Committee:	Senate Finance	**Sponsor:**	Senator Kerr
Date:	June 5, 2000	**Analysis by:**	Martha H. Harris
Version:	First Edition		Staff Attorney

SUMMARY: ***Senate Bill 1477 authorizes the State to construct and finance two projects: a new, sustainably designed, office building and Wildlife Education Center for the Wildlife Resources Commission, to be located in Raleigh, and a new Eastern Wildlife Education Center, to be located in Currituck County. The projects would be financed with one or two installment purchase contracts under which the State would borrow up to $13.5 million for the Raleigh project and up to $4 million for the Currituck County project. Repayment of the debt would be secured by a lien on the building, land, or both.***

Senate Bill 1477 would authorize the construction of two projects: a new office building and Wildlife Education Center for the Wildlife Resources Commission in Raleigh and a new Eastern Wildlife Education Center in Currituck County. The Raleigh project would include the 63,000 square foot building, related furnishings and equipment, and parking facilities, and would be located on the Centennial Campus of North Carolina State University. The land would be leased from the Centennial Campus under a long-term lease.

The Eastern Wildlife Education Center project, which is being promoted in cooperation with the Whalehead Historic Preservation Trust and the Currituck Wildlife Guild, would be located on land that is adjacent to the Currituck Beach Lighthouse and the historic Whalehead Club and is available at no cost from Currituck County. The Eastern Wildlife Education Center would provide educational programs and teacher workshops, and would also include a museum to interpret the region's natural history and natural resources. The project would include the 19,800 square foot building, related furnishings and equipment, and parking lots.

These two projects would be financed with one or more installment purchase financing contracts. Under such a contract, the State would borrow up to $13.5 million for the Raleigh project and up to $4 million for the Eastern Wildlife Education Center. The amounts borrowed would be repaid with interest in installments over a period of 20 to 25 years. The debt would be tax-exempt. The repayments would be made not from the General Fund but with funds available to the Wildlife Resources Commission from the Wildlife Resources Fund[1] and the Wildlife Endowment Fund[2].

The debt would be secured by a security interest in the buildings, the land, or both. There would be no pledge of the State's taxing power or full faith and credit. Thus, voter approval is not necessary for the borrowing. If the Wildlife Resources Commission defaulted on its repayments, the buildings could be disposed of to generate funds to satisfy the debt. Under the bill, the funds could be borrowed either from a single entity or by the sale of certificates of participation. A certificate of participation represents the holder's undivided interest in the right to receive the installment payments to be made by the State. If certificates of participation are issued, a nonprofit corporation will have to be created to facilitate the financing.

Before a financing contract could be entered into, it would have to be approved by the Council of State. The Council of State would, by resolution, set the maximum interest rate and the maximum number of years over which the debt would be repaid. In addition, the State Treasurer must approve the financing, finding that the

[1] The Wildlife Resources Fund consists of revenues derived from hunting, fishing, and related license fees, other than commercial fishing license fees. The fund and its earnings are designated for the purposes of the Wildlife Resources Commission. G.S. 143-250.

[2] The Wildlife Endowment Fund consists of the proceeds from the sale of lifetime licenses as well as gifts and grants. The Fund is a special trust fund to support wildlife conservation programs. The earnings of the fund may be spent for this purpose, while the principle is to be preserved. G.S. 143-250.1.

amount to be borrowed is adequate and not excessive and will not require an excessive increase in any State revenues to provide for repayment.

It is intended that the Raleigh facility will be sustainably designed, i.e., the building and surrounding environ will be designed using features that are energy efficient, incorporate reusable and renewable resources, provide natural lighting, are nontoxic, require low maintenance, are congruent with the natural characteristics of the site, and cause minimum adverse impact to the environment.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Wildlife Resources Commission

EFFECTIVE DATE: The act is effective when it becomes law.

BILL SUMMARY: This bill authorizes the Wildlife Resources Commission (WRC) to enter into a financing contract for $13.5 million for the purposes of constructing a WRC administration building and resources center to be located on the Centennial Campus of North Carolina State University. The bill also authorizes the WRC to finance $4 million for the construction of a new eastern wildlife education center to be located in Currituck County.

ASSUMPTIONS AND METHODOLOGY: The construction financing costs authorized by this bill have no general fund impact, but rather are borne entirely by the Wildlife Resources Commission. The WRC expects to fund the construction of the new administration and education center and the eastern wildlife education center internally, with currently unbudgeted funds.

The anticipated yearly loan payment cost of the $13.5 million administration and education facility at 5.1% for 25 years is $956,495. The annual loan payment for the $4 million eastern wildlife center given the same loan term and interest rate is $283,406.

Loan Terms

Estimated Cost of Building	$13,500,000	$4,000,000
Loan Term	25 years	25 years
Current Variable Interest Rate for Tax-Exempt Loans	5.10%	5.10%
Estimated Yearly Loan Payment	$956,495	$283,406

Funding for the yearly estimated loan payment comes from four revenue sources within the WRC. These revenues are outlined in the following table:

Available Funding Sources	WRC Adm. & Educ. Ctr.	Eastern NC Educ. Ctr.
(1) Current Lease Expense	$375,000	
(2) Short Term Interest (STIF) Earned on Wildlife Fund	$470,000	
(3) Sales Tax	$111,495	
(4) Endowment Fund Interest		$283,406
Estimated Yearly Loan Payments	$956,495	$283,406

1) The current WRC lease expense is supported by receipts collected from the sale of hunting and fishing licenses. Monies that are currently allocated toward rent payments would be allocated toward loan payments for the WRC administration center upon the passing of this bill. Therefore, the cost of hunting and fishing licenses to NC residents would be unaffected by this legislation.
2) The Wildlife Fund earns interest in the short term investment fund (STIF) at the Office of the State Treasurer. The projected annual revenue from this fund is approximately $572,000. Of this projected revenue, $470,000 is currently unbudgeted and could be directed towards yearly loan payments on the WRC administration center.
3) Under G.S. 105-633.44B, the Wildlife Fund earns a percentage of the state sales and use tax each year. $111,495 of the Fund balance would be appropriated towards making yearly loan payments for the WRC administration center upon the passing of this bill.
4) The Wildlife Endowment Fund earns interest in the long term investment fund (LTIF) at the Office of the State Treasurer. The estimated monthly interest earned is approximately $259,000 or $3.1 million per year. Each year the commissioners approve one time expenditures from the fund for approved wildlife projects. Receipts from the interest earned on the endowment fund are not currently budgeted, and could be directed toward payment of the eastern wildlife education center yearly loan payment.

Estimates on the construction costs of the two facilities were made using the Office of State Construction guidelines so that the potential for additional construction expenditures were taken into account. But if the projects were to go over budget, WRC staff are confident that the Endowment Fund interest would cover extra costs, and no additonal appropriations would be requested.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR A NEW, SUSTAINABLY DESIGNED, STATE OFFICE BUILDING AND WILDLIFE EDUCATION CENTER WITH RELATED PARKING FACILITIES, TO BE USED BY THE WILDLIFE RESOURCES COMMISSION, PURSUANT TO AN INSTALLMENT FINANCING CONTRACT IN A PRINCIPAL AMOUNT NOT TO EXCEED THIRTEEN MILLION FIVE HUNDRED THOUSAND DOLLARS, AND TO PROVIDE FOR A NEW EASTERN WILDLIFE EDUCATION CENTER WITH RELATED PARKING FACILITIES, TO BE ADMINISTERED BY THE WILDLIFE RESOURCES COMMISSION, PURSUANT TO AN INSTALLMENT FINANCING CONTRACT IN A PRINCIPAL AMOUNT NOT TO EXCEED FOUR MILLION DOLLARS.

The General Assembly of North Carolina enacts:

Section 1. Authorization of Projects. -- (a) Raleigh Wildlife Center. -- The Department of Administration is authorized to acquire, construct, and equip a new State administrative office building and wildlife education center, and related parking facilities, to be located on the Centennial Campus of North Carolina State University at Raleigh, in the City of Raleigh, North Carolina, to be used by the Wildlife Resources Commission. Title to these facilities shall be held in the name of the State. The cost of acquiring, constructing, and equipping these facilities shall be financed as provided in this act.

Section 1.(b) Eastern Wildlife Education Center. -- The Department of Administration is authorized to acquire, construct, and equip a new State wildlife

education center, and related parking facilities, to be located in Currituck County and to be administered by the Wildlife Resources Commission. Title to these facilities shall be held in the name of the State. The cost of acquiring, constructing, and equipping these facilities shall be financed as provided in this act.

Section 2. Definitions. -- Unless a different meaning is required by the context, the following definitions apply in this act:

(1) "Certificates of participation" means certificates or other instruments delivered by a special corporation as provided in this act evidencing the assignment of proportionate and undivided interests in the rights to receive installment payments to be made by the State pursuant to a financing contract.

(2) "Cost" includes all of the following, without limiting or restricting any proper definition of this term in financing the cost of a Project as authorized by this act:

a. The cost of acquiring, constructing, and equipping the Project, including the acquisition of rights-of-way, easements, franchises, equipment, furnishings, and other interests in real or personal property acquired or used in connection with the Project.

b. The cost of engineering, architectural, and other consulting services as may be required.

c. Finance charges, reserves for installment payments and interest prior to and during construction and, if considered advisable by the State Treasurer, for a period not exceeding two years after the estimated date of completion of construction.

d. Administrative expenses and charges.

e. The cost of bond insurance, credit and liquidity facilities, interest rate swap agreements, financial and legal consultants, and related costs of financing the Project or delivering and selling certificates of participation, to the extent and as determined by the State Treasurer.

f. The cost of reimbursing the State for any payments made for any cost described above.

g. Any other costs and expenses necessary or incidental to the purposes of this act.

(3) "Credit facility" means an agreement that:

a. Is entered into by the State with a bank, savings and loan association, or other banking institution, an insurance company, reinsurance company, surety company or other insurance institution, a corporation, investment banking firm or other investment institution, or any financial institution or other similar provider of a credit facility, which provider

may be located within or without the United States of America; and

b. Provides for prompt payment of all or any part of the principal or purchase price (whether at maturity, presentment or tender for purchase, redemption, or acceleration), redemption premium, if any, and interest with respect to any financing contract or certificates of participation in consideration of the State agreeing to repay the provider of the credit facility in accordance with the terms and provisions of the agreement.

(4) "Department of Administration" means the North Carolina Department of Administration, created by Article 36 of Chapter 143 of the General Statutes, or should the Department of Administration be abolished or otherwise divested of its functions under this act, the public body succeeding it in its principal functions, or upon which are conferred by law the rights, powers, and duties given by this act to the Department of Administration.

(5) "Eastern Wildlife Education Center Project" means the (i) new State wildlife education center to be located in Currituck County, and related parking facilities, and (ii) equipment and furnishings related to the center and parking facilities.

(6) "Financing contract" means an installment financing contract entered into pursuant to the provisions of this act to finance the cost of a Project.

(7) "Office Project" means the (i) new State administrative office building and wildlife education center to be located in Raleigh, and related parking facilities, and (ii) equipment and furnishings related to the building, center, and parking facilities.

(8) "Project" means the Eastern Wildlife Education Center Project, the Office Project, or both.

(9) "Special corporation" means a nonprofit corporation created under Chapter 55A of the General Statutes for the purpose of delivering any certificates of participation provided by this act.

(10) "State" means the State of North Carolina.

(11) "Sustainably designed facility" means a building and surrounding environs designed using features that are energy efficient, incorporate reuseable and renewable resources, provide natural lighting, are nontoxic, require low maintenance, are congruent with the natural characteristics of the site, and cause minimum adverse impact to the environment.

(12) "Wildlife Resources Commission" means the North Carolina Wildlife Commission, created by Article 24 of Chapter 143 of the General Statutes, or should the North Carolina Wildlife Resources Commission be abolished or otherwise divested of its functions

under this act, the public body succeeding it in its principal functions, or upon which are conferred by law the rights, powers, and duties given by this act to the North Carolina Wildlife Resources Commission.

Section 3. Authorization of Financing Contracts. -- (a) The State, with the prior approval of the Council of State and the State Treasurer as provided in this act, is authorized to execute and deliver a financing contract in a principal amount not to exceed thirteen million five hundred thousand dollars ($13,500,000) in order to provide funds to the Department of Administration and the Wildlife Resources Commission to be used, together with any other available funds, to pay the cost of the Office Project.

Section 3.(b) The State, with the prior approval of the Council of State and the State Treasurer as provided in this act, is authorized to execute and deliver a financing contract in a principal amount not to exceed four million dollars ($4,000,000) in order to provide funds to the Department of Administration and the Wildlife Resources Commission to be used, together with any other available funds, to pay the cost of the Eastern Wildlife Education Center Project.

Section 3.(c) If the State determines that it is in its best interest to do so, the State may enter into one financing contract to finance both of the Projects described in subsections (a) and (b) of this section. The principal amount of the financing contract shall not, however, exceed seventeen million five hundred thousand dollars ($17,500,000).

Section 4. Approval Required. -- (a) A financing contract may not be entered into pursuant to this act unless prior to entering into the financing contract (1) the Council of State, by resolution, approves the execution and delivery of the financing contract, which resolution shall set forth (i) the not to exceed term or final maturity of the financing contract, (ii) the not to exceed interest rate or rates (or the equivalent thereof) with respect to the financing contract, and (iii) the appropriate officers of the State to execute and deliver the financing contract and all other documentation relating to it, and (2) the State Treasurer approves the financing contract and all other documentation related to it, including any deed of trust, security agreement, trust agreement, or credit facility. The resolution of the Council of State shall include any other matters as the Council of State may determine.

Section 4.(b) In determining whether to approve a financing contract, the State Treasurer may consider any factors the State Treasurer considers relevant in order to find and determine all of the following:

(1) The principal amount to be advanced to the State under the financing contract is adequate and not excessive for the purpose of paying the cost of the Project.

(2) The increase, if any, in State revenues necessary to pay the sums to become due under the financing contract is not excessive.

(3) The financing contract can be entered into on terms desirable to the State.

(4) In the case of delivery of certificates of participation, the sale of certificates of participation will not have an adverse effect upon any scheduled or proposed sale of obligations of the State or any State agency or of any unit of local government in the State.

Section 5. Security. -- (a) In order to secure the performance by the State of its obligations under a financing contract, the State may grant a lien on, or security interest in, all or any part of the Project or the land upon which the Project is or will be located.

Section 5.(b) No deficiency judgment may be rendered against the State or any agency, department, or commission of the State in any action for breach of any obligation contained in a financing contract entered into under this act or contained in any other related documentation, and the taxing power of the State or any agency, department, or commission of the State is not and may not be pledged directly or indirectly to secure any moneys due under a financing contract authorized by this act. In the event that the General Assembly does not appropriate funds sufficient to make payments required under the financing contract, the net proceeds received from the sale, lease, or other disposition of the Project or the site, or a portion of the Project or the site, subject to a lien or security interest created pursuant to subsection (a) of this section shall be applied to satisfy the payment obligations in accordance with the deed of trust, security agreement, or other documentation creating the lien or security interest. These net proceeds are appropriated for the purpose of making these payments. Any net proceeds in excess of the amount required to satisfy the obligations of the State under a financing contract or any other related documentation shall be paid to the State Treasurer for deposit to the General Fund of the State.

Section 5.(c) A financing contract shall not contain a nonsubstitution clause that restricts the right of the State to replace or provide a substitute for the Project.

Section 5.(d) A financing contract may include provisions requesting the Governor to submit in the Governor's budget proposal, or any amendments or supplements to the budget proposal, appropriations necessary to make the payments required under the financing contract.

Section 5.(e) A financing contract may contain any provisions for protecting and enforcing the rights and remedies of the entity advancing moneys or providing funds under the financing contract as may be reasonable, proper, and not in violation of law, including covenants setting forth the duties of the State in respect of the purposes to which the funds advanced under the financing contract may be applied and the duties of the State with respect to the Project, including, without limitation, provisions relating to insuring and maintaining the Project and to the custody, safeguarding, investment, and application of moneys.

Section 5.(f) The interest component of the installment payments to be made under a financing contract may be calculated based upon a fixed or variable interest rate or rates as determined by the State Treasurer.

Section 5.(g) If the State Treasurer determines that it is in the best interest of the State, the State may enter into, or arrange for the delivery of, a credit facility to secure payment of the installment payments under a financing contract or to secure payment of the purchase price of any certificates of participation delivered as provided in this act.

Section 5.(h) The entity entering into a financing contract with the State and any other professionals providing services relating to the financing contract, including, without limitation, the provider of any credit facility and the underwriter or placement agent for any certificates of participation, shall be selected by the State Treasurer pursuant to a competitive bidding process or negotiated process as determined by the State Treasurer.

Section 6. Source of Repayment. -- (a) The payment of amounts payable by the State under a financing contract and other related documentation during any fiscal biennium or fiscal year shall be limited to funds appropriated for that purpose by the General Assembly in its discretion. No provision of this act and no financing contract shall be construed or interpreted as creating a pledge of the faith and credit of the State or any agency, department, or commission of the State within the meaning of any constitutional debt limitation.

Section 6.(b) It is the intent of the General Assembly that the payments due under a financing contract and any other related documentation shall be made from amounts appropriated to and deposited in the Wildlife Resources Fund pursuant to G.S. 143-250 and from funds appropriated to and deposited in the Wildlife Endowment Fund pursuant to G.S. 143-250.1, including investment earnings on these amounts, in each case to the extent the funds may be lawfully applied for this purpose. In the event that funds appropriated to and deposited in the Wildlife Resources Fund and the Wildlife Endowment Fund, including investment earnings on such amounts, are not sufficient to make these payments, the General Assembly is not obligated to appropriate additional funds necessary to make these payments. The General Assembly may, however, in its discretion, appropriate the additional funds.

Section 6.(c) A financing contract entered into pursuant to this act shall incorporate a statement which sets forth a description of the provisions of subsections (a) and (b) of this section.

Section 6.(d) Expenditures during each fiscal biennium or fiscal year from the Wildlife Resources Fund and the Wildlife Endowment Fund shall be administered by the Wildlife Resources Commission in such a manner so as to assure that sufficient amounts shall be available in the Wildlife Resources Fund and the Wildlife Endowment Fund to make the required payments under a financing contract and any other related documentation.

Section 7. Certificates of Participation. -- (a) If certificates of participation are delivered pursuant to this act, a special corporation shall be created for the purpose of entering into a financing contract and executing and delivering certificates of participation. The special corporation shall furnish to the State Treasurer any information and documentation relating to the delivery and sale of the certificates of participation that the State Treasurer requests.

Section 7.(b) Certificates of participation may be sold by the State Treasurer in the manner, either at public or private sale, and for any price or prices that the State Treasurer determines to be in the best interest of the State and to effect the purposes of this act, except that the sale must be approved by the special corporation. Interest payable with respect to certificates of participation shall accrue at the rate or rates determined by the State Treasurer with the approval of the special corporation.

Section 7.(c) Certificates of participation may be delivered pursuant to a trust agreement with a corporate trustee approved by the State Treasurer. The corporate trustee may be any trust company or bank having the powers of a trust company within or without the State. A trust agreement may (i) provide for security and pledges and assignments with respect to the security as may be permitted under this act and further provide for the enforcement of any lien or security interest created pursuant to Section 5(a) of this act, and (ii) contain any provisions for protecting and enforcing the rights and remedies of the owners of any certificates of participation as may be reasonable, proper, and not in violation of law, as determined by the State Treasurer.

Section 8. Insurance. -- The State Treasurer may authorize, execute, obtain, or otherwise provide for bond insurance, credit facilities, interest rate swap agreements, and any other related instruments that the State Treasurer considers desirable in connection with the financing of a Project as provided in this act.

Section 9. Tax Exemption. -- A financing contract entered into under this act and any certificates of participation relating to it are exempt from all State, county, and municipal taxation or assessment, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, except for inheritance, estate, and gift taxes, income taxes on the gain from the transfer of the financing contract or certificates of participation, and franchise taxes. The interest component of the installment payments made by the State under the financing contract, including the interest component of any certificates of participation, is not subject to taxation as income.

Section 10. Public Contracts. -- The provisions of Articles 3 (Purchase and Contracts), 3B (Energy Conservation in Public Facilities), 3C (Contracts to Obtain Consultant Services), 3D (Procurement of Architectural, Engineering, and Surveying Services), and 8 (Public Contracts) of Chapter 143 of the General Statutes and any other laws, rules, or regulations of the State as relate to the acquisition and construction of State property apply to a Project. It is the intent of the General Assembly that the Office Project should be a sustainably designed facility.

Section 11. Interpretation of Act. -- (a) The foregoing sections of this act provide an additional and alternative method for the doing of the things authorized by the act, are supplemental and additional to powers conferred by other laws, and do not derogate any powers now existing.

Section 11.(b) References in this act to specific sections or Chapters of the General Statutes are intended to be references to those sections or Chapters as amended and as they may be amended from time to time by the General Assembly.

Section 11.(c) This act, being necessary for the health and welfare of the people of the State, shall be liberally construed to effect its purposes.

Section 11.(d) If any provision of this act or its application is held invalid, the invalidity does not affect other provisions or applications of this act that can be given effect without the invalid provisions or application, and to this end the provisions of this act are severable.

Section 12. Effective Date. -- This act is effective when it becomes law.

HOUSE BILL 1494*

Short Title: Town of Laurel Park Charter. (Local)

Sponsors: Representative Justus.

Referred to: Finance.

May 9, 2000

A BILL TO BE ENTITLED

AN ACT TO REVISE AND CONSOLIDATE THE CHARTER OF THE TOWN OF LAUREL PARK.

The General Assembly of North Carolina enacts:

Section 1. The Charter of the Town of Laurel Park is revised and consolidated to read as follows:

"THE CHARTER OF THE TOWN OF LAUREL PARK.

"ARTICLE I. INCORPORATION, CORPORATE POWERS, AND BOUNDARIES.

"Section 1.1. **Incorporation.** The Town of Laurel Park, North Carolina, in Henderson County and the inhabitants thereof shall continue to be a municipal body politic and corporate, under the name of the 'Town of Laurel Park', hereinafter at times referred to as the 'Town'.

"Section 1.2. **Powers.** The Town shall have and may exercise all of the powers, duties, rights, privileges, and immunities conferred upon the Town of Laurel Park specifically by this Charter or upon municipal corporations by general law. The term 'general law' is employed herein as defined in G.S. 160A-1.

"Section 1.3. **Corporate Limits.** The corporate limits shall be those existing at the time of ratification of this Charter, as set forth on the official map of the Town and as they may be altered from time to time in accordance with law. An official map of the Town, showing the current municipal boundaries, shall be maintained permanently in the office of the Town Clerk and shall be available for public inspection. Upon alteration of the corporate limits pursuant to law, the appropriate changes to the official map shall be made and copies shall be filed in the office of the

Secretary of State, the office of the Henderson County Register of Deeds, and the appropriate board of elections.

"ARTICLE II. GOVERNING BODY.

"Section 2.1. **Town Governing Body; Composition.** The Town Council hereinafter referred to as the 'Council', and the Mayor shall be the governing body of the Town.

"Section 2.2. **Town Council; Composition; Terms of Office.** The Council shall be composed of four members to be known as Commissioners, to be elected by all the qualified voters of the Town, for staggered terms of four years or until their successors are elected and qualified.

"Section 2.3. **Mayor; Term of Office Duties.** The Mayor shall be elected by all the qualified voters of the Town for a term of four years or until his or her successor is elected and qualified. The Mayor shall be the official head of the Town government and preside at meetings of the Council, shall have the right to vote only when there is an equal division on any question or matter before the Council, and shall exercise the powers and duties conferred by law or as directed by the Council.

"Section 2.4. **Mayor Pro Tempore.** The Council shall elect one of its members as Mayor Pro Tempore to perform the duties of the Mayor during his or her absence or disability, in accordance with general law. The Mayor Pro Tempore shall serve in such capacity at the pleasure of the Council.

"Section 2.5. **Meetings.** In accordance with general law, the Council shall establish a suitable time and place for its regular meetings. Special and emergency meetings may be held as provided by general law.

"Section 2.6. **Quorum; Voting.** Official actions of the Council and all votes shall be taken in accordance with the applicable provisions of general law, particularly G.S. 160A-75. The quorum provisions of G.S. 160A-74 shall apply.

"Section 2.7. **Compensation; Qualifications for Office; Vacancies.** The compensation and qualifications of the Mayor and Commissioners shall be in accordance with general law. Vacancies shall be filled as provided in G.S. 160A-63.

"ARTICLE III. ELECTIONS.

"Section 3.1. **Regular Municipal Elections.** Regular municipal elections shall be held in each odd-numbered year in accordance with the uniform municipal election laws of North Carolina. Elections shall be conducted on a nonpartisan basis and the results determined using the nonpartisan plurality method as provided in G.S. 163-292.

"Section 3.2. **Election of Mayor.** A Mayor shall be elected in the regular municipal election in 2003 and each four years thereafter.

"Section 3.3. **Election of Commissioners.** Except for the filing of vacancies as provided for in G.S. 160A-63, two Commissioners shall be elected at the regular municipal election in 2001 and every four years thereafter and two Commissioners shall be elected at the regular municipal election in 2003 and every four years thereafter. In the regular municipal election in 2001, and in each regular municipal election thereafter, persons shall be elected to serve four-year terms in those positions whose terms are then expiring.

"Section 3.4. **Special Elections and Referenda.** Special elections and referenda may be held only as provided by general law or applicable local acts of the General Assembly.

"ARTICLE IV. TOWN MANAGER.

"Section 4.1. **Form of Government.** The Town shall operate under the Council-Manager form of government, in accordance with Part 2 of Article 7 of Chapter 160A of the General Statutes.

"Section 4.2. **Town Manager; Appointment; Powers and Duties.** The Council shall appoint a Town Manager who shall be responsible for the administration of all departments of the Town government. The Town Manager shall have all the powers and duties conferred by general law, except as expressly limited by the provisions of this Charter, and the additional powers and duties conferred by the Council, so far as authorized by general law.

"ARTICLE V. ADMINISTRATIVE OFFICERS AND EMPLOYEES.

"Section 5.1. **Town Attorney.** The Town Council shall appoint a Town Attorney licensed to practice law in North Carolina. It shall be the duty of the Town Attorney to represent the Town, advise Town officials, and perform other duties required by law or as the Council may direct.

"Section 5.2. **Town Clerk.** The Town Manager shall appoint a Town Clerk to keep a journal of the proceedings of the Council, to maintain official records and documents, to give notice of meetings, and to perform such other duties required by law or as the Town Manager may direct. The Town Manager may appoint one or more Assistants and/or Deputy Town Clerks.

"Section 5.3. **Tax Collector.** The Town shall have a Tax Collector to collect all taxes owed to the Town and perform those duties specified in G.S. 105-350 and such other duties as prescribed by law or assigned by the Town Manager. Notwithstanding the contrary provisions of G.S 105-349, the Town Manager is authorized to appoint the Tax Collector and one or more Deputy Tax Collectors.

"Section 5.4. **Other Administrative Officers and Employees.** The Council may authorize other positions to be filled by appointment by the Town Manager and may organize the Town government as deemed appropriate, subject to the requirements of general law.

"Section 5.5. **Manager's Authority; Role of Elected Officials.** As chief administrator, the Town Manager shall have the power to appoint, suspend, and remove all nonelected officers, department heads, and employees of the Town, except the Town Attorney, who shall be appointed as provided in Section 5.1 of this Charter. Neither the Mayor nor the Town Council nor any of its committees or members shall take part in the appointment or removal of officers, department heads, and employees in the administrative service of the Town, except as provided by this Charter. Except for the purpose of inquiry, or for consultation with the Town Attorney, the Mayor and the Town Council and its members shall deal with officers and employees in the administrative service of the Town only through the Town Manager, Acting Manager, or Interim Manager, and neither the Mayor nor the

Council nor any of its members shall give orders or directions to any subordinate of the Town Manager, Acting Manager, or Interim Manager, either publicly or privately.

"ARTICLE VI. ANNEXATION AGREEMENTS.

"Section 6.1. **Annexation and Payment in Lieu of Tax Agreements.** The authority of the Town to enter into annexation and payment in lieu of tax agreements shall continue as authorized by Chapter 188, Session Laws of 1997, and any subsequent acts."

Section 2. The purpose of this act is to revise the Charter of the Town of Laurel Park and to consolidate certain acts concerning the property, affairs, and government of the Town. It is intended to continue without interruption those provisions of prior acts which are expressly consolidated into this act, so that all rights and liabilities which have accrued are preserved and may be enforced.

Section 3. This act does not repeal or affect any acts concerning the property, affairs, or government of public schools or any acts validating official actions, proceedings, contracts, or obligations of any kind.

Section 4. The following acts, having served the purposes for which they were enacted or having been consolidated into this act, are expressly repealed:

Chapter 100, Private Laws of 1925, except for Section 7
Chapter 108, Private Laws of 1925
Chapter 103, Private Laws of 1927
Chapter 174, Private Laws of 1933
Chapter 204, Private Laws of 1935
Chapter 262, Private Laws of 1935
Chapter 622, Session Laws of 1947
Chapter 95, Session Laws of 1961
Chapter 348, Session Laws of 1987
Chapter 336, Session Laws of 1989
Chapter 878, Session Laws of 1989
Chapter 559, Session Laws of 1991.

Section 5. The Mayor and Commissioners serving on the date of ratification of this act shall serve until the expiration of their terms or until their successors are elected and qualified. Thereafter those offices shall be filled as provided in Articles II and III of the Charter contained in Section 1 of this act.

Section 6. This act does not affect any rights or interests which arose under any provisions repealed by this act.

Section 7. All existing ordinances, resolutions, and other provisions of the Town of Laurel Park not inconsistent with the provisions of this act shall continue in effect until repealed or amended.

Section 8. No action or proceeding pending on the effective date of this act by or against the Town or any of its departments or agencies shall be abated or otherwise affected by this act.

Section 9. If any provision of this act or application thereof is held invalid, such invalidity shall not affect other provisions or applications of this act

which can be given effect without the invalid provision or application, and to this end the provisions of this act are declared to be severable.

Section 10. Whenever a reference is made in this act to a particular provision of the General Statutes, and such provision is later amended, superseded, or recodified, the reference shall be deemed amended to refer to the amended law, or to the law which most clearly corresponds to the statutory provision which is superseded or recodified.

Section 11. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO ENABLE THE COUNTY OF CALDWELL, THE COUNTY OF BURKE, THE CITY OF LENOIR, AND THE CITY OF MORGANTON TO JOINTLY ESTABLISH AN AIRPORT AUTHORITY AND TO PROVIDE FOR THE JOINT MAINTENANCE AND CONTINUING OPERATION OF THE EXISTING AIRPORT NOW OPERATED BY THE MORGANTON-LENOIR AIRPORT AUTHORITY.

The General Assembly of North Carolina enacts:

Section 1. Creation. There is created the "Foothills Regional Airport Authority" (for brevity hereinafter referred to as the "Airport Authority") which, when duly established as provided for in this act, shall be both a body politic and corporate, having all of the following enumerated powers and jurisdiction as well as any other additional powers that may be conferred upon it by the general law and by act of the General Assembly.

Section 2. Joint Airport Established. The governing bodies of the County of Caldwell, the County of Burke, the City of Morganton, and the City of Lenoir, (jointly referred to as the "governing bodies") may jointly acquire, establish, construct, own, control, lease, equip, improve, maintain, operate, and regulate an airport or landing field for the use of airplanes and other aircraft and may use for these purposes any suitable property that is now or may at any time be jointly owned or controlled by those cities or counties or by the Airport Authority.

The Airport Authority authorized by this act shall be successor in interest to the Morganton-Lenoir Airport Authority and when it is established, the

Morganton-Lenoir Airport Authority shall cease to exist. As successor in interest, the Airport Authority shall be the beneficiary of, and shall be bound by all existing contracts, agreements, licenses, permits, loans, grants, appropriations, and gifts of any kind and shall be subject to all applicable rules and regulations issued by any regulatory body having jurisdiction over aeronautical activities.

Section 3. Authority Membership and Procedures.

(a) Membership. The Airport Authority shall consist of eight members who shall be residents of either Burke or Caldwell County and who shall be appointed for staggered terms as provided in this act. Each of the governing bodies shall appoint two members, one of which shall be an elected official.

(b) Term. The term for any member shall extend for a period of two years except that for the initial appointments to the Airport Authority, each governing body shall designate one appointment as a two-year term and one appointment as a one-year term. Thereafter all terms shall be for a full two years. Members may succeed themselves in office and may serve for more than one term.

All members of the Airport Authority shall continue to hold office until their successors have been appointed and are qualified by the taking of the oath of office.

(c) Oath. Each member shall take and subscribe to an oath of office before an official authorized to administer oaths before assuming duties.

(d) Vacancies. The governing body making the initial or any subsequent appointment of a member shall also have the right to fill any vacancy created by the resignation, removal, incapacity, or death of that member. A member appointed to fill a vacancy shall serve the unexpired term and shall be eligible for reappointment.

(e) Organizational Meeting. The Airport Authority shall hold an organizational meeting immediately after being established and each year thereafter. At the organizational meeting, the membership shall elect from its number a chairman and any other officers, may establish a regular meeting time and place, appoint standing committees and organize itself for the purpose of transacting business. An administrative secretary may be appointed for the purpose of maintaining records, keeping minutes and other administrative duties, and it shall not be required that such person be a member of the Airport Authority.

(f) Meetings. The Airport Authority shall hold regular meetings for the transaction of its business at a place and at times that the Authority determines appropriate. Special meetings may be held at any time when the chairman or any two members of the Airport Authority shall request a special meeting.

(g) Notice of Meetings. Proper notice for all meetings shall be given and the Airport Authority shall comply with all applicable requirements of Article 33C of Chapter 143 of the General Statutes commonly known as the "Open Meetings Law".

(h) Records. The Airport Authority shall keep a full record of its proceedings and minutes of its meetings showing the business transacted at each meeting.

(i) Quorum. A majority of the membership of the Airport Authority, excluding vacant seats, shall constitute a quorum for the transaction of business.

(j) Voting. No member shall be excused from voting except upon matters involving the consideration of his or her own financial interest or official conduct, and in all other cases a failure to vote by a member who is physically present or who has withdrawn without being excused by a majority vote of the remaining members present shall be recorded as an affirmative vote.

(k) Approval. An affirmative vote equal to a majority of all the members present at which a quorum of the Airport Authority is also present and not excused from voting on a matter shall be required to take action.

(l) Bylaws. The Airport Authority may adopt suitable bylaws for its management and may establish committees and advisory boards as it deems expedient.

(m) Removal. A member may be removed from the Airport Authority by the governing body making the original appointment, but no member shall be removed except for good cause.

Section 4. Liability. Members of the Airport Authority shall not be personally liable for their acts as members of the Airport Authority, except for acts resulting from misfeasance or malfeasance.

Section 5. Powers. (a) The Airport Authority shall be and constitute a body politic and corporate and as such shall have the following powers and authority:

(1) To purchase, acquire, establish, construct, own, control, lease, equip, improve, maintain, operate, and regulate airports and landing fields for the use of airplanes and other aircraft and to engage in other lawful aeronautical activities.

The Airport Authority may exercise these powers alone or in conjunction with its participating governing bodies.

(2) To purchase, improve, own, hold, lease (as lessor or lessee), mortgage, issue deeds of trust, grant security interests in, or operate real or personal property of every kind.

(3) To engage in economic development activities including the development, division and redivision of surplus property (property that is not necessary for the operation of the airport) as an industrial and/or commercial park or the sale of such property for industrial and/or commercial uses, but shall not be sold for investment and speculative purposes.

(4) To sue and to be sued in the name of the Airport Authority, to make contracts and to hold any personal property necessary for the exercise of the powers of the Airport Authority, and to acquire by purchase, lease, or otherwise any existing lease, leasehold right, or any other interest in any existing airport, specifically including the Morganton-Lenoir Airport.

(5) To charge and collect reasonable and adequate fees and rents for the use of airport property and for services rendered in the operation of the airport.

(6) To make all reasonable rules and regulations deemed necessary for the proper maintenance, use, operation and control of the airport, including public safety, and provide penalties for the violation of its rules and regulations; provided, the rules and regulations and the schedule of fees are not in conflict with the laws of the State of North Carolina and any rules or regulations lawfully issued by the Federal Aviation Administration. The Airport Authority may administer and enforce any airport zoning regulations adopted by Burke County and Caldwell County.

(7) To issue notes and bonds pursuant to Article 5 of Chapter 159 of the General Statutes and purchase and finance the purchase of real or personal property by installment contracts and other means of indebtedness authorized by G.S. 160A-20.

(8) To sell, lease, and otherwise dispose of any property, real or personal, belonging to the Airport Authority, according to the procedures described in Article 12 of Chapter 160A of the General Statutes.

(9) To purchase any insurance that the Federal Aviation Administration or the Airport Authority shall deem necessary or expedient, and the Airport Authority shall be responsible for any and all insurance claims or liabilities.

(10) To deposit, invest and reinvest any of its funds as provided by the Local Government Finance Act, as it may be amended or superseded from time to time, for the deposit or reinvestment of unit funds.

(11) To purchase any of its outstanding bonds or notes.

(12) To operate, own, lease, control, regulate, or to grant to others, for a period not to exceed 20 years, the right to operate on any airport premises restaurants, snack bars, vending machines, food and beverage dispensing outlets, rental car services, catering services, novelty shops, insurance sales, advertising media, merchandising outlets, hotels, motels, barbershops, automobile parking and storage facilities, automobile service establishments, and all other types of facilities as may be directly or indirectly related to aeronautical activities or to the maintenance and furnishing to the general public of a complete air terminal installation.

(13) To contract with persons, firms, or corporations for terms not to exceed 20 years, for the operation of airline scheduled passenger and freight flights, nonscheduled flights, and any other aeronautical activities, including a fixed-base operator, provided such activities are not inconsistent with grant agreements under which the airport property is held.

(14) To erect and construct buildings, hangars, shops, and other improvements and facilities and to lease those improvements and

facilities for term or terms not to exceed 20 years; to borrow money for the use in making and paying for these improvements and facilities, secured by and on the credit only of the lease agreements in respect to these improvements and facilities and to pledge and assign the lease and the lease agreement as security for the authorized loans.

(15) Notwithstanding anything in this act to the contrary, to have all the same power and authority granted to cities and counties pursuant to Chapter 63 of the General Statutes.

(16) To acquire property by the exercise of eminent domain pursuant to Chapter 40A of the General Statutes as a local public condemnor, including specifically the provisions of G.S. 40A-42.

(17) To have a corporate seal which may be altered at will.

Section 5.(b) The Airport Authority shall not have the power to pledge the credit of, or issue debt binding on, Caldwell County, Burke County, the City of Morganton, or the City of Lenoir, nor impose any obligations on those bodies except as may be specifically consented to by the respective governing body by the adoption of a resolution or ordinance. The governing bodies (either collectively or singularly) shall not be liable for the debt and other obligations of the Airport Authority.

Section 6. Exemption From Taxes. The Airport Authority shall possess and have the same exemptions in respect to the payment of taxes and license fees as provided for municipal corporations by the laws of the State of North Carolina. The Airport Authority is also allowed a refund of sales and use taxes as provided in G.S. 105-164.14(c).

Section 7. Real and Personal Property. The Airport Authority may acquire from any of the participating governmental bodies, and the participating governing bodies may grant and convey, either by gift or for such consideration as the governing body may deem expedient, any real or personal property which it now owns or may hereafter acquire, all without compliance with Article 12 of Chapter 160A of the General Statutes.

Section 8. Public Purpose. Any lands acquired, owned, controlled, or occupied by the Airport Authority shall be and are hereby declared to be acquired, owned, controlled, and occupied for a public purpose.

Section 9. Other Grants. The Airport Authority may apply for, contract with, accept and expend loans, grants, and other appropriations from the Federal Aviation Administration, the State of North Carolina, or any other public or private body or agency.

Section 10. Appropriations. The City of Lenoir, the City of Morganton, the County of Burke, and the County of Caldwell may appropriate funds derived from any source including ad valorem taxes to carry out the provisions of this act in any proportion or upon any basis as each may determine is appropriate, and the Airport Authority may expend such funds for airport purposes and may pledge the credit of the Airport Authority to the extent of the appropriated funds but only in compliance with the terms and conditions attached to any such appropriation.

Section 11. Withdrawal. Except with the unanimous consent of the other governing bodies, a governing body may only withdraw from the Airport Authority by giving written notice to the other governing bodies at least five years in advance of the effective date of the withdrawal. The failure to appropriate its pro rata share of the operating and capital needs of the Airport Authority or to participate in the affairs of the Airport Authority by the appointment of its members, shall be deemed to be a withdrawal from the Airport Authority.

The withdrawal by any governing body with the consent of the remaining governing bodies shall be upon the terms and conditions as may be agreed upon; however, any withdrawal without consent shall be a forfeiture of all rights and claims against the Airport Authority and its assets and property except for property interests that may be specifically and separately titled to the withdrawing governing body.

Section 12. Dissolution. The Airport Authority shall not be dissolved nor shall the operation of the airport be terminated or suspended except with the consent of a majority three of the governing bodies. The consent authorizing the dissolution of the Airport Authority or the suspension and termination of aeronautical activities shall be in the form of a joint resolution to be presented and acted on by each of the governing bodies, and the resolution shall set forth in full detail the plan for the dissolution of the Airport Authority and the suspension and termination of aeronautical activities, including any plan for the sale of any remaining property, the payment of all debts and obligations and the application of the fund remaining after the payment of all debts and obligations.

Section 13. Effective Date of Airport Authority. The powers granted to the Airport Authority shall not be effective and the Airport Authority authorized by this act shall not be officially established until the adoption of an ordinance or resolution by each of the governing bodies named above approving the creation of the joint airport and appointing its members. Thereafter, however, the governing bodies shall be bound by the provisions of this act.

Section 14. Effective Date. This act is effective when it becomes law.

HOUSE BILL 1517:
Foothills Regional Airport Authority

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Rep. Buchanan
Date:	June 6, 2000	**Summary by:**	Karen Cochrane Brown
Version:	Second Edition		Committee Counsel

SUMMARY: ***House Bill 1571 authorizes the creation of the Foothills Regional Airport Authority and sets forth its powers and jurisdiction. The Second Edition clarifies that the Authority is allowed a refund of sales and use taxes as provided in G.S. 105-164.14(c).***

BILL ANALYSIS:

House Bill 1517 authorizes the governing bodies of Caldwell County, Burke County, Morganton and Lenoir, jointly, to establish the Foothills Regional Airport Authority as the successor in interest to the Morganton-Lenoir Airport Authority. Among the several powers conferred on the Airport Authority by the bill are the powers:

- To charge and collect fees and rents for the use of airport property and services.
- To issue notes and bonds pursuant to the State and Local Government Revenue Bond Act.
- To deposit, invest, and reinvest funds as provided by the Local Government Finance Act.
- To purchase any of its outstanding bonds or notes.

However, the Airport Authority may not pledge the credit of or issue debt binding on the four local governing bodies and the governing bodies shall not be liable for the debt or other obligations of the Airport Authority.

The four governing bodies are authorized to appropriate funds for the creation and operation of the Airport Authority and to set terms and conditions on the Airport Authority's use of the funds.

The Airport Authority does not become effective until each of the governing bodies adopts an ordinance or resolution approving its creation and appointing its members.

EFFECTIVE DATE: The act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE THAT AN ENTERPRISE TIER TWO AREA MAY NOT BE REDESIGNATED AS A HIGHER-NUMBERED TIER AREA UNTIL IT HAS BEEN AN ENTERPRISE TIER TWO AREA FOR TWO CONSECUTIVE YEARS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-129.3(c) reads as rewritten:

"(c) Exception for Enterprise Tier One and Two Areas. -- Notwithstanding the provisions of this section, a county designated as an enterprise tier one area or an enterprise tier two area may not be redesignated as a higher-numbered enterprise tier area until it has been ~~an~~ in its enterprise tier ~~one~~ area for at least two consecutive years."

Section 2. This act is effective when it becomes law and, notwithstanding G.S. 105-129.3(b), applies retroactively to designations for the 2000 and later calendar years.

REVENUES					
State General Fund	-	**-111,000**	**-233,000**	**-344,500**	**-456,000**

PRINCIPAL DEPARTMENTS AFFECTED: The tax credits are administered by the Department of Revenue. The Department of Commerce manages the credit application and verification process. The enactment of the bill will not affect the budget requirements of either department.

EFFECTIVE DATE: Applies to tier designations for the 2000 and later tax years.

ISSUE BACKGROUND: The Bill Lee Act is the package of state tax incentives that was first created in 1996 and has been modified in each subsequent year. For many of the credits the counties of the State are divided into five economic distress tiers based on the unemployment rate, per capita income, and population growth. In general, the lower the tier of a county, the more favorable the incentive.

BILL SUMMARY: The 1997 General Assembly modified the tier determination language to guarantee that a Tier 1 county must remain a Tier 1 county for a minimum of two years. **SB 1318 specifies that a Tier 2 county must remain a Tier 2 county for at least 2 years.**

ASSUMPTIONS AND METHODOLOGY: A review of the 1999 and 2000 tier listings indicates that for 2000 only one county (Rutherford) would be affected by the legislation. Since the tier determination process each fall uses the most recent available data for each of the three factors, it is impossible to know in advance how many counties will be affected in future years.

The calculation of the revenue impact started with the industrial recruitment "announcements" data by county from the Department of Commerce for 1993-98. For each announcement, it was assumed that 70% of the investment would be in machinery and equipment. The impact of the bill on the investment tax credit is to raise the threshold for eligible investments from $100,000 to $200,000. The threshold change eliminates a handful of investments and reduces the investment base for credit calculation purposes by $100,000 for the other investments.

The next step is to divide the 7% tax credit impact over the 7 year period required under the Bill Lee Act. The impact of the bill on the investment tax credit is relatively minor because most investments exceed the threshold amounts by a wide margin. Thus, the $100,000 increment is not a major factor.

For the jobs credit the industrial recruitment announcement data on jobs created was used. The data indicated an average of 420 new jobs per year during the test period. The impact of the bill on the jobs credit is to restore the $1,000 credit advantage of Tier 2 counties over Tier 3 ($4,000 credit versus $3,000). The credit change was then divided over a 4 year period as the Bill Lee Act requires.

The provisions have no impact on the 2000-01 fiscal year because the two credits are taken in the year after the investment and job creation activity take place.

HOUSE BILL 1544

Short Title: Refund Overpayment of Deed Stamp Tax. (Public)

Sponsors: Representatives Pope, Luebke, Allen, Gray, Hill, Jarrell, Miller, and Tucker.

Referred to: Finance.

May 16, 2000

A BILL TO BE ENTITLED

AN ACT TO CLARIFY THAT A TAXPAYER IS ENTITLED TO A REFUND OF AN OVERPAYMENT OF THE STATE EXCISE TAX ON CONVEYANCES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-228.35 reads as rewritten:

"**§ 105-228.35. Administrative provisions.**

~~The~~ Except as otherwise provided in this Article, the provisions of Article 9 of this Chapter apply to this Article."

Section 2. Article 8E of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-228.37. Refund of overpayment of tax.**

(a) Refund Request. -- A taxpayer who pays more tax than is due under this Article may request a refund of the overpayment by filing a written request for a refund with the board of county commissioners of the county where the tax was paid. The request must be filed within six months after the date the tax was paid and must explain why the taxpayer believes a refund is due.

(b) Hearing by County. -- A board of county commissioners must review a request for refund and must follow the time limitations set in G.S. 105-266.1 for holding a hearing and making a decision. If the board decides that a refund is due, it must refund the overpayment, together with any applicable interest, to the taxpayer. If the board finds that no refund is due, the written decision of the board must inform the taxpayer that the taxpayer may ask the Secretary to review the decision. The board must send the Secretary a copy of a decision on a request for refund.

(c) Review by Secretary. -- A taxpayer whose request for a refund is denied by a board of county commissioners may obtain a review of the board's decision by the Secretary. The request must be made in writing and must be filed within 30 days after the taxpayer receives the board's decision denying the refund. The Secretary must send the board of county commissioners a copy of the Secretary's decision made on the request. If the Secretary determines that a refund is due, the board of county commissioners must refund the overpayment, together with any applicable interest, to the taxpayer. A decision of the Secretary is binding on a board of county commissioners.

(d) Judicial Review. -- A taxpayer who disagrees with a decision of the Secretary may bring an action against the county and the State to recover the disputed overpayment. The action may be brought in the Superior Court of Wake County or in the superior court of the county where the tax was paid.

(e) Recording Correct Deed. -- Before a tax is refunded, the taxpayer must record a new instrument reflecting the correct amount of tax due. If no tax is due because an instrument was recorded in the wrong county, then the taxpayer must record a document stating that no tax was owed because the instrument being corrected was recorded in the wrong county. The taxpayer must include in the document the names of the grantors and grantees and the deed book and page number of the instrument being corrected.

When a taxpayer records a corrected instrument, the taxpayer must inform the register of deeds that the instrument being recorded is a correcting instrument. The taxpayer must give the register of deeds a copy of the decision granting the refund that shows the correct amount of tax due. The correcting instrument must include the deed book and page number of the instrument being corrected. The register of deeds must notify the county finance officer and the Secretary when the correcting instrument has been recorded.

(f) Interest. -- An overpayment of tax bears interest at the rate established in G.S. 105-241.1(i) from the date that interest begins to accrue. Interest begins to accrue on an overpayment 90 days after the tax was paid."

Section 3. Notwithstanding G.S. 105-228.37, as enacted by this act, a refund request filed by a taxpayer who paid the tax imposed by Article 8E of Chapter 105 of the General Statutes on or after July 1, 1997, and whose time limit for requesting a refund expires on or before August 1, 2000, is considered timely if the request is filed with the board of county commissioners by October 1, 2000.

Section 4. This act is effective when it becomes law, and applies retroactively to taxes paid on or after July 1, 1997.

HOUSE BILL 1544:
Refund Overpayment of Deed Stamp Tax

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Rep. Pope
Date:	June 6, 2000	**Summary by:**	Cindy Avrette, Committee Counsel. Staff Attorneys
Version:	1st Edition		

SUMMARY: ***House Bill 1544 establishes a procedure through which a taxpayer may request a refund of an overpayment of the State excise tax on conveyances. The bill is effective when it becomes law, and applies retroactively to July 1, 1997. The bill is a recommendation of the Revenue Laws Study Committee, and has been given a favorable report in House Finance.***

CURRENT LAW: The excise tax on conveyances, known as the deed stamp tax, is a State tax on instruments transferring an interest in real property. The register of deeds of the county in which the property is located collects the tax when the deed transferring the property is recorded. The person presenting the instrument for recording is responsible for indicating on the instrument the amount of tax due. The register of deeds must collect the tax due and mark on the instrument to indicate payment of the tax and the amount paid. The tax rate is $1.00 for each $500.00 (0.2%) of the value of the property conveyed. The county retains one-half of the net proceeds of the tax and remits the remaining one-half to the State. Seventy-five percent (75%) of the funds remitted to the State is dedicated to the Parks and Recreation Trust Fund created in G.S. 113-44.15 and 25% is dedicated to the Natural Heritage Trust Fund created in G.S. 113-77.7. None of the State's share of the deed stamp tax goes to the General Fund.

The current law does not provide a mechanism for a taxpayer to receive a refund of an overpayment of the tax paid. The administrative provisions in Article 9 of Chapter 105 apply to this tax. Under Article 9, a taxpayer must apply to the Secretary of Revenue for a refund of an overpayment of tax. However, the State excise tax is administered at the county level, as opposed to the State level. Therefore, the refund procedure in Article 9 does not work well for the deed stamp tax.

BILL ANALYSIS: House Bill 1544 provides that a taxpayer who pays more tax than is due may request a refund of the overpayment by filing a written request for a refund with the board of county commissioners of the county where the tax was paid. The request must be filed within six months after the date the tax was paid and it must explain why the taxpayer believes a refund is due. (If a taxpayer paid the tax on or after July 1, 1997 and his time limit for requesting a refund expires on or before August 1, 2000, then his request for a refund is timely if the request is filed by October 1, 2000.) There will probably be few instances where a refund is requested, since the taxpayer is responsible for indicating the amount of tax due. However, there are instances when an instrument is recorded in the wrong county. In those cases, no tax would be due in the county where the instrument was recorded and the taxpayer should be entitled to a refund of the tax paid.

The board of county commissioners must review a request for a refund. The board must hold a hearing on the request within 90 days after receiving it. The board must make its decision on the request within 90 days after the hearing and it must send a copy of its decision to the Secretary of

Revenue. If the board determines that a refund is due, it must refund the overpayment with interest to the taxpayer. If the board determines that a refund is not due, it must inform the taxpayer that the taxpayer may request the Secretary of Revenue to review the decision.

To obtain a review of the decision by the Secretary, the taxpayer must request a hearing in writing. The request must be filed within 30 days after the taxpayer receives the board of county commissioners' decision denying the refund. Like the board, the Secretary must review the request for a refund within 90 days after the Secretary receives the request. The Secretary must send the board a copy of the Secretary's decision. The Secretary's decision is binding on the board. If the Secretary determines that a refund is due, the board must refund the overpayment with interest to the taxpayer.

A taxpayer that disagrees with the Secretary's decision may bring an action against the county and the State to recover the disputed amount. The action may be brought in the Superior Court of Wake County or in the superior court of the county where the tax was paid.

Before the taxpayer may receive a refund, the taxpayer must record a new instrument indicating the correct amount of tax due. If no tax is due because the instrument was recorded in the wrong county, the taxpayer must record an instrument stating that no tax was owed and the reason why. Once the correcting instrument has been recorded, the Register of Deeds must notify the county finance officer and the Secretary of Revenue so that the overpayment may be refunded to the taxpayer. Like other State taxes, the overpayment bears interest at the rate established in G.S. 105-241.1. The interest begins to accrue on the overpayment 90 days after the tax was paid.

Local Government	Minimal Impact in Selected Counties				
EXPENDITURES					

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: North Carolina Department of Revenue, N.C. Department of Environment and Natural Resources, County Registers of Deeds, and County Boards of Commissioners.

EFFECTIVE DATE: The bill is effective when it becomes law and applies retroactively to taxes paid on or after July 1, 1997.

BILL SUMMARY:
This bill clarifies that a taxpayer can receive a refund of an overpayment of the Deed Stamp Tax. The act lays out the procedures to apply for such a refund, provides for refunds for overpayments dating back to July 1, 1997, and requires that the taxpayer be paid interest if the money is held more than 90 days before a refund is given.

BACKGROUND:
Under current law, a tax is levied when an interest in real property is transferred. A County Register of Deeds collects the tax rate of $1.00 for every $500.00 of value transferred. The county retains approximately 51% of these funds (50% plus an administrative allowance) and forwards the balance to the state. Seventy-five percent (75%) of the state funds are deposited in the Parks and Recreation Trust Fund and twenty-five percent (25%) is given to the Natural Heritage Trust Fund. No revenue is retained for the General Fund.

ASSUMPTIONS AND METHODOLOGY:

Taxpayers often file for a refund because either the deed is filed in the wrong county, or a taxpayer paid the tax on a transfer that was not subject to the tax. According to the Department of Revenue, Property Tax Division, some counties currently provide refunds when an error is made. Others do not.

The Department reports that in a typical year they see less than $2000 in requests for refunds. They have generally paid the taxpayer if they find that a refund is due. This year, however, one request was filed for a $160,000 refund ($80,000 state, $80,000 local). The state paid its portion of the refund, but the county continues to believe they do not have statutory authority to refund the balance. Some additional refunds may be issued as a result of the retroactive effective date. However, the fiscal impact on local governments is still expected to be very small. The retroactive date should have no fiscal impact on the state funds since the state generally offers the refund.

HOUSE BILL 1545

Short Title: Excise Tax on Timber Contracts. (Public)

Sponsors: Representatives Pope, Luebke, Allen, Gray, Hill, Jarrell, Miller, and Tucker.

Referred to: Rules, Calendar, and Operations of the House.

May 16, 2000

A BILL TO BE ENTITLED

AN ACT TO CLARIFY THAT THE EXCISE TAX ON CONVEYANCES APPLIES TO TIMBER DEEDS AND CONTRACTS FOR THE SALE OF STANDING TIMBER.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-228.30 reads as rewritten:

"**§ 105-228.30. (Effective July 1, 2000) Imposition of excise tax; distribution of proceeds.**

(a) An excise tax is levied on each instrument by which any interest in real property is conveyed to another person. The tax rate is one dollar ($1.00) on each five hundred dollars ($500.00) or fractional part thereof of the consideration or value of the interest conveyed. The transferor must pay the tax to the register of deeds of the county in which the real estate is located before recording the instrument of conveyance. If the instrument transfers a parcel of real estate lying in two or more counties, however, the tax must be paid to the register of deeds of the county in which the greater part of the real estate with respect to value lies.

The excise tax on instruments imposed by this Article applies to timber deeds and contracts for the sale of standing timber to the same extent as if these deeds and contracts conveyed an interest in real property.

(b) The register of deeds of each county must remit the proceeds of the tax levied by this section to the county finance officer. The finance officer of each county must credit one-half of the proceeds to the county's general fund and remit the remaining one-half of the proceeds, less the county's allowance for administrative expenses, to

the Department of Revenue on a quarterly basis. A county may retain two percent (2%) of the amount of tax proceeds allocated for remittance to the Department of Revenue as compensation for the county's cost in collecting and remitting the State's share of the tax. Of the funds remitted to it pursuant to this section, the Department of Revenue must credit seventy-five percent (75%) to the Parks and Recreation Trust Fund established under G.S. 113-44.15 and twenty-five percent (25%) to the Natural Heritage Trust Fund established under G.S. 113-77.7."

Section 2. This act becomes effective July 1, 2000, and applies to timber deeds and contracts for the sale of standing timber executed on or after that date.

HOUSE BILL 1545:
Clarify Excise Tax on Timber Contracts

BILL ANALYSIS

Committee: Senate Finance
Date: June 6, 2000
Version: 1st Edition

Introduced by: Representative Pope
Summary by: Martha K. Walston
Committee Counsel

SUMMARY: ***House Bill 1545 clarifies that the excise tax on instruments conveying an interest in real property applies to timber deeds and contracts for the sale of standing timber, effective July 1, 2000. It is a recommendation of the Revenue Laws Study Committee, and has passed House Finance.***

CURRENT LAW: Article 8E of Chapter 105 of the General Statutes contains the provisions for imposing an excise tax on transfers of interests in real estate located in North Carolina. The excise tax is imposed at the rate of $1.00 on each $500.00 or fractional part of the consideration or value of the interest or property conveyed.

The Uniform Commercial Code (UCC) was adopted in Chapter 25 of the General Statutes in 1965. G.S. 25-2-107(2), as amended in 1975, provides that "(a) contract for the sale ... of timber to be cut is a contract for the sale of goods within this article whether the subject matter is to be severed by the buyer or by the seller even though it forms part of the realty at the time of contracting, and the parties can by identification effect a present sale before severance."

BACKGROUND: Historically, timber interests have been treated as an interest in real property, and the excise tax on conveyances has been applied to deeds conveying timber. With the adoption of the UCC, the sale of standing timber was deemed to be a sale of goods. There have been two North Carolina cases that have ruled on timber rights since the adoption of the UCC. In *Mills v. New River Wood Corp.*, 77 N.C. App. 576, 333 S.E.2d 759 (1985), the Court ruled that contracts for the sale of "timber to be cut" were governed by G.S. 25-2-107(2). In *Mills,* the cause of action was based on a timber deed, which the Court described as evidencing the underlying contract of sale. In a more recent case, the North Carolina Supreme Court concluded that when North Carolina adopted the UCC, it began classifying timber as goods when timber was the subject of a contract for sale. *Fordham v. Eason,* 521 S.E. 2d 701 (1999).

The recent court decisions have led to disagreement among legal scholars and registers of deeds as to whether contracts for the sale of standing timber and timber deeds constitute a sale of personal property or a sale of real property. The proponents of timber as real property claim that the above court decisions refer to timber as goods under the UCC only when the timber is subject to a contract for sale. The proponents of timber as personal property claim that both contracts and deeds for the sale of timber are governed by G.S. 25-2-107 and, therefore, do not convey an interest in real property. Under current law, the excise tax on conveyances applies only to conveyances of an interest in real property. Consequently, the excise tax should not be imposed on timber deeds or contracts for the sale of standing timber if they are deemed to be sales of personal property.

BILL ANALYSIS: House Bill 1544 clarifies that the excise tax on instruments conveying an interest in real property applies to timber deeds and contracts for the sale of standing timber. For purposes of Article 8E, Excise Tax on Conveyances, the timber will be treated as if it were real property. The bill remedies any confusion resulting from the court decisions regarding the treatment of timber deeds and contracts for the sale of standing timber. It is worth noting that the following subsection of G.S. 25-2-107 recognizes that a contract for the sale of standing timber can be treated as a conveyance of real property:

> (3) The provisions of this section are subject to any third-party rights provided by the law relating to realty records, **and the contract for sale may be executed and recorded as a document transferring an interest in land** and shall then constitute notice to third parties of the buyer's rights under the contract for sale. EFFECTIVE DATE: Becomes effective July 1, 2000 and applies to timber deeds and contracts for the sale of standing timber executed on or after that date.

BILL SUMMARY: The bill clarifies that the excise tax on instruments conveying real property applies to timber deeds and contracts for the sale of standing timber.

ASSUMPTIONS AND METHODOLOGY: There is no fiscal impact of this bill because it continues the historical tax treatment of timber deeds and contracts as real property. Despite recent court cases that argue timber deeds are personal property, most Registers of Deeds have continued to impose an excise tax on transfers of interests in timber deeds and contracts. (The amount of tax generated from timber deeds cannot be ascertained because Registers of Deeds do not separate timber deeds from other records.)

A BILL TO BE ENTITLED

AN ACT TO PROMOTE THE PRESERVATION OF FARMLAND AND TO PROMOTE SMALL, FAMILY-OWNED FARMS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 106-744(c) reads as rewritten:

"(c) There is established a 'North Carolina Farmland Preservation Trust Fund' to be administered by the Commissioner of Agriculture. The Trust Fund shall consist of all monies received for the purpose of purchasing agricultural conservation easements or transferred from counties or private sources. The Trust Fund shall be invested as provided in G.S. 147-69.2 and G.S. 147-69.3. The Commissioner shall use Trust Fund monies for the purchase of agricultural conservation easements, including transaction costs, and shall distribute Trust Fund monies ~~to counties and private nonprofit conservation organizations~~ for such purchases, including transaction ~~costs.~~ costs, as follows:

(1) To a private nonprofit conservation organization that matches thirty percent (30%) of the Trust Fund monies it receives with funds from sources other than the Trust Fund.

(2) To counties according to the match requirements under subsection (c1) of this section.

(c1) A county that is an enterprise tier four county or an enterprise tier five county, as these tiers are defined in G.S. 105-129.3(a), and that has prepared a

countywide farmland protection plan shall match fifteen percent (15%) of the Trust Fund monies it receives with county funds. A county that has not prepared a countywide farmland protection plan shall match thirty percent (30%) of the Trust Fund monies it receives with county funds. A county that is an enterprise tier one county, an enterprise tier two county, or an enterprise tier three county, as these counties are defined in G.S. 105-129.3(a), and that has prepared a countywide farmland protection plan shall not be required to match any of the Trust Fund monies it receives with county funds.

(c2) The Commissioner of Agriculture shall adopt rules ~~and regulations~~ governing the use, distribution, investment, and management of Trust Fund monies."

Section 2. G.S. 106-744 is amended by adding two new subsections to read:

"(e) As used in subsection (c1) of this section, a countywide farmland protection plan means a plan that satisfies all of the following requirements:

(1) The countywide farmland protection plan shall contain a list and description of existing agricultural activity in the county.

(2) The countywide farmland protection plan shall contain a list of existing challenges to continued family farming in the county.

(3) The countywide farmland protection plan shall contain a list of opportunities for maintaining or enhancing small, family-owned farms and the local agricultural economy.

(4) The countywide farmland protection plan shall describe how the county plans to maintain a viable agricultural community and shall address farmland preservation tools, such as agricultural economic development, including farm diversification and marketing assistance; other kinds of agricultural technical assistance, such as farm infrastructure financing, farmland purchasing, linking with younger farmers, and estate planning; the desirability and feasibility of donating agricultural conservation easements, and entering into voluntary agricultural districts.

(5) The countywide farmland protection plan shall contain a schedule for implementing the plan and an identification of possible funding sources for the long-term support of the plan.

(f) A countywide farmland protection plan that meets the requirements of subsection (e) of this section may be formulated with the assistance of an agricultural advisory board designated pursuant to G.S. 106-739."

Section 3. Part 2 of Article 18 of Chapter 153A of the General Statutes is amended by adding a new section to read:

"**§ 153A-335.1. Fees to support farmland protection.**

A county that has prepared and adopted a countywide farmland protection plan containing all the elements set forth in G.S. 106-744(e) may adopt an ordinance imposing a fee of no more than ten dollars ($10.00) for each subdivision plat required to be filed with the register of deeds for recordation. The monies collected pursuant

to this section shall be used to meet the county match requirements for obtaining funding from the North Carolina Farmland Preservation Trust Fund."

Section 4. This act becomes effective July 1, 2000.

HOUSE BILL 1132:
Preserve Farmlands/Promote Small Farms.

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Representative Insko
Date:	June 7, 2000	**Summary by:**	Karen Cochrane Brown
Version:	Fourth Edition		Committee Co-Counsel

SUMMARY: ***House Bill 1132 amends the Farmland Preservation Enabling Act to authorize distribution of Farmland Preservation Trust Fund monies to nonprofit conservation organizations on a 30% matching basis, and to counties on a 30%, 15% or 0% matching basis, depending on their tier status and whether the county has prepared a farmland protection plan. The bill also authorizes counties to impose a $10.00 fee for filing a subdivision plat with the register of deeds, to be used for the county match requirement for receiving funds from the trust fund.***

CURRENT LAW:

The Farmland Preservation Enabling Act was first enacted in 1986, to authorize counties to undertake farmland preservation programs. The Act also authorizes counties to purchase agricultural conservation easements over qualifying farmland and establishes the North Carolina Farmland Preservation Trust Fund to assist in the purchase of such easements. The Fund is administered by the Commissioner of Agriculture, who distributes trust fund monies to counties and private nonprofit conservation organizations for the purpose of purchasing agricultural conservation easements.

BILL ANALYSIS:

This bill amends the Farmland Preservation Enabling Act to make matching funds a requirement for receiving funds from the Farmland Preservation Trust Fund. Private nonprofit conservation organizations must match 30% of the money it receives from the Trust Fund with money from other sources. Counties must match on the following basis:

- 15% for a county that is an enterprise tier four or five county and that has prepared a countywide farmland protection plan.
- 30% for any county that has not prepared a countywide farmland protection plan.
- 0% for a county that is an enterprise tier one, two, or three county and that has prepared a countywide farmland protection plan.

Section 2 of the bill defines a farmland protection plan as a plan that contains: (1) a list and description of existing county agricultural activity; (2) a list of continuing challenges to continued family farming in the county; (3) a list of opportunities for maintaining or enhancing small family-owned farms and the local agricultural economy; (4) a description of county plans to maintain a viable agricultural community; and (5) a schedule for implementing the plan and identification of possible funding sources for the long term support of the plan. This section also provides that countywide farmland protection plans may be formulated with the assistance of an agricultural advisory board designated pursuant to the Farmland Preservation Enabling Act.

A county that has prepared and adopted a countywide farmland protection plan may impose a fee of no more than $10 for each subdivision plat required to be filed with the Register of Deeds for recordation. The money collected shall be used to meet the county match requirements for the Farmland Preservation Trust Fund.

EFFECTIVE DATE: July 1, 2000

BILL SUMMARY: The bill amends the Farmland Preservation Enabling Act. The bill makes county matching funds a requirement for receiving funds from the North Carolina Farmland Preservation Trust Fund. The county match requirements outlined in the legislation are as follows: 15% if the county has prepared a countywide farmland protection plan, 30% if the county has not created such a plan. Tier 1,2, and 3 counties (under the Bill Lee Act) are not required to provide any matching funds if they have prepared a countywide farmland protection plan. The bill requires that private non-profit organizations that draw Trust Fund monies must also provide a 30% match. The bill defines a Farmland Protection Plan, and authorizes counties that have prepared such a plan to impose a fee of no more than $10.00 for each subdivision plat filed with the Register of Deeds. This revenue must be used to meet the county match requirements. Finally, the legislation clarifies that countywide farmland protection plans may be formulated with the assistance of an agricultural advisory board designated by the Farmland Protection Enabling Act.

BACKGROUND INFORMATION: In 1985, the General Assembly enacted the Farmland Preservation Enabling Act, that authorized counties to undertake a series of programs to encourage the preservation of qualifying farmland. Qualifying farmland is defined as real property that:

1) Is participating in the farm present-use-value taxation program by G.S. 105-277.2 to 277.7;
2) Is certified by the Soil Conservation Service of the U.S. Department of Agriculture as being a farm on which at least two-thirds of the land is composed of soils that (a) are best suited for providing food, seed, fiber, forage, timber, and oil seed crops (b) have good soil qualities (c) are favorable for all major crops common to the county where the land is located (d) have a favorable growing season, and (e) receive the available moisture needed to produce high yields an average eight of ten years;
3) Is managed in accordance with the Soil Conservation Service erosion control practices that are addressed to highly erodable land; and
4) Is the subject of a conservation agreement as defined in G.S. 121-35, between the county and the owner of such land that prohibits nonfarm use or development of such land for a period of at least ten years.

The variety of programs authorized by the Farmland Preservation Enabling Act include:
1) The creation of Voluntary Agricultural Districts to encourage and foster agricultural communities, and to increase protection from nuisance suits and other negative impacts on properly managed farms.
2) The creation of an Agricultural Advisory Board to review and make recommendations concerning the agricultural districts, advise county commissioners on issues affecting the agricultural community, and perform other related tasks assigned by the board of county commissioners.
3) Hold public hearings on the condemnation of farmland.
4) Waive water and sewer assessments.
5) Adopt county ordinances.
6) Purchase agricultural conservation easements.

This bill addresses the sixth of the above listed authorities created by the Farmland Preservation Enabling Act, and will become effective on July 1, 2000.

ASSUMPTIONS AND METHODOLOGY: The two potential fiscal impacts of the bill relate to the $10.00 fee and the potential property tax loss.

According to the North Carolina Department of Agriculture and Consumer Services, the following thirteen counties have created programs and ordinances under the North Carolina Farmland Preservation Act:

-Avery
-Buncome
-Cherokee
-Clay
-Durham
-Forsyth
-Haywood
-Henderson
-Macon
-Madison
-Orange
-Rowan
-Wake

Grants from the Farmland Preservation Trust Fund were issued as follows:

	Farmland	County	Size(acres)
1	Daltonia Plantation	Iredell	198
2	Darrider farm	Rowan	81
3	Newlin-Hickory Grove Dairy	Alamance	122
4	Richardson Farm	Allegheny	298
5	Blackburn Farm	Forsyth	59
6	Preston Farm	Forsyth	207
7	Green Farm	Cabarrus	317
8	Prston Farm	Forsyth	66 of 200
9	Bovender Farm	Rutherford	304 of 935
10	Theys Farm	Wake	92 of 100
11	Liberty Farms	Randolph & Chatham	444 of 458
		Total	**2188 acres**

Under current law no county match is needed to participate in the program. Both the Department of Agriculture and representatives of the Sierra Club and Wildlife Federation believe that no county in the state currently has a program that would qualify under the proposed legislation, although some may be considering such a direction. Both the indicated interest groups and the Department agree that there is no reliable estimate of the number of counties that may choose to participate in the revised system. Therefore, no accurate fiscal estimate is available on the fee portion of the bill.

If a county chooses to participate there may be a potential property tax loss. If the county or a non-profit purchase the land using monies from the Trust, that land may become exempt from property tax. If monies are used to purchase an easement, the land value may decrease because the easement limits how the property can be used. However, the potential loss should be minimal for two reasons. First, because the land must be farmland in order to qualify under the rules of the Trust, the property is already listed at the reduced farm use value. Second, since most counties will only purchase easements, the land will still be taxable as farmland. Since the land is already listed as farmland, there would be no property tax loss.

A BILL TO BE ENTITLED

AN ACT TO ALLOW THE CITY OF LAURINBURG TO LEVY SPECIAL ASSESSMENTS FOR STREET OR SIDEWALK IMPROVEMENTS WITHOUT PETITION.

The General Assembly of North Carolina enacts:

Section 1. The provisions of G.S. 160A-217(a) and (c) do not apply to the City of Laurinburg. The remaining provisions of Article 10 of Chapter 160A of the General Statutes shall apply to the City when making special assessments for street or sidewalk improvements.

Section 2. This act is effective when it becomes law.

HOUSE BILL 1552:
Laurinburg Street Assessments

BILL ANALYSIS

Committee:	Rep. Goodwin	**Introduced by:**	Rep. Goodwin
Date:	June 13, 2000	**Summary by:**	Cindy Avrette
Version:	1st Edition		Committee Counsel

SUMMARY: ***House Bill 1552 allows the city of Laurinburg to levy special assessments for street or sidewalk improvements without a petition. The bill was given a favorable report in House Local Government II and House Finance. Senate Bill 1222, introduced by Senator Purcell, is identical.***

CURRENT LAW: A city may make special assessments against benefited property within its corporate limits for streets, sidewalks, water systems, and sewage and drainage systems. G.S. 160A-217 requires a petition for street or sidewalk improvements:

(a) To levy a special assessment for street or sidewalk improvements, a city must receive a petition for the improvements signed by at least a majority of the owners to be assessed, and those owners must represent at least a majority of all the lineal feet of frontage of the lands abutting on the portion of the street or sidewalk to be improved. Unless the petition specifies a different percentage, not more than 50% of the cost of the improvement may be assessed.

(b) This subsection concerns how government land will be treated.

(c) No right of action asserting the invalidity of the assessments on grounds that the city did not comply with this section in securing a valid petition shall be asserted except in a action begun within 90 days after publication of the notice of adoption of the preliminary assessment resolution.

BILL ANALYSIS: House Bill 1552 provides that G.S. 160A-217(a) and (c) do not apply to the city of Laurinburg. The remaining provisions in Article 10 do apply: basis for making the assessments; preliminary resolution; notice and hearing on preliminary resolution; assessment resolution; publication of the preliminary assessment roll; hearing on preliminary assessment roll; publication of notice of confirmation of assessment roll; appeal of assessment; payment and enforcement of assessment; etc.

Exceptions to the petition requirements for street and sidewalk improvements have been given to the following cities and towns:

- Beech Mountain (Chapter 133 of the 1995 Session Laws) – G.S. 160A-217 does not apply.
- Oxford (Chapter 240 of the 1993 Session Laws) – May levy assessments for sidewalk improvements without petition.
- Ahoskie (Chapter 261 of the 1987 Session Laws; Chapter 962 of the 1988 Session Laws) – May levy assessments for streets and sidewalks without petition.
- Carrboro (Chapter 476 of the 1987 Session Laws) – May levy assessments for certain unpaved streets without a petition.
- Wake Forest (Chapter 347 of the 1989 Session Laws) – May levy assessments for downtown parking improvements without petition.

May 10, 2000

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE ADDITIONAL VOLUNTARY MUNICIPAL PARTICIPATION IN ROAD CONSTRUCTION.

The General Assembly of North Carolina enacts:

Section 1. G.S. 136-66.3 reads as rewritten:

"**§ 136-66.3. Municipal participation in improvements to the State highway system.**

(a) ~~Except as otherwise authorized by this Article, no municipality shall participate in the cost of any State highway system improvement project approved by the Board of Transportation under G.S. 143B-350(f)(4). No municipality shall be required to contribute to the right-of-way and construction costs of any State highway system improvement approved by the Board of Transportation under G.S. 143B-350(f)(4), nor shall the Department of Transportation accept any participation, directly or indirectly, from a municipality except as authorized by this Article.~~

~~(b) The restrictions imposed by this section on participation by municipalities in the implementation of improvements on the State highway system shall not apply to those improvements approved by the Board of Transportation which are financed by funds allocated by the General Assembly for the "Small Urban Construction Program". The municipalities~~ When any one or more street construction or highway improvement projects are proposed on the State highway system in and around a municipality, the Department of Transportation and the municipal governing body shall reach agreement on their respective responsibilities for such project or projects. In reaching such agreement, the Department of Transportation and the municipality shall take into consideration:

(1) The relative importance of the project to a coordinated statewide system of highways.
(2) The relative benefit of the project to the municipality.
(3) The degree to which the cost of acquisition of rights-of-way can be reduced or minimized through action by the municipality and/or the Department of Transportation to acquire all or part of the rights-of-way for proposed projects well in advance of construction of such projects. Municipalities may, but shall not be required to, participate in the right-of-way and construction cost of ~~"Small Urban Construction Program"~~ State highway system improvements.

(c) A municipality is authorized and empowered to acquire land by dedication and acceptance, purchase, or eminent domain, and make improvements to portions of the State highway system lying within or outside the municipal corporate limits utilizing local funds that have been authorized for that ~~purpose by a vote of the citizens of the municipality. The governing body of the municipality may call a special referendum at any time to allow this use of funds.~~ purpose. The ~~total cost of the~~ improvements authorized by this subsection shall be the responsibility of the municipality and shall not ~~be participated in by the Department of Transportation, nor shall the construction of improvements~~ be a consideration for any other project by the Department of Transportation. All improvements to the State highway system shall be done in accordance with the specifications and requirements of the Department of Transportation and shall be set forth in an agreement entered into between the municipality and the Department. The Board of Transportation shall not give consideration to or credit for such locally financed improvements in the Transportation Improvement Program under G.S. 143B-350(f)(4).

(d) When in the review and approval by a municipality of plans for the development of property abutting the State highway system it is determined by the municipality that improvements to the State highway system are necessary to provide for the safe and orderly movement of traffic, the municipality is authorized to construct, or have constructed, said improvements to the State highway system in vicinity of the development. For purposes of this section, improvements include but are not limited to additional travel lanes, turn lanes, curb and gutter, and drainage facilities. All improvements to the State highway system shall be constructed in accordance with the specifications and requirements of the Department of Transportation and be approved by the Department of Transportation.

(e) A municipality may pursuant to an agreement with the Department of Transportation reimburse the Department of Transportation for the cost of all improvements, including ~~additional~~ right-of-way, for a street or highway improvement project approved by the Board of Transportation under ~~G.S. 143B-350(f)(4) that are in addition to those improvements that the Department of Transportation would normally include in the project.~~ G.S. 143B-350(f)(4). Funds expended by a municipality pursuant to an agreement with the Department of Transportation shall not be considered in calculating distribution of construction funds under G.S. 136-17.2A.

(f) Municipalities having a population of less than 10,000 according to the most recent annual estimates of population as certified to the Secretary of Revenue by the State Budget Officer shall not participate in the right-of-way and construction costs of any State highway system improvement project approved by the Board of Transportation under G.S. 143B-350(f)(4).

~~Municipalities having a population of 10,000 or more according to the most recent annual estimates of population as certified to the Secretary of Revenue by the State Budget Officer may, but shall not be required by the Department or Board of Transportation, participate up to a maximum percentage as shown below in the cost of rights-of-way of the portion of any transportation improvement project approved by the Board of Transportation under G.S. 143B-350(f)(4) that is located within the municipal corporate limits:~~

~~Municipal Population~~	~~Maximum Participation In Right-of-Way Costs~~
~~10,000 - 25,000~~	~~5%~~
~~25,001 - 50,000~~	~~10%~~
~~50,001 - 100,000~~	~~15%~~
~~over 100,000~~	~~25%~~

Any participation shall be set forth in an agreement between the municipality and the Department of Transportation. Upon request of the municipality, the Department of Transportation shall allow the municipality a period of not less than three years from the date construction of the project is initiated to reimburse the Department their agreed upon share of the costs ~~of rights-of-way~~ necessary for the project. The Department of Transportation shall not charge a municipality any interest ~~on its agreed upon share of rights-of-way costs.~~ during the initial three years. The ~~Secretary~~ Department shall report in writing, on a monthly basis, to the Joint Legislative Commission on Governmental Operations on all agreements entered into between municipalities and the Department of Transportation. The report shall state in summary form the contents of such agreements.

(g) In the acquisition of rights-of-way for any State highway system street or highway in or around a municipality, the municipality shall be vested with the same authority to acquire such rights-of-way as is granted to the Department of Transportation in this Chapter. In the acquisition of such rights-of-way, municipalities may use the procedures provided in Article 9 of this Chapter, and wherever the words "Department of Transportation" appear in Article 9 they shall be deemed to include "municipality" or "municipal governing body," and wherever the words "Administrator," "Administrator of Highways," "Administrator of the Department of Transportation," or "Chairman of the Department of Transportation" appear in Article 9 they shall be deemed to include "municipal clerk". It is the intention of this subsection that the powers herein granted to municipalities for the purpose of acquiring rights-of-way shall be in addition to and supplementary to those

powers granted in any local act or in any other general statute, and in any case in which the provisions of this subsection or Article 9 of this Chapter are in conflict with the provisions of any local act or any other provision of any general statute, then the governing body of the municipality may in its discretion proceed in accordance with the provisions of such local act or other general statute, or, as an alternative method of procedure, in accordance with the provisions of this subsection and Article 9 of this Chapter.

(h) In the absence of an agreement, the Department of Transportation shall retain authority to pay the full cost of acquiring rights-of-way where the proposed project is deemed important to a coordinated State highway system.

(i) Either the municipality or the Department of Transportation may at any time propose changes in the agreement setting forth their respective responsibilities ~~for right-of-way acquisition~~ by giving notice to the other party, but no change shall be effective until it is adopted by both the municipal governing body and the Department of Transportation.

(j) Any municipality that agrees to contribute any part of the cost of acquiring rights-of-way for any State highway system street or highway shall be a proper party in any proceeding in court relating to the acquisition of such rights-of-way."

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Transportation

EFFECTIVE DATE: July 1, 2000

BILL SUMMARY:

Under current law (G.S. 136-66.3) municipalities of 10,000 or more in population may participate in State highway system improvements, subject to specified limitations. Municipalities are now authorized to fund:

- 5% to 25% of the cost of right of way and construction, depending on municipal population;
- the full cost of right of way and construction, if approved in a municipal election;
- part of the right of way and construction costs for projects funded by the State small urban construction program;

- development access projects (new travel lanes, turn lanes, curb and gutter, and drainage).

Senate Bill 1200 would change the current system of municipal participation by:

- removing the percentage restrictions on municipal participation in the funding of State highway system improvements; and
- removing the requirement for a municipal election to approve any 100% municipally funded improvement to the State system.

House Bill 1556 also specifies that municipal participation in State highway construction will not be considered in calculating regional funding under the equity distribution formula.

ASSUMPTIONS AND METHODOLOGY:

By removing restrictions on municipal participation in the funding of State highway projects, this bill would make municipal participation easier and should therefore provide the State with additional municipal funding to meet construction demands. The bill would enable the State to construct more projects than it would be able to construct under the current municipal funding restrictions. If municipal funding led to a significant increase in the number of projects under construction, over time, more projects could lead to a larger State highway system and correspondingly higher costs to patrol and maintain this system. However, because of uncertainties over the level of local participation (which would be voluntary) and lack of knowledge about the number of projects that would be constructed with the assistance of municipal funds, we are unable to estimate the fiscal impact of this bill on the State or on municipalities.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE ADDITIONAL VOLUNTARY MUNICIPAL PARTICIPATION IN ROAD CONSTRUCTION.

The General Assembly of North Carolina enacts:

Section 1. G.S. 136-66.3 reads as rewritten:

"**§ 136-66.3. Municipal participation in improvements to the State highway system.**

~~(a) Except as otherwise authorized by this Article, no municipality shall participate in the cost of any State highway system improvement project approved by the Board of Transportation under G.S. 143B-350(f)(4). No municipality shall be required to contribute to the right-of-way and construction costs of any State highway system improvement approved by the Board of Transportation under G.S. 143B-350(f)(4), nor shall the Department of Transportation accept any participation, directly or indirectly, from a municipality except as authorized by this Article.~~

~~(b) The restrictions imposed by this section on participation by municipalities in the implementation of improvements on the State highway system shall not apply to those improvements approved by the Board of Transportation which are financed by funds allocated by the General Assembly for the "Small Urban Construction Program". The municipalities may, but shall not be required to, participate in the right-of-way and construction cost of "Small Urban Construction Program" highway improvements.~~

(a) Municipal Participation Authorized. -- A municipality may, but is not required to, participate in the right-of-way and construction cost of a State highway

improvement approved by the Board of Transportation under G.S. 143B-350(f)(4) that is located in the municipality or its extraterritorial jurisdiction.

(b) Process for Initiating Participation. -- A municipality interested in participating in the funding of a State highway improvement project may submit a proposal to the Department of Transportation. The Department and the municipality shall include their respective responsibilities for a proposed municipal participation project in any agreement reached concerning participation.

(c) Type of Participation Authorized. -- A municipality is authorized and empowered to acquire land by dedication and acceptance, purchase, or eminent domain, and make improvements to portions of the State highway system lying within or outside the municipal corporate limits utilizing local funds that have been authorized for that ~~purpose~~ purpose. ~~by a vote of the citizens of the municipality. The governing body of the municipality may call a special referendum at any time to allow this use of funds. The total cost of the improvements authorized by this subsection shall be the responsibility of the municipality and shall not be participated in by the Department of Transportation, nor shall the construction of improvements be a consideration for any other project by the Department of Transportation.~~ All improvements to the State highway system shall be done in accordance with the specifications and requirements of the Department of ~~Transportation and shall be set forth in an agreement entered into between the municipality and the Department. The Board of Transportation shall not give consideration to or credit for such locally financed improvements in the Transportation Improvement Program under G.S. 143B-350(f)(4).~~ Transportation.

(c1) No TIP Disadvantage for Participation. -- If a municipality participates in a State highway system improvement project, as authorized by this section, the Department shall ensure that the municipality's participation does not cause any disadvantage to any other project in the Transportation Improvement Program under G.S. 143B-350(f)(4) and located outside the municipality.

(c2) Distribution of State Funds Made Available by Municipal Participation. -- Any State or federal funds allocated to a project that are made available by municipal participation in a project contained in the Transportation Improvement Program under G.S. 143B-350(f)(4) shall remain in the same funding region that the funding was allocated to under the distribution formula contained in G.S. 136-17.2A.

(c3) Limitation on Agreements. -- The Department shall not enter into any agreement with a municipality to provide additional total funding for highway construction in the municipality in exchange for municipal participation in any project contained in the Transportation Improvement Program under G.S. 143B-350(f)(4).

(d) Authorization to Participate in Development-Related Improvements. -- When in the review and approval by a municipality of plans for the development of property abutting the State highway system it is determined by the municipality that improvements to the State highway system are necessary to provide for the safe and orderly movement of traffic, the municipality is authorized to construct, or have constructed, said improvements to the State highway system in vicinity of the

development. For purposes of this section, improvements include but are not limited to additional travel lanes, turn lanes, curb and gutter, and drainage facilities. All improvements to the State highway system shall be constructed in accordance with the specifications and requirements of the Department of Transportation and be approved by the Department of Transportation.

(e) Authorization to Participate in Project Additions. -- Pursuant to an agreement with the Department of Transportation, ~~A~~ a municipality may ~~pursuant to an agreement with the Department of Transportation~~ reimburse the Department of Transportation for the cost of all improvements, including additional right-of-way, for a street or highway improvement ~~project~~ projects approved by the Board of Transportation under ~~G.S. 143B-350(f)(4)~~ G.S. 143B-350(f)(4), that are in addition to those improvements that the Department of Transportation would normally include in the project.

~~(f) Municipalities having a population of less than 10,000 according to the most recent annual estimates of population as certified to the Secretary of Revenue by the State Budget Officer shall not participate in the right-of-way and construction costs of any State highway system improvement project approved by the Board of Transportation under G.S. 143B-350(f)(4).~~

~~Municipalities having a population of 10,000 or more according to the most recent annual estimates of population as certified to the Secretary of Revenue by the State Budget Officer may, but shall not be required by the Department or Board of Transportation, participate up to a maximum percentage as shown below in the cost of rights-of-way of the portion of any transportation improvement project approved by the Board of Transportation under G.S. 143B-350(f)(4) that is located within the municipal corporate limits:~~

~~Municipal Population~~	~~Maximum Participation In Right-of-Way Costs~~
~~10,000 - 25,000~~	~~5%~~
~~25,001 - 50,000~~	~~10%~~
~~50,001 - 100,000~~	~~15%~~
~~over 100,000~~	~~25%~~

(e1) Reimbursement Procedure. -- ~~Any participation shall be set forth in an agreement between the municipality and the Department of Transportation.~~ Upon request of the municipality, the Department of Transportation shall allow the municipality a period of not less than three years from the date construction of the project is initiated to reimburse the Department their agreed upon share of the costs ~~of rights-of-way~~ necessary for the project. The Department of Transportation shall not charge a municipality any interest ~~on its agreed upon share of rights-of-way costs.~~ during the initial three years.

(f) Report to General Assembly. -- The ~~Secretary~~ Department shall report in writing, on a monthly basis, to the Joint Legislative Commission on Governmental Operations on all agreements entered into between municipalities and the

Department of Transportation. The report shall state in summary form the contents of such agreements.

(g) Municipal Acquisition of Right-of-Way. -- In the acquisition of rights-of-way for any State highway system street or highway in or around a municipality, the municipality shall be vested with the same authority to acquire such rights-of-way as is granted to the Department of Transportation in this Chapter. In the acquisition of such rights-of-way, municipalities may use the procedures provided in Article 9 of this Chapter, and wherever the words "Department of Transportation" appear in Article 9 they shall be deemed to include "municipality" or "municipal governing body," and wherever the words "Administrator," "Administrator of Highways," "Administrator of the Department of Transportation," or "Chairman of the Department of Transportation" appear in Article 9 they shall be deemed to include "municipal clerk". It is the intention of this subsection that the powers herein granted to municipalities for the purpose of acquiring rights-of-way shall be in addition to and supplementary to those powers granted in any local act or in any other general statute, and in any case in which the provisions of this subsection or Article 9 of this Chapter are in conflict with the provisions of any local act or any other provision of any general statute, then the governing body of the municipality may in its discretion proceed in accordance with the provisions of such local act or other general statute, or, as an alternative method of procedure, in accordance with the provisions of this subsection and Article 9 of this Chapter.

(h) Department Authority Concerning Rights-of-Way. -- In the absence of an agreement, the Department of Transportation shall retain authority to pay the full cost of acquiring rights-of-way where the proposed project is deemed important to a coordinated State highway system.

(i) Changes to Municipal Participation Agreement. -- Either the municipality or the Department of Transportation may at any time propose changes in the agreement setting forth their respective responsibilities ~~for right-of-way acquisition~~ by giving notice to the other party, but no change shall be effective until it is adopted by both the municipal governing body and the Department of Transportation.

(j) Municipality Party to Right-of-Way Proceeding. -- Any municipality that agrees to contribute any part of the cost of acquiring rights-of-way for any State highway system street or highway shall be a proper party in any proceeding in court relating to the acquisition of such rights-of-way.

(k) Specified County Participation. -- In addition to the authority given to Burke, Cabarrus, and Mecklenburg Counties by Chapter 478 of the 1993 Session Laws, these counties are authorized to participate in State highway improvement projects located anywhere in each respective county in accordance with this section."

Section 2. This act becomes effective July 1, 2000.

SENATE BILL 1200:
Municipal Participation

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Gulley
Date:	June 13, 2000	**Summary by:**	Karen Cochrane-Brown
Version:	Proposed Committee Subsititute (S1200-CSRW-003)		Committee Co-Counsel

SUMMARY:

The proposed committee substitute rewrites much of G.S. 136-66.3 and authorizes municipalities and the counties of Burke, Cabarrus, and Mecklenburg to participate in State highway construction projects on a voluntary basis.

CURRENT LAW:

Under current law, municipalities may not participate in the costs of State highway construction projects except:

1. Projects funded by the Small Urban Construction Program;
2. Projects funded by the municipality, upon a favorable referendum of the voters of the municipality;
3. Development access projects (new travel lanes, turn lanes, curb and gutter, and drainage);
4. By agreement with the DOT to provide improvements to an existing project that DOT would not normally include;
5. For municipalities with a population over 10,000, a sliding-scale participation of between 5% and 25% of the cost of right-of-way construction.

Municipalities with a population of less than 10,000 can not participate in the right-of-way and construction costs of any State highway system project.

BILL ANALYSIS:

The proposed committee substitute authorizes all municipalities to participate in the funding of State transportation improvement projects located in the municipality or its extraterritorial jurisdiction. The municipality may initiate participation by submitting a proposal to DOT, and DOT and the municipality shall include their respective responsibilities in an agreement.

The proposed committee substitute also provides as follows:

- (c) A municipality may fund State transportation system improvements without a referendum.
- (c1) If a municipality participates in a project, DOT must ensure that the municipality's participation does not cause any disadvantage to any other project in the Transportation Improvement Program and located outside the municipality.

- (c2) Any funds made available as a result of municipal participation in a project contained in the TIP shall remain in the same funding region that the funding was allocated to under the distribution formula contained in G.S. 136-17.2A.
- (c3) Prohibits the DOT from agreeing to provide any additional total funds to a municipality in exchange for municipal participation.

This bill removes the provision prohibiting municipalities with populations of less than 10,000 from participating in any State transportation project. It also removes the percentage restrictions, which presently limit participation by municipalities with populations over 10,000.

Finally, this proposal authorizes the counties of Burke, Cabarrus, and Mecklenburg to participate in transportation projects located anywhere in the respective county, to the same extent as municipalities. This authority is in addition to that granted by S.L. 1993-478, which authorized these counties assist thoroughfare plan implementation by purchasing, or acquiring property for road construction projects by eminent domain, donations and dedications, and entering agreements with municipalities.

This bill becomes effective July 1, 2000.

SENATE BILL 1197*

Short Title: Toll Roads. (Public)

Sponsors: Senators Gulley; Hoyle and Kerr.

Referred to: Finance.

May 10, 2000

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE CONSTRUCTION OF UP TO THREE PRIVATELY FUNDED AND THREE PUBLICALLY FUNDED TOLL ROAD OR BRIDGE PROJECTS.

The General Assembly of North Carolina enacts:

Section 1. Chapter 136 of the General Statutes is amended by adding a new Article 6G to read:

"ARTICLE 6G.

"Private and Public Pilot Toll Projects.

"**§ 136-89.168. Private toll projects.**

(a) Authority to License. -- The Department of Transportation is authorized to issue up to three licenses to persons to finance, design, construct, maintain, improve, own, or operate, or any combination thereof, a transportation project within the State of North Carolina.

(b) Requirement for Finding of Need. -- Prior to the issuance of any license under this section, the Department shall make a written determination that the proposed project is necessary and in the public interest, and that it is unlikely to be constructed in the foreseeable future as a non-toll project.

(c) Submission of Financial Data. -- A person applying for a license to construct a project under this section shall submit detailed financial data to the Department concerning the ability of applicant to finance the proposed project and the projected time for the licensee to recover the cost of the licensee's investment and to make a reasonable rate of return. The Department shall independently analyze the data submitted for each project proposal and determine the appropriate license period.

(d) License Period. -- A license issued under this section shall not exceed 30 years in length.

(e) State Ownership at End of License Period. -- A license issued pursuant to this section shall include an agreement from the applicant to transfer all property rights to the project to the State at the end of the license period.

(f) State Use for Other Purposes. -- A license issued pursuant to this section shall authorize the State or its designee to enter and utilize the project right-of-way for other transportation or utility-related purposes, as long as those purposes do not interfere with the use by the licensee.

(g) Terms of License. -- Additional terms and conditions of any license issued pursuant to this section shall be within the discretion of the Department of Transportation, and may include, in addition to any other requirements:

(1) Provisions establishing minimum design and construction standards for the project;

(2) Provisions establishing minimum maintenance standards for the project;

(3) Provisions requiring that necessary traffic signs and other traffic control devices be erected and maintained in conformity with the Manual on Uniform Traffic Control Devices as defined in G.S. 136-30(d).

(4) Provisions establishing the rights and duties of the parties regarding infrastructure improvements and connections between the project and the State highway system;

(5) Provisions regarding any type of access control which may be required for the project;

(6) Provisions establishing the relative responsibilities of the licensee and the Department of Transportation to keep the completed project open and accessible to the public;

(7) Provisions requiring that the State of North Carolina, its agencies, officials and employees be indemnified and held harmless by the licensee for any liability incurred on the project in connection with project construction, maintenance, or operation;

(8) Provisions concerning the circumstances under which the Department will exercise its power of eminent domain; and

(9) Provisions concerning location of the project.

(h) Acquisition of Project Property. -- A person licensed to construct a project under this section shall, to the extent possible, acquire all right-of-way interests required for the project through private negotiation. The Department is authorized to exercise its power of eminent domain to acquire property rights necessary for construction and maintenance of the project only as to those property interests that cannot be acquired by the licensee at a reasonable price through private negotiation. A licensee requesting that the Department exercise its power of eminent domain shall be required to reimburse the Department in the full amount of its costs incurred in acquiring the necessary property interests, including any negotiated settlement or jury

verdict, and any attorney fees that may be awarded. The acquisition of property interests necessary for inclusion in a project licensed under this section is hereby declared to be for a public transportation purpose.

(i) Transfer of Department Property to Licensee. -- Notwithstanding the provisions of G.S. 136-19, should the Department determine that a licensed project requires property interests held by the Department, such interests as the Department determines to be necessary may be conveyed to the licensee for fair market value.

(j) Applicability of Other Laws. -- For the purpose of entering into contractual licensing agreements under this section, the Department of Transportation is exempted from any provision of the General Statutes that conflicts with the purposes of this section, specifically including G.S. 136-28.1 and G.S. 143-52. A project licensed under this section shall not be included in the distribution formula under G.S. G.S. 136-17.2A but shall require approval of the Board of Transportation under G.S. 143B-350(f)(4).

(k) Applicability of Motor Vehicle Laws. -- Any project licensed by the Department of Transportation under the authority granted in this section shall be considered a 'highway' as defined in G.S. 20-4.01(13) and a 'public vehicular area' as defined in G.S. 20-4.01(32). The State Highway Patrol and the Division of Motor Vehicles shall have the same powers and duties on such projects as on any other highway or public vehicular area.

(l) Resolution of Support Required. -- The Department shall not license any project under this section prior to receiving a resolution of support for the project approved by the county commissioners of each county in which the project will be located.

(m) Exclusive License. -- Upon the issuance of a license by the Department of Transportation, no further license of any type may be required by the State or local government body for the ownership, construction, or operation of the project.

(n) Definitions. -- The following definitions shall apply as used in this section:

(1) 'Person' shall mean any natural person, partnership, corporation, trust, association, sole proprietorship, or any other legal entity other than the State or its agencies, institutions, or political subdivisions.

(2) 'Project' shall mean a privately constructed, maintained, and operated toll highway, road, bridge, or other transportation-related facility.

(3) 'License' shall mean a person authorized through a contractual agreement with the Department of Transportation to finance, design, construct, maintain, improve, own, or operate, or any combination thereof, a project.

(o) Report. -- The Department shall report to the Joint Legislative Transportation Oversight Committee and to the Transportation Appropriations Subcommittee by February 1, 2001, and every year thereafter, on any toll project planning, construction, or operation commenced pursuant to the provisions of this Article.

"§ 136-89.169. State-owned and operated toll projects.

(a) Authority to Construct and Operate. -- The Department of Transportation is authorized to construct and operate up to three toll transportation projects within the State.

(b) Requirement for Finding of Need. -- Prior to the construction of any project authorized under this section, the Department shall make a written determination that the proposed project is necessary and in the public interest, and that it is unlikely to be constructed in the foreseeable future as a non-toll project.

(c) Report. -- The Department shall report to the Joint Legislative Transportation Oversight Committee and to the Transportation Appropriations Subcommittee by February 1, 2001, and every year thereafter, on any toll project planning, construction, or operation commenced pursuant to the provisions of this Article."

BILL SUMMARY:

TO AUTHORIZE CONSTRUCTION OF UP TO THREE PRIVATELY FUNDED AND THREE PUBLICLY FUNDED TOLL ROAD OR BRIDGE PROJECTS. Authorizes the Department of Transportation (DOT) to issue up to three licenses to construct projects after making a finding of need. Provides that the license period may not exceed 30 years at the conclusion of which the person must transfer all property rights to the project to the state. Authorizes the state or its designee to enter and use the project right-of-way for transportation and utility-related purposes. Allows DOT to establish other terms and conditions of any license issued. Requires the licensee, to the extent possible, to acquire all right-of-way interests through private negotiation. Provides

that if the licensee cannot acquire the property at a reasonable price through private negotiation, DOT may exercise its power of eminent domain. Allows DOT to convey property it holds to the licensee at fair market value if the property is needed for the project. Exempts DOT from conflicting laws for the purpose of entering into contractual licensing agreements. Provides that any project licensed will be considered a highway and a public vehicular area and as such, the State Highway Patrol and the Division of Motor Vehicles will have their usual powers and duties on any such project. Requires DOT to get a resolution of support for the project from the county commissioners of each county in which the project will be located before issuing any license and provides that no further license other than the one issued by DOT will be required. Authorizes DOT to operate up to three toll transportation projects within the state. Requires DOT to report to the Joint Legislative Transportation Oversight Committee and to the Transportation Appropriations Subcommittee. Expires July 1, 2003.

ASSUMPTIONS AND METHODOLOGY:

Private Toll Projects

A private toll road built under this law would be funded by private sources, and would not require construction funds from the State. Consequently, a private toll road would have no direct fiscal impact on the State. Over time, private toll roads could impact the State budget indirectly. For example, private toll roads could lead to more travelling from motorists, higher fuel consumption and increased gas tax revenues. Similarly, more roads could result in a need for more law enforcement personnel to patrol those roads. The indirect fiscal impact of private toll roads would be complex and would depend on the specifics of the roads built, such as their length and the amount of traffic they carried. However, we believe the provisions of this bill concerning private toll roads would have no fiscal impact; according to the Department of Transportation, these provisions are so restrictive that vendors would be discouraged from constructing private toll roads.

State-owned and Operated Toll Projects

The bill allows DOT to build and operate toll facilities, but it does not require that they do so. Consequently, whether State toll roads are constructed depends on DOT. The Department believes it would be unable to construct or plan any toll projects prior to the legislation expiring July 1, 2003. As a first step toward public toll roads, the Department would likely contract with a consultant to study how to plan, build and operate them. This study would include a review of different governance structures, a summary of methods of analyzing the financial viability of toll projects and the advantages and disadvantages of each, a history of the experiences with public toll roads in other states, and legal research relevant to establishing public toll roads. The Department of Transportation believes such a study would cost roughly $100,000, and that it could be handled within its current budget. However, the Department may choose not to pursue public toll roads at all.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE CONSTRUCTION OF UP TO THREE PRIVATE AND THREE PUBLIC ROAD OR BRIDGE PROJECTS, FUNDED BY TOLLS OR OTHER ALTERNATE FINANCING METHODS.

The General Assembly of North Carolina enacts:

Section 1. Chapter 136 of the General Statutes is amended by adding a new Article 6G to read:

"ARTICLE 6G.

"Private and Public Pilot Toll Projects with Alternative Financing.

"§ 136-89.168. Private road or bridge projects.

(a) Authority to License. -- The Department of Transportation is authorized to issue up to three licenses to persons to finance, design, construct, maintain, improve, own, or operate, or any combination thereof, either solely from private resources or using a combination of private and public resources, a transportation project within the State of North Carolina. Any license authorized by this section must be issued on or before July 1, 2003.

(b) Requirement for Finding of Need. -- Prior to the issuance of any license under this section, the Department shall make a

written determination that the proposed project is necessary and in the public interest, and that it is unlikely to be constructed in the foreseeable future as a project of the Department of Transportation through traditional means.

(c) Submission of Financial Data. -- A person applying for a license to construct a project under this section shall submit detailed financial data to the Department concerning the ability of applicant to finance or obtain financing for the proposed project, the need for any public funds, if any, and the projected time for the licensee to recover the cost of the licensee's investment and to make a reasonable rate of return. The Department shall independently analyze the data submitted for each project proposal and determine the appropriate license period.

(d) License Period. -- A license issued under this section shall not exceed 50 years from beginning of the operations of the road or bridge.

(e) State Ownership. -- Projects constructed pursuant to this Article shall, at all times, be owned by the State. The license shall provide that the licensee shall have the exclusive rights to operate, collect tolls, and receive any other authorized remuneration from the project during the license period.

(f) State Use for Other Purposes. -- A license issued pursuant to this section shall authorize the State or its designee to enter and utilize the project right-of-way for other transportation or utility-related purposes, as long as those purposes do not interfere with the use by the licensee.

(g) Terms of License. -- Additional terms and conditions of any license issued pursuant to this section shall be within the discretion of the Department of Transportation, and may include, in addition to any other requirements:

(1) Provisions establishing minimum design and construction standards for the project;

(2) Provisions establishing minimum maintenance standards for the projects and the responsibility for such maintenance:

(3) Provisions requiring that necessary traffic signs and other traffic control devices be erected and maintained in conformity with the Manual on Uniform Traffic Control Devices as defined in G.S. 136-30(d).

