A BILL TO BE ENTITLED

AN ACT TO MODIFY THE DEFINITION OF "ECONOMIC DEVELOPMENT AND TOURIST DISTRICT."

The General Assembly of North Carolina enacts:

Section 1. G.S. 18B-1006(l) reads as rewritten:

"(l) Economic Development and Tourist District. -- Notwithstanding the provisions of Article 6 of this Chapter, the Commission may issue permits for the sale of mixed beverages to qualified businesses in an economic development and tourist district. An "economic development and tourist district" is a district that is a political subdivision of the State, is within the corporate limits of a city, was established by an act of the General Assembly ~~enacted before July 1, 1997~~ which specifically designates it in the act as an "economic development and tourist district", and was established for the purpose of promoting economic development and tourism in the district. The mixed beverages purchase-transportation permit authorized by G.S. 18B-404(b) shall be issued by a local board operating a store located in the city in which the district is located. The governing body of a district that is eligible for mixed beverages permits under this subsection must file with the Commission a certified copy of a map setting out the boundaries of the district."

Section 2. This act is effective when it becomes law.

EXPLANATION OF SENATE BILL 17:
AN ACT TO MODIFY THE DEFINITION OF "ECONOMIC DEVELOPMENT AND TOURIST DISTRICT"

TO: Senate Finance Committee
FROM: Martha Walston, Committee Counsel
DATE: February 10, 1999
SPONSOR: Senator Weinstein

Senate Bill 17amends the definition of an "economic development and tourist district" set out in a section of the alcoholic beverages chapter governing the retail activity of alcoholic beverages. The act is effective when it becomes law.

On June 4, 1997, the General Assembly enacted a public bill that had the effect of applying to only one city of the State. The act did two things:

- It created the Lumberton Economic Development and Tourist District setting out a metes and bounds description of the District. The Lumberton City Council was to serve as the governing body of the District and was to promote economic development and tourism in the District and do all acts reasonably necessary to fulfill this purpose, and
- It allowed the ABC Commission to issue permits for the sale of mixed beverages to qualified businesses in an economic development and tourist district without holding elections for the sale of these beverages. The act defined an "economic development and tourist district" as "a district that is a political subdivision of the State, is within the corporate limits of a city, was established by an act of the General Assembly **enacted before July 1, 1997** which specifically designates it in the act as an economic development and tourist district, and was established for the purpose of promoting economic development and tourism in the district."

Senate Bill 17 removes the bold language from the definition. The effect of the 1997 act creating this definition was that the act applied only to Lumberton, because Lumberton was the only economic development and tourist district created by the General Assembly before July 1, 1997. By deleting the time provision in Senate Bill 17, a development and tourist district could be created anywhere in the State by an act of the General Assembly.

The impetus for Senate Bill 17 is a November 18, 1998, lawsuit filed in Wake County Superior Court by a group of Robeson County citizens against the ABC Commission and the Lumberton ABC Board. The plaintiffs have alleged that the 1997 legislation violates our State Constitution because it enacts local legislation regulating trade, i.e. the sale of mixed beverages in Lumberton. They cite Section 24(j) of Article II of the State Constitution prohibiting the General Assembly from enacting a local act regulating labor, trade, mining, or manufacturing. Deleting the time provision in the statute means any economic development and tourism district could be created anywhere in North Carolina and would be entitled to a mixed beverage permit.

SUBJECT: Availability of Clean Water Bond Funds

Dear Mr. Hankins:

It has come to my attention that various stakeholder groups interested in accessing the proceeds of the Clean Water and Natural Gas Critical Needs Bond Act of 1998 are concerned that all grant funds will be committed during the initial application review period which closes March 31. Let me assure you that this will not be the case.

The original legislation creating the DENR programs in 1987 set up semiannual review periods which have long been established as March 31st and September 30th. In an effort to more quickly address the critical water and sewer needs facing our state, the decision was made to make these funds available at the first review cycle following passage of the referendum. The requirement that final plans and specifications be submitted soon after the application deadlines is an attempt to ensure compliance with the federal arbitrage laws regarding the tax exempt status of the bonds.

We remain committed to funding only quality projects in accordance with the guidance and directives outlined in the legislation, and realize that many high priority projects may not be able to meet the deadlines associated with the March 31st deadline. Therefore, please be assured that all available grant funds will not be committed during the first application period in order that all interested applicants may have an opportunity to apply.

I have asked Assistant Secretary Bill Holman to speak to the Senate Committee on Finance on February 10, 1999, to update legislatures on our progress in reviewing and approving Clean Water Bond projects. Thank you for your assistance in the development and passage of this important legislation. We look forward to working with you and your membership to wisely commit the resources that have been made available to us. Your assistance in allaying the concerns of your membership regarding the availability of these funds will be greatly appreciated.

Sincerely,

Wayne McDevitt

SUBCHAPTER 1L - STATE CLEAN WATER BOND LOAN PROGRAM

SECTION .0100 - GENERAL PROVISIONS

..0101 PURPOSE

Loans for wastewater treatment systems, wastewater collection systems, water supply systems and water conservation projects from the North Carolina Clean Water Bonds Loan Fund established by the 1993~~8~~ S.L. c. ~~542~~ 132, s. 10 shall be made in accordance with this Subchapter.

History Note: *Filed as a Temporary Rule Eff. March 8, 1994, for a period of 180 days or until the permanent rule becomes effective, whichever is sooner;*
Statutory Authority 1993 S.L., c. 542, s. 10;
Eff. July 1, 1994;
Statutory Authority 1998 S.L., c. 132, s. 10;
Temporary Amendment Eff. March 31, 1999.

.0102 DEFINITIONS

In addition to the definitions in S.L. c. 542, s. 3, the following definitions will apply to this Subchapter:

(1) "Act" means the North Carolina Education, Clean Water, and Parks Bond Act of 1993.

(2) "Award" means the offer by the receiving agency to enter into a loan commitment for a specified amount.

(3) "Award of contract" means the award by the loan recipient to a contractor of a contract to construct the project as bid.

(4) "Bid" means the amount of money for which a contractor offers to construct the project.

(5) "Contingency costs" means unforeseen costs or situations not included in the estimate of project costs.

(6) "Commitment" means a binding agreement to pay loan funds in installments to an eligible applicant at some future time.

(7) "Date of completion" means the date on which the project has been completed, as determined by the receiving agency.

(8) "Division of Environmental Health" means the Division of Environmental Health of the North Carolina Department of Environment, Health, and Natural Resources.

(9) "Division of Environmental Management" means the Division of ~~Environmental Management~~ Water Quality of the North Carolina Department of Environment, ~~Health,~~ and Natural Resources.

(10) "Effective date of receipt" means September 30 for applications postmarked or hand delivered to the principal offices of the receiving agency in Raleigh, North Carolina between April 1 and September 30, and means March 31 for applications postmarked or hand delivered to the principal offices of the receiving agency in Raleigh, North Carolina between October 1 and March 31.

(11) "Fiscal year" means the state fiscal year, beginning on July 1 of a calendar year and ending on June 30 of the following calendar year. In referring to a specific fiscal year the year named is the calendar year in which the fiscal year ends. For example, Fiscal Year 1994 refers to the fiscal year beginning July 1, 1993 and ending June 30, 1994.

(12) "Inspection" means inspection or inspections of a project to determine percentage completion of the project and compliance with applicable federal, state and local laws or rules.

(13) "Orders" means any restrictive measure, related to the operation of its wastewater treatment facilities, issued to an applicant for a loan from the wastewater accounts under this Subchapter. Such measures may be included in, but are not restricted to, Special Orders, Special Orders by Consent, Judicial Orders, or issued or proposed permits, permit modifications or certificates.

(14) "Project" means the works described in the application for a loan under this Subchapter.

(15) "Priority period" means priority review period of January 1 to June 30 and July 1 to December 31 of each year.

(16) "Real property" means land and structures affixed to the land having the nature of real property or interests in land including easements or other rights-of-way purchased or acquired for facilities and works to be constructed as a part of the project for which a loan is made under this Subchapter.

(17) "Receiving agency" means the Division of Environmental Health with respect to receipt of applications for loans for water supply systems, and the Environmental Management Commission and the Division of Environmental Management with respect to receipt of applications for loans for wastewater systems.

(18) "Regional water supply system" ~~means~~ means: ~~a public water supply system of a municipality, county, sanitary district, or other political subdivision of the state or combination thereof which provides, is intended to provide, or is capable of providing an adequate and safe supply of water to a substantial portion of the population within a county, or to a substantial water service area in a region composed of all or parts of two or more counties, or to a metropolitan area in two or more counties.~~

(a) A public water system that serves two local units of government, or

(b) A public water system that demonstrates each of the following:

(i) A specific plan to provide drinking water throughout the territory of a local unit of government, except that a municipality shall also demonstrate a specific plan to provide drinking water outside its extraterritorial jurisdiction;

(ii) Shares water supply facility resources with another public water system or eliminates an acute/imminent, immediate, chronic, or potential health hazard as described in Rule .0701 (a) through (d) of this Subchapter in an area containing at least 15 residential units which is not served by a public water system; and

(iii) An interlocal agreement or joint resolution to be a part of an interconnected regional water system within 10 years.

(19) ~~"Regional wastewater management authority" means a unit of government which has jurisdiction for providing the wastewater treatment works for three or more units of government, or which has responsibility within a facility planning area to carry out the operation and maintenance of all publicly-owned wastewater treatment works.~~ "Regional wastewater system" means a public wastewater collection or treatment system of a municipality, county, sanitary district, or other political subdivision of the State or combination thereof that serves two or more units of government.

(20) "Water Reclamation" means the production of a high level treated effluent as a reusable, non-potable water source.

(21) "Water Reuse" means the actual use or application of treated wastewater in or on areas which require water but do not require potable water quality.

History Note: *Filed as a Temporary Rule Eff. March 8, 1994, for a period of 180 days or until the permanent rule becomes effective, whichever is sooner;*

SECTION .0200 - ELIGIBILITY REQUIREMENTS

.0201 ELIGIBLE PROJECT COSTS

(a) Project costs eligible for a loan under this Subchapter are limited to:

(1) the actual costs of the works described in the project application;

(2) contingency costs, not to exceed ten percent of the estimated eligible construction costs for which a loan award is made under this Subchapter. Upon receipt of bids, the contingency costs shall be reduced to not more than five percent of the actual eligible construction costs as bid.

(b) Eligible costs do not include recurring annual expenditures for administration, repairs, or operation and maintenance of any wastewater treatment works, wastewater collection system, water supply system or water conservation projects. Items not covered or allowed in the definition of "cost" are also excluded.

History Note: *Filed as a Temporary Rule Eff. March 8, 1994, for a period of 180 days or until the permanent rule becomes effective, whichever is sooner;*
Statutory Authority 1993 S.L., c. 542, s.10;
Eff. July 1, 1994.

.0202 DETERMINATION OF ELIGIBILITY

(a) Each application for a loan under this Subchapter will be reviewed by the receiving agency to determine whether it meets the eligibility requirements of the Act and this Subchapter.

(b) Each applicant will be notified by the receiving agency of its eligibility for consideration for a loan award.

(c) Applications from ineligible applicants will be returned to the applicant.

History Note: *Filed as a Temporary Rule Eff. March 8, 1994, for a period of 180 days or until the permanent rule becomes effective, whichever is sooner;*
Statutory Authority 1993 S.L., c. 542, s. 10;
Eff. July 1, 1994.

.0203 LIMITATION OF LOANS

~~The maximum principal amount of loan commitment made to any one local government unit shall be five million dollars ($5,000,000) for wastewater treatment systems and wastewater collection systems and three million dollars ($3,000,000) for water supply systems or water conservation projects.~~

History Note: *Filed as a Temporary Rule Eff. March 8, 1994, for a period of 180 days or until the permanent rule becomes effective, whichever is sooner;*
Statutory Authority 1993 S.L., c. 542, s. 10;
Eff. July 1, 1994;
Statutory Authority 1998 S.L., c. 132, s. 10;
Temporary Repeal Eff. March 31, 1999.

SECTION .0300 - APPLICATIONS

.0301 APPLICATION FILING DEADLINES

The filing deadline for the review period of July 1 through December 31 is September 30 of that year. The filing deadline for the review period of January 1 through June 30 is March 31 of that year.

History Note: Filed as a Temporary Rule Eff. March 8, 1994, for a period of 180 days or until the permanent rule becomes effective, whichever is sooner;
Statutory Authority 1993 S.L., c. 542, s. 10;
Eff. July 1, 1994.

.0302 GENERAL PROVISIONS

(a) Applications for loans under this Subchapter shall be submitted on the appropriate forms and accompanied by all documentation, assurances and other information called for in the instructions for completing and filing applications. Information concerning any loan or grant funds from any other source that the applicant has applied for or received for the project shall be disclosed on the application.

(b) An applicant shall furnish information as required by the 1993~~8~~ Session Laws, Chapter ~~542~~ 132 or by this Subchapter in addition to or supplemental to the information contained in its application and supporting documentation upon request by the receiving agency.

(c) Any application that does not contain information as required by the 1993~~8~~ Session Laws, Chapter ~~542~~ 132 or by this Subchapter sufficient to permit the receiving agency to review and approve the project by the date the receiving agency sets the priority rating for a priority review period shall not be included in the priority rating for that priority review period.

(d) An application shall be filed with the receiving agency before the award of contract on a project. The award of contract on a project prior to consideration of the application for a loan award will not exclude the application from consideration.

(e) An application may be withdrawn from consideration upon request of the applicant but if resubmitted shall be considered as a new application.

History Note: Filed as a Temporary Rule Eff. March 8, 1994, for a period of 180 days or until the permanent rule becomes effective, whichever is sooner;
Statutory Authority 1993 S.L., c. 542, s. 10;
Eff. July 1, 1994.

.0303 FILING OF REQUIRED SUPPLEMENTAL INFORMATION

(a) An environmental assessment for the proposed project must accompany the required wastewater facility plan. It must accompany the water supply facility plan when required by G.S. 113(a).

(b) All applicants must submit an Affidavit of Publication of the notice of public hearing for the proposed project and a summary of the comments received at the hearing.

(c) Any application for wastewater facilities not accompanied by final plans and specifications by the date the receiving agency sets the priority rating for a priority review period shall not be included in the priority rating for that priority review period.

(d) Any application for water supply ~~facilities~~ projects must be accompanied by a preliminary engineering report.

(e) Any applicant for water supply projects not demonstrating approval of plans and specifications within four months from the end of the priority rating period shall be transferred to the next priority rating period for consideration unless this review is the second review, in which case a new application shall be required for further consideration.

~~(e)~~(f) Any application that is not accompanied by an adopted resolution stating that the unit of government has complied or will comply with all applicable federal, state and local laws or rules shall not be included in the priority rating for that priority review period. Such resolution shall be certified or attested to as a true and correct copy as adopted.

~~(f)~~(g) If a public hearing is held on an application by the Department of ~~Environment, Health,~~ Environment

concluded by the date the receiving agency sets the priority rating for the priority review period.

~~(g)~~(h) A certification shall be submitted from the local unit stating whether a petition for vote was filed within 15 days of the applicant's public hearing.

~~(h)~~(i) A certification shall be submitted by the local government unit stating that it will be in compliance with verifiable Minority Business Enterprise goals as stated in G.S. 143-128~~(c)~~.

History Note: *Filed as a Temporary Rule Eff. March 8, 1994, for a period of 180 days or until the permanent rule becomes effective, whichever is sooner;*
Statutory Authority 1993 S.L., c. 542, s. 10;
Eff. July 1, 1994;
Statutory Authority 1998 S.L., c. 132, s. 10;
Temporary Amendment Eff. March 31, 1999.

SECTION .0400 - CRITERIA FOR EVALUATION OF ELIGIBLE APPLICATIONS

.0401 GENERAL CRITERIA

(a) During the review periods set forth in Rule .0301 of this Subchapter all eligible applications shall be assigned a priority. Priorities shall be assigned by the Environmental Management Commission for applications for projects for wastewater treatment works and wastewater collection systems and by the Division of Environmental Health for applications for projects for water supply systems and water conservation projects.

(b) The categorical elements and items to be considered in assigning priorities to each application for which loan funds are sought, and the points to be awarded to each categorical element and item are set forth in Sections .0500, .0600, .0700 and .0800 of this Subchapter. Unless otherwise specifically indicated, if an item for an element of a particular category applies specifically to the application under consideration, the application will be awarded the number of points assigned to that item for the categorical element; and if no item applies, no points will be awarded the application for that particular element.

History Note: *Filed as a Temporary Rule Eff. March 8, 1994, for a period of 180 days or until the permanent rule becomes effective, whichever is sooner;*
Statutory Authority 1993 S.L., c. 542, s. 10;
Eff. July 1, 1994.

SECTION .0500 - PRIORITY CRITERIA FOR WASTEWATER TREATMENT WORKS PROJECTS

.0501 APPLICABLE CONDITIONS

Maximum Value - ~~55~~ 65 points:

The value of this Rule will be the sum of the points assigned under Items (1), (2), (3) and (4) of this Rule.

(1) Proposed project will comply with established water quality standards and priority points will be assigned on the basis of the classification assigned to the receiving waters as follows:

(a) Class "SA" (Shellfish Waters), Class "WS-I" or "WS-II" (Water Supply Source), Class "ORW" (Outstanding Resource Waters), or "HQW" (High Quality Waters). ~~30~~ 20 points

(b) Class "WS-III", "WS-IV", or "WS-V" (Water Supply Source) ~~28~~ 15 points

(c) Class "B" or "SB" (Bathing Waters) ~~26~~ 10 points

(d) Class "C" or "SC" (Fishing) ~~24~~ 5 points

(2) ~~Construction of proposed project has been initiated or must be initiated within 12 months to comply with an order issued or with a compliance schedule approved by the Environmental Management Commission, or by Judicial Order.~~ Proposed projects will provide for a regional wastewater collection or treatment ~~facility~~ system. ~~10~~ 15 points

~~(3) Proposed projects will provide for a regional wastewater treatment facility. 10 points~~

~~(4)~~(3) Proposed project will provide wastewater treatment processes for the removal of nutrients ~~or other materials not normally removed by conventional treatment processes~~. 5 points

(4) Proposed project will result in a reduction of the overall volume of effluent discharged to the state's waters by using alternative methods of wastewater treatment and disposal. 25 points

History Note: Filed as a Temporary Rule Eff. March 8, 1994, for a period of 180 days or until the permanent rule becomes effective, whichever is sooner;
Statutory Authority 1993 S.L., c. 542, s. 10;
Eff. July 1, 1994;
Statutory Authority 1998 S.L., c. 132, s. 10;
Temporary Amendment Eff. March 31, 1999.

.0502 FINANCIAL NEED OF APPLICANT

Maximum Value--15 Points:

(1) The financial need of the applicant will be determined by the following formula:

$$\text{Points} = \frac{50 \text{ (Total Bonded Indebtedness plus Total Estimated Project Cost)}}{\text{Total Appraised Property Valuation}}$$

"Total bonded indebtedness" includes all outstanding bonds as of the first day of the quarter in which the project application is eligible for consideration for the assignment of a priority, but shall not include bonds already authorized or sold to finance the proposed project.
"Total appraised property valuation" refers only to real property valuation based on the most recent appraisal for tax purposes as officially recorded in the county or counties in which the service area of the proposed project is to be located.
"50" is used in the formula to provide point values for this categorical element.

5 points

(2) The applicant is located within a county which has been designated as "distressed" by the Secretary of Commerce in accordance with G.S. 105-130.40(c), G.S. 105-151.17(c) and G.S. 143B-437A.

10 points

History Note: Filed as a Temporary Rule Eff. March 8, 1994, for a period of 180 days or until the permanent rule becomes effective, whichever is sooner;

SECTION .0700 - PRIORITY CRITERIA FOR WATER SUPPLY SYSTEMS PROJECTS

.0701 PUBLIC NECESSITY: HEALTH: SAFETY AND WELFARE

Maximum Value--~~80~~ 100 points:

(1) System and Service Area Needs: (Maximum Points--20)

(a) The project is intended to increase the source of water to meet existing service area needs or to alleviate water shortage problems. 12 points

(b) The project is intended to improve an existing system with no increase in the area to be served. 12 points

(c) The project is intended to increase the existing area to be served without improvement of the existing system. 12 points

(d) The project is intended to increase the existing area to be served and includes ~~needed~~ improvements to the existing system. 16 points

(e) The project is intended to ~~significantly~~ increase the existing area to be served and includes ~~needed~~ improvements to the existing system and either is a component of or will create a regional water supply system.~~ or is so designed as to permit interconnection at an appropriate time with an expanding metropolitan, area-wide or regional system.~~ 20 points

(f) The project is intended to provide for construction of a basic system for an area which is not presently served by an approved public water supply system and service by an existing system is not feasible. 20 points

~~(2) Public Health Need (A maximum of 40 points shall be awarded if more than one item applies.). The project is intended to eliminate the following health risks:~~

~~(a) Contaminant levels in drinking water which constitute acute health risks as defined in 40 CFR 141.32(a)(1)(iii) which is incorporated by reference at 15A NCAC 18C .1523. 40 points~~

~~(b) Unreasonable risks to health from contaminant levels in drinking water as determined by the U.S. Environmental Protection Agency or the Environmental Epidemiology Section of the Department of Environment, Health, and Natural Resources pursuant to the Guidance in Developing Health Criteria for Determining Unreasonable Risk to Health as published by the Office of Drinking Water, U.S. Environmental Protection Agency, Washington, D.C. 20460 and hereby incorporated by reference including any subsequent amendments and editions. This material is available for inspection at the Department of Environment, Health, and Natural Resources, Division of Environmental Health, 1330 St. Mary's Street, Raleigh, North Carolina. Copies may be obtained from the Department of Environment, Health, and Natural Resources, Division of Environmental Health, Public Water Supply Section, P.O. Box 19536, Raleigh, North Carolina 27626-0536 at no charge unless subsequent editions exceed 100 pages. 35 points~~

~~(c) Contaminant levels in drinking water other than those which constitute acute health risks described in Sub-item (2)(a) of this Rule. 30 points~~

~~(d) Inadequate treatment to remove or abate contaminant levels in drinking water. 30 points~~

~~(e) Insufficient water for drinking or for sewage disposal purposes or inadequate water pressure to prevent contaminant levels in drinking water. 20 points~~

~~Notwithstanding other provisions relating to the assignment of priority point values for various categorical elements and items, the Division of Environmental Health may award a higher priority value to an eligible application if the proposed project is required to eliminate a demonstrated or critical hazard to the public health.~~

(2) Public health and compliance points may be awarded to a project based on the following criteria. A proposed project shall be necessary to facilitate compliance with the N.C. Drinking Water Act or the federal Safe Drinking Water Act and to alleviate the type of public health concern for which points are awarded. A project shall receive only points in the highest sub-category for which it may qualify:

(a) Acute/Imminent Health Hazards. A maximum of 60 points shall be awarded to projects that propose to eliminate any one or more of the following acute, ongoing health hazards to the consumer:

(i) Projects that address documented nitrate, nitrite or fecal coliform MCL violations, or contaminant levels in drinking water which constitute acute health risks as defined in 40 C.F.R 141.32(a)(1)(iii) which is incorporated by reference at 15A NCAC 18C .1523; or

(ii) Projects that eliminate any contaminant in the public water system that poses an acute risk or imminent hazard to public health as determined by the State Health Director or a health risk assessment from the Division of Epidemiology, Department of Health and Human Services in accordance with G.S. 130A-2(3).

(b) Immediate Health Hazards. A maximum of 40 points shall be awarded to projects that propose to eliminate any one or more of the following immediate health hazards to the consumer:

(i) Projects that address surface water treatment technique violations occurring for two or more consecutive months;

(ii) Projects that resolve any microbiological MCL problems for a water system with three or more microbiological MCL violations during the previous 12 months;

(iii) Projects that propose filtration for a surface water source or for a well that is determined to be under the direct influence of surface water by the Department that does not currently have filtration;

(iv) Projects that address the inability of a public water system to inactivate giardia and viruses in accordance with 15A NCAC 18C .2001; or

(v) Projects that address documented recurrent water outages or low pressure below the requirements of 15A NCAC 18C .0901. Only problems that affect human consumption of drinking water shall be considered for award of points under this criteria.

(c) Chronic Health Hazards. A maximum of 24 points shall be awarded to projects that propose to eliminate any one or more of the following chronic health hazards to the consumer:

(i) Projects that address exceedances of the lead and copper action levels under 15A NCAC 18C .1507;

(ii) Projects that address violations of inorganic or organic chemical or contaminant MCLs under 15A NCAC 18C .1510, .1517, and .1518;

(iii) Projects that address violations of radiological contamination MCLs under 15A NCAC 18C .1520 and .1521; or

(iv) Projects that address a chronic health hazard as determined by the State Health Director or a health risk assessment from the Division of Epidemiology, Department of Health and Human Services.

(d) Potential Health Hazards. A maximum of 16 points shall be awarded to projects that propose to eliminate any one or more of following potential health hazards to the consumer:

(i) Projects that address low chlorine residuals in the distribution system;

(ii) Projects that address periodic violations of an MCL;

(iii) Projects for line installation or extensions to areas with poor water quality or limited quantity;

(iv) Projects to develop new sources of water, to augment existing sources, or to expand treatment capacity to meet current demand when the average daily demand for the previous 12 months equals or exceeds the available water supply as calculated in local water supply plans prepared in accordance with G.S. 143-355(l) or the maximum day demand for the previous 12 months equals or exceeds the approved water treatment plant design capacity; or

(v) Projects to provide disinfection for a system that currently does not have disinfection.

(e) System Improvements. A maximum of 8 points shall be awarded for projects that shall provide any one or more of the following general system improvements when needed for public health purposes:

(i) Projects that replace water supply production or treatment equipment that is undersized, malfunctioning or has exceeded its useful life;

(ii) Projects that replace undersized or leaking water lines;

(iii) Projects that address other water quality concerns such as iron, manganese, taste, and odor;

(iv) Projects to bring existing facilities to current design standards which affect water quality such as treatment, chemical storage and application, pumping facilities, finished storage, distribution systems;

(v) Projects that eliminate dead ends and provide looping in a distribution system;

(vi) Projects that increase water storage capacity;

(vii) Projects to develop new sources of water, to augment existing sources, or to expand treatment capacity to meet current demand when the average daily demand for the previous 12 months exceeds 80 percent of the available water supply as calculated in local water supply plans prepared in accordance with G.S. 143-355(l) or the maximum day demand for the previous 12 months exceeds 80 percent of the approved water treatment plant design capacity; or

(viii) Projects for installation or upgrade of water treatment plant waste disposal facilities.

(3) Capacity for Future Growth (Select One) - (Maximum Points –20):

(a) The project is intended to provide for the immediate needs. 6 points

(b) The project is intended to provide for the reasonable growth needs of the area during the next 5 to 20 year planning period. 10 points

(c) The project is a proposed regional system or a major component of a regional system which is intended to provide for the reasonable growth needs of the area to be served during the next 20 or more years. 20 points

History Note: Filed as a Temporary Rule Eff. March 8, 1994 for a period of 180 days or until the permanent rule becomes effective, whichever is sooner;
Statutory Authority S.L., c. 542, s. 10;
Eff. July 1, 1994;
Statutory Authority 1998 S.L., c. 132, s. 10;
Temporary Amendment Eff. March 31, 1999.

.0702 PROJECT PLANNING

Maximum Value--15 points: The value of this categorical element is the sum of the points awarded to Item (1) and the points assigned to Item (2) of this Rule:

(1) The project is compatible with the State Water Supply Plan and the applicable local water supply facility plan submitted under G.S. 143-355(l). 5 points

(2) The project demonstrates planning, through inter-local agreements leading to systems of regional water supply. 10 points

History Note: Filed as a Temporary Rule Eff. March 8, 1994, for a period of 180 days or until the permanent rule becomes effective, whichever is sooner;
Statutory Authority 1993 S.L., c. 542, s. 10;
Eff. July 1, 1994.

.0703 FINANCIAL CONSIDERATIONS

Maximum Value-- ~~35~~ 40 Points:

(1) Financing of the Project (Select One) - (Maximum Points--10):

(a) Applicant has applied for but not received a commitment for funding from a federal agency for a portion of the project costs. 5 points

(b) Applicant has funds available or has received a commitment for funding from a federal agency, or bonds have been authorized to cover project costs over and above the state grant or loan funds requested. 10 points

(c) The loan funds requested cover all the estimated project costs. 10 points

(2) Fiscal Responsibility of the Applicant (Maximum Points--~~10~~ 15). The value of this categorical element shall be the sum of the points awarded Items (a) to (c) of this Paragraph:

(a) The applicant has followed proper accounting and fiscal reporting procedures as reflected in the applicant's most recent report of audit, and the applicant is in substantial compliance with the provisions of the general fiscal control laws of the state. 2 points

(b) The applicant water system is fiscally self-sufficient. 2 points

(c) Estimated revenues will provide funds for proper future operation, maintenance and administration, reasonable expansion of the project and estimated annual principal and interest requirements for the project debt plus annual principal and interest requirements on the outstanding debt incurred for existing facilities.

6 11 points

In determining the points to be awarded this categorical element, the Division of Environmental Health may seek the comments of the Secretary of the Local Government Commission.

(3) Financial Need of the Applicant (Maximum Points--15). The financial need of the applicant will be determined by the following formula:

$$\text{Points} = \frac{150\ (\text{Total Bonded Indebtedness plus Total Estimated Project Cost})}{\text{Total Appraised Property Valuation}}$$

"Total bonded indebtedness" includes all outstanding bonds as of the first day of the quarter in which the project application is eligible for consideration for the assignment of a priority but shall not include bonds already authorized or sold to finance the proposed project.

"Total appraised property valuation" refers only to real property valuation based on the most recent appraisal for tax purposes as officially recorded in the county or counties in which the service area of the proposed project is to be located.

"150" is used in the formula to provide point values for this categorical element.

History Note: Filed as a Temporary Rule Eff. March 8, 1994, for a period of 180 days or until the permanent rule becomes effective, whichever is sooner;
Statutory Authority 1993 S.L., c. 542, s. 10;
Eff. July 1, 1994.

SECTION .0800 - CRITERIA FOR PLANNING AND WATER CONSERVATION

.0801 PLANNING AND WATER CONSERVATION

Maximum value - ~~70~~ 80 points:

(a) Applicant may receive a maximum of 15 bonus points for meeting the following criteria as applicable:

(1) Applicant demonstrates it has a continuing I/I program in its wastewater sewer maintenance program. (Wastewater Projects Only) 5 points

(2) Applicant demonstrates it has a continuing water loss program in its water supply system program. (Water Supply Projects Only) 5 points

(3) Applicant demonstrates it has a continuing program of water conservation education and information. 5 points

(4) Applicant demonstrates it has established a water conservation incentive rate structure; created incentives for new or replacement installation of low flow faucets, shower heads, and toilets; or has a water reclamation or reuse system. 5 points

(b) Applicant may also receive a maximum of 25 bonus points for meeting the following criteria:

(1) Applicant demonstrates that it has adopted a comprehensive land-use plan that meets the requirements of G.S. 155H. Article 18 or G.S. 160A. Article 19. or applicant is a local government unit that is not authorized to adopt a comprehensive land-use plan but that is located in whole or in part in another local government unit that has adopted a comprehensive land-use plan. and that the proposed project is consistent with the plan. 7 points

(2) Applicant demonstrates that the comprehensive land-use plan exceeds the minimum state standards for the protection of water resources. 8 points

(3) Applicant demonstrates that actions have been taken toward implementation of the comprehensive land-use plan. These actions may include the adoption of a zoning ordinance or any other measure that significantly contributes to the implementation of the comprehensive land-use plan. 10 points

(c) Applicant may receive a maximum of 20 bonus points for the following criteria:

(1) Applicant has developed a capital improvement plan as defined in Session Laws 1998. chapter 132. 15 points

(2) Proposed project is consistent with the water supply watershed protection requirements of G.S. 143-214.5. 5 points

(d) Applicant may receive a maximum of 20 bonus points for the following criteria:

(1) Applicant demonstrates voluntary water supply watershed protection activities in excess of the minimum requirements of G.S. 143-214.5, or 15 points

(2) Applicant demonstrates it has developed a voluntary wellhead protection program. or 15 points

(3) Applicant demonstrates it has both (1) and (2) above. 20 points

SECTION .0900 - PRIORITIES

.0901 ASSIGNMENT OF PRIORITIES

(a) All applications that have been reviewed and approved by the receiving agency by the date the receiving agency sets the priority rating for a priority review period will be assigned a priority rating according to the applicable criteria set forth in Sections .0500, .0600, .0700 and .0800 of this Subchapter.

(b) The receiving agency may exercise its discretionary authority in the matter of establishing a priority rating for any project application in cases where two or more applications receive the same number of priority points.

History Note: *Filed as a Temporary Rule Eff. March 8, 1994, for a period of 180 days or until the permanent rule becomes effective, whichever is sooner;*
Statutory Authority 1993 S.L., c. 542, s. 10;
Eff. July 1, 1994.

.0902 ASSIGNMENT OF CATEGORY TO WASTEWATER APPLICATIONS

(a) Applications for loans for wastewater projects will be assigned a category as follows, during review of the applications:

(1) All applications for projects that are under orders ~~or projects whose receiving waters have been designated Nutrient Sensitive Waters by the Environmental Management Commission or whose receiving waters have been identified as water quality impaired or limited in the most current basinwide water quality management report~~, under moratorium at or above 80% of permitted capacity during the previous calendar year, experiencing excessive infiltration/inflow, or that would qualify for an Emergency Loan under Section .0204 of these rules, and that have submitted final project plans and specifications for review and approval by the receiving agency, shall be placed in Category 1.

(2) ~~All other applications shall be placed in Category 2~~ All applications for projects that are under orders, under moratorium at or above 80% permitted capacity during the previous calendar year, experiencing excessive infiltration/inflow, or that would qualify for an Emergency Loan under Section .0204 of these rules that have not submitted final project plans and specifications for review and approval by the receiving agency shall be placed in Category 2.

(3) All applications for projects for expanding infrastructure primarily to support additional development and that have submitted final project plans and specifications for review and approval by the receiving agency, shall be placed in Category 3.

(4) All applications for projects for expanding infrastructure primarily to support additional development that have not submitted final project plans and specifications for review and approval by the receiving agency shall be placed in Category 4.

(b) All applications in Category 1 for a specific wastewater account will be funded before applications in Category 2 in the same account. All applications in Category 2 for a specific wastewater account will be funded before applications in Category 3 in the same account. All applications in Category 3 will be funded before applications in Category 4 in the same account.

History Note: *Temporary Rule Eff. March 8, 1994, for a period of 180 days or until the permanent rule becomes effective, whichever is sooner;*
Statutory Authority 1993 S.L., c. 542, s. 10;
Eff. July 1, 1994;
Statutory Authority 1998 S.L., c. 132, s. 10;
Temporary Amendment Eff. March 31, 1999.

SECTION .1000 - LOAN AWARD, COMMITMENT, AND DISBURSEMENT

.1001 DETERMINATION OF AWARD

(a) The funds available in each account in a given priority review period will be awarded in the descending order of priority rating and Category as determined under Sections .0500, .0600, . 0700, and .0800 and .0900 of this Subchapter.

(b) If an application is not awarded a loan in a priority review period because of its priority rating, the receiving agency will inform the applicant and will consider the application as a new application during the next priority review period. If the application again is not awarded a loan or grant because of its priority rating, the receiving agency will inform the applicant and return the application.

History Note: *Filed as a Temporary Rule Eff. March 8, 1994, for a period of 180 days or until the permanent rule becomes effective, whichever is sooner;*
Statutory Authority 1993 S.L., c. 542, s. 10;
Eff. July 1, 1994.

.1002 CERTIFICATION OF ELIGIBILITY

(a) The receiving agency shall create a certificate of eligibility for each application for which a loan commitment has been made.

(b) The certificate of eligibility shall indicate that the applicant meets all eligibility criteria and that all other requirement of the Act have been met.

(c) The certificate of eligibility shall also indicate the amount and the fiscal year of the loan commitment.

History Note: *Filed as a Temporary Rule Eff. March 8, 1994, for a period of 180 days or until the permanent rule becomes effective, whichever is sooner;*
Statutory Authority 1993 S.L., c. 542, s. 10;
Eff. July 1, 1994.

.1003 CRITERIA FOR LOAN ADJUSTMENTS

Upon receipt of bids, a loan commitment for water supply projects may be adjusted as follows:

(1) The loan commitment may be decreased, provided the project cost as bid is less than the estimated project cost, and the receiving agency approves the loan commitment decrease.

(2) Loan commitments may be increased, by a maximum of ten percent ~~or three hundred thousand dollars ($300,000.00)~~ provided: the project cost as bid is greater than the estimated project cost; the project as bid is in accordance with the project for which the loan commitment was made; the receiving agency has reviewed the bids and determined that substantial cost savings would not be available through project revisions without jeopardizing the integrity of the project; and adequate funds are available.

(3) Increases greater than 10 percent of the loan commitment shall be approved by the receiving agency and the Local Government Commission.

History Note: *Filed as a Temporary Rule Eff. March 8, 1994, for a period of 180 days or until the permanent rule becomes effective, whichever is sooner;*
Statutory Authority 1993 S.L., c. 542, s. 10;
Eff. July 1, 1994;
Statutory Authority 1998 S.L., c. 132. s. 10;
Temporary Amendment Eff. March 31, 1999.

.1004 DISBURSEMENT OF LOANS

(a) Disbursement of loan monies shall be made at intervals as work progresses and expenses are incurred. No disbursement shall be made until the receiving agency receives documentation of incurred costs. At no time shall disbursement exceed the allowable costs which have been incurred at that time.

(b) Project inspection will confirm work progress, and a final inspection is required prior to the final disbursement of loan monies.

(c) No disbursement shall be made until the receiving agency receives documentation of compliance with the verifiable percentage goal for participation by minority businesses in accordance with G.S. 143-128(c).

(d) The receiving agency will notify the ~~Fiscal Management~~ Office of the Controller of the Department of ~~Environment, Health,~~ Environment and Natural Resources to make loan disbursements. A check in the amount of the disbursement authorized by the receiving agency will be written to the recipient by the ~~Fiscal Management~~ Office of the Controller. ~~The check will be forwarded to the recipient by the receiving agency.~~

History Note: *Filed as a Temporary Rule Eff. March 8, 1994, for a period of 180 days or until the permanent rule becomes effective, whichever is sooner;*
Statutory Authority 1993 S.L., c. 542, s.10;
Eff. July 1, 1994;
Statutory Authority 1998 S.L., c. 132, s. 10;
Temporary Amendment Eff. March 31, 1999.

SECTION .1100 - LOAN REPAYMENTS

.1101 INTEREST RATES

The interest rate to be charged on loans under this Subchapter will be set by the Department of State Treasurer.

History Note: *Filed as a Temporary Rule Eff. March 8, 1994, for a period of 180 days or until the permanent rule becomes effective, whichever is sooner;*
Statutory Authority 1993 S.L., c. 542, s. 10;
Eff. July 1, 1994.

.1102 REPAYMENT OF PRINCIPAL AND INTEREST ON LOANS

History Note: *Filed as a Temporary Rule Eff. March 8, 1994, for a period of 180 days or until the permanent rule becomes effective, whichever is sooner;*
Statutory Authority 1993 S.L., c. 542, s. 10;
Temporary Rule Expired.

SECTION .1200 - INSPECTION AND AUDIT

.1201 INSPECTION

Inspection of a project to which a loan has been committed under this Subchapter may be made to determine the percentage of completion of the project for disbursements, conformance with approved plans and specifications, and for compliance with all applicable laws and rules.

History Note: *Filed as a Temporary Rule Eff. March 8, 1994, for a period of 180 days or until the permanent rule becomes effective, whichever is sooner;*
Statutory Authority 1993 S.L., c. 542, s. 10;
Eff. July 1, 1994.

.1202 AUDIT OF PROJECTS

(a) Loan recipients are required to maintain project accounts in accordance with generally accepted government accounting standards.

(b) All projects to which a loan has been committed under this Chapter will be audited in accordance with G.S. 159-34.

History Note: *Filed as a Temporary Rule Eff. March 8, 1994, for a period of 180 days or until the permanent rule becomes effective, whichever is sooner;*
Statutory Authority 1993 S.L., c. 542, s. 10;
Eff. July 1, 1994.

Supplemental Grants

Eligibility

- Economically distressed local governments in a rural county, or
- [illegible]

Amount of Funding Available

$8 million per year
for the next 6 years

Types of Projects

- Water or wastewater projects for construction of new facilities or improvements to existing facilities
- Critical environmental or economic development need

Grant Maximums

- Generally no more than $150,000 although can exceed this in instances of documented public health threat or critical jobs need
- No more than 90% of total project cost

When?

June 1 - July 31, 1999

Thereafter . . . March 31 and Sept 30

Unsewered Community Grants

Eligibility

- Unsewered Communities (have no water/wastewater facilities)
- Population less than 5,000
- Median household income less than or equal to 90% of national median household income (available from Bureau of Census)

Amount of Funding Available

$55 million

Grant Conditions

- $3 million or not more than 90% of total project cost
- Average projected monthly water and sewer bills at least equal to 1.5% of median household income

Clean Water Bonds for Economic Development

NC Department of Commerce
Commerce Finance Center

Clean Water for NC

The NC "*Clean Water and Natural Gas Critical Needs Bond Act of 1998*" was ratified on 9/3/98

- Provided for a public vote on the funds; NC voters approved the bonding proposal on 11/2/98
- This presentation focuses on Section 5.1(e) of the Act -- Economic Development (ED)

Bonds for ED -- Overview

- Program Administration
- Use of Funds
- Clean Water Objectives
- Application Process

Program Administration

- NC DOC is authorized to administer the $20 million earmarked for ED projects
- Commerce Finance Center is a primary contact for ED assistance
- Funds to be applied as the Industrial Development Fund (IDF) and the IDF Utility Account
  - Some limitations of the IDF program do not apply if clean water objectives are met by the project

Use of Funds

- Bond $ to be used for grants -- not loans -- to municipal and county governments
- Only economically distressed county locations -- Tiers 1, 2 or 3 -- or counties with a population less than 50,000 are eligible
- Grants to be made with respect to industries of manufacturing, warehousing, and wholesale trade

Use of Funds (continued)

- Projects may address new or existing water or sewer lines or equipment
  - Including construction of or improvements to wastewater works
- Improvements that expand capacity of existing wastewater treatment or water supply systems
- Projects must favorably impact NC's clean water objectives

Clean Water Objectives

- Projects that reduce industrial reliance on wells, septic tanks and other similar facilities
- Projects that extend distribution lines to an industrial facility in an area not served by water and sewer
- Provision of water and wastewater capacity to an industry that results in added service for residents, other businesses, and local governments

Application Process

- A continuous application cycle, with grant award subject to available funds
- Pre-application conference with CFC required for projects of $50,000 (+)
- Application includes commitment from an eligible company for job creation of up to two year period
- Application includes description, costs (engineer's estimates) and project resources

Application Process...

- Compliance with State Environmental Policy Act (SEPA) is required
  - Environmental assessment process is similar to that for other public facility projects
  - ED Bond project SEPA requirements will be addressed in the State's DEHNR permitting process

Application Process...

- Available information from CFC includes
  - Temporary rules under NCAC Subchapter 1I, Industrial Development Fund
  - CFC Application for Industrial Development Funds Under the Clean Water and Natural Gas Critical Needs Bond Act of 1998
- Department's Internet home page provides copies of the IDF-ED application form

Funds availability

- Once awarded, funds to be drawn as needed
  - Approved grant funds can be requisitioned weekly, based on actual project expenses
  - Present funding limits will apply -- $500,000 maximum project and $5,000 per job
  - Applicants need to identify adequate resources to complete the project

- Same as above w/o final plans and specs
- Expanding Infrastructure for additional development *AND final plans and specs*
- Same as above w/o final plans and specs

MARKET-RATE LOAN FUNDS

• < 75 bond rating	$ 10 million
• ≥ 75 bond rating	$140 million

Note: Same amount available for water and wastewater

HIGH-UNIT COST GRANTS (DENR)

• < 75 bond rating	$ 85 million
• ≥ 75 bond rating	$ 80 million

- Note: Same amount available for water and wastewater

GRANT QUALIFICATION

- Average residential user charge for water and sewer > 1.5% of median household income
- > .75% if only one utility @ completion
- median household income based on Census data with annual HUD updates *by unit of government*

LIMITATIONS

- $3 million maximum grant per year
- No new lines in WS-I, nor critical areas of WS-II, III, or IV
- Failing LPP cannot be replaced with another LPP

Note: DENR Secretary may grant waiver

REQUIREMENTS

- Application deadlines: March 31 and September 30
- Preliminary Engineering Report
- Environmental Assessment
- Readiness to proceed

SPECIAL EMPHASES

- regional systems, reuse, conservation
- sound fiscal policies, creative planning

Re: Critical Needs Bond Work

I have delivered to your office the following materials for the Senate Finance Committee Meeting scheduled for Wednesday at 1:30 PM:

1) 30 copies of the Clean Water Report
2) A copy of the Funding Guide for your use (I talked to Cindy and Rolf –I've dropped off a master copy to Cindy so that she could duplicate copies for the meeting).
3) 50 copies of the REVISED spreadsheet. This is current as of 2/8/99 and contains revisions to the earlier copy you have. Please use the 20 extra copies as you may need them– 30 have been provided for you to distribute at the meeting.

A group of folks comprising a subgroup of the "Bond Committee" met with Rolf Blizzard on Friday morning. Rolf facilitated the meeting extremely well and gave us the opportunity to discuss the issue of the March 31st deadline and the median income computation. Attending the meeting were Stuart Dickinson (Commerce), Bill Holman, Bobby Blowe and Jerry Perkins (DENR), Paula Thomas and Andy Romenea (League), Ron Aycock and Ed Regan (Association) and Billy Ray and myself from the Rural Center. Coming out of that meeting DENR agreed to consider limiting the amount of grant funds that would go out in this first round (March 31st deadline). Holman also agreed to have a letter, under MCDevitt's signature and directed to Ron Aycock and Ellis Hankins, go out this week explaining that not all the grant funds would be allocated this first round and encouraging local governments that may have been discouraged from even applying to reconsider and come in with an application as they are able. I've not seen the letter – you need to make sure you get a copy and that it looks good to you.

The use of the HUD update factor by DENR (a factor they have always used) has become the subject of concern by many local governments because there is so much money at stake here. This update factor is applied to the 1990 median household income from the Census and "updates" the 1990 figure to a "current" level. The Bond Act provides that we use 1990 census data. It does not speak to the use of an update factor - but DENR's draft temporary rules do. The concern with the update factor is that the factor as produced by HUD is based on a sample of 2500 households nationally (not sure how many of those are in NC). From that sample, county level update factors are derived through extrapolation. It's the only update factor that DENR has used with it's programs- but it may not be the best. Before the Rural Center uses that update factor (if any) we're going to trend some county wage data forward and compare the percentage increase to the HUD update figure by county to see how they compare. You should know that many folks, including the League, are concerned about the update factor because it will distinguish between those who receive grant and

those that do not – and how much grant is infused into a specific project. We are planning to meet and discuss this further when the wage data I have requested becomes available. So, bottom line- we're working on solving this one, too.

At Wednesday's meeting, Holman will be speaking for all of us to give an overview. Representatives of each program will be present to answer specific questions from the Finance Committee members. It might be helpful for you to ascertain from all of us that we are working on the following:

1) the March 31st deadline and making sure that all local governments with critical needs have an equal opportunity to apply for these funds and that they are given the time they need to plan appropriately for these projects (remember the Treasurer really pushed for adequate planning);
2) the update factor to come up with the best information available to update incomes;
3) continuing to meet as the "Bond Oversight Committee" which has representation from the folks who worked to pass the bond and those that will be administering funds –we have put together such a group and Holman should mention it in his remarks;
4) outreach efforts to get the word out on how to access the Bond funds – Holman should mention this in his remarks – we've been aggressive in outreach;
5) appointments to the State Infrastructure Council are soon to be made – the process for making those appointments (getting names in the pot) should be discussed so that everyone knows how this process will work. There is a tremendous amount of interest from the local governments and the professional engineering community being expressed in these appointments.

I trust that you will hear from Bill Holman in his remarks that we believe it would be appropriate for us to come before you and report from time to time on our progress. This Bond Act represents a significant investment of state funds in public infrastructure it's important for us to do this "right".

Thanks so very much for your interest- I know you're busier than a cat covering up you-know-what- but your efforts in this area are greatly appreciated. Call with any questions.

SENATE BILL 33*

Short Title: Clayton Satellite Annexation. (Local)

Sponsors: Senator Wellons.

Referred to: Finance.

February 4, 1999

A BILL TO BE ENTITLED

AN ACT CONCERNING ANNEXATION OF CERTAIN PROPERTY BY THE TOWN OF CLAYTON.

The General Assembly of North Carolina enacts:

Section 1. G.S. 160A-58.1(b)(5) does not apply to the Town of Clayton for any noncontiguous annexation with the following area:

Lying and being situate in Wilder Township, Johnston County, containing 786.19 acres, more or less, and more particularly described as follows:

BEING all of that property as shown on the plats entitled "Survey for the Raleigh Rescue Mission, Inc., Wilder Township, Johnston County, North Carolina," dated August 1, 1990, prepared by Derward W. Baker and Associates P.A., Registered Land Surveyors, and recorded in Plat Book 35, Page 381, Johnston County Registry and "Property of Joseph M. Hester, Jr., et al." dated October 4, 1996, prepared by Joyner, Keeny & Associates, Registered Land Surveyors, and recorded in Plat Book 48, Page 359, Johnston County Registry, to which reference is hereby made for a more particular description.

Section 2. This act is effective when it becomes law.

EXPLANATION OF SENATE BILL 33:
An Act Concerning Annexation of Certain Property by the Town of Clayton

TO: Senate Finance Committee
FROM: Martha K. Walston, Staff Attorney
DATE: February 16, 1999
SPONSOR: Senator Wellons

Senate Bill 33 is a local bill that concerns voluntary satellite annexations by the Town of Clayton. The bill will give the Town of Clayton the ability to annex certain property that is not contiguous with its primary corporate limits even though the annexed property, when added to the area within all other satellite corporate limits, will exceed 10% of the area within the primary corporate limits. The bill is effective when it becomes law.

G.S. 160A-58.1 governs the voluntary annexation of noncontiguous property. Property owners may petition a city for voluntary annexation of noncontiguous property if the property meets several standards. Under G.S. 160A-58.1(b)(5), the area within the proposed satellite corporate limits, may not exceed 10% of the area within the primary corporate limits of the annexing city.

Seven towns have eliminated this standard altogether. They are Hickory, New Bern, Statesville, Kenly, Troy, Catawba, and Mooresville. In 1993 legislation was passed allowing Clayton and Apex to eliminate only certain property from this standard. In 1997, the Town of Beaufort eliminated certain property from the standard.

Senate Bill 33 does not release the proposed satellite annexation from meeting the other standards listed in G.S. 160A-58.1(b):

1. The nearest point on the proposed satellite corporate limits must be not more than three miles from the primary corporate limits of the annexing city.
2. No point on the proposed satellite corporate limits may be closer to the primary corporate limits of another city than to the primary corporate limits of the annexing city.
3. The area must be so situated that the annexing city will be able to provide the same services within the proposed satellite corporate limits that it provides within its primary corporate limits.
4. If the area proposed for annexation, or any portion thereof, is a subdivision as defined in G.S. 160A-376, all of the subdivision must be included.

February 4, 1999

A BILL TO BE ENTITLED

AN ACT TO INCREASE THE EXAMINATION FEES COLLECTED UNDER THE COSMETIC ART ACT.

The General Assembly of North Carolina enacts:

Section 1. G.S. 88B-20(a) reads as rewritten:

"(a) The Board may charge examination fees as follows:

(1) Cosmetologist ..... ~~$ 20.00~~ $ 50.00

(2) Apprentice ..... ~~$ 5.00~~ $ 50.00

(3) Manicurist ..... ~~$ 15.00~~ $ 50.00

(4) Esthetician ..... ~~$ 20.00~~ $ 50.00

(5) Teacher ..... ~~$ 25.00.~~ $ 50.00."

Section 2. This act is effective when it becomes law.

EXPLANATION OF SENATE BILL 29:
An Act to Increase the Examination Fees Collected Under the Cosmetic Art Act

TO: Senate Finance Committee
FROM: Martha K. Walston, Staff Attorney
DATE: February 16, 1999
SPONSOR: Senator John Kerr

Senate Bill 29 amends the Cosmetic Art Act by increasing the examination fees for the following individuals required to be licensed under the Act:

Examination	Current Fee	Proposed Fee
Cosmetologist	$20.00	$50.00
Apprentice	$5.00	$50.00
Manicurist	$15.00	$50.00
Esthetician	$20.00	$50.00
Teacher	$25.00	$50.00

The North Carolina Board of Cosmetic Art Examiners has requested the increase, because the expense of giving the examinations has become greater than the revenues generated by the examination fees. The act is effective when it becomes law.