(4) Provisions establishing the rights and duties of the parties regarding infrastructure improvement

and connections between the project and the State highway system;

(5) Provisions regarding any type of access control, if any, that may be required for the project;

(6) Provisions establishing the relative responsibilities of the licensee and the Department of Transportation to keep the completed project open and accessible to the public;

(7) Provisions requiring that the State of North Carolina, its agencies, officials and employees be indemnified and held harmless by the licensee for any liability incurred on the project in connection with project construction, maintenance, or operation;

(8) Provisions concerning location of the project; and

(9) Provisions concerning reasonable restrictions that would prevent the State or the Department from constructing competitive transportation facilities during the term of the license.

(h) Department Powers. -- The Department may exercise any power possessed by it with respect to the development and construction of State transportation projects to facilitate the development and construction of transportations projects pursuant to this Article.

(i) Transfer of Department Property to Licensee. -- Notwithstanding the provisions of G.S. 136-19, should the Department determine that a licensed project requires property interests held by the Department, such interests as the Department determines to be necessary may be conveyed to the licensee for fair market value.

(j) Applicability of Other Laws. -- For the purpose of entering into contractual licensing agreements under this section, the Department of Transportation is exempted from any provision of the General Statutes that conflicts with the purposes of this section, specifically including G.S. 136-28.1 and G.S. 143-52. A project licensed under this section shall not be included in the distribution formula under G.S. 136-17.2A but shall require approval of the Board of Transportation under G.S. 143B-350(f)(4).

(k) Applicability of Motor Vehicle Laws. -- Any project licensed by the Department of Transportation under the authority granted in this section shall be considered a 'highway' as defined in G.S. 20-4.01(13) and a 'public vehicular area' as defined in G.S. 20-4.01(32). The State Highway Patrol and the

Division of Motor Vehicles shall have the same powers and duties on such projects as on any other highway or public vehicular area.

(l) Exclusive License. -- Upon the issuance of a license by the Department of Transportation, no further license of any type may be required by the State or local government body for the ownership, construction, or operation of the project.

(m) Definitions. -- The following definitions shall apply as used in this section:

(1) 'Person' shall mean any natural person, partnership, corporation, trust, association, sole proprietorship, or any other legal entity including the State or its agencies, institutions, or political subdivisions.

(2) 'Project' shall mean a constructed, maintained, and operated highway, road, bridge, or other transportation-related facility funded through tolls or other alternative financing methods.

(3) 'License' shall mean a person authorized through a contractual agreement with the Department of Transportation to finance, design, construct, maintain, improve, own, or operate, or any combination thereof, a project.

(n) Report. -- The Department shall report to the Joint Legislative Transportation Oversight Committee and to the Transportation Appropriations Subcommittee by February 1, 2001, and every year thereafter, on any project planning, construction, or operation commenced pursuant to the provisions of this Article.

"**§ 136-89.169. State-owned and operated projects.**

(a) Authority to Construct and Operate. -- The Department of Transportation is authorized to construct and operate up to three transportation projects within the State, using funding by tolls or other nontraditional funding methods. Any project authorized by this section must be approved by the Board of Transportation on or before July 1, 2003.

(b) Requirement for Finding of Need. -- Prior to the construction of any project authorized under this section, the Department shall make a written determination that the proposed project is necessary and in the public interest, and that it is unlikely to be constructed in the foreseeable future as a project of the Department through traditional means.

(c) Report. -- The Department shall report to the Joint Legislative Transportation Oversight Committee and to the

Transportation Appropriations Subcommittee by February 1, 2001, and every year thereafter, on any project planning, construction, or operation commenced pursuant to the provisions of this Article."

Section 2. This act is effective when it becomes law.

SENATE BILL 1197:
Toll Roads

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Gulley
Date:	June 6, 2000	**Summary by:**	Martha K. Walston
Version:	Proposed Committee Substitute		Committee Counsel

SUMMARY: ***Senate Bill 1197 is a recommendation of the LRC Transportation Finance Committee. The bill authorizes the construction of up to three private and three public transportation projects, that are funded either by tolls or other alternative financing methods. The act is effective when it becomes law. Any license issued for a private project must be issued on or before July 1, 2003, and any State-owned and operated project must be approved by the Board of Transportation on or before July 1, 2003. House Bill 1630, introduced by Rep. Crawford is a companion bill and is in House Transportation.***

BILL ANALYSIS: Senate Bill 1197 adds a new Article to Chapter 136 (Roads and Highways). The new Article, entitled "Private and Public Pilot Projects with Alternative Financing", authorizes the construction and operation of three private transportation projects and three State-owned projects in the State.

Private Road or Bridge Projects

The Department of Transportation may issue up to three licenses to persons to finance, design, construct, maintain, improve, own, or operate a transportation project in the State. The project may be financed solely from private resources or a combination of private and public resources.

Requirements for Issuance of License

- DOT must make written determination that proposed project is necessary, in the public interest, and unlikely to be constructed in the foreseeable future as a project of DOT through traditional means.
- Applicant must submit detailed financial data to DOT showing ability to finance or obtain financing for the project, the need for any public funds, and the projected time for licensee to recover cost of his investment and to make a reasonable rate of return.

License period – The license period may not exceed 50 years from the beginning of the operation of the road or bridge.

State Ownership. –Private project constructed under the new Article will be owned by the State at all times.

Terms of License – The State or its designee is authorized to enter and use the project right-of-way for other transportation or utility-related purposes, if the use does not interfere with use by the licensee. The licensee has exclusive rights to operate, collect tolls, and receive any other authorized remuneration from the project during the license period. DOT has discretion to include additional terms and conditions in the license.

DOT Powers – DOT has the authority to exercise any of its powers to facilitate the development and construction of the projects.

Transfer of DOT Property to Licensee – DOT is authorized to convey property interests to the licensee for fair market value if DOT determines that the licensed project needs the property interests.

Exemptions -- DOT is exempted from conflicting laws (bidding requirements and advertisement) for the purpose of entering into contractual licensing agreements. A licensed project is also exempt from inclusion in the distribution formula for funds expended on the Intrastate System and the Transportation Improvement Program but does require that the Board of Transportation approve the schedule of a transportation improvement project and anticipated cost for seven years.

Highway Patrol and Division of Motor Vehicles have power and duties on project.

Reporting Requirements – DOT must report to Joint Legislative Transportation Oversight Committee and to the Transportation Appropriations Subcommittee by February 1, 2001 and every year thereafter on any project.

State-Owned and Operated Projects

DOT may construct and operate up to three state-owned transportation projects in the State if it determines that the proposed project is necessary and in the public interest, and that it is unlikely to be constructed in the foreseeable future as a project of DOT through traditional means. The project is to be funded by tolls or other non-traditional funding methods.

Reporting Requirements – same as for private projects.

A BILL TO BE ENTITLED

AN ACT TO CLARIFY THE PROPERTY TAX TREATMENT OF A HEALTH CARE FACILITY UNDERTAKEN BY THE MEDICAL CARE COMMISSION PURSUANT TO THE HEALTH CARE FACILITIES FINANCE ACT AND TO EXTEND THE SUNSET ON THE PROPERTY TAX EXEMPTION FOR CONTINUING CARE RETIREMENT CENTERS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 131A-21 reads as rewritten:

"**§ 131A-21. Tax exemption.**

The exercise of the powers granted by this Chapter will be in all respects for the benefit of the people of the State and will promote their health and ~~welfare, and no tax or assessment shall be levied upon any health care facilities undertaken by the Commission prior to the retirement or provision for the retirement of all bonds or notes issued and obligations incurred by the Commission in connection with such health care facilities.~~ welfare. If bonds or notes are issued by the Commission to provide or improve a health care facility, then until the bonds or notes are retired, the facility for which bonds or notes are issued is exempt from property taxes to the extent provided in this section. If refunding bonds or notes are issued to refund bonds or notes issued to provide or improve a health care facility, the facility will continue to be exempt from property taxes as provided in this section until such time as the refunding bonds or notes are retired, provided that the final maturity of the refunding bonds or notes does not extend beyond the final maturity of the original bonds or notes.

The property tax exemption under this section shall not exceed the lesser of the original principal amount of the bonds or notes or the assessed value for ad valorem tax purposes of the facility. If bonds or notes are issued to finance more than one health care facility, only that portion of the principal amount of the bonds or notes used to provide or improve the particular facility, including any allocable reserves and financing costs, may be considered for the purpose of determining the amount of the exemption allowable under this section. The exemption authorized by this section shall begin with the first full tax year of the taxpayer following the issuance of the bonds and notes. This section does not affect a health care facility's eligibility for a property tax exemption under Subchapter II of Chapter 105 of the General Statutes.

Any bonds or notes issued by the Commission under the provisions of this Chapter shall at all times be free from taxation by the State or any local unit or political subdivision or other instrumentality of the State, excepting ~~inheritance~~ inheritance, estate, or gift taxes, income taxes on the gain from the transfer of the bonds and notes, and franchise taxes. The interest on the bonds and notes is not subject to taxation as income."

Section 2. Subsection (e) of Section 29A.18 of Chapter 212 of the 1998 Session Laws reads as rewritten:

"(e) Subsection (a) of this section is effective for taxes imposed for taxable years beginning on or after July 1, 1998. Notwithstanding the provisions of G.S. 105-282.1(a), an application for the benefit provided in subsection (a) of this section for the 1998-99 tax year is timely if it is filed on or before November 15, 1998. ~~Subsection (a) of this section~~ G.S. 105-278.6A is repealed effective for taxes imposed for taxable years beginning on or after July 1, ~~2000.~~ 2001. The remainder of this section is effective when it becomes law."

Section 3. Section 1 of this act becomes effective October 1, 2000, and applies to bonds or notes issued on or after that date. Section 2 of this act becomes effective July 1, 2000. The remainder of this act is effective when it becomes law.

HOUSE BILL 1573:
Health Care Facility and CCRC Tax Exempt

BILL ANALYSIS

Committee: Senate Finance
Date: June 12, 2000
Version: Second Edition

Introduced by: Rep. Jarrell
Recommended by Revenue Laws
Summary by: Cindy Avrette and Martha Walston, Committee Counsel

SUMMARY: House Bill 1573 contains two recommendations of the Revenue Laws Study Committee:

- *It clarifies the property tax exemption of a health care facility financed by Medical Care Commission bonds or notes.*
- *It extends the sunset on the property tax exemption for continuing care retirement centers from July 1, 2000, to July 1, 2001.*

CLARIFY PROPERTY TAX EXEMPTION OF HEALTH CARE FACILITY FINANCED BY MEDICAL CARE COMMISSION BONDS OR NOTES (Section 1):

House Bill 1573 clarifies the property tax exemption for health care facilities financed with bonds or notes issued by the Medical Care Commission in two ways:

- The amount of the exemption cannot exceed the lesser of the principal amount of the bonds or notes or the assessed value of the facility.
- Only the part of a health care facility financed by bonds or notes issued by the Medical Care Commission is exempt from property tax. When bonds or notes are used to finance an expansion or a renovation of an existing facility, only the new part of the facility or the renovated part of the facility may be exempt from property tax, not the entire facility.

The **Second Edition** makes technical changes to this section of the bill, as requested by the bond attorney. The Department of Revenue and the Institute of Government requested the clarifications made in the bill.

In 1975, the General Assembly enacted the Health Care Facilities Finance Act to help and encourage the modernization and expansion of the State's health care facilities. Under the Act, the Medical Care Commission may issue bonds or notes to finance the cost of building or improving health care facilities for public or nonprofit agencies. The Medical Care Commission indicates that over the last 20 years, approximately $5 billion in bonds or notes have been issued. Approximately 90% of these bonds or notes have been issued to hospitals for expansion and renovation of hospital facilities and for purchasing hospital equipment.

The Act provides that a health care facility financed through bonds or notes issued by the Medical Care Commission is exempt from property tax until the bonds or notes are retired. At the time the Act was enacted, the Medical Care Commission actually owned most, if not all, of the facilities financed through bond revenues until the bonds or notes were retired. Ownership was given to a public or nonprofit agency after the bonds or notes were retired. Today, the Commission does not generally own the facilities being financed; ownership remains with the public and nonprofit health care facilities requesting the financing. Most of these facilities are exempt from property tax under G.S. 105-278.8. The exemption being amended by this bill was included in the law in 1975 because the Medical Care Commission did not fall within the tax exemption for charitable hospital purposes.

EXTEND THE SUNSET FOR CCRC (Section 2):

House Bill 1573 also provides that the current property tax exemption for continuing care retirement centers (CCRC) will remain in effect for one more year by extending the exemption's sunset from July 1, 2000, to July 1, 2001.

Background: North Carolina has long exempted from property tax homes for the aged, sick, and infirm if the homes are used exclusively for a charitable purpose and the owner of the property is not organized for profit. (G.S. 105-278.6) In 1983 and 1984, the North Carolina courts ruled that two retirement homes that had sought to claim this property tax exemption did not qualify because the homes were not charitable. In response to the courts' rulings, the General Assembly enacted a property tax exemption in 1987 for certain homes for the "aged, sick, or infirm". To qualify for the exemption, a CCRC did not have to be operated as a charity, but it did have to be owned and operated by a nonprofit organization that was a religious or Masonic organization. (G.S. 105-275(32))

In 1998, Springmoor, Inc., a nonprofit corporation that manages and operates a self-contained residential community for the elderly, successfully challenged the constitutionality of the 1987 legislation. Springmoor alleged that its center met all the requirements of G.S. 105-275(32), except that it was not affiliated with a religious or Masonic organization as required by a subpart of the statute. The North Carolina Supreme Court agreed that the statute violated the First Amendment because it was an unconstitutional establishment of religion. Instead of severing the unconstitutional subpart from the statute, which would have given Springmoor exempt status, the Court ruled the entire statute unconstitutional. The Court explained that it was not the General Assembly's intent to provide a blanket exclusion for all nonprofit homes for the elderly.

After the *Springmoor* decision, the General Assembly enacted G.S. 105-278.6A. This statute temporarily revises the property tax exemption for retirement communities that was held unconstitutional in *Springmoor*. The exemption expires July 1, 2000. The Revenue Laws Study Committee appointed a subcommittee consisting of interested parties (including representatives of the CCRCs, the counties, and the tax assessors) to review the tax status of the CCRCs and to seek a compromise. During its six meetings, the subcommittee discussed numerous proposals and looked at other states' laws. Because the subcommittee did not reach a consensus, it recommended extension of the sunset on the property tax exemption for one year in order to give all interested parties more time to seek a compromise.

Martha Walston, an attorney in the Fiscal Research Division, contributed to this summary.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: County and Municipal Governments

EFFECTIVE DATE: Section 1 becomes effective October 1, 2000, and applies to bonds or notes issued on or after that date. Section 2 becomes effective July 1, 2000. The remainder of the bill is effective when it becomes law.

BILL SUMMARY:
Under G.S. 131A-21, any health care facility funded through Medical Care Commission bonds or notes is exempt from property tax for the life of that bond or note. Section 1 of the bill clarifies that the exemption only applies to the portion of the facility funded by the Medical Care Commission bond or note, or the principal amount of that bond or note, whichever is smaller. Section 2 of the bill extends the sunset on the property tax exemption for Continuing Care Retirement Communities to July 1, 2001.

ASSUMPTIONS AND METHODOLOGY:
Section 1: Since its inception in 1975, the Medical Care Commission (MCC), has issued approximately $5 billion in bonds or notes to fund the creation and expansion of North Carolina health care facilities. According to the MCC staff, approximately 10% of these bonds or notes have been issued to CCRCs.

Until recently these bonds were issued almost exclusively to fund the creation of an entirely new facility. In the last five years the MCC has seen a significant increase in the number of applications for the renovation and expansion of existing facilities. The MCC anticipates this trend to continue and accelerate over time.

According to Department of Revenue officials and local county assessors, there has been some confusion as to whether the entire facility should be exempt from tax solely because MCC bonds or notes fund a portion of the facility. At this point, Fiscal Research is aware of at least two CCRCs that are requesting a property tax exemption for their entire facility based on partial Medical Care Commission bond funding.

Because the bill is prospective, the legislation will not impact facilities funded under existing bonds. MCC staff also believe that this will not impact the state's non-profit hospitals since these hospitals already receive a property tax exemption for most of their holdings under G.S. 105-278.8 (charitable hospital). As a result, most of these hospital facilities are exempt from property tax with or without MCC funding. The primary impact will occur in communities with Continuing Care Retirement Communities that will apply for MCC funding in the future, since many of these facilities are or could be subject to property tax. Since Fiscal Research cannot anticipate the amount of bonds to be issued in the future to these facilities, no fiscal estimate is possible.

Section 2: G.S. 105-278.6A allows a Continuing Care Retirement Center (CCRC) that fails to qualify as charitable to receive a property tax exemption for its property if it meets all of the following requirements:

1. The center owns the property and uses it for a retirement community that includes a skilled nursing facility or an adult care facility, and also includes independent living units. Its ground and buildings must be on a single site and it must be designed for elderly residents.
2. The center must be nonprofit and exempt from income tax, and its assets upon dissolution must revert to a 501 (c) (3) charitable organization.
3. The center must have an active fund raising program to assist it in providing services to those who do not have the financial resources to pay the fees.
4. The governing body of the institution must be selected by a charitable nonprofit organization or fraternal organization.
5. All of the center's revenues, less operating and capital expenses, must be applied to providing uncompensated goods and services to the elderly and to the local community, or applied to an endowment or reserve for that purpose.

The property tax exemption for these CCRCs is repealed for taxes imposed for taxable years beginning on or after July 1, 2000. The proposal extends the sunset on the property tax exemption for CCRCs set out in G.S. 105-278.6A to *July 1, 2001*. Technically, extending the property tax sunset one year has no fiscal impact on local governments. Prior to 1998, the non-charitable CCRCs were exempt from property tax. Since July 1, 1998, non-charitable CCRCs

have been exempt from property taxes under G.S. 105-278.6A. Even with the impending sunset in 2000, local governments have not included CCRC revenue in their budget availability for FY 2000-2001. However, if the sunset were to expire in 2000 and the non-charitable CCRCs became fully taxable, then city and county governments could assess taxes on the property and receive an estimated $5.1 million in property tax revenues. There is no General Fund impact of the proposal.

A BILL TO BE ENTITLED

AN ACT TO MODIFY THE TAX LIMIT FOR THE TOWN OF BADIN.

The General Assembly of North Carolina enacts:

Section 1. Section 5.3 of the Charter of the Town of Badin, being Chapter 894, Session Laws of 1989, as rewritten by Section 1 of Chapter 827, Session Laws of 1991, reads as rewritten:

"Sec. 5.3. ~~The Town Council may set an ad valorem tax rate in excess of $.25 per $100 valuation only if the rate meets both of the following conditions:~~

~~(1) The percentage increase in the rate from the previous year's rate does not exceed the percentage increase in the Implicit GNP Price Deflator over the preceding year.~~

~~(2) The increase in the rate does not exceed ten percent (10%) of the rate that applied in the next preceding year.~~

The ad valorem tax rate set by the Town Council shall not exceed the previous year's rate by more than ten percent (10%)."

May 10, 2000

A BILL TO BE ENTITLED

AN ACT AMENDING THE STATUTORY DEFINITION OF "SUBDIVISION" FOR THE PURPOSE OF SUBDIVISION REGULATION IN RICHMOND COUNTY.

The General Assembly of North Carolina enacts:

Section 1. G.S. 153A-335 reads as rewritten:

"**§ 153A-335. "Subdivision" defined.**

For purposes of this Part, "subdivision" means all divisions of a tract or parcel of land into two or more lots, building sites, or other divisions for the purpose of sale or building development (whether immediate or future) and includes all division of land involving the dedication of a new street or a change in existing streets; however, the following is not included within this definition and is not subject to any regulations enacted pursuant to this Part:

(1) The combination or recombination of portions of previously subdivided and recorded lots if the total number of lots is not increased and the resultant lots are equal to or exceed the standards of the county as shown in its subdivision regulations;

(2) The division of land into parcels greater than ~~10~~ five acres if no street right-of-way dedication is involved;

(3) The public acquisition by purchase of strips of land for widening or opening streets; and

(4) The division of a tract in single ownership the entire area of which is no greater than two acres into not more than three lots, if no street right-of-way dedication is involved and if the resultant lots

are equal to or exceed the standards of the county as shown by its subdivision regulations."

Section 2. This act applies to Richmond County only.

Section 3. This act is effective when it becomes law.

HOUSE BILL 1541

Short Title: Camden Ambulance Fees. (Local)

Sponsors: Representative Owens.

Referred to: Local Government II.

May 16, 2000

A BILL TO BE ENTITLED

AN ACT TO MAKE IT A CRIMINAL OFFENSE IN CAMDEN COUNTY TO OBTAIN AMBULANCE SERVICES WITH NO INTENT TO PAY FOR THOSE SERVICES OR TO MAKE AN UNNECESSARY AMBULANCE REQUEST AND TO AUTHORIZE CAMDEN COUNTY TO COLLECT AMBULANCE CHARGES THROUGH THE USE OF ATTACHMENT AND GARNISHMENT PROCEEDINGS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 14-111.2 reads as rewritten:

"**§ 14-111.2. Obtaining ambulance services without intending to pay therefor -- certain named counties.**

Any person who with intent to defraud shall obtain ambulance services without intending at the time of obtaining such services to pay, if financially able, any reasonable charges therefor shall be guilty of a Class 2 misdemeanor. A determination by the court that the recipient of such services has willfully failed to pay for the services rendered for a period of 90 days after request for payment, and that the recipient is financially able to do so, shall raise a presumption that the recipient at the time of obtaining the services intended to defraud the provider of the services and did not intend to pay for the services.

The section shall apply to Anson, Ashe, Beaufort, Caldwell, Camden, Caswell, Catawba, Chatham, Cherokee, Clay, Cleveland, Cumberland, Davie, Duplin, Durham, Forsyth, Gaston, Graham, Guilford, Haywood, Henderson, Hoke, Hyde, Iredell, Macon, Mecklenburg, Montgomery, Orange, Pasquotank, Person, Polk,

Randolph, Robeson, Rockingham, Scotland, Stanly, Surry, Transylvania, Union, Vance, Washington, Wilkes and Yadkin Counties only."

Section 2. G.S. 14-111.3 reads as rewritten:

"**§ 14-111.3. Making unneeded ambulance request in certain counties.**

It shall be unlawful for any person or persons to willfully obtain or attempt to obtain ambulance service that is not needed, or to make a false request or report that an ambulance is needed. Every person convicted of violating this section shall be guilty of a Class 3 misdemeanor.

This section shall apply only to the Counties of Ashe, Buncombe, Camden, Cherokee, Clay, Cleveland, Davie, Duplin, Durham, Graham, Greene, Haywood, Hoke, Macon, Madison, Polk, Robeson, Washington, Wilkes and Yadkin."

Section 3. G.S. 44-51.8 reads as rewritten:

"**§ 44-51.8. Counties to which Article applies.**

The provisions of this Article shall apply only to Alamance, Alexander, Alleghany, Anson, Ashe, Beaufort, Bladen, Brunswick, Buncombe, Burke, Cabarrus, Camden, Caldwell, Caswell, Catawba, Chatham, Cherokee, Chowan, Cleveland, Columbus, Craven, Cumberland, Dare, Davidson, Davie, Duplin, Durham, Edgecombe, Forsyth, Franklin, Gaston, Graham, Granville, Greene, Guilford, Halifax, Harnett, Haywood, Henderson, Hertford, Hoke, Hyde, Iredell, Johnston, Jones, Lee, Lenoir, Lincoln, McDowell, Macon, Madison, Mecklenburg, Mitchell, Montgomery, Moore, Nash, New Hanover, Onslow, Pasquotank, Person, Pitt, Polk, Randolph, Richmond, Robeson, Rockingham, Rowan, Rutherford, Sampson, Scotland, Stanly, Stokes, Surry, Swain, Transylvania, Tyrrell, Union, Vance, Wake, Warren, Washington, Watauga, Wilkes, Wilson, Yadkin and Yancey Counties."

Section 4. This act becomes effective December 1, 2000, and applies only to Camden County. Sections 1 and 2 of this act apply only to offenses committed on or after December 1, 2000.

HOUSE BILL 1541 (Local Bill): Camden Ambulance Fees

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Rep. Owens
Date:	June 12, 2000	**Summary by:**	Martha K. Walston
Version:	1st Edition		Committee Counsel

SUMMARY: ***House Bill 1541 makes it a criminal offense in Camden County to obtain ambulance services with no intent to pay or to willfully make an unnecessary ambulance request or false report that an ambulance is needed. House Bill 1541 also authorizes Camden County to collect ambulance charges through the use of attachment and garnishment proceeding or liens on real property. The act is effective December 1, 2000 and applies only to Camden County. Sections 1 and 2 (criminal statutes) apply only to offenses committed in Camden County on or after December 1, 2000. The bill was given a favorable report in House Local Government II and House Finance.***

CURRENT LAW: **Misdemeanor:** Forty-two counties make it a Class 2 misdemeanor if a person with intent to defraud obtains ambulance services without intending at the time of obtaining the services to pay, if financially able, any reasonable charges. If a county finds that a recipient has willfully failed to pay for the services after 90 days from a request for payment and that the recipient is financially able to pay, then a presumption is raised that the recipient intended to defraud the service provider. A Class 2 misdemeanor carries a maximum fine of $1,000 and/or community punishment of 1-30 days if no prior convictions. (The Counties of Buncombe, Haywood, and Madison make it a Class 2 misdemeanor if a person with intent to defraud obtains ambulance services for himself or other persons without intending at the time of obtaining the services to pay a reasonable charge. There is no requirement that the person be financially able to pay.)

Nineteen counties make it a Class 3 misdemeanor if a person willfully obtains or attempts to obtain ambulance service that is not needed, or makes a false request or report that an ambulance is needed. A Class 3 misdemeanor carries a maximum fine of $200 and/or community punishment of 1-10 days if no prior convictions.

Lien: Article 9B of Chapter 44 (Liens) authorizes eighty-six counties and the municipalities in those counties to collect ambulance charges through the use of attachment and garnishment proceedings when a recipient of ambulance service provided by the county or municipality or the person responsible for the support of the recipient fails to pay the amount due for a period of 90 days after service is rendered. The amount due is treated as if it were a tax due to the county or municipality.

Article 9B also authorizes the county or municipality to create a lien on the real property of the recipient of the service or on the real property of a person legally responsible for the support of the recipient. To be valid the lien must be filed with the clerk of superior court after 90 dates from the date of the ambulance service but before 180 days of the date of the service.

(Article 9A authorizes any county or municipal agency or government that has furnished ambulance service to create a lien on the real property of the recipient of the ambulance service.)

BILL ANALYSIS: House Bill 1541 adds Camden County to those counties that:

- make it a misdemeanor to obtain ambulance services with no intent to pay or to willfully make an unnecessary ambulance request or false report that an ambulance is needed,
- may collect ambulance charges through the use of attachment and garnishment proceedings, and
- may create a lien on the real property of the recipient of ambulance service or on the real property of the person legally responsible for the support of the recipient.

AN ACT TO MODIFY THE AUTHORITY OF DEPARTMENT OF REVENUE LAW ENFORCEMENT AGENTS, TO ALLOW THE SECRETARY OF REVENUE TO ADMINISTER THE OATH OF OFFICE TO DEPARTMENT OF REVENUE LAW ENFORCEMENT AGENTS, TO PROVIDE A CIVIL PENALTY FOR FILING A FRIVOLOUS INCOME TAX RETURN, AND TO CHANGE THE PROCEDURES FOR LAW ENFORCEMENT REPORTING ON NON-TAX-PAID UNAUTHORIZED SUBSTANCES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-236.1 reads as rewritten:

"**§ 105-236.1. Enforcement of revenue laws by revenue law enforcement agents.**

(a) General. -- The Secretary may appoint employees of the Unauthorized Substances Tax Division to serve as revenue law enforcement officers having the responsibility and subject-matter jurisdiction to enforce the excise tax on unauthorized substances imposed by Article 2D of this Chapter. ~~The~~ The Secretary may appoint employees of the Criminal Investigations Division to serve as revenue law enforcement officers having the responsibility and subject-matter jurisdiction to enforce the following tax violations and criminal offenses:

f. G.S. 14-401.18 (Sale of Certain Packages of Cigarettes).

~~The Secretary may appoint employees of the Unauthorized Substances Tax Division to serve as revenue law enforcement officers having the responsibility and subject-matter jurisdiction to enforce the excise tax on unauthorized substances imposed by Article 2D of this Chapter. To serve as a revenue law enforcement officer, an employee must be certified as a criminal justice officer under Chapter 17C of the General Statutes.~~

(b) Authority. -- A revenue law enforcement officer is a State officer with jurisdiction throughout the State within the officer's subject-matter jurisdiction. A revenue law enforcement officer may serve and execute notices, orders, warrants, or demands issued by the Secretary or the General Court of Justice in connection with the enforcement of the officer's subject-matter jurisdiction. A revenue law enforcement officer has the full powers of arrest as provided by G.S. 15A-401 while executing the notices, orders, warrants, or demands.

(c) Qualifications. -- To serve as a revenue law enforcement officer, an employee must be certified as a criminal justice officer under Chapter 17C of the General Statutes. The Secretary may administer the oath of office to revenue law enforcement officers appointed pursuant to this section."

Section 2. G.S. 105-236 is amended by adding a new subdivision to read:

"(10a) Filing a Frivolous Return. -- If a taxpayer files a frivolous return under Part 2 of Article 4 of this Chapter, the Secretary shall assess a penalty in the amount of five hundred dollars ($500.00). A frivolous return is a return that meets both of the following requirements:

a. Fails to include information on which the substantial correctness of the return may be judged or contains information that indicates the return is substantially incorrect.

b. Commits an act intended to delay or impede the revenue laws of this State or a reliance upon a position that is frivolous."

Section 3. G.S. 105-113.106(4c) is recodified as G.S. 105-113.106(4d).

Section 4. G.S. 105-113.106 is amended by adding the following two new subdivisions to read:

"The following definitions apply in this Article:

. . .

(4c) Local law enforcement agency. -- A municipal police department, a county police department, or a sheriff's office.

. . .

(8a) State law enforcement agency. -- Any State agency, force, department, or unit responsible for enforcing criminal laws."

Section 5. G.S. 105-113.108 reads as rewritten:

"**§ 105-113.108. Reports; revenue stamps.**

(a) Revenue Stamps. -- The Secretary shall issue stamps to affix to unauthorized substances to indicate payment of the tax required by this Article. Dealers shall report the taxes payable under this Article at the time and on the form prescribed by the Secretary. Dealers are not required to give their name, address, social security number, or other identifying information on the form. Upon payment of the tax, the Secretary shall issue stamps in an amount equal to the amount of the tax paid. Taxes may be paid and stamps may be issued either by mail or in person.

(b) Reports. -- Every local law enforcement agency and every State law enforcement agency must report to the Department within 48 hours after seizing an unauthorized substance, or making an arrest of an individual in possession of an unauthorized substance, listed in this subsection upon which a stamp has not been affixed. The report must be in the form prescribed by the Secretary and it must include the time and place of the arrest or seizure, the amount, location, and kind of substance, the identification of an individual in possession of the substance and that individual's social security number, and any other information prescribed by the Secretary. The report must be made when the arrest or seizure involves any of the following unauthorized substances upon which a stamp has not been affixed as required by this Article:

(1) More than 42.5 grams of marijuana.

(2) Seven or more grams of any other controlled substance that is sold by weight.

(3) Ten or more dosage units of any other controlled substance that is not sold by weight.

(4) Any illicit mixed beverage.

(5) Any illicit spirituous liquor.

(6) Mash."

Section 6. G.S. 114-18.1 is repealed.

Section 7. G.S. 114-19(b) is repealed.

Section 8. Section 2 of this act becomes effective October 1, 2000, and applies to returns filed on or after that date. Sections 3 through 7 of this act become effective December 1, 2000, and apply to arrests or seizures occurring on or after that date. The remainder of this act is effective when it becomes law.

HOUSE BILL 1551:
Tax Enforcement

BILL ANALYSIS

Committee:	Senate Finance	**Sponsor:**	Rep. Miller
Date:	June 12, 2000	*Recommended by Revenue Laws*	
Version:	Third Edition	**Summary by:**	Cindy Avrette and Martha Walston, Committee Counsel

SUMMARY: ***House Bill 1551 is a recommendation of the Revenue Laws Study Committee. It makes three changes to current law to facilitate enforcement of the tax laws, as recommended to the Committee by the Department of Revenue. The original bill was changed in House Finance and ON the House Floor as follows: (1) added one other tax law change at the request of the Unauthorized Substances Tax Division of the Department of Revenue, and (2) amended the requirements of a frivolous return.***

Authority of Law Enforcement Agents: (Section 1)

Currently, revenue law enforcement officers have authority to enforce felony violations under G.S. 105-236 and to enforce numerous other offenses under State law when they involve a State tax. Section 1 expands the offenses revenue law enforcement officers may enforce to include the following misdemeanor offenses:

1. Willful failure to collect, withhold, or pay over tax. G.S. 105-236(8)
2. Willful failure to file a return, supply information, or pay tax. G.S. 105-236(9)
3. Use of dyed diesel or other non-tax-paid fuel. G.S. 105-449.117.
4. Miscellaneous fuel tax misdemeanors. G.S. 105-449.120.
5. Sale of certain packages of cigarettes. G.S. 14-401.18.

The proposed committee substitute rewrites G.S. 105-236.1(a) by setting forth the offenses a revenue law enforcement officer may enforce in a list.

Secretary to Administer Oath of Office: (Section 1)

Section 1 also authorizes the Secretary of Revenue to administer the oath of office to revenue law enforcement officers. The Secretary is not one of the individuals who has general authorization under G.S. 11-7.1 to administer oaths. The Secretary does, however, have authority under G.S. 105-261 to administer an oath to a person with respect to a tax return or report. The proposed committee substitute puts the qualifications for becoming a revenue law enforcement officer, including the oath of office, in a separate subsection.

Civil Penalty for Filing a Frivolous Income Tax Return: (Section 2)

Section 2 creates a civil penalty for filing a frivolous income tax return. In order for a return to be frivolous, it must meet both of the following conditions:

- The return does not include information on which the substantial correctness of the return may be judged or contains information that indicates that the return is substantially incorrect.
- The return commits an act intended to delay or impede the revenue laws of this State or a reliance upon a position that is frivolous. **ADDED ON THE HOUSE FLOOR** (was "Evidences a desire to delay or impede the revenue laws of this State or a reliance upon a position that is frivolous.")

The penalty for filing a frivolous return would be five hundred dollars ($500). As with other penalties assessed under Subchapter I of Chapter 105, this penalty would be assessed as an additional tax. This penalty is similar to a penalty imposed on the federal level under section 6702 of the Code.

The Criminal Investigations Division of the Department of Revenue requested this change in the law. In its work, the Division has investigated cases in which a taxpayer will knowingly file an incorrect return in order to inflate deductions and thus increase the amount of the taxpayer's refund. For example, a taxpayer may claim extra dependents or exaggerate the amount of charitable contributions. The current penalties do not provide a proper remedy because they are based upon failure to pay the amount of tax due. In most of these cases, there is no amount of tax due because the taxpayer is already due a refund. The offense is that the taxpayer is claiming a greater refund than the taxpayer is entitled to receive.

- The penalty for failing to pay the amount of tax due is equal to 5% of the amount of tax due.
- A taxpayer that willfully fails to pay the tax due is guilty of a Class 1 misdemeanor.
- A taxpayer who attempts to evade or defeat a tax is guilty of a Class H felony.

Streamline the Procedures for Reporting on Non-Tax-Paid Unauthorized Substances: (Sections 3 through 7) ADDED IN HOUSE FINANCE

Under current law, State and local law enforcement agencies must report to the SBI within 48 hours the arrest of any individual in possession of certain threshold amounts of drugs that do not bear unauthorized substances tax stamps. The SBI must then notify the Department of Revenue on a daily basis of the reports it receives. The SBI does not need this information. Sections 3 through 5 change the law so that State and law enforcement agencies will report these arrests directly to the Department of Revenue, as opposed to the SBI. They also move the reporting requirement from Chapter 114 to Article 2D of Chapter 105. Sections 6 and 7 makes conforming changes: Section 6 repeals the reporting requirement in Chapter 114 because it is moved to Chapter 105 and Section 7 repeals the requirement that the SBI notify the Department on the reports it receives.

Canaan Huie, an attorney in the Bill Drafting Division, contributed to this summary.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue, State Bureau of Investigations

EFFECTIVE DATE: Section 2 (frivolous returns) is effective October 1, 2000, and applies to returns filed on or after that date. Sections 3 through 7 (locals report to Revenue) become effective December 1, 2000, and apply to arrests or seizures occurring on or after that date. The remainder of the act is effective when it becomes law.

BILL SUMMARY:
This bill (1) allows the Secretary of Revenue to administer the oath of office to Department of Revenue Law Enforcement Agents, (2) allows Revenue Law Enforcement Agents to enforce misdemeanor tax laws, (3) creates a $500 civil penalty for filing frivolous income tax returns, and (4) permits local law enforcement agencies to report non tax paid unauthorized substance cases directly to the Department of Revenue.

ASSUMPTIONS AND METHODOLOGY:
Section one of the bill, granting Revenue Law Enforcement Agents arrest powers in selected misdemeanors, has no fiscal impact. These agents currently investigate all misdemeanor tax cases but depend on local law enforcement officials to make the arrests. There is no additional revenue from penalties.

Section two of the bill creates a $500 civil penalty for filing a frivolous tax return, thus adding North Carolina to a list of 18 states and the Internal Revenue Service that charge a fee for fraudulent taxpayer actions. This penalty applies to persons who knowingly use a tax preparer

that guarantees lucrative state and federal income tax refunds by using such schemes as exaggerating the number of dependents or inflating deductions such as medical or charitable contributions.

The Department of Revenue's Criminal Investigations nine person unit currently has six tax preparers under indictment and four tax preparers under investigations. The Director of the unit expects to investigate 6 to 10 cases a year over the next five years. In these cases, it is estimated that each tax preparer fraudulently prepares 100 to 200 income tax returns per year. In 951 civil audits conducted on fraudulent returns filed from 1996 to 1998, the average overpayment of refund was $1,463. While prosecution of these fraudulent returns recovered the overpayments, few penalties were assessed on the taxpayers. As few as 5% of the cases were charged with fraud because of the tremendous staff time needed to provide the evidence necessary for a conviction.

Based on the projected caseload of fraudulent tax preparers (6 to 10 per year) and the number of returns filed illegally by each preparer (100 to 200), the revenue from this $500 civil penalty could range between $300,000 to $1 million a year. (This revenue will be deposited into the General Fund.) This is a rough estimate because of the following factors. First, the revenue the Department now receives from fraud penalties should be netted against this new revenue. Unfortunately, the Department cannot provide the amount of penalty revenue currently received. Second, given the severity of the case, the Department of Revenue might not apply the penalty in every case, thus diminishing the revenue gain. Finally, the frequent application of this penalty to fraudulent taxpayers in the next few years and the publication of this new penalty and taxpayer prosecutions will serve as a deterrent for future tax fraud. Such deterrence of criminal action will reduce the amount of penalty revenue.

Sections 3 through 7 remove the State Bureau of Investigations (SBI) from the reporting of non tax paid unauthorized substances. This change will allow local law enforcement agencies to send reports directly to the Department of Revenue. SBI staff indicates that the agency does not review or use any of the information that is contained in the 4,000 to 6,000 cases that are forwarded each year to the Department of Revenue. The SBI estimates no fiscal impact from these sections.

SENATE BILL 1549*

Short Title: UNC Millennial Campuses. (Public)

Sponsors: Senator Odom.

Referred to: Education/Higher Education.

May 30, 2000

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE CREATION OF MILLENNIAL CAMPUSES AT THE CONSTITUENT INSTITUTIONS OF THE UNIVERSITY OF NORTH CAROLINA.

The General Assembly of North Carolina enacts:

Section 1. The catch line of G.S. 116-36.5 reads as rewritten:

"**§ 116-36.5. Centennial Campus trust fund; Horace Williams Campus trust ~~fund.~~ fund; Millennial Campuses' trust funds.**"

Section 2. G.S. 116-36.5 is amended by adding a new subsection to read:

"(c) All moneys received through development of a Millennial Campus of a constituent institution of The University of North Carolina as defined by G.S. 116-198.33(4b), from whatever source, including the net proceeds from the lease or rental of real property on a Millennial Campus, shall be placed in a special, continuing, and nonreverting trust fund having the sole and exclusive use for further development of that Millennial Campus, including its operational development. This fund shall be treated in the manner of institutional trust funds as provided in G.S. 116-36.1. This fund shall be deemed an additional and alternative method of funding the Millennial Campus and not an exclusive one. To the extent that any general, special, or local law is inconsistent with this section, it is declared inapplicable to this section."

Section 3. The title of Article 21B of the General Statutes reads as rewritten:

"The Centennial ~~Campus and~~ Campus, the Horace Williams ~~Campus~~ Campus, and the Millennial Campuses Financing Act."

Section 4. G.S. 116-198.31 reads as rewritten:

"**§ 116-198.31. Purpose of Article.**

The purpose of this Article is to authorize the Board of Governors of The University of North Carolina to issue revenue bonds, payable from any leases, rentals, charges, fees, and other revenues but with no pledge of taxes or the faith and credit of the State or any agency or political subdivision thereof, to pay the cost, in whole or part, of buildings, structures, or other facilities for the Centennial Campus, located at North Carolina State University at ~~Raleigh and~~ Raleigh, for the Horace Williams Campus located at the University of North Carolina at Chapel ~~Hill.~~ Hill, and for any Millennial Campus as defined by G.S. 116-198.33(4b)."

Section 5. G.S. 116-198.33 reads as rewritten:

"**§ 116-198.33. Definitions.**

As used in this Article, the following words and terms shall have the following meanings, unless the context shall indicate another or different meaning or intent:

(1) The word 'Board' shall mean the Board of Governors of The University of North Carolina.

(2) The word 'cost' as applied to any project, shall include the cost of acquisition or construction; the cost of acquisition of all property, both real and personal, or interests therein; the cost of demolishing, removing, or relocating any buildings or structures on land so acquired, including the cost of acquiring any lands to which such buildings or structures may be removed or relocated; the cost of all labor, materials, equipment and furnishings, financing charges, interest prior to and during construction and, if deemed advisable by the Board, for a period not exceeding one year after completion of such construction; provisions for working capital, reserves for debt service and for extensions, enlargements, additions, and improvements; cost of engineering, financial, and legal services, plans, specifications, studies, surveys, and estimates of cost and of revenues; administrative expenses; expenses necessary or incident to determining the feasibility or practicability of constructing the project; and such other expenses as may be necessary or incident to acquisition or construction with respect to the project or to the placing of the project in operation. Any obligation or expense incurred by the Board prior to the issuance of bonds under the provisions of this Article in connection with any of the foregoing items of cost may be regarded as a part of such cost.

(3) The word 'Institution' shall mean North Carolina State University at Raleigh and the University of North Carolina at Chapel ~~Hill.~~ Hill, or a constituent institution of The University of North Carolina with a Millennial Campus as defined by G.S. 116-198.33(4b).

(4) The term 'Centennial Campus' means all of the following properties:

a. The real property and appurtenant facilities bounded by Blue Ridge Road, Hillsborough Street, Wade Avenue, and Interstate 440 that are the sites of the College of Veterinary Medicine, the University Club, and the Agricultural Turf Grass Management Program.

b. The real property and appurtenant facilities that are the former Dix Hospital properties and other contiguous parcels of property that are adjacent to Centennial Boulevard.

c. All other real property and appurtenant facilities designated by the Board of Governors as part of the Centennial Campus. The properties designated by the Board of Governors do not have to be contiguous with the Centennial Campus to be designated as part of that Campus.

(4a) The term 'Horace Williams Campus' means all of the following properties:

a. The real property and appurtenant facilities left to the University of North Carolina at Chapel Hill by the Will of Henry Horace Williams.

b. All other real property and appurtenant facilities designated by the Board of Governors as part of the Horace Williams Campus. The properties designated by the Board of Governors do not have to be contiguous with the Horace Williams Campus to be designated as part of that Campus.

(4b) The term 'Millennial Campus' means all real property and appurtenant facilities designated by the Board of Governors as part of a Millennial Campus of a constituent institution of The University of North Carolina other than North Carolina State University or the University of North Carolina at Chapel Hill. The properties designated by the Board of Governors do not have to be contiguous with the constituent institution to be designated as part of the institution's Millennial Campus.

(5) The term 'existing facilities' shall mean buildings and facilities, then existing, any part of the revenues of which are pledged under the provisions of any resolution authorizing the issuance of revenue bonds hereunder to the payment of such bonds.

(6) The word 'project' shall mean and shall include any one or more buildings, structures, administration buildings, libraries, research or instructional facilities, housing maintenance, storage, or utility facilities, and any facilities related thereto or required or useful for conducting of research or the operation of the Centennial ~~Campus or~~ Campus, the Horace Williams Campus, or of a Millennial Campus as defined by G.S. 116-198.33(4b), including roads, water, sewer, power, gas, greenways, parking, or any other support facilities essential or convenient for the orderly conduct of the

Centennial ~~Campus or~~ Campus, the Horace Williams ~~Campus~~ Campus, or a Millennial Campus, respectively.

(7) The word 'revenues' shall mean all or any part of the rents, leases, charges, fees, and other income revenues derived from or in connection with any project or projects and existing facilities."

Section 6. G.S. 116-198.34 reads as rewritten:

"**§ 116-198.34. General powers of Board of Governors.**

The Board may exercise any one or more of the following powers:

(1) To determine the location and character of any project or projects, and to acquire, construct, and provide the same, and to maintain, repair, and operate, and to enter into contracts for the management, lease, use, or operation of all or any portion of any project or projects and any existing facilities.

(2) To issue revenue bonds as hereinafter provided to pay all or any part of the cost of any project or projects, and to fund or refund the same.

(3) To fix and revise from time to time and charge and collect rates, fees, rents, and charges for the use of, and for the services furnished by, all or any portion of any project or projects.

(4) To establish and enforce, and to agree through any resolution or trust agreement authorizing or securing bonds under this Article to make and enforce, rules and regulations for the use of and services rendered by any project or projects and any existing facilities, to provide for the maximum use of any project or projects and any existing facilities.

(5) To acquire, hold, lease, and dispose of real and personal property in the exercise of its powers and the performance of its duties hereunder and to lease all or any part of any project or projects and any existing facilities upon such terms and conditions as the Board determines, subject to the provisions of G.S. 143-341 and Chapter 146 of the General Statutes.

Notwithstanding G.S. 143-341 and Chapter 146 of the General Statutes, a disposition by easement, lease, or rental agreement of space in any building on the Centennial ~~Campus or~~ Campus, on the Horace Williams ~~Campus~~ Campus, or on a Millennial Campus made for a period of 10 years or less shall not require the approval of the Governor and the Council of State. All other acquisitions and dispositions made under this subdivision are subject to the provisions of G.S. 143-341 and Chapter 146 of the General Statutes.

(6) To employ consulting engineers, architects, attorneys, accountants, construction and financial experts, superintendents, managers, and such other employees and agents as may be necessary in its

judgment in connection with any project or projects and existing facilities, and to fix their compensation.

(7) To make and enter into all contracts and agreements necessary or incidental to the performance of its duties and the execution of its powers under this Article.

(8) To receive and accept from any federal, State, or other public agency and any private agency, person or other entity donations, loans, grants, aid, or contributions of any money, property, labor, or other things of value for any project or projects, and to agree to apply and use the same in accordance with the terms and conditions under which the same are provided.

(8a) To designate the real property and appurtenant facilities to be included as part of the Centennial ~~Campus or~~ Campus, the Horace Williams ~~Campus.~~ Campus, or a Millennial Campus.

(8b) Acting on recommendation made by the President of The University of North Carolina after consultation by the President with the Chancellor and the Board of Trustees of a constituent institution, to designate real property held by, or to be acquired by, a constituent institution as a 'Millennial Campus' of the institution. That designation shall be based on an express finding by the Board of Governors that the institution desiring to create a 'Millennial Campus' has the administrative and fiscal capability to create and maintain such a campus and provided further, that the Board of Governors has found that the creation of the constituent institution's 'Millennial Campus' will enhance the institution's research, teaching, and service missions as well as enhance the economic development of the region served by the institution. Additionally, the Board of Governors may authorize two or more constituent institutions which meet the requirements of this section to create a joint Millennial Campus.

(9) To do all acts and things necessary or convenient to carry out the powers granted by this Article."

Section 7. G.S. 116-198.35 reads as rewritten:

"**§ 116-198.35. Issuance of bonds and bond anticipation notes.**

The Board is hereby authorized to issue, subject to the approval of the Director of the Budget, at one time or from time to time, revenue bonds of the Board for the purpose of paying all or any part of the cost of acquiring, constructing, or providing any project or projects on the Centennial ~~Campus or~~ Campus, on the Horace Williams ~~Campus.~~ Campus, or on a Millennial Campus. The bonds of each issue shall be dated, shall mature at such time or times not exceeding 40 years from their date or dates, shall bear interest at such rate or rates as may be determined by the Board, and may be redeemable before maturity, at the option of the Board, at such price or prices and under such terms and conditions as may be fixed by the Board prior to the issuance of the bonds. The Board shall determine the form and manner of execution

of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. Notwithstanding any of the other provisions of this Article or any recitals in any bonds issued under the provisions of this Article, all such bonds shall be deemed to be negotiable instruments under the laws of this State, subject only to the provisions for registration in any resolution authorizing the issuance of such bonds or any trust agreement securing the same. The bonds may be issued in coupon or registered form or both or as book-entry bonds, as the Board may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest. The Board may sell such bonds in such manner, at public or private sale, and for such price, as it may determine to be for the best interests of the Board.

The proceeds of the bonds of each issue shall be used solely for the purpose for which such bonds shall have been authorized and shall be disbursed in such manner and under such restrictions, if any, as the Board may provide in the resolution authorizing the issuance of such bonds or in the trust agreement hereinafter mentioned securing the same. Unless otherwise provided in the authorizing resolution or in the trust agreement securing such bonds, if the proceeds of such bonds, by error of estimates or otherwise, shall be less than such cost, additional bonds may in like manner be issued to provide the amount of such deficit and shall be deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the bonds first issued for the same purpose.

The resolution providing for the issuance of revenue bonds, and any trust agreement securing such bonds, may also contain such limitations upon the issuance of additional revenue bonds as the Board may deem proper, and such additional bonds shall be issued under such restrictions and limitations as may be prescribed by such resolution or trust agreement.

Prior to the preparation of definitive bonds, the Board may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The Board may also provide for the replacement of any bonds which shall become mutilated or be destroyed or lost.

Except as herein otherwise provided, bonds may be issued under this Article and other powers vested in the Board under this Article may be exercised by the Board without obtaining the consent of any department, division, commission, board, bureau, or agency of the State and without any other proceedings or the happening of any other conditions or things than those proceedings, conditions, or things which are specifically required by this Article.

The Board may enter into or negotiate a note with an acceptable bank or trust company in lieu of issuing bonds for the financing of projects covered under this section. The terms and conditions of any note of this nature shall be in accordance with the terms and conditions surrounding issuance of bonds.

The Board is hereby authorized to issue, subject to the approval of the Director of the Budget, at one time or from time to time, revenue bond anticipation notes of the Board in anticipation of the issuance of bonds authorized pursuant to the provisions of this Article. The principal of and the interest on such notes shall be payable solely from the proceeds of bonds or renewal notes, or, in the event bond or renewal note proceeds are not available, any available revenues of the project or projects for which such bonds shall have been authorized. The notes of each issue shall be dated, shall mature at such time or times not exceeding two years from their date or dates, shall bear interest at such rate or rates as may be determined by the Board, and may be redeemable before maturity, at the option of the Board, at such price or prices and under such terms and conditions as may be fixed by the Board prior to the issuance of the notes. The Board shall determine the form and the manner of execution of the notes, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the notes and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature shall appear on any notes or coupons shall cease to be such officer before the delivery of such notes, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. Notwithstanding any of the other provisions of this Article or any recitals in any notes issued under the provisions of this Article, all such notes shall be deemed to be negotiable instruments under the laws of this State, subject only to the provisions for registration in any resolution authorizing the issuance of such notes or any trust agreement securing the bonds in anticipation of which such notes are being issued. The notes may be issued in coupon or registered form or both or as book entry notes, as the Board may determine, and provision may be made for the registration of any coupon notes as to principal alone and also as to both principal and interest, and for the reconversion into coupon notes of any notes registered as to both principal and interest. The Board may sell such notes in such manner, at public or private sale, and for such price, as it may determine to be for the best interests of the Board.

The proceeds of the notes of each issue shall be used solely for the purpose for which the bonds in anticipation of which such notes are being issued shall have been authorized, and such note proceeds shall be disbursed in such manner and under such restrictions, if any, as the Board may provide in the resolution authorizing the issuance of such notes or bonds or in the trust agreement securing such bonds.

The resolution providing for the issuance of notes, and any trust agreement securing the bonds in anticipation of which such notes are being authorized, may also contain such limitations upon the issuance of additional notes as the Board may deem proper, and such additional notes shall be issued under such restrictions and limitations as may be prescribed by such resolution or trust agreement. The Board

may also provide for the replacement of any notes which shall become mutilated or be destroyed or lost.

Except as herein otherwise provided, notes may be issued under this Article and other powers vested in the Board under this Article may be exercised by the Board without obtaining the consent of any department, division, commission, board, bureau, or agency of the State and without any other proceedings or the happening of any other conditions or things than those proceedings, conditions, or things which are specifically required by this Article.

Unless the context shall otherwise indicate, the word 'bonds' wherever used in this Article, shall be deemed and construed to include the words 'bond anticipation notes.'"

Section 8. G.S. 116-198.37 reads as rewritten:

"**§ 116-198.37. Fixing fees, rents, and charges; sinking fund.**

For the purpose of aiding in the acquisition, construction, or provision of any project and the maintenance, repair, and operation of any project or any existing facilities, the Board is authorized to fix, revise from time to time, charge, and collect such fee or fees for such privileges and services and in such amount or amounts as the Board shall determine, and to fix, revise from time to time, charge, and collect other fees, rents, and charges for the use of and for the services furnished or to be furnished by any project or projects and any existing facilities, or any portion thereof, and to contract with any person, partnership, association, or corporation for the lease, use, occupancy, or operation of any project or projects and any existing facilities, or any part thereof, and to fix the terms, conditions, fees, rents, and charges for any such lease, use, occupancy, or operation. So long as bonds issued hereunder and payable therefrom are outstanding, such fees, rents, and charges shall be so fixed and adjusted, with relation to other revenues available therefor, as to provide funds pursuant to the requirements of the resolution or trust agreement authorizing or securing such bonds at least sufficient with such other revenues, if any, (i) to pay the cost of maintaining, repairing, and operating any project or projects and any existing facilities any part of the revenues of which are pledged to the payment of the bonds issued for such project or projects, (ii) to pay the principal of and the interest on such bonds as the same shall become due and payable, and (iii) to create and maintain reserves for such purposes. Any surplus funds remaining after application to the purposes mentioned in (i), (ii), and (iii), above, shall be held in trust and applied by the Board to the development of the Centennial ~~Campus or~~ Campus, the Horace Williams ~~Campus~~ Campus, or a Millennial Campus, as applicable. Such fees, rents, and charges shall not be subject to supervision or regulation by any other commission, board, bureau, or agency of the State. A sufficient amount of the revenues, except such part thereof as may be necessary to pay such cost of maintenance, repair, and operation and to provide such reserves therefor and for renewals, replacements, extensions, enlargements, and improvements as may be provided for in the resolution authorizing the issuance of such bonds or in the trust agreement securing the same, shall be set aside at such regular intervals as may be provided in such resolution or such trust agreement in a sinking fund which is hereby

pledged to and charged with the payment of the principal of and the interest on such bonds as the same shall become due and the redemption price or the purchase price of bonds retired by call or purchase as therein provided. Such pledge shall be valid and binding from the time when the pledge is made; the fees, rents, and charges and other revenues or other moneys so pledged and thereafter received by the Board shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act; and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the Board, irrespective of whether such parties have notice thereof. Neither the resolution nor any trust agreement by which a pledge is created need be filed or recorded except in the records of the Board. The use and disposition of moneys to the credit of such sinking fund shall be subject to the provisions of the resolution authorizing the issuance of such bonds or of the trust agreement securing the same."

Section 9. G.S. 146-30(b1) reads as rewritten:

"(b1) Notwithstanding the other provisions of this section, no service charge into the State Land Fund shall be deducted from or levied against the proceeds of any disposition by lease, rental, or easement of State lands that are designated as part of the Centennial Campus as defined by ~~G.S. 116-198.33(4) or~~ G.S. 116-198.33(4), that are designated as part of the Horace Williams Campus as defined by ~~G.S. 116-198.33(4a).~~ G.S. 116-198.33(4a), or that are designated as part of a Millennial Campus as defined by G.S. 116-198.33(4b). All net proceeds of those dispositions are governed by G.S. 116-36.5."

Section 10. G.S. 66-58(b) reads as rewritten:

"(b) The provisions of subsection (a) of this section shall not apply to:

(1) Counties and municipalities.

(2) The Department of Health and Human Services or the Department of Agriculture and Consumer Services for the sale of serums, vaccines, and other like products.

(3) The Department of Administration, except that the agency shall not exceed the authority granted in the act creating the agency.

(4) The State hospitals for the mentally ill.

(5) The Department of Health and Human Services.

(6) The North Carolina School for the Blind at Raleigh.

(6a) The Office of Juvenile Justice.

(7) The North Carolina Schools for the Deaf.

(8) The Greater University of North Carolina with regard to its utilities and other services now operated by it nor to the sale of articles produced incident to the operation of instructional departments, articles incident to educational research, articles of merchandise incident to classroom work, meals, books, or to articles of merchandise not exceeding twenty-five cents (25¢) in value when sold to members of the educational staff or staff auxiliary to education or to duly enrolled students or occasionally to immediate members of the families of members of the

educational staff or of duly enrolled students nor to the sale of meals or merchandise to persons attending meetings or conventions as invited guests nor to the operation by the University of North Carolina of an inn or hotel and dining and other facilities usually connected with a hotel or inn, nor to the hospital and Medical School of the University of North Carolina, nor to the Coliseum of North Carolina State University at Raleigh, and the other schools and colleges for higher education maintained or supported by the State, nor to the Centennial Campus of North Carolina State University at Raleigh, nor to the Horace Williams Campus of the University of North Carolina at Chapel Hill, nor to a Millennial Campus of a constituent institution of The University of North Carolina, nor to the comprehensive student health services or the comprehensive student infirmaries maintained by the constituent institutions of the University of North Carolina.

(9) The Department of Environment and Natural Resources, except that the Department shall not construct, maintain, operate or lease a hotel or tourist inn in any park over which it has jurisdiction. The North Carolina Wildlife Resources Commission may sell wildlife memorabilia as a service to members of the public interested in wildlife conservation.

(10) Child-caring institutions or orphanages receiving State aid.

(11) Highlands School in Macon County.

(12) The North Carolina State Fair.

(13) Rural electric memberships corporations.

(13a) State Farm Operations Commission.

(13b) The Department of Agriculture and Consumer Services with regard to its lessees at farmers' markets operated by the Department.

(13c) The Western North Carolina Agricultural Center.

(13d) Agricultural centers or livestock facilities operated by the Department of Agriculture and Consumer Services.

(14) Nothing herein contained shall be construed to prohibit the engagement in any of the activities described in subsection (a) hereof by a firm, corporation or person who or which is a lessee of space only of the State of North Carolina or any of its departments or agencies; provided the leases shall be awarded by the Department of Administration to the highest bidder, as provided by law in the case of State contracts and which lease shall be for a term of not less than one year and not more than five years.

(15) The State Department of Correction is authorized to purchase and install automobile license tag plant equipment for the purpose of manufacturing license tags for the State and local governments and for such other purposes as the Department may direct.

The Commissioner of Motor Vehicles, or such other authority as may exercise the authority to purchase automobile license tags is hereby directed to purchase from, and to contract with, the State Department of Correction for the State automobile license tag requirements from year to year.

The price to be paid to the State Department of Correction for the tags shall be fixed and agreed upon by the Governor, the State Department of Correction, and the Motor Vehicle Commissioner, or such authority as may be authorized to purchase the supplies.

(16) Laundry services performed by the Department of Correction may be provided only for agencies and instrumentalities of the State which are supported by State funds and for county or municipally controlled and supported hospitals presently being served by the Department of Correction, or for which services have been contracted or applied for in writing, as of May 22, 1973. In addition to the prior sentence, laundry services performed by the Department of Correction may be provided for the Governor Morehead School and the North Carolina School for the Deaf.

The services shall be limited to wet-washing, drying and ironing of flatwear or flat goods such as towels, sheets and bedding, linens and those uniforms prescribed for wear by the institutions and further limited to only flat goods or apparel owned, distributed or controlled entirely by the institutions and shall not include processing by any dry-cleaning methods; provided, however, those garments and items presently being serviced by wet-washing, drying and ironing may in the future, at the election of the Department of Correction, be processed by a dry-cleaning method.

(17) The North Carolina Global TransPark Authority or a lessee of the Authority.

(18) The activities and products of private enterprise carried on or manufactured within a State prison facility pursuant to G.S. 148-70.

(19) The North Carolina Justice Academy.

(20) The Department of Transportation, or any nonprofit lessee of the Department, for the sale of books, crafts, gifts, and other tourism-related items at visitor centers owned by the Department."

Section 11. This act is effective when it becomes law.

SENATE BILL 1549:
UNC Millennial Campuses.

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Sen. Odom
Date:	June 20, 2000	**Summary by:**	Robin Johnson, Staff Attorney, Karen Cochrane Brown Committee Co-Counsel
Version:	1st Edition		

SUMMARY: ***Senate Bill 1549 would authorize the Board of Governors (Board) to designate real property and appurtenant facilities to be part of a Millennial Campus and to issue revenue bonds to pay the cost of buildings, structures or other facilities on a Millennial Campus. A Millennial Campus would be associated with one or more constituent institutions of The University of North Carolina other than North Carolina State University (NCSU) or the University of North Carolina at Chapel Hill (UNC-CH). A Millennial Campus would have the same purpose as the Centennial Campus located at NCSU and the Horace Williams Campus located at UNC-CH. These campuses, authorized in 1987 and 1999 respectively, are intended to bring together business, industry, and academia. The act would take effect when it becomes law.***

BILL ANALYSIS:

Designation of a Millennial Campus. The Board would be authorized to designate real property and appurtenant facilities to be held by or acquired by a constituent institution as a Millennial Campus. This designation would be based on a recommendation of the President after she has consulted with the institution's Chancellor and Board of Trustees. The Board would be required to make an express finding that the institution has the administrative and fiscal capability to create and maintain a Millennial Campus. It also must find that the creation of a Millennial Campus would enhance the institution's research, teaching, and service missions and the region's economic development. The Board would be able to authorize two or more institutions that meet these other requirements to create a joint Millennial Campus.

Leases. The Board would be authorized to approve and enter into leases of land and buildings on or for a Millennial Campus. Rental agreements made for 10 years or less would not require the approval of the Governor and Council of State. No service charge would be deducted for the State Land Fund from the proceeds of any lease of State lands designated as part of a Millennial Campus. These provisions are identical to those applicable to the Centennial and Horace Williams Campuses.

Revenue Bonds. The Board would be allowed to issue revenue bonds to pay all or part of the cost of any project on a Millennial Campus. These projects may include administration buildings, libraries, research or instructional facilities, roads, water, sewer, parking, and other facilities related to the operation of the Campus. The bonds are payable from revenues derived from leases, rentals, charges, and fees set by the Board of Governors. Currently, the Board may issue revenue bonds to pay the cost of these projects on the Centennial Campus and the Horace Williams Campus.

Umstead Act Exemption. Much of the revenue generated from a Millennial Campus will come from the lease of office space to private industry. As a general rule, it is unlawful under the Umstead Act for the State to lease space in a State-owned building for the purpose of operating a business. A Millennial Campus would be treated the same as the Centennial and Horace Williams Campuses, which are exempted from these provisions of the Umstead Act.

Trust Fund. The proceeds from all monies received through the development of a Millennial Campus would be credited to a special, nonreverting trust fund. The money in each fund may be used only for the development of that Campus. These trust funds would be identical to those created for the Centennial and Horace Williams Campuses. The Board would manage and administer each trust fund; however, the Board may delegate these responsibilities to the chancellors.

Effective Date. The bill would take effect when it becomes law.

This summary was prepared by Robin Johnson, Committee Counsel to the Senate Education/Higher Education Committee.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: UNC System

EFFECTIVE DATE: Upon becoming law

BILL SUMMARY: Amends Art. 21B of GS Ch. 116 (Centennial and Horace Williams Campus Financing Act) to authorize UNC Board of Governors to issue revenue bonds for cost of buildings and other facilities at millennial campuses. Amends GS 116-198.33(4b) and 116-198.34(8b) to authorize Board to designate as millennial campus real property of constituent institutions of UNC other than NC State or UNC-CH. Adds GS 116-36.5(c) establishing special trust fund for monies received for development of millennial campus. Makes conforming changes to GS 116-198.35 (issuance of bonds), 116-198.37 (fees, rents, and charges), 146-30(b1) (net proceeds of dispositions), and 66-58(b) (sale of merchandise or services)

ASSUMPTIONS AND METHODOLOGY: Projects would come back to the General Assembly for approval through the self-liquidating bill process. The only minor potential fiscal impact is section 9, exempting the proceeds of any disposition of land from a service charge into the State Land Fund. Since the intent of the Millennial Campus is to acquire land rather than dispose of it, losses, if any, would be very minimal.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE CREATION OF MILLENNIAL CAMPUSES AT THE CONSTITUENT INSTITUTIONS OF THE UNIVERSITY OF NORTH CAROLINA.

The General Assembly of North Carolina enacts:

Section 1. The catch line of G.S. 116-36.5 reads as rewritten:

"**§ 116-36.5. Centennial Campus trust fund; Horace Williams Campus trust ~~fund.~~ fund; Millennial Campuses' trust funds.**"

Section 2. G.S. 116-36.5 is amended by adding a new subsection to read:

"(c) All moneys received through development of a Millennial Campus of a constituent institution of The University of North Carolina as defined by G.S. 116-198.33(4b), from whatever source, including the net proceeds from the lease or rental of real property on a Millennial Campus, shall be placed in a special, continuing, and nonreverting trust fund having the sole and exclusive use for further development of that Millennial Campus, including its operational development. This fund shall be treated in the manner of institutional trust funds as provided in G.S. 116-36.1. This fund shall be deemed an additional and alternative method of funding the Millennial Campus and not an exclusive one. To the extent that any general, special, or local law is inconsistent with this section, it is declared inapplicable to this section."

Section 3. The title of Article 21B of Chapter 116 of the General Statutes reads as rewritten:

"The Centennial ~~Campus and~~ Campus, the Horace Williams ~~Campus~~ Campus, and the Millennial Campuses Financing Act."

Section 4. G.S. 116-198.31 reads as rewritten:

"**§ 116-198.31. Purpose of Article.**

The purpose of this Article is to authorize the Board of Governors of The University of North Carolina to issue revenue bonds, payable from any leases, rentals, charges, fees, and other revenues but with no pledge of taxes or the faith and credit of the State or any agency or political subdivision thereof, to pay the cost, in whole or part, of buildings, structures, or other facilities for the Centennial Campus, located at North Carolina State University at ~~Raleigh and~~ Raleigh, for the Horace Williams Campus located at the University of North Carolina at Chapel ~~Hill.~~ Hill, and for any Millennial Campus as defined by G.S. 116-198.33(4b)."

Section 5. G.S. 116-198.33 reads as rewritten:

"**§ 116-198.33. Definitions.**

As used in this Article, the following words and terms shall have the following meanings, unless the context shall indicate another or different meaning or intent:

(1) The word 'Board' shall mean the Board of Governors of The University of North Carolina.

(2) The word 'cost' as applied to any project, shall include the cost of acquisition or construction; the cost of acquisition of all property, both real and personal, or interests therein; the cost of demolishing, removing, or relocating any buildings or structures on land so acquired, including the cost of acquiring any lands to which such buildings or structures may be removed or relocated; the cost of all labor, materials, equipment and furnishings, financing charges, interest prior to and during construction and, if deemed advisable by the Board, for a period not exceeding one year after completion of such construction; provisions for working capital, reserves for debt service and for extensions, enlargements, additions, and improvements; cost of engineering, financial, and legal services, plans, specifications, studies, surveys, and estimates of cost and of revenues; administrative expenses; expenses necessary or incident to determining the feasibility or practicability of constructing the project; and such other expenses as may be necessary or incident to acquisition or construction with respect to the project or to the placing of the project in operation. Any obligation or expense incurred by the Board prior to the issuance of bonds under the provisions of this Article in connection with any of the foregoing items of cost may be regarded as a part of such cost.

(3) The word 'Institution' shall mean North Carolina State University at Raleigh and the University of North Carolina at Chapel ~~Hill.~~ Hill, or a constituent institution of The University of North Carolina with a Millennial Campus as defined by G.S. 116-198.33(4b).

(4) The term 'Centennial Campus' means all of the following properties:

a. The real property and appurtenant facilities bounded by Blue Ridge Road, Hillsborough Street, Wade Avenue, and Interstate 440 that are the sites of the College of Veterinary Medicine, the University Club, and the Agricultural Turf Grass Management Program.

b. The real property and appurtenant facilities that are the former Dix Hospital properties and other contiguous parcels of property that are adjacent to Centennial Boulevard.

c. All other real property and appurtenant facilities designated by the Board of Governors as part of the Centennial Campus. The properties designated by the Board of Governors do not have to be contiguous with the Centennial Campus to be designated as part of that Campus.

(4a) The term 'Horace Williams Campus' means all of the following properties:

a. The real property and appurtenant facilities left to the University of North Carolina at Chapel Hill by the Will of Henry Horace Williams.

b. All other real property and appurtenant facilities designated by the Board of Governors as part of the Horace Williams Campus. The properties designated by the Board of Governors do not have to be contiguous with the Horace Williams Campus to be designated as part of that Campus.

(4b) The term 'Millennial Campus' means all real property and appurtenant facilities designated by the Board of Governors as part of a Millennial Campus of a constituent institution of The University of North Carolina other than North Carolina State University or the University of North Carolina at Chapel Hill. The properties designated by the Board of Governors do not have to be contiguous with the constituent institution to be designated as part of the institution's Millennial Campus.

(5) The term 'existing facilities' shall mean buildings and facilities, then existing, any part of the revenues of which are pledged under the provisions of any resolution authorizing the issuance of revenue bonds hereunder to the payment of such bonds.

(6) The word 'project' shall mean and shall include any one or more buildings, structures, administration buildings, libraries, research or instructional facilities, housing maintenance, storage, or utility facilities, and any facilities related thereto or required or useful for conducting of research or the operation of the Centennial ~~Campus or~~ Campus, the Horace Williams Campus, or of a Millennial Campus as defined by G.S. 116-198.33(4b), including roads, water,

sewer, power, gas, greenways, parking, or any other support facilities essential or convenient for the orderly conduct of the Centennial ~~Campus or~~ Campus, the Horace Williams ~~Campus~~ Campus, or a Millennial Campus, respectively.

(7) The word 'revenues' shall mean all or any part of the rents, leases, charges, fees, and other income revenues derived from or in connection with any project or projects and existing facilities."

Section 6. G.S. 116-198.34 reads as rewritten:

"**§ 116-198.34. General powers of Board of Governors.**

The Board may exercise any one or more of the following powers:

(1) To determine the location and character of any project or projects, and to acquire, construct, and provide the same, and to maintain, repair, and operate, and to enter into contracts for the management, lease, use, or operation of all or any portion of any project or projects and any existing facilities.

(2) To issue revenue bonds as hereinafter provided to pay all or any part of the cost of any project or projects, and to fund or refund the same.

(3) To fix and revise from time to time and charge and collect rates, fees, rents, and charges for the use of, and for the services furnished by, all or any portion of any project or projects.

(4) To establish and enforce, and to agree through any resolution or trust agreement authorizing or securing bonds under this Article to make and enforce, rules and regulations for the use of and services rendered by any project or projects and any existing facilities, to provide for the maximum use of any project or projects and any existing facilities.

(5) To acquire, hold, lease, and dispose of real and personal property in the exercise of its powers and the performance of its duties hereunder and to lease all or any part of any project or projects and any existing facilities upon such terms and conditions as the Board determines, subject to the provisions of G.S. 143-341 and Chapter 146 of the General Statutes.

Notwithstanding G.S. 143-341 and Chapter 146 of the General Statutes, a disposition by easement, lease, or rental agreement of space in any building on the Centennial ~~Campus or~~ Campus, on the Horace Williams ~~Campus~~ Campus, or on a Millennial Campus made for a period of 10 years or less shall not require the approval of the Governor and the Council of State. All other acquisitions and dispositions made under this subdivision are subject to the provisions of G.S. 143-341 and Chapter 146 of the General Statutes.

(6) To employ consulting engineers, architects, attorneys, accountants, construction and financial experts, superintendents, managers, and

such other employees and agents as may be necessary in its judgment in connection with any project or projects and existing facilities, and to fix their compensation.

(7) To make and enter into all contracts and agreements necessary or incidental to the performance of its duties and the execution of its powers under this Article.

(8) To receive and accept from any federal, State, or other public agency and any private agency, person or other entity donations, loans, grants, aid, or contributions of any money, property, labor, or other things of value for any project or projects, and to agree to apply and use the same in accordance with the terms and conditions under which the same are provided.

(8a) To designate the real property and appurtenant facilities to be included as part of the Centennial ~~Campus or~~ Campus, the Horace Williams ~~Campus.~~ Campus, or a Millennial Campus.

(8b) Acting on recommendation made by the President of The University of North Carolina after consultation by the President with the Chancellor and the Board of Trustees of a constituent institution, to designate real property held by, or to be acquired by, a constituent institution as a 'Millennial Campus' of the institution. That designation shall be based on an express finding by the Board of Governors that the institution desiring to create a 'Millennial Campus' has the administrative and fiscal capability to create and maintain such a campus and provided further, that the Board of Governors has found that the creation of the constituent institution's 'Millennial Campus' will enhance the institution's research, teaching, and service missions as well as enhance the economic development of the region served by the institution. Additionally, the Board of Governors may authorize two or more constituent institutions which meet the requirements of this section to create a joint Millennial Campus.

(9) To do all acts and things necessary or convenient to carry out the powers granted by this Article."

Section 7. G.S. 116-198.35 reads as rewritten:

"§ 116-198.35. Issuance of bonds and bond anticipation notes.

The Board is hereby authorized to issue, subject to the approval of the Director of the Budget, at one time or from time to time, revenue bonds of the Board for the purpose of paying all or any part of the cost of acquiring, constructing, or providing any project or projects on the Centennial ~~Campus or~~ Campus, on the Horace Williams ~~Campus.~~ Campus, or on a Millennial Campus. The bonds of each issue shall be dated, shall mature at such time or times not exceeding 40 years from their date or dates, shall bear interest at such rate or rates as may be determined by the Board, and may be redeemable before maturity, at the option of the Board, at such price or prices and under such terms and conditions as may be fixed by the Board prior to the

issuance of the bonds. The Board shall determine the form and manner of execution of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. Notwithstanding any of the other provisions of this Article or any recitals in any bonds issued under the provisions of this Article, all such bonds shall be deemed to be negotiable instruments under the laws of this State, subject only to the provisions for registration in any resolution authorizing the issuance of such bonds or any trust agreement securing the same. The bonds may be issued in coupon or registered form or both or as book-entry bonds, as the Board may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest. The Board may sell such bonds in such manner, at public or private sale, and for such price, as it may determine to be for the best interests of the Board.

The proceeds of the bonds of each issue shall be used solely for the purpose for which such bonds shall have been authorized and shall be disbursed in such manner and under such restrictions, if any, as the Board may provide in the resolution authorizing the issuance of such bonds or in the trust agreement hereinafter mentioned securing the same. Unless otherwise provided in the authorizing resolution or in the trust agreement securing such bonds, if the proceeds of such bonds, by error of estimates or otherwise, shall be less than such cost, additional bonds may in like manner be issued to provide the amount of such deficit and shall be deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the bonds first issued for the same purpose.

The resolution providing for the issuance of revenue bonds, and any trust agreement securing such bonds, may also contain such limitations upon the issuance of additional revenue bonds as the Board may deem proper, and such additional bonds shall be issued under such restrictions and limitations as may be prescribed by such resolution or trust agreement.

Prior to the preparation of definitive bonds, the Board may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The Board may also provide for the replacement of any bonds which shall become mutilated or be destroyed or lost.

Except as herein otherwise provided, bonds may be issued under this Article and other powers vested in the Board under this Article may be exercised by the Board without obtaining the consent of any department, division, commission, board, bureau, or agency of the State and without any other proceedings or the happening of

any other conditions or things than those proceedings, conditions, or things which are specifically required by this Article.

The Board may enter into or negotiate a note with an acceptable bank or trust company in lieu of issuing bonds for the financing of projects covered under this section. The terms and conditions of any note of this nature shall be in accordance with the terms and conditions surrounding issuance of bonds.

The Board is hereby authorized to issue, subject to the approval of the Director of the Budget, at one time or from time to time, revenue bond anticipation notes of the Board in anticipation of the issuance of bonds authorized pursuant to the provisions of this Article. The principal of and the interest on such notes shall be payable solely from the proceeds of bonds or renewal notes, or, in the event bond or renewal note proceeds are not available, any available revenues of the project or projects for which such bonds shall have been authorized. The notes of each issue shall be dated, shall mature at such time or times not exceeding two years from their date or dates, shall bear interest at such rate or rates as may be determined by the Board, and may be redeemable before maturity, at the option of the Board, at such price or prices and under such terms and conditions as may be fixed by the Board prior to the issuance of the notes. The Board shall determine the form and the manner of execution of the notes, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the notes and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature shall appear on any notes or coupons shall cease to be such officer before the delivery of such notes, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. Notwithstanding any of the other provisions of this Article or any recitals in any notes issued under the provisions of this Article, all such notes shall be deemed to be negotiable instruments under the laws of this State, subject only to the provisions for registration in any resolution authorizing the issuance of such notes or any trust agreement securing the bonds in anticipation of which such notes are being issued. The notes may be issued in coupon or registered form or both or as book entry notes, as the Board may determine, and provision may be made for the registration of any coupon notes as to principal alone and also as to both principal and interest, and for the reconversion into coupon notes of any notes registered as to both principal and interest. The Board may sell such notes in such manner, at public or private sale, and for such price, as it may determine to be for the best interests of the Board.

The proceeds of the notes of each issue shall be used solely for the purpose for which the bonds in anticipation of which such notes are being issued shall have been authorized, and such note proceeds shall be disbursed in such manner and under such restrictions, if any, as the Board may provide in the resolution authorizing the issuance of such notes or bonds or in the trust agreement securing such bonds.

The resolution providing for the issuance of notes, and any trust agreement securing the bonds in anticipation of which such notes are being authorized, may also contain such limitations upon the issuance of additional notes as the Board may deem

proper, and such additional notes shall be issued under such restrictions and limitations as may be prescribed by such resolution or trust agreement. The Board may also provide for the replacement of any notes which shall become mutilated or be destroyed or lost.

Except as herein otherwise provided, notes may be issued under this Article and other powers vested in the Board under this Article may be exercised by the Board without obtaining the consent of any department, division, commission, board, bureau, or agency of the State and without any other proceedings or the happening of any other conditions or things than those proceedings, conditions, or things which are specifically required by this Article.

Unless the context shall otherwise indicate, the word 'bonds' wherever used in this Article, shall be deemed and construed to include the words 'bond anticipation notes.'"

Section 8. G.S. 116-198.37 reads as rewritten:

"**§ 116-198.37. Fixing fees, rents, and charges; sinking fund.**

For the purpose of aiding in the acquisition, construction, or provision of any project and the maintenance, repair, and operation of any project or any existing facilities, the Board is authorized to fix, revise from time to time, charge, and collect such fee or fees for such privileges and services and in such amount or amounts as the Board shall determine, and to fix, revise from time to time, charge, and collect other fees, rents, and charges for the use of and for the services furnished or to be furnished by any project or projects and any existing facilities, or any portion thereof, and to contract with any person, partnership, association, or corporation for the lease, use, occupancy, or operation of any project or projects and any existing facilities, or any part thereof, and to fix the terms, conditions, fees, rents, and charges for any such lease, use, occupancy, or operation. So long as bonds issued hereunder and payable therefrom are outstanding, such fees, rents, and charges shall be so fixed and adjusted, with relation to other revenues available therefor, as to provide funds pursuant to the requirements of the resolution or trust agreement authorizing or securing such bonds at least sufficient with such other revenues, if any, (i) to pay the cost of maintaining, repairing, and operating any project or projects and any existing facilities any part of the revenues of which are pledged to the payment of the bonds issued for such project or projects, (ii) to pay the principal of and the interest on such bonds as the same shall become due and payable, and (iii) to create and maintain reserves for such purposes. Any surplus funds remaining after application to the purposes mentioned in (i), (ii), and (iii), above, shall be held in trust and applied by the Board to the development of the Centennial ~~Campus or~~ Campus, the Horace Williams ~~Campus~~ Campus, or a Millennial Campus, as applicable. Such fees, rents, and charges shall not be subject to supervision or regulation by any other commission, board, bureau, or agency of the State. A sufficient amount of the revenues, except such part thereof as may be necessary to pay such cost of maintenance, repair, and operation and to provide such reserves therefor and for renewals, replacements, extensions, enlargements, and improvements as may be provided for in the resolution authorizing the issuance of such bonds or in the trust

agreement securing the same, shall be set aside at such regular intervals as may be provided in such resolution or such trust agreement in a sinking fund which is hereby pledged to and charged with the payment of the principal of and the interest on such bonds as the same shall become due and the redemption price or the purchase price of bonds retired by call or purchase as therein provided. Such pledge shall be valid and binding from the time when the pledge is made; the fees, rents, and charges and other revenues or other moneys so pledged and thereafter received by the Board shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act; and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the Board, irrespective of whether such parties have notice thereof. Neither the resolution nor any trust agreement by which a pledge is created need be filed or recorded except in the records of the Board. The use and disposition of moneys to the credit of such sinking fund shall be subject to the provisions of the resolution authorizing the issuance of such bonds or of the trust agreement securing the same."

Section 9. G.S. 146-30(b1) reads as rewritten:

"(b1) Notwithstanding the other provisions of this section, no service charge into the State Land Fund shall be deducted from or levied against the proceeds of any disposition by lease, rental, or easement of State lands that are designated as part of the Centennial Campus as defined by ~~G.S. 116-198.33(4) or~~ G.S. 116-198.33(4), that are designated as part of the Horace Williams Campus as defined by ~~G.S. 116-198.33(4a).~~ G.S. 116-198.33(4a), or that are designated as part of a Millennial Campus as defined by G.S. 116-198.33(4b). All net proceeds of those dispositions are governed by G.S. 116-36.5."

Section 10. G.S. 66-58(b) reads as rewritten:

"(b) The provisions of subsection (a) of this section shall not apply to:

(1) Counties and municipalities.

(2) The Department of Health and Human Services or the Department of Agriculture and Consumer Services for the sale of serums, vaccines, and other like products.

(3) The Department of Administration, except that the agency shall not exceed the authority granted in the act creating the agency.

(4) The State hospitals for the mentally ill.

(5) The Department of Health and Human Services.

(6) The North Carolina School for the Blind at Raleigh.

(6a) The Office of Juvenile Justice.

(7) The North Carolina Schools for the Deaf.

(8) The Greater University of North Carolina with regard to its utilities and other services now operated by it nor to the sale of articles produced incident to the operation of instructional departments, articles incident to educational research, articles of merchandise incident to classroom work, meals, books, or to articles of merchandise not exceeding twenty-five cents (25¢) in value when sold to members of the educational staff or staff

auxiliary to education or to duly enrolled students or occasionally to immediate members of the families of members of the educational staff or of duly enrolled students nor to the sale of meals or merchandise to persons attending meetings or conventions as invited guests nor to the operation by the University of North Carolina of an inn or hotel and dining and other facilities usually connected with a hotel or inn, nor to the hospital and Medical School of the University of North Carolina, nor to the Coliseum of North Carolina State University at Raleigh, and the other schools and colleges for higher education maintained or supported by the State, nor to the Centennial Campus of North Carolina State University at Raleigh, nor to the Horace Williams Campus of the University of North Carolina at Chapel Hill, nor to a Millennial Campus of a constituent institution of The University of North Carolina, nor to the comprehensive student health services or the comprehensive student infirmaries maintained by the constituent institutions of the University of North Carolina.

(9) The Department of Environment and Natural Resources, except that the Department shall not construct, maintain, operate or lease a hotel or tourist inn in any park over which it has jurisdiction. The North Carolina Wildlife Resources Commission may sell wildlife memorabilia as a service to members of the public interested in wildlife conservation.

(10) Child-caring institutions or orphanages receiving State aid.

(13b) The Department of Agriculture and Consumer Services with regard to its lessees at farmers' markets operated by the Department.

(13c) The Western North Carolina Agricultural Center.

(13d) Agricultural centers or livestock facilities operated by the Department of Agriculture and Consumer Services.

(14) Nothing herein contained shall be construed to prohibit the engagement in any of the activities described in subsection (a) hereof by a firm, corporation or person who or which is a lessee of space only of the State of North Carolina or any of its departments or agencies; provided the leases shall be awarded by the Department of Administration to the highest bidder, as provided by law in the case of State contracts and which lease shall be for a term of not less than one year and not more than five years.

(15) The State Department of Correction is authorized to purchase and install automobile license tag plant equipment for the purpose of

manufacturing license tags for the State and local governments and for such other purposes as the Department may direct.

The Commissioner of Motor Vehicles, or such other authority as may exercise the authority to purchase automobile license tags is hereby directed to purchase from, and to contract with, the State Department of Correction for the State automobile license tag requirements from year to year.

The price to be paid to the State Department of Correction for the tags shall be fixed and agreed upon by the Governor, the State Department of Correction, and the Motor Vehicle Commissioner, or such authority as may be authorized to purchase the supplies.

(16) Laundry services performed by the Department of Correction may be provided only for agencies and instrumentalities of the State which are supported by State funds and for county or municipally controlled and supported hospitals presently being served by the Department of Correction, or for which services have been contracted or applied for in writing, as of May 22, 1973. In addition to the prior sentence, laundry services performed by the Department of Correction may be provided for the Governor Morehead School and the North Carolina School for the Deaf.

The services shall be limited to wet-washing, drying and ironing of flatwear or flat goods such as towels, sheets and bedding, linens and those uniforms prescribed for wear by the institutions and further limited to only flat goods or apparel owned, distributed or controlled entirely by the institutions and shall not include processing by any dry-cleaning methods; provided, however, those garments and items presently being serviced by wet-washing, drying and ironing may in the future, at the election of the Department of Correction, be processed by a dry-cleaning method.

(17) The North Carolina Global TransPark Authority or a lessee of the Authority.

(18) The activities and products of private enterprise carried on or manufactured within a State prison facility pursuant to G.S. 148-70.

(19) The North Carolina Justice Academy.

(20) The Department of Transportation, or any nonprofit lessee of the Department, for the sale of books, crafts, gifts, and other tourism-related items at visitor centers owned by the Department."

To serve as a revenue law enforcement officer, an employee must be certified as a criminal justice officer under Chapter 17C of the General Statutes.~~

(b) Authority. -- A revenue law enforcement officer is a State officer with jurisdiction throughout the State within the officer's subject-matter jurisdiction. A revenue law enforcement officer may serve and execute notices, orders, warrants, or demands issued by the Secretary or the General Court of Justice in connection with the enforcement of the officer's subject-matter jurisdiction. A revenue law enforcement officer has the full powers of arrest as provided by G.S. 15A-401 while executing the notices, orders, warrants, or demands.

(c) Qualifications. -- To serve as a revenue law enforcement officer, an employee must be certified as a criminal justice officer under Chapter 17C of the General Statutes. The Secretary may administer the oath of office to revenue law enforcement officers appointed pursuant to this section."

Section 2. G.S. 105-236 is amended by adding a new subdivision to read:

"(10a) Filing a Frivolous Return. -- If a taxpayer files a frivolous return under Part 2 of Article 4 of this Chapter, the Secretary shall assess a penalty in the amount of five hundred dollars ($500.00). A frivolous return is a return that meets both of the following requirements:
a. Fails to include information on which the substantial correctness of the return may be judged or contains information that indicates the return is substantially incorrect.
b. Commits an act intended to delay or impede the revenue laws of this State or a reliance upon a position that is frivolous."

Section 3. G.S. 105-113.106(4c) is recodified as G.S. 105-113.106(4d).

Section 4. G.S. 105-113.106 is amended by adding the following two new subdivisions to read:

"The following definitions apply in this Article:

. . .

(4c) Local law enforcement agency. -- A municipal police department, a county police department, or a sheriff's office.

. . .

(8a) State law enforcement agency. -- Any State agency, force, department, or unit responsible for enforcing criminal laws."

Section 5. G.S. 105-113.108 reads as rewritten:

"**§ 105-113.108. Reports; revenue stamps.**

(a) Revenue Stamps. -- The Secretary shall issue stamps to affix to unauthorized substances to indicate payment of the tax required by this Article. Dealers shall report the taxes payable under this Article at the time and on the form prescribed by the Secretary. Dealers are not required to give their name, address, social security number, or other identifying information on the form. Upon payment of the tax, the Secretary shall issue stamps in an amount equal to the amount of the tax paid. Taxes may be paid and stamps may be issued either by mail or in person.

(b) Reports. -- Every local law enforcement agency and every State law enforcement agency must report to the Department within 48 hours after seizing an unauthorized substance, or making an arrest of an individual in possession of an unauthorized substance, listed in this subsection upon which a stamp has not been affixed. The report must be in the form prescribed by the Secretary and it must include the time and place of the arrest or seizure, the amount, location, and kind of substance, the identification of an individual in possession of the substance and that individual's social security number, and any other information prescribed by the Secretary. The report must be made when the arrest or seizure involves any of the following unauthorized substances upon which a stamp has not been affixed as required by this Article:

(1) More than 42.5 grams of marijuana.

(2) Seven or more grams of any other controlled substance that is sold by weight.

(3) Ten or more dosage units of any other controlled substance that is not sold by weight.

(4) Any illicit mixed beverage.

(5) Any illicit spirituous liquor.

(6) Mash."

Section 6. G.S. 114-18.1 is repealed.

Section 7. G.S. 114-19(b) is repealed.

Section 8. Section 2 of this act becomes effective October 1, 2000, and applies to returns filed on or after that date. Sections 3 through 7 of this act become effective December 1, 2000, and apply to arrests or seizures occurring on or after that date. The remainder of this act is effective when it becomes law.

HOUSE BILL 1551:
Tax Enforcement

BILL ANALYSIS

Committee:	Senate Finance	**Sponsor:**	Rep. Miller
Date:	June 12, 2000	***Recommended by Revenue Laws***	
Version:	Third Edition	**Summary by:**	Cindy Avrette and Martha Walston, Committee Counsel

SUMMARY: ***House Bill 1551 is a recommendation of the Revenue Laws Study Committee. It makes three changes to current law to facilitate enforcement of the tax laws, as recommended to the Committee by the Department of Revenue. The original bill was changed in House Finance and ON the House Floor as follows: (1) added one other tax law change at the request of the Unauthorized Substances Tax Division of the Department of Revenue, and (2) amended the requirements of a frivolous return.***

Authority of Law Enforcement Agents: (Section 1)

Currently, revenue law enforcement officers have authority to enforce felony violations under G.S. 105-236 and to enforce numerous other offenses under State law when they involve a State tax. Section 1 expands the offenses revenue law enforcement officers may enforce to include the following misdemeanor offenses:

1. Willful failure to collect, withhold, or pay over tax. G.S. 105-236(8)
2. Willful failure to file a return, supply information, or pay tax. G.S. 105-236(9)
3. Use of dyed diesel or other non-tax-paid fuel. G.S. 105-449.117.
4. Miscellaneous fuel tax misdemeanors. G.S. 105-449.120.
5. Sale of certain packages of cigarettes. G.S. 14-401.18.

The proposed committee substitute rewrites G.S. 105-236.1(a) by setting forth the offenses a revenue law enforcement officer may enforce in a list.

Secretary to Administer Oath of Office: (Section 1)

Section 1 also authorizes the Secretary of Revenue to administer the oath of office to revenue law enforcement officers. The Secretary is not one of the individuals who has general authorization under G.S. 11-7.1 to administer oaths. The Secretary does, however, have authority under G.S. 105-261 to administer an oath to a person with respect to a tax return or report. The proposed committee substitute puts the qualifications for becoming a revenue law enforcement officer, including the oath of office, in a separate subsection.

Civil Penalty for Filing a Frivolous Income Tax Return: (Section 2)

Section 2 creates a civil penalty for filing a frivolous income tax return. In order for a return to be frivolous, it must meet both of the following conditions:

- The return does not include information on which the substantial correctness of the return may be judged or contains information that indicates that the return is substantially incorrect.
- The return commits an act intended to delay or impede the revenue laws of this State or a reliance upon a position that is frivolous. **ADDED ON THE HOUSE FLOOR** (was "Evidences a desire to delay or impede the revenue laws of this State or a reliance upon a position that is frivolous.")

The penalty for filing a frivolous return would be five hundred dollars ($500). As with other penalties assessed under Subchapter I of Chapter 105, this penalty would be assessed as an additional tax. This penalty is similar to a penalty imposed on the federal level under section 6702 of the Code.

The Criminal Investigations Division of the Department of Revenue requested this change in the law. In its work, the Division has investigated cases in which a taxpayer will knowingly file an incorrect return in order to inflate deductions and thus increase the amount of the taxpayer's refund. For example, a taxpayer may claim extra dependents or exaggerate the amount of charitable contributions. The current penalties do not provide a proper remedy because they are based upon failure to pay the amount of tax due. In most of these cases, there is no amount of tax due because the taxpayer is already due a refund. The offense is that the taxpayer is claiming a greater refund than the taxpayer is entitled to receive.

- The penalty for failing to pay the amount of tax due is equal to 5% of the amount of tax due.
- A taxpayer that willfully fails to pay the tax due is guilty of a Class 1 misdemeanor.
- A taxpayer who attempts to evade or defeat a tax is guilty of a Class H felony.

Streamline the Procedures for Reporting on Non-Tax-Paid Unauthorized Substances: (Sections 3 through 7) ADDED IN HOUSE FINANCE

Under current law, State and local law enforcement agencies must report to the SBI within 48 hours the arrest of any individual in possession of certain threshold amounts of drugs that do not bear unauthorized substances tax stamps. The SBI must then notify the Department of Revenue on a daily basis of the reports it receives. The SBI does not need this information. Sections 3 through 5 change the law so that State and law enforcement agencies will report these arrests directly to the Department of Revenue, as opposed to the SBI. They also move the reporting requirement from Chapter 114 to Article 2D of Chapter 105. Sections 6 and 7 makes conforming changes: Section 6 repeals the reporting requirement in Chapter 114 because it is moved to Chapter 105 and Section 7 repeals the requirement that the SBI notify the Department on the reports it receives.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue, State Bureau of Investigations

EFFECTIVE DATE: Section 2 (frivolous returns) is effective October 1, 2000, and applies to returns filed on or after that date. Sections 3 through 7 (locals report to Revenue) become effective December 1, 2000, and apply to arrests or seizures occurring on or after that date. The remainder of the act is effective when it becomes law.

BILL SUMMARY:
This bill (1) allows the Secretary of Revenue to administer the oath of office to Department of Revenue Law Enforcement Agents, (2) allows Revenue Law Enforcement Agents to enforce misdemeanor tax laws, (3) creates a $500 civil penalty for filing frivolous income tax returns, and (4) permits local law enforcement agencies to report non tax paid unauthorized substance cases directly to the Department of Revenue.

ASSUMPTIONS AND METHODOLOGY:
Section one of the bill, granting Revenue Law Enforcement Agents arrest powers in selected misdemeanors, has no fiscal impact. These agents currently investigate all misdemeanor tax cases but depend on local law enforcement officials to make the arrests. There is no additional revenue from penalties.

Section two of the bill creates a $500 civil penalty for filing a frivolous tax return, thus adding North Carolina to a list of 18 states and the Internal Revenue Service that charge a fee for fraudulent taxpayer actions. This penalty applies to persons who knowingly use a tax preparer

that guarantees lucrative state and federal income tax refunds by using such schemes as exaggerating the number of dependents or inflating deductions such as medical or charitable contributions.

The Department of Revenue's Criminal Investigations nine person unit currently has six tax preparers under indictment and four tax preparers under investigations. The Director of the unit expects to investigate 6 to 10 cases a year over the next five years. In these cases, it is estimated that each tax preparer fraudulently prepares 100 to 200 income tax returns per year. In 951 civil audits conducted on fraudulent returns filed from 1996 to 1998, the average overpayment of refund was $1,463. While prosecution of these fraudulent returns recovered the overpayments, few penalties were assessed on the taxpayers. As few as 5% of the cases were charged with fraud because of the tremendous staff time needed to provide the evidence necessary for a conviction.

Based on the projected caseload of fraudulent tax preparers (6 to 10 per year) and the number of returns filed illegally by each preparer (100 to 200), the revenue from this $500 civil penalty could range between $300,000 to $1 million a year. (This revenue will be deposited into the General Fund.) This is a rough estimate because of the following factors. First, the revenue the Department now receives from fraud penalties should be netted against this new revenue. Unfortunately, the Department cannot provide the amount of penalty revenue currently received. Second, given the severity of the case, the Department of Revenue might not apply the penalty in every case, thus diminishing the revenue gain. Finally, the frequent application of this penalty to fraudulent taxpayers in the next few years and the publication of this new penalty and taxpayer prosecutions will serve as a deterrent for future tax fraud. Such deterrence of criminal action will reduce the amount of penalty revenue.

Sections 3 through 7 remove the State Bureau of Investigations (SBI) from the reporting of non tax paid unauthorized substances. This change will allow local law enforcement agencies to send reports directly to the Department of Revenue. SBI staff indicates that the agency does not review or use any of the information that is contained in the 4,000 to 6,000 cases that are forwarded each year to the Department of Revenue. The SBI estimates no fiscal impact from these sections.

(b) Authority. -- A revenue law enforcement officer is a State officer with jurisdiction throughout the State within the officer's subject-matter jurisdiction. A revenue law enforcement officer may serve and execute notices, orders, warrants, or demands issued by the Secretary or the General Court of Justice in connection with the enforcement of the officer's subject-matter jurisdiction. A revenue law enforcement officer has the full powers of arrest as provided by G.S. 15A-401 while executing the notices, orders, warrants, or demands.

(c) Qualifications. -- To serve as a revenue law enforcement officer, an employee must be certified as a criminal justice officer under Chapter 17C of the General Statutes. The Secretary may administer the oath of office to revenue law enforcement officers appointed pursuant to this section."

Section 2. G.S. 105-236 is amended by adding a new subdivision to read:

"(10a) Filing a Frivolous Return. -- If a taxpayer files a frivolous return under Part 2 of Article 4 of this Chapter, the Secretary shall assess a penalty in the amount of five hundred dollars ($500.00). A frivolous return is a return that meets both of the following requirements:

a. Fails to include information on which the substantial correctness of the return may be judged or contains information that indicates the return is substantially incorrect.

b. Commits an act intended to delay or impede the revenue laws of this State or evidences a reliance upon a position that is frivolous."

Section 3. G.S. 105-113.106(4c) is recodified as G.S. 105-113.106(4d).

Section 4. G.S. 105-113.106 is amended by adding the following two new subdivisions to read:

"The following definitions apply in this Article:

. . .

(4c) Local law enforcement agency. -- A municipal police department, a county police department, or a sheriff's office.

. . .

(8a) State law enforcement agency. -- Any State agency, force, department, or unit responsible for enforcing criminal laws."

Section 5. G.S. 105-113.108 reads as rewritten:

"**§ 105-113.108. Reports; revenue stamps.**

(a) Revenue Stamps. -- The Secretary shall issue stamps to affix to unauthorized substances to indicate payment of the tax required by this Article. Dealers shall report the taxes payable under this Article at the time and on the form prescribed by the Secretary. Dealers are not required to give their name, address, social security number, or other identifying information on the form. Upon payment of the tax, the Secretary shall issue stamps in an amount equal to the amount of the tax paid. Taxes may be paid and stamps may be issued either by mail or in person.

(b) Reports. -- Every local law enforcement agency and every State law enforcement agency must report to the Department within 48 hours after seizing an unauthorized substance, or making an arrest of an individual in possession of an unauthorized substance, listed in this subsection upon which a stamp has not been affixed. The report must be in the form prescribed by the Secretary and it must include the time and place of the arrest or seizure, the amount, location, and kind of substance, the identification of an individual in possession of the substance and that individual's social security number, and any other information prescribed by the Secretary. The report must be made when the arrest or seizure involves any of the following unauthorized substances upon which a stamp has not been affixed as required by this Article:

(1) More than 42.5 grams of marijuana.

(2) Seven or more grams of any other controlled substance that is sold by weight.

(3) Ten or more dosage units of any other controlled substance that is not sold by weight.

(4) Any illicit mixed beverage.

(5) Any illicit spirituous liquor.

(6) Mash."

Section 6. G.S. 114-18.1 is repealed.

Section 7. G.S. 114-19(b) is repealed.

Section 8. Section 2 of this act becomes effective October 1, 2000, and applies to returns filed on or after that date. Sections 3 through 7 of this act become effective December 1, 2000, and apply to arrests or seizures occurring on or after that date. The remainder of this act is effective when it becomes law.

Fair market value is determined by the sale price if there is a sale, the appraiser's valuation if there is no sale, or the appraised value from the property tax records if there is neither a sale nor an appraiser's valuation. Sums collected under this subsection shall be remitted to the State Treasurer.

(b) The facilities fee and ~~twenty-six dollars ($26.00)~~ thirty dollars ($30.00) of the General Court of Justice fee are payable at the time the proceeding is initiated.

. . . ."

Section 4.(d) G.S. 7A-307(a) and (b) read as rewritten:

"(a) In the administration of the estates of decedents, minors, incompetents, of missing persons, and of trusts under wills and under powers of attorney, and in collections of personal property by affidavit, the following costs shall be assessed:

(1) For the use of the courtroom and related judicial facilities, the sum of ten dollars ($10.00), to be remitted to the county. Funds derived from the facilities fees shall be used in the same manner, for the same purposes, and subject to the same restrictions, as facilities fees assessed in criminal actions.

(2) For support of the General Court of Justice, the sum of ~~twenty-six dollars ($26.00),~~ thirty dollars ($30.00), plus an additional forty cents (40¢) per one hundred dollars ($100.00), or major fraction thereof, of the gross estate, not to exceed three thousand dollars ($3,000). Gross estate shall include the fair market value of all personalty when received, and all proceeds from the sale of realty coming into the hands of the fiduciary, but shall not include the value of realty. In collections of personal property by affidavit, the fee based on the gross estate shall be computed from the information in the final affidavit of collection made pursuant to G.S. 28A-25-3 and shall be paid when that affidavit is filed. In all other cases, this fee shall be computed from the information reported in the inventory and shall be paid when the inventory is filed with the clerk. If additional gross estate, including income, comes into the hands of the fiduciary after the filing of the inventory, the fee for such additional value shall be assessed and paid upon the filing of any account or report disclosing such

additional value. For each filing the minimum fee shall be ~~ten dollars ($10.00).~~ fifteen dollars ($15.00). Sums collected under this subsection shall be remitted to the State Treasurer.

(2a) Notwithstanding subdivision (2) of this subsection, the fee of forty cents (40¢) per one hundred dollars ($100.00), or major fraction, of the gross estate, not to exceed three thousand dollars ($3,000), shall not be assessed on personalty received by a trust under a will when the estate of the decedent was administered under Chapters 28 or 28A of the General Statutes. Instead, a fee of ~~fifteen dollars ($15.00)~~ twenty dollars ($20.00) shall be assessed on the filing of each annual and final account.

(2b) Notwithstanding subdivisions (1) and (2) of this subsection, no costs shall be assessed when the estate is administered or settled pursuant to G.S. 28A-25-6.

(3) For probate of a will without qualification of a personal representative, the clerk shall assess a facilities fee as provided in subdivision (1) of this subsection and shall assess for support of the General Court of Justice, the sum of ~~seventeen dollars ($17.00).~~ twenty dollars ($20.00).

(b) In collections of personal property by affidavit, the facilities fee and ~~twenty-six dollars ($26.00)~~ thirty dollars ($30.00) of the General Court of Justice fee shall be paid at the time of filing the qualifying affidavit pursuant to G.S. 28A-25-1. In all other cases, these fees shall be paid at the time of filing of the first inventory. If the sole asset of the estate is a cause of action, ~~the thirty dollars ($30.00)~~ these fees shall be paid at the time of the qualification of the fiduciary.

. . . ."

Section 4.(e) G.S. 7A-308(a)(1) reads as rewritten:

"(a) The following miscellaneous fees and commissions shall be collected by the clerk of superior court and remitted to the State for the support of the General Court of Justice:

(1) Foreclosure under power of sale in deed of trust or mortgage ..... ~~$30.00~~ $40.00

If the property is sold under the power of sale, an additional amount will be charged, determined by the following formula: thirty cents (30¢) per one hundred dollars ($100.00), or major fraction thereof, of the final sale price. If the amount determined by the formula is less than ten dollars ($10.00), a minimum ten dollar ($10.00) fee will be collected. If the amount determined by the formula is more than two hundred dollars ($200.00), a maximum two hundred dollar ($200.00) fee will be collected."

PART V. JAIL FEE FOR LOCAL GOVERNMENTS

Section 5. G.S. 7A-313 reads as rewritten:

"**§ 7A-313. Uniform jail fees.**

additional value. For each filing the minimum fee shall be ~~ten dollars ($10.00).~~ fifteen dollars ($15.00). Sums collected under this subsection shall be remitted to the State Treasurer.

(2a) Notwithstanding subdivision (2) of this subsection, the fee of forty cents (40¢) per one hundred dollars ($100.00), or major fraction, of the gross estate, not to exceed three thousand dollars ($3,000), shall not be assessed on personalty received by a trust under a will when the estate of the decedent was administered under Chapters 28 or 28A of the General Statutes. Instead, a fee of ~~fifteen dollars ($15.00)~~ twenty dollars ($20.00) shall be assessed on the filing of each annual and final account.

(2b) Notwithstanding subdivisions (1) and (2) of this subsection, no costs shall be assessed when the estate is administered or settled pursuant to G.S. 28A-25-6.

(3) For probate of a will without qualification of a personal representative, the clerk shall assess a facilities fee as provided in subdivision (1) of this subsection and shall assess for support of the General Court of Justice, the sum of ~~seventeen dollars ($17.00).~~ twenty dollars ($20.00).

(b) In collections of personal property by affidavit, the facilities fee and ~~twenty-six dollars ($26.00)~~ thirty dollars ($30.00) of the General Court of Justice fee shall be paid at the time of filing the qualifying affidavit pursuant to G.S. 28A-25-1. In all other cases, these fees shall be paid at the time of filing of the first inventory. If the sole asset of the estate is a cause of action, ~~the thirty dollars ($30.00)~~ these fees shall be paid at the time of the qualification of the fiduciary.

. . . ."

Section 4.(e) G.S. 7A-308(a)(1) reads as rewritten:

"(a) The following miscellaneous fees and commissions shall be collected by the clerk of superior court and remitted to the State for the support of the General Court of Justice:

(1) Foreclosure under power of sale in deed of trust or mortgage ..... ~~$30.00~~ $40.00

If the property is sold under the power of sale, an additional amount will be charged, determined by the following formula: thirty cents (30¢) per one hundred dollars ($100.00), or major fraction thereof, of the final sale price. If the amount determined by the formula is less than ten dollars ($10.00), a minimum ten dollar ($10.00) fee will be collected. If the amount determined by the formula is more than two hundred dollars ($200.00), a maximum two hundred dollar ($200.00) fee will be collected."

PART V. JAIL FEE FOR LOCAL GOVERNMENTS

Section 5. G.S. 7A-313 reads as rewritten:

"**§ 7A-313. Uniform jail fees.**

~~Only persons~~ Persons who are lawfully confined in jail awaiting ~~trial, or who are ordered to pay jail fees pursuant to a probationary sentence,~~ trial shall be liable to the county or municipality maintaining the jail in the sum of five dollars ($5.00) for each 24 hours' confinement, or fraction thereof, except that a person so confined shall not be liable for this fee if the case or proceeding against him is dismissed, or if acquitted, or if judgment is arrested, or if probable cause is not found, or if the grand jury fails to return a true bill.

Persons who are ordered to pay jail fees pursuant to a probationary sentence shall be liable to the county or municipality maintaining the jail at the same per diem rate paid by the Department of Correction to local jails for maintaining a prisoner, as set by the General Assembly in its appropriations acts."

PART VI. INCREASE FEE FOR EMERGENCY PLANNING

Section 6. G.S. 166A-6.1(b) reads as rewritten:

"(b) Every person, firm, corporation or municipality who is licensed to construct or who is operating a fixed nuclear facility for the production of electricity shall pay to the Department of Crime Control and Public Safety, for the use of the Division of Radiation Protection ~~Division~~ of the Department of Environment and Natural Resources, an annual fee of ~~eighteen thousand dollars ($18,000)~~ thirty-six thousand dollars ($36,000) for each fixed nuclear facility ~~which~~ that is located within this State or has a Plume Exposure Pathway Emergency Planning Zone of which any part is located within this State. This fee shall be applied to the costs of planning and implementing emergency response activities as are required by the Federal Emergency Management Agency for the operation of nuclear facilities. ~~Said~~ This fee is to be paid no later than July 31 of each year."

PART VII. EFFECTIVE DATES

Section 7.(a) Public Utility Regulatory Fee. -- Section 1 of this act becomes effective July 1, 2000.

Section 7.(b) North Carolina Electric Membership Corporation Regulatory Fee. -- Section 2 of this act becomes effective July 1, 2000.

Section 7.(c) Insurance Regulatory Charge. -- Section 3 of this act is effective when it becomes law.

Section 7.(e) Jail Fees for Local Governments. -- Section 5 of this act becomes effective July 1, 2000, and applies to sentences or portions of sentences being served on or after that date.

Section 7.(f) Increase Fee for Emergency Planning. -- Section 6 of this act becomes effective July 1, 2000.

Section 7.(g) Remainder. -- The remainder of this act is effective when it becomes law.

HOUSE BILL 1854:
2000 Fee Bill

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Rep. Miller
Date:	June 19, 2000	**Summary by:**	Cindy Avrette
Version:	Second Edition		Committee Counsel

SUMMARY: House Bill 1854 sets the following fee amounts:

- *It maintains the public utility regulatory fee at 0.09%.*
- *It sets the North Carolina Electric Membership Corporation regulatory fee at $200,000.*
- *It sets the insurance regulatory charge at 7%.*
- *It increases costs in criminal and civil proceedings in various amounts.*
- *It provides that a person who is ordered to pay jail fees pursuant to a probationary sentence must pay the same per diem rate the Department of Correction pays to local jails for maintaining a prisoner. This rate is set in the appropriations act each year. The reimbursement amount for fiscal year 1999-2000 is $18 a day.*
- *It increases the annual fee imposed for nuclear facilities from $18,000 to $36,000. The fee revenue is applied to the costs of planning and implementing emergency response activities.*

PART I. PUBLIC UTILITY REGULATORY FEE – Effective July 1, 2000

Part I of the bill maintains the public utility regulatory fee for fiscal year 2000-2001 at 0.09%. The rate must be set by statute each year. The fee rate has not increased since fiscal year 1997-98. The agency has requested a fee increase this year of 0.12% to help it stabilize the amount in the reserve from decreasing due to increases in salary and personnel, the financing of the Study Commission on the Future of Electric Service in North Carolina, Year 2000 computer compliance upgrades, and building facilities assessments. If an increase is not passed this year, it will be needed for fiscal year 2001-2002.

The utility regulatory fee was imposed in 1989. Its purpose is to defray the State's cost in regulating public utilities. The regulatory fee is imposed on all utilities that are subject to regulation by the North Carolina Utilities Commission. The fee is a percentage of the utility's North Carolina jurisdictional revenues. In general, jurisdictional revenue is revenue derived from providing utility service in North Carolina.

PART II. NC ELECTRIC MEMBERSHIP CORPORATION REGULATORY FEE – Effective July 1, 2000

Part II sets the public utility regulatory fee to be paid by The North Carolina Electric Membership Corporation for the 2000-2001 fiscal year at $200,000. This fee amount must be set by statute each year. The fee was first imposed last year. The amount of the fee remains the same.

Effective in 1999, the General Assembly authorized electric membership corporations to form subsidiary corporations that may provide energy services and products, telecommunications services and products, and water and wastewater collection and treatment. The subsidiaries must fully compensate the electric membership corporation for its use of the corporation's personnel, services, equipment, and property. The Utilities Commission is charged with regulating this aspect of the subsidiary's business. The purpose of this fee is to pay for the cost of this regulation

PART III. INSURANCE REGULATORY CHARGE – Effective when it becomes law

Part III maintains the insurance regulatory charge at its current 7% rate for the calendar year 2000. The charge is paid at the same times insurers pay their premium taxes. The charge was first imposed in 1991. Its purpose is to make the Department of Insurance receipt-supported and thereby eliminate General Fund support of the Department. Effective for the 2000 calendar year, the regulatory fee will be imposed not only on insurance companies that pay the gross premiums tax but also on service corporations, such as Blue Cross Blue Shield and Delta Dental Corporation, and health maintenance organizations. For insurance companies that pay the gross premiums tax, the fee is a percentage of the premiums tax owed the State. For HMOs and medical corporations, the fee will be levied on an imaginary amount of dollars the HMOs and medical corporations would owe if they paid the gross premiums tax at the 1.9% rate like other insurers. HMOs do not pay the gross premiums tax. Medical corporations pay the gross premiums tax at a rate of one-half of one percent (0.5%).

PART IV. INCREASE COURT COSTS – Effective July 15, 2000

Part IV increases criminal and civil court costs as indicated in the chart below. The revenues generated by these fees are credited to the General Fund.

Court Cost	Current Amount	Proposed Amount	Last Increased
Criminal actions – district court and magistrate	$61.00	$65.00	1997
Criminal actions – superior court	$68.00	$72.00	1997
Civil actions – magistrate	$28.00	$33.00	1991
Civil actions – district court	$40.00	$44.00	1991
Civil actions – superior court	$55.00	$59.00	1991
Special proceedings in superior court	$26.00	$30.00	1991
Administration of estates	$26.00	$30.00	1991
Administration of estates – minimum fee	$10.00	$15.00	1991

Court Cost	Current Amount	Proposed Amount	Last Increased
Administration of estates – annual and final accounts	$15.00	$20.00	1991
Administration of estates – probate will without qualification of a personal representative	$17.00	$20.00	1991
Foreclosures	$30.00	$40.00	1997

PART V. JAIL FEES FOR LOCAL GOVERNMENTS – Effective July 1, 2000

Part V increases the amount a person who is ordered to pay jail fees pursuant to a probationary sentence must pay the county or municipality from $5.00 a day to the amount the Department of Correction must pay to local jails for the cost of maintaining a prisoner who committed a misdemeanor for 30 to 90 days. The per diem rate the Department of Correction must reimburse local jails is set each year by the General Assembly in its appropriations acts. The per diem rate for fiscal year 1999-2000 is $18 a day. The increased fee amount becomes effective July 1, 2000, and applies to sentences or portions of sentences being served on or after that date.

PART VI. INCREASE FEE FOR EMERGENCY PLANNING – Effective July 1, 2000

Part VI increases the annual fee that a person who is licensed to construct or who is operating a fixed nuclear facility for the production of electricity must pay from $18,000 to $36,000. The fee is payable for each fixed nuclear facility that is located within the State or has Plume Exposure Pathway Emergency Planning Zone of which any part is located in this State. The fee is payable to the Department of Crime Control and Public Safety for the use of the Division of Radiation Protection of the Department of Environment and Natural Resources. The fee is applied to the costs of planning and implementing the emergency response activities required by the Federal Emergency Management Agency for the operation of nuclear facilities. The current fee generates one-half of the program's costs. The increased fee will generate enough revenue to fully fund the program. The fee must be paid by July 31 of each year.

PART I. PUBLIC UTILITY REGULATORY FEE

Purpose	Applies to	Effective	Current Rate	Proposed Rate
To defray the State's cost in regulating public utilities.	All utilities that are subject to regulation by the Utilities Commission.	July 1, 2000	.09%	.09%* **Rate must be set by statute each year.**

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Utilities Commission, Department of Insurance, Administrative Office of the Courts, County Governments

EFFECTIVE DATE: Sections 1 (public utility regulatory fee), 2 (NC Electric Membership Corporation fee), and 6 (nuclear facility emergency planning fee) are effective July 1, 2000. Section 5 (jail fees for local governments) is effective July 1, 2000 and applies to sentences or portions of sentences being served on or after that date. Sections 4 (increase court costs) is effective on July 15, 2000. The remainder of the bill is effective when it becomes law.

BILL SUMMARY: Section 1 of the bill sets the utilities regulatory fee at 0.09% for FY 2000-01. Section 2 sets the FY 2000-01 EMC Regulatory Fee at $200,000. Section 3 sets the insurance regulatory charge effective for calendar year 2000 at 7.0%. Section 4 increases all categories of General Court of Justice Fees. Section 5 increases the jail fees paid by probationers from $5/ day

to the amount counties are reimbursed for misdemeanants held in local jails (currently $18/day). Section 6 increases the fee charged nuclear facilities from $18,000 to $36,000.

ASSUMPTIONS AND METHODOLOGY:

Public Utility Regulatory Fee

Section 1 of the bill sets the utilities regulatory fee at 0.09% of each public utility's North Carolina jurisdictional revenues earned during each quarter that begins on or after July 1, 1999. **(This is the same rate as fiscal year 1999-2000.)** The revenue generated from this fee supports the operations of the North Carolina Utilities Commission and Public Staff.

G.S. 62-302(b)(2) states that the percentage rate established by the General Assembly and assessed by the Commission "may not exceed the amount necessary to generate funds sufficient to defray the estimated cost of the operations of the Commission and Public Staff for the upcoming fiscal year, including a reasonable margin for a reserve fund." The Utilities Commission estimates that combined operations of the Commission and the Public Staff in FY 2000-2001 will require expenditures of not less than $11,498,329. Revenues generated by the proposed utilities regulatory fee are estimated to be $8,550,000. The $2.95 million difference between fee revenue and the proposed budget will be funded by other revenues generated by Commission fees and charges ($655,000) and by withdrawals from the Accumulated Fee Margin Reserve Account ($2.3 million). The balance in the reserve account as of June 30, 2000 is projected to be $5,352,736.

The Utilities Commission indicates that the status of the Accumulated Fee Margin Reserve Account is as follows:

Balance as of 6/30/2000	$ 5,352,736
Add: Estimated Collections and Interest for FY 2000-2001 using 0.09%	$ 9,215,000
Total Funds Available	$14,567,736
Less: Estimated FY 2000-2001 Expenditures Reimbursable from Fees	$(11,498,329)
Estimated Margin Reserve for Period Ending 6/30/2001	$ 3,069,407 *

** The Utilities Commission requested to increase the regulatory fee from .09% in FY 1999-00 to .12% for FY 2000-01 in order to stabilize the amount in the Reserve from further decrease due to anticipated and unanticipated expenses of the Commission. Anticipated costs include salary increases and additional personnel. Unanticipated expenses include the Legislative Study Commission on the Future of Electric Service in North Carolina, Y2K computer compliance upgrades, and building facilities assessment.*

North Carolina Electric Membership Corporation (EMC) Regulatory Fee:

G.S. 62-302(b1) states that the fee proposed by the Utilities Commission to regulate electric membership corporations "may not exceed the amount necessary to defray the estimated costs of the operations of the Commission and the Public Staff for the regulation of the electric membership corporations in the upcoming fiscal year".

The General Assembly set the FY 1999-2000 EMC Regulatory Fee at $200,000. Based upon the expenses incurred the first year this fee was implemented, the Utilities Commission believes that the $200,000 in section 2 of the bill is a reasonable amount to cover anticipated expenses in FY 2000-2001.

Insurance Regulatory Charge

Section 3 of the bill sets the insurance regulatory charge effective for calendar year 2000 at 7.0%. (This is the same as the rate for the previous year.) The charge is a percentage of a company's premiums tax liability for the taxable year for every insurance company subject to the premiums tax levied under G.S. 105-228.5. For companies that do not pay premiums tax, namely HMOs and Article 65 companies (Blue Cross Blue Shield HMO and Delta Dental), the charge is a percentage of the company's presumed premiums tax. The presumed premiums tax is what a company's premiums tax would be if they were liable for the tax.

G.S. 58-6-25(b) states that the percentage rate, set annually, cannot exceed the rate necessary to generate funds sufficient to defray the estimated cost of operating the Department of Insurance for the upcoming year including a reasonable margin for a reserve fund. The reserve fund should not exceed one-third of the estimated operating cost. The revenue collected from the charge is deposited into the Insurance Regulatory Fund invested with the State Treasurer and managed by the Office of State Budget and Management. Funds generated by the regulatory charge are used to reimburse the General Fund for the amount appropriated to the Department of Insurance.

The actual premium tax collections for 1999-2000 is estimated to be $289.5 million. The premiums tax collections for 2000-2001 is estimated to be $303.98 million. This includes a 5% growth increase over the 1999-2000 collections.

The HMOs and the Article 65 companies do not pay a premiums tax. However, effective January 1, 2000, these companies must pay a regulatory charge based on their calendar year 2000 premiums. Their surcharge will be based on their presumed premiums tax. The presumed premium tax for the HMOs and Article 65 companies is estimated to be $62.50 million.

With the premiums tax collections of $303.98 million and the presumed premiums tax of $62.5 million from the HMOs and Article 65 companies, the total base against which the insurance regulatory charge will be assessed is estimated to be $366.48 million. Applying the 7.0% regulatory fee to the $366.48 million bases would generate $25.65 million in regulatory fee revenue.

The Department estimates that the operating expenses will be $22.9 million for 2000-2001 and that the reserve will have a balance of $6.37 million at the beginning of 2000-2001. The total available from the reserve fund ($6.37 million) and the estimated collections of $25.65 million will be $32.02 million. The total available less the estimated operating expenditures of $22.9 million will leave a year-end reserve balance of $9.1 million. This reserve is above one-third of the estimated operating expenditures.

Based on the above, the regulatory surcharge rate of 7.0%, assessed against companies that pay a premiums tax as well as HMOs and Article 65 companies, is sufficient to defray the estimated cost of the operations of the Department including a reasonable reserve fund.

Increase Court Costs

Section 4 of the bill increases all the categories of fees classified as "General Court of Justice". Current fees and the proposed increase are detailed below:

CATEGORY	CURRENT COJ FEE	PROPOSED INCREASE	NEW COJ FEE	NEW TOTAL FEE
District Ct—Criminal	$61	$4	$65	$90
District Ct-Civil	$40	$4	$44	$65
Superior Ct—Criminal	$68	$4	$72	$115
Superior Ct-Civil	$55	$4	$59	$80
Magistrate—Civil	$28	$5	$33	$50
Special Proceedings— Nonforeclosures	$26	$4	$30	$45
Foreclosures	$30	$10	$40	$55
Estates (fixed portion of fee)	$26	$4	$30	$40
Minimum Charge for Other filings	$10	$ 5	$15	$25
Trust under Will	$15	$ 5	$20	$30
Probate	$17	$ 3	$20	$30

Court Costs include General Court of Justice Fees, Facilities Fees, Service Fees and a contribution to Law Enforcement Officer Retirement Benefits. Court Costs were last increased in 1998 when the facilities fee, a portion of court costs that is returned to counties or municipalities to defray the costs of providing court facilities, were increased $6. The last increases in General Court of Justice fees were a $15 increase in 1997 and a $5 increase in 1996 for Criminal Courts. Civil fees were last increased in 1992 when they were raised by $4.

Based on collections by categories in 1998-99, the Administrative Office of the Courts projects these fee increases will generate an additional $6,353,961 in Court of Justice Fee receipts. Total receipts in 1998-99 were $94,301,168 with 64% of these receipts from District-Criminal, 12.2% from Estates, 8.5% from Magistrates and 4.8% from District Court-Civil. The amount of increase by category is listed below:

Superior Court –Criminal	$ 69,616
Superior Court—Civil	$ 91,908
District—Criminal	$3,981,328
District—Civil	$ 450,432
Magistrates	$1,391,555
Estates	$ 223,456
Special Proceedings	$ 145,666

This estimate may be conservative because (1) foreclosures can not be separated out from other special proceedings so the estimate is based on $5 increase in this category rather than the actual $10 increase; and (2) collections on estates are lumped together so the estimate is based on the

$4 increase in the basic fee only. Because the fee increases will be effective July 15th, 2000, the first year yields are reduced by 3.8%.

Jail Fees for Local Governments

Section 5 of HB 1854 increases the fees charged to probationers held in local jails. Currently, the maximum fee for probationers or for other offenders held prior to trial is $5 per day. HB 1854 would instead tie the amount to the amount paid by the Department of Correction for 30-90 day misdemeanants held in local jails. This amount is currently $18 but subject to change in each year's budget. It was last changed in 1998.

These funds are collected by the AOC but returned to local governments (99.9% to counties) . In 1998-99, $1,939,224 was collected, suggesting billing for about 387,845 days of jail. At $18/day, this would increase to $6,981,206. Unfortunately, AOC can not determine what portion of these funds came from probationers. **If all the fees came from probationers (highly unlikely), the increase from $5 to $18 would generate an additional $5,041,982 for local governments. This is an upper bound—no better estimate is available at this time.**

Increase Fee for Emergency Planning

The fee for emergency planning is doubled from $18,000 to $36,000 per year in section 6 of the bill. The Division of Radiation Protection in the Department of Environment and Natural Resources uses the funds paid by the state's four nuclear facilities to provide off-site radiological emergency response to the facilities. The current fee generates $72,000 per year and pays for half of the program costs. The fee increase will boost revenues to $144,000 in FY 2000-01 and pay for 100% of program cost.

Referred to:

April 26, 1999

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH THE RESPIRATORY CARE PRACTICE ACT.

The General Assembly of North Carolina enacts:

Section 1. Chapter 90 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 37.

"Respiratory Care Practice Act.

"**§ 90-646. Short title.**

This Article may be cited as the 'Respiratory Care Practice Act'.

"**§ 90-647. Purpose.**

The General Assembly finds that the practice of respiratory care in the State of North Carolina affects the public health, safety, and welfare and that the mandatory licensure of persons who engage in respiratory care is necessary to ensure a minimum standard of competency. It is the purpose and intent of this Article to protect the public from the unqualified practice of respiratory care and from unprofessional conduct by persons licensed pursuant to this Article.

"**§ 90-648. Definitions.**

The following definitions apply in this Article:

(1) Board. -- The North Carolina Respiratory Care Board.

(2) Diagnostic testing. -- Cardiopulmonary procedures and tests performed on the written order of a physician licensed under Article 1 of this Chapter that provide information to the physician to formulate a diagnosis of the patient's condition. The tests and

procedures may include pulmonary function testing, electrocardiograph testing, cardiac stress testing, and sleep related testing.

(3) Direct supervision. -- The authority and responsibility to direct the performance of activities as established by policies and procedures for safe and appropriate completion of services.

(4) Individual. -- A human being.

(5) License. -- A certificate issued by the Board recognizing the person named therein as having met the requirements to practice respiratory care as defined in this Article.

(6) Licensee. -- A person who has been issued a license under this Article.

(7) Medical director. -- An appointed physician who is licensed under Article 1 of this Chapter and a member of the entity's medical staff, and who is granted the authority and responsibility for assuring and establishing policies and procedures and that the provision of such is provided to the quality, safety, and appropriateness standards as recognized within the defined scope of practice for the entity.

(8) Person. -- An individual, corporation, partnership, association, unit of government, or other legal entity.

(9) Physician. -- A doctor of medicine licensed by the State of North Carolina in accordance with Article 1 of this Chapter.

(10) Practice of respiratory care. -- As defined by the written order of a physician licensed under Article 1 of this Chapter, the observing and monitoring of signs and symptoms, general behavior, and general physical response to respiratory care treatment and diagnostic testing, including the determination of whether such signs, symptoms, reactions, behavior, or general response exhibit abnormal characteristics, and the performance of diagnostic testing and therapeutic application of:

a. Medical gases, humidity, and aerosols including the maintenance of associated apparatus, except for the purpose of anesthesia.

b. Pharmacologic agents related to respiratory care procedures, including those agents necessary to perform hemodynamic monitoring.

c. Mechanical or physiological ventilatory support.

d. Cardiopulmonary resuscitation and maintenance of natural airways, the insertion and maintenance of artificial airways under the direct supervision of a recognized medical director in a health care environment which identifies these services within the scope of practice by the facility's governing board.

e. Hyperbaric oxygen therapy.
f. Nontraditional cardiopulmonary support techniques in appropriately identified environments and under the training and practice guidelines established by the appropriate professional associations.

The term also means the interpretation and implementation of a physician's written or verbal order pertaining to the acts described in this subdivision.

(11) Respiratory care. -- As defined by the written order of a physician licensed under Article 1 of Chapter 90, the treatment, management, diagnostic testing, and care of patients with deficiencies and abnormalities associated with the cardiopulmonary system.

(12) Respiratory care practitioner. -- A person who has been licensed by the Board to engage in the practice of respiratory care.

(13) Support activities. -- Procedures that do not require formal academic training, including the delivery, setup, and maintenance of apparatus. The term also includes giving instructions on the use, fitting, and application of apparatus, but does not include therapeutic evaluation and assessment.

"§ 90-649. North Carolina Respiratory Care Board; creation.

(a) The North Carolina Respiratory Care Board is created. The Board shall consist of nine members as follows:

(1) Two members shall be respiratory care practitioners.
(2) Three members shall be physicians licensed to practice in North Carolina, and whose primary practice is Pulmonology, Anesthesiology, Critical Care Medicine, or whose specialty is Cardiothoracic Disorders.
(3) One member shall represent the NCHA.
(4) One member shall represent the North Carolina Association of Medical Equipment Services.
(5) Two members shall represent the public at large.

(b) Members of the Board shall be citizens of the United States and residents of this State. The respiratory care practitioner members shall have practiced respiratory care for at least five years and shall be licensed under this Article. The public members shall not be: (i) a respiratory care practitioner, (ii) an agent or employee of a person engaged in the profession of respiratory care, (iii) a health care professional licensed under this Chapter or a person enrolled in a program to become a licensed health care professional, (iv) an agent or employee of a health care institution, a health care insurer, or a health care professional school, (v) a member of an allied health profession or a person enrolled in a program to become a member of an allied health profession, or (vi) a spouse of an individual who may not serve as a public member of the Board.

"§ 90-650. Appointments and removal of Board members; terms and compensation.

(a) The members of the Board shall be appointed as follows:

(1) The Governor shall appoint the public members described in G.S. 90-649(a)(5).

(2) The General Assembly, upon the recommendation of the Speaker of the House of Representatives, shall appoint one of the respiratory care practitioner members described in G.S. 90-649(a)(1) and one of the physician members described in G.S. 90-649(a)(2) in accordance with G.S. 120-121.

(3) The General Assembly, upon the recommendation of the President Pro Tempore of the Senate, shall appoint one of the respiratory care practitioner members described in G.S. 90-649(a)(1) and one of the physician members described in G.S. 90-649(a)(2) in accordance with G.S. 120-121.

(4) The North Carolina Medical Society shall appoint one of the physician members described in G.S. 90-649(a)(2).

(5) The North Carolina Hospital Association shall appoint the member described in G.S. 90-649(a)(3).

(6) The North Carolina Association of Medical Equipment Services shall appoint the member described in G.S. 90-649(a)(4).

(b) Members of the Board shall take office on the first day of July immediately following the expired term of that office and shall serve for a term of three years and until their successors are appointed and qualified. No member shall serve on the Board for more than two consecutive terms.

(c) The Governor may remove members of the Board, after notice and an opportunity for hearing, for incompetence, neglect of duty, unprofessional conduct, conviction of any felony, failure to meet the qualifications of this Article, or committing any act prohibited by this Article.

(d) Any vacancy shall be filled by the authority originally filling that position, except that any vacancy in appointments by the General Assembly shall be filled in accordance with G.S. 120-122. Appointees to fill vacancies shall serve the remainder of the unexpired term and until their successors have been duly appointed and qualified.

(e) Members of the Board shall receive no compensation for their services but shall be entitled to travel, per diem, and other expenses authorized by G.S. 93B-5.

(f) Individual members shall be immune from civil liability arising from activities performed within the scope of their official duties.

"**§ 90-651. Election of officers; meetings of the Board.**

(a) The Board shall elect a chair and a vice-chair who shall hold office according to rules adopted pursuant to this Article, except that all officers shall be elected annually by the Board for one-year terms and shall serve until their successors are elected and qualified.

(b) The Board shall hold at least two regular meetings each year as provided by rules adopted pursuant to this Article. The Board may hold additional meetings

upon the call of the chair or any two Board members. A majority of the Board membership shall constitute a quorum.

"**§ 90-652. Powers and duties of the Board.**

The Board shall have the power and duty to:

(1) Determine the qualifications and fitness of applicants for licensure, renewal of licensure, and reciprocal licensure.

(2) Establish and adopt rules necessary to conduct its business, carry out its duties, and administer this Article.

(3) Adopt and publish a code of ethics.

(4) Deny, issue, suspend, revoke, and renew licenses in accordance with this Article.

(5) Conduct investigations, subpoena individuals and records, and do all other things necessary and proper to discipline persons licensed under this Article and to enforce this Article.

(6) Employ professional, clerical, investigative, or special personnel necessary to carry out the provisions of this Article and purchase or rent office space, equipment, and supplies.

(7) Adopt a seal by which it shall authenticate its proceedings, official records, and licenses.

(8) Conduct administrative hearings in accordance with Article 3A of Chapter 150B of the General Statutes.

(9) Establish certain reasonable fees as authorized by this Article for applications for examination, licensure, provisional licensure, renewal of licensure, and other services provided by the Board.

(10) Submit an annual report to the North Carolina Medical Board, the North Carolina Hospital Association, the North Carolina Society of Respiratory Care, the Governor, and the General Assembly of all the Board's official actions during the preceding year, together with any recommendations and findings regarding improvements of the practice of respiratory care.

(11) Publish and make available upon request the licensure standards prescribed under this Article and all rules adopted pursuant to this Article.

(12) Request and receive the assistance of State educational institutions or other State agencies.

(13) Establish and approve continuing education requirements for persons seeking licensure under this Article.

"**§ 90-653. Licensure requirements; examination.**

(a) Each applicant for licensure under this Article shall meet the following requirements:

(1) Submit a completed application as required by the Board.

(2) Submit any fees required by the Board.

(3) Submit to the Board written evidence, verified by oath, that the applicant has successfully completed the minimal requirements of a

respiratory care education program as approved by the Commission for Accreditation of Allied Health Educational Programs.

(4) Submit to the Board written evidence, verified by oath, that the applicant has successfully completed the minimal requirements for Basic Cardiac Life Support as recognized by the American Heart Association.

(5) Pass the entry-level examination given by the National Board for Respiratory Care, Inc.

(b) At least three times each year, the Board shall cause the examination required in subdivision (5) of subsection (a) of this section to be given to applicants at a time and place to be announced by the Board. Any applicant who fails to pass the first examination may take additional examinations in accordance with rules adopted pursuant to this Article.

"**§ 90-654. Exemption from certain requirements.**

(a) The Board may issue a license to an applicant who, as of October 1, 1999, has passed the entry-level examination given by the National Board for Respiratory Care, Inc. An applicant applying for licensure under this subsection shall submit his or her application to the Board before October 1, 2001.

(b) The Board may grant a temporary license to an applicant who, as of October 1, 1999, does not meet the qualifications of G.S. 90-653 but, through written evidence verified by oath, demonstrates that he or she is performing the duties of a respiratory care practitioner within the State. The temporary license is valid until October 1, 2000, within which time the applicant shall be required to complete the requirements of G.S. 90-653(a)(5). A license granted under this subsection shall contain an endorsement indicating that the license is temporary and shall state the date the license was granted and the date it expires.

"**§ 90-655. Licensure by reciprocity.**

The Board may grant, upon application and the payment of proper fees, a license to a person who, at the time of application holds a valid license, certificate, or registration as a respiratory care practitioner issued by another state or a political territory or jurisdiction acceptable to the Board if, in the Board's determination, the requirements for that license, certificate, or registration are substantially the same as the requirements for licensure under this Article.

"**§ 90-656. Provisional license.**

The Board may grant a provisional license for a period not exceeding 12 months to any applicant who has successfully completed the education requirements under G.S. 90-653(a)(3) and has made application to take the examination required under G.S. 90-653(a)(5). A provisional license allows the individual to practice respiratory care under the supervision of a respiratory care practitioner and in accordance with rules adopted pursuant to this Article. A license granted under this section shall contain an endorsement indicating that the license is provisional and stating the terms and conditions of its use by the licensee and shall state the date the license was granted and the date it expires.

"**§ 90-657. Notification of applicant following evaluation of application.**

After evaluation of the application and of any other evidence required from the applicant by the Board, the Board shall notify each applicant that the application and evidence submitted are satisfactory and accepted or unsatisfactory and rejected. If the application and evidence is rejected, the notice shall state the reasons for the rejection.

"**§ 90-658. License as property of the Board; display requirement; renewal; inactive status.**

(a) A license issued by the Board is the property of the Board and shall be surrendered by the licensee to the Board on demand.

(b) The licensee shall display the license in the manner prescribed by the Board.

(c) The licensee shall inform the Board of any change of the licensee's address.

(d) The license shall be renewed by the Board annually upon the payment of a renewal fee if, at the time of application for renewal, the applicant is not in violation of this Article and has fulfilled the current requirements regarding continuing education as established by rules adopted pursuant to this Article.

(e) The Board shall notify a licensee at least 30 days in advance of the expiration of his or her license. Each licensee is responsible for renewing his or her license before the expiration date. Licenses that are not renewed automatically lapse.

(f) The Board may provide for the late renewal of an automatically lapsed license upon the payment of a late fee. No late fee renewal may be granted more than five years after a license expires.

(g) In accordance with rules adopted pursuant to this Article, a licensee may request that his or her license be declared inactive and may thereafter apply for active status.

"**§ 90-659. Suspension, revocation, and refusal to renew a license.**

(a) The Board shall take the necessary actions to deny or refuse to renew a license, suspend or revoke a license, or to impose probationary conditions on a licensee or applicant if the licensee or applicant:

(1) Has engaged in any of the following conduct:
   a. Employed fraud, deceit, or misrepresentation in obtaining or attempting to obtain a license or the renewal of a license.
   b. Committed an act of malpractice, gross negligence, or incompetence in the practice of respiratory care.
   c. Practiced respiratory care without a license.
   d. Engaged in health care practices that are determined to be hazardous to public health, safety, or welfare.

(2) Was convicted of or entered a plea of guilty or nolo contendere to any crime involving moral turpitude.

(3) Was adjudicated insane or incompetent, until proof of recovery from the condition can be established.

(4) Engaged in any act or practice that violates any of the provisions of this Article or any rule adopted pursuant to this Article, or aided, abetted, or assisted any person in such a violation.

(b) Denial, refusal to renew, suspension, or revocation of a license, or imposition of probationary conditions upon a licensee may be ordered by the Board after a hearing held in accordance with Article 3A of Chapter 150B of the General Statutes and rules adopted pursuant to this Article. An application may be made to the Board for reinstatement of a revoked license if the revocation has been in effect for at least one year.

"§ 90-660. Expenses; fees.

(a) All salaries, compensation, and expenses incurred or allowed for carrying out the purposes of this Article shall be paid by the Board exclusively out of the fees received by the Board as authorized by this Article or funds received from other sources. In no case shall any salary, expense, or other obligations of the Board be charged against the State.

(b) All monies received by the Board pursuant to this Article shall be deposited in an account for the Board and shall be used for the administration and implementation of this Article. The Board shall establish fees in amounts to cover the cost of services rendered for the following purposes:

(1) For an initial application, a fee not to exceed twenty-five dollars ($25.00).

(2) For examination or reexamination, a fee not to exceed one hundred fifty dollars ($150.00).

(3) For issuance of any license, a fee not to exceed one hundred dollars ($100.00).

(4) For the renewal of any license, a fee not to exceed fifty dollars ($50.00).

(5) For the late renewal of any license, an additional late fee not to exceed fifty dollars ($50.00).

(6) For a license with a provisional or temporary endorsement, a fee not to exceed thirty-five dollars ($35.00).

(7) For copies of rules adopted pursuant to this Article and licensure standards, charges not exceeding the actual cost of printing and mailing.

"§ 90-661. Requirement of license.

After October 1, 2000, it shall be unlawful for any person who is not currently licensed under this Article to:

(1) Engage in the practice of respiratory care.

(2) Use the title 'respiratory care practitioner'.

(3) Use the letters 'RCP', 'RTT', 'RT', or any facsimile or combination in any words, letters, abbreviations, or insignia.

(4) Imply orally or in writing or indicate in any way that the person is a respiratory care practitioner or is otherwise licensed under this Article.

(5) Employ or solicit for employment unlicensed persons to practice respiratory care.

"§ 90-662. Violation a misdemeanor.

Any person who violates any provision of this Article shall be guilty of a Class 1 misdemeanor.

"**§ 90-663. Injunctions.**

The Board may apply to the superior court for an order enjoining violations of this Article, and upon a showing by the Board that any person has violated or is about to violate this Article, the court may grant an injunction or restraining order or take other appropriate action.

"**§ 90-664. Persons and practices not affected.**

The requirements of this Article shall not apply to:

(1) Any person registered, certified, credentialed, or licensed to engage in another profession or occupation or any person working under the supervision of a person registered, certified, credentialed, or licensed to engage in another profession or occupation in this State who is performing work incidental to the practice of that profession or occupation and does not represent himself or herself as a respiratory care practitioner.

(2) A student or trainee working under the direct supervision of a respiratory care practitioner while fulfilling an experience requirement or pursuing a course of study to meet requirements for licensure in accordance with rules adopted pursuant to this Article.

(3) A respiratory care practitioner serving in the armed forces or the Public Health Service of the United States or employed by the Veterans Administration when performing duties associated with that service or employment.

(4) A person aiding in the practice of respiratory care, in accordance with rules adopted pursuant to this Article, if the person works under the direct supervision of a respiratory care practitioner or on the order of or under the direct supervision of a physician licensed under Article 1 of this Chapter and performs only support activities as defined in G.S. 90-648(12).

"**§ 90-665. Third-party reimbursement.**

Nothing in this Article shall be construed to require direct third-party reimbursements to persons licensed under this Article."

Section 2. G.S. 120-123 is amended by adding a new subdivision to read:

"(70) The North Carolina Respiratory Care Board as created by Article 37 of Chapter 90 of the General Statutes."

Section 3. The initial appointments to the North Carolina Respiratory Care Board, created in G.S. 90-649, as enacted in Section 1 of this act, shall be appointed no later than October 1, 1999. Notwithstanding the provisions of G.S. 90-649(b), as enacted in Section 1 of this act, the initial members of the North Carolina Respiratory Care Board who are appointed pursuant to G.S. 90-649(a)(1) shall be licensed under Article 37 of Chapter 90 of the General Statutes, as enacted in Section 1 of this act, no later than June 30, 2000, and, until October 1, 2004, must have

passed the entry-level examination administered by the National Board for Respiratory Care, Inc. Notwithstanding the provisions of G.S. 90-650(b), as enacted in Section 1 of this act, of the initial appointments to the North Carolina Respiratory Care Board, one of the members appointed by the General Assembly, upon the recommendation of the Speaker of the House of Representatives, and one of the members appointed by the General Assembly, upon the recommendation of the President Pro Tempore of the Senate, shall be appointed for three-year terms; one of the members appointed by the General Assembly, upon the recommendation of the Speaker of the House of Representatives, and one of the members appointed by the General Assembly, upon the recommendation of the President Pro Tempore of the Senate, shall be appointed for two-year terms; the public member appointed by the Governor shall be appointed for a one-year term; the physician member appointed by the North Carolina Medical Society shall be appointed for a one-year term; and the members appointed by the North Carolina Hospital Association and the North Carolina Association of Medical Equipment Services shall be appointed for one-year terms.

Section 4. This act is effective when it becomes law.

HOUSE BILL 1340:
Respiratory Care Practice Act

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Representative Tolson
Date:	June 19, 2000	**Summary by:**	Mary Shuping
Version:	3rd Edition		Research Assistant

SUMMARY: ***House Bill 1340 establishes the Respiratory Care Practice Act for the purpose of licensing respiratory care practitioners. The bill sets up the Respiratory Care Board, establishes licensure requirements, provides for the denial, suspension, and revocation of licenses, establishes fees, provides that a violation is a Class 1 misdemeanor, and exempts certain persons and practices from licensure.***

House Bill 1340 was given a favorable assessment report by the Legislative Committee on New Licensing Boards, and was later amended in House Committee on Health and Senate Committee on Health. The bill has also been to House Finance.

CURRENT LAW: Under current law, respiratory care practitioners are not regulated. The North Carolina Society for Respiratory Care (NCSRC) promotes a voluntary certification and registration of respiratory care practitioners by the National Board of Respiratory Care. The *Respiratory Care Questionnaire for the Legislative Committee on New Licensing Boards,* May 1999, indicated there were approximately 2,800 respiratory care practitioners in North Carolina.

BILL ANALYSIS: Following is a summary of the Respiratory Care Practice Act.

G.S. 90-648. Definitions. ***(page 1, line 17 – page 3, line 22)*** Sets forth the definitions applicable in the Article, including the "practice of respiratory care" *(p. 2, line 25)* which are procedures that may be performed by a licensed respiratory care practitioner, and "support activities" *(p. 3, line 18)* which are procedures that do not require licensure.

G.S. 90-649 – G.S. 90-652. Respiratory Care Board. ***(page 3, line 23 – page 5, line 41)*** These sections establish the North Carolina Respiratory Care Board.

Membership. *(page 3, lines 23 – page 4, line 2)* The Board will consist of ten members, as follows:

- 2 respiratory care practitioners – 1 appointed by the President Pro Tempore of the Senate, and 1 appointed by the Speaker of the House.
- 4 physicians whose primary practice is Pulmonology, Anesthesiology, Critical Care Medicine, or Cardiothoracic Disorders – 1 appointed by the President Pro Tempore of the Senate, 1 appointed by the Speaker of the House, 1 appointed by the NC Medical Society, and 1 appointed by the Old North State Medical Society.
- 1 member of the Hospital Association, appointed by the Association.
- 1 member of the North Carolina Association of Medical Equipment Services, appointed by the Association.
- 2 members of the public who are not health care professionals, appointed by the Governor.

This section also provides for terms, removals, vacancies, meetings, and elections of officers, and that members are immune from civil liability arising from activities performed within the scope of their official duties. Members only receive travel, per diem, and other approved expenses.

Powers and Duties. *(page 5, lines 7 – 41)* This section authorizes the Board to:

- Determine the qualifications and fitness of applicants for licensure.
- Deny, suspend, revoke, and renew licenses.
- Conduct investigations, subpoena individuals and records in conducting disciplinary proceedings.
- Establish fees, in accordance with G.S. 90-660.
- Submit an annual report to the NC Medical Board, the NC Hospital Association, the NC Society of Respiratory Care, the Governor, and the General Assembly.
- Establish and approve continuing education requirements.

G.S. 90-653 to G.S. 90-658. Licensure. ***(page 5, line 42 – page 7, line 29)*** These sections set forth licensure requirements, certain exemptions, and reciprocity and provisional licensure requirements.

Licensure Requirements. *(page 5, line 42 – page 6, line 18)*. Applicants for licensure as respiratory care practitioners must:

- Submit a completed application.
- Pay the required fees.
- Submit written evidence, verified by oath, that the applicant has successfully completed the minimal requirements for
  1. A respiratory care education program approved by the Commission for Accreditation of Allied Health Educational Programs; and
  2. Basic Cardiac Life Support as recognized by the American Heart Association.
- Pass the entry-level exam given by the National Board for Respiratory Care, Inc.

Exemption from Certain Requirements. *(page 6, lines 19 – 31)* The Board may issue a license to an applicant who, as of October 1, 2000, has passed the entry-level exam. The applicant must submit the application for licensure before October 1, 2002.

The board may grant a temporary license to an applicant who, as of October 1, 2000, does not meet the qualifications for licensure, but has demonstrated through written evidence, verified by oath, that the applicant is performing the duties of a respiratory care practitioner. The temporary license is valid until October 1, 2002, and the applicant must pass the entry-level exam by that date.

Reciprocity. *(page 6, lines 32 – 38)* This section provides that a person licensed in another state may obtain licensure in North Carolina provided that the requirements for licensure in the other state are substantially the same as in North Carolina.

Provisional License. *(page 6, lines 39 – page 7, line 4)* An applicant may receive a provisional license for up to 12 months if the applicant has successfully completed the respiratory care education program approved by the Commission for Accreditation of Allied Health Educational Programs, and has applied to

take the entry-level exam given by the National Board for Respiratory Care. A provisional license allows the person to practice only under the supervision of a licensed respiratory care practitioner.

G.S. 90-659. Disciplinary Procedures. ***(page 7, line 30 – page 8, line 11)*** The Board may deny, refuse to renew, revoke, or suspend a license, or impose probationary conditions if the person:

- Engaged in fraud, deceit, misrepresentation in obtaining a license.
- Committed an act of malpractice, gross negligence, or incompetence.
- Practiced without a license.
- Engaged in health care practices that are determined to be hazardous to the public.
- Was convicted or pleaded no contest to a crime involving moral turpitude.
- Was adjudicated insane or incompetent, until proof of recovery can be established.
- Violated any of the provisions of the Respiratory Care Practice Act.

G.S. 90-660. Fees. ***(page 8, lines 12 – 36)*** This section establishes the following maximum fees.

TYPE OF FEE	MAXIMUM FEE AMOUNT
Initial application	$25.00
Examination or Reexamination	$150.00
Issuance of License	$100.00
Renewal of License (annually)	$50.00
Late Renewal (additional fee)	$50.00
Provisional or Temporary License	$35.00
Copies of Board Rules, etc	Actual Cost

G.S. 90-661. License Required. ***(page 8, lines 37 – page 9, line 5)*** After October 1, 2002, it will be unlawful for anyone to practice respiratory care, use the title of "respiratory care practitioner", or employ unlicensed persons to practice respiratory care.

G.S. 90-662. Violation. ***(page 9, lines 6 - 8)*** Violation of the Respiratory Care Practice Act is a Class 1 misdemeanor.

G.S. 90-664. Exemptions from Licensure. ***(page 9, lines 14 – 33)*** Licensure requirements do *not* apply to the following:

- Any person who is registered, certified, credentialed, or licensed to engage in another profession or occupation, or any person working under the supervision of that person who is performing work incidental to the practice of respiratory care and does not represent himself or herself as a respiratory care practitioner.
- A student or trainee working under the direct supervision of a respiratory care practitioner while fulfilling requirements of the course of study.

- A person serving in the armed forces or the Public Health Service of the United States or employed by the Veterans Administration when performing duties associated with that service or employment.

- A person aiding in the practice of respiratory care, working under the supervision of a respiratory care practitioner, or physician, and who performs only support activities (procedures that do not require formal academic training, including the delivery, setup and maintenance of equipment.)

G.S. 90-665. Third Party Reimbursement. ***(page 9, lines 34 – 36)*** This section provides that nothing in the Respiratory Care Practice Act requires respiratory care practitioners to bill directly for third-party reimbursement.

Section 2 ***(page 9, lines 37 – 39)*** provides that no member of the General Assembly may serve on the Board.

Section 3 ***(page 9, line 40 – page 10, line 17)*** sets up the initial terms of appointment to the Board.

EFFECTIVE DATE: The act is effective when it becomes law.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: North Carolina Respiratory Care Board

EFFECTIVE DATE: This act is effective when it becomes law.

BILL SUMMARY:
This bill establishes the Respiratory Care Practice Act. It creates an eight member NC Respiratory Care Board with powers and duties that include determining qualifications and fitness of applicants for licensure, renewal of licensure, reciprocal licensure, and suspension, revocation, and refusal to renew license. Provides that after Oct. 1, 2000, it is unlawful for person to engage in practice of respiratory care without license. The bill sets the following maximum fees: (1) initial application, $25; (2) examination or reexamination, $150; (3) issuance of license, $100; (4) renewal of license, $50; (5) late renewal of license, $50; and (6) license with provisional or temporary endorsement, $35. Violation of any provision of Article is a Class 1 misdemeanor.

ASSUMPTIONS AND METHODOLOGY:
The North Carolina Society for Respiratory Care identified approximately 2,100 respiratory care practitioners in North Carolina in 1995. This number has grown to 2,300 in 1999 based on 1) the state's Community College System graduates approximately 110 respiratory care students each year, and 2) it is estimated that 60 respiratory care professionals retire or leave the profession each year. This net gain of 50 respiratory care professionals is expected to continue into the near future.

The chart below estimates the number of applications, licenses, license endorsements, and license renewals handled by the new North Carolina Respiratory Care Board each fiscal year.

	FY 99-00	FY 00-01	FY 01-02	FY 02-03	FY 03-04
Applications	2,300	110	110	110	110
Initial Licenses	2,300	110	110	110	110
Temporary Endorsements	575				
License Renewal		2,240	2,290	2,340	2,390

This fiscal note assumes that the Board will be appointed during FY 1999-00 and that Board staff will be hired in time to receive applications and issue licenses to 2300 current respiratory care practitioners in the state in FY 1999-00. Approximately 75% of the current professionals have passed an exam given by the National Board for Respiratory Care (NBRC) and will be issued a license. The remaining 25% of existing professionals will receive a license with a temporary endorsement until they complete the NBRC exam. Since the NBRC exam is given in March, July and November, it is assumed that this group will take the exam in July 2000 to meet the October 2000 deadline. Future year license renewal assumes an attrition rate of 60 professionals each year and increase of 110 new applicants from the Community Colleges.

The next chart shows the anticipated revenue from the proposed fees. Respiratory care practitioners will pay a $25 application fee and a $100 license fee in their first year in the program. The annual license renewal fee is $50. A respiratory care practitioner that has not passed the NBRC exam must pay $25 application fee, a $100 license fee, and a $35 temporary endorsement fee. The fee for the NBRC exam is $150 and goes directly to the national board and is not kept by the state board. This exam is already given to all those graduating from Community College respiratory care programs.

	FY 99-00	FY 00-01	FY 01-02	FY 02-03	FY 03-04
Applications ($25)	$57,500	$2,750	$2,750	$2,750	$2,750
Initial Licenses ($100)	$230,000	$11,000	$11,000	$11,000	$11,000
Temporary Endorsement ($35)	$20,125				
License Renewal ($50)		$112,000	$114,500	$117,000	$119,500
Total Fee Revenue	$307,625	$125,750	$128,250	$130,750	$133,250

TECHNICAL CONSIDERATIONS:
GS 90-660(b) (2) does not identify the $150 exam fee as the cost of the exam given by the National Board for Respiratory Care (NBRC).

SENATE BILL 1193

Short Title: Wilkes Fire District Boundaries. (Local)

Sponsors: Senator Garwood.

Referred to: Finance.

May 10, 2000

A BILL TO BE ENTITLED

AN ACT TO RESOLVE A BOUNDARY OVERLAP BETWEEN THE RONDA AND ROARING RIVER VOLUNTEER FIRE TAX DISTRICTS IN WILKES COUNTY AND TO VALIDATE CERTAIN ACTIONS.

The General Assembly of North Carolina enacts:

Section 1(a). The newly agreed boundary line for the Roaring River Fire Tax District in the area from the intersection of Poplar Springs Road and North Ridge Road south to Old U.S. Highway 421 shall be as follows:

BEGINNING at the intersection of S.R. 1924 (Poplar Springs Road) and S.R. 2015 (North Ridge Road), thence in a southeasterly direction with S.R. 2015 to the intersection of S.R. 2015 and N.C. Highway 268, including all property with primary access from S.R. 2015 between this and the preceding point; thence in a southerly direction in a straight line to a point on S.R. 2321 (Old 60) .2 miles west of Gray's Creek Bridge; thence in a southerly direction in a straight line to the intersection of S.R. 2318 (Mathis Mill Road), S.R. 2319 (South Plum Ridge Road), and S.R. 2320 (North Plum Ridge Road); thence in a southerly direction with S.R. 2319 to the intersection of S.R. 2319 and U.S. Highway 421, including all property adjacent to or accessed from S.R. 2319 between this and the preceding point; thence in an easterly direction following the centerline of U.S. Highway 421 to the intersection of U.S. 421 and S.R. 2346 (Old U.S. Highway 421); thence in a westerly direction with S.R. 2346 to a point 1.1 miles west of said intersection, including all property on both sides of S.R. 2346 adjacent to or accessed from S.R. 2346. The foregoing description for said boundary line shall not be affected or altered in any way by the widening, relocation, or four-laning of U.S. Highway 421.

Section 1(b). The newly agreed boundary line for the Ronda Fire Tax District in the area from the intersection of Poplar Springs Road and North Ridge Road south to Old U.S. Highway 421 shall be as follows:
BEGINNING at the intersection of S.R. 1924 (Poplar Springs Road) and S.R. 2015 (North Ridge Road), thence in a southeasterly direction with S.R. 2015 to the intersection of S.R. 2015 and N.C. Highway 268, excluding all property with primary access from S.R. 2015 between this and the preceding point; thence in a southerly direction in a straight line to a point on S.R. 2321 (Old 60) .2 miles west of Gray's Creek Bridge; thence in a southerly direction in a straight line to the intersection of S.R. 2318 (Mathis Mill Road), S.R. 2319 (South Plum Ridge Road), and S.R. 2320 (North Plum Ridge Road); thence in a southerly direction with S.R. 2319 to the intersection of S.R. 2319 and U.S. Highway 421, excluding all property adjacent to or accessed from S.R. 2319 between this and the preceding point; thence in an easterly direction following the centerline of U.S. Highway 421 to the intersection of U.S. 421 and S.R. 2346 (Old U.S. Highway 421); thence in a westerly direction with S.R. 2346 to a point 1.1 miles west of said intersection, excluding all property on both sides of S.R. 2346 adjacent to or accessed from S.R. 2346. The foregoing description for said boundary line shall not be affected or altered in any way by the widening, relocation, or four-laning of U.S. Highway 421.

Section 2. Subject to the new boundary line as provided in this act, the 1985 extensions of the Ronda and Roaring River Fire Tax districts in Wilkes County are valid and lawful. All collections of fire tax revenues by Wilkes County since 1985 in the areas subject to the extensions are valid and lawful, without regard to which fire tax district (and corresponding fire tax rate) those revenues were collected from, and without regard to which volunteer fire department those revenues were allocated to.

Section 3. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO RESOLVE A BOUNDARY OVERLAP BETWEEN THE RONDA AND ROARING RIVER VOLUNTEER FIRE TAX DISTRICTS IN WILKES COUNTY AND TO VALIDATE CERTAIN ACTIONS, AND TO EXPAND THE GLENDALE SPRINGS FIRE PROTECTION DISTRICT IN ASHE COUNTY.

The General Assembly of North Carolina enacts:

Section 1.(a) The newly agreed boundary line for the Roaring River Fire Tax District in the area from the intersection of Poplar Springs Road and North Ridge Road south to Old U.S. Highway 421 shall be as follows:

BEGINNING at the intersection of S.R. 1924 (Poplar Springs Road) and S.R. 2015 (North Ridge Road), thence in a southeasterly direction with S.R. 2015 to the intersection of S.R. 2015 and N.C. Highway 268, including all property with primary access from S.R. 2015 between this and the preceding point; thence in a southerly direction in a straight line to a point on S.R. 2321 (Old 60) .2 miles west of Gray's Creek Bridge; thence in a southerly direction in a straight line to the intersection of S.R. 2318 (Mathis Mill Road), S.R. 2319 (South Plum Ridge Road), and S.R. 2320 (North Plum Ridge Road); thence in a southerly direction with S.R. 2319 to the intersection of S.R. 2319 and U.S. Highway 421, including all property adjacent to or accessed from S.R. 2319 between this and the preceding point; thence in an easterly direction following the centerline of U.S. Highway 421 to the intersection of U.S. 421 and S.R. 2346 (Old U.S. Highway 421); thence in a westerly direction with S.R. 2346 to a point 1.1 miles west of said intersection, including all property on both sides of

S.R. 2346 adjacent to or accessed from S.R. 2346. The foregoing description for said boundary line shall not be affected or altered in any way by the widening, relocation, or four-laning of U.S. Highway 421.

Section 1.(b) The newly agreed boundary line for the Ronda Fire Tax District in the area from the intersection of Poplar Springs Road and North Ridge Road south to Old U.S. Highway 421 shall be as follows:

BEGINNING at the intersection of S.R. 1924 (Poplar Springs Road) and S.R. 2015 (North Ridge Road), thence in a southeasterly direction with S.R. 2015 to the intersection of S.R. 2015 and N.C. Highway 268, excluding all property with primary access from S.R. 2015 between this and the preceding point; thence in a southerly direction in a straight line to a point on S.R. 2321 (Old 60) .2 miles west of Gray's Creek Bridge; thence in a southerly direction in a straight line to the intersection of S.R. 2318 (Mathis Mill Road), S.R. 2319 (South Plum Ridge Road), and S.R. 2320 (North Plum Ridge Road); thence in a southerly direction with S.R. 2319 to the intersection of S.R. 2319 and U.S. Highway 421, excluding all property adjacent to or accessed from S.R. 2319 between this and the preceding point; thence in an easterly direction following the centerline of U.S. Highway 421 to the intersection of U.S. 421 and S.R. 2346 (Old U.S. Highway 421); thence in a westerly direction with S.R. 2346 to a point 1.1 miles west of said intersection, excluding all property on both sides of S.R. 2346 adjacent to or accessed from S.R. 2346. The foregoing description for said boundary line shall not be affected or altered in any way by the widening, relocation, or four-laning of U.S. Highway 421.

Section 2. Subject to the new boundary line as provided in this act, the 1985 extensions of the Ronda and Roaring River Fire Tax districts in Wilkes County are valid and lawful. All collections of fire tax revenues by Wilkes County since 1985 in the areas subject to the extensions are valid and lawful, without regard to which fire tax district (and corresponding fire tax rate) those revenues were collected from, and without regard to which volunteer fire department those revenues were allocated to.

Section 3. The boundaries of the Glendale Springs Fire Protection District established under Article 3A of Chapter 69 of the General Statutes are as follows:

Beginning at the intersection of NC 88 and Low Gap Road running west to where NC 88 intersects with Ebenezer Road, labeled as point 2 on the exhibit. From there the line goes south - southeast along Ebenezer and taking an overland route to the east of and encompassing all of Roe Hunt Road to a point on the Blue Ridge Parkway labeled as point 3 on the exhibit. From there the line runs southwest - south along the county boundary line to a point east of the Blue Ridge Parkway labeled as point 4 on the exhibit. From there the line runs in a westerly direction along the county boundary line to a point on the Blue Ridge Parkway just west of its intersection with Park Vista Road, labeled as point 5 on the exhibit. From there the boundary line travels northwesterly for a short distance, encompassing both sides of Park Vista Road, before turning northward in an overland line to the intersection of Canoe Gap and Idlewild Road, labeled as point 6 on the exhibit. The boundary line

continues northward to the intersection of Canoe Gap Road and Hartsog Ford Road, labeled as point 7 on the exhibit. From there the line runs slightly northeast to a point where the river bridge crosses NC 163, labeled as point 8 on the exhibit. From there the boundary line takes a meandering path along the east side of the New River to a point where the river runs beside Boggs Road, labeled as point 9 on the exhibit. From there the boundary line runs slightly northeast to a point where Cox Road runs beside the New River, labeled as point 10 on the exhibit. From there, the line runs along the New River to a point where NC 16 intersects with NC 88, labeled as point 11 on the exhibit. From there, the line runs along NC 88, encompassing the southern portion of the road, until it intersects with Low Gap, labeled as point 1.

Section 4. Section 3 becomes effective June 30, 2000. The remainder of this act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE REVENUE BOND FINANCING OF CERTAIN PRIVATE PROJECTS THAT PERFORM A PUBLIC PURPOSE AND TO REORGANIZE THE INDUSTRIAL FACILITIES AND POLLUTION CONTROL FINANCING AUTHORITY.

The General Assembly of North Carolina enacts:

Section 1. Chapter 115E of the General Statutes is recodified as Article 2 of Chapter 159D of the General Statutes.

Section 2. Chapter 159D of the General Statutes, as amended by this act, reads as rewritten:

"Chapter 159D.

"The North Carolina ~~Industrial and Pollution Control~~ Capital Facilities ~~Pool Program~~ Financing Act.

"ARTICLE 1.

"Industrial and Pollution Control Facilities Financing.

"§ 159D-1. Short title.

This ~~chapter~~ Article may be referred to as "The North Carolina Industrial and Pollution Control Facilities ~~Pool Program~~ Financing Act."

"§ 159D-2. Legislative findings and purposes.

(a) The General Assembly finds and determines that there exists in the State a critical condition of unemployment and a scarcity of employment opportunities; that the economic insecurity which results from such unemployment and scarcity of employment opportunities constitutes a serious menace to the safety, morals and

general welfare of the entire State; that such unemployment and scarcity of employment opportunities have caused many workers and their families, including young adults upon whom future economic prosperity is dependent, to migrate elsewhere to find employment and establish homes; that such emigration has resulted in a reduced rate of growth in the tax base of the counties and other local governmental units of the State which impairs the financial ability of such counties and other local governmental units to support education and other local governmental services; that such unemployment results in obligations to grant public assistance and to pay unemployment compensation; that the aforesaid conditions can best be remedied by the attraction, stimulation, expansion and rehabilitation and revitalization of industrial and manufacturing facilities for industry in the State; and that there is a need to stimulate a larger flow of private investment funds into industrial building programs ~~into [in]~~ in the State.

(b) The General Assembly further finds and determines that the development and expansion of industry within the State, which are essential to the economic growth of the State, and to the full employment and prosperity of its people, are accompanied by the increased production and discharge of gaseous, liquid, and solid pollution and wastes which threaten and endanger the health, welfare and safety of the inhabitants of the State by polluting the air, land and waters of the State; that in order to reduce, control, and prevent such environmental pollution, it is imperative that action be taken at various levels of government to require the provision of devices, equipment and facilities for the collection, reduction, treatment, and disposal of such pollution and wastes; that the assistance provided in this ~~Chapter,~~ Article, especially with respect to financing, is therefore in the public interest and serves a public purpose of the State in promoting the health, welfare and safety of the inhabitants of the State not only physically by collecting, reducing, treating and preventing environmental pollution but also economically by securing and retaining private industry thereby maintaining a higher level of employment and economic activity and stability.

~~(c) The General Assembly further finds that the federal government and its agencies have established, and may in the future establish, programs to promote gainful employment opportunity and the prevention and control of the pollution of air, land and waters of the United States through assistance in the financing of industrial and manufacturing facilities and pollution control facilities for industry and that the economical implementation of such programs in the State of North Carolina may require the financing of such facilities through a uniform statewide program.~~

~~(c1) The General Assembly further finds that certain provisions of federal tax law, economies of scale and credit market conditions make it advantageous for counties in North Carolina to be authorized to create a single authority with the legal capacity to combine separate financings into one or more pools that may be offered for sale on more favorable terms than any single financing standing alone.~~

~~(d) It is therefore declared to be the policy of the State to promote the right to gainful employment opportunity, private industry, the prevention and control of the pollution of the air, land and waters of the State, and the safety, morals and health of the people of the State, and thereby promote general welfare of the people of the~~

~~State, by authorizing counties to create an authority which shall be a political subdivision and body corporate and politic of the State. This body is to be formed (i) to aid in the financing of industrial and manufacturing facilities for the purpose of alleviating unemployment or raising below average manufacturing wages by financing industrial and manufacturing facilities which provide job opportunities or pay better wages than those prevalent in the area and (ii) to aid in financing pollution control facilities for industry in connection with manufacturing and industrial facilities, in each case in connection with pool programs to effect such purposes; provided, however, that it is the policy of the State to finance only those facilities where there is a direct or indirect favorable impact on employment or an improvement in the degree of prevention or control of pollution commensurate with the size and cost of the facilities.~~

"§ 159D-3. Definitions.

The following terms, whenever used or referred to in this ~~Chapter,~~ Article, shall have the following respective meanings, unless a different meaning clearly appears from the context:

(1) ~~"Agency" shall include any agency, bureau, commission, department or instrumentality.~~
'Agency' means the North Carolina Capital Facilities Finance Agency, an agency of the State created pursuant to G.S. 159D-38 of the North Carolina Capital Facilities Finance Act, codified as Article 2 of this Chapter.

(2) 'Air pollution control facility' shall mean any structure, equipment or other facility for, including any increment in the cost of any structure, equipment or facility attributable to, the purpose of treating, neutralizing or reducing gaseous industrial waste and other air pollutants, including recovery, treatment, neutralizing or stabilizing plants and equipment and their appurtenances, which shall have been certified by the agency having jurisdiction to be in furtherance of the purpose of abating or controlling atmospheric pollutants or contaminants.

(3) 'Authority' shall mean The North Carolina Industrial and Pollution Control Facilities Financing Authority, a political subdivision and body politic of the State, ~~which may be~~ created pursuant to the provisions of this ~~Chapter and which shall have the powers and authority specified in and by this Chapter.~~ Article.

(4) 'Bonds' shall mean revenue bonds ~~of an authority~~ issued under the provisions of this ~~Chapter.~~ Article.

(5) 'Cost' as applied to any project shall embrace all capital costs thereof, including the cost of construction, the cost of acquisition of all property, including rights in land and other property, both real and personal and improved and unimproved, the cost of demolishing, removing or relocating any buildings or structures on lands so acquired, including the cost of acquiring any lands to

which such buildings or structures may be moved or relocated, the cost of all machinery and equipment, installation, start-up expenses, financing charges, interest prior to, during and for a period not exceeding one year after completion of construction, the cost of engineering and architectural surveys, plans and specifications, the cost of consultants' and legal services, other expenses necessary or incident to determining the feasibility or practicability of such project, administrative and other expenses necessary or incident to the acquisition or construction of such project and the financing of the acquisition and construction thereof, including a reserve for debt services.

~~(6) 'Pool program" shall mean a program of the authority whereby separate financings for obligors are combined into one or more pools for purposes of sale. The credit of such financings or the pool may be enhanced by participation in a federal program, by a guaranty such as a surety bond, insurance or a letter of credit, by additional collateral or by any other device, fund or guaranty by any person other than the authority, agency, under which payment of bonds or the obligations of an obligor under a financing agreement shall be guaranteed, in whole or in part, by such person or persons.~~

(7) 'Financing agreement' shall mean a written instrument establishing the rights and responsibilities of the ~~authority~~ agency and the operator with respect to a project financed by the issue of bonds.

(8) 'Governing body' shall mean the board, commission, council or other body in which the general legislative powers of any county or other political subdivision are vested.

(9) 'Obligor' shall mean collectively the operator and any others (including, but not by way of limitation, any other person, collateral device or fund that shall be obligated to pay) who or which shall be obligated under a financing agreement or guaranty agreement or other contract or agreement to make payments to, or for the benefit of, the holders of bonds of the ~~authority.~~ agency. Any requirement of an obligor may be satisfied by any one or more persons who are defined collectively by this ~~Chapter~~ Article as the obligor.

(10) 'Operator' shall mean the person entitled to the use or occupancy of a project.

(11) 'Political subdivision' shall mean any county, city, town, other unit of local government or any other governmental corporation, ~~agency,~~ entity, authority or instrumentality of the State now or hereafter existing.

(12) 'Pollution and pollutants' shall mean any noxious or deleterious substances in any air or waters of or adjacent to the State of North

Carolina or affecting the physical, chemical or biological properties of any air or waters of or adjacent to the State of North Carolina in a manner and to an extent which renders or is likely to render such air or waters harmful or inimical to the public health, safety or welfare, or to animal, bird or aquatic life, or to the use of such air or waters for domestic, industrial or agricultural purposes or recreation.

(13) 'Project' shall mean any land, equipment or any one or more buildings or other structures, whether or not on the same site or sites, and any rehabilitation, improvement, renovation or enlargement of, or any addition to, any building or structure for use as or in connection with (i) any industrial project for industry which project may be any industrial or manufacturing factory, mill, assembly plant or fabricating plant, or freight terminal, or industrial research, development or laboratory facility or industrial processing facility for industrial or manufactured products, or (ii) any pollution control project for industry which project may be any air pollution control facility, water pollution control facility, or solid waste disposal facility in connection with any factory, mill, plant, terminal or facility described in clause (i) of this subdivision, or (iii) any combination of projects mentioned in clauses (i) and (ii) of this subdivision. Any project may include all appurtenances and incidental facilities such as land, headquarters or office facilities, warehouses, distribution centers, access roads, sidewalks, utilities, railway sidings, trucking and similar facilities, parking facilities, landing strips and other facilities for aircraft, waterways, docks, wharves and other improvements necessary or convenient for the construction, maintenance and operation of any building or structure, or addition thereto.

(14) 'Revenues' shall mean, with respect to any project, the rents, fees, charges, payments, proceeds and other income or profit derived therefrom or from the financing agreement or security document in connection therewith.

(15) 'Security document' shall mean a written instrument or instruments establishing the rights and responsibilities of the ~~authority~~ agency and the holders of bonds issued to finance a project, and may provide for, or be in the form of an agreement with, a trustee for the benefit of such bondholders. A security document may contain an assignment, pledge, mortgage or other encumbrance of all or part of the ~~authority's~~ agency's interest in, or right to receive revenues with respect to, a project and any other property provided by the operator or other obligor under a financing agreement and may bear any appropriate title. A

financing agreement and a security document may be combined as one instrument.

(16) 'Solid waste' shall mean solid waste materials resulting from any industrial or manufacturing activities or from any pollution control facility.

(17) 'Solid waste disposal facility' shall mean a facility for the purpose of treating, burning, compacting, composting, storing or disposing of solid waste.

(18) 'Water pollution control facility' shall mean any structure, equipment or other facility for, including any increment in the cost of any structure, equipment or facility attributable to, the purpose of treating, neutralizing or reducing liquid industrial waste and other water pollution, including collecting, treating, neutralizing, stabilizing, cooling, segregating, holding, recycling, or disposing of liquid industrial waste and other water pollution, including necessary collector, interceptor, and outfall lines and pumping stations, which ~~shall have~~ has been certified by the ~~agency~~ entity exercising jurisdiction to be in furtherance of the purpose of abating or controlling water pollution.

~~"§ 159D-4. Creation of the authority.~~

~~(a) The governing bodies of two or more counties are hereby authorized to create by resolution a political subdivision and body corporate and politic of the State known as "The North Carolina Industrial Facilities and Pollution Control Financing Authority", in order to effectuate in the most economical manner the acquisition, construction and financing of projects through pool programs.~~

~~If each governing body shall determine that it is in the best interest of the county to cause to be created and to become a member of the authority, each governing body shall adopt a resolution so finding and setting forth the names of the counties which are proposed to be initial members of the authority. The governing body of the county shall thereupon by ordinance or resolution appoint one commissioner of the authority.~~

~~Any two or more commissioners so named may file with the Secretary of State an application signed by them setting forth (i) the names of all the proposed member counties; (ii) the name and official residence of each of the commissioners so far as known to them; (iii) a certified copy of the appointment evidencing their right to office; (iv) a statement that each governing body of each respective county appointing a commissioner has made the aforesaid determination; and (v) the desire that an authority be organized as a political subdivision and a body corporate and politic under this Chapter.~~

~~The application shall be subscribed and sworn to by such commissioners before an officer or officers authorized by the laws of the State to administer and certify oaths.~~

~~The Secretary of State shall examine the application and, if he finds that the name proposed for the authority is not identical with that of any other corporation of this State or of any agency or instrumentality thereof, or so nearly similar as to lead to~~

~~confusion and uncertainty, he shall receive and file it and shall record it in an appropriate book of record in his office.~~

~~When the application has been made, filed and recorded as herein provided, the authority shall constitute a political subdivision and a body corporate and politic under the name proposed in the application. The Secretary of State shall make and issue to the commissioners executing the application a certificate of incorporation pursuant to this Chapter under the seal of the State, and shall record the same with the application. The certificate shall set forth the names of the member counties.~~

~~In any suit, action or proceeding involving the validity or enforcement of, or relating to, any contract of the authority, the authority, in the absence of establishing fraud in the premises, shall be conclusively deemed to have been established in accordance with the provisions of this Chapter upon proof of the issuance of the aforesaid certificate by the Secretary of State. A copy of such certificate, duly certified by the Secretary of State, shall be admissible in evidence in any such suit, action or proceeding, and shall be conclusive proof of the filing and contents thereof.~~

~~Notice of the issuance of such certificate shall be given to all of the proposed member counties by the Secretary of State. If a commissioner of any such county has not signed the application to the Secretary of State and such county does not notify the Secretary of State of the appointment of a commissioner within 40 days after receipt of such notice, such county shall be deemed to have elected not to be a member of the authority. As soon as practicable after the expiration of such 40-day period, the Secretary of State shall issue a new certificate of incorporation, if necessary, setting forth the names of those counties which have elected to become members of the authority. The failure of any proposed member to become a member shall not affect the validity of the corporate existence of the authority.~~

~~(b) After the creation of the authority, any county may become a member thereof upon application to the authority after adoption of a resolution or ordinance by the governing body of the county setting forth the determination and finding prescribed in paragraph (a) of this G.S. 159D-4, and authorizing said county to participate. Any county may withdraw from membership in the authority, provided, however, that all contractual rights acquired and obligations incurred while a county was a member shall remain in full force and effect.~~

~~(c) The authority shall consist of a board of commissioners appointed by the respective governing bodies of the counties which are members of the authority. Each commissioner shall have one vote. Each commissioner shall serve at the pleasure of the governing body by which he was appointed. Each appointed commissioner before entering upon his duties shall take and subscribe to an oath before some person authorized by law to administer oaths to execute the duties of his office faithfully and impartially, and a record of such oath shall be filed with the governing body of the appointing municipality and spread upon its minutes.~~

~~(d) The board of commissioners of the authority shall annually elect from its membership a chairman and a vice-chairman and another person or persons, who may but need not be commissioners, as treasurer, secretary and, if desired, assistant secretary. The position of secretary and treasurer or assistant secretary and treasurer~~

~~may be held by the same person. The secretary of the authority shall keep a record of the proceedings of the authority and shall be the custodian of all books, documents and papers filed with the authority, the minute book or journal of the authority and its official seal. Either the secretary or the assistant secretary of the authority may cause copies to be made of all minutes and other records and documents of the authority and may give certificates under the official seal of the authority to the effect that such copies are true copies, and all persons dealing with the authority may rely upon such certificates.~~

~~(e) A majority of the commissioners of the authority then in office shall constitute a quorum. Except as provided in subsection (f) of this G.S. 159D-4, the affirmative vote of a majority of all the commissioners of the authority shall be necessary for any action of the board. A vacancy in the board of commissioners of the authority shall not impair the right of a quorum to exercise all the rights and perform all the duties of the authority. Any action taken by the authority under the provisions of this Chapter may be authorized by resolution at any regular or special meeting, and each resolution shall take effect immediately and need not be published or posted. No bonds shall be issued under the provisions of this Chapter unless the issuance thereof shall have been approved by the governing body of the county in which the project with respect to which the bonds were issued is located.~~

~~(f) If at any time there shall be more than seven counties which are members of the authority, the board of commissioners of the authority may create an executive committee of the board of commissioners. The board may provide for the composition of the executive committee so as to afford, in its judgment, fair representation of the member counties. Any power of the authority under the provisions of this Chapter may be exercised by the executive committee of the authority between meetings of the authority, except that the executive committee may not overrule, reverse or disregard any action of the board of commissioners of the authority. The membership of the executive committee, terms of office of members thereof and the method of filling vacancies therein shall be fixed by the rules or bylaws of the board of commissioners.~~

~~(g) No commissioner of an authority shall receive any compensation for the performance of his duties under this Chapter; provided, however, that each commissioner shall be reimbursed for his necessary expenses incurred while engaged in the performance of duties but only from moneys provided by obligors.~~

~~(h) Within 30 days of the date of creation of the authority, the authority shall advise the Department of Commerce and the Local Government Commission that an authority has been formed. The authority shall also furnish such Department and such Commission with (i) a list of its commissioners and its officers and (ii) a description of any projects that are under consideration by the authority. The authority shall, from time to time, notify the Department of Commerce and the Local Government Commission of changes in the commissioners and officers, of counties which have become members of the authority and of new projects under consideration by the authority.~~

"§ 159D-4.1. Jurisdiction of the agency.

All actions taken by counties, local officials, the Secretary of State, the State Treasurer, and other interested parties to create and organize The North Carolina Industrial Facilities and Pollution Control Financing Authority are ratified and confirmed. All duties, powers, jurisdiction, and responsibilities vested by statute or by contract in the authority are transferred to and vested in the North Carolina Capital Facilities Finance Agency, subject to the provisions of this Article. Upon this transfer, the agency is responsible for all duties and obligations of the authority entered into or incurred, by contract or otherwise, before the transfer. Particularly, the agency is responsible for all matters relating to any outstanding bonds of the authority to the same extent that the authority was responsible for them before the date of transfer. The agency for all purposes assumes the role and is the legal successor of the authority. Upon this transfer, the authority is dissolved.

"§ 159D-5. General powers.

The ~~authority~~ agency shall have all of the powers necessary or convenient to carry out and effectuate the purposes and provisions of this ~~Chapter,~~ Article, ~~including, but without limiting the generality of the foregoing, the powers:~~ including all of the following:

(1) To adopt bylaws for the regulation of its affairs and the conduct of its business and to prescribe rules, regulations and policies in connection with the performance of its functions and duties;

(2) To adopt an official seal and alter the same at pleasure;

(3) To maintain an office at such place or places as it may determine;

(4) To sue and be sued in its own name, plead and be impleaded;

(5) To receive, administer and comply with the conditions and requirements respecting any gift, grant or donation of any property or money;

(6) To make and execute financing agreements, security documents and other contracts and instruments necessary or convenient in the exercise of the powers and functions of the ~~authority~~ agency under this ~~Chapter;~~ Article;

(7) To acquire by purchase, lease, gift or otherwise, but not by eminent domain, or to obtain options for the acquisition of any property, real or personal, improved or unimproved, and interests in land less than the fee thereof, for the construction, operation or maintenance of any project;

(8) To sell, lease, exchange, transfer or otherwise dispose of, or to grant options for any such purposes with respect to, any real or personal property or interest therein;

(9) To pledge or assign revenues of the ~~authority;~~ agency;

(10) To construct, acquire, own, repair, maintain, extend, improve, rehabilitate, renovate, furnish and equip one or more projects and to pay all or any part of the costs thereof from the proceeds of bonds of the ~~authority~~ agency or from any contribution, gift or

donation or other funds made available to the ~~authority~~ agency for such purpose;

(11) To fix, charge and collect revenues with respect to any project;

(12) To employ consulting engineers, architects, attorneys, real estate counselors, appraisers and such other consultants and employees as may be required in the judgment of the ~~authority~~ agency and to fix and pay their compensation from funds available to the ~~authority~~ agency therefor and to select and retain subject to approval of the Local Government Commission the financial consultants, underwriters and bond attorneys to be associated with the issuance of any bonds and to pay for services rendered by underwriters, financial consultants or bond attorneys out of the proceeds of any such issue with regard to which the services were performed; and

(13) To do all acts and things necessary, convenient or desirable to carry out the purposes, and to exercise the powers ~~herein granted.~~ granted in this Article.

"**§ 159D-6. Bonds.**

(a) The ~~authority~~ agency is ~~hereby~~ authorized to provide for the issuance, at one time or from time to time, of bonds of the ~~authority~~ agency for the purpose of paying all or any part of the cost of any project. The principal of, the interest on and any premium payable under the redemption of such bonds shall be payable solely from the funds herein authorized for such payment. The bonds of each issue shall bear interest as may be determined by the Local Government Commission of North Carolina with the approval of the ~~authority~~ agency and the obligor irrespective of the limitations of G.S. 24-1.1, as amended, and successor provisions. The bonds of each issue shall be dated, shall mature at such time or times not exceeding 30 years from the date of their issuance, and may be made redeemable before maturity at such price or prices and under such terms and conditions, as may be fixed by the ~~authority~~ agency prior to the issuance of the bonds. The ~~authority~~ agency shall determine the form and the manner of execution of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest. In case any officer whose signature or a facsimile of whose signature ~~shall appear~~ appears on any bonds or coupons ~~shall cease~~ ceases to be ~~such~~ that officer before the delivery of ~~such~~ the bonds, ~~such~~ the signature or ~~such~~ the facsimile shall nevertheless be valid and sufficient for all purposes the same as if ~~he~~ the officer had remained in office until such delivery. The ~~authority~~ agency may also provide for the authentication of the bonds by a trustee or fiscal agent. ~~The bonds may be issued in coupon or in fully registered form, or both, as the authority may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest, and for the interchange of registered and coupon bonds.~~

(b) The proceeds of the bonds of each issue shall be used solely for the payment of the cost of the project or projects, or a portion thereof, for which ~~such~~ the bonds ~~shall have been~~ were issued, and shall be disbursed in such manner and under such restrictions, if any, as the ~~authority~~ agency may provide in the financing agreement and the security document. If the proceeds of the bonds of any issue, by reason of increased construction costs or error in estimates or otherwise, ~~shall be~~ are less than such cost, additional bonds may in like manner be issued to provide the amount of such deficiency.

(c) The proceeds of bonds issued pursuant to this Article shall not be used to refinance the cost of a project. For the purposes of this section, a cost of a project is considered refinanced if both of the following conditions are met:

(1) The cost is initially paid from sources other than bond proceeds, and the original expenditure is to be reimbursed from bond proceeds.

(2) The original expenditure was paid more than 60 days before the agency took some action indicating its intent that the expenditure would be financed or reimbursed from bond proceeds.

(d) Notwithstanding subsection (c) of this section, preliminary expenditures that are incurred prior to the commencement of the acquisition, construction, or rehabilitation of a project, such as architectural costs, engineering costs, surveying costs, soil testing costs, bond issuance costs, and other similar costs, may be reimbursed from bond proceeds even if these costs are incurred or paid more than 60 days prior to the agency's action. This exception that allows preliminary expenditures to be reimbursed from bond proceeds, whether or not they are incurred or paid within 60 days of the agency's action, does not include costs that are incurred incident to the commencement of the construction of a project, such as expenditures for land acquisition and site preparation. In any event, an expenditure originally paid before the agency took some action indicating its intent that the expenditures would be financed or reimbursed from bond proceeds may be reimbursed from bond proceeds only if the agency finds that reimbursing those costs from bond proceeds will promote the purposes of this Article.

~~The authority may issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds have been executed and are available for delivery. The authority may also provide for the replacement of any bonds which shall become mutilated or shall be destroyed or lost.~~

(e) Bonds may be issued under the provisions of this ~~Chapter~~ Article without obtaining, except as otherwise expressly provided in this ~~Chapter,~~ Article, the consent of the ~~State or of any political subdivision or of any agency of either thereof,~~ State or of any political subdivision and without any other proceedings or the happening of any conditions or things other than those proceedings, conditions or things ~~which are~~ specifically required by this ~~Chapter~~ Article and the provisions of the financing agreement and security document authorizing the issuance of such bonds and securing the same.

"§ 159D-7. Approval of ~~project.~~ project by Secretary of Commerce.

(a) Approval Required. -- No bonds may be issued by the ~~authority~~ agency pursuant to this Article unless the project for which ~~the~~ their issuance ~~thereof~~ is proposed is first approved by the Secretary of Commerce. The ~~authority~~ agency shall file an application for approval of its proposed project with the Secretary of Commerce, and shall notify the Local Government Commission of such filing.

(b) Findings. -- The Secretary shall not approve any proposed project unless ~~he shall make~~ the Secretary makes all of the following, applicable findings:

(1) In the case of a proposed industrial project,

a. That the operator of the proposed project pays, or has agreed to pay thereafter, an average weekly manufacturing wage that (i) ~~which~~ is above the average weekly manufacturing wage paid in the county in which the project is to be located or (ii) ~~which~~ is not less than ten percent (10%) above the average weekly manufacturing wage paid in the State; and

b. That the proposed project will not have a materially adverse effect on the ~~environment;~~ environment.

(2) In the case of a proposed pollution control project, that such project will have a materially favorable impact on the environment or will prevent or diminish materially the impact of pollution which would otherwise ~~occur; and~~ occur.

(2a) In the case of a hazardous waste facility or low-level radioactive waste facility ~~which~~ that is used as a reduction, recovery or recycling facility, that such project will further the waste management goals of North Carolina and will not have an adverse effect upon public health or a significant adverse effect on the ~~environment; and~~ environment.

(3) In any case (whether the proposed project is an industrial or a pollution control project),

a. That the jobs to be generated or saved, directly or indirectly, by the proposed project will be large enough in number to have a measurable impact on the area immediately surrounding the proposed project and will be commensurate with the size and cost of the proposed project,

b. That the proposed operator of the proposed project has demonstrated or can demonstrate the capability to operate such project, and

c. That the financing of such project by the ~~authority~~ agency will not cause or result in the abandonment of an existing industrial or manufacturing facility of the proposed operator or an affiliate elsewhere within the State unless the facility is to be abandoned because of obsolescence, lack of available labor in the area, or site limitations.

(c) Initial Operator. -- ~~In no case shall the Secretary of Commerce~~ If the initial proposed operator of a project is not expected to be the operator for the term of the bonds proposed to be issued, the Secretary may make the findings required pursuant to subdivisions (b)(1)a. and (3)b. of this section only with respect to the initial operator. The initial operator shall be identified in the application for approval of the proposed project.

(d) Public Hearing. -- The Secretary of Commerce shall not approve any proposed project pursuant to this section unless the governing body of the county in which the project is located has first conducted a public hearing and, at or after the public hearing, approved in principle the issuance of bonds under this Article for the purpose of paying all or part of the cost of the proposed project. Notice of the public hearing shall be published at least once in at least one newspaper of general circulation in the county not less than 14 days before the public hearing. The notice shall describe generally the bonds proposed to be issued and the proposed project, including its general location, and any other information the governing body considers appropriate or the Secretary of Commerce prescribes for the purpose of providing the Secretary with the views of the community. The notice shall also state that following the public hearing the agency intends to file an application for approval of the proposed project with the Secretary of Commerce.

(e) Certificate of Department of Environment and Natural Resources. -- The Secretary of Commerce shall not make the findings required by subdivisions (b)(1)b and (2) of this section unless ~~he shall have~~ the Secretary has first received a certification from the Department of Environment and Natural Resources that, in the case of a proposed industrial project, the proposed project will not have a materially adverse effect on the environment and that, in the case of a proposed pollution control project, the proposed project will have a materially favorable impact on the environment or will prevent or diminish materially the impact of pollution which would otherwise occur. ~~In no case shall the~~ The Secretary ~~of Commerce~~ shall not make the findings required by subdivision (b)(2a) of this section unless ~~he shall have~~ the Secretary has first received a certification from the Department of Environment and Natural Resources that the proposed project is environmentally sound, will not have an adverse effect on public health and will further the waste management goals of North Carolina. ~~In any case where the Secretary shall make~~ The Secretary of Commerce shall deliver a copy of the application to the Department of Environment and Natural Resources. The Department of Environment and Natural Resources shall provide each certification to the Secretary of Commerce within seven days after the applicant satisfactorily demonstrates to it that all permits, including environmental permits, necessary for the construction of the proposed project have been obtained, unless the agency consents to a longer period of time.

(f) Waiver of Wage Requirement. -- If the Secretary of Commerce has made all of the required findings respecting a proposed industrial project, except that prescribed in subdivision (b)(1)a of this section, the Secretary may, in ~~his~~ the Secretary's discretion, approve the proposed project if ~~he shall have~~ the Secretary has received (i) a resolution of the governing body of the county in which the proposed project is

to be located requesting that the proposed project be approved notwithstanding that the operator will not pay an average weekly manufacturing wage above the average weekly manufacturing wage in the county and (ii) a letter from an appropriate State official, selected by the Secretary, to the effect that unemployment in the county is especially severe.

(g) Rules. -- To facilitate ~~his~~ the Secretary's review of each proposed project, the Secretary may require the ~~authority~~ agency to obtain and submit such data and information about such project as the Secretary may prescribe. ~~In addition, the Secretary may, in his discretion, request the authority to hold a public hearing on the proposed project for the purpose of providing the Secretary directly with the views of the community to be affected.~~ The Secretary may also prescribe such forms and such rules ~~and regulations~~ as ~~he shall deem~~ the Secretary considers reasonably necessary to implement the provisions of this section.

(h) Certificate of Approval. -- If the Secretary approves the proposed project, ~~he~~ the Secretary shall prepare a certificate of approval evidencing such approval and setting forth ~~his~~ the findings and shall cause ~~said~~ the certificate of approval to be published in a newspaper of general circulation within the county in which the proposed project is to be located. Any such approval shall be reviewable as provided in Article 4 of Chapter 150B of the General Statutes ~~of North Carolina~~ only by an action filed, within 30 days after notice of such findings and approval shall have been so published, in the Superior Court of Wake County. ~~Such~~ The superior court is hereby vested with jurisdiction to hear such action, but if no such action is filed within the 30 days herein prescribed, the validity of such approval shall be conclusively presumed, and no court shall have authority to inquire into such approval. Copies of the certificate of approval of the proposed project will be given to the ~~authority,~~ agency, the governing body of the county in which the proposed project is to be located and the secretary of the Local Government Commission.

~~Such~~ The certificate of approval shall become effective immediately following the expiration of ~~such~~ the 30-day period or the expiration of any appeal period after a final determination by any court of any action timely filed pursuant to this section. ~~Such~~ The certificate shall expire one year after its date unless extended by the Secretary who shall not extend ~~such~~ the certificate unless ~~he shall~~ the Secretary again ~~approve~~ approves the proposed project as provided in this section. If bonds are issued within that year pursuant to the authorization of this Article or Chapter 159C of the General Statutes to pay all or part of the costs of the project, however, the certificate expires three years after the date of the first issuance of the bonds.

(i) Certificate Issued Under Chapter 159C Effective. -- Any certificate of approval with respect to a project which has become effective pursuant to G.S. 159C-7 ~~shall be deemed to satisfy~~ satisfies the requirements of this section to the extent that the findings made by the Secretary pursuant to G.S. 159C-7 are consistent with the findings required to be made by the Secretary pursuant ~~hereto.~~ to this section.

"**§ 159D-8. Approval of bonds.**

(a) No bonds may be issued by the ~~authority~~ agency pursuant to this Article unless the issuance ~~thereof~~ is first approved by the Local Government Commission.

The ~~authority~~ agency shall file an application for approval of its proposed bond issue with the secretary of the Local Government Commission, and shall notify the Secretary of the Department of Commerce of such filing.

(b) In determining whether a proposed bond issue should be approved, the Local Government Commission may consider, without limitation, the following:

(1) Whether the proposed operator and obligor have demonstrated or can demonstrate the financial responsibility and capability to fulfill their obligations with respect to the financing agreement. In making such determination, the commission may consider the operator's experience and the obligor's ratio of current assets to current liabilities, net worth, earnings trends and coverage of fixed charges, the nature of the industry or business involved and its stability and any additional security such as insurance, guaranties or property to be pledged or secure such bonds.

(2) Whether the political subdivisions in or near which the proposed project is to be located have the ability to cope satisfactorily with the impact of such project and to provide, or cause to be provided, the public facilities and services, including utilities, that will be necessary for such project and on account of any increase in population which are expected to result therefrom.

(3) Whether the proposed date and manner of sale will have an adverse effect upon any scheduled or anticipated sale of obligations by the State or any political subdivision or any agency of either of them.

(c) To facilitate the review of the proposed bond issue by the commission, the Secretary may require the ~~authority~~ agency to obtain and submit such financial data and information about the proposed bond issue and the security therefor, including the proposed prospectus or offering circular, the proposed financing agreement and security document and annual and other financial reports and statements of the obligor, as the Secretary may prescribe. The Secretary may also prescribe ~~such~~ forms and ~~such~~ rules ~~and regulations as he shall deem~~ that the Secretary considers reasonably necessary to implement the provisions of this section.

"§ 159D-9. Sale of bonds.

Bonds issued under this Article may be sold in such manner, either at public or private sale, and for such price as the Local Government Commission ~~shall determine~~ determines to be for the best interests of the ~~authority~~ agency and effectuate best the purposes of this ~~Chapter~~ Article irrespective of the interest limitations set forth in G.S. 24-1.1, as amended, and successor ~~provisions provided that such sale shall be~~ provisions, as long as the sale is approved by the ~~authority~~ agency and the obligor.

"§ 159D-10. Location of projects.

~~Except as provided in this section, any~~ Any project of the ~~authority~~ agency shall be located within the boundaries of ~~a county which is a member of the authority. A portion or portions of any project including, but not limited to, any real or personal property or improvements necessary or convenient for the construction, maintenance,~~

~~and operation of the project, may be located in a county or counties other than the county in which the principal part of the project is located so long as the additional portion or portions constitute functionally appurtenant or incidental facilities and the governing body of each other county in which the additional portion or portions of the project is or are located approves the project.~~ the State. Bonds may not be issued to finance any project or group of projects in any county of the State unless the board of commissioners for the county in which the project is located has consented to the location of the project within the county.

"§ 159D-11. Financing agreements.

(a) Every financing agreement shall provide that:

(1) Repealed by Session Laws 1987, c. 517, s. 7.

(2) The amounts payable under the financing agreement shall be sufficient to pay all of the principal of and interest and redemption premium, if any, and interest on the bonds ~~that shall be~~ issued by the ~~authority~~ agency to pay the cost of the project as ~~the same shall~~ they respectively become due;

(3) The obligor shall pay all costs incurred by the ~~authority~~ agency in connection with the financing and administration of the project, except as may be paid out of the proceeds of bonds or otherwise, including, but without limitation, insurance costs, the cost of administering the financing agreement and the security document and the fees and expenses of the fiscal agent or trustee, paying agents, attorneys, consultants and others;

(4) The obligor shall pay all the costs and expenses of operation, maintenance and upkeep of the project; and

(5) The obligor's obligation to provide for the payment of the bonds in full shall not be subject to cancellation, termination or abatement until ~~such~~ payment of the bonds or provision for payment has been ~~therefor shall be~~ made.

(b) The financing agreement may be in the nature of:

(1) A sale and leaseback,

(2) A lease purchase,

(3) A conditional sale,

(4) An installment sale,

(5) A secured or unsecured loan,

(6) A loan and mortgage, or

(7) Another ~~Other~~ similar transaction.

(c) The financing agreement, if in the nature of a lease agreement, shall either provide that the obligor ~~shall have~~ has an option to purchase, or require that the obligor purchase, the project upon the expiration or termination of the financing agreement subject to the condition that payment in full of the principal of, and the interest and any redemption premium on, the bonds, or provision for payment has ~~therefor, shall have~~ been made.

(d) The financing agreement may provide the ~~authority~~ agency with rights and remedies in the event of a default by the obligor ~~thereunder~~ under it including, without limitation, any one or more of the following:

(1) Acceleration of all amounts payable under the financing agreement;

(2) Reentry and repossession of the project;

(3) Termination of the financing agreement;

(4) Leasing or sale or ~~fore-closure [sic]~~ foreclosure of the project to others; and

(5) Taking whatever actions at law or in equity may appear necessary or desirable to collect the amounts payable under, and to enforce covenants made in, the financing agreement.

(e) The ~~authority's~~ agency's interest in a project under a financing agreement may be that of owner, lessor, lessee, conditional or installment vendor, mortgagor, mortgagee, secured party or otherwise, but the ~~authority~~ agency need not have any ownership or possessory interest in the project.

(f) The ~~authority~~ agency may assign all or any of its rights and remedies under the financing agreement to the trustee or bondholders under the security document.

(g) ~~Any such~~ The financing agreement may contain ~~such~~ any additional provisions ~~as in the determination of the authority~~ the agency considers ~~are~~ necessary or convenient to effectuate the purposes of this ~~Chapter.~~ Article.

"§ 159D-12. Security documents.

(a) Bonds issued under the provisions of this ~~Chapter~~ Article may be secured by a security document which may be a trust instrument between the ~~authority~~ agency and a bank or trust company or individual within the State, or a bank or a trust company without the State, as trustee. Such security document may pledge and assign the revenues provided for the security of the bonds, including proceeds from the sale of any project, or part thereof, insurance proceeds and condemnation awards, and may convey or mortgage the project and other property to secure a bond issue.

The revenues and other funds derived from the project, except ~~such part thereof as may be necessary to provide reserves therefor, if any,~~ any part necessary to provide reserves shall be set aside at such regular intervals as may be provided in such security document in a sinking fund which may be ~~thereby~~ pledged to, and charged with, the payment of the principal of and the interest on such bonds as ~~the same shall~~ they become due and the redemption price or the purchase price of bonds retired by call or purchase as therein provided. Such pledge shall be valid and binding from the time when the pledge is made. The revenues so pledged and thereafter received by the ~~authority~~ agency shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the ~~authority,~~ agency, irrespective of whether such parties have notice thereof. The use and disposition of money to the credit of such sinking fund shall be subject to the provisions of the security document. Such security document may contain such provisions for protecting and enforcing the rights and remedies of

the bondholders as may be reasonable and proper and not in violation of law, including, without limitation, any one or more of the following:

(1) Acceleration of all amounts payable under the security document;

(2) Appointment of a receiver to manage the project and any other property mortgaged or assigned as security for the bonds;

(3) Foreclosure and sale of the project and any other property mortgaged or assigned as security for the bonds; and

(4) Rights to bring and maintain such other actions at law or in equity as may appear necessary or desirable to collect the amounts payable under, or to enforce the covenants made in, the security document.

(b) It ~~shall be~~ is lawful for any bank or trust company incorporated under the laws of this State which may act as depositary of the proceeds of bonds, revenues or other funds provided under this ~~Chapter~~ Article to furnish such indemnifying bonds or to pledge such securities as may be required by the ~~authority.~~ agency. All expenses incurred in carrying out the provisions of such security document may be treated as a part of the cost of the project in connection with which bonds are issued or as an expense of administration of such project.

The ~~authority~~ agency may subordinate the bonds or its rights under the financing agreement or otherwise to any prior, contemporaneous or future securities or obligations or lien, mortgage or other security interest.

Any such security document may contain such additional provisions as in the determination of the ~~authority~~ agency are necessary or convenient or effectuate the purposes of this ~~Chapter.~~ Article.

"§ 159D-13. Trust funds.

Notwithstanding any other provisions of law to the contrary, all money received pursuant to the authority of this ~~Chapter,~~ Article, whether as proceeds from the sale of bonds or as revenues, ~~shall be deemed to be~~ are trust funds to be held and applied solely as provided in this ~~Chapter.~~ Article. The security document may provide that any of ~~such moneys~~ the money may be temporarily invested and reinvested pending ~~the~~ its disbursement ~~thereof~~ in ~~such~~ any securities and other investments as ~~shall be~~ provided in such security document, and shall provide that any officer with whom, or any bank or trust company with which, ~~such moneys shall be~~ the money is deposited shall act as trustee ~~of such moneys~~ and shall hold and apply ~~the same~~ it for the purpose ~~hereof,~~ of this Article, subject to ~~such~~ any regulations ~~as~~ this ~~Chapter~~ Article and ~~such~~ the security document ~~may~~ provide.

"§ 159D-14. Tax exemption.

The ~~authority~~ agency ~~shall not be~~ is not required to pay any taxes on any project or on any other property owned by the ~~authority~~ agency under the provisions of this ~~Chapter~~ Article or upon the income ~~therefrom.~~ from the property.

The interest on bonds issued by the ~~authority~~ agency ~~shall be~~ is exempt from all income taxes within the State.

All projects and all transactions ~~therefor shall be~~ for them are subject to taxation to the extent ~~such projects and transactions~~ they would be subject to taxation if no public body were involved ~~therewith.~~ with them.

"§ 159D-15. Construction contracts.

The ~~authority~~ agency may agree with the prospective operator that all contracts relating to the acquisition, construction, installation and equipping of a project shall be solicited, negotiated, awarded and executed by the prospective operator and its agents subject only to such approval by the ~~authority~~ agency as the ~~authority~~ agency may require in such agreement. Such agreement may provide that the ~~authority~~ agency may, out of the proceeds of bonds, make advances to or reimburse the operator for all or a portion of its costs incurred in connection with such contracts.

"§ 159D-16. Conflict of interest.

If any officer, commissioner or employee of the ~~authority~~ agency ~~shall be~~ is interested either directly or indirectly in any contract with the ~~authority,~~ agency, such interest shall be disclosed to the ~~authority~~ agency and shall be set forth in the minutes of the ~~authority,~~ agency, and the officer, commissioner, employee or member having such interest ~~therein~~ shall not participate on behalf of the ~~authority~~ agency in the authorization of ~~any such contract; provided, however, that this section shall~~ the project. This section does not apply to the ownership of less than one ~~per centum~~ percent (1%) of the stock of any operator or obligor. Failure to take any or all actions necessary to carry out the purposes of this section ~~shall~~ does not affect the validity of bonds issued pursuant to the provisions of this ~~Chapter.~~ Article.

"§ 159D-17. Credit of State not pledged.

Bonds issued under the provisions of this ~~Chapter~~ Article ~~shall~~ do not ~~not be deemed to~~ constitute a debt of the State or any political subdivision ~~or any agency thereof~~ or a pledge of the faith and credit of the State or any political ~~subdivision or any such agency,~~ subdivisions, but shall be payable solely from the revenues and other funds provided ~~therefor.~~ for payment. Each bond issued under this Chapter shall contain on ~~the face thereof~~ its face a statement to the effect that the ~~authority~~ agency shall not be obligated to pay the ~~same~~ bonds or the interest ~~thereon~~ on it except from the revenues and other funds pledged ~~therefor~~ for payment and that neither the faith and credit nor the taxing power of the State or any political subdivision ~~or any agency thereof~~ is pledged to the payment of the principal of or the interest on ~~such~~ the bonds.

"§ 159D-18. Bonds eligible for investment.

Bonds issued by ~~an authority~~ the agency under the provisions of this ~~Chapter~~ Article are ~~hereby made~~ securities in which all public officers and agencies of the State and all political subdivisions, and all insurance companies, trust companies, banking associations, investment companies, executors, administrators, trustees and other fiduciaries may properly and legally invest funds, including capital in their control or belonging to them.

"§ 159D-19. Revenue refunding bonds.

(a) The ~~authority~~ agency is ~~hereby~~ authorized to provide by resolution for the issuance of refunding bonds of the ~~authority~~ agency for the purpose of refunding any

bonds then outstanding ~~which~~ that ~~shall~~ have been issued under the provisions of this ~~Chapter,~~ Article, or under the provisions of Chapter 159C of the General Statutes, including the payment of any redemption premium ~~thereon~~ and any interest accrued or to accrue to the date of redemption of such bonds, and, if ~~deemed~~ considered advisable by the ~~authority,~~ agency, for either or both of the following additional purposes:

(1) Constructing improvements, additions, extensions or enlargements of the project or projects in connection with which the bonds to be refunded shall have been issued; and

(2) Paying all or any part of the cost of any additional project or projects.

(a1) The issuance of ~~such~~ bonds, the maturities and other details thereof, the rights of the holders thereof, and the rights, duties and obligations of the ~~authority~~ agency in respect to the ~~same shall be~~ bonds are governed by the provisions of this ~~Chapter which~~ Article that relate to the issuance of ~~bonds, insofar as such provisions may be appropriate therefor.~~ bonds.

The approvals required by G.S. 159D-7 and G.S. 159D-8 shall be obtained prior to the issuance of any refunding ~~bonds; provided, however,~~ bonds, except that in the case where the refunding bonds of all or a portion of an issue are to be issued solely for the purpose of refunding outstanding bonds issued under this ~~Chapter,~~ Article, the approval required by G.S. 159D-7 ~~shall not be~~ is not required as to the project financed with the bonds to be refunded.

(b) Refunding bonds issued under this section may be sold or exchanged for outstanding bonds issued under this ~~Chapter~~ Article and, if sold, the proceeds ~~thereof~~ may be applied, in addition to any other authorized purposes, to the purchase, redemption or payment of such outstanding bonds. Refunding bonds may be issued, in the determination of the ~~authority,~~ agency, at any time not more than five years prior to the date of maturity or maturities or the date selected for the redemption of the bonds being refunded thereby. Pending the application of the proceeds of such refunding bonds, with any other available funds, to the payment of the principal of and accrued interest and any redemption premium on the bonds being refunded, and, if so provided or permitted in the security document securing the ~~same,~~ bonds to the payment of any interest on such refunding bonds, such proceeds may be invested in direct obligations of, or obligations the principal of and the interest on which are unconditionally guaranteed by, the United States of America ~~which shall~~ if these obligations mature or ~~which shall be~~ are subject to redemption by the ~~holder thereof, at the option of such holder,~~ holder, at the holder's option not later than the respective dates when the proceeds, together with the interest accruing ~~thereon~~ on them will be required for the purposes intended.

This ~~Chapter~~ Article shall be known, and may be cited, as the 'Private ~~Educational~~ Capital Facilities Finance Act.'