Last year the General Assembly rewrote the Cosmetic Art Act (Senate Bill 916). The major changes in the Act included the requirement for licensure of all manicurists and manicure shops, creation of a separate license for estheticians (persons licensed to practice skin care), setting out statutory standards for teachers, easing the requirements for obtaining a license when one is licensed in another state, and the application of late penalties to all licenses. Senate Bill 916 did not increase the examination fees for cosmetologists, apprentices, manicurists, or teachers.

Senate Bill 29 would bring the Board of Cosmetic Art Examiners more in line with the examination fees collected by the State Board of Barber Examiners. That Board currently collects a $50 fee for examinations to become a registered barber or registered apprentice barber. The Board charges $95 for the examination to become a barber school instructor.

Special Revenue Fund	To be determined by the Board				
POSITIONS:	To be determined by the Board				

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: NC Board of Cosmetic Art Examiners

EFFECTIVE DATE: The act is effective when it becomes law.

BILL SUMMARY: The act increases the examination fees for cosmetologists, manicurists, estheticians, and teachers.

ASSUMPTIONS AND METHODOLOGY: The NC Board of Cosmetic Art Examiners estimates that 6,200 exams are given each year. The chart below shows the number of exams per profession, current exam fees, proposed exam fees, and anticipated revenues.

	Annual Exams	Current Exam Fee	Current Estimated Revenue	Proposed Exam Fee	Proposed Estimated Revenue	Annual Revenue Gain
Cosmetologist	2,280	$20	$45,600	$50	$114,000	$68,400
Apprentice	1,320	$5	$6,600	$50	$66,000	$59,400
Manicurist	2,220	$15	$33,300	$50	$111,000	$77,700
Esthetician	200	$20	$4,000	$50	$10,000	$6,000
Teacher	180	$25	$4,500	$50	$9,000	$4,500
Total	6,200		$94,000		$310,000	$216,000

The Board proposes to increase each exam fee to $50. Based on the current volume of business, the increased exam fees will yield $216,000 in additional revenue each year. Also, there will be a revenue windfall in FY 1999-2000, because a statute change in 1998 requires 3,000 to 4,000 existing manicurists to be licensed in 1999. Assuming 3,500 manicurists take the exam this fall, the fee increase from $15 to $50 will generate $122,500 in FY 1999-2000.

Fund Balance

The Board provided the General Assembly's Fiscal Research Division its 1998 financial statement showing a June 30, 1998 fund balance of $458,802.70. The Board also provided a "Cash Balance Forecast" that predicts the following fund balances:

June 1999	$1,281,088
June 2000	$626,416
June 2001	-$72,280

Using the Board's projections, the recommended exam fee increases will not be needed to cover current expenses until 2001.

SENATE BILL 43*

Short Title: Forest City/Alexander Mills. (Local)

Sponsors: Senator Dalton.

Referred to: State and Local Government.

February 8, 1999

A BILL TO BE ENTITLED

AN ACT TO CONSOLIDATE THE TOWN OF ALEXANDER MILLS INTO THE TOWN OF FOREST CITY.

The General Assembly of North Carolina enacts:

Section 1. (a) The Town of Alexander Mills is merged into the Town of Forest City. The effective date of the merger is July 1, 1999. The Town of Alexander Mills is abolished as a separate municipal corporation.

(b) Subsection (a) of this section is effective only if approved in a referendum by the qualified voters of the Town of Alexander Mills.

(c) The referendum shall be held on a date set by the Rutherford County Board of Elections, but no later than May 31, 1999. It may be held on the same day as any other referendum or election in the county, but may not otherwise be held during the period beginning 50 days before and ending 50 days after the day of any other referendum or election to be conducted by the board of elections conducting the referendum and already validly called or scheduled by law. The proposition submitted to the voters shall be in the form approved by the Rutherford County Board of Elections.

Section 2. (a) On the effective date of the merger, all property, real and personal and mixed, including accounts receivable, belonging to the Town of Alexander Mills, shall by operation of law vest in, belong to, and be the property of the Town of Forest City. The governing body of the Town of Alexander Mills shall take such additional actions and execute such documents as will carry into effect the provisions and the intent of this section.

(b) All judgments, liens, rights of liens, and causes of action of any nature in favor of the Town of Alexander Mills shall vest in and remain and inure to the benefit of the Town of Forest City.

(c) All taxes, assessments, water or sewer charges, and any other charges or fees, owed to the Town of Alexander Mills shall be owed to and collected by the Town of Forest City.

(d) All actions, suits, and proceedings pending against, or having been instituted by the Town of Alexander Mills, shall not be abated by this act or by the merger herein provided for, but all such actions, suits, and proceedings shall be continued and completed in the same manner as if merger had not occurred, and the Town of Forest City shall be a party to all such actions, suits, and proceedings in the place and stead of the Town of Alexander Mills and shall pay or cause to be paid any judgments rendered against the Town of Alexander Mills in any such actions, suits, or proceedings. No new process need be served in any such action, suit, or proceeding.

(e) All obligations of the Town of Alexander Mills, including outstanding indebtedness, shall be assumed by the Town of Forest City, and all such obligations and outstanding indebtedness are hereby constituted obligations and indebtedness of the Town of Forest City.

(f) The Town of Forest City may adopt any ordinances, rules, and regulations under Article 19 of Chapter 160A of the General Statutes prior to July 1, 1999, as to the area of the Town of Alexander Mills, to become effective not earlier than July 1, 1999. All other ordinances of the Town of Forest City become effective July 1, 1999, in the area formerly of the Town of Alexander Mills except as provided by subsection (g) of this section.

(g) All franchises heretofore granted by the Town of Alexander Mills, which are still in force, shall continue as valid franchises of the Town of Forest City for the purposes granted within the area formerly comprising the Town of Alexander Mills, but shall not hereby be constituted valid franchises for any other portion of the corporate limits of the Town of Forest City.

(h) The Town of Forest City shall assume responsibility for all current and future liabilities of the Town of Alexander Mills for unemployment insurance benefit charges under G.S. 96-9(f)(1).

Section 3. The Charter of the Town of Forest City, being Chapter 209, Session Laws of 1981, is amended by adding the following new section:

"Sec. 1.4. The corporate limits of the Town of Forest City also include all areas within the corporate limits of the Town of Alexander Mills on the date the Town of Alexander Mills was merged into the Town of Forest City."

Section 4. The Mayor and Town Commissioners of the Town of Forest City continue in existence after the consolidation. The Mayor and Commissioners of the Town of Alexander Mills are abolished as of July 1, 1999, but shall continue from that date until the organizational meeting after the 1999 Forest City municipal election as an advisory panel of the Town of Forest City to provide information and guidance in regard to matters pertaining to the area which was formerly the Town of Alexander Mills. In the 1999 municipal election, residents of the area formerly the

Town of Alexander Mills shall have full rights to be candidates for elective office in the Town of Forest City as provided by law.

Section 5. All property that had a tax situs in the Town of Alexander Mills on January 1, 1999, shall be considered to have a tax situs in the Town of Forest City for the appropriate fiscal year, and any property properly listed for taxation in the Town of Alexander Mills is properly listed for taxation in the Town of Forest City.

Section 6. Chapter 99, Private Laws of 1925, being the Charter of the Town of Alexander Mills, is repealed.

Section 7. Sections 2 through 6 of this act become effective only if the Town of Alexander Mills is merged into the Town of Forest City under Section 1 of this act.

Section 8. This act is effective when it becomes law.

EXPLANATION OF SENATE BILL 43 :
Proposed Committee Substitute
Forest City/Alexander Mills.

TO: Senate Finance Committee
FROM: Martha K. Walston, Committee Council
DATE: February 25, 1999
SPONSOR: Senator Dalton

Senate Bill 43 allows the Town of Alexander Mills to merge into the Town of Forest City only if the voters of Alexander Mills approve the merger. Senate Bill 43 was given a favorable report in State and Local Government Committee and re-referred to Senate Finance on February 17, 1999. This Bill is identical to House Bill 44. The only difference between the proposed committee substitute and the original bill is the reference to the Chapter number in Section 6 of the bill. The erroneous Chapter number is changed from "99" to "5".

Senate Bill 43 provides for the merger of the Town of Alexander Mills into the Town of Forest City on July 1, 1999, only if approved in a referendum by the voters of Alexander Mills. This referendum must be held by May 31, 1999. If the referendum is approved then the following occurs on the date of the merger:

- Property of Alexander Mills becomes the property of Forest City
- Judgements, liens, and causes of action in favor of Alexander Mills inure to the benefit of Forest City
- Actions pending against or instituted by Alexander Mills will continue and Forest City will be liable for these actions
- Forest City will assume the obligations and debt of Alexander Mills. (Neither town has any general obligation debt.)
- Forest City will assume the responsibility for the unemployment insurance benefit charges of Alexander Mills

The governing body of Alexander Mills will serve as an advisory panel to Forest City until the organizational meeting after the 1999 Forest City municipal election. All property with a tax situs in Alexander Mills on January 1, 1999, will be considered to have a tax situs in Forest City for the appropriate fiscal year.

(f) The Town of Forest City may adopt any ordinances, rules, and regulations under Article 19 of Chapter 160A of the General Statutes prior to July 1, 1999, as to the area of the Town of Alexander Mills, to become effective not earlier than July 1, 1999. All other ordinances of the Town of Forest City become effective July 1, 1999, in the area formerly of the Town of Alexander Mills except as provided by subsection (g) of this section.

(g) All franchises heretofore granted by the Town of Alexander Mills, which are still in force, shall continue as valid franchises of the Town of Forest City for the purposes granted within the area formerly comprising the Town of Alexander Mills, but shall not hereby be constituted valid franchises for any other portion of the corporate limits of the Town of Forest City.

(h) The Town of Forest City shall assume responsibility for all current and future liabilities of the Town of Alexander Mills for unemployment insurance benefit charges under G.S. 96-9(f)(1).

Section 3. The Charter of the Town of Forest City, being Chapter 209, Session Laws of 1981, is amended by adding the following new section:

"Sec. 1.4. The corporate limits of the Town of Forest City also include all areas within the corporate limits of the Town of Alexander Mills on the date the Town of Alexander Mills was merged into the Town of Forest City."

Section 4. The Mayor and Town Commissioners of the Town of Forest City continue in existence after the consolidation. The Mayor and Commissioners of the Town of Alexander Mills are abolished as of July 1, 1999, but shall continue from that date until the organizational meeting after the 1999 Forest City municipal election as an advisory panel of the Town of Forest City to provide information and guidance in regard to matters pertaining to the area which was formerly the Town of Alexander Mills. In the 1999 municipal election, residents of the area formerly the

Town of Alexander Mills shall have full rights to be candidates for elective office in the Town of Forest City as provided by law.

Section 5. All property that had a tax situs in the Town of Alexander Mills on January 1, 1999, shall be considered to have a tax situs in the Town of Forest City for the appropriate fiscal year, and any property properly listed for taxation in the Town of Alexander Mills is properly listed for taxation in the Town of Forest City.

Section 6. Chapter 5, Private Laws of 1925, being the Charter of the Town of Alexander Mills, is repealed.

Section 7. Sections 2 through 6 of this act become effective only if the Town of Alexander Mills is merged into the Town of Forest City under Section 1 of this act.

Section 8. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO EXTEND FOR ONE YEAR THE DEADLINE FOR MATCHING COMMUNITY COLLEGE BOND FUNDS.

The General Assembly of North Carolina enacts:

Section 1. Section 6(b)IV of Chapter 542 of the 1993 Session Laws, as added by Section 4 of Chapter 515 of the 1995 Session Laws and rewritten by Section 10(a) of S.L. 1998-212, reads as rewritten:

"IV. If the State Board of Community Colleges determines that a community college has not met the matching requirements of G.S. 115D-31(a)(1) by July 1, ~~1999,~~ 2000, with respect to a capital improvement project for which bond proceeds are allocated in subdivision I or pursuant to subdivision II of this subsection, the Board shall certify that fact to the State Treasurer by October 1, ~~1999.~~ 2000. All of these bond proceeds with respect to which the Board certifies that the matching requirement has not been met by July 1, ~~1999,~~ 2000, shall be placed by the State Treasurer in a special account within the Community Colleges Bond Fund and shall be used for making grants to community colleges. Bond proceeds in the special account shall be allocated among the community colleges in accordance with the following conditions:

(1) The State Board of Community Colleges shall generate, by October 1, ~~1999,~~ 2000, a priority ranking of legitimate community college capital improvement needs using a formula based on objective meaningful factors relevant to capital needs, including space to population ratio, population served ratio, capacity

enrollment ratio, local to State and vocational education ratios, type of project, and readiness to implement.

(2) The State Board of Community Colleges shall provide the State Treasurer a projected allocation of the proceeds in the special account in accordance with this priority ranking, except that:

a. No projected allocation shall be made for a community college that the Board certified in accordance with this subdivision IV had failed to meet a matching requirement.

b. No more than four million dollars ($4,000,000) shall be allocated to a single community college.

c. Funds shall not be allocated for more than one project per community college.

(3) The proceeds of grants made from bond proceeds in the special account shall be allocated and expended for paying the cost of community college capital improvements in accordance with this allocation by the State Board of Community Colleges, to the extent and as provided in this act. The Director of the Budget is empowered, when the Director of the Budget determines it is in the best interest of the State and the North Carolina Community College System to do so, and if the cost of a particular project is less than the projected allocation, to use the excess funds to increase the size of that project or increase the size of any other project itemized in this section, or to increase the amount allocated to a particular community college within the aggregate amount of funds available under this section. The Director of the Budget shall consult with the Advisory Budget Commission and the Joint Legislative Commission on Governmental Operations before making these changes."

Section 2. This act becomes effective June 30, 1999.

EXPLANATION OF SENATE BILL 115:
Extend Bond Match Deadline

TO: Senate Finance Committee
FROM: Martha K. Walston, Committee Counsel
DATE: March 9, 1999
SPONSOR: Senators Garwood, Carter, Metcalf, and Moore

Senate Bill 115 extends the following deadlines:

- The time for a community college to match its bond funds from July 1, 1999 to July 1, 2000.
- The time for the State Board of Community Colleges to develop a priority ranking of capital improvement needs that may be met with bond funds. The bond funds at issue are those in which the matching requirement has not been met. This deadline is extended from October 1,1999 to October 1, 2000.

The act becomes effective June 30, 1999.

In 1993, the General Assembly enacted the Education, Clean Water, and Parks Bond Act of 1993. A portion of this act authorized the issuance of general obligation bonds, subject to the vote of the people, to provide funds for grants to community colleges for capital improvements. In 1995, the General Assembly amended the Bond Act by requiring the State Board of Community Colleges to notify the State Treasurer by October 1, 1998, if a community college did not meet the matching requirements of G.S. 115D-31(a)(1) by July 1, 1998, with respect to a capital improvement project for which bond proceeds are allocated. These bond proceeds would then be placed in a special account within the Community Colleges Bond Fund and used for grants to community colleges. The allocation of these proceeds was to be made according to a priority ranking of legitimate community college capital improvement needs. The State Board of Community Colleges was to develop the priority ranking by October 1, 1998. The Appropriations Act of 1998 extended the deadline for meeting the matching requirements for capital improvement projects from July 1, 1998 to June 30, 1999, and extended the deadline for developing a priority ranking from October 1, 1998 to October 1, 1999.

G.S. 115D-31(a)(1) allows the State Board, on an equal matching-fund basis, to grant funds to a community college for the purchase of land, construction and remodeling of institutional buildings. The matching funds must come from the local government. The State Board will provide the State Treasurer with a projected allocation of the proceeds in the special account. No projected allocation may be made for a community college that has failed to meet the matching requirement. Only one community college, Mayland Community College,(Acronym for Mitchell, Avery, and Yancy) has not met the match. No more than $4,000,000 may be allocated to a community college, and there can be only one project per community college.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: State Board of Community Colleges

EFFECTIVE DATE: This act becomes effective June 30, 1999.

BILL SUMMARY: The bill extends for one year the deadline for matching community college bond funds.

ASSUMPTIONS AND METHODOLOGY: This bill does not impose any new funding requirements on community colleges, but simply allows Mayland Community College one additional year to match $662,704 in bond funds made available to the school from the Education, Clean Water, and Parks Bond Act of 1993. In 1993 and 1995, Mayland Community College was allocated $4,464,359 in bond funds, but was able to match only $3,801,655 of this amount. Through the combination of county funding, a federal grant, and the donation of a building by Avery county, Mayland has all but $120,704 to go to match the remaining $662,704 of bond funds. The college has applied for two $125,000 grants that will help them fulfill the matching requirement. Due to the uncertainty of the grant making process, this bill gives the school a safety margin to complete the match.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE TOWN OF HUNTERSVILLE TO MAKE ADDITIONAL VOLUNTARY SATELLITE ANNEXATIONS IF CERTAIN CRITERIA ARE MET.

The General Assembly of North Carolina enacts:

Section 1. G.S. 160A-58.1(b) reads as rewritten:

"(b) A noncontiguous area proposed for annexation must meet all of the following standards:

(1) The nearest point on the proposed satellite corporate limits must be not more than three miles from the primary corporate limits of the annexing city. Notwithstanding this subdivision, if an area proposed for annexation is located entirely within the same county as the annexing municipality and in an area that another city has: (i) agreed not to annex, or (ii) has given the annexing city the right of annexation under an agreement with the annexing city under Part 6 of this Article or similar local legislation authorizing such agreements, then this subdivision shall not apply.

(2) No point on the proposed satellite corporate limits may be closer to the primary corporate limits of another city than to the primary corporate limits of the annexing city. Notwithstanding this subdivision, if an area proposed for annexation under this Part is either: (i) in an area that another city has agreed not to annex under an agreement with the annexing city under Part 6 of this Article or similar local legislation authorizing such agreements and

the territory to be annexed is within the same county as the annexing city is located, or (ii) the closer city is located entirely within another county than the area being annexed, then the proximity to that other city shall not be considered in applying this subdivision.

(3) The area must be so situated that the annexing city will be able to provide the same services within the proposed satellite corporate limits that it provides within its primary corporate limits.

(4) If the area proposed for annexation, or any portion thereof, is a subdivision as defined in G.S. 160A-376, all of the subdivision which is located within the same county as the annexing municipality must be included.

(5) The area within the proposed satellite corporate limits, when added to the area within all other satellite corporate limits, may not exceed ten percent (10%) of the area within the primary corporate limits of the annexing city."

Section 2. This act applies to the Town of Huntersville only.

Section 3. This act is effective when it becomes law.

EXPLANATION OF SENATE BILL 269:
Huntersville Satellite Annexation

TO: Senate Finance Committee
FROM: Martha K. Walston, Staff Attorney
DATE: March 9, 1999
SPONSOR: Senator Fountain Odom

Senate Bill 269 is a local bill that concerns voluntary satellite annexations by the Town of Huntersville and is effective when it becomes law. The bill will give the Town of Huntersville the ability to do the following:

1. Annex property that is more than 3 miles from the primary corporate limits of Huntersville, if the proposed annexed area is located within the same county as Huntersville and another city has agreed not to annex the area or has agreed to give Huntersville the right to annex.
2. Annex property that is closer to the primary corporate limits of another city than to the limits of Huntersville, if either the other city has agreed not to annex the proposed area and the area is within the same county as Huntersville or the closer city is located entirely within another county than the proposed area being annexed.
3. If the area proposed for annexation includes a subdivision or a portion of a subdivision, then only that portion of the subdivision located in the same county as Huntersville must be included in the annexation.

Current Law

G.S. 160A-58.1 governs the voluntary annexation of noncontiguous property. Property owners may petition a city for voluntary annexation of noncontiguous property if the property meets several standards. Three of these standards are that the proposed area must be within 3 miles of the annexing city, that no point of the proposed area may be closer to another city than to the annexing city, and that if the proposed area includes a subdivision or a portion of a subdivision, then all of the subdivision must be included in the annexation. The bill exempts Huntersville from these three standards if the above criteria are met.

The bill does not release the proposed satellite annexation from meeting the other standards listed in G.S. 160A-58.1(b):

1. The area must be so situated that the annexing city will be able to provide the same services within the proposed satellite corporate limits that it provides within its primary corporate limits.
2. The area within the proposed satellite corporate limits, when added to the area within all other satellite corporate limits, may not exceed ten percent (10%) of the area within the primary corporate limits of the annexing city.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE TOWN OF HUNTERSVILLE TO PROVIDE FOR VOLUNTARY ANNEXATION OF PROPERTY SUBJECT TO PRESENT-USE VALUE APPRAISAL.

The General Assembly of North Carolina enacts:

Section 1. G.S. 160A-31(e) is amended by adding new subsections to read:

"(e1) Notwithstanding subsection (e) of this section, if an area described in the annexation petition and ordinance includes agricultural land, horticultural land, or forestland, that on the effective date of annexation is:

(1) Land that is being taxed at present-use value pursuant to G.S. 105-277.4; or

(2) Land that:

a. Was on the date of the filing of the petition for annexation being used for actual production and is eligible for present-use value taxation under G.S. 105-277.4, but the land has not been in use for actual production for the required time under G.S. 105-277.3; and

b. The assessor for the county the land subject to annexation is located has certified to the city that the land meets the requirements of this subdivision.

Annexation becomes effective as to that property pursuant to subsection (e2) of this section.

(e2) Annexation of property subject to annexation under subsection (e1) of this section shall become effective:

(1) Upon the effective date of the annexation ordinance, the property is considered part of the city only (i) for the purpose of establishing city boundaries for additional annexations pursuant to this Article and (ii) for the exercise of city authority pursuant to Chapter 19 of this Chapter.

(2) For all other purposes, the annexation becomes effective as to each tract of such property or such part thereof on the last day of the month in which that tract or part thereof becomes ineligible for classification pursuant to G.S. 105-227.4 and no longer meets the requirements of subdivision (e1)(2) of this section. Until annexation of a tract or a part of a tract becomes effective pursuant to this subdivision, the tract or part of a tract is not subject to taxation by the city under Article 12 of Chapter 105 of the General Statutes, nor is the tract or part of the tract entitled to services provided by the city."

Section 2. This act applies to the Town of Huntersville only.

EXPLANATION OF SENATE BILL 270:
Proposed Committee Substitute
Huntersville Voluntary Annexation

TO: Senate Finance Committee
FROM: Martha K. Walston, Staff Attorney
DATE: March 10, 1999
SPONSOR: Senator Fountain Odom

The proposed committee substitute for Senate Bill 270 amends the statute dealing with annexation by petition to provide for voluntary annexation of property subject to present-use value appraisal. The act applies only to the Town of Huntersville and is effective when it becomes law.

Under current law, when property is annexed by petition of property owners in the area to be annexed, the citizens and property of the annexed area are subject to the laws and municipal taxes in force.

Senate Bill 270 provides that the following property in an annexation petition would not be subject to taxation by the Town nor entitled to the services provided by the Town:

1. Land that is taxed at present-use value under the property tax statutes. This land is agricultural land, horticultural land, or forestland. The present-use value classification helps preserve farmland by insulating it from the rising property tax values caused by competing market pressures to develop farmland for commercial and residential purposes.
2. Land that, on the date of the filing of the annexation petition, was being used for actual production and is eligible for the present-use value taxation except that it had not been in use for actual production for the required statutory time, and the county tax assessor certifies that the land meets this requirement.

Annexation of the present-use value property described above becomes effective on the last day of the month in which the property no longer meets both of the above descriptions. Prior to the effective date of annexation, the boundaries of this property will be considered as primary corporate limits only (i) to establish city boundaries for additional annexations, and (ii) for the exercise of city authority pursuant to Article 19 (Planning and Regulation of Development).

A BILL TO BE ENTITLED

AN ACT TO ANNEX TO THE EXISTING CITY LIMITS OF THE TOWN OF HUNTERSVILLE CERTAIN AREAS SURROUNDED BY EXISTING CITY LIMITS OF THE TOWN OF HUNTERSVILLE.

Whereas, there are areas and tracts of land not presently part of the Town of Huntersville but which are completely surrounded by the existing town limits of the Town of Huntersville; and

Whereas, the Town of Huntersville cannot provide police protection and other services to such areas, and any entity providing such services must travel through the Town of Huntersville to reach the areas in question; and

Whereas, in order to provide for the safety and welfare of the owners and residents of the affected areas, such areas should be and become part of the Town of Huntersville and be entitled to all of the services as are provided by the Town of Huntersville to other residents and property; Now, therefore,

The General Assembly of North Carolina enacts:

Section 1. The corporate limits of the Town of Huntersville are extended to include the following described area:

EXPLANATION OF SENATE BILL 271:
Huntersville Annexation

TO: Senate Finance Committee
FROM: Martha K. Walston, Staff Attorney
DATE: March 10, 1999
SPONSOR: Senator Fountain Odom

Senate Bill 271 is a local bill that allows the Town of Huntersville to annex five tracts of land. These tracts are completely surrounded by the existing town limits of Huntersville. The bill would provide residents of these tracts the protection of the Huntersville Police Department as well as other services of the Town. The bill contains a metes and bounds description of each tract. The act becomes effective at midnight, June 30, 1999.

A BILL TO BE ENTITLED

AN ACT TO ANNEX TO THE EXISTING CITY LIMITS OF THE TOWN OF HUNTERSVILLE CERTAIN AREAS SURROUNDED BY EXISTING CITY LIMITS OF THE TOWN OF HUNTERSVILLE.

Whereas, there are areas and tracts of land not presently part of the Town of Huntersville but which are completely surrounded by the existing town limits of the Town of Huntersville; and

Whereas, the Town of Huntersville cannot provide police protection and other services to such areas, and any entity providing such services must travel through the Town of Huntersville to reach the areas in question; and

Whereas, in order to provide for the safety and welfare of the owners and residents of the affected areas, such areas should be and become part of the Town of Huntersville and be entitled to all of the services as are provided by the Town of Huntersville to other residents and property; Now, therefore,

The General Assembly of North Carolina enacts:

Section 1. The corporate limits of the Town of Huntersville are extended to include the following described area:

A BILL TO BE ENTITLED

AN ACT TO REVISE AND CONSOLIDATE THE CHARTER OF THE TOWN OF CARTHAGE.

The General Assembly of North Carolina enacts:

Section 1. The Charter of the Town of Carthage is revised and consolidated to read as follows:

"THE CHARTER OF THE TOWN OF CARTHAGE.

"ARTICLE I. INCORPORATION, CORPORATE POWERS, AND BOUNDARIES.

"Section 1.1. **Incorporation**. The Town of Carthage, North Carolina, in Moore County and the inhabitants thereof shall continue to be a municipal body politic and corporate, under the name of the 'Town of Carthage,' hereinafter at times referred to as the 'Town.'

"Section 1.2. **Powers**. The Town shall have and may exercise all of the powers, duties, rights, privileges, and immunities conferred upon the Town of Carthage specifically by this Charter or upon municipal corporations by general law. The term 'general law' is employed herein as defined in G.S. 160A-1.

"Section 1.3. **Corporate Limits**. The corporate limits shall be those existing at the time of ratification of this Charter, as set forth on the official map of the Town and as they may be altered from time to time in accordance with law. An official map of the Town, showing the current municipal boundaries, shall be maintained permanently in the office of the Town Clerk and shall be available for public inspection. Upon alteration of the corporate limits pursuant to law, the appropriate changes to the official map shall be made and copies shall be filed in the office of the

Secretary of State, the Moore County Register of Deeds, and the appropriate board of elections.

"ARTICLE II. GOVERNING BODY.

"Section 2.1. **Town Governing Body; Composition.** The Town Council, hereinafter referred to as the 'Council,' and the Mayor shall be the governing body of the Town.

"Section 2.2. **Town Council; Composition; Terms of Office.** The Council shall be composed of five members, to be elected by all the qualified voters of the Town, for staggered terms of four years or until their successors are elected and qualified.

"Section 2.3. **Mayor; Term of Office; Duties.** The Mayor shall be elected by all the qualified voters of the Town for a term of four years or until his or her successor is elected and qualified. The Mayor shall be the official head of the Town government and preside at meetings of the Council, shall have the right to vote only when there is an equal division on any question or matter before the Council, and shall exercise the powers and duties conferred by law or as directed by the Council.

"Section 2.4. **Mayor Pro Tempore.** The Council shall elect one of its members as Mayor Pro Tempore to perform the duties of the Mayor during his or her absence or disability, in accordance with general law. The Mayor Pro Tempore shall serve in such capacity at the pleasure of the Council.

"Section 2.5. **Meetings.** In accordance with general law, the Council shall establish a suitable time and place for its regular meetings. Special and emergency meetings may be held as provided by general law.

"Section 2.6. **Quorum; Voting.** Official actions of the Council and all votes shall be taken in accordance with the applicable provisions of general law, particularly G.S. 160A-75. The quorum provisions of G.S. 160A-74 shall apply.

"Section 2.7. **Compensation; Qualifications for Office; Vacancies.** The compensation and qualifications of the Mayor and Council members shall be in accordance with general law. Vacancies that occur in any elective office of the Town shall be filled by majority vote of the remaining members of the Council and shall be filled for the remainder of the unexpired term, despite the contrary provisions of G.S. 160A-63.

"ARTICLE III. ELECTIONS.

"Section 3.1. **Regular Municipal Elections.** Regular municipal elections shall be held in each odd-numbered year in accordance with the uniform municipal election laws of North Carolina. Elections shall be conducted on a nonpartisan basis and the results determined using the nonpartisan plurality method as provided in G.S. 163-292.

"Section 3.2. **Election of Mayor.** A Mayor shall be elected in the regular municipal election in 1999 and each four years thereafter.

"Section 3.3. **Election of Council Members.** In the regular municipal election in 1997, the three candidates for Council member who received the highest numbers of votes shall be elected for four-year terms, while the two candidates who receive the next highest numbers of votes shall be elected for two-year terms. In the regular municipal election in 1999, and in each regular municipal election thereafter, persons

shall be elected to serve four-year terms in those positions whose terms are then expiring.

"Section 3.4. **Special Elections and Referenda.** Special elections and referenda may be held only as provided by general law or applicable local acts of the General Assembly.

"ARTICLE IV. TOWN MANAGER.

"Section 4.1. **Form of Government.** The Town shall operate under the council-manager form of government, in accordance with Part 2 of Article 7 of Chapter 160A of the General Statutes.

"Section 4.2. **Town Manager; Appointment; Powers and Duties.** The Council shall appoint a Town Manager who shall be responsible for the administration of all departments of the Town government. The Town Manager shall have all the powers and duties conferred by general law, except as expressly limited by the provisions of this Charter, and the additional powers and duties conferred by the Council, so far as authorized by general law.

"Section 4.3. **Settlement of Claims by Town Manager.** The Council may authorize the Town Manager to settle claims against the Town for (i) personal injuries or damages to property when the amount involved does not exceed the sum of two thousand five hundred dollars ($2,500) and does not exceed the actual loss sustained, including loss of time, medical expenses, and any other expenses actually incurred; and (ii) the taking of small portions of private property which are needed for the rounding of corners at intersections of streets, when the amount involved in any such settlement does not exceed two thousand five hundred dollars ($2,500) and does not exceed the actual loss sustained. Settlement of a claim by the Town Manager pursuant to this section shall constitute a complete release of the Town from any and all damages sustained by the person involved in such settlement in any manner arising out of the incident, occasion, or taking complained of. All such settlements and all such releases shall be approved in advance by the Town Attorney.

"ARTICLE V. ADMINISTRATIVE OFFICERS AND EMPLOYEES.

"Section 5.1. **Town Attorney.** The Council shall appoint a Town Attorney licensed to practice law in North Carolina. It shall be the duty of the Town Attorney to represent the Town, advise Town officials, and perform other duties required by law or as the Council may direct.

"Section 5.2. **Town Clerk.** The Town Manager shall appoint a Town Clerk to keep a journal of the proceedings of the Council, to maintain official records and documents, to give notice of meetings, and to perform such other duties required by law or as the Manager may direct. The Manager may appoint an Assistant or Deputy Town Clerk.

"Section 5.3. **Tax Collector.** The Town shall have a Tax Collector to collect all taxes owed to the Town and perform those duties specified in G.S. 105-350 and such other duties as prescribed by law or assigned by the Town Manager. Notwithstanding the contrary provisions of G.S. 105-349, the Manager may appoint and remove the Tax Collector and one or more Deputy Tax Collectors.

"Section 5.4. **Other Administrative Officers and Employees.** The Council may authorize other positions to be filled by appointment by the Town Manager, and may organize the Town government as deemed appropriate, subject to the requirements of general law.

"Section 5.5. **Manager's Authority; Role of Elected Officials.** As chief administrator, the Town Manager shall have the power to appoint, suspend, and remove all nonelected officers, department heads, and employees of the Town, except the Town Attorney, who shall be appointed as provided in Section 5.1 of this Charter. Neither the Mayor nor the Council nor any of its committees or members shall take part in the appointment or removal of officers, department heads, and employees in the administrative service of the Town, except as provided by this Charter. Except for the purpose of inquiry, or for consultation with the Town Attorney, the Mayor and the Council and its members shall deal with officers and employees in the administrative service only through the Manager, Acting Manager, or Interim Manager, and neither the Mayor nor the Council nor any of its members shall give orders or directions to any subordinate of the Manager, Acting Manager, or Interim Manager, either publicly or privately.

"ARTICLE VI. REMOVAL OF MOTOR VEHICLES.

"Section 6.1. **Liens for Removal of Motor Vehicles.** Pursuant to the authority granted by G.S. 160A-303 and G.S. 160A-303.2 and Chapter 451 of the Session Laws of 1987, the Council may establish reasonable towing fees for the cost of removing junked motor vehicles from private property. When the town causes the removal of a junked motor vehicle from private property pursuant to the authority granted by G.S. 160A-303 and G.S. 160A-303.2 and Chapter 451 of the Session Laws of 1987, and the owner of the vehicle fails to pay the towing fee within 30 days after it becomes due, the towing fee shall become a lien against the real property from which the vehicle was removed provided the owner of the real property from which the vehicle was removed was also the owner of the junked motor vehicle; said cost shall be placed upon the Town's tax books against the property and may be collected and foreclosed in the same manner as taxes are collected and foreclosed, or by suit, as the Town may determine.

"ARTICLE VII. EXTRATERRITORIAL POWERS.

"Section 7.1. **Extraterritorial Jurisdiction.** The Town shall have and may exercise all of the powers granted by Article 19 of Chapter 160A of the General Statutes within an extraterritorial area which it shall define. Despite the contrary provisions of G.S. 160A-360, the Town may, with the approval of the board of county commissioners, extend its extraterritorial area up to two miles outside the corporate limits.

Section 2. The purpose of this act is to revise the Charter of the Town of Carthage and to consolidate certain acts concerning the property, affairs, and government of the Town. It is intended to continue without interruption those provisions of prior acts which are expressly consolidated into this act, so that all rights and liabilities which have accrued are preserved and may be enforced.

Section 3. This act does not repeal or affect any acts concerning the property, affairs, or government of public schools, or any acts validating official actions, proceedings, contracts, or obligations of any kind.

Section 4. The following acts, having served the purposes for which they were enacted or having been consolidated into this act, are expressly repealed:

Chapter 85, Private Laws of 1796
Chapter 28, Private Laws of 1803
Chapter 113, Private Laws of 1812
Chapter 74, Private Laws of 1818, except for Section 1
Chapter 89, Private Laws of 1827-28
Chapter 30, Private Laws of 1832-33
Chapter 207, Private Laws of 1847
Chapter 124, Private Laws of 1871-72
Chapter 176, Private Laws of 1874-75
Chapter 32, Private Laws of 1881
Chapter 248, Private Laws of 1901
Chapter 299, Private Laws of 1903
Chapter 482, Private Laws of 1907, except for Sections 50 through 64
Chapter 166, Private Laws of 1909
Chapter 209, Private Laws of 1913
Chapter 33, Private Laws of 1924 (Extra Session)
Chapter 203, Private Laws of 1925
Chapter 862, Session Laws of 1945
Chapter 962, Session Laws of 1965.

Section 5. The Mayor and Council members serving on the date of ratification of this act shall serve until the expiration of their terms or until their successors are elected and qualified. Thereafter those offices shall be filled as provided in Articles II and III of the Charter contained in Section 1 of this act.

Section 6. This act does not affect any rights or interests which arose under any provisions repealed by this act.

Section 7. All existing ordinances, resolutions, and other provisions of the Town of Carthage not inconsistent with the provisions of this act or State law shall continue in effect until repealed or amended.

Section 8. No action or proceeding pending on the effective date of this act by or against the Town or any of its departments or agencies shall be abated or otherwise affected by this act.

Section 9. If any provision of this act or application thereof is held invalid, such invalidity shall not affect other provisions or applications of this act which can be given effect without the invalid provision or application, and to this end the provisions of this act are declared to be severable.

Section 10. Whenever a reference is made in this act to a particular provision of the General Statutes, and such provision is later amended, superseded, or recodified, the reference shall be deemed amended to refer to the amended

General Statute, or to the General Statute which most clearly corresponds to the statutory provision which is superseded or recodified.

Section 11. This act is effective when it becomes law.

SENATE BILL 18:
Carthage Charter Consolidation (2nd Edition)

BILL ANALYSIS

Committee: Senate Finance
Date: March 30, 1999
Version: 2nd Edition

Introduced by: Senators Lee & Kinnaird
Summary by: Ed Rossi & Martha Walston
Staff Attorneys

SUMMARY: ***Senate Bill 18 consolidates the charter of the Town of Carthage and reflects the changes in governance that have already taken place. In addition, the bill:***

- ***Allows the Council to authorize the Town Manager to settle claims of not more than $2,500.***
- ***Allows the Town Manager to appoint the Town Attorney, Town, Clerk, and Tax Collector.***
- ***Allows the Town to impose liens on real property that cover the cost of the reasonable towing fees for the removal of junked vehicles from the property. The lien may be imposed only if the owner of the property is also the owner of the vehicle.***
- ***With the approval of the County Commissioner, allows the Town to extend its extraterritorial jurisdiction up to two miles from its corporate limits.***

BILL ANALYSIS:

Form of Government – Chapter 160A of the General Statutes gives local governments the authority to change their form of government. In 1997, the Town of Carthage amended its charter to provide for a four-year term for its mayor and staggered four-year terms for its council members. In 1998, it adopted a Council-Manager form of government. This bill reflects those changes.

Vehicle Towing – Towns do not ordinarily have the authority to remove vehicles from private property. In 1987, the General Assembly authorized Moore County and by extension Carthage, to go on private property to remove junked motor vehicles. The 1987 law sets out a procedure that affords a hearing to the vehicle owner and also allows the municipality to sell the vehicle to recover its "reasonable towing fees". This bill allows a lien to be placed on the land when the vehicle was towed from the vehicle owner's land.

Extraterritorial Jurisdiction – Chapter 160A of the General Statutes also gives towns with populations of more than 10,000 but less than 25,000 the authority to exercise extraterritorial jurisdiction within two miles of their corporate borders. Carthage, with a population of approximately 1,460, does not meet those criteria. The bill waives the population criteria and allows Carthage to exercise extraterritorial jurisdiction up to two miles from its corporate limits if it has approval from the county commissioners.

BACKGROUND:

Senate Bill 18, as introduced, is identical to SB 1248 which passed the Senate last year and was held up in House Local & Regional Government I Committee. The proposed committee substitute to Senate Bill 18, adopted by the Senate State and Local Government Committee differs from the original version by:

- Deleting articles in the Charter referring to street improvements, sidewalk improvements, and demolition or repair of a dwelling that has been vacated and closed for one year
- Authorizing a lien for removal of motor vehicles only if the encumbered real property is owned by the owner of the motor vehicle.

TOWN OF CARTHAGE
LOCAL ACT DISPOSITION TABLE

The following Disposition Table explains the disposition of each local act affecting the Town. Some existing local acts have already been expressly repealed by state law. Others which have served their purpose can be repealed by the Revised Charter. In some cases, provisions will be preserved by adding them to the Revised Charter and repealing the local act. In other cases, the local act will not be repealed but will be incorporated into the Revised Charter by reference.

SENATE BILL 436

Short Title: Validate Certain Bond Referenda. (Public)

Sponsors: Senators Plyler and Purcell.

Referred to: Finance.

March 22, 1999

A BILL TO BE ENTITLED

AN ACT TO RATIFY, APPROVE, CONFIRM, AND VALIDATE CERTAIN BOND REFERENDA OF UNITS OF LOCAL GOVERNMENT HELD IN CONNECTION WITH THE AUTHORIZATION OF BONDS OF THOSE UNITS.

The General Assembly of North Carolina enacts:

Section 1. Bond referenda held by units of local government in connection with the authorization of bonds are hereby ratified, approved, confirmed, and in all respects validated, notwithstanding the provisions of G.S. 159-61(b), if the authorization of the bonds was approved at an election by a majority of the qualified voters of the unit voting thereon and notice of the referendum was published.

Section 2. This act applies to all bond referenda held by units of local government between April 1, 1997, and June 1, 1998.

Section 3. This act is effective when it becomes law.

SENATE BILL 436:
Validate Certain Bond Referenda

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senators Plyler and Purcell
Date:	March 30, 1999	**Summary by:**	Martha K. Walston
Version:	1st Edition		Committee Counsel

SUMMARY: ***Senate Bill 436 ratifies, approves, confirms, and validates all bond referenda held by units of local government, notwithstanding the provisions of G.S. 159-61(b), if the bond referendum was approved by a majority of voters and notice of the referendum was published. G.S. 159-61(b) sets out certain date amd time requirements for the holding of a bond referendum. SB 436 applies to all bond referenda held by units of local government between April 1, 1997, and June 1, 1998***

CURRENT LAW:

G.S. 159-61 sets out the following requirements for a bond referendum:

(a) a majority vote

(b) date and time requirements for the holding of the referendum

(c) publication of notice of the referendum

(d) specific language for the form of the question on the ballot

(e) certification of the results of the referendum to the governing board and publication of the result

BACKGROUND:

SB436 would validate a Montgomery County Water District II bond referendum that was held between April 1, 1997, and June 1, 1998. This referendum did not meet the requirement in G.S. 159-61(b), that the date of a bond referendum shall not be more than one year after adoption of the bond order. The referendum was held one year and five weeks after the adoption of the bond order, but met all other requirements.

SENATE BILL 181

Short Title: Dallas Property Maintenance. (Local)

Sponsors: Senator Hoyle.

Referred to: Finance.

March 1, 1999

A BILL TO BE ENTITLED

AN ACT AUTHORIZING THE TOWN OF DALLAS TO ENACT A PROPERTY MAINTENANCE ORDINANCE AND TO ASSESS CERTAIN COSTS OF ENFORCEMENT AS A LIEN AGAINST THE PROPERTY.

The General Assembly of North Carolina enacts:

Section 1. The Charter of the Town of Dallas, being Chapter 342 of the 1979 Session Laws, is amended by adding a new Article to read:

"ARTICLE V.

"Property Maintenance.

"Section 5.1. **Removal of Trash, Weeds; Lien.** The Town Board may require the owners of all premises, vacant or improved, to keep the same free from trash, obnoxious weeds, overgrowth, solid wastes, and stagnant water and may provide that if the owners fail to comply with any such requirement, an employee or contractor of the Town may go upon the owners' premises and perform any work that may be necessary to comply with such requirement, and the Town may charge the cost thereof against the premises upon which the work is performed.

The costs of any work performed under this section shall constitute a lien against the premises upon which the work is performed and may be collected in the same manner as taxes upon real property. The term 'cost' as used in this section shall include interest at the rate of eight percent (8%) per annum until the lien is paid. Interest does not accrue until a bill for the costs becomes overdue."

Section 2. This act is effective when it becomes law.

SENATE BILL 181:
Dallas Property Maintenance

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Hoyle
Date:	March 26, 1999	**Summary by:**	Martha K. Walston
Version:	1st Edition		Committee Counsel

SUMMARY: ***Senate Bill 181 is a local act that authorizes the Town Board of Dallas to enact a property maintenance ordinance requiring owners of the property to keep the property free of trash. If an owner fails to comply with this ordinance, then the Town may clean the property and charge the cost of the cleanup against the property. This cost will constitute a lien against the property that may be collected in the same manner as taxes on real property.***

BILL ANALYSIS:

Senate Bill 181 amends the Charter of the Town of Dallas by adding an article authorizing the Town to require owners of premises to keep their premises free from trash, obnoxious weeds, overgrowth, solid waste, and stagnant water. If the owner does not comply with the ordinance, then the Town may clean the premises and charge the cost against the premises. The cost will be a lien on the property and may be collected in the same manner as property taxes. Cost will include 8% interest per annum. The interest begins accruing when the bill for the cleanup becomes overdue. The act is effective when it becomes law.

Under current law taxes on real property may be collected in the following manner:

Foreclosure - a more drastic means of collecting taxes.

1. Action to foreclose a mortgage – sale of property pursuant to a court order
2. Proceeding in rem – the property may not be sold until six months after the lien advertisement

Levy – Tangible personal property is seized, advertised, and sold to highest bidder

Attachment and garnishment – The tax collector serves notice on the taxpayer and the bank holding the taxpayer's bank account or the employer owing wages to the taxpayer. If wages are attached, no more than 10% of the wages per pay period may be reached.

BACKGROUND:

G.S. 160A-193 provides:

> A city shall have authority to summarily remove, abate, or remedy everything in the city limits, or within one mile thereof, that is dangerous or prejudicial to the public health or public safety. The expense of the action shall be paid by the person in default, and, if not paid, shall be a lien upon the land or premises where the trouble arose, and shall be collected as unpaid taxes.

The following towns have been given authority to enact a similar ordinance: Salisbury, High Point, Durham, Wilmington, and Grifton.

February 18, 1999

A BILL TO BE ENTITLED

AN ACT TO ELIMINATE THE SUNSET ON USING SAVED EMPLOYER FICA CONTRIBUTIONS TO PAY THE ADMINISTRATIVE EXPENSES OF THE FLEXIBLE BENEFITS PROGRAM.

The General Assembly of North Carolina enacts:

Section 1. Section 14(i) of Chapter 1044 of the 1991 Session Laws, as amended by Section 42 of Chapter 561 of the 1993 Session Laws, Section 7.28A of Chapter 769 of the 1993 Session Laws, and Section 33.20 of S.L. 1997-443 reads as rewritten:

"(i) Subsections (a) through (d) of this section are effective January 1, 1990. Subsections (e) through (h) of this section are effective January 1, 1991. ~~Subsections (a) through (h) of this section shall expire December 31, 1999.~~"

Section 2. This act is effective when it becomes law.

SENATE BILL 130:
Remove Flexible Benefits Sunset

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Wellons
Date:	March 22, 1999	**Summary by:**	Thereras Matula
Version:	1st Edition		Martha Walston
			Staff Attorneys

SUMMARY: ***Senate Bill 130 eliminates the December 31, 1999 sunset provision and allows the employer's share of Federal Insurance Contributions Act (FICA) savings to pay the administrative expenses of the State employee flexible benefits program. The flexible benefits program (NC Flex) encompasses the dependent care program and the flexible compensation program. The companion bill (HB 204) was given a favorable report in House State Personnel and was re-referred to Appropriations on March 18.***

CURRENT LAW:

Until December 31, 1999, the current law, subject to the approval of the Director of Budget, allows the employer's share of FICA savings to be used to pay some or all of the administrative expenses of the flexible benefits program for State employees. The savings are generated by the reduction in salary that occurs when an employee participates in the flexible benefits program. This law affects:

eligible officers and employees of State departments, institutions, and agencies;

eligible employees of local school administrative units;

eligible employees of constituent institutions under the State Board of Community Colleges; and

eligible employees of constituent institutions under the Board of Governors of The University of North Carolina

Under current law, Session Law 1997-443, the ability to use employer FICA savings to support the administration of the flexible benefits program will expire on December 31, 1999.

BILL ANALYSIS:

SB 130 will remove the December 31, 1999 sunset provision and allow the employer's FICA contribution savings to pay for some or all of the administrative expenses of the flexible benefits program. The act is effective when it becomes law.

SENATE BILL 286

Short Title: Local Option Homestead Relief. (Public)

Sponsors: Senators Reeves; Ballance, Cooper, Dannelly, Jordan, Kinnaird, Lucas, Martin of Guilford, and Miller.

Referred to: Finance.

March 8, 1999

A BILL TO BE ENTITLED

AN ACT TO AMEND THE CONSTITUTION OF NORTH CAROLINA TO AUTHORIZE THE GENERAL ASSEMBLY TO ENACT LEGISLATION ALLOWING EACH COUNTY TO (I) INCREASE THE AMOUNT OF THE PROPERTY TAX HOMESTEAD EXEMPTION FOR LOW-INCOME ELDERLY AND DISABLED INDIVIDUALS IN THAT COUNTY AND (II) RAISE THE DEFINITION OF "LOW-INCOME" SO THAT MORE ELDERLY AND DISABLED INDIVIDUALS CAN QUALIFY FOR THE EXEMPTION.

The General Assembly of North Carolina enacts:

Section 1. Section 2 of Article V of the North Carolina Constitution is amended by adding a new subdivision to read:

"(8) Property tax homestead exclusion. If the General Assembly enacts legislation classifying and excluding from ad valorem taxation part of the value of the residence of each elderly or disabled individual whose income is below a maximum amount and who satisfies other conditions, the General Assembly may, notwithstanding subdivision (2) of this section, enact a general law uniformly applicable throughout the State authorizing each county to increase the portion of a classified residence's value that is excluded in that county and to increase the maximum income threshold to qualify for the exclusion in that county."

Section 2. G.S. 105-277.1 is amended by adding a new subsection to read:

"(a1) Local Option Increase. -- The board of commissioners of a county may, by resolution, increase the amount of the exclusion provided in subsection (a) of this

section, increase the maximum income threshold provided in subdivision (a)(2) of this section, or both. An increase adopted under this subsection shall apply uniformly within the county. The board of commissioners of a county may, by resolution, repeal or reduce an increase adopted under this subsection, but may not reduce the exclusion or the income threshold provided in subsection (a) of this section. A resolution changing the exclusion amount or the income threshold within a county pursuant to this subsection shall become effective no earlier than for the taxable year beginning July 1 following adoption of the resolution."

Section 3. G.S. 105-309(f) reads as rewritten:

"(f) The following information shall appear on each abstract or on an information sheet distributed with the abstract. If the county has increased the exclusion amount or the income threshold pursuant to G.S. 105-277.1(a1), the assessor shall substitute the applicable dollar amounts. The abstract or sheet must include the address and telephone number of the assessor below the notice required by this subsection. The notice shall read as follows:

'PROPERTY TAX RELIEF FOR ELDERLY AND PERMANENTLY DISABLED PERSONS.

North Carolina excludes from property taxes the first twenty thousand dollars ($20,000) in appraised value of a permanent residence owned and occupied by North Carolina residents aged 65 or older or totally and permanently disabled whose income does not exceed fifteen thousand dollars ($15,000). Income means the owner's adjusted gross income as determined for federal income tax purposes, plus all moneys received other than gifts or inheritances received from a spouse, lineal ancestor or lineal descendant.

If you received this exclusion in (assessor insert previous year), you do not need to apply again unless you have changed your permanent residence. If you received the exclusion in (assessor insert previous year) and your income in (assessor insert previous year) was above fifteen thousand dollars ($15,000), you must notify the assessor. If you received the exclusion in (assessor insert previous year) because you were totally and permanently disabled and you are no longer totally and permanently disabled, you must notify the assessor. If the person receiving the exclusion in (assessor insert previous year) has died, the person required by law to list the property must notify the assessor. Failure to make any of the notices required by this paragraph before April 15 will result in penalties and interest.

If you did not receive the exclusion in (assessor insert previous year) but are now eligible, you may obtain a copy of an application from the assessor. It must be filed by April 15.'"

Section 4. G.S. 105-328 reads as rewritten:

"**§ 105-328. Listing, appraisal, and assessment of property subject to taxation by cities and towns situated in more than one county.**

(a) ~~For~~ Except as provided in subsection (a1) of this section, for purposes of municipal taxation, all property subject to taxation by a city or town situated in two

or more counties may, by resolution of the governing body of the municipality, be listed, appraised, and assessed as provided in G.S. 105-326 and 105-327 if, in such a case, in the opinion of the governing body, the same appraisal and assessment standards will thereby apply uniformly throughout the municipality. However, if, in such a case, the governing body ~~shall determine~~ determines that adoption of the appraisals and assessments fixed by the counties will not result in uniform appraisals and assessments throughout the municipality, the governing body may, by horizontal adjustments, equalize the appraisal and assessment values fixed by the counties in order to obtain the required uniformity. Taxes levied by the city or town shall be levied uniformly on the assessments so determined.

(a1) This section does not apply to assessments of property that differ in any of the counties in which the city or town is located because of a local option adjustment in the homestead exclusion under G.S. 105-277.1(a1).

(b) Should the governing body of a city or town situated in two or more counties not adopt the procedure provided in subsection (a), above, all property subject to taxation by the municipality shall be listed, appraised, and assessed as provided in subdivisions (b)(1) through (b)(6), below.