"§ 159D-36. Legislative findings.

It is ~~hereby~~ declared that for the benefit of the people of the State of North Carolina, the increase of their commerce, welfare and prosperity and the improvement of their health and living conditions it is essential that they be given the fullest opportunity to learn and to develop their intellectual capacities; that it is essential for institutions for higher education and institutions for elementary and secondary education within the State to be able to construct and renovate facilities to assist its citizens in achieving the fullest development of their intellectual capacities; and that it is the purpose of this ~~Chapter~~ Article to provide a measure of assistance and an alternative method to enable private institutions for higher education and institutions for elementary and secondary education in the State to provide the facilities and the structures that are needed to accomplish the purposes of this ~~Chapter,~~ Article, all to the public benefit and good, to the extent and in the manner provided ~~herein.~~ in this Article.

It is ~~hereby~~ further declared that this purpose will benefit the people as a way to improve student learning, increase learning opportunities for all students, encourage the use of different and innovative teaching methods, create new professional opportunities for teachers, provide parents and students with expanded choices in the types of educational opportunities that are available, and lower the overall cost of education to the State and to parents and students.

The General Assembly also finds that the private sector often provides services and opportunities to the people of the State of North Carolina in activities that constitute a public purpose, and that these activities by the private sector are to be fostered and encouraged. The people of the State of North Carolina will benefit from the enactment of laws and creation of programs that assist the private sector in obtaining financing for capital improvements of facilities that will be used in conducting these activities.

"§ 159D-37. Definitions.

As used or referred to in this ~~Chapter,~~ Article, the following words and terms ~~shall~~ have the following meanings, unless the context clearly indicates otherwise:

(4) The projects shall be operated to serve and benefit the public and there shall be no discrimination against any person based on race, creed, ~~color~~ color, or national origin.

(b) In making these determinations, the agency may consider the participating institution's experience and ratio of current assets to current liabilities; the participating institution's net worth, earnings trends, and coverage of fixed charges; the nature of the project involved; and any additional security for payment of the bonds and performance of the participating institution's obligations under the agreement of sale or lease or loan agreement, such as credit enhancement, insurance, guaranties, or property pledged to secure the payment and performance.

"§ 159D-41. Procedural requirements.

Any participating institution ~~for higher education or any institution for elementary and secondary education~~ may submit to the agency, and the agency may consider, a proposal for financing a project using ~~such~~ forms and following ~~such~~ instructions ~~as may be~~ prescribed by the agency. ~~Such~~ The proposal shall set forth the type and location of the project and may include other information and data ~~available to the institution for higher education or the institution for elementary and secondary education~~ respecting the project and the extent to which ~~such~~ the project conforms to the criteria and requirements set forth in this ~~Chapter.~~ Article. The agency may request the ~~institution for higher education or the institution for elementary and secondary education~~ applicant to provide additional information and data respecting the project. The agency is authorized to make or cause to be made ~~such~~ any investigation, surveys, studies, reports and reviews as in its judgment are necessary and desirable to determine the feasibility and desirability of the project, the extent to which the project will contribute to the health and welfare of the area in which it will be located, the powers, experience, background, financial condition, record of service and capability of the management of the ~~institution for higher education or the institution for elementary and secondary education,~~ applicant, the extent to which the project otherwise conforms to the criteria and requirements of this ~~Chapter,~~ Article, and ~~such~~ any other factors ~~as may be deemed~~ the agency considers relevant or convenient in carrying out the purposes of this ~~Chapter.~~ Article.

"§ 159D-42. Operations of projects; agreements of sale on leases; conveyance of interest in projects.

(a) The agency may sell or lease any project to a participating institution for operation and maintenance or lend money to any participating institution ~~in such manner as shall~~ to effectuate the purposes of this ~~Chapter,~~ Article, under a loan agreement or an agreement of sale or lease in form and substance not inconsistent ~~herewith. Any such~~ with this Article. The loan agreement or agreement of sale or lease may include provisions that:

(1) The participating institution shall, at its own expense, operate, repair and maintain the project covered by ~~such agreement;~~ the agreement.

(2) The purchase price payments to be made under the agreement of sale, the rent payable under the agreement of lease or the loan repayments under the loan agreement shall in the aggregate be not less than an amount sufficient to pay all of the interest, principal and any redemption premium on the bonds or notes issued by the agency to pay the cost of the project sold or leased ~~thereunder~~ or with respect to which the loan was ~~made;~~ made.

(3) The participating institution shall pay all other costs incurred by the agency in connection with the providing of the project covered by any ~~such~~ agreement, except ~~such~~ costs ~~as may be~~ paid out of the proceeds of bonds or notes or otherwise, ~~including, but without limitation,~~ including insurance costs, the cost of administering the resolution authorizing the issuance of, or any trust agreement

securing, ~~such~~ the bonds or notes and the fees and expenses of trustees, paying agents, attorneys, ~~consultants and others;~~ consultants, and others.

(4) The loan agreement or the agreement of sale or lease shall terminate not earlier than the date on which all ~~such~~ bonds and all other obligations incurred by the agency in connection with the project covered by ~~any such~~ the agreement are retired or provision for ~~such~~ their retirement is ~~made; and~~ made.

(5) The obligation of the participating institution to make loan repayments or purchase price payments or to pay rent shall not be subject to cancellation, termination or abatement by the participating institution until the bonds have been retired or provision has been made for ~~such~~ their retirement.

(b) If the agency has acquired a possessory or ownership interest in any project it has undertaken on behalf of a participating institution, it shall promptly convey, without the payment of any consideration, all its right, title and interest in ~~such~~ the project to ~~such~~ that participating institution upon the retirement or provision for the retirement of all bonds or notes issued and obligations incurred by the agency in connection with ~~such~~ that project.

"§ 159D-43. Construction contracts.

If the agency determines that the purposes of this ~~Chapter~~ Article will be more effectively served, the agency in its discretion may award or cause to be awarded contracts for the construction of any project on behalf of a participating institution upon a negotiated basis as determined by the agency. The agency shall prescribe ~~such~~ any bid security requirements and other procedures in connection with the award of ~~such~~ the contracts as in its judgment ~~shall~~ will protect the public interest. The agency may by written contract engage the services of the participating institution in the construction of ~~such~~ the project and may provide in ~~any such~~ the contract that ~~such~~ the participating institution, subject to ~~such~~ any conditions and requirements consistent with the provisions of this ~~Chapter~~ Article ~~as shall be~~ prescribed in ~~such~~ the contract, may act as an agent of, or an independent contractor for, the agency for the performance of the functions described ~~therein,~~ in the contract including the acquisition of the site and other real property for ~~such~~ the project, the preparation of plans, specifications and contract documents, the award of construction and other contracts upon a competitive or negotiated basis, the construction of ~~such~~ the project directly by ~~such~~ the participating institution, the inspection and supervision of construction, the employment of engineers, architects, builders and other contractors and the provision of money to pay the cost ~~thereof~~ of these functions pending reimbursement by the agency. ~~Any such~~ The contract may provide that the agency may, out of proceeds of bonds or notes, make advances to or reimburse the participating institution for its costs incurred in the performance of ~~such~~ these functions, and shall set forth the supporting documents required to be submitted to the agency and the reviews, examinations and audits that ~~shall be~~ are required in

connection ~~therewith~~ to assure compliance with the provisions of this ~~Chapter~~ Article and ~~such~~ the contract.

"§ 159D-44. Credit of State not pledged.

Bonds or notes issued under the provisions of this ~~Chapter~~ Article shall not be secured by a pledge of the faith and credit of the State or of any political subdivision ~~thereof or be deemed to~~ of the State, or create an indebtedness of the State, or of any ~~such~~ political subdivision ~~thereof,~~ of the State requiring any voter approval, but shall be payable solely from the revenues and other funds provided ~~therefor.~~ for payment. Each bond or note issued under this ~~Chapter~~ Article shall contain on ~~the face thereof~~ its face a statement to the effect that the agency ~~shall not be~~ is not obligated to pay ~~the same~~ it nor the interest ~~thereon~~ on it except from the revenues and other funds pledged ~~therefor~~ for its payment and that neither the faith and credit nor the taxing power of the State or of any political subdivision ~~thereof~~ of the State is pledged as security for the payment of the principal of or the interest on ~~such~~ the bond or note.

Expenses incurred by the agency in carrying out the provisions of this ~~Chapter~~ Article may be made payable from funds provided pursuant to, or made available for use under, this ~~Chapter~~ Article and no liability shall be incurred by the agency ~~hereunder~~ under this Article beyond the extent to which moneys ~~shall~~ have been so provided.

"§ 159D-45. Bonds and notes.

(a) The agency is ~~hereby~~ authorized to provide for the issuance, at one time or from time to time, of bonds, or notes in anticipation of the issuance of bonds, of the agency to carry out and effectuate its corporate purposes. The principal of and the interest on such bonds or notes shall be payable solely from funds provided under this ~~Chapter~~ Article for such payment. Any such notes may be made payable from the proceeds of bonds or renewal notes or, in the event bond or renewal note proceeds are not available, such notes may be paid from any available revenues or other funds provided therefor. The bonds or notes of each issue shall be dated and may be made redeemable before maturity at the option of the agency at such price or prices and upon such terms and conditions as may be determined by the agency. The bonds may also be made payable from time to time on demand or tender for purchase by the owner upon such terms and conditions as may be determined by the agency. Any such bonds or notes shall bear interest at such rate or rates (including variable rates) as may be determined by the Local Government Commission ~~of North Carolina~~ with the approval of the agency. Notes shall mature at such time or times not exceeding 10 years from their date or dates and bonds shall mature at such time or times not exceeding 40 years from their date or dates, as may be determined by the agency. The agency shall determine the form and manner of execution of the bonds or notes, including any interest coupons to be attached thereto, and shall fix the denomination or denominations and the place or places of payment of principal and interest, which may be any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature ~~shall appear~~ appears on any bonds or notes or coupons attached ~~thereto shall cease to be such~~ to them ceases to be that officer before ~~the delivery thereof, such~~ their delivery, the

signature or ~~such~~ facsimile shall nevertheless be valid and sufficient for all purposes the same as if ~~he~~ the officer had remained in office until ~~such~~ delivery. The agency may also provide for the authentication of the bonds or notes by a trustee or fiscal agent. The bonds or notes may be issued in coupon or in registered form, or both, as the agency may determine, and provision may be made for the registration of any coupon bonds or notes as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds or notes of any bonds or notes registered as to both principal and interest, and for the interchange of registered and coupon bonds or notes. No bonds or notes may be issued by the agency under this ~~Chapter~~ Article unless the issuance thereof is approved by the Local Government ~~Commission of North Carolina.~~ Commission.

(b) The agency shall file with the Secretary of the Local Government Commission an application requesting approval of the issuance of ~~such~~ the bonds or ~~notes which shall contain such~~ notes. The application must include any information and ~~have attached to it such~~ documents concerning the proposed financing and prospective borrower, vendee or lessee ~~as the Secretary may require.~~ required by the Secretary.

In determining whether a proposed bond or note issue should be approved, the Local Government Commission may consider, in addition to the criteria and requirements ~~mentioned~~ in this ~~Chapter,~~ Article, the effect of the proposed financing upon any scheduled or proposed sale of tax-exempt obligations by the State or any of its agencies or departments or by any unit of local government in the State.

The Local Government Commission shall approve the issuance of ~~such~~ the bonds or notes if, upon the information and evidence it receives, it finds ~~and determines~~ that the proposed financing will effectuate the purposes of this ~~Chapter.~~ Article.

Upon the filing with the Local Government Commission of a resolution of the agency requesting that its bonds or notes be sold, ~~such~~ the bonds or notes may be sold in such manner, either at public or private sale, and for such price as the Local Government Commission ~~shall determine~~ determines to be for the best interests of the agency and to effectuate best the purposes of this ~~Chapter,~~ Article, ~~provided that such sale shall be~~ as long as the sale is approved by the agency.

(c) The proceeds of any bonds or notes shall be used solely for the purposes for which issued and shall be disbursed in such manner and under such restrictions, if any, as the agency may provide in the resolution authorizing the issuance of, or any trust agreement securing, ~~such~~ the bonds or notes.

(d) Prior to the preparation of definitive bonds, the agency may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds, when ~~such bonds shall~~ the bonds have been executed and are available for delivery. The agency may also provide for the replacement of any bonds or notes which ~~shall~~ become mutilated or ~~shall be~~ are destroyed or lost.

(e) Bonds or notes may be issued under the provisions of this ~~Chapter~~ Article without obtaining, except as otherwise expressly provided in this ~~Chapter,~~ Article, the consent of any department, division, commission, board, body, bureau or agency of the State, and without any other proceedings or the happening of any conditions or

things other than those proceedings, conditions or things ~~which are~~ specifically required by this ~~Chapter~~ Article and the provisions of the resolution authorizing the issuance of, or any trust agreement securing, ~~such~~ the bonds or notes.

"§ 159D-46. Trust agreement or resolution.

In the discretion of the agency any bonds or notes issued under the provisions of this ~~Chapter~~ Article may be secured by a trust agreement by and between the agency and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the State. Such trust agreement or the resolution authorizing the issuance of such bonds or notes may pledge or assign all or any part of the revenues of the agency received pursuant to this ~~Chapter,~~ Article, including, without limitation, fees, loan repayments, purchase price payments, rents, charges, insurance proceeds, condemnation awards and any other revenues and funds received in connection with any project and may grant a deed of trust or a mortgage on any project. Such trust agreement or resolution may contain such provisions for protecting and enforcing the rights and remedies of the holders of any such bonds or notes as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the agency in relation to the purposes to which bond or note proceeds may be applied, the disposition or pledging of the revenues of the agency, including any payments in respect of any federally guaranteed security or any federally insured mortgage note, the duties of the agency with respect to the acquisition, construction, maintenance, repair and operation of any project, the fees, loan repayments, purchase price payments, rents and charges to be fixed and collected in connection therewith, the terms and conditions for the issuance of additional bonds or notes, and the custody, safeguarding and application of all moneys. All bonds issued under this ~~Chapter~~ Article shall be equally and ratably secured by a pledge, charge, and lien upon revenues provided for in such trust agreement or resolution, without priority by reason of number, or of dates of bonds, execution, or delivery, in accordance with the provisions of this ~~Chapter~~ Article and of such trust agreement or resolution; except that the agency may provide in such trust agreement or resolution that bonds issued pursuant thereto shall to the extent and in the manner prescribed in such trust agreement or resolution be subordinated and junior in standing, with respect to the payment of principal and interest and the security thereof, to any other bonds. It shall be lawful for any bank or trust company incorporated under the laws of the State which may act as depositary of the proceeds of bonds or notes, revenues or other money hereunder to furnish such indemnifying bonds or to pledge such securities as may be required by the agency. Any such trust agreement or resolution may set off the rights and remedies, including foreclosure of any deed of trust or mortgage, of the holders of any bonds or notes and of the trustee, and may restrict the individual right of action by any such holders. In addition to the foregoing, any such trust agreement or resolution may contain such other provisions as the agency ~~may deem~~ considers reasonable and proper for the security of the holders of any bonds or notes. Expenses incurred in carrying out the provisions of such trust agreement or resolution may be treated as a part of the cost of any project

or paid from the revenues pledged or assigned to the payment of the principal of and the interest on bonds or notes or from any other funds available to the agency.

Section 4. G.S. 159C-5 is amended by adding a new subdivision to read:

"**§ 159C-5. General powers.**

Each authority shall have all of the powers necessary or convenient to carry out and effectuate the purposes and provisions of this Chapter, including, but without limiting the generality of the foregoing, the powers:

. . .

(7a) To acquire by purchase, lease, gift, or otherwise, but not by eminent domain, or to obtain options for the acquisition of, any property, real or personal, improved or unimproved, and interests in land less than the fee interest, for the construction, operation, or maintenance of any project;

. . . ."

Section 5. G.S. 159C-6 reads as rewritten:

"**§ 159C-6. Bonds.**

(a) Each authority is authorized to provide for the issuance, at one time or from time to time, of bonds of the authority for the purpose of paying all or any part of the cost of any project. The principal of, the interest on and any premium payable upon the redemption of ~~such~~ the bonds shall be payable solely from the funds ~~herein authorized for such~~ authorized in this Article for their payment. The bonds of each issue shall bear interest as may be determined by the Local Government Commission ~~of North Carolina~~ with the approval of the authority and the obligor irrespective of the limitations of G.S. 24-1.1, as amended, and successor provisions. The bonds of each issue shall be dated, shall mature at ~~such~~ any time or times not exceeding 35 years after the date of their issuance, and may be made redeemable before maturity at ~~such~~ any price or prices and under ~~such~~ any terms and conditions, as may be fixed by the authority ~~prior to~~ before the issuance of the bonds. The authority shall determine the form and the manner of execution of the bonds, including any interest coupons to be attached ~~thereto,~~ to them, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest. In case any officer whose signature ~~or a facsimile of whose signature appears on any bonds or coupons ceases to be that officer before the delivery of the bonds, the signature or the facsimile shall nevertheless be valid and sufficient for all purposes the same as if the person had remained in office until such delivery.~~ or a facsimile of whose signature appears on any bonds or coupons ceases to be that officer before the delivery of the bonds, the signature or the facsimile shall nevertheless be valid and sufficient for all purposes the same as if the officer had remained in office until the delivery. The authority may also provide for the authentication of the bonds by a trustee or fiscal agent. The bonds may be issued in coupon or in fully registered form, or both, as the authority may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest, and for the interchange of registered and coupon bonds.

(b) The proceeds of the bonds of each issue shall be used solely for the payment of the cost of ~~the project or projects, or a portion thereof,~~ all or part of the project for which the bonds were issued, and shall be disbursed in ~~such~~ any manner and under ~~such~~ any restrictions, ~~if any,~~ as the authority may provide in the financing agreement and the security document. If the proceeds of the bonds of any issue, by reason of increased construction costs or error in estimates or otherwise, are less than ~~such~~ this cost, additional bonds may in like manner be issued to provide the amount of the deficiency.

(c) The proceeds of bonds shall not be used to refinance the cost of ~~a~~ an industrial project or a pollution control project. For the purposes of this section, a cost of ~~a~~ an industrial project or a pollution control project is considered refinanced if both of the following conditions are met:

(1) The cost is initially paid from sources other than bond proceeds, and the original expenditure is to be reimbursed from bond proceeds.

(2) The original expenditure was paid more than 60 days before the authority took some action indicating its intent that the expenditure would be financed or reimbursed from bond proceeds.

(d) ~~However,~~ Notwithstanding subsection (c) of this section, preliminary expenditures that are incurred prior to the commencement of the acquisition, construction, or rehabilitation of ~~a~~ an industrial project or a pollution control project, such as architectural costs, engineering costs, surveying costs, soil testing costs, bond issuance costs, and other similar costs, may be reimbursed from bond proceeds even if these costs are incurred or paid more than 60 days prior to the authority's action. This exception that allows preliminary expenditures to be reimbursed from bond proceeds, regardless of whether or not they are incurred or paid within 60 days of the authority's action, does not include costs that are incurred incident to the commencement of the construction of ~~a~~ an industrial project or a pollution control project, such as expenditures for land acquisition and site preparation. In any event, an expenditure in connection with an industrial project or a pollution control project originally paid before the authority took some action indicating its intent that the expenditures would be financed or reimbursed from bond proceeds may ~~only~~ be reimbursed from bond proceeds only if the authority finds that reimbursing those costs from bond proceeds will promote the purposes of this Chapter.

(e) An authority may make loans to an obligor to refund outstanding loans, obligations, deeds of trust, or advances issued, made, or given by the obligor for the cost of a special purpose project.

(f) The authority may issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when ~~such~~ the bonds have been executed and are available for delivery. The authority may also provide for the replacement of any bonds that become mutilated or are destroyed or lost.

(g) Bonds may be issued under the provisions of this Chapter without obtaining, except as otherwise expressly provided in this Chapter, the consent of the State or of any political subdivision or of any agency of either, and without any other proceedings or the happening of any conditions or things other than those proceedings, ~~conditions~~ conditions, or things ~~which~~ that are specifically required by this Chapter and the provisions of the financing agreement and security document authorizing the issuance of ~~such bonds and securing the same.~~ the bonds and securing the bonds."

Section 6. G.S. 159C-7 reads as rewritten:

"§ 159C-7. Approval of ~~project~~ industrial projects and pollution control projects by Secretary of Commerce.

(a) Approval Required. -- No bonds may be issued by an authority to finance an industrial project or a pollution control project unless the project for which their issuance is proposed is first approved by the Secretary of Commerce. The authority shall file an application for approval of its proposed industrial project or pollution

control project with the Secretary of Commerce, and shall notify the Local Government Commission of ~~such~~ the filing.

(b) Findings. -- The Secretary shall not approve any proposed industrial project or pollution control project unless the Secretary makes all of the following, applicable findings:

(1) In the case of a proposed industrial project,

a. That the operator of the proposed project pays, or has agreed to pay thereafter, an average weekly manufacturing wage that (i) is above the average weekly manufacturing wage paid in the county, or (ii) is not less than ten percent (10%) above the average weekly manufacturing wage paid in the State, and

b. That the proposed project will not have a materially adverse effect on the environment.

(2) In the case of a proposed pollution control project, that ~~such~~ the project will have a materially favorable impact on the environment or will prevent or diminish materially the impact of pollution which would otherwise occur.

(2a) In the case of a hazardous waste facility or low-level radioactive waste facility that is used as a reduction, recovery or recycling facility, that such project will further the waste management goals of North Carolina and will not have an adverse effect upon public health or a significant adverse effect on the environment.

(3) In ~~any case (whether the proposed project is~~ the case of an industrial project or a pollution control ~~project),~~ project, except a pollution control project for a public utility,

a. That the jobs to be generated or saved, directly or indirectly, by the proposed project will be large enough in number to have a measurable impact on the area immediately surrounding the proposed project and will be commensurate with the size and cost of the proposed project,

b. That the proposed operator of the proposed project has demonstrated or can demonstrate the capability to operate ~~such~~ the project, and

c. That the financing of ~~such~~ the project by the authority will not cause or result in the abandonment of an existing industrial or manufacturing facility of the proposed operator or an affiliate elsewhere within the State unless the facility is to be abandoned because of obsolescence, lack of available labor in the area, or site limitations.

(b1) Initial Operator. -- If the initial proposed operator of ~~a~~ an industrial project or a pollution control project is not expected to be the operator for the term of the bonds proposed to be issued, the Secretary may make the findings required pursuant to subdivisions ~~(1)a.~~ (b)(1)a. and (3)b. of this section only with respect to the initial

operator. The initial operator shall be identified in the application for approval of the proposed project.

(c) Public Hearing. -- The Secretary of Commerce shall not approve any proposed industrial project or pollution control project pursuant to this section unless the governing body of the county in which the project is located has first conducted a public hearing and, at or after the public hearing, approved in principle the issuance of bonds under this Chapter for the purpose of paying all or part of the cost of the proposed project. Notice of the public hearing shall be published at least once in at least one newspaper of general circulation in the county not less than 14 days before the public hearing. The notice shall describe generally the bonds proposed to be issued and the proposed project, including its general location, and any other information the governing body considers appropriate or the Secretary of Commerce prescribes for the purpose of providing the Secretary with the views of the community. The notice shall also state that following the public hearing the authority intends to file an application for approval of the proposed project with the Secretary of Commerce.

(d) Certificate of Department of Environment and Natural Resources. -- The Secretary of Commerce shall not make the findings required by subdivisions (b)(1)b and (2) of this section unless the Secretary has first received a certification from the Department of Environment and Natural Resources that, in the case of a proposed industrial project, the proposed project will not have a materially adverse effect on the environment and that, in the case of a proposed pollution control project, the proposed project will have a materially favorable impact on the environment or will prevent or diminish materially the impact of pollution which would otherwise occur. The Secretary of Commerce shall not make the findings required by subdivision (2a) unless the Secretary has first received a certification from the Department of Environment and Natural Resources that the proposed project is environmentally sound, will not have an adverse effect on public health and will further the waste management goals of North Carolina. The Secretary of Commerce shall deliver a copy of the application to the Department of Environment and Natural Resources. The Department of Environment and Natural Resources shall provide each certification to the Secretary of Commerce within seven days after the applicant satisfactorily demonstrates to it that all permits, including environmental permits, necessary for the construction of the proposed project have been obtained, unless the authority consents to a longer period of time.

(e) Waiver of Wage Requirement. -- If the Secretary of Commerce has made all of the required findings respecting a proposed industrial project except that prescribed in ~~subparagraph~~ subdivision (b)(1)a of this section, the Secretary may, in the Secretary's discretion, approve the proposed industrial project if the Secretary has received (i) a resolution of the governing body of the county requesting that the proposed industrial project be approved notwithstanding that the operator will not pay an average weekly manufacturing wage above the average weekly manufacturing wage in the county and (ii) a letter from an appropriate State official, selected by the Secretary, to the effect that unemployment in the county is especially severe.

(f) Rules. -- To facilitate review of each proposed industrial project or pollution control project, the Secretary may require the authority to obtain and submit ~~such~~ any data and information about ~~such~~ the project ~~as~~ the Secretary may prescribe. The Secretary may also prescribe ~~such~~ forms and ~~such~~ rules ~~as~~ the Secretary considers reasonably necessary to implement the provisions of this section.

(g) Certificate of Approval. -- If the Secretary approves the proposed industrial project or pollution control project, the Secretary shall prepare a certificate of approval evidencing ~~such~~ the approval and setting forth the findings and shall cause the certificate of approval to be published in a newspaper of general circulation within the county. ~~Any such~~ This approval shall be reviewable as provided in Article 4 of Chapter 150B of the General Statutes ~~of North Carolina~~ only by an action filed, within 30 days after notice of ~~such~~ the findings and approval ~~shall~~ have been so published, in the Superior Court of Wake County. The superior court is ~~hereby~~ vested with jurisdiction to hear ~~such~~ the action, but if no ~~such~~ action is filed within the 30 days ~~herein~~ prescribed, the validity of ~~such~~ the approval ~~shall be~~ is conclusively presumed, and no court ~~shall have~~ has authority to inquire into ~~such~~ the approval. Copies of the certificate of approval of the proposed industrial project or pollution control project will be given to the authority, the ~~governing body of the county~~ board of county commissioners, and the Secretary of the Local Government Commission.

The certificate of approval ~~shall become~~ becomes effective immediately following the expiration of the 30-day period or the expiration of any appeal period after a final determination by any court of any action timely filed pursuant to this section. The certificate ~~shall expire~~ expires one year after its date unless extended by the Secretary who shall not extend the certificate unless the Secretary again approves the proposed industrial project or pollution control project as provided in this section. If bonds are issued within that year pursuant to the authorization of this Chapter to pay all or part of the costs of the industrial project or pollution control project, however, the certificate ~~shall expire~~ expires three years after the date of the first issuance of the bonds."

Section 7. G.S. 159C-8 reads as rewritten:

"**§ 159C-8. Approval of bonds.**

(a) No bonds may be issued by an authority unless the issuance ~~thereof~~ of the bonds is first approved by the Local Government Commission.

The authority shall file an application for approval of its proposed bond issue with the Secretary of the Local Government Commission, and shall notify the Secretary of ~~the Department of~~ Commerce of ~~such filing.~~ the filing if the project is an industrial project or pollution control project.

(b) In determining whether a proposed bond issue should be approved, the Local Government Commission may ~~consider, without limitation,~~ consider any of the following:

(1) Whether the proposed operator and obligor have demonstrated or can demonstrate the financial responsibility and capability to fulfill their obligations with respect to the financing agreement. In

making such determination, the Commission may consider the operator's experience and the obligor's ratio of current assets to current liabilities, net worth, earnings trends and coverage of fixed charges, the nature of the industry or business involved and its stability and any additional security such as credit enhancement, insurance, guaranties or property to be pledged to secure such bonds.

(2) Whether the political subdivisions in or near which the proposed project is to be located have the ability to cope satisfactorily with the impact of ~~such~~ the project and to provide, or cause to be provided, the public facilities and services, including utilities, that will be necessary for ~~such~~ the project and on account of any increase in population which are expected to result ~~therefrom.~~ from the project.

(3) Whether the proposed date and manner of sale will have an adverse effect upon any scheduled or anticipated sale of obligations by the State or any political subdivision or any agency of either of them.

(4) Any other factors the Commission considers relevant.

(c) The Local Government Commission shall not approve the issuance of bonds for a special purpose project unless the governing body of the county in which the special purpose project is located has conducted a public hearing and, at or after the public hearing, approved in principle the issuance of bonds under this Chapter for the purposes of paying all or a part of the proposed special purpose project. Notice of the public hearing must be published at least once in at least one newspaper of general circulation in the county not less than 14 days before the public hearing. The notice must describe generally the bonds proposed to be issued and the proposed special purpose project, including its general location, and any other information the governing body considers appropriate.

(d) If the initial proposed operator of the project is not expected to be the operator for the term of the bonds proposed to be issued, the Local Government Commission may consider the matters required under subdivision ~~(1)~~ (b)(1) of this section only with respect to the initial operator. The obligor shall be obligated to perform all of the duties of the obligor required hereunder during the term the bonds are outstanding. The Local Government Commission shall evaluate the obligor's ability to perform these duties without regard to whether the initial proposed operator of the project is expected to be the operator for the term of the bonds proposed to be issued. To facilitate the review of the proposed bond issue by the Commission, the Secretary may require the authority to obtain and submit ~~such~~ any financial data and information about the proposed bond issue and the security ~~therefor,~~ for it, including the proposed prospectus or offering circular, the proposed financing agreement and security document and annual and other financial reports and statements of the obligor, as the Secretary may prescribe. The Secretary may also prescribe ~~such forms~~

~~and such rules and regulations as he shall deem~~ any forms and rules the Secretary considers reasonably necessary to implement the provisions of this section. "

Section 8. G.S. 159C-11 reads as rewritten:

"**§ 159C-11. Financing agreements.**

(a) Every financing agreement shall provide that:

(1) The amounts payable under the financing agreement shall be sufficient to pay all of the principal of and redemption premium, if any, and interest on the bonds ~~that shall be~~ issued by the authority to pay the cost of the project as ~~the same shall~~ they respectively become ~~due;~~ due.

(2) The obligor shall pay all costs incurred by the authority in connection with the financing and administration of the project, except as may be paid out of the proceeds of bonds or otherwise, ~~including, but without limitation,~~ including insurance costs, the cost of administering the financing agreement and the security document and the fees and expenses of the fiscal agent or trustee, paying agents, attorneys, consultants and ~~others;~~ others.

(3) The obligor shall pay all the costs and expenses of operation, maintenance and upkeep of the ~~project; and~~ project.

(4) The obligor's obligation to provide for the payment of the bonds in full ~~shall not be~~ is not subject to cancellation, termination or abatement until ~~such~~ payment of the bonds or provision for their payment has been ~~therefor shall be~~ made.

(5) If the proposed initial operator of the project is not expected to be the operator for the term of the bonds proposed to be issued, the financing agreement shall require that the obligor attempt to arrange for a new operator when the current operator discontinues serving as operator. The new operator is subject to the approval of the Secretary under subdivisions (b)(1)a. and (3)b. of G.S. 159C-7 ~~and~~ if the project is an industrial project or a pollution control project, and is subject in any event to the approval of the Local Government Commission under G.S. 159C-8.

(b) The financing agreement, if in the nature of a lease agreement, shall either provide that the obligor ~~shall have~~ has an option to purchase, or require that the obligor purchase, the project upon the expiration or termination of the financing agreement subject to the condition that payment in full of the principal of, and the interest and any redemption premium on, the bonds, or provision ~~therefor, shall have~~ for payment, has been made.

The financing agreement may provide the authority with rights and remedies in the event of a default by the obligor ~~thereunder including, without limitation,~~ under the agreement, including any one or more of the following:

(1) Acceleration of all amounts payable under the financing agreement;

(2) Reentry and repossession of the project;

(3) Termination of the financing agreement;
(4) Leasing or sale or foreclosure of the project to others; and
(5) Taking whatever actions at law or in equity may appear necessary or desirable to collect the amounts payable under, and to enforce covenants made in, the financing agreement.

(c) The authority's interest in a project under a financing agreement may be that of owner, lessor, lessee, conditional or installment vendor, mortgagor, mortgagee, secured party or otherwise, but the authority need not have any ownership or possessory interest in the project.

The authority may assign all or any of its rights and remedies under the financing agreement to the trustee or the bondholders under a security document.

~~Any such~~ The financing agreement may contain ~~such~~ any additional provisions ~~as in the determination of~~ the authority ~~are~~ considers necessary or convenient to effectuate the purposes of this Chapter."

Section 9. G.S. 159C-19 reads as rewritten:

"**§ 159C-19. Revenue refunding bonds.**

(a) Each authority is ~~hereby~~ authorized to provide by resolution for the issuance of refunding bonds of the authority for the purpose of refunding any bonds then outstanding that have been issued under the provisions of this Chapter, including the payment of any redemption premium ~~thereon~~ on them and any interest accrued or to accrue to the date of redemption of ~~such~~ the bonds, and, if deemed advisable by the authority, for either or both of the following additional purposes:

(1) Constructing improvements, additions, extensions or enlargements of the project or projects in connection with which the bonds to be refunded have been issued, and
(2) Paying all or any part of the cost of any additional project or projects.

(a1) The issuance of ~~such~~ these bonds, ~~the~~ their maturities and other ~~details thereof,~~ details, the rights of ~~the holders thereof,~~ their holders, and the rights, ~~duties~~ duties, and obligations of the authority in respect to ~~the same~~ them shall be governed by the provisions of this Chapter that relate to the issuance of bonds, ~~insofar as such provisions may be appropriate therefor,~~ to the extent appropriate, including that ~~any such~~ the bonds may have a single maturity within the limit prescribed by G.S. 159C-6.

The approvals required by G.S. 159C-7 and 159C-8 shall be obtained prior to the issuance of any refunding ~~bonds; provided, however, that in the case where~~ bonds, except that if the refunding bonds of all or a portion of an issue are to be issued solely for the purpose of refunding outstanding bonds issued under this Chapter, the approval required by G.S. 159C-7 ~~shall not be~~ is not required as to the project financed with the bonds to be refunded.

(b) Refunding bonds issued under this section may be sold or exchanged for outstanding bonds issued under this Chapter and, if sold, ~~the proceeds thereof~~ their proceeds may be applied, in addition to any other authorized purposes, to the purchase, ~~redemption~~ redemption, or payment of ~~such~~ the outstanding bonds.

Refunding bonds may be issued, in the determination of the authority, at any time ~~not more than five years prior to~~ before the date of maturity or maturities or the date selected for the redemption of the bonds being refunded ~~thereby.~~ by them. Pending the application of the proceeds of ~~such~~ the refunding bonds, with any other available funds, to the payment of the principal of and accrued interest and any redemption premium on the bonds being refunded, and, if so provided or permitted in the security document securing ~~the same,~~ them, to the payment of any interest on ~~such~~ the refunding bonds and any expenses in connection with ~~such~~ the refunding, ~~such~~ the proceeds may be invested in direct obligations of, or obligations the principal of and the interest on which are unconditionally guaranteed by, the United States of America ~~which shall mature or which shall be~~ that mature or are subject to redemption by the ~~holder thereof,~~ holder, at the option of such holder, not later than the respective dates when the proceeds, together with the interest accruing ~~thereon,~~ on them, will be required for the purposes intended."

Section 10. The amendments to G.S. 159D-55, as recodified by this act, become effective with respect to obligations issued on or after August 1, 2000. The remainder of this act becomes effective July 1, 2000.

SENATE BILL 1472:
Conduit Agency Financing

BILL ANALYSIS

Committee:	Senate Finance	Sponsor:	Senator Rand
Date:	June 20, 2000	Analysis by:	Martha H. Harris*
Version:	Proposed Comm. Substitute		Staff Attorney

SUMMARY: Senate Bill 1472 makes the following changes regarding revenue bonds issued on behalf of private entities:

- *Expands the NC Educational Facilities Finance Agency to become the NC Capital Facilities Finance Agency, and authorizes the agency to issue bonds on behalf of private entities for various projects that have a public purpose ("special purpose projects"). (Section 1; Section 2, pages 22 through 38)*
- *Authorizes County Industrial Facilities and Pollution Control Financing Authorities to issue bonds on behalf of private entities for various projects that have a public purpose. (Sections 3 through 6, pages 38 to end)*
- *Dissolves the NC Industrial Facilities and Pollution Control Financing Authority and transfers its powers and duties to the NC Capital Facilities Finance Agency. (Section 2, pages 1 through 21)*

Changes in PCS: The proposed committee substitute makes technical changes as well as several minor substantive changes. These changes are listed at the end of this summary.

Background. In a conduit financing, a governmental entity issues its bonds to finance facilities for a private party, then receives payments from the private party to service the bonds. If the federal tax law permits tax-exempt bond issues for the type of facility financed, the private party is able to borrow at tax-exempt rates. Under current law, conduit financing is authorized for private industrial and pollution facilities through county authorities (Chapter 159C of the General Statutes) and through a State authority (Chapter 159D of the General Statutes) and for private educational facilities through a State agency (Chapter 115E of the General Statutes). Counties and cities may also provide conduit financing directly.

Federal law allows tax-exempt conduit financing for a variety of projects beyond the industrial, pollution control, and educational projects currently authorized in Chapters 159C, 159D, and 115E of the General Statutes. Recent financings have been proposed and entered into for new types of projects, such as recreational facilities to be leased to or operated by a YMCA. The Treasurer's Office had two concerns about the expansion of the type of projects being financed under current law. First, although the projects have a public purpose and satisfy federal requirements, the current North Carolina statutes do not clearly authorize conduit financing for these types of projects. Second, to the extent the conduit financing is conducted directly by a

*G. Thomas Lee of Poyner and Spruill contributed background information for this analysis.

local government, rather than a special purpose authority, the local government's credit rating is at risk if the private entity were to go into default.

Senate Bill 1472 would address these concerns by providing specific statutory authority for conduit financing of "special purpose projects," a variety of private, public purpose projects, through the following limited purpose agencies: County Industrial Facilities and Pollution Control Financing Authorities and the North Carolina Educational Facilities Finance Agency, which would be renamed the North Carolina Capital Facilities Finance Agency to reflect its broader financing authority. The types of projects that the bill would give these entities the power to finance are:

- water systems and facilities
- sewage disposal systems or facilities
- public transportation systems, facilities, or equipment
- public parking facilities
- public auditoriums and similar facilities
- recreational facilities
- solid waste facilities
- facilities for persons with disabilities and for the disadvantaged

Student housing facilities owned by entities other than educational institutions would also be authorized for the Capital Facilities Financing Agency. The Treasurer's office has identified these types of projects as those for which the private sector currently seeks conduit financing, or is expected to seek conduit financing in the foreseeable future.

Multi-County Projects. County Industrial Facilities and Pollution Control Financing Authorities are created by county governments and thus have limited ability to finance multi-county projects. Authorizing the North Carolina Educational Facilities Finance Agency to provide conduit financing would allow financing of multi-county projects, such as a proposed multi-county recreational facility to be operated by a YMCA near Winston-Salem. As part of expanding and renaming the Agency, its statutes are recodified from Chapter 115E of the General Statutes to Article 2 of Chapter 159D of the General Statutes.

Private Student Housing. By authorizing the North Carolina Educational Facilities Finance Agency to provide conduit financing for student housing that is not owned or operated by an educational institution, the bill would address current proposals to finance private, nonprofit housing for students at various universities, including Appalachian State University, Fayetteville State University, and North Carolina Agricultural and Technical State University.

Clean-up Amendments. This bill also makes "clean-up" amendments concerning the North Carolina Industrial Facilities and Pollution Control Financing Authority, created in Chapter 159D of the General Statutes. This authority is a State entity that issued bonds in the late 1980s and early 1990s for purposes similar to those provided for County Industrial Facilities and Pollution Control Financing Authorities in Chapter 159C. The State authority is moribund at this time due to loss of records regarding its creation and membership. From time to time, administrative duties arise regarding its outstanding bonds. This bill would authorize the

North Carolina Educational Facilities Finance Agency to take over the remaining responsibilities of the Industrial Facilities and Pollution Control Financing Authority, which would be dissolved. Although additional bonds are not expected to be issued under Chapter 159D for industrial or pollution control projects, the bill makes a few changes to conform the provisions to those governing County Industrial Facilities and Pollution Control Financing Authorities in Chapter 159C, and to delete obsolete provisions.

Conduit Financing Procedure. Under the bill, a private entity (either nonprofit or for-profit) could obtain financing from a County Industrial Facilities and Pollution Control Financing Authority or from the North Carolina Capital Facilities Finance Agency in order to acquire, construct, and improve a public purpose project. The financing would usually be tax-exempt under federal law and could include revenue bonds or other forms of debt, but would not include any financing that pledges the faith or credit of the State, a local government, or any political subdivision. The advantage to private entities of tax-exempt financing is that interest rates on tax-exempt financing are significantly lower than on taxable financing. The private entity must pay for the entire cost of the financing and of the facility being financed.

The bill makes tax-exempt financing available for capital facilities for the following public purpose projects: water systems, sewage disposal systems, public transportation systems, public parking facilities, public auditoriums and convention centers, and recreational facilities; in the case of the Capital Facilities Finance Agency, student housing may also be financed. Under current law, the Agency may finance facilities related to educational institutions, including student housing, but only on behalf of an educational institution and not on behalf of other entities.

In addition to a building, the financing could cover land acquisition, landscaping, site preparation, furniture, and machinery and equipment, as well as engineering and architectural services and other administrative expenses related to construction or acquisition of a project. Financing from the Capital Facilities Finance Agency is not available for projects that discriminate based on race, creed, color, or national origin. The law governing County Industrial Facilities and Pollution Control Financing Authorities does not contain a similar restriction.

Conduit financing through the State would be administered by the Capital Facilities Finance Agency (currently called the Educational Facilities Finance Agency), which is located in the Department of State Treasurer. The Agency has seven members: the State Treasurer, the State Auditor, one member appointed upon the recommendation of the President Pro Tempore of the Senate, one member appointed upon the recommendation of the Speaker of the House of Representatives, and three members appointed by the Governor. The appointive members must be residents of North Carolina and cannot hold other public office. The Agency is audited annually and submits an annual report to the Governor and the General Assembly.

A private entity could qualify for financing only if the Agency found it to be financially responsible and capable of fulfilling its obligations. Before financing is approved, the Agency must find that the entity has provided adequately for the payment of principal and interest on the bonds and for the operation, repair, and maintenance of the facility to be financed.

The Agency may issue bonds only if they are approved by the Local Government Commission. The Local Government Commission sets the interest rates on the bonds and administers the sale. The bonds may be secured by a trust agreement with a corporate trustee, such as a bank. The Agency will require the private entity to pay fees, loan repayments, rents, or other charges sufficient to cover the payment of principal and interest on the bonds and the operation, repair, and maintenance of the facility to be financed, and the bonds will be secured by the pledge of these revenues.

CHANGES MADE BY PROPOSED COMMITTEE SUBSTITUTE:

- *Removes a reference in the title to tax-exempt financing. The reason for the bond financing in 99+% of the cases will be because of the federal tax exemption. There may be times, however, where there are reasons to do a taxable bond issue. The current title implies that financing under the bill would be available only if it results in federal tax exemption.*
- *Expands the definition of special purpose projects to include solid waste facilities and facilities for the disabled and disadvantaged. Facilities for the disabled and disadvantage would include a Goodwill facility, a sheltered workshop, or a similar facility.*
- *Removes a prohibition on issuing refunding bonds earlier than five years before the call date of the bonds. This limitation supports no apparent policy and is not consistent with the federal law that will apply to special purpose projects.*
- *Expands the factors that the NC Capital Facilities Finance Agency and the Local Government Commission may take into account when considering bonds, to include whether the private entity on behalf of whom the bonds will be issued has arranged for delivery of a letter of credit or for any other credit enhancement to secure the obligations. Similar provisions are found in the current law governing County Industrial Facilities and Pollution Control Financing Authorities.*
- *Authorizes County Industrial Facilities and Pollution Control Financing Authorities to refinance pre-existing debt with respect to special purpose projects. Similar provisions are found in the current law governing the NC Educational Facilities Finance Agency.*

"(b12) Litter Prevention Plates. -- The Division shall develop a litter prevention plate regardless of the number of applications for the plate that the Division receives. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of litter prevention plates to the Litter Prevention Account created pursuant to G.S. 136-125.1."

Section 4. Chapter 136 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 10A.

"Litter Prevention Account.

"**§ 136-125.1. Litter Prevention Account.**

There is established under the control and direction of the Department of Transportation the Litter Prevention Account. The Account shall be a nonreverting special revenue account within the Highway Fund and shall consist of moneys credited to the Account under G.S. 20-81.12(b12) from the sale of litter prevention special registration plates. The Department of Transportation shall allocate the funds in the Account to reduce litter in the State.

"**§ 136-125.2. Report.**

The Department of Transportation shall report no later than 1 October of each year to the Joint Legislative Transportation Oversight Committee and the Environmental Review Commission regarding the allocation of funds from the Litter Prevention Account. The report shall include all receipts to and allocations from the Account made during the previous fiscal year and shall explain how each allocation serves to reduce litter in the State."

Section 5. The first report required by G.S. 136-125.2, as enacted by Section 4 of this act, is due no later than 1 October 2002.

Section 6. The Department of Transportation, the Department of Environment and Natural Resources, and the Department of Public Instruction shall cooperatively develop the phrase and picture to be used on the litter prevention special registration plate authorized by G.S. 20-79.6(b)(22a), as enacted by Section 1 of this act.

Section 7. The Legislative Research Commission shall study issues related to the prevention and removal of litter. The Commission shall make a final report of its recommendations regarding the prevention and removal of litter, including any proposed legislation, to the 2001 General Assembly.

Section 8. This act is effective when it becomes law.

SENATE BILL 1285:
Litter Prevention Special Plate

BILL ANALYSIS

Committee:	Senate Agriculture, Environment, and Natural Resources	**Introduced by:**	Senator Albertson
		Summary by:	Jeff Hudson, Committee Counsel
Date:	June 20, 2000		
Version:	Proposed Committee Substitute for Senate Bill 1285		

SUMMARY: ***The Proposed Committee Substitute for Senate Bill 1285 establishes a special registration plate (license plate) for the prevention of litter in North Carolina. The fee for the plate is $35.00. $10.00 of this fee will be deposited in the Litter Prevention Account to be used to reduce litter in North Carolina.***

CURRENT LAW: Under current law, there are approximately 50 special registration plates. These include the Scenic Rivers plate, the Soil and Water Conservation plate, and the Wildlife Resources plate. Except for certain military special registration plates, all special registration plates are subject to the $20.00 fee for regular registration plates. Special registration plates also have additional fees ranging from $10.00 to $30.00.

BILL ANALYSIS:

The Proposed Committee Substitute for Senate Bill 1285 establishes a special registration plate (license plate) for the prevention of litter in North Carolina. The fee for the plate is $35.00 ($20.00 fee for all registration plates and additional fee of $15.00). $5.00 of the additional fee will be deposited in the Special Registration Plate Account. $10.00 of the additional fee will be deposited in the Litter Prevention Account to be used to reduce litter in North Carolina.

The Proposed Committee Substitute also:

- Directs the Department of Transportation to report annually to the Joint Legislative Transportation Oversight Committee and the Environmental Review Commission on the receipts to and expenditures from the Litter Prevention Account.
- Directs the Department of Transportation, the Department of Environment and Natural Resources, and the Department of Public Instruction to develop a phrase and picture to be used on the litter prevention special registration plate.
- Directs the Legislative Research Commission to study issues related to the prevention and removal of litter and to report its recommendations, including any proposed legislation, to the 2001 General Assembly.

EFFECTIVE DATE: This act is effective when it becomes law.

SENATE BILL 1285 (FIRST EDITION): Senate Bill 1285, as introduced, changed the date by which the holders of the Standard Commercial Fishing License could participate in the crab fishery from October 1, 2000 to July 1, 2000. The companion bill to Senate Bill 1285, House Bill 1562, received a favorable report from this Committee, has passed Second and Third reading in the Senate, and has been returned to the House of Representatives for concurrence.

A BILL TO BE ENTITLED

AN ACT TO REPEAL THE SUNSET OF THE WHITE GOODS TAX AND TO DIRECT THE DEPARTMENT OF ENVIRONMENT AND NATURAL RESOURCES TO STUDY ISSUES RELATED TO THE SCRAP TIRE DISPOSAL TAX AND THE WHITE GOODS DISPOSAL TAX, AS RECOMMENDED BY THE ENVIRONMENTAL REVIEW COMMISSION.

The General Assembly of North Carolina enacts:

Section 1. Section 11 of Chapter 471 of the 1993 Session Laws, as amended by Section 15.1(b) of Chapter 769 of the 1993 Session Laws and Section 7 of S.L. 1998-24, reads as rewritten:

"Sec. 11. Sections 1 through 5 of this act and this section become effective January 1, 1994. ~~Section 3 of this act expires July 1, 2001. Section 6 of this act becomes effective July 1, 2001. Sections 7, 8, and 9 of this act become effective July 1, 2002.~~

~~The repeal of the tax imposed by Section 3 of this act does not affect the rights or liabilities of the State, a taxpayer, or another person that arose during the time the tax was in effect.~~ The first report submitted by the Department to the Environmental Review Commission under G.S. 130A-309.85, as enacted by this act, shall cover the period from January 1, 1994, to June 30, 1994."

Section 2. The Department of Environment and Natural Resources shall study issues related to the scrap tire disposal tax and the white goods disposal tax. This study shall include an evaluation of whether the amount of the scrap tire disposal tax and the amount of the white goods disposal tax should be altered and

whether the distribution of the proceeds of these taxes should be reapportioned. The Department shall report its findings and recommendations, including any legislative proposals, to the Environmental Review Commission no later than October 1, 2000.

Section 3. This act is effective when it becomes law.

SENATE BILL 1331:
White Goods Sunset Repeal

BILL ANALYSIS

Committee: Senate Finance
Date: June 20, 2000
Version: First Edition

Introduced by: Senator Odom
Summary by: Martha K. Walston
Committee Counsel

SUMMARY: ***Senate Bill 1331 repeals the sunset on the white goods tax and directs the Department of Environment and Natural Resources to study issues related to the scrap tire disposal tax and the white goods disposal tax. Senate Bill 1331 is a recommendation of the Environmental Review Commission. The bill is identical to House Bill 1613, introduced by Representative Hackney. The bill is effective when it becomes law.***

CURRENT LAW: The white goods tax was imposed effective January 1, 1994 and expires July 1, 2001. With the expiration of the tax, units of local governments or a contracting party may charge a disposal fee for the disposal of white goods. The purpose of the white goods tax is to provide a source of revenue for the proper disposal of discarded white goods. A white good is a domestic or commercial large appliance, such as a refrigerator, a water heater, an air conditioner unit, or a dishwasher. The tax rate is $3.00 per white good.

Distribution of white goods tax.

- 8% to the Solid Waste Management Trust Fund. The money in this Fund is used to fund activities of DER to promote waste reduction and recycling, to fund research on the solid waste stream in North Carolina, to fund activities related to the development of secondary materials markets, to fund demonstration projects, and to fund research by in-State colleges and universities.
- 72% to the counties to be used only for the management of discarded white goods. Counties receive their distribution of white goods tax proceeds on a quarterly basis. If at the end of a fiscal year, the county has a surplus of white goods tax proceeds that equals or exceeds 25% of the amount it was eligible to receive for the fiscal year, it may not receive additional distributions until its surplus falls below that level. The amount that would have been distributed to a county will instead be credited to the White Goods Management Account.
- 20% to the White Goods Management Account. The revenues in this Account are used to make grants to units of local government to assist them in managing discarded white goods.

Reporting Requirements. Counties must submit an annual financial information report to the Local Government Commission that includes information about their management of white goods and the receipt and expenditures of white goods tax proceeds.

The Department of Environment and Natural Resources must report annually to the Environmental Review Commission and the Revenue Laws Study Committee on the management of white goods

BILL ANALYSIS: Senate Bill 1331 repeals the July 1, 2001 sunset on the white goods tax and directs the Department of Environment and Natural Resources to study issues related to the scrap tire disposal tax

and the white goods disposal tax. This study must include an evaluation of whether the amount of both taxes should be altered and whether the distribution of the proceeds of these taxes should be reapportioned. The Department must report its findings to the Environmental Review Commission no later than October 1, 2000.

(The scrap tire disposal tax is imposed at a percentage rate of the sales price of each new tire sold. The rate is 2% for a new tire sold or purchased with a bead diameter of less than 20 inches, and 1% with a bead diameter of at least 20 inches. Effective July 1, 2002, the tax is 1% of the sales price of the new tire.)

EFFECTIVE DATE: The act is effective when it becomes law.

BILL SUMMARY: This bill repeals the sunset of the white goods tax and directs the Department of Natural Resources to study issues related to the scrap tire disposal tax and the white goods environmental and disposal tax, as recommended by the Environmental Review Commission.

BACKGROUND INFORMATION: White goods as defined in G.S. 130A-290 (a) are residential and commercial appliances including refrigerators, ranges, water heaters, freezers, unit air conditioners, washing machines, clothes dryers, dishwashers, and other similar large appliances. In 1993, G.S. 105-87.21 was amended to establish a privilege tax on white goods at a flat rate for each new white good that is sold. This white goods disposal tax is a point of origin tax imposed on retailers of white goods in addition to state sales tax. From 1993 to 1996, the rate of the privilege tax was $5 for new white goods that did not contain cholrofluorocarbon (CFC) refrigerants and $10 for those containing CFCs. Each quarter, 5% of the tax proceeds

were credited to the Solid Waste Management Trust Fund (SWMTF), 20% credited to the White Goods Management Account (WGMA), and 75% distributed to counties on a per capita basis.

In 1996, the EPA banned the use of CFCs in any new appliances. In the same year, the General Assembly amended the white goods legislation by implementing a flat $3 fee regardless of the refrigerant within the appliance for a period of three years. Additionally, the redistribution schedule of tax proceeds was altered. It directed 8%, rather than 5%, be directed to the Solid Waste Management Trust Fund, and 72%, rather than 75%, be directed to the counties. The White Goods Management Account continued to receive 20% of the tax proceeds. The 1998 General Assembly extended the sunset on the white goods tax program from July 1, 1998 until July 1, 2001.

The most current estimate of the balance of the White Goods Management Account is approximately $5,062,000. The balance of the Solid Waste Management Trust Fund is approximately $1,601,786, of which $1,300,000 has been already been allocated for this years contracts and grants.

ASSUMPTIONS AND METHODOLOGY: Currently, a $3 point of origin disposal tax is placed on white goods upon sale, regardless of whether the good contains CFCs. The legislation authorizing a flat rate of $3 per white good expires July 1, 2001. Upon the sunset of the current legislation, the white goods disposal tax would be lifted, and the White Goods Management Account closed on July 1 of the following year. As the current legislation does not expire until July 1, 2001, upon the passing of the bill there would be no fiscal impact during FY 2000-01. It would, however, result in tax revenues for subsequent years.

Revenues from the White Goods Disposal Tax were $1,023,300 for the first quarter of 2000. Of this $1.02 million, approximately $987,500 was available for distribution after collection and administration costs. Assuming similar patterns in the collection of this tax for subsequent quarters, the yearly distribution of these revenues is as follows:

Current Distribution of White Goods Tax Proceeds

Solid Waste Management Trust Fund (8%)	$ 315,992
White Goods Management Account (20%)	$ 789,984
Available for Distribution to Counties (72%)	$2,843,948
Total	$3,949,924

The annual growth in appliance sales is estimated at 5.8% nationally, and is a growth trend that is generally applicable to North Carolina appliance sales. Therefore, the White Goods Disposal Tax revenue will increase at the same yearly rate.

Future Distribution of White Goods Tax Proceeds

	2000-01	2001-02	2002-03	2003-04	2004-05
SWMTF	$ 315,992	$ 334,320	$ 353,710	$ 374,225	$ 395,930
WGMA	$ 789,984	$ 835,803	$ 884,280	$ 935,568	$ 989,831
Counties	$2,843,948	$3,008,897	$3,183,413	$3,368,051	$3,563,398
Total	$3,949,924	$4,179,020	$4,421,403	$4,677,844	$4,949,159

TECHNICAL CONSIDERATIONS: Tax data used in this fiscal note is provided by the Department of Revenue Sales and Use Tax Division, the Budget Development Department, and the Division of Pollution Prevention of the Department of Environment and Natural Resources. State product and sales information are provided by the Association of Home Appliance Manufacturers.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE ASHEVILLE-BUNCOMBE TECHNICAL COMMUNITY COLLEGE TO LEASE CERTAIN PROPERTY BY PRIVATE NEGOTIATION AND TO ALLOW FLEXIBLE USE OF LEASE PROCEEDS.

The General Assembly of North Carolina enacts:

Section 1. Notwithstanding the provisions of G.S. 115D-15, G.S. 115C-518, Article 12 of Chapter 160A of the General Statutes, or any other provisions of law, the Board of Trustees of Asheville-Buncombe Technical Community College may lease any or all portions or interest in the Enka Center of the College by private negotiation. The terms and conditions of any such lease shall be set by the Board and may include rental at less than fair market value. The duration of any such lease shall not exceed five years. Any such lease shall not require the prior approval of the State Board of Community Colleges.

The Enka Center property was donated to the College by BASF Corporation. It is located in Buncombe County at the intersection of the southern margin of U.S. Highways 19 and 23 and the western margin of Sand Hill Road.

Section 2. Notwithstanding G.S. 115D-15 or any other provision of law, Asheville-Buncombe Technical Community College may use the proceeds of leases of property pursuant to this act for Plant Fund and Current Expenses budget items at the Enka Center and for the operating costs of programs at the Enka Center.

SENATE BILL 1474:
Lease Law Exemption/Buncombe T.C.C.

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senators Metcalf , Carter
Date:	June 20, 2000	**Summary by:**	Karen Cochrane Brown
Version:	1st Edition		Committee Co-Counsel

SUMMARY:

Senate Bill 1474 authorizes the Board of Trustees of Asheville-Buncombe Technical Community College to lease any or all of the Enka Center by private negotiation and to use the proceeds of the lease for Plant Fund and Current Expenses and for operating costs of programs at the Enka Center.

CURRENT LAW:

Under current law, a community college may only sell or lease real property with the prior approval of the State Board of Community Colleges and in accordance with the procedures set forth in Article 12 of Chapter 160A, which, among other things, prohibits disposition of property by private negotiation.

BILL ANALYSIS:

This bill overcomes all inconsistent provisions of law, to authorize the Board of Trustees of Asheville-Buncombe Technical Community College to lease any or all of the Enka Center by private negotiations. The terms and conditions of the lease may include rental at less than fair market value and the duration of the lease shall not exceed five years. Any lease entered into under this provision shall not require prior approval by the State Board of Community Colleges.

The bill also authorizes the Board to use the proceeds of leases pursuant to this act for Plant Fund and Current Expenses budget items and for operating costs of programs at the Enka Center.

This act is effective when it becomes law.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: State Board of Community Colleges, Buncombe County, Asheville-Buncombe Technical Community College

EFFECTIVE DATE: The act is effective when it becomes law.

BILL SUMMARY:
The bill authorizes Asheville - Buncombe Technical Community College to lease certain property by private negotiation and allows the flexible use of lease proceeds.

BACKGROUND:
The Asheville - Buncombe Technical Community College Enka Center is the former corporate headquarters for BASF. The Enka Center includes 36.64 acres of land and three buildings with 220,000 square feet of space. The college plans to lease one building to BASF for its research and development program. A second building will be used to begin a Small Business Incubator program in cooperation with the Asheville Area Chamber of Commerce and the Buncombe County Economic Development Commission. The third building may be used as a Corporate Technology Training and Conference Center in conjunction with Western Carolina University.

ASSUMPTIONS AND METHODOLOGY:
The College estimates that it will take $5.1 million to renovate and equip the Enka Center for operation. These funds will come from a combination of state, federal and local grants as well as funding from the proposed higher education bond that is before the voters this fall. As for annual maintenance and operating costs of these facilities, no estimate is currently available. G.S. 115D-

32 requires counties to pay for the plant operation and maintenance and support services of community college facilities. This includes such costs as janitorial services, utilities, grounds maintenance, building repairs, and insurance. By authorizing lease payments for the Enka Center, SB 1474 will produce annual revenue for the College for these operating expenses. The more revenue the College raises from lease income, the less dependent it will be on appropriations from Buncombe County. Greater dependence on leases or user fees reduces the pressure on Buncombe County Commissioners to raise property taxes to fund annual operating needs.

TECHNICAL CONSIDERATIONS:
G.S. 115D-15 gives the State Board of Community Colleges the power to approve the sale, exchange or lease of property. This bill denies the State Board the right to prior approval for leases at the Enka Center at Asheville - Buncombe Technical Community College. The bill might be amended to at least require Asheville - Buncombe Technical Community College to annually report to the State Board a list of leases agreed to in the previous year.

G.S. 115D-15 also directs community colleges to use the proceeds of a property transaction for capital outlay purposes, but this bill allows the funds to be used for current operating expenses at the Enka Center. While not the norm in operating procedure for the community college system, it does give Asheville - Buncombe Technical Community College operating funds to maintain a large physical plant at the Enka Center.

A BILL TO BE ENTITLED

AN ACT TO UPDATE THE REFERENCE TO THE INTERNAL REVENUE CODE USED IN DEFINING AND DETERMINING CERTAIN STATE TAX PROVISIONS, TO CONFORM TO FEDERAL LAW REGARDING DEADLINES FOR PAYMENTS OF CERTAIN ESTIMATED INCOME TAXES, AND TO CLARIFY THE SALES FACTOR FOR DETERMINATION OF STATE CORPORATE INCOME AND FRANCHISE TAX.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-228.90(b)(1a) reads as rewritten:

"(b) Definitions. -- The following definitions apply in this Article:

. . .

(1a) Code. -- The Internal Revenue Code as enacted as of ~~June 1, 1999~~, January 1, 2000, including any provisions enacted as of that date which become effective either before or after that date."

Section 2. G.S. 105-163.15(i) reads as rewritten:

"(i) Notwithstanding ~~the other provisions~~ subsections (c), (d), (e), and (h) of this section, an individual who is a farmer or fisherman for a taxable year is subject to the provisions of this subsection.

(1) One installment. -- The individual is required to make only one installment payment of tax for that taxable year. This installment is due on or before January 15 of the following taxable ~~year but may be paid without penalty or interest on or~~

~~before March 1 of that~~ year. The amount of the installment payment ~~shall~~ must be the lesser of:

~~(1)~~ a. Sixty-six and two-thirds percent (66 2/3%) of the tax shown on the return for the taxable year, or, if no return is filed, sixty-six and two-thirds percent (66 2/3%) of the tax for that year; or

~~(2)~~ b. One hundred percent (100%) of the tax shown on the return of the individual for the preceding taxable year, if the preceding taxable year was a taxable year of 12 months and the individual filed a return for that year.

(2) Exception. -- If, on or before March 1 of the following taxable year, the taxpayer files a return for the taxable year and pays in full the amount computed on the return as payable, no addition to tax is imposed under subsection (a) of this section with respect to any underpayment of the required installment for the taxable year.

(3) Eligibility. -- An individual is a farmer or fisherman for any taxable year if the individual's gross income from farming or fishing, including oyster farming, for the taxable year is at least sixty-six and two-thirds percent (66 2/3%) of the total gross income from all sources for the taxable year, or the individual's gross income from farming or fishing, including oyster farming, shown on the return of the individual for the preceding taxable year is at least sixty-six and two-thirds percent (66 2/3%) of the total gross income from all sources shown on the return."

Section 3. G.S. 105-130.4(a)(7) reads as rewritten:

"(a) As used in this section, unless the context otherwise requires:

...

(7) "Sales" means all gross receipts of the corporation except ~~receipts~~ for the following receipts:

a. Receipts from ~~any~~ a casual sale of ~~property and except receipts~~ property.

b. Receipts allocated under subsections (c) through (h) of this section.

c. Receipts exempt from taxation.

d. The portion of receipts realized from the sale or maturity of securities or other obligations that represents a return of principal."

Section 4. Notwithstanding Section 1 of this bill, any amendments to the Internal Revenue Code enacted in 1999 that increase North Carolina taxable income for the 1999 taxable year become effective for taxable years beginning on or after January 1, 2000.

Section 5. This act is effective when it becomes law.

"(b) Definitions. -- The following definitions apply in this Article:

. . .

(1a) Code. -- The Internal Revenue Code as enacted as of ~~June 1, 1999~~, January 1, 2000, including any provisions enacted as of that date which become effective either before or after that date."

Section 2. G.S. 105-163.1(11b) reads as rewritten:

"(11b) **(Effective January 1, 2001)** Pension payment. -- A periodic payment or a nonperiodic distribution ~~that is not an eligible rollover distribution,~~ as those terms are defined in section 3405 of the Code."

Section 3. G.S. 105-163.2A(d) reads as rewritten:

"(d) Election of No Withholding. -- The recipient may elect not to have taxes withheld under this ~~section.~~ section to the extent permitted by section 3405 of the Code. The election must be in the form required by the Secretary. In the case of periodic payments, the election remains in effect until revoked by the recipient. In the case of a nonperiodic distribution, the election applies on a distribution-by-distribution basis unless it meets conditions prescribed by the Secretary for it to apply to subsequent nonperiodic distributions by the pension payer.

A pension payer must notify each recipient of the right to elect not to have taxes withheld under this section. The notice must comply with the requirements of section 3405 of the Code and any additional requirements prescribed by the Secretary.

A recipient's election not to have taxes withheld under this section is void if the recipient fails to furnish the recipient's tax identification number to the pension payer, or the Secretary has notified the pension payer that the tax identification number furnished by the recipient is incorrect."

Section 4. G.S. 105-163.15(i) reads as rewritten:

"(i) Notwithstanding ~~the other provisions~~ subsections (c), (d), (e), and (h) of this section, an individual who is a farmer or fisherman for a taxable year is subject to the provisions of this subsection.

(1) One installment. -- The individual is required to make only one installment payment of tax for that taxable year. This installment is due on or before January 15 of the following taxable ~~year but may be paid without penalty or interest on or before March 1 of that~~ year. The amount of the installment payment ~~shall~~ must be the lesser of:

~~(1)~~ a. Sixty-six and two-thirds percent (66 2/3%) of the tax shown on the return for the taxable year, or, if no return is filed, sixty-six and two-thirds percent (66 2/3%) of the tax for that year; or

~~(2)~~ b. One hundred percent (100%) of the tax shown on the return of the individual for the preceding taxable year, if the preceding taxable year was a taxable year of 12 months and the individual filed a return for that year.

(2) Exception. -- If, on or before March 1 of the following taxable year, the taxpayer files a return for the taxable year and pays in full the amount computed on the return as payable, no addition to tax is imposed under subsection (a) of this section with respect to any underpayment of the required installment for the taxable year.

(3) Eligibility. -- An individual is a farmer or fisherman for any taxable year if the individual's gross income from farming or fishing, including oyster farming, for the taxable year is at least sixty-six and two-thirds percent (66 2/3%) of the total gross

income from all sources for the taxable year, or the individual's gross income from farming or fishing, including oyster farming, shown on the return of the individual for the preceding taxable year is at least sixty-six and two-thirds percent (66 2/3%) of the total gross income from all sources shown on the return."

Section 5. G.S. 105-130.4(a)(7) reads as rewritten:

"(a) As used in this section, unless the context otherwise requires:

. . .

(7) "Sales" means all gross receipts of the corporation except ~~receipts~~ for the following receipts:

a. Receipts from ~~any~~ a casual sale of ~~property and except receipts~~ property.

b. Receipts allocated under subsections (c) through (h) of this section.

c. Receipts exempt from taxation.

d. The portion of receipts realized from the sale or maturity of securities or other obligations that represents a return of principal."

Section 6. G.S. 105A-13 reads as rewritten:

"**§ 105A-13. Collection assistance fees.**

(a) State Setoff. -- To recover the costs incurred by the Department in collecting debts under this Chapter, a collection assistance fee of no more than fifteen dollars ($15.00) is imposed on each debt collected through setoff. The Department must collect this fee as part of the debt and retain it. The Department must set the amount of the collection assistance fee based on its actual cost of collection under this Chapter for the immediately preceding year. If the Department is able to collect only part of a debt through setoff, the collection assistance fee has priority over the remainder of the debt. The collection assistance fee shall not be added to child support debts or collected as part of child support debts. Instead, the Department shall retain from collections under Division II of Article 4 of Chapter 105 of the General Statutes the cost of collecting child support debts under this Chapter.

(b) Federal Setoff. -- A collection assistance fee of fifteen dollars ($15.00) applies to a setoff made by the United States Department of the Treasury to recover tax owed to North Carolina. The Department of Revenue must add the fee to the amount of the tax liability submitted to the United States Department of the Treasury for setoff. If a federal setoff covers only part of the tax due, the collection assistance fee has priority over the tax due."

Section 7. Notwithstanding Section 1 of this bill, any amendments to the Internal Revenue Code enacted in 1999 that increase North Carolina taxable income for the 1999 taxable year become effective for taxable years beginning on or after January 1, 2000.

Section 8. Sections 2 and 3 of this act become effective January 1, 2001. The remainder of this act is effective when it becomes law.

HOUSE BILL 1559:
Conform with Federal Law

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Rep. Luebke
Date:	June 21, 2000	***Recommended by Revenue Laws***	
Version:	PCS for 1st Edition	**Summary by:**	Cindy Avrette Committee Counsel

SUMMARY: ***House Bill 1559 is a recommendation of the Revenue Laws Study Commission. It makes three tax law changes:***

- ***It rewrites the definition of the Internal Revenue Code used in the State tax statutes to change the reference date from June 1, 1999, to January 1, 2000. Updating the Internal Revenue Code reference makes recent amendments to the Code applicable to the State to the extent that State tax law previously tracked federal law. (Sections 1 and 7)***
- ***It returns the withholding law for farmers and fishers to conformity with federal law, correcting an inadvertent change made in 1985. Federal law forgives the penalty for farmers' and fishers' late payment of estimated taxes if the final return is filed, with taxes paid in full, by March 1 following the end of the taxable year. (Section 4)***
- ***It amends the definition of "sales" for purposes of the apportionment formula to clarify that the receipts of a multi-state corporation should only include the net gain realized from the sale or maturity of securities, not the rolled over capital or return of principal and not receipts otherwise exempt from tax. (Section 5)***

The proposed committee substitute adds two provisions to the bill:

- ***It incorporates the provisions of Senate Bill 1309, Pension Tax Withholding, which was also recommended by the Revenue Laws Study Committee. It requires withholding of State income taxes on an eligible rollover distribution to the extent permitted under federal law. This section would become effective January 1, 2001. (Sections 2 and 3)***
- ***It enables the Department of Revenue to collect delinquent tax debts owed to the State through the Treasury Offset Program by providing for the imposition of a collection assistance fee. (Section 6)***

UPDATE IRC REFERENCE: Since the General Assembly updated the State's reference to the Internal Revenue Code to June 1, 1999, Congress has enacted Public Law 106-107, the Tax Relief Extension Act of 1999. The Act extends several expired and expiring tax provisions, some of which affect federal taxable income. Since the computation of State taxable income begins with federal taxable income, any changes to federal taxable income affect State taxable income.

Section 1 of **House Bill 1559** rewrites the definition of the Internal Revenue Code to change the reference date from June 1, 1999, to January 1, 2000. Section 7 of **House Bill 1559** provides that the federal tax law changes that could increase an individual's or a corporation's North Carolina taxable income for the 1999 tax year will not become effective for the 1999 tax year but will instead apply only to taxable years beginning on or after January 1, 2000. Under Section 16 of Article 1 of the North Carolina Constitution, the legislature cannot pass a law that will retroactively increase the tax liability of any taxpayer. There are a few provisions in the federal tax law changes that could increase taxable income for the 1999 tax

year. Because this act could not be ratified until after the 2000 Session of the 1999 General Assembly convened, these changes were given a delayed effective date. A summary of the provisions of th Tax Relief Extension Act that may affect State taxable income is attached to this explanation.

Since the State corporate income tax was changed to a percentage of federal taxable income in 1967, the reference date to the Internal Revenue Code has been updated periodically. In discussing bills to update the Code reference, the question frequently arises as to why the statutes refer to the Code on a particular date instead of referring to the Code and any future amendments to it, thereby eliminating the necessity of bills like this one. The answer to the question lies in both a policy decision and a potential legal restraint.

First, the policy reason for specifying a particular date is that, in light of the many changes made in federal tax law from year to year, the State may not want to adopt automatically federal changes, particularly when these changes result in large revenue losses. By pinning references to the Code to a certain date, the State ensures that it can examine any federal changes before making the changes effective for the State.

Secondly, and more importantly, however, the North Carolina Constitution imposes an obstacle to a statute that automatically adopts any changes in federal tax law. Article V, Section 2(1) of the Constitution provides in pertinent part that the "power of taxation ... shall never be surrendered, suspended, or contracted away." Relying on this provision, the North Carolina court decisions on delegation of legislative power to administrative agencies, and an analysis of the few federal cases on this issue, the Attorney General's Office concluded in a memorandum issued in 1977 to the Director of the Tax Research Division of the Department of Revenue that a "statute which adopts by reference future amendments to the Internal Revenue Code would ... be invalidated as an unconstitutional delegation of legislative power.

In 1997, the Revenue Laws Study Committee explored the possibility of legislation that would automatically adopt federal changes to the Code each year, with legislative review and approval required in the succeeding legislative session. It was hoped that this approach would avoid the practical difficulties that occur when Code changes go into effect many months before the General Assembly has a chance to pass legislation adopting the changes. The Attorney General's Office reviewed the relevant case law in this State and other states before concluding that this approach would be unlikely to withstand a constitutional challenge.

CONFORM PENSION TAX WITHHOLDING: Under federal law, withholding is required on pensions, annuities, and certain deferred income, including IRAs, unless the taxpayer makes an election not to have the tax withheld. There is one exception to this rule: withholding is required on an eligible rollover distribution[1], and a taxpayer may not elect not to have the tax withheld.

In 1999, the General Assembly passed House Bill 1466 (S.L. 1999-414) which tracks part of the federal law. Under current State tax law, a pension payer must withhold State income tax on a pension payment, other than an eligible rollover distribution, if the pension payer was withholding federal income tax on the payment. As under federal law, a recipient of a pension payment that is not an eligible rollover distribution may elect not to have tax withheld from the pension payment. Unlike federal law, S.L. 1999-414 does not require that tax be withheld from an eligible rollover distribution.

[1] For practical purposes, an eligible rollover distribution is a distribution from a pension plan before retirement that is includable in gross income and that is not a payment required under federal law (such as a death benefit). The payment must be eligible for rollover into another 401(k) or IRA. Generally, an eligible rollover distribution occurs when an individual changes jobs.

Sections 2 and 3 of this bill would require that North Carolina tax be withheld on eligible rollover distributions to the same extent as required under federal law. The effect of this change would be to conform North Carolina law to federal law in this regard.

CONFORM ESTIMATED TAX DEADLINE: Section 2 corrects an inadvertent change made in 1985 by conforming the State's estimated tax deadline for farmers and fishers with the federal deadline. Federal law forgives the penalty for farmers and fishers late payment of estimated taxes if the final return is filed, with taxes paid in full, by March 1 following the end of the taxable year. Current law erroneously bases the forgiveness on March 1 payment of estimated tax.

Prior to 1985, the federal and State tax law requirements to pay estimated tax and the imposition of the underpayment penalty were contained in different statutes. In 1984, federal law was rewritten to consolidate several Code sections regarding the payment of estimated tax into one Code section. In 1985, North Carolina enacted similar legislation consolidating the State statutes into one statute. The bill was entitled "AN ACT TO CONFORM PAYMENTS OF NORTH CAROLINA ESTIMATED TAX PENALTIES FOR INDIVIUDUALS TO FEDERAL ESTIMATED TAX PAYMENT PENALTIES." The exceptions were intended to remain the same and the Department of Revenue has administered those exceptions in that manner since the legislation was enacted

CLARIFY SALES FACTOR: A multi-state corporation that has income from business activity which is taxable in more than one state must allocate and apportion a percentage of its income to this State for purposes of the State's corporate income and franchise tax law. An excluded corporation apportions its income to the State by multiplying its income by the sales factor. An excluded corporation is a corporation engaged in business as a building or construction contractor, a securities dealer, a loan company or a corporation which receives more than 50% of its ordinary gross income from investments or dealings in intangible property. The sales factor is a fraction, the numerator of which is the total sales of the corporation in this State during the income year and the denominator of which is the total sales of the corporation everywhere during the income year.

The definition of "sales" is the gross receipts of the corporation except for receipts from a casual sale of property and receipts otherwise allocated by statute, such as rents, royalties, sales of real property, interest, and net dividends. Section 3 further clarifies the definition of "sales" by excluding from gross receipts the following:

- Receipts exempt from taxation.
- The portion of receipts realized from the sale or maturity of securities or other obligations that represents a return of principal.

To include these receipts in the gross amount would distort the sales fraction. For example, it is not unusual for working capital to be turned over repeatedly by investing in short term securities. When the receipts include both principal and interest, the principal may be included in the denominator several times. When the denominator is inflated, the fraction is diluted and it can not accurately reflect the true net earnings of the corporation in North Carolina. This part of **House Bill 1559** clarifies that only the net gain from the sale or maturity of securities should be included in the sales factor, not the rolled over capital or return of principal and not receipts otherwise exempt from taxation.

TREASURY OFFSET PROGRAM: The Department of Revenue may collect delinquent tax debts owed to the State through the Treasury Offset Program. To participate in the program, the State must pay a fee of $9.65 to the Treasury Offset Program, send a certified letter to the taxpayer at a cost of $3.01, plus incur other incidental expenses. Section 7 enables the Department to impose a $15.00 collection assistance fee on each tax debt collected through the Treasury Offset Program. The State also imposes a collection assistance fee on debts collected through the State debt setoff collection act. The amount of that fee cannot exceed $15.00. The collection assistance fee is added to the amount of the tax liability submitted to the United State Department of the Treasury for setoff. As under the State setoff debt collection act, the collection assistance fee has priority over the debt setoff. Therefore, if the federal setoff covers only part of the tax due, the collection assistance fee has priority over the tax due.

Provisions of Federal Tax Relief Extension Act That may affect State Taxable Income

Individual Income Tax

- **Extend Exclusion for Employer-Provided Educational Assistance.** Section 127 of the Code provides an exclusion from gross income of up to $5,250 annually for employer-provided educational assistance for undergraduate courses. The exclusion would have expired with respect to courses beginning or after June 1, 2000. Public Law 106-107 extends the exclusion with respect to courses beginning before January 1, 2002.
- **Denial of Charitable Contribution Deduction for Transfers Associated with Split-Dollar Insurance Arrangements.** Clarifies that no charitable contribution deduction is allowed for a transfer to or for the benefit of a charitable organization if, in connection with the transfer, the organization directly or indirectly pays any premium on any personal benefit contract with respect to the transferor. A personal benefit contract is a life insurance, annuity, or endowment contract. The clarification of this provision does not infer that a charitable split-dollar insurance arrangement was allowed under prior law. It does not apply to a person that benefits exclusively under a bona fide charitable gift annuity within the meaning of the Code.

Individual and Corporate Income Tax

- **Extension of the Work Opportunity Tax Credit and the Welfare-to-Work Tax Credit.** Public Law 106-107 provides a 30-month extension of these two credits. They would have expired for wages paid or incurred to a qualified individual who began work for an employer before July 1, 1999. To the extent an employer claims the federal credit, the employer must reduce its federal deduction for wages by the amount of the credit. Since North Carolina does not have comparable credits, it allows a taxpayer who claims the federal credits to claim a deduction from federal taxable income for the amount by which the employer's deduction for wages was reduced.
- **Extend Expensing of Environmental Remediation Expenditures.** Taxpayers may elect to treat certain environmental remediation expenditures that would otherwise be chargeable to capital account as deductible in the year paid or incurred. Eligible expenditures are those paid or incurred before January 1, 2002, as opposed to January 1, 2001.
- **Federal Production Payments to Farmers.** A taxpayer generally is required to include an item in income no later than the time of its actual or constructive receipt. If a taxpayer has an unrestricted right to demand the payment of an amount, the taxpayer is in constructive receipt of that amount whether or not the taxpayer makes the demand and actually receives the payment. Public Law 106-107 provides that an option to accelerate the receipt of a payment under a production flexibility contract will not accelerate the recognition of income. The contract payments are to be included in gross income in the year they are actually received. A production flexibility contract is between the Secretary of Agriculture and farmers. The contracts generally cover crop years 1996 through 2002.

- **Prohibition on Use of the Installment Method by Accrual Method Taxpayers.** An accrual method taxpayer is generally required to recognize income when all the events have occurred that fix the right to the receipt of the income and the amount of the income can be determined with reasonable accuracy. Prior to the enactment of Public Law 106-107, the installment method of accounting provided an exception to this general principle of income recognition. The installment method of accounting allows a taxpayer to defer the recognition of income from the disposition of certain property until payment is received, regardless of whether the taxpayer uses the cash method or accrual method of accounting. Public Law 106-107 generally prohibits the use of the installment method of accounting for dispositions of property that would otherwise be reported for Federal income tax purposes using an accrual method of accounting. It retains the present law regarding the availability of the installment method for dispositions of property used or produced in the trade or business of farming and for dispositions of timeshares or residential lots if the taxpayer elects to pay interest under section 453(l). It does not change the ability of a cash method taxpayer to use the installment method.
- **Clarify the Tax Treatment of Income and Losses on Derivatives.** Three categories have been added to the list of assets the gain or loss on which is treated as ordinary income, as opposed to a capital gain or loss. The new categories are: commodities derivatives held by commodities derivatives dealers; hedging transactions; and supplies of a type regularly consumed by the taxpayer in the ordinary course of the taxpayer's trade or business.
- **Limit Conversion of Character of Income from Constructive Ownership Transactions.** Public Law 106-107 limits the amount of long-term capital gains a taxpayer can recognize from derivative transactions with respect to certain pass-through entities to the amount of gain the taxpayer would have had if the taxpayer owned a direct interest in the pass-through entity during the term of the derivative contract.
- **Treatment of Excess Pension Assets used for Retiree Health Benefits.** The period of time permitting qualified transfers of excess defined benefit pension plan assets to retiree health benefits accounts under section 401(h) has been extended to include transfers that take place prior to January 1, 2006. It would have expired on December 31, 2000.

Corporate Income Tax

- **Distributions by a Partnership to a Corporate Partner of Stock in Another Corporation.** Public Law 106-107 allows a basis reduction to assets of a corporation if stock in that corporation is distributed by a partnership to a corporate partner. The reduction applies if, after the distribution, the corporate partner controls the distributed corporation.
- **Extend Exceptions under Subpart F for Active Financing Income.** A foreign corporation is a "Controlled Foreign Corporation" if more than 50% of its outstanding voting stock, or more than 50% of the value of all its outstanding stock, is owned by US shareholders. A "US shareholder" is a US person who owns 10% or more of the foreign corporation's total combined voting stock.

  In general, the foreign-source income of a foreign corporation is not taxable to its US shareholders until it is distributed to them. Recognizing that income could be accumulated in a CFC, thus deferring US tax on this income indefinitely, Congress enacted the subpart F provisions of the Code in 1962. These provisions require certain items of income to be treated as deemed paid to US shareholders and, therefore, subject to US taxation. The income subject to current inclusion under the subpart F rules includes foreign personal holding company income, insurance income, and foreign

base company services income. Examples of foreign personal holding company income include dividends, rents, royalties, annuities, net gains from commodity transactions, net gains from foreign currency transactions, and payments in lieu of dividends. Insurance income subject to inclusion under the subpart F rules includes any income of a CFC attributable to the issuing or reinsuring of any insurance or annuity contract in connection with risks located in a country other than the CFC's country of organization. Foreign base company services income is income derived from services performed for a related person outside the country in which the CFC is organized.

Temporary exceptions from foreign personal holding company income, foreign base company services income, and insurance income apply for subpart F purposes for certain income that is derived in the active conduct of a banking, financing, or similar business, or in the conduct of an insurance business. These exceptions were set to expire on December 31, 1999. Public Law 106-107 extended these exceptions for two years.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue

EFFECTIVE DATE: The act is effective when it becomes law.

BILL SUMMARY: Section one of the bill updates the reference to the Internal Revenue Code used in state tax provisions from June 1, 1999, to January 1, 2000. Section two conforms state statutes with federal law regarding deadlines for payments of certain estimated income taxes. Section three clarifies in the corporate apportionment formula that receipts of a multistate corporation should only include the net gain realized from the sale or maturity of securities, not the rolled over capital or return of principal.

ASSUMPTIONS AND METHODOLOGY:

Conform Estimated Tax Deadline

There is no fiscal impact of this section because it codifies the administrative practice of the Department of Revenue. This section recognizes the federal forgiveness of penalties for late

payment of estimated taxes by farmers and fishermen if the final return is filed, with taxes paid in full, by March 1 following the end of the taxable year. Even though the state law has been out of conformity with the federal law since 1985, state administrators and tax preparers have been following the federal law.

Clarify Sales Factor

There is no fiscal impact of this section because it codifies the administrative practice of the Department of Revenue. The Department believes that "gross receipts for the purpose of computing the sales factor should only include net gain, and not the rolled over capital or return of principal, realized from the sale or maturity of securities." A New York securities firm has filed a protest of this departmental interpretation. The North Carolina Attorney General ruled in favor of the Department on a similar issue in 1983, but has not issued an official opinion on this exact topic. While passage of this section has no fiscal impact, failure to approve this measure and clarify the sales factor in the statute, puts the state at risk of losing a minimum of $3 million a year. This estimate is based on a limited review of audit cases and protests by the Department of Revenue's Corporate, Excise and Insurance Tax Division.

IRC Update

Since North Carolina individual and corporate income tax tracks the federal income tax law, it is necessary each year to update state statutory references to the Internal Revenue Code (I.R.C.). President Clinton signed the Tax Relief Extension Act of 1999 into law on December 17, 1999. Department of Revenue officials and legislative staff have determined that some of the provisions in this act have an impact on the state's tax laws. The attached chart shows the fiscal impact of the bill based on estimates by the Congressional Joint Committee on Taxation. The North Carolina percentage of the national estimate is based on actual tax collections. The national estimates are further adjusted for the state fiscal year. Section 4 clarifies that any changes that increase North Carolina taxable income for 1999 taxable year become effective for taxable years beginning on or after January 1, 2000.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE CHEROKEE, GRAHAM, HAYWOOD, JACKSON, MADISON, POLK, AND SWAIN COUNTIES TO REQUIRE THE PAYMENT OF DELINQUENT PROPERTY TAXES BEFORE RECORDING DEEDS CONVEYING PROPERTY.

The General Assembly of North Carolina enacts:

Section 1. Article 2 of Chapter 161 of the General Statutes is amended by adding a new section to read:

"**§ 161-31. Tax certification.**

The board of commissioners of a county may, by resolution, require the register of deeds not to accept any deed for registration unless the county tax collector has certified that no delinquent ad valorem county taxes, ad valorem municipal taxes, or taxes with which the collector is charged are a lien on the property described in the deed."

Section 2. This act applies only to Cherokee, Graham, Haywood, Jackson, Madison, Polk, and Swain Counties.

Section 3. This act is effective when it becomes law.

HOUSE BILL 677:
Certain Counties Delinquent Taxes

BILL ANALYSIS

Committee: Senate Finance
Date: June 19, 2000
Version: 3rd Edition

Introduced by: Rep. Haire
Summary by: Martha K. Walston
Committee Counsel

SUMMARY: ***House Bill 677 is a local bill that authorizes the Counties of Cherokee, Graham, Haywood, Jackson, Polk, and Swain to require the payment of delinquent property taxes before a deed conveying property can be recorded. The bill has been reviewed in House Local Government II and House Rules. The bill was received from the House on April 29, 1999. House Bill 677 is effective when it becomes law.***

BILL ANALYSIS: House Bill 677 authorizes the boards of commissioners of the Counties of Cherokee, Graham, Haywood, Jackson, Madison, Polk, and Swain to pass a resolution requiring the register of deeds in each of these counties to refuse to accept any deed for registration if there are delinquent property taxes owing on the property described in the deed or if there are any taxes that are a lien on the property. The county tax collector must first certify that there are no delinquent taxes.

BACKGROUND: S.L. 1993-657 requires payment of delinquent taxes in Ashe County before recording deeds.

S.L 1987-537 authorizes Mitchell County to direct its register of deeds not to record any deed unless the county tax collector certifies that all delinquent county and municipal taxes have been paid with respect to the property described in the deed. If the deed describes property located in the Town of Spruce Pine, then the deed must be accompanied by a certificate from the tax collector of that Town stating that all municipal taxes with respect to the property have been paid.

S.L. 1999-326 adds the Town of Bakersville to the certification requirement.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE INCENTIVES FOR DEVELOPMENT OF THE FILM INDUSTRY IN NORTH CAROLINA.

The General Assembly of North Carolina enacts:

Section 1. Part 2 of Article 10 of Chapter 143B of the General Statutes is amended by adding a new section to read:

"**§ 143B-434.3. Film Industry Development Account.**

(a) Creation and Purpose of Account. -- There is created in the Department of Commerce, Division of Travel and Tourism, the Film Industry Development Account to provide annual grants as incentives to production companies that engage in production activities in this State. The Division of Travel and Tourism shall administer this program in accordance with the following provisions:

(1) To be eligible for a grant, a production company must engage in production activities in this State.

(2) A grant may not exceed fifteen percent (15%) of the amount the production company spends for goods and services in this State during the calendar year.

(3) A grant may not exceed two hundred thousand dollars ($200,000) per production.

(b) Production Company Defined. -- As used in this section, the term 'production company' has the meaning provided in G.S. 105-164.3.

(c) Reports. -- The Department of Commerce shall report annually to the General Assembly concerning the applications made to the account, the payments made from the account, and the effect of the payments on job creation in the State. The

Department of Commerce shall also report quarterly to the Joint Legislative Commission on Governmental Operations and the Fiscal Research Division on the use of the moneys in the account, including information regarding to whom payments were made and in what amounts."

Section 2. There is appropriated from the General Fund to the Department of Commerce, Division of Travel and Tourism, the sum of five million dollars ($5,000,000) for the 2000-2001 fiscal year, for the Film Industry Development Account created in this act. It is the intent of the General Assembly to appropriate to the Film Industry Development Account the sum of five million dollars ($5,000,000) in each fiscal year of the 2001-2003 fiscal biennium.

Section 3. G.S. 143-341(4) is amended by adding a new sub-subdivision to read:

"**§ 143-341. Powers and duties of Department.**

The Department of Administration has the following powers and duties:

. . .

(4) Real Property Control:

. . .

o. To provide that no fee, other than reimbursement of actual costs incurred and actual revenues lost by the State, shall be charged when State buildings are made available to a production company for a production. As used in this subdivision, the term 'production company' has the meaning provided in G.S. 105-164.3.

. . . ."

Section 4. Article 10 of Chapter 143 of the General Statutes is amended by adding a new section to read:

"**§ 143-162.2. Use of public property by production companies.**

If a State agency makes real property available to a production company for a production, it shall not charge any fee other than reimbursement of actual costs incurred and actual revenues lost by the agency. As used in this subdivision, the term 'production company' has the meaning provided in G.S. 105-164.3. This section does not require a State agency to make real property available to a production company for a production."

Section 5. G.S. 105-164.3 is amended by adding a new subdivision to read:

"(11c) 'Production company' means a person engaged in the business of making original motion picture, television, or radio images for theatrical, commercial, advertising, or educational purposes."

Section 6. G.S. 105-164.13(22a) reads as rewritten:

"(22a) Sales of audiovisual masters made or used by a production company in making visual and audio images for first generation reproduction. For the purpose of this subdivision, an "audiovisual master" is an audio or video film, tape, or disk or another audio or video storage device from which all other

copies are made. ~~For the purpose of this subdivision, a production company is a person engaged in the business of making motion picture, television, or radio images for theatrical, commercial, advertising, or educational purposes.~~"

Section 7. G.S. 105-164.14 is amended by adding a new subsection to read:

"(j) Production Companies. -- A production company is allowed an annual refund of part of the State sales tax it pays under G.S. 105-164.4(a)(3) on the rental of transient accommodations for occupancy by its employees. If an employee of the production company occupies a transient accommodation for a continuous period of more than 30 days but less than 90 days, the production company is allowed a refund of the State sales tax it paid on the rental for the entire rental period. Notwithstanding any other provision of law, the refund allowed in this subsection does not apply to general local sales and use taxes levied under Subchapter VIII of this Chapter, Chapter 1069 of the 1967 Session Laws, or any other local act.

A request for a refund must be in writing and must include any information and documentation required by the Secretary. A request for a refund is due within six months after the end of the State's fiscal year. Refunds applied for after the due date are barred."

Section 8. Sections 1 and 2 of this act become effective July 1, 2000. Section 7 of this act becomes effective October 1, 2000, and applies to taxes paid on or after that date. The remainder of this act is effective when it becomes law.

SENATE BILL 1460:
Film Industry Incentives

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Lee
Date:	June 17, 2000	**Summary by:**	Martha K. Walston
Version:	Proposed Committee Substitute		Committee Counsel

SUMMARY: ***Senate Bill 1460 creates the Film Industry Development Account within the Department of Commerce, Division of Travel and Tourism to provide annual grants as incentives to production companies that engage in production activities in the State. The grant may not exceed 15% of the amount the production company spends for goods and services in the State during a calendar year. The bill provides other economic and tax incentives to production companies. The proposed committee substitute differs from the original bill in that it removes the appropriation to the Department of Commerce, Division of Travel and Tourism, for the Film Industry Development Account. SB 1460 is similar to House Bill 1535 sponsored by Representative Owens.***

BILL ANALYSIS: Senate Bill 1460 provides the following economic and tax incentives to the film industry in the State:

- Creates the Film Industry Development Account within the Department of Commerce, Division of Travel and Tourism. This Account will provide annual grants to production companies that engage in production activities in the State. The grant may not exceed 15% of the amount the production company spends for goods and services in the State during a calendar year, and the grant may not exceed $200,000 per production. This part of the bill becomes effective July 1, 2000.
- Defines "production company" as a person engaged in the business of making original motion picture, television, or radio images for theatrical, commercial, advertising, or educational purposes. This part of the bill is effective when it becomes law.
- Requires the Department of Commerce to make annual reports to the General Assembly regarding the activities of the Film Industry Development Account, and to make quarterly reports to the Joint Legislative Commission on Governmental Operations and to the Fiscal Research Division on the use of the moneys in the Account. This part of the bill becomes effective July 1, 2000.
- Authorizes the Department of Administration to provide that a production company will only be charged reimbursement of actual costs incurred and actual revenues lost by the State, when State buildings are made available to a production company for a production. If any State agency makes real property available to a production company for production, the same limitations on fees apply. This part of the bill is effective when it becomes law.
- Allows a production company an annual refund of the State sales tax it pays on the rental of transient accommodations for occupancy of its employees. The refund of the State sales tax paid on the rental for the entire rental period is allowed if the employee occupies a transient accommodation for a continuous period of more than 30 days but less than 90 days. The request for refund must be in writing and is barred if applied for later than six months after the end of the State's fiscal year. This part of the bill becomes effective October 1, 2000, and applies to taxes paid on or after that date.

To: Finance Committee Chairs and Bill Sponsor
From: Muriel K. Offerman, Secretary of Revenue MKO
Date: June 21, 2000

Bill Summary

This bill establishes the Film Industry Development Account within the Department of Commerce, appropriates money to this new Account, limits the amount a State agency can charge a production company for use of State property, and adds another sales tax preference for production companies. The new sales tax preference is a refund of the State sales tax, but not the local sales tax, paid by a production company on accommodations rented to its employees for more than 30 but less than 90 days. The refund is effective for taxes paid on or after October 1, 2000.

Under current law, transient accommodations, such as hotel and motel accommodations, are not subject to sales tax if they are supplied to the same person for a period of 90 or more continuous days. The new refund proposed in this bill effectively shortens the 90-day requirement to 30 days for production companies.

Department Comments and Concerns

The Department has the following comments and concerns about the tax provisions of the bill:

(1) The sales tax refund proposed in this bill continues the trend begun in 1998 of allowing for-profit entities a refund of sales and use taxes. In 1998, the General Assembly enacted a sales tax refund for Nucor on building materials used in its facility. In 1999, the General Assembly enacted a sales tax refund for businesses that are eligible for Bill Lee Act credits and are located in Tier One or Tier Two counties. Generally, only certain nonprofit entities and governmental entities are allowed a sales and use tax refund.

(2) If enacted, this refund will be the only sales and use tax refund that applies to State taxes but not does apply to local taxes. This breaks new ground in both policy and administration. Since the enactment of local sales and use taxes, the policy has been to have the State refunds apply to the local taxes. This policy is set out in G.S. 105-467, which states that the State refund provisions contained in G.S. 105-164.14 apply to the local sales and use taxes.

The Department's administrative system is designed to provide a local refund when a State refund is allowed. This system would have to be changed to reflect this new State-only refund. In addition, the Department will need to develop new forms for implementing the refund provisions of this bill.

(3) The bill specifies that the tax must be paid by the production company. Therefore, the refund will not apply to taxes paid by the employees of production companies, even if the production company reimburses the employees. Under current law, an expense paid by an employee that is subsequently reimbursed by the employer is not considered to have been paid by the employer for purposes of sales and use tax refunds.

(4) It is not clear if an employee has to occupy the same transient accommodation for the required continuous period. If, for example, an employee stays at the Holiday Inn for 14 days and then switches to the Hampton Inn for the next 16 days, does this qualify? The Department requests direction in the legislation on this issue.

(5) The Department anticipates that taxpayers will be confused about the amount of refund they can claim and that, as a result, there will be errors on the refund claims that must be corrected. The errors will occur because the refund does not apply to local taxes or to local occupancy taxes. State and local sales taxes are not separately stated on invoices. A calculation must be made to separate the State tax from the local.

(6) The 1997 General Assembly enacted a sales tax preference for production companies. That preference is a State and local sales tax exemption for audiovisual masters made or used by a production company.

(7) On line 15 of page 3 of the bill draft, the Chapter number needs to be changed from 1069 to 1096.

SENATE BILL 1529:
Register of Deeds Fee Adjustments.

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Dalton
Date:	June 21, 2000	**Summary by:**	Karen Cochrane Brown
Version:	First Edition		Committee Co-Counsel

SUMMARY:

Senate Bill 1529 increases the fee for filing, recording and indexing a blank or master form mortgage or deed of trust from $5.00 to $50.00 for the first page plus $2.00 for each additional page. The bill also authorizes the register of deeds to collect a fee of $2.00 for providing access to the Vital Records Computer Network and to collect the actual cost of providing miscellaneous services such as faxing documents, laminating documents, or providing expedited delivery.

CURRENT LAW:

Under current law, a person, firm or corporation may file a blank or master form mortgage, deed of trust or other instrument conveying an interest in, or creating a lien on real and/or personal property. A subsequent deed, mortgage, deed of trust or other instrument may refer to the provisions, terms, covenants, conditions, obligations, or powers set forth in the blank or master form and state the office of recordation, and the reference shall be the equivalent of setting forth the provisions of the blank or master form in full. The register of deeds is authorized to charge a fee of five dollars for filing, recording, and indexing a blank or master form. This provision does not apply to the following counties:

Alleghany, Ashe, Avery, Beaufort, Bladen, Camden, Carteret, Chowan, Cleveland, Columbus, Dare, Gates, Granville, Guilford, Halifax, Iredell, Jackson, Martin, Moore, Perquimans, Sampson, Stanly, Swain, Transylvania, Vance, Washington, and Watauga.

BILL ANALYSIS:

This bill authorizes the register of deeds to charge an increased fee for filing, recording and indexing a blank or master form document. The increase is from five dollars for the entire document to fifty dollars for the first page plus two dollars for each additional page.

In addition, the bill amends the law relating to uniform fees charged by registers of deeds by adding two additional services. The register of deeds may collect a two-dollar fee for obtaining access to the Vital Records Computer Network, and may also collect the cost of providing miscellaneous services such as faxing, laminating and expediting delivery.

This act becomes effective October 1, 2000.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: County Governments

EFFECTIVE DATE: This act is effective October 1, 2000.

BILL SUMMARY: This bill amends G.S. 47-21 to authorize the county Registers of Deeds to adjust the fee for filing, recording, and indexing a blank or master form of mortgage, deed of trust, or other instrument conveying a lien on real or personal property. The legislation allows them to raise the fee for this service from $5 to $50 for the first page, and $2 for each additional page or fraction thereof. This legislation does not apply to the following counties:

Alleghany, Ashe, Avery, Beaufort, Bladen, Camden, Carteret, Chowan, Cleveland, Columbus, Dare, Gates, Granville, Guilford, Halifax, Iredell, Jackson, Martin, Moore, Perquimans, Sampson, Stanly, Swain, Transylvania, Vance, Washington, and Watauga.

The second portion of this legislation amends G.S. 161-10 (a) to authorize the county Register of Deeds to collect a $2 access fee to the Vital Records Network, and to collect the cost of providing miscellaneous services.

ASSUMPTIONS AND METHODOLOGY: G.S. 47-21 that authorizes the collection of fees for the filing of blank or master forms for mortgages, deeds of trust, and other property liens was

first authorized in 1935, and was amended in 1971 to the current $5 rate. However, the convention of filing on blank or master forms is very rarely utilized in North Carolina anymore. According to the North Carolina Association of Registers of Deeds, on average, ten of these master forms are recorded and filed per year across the state. Of those filed, the documents are an average of six pages. This fiscal note assumes a yearly filing of ten of these master forms that contain six pages each. Therefore, upon the passing of this bill, the gross revenue for all counties will be approximately **$550** from this portion of the bill.

The second portion of this bill authorizes county Registers of Deeds to collect a $2 fee for access to the Vital Records Network, and to collect the costs of providing miscellaneous services. Currently, a North Carolina resident may, for a $10 fee, obtain an official birth certificate duplicate by travelling to Vital Records in Raleigh or waiting 6-8 weeks for the duplicate to arrive via the mail request system. Of this $10, $5 is directed to the state general fund and $5 to the State Automation Fund. A Vital Records Network that would allow residents to obtain an official birth certificate from any county in the state has been designed, and is being implemented. This system would allow North Carolina residents to obtain an official birth certificate from the Register of Deeds in their county of residence, without physically going to Vital Records in Raleigh or waiting 6-8 weeks for the mail request system. The test pilot for this Vital Records Network is scheduled for implementation in Harnett County in August of this year.

Under current legislation, Registers of Deeds are only authorized to collect $8 for access to this Vital Records Network. Of this $8, $5 is directed to the State Automation Fund, and $3 is directed to the state general fund. This situation creates a $2 discrepancy between obtaining a birth certificate via the network, and obtaining a certificate by the conventional means of mail request or travelling to Raleigh. Upon the passing of this legislation, the fee for obtaining a birth certificate duplicate would be the same regardless of which method is used. There is currently no estimate of the number of North Carolinians who will utilize the Vital Records Network service or the number of counties that will participate, until the performance of the test pilot is evaluated. Therefore, no estimate of the fiscal impact of this portion of the bill is available at this time. Yet given the time and expense of travel to Raleigh from other cities, and the time involved in a mail request, the majority of Registers of Deeds in the state feel that a vast majority of residents will choose to utilize the service.

The second portion of this bill also allows the county Register of Deeds to collect the costs of providing miscellaneous services that vary across counties. This portion of the bill is permissive, and authorizes the Registers of Deeds to charge a fee for the actual expenses incurred from providing such services such as lamination, faxing, expedited delivery, etc.. This legislation merely allows county Registers of Deeds to recoup the costs of these services, and therefore has no fiscal impact.

Referred to:

May 18, 2000

A BILL TO BE ENTITLED

AN ACT TO IMPLEMENT THE RECOMMENDATION OF THE NATIONAL GOVERNORS' ASSOCIATION FOR A STREAMLINED SALES TAX COLLECTION SYSTEM AND TO OTHERWISE IMPROVE COLLECTION.

The General Assembly of North Carolina enacts:

Section 1. Article 5 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-164.27. Direct pay certificate.**

(a) Requirements. -- A person who purchases tangible personal property whose tax status cannot be determined at the time of the purchase because of one of the reasons listed below may apply to the Secretary for a direct pay certificate:

(1) The place of business where the property will be used is not known at the time of the purchase and a different tax consequence applies depending on where the property is used.

(2) The manner in which the property will be used is not known at the time of the purchase and one or more of the potential uses is taxable but others are not taxable.

(b) Procedure. -- An application for a direct pay certificate must be made on a form provided by the Secretary and contain the information required by the Secretary. The Secretary may grant the application if the Secretary finds that the applicant complies with the sales and use tax laws and that the applicant's compliance burden will be greatly reduced by use of the certificate.

(c) Effect. -- A direct pay certificate authorizes its holder to purchase any tangible personal property without paying tax to the seller and authorizes the seller to not collect any tax on a sale to the certificate holder. A person who purchases tangible personal property under a direct pay certificate is liable for use tax due on the purchase. The tax is payable when the property is placed in use. A direct pay certificate does not apply to taxes imposed under G.S. 105-164.4(a)(1f) or G.S. 105-164.4(a)(4a).

(d) Revocation. -- A direct pay certificate is valid until the holder returns it to the Secretary or it is revoked by the Secretary. The Secretary may revoke a direct pay certificate if the holder of the certificate does not file a sales and use tax return on time, does not pay sales and use on time, or otherwise fails to comply with the sales and use tax laws."

Section 2. Article 5 of Chapter 105 of the General Statutes is amended by adding the following new sections to read:

"**§ 105-164.43A. Certification of tax collector software and tax collector.**

(a) Software. -- The Secretary may certify a software program as a certified sales tax collection program if the Secretary determines that the program correctly determines all of the following and that the software can generate reports and returns required by the Secretary:

(1) The applicable combined State and local sales and use tax rate for a sale, based on a ship-to address.

(2) Whether or not an item is exempt from tax, based on a uniform product code or another method.

(3) Whether or not an exemption certificate offered by a purchaser is a valid certificate, based on the Department's registry of holders of exemption certificates.

(4) The amount of tax to be remitted for each taxpayer for a reporting period.

(5) Any other issue necessary for the application or calculation of sales and use tax due.

(b) Tax Collector. -- The Secretary may certify an entity as a Certified Sales Tax Collector if the entity meets all of the following requirements:

(1) The entity uses a certified sales tax collection program.

(2) The entity has agreed to update its program upon notification by the Secretary.

(3) The entity integrates its certified sales tax collection program with the system of a retailer for whom the entity collects tax so that the tax due on a sale is determined at the time of the sale.

(4) The entity remits the taxes it collects at the time and in the manner specified by the Secretary.

(5) The entity agrees to file sales and use tax returns on behalf of the retailers for whom it collects tax.

(6) The entity enters into a contract with the Secretary and agrees to comply with all the conditions of the contract.

"**§ 105-164.43B. Contract with Certified Sales Tax Collector.**

The Secretary may contract with a Certified Sales Tax Collector for the collection and remittance of sales and use taxes. The amount a Certified Sales Tax Collector charges under the contract is a cost of collecting the tax and is payable from the amount collected.

"**§ 105-164.43C. Effect of contract.**

(a) Retailer. -- A retailer may contract with a Certified Sales Tax Collector to collect and remit sales and use taxes payable to the State on sales made by the retailer. A retailer who contracts with a Certified Sales Tax Collector is not subject to audit by the State on the transactions it processes using the Collector's certified sales tax collection program. A retailer is subject to audit for transactions not processed by the Certified Sales Tax Collector.

The Department may review a retailer's procedures to determine if the certified sales tax collection program is functioning properly. A retailer who contracts with a Certified Sales Tax Collector is not liable for taxes due on sales processed using the program unless the retailer misrepresented the product it sells. A contract with a Certified Sales Tax Collector is not a factor in determining whether a person has nexus with this State for payment of any tax.

(b) Collector. -- A Certified Sales Tax Collector is the agent of a seller who contracts with the Certified Sales Tax Collector for collection and remittance of sales and use taxes payable to this State. As the seller's agent, the Certified Sales Tax Collector is liable for sales tax due on all sales transactions processed by the Certified Sales Tax Collector unless the seller misrepresented the type of property sold."

Section 3. G.S. 105-88(d) reads as rewritten:

"(d) A loan made by a person who does not comply with this section is not collectible at law ~~in the courts of this State in any case where the person making the loan has failed to pay the tax levied in this section or otherwise failed to comply with the provisions of this section.~~ under G.S. 105-269.13."

Section 4. G.S. 105-164.6A(b)(1) reads as rewritten:

"(b) Mandatory Provisions. -- The agreements must contain the following provisions:

(1) ~~The customer may elect to pay the use tax directly to the Secretary in accordance with law rather than to the seller.~~ The seller is not liable for use tax not paid to it by a customer."

Section 5. G.S. 105-164.13 is amended by adding a new subdivision to read:

"**§ 105-164.13. Retail sales and use tax.**

The sale at retail, the use, storage or consumption in this State of the following tangible personal property is specifically exempted from the tax imposed by this Article:

. . .

(16a) Tangible personal property sold to a person in the State but delivered to a person in another state."

. . . .

Section 6. G.S. 105-164.28 reads as rewritten:

"**§ 105-164.28. Certificate of resale.**

(a) Seller's Responsibility. -- A seller who accepts a certificate of resale from a purchaser of tangible personal property has the burden of proving that the sale was not a retail sale unless all of the following conditions are met:

(1) ~~The seller acted in good faith in accepting the certificate of resale.~~ For a sale made in person, the certificate is signed by the purchaser, states the purchaser's name, address, and registration number, and describes the type of tangible personal property generally sold by the purchaser in the regular course of business.

(2) ~~The certificate is in the form required by the Secretary.~~ For a sale made in person, the purchaser is engaged in the business of selling tangible personal property of the type sold.

(3) ~~The certificate is signed by the purchaser, states the purchaser's name, address, and registration number, and describes the type of tangible personal property generally sold by the purchaser in the regular course of business.~~ For a sale made over the Internet or by other remote means, the sales tax registration number given by the purchaser matches the number on the Department's registry.

~~(4) The purchaser is licensed under this Article or under the law of another taxing jurisdiction.~~

~~(5) The purchaser is engaged in the business of selling tangible personal property of the type sold.~~

(b) Liabilities. -- A purchaser who does not resell property purchased under a certificate of resale is liable for any tax subsequently determined to be due on the sale. A seller of property sold under a certificate of resale is jointly liable with the purchaser of the property for any tax subsequently determined to be due on the sale only if the Secretary proves that the sale was a retail sale."

Section 7. G.S. 105-236(5a) reads as rewritten:

"(5a) Misuse of Exemption ~~Certificate of Resale.~~ Certificate. -- For misuse of ~~a certificate of resale~~ an exemption certificate by a purchaser, the Secretary shall assess a penalty equal to two hundred fifty dollars ($250.00). An exemption certificate is a certificate issued by the Secretary that authorizes a retailer to sell tangible personal property to the holder of the certificate and either collect tax at a preferential rate or not collect tax on the sale. Examples of an exemption certificate include a certificate of resale, a direct pay certificate, and a farmer's certificate."

Section 8. G.S. 105-259(b) is amended by adding a new subdivision to read:

"(b) Disclosure Prohibited. -- An officer, an employee, or an agent of the State who has access to tax information in the course of service to or employment by the State may not disclose the information to any other person unless the disclosure is made for one of the following purposes:

. . .

(25) To provide public access to a database containing the names of retailers who are registered to collect sales and use taxes under Article 5 of this Chapter."

Section 9. Article 9 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-269.13. Debts not collectible under North Carolina law.**

(a) Debts Not Collectible. -- The following debts are not collectible and are not subject to execution under Article 28 of Chapter 1 of the General Statutes or any other provision of law:

(1) A loan made by a person who does not comply with G.S. 105-88.

(2) A debt owed to a retailer described in subsection (b) of this section as the result of the purchase of tangible personal property.

(b) Retailer. -- A debt owed to a retailer is subject to this section if all of the following applies to the retailer:

(1) The retailer meets one or more of the conditions in G.S. 105-164.8(b).

(2) The retailer is not registered to collect the use tax due under Article 5 of this Chapter on its sales delivered to an address in North Carolina.

(3) The retailer reported gross sales of at least five million dollars ($5,000,000) on its most recent federal income tax return."

Section 10. G.S. 105-269.14 is repealed.

Section 11. G.S. 105-164.16(d) reads as rewritten:

"(d) Use Tax on Out-of-State Purchases. -- ~~Use tax payable by~~ Notwithstanding subsection (b), an individual who purchases tangible personal property outside the State for a nonbusiness purpose ~~is due~~ shall file a use tax return on an annual basis. ~~For an individual who is not required to file an individual income tax return under Part 2 of Article 4 of this Chapter, the~~ The annual reporting period ends on the last day of the calendar ~~year and a use tax return is due by the following April 15. For an individual who is required to file an individual income tax return, the annual reporting period ends on the last day of the individual's income tax year, and the use tax must be paid on the income tax return as provided in G.S. 105-269.14.~~ year. The return is due by the due date, including any approved extensions, for filing the individual's income tax return."

Section 12. G.S. 105-466(c) reads as rewritten:

"(c) Collection of the tax, and liability therefor, shall begin and continue only on and after the first day of ~~a calendar month~~ the month of either January or July, as set by the board of county commissioners in the resolution levying the ~~tax,which shall in no case be~~ tax. In no event may the tax be imposed, or the tax rate changed, earlier than the first day of the second succeeding calendar month after the date of the adoption of the resolution. The county must give the Secretary at least 90 days advance notice of a new tax levy or tax rate change."

Section 13. Chapter 1096 of the 1967 Session Laws is amended by adding a new section to read:

"Section 10.3. Mecklenburg County must give the Secretary of Revenue at least 90 days advance notice of any tax rate change under this act. Any tax rate change under this act must become effective on the first day of the month of either January or July, as set by the board of county commissioners in the resolution levying the tax."

Section 14. G.S. 20-7(b1) reads as rewritten:

"(b1) Application. -- To obtain a drivers license from the Division, a person must complete an application form provided by the Division, present at least two forms of identification approved by the Commissioner, be a resident of this State, and demonstrate his or her physical and mental ability to drive safely a motor vehicle included in the class of license for which the person has applied. The Division may copy the identification presented or hold it for a brief period of time to verify its authenticity. To obtain an endorsement, a person must demonstrate his or her physical and mental ability to drive safely the type of motor vehicle for which the endorsement is required.

The application form must request all of the following ~~information:~~ information, and it must contain the disclosures concerning the request for an applicant's social security number required by section 7 of the federal Privacy Act of 1974, Pub. L. No. 93-579:

(1) The applicant's full name.
(2) The applicant's mailing address and residence address.
(3) A physical description of the applicant, including the applicant's sex, height, eye color, and hair color.
(4) The applicant's date of birth.
(5) The applicant's social security number. The Division shall not issue a license to an applicant who fails to provide the applicant's social security number. ~~The applicant's social security number shall not be printed on the license and may be released only to the Department of Health and Human Services, Child Support Enforcement Program, upon its request and for the purpose of establishing paternity or child support, or enforcing a child support order.~~
(6) The applicant's signature.

~~The application form must also contain the disclosures concerning the request for an applicant's social security number required by section 7 of the federal Privacy Act of 1974, Pub. L. No. 93-579.~~

(b2) Disclosure of Social Security Number. -- The social security number of an applicant is not a public record. The Division may not disclose an applicant's social security number except as allowed under federal law. A violation of the disclosure restrictions is punishable as provided in 42 U.S.C. § 408, and amendments to that law.

In accordance with 42 U.S.C. 405 and 42 U.S.C. 666, and amendments thereto, the Division may disclose a social security number obtained under ~~this subsection~~ subsection (b1) of this section only as follows:

(1) ~~for~~ For the purpose of administering the drivers license ~~laws or to~~ laws.

(2) To the Department of Health and Human Services, Child Support Enforcement Program for the purpose of ~~assist the State Child Support Enforcement Program in~~ establishing paternity or ~~establishing~~ child support or enforcing a child support order. ~~and may not disclose the social security number for any other purpose. The social security number of an applicant for a license or of a licensed driver is therefore not a public record. A violation of the disclosure restrictions is punishable as provided in 42 U.S.C. 408, and amendments thereto.~~

(3) To the Department of Revenue for the purpose of verifying taxpayer identity."

Section 15. G.S. 20-7(n)(7) reads as rewritten:

"(n) Format. -- A drivers license issued by the Division must be tamperproof and must contain all of the following information:

. . .

(7) ~~The license holder's social security number or another~~ An identifying number for the license holder assigned by the Division. The identifying number may not be the license holder's social security number."

. . . .

Section 16. Section 5.(a) of Chapter 341 of the 1999 Session Laws reads as rewritten:

"Section 5.(a) The Secretary of Revenue shall contract during the 1999-2001 fiscal biennium for the collection of delinquent tax debts owed by nonresidents and foreign entities. To implement this section, the Secretary may draw funds for the 1999-2000 fiscal year from net collections that would otherwise be credited to the General Fund under G.S. 105-269.14, enacted by Section 2 of this act. For the 2000-2001 fiscal year, the Secretary may retain the costs of implementing this section from the amounts collected pursuant to the contracts authorized by this section. The Secretary of Revenue shall report annually to the Revenue Laws Study Committee on its collections pursuant to this contract during the biennium."

Section 17. Section 6 of Chapter 341 of the 1999 Session Laws reads as rewritten:

"Section 6. The Department of Revenue shall conduct a study to identify and evaluate proposals for more efficient collection of taxes, including using electronic commerce and other technology to increase efficiency. The study shall include an analysis of the most efficient tax collection methods used in other states. The State Controller shall cooperate with the Department of Revenue in this study. The Department shall report the results of its study, including findings, recommendations,

and estimated revenue gains of each recommendation, to the Revenue Laws Study Committee by May 1, 2000. To implement this section, the Secretary of Revenue may draw up to fifty thousand dollars ($50,000) for the 1999-2000 fiscal year from net collections that would otherwise be credited to the General Fund under G.S. 105-269.14, enacted by Section 2 of this act. To implement the recommendations of this study, the Secretary may enter into a performance based contract and may draw up to five hundred thousand dollars ($500,000) for the 2000-2001 fiscal year from the revenue collected pursuant to Section 5 of this act to obtain assistance in developing a request for proposal for the performance based contract."

Section 18. Section 7 of this act becomes effective January 1, 2001. Sections 10 and 11 of this act become effective for taxable years beginning on or after January 1, 2003. The remainder of this act is effective when it becomes law.

HOUSE BILL 1624:
Streamlined Sales Tax System

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Rep. Miller
Date:	June 20, 2000	***Recommended by Revenue Laws***	
Version:	2nd Edition	**Summary by:**	Cindy Avrette and Martha Walston, Committee Counsel

SUMMARY: ***House Bill 1624 is a recommendation of the Revenue Laws Study Committee. It seeks to improve the State's sales and use tax collections in several different ways:***

- ***It simplifies and streamlines the sales and use tax collection system for remote and in-state retailers.***
- ***It provides that a remote seller who does not agree to collect the State's use tax may not use the State's courts to collect debts owed to it by a purchaser of its product in this State.***
- ***It allows the Department of Revenue to exchange information concerning a taxpayer's social security number with the Division of Motor Vehicles when it is necessary to identify a taxpayer.***
- ***It provides the Department of Revenue with the resources to continue its collection of delinquent tax debts owed by nonresidents and foreign entities for the remainder of this biennium.***
- ***It allows the Department of Revenue to retain up to $500,000 in revenues it collects from its nonresident delinquent tax debt contracts to obtain assistance in developing a performance-based contract for an automated collection system. The General Assembly asked the Department and the State Controller to study how to collect taxes more efficiently. The centralization and automation of the Department's delinquent tax debts are the primary recommendations of this study, conducted by PricewaterhouseCoopers.***

Section 7 provides that effective January 1, 2001, the penalty for misusing an exemption certificate applies not only to a certificate of resale, but also to a direct pay certificate and a farmer's certificate.

The House amended House Bill 1624 as follows:

- **Clarified that the retailer has the option to contract with a Certified Sales Tax Collector to collect and remit sales and use taxes due to the State.**
- **Repeals G.S. 105-269.14, which deals with payment of use taxes by individuals using the income tax return process. In S.L.1999-341, the General Assembly enacted this statute in an attempt to simplify the use tax collection. The act required that an individual who owed use tax on nonbusiness purchases and who was required to remit a State income tax return must pay the use tax owed with the income tax return. The income tax return was to have a space on it to indicate the amount of use tax owed.**
- **Requires individual who purchases tangible personal property outside the State for nonbusiness purpose to file an annual use tax return, due at the same time as the individual income tax return. This was the law prior to January 1, 1999.**

BILL ANALYSIS: House Bill 1624 seeks to improve tax collection as follows:

Streamlined Sales Tax Collection System:

Sections 1, 2, 4-8, 12, and 13 of the bill implement the streamlined sales tax collection system recommended by the National Governor's Association. The NGA's recommendation addresses the

difficulty states have collecting sales and use taxes on purchases from remote retailers. The recommendation provides a simplified collection process that would allow participating retailers to use a computer software program to be able to calculate the amount of tax due to the state on a purchase based upon the customer's ship-to address. The administration of the program would be the responsibility of a person certified by a state to collect its taxes, not the retailer.

To begin this method of collection, a state must certify a person to act as its tax collector. It is anticipated that the identity of the "certified sales tax collector" will vary depending upon the type of retailer involved. Certain large retailers may choose to act as their own collector.

To be certified as a sales tax collector, House Bill 1624 would require the Secretary of Revenue to find that the person meets all of the following conditions:

- Uses a sales tax collection software program certified by the Secretary. To be certified by the Secretary, the program must be able to determine the applicable tax rate based on a ship-to address, determine whether or not an item is exempt from tax, determine whether or not an exemption certificate is valid, calculate the tax due, and generate the reports and returns required by State law.
- Agrees to update its certified software program upon notification by the Secretary.
- Agrees to integrate the certified software program with the retailer's system for which the person collects the tax.
- Remits the tax due and files the necessary returns on behalf of the retailers for whom the person collects the tax.
- Enters into a contract with the Secretary and agrees to comply with the conditions of the contract.

The State would assume the responsibility for the costs of the system by contracting with the collector to reimburse the collector for the costs of operating the system and for the costs of integrating the system with those of participating retailers. The amount a collector may charge under a contract is considered a cost of collecting the tax and is payable from the amount collected. The payments to the collector will be made on a per transaction basis based on negotiated rates. The per transaction fee could be in the form of a flat per transaction rate, a percentage rate, or a combination of the two types of rates.

Participation in the program by retailers is voluntary. To participate in the program, a retailer must agree to let the certified sales tax collector integrate the certified software with its system so that the tax due on a sale can be determined at the time of the sale. The information on the amount of tax due will be available to a customer before completion of a transaction. Once the customer approves the purchase, the retailer will send the transaction through the payment processing system and the amount paid to the retailer will be the full amount of the purchase plus tax. A participating retailer will be required to enter into a standing debit authorization agreement with the collector that will enable the collector to debit the retailer's account on an agreed upon schedule for the amount of tax owed all participating states according to transactions processed by the collector. The collector will be liable for remitting the appropriate tax to the participating states. The participating retailer will not be subject to audits by the states on the transactions it processes using the collector's software program. A contract with a collector will not be a factor in considering whether a person has nexus with a state for payment of a tax.

To participate in this streamlined sales tax collection system, House Bill 1624 authorizes the Secretary of Revenue to certify a sales tax collection software program and a sales tax collector. (Section 2) The bill also makes the following statutory changes to meet the uniformity features needed to successfully implement the streamlined sales tax collection system:

- It makes the exemption process easier to administer by eliminating the "good faith" requirement when accepting an exemption certificate number from a purchaser on a sale made over the Internet

or by other remote means. (Section 6) It codifies a long-standing practice of the Department of Revenue to issue "direct pay certificates" to a person who is unsure how property the person purchases should be taxed at the time the property is purchased. (Section 1) And it provides that, effective January 1, 2001, the penalty for misusing an exemption certificate applies not only to a certificate of resale, but also to a direct pay certificate and a farmer's certificate. (Sections 7 and 18)

- It establishes a uniform sourcing rule that calculates the amount of tax due on a sale based on its "ship-to address". (Section 2) Under that rule, property sold to a person in NC but delivered to a person in another state is exempt from NC sales and use tax. (Section 5)
- It provides that the customer of a retailer who participates in the program must pay the sales and use tax on the item purchased. (Section 4)
- It provides that local government sales and use tax rate changes may only be made twice a year and the local government must give the State at least 90 days notice of any tax rate change. (Sections 12 and 13)

Use of NC Courts by Out-of-State Retailers:

Under current law, a loan made by a person who fails to pay or comply with the State privilege tax statute, G.S. 105-88, may not be collected through the State's courts. House Bill 1624 extends this exclusion to include debts owed to a retailer who is required by G.S. 105-164.8(b) to collect use tax for the State but refuses to do so if the retailer reported gross sales of at least $5,000,000 on its most recent federal income tax return. (Sections 3 and 9) The exclusion would only apply to debts owed on tangible personal property purchased from the retailer. A retailer is required to collect use tax for the State under G.S. 105-164.8(b) if the retailer maintains retail offices in the State, has representatives in the State who solicit business, or purposefully and systematically exploits the market in this State by any media-assisted means such as direct mail advertising, distribution of catalogs, computer-assisted shopping, television, radio, etc.

DMV Disclose Social Security Number to DOR:

Under federal law, 42 U.S.C. 405(c)(2)(C), a state may use a person's social security number for the purpose of identification in the administration of its tax laws. The Department of Revenue has used social security numbers to identify taxpayers for many years. Up until recently, the Department was able to obtain a taxpayer's social security number from the Division of Motor Vehicles. The Department may have asked the Division for a taxpayer's social security number when the Department had more than one number on file for a taxpayer and needed to know which number was correct, or when it needed to locate a taxpayer. The exchange of information between the Division and the Department was not addressed by statute. In 1997, the General Assembly amended the drivers license law to require all applicants for a driver's license to provide their social security numbers. The legislation gave specific authority for the Division to disclose social security numbers to the Child Support Enforcement Program. The law did not address the disclosure of the numbers to the Department of Revenue. As a result, the practice between the Division and the Department has stopped.

House Bill 1624 rewrites the drivers license statute pertaining to social security numbers to allow the Division to disclose a social security number to the Department for the purpose of verifying taxpayer identification. (Section 14) It also provides that the Division of Motor Vehicles may not use an applicant's social security number as the identifying number for the license holder. (Section 15) This clarification resolves a conflict between two subsections in G.S. 20-7: subsection (b1) provides that an

applicant's social security number may not be printed on the license, while subsection (n) says that the license holder's social security number may be the license holder's identifying number.

Contract for Collection of Delinquent Tax Debts:

Last session, the General Assembly allowed the Department of Revenue to contract for the collection of delinquent tax debts owed by nonresidents and foreign entities. A delinquent tax debt is the amount of tax due as stated in a final notice of assessment issued to the taxpayer when the taxpayer no longer has the right to contest the debt. The legislation stated that "[T]he Secretary of Revenue shall contract during the 1999-2001 fiscal biennium for the collection of delinquent tax debts ..." However, the legislation provided a funding mechanism for only the first year of the biennium. House Bill 1624 provides funding for the second year of the biennium. It allows the Secretary to retain the costs of the contracts from the amounts collected under the contracts. (Section 16)

The Department is currently involved in a pilot effort to contract for the collection of out-of-state accounts in conjunction with the Office of the State Controller. On March 16, 2000, the Department sent 1,016 accounts with a value of $927,170.46 to the Office of the State Controller for referral to a collection agency. Within the first 30 days, the Department realized a 2.5% return.

Implement Recommendation of PricewaterhouseCoopers to Centralize and Automate Debt Collection System:

Last session, the General Assembly authorized the Department of Revenue and the Office of the State Controller to conduct a study of the Department's delinquent collection practices and present findings and recommendations to the Revenue Laws Study Committee. The Office of the State Controller's existing contract with PricewaterhouseCoopers (PwC) was modified and PwC conducted the study. PwC made the following recommendations to improve the Department's debt collection practices:

- ✓ Implement an automated case management tool with debt scoring and performance measures. The projected impact of this recommendation would be an increase of delinquent tax collections by $11 million to $30 million annually.
- ✓ Centralize the collection process for individual income taxes, installment agreements, low dollar debts, and wage garnishments. The impact of this recommendation would be a more efficient use of the Department's resources.
- ✓ Contract with collection agencies for out-of-state debt. The impact of this recommendation would be an initial $20 million in additional revenues and $3 million in recurring revenues.
- ✓ Contract with collection agencies for long term delinquent accounts. The impact of this recommendation would be up to $20 million in revenues per year.

The Department would like to implement the recommendations of this study. To centralize its collection process, the Department would like to enter into a performance-based contract where the person who provides the automated system would be paid from the proceeds of the system based upon some variable that pertains to how well the system works. To enable the Secretary of Revenue to obtain assistance in developing a request for proposal for the performance-based contract, the bill allows the Secretary to draw up to $500,000 from the revenue collected pursuant to the contracts for the collection of delinquent tax debts owed by nonresidents and foreign entities. FISCAL ANALYSIS MEMORANDUM

DATE: May 30, 2000

TO: House Finance Committee

FROM: Dave Crotts
Fiscal Research Division

RE: HB 1624
Streamlined Sales Tax System

FISCAL IMPACT

Yes (x) **No ( )** **No Estimate Available (x)**

GENERAL FUND REVENUE (STATE AND LOCAL): See "Assumptions and Methodology" section.

PRINCIPAL DEPARTMENT AFFECTED: The sales and use tax is collected by the Department of Revenue.

EFFECTIVE DATE: The sales tax exemption certificate provision becomes effective January 1, 2001. The remainder of the bill becomes effective when it becomes law.

ISSUE BACKGROUND: The objective of the proposal is to assist in the implementation of a system to simplify and streamline the sales and use tax collection system for remote and in-state retailers. This would be accomplished by shifting sales tax administration to a technology-oriented business model where the primary responsibility for calculating, collecting, reporting, and remitting the use tax lies with a "Certified Sales Tax Collector" instead of the remote retailer. The State would reimburse the Collector for the costs of integrating the system with a vendor's system and for operating the system. The costs of the system would be funded from the receipts collected and could be recovered through a flat transaction fee, a percentage rate, or some combination.

To participate in the program the Collector must use a certified software program to determine the state and local tax due on a transaction. The participating retailer will not be subject to state audit on the transactions it processes using the Collector's software. Finally, a contract with a Collector is not a factor in establishing nexus for state tax purposes.

EXPLANATION OF PROPOSAL:

(1) Eliminates the "good faith" requirement when accepting an exemption certificate from a purchaser on a sale made over the Internet or by other remote means.

(2) Codifies a long-standing practice of the Department of Revenue to issue "direct pay certificates" to a person who is unsure how the property purchased should be taxed at the time of the acquisition.

(3) Provides that the penalty for misusing an exemption certificate applies not only to a resale certificate but also to a direct pay certificate and a farmer's certificate.

(4) Establishes a uniform sourcing rule that calculates tax due based on a "ship-to address".

(5) Provides that the customer of a retailer who takes part in the new system must pay the sales and use tax on the item purchased.

(6) Provides that local sales tax rate changes may be made no more than twice a year and at least 90 days notice must be given to the Department before a rate change can be made.

(7) Prohibits the use of state courts in North Carolina for debts owed to a retailer who is required to collect use tax for the State on a mail-order transaction but refuses to do so. The provision would apply only to retailers who report gross sales of at least $5 million on the most recent federal income tax return.

(8) Allows the Division of Motor Vehicles to disclose a social security number to the Department of Revenue for the purpose of verifying a taxpayer's identification.

(9) Provides funding for contracts for the collection of delinquent tax debts owed by nonresidents and foreign entities. Funds are provided by allowing the Secretary of Revenue to apply the amounts collected under the contract to the cost of the contract.

(10) Allows the Secretary of Revenue to retain up to $500,000 from the amounts derived during the 2000-01 fiscal year from the collection of delinquent debts owed by nonresidents and foreign entities. The earmarking would pay for the assistance needed in developing a request for proposal for a more automated tax collection system.

ASSUMPTIONS AND METHODOLOGY: The provisions in the proposal represent implementation steps to achieving the objective of a simplified system of collecting sales and use taxes from remote and in-state retailers. Over the long-term a number of other actions will need to take place in North Carolina and other states to simplify the sales and use tax. Some examples include the development of common product definitions, local tax rate uniformity (numerous rates in other states), product return policies under the new system, joint audit procedures, and state/local tax exemption consistency. Thus, the current proposal is just the first step in a lengthy process.

A recent study by the Center for Business and Economic Research at the University of Tennessee estimates that by calendar year 2003 the incremental state and local revenue loss on e-commerce transactions would be $238 million. If the current revenue losses on catalog sales and e-commerce purchases are included, the maximum state and local revenue gain from the full implementation of the new system would be over $400 million by 2003.

Section 3. The percentage rate to be used in calculating the insurance regulatory charge under G.S. 58-6-25 is seven percent (7%) for the 2000 calendar year.

PART IV. COURT COSTS FOR TECHNOLOGY

Section 4.(a) G.S. 7A-304(a)(4) reads as rewritten:

"(a) In every criminal case in the superior or district court, wherein the defendant is convicted, or enters a plea of guilty or nolo contendere, or when costs are assessed against the prosecuting witness, the following costs shall be assessed and collected, except that when the judgment imposes an active prison sentence, costs shall be assessed and collected only when the judgment specifically so provides, and that no costs may be assessed when a case is dismissed.

. . .

(4) For support of the General Court of Justice, the sum of ~~sixty-one dollars ($61.00)~~ sixty-five dollars ($65.00) in the district court, including cases before a magistrate, and the sum of ~~sixty-eight dollars ($68.00)~~ seventy-two dollars ($72.00) in the superior court, to be remitted to the State Treasurer.

. . . ."

Section 4.(b) G.S. 7A-305(a)(2) reads as rewritten:

"(a) In every civil action in the superior or district court the following costs shall be assessed:

. . .

(2) For support of the General Court of Justice, the sum of ~~fifty-five dollars ($55.00)~~ fifty-nine dollars ($59.00) in the superior court, and the sum of ~~forty dollars ($40.00)~~ forty-four dollars ($44.00) in the district court except that if the case is assigned to a magistrate the sum shall be ~~twenty-eight dollars ($28.00).~~ thirty-three dollars ($33.00). Sums collected under this subsection shall be remitted to the State Treasurer.

. . . ."

Section 4.(c) G.S. 7A-306(a) and (b) read as rewritten:

"**§ 7A-306. Costs in special proceedings.**

(a) In every special proceeding in the superior court, the following costs shall be assessed:

(1) For the use of the courtroom and related judicial facilities, the sum of ten dollars ($10.00) to be remitted to the county. Funds derived from the facilities fees shall be used in the same manner, for the same purposes, and subject to the same restrictions, as facilities fees assessed in criminal actions.

(2) For support of the General Court of Justice the sum of ~~twenty-six dollars ($26.00).~~ thirty dollars ($30.00). In addition, in proceedings involving land, except boundary disputes, if the fair market value of the land involved is over one hundred dollars ($100.00), there shall be an additional sum of thirty cents (30¢) per one hundred dollars ($100.00) of value, or major fraction thereof, not to exceed a maximum additional sum of two hundred dollars ($200.00). Fair market value is determined by the sale price if there is a sale, the appraiser's valuation if there is no sale, or the appraised value from the property tax records if there is neither a sale nor an appraiser's valuation. Sums collected under this subsection shall be remitted to the State Treasurer.

(b) The facilities fee and ~~twenty-six dollars ($26.00)~~ thirty dollars ($30.00) of the General Court of Justice fee are payable at the time the proceeding is initiated.

. . . ."

Section 4.(d) G.S. 7A-307(a) and (b) read as rewritten:

"(a) In the administration of the estates of decedents, minors, incompetents, of missing persons, and of trusts under wills and under powers of attorney, and in collections of personal property by affidavit, the following costs shall be assessed:

(1) For the use of the courtroom and related judicial facilities, the sum of ten dollars ($10.00), to be remitted to the county. Funds derived from the facilities fees shall be used in the same manner, for the same purposes, and subject to the same restrictions, as facilities fees assessed in criminal actions.

(2) For support of the General Court of Justice, the sum of ~~twenty-six dollars ($26.00),~~ thirty dollars ($30.00), plus an additional forty cents (40¢) per one hundred dollars ($100.00), or major fraction thereof, of the gross estate, not to exceed three thousand dollars ($3,000). Gross estate shall include the fair market value of all personalty when received, and all proceeds from the sale of realty coming into the hands of the fiduciary, but shall not include the value of realty. In collections of personal property by affidavit, the fee based on the gross estate shall be computed from the information in the final affidavit of collection made pursuant to G.S. 28A-25-3 and shall be paid when that affidavit is filed. In all other cases, this fee shall be computed from the information

reported in the inventory and shall be paid when the inventory is filed with the clerk. If additional gross estate, including income, comes into the hands of the fiduciary after the filing of the inventory, the fee for such additional value shall be assessed and paid upon the filing of any account or report disclosing such additional value. For each filing the minimum fee shall be ~~ten dollars ($10.00).~~ fifteen dollars ($15.00). Sums collected under this subsection shall be remitted to the State Treasurer.

(2a) Notwithstanding subdivision (2) of this subsection, the fee of forty cents (40¢) per one hundred dollars ($100.00), or major fraction, of the gross estate, not to exceed three thousand dollars ($3,000), shall not be assessed on personalty received by a trust under a will when the estate of the decedent was administered under Chapters 28 or 28A of the General Statutes. Instead, a fee of ~~fifteen dollars ($15.00)~~ twenty dollars ($20.00) shall be assessed on the filing of each annual and final account.

(2b) Notwithstanding subdivisions (1) and (2) of this subsection, no costs shall be assessed when the estate is administered or settled pursuant to G.S. 28A-25-6.

(3) For probate of a will without qualification of a personal representative, the clerk shall assess a facilities fee as provided in subdivision (1) of this subsection and shall assess for support of the General Court of Justice, the sum of ~~seventeen dollars ($17.00).~~ twenty dollars ($20.00).

(b) In collections of personal property by affidavit, the facilities fee and ~~twenty-six dollars ($26.00)~~ thirty dollars ($30.00) of the General Court of Justice fee shall be paid at the time of filing the qualifying affidavit pursuant to G.S. 28A-25-1. In all other cases, these fees shall be paid at the time of filing of the first inventory. If the sole asset of the estate is a cause of action, ~~the thirty dollars ($30.00)~~ these fees shall be paid at the time of the qualification of the fiduciary.

. . . ."

Section 4.(e) G.S. 7A-308(a)(1) reads as rewritten:

"(a) The following miscellaneous fees and commissions shall be collected by the clerk of superior court and remitted to the State for the support of the General Court of Justice:

(1) Foreclosure under power of sale in deed of trust or mortgage ..... ~~$30.00~~ $40.00

If the property is sold under the power of sale, an additional amount will be charged, determined by the following formula: thirty cents (30¢) per one hundred dollars ($100.00), or major fraction thereof, of the final sale price. If the amount determined by the formula is less than ten dollars ($10.00), a minimum ten dollar ($10.00) fee will be collected. If the amount determined by

the formula is more than two hundred dollars ($200.00), a maximum two hundred dollar ($200.00) fee will be collected."

PART V. JAIL FEE FOR LOCAL GOVERNMENTS

Section 5. G.S. 7A-313 reads as rewritten:

"**§ 7A-313. Uniform jail fees.**

~~Only persons~~ Persons who are lawfully confined in jail awaiting ~~trial, or who are ordered to pay jail fees pursuant to a probationary sentence,~~ trial shall be liable to the county or municipality maintaining the jail in the sum of five dollars ($5.00) for each 24 hours' confinement, or fraction thereof, except that a person so confined shall not be liable for this fee if the case or proceeding against him is dismissed, or if acquitted, or if judgment is arrested, or if probable cause is not found, or if the grand jury fails to return a true bill.

Persons who are ordered to pay jail fees pursuant to a probationary sentence shall be liable to the county or municipality maintaining the jail at the same per diem rate paid by the Department of Correction to local jails for maintaining a prisoner, as set by the General Assembly in its appropriations acts."

PART VI. INCREASE FEE FOR EMERGENCY PLANNING

Section 6. G.S. 166A-6.1(b) reads as rewritten:

"(b) Every person, firm, corporation or municipality who is licensed to construct or who is operating a fixed nuclear facility for the production of electricity shall pay to the Department of Crime Control and Public Safety, for the use of the Division of Radiation Protection ~~Division~~ of the Department of Environment and Natural Resources, an annual fee of ~~eighteen thousand dollars ($18,000)~~ thirty-six thousand dollars ($36,000) for each fixed nuclear facility ~~which~~ that is located within this State or has a Plume Exposure Pathway Emergency Planning Zone of which any part is located within this State. This fee shall be applied to the costs of planning and implementing emergency response activities as are required by the Federal Emergency Management Agency for the operation of nuclear facilities. ~~Said~~ This fee is to be paid no later than July 31 of each year."

PART VII. OVERSIZE LOAD PERMITS AND PENALTIES

Section 7.(a) G.S. 20-119(d) reads as rewritten:

"(d) ~~Violation~~ For each violation of any of the terms or conditions of a special permit issued under this section ~~shall be a Class 3 misdemeanor. A person convicted of a Class 3 misdemeanor under this section shall be subject to a fine of not more than five hundred dollars ($500.00).~~ the Department of Transportation may assess a separate civil penalty against the registered owner of the vehicle as follows:

(1) A fine of five hundred dollars ($500.00) for any of the following: operating without a permit, moving a load off the route specified in the permit, falsifying information to obtain a permit, failing to comply with dimension restrictions of a permit, or failing to comply with escort vehicle requirements.

(2) A fine of two hundred fifty dollars ($250.00) for moving loads beyond the distance allowances of an annual permit covering the movement of house trailers from the retailer's premises or for operating in violation of time of travel restrictions.

(3) A fine of one hundred dollars ($100.00) for any other violation of the permit conditions or requirements imposed by applicable regulations.

The Department of Transportation may refuse to issue additional permits or suspend existing permits if there are repeated violations of subdivision (1) or (2) of this subsection."

Section 7.(b) G.S. 20-140 is amended by adding a new subsection to read:

"(f) A person is guilty of the Class 2 misdemeanor of reckless driving if the person drives a commercial motor vehicle carrying a load that is subject to the permit requirements of G.S. 20-119 upon a highway or any public vehicular area either:

(1) Carelessly and heedlessly in willful or wanton disregard of the rights or safety of others; or

(2) Without due caution and circumspection and at a speed or in a manner so as to endanger or be likely to endanger any person or property."

Section 7.(c) G.S. 20-141 is amended by adding a new subsection to read:

"(j3) A person is guilty of a Class 2 misdemeanor if the person drives a commercial motor vehicle carrying a load that is subject to the permit requirements of G.S. 20-119 upon a highway or any public vehicular area at a speed in excess of 15 miles per hour above either:

(1) The posted speed; or

(2) The restricted speed, if any, of the permit, or if no permit was obtained, the speed that would be applicable to the load if a permit had been obtained."

Section 7.(d) G.S. 20-16(c) reads as rewritten:

"(c) The Division shall maintain a record of convictions of every person licensed or required to be licensed under the provisions of this Article as an operator and shall enter therein records of all convictions of such persons for any violation of the motor vehicle laws of this State and shall assign to the record of such person, as of the date of commission of the offense, a number of points for every such conviction in accordance with the following schedule of convictions and points, except that points shall not be assessed for convictions resulting in suspensions or revocations under other provisions of laws: Further, any points heretofore charged for violation of the motor vehicle inspection laws shall not be considered by the Division of Motor Vehicles as a basis for suspension or revocation of driver's license:

Unlawful display of emblems and insignia
Failure to display current inspection certificate.

In case of the conviction of a licensee of two or more traffic offenses committed on a single occasion, such licensee shall be assessed points for one offense only and if the offenses involved have a different point value, such licensee shall be assessed for the offense having the greater point value.

Upon the restoration of the license or driving privilege of such person whose license or driving privilege has been suspended or revoked because of conviction for a traffic offense, any points that might previously have been accumulated in the driver's record shall be cancelled.

Whenever any licensee accumulates as many as seven points or accumulates as many as four points during a three-year period immediately following reinstatement of his license after a period of suspension or revocation, the Division may request the licensee to attend a conference regarding such licensee's driving record. The Division may also afford any licensee who has accumulated as many as seven points or any licensee who has accumulated as many as four points within a three-year period immediately following reinstatement of his license after a period of suspension or revocation an opportunity to attend a driver improvement clinic operated by the

Division and, upon the successful completion of the course taken at the clinic, three points shall be deducted from the licensee's conviction record; provided, that only one deduction of points shall be made on behalf of any licensee within any five-year period.

When a license is suspended under the point system provided for herein, the first such suspension shall be for not more than 60 days; the second such suspension shall not exceed six months and any subsequent suspension shall not exceed one year.

Whenever the driver's license of any person is subject to suspension under this subsection and at the same time also subject to suspension or revocation under other provisions of laws, such suspensions or revocations shall run concurrently.

In the discretion of the Division, a period of probation not to exceed one year may be substituted for suspension or for any unexpired period of suspension under subsections (a)(1) through (a)(10a) of this section. Any violation of probation during the probation period shall result in a suspension for the unexpired remainder of the suspension period. Any accumulation of three or more points under this subsection during a period of probation shall constitute a violation of the condition of probation."

Section 7.(e) G.S. 20-17.4(d) reads as rewritten:

"(d) Less Than a Year. -- A person is disqualified from driving a commercial motor vehicle for 60 days if that person is convicted of two serious traffic violations, or 120 days if convicted of three or more serious traffic violations, committed in a commercial motor vehicle arising from separate incidents occurring within a three-year period. For purposes of this subsection, a 'serious violation' includes violations of G.S. 20-140(f) and G.S. 20-141(j3)."

Section 7.(f) G.S. 20-119(b) reads as rewritten:

"(b) Upon the issuance of a special permit for an oversize or overweight vehicle by the Department of Transportation in accordance with this section, the applicant shall pay to the Department for a single trip permit a fee of ~~ten~~ twelve dollars ~~($10.00)~~ ($12.00) ~~for a single trip permit and fifty dollars ($50.00) for an annual permit issued for a single vehicle. Any person who operates more than one vehicle may obtain an annual permit for all oversize or overweight vehicles operated by the person upon payment of an annual fee based on the following schedule:~~

~~No. of Vehicles~~	~~Annual Permit Rate Per Vehicle~~
~~First 50~~	~~$50.00~~
~~51 to 100~~	~~40.00~~
~~101 to 150~~	~~30.00~~
~~Over 150~~	~~20.00~~

~~Any vehicle required to obtain an overweight permit shall not be charged an additional fee for oversize. Any vehicle required to obtain an oversize permit shall not be charged an additional fee for overweight.~~ for each dimension over lawful dimensions, including height, length, width, and weight up to 132,000 pounds. For overweight vehicles, the applicant shall pay to the Department for a single trip permit

in addition to the fee imposed by the previous sentence a fee of three dollars ($3.00) per 1,000 pounds over 132,000 pounds.

Upon the issuance of an annual permit for a single vehicle, the applicant shall pay a fee in accordance with the following schedule:

Commodity:	Annual Fee:
Annual Permit to Move House Trailers	$200.00
Annual Permit to Move Other Commodities	$100.00

In addition to the fees set out in this subsection, applications for permits that require an engineering study for pavement or structures or other special conditions or considerations shall be accompanied by a nonrefundable application fee of one hundred dollars ($100.00).

This subsection ~~shall~~ does not apply to farm equipment or machinery being used at the time for agricultural purposes, nor to the moving of a house as provided for by the license and permit requirements of Article 16 of this Chapter. Fees will not be assessed for permits for oversize and overweight vehicles issued to any agency of the United States Government or the State of North Carolina, its agencies, institutions, subdivisions, or municipalities if the vehicle is registered in the name of the agency."

Section 7.(g) It is the intent of the General Assembly that the permit fees provided in G.S. 20-119 shall be adjusted periodically to assure that the revenue generated by the fees is equal to the cost to the Department of administering the Oversize/Overweight Permit Unit Program within the Division of Highways. At least every two years, the Department shall review and compare the revenue generated by the permit fees and the cost of administering the program, and shall report to the Joint Legislative Transportation Oversight Committee created in G.S. 120-70.50 its recommendations for adjustments to the permit fees to bring the revenues and the costs into alignment.

"**§ 7A-306. Costs in special proceedings.**

(a) In every special proceeding in the superior court, the following costs shall be assessed:

(1) For the use of the courtroom and related judicial facilities, the sum of ten dollars ($10.00) to be remitted to the county. Funds derived from the facilities fees shall be used in the same manner, for the same purposes, and subject to the same restrictions, as facilities fees assessed in criminal actions.

(2) For support of the General Court of Justice the sum of ~~twenty-six dollars ($26.00).~~ thirty dollars ($30.00). In addition, in proceedings involving land, except boundary disputes, if the fair market value of the land involved is over one hundred dollars ($100.00), there shall be an additional sum of thirty cents (30¢) per one hundred dollars ($100.00) of value, or major fraction thereof, not to exceed a maximum additional sum of two hundred dollars ($200.00). Fair market value is determined by the sale price if there is a sale, the appraiser's valuation if there is no sale, or the appraised value from the property tax records if there is neither a sale nor an appraiser's valuation. Sums collected under this subsection shall be remitted to the State Treasurer.

(b) The facilities fee and ~~twenty-six dollars ($26.00)~~ thirty dollars ($30.00) of the General Court of Justice fee are payable at the time the proceeding is initiated.

. . . ."

Section 4.(d) G.S. 7A-307(a) and (b) read as rewritten:

"(a) In the administration of the estates of decedents, minors, incompetents, of missing persons, and of trusts under wills and under powers of attorney, and in collections of personal property by affidavit, the following costs shall be assessed:

(1) For the use of the courtroom and related judicial facilities, the sum of ten dollars ($10.00), to be remitted to the county. Funds derived from the facilities fees shall be used in the same manner, for the same purposes, and subject to the same restrictions, as facilities fees assessed in criminal actions.

(2) For support of the General Court of Justice, the sum of ~~twenty-six dollars ($26.00),~~ thirty dollars ($30.00), plus an additional forty cents (40¢) per one hundred dollars ($100.00), or major fraction

thereof, of the gross estate, not to exceed three thousand dollars ($3,000). Gross estate shall include the fair market value of all personalty when received, and all proceeds from the sale of realty coming into the hands of the fiduciary, but shall not include the value of realty. In collections of personal property by affidavit, the fee based on the gross estate shall be computed from the information in the final affidavit of collection made pursuant to G.S. 28A-25-3 and shall be paid when that affidavit is filed. In all other cases, this fee shall be computed from the information reported in the inventory and shall be paid when the inventory is filed with the clerk. If additional gross estate, including income, comes into the hands of the fiduciary after the filing of the inventory, the fee for such additional value shall be assessed and paid upon the filing of any account or report disclosing such additional value. For each filing the minimum fee shall be ~~ten dollars ($10.00).~~ fifteen dollars ($15.00). Sums collected under this subsection shall be remitted to the State Treasurer.

(2a) Notwithstanding subdivision (2) of this subsection, the fee of forty cents (40¢) per one hundred dollars ($100.00), or major fraction, of the gross estate, not to exceed three thousand dollars ($3,000), shall not be assessed on personalty received by a trust under a will when the estate of the decedent was administered under Chapters 28 or 28A of the General Statutes. Instead, a fee of ~~fifteen dollars ($15.00)~~ twenty dollars ($20.00) shall be assessed on the filing of each annual and final account.

(2b) Notwithstanding subdivisions (1) and (2) of this subsection, no costs shall be assessed when the estate is administered or settled pursuant to G.S. 28A-25-6.

(3) For probate of a will without qualification of a personal representative, the clerk shall assess a facilities fee as provided in subdivision (1) of this subsection and shall assess for support of the General Court of Justice, the sum of ~~seventeen dollars ($17.00).~~ twenty dollars ($20.00).

(b) In collections of personal property by affidavit, the facilities fee and ~~twenty-six dollars ($26.00)~~ thirty dollars ($30.00) of the General Court of Justice fee shall be paid at the time of filing the qualifying affidavit pursuant to G.S. 28A-25-1. In all other cases, these fees shall be paid at the time of filing of the first inventory. If the sole asset of the estate is a cause of action, ~~the thirty dollars ($30.00)~~ these fees shall be paid at the time of the qualification of the fiduciary.

. . . ."

Section 4.(e) G.S. 7A-308(a)(1) reads as rewritten:

"(a) The following miscellaneous fees and commissions shall be collected by the clerk of superior court and remitted to the State for the support of the General Court of Justice:

(1) Foreclosure under power of sale in deed of trust or mortgage ..... ~~$30.00~~ $40.00

If the property is sold under the power of sale, an additional amount will be charged, determined by the following formula: thirty cents (30¢) per one hundred dollars ($100.00), or major fraction thereof, of the final sale price. If the amount determined by the formula is less than ten dollars ($10.00), a minimum ten dollar ($10.00) fee will be collected. If the amount determined by the formula is more than two hundred dollars ($200.00), a maximum two hundred dollar ($200.00) fee will be collected."

PART V. JAIL FEE FOR LOCAL GOVERNMENTS

Section 5. G.S. 7A-313 reads as rewritten:

"**§ 7A-313. Uniform jail fees.**

~~Only persons~~ Persons who are lawfully confined in jail awaiting ~~trial, or who are ordered to pay jail fees pursuant to a probationary sentence,~~ trial shall be liable to the county or municipality maintaining the jail in the sum of five dollars ($5.00) for each 24 hours' confinement, or fraction thereof, except that a person so confined shall not be liable for this fee if the case or proceeding against him is dismissed, or if acquitted, or if judgment is arrested, or if probable cause is not found, or if the grand jury fails to return a true bill.

Persons who are ordered to pay jail fees pursuant to a probationary sentence shall be liable to the county or municipality maintaining the jail at the same per diem rate paid by the Department of Correction to local jails for maintaining a prisoner, as set by the General Assembly in its appropriations acts."

PART VI. INCREASE FEE FOR EMERGENCY PLANNING

Section 6. G.S. 166A-6.1(b) reads as rewritten:

"(b) Every person, firm, corporation or municipality who is licensed to construct or who is operating a fixed nuclear facility for the production of electricity shall pay to the Department of Crime Control and Public Safety, for the use of the Division of Radiation Protection ~~Division~~ of the Department of Environment and Natural Resources, an annual fee of ~~eighteen thousand dollars ($18,000)~~ thirty-six thousand dollars ($36,000) for each fixed nuclear facility ~~which~~ that is located within this State or has a Plume Exposure Pathway Emergency Planning Zone of which any part is located within this State. This fee shall be applied to the costs of planning and implementing emergency response activities as are required by the Federal Emergency Management Agency for the operation of nuclear facilities. ~~Said~~ This fee is to be paid no later than July 31 of each year."

PART VII. OVERSIZE LOAD PERMITS AND PENALTIES

Section 7.(a) G.S. 20-119(d) reads as rewritten:

"(d) ~~Violation~~ For each violation of any of the terms or conditions of a special permit issued under this section ~~shall be a Class 3 misdemeanor. A person convicted~~

~~of a Class 3 misdemeanor under this section shall be subject to a fine of not more than five hundred dollars ($500.00).~~ the Department of Transportation may assess a separate civil penalty against the registered owner of the vehicle as follows:

(1) A fine of five hundred dollars ($500.00) for any of the following: operating without a permit, moving a load off the route specified in the permit, falsifying information to obtain a permit, failing to comply with dimension restrictions of a permit, or failing to comply with escort vehicle requirements.

(2) A fine of two hundred fifty dollars ($250.00) for moving loads beyond the distance allowances of an annual permit covering the movement of house trailers from the retailer's premises or for operating in violation of time of travel restrictions.

(3) A fine of one hundred dollars ($100.00) for any other violation of the permit conditions or requirements imposed by applicable regulations.

The Department of Transportation may refuse to issue additional permits or suspend existing permits if there are repeated violations of subdivision (1) or (2) of this subsection."

Section 7.(b) G.S. 20-140 is amended by adding a new subsection to read:

"(f) A person is guilty of the Class 2 misdemeanor of reckless driving if the person drives a commercial motor vehicle carrying a load that is subject to the permit requirements of G.S. 20-119 upon a highway or any public vehicular area either:

(1) Carelessly and heedlessly in willful or wanton disregard of the rights or safety of others; or

(2) Without due caution and circumspection and at a speed or in a manner so as to endanger or be likely to endanger any person or property."

Section 7.(c) G.S. 20-141 is amended by adding a new subsection to read:

"(j3) A person is guilty of a Class 2 misdemeanor if the person drives a commercial motor vehicle carrying a load that is subject to the permit requirements of G.S. 20-119 upon a highway or any public vehicular area at a speed in excess of 15 miles per hour above either:

(1) The posted speed; or

(2) The restricted speed, if any, of the permit, or if no permit was obtained, the speed that would be applicable to the load if a permit had been obtained."

Section 7.(d) G.S. 20-16(c) reads as rewritten:

"(c) The Division shall maintain a record of convictions of every person licensed or required to be licensed under the provisions of this Article as an operator and shall enter therein records of all convictions of such persons for any violation of the motor vehicle laws of this State and shall assign to the record of such person, as of the date of commission of the offense, a number of points for every such conviction

in accordance with the following schedule of convictions and points, except that points shall not be assessed for convictions resulting in suspensions or revocations under other provisions of laws: Further, any points heretofore charged for violation of the motor vehicle inspection laws shall not be considered by the Division of Motor Vehicles as a basis for suspension or revocation of driver's license:

Schedule of Point Values

Littering pursuant to G.S. 14-399 when the littering involves the use of a motor vehicle 1

The above provisions of this subsection shall only apply to violations and convictions which take place within the State of North Carolina. The Schedule of Point Values for Violations While Operating a Commercial Motor Vehicle shall not apply to any commercial motor vehicle known as an "aerial lift truck" having a hydraulic arm and bucket station, and to any commercial motor vehicle known as a "line truck" having a hydraulic lift for cable, if the vehicle is owned, operated by or under contract to a public utility, electric or telephone membership corporation or municipality and used in connection with installation, restoration or maintenance of utility services.

No points shall be assessed for conviction of the following offenses:

Overloads
Over length
Over width
Over height
Illegal parking
Carrying concealed weapon
Improper plates
Improper registration
Improper muffler
Improper display of license plates or dealers' tags
Unlawful display of emblems and insignia
Failure to display current inspection certificate.

In case of the conviction of a licensee of two or more traffic offenses committed on a single occasion, such licensee shall be assessed points for one offense only and if the offenses involved have a different point value, such licensee shall be assessed for the offense having the greater point value.

Upon the restoration of the license or driving privilege of such person whose license or driving privilege has been suspended or revoked because of conviction for a traffic offense, any points that might previously have been accumulated in the driver's record shall be cancelled.

Whenever any licensee accumulates as many as seven points or accumulates as many as four points during a three-year period immediately following reinstatement of his license after a period of suspension or revocation, the Division may request the licensee to attend a conference regarding such licensee's driving record. The Division may also afford any licensee who has accumulated as many as seven points or any licensee who has accumulated as many as four points within a three-year period immediately following reinstatement of his license after a period of suspension or revocation an opportunity to attend a driver improvement clinic operated by the Division and, upon the successful completion of the course taken at the clinic, three points shall be deducted from the licensee's conviction record; provided, that only one deduction of points shall be made on behalf of any licensee within any five-year period.

When a license is suspended under the point system provided for herein, the first such suspension shall be for not more than 60 days; the second such suspension shall not exceed six months and any subsequent suspension shall not exceed one year.

Whenever the driver's license of any person is subject to suspension under this subsection and at the same time also subject to suspension or revocation under other provisions of laws, such suspensions or revocations shall run concurrently.

In the discretion of the Division, a period of probation not to exceed one year may be substituted for suspension or for any unexpired period of suspension under subsections (a)(1) through (a)(10a) of this section. Any violation of probation during the probation period shall result in a suspension for the unexpired remainder of the suspension period. Any accumulation of three or more points under this subsection during a period of probation shall constitute a violation of the condition of probation."

Section 7.(e) G.S. 20-17.4(d) reads as rewritten:

"(d) Less Than a Year. -- A person is disqualified from driving a commercial motor vehicle for 60 days if that person is convicted of two serious traffic violations, or 120 days if convicted of three or more serious traffic violations, committed in a commercial motor vehicle arising from separate incidents occurring within a three-year period. For purposes of this subsection, a 'serious violation' includes violations of G.S. 20-140(f) and G.S. 20-141(j3)."

Section 7.(f) G.S. 20-119(b) reads as rewritten:

"(b) Upon the issuance of a special permit for an oversize or overweight vehicle by the Department of Transportation in accordance with this section, the applicant shall pay to the Department for a single trip permit a fee of ~~ten~~ twelve dollars ~~($10.00)~~ ($12.00) ~~for a single trip permit and fifty dollars ($50.00) for an annual permit issued for a single vehicle. Any person who operates more than one vehicle may obtain an annual permit for all oversize or overweight vehicles operated by the person upon payment of an annual fee based on the following schedule:~~

~~No. of Vehicles~~	~~Annual Permit Rate Per Vehicle~~
~~First 50~~	~~$50.00~~
~~51 to 100~~	~~40.00~~

~~101 to 150 30.00~~
~~Over 150 20.00~~

~~Any vehicle required to obtain an overweight permit shall not be charged an additional fee for oversize. Any vehicle required to obtain an oversize permit shall not be charged an additional fee for overweight.~~ for each dimension over lawful dimensions, including height, length, width, and weight up to 132,000 pounds. For overweight vehicles, the applicant shall pay to the Department for a single trip permit in addition to the fee imposed by the previous sentence a fee of three dollars ($3.00) per 1,000 pounds over 132,000 pounds.

Upon the issuance of an annual permit for a single vehicle, the applicant shall pay a fee in accordance with the following schedule:

Commodity:	Annual Fee:
Annual Permit to Move House Trailers	$200.00
Annual Permit to Move Other Commodities	$100.00

In addition to the fees set out in this subsection, applications for permits that require an engineering study for pavement or structures or other special conditions or considerations shall be accompanied by a nonrefundable application fee of one hundred dollars ($100.00).

This subsection ~~shall~~ does not apply to farm equipment or machinery being used at the time for agricultural purposes, nor to the moving of a house as provided for by the license and permit requirements of Article 16 of this Chapter. Fees will not be assessed for permits for oversize and overweight vehicles issued to any agency of the United States Government or the State of North Carolina, its agencies, institutions, subdivisions, or municipalities if the vehicle is registered in the name of the agency."

Section 7.(g) It is the intent of the General Assembly that the permit fees provided in G.S. 20-119 shall be adjusted periodically to assure that the revenue generated by the fees is equal to the cost to the Department of administering the Oversize/Overweight Permit Unit Program within the Division of Highways. At least every two years, the Department shall review and compare the revenue generated by the permit fees and the cost of administering the program, and shall report to the Joint Legislative Transportation Oversight Committee created in G.S. 120-70.50 its recommendations for adjustments to the permit fees to bring the revenues and the costs into alignment.

PART VIII. FEES FOR ACCESS TO AGENCY SERVICES THROUGH ELECTRONIC AND DIGITAL TRANSACTIONS

Section 8. Article 11A of Chapter 66 of the General Statutes is amended by adding a new section to read:

"§ 66-58.12. Agencies may provide access to services through electronic and digital transactions; fees authorized.

(a) Public agencies are encouraged to maximize citizen and business access to their services through the use of electronic and digital transactions. A public agency may

determine, through program and transaction analysis, which of its services may be made available to the public through electronic means, including the Internet. The agency shall identify any inhibitors to electronic transactions between the agency and the public, including legal, policy, financial, or privacy concerns and specific inhibitors unique to the agency or type of transaction. An agency shall not provide a transaction through the Internet that is impractical, unreasonable, or not permitted by laws pertaining to privacy or security.

(b) An agency may charge a fee to cover its costs of permitting a person to complete a transaction through the World Wide Web or other means of electronic access. The fee may be applied on a per transaction basis and may be calculated either as a flat fee or a percentage fee, as determined under an agreement between a person and a public agency. The fee must be approved by the Information Resource Management Commission, in consultation with the Joint Legislative Commission on Governmental Operations. The fee may be collected by the agency or by its third-party agent. The revenue derived from the fee must be credited to a nonreverting agency reserve account. The funds in the account may be expended only for e-commerce initiatives and projects approved by the Information Resource Management Commission, in consultation with the Joint Select Committee on Information Technology."

PART IX. WHITE GOODS SUNSET REPEAL

Section 9.(a) Section 11 of Chapter 471 of the 1993 Session Laws, as amended by Section 15.1(b) of Chapter 769 of the 1993 Session Laws and Section 7 of S.L. 1998-24, reads as rewritten:

"Sec. 11. Sections 1 through 5 of this act and this section become effective January 1, 1994. ~~Section 3 of this act expires July 1, 2001. Section 6 of this act becomes effective July 1, 2001. Sections 7, 8, and 9 of this act become effective July 1, 2002.~~

~~The repeal of the tax imposed by Section 3 of this act does not affect the rights or liabilities of the State, a taxpayer, or another person that arose during the time the tax was in effect.~~ The first report submitted by the Department to the Environmental Review Commission under G.S. 130A-309.85, as enacted by this act, shall cover the period from January 1, 1994, to June 30, 1994."

Section 9.(b) The Department of Environment and Natural Resources shall study issues related to the scrap tire disposal tax and the white goods disposal tax. This study shall include an evaluation of whether the amount of the scrap tire disposal tax and the amount of the white goods disposal tax should be altered and whether the distribution of the proceeds of these taxes should be reapportioned. The Department shall report its findings and recommendations, including any legislative proposals, to the Environmental Review Commission no later than October 1, 2000.

PART X. EFFECTIVE DATES

PART I. APPLICATION FEE EXEMPTIONS

Section 1.(a) G.S. 105-129.6(a1) reads as rewritten:

"(a1) Fee. -- When filing an application for certification under this section, the taxpayer must pay the Department of Commerce a fee of five hundred dollars ($500.00) for each credit the taxpayer intends to claim with respect to a location that is in an enterprise tier three, four, or five area, subject to a maximum fee of one thousand five hundred dollars ($1,500) per taxpayer per taxable year. This fee does

not apply to any credit the taxpayer intends to claim with respect to a location that is in a development zone as defined in G.S. 105-129.3A. If the taxpayer applies for certification for a credit that relates to locations in more than one enterprise tier area, the fee is based on the highest-numbered enterprise tier area.

The Secretary of Commerce shall retain one-fourth of the proceeds of the fee imposed in this section for the costs of administering this section. The Secretary of Commerce shall credit the remaining proceeds of the fee imposed in this section to the Department of Revenue for the costs of administering and auditing the credits allowed in this Article. The proceeds of the fee are receipts of the Department to which they are credited."

Section 1.(b) G.S. 105-129.13(e) reads as rewritten:

"(e) Application. -- To be eligible for the tax credit provided in this section, in addition to the application required under G.S. 105-129.6, the taxpayer must file an application for the credit with the Secretary of Revenue on or before April 15 of the year following the calendar year in which the contribution was made. The Secretary may grant extensions of this deadline, as the Secretary finds appropriate, upon the request of the taxpayer, except that the application may not be filed after September 15 of the year following the calendar year in which the contribution was made. An application is effective for the year in which it is timely filed. The application must be on a form prescribed by the Secretary and must include any supporting documentation that the Secretary may require. If a contribution for which a credit is applied for was of property rather than cash, the taxpayer must include with the application a certified appraisal of the value of the property contributed. There is no fee for an application under this section."

PART II. EXTEND CREDIT CARRYFORWARDS

Section 2. G.S. 105-129.5 reads as rewritten:

"**§ 105-129.5. (Repealed effective January 1, 2006) Tax election; ~~cap.~~ cap; carryforwards.**

(a) Tax Election. -- The credits provided in this Article are allowed against the franchise tax levied in Article 3 of this Chapter, ~~and~~ the income taxes levied in Article 4 of this Chapter, and the gross premiums tax levied in Article 8B of this Chapter. The taxpayer may divide the technology commercialization credit allowed in G.S. 105-129.9A between the taxes against which it is allowed. The taxpayer shall elect the percentage of the credit that will be taken against each tax when filing the return on which the credit is first taken. This election is binding. The percentage of the credit elected to be taken against each tax may be carried forward only against the same tax.

The taxpayer must take any other credit allowed in this Article against only one of the taxes against which it is allowed. The taxpayer shall elect the tax against which a credit will be claimed when filing the return on which the first installment of the credit is claimed. This election is binding. Any carryforwards of the credit must be claimed against the same tax.

(b) Cap. -- The credits allowed under this Article may not exceed fifty percent (50%) of the tax against which they are claimed for the taxable year, reduced by the sum of all other credits allowed against that tax, except tax payments made by or on behalf of the taxpayer. This limitation applies to the cumulative amount of credit, including carryforwards, claimed by the taxpayer under this Article against each tax for the taxable year.

(c) Carryforward. -- Any unused portion of a credit with respect to a large investment or with respect to the technology commercialization credit allowed in G.S. 105-129.9A may be carried forward for the succeeding 20 years. Any unused portion of a credit may be carried forward for the succeeding 10 years if the Secretary of Commerce certifies when an application for the credit is first made that the taxpayer will purchase or lease, and place in service in connection with the eligible business within a two-year period, at least fifty million dollars ($50,000,000) worth of one or more of the following: real property, machinery and equipment, or central office or aircraft facility property. If the taxpayer fails to make the level of investment certified within this two-year period, the taxpayer forfeits this enhanced carryforward period. Any unused portion of any other credit may be carried forward for the succeeding five years."

PART III. REQUIRE WAGE STANDARD FOR GRANTS

Section 3.(a) Section 16.2 of S.L. 1999-237 reads as rewritten:

"**INDUSTRIAL RECRUITMENT COMPETITIVE FUND**

Section 16.2.(a) Funds appropriated in this act to the Department of Commerce for the Industrial Recruitment Competitive Fund shall be used to continue the Fund. The purpose of the Fund is to provide financial assistance to those businesses or industries deemed by the Governor to be vital to a healthy and growing State economy and that are making significant efforts to establish or expand in North Carolina. Monies allocated from the Fund shall be used for the following purposes:

(1) Installation or purchase of equipment;

(2) Structural repairs, improvements, or renovations of existing buildings to be used for expansion; and

(3) Construction of or improvements to new or existing water, sewer, gas or electric utility distribution lines, or equipment for existing buildings.

Monies may also be used for construction of or improvements to new or existing water, sewer, gas or electric utility distribution lines, or equipment to serve new or proposed industrial buildings used for manufacturing and industrial operations. The Governor shall adopt guidelines and procedures for the commitment of monies from the Fund. Monies from the Fund may be allocated only to projects that meet the wage standard set out in G.S. 105-129.4(b).

Section 16.2.(b) The Department of Commerce shall report on or before October 1, 1999, and quarterly thereafter to the Joint Legislative Commission on Governmental Operations and to the Fiscal Research Division on the commitment,

allocation, and use of funds allocated from the Industrial Recruitment Competitive Fund."

Section 3.(b) G.S. 143B-437.01(a) is amended by adding a new subdivision to read:

"(6) The funds shall not be used for any nonmanufacturing project that does not meet the wage standard set out in G.S. 105-129.4(b)."

PART IV. PROHIBIT FUNDING FOR DEFAULTING GRANTEES

Section 4. Part 1 of Article 10 of Chapter 143B of the General Statutes is amended by adding a new section to read:

"**§ 143B-431.2. Department of Commerce - limitation on grants and loans.**

The Department of Commerce may not make a loan nor award a grant to any individual, organization, or governmental unit if that individual, organization, or governmental unit is currently in default on any loan made by the Department of Commerce."

PART V. AIRCRAFT MAINTENANCE FACILITY CREDIT

Section 5.(a) G.S. 105-129.2(2) reads as rewritten:

"(2) Central ~~administrative office.~~ office or aircraft facility. -- ~~Either~~ Any of the following:

a. A corporate, subsidiary, or regional managing office, as defined by NAICS.

b. An auxiliary subdivision of an interstate passenger air carrier engaged primarily in centralized training for the carrier at its hub. ~~For the purpose of this definition, the terms 'interstate passenger air carrier' and 'hub' have the meanings provided in G.S. 105-164.3.~~

c. An auxiliary subdivision of an interstate passenger air carrier engaged primarily in aircraft maintenance and repair services or aircraft rebuilding as defined by NAICS."

Section 5.(b) G.S. 105-129.2 is amended by adding two new subdivisions to read:

"(8) Hub. -- Defined in G.S. 105-164.3.

(8a) Interstate passenger air carrier. -- Defined in G.S. 105-164.3."

Section 5.(c) G.S. 105-129.4(a) through (b1), as amended by Section 11 of this act, read as rewritten:

"**§ 105-129.4. (Repealed effective January 1, 2006) Eligibility; forfeiture.**

(a) Type of Business. -- A taxpayer is eligible for a credit allowed by G.S. 105-129.12 if the real property for which the credit is claimed is used for a central ~~administrative~~ office or aircraft facility that creates at least 40 new jobs. A taxpayer is eligible for the other credits allowed by this Article if the taxpayer engages in one of the following types of businesses and the jobs with respect to which a credit is claimed are created in that business, the machinery and equipment with respect to

which a credit is claimed are used in that business, and the research and development for which a credit is claimed are carried out as part of that business:

(1) Air courier services.
(2) Central ~~administrative~~ office or aircraft facility that creates at least 40 new jobs.
(2a) Customer service center located in an enterprise tier one or two area.
(3) Data processing.
(3a) Electronic mail order house that creates at least 250 new jobs and is located in an enterprise tier one or two area.
(4) Manufacturing.
(5) Warehousing.
(6) Wholesale trade.

(a1) New Jobs Defined. -- A central ~~administrative~~ office or aircraft facility creates at least 40 new jobs if the taxpayer hires at least 40 additional full-time employees to fill new positions at the office either in the year the taxpayer first uses the property as a central ~~administrative~~ office or aircraft facility or in the preceding 24 months while using temporary space for the central ~~administrative~~ office or aircraft facility functions during completion of the ~~administrative~~ central office or aircraft facility property. An electronic mail order house creates at least 250 new jobs if the taxpayer hires at least 250 additional full-time employees to fill new positions at the house in the two-year period ending on the last day of the taxable year the taxpayer first claims a credit under this Article. Jobs transferred from one area in the State to another area in the State are not considered new jobs for purposes of this subsection.

(a2) Expiration. -- If, during the period that installments of a credit under this Article accrue, the taxpayer is no longer engaged in one of the types of business described in subsection (a) of this section, the credit expires and the taxpayer may not take any remaining installments of the credit. The taxpayer may, however, take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.5.

(b) Wage Standard. -- A taxpayer is eligible for the credit for creating jobs or the credit for worker training if the jobs for which the credit is claimed meet the wage standard at the time the taxpayer applies for the credit. A taxpayer is eligible for the credit for investing in machinery and equipment, the credit for research and development, or the credit for investing in real property for a central ~~administrative~~ office or aircraft facility if the jobs at the location with respect to which the credit is claimed meet the wage standard at the time the taxpayer applies for the credit. Jobs meet the wage standard if they pay an average weekly wage that is at least equal to the applicable percentage times the applicable average weekly wage for the county in which the jobs will be located, as computed by the Secretary of Commerce from data compiled by the Employment Security Commission for the most recent period for which data are available. The applicable percentage for jobs located in an enterprise tier one area is one hundred percent (100%). The applicable percentage for all other jobs is one hundred ten percent (110%). The applicable average weekly wage is the

lowest of the following: (i) the average wage for all insured private employers in the county, (ii) the average wage for all insured private employers in the State, and (iii) the average wage for all insured private employers in the county multiplied by the county income/wage adjustment factor. The county income/wage adjustment factor is the county income/wage ratio divided by the State income/wage ratio. The county income/wage ratio is average per capita income in the county divided by the annualized average wage for all insured private employers in the county. The State income/wage ratio is the average per capita income in the State divided by the annualized average wage for all insured private employers in the State.

(b1) Large Investment. -- A taxpayer who is otherwise eligible for a tax credit under this Article becomes eligible for the large investment enhancements provided for credits under this Article if the Secretary of Commerce certifies that the taxpayer will purchase or lease, and place in service in connection with the eligible business within a two-year period, at least one hundred fifty million dollars ($150,000,000) worth of one or more of the following: real property, machinery and equipment, or central ~~administrative~~ office or aircraft facility property. If the taxpayer fails to make the level of investment certified within this two-year period, the taxpayer forfeits the large investment enhancements as provided in subsection (d) of this section.

. . . ."

Section 5.(d) G.S. 105-129.7(b) reads as rewritten:

"(b) Each taxpayer must provide with the tax return qualifying information for each credit claimed under this Article for the first taxable year the credit is claimed and for every year in which a subsequent installment or a carryforward of that credit is claimed. The qualifying information must be in the form prescribed by the Secretary, must cover each taxable year beginning with the first taxable year the credit is claimed, and must be signed and affirmed by the individual who signs the taxpayer's tax return. The information required by this subsection is information demonstrating that the taxpayer has met the conditions for qualifying for an initial credit and any installments and carryforwards, and includes the following:

(1) The physical location of the jobs and investment with respect to which the credit is claimed, including the enterprise tier designation of the location and whether it is in a development zone. In addition, for each individual who fills a job at a location with respect to which a credit is claimed, the place where the individual resided before taking the job, including any enterprise tier or development zone designation of that place.

(2) The type of business with respect to which the credit is claimed, as required by G.S. 105-129.4(a), and wage information described in G.S. 105-129.4(b).

(3) If the credit is claimed with respect to a large investment certified under G.S. ~~105-129.4(b1),~~ 105-129.4(b1) or is a credit with a carryforward period of 10 years under G.S. 105-129.5(c), the amount of the investment requirement under ~~that subsection~~ those subsections that has been met to date.

(4) Qualifying information required for the credit for creating jobs allowed under G.S. 105-129.8, the credit for investing in machinery and equipment allowed under G.S. 105-129.9, the credit for worker training allowed under G.S. 105-129.11, the credit for investing in central ~~administrative~~ office or aircraft facility property allowed in G.S. 105-129.12, and any other credits allowed under this Article."

Section 5.(e) G.S. 105-129.12 reads as rewritten:

"**§ 105-129.12. (Repealed effective January 1, 2006) Credit for investing in central ~~administrative~~ office or aircraft facility property.**

(a) Credit. -- If a taxpayer that has purchased or leased real property in this State begins to use the property as a central ~~administrative~~ office or aircraft facility during the taxable year, the taxpayer is allowed a credit equal to seven percent (7%) of the eligible investment amount. The eligible investment amount is the lesser of (i) the cost of the property and (ii) the amount by which the cost of all of the property the taxpayer is using in this State as central ~~administrative offices~~ office or aircraft facilities on the last day of the taxable year exceeds the cost of all of the property the taxpayer was using in this State as central ~~administrative offices~~ office or aircraft facilities on the last day of the base year. The base year is that year, of the three immediately preceding taxable years, in which the taxpayer was using the most property in this State as central ~~administrative offices.~~ office or aircraft facilities. In the case of property that is leased, the cost of the property is not determined as provided in G.S. 105-129.2 but is considered to be the taxpayer's lease payments over a seven-year period, plus any expenditures made by the taxpayer to improve the property before it is used as the taxpayer's central ~~administrative~~ office or aircraft facility if the expenditures are not reimbursed or credited by the lessor. The maximum credit allowed a taxpayer under this section for property used as a central ~~administrative~~ office or aircraft facility is five hundred thousand dollars ($500,000). The entire credit may not be taken for the taxable year in which the property is first used as a central ~~administrative~~ office or aircraft facility but shall be taken in equal installments over the seven years following the taxable year in which the property is first used as a central ~~administrative office.~~ office or aircraft facility. The basis in any real property for which a credit is allowed under this section shall be reduced by the amount of credit allowable.

(b) Mixed Use Property. -- If the taxpayer uses only part of the property as the taxpayer's central ~~administrative office,~~ office or aircraft facility, the amount of the credit allowed under this section is reduced by multiplying it by a fraction the numerator of which is the square footage of the property used as the taxpayer's central ~~administrative~~ office or aircraft facility and the denominator of which is the total square footage of the property.

(c) Expiration. -- If, in one of the seven years in which the installment of a credit accrues, the property with respect to which the credit was claimed is no longer used as a central ~~administrative office,~~ office or aircraft facility, the credit expires and the taxpayer may not take any remaining installment of the credit. If, in one of the seven years in which the installment of a credit accrues, part of the property with respect to

which the credit was claimed is no longer used as a central ~~administrative office,~~ office or aircraft facility, the remaining installments of the credit shall be reduced by multiplying it by the fraction described in subsection (b) of this section. If, in one of the seven years in which the installment of a credit accrues, the total number of employees the taxpayer employs at all of its central ~~administrative offices~~ office or aircraft facilities in this State drops by 40 or more, the credit expires and the taxpayer may not take any remaining installment of the credit.

In each of these cases, the taxpayer may nonetheless take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.5."

PART VI. EMPLOYEE BUYOUT INCENTIVE

Section 6. G.S. 105-129.4(e) reads as rewritten:

"(e) Change in Ownership of Business. -- The sale, merger, consolidation, conversion, acquisition, or bankruptcy of a business, or any transaction by which an existing business reformulates itself as another business, does not create new eligibility in a succeeding business with respect to credits for which the predecessor was not eligible under this Article. A successor business may, however, take any installment of or carried-over portion of a credit that its predecessor could have taken if it had a tax liability. The acquisition of a business is a new investment that creates new eligibility in the acquiring taxpayer under this Article if any of the following conditions are met:

(1) The business closed before it was acquired.

(2) The business was required to file a notice of plant closing or mass layoff under the federal Worker Adjustment and Retraining Notification Act, 29 U.S.C. § 2102, before it was acquired.

(3) The business was acquired by its employees ~~through~~ directly or indirectly through an acquisition company under an employee stock option transaction or another similar mechanism. For the purpose of this subdivision, "acquired" means that as part of the initial purchase of a business by the employees, the purchase included an agreement for the employees through the employee stock option transaction or another similar mechanism to obtain one of the following:

a. Ownership of more than fifty percent (50%) of the business.

b. Ownership of not less than forty percent (40%) of the business within seven years if the business has tangible assets with a net book value in excess of one hundred million dollars ($100,000,000) and has the majority of its operations located in an enterprise tier one, two, or three area."

PART VII. LOW-INCOME HOUSING CREDIT CHANGES

Section 7. G.S. 105-129.16B(a), (c), and (d) read as rewritten:

"(a) Credit. -- A taxpayer that is allowed for the taxable year a federal income tax credit for low-income housing under section 42 of the Code with respect to a qualified North Carolina low-income building, is allowed a credit under this Article equal to a percentage of the total federal credit allowed with respect to that building. For the purposes of this section, the total federal credit allowed is the total allowed during the 10-year federal credit period plus the disallowed first-year credit allowed in the 11th year. For the purposes of this section, the total federal credit is calculated based on qualified basis as of the end of the first year of the credit period and is not recalculated to reflect subsequent increases in qualified basis. For buildings that meet condition (c)(1) or (c)(1a) of this section, the credit percentage is seventy-five percent (75%). For other buildings, the credit percentage is twenty-five percent (25%).

. . .

(c) Definitions. -- The definitions in section 42 of the Code apply in this section. In addition, as used in this section the term "qualified North Carolina low-income building" means a qualified low-income building that was allocated a federal credit under section 42(h)(1) of the Code, was not allowed a federal credit under section 42(h)(4) of the Code, and meets any of the following conditions:

(1) It is located in an area that, at the time the federal credit is allocated to the building, is a tier one or two enterprise area, as defined in G.S. 105-129.3.

(1a) It is located in a county that, at the time the federal credit is allocated to the building, has been designated as having sustained severe or moderate damage from a hurricane or a hurricane-related disaster, according to the Federal Emergency Management Agency impact map, revised on September 25, 1999. Those counties are Bertie, Beaufort, Bladen, Brunswick, Carteret, Columbus, Craven, Dare, Duplin, Edgecombe, Greene, Halifax, Hertford, Jones, Lenoir, Martin, Nash, New Hanover, Northampton, Onslow, Pasquotank, Pender, Pitt, Washington, Wayne, and Wilson Counties.

(2) It is located in an area that, at the time the federal credit is allocated to the building, is a tier three or four enterprise area, and forty percent (40%) of its residential units are both rent-restricted and occupied by individuals whose income is fifty percent (50%) or less of area median gross income as defined in the Code.

(3) It is located in an area that, at the time the federal credit is allocated to the building, is a tier five enterprise area, and forty percent (40%) of its residential units are both rent-restricted and occupied by individuals whose income is thirty-five percent (35%) or less of area median gross income as defined in the Code.

(d) Expiration. -- If, in one of the five years in which an installment of the credit under this section accrues, the taxpayer is no longer eligible for the corresponding federal credit with respect to the same qualified North Carolina low-income building, then the credit under this section expires and the taxpayer may not take any

remaining installment of the credit. If, in one of the five years in which an installment of the credit under this section accrues, the building no longer qualifies as a low-income building under subdivision (2) or (3) of subsection (c) of this section because less than forty percent (40%) of its residential units are both rent-restricted and occupied by individuals who meet the income requirements, then the credit under this section expires and the taxpayer may not take any remaining installments of the credit. The taxpayer may, however, take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.17."

PART VIII. MODIFY CREDIT AND EXPIRATION PROVISIONS

Section 8.(a) G.S. 105-129.8(a) reads as rewritten:

"(a) Credit. -- A taxpayer that meets the eligibility requirements set out in G.S. 105-129.4, has five or more ~~employees for at least 40 weeks during the taxable year,~~ full-time employees, and hires an additional full-time employee during that year to fill a position located in this State is allowed a credit for creating a new full-time job. The amount of the credit for each new full-time job created is set out in the table below and is based on the enterprise tier of the area in which the position is located. In addition, if the position is located in a development zone, the amount of the credit is increased by four thousand dollars ($4,000) per job.

Area Enterprise Tier	Amount of Credit
Tier One	$12,500
Tier Two	4,000
Tier Three	3,000
Tier Four	1,000
Tier Five	500

A position is located in an area if more than fifty percent (50%) of the employee's duties are performed in the area. The credit may not be taken in the taxable year in which the additional employee is hired. Instead, the credit shall be taken in equal installments over the four years following the taxable year in which the additional employee was hired and shall be conditioned on the continued employment by the taxpayer of the number of full-time employees the taxpayer had upon hiring the employee that caused the taxpayer to qualify for the credit.

If, in one of the four years in which the installment of a credit accrues, the number of the taxpayer's full-time employees falls below the number of full-time employees the taxpayer had in the year in which the taxpayer qualified for the credit, the credit expires and the taxpayer may not take any remaining installment of the credit. The taxpayer may, however, take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.5.

Jobs transferred from one area in the State to another area in the State shall not be considered new jobs for purposes of this section. If, in one of the four years in which the installment of a credit accrues, the position filled by the employee is moved to an area in a higher- or lower-numbered enterprise tier, or is moved from a development zone to an area that is not a development zone, the remaining installments of the

credit shall be calculated as if the position had been created initially in the area to which it was moved."

Section 8.(b) G.S. 105-129.9 reads as rewritten:

"**§ 105-129.9. Credit for investing in machinery and equipment.**

(a) General Credit. -- If a taxpayer that has purchased or leased eligible machinery and equipment places them in service in this State during the taxable year, the taxpayer is allowed a credit equal to seven percent (7%) of the excess of the eligible investment amount over the applicable threshold. Machinery and equipment are eligible if they are capitalized by the taxpayer for tax purposes under the Code and not leased to another party. In addition, in the case of a large investment, machinery and equipment that are not capitalized by the taxpayer are eligible if the taxpayer leases them from another party. The credit may not be taken for the taxable year in which the machinery and equipment are placed in service but shall be taken in equal installments over the seven years following the taxable year in which they are placed in service.

(a1) Technology Commercialization Credit. -- If a taxpayer is eligible for the credit allowed in this section with respect to eligible machinery and equipment and qualifies for one of the credits allowed in G.S. 105-129.9A with respect to the same machinery and equipment, the taxpayer may choose to take one of those credits instead of the credit allowed in this section. A taxpayer may take the credit allowed in this section or one of the credits allowed in G.S. 105-129.9A during a taxable year with respect to eligible machinery and equipment, but may not take more than one of these credits with respect to the same machinery and equipment.

(b) Eligible Investment Amount. -- The eligible investment amount is the lesser of (i) the cost of the eligible machinery and equipment and (ii) the amount by which the cost of all of the taxpayer's eligible machinery and equipment that are in service in this State on the last day of the taxable year exceeds the cost of all of the taxpayer's eligible machinery and equipment that were in service in this State on the last day of the base year. The base year is that year, of the three immediately preceding taxable years, in which the taxpayer had the most eligible machinery and equipment in service in this State. A taxpayer that claims a credit under this section must include with the application for certification required under G.S. 105-129.6(a) specific documentation supporting the taxpayer's calculation of the eligible investment amount under this subsection.

(c) Threshold. -- The applicable threshold is the appropriate amount set out in the following table based on the enterprise tier of the area where the eligible machinery and equipment are placed in service during the taxable year. If the taxpayer places eligible machinery and equipment in service in more than one area during the taxable year, the threshold applies separately to the eligible machinery and equipment placed in service in each area. If the taxpayer places eligible machinery and equipment in service in an area over the course of a two-year period, the applicable threshold for the second taxable year is reduced by the eligible investment amount for the previous taxable year.

Area Enterprise Tier	Threshold

Tier One	$ -0-
Tier Two	100,000
Tier Three	200,000
Tier Four	500,000
Tier Five	1,000,000

(d) Expiration. -- If, in one of the seven years in which the installment of a credit accrues, the machinery and equipment with respect to which the credit was claimed are disposed of, taken out of service, or moved out of State, the credit expires and the taxpayer may not take any remaining installment of the ~~credit.~~ credit for that machinery and equipment unless the cost of that machinery and equipment is offset in the same taxable year by the taxpayer's new investment in eligible machinery and equipment placed in service in the same enterprise tier, as provided in this subsection. If, during the taxable year the taxpayer disposed of the machinery and equipment for which installments remain, there has been a net reduction in the cost of all the taxpayer's eligible machinery and equipment that are in service in the same enterprise tier as the machinery and equipment that were disposed of, and the amount of this reduction is greater than twenty percent (20%) of the cost of the machinery and equipment that were disposed of, then the taxpayer forfeits the remaining installments of the credit for the machinery and equipment that were disposed of. If the amount of the net reduction is equal to twenty percent (20%) or less of the cost of the machinery and equipment that were disposed of, or if there is no net reduction, then the taxpayer does not forfeit the remaining installments of the expired credit. In determining the amount of any net reduction during the taxable year, the cost of machinery and equipment the taxpayer placed in service during the taxable year and for which the taxpayer claims a credit under Article 3B of this Chapter may not be included in the cost of all the taxpayer's eligible machinery and equipment that are in service. If in a single taxable year machinery and equipment with respect to two or more credits in the same tier are disposed of, the net reduction in the cost of all the taxpayer's eligible machinery and equipment that are in service in the same tier is compared to the total cost of all the machinery and equipment for which credits expired in order to determine whether the remaining installments of the credits are forfeited.

The ~~taxpayer may, however, take~~ expiration of a credit does not prevent the taxpayer from taking the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.5.

If, in one of the seven years in which the installment of a credit accrues, the machinery and equipment with respect to which the credit was claimed are moved to an area in a higher-numbered enterprise tier, or are moved from a development zone to an area that is not a development zone, the remaining installments of the credit are allowed only to the extent they would have been allowed if the machinery and equipment had been placed in service initially in the area to which they were moved.

(e) Planned Expansion. -- A taxpayer that signs a letter of commitment with the Department of Commerce to place specific eligible machinery and equipment in service in an area within two years after the date the letter is signed may, in the year

the eligible machinery and equipment are placed in service in that area, calculate the credit for which the taxpayer qualifies based on the area's enterprise tier and development zone designation for the year the letter was signed. All other conditions apply to the credit, but if the area has been redesignated to a higher-numbered enterprise tier or has lost its development zone designation after the year the letter of commitment was signed, the credit is allowed based on the area's enterprise tier and development zone designation for the year the letter was signed. If the taxpayer does not place part or all of the specified eligible machinery and equipment in service within the two-year period, the taxpayer does not qualify for the benefit of this subsection with respect to the machinery and equipment not placed in service within the two-year period. However, if the taxpayer qualifies for a credit in the year the eligible machinery and equipment are placed in service, the taxpayer may take the credit for that year as if no letter of commitment had been signed pursuant to this subsection."

Section 8.(c) G.S. 105-129.4 is amended by adding a new subsection to read:

"(a2) Expiration. -- If, during the period that installments of a credit under this Article accrue, the taxpayer is no longer engaged in one of the types of business described in subsection (a) of this section, the credit expires and the taxpayer may not take any remaining installments of the credit. The taxpayer may, however, take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.5."

PART IX. TECHNICAL CORRECTION

Section 9. G.S. 105-164.14(i) reads as rewritten:

"(i) **(Effective for taxes paid on or after May 1, 1999 until January 1, 2008)** Nonprofit Insurance Companies. -- Eligible nonprofit insurance companies are allowed an annual refund of sales and use taxes paid under this Article as provided in this subsection.

(1) **(Effective until January 1, 2004)** Refunds. -- An eligible nonprofit insurance company is allowed an annual refund of sales and use taxes paid by it under this Article on building materials, building supplies, fixtures, and equipment that become a part of its real property, and on computer systems hardware and software it capitalizes for tax purposes under the Code. Liability incurred indirectly by the company for sales and use taxes on these items is considered tax paid by the company. A request for a refund must be in writing and must include any information and documentation required by the Secretary. A request for a refund is due within six months after the end of the insurance company's fiscal year. Refunds applied for after the due date are barred.

(1) **(Effective January 1, 2004 until January 1, 2008)** Refunds. -- An eligible nonprofit insurance company is allowed an annual refund of sales and use taxes paid by it under this Article on building

materials, building supplies, fixtures, and equipment that become a part of its real property. Liability incurred indirectly by the company for sales and use taxes on these items is considered tax paid by the company. A request for a refund must be in writing and must include any information and documentation required by the Secretary. A request for a refund is due within six months after the end of the insurance company's fiscal year. Refunds applied for after the due date are barred.

(2) Eligibility. -- An insurance company is eligible for the refund provided in this subsection if it meets all of the following conditions:

a. It is a nonprofit corporation.

b. It is operated for the exclusive purpose of providing insurance and annuity contracts to or for the benefit of (i) organizations exempt from federal income tax under section 501(c)(3) of the ~~Code,~~ Code and their employees or (ii) public institutions and their employees.

c. The Secretary of Commerce has certified that the insurance company will invest at least twenty million dollars ($20,000,000) in constructing a facility in this State for the conduct of its operations.

(3) Forfeiture. -- If an eligible insurance company does not make the required minimum investment within five years after its first refund under this subsection, it loses its eligibility and forfeits all refunds already received under this subsection. Upon forfeiture, the company is liable for tax under this Article equal to the amount of all past taxes refunded under this subsection, plus interest at the rate established in G.S. 105-241.1(i), computed from the date each refund was issued. The tax and interest are due 30 days after the date of the forfeiture. A company that fails to pay the tax and interest is subject to the penalties provided in G.S. 105-236."

PART X. EFFECTIVE DATES

HOUSE BILL 1560:
Modify Bill Lee Act

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Rep. Allen & Owens
Date:	June 20, 2000	**Summary by:**	Cindy Avrette
Version:	2nd Edition		House Committee Counsel

SUMMARY: ***The second edition of House Bill 1560 adds the substance of House Bill 1814 to House Bill 1560 so that all of the House provisions concerning the Bill Lee Act are in one bill. House Bill 1560 is a recommendation of the Revenue Laws Study Committee.***

CURRENT LAW: The General Assembly enacted the William S. Lee Act in 1996. It provides tax credits against income tax, franchise tax, and insurance premiums for qualifying businesses. The credits are more valuable for expansion or development in more distressed counties, small counties, and distressed urban areas. The credits will expire in 2006.

BILL ANALYSIS: House Bill 1814 changes the Bill Lee Act as follows:

PART I. APPLICATION FEE EXEMPTIONS – Becomes effective January 1, 2001, and applies to applications made on or after that date

To claim a credit under the Bill Lee Act, a taxpayer must provide with the tax return the certification of the Secretary of Commerce that the taxpayer meets all of the eligibility requirements with respect to each credit that the taxpayer claims. The taxpayer must file an application for certification with the Secretary. The application fee is currently $500 per credit in tiers 3, 4, and 5, with a cap of $1,500 per applicant. There is no application fee associated with credits claimed in tiers 1 and 2. **House Bill 1814 extends the fee exemption to apply not only to credits claimed in tiers 1 or 2, but also credits claimed in a development zone.** A development zone is an area within the corporate limits of a city with a population over 5,000. The area, composed of one or more contiguous census tracts or census block groups, must have a population of 1,000 or more. Of that population, more than 10% must be below the poverty level or the area must be adjacent to a tract or group that has more than 20% of its population below the poverty level.

Part I also clarifies there is no fee for an application filed with the Department of Revenue concerning the credit for a development zone project. Last year the General Assembly created a new tax credit for taxpayers that contribute cash or property to certain nonprofit agencies to be used for an improvement project in a development zone. An improvement project is a project to construct or improve real property for community development purposes or to acquire real property and convert it for community development purposes. The credit allowed is 25% of the amount contributed by the taxpayer. The total amount of credits that may be allowed in a taxable year is capped at $4 million. Taxpayers are required to apply to the Secretary of Revenue for these credits. If the total amount of credit applied for in a year exceeds $4 million, the Secretary will reduce each applicant's credit proportionally.

PART II. EXTEND CREDIT CARRYFORWARDS – Effective for taxable years beginning on or after January 1, 2000

The Bill Lee Act credits may not exceed 50% of the tax against which they are claimed. The limitation applies to the cumulative amount of credit claimed by the taxpayer, including carryforwards. As a general rule, any unused portion of a credit may be carried forward for five years. There are currently two exceptions to this general rule, and House Bill 1814 creates a third exception:

- Any unused portion of a credit with respect to a large investment may be carried forward for 20 years. A large investment is one where an eligible business purchases or leases, and places in service within a two-year period, $150,000,000 worth of one or more of the following: real property, machinery and equipment, or central administrative office property.
- Any unused portion of a credit with respect to the technology commercialization credit may be carried forward for 20 years. The General Assembly created the technology investment credit last year as an alternative to the 7% credit for investing in machinery and equipment. The credit applies only to investments in machinery and equipment used in production based on technology licensed from a research university. The investments must be located in a tier 1, 2, or 3 area and must equal at least $10 million during the taxable year and must total at least $100 million over a five-year period.
- **The bill would also allow any unused portion of a credit to be carried forward for 10 years if the Secretary of Commerce certifies that the taxpayer will purchase or lease, and place in service in connection with an eligible business within a two-year period, at least $50,000,000 worth of one or more of the following: real property, machinery and equipment, or central office or aircraft facility property. If the taxpayer fails to make the level of investment certified within the two-year period, the taxpayer forfeits the enhanced carryforward period.**

PART III. REQUIRE WAGE STANDARD FOR GRANTS – Effective July 1, 2000, and applies to funds appropriated, grants awarded, or loans made on or after that date

To be eligible for the credits under the Bill Lee Act, the jobs for which a credit is claimed and the jobs at the location with respect to which a credit is claimed must meet the applicable wage standard. For a tier 1 area, the jobs must pay an average weekly wage that is equal to the average weekly wage for that county. For other tier areas, the average weekly wage must equal 110% of the average weekly wage for that county. **This part requires that a business seeking a grant from the Industrial Recruitment Competitive Fund must meet the wage standard and the project for which a local government is seeking a grant from the Industrial Development Fund must meet the wage standard.**

PART IV. PROHIBIT FUNDING FOR DEFAULTING GRANTEES – Effective July 1, 2000, and applies to funds appropriated, grants awarded, or loans made on or after that date

Part IV prohibits the Department of Commerce from making a loan or awarding a grant to any individual, organization, or governmental unit that is currently in default on any loan made by the Department of Commerce.

PART V. AIRCRAFT MAINTENANCE FACILITY CREDIT – Effective for taxable years beginning on or after January 1, 2001

To qualify for a credit under the Bill Lee Act, the taxpayer must engage in one of the eligible businesses listed in the act. **Part V expands the list of eligible businesses to include an auxiliary subdivision of an interstate passenger air carrier engaged primarily in aircraft maintenance and repair services or aircraft rebuilding.** An interstate passenger air carrier is a person whose primary business is scheduled passenger air transportation.

This change allows the air carrier to qualify for the central administrative office credit as well as the credit for creating jobs, credit for investing in machinery and equipment, credit for research and development, and credit for worker training. It also allows the air carrier to qualify for the enhanced 20-year carryforward for large investments.

PART VI. EMPLOYEE BUYOUT INCENTIVE – Effective May 1, 1999, and applies to acquisitions made on or after that date

The Bill Lee Act credits are allowed only for new and expanding businesses. Therefore, as a general rule, the acquisition of a business, or any other transaction by which an existing business reformulates itself as another business, does not create new eligibility in the succeeding business. In 1998, the General Assembly provided an exception from this general rule for a business that has closed, has filed a federally required notice that closure is imminent, or has been purchased in an employee buyout. In these cases, the business is able to qualify for the credits to the same extent as a new business.

Part VI of the act revises the test for what constitutes an acquisition of a business by an employee buyout. It provides that the term "acquired" means that as part of the initial purchase of a business by the employees, the purchase included an agreement for the employees through the employee stock option transaction or another similar mechanism to obtain one of the following:

- Ownership of more than 50% of the business.
- Ownership of not less than 40% of the business within 7 years if the business has tangible assets with a net book value in excess of $100,000,000 and has the majority of its operations located in an enterprise tier one, two, or three area.

PART VII. LOW-INCOME HOUSING CREDIT CHANGES – Effective as stated below

Last session the General Assembly enacted a new tax credit for rehabilitating or constructing low-income housing. The credit is equal to a percentage of the amount of the taxpayer's federal credit for low-income housing with respect to eligible North Carolina low-income housing. The credit is 75% for buildings located in tier one or two and 25% for buildings located in other tiers. **Part VII of the act provides that the 75% credit is also allowed for buildings located in a county that has been designated as having sustained severe or moderate damage from a hurricane or a hurricane-related disaster, according to the Federal Emergency Management Agency impact map, revised on September 25, 1999.** These counties are Bertie, Beaufort, Bladen, Brunswick, Carteret, Columbus, Craven, Dare, Duplin, Edgecombe, Greene, Halifax, Hertford, Jones, Lenoir, Martin, Nash, New Hanover, Northampton, Onslow, Pasquotank, Pender, Pitt, Washington, Wayne, and Wilson Counties. **This part is effective for taxable years beginning on or after January 1, 2001, applies to buildings to which federal credits are allocated on or after January 1, 2001, and expires January 1, 2005.**

To qualify for the State credit, the test of what constitutes low-income housing for a building located in a tier 3, 4, or 5 area is harder to meet than under the federal law. The federal law requires that either (1) at

least 20 % of the residential units are rent-restricted and occupied by individuals whose income is 50% or less of area median gross income or (2) at least 40% of the residential units are rent-restricted and occupied by individuals whose income is 60% or less of area gross income. The State law for a tier 3 or 4 area requires that at least 40% of its residential units are rent-restricted and occupied by individuals whose income is 50% or less of area median gross income. For a tier 5 area, the State law requires that at least 40% of its residential units are rent-restricted and are occupied by individuals whose income is 35% or less of area median gross income. If, in one of the five years in which an installment is claimed, the taxpayer no longer qualifies for the federal credit, the taxpayer is no longer eligible for the State credit. **Part VII clarifies that if a building in a tier 3, 4, or 5 area no longer meets the more stringent State tax credit requirements, the remaining installments of the credit may not be taken, even though the building may continue to qualify for the federal credit. This part is effective for taxable years beginning on or after January 1, 2000.**

PART VIII. MODIFY CREDIT AND EXPIRATION PROVISIONS – Effective for taxable years beginning on or after January 1, 2000

Part VIII of the bill contains the changes to the Bill Lee Act recommended by the Revenue Laws Study Committee and contained in House Bill 1560, introduced by Rep. Allen. This Part does three things:

- It modifies the jobs tax credit to allow a taxpayer to claim a tax credit for creating a full-time job when it has 5 full-time employees regardless of how many weeks those employees work during the taxable year.
- It corrects a provision in the tax credit for investing in machinery and equipment that penalizes a taxpayer for replacing recently acquired equipment with new equipment.
- It clarifies that a taxpayer loses any remaining installments on tax credits claimed under the Bill Lee Act if the taxpayer ceases to engage in an eligible business.

Jobs Tax Credit Change. The Department of Commerce asked the Revenue Laws Study Commission to make this change to eliminate a restriction that has the unintended consequence of preventing a taxpayer from taking a tax credit for jobs created under certain circumstances. Under current law, a taxpayer that meets the eligibility requirements of the Bill Lee Act, has five or more employees for at least 40 weeks of the taxable year, and hires an additional full-time employee to fill a full-time position located in this State may claim a tax credit for creating a new full-time position. The size of the tax credit depends on the location of the new full-time position. The credit for any specific full-time position may be claimed only once and must be taken in installments over four years.

The 40-week requirement has the unintended effect of denying this credit to certain taxpayers. Under current law, an employer would not be eligible for this credit if it were to begin operations with more than 5 employees 13 weeks or more into the taxable year. However, a taxpayer may get around this 40-week requirement by signing a letter of commitment with the Department of Commerce to create at least 20 new full-time jobs in a specific area within a two-year period. This credit has the same attributes as the one described above. This credit is available in the taxable year after at least 20 employees are hired.

Section 8(a) would eliminate the 40-week requirement. The requirement does not serve any apparent purpose. It is believed that the fiscal impact of this change would be minimal since most taxpayers would be able to get around the requirement by signing a letter of commitment. The taxpayers that do not qualify for a letter of commitment and thus would benefit from this change are those who would begin operations with between 5 and 20 employees more than 12 weeks into the taxable year.

Correct Investment Tax Credit. Section 8(b) of the bill would correct a "reverse loophole" in the Bill Lee Act credit for investing in machinery and equipment. Under current law, if a taxpayer earns a credit for investing in machinery and then, within the seven-year period that installments of the credit are allowed, replaces the machinery with newly acquired machinery, the taxpayer not only loses the remaining installments earned on the original machinery but also gets no credit for investing in the replacement machinery except to the extent its value exceeds the value of the original machinery. Section 8(b) of this bill corrects this reverse loophole by providing that the remaining installments of the credit for the original machinery may be taken if the value of newly acquired machinery in the same enterprise tier offsets at least 80% of the value of the original machinery taken out of service. As under current law, a new credit is allowed to the extent the remaining value of the newly acquired machinery creates a net investment increase in excess of the applicable investment threshold. As under current law, there is no penalty if the taxpayer replaces the machinery after the end of the seven-year installment period.

Eligible Business Restriction. Section 8(c) of the bill clarifies that if a taxpayer that claims a Bill Lee Act credit ceases to engage in the type of business required to qualify for that credit, the taxpayer loses any remaining installments of the credit (but does not lose accrued carryforwards).

PART IX. TECHNICAL CORRECTION – Effective May 1, 1999, and applies to taxes paid on or after that date

Last session the General Assembly provided a sales tax refund to certain nonprofit insurance companies for State and local taxes they pay on building materials, supplies, fixtures, and equipment that become a part of their real property and on capitalized computer systems hardward and software. To qualify for these refunds, the insurance company must be operated for the exclusive purposes of providing insurance products to nonprofit charitable organization and their employees. In addition, the Secretary of Commerce must certify that the insurance company will invest at least $20 million in this State. **Part IX of this bill clarifies that to be eligible for this refund, an insurance company must be operated for the exclusive purpose of providing insurance products to organizations exempt from federal income tax and their employees or to public institutions and their employees.**

PRINCIPAL DEPARTMENTS AFFECTED: Department of Revenue administers tax credits and Department of Commerce administers credit application and certification process. The enactment of the bill will not affect the budget requirements of either department.

EFFECTIVE DATE: See "Bill Summary".

ISSUE BACKGROUND: The Bill Lee Act is the package of state tax incentives that was first adopted in 1996 and has been modified in each subsequent year. The incentives are primarily in the form of tax credits for investment in machinery and equipment, job creation, worker training, and research/development. For many of the credits the counties of the State are divided into five economic distress tiers based on the unemployment rate, per capita income, and population growth. In general, the lower the tier of a county, the more favorable the incentive.