(1) The governing body of the city or town shall appoint a municipal assessor on or before the first Monday in July in each odd-numbered year. The governing body may remove the municipal assessor from office during his term for good cause after giving him notice in writing and an opportunity to appear and be heard at a public session of the appointing body. Whenever a vacancy occurs in the office, the governing body shall appoint a qualified person to serve as municipal assessor for the period of the unexpired term. Persons holding the position of municipal assessor on July 1, 1971, shall be deemed qualified to fill the position. A person appointed as a municipal assessor shall meet the qualifications and requirements set for a county assessor under G.S. 105-294.

(2) With the approval of the governing body, a municipal assessor may employ listers, appraisers, and clerical assistants necessary to carry out the listing, appraisal, assessing, and billing functions required by law.

(3) A municipal assessor and the persons employed by him have the same powers and duties as their county equivalents with respect to property subject to taxation by a city or town.

(4) The governing body shall, with respect to property subject to city or town taxation, be vested with the powers and duties vested by this Subchapter in boards of county commissioners and boards of equalization and review. Appeals may be taken from the municipal board of equalization and review or governing body to the Property Tax Commission in the manner provided in this

Subchapter for appeals from county boards of equalization and review and boards of county commissioners.

(5) All expenses incident to the listing, appraisal, and assessment of property for the purpose of city or town taxation shall be borne by the municipality for whose benefit the work is undertaken.

(6) The intent of this subsection (b) is to provide cities and towns that are situated in two or more counties with machinery for listing, appraising, and assessing property for municipal taxation equivalent to that established by this Subchapter for counties. The powers to be exercised by, the duties imposed on, and the possible penalties against municipal governing bodies, boards of equalization and review, assessors, and persons employed by an assessor shall be the same as those provided in this Subchapter by, on, or against county boards of commissioners, boards of equalization and review, assessors, and persons employed by an assessor."

Section 5. The amendment set out in Section 1 of this act shall be submitted to the qualified voters of the State at the general election in November 2000. The election shall be conducted under the laws then governing elections in the State. Ballots, voting systems, or both may be used in accordance with Chapter 163 of the General Statutes. The question to be used in the voting systems and ballots shall be:

"[ ] FOR [ ] AGAINST

Constitutional amendment authorizing the General Assembly to allow counties to (1) increase the property tax exemption for a residence owned by a low-income elderly or disabled person and (2) raise the definition of 'low-income' so more elderly and disabled persons can qualify for the exemption."

Section 6. If a majority of the votes cast on the question are in favor of the amendment set out in Section 1 of this act, the State Board of Elections shall certify the amendment to the Secretary of State. The amendment becomes effective upon this certification. The Secretary of State shall enroll the amendment so certified among the permanent records of that office.

Section 7. Sections 2, 3, and 4 of this act become effective only if the constitutional amendment proposed by Section 1 of this act is approved as provided in Sections 5 and 6 of this act. If the constitutional amendment is approved, Sections 2, 3, and 4 of this act become effective when the State Board of Elections certifies the amendment to the Secretary of State.

Section 8. This act is effective when it becomes law.

SENATE BILL 286:
Proposed Committee Substitute
Local Option Homestead Exemption

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Reeves
Date:	March 22, 1999	**Summary by:**	Martha Harris and Martha Walston, Staff Attorneys
Version:	Proposed Committee Substitute		

SUMMARY: ***The proposed committee substitute for Senate Bill 286 authorizes a constitutional amendment to be considered by the voters in the 2000 general election to give counties the option of increasing the property tax homestead exemption amount and the property tax homestead income ceiling amount above the Statewide amounts set by the General Assembly in G.S. 105-277.1. If the amendment is approved by the voters, SB 286 provides the statutory authorization for the counties to exercise the local option. A constitutional amendment is necessary because the constitution requires property tax classifications to be uniform statewide. SB 286 provides no reimbursement for losses due to the local option increases counties may enact if the constitutional amendment is adopted. The PCS only makes technical and clarifying changes to the original bill, and is identical to House Bill 130.***

CURRENT LAW:

Section 2 of Article V of the North Carolina Constitution authorizes the General Assembly to classify property for taxation on a Statewide basis. Property that is classified must be taxed by a general law that is uniformly applicable in every city, county, or other local government unit. The homestead exemption is one of these property classifications. The homestead exemption is a partial exemption ($20,000) from property taxes for the residence of a person who:

1. is at least 65 years old or totally disabled, and
2. has an income of less than $15,000.

The income used to determine the income eligibility amount includes moneys received from every source other than gifts or inheritances received from a spouse, lineal ancestor, or lineal descendant. For married applicants residing with their spouses, the income of both spouses is included, whether or not the residence is in both names. The State reimburses local governments for part of their revenue loss due to the homestead exemption.

BILL ANALYSIS:

Section 1 of the bill proposes an amendment to Section 2 of Article V of the Constitution. This amendment would give the General Assembly the authority to permit counties, on a local option basis, to adopt a higher homestead exemption amount and to apply higher maximum income levels for eligibility than are authorized by the General Assembly on a uniform, Statewide basis.

Section 2 establishes the procedure for a board of county commissioners to adopt a resolution increasing the amount of the exclusion and the maximum income threshold for the homestead exemption greater than the amounts set in G.S. 105-277.1(a). It also authorizes the board to repeal or reduce any such increase as long as the reduction is not below the uniform Statewide limits.

Section 3 authorizes notice of the adopted levels.

Section 4 provides that for municipalities that lie in two or more counties, the municipalities may not adjust values because of different homestead exclusions adopted by the various counties.

Section 5 makes a clarifying change to the catch line of G.S. 105-277.1

Section 6 provides that the proposed constitutional amendment will be submitted to the voters in the Statewide general election in November 2000.

Section 7 provides that if a majority vote in favor of the constitutional amendment, then the amendment becomes effective once it is certified to the Secretary of State.

Section 8 sets out the effective dates. Sections 2, 3, and 4 become effective only if the constitutional amendment is approved and then certified to the Secretary of State. The remainder of the act is effective when it becomes law.

BACKGROUND:

The homestead exemption was created in 1972 and provided for a $5,000 exemption and an income eligibility amount of $3,500. The exemption has been amended eight times:

Year	exemption amount	income eligibility
1973	$5,000	$3,500 to $5,000
1975	$5,000	$5,000 to $7,500
1977	$5,000 to $7,500	$7,500 to $9,000
1981	$7,500 to $8,500	$9,000
1985	$8,500 to $10,000	$9,000 to $10,000
1987	$10,000 to $12,000	$10,000 to $11,000
1993	$12,000 to $15,000	$11,000
1997	$15,000 to $20,000	$11,000 to $15,000

State Reimbursement

Historically, local governments have borne most of the cost of the property tax homestead exemption. In 1982, the General Assembly established a mechanism for the State to reimburse cities and counties for a percentage of the revenue loss from this exemption. From 1982 until 1985, the State reimbursed local governments for 15% of their loss. For 1985 until 1987, the State reimbursed local governments for 35% of the cost of the homestead exemption. In 1991, the General Assembly froze the amount of reimbursements made to local governments to the amount each city and county was entitled to receive in 1991. That amount is approximately $7.9 million. No additional reimbursement was provided when the exemption amount was increased in 1993. When the homestead exemption was expanded in 1996, the General Assembly provided that, in addition to the existing $7.9 million reimbursement, the State would, for two years, reimburse local governments for ½ of the revenue loss attributable to the 1996 changes.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: County and City Governments who choose to participate.

EFFECTIVE DATE: When it becomes law.

BILL SUMMARY: The bill authorizes counties to increase the amount of property excluded from tax under the homestead exemption for the elderly and disabled. It also authorizes the counties to increase the maximum income threshold to qualify for the exemption. Once increased, the counties are also authorized to decrease these limits and exemptions as long at they met the minimum criteria set by the state. (Currently the state recognizes an exclusion of $20,000 of property owned by a qualified person with an income of less than $15,000). The county commission is charged with making the local decisions on homestead exemptions.

ASSUMPTIONS AND METHODOLOGY: The Homestead Exemption is a partial exemption from property taxes for the residence of a person who is aged 65 or older, or totally disabled, and who has an income of less than $15,000. The exemption amount was last increased in 1996, when it was increased from $15,000 to $20,000 effective July 1, 1997. Before then the exemption was last increased in 1993 from $12,000 to $15,000. The income eligibility amount was last increased in 1996, when it was increased from $11,000 to $15,000. Before then the

income threshold had last been increased in 1987, when it was increased from $10,000 to $11,000.

The current annual cost of the Homestead Exemption program is approximately $26 million. That cost is divided between the state and the localities. History indicates that when the exemption amount and the income requirement are changed incrementally, approximately 80% of the resulting loss corresponds to the property exemption and 20% to the income requirement. Of course this ratio may change if either the exemption or income requirements are altered dramatically.

In 1995 the U.S. Bureau of the Census estimated that the national median elderly home value was $81,956. Inflating these numbers by the Consumer Price Index rate for shelter in 1996 and 1997 creates a 1997 national average elderly home value of $87,201. Once adjusted for North Carolina's slightly lower than average home prices (5% adjustment) and the difference between actual value and assessed value for property tax purposes (because property is generally accessed every 4 or 8 years, the assessed value lags the actual value. On average the assessed value is approximately 85% of the actual value) a realistic North Carolina value would be approximately $70,500. The U.S. Bureau of the Census estimates that there were 589,000 elderly households in North Carolina in 1997. As such, the total value of homes owned by North Carolina elderly was approximately $41.5 billion. Assuming the weighted average property tax rate for 1997 applied, the total tax liability created by elderly households in 1997 was $402 million. Making adjustment for the current homestead exemption, the net 1997 cost of exempting all elderly homes would have been $376 million.

No exact fiscal estimate is possible on this bill for two reasons. First, the legislation is permissive; each individual county can decide if it will alter the income and exemption amounts. Fiscal Research cannot determine, reliably, which counties will actually decide to participate. Second, no maximum loss estimate (assuming all counties participate) is possible because the bill does not include a cap. As such, the range of potential loss goes from none, assuming no counties participate, to the entire value of all primary residences owned by all elderly persons (less the current homestead exemption).

A BILL TO BE ENTITLED

AN ACT TO AMEND THE CONSTITUTION OF NORTH CAROLINA, IF APPROVED BY THE VOTERS IN THE 2000 GENERAL ELECTION, TO AUTHORIZE THE GENERAL ASSEMBLY TO ENACT LEGISLATION ALLOWING EACH COUNTY TO (I) INCREASE THE AMOUNT OF THE PROPERTY TAX HOMESTEAD EXEMPTION FOR LOW-INCOME ELDERLY AND DISABLED INDIVIDUALS IN THAT COUNTY AND (II) RAISE THE DEFINITION OF "LOW-INCOME" SO THAT MORE ELDERLY AND DISABLED INDIVIDUALS CAN QUALIFY FOR THE EXEMPTION.

The General Assembly of North Carolina enacts:

Section 1. Section 2 of Article V of the North Carolina Constitution is amended by adding a new subsection to read:

"(8) Property tax homestead exclusion. If the General Assembly enacts legislation classifying and excluding from ad valorem taxation part of the value of the residence of each elderly or disabled individual whose income is below a maximum amount and who satisfies other conditions, the General Assembly may, notwithstanding subsection (2) of this section, enact a general law uniformly applicable throughout the State authorizing each county to increase the portion of a classified residence's value that is excluded in that county and to increase the maximum income threshold to qualify for the exclusion in that county."

Section 2. G.S. 105-277.1 is amended by adding a new subsection to read:

"(a1) Local Option Increase. -- The board of commissioners of a county may, by resolution, increase the amount of the exclusion provided in subsection (a) of this

section, increase the maximum income threshold provided in subdivision (a)(2) of this section, or both. An increase adopted under this subsection shall apply uniformly within the county. The board of commissioners of a county may, by resolution, repeal or reduce an increase adopted under this subsection, but may not reduce the exclusion or the income threshold provided in subsection (a) of this section. A resolution changing the exclusion amount or the income threshold within a county pursuant to this subsection shall become effective no earlier than for the taxable year beginning July 1 following adoption of the resolution."

Section 3. G.S. 105-309(f) reads as rewritten:

"(f) The following information shall appear on each abstract or on an information sheet distributed with the abstract. If the county has increased the exclusion amount or the income threshold pursuant to G.S. 105-277.1(a1), the assessor shall substitute the applicable dollar amounts. The abstract or sheet must include the address and telephone number of the assessor below the notice required by this subsection. The notice shall read as follows:

'PROPERTY TAX RELIEF FOR ELDERLY AND PERMANENTLY DISABLED PERSONS.

North Carolina excludes from property taxes the first twenty thousand dollars ($20,000) in appraised value of a permanent residence owned and occupied by North Carolina residents aged 65 or older or totally and permanently disabled whose income does not exceed fifteen thousand dollars ($15,000). Income means the owner's adjusted gross income as determined for federal income tax purposes, plus all moneys received other than gifts or inheritances received from a spouse, lineal ancestor or lineal descendant.

If you received this exclusion in (assessor insert previous year), you do not need to apply again unless you have changed your permanent residence. If you received the exclusion in (assessor insert previous year) and your income in (assessor insert previous year) was above fifteen thousand dollars ($15,000), you must notify the assessor. If you received the exclusion in (assessor insert previous year) because you were totally and permanently disabled and you are no longer totally and permanently disabled, you must notify the assessor. If the person receiving the exclusion in (assessor insert previous year) has died, the person required by law to list the property must notify the assessor. Failure to make any of the notices required by this paragraph before April 15 will result in penalties and interest.

If you did not receive the exclusion in (assessor insert previous year) but are now eligible, you may obtain a copy of an application from the assessor. It must be filed by April 15.'"

Section 4. G.S. 105-328 reads as rewritten:

"**§ 105-328. Listing, appraisal, and assessment of property subject to taxation by cities and towns situated in more than one county.**

(a) ~~For~~ Except as provided in subsection (a1) of this section, for purposes of municipal taxation, all property subject to taxation by a city or town situated in two

or more counties may, by resolution of the governing body of the municipality, be listed, appraised, and assessed as provided in G.S. 105-326 and 105-327 if, in such a case, in the opinion of the governing body, the same appraisal and assessment standards will thereby apply uniformly throughout the municipality. However, if, in such a case, the governing body ~~shall determine~~ determines that adoption of the appraisals and assessments fixed by the counties will not result in uniform appraisals and assessments throughout the municipality, the governing body may, by horizontal adjustments, equalize the appraisal and assessment values fixed by the counties in order to obtain the required uniformity. Taxes levied by the city or town shall be levied uniformly on the assessments so determined.

(a1) This section does not apply to assessments of property that differ in any of the counties in which the city or town is located because of a local option adjustment in the homestead exclusion under G.S. 105-277.1(a1).

(b) Should the governing body of a city or town situated in two or more counties not adopt the procedure provided in subsection ~~(a), above,~~ (a) of this section, all property subject to taxation by the municipality shall be listed, appraised, and assessed as provided in subdivisions (b)(1) through (b)(6), below.

(1) The governing body of the city or town shall appoint a municipal assessor on or before the first Monday in July in each odd-numbered year. The governing body may remove the municipal assessor from office during his term for good cause after giving him notice in writing and an opportunity to appear and be heard at a public session of the appointing body. Whenever a vacancy occurs in the office, the governing body shall appoint a qualified person to serve as municipal assessor for the period of the unexpired term. Persons holding the position of municipal assessor on July 1, 1971, shall be deemed qualified to fill the position. A person appointed as a municipal assessor shall meet the qualifications and requirements set for a county assessor under G.S. 105-294.

(2) With the approval of the governing body, a municipal assessor may employ testers, appraisers, and clerical assistants necessary to carry out the listing, appraisal, assessing, and billing functions required by law.

(3) A municipal assessor and the persons employed by him have the same powers and duties as their county equivalents with respect to property subject to taxation by a city or town.

(4) The governing body shall, with respect to property subject to city or town taxation, be vested with the powers and duties vested by this Subchapter in boards of county commissioners and boards of equalization and review. Appeals may be taken from the municipal board of equalization and review or governing body to the Property Tax Commission in the manner provided in this

Subchapter for appeals from county boards of equalization and review and boards of county commissioners.

(5) All expenses incident to the listing, appraisal, and assessment of property for the purpose of city or town taxation shall be borne by the municipality for whose benefit the work is undertaken.

(6) The intent of this subsection (b) is to provide cities and towns that are situated in two or more counties with machinery for listing, appraising, and assessing property for municipal taxation equivalent to that established by this Subchapter for counties. The powers to be exercised by, the duties imposed on, and the possible penalties against municipal governing bodies, boards of equalization and review, assessors, and persons employed by an assessor shall be the same as those provided in this Subchapter by, on, or against county boards of commissioners, boards of equalization and review, assessors, and persons employed by an assessor."

Section 5. The catch line of G.S. 105-277.1 reads as rewritten:

"**§ 105-277.1. Property ~~classified for taxation at reduced valuation.~~ tax homestead exclusion.**"

Section 6. The amendment set out in Section 1 of this act shall be submitted to the qualified voters of the State at the statewide general election to be held in 2000. The election shall be conducted under the laws then governing elections in the State. Ballots, voting systems, or both may be used in accordance with Chapter 163 of the General Statutes. The question to be used in the voting systems and ballots shall be:

"[ ] FOR [ ] AGAINST

Constitutional amendment authorizing the General Assembly to allow counties to (1) increase the property tax exemption for a residence owned by a low-income elderly or disabled person and (2) raise the definition of 'low-income' so more elderly and disabled persons can qualify for the exemption."

Section 7. If a majority of the votes cast on the question are in favor of the amendment set out in Section 1 of this act, the State Board of Elections shall certify the amendment to the Secretary of State. The amendment becomes effective upon this certification. The Secretary of State shall enroll the amendment so certified among the permanent records of that office.

Section 8. Sections 2, 3, and 4 of this act become effective only if the constitutional amendment proposed by Section 1 of this act is approved as provided in Sections 6 and 7 of this act. If the constitutional amendment is approved, Sections 2, 3, and 4 of this act become effective when the State Board of Elections certifies the amendment to the Secretary of State. The remainder of this act is effective when it becomes law.

ADJOURNMENT OF MEETING

SENATE FINANCE COMMITTEE

WEDNESDAY, APRIL 7, 1999

1:30 PM – ROOM 544

The Senate Finance Committee met on Wednesday, April 7, 1999, at 1:30 PM in Room 544 with Senator Hoyle presiding. There were 23 committee members present. Brandon Hoover from Trinity, North Carolina, sponsored by Senator Cochrane, Allison Avery and Brett Lybrand both from Gastonia, North Carolina and both sponsored by Senator Hoyle, were introduced as the pages for the meeting.

SB 691 – Bermuda Run Incorporated

Senator Cochrane was recognized to explain the bill. Senator Cochrane submitted an amendment to the bill and moved for the adoption, motion passed. After her explanation, Senator Webster moved for a "Favorable Report, as amended and bill be rolled into a committee substitute", motion passed. Copy of Bill and supporting documents included in the minutes.

SB 44 – 18th Senate District Local Act-1

Senator Soles was recognized to explain the bill, at which time he moved for the adoption for discussion of a committee substitute to the bill, motion passed. Senator Soles explained the committee substitute, after which Senator Dannelly moved to give the committee substitute a "Favorable Report", motion passed. Copy of Bill and supporting documents included in the minutes.

SB 56 – Sunset/Term of Energy Savings Contracts

Senator Lee was recognized to explain the bill, at which time he moved for the adoption for discussion of a committee substitute to the bill, motion passed. Senator Lee proceeded to explain the committee substitute. After a length discussion and questions and answers by members of the committee, Mr. Henry Jones, Attorney to the Mechanical and Electric Trades, along with Mr. Marvin Musselwhite, Attorney representing Johnson Controls and Mr. Eddie Truelove with NCA Plumbing, Heating and Cooling, spoke on the bill. At this point, Senator Lee agreed to carry over the bill until the next week's Senate Finance Meeting. Copy of Bill and supporting documents included in the minutes. NOTE: This Bill was heard in Senate Finance on April 14, 1999 and given a "Favorable Report" by the Committee.

SB 622 – Nursing Home Admin. Bd./Fees

Senator Kerr was recognized to explain the bill and at the conclusion of his explanation, Mr. Jack Nichols, Attorney representing Board of Nursing home Examiners spoke on the bill. Senator Dannelly moved for a "Favorable Report", motion passed. Copy of the Bill and supporting documents included in the minutes.

SB 515 – Volunteer Rescue Workers

Senator Kerr was recognized to explain the bill. Mr. Gordon Joyner, Executive Director of Rescue Squad Association, spoke on the bill. Senator Albertson moved for a "Favorable Report", motion passed. Copy of Bill and supporting documents included in the minutes.

SB 286 – Local Option Homestead Relief

Senator Reeves was recognized to explain the committee substitute that was adopted for this bill for discussion at the March 31, 1999 Senate Finance Meeting. After his explanation and some discussion on the bill, Senator Wellons moved to give the bill a "Favorable Report", motion passed. Copy of the Bill and supporting documents included in the minutes.

HB 56 – Eliminate Stamps for Deed Tax

Representative Dewey Hill was recognized to explain the bill. After his explanation, Senator Foxx moved to give the bill a "Favorable Report", motion passed. Copy of the bill and supporting documents included in the minutes.

A BILL TO BE ENTITLED

AN ACT TO INCORPORATE THE TOWN OF BERMUDA RUN AND TO SIMULTANEOUSLY DISSOLVE THE BERMUDA CENTER SANITARY DISTRICT.

The General Assembly of North Carolina enacts:

Section 1. In accordance with G.S. 130A-81(1a), the Town of Bermuda Run is incorporated and the Bermuda Center Sanitary District is simultaneously dissolved. The incorporation and dissolution are not subject to referendum.

Section 2. A Charter for the Town of Bermuda Run is enacted to read:

"CHARTER OF THE TOWN OF BERMUDA RUN.

"CHAPTER I.

"INCORPORATION AND CORPORATE POWERS.

"Section 1.1. **Incorporation and Corporate Powers.** The inhabitants of the Town of Bermuda Run are a body corporate and politic under the name 'Town of Bermuda Run'. The Town of Bermuda Run has all the powers, duties, rights, privileges, and immunities conferred and imposed on cities by the general law of North Carolina.

"CHAPTER II.

"CORPORATE BOUNDARIES.

"Section 2.1. **Town Boundaries.** Until modified in accordance with the law, the boundaries of the Town of Bermuda Run are as follows:

Being the following tracts and parcels of land located in Davie County, North Carolina, and being more particularly described as follows:

TRACT 1:

(1) Bermuda Village District consisting of residents of Bermuda Village.

(2) South District consisting of residents of Hamilton Court, Pembrook Ridge, St. George, River Hills, Jamesway, Highland Hills, and Warwicke subdivisions.

(3) Multifamily District consisting of residents of the Maisonettes, FairWay Villas, Spy Glass Hill, Golfview, and the Lakes subdivisions.

(4) North District consisting of all of the residents of Bermuda Run not included in the other Districts as set forth above.

The Town Council shall set and change the boundaries of and add or delete electoral districts by resolution.

"CHAPTER III.

"GOVERNING BODY.

"Section 3.1. **Structure of Governing Body; Number of Members.** The governing body of the Town of Bermuda Run shall be the Town Council, which shall have four members, and the Mayor.

"Section 3.2. **Manner of Electing Council.** The qualified voters of each of the four electoral districts in the Town shall nominate one or more individuals and then elect one member of the Town Council. An individual must reside in the district to be eligible for nomination and election to the Council from a district and for service on the Council as the member for a district.

"Section 3.3. **Term of Office of Council Members.** Members of the Council shall be elected to four-year terms. In 1999, four members of the Council shall be elected. The two persons receiving the highest number of votes shall be elected for four-year terms, and the two persons receiving the next highest number of votes shall be

elected for two-year terms. In 2001, and biennially thereafter, two members of the Council shall be elected for four-year terms.

"Section 3.4. **Election of Mayor and Term of Office.** In 1999 and quadrennially thereafter, the qualified voters of the entire Town shall nominate and elect the Mayor, who shall serve a four-year term. The Mayor shall have the right to vote only to break tie votes of the Council. In determining a quorum, the Mayor shall be treated as a member of the Council.

"CHAPTER IV.

"ELECTIONS.

"Section 4.1. **Conduct of Town Elections.** Town officers shall be nominated and elected on a nonpartisan basis as provided in G.S. 163-294.

"Section 4.2. **Date of Election.** Elections shall be conducted in accordance with Chapter 163 of the General Statutes with the first election of Town officers to be held in November, 1999.

"CHAPTER V.

"ADMINISTRATION.

"Section 5.1. **Town to Operate Under Council-Manager Form.** The Town of Bermuda Run will operate under the Council-Manager form of government as provided in Part 2 of Article 7 of Chapter 160A of the General Statutes.

"Section 5.2. **Officers and Employees.** The Council may appoint such officers and employees as may be necessary, and they shall serve at the pleasure of the Council. The Council shall fix all salaries, prescribe bonds, and require such oaths as they may deem necessary.

"Section 5.3. **Town Clerk.** The Council may appoint a Town Clerk who shall keep the records of the Council and perform other duties as may be required by general law or the Council.

"Section 5.4. **Assignment of Duties.** The Council may assign additional functions or duties to offices, departments, or agencies. Where positions are not incompatible, the Council may confer the powers and duties of two or more offices created or authorized by this Charter to one person.

"Section 5.5. **Transitional Government.** Until the Mayor and members of the Town Council are elected and qualified in accordance with this Charter and the laws of this State, the following persons shall serve on the Town's interim governing body: Clyde J. Gardner, Mayor, Robert W. Griffin, Charles H. Quinn, Bob L. Cornish, and Edwin J. Titsworth. Vacancies on the Interim Council shall be filled by appointment by the remaining members of the Interim Council. A vacancy in the office of Interim Mayor shall be filled by appointment by the Bermuda Run Incorporation Committee.

"CHAPTER VI.

"SPECIAL PROVISIONS.

"Section 6.1. **Annexation.** The Town of Bermuda Run shall not annex any property without the vote or consent of a majority of the residents of any such property.

"Section 6.2. **Property Taxes.** The Town of Bermuda Run shall not increase its property tax rates in excess of fifteen cents ($0.15) per one hundred dollars ($100.00)

of valuation without the vote or consent of a majority of the residents of the Town in accordance with G.S. 160A-209(f)."

Section 3. From and after July 1, 1999, the citizens and property in the Town of Bermuda Run shall be subject to municipal taxes levied for the fiscal year beginning July 1, 1999, and for that purpose, the Town shall obtain from Davie County a record of property in the area herein incorporated which was listed for taxes as of January 1, 1999. The Town may adopt a budget ordinance for fiscal year 1999-2000 without following the timetable in the local Government Budget and Fiscal Control Act, but shall follow the sequence of actions in the spirit of the Act insofar as is practical.

Section 4. The incorporation of the Town of Bermuda Run and the simultaneous dissolution of the Bermuda Center Sanitary District shall become effective at 12:00 noon on the first day of the first calendar month starting at least seven days after this act becomes law. The Bermuda Center Sanitary District shall take all actions necessary to effect this transfer of the assets and liabilities of the Sanitary District to the Town of Bermuda Run by three days before its dissolution.

Section 5. The transitional provisions of G.S. 130A-81(5) a. through g. shall apply to the Town of Bermuda Run and the Bermuda Center Sanitary District.

Section 6. This act is effective when it becomes law.

"Section 5.2. **Officers and Employees.** The Council may appoint such officers and employees as may be necessary, and they shall serve at the pleasure of the Council. The Council shall fix all salaries, prescribe bonds, and require such oaths as they may deem necessary.

"Section 5.3. **Town Clerk.** The Council may appoint a Town Clerk who shall keep the records of the Council and perform other duties as may be required by general law or the Council.

"Section 5.4. **Assignment of Duties.** The Council may assign additional functions or duties to offices, departments, or agencies. Where positions are not incompatible, the Council may confer the powers and duties of two or more offices created or authorized by this Charter to one person.

"Section 5.5. **Transitional Government.** Until the Mayor and members of the Town Council are elected and qualified in accordance with this Charter and the laws of this State, the following persons shall serve on the Town's interim governing body: Clyde J. Gardner, Mayor, Robert W. Griffin, Charles H. Quinn, Bob L. Cornish, Edwin J. Titsworth, and John H. Ferguson. Vacancies on the Interim Council shall be filled by appointment by the remaining members of the Interim Council. A vacancy in the office of Interim Mayor shall be filled by appointment by the Bermuda Run Incorporation Committee.

"CHAPTER VI.

"SPECIAL PROVISIONS.

"Section 6.1. **Annexation.** The Town of Bermuda Run shall not annex any property without the vote or consent of a majority of the residents of any such property.

"Section 6.2. **Property Taxes.** The Town of Bermuda Run shall not increase its property tax rates in excess of fifteen cents ($0.15) per one hundred dollars ($100.00) of valuation without the vote or consent of a majority of the residents of the Town in accordance with G.S. 160A-209(f)."

Section 3. From and after July 1, 1999, the citizens and property in the Town of Bermuda Run shall be subject to municipal taxes levied for the fiscal year beginning July 1, 1999, and for that purpose, the Town shall obtain from Davie County a record of property in the area herein incorporated which was listed for taxes as of January 1, 1999. The Town may adopt a budget ordinance for fiscal year 1999-2000 without following the timetable in the local Government Budget and Fiscal Control Act, but shall follow the sequence of actions in the spirit of the Act insofar as is practical.

Section 4. The incorporation of the Town of Bermuda Run and the simultaneous dissolution of the Bermuda Center Sanitary District shall become effective at 12:00 noon on the first day of the first calendar month starting at least seven days after this act becomes law. The Bermuda Center Sanitary District shall take all actions necessary to effect this transfer of the assets and liabilities of the Sanitary District to the Town of Bermuda Run by three days before its dissolution.

Section 5. The transitional provisions of G.S. 130A-81(5) a. through g. shall apply to the Town of Bermuda Run and the Bermuda Center Sanitary District.

Section 6. This act is effective when it becomes law.

February 9, 1999

A BILL TO BE ENTITLED

AN ACT TO REPEAL THE SUNSET REGARDING THE AUTHORITY OF LOCAL GOVERNMENTAL UNITS TO ENTER INTO GUARANTEED ENERGY SAVINGS CONTRACTS FOR LOCAL PUBLIC FACILITIES AND TO EXTEND THE CURRENT MAXIMUM DURATION OF THESE CONTRACTS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 143-64.17(1) reads as rewritten:

"(1) 'Energy conservation measure' means a facility ~~alteration or training~~ alteration, or training or services related to the operation of the ~~facility~~ facility, ~~that reduces energy consumption or operating costs and includes:~~ when the alteration, training, or services provide anticipated energy savings. Energy conservation measure includes any of the following:

a. Insulation of the building structure and systems within the ~~building;~~ building.

b. Storm windows or doors, caulking, weatherstripping, multiglazed windows or doors, heat-absorbing or heat-reflective glazed or coated window or door systems, additional glazing, reductions in glass area, or other window or door system modifications that reduce energy ~~consumption;~~ consumption.

c. Automatic energy control ~~systems;~~ systems.

d. Heating, ventilating, or air-conditioning system modifications or ~~replacements;~~ replacements.

e. Replacement or modification of lighting fixtures to increase the energy efficiency of a lighting system without increasing the overall illumination of a facility, unless an increase in illumination is necessary to conform to the applicable State or local building code or is required by the light system after the proposed modifications are ~~made;~~ made.

f. Energy recovery ~~systems;~~ systems.

g. Cogeneration systems that produce steam or forms of energy such as heat, as well as electricity, for use primarily within a building or complex of ~~buildings; or~~ buildings.

h. Other energy conservation ~~measures that provide long-term operating cost reductions or significantly reduce energy consumed~~ measures."

Section 2. G.S. 143-64.17(2) reads as rewritten:

"(2) 'Energy savings' means a measured reduction in ~~fuel,~~ fuel costs, ~~energy,~~ energy costs, or operating costs created from the implementation of one or more energy conservation measures when compared with an established baseline of previous ~~fuel,~~ fuel costs, ~~energy,~~ energy costs, or operating costs developed by the local governmental unit."

Section 3. G.S. 143-64.17B reads as rewritten:

"**§ 143-64.17B. Guaranteed energy savings contracts.**

(a) A local governmental unit may enter into a guaranteed energy savings contract with a qualified provider if all of the following apply:

(1) The term of the contract does not exceed ~~eight years from the date of~~ two-thirds of the anticipated remaining useful life of the facility after the installation ~~or acceptance by the local governmental unit~~ or commencement of the energy conservation measures provided for under the ~~contract.~~ contract or 25 years, whichever is less.

(2) The local governmental unit finds that the energy savings resulting from the performance of the contract will equal or exceed the total cost of the contract.

(3) The energy conservation measures to be installed under the contract are for an existing building.

(b) Before entering into a guaranteed energy savings contract, the local governmental unit shall provide published notice of the meeting at which it proposes to award the contract, the names of the parties to the proposed contract, and the contract's purpose. The notice must be published at least 15 days before the date of the meeting.

(c) A qualified provider entering into a guaranteed energy savings contract under this Part shall provide a bond to the local governmental unit in the amount equal to one hundred percent (100%) of the total cost of the guaranteed energy savings

contract to assure the provider's faithful performance. Any bonds required by this subsection shall be subject to the provisions of Article 3 of Chapter 44A of the General Statutes. If the savings resulting from a guaranteed energy savings contract are not as great as projected under the contract and all required shortfall payments to the local governmental unit have not been made, the local governmental unit may terminate the contract without incurring any additional obligation to the qualified provider.

(d) As used in this section, 'total cost' shall include, but not be limited to, costs of construction, costs of financing, and costs of maintenance and training during the term of the contract. 'Total cost' does not include any obligations on termination of the contract before its expiration, provided that those obligations are disclosed when the contract is executed.

(e) A guaranteed energy savings contract may not require the local governmental unit to purchase a maintenance contract or other maintenance agreement from the qualified provider who installs energy conservation measures under the contract if the local unit of government takes appropriate action to budget for its own forces or another provider to maintain new systems installed and existing systems affected by the guaranteed energy savings ~~contract.~~ contract, in accordance with manufacturer's standards or other reasonable standards specifically provided in the guaranteed energy savings contract."

Section 4. Section 10 of Chapter 775 of the 1993 Session Laws, as amended by Section 3 of Chapter 295 of the 1995 Session Laws, reads as rewritten:

"~~Sec. 10. A local governmental unit may not enter into a guaranteed energy savings contract under Part 2 of Article 3B of Chapter 143 of the General Statutes, as enacted by this act, on or after July 1, 1999.~~"

Section 5. Sections 1 through 3 of this act become effective July 1, 1999, and apply to contracts entered into on or after that date. The remaining sections of this act are effective upon ratification.

SENATE BILL 56 (PCS): Sunset/Term of Energy Savings Contracts

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Lee
Date:	April 6, 1999	**Summary by:**	Sara Kamprath and Martha Walston
Version:	Proposed Committee Substitute		

SUMMARY: ***The proposed committee substitute for Senate Bill 56 extends the maximum term of a guaranteed energy savings contract to 2/3 of the anticipated remaining useful life of the facility or 25 years, whichever is less. The sunset date of July 1, 1999 for local governmental units to enter into these contracts is repealed. SB 56 was given a favorable report in Senate Education/Higher Education on March 18 and was re-referred to Senate Finance. The PCS makes only a technical change.***

CURRENT LAW:

Part 2 of Article 3B of Chapter 143 (Guaranteed Energy Savings Contracts for Local Government Units) was a recommendation of the 1991 LRC Committee on Ways to Promote the Conservation of Energy and the Use of Renewable Energy Sources in Residential, Commercial, Industrial and Public Facilities. Local units of government, including any board of a community college or a school board, are allowed to enter into a guaranteed energy savings contract if all of the following conditions are met:

1. The term of the contract does not exceed eight years from the date of installation and acceptance of the energy conservation measures provided for in the contract;
2. The energy savings will equal or exceed the total cost of the contract; and
3. The energy conservation measures are for an existing building.

The guaranteed energy savings contracts are awarded through a request for proposals (RFP) process set out in the statute. Once a contract is awarded, the contract and its terms must be reported to the Local Government Commission. The Local Government Commission shall compile this information and report it to the Joint Legislative Commission on Governmental Operations. In 1995, the General Assembly extended a local government's authority to enter into guaranteed energy savings contracts for an additional two years until July 1, 1999.

BILL ANALYSIS:

Sections 1 and 2 of the bill make clarifying and stylistic changes.

Section 3 amends G.S. 143-64.17B(a) to increase the maximum term of a guaranteed energy savings contract from the current 8 years to two-thirds of the anticipated remaining useful life of the facility or 25 years, whichever is less. This section also amends G.S. 143-64.17B(e) to provide that if a local governmental unit maintains the energy conservation measures on its own or through another provider other than the original installer, then the maintenance must be in accordance with the manufacturer's standards or other reasonable standards provided for in the contract.

Section 4 repeals the sunset that prohibits a local governmental unit from entering into one of the above guaranteed energy savings contract on or after July 1, 1999.

Sections 1 through 3 become effective July 1, 1999 and apply to contracts entered into on or after that date. The remaining sections of the act are effective when they become law.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: **Department of State Treasurer – Local Government Commission; City and County local governmental units**

EFFECTIVE DATE: Sections 1 to 3 (increase term of contract and make stylistic changes) become effective July 1, 1999. Section 4 (repeal sunset) is effective upon ratification.

BILL SUMMARY: Senate Bill 56 repeals the sunset for local governments entering into energy savings contracts on or after July 1, 1999. In addition, the bill increases the maximum term of guaranteed energy savings contracts from 8 years to two-thirds of the anticipated remaining useful life of the facility or 25 years, whichever is less.

ASSUMPTIONS AND METHODOLOGY: The State Treasurer's Director of State and Local Government Finance believes the bill will provide local governments with an opportunity to save money through energy conservation efforts, but the savings cannot be quantified. Section 1 of the bill expands the definition of energy conservation measures to include training and services. This will permit local governments to finance items not currently allowed in installment debt financing. The Local Government Commission will work with local governmental units to review the appropriateness of using guaranteed energy savings contracts.

SENATE BILL 622

Short Title: Nursing Home Admin. Bd./Fees. (Public)

Sponsors: Senator Kerr.

Referred to: Finance.

March 30, 1999

A BILL TO BE ENTITLED

AN ACT TO IMPOSE ADDITIONAL FEES AND COSTS AND TO INCREASE EXISTING FEES COLLECTED UNDER THE NURSING HOME ADMINISTRATORS BOARD ACT.

The General Assembly of North Carolina enacts:

Section 1. G.S. 90-280 reads as rewritten:

"**§ 90-280. Fees; display of license; duplicate license; inactive list.**

(a) Each applicant for an examination administered by the Board and each applicant for an administrator-in-training program shall pay a processing fee set by the Board not to exceed two hundred dollars ~~($200.00).~~ ($200.00) plus the actual cost of the exam.

(b) Each person licensed as a nursing home administrator shall be required to pay a license fee in an amount set by the Board not to exceed five hundred dollars ($500.00). A license shall expire on the thirtieth day of September of the second year following its issuance and shall be renewable biennially upon payment of a renewal fee set by the Board not to exceed five hundred dollars ($500.00).

(c) Each person licensed as a nursing home administrator shall display his license certificate, along with the current certificate of renewal, in a conspicuous place in his place of employment.

(d) Any person licensed as a nursing home administrator may receive a duplicate license by payment of a fee set by the Board not to exceed twenty-five dollars ($25.00).

(e) Any person licensed as a nursing home administrator who is not acting, serving, or holding himself out to be a nursing home administrator may have his

name placed on an inactive list for such period of time not to exceed ~~five~~ two years upon payment of a fee set by the Board not to exceed ~~twenty-five dollars ($25.00).~~ two hundred dollars ($200.00). Upon request and payment of an additional fee not to exceed two hundred dollars ($200.00), the person's name may remain on an inactive list for one additional period of time not to exceed two years.

(f) Any person having a temporary license issued pursuant to G.S. 90-278(3) shall pay a fee in an amount set by the Board not to exceed ~~one~~ two hundred dollars ~~($100.00).~~ ($200.00). If the Board renews the temporary license, ~~no further~~ an additional fee not to exceed two hundred dollars ($200.00) may ~~shall~~ be required.

(g) The Board may set fees not to exceed two hundred and fifty dollars ($250.00) for conducting and administering initial training and continuing education courses, and may set a fee not to exceed one hundred dollars ($100.00) for certifying a course submitted for review by another individual or agency wishing to offer such ~~courses.~~ courses or may set an annual fee not to exceed two thousand dollars ($2,000) for certifying a course provider in lieu of certifying each course offered by the provider."

Section 2. Chapter 90 of the General Statutes is amended by adding the following new section to read:

"**§ 90-285.2. Board recovery of administrative costs in certain contested cases.**

As provided in this section, the Board may determine and assess administrative costs payable by the respondent in a contested case to the extent the costs are attributable to any Board expenditures necessitated by investigation and pursuit of contested case proceedings in the enforcement of G.S. 90-285.1. Costs may be assessed if the Board, based upon substantial evidence, finds, either by consent or through a public hearing conducted pursuant to Chapter 150B of the General Statutes, that the respondent violated G.S. 90-285.1 and that the case was unduly complicated, unduly lengthy, or unduly contentious as a result of the respondent's failure to cooperate in good faith in the investigation or contested case proceeding. Costs assessed in accordance with this section may not exceed five thousand dollars ($5,000)."

Section 3. This act is effective when it becomes law.

SENATE BILL 622:
Nursing Home Adminstrator Board/Fees

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Kerr
Date:	April 6, 1999	**Summary by:**	Martha K. Walston
Version:	1st Edition		Committee Counsel

SUMMARY: ***Senate Bill 622 makes the following changes to the Nursing Home Administrator Act: (1) requires applicant for an exam and for an administrator-in-training program to pay the actual cost of the exam in addition to the current fee not to exceed $200, (2) increases the fee for a temporary license from not more than $100 to not more than $200, (3) shortens the time from five to two years a person may keep his name on an inactive list, increases the fee to be on the list from a fee not to exceed $25 to a fee not to exceed $200, and allows a person's name to remain on the inactive list for one additional period of time not to exceed two year for an additional fee not to exceed $200, (4) increases the fee for temporary license from not more than $100 to not more than $200, (5) allows the Board to set an annual fee not to exceed $2,000 for certifying a course provider of continuing education in lieu of certifying each course offered by the provider, and (6) allows recovery of administrative costs in certain contested cases.***

BILL ANALYSIS: Beginning January 1, 2000, the national examination for nursing home administrators will be computerized. The Bill will require applicants for this exam and any other exam given by the Board to pay the actual cost of the exam. The cost of the national exam is sent to the National Board. Applicants for an exam and for the administrator-in-training program will continue to pay a processing fee not to exceed $200. This fee will be used to cover expenses of verifying the applicant's eligibility, giving or making arrangements for the exam, conducting the administrator-in-training program , and reporting the exam score.

The Bill shortens the time that a licensed nursing home administrator may keep his or her name on an inactive list from five to two years. The fee to be on the list is increased from a fee not to exceed $25 to a fee not to exceed $200. A person may keep his or her name on the inactive list for one additional two year period for a fee not to exceed $200. The Board feels that five years is too long a time to remain on an inactive list and then, after this time, to be allowed to run a nursing home upon payment of a license fee and completion 30 hours of continuing education.

The Bill increases the temporary license fee from an amount not to exceed $100 to an amount not to exceed $200 and authorizes the Board to assess a renewal fee not to exceed $200.

The Bill allows the Board to charge an annual fee not to exceed $2,000 for certifying a course provider of continuing education. This annual fee will be lieu of the fee (not to exceed$100) for certifying each course. This change will eliminate paperwork and is consistent with the National Board.

The Bill adds a new section that will allow the Board to assess administrative costs to a respondent in a contested case. These costs may not exceed $5,000 and must be attributable to Board expenditures in a contested case seeking to suspend, revoke, or refuse to issue a license for the reasons stated in G.S. 90-285.1. The case must also be unduly complicated, lengthy, or contentious as a result of the respondent's failure to cooperate in good faith in the investigation or contested case proceeding.

EFFECTIVE DATE: The act is effective when it becomes law.

BILL SUMMARY: The bill makes the following changes: 1) increases the exam fee from up to $200 to an amount up to $200 plus cost of the exam; 2) increases the fee for going into inactive status from $25 to $200 and reduces the period of inactive status from 5 years to 2 years; 3) increases the cost of a temporary license from $100 to $200; 4) sets a maximum annual fee of $2000 for course providers of Continuing Education courses; and 5) allows recovery of costs of enforcement proceedings of up to $5000.

ASSUMPTIONS AND METHODOLOGY:

I. Exams

The Board of Examiners for Nursing Home Administrators (State Board) now collects $200 for examination of administrators-in-training. From this fee, $150 is sent to the National Association of Boards of Examiners for Nursing Home Administrators and $50 is retained by the State Board to cover processing costs. In January 2000, administrators-in-training will pay the National

Board directly for the exam. The proposed language in section one of the bill allows the State Board to continue collecting up to $200 for processing the exam and states that exam applicants will pay the actual cost of the exam. Since the State Board has no plans to increase their processing fee beyond the $50 now charged, revised 90-280(a) has no fiscal impact.

II. Inactive Status

In each of the last two years, there have been 57 applicants for inactive status. Revised 90-280(e) increases the fee from $25 to $200 and reduces the time permitted on inactive status from 5 to 2 years. This change could encourage former nursing home administrators to reapply for a permanent license or simply let their license lapse. The State Board makes no prediction on the future of this group, but simply projects that an average of 57 applicants each year will pay the new $200 rate. At this new rate, the State Board will collect $9,975 in new revenue each year.

III. Temporary License

The State Board issued 46 temporary licenses in 1997-98 and has issued 44 temporary licenses in the first 9 months of 1998-99. When the State Board meets every six weeks it approves temporary licenses until the next exam period, which are held four times a year. The State Board expects the number of temporary licenses to remain at 46 per year even with the increase to $200 in 90-280(f). This will generate $4,600 in additional revenue each year.

IV. Course Fees

The State Board may charge up to $100 to certify a continuing education course offered by an agency or individual, but now charges $50 per course. 90-280(g) offers a new option to groups who provide numerous continuing education courses. The State Board believes such groups as the NC Health Care Facilities Association, the NC Nonprofit Association, and the Northwest AHEC will take advantage of this $2,000 annual fee. The new fee will reduce the paperwork on both the State Board and the course sponsors and is not expected to reduce course revenue.

V. Contested Cases

The State Board has witnessed an increased number of enforcement cases in recent years due to the increased inspection efforts of the Division of Facility Services in the Department of Health and Human Services. The State Board receives about 20 cases a year that they try to resolve by consent order. However, about one case per year cannot be easily resolved due to the respondent's failure to cooperate in good faith in the investigation and proceeding. The State Board can charge up to $5,000 in each of these cases to recover administrative costs.

A BILL TO BE ENTITLED

AN ACT TO INCREASE THE NUMBER OF PAID MEMBERS A RESCUE OR RESCUE/EMS UNIT MAY HAVE TO RECEIVE GRANTS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 58-87-5(b) reads as rewritten:

"(b) A rescue or rescue/EMS unit is eligible for a grant under this section if it meets all of the following conditions:

(1) Repealed by Session Laws 1989 (Regular Session, 1990), c. 1066, s. 33(a).

(2) It has no more than ~~two~~ 10 paid members and otherwise consists of volunteer members.

(3) It has been recognized by the Department as an organization that provides rescue or rescue and emergency medical services.

(4) It satisfies the eligibility criteria established by the Department under subsection (a) of this section."

Section 2. This act becomes effective October 1, 1999.

SENATE BILL 515:
Volunteer Rescue Workers

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Kerr
Date:	April 6, 1999	**Summary by:**	Martha K. Walston
Version:	1st Edition		Committee Counsel

SUMMARY: ***Senate Bill 515 increases the number of paid members (from 2 to 10) that a rescue or rescue/EMS unit may have in order to receive a grant from the Volunteer Rescue/EMS Fund. The grant may be used only for equipment purchases, payment of highway use taxes on those purchases, or capital expenditures.***

CURRENT LAW: G.S. 58-87-5 creates the Rescue/EMS Fund in the Department of Insurance to provide grants to volunteer rescue units providing rescue or rescue and emergency medical services. The grant may be used only for equipment purchases, payment of highway use taxes on those purchases, or capital expenditures. The Fund assets are invested by the State Treasurer, and earnings remain in the Fund. On December 15 of each year, the Department of Insurance makes grants to eligible units. A rescue or rescue /EMS unit is eligible for a grant if it meets all of the following conditions:

(1) Repealed

(2) It has no more than two paid members and otherwise consists of volunteer members.

(3) It has been recognized by the Department as an organization that provides rescue or rescue and emergency medical services.

(4) It satisfies the eligibility criteria established by the Department under subsection (a) of this section. Subsection (a) requires that an applicant whose liquid assets, when combined with the liquid assets of any corporate affiliate or subsidiary of the applicant, are more than $1,000 shall match the grant on a dollar-for-dollar basis with non-State funds. Grants to these applicants may not exceed $15,000. Grants to an applicant who is not required to match the grant with non-State funds may not exceed $3,000. An applicant may receive no more than one grant per fiscal year.

BILL ANALYSIS: **Senate Bill 515** amends the conditions of eligibility to allow a rescue or rescue/EMS unit to have no more than 10 paid members. The current law only allows no more than two paid members.

APPLICABLE DEFINITIONS:

The following definitions apply in G.S. 58-87-5:

"Rescue" means the removal of individuals facing external, nonmedical, and nonpatient related peril to areas of relative safety.

"Rescue unit" or "rescue squad" means a group of individuals who are not necessarily trained in emergency medical services, fire fighting, or law enforcement, but who expose themselves to external, nonmedical, and nonpatient related peril to effect, the removal of individuals facing the same type of peril to areas of relative safety.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Insurance, Volunteer Rescue Units, Highway Fund, and the Highway Trust Fund.

EFFECTIVE DATE: October 1, 1999.

BILL SUMMARY: G.S. 58-87-5 established a special non-reverting Volunteer Rescue/EMS Fund. This fund provides grants to volunteer rescue units to purchase equipment and make capital improvements. In order to qualify for the grants the rescue unit must meet a number of eligibility criteria. One of those requirements is that the rescue or rescue/EMS unit has no more than two paid employees. This bill increases the limit on the number of employees to ten.

ASSUMPTIONS AND METHODOLOGY: In 1998 the Department of Insurance received 170 grant applications for the Volunteer Rescue/EMS fund. The total amount requested was $1,262,637.39. At that time $1,028,135.16 was available to fund those requests. The Department approved 148 applications and distributed $1,025,033.99. The remaining balance of $3,101.17 will be rolled over into the 1999 availability. Funding decisions are made on the basis of need. The Department uses 2% of the fund balance to cover administrative costs.

The bill does not change the amount of grant money available to rescue and rescue/EMS units. It simply increases the number of units that are eligible to compete for the funds. Therefore, the bill will not have a direct fiscal impact on the Volunteer Rescue/EMS fund.

The bill will have a small fiscal impact on motor fuel tax revenue. Under G.S. 105-449.106, volunteer rescue squads can apply for a quarterly refund of the taxes they pay on motor fuels. The Department of Revenue uses the definition of "volunteer rescue" in G.S. 58-87-5 to determine which organizations qualify for the motor fuel tax refund. The bill expands this definition. According to the North Carolina Association of Rescue and EMS, there are approximately 400 volunteer rescue and EMS units that meet the existing grant requirements. The Association believes the bill will increase the number of eligible organizations to 445. As a result, 45 additional units will be eligible for the motor fuels tax refund.

In FY 1997-98 the Department of Revenue refunded $41,579.81 in motor fuels taxes to volunteer rescue units. The Department can not estimate the number and value of the additional refunds. However, the do not believe the additional refunds will amount to more than $5000.

March 8, 1999

A BILL TO BE ENTITLED

AN ACT TO AMEND THE CONSTITUTION OF NORTH CAROLINA TO AUTHORIZE THE GENERAL ASSEMBLY TO ENACT LEGISLATION ALLOWING EACH COUNTY TO (I) INCREASE THE AMOUNT OF THE PROPERTY TAX HOMESTEAD EXEMPTION FOR LOW-INCOME ELDERLY AND DISABLED INDIVIDUALS IN THAT COUNTY AND (II) RAISE THE DEFINITION OF "LOW-INCOME" SO THAT MORE ELDERLY AND DISABLED INDIVIDUALS CAN QUALIFY FOR THE EXEMPTION.

The General Assembly of North Carolina enacts:

Section 1. Section 2 of Article V of the North Carolina Constitution is amended by adding a new subdivision to read:

"(8) Property tax homestead exclusion. If the General Assembly enacts legislation classifying and excluding from ad valorem taxation part of the value of the residence of each elderly or disabled individual whose income is below a maximum amount and who satisfies other conditions, the General Assembly may, notwithstanding subdivision (2) of this section, enact a general law uniformly applicable throughout the State authorizing each county to increase the portion of a classified residence's value that is excluded in that county and to increase the maximum income threshold to qualify for the exclusion in that county."