BILL SUMMARY: **Application Fee Changes.** Expands the fee exemption for Bill Lee Act credits claimed in a development zone and clarifies that there is no application fee for the special credit for a development zone project. Effective for applications made on or after January 1, 2001. **Extend Credit Carryforwards.** Bill Lee Act credits generally cannot exceed 50% of tax liability, with a 5-year carryforward. In recent years longer carryforwards have been established for specific incentives. The bill creates a new rule that allows unused credits to be carried forward to 10 years in cases where the taxpayer will purchase or lease, and place in service within 2 years, at least $50 million of real property, machinery and equipment, central office property, or aircraft facility property. Effective for taxable years beginning on or after January 1, 2000. **Wage Standards for Grants.** Average weekly wage standards apply to jobs credits under the Bill Lee Act. The standards vary by tier. The bill requires a business seeking a grant from the Industrial Recruitment Competitive Fund to meet the wage standard and the project for which a local government units is seeking an Industrial Development Fund grant to meet the

wage standard. Effective for activity occurring on or after July 1, 2000. **Prohibit Funding for Defaulting Grantees.** Prohibits the Department of Commerce from making a loan or awarding a grant to any individual, organization, or governmental units currently in default on a loan made by Commerce. Effective for activity occurring on or after July 1, 2000. **Aircraft Maintenance Facility Credit.** Expands the list of eligible businesses for the Bill Lee Act credits to include an auxiliary subdivision of an interstate passenger air carrier primarily engaged in aircraft maintenance and repair services or aircraft rebuilding. Effective for tax years beginning on or after January 1, 2001. **Employee Buyout Incentive.** In general, the acquisition of a business, or any other transaction by which an existing business reformulates itself, does not create new eligibility in the succeeding business. However, in 1998 an exception was allowed for an employee buyout situation. HB 1814 makes technical changes to the 1998 exception language. Effective for acquisitions made on or after May 1, 1999. **Low Income Housing Credit For Disaster Counties.** The 1999 General Assembly allowed a tax credit for constructing or rehabilitating low income housing. A 75% credit is allowed in tier 1 or 2 counties and 25% in the other counties. HB 1814 provides that the 75% credit is allowed for buildings located in a county that has been designated as having sustained severe or moderate damage from a hurricane or hurricane-related disaster Effective for tax years beginning on or after January 1, 2001, applies to buildings to which federal credits are allocated on or after January 1, 2001, and expires on January 1, 2005. **Low Income Housing Credit Technical Change**. Clarifies that if a building in a tier 3, 4, or 5 county no longer meets the State tax credit requirements, the remaining installments of the tax credit may not be taken even though the federal credit may still apply. Effective for tax years beginning on or after January 1, 2000. **Jobs Tax Credit Change**. To qualify a taxpayer must have 5 or more employees for at least 40 weeks per year. The bill eliminates the 40-week requirement. Effective for tax years beginning on or after January 1, 2000. **Investment Tax Credit Correction**. Under the Bill Lee Act, a targeted investment tax credit for investing in machinery and equipment must be taken over a 7-year period. If the taxpayer replaces the machinery or equipment with newly acquired property during the installment period, the remaining credit installments are eliminated and no credit is allowed on the new items except to the extent that its value exceeds the value of the original machinery. The bill provides that the remaining installments of the investment tax credit may be taken if the value of the newly acquired machinery and equipment offsets at least 80% of the value of the items taken out of service. Effective for tax years beginning on or after January 1, 2000. **Technical Correction.** Clarifies the eligibility requirements for the 1999 sales tax refunds to certain nonprofit insurance companies.

ASSUMPTIONS AND METHODOLOGY: Aircraft Maintenance Facility Credit. This estimate was based on a simulation of 1 new qualifying facility per year. For the facility, it was assumed that 100 jobs would be created and the investment in machinery and equipment would be $1.5 million. The eligible investment base is relatively low because a large portion of the equipment for such a facility would be part of the real property and not eligible for the credit (applies only to tangible personal property). The credit is taken in the year after the investment is made so there would be no budgetary impact until 2002-03. **Extend Credit Carryforward.** The Department of Commerce provided a revenue loss estimate that would amount to $1.7 million in 2013-14 and $8.5 million by 2017-18. This estimate was based on a simulation using the following assumptions: $1.16 billion of annual investments with 60% of investment in machinery and equipment, and 20% of credit having to be carried over due to the 50% limitation. An independent FRD analysis used more conservative assumptions including: 80% of the $1.16 billion of annual investments in machinery and equipment and 40% of the credits being carried

forward. This change does not have an impact for over 12 years due to the fact that the changes applies to new investment, the fact that the credit must be taken over 7 years starting with the year following the investment, and that current law provides for a 5-year carry forward. **Jobs Tax Credit Change**: Discussions with the Department of Commerce and Department of Revenue indicated that in the past most of the taxpayers affected by the 40-week requirement have been able to qualify through the "letter of commitment" language under G.S. 105-129.8(d). This requirement involves a commitment for "at least twenty new full-time jobs".

The remainder of the changes in the bill either have no impact (technical changes and changes where the cost was accounted for in prior legislation) or the impact is insignificant.

A BILL TO BE ENTITLED

AN ACT TO ENACT REVISED ARTICLE 9 OF THE UNIFORM COMMERCIAL CODE, CONFORMING AMENDMENTS TO OTHER ARTICLES OF THE UNIFORM COMMERCIAL CODE, AND CONFORMING AMENDMENTS TO OTHER SECTIONS OF THE GENERAL STATUTES AND TO INCREASE CERTAIN FEES UNDER CURRENT ARTICLE 9, AS RECOMMENDED BY THE GENERAL STATUTES COMMISSION.

The General Assembly of North Carolina enacts:

PART I. REVISED ARTICLE 9 OF THE UNIFORM COMMERCIAL CODE.

Section 1. Article 9 of Chapter 25 of the General Statutes is rewritten to read:

"ARTICLE 9.

"Secured Transactions.

"PART 1.

"GENERAL PROVISIONS.

"SUBPART 1. SHORT TITLE, DEFINITIONS, AND GENERAL CONCEPTS.

"§ 25-9-101. Short title.

This Article may be cited as Uniform Commercial Code-Secured Transactions.

"§ 25-9-102. Definitions and index of definitions.

(a) Article 9 definitions. -- In this Article:

(1) 'Accession' means goods that are physically united with other goods in such a manner that the identity of the original goods is not lost.

(2) 'Account', except as used in 'account for', means a right to payment of a monetary obligation, whether or not earned by performance, (i) for property that has been or is to be sold, leased, licensed, assigned, or otherwise disposed of, (ii) for services rendered or to be rendered, (iii) for a policy of insurance issued or to be issued, (iv) for a secondary obligation incurred or to be incurred, (v) for energy provided or to be provided, (vi) for the use or hire of a vessel under a charter or other contract, (vii) arising out of the use of a credit or charge card or information contained on or for use with the card, or (viii) as winnings in a lottery or other game of chance operated or sponsored by a state, governmental unit of a state, or person licensed or authorized to operate the game by a state or governmental unit of a state. The term includes health-care-insurance receivables. The term does not include (i) rights to payment evidenced by chattel paper or an instrument, (ii) commercial tort claims, (iii) deposit accounts, (iv) investment property, (v) letter-of-credit rights or letters of credit, or (vi) rights to payment for money or funds advanced or sold, other than rights arising out of the use of a credit or charge card or information contained on or for use with the card.

(3) 'Account debtor' means a person obligated on an account, chattel paper, or general intangible. The term does not include persons obligated to pay a negotiable instrument, even if the instrument constitutes part of chattel paper.

(4) 'Accounting', except as used in 'accounting for', means a record:

a. Authenticated by a secured party;

b. Indicating the aggregate unpaid secured obligations as of a date not more than 35 days earlier or 35 days later than the date of the record; and

c. Identifying the components of the obligations in reasonable detail.

(5) 'Agricultural lien' means an interest, other than a security interest, in farm products:

a. Which secures payment or performance of an obligation for:

1. Goods or services furnished in connection with a debtor's farming operation; or

2. Rent on real property leased by a debtor in connection with its farming operation;

b. Which is created by statute in favor of a person that:

1. In the ordinary course of its business furnished goods or services to a debtor in connection with a debtor's farming operation; or
2. Leased real property to a debtor in connection with the debtor's farming operation; and

c. Whose effectiveness does not depend on the person's possession of the personal property.

(6) 'As-extracted collateral' means:

a. Oil, gas, or other minerals that are subject to a security interest that:
1. Is created by a debtor having an interest in the minerals before extraction; and
2. Attaches to the minerals as extracted; or

b. Accounts arising out of the sale at the wellhead or minehead of oil, gas, or other minerals in which the debtor had an interest before extraction.

(7) 'Authenticate' means:

a. To sign; or

b. To execute or otherwise adopt a symbol, or encrypt or similarly process a record in whole or in part, with the present intent of the authenticating person to identify the person and adopt or accept a record.

(8) 'Bank' means an organization that is engaged in the business of banking. The term includes savings banks, savings and loan associations, credit unions, and trust companies.

(9) 'Cash proceeds' means proceeds that are money, checks, deposit accounts, or the like.

(10) 'Certificate of title' means a certificate of title with respect to which a statute provides for the security interest in question to be indicated on the certificate as a condition or result of the security interest's obtaining priority over the rights of a lien creditor with respect to the collateral.

(11) 'Chattel paper' means a record or records that evidence both a monetary obligation and a security interest in specific goods, a security interest in specific goods and software used in the goods, a security interest in specific goods and license of software used in the goods, a lease of specific goods, or a lease of specific goods and license of software used in the goods. In this subdivision, 'monetary obligation' means a monetary obligation secured by the goods or owed under a lease of the goods and includes a monetary obligation with respect to software used in the goods. The term does not include (i) charters or other contracts involving the use or hire of a vessel or (ii) records that evidence a right to payment arising out of the use of a credit or charge card or information

contained on or for use with the card. If a transaction is evidenced by records that include an instrument or series of instruments, the group of records taken together constitutes chattel paper.

(12) 'Collateral' means the property subject to a security interest or agricultural lien. The term includes:

a. Proceeds to which a security interest attaches;

b. Accounts, chattel paper, payment intangibles, and promissory notes that have been sold; and

c. Goods that are the subject of a consignment.

(13) 'Commercial tort claim' means a claim arising in tort with respect to which:

a. The claimant is an organization; or

b. The claimant is an individual and the claim:

1. Arose in the course of the claimant's business or profession; and

2. Does not include damages arising out of personal injury to or the death of an individual.

(14) 'Commodity account' means an account maintained by a commodity intermediary in which a commodity contract is carried for a commodity customer.

(15) 'Commodity contract' means a commodity futures contract, an option on a commodity futures contract, a commodity option, or another contract if the contract or option is:

a. Traded on or subject to the rules of a board of trade that has been designated as a contract market for such a contract pursuant to federal commodities laws; or

b. Traded on a foreign commodity board of trade, exchange, or market, and is carried on the books of a commodity intermediary for a commodity customer.

(16) 'Commodity customer' means a person for which a commodity intermediary carries a commodity contract on its books.

(17) 'Commodity intermediary' means a person that:

a. Is registered as a futures commission merchant under federal commodities law; or

b. In the ordinary course of its business provides clearance or settlement services for a board of trade that has been designated as a contract market pursuant to federal commodities law.

(18) 'Communicate' means:

a. To send a written or other tangible record;

b. To transmit a record by any means agreed upon by the persons sending and receiving the record; or

c. In the case of transmission of a record to or by a filing office, to transmit a record by any means prescribed by filing-office rule.

(19) 'Consignee' means a merchant to which goods are delivered in a consignment.

(20) 'Consignment' means a transaction, regardless of its form, in which a person delivers goods to a merchant for the purpose of sale and:

a. The merchant:

1. Deals in goods of that kind under a name other than the name of the person making delivery;

2. Is not an auctioneer; and

3. Is not generally known by its creditors to be substantially engaged in selling the goods of others;

b. With respect to each delivery, the aggregate value of the goods is one thousand dollars ($1,000) or more at the time of delivery;

c. The goods are not consumer goods immediately before delivery; and

d. The transaction does not create a security interest that secures an obligation.

(21) 'Consignor' means a person that delivers goods to a consignee in a consignment.

(22) 'Consumer debtor' means a debtor in a consumer transaction.

(23) 'Consumer goods' means goods that are used or bought for use primarily for personal, family, or household purposes.

(24) 'Consumer-goods transaction' means a consumer transaction in which:

a. An individual incurs an obligation primarily for personal, family, or household purposes; and

b. A security interest in consumer goods secures the obligation.

(25) 'Consumer obligor' means an obligor who is an individual and who incurred the obligation as part of a transaction entered into primarily for personal, family, or household purposes.

(26) 'Consumer transaction' means a transaction in which (i) an individual incurs an obligation primarily for personal, family, or household purposes, (ii) a security interest secures the obligation, and (iii) the collateral is held or acquired primarily for personal, family, or household purposes. The term includes consumer-goods transactions.

(27) 'Continuation statement' means an amendment of a financing statement which:

a. Identifies, by its file number, the initial financing statement to which it relates; and

b. Indicates that it is a continuation statement for, or that it is filed to continue the effectiveness of, the identified financing statement.

(28) 'Debtor' means:

a. A person having an interest, other than a security interest or other lien, in the collateral, whether or not the person is an obligor;

b. A seller of accounts, chattel paper, payment intangibles, or promissory notes; or

c. A consignee.

(29) 'Deposit account' means a demand, time, savings, passbook, or similar account maintained with a bank. The term does not include investment property or accounts evidenced by an instrument.

(30) 'Document' means a document of title or a receipt of the type described in G.S. 25-7-201(2).

(31) 'Electronic chattel paper' means chattel paper evidenced by a record or records consisting of information stored in an electronic medium.

(32) 'Encumbrance' means a right, other than an ownership interest, in real property. The term includes mortgages and other liens on real property.

(33) 'Equipment' means goods other than inventory, farm products, or consumer goods.

(34) 'Farm products' means goods, other than standing timber, with respect to which the debtor is engaged in a farming operation and which are:

a. Crops grown, growing, or to be grown, including:

1. Crops produced on trees, vines, and bushes; and

2. Aquatic goods produced in aquacultural operations;

b. Livestock, born or unborn, including aquatic goods produced in aquacultural operations;

c. Supplies used or produced in a farming operation; or

d. Products of crops or livestock in their unmanufactured states.

(35) 'Farming operation' means raising, cultivating, propagating, fattening, grazing, or any other farming, livestock, or aquacultural operation.

(36) 'File number' means the number assigned to an initial financing statement pursuant to G.S. 25-9-519(a).

(37) 'Filing office' means an office designated in G.S. 25-9-501 as the place to file a financing statement.

(38) 'Filing-office rule' means a rule adopted pursuant to G.S. 25-9-526.

(39) 'Financing statement' means a record or records composed of an initial financing statement and any filed record relating to the initial financing statement.

(40) 'Fixture filing' means the filing of a financing statement covering goods that are or are to become fixtures and satisfying G.S. 25-9-502(a) and (b). The term includes the filing of a financing statement covering goods of a transmitting utility which are or are to become fixtures.

(41) 'Fixtures' means goods that have become so related to particular real property that an interest in them arises under real property law.

(42) 'General intangible' means any personal property, including things in action, other than accounts, chattel paper, commercial tort claims, deposit accounts, documents, goods, instruments, investment property, letter-of-credit rights, letters of credit, money, and oil, gas, or other minerals before extraction. The term includes payment intangibles and software.

(43) 'Good faith' means honesty in fact and the observance of reasonable commercial standards of fair dealing.

(44) 'Goods' means all things that are movable when a security interest attaches. The term includes (i) fixtures, (ii) standing timber that is to be cut and removed under a conveyance or contract for sale, (iii) the unborn young of animals, (iv) crops grown, growing, or to be grown, even if the crops are produced on trees, vines, or bushes, and (v) manufactured homes. The term also includes a computer program embedded in goods and any supporting information provided in connection with a transaction relating to the program if (i) the program is associated with the goods in such a manner that it customarily is considered part of the goods, or (ii) by becoming the owner of the goods, a person acquires a right to use the program in connection with the goods. The term does not include a computer program embedded in goods that consist solely of the medium in which the program is embedded. The term also does not include accounts, chattel paper, commercial tort claims, deposit accounts, documents, general intangibles, instruments, investment property, letter-of-credit rights, letters of credit, money, or oil, gas, or other minerals before extraction.

(45) 'Governmental unit' means a subdivision, agency, department, county, parish, municipality, or other unit of the government of the United States, a state, or a foreign country. The term includes an organization having a separate corporate existence if the organization is eligible to issue debt on which interest is exempt from income taxation under the laws of the United States.

(46) 'Health-care-insurance receivable' means an interest in or claim under a policy of insurance which is a right to payment of a monetary obligation for health-care goods or services provided.

(47) 'Instrument' means a negotiable instrument or any other writing that evidences a right to the payment of a monetary obligation, is not itself a security agreement or lease, and is of a type that in ordinary course of business is transferred by delivery with any necessary indorsement or assignment. The term does not include (i) investment property, (ii) letters of credit, or (iii) writings that evidence a right to payment arising out of the use of a credit or charge card or information contained on or for use with the card.

(48) 'Inventory' means goods, other than farm products, which:

a. Are leased by a person as lessor;

b. Are held by a person for sale or lease or to be furnished under a contract of service;

(c) Article 1 definitions and principles. -- Article 1 of this Chapter contains general definitions and principles of construction and interpretation applicable throughout this Article.

"§ 25-9-103. Purchase-money security interest; application of payments; burden of establishing.

(a) Definitions. -- In this section:

(1) 'Purchase-money collateral' means goods or software that secures a purchase-money obligation incurred with respect to that collateral; and

(2) 'Purchase-money obligation' means an obligation of an obligor incurred as all or part of the price of the collateral or for value given to enable the debtor to acquire rights in or the use of the collateral if the value is in fact so used.

(b) Purchase-money security interest in goods. -- A security interest in goods is a purchase-money security interest:

(1) To the extent that the goods are purchase-money collateral with respect to that security interest;

(2) If the security interest is in inventory that is or was purchase-money collateral, also to the extent that the security interest secures a purchase-money obligation incurred with respect to other inventory in which the secured party holds or held a purchase-money security interest; and

(3) Also to the extent that the security interest secures a purchase-money obligation incurred with respect to software in which the secured party holds or held a purchase-money security interest.

(c) Purchase-money security interest in software. -- A security interest in software is a purchase-money security interest to the extent that the security interest also secures a purchase-money obligation incurred with respect to goods in which the secured party holds or held a purchase-money security interest if:

(1) The debtor acquired its interest in the software in an integrated transaction in which it acquired an interest in the goods; and

(2) The debtor acquired its interest in the software for the principal purpose of using the software in the goods.

(d) Consignor's inventory purchase-money security interest. -- The security interest of a consignor in goods that are the subject of a consignment is a purchase-money security interest in inventory.

(e) Application of payment in non-consumer-goods transaction. -- In a transaction other than a consumer-goods transaction, if the extent to which a security interest is a purchase-money security interest depends on the application of a payment to a particular obligation, the payment must be applied:

(1) In accordance with any reasonable method of application to which the parties agree;

(2) In the absence of the parties' agreement to a reasonable method, in accordance with any intention of the obligor manifested at or before the time of payment; or

(3) In the absence of an agreement to a reasonable method and a timely manifestation of the obligor's intention, in the following order:

a. To obligations that are not secured; and

b. If more than one obligation is secured, to obligations secured by purchase-money security interests in the order in which those obligations were incurred.

(f) No loss of status of purchase-money security interest in non-consumer-goods transaction. -- In a transaction other than a consumer-goods transaction, a purchase-money security interest does not lose its status as such, even if:

(1) The purchase-money collateral also secures an obligation that is not a purchase-money obligation;

(2) Collateral that is not purchase-money collateral also secures the purchase-money obligation; or

(3) The purchase-money obligation has been renewed, refinanced, consolidated, or restructured.

(g) Burden of proof in non-consumer-goods transaction. -- In a transaction other than a consumer-goods transaction, a secured party claiming a purchase-money security interest has the burden of establishing the extent to which the security interest is a purchase-money security interest.

(h) Non-consumer-goods transactions; no inference. -- The limitation of the rules in subsections (e), (f), and (g) of this section to transactions other than consumer-goods transactions is intended to leave to the court the determination of the proper rules in consumer-goods transactions. The court may not infer from that limitation the nature of the proper rule in consumer-goods transactions and may continue to apply established approaches.

"§ 25-9-103.1. Production-money crops; production-money obligation; production-money security interest; burden of establishing.

(a) Production-money crops. -- A security interest in crops is a production-money security interest to the extent that the crops are production-money crops.

(b) Production-money obligation. -- If the extent to which a security interest is a production-money security interest depends on the application of a payment to a particular obligation, the payment must be applied:

(1) In accordance with any reasonable method of application to which the parties agree;

(2) In the absence of the parties' agreement to a reasonable method, in accordance with any intention of the obligor manifested at or before the time of payment; or

(3) In the absence of an agreement to a reasonable method and a timely manifestation of the obligor's intention, in the following order:

a. To obligations that are not secured; and

b. If more than one obligation is secured, to obligations secured by production-money security interests in the order in which those obligations were incurred.

(c) Production-money security interest. -- A production-money security interest does not lose its status as such, even if:

(1) The production-money crops also secure an obligation that is not a production-money obligation;
(2) Collateral that is not production-money crops also secures the production-money obligation; or
(3) The production-money obligation has been renewed, refinanced, or restructured.

(d) Burden of proof. -- A secured party claiming a production-money security interest has the burden of establishing the extent to which the security interest is a production-money security interest.

"**§ 25-9-104. Control of deposit account.**

(a) Requirements for control. -- A secured party has control of a deposit account if:

(1) The secured party is the bank with which the deposit account is maintained;
(2) The debtor, secured party, and bank have agreed in an authenticated record that the bank will comply with instructions originated by the secured party directing disposition of the funds in the deposit account without further consent by the debtor; or
(3) The secured party becomes the bank's customer with respect to the deposit account.

(b) Debtor's right to direct disposition. -- A secured party that has satisfied subsection (a) of this section has control, even if the debtor retains the right to direct the disposition of funds from the deposit account.

"**§ 25-9-105. Control of electronic chattel paper.**

A secured party has control of electronic chattel paper if the record or records comprising the chattel paper are created, stored, and assigned in such a manner that:

(1) A single authoritative copy of the record or records exists which is unique, identifiable and, except as otherwise provided in subdivisions (4), (5), and (6) of this section, unalterable;
(2) The authoritative copy identifies the secured party as the assignee of the record or records;
(3) The authoritative copy is communicated to and maintained by the secured party or its designated custodian;
(4) Copies or revisions that add or change an identified assignee of the authoritative copy can be made only with the participation of the secured party;
(5) Each copy of the authoritative copy and any copy of a copy is readily identifiable as a copy that is not the authoritative copy; and
(6) Any revision of the authoritative copy is readily identifiable as an authorized or unauthorized revision.

"**§ 25-9-106. Control of investment property.**

(a) Control under G.S. 25-8-106. -- A person has control of a certificated security, uncertificated security, or security entitlement as provided in G.S. 25-8-106.

(b) Control of commodity contract. -- A secured party has control of a commodity contract if:

(1) The secured party is the commodity intermediary with which the commodity contract is carried; or

(2) The commodity customer, secured party, and commodity intermediary have agreed that the commodity intermediary will apply any value distributed on account of the commodity contract as directed by the secured party without further consent by the commodity customer.

(c) Effect of control of securities account or commodity account. -- A secured party having control of all security entitlements or commodity contracts carried in a securities account or commodity account has control over the securities account or commodity account.

"§ 25-9-107. Control of letter-of-credit right.

A secured party has control of a letter-of-credit right to the extent of any right to payment or performance by the issuer or any nominated person if the issuer or nominated person has consented to an assignment of proceeds of the letter of credit under G.S. 25-5-114(c) or otherwise applicable law or practice.

"§ 25-9-108. Sufficiency of description.

(a) Sufficiency of description. -- Except as otherwise provided in subsections (c), (d), and (e) of this section, a description of personal or real property is sufficient, whether or not it is specific, if it reasonably identifies what is described.

(b) Examples of reasonable identification. -- Except as otherwise provided in subsection (d) of this section, a description of collateral reasonably identifies the collateral if it identifies the collateral by:

(1) Specific listing;

(2) Category;

(3) Except as otherwise provided in subsection (e) of this section, a type of collateral defined in this Chapter;

(4) Quantity;

(5) Computational or allocational formula or procedure; or

(6) Except as otherwise provided in subsection (c) of this section, any other method, if the identity of the collateral is objectively determinable.

(c) Supergeneric description not sufficient. -- A description of collateral as 'all the debtor's assets' or 'all the debtor's personal property' or using words of similar import does not reasonably identify the collateral.

(d) Investment property. -- Except as otherwise provided in subsection (e) of this section, a description of a security entitlement, securities account, or commodity account is sufficient if it describes:

(1) The collateral by those terms or as investment property; or

(2) The underlying financial asset or commodity contract.

(e) When description by type insufficient. -- A description only by type of collateral defined in this Chapter is an insufficient description of:

(1) A commercial tort claim; or
(2) In a consumer transaction, consumer goods, a security entitlement, a securities account, or a commodity account.

"SUBPART 2. APPLICABILITY OF ARTICLE.

"**§ 25-9-109. Scope.**

(a) General scope of Article. -- Except as otherwise provided in subsections (c) and (d) of this section, this Article applies to:

(1) A transaction, regardless of its form, that creates a security interest in personal property or fixtures by contract;
(2) An agricultural lien;
(3) A sale of accounts, chattel paper, payment intangibles, or promissory notes;
(4) A consignment;
(5) A security interest arising under G.S. 25-2-401, 25-2-505, 25-2-711(3), or 25-2A-508(5), as provided in G.S. 25-9-110; and
(6) A security interest arising under G.S. 25-4-208 or G.S. 25-5-118.

(b) Security interest in secured obligation. -- The application of this Article to a security interest in a secured obligation is not affected by the fact that the obligation is itself secured by a transaction or interest to which this Article does not apply.

(c) Extent to which Article does not apply. -- This Article does not apply to the extent that:

(1) A statute, regulation, or treaty of the United States preempts this Article;
(2) Another statute of this State expressly governs the creation, perfection, priority, or enforcement of a security interest created by this State or a governmental unit of this State;
(3) A statute of another state, a foreign country, or a governmental unit of another state or a foreign country, other than a statute generally applicable to security interests, expressly governs creation, perfection, priority, or enforcement of a security interest created by the state, country, or governmental unit; or
(4) The rights of a transferee beneficiary or nominated person under a letter of credit are independent and superior under G.S. 25-5-114.

(d) Inapplicability of Article. -- This Article does not apply to:

(1) A landlord's lien, other than an agricultural lien;
(2) A lien, other than an agricultural lien, given by statute or other rule of law for services or materials, but G.S. 25-9-333 applies with respect to priority of the lien;
(3) An assignment of a claim for wages, salary, or other compensation of an employee;
(4) A sale of accounts, chattel paper, payment intangibles, or promissory notes as part of a sale of the business out of which they arose;

(5) An assignment of accounts, chattel paper, payment intangibles, or promissory notes which is for the purpose of collection only;
(6) An assignment of a right to payment under a contract to an assignee that is also obligated to perform under the contract;
(7) An assignment of a single account, payment intangible, or promissory note to an assignee in full or partial satisfaction of a preexisting indebtedness;
(8) A transfer of an interest in or an assignment of a claim under a policy of insurance, other than an assignment by or to a health-care provider of a health-care-insurance receivable and any subsequent assignment of the right to payment, but G.S. 25-9-315 and G.S. 25-9-322 apply with respect to proceeds and priorities in proceeds;
(9) An assignment of a right represented by a judgment, other than a judgment taken on a right to payment that was collateral;
(10) A right of recoupment or setoff, but:
a. G.S. 25-9-340 applies with respect to the effectiveness of rights of recoupment or setoff against deposit accounts; and
b. G.S. 25-9-404 applies with respect to defenses or claims of an account debtor;
(11) The creation or transfer of an interest in or lien on real property, including a lease or rents thereunder, except to the extent that provision is made for:
a. Liens on real property in G.S. 25-9-203 and G.S. 25-9-308;
b. Fixtures in G.S. 25-9-334;
c. Fixture filings in G.S. 25-9-501, 25-9-502, 25-9-512, 25-9-516, and 25-9-519; and
d. Security agreements covering personal and real property in G.S. 25-9-604;
(12) An assignment of a claim arising in tort, other than a commercial tort claim, but G.S. 25-9-315 and G.S. 25-9-322 apply with respect to proceeds and priorities in proceeds; or
(13) An assignment of a deposit account in a consumer transaction, but G.S. 25-9-315 and G.S. 25-9-322 apply with respect to proceeds and priorities in proceeds.

"§ 25-9-110. Security interests arising under Article 2 or 2A of this Chapter.

A security interest arising under G.S. 25-2-401, 25-2-505, 25-2-711(3), or 25-2A-508(5) is subject to this Article. However, until the debtor obtains possession of the goods:

(1) The security interest is enforceable, even if G.S. 25-9-203(b)(3) has not been satisfied;
(2) Filing is not required to perfect the security interest;
(3) The rights of the secured party after default by the debtor are governed by Article 2 or 2A of this Chapter; and

(4) The security interest has priority over a conflicting security interest created by the debtor.

"PART 2.
"EFFECTIVENESS OF SECURITY AGREEMENT;
ATTACHMENT OF SECURITY INTEREST;
RIGHTS OF PARTIES TO SECURITY AGREEMENT.
"SUBPART 1. EFFECTIVENESS AND ATTACHMENT.

"§ 25-9-201. General effectiveness of security agreement.

(a) General effectiveness. -- Except as otherwise provided in this Chapter, a security agreement is effective according to its terms between the parties, against purchasers of the collateral, and against creditors.

(b) Applicable consumer laws and other law. -- A transaction subject to this Article is subject to any applicable rule of law which establishes a different rule for consumers, to any other statute, rule, or regulation of this State that regulates the rates, charges, agreements, and practices for loans, credit sales, or other extensions of credit, and to any consumer-protection statute, rule, or regulation of this State, including Chapter 24 of the General Statutes, the Retail Installment Sales Act (Chapter 25A of the General Statutes), the North Carolina Consumer Finance Act (Article 15 of Chapter 53 of the General Statutes), and the Pawnbrokers Modernization Act of 1989 (Chapter 91A of the General Statutes).

(c) Other applicable law controls. -- In case of conflict between this Article and a rule of law, statute, or regulation described in subsection (b) of this section, the rule of law, statute, or regulation controls. Failure to comply with a statute or regulation described in subsection (b) of this section has only the effect the statute or regulation specifies.

(d) Further deference to other applicable law. -- This Article does not:

(1) Validate any rate, charge, agreement, or practice that violates a rule of law, statute, or regulation described in subsection (b) of this section; or

(2) Extend the application of the rule of law, statute, or regulation to a transaction not otherwise subject to it.

"§ 25-9-202. Title to collateral immaterial.

Except as otherwise provided with respect to consignments or sales of accounts, chattel paper, payment intangibles, or promissory notes, the provisions of this Article with regard to rights and obligations apply whether title to collateral is in the secured party or the debtor.

"§ 25-9-203. Attachment and enforceability of security interest; proceeds; supporting obligations; formal requisites.

(a) Attachment. -- A security interest attaches to collateral when it becomes enforceable against the debtor with respect to the collateral, unless an agreement expressly postpones the time of attachment.

(b) Enforceability. -- Except as otherwise provided in subsections (c) through (i) of this section, a security interest is enforceable against the debtor and third parties with respect to the collateral only if:

(1) Value has been given;
(2) The debtor has rights in the collateral or the power to transfer rights in the collateral to a secured party; and
(3) One of the following conditions is met:
a. The debtor has authenticated a security agreement that provides a description of the collateral and, if the security interest covers timber to be cut, a description of the land concerned;
b. The collateral is not a certificated security and is in the possession of the secured party under G.S. 25-9-313 pursuant to the debtor's security agreement;
c. The collateral is a certificated security in registered form and the security certificate has been delivered to the secured party under G.S. 25-8-301 pursuant to the debtor's security agreement; or
d. The collateral is deposit accounts, electronic chattel paper, investment property, or letter-of-credit rights, and the secured party has control under G.S. 25-9-104, 25-9-105, 25-9-106, or 25-9-107 pursuant to the debtor's security agreement.

(c) Other UCC provisions. -- Subsection (b) of this section is subject to G.S. 25-4-208 on the security interest of a collecting bank, G.S. 25-5-118 on the security interest of a letter-of-credit issuer or nominated person, G.S. 25-9-110 on a security interest arising under Article 2 or 2A of this Chapter, and G.S. 25-9-206 on security interests in investment property.

(d) When person becomes bound by another person's security agreement. -- A person becomes bound as debtor by a security agreement entered into by another person if, by operation of law other than this Article or by contract:
(1) The security agreement becomes effective to create a security interest in the person's property; or
(2) The person becomes generally obligated for the obligations of the other person, including the obligation secured under the security agreement, and acquires or succeeds to all or substantially all of the assets of the other person.

(e) Effect of new debtor becoming bound. -- If a new debtor becomes bound as debtor by a security agreement entered into by another person:
(1) The agreement satisfies subdivision (b)(3) of this section with respect to existing or after-acquired property of the new debtor to the extent the property is described in the agreement; and
(2) Another agreement is not necessary to make a security interest in the property enforceable.

(f) Proceeds and supporting obligations. -- The attachment of a security interest in collateral gives the secured party the rights to proceeds provided by G.S. 25-9-315

and is also attachment of a security interest in a supporting obligation for the collateral.

(g) Lien securing right to payment. -- The attachment of a security interest in a right to payment or performance secured by a security interest or other lien on personal or real property is also attachment of a security interest in the security interest, mortgage, or other lien.

(h) Security entitlement carried in securities account. -- The attachment of a security interest in a securities account is also attachment of a security interest in the security entitlements carried in the securities account.

(i) Commodity contracts carried in commodity account. -- The attachment of a security interest in a commodity account is also attachment of a security interest in the commodity contracts carried in the commodity account.

"§ 25-9-204. After-acquired property; future advances.

(a) After-acquired collateral. -- Except as otherwise provided in subsection (b) of this section, a security agreement may create or provide for a security interest in after-acquired collateral.

(b) When after-acquired property clause not effective. -- A security interest does not attach under a term constituting an after-acquired property clause to:

(1) Consumer goods, other than an accession when given as additional security, unless the debtor acquires rights in them within 10 days after the secured party gives value; or

(2) A commercial tort claim.

(c) Future advances and other value. -- A security agreement may provide that collateral secures, or that accounts, chattel paper, payment intangibles, or promissory notes are sold in connection with future advances or other value, whether or not the advances or value are given pursuant to commitment.

"§ 25-9-205. Use or disposition of collateral permissible.

(a) When security interest not invalid or fraudulent. -- A security interest is not invalid or fraudulent against creditors solely because:

(1) The debtor has the right or ability to:

a. Use, commingle, or dispose of all or part of the collateral, including returned or repossessed goods;

b. Collect, compromise, enforce, or otherwise deal with collateral;

c. Accept the return of collateral or make repossessions; or

d. Use, commingle, or dispose of proceeds; or

(2) The secured party fails to require the debtor to account for proceeds or replace collateral.

(b) Requirements of possession not relaxed. -- This section does not relax the requirements of possession if attachment, perfection, or enforcement of a security interest depends upon possession of the collateral by the secured party.

"§ 25-9-206. Security interest arising in purchase or delivery of financial asset.

(a) Security interest when person buys through securities intermediary. -- A security interest in favor of a securities intermediary attaches to a person's security entitlement if:

(1) The person buys a financial asset through the securities intermediary in a transaction in which the person is obligated to pay the purchase price to the securities intermediary at the time of the purchase; and

(2) The securities intermediary credits the financial asset to the buyer's securities account before the buyer pays the securities intermediary.

(b) Security interest secures obligation to pay for financial asset. -- The security interest described in subsection (a) of this section secures the person's obligation to pay for the financial asset.

(c) Security interest in payment against delivery transaction. -- A security interest in favor of a person that delivers a certificated security or other financial asset represented by a writing attaches to the security or other financial asset if:

(1) The security or other financial asset:

a. In the ordinary course of business is transferred by delivery with any necessary indorsement or assignment; and

b. Is delivered under an agreement between persons in the business of dealing with such securities or financial assets; and

(2) The agreement calls for delivery against payment.

(d) Security interest secures obligation to pay for delivery. -- The security interest described in subsection (c) of this section secures the obligation to make payment for the delivery.

"SUBPART 2. RIGHTS AND DUTIES.

"§ 25-9-207. Rights and duties of secured party having possession or control of collateral.

(a) Duty of care when secured party in possession. -- Except as otherwise provided in subsection (d) of this section, a secured party shall use reasonable care in the custody and preservation of collateral in the secured party's possession. In the case of chattel paper or an instrument, reasonable care includes taking necessary steps to preserve rights against prior parties unless otherwise agreed.

(b) Expenses, risks, duties, and rights when secured party in possession. -- Except as otherwise provided in subsection (d) of this section, if a secured party has possession of collateral:

(1) Reasonable expenses, including the cost of insurance and payment of taxes or other charges, incurred in the custody, preservation, use, or operation of the collateral are chargeable to the debtor and are secured by the collateral;

(2) The risk of accidental loss or damage is on the debtor to the extent of a deficiency in any effective insurance coverage;

(3) The secured party shall keep the collateral identifiable, but fungible collateral may be commingled; and

(4) The secured party may use or operate the collateral:

a. For the purpose of preserving the collateral or its value;

b. As permitted by an order of a court having competent jurisdiction; or

c. Except in the case of consumer goods, in the manner and to the extent agreed by the debtor.

(c) Rights and duties when secured party in possession or control. -- Except as otherwise provided in subsection (d) of this section, a secured party having possession of collateral or control of collateral under G.S. 25-9-104, 25-9-105, 25-9-106, or 25-9-107:

(1) May hold as additional security any proceeds, except money or funds, received from the collateral;

(2) Shall apply money or funds received from the collateral to reduce the secured obligation, unless remitted to the debtor; and

(3) May create a security interest in the collateral.

(d) Buyer of certain rights to payment. -- If the secured party is a buyer of accounts, chattel paper, payment intangibles, or promissory notes or a consignor:

(1) Subsection (a) of this section does not apply unless the secured party is entitled under an agreement:

a. To charge back uncollected collateral; or

b. Otherwise to full or limited recourse against the debtor or a secondary obligor based on the nonpayment or other default of an account debtor or other obligor on the collateral; and

(2) Subsections (b) and (c) of this section do not apply.

"§ 25-9-208. Additional duties of secured party having control of collateral.

(a) Applicability of section. -- This section applies to cases in which there is no outstanding secured obligation and the secured party is not committed to make advances, incur obligations, or otherwise give value.

(b) Duties of secured party after receiving demand from debtor. -- Within 10 days after receiving an authenticated demand by the debtor:

(1) A secured party having control of a deposit account under G.S. 25-9-104(a)(2) shall send to the bank with which the deposit account is maintained an authenticated statement that releases the bank from any further obligation to comply with instructions originated by the secured party;

(2) A secured party having control of a deposit account under G.S. 25-9-104(a)(3) shall:

a. Pay the debtor the balance on deposit in the deposit account; or

b. Transfer the balance on deposit into a deposit account in the debtor's name;

(3) A secured party, other than a buyer, having control of electronic chattel paper under G.S. 25-9-105 shall:

a. Communicate the authoritative copy of the electronic chattel paper to the debtor or its designated custodian;

b. If the debtor designates a custodian that is the designated custodian with which the authoritative copy of the electronic chattel paper is maintained for the secured party, communicate to the custodian an authenticated record releasing the designated custodian from any further obligation to comply with instructions originated by the secured party and instructing the custodian to comply with instructions originated by the debtor; and

c. Take appropriate action to enable the debtor or its designated custodian to make copies of or revisions to the authoritative copy which add or change an identified assignee of the authoritative copy without the consent of the secured party;

(4) A secured party having control of investment property under G.S. 25-8-106(d)(2) or G.S. 25-9-106(b) shall send to the securities intermediary or commodity intermediary with which the security entitlement or commodity contract is maintained an authenticated record that releases the securities intermediary or commodity intermediary from any further obligation to comply with entitlement orders or directions originated by the secured party; and

(5) A secured party having control of a letter-of-credit right under G.S. 25-9-107 shall send to each person having an unfulfilled obligation to pay or deliver proceeds of the letter of credit to the secured party an authenticated release from any further obligation to pay or deliver proceeds of the letter of credit to the secured party.

"§ 25-9-209. Duties of secured party if account debtor has been notified of assignment.

(a) Applicability of section. -- Except as otherwise provided in subsection (c) of this section, this section applies if:

(1) There is no outstanding secured obligation; and

(2) The secured party is not committed to make advances, incur obligations, or otherwise give value.

(b) Duties of secured party after receiving demand from debtor. -- Within 10 days after receiving an authenticated demand by the debtor, a secured party shall send to an account debtor that has received notification of an assignment to the secured party as assignee under G.S. 25-9-406(a) an authenticated record that releases the account debtor from any further obligation to the secured party.

(c) Inapplicability to sales. -- This section does not apply to an assignment constituting the sale of an account, chattel paper, or payment intangible.

"§ 25-9-210. Request for accounting; request regarding list of collateral or statement of account.

(a) Definitions. -- In this section:

(1) 'Request' means a record of a type described in subdivision (2), (3), or (4) of this subsection.

(2) 'Request for an accounting' means a record authenticated by a debtor requesting that the recipient provide an accounting of the unpaid obligations secured by collateral and reasonably identifying the transaction or relationship that is the subject of the request.

(3) 'Request regarding a list of collateral' means a record authenticated by a debtor requesting that the recipient approve or correct a list of what the debtor believes to be the collateral securing an obligation and reasonably identifying the transaction or relationship that is the subject of the request.

(4) 'Request regarding a statement of account' means a record authenticated by a debtor requesting that the recipient approve or correct a statement indicating what the debtor believes to be the aggregate amount of unpaid obligations secured by collateral as of a specified date and reasonably identifying the transaction or relationship that is the subject of the request.

(b) Duty to respond to requests. -- Subject to subsections (c), (d), (e), and (f) of this section, a secured party, other than a buyer of accounts, chattel paper, payment intangibles, or promissory notes or a consignor, shall comply with a request within 14 days after receipt:

(1) In the case of a request for an accounting, by authenticating and sending to the debtor an accounting; and

(2) In the case of a request regarding a list of collateral or a request regarding a statement of account, by authenticating and sending to the debtor an approval or correction.

(c) Request regarding list of collateral; statement concerning type of collateral. -- A secured party that claims a security interest in all of a particular type of collateral owned by the debtor may comply with a request regarding a list of collateral by sending to the debtor an authenticated record including a statement to that effect within 14 days after receipt.

(d) Request regarding list of collateral; no interest claimed. -- A person that receives a request regarding a list of collateral, claims no interest in the collateral when it receives the request, and claimed an interest in the collateral at an earlier time shall comply with the request within 14 days after receipt by sending to the debtor an authenticated record:

(1) Disclaiming any interest in the collateral; and

(2) If known to the recipient, providing the name and mailing address of any assignee of or successor to the recipient's interest in the collateral.

(e) Request for accounting or regarding statement of account; no interest in obligation claimed. -- A person that receives a request for an accounting or a request regarding a statement of account, claims no interest in the obligations when it receives the request, and claimed an interest in the obligations at an earlier time shall comply with the request within 14 days after receipt by sending to the debtor an authenticated record:

(1) Disclaiming any interest in the obligations; and

(2) If known to the recipient, providing the name and mailing address of any assignee of or successor to the recipient's interest in the obligations.

(f) Charges for responses. -- A debtor is entitled without charge to one response to a request under this section during any six-month period. The secured party may require payment of a charge not exceeding twenty-five dollars ($25.00) for each additional response.

"PART 3.

"PERFECTION AND PRIORITY.

"SUBPART 1. LAW GOVERNING PERFECTION AND PRIORITY.

"§ 25-9-301. Law governing perfection and priority of security interests.

Except as otherwise provided in G.S. 25-9-303 through G.S. 25-9-306, the following rules determine the law governing perfection, the effect of perfection or nonperfection, and the priority of a security interest in collateral:

(1) Except as otherwise provided in this section, while a debtor is located in a jurisdiction, the local law of that jurisdiction governs perfection, the effect of perfection or nonperfection, and the priority of a security interest in collateral.

(2) While collateral is located in a jurisdiction, the local law of that jurisdiction governs perfection, the effect of perfection or nonperfection, and the priority of a possessory security interest in that collateral.

(3) Except as otherwise provided in subdivision (4) of this section, while negotiable documents, goods, instruments, money, or tangible chattel paper is located in a jurisdiction, the local law of that jurisdiction governs:

a. Perfection of a security interest in the goods by filing a fixture filing;

b. Perfection of a security interest in timber to be cut; and

c. The effect of perfection or nonperfection and the priority of a nonpossessory security interest in the collateral.

(4) The local law of the jurisdiction in which the wellhead or minehead is located governs perfection, the effect of perfection or

nonperfection, and the priority of a security interest in as-extracted collateral.

"§ 25-9-302. Law governing perfection and priority of agricultural liens.

While farm products are located in a jurisdiction, the local law of that jurisdiction governs perfection, the effect of perfection or nonperfection, and the priority of an agricultural lien on the farm products.

"§ 25-9-303. Law governing perfection and priority of security interests in goods covered by a certificate of title.

(a) Applicability of section. -- This section applies to goods covered by a certificate of title, even if there is no other relationship between the jurisdiction under whose certificate of title the goods are covered and the goods or the debtor.

(b) When goods covered by certificate of title. -- Goods become covered by a certificate of title when a valid application for the certificate of title and the applicable fee are delivered to the appropriate authority. Goods cease to be covered by a certificate of title at the earlier of the time the certificate of title ceases to be effective under the law of the issuing jurisdiction or the time the goods become covered subsequently by a certificate of title issued by another jurisdiction.

(c) Applicable law. -- The local law of the jurisdiction under whose certificate of title the goods are covered governs perfection, the effect of perfection or nonperfection, and the priority of a security interest in goods covered by a certificate of title from the time the goods become covered by the certificate of title until the goods cease to be covered by the certificate of title.

"§ 25-9-304. Law governing perfection and priority of security interests in deposit accounts.

(a) Law of bank's jurisdiction governs. -- The local law of a bank's jurisdiction governs perfection, the effect of perfection or nonperfection, and the priority of a security interest in a deposit account maintained with that bank.

(b) Bank's jurisdiction. -- The following rules determine a bank's jurisdiction for purposes of this Part:

(1) If an agreement between the bank and the debtor governing the deposit account expressly provides that a particular jurisdiction is the bank's jurisdiction for purposes of this Part, this Article, or this Chapter, that jurisdiction is the bank's jurisdiction.

(2) If subdivision (1) of this subsection does not apply and an agreement between the bank and its customer governing the deposit account expressly provides that the agreement is governed by the law of a particular jurisdiction, that jurisdiction is the bank's jurisdiction.

(3) If neither subdivision (1) nor subdivision (2) of this subsection applies and an agreement between the bank and its customer governing the deposit account expressly provides that the deposit account is maintained at an office in a particular jurisdiction, that jurisdiction is the bank's jurisdiction.

(4) If none of subdivisions (1), (2), and (3) of this subsection applies, the bank's jurisdiction is the jurisdiction in which the office identified in an account statement as the office serving the customer's account is located.

(5) If none of subdivisions (1), (2), (3), and (4) of this subsection applies, the bank's jurisdiction is the jurisdiction in which the chief executive office of the bank is located.

"§ 25-9-305. Law governing perfection and priority of security interests in investment property.

(a) Governing law: general rules. -- Except as otherwise provided in subsection (c) of this section, the following rules apply:

(1) While a security certificate is located in a jurisdiction, the local law of that jurisdiction governs perfection, the effect of perfection or nonperfection, and the priority of a security interest in the certificated security represented thereby.

(2) The local law of the issuer's jurisdiction as specified in G.S. 25-8-110(d) governs perfection, the effect of perfection or nonperfection, and the priority of a security interest in an uncertificated security.

(3) The local law of the securities intermediary's jurisdiction as specified in G.S. 25-8-110(e) governs perfection, the effect of perfection or nonperfection, and the priority of a security interest in a security entitlement or securities account.

(4) The local law of the commodity intermediary's jurisdiction governs perfection, the effect of perfection or nonperfection, and the priority of a security interest in a commodity contract or commodity account.

(b) Commodity intermediary's jurisdiction. -- The following rules determine a commodity intermediary's jurisdiction for purposes of this Part:

(1) If an agreement between the commodity intermediary and commodity customer governing the commodity account expressly provides that a particular jurisdiction is the commodity intermediary's jurisdiction for purposes of this Part, this Article, or this Chapter, that jurisdiction is the commodity intermediary's jurisdiction.

(2) If subdivision (1) of this subsection does not apply and an agreement between the commodity intermediary and commodity customer governing the commodity account expressly provides that the agreement is governed by the law of a particular jurisdiction, that jurisdiction is the commodity intermediary's jurisdiction.

(3) If neither subdivision (1) nor subdivision (2) of this subsection applies and an agreement between the commodity intermediary and commodity customer governing the commodity account expressly provides that the commodity account is maintained at an

office in a particular jurisdiction, that jurisdiction is the commodity intermediary's jurisdiction.

(4) If none of subdivisions (1), (2), and (3) of this subsection applies, the commodity intermediary's jurisdiction is the jurisdiction in which the office identified in an account statement as the office serving the commodity customer's account is located.

(5) If none of subdivisions (1), (2), (3), and (4) of this subsection applies, the commodity intermediary's jurisdiction is the jurisdiction in which the chief executive office of the commodity intermediary is located.

(c) When perfection governed by law of jurisdiction where debtor located. -- The local law of the jurisdiction in which the debtor is located governs:

(1) Perfection of a security interest in investment property by filing;

(2) Automatic perfection of a security interest in investment property created by a broker or securities intermediary; and

(3) Automatic perfection of a security interest in a commodity contract or commodity account created by a commodity intermediary.

"§ 25-9-306. Law governing perfection and priority of security interests in letter-of-credit rights.

(a) Governing law: issuer's or nominated person's jurisdiction. -- Subject to subsection (c) of this section, the local law of the issuer's jurisdiction or a nominated person's jurisdiction governs perfection, the effect of perfection or nonperfection, and the priority of a security interest in a letter-of-credit right if the issuer's jurisdiction or nominated person's jurisdiction is a state.

(b) Issuer's or nominated person's jurisdiction. -- For purposes of this Part, an issuer's jurisdiction or nominated person's jurisdiction is the jurisdiction whose law governs the liability of the issuer or nominated person with respect to the letter-of-credit right as provided in G.S. 25-5-116.

(c) When section not applicable. -- This section does not apply to a security interest that is perfected only under G.S. 25-9-308(d).

"§ 25-9-307. Location of debtor.

(a) 'Place of business.' -- In this section, 'place of business' means a place where a debtor conducts its affairs.

(b) Debtor's location: general rules. -- Except as otherwise provided in this section, the following rules determine a debtor's location:

(1) A debtor who is an individual is located at the individual's principal residence.

(2) A debtor that is an organization and has only one place of business is located at its place of business.

(3) A debtor that is an organization and has more than one place of business is located at its chief executive office.

(c) Limitation of applicability of subsection (b). -- Subsection (b) of this section applies only if a debtor's residence, place of business, or chief executive office, as applicable, is located in a jurisdiction whose law generally requires information

concerning the existence of a nonpossessory security interest to be made generally available in a filing, recording, or registration system as a condition or result of the security interest's obtaining priority over the rights of a lien creditor with respect to the collateral. If subsection (b) of this section does not apply, the debtor is located in the District of Columbia.

(d) Continuation of location: cessation of existence, etc. -- A person that ceases to exist, have a residence, or have a place of business continues to be located in the jurisdiction specified by subsections (b) and (c) of this section.

(e) Location of registered organization organized under state law. -- A registered organization that is organized under the law of a state is located in that state.

(f) Location of registered organization organized under federal law; bank branches and agencies. -- Except as otherwise provided in subsection (i) of this section, a registered organization that is organized under the law of the United States and a branch or agency of a bank that is not organized under the law of the United States or a state are located:

(1) In the state that the law of the United States designates, if the law designates a state of location;

(2) In the state that the registered organization, branch, or agency designates, if the law of the United States authorizes the registered organization, branch, or agency to designate its state of location; or

(3) In the District of Columbia, if neither subdivision (1) nor subdivision (2) of this subsection applies.

(g) Continuation of location: change in status of registered organization. -- A registered organization continues to be located in the jurisdiction specified by subsection (e) or (f) of this section notwithstanding:

(1) The suspension, revocation, forfeiture, or lapse of the registered organization's status as such in its jurisdiction of organization; or

(2) The dissolution, winding up, or cancellation of the existence of the registered organization.

(h) Location of United States. -- The United States is located in the District of Columbia.

(i) Location of foreign bank branch or agency if licensed in only one state. -- A branch or agency of a bank that is not organized under the law of the United States or a state is located in the state in which the branch or agency is licensed, if all branches and agencies of the bank are licensed in only one state.

(j) Location of foreign air carrier. -- A foreign air carrier under the Federal Aviation Act of 1958, as amended, is located at the designated office of the agent upon which service of process may be made on behalf of the carrier.

(k) Section applies only to this Part. -- This section applies only for purposes of this Part.

"SUBPART 2. PERFECTION.

"§ 25-9-308. When security interest or agricultural lien is perfected; continuity of perfection.

(a) Perfection of security interest. -- Except as otherwise provided in this section and G.S. 25-9-309, a security interest is perfected if it has attached and all of the applicable requirements for perfection in G.S. 25-9-310 through G.S. 25-9-316 have been satisfied. A security interest is perfected when it attaches if the applicable requirements are satisfied before the security interest attaches.

(b) Perfection of agricultural lien. -- An agricultural lien is perfected if it has become effective and all of the applicable requirements for perfection in G.S. 25-9-310 have been satisfied. An agricultural lien is perfected when it becomes effective if the applicable requirements are satisfied before the agricultural lien becomes effective.

(c) Continuous perfection; perfection by different methods. -- A security interest or agricultural lien is perfected continuously if it is originally perfected by one method under this Article and is later perfected by another method under this Article, without an intermediate period when it was unperfected.

(d) Supporting obligation. -- Perfection of a security interest in collateral also perfects a security interest in a supporting obligation for the collateral.

(e) Lien securing right to payment. -- Perfection of a security interest in a right to payment or performance also perfects a security interest in a security interest, mortgage, or other lien on personal or real property securing the right.

(f) Security entitlement carried in securities account. -- Perfection of a security interest in a securities account also perfects a security interest in the security entitlements carried in the securities account.

(g) Commodity contract carried in commodity account. -- Perfection of a security interest in a commodity account also perfects a security interest in the commodity contracts carried in the commodity account.

"**§ 25-9-309. Security interest perfected upon attachment.** The following security interests are perfected when they attach:

(1) A purchase-money security interest in consumer goods, except as otherwise provided in G.S. 25-9-311(b) with respect to consumer goods that are subject to a statute or treaty described in G.S. 25-9-311(a);

(2) An assignment of accounts or payment intangibles which does not by itself or in conjunction with other assignments to the same assignee transfer a significant part of the assignor's outstanding accounts or payment intangibles;

(3) A sale of a payment intangible;

(4) A sale of a promissory note;

(5) A security interest created by the assignment of a health-care-insurance receivable to the provider of the health-care goods or services;

(6) A security interest arising under G.S. 25-2-401, 25-2-505, 25-2-711(3), or 25-2A-508(5), until the debtor obtains possession of the collateral;

(7) A security interest of a collecting bank arising under G.S. 25-4-208;

(8) A security interest of an issuer or nominated person arising under G.S. 25-5-118;
(9) A security interest arising in the delivery of a financial asset under G.S. 25-9-206(c);
(10) A security interest in investment property created by a broker or securities intermediary;
(11) A security interest in a commodity contract or a commodity account created by a commodity intermediary;
(12) An assignment for the benefit of all creditors of the transferor and subsequent transfers by the assignee thereunder; and
(13) A security interest created by an assignment of a beneficial interest in a decedent's estate.

"§ 25-9-310. When filing required to perfect security interest or agricultural lien; security interests and agricultural liens to which filing provisions do not apply.

(a) General rule: perfection by filing. -- Except as otherwise provided in subsection (b) of this section and G.S. 25-9-312(b), a financing statement must be filed to perfect all security interests and agricultural liens.

(b) Exceptions: filing not necessary. -- The filing of a financing statement is not necessary to perfect a security interest:

(1) That is perfected under G.S. 25-9-308(d), (e), (f), or (g);
(2) That is perfected under G.S. 25-9-309 when it attaches;
(3) In property subject to a statute, regulation, or treaty described in G.S. 25-9-311(a);
(4) In goods in possession of a bailee which is perfected under G.S. 25-9-312(d)(1) or (2);
(5) In certificated securities, documents, goods, or instruments which is perfected without filing or possession under G.S. 25-9-312(e), (f), or (g);
(6) In collateral in the secured party's possession under G.S. 25-9-313;
(7) In a certificated security which is perfected by delivery of the security certificate to the secured party under G.S. 25-9-313;
(8) In deposit accounts, electronic chattel paper, investment property, or letter-of-credit rights which is perfected by control under G.S. 25-9-314;
(9) In proceeds which is perfected under G.S. 25-9-315;
(10) That is perfected under G.S. 25-9-316; or
(11) Created in connection with the issuance of any bond, note, or other evidence of indebtedness for borrowed money by this State or any political subdivision or agency thereof, except as provided in G.S. 63A-11(e), 143B-456.1(f), 159C-28, and 159D-23.

(c) Assignment of perfected security interest. -- If a secured party assigns a perfected security interest or agricultural lien, a filing under this Article is not required to continue the perfected status of the security interest against creditors of and transferees from the original debtor.

"**§ 25-9-311. Perfection of security interests in property subject to certain statutes, regulations, and treaties.**

(a) Security interest subject to other law. -- Except as otherwise provided in subsection (d) of this section, the filing of a financing statement is not necessary or effective to perfect a security interest in property subject to:

(1) A statute, regulation, or treaty of the United States whose requirements for a security interest's obtaining priority over the rights of a lien creditor with respect to the property preempt G.S. 25-9-310(a);

(2) A certificate-of-title statute of this State covering automobiles or other goods that provides for a security interest to be indicated on the certificate as a condition to or result of perfection of the security interest, including G.S. 20-58 and G.S. 75A-41; or

(3) A certificate-of-title statute of another jurisdiction which provides for a security interest to be indicated on the certificate as a condition or result of the security interest's obtaining priority over the rights of a lien creditor with respect to the property.

(b) Compliance with other law. -- Compliance with the requirements of a statute, regulation, or treaty described in subsection (a) of this section for obtaining priority over the rights of a lien creditor is equivalent to the filing of a financing statement under this Article. Except as otherwise provided in subsection (d) of this section and G.S. 25-9-313 and G.S. 25-9-316(d) and (e) for goods covered by a certificate of title, a security interest in property subject to a statute, regulation, or treaty described in subsection (a) of this section may be perfected only by compliance with those requirements, and a security interest so perfected remains perfected notwithstanding a change in the use or transfer of possession of the collateral.

(c) Duration and renewal of perfection. -- Except as otherwise provided in subsection (d) of this section and G.S. 25-9-316(d) and (e), duration and renewal of perfection of a security interest perfected by compliance with the requirements prescribed by a statute, regulation, or treaty described in subsection (a) of this section are governed by the statute, regulation, or treaty. In other respects, the security interest is subject to this Article.

(d) Inapplicability to certain inventory. -- During any period in which collateral subject to a statute specified in subdivision (a)(2) of this section is inventory held for sale or lease by a person or leased by that person as lessor and that person is in the business of selling goods of that kind, this section does not apply to a security interest in that collateral created by that person.

"**§ 25-9-312. Perfection of security interests in chattel paper, deposit accounts, documents, goods covered by documents, instruments, investment property, letter-of-credit rights, and money; perfection by permissive filing; temporary perfection without filing or transfer of possession.**

(a) Perfection by filing permitted. -- A security interest in chattel paper, negotiable documents, instruments, or investment property may be perfected by filing.

(b) Control or possession of certain collateral. -- Except as otherwise provided in G.S. 25-9-315(c) and (d) for proceeds:

(1) A security interest in a deposit account may be perfected only by control under G.S. 25-9-314;

(2) And except as otherwise provided in G.S. 25-9-308(d), a security interest in a letter-of-credit right may be perfected only by control under G.S. 25-9-314; and

(3) A security interest in money may be perfected only by the secured party's taking possession under G.S. 25-9-313.

(c) Goods covered by negotiable document. -- While goods are in the possession of a bailee that has issued a negotiable document covering the goods:

(1) A security interest in the goods may be perfected by perfecting a security interest in the document; and

(2) A security interest perfected in the document has priority over any security interest that becomes perfected in the goods by another method during that time.

(d) Goods covered by nonnegotiable document. -- While goods are in the possession of a bailee that has issued a nonnegotiable document covering the goods, a security interest in the goods may be perfected by:

(1) Issuance of a document in the name of the secured party;

(2) The bailee's receipt of notification of the secured party's interest; or

(3) Filing as to the goods.

(e) Temporary perfection: new value. -- A security interest in certificated securities, negotiable documents, or instruments is perfected without filing or the taking of possession for a period of 20 days from the time it attaches to the extent that it arises for new value given under an authenticated security agreement.

(f) Temporary perfection: goods or documents made available to debtor. -- A perfected security interest in a negotiable document or goods in possession of a bailee, other than one that has issued a negotiable document for the goods, remains perfected for 20 days without filing if the secured party makes available to the debtor the goods or documents representing the goods for the purpose of:

(1) Ultimate sale or exchange; or

(2) Loading, unloading, storing, shipping, transshipping, manufacturing, processing, or otherwise dealing with them in a manner preliminary to their sale or exchange.

(g) Temporary perfection: delivery of security certificate or instrument to debtor. -- A perfected security interest in a certificated security or instrument remains perfected for 20 days without filing if the secured party delivers the security certificate or instrument to the debtor for the purpose of:

(1) Ultimate sale or exchange; or

(2) Presentation, collection, enforcement, renewal, or registration of transfer.

(h) Expiration of temporary perfection. -- After the 20-day period specified in subsection (e), (f), or (g) of this section expires, perfection depends upon compliance with this Article.

"§ 25-9-313. When possession by or delivery to secured party perfects security interest without filing.

(a) Perfection by possession or delivery. -- Except as otherwise provided in subsection (b) of this section, a secured party may perfect a security interest in negotiable documents, goods, instruments, money, or tangible chattel paper by taking possession of the collateral. A secured party may perfect a security interest in certificated securities by taking delivery of the certificated securities under G.S. 25-8-301.

(b) Goods covered by certificate of title. -- With respect to goods covered by a certificate of title issued by this State, a secured party may perfect a security interest in the goods by taking possession of the goods only in the circumstances described in G.S. 25-9-316(d).

(c) Collateral in possession of person other than debtor. -- With respect to collateral other than certificated securities and goods covered by a document, a secured party takes possession of collateral in the possession of a person other than the debtor, the secured party, or a lessee of the collateral from the debtor in the ordinary course of the debtor's business, when:

(1) The person in possession authenticates a record acknowledging that it holds possession of the collateral for the secured party's benefit; or

(2) The person takes possession of the collateral after having authenticated a record acknowledging that it will hold possession of collateral for the secured party's benefit.

(d) Time of perfection by possession; continuation of perfection. -- If perfection of a security interest depends upon possession of the collateral by a secured party, perfection occurs no earlier than the time the secured party takes possession and continues only while the secured party retains possession.

(e) Time of perfection by delivery; continuation of perfection. -- A security interest in a certificated security in registered form is perfected by delivery when delivery of the certificated security occurs under G.S. 25-8-301 and remains perfected by delivery until the debtor obtains possession of the security certificate.

(f) Acknowledgment not required. -- A person in possession of collateral is not required to acknowledge that it holds possession for a secured party's benefit.

(g) Effectiveness of acknowledgment; no duties or confirmation. -- If a person acknowledges that it holds possession for the secured party's benefit:

(1) The acknowledgment is effective under subsection (c) of this section or G.S. 25-8-301(a), even if the acknowledgment violates the rights of a debtor; and

(2) Unless the person otherwise agrees or law other than this Article otherwise provides, the person does not owe any duty to the

secured party and is not required to confirm the acknowledgment to another person.

(h) Secured party's delivery to person other than debtor. -- A secured party having possession of collateral does not relinquish possession by delivering the collateral to a person other than the debtor or a lessee of the collateral from the debtor in the ordinary course of the debtor's business if the person was instructed before the delivery or is instructed contemporaneously with the delivery:

(1) To hold possession of the collateral for the secured party's benefit; or

(2) To redeliver the collateral to the secured party.

(i) Effect of delivery under subsection (h); no duties or confirmation. -- A secured party does not relinquish possession, even if a delivery under subsection (h) of this section violates the rights of a debtor. A person to which collateral is delivered under subsection (h) of this section does not owe any duty to the secured party and is not required to confirm the delivery to another person unless the person otherwise agrees or law other than this Article otherwise provides.

"**§ 25-9-314. Perfection by control.**

(a) Perfection by control. -- A security interest in investment property, deposit accounts, letter-of-credit rights, or electronic chattel paper may be perfected by control of the collateral under G.S. 25-9-104, 25-9-105, 25-9-106, or 25-9-107.

(b) Specified collateral: time of perfection by control; continuation of perfection. -- A security interest in deposit accounts, electronic chattel paper, or letter-of-credit rights is perfected by control under G.S. 25-9-104, 25-9-105, or 25-9-107 when the secured party obtains control and remains perfected by control only while the secured party retains control.

(c) Investment property: time of perfection by control; continuation of perfection. -- A security interest in investment property is perfected by control under G.S. 25-9-106 from the time the secured party obtains control and remains perfected by control until:

(1) The secured party does not have control; and

(2) One of the following occurs:

a. If the collateral is a certificated security, the debtor has or acquires possession of the security certificate;

b. If the collateral is an uncertificated security, the issuer has registered or registers the debtor as the registered owner; or

c. If the collateral is a security entitlement, the debtor is or becomes the entitlement holder.

"**§ 25-9-315. Secured party's rights on disposition of collateral and in proceeds.**

(a) Disposition of collateral: continuation of security interest or agricultural lien; proceeds. -- Except as otherwise provided in this Article and in G.S. 25-2-403(2):

(1) A security interest or agricultural lien continues in collateral notwithstanding sale, lease, license, exchange, or other disposition thereof unless the secured party authorized the disposition free of the security interest or agricultural lien; and

(2) A security interest attaches to any identifiable proceeds of collateral.

(b) When commingled proceeds identifiable. -- Proceeds that are commingled with other property are identifiable proceeds:

(1) If the proceeds are goods, to the extent provided by G.S. 25-9-336; and

(2) If the proceeds are not goods, to the extent that the secured party identifies the proceeds by a method of tracing, including application of equitable principles, that is permitted under law other than this Article with respect to commingled property of the type involved.

(c) Perfection of security interest in proceeds. -- A security interest in proceeds is a perfected security interest if the security interest in the original collateral was perfected.

(d) Continuation of perfection. -- A perfected security interest in proceeds becomes unperfected on the twenty-first day after the security interest attaches to the proceeds unless:

(1) The following conditions are satisfied:

a. A filed financing statement covers the original collateral;

b. The proceeds are collateral in which a security interest may be perfected by filing in the office in which the financing statement has been filed; and

c. The proceeds are not acquired with cash proceeds;

(2) The proceeds are identifiable cash proceeds; or

(3) The security interest in the proceeds is perfected other than under subsection (c) of this section when the security interest attaches to the proceeds or within 20 days thereafter.

(e) When perfected security interest in proceeds becomes unperfected. -- If a filed financing statement covers the original collateral, a security interest in proceeds which remains perfected under subdivision (d)(1) of this section becomes unperfected at the later of:

(1) When the effectiveness of the filed financing statement lapses under G.S. 25-9-515 or is terminated under G.S. 25-9-513; or

(2) The twenty-first day after the security interest attaches to the proceeds.

"§ 25-9-316. Continued perfection of security interest following change in governing law.

(a) General rule: effect on perfection of change in governing law. -- A security interest perfected pursuant to the law of the jurisdiction designated in G.S. 25-9-301(1) or G.S. 25-9-305(c) remains perfected until the earliest of:

(1) The time perfection would have ceased under the law of that jurisdiction;

(2) The expiration of four months after a change of the debtor's location to another jurisdiction; or

(3) The expiration of one year after a transfer of collateral to a person that thereby becomes a debtor and is located in another jurisdiction.

(b) Security interest perfected or unperfected under law of new jurisdiction. -- If a security interest described in subsection (a) of this section becomes perfected under the law of the other jurisdiction before the earliest time or event described in that subsection, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earliest time or event, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

(c) Possessory security interest in collateral moved to new jurisdiction. -- A possessory security interest in collateral, other than goods covered by a certificate of title and as-extracted collateral consisting of goods, remains continuously perfected if:

(1) The collateral is located in one jurisdiction and subject to a security interest perfected under the law of that jurisdiction;

(2) Thereafter the collateral is brought into another jurisdiction; and

(3) Upon entry into the other jurisdiction, the security interest is perfected under the law of the other jurisdiction.

(d) Goods covered by certificate of title from this State. -- Except as otherwise provided in subsection (e) of this section, a security interest in goods covered by a certificate of title which is perfected by any method under the law of another jurisdiction when the goods become covered by a certificate of title from this State remains perfected until the security interest would have become unperfected under the law of the other jurisdiction had the goods not become so covered.

(e) When subsection (d) security interest becomes unperfected against purchasers. -- A security interest described in subsection (d) of this section becomes unperfected as against a purchaser of the goods for value and is deemed never to have been perfected as against a purchaser of the goods for value if the applicable requirements for perfection under G.S. 25-9-311(b) or G.S. 25-9-313 are not satisfied before the earlier of:

(1) The time the security interest would have become unperfected under the law of the other jurisdiction had the goods not become covered by a certificate of title from this State; or

(2) The expiration of four months after the goods had become so covered.

(f) Change in jurisdiction of bank, issuer, nominated person, securities intermediary, or commodity intermediary. -- A security interest in deposit accounts, letter-of-credit rights, or investment property which is perfected under the law of the bank's jurisdiction, the issuer's jurisdiction, a nominated person's jurisdiction, the securities intermediary's jurisdiction, or the commodity intermediary's jurisdiction, as applicable, remains perfected until the earlier of:

(1) The time the security interest would have become unperfected under the law of that jurisdiction; or

(2) The expiration of four months after a change of the applicable jurisdiction to another jurisdiction.

(g) Subsection (f) security interest perfected or unperfected under law of new jurisdiction. -- If a security interest described in subsection (f) of this section becomes perfected under the law of the other jurisdiction before the earlier of the time or the end of the period described in that subsection, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earlier of that time or the end of that period, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

"SUBPART 3. PRIORITY.

"§ 25-9-317. Interests that take priority over or take free of security interest or agricultural lien.

(a) Conflicting security interests and rights of lien creditors. -- A security interest or agricultural lien is subordinate to the rights of:

(1) A person entitled to priority under G.S. 25-9-322; and

(2) Except as otherwise provided in subsection (e) of this section, a person that becomes a lien creditor before the earlier of the time:

a. The security interest or agricultural lien is perfected; or

b. One of the conditions specified in G.S. 25-9-203(b)(3) is met and a financing statement covering the collateral is filed.

(b) Buyers that receive delivery. -- Except as otherwise provided in subsection (e) of this section, a buyer, other than a secured party, of tangible chattel paper, documents, goods, instruments, or a security certificate takes free of a security interest or agricultural lien if the buyer gives value and receives delivery of the collateral without knowledge of the security interest or agricultural lien and before it is perfected.

(c) Lessees that receive delivery. -- Except as otherwise provided in subsection (e) of this section, a lessee of goods takes free of a security interest or agricultural lien if the lessee gives value and receives delivery of the collateral without knowledge of the security interest or agricultural lien and before it is perfected.

(d) Licensees and buyers of certain collateral. -- A licensee of a general intangible or a buyer, other than a secured party, of accounts, electronic chattel paper, general intangibles, or investment property other than a certificated security takes free of a security interest if the licensee or buyer gives value without knowledge of the security interest and before it is perfected.

(e) Purchase-money security interest. -- Except as otherwise provided in G.S. 25-9-320 and G.S. 25-9-321, if a person files a financing statement with respect to a purchase-money security interest before or within 20 days after the debtor receives delivery of the collateral, the security interest takes priority over the rights of a buyer, lessee, or lien creditor which arise between the time the security interest attaches and the time of filing.

"§ 25-9-318. No interest retained in right to payment that is sold; rights and title of seller of account or chattel paper with respect to creditors and purchasers.

(a) Seller retains no interest. -- A debtor that has sold an account, chattel paper, payment intangible, or promissory note does not retain a legal or equitable interest in the collateral sold.

(b) Deemed rights of debtor if buyer's security interest unperfected. -- For purposes of determining the rights of creditors of, and purchasers for value of an account or chattel paper from, a debtor that has sold an account or chattel paper, while the buyer's security interest is unperfected, the debtor is deemed to have rights and title to the account or chattel paper identical to those the debtor sold.

"§ 25-9-319. Rights and title of consignee with respect to creditors and purchasers.

(a) Consignee has consignor's rights. -- Except as otherwise provided in subsection (b) of this section, for purposes of determining the rights of creditors of, and purchasers for value of goods from, a consignee, while the goods are in the possession of the consignee, the consignee is deemed to have rights and title to the goods identical to those the consignor had or had power to transfer.

(b) Applicability of other law. -- For purposes of determining the rights of a creditor of a consignee, law other than this Article determines the rights and title of a consignee while goods are in the consignee's possession if, under this Part, a perfected security interest held by the consignor would have priority over the rights of the creditor.

"§ 25-9-320. Buyer of goods.

(a) Buyer in ordinary course of business. -- Except as otherwise provided in subsection (e) of this section, a buyer in ordinary course of business, other than a person buying farm products from a person engaged in farming operations, takes free of a security interest created by the buyer's seller, even if the security interest is perfected and the buyer knows of its existence.

(b) Buyer of consumer goods. -- Except as otherwise provided in subsection (e) of this section, a buyer of goods from a person who used or bought the goods for use primarily for personal, family, or household purposes takes free of a security interest, even if perfected, if the buyer buys:

(1) Without knowledge of the security interest;

(2) For value;

(3) Primarily for the buyer's personal, family, or household purposes; and

(4) Before the filing of a financing statement covering the goods.

(c) Effectiveness of filing for subsection (b). -- To the extent that it affects the priority of a security interest over a buyer of goods under subsection (b) of this section, the period of effectiveness of a filing made in the jurisdiction in which the seller is located is governed by G.S. 25-9-316(a) and (b).

(d) Buyer in ordinary course of business at wellhead or minehead. -- A buyer in ordinary course of business buying oil, gas, or other minerals at the wellhead or minehead or after extraction takes free of an interest arising out of an encumbrance.

(e) Possessory security interest not affected. -- Subsections (a) and (b) of this section do not affect a security interest in goods in the possession of the secured party under G.S. 25-9-313.

"**§ 25-9-321. Licensee of general intangible and lessee of goods in ordinary course of business.**

(a) 'Licensee in ordinary course of business'. -- In this section, 'licensee in ordinary course of business' means a person that becomes a licensee of a general intangible in good faith, without knowledge that the license violates the rights of another person in the general intangible, and in the ordinary course from a person in the business of licensing general intangibles of that kind. A person becomes a licensee in the ordinary course if the license to the person comports with the usual or customary practices in the kind of business in which the licensor is engaged or with the licensor's own usual or customary practices.

(b) Rights of licensee in ordinary course of business. -- A licensee in ordinary course of business takes its rights under a nonexclusive license free of a security interest in the general intangible created by the licensor, even if the security interest is perfected and the licensee knows of its existence.

(c) Rights of lessee in ordinary course of business. -- A lessee in ordinary course of business takes its leasehold interest free of a security interest in the goods created by the lessor, even if the security interest is perfected and the lessee knows of its existence.

"**§ 25-9-322. Priorities among conflicting security interests in and agricultural liens on same collateral.**

(a) General priority rules. -- Except as otherwise provided in this section, priority among conflicting security interests and agricultural liens in the same collateral is determined according to the following rules:

(1) Conflicting perfected security interests and agricultural liens rank according to priority in time of filing or perfection. Priority dates from the earlier of the time a filing covering the collateral is first made or the security interest or agricultural lien is first perfected, if there is no period thereafter when there is neither filing nor perfection.

(2) A perfected security interest or agricultural lien has priority over a conflicting unperfected security interest or agricultural lien.

(3) The first security interest or agricultural lien to attach or become effective has priority if conflicting security interests and agricultural liens are unperfected.

(b) Time of perfection: proceeds and supporting obligations. -- For the purposes of subdivision (a)(1) of this section:

(1) The time of filing or perfection as to a security interest in collateral is also the time of filing or perfection as to a security interest in proceeds; and

(2) The time of filing or perfection as to a security interest in collateral supported by a supporting obligation is also the time of filing or perfection as to a security interest in the supporting obligation.

(c) Special priority rules: proceeds and supporting obligations. -- Except as otherwise provided in subsection (f) of this section, a security interest in collateral

which qualifies for priority over a conflicting security interest under G.S. 25-9-327, 25-9-328, 25-9-329, 25-9-330, or 25-9-331 also has priority over a conflicting security interest in:

(1) Any supporting obligation for the collateral; and

(2) Proceeds of the collateral if:

a. The security interest in proceeds is perfected;

b. The proceeds are cash proceeds or of the same type as the collateral; and

c. In the case of proceeds that are proceeds of proceeds, all intervening proceeds are cash proceeds, proceeds of the same type as the collateral, or an account relating to the collateral.

(d) First-to-file priority rule for certain collateral. -- Subject to subsection (e) of this section and except as otherwise provided in subsection (f) of this section, if a security interest in chattel paper, deposit accounts, negotiable documents, instruments, investment property, or letter-of-credit rights is perfected by a method other than filing, conflicting perfected security interests in proceeds of the collateral rank according to priority in time of filing.

(e) Applicability of subsection (d). -- Subsection (d) of this section applies only if the proceeds of the collateral are not cash proceeds, chattel paper, negotiable documents, instruments, investment property, or letter-of-credit rights.

(f) Limitations on subsections (a) through (e). -- Subsections (a) through (e) of this section are subject to:

(1) Subsection (g) of this section and the other provisions of this Part;

(2) G.S. 25-4-208 with respect to a security interest of a collecting bank;

(3) G.S. 25-5-118 with respect to a security interest of an issuer or nominated person; and

(4) G.S. 25-9-110 with respect to a security interest arising under Article 2 or 2A of this Chapter.

(g) Priority under agricultural lien statute. -- A perfected agricultural lien on collateral has priority over a conflicting security interest in or agricultural lien on the same collateral if the statute creating the agricultural lien so provides.

"§ 25-9-323. Future advances.

(a) When priority based on time of advance. -- Except as otherwise provided in subsection (c) of this section, for purposes of determining the priority of a perfected security interest under G.S. 25-9-322(a)(1), perfection of the security interest dates from the time an advance is made to the extent that the security interest secures an advance that:

(1) Is made while the security interest is perfected only:

a. Under G.S. 25-9-309 when it attaches; or

b. Temporarily under G.S. 25-9-312(e), (f), or (g); and

(2) Is not made pursuant to a commitment entered into before or while the security interest is perfected by a method other than under G.S. 25-9-309 or G.S. 25-9-312(e), (f), or (g).

(b) Lien creditor. -- Except as otherwise provided in subsection (c) of this section, a security interest is subordinate to the rights of a person that becomes a lien creditor to the extent that the security interest secures an advance made more than 45 days after the person becomes a lien creditor unless the advance is made:

(1) Without knowledge of the lien; or

(2) Pursuant to a commitment entered into without knowledge of the lien.

(c) Buyer of receivables. -- Subsections (a) and (b) of this section do not apply to a security interest held by a secured party that is a buyer of accounts, chattel paper, payment intangibles, or promissory notes or a consignor.

(d) Buyer of goods. -- Except as otherwise provided in subsection (e) of this section, a buyer of goods other than a buyer in ordinary course of business takes free of a security interest to the extent that it secures advances made after the earlier of:

(1) The time the secured party acquires knowledge of the buyer's purchase; or

(2) 45 days after the purchase.

(e) Advances made pursuant to commitment: priority of buyer of goods. -- Subsection (d) of this section does not apply if the advance is made pursuant to a commitment entered into without knowledge of the buyer's purchase and before the expiration of the 45-day period.

(f) Lessee of goods. -- Except as otherwise provided in subsection (g) of this section, a lessee of goods, other than a lessee in ordinary course of business, takes the leasehold interest free of a security interest to the extent that it secures advances made after the earlier of:

(1) The time the secured party acquires knowledge of the lease; or

(2) 45 days after the lease contract becomes enforceable.

(g) Advances made pursuant to commitment: priority of lessee of goods. -- Subsection (f) of this section does not apply if the advance is made pursuant to a commitment entered into without knowledge of the lease and before the expiration of the 45-day period.

"§ 25-9-324. Priority of purchase-money security interests.

(a) General rule: purchase-money priority. -- Except as otherwise provided in subsection (g) of this section, a perfected purchase-money security interest in goods other than inventory or livestock has priority over a conflicting security interest in the same goods, and, except as otherwise provided in G.S. 25-9-327, a perfected security interest in its identifiable proceeds also has priority, if the purchase-money security interest is perfected when the debtor receives possession of the collateral or within 20 days thereafter.

(b) Inventory purchase-money priority. -- Subject to subsection (c) of this section and except as otherwise provided in subsection (g) of this section, a perfected purchase-money security interest in inventory has priority over a conflicting security

interest in the same inventory, has priority over a conflicting security interest in chattel paper or an instrument constituting proceeds of the inventory and in proceeds of the chattel paper, if so provided in G.S. 25-9-330, and, except as otherwise provided in G.S. 25-9-327, also has priority in identifiable cash proceeds of the inventory to the extent the identifiable cash proceeds are received on or before the delivery of the inventory to a buyer, if:

(1) The purchase-money security interest is perfected when the debtor receives possession of the inventory;

(2) The purchase-money secured party sends an authenticated notification to the holder of the conflicting security interest;

(3) The holder of the conflicting security interest receives the notification within five years before the debtor receives possession of the inventory; and

(4) The notification states that the person sending the notification has or expects to acquire a purchase-money security interest in inventory of the debtor and describes the inventory.

(c) Holders of conflicting inventory security interests to be notified. -- Subdivisions (b)(2) through (b)(4) of this section apply only if the holder of the conflicting security interest had filed a financing statement covering the same types of inventory:

(1) If the purchase-money security interest is perfected by filing, before the date of the filing; or

(2) If the purchase-money security interest is temporarily perfected without filing or possession under G.S. 25-9-312(f), before the beginning of the 20-day period thereunder.

(d) Livestock purchase-money priority. -- Subject to subsection (e) of this section and except as otherwise provided in subsection (g) of this section, a perfected purchase-money security interest in livestock that are farm products has priority over a conflicting security interest in the same livestock, and, except as otherwise provided in G.S. 25-9-327, a perfected security interest in their identifiable proceeds and identifiable products in their unmanufactured states also has priority, if:

(1) The purchase-money security interest is perfected when the debtor receives possession of the livestock;

(2) The purchase-money secured party sends an authenticated notification to the holder of the conflicting security interest;

(3) The holder of the conflicting security interest receives the notification within six months before the debtor receives possession of the livestock; and

(4) The notification states that the person sending the notification has or expects to acquire a purchase-money security interest in livestock of the debtor and describes the livestock.

(e) Holders of conflicting livestock security interests to be notified. -- Subdivisions (d)(2) through (d)(4) of this section apply only if the holder of the conflicting security interest had filed a financing statement covering the same types of livestock:

(1) If the purchase-money security interest is perfected by filing, before the date of the filing; or

(2) If the purchase-money security interest is temporarily perfected without filing or possession under G.S. 25-9-312(f), before the beginning of the 20-day period thereunder.

(f) Software purchase-money priority. -- Except as otherwise provided in subsection (g) of this section, a perfected purchase-money security interest in software has priority over a conflicting security interest in the same collateral, and, except as otherwise provided in G.S. 25-9-327, a perfected security interest in its identifiable proceeds also has priority, to the extent that the purchase-money security interest in the goods in which the software was acquired for use has priority in the goods and proceeds of the goods under this section.

(g) Conflicting purchase-money security interests. -- If more than one security interest qualifies for priority in the same collateral under subsection (a), (b), (d), or (f) of this section:

(1) A security interest securing an obligation incurred as all or part of the price of the collateral has priority over a security interest securing an obligation incurred for value given to enable the debtor to acquire rights in or the use of collateral; and

(2) In all other cases, G.S. 25-9-322(a) applies to the qualifying security interests.

"§ 25-9-324.1. Priority of production-money security interests and agricultural liens.

(a) Priority over conflicting security interests. -- Except as otherwise provided in subsections (c), (d), and (e) of this section, if the requirements of subsection (b) of this section are satisfied, a perfected production-money security interest in production-money crops has priority over a conflicting security interest in the same crops and, except as otherwise provided in G.S. 25-9-327, also has priority in their identifiable proceeds.

(b) Requirements for priority. -- A production-money security interest has priority under subsection (a) of this section if:

(1) The production-money security interest is perfected by filing when the production-money secured party first gives new value to enable the debtor to produce the crops;

(2) The production-money secured party sends an authenticated notification to the holder of the conflicting security interest not less than 10 or more than 30 days before the production-money secured party first gives new value to enable the debtor to produce the crops if the holder had filed a financing statement covering the crops before the date of the filing made by the production-money secured party; and

(3) The notification states that the production-money secured party has or expects to acquire a production-money security interest in the debtor's crops and provides a description of the crops.

(c) Multiple production-money security interests. -- Except as otherwise provided in subsection (d) or (e) of this section, if more than one security interest qualifies for priority in the same collateral under subsection (a) of this section, the security interests rank according to priority in time of filing under G.S. 25-9-322(a).

(d) New value to produce production-money crops. -- To the extent that a person holding a perfected security interest in production-money crops that are the subject of a production-money security interest gives new value to enable the debtor to produce the production-money crops and the value is in fact used for the production of the production-money crops, the security interests rank according to priority in time of filing under G.S. 25-9-322(a).

(e) Holder of agricultural lien and production-money security interest. -- To the extent that a person holds both an agricultural lien and a production-money security interest in the same collateral securing the same obligations, the rules of priority applicable to agricultural liens govern priority.

(f) Creating or perfecting production-money security interest not to operate as default or accelerating event. -- Creating or perfecting a production-money security interest shall not operate under any circumstances as a default on, an accelerating event under, or otherwise as a breach of any note or other instrument or agreement of any kind or nature to pay debt, any loan or credit agreement, or any security agreement or arrangement of any kind or nature where the collateral is real or personal property.

"§ 25-9-325. Priority of security interests in transferred collateral.

(a) Subordination of security interest in transferred collateral. -- Except as otherwise provided in subsection (b) of this section, a security interest created by a debtor is subordinate to a security interest in the same collateral created by another person if:

(1) The debtor acquired the collateral subject to the security interest created by the other person;

(2) The security interest created by the other person was perfected when the debtor acquired the collateral; and

(3) There is no period thereafter when the security interest is unperfected.

(b) Limitation of subsection (a) subordination. -- Subsection (a) of this section subordinates a security interest only if the security interest:

(1) Otherwise would have priority solely under G.S. 25-9-322(a) or G.S. 25-9-324; or

(2) Arose solely under G.S. 25-2-711(3) or G.S. 25-2A-508(5).

"§ 25-9-326. Priority of security interests created by new debtor.

(a) Subordination of security interest created by new debtor. -- Subject to subsection (b) of this section, a security interest created by a new debtor which is perfected by a filed financing statement that is effective solely under G.S. 25-9-508 in collateral in which a new debtor has or acquires rights is subordinate to a security interest in the same collateral which is perfected other than by a filed financing statement that is effective solely under G.S. 25-9-508.

(b) Priority under other provisions; multiple original debtors. -- The other provisions of this Part determine the priority among conflicting security interests in the same collateral perfected by filed financing statements that are effective solely under G.S. 25-9-508. However, if the security agreements to which a new debtor became bound as debtor were not entered into by the same original debtor, the conflicting security interests rank according to priority in time of the new debtor's having become bound.

"§ 25-9-327. Priority of security interests in deposit account.

The following rules govern priority among conflicting security interests in the same deposit account:

(1) A security interest held by a secured party having control of the deposit account under G.S. 25-9-104 has priority over a conflicting security interest held by a secured party that does not have control.

(2) Except as otherwise provided in subdivisions (3) and (4) of this section, security interests perfected by control under G.S. 25-9-314 rank according to priority in time of obtaining control.

(3) Except as otherwise provided in subdivision (4) of this section, a security interest held by the bank with which the deposit account is maintained has priority over a conflicting security interest held by another secured party.

(4) A security interest perfected by control under G.S. 25-9-104(a)(3) has priority over a security interest held by the bank with which the deposit account is maintained.

"§ 25-9-328. Priority of security interests in investment property.

The following rules govern priority among conflicting security interests in the same investment property:

(1) A security interest held by a secured party having control of investment property under G.S. 25-9-106 has priority over a security interest held by a secured party that does not have control of the investment property.

(2) Except as otherwise provided in subdivisions (3) and (4) of this section, conflicting security interests held by secured parties each of which has control under G.S. 25-9-106 rank according to priority in time of:

a. If the collateral is a security, obtaining control;

b. If the collateral is a security entitlement carried in a securities account and:

1. If the secured party obtained control under G.S. 25-8-106(d)(1), the secured party's becoming the person for which the securities account is maintained;

2. If the secured party obtained control under G.S. 25-8-106(d)(2), the securities intermediary's agreement to comply with the secured party's entitlement orders

with respect to security entitlements carried or to be carried in the securities account; or

3. If the secured party obtained control through another person under G.S. 25-8-106(d)(3), the time on which priority would be based under this subdivision if the other person were the secured party; or

c. If the collateral is a commodity contract carried with a commodity intermediary, the satisfaction of the requirement for control specified in G.S. 25-9-106(b)(2) with respect to commodity contracts carried or to be carried with the commodity intermediary.

(3) A security interest held by a securities intermediary in a security entitlement or a securities account maintained with the securities intermediary has priority over a conflicting security interest held by another secured party.

(4) A security interest held by a commodity intermediary in a commodity contract or a commodity account maintained with the commodity intermediary has priority over a conflicting security interest held by another secured party.

(5) A security interest in a certificated security in registered form which is perfected by taking delivery under G.S. 25-9-313(a) and not by control under G.S. 25-9-314 has priority over a conflicting security interest perfected by a method other than control.

(6) Conflicting security interests created by a broker, securities intermediary, or commodity intermediary which are perfected without control under G.S. 25-9-106 rank equally.

(7) In all other cases, priority among conflicting security interests in investment property is governed by G.S. 25-9-322 and G.S. 25-9-323.

"**§ 25-9-329. Priority of security interests in letter-of-credit right.**

The following rules govern priority among conflicting security interests in the same letter-of-credit right:

(1) A security interest held by a secured party having control of the letter-of-credit right under G.S. 25-9-107 has priority to the extent of its control over a conflicting security interest held by a secured party that does not have control.

(2) Security interests perfected by control under G.S. 25-9-314 rank according to priority in time of obtaining control.

"**§ 25-9-330. Priority of purchaser of chattel paper or instrument.**

(a) Purchaser's priority: security interest claimed merely as proceeds. -- A purchaser of chattel paper has priority over a security interest in the chattel paper which is claimed merely as proceeds of inventory subject to a security interest if:

(1) In good faith and in the ordinary course of the purchaser's business, the purchaser gives new value and takes possession of the

chattel paper or obtains control of the chattel paper under G.S. 25-9-105; and

(2) The chattel paper does not indicate that it has been assigned to an identified assignee other than the purchaser.

(b) Purchaser's priority; other security interests. -- A purchaser of chattel paper has priority over a security interest in the chattel paper which is claimed other than merely as proceeds of inventory subject to a security interest if the purchaser gives new value and takes possession of the chattel paper or obtains control of the chattel paper under G.S. 25-9-105 in good faith, in the ordinary course of the purchaser's business, and without knowledge that the purchase violates the rights of the secured party.

(c) Chattel paper purchaser's priority in proceeds. -- Except as otherwise provided in G.S. 25-9-327, a purchaser having priority in chattel paper under subsection (a) or (b) of this section also has priority in proceeds of the chattel paper to the extent that:

(1) G.S. 25-9-322 provides for priority in the proceeds; or

(2) The proceeds consist of the specific goods covered by the chattel paper or cash proceeds of the specific goods, even if the purchaser's security interest in the proceeds is unperfected.

(d) Instrument purchaser's priority. -- Except as otherwise provided in G.S. 25-9-331(a), a purchaser of an instrument has priority over a security interest in the instrument perfected by a method other than possession if the purchaser gives value and takes possession of the instrument in good faith and without knowledge that the purchase violates the rights of the secured party.

(e) Holder of purchase-money security interest gives new value. -- For purposes of subsections (a) and (b) of this section, the holder of a purchase-money security interest in inventory gives new value for chattel paper constituting proceeds of the inventory.

(f) Indication of assignment gives knowledge. -- For purposes of subsections (b) and (d) of this section, if chattel paper or an instrument indicates that it has been assigned to an identified secured party other than the purchaser, a purchaser of the chattel paper or instrument has knowledge that the purchase violates the rights of the secured party.

"§ 25-9-331. Priority of rights of purchasers of instruments, documents, and securities under other Articles; priority of interests in financial assets and security entitlements under Article 8.

(a) Rights under Articles 3, 7, and 8 not limited. -- This Article does not limit the rights of a holder in due course of a negotiable instrument, a holder to which a negotiable document of title has been duly negotiated, or a protected purchaser of a security. These holders or purchasers take priority over an earlier security interest, even if perfected, to the extent provided in Articles 3, 7, and 8 of this Chapter.

(b) Protection under Article 8. -- This Article does not limit the rights of or impose liability on a person to the extent that the person is protected against the assertion of a claim under Article 8 of this Chapter.

(c) Filing not notice. -- Filing under this Article does not constitute notice of a claim or defense to the holders, or purchasers, or persons described in subsections (a) and (b) of this section.

"§ 25-9-332. Transfer of money; transfer of funds from deposit account.

(a) Transferee of money. -- A transferee of money takes the money free of a security interest unless the transferee acts in collusion with the debtor in violating the rights of the secured party.

(b) Transferee of funds from deposit account. -- A transferee of funds from a deposit account takes the funds free of a security interest in the deposit account unless the transferee acts in collusion with the debtor in violating the rights of the secured party.

"§ 25-9-333. Priority of certain liens arising by operation of law.

(a) 'Possessory lien.' -- In this section, 'possessory lien' means an interest, other than a security interest or an agricultural lien:

(1) Which secures payment or performance of an obligation for services or materials furnished with respect to goods by a person in the ordinary course of the person's business;

(2) Which is created by statute or rule of law in favor of the person; and

(3) Whose effectiveness depends on the person's possession of the goods.

(b) Priority of possessory lien. -- A possessory lien on goods has priority over a security interest in the goods unless the lien is created by a statute that expressly provides otherwise.

"§ 25-9-334. Priority of security interests in fixtures and crops.

(a) Security interest in fixtures under this Article. -- A security interest under this Article may be created in goods that are fixtures or may continue in goods that become fixtures. A security interest does not exist under this Article in ordinary building materials incorporated into an improvement on land.

(b) Security interest in fixtures under real-property law. -- This Article does not prevent creation of an encumbrance upon fixtures under real property law.

(c) General rule: subordination of security interest in fixtures. -- In cases not governed by subsections (d) through (h) of this section, a security interest in fixtures is subordinate to a conflicting interest of an encumbrancer or owner of the related real property other than the debtor.

(d) Fixtures purchase-money priority. -- Except as otherwise provided in subsection (h) of this section, a perfected security interest in fixtures has priority over a conflicting interest of an encumbrancer or owner of the real property if the debtor has an interest of record in or is in possession of the real property and:

(1) The security interest is a purchase-money security interest;

(2) The interest of the encumbrancer or owner arises before the goods become fixtures; and

(3) The security interest is perfected by a fixture filing before the goods become fixtures or within 20 days thereafter.

(e) Priority of security interest in fixtures over interests in real property. -- A perfected security interest in fixtures has priority over a conflicting interest of an encumbrancer or owner of the real property if:

(1) The debtor has an interest of record in the real property or is in possession of the real property and the security interest:

a. Is perfected by a fixture filing before the interest of the encumbrancer or owner is of record; and

b. Has priority over any conflicting interest of a predecessor in title of the encumbrancer or owner;

(2) Before the goods become fixtures, the security interest is perfected by any method permitted by this Article and the fixtures are readily removable:

a. Factory or office machines;

b. Equipment that is not primarily used or leased for use in the operation of the real property; or

c. Replacements of domestic appliances that are consumer goods;

(3) The conflicting interest is a lien on the real property obtained by legal or equitable proceedings after the security interest was perfected by any method permitted by this Article; or

(4) The security interest is:

a. Created in a manufactured home in a manufactured-home transaction; and

b. Perfected pursuant to a statute described in G.S. 25-9-311(a)(2).

(f) Priority based on consent, disclaimer, or right to remove. -- A security interest in fixtures, whether or not perfected, has priority over a conflicting interest of an encumbrancer or owner of the real property if:

(1) The encumbrancer or owner has, in an authenticated record, consented to the security interest or disclaimed an interest in the goods as fixtures; or

(2) The debtor has a right to remove the goods as against the encumbrancer or owner.

(g) Continuation of subdivision (f)(2) priority. -- The priority of the security interest under subdivision (f)(2) of this section continues for a reasonable time if the debtor's right to remove the goods as against the encumbrancer or owner terminates.

(h) Priority of construction mortgage. -- A mortgage is a construction mortgage to the extent that it secures an obligation incurred for the construction of an improvement on land, including the acquisition cost of the land, if a recorded record of the mortgage so indicates. Except as otherwise provided in subsections (e) and (f) of this section, a security interest in fixtures is subordinate to a construction mortgage if a record of the mortgage is recorded before the goods become fixtures and the goods become fixtures before the completion of the construction. A mortgage has

this priority to the same extent as a construction mortgage to the extent that it is given to refinance a construction mortgage.

(i) Priority of security interest in crops. -- Except as provided in G.S. 42-15, a perfected security interest in crops growing on real property has priority over a conflicting interest of an encumbrancer or owner of the real property if the debtor has an interest of record in or is in possession of the real property.

"**§ 25-9-335. Accessions.**

(a) Creation of security interest in accession. -- A security interest may be created in an accession and continues in collateral that becomes an accession.

(b) Perfection of security interest. -- If a security interest is perfected when the collateral becomes an accession, the security interest remains perfected in the collateral.

(c) Priority of security interest. -- Except as otherwise provided in subsection (d) of this section, the other provisions of this Part determine the priority of a security interest in an accession.

(d) Compliance with certificate-of-title statute. -- A security interest in an accession is subordinate to a security interest in the whole which is perfected by compliance with the requirements of a certificate-of-title statute under G.S. 25-9-311(b).

(e) Removal of accession after default. -- After default, subject to Part 6 of this Article, a secured party may remove an accession from other goods if the security interest in the accession has priority over the claims of every person having an interest in the whole.

(f) Reimbursement following removal. -- A secured party that removes an accession from other goods under subsection (e) of this section shall promptly reimburse any holder of a security interest or other lien on, or owner of, the whole or of the other goods, other than the debtor, for the cost of repair of any physical injury to the whole or the other goods. The secured party need not reimburse the holder or owner for any diminution in value of the whole or the other goods caused by the absence of the accession removed or by any necessity for replacing it. A person entitled to reimbursement may refuse permission to remove until the secured party gives adequate assurance for the performance of the obligation to reimburse.

"**§ 25-9-336. Commingled goods.**

(a) 'Commingled goods.' -- In this section, 'commingled goods' means goods that are physically united with other goods in such a manner that their identity is lost in a product or mass.

(b) No security interest in commingled goods as such. -- A security interest does not exist in commingled goods as such. However, a security interest may attach to a product or mass that results when goods become commingled goods.

(c) Attachment of security interest to product or mass. -- If collateral becomes commingled goods, a security interest attaches to the product or mass.

(d) Perfection of security interest. -- If a security interest in collateral is perfected before the collateral becomes commingled goods, the security interest that attaches to the product or mass under subsection (c) of this section is perfected.

(e) Priority of security interest. -- Except as otherwise provided in subsection (f) of this section, the other provisions of this Part determine the priority of a security interest that attaches to the product or mass under subsection (c) of this section.

(f) Conflicting security interests in product or mass. -- If more than one security interest attaches to the product or mass under subsection (c) of this section, the following rules determine priority:

(1) A security interest that is perfected under subsection (d) of this section has priority over a security interest that is unperfected at the time the collateral becomes commingled goods.

(2) If more than one security interest is perfected under subsection (d) of this section, the security interests rank equally in proportion to the value of the collateral at the time it became commingled goods.

"§ 25-9-337. Priority of security interests in goods covered by certificate of title.

If, while a security interest in goods is perfected by any method under the law of another jurisdiction, this State issues a certificate of title that does not show that the goods are subject to the security interest or contain a statement that they may be subject to security interests not shown on the certificate:

(1) A buyer of the goods, other than a person in the business of selling goods of that kind, takes free of the security interest if the buyer gives value and receives delivery of the goods after issuance of the certificate and without knowledge of the security interest; and

(2) The security interest is subordinate to a conflicting security interest in the goods that attaches, and is perfected under G.S. 25-9-311(b), after issuance of the certificate and without the conflicting secured party's knowledge of the security interest.

"§ 25-9-338. Priority of security interest or agricultural lien perfected by filed financing statement providing certain incorrect information.

If a security interest or agricultural lien is perfected by a filed financing statement providing information described in G.S. 25-9-516(b)(5) which is incorrect at the time the financing statement is filed:

(1) The security interest or agricultural lien is subordinate to a conflicting perfected security interest in the collateral to the extent that the holder of the conflicting security interest gives value in reasonable reliance upon the incorrect information; and

(2) A purchaser, other than a secured party, of the collateral takes free of the security interest or agricultural lien to the extent that, in reasonable reliance upon the incorrect information, the purchaser gives value and, in the case of chattel paper, documents, goods, instruments, or a security certificate, receives delivery of the collateral.

"§ 25-9-339. Priority subject to subordination.

This Article does not preclude subordination by agreement by a person entitled to priority.

"SUBPART 4. RIGHTS OF BANK.

"**§ 25-9-340. Effectiveness of right of recoupment or setoff against deposit account.**

(a) Exercise of recoupment or setoff. -- Except as otherwise provided in subsection (c) of this section, a bank with which a deposit account is maintained may exercise any right of recoupment or setoff against a secured party that holds a security interest in the deposit account.

(b) Recoupment or setoff not affected by security interest. -- Except as otherwise provided in subsection (c) of this section, the application of this Article to a security interest in a deposit account does not affect a right of recoupment or setoff of the secured party as to a deposit account maintained with the secured party.

(c) When setoff ineffective. -- The exercise by a bank of a setoff against a deposit account is ineffective against a secured party that holds a security interest in the deposit account which is perfected by control under G.S. 25-9-104(a)(3), if the setoff is based on a claim against the debtor.

"**§ 25-9-341. Bank's rights and duties with respect to deposit account.**

Except as otherwise provided in G.S. 25-9-340(c), and unless the bank otherwise agrees in an authenticated record, a bank's rights and duties with respect to a deposit account maintained with the bank are not terminated, suspended, or modified by:

(1) The creation, attachment, or perfection of a security interest in the deposit account;

(2) The bank's knowledge of the security interest; or

(3) The bank's receipt of instructions from the secured party.

"**§ 25-9-342. Bank's right to refuse to enter into or disclose existence of control agreement.**

This Article does not require a bank to enter into an agreement of the kind described in G.S. 25-9-104(a)(2), even if its customer so requests or directs. A bank that has entered into such an agreement is not required to confirm the existence of the agreement to another person unless requested to do so by its customer.

"PART 4.

"RIGHTS OF THIRD PARTIES.

"**§ 25-9-401. Alienability of debtor's rights.**

(a) Other law governs alienability; exceptions. -- Except as otherwise provided in subsection (b) of this section and G.S. 25-9-406, 25-9-407, 25-9-408, and 25-9-409, whether a debtor's rights in collateral may be voluntarily or involuntarily transferred is governed by law other than this Article.

(b) Agreement does not prevent transfer. -- An agreement between the debtor and secured party which prohibits a transfer of the debtor's rights in collateral or makes the transfer a default does not prevent the transfer from taking effect.

"**§ 25-9-402. Secured party not obligated on contract of debtor or in tort.**

The existence of a security interest, agricultural lien, or authority given to a debtor to dispose of or use collateral, without more, does not subject a secured party to liability in contract or tort for the debtor's acts or omissions.

"**§ 25-9-403. Agreement not to assert defenses against assignee.**

(a) 'Value.' -- In this section, 'value' has the meaning provided in G.S. 25-3-303(a).

(b) Agreement not to assert claim or defense. -- Except as otherwise provided in this section, an agreement between an account debtor and an assignor not to assert against an assignee any claim or defense that the account debtor may have against the assignor is enforceable by an assignee that takes an assignment:

(1) For value;

(2) In good faith;

(3) Without notice of a claim of a property or possessory right to the property assigned; and

(4) Without notice of a defense or claim in recoupment of the type that may be asserted against a person entitled to enforce a negotiable instrument under G.S. 25-3-305(a).

(c) When subsection (b) not applicable. -- Subsection (b) of this section does not apply to defenses of a type that may be asserted against a holder in due course of a negotiable instrument under G.S. 25-3-305(b).

(d) Omission of required statement in consumer transaction. -- In a consumer transaction, if a record evidences the account debtor's obligation, law other than this Article requires that the record include a statement to the effect that the rights of an assignee are subject to claims or defenses that the account debtor could assert against the original obligee, and the record does not include such a statement:

(1) The record has the same effect as if the record included such a statement; and

(2) The account debtor may assert against an assignee those claims and defenses that would have been available if the record included such a statement.

(e) Rule for individual under other law. -- This section is subject to law other than this Article which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.

(f) Other law not displaced. -- Except as otherwise provided in subsection (d) of this section, this section does not displace law other than this Article which gives effect to an agreement by an account debtor not to assert a claim or defense against an assignee.

"**§ 25-9-404. Rights acquired by assignee; claims and defenses against assignee.**

(a) Assignee's rights subject to terms, claims, and defenses; exceptions. -- Unless an account debtor has made an enforceable agreement not to assert defenses or claims, and subject to subsections (b) through (e) of this section, the rights of an assignee are subject to:

(1) All terms of the agreement between the account debtor and assignor and any defense or claim in recoupment arising from the transaction that gave rise to the contract; and

(2) Any other defense or claim of the account debtor against the assignor which accrues before the account debtor receives a notification of the assignment authenticated by the assignor or the assignee.

(b) Account debtor's claim reduces amount owed to assignee. -- Subject to subsection (c) of this section and except as otherwise provided in subsection (d) of this section, the claim of an account debtor against an assignor may be asserted against an assignee under subsection (a) of this section only to reduce the amount the account debtor owes.

(c) Rule for individual under other law. -- This section is subject to law other than this Article which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.

(d) Omission of required statement in consumer transaction. -- In a consumer transaction, if a record evidences the account debtor's obligation, law other than this Article requires that the record include a statement to the effect that the account debtor's recovery against an assignee with respect to claims and defenses against the assignor may not exceed amounts paid by the account debtor under the record, and the record does not include such a statement, the extent to which a claim of an account debtor against the assignor may be asserted against an assignee is determined as if the record included such a statement.

(e) Inapplicability to health-care-insurance receivable. -- This section does not apply to an assignment of a health-care-insurance receivable.

"§ 25-9-405. Modification of assigned contract.

(a) Effect of modification on assignee. -- A modification of or substitution for an assigned contract is effective against an assignee if made in good faith. The assignee acquires corresponding rights under the modified or substituted contract. The assignment may provide that the modification or substitution is a breach of contract by the assignor. This subsection is subject to subsections (b) through (d) of this section.

(b) Applicability of subsection (a). -- Subsection (a) of this section applies to the extent that:

(1) The right to payment or a part thereof under an assigned contract has not been fully earned by performance; or

(2) The right to payment or a part thereof has been fully earned by performance and the account debtor has not received notification of the assignment under G.S. 25-9-406(a).

(c) Rule for individual under other law. -- This section is subject to law other than this Article which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.

(d) Inapplicability to health-care-insurance receivable. -- This section does not apply to an assignment of a health-care-insurance receivable.

"§ 25-9-406. Discharge of account debtor; notification of assignment; identification and proof of assignment; restrictions on assignment of accounts, chattel paper, payment intangibles, and promissory notes ineffective.

(a) Discharge of account debtor; effect of notification. -- Subject to subsections (b) through (i) of this section, an account debtor on an account, chattel paper, or a

payment intangible may discharge its obligation by paying the assignor until, but not after, the account debtor receives a notification, authenticated by the assignor or the assignee, that the amount due or to become due has been assigned and that payment is to be made to the assignee. After receipt of the notification, the account debtor may discharge its obligation by paying the assignee and may not discharge the obligation by paying the assignor.

(b) When notification ineffective. -- Subject to subsection (h) of this section, notification is ineffective under subsection (a) of this section:

(1) If it does not reasonably identify the rights assigned;

(2) To the extent that an agreement between an account debtor and a seller of a payment intangible limits the account debtor's duty to pay a person other than the seller and the limitation is effective under law other than this Article; or

(3) At the option of an account debtor, if the notification notifies the account debtor to make less than the full amount of any installment or other periodic payment to the assignee, even if:

a. Only a portion of the account, chattel paper, or payment intangible has been assigned to that assignee;

b. A portion has been assigned to another assignee; or

c. The account debtor knows that the assignment to that assignee is limited.

(c) Proof of assignment. -- Subject to subsection (h) of this section, if requested by the account debtor, an assignee shall seasonably furnish reasonable proof that the assignment has been made. Unless the assignee complies, the account debtor may discharge its obligation by paying the assignor, even if the account debtor has received a notification under subsection (a) of this section.

(d) Term restricting assignment generally ineffective. -- Except as otherwise provided in subsection (e) of this section and G.S. 25-2A-303 and G.S. 25-9-407 and subject to subsection (h) of this section, a term in an agreement between an account debtor and an assignor or in a promissory note is ineffective to the extent that it:

(1) Prohibits, restricts, or requires the consent of the account debtor or person obligated on the promissory note to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in, the account, chattel paper, payment intangible, or promissory note; or

(2) Provides that the assignment or transfer or the creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account, chattel paper, payment intangible, or promissory note.

(e) Inapplicability of subsection (d) to certain sales. -- Subsection (d) of this section does not apply to the sale of a payment intangible or promissory note.

(f) Legal restrictions on assignment generally ineffective. -- Except as otherwise provided in G.S. 25-2A-303 and G.S. 25-9-407 and subject to subsections (h) and (i)

of this section, a rule of law, statute, or regulation that prohibits, restricts, or requires the consent of a government, governmental body or official, or account debtor to the assignment or transfer of, or creation of a security interest in, an account or chattel paper is ineffective to the extent that the rule of law, statute, or regulation:

(1) Prohibits, restricts, or requires the consent of the government, governmental body or official, or account debtor to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in the account or chattel paper; or

(2) Provides that the assignment or transfer or the creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account or chattel paper.

(g) Subdivision (b)(3) not waivable. -- Subject to subsection (h) of this section, an account debtor may not waive or vary its option under subdivision (b)(3) of this section.

(h) Rule for individual under other law. -- This section is subject to law other than this Article which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.

(i) Inapplicability. -- This section does not apply to an assignment of a health-care-insurance receivable. Subsection (f) of this section does not apply to an assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in, a right the transfer of which is prohibited or restricted by any of the following statutes to the extent that the statute is inconsistent with subsection (f) of this section: North Carolina Structured Settlement Act (Article 44B of Chapter 1 of the General Statutes); North Carolina Crime Victims Compensation Act (Chapter 15B of the General Statutes); North Carolina Consumer Finance Act (Article 15 of Chapter 53 of the General Statutes); North Carolina Firemen's and Rescue Squad Workers' Pension Fund (Article 86 of Chapter 58 of the General Statutes); Employment Security Law (Chapter 96 of the General Statutes); North Carolina Workers' Compensation Act (Article 1 of Chapter 97 of the General Statutes); and Programs of Public Assistance (Article 2 of Chapter 108A of the General Statutes).

(j) Section prevails over specified inconsistent law. -- Except to the extent otherwise provided in subsection (i) of this section, this section prevails over any inconsistent provision of an existing or future statute, rule, or regulation of this State unless the provision is contained in a statute of this State, refers expressly to this section, and states that the provision prevails over this section.

"§ 25-9-407. Restrictions on creation or enforcement of security interest in leasehold interest or in lessor's residual interest.

(a) Term restricting assignment generally ineffective. -- Except as otherwise provided in subsection (b) of this section, a term in a lease agreement is ineffective to the extent that it:

(1) Prohibits, restricts, or requires the consent of a party to the lease to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in, an interest of a party under the lease contract or in the lessor's residual interest in the goods; or

(2) Provides that the assignment or transfer or the creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the lease.

(b) Effectiveness of certain terms. -- Except as otherwise provided in G.S. 25-2A-303(7), a term described in subdivision (a)(2) of this section is effective to the extent that there is:

(1) A transfer by the lessee of the lessee's right of possession or use of the goods in violation of the term; or

(2) A delegation of a material performance of either party to the lease contract in violation of the term.

(c) Security interest not material impairment. -- The creation, attachment, perfection, or enforcement of a security interest in the lessor's interest under the lease contract or the lessor's residual interest in the goods is not a transfer that materially impairs the lessee's prospect of obtaining return performance or materially changes the duty of or materially increases the burden or risk imposed on the lessee within the purview of G.S. 25-2A-303(4) unless, and then only to the extent that, enforcement actually results in a delegation of material performance of the lessor.

"**§ 25-9-408. Restrictions on assignment of promissory notes, health-care-insurance receivables, and certain general intangibles ineffective.**

(a) Term restricting assignment generally ineffective. -- Except as otherwise provided in subsection (b) of this section, a term in a promissory note or in an agreement between an account debtor and a debtor which relates to a health-care-insurance receivable or a general intangible, including a contract, permit, license, or franchise, and which term prohibits, restricts, or requires the consent of the person obligated on the promissory note or the account debtor to, the assignment or transfer of, or creation, attachment, or perfection of a security interest in, the promissory note, health-care-insurance receivable, or general intangible, is ineffective to the extent that the term:

(1) Would impair the creation, attachment, or perfection of a security interest; or

(2) Provides that the assignment or transfer or the creation, attachment, or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the promissory note, health-care-insurance receivable, or general intangible.

(b) Applicability of subsection (a) to sales of certain rights to payment. -- Subsection (a) of this section applies to a security interest in a payment intangible or

promissory note only if the security interest arises out of a sale of the payment intangible or promissory note.

(c) Legal restrictions on assignment generally ineffective. -- A rule of law, statute, or regulation that prohibits, restricts, or requires the consent of a government, governmental body or official, person obligated on a promissory note, or account debtor to the assignment or transfer of, or creation of a security interest in, a promissory note, health-care-insurance receivable, or general intangible, including a contract, permit, license, or franchise between an account debtor and a debtor, is ineffective to the extent that the rule of law, statute, or regulation:

(1) Would impair the creation, attachment, or perfection of a security interest; or

(2) Provides that the assignment or transfer or the creation, attachment, or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the promissory note, health-care-insurance receivable, or general intangible.

(d) Limitation on ineffectiveness under subsections (a) and (c). -- To the extent that a term in a promissory note or in an agreement between an account debtor and a debtor which relates to a health-care-insurance receivable or general intangible or a rule of law, statute, or regulation described in subsection (c) of this section would be effective under law other than this Article but is ineffective under subsection (a) or (c) of this section, the creation, attachment, or perfection of a security interest in the promissory note, health-care-insurance receivable, or general intangible:

(1) Is not enforceable against the person obligated on the promissory note or the account debtor;

(2) Does not impose a duty or obligation on the person obligated on the promissory note or the account debtor;

(3) Does not require the person obligated on the promissory note or the account debtor to recognize the security interest, pay or render performance to the secured party, or accept payment or performance from the secured party;

(4) Does not entitle the secured party to use or assign the debtor's rights under the promissory note, health-care-insurance receivable, or general intangible, including any related information or materials furnished to the debtor in the transaction giving rise to the promissory note, health-care-insurance receivable, or general intangible;

(5) Does not entitle the secured party to use, assign, possess, or have access to any trade secrets or confidential information of the person obligated on the promissory note or the account debtor; and

(6) Does not entitle the secured party to enforce the security interest in the promissory note, health-care-insurance receivable, or general intangible.

(e) Section prevails over specified inconsistent law. -- Except to the extent otherwise provided in subsection (f) of this section, this section prevails over any inconsistent provision of an existing or future statute, rule, or regulation of this State unless the provision is contained in a statute of this State, refers expressly to this section, and states that the provision prevails over this section.

(f) Inapplicability. -- Subsection (c) of this section does not apply to an assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in, a right the transfer of which is prohibited or restricted by any of the following statutes to the extent that the statute is inconsistent with subsection (c) of this section: North Carolina Structured Settlement Act (Article 44B of Chapter 1 of the General Statutes); North Carolina Crime Victims Compensation Act (Chapter 15B of the General Statutes); North Carolina Consumer Finance Act (Article 15 of Chapter 53 of the General Statutes); North Carolina Firemen's and Rescue Squad Workers' Pension Fund (Article 86 of Chapter 58 of the General Statutes); Employment Security Law (Chapter 96 of the General Statutes); North Carolina Workers' Compensation Act (Article 1 of Chapter 97 of the General Statutes); and Programs of Public Assistance (Article 2 of Chapter 108A of the General Statutes).

"**§ 25-9-409. Restrictions on assignment of letter-of-credit rights ineffective.**

(a) Term or law restricting assignment generally ineffective. -- A term in a letter of credit or a rule of law, statute, regulation, custom, or practice applicable to the letter of credit which prohibits, restricts, or requires the consent of an applicant, issuer, or nominated person to a beneficiary's assignment of or creation of a security interest in a letter-of-credit right is ineffective to the extent that the term or rule of law, statute, regulation, custom, or practice:

(1) Would impair the creation, attachment, or perfection of a security interest in the letter-of-credit right; or

(2) Provides that the assignment or the creation, attachment, or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the letter-of-credit right.

(b) Limitation on ineffectiveness under subsection (a). -- To the extent that a term in a letter of credit is ineffective under subsection (a) of this section but would be effective under law other than this Article or a custom or practice applicable to the letter of credit, to the transfer of a right to draw or otherwise demand performance under the letter of credit, or to the assignment of a right to proceeds of the letter of credit, the creation, attachment, or perfection of a security interest in the letter-of-credit right:

(1) Is not enforceable against the applicant, issuer, nominated person, or transferee beneficiary;

(2) Imposes no duties or obligations on the applicant, issuer, nominated person, or transferee beneficiary; and

(3) Does not require the applicant, issuer, nominated person, or transferee beneficiary to recognize the security interest, pay or

render performance to the secured party, or accept payment or other performance from the secured party.

"PART 5.

"FILING.

"SUBPART 1. FILING OFFICE; CONTENTS AND EFFECTIVENESS OF FINANCING STATEMENT.

"§ 25-9-501. Filing offices.

(a) Filing offices. -- Except as otherwise provided in subsection (b) of this section, if the local law of this State governs perfection of a security interest or agricultural lien, the office in which to file a financing statement to perfect the security interest or agricultural lien is:

(1) The office designated for the filing or recording of a record of a mortgage on the related real property, if:

a. The collateral is as-extracted collateral or timber to be cut; or

b. The financing statement is filed as a fixture filing and the collateral is goods that are or are to become fixtures; or

(2) The office of the Secretary of State, in all other cases, including a case in which the collateral is goods that are or are to become fixtures and the financing statement is not filed as a fixture filing.

(b) Filing office for transmitting utilities. -- The office in which to file a financing statement to perfect a security interest in collateral, including fixtures, of a transmitting utility is the office of the Secretary of State. The financing statement also constitutes a fixture filing as to the collateral indicated in the financing statement which is or is to become fixtures.

"§ 25-9-502. Contents of financing statement; record of mortgage as financing statement; time of filing financing statement.

(a) Sufficiency of financing statement. -- Subject to subsection (b) of this section, a financing statement is sufficient only if it:

(1) Provides the name of the debtor;

(2) Provides the name of the secured party or a representative of the secured party; and

(3) Indicates the collateral covered by the financing statement.

(b) Real-property-related financing statements. -- Except as otherwise provided in G.S. 25-9-501(b), to be sufficient, a financing statement that covers as-extracted collateral or timber to be cut, or which is filed as a fixture filing and covers goods that are or are to become fixtures, must satisfy subsection (a) of this section and also:

(1) Indicate that it covers this type of collateral;

(2) Indicate that it is to be filed in the real property records;

(3) Provide a description of the real property to which the collateral is related; and

(4) If the debtor does not have an interest of record in the real property, provide the name of a record owner.

(c) Record of mortgage as financing statement. -- A record of a mortgage is effective, from the date of recording, as a financing statement filed as a fixture filing or as a financing statement covering as-extracted collateral or timber to be cut only if:

(1) The record indicates the goods or accounts that it covers;

(2) The goods are or are to become fixtures related to the real property described in the record or the collateral is related to the real property described in the record and is as-extracted collateral or timber to be cut;

(3) The record satisfies the requirements for a financing statement in this section other than an indication that it is to be filed in the real property records; and

(4) The record is duly recorded.

(d) Filing before security agreement or attachment. -- A financing statement may be filed before a security agreement is made or a security interest otherwise attaches.

"§ 25-9-503. Name of debtor and secured party.

(a) Sufficiency of debtor's name. -- A financing statement sufficiently provides the name of the debtor:

(1) If the debtor is a registered organization, only if the financing statement provides the name of the debtor indicated on the public record of the debtor's jurisdiction of organization which shows the debtor to have been organized;

(2) If the debtor is a decedent's estate, only if the financing statement provides the name of the decedent and indicates that the debtor is an estate;

(3) If the debtor is a trust or a trustee acting with respect to property held in trust, only if the financing statement:

a. Provides the name specified for the trust in its organic documents or, if no name is specified, provides the name of the settlor and additional information sufficient to distinguish the debtor from other trusts having one or more of the same settlors; and

b. Indicates, in the debtor's name or otherwise, that the debtor is a trust or is a trustee acting with respect to property held in trust; and

(4) In other cases:

a. If the debtor has a name, only if it provides the individual or organizational name of the debtor; and

b. If the debtor does not have a name, only if it provides the names of the partners, members, associates, or other persons comprising the debtor.

(b) Additional debtor-related information. -- A financing statement that provides the name of the debtor in accordance with subsection (a) of this section is not rendered ineffective by the absence of:

(1) A trade name or other name of the debtor; or

(2) Unless required under sub-subdivision (a)(4)b. of this section, names of partners, members, associates, or other persons comprising the debtor.

(c) Debtor's trade name insufficient. -- A financing statement that provides only the debtor's trade name does not sufficiently provide the name of the debtor.

(d) Representative capacity. -- Failure to indicate the representative capacity of a secured party or representative of a secured party does not affect the sufficiency of a financing statement.

(e) Multiple debtors and secured parties. -- A financing statement may provide the name of more than one debtor and the name of more than one secured party.

"§ 25-9-504. Indication of collateral.

A financing statement sufficiently indicates the collateral that it covers if the financing statement provides:

(1) A description of the collateral pursuant to G.S. 25-9-108; or

(2) An indication that the financing statement covers all assets or all personal property.

"§ 25-9-505. Filing and compliance with other statutes and treaties for consignments, leases, other bailments, and other transactions.

(a) Use of terms other than 'debtor' and 'secured party.' -- A consignor, lessor, or other bailor of goods, a licensor, or a buyer of a payment intangible or promissory note may file a financing statement, or may comply with a statute or treaty described in G.S. 25-9-311(a), using the terms 'consignor', 'consignee', 'lessor', 'lessee', 'bailor', 'bailee', 'licensor', 'licensee', 'owner', 'registered owner', 'buyer', 'seller', or words of similar import, instead of the terms 'secured party' and 'debtor'.

(b) Effect of financing statement under subsection (a). -- This Part applies to the filing of a financing statement under subsection (a) of this section and, as appropriate, to compliance that is equivalent to filing a financing statement under G.S. 25-9-311(b), but the filing or compliance is not of itself a factor in determining whether the collateral secures an obligation. If it is determined for another reason that the collateral secures an obligation, a security interest held by the consignor, lessor, bailor, licensor, owner, or buyer which attaches to the collateral is perfected by the filing or compliance.

"§ 25-9-506. Effect of errors or omissions.

(a) Minor errors and omissions. -- A financing statement substantially satisfying the requirements of this Part is effective, even if it has minor errors or omissions, unless the errors or omissions make the financing statement seriously misleading.

(b) Financing statement seriously misleading. -- Except as otherwise provided in subsection (c) of this section, a financing statement that fails sufficiently to provide the name of the debtor in accordance with G.S. 25-9-503(a) is seriously misleading.

(c) Financing statement not seriously misleading. -- If a search of the records of the filing office under the debtor's correct name, using the filing office's standard search logic, if any, would disclose a financing statement that fails sufficiently to provide the name of the debtor in accordance with G.S. 25-9-503(a), the name provided does not make the financing statement seriously misleading.

(d) 'Debtor's correct name.' -- For purposes of G.S. 25-9-508(b), the 'debtor's correct name' in subsection (c) of this section means the correct name of the new debtor.

"**§ 25-9-507. Effect of certain events on effectiveness of financing statement.**

(a) Disposition. -- A filed financing statement remains effective with respect to collateral that is sold, exchanged, leased, licensed, or otherwise disposed of and in which a security interest or agricultural lien continues, even if the secured party knows of or consents to the disposition.

(b) Information becoming seriously misleading. -- Except as otherwise provided in subsection (c) of this section and G.S. 25-9-508, a financing statement is not rendered ineffective if, after the financing statement is filed, the information provided in the financing statement becomes seriously misleading under G.S. 25-9-506.

(c) Change in debtor's name. -- If a debtor so changes its name that a filed financing statement becomes seriously misleading under G.S. 25-9-506:

(1) The financing statement is effective to perfect a security interest in collateral acquired by the debtor before, or within four months after, the change; and

(2) The financing statement is not effective to perfect a security interest in collateral acquired by the debtor more than four months after the change, unless an amendment to the financing statement which renders the financing statement not seriously misleading is filed within four months after the change.

"**§ 25-9-508. Effectiveness of financing statement if new debtor becomes bound by security agreement.**

(a) Financing statement naming original debtor. -- Except as otherwise provided in this section, a filed financing statement naming an original debtor is effective to perfect a security interest in collateral in which a new debtor has or acquires rights to the extent that the financing statement would have been effective had the original debtor acquired rights in the collateral.

(b) Financing statement becoming seriously misleading. -- If the difference between the name of the original debtor and that of the new debtor causes a filed financing statement that is effective under subsection (a) of this section to be seriously misleading under G.S. 25-9-506:

(1) The financing statement is effective to perfect a security interest in collateral acquired by the new debtor before, and within four months after, the new debtor becomes bound under G.S. 25-9-203(d); and

(2) The financing statement is not effective to perfect a security interest in collateral acquired by the new debtor more than four months after the new debtor becomes bound under G.S. 25-9-203(d) unless an initial financing statement providing the name of the new debtor is filed before the expiration of that time.

(c) When section not applicable. -- This section does not apply to collateral as to which a filed financing statement remains effective against the new debtor under G.S. 25-9-507(a).

"§ 25-9-509. Persons entitled to file a record.

(a) Person entitled to file record. -- A person may file an initial financing statement, amendment that adds collateral covered by a financing statement, or amendment that adds a debtor to a financing statement only if:

(1) The debtor authorizes the filing in an authenticated record or pursuant to subsection (b) or (c) of this section; or

(2) The person holds an agricultural lien that has become effective at the time of filing and the financing statement covers only collateral in which the person holds an agricultural lien.

(b) Security agreement as authorization. -- By authenticating or becoming bound as debtor by a security agreement, a debtor or new debtor authorizes the filing of an initial financing statement, and an amendment, covering:

(1) The collateral described in the security agreement; and

(2) Property that becomes collateral under G.S. 25-9-315(a)(2), whether or not the security agreement expressly covers proceeds.

(c) Acquisition of collateral as authorization. -- By acquiring collateral in which a security interest or agricultural lien continues under G.S. 25-9-315(a)(1), a debtor authorizes the filing of an initial financing statement, and an amendment, covering the collateral and property that becomes collateral under G.S. 25-9-315(a)(2).

(d) Person entitled to file certain amendments. -- A person may file an amendment other than an amendment that adds collateral covered by a financing statement or an amendment that adds a debtor to a financing statement only if:

(1) The secured party of record authorizes the filing; or

(2) The amendment is a termination statement for a financing statement as to which the secured party of record has failed to file or send a termination statement as required by G.S. 25-9-513(a) or (c), the debtor authorizes the filing, and the termination statement indicates that the debtor authorized it to be filed.

(e) Multiple secured parties of record. -- If there is more than one secured party of record for a financing statement, each secured party of record may authorize the filing of an amendment under subsection (d) of this section.

"§ 25-9-510. Effectiveness of filed record.

(a) Filed record effective if authorized. -- A filed record is effective only to the extent that it was filed by a person that may file it under G.S. 25-9-509.

(b) Authorization by one secured party of record. -- A record authorized by one secured party of record does not affect the financing statement with respect to another secured party of record.

(c) Continuation statement not timely filed. -- A continuation statement that is not filed within the six-month period prescribed by G.S. 25-9-515(d) is ineffective.

"§ 25-9-511. Secured party of record.

(a) Secured party of record. -- A secured party of record with respect to a financing statement is a person whose name is provided as the name of the secured party or a representative of the secured party in an initial financing statement that has been filed. If an initial financing statement is filed under G.S. 25-9-514(a), the assignee named in the initial financing statement is the secured party of record with respect to the financing statement.

(b) Amendment naming secured party of record. -- If an amendment of a financing statement which provides the name of a person as a secured party or a representative of a secured party is filed, the person named in the amendment is a secured party of record. If an amendment is filed under G.S. 25-9-514(b), the assignee named in the amendment is a secured party of record.

(c) Amendment deleting secured party of record. -- A person remains a secured party of record until the filing of an amendment of the financing statement which deletes the person.

"§ 25-9-512. Amendment of financing statement.

(a) Amendment of information in financing statement. -- Subject to G.S. 25-9-509, a person may add or delete collateral covered by, continue or terminate the effectiveness of, or, subject to subsection (e) of this section, otherwise amend the information provided in, a financing statement by filing an amendment that:

(1) Identifies, by its file number, the initial financing statement to which the amendment relates; and

(2) If the amendment relates to an initial financing statement filed in a filing office described in G.S. 25-9-501(a)(1), provides the name of the debtor and the information specified in G.S. 25-9-502(b).

(b) Period of effectiveness not affected. -- Except as otherwise provided in G.S. 25-9-515, the filing of an amendment does not extend the period of effectiveness of the financing statement.

(c) Effectiveness of amendment adding collateral. -- A financing statement that is amended by an amendment that adds collateral is effective as to the added collateral only from the date of the filing of the amendment.

(d) Effectiveness of amendment adding debtor. -- A financing statement that is amended by an amendment that adds a debtor is effective as to the added debtor only from the date of the filing of the amendment.

(e) Certain amendments ineffective. -- An amendment is ineffective to the extent it:

(1) Purports to delete all debtors and fails to provide the name of a debtor to be covered by the financing statement; or

(2) Purports to delete all secured parties of record and fails to provide the name of a new secured party of record.

"§ 25-9-513. Termination statement.

(a) Consumer goods. -- A secured party shall cause the secured party of record for a financing statement to file a termination statement for the financing statement if the financing statement covers consumer goods and:

(1) There is no obligation secured by the collateral covered by the financing statement and no commitment to make an advance, incur an obligation, or otherwise give value; or

(2) The debtor did not authorize the filing of the initial financing statement.

(b) Time for compliance with subsection (a). -- To comply with subsection (a) of this section, a secured party shall cause the secured party of record to file the termination statement:

(1) Within one month after there is no obligation secured by the collateral covered by the financing statement and no commitment to make an advance, incur an obligation, or otherwise give value; or

(2) If earlier, within 20 days after the secured party receives an authenticated demand from a debtor.

(c) Other collateral. -- In cases not governed by subsection (a) of this section, within 20 days after a secured party receives an authenticated demand from a debtor, the secured party shall cause the secured party of record for a financing statement to send to the debtor a termination statement for the financing statement or file the termination statement in the filing office if:

(1) Except in the case of a financing statement covering accounts or chattel paper that has been sold or goods that are the subject of a consignment, there is no obligation secured by the collateral covered by the financing statement and no commitment to make an advance, incur an obligation, or otherwise give value;

(2) The financing statement covers accounts or chattel paper that has been sold but as to which the account debtor or other person obligated has discharged its obligation;

(3) The financing statement covers goods that were the subject of a consignment to the debtor but are not in the debtor's possession; or

(4) The debtor did not authorize the filing of the initial financing statement.

(d) Effect of filing termination statement. -- Except as otherwise provided in G.S. 25-9-510, upon the filing of a termination statement with the filing office, the financing statement to which the termination statement relates ceases to be effective. Except as otherwise provided in G.S. 25-9-510, for purposes of G.S. 25-9-519(g), 25-9-522(a), and 25-9-523(c), the filing with the filing office of a termination statement relating to a financing statement that indicates that the debtor is a transmitting utility also causes the effectiveness of the financing statement to lapse.

"§ 25-9-514. Assignment of powers of secured party of record.

(a) Assignment reflected on initial financing statement. -- Except as otherwise provided in subsection (c) of this section, an initial financing statement may reflect an assignment of all of the secured party's power to authorize an amendment to the

financing statement by providing the name and mailing address of the assignee as the name and address of the secured party.

(b) Assignment of filed financing statement. -- Except as otherwise provided in subsection (c) of this section, a secured party of record may assign of record all or part of its power to authorize an amendment to a financing statement by filing in the filing office an amendment of the financing statement which:

(1) Identifies, by its file number, the initial financing statement to which it relates;

(2) Provides the name of the assignor; and

(3) Provides the name and mailing address of the assignee.

(c) Assignment of record of mortgage. -- An assignment of record of a security interest in a fixture covered by a record of a mortgage which is effective as a financing statement filed as a fixture filing under G.S. 25-9-502(c) may be made only by an assignment of record of the mortgage in the manner provided by law of this State other than this Chapter.

"§ 25-9-515. Duration and effectiveness of financing statement; effect of lapsed financing statement.

(a) Five-year effectiveness. -- Except as otherwise provided in subsections (b), (e), (f), and (g) of this section, a filed financing statement is effective for a period of five years after the date of filing.

(b) Public-finance or manufactured-home transaction. -- Except as otherwise provided in subsections (e), (f), and (g) of this section, an initial financing statement filed in connection with a public-finance transaction or manufactured-home transaction is effective for a period of 30 years after the date of filing if it indicates that it is filed in connection with a public-finance transaction or manufactured-home transaction.

(c) Lapse and continuation of financing statement. -- The effectiveness of a filed financing statement lapses on the expiration of the period of its effectiveness unless before the lapse a continuation statement is filed pursuant to subsection (d) of this section. Upon lapse, a financing statement ceases to be effective and any security interest or agricultural lien that was perfected by the financing statement becomes unperfected, unless the security interest is perfected otherwise. If the security interest or agricultural lien becomes unperfected upon lapse, it is deemed never to have been perfected as against a purchaser of the collateral for value.

(d) When continuation statement may be filed. -- A continuation statement may be filed only within six months before the expiration of the five-year period specified in subsection (a) of this section or the 30-year period specified in subsection (b) of this section, whichever is applicable.

(e) Effect of filing continuation statement. -- Except as otherwise provided in G.S. 25-9-510, upon timely filing of a continuation statement, the effectiveness of the initial financing statement continues for a period of five years commencing on the day on which the financing statement would have become ineffective in the absence of the filing. Upon the expiration of the five-year period, the financing statement lapses in the same manner as provided in subsection (c) of this section, unless, before the

lapse, another continuation statement is filed pursuant to subsection (d) of this section. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the initial financing statement.

(f) Transmitting utility financing statement. -- If a debtor is a transmitting utility and a filed financing statement so indicates, the financing statement is effective until a termination statement is filed.

(g) Record of mortgage as financing statement. -- A record of a mortgage that is effective as a financing statement filed as a fixture filing under G.S. 25-9-502(c) remains effective as a financing statement filed as a fixture filing until the mortgage is released or satisfied of record or its effectiveness otherwise terminates as to the real property.

"**§ 25-9-516. What constitutes filing; effectiveness of filing.**

(a) What constitutes filing. -- Except as otherwise provided in subsection (b) of this section, communication of a record to a filing office and tender of the filing fee or acceptance of the record by the filing office constitutes filing.

(b) Refusal to accept record; filing does not occur. -- Filing does not occur with respect to a record that a filing office refuses to accept because:

(1) The record is not communicated by a method or medium of communication authorized by the filing office;

(2) An amount equal to or greater than the applicable filing fee is not tendered;

(3) The filing office is unable to index the record because:

a. In the case of an initial financing statement, the record does not provide a name for the debtor;

b. In the case of an amendment or correction statement, the record:

1. Does not identify the initial financing statement as required by G.S. 25-9-512 or G.S. 25-9-518, as applicable; or

2. Identifies an initial financing statement whose effectiveness has lapsed under G.S. 25-9-515;

c. In the case of an initial financing statement that provides the name of a debtor identified as an individual or an amendment that provides a name of a debtor identified as an individual which was not previously provided in the financing statement to which the record relates, the record does not identify the debtor's last name; or

d. In the case of a record filed in the filing office described in G.S. 25-9-501(a)(1), the record does not provide a sufficient description of the real property to which it relates;

(4) In the case of an initial financing statement or an amendment that adds a secured party of record, the record does not provide a name and mailing address for the secured party of record;

(5) In the case of an initial financing statement or an amendment that provides a name of a debtor which was not previously provided in the financing statement to which the amendment relates, the record does not:

a. Provide a mailing address for the debtor;

b. Indicate whether the debtor is an individual or an organization; or

c. If the financing statement indicates that the debtor is an organization, provide:

1. A type of organization for the debtor;

2. A jurisdiction of organization for the debtor; or

3. An organizational identification number for the debtor or indicate that the debtor has none;

(6) In the case of an assignment reflected in an initial financing statement under G.S. 25-9-514(a) or an amendment filed under G.S. 25-9-514(b), the record does not provide a name and mailing address for the assignee; or

(7) In the case of a continuation statement, the record is not filed within the six-month period prescribed by G.S. 25-9-515(d).

(c) Rules applicable to subsection (b). -- For purposes of subsection (b) of this section:

(1) A record does not provide information if the filing office is unable to read or decipher the information; and

(2) A record that does not indicate that it is an amendment or identify an initial financing statement to which it relates, as required by G.S. 25-9-512, 25-9-514, or 25-9-518, is an initial financing statement.

(d) Refusal to accept record; record effective as filed record. -- A record that is communicated to the filing office with tender of the filing fee, but which the filing office refuses to accept for a reason other than one set forth in subsection (b) of this section, is effective as a filed record except as against a purchaser of the collateral which gives value in reasonable reliance upon the absence of the record from the files.

"§ 25-9-517. Effect of indexing errors.

The failure of the filing office to index a record correctly does not affect the effectiveness of the filed record.

"§ 25-9-518. Claim concerning inaccurate or wrongfully filed record.

(a) Correction statement. -- A person may file in the filing office a correction statement with respect to a record indexed there under the person's name if the person believes that the record is inaccurate or was wrongfully filed.

(b) Sufficiency of correction statement. -- A correction statement must:

(1) Identify the record to which it relates by the file number assigned to the initial financing statement to which the record relates;

(2) Indicate that it is a correction statement; and

(3) Provide the basis for the person's belief that the record is inaccurate and indicate the manner in which the person believes the record should be amended to cure any inaccuracy or provide the basis for the person's belief that the record was wrongfully filed.

(c) Record not affected by correction statement. -- The filing of a correction statement does not affect the effectiveness of an initial financing statement or other filed record.

"SUBPART 2. DUTIES AND OPERATION OF FILING OFFICE.

"§ 25-9-519. Numbering, maintaining, and indexing records; communicating information provided in records.

(a) Filing office duties. -- For each record filed in a filing office, the filing office shall:

(1) Assign a unique number to the filed record;

(2) Create a record that bears the number assigned to the filed record and the date and time of filing;

(3) Maintain the filed record for public inspection; and

(4) Index the filed record in accordance with subsections (c), (d), and (e) of this section.

(b) File number. -- Except as otherwise provided in subsection (i) of this section, a file number assigned after January 1, 2003, must include a digit that:

(1) Is mathematically derived from or related to the other digits of the file number; and

(2) Aids the filing office in determining whether a number communicated as the file number includes a single-digit or transpositional error.

(c) Indexing: general. -- Except as otherwise provided in subsections (d) and (e) of this section, the filing office shall:

(1) Index an initial financing statement according to the name of the debtor and index all filed records relating to the initial financing statement in a manner that associates with one another an initial financing statement and all filed records relating to the initial financing statement; and

(2) Index a record that provides a name of a debtor which was not previously provided in the financing statement to which the record relates also according to the name that was not previously provided.

(d) Indexing: real-property-related financing statement. -- If a financing statement is filed as a fixture filing or covers as-extracted collateral or timber to be cut, the filing office shall index it:

(1) Under the names of the debtor and of each owner of record shown on the financing statement as if they were the mortgagors under a mortgage of the real property described; and

(2) To the extent that the law of this State provides for indexing of records of mortgages under the name of the mortgagee, under the name of the secured party as if the secured party were the mortgagee thereunder, or, if indexing is by description, as if the financing statement were a record of a mortgage of the real property described.

(e) Indexing; real-property-related assignment. -- If a financing statement is filed as a fixture filing or covers as-extracted collateral or timber to be cut, the filing office shall index an assignment filed under G.S. 25-9-514(a) or an amendment filed under G.S. 25-9-514(b):

(1) Under the name of the assignor as grantor; and

(2) To the extent that the law of this State provides for indexing a record of the assignment of a mortgage under the name of the assignee, under the name of the assignee.

(f) Retrieval and association capability. -- The filing office shall maintain a capability:

(1) To retrieve a record by the name of the debtor and by the file number assigned to the initial financing statement to which the record relates; and

(2) To associate and retrieve with one another an initial financing statement and each filed record relating to the initial financing statement.

(g) Removal of debtor's name. -- The filing office may not remove a debtor's name from the index until one year after the effectiveness of a financing statement naming the debtor lapses under G.S. 25-9-515 with respect to all secured parties of record.

(h) Timeliness of filing office performance. -- The filing office shall perform the acts required by subsections (a) through (e) of this section at the time and in the manner prescribed by filing-office rule, but after January 1, 2003, not later than three business days after the filing office receives the record in question.

(i) Inapplicability to real-property-related filing office. -- Subsection (b) of this section does not apply to a filing office described in G.S. 25-9-501(a)(1).

"§ 25-9-520. Acceptance and refusal to accept record.

(a) Mandatory refusal to accept record. -- A filing office shall refuse to accept a record for filing for a reason set forth in G.S. 25-9-516(b) and may refuse to accept a record for filing only for a reason set forth in G.S. 25-9-516(b).

(b) Communication concerning refusal. -- If a filing office refuses to accept a record for filing, it shall communicate to the person that presented the record the fact of and reason for the refusal and the date and time the record would have been filed had the filing office accepted it. The communication must be made at the time and in the manner prescribed by filing-office rule but in no event more than three business days after the filing office receives the record.

(c) When filed financing statement effective. -- A filed financing statement satisfying G.S. 25-9-502(a) and (b) is effective, even if the filing office is required to

refuse to accept it for filing under subsection (a) of this section. However, G.S. 25-9-338 applies to a filed financing statement providing information described in G.S. 25-9-516(b)(5) which is incorrect at the time the financing statement is filed.

(d) Separate application to multiple debtors. -- If a record communicated to a filing office provides information that relates to more than one debtor, this Part applies as to each debtor separately.

"§ 25-9-521. Reserved.

"§ 25-9-522. Maintenance and destruction of records.

(a) Post-lapse maintenance and retrieval of information. -- The filing office shall maintain a record of the information provided in a filed financing statement for at least one year after the effectiveness of the financing statement has lapsed under G.S. 25-9-515 with respect to all secured parties of record. The record must be retrievable by using the name of the debtor and by using the file number assigned to the initial financing statement to which the record relates.

(b) Destruction of written records. -- Except to the extent that a statute governing disposition of public records provides otherwise, the filing office immediately may destroy any written record evidencing a financing statement. However, if the filing office destroys a written record, it shall maintain another record of the financing statement which complies with subsection (a) of this section.

"§ 25-9-523. Information from filing office.

(a) Acknowledgment of filing written record. -- If a person that files a written record requests an acknowledgment of the filing, the filing office shall send to the person an image of the record showing the number assigned to the record pursuant to G.S. 25-9-519(a)(1) and the date and time of the filing of the record. However, if the person furnishes a copy of the record to the filing office, the filing office may instead:

(1) Note upon the copy the number assigned to the record pursuant to G.S. 25-9-519(a)(1) and the date and time of the filing of the record; and

(2) Send the copy to the person.

(b) Acknowledgment of filing other record. -- If a person files a record other than a written record, the filing office shall communicate to the person an acknowledgment that provides:

(1) The information in the record;

(2) The number assigned to the record pursuant to G.S. 25-9-519(a)(1); and

(3) The date and time of the filing of the record.

(c) Communication of requested information. -- Except as otherwise provided in subsection (g) of this section, the filing office shall communicate or otherwise make available in a record, for which it shall not be liable, the following information to any person that requests it:

(1) Whether there is on file on a date and time specified by the filing office, but not a date earlier than three business days before the filing office receives the request, any financing statement that:

a. Designates a particular debtor;

b. Has not lapsed under G.S. 25-9-515 with respect to all secured parties of record; and

c. If the request so states, has lapsed under G.S. 25-9-515 and a record of which is maintained by the filing office under G.S. 25-9-522(a);

(2) The date and time of filing of each financing statement; and

(3) The information provided in each financing statement.

(d) Medium for communicating information. -- In complying with its duty under subsection (c) of this section, the filing office may communicate information in any medium. However, if requested, the filing office shall communicate information by issuing a record that can be admitted into evidence in the courts of this State without extrinsic evidence of its authenticity.

(e) Timeliness of filing office performance. -- The filing office shall perform the acts required by subsections (a) through (d) of this section at the time and in the manner prescribed by filing-office rule, but after January 1, 2003, for a filing office described in G.S. 25-9-501(a)(2), not later than three business days after the filing office receives the request.

(f) Reserved.

(g) Inapplicability to real-property-related filing office. -- Subsection (c) of this section does not apply to a filing office described in G.S. 25-9-501(a)(1) with respect to financing statements filed on or after the effective date of this act.

"**§ 25-9-524. Delay by filing office.**

Delay by the filing office beyond a time limit prescribed by this Part is excused if:

(1) The delay is caused by interruption of communication or computer facilities, war, emergency conditions, failure of equipment, or other circumstances beyond control of the filing office; and

(2) The filing office exercises reasonable diligence under the circumstances.

"**§ 25-9-525. Fees.**

(a) Initial financing statement or other record: general rule. -- Except as otherwise provided in subsection (e) of this section, the fee for filing and indexing a record under this Part is:

(1) Thirty dollars ($30.00) if the record is communicated in writing and consists of one or two pages;

(2) Forty-five dollars ($45.00) if the record is communicated in writing and consists of more than two pages, plus two dollars ($2.00) for each page over 10 pages; and

(3) Thirty dollars ($30.00) if the record is communicated by another medium authorized by filing-office rule.

(b) Reserved.

(c) Number of names. -- The number of names required to be indexed does not affect the amount of the fee in subsection (a) of this section.

(d) Response to information request. -- The fee for responding to a request for information from the filing office, including for communicating whether there is on file any financing statement naming a particular debtor, is:

(1) Thirty dollars ($30.00) if the request is communicated in writing; and

(2) Thirty dollars ($30.00) if the request is communicated by another medium authorized by filing-office rule.

Upon request the filing office shall furnish a copy of any filed financing statement or statement of assignment for a uniform fee of two dollars ($2.00) per page. This subsection does not require that a fee be charged for remote access searching of the filing office database.

(e) Record of mortgage. -- This section does not require a fee with respect to a record of a mortgage which is effective as a financing statement filed as a fixture filing or as a financing statement covering as-extracted collateral or timber to be cut under G.S. 25-9-502(c). However, the recording and satisfaction fees that otherwise would be applicable to the record of the mortgage apply.

"§ 25-9-526. Filing-office rules.

(a) Adoption of filing-office rules. -- The Secretary of State shall adopt and publish rules to implement the Secretary of State's responsibilities under this Part. The filing-office rules must be consistent with this Article.

(b) Harmonization of rules. -- To keep the filing-office rules and practices of the filing office in harmony with the rules and practices of filing offices in other jurisdictions that enact substantially this Part, and to keep the technology used by the filing office compatible with the technology used by filing offices in other jurisdictions that enact substantially this Part, the Secretary of State, so far as is consistent with the purposes, policies, and provisions of this Article, in adopting, amending, and repealing filing-office rules, may:

(1) Consult with filing offices in other jurisdictions that enact substantially this Part;

(2) Consult the most recent version of the Model Rules promulgated by the International Association of Corporate Administrators or any successor organization; and

(3) Take into consideration the rules and practices of, and the technology used by, filing offices in other jurisdictions that enact substantially this Part.

"PART 6.

"DEFAULT.

"SUBPART 1. DEFAULT AND ENFORCEMENT OF SECURITY INTEREST.

"§ 25-9-601. Rights after default; judicial enforcement; consignor or buyer of accounts, chattel paper, payment intangibles, or promissory notes.

(a) Rights of secured party after default. -- After default, a secured party has the rights provided in this Part and, except as otherwise provided in G.S. 25-9-602, those provided by agreement of the parties. A secured party:

(1) May reduce a claim to judgment, foreclose, or otherwise enforce the claim, security interest, or agricultural lien by any available judicial procedure; and

(2) If the collateral is documents, may proceed either as to the documents or as to the goods they cover.

(b) Rights and duties of secured party in possession or control. -- A secured party in possession of collateral or control of collateral under G.S. 25-9-104, 25-9-105, 25-9-106, or 25-9-107 has the rights and duties provided in G.S. 25-9-207.

(c) Rights cumulative; simultaneous exercise. -- The rights under subsections (a) and (b) of this section are cumulative and may be exercised simultaneously.

(d) Rights of debtor and obligor. -- Except as otherwise provided in subsection (g) of this section and G.S. 25-9-605, after default, a debtor and an obligor have the rights provided in this Part and by agreement of the parties.

(e) Lien of levy after judgment. -- If a secured party has reduced its claim to judgment, the lien of any levy that may be made upon the collateral by virtue of an execution based upon the judgment relates back to the earliest of:

(1) The date of perfection of the security interest or agricultural lien in the collateral;

(2) The date of filing a financing statement covering the collateral; or

(3) Any date specified in a statute under which the agricultural lien was created.

(f) Execution sale. -- A sale pursuant to an execution is a foreclosure of the security interest or agricultural lien by judicial procedure within the meaning of this section. A secured party may purchase at the sale and thereafter hold the collateral free of any other requirements of this Article.

(g) Consignor or buyer of certain rights to payment. -- Except as otherwise provided in G.S. 25-9-607(c), this Part imposes no duties upon a secured party that is a consignor or is a buyer of accounts, chattel paper, payment intangibles, or promissory notes.

"**§ 25-9-602. Waiver and variance of rights and duties.**

Except as otherwise provided in G.S. 25-9-624, to the extent that they give rights to a debtor or obligor and impose duties on a secured party, the debtor or obligor may not waive or vary the rules stated in the following listed sections:

(1) G.S. 25-9-207(b)(4)c., which deals with use and operation of the collateral by the secured party;

(2) G.S. 25-9-210, which deals with requests for an accounting and requests concerning a list of collateral and statement of account;

(3) G.S. 25-9-607(c), which deals with collection and enforcement of collateral;

(4) G.S. 25-9-608(a) and G.S. 25-9-615(c) to the extent that they deal with application or payment of noncash proceeds of collection, enforcement, or disposition;

(5) G.S. 25-9-608(a) and G.S. 25-9-615(d) to the extent that they require accounting for or payment of surplus proceeds of collateral;

(6) G.S. 25-9-609 to the extent that it imposes upon a secured party that takes possession of collateral without judicial process the duty to do so without breach of the peace;

(7) G.S. 25-9-610(b), 25-9-611, 25-9-613, and 25-9-614, which deal with disposition of collateral;

(8) G.S. 25-9-615(f), which deals with calculation of a deficiency or surplus when a disposition is made to the secured party, a person related to the secured party, or a secondary obligor;

(9) G.S. 25-9-616, which deals with explanation of the calculation of a surplus or deficiency;

(10) G.S. 25-9-620, 25-9-621, and 25-9-622, which deal with acceptance of collateral in satisfaction of obligation;

(11) G.S. 25-9-623, which deals with redemption of collateral;

(12) G.S. 25-9-624, which deals with permissible waivers; and

(13) G.S. 25-9-625 and G.S. 25-9-626, which deal with the secured party's liability for failure to comply with this Article.

"§ 25-9-603. Agreement on standards concerning rights and duties.

(a) Agreed standards. -- The parties may determine by agreement the standards measuring the fulfillment of the rights of a debtor or obligor and the duties of a secured party under a rule stated in G.S. 25-9-602 if the standards are not manifestly unreasonable.

(b) Agreed standards inapplicable to breach of peace. -- Subsection (a) of this section does not apply to the duty under G.S. 25-9-609 to refrain from breaching the peace.

"§ 25-9-604. Procedure if security agreement covers real property or fixtures.

(a) Enforcement: personal and real property. -- If a security agreement covers both personal and real property, a secured party may proceed:

(1) Under this Part as to the personal property without prejudicing any rights with respect to the real property; or

(2) As to both the personal property and the real property in accordance with the rights with respect to the real property, in which case the other provisions of this Part do not apply.

(b) Enforcement: fixtures. -- Subject to subsection (c) of this section, if a security agreement covers goods that are or become fixtures, a secured party may proceed:

(1) Under this Part; or

(2) In accordance with the rights with respect to real property, in which case the other provisions of this Part do not apply.

(c) Removal of fixtures. -- Subject to the other provisions of this Part, if a secured party holding a security interest in fixtures has priority over all owners and encumbrancers of the real property, the secured party, after default, may remove the collateral from the real property.

(d) Injury caused by removal. -- A secured party that removes collateral shall promptly reimburse any encumbrancer or owner of the real property, other than the debtor, for the cost of repair of any physical injury caused by the removal. The secured party need not reimburse the encumbrancer or owner for any diminution in value of the real property caused by the absence of the goods removed or by any necessity of replacing them. A person entitled to reimbursement may refuse permission to remove until the secured party gives adequate assurance for the performance of the obligation to reimburse.

"§ 25-9-605. Unknown debtor or secondary obligor.

A secured party does not owe a duty based on its status as secured party:

(1) To a person that is a debtor or obligor, unless the secured party knows:

a. That the person is a debtor or obligor;

b. The identity of the person; and

c. How to communicate with the person; or

(2) To a secured party or lienholder that has filed a financing statement against a person, unless the secured party knows:

a. That the person is a debtor; and

b. The identity of the person.

"§ 25-9-606. Time of default for agricultural lien.

For purposes of this Part, a default occurs in connection with an agricultural lien at the time the secured party becomes entitled to enforce the lien in accordance with the statute under which it was created.

"§ 25-9-607. Collection and enforcement by secured party.

(a) Collection and enforcement generally. -- If so agreed, and in any event after default, a secured party:

(1) May notify an account debtor or other person obligated on collateral to make payment or otherwise render performance to or for the benefit of the secured party;

(2) May take any proceeds to which the secured party is entitled under G.S. 25-9-315;

(3) May enforce the obligations of an account debtor or other person obligated on collateral and exercise the rights of the debtor with respect to the obligation of the account debtor or other person obligated on collateral to make payment or otherwise render performance to the debtor, and with respect to any property that secures the obligations of the account debtor or other person obligated on the collateral;

(4) If it holds a security interest in a deposit account perfected by control under G.S. 25-9-104(a)(1), may apply the balance of the deposit account to the obligation secured by the deposit account; and

(5) If it holds a security interest in a deposit account perfected by control under G.S. 25-9-104(a)(2) or (a)(3), may instruct the bank

to pay the balance of the deposit account to or for the benefit of the secured party.

(b) Nonjudicial enforcement of mortgage. -- If necessary to enable a secured party to exercise under subdivision (a)(3) of this section the right of a debtor to enforce a mortgage nonjudicially, the secured party may record in the office in which a record of the mortgage is recorded:

(1) A copy of the security agreement that creates or provides for a security interest in the obligation secured by the mortgage; and

(2) The secured party's sworn affidavit in recordable form stating that:

a. A default has occurred; and

b. The secured party is entitled to enforce the mortgage nonjudicially.

(c) Commercially reasonable collection and enforcement. -- A secured party shall proceed in a commercially reasonable manner if the secured party:

(1) Undertakes to collect from or enforce an obligation of an account debtor or other person obligated on collateral; and

(2) Is entitled to charge back uncollected collateral or otherwise to full or limited recourse against the debtor or a secondary obligor.

(d) Expenses of collection and enforcement. -- A secured party may deduct from the collections made pursuant to subsection (c) of this section reasonable expenses of collection and enforcement, including reasonable attorney's fees and legal expenses incurred by the secured party.

(e) Duties to secured party not affected. -- This section does not determine whether an account debtor, bank, or other person obligated on collateral owes a duty to a secured party.

"§ 25-9-608. Application of proceeds of collection or enforcement; liability for deficiency and right to surplus.

(a) Application of proceeds, surplus, and deficiency if obligation secured. -- If a security interest or agricultural lien secures payment or performance of an obligation, the following rules apply:

(1) A secured party shall apply or pay over for application the cash proceeds of collection or enforcement under G.S. 25-9-607 in the following order to:

a. The reasonable expenses of collection and enforcement and, to the extent provided for by agreement and not prohibited by law, reasonable attorney's fees and legal expenses incurred by the secured party;

b. The satisfaction of obligations secured by the security interest or agricultural lien under which the collection or enforcement is made; and

c. The satisfaction of obligations secured by any subordinate security interest in or other lien on the collateral subject to the security interest or agricultural lien under which the collection or enforcement is made if the secured party

receives an authenticated demand for proceeds before distribution of the proceeds is completed.

(2) If requested by a secured party, a holder of a subordinate security interest or other lien shall furnish reasonable proof of the interest or lien within a reasonable time. Unless the holder complies, the secured party need not comply with the holder's demand under sub-subdivision (a)(1)c. of this section.

(3) A secured party need not apply or pay over for application noncash proceeds of collection and enforcement under G.S. 25-9-607 unless the failure to do so would be commercially unreasonable. A secured party that applies or pays over for application noncash proceeds shall do so in a commercially reasonable manner.

(4) A secured party shall account to and pay a debtor for any surplus, and the obligor is liable for any deficiency.

(b) No surplus or deficiency in sales of certain rights to payment. -- If the underlying transaction is a sale of accounts, chattel paper, payment intangibles, or promissory notes, the debtor is not entitled to any surplus, and the obligor is not liable for any deficiency.

"§ 25-9-609. Secured party's right to take possession after default.

(a) Possession; rendering equipment unusable; disposition on debtor's premises. -- After default, a secured party:

(1) May take possession of the collateral; and

(2) Without removal, may render equipment unusable and dispose of collateral on a debtor's premises under G.S. 25-9-610.

(b) Judicial and nonjudicial process. -- A secured party may proceed under subsection (a) of this section:

(1) Pursuant to judicial process; or

(2) Without judicial process, if it proceeds without breach of the peace.

(c) Assembly of collateral. -- If so agreed, and in any event after default, a secured party may require the debtor to assemble the collateral and make it available to the secured party at a place to be designated by the secured party which is reasonably convenient to both parties.

"§ 25-9-610. Disposition of collateral after default.

(a) Disposition after default. -- After default, a secured party may sell, lease, license, or otherwise dispose of any or all of the collateral in its present condition or following any commercially reasonable preparation or processing.

(b) Commercially reasonable disposition. -- Every aspect of a disposition of collateral, including the method, manner, time, place, and other terms, must be commercially reasonable. If commercially reasonable, a secured party may dispose of collateral by public or private proceedings, by one or more contracts, as a unit or in parcels, and at any time and place and on any terms.

(c) Purchase by secured party. -- A secured party may purchase collateral:

(1) At a public disposition; or

(2) At a private disposition only if the collateral is of a kind that is customarily sold on a recognized market or the subject of widely distributed standard price quotations.

(d) Warranties on disposition. -- A contract for sale, lease, license, or other disposition includes the warranties relating to title, possession, quiet enjoyment, and the like which by operation of law accompany a voluntary disposition of property of the kind subject to the contract.

(e) Disclaimer of warranties. -- A secured party may disclaim or modify warranties under subsection (d) of this section:

(1) In a manner that would be effective to disclaim or modify the warranties in a voluntary disposition of property of the kind subject to the contract of disposition; or

(2) By communicating to the purchaser a record evidencing the contract for disposition and including an express disclaimer or modification of the warranties.

(f) Record sufficient to disclaim warranties. -- A record is sufficient to disclaim warranties under subsection (e) of this section if it indicates 'There is no warranty relating to title, possession, quiet enjoyment, or the like in this disposition' or uses words of similar import.

"§ 25-9-611. Notification before disposition of collateral.

(a) 'Notification date.' -- In this section, 'notification date' means the earlier of the date on which:

(1) A secured party sends to the debtor and any secondary obligor an authenticated notification of disposition; or

(2) The debtor and any secondary obligor waive the right to notification.

(b) Notification of disposition required. -- Except as otherwise provided in subsection (d) of this section, a secured party that disposes of collateral under G.S. 25-9-610 shall send to the persons specified in subsection (c) of this section a reasonable authenticated notification of disposition.

(c) Persons to be notified. -- To comply with subsection (b) of this section, the secured party shall send an authenticated notification of disposition to:

(1) The debtor;

(2) Any secondary obligor; and

(3) If the collateral is other than consumer goods:

a. Any other person from which the secured party has received, before the notification date, an authenticated notification of a claim of an interest in the collateral;

b. Any other secured party or lienholder that, 10 days before the notification date, held a security interest in or other lien on the collateral perfected by the filing of a financing statement that:

1. Identified the collateral;

2. Was indexed under the debtor's name as of that date; and
3. Was filed in the office in which to file a financing statement against the debtor covering the collateral as of that date; and

c. Any other secured party that, 10 days before the notification date, held a security interest in the collateral perfected by compliance with a statute, regulation, or treaty described in G.S. 25-9-311(a).

(d) Subsection (b) inapplicable: perishable collateral; recognized market. -- Subsection (b) of this section does not apply if the collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market.

(e) Compliance with sub-subdivision (c)(3)b. -- A secured party complies with the requirement for notification prescribed by sub-subdivision (c)(3)b. of this section if:

(1) Not later than 20 days or earlier than 30 days before the notification date, the secured party requests, in a commercially reasonable manner, information concerning financing statements indexed under the debtor's name in the office indicated in sub-subdivision (c)(3)b. of this section; and

(2) Before the notification date, the secured party:

a. Did not receive a response to the request for information; or

b. Received a response to the request for information and sent an authenticated notification of disposition to each secured party or other lienholder named in that response whose financing statement covered the collateral.

"§ 25-9-612. Timeliness of notification before disposition of collateral.

(a) Reasonable time is question of fact. -- Except as otherwise provided in subsection (b) of this section, whether a notification is sent within a reasonable time is a question of fact.

(b) Ten-day period sufficient in nonconsumer transaction. -- In a transaction other than a consumer transaction, a notification of disposition sent after default and 10 days or more before the earliest time of disposition set forth in the notification is sent within a reasonable time before the disposition.

"§ 25-9-613. Contents and form of notification before disposition of collateral: general.

Except in a consumer-goods transaction, the following rules apply:

(1) The contents of a notification of disposition are sufficient if the notification:

a. Describes the debtor and the secured party;

b. Describes the collateral that is the subject of the intended disposition;

c. States the method of intended disposition;

d. States that the debtor is entitled to an accounting of the unpaid indebtedness and states the charge, if any, for an accounting; and

e. States the time and place of a public disposition or the time after which any other disposition is to be made.

(2) Whether the contents of a notification that lacks any of the information specified in subdivision (1) of this section are nevertheless sufficient is a question of fact.

(3) The contents of a notification providing substantially the information specified in subdivision (1) of this section are sufficient, even if the notification includes:

a. Information not specified by that subdivision; or

b. Minor errors that are not seriously misleading.

(4) A particular phrasing of the notification is not required.

(5) The following form of notification and the form appearing in G.S. 25-9-614(3), when completed, each provides sufficient information:

NOTIFICATION OF DISPOSITION OF COLLATERAL

To: [Name of debtor, obligor, or other person to which the notification is sent]

From: [Name, address, and telephone number of secured party]

Name of Debtor(s): [Include only if debtor(s) is/are not an addressee]

[For a public disposition:]

We will sell [or lease or license, as applicable] the [describe collateral] [to the highest qualified bidder] in public as follows:

Day and Date: _____

Time: _____

Place: _____

[For a private disposition:]

We will sell [or lease or license, as applicable] the [describe collateral] privately sometime after [day and date].

You are entitled to an accounting of the unpaid indebtedness secured by the property that we intend to sell [or lease or license, as applicable] [for a charge of $_____].

You may request an accounting by calling us at [telephone number]

"**§ 25-9-614. Contents and form of notification before disposition of collateral: consumer-goods transaction.**

In a consumer-goods transaction, the following rules apply:

(1) A notification of disposition must provide the following information:

a. The information specified in G.S. 25-9-613(1);

b. A description of any liability for a deficiency of the person to which the notification is sent;

c. A telephone number from which the amount that must be paid to the secured party to redeem the collateral under G.S. 25-9-623 is available; and

d. A telephone number or mailing address from which additional information concerning the disposition and the obligation secured is available.

(2) A particular phrasing of the notification is not required.

(3) The following form of notification, when completed, provides sufficient information:

[Name and address of secured party]

[Date]

NOTICE OF OUR PLAN TO SELL PROPERTY

[Name and address of any obligor who is also a debtor]

Subject: [Identification of Transaction]

We have your [describe collateral], because you broke promises in our agreement.

[For a public disposition:]

We will sell [describe collateral] at public sale. A sale could include a lease or license. The sale will be held as follows:

Date: _____

Time: _____

Place: _____

You may attend the sale and bring bidders if you want.

[For a private disposition:]

We will sell [describe collateral] at private sale sometime after [date]. A sale could include a lease or license.

The money that we get from the sale (after paying our costs) will reduce the amount you owe. If we get less money than you owe, you [will or will not, as applicable] still owe us the difference. If we get more money than you owe, you will get the extra money, unless we must pay it to someone else.

You can get the property back at any time before we sell it by paying us the full amount you owe (not just the past due payments), including our expenses. To learn the exact amount you must pay, call us at [telephone number].

If you want us to explain to you in writing how we have figured the amount that you owe us, you may call us at [telephone number] or write us at [secured party's address] and request a written explanation. [We will charge you $_____

for the explanation if we sent you another written explanation of the amount you owe us within the last six months.]

If you need more information about the sale call us at [telephone number] [or write us at [secured party's address]].

We are sending this notice to the following other people who have an interest in [describe collateral] or who owe money under your agreement:
[Names of all other debtors and obligors, if any]

(4) A notification in the form of subdivision (3) of this section is sufficient, even if additional information appears at the end of the form.

(5) A notification in the form of subdivision (3) of this section is sufficient, even if it includes errors in information not required by subdivision (1) of this section, unless the error is misleading with respect to rights arising under this Article.

(6) If a notification under this section is not in the form of subdivision (3) of this section, law other than this Article determines the effect of including information not required by subdivision (1) of this section.

"§ 25-9-615. Application of proceeds of disposition; liability for deficiency and right to surplus.

(a) Application of proceeds. -- A secured party shall apply or pay over for application the cash proceeds of disposition under G.S. 25-9-610 in the following order to:

(1) The reasonable expenses of retaking, holding, preparing for disposition, processing, and disposing, and, to the extent provided for by agreement and not prohibited by law, reasonable attorney's fees and legal expenses incurred by the secured party;

(2) The satisfaction of obligations secured by the security interest or agricultural lien under which the disposition is made;

(3) The satisfaction of obligations secured by any subordinate security interest in or other subordinate lien on the collateral if:

a. The secured party receives from the holder of the subordinate security interest or other lien an authenticated demand for proceeds before distribution of the proceeds is completed; and

b. In a case in which a consignor has an interest in the collateral, the subordinate security interest or other lien is senior to the interest of the consignor; and

(4) A secured party that is a consignor of the collateral if the secured party receives from the consignor an authenticated demand for proceeds before distribution of the proceeds is completed.

(b) Proof of subordinate interest. -- If requested by a secured party, a holder of a subordinate security interest or other lien shall furnish reasonable proof of the interest or lien within a reasonable time. Unless the holder does so, the secured party need not comply with the holder's demand under subdivision (a)(3) of this section.

(c) Application of noncash proceeds. -- A secured party need not apply or pay over for application noncash proceeds of disposition under G.S. 25-9-610 unless the failure to do so would be commercially unreasonable. A secured party that applies or pays over for application noncash proceeds shall do so in a commercially reasonable manner.

(d) Surplus or deficiency if obligation secured. -- If the security interest under which a disposition is made secures payment or performance of an obligation, after making the payments and applications required by subsection (a) of this section and permitted by subsection (c) of this section:

(1) Unless subdivision (a)(4) of this section requires the secured party to apply or pay over cash proceeds to a consignor, the secured party shall account to and pay a debtor for any surplus; and

(2) The obligor is liable for any deficiency.

(e) No surplus or deficiency in sales of certain rights to payment. -- If the underlying transaction is a sale of accounts, chattel paper, payment intangibles, or promissory notes:

(1) The debtor is not entitled to any surplus; and

(2) The obligor is not liable for any deficiency.

(f) Calculation of surplus or deficiency in disposition to person related to secured party. -- The surplus or deficiency following a disposition is calculated based on the amount of proceeds that would have been realized in a disposition complying with this Part to a transferee other than the secured party, a person related to the secured party, or a secondary obligor if:

(1) The transferee in the disposition is the secured party, a person related to the secured party, or a secondary obligor; and

(2) The amount of proceeds of the disposition is significantly below the range of proceeds that a complying disposition to a person other than the secured party, a person related to the secured party, or a secondary obligor would have brought.

(g) Cash proceeds received by junior secured party. -- A secured party that receives cash proceeds of a disposition in good faith and without knowledge that the receipt violates the rights of the holder of a security interest or other lien that is not subordinate to the security interest or agricultural lien under which the disposition is made:

(1) Takes the cash proceeds free of the security interest or other lien;

(2) Is not obligated to apply the proceeds of the disposition to the satisfaction of obligations secured by the security interest or other lien; and

(3) Is not obligated to account to or pay the holder of the security interest or other lien for any surplus.

"§ 25-9-616. Explanation of calculation of surplus or deficiency.

(a) Definitions. -- In this section:

(1) 'Explanation' means a writing that:

a. States the amount of the surplus or deficiency;

b. Provides an explanation in accordance with subsection (c) of this section of how the secured party calculated the surplus or deficiency;

c. States, if applicable, that future debits, credits, charges, including additional credit service charges or interest, rebates, and expenses may affect the amount of the surplus or deficiency; and

d. Provides a telephone number or mailing address from which additional information concerning the transaction is available.

(2) 'Request' means a record:

a. Authenticated by a debtor or consumer obligor;

b. Requesting that the recipient provide an explanation; and

c. Sent after disposition of the collateral under G.S. 25-9-610.

(b) Explanation of calculation. -- In a consumer-goods transaction in which the debtor is entitled to a surplus or a consumer obligor is liable for a deficiency under G.S. 25-9-615, the secured party shall:

(1) Send an explanation to the debtor or consumer obligor, as applicable, after the disposition and:

a. Before or when the secured party accounts to the debtor and pays any surplus or first makes written demand on the consumer obligor after the disposition for payment of the deficiency; and

b. Within 14 days after receipt of a request; or

(2) In the case of a consumer obligor who is liable for a deficiency, within 14 days after receipt of a request, send to the consumer obligor a record waiving the secured party's right to a deficiency.

(c) Required information. -- To comply with sub-subdivision (a)(1)b. of this section, a writing must provide the following information in the following order:

(1) The aggregate amount of obligations secured by the security interest under which the disposition was made, and, if the amount reflects a rebate of unearned interest or credit service charge, an indication of that fact, calculated as of a specified date:

a. If the secured party takes or receives possession of the collateral after default, not more than 35 days before the secured party takes or receives possession; or

b. If the secured party takes or receives possession of the collateral before default or does not take possession of the collateral, not more than 35 days before the disposition;

(2) The amount of proceeds of the disposition;

(3) The aggregate amount of the obligations after deducting the amount of proceeds;

(4) The amount, in the aggregate or by type, and types of expenses, including expenses of retaking, holding, preparing for disposition, processing, and disposing of the collateral, and attorney's fees secured by the collateral which are known to the secured party and relate to the current disposition;

(5) The amount, in the aggregate or by type, and types of credits, including rebates of interest or credit service charges, to which the obligor is known to be entitled and which are not reflected in the amount in subdivision (1) of this subsection; and

(6) The amount of the surplus or deficiency.

(d) Substantial compliance. -- A particular phrasing of the explanation is not required. An explanation complying substantially with the requirements of subsection (a) of this section is sufficient, even if it includes minor errors that are not seriously misleading.

(e) Charges for responses. -- A debtor or consumer obligor is entitled without charge to one response to a request under this section during any six-month period in which the secured party did not send to the debtor or consumer obligor an explanation pursuant to subdivision (b)(1) of this section. The secured party may require payment of a charge not exceeding twenty-five dollars ($25.00) for each additional response.

"§ 25-9-617. Rights of transferee of collateral.

(a) Effects of disposition. -- A secured party's disposition of collateral after default:

(1) Transfers to a transferee for value all of the debtor's rights in the collateral;

(2) Discharges the security interest under which the disposition is made; and

(3) Discharges any subordinate security interest or other subordinate lien.

(b) Rights of good-faith transferee. -- A transferee that acts in good faith takes free of the rights and interests described in subsection (a) of this section, even if the secured party fails to comply with this Article or the requirements of any judicial proceeding.

(c) Rights of other transferee. -- If a transferee does not take free of the rights and interests described in subsection (a) of this section, the transferee takes the collateral subject to:

(1) The debtor's rights in the collateral;

(2) The security interest or agricultural lien under which the disposition is made; and

(3) Any other security interest or other lien.

"§ 25-9-618. Rights and duties of certain secondary obligors.

(a) Rights and duties of secondary obligor. -- A secondary obligor acquires the rights and becomes obligated to perform the duties of the secured party after the secondary obligor:

(1) Receives an assignment of a secured obligation from the secured party;

(2) Receives a transfer of collateral from the secured party and agrees to accept the rights and assume the duties of the secured party; or

(3) Is subrogated to the rights of a secured party with respect to collateral.

(b) Effect of assignment, transfer, or subrogation. -- An assignment, transfer, or subrogation described in subsection (a) of this section:

(1) Is not a disposition of collateral under G.S. 25-9-610; and

(2) Relieves the secured party of further duties under this Article.

"§ 25-9-619. Transfer of record or legal title.

(a) 'Transfer statement.' -- In this section, 'transfer statement' means a record authenticated by a secured party stating:

(1) That the debtor has defaulted in connection with an obligation secured by specified collateral;

(2) That the secured party has exercised its postdefault remedies with respect to the collateral;

(3) That, by reason of the exercise, a transferee has acquired the rights of the debtor in the collateral; and

(4) The name and mailing address of the secured party, debtor, and transferee.

(b) Effect of transfer statement. -- A transfer statement entitles the transferee to the transfer of record of all rights of the debtor in the collateral specified in the statement in any official filing, recording, registration, or certificate-of-title system covering the collateral. If a transfer statement is presented with the applicable fee and request form to the official or office responsible for maintaining the system, the official or office shall:

(1) Accept the transfer statement;

(2) Promptly amend its records to reflect the transfer; and

(3) If applicable, issue a new appropriate certificate of title in the name of the transferee.

(c) Transfer not a disposition; no relief of secured party's duties. -- A transfer of the record or legal title to collateral to a secured party under subsection (b) of this section or otherwise is not of itself a disposition of collateral under this Article and does not of itself relieve the secured party of its duties under this Article.

"§ 25-9-620. Acceptance of collateral in full or partial satisfaction of obligation; compulsory disposition of collateral.

(a) Conditions to acceptance in satisfaction. -- Except as otherwise provided in subsection (g) of this section, a secured party may accept collateral in full or partial satisfaction of the obligation it secures only if:

(1) The debtor consents to the acceptance under subsection (c) of this section;

(2) The secured party does not receive, within the time set forth in subsection (d) of this section, a notification of objection to the proposal authenticated by:

a. A person to which the secured party was required to send a proposal under G.S. 25-9-621; or

b. Any other person, other than the debtor, holding an interest in the collateral subordinate to the security interest that is the subject of the proposal;

(3) If the collateral is consumer goods, the collateral is not in the possession of the debtor when the debtor consents to the acceptance; and

(4) Subsection (e) of this section does not require the secured party to dispose of the collateral or the debtor waives the requirement pursuant to G.S. 25-9-624.

(b) Purported acceptance ineffective. -- A purported or apparent acceptance of collateral under this section is ineffective unless:

(1) The secured party consents to the acceptance in an authenticated record or sends a proposal to the debtor; and

(2) The conditions of subsection (a) of this section are met.

(c) Debtor's consent. -- For purposes of this section:

(1) A debtor consents to an acceptance of collateral in partial satisfaction of the obligation it secures only if the debtor agrees to the terms of the acceptance in a record authenticated after default; and

(2) A debtor consents to an acceptance of collateral in full satisfaction of the obligation it secures only if the debtor agrees to the terms of the acceptance in a record authenticated after default or the secured party:

a. Sends to the debtor after default a proposal that is unconditional or subject only to a condition that collateral not in the possession of the secured party be preserved or maintained;

b. In the proposal, proposes to accept collateral in full satisfaction of the obligation it secures; and

c. Does not receive a notification of objection authenticated by the debtor within 20 days after the proposal is sent.

(d) Effectiveness of notification. -- To be effective under subdivision (a)(2) of this section, a notification of objection must be received by the secured party:

(1) In the case of a person to which the proposal was sent pursuant to G.S. 25-9-621, within 20 days after notification was sent to that person; and

(2) In other cases:

a. Within 20 days after the last notification was sent pursuant to G.S. 25-9-621; or

b. If a notification was not sent, before the debtor consents to the acceptance under subsection (c) of this section.

(e) Mandatory disposition of consumer goods. -- A secured party that has taken possession of collateral shall dispose of the collateral pursuant to G.S. 25-9-610 within the time specified in subsection (f) of this section if:

(1) Sixty percent (60%) of the cash price has been paid in the case of a purchase-money security interest in consumer goods; or

(2) Sixty percent (60%) of the principal amount of the obligation secured has been paid in the case of a non-purchase-money security interest in consumer goods.

(f) Compliance with mandatory disposition requirement. -- To comply with subsection (e) of this section, the secured party shall dispose of the collateral:

(1) Within 90 days after taking possession; or

(2) Within any longer period to which the debtor and all secondary obligors have agreed in an agreement to that effect entered into and authenticated after default.

(g) No partial satisfaction in consumer transaction. -- In a consumer transaction, a secured party may not accept collateral in partial satisfaction of the obligation it secures.

"§ 25-9-621. Notification of proposal to accept collateral.

(a) Persons to which proposal to be sent. -- A secured party that desires to accept collateral in full or partial satisfaction of the obligation it secures shall send its proposal to:

(1) Any person from which the secured party has received, before the debtor consented to the acceptance, an authenticated notification of a claim of an interest in the collateral;

(2) Any other secured party or lienholder that, 10 days before the debtor consented to the acceptance, held a security interest in or other lien on the collateral perfected by the filing of a financing statement that:

a. Identified the collateral;

b. Was indexed under the debtor's name as of that date; and

c. Was filed in the office or offices in which to file a financing statement against the debtor covering the collateral as of that date; and

(3) Any other secured party that, 10 days before the debtor consented to the acceptance, held a security interest in the collateral perfected by compliance with a statute, regulation, or treaty described in G.S. 25-9-311(a).

(b) Proposal to be sent to secondary obligor in partial satisfaction. -- A secured party that desires to accept collateral in partial satisfaction of the obligation it secures

shall send its proposal to any secondary obligor in addition to the persons described in subsection (a) of this section.

"§ 25-9-622. Effect of acceptance of collateral.

(a) Effect of acceptance. -- A secured party's acceptance of collateral in full or partial satisfaction of the obligation it secures:

(1) Discharges the obligation to the extent consented to by the debtor;

(2) Transfers to the secured party all of a debtor's rights in the collateral;

(3) Discharges the security interest or agricultural lien that is the subject of the debtor's consent and any subordinate security interest or other subordinate lien; and

(4) Terminates any other subordinate interest.

(b) Discharge of subordinate interest notwithstanding noncompliance. -- A subordinate interest is discharged or terminated under subsection (a) of this section, even if the secured party fails to comply with this Article.

"§ 25-9-623. Right to redeem collateral.

(a) Persons that may redeem. -- A debtor, any secondary obligor, or any other secured party or lienholder may redeem collateral.

(b) Requirements for redemption. -- To redeem collateral, a person shall tender:

(1) Fulfillment of all obligations secured by the collateral; and

(2) The reasonable expenses and attorney's fees described in G.S. 25-9-615(a)(1).

(c) When redemption may occur. -- A redemption may occur at any time before a secured party:

(1) Has collected collateral under G.S. 25-9-607;

(2) Has disposed of collateral or entered into a contract for its disposition under G.S. 25-9-610; or

(3) Has accepted collateral in full or partial satisfaction of the obligation it secures under G.S. 25-9-622.

"§ 25-9-624. Waiver.

(a) Waiver of disposition notification. -- A debtor or secondary obligor may waive the right to notification of disposition of collateral under G.S. 25-9-611 only by an agreement to that effect entered into and authenticated after default.

(b) Waiver of mandatory disposition. -- A debtor may waive the right to require disposition of collateral under G.S. 25-9-620(e) only by an agreement to that effect entered into and authenticated after default.

(c) Waiver of redemption right. -- Except in a consumer-goods transaction, a debtor or secondary obligor may waive the right to redeem collateral under G.S. 25-9-623 only by an agreement to that effect entered into and authenticated after default.

"SUBPART 2. NONCOMPLIANCE WITH ARTICLE.

"§ 25-9-625. Remedies for secured party's failure to comply with Article.

(a) Judicial orders concerning noncompliance. -- If it is established that a secured party is not proceeding in accordance with this Article, a court may order or restrain

collection, enforcement, or disposition of collateral on appropriate terms and conditions.

(b) Damages for noncompliance. -- Subject to subsections (c), (d), and (f) of this section, a person is liable for damages in the amount of any loss caused by a failure to comply with this Article. Loss caused by a failure to comply may include loss resulting from the debtor's inability to obtain, or increased costs of, alternative financing.

(c) Persons entitled to recover damages; statutory damages in consumer-goods transaction. -- Except as otherwise provided in G.S. 25-9-628:

(1) A person that, at the time of the failure, was a debtor, was an obligor, or held a security interest in or other lien on the collateral may recover damages under subsection (b) of this section for its loss; and

(2) If the collateral is consumer goods, a person that was a debtor or a secondary obligor at the time a secured party failed to comply with this Part may recover for that failure in any event an amount not less than the credit service charge plus ten percent (10%) of the principal amount of the obligation or the time-price differential plus ten percent (10%) of the cash price.

(d) Recovery when deficiency eliminated or reduced. -- A debtor whose deficiency is eliminated under G.S. 25-9-626 may recover damages for the loss of any surplus. However, a debtor or secondary obligor whose deficiency is eliminated or reduced under G.S. 25-9-626 may not otherwise recover under subsection (b) of this section for noncompliance with the provisions of this Part relating to collection, enforcement, disposition, or acceptance.

(e) Statutory damages: noncompliance with specified provisions. -- In addition to any damages recoverable under subsection (b) of this section, the debtor, consumer obligor, or person named as a debtor in a filed record, as applicable, may recover five hundred dollars ($500.00) in each case from a person that:

(1) Fails to comply with G.S. 25-9-208;

(2) Fails to comply with G.S. 25-9-209;

(3) Files a record that the person is not entitled to file under G.S. 25-9-509(a);

(4) Fails to cause the secured party of record to file or send a termination statement as required by G.S. 25-9-513(a) or (c);

(5) Fails to comply with G.S. 25-9-616(b)(1) and whose failure is part of a pattern, or consistent with a practice, of noncompliance; or

(6) Fails to comply with G.S. 25-9-616(b)(2).

(f) Statutory damages: noncompliance with G.S. 25-9-210. -- A debtor or consumer obligor may recover damages under subsection (b) of this section and, in addition, five hundred dollars ($500.00) in each case from a person that, without reasonable cause, fails to comply with a request under G.S. 25-9-210. A recipient of a request under G.S. 25-9-210 which never claimed an interest in the collateral or

obligations that are the subject of a request under that section has a reasonable excuse for failure to comply with the request within the meaning of this subsection.

(g) Limitation of security interest: noncompliance with G.S. 25-9-210. -- If a secured party fails to comply with a request regarding a list of collateral or a statement of account under G.S. 25-9-210, the secured party may claim a security interest only as shown in the list or statement included in the request as against a person that is reasonably misled by the failure.

"§ 25-9-626. Action in which deficiency or surplus is in issue.

(a) Applicable rules if amount of deficiency or surplus in issue. -- In an action arising from a transaction, other than a consumer transaction, in which the amount of a deficiency or surplus is in issue, the following rules apply:

(1) A secured party need not prove compliance with the provisions of this Part relating to collection, enforcement, disposition, or acceptance unless the debtor or a secondary obligor places the secured party's compliance in issue.

(2) If the secured party's compliance is placed in issue, the secured party has the burden of establishing that the collection, enforcement, disposition, or acceptance was conducted in accordance with this Part.

(3) Except as otherwise provided in G.S. 25-9-628, if a secured party fails to prove that the collection, enforcement, disposition, or acceptance was conducted in accordance with the provisions of this Part relating to collection, enforcement, disposition, or acceptance, the liability of a debtor or a secondary obligor for a deficiency is limited to an amount by which the sum of the secured obligation, expenses, and attorney's fees exceeds the greater of:

a. The proceeds of the collection, enforcement, disposition, or acceptance; or

b. The amount of proceeds that would have been realized had the noncomplying secured party proceeded in accordance with the provisions of this Part relating to collection, enforcement, disposition, or acceptance.

(4) For purposes of sub-subdivision (a)(3)b. of this section, the amount of proceeds that would have been realized is equal to the sum of the secured obligation, expenses, and attorney's fees unless the secured party proves that the amount is less than that sum.

(5) If a deficiency or surplus is calculated under G.S. 25-9-615(f), the debtor or obligor has the burden of establishing that the amount of proceeds of the disposition is significantly below the range of prices that a complying disposition to a person other than the secured party, a person related to the secured party, or a secondary obligor would have brought.

(b) Nonconsumer transactions; no inference. -- The limitation of the rules in subsection (a) of this section to transactions other than consumer transactions is

intended to leave to the court the determination of the proper rules in consumer transactions. The court may not infer from that limitation the nature of the proper rule in consumer transactions and may continue to apply established approaches.

"**§ 25-9-627. Determination of whether conduct was commercially reasonable.**

(a) Greater amount obtainable under other circumstances; no preclusion of commercial reasonableness. -- The fact that a greater amount could have been obtained by a collection, enforcement, disposition, or acceptance at a different time or in a different method from that selected by the secured party is not of itself sufficient to preclude the secured party from establishing that the collection, enforcement, disposition, or acceptance was made in a commercially reasonable manner.

(b) Dispositions that are commercially reasonable. -- A disposition of collateral is made in a commercially reasonable manner if the disposition is made:

(1) In the usual manner on any recognized market;

(2) At the price current in any recognized market at the time of the disposition; or

(3) Otherwise in conformity with reasonable commercial practices among dealers in the type of property that was the subject of the disposition.

(c) Approval by court or on behalf of creditors. -- A collection, enforcement, disposition, or acceptance is commercially reasonable if it has been approved:

(1) In a judicial proceeding;

(2) By a bona fide creditors' committee;

(3) By a representative of creditors; or

(4) By an assignee for the benefit of creditors.

(d) Approval under subsection (c) of this section not necessary; absence of approval has no effect. -- Approval under subsection (c) of this section need not be obtained, and lack of approval does not mean that the collection, enforcement, disposition, or acceptance is not commercially reasonable.

"**§ 25-9-628. Nonliability and limitation on liability of secured party; liability of secondary obligor.**

(a) Limitation of liability of secured party for noncompliance with Article. -- Unless a secured party knows that a person is a debtor or obligor, knows the identity of the person, and knows how to communicate with the person:

(1) The secured party is not liable to the person, or to a secured party or lienholder that has filed a financing statement against the person, for failure to comply with this Article; and

(2) The secured party's failure to comply with this Article does not affect the liability of the person for a deficiency.

(b) Limitation of liability based on status as secured party. -- A secured party is not liable because of its status as secured party:

(1) To a person that is a debtor or obligor, unless the secured party knows:

a. That the person is a debtor or obligor;

b. The identity of the person; and
c. How to communicate with the person; or

(2) To a secured party or lienholder that has filed a financing statement against a person, unless the secured party knows:
a. That the person is a debtor; and
b. The identity of the person.

(c) Limitation of liability if reasonable belief that transaction not a consumer-goods transaction or consumer transaction. -- A secured party is not liable to any person, and a person's liability for a deficiency is not affected, because of any act or omission arising out of the secured party's reasonable belief that a transaction is not a consumer-goods transaction or a consumer transaction or that goods are not consumer goods, if the secured party's belief is based on its reasonable reliance on:

(1) A debtor's representation concerning the purpose for which collateral was to be used, acquired, or held; or

(2) An obligor's representation concerning the purpose for which a secured obligation was incurred.

(d) Limitation of liability for statutory damages. -- A secured party is not liable to any person under G.S. 25-9-625(c)(2) for its failure to comply with G.S. 25-9-616.

(e) Limitation of multiple liability for statutory damages. -- A secured party is not liable under G.S. 25-9-625(c)(2) more than once with respect to any one secured obligation.

"PART 7.
"TRANSITION.

"**§ 25-9-701. Effective date.**

This act takes effect on July 1, 2001. References in this Part to 'this act' refer to PARTS I, II, and III of the session law by which this Part is added to Article 9 of Chapter 25 of the General Statutes. References in this Part to 'former Article 9' are to Article 9 of Chapter 25 of the General Statutes as in effect immediately before the effective date of this act.

"**§ 25-9-702. Savings clause.**

(a) Pre-effective-date transactions or liens. -- Except as otherwise provided in this Part, this act applies to a transaction or lien within its scope, even if the transaction or lien was entered into or created before the effective date of this act.

(b) Continuing validity. -- Except as otherwise provided in subsection (c) of this section and G.S. 25-9-703 through G.S. 25-9-709:

(1) Transactions and liens that were not governed by former Article 9, were validly entered into or created before the effective date of this act, and would be subject to this act if they had been entered into or created after the effective date of this act, and the rights, duties, and interests flowing from those transactions and liens remain valid after the effective date of this act; and

(2) The transactions and liens described in subdivision (1) of this subsection may be terminated, completed, consummated, and

enforced as required or permitted by this act or by the law that otherwise would apply if this act had not taken effect.

(c) Pre-effective-date proceedings. -- This act does not affect an action, case, or proceeding commenced before the effective date of this act.

"§ 25-9-703. Security interest perfected before effective date.

(a) Continuing priority over lien creditor: perfection requirements satisfied. -- A security interest that is enforceable immediately before the effective date of this act and would have priority over the rights of a person that becomes a lien creditor at that time is a perfected security interest under this act if, on the effective date of this act, the applicable requirements for enforceability and perfection under this act are satisfied without further action.

(b) Continuing priority over lien creditor: perfection requirements not satisfied. -- Except as otherwise provided in G.S. 25-9-705, if, immediately before the effective date of this act, a security interest is enforceable and would have priority over the rights of a person that becomes a lien creditor at that time, but the applicable requirements for enforceability or perfection under this act are not satisfied on the effective date of this act, the security interest:

(1) Is a perfected security interest for one year after the effective date of this act;

(2) Remains enforceable thereafter only if the security interest becomes enforceable under G.S. 25-9-203 before the year expires; and

(3) Remains perfected thereafter only if the applicable requirements for perfection under this act are satisfied before the year expires.

"§ 25-9-704. Security interest unperfected before effective date.

A security interest that is enforceable immediately before the effective date of this act but which would be subordinate to the rights of a person that becomes a lien creditor at that time:

(1) Remains an enforceable security interest for one year after the effective date of this act;

(2) Remains enforceable thereafter if the security interest becomes enforceable under G.S. 25-9-203 on the effective date of this act or within one year thereafter; and

(3) Becomes perfected:

a. Without further action, on the effective date of this act if the applicable requirements for perfection under this act are satisfied before or at that time; or

b. When the applicable requirements for perfection are satisfied if the requirements are satisfied after that time.

"§ 25-9-705. Effectiveness of action taken before effective date.

(a) Pre-effective-date action; one-year perfection period unless reperfected. -- If action, other than the filing of a financing statement, is taken before the effective date of this act and the action would have resulted in priority of a security interest over the rights of a person that becomes a lien creditor had the security interest become

enforceable before the effective date of this act, the action is effective to perfect a security interest that attaches under this act within one year after the effective date of this act. An attached security interest becomes unperfected one year after the effective date of this act unless the security interest becomes a perfected security interest under this act before the expiration of that period.

(b) Pre-effective-date filing. -- The filing of a financing statement before the effective date of this act is effective to perfect a security interest to the extent the filing would satisfy the applicable requirements for perfection under this act.

(c) Pre-effective-date filing in jurisdiction formerly governing perfection. -- This act does not render ineffective an effective financing statement that, before the effective date of this act, is filed and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in G.S. 25-9-103 of former Article 9. However, except as otherwise provided in subsections (d) and (e) of this section and G.S. 25-9-706, the financing statement ceases to be effective at the earlier of:

(1) The time the financing statement would have ceased to be effective under the law of the jurisdiction in which it is filed; and

(2) June 30, 2006.

(d) Continuation statement. -- The filing of a continuation statement after the effective date of this act does not continue the effectiveness of the financing statement filed before the effective date of this act. However, upon the timely filing of a continuation statement after the effective date of this act and in accordance with the law of the jurisdiction governing perfection as provided in Part 3 of this Article, the effectiveness of a financing statement filed in the same office in that jurisdiction before the effective date of this act continues for the period provided by the law of that jurisdiction.

(e) Application of subdivision (c)(2) to transmitting utility financing statement. -- Subdivision (c)(2) of this section applies to a financing statement that, before the effective date of this act, is filed against a transmitting utility and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in G.S. 25-9-103 of former Article 9 only to the extent that Part 3 of this Article provides that the law of a jurisdiction other than the jurisdiction in which the financing statement is filed governs perfection of a security interest in collateral covered by the financing statement.

(f) Application of Part 5. -- A financing statement that includes a financing statement filed before the effective date of this act and a continuation statement filed after the effective date of this act is effective only to the extent that it satisfies the requirements of Part 5 of this Article for an initial financing statement.

"§ 25-9-706. When initial financing statement suffices to continue effectiveness of financing statement.

(a) Initial financing statement in lieu of continuation statement. -- The filing of an initial financing statement in the office specified in G.S. 25-9-501 continues the effectiveness of a financing statement filed before the effective date of this act if:

(1) The filing of an initial financing statement in that office would be effective to perfect a security interest under this act;
(2) The pre-effective-date financing statement was filed in an office in another state or another office in this State; and
(3) The initial financing statement satisfies subsection (c) of this section.

(b) Period of continued effectiveness. -- The filing of an initial financing statement under subsection (a) of this section continues the effectiveness of the pre-effective-date financing statement:
(1) If the initial financing statement is filed before the effective date of this act, for the period provided in G.S. 25-9-403 of former Article 9 with respect to a financing statement; and
(2) If the initial financing statement is filed after the effective date of this act, for the period provided in G.S. 25-9-515 with respect to an initial financing statement.

(c) Requirement for initial financing statement under subsection (a). -- To be effective for purposes of subsection (a) of this section, an initial financing statement must:
(1) Satisfy the requirements of Part 5 of this Article for an initial financing statement;
(2) Identify the pre-effective-date financing statement by indicating the office in which the financing statement was filed and providing the dates of filing and file numbers, if any, of the financing statement and of the most recent continuation statement filed with respect to the financing statement; and
(3) Indicate that the pre-effective-date financing statement remains effective.

"**§ 25-9-707. Amendment of pre-effective-date financing statement.**

(a) 'Pre-effective-date financing statement'. -- In this section, 'pre-effective-date financing statement' means a financing statement filed before the effective date of this act.

(b) Applicable law. -- After the effective date of this act, a person may add or delete collateral covered by, continue or terminate the effectiveness of, or otherwise amend the information provided in, a pre-effective-date financing statement only in accordance with the law of the jurisdiction governing perfection as provided in Part 3 of this Article. However, the effectiveness of a pre-effective-date financing statement also may be terminated in accordance with the law of the jurisdiction in which the financing statement is filed.

(c) Method of amending: general rule. -- Except as otherwise provided in subsection (d) of this section, if the law of this State governs perfection of a security interest, the information in a pre-effective-date financing statement may be amended after the effective date of this act only if:
(1) The pre-effective-date financing statement and an amendment are filed in the office specified in G.S. 25-9-501;

(2) An amendment is filed in the office specified in G.S. 25-9-501 concurrently with, or after the filing in that office of, an initial financing statement that satisfies G.S. 25-9-706(c); or

(3) An initial financing statement that provides the information as amended and satisfies G.S. 25-9-706(c) is filed in the office specified in G.S. 25-9-501.

(d) Method of amending: continuation. -- If the law of this State governs perfection of a security interest, the effectiveness of a pre-effective-date financing statement may be continued only under G.S. 25-9-705(d) and (f) or G.S. 25-9-706.

(e) Reserved.

(f) Method of amending: termination. -- If the law of this State governs perfection of a security interest, the effectiveness of a pre-effective-date financing statement may be terminated after the effective date of this act only if:

(1) The pre-effective-date financing statement and a termination statement are filed in the office specified in G.S. 25-9-501; or

(2) A termination statement is filed in the office specified in G.S. 25-9-501 concurrently with the filing in that office of an initial financing statement that satisfies G.S. 25-9-706(c). Under this subsection, no separate fee shall be charged for the filing or indexing of the termination statement.

"§ 25-9-708. Persons entitled to file initial financing statement or continuation statement.

A person may file an initial financing statement or a continuation statement under this Part if:

(1) The secured party of record authorizes the filing; and

(2) The filing is necessary under this Part:

a. To continue the effectiveness of a financing statement filed before the effective date of this act; or

b. To perfect or continue the perfection of a security interest.

"§ 25-9-709. Priority.

(a) Law governing priority. -- This act determines the priority of conflicting claims to collateral. However, if the relative priorities of the claims were established before the effective date of this act, former Article 9 determines priority.

(b) Priority if security interest becomes enforceable under G.S. 25-9-203. -- For purposes of G.S. 25-9-322(a), the priority of a security interest that becomes enforceable under G.S. 25-9-203 dates from the effective date of this act if the security interest is perfected under this act by the filing of a financing statement before the effective date of this act which would not have been effective to perfect the security interest under former Article 9. This subsection does not apply to conflicting security interests each of which is perfected by the filing of such a financing statement.

"§ 25-9-710. Special transitional provision for maintaining and searching local-filing office records.

(a) In this section:

(1) 'Former-Article-9 records' means:
a. Financing statements and other records that have been filed in the local-filing office before July 1, 2001, and that are, or upon processing and indexing will be, reflected in the index maintained, as of June 30, 2001, by the local-filing office for financing statements and other records filed in the local-filing office before July 1, 2001; and
b. The index as of June 30, 2001.
The term does not include records presented to a local-filing office for filing after June 30, 2001, whether or not the records relate to financing statements filed in the local-filing office before July 1, 2001.
(2) 'Local-filing office' means a filing office, other than the office of the Secretary of State, that is designated as the proper place to file a financing statement under G.S. 25-9-401(1) of former Article 9. The term applies only with respect to a record that covers a type of collateral as to which the filing office is designated in that section as the proper place to file.

(b) A local-filing office must not accept for filing a record presented after June 30, 2001, whether or not the record relates to a financing statement filed in the local-filing office before July 1, 2001.

(c) Until July 1, 2008, each local-filing office must maintain all former Article 9 records in accordance with former Article 9. A former Article 9 record that is not reflected on the index maintained at June 30, 2001, by the local-filing office must be processed and indexed, and reflected on the index as of June 30, 2001, as soon as practicable but in any event no later than July 30, 2001.

(d) Until at least June 30, 2008, each local-filing office must respond to requests for information with respect to former Article 9 records relating to a debtor and issue certificates, in accordance with former Article 9. The fees charged for responding to requests for information relating to a debtor and issuing certificates with respect to former-Article-9 records must be the fees in effect under former Article 9 on June 30, 2001.

(e) After June 30, 2008, each local-filing office may remove and destroy, in accordance with any then applicable record retention law of this State, all former-Article-9 records, including the related index.

(f) This section does not apply, with respect to financing statements and other records, to a filing office in which mortgages or records of mortgages on real property are required to be filed or recorded, if:
(1) The collateral is timber to be cut or as-extracted collateral, or
(2) The record is or relates to a financing statement filed as a fixture and the collateral is goods that are or are to become fixtures."

Section 2.(a) Article 9 of Chapter 25 of the General Statutes, as enacted by Section 1 of this act, is amended by adding the following new section to read:
"**§ 25-9-521. Uniform form of written financing statement and amendment.**

(a) Initial financing statement form. -- A filing office that accepts written records may not refuse to accept a written initial financing statement in the following form and format except for a reason set forth in G.S. 25-9-516(b):

(b) Amendment form. -- A filing office that accepts written records may not refuse to accept a written record in the following form and format except for a reason set forth in G.S. 25-9-516(b)."

Section 2.(b) The Revisor of Statutes shall cause to be printed in G.S. 25-9-521(a), as enacted by subsection (a) of this section, the "National UCC Financing Statement (Form UCC1) (Rev. 07/29/98)" and the "National UCC Financing Statement Addendum (Form UCC1 Ad) (Rev. 07/29/98)" as reproduced in the official text of U.C.C. Article 9 (1999), which are hereby incorporated by reference into G.S. 25-9-521(a).

Section 2.(c) The Revisor of Statutes shall cause to be printed in G.S. 25-9-521(b), as enacted by subsection (a) of this section, the "National UCC Financing Statement Amendment (Form UCC3) (Rev. 07/29/98)" and the "National UCC Financing Statement Amendment Addendum (Form UCC3 Ad) (Rev. 07/29/98)" as reproduced in the official text of U.C.C. Article 9 (1999), which are hereby incorporated by reference into G.S. 25-9-521(b).

PART II. CONFORMING AMENDMENTS TO OTHER ARTICLES OF THE UNIFORM COMMERCIAL CODE.

Section 3. G.S. 25-1-105(2) reads as rewritten:

"(2) Where one of the following provisions of this Chapter specifies the applicable law, that provision governs and a contrary agreement is effective only to the extent permitted by the law (including the conflict of laws rules) so specified:

Rights of creditors against sold goods. (G.S. 25-2-402).

Applicability of the article on bank deposits and collections. (G.S. 25-4-102).

Governing law in the article on Funds Transfers. (G.S. 25-4A-507).

Letters of Credit. (G.S. 25-5-116).

Bulk transfers subject to the article on bulk transfers. (G.S. 25-6-102).

Applicability of the article on investment securities. (G.S. 25-8-110).

~~Perfection provisions of the article on secured transactions. (G.S. 25-9-103).~~

Law governing perfection, the effect of perfection or nonperfection, and the priority of security interests and agricultural liens. (G.S. 25-9-301 through G.S. 25-9-307).

~~Governing law in the article on Funds Transfers. (G.S. 25-4A-507).~~

~~Letters of Credit. (G.S. 25-5-116).~~"

Section 4. G.S. 25-1-109 reads as rewritten:

"**§ 25-1-109. Section captions.**

Section captions are parts of this chapter. The subsection headings in Article 9 of this Chapter are not parts of this Chapter."

Section 5. G.S. 25-1-201(9) reads as rewritten:

"(9) 'Buyer in ordinary course of business' means a person ~~who~~ that buys goods in good ~~faith and~~ faith, without knowledge that the sale ~~to him is in violation of~~ violates the ~~ownership~~ rights ~~or security interest~~ of ~~a third party~~ another person in the ~~goods~~ goods, and ~~buys~~ in the ordinary course from a ~~person~~ person, other than a pawnbroker, in the business of selling goods of that ~~kind but does not include a pawnbroker. All persons who sell minerals or the like (including oil and gas) at wellhead or minehead shall be deemed to be persons~~ kind. A person buys goods in the ordinary course if the sale to the person comports with the usual or customary practices in the kind of business in which the seller is engaged or with the seller's own usual or customary practices. A person that sells oil, gas, or other minerals at the wellhead or minehead is a person in the business of selling goods of that kind. ~~"Buying"~~ A buyer in ordinary course of business may ~~be~~ buy for ~~cash~~ cash, ~~or~~ by exchange of other ~~property~~ property, or on secured or unsecured ~~credit~~ credit, and ~~includes receiving~~ may acquire goods or documents of title under a preexisting contract for ~~sale but does not include a transfer in bulk or as security for or in total or partial satisfaction of a money debt.~~ sale. Only a buyer that takes possession of the goods or has a right to recover the goods from the seller under Article 2 of this Chapter may be a buyer in ordinary course of business. A person that acquires goods in a transfer in bulk or as security for or in total or partial satisfaction of a money debt is not a buyer in ordinary course of business."

Section 6. G.S. 25-1-201(32) reads as rewritten:

"(32) 'Purchase' includes taking by sale, discount, negotiation, mortgage, pledge, lien, security interest, issue or re-issue, gift or any other voluntary transaction creating an interest in property."

Section 7. G.S. 25-1-201(37) reads as rewritten:

"(37) 'Security interest' means an interest in personal property or fixtures which secures payment or performance of an obligation. ~~The retention or reservation of title by a seller of goods notwithstanding shipment or delivery to the buyer (G.S. 25-2-401) is limited in effect to a reservation of a "security interest".~~ The term also includes any interest of a consignor and a buyer of ~~accounts or~~ accounts, chattel ~~paper which~~ paper, a payment intangible, or a promissory note in a transaction that is subject to Article 9 of this Chapter. The special property interest of a buyer of goods on identification of those goods to a contract for sale under G.S. 25-2-401 is not a 'security interest,' but a buyer may also acquire a 'security interest' by complying with Article 9 of this Chapter. ~~Unless a consignment is intended as security, reservation~~

~~of title thereunder is not a "security interest" but a consignment is in any event subject to the provisions on consignment sales (G.S. 25-2-326).~~ Except as otherwise provided in G.S. 25-2-505, the right of a seller or lessor of goods under Article 2 or 2A of this Chapter to retain or acquire possession of the goods is not a 'security interest', but a seller or lessor may also acquire a 'security interest' by complying with Article 9 of this Chapter. The retention or reservation of title by a seller of goods notwithstanding shipment or delivery to the buyer (G.S. 25-2-401) is limited in effect to a reservation of a 'security interest'.

(a) Whether a transaction creates a lease or security interest is determined by the facts of each case; however, a transaction creates a security interest ~~if:~~ if the consideration the lessee is to pay the lessor for the right to possession and use of the goods is an obligation for the term of the lease not subject to termination by the lessee, and:

(i) The original term of the lease is equal to or greater than the remaining economic life of the goods, or

(ii) The lessee is bound to renew the lease for the remaining economic life of the goods or is bound to become the owner of the goods, or

(iii) The lessee has an option to renew the lease for the remaining economic life of the goods for no additional consideration or nominal additional consideration upon compliance with the lease agreement, or

(iv) The lessee has an option to become the owner of the goods for no additional consideration or nominal additional consideration upon compliance with the lease agreement.

(b) A transaction does not create a security interest merely because it provides that:

(i) The present value of the consideration the lessee is obligated to pay the lessor for the right to possession and use of the goods is substantially equal to or is greater than the fair market value of the goods at the time the lease is entered into,

(ii) The lessee assumes risk of loss of the goods, or agrees to pay taxes, insurance, filing, recording, or registration fees, or service or maintenance costs with respect to the goods,

(iii) The lessee has an option to renew the lease or to become the owner of the goods,

(iv) The lessee has an option to renew the lease for a fixed rent that is equal to or greater than the reasonably predictable fair market rent for the use of the goods for the term of the renewal at the time the option is to be performed, or

(v) The lessee has an option to become the owner of the goods for a fixed price that is equal to or greater than the reasonably predictable fair market value of the goods at the time the option is to be performed.

(c) For purposes of this subsection (37):

(i) Additional consideration is not nominal if (i) when the option to renew the lease is granted to the lessee the rent is stated to be the fair market rent for the use of the goods for the term of the renewal determined at the time the option is to be performed, or (ii) when the option to become the owner of the goods is granted to the lessee the price is stated to be the fair market value of the goods determined at the time the option is to be performed. Additional consideration is nominal if it is less than the lessee's reasonably predictable cost of performing under the lease agreement if the option is not exercised;

(ii) 'Reasonably predictable' and 'remaining economic life of the goods' are to be determined with reference to the facts and circumstances at the time the transaction is entered into; and

(iii) 'Present value' means the amount as of a date certain of one or more sums payable in the future, discounted to the date certain. The discount is determined by the interest rate specified by the parties if the rate is not manifestly unreasonable at the time the transaction is entered into; otherwise, the discount is determined by a commercially reasonable rate that takes into account the facts and circumstances of each case at the time the transaction was entered into."