Section 2. G.S. 105-277.1 is amended by adding a new subsection to read:

"(a1) Local Option Increase. -- The board of commissioners of a county may, by resolution, increase the amount of the exclusion provided in subsection (a) of this

section, increase the maximum income threshold provided in subdivision (a)(2) of this section, or both. An increase adopted under this subsection shall apply uniformly within the county. The board of commissioners of a county may, by resolution, repeal or reduce an increase adopted under this subsection, but may not reduce the exclusion or the income threshold provided in subsection (a) of this section. A resolution changing the exclusion amount or the income threshold within a county pursuant to this subsection shall become effective no earlier than for the taxable year beginning July 1 following adoption of the resolution."

Section 3. G.S. 105-309(f) reads as rewritten:

"(f) The following information shall appear on each abstract or on an information sheet distributed with the abstract. If the county has increased the exclusion amount or the income threshold pursuant to G.S. 105-277.1(a1), the assessor shall substitute the applicable dollar amounts. The abstract or sheet must include the address and telephone number of the assessor below the notice required by this subsection. The notice shall read as follows:

'PROPERTY TAX RELIEF FOR ELDERLY AND PERMANENTLY DISABLED PERSONS.

North Carolina excludes from property taxes the first twenty thousand dollars ($20,000) in appraised value of a permanent residence owned and occupied by North Carolina residents aged 65 or older or totally and permanently disabled whose income does not exceed fifteen thousand dollars ($15,000). Income means the owner's adjusted gross income as determined for federal income tax purposes, plus all moneys received other than gifts or inheritances received from a spouse, lineal ancestor or lineal descendant.

If you received this exclusion in (assessor insert previous year), you do not need to apply again unless you have changed your permanent residence. If you received the exclusion in (assessor insert previous year) and your income in (assessor insert previous year) was above fifteen thousand dollars ($15,000), you must notify the assessor. If you received the exclusion in (assessor insert previous year) because you were totally and permanently disabled and you are no longer totally and permanently disabled, you must notify the assessor. If the person receiving the exclusion in (assessor insert previous year) has died, the person required by law to list the property must notify the assessor. Failure to make any of the notices required by this paragraph before April 15 will result in penalties and interest.

If you did not receive the exclusion in (assessor insert previous year) but are now eligible, you may obtain a copy of an application from the assessor. It must be filed by April 15.'"

Section 4. G.S. 105-328 reads as rewritten:

"**§ 105-328. Listing, appraisal, and assessment of property subject to taxation by cities and towns situated in more than one county.**

(a) ~~For~~ Except as provided in subsection (a1) of this section, for purposes of municipal taxation, all property subject to taxation by a city or town situated in two

or more counties may, by resolution of the governing body of the municipality, be listed, appraised, and assessed as provided in G.S. 105-326 and 105-327 if, in such a case, in the opinion of the governing body, the same appraisal and assessment standards will thereby apply uniformly throughout the municipality. However, if, in such a case, the governing body ~~shall determine~~ determines that adoption of the appraisals and assessments fixed by the counties will not result in uniform appraisals and assessments throughout the municipality, the governing body may, by horizontal adjustments, equalize the appraisal and assessment values fixed by the counties in order to obtain the required uniformity. Taxes levied by the city or town shall be levied uniformly on the assessments so determined.

(a1) This section does not apply to assessments of property that differ in any of the counties in which the city or town is located because of a local option adjustment in the homestead exclusion under G.S. 105-277.1(a1).

(b) Should the governing body of a city or town situated in two or more counties not adopt the procedure provided in subsection (a), above, all property subject to taxation by the municipality shall be listed, appraised, and assessed as provided in subdivisions (b)(1) through (b)(6), below.

(1) The governing body of the city or town shall appoint a municipal assessor on or before the first Monday in July in each odd-numbered year. The governing body may remove the municipal assessor from office during his term for good cause after giving him notice in writing and an opportunity to appear and be heard at a public session of the appointing body. Whenever a vacancy occurs in the office, the governing body shall appoint a qualified person to serve as municipal assessor for the period of the unexpired term. Persons holding the position of municipal assessor on July 1, 1971, shall be deemed qualified to fill the position. A person appointed as a municipal assessor shall meet the qualifications and requirements set for a county assessor under G.S. 105-294.

(2) With the approval of the governing body, a municipal assessor may employ listers, appraisers, and clerical assistants necessary to carry out the listing, appraisal, assessing, and billing functions required by law.

(3) A municipal assessor and the persons employed by him have the same powers and duties as their county equivalents with respect to property subject to taxation by a city or town.

(4) The governing body shall, with respect to property subject to city or town taxation, be vested with the powers and duties vested by this Subchapter in boards of county commissioners and boards of equalization and review. Appeals may be taken from the municipal board of equalization and review or governing body to the Property Tax Commission in the manner provided in this

Subchapter for appeals from county boards of equalization and review and boards of county commissioners.

(5) All expenses incident to the listing, appraisal, and assessment of property for the purpose of city or town taxation shall be borne by the municipality for whose benefit the work is undertaken.

(6) The intent of this subsection (b) is to provide cities and towns that are situated in two or more counties with machinery for listing, appraising, and assessing property for municipal taxation equivalent to that established by this Subchapter for counties. The powers to be exercised by, the duties imposed on, and the possible penalties against municipal governing bodies, boards of equalization and review, assessors, and persons employed by an assessor shall be the same as those provided in this Subchapter by, on, or against county boards of commissioners, boards of equalization and review, assessors, and persons employed by an assessor."

Section 5. The amendment set out in Section 1 of this act shall be submitted to the qualified voters of the State at the general election in November 2000. The election shall be conducted under the laws then governing elections in the State. Ballots, voting systems, or both may be used in accordance with Chapter 163 of the General Statutes. The question to be used in the voting systems and ballots shall be:

"[ ] FOR [ ] AGAINST

Constitutional amendment authorizing the General Assembly to allow counties to (1) increase the property tax exemption for a residence owned by a low-income elderly or disabled person and (2) raise the definition of 'low-income' so more elderly and disabled persons can qualify for the exemption."

Section 6. If a majority of the votes cast on the question are in favor of the amendment set out in Section 1 of this act, the State Board of Elections shall certify the amendment to the Secretary of State. The amendment becomes effective upon this certification. The Secretary of State shall enroll the amendment so certified among the permanent records of that office.

Section 7. Sections 2, 3, and 4 of this act become effective only if the constitutional amendment proposed by Section 1 of this act is approved as provided in Sections 5 and 6 of this act. If the constitutional amendment is approved, Sections 2, 3, and 4 of this act become effective when the State Board of Elections certifies the amendment to the Secretary of State.

Section 8. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO AMEND THE CONSTITUTION OF NORTH CAROLINA, IF APPROVED BY THE VOTERS IN THE 2000 GENERAL ELECTION, TO AUTHORIZE THE GENERAL ASSEMBLY TO ENACT LEGISLATION ALLOWING EACH COUNTY TO (I) INCREASE THE AMOUNT OF THE PROPERTY TAX HOMESTEAD EXEMPTION FOR LOW-INCOME ELDERLY AND DISABLED INDIVIDUALS IN THAT COUNTY AND (II) RAISE THE DEFINITION OF "LOW-INCOME" SO THAT MORE ELDERLY AND DISABLED INDIVIDUALS CAN QUALIFY FOR THE EXEMPTION.

The General Assembly of North Carolina enacts:

Section 1. Section 2 of Article V of the North Carolina Constitution is amended by adding a new subsection to read:

"(8) Property tax homestead exclusion. If the General Assembly enacts legislation classifying and excluding from ad valorem taxation part of the value of the residence of each elderly or disabled individual whose income is below a maximum amount and who satisfies other conditions, the General Assembly may, notwithstanding subsection (2) of this section, enact a general law uniformly applicable throughout the State authorizing each county to increase the portion of a classified residence's value that is excluded in that county and to increase the maximum income threshold to qualify for the exclusion in that county."

Section 2. G.S. 105-277.1 is amended by adding a new subsection to read:

"(a1) Local Option Increase. -- The board of commissioners of a county may, by resolution, increase the amount of the exclusion provided in subsection (a) of this

section, increase the maximum income threshold provided in subdivision (a)(2) of this section, or both. An increase adopted under this subsection shall apply uniformly within the county. The board of commissioners of a county may, by resolution, repeal or reduce an increase adopted under this subsection, but may not reduce the exclusion or the income threshold provided in subsection (a) of this section. A resolution changing the exclusion amount or the income threshold within a county pursuant to this subsection shall become effective no earlier than for the taxable year beginning July 1 following adoption of the resolution."

Section 3. G.S. 105-309(f) reads as rewritten:

"(f) The following information shall appear on each abstract or on an information sheet distributed with the abstract. If the county has increased the exclusion amount or the income threshold pursuant to G.S. 105-277.1(a1), the assessor shall substitute the applicable dollar amounts. The abstract or sheet must include the address and telephone number of the assessor below the notice required by this subsection. The notice shall read as follows:

'PROPERTY TAX RELIEF FOR ELDERLY AND PERMANENTLY DISABLED PERSONS.

North Carolina excludes from property taxes the first twenty thousand dollars ($20,000) in appraised value of a permanent residence owned and occupied by North Carolina residents aged 65 or older or totally and permanently disabled whose income does not exceed fifteen thousand dollars ($15,000). Income means the owner's adjusted gross income as determined for federal income tax purposes, plus all moneys received other than gifts or inheritances received from a spouse, lineal ancestor or lineal descendant.

If you received this exclusion in (assessor insert previous year), you do not need to apply again unless you have changed your permanent residence. If you received the exclusion in (assessor insert previous year) and your income in (assessor insert previous year) was above fifteen thousand dollars ($15,000), you must notify the assessor. If you received the exclusion in (assessor insert previous year) because you were totally and permanently disabled and you are no longer totally and permanently disabled, you must notify the assessor. If the person receiving the exclusion in (assessor insert previous year) has died, the person required by law to list the property must notify the assessor. Failure to make any of the notices required by this paragraph before April 15 will result in penalties and interest.

If you did not receive the exclusion in (assessor insert previous year) but are now eligible, you may obtain a copy of an application from the assessor. It must be filed by April 15.'"

Section 4. G.S. 105-328 reads as rewritten:

"**§ 105-328. Listing, appraisal, and assessment of property subject to taxation by cities and towns situated in more than one county.**

(a) ~~For~~ Except as provided in subsection (a1) of this section, for purposes of municipal taxation, all property subject to taxation by a city or town situated in two

or more counties may, by resolution of the governing body of the municipality, be listed, appraised, and assessed as provided in G.S. 105-326 and 105-327 if, in such a case, in the opinion of the governing body, the same appraisal and assessment standards will thereby apply uniformly throughout the municipality. However, if, in such a case, the governing body ~~shall determine~~ determines that adoption of the appraisals and assessments fixed by the counties will not result in uniform appraisals and assessments throughout the municipality, the governing body may, by horizontal adjustments, equalize the appraisal and assessment values fixed by the counties in order to obtain the required uniformity. Taxes levied by the city or town shall be levied uniformly on the assessments so determined.

(a1) This section does not apply to assessments of property that differ in any of the counties in which the city or town is located because of a local option adjustment in the homestead exclusion under G.S. 105-277.1(a1).

(b) Should the governing body of a city or town situated in two or more counties not adopt the procedure provided in subsection ~~(a), above,~~ (a) of this section, all property subject to taxation by the municipality shall be listed, appraised, and assessed as provided in subdivisions (b)(1) through (b)(6), below.

(1) The governing body of the city or town shall appoint a municipal assessor on or before the first Monday in July in each odd-numbered year. The governing body may remove the municipal assessor from office during his term for good cause after giving him notice in writing and an opportunity to appear and be heard at a public session of the appointing body. Whenever a vacancy occurs in the office, the governing body shall appoint a qualified person to serve as municipal assessor for the period of the unexpired term. Persons holding the position of municipal assessor on July 1, 1971, shall be deemed qualified to fill the position. A person appointed as a municipal assessor shall meet the qualifications and requirements set for a county assessor under G.S. 105-294.

(2) With the approval of the governing body, a municipal assessor may employ testers, appraisers, and clerical assistants necessary to carry out the listing, appraisal, assessing, and billing functions required by law.

(3) A municipal assessor and the persons employed by him have the same powers and duties as their county equivalents with respect to property subject to taxation by a city or town.

(4) The governing body shall, with respect to property subject to city or town taxation, be vested with the powers and duties vested by this Subchapter in boards of county commissioners and boards of equalization and review. Appeals may be taken from the municipal board of equalization and review or governing body to the Property Tax Commission in the manner provided in this

Subchapter for appeals from county boards of equalization and review and boards of county commissioners.

(5) All expenses incident to the listing, appraisal, and assessment of property for the purpose of city or town taxation shall be borne by the municipality for whose benefit the work is undertaken.

(6) The intent of this subsection (b) is to provide cities and towns that are situated in two or more counties with machinery for listing, appraising, and assessing property for municipal taxation equivalent to that established by this Subchapter for counties. The powers to be exercised by, the duties imposed on, and the possible penalties against municipal governing bodies, boards of equalization and review, assessors, and persons employed by an assessor shall be the same as those provided in this Subchapter by, on, or against county boards of commissioners, boards of equalization and review, assessors, and persons employed by an assessor."

Section 5. The catch line of G.S. 105-277.1 reads as rewritten:

"**§ 105-277.1. Property ~~classified for taxation at reduced valuation.~~ tax homestead exclusion.**"

Section 6. The amendment set out in Section 1 of this act shall be submitted to the qualified voters of the State at the statewide general election to be held in 2000. The election shall be conducted under the laws then governing elections in the State. Ballots, voting systems, or both may be used in accordance with Chapter 163 of the General Statutes. The question to be used in the voting systems and ballots shall be:

"[ ] FOR [ ] AGAINST

Constitutional amendment authorizing the General Assembly to allow counties to (1) increase the property tax exemption for a residence owned by a low-income elderly or disabled person and (2) raise the definition of 'low-income' so more elderly and disabled persons can qualify for the exemption."

Section 7. If a majority of the votes cast on the question are in favor of the amendment set out in Section 1 of this act, the State Board of Elections shall certify the amendment to the Secretary of State. The amendment becomes effective upon this certification. The Secretary of State shall enroll the amendment so certified among the permanent records of that office.

Section 8. Sections 2, 3, and 4 of this act become effective only if the constitutional amendment proposed by Section 1 of this act is approved as provided in Sections 6 and 7 of this act. If the constitutional amendment is approved, Sections 2, 3, and 4 of this act become effective when the State Board of Elections certifies the amendment to the Secretary of State. The remainder of this act is effective when it becomes law.

SENATE BILL 286:
Proposed Committee Substitute
Local Option Homestead Exemption

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Reeves
Date:	March 22, 1999	**Summary by:**	Martha Harris and Martha Walston, Staff Attorneys
Version:	Proposed Committee Substitute		

SUMMARY: ***The proposed committee substitute for Senate Bill 286 authorizes a constitutional amendment to be considered by the voters in the 2000 general election to give counties the option of increasing the property tax homestead exemption amount and the property tax homestead income ceiling amount above the Statewide amounts set by the General Assembly in G.S. 105-277.1. If the amendment is approved by the voters, SB 286 provides the statutory authorization for the counties to exercise the local option. A constitutional amendment is necessary because the constitution requires property tax classifications to be uniform statewide. SB 286 provides no reimbursement for losses due to the local option increases counties may enact if the constitutional amendment is adopted. The PCS only makes technical and clarifying changes to the original bill, and is identical to House Bill 130.***

CURRENT LAW:

Section 2 of Article V of the North Carolina Constitution authorizes the General Assembly to classify property for taxation on a Statewide basis. Property that is classified must be taxed by a general law that is uniformly applicable in every city, county, or other local government unit. The homestead exemption is one of these property classifications. The homestead exemption is a partial exemption ($20,000) from property taxes for the residence of a person who:

1. is at least 65 years old or totally disabled, and
2. has an income of less than $15,000.

The income used to determine the income eligibility amount includes moneys received from every source other than gifts or inheritances received from a spouse, lineal ancestor, or lineal descendant. For married applicants residing with their spouses, the income of both spouses is included, whether or not the residence is in both names. The State reimburses local governments for part of their revenue loss due to the homestead exemption.

BILL ANALYSIS:

Section 1 of the bill proposes an amendment to Section 2 of Article V of the Constitution. This amendment would give the General Assembly the authority to permit counties, on a local option basis, to adopt a higher homestead exemption amount and to apply higher maximum income levels for eligibility than are authorized by the General Assembly on a uniform, Statewide basis.

Section 2 establishes the procedure for a board of county commissioners to adopt a resolution increasing the amount of the exclusion and the maximum income threshold for the homestead exemption greater than the amounts set in G.S. 105-277.1(a). It also authorizes the board to repeal or reduce any such increase as long as the reduction is not below the uniform Statewide limits.

Section 3 authorizes notice of the adopted levels.

Section 4 provides that for municipalities that lie in two or more counties, the municipalities may not adjust values because of different homestead exclusions adopted by the various counties.

Section 5 makes a clarifying change to the catch line of G.S. 105-277.1

Section 6 provides that the proposed constitutional amendment will be submitted to the voters in the Statewide general election in November 2000.

Section 7 provides that if a majority vote in favor of the constitutional amendment, then the amendment becomes effective once it is certified to the Secretary of State.

Section 8 sets out the effective dates. Sections 2, 3, and 4 become effective only if the constitutional amendment is approved and then certified to the Secretary of State. The remainder of the act is effective when it becomes law.

BACKGROUND:

The homestead exemption was created in 1972 and provided for a $5,000 exemption and an income eligibility amount of $3,500. The exemption has been amended eight times:

Year	exemption amount	income eligibility
1973	$5,000	$3,500 to $5,000
1975	$5,000	$5,000 to $7,500
1977	$5,000 to $7,500	$7,500 to $9,000
1981	$7,500 to $8,500	$9,000
1985	$8,500 to $10,000	$9,000 to $10,000
1987	$10,000 to $12,000	$10,000 to $11,000
1993	$12,000 to $15,000	$11,000
1997	$15,000 to $20,000	$11,000 to $15,000

State Reimbursement

Historically, local governments have borne most of the cost of the property tax homestead exemption. In 1982, the General Assembly established a mechanism for the State to reimburse cities and counties for a percentage of the revenue loss from this exemption. From 1982 until 1985, the State reimbursed local governments for 15% of their loss. For 1985 until 1987, the State reimbursed local governments for 35% of the cost of the homestead exemption. In 1991, the General Assembly froze the amount of reimbursements made to local governments to the amount each city and county was entitled to receive in 1991. That amount is approximately $7.9 million. No additional reimbursement was provided when the exemption amount was increased in 1993. When the homestead exemption was expanded in 1996, the General Assembly provided that, in addition to the existing $7.9 million reimbursement, the State would, for two years, reimburse local governments for ½ of the revenue loss attributable to the 1996 changes.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: County and City Governments who choose to participate.

EFFECTIVE DATE: When it becomes law.

BILL SUMMARY: The bill authorizes counties to increase the amount of property excluded from tax under the homestead exemption for the elderly and disabled. It also authorizes the counties to increase the maximum income threshold to qualify for the exemption. Once increased, the counties are also authorized to decrease these limits and exemptions as long at they met the minimum criteria set by the state. (Currently the state recognizes an exclusion of $20,000 of property owned by a qualified person with an income of less than $15,000). The county commission is charged with making the local decisions on homestead exemptions.

ASSUMPTIONS AND METHODOLOGY: The Homestead Exemption is a partial exemption from property taxes for the residence of a person who is aged 65 or older, or totally disabled, and who has an income of less than $15,000. The exemption amount was last increased in 1996, when it was increased from $15,000 to $20,000 effective July 1, 1997. Before then the exemption was last increased in 1993 from $12,000 to $15,000. The income eligibility amount was last increased in 1996, when it was increased from $11,000 to $15,000. Before then the

income threshold had last been increased in 1987, when it was increased from $10,000 to $11,000.

The current annual cost of the Homestead Exemption program is approximately $26 million. That cost is divided between the state and the localities. History indicates that when the exemption amount and the income requirement are changed incrementally, approximately 80% of the resulting loss corresponds to the property exemption and 20% to the income requirement. Of course this ratio may change if either the exemption or income requirements are altered dramatically.

In 1995 the U.S. Bureau of the Census estimated that the national median elderly home value was $81,956. Inflating these numbers by the Consumer Price Index rate for shelter in 1996 and 1997 creates a 1997 national average elderly home value of $87,201. Once adjusted for North Carolina's slightly lower than average home prices (5% adjustment) and the difference between actual value and assessed value for property tax purposes (because property is generally accessed every 4 or 8 years, the assessed value lags the actual value. On average the assessed value is approximately 85% of the actual value) a realistic North Carolina value would be approximately $70,500. The U.S. Bureau of the Census estimates that there were 589,000 elderly households in North Carolina in 1997. As such, the total value of homes owned by North Carolina elderly was approximately $41.5 billion. Assuming the weighted average property tax rate for 1997 applied, the total tax liability created by elderly households in 1997 was $402 million. Making adjustment for the current homestead exemption, the net 1997 cost of exempting all elderly homes would have been $376 million.

No exact fiscal estimate is possible on this bill for two reasons. First, the legislation is permissive; each individual county can decide if it will alter the income and exemption amounts. Fiscal Research cannot determine, reliably, which counties will actually decide to participate. Second, no maximum loss estimate (assuming all counties participate) is possible because the bill does not include a cap. As such, the range of potential loss goes from none, assuming no counties participate, to the entire value of all primary residences owned by all elderly persons (less the current homestead exemption).

The action may be filed if the taxes remain unpaid more than 30 days after the register of deeds has demanded payment. In such actions, costs of court shall include a fee to the county of twenty-five dollars ($25.00) for expense of collection.

"~~§ 105-228.34. Willful failure to pay tax.~~

~~Any transferor or agent of transferor of real estate willfully and knowingly failing to pay the correct amount of the tax imposed by this Article or any person aiding, abetting, or directing any other person to willfully and knowingly fail to pay the correct amount of such tax shall be guilty of a Class 3 misdemeanor and only fined not less than one hundred dollars ($100.00) nor more than one thousand dollars ($1,000) for each offense. When the register of deeds relies on the statement of the party presenting the instrument for registration as to the correct amount of stamps to be affixed, he shall not be subject to prosecution as an aider or abettor under this section.~~

"**§ 105-228.35. Administrative provisions.**

The provisions of ~~Subchapter III, Article 30 of Chapter 105 of the General Statutes of North Carolina to the extent applicable shall apply to the tax imposed herein.~~ Article 9 of this Chapter apply to this Article.

"~~§ 105-228.36. Reproduction of tax stamps.~~

~~No person, firm, or corporation shall print, engrave, or otherwise reproduce excise tax stamps except with the express permission of the Secretary of Revenue. The unauthorized reproduction of said stamps shall be punishable as a forgery under G.S. 14-119.~~"

Section 2. Prosecutions for offenses committed before the effective date of this act are not abated or affected by this act, and the statutes that would be applicable but for this act remain applicable to those prosecutions.

Section 3. Section 1 of this act becomes effective July 1, 2000. The remainder of this act is effective when it becomes law.

HOUSE BILL 56:
Eliminate Stamps for Deed Tax

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Representative Hill
Date:	April 6, 1999	**Summary by:**	Cindy Avrette, Martha Harris, and Martha Walston, Staff Attorneys
Version:	3rd Edition		

SUMMARY: ***House Bill 56 is a recommendation of Revenue Laws Study Committee. It eliminates the use of tax stamps to indicate whether the excise tax on conveyances has been paid, effective July 1, 2000. It also makes the penalties for failure to pay the tax the same as for other taxes.***

ELIMINATE THE USE OF TAX STAMPS: The excise tax on conveyances, known as the deed stamp tax, is a State tax on instruments transferring an interest in real property. It is collected by the register of deeds of the county in which the property is located and is collected when the deed transferring the property is recorded. The person presenting the instrument for recording is responsible for indicating on the instrument the amount of tax due. The tax rate is $1.00 for each $500.00 (0.2%) of the value of the property conveyed. The register of deeds must collect the tax due and affix the correct amount of tax stamps on the instrument before it may be recorded.

The county retains one-half of the net proceeds of the tax and remits the remaining one-half to the State. 75% of the funds remitted to the State is dedicated to the Parks and Recreation Trust Fund created in G.S. 113-44.15 and 25% is dedicated to the Natural Heritage Trust Fund created in G.S. 113-77.7. None of the State's share of the deed stamp tax goes to the General Fund.

House Bill 56 removes the requirement that the Register of Deeds use tax stamps to indicate the tax has been paid. The Register of Deeds is to collect the tax due and mark on the instrument to indicate payment of the tax and the amount paid. The Department of Revenue requested the elimination of the tax stamps. Tax stamps are no longer the best method for tracking payment of the conveyance tax now that metering machines and similar equipment are available. About 85 of the 100 counties have switched from stamps to more modern methods of tracking the tax. Under the stamps system, the Department of Revenue is responsible for ordering stamps in various denominations and selling them to the counties that request them. When the remaining 15 counties stop using stamps, the Department of Revenue will no longer have to devote resources to ordering and maintaining an inventory of stamps.

CONFORM PENALTY PROVISIONS: Under current law, a county may recover unpaid conveyance taxes by filing a lawsuit in superior court. In addition, willful evasion of the tax is a Class 3 misdemeanor punishable by a fine of between $100 and $1,000. House Bill 56 retains the ability of the county to file a lawsuit but also provides that the civil penalties applicable to all other State taxes apply to the conveyance tax. There is a penalty of 10% of the amount of tax due assessed when a person fails to pay a tax when it is due. In addition, instead of the current criminal penalty, the bill provides that the criminal penalties applicable to all other State taxes apply to the conveyance tax. The penalty for willfully failing to pay the correct amount of tax due is a Class 1 misdemeanor. Attempting to evade a tax due is punishable as a Class H felony. The conforming of tax penalty provisions continues the work the legislature began last session when it amended several sections of the Revenue Act to make tax penalties uniform.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Corporate, Excise and Insurance Division, Department of Revenue, County Register of Deeds Offices.

EFFECTIVE DATE: Section 1 becomes effective July 1, 2000. The remainder becomes effective when it becomes law.

BILL SUMMARY: The bill eliminates the use of Department of Revenue produced tax stamps in payment of the conveyance tax. This tax is also known as the excise tax on deeds. Under the bill, the taxes would still be due, but the counties would be responsible for supplying the materials to record the tax stamp. The bill also clarifies that the same penalties that apply to other taxes apply to the deed tax.

ASSUMPTIONS AND METHODOLOGY: According to the Department of Revenue, only 12 counties have purchased stamps from the Department in the last two years. However, because these purchases are made in mass quantities, the actual number of counties still using such a stamp may be higher. Based on information provided by the Register of Deeds Association members and key vendors, the Department of Revenue and Fiscal Research estimate that approximately 15-20 counties may be without a computerized stamp system. As such, as many

as 15-20 counties may be dependent on the Department for deed stamps. Under the bill, these counties would now be responsible for obtaining their own stamps.

Approximately 80 to 85 counties already obtain their stamps, or some alternative, through other means. Most of these counties purchase or rent special computer equipment. Some of the largest counties have their deed stamp system integrated into a larger county government computer system.

No estimates are available at this time for potential cost savings to the Department. They are expected to be insignificant. Also, no reliable estimates are available for potential loss revenue from the lack of stamp sales. However, the Department expects the revenue loss to be less than $500.

"CHAPTER III.

"GOVERNING BODY.

"Section 3.1. **Structure of Governing Body; Number of Members.** The governing body of the Town of Mineral Springs is the Town Council, which has six members and the Mayor.

"Section 3.2. **Temporary Officers.** Until the initial election in 1999 provided for by Section 4.1 of this Charter, Frederick Becker III is hereby appointed Mayor, and William Henry Blythe, Jr., Gerald Countryman, Lundeen Cureton, Thomas Kalin, Alice Mabe, and Peggy Neill are hereby appointed members of the Town Council, and they shall possess and may exercise the powers granted to the Mayor and Town Council until their successors are elected or appointed and qualify pursuant to this Charter.

"Section 3.3. **Manner of Electing Town Council; Term of Office.** The qualified voters of the entire Town shall elect the members of the Town Council. Except as provided by this section, members are elected to a four-year term of office. In 1999, the three candidates receiving the highest number of votes are elected to four-year terms, and the three candidates receiving the next highest number of votes are elected to two-year terms. In 2001 and each two years thereafter, three members are elected to four-year terms.

"Section 3.4. **Manner of Electing Mayor; Term of Office.** The qualified voters of the entire Town shall elect the Mayor. The Mayor shall be elected in 1999 and each two years thereafter for a two-year term.

"CHAPTER IV.

"ELECTIONS.

"Section 4.1. **Conduct of Town Elections.** Town officers shall be elected on a nonpartisan basis and results determined by a plurality as provided in G.S. 163-292.

"CHAPTER V.

"ADMINISTRATION.

"Section 5.1. **Town to Operate Under Mayor-Council Plan.** The Town of Mineral Springs operates under the Mayor-Council Plan as provided in Part 3 of Article 7 of Chapter 160A of the General Statutes.

"Section 5.2. **Budget Ordinance; Municipal Taxes.** From and after the effective date of this act, the citizens and property in the Town of Mineral Springs shall be

subject to municipal taxes levied for the year beginning July 1, 1999, and for that purpose the Town shall obtain from Union County a record of property in the area herein incorporated which was listed for property taxes as of January 1, 1999. The Town may adopt a budget ordinance for fiscal year 1999-2000 without following the timetable in the Local Government Budget and Fiscal Control Act, but shall follow the sequence of actions in the spirit of the act insofar as is practical. For fiscal year 1999-2000, ad valorem taxes may be paid at par or face amount within 90 days of adoption of the budget ordinance, and thereafter in accordance with the schedule in G.S. 105-360 as if the taxes had been due and payable on September 1, 1999. If this act is ratified before July 1, 1999, the Town may adopt a budget ordinance for fiscal year 1998-1999 without following the timetable in the Local Government Budget and Fiscal Control Act, but shall follow the sequence of actions in the spirit of the act insofar as is practical, but no ad valorem taxes may be levied for the 1998-1999 fiscal year."

Section 2. On a date established by the Union County Board of Elections no earlier than 60 nor later than 120 days after this bill becomes law, the Union County Board of Elections shall conduct a special election for the purpose of submission to the qualified voters of the area described in Section 2.1 of the Charter of the Town of Mineral Springs, the question of whether such area shall be incorporated as the Town of Mineral Springs.

Section 3. In the election, the question on the ballot shall be:

"[ ]FOR [ ]AGAINST

"Incorporation of the Town of Mineral Springs".

Section 4. In the election, if a majority of the votes are cast "For the Revival of the Charter of the Town of Mineral Springs", Sections 1 through 3 of this act become effective on the date that the Union County Board of Elections certifies the results of the election. Otherwise, Section 1 of this act has no force and effect.

Section 5. This act is effective when it becomes law.

"CHAPTER III.

"GOVERNING BODY.

"Section 3.1. **Structure of Governing Body; Number of Members.** The governing body of the Town of Mineral Springs is the Town Council, which has six members and the Mayor.

"Section 3.2. **Temporary Officers.** Until the initial election in 1999 provided for by Section 4.1 of this Charter, Frederick Becker III is hereby appointed Mayor, and William Henry Blythe, Jr., Gerald Countryman, Lundeen Cureton, Thomas Kalin, Alice Mabe, and Peggy Neill are hereby appointed members of the Town Council, and they shall possess and may exercise the powers granted to the Mayor and Town Council until their successors are elected or appointed and qualify pursuant to this Charter.

"Section 3.3. **Manner of Electing Town Council; Term of Office.** The qualified voters of the entire Town shall elect the members of the Town Council. Except as provided by this section, members are elected to a four-year term of office. In 1999, the three candidates receiving the highest numbers of votes are elected to four-year terms, and the three candidates receiving the next highest numbers of votes are elected to two-year terms. In 2001 and each two years thereafter, three members are elected to four-year terms.

"Section 3.4. **Manner of Electing Mayor; Term of Office.** The qualified voters of the entire Town shall elect the Mayor. The Mayor shall be elected in 1999 and each two years thereafter for a two-year term.

"CHAPTER IV.

"ELECTIONS.

"Section 4.1. **Conduct of Town Elections.** Town officers shall be elected on a nonpartisan basis and results determined by a plurality as provided in G.S. 163-292.

"CHAPTER V.

"ADMINISTRATION.

"Section 5.1. **Town to Operate Under Mayor-Council Plan.** The Town of Mineral Springs operates under the Mayor-Council Plan as provided in Part 3 of Article 7 of Chapter 160A of the General Statutes.

"Section 5.2. **Budget Ordinance; Municipal Taxes.** From and after the effective date of this act, the citizens and property in the Town of Mineral Springs shall be

subject to municipal taxes levied for the year beginning July 1, 1999, and for that purpose the Town shall obtain from Union County a record of property in the area herein incorporated which was listed for property taxes as of January 1, 1999. The Town may adopt a budget ordinance for fiscal year 1999-2000 without following the timetable in the Local Government Budget and Fiscal Control Act, but shall follow the sequence of actions in the spirit of the act insofar as is practical. For fiscal year 1999-2000, ad valorem taxes may be paid at par or face amount within 90 days of adoption of the budget ordinance, and thereafter in accordance with the schedule in G.S. 105-360 as if the taxes had been due and payable on September 1, 1999. If this act is ratified before July 1, 1999, the Town may adopt a budget ordinance for fiscal year 1998-1999 without following the timetable in the Local Government Budget and Fiscal Control Act, but shall follow the sequence of actions in the spirit of the act insofar as is practical, but no ad valorem taxes may be levied for the 1998-1999 fiscal year."

Section 2. On a date established by the Union County Board of Elections no earlier than 60 nor later than 120 days after this bill becomes law, the Union County Board of Elections shall conduct a special election for the purpose of submission to the qualified voters of the area described in Section 2.1 of the Charter of the Town of Mineral Springs, the question of whether such area shall be incorporated as the Town of Mineral Springs.

Section 3. In the election, the question on the ballot shall be:

"[ ]FOR [ ]AGAINST

Incorporation of the Town of Mineral Springs".

Section 4. In the election, if a majority of the votes are cast "For the Incorporation of the Town of Mineral Springs", Sections 1 through 3 of this act become effective on the date that the Union County Board of Elections certifies the results of the election. Otherwise, Section 1 of this act has no force and effect.

Section 5. This act is effective when it becomes law.

SENATE BILL 313

Short Title: Mecklenburg Stormwater Fees. (Local)

Sponsors: Senator Clodfelter.

Referred to: Finance.

March 11, 1999

A BILL TO BE ENTITLED

AN ACT TO ALLOW MECKLENBURG COUNTY TO CONTINUE TO LEVY STORMWATER FEES IF REVENUE BONDS HAVE BEEN ISSUED AND ARE OUTSTANDING.

The General Assembly of North Carolina enacts:

Section 1. G.S. 153A-277(a1) reads as rewritten:

"(a1) Before it establishes or revises a schedule of rates, fees, charges, or penalties for structural and natural stormwater and drainage systems under this section, the board of commissioners shall hold a public hearing on the matter. A notice of the hearing shall be given at least once in a newspaper having general circulation in the area, not less than seven days before the public hearing. The hearing may be held concurrently with the public hearing on the proposed budget ordinance.

The fees established under this subsection must be made applicable throughout the area of the county outside municipalities. Schedules of rates, fees, charges, and penalties for providing structural and natural stormwater and drainage system service may vary according to whether the property served is residential, commercial, or industrial property, the property's use, the size of the property, the area of impervious surfaces on the property, the quantity and quality of the runoff from the property, the characteristics of the watershed into which stormwater from the property drains, and other factors that affect the stormwater drainage system. Rates, fees, and charges imposed under this subsection may not exceed the county's cost of providing a stormwater and drainage system.

No stormwater utility fee may be levied under this subsection whenever two or more units of local government operate separate structural and natural stormwater

and drainage system services in the same area within a ~~county.~~ county, except that a unit of local government that has issued revenue bonds, including revenue bonds issued to refund prior revenue bonds, for which stormwater utility fees have been pledged under Article 5 of Chapter 159 of the General Statutes may continue to levy a stormwater utility fee under this subsection for the sole purpose of (i) paying principal, interest, or redemption premiums in accordance with the terms of the revenue bonds, (ii) funding any reserve requirements or similar obligations imposed by any documents, instruments, or agreements pursuant to which the revenue bonds are authorized or issued or securing the same or any related credit facility, liquidity facility, derivative agreement, or any other similar agreement, and (iii) paying any related cost, fees, and expenses until the revenue bonds have been retired. However, two or more units of local government may allocate among themselves the functions, duties, powers, and responsibilities for jointly operating a single structural and natural stormwater and drainage system service in the same area within a county, provided that only one unit may levy a fee for the service within the joint service area. For purposes of this subsection, a unit of local government shall include a regional authority providing structural and natural stormwater and drainage system services."

Section 2. This act applies to Mecklenburg County only.

Section 3. This act is effective when it becomes law.

SENATE BILL 313:
Mecklenburg Stormwater Fees

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Clodfelter
Date:	April 12, 1999	**Summary by:**	Martha K. Walston
Version:	1st Edition		Committee Counsel

SUMMARY: ***Senate Bill 313 is a local bill that allows Mecklenburg County to continue to levy stormwater utility fees to pay off issued and outstanding revenue bonds, even if two or more units of local government are operating separate structural and natural stormwater and drainage system services in the same area within the County. This exception applies only when the stormwater fees have been pledged as a funding source for repayment of the revenue bonds. Senate Bill 313 is identical to House Bill 597. This companion bill was given a favorable report in House Local Government I and has been referred to House Finance.***

CURRENT LAW: G.S. 153A-277 authorizes a county to establish and revise rates and fees for services furnished by a public enterprise such as a structural and natural stormwater and drainage system. These fees may vary according to factors that affect the stormwater drainage system such as the type of property, the use of the property, and the size of the property. No stormwater fee may be levied when two or more units of local government operate separate structural and natural stormwater and drainage system services in the same area within a county. The units of local government, however may agree to allocate the responsibilities of operating such a system as long as only one unit levies a fee for the service.

BILL ANALYSIS: Senate Bill 313 authorizes Mecklenburg County to continue to levy a stormwater utility fee, even where two or more units of local government are operating separate stormwater and drainage system services in the same area within the County. The stormwater utility fee may be levied only for the following purposes:

- To pay principal, interest, or redemption premiums under the terms of the revenue bonds,
- To fund any reserve requirements or obligations imposed by any documents, instruments, or agreements pursuant to which the revenue bonds are authorized or issued or securing the same or related credit facility, liquidity facility, derivative agreement, or other similar agreement.
- To pay any related cost, fees, and expenses until the revenue bonds have been retired.

BACKGROUND: During the 1997 Session, the General Assembly enacted similar legislation authorizing the City of Charlotte to continue to levy stormwater fees for issued and outstanding revenue bonds.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Mecklenburg County Government.

EFFECTIVE DATE: When it becomes law.

BILL SUMMARY: Under current law stormwater fees can not be collected when two or more units of local government operate separate stormwater systems in the same area, unless those communities agree to build and operate the systems jointly. This bill alters that provision to authorize communities to levy stormwater fees without joint participation, in certain circumstances. These fees can only be levied to make payments on an existing bond, or meet reserve or other similar requirements of the existing bond. The new provision only applies when the stormwater fees have been pledged as a funding source for repayment of the bonds. The bill applies only to Mecklenburg County.

ASSUMPTIONS AND METHODOLOGY: According to officials in Mecklenburg County's Engineering and Building Structures Department, Mecklenburg County is considering using revenue bonds to fund stormwater related construction. They hope to pledge the revenue from stormwater fees as a funding source for the bond. They believe this bill would make stormwater fees a more stable funding source, and a stronger pledge to finance a revenue bond.

Because the bill addresses only local bonds, there is no state impact. While the bill could make issuance of a revenue bond in Mecklenburg County more likely, it will not have a direct fiscal impact on the community unless a revenue bond were issued. If a bond were issued, the bill would have a fiscal impact upon the County's General Fund.. However, because neither the amount nor the terms of a bond are available, no reliable fiscal estimate is possible for the potential fiscal impact on Mecklenburg County.

SENATE BILL 484 (PCS): RMV Tax Budgeting

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Clodfelter
Date:	April 12, 1999	**Summary by:**	Martha K. Walston
Version:	Proposed Committee Substitute		Committee Counsel

SUMMARY: ***Senate Bill 484 changes the method for calculating the ratio of property tax collections to the total levy for local government budgeting purposes by taking into consideration the time frame necessary to collect on a registered motor vehicle (RMV) tax bill. The proposed change should result in a more accurate estimate of the property tax collection ratio for budgeting purposes. The act would apply to budget ordinances adopted after July 1, 1999.***

CURRENT LAW: Each year local governments submit a budget for raising and spending money during a fiscal year. The governing board then adopts a budget ordinance not later than July 1. The ordinance sets out the appropriation of revenues and the levying of taxes for the budget year. In adopting the budget ordinance, the governing board must not estimate the percentage of property tax collection to be greater than the percentage actually realized in cash as of June 30 during the preceding fiscal year. When calculating this percentage, the local government is better able to estimate the collection of tax on non-motor vehicle property than on motor vehicles. This is because of the difference between the dates on which the property tax is due. For example, most motor vehicle taxes are due and collected on a staggered term, i.e. the date of registration. This means that taxes become due on vehicles each month. A significant number of these bills are paid over a three-month period. All other property taxes are due on September 1, and are considered delinquent after January 6. Therefore the local government has a good idea of their actual collection rate for property taxes on property other than motor vehicles because they have from January 6 until July 1 to collect these delinquent taxes.

BILL ANALYSIS: Senate Bill 484 modifies the calculation for the estimated percentage of collection of property taxes by allowing the levy for the motor vehicle tax to be based on a nine-month period ending March 31. This would give the local governments additional time to collect the motor vehicle tax before the collection rate becomes final on June 30.

Current Formula: 12 months of collection divided by 12 months of billing

Proposed Formula: 12 months of collection on the same 9 months of bills divided by 9 months of billing.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Local Governments.

EFFECTIVE DATE: July 1, 1999 and apply to budget ordinances for the fiscal year beginning on that date.

BILL SUMMARY: G.S. 159-13(b) provide local governments with binding directions and limitations for county annual budgets. G.S.159-13(b)(6) specifically requires that the estimated property tax collection rate used in the budget not exceed the previous fiscal year's collection rate. The previous fiscal year collection rate must be determined as of June 30. The bill allows the counties to use the proportion of motor vehicle taxes actually collected in the preceding nine months, as defined on March 31, as the proportion of motor vehicle taxes collected for budget purposes. The bill leaves the June 30 cutoff for all other property tax collection rates.

ASSUMPTIONS AND METHODOLOGY: Under current law taxes on all taxable property, except motor vehicles on the staggered system, are due on September 1. These taxes can be paid without penalty before January 6. After January 6th the taxes are considered delinquent. As such, there is a four-month lag between when non-motor vehicle taxes are due and when they become delinquent. The county is not required to set their collection rate until June 30. Thus, there is a

significant lag between when taxes are due and when the counties determine that actual collection rate for the fiscal year.
Most motor vehicle taxes are due and collected on a staggered term. These taxes are due on the date of registration, and not the fiscal or calendar year, under current law. As such, taxes become due on vehicles each and every month.

By modifying the June 30 collection rate to reflect only the taxes due before March 31, the bill allows the county additional time to pursue some of the remedies they would use on other property tax delinquencies before their collection rates become final.

This bill, in and of itself, makes no changes to the tax imposed, the date the taxes are due, or the remedies local governments can use to pursue delinquencies. It would also have no direct impact on how much revenue the county might generate. It only impacts at what point in time the county takes a "snapshot" of their motor vehicle tax collections, for purposes of setting their upcoming year revenue availability. No change in actual collections is expected as a result of the bill.

Because the bill deals exclusively with property taxes, there is no fiscal impact to the state. The bill should not have an impact on revenues at the local level, as it makes no change to the tax law itself. It only alters the day on which the county may take a "snapshot" of its fiscal year revenue for budgeting purposes. As a result of this shift in the snapshot date, and the extra time it allows for collection of delinquent bills before the rate is set, the bill may allow counties to use a higher property tax collection rate when determining their budget for the coming fiscal year. For example, a county may have a 90% collection rate for motor vehicles on March 31. Many of the unpaid amounts are likely to be only one or two month delinquent. By allowing the county additional time before the snapshot is taken, the county may be able to employ more of their usual collection tactics before the snapshot. This could raise their vehicle collection rate to 95%. The counties would normally employ these collection methods even after the March deadline. However, this would allow the counties to count the additional revenue collected towards their collection ratio. In the example above, the county's budget could now legally reflect a 95% collection rate on vehicles, instead of the 90% rate. This allows them more availability for budgeting purposes. It does not, however, actually increase overall revenues.

A BILL TO BE ENTITLED

AN ACT TO REPEAL THE SUNSET REGARDING THE AUTHORITY OF LOCAL GOVERNMENTAL UNITS TO ENTER INTO GUARANTEED ENERGY SAVINGS CONTRACTS FOR LOCAL PUBLIC FACILITIES AND TO EXTEND THE CURRENT MAXIMUM DURATION OF THESE CONTRACTS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 143-64.17(1) reads as rewritten:

"(1) 'Energy conservation measure' means a facility ~~alteration or training~~ alteration, or training or services related to the operation of the ~~facility~~ facility, ~~that reduces energy consumption or operating costs and includes:~~ when the alteration, training, or services provide anticipated energy savings. Energy conservation measure includes any of the following:

a. Insulation of the building structure and systems within the ~~building;~~ building.

b. Storm windows or doors, caulking, weatherstripping, multiglazed windows or doors, heat-absorbing or heat-reflective glazed or coated window or door systems, additional glazing, reductions in glass area, or other window or door system modifications that reduce energy ~~consumption;~~ consumption.

c. Automatic energy control ~~systems;~~ systems.

d. Heating, ventilating, or air-conditioning system modifications or ~~replacements;~~ replacements.

e. Replacement or modification of lighting fixtures to increase the energy efficiency of a lighting system without increasing the overall illumination of a facility, unless an increase in illumination is necessary to conform to the applicable State or local building code or is required by the light system after the proposed modifications are ~~made;~~ made.

f. Energy recovery ~~systems;~~ systems.

g. Cogeneration systems that produce steam or forms of energy such as heat, as well as electricity, for use primarily within a building or complex of ~~buildings; or~~ buildings.

h. Other energy conservation ~~measures that provide long-term operating cost reductions or significantly reduce energy consumed~~ measures."

Section 2. G.S. 143-64.17(2) reads as rewritten:

"(2) 'Energy savings' means a measured reduction in ~~fuel;~~ fuel costs, ~~energy;~~ energy costs, or operating costs created from the implementation of one or more energy conservation measures when compared with an established baseline of previous ~~fuel;~~ fuel costs, ~~energy;~~ energy costs, or operating costs developed by the local governmental unit."

Section 3. G.S. 143-64.17B reads as rewritten:

"**§ 143-64.17B. Guaranteed energy savings contracts.**

(a) A local governmental unit may enter into a guaranteed energy savings contract with a qualified provider if all of the following apply:

(1) The term of the contract does not exceed ~~eight years from the date of~~ two-thirds of the anticipated remaining useful life of the facility after the installation ~~or acceptance by the local governmental unit~~ or commencement of the energy conservation measures provided for under the ~~contract.~~ contract or 25 years, whichever is less.

(2) The local governmental unit finds that the energy savings resulting from the performance of the contract will equal or exceed the total cost of the contract.

(3) The energy conservation measures to be installed under the contract are for an existing building.

(b) Before entering into a guaranteed energy savings contract, the local governmental unit shall provide published notice of the meeting at which it proposes to award the contract, the names of the parties to the proposed contract, and the contract's purpose. The notice must be published at least 15 days before the date of the meeting.

(c) A qualified provider entering into a guaranteed energy savings contract under this Part shall provide a bond to the local governmental unit in the amount equal to one hundred percent (100%) of the total cost of the guaranteed energy savings

contract to assure the provider's faithful performance. Any bonds required by this subsection shall be subject to the provisions of Article 3 of Chapter 44A of the General Statutes. If the savings resulting from a guaranteed energy savings contract are not as great as projected under the contract and all required shortfall payments to the local governmental unit have not been made, the local governmental unit may terminate the contract without incurring any additional obligation to the qualified provider.

(d) As used in this section, 'total cost' shall include, but not be limited to, costs of construction, costs of financing, and costs of maintenance and training during the term of the contract. 'Total cost' does not include any obligations on termination of the contract before its expiration, provided that those obligations are disclosed when the contract is executed.

(e) A guaranteed energy savings contract may not require the local governmental unit to purchase a maintenance contract or other maintenance agreement from the qualified provider who installs energy conservation measures under the contract if the local unit of government takes appropriate action to budget for its own forces or another provider to maintain new systems installed and existing systems affected by the guaranteed energy savings ~~contract.~~ contract, in accordance with manufacturer's standards or other reasonable standards specifically provided in the guaranteed energy savings contract."

Section 4. Section 10 of Chapter 775 of the 1993 Session Laws, as amended by Section 3 of Chapter 295 of the 1995 Session Laws, reads as rewritten:

~~"Sec. 10. A local governmental unit may not enter into a guaranteed energy savings contract under Part 2 of Article 3B of Chapter 143 of the General Statutes, as enacted by this act, on or after July 1, 1999."~~

Section 5. Sections 1 through 3 of this act become effective July 1, 1999, and apply to contracts entered into on or after that date. The remaining sections of this act are effective when they become law.

SENATE BILL 56 (PCS): Sunset/Term of Energy Savings Contracts

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Lee
Date:	April 6, 1999	**Summary by:**	Sara Kamprath and Martha Walston
Version:	Proposed Committee Substitute		

SUMMARY: ***The proposed committee substitute for Senate Bill 56 extends the maximum term of a guaranteed energy savings contract to 2/3 of the anticipated remaining useful life of the facility or 25 years, whichever is less. The sunset date of July 1, 1999 for local governmental units to enter into these contracts is repealed. SB 56 was given a favorable report in Senate Education/Higher Education on March 18 and was re-referred to Senate Finance. The PCS makes only a technical change.***

CURRENT LAW:

Part 2 of Article 3B of Chapter 143 (Guaranteed Energy Savings Contracts for Local Government Units) was a recommendation of the 1991 LRC Committee on Ways to Promote the Conservation of Energy and the Use of Renewable Energy Sources in Residential, Commercial, Industrial and Public Facilities. Local units of government, including any board of a community college or a school board, are allowed to enter into a guaranteed energy savings contract if all of the following conditions are met:

1. The term of the contract does not exceed eight years from the date of installation and acceptance of the energy conservation measures provided for in the contract;
2. The energy savings will equal or exceed the total cost of the contract; and
3. The energy conservation measures are for an existing building.

The guaranteed energy savings contracts are awarded through a request for proposals (RFP) process set out in the statute. Once a contract is awarded, the contract and its terms must be reported to the Local Government Commission. The Local Government Commission shall compile this information and report it to the Joint Legislative Commission on Governmental Operations. In 1995, the General Assembly extended a local government's authority to enter into guaranteed energy savings contracts for an additional two years until July 1, 1999.

BILL ANALYSIS:

Sections 1 and 2 of the bill make clarifying and stylistic changes.

Section 3 amends G.S. 143-64.17B(a) to increase the maximum term of a guaranteed energy savings contract from the current 8 years to two-thirds of the anticipated remaining useful life of the facility or 25 years, whichever is less. This section also amends G.S. 143-64.17B(e) to provide that if a local governmental unit maintains the energy conservation measures on its own or through another provider other than the original installer, then the maintenance must be in accordance with the manufacturer's standards or other reasonable standards provided for in the contract.

Section 4 repeals the sunset that prohibits a local governmental unit from entering into one of the above guaranteed energy savings contract on or after July 1, 1999.

Sections 1 through 3 become effective July 1, 1999 and apply to contracts entered into on or after that date. The remaining sections of the act are effective when they become law.

EFFECTIVE DATE: Sections 1 to 3 (increase term of contract and make stylistic changes) become effective July 1, 1999. Section 4 (repeal sunset) is effective upon ratification.

BILL SUMMARY: Senate Bill 56 repeals the sunset for local governments entering into energy savings contracts on or after July 1, 1999. In addition, the bill increases the maximum term of guaranteed energy savings contracts from 8 years to two-thirds of the anticipated remaining useful life of the facility or 25 years, whichever is less.

ASSUMPTIONS AND METHODOLOGY: The State Treasurer's Director of State and Local Government Finance believes the bill will provide local governments with an opportunity to save money through energy conservation efforts, but the savings cannot be quantified. Section 1 of the bill expands the definition of energy conservation measures to include training and services. This will permit local governments to finance items not currently allowed in installment debt financing. The Local Government Commission will work with local governmental units to review the appropriateness of using guaranteed energy savings contracts.