Section 8. G.S. 25-2-103(3) reads as rewritten:

"(3) The following definitions in other articles apply to this article:

'Check.' G.S. 25-3-104.

'Consignee.' G.S. 25-7-102.

'Consignor.' G.S. 25-7-102.

'Consumer goods.' ~~G.S. 25-9-109.~~ G.S. 25-9-102.

'Dishonor.' ~~G.S. 25-3-507.~~ G.S. 25-3-502.

'Draft.' G.S. 25-3-104."

Section 9. G.S. 25-2-210 reads as rewritten:

"§ 25-2-210. Delegation of performance; assignment of rights.

~~(1) A party may perform his duty through a delegate unless otherwise agreed or unless the other party has a substantial interest in having his original promisor perform or control the acts required by the contract. No delegation of performance relieves the party delegating of any duty to perform or any liability for breach.~~

~~(2) Unless otherwise agreed all rights of either seller or buyer can be assigned except where the assignment would materially change the duty of the other party, or increase materially the burden or risk imposed on him by his contract, or impair materially his chance of obtaining return performance. A right to damages for breach of the whole contract, or a right arising out of the assignor's due performance of his entire obligation can be assigned despite agreement otherwise.~~

~~(3) Unless the circumstances indicate the contrary a prohibition of assignment of "the contract" is to be construed as barring only the delegation to the assignee of the assignor's performance.~~

~~(4) An assignment of "the contract" or of "all my rights under the contract" or an assignment in similar general terms is an assignment of rights and unless the language or the circumstances (as in an assignment for security) indicate the contrary, it is a delegation of performance of the duties of the assignor and its acceptance by the assignee constitutes a promise by him to perform those duties. This promise is enforceable by either the assignor or the other party to the original contract.~~

~~(5) The other party may treat any assignment which delegates performance as creating reasonable grounds for insecurity and may without prejudice to his rights against the assignor demand assurances from the assignee.~~

(1) A party may perform his duty through a delegate unless otherwise agreed or unless the other party has a substantial interest in having his original promisor perform or control the acts required by the contract. No delegation of performance relieves the party delegating of any duty to perform or any liability for breach.

(2) Except as otherwise provided in G.S. 25-9-406, unless otherwise agreed, all rights of either seller or buyer can be assigned except where the assignment would materially change the duty of the other party, or increase materially the burden or risk imposed on him by his contract, or impair materially his chance of obtaining return performance. A right to damages for breach of the whole contract or a right arising out of the assignor's due performance of his entire obligation can be assigned despite agreement otherwise.

(3) The creation, attachment, perfection, or enforcement of a security interest in the seller's interest under a contract is not a transfer that materially changes the duty of or increases materially the burden or risk imposed on the buyer or impairs materially the buyer's chance of obtaining return performance within the purview of subsection (2) of this section unless, and then only to the extent that, enforcement actually results in a delegation of material performance of the seller. Even in that event, the creation, attachment, perfection, and enforcement of the security interest remain effective, but (i) the seller is liable to the buyer for damages caused by the delegation to the extent that the damages could not reasonably be prevented by the buyer, and (ii) a court having jurisdiction may grant other appropriate relief,

including cancellation of the contract for sale or an injunction against enforcement of the security interest or consummation of the enforcement.

(4) Unless the circumstances indicate the contrary, a prohibition of assignment of 'the contract' is to be construed as barring only the delegation to the assignee of the assignor's performance.

(5) An assignment of 'the contract' or of 'all my rights under the contract' or an assignment in similar general terms is an assignment of rights and unless the language or the circumstances (as in an assignment for security) indicate the contrary, it is a delegation of performance of the duties of the assignor and its acceptance by the assignee constitutes a promise by him to perform those duties. This promise is enforceable by either the assignor or the other party to the original contract.

(6) The other party may treat any assignment which delegates performance as creating reasonable grounds for insecurity and may without prejudice to his rights against the assignor demand assurances from the assignee."

Section 10. G.S. 25-2-326 reads as rewritten:

"**§ 25-2-326. Sale on approval and sale or return; ~~consignment sales and~~ rights of creditors.**

~~(1) Unless otherwise agreed, if delivered goods may be returned by the buyer even though they conform to the contract, the transaction is~~

~~(a) a "sale on approval" if the goods are delivered primarily for use, and~~

~~(b) a "sale or return" if the goods are delivered primarily for resale.~~

~~(2) Except as provided in subsection (3), goods held on approval are not subject to the claims of the buyer's creditors until acceptance; goods held on sale or return are subject to such claims while in the buyer's possession.~~

~~(3) Where goods are delivered to a person for sale and such person maintains a place of business at which he deals in goods of the kind involved, under a name other than the name of the person making delivery, then with respect to claims of creditors of the person conducting the business the goods are deemed to be on sale or return. The provisions of this subsection are applicable even though an agreement purports to reserve title to the person making delivery until payment or resale or uses such words as "on consignment" or "on memorandum." However, this subsection is not applicable if the person making delivery~~

~~(a) complies with an applicable law providing for a consignor's interest or the like to be evidenced by a sign, or~~

~~(b) establishes that the person conducting the business is generally known by his creditors to be substantially engaged in selling the goods of others, or~~

~~(c) complies with the filing provisions of the article on secured transactions (article 9).~~

~~(4) Any "or return" term of a contract for sale is to be treated as a separate contract for sale within the statute of frauds section of this article (G.S. 25-2-201) and as contradicting the sale aspect of the contract within the provisions of this article on parol or extrinsic evidence (G.S. 25-2-202).~~

(1) Unless otherwise agreed, if delivered goods may be returned by the buyer even though they conform to the contract, the transaction is:

(a) a 'sale on approval' if the goods are delivered primarily for use, and

(b) a 'sale or return' if the goods are delivered primarily for resale.

(2) Goods held on approval are not subject to the claims of the buyer's creditors until acceptance; goods held on sale or return are subject to such claims while in the buyer's possession.

(3) Any 'or return' term of a contract for sale is to be treated as a separate contract for sale within the statute of frauds section of this article (G.S. 25-2-201) and as contradicting the sale aspect of the contract within the provisions of this article on parol or extrinsic evidence (G.S. 25-2-202)."

Section 11. G.S. 25-2-502 reads as rewritten:

"**§ 25-2-502. Buyer's right to goods on seller's repudiation, failure to deliver, or insolvency.**

~~(1) Subject to subsection (2) and even though the goods have not been shipped a buyer who has paid a part or all of the price of goods in which he has a special property under the provisions of the immediately preceding section [G.S. 25-2-501] may on making and keeping good a tender of any unpaid portion of their price recover them from the seller if the seller becomes insolvent within ten days after receipt of the first installment on their price.~~

~~(2) If the identification creating his special property has been made by the buyer he acquires the right to recover the goods only if they conform to the contract for sale.~~

(1) Subject to subsections (2) and (3) of this section and even though the goods have not been shipped, a buyer who has paid a part or all of the price of goods in which he has a special property under G.S. 25-2-501 may, on making and keeping good a tender of any unpaid portion of their price, recover them from the seller if:

a. in the case of goods bought for personal, family, or household purposes, the seller repudiates or fails to deliver as required by the contract; or

b. in all cases, the seller becomes insolvent within 10 days after receipt of the first installment on their price.

(2) The buyer's right to recover the goods under subdivision (1)a. of this section vests upon acquisition of a special property, even if the seller had not then repudiated or failed to deliver.

(3) If the identification creating his special property has been made by the buyer, he acquires the right to recover the goods only if they conform to the contract for sale."

Section 12. G.S. 25-2-716(3) reads as rewritten:

"(3) The buyer has a right of replevin for goods identified to the contract if after reasonable effort he is unable to effect cover for such goods or the circumstances reasonably indicate that such effort will be unavailing or if the goods have been shipped under reservation and satisfaction of the security interest in them has been made or tendered. In the case of goods bought for personal,

family, or household purposes, the buyer's right of replevin vests upon acquisition of a special property, even if the seller had not then repudiated or failed to deliver."

Section 13. G.S. 25-2A-103(3) reads as rewritten:

Section 14. G.S. 25-2A-303 reads as rewritten:

"**§ 25-2A-303. Alienability of party's interest under lease contract or of lessor's residual interest in goods; delegation of performance; transfer of rights.**

~~(1) As used in this section, "creation of a security interest" includes the sale of a lease contract that is subject to Article 9 of this Chapter, Secured Transactions, by reason of G.S. 25-9-102(1)(b).~~

~~(2) Except as provided in subsections (3) and (4) of this section, a provision in a lease agreement which (i) prohibits the voluntary or involuntary transfer, including a transfer by sale, sublease, creation, or enforcement of a security interest, or attachment, levy, or other judicial process, of an interest of a party under the lease contract or of the lessor's residual interest in the goods; or (ii) makes such a transfer an event of default, gives rise to the rights and remedies provided in subsection (5) of this section, but a transfer that is prohibited or is an event of default under the lease agreement is otherwise effective.~~

~~(3) A provision in a lease agreement which (i) prohibits the creation or enforcement of a security interest in an interest of a party under the lease contract or in the lessor's residual interest in the goods, or (ii) makes such a transfer an event of default, is not enforceable unless, and then only to the extent that, there is an actual transfer by the lessee of the lessee's right of possession or use of the goods in violation of the provision or an actual delegation of a material performance of either~~

~~party to the lease contract in violation of the provision. Neither the granting nor the enforcement of a security interest in (i) the lessor's interest under the lease contract or (ii) the lessor's residual interest in the goods is a transfer that materially impairs the prospect of obtaining return performance by, materially changes the duty of, or materially increases the burden or risk imposed on, the lessee within the purview of subsection (5) of this section unless, and then only to the extent that, there is an actual delegation of a material performance of the lessor.~~

~~(4) A provision in a lease agreement which (i) prohibits a transfer of a right to damages for default with respect to the whole lease contract or of a right to payment arising out of the transferor's due performance of the transferor's entire obligation, or (ii) makes such a transfer an event of default, is not enforceable, and such a transfer is not a transfer that materially impairs the prospect of obtaining return performance by, materially changes the duty of, or materially increases the burden or risk imposed on, the other party to the lease contract within the purview of subsection (5) of this section.~~

~~(5) Subject to subsections (3) and (4) of this section:~~

~~(a) if a transfer is made which is made an event of default under a lease agreement, the party to the lease contract not making the transfer, unless that party waives the default or otherwise agrees, has the rights and remedies described in G.S. 25-2A-501(2);~~

~~(b) if paragraph (a) is not applicable and if a transfer is made that (i) is prohibited under a lease agreement or (ii) materially impairs the prospect of obtaining return performance by, materially changes the duty of, or materially increases the burden or risk imposed on, the other party to the lease contract, unless the party not making the transfer agrees at any time to the transfer in the lease contract or otherwise, then, except as limited by contract, (i) the transferor is liable to the party not making the transfer for damages caused by the transfer to the extent that the damages could not reasonably be prevented by the party not making the transfer and (ii) a court having jurisdiction may grant other appropriate relief, including cancellation of the lease contract or an injunction against the transfer.~~

~~(6) A transfer of "the lease" or of "all my rights under the lease", or a transfer in similar general terms, is a transfer of rights and, unless the language or the circumstances, as in a transfer for security, indicate the contrary, the transfer is a delegation of duties by the transferor to the transferee. Acceptance by the transferee constitutes a promise by the transferee to perform those duties. The promise is enforceable by either the transferor or the other party to the lease contract.~~

~~(7) Unless otherwise agreed by the lessor and the lessee, a delegation of performance does not relieve the transferor as against the other party of any duty to perform or of any liability for default.~~

~~(8) In a consumer lease, to prohibit the transfer of an interest of a party under the lease contract or to make a transfer an event of default, the language must be specific, by a writing, and conspicuous.~~

(1) As used in this section, 'creation of a security interest' includes the sale of a lease contract that is subject to Article 9 of this Chapter, Secured Transactions, by reason of G.S. 25-9-109(a)(3).

(2) Except as provided in subsection (3) of this section and G.S. 25-9-407, a provision in a lease agreement which (i) prohibits the voluntary or involuntary transfer, including a transfer by sale, sublease, creation, or enforcement of a security interest, or attachment, levy, or other judicial process, of an interest of a party under the lease contract or of the lessor's residual interest in the goods; or (ii) makes such a transfer an event of default, gives rise to the rights and remedies provided in subsection (4) of this section, but a transfer that is prohibited or is an event of default under the lease agreement is otherwise effective.

(3) A provision in a lease agreement which (i) prohibits a transfer of a right to damages for default with respect to the whole lease contract or of a right to payment arising out of the transferor's due performance of the transferor's entire obligation, or (ii) makes such a transfer an event of default, is not enforceable, and such a transfer is not a transfer that materially impairs the prospect of obtaining return performance by, materially changes the duty of, or materially increases the burden or risk imposed on, the other party to the lease contract within the purview of subsection (4) of this section.

(4) Subject to subsection (3) of this section and G.S. 25-9-407:

(a) if a transfer is made which is made an event of default under a lease agreement, the party to the lease contract not making the transfer, unless that party waives the default or otherwise agrees, has the rights and remedies described in G.S. 25-2A-501(2);

(b) if paragraph (a) is not applicable and if a transfer is made that (i) is prohibited under a lease agreement or (ii) materially impairs the prospect of obtaining return performance by, materially changes the duty of, or materially increases the burden or risk imposed on, the other party to the lease contract, unless the party not making the transfer agrees at any time to the transfer in the lease contract or otherwise, then, except as limited by contract, (i) the transferor is liable to the party not making the transfer for damages caused by the transfer to the extent that the damages could not reasonably be prevented by the party not making the transfer and (ii) a court having jurisdiction may grant other appropriate relief, including cancellation of the lease contract or an injunction against the transfer.

(5) A transfer of 'the lease' or of 'all my rights under the lease', or a transfer in similar general terms, is a transfer of rights and, unless the language or the circumstances, as in a transfer for security, indicate the contrary, the transfer is a delegation of duties by the transferor to the transferee. Acceptance by the transferee

constitutes a promise by the transferee to perform those duties. The promise is enforceable by either the transferor or the other party to the lease contract.

(6) Unless otherwise agreed by the lessor and the lessee, a delegation of performance does not relieve the transferor as against the other party of any duty to perform or of any liability for default.

(7) In a consumer lease, to prohibit the transfer of an interest of a party under the lease contract or to make a transfer an event of default, the language must be specific, by a writing, and conspicuous."

Section 15. G.S. 25-2A-307 reads as rewritten:

"**§ 25-2A-307. Priority of liens arising by attachment or levy on, security interests in, and other claims to goods.**

~~(1) Except as otherwise provided in G.S. 25-2A-306, a creditor of a lessee takes subject to the lease contract.~~

~~(2) Except as otherwise provided in subsections (3) and (4) of this section and in G.S. 25-2A-306 and G.S. 25-2A-308, a creditor of a lessor takes subject to the lease contract unless:~~

~~(a) the creditor holds a lien that attached to the goods before the lease contract became enforceable;~~

~~(b) the creditor holds a security interest in the goods and the lessee did not give value and receive delivery of the goods without knowledge of the security interest; or~~

~~(c) the creditor holds a security interest in the goods which was perfected (G.S. 25-9-303) before the lease contract became enforceable.~~

~~(3) A lessee in the ordinary course of business takes the leasehold interest free of a security interest in the goods created by the lessor even though the security interest is perfected (G.S. 25-9-303) and the lessee knows of its existence.~~

~~(4) A lessee other than a lessee in the ordinary course of business takes the leasehold interest free of a security interest to the extent that it secures future advances made after the secured party acquires knowledge of the lease or more than 45 days after the lease contract becomes enforceable, whichever first occurs, unless the future advances are made pursuant to a commitment entered into without knowledge of the lease and before the expiration of the 45-day period.~~

(1) Except as otherwise provided in G.S. 25-2A-306, a creditor of a lessee takes subject to the lease contract.

(2) Except as otherwise provided in subsection (3) of this section and in G.S. 25-2A-306 and G.S. 25-2A-308, a creditor of a lessor takes subject to the lease contract unless the creditor holds a lien that attached to the goods before the lease contract became enforceable.

(3) Except as otherwise provided in G.S. 25-9-317, 25-9-321, and 25-9-323, a lessee takes a leasehold interest subject to a security interest held by a creditor of the lessor."

Section 16. G.S. 25-2A-309(1)(b) reads as rewritten:

"(b) a 'fixture filing' is the filing, in the office where a record of a mortgage on the real estate would be filed or recorded, of a financing statement covering goods that are or are to become fixtures and conforming to the requirements of ~~G.S. 25-9-402(5);~~ G.S. 25-9-502(a) and (b);"

Section 17. G.S. 25-4-208(c) reads as rewritten:

"(c) Receipt by a collecting bank of a final settlement for an item is a realization on its security interest in the item, accompanying documents, and proceeds. So long as the bank does not receive final settlement for the item or give up possession of the item or accompanying documents for purposes other than collection, the security interest continues to that extent and is subject to Article 9, but:

(1) No security agreement is necessary to make the security interest enforceable ~~(G.S. 25-9-203(1)(a);~~ (G.S. 25-9-203(b)(3)a.);

(2) No filing is required to perfect the security interest; and

(3) The security interest has priority over conflicting perfected security interests in the item, accompanying documents or proceeds."

Section 18. Article 5 of Chapter 25 of the General Statutes is amended by adding a new section to read:

"**§ 25-5-118. Security interest of issuer or nominated person.**

(a) An issuer or nominated person has a security interest in a document presented under a letter of credit to the extent that the issuer or nominated person honors or gives value for the presentation.

(b) So long as and to the extent that an issuer or nominated person has not been reimbursed or has not otherwise recovered the value given with respect to a security interest in a document under subsection (a) of this section, the security interest continues and is subject to Article 9 of this Chapter, but:

(1) A security agreement is not necessary to make the security interest enforceable under G.S. 25-9-203(b)(3);

(2) If the document is presented in a medium other than a written or other tangible medium, the security interest is perfected; and

(3) If the document is presented in a written or other tangible medium and is not a certificated security, chattel paper, a document of title, an instrument, or a letter of credit, the security interest is perfected and has priority over a conflicting security interest in the document so long as the debtor does not have possession of the document."

Section 19. G.S. 25-6-102 reads as rewritten:

"**§ 25-6-102. 'Bulk transfers'; transfers of equipment; enterprises subject to this article; bulk transfers subject to this article.**

(1) A 'bulk transfer' is any transfer in bulk and not in the ordinary course of the transferor's business of a major part of the materials, supplies, merchandise or other inventory ~~(G.S. 25-9-109)~~ (G.S. 25-9-102) of an enterprise subject to this article.

(2) A transfer of a substantial part of the equipment ~~(G.S. 25-9-109)~~ (G.S. 25-9-102) of such an enterprise is a bulk transfer if it is made in connection with a bulk transfer of inventory, but not otherwise.

(3) The enterprises subject to this article are all those whose principal business is the sale of merchandise from stock, including those who manufacture what they sell.

(4) Except as limited by ~~the following section [G.S. 25-6-103]~~ G.S. 25-6-103 all bulk transfers of goods located within this State are subject to this article."

Section 20. G.S. 25-7-503(1) reads as rewritten:

"(1) A document of title confers no right in goods against a person who before issuance of the document had a legal interest or a perfected security interest in them and who neither

(a) delivered or entrusted them or any document of title covering them to the bailor or his nominee with actual or apparent authority to ship, store or sell or with power to obtain delivery under this article (G.S. 25-7-403) or with power of disposition under this chapter (G.S. 25-2-403 and ~~25-9-307)~~ G.S. 25-9-320) or other statute or rule of law; nor

(b) acquiesced in the procurement by the bailor or his nominee of any document of title."

Section 21. G.S. 25-8-103(f) reads as rewritten:

"(f) A commodity contract, as defined in ~~G.S. 25-9-115,~~ G.S. 25-9-102(a)(15), is not a security or financial asset."

Section 22. G.S. 25-8-106 reads as rewritten:

"**§ 25-8-106. Control.**

(a) A purchaser has 'control' of a certificated security in bearer form if the certificated security is delivered to the purchaser.

(b) A purchaser has 'control' of a certificated security in registered form if the certificated security is delivered to the purchaser, and:

(1) The certificate is endorsed to the purchaser or in blank by an effective endorsement; or

(2) The certificate is registered in the name of the purchaser, upon original issue or registration of transfer by the issuer.

(c) A purchaser has 'control' of an uncertificated security if:

(1) The uncertificated security is delivered to the purchaser; or

(2) The issuer has agreed that it will comply with instructions originated by the purchaser without further consent by the registered owner.

(d) A purchaser has 'control' of a security entitlement if:

(1) The purchaser becomes the entitlement holder; ~~or~~

(2) The securities intermediary has agreed that it will comply with entitlement orders originated by the purchaser without further consent by the entitlement ~~holder.~~ holder; or

(3) Another person has control of the security entitlement on behalf of the purchaser or, having previously acquired control of the security entitlement, acknowledges that it has control on behalf of the purchaser.

(e) If an interest in a security entitlement is granted by the entitlement holder to the entitlement holder's own securities intermediary, the securities intermediary has control.

(f) A purchaser who has satisfied the requirements of ~~subdivision (c) (2) or (d) (2)~~ subsection (c) or (d) of this section has ~~control~~ control, even if the registered owner in the case of ~~subdivision (c) (2)~~ subsection (c) of this section or the entitlement holder in the case of ~~subdivision (d) (2)~~ subsection (d) of this section retains the right to make substitutions for the uncertificated security or security entitlement, to originate instructions or entitlement orders to the issuer or securities intermediary, or otherwise to deal with the uncertificated security or security entitlement.

(g) An issuer or a securities intermediary may not enter into an agreement of the kind described in subdivision (c) (2) or (d) (2) of this section without the consent of the registered owner or entitlement holder, but an issuer or a securities intermediary is not required to enter into such an agreement even though the registered owner or entitlement holder so directs. An issuer or securities intermediary that has entered into such an agreement is not required to confirm the existence of the agreement to another party unless requested to do so by the registered owner or entitlement holder."

Section 23. G.S. 25-8-110(e) reads as rewritten:

"~~(e) The following rules determine a 'securities intermediary's jurisdiction' for purposes of this section:~~

~~(1) If an agreement between the securities intermediary and its entitlement holder specifies that it is governed by the law of a particular jurisdiction, that jurisdiction is the securities intermediary's jurisdiction.~~

~~(2) If an agreement between the securities intermediary and its entitlement holder does not specify the governing law as provided in subdivision (1) of this subsection, but expressly specifies that the securities account is maintained at an office in a particular jurisdiction, that jurisdiction is the securities intermediary's jurisdiction.~~

~~(3) If an agreement between the securities intermediary and its entitlement holder does not specify a jurisdiction as provided in subdivision (1) or (2) of this subsection, the securities intermediary's jurisdiction is the jurisdiction in which is located the office identified in an account statement as the office serving the entitlement holder's account.~~

~~(4) If an agreement between the securities intermediary and its entitlement holder does not specify a jurisdiction as provided in subdivision (1) or (2) of this subsection and an account statement does not identify an office serving the entitlement holder's account as provided in subdivision (3) of this subsection, the securities intermediary's jurisdiction is the jurisdiction in which is located the chief executive office of the securities intermediary.~~

(e) The following rules determine a 'securities intermediary's jurisdiction' for purposes of this section:

(1) If an agreement between the securities intermediary and its entitlement holder governing the securities account expressly provides that a particular jurisdiction is the securities intermediary's jurisdiction for purposes of this Part, this Article, or this Chapter, that jurisdiction is the securities intermediary's jurisdiction.

(2) If subdivision (1) of this subsection does not apply and an agreement between the securities intermediary and its entitlement holder governing the securities account expressly provides that the agreement is governed by the law of a particular jurisdiction, that jurisdiction is the securities intermediary's jurisdiction.

(3) If neither subdivision (1) nor subdivision (2) of this section applies and an agreement between the securities intermediary and its entitlement holder governing the securities account expressly provides that the securities account is maintained at an office in a particular jurisdiction, that jurisdiction is the securities intermediary's jurisdiction.

(4) If none of the preceding subdivisions applies, the securities intermediary's jurisdiction is the jurisdiction in which the office identified in an account statement as the office serving the entitlement holder's account is located.

(5) If none of the preceding subdivisions applies, the securities intermediary's jurisdiction is the jurisdiction in which the chief executive office of the securities intermediary is located."

Section 24. G.S. 25-8-301(a) reads as rewritten:

"(a) Delivery of a certificated security to a purchaser occurs when:

(1) The purchaser acquires possession of the security certificate;

(2) Another person, other than a securities intermediary, either acquires possession of the security certificate on behalf of the purchaser or, having previously acquired possession of the certificate, acknowledges that it holds for the purchaser; or

(3) A securities intermediary acting on behalf of the purchaser acquires possession of the security certificate, only if the certificate is in registered form and ~~has been~~ is (i) registered in the name of the purchaser, (ii) payable to the order of the purchaser, or (iii) specially indorse to the purchaser by an effective ~~indorsement.~~ indorsement and has not been indorsed to the securities intermediary or in blank."

Section 25. G.S. 25-8-302(a) reads as rewritten:

"(a) Except as otherwise provided in subsections (b) and (c) of this section, ~~upon delivery~~ a purchaser of a certificated or uncertificated security ~~to a purchaser, the~~

~~purchaser~~ acquires all rights in the security that the transferor had or had power to transfer."

Section 26. G.S. 25-8-510 reads as rewritten:

"**§ 25-8-510. Rights of purchaser of security entitlement from entitlement holder.**

(a) ~~An~~ In a case not covered by the priority rules in Article 9 of this Chapter or the rules stated in subsection (c) of this section, an action based on an adverse claim to a financial asset or security entitlement, whether framed in conversion, replevin, constructive trust, equitable lien, or other theory, may not be asserted against a person who purchases a security entitlement, or an interest therein, from an entitlement holder if the purchaser gives value, does not have notice of the adverse claim, and obtains control.

(b) If an adverse claim could not have been asserted against an entitlement holder under G.S. 25-8-502, the adverse claim cannot be asserted against a person who purchases a security entitlement, or an interest therein, from the entitlement holder.

(c) In a case not covered by the priority rules in ~~Article 9,~~ Article 9 of this Chapter, a purchaser for value of a security entitlement, or an interest therein, who obtains control has priority over a purchaser of a security entitlement, or an interest therein, who does not obtain control. ~~Purchasers~~ Except as otherwise provided in subsection (d) of this section, purchasers who have control rank ~~equally, except that a~~ according to priority in time of:

(1) The purchaser's becoming the person for whom the securities account, in which the security entitlement is carried, is maintained, if the purchaser obtained control under G.S. 25-8-106(d)(1);

(2) The securities intermediary's agreement to comply with the purchaser's entitlement orders with respect to security entitlements carried or to be carried in the securities account in which the security entitlement is carried, if the purchaser obtained control under G.S. 25-8-106(d)(2); or

(3) If the purchaser obtained control through another person under G.S. 25-8-106(d)(3), the time on which priority would be based under this subsection if the other person were the secured party.

(d) A securities intermediary as purchaser has priority over a conflicting purchaser who has control unless otherwise agreed by the securities intermediary."

PART III. CONFORMING AMENDMENTS TO OTHER SECTIONS OF THE GENERAL STATUTES.

Section 27. G.S. 6-21.2(5) reads as rewritten:

"(5) The holder of an unsecured note or other writing(s) evidencing an unsecured debt, and/or the holder of a note and chattel mortgage or other security agreement and/or the holder of a conditional sale contract or any other such security agreement which evidences both a monetary obligation and a security interest in or a lease of specific goods, or his attorney at law, shall, after maturity of the obligation by default or otherwise, notify the maker, debtor,

account debtor, endorser or party sought to be held on said obligation that the provisions relative to payment of attorneys' fees in addition to the "outstanding balance" shall be enforced and that such maker, debtor, account debtor, endorser or party sought to be held on said obligation has five days from the mailing of such notice to pay the "outstanding balance" without the attorneys' fees. If such party shall pay the "outstanding balance" in full before the expiration of such time, then the obligation to pay the attorneys' fees shall be void, and no court shall enforce such provisions.

Notwithstanding the foregoing, however, if debtor has defaulted or violated the terms of the security agreement and has refused, on demand, to surrender possession of the collateral to the secured party as authorized by ~~§ 25-9-503,~~ G.S. 25-9-609, with the result that said secured party is required to institute an ancillary claim and delivery proceeding to secure possession of said collateral; no such written notice shall be required before enforcement of the provisions relative to payment of attorneys' fees in addition to the "outstanding balance."

Section 28. G.S. 20-28.2(f)(5) reads as rewritten:

"(5) The lienholder agrees to sell the motor vehicle in accordance with the terms of its agreement and pursuant to the provisions of ~~Part 5~~ Part 6 of Article 9 of Chapter 25 of the General Statutes. Upon the sale of the motor vehicle, the lienholder will pay to the clerk of court of the county in which the vehicle was forfeited all proceeds from the sale, less the amount of the lien in favor of the lienholder, and any towing and storage costs paid by the lienholder."

Section 29. G.S. 20-28.3(e3)(1) reads as rewritten:

"(1) A lienholder may file a petition with the clerk of court requesting the court to order pretrial release of a seized motor vehicle. The lienholder shall serve a copy of the petition on all interested parties which shall include the registered owner, the titled owner, the district attorney, and the county board of education attorney. Upon 10 days' prior notice of the date, time, and location of the hearing sent by the lienholder to all interested parties, a judge, after a hearing, shall order a seized motor vehicle released to the lienholder conditioned upon payment of all towing and storage costs incurred as a result of the seizure and impoundment of the motor vehicle if the judge determines, by the greater weight of the evidence, that:

a. Default on the obligation secured by the motor vehicle has occurred;

b. As a consequence of default, the lienholder is entitled to possession of the motor vehicle;

c. The lienholder agrees to sell the motor vehicle in accordance with the terms of its agreement and pursuant to the provisions of ~~Part 5~~ Part 6 of Article 9 of Chapter 25 of the General Statutes. Upon sale of the motor vehicle, the lienholder will pay to the clerk of court of the county in which the driver was charged all proceeds from the sale, less the amount of the lien in favor of the lienholder, and any towing and storage costs paid by the lienholder;

d. The lienholder agrees not to sell, give, or otherwise transfer possession of the seized motor vehicle while the motor vehicle is subject to forfeiture, or the forfeited motor vehicle after the forfeiture hearing, to the defendant or the motor vehicle owner; and

e. The seized motor vehicle while the motor vehicle is subject to forfeiture, or the forfeited motor vehicle after the forfeiture hearing, had not previously been released to the lienholder as a result of a prior seizure involving the same defendant or motor vehicle owner."

Section 30. G.S. 20-58.8 reads as rewritten:

"**§ 20-58.8. Applicability of §§ 20-58 to 20-58.8; use of term 'lien'.**

~~(a) The provisions of G.S. 20-58 through 20-58.8 apply to the perfection of security interests pursuant to G.S. 25-9-302.~~

(b) The provisions of G.S. 20-58 through 20-58.8 inclusive shall not apply to or affect:

(1) A lien given by statute or rule of law for storage of a motor vehicle or to a supplier of services or materials for a vehicle;

(2) A lien arising by virtue of a statute in favor of the United States, this State or any political subdivision of this State; or

(3) A security interest in a vehicle created by a manufacturer or by a dealer in new or used vehicles who holds the vehicle in his inventory. ~~Such security interests shall be perfected by filing a financing statement under Article 9 of the Uniform Commercial Code.~~

(c) When the term "lien" is used in other sections of this Chapter, or has been used prior to October 1, 1969, with reference to transactions governed by G.S. 20-58 through 20-58.8, to describe contractual agreements creating security interests in personal property, the term "lien" shall be construed to refer to a "security interest" as the term is used in G.S. 20-58 through 20-58.8 and the Uniform Commercial Code."

Section 31. G.S. 25A-16 reads as rewritten:

"**§ 25A-16. Transfer of equity.**

If a buyer voluntarily transfers his rights in collateral pursuant to ~~G.S. 25-9-311~~ applicable law and the seller agrees, the seller may impose a transfer fee not to

exceed ten percent (10%) of the unpaid balance of the debt or thirty-five dollars ($35.00), whichever is less."

Section 32. G.S. 25A-22(b) reads as rewritten:

"(b) Upon the payment of all sums for which the buyer is obligated under a consumer credit sale, the seller shall promptly release any security interest in accordance with the terms of ~~G.S. 25-9-404~~ G.S. 25-9-513 or G.S. 20-58.4, whichever is applicable. In the event a security interest in real property is involved, the seller shall take such action as is necessary to enable the lien to be discharged of record under the provisions of G.S. 45-37."

Section 33. G.S. 44-68.14(a)(1) reads as rewritten:

"(1) The Secretary of State, he shall cause the notice to be ~~marked, held, and indexed~~ numbered, maintained, and indexed in accordance with ~~the provisions of G.S. 25-9-403(4),~~ G.S. 25-9-519, as if the notice were a financing statement within the meaning of the Uniform Commercial Code, Chapter 25 of the General Statutes; or".

Section 34. G.S. 44-68.14(b) reads as rewritten:

"(b) If a certificate of release, nonattachment, discharge, or subordination of any lien is presented to the Secretary of State for filing he shall cause:

(1) A record of a certificate of release or nonattachment to be ~~marked, held, and indexed~~ numbered, maintained, and indexed as if a record of the certificate were a termination statement within the meaning of the Uniform Commercial Code, Chapter 25 of the General Statutes, but the record of the notice of lien to which the certificate relates may not be removed from the files; and

(2) A record of a certificate of discharge or subordination to be ~~marked, held, and indexed~~ numbered, maintained, and indexed as if the record of the certificate were a release of collateral within the meaning of the Uniform Commercial Code, Chapter 25 of the General Statutes."

Section 35. G.S. 47-20(b)(1) reads as rewritten:

"(1) 'Rents, issues, or profits' means all amounts payable by or on behalf of any lessee, tenant, or other person having a possessory interest in real estate on account of or pursuant to any written or oral lease or other instrument evidencing a possessory interest in real property or pursuant to any form of tenancy implied by law, and all amounts payable by or on behalf of any licensee or permittee or other person occupying or using real property under license or permission from the owner or person entitled to possession. The term shall not include farm products as defined in ~~G.S. 25-9-109(3),~~ G.S. 25-9-102(34), timber, the proceeds from the sale of farm products or timber, or the proceeds from the recovery or severance of any mineral deposits located on or under real property."

Section 36. G.S. 53-177 reads as rewritten:

"**§ 53-177. Recording fees.**

The licensee may collect from the borrower the amount of any fees necessary to file or record its security interest with any public official or agency of a county or the State as may be required pursuant to ~~G.S. 25-9-302 et seq.~~ Article 9 of Chapter 25 of the General Statutes or G.S. 20-58 **et seq.** Upon full disclosure to the borrower on how the fees will be applied, such fees may either (i) be paid by the licensee to such public official or agency of the county or State, or (ii) in lieu of recording or filing, applied by the licensee to purchase nonfiling or nonrecording insurance on the instrument securing the loan, or (iii) be retained by a licensee that elects to self insure against the loss of a security interest by reason of not filing or recording its security instrument: Provided, however, the amount collected by the licensee from the borrower for the purchase of a nonfiling or nonrecording insurance policy, or for self insurance, shall be the premium amount for such insurance as fixed by the Commissioner of Insurance. Such premium shall be at least one dollar ($1.00) less than the cost of recording or filing a security interest. Provided further, a licensee shall not collect or permit to be collected any notary fee in connection with any loan made under this Article, nor may a licensee collect any fee from the borrower for the cost of releasing a security interest except such fee as actually paid to any public official or agency of the county or State for such purpose."

Section 37. G.S. 63A-11(e) reads as rewritten:

"(e) ~~The provisions of G.S. 25-9-104(e) and G.S. 25-9-302(6) to the contrary notwithstanding, the provisions of Article 9 of the North Carolina Uniform Commercial Code, G.S. 25-9-101 to G.S. 25-9-607 inclusive, shall apply to transactions under this section, but not to transactions involving the issuance of bonds for airport projects, to the same extent the provisions of Article 9 would apply were G.S. 25-9-104(e) and G.S. 25-9-302(6) repealed.~~ Article 9 of Chapter 25 of the General Statutes applies to transactions under this section but not to transactions involving the issuance of bonds for airport projects."

Section 38. G.S. 75A-41 reads as rewritten:

"**§ 75A-41. Security interests subsequently created.**

~~Security interests, other than a security interest in inventory held for sale to be perfected only as provided in G.S. 25-9-301 to G.S. 25-9-408,~~ Except for security interests in watercraft that are inventory held for sale, security interests created in watercraft by the voluntary act of the owner after the original issue of title to the owner must be shown on the certificate of title. In such cases, the owner shall file an application with the Commission on a blank furnished for that purpose, setting forth the security interests and other information as the Commission requires. The Commission, if satisfied that it is proper that the same be recorded and upon surrender of the certificate of title covering the watercraft, shall thereupon issue a new certificate of title showing their security interests in the order of the priority according to the date of the filing of the application. For the purpose of recording the subsequent security interest, the Commission may require any secured party to deliver the certificate of title to the Commission. The newly issued certificate shall

be sent or delivered to the secured party from whom the prior certificate was obtained."

Section 39. G.S. 75A-42 reads as rewritten:

"**§ 75A-42. Certificate as notice of security interest.**

A certificate of title, when issued by the Commission showing a security interest, shall be deemed adequate notice to the State, creditors, and purchasers that a security interest in the watercraft exists and the recording or filing of the creation or reservation of a security interest in the county or city wherein the purchaser or debtor resides or elsewhere is not necessary and shall not be required. Watercraft, other than those that are inventory held for sale, for which a certificate of title is currently in ~~effect,~~ effect shall be exempt from the provisions of ~~G.S. 25-9-302, 25-9-304, 25-9-307, 25-9-309, 25-9-312, 25-9-318, and 25-9-401 to 25-9-408~~ G.S. 25-9-309, 25-9-310, 25-9-312, 25-9-320, 25-9-322, 25-9-323, 25-9-324, 25-9-331, 25-9-404, 25-9-405, 25-9-406, and 25-9-501 to 25-9-526 for so long as the certificate of title remains in effect."

Section 40. G.S. 75A-44 reads as rewritten:

"**§ 75A-44. Priority of security interests shown on certificates.**

~~The security interests, except security interests in watercraft which are inventory held for sale and which are perfected under G.S. 25-9-301 to 25-9-408,~~ Except for security interests in watercraft that are inventory held for sale, security interests shown upon the certificates of title issued by the Commission pursuant to applications for certificates shall have priority over any other liens or security interests against the watercraft however created and recorded, except for a mechanics lien for repairs, provided that the mechanic furnishes the holder of any recorded lien who may request it with an itemized sworn statement of the work done and materials supplied for which the lien is claimed."

Section 41. G.S. 143B-456.1(f) reads as rewritten:

"(f) ~~The provisions of G.S. 25-9-104(e) and G.S. 25-9-302(6) to the contrary notwithstanding, the provisions of Article 9 of the North Carolina Uniform Commercial Code, being G.S. 25-9-101 to G.S. 25-9-607, inclusive, shall apply to transactions under this section to the same extent the provisions of such Article 9 would apply were G.S. 25-9-104(e) and G.S. 25-9-302(6) hereby repealed.~~ Article 9 of Chapter 25 of the General Statutes applies to transactions under this section."

Section 42. G.S. 159C-28 reads as rewritten:

"**§ 159C-28. Application of the U.C.C.**

~~The provisions of G.S. 25-9-104(e) and 25-9-302(6) to the contrary notwithstanding, the provisions of Article 9 of the North Carolina Uniform Commercial Code, being G.S. 25-9-101 to 25-9-607, inclusive, shall apply to transactions under Chapter 159C to the same extent the provisions of such Article 9 would apply were G.S. 25-9- 104(e) and 25-9-302(6) hereby repealed.~~ Article 9 of Chapter 25 of the General Statutes applies to transactions under this Chapter."

Section 43. G.S. 159D-23 reads as rewritten:

"**§ 159D-23. Application of Article 9 of Chapter 25.**

~~The provisions of G.S. 25-9-104(e) and 25-9-302(6) to the contrary notwithstanding, the provisions of Article 9 of North Carolina Uniform Commercial Code, being G.S. 25-9-101 to 25-9-607, inclusive, shall apply [to] transactions under this Chapter 159D to the same extent the provisions of such Article 9 would apply were G.S. 25-9-104(e) and 25-9-302(6) hereby repealed.~~ Article 9 of Chapter 25 of the General Statutes applies to transactions under this Chapter."

Section 44. G.S. 161-10(a)(13) reads as rewritten:

"(13) Uniform Commercial Code. -- Such fees as are provided for in Chapter 25, Article 9, ~~Part 4,~~ Part 5, of the General Statutes."

PART IV. UCC ARTICLE 9 FILING FEES INCREASE.

Section 45. G.S. 25-9-403(5) reads as rewritten:

"(5) The uniform fee for filing and indexing and for stamping a copy furnished by the secured party to show the date and place of filing for an original financing statement or for a continuation statement is ~~fifteen dollars ($15.00).~~ thirty dollars ($30.00)."

Section 46. G.S. 25-9-405 reads as rewritten:

"**§ 25-9-405. Assignment of security interest; duties of filing officer; fees.**

(1) A financing statement may disclose an assignment of a security interest in the collateral described in the financing statement by indication in the financing statement of the name and address of the assignee or by an assignment itself or a copy thereof on the face or back of the statement. On presentation to the filing officer of such a financing statement the filing officer shall mark the same as provided in G.S. 25-9-403(4). The uniform fee for filing, indexing, and furnishing filing data for a financing statement so indicating an assignment is ~~fifteen dollars ($15.00).~~ thirty dollars ($30.00).

(2) A secured party may assign of record all or part of his rights under a financing statement by the filing in the place where the original financing statement was filed of a separate written statement of assignment signed by the secured party of record and setting forth the name of the secured party of record and the debtor, the file number and also the most current file number if it has been continued and the date of filing of the financing statement and the name and address of the assignee and containing a description of the collateral assigned. A copy of the assignment is sufficient as a separate statement if it complies with the preceding sentence. On presentation to the filing officer of such a separate statement, the filing officer shall mark such separate statement with the date and hour of the filing. He shall note the assignment on the Uniform Commercial Code index of the financing statement, and in the case of a fixture filing, or a filing covering timber to be cut, or covering minerals or the like (including oil and gas) or accounts subject to subsection (5) of G.S. 25-9-103, he shall index in the real estate index the assignment under the name of the assignor as grantor and, to the extent that the law of this State provides for indexing the assignment of a mortgage under the name of the assignee, he shall index the assignment of the financing statement under the name of the assignee. The uniform fee for filing, indexing, and furnishing filing data about such a separate statement of

assignment is ~~fifteen dollars ($15.00).~~ thirty dollars ($30.00). Notwithstanding the provisions of this subsection, an assignment of record of a security interest in a fixture contained in a mortgage effective as a fixture filing (subsection (6) of G.S. 25-9-402) may be made only by an assignment of the mortgage in the manner provided by the law of the State other than this Chapter.

(3) After the disclosure or filing of an assignment under this section, the assignee is the secured party of record."

Section 47. G.S. 25-9-406 reads as rewritten:

"**§ 25-9-406. Release of collateral; duties of filing officer; fees.**

A secured party of record may, by his signed statement, release all or a part of any collateral described in a filed financing statement. The statement of release is sufficient if it contains a description of the collateral being released, the name and address of the debtor, the name and address of the secured party, and the file number of the financing statement. A statement of release signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed by the secured party of record and complying with subsection (2) of G.S. 25-9-405, including payment of the required fee. Upon presentation of such a statement of release to the filing officer he shall mark the statement with the hour and date of filing and shall note the same upon the margin of the index of the filing of the financing statement. The uniform fee for filing and noting such a statement of release is ~~fifteen dollars ($15.00).~~ thirty dollars ($30.00)."

Section 48. G.S. 25-9-407 reads as rewritten:

"**§ 25-9-407. Information from filing officer.**

(1) If the person filing any financing statement, termination statement, statement of assignment or statement of release furnishes the filing officer a copy thereof, the filing officer shall upon request note upon the copy the file number and date and hour of the filing of the original and deliver or send the copy to such person.

(2) Upon request of any person, the filing officer shall issue his certificate for which he shall not be liable showing whether there is on file, on the date and hour stated therein, any presently effective financing statement naming a particular debtor and any statement of assignment thereof and if there is, giving the date and hour of filing of each such statement and the names and addresses of each secured party therein. The uniform fee for such a certificate shall be ~~fifteen dollars ($15.00).~~ thirty dollars ($30.00). Where the Uniform Commercial Code index has been automated, the filing officer shall issue a computer printout of the index entries for a particular debtor for a fee of ~~fifteen dollars ($15.00).~~ thirty dollars ($30.00). Upon request the filing officer shall furnish a copy of any filed financing statement or statement of assignment for a uniform fee of one dollar ($1.00) per page."

PART V. DIRECTIONS AND EFFECTIVE DATE.

Section 49. The Revisor of Statutes shall cause to be printed along with this act all relevant portions of the official comments to the Uniform Commercial Code, Revised Article 9 and conforming amendments to Articles 1, 2, 2A, 4, 5, 6, 7,

and 8 and all explanatory comments of the drafters of this act as the Revisor deems appropriate.

Section 50. The Department of the Secretary of State shall study the issue of fraudulent filings under Article 9 of Chapter 25 of the General Statutes that are intended to hinder, harass, delay, or otherwise interfere with public employees in the performance of their lawful duties. The Department shall report to the General Assembly by January 1, 2001, with any recommendations which may include the creation of civil or criminal sanctions or remedies related to these filings.

Section 51. Parts I, II, and III of this act become effective July 1, 2001. Part IV of this act becomes effective September 1, 2000, and applies to fees paid on or after that date. The remainder of this act is effective when it becomes law.

MEMORANDUM

TO: Senate Finance Committee

FROM: General Statutes Commission

DATE: June 20, 2000

RE: **Senate Bill 1305 (Revise Article 9 of the UCC)**

Senate Bill 1305 is based on Uniform Commercial Code Revised Article 9 (Secured Transactions), which was completed by the National Conference of Commissioners on Uniform State Laws in conjunction with the American Law Institute to update the statutory framework that governs security interests in personal property and fixtures. Revised Article 9 expands the scope of property and transactions covered by current Article 9, modifies as well as creates definitions, modernizes the filing system for financing statements, simplifies methods of perfection and increases the certainty of priority rules, formulates clearer rules for the enforcement of security interests, and provides specific transition rules. About 25 states have already enacted Revised Article 9 to become effective on the uniform effective date of July 1, 2001.

Senate Bill 1305 consists of five parts. Part I is based on Revised Article 9. Part II makes conforming amendments to other articles of the Uniform Commercial Code. Part III makes conforming and clarifying amendments to other sections of the General Statutes. Part IV increases certain fees in current Article 9 from $15.00 to $30.00 to provide revenue to help with the implementation of Revised Article 9. Part V authorizes the printing of drafters' comments, provides a delayed effective date of September 1, 2000, for the increases in current fees, and provides a delayed effective date of July 1, 2001, for Revised Article 9 and the conforming and clarifying amendments. The Senate Judiciary I Committee amended Part V to authorize the Secretary of State to "study the issue of fraudulent filings under Article 9 of Chapter 25 of the General Statutes that are intended to hinder, harass, delay or otherwise interfere with public employees in the performance of their lawful duties" and to report to the General Assembly by January 1, 2001.

Revised Article 9 supports commerce by reducing costs and uncertainty of financing personal property, including the modern form of asset securitization. It accomplishes this by, among other things:

- Scope and definitional provisions that bring within Revised Article 9 several kinds of collateral formerly left to the uncertainties of common law, e.g., health care receivables, deposit accounts in nonconsumer transactions, commercial tort claims, and proceeds which are stock dividends and licensing royalties. Revised Article 9 also applies to the perfection and priority of agricultural liens.

- Filing rules that require only one filing for each debtor in most financing transactions, no matter how many items or kinds of collateral are involved. Revised Article 9 provides for central filing in the Secretary of State's office for filings other than fixture filings and filings with respect to timber to be cut and "as-extracted collateral", which will continue to be filed in the register of deeds' office.

- Requiring most filings to be made at the location of the debtor, e.g., state of formation for a registered entity, rather than where the collateral is located. Thus the filer knows just where to file and the searcher knows exactly where to look.

- Timing standards for performance by filing offices.

- Vastly simplified rules that determine which state's law controls.

- Simplified formalities such as allowing electronic "signatures" on the security agreement and permitting very broad description of collateral in filings.

- Facilitation of electronic filing by providing uniform statutory forms for filing and eliminating the requirement that the debtor sign an authorized financing statement.

- Providing for perfection by "control" rather than filing or possession of collateral, for deposit accounts, letter of credit rights, and electronic chattel paper as well as investment property.

- Priority and foreclosure rules that settle existing uncertainties and enhance purchase money security.

- Elimination of North Carolina's nonuniform Part 6 (Public Sale Procedures) of current UCC Article 9 and providing a uniform "safe harbor" form for giving notice to the debtor of a private or public foreclosure sale.

- Additional protection of consumer debtors in foreclosure by additional disclosure requirements.

- Transition rules that provide detailed guidelines, including time frames, for creditors whose security interests are already perfected under existing law. Under these rules, creditors will be able to determine when and how they must act to continue, amend or terminate perfection.

These and other changes made by Revised Article 9 eliminate much risk and cost associated with secured financing. North Carolina's prestige as a major banking and financial center makes passage in time for the uniform effective date of July 1, 2001, extremely urgent.

The strategy of Revised Article 9 is to create a nationwide mechanism for secured transactions. For this reason, uniformity is more than usually important. However, some variations of a local nature have seemed advisable, which include:

- Incorporating Revised Article 9's optional set of model provisions for priority of production-money security interests in crops.

- Bringing forward the current exemption from filing provided for security interests created in connection with the issuance of bonds, notes, or other evidence of indebtedness for borrowed money by the State or its political subdivisions or agencies.

- Providing that Revised Article 9's provisions, which render ineffective any legal restrictions on the assignment of rights to payment, do not apply to certain specified statutory restrictions on assignments, e.g., structured settlement payment rights, workers' compensation claims, and crime victims award payments.

- Postponing to January 1, 2003, the date after which filings in the Secretary of State's office are required to have assigned file numbers that include a verification number, commonly known as a "check digit".

- Changing from two business days to three business days the time period in which filing offices are required to perform the duties imposed by §§ 25-9-519 and 25-9-523 and providing a delayed effective date of January 1, 2003, for compliance with the time period.

- Requiring a filing office to communicate its refusal to accept a record for filing within three business days rather than two business days after receipt of the record.

- Bringing forward the current nonliability provision for the information communicated by a filing office in responding to a request for information.

- Deleting the requirement that filing offices make copies of all filed records available to the public because the public records law already covers access to these records.

- Deleting the provision for an increased fee for filing and indexing a record of a mortgage as an initial financing statement where the financing statement indicates that it is filed in connection with either a public-finance transaction or a manufactured-home transaction.

- Deleting the requirement of an annual report to the Governor and the Legislature on filing office operations.

- Providing that a financing statement filed before July 1, 2001, may be terminated only by filing in the office specified in § 25-9-501. (§ 25-9-706(c)).

The following materials from the Uniform Law Commissioners' information kit on Revised Article 9 are attached for informational purposes: (1) a facts sheet stating Revised Article 9's purpose, origin, and legislative activity in other jurisdictions; (2) a statement of reasons why states should adopt Revised Article 9; and (3) a summary highlighting significant changes made by Revised Article 9. The Official Comments to Revised Article 9 are available and will be published in the General Statutes as annotations if Senate Bill 1305 is enacted.

WHY STATES SHOULD ADOPT
UNIFORM COMMERCIAL CODE ARTICLE 9 - SECURED TRANSACTIONS

Trillions of dollars of commercial and consumer credit are granted each year in secured transactions under Article 9 of the Uniform Commercial Code -- a manufacturer finances the acquisition of machinery and raw materials, a retailer finances inventory, a consumer finances furniture for a new house. The manufacturer, the retailer, and the consumer all depend upon Article 9 of the Uniform Commercial Code to make it possible for them to obtain the credit they need. Their creditors get assurance, in the form of the collateral that secures the granting of credit, that it will cushion the risk of default in the event the debtor does not pay the debt. Article 9 of the Uniform Commercial Code is absolutely necessary to economic function in the United States. It is the crankshaft for the American economic engine, and it is the envy of the rest of the world, which often struggles with the mechanics of credit granting and enforcement of creditor's rights.

Major revisions to Article 9 were completed in 1998. These revisions bring Article 9 into the 21st Century. There are many reasons that Revised Article 9 should be adopted in every state.

Technology. Paper-based transactions are giving way to electronic transactions. Revised Article 9 makes way for this revolution.

Volume. Article 9 was first proposed in 1951. Its last update was in 1972. Since 1972 the volume of commerce and the volume of credit has increased exponentially. Volume of secured transactions increases proportionately and directly with increase in economic activity in the United States. *The filing system revisions are particularly necessary to meet the problem of increased volume.*

New Collateral. New kinds of property and transactions have been developed since Article 9 was last amended. The *scope* of Article 9 expands to keep up and the 1998 revisions meet the needs for collateral into the new millennium. Examples of specific new collateral are deposit accounts and health insurance receivables.

Certainty of Perfection. Uncertainties about where to perfect a security interest under old Article 9 are overcome by the new basic rule in the 1998 revisions that makes the location of the debtor the place where the creditor will perfect the security interest.

New Liens. Statutory, non-possessory liens have proliferated since Article 9 was originally approved. Such liens represent a risk for creditors, and a potential conflict with security interests in collateral, if there is no public notice of their existence. Article 9 includes certain statutory, non-possessory liens for the purposes of providing public notice and setting priorities between creditors.

Clarification of Rules. Over time, provisions of Article 9 have been interpreted by courts, sometimes in conflicting ways. Some decisions deal with issues that were not expressly addressed in original Article 9. The result is ambiguity in the application of some rules. The revisions to Article 9 address and cure the accrued ambiguity problems.

Consumer Impact. Revised Article 9 addresses consumer issues that were not addressed in original Article 9.

Commitment to Uniformity. Amendments to Article 9 from state to state have created differences that impair interstate transactions. The revisions address specific kinds of secured transactions in oil and gas and agriculture in an effort to re-establish uniformity of law governing these kinds of transactions.

REVISED ARTICLE 9, SECURED TRANSACTIONS (1998)

- A Summary -

The Uniform Commercial Code has eleven substantive articles. Article 9, Secured Transactions, may be the most important of the eleven. Article 9 provides the rules governing any transaction (other than a finance lease) that couples a debt with a creditor's interest in a debtor's personal property. If the debtor defaults, the creditor may repossess and sell the property (generally called collateral) to satisfy the debt. The creditor's interest is called a "security interest." Article 9 also covers certain kinds of sales that look like a grant of a security interest.

The operation of Article 9 appears deceptively simple. There are two key concepts: "attachment" and "perfection." These terms describe the two key events in the creation of a "security interest." Attachment generally occurs when the security interest is effective between the creditor and the debtor, and that usually happens when their agreement provides that it take place. Perfection occurs when the creditor establishes his or her "priority" in relation to other creditors of the debtor in the same collateral. The creditor with "priority" may use the collateral to satisfy the debtor's obligation when the debtor defaults before other creditors subsequent in priority may do so. Perfection occurs usually when a "financing statement" is filed in the appropriate public record. Generally, the first to file has the first priority, and so on.

Article 9 relies on the public record because it provides the means for creditors to determine if there is any security interest that precedes theirs—a notice function. A subsequent secured creditor cannot complain that his or her grant of credit was made in ignorance of the prior security interests easily found in the public record, and cannot complain of the priority of the prior interests as a result. Every secured creditor has a priority over any unsecured creditor.

The somewhat simple description in the prior paragraphs should not mislead anyone. Article 9 is not simple. There are substantial exceptions to the above-stated perfection rule, for example. Filing is not the only method for perfection. Much depends upon the kind of property that is collateral. Possession of collateral by the secured party is an alternative method of perfection for many kinds of collateral. For some kinds of property, control (a defined term) either perfects the interest or provides a better priority than filing does. There are kinds of transactions for which attachment is perfection. Priority is, also, not always a matter of perfecting a security interest first in time.

The following numbered topics highlight Article 9 as revised in 1998. They are not a treatise on Revised Article 9, but are a schematic summary of its relevant changes.

1. **The Scope Issue.** The 1998 revision expands the "scope" of Article 9. What this means literally is that the kinds of property in which a security interest can be taken by a creditor under Article 9 increases over those available in Article 9 before revision. Also, certain kinds of transactions that did not come under Article 9 before, now come under Article 9. These are some of the kinds of collateral that are included in Revised Article 9 that are not in original Article 9: sales of payment intangibles and promissory notes; security interests created by governmental debtors; health insurance receivables; consignments; and commercial tort claims. Nonpossessory, statutory agricultural liens come under Article 9 for determination of perfection and priority, generally the same as security interests come under it for those purposes.

2. **Perfection.** Filing a financing statement remains the dominant way to perfect a security interest in most kinds of property. It is clearer in Revised Article 9 that filing a financing statement will perfect a security interest, even if there is another method of perfection. "Control" is the method of perfection for letter of credit rights and deposit accounts, as well as for investment property. Control was available only to perfect security interests in investment property under old Article 9. A creditor has control when the debtor cannot transfer the property without the creditor's consent. Possession, as an alternative method to filing a financing statement to perfect a security interest, is the only method for perfecting a security interest in money that is not proceeds of sale from property subject to a security interest. Automatic perfection for a purchase money security interest is increased from ten days in old Article 9 to twenty days in Revised Article 9. Attachment of a purchase money security interest is perfection, at least for the twenty-day period. Then another method of perfection is necessary to continue the perfected security interest. However, a purchase money security interest in consumer goods remains perfected automatically for the duration of the security interest.

3. **Choice of Law.** In interstate secured transactions, it is necessary to determine which state's laws apply to perfection, the effect of perfection and the priority of security interests. It is particularly important to know where to file a financing statement. The 1998 revisions to Article 9 make two fundamental changes from old Article 9. In old Article 9, the basic rule chooses the law of the state in which the collateral is found as the law that governs perfection, effect of perfection,

and a creditor's priority. In Revised Article 9, the new rule chooses the state that is the location of the debtor. Further, if the debtor is an entity created by registration in a state, the location of the debtor is the location in which the entity is created by registration. If an entity is a corporation, for example, the location of the debtor is the state in which the corporate charter is filed or registered. In old Article 9, the entity that is a debtor is located in the state in which it has its chief executive office. These changes in basic choice of law rules will change the place in which a financing statement is filed in a great many instances from the place it would have been filed under old Article 9. At the same time, the location of the debtor establishes a more certain place to perfect than the old rule does. Collateral shifts location much easier than the debtors do.

4. **The Filing System.** Improvements in the filing system in the 1998 revisions to Article 9 include a full commitment to centralized filing—one place in every state in which financing statements are filed, and a filing system that escorts filing from the world of filed documents to the world of electronic communications and records. Under Revised Article 9, the only local filing of financing statements occurs in the real estate records for fixtures. Fixtures are items of personal property that become physically part of the real estate, and are treated as part of the real estate until severed from it. It is anticipated that electronic filing of financing statements will replace the filing of paper. Paper filing of financing statements is already disappearing in many states in 1998, as Revised Article 9 becomes available to them. Revised Article 9 definitions and provisions allow this transition from paper to electronic filing without further revision of the law. Revised Article 9 makes filing office operations more ministerial than old Article 9 did. The office that files financing statements has no responsibility for the accuracy of information on the statements and is fully absolved from any liability for the contents of any statements received and filed. Financing statements may, therefore, be considerably simplified. There is no signature requirement, for example, for a financing statement.

5. **Consumer Transactions.** Revised Article 9 makes a clearer distinction between transactions in which the debtor is a consumer than prior Article 9 did. Enforcement of a security interest that is included in a consumer transaction is handled differently in certain respects in the 1998 revisions to Article 9 than it was pre-1998. Examples of consumer provisions are: a consumer cannot waive redemption rights in a financing agreement; a consumer buyer of goods who pre-pays in whole or in part, has an enforceable interest in the purchased goods and may obtain the goods as a remedy; a consumer is entitled to disclosure of the amount of any deficiency assessed against him

or her, and the method for calculating the deficiency; and, a secured creditor may not accept collateral as partial satisfaction of a consumer obligation, so that choosing strict foreclosure as a remedy means that no deficiency may be assessed against the debtor. Although it governs more than consumer transactions, the good faith standard becomes the objective standard of commercial reasonableness in the 1998 revisions to Article 9.

6. **Default and Enforcement.** Article 9 provisions on default and enforcement deal generally with the procedures for obtaining property in which a creditor has a security interest and selling it to satisfy the debt, when the debtor is in default. Normally, the creditor has the right to repossess the property. Revised Article 9 includes new rules dealing with "secondary" obligors (guarantors), new special rules for some of the new kinds of property subject to security interests, new rules for the interests of subordinate creditors with security interests in the same property, and new rules for aspects of enforcement when the debtor is a consumer debtor. These are some of the specific new rules: a secured party (creditor with security interest) is obliged to notify a secondary obligor when there is a default, and a secondary obligor generally cannot waive rights by becoming a secondary obligor; a secured party who repossesses goods and sells them is subject to the usual warranties that are part of any sale; junior secured creditors (subsequent in priority) and lienholders who have filed financing statements, must be notified when a secured party repossesses collateral; and, if a secured party sells collateral at a low price to an insider buyer, the price that the goods should have obtained in a commercially reasonable sale, rather than the actual price, is the price that will be used in calculating the deficiency.

Founded in 1892, the National Conference of Commissioners on Uniform State Laws is a confederation of state commissioners on uniform laws. Its membership comprises more than 300 attorneys, judges, and law professors, who are appointed by each of the 50 states, the District of Columbia, Puerto Rico, and the U.S. Virgin Islands, to draft uniform and model state laws and work toward their enactment.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of the Secretary of State; County Registers of Deeds

EFFECTIVE DATE: Part IV (fee increase) is effective September 1, 2000 and applies to fees paid on or after that date. The remainder of the bill is effective July 1, 2001.

BILL SUMMARY: This bill rewrites Article 9 of the Uniform Commercial Code to conform state law to revisions adopted by the National Conference of Commissioners on Uniform State

Laws. One major change is a requirement that all financing statements be filed with the Secretary of State except for fixture filings, which will continue to be filed with county Registers of Deeds. The bill also increases filing fees from $15 to $30.

ASSUMPTIONS AND METHODOLOGY:

EXPENDITURES:
The North Carolina Association of Registers of Deeds reported 209,365 UCC filings in county offices in FY 1998-99. The UCC staff of the Department of Secretary of State sampled 10,000 of the local filings and determined that SB 1305 will transfer 61% of the county filings to the state level. This equals 127,713 new filings transferred into the UCC Division each year, an amount nearly equal to the current workload of 140,000 filings received annually. SB 1305 will also require the Secretary of State to file liens on approximately 50,000 manufactured homes. In addition, section 25-9-523 (e) requires all filings be processed in three business days.

To handle the increased workload in a timely manner, the Secretary of State requests 45 additional positions in the UCC section beginning in FY 2000-01. To house and equip this new staff, the Secretary of State requests the following one-time expenditures:

Nonrecurring	
Computers	$ 248,504
Office Equipment	$ 61,264
Contractual Services (programming,etc)	$ 351,490
Rent/Lease Building	$ 319,000
Office Furniture	$ 955,773
Total	**$1,936,031**

The recurring costs of 45 positions is as follows:

Salaries	$1,242,332
Benefits	$ 306,752
Office equipment	$ 30,600
Telephone service	$ 39,000
Office supplies	$ 20,650
Rent/lease	$ 225,000
Contractual services	$ 40,000
Maintenance agreement	$ 40,000
Travel	$ 10,000
Total	**$1,954,334**

NOTE: These budget estimates have not yet been analyzed by the Fiscal Research Division.

REVENUE:
I. Counties
As stated above, there were 209,365 UCC filings in county offices in FY 1998-99. SB 1305 will transfer all filings except fixtures and timber/minerals filings from the counties to the Secretary

of State. Ann Shaw, President of the North Carolina Association of Registers of Deeds, estimates that counties will retain only 15% of the current UCC filings. The 209,365 UCC filings in FY 1998-99 generated $2,857,217 (9% of the filings were terminations that were charged no fee). After the transfer to the state, it is estimated that only 31,405 filings will remain in the counties for revenues of $471,075. This is a loss of $2,386,142 to county general funds. Part of the loss is offset by an increase in the fee from $15 to $30. The counties will recoup $471, 075 from the fee increase. Additional fees could be received from multiple page filings, but there is no data on the number of such filings in the counties. One final complication is that the bill allows pre-filing of documents prior to July 1, 2001. State and county officials cannot estimate the impact of this provision. This memo assumes half of those that would file in the county will chose to file with state in FY 2000-01. Counties will receive the new fee for half the filings (104,682) for revenue of $3,140,475 in FY 2000-01. Adjusting this for the September effective date (10 months) gives a revenue projection of $2,617,062. The net revenue loss for FY 2000-01 is $240,155.

II. Secretary of State

The Secretary of State currently has 140,000 UCC filings. Of this total, 80% are charged $15 and 20% are charged no fee. The approximate revenues are $1,680,000. Under SB 1305, the Secretary of State will receive 317,713 filings annually. At a minimum of $30 per filing, this workload will generate $9,531,390 in revenue. It is estimated that 20% of these filings will have additional pages that will require an additional $15 fee. This would yield an additional $953,139 in revenue. The net increase for the General Fund will be approximately $8,804,529.

As stated above, half the filings now done in the counties will be pre-filed with the Secretary of State thus new revenues in FY 2000-01 will be $1,915,695 (63,857 filings X $30). The Secretary of State will also receive a fee increase starting in September 2000. The current 140,000 filings charged a fee of $30 will produce $4.2 million. The current revenue is $1.68 million thus the net revenue is $2.52 million.

SENATE BILL 1484

Short Title: Local Option Homestead Relief. (Public)

Sponsors: Senators Hoyle; Albertson, Carter, Cooper, and Perdue.

Referred to: Judiciary I.

May 25, 2000

A BILL TO BE ENTITLED

AN ACT TO AMEND THE CONSTITUTION OF NORTH CAROLINA, IF APPROVED BY THE VOTERS IN THE 2000 GENERAL ELECTION, TO AUTHORIZE THE GENERAL ASSEMBLY TO ENACT LEGISLATION ALLOWING EACH COUNTY TO (I) INCREASE THE AMOUNT OF THE PROPERTY TAX HOMESTEAD EXEMPTION FOR LOW-INCOME ELDERLY AND DISABLED INDIVIDUALS IN THAT COUNTY AND (II) RAISE THE DEFINITION OF "LOW-INCOME" SO THAT MORE ELDERLY AND DISABLED INDIVIDUALS CAN QUALIFY FOR THE EXEMPTION.

The General Assembly of North Carolina enacts:

Section 1. Section 2 of Article V of the North Carolina Constitution is amended by adding a new subsection to read:

"(8) Property tax homestead exclusion. If the General Assembly enacts legislation classifying and excluding from ad valorem taxation part of the value of the residence of each elderly or disabled individual whose income is below a maximum amount and who satisfies other conditions, the General Assembly may, notwithstanding subsection (2) of this section, enact a general law uniformly applicable throughout the State authorizing each county to increase the portion of a classified residence's value that is excluded in that county and to increase the maximum income threshold to qualify for the exclusion in that county."

Section 2. G.S. 105-277.1 is amended by adding a new subsection to read:

"(a1) Local Option Increase. -- The board of commissioners of a county may, by resolution, increase the amount of the exclusion provided in subsection (a) of this section, increase the maximum income threshold provided in subdivision (a)(2) of

this section, or both. An increase adopted under this subsection shall apply uniformly within the county. The board of commissioners of a county may, by resolution, repeal or reduce an increase adopted under this subsection, but may not reduce the exclusion or the income threshold provided in subsection (a) of this section. A resolution changing the exclusion amount or the income threshold within a county pursuant to this subsection shall become effective no earlier than for the taxable year beginning July 1 following adoption of the resolution."

Section 3. G.S. 105-309(f) reads as rewritten:

"(f) The following information shall appear on each abstract or on an information sheet distributed with the abstract. If the county has increased the exclusion amount or the income threshold pursuant to G.S. 105-277.1(a1), the assessor shall substitute the applicable dollar amounts. The abstract or sheet must include the address and telephone number of the assessor below the notice required by this subsection. The notice shall read as follows:

'PROPERTY TAX RELIEF FOR ELDERLY AND PERMANENTLY DISABLED PERSONS.

North Carolina excludes from property taxes the first twenty thousand dollars ($20,000) in appraised value of a permanent residence owned and occupied by North Carolina residents aged 65 or older or totally and permanently disabled whose income does not exceed fifteen thousand dollars ($15,000). Income means the owner's adjusted gross income as determined for federal income tax purposes, plus all moneys received other than gifts or inheritances received from a spouse, lineal ancestor or lineal descendant.

If you received this exclusion in (assessor insert previous year), you do not need to apply again unless you have changed your permanent residence. If you received the exclusion in (assessor insert previous year) and your income in (assessor insert previous year) was above fifteen thousand dollars ($15,000), you must notify the assessor. If you received the exclusion in (assessor insert previous year) because you were totally and permanently disabled and you are no longer totally and permanently disabled, you must notify the assessor. If the person receiving the exclusion in (assessor insert previous year) has died, the person required by law to list the property must notify the assessor. Failure to make any of the notices required by this paragraph before April 15 will result in penalties and interest.

If you did not receive the exclusion in (assessor insert previous year) but are now eligible, you may obtain a copy of an application from the assessor. It must be filed by April 15.'"

Section 4. G.S. 105-328 reads as rewritten:

"**§ 105-328. Listing, appraisal, and assessment of property subject to taxation by cities and towns situated in more than one county.**

(a) ~~For~~ Except as provided in subsection (a1) of this section, for purposes of municipal taxation, all property subject to taxation by a city or town situated in two or more counties may, by resolution of the governing body of the municipality, be

listed, appraised, and assessed as provided in G.S. 105-326 and 105-327 if, in such a case, in the opinion of the governing body, the same appraisal and assessment standards will thereby apply uniformly throughout the municipality. However, if, in such a case, the governing body ~~shall determine~~ determines that adoption of the appraisals and assessments fixed by the counties will not result in uniform appraisals and assessments throughout the municipality, the governing body may, by horizontal adjustments, equalize the appraisal and assessment values fixed by the counties in order to obtain the required uniformity. Taxes levied by the city or town shall be levied uniformly on the assessments so determined.

(a1) This section does not apply to assessments of property that differ in any of the counties in which the city or town is located because of a local option adjustment in the homestead exclusion under G.S. 105-277.1(a1).

(b) Should the governing body of a city or town situated in two or more counties not adopt the procedure provided in subsection ~~(a), above,~~ (a) of this section, all property subject to taxation by the municipality shall be listed, appraised, and assessed as provided in subdivisions (b)(1) through (b)(6), below.

(1) The governing body of the city or town shall appoint a municipal assessor on or before the first Monday in July in each odd-numbered year. The governing body may remove the municipal assessor from office during his term for good cause after giving him notice in writing and an opportunity to appear and be heard at a public session of the appointing body. Whenever a vacancy occurs in the office, the governing body shall appoint a qualified person to serve as municipal assessor for the period of the unexpired term. Persons holding the position of municipal assessor on July 1, 1971, shall be deemed qualified to fill the position. A person appointed as a municipal assessor shall meet the qualifications and requirements set for a county assessor under G.S. 105-294.

(2) With the approval of the governing body, a municipal assessor may employ testers, appraisers, and clerical assistants necessary to carry out the listing, appraisal, assessing, and billing functions required by law.

(3) A municipal assessor and the persons employed by him have the same powers and duties as their county equivalents with respect to property subject to taxation by a city or town.

(4) The governing body shall, with respect to property subject to city or town taxation, be vested with the powers and duties vested by this Subchapter in boards of county commissioners and boards of equalization and review. Appeals may be taken from the municipal board of equalization and review or governing body to the Property Tax Commission in the manner provided in this Subchapter for appeals from county boards of equalization and review and boards of county commissioners.

(5) All expenses incident to the listing, appraisal, and assessment of property for the purpose of city or town taxation shall be borne by the municipality for whose benefit the work is undertaken.

(6) The intent of this subsection (b) is to provide cities and towns that are situated in two or more counties with machinery for listing, appraising, and assessing property for municipal taxation equivalent to that established by this Subchapter for counties. The powers to be exercised by, the duties imposed on, and the possible penalties against municipal governing bodies, boards of equalization and review, assessors, and persons employed by an assessor shall be the same as those provided in this Subchapter by, on, or against county boards of commissioners, boards of equalization and review, assessors, and persons employed by an assessor."

Section 5. The catch line of G.S. 105-277.1 reads as rewritten:

"**§ 105-277.1. Property ~~classified for taxation at reduced valuation.~~ tax homestead exclusion.**"

Section 6. The amendment set out in Section 1 of this act shall be submitted to the qualified voters of the State at the statewide general election to be held in November 2000. The election shall be conducted under the laws then governing elections in the State. Ballots, voting systems, or both may be used in accordance with Chapter 163 of the General Statutes. The question to be used in the voting systems and ballots shall be:

"[ ] FOR [ ] AGAINST

Constitutional amendment authorizing the General Assembly to allow counties to (1) increase the property tax exemption for a residence owned by a low-income elderly or disabled person and (2) raise the definition of 'low-income' so more elderly and disabled persons can qualify for the exemption."

Section 7. If a majority of the votes cast on the question are in favor of the amendment set out in Section 1 of this act, the State Board of Elections shall certify the amendment to the Secretary of State. The amendment becomes effective upon this certification. The Secretary of State shall enroll the amendment so certified among the permanent records of that office.

Section 8. Sections 2, 3, and 4 of this act become effective only if the constitutional amendment proposed by Section 1 of this act is approved as provided in Sections 6 and 7 of this act. If the constitutional amendment is approved, Sections 2, 3, and 4 of this act become effective when the State Board of Elections certifies the amendment to the Secretary of State. The remainder of this act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO ALLOW DARE COUNTY TO EXPAND THE PURPOSE OF SPECIAL TAX DISTRICTS TO UNDERGROUND ELECTRIC UTILITY LINES SO AS TO ALLOW UNDERGROUNDING OF TELEPHONE AND CABLE TELEVISION LINES.

The General Assembly of North Carolina enacts:

Section 1. Section 1.1 of S.L. 1999-127 reads as rewritten:

"Section 1.1. Authorization to Create Utility District. A county board of commissioners may create one or more Utility Districts for the purpose of raising and expending funds to underground ~~electric~~ electric and telephone utility lines in the district."

Section 2. Section 5.(a) of S.L. 1999-127 reads as rewritten:

"Section 5.(a) Powers. By resolution the board of commissioners of the county, acting ex officio on behalf of the Utility District, may levy a tax of up ~~to one~~ to:

(1) One dollar ($1.00) per month on each residential electric power customer bill for service within the district, and up to five dollars ($5.00) per month on each commercial or industrial electric power customer bill within the district.

(2) One dollar ($1.00) per month on each residential telephone customer line for service within the district and up to five dollars ($5.00) per month on each commercial or industrial telephone customer line within the district."

Section 3. Section 6 of S.L. 1999-127 reads as rewritten:

"Section 6. Use of Funds. The taxes levied under this act, after being expended for the necessary administrative expenses of the utility district, shall be used only for undergrounding of ~~electric~~ electric and telephone utility lines within the district. The budget for the Utility District shall be adopted by the special commission for that district. The budget shall include funding to pay for the installation of conduit for underground telephone cable, where required."

Section 4. Section 9.(b) of S.L. 1999-127 reads as rewritten:

"Section 9.(b) Collection. Every ~~electric~~ utility subject to a tax authorized by this act shall, on and after the effective date of the levy of the tax, collect the tax. The tax shall be collected as part of the charge for furnishing ~~electric power.~~ service. The tax shall be stated and charged separately and shall be paid by the purchaser to the utility as trustee for and on account of the Utility District. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the utility. The Utility District shall design, print, and furnish to all appropriate utilities in the district the necessary forms for filing returns and instructions to ensure the full collection of the tax. A utility who collects a tax authorized by this act may deduct from the amount remitted to the Utility District a discount equal to the discount the State allows the utility for State sales and use tax. For the purpose of this act, a utility includes a government entity providing ~~electric~~ service, a cooperative, and any other ~~electric~~ utility. A utility shall have the same right to suspend or terminate service for nonpayment of the tax that it has to suspend or terminate service for payment of any other part of the utility bill. ~~The obligation of the utility to pay the tax if the customer has not paid the bill is the same as its liability under G.S. 105-164.4(a)(4a).~~ A utility has no obligation to take any legal action to enforce the collection of taxes under this act. The county or the district may initiate a collection action in its name and reasonable costs and attorneys' fees may be awarded to the plaintiff."

Section 5. Section 5 of S.L. 1999-127 is amended by adding a new subsection to read:

"Section 5.(d) The board of commissioners may exempt from payment of the tax any person for whom the payment would work an unreasonable financial hardship in accordance with criteria established by the board of commissioners."

Section 6. Section 5 of S.L. 1999-127 is amended by adding a new subsection to read:

"Section 5.(e) The commission may order any cable television lines (or other utility lines other than electric or telephone) to be undergrounded when any electric or telephone line on the same pole is undergrounded."

Section 7. S.L. 1999-127 is amended to add new sections to read:

"Section 13.(a) The district shall coordinate with affected utilities, municipalities, and the North Carolina Department of Transportation to facilitate acquisition of rights-of-way for burial of cable."

Section 13.(b) The undergrounding required by this act shall be a coordinated effort between the utility district, and the affected electric, telephone, and cable television utilities.

Section 14. The State Auditor may perform audits pursuant to Article 5A of Chapter 147 of the General Statutes to ensure that funds collected by or paid to the utility district are being managed in accordance with the provisions of this act, and shall perform an audit at least every two years. The costs of the audit shall be reimbursed to the State Auditor by the utility district."

Section 8. Section 5(c) of S.L. 1999-127 reads as rewritten:

"Section 5.(c) The commission may contract with the State of North Carolina, another local government, or a private entity for carrying out the projects authorized by this act. Any State, local government, or other entity which carries out projects authorized by this act, or otherwise takes action affecting utilities pursuant to the terms of this act shall remain fully liable for any damages to utility company property. Any private sector entity with which the district wishes to contract to carry out projects authorized by this act must be approved in writing in advance by each utility whose facilities will be affected and must carry sufficient insurance to cover any damages caused."

Section 9. Section 4(a) of S.L. 1999-127 reads as rewritten:

"Section 4.(a) Governing Board. Each Utility District shall be governed by a special commission consisting of one person appointed by the board of commissioners of that county, one nonvoting member appointed by the board of commissioners of the county who has been recommended by each local telephone exchange carries licensed to do business in North Carolina and providing service in that county, one nonvoting member appointed by the board of commissioners of the county who has been recommended by each electric utility provider in the county, one person appointed by the governing board of each municipality that has annexed its territory to the district under Section 3(a) of this act.

Section 10. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO ALLOW DARE COUNTY TO CREATE SPECIAL DISTRICTS TO UNDERGROUND LINES.

The General Assembly of North Carolina enacts:

Section 1. Authorization to Create Utility District. A county board of commissioners may create one or more Utility Districts for the purpose of raising and expending funds to underground electric and telephone utility lines in the district.

Section 2.(a) Procedure. A county board of commissioners may by resolution signify its determination to create a Utility District under the provisions of this act. The resolution shall be adopted after a public hearing thereon, notice of which hearing shall be given by publication at least once, not less than 10 days prior to the date fixed for the hearing, in a newspaper having a general circulation in the county. The notice shall contain a brief statement of the substance of the proposed resolution, shall set forth the boundaries of the district, and shall state the time and place of the public hearing. No other publication of the resolution is required under the provisions of any other law.

Section 2.(b) The resolution shall include articles of incorporation which shall set forth:

(1) The name of the district;

(2) A statement that the district is organized under this act; and

(3) A description of the boundaries, which may include any territory designated by the county board of commissioners that is not in the corporate limits of any municipality.

Section 2.(c) No territory may be in more than one district.

Section 2.(d) All territory of a district shall be within the county.

Section 2.(e) A certified copy of the resolution signifying the determination to organize a district under the provisions of this act shall be filed with the Secretary of State, together with proof of publication of the notice of hearing on the resolution. If the Secretary of State finds that the resolution, including the articles of incorporation, conforms to the provisions of this act and that the notice of hearing was properly published, the Secretary of State shall file the resolution and proof of publication in the records of that office, shall issue a certificate of incorporation under the seal of the State, and shall record the same in an appropriate book of record. The issuance of the certificate of incorporation by the Secretary of State shall constitute the district, a public body and body politic and corporate of the State of North Carolina. This certificate of incorporation shall be conclusive evidence of the fact that the district has been duly created and established under the provisions of this act.

Section 2.(f) When the district has been duly organized and its officers appointed as provided by this act, the secretary or clerk of the district shall certify to the Secretary of State the names and addresses of the officers as well as the address of the principal office of the district.

Section 3.(a) Annexation to District. By adoption of a resolution, and with the approval of the board of commissioners of a county by resolution, any municipality located wholly within that county may annex the entirety of that municipality to any Utility District created by this act, but no municipality may be in more than one district. The resolution shall be adopted by the municipal governing board after a public hearing thereon, notice of which hearing shall be given by publication at least once, not less than 10 days prior to the date fixed for the hearing, in a newspaper having a general circulation in the county. The notice shall contain a brief statement of the substance of the proposed resolution and shall state the time and place of the public hearing. No other publication of the resolution is required under the provisions of any other law.

Section 3.(b) By adoption of a resolution, the board of commissioners of a county may annex any area within that county but not within the corporate limits of any municipality to a Utility District, but no area may be in more than one district. The resolution shall be adopted by the county board of commissioners after a public hearing thereon, notice of which hearing shall be given by publication at least once, not less than 10 days prior to the date fixed for the hearing, in a newspaper having a general circulation in the county. The notice shall contain a brief statement of the substance of the proposed resolution, the boundaries of the proposed annexation, and shall state the time and place of the public hearing. No other publication of the resolution is required under the provisions of any other law.

Section 3.(c) If any area in a Utility District is annexed to the corporate limits of any municipality, it shall remain in the same Utility District notwithstanding any other provision of this act.

Section 4.(a) Governing Board. Each Utility District shall be governed by a special commission consisting of one person appointed by the board of commissioners of that county, one nonvoting member appointed by the board of commissioners of the county who has been recommended by each local telephone exchange carrier licensed to do business in North Carolina and providing service in that county, one nonvoting member appointed by the board of commissioners of the county who has been recommended by each electric utility provider in the county, one nonvoting member appointed by the board of commissioners of the county who has been recommended by each cable television provider in the county, and one person appointed by the governing board of each municipality that has annexed its territory to the district under Section 3(a) of this act.

Section 4.(b) In the case of Dare County, one person shall also be appointed to the Special Commission by the Roanoke Island Commission established by Part 27A of Article 2 of Chapter 143B of the General Statutes. Appointments shall be for two-year terms.

Section 5.(a) Powers. By resolution the board of commissioners of the county, acting ex officio on behalf of the Utility District, may levy an assessment of up to:

(1) One dollar ($1.00) per month on each residential electric power customer bill for service within the district, and up to five dollars ($5.00) per month on each commercial or industrial electric power customer bill within the district.

(2) One dollar ($1.00) per month on each residential telephone customer bill for service within the district and up to five dollars ($5.00) per month on each commercial or industrial telephone customer bill within the district.

Section 5.(b) The Utility District may receive contributions from the State of North Carolina, local governments, and the private sector for corporate purposes authorized by this act.

Section 5.(c) The commission may contract with the State of North Carolina, another local government, or a private entity for carrying out the projects authorized by this act. Any State, local government, or other entity which carries out projects authorized by this act, or otherwise takes action affecting any company whose lines are effected pursuant to the terms of this act shall remain fully liable for any damages to company property. Any private sector entity with which the district wishes to contract to carry out projects authorized by this act must be approved in writing in advance by each company whose facilities will be affected and must carry sufficient insurance to cover any damages caused.

Section 5.(d) The board of commissioners may exempt from payment of the assessment on an electric bill any person for whom the payment would work an unreasonable financial hardship in accordance with criteria established by the board

of commissioners. The board of commissioners shall exempt from payment of the assessment on a telephone bill those low-income residential telephone customers who pay reduced rates for local telephone service pursuant to an order of the North Carolina Utilities Commission.

Section 5.(e) The commission may order any cable television lines (or other lines other than electric or telephone) to be undergrounded when any electric or telephone line on the same pole is undergrounded.

Section 6. Use of Funds. The assessments levied under this act, after being expended for the necessary administrative expenses of the utility district, shall be used only for undergrounding of electric and telephone utility lines within the district. The budget for the Utility District shall be adopted by the special commission for that district. The budget shall include funding to pay for the installation of conduit for underground telephone cable, where required.

Section 7. Corporate Existence. A Utility District created under this act shall have the power granted by this act, and may do all acts reasonably necessary to fulfill this purpose. A simple majority of the governing board constitutes a quorum, and approval by a majority of those present is sufficient to determine any matter before the governing body, if a quorum is present.

Section 8. Fiscal Control. The Utility District is a special district under G.S. 159-7 and is covered by the applicable provisions of Chapter 159 of the General Statutes.

Section 9.(a) Levy. An assessment authorized by this act may be levied only by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto. An assessment authorized by this act shall become effective on the date specified in the resolution levying the assessment. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the third month after the date the resolution is adopted. In establishing the effective date, the board of commissioners shall consult with any utility that will be collecting the assessment to determine any administrative lead times that might be desirable.

Section 9.(b) Collection. Every utility subject to an assessment authorized by this act shall, on and after the effective date of the levy of the assessment, collect it. The assessment shall be collected as part of the charge for furnishing service. The assessment shall be stated and charged separately and shall be paid by the purchaser to the utility as trustee for and on account of the Utility District. The assessment shall be passed on to the purchaser instead of being borne by the utility. The Utility District shall design, print, and furnish to all appropriate utilities in the district the necessary forms for filing returns and instructions to ensure the full collection of the assessment. A utility who collects an assessment authorized by this act may deduct from the amount remitted to the Utility District a discount equal to the discount the State allows the utility for State sales and use tax. For the purpose of this act, a utility includes a government entity providing service, a cooperative, and any other utility. A utility shall have the same right to suspend or terminate service for nonpayment of the assessment that it has to suspend or

terminate service for payment of any other part of the utility bill. A utility has no obligation to take any legal action to enforce the collection of assessments under this act. The county or the district may initiate a collection action in its name and reasonable costs and attorneys' fees may be awarded to the plaintiff.

Section 9.(c) Administration. The Utility District shall administer an assessment it levies under this act. An assessment authorized by this act is due and payable to the district finance officer in monthly installments on or before the last day of the month following the month in which the assessment accrues. Every person, firm, corporation, or association liable for the assessment shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the Utility District. The return shall state the total gross receipts derived in the preceding month upon which the assessment is levied. A return filed with the district finance officer is not a public record and may not be disclosed except in accordance with G.S. 153A-148.1 as if the Utility District were a county. The Utility District may adopt a payment schedule keyed to the billing cycle of the utility collecting the assessment rather than the calendar month, as long as there are at least 12 billing cycles per year.

Section 9.(d) Penalties. A person, firm, corporation, or association who fails or refuses to file an assessment return or pay an assessment authorized by this act as required by law is subject to the civil and criminal penalties set by G.S. 105-236 for failure to pay or file a return for State sales and use taxes. The governing board of the Utility District has the same authority to waive the penalties for an assessment authorized by this act that the Secretary of Revenue has to waive the penalties for State sales and use taxes.

Section 9.(e) Increase, Repeal, or Reduction. An assessment levied by a district under this act may be increased not in excess of the maximum allowed by this act, repealed or reduced by a resolution adopted by the board of commissioners of the county, acting ex officio on behalf of the Utility District. Repeal or reduction of an assessment authorized by this act shall become effective on the first day of a month and may not be earlier than the first day of the third month after the date the resolution is adopted. Repeal or reduction of an assessment authorized by this act does not affect a liability for an assessment that was attached before the effective date of the repeal or reduction, nor does it affect a right to a refund of an assessment that accrued before the effective date of the repeal or reduction. In establishing the effective date, the board of commissioners shall consult with any utility that will be collecting the assessment to determine any administrative lead times that might be desirable. Once the lines have been undergrounded and the costs have been paid, the board of commissioners shall terminate the assessment.

Section 10. Interlocal Agreements. By interlocal agreement adopted under Chapter 160A of the General Statutes, a Utility District created under this act may contract with a municipality or county to handle assessment collections and fiscal control.

Section 11.(a) The district shall coordinate with affected utilities, municipalities, and the North Carolina Department of Transportation to facilitate acquisition of rights-of-way for burial of cable.

Section 11.(b) The undergrounding required by this act shall be a coordinated effort between the utility district and the affected electric, telephone, and cable television companies.

Section 12. The State Auditor may perform audits pursuant to Article 5A of Chapter 147 of the General Statutes to ensure that funds collected by or paid to the Utility District are being managed in accordance with the provisions of this act, and shall perform an audit at least every two years. The costs of the audit shall be reimbursed to the State Auditor by the Utility District.

Section 13. This act applies to Dare County only.

Section 14. Sections 1.1 through 11 of S.L. 1999-127 are repealed.

Section 15. This act is effective when it becomes law.

thereof, of the gross estate, not to exceed three thousand dollars ($3,000). Gross estate shall include the fair market value of all personalty when received, and all proceeds from the sale of realty coming into the hands of the fiduciary, but shall not include the value of realty. In collections of personal property by affidavit, the fee based on the gross estate shall be computed from the information in the final affidavit of collection made pursuant to G.S. 28A-25-3 and shall be paid when that affidavit is filed. In all other cases, this fee shall be computed from the information reported in the inventory and shall be paid when the inventory is filed with the clerk. If additional gross estate, including income, comes into the hands of the fiduciary after the filing of the inventory, the fee for such additional value shall be assessed and paid upon the filing of any account or report disclosing such additional value. For each filing the minimum fee shall be ~~ten dollars ($10.00).~~ fifteen dollars ($15.00). Sums collected under this subsection shall be remitted to the State Treasurer.

(2a) Notwithstanding subdivision (2) of this subsection, the fee of forty cents (40¢) per one hundred dollars ($100.00), or major fraction, of the gross estate, not to exceed three thousand dollars ($3,000), shall not be assessed on personalty received by a trust under a will when the estate of the decedent was administered under Chapters 28 or 28A of the General Statutes. Instead, a fee of ~~fifteen dollars ($15.00)~~ twenty dollars ($20.00) shall be assessed on the filing of each annual and final account.

(2b) Notwithstanding subdivisions (1) and (2) of this subsection, no costs shall be assessed when the estate is administered or settled pursuant to G.S. 28A-25-6.

(3) For probate of a will without qualification of a personal representative, the clerk shall assess a facilities fee as provided in subdivision (1) of this subsection and shall assess for support of the General Court of Justice, the sum of ~~seventeen dollars ($17.00).~~ twenty dollars ($20.00).

(b) In collections of personal property by affidavit, the facilities fee and ~~twenty-six dollars ($26.00)~~ thirty dollars ($30.00) of the General Court of Justice fee shall be paid at the time of filing the qualifying affidavit pursuant to G.S. 28A-25-1. In all other cases, these fees shall be paid at the time of filing of the first inventory. If the sole asset of the estate is a cause of action, ~~the thirty dollars ($30.00)~~ these fees shall be paid at the time of the qualification of the fiduciary.

. . . ."

Section 4.(e) G.S. 7A-308(a)(1) reads as rewritten:

"(a) The following miscellaneous fees and commissions shall be collected by the clerk of superior court and remitted to the State for the support of the General Court of Justice:

(1) Foreclosure under power of sale in deed of trust or mortgage ..... ~~$30.00~~ $40.00
If the property is sold under the power of sale, an additional amount will be charged, determined by the following formula: thirty cents (30¢) per one hundred dollars ($100.00), or major fraction thereof, of the final sale price. If the amount determined by the formula is less than ten dollars ($10.00), a minimum ten dollar ($10.00) fee will be collected. If the amount determined by the formula is more than two hundred dollars ($200.00), a maximum two hundred dollar ($200.00) fee will be collected."

PART V. JAIL FEE FOR LOCAL GOVERNMENTS

Section 5. G.S. 7A-313 reads as rewritten:

"**§ 7A-313. Uniform jail fees.**

~~Only persons~~ Persons who are lawfully confined in jail awaiting ~~trial, or who are ordered to pay jail fees pursuant to a probationary sentence,~~ trial shall be liable to the county or municipality maintaining the jail in the sum of five dollars ($5.00) for each 24 hours' confinement, or fraction thereof, except that a person so confined shall not be liable for this fee if the case or proceeding against him is dismissed, or if acquitted, or if judgment is arrested, or if probable cause is not found, or if the grand jury fails to return a true bill.

Persons who are ordered to pay jail fees pursuant to a probationary sentence shall be liable to the county or municipality maintaining the jail at the same per diem rate paid by the Department of Correction to local jails for maintaining a prisoner, as set by the General Assembly in its appropriations acts."

PART VI. INCREASE FEE FOR EMERGENCY PLANNING

Section 6. G.S. 166A-6.1(b) reads as rewritten:

"(b) Every person, firm, corporation or municipality who is licensed to construct or who is operating a fixed nuclear facility for the production of electricity shall pay to the Department of Crime Control and Public Safety, for the use of the Division of Radiation Protection ~~Division~~ of the Department of Environment and Natural Resources, an annual fee of ~~eighteen thousand dollars ($18,000)~~ thirty-six thousand dollars ($36,000) for each fixed nuclear facility ~~which~~ that is located within this State or has a Plume Exposure Pathway Emergency Planning Zone of which any part is located within this State. This fee shall be applied to the costs of planning and implementing emergency response activities as are required by the Federal Emergency Management Agency for the operation of nuclear facilities. ~~Said~~ This fee is to be paid no later than July 31 of each year."

PART VII. OVERSIZE LOAD PERMITS AND PENALTIES

Section 7.(a) G.S. 20-119(d) reads as rewritten:

"(d) ~~Violation~~ For each violation of any of the terms or conditions of a special permit issued under this section ~~shall be a Class 3 misdemeanor. A person convicted~~

~~of a Class 3 misdemeanor under this section shall be subject to a fine of not more than five hundred dollars ($500.00).~~ the Department of Transportation may assess a separate civil penalty against the registered owner of the vehicle as follows:

(1) A fine of five hundred dollars ($500.00) for any of the following: operating without a permit, moving a load off the route specified in the permit, falsifying information to obtain a permit, failing to comply with dimension restrictions of a permit, or failing to comply with escort vehicle requirements.

(2) A fine of two hundred fifty dollars ($250.00) for moving loads beyond the distance allowances of an annual permit covering the movement of house trailers from the retailer's premises or for operating in violation of time of travel restrictions.

(3) A fine of one hundred dollars ($100.00) for any other violation of the permit conditions or requirements imposed by applicable regulations.

The Department of Transportation may refuse to issue additional permits or suspend existing permits if there are repeated violations of subdivision (1) or (2) of this subsection."

Section 7.(b) G.S. 20-140 is amended by adding a new subsection to read:

"(f) A person is guilty of the Class 2 misdemeanor of reckless driving if the person drives a commercial motor vehicle carrying a load that is subject to the permit requirements of G.S. 20-119 upon a highway or any public vehicular area either:

(1) Carelessly and heedlessly in willful or wanton disregard of the rights or safety of others; or

(2) Without due caution and circumspection and at a speed or in a manner so as to endanger or be likely to endanger any person or property."

Section 7.(c) G.S. 20-141 is amended by adding a new subsection to read:

"(j3) A person is guilty of a Class 2 misdemeanor if the person drives a commercial motor vehicle carrying a load that is subject to the permit requirements of G.S. 20-119 upon a highway or any public vehicular area at a speed in excess of 15 miles per hour above either:

(1) The posted speed; or

(2) The restricted speed, if any, of the permit, or if no permit was obtained, the speed that would be applicable to the load if a permit had been obtained."

Section 7.(d) G.S. 20-16(c) reads as rewritten:

"(c) The Division shall maintain a record of convictions of every person licensed or required to be licensed under the provisions of this Article as an operator and shall enter therein records of all convictions of such persons for any violation of the motor vehicle laws of this State and shall assign to the record of such person, as of the date of commission of the offense, a number of points for every such conviction

in accordance with the following schedule of convictions and points, except that points shall not be assessed for convictions resulting in suspensions or revocations under other provisions of laws: Further, any points heretofore charged for violation of the motor vehicle inspection laws shall not be considered by the Division of Motor Vehicles as a basis for suspension or revocation of driver's license:

Schedule of Point Values

The above provisions of this subsection shall only apply to violations and convictions which take place within the State of North Carolina. The Schedule of Point Values for Violations While Operating a Commercial Motor Vehicle shall not apply to any commercial motor vehicle known as an "aerial lift truck" having a hydraulic arm and bucket station, and to any commercial motor vehicle known as a "line truck" having a hydraulic lift for cable, if the vehicle is owned, operated by or under contract to a public utility, electric or telephone membership corporation or municipality and used in connection with installation, restoration or maintenance of utility services.

No points shall be assessed for conviction of the following offenses:

Overloads
Over length
Over width
Over height
Illegal parking
Carrying concealed weapon
Improper plates
Improper registration
Improper muffler
Improper display of license plates or dealers' tags
Unlawful display of emblems and insignia
Failure to display current inspection certificate.

In case of the conviction of a licensee of two or more traffic offenses committed on a single occasion, such licensee shall be assessed points for one offense only and if the offenses involved have a different point value, such licensee shall be assessed for the offense having the greater point value.

Upon the restoration of the license or driving privilege of such person whose license or driving privilege has been suspended or revoked because of conviction for a traffic offense, any points that might previously have been accumulated in the driver's record shall be cancelled.

Whenever any licensee accumulates as many as seven points or accumulates as many as four points during a three-year period immediately following reinstatement of his license after a period of suspension or revocation, the Division may request the licensee to attend a conference regarding such licensee's driving record. The Division may also afford any licensee who has accumulated as many as seven points or any licensee who has accumulated as many as four points within a three-year period immediately following reinstatement of his license after a period of suspension or revocation an opportunity to attend a driver improvement clinic operated by the Division and, upon the successful completion of the course taken at the clinic, three points shall be deducted from the licensee's conviction record; provided, that only one deduction of points shall be made on behalf of any licensee within any five-year period.

When a license is suspended under the point system provided for herein, the first such suspension shall be for not more than 60 days; the second such suspension shall not exceed six months and any subsequent suspension shall not exceed one year.

Whenever the driver's license of any person is subject to suspension under this subsection and at the same time also subject to suspension or revocation under other provisions of laws, such suspensions or revocations shall run concurrently.

In the discretion of the Division, a period of probation not to exceed one year may be substituted for suspension or for any unexpired period of suspension under subsections (a)(1) through (a)(10a) of this section. Any violation of probation during the probation period shall result in a suspension for the unexpired remainder of the suspension period. Any accumulation of three or more points under this subsection during a period of probation shall constitute a violation of the condition of probation."

Section 7.(e) G.S. 20-17.4(d) reads as rewritten:

"(d) Less Than a Year. -- A person is disqualified from driving a commercial motor vehicle for 60 days if that person is convicted of two serious traffic violations, or 120 days if convicted of three or more serious traffic violations, committed in a commercial motor vehicle arising from separate incidents occurring within a three-year period. For purposes of this subsection, a 'serious violation' includes violations of G.S. 20-140(f) and G.S. 20-141(j3)."

Section 7.(f) G.S. 20-119(b) reads as rewritten:

"(b) Upon the issuance of a special permit for an oversize or overweight vehicle by the Department of Transportation in accordance with this section, the applicant shall pay to the Department for a single trip permit a fee of ~~ten~~ twelve dollars ~~($10.00)~~ ($12.00) ~~for a single trip permit and fifty dollars ($50.00) for an annual permit issued for a single vehicle. Any person who operates more than one vehicle may obtain an annual permit for all oversize or overweight vehicles operated by the person upon payment of an annual fee based on the following schedule:~~

~~No. of Vehicles~~	~~Annual Permit Rate Per Vehicle~~
~~First 50~~	~~$50.00~~
~~51 to 100~~	~~40.00~~

~~101 to 150 30.00~~
~~Over 150 20.00~~

~~Any vehicle required to obtain an overweight permit shall not be charged an additional fee for oversize. Any vehicle required to obtain an oversize permit shall not be charged an additional fee for overweight.~~ for each dimension over lawful dimensions, including height, length, width, and weight up to 132,000 pounds. For overweight vehicles, the applicant shall pay to the Department for a single trip permit in addition to the fee imposed by the previous sentence a fee of three dollars ($3.00) per 1,000 pounds over 132,000 pounds.

Upon the issuance of an annual permit for a single vehicle, the applicant shall pay a fee in accordance with the following schedule:

Commodity:	Annual Fee:
Annual Permit to Move House Trailers	$200.00
Annual Permit to Move Other Commodities	$100.00

In addition to the fees set out in this subsection, applications for permits that require an engineering study for pavement or structures or other special conditions or considerations shall be accompanied by a nonrefundable application fee of one hundred dollars ($100.00).

This subsection ~~shall~~ does not apply to farm equipment or machinery being used at the time for agricultural purposes, nor to the moving of a house as provided for by the license and permit requirements of Article 16 of this Chapter. Fees will not be assessed for permits for oversize and overweight vehicles issued to any agency of the United States Government or the State of North Carolina, its agencies, institutions, subdivisions, or municipalities if the vehicle is registered in the name of the agency."

Section 7.(g) It is the intent of the General Assembly that the permit fees provided in G.S. 20-119 shall be adjusted periodically to assure that the revenue generated by the fees is equal to the cost to the Department of administering the Oversize/Overweight Permit Unit Program within the Division of Highways. At least every two years, the Department shall review and compare the revenue generated by the permit fees and the cost of administering the program, and shall report to the Joint Legislative Transportation Oversight Committee created in G.S. 120-70.50 its recommendations for adjustments to the permit fees to bring the revenues and the costs into alignment.

PART VIII. FEES FOR ACCESS TO AGENCY SERVICES THROUGH ELECTRONIC AND DIGITAL TRANSACTIONS

Section 8. Article 11A of Chapter 66 of the General Statutes is amended by adding a new section to read:

"§ 66-58.12. Agencies may provide access to services through electronic and digital transactions; fees authorized.

(a) Public agencies are encouraged to maximize citizen and business access to their services through the use of electronic and digital transactions. A public agency may

determine, through program and transaction analysis, which of its services may be made available to the public through electronic means, including the Internet. The agency shall identify any inhibitors to electronic transactions between the agency and the public, including legal, policy, financial, or privacy concerns and specific inhibitors unique to the agency or type of transaction. An agency shall not provide a transaction through the Internet that is impractical, unreasonable, or not permitted by laws pertaining to privacy or security.

(b) An agency may charge a fee to cover its costs of permitting a person to complete a transaction through the World Wide Web or other means of electronic access. The fee may be applied on a per transaction basis and may be calculated either as a flat fee or a percentage fee, as determined under an agreement between a person and a public agency. The fee must be approved by the Information Resource Management Commission, in consultation with the Joint Legislative Commission on Governmental Operations. The fee may be collected by the agency or by its third-party agent. The revenue derived from the fee must be credited to a nonreverting agency reserve account. The funds in the account may be expended only for e-commerce initiatives and projects approved by the Information Resource Management Commission, in consultation with the Joint Select Committee on Information Technology."

PART IX. WHITE GOODS SUNSET REPEAL

Section 9.(a) Section 11 of Chapter 471 of the 1993 Session Laws, as amended by Section 15.1(b) of Chapter 769 of the 1993 Session Laws and Section 7 of S.L. 1998-24, reads as rewritten:

"Sec. 11. Sections 1 through 5 of this act and this section become effective January 1, 1994. ~~Section 3 of this act expires July 1, 2001. Section 6 of this act becomes effective July 1, 2001. Sections 7, 8, and 9 of this act become effective July 1, 2002.~~

~~The repeal of the tax imposed by Section 3 of this act does not affect the rights or liabilities of the State, a taxpayer, or another person that arose during the time the tax was in effect.~~ The first report submitted by the Department to the Environmental Review Commission under G.S. 130A-309.85, as enacted by this act, shall cover the period from January 1, 1994, to June 30, 1994."

Section 9.(b) The Department of Environment and Natural Resources shall study issues related to the scrap tire disposal tax and the white goods disposal tax. This study shall include an evaluation of whether the amount of the scrap tire disposal tax and the amount of the white goods disposal tax should be altered and whether the distribution of the proceeds of these taxes should be reapportioned. The Department shall report its findings and recommendations, including any legislative proposals, to the Environmental Review Commission no later than October 1, 2000.

PART X. EFFECTIVE DATES