SENATE BILL 468:
Winston-Salem/Forsyth Assessments

BILL ANALYSIS

Committee:	Senate Finance Committee	**Introduced by:**	Senator Horton
Date:	April 21, 1999	**Summary by:**	Martha K. Walston
Version:	Proposed Committee Substitute		Committee Counsel

SUMMARY: ***Senate Bill 468 amends the city and county statutes to authorize the governing body to expand the exemption from assessments for corner lots when a project is undertaken along both sides of such lots. This is a local act applying only to the City of Winston-Salem, Forsyth County, the City/County Utility Commission of Winston-Salem and Forsyth County, and any property served by these entities***

CURRENT LAW: The statutes regarding corner lot exemptions for cities and counties authorize the respective governing body to establish schedules of exemptions from assessments for corner lots. These schedules of exemptions are based on categories of land use. The schedule for exemption may provide for exemption from assessments for corner lots of up to 75% of the frontage of any side of a corner lot, or 150 feet, whichever is greater

BILL ANALYSIS: **SB 468** expands this exemption from assessments to include corner lots of up to 75% of the frontage of any side of a corner lot or **200** feet, whichever is greater. The proposed committee substitute makes a corresponding change to the statute regarding the counties' authority over corner lot exemptions, and clarifies that this act prevails over any conflicting provision in the private laws pertaining to Winston-Salem.

The act applies only to the City of Winston-Salem, Forsyth County, and the City/County Utility Commission of Winston-Salem and Forsyth County, and to any property served by any of these entities. The act is effective when it becomes law.

SENATE BILL 772

Short Title: Expand Municipal Service Districts. (Public)

Sponsors: Senators Clodfelter; Dannelly and Odom.

Referred to: Finance.

April 7, 1999

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE CREATION OF MUNICIPAL SERVICE DISTRICTS IN CERTAIN CITIES FOR URBAN AREA REVITALIZATION PROJECTS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 160A-536 reads as rewritten:

"**§ 160A-536. Purposes for which districts may be established.**

(a) Purposes. -- The city council of any city may define any number of service districts in order to finance, provide, or maintain for the districts one or more of the following services, facilities, or functions in addition to or to a greater extent than those financed, provided or maintained for the entire city:

(1) Beach erosion control and flood and hurricane protection ~~works;~~ works.

(1a) (For applicability see note) Any service, facility, or function which the municipality may by law provide in the city, and including but not limited to placement of utility wiring underground, placement of period street lighting, placement of specially designed street signs and street furniture, landscaping, specialized street and sidewalk paving, and other appropriate improvements to the rights-of-way that generally preserve the character of an historic district; provided that this subdivision only applies to a service district which, at the time of its creation, had the same boundaries as an historic district created under Part 3A of Article 19 of this ~~Chapter;~~ Chapter.

(2) Downtown revitalization ~~projects;~~ projects.
(2a) Urban area revitalization projects.
(3) Drainage ~~projects;~~ projects.
(3a) Sewage collection and disposal systems of all types, including septic tank systems or other on-site collection or disposal facilities or ~~systems;~~ systems.
(4) Off-street parking ~~facilities; and~~ facilities.
(5) Watershed improvement projects, including but not limited to watershed improvement projects as defined in General Statutes Chapter 139; drainage projects, including but not limited to the drainage projects provided for by General Statutes Chapter 156; and water resources development projects, including but not limited to the federal water resources development projects provided for by General Statutes Chapter 143, Article 21.

(b) Downtown Revitalization Defined. -- As used in this section "downtown revitalization projects" include by way of illustration but not limitation improvements to water mains, sanitary sewer mains, storm sewer mains, electric power distribution lines, gas mains, street lighting, streets and sidewalks, including rights-of-way and easements therefor, the construction of pedestrian malls, bicycle paths, overhead pedestrian walkways, sidewalk canopies, and parking facilities both on-street and off-street, and other improvements intended to relieve traffic congestion in the central city, improve pedestrian and vehicular access thereto, reduce the incidence of crime therein, and generally to further the public health, safety, welfare, and convenience by promoting the economic health of the central city or downtown area. In addition, a downtown revitalization project may, in order to revitalize a downtown area and further the public health, safety, welfare, and convenience, include the provision of city services or functions in addition to or to a greater extent than those provided or maintained for the entire city. A downtown revitalization project may also include promotion and developmental activities (such as sponsoring festivals and markets in the downtown area, promoting business investment in the downtown area, helping to coordinate public and private actions in the downtown area, and developing and issuing publications on the downtown area) designed to improve the economic well-being of the downtown area and further the public health, safety, welfare, and convenience. Exercise of the authority granted by this Article to undertake downtown revitalization projects financed by a municipal service district shall not prejudice the city's authority to undertake urban renewal projects in the same area.

(c) Urban Area Revitalization Defined. -- As used in this section, the term 'urban area revitalization projects' includes the provision within an urban area of any service or facility that may be provided in a downtown area as a downtown revitalization project under subdivision (a)(2) and subsection (b) of this section. As used in this section, the term 'urban area' means an area that (i) is located within a city whose population exceeds 400,000 according to the most recent annual population statistics certified by the State Planning Officer and (ii) meets one or more of the following conditions:

(1) It is the central business district of the city.
(2) It consists primarily of existing or redeveloping concentrations of industrial, retail, wholesale, office, or significant employment-generating uses, or any combination of these uses.
(3) It is located in or along a major transportation corridor and does not include any residential parcels that are not, at their closest point, within 150 feet of the major transportation corridor right-of-way or any nonresidentially zoned parcels that are not, at their closest point, within 1,500 feet of the major transportation corridor right-of-way.
(4) It has as its center and focus a major concentration of public or institutional uses, such as airports, seaports, colleges or universities, hospitals and health care facilities, or governmental facilities.

(d) Contracts. -- A city may provide services, facilities, functions, or promotional and developmental activities in a service district with its own forces, through a contract with another governmental agency, through a contract with a private agency, or by any combination thereof. Any contracts entered into pursuant to this paragraph shall specify the purposes for which city moneys are to be used and shall require an appropriate accounting for those moneys at the end of each fiscal year or other appropriate period."

Section 2. This act is effective when it becomes law.

SENATE BILL 772:
Expand Municipal Service District

BILL ANALYSIS

Committee:	Senate Finance Committee	**Introduced by:**	Sen. Clodfelter
Date:	April 20, 1999	**Summary by:**	Martha K. Walston
Version:	1st Edition		Committee Counsel

*SUMMARY: **Senate Bill 772 expands the purposes for which service districts may be established in certain cities to include "urban area revitalization projects".***

CURRENT LAW: Article 23 of Chapter 160A sets out "The Municipal Service District Act of 1973". This Act allows a city council, by resolution, to define a service district upon finding that a proposed district is in need of one or more of the services, facilities or functions listed in the Act to a demonstrably greater extent than the remainder of the city. A service district may be established for the following purposes: (1) beach erosion control and flood and hurricane protection; (1a) certain services, facilities, or functions that preserve the character of an historic district; (2) downtown revitalization projects; (3) drainage projects, (4) off-street parking facilities; and (5) watershed improvement projects. A city may levy property taxes within defined service districts in addition to those levied throughout the city. The property taxes may not be in excess of a rate on each $100 value of property subject to taxation which, when added to the rate levied city wide, would exceed a maximum combined rate of $1.50 on the $100 appraised value of property subject to taxation. A city may also issue general obligation bonds to finance the services provided in a service district.

BILL ANALYSIS: Senate Bill 772 adds "urban area revitalization projects" to the purposes for which a service district may be established. Such projects include the providing of a service or facility within an urban area that may be provided in a downtown area as a downtown revitalization project. "Urban area " is defined as an area located within a city whose population exceeds 400,000 according to the most recent annual population statistics certified by the State Planning Officer and meets one or more of the following conditions:

1. Is the central business district of the city.
2. Consists primarily of industrial, retail, wholesale, office or significant employment generating uses.
3. Is on major transportation corridor and does not contain residential parcels within 150 feet of corridor right-of-way or nonresidentially zoned parcels within 1,500 feet of right-of-way.
4. Has as its focus a major concentration of public or institutional uses.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: North Carolina Municipalities.

EFFECTIVE DATE: When it becomes law.

BILL SUMMARY: Currently any city council may create service districts to finance, provide, or maintain certain city services, facilities or functions. Under present law councils can create special districts for beach erosion control, flood and hurricane protection, downtown revitalization projects, drainage projects, sewage collection and disposal, off street parking, and watershed improvements. Special districts are also created for historical district services and improvements. The bill extends city council authority to include the creation of a special urban area revitalization district.

ASSUMPTIONS AND METHODOLOGY: The bill defines an urban area as an area located in a city of more than 400,000 and meets at least one of the following requirements:

1). Is a central business district,
2). Consists primarily of industrial, retail, wholesale, office or significant employment generating uses,
3). Is on a major transportation corridor and does not contain residential parcels within specified distances, or
4). Has as its focus a major concentration of public or institutional uses.

According to the Office of State Planning only one municipality has a population in excess of 400,000. This office reports that Charlotte had a 1997 population of 516,341. The next largest cities were Raleigh with 266,530 residents and Greensboro with a population of 203,342. While projected municipal populations are not available, the Office of State Planning estimates that only Guilford, Mecklenburg, and Wake counties will have a population that exceeds 400,000 by July 2008. Therefore, the bill only applies to Charlotte, and could only realistically apply to Raleigh and Greensboro in the next ten years.

The bill has no General Fund impact, as it only addresses local fees. It may increase the tax and fee burden on some Charlotte, and later Raleigh and Greensboro, residents. However, Fiscal Research can not anticipate the additional tax burden since the bill does not set rates.

"CHAPTER III.

"GOVERNING BODY.

"Section 3.1. **Structure of Governing Body; Number of Members.** The governing body of the Town of Rimertown shall be the Town Council, which shall have four members, and the Mayor.

"Section 3.2. **Temporary Officers.** Until the initial elections of 1999 provided for by Section 4.1 of this Charter, Terry D. Barbee, Clyde M. Drye, Jr., and Steve R.

Love are hereby appointed members of the interim Town Council. They shall jointly exercise the powers granted to the governing body until their successors are elected or appointed and qualified pursuant to this Charter.

"Section 3.3. **Manner of Electing Town Council; Term of Office.** The qualified voters of the entire Town shall elect the members of the Town Council and, except as provided in this section, they shall serve four-year terms. In 1999, the two candidates receiving the highest number of votes shall be elected to four- year terms and the two candidates receiving the next highest number of votes shall be elected to two-year terms. In 2001 and biennially thereafter, two members shall be elected to four- year terms.

"Section 3.4. **Manner of Electing Mayor; Term of Office.** The qualified voters of the entire Town shall elect the Mayor. In 1999 and quadrennially thereafter, the Mayor shall be elected for a term of four years.

"CHAPTER IV.

"ELECTIONS.

"Section 4.1. **Conduct of Town Elections.** Regular municipal elections shall be held in each odd-numbered year in accordance with the uniform municipal election laws of North Carolina. Elections shall be conducted on a nonpartisan basis and results determined by a plurality as provided in G.S. 163-292.

"CHAPTER V.

"ADMINISTRATION.

"Section 5.1. **Town to Operate Under Mayor-Council Plan.** The Town of Rimertown shall operate under the Mayor-Council form of government as provided in Part 3 of Article 7 of Chapter 160A of the North Carolina General Statutes."

Section 2. From and after the effective date of this act, the citizens and property in the Town of Rimertown shall be subject to municipal taxes levied for the year beginning July 1, 1999. For that purpose the Town shall obtain from Cabarrus County a record of property in the area herein incorporated which was listed for taxes as of January 1, 1999. The Town may adopt a budget ordinance for fiscal year 1999-2000 without following the timetable in the Local Government Budget and Fiscal Control Act, but shall follow the sequence of actions in the spirit of the act insofar as is practical. For fiscal year 1999-2000, ad valorem taxes may be paid at par or face amount within 90 days of adoption of the budget ordinance and thereafter in accordance with the schedule in N.C.G.S. 105-360. If this act is approved under Sections 3 and 4 of this act before July 1, 1999, the Town may adopt a budget ordinance for fiscal year 1998-99 without following the timetable in the Local Government Budget and Fiscal Control Act, but shall follow the sequence of actions in the spirit of the act insofar as is practical.

Section 3. The Cabarrus County Board of Elections shall conduct an election on a date set by the Board, to be not less than 60 nor more than 120 days after this act becomes law, for the purpose of submission to the qualified voters of the area described in Section 2.1 of the Charter of the Town of Rimertown the question of whether or not the area shall be incorporated as the Town of Rimertown. Registration for the election shall be conducted in accordance with G.S. 163-288.2.

Section 4. In the election, the question on the ballot shall be:

"[ ]FOR [ ]AGAINST

Incorporation of the Town of Rimertown."

Section 5. In the election, if a majority of the votes are cast "For incorporation of the Town of Rimertown", Sections 1 through 2 of this act shall become effective on the date that the Cabarrus County Board of Elections certifies the results of the election. Otherwise, those sections shall have no force and effect.

Section 6. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO REMOVE THE SUNSET ON THE LAW EXEMPTING CERTAIN GOVERNMENTAL ENTITIES FROM STATE PURCHASE AND CONTRACT REQUIREMENTS.

The General Assembly of North Carolina enacts:

Section 1. Section 4 of S.L. 1997-331 reads as rewritten:

"Section 4. This act is effective when it becomes ~~law and expires July 1, 1999.~~ law."

Section 2. This act is effective when it becomes law.

SENATE BILL 776:
Remove Sunset/Purchasing Exemptions

BILL ANALYSIS

Committee:	Senate Finance Committee	**Introduced by:**	Senator Rand
Date:	April 20, 1999	**Summary by:**	Martha K. Walston
Version:	1st Edition		Committee Counsel

SUMMARY: ***Senate Bill 776 removes the July 1, 1999 sunset on the law that exempts the North Carolina State Ports Authority, the North Carolina Seafood Industrial Park Authority, and Davie County from certain state purchase and contract requirements. The exemption for Davie County applies to contracting for the design and construction of jail and law enforcement facilities.***

CURRENT LAW: S.L. 1997-331 exempts the North Carolina State Ports Authority from certain state purchase and contract requirements only if the Authority finds that the delivery of a particular port facility must be expedited for good cause. The Authority must first give the Secretary of Administration written notice of its intent to exercise the exemption. This notice must set out the requirements to be exempted, the reason the exemption is necessary, and the way the Authority anticipates the exemption will expedite the delivery of the port facility. The Authority must report quarterly to the Joint Legislative Commission on Governmental Operations on any building contracts exceeding $250,000 to which an exemption applied. The State Ports Authority is exempt from the following requirements:

- G.S. 133-1.1(g) requires that plans and specifications be prepared by an architect and include color schedule.
- G.S. 143-128(a) through (e) require acceptance of bids for projects over $500,000 and separate specifications.
- G.S. 143-132 requires a minimum number of competitive bids (at least three)
- G.S. 143-135.26 sets out the powers and duties of the State Building Commission

The current law also exempts the North Carolina Seafood Industrial Park Authority from (1) the requirement to promote contracts with small, minority, physically handicapped and women contractors for supplies and services, (2) the requirements for public contracts, and (3) examination and approval of plans and specification by the Dept of Administration. With regard to the requirements in (1) and (2), the Seafood Industrial Park Authority must exercise the powers and duties set out in those requirements. The Authority must report quarterly to the Joint Legislative Commission on Governmental Operations on any purchases or building contracts exceeding $250,000 to which an exemption applied.

The current law authorizes Davie County to contract for the design and construction of jail and law enforcement facilities without being subject to the following requirements: promoting contracts with small, minority, physically handicapped and women contractors; accepting bids; and preparing separate specifications.

BILL ANALYSIS: **SB 776** removes the July 1, 1999 sunset on the law exempting the N.C. State Ports Authority, the N.C. Seafood Industrial Authority, and Davie County from the above State purchase and contract requirements.

SENATE BILL 878

Short Title: Nonprofit Water Corp. Loans. (Public)

Sponsors: Senators Kerr; Cochrane, Dalton, Hoyle, and Phillips.

Referred to: Finance.

April 13, 1999

A BILL TO BE ENTITLED

AN ACT TO ALLOW CERTAIN NONPROFIT WATER CORPORATIONS TO BE ELIGIBLE FOR REVOLVING LOANS AND GRANTS FROM THE DRINKING WATER TREATMENT REVOLVING LOAN FUND.

The General Assembly of North Carolina enacts:

Section 1. G.S. 159G-2 reads as rewritten:

"**§ 159G-2. Purpose.**

The General Assembly hereby recognizes that a critical need exists in this State to provide for a low-interest funding source for municipal water and wastewater capital facilities. Local government efforts to meet this need have been restricted by the inability of many units to finance necessary improvements to inadequate or nonexistent water supply and wastewater treatment systems. The decrease in financial capacity has resulted in large part from the diminished availability of federal loans and grants and the elimination of the federal general revenue sharing program, which funded a wide range of local capital improvements.

The problems have been further complicated by the uncertainty concerning Clean Water Act funding, the growing number of local units which are under moratoriums against additional connections for sewer service, and the July 1, 1988, deadline for compliance with federal effluent standards.

It is the intent and purpose of the General Assembly by this Chapter to create a program to facilitate early construction of these environmental improvements by establishing a revolving loan fund for financing such projects. This fund will enable local government units to obtain low-interest loans for financing projects for wastewater treatment ~~and water supply,~~ and for certain emergency purposes. This

fund will also enable local government units and nonprofit water corporations to obtain low-interest loans for financing projects for water supply. It is the further intent and purpose of the General Assembly to provide grants to local government units for wastewater treatment and to provide grants to local government units and nonprofit water corporations for water supply facilities. The General Assembly seeks by this Chapter to encourage and assist local government units to meet their responsibilities to their citizens to maintain a clean and healthful environment and an abundant supply of pure water and further to provide an adequate base for economic growth."

Section 2. G.S. 159G-3 reads as rewritten:

"**§ 159G-3. Definitions.**

As used in this Chapter, the following words shall have the meanings indicated, unless the context clearly requires otherwise:

(1) Repealed by Session Laws 1991, c. 186, s. 1.

(2) "Applicant" means a local government unit that applies for a revolving loan or grant under the provisions of this Chapter. In addition, a local government may provide funds to a nonprofit agency which is currently under contract and authorized to provide wastewater treatment or water supply services to that ~~unit of local government.~~ local government unit. For purposes of the Drinking Water Treatment Revolving Loan Fund established by G.S. 159G-5(d), 'applicant' also means a nonprofit water corporation that is incorporated in compliance with Chapter 55A of the General Statutes.

(3) "Clean Water Revolving Loan and Grant Fund" means the fund established in the Department of Environment and Natural Resources to carry out the provisions of this Chapter, with various accounts therein as herein provided.

(4) "Construction costs" means the actual costs of planning, designing and constructing any project for which a revolving loan or grant is made under this Chapter including planning; environmental assessment; wastewater system analysis, evaluation and rehabilitation; engineering; legal, fiscal, administrative and contingency costs for water supply systems, wastewater collection systems, wastewater treatment works and any extensions, improvements, remodeling, additions, or alterations to existing systems. Construction costs may include excess or reserve capacity costs, attributable to no more than 20-year projected domestic growth, plus ten percent (10%) unspecified industrial growth. In addition, construction costs shall include any fees payable to the Environmental Management Commission or the Division of Environmental Health for review of applications and grant of permits, and fees for inspections under G.S. 159G-14. Construction

costs may also include the costs for purchase or acquisition of real property.

(5) "Grant" means a sum of money given by the State to ~~a local government unit~~ an applicant to subsidize the construction costs of a project authorized by this Chapter, without any obligation on the part of such unit to repay such sum.

(6) "Commission for Health Services" means the Commission for Health Services created by G.S. 130A-29.

(6a) "Debt instrument" means an instrument in the nature of a promissory note executed by ~~a local government unit~~ an applicant under the provisions of this Chapter, to evidence a debt to the State and obligation to repay the principal, plus interest, under stated terms.

(7) "Division of Environmental Health" means the Division of Environmental Health of the Department of Environment and Natural Resources.

(7a) "Economically distressed local government unit" means a local government unit located, in whole or in part, in a county designated as economically distressed by the Secretary of Commerce under G.S. 143B-437A.

(8) "Environmental Management Commission" means the Environmental Management Commission of the Department of Environment and Natural Resources.

(9) "Local Government Commission" means the Local Government Commission of the Department of the State Treasurer, established by Article 2 of Chapter 159 of the General Statutes.

(10) "Local government unit" means a county, city, town, incorporated village, consolidated city-county, as defined by G.S. 160B-2(1), including such a consolidated city-county acting with respect to an urban service district defined by a consolidated city-county, sanitary district, metropolitan sewerage district, metropolitan water district, county water and sewer district, water and sewer authority, joint agency authorized by agreement between two cities and towns to operate an airport pursuant to G.S. 63-56 and that also provided water and wastewater services off the airport premises before January 1, 1995, or joint agency created pursuant to Part 1 of Article 20 of Chapter 160A of the General Statutes.

(11) Repealed by Session Laws 1991, c. 186, s. 1.

(12) "Receiving agency" means the Division of Environmental Health with respect to receipt of applications for revolving loans and grants for water supply systems, and the Environmental Management Commission and the Division of Water Quality with respect to receipt of applications for revolving loans and grants for wastewater systems.

(13) "Revolving construction loan" means a sum of money loaned by the State to ~~a local government unit~~ an applicant to subsidize the construction costs of a project authorized by this Chapter, with an obligation on the part of ~~such unit~~ the applicant to repay such sum, the proceeds of such repayment to be deposited in the ~~Water Pollution Control Revolving Fund.~~ fund from which the loan was made.

(14) "Revolving emergency loan" means a sum of money loaned by the State to a local government unit upon a certification, as provided in this Chapter, of a serious public health hazard, with an obligation on the part of such unit to repay such sum.

(15) "Revolving loan" includes a revolving construction loan and an emergency loan.

(15a) "State" means the State of North Carolina.

(15b) "State Treasurer" means the Treasurer of the State elected pursuant to Article III, Section 7 of the Constitution or his designated representative.

(16) "Wastewater Accounts" means the various accounts in the Clean Water Revolving Loan and Grant Fund established in the Department of Environment and Natural Resources under this Chapter for revolving loans and grants for wastewater treatment work and wastewater collection system projects.

(17) "Wastewater collection system" means a unified system of pipes, conduits, pumping stations, force mains, and appurtenances other than interceptor sewers, for collecting and transmitting water-carried human wastes and other wastewater from residences, industrial establishments or any other buildings, and owned by a local government unit.

(18) "Wastewater treatment works" means the various facilities and devices used in the treatment of sewage, industrial waste or other wastes of a liquid nature, including the necessary interceptor sewers, outfall sewers, phosphorous removal equipment, pumping, power and other equipment and their appurtenances.

(19) "Water Supply Accounts" means the various accounts in the Clean Water Revolving Loan and Grant Fund established in the Department of Environment and Natural Resources under this Chapter for revolving loans and grants for water supply system projects.

(20) "Water supply system" means a public water supply system consisting of facilities and works for supplying, treating and distributing potable water including, but not limited to, impoundments, reservoirs, wells, intakes, water filtration plants and other treatment facilities, tanks and other storage facilities, transmission mains, distribution piping, pipes connecting the

system to other public water supply systems, pumping equipment and all other necessary appurtenances, equipment and structures."

Section 3. G.S. 159G-4(c) reads as rewritten:

"(c) All payments of interest and repayments of principal resulting from revolving loans shall be credited to the respective accounts from which the revolving loan funds were disbursed. Terms and conditions for repayment of revolving loans shall be established by the Department of Environment and Natural Resources, with the assistance of the Local Government Commission, consistent with the requirements of the Federal Water Pollution Control Act and this Chapter. Provided, the interest rate for all revolving loans authorized by this Chapter shall be fixed at the same percent per annum as the interest rate fixed under the Federal Water Pollution Control Act for loans from the Water Pollution Control Revolving Fund established by G.S. 159G-5(c), not to exceed the lesser of four percent (4%) or one half (1/2) the prevailing national market rate for tax exempt general obligation debt of similar maturities derived from a published indicator. Provided further, the interest rate may be fixed at a lower rate per annum if authorized by the Federal Water Pollution Control Act Regulations. It is the intent of the General Assembly to provide uniform interest payments for all loans made to ~~units of local government~~ applicants irrespective of the account from which loans are made for either wastewater or water supply projects."

Section 4. G.S. 159G-5(d) reads as rewritten:

"(d) The Drinking Water Treatment Revolving Loan Fund is established as a special account within the Clean Water Revolving Loan and Grant Fund. This account shall be established and managed in accordance with the requirements of section 130 of Title I of the federal Safe Drinking Water Act Amendments of 1996 (Pub. L. 104-182; 110 Stat. 1662; 42 U.S.C. § 300j-12), to achieve the purposes and goals of the federal Safe Drinking Water Act Amendments of 1996. The funds in the Drinking Water Treatment Revolving Loan Fund may be used only for the purposes of providing revolving construction loans and other assistance as set forth in section 130 of Title I of the federal Safe Drinking Water Act Amendments of 1996 and the regulations promulgated thereunder, including making grants to the extent permitted by these amendments or these regulations. Funds in the Drinking Water Treatment Revolving Loan Fund may be used by an applicant that is a nonprofit water corporation only for a project that benefits a local government unit and that is consistent with a local water supply plan that has been prepared and approved in accordance with G.S. 143-355(l)."

Section 5. G.S. 159G-6 reads as rewritten:

"**§ 159G-6. Distribution of funds.**

(a) Revolving loans and grants.

(1) All funds appropriated or accruing to the Clean Water Revolving Loan and Grant Fund, other than funds set aside for administrative expenses, shall be used for revolving loans and grants to ~~local government units~~ applicants for construction costs of wastewater

treatment works, wastewater collection systems and water supply systems and other assistance as provided in this Chapter.

(2) The maximum principal amount of a revolving loan or a grant may be one hundred percent (100%) of the nonfederal share of the construction costs of any eligible project. The maximum principal amount of revolving loans made to any one ~~local government unit~~ applicant during any fiscal year shall be eight million dollars ($8,000,000). The maximum principal amount of grants made to any ~~one local government unit~~ applicant during any fiscal year shall be three million dollars ($3,000,000).

(3) The State Treasurer shall be responsible for investing and distributing all funds appropriated or accruing to the Clean Water Revolving Loan and Grant Fund for revolving loans and grants under this Chapter. In fulfilling his or her responsibilities under this section, the State Treasurer shall make a written request to the Department of Environment and Natural Resources to arrange for the appropriated funds to be (i) transferred from the appropriate accounts to ~~a local government unit~~ an applicant to provide funds for one or more revolving loans or grants or (ii) invested as authorized by this Chapter with the interest on and the principal of such investments to be transferred to the ~~local government unit~~ applicant to provide funds for one or more revolving loans or grants.

(b) Wastewater Accounts. -- The sums allocated in G.S. 159G-4 and accruing to the various Wastewater Accounts in each fiscal year shall be used to make revolving loans and grants to local government units as provided below. The Department of Environment and Natural Resources shall disburse no funds from the Wastewater Accounts except upon receipt of written approval of the disbursement from the Environmental Management Commission.

(1) General Wastewater Revolving Loan and Grant Account. -- The funds in the General Wastewater Revolving Loan and Grant Account shall be used exclusively for the purpose of providing for revolving construction loans or grants in connection with approved wastewater treatment work or wastewater collection system projects.

(2) High-Unit Cost Wastewater Account. -- The funds in the High-Unit Cost Wastewater Account shall be available for grants to applicants for high-unit cost wastewater projects. Eligibility of an applicant for such a grant shall be determined by comparing estimated average household user fees for water and sewer service, for debt service and operation and maintenance costs, to one and one-half percent (1.5%) of the median household income in the local government unit in which the project is located. The projects which would require estimated average household water and sewer user fees

greater than one and one-half percent (1.5%) of the median household income are defined as high-unit cost wastewater projects and will be eligible for a grant equal to the excess cost, subject to the limitations in subdivision (a)(2) of this section. However, if the applicant upon completion of the project will have only a single utility service, then the eligibility of the applicant for such a grant shall be determined by comparing estimated average household user fees for the single utility service that will be offered, for debt service and operation and maintenance costs, to three-fourths percent (3/4%) of the median household income in the local government unit in which the project is located. The single utility projects which would require estimated average household water or sewer user fees (as appropriate) greater than three-fourths percent (3/4%) of the median household income are defined as high-unit cost wastewater projects and will be eligible for a grant equal to the excess cost, subject to the limitations in subdivision (a)(2) of this section.

(3) Emergency Wastewater Revolving Loan Account. -- The funds in the Emergency Wastewater Revolving Loan Account shall be available for revolving emergency loans to applicants in the event the Environmental Management Commission certifies that a serious public health hazard, related to the inadequacy of existing wastewater facilities, is present or imminent in a community.

(c) Water Supply Accounts. -- The sums allocated in G.S. 159G-4 and accruing to the various Water Supply Accounts in each fiscal year shall be used to provide revolving loans and grants to ~~local government units~~ applicants as provided below. The Department of Environment and Natural Resources shall disburse no funds from the Water Supply Accounts except upon receipt of written approval of the disbursement from the Division of Environmental Health.

(1) General Water Supply Revolving Loan and Grant Account. -- The funds in the General Water Supply Revolving Loan and Grant Account shall be used exclusively for the purpose of providing for revolving construction loans and grants in connection with water supply systems generally and not upon a county allotment basis.

(2) High-Unit Cost Water Supply Account. -- The funds in the High-Unit Cost Water Supply Account shall be available for grants to applicants for high-unit cost water supply systems, on the same basis as provided in G.S. 159G-6(b)(2) for high-unit cost wastewater projects.

(3) Emergency Water Supply Revolving Loan Account. -- The funds in the Emergency Water Supply Revolving Loan Account shall be available for revolving emergency loans to applicants in the event the Division of Environmental Health certifies that a serious public

health hazard, related to the water supply system, is present or imminent in a community.

(d) Repealed by Session Laws 1991, c. 186, s. 4.

(e) Notwithstanding any other provision of this Chapter, funds in the Water Pollution Control Revolving Fund shall not be available as grants except to the extent permitted by Title VI of the Federal Water Quality Act of 1987 and the regulations thereunder."

Section 6. G.S. 159G-9 reads as rewritten:

"**§ 159G-9. Eligibility.**

No application shall be eligible for a revolving loan or grant under this Chapter unless it shall demonstrate to the satisfaction of the receiving agency that:

(1) The applicant is ~~a local government unit.~~ an applicant within the meaning of G.S. 159G-3(2).

(2) The applicant has the financial capacity to pay the principal of and the interest on its proposed obligations and loans.

(3) The applicant has substantially complied or will substantially comply with all applicable laws, rules, regulations and ordinances, federal, State and local.

(4) The applicant has agreed by official resolution to adopt and place into effect on or before completion of the project a schedule of fees, charges, and other available funds, including but not limited to the funds described in G.S. 159G-13(b), that will adequately provide for proper operation, maintenance, and administration of the project and for repayment of all principal of and interest on loans."

Section 7. G.S. 159G-10(b) reads as rewritten:

"(b) Priority Factors. -- All applications for revolving loans or grants under this Chapter eligible for consideration during each priority period shall be assigned a priority for such funds by the receiving agency. The priority factors shall be similar to those developed under the North Carolina Clean Water Bond Act of 1977, as provided in and modified by this subsection.

(1) General Criteria. --

a. The general criteria provided in 1 NCAC 22.0401 through .0403 on January 1, 1987, shall apply, except that 1 NCAC 22.0401(c) shall apply only to State funds appropriated to match available federal funds.

b. The existence of a comprehensive land-use plan that meets the requirements of subsection (e) of this section is a general criterion for prioritizing which ~~local government units~~ applicants will receive a loan or grant. ~~A local government unit~~ An applicant that is not authorized to adopt a comprehensive land-use plan but that is located in whole or in part in ~~another~~ a local government unit that has adopted a comprehensive land-use plan shall receive the same

priority treatment as ~~a local government unit~~ an applicant that has authority to adopt a comprehensive land-use plan. A comprehensive land-use plan that meets the requirements of subsection (e) of this section and that exceeds the minimum State standards for protection of water resources shall receive more points than a plan that does not exceed those standards. Additional points may be awarded for actions taken toward implementation of a comprehensive land-use plan. These actions may include the adoption of a zoning ordinance or any other measure that significantly contributes to the implementation of the comprehensive land-use plan.

(2) Wastewater Treatment Work Projects. -- The priority criteria provided in 1 NCAC 22.0501 through .0506 on January 1, 1987, shall apply to applications for wastewater treatment work projects, except that 1 NCAC 22.0503 shall not apply.

(3) Wastewater Collection System Projects. -- The priority criteria provided in 1 NCAC 22.0601 through .0606 on January 1, 1987, shall apply to applications for wastewater collection system projects, except that 1 NCAC 22.0601(2)(a) and (3), and 1 NCAC 22.0605(2), (3) and (4) shall not apply.

(4) Water Supply System Projects. -- The priority criteria provided in 1 NCAC 22.0701 through .0704 on January 1, 1987, shall apply to applications for water supply system projects.

(5) Wastewater Treatment Works Improvements to Meet Nitrogen and Phosphorous Limits. -- The Environmental Management Commission shall adopt a rule specifying priority criteria for modifications to existing permitted wastewater treatment facilities that are owned or operated by local government units and that are subject to G.S. 143-215.1(c1) or G.S. 143-215.1(c2) to enable local government units to comply with G.S. 143-215.1(c1) and G.S. 143-215.1(c2).

(6) The total number of points available in the respective categories shall be deemed adjusted in accordance with the provisions of subdivisions (1) through (5) of this subsection."

Section 8. G.S. 159G-13(a) reads as rewritten:

"(a) To be eligible to receive the revolving loans and grants provided for in this Chapter, ~~local government units~~ applicants shall arrange to borrow the amounts necessary to be borrowed in connection therewith pursuant to the Local Government Finance Act or as provided in this Chapter as applicable. ~~Local government units~~ Applicants may apply for the revolving loans and grants prior to arranging for such borrowing."

Section 9. G.S. 159G-14 reads as rewritten:

"**§ 159G-14. Inspection.**

Inspection of a project for which a revolving loan or grant has been made under this Chapter may be performed by qualified personnel of the Division of Environmental Health or the Environmental Management Commission or may be performed by qualified professional engineers, registered in this State, who have been approved by the Division of Environmental Health or the Environmental Management Commission; but no person shall be approved to perform inspections who is an officer or employee of the ~~unit of government~~ applicant to which the revolving loan or grant was made or who is an owner, officer, employee or agent of a contractor or subcontractor engaged in the construction of the project for which the revolving loan or grant was made. For the purpose of payment of inspection fees, inspection services shall be included in the term "construction cost" as used in this Chapter."

Section 10. G.S. 159G-15(b) reads as rewritten:

"(b) A copy of its rules adopted to implement the provisions of this Chapter shall be furnished free of charge by the receiving agency and the Department of Environment and Natural Resources to any ~~local government unit.~~ applicant."

Section 11. G.S. 159G-18 reads as rewritten:

"**§ 159G-18. ~~Local government~~ Applicant borrowing authority.**

(a) ~~Local government units~~ Applicants may execute debt instruments payable to the State in order to obtain revolving loans provided for in this Chapter. ~~Local government units~~ Applicants shall pledge as security for such obligations the user fee revenues derived from operation of the benefited facilities or systems only, or other sources of revenue, or their faith and credit, or any combination thereof. The faith and credit of ~~such~~ applicants that are local government units shall not be pledged or be deemed to have been pledged unless the requirements of Article 4, Chapter 159 of the General Statutes have been met. The State Treasurer, with the assistance of the Local Government Commission, shall develop and adopt appropriate debt instruments for use by applicants under this Chapter. The Local Government Commission shall develop and adopt appropriate procedures for the delivery of debt instruments by applicants to the State without any public bidding therefor.

(b) The Local Government Commission shall review and approve proposed loans to applicants that are local government units under this Chapter under the provisions of Articles 4 and 5, Chapter 159 of the General Statutes, as if the issuance of bonds was proposed, so far as those provisions are applicable. The Local Government Commission shall review and approve proposed loans to applicants that are nonprofit water corporations under this Chapter under the provisions of G.S. 159-153, so far as those provisions are applicable. Revolving loans under this Chapter shall be outstanding debt of applicants that are local government units for the purpose of Article 10, Chapter 159 of the General Statutes."

Section 12. G.S. 159-153 is amended by adding a new section to read:

"(a1) Commission Approval Required for Nonprofit Water Corporation Loans From the Clean Water Revolving Loan and Trust Fund. -- In addition to the requirements of Chapter 159G of the General Statutes, approval by the Commission in accordance with this section is required before a nonprofit water corporation may

be eligible to receive a revolving loan or grant under Chapter 159G of the General Statutes."

Section 13. This act becomes effective July 1, 1999.

FISCAL ANALYSIS MEMORANDUM

DATE: April 21, 1999

FROM: Dave Crotts
Fiscal Research Division

RE: SB 878 (Nonprofit Water Corp. Loans)

FISCAL IMPACT

Yes ( ) **No (X)** **No Estimate Available ( )**

EFFECTIVE DATE: July 1, 1999

BILL SUMMARY: Under current law an applicant for a revolving loan or grant under the Clean Water Revolving Loan or Grant Fund must be a county, city, or specifically named local government authority. Under the Clean Water Fund is a special account called the Drinking Water Treatment Revolving Loan Fund. The bill allows a nonprofit water corporation to apply for loans and grants from this special account.

ASSUMPTIONS AND METHODOLOGY: The amount of federal and state dollars in the Fund will not change under the bill. The only impact would be to allow nonprofit water corporations to share in the proceeds of the fund if they meet the application requriements.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1999

S 1

SENATE BILL 290

Short Title: Lobbying Law Amendments. (Public)

Sponsors: Senators Miller; Gulley, Harris, Kinnaird, Lucas, Metcalf, Reeves, Shaw of Cumberland, and Weinstein.

Referred to: Judiciary II.

March 8, 1999

A BILL TO BE ENTITLED

AN ACT TO AMEND THE LOBBYING LAW.

The General Assembly of North Carolina enacts:

Section 1. G.S. 120-47.6(d) reads as rewritten:

"(d) When a lobbyist fails to file a lobbying expense report as required herein, the Secretary of State shall send a certified or registered letter advising the lobbyist of the delinquency and the penalties provided by law. Within 20 days of the receipt of the letter, the lobbyist shall deliver or post by United States mail to the Secretary of State the required report and an additional late filing fee of ten dollars ~~($10.00).~~ ($10.00) per day for the first 30 days the report is late and fifty dollars ($50.00) per day thereafter, not to exceed a total of one thousand dollars ($1,000).

Filing of the required report and payment of the additional fee within the time extended shall constitute compliance with this section. Failure to file an expense report in one of the manners prescribed herein shall result in revocation of any and all registrations of a lobbyist under this Article. No lobbyist may register or reregister under this Article until he has fully complied with this section."

Section 2. G.S. 120-47.7(d) reads as rewritten:

"(d) When a lobbyist's principal fails to file a lobbying expense report as required herein, the Secretary of State shall send a certified or registered letter advising the lobbyist's principal of the delinquency and the penalties provided by law. Within 20 days of the receipt of the letter, the lobbyist's principal shall deliver or post by United States mail to the Secretary of State the required report and a late filing fee of ten dollars ~~($10.00).~~ ($10.00) per day for the first 30 days the report is late and fifty

dollars ($50.00) per day thereafter, not to exceed a total of one thousand dollars ($1,000).

Filing of the required report and payment of the late fee within the time extended shall constitute compliance with this section."

Section 3. G.S. 120-47.9 reads as rewritten:

"**§ 120-47.9. Punishment for violation.**

Whoever willfully violates any provision of this Article shall be guilty of a Class ~~1~~ A1 misdemeanor. In addition, no lobbyist who is convicted of a violation of the provisions of this Article shall in any way act as a lobbyist for a period of two years following his conviction."

Section 4. This act becomes effective January 1, 2000, and Section 3 applies to offenses committed on or after that date.

SENATE BILL 290:
Lobbying Law Amendments

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Sen. Brad Miller
Date:	April 13, 1999	**Summary by:**	Martha K. Walston
Version:	1st Edition		Committee Counsel

SUMMARY: ***Senate Bill 290 increases two late filing penalties that apply to reports of lobbying activities. The bill increases the penalties from a flat $10.00 per report to a per day amount with a $1,000 cap. The bill also increases the punishment for a willful violation of any provision of the lobbying article from a Class 1 misdemeanor to a Class A1 misdemeanor. The increases become effective January 1, 2000. Senate Bill 290 is a recommendation of the Secretary of State's Office. The bill was given a favorable report in Senate Judiciary II.***

CURRENT LAW: Current law requires each lobbyist and lobbyist's principal to file two expense reports each year with the Secretary of State's Office. (A "lobbyist's principal" is the entity in whose behalf the lobbyist influences or attempts to influence legislative action.) One report covers activities from January 1 until the last day of the regular session, and the other report covers the period from the last day of the session until the end of the calendar year. The first report must be filed within 60 days after the end of the regular session, and the second report must be filed by February 28 after the end of the calendar year. A report that is not filed within these time limits is late and is subject to a $10.00 late penalty. A report must be filed even if there were no expenses during the reporting period.

The reports must list amounts paid, the person who was paid, and the legislators who benefited in six categories: transportation, lodging, entertainment, food, other items over $25.00, and contributions. A principal's report must also list the total compensation paid to lobbyists.

Willful failure to file a report is a Class 1 misdemeanor. Also a lobbyist who has not filed the report and paid any late filing fee cannot re-register as a lobbyist until the report is filed and the late filing fee is paid. A lobbyist who is convicted of a violation of the Lobbying Article may not act as a lobbyist for 2 years following his or her conviction.

BILL ANALYSIS: Senate Bill 290 changes the late filing fee to $10.00 a day for the first 30 days a report is late and then $50.00 a day for each day after the first 30 days, not to exceed $1,000. The $10 flat fee was set in 1975 and has not been increased since then.

Senate Bill 290 also increases the penalty for a willful violation of the Lobbying Article from a Class 1 misdemeanor (1-45 days of community service) to a Class A1 misdemeanor (1-60 days of community service, intermediate punishment, or active sentence).

BACKGROUND: With the exception of the change in the penalty section, an identical version of Senate Bill 290 was introduced in the last session and passed the Senate.

A BILL TO BE ENTITLED

AN ACT RELATING TO THE EXERCISE OF EXTRATERRITORIAL JURISDICTION BY THE TOWN OF PINEBLUFF.

The General Assembly of North Carolina enacts:

Section 1. G.S. 160A-360(a) reads as rewritten:

"(a) All of the powers granted by this Article may be exercised by any city within its corporate limits. In addition, any city may exercise these powers within a defined area extending not more than one mile beyond its limits. With the approval of the board or boards of county commissioners with jurisdiction over the area, a city of 10,000 or more population but less than 25,000 may exercise these powers over an area extending not more than two miles beyond its limits and a city of 25,000 or more population may exercise these powers over an area extending not more than three miles beyond its limits. The boundaries of the city's extraterritorial jurisdiction shall be the same for all powers conferred in this Article. No city may exercise extraterritorially any power conferred by this Article that it is not exercising within its corporate limits. In determining the population of a city for the purposes of this Article, the city council and the board of county commissioners may use the most recent annual estimate of population as certified by the Secretary of the North Carolina Department of Administration. The Town of Pinebluff may exercise the powers granted by this Article for a distance not more than two miles beyond its corporate limits, without regard to the population limit of this section."

Section 2. G.S. 160A-360(f) reads as rewritten:

"(f) When a city annexes, or a new city is incorporated in, or a city extends its jurisdiction to include, an area that is currently being regulated by the county, the

county regulations and powers of enforcement shall remain in effect until (i) the city has adopted such regulations, or (ii) a period of 60 days has elapsed following the annexation, extension or incorporation, whichever is sooner. During this period the city may hold hearings and take any other measures that may be required in order to adopt its regulations for the area. When the Town of Pinebluff annexes any area outside its corporate limits thus extending the area over which it would be allowed under subsection (a) of this section to exercise the powers granted by this Article, upon presenting proper evidence to the County Board of Commissioners that the annexation has been accomplished, the County Board of Commissioners shall adopt a resolution authorizing the Town to exercise these powers within the extended area thus described."

Section 3. This act applies to the Town of Pinebluff only.

Section 4. This act is effective when it becomes law.

SENATE BILL 433:
Pinebluff ETJ

BILL ANALYSIS

Committee: Senate Finance Committee
Date: April 26, 1999
Version: 1st Edition

Introduced by: Senator Lee
Summary by: Martha K. Walston
Committee Counsel

SUMMARY: ***Senate Bill 433 is a local bill that expands the extraterritorial jurisdiction authority of the Town of Pinebluff. The Bill allows the Town to exercise its zoning powers for a distance not more than two miles beyond its corporate limits, without regard to the population limit of the Town. SB 433 also provides that the Moore County Board of Commissioners will adopt a resolution authorizing Pinebluff to begin exercising its zoning powers in the extended area after the Town presents evidence that the annexation has been accomplished.***

CURRENT LAW: Article 19 of Chapter 160A of the General Statutes allows a city to enact zoning restrictions within its corporate limits. In addition, any city may exercise these same powers within a defined area extending not more than one mile beyond its limits. This is commonly known as the city's extraterritorial jurisdiction (ETJ). If the board of county commissioners approves, a city with a population greater than 10,000 but less than 25,000 may expand its ETJ to two miles beyond its corporate limits, and a city with a population of 25,000 or more may expand its ETJ to three miles beyond its corporate limits.

Article 19 of Chapter 160A also requires that when a city extends its jurisdiction to include an area currently regulated by the county, then the county's regulations remain in effect until the city has adopted regulations or 60 days after annexation, whichever is sooner.

BILL ANALYSIS: SB 433 authorizes the Town of Pinebluff to exercise its zoning powers for a distance of not more than two miles beyond its corporate limits, even though the Town may not meet the population limit of 10,000 or more but less than 25,000.

Senate Bill 433 also authorizes the Town of Pinebluff to exercise its authority over the annexed area earlier than currently allowed in Article 19. The Town need only present evidence to the Moore County Board of Commissioners that the annexation has been accomplished. The Board will then adopt a resolution authorizing Pinebluff to exercise zoning powers.

SENATE BILL 618

Short Title: Macon County Airport Authority. (Local)

Sponsors: Senator Carpenter.

Referred to: Finance.

March 30, 1999

A BILL TO BE ENTITLED

AN ACT TO ENABLE THE COUNTY OF MACON TO ESTABLISH AN AIRPORT AUTHORITY FOR THE MAINTENANCE OF AIRPORT FACILITIES IN THE COUNTY.

The General Assembly of North Carolina enacts:

Section 1. There is hereby created the "Macon County Airport Authority" (for brevity hereinafter referred to as the "Airport Authority"), which shall be a body both corporate and politic, having the powers and jurisdiction hereinafter enumerated and such other and additional powers as shall be conferred upon it by general law and future acts of the General Assembly.

Section 2. The Airport Authority shall consist of five members, who shall be residents of Macon County and who shall be appointed to staggered terms of six years by the Macon County Board of Commissioners. Members may succeed themselves in office and serve more than one term. Two initial appointments to the Airport Authority shall be for two years, two initial appointments to the Airport Authority shall be for four years, and the remaining initial appointment to the Airport Authority shall be for six years.

When vacancies occur in the membership of the Airport Authority, for any reason, the remaining members of the Airport Authority shall submit a list of two or more candidates to the Macon County Board of Commissioners. The Board of Commissioners shall either select one from that list to fill the unexpired term of the vacant office or shall request that the Airport Authority submit additional candidates. The Airport Authority shall submit additional candidates upon request until the Board of Commissioners selects a member from the candidates submitted.

Each member shall take and subscribe before the Clerk of Superior Court of Macon County an oath of office and file the same with the Macon County Board of Commissioners. Membership on the Macon County Board of Commissioners and the Airport Authority shall not constitute double office holding within the meaning of Article VI, Section 9, of the Constitution of North Carolina.

Section 3. The Airport Authority may adopt suitable bylaws for its management. The members of the Airport Authority may receive compensation, per diem, or otherwise as the Macon County Board of Commissioners from time to time determines. Members shall be allowed and paid their actual expenses incurred in transacting the business and at the instance of the Airport Authority. Members of the Airport Authority shall not be personally liable for their acts as members of the Airport Authority, except for acts resulting from misfeasance or malfeasance.

Section 4.(a) The Airport Authority shall constitute a body, both corporate and politic, and shall have the following powers and authority:

(1) To purchase, acquire, establish, construct, own, control, lease, equip, improve, maintain, operate, and regulate airports and landing fields for the use of airplanes and other aircraft within the limits of the county and for this purpose to purchase, improve, own, hold, lease, or operate real or personal property. The Airport Authority may exercise these powers alone or in conjunction with the County of Macon.

(2) To sue and be sued in the name of the Airport Authority, to make contracts and hold any personal property necessary for the exercise of the powers of the Airport Authority, and acquire by purchase, lease, or otherwise any existing lease, leasehold right, or other interest in any existing airport located in the county.

(3) To charge and collect reasonable and adequate fees and rents for the use of airport property or for services rendered in the operation of the airport.

(4) To make all reasonable rules and regulations it deems necessary for the proper maintenance, use, operation, and control of the airport, including public safety, and provide penalties for the violation of these rules and regulations; provided, the rules and regulations and schedules of fees not be in conflict with the laws of North Carolina and the regulations of the Federal Aviation Administration. The Airport Authority may administer and enforce any airport zoning regulations adopted by the County of Macon.

(5) To issue bonds pursuant to Article 5 of Chapter 159 of the General Statutes.

(6) To sell, lease, or otherwise dispose of any property, real or personal, belonging to the Airport Authority, according to the procedures described in Article 12 of Chapter 160A of the General

Statutes, but no sale of real property shall be made without the approval of the Macon County Board of Commissioners.

(7) To purchase any insurance that the Federal Aviation Administration or the Airport Authority shall deem necessary. The Airport Authority shall be responsible for any and all insurance claims or liabilities.

(8) To deposit or invest and reinvest any of its funds as provided by the Local Government Finance Act, as it may be amended from time to time, for the deposit or investment of unit funds.

(9) To purchase any of its outstanding bonds or notes.

(10) To operate, own, lease, control, regulate, or grant to others, for a period not to exceed 20 years, the right to operate on any airport premises restaurants, snack bars, vending machines, food and beverage dispensing outlets, rental car services, catering services, novelty shops, insurance sales, advertising media, merchandising outlets, motels, hotels, barbershops, automobile parking and storage facilities, automobile service establishments, and all other types of facilities as may be directly or indirectly related to the maintenance and furnishing to the general public of a complete air terminal installation.

(11) To contract with persons, firms, or corporations for terms not to exceed 20 years, for the operation of airline-scheduled passenger and freight flights, nonscheduled flights, and any other airplane activities not inconsistent with the grant agreements under which the airport property is held.

(12) To erect and construct buildings, hangars, shops, and other improvements and facilities, not inconsistent with or in violation of the agreements applicable to and the grants under which the real property of the airport is held; to lease these improvements and facilities for a term or terms not to exceed 20 years; to borrow money for use in making and paying for these improvements and facilities, secured by and on the credit only of the lease agreements in respect to these improvements and facilities, and to pledge and assign the leases and lease agreements as security for the authorized loans.

(13) Subject to the limitations set out in this act, to have all the same power and authority granted to cities and counties pursuant to Chapter 63 of the General Statutes, Aeronautics.

(14) To have a corporate seal, which may be altered at will.

Section 4.(b) The Airport Authority shall possess the same exemptions in respect to payment of taxes and license fees and be eligible for sales and use tax refunds to the same extent as provided for municipal corporations by the laws of the State of North Carolina.

Section 5. The Airport Authority may acquire from the county, by agreement with the county, and the county may grant and convey, either by gift or for such consideration as the county may deem wise, any real or personal property which it now owns or may hereafter acquire, including nontax monies, and which may be necessary for the construction, operation, and maintenance of any airport located in the county.

Section 6. Any lands acquired, owned, controlled, or occupied by the Airport Authority shall be, and are declared to be, acquired, owned, controlled, and occupied for a public purpose.

Section 7. Private property needed by the Airport Authority for any airport, landing field, or as facilities of an airport or landing field, may be acquired by gift or devise, or may be acquired by private purchase or by the exercise of eminent domain pursuant to Chapter 40A of the General Statutes, as a local public condemnor, including the provisions of G.S. 40A-42. If property acquired by gift, devise, purchase, or condemnation has a burial ground or graveyard, then it shall be lawful for the Airport Authority, after 30 days' notice to the surviving spouse or next of kin of the deceased buried there or the person in control of the graves, if they are known, to remove the interred body and reinter the body in another cemetery in Macon County. If no surviving spouse or next of kin or person in control can be found, then the Airport Authority may advertise for four consecutive weeks in a newspaper published in Macon County of the intended removal of the graves. The removal shall then be conducted under the supervision of the Clerk of the Superior Court of Macon County or his or her representative. The expense of the removal shall be borne by the Airport Authority.

Section 8. The Airport Authority shall make an annual report to the Macon County Board of Commissioners setting forth in detail the operations and transactions conducted by it pursuant to this act. The Airport Authority shall not have the power to pledge the credit of Macon County, or any subdivision thereof, or to impose any obligation on Macon County, or any of its subdivisions, except when that power is expressly granted by statute.

Section 9. Subject to the limitations as set out in this act, all rights and powers given and granted to counties or municipalities by general law, which may now be in effect, or enacted in the future, relating to the development, regulation, and control of municipal airports and the regulation of aircraft are now concurrently vested in the Airport Authority. The Macon County Board of Commissioners may delegate its powers under these acts to the Airport Authority, and the Airport Authority shall have concurrent rights with Macon County to control, regulate, and provide for the development of aviation in Macon County.

Section 10. The Airport Authority may contract with and accept grants from the Federal Aviation Administration, the State of North Carolina, or any of the agencies or representatives of either of said governmental bodies relating to the purchase of land and air easements and to the grading, constructing, equipping, improving, maintaining, or operating of an airport or its facilities or both.

Section 11. The Airport Authority may employ or contract with any agents, engineers, attorneys, and other persons whose services may be deemed by the Airport Authority to be necessary and useful in carrying out the provisions of Sections 1 through 10 of this act.

Section 12. The Macon County Board of Commissioners may appropriate funds derived from any source including ad valorem taxes to carry out the provisions of this act in any proportion or upon any basis as may be determined by the Macon County Board of Commissioners. The Macon County Board of Commissioners may provide county services to the Airport Authority upon any basis as may be determined by the Macon County Board of Commissioners.

Section 13. The Airport Authority may expend the funds that are appropriated by the county for joint airport purposes and may pledge the credit of the Airport Authority to the extent of the appropriated funds.

Section 14. The Airport Authority shall elect from among its members a chair and other officers at its initial meeting and then biennially thereafter. Officers shall be eligible to succeed themselves in office and to serve consecutive terms at the will of the members of the Airport Authority. A majority of the Airport Authority shall control its decisions. Each member of the Airport Authority, including the chair, shall have one vote. The Airport Authority shall meet at the places and times designated by the chair.

Section 15. If an airport established pursuant to this act ceases to be operated by the Airport Authority, or if any property acquired pursuant to this act for airport purposes is abandoned, then the title to that real or personal property, or rights under any existing lease, shall revert to and vest in the County of Macon and on the sale of that property, the proceeds shall vest totally in the County of Macon.

Section 16. The powers granted to the Airport Authority shall not be effective until the members of the Airport Authority have been appointed by the Macon County Board of Commissioners, and nothing in this act shall require the Board of Commissioners to make the initial appointments. It is the intent of this act to enable but not to require the formation of the Macon County Airport Authority.

Section 17. If any one or more sections, clauses, sentences, or parts of this act shall be adjudged invalid, such judgment shall not affect, impair, or invalidate the remaining provisions thereof, but shall be confined in its operation to the specific provisions held invalid, and the inapplicability or invalidity of any section, clause, sentence, or part of this act in one or more instances or circumstances shall not be taken to affect or prejudice in any way its applicability or validity in any other instance.

Section 18. This act is effective when it becomes law.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Macon County Airport Authority, Macon County Government, and the Sales Tax Division of the Department of Revenue.

EFFECTIVE DATE: When it becomes law.

BILL SUMMARY: The legislation creates the Macon County Airport Authority and sets rules for it governance and operation. It also extends the sales and use tax refund provisions generally applied to county and city governments to the Macon County Airport Authority.

ASSUMPTIONS AND METHODOLOGY: The only potential fiscal impact of the bill is the sales tax refund. Under G.S. 105-164.14(c), certain government entities are eligible for refund of the sales taxes they paid on purchases in the previous fiscal year. This refund is issued annually. The types of government organizations that are currently eligible for the refund include city and county governments, municipal sewer districts, water and sewer authorities, public health authorities, a council of government, schools, and regional pubic transportation authorities. The law also states that local airport authorities, created by the General Assembly, may be eligible for the refund if the authority meets at least one of the following criteria: it has all the rights of a municipality, a local act of the General Assembly declares it to be a municipality, or a local act of the General Assembly specifically authorizes it to receive the refund. In addition to creating the Authority, the bill specifically authorizes the Macon County Airport Authority to receive the sales tax refund.

According to the Macon County Planning Office, the Airport Authority intends to make significant capital improvements to the airport. These will be funded primarily through Department of Transportation funds. However, because all airport related purchases are

currently made through the county, and would continue to be handled by the county if the bill does not pass, there is no fiscal impact. Since the purchases are made through the county, and the county receives the sales tax refund, the bill only changes who applies for the refund. It does not affect the amount of the refund. Therefore, there is no fiscal impact.

Version:	1st Edition		Committee Counsel

SUMMARY: ***Senate Bill 618 is a local bill that enables Macon County to establish the Macon County Airport Authority. The Authority would have the powers and authority to maintain and operate airports and landing fields in Macon County. The act is effective when it becomes law. There is a companion House Bill introduced by Representative Carpenter in House Finance.***

BILL ANALYSIS: Senate Bill 618 enables Macon County to establish the Macon County Airport Authority and sets out the powers granted to the Authority. These powers are not effective until the members of the Authority have been appointed by the Macon County Board of Commissioners. The County is not required to form the Authority. If created, the Authority would consist of 5 residents of Macon County appointed to staggered terms of six years.

Section 4(a) of the act lists the powers given to the Authority in order to maintain and operate airport facilities in the County.

Section 4(b) of the act gives the Authority the same tax and license fee exemptions and the same sales and use tax refunds as given to municipal corporations.

Section 8 requires the Authority to make an annual report to the Macon County Board of Commissioners.

The General Assembly has enacted legislation authorizing the following airport authorities:

Whiteville Airport Authority
Raleigh-Durham Airport Authority
Wendell-Knightdale Airport Authority
Beaufort-Morehead City Airport Authority

SENATE BILL 843:
Nurses Aides II Registry Fees

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Weinstein
Date:	April 25, 1999	**Summary by:**	Martha K. Walston
Version:	Proposed Committee Substitute		Committee Counsel

SUMMARY: ***Senate Bill 843 amends the Nurses Aides Registry Act by authorizing the Board of Nursing to increase the $5 annual fee to $12 for Level II nurses aides. SB 843 further clarifies that this annual fee applies only to Level II nurses aides.***

CURRENT LAW: Under the Nurses Aides Registry Act, the North Carolina Board of Nursing must establish a Nurses Aides Registry for persons functioning as nurses aides regardless of title. Each registry applicant, who is a Level II nurses aide, must pay an annual $5.00 fee. The fee, when possible, is to be collected through the employer or prospective employer and will be used in administering the registry. The Nursing Board will consider Level I nurses aides employed in State license or Medicare/Medicaid nursing facilities who meet the registry requirements adopted by the North Carolina Medical Commission as having fulfilled the training and registry requirements of the Nursing Board. Because of a change in the federal Health Care Financing Act in 1990, the Nursing Board may not assess the $5.00 annual fee against Level I nurses aides. The Division of Facility Services, within the Department of Health and Human Service maintains the registry for Level I nurses aides. The Nursing Board maintains the registry for Level II nurses aides, however a Level II nurses aide is also required to be registered as a Level I nurses aide.

A Level I nurses aide may perform basic nursing skills and personal care activities after successfully completing a training and competency evaluation program.

A Level II nurses aide performs more complex nursing skills with emphasis on sterile technique in elimination, oxygenation, and nutrition after successful completion of an approved nurse aide II training and competency evaluation program. The aide must also be listed as a Level I nurses aide on the Division of Facility Services Nurses Aide Registry with no substantiated findings of abuse, neglect, or misappropriation of property. The agency where the Level II nurses aide is working must also confirm with the Board of Nursing that the individual is listed on the Board of Nursing Nurses Aide II Registry

Listing on a Nurses Aide Registry is not required if the care is performed by clients themselves, their families or significant others, or by caretakers who provide personal care to individuals whose health care needs are incidental to the personal care required.

BILL ANALYSIS: SB 843 increases the $5 annual fee charged to Level II nurses aides to $12, and clarifies that this fee applies only to Level II nurses aides.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: North Carolina Board of Nursing

EFFECTIVE DATE: The act is effective when it becomes law.

BILL SUMMARY:
The act increases the annual fee from $5 to $12 for a Nurse Aide II to be listed on the Nurse Aid Registry with the North Carolina Board of Nursing.

BACKGROUND:
The 1989 Federal Omnibus Budget Reconciliation Act (OBRA) mandated the creation of a Nurse Aide Registry in every state. In North Carolina, the Division of Facility Services in the Department of Health and Human Services list the Nurse Aide I and the North Carolina Board of Nursing list the Nurse Aide II. To be listed on the Nurse Aide Registry, a Nurse Aide I must have 75 hours of training and a Nurse Aide II must have an additional 160 hours of training. Both Nurse Aides I and II must be under the supervision of a licensed nurse.

ASSUMPTIONS AND METHODOLOGY:
The Board of Nursing anticipates 10,500 new and renewed Nurse Aid II registrants each year. The current $5 fee, unchanged since 1989, generates approximately $52,500 each year. The proposed $12 fee will generate $126,000 each year. **The net revenue increase to the Board's operating fund is $73,500 each year.**

The Board of Nursing requests the increase because expenses for the Nurse Aide II Registry exceed the revenues. A cost analysis for fiscal year 1998 found the Nurse Aide Registry expenditures equal to $177,506, but Registry revenues equal to $66,865. The $50,641deficit in this program for 1998 was covered from RN and LPN licensure fees. The Board of Nursing had a fund balance of $650,852 on June 30, 1998.

A BILL TO BE ENTITLED

AN ACT AUTHORIZING THE TOWN OF CORNELIUS TO PROVIDE FOR VOLUNTARY ANNEXATION OF PROPERTY SUBJECT TO PRESENT-USE VALUE APPRAISAL.

The General Assembly of North Carolina enacts:

Section 1. G.S. 160A-31(e) is amended by adding new subsections to read:

"(e1) Notwithstanding subsection (e) of this section, if an area described in the annexation petition and ordinance includes agricultural land, horticultural land, or forestland, that on the effective date of annexation is:

(1) Land that is being taxed at present-use value pursuant to G.S. 105-277.4; or

(2) Land that:

a. Was on the date of the filing of the petition for annexation being used for actual production and is eligible for present-use value taxation under G.S. 105-277.4, but the land has not been in use for actual production for the required time under G.S. 105-277.3; and

b. The assessor for the county the land subject to annexation is located has certified to the city that the land meets the requirements of this subdivision.

Annexation becomes effective as to that property pursuant to subsection (e2) of this section.

(e2) Annexation of property subject to annexation under subsection (e1) of this section shall become effective:

(1) Upon the effective date of the annexation ordinance, the property is considered part of the city only (i) for the purpose of establishing city boundaries for additional annexations pursuant to this Article and (ii) for the exercise of city authority pursuant to Chapter 19 of this Chapter.

(2) For all other purposes, the annexation becomes effective as to each tract of such property or such part thereof on the last day of the month in which that tract or part thereof becomes ineligible for classification pursuant to G.S. 105-227.4 and no longer meets the requirements of subdivision (e1)(2) of this section. Until annexation of a tract or a part of a tract becomes effective pursuant to this subdivision, the tract or part of a tract is not subject to taxation by the city under Article 12 of Chapter 105 of the General Statutes, nor is the tract or part of the tract entitled to services provided by the city."

Section 2. This act applies to the Town of Cornelius only.

Section 3. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE TOWN OF CORNELIUS TO PROVIDE FOR VOLUNTARY ANNEXATION OF PROPERTY SUBJECT TO PRESENT-USE VALUE APPRAISAL.

The General Assembly of North Carolina enacts:

Section 1. G.S. 160A-31 is amended by adding new subsections to read:

"(e1) Notwithstanding subsection (e) of this section, an annexation becomes effective as to the property pursuant to subsection (e2) if an area described in the annexation petition and ordinance includes agricultural land, horticultural land, or forestland, that on the effective date of annexation is:

(1) Land that is being taxed at present-use value pursuant to G.S. 105-277.4; or

(2) Land that:

a. Was on the date of the filing of the petition for annexation being used for actual production and is eligible for present-use value taxation under G.S. 105-277.4, but the land has not been in use for actual production for the required time under G.S. 105-277.3; and

b. The assessor for the county where the land subject to annexation is located has certified to the city that the land meets the requirements of this subdivision.

(e2) Annexation of property subject to annexation under subsection (e1) of this section shall become effective as to each tract of such property or such part thereof

on the last day of the month in which that tract or part thereof becomes ineligible for classification pursuant to G.S. 105-277.4 and no longer meets the requirements of subdivision (e1)(2) of this section. Until annexation of a tract or a part of a tract becomes effective pursuant to this subsection, the tract or part of a tract is not subject to taxation by the city under Article 12 of Chapter 105 of the General Statutes, nor is the tract or part of the tract entitled to services provided by the city. When annexation becomes effective pursuant to this subsection as to a tract or part of a tract, the city shall provide all required services upon payment of city taxes.

(e3) The boundaries of the property prior to the effective date under subsection (e2) of this section shall be considered as primary corporate limits only (i) for the purpose of establishing city boundaries for additional annexations pursuant to this Article and (ii) for the exercise of city authority pursuant to Article 19 of this Chapter."

Section 2. This act applies to the Town of Cornelius only.

Section 3. This act is effective when it becomes law.

SENATE BILL 712:
Cornelius Voluntary Annexation

BILL ANALYSIS

Committee:	Senate Finance Committee	**Introduced by:**	Sen. Odom
Date:	April 25, 1999	**Summary by:**	Martha K. Walston and Cindy Avrette, Staff Attorneys
Version:	Proposed Committee Substitute		

SUMMARY: ***Senate Bill 712 would allow the Town of Cornelius to annex property subject to present use value classification upon a petition of the property owners. Unlike general law, this bill would allow the annexation to become effective at whatever point in time the property becomes ineligible for present use value classification. However, for purposes of the Town's extraterritorial jurisdiction and other annexing proceedings, the property would be considered part of the Town's primary corporate limits. The act becomes effective when it becomes law.***

CURRENT LAW: The law provides that a municipality may annex by ordinance any area contiguous to its boundaries upon presentation to the governing board of a petition signed by the owners of all the real property located in the area. The annexation must become effective within six months from the date of the passage of the ordinance. From and after the effective date of the ordinance, the property becomes subject to municipal taxes and the municipality must offer the area the same privileges and benefits as received by other parts of the municipality.

A municipality may annex property that is not contiguous with its primary corporate limits if five different standards are met. Two of the five standards concern the proximity of the property proposed to be annexed to the primary corporate limits of the annexing city. One of the five standards provides that the area within the proposed satellite corporate limits, when added to the area within all other satellite corporate limits, does not exceed ten percent (10%) of the area within the primary corporate limits of the annexing city.

A municipality may annex property involuntarily if several different requirements are met. One of the requirements concerns the location of the property in relationship to the municipality's existing corporate boundaries: the area proposed to be annexed must be adjacent or contiguous to the municipality's boundaries and at least 1/8 of the aggregate external boundaries of the area must coincide with the municipal boundary.

Article 19 of Chapter 160A of the General Statutes allows a municipality to enact zoning restrictions within its corporate limits. In addition, any municipality may exercise these same powers within a defined area extending not more than one mile beyond its limits. This is commonly known as the municipality's extraterritorial jurisdiction (ETJ). With the approval of the board of county commissioners, a municipality with a population greater than 10,000 but less than 25,000 may expand its

ETJ to two miles beyond its corporate limits, and a municipality with a population of 25,000 or more m expand its ETJ to three miles beyond its corporate limits.

Article V, Section 2 of the North Carolina Constitution authorizes the General Assembly to classify property for taxation, so long as the classification is uniform throughout the State. In 1973, the General Assembly classified agricultural land, forestland, and horticultural land as a special class of property. To come within the classification, the property must meet certain ownership, usage, and income requirements. If the property comes within the classification, it is taxed on its present-use value as opposed to its true value. Present-use value is the value of the land in its current use as farmland.

BILL ANALYSIS: Senate Bill 712 would change the current law concerning annexation by petition for the Town of Cornelius. Under the bill, the effective date of an annexation ordinance could be at an indeterminable point in time in the future, as opposed to within six months after the passage of the annexation ordinance. The property in the annexation petition would not be subject to municipal taxes nor would it be entitled to municipal service until the effective date of the annexation. However, the property would be considered part of the municipality's primary corporate limits as of the effective date of the ordinance for purposes of establishing the Town's boundaries for additional annexations and its ETJ.

To come within the exception created by this local act, the property must be one of two types of property:

1. It must be currently classified as farmland and taxed at its present-use value.
2. It must be land that, on the date of the filing of the annexation petition, is being used for farm purposes and is eligible for the present-use value taxation except that it has not been in use for actual production for the required statutory time. The county tax assessor must certify that the land meets this requirement.

Annexation of the present-use value property described above becomes effective on the last day of the month in which the property no longer meets the above descriptions. Prior to the effective date of annexation, the boundaries of this property would be considered in establishing the primary corporate limits of Cornelius for the purposes of additional annexations and the Town's ETJ limits.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE TOWN OF DAVIDSON TO MAKE ADDITIONAL VOLUNTARY SATELLITE ANNEXATIONS IF CERTAIN CRITERIA ARE MET.

The General Assembly of North Carolina enacts:

Section 1. G.S. 160A-58.1(b) reads as rewritten:

"(b) A noncontiguous area proposed for annexation must meet all of the following standards:

(1) The nearest point on the proposed satellite corporate limits must be not more than three miles from the primary corporate limits of the annexing city. Notwithstanding this subdivision, if an area proposed for annexation is located entirely within the same county as the annexing municipality, and in an area that another city has: (i) agreed not to annex, or (ii) has given the annexing city the right of annexation, under an agreement with the annexing city under Part 6 of this Article or similar local legislation authorizing such agreements, then this subdivision shall not apply.

(2) No point on the proposed satellite corporate limits may be closer to the primary corporate limits of another city than to the primary corporate limits of the annexing city. Notwithstanding this subdivision, if an area proposed for annexation under this Part is either: (i) in an area that another city has agreed not to annex under an agreement with the annexing city under Part 6 of this Article or similar local legislation authorizing such agreements, and

the territory to be annexed is within the same county as the annexing city is located, or (ii) the closer city is located entirely within another county than the area being annexed, then the proximity to that other city shall not be considered in applying this subdivision.

(3) The area must be so situated that the annexing city will be able to provide the same services within the proposed satellite corporate limits that it provides within its primary corporate limits.

(4) If the area proposed for annexation, or any portion thereof, is a subdivision as defined in G.S. 160A-376, all of the subdivision which is located within the same county as the annexing municipality must be included.

(5) The area within the proposed satellite corporate limits, when added to the area within all other satellite corporate limits, may not exceed ten percent (10%) of the area within the primary corporate limits of the annexing city."

SENATE BILL 353:
Davidson Satellite Annexation

BILL ANALYSIS

Committee: Senate Finance Committee
Date: April 25, 1999
Version: Proposed Committee Substitute

Introduced by: Sen. Odom
Summary by: Martha K. Walston and Cindy Avrette, Staff Attorneys
Introduced by: Sen. Odom

*SUMMARY: **Senate Bill 353 authorizes the Town of Davidson to make certain voluntary satellite annexations that it would not otherwise be able to make. The bill is effective when it becomes law.***

CURRENT LAW: G.S. 160A-58.1 governs the voluntary annexation of noncontiguous property. Property owners may petition a city for voluntary annexation of noncontiguous property if the property meets all of the following standards.

1. The nearest point on the proposed satellite corporate limits must be not more than 3 miles from the primary corporate limits of the annexing city.
2. No point on the proposed satellite corporate limits may be closer to the primary corporate limits of another city than to the primary corporate limits of the annexing city.
3. The area must be so situated that the annexing city will be able to provide the same services within the proposed satellite corporate limits that it provides within its primary corporate limits.
4. If the area proposed for annexation is a subdivision, all of the subdivision must be included.
5. The area within the proposed satellite corporate limits, when added to the area within all other satellite corporate limits, may not exceed ten percent (10%) of the area within the primary corporate limits of the annexing city.

BILL ANALYSIS: Senate Bill 353 modifies the first, second, and fourth standards for the Town of Davidson so that it may annex property that meets the following standards:

1. The proposed area to be annexed may be more than 3 miles from the primary corporate limits of Davidson if it is located within the same county as Davidson and another city has agreed not to annex the area or has agreed to give Davidson the right to annex.
2. The proposed area to be annexed may be closer to the primary corporate limits of another city than to the limits of Davidson if either the other city has agreed not to annex the proposed area and the area is within the same county as Davidson or the closer city is located entirely within another county than the proposed area being annexed.
3. If the proposed area to be annexed includes a subdivision or a portion of a subdivision, then only that portion of the subdivision located in the same county as Davidson must be included in the annexation.

The bill does not release the proposed satellite annexation from meeting the other two standards listed in G.S. 160A-58.1(b).

(44) State Attraction. -- Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate may bear a phrase or an insignia representing a publicly owned or nonprofit State or federal attraction located in North Carolina.

(45) Street Rod Owner. -- Issuable to the registered owner of a modernized private passenger motor vehicle manufactured prior to the year 1949 or designed to resemble a vehicle manufactured prior to the year 1949. The plate shall bear the phrase "Street Rod". The Division may not issue the plate authorized by this subdivision unless it receives at least 300 applications for the plate.

(46) Transportation Personnel. -- Issuable to various members of the Divisions of the Department of Transportation. The plate shall bear the letters "DOT" followed by a number from 1 to 85, as designated by the Governor.

(47) U.S. Representative. -- Issuable to a United States Representative for North Carolina. The plate shall bear the phrase "U.S. House" and shall be issued on the basis of Congressional district numbers.

(48) U.S. Senator. -- Issuable to a United States Senator for North Carolina. The plates shall bear the phrase "U.S. Senate" and shall be issued on the basis of seniority represented by the numbers 1 and 2.

(49) Veterans of Foreign Wars. -- Issuable to a member or a supporter of the Veterans of Foreign Wars. The plate shall bear the words "Veterans of Foreign Wars" or "VFW" and the emblem of the VFW. The Division may not issue the plate authorized by this subdivision unless it receives at least 300 applications for the plate.

(50) Vietnam Veteran. -- Issuable to a veteran of the armed forces of the United States who served in Vietnam. The Division may not issue the plate authorized by this subdivision unless it receives at least 300 applications for the plate.

(51) Wildlife Resources. -- Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate shall bear a picture representing a native wildlife species occurring in North Carolina."

Section 2. G.S. 20-79.7(a) reads as rewritten:

"(a) Fees. -- Upon request, the Division shall provide and issue free of charge one registration plate to a recipient of the Congressional Medal of Honor, a 100% disabled veteran, and an ex-prisoner of war. All other special registration plates are subject to the regular motor vehicle registration fee in G.S. 20-87 or G.S. 20-88 plus an additional fee in the following amount:

Special Plate	Additional Fee Amount
Historical Attraction	$30.00

State Attraction	$30.00
Collegiate Insignia	$25.00
Olympic Games	$25.00
Special Olympics	$25.00

All other Special Plates	$10	0	0".

Section 4. G.S. 20-81.12 is amended by adding a new subsection to read:

"(a1) Kids First Plates. -- The Division must receive 300 or more applications for a Kids First plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of Kids First plates to the North Carolina Children's Trust Fund created pursuant to G.S. 110-150."

Section 5. This act is effective when it becomes law.

SENATE BILL 235:
"Kids First" Registration Plates

BILL ANALYSIS

Committee: Senate Finance Committee
Date: April 26, 1999
Version: 1st Edition

Introduced by: Senator Hagan
Summary by: Martha K. Walston
Committee Counsel

SUMMARY: SB 235 authorizes the Division of Motor Vehicles to issue "Kids First" special license plates for an additional $25 fee. $15 of the additional fee will go to the North Carolina Children's Trust Fund to help fund child abuse and neglect prevention programs.

CURRENT LAW: Passenger vehicles and property-hauling vehicles pay an annual registration fee. Upon request, the Division of Motor Vehicles will issue special registration plates for an additional fee. Active members of the National Guard and Purple Heart recipients do not have to pay an additional fee for their special plates. Special registration plates are issued free of charge to recipients of the Congressional Medal of Honor, 100% disabled veterans, and ex-prisoners of war. All other special registration plates are subject to the regular registration fee plus an additional fee. Fees generated from special registration plates are credited to the Special Registration Plate Account and the Collegiate and Cultural Attraction Account established within the Highway Fund, and the Natural Heritage Trust Fund established under G.S. 113-77.7.

$10 of the additional fee goes to the Special Registration Plate Account. This uniform system of fees has been in place since 1991 when a study commission recommended that the special registration plate system be simplified through a uniform fee schedule. After deducting the costs of the plates from the Account, the money is distributed as follows:

Amount	Purpose
$525,000 distributed annually	Operating assistance for certain Visitor Centers
33% distributed quarterly	Department of Commerce for advertising the promotion of travel and industrial development in the State
50% distributed quarterly	Department of Transportation for beautification of highways
17% distributed quarterly	Department of Health and Human Services to promote travel accessibility for disabled persons.

The portion of the special registration fee going to the Collegiate and Cultural Attraction Plate Account is transferred quarterly to the organization for which the special plate is made.

Out-of-state Collegiate Insignia and Personalized special plates distribute part of their fee to the Natural Heritage Trust Fund to be used mainly to protect land with outstanding natural or cultural heritage values.

BILL ANALYSIS: SB 235 authorizes DMV to develop a special license plate bearing the phrase "Kids First" and a logo of children's hands. DMV must receive at least 300 applications for a special plate before it can be issued. The cost of the plate is the regular registration fee plus an additional $25. The first $10 of the additional fee would be credited to the Special Registration Plate Fund. The remaining $15 of the additional fee would go to the Collegiate and Cultural Attraction Plate Account and transferred quarterly to the N.C. Children's Trust Fund. This Fund is established in the State Treasurer's Office and is funded with $5 from each $40 marriage license fee collected by a register of deeds. The Fund is used by the State Board of Education to fund child abuse and neglect prevention programs authorized under the Prevention of Child Abuse and Neglect Article in the N.C. General Statutes.

EXPENDITURES					
Special Reg. Plate Account	($856)				

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Transportation, Division of Motor Vehicles, and North Carolina Children's Trust Fund.

EFFECTIVE DATE: When it becomes law.

BILL SUMMARY: The legislation authorizes the Division of Motor Vehicles to issue "Kids First" special registration plates. It instructs the Department to develop the plate only after 300 or more applications for the plate are received. A special fee of $25.00 (in addition to the regular motor vehicle registration fee) is also authorized. Ten dollars of this amount goes to the Special Registration Plate Account, and fifteen dollars will be deposited in the Collegiate and Cultural Attractions Plate Account (CCAPA). The proceeds from the plate deposited in the CCAPA are transferred quarterly to the North Carolina Children's Trust Fund.

ASSUMPTIONS AND METHODOLOGY: In addition to the normal $20.00 registration fee every owner of a private passenger vehicle pays, there is a $25.00 fee for each specialized "Kids First" plate. Because there is no way to determine how many of the "Kids First" plates will be requested, this fiscal note assumes the issuance of the minimum 300 license plates in FY 1999-00. As a result, the bill raises a total of $7,500 ($25 X 300 plates). Three thousand dollars

($3000.00) of this amount goes to the SRPA. Four thousand five hundred dollars ($4,500.00) is deposited in the CCAPA. However, at the end of each quarter the funds deposited in the CCAPA are transferred to the North Carolina Children's Trust Fund. Therefore, the North Carolina Children's Trust Fund actually gains $4,500.00. The note also assumes that those plates will be renewed in the following years.

According to the Division of Motor Vehicles and the Department of Corrections, there is a one-time cost of $100 to design the new plate. There is also a production cost of $2.52 per plate (This assumes a basic one color design. If the design is more complex, or requires more color, the per plate cost increases). The total production cost for 300 basic plates is $856.00.

A BILL TO BE ENTITLED

AN ACT REVISING THE PROCEDURE USED BY THE NORTH CAROLINA BOARD FOR LICENSING OF GEOLOGISTS TO ADDRESS COMPLAINTS AND INVESTIGATIONS AND AUTHORIZING THE BOARD TO ASSESS CIVIL PENALTIES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 89E-17 reads as rewritten:

"**§ 89E-17. ~~Complaints.~~ Complaints and investigations.**

(a) Any person may file written charges with the Board against any licensee pursuant to rules and regulations adopted by the Board; provided however, such charges or allegations shall be in writing and shall be sworn to by the person or persons making them and shall be filed with the secretary. The Board shall have the authority and shall be under a duty to investigate reasonably all valid complaints.

(b) The Board may appoint, employ, or retain investigators for the purpose of examining or inquiring into any acts committed in this State that may violate the provisions of this Chapter, the Board's code of professional conduct, or the Board's rules. The Board may expend funds for salaries, fees, and per diem expenses in connection with an investigation conducted pursuant to this Chapter, but no funds other than per diem expenses shall be paid to a member of the Board in connection with an investigation. No member of the Board may give testimony during an investigation and thereafter participate in matters that may directly involve punitive action against a licensee or corporate registrant as a result of the investigation.

(c) Investigations by the Board shall be confidential until the Board takes disciplinary action against a licensee or corporate registrant. Records, papers, and

other documents containing information collected or compiled by the Board, its members, or employees as a result of an investigation, inquiry, or interview conducted pursuant to this Chapter shall not be a public record within the meaning of Chapter 132 of the General Statutes, except any notice or statement of charges or notice of hearing in any proceeding conducted by the Board and any records, papers, or other documents containing information collected and compiled by the Board and admitted into evidence in a hearing before the Board shall be a public record."

Section 2. G.S. 89E-19 reads as rewritten:

"**§ 89E-19. Disciplinary procedures.**

~~The Board may, consistent with the provisions of Chapter 150B of the General Statutes, refuse to grant or to renew, may suspend, or may revoke the license of any person licensed under this Chapter who has violated the provisions of this Chapter or a rule or regulation of the Board, or who has been convicted of a misdemeanor under this Chapter, or who has been convicted of a felony or who has been found by the Board to have been guilty of gross unprofessional conduct, dishonest practice or incompetence or fraud or deceit in obtaining a license or in aiding or abetting by fraud or deceit another person's obtaining a license.~~

(a) The Board, consistent with the provisions of Article 3A of Chapter 150B of the General Statutes, may refuse to grant a license to any applicant who does not meet the qualifications required by this Chapter, the Board's code of professional conduct, or the Board's rules, or to any corporate registrant that does not meet such qualifications and the requirements of Chapter 55B of the General Statutes. The Board, consistent with the provisions of Article 3A of Chapter 150B of the General Statutes, may refuse to renew, suspend, or revoke a license or certificate of registration if a licensee or corporate registrant:

(1) Violates the provisions of this Chapter, the Board's code of professional conduct, the Board's rules, or an order issued by the Board.

(2) Has been convicted of a misdemeanor.

(3) Has been convicted of a felony.

(4) Engages in gross unprofessional conduct, dishonest practice, or professional incompetence.

(5) Commits fraud or deceit in obtaining a license or certificate of registration or in assisting another person in obtaining a license or certificate of registration.

(b) If the Board finds that a licensee is professionally incompetent, the Board may require the licensee to take an oral or written examination or to meet other requirements to demonstrate the licensee's fitness to practice geology, and the Board may suspend the licensee's license until he or she establishes professional competence to the satisfaction of the Board.

(c) In addition to the authority granted in subsections (a) and (b) of this section, the Board may levy a civil penalty not in excess of five thousand dollars ($5,000) per violation per day for violations of the provisions of this Chapter, the Board's code of

professional conduct, the Board's rules, or any order issued by the Board. Before assessing a civil penalty, the Board shall consider the following:

(1) The nature, gravity, and persistence of the violation.

(2) The appropriateness of the imposition of a civil penalty when considered alone or in combination with other action taken by the Board.

(3) Whether the violation was willful.

(4) Any other factors that tend to mitigate or aggravate the violation.

(d) The Board may bring a civil action in the superior court of the county in which the violation occurred to recover a civil penalty if a licensee or corporate registrant does one of the following:

(1) Fails to request a hearing on the imposition of a civil penalty and fails to pay the civil penalty within 30 days after being notified that a civil penalty has been imposed.

(2) Requests and receives a hearing on the imposition of a civil penalty but fails to pay the civil penalty within 30 days after service of a written copy of the Board's decision."

All civil penalties collected by the Board shall be remitted to the school fund of the county in which the violation occurred. Before assessing a civil penalty, the Board shall consider the following:

(1) The nature, gravity, and persistence of the violation.

(2) The appropriateness of the imposition of a civil penalty when considered alone or in combination with other action taken by the Board.

(3) Whether the violation was willful.

(4) Any other factors that tend to mitigate or aggravate the violation.

(d) The Board may bring a civil action in the superior court of the county in which the violation occurred to recover a civil penalty if a licensee or corporate registrant does one of the following:

(1) Fails to request a hearing on the imposition of a civil penalty and fails to pay the civil penalty within 30 days after being notified that a civil penalty has been imposed.

(2) Requests and receives a hearing on the imposition of a civil penalty but fails to pay the civil penalty within 30 days after service of a written copy of the Board's decision."

Section 3. This act is effective when it becomes law.

SENATE BILL 1004:
Geologist Licensure

BILL ANALYSIS

Committee:	**Senate Finance Committee**	**Introduced by:**	**Senator Kinnaird**
Date:	**April 25, 1999**	**Summary by:**	**Martha K. Walston**
Version:	**Proposed Committee Substitute**		Committee Counsel

SUMMARY: ***SB 1004 authorizes the State Board for Licensing of Geologists to conduct confidential investigations of acts that may violate the Board's statutes, rules, or code of professional conduct. The bill also expands the grounds for which the Board may refuse to grant a license and authorizes the Board to levy civil penalties of up to $5,000 per violation per day. The proposed committee substitute adds language that the civil penalties will be remitted to the county school fund where the violation occurred. This added language is consistent with Article IX, section 7 of the N.C. Constitution.***

CURRENT LAW: Chapter 89E of the General Statutes contains the North Carolina Geologists Licensing Act. The Licensing Board consists of five members (an academic geologist, salaried company geologist, independent or consultant geologist, representative from the mining industry, and a consumer or lay member, all appointed by the Governor. The State geologist is an ex officio member. Board members who are geologists must be licensed. The Act describes qualifications for licensure, unlawful acts, and disciplinary procedures. The rules set out the fees for licensure, certificate of registration, seal, and examination. A geologist must renew his or her license every two years, while a professional corporation engaged in the public practice of geology must renew its certificate of registration annually.

The Board may refuse to grant or to renew, suspend or revoke a license of any person who has violated Chapter 89E, the rules of the Board, or who has been convicted of a felony, who has been convicted of a misdemeanor under the Chapter, or who is found by the Board to be guilty of gross unprofessional conduct, dishonest practice or incompetence or fraud or deceit in obtaining a license or in aiding or abetting by fraud or deceit another person's obtaining a license.

BILL ANALYSIS: Senate Bill 1004 authorizes the Board to employ investigators to inquire into any acts committed in the State that may violate Chapter 89E, the Board's code of professional conduct, or the rules. A board member who gives testimony during an investigation may not later participate in any decision involving punitive action as a result of the investigation. Board investigations are confidential until the Board takes disciplinary action against a licensee or corporate registrant. Any information collected and compiled by the Board and admitted into evidence in a hearing before the Board is considered a public record.

Senate Bill 1004 amends the disciplinary procedures section of Chapter 89E by:

(1) authorizing the Board to require a licensee, who is found to be professionally incompetent, to take an oral or written exam or to meet other requirements to demonstrate the licensee's fitness to practice geology. The Board may suspend the license until the licensee shows professional competence.

(2) authorizing the Board to levy a civil penalty not to exceed $5,000 per violation per day for violations

of Chapter 89E, the code of professional conduct, the Board's rules or any order issued by the Board. The Board must consider the following when assessing a civil penalty:

- The nature, gravity, and persistence of the violation.
- The appropriateness of the imposition of a civil penalty when considered alone or in combination with other action taken by the Board.
- Whether the violation was willful.
- Any other factors that tend to mitigate or aggravate the violation.

(3) authorizing the Board to bring a civil action in superior court to recover a civil penalty.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: North Carolina Board for Licensing of Geologists

EFFECTIVE DATE: The act is effective when it becomes law.

BILL SUMMARY: The bill authorizes the North Carolina Board for Licensing of Geologists to (1) conduct confidential investigations of possible violations of board rules or state laws, (2) expand conditions for refusing to grant a license, and (3) levy a civil penalty up to $5,000 per violation of state law, board rules or code of conduct.

ASSUMPTIONS AND METHODOLOGY: The Chair of the North Carolina Board for Licensing of Geologists said that the Board hears approximately 10 disciplinary cases each year. The Board requests the authority to assess civil penalties as a means to deter wrongful acts without revoking a license. The Board does not intend to use the full $5,000 penalty. The Board's Chair believes that the maximum will be $1,000 per violation and the average penalty will be $300 per violation. Assuming 10 violations a year occur and the violators are charged $300 per violation, then approximately $3,000 in penalties will be assessed each year. These funds are deposited into the County School Fund.

A BILL TO BE ENTITLED

AN ACT AUTHORIZING CITIES TO DEMOLISH AND REMOVE CERTAIN NONRESIDENTIAL BUILDINGS TO ENHANCE ECONOMIC DEVELOPMENT EFFORTS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 160A-441 reads as rewritten:

"**§ 160A-441. Exercise of police power authorized.**

(a) It is hereby found and declared that the existence and occupation of dwellings in this State that are unfit for human habitation are inimical to the welfare and dangerous and injurious to the health, safety and morals of the people of this State, and that a public necessity exists for the repair, closing or demolition of such dwellings. Whenever any city or county of this State finds that there exists in the city or county dwellings that are unfit for human habitation due to dilapidation, defects increasing the hazards of fire, accidents or other calamities, lack of ventilation, light or sanitary facilities, or due to other conditions rendering the dwellings unsafe or unsanitary, or dangerous or detrimental to the health, safety, morals, or otherwise inimical to the welfare of the residents of the city or county, power is hereby conferred upon the city or county to exercise its police powers to repair, close or demolish the dwellings in the manner herein provided. No ordinance enacted by the governing body of a county pursuant to this Part shall be applicable within the corporate limits of any city unless the city council of the city has by resolution expressly given its approval thereto.

(b) In addition to the exercise of police power authorized herein, any city may by ordinance provide for the repair, ~~closing~~ closing, or demolition of any abandoned

structure ~~which~~ that the city council finds to be a health or safety hazard as a result of the attraction of insects or rodents, conditions creating a fire hazard, dangerous conditions constituting a threat to children or frequent use by vagrants as living quarters in the absence of sanitary facilities. Any city may also, by ordinance, provide for the repair, closing, or demolition of any nonresidential abandoned structure located in a community development target area that the city council finds to have an exterior appearance in such dilapidated condition as to cause or contribute to blight and potentially reduce property values in the area or hinder economic development efforts. For purposes of this section, the term 'community development target area' means an area that has characteristics of a development zone under G.S. 105-129.3 or a 'nonresidential development area' under G.S. 160A-503(10) or an area otherwise designated by the city council as being in need of revitalization for the benefit of the welfare of its citizens. ~~Such ordinance,~~ The ordinance, if adopted, may provide for the repair, ~~closing~~ closing, or demolition of ~~such~~ the structure pursuant to the same provisions and procedures as are prescribed herein for the repair, closing or demolition of dwellings found to be unfit for human habitation. All municipalities shall have the powers provided in G.S. 160A-443(5a) in regard to nonresidential abandoned structures, and the finding required by the city council shall be that the continued existence of the nonresidential abandoned structure would be inimical to the health, safety, or welfare of its citizens in that the structure would either continue to deteriorate, create a fire or safety hazard, be a threat to children and vagrants, attract persons intent on criminal activity, or cause or contribute to blight and the reduction of property values in the area."

A BILL TO BE ENTITLED

AN ACT AUTHORIZING CITIES WITH A POPULATION OF MORE THAN 400,000 TO DEMOLISH AND REMOVE CERTAIN NONRESIDENTIAL BUILDINGS TO ENHANCE ECONOMIC DEVELOPMENT EFFORTS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 160A-426 reads as rewritten:

"§ 160A-426. Unsafe buildings condemned.

(a) Residential building. -- Every building which shall appear to the inspector to be especially dangerous to life because of its liability to fire or because of bad condition of walls, overloaded floors, defective construction, decay, unsafe wiring or heating system, inadequate means of egress, or other causes, shall be held to be unsafe, and the inspector shall affix a notice of the dangerous character of the structure to a conspicuous place on the exterior wall of said building.

(b) Nonresidential building. -- An inspector in a city whose population exceeds 400,000, according to the most recent annual population statistics certified by the State Planning Officer, shall declare a nonresidential building within a community development target to be unsafe if it meets both of the following conditions:

(1) It appears to the inspector to be vacant or abandoned.

(2) It appears to the inspector to be in such dilapidated condition as to cause or contribute to blight, disease, vagrancy, fire or safety hazard, to be a danger to children, or to tend to attract persons intent on criminal activities or other activities which would constitute a public nuisance.

If an inspector declares a nonresidential building to be unsafe, the inspector must affix a notice of the unsafe character of the structure to a conspicuous place on the exterior wall of the building. For the purposes of this subsection, the term 'community development target area' means an area that has characteristics of a development zone under G.S. 105-129.3, a 'nonresidential development area' under G.S. 160A-503(10), or an area with similar characteristics designated by the city council as being in special need of revitalization for the benefit and welfare of its citizens."

Section 2. G.S. 160A-428 reads as rewritten:

"§ 160A-428. Action in event of failure to take corrective action.

If the owner of a building or structure that has been condemned as unsafe pursuant to G.S. 160A-426 shall fail to take prompt corrective action, the local inspector shall give him written notice, by certified or registered mail to his last known address or by personal service,

(1) That the building or structure is in a condition that appears to ~~constitute a fire or safety hazard or to be dangerous to life, health, or other property;~~ meet one or more of the following conditions:

a. Constitutes a fire or safety hazard.

b. Is dangerous to life, health, or other property.

c. Is likely to cause or contribute to blight, disease, vagrancy, or danger to children.

d. Has a tendency to attract persons intent on criminal activities or other activities which would constitute a public nuisance.

(2) That a hearing will be held before the inspector at a designated place and time, not later than 10 days after the date of the notice, at which time the owner shall be entitled to be heard in person or by

counsel and to present arguments and evidence pertaining to the matter; and

(3) That following the hearing, the inspector may issue such order to repair, close, vacate, or demolish the building or structure as appears appropriate.

If the name or whereabouts of the owner cannot after due diligence be discovered, the notice shall be considered properly and adequately served if a copy thereof is posted on the outside of the building or structure in question at least 10 days prior to the hearing and a notice of the hearing is published in a newspaper having general circulation in the city at least once not later than one week prior to the hearing."

Section 3. G.S. 160A-432 reads as rewritten:

"§ 160A-432. ~~Equitable enforcement.~~ Civil and equitable enforcement.

(a) Civil enforcement. -- Whenever any violation is denominated a misdemeanor under the provisions of this Part, the city, either in addition to or in lieu of other remedies, may initiate any appropriate action or proceedings to prevent, restrain, correct, or abate the violation or to prevent the occupancy of the building or structure involved.

(b) Equitable enforcement. -- In the case of a nonresidential building declared unsafe under G.S. 160A-426(b), a city may, in lieu of taking action under subsection (a), cause the building or structure to be removed or demolished. The amounts incurred by the city in connection with the removal or demolition shall be a lien against the real property upon which the cost was incurred. The lien shall be filed, have the same priority, and be collected in the same manner as liens for special assessments provided in Article 10 of this Chapter. If the building is removed or demolished by the city, the city shall sell the usable materials of the building and any personal property, fixtures, or appurtenances found in or attached to the building. The city shall credit the proceeds of the sale against the cost of the removal or demolition. Any balance remaining from the sale shall be deposited with the clerk of superior court of the county where the property is located and shall be disbursed by the court to the person found to be entitled thereto by final order or decree of the court.

(c) Nothing in this section shall be construed to impair or limit the power of the city to define and declare nuisances and to cause their removal or abatement by summary proceedings, or otherwise."

A BILL TO BE ENTITLED

AN ACT AUTHORIZING CITIES WITH A POPULATION OF MORE THAN FOUR HUNDRED THOUSAND TO DEMOLISH AND REMOVE CERTAIN NONRESIDENTIAL BUILDINGS TO ENHANCE ECONOMIC DEVELOPMENT EFFORTS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 160A-426 reads as rewritten:

"**§ 160A-426. Unsafe buildings condemned.**

(a) Residential Building. -- Every building which shall appear to the inspector to be especially dangerous to life because of its liability to fire or because of bad condition of walls, overloaded floors, defective construction, decay, unsafe wiring or heating system, inadequate means of egress, or other causes, shall be held to be unsafe, and the inspector shall affix a notice of the dangerous character of the structure to a conspicuous place on the exterior wall of said building.

(b) Nonresidential Building. -- An inspector in a city whose population exceeds 400,000, according to the most recent annual population statistics certified by the State Planning Officer, shall declare a nonresidential building within a community development target area to be unsafe if it meets both of the following conditions:

(1) It appears to the inspector to be vacant or abandoned.

(2) It appears to the inspector to be in such dilapidated condition as to cause or contribute to blight, disease, vagrancy, fire or safety hazard, to be a danger to children, or to tend to attract persons

intent on criminal activities or other activities which would constitute a public nuisance.

If an inspector declares a nonresidential building to be unsafe, the inspector must affix a notice of the unsafe character of the structure to a conspicuous place on the exterior wall of the building. Section 2. G.S. 160A-428 reads as rewritten:

"**§ 160A-428. Action in event of failure to take corrective action.**

If the owner of a building or structure that has been condemned as unsafe pursuant to G.S. 160A-426 shall fail to take prompt corrective action, the local inspector shall give him written notice, by certified or registered mail to his last known address or by personal service,

(1) That the building or structure is in a condition that appears to ~~constitute a fire or safety hazard or to be dangerous to life, health, or other property;~~ meet one or more of the following conditions:

a. Constitutes a fire or safety hazard.

b. Is dangerous to life, health, or other property.

c. Is likely to cause or contribute to blight, disease, vagrancy, or danger to children.

d. Has a tendency to attract persons intent on criminal activities or other activities which would constitute a public nuisance.

(2) That a hearing will be held before the inspector at a designated place and time, not later than 10 days after the date of the notice, at which time the owner shall be entitled to be heard in person or by counsel and to present arguments and evidence pertaining to the matter; and

(3) That following the hearing, the inspector may issue such order to repair, close, vacate, or demolish the building or structure as appears appropriate.

If the name or whereabouts of the owner cannot after due diligence be discovered, the notice shall be considered properly and adequately served if a copy thereof is posted on the outside of the building or structure in question at least 10 days prior to the hearing and a notice of the hearing is published in a newspaper having general circulation in the city at least once not later than one week prior to the hearing."

Section 3. G.S. 160A-432 reads as rewritten:

"**§ 160A-432. ~~Equitable enforcement.~~ Civil and equitable enforcement.**

(a) Civil Enforcement. -- Whenever any violation is denominated a misdemeanor under the provisions of this Part, the city, either in addition to or in lieu of other remedies, may initiate any appropriate action or proceedings to prevent, restrain,

correct, or abate the violation or to prevent the occupancy of the building or structure involved.

(b) Equitable Enforcement. -- In the case of a nonresidential building declared unsafe under G.S. 160A-426(b), a city may, in lieu of taking action under subsection (a), cause the building or structure to be removed or demolished. The amounts incurred by the city in connection with the removal or demolition shall be a lien against the real property upon which the cost was incurred. The lien shall be filed, have the same priority, and be collected in the same manner as liens for special assessments provided in Article 10 of this Chapter. SENATE BILL 895

Short Title: Gift Certificates--Escheat. (Public)

Sponsors: Senator Soles.

Referred to: Finance.

April 14, 1999

A BILL TO BE ENTITLED

AN ACT TO SUBJECT GIFT CERTIFICATES AND ELECTRONIC GIFT CARDS BEARING AN EXPIRATION DATE TO THE UNCLAIMED PROPERTY LAWS OF NORTH CAROLINA AND TO EXEMPT GIFT CERTIFICATES AND ELECTRONIC GIFT CARDS WHICH ARE PERPETUALLY REDEEMABLE FROM THE UNCLAIMED PROPERTY LAWS OF NORTH CAROLINA.

The General Assembly of North Carolina enacts:

Section 1. Chapter 116B of the General Statutes is amended by adding a new section to read:

"**§ 116B-24. Gift certificates.**

(a) Any gift certificate or electronic gift card bearing an expiration date and remaining unredeemed or dormant for more than three years after issuance is deemed abandoned. The amount abandoned is deemed to be sixty percent (60%) of the gift certificate's face value or the electronic gift card's face value.

(b) A gift certificate or electronic gift card is not unclaimed or abandoned property when any of the following apply:

(1) Conspicuously states that the gift certificate or electronic gift card does not expire.

(2) Bears no expiration date.

(3) States that a date of expiration printed on a gift certificate or electronic gift card is not applicable in North Carolina.

(4) The issuer is regulated by a federal agency.

(c) The amount of a gift certificate or electronic gift card deemed abandoned is subject to the custody of this State in any of the following circumstances:

(1) The records of the issuer show that the last known address of the purchaser or recipient of the gift certificate in this State.

(2) The records of the issuer do not show the address of the purchaser or recipient, but do show that the certificate or memo was issued in this State.

(3) The records of the issuer do not show the address of the purchaser or of the recipient and do not show where the certificate was issued, but the issuer is a domiciliary of this State.

(4) The records of the issuer show that the address of the purchaser or recipient, or if none, the state where the certificate was issued, is a state whose escheat or unclaimed property law does not provide for the escheat or custodial taking of gift certificates, and the issuer is a domiciliary of this State."

Section 2. This act is effective when it becomes law.

Escheat of Gift Certificates
Senate Bill 895 House Bill 1172

1) Statistics indicate that in one holiday season, U.S. retailers sold $10 billion in gift certificates. From information provided by a member of the National Conference on Uniform State Laws, redemption rates for gift certificates run from 65 to 95 percent.

2) The bill could effectively eliminate the recovery of any money from gift certificates by simply not applying an expiration date. Traveler's checks have no expiration date. Will they one day be considered a non-escheatable item?

3) Quote from South Dakota Governor William J. Janklow "At a minimum, the issuer entered into a third party beneficiary contract where he contracts with the purchaser, who intends to give the gift certificate to a third party. The issuer has agreed to provide either a product or a service for that gift certificate. If the issuer gets to keep it he is providing nothing. He is also getting to keep the interest the money earns and enjoying the benefit of the time value of the money."

4) Under the current law, and the proposed new unclaimed property act, if a gift certificate is presented to the issuer after the money represented by the certificate is escheated, the issuer may present claim to the Escheat Fund for recovery of the money.

5) The National Conference of Commissioners on Uniform State Laws "thoroughly debated" this issue with National Retail Federation and as a result reached the conclusion that 60% of the face value of a gift certificate should escheat. According to Willis E. Sullivan from the Commission "The reason behind discounting the amount escheatable on a gift certificate was that the Committee was convinced that the profit generated by the sale of an item, whether an article or a gift certificate, should be retained by the retailer and that it was somewhat unreasonable to require remittal of that profit where the retailer had done all it was required to do in purchasing inventory, stocking it on its shelves and holding it for ultimate delivery to a recipient of a gift certificate. While the retailers' representative was not overwhelmed by this compromise, she seemed satisfied that it was an acceptable resolution to the problem."

6) One North Carolina retailer that does not list an expiration date on their gift certificates, and who was under audit by the IRS was found to have $734,000 in uncashed gift certificates. An audit on another out-of-state corporation identified over $1 million in gift certificates due to North Carolina owners.

7) Statistics provided by the National Retail Federation indicate that 45% of all Americans purchase gift certificates, and gift certificates are the fourth highest selling commodity.

A BILL TO BE ENTITLED

AN ACT TO SUBJECT GIFT CERTIFICATES AND ELECTRONIC GIFT CARDS BEARING AN EXPIRATION DATE TO THE UNCLAIMED PROPERTY LAWS OF NORTH CAROLINA AND TO EXEMPT GIFT CERTIFICATES AND ELECTRONIC GIFT CARDS WHICH ARE PERPETUALLY REDEEMABLE FROM THE UNCLAIMED PROPERTY LAWS OF NORTH CAROLINA.

The General Assembly of North Carolina enacts:

Section 1. Chapter 116B of the General Statutes is amended by adding a new section to read:

"**§ 116B-24. Gift certificates.**

(a) Any gift certificate or electronic gift card bearing an expiration date and remaining unredeemed or dormant for more than three years after issuance is deemed abandoned. The amount abandoned is deemed to be sixty percent (60%) of the gift certificate's face value or the electronic gift card's face value.

(b) A gift certificate or electronic gift card is not unclaimed or abandoned property when any of the following apply:

(1) Conspicuously states that the gift certificate or electronic gift card does not expire.

(2) Bears no expiration date.

(3) States that a date of expiration printed on a gift certificate or electronic gift card is not applicable in North Carolina.

(4) Is a prepaid calling card issued by a public utility as defined in G.S. 62-3(23)a.6.

(c) The amount of a gift certificate or electronic gift card deemed abandoned is subject to the custody of this State in any of the following circumstances:

(1) The records of the issuer show that the last known address of the purchaser or recipient of the gift certificate in this State.

(2) The records of the issuer do not show the address of the purchaser or recipient, but do show that the certificate or memo was issued in this State.

(3) The records of the issuer do not show the address of the purchaser or of the recipient and do not show where the certificate was issued, but the issuer is a domiciliary of this State.

(4) The records of the issuer show that the address of the purchaser or recipient, or if none, the state where the certificate was issued, is a state whose escheat or unclaimed property law does not provide for the escheat or custodial taking of gift certificates, and the issuer is a domiciliary of this State.

(d) The issuer shall pay an administrative fee of five dollars ($5.00) when the issuer files a report with the State Treasurer pursuant to G.S. 116B-29 and remits the amount of any abandoned gift certificate or electronic gift card required to be included in the report."

Section 2. This act is effective when it becomes law.

SENATE BILL 895:
Gift Certificates--Escheat

BILL ANALYSIS

Committee:	Senate Finance Committee	**Introduced by:**	Senator Soles
Date:	April 27, 1999	**Summary by:**	Martha K. Walston
Version:	Proposed Committee Substitute		Committee Counsel

SUMMARY: ***Senate Bill 895 amends Chapter 116B (Escheats and Abandoned Property) to provide that a gift certificate or electronic gift card is deemed abandoned if it has an expiration date and has not been redeemed or has remained dormant for more than three year after its issuance. The amount abandoned is 60% of the face value of the certificate or card. This amount must be paid into the Escheats Fund in the State Treasurer's Office. SB 895 also requires the issuer of a gift card or certificate to pay a $5.00 administrative fee to the State Treasure when the issuer files a report with the Treasurer. The bill clarifies when a gift certificate or electronic gift card is deemed abandoned and subject to the custody of the State.***

CURRENT LAW: Chapter 116 B provides that certain tangible and intangible property that has been unclaimed or abandoned will become the custody of the State and will be deposited in the Escheats Fund in the State Treasurer's Office.. Abandoned property, other than money or securities or tangible property with historic value, will be sold within three years after delivery to the Treasurer and the proceeds wills be deposited to the Fund. The income derived from the investment or deposit of the Escheat Fund is distributed annually on or before July 15 to the State Education Assistance Authority for loans to aid worthy and needy student who are N.C. residents and who are enrolled in public institutions of higher learning in N.C.

A holder of abandoned property must file a report with the Treasurer setting out the names and addresses of the property owners, description of the property, and certification that the property has been held for the required period. When the report is filed, a holder of abandoned property must also deliver to the Treasurer the abandoned property included in the report. The report of holders, other than insurers, must be filed before March 1 of each year and must cover property presumed abandoned as of the prior June 30.

On or before November 1 of each year, a holder shall mail a notice to the last known address of each owner, who as of the preceding June 30, appeared entitled to property valued at over $50.00 and presumed abandoned.

Any person claiming an interest in any property delivered to the Treasurer may file a claim to the property or the proceeds from its sale.

G.S. 116B-21 provides that property held in the ordinary course of the holder's business, shall be presumed abandoned if it has not been claimed within five years after becoming payable or distributable. This is the section that currently covers gift certificates and electronic gift cards.

BILL ANALYSIS: G.S. 116B –21 of Chapter 116B provides that property held in the ordinary course of the holder's business, shall be presumed abandoned if it has not been claimed within five years after becoming payable or distributable. This is the section that currently covers gift certificates and electronic gift cards.

Senate Bill 895 would do the following:

- Add a new section to Chapter 116B that will apply to gift certificates and electronic gift cards. Any gift certificate or electronic gift card that has an expiration date and that has not been redeemed or has remained dormant for more than three years is deemed abandoned. The issuer of the certificate or card must remit 60% of its face value to the State Treasurer.
- Add a new section that requires the issuer of a gift certificate or electronic credit card to pay a $5.00 administrative fee when the issuer submits a report to the Treasurer and the amount of the abandoned gift certificates or electronic gift cards required to be included in the report.

The amount of a certificate or card deemed abandoned is subject to the State's custody if the issuer's records show any of the following circumstances:

1. That the last known address of the purchaser or recipient is in the State.
2. That the certificate or memo was issued in this State.
3. That the issuer is a domiciliary of this State.
4. That the address of the purchaser or recipient, or if none, the state where the certificate was issued, is a state whose law does not provide for the escheat of gift certificates, and the issuer is a domiciliary of this State.

A gift certificate or electronic gift card is not considered unclaimed property if any of the following apply:

1. States that it does not expire
2. Bears no expiration date
3. States that the expiration date is not applicable in North Carolina
4. Is a prepaid calling card issued by a company that transmits messages for the public for compensation.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of State Treasurer – Escheat and Unclaimed Property Program

EFFECTIVE DATE: The act is effective when it becomes law.

BILL SUMMARY: The bill subjects gift certificates and electronics gift cards to the unclaimed property laws if unredeemed after three years. The amount to be escheated is 60% of the face value of the gift card or gift certificate. The property is not escheated if it has no expiration date. The bill adds a $5 administrative fee for each report filed by a business remitting unclaimed gift certificates or gift cards.

BACKGROUND: The Department of State Treasurer defines escheat as "the succession of abandoned property to the state." The State Treasurer attempts to recover over 100 different types of unclaimed or abandoned property belonging to North Carolina citizens and reunite this property with the rightful owners. In FY 1997-98, the State Treasurer's Escheat and Unclaimed Property Program received $35.1 million in funds and securities from state courts, banks, credit unions, insurance companies, public utilities and other businesses. In the same year, the State Treasurer made 6,718 refunds to individuals totaling $8.6 million. The balance in the Escheat and Unclaimed Property Fund as of June 30, 1998 was $184.4 million. The interest from this fund is deposited with the North Carolina State Education Assistance Authority (SEAA) to provide financial assistance to students in state supported schools of higher education. SEAA received $13.2 million last fiscal year and provided 3,813 low interest loans. In the past 26

years, the Escheat and Unclaimed Property Fund has contributed $110.5 million in interest to the SEAA.

ASSUMPTIONS AND METHODOLOGY:
The Director of the Escheat and Unclaimed Property Program in the Department of State Treasurer estimates that the Escheat Fund will lose $500,000 per year in unclaimed assets by eliminating gift certificates or electric gift cards from escheat. The loss of $500,000 also means a loss of interest transferred each year to the State Educational Assistance Authority.

The $500,000 annual loss is believed to be a conservative estimate by the Department of State Treasurer. In 1998, the state received $117,522 from five companies that listed gift certificates as a specific property type. However, this is the exception and not the norm since most gift certificates and gift cards are grouped together with other property types that are reported by businesses. The state collected $6.9 million in unclaimed property from businesses other than banks, insurance companies, and utilities in 1998. It is unknown what percentage of this amount is from gift certificates.

The Director of the Escheat and Unclaimed Property Program, Terry Allen, believes his program has only begun discovering unclaimed gift certificates, phone cards, and electronic gift cards. Mr. Allen reported that $10 billion in gift certificates were sold last holiday season and that 5% to 35% of those certificates will not be redeemed. The State Treasurer has 6 auditors and 2 contract audit firms that search for unclaimed property in North Carolina and in other states. A recent multi-state audit of Wal-Mart found $1 million in unclaimed gift certificates in North Carolina. This $1 million will be remitted to the state over the next four years unless prohibited by SB 895.

The interest on Escheat Fund investments in future years is calculated at 6% per year. This is the short-term investment rate recommended by the State Treasurer. It is assumed that the interest will accrue the year after the property is escheated. This interest would have been deposited with the State Education Assistance Authority to be used for student loans. The interest lost each year from an annual reduction of $500,000 in the Escheat Fund is as follows:

	Cumulative	Interest
FY 1999-00	$500,000	
FY 2000-01	$1,000,000	$30,000
FY 2001-02	$1,500,000	$60,000
FY 2002-03	$2,000,000	$90,000
FY 2003-04	$2,500,000	$120,000

Since the State Treasurer does not anticipate any reports filed with unclaimed gift certificates, no revenue is estimated from the $5 administrative fee.

March 30, 1999

A BILL TO BE ENTITLED

AN ACT RELATING TO INVESTMENT OF HEALTH TRUST FUND MONIES BY THE COUNTY OF DURHAM.

The General Assembly of North Carolina enacts:

Section 1. The County of Durham, or any governing body, agency, person, or other corporation that contracts with Durham County for the investment, care, or administration of monies held by the County in its Community Health Trust Fund may invest and reinvest monies constituting the Fund in one or more of the types of securities or other investments authorized by State law for the State Treasurer in G.S. 147-69.2.

Section 2. This act shall apply only to monies constituting the Community Health Trust Fund. Limitations on investment and reinvestment of Fund assets may be enacted by the Durham County Board of Commissioners.

Section 3. This act, insofar as it authorizes certain investments, amends G.S. 159-30 with regard to the investment of the Durham County Community Health Trust Fund only.

Section 4. This act is effective when it becomes law.

SENATE BILL 653:
Durham Co. Health Fund Invest.

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Gulley
Date:	April 26, 1999	**Summary by:**	Martha K. Walston
Version:	1st Edition		Committee Counsel

SUMMARY: Senate Bill 653 provides that money held by Durham County in its Community Health Trust Fund may be invested in the same investments or securities as the law allows the State Treasurer to invest the money credited to special funds, the General Fund, and the Highway Fund. The bill would expand the investment alternatives for the money in the Community Health Trust Fund. The act is effective when it becomes law.

CURRENT LAW: G.S. 159-30 provides for the manner in which a local government or public authority may invest the cash balance of any fund.. This money may be placed in certificates of deposits and invested in certain classes of securities. These securities include obligations of the U.S., obligations of federal banks and other federal agencies, obligations of the State, bonds and notes of a N.C. local government or public authority, savings certificates of a N.C. or federal savings and loan association, prime quality commercial paper, bills of exchange or time drafts drawn or accepted by a commercial bank, participating shares in a mutual fund for local government investment, certain commingled investment pools, repurchase agreements with respect to obligations of the U.S., and investment securities.

BILL ANALYSIS: Senate Bill 653 provides that the cash in Durham County's Community Health Trust Fund may be invested in the same manner as the law allows the State Treasurer to invest the cash credited to special funds, the General Fund, and the Highway Fund. These investments include those in G.S. 159-30 plus obligations of additional banks, asset-backed securities, corporate bonds and notes, obligations of other states, and obligations of any legal entity if the obligations bear high ratings.

SB 653 is a local bill applying only to the cash in Durham County's Community Health Trust Fund. The Durham County Board of Commissioners may enact limitations on the investments and reinvestments of assets in the Community Health Trust Fund.

BACKGROUND: The Community Health Trust Fund contains proceeds from the lease of Durham Regional Hospital to the Duke University Health System. Pursuant to the lease agreement, Duke prepaid the first ten years of rent on the 20 year lease. As of January 5, 1999, the Fund had $23,563,650 invested in short term investments. SB 653 would expand the investment alternatives for the proceeds in the Fund with the expectation that revenues would be increased.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Durham County Board of Commissioners

EFFECTIVE DATE: The act is effective when it becomes law.

BILL SUMMARY: The bill authorizes Durham County to invest the money in its Community Health Trust Fund in any securities or investments authorized by law for the State Treasurer.

ASSUMPTIONS AND METHODOLOGY:
The Community Health Trust Fund contains proceeds from the lease of Durham Regional Hospital to Duke University Health System. On July 1, 1998, Duke agreed to lease the hospital from the county for 20 years and prepay the first ten years of rent (adjusted for present value). As of January 5, 1999, the Community Health Trust Fund had $23,563,650 invested in short term investments.

The firm of Davenport & Company LLC analyzed the earnings potential of the Community Health Trust Fund. The Fund currently earns 6.13% a year in interest from money market instruments. The most the Fund can earn under current statutory restrictions is 6.86% from long term fixed income investments. With the passage of SB 653, the County will be allowed to invest in the equity market. If the Fund is invested in 50% equities and 50% fixed income investments, it is estimated to earn 9.5% a year. If the Fund portfolio is 60% equities and 40% fixed income, the Fund will earn 10.02% a year. Based on this analysis, **SB 653 can increase revenue to the Community Health Trust Fund if funds are invested prudently.**

deposited in the CCAPA. However, at the end of each quarter the funds deposited in the CCAPA are transferred to the North Carolina Children's Trust Fund. Therefore, the North Carolina Children's Trust Fund actually gains $4,500.00. The note also assumes that those plates will be renewed in the following years.

According to the Division of Motor Vehicles and the Department of Corrections, there is a one-time cost of $100 to design the new plate. There is also a production cost of $2.52 per plate (This assumes a basic one color design. If the design is more complex, or requires more color, the per plate cost increases). The total production cost for 300 basic plates is $856.00.

April 1, 1999

A BILL TO BE ENTITLED

AN ACT EXEMPTING CERTAIN STATE PROPERTY FROM FIRE PROTECTION FEES IMPOSED BY UNION COUNTY.

The General Assembly of North Carolina enacts:

Section 1. G.S 153A-236(c), as it applies to Union County pursuant to Chapter 883 of the 1991 Session Laws, as amended by Chapter 61 of the 1995 Session Laws, reads as rewritten:

"(c) Fees. -- The fees imposed by the county may not exceed the cost of providing fire protection services within the district and may be imposed on owners of all real property that benefits from the availability of fire protection and on owners of all manufactured or mobile homes that benefit from the availability of fire ~~protection.~~ protection; provided, however, that the fees shall not be imposed on the North Carolina Department of Transportation for real property owned by the Department and used solely for highway purposes. For the purpose of this section, the term 'fire protection' includes furnishing emergency medical, rescue, and ambulance services to protect persons in the district from injury or death. The county shall establish a schedule of fees for different classes of property and the fee for each class of property shall be proportional to the estimated cost of providing fire protection services to that class of property. The schedule of fees shall include the following classes of property and the fee on each class of property shall not exceed the following maximums:

(1) A single-family dwelling or manufactured or mobile home, and appurtenant structures, plus up to five acres of surrounding land. The fee on this class of property may not exceed fifty dollars ($50.00) per site per year.

(2) Unimproved land other than the five acres of land classified as part of a single-family dwelling or manufactured or mobile home. The fee on this class of property may not exceed two cents (2¢) per acre per year. The county may establish a minimum fee for unimproved land of not more than five dollars ($5.00) per year.

(3) An animal production or horticultural operation. The fee on this class of property may not exceed ten dollars ($10.00) per site per year.

(4) A commercial facility other than an animal production or horticultural operation. The fee on this class of property may not exceed fifty dollars ($50.00) per site per year for commercial facilities with structures encompassing less than 5,000 square feet and one hundred dollars ($100.00) per site per year for commercial facilities with structures encompassing 5,000 square feet or more.

(5) A multiple-family dwelling. The fee on a duplex may not exceed fifty dollars ($50.00) per building per year. The fee on a triplex may not exceed seventy-five dollars ($75.00) per building per year. The fee on any other multiple-family dwelling may not exceed one hundred dollars ($100.00) per building per year.

(6) Any other class of property selected by the county. The fee on these classes of property may not exceed fifty dollars ($50.00) per year."

Section 2. This act applies to Union County only.

Section 3. This act is effective when it becomes law.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Transportation, Union County.

EFFECTIVE DATE: When it becomes law.

BILL SUMMARY: Union County levies a fire protection fee. This fee covers the cost of providing fire protection services in the county. The legislation exempts Department of Transportation property, used for highway purposes, from the fire protection fee.

ASSUMPTIONS AND METHODOLOGY: Department records indicate that the Department of Transportation has 22 buildings in Union county. The largest is a 4,100 square foot office building, and the smallest is an eight by ten-foot shed. Twenty of these buildings are used for highway work, while the Division of Motor Vehicles controls two. The Department believes this facility typical for a county transportation yard.

Under current law each of these buildings could be subject to a fire fee of up to $50.00. However, Union County officials report that the Department of Transportation has not been paying the fee. The bill merely formalizes the existing situation. Because the Department was not paying the fee before, nor will they if the bill is passed, there is no fiscal impact to either the Department or Union County.

A BILL TO BE ENTITLED

AN ACT TO EXTEND WATERFOWL HUNTING PRIVILEGES TO HOLDERS OF COMPREHENSIVE HUNTING LICENSES, TO INCREASE THE FEE CHARGED FOR MIGRATORY WATERFOWL LICENSES, AND TO INCREASE THE APPLICATION FEE FOR MANAGED HUNTS FOR MIGRATORY WATERFOWL AND REQUIRE APPLICANTS TO FURNISH SATISFACTORY PROOF OF POSSESSION OF THE NECESSARY HUNTING LICENSE.

The General Assembly of North Carolina enacts:

Section 1. G.S. 113-129 is amended by adding a new subdivision to read:

"(11c) Migratory Waterfowl; Waterfowl. -- Those migratory birds for which open seasons are prescribed by the United States Department of the Interior and belonging to the Family Anatidae (wild ducks, geese, brant, and swans)."

Section 2. G.S. 113-129(11c) reads as rewritten:

"~~(11c)~~ (11d) Nongame Animals. -- All wild animals except game and fur-bearing animals."

Section 3. G.S. 113-129(11d) reads as rewritten:

"~~(11d)~~ (11e) Nongame Birds. -- All wild birds except game birds."

Section 4. G.S. 113-270.1D(a) reads as rewritten:

"(a) Annual Sportsman License -- $40.00. This license shall be issued only to an individual resident of the State and entitles the holder to take all wild animals and wild birds, ~~other than~~ including waterfowl, by all lawful methods in all open seasons,

including the use of game lands, and to fish with hook and line for all fish in all inland and joint fishing waters, including public mountain trout waters."

Section 5. G.S. 113-270.2(a) reads as rewritten:

"(a) The hunting licenses set forth in subdivisions (1), (3), and (6) of subsection (c) of this section entitle the holder to take, except on game lands, wild birds and wild animals, other than big game and waterfowl, by all lawful methods and in all open seasons. The comprehensive hunting licenses of subdivisions (2) and (5) of subsection (c) of this section further entitle the holder to take big game and waterfowl and to use game lands."

Section 6. G.S. 113-270.3(b)(5) reads as rewritten:

"(5) Migratory Waterfowl Hunting License -- ~~$5.00.~~ $10.00. This license shall be issued to an individual resident or nonresident of the State and entitles the holder to take migratory waterfowl in accordance with applicable laws and regulations. The Wildlife Resources Commission may implement this license requirement through the sale of an official waterfowl stamp which may be a facsimile, in an appropriate size, of the waterfowl conservation print authorized by G.S. 113-270.2B. An amount not less than one-half of the annual proceeds from the sale of this license shall be used by the Commission for cooperative waterfowl habitat improvement projects through contracts with local waterfowl interests, with the remainder of the proceeds to be used by the Commission in its statewide programs for the conservation of waterfowl."

Section 7. G.S. 113-291.2(a) reads as rewritten:

"(a) In accordance with the supply of wildlife and other factors it determines to be of public importance, the Wildlife Resources Commission may fix seasons and bag limits upon the wild animals and wild birds authorized to be taken that it deems necessary or desirable in the interests of the conservation of wildlife resources. The authority to fix seasons includes the closing of seasons completely when necessary and fixing the hours of hunting. The authority to fix bag limits includes the setting of season and possession limits. Different seasons and bag limits may be set in differing areas; early or extended seasons and different or unlimited bag limits may be authorized on controlled shooting preserves, game lands, and public hunting grounds; and special or extended seasons may be fixed for those engaging in falconry, using primitive weapons, or taking wildlife under other special conditions. Unless modified by rules of the Wildlife Resources Commission, the seasons, shooting hours, bag limits, and possession limits fixed by the United States Department of Interior or any successor agency for migratory game birds in North Carolina must be followed, and a violation of the applicable federal rules is hereby made unlawful. When the applicable federal rules require that the State limit participation in seasons and/or bag limits for migratory game birds, the Wildlife Resources Commission may schedule managed hunts for migratory game birds. Participants in such hunts shall be selected at random by computer from properly licensed applicants. A nonrefundable fee of

~~five dollars ($5.00)~~ ten dollars ($10.00) shall be required of each applicant to defray the cost of processing the applications. Each applicant shall provide proof satisfactory to the Wildlife Resources Commission that the applicant is the lawful holder of a North Carolina hunting license that includes waterfowl privileges.

Where there is a muzzle-loading firearm season for deer, with a bag limit of five or more, one antlerless deer may be taken. Dogs may not be used for hunting deer during such season."

Section 8. This act becomes effective July 1, 1999.

SENATE BILL 323:
Waterfowl License Changes/AB

BILL ANALYSIS

Committee:	Senate Finance Committee	**Introduced by:**	Senator Kerr
Date:	May 4, 1999	**Summary by:**	Martha K. Walston
Version:	2nd Edition		Committee Counsel

SUMMARY: ***Senate Bill 323 adds a definition for "migratory waterfowl; waterfowl" and increases the fee for a migratory waterfowl hunting license from $5 to $10. The bill extends waterfowl hunting privileges to the holder of an annual sportsman license. The bill also increases the application fee for managed hunts for migratory waterfowl from $5 to $10, and requires the applicant to provide satisfactory proof to the Wildlife Resources Commission that the applicant is the lawful holder of a State hunting license that includes waterfowl privileges. The committee substitute for SB 323 was given a favorable report in Senate Agriculture.***

CURRENT LAW: Under current hunting licensure laws, an Annual Sportsman License allows the hunting of all wild animals and wild birds, except migratory waterfowl. Also comprehensive hunting licenses set out in G.S. 113-270.2(c)(2) and (5) allow the taking of wild animals, wild birds, and big game. Waterfowl are not included in the comprehensive hunting licenses.

BILL ANALYSIS: SB 323 adds the following definition for "migratory waterfowl; waterfowl":

> Those migratory birds for which open seasons are prescribed by the United States Department of the Interior and belonging to the Family Anatidae (wild ducks, geese, brant, and swans).

SB 323 adds the waterfowl hunting privilege to both the Annual Sportsman License and the Comprehensive hunting licenses. According to the Wildlife Resources Commission, the omission of the waterfowl privilege in these comprehensive licenses has caused some people to mistakenly believe that they have obtained all the necessary licenses to hunt waterfowl. The Commission believes the amendments would remedy the situation and the loss of revenue would be minimal.

SB 323 increases the cost of a Migratory Waterfowl Hunting License from $5 to $10. The fee has not been increased since the waterfowl hunting license was established in 1987. Current law requires at least one-half of the annual proceeds from the sale of this license be used by the Commission for cooperative waterfowl habitat improvement projects through contracts with local waterfowl interests. The remainder of the proceeds must be used by the Commission in its statewide programs for the conservation of waterfowl.

SB 323 increases the application fee for the special swan hunting permit from $5 to $10. This fee is used to defray the cost of processing the applications. (According to the Commission this fee is used to pay the cost of administering the special drawing and hunting requirements such as the swan tag and hunt report). An applicant for this permit must show that he or she has a NC hunting license that includes waterfowl privileges.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: North Carolina Wildlife Resources Commission

EFFECTIVE DATE: This act becomes effective July 1, 1999.

BILL SUMMARY: The bill extends waterfowl hunting privileges to holders of comprehensive hunting licenses, increases the fee for migratory waterfowl licenses from $5 to $10, increases the application fee for a special swan hunting permit from $5 to $10, and requires applicants for swan hunting permits to show proof of possessing a hunting license.

ASSUMPTIONS AND METHODOLOGY: There are two fee increases in SB 323. First, in Section 6, the migratory waterfowl hunting license is increased from $5 to $10. This fee has been unchanged since it was enacted in 1987 (Chapter 452, Section 2 of 1987 Session Laws). The Wildlife Resources Commission sells 27,000 waterfowl hunting licenses annually. A $5 increase in this fee will generate $135,000 in additional revenue. Section 7 of the bill contains an increase from $5 to $10 in the application fee for swan hunting permits. Since the Wildlife Resources Commission receives 5,500 applications each year, this increase will produce $27,500 in additional revenue.

An insignificant revenue impact may be created by language in sections 4 and 7. Section 4 adds waterfowl hunting privileges to the Annual Sportsman License. The Wildlife Resources Commission considers this a technical provision and does not expect a major loss of waterfowl licenses. Section 7 requires the purchase of a $15 hunting license to be eligible for a swan hunting permit. This is intended to discourage persons from applying for swan hunting permits in order to remove the permits from hunters' use. A small number of hunting licenses may be purchased due to this provision.

The House Committee on Finance met on Tuesday, May 11, 1999 in Room 544 of the Legislative Office Building at 8:30 a.m. The Senate Finance Committee was invited to the meeting to hear the speaker. The following members were present: Chairs Allen, Luebke, Miller; Vice Chairs Jarrell; Representatives Bridgeman, Brown, Buchanan, Church, Cox, Cunningham, Decker, Dedmon, Eddins, Edwards, Gibson, Goodwin, Hill, McComas, McCombs, Mosley, Pope, Ramsey, Rayfield, Starnes, Tucker, Wilson, and Womble. Staff including Cindy Avrette, Richard Bostic, Mary Shuping, and Linda Millsaps were in attendance. A Visitor Registration List is attached and made a part of these minutes.

Chair Allen called the meeting to order to hear a presentation by Secretary Rick Carlisle of the Department of Commerce.

Sec. Carlisle discussed the 1996 William S. Lee Quality Jobs and Business Expansion Act. Members of the House and Senate Finance Committees questioned Sec. Carlisle.

The Chair recognized Professor Lugar of the University of North Carolina at Chapel Hill to comment on the 1996 William S. Lee Quality Jobs and Business Expansion Act.

Handouts that were distributed at the meeting are included in these minutes.

There being no further business, the Chair adjourned the meeting at 10:00 a.m.

Respectfully submitted:

The Charge

- ✓ Help existing firms maintain and improve competitiveness through investment in new technologies.
- ✓ Help encourage new investment in the North Carolina economy-- from both existing and new industries.
- ✓ Ensure that economic growth is reaching all people in all parts of the state, particularly our rural counties and high-poverty urban areas.

The William S. Lee Quality Jobs and Business Expansion Act

The William S. Lee Quality Jobs and Business Expansion Act...

... first enacted in 1996 to stimulate the North Carolina economy-- particularly in economically distressed areas, the Act was amended in 1997 and 1998 to enhance its practicality, effectiveness and accountability.

...provides credits for five types of activities:

- **job creation**
- **investment in machinery and equipment**
- **research and development expenditures**
- **worker training costs**
- **expansion of central administrative office property**

The amount of the credit and applicable thresholds depend on the county's assigned enterprise tier and/or State Development Zone designation

Legislative Mandate

The 1997 amendment to the William S. Lee Act directed the Department of Commerce to:

Reexamine the enterprise tier formula, including consideration for alternative measures for more equitable treatment of counties in similar economic circumstances, and consideration whether the assignment of tiers and the applicable thresholds are equitable for smaller counties.

Study the economic and business recruitment effectiveness of the William S. Lee Act.

Tier Formula Options

Current Formula...

- **Population Growth (1990-1997)**
- **Unemployment Rate (36 month average: July 1995- June 1998)**
- **Per Capita Income (3 Year Average: 1995-1998)**

Other possible formula components include...

- ***Net Earnings Per Capita (1996)***
- ***Food Stamp Recipiency Rate (1997)***
- ***Average Annual Private Insured Wage (1996)***
- ***Property Valuation Per Capita (1997)***

Task Force Tier Formula Findings

- The Task Force found no variation in the Enterprise Tier Formula significantly improved the formula in a manner satisfactory to all.
- The Task Force recommends that the General Assembly keep the current tier formula in place while allowing some sort of special provision for smaller counties.

North Carolina Department of Commerce

Legislative Mandate

In addition to the tier formula report, the 1997 amendment to the William S. Lee Act directed the Department of Commerce to:

- **Study the distribution of tax incentives across new and expanding industries.**
- **Examine data on economic recruitment for the period 1994 through 1998 by county, by industry type, by size of investment, and by number of jobs, and other relevant information to determine the pattern of business locations and expansions before and after the enactment of the William S. Lee Act incentives.**
- **Measure the direct costs and benefits of the tax incentives.**
- **Compile any available data on whether expanding North Carolina businesses receive fewer benefits than out-of-state businesses that locate in North Carolina.**
- **Compile available information on the current use of incentives by other states and whether that use is increasing or declining.**

Foregone State Revenue per $1000 New Investment

Other States' Use of Incentives

The use of incentives by states is on the rise. According to a 1996 survey conducted by the Council of State Governments:

- *More than 40 states offered tax incentives to industry for job creation, machinery and equipment, goods in transition, raw materials in manufacturing, and research and development, etc.*
- *Thirty-five states indicated that their use of business incentives had increased over the past five years.*

More detailed information on incentives offered by other states is forthcoming from researchers at UNC-Chapel Hill.

The Evidence Indicates...

The William States Lee Quality Jobs and Business Expansion Act has been an effective tool in achieving the intended objectives at a reasonable cost to the state of North Carolina...

- ✓ Help existing firms invest in and compete with new technologies
- ✓ Help encourage new investment by North Carolina's existing industries and those new to our state.
- ✓ Ensure that prosperity is indeed *widely shared* by targeting our rural and urban distressed areas.

Conclusions...

We cannot definitively state from this data how much of the reported business activity (i.e., job creation, capital investment) is directly due to the tax incentives. *But we are able to make some concluding observations...*

Conclusions...

Following the passage of the William S. Lee Act...

- ✓ Expanding North Carolina companies have taken advantage of the William S. Lee Act to a greater extent than new firms.
- ✓ Overall job creation and capital investment has increased in North Carolina and the number of recruitment and expansion projects between $75 million and $200 million increased substantially.
- ✓ Overall, the industries eligible for the tax credits under the Lee Act have created more jobs and generated more new investment.
- ✓ Industrial recruitment and expansion in the most distressed counties (Tiers 1 and 2) improved compared to the rest of the state on a per capita basis.
- ✓ The cost per new job and investment dollar is modest compared to other states.

Next Steps

To date, the William S. Lee Quality Jobs and Business Expansion Act has served to benefit the North Carolina economy.

However, we feel we can improve upon the success of the past two years... particularly to increase prosperity in our rural and urban distressed areas...

HISTORY OF ENTERPRISE TIERS UNDER THE WILLIAM S. LEE ACT

In 1996, the General Assembly enacted the William S. Lee Quality Jobs and Business Expansion Act which provided for a modest expansion of North Carolina's incentives programs. The Act expanded an existing job creation tax credit to all 100 counties in the state and significantly expanded the amount available in the most distressed counties. The Act also established several new incentives including an investment tax credit, a research and development tax credit, and a worker training credit. All of these credits are available to every county in the state, although the amount of the credit and any applicable eligibility thresholds depend on the county's assigned "enterprise tier." *(Note: Five enterprise tiers were established by the General Assembly to assign levels of economic and community distress for all 100 North Carolina counties. The ten poorest counties are in tier one; the next fifteen counties are in tier two; with the remaining 75 counties divided evenly among tiers three, four, and five.)*

The next year, 1997, the General Assembly amended the Act mainly to enhance its usefulness and address some of the constituent's concerns after having the Act in place for a year. In doing so, they also directed the Department of Commerce to reexamine the formula used to define enterprise tiers and report the results of this reexamination to the General Assembly in 1999 (G.S.§ 105-129.19) (*See Appendix A* for actual legislation).

THE STUDY PROCESS

Reexamining the enterprise tier formula provided the Department of Commerce with an excellent opportunity to assess the practicality of the current formula and to consider the feedback and experiential information received by the department about the tiers since the formula's inception in 1996. (While the formula defining "distress" counties eligible for the Job Creation Tax Credit originated in 1987, division of all counties into 5 tiers began in 1996.) Recognizing the benefits of such a study, the Department assembled a task force to provide outside input and expert assistance throughout the study process. The advisory panel was made up of seven members with various business, academic, and economic development backgrounds (*See Appendix B* for list of task force members).

ENTERPRISE TIER FORMULA

The practice of ranking North Carolina's counties for the allocation of funds or determination of need is not new. For example, the state uses a county-ranking system to determine the level of critical needs, relative to ability to pay, for some "critical needs" school finance funds. However, the rankings and "tiering" of the states 100 counties for business incentive tax credit purposes has its own history.

HISTORY OF RANKING/ENTERPRISE TIER FORMULA FOR BUSINESS INCENTIVE TAX CREDITS

The following information provides a brief review of the history behind the enterprise tier formula for use with North Carolina's income tax credits for new and expanding business.

- In 1987, the General Assembly enacted income tax credits for corporations that created jobs in severely distressed counties. A severely distressed county was defined as a county whose combined unemployment, per capita income, and population growth rankings were among the twenty worst in the State and that had an unemployment rate of 7 percent or higher.
- In 1989, the General Assembly removed the requirement that a county must have an unemployment rate of 7 percent or higher to be designated a severely distressed county (1989 Session Laws, Chapter 111: HB 198, Representative Al Lineberry).
- Also in 1989, the General Assembly increased the number of severely distressed counties from 20 to 25 (1989 Session Laws, Chapter 753: SB 740, Senator Howard Bryan).
- In 1991, the General Assembly increased the number of severely distressed counties from 25 to 33.
- In 1993, the General Assembly increased the number of severely distressed counties from 33 to 50.
- In 1996, the General Assembly expanded the income tax credits to include all 100 counties but divided the counties into five "enterprise tiers" based on per capita income, unemployment rate, and population growth. The ten poorest counties are in tier one; the next fifteen counties are in tier two, with the remaining 75 counties divided evenly among tiers three, four, and five (1996 Session Laws, Chapter 13: HB 18, Representative Gray).
- In 1997, the General Assembly changed the factors in the formula for determining a county's ranking and subsequent enterprise tier. This involved changing the unemployment and per capita income components from a one-year standing to a standing based on the average of the most recent three years. Also, once designated a tier one county, a county was guaranteed this designation for at least two years (1997 Session Laws, Chapter 277: SB 316, Senator Kerr).

DEBATE

As with any program that uses rankings to evaluate and compare different entities, the state's enterprise tier formula hasn't escaped its share of critical observation and debate. Most often this debate centers around the significance of population growth in determining economic well-being, the disparities associated with per capita income statistics, and the notion that some sort of tax base measure needs to be included in the formula.

Relatively high population growth often indicates a healthy local economy, as people tend to migrate to areas of economic prosperity. However, population growth can occur for reasons not directly related to local economic conditions. For example, an influx of

retirees who are relatively well off can raise the population of an otherwise 'distressed' county.

Income is an important definition of economic welfare. However, per capita income can be biased by the presence of a small number of high-income individuals. On the other hand, wage measures can also be biased as they measure income by place of work rather than place of residence. For example, a county may have a low per capita income but a higher wage rate if it is a regional employment center; Durham County illustrates this difference. (*Note: Similar disparities i.e., income/wage by place of residence versus place of work, were also apparent in the Act's wage test which was later amended to account for counties that are regional employment centers or have a dominant employer*).

Tax base measures can indicate a county government's ability to provide public services. However, the tax base measures available (property tax per capita and retail sales tax per capita) have some of the same bias problems as other measures. For example, since state law only requires that property valuations be completed every eight years, some county reevaluations may lag behind other counties, making comparisons unfair. Also, if property values are changing rapidly, the data may over or under estimate a county's true fiscal capacity. While retail sales taxes per capita are available annually, sales taxes account for less than half as much county tax revenue as property taxes. Finally, sales taxes per capita can also be biased if the county is a regional shopping area. For example, people may travel to another county for shopping and entertainment increasing the sales tax revenues for that county but also increasing the need for road maintenance and other services, which create more expenses for the county.

The Department considered these observations and suggestions in reviewing the formula. In any case, with any changes in the formula and with each new year of rankings, there are going to be counties that are somehow placed at a relative disadvantage.

ANALYSIS

As directed by the General Assembly in G.S. 105–129.19 (4) the Department reexamined the formula in G.S. 105-129.3 (*See Appendix C*) used to define enterprise tiers. This reexamination included a review of the literature on economic indicators, other states' legislation and programs for measuring economic performance (*See Appendix D*), considering the characteristics of a "good" indicator (i.e., annual data availability), and taking into account the feedback and comments received from local economic developers and legislators. With the above considerations at hand, the Department chose many different alternative formulas as options for study and comparison.

OPTIONS

After an extensive analysis of these various enterprise tier formula options the Department, with the aid of the W.S. Lee Act Study Taskforce, narrowed the number of options to those that seemed the most appropriate in light of the aforementioned considerations. The analysis of the options included a rank order correlation (*Note: Rank order correlation measures the closeness of the relationship between two sets of rankings.*) This analysis revealed that there is very little difference in the rankings of counties under most methods. With this in mind, the taskforce chose the current method and three others as described below (*See Appendix E* for specific formula component definitions) for more in-depth analysis.

ENTERPRISE TIER FORMULA COMPONENTS

Option 1

- Population Growth (1990-1997)
- Unemployment Rate (36 Month Average: July 1995-June 1998)
- Per Capita Income (3 Year Average: 1995-1998)

Note: This is the method currently used.

Option 2

- Unemployment Rate (36 Month Average: July 1995-June 1998)
- Net Earnings per Capita (1996)
- Food Stamp Recipiency Rate (1997)

Note: This substitutes two measures correlated with poverty rates for population growth and per capita income measures.

Option 3

- Unemployment Rate (36 Month Average: July 1995-June 1998)
- Average Annual Private Insured Wage (1996)
- Food Stamp Recipiency Rate (1997)

Note: This substitutes a poverty measure for population growth and a measure of wages for per capita income.

Option 4

- Unemployment Rate (36 Month Average: July 1995-June 1998)
- Net Earnings per Capita (1996)
- Food Stamp Recipiency Rate (1997)
- Property Valuation per Capita (1997)

Note: This adds a measure of tax base and substitutes two measures correlated with poverty rates for population growth and per capita income measures.

As with the current methodology each option assigns individual rankings to the various formula components and ranks them from 1 to 100 with 1 being assigned to the least distressed county and 100 being assigned to the most distressed county (*See Appendix F* for a county listing and ranking of each formula component). Then each ranking in the formula is totaled to assign each county an "enterprise factor". Then the counties are ranked again using the total enterprise factor with 1 being assigned to the most distressed county (i.e., the county with the largest enterprise factor) and 100 being assigned to the least distressed county (*See Appendix G* for a county listing/ranking of each option).

Tier Option Comparison

As expected there were some changes in the tiers of some counties for each of the options. Comparing options 2, 3, and 4 with the current formula (option 1) showed that 15 counties moved up a tier and 15 counties moved down a tier while 70 remained the same between options 1 and 2. Between options 1 and 3, 21 counties moved up a tier and 19 counties moved down a tier while 60 remained the same. Finally, between options 1 and 4, 18 counties moved up a tier, 16 moved down a tier and 66 stayed the same. These results confirm that with any adjustments in the enterprise tier formula there are going to be upward as well as downward changes among the counties and tiers, placing some at a perceived disadvantage.

There were a few counties that did see some more dramatic changes (i.e., more than one tier) in their tier assignment between some of the options. For example, Hoke County was ranked 42nd (Tier 3) under option 1 and decreased to a rank of 8th (Tier 1) under option 4. On the other hand, Martin County was ranked 7th (Tier 1) under option 1 and increased to a rank of 39th under option 3. Onslow and Alleghany counties also experienced a substantial change going from Tier 2 to Tier 4 between options 1 and 2 and options 1 and 4 respectively.

Small County "Tests"

In addition to reexamining the enterprise tier formula, and pursuant to the direction of the General Assembly, the Department also considered whether the assignment of tiers and the applicable thresholds are equitable for smaller counties, for example those under 50,000 and 20,000 population (*See Appendix H* for a list of these counties). The Department devised several "tests" that could be used to take into account the sometimes special situations that occur in smaller counties (e.g., one dominant employer, regional employment center, large retirement population, etc). After reviewing these tests, the Department, with the aid of the taskforce, chose two such tests that might be used to give special consideration (e.g., the county would receive some sort of special provision in terms of its ranking, associated tier, and eligibility under programs that use the enterprise tiers) to the state's smaller and/or rural counties.

These tests include:

Poverty Rate Test

- County's poverty rate is 150% of the state rate.

Food Stamp Recipiency Rate Test

- County's food stamp recipiency rate is 150% of the state rate.

(See Appendix I for a county listing of these "tests" and which counties meet the criteria).

Summary of Results

Using the poverty rate test, 21 (of 54) counties with populations less than 50,000 and 8 (of 20) counties with populations less than 20,000 have poverty rates that are at least 150 percent of the state rate. Of all the counties that fall under the criteria of the poverty rate test, 8 are currently in Tier 1; 6 are in Tier 2; 4 are in Tier 3; and 1 is in Tier 4.

Using the food stamp recipiency rate test, 20 (of 54) counties with populations less than 50,000 and 7 (of 20) counties with populations less than 20,000 have food stamp recipiency rates that are at least 150 percent of the state rate. Of all the counties that fall under the criteria of the food stamp recipiency rate test, 7 are currently in Tier 1, 7 are in Tier 2, and 6 are in Tier 3.

Development Zone Opportunity

Another possibility for giving consideration to the state's smaller counties would be to extend the state's development zone program to these counties. This option includes only those counties with less than 25,000 population, with no city greater than 5,000 population, and at least one census tract with a poverty rate of greater than 20 percent (*See Appendix J* for counties that meet these criteria).

RECOMMENDATIONS

The Department of Commerce submits this report to the General Assembly as an educational and informational tool for the legislature to use in considering any changes to the current enterprise tier formula. With this in mind, the options presented don't come as specific recommendations from the Department. The Department will work with the General Assembly to decide, based on this report and any other additional information the Department can provide, whether adjusting the formula will be practical

and beneficial for North Carolina's 100 counties and to the state's economic development strategies.

The William S. Lee Act Study Task Force recommends that the General Assembly keep the current option (Option 1) in place while allowing some sort of special provision for smaller counties. As such, the task force proposes that tier 4 and 5 counties with less than 50,000 population receive the benefits of a one tier lower status (i.e., Tier 4 Counties under 50,000 would have the same tax credit and threshold amounts as a Tier 3 County, also making them eligible for Industrial Development Funding and increased job funding under the Community Development Block Grant Program). Additional consideration could be given to granting Tier 3 counties a Tier 2 status, although the task force did not recommend this option.

105-129.19 Section 4 W. S. Lee Act Study Legislation

a) The Department of Commerce shall study the effectiveness of the tax incentives provided in the William S. Lee Quality Jobs and Business Expansion Act, codified as Article 3A of Chapter 105 of the General Statutes, on tax equity. This study shall include the following:

   1) Reexamining the formula in G.S. 105-129.3(b) used to define enterprise tiers, to include consideration of alternative measures for more equitable treatment of counties in similar economic circumstances.
   2) Considering whether the assignment of tiers and the applicable thresholds are equitable for smaller counties, for example those under 50,000 population.

Appendix C

§ 105-129.3 Enterprise Tier Designation

a) Tiers Defined - - An enterprise tier one area is a county whose enterprise factor is one of the 10 highest in the State. An enterprise tier two area in a county whose enterprise factor is one of the next 15 highest in the State. An enterprise tier three area is a county whose enterprise factor is one of the next 25 highest in the State. An enterprise tier four area is a county whose enterprise factor is one of the next 25 in the State. An enterprise tier five area is an area that is not in a lower numbered enterprise tier.

b) Annual Designation--Each year, on or before December 31, the Secretary of Commerce shall assign to each county in the State an enterprise factor that is the sum of the following:

(1) The county's rank in a ranking of counties by average rate of unemployment from lowest to highest, for the preceding three years.

(2) The county's rank in a ranking of counties by average per capita income from highest to lowest, for the preceding three years

(3) The county's rank in a ranking of counties by percentage growth in population from highest to lowest.

The Secretary of Commerce shall then rank all the counties within the State according to their enterprise factor from highest to lowest, identify all the areas of the State by enterprise tier, and provide this information to the Secretary of Revenue. An enterprise tier designation is effective only for the calendar year following the designation.

In measuring rates of unemployment and per capita income, the Secretary shall use the latest available data published by a State or federal agency generally recognized as having expertise concerning the data. In measuring population growth, the Secretary shall use the most recent estimates of population certified by the State Planning Officer.

a) Exception for Enterprise Tier One Areas. Notwithstanding the provisions of this section, an enterprise tier one area may not be redesignated as a higher- numbered enterprise tier area until is has been an enterprise tier one area for at least two consecutive years.

Appendix D

Other State's Definitions of "Tiers" or Economic Distress Formulas

A review of other states that have similar systems of ranking counties or assigning a distress status indicates that virtually all of the programs use some combination of unemployment, poverty rate, and income in their formulas. Note this review does not include the states' enterprise zone definition (if applicable) or states that have only enterprise zone (i.e., sub-county) programs.

Georgia: A combination of the highest unemployment rate for the most recent 36 month period; lowest per capita income for the most recent 36 month period; highest percentage of residents whose incomes are below the poverty level according to the most recent data available; and average weekly manufacturing wage according to the most recent data available. These factors are all given a weight of 30 percent except for the average weekly manufacturing wage, which is given a weight of 10 percent.

Kentucky: Counties with unemployment rates higher than the state average in each of the five preceding calendar years qualify for the state's KREDA (Kentucky Rural Economic Development Act) program

Massachusetts: "Distress factor", a fraction, the numerator of which is the sum of (1) the city or town's unemployment rate for the most recent three years divided by the commonwealth's unemployment rate for the same period and (2) the commonwealth's per capita personal income divided by the city or town's per capita personal income, and the denominator of which is two.

Mississippi: The twenty-eight (28) counties in this state having a combination of the highest unemployment rate and lowest per capita income for the most recent thirty-six (36) month period, with equal weight being given to each category, are designated less developed areas. The twenty-seven (27) counties in the state with a combination of the next highest unemployment rate and next lowest per capita income for the most recent thirty-six (36) month period, with equal weight being given to each category, are designated moderately developed areas. The twenty-seven (27) counties in the state with a combination of the lowest unemployment rate and the highest per capita income for the most recent thirty-six (36) month period, with equal weight being given to each category, are designated developed areas.

Ohio: A county that qualifies as a "Distressed area" has (a) an average rate of unemployment, during the most recent five-year period for which data are available, equal to at least one hundred twenty-five per cent of the average rate of unemployment for the United States for the same period; (b) a per capita income equal to or below eighty per cent of the median county per capita income of the United States as determined by the most recently available figures from the United

equal to or below eighty per cent of the median county per capita income of the United States as determined by the most recently available figures from the United States census bureau; (c) in intercensal years, has a ratio of transfer payment income to total county income equal to or greater than twenty-five per cent.

Oklahoma: Distressed counties (in their entirety) these are those counties that have a population loss of 10% or greater from 1980 to 1990).

South Carolina: (1) The twelve counties with a combination of the highest unemployment rate and lowest per capita income are designated least developed counties; (2) The twelve counties with a combination of the next highest unemployment rate and next lowest per capita income are designated under developed counties; (3) The eleven counties with a combination of the next highest unemployment rate and the next lowest per capita income are designated moderately developed counties; (4) The eleven counties with a combination of the lowest unemployment rate and the highest per capita income are designated developed counties. The designation by the department is effective for corporate taxable years, which begin after the date of designation.

Tennessee: Economically Distressed Counties are those with an average unemployment rate over 12% over the last 10 years; or counties with a per capita income less than 75% of the median per capita income for all counties.

Virginia: A county qualifies as economically distressed if its unemployment rate for the preceding year is at least 0.5 percent higher than the average statewide unemployment rate for such year.

Washington: "Distressed county" means a county in which the average level of unemployment for the preceding three years exceeds the average state employment for those years by twenty percent. Another definition of a distressed county that is used for a different program is (a) county in which the average level of unemployment for the three years before the year in which an application is filed under this chapter exceeds the average state unemployment for those years by twenty percent; (b) a county that has a median household income that is less than seventy-five percent of the state median household income for the previous three years.

Appalachian Regional Commission: The Appalachian Regional Commission (ARC) has four categories or economic levels for counties. These categories are distressed, transitional, competitive, and attainment. The Commission's definition of a distressed county is one with a three year average unemployment rate of 8.6% or more (or 150% of US average), a per capita income of $12,934 or less (or 67% of the US per capita income), and a poverty rate of 19.7% or more (or 150% of US rate). A county that meets all three of these requirements or has a poverty rate that is two times (200%) of the US and any one other of these requirements is a

distressed county. The following table shows the indicator requirements for distressed counties and the other categories as well.

Classification	1994-1996 Three Year Average Unemployment Rate	1995 Per Capita Income	1990 Census Poverty Rate
Distressed	8.6% or more (150% of US 5.7%)	$12,934 or less (67% of US $19,305)	19.7% or more (150% of US 13.1%)
Transitional	All counties not in other classes. Individual indicators may vary.		
Competitive	5.7% or less (100% of US average)	$15,444 - $19,304 ($15,444 = 80% of US)	13.1% or less (100% of US)
Attainment	5.7% or less (100% of US average)	$19,305 or more (100% of US)	13.1% or less (100% of US)

Appendix E

Data Definitions/Notes

Population Growth/Change: The population growth/change statistics were determined using years 1990 and 1997 from the Office of State Planning as reported on LINC.

Unemployment Rate: The unemployment rate statistics were calculated using the average rate of the 36-month period between July 1995 and June 1998. The monthly figures are from the Employment Security Commission Labor Market Information Division's Civilian Labor Force statistics. Note that the rates are not seasonally adjusted; seasonally adjusted rates are not available on the sub-state level.

Per Capita Income: Per capita income of a county is defined as the income received by, or on behalf of all county residents divided by the total county population (total personal income divided by total population). It includes income from all sources: labor income, proprietor's income, government transfer payments (those due to poverty and those which are age-related such as social security), and dividends, interest, and rent. The per capita income statistics are the three year average from 1994-1996 as provided by the US Bureau of Economic Analysis (BEA).

Per Capita Net Earnings: Per capita net earnings is defined as per capita wages and salaries, other labor income, and proprietor's income. The per capita net earnings statistics are from 1996, the latest data available, as provided by the US Bureau of Economic Analysis' Regional Economic Information System database.

Average Annual Private Insured Wage: The average annual private insured wage is defined as the total wages and salaries paid for all insured workers divided by number of insured workers. Wages and salaries include all reported income, including gross wages and salaries, bonuses, tips and other gratuities. Wages and salaries do not include employer contributions to old age, survivors' and disability insurance (OASDI), health insurance, unemployment insurance, workers' compensation, and private pension and welfare funds. The wage statistics are from 1996, the latest available, as provided by the Employment Security Commission Labor Market Information Division. Note that the private wage was used to stay consistent with the method used to calculate the wage standard under William S. Lee Act.

Property Valuation per Capita: County property valuation divided by the 1997 certified population estimates. The property valuation data is from the Department of Revenue Ad Valorem Tax Division. The population estimates are from the Office of State Planning. Note that not all counties have updated valuation information, as the state only requires the counties to undergo the revaluation process every 8 years.

Discussion

What makes a good indicator?

Annual availability: Because the enterprise tier formula is updated every year so that it will reflect changes in economic conditions, and indicator data must be available on an annual basis.

Timeliness: The lag time between data collection and data reporting is an important consideration in choosing economic indicators. For example, if the indicator data is outdated but is the only data available, the economic situation might have changed the data was originally published (e.g., the poverty rate is only available every 10 years in the decennial census).

Accuracy: While jobs data might be more timely than income data, income data is a more complete and accurate measure of economic performance. For example, simply counting jobs created or lost ignores the fact that those jobs might not be high-paying or income increasing.

Even Coverage: Don't want to double count or overlap two indicators that essentially measure the same thing

Simplicity: Easy to understand

Geographic Availability: The data indicator should be available at the county level otherwise, a county's economic situation may be misrepresented. For example, some data/indicators are available at the MSA (Metropolitan Statistical Area) level but not at the county level. Assigning MSA data to each county in that MSA would suggest that all counties in that MSA have the same experience or situation.

What do the various indicators communicate about a county's economic situation?

Population: Population growth is an indirect proxy for county economic conditions. Presumably, people will migrate from areas of economic decline to areas of economic prosperity. Hence relatively high population growth should indicate local economic prosperity. However, population growth can occur for reasons not directly related to local economic conditions. For example, an influx of retirees who are relatively well off can raise the population of an otherwise 'distressed' county.

Unemployment Rate: A county's unemployment rate reflects the economic condition of that county by indicating what percent of the county's labor force is currently out of work and therefore without an income. A high unemployment rate in any one year may be the result of a plant closing, while chronically high unemployment may mean that there is a greater need for job development.

Per Capita Income: Income is an important definition of economic welfare. Since per capita income is an average measure, it can be biased upward by the presence of a small number of high-income individuals. If this is the case, then an average income measure will not reflect the economic situation of the typical person in the county. In

this situation, the median income is a better description of the typical resident's income. The median income is the income at which half of the county resident's incomes are above it and half are below it. This criticism is valid in theory. However, there is no meaningful measure of county median income (or median wages) that is available on an annual basis. Since, some type of average income measure should continue to be used in the distress formula.

Net Earnings per Capita: Unlike Per Capita Income, Per Capita Net Earnings reflects only that income that is based on earned income (e.g., wages, salaries, other labor income, etc.) and therefore does not present the upward bias that Per Capita Income does if there are higher incomes in the county due to a large retirement population. However, Net Earnings per Capita still involves the possibility of a skewed income measure if the county has a small number of individuals with large salaries.

Average Annual Private Insured Wage: The Average Annual Private Insured Wage is much like the Net Earnings per Capita measure in that is only represents wage and salary income. However, rather than being a per capita measure (which includes all the people in the county), Average Annual Private Insured Wage only represents the average wage based on privately insured workers. In other words, it would not include state employees' wages, county government wages, etc. In counties that have a significant number of state employees (e.g., Wake, Orange) the Average Annual Private Insured Wage might not represent the actual economic situation in that county.

Poverty: The Poverty Rate is indicator of the number and proportion of people with inadequate family incomes for needed consumption of food and other goods and services. Poverty is a key indicator of difficult economic conditions. Unfortunately, the percentage of the population in each county which is below the poverty line is only available as part of the decennial census. A 10-year interval is not acceptable for data to be used in a formula that is revised annually. It would 'lock in' conditions in one year for 10 years, thereby imposing inequities as conditions in the real world change.

Food Stamp Recipiency Rate: Eligibility for food stamp payments is based on some type of personal economic distress criteria. Therefore, the food stamp recipiency rate is alternative poverty measure. The Food Stamp Recipiency Rate is also a better indicator than the poverty rate because it is available on an annual basis.

Property Valuation per Capita: Property Valuation per Capita provides an indication of a county government's ability to provide public services. The bulk of county tax revenues come from property taxes (approximately 2/3 of county tax revenues are derived from property taxes). Property taxes are based on the assessed valuation of real property, personal property, and public service company property (railroads, electric power companies, telephone companies, etc.). Using a per capita basis to measure property valuation allows for a more meaningful comparison across counties. Also without a per capita basis, there is no consideration of the amount of people the government has to provide services for. This would result in highly misleading distress indicators. While annual total property valuation is available for each county, state law only requires that these valuations be updated at least every 8 years. Thus some county re-valuations

may lag behind other county's re-valuations. If this occurs during a period when actual property values are changing rapidly, then the property valuation data will under or over estimate the 'true' county fiscal capacity.

Notes:

- Option 1 is the method currently used by the Department of Commerce. However, for comparison's sake, the tiers listed here may not coincide with the official tiers released in December of 1998 as those take into account tier grandfathering, etc. In other words, the tiers assigned here are based on the option ranking alone.
- For each option, the counties are ranked from 1 to 100 with 1 being the most distressed county and 100 being the least distressed county.

Notes:

- The Food Stamp Recipiency Rate (1997) is equal to the average number of monthly food stamp recipients for the state fiscal year 96-97 divided by total population (in 000s) in 1997. The food stamp recipients data is from the Department of Health and Human Resources. The population data is from the Office of State Planning's certified population estimates. Note that when representing annual data, the agency lists the information by the ending year although it may be for the fiscal year. Also, the 1997 population data (rather than 1996) was used to remain consistent with how the state calculates per capita statistics in other areas.
- Shaded counties are those with a Food Stamp Recipiency Rate at 150% of the state rate (83.7%).

Presentation Summary from
The Department of Commerce
to the Joint Finance Committee
The North Carolina General Assembly
Secretary Rick Carlisle
Tuesday, May 11, 1999

William S. Lee Quality Jobs and Business Expansion Act

- First enacted in 1996 to stimulate the North Carolina economy – particularly in economically distressed areas
- Amended in 1997 and 1998 to enhance its practicality, effectiveness and accountability.
- Provides tax credits for five types of activities:
  - Job creation
  - Investment in machinery and equipment
  - Research and development expenditures
  - Worker training costs
  - Expansion of central administrative office property
- Offers a sliding scale of these credits depending upon a county's enterprise tier designation, which is determined by a formula comprised of population growth, unemployment rates, and per capita income.

1999 Tier Report of the William S. Lee Quality Jobs and Business Expansion Act

A 1997 amendment to the William S. Lee Act directed the Department of Commerce to examine the enterprise tier formula. The directive included consideration for alternative measures for more equitable treatment of counties in similar economic circumstances and consideration of whether the assignment of tiers and the applicable thresholds are equitable for smaller counties.

A seven-member task force studied the tier system and in its 1999 Tier Study Report:

- Found no variation in the enterprise tier formula significantly improved the tier designation system
- Recommended that the General Assembly keep the current tier formula in place while allowing some type of special provision for smaller counties

1999 Progress Report of the William S. Lee Quality Jobs and Business Expansion Act

The William S. Lee Act was developed to:

- Help existing firms maintain and improve competitiveness through investment in new technologies
- Encourage new investment in North Carolina's economy from both existing and new industries
- Ensure that economic growth is reaching all people in all parts of the state, particularly rural counties and high-poverty urban areas

The 1997 amendment to the William S. Lee Act also directed the Department of Commerce to review economic indicators to determine that the Act was fulfilling its original intent. Based on a review of job creation and investment numbers, the utilization of tax credits, and the financial impact of these credits, the William S. Lee Quality Jobs and Business Expansion Act 1999 Progress Report found that since the passage of the Act:

- Existing businesses take advantage of more tax credit opportunities than new firms
- Overall, job creation and capital investment increased in North Carolina
- Overall, the industries eligible for the tax credits under the Lee Act created more jobs and generated more new investment
- Industrial recruitment and expansion in the most distressed counties (Tiers 1 and 2) compares favorably to the rest of the state on a per capita basis

The Cost of the Lee Act

Based on the tax returns available for analysis, the total amount of foregone revenue from the Act in 1997 was $10,787,894, distributed among the credits as follows:

Type of credit	Amount of credits utilized in 1997	Amount of activity reported	Dollars of credit per activity unit
Jobs	$ 801,539	3,983 jobs	$ 201 per job claimed
Machinery & Equipment	$ 4,097,382	$ 789, 300,000	$ 5 per $1000 expenditure
Research & Development	$ 5,888,973	$ 723,700,000	$ 8 per $1000 expenditure

* Worker training and central office omitted due to insufficient data.

Conclusions

- The current tier formula is working as well as any formula can and should be maintained. The tier system could be more successful with a special provision for smaller counties. (This provision has been proposed in the Widely Shared Prosperity Act (HB 1303; SB 1115.)
- The William S. Lee Act is effective in
  - Helping existing firms invest in and compete with new technologies
  - Encouraging new investment by North Carolina's existing industries as well as new businesses
  - Ensuring that prosperity is indeed widely shared by targeting rural and urban distressed areas. The Act can be strengthened to extend its reach with provisions included in the Widely Shared Prosperity Act (HB 1303; SB 1115.)

PART I. REDUCE SALES TAX ON FOOD

Sec. 1.1. G.S. 105-164.4(a) is amended by adding a new subdivision to read:

"(5) The rate of three percent (3%) applies to the sales price of food that is not otherwise exempt pursuant to G.S. 105-164.13 but would be exempt pursuant to G.S. 105-164.13 if it were purchased with coupons issued under the Food Stamp Program, 7 U.S.C. § 51."

Sec. 1.2. G.S. 105-465 reads as rewritten:

"**§ 105-465. County election as to adoption of local sales and use tax.**

The board of elections of any county, upon the written request of the board of county ~~commissioners thereof,~~ commissioners, or upon receipt of a petition signed by qualified voters of the county equal in number to at least fifteen percent (15%) of the total number of votes cast in the county, at the last preceding election for the office of Governor, shall call a special election for the purpose of submitting to the voters of the county the question of whether a one percent (1%) sales and use tax ~~as hereinafter provided~~ will be levied.

The special election shall be held under the same rules ~~and regulations~~ applicable to the election of members of the General Assembly. No new registration of voters shall be required. All qualified voters in the county who are properly registered not later than 21 days (excluding Saturdays and Sundays) prior to the election shall be

entitled to vote at ~~said~~ the election. The county board of elections shall give at least 20 days' public notice prior to the closing of the registration books for the special election.

The county board of ~~election~~ elections shall prepare ballots for the special ~~election which shall contain the words,~~ election. The question presented on the ballot shall be 'FOR ~~the~~ one percent (1%) local sales and use tax ~~only on those items presently covered by the four percent (4%) sales and use tax,' and the words,~~ on items subject to State sales and use tax at the general State rate and on food' or 'AGAINST ~~the~~ one percent (1%) local sales and use tax ~~only on those items presently covered by the four percent (4%) sales and use tax,' with appropriate squares so that each voter may designate his vote by his cross (X) mark.~~ on items subject to State sales and use tax at the general State rate and on food'.

The county board of elections shall fix the date of the special ~~election; provided, however,~~ election, except that the special election shall not be held on the date or within 60 days of any biennial election for county officers, ~~nor within 60 days thereof,~~ nor within one year from the date of the last preceding special election under this section."

Sec. 1.3. G.S. 105-467 reads as rewritten:

"**§ 105-467. Scope of sales tax.**

The sales tax ~~which~~ that may be imposed under this Article is limited to a tax at the rate of one percent (1%) ~~of:~~ of the following:

(1) The sales price of ~~those articles of~~ tangible personal property ~~now~~ subject to the general rate of sales tax imposed by the State under G.S. 105-164.4(a)(1) and ~~(4b);~~ (a)(4b).

(2) The gross receipts derived from the lease or rental of tangible personal property when the lease or rental of the property is subject to the general rate of sales tax imposed by the State under G.S. ~~105-164.4(a)(2);~~ 105-164.4(a)(2).

(3) The gross receipts derived from the rental of any room or ~~furnished by any hotel, motel, inn, tourist camp or~~ other ~~similar~~ accommodations ~~now~~ subject to the general rate of sales tax imposed by the State under G.S. ~~105-164.4(a)(3); and~~ 105-164.4(a)(3).

(4) The gross receipts derived from services rendered by laundries, dry cleaners, and other businesses ~~now~~ subject to the general rate of sales tax imposed by the State under G.S. 105-164.4(a)(4).

(5) The sales price of food that is not otherwise exempt from tax pursuant to G.S. 105-164.13 but would be exempt from the State sales and use tax pursuant to G.S. 105-164.13 if it were purchased with coupons issued under the Food Stamp Program, 7 U.S.C. § 51.

The sales tax authorized by this Article does not apply to sales that are taxable by the State under G.S. 105-164.4 but are not specifically included in ~~subdivisions (1) through (4) of~~ this section.

The State exemptions and exclusions contained in G.S. 105-164.13 and the State refund provisions contained in G.S. 105-164.14 ~~shall~~ apply ~~with equal force and in like manner~~ to the local sales and use tax authorized to be levied and imposed under this Article. A taxing county ~~shall have no authority, with respect to the local sales and use tax imposed under this Article to change, alter, add to or delete any refund provisions contained in G.S. 105-164.14, or any exemptions or exclusions contained in G.S. 105-164.13 or which are elsewhere provided for.~~ may not allow an exemption, exclusion, or refund that is not allowed under the State sales and use tax.

"**§ 105-468. Scope of use tax.**

The use tax ~~which may be imposed under~~ authorized by this Article ~~shall be~~ is a tax at the rate of one percent (1%) of the cost price of each item or article of tangible personal property ~~when it~~ that is not sold in the taxing county but is used, ~~consumed~~ consumed, or stored for use or consumption in the taxing ~~county, except that no tax shall be imposed upon tangible personal property when the property would be taxed by the State at a rate other than the general rate of tax set in G.S. 105-164.4 if it were taxable under G.S. 105-164.6.~~ county. The tax applies to the same items that are subject to tax under G.S. 105-467.

Every retailer who is engaged in business in this State and in the taxing county and is required to collect the use tax levied by G.S. 105-164.6 shall ~~also~~ collect the one percent (1%) use tax when ~~such~~ the property is to be used, ~~consumed~~ consumed, or stored in the taxing ~~county, one percent (1%) use tax to be collected concurrently with the State's use tax; but no retailer not required to collect the use tax levied by G.S. 105-164.6 shall be required to collect the one percent (1%) use tax.~~ county. The use tax contemplated by this section shall be levied against the purchaser, and the purchaser's liability for the use tax shall be extinguished only upon payment of the use tax to the retailer, where the retailer is required to collect the tax, or to the ~~Secretary of Revenue, or to the taxing county, as appropriate,~~ Secretary, where the retailer is not required to collect the tax.

Where a local sales or use tax has been paid with respect to tangible personal property by the purchaser, either in another taxing county within the State, or in a taxing jurisdiction outside the State where the purpose of the tax is similar in purpose and intent to the tax which may be imposed pursuant to this Article, the tax paid may be credited against the tax imposed under this section by a taxing county upon the same property. If the amount of sales or use tax so paid is less than the amount of the use tax due the taxing county under this section, the purchaser shall pay to the Secretary ~~of Revenue or to the taxing county, as appropriate,~~ an amount equal to the difference between the amount so paid in the other taxing county or jurisdiction and the amount due in the taxing county. The Secretary ~~of Revenue or the taxing county, as appropriate,~~ may require such proof of payment in another taxing county or jurisdiction as is deemed to be necessary. The use tax levied under this Article is not subject to credit for payment of any State sales or use tax not imposed for the benefit and use of counties and municipalities. No credit shall be given under this section for sales or use taxes paid in a taxing jurisdiction outside this State if that taxing jurisdiction does not grant similar credit for sales taxes paid under this Article."

Sec. 1.5. The first paragraph of Section 4 of Chapter 1096 of the 1967 Session Laws, as amended, is amended as follows:

(1) By deleting the word "and" before subdivision (4).

(2) By changing the period at the end of subdivision (4) to a semicolon and adding the word "and".

(3) By adding a new subdivision to read:

"(5) The sales price of food and other items that are not otherwise exempt from tax pursuant to G.S. 105-164.13 but would be exempt

from the State sales and use tax pursuant to G.S. 105-164.13 if purchased with coupons issued under the Food Stamp Program, 7 U.S.C. § 51."

Sec. 1.6. Section 5 of Chapter 1096 of the 1967 Session Laws is amended by deleting the first sentence of that section and substituting the following sentences to read:

"The use tax that Mecklenburg County may impose under this division is a tax at the rate of one percent (1%) of the cost price of each item or article of tangible personal property that is not sold but is used, consumed, or stored for use or consumption in Mecklenburg County. The tax applies to the same items that are subject to tax under Section 4 of this act."

Sec. 1.7. Approval under Article 39, 40, or 42 of Chapter 105 of the General Statutes or under the Mecklenburg County Sales and Use Tax Act, Chapter 1096 of the 1967 Session Laws, as amended, of local sales and use taxes on items subject to State sales and use tax at the general State rate constitutes approval of local sales and use taxes on food.

PART II. REDUCE CORPORATE INCOME TAX

Sec. 2.1. G.S. 105-130.3 reads as rewritten:

"**§ 105-130.3. Corporations.**

A tax is imposed on the State net income of every C Corporation doing business in this ~~State at seven and seventy-five one-hundredths percent (7.75%) of the corporation's State net income.~~ State. An S Corporation is not subject to the tax levied in this section. The tax is a percentage of the taxpayer's State net income computed as follows:

Income Years Beginning	Tax
In 1997	7.5%
In 1998	7.25%
In 1999	7%
After 1999	6.9%".

Sec. 2.2. G.S. 115C-546.1 reads as rewritten:

"**§ 115C-546.1. Creation of Fund; administration.**

(a) There is created the Public School Building Capital Fund. The Fund shall be used to assist county governments in meeting their public school building capital needs.

(b) Each calendar quarter, the Secretary of Revenue shall remit to the State Treasurer for credit to the Public School Building Capital Fund an amount equal to ~~two-thirty-firsts (2/31)~~ the applicable fraction provided in the table below of the net collections received during the previous quarter by the Department of Revenue under G.S. 105-130.3 minus two million five hundred thousand dollars ($2,500,000). All funds deposited in the Public School Building Capital Fund shall be invested as provided in G.S. 147-69.2 and G.S. 147-69.3.

Period	Fraction
10/1/97 to 9/30/98	One-fifteenth (1/15)
10/1/98 to 9/30/99	Two twenty-ninths (2/29)
10/1/99 to 9/30/00	One-fourteenth (1/14)
After 9/30/00	Five sixty-ninths (5/69)

(c) The Fund shall be administered by the Office of State Budget and Management."

PART III. QUALITY JOBS AND BUSINESS EXPANSION TAX CREDITS

Sec. 3.1. Chapter 105 of the General Statutes is amended by adding a new Article 3A entitled "Tax Incentives for New and Expanding Businesses."

Sec. 3.2. G.S. 105-130.40 is recodified as G.S. 105-129.8 in Article 3A of Chapter 105 of the General Statutes.

Sec. 3.3. Article 3A of Chapter 105 of the General Statutes, as enacted by this act, reads as rewritten:

"ARTICLE 3A.

"Tax Incentives for New and Expanding Businesses.

"**§ 105-129.2. Definitions.**

The following definitions apply in this Article:

(1) Cost. -- Defined in section 179 of the Code.

(2) Data processing. -- Defined in the Standard Industrial Classification Manual issued by the United States Bureau of the Census.

(3) Enterprise tier. -- The classification assigned to an area pursuant to G.S. 105-129.3.

(4) Full-time job. -- A position that requires at least 1,600 hours of work per year and is intended to be held by one employee during the entire year. A full-time employee is an employee who holds a full-time job.

(5) Machinery and equipment. -- Engines, machinery, tools, and implements that are capitalized by the taxpayer for tax purposes under the Code and are used or designed to be used in manufacturing or processing, warehousing and distribution, or data processing. The term does not include real property as defined in G.S. 105-273 or rolling stock as defined in G.S. 105-333.

(6) Manufacturing and processing. -- Defined in the Standard Industrial Classification Manual issued by the United States Bureau of the Census.

(7) Purchase. -- Defined in section 179 of the Code.

(8) Warehousing and distribution. -- Defined in the Standard Industrial Classification Manual issued by the United States Bureau of the Census.

"**§ 105-129.3. Enterprise tier designation.**

(a) Tiers Defined. -- An enterprise tier one area is a county whose enterprise factor is one of the 10 highest in the State. An enterprise tier two area is a county whose enterprise factor is one of the next 15 highest in the State. An enterprise tier three area is a county whose enterprise factor is one of the next 25 highest in the State. An enterprise tier four area is a county whose enterprise factor is one of the next 25 highest in the State. An enterprise tier five area is any area that is not in a lower-numbered enterprise tier.

(b) Annual Designation. -- Each year, on or before December 31, the Secretary of Commerce shall assign to each county in the State an enterprise factor that is the sum of the following:

(1) The county's rank in a ranking of counties by rate of unemployment from lowest to highest.

(2) The county's rank in a ranking of counties by per capita income from highest to lowest.

(3) The county's rank in a ranking of counties by percentage growth in population from highest to lowest.

The Secretary of Commerce shall then rank all the counties within the State according to their enterprise factor from highest to lowest, identify all the areas of the State by enterprise tier, and provide this information to the Secretary of Revenue. An enterprise tier designation is effective only for the calendar year following the designation.

In measuring rates of unemployment and per capita income, the Secretary shall use the latest available data published by a State or federal agency generally recognized as having expertise concerning the data. In measuring population growth, the Secretary shall use the most recent estimates of population certified by the State Planning Officer.

"**§ 105-129.4. Eligibility; forfeiture.**

(a) Type of Business. -- A taxpayer is eligible for a credit allowed by this Article if the taxpayer engages in manufacturing or processing, warehousing or distributing, or data processing, and the jobs with respect to which a credit is claimed are created in that business, the machinery and equipment with respect to which a credit is claimed are used in that business, and the research and development for which a credit is claimed are carried out as part of that business.

(b) Wage Standard. -- A taxpayer is eligible for the credit for creating jobs or the credit for worker training if the jobs for which the credit is claimed meet the wage standard at the time the taxpayer applies for the credit. A taxpayer is eligible for the credit for investing in machinery and equipment or the credit for research and development if the jobs at the location with respect to which the credit is claimed meet the wage standard at the time the taxpayer applies for the credit. Jobs meet the wage standard if they pay an average weekly wage that is at least ten percent (10%) above the average weekly wage paid in the county in which the jobs will be located. In calculating the average weekly wage of jobs, positions that pay a wage or salary at a rate that exceeds one hundred thousand dollars ($100,000) a year shall be excluded. For the purpose of this subsection, the average wage in a county is the average wage for all insured industries in the county as computed by the Employment Security Commission for the most recent period for which data are available.

(c) Worker Training. -- A taxpayer is eligible for the tax credit for worker training only for training workers who occupy jobs for which the taxpayer is eligible to claim an installment of the credit for creating jobs or which are full-time positions at a location with respect to which the taxpayer is eligible to claim an installment of the credit for investing in machinery and equipment for the taxable year.

The credit for worker training is allowed only with respect to employees in positions not classified as exempt under the Fair Labor Standards Act, 29 U.S.C. § 213(a)(1) and for expenditures for training that would be eligible for expenditure or reimbursement under the Department of Community Colleges' New and Expanding Industry Program, as determined by guidelines adopted by the State Board of Community Colleges. To establish eligibility, the taxpayer must obtain as part of the application process under G.S. 105-129.6 the certification of the Department of Community Colleges that the taxpayer's planned worker training would satisfy the requirements of this paragraph. A taxpayer shall apply to the Department of Community Colleges for this certification. The application must be on a form provided by the Department of Community Colleges, must provide a detailed plan of the worker training to be provided, and must contain any information required by the Department of Community Colleges to determine whether the requirements of this paragraph will be satisfied. If the Department of Community Colleges determines that the planned worker training meets the requirements of this paragraph, the Department of Community Colleges shall issue a certificate describing the location with respect to which the credit is claimed and stating that the planned worker training meets the requirements of this paragraph. The State Board of Community Colleges may adopt rules in accordance with Chapter 150B of the General Statutes that are needed to carry out its responsibilities under this paragraph.

(d) Forfeiture. -- A taxpayer forfeits a credit allowed under this Article if the taxpayer was not eligible for the credit at the time the taxpayer applied for the credit. A taxpayer that forfeits a credit under this Article is liable for all past taxes avoided

as a result of the credit plus interest at the rate established under G.S. 105-241.1(i), computed from the date the taxes would have been due if the credit had not been allowed. The past taxes and interest are due 30 days after the date the credit is forfeited; a taxpayer that fails to pay the past taxes and interest by the due date is subject to the penalties provided in G.S. 105-236. If a taxpayer forfeits the credit for creating jobs or the credit for investing in machinery and equipment, the taxpayer also forfeits any credit for worker training claimed for the jobs for which the credit for creating jobs was claimed or the jobs at the location with respect to which the credit for investing in machinery and equipment was claimed.

(e) Change in Ownership of Business. -- The sale, merger, acquisition, or bankruptcy of a business, or any other transaction by which an existing business reformulates itself as another business, does not create new eligibility in a succeeding business with respect to credits for which the predecessor was not eligible under this Article. A successor business may, however, take any installment of or carried-over portion of a credit that its predecessor could have taken if it had a tax liability.

"**§ 105-129.5. Tax election; cap.**

(a) Tax Election. -- The credits provided in this Article are allowed against the franchise tax levied in Article 3 of this Chapter and the income taxes levied in Article 4 of this Chapter. The taxpayer shall elect the tax against which a credit will be claimed when filing the application for the credit. This election is binding. Any carryforwards of the credit must be claimed against the same tax elected in the application.

(b) Cap. -- The credits allowed under this Article may not exceed fifty percent (50%) of the tax against which they are claimed for the taxable year, reduced by the sum of all other credits allowed against that tax, except tax payments made by or on behalf of the taxpayer. This limitation applies to the cumulative amount of credit, including carryforwards, claimed by the taxpayer under this Article against each tax for the taxable year. Any unused portion of the credit may be carried forward for the succeeding five years.

"**§ 105-129.6. Application; reports.**

(a) Application. -- To claim the credits allowed by this Article, the taxpayer must provide with the tax return the certification of the Secretary of Commerce that the taxpayer meets all of the eligibility requirements of G.S. 105-129.4 with respect to each credit. A taxpayer shall apply to the Secretary of Commerce for certification of eligibility. The application must be on a form provided by the Secretary of Commerce, must specify the credit and the tax against which it will be claimed, and must contain any information necessary for the Secretary of Commerce to determine whether the taxpayer meets the eligibility requirements. If the Secretary determines that the taxpayer meets all of the eligibility requirements of G.S. 105-129.4 with respect to a credit, the Secretary shall issue a certificate describing the location with respect to which the credit is claimed, specifying the tax against which the credit will be claimed, outlining the eligibility requirements for the credit, and stating that the taxpayer meets the eligibility requirements. If the Secretary determines that the taxpayer does not meet all of the eligibility requirements of G.S. 105-129.4 with respect to a credit, the Secretary must advise the taxpayer in writing of the eligibility requirements the taxpayer fails to meet. The Secretary of Commerce may adopt rules in accordance with Chapter 150B of the General Statutes that are needed to carry out the Secretary of Commerce's responsibilities under this section.

(b) Reports. -- The Department of Commerce shall report to the Department of Revenue and to the Fiscal Research Division of the General Assembly by May 1 of each year the following information for the 12-month period ending the preceding April 1:

(1) The number of applications for each credit allowed in this Article.

(2) The number and enterprise tier area of new jobs with respect to which credits were applied for.

(3) The cost of machinery and equipment with respect to which credits were applied for.

"**§ 105-129.7. Substantiation.**

To claim a credit allowed by this Article, the taxpayer must provide any information required by the Secretary of Revenue. Every taxpayer claiming a credit under this Article shall maintain and make available for inspection by the Secretary of Revenue any records the Secretary considers necessary to determine and verify the amount of the credit to which the taxpayer is entitled. The burden of proving eligibility for the credit and the amount of the credit shall rest upon the taxpayer, and no credit shall be allowed to a taxpayer that fails to maintain adequate records or to make them available for inspection.

"**§ 105-129.8. Credit for creating ~~jobs in severely distressed county.~~ jobs.**

(a) Credit. -- A ~~corporation that (i) for at least 40 weeks during the year has at least nine employees and (ii) is located, for part or all of its taxable year, in a severely distressed county~~ taxpayer that meets the eligibility requirements set out in G.S. 105-129.4, has five or more employees for at least 40 weeks during the taxable year, ~~may qualify for a credit against the tax imposed by this Division by creating new full-time jobs with the corporation in the severely distressed county during that year. A corporation~~ and ~~that~~ hires an additional full-time employee during that year to fill a position located in ~~a severely distressed county~~ this State is allowed a credit ~~of two thousand eight hundred dollars ($2,800) for the additional employee.~~ for creating a new full-time job. The amount of the credit for each new full-time job created is set out in the table below and is based on the enterprise tier of the area in which the position is located:

Area Enterprise Tier	Amount of Credit
Tier One	$12,500
Tier Two	4,000
Tier Three	3,000
Tier Four	1,000
Tier Five	500

A position is located in ~~a county~~ an area if ~~(i) at least~~ more than fifty percent (50%) of the employee's duties are performed in the ~~county, or (ii) the employee is a resident of the county.~~ area. The credit may not be taken in the ~~income~~ taxable year in which the additional employee is hired. Instead, the credit shall be taken in equal installments over the four years following the ~~income~~ taxable year in which the additional employee was hired and shall be conditioned on the continued employment by the ~~corporation~~ taxpayer of the number of full-time employees the ~~corporation~~ taxpayer had upon hiring the employee that caused the ~~corporation~~ taxpayer to qualify for the credit. ~~If,~~

If, in one of the four years in which the installment of a credit accrues, the number of the ~~corporation's~~ taxpayer's full-time employees falls below the number of full-time employees the ~~company~~ taxpayer had in the year in which the ~~corporation~~ taxpayer qualified for the ~~credit or the position filled by the employee is moved to another county,~~ credit, the credit expires and the ~~corporation~~ taxpayer may not take any remaining installment of the credit. The ~~corporation~~ taxpayer may, however, take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under ~~subsection (c) of this section.~~ G.S. 105-129.5.

Jobs transferred from one area in the State to another area in the State shall not be considered new jobs for purposes of this section. If, in one of the four years in which the installment of a credit accrues, the position filled by the employee is moved to an area in a higher- or lower-numbered enterprise tier, the remaining installments of the

credit shall be calculated as if the position had been created initially in the area to which it was moved.

~~For the purposes of this section, a full-time job is a position that requires at least 1,600 hours of work per year and is intended to be held by one employee during the entire year. A full-time employee is an employee who holds a full-time job.~~

(b) Repealed by Session Laws 1989, c. 111, s. 1.

~~(b1) Eligibility. -- A corporation is eligible for the tax credit allowed by this section only if it obtained a credit under this section for taxable year 1988 or the Department of Commerce determines that it engages in the manufacturing of goods, or that it engages in an industrial activity such as the processing of foods, raw materials, chemicals and process agents, goods in process, or finished products.~~

~~(c) County Designation. -- A severely distressed county is a county designated as severely distressed by the Secretary of Commerce. Each year, on or before December 31, the Secretary of Commerce shall designate which counties are considered severely distressed, and shall provide that information to the Secretary of Revenue. A county is considered severely distressed if its distress factor is one of the fifty highest in the State.~~

~~The Secretary shall assign to each county in the State a distress factor that is the sum of the following:~~

- ~~(1) The county's rank in a ranking of counties by rate of unemployment from lowest to highest.~~
- ~~(2) The county's rank in a ranking of counties by per capita income from highest to lowest.~~
- ~~(3) The county's rank in a ranking of counties by percentage growth in population from lowest to highest.~~

~~In measuring rates of unemployment and per capita income, the Secretary shall use the latest available data published by a State or federal agency generally recognized as having expertise concerning the data. In measuring population growth, the Secretary shall use the most recent estimates of population certified by the State Planning Officer. A designation as a severely distressed county is effective only for the calendar year following the designation.~~

(d) Planned Expansion. -- A ~~corporation that, during the year in which a county is designated as a severely distressed county,~~ taxpayer that signs a letter of commitment with the Department of Commerce to create at least twenty new full-time jobs in ~~that distressed county~~ a specific area within two years of the date the letter is signed qualifies for the credit in the amount allowed by this section based on the area's enterprise tier for that year even though the employees are not hired that year. The credit shall be available in the ~~income~~ taxable year after at least twenty employees have been hired if ~~such~~ the hirings are within the two-year commitment period. The conditions outlined in subsection (a) apply to a credit taken under this subsection except that if the ~~county is no longer designated a severely distressed county~~ area is redesignated to a higher-numbered enterprise tier after the year the letter of commitment was signed, the credit is ~~still available.~~ allowed based on the area's enterprise tier for the year the letter was signed. If the ~~corporation~~ taxpayer does not hire the employees within the two-year period, the ~~corporation~~ taxpayer does not qualify for the credit. However, if the ~~corporation~~ taxpayer qualifies for a credit under subsection (a) in the year any new employees are hired, ~~it~~ the taxpayer may take the credit under that subsection.

~~(e) Limitations. -- The sale, merger, acquisition, or bankruptcy of a business, or any other transaction by which an existing business reformulates itself as another business, does not create new eligibility in a succeeding business with respect to jobs for which the predecessor was not eligible under this section. A successor~~

~~corporation may, however, take any installment of or carried over portion of a credit that its predecessor could have taken if it had taxable income.~~

~~Jobs transferred from one county in the State to another county in the State shall not be considered new jobs for purposes of this section. A credit taken under this section may not exceed fifty percent (50%) of the tax imposed by this Division for the taxable year, reduced by the sum of all other credits allowed under this Division, except tax payments made by or on behalf of the corporation. Any unused portion of the credit may be carried forward for the succeeding five years.~~

~~(f) Substantiation. -- Every corporation claiming the credit provided in subsection (a) shall maintain and make available for inspection by the Secretary of Revenue or his agent such records as may be necessary to determine and verify the amount of the credit to which it is entitled. The burden of proving eligibility for the credit and the amount of the credit shall rest upon the corporation, and no credit shall be allowed to a corporation that fails to maintain adequate records or to make them available for inspection.~~

"§ 105-129.9. Credit for investing in machinery and equipment.

(a) Credit. -- A taxpayer that has purchased machinery and equipment and places it in service in this State during the taxable year is allowed a credit equal to seven percent (7%) of the excess of the eligible investment amount over the applicable threshold. The credit may not be taken for the taxable year in which the equipment is placed in service but shall be taken in equal installments over the seven years following the taxable year in which the equipment is placed in service.

(b) Eligible Investment Amount. -- The eligible investment amount is the lesser of (i) the cost of the machinery and equipment and (ii) the amount by which the cost of all of the taxpayer's machinery and equipment that is in service in this State on the last day of the taxable year exceeds the cost of all of the taxpayer's machinery and equipment that was in service in this State on the last day of the base year. The base year is that year, of the three immediately preceding taxable years, in which the taxpayer had the most machinery and equipment in service in this State.

(c) Threshold. -- The applicable threshold is the appropriate amount set out in the following table based on the enterprise tier of the area where the machinery and equipment are placed in service during the taxable year. If the taxpayer places machinery and equipment in service in more than one area during the taxable year, the threshold applies separately to the machinery and equipment placed in service in each area.

Area Enterprise Tier	Threshold
Tier One	$ -0-
Tier Two	100,000
Tier Three	200,000
Tier Four	500,000
Tier Five	1,000,000

(d) Expiration. -- If, in one of the seven years in which the installment of a credit accrues, the machinery and equipment with respect to which the credit was claimed are sold or moved out of State, the credit expires and the taxpayer may not take any remaining installment of the credit. The taxpayer may, however, take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.5.

If, in one of the seven years in which the installment of a credit accrues, the machinery and equipment with respect to which the credit was claimed are moved to an area in a higher-numbered enterprise tier, the remaining installments of the credit are allowed only to the extent they would have been allowed if the machinery and equipment had been placed in service initially in the area to which they were moved.

"§ 105-129.10. Credit for research and development.

A taxpayer that claims for the taxable year a federal income tax credit under section 41 of the Code for increasing research activities is allowed a credit equal to five percent (5%) of the State's apportioned share of the taxpayer's expenditures for increasing research activities. The State's apportioned share of a taxpayer's expenditures for increasing research activities is the excess of the taxpayer's qualified research expenses for the taxable year over the base amount, as determined under section 41 of the Code, multiplied by a percentage equal to the ratio of the taxpayer's qualified research expenses in this State for the taxable year to the taxpayer's total qualified research expenses for the taxable year. As used in this section, the terms 'qualified research expenses' and 'base amount' have the meaning provided in section 41 of the Code.

"§ 105-129.11. Credit for worker training.

(a) Credit. -- A taxpayer that provides worker training for five or more of its eligible employees during the taxable year is allowed a credit equal to fifty percent (50%) of its eligible expenditures for the training. For positions located in an enterprise tier one area, the credit may not exceed one thousand dollars ($1,000) per employee trained during the taxable year. For other positions, the credit may not exceed five hundred dollars ($500.00) per employee trained during the taxable year. A position is located in an area if more than fifty percent (50%) of the employee's duties are performed in the area.

(b) Eligibility. -- The eligibility of a taxpayer's expenditures and employees is determined as provided in G.S. 105-129.4."

Sec. 3.4. G.S. 105-151.17 is recodified as G.S. 105-129.8. G.S. 105-129.8, as rewritten by this act, incorporates both G.S. 105-130.40 and G.S. 105-151.17.

Sec. 3.5. G.S. 143B-437A reads as rewritten:

"§ 143B-437A. Industrial Development Fund.

(a) Creation and Purpose of Fund. -- There is created in the Department of Commerce the Industrial Development Fund to provide funds to assist the local government units of the most economically ~~depressed~~ distressed counties in the State in creating jobs in ~~qualified~~ certain industries. ~~As used in this section, the term 'qualified industry' means the manufacturing of goods or the processing of foods, raw materials, chemicals and process agents, goods in process, or finished products.~~ The Department of Commerce shall adopt rules providing for the administration of the program. Those rules shall include the ~~following.~~ following provisions, which shall apply to each grant from the fund:

(1) The funds shall be used for (i) installation of or purchases of equipment for ~~qualified industries,~~ manufacturing or processing, (ii) structural repairs, improvements, or renovations of existing buildings to be used for expansion of ~~qualified industries,~~ manufacturing or processing, or (iii) construction of or improvements to new or existing water, sewer, gas, or electrical utility distribution lines or equipment for existing or new or proposed industrial buildings to be used for ~~qualified industrial operations, or (iv) in the case of counties designated as severely distressed counties under G.S. 105-130.40(e) or G.S. 105-151.17(e) or units of local government within those counties, construction of or improvement to new or existing water, sewer, gas, or electrical utility distribution lines or equipment to serve new or proposed industrial buildings to be used for qualified industrial operations.~~ manufacturing or processing operations. To be eligible for funding, the water, sewer, gas, or electrical utility lines or facilities shall be located on the site of the building or, if not located on the

site, shall be directly related to the operation of the specific ~~qualified industrial~~ manufacturing or processing activity.

(1a) The funds shall be used for projects located in economically distressed counties except that ~~However,~~ the Secretary of Commerce may use up to one hundred thousand dollars ($100,000) to provide emergency economic development assistance in any county ~~which~~ that is documented to be experiencing a major economic dislocation.

(2) The funds shall be used by the city and county governments for projects that will directly result in the creation of new jobs. The funds shall be expended at a rate of ~~two thousand four hundred dollars ($2,400)~~ four thousand dollars ($4,000) per new job created up to a maximum of ~~two hundred fifty thousand dollars ($250,000)~~ four hundred thousand dollars ($400,000) per project.

(3) There shall be no local match requirement if the project is located in an enterprise tier one area as defined in G.S. 105-129.3.

(a1) Definitions. -- The following definitions apply in this section:

(1) Economically distressed county. -- A county designated as an enterprise tier one, two, or three area pursuant to G.S. 105-129.3.

(2) Major economic dislocation. -- The actual or imminent loss of 500 or more manufacturing jobs in the county or of a number of manufacturing jobs equal to at least ten percent (10%) of the existing manufacturing workforce in the county.

(3) Manufacturing and processing. -- Defined in the Standard Industrial Classification Manual issued by the United States Bureau of the Census.

~~(b) Each year, on or before December 31, the Secretary of Commerce shall designate the most economically distressed counties in the State; this designation shall remain effective for the following calendar year. The Secretary of Commerce shall determine which counties are the most economically distressed counties in the State based on (i) rate of unemployment, (ii) per capita income, and (iii) relative population and work force growth or lack of growth, as determined by the Secretary of Commerce.~~

(b1) Utility Account. -- There is created within the Industrial Development Fund a special account to be known as the Utility Account to provide funds to assist the local government units of enterprise tier one areas, as defined in G.S. 105-129.3, in creating jobs in manufacturing and processing, warehousing and distribution, and data processing, as defined in the Standard Industrial Classification Manual issued by the United States Bureau of the Census. The Department of Commerce shall adopt rules providing for the administration of the program. Except as otherwise provided in this subsection, those rules shall be consistent with the rules adopted with respect to the Industrial Development Fund. The rules shall provide that the funds in the Utility Account may be used only for construction of or improvements to new or existing water, sewer, gas, or electrical utility distribution lines or equipment for existing or new or proposed industrial buildings to be used for industrial operations in manufacturing or processing, warehousing or distribution, or data processing. To be eligible for funding, the water, sewer, gas, or electrical utility lines or facilities shall be located on the site of the building or, if not located on the site, shall be directly related to the operation of the specific industrial activity. There shall be no maximum funding amount per new job to be created or per project.

(c) Reports. -- The Department of Commerce shall report annually to the General Assembly concerning the applications made to the fund and the payments made from the fund and the impact of the payments on job creation in the State. The

Department of Commerce shall also report quarterly to the Joint Legislative Commission on Governmental Operations and the Fiscal Research Division on the use of the moneys in the fund, including information regarding to whom payments were made, in what amounts, and for what purposes.

~~(d) As used in this section, 'major economic dislocation' means the actual or imminent loss of:~~

~~(1) 500 or more manufacturing jobs in the county; or~~

~~(2) A number of manufacturing jobs which is equal to or more than ten percent (10%) of the existing manufacturing workforce in the county.~~"

Sec. 3.6. Part 2 of Article 10 of Chapter 143B of the General Statutes is amended by adding a new section to read:

"**§ 143B-437D. Economic development block grants.**

The Department of Commerce shall adopt guidelines for the awarding of Community Development Block Grants for economic development that will ensure that no local match is required for grants awarded for projects located in enterprise tier one areas as defined in G.S. 105-129.3 and, to the extent practicable, that priority consideration for grants is given to projects located in enterprise tier one areas as defined in G.S. 105-129.3."

Sec. 3.7. G.S. 105-241.1(e), as amended by Chapter 646 of the 1995 Session Laws, reads as rewritten:

"(e) Statute of Limitations. -- There is no statute of limitations and the Secretary may propose an assessment of tax due from a taxpayer at any time if (i) the taxpayer did not file a proper application for a license or did not file a return, (ii) the taxpayer filed a false or fraudulent application or return, or (iii) the taxpayer attempted in any manner to fraudulently evade or defeat the tax.

If a taxpayer files a return reflecting a federal determination as provided in G.S. 105-29, 105-130.20, 105-159, 105-160.8, 105-163.6A, or 105-197.1, the Secretary must propose an assessment of any tax due within one year after the return is filed or within three years of when the original return was filed or due to be filed, whichever is later. If there is a federal determination and the taxpayer does not file the required return, the Secretary must propose an assessment of any tax due within three years after the date the Secretary received the final report of the federal determination. If a taxpayer forfeits a tax credit pursuant to G.S. ~~105-163.014,~~ 105-163.014 or Article 3A of this Chapter, the Secretary must assess any tax due as a result of the forfeiture within three years after the date of the forfeiture. If a taxpayer elects under section 1033(a)(2)(A) of the Code not to recognize gain from involuntary conversion of property into money, the Secretary must assess any tax due as a result of the conversion or election within the applicable period provided under section 1033(a)(2)(C) or section 1033(a)(2)(D) of the Code. If a taxpayer sells at a gain the taxpayer's principal residence, the Secretary must assess any tax due as a result of the sale within the period provided under section 1034(j) of the Code.

In all other cases, the Secretary must propose an assessment of any tax due from a taxpayer within three years after the date the taxpayer filed an application for a license or a return or the date the application or return was required by law to be filed, whichever is later.

If the Secretary proposes an assessment of tax within the time provided in this section, the final assessment of the tax is timely.

A taxpayer may make a written waiver of any of the limitations of time set out in this subsection, for either a definite or an indefinite time. If the Secretary accepts the taxpayer's waiver, the Secretary may propose an assessment at any time within the time extended by the waiver."

Sec. 3.8. G.S. 153A-376(f) reads as rewritten:

"(f) All program income from Economic Development Grants from the Small Cities Community Development Block Grant Program may be retained by recipient ~~'severely~~ 'economically distressed counties', as ~~designated under G.S. 105-130.40(e),~~ defined in G.S. 143B-437A for the purposes of creating local economic development revolving loan funds. Such program income derived through the use by counties of Small Cities Community Development Block Grant money includes but is not limited to: (i) payment of principal and interest on loans made by the county using Community Development Block Grant Funds; (ii) proceeds from the lease or disposition of real property acquired with Community Development Block Grant Funds; and (iii) any late fees associated with loan or lease payments in (i) and (ii) above. The local economic development revolving loan fund set up by the county shall fund only those activities eligible under Title I of the federal Housing and Community Development Act of 1974, as amended (P.L. 93-383), and shall meet at least one of the three national objectives of the Housing and Community Development Act. Any expiration of G.S. ~~105-130.40(e)~~ 143B-437A or G.S. 105-129.3 shall not affect this subsection as to designations of ~~severely~~ economically distressed counties made prior to its expiration."

Sec. 3.9. G.S. 160A-456(e1) reads as rewritten:

"(e1) All program income from Economic Development Grants from the Small Cities Community Development Block Grant Program may be retained by recipient cities in ~~'severely~~ 'economically distressed counties', as ~~designated under G.S. 105-130.40(e),~~ defined in G.S. 143B-437A, for the purposes of creating local economic development revolving loan funds. Such program income derived through the use by cities of Small Cities Community Development Block Grant money includes but is not limited to: (i) payment of principal and interest on loans made by the county using Community Development Block Grant Funds; (ii) proceeds from the lease or disposition of real property acquired with Community Development Block Grant Funds; and (iii) any late fees associated with loan or lease payments in (i) and (ii) above. The local economic development revolving loan fund set up by the city shall fund only those activities eligible under Title I of the federal Housing and Community Development Act of 1974, as amended (P.L. 93-383), and shall meet at least one of the three national objectives of the Housing and Community Development Act. Any expiration of G.S. ~~105-130.40(e)~~ 143B-437A or G.S. 105-129.3 shall not affect this subsection as to designations of ~~severely~~ economically distressed counties made prior to its expiration."

Sec. 3.10. Part 2 of Article 10 of Chapter 143B of the General Statutes is amended by adding a new section to read:

"**§ 143B-437D. Regional development.**

The Department of Commerce shall review the Economic Development Board's annual report on economic development to evaluate the progress of development in each of the economic regions defined by the Board in its Comprehensive Strategic Economic Development Plan. In its recruitment and development work, the Department shall strive for balance and equality among the economic regions and shall use its best efforts to locate new industries in the less developed areas of the State."

Sec. 3.11. Notwithstanding the provisions of G.S. 105-129.10, as enacted by this act, if a taxpayer relocates an employee to this State during 1996, any in-house research expenses the taxpayer incurs with respect to that employee during 1996, either before or after the employee is relocated to this State, are considered in-house research expenses in this State for the purposes of G.S. 105-129.10. Notwithstanding the definition of "Code" in G.S. 105-228.90, if the federal tax credit for increasing research activities that was formerly allowed under section 41 of the Code is reenacted, the credit for research and development allowed in Article 3A of Chapter

105 of the General Statutes, as enacted by this act, becomes effective for the same taxable year for which the reenacted federal credit becomes effective.

Sec. 3.12. Chapter 105 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 3B.
"Business Tax Credit.

"§ 105-129.15. Definitions.

The following definitions apply in this Article:

(1) Business property. -- Tangible personal property that is used by the taxpayer in connection with a business or for the production of income and is capitalized by the taxpayer for tax purposes under the Code. The term does not include, however, a luxury passenger automobile taxable under section 4001 of the Code or a watercraft used principally for entertainment and pleasure outings for which no admission is charged.

(2) Cost. -- Defined in section 179 of the Code.

(3) Purchase. -- Defined in section 179 of the Code.

"§ 105-129.16. Credit for investing in business property.

(a) Credit. -- A taxpayer that has purchased business property and places it in service in this State during the taxable year is allowed a credit equal to four and one-half percent (4.5%) of the cost of the property. The maximum credit allowed a taxpayer for property placed in service during a taxable year is four thousand five hundred dollars ($4,500). The entire credit may not be taken for the taxable year in which the property is placed in service but must be taken in five equal installments beginning with the taxable year in which the property is placed in service.

(b) Expiration. -- If, in one of the five years in which the installment of a credit accrues, the business property with respect to which the credit was claimed is sold or moved out of State, the credit expires and the taxpayer may not take any remaining installment of the credit. The taxpayer may, however, take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.17.

(c) No Double Credit. -- A taxpayer that claims the credit allowed under Article 3A of this Chapter with respect to business property may not take the credit allowed in this section with respect to the same property.

"§ 105-129.17. Tax election; cap.

(a) Tax Election. -- The credit allowed in this Article is allowed against the franchise tax levied in Article 3 of this Chapter or the income taxes levied in Article 4 of this Chapter. The taxpayer must elect the tax against which the credit will be claimed when filing the return on which the first installment of the credit is claimed. This election is binding. Any carryforwards of the credit must be claimed against the same tax.

(b) Cap. -- The credit allowed in this Article may not exceed fifty percent (50%) of the tax against which it is claimed for the taxable year, reduced by the sum of all other credits allowed against that tax, except tax payments made by or on behalf of the taxpayer. This limitation applies to the cumulative amount of credit, including carryforwards, claimed by the taxpayer under this Article against each tax for the taxable year. Any unused portion of the credit may be carried forward for the succeeding five years.

"§ 105-129.18. Substantiation.

To claim the credit allowed by this Article, the taxpayer must provide any information required by the Secretary of Revenue. Every taxpayer claiming a credit under this Article must maintain and make available for inspection by the Secretary of Revenue any records the Secretary considers necessary to determine and verify the

amount of the credit to which the taxpayer is entitled. The burden of proving eligibility for the credit and the amount of the credit rests upon the taxpayer, and no credit may be allowed to a taxpayer that fails to maintain adequate records or to make them available for inspection.

"**§ 105-129.19. Reports.**

The Department of Revenue shall report to the Legislative Research Commission and to the Fiscal Research Division of the General Assembly by May 1 of each year the following information for the 12-month period ending the preceding April 1:

(1) The number of taxpayers that claimed the credit allowed in this Article.

(2) The cost of business property with respect to which credits were claimed.

(3) The total cost to the General Fund of the credits claimed."

PART IV. PHASE OUT SOFT DRINK TAX

Sec. 4.1. G.S. 105-113.45, as amended by Chapter 646 of the 1995 Session Laws, reads as rewritten:

"**§ 105-113.45. Excise taxes on soft drinks and base products.**

(a) Bottled Soft Drinks. -- An excise tax ~~of three-fourths cent (3/4¢)~~ at the applicable rate provided in the following table is levied on each bottled soft drink.

Date Tax Accrues	Rate
From 7/1/96 until 6/30/97	3/4¢
From 7/1/97 until 6/30/98	1/2¢
After 7/1/98	1/4¢

(b) Repealed by Session Laws 1991, c. 689, s. 276.

(c) Liquid Base Products. -- An excise tax at the ~~rate of seventy-five cents (75¢) a gallon~~ applicable per-gallon rate provided in the table below is levied on each individual container of a liquid base product. The tax applies regardless whether the liquid base product is diverted to and used for a purpose other than making a soft drink.

Date Tax Accrues	Rate
From 7/1/96 until 6/30/97	75¢
From 7/1/97 until 6/30/98	50¢
After 7/1/98	25¢

(d) Dry Base Products. -- An excise tax is levied on each individual container of a dry base product ~~at the rate:~~ at:

(1) ~~Of three-fourths cent (3/4¢) an ounce~~ The applicable per-ounce rate in the table below if the dry base product is not converted into a syrup or other liquid base product before it is used to make a soft drink.

Date Tax Accrues	Rate
From 7/1/96 until 6/30/97	3/4¢
From 7/1/97 until 6/30/98	1/2¢
After 7/1/98	1/4¢

(2) ~~That~~ The rate that would apply under subsection (c) to the resulting liquid base product if the dry base product is converted into a liquid base product before it is used to make a soft drink.

(e) Repealed by Session Laws 1991, c. 689, s. 276."

Sec. 4.2. Effective July 1, 1999, Article 2B of Chapter 105 of the General Statutes, as amended by this act, is repealed. The Secretary shall retain from collections under Article 2 of Chapter 105 of the General Statutes the cost of refunding the taxes levied in Article 2B of Chapter 105 of the General Statutes.

PART V. MODIFY BUNDLED TRANSACTION SALES TAX

Sec. 5.1. Article 5 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-164.12B. Bundled transactions.**

(a) Bundled Transaction Defined. -- A bundled transaction is a transaction in which all of the following conditions are met:

(1) A seller transfers an item of tangible personal property to a consumer on the condition that the consumer enter into an agreement to purchase services on an ongoing basis for a minimum period of at least six months.

(2) The agreement requires the consumer to pay a cancellation fee to the service provider if the consumer cancels the contract for services within the minimum period.

(3) For the item transferred, the seller:

a. Does not charge the consumer; or

b. Charges the consumer a price that, after any discount or rebate the seller gives the consumer, is below the cost price the seller paid for the item.

(b) Bundled Transaction Is a Sale; Sales Price. -- If a seller transfers an item of tangible personal property as part of a bundled transaction, a sale has occurred, and the sales price of the item is presumed to be the retail price at which the item would sell if no agreement for services were entered into. Part of this price may be paid by the consumer at the time of the transfer; the remainder of the price is considered paid as part of the price to be paid for the services contracted for. Sales tax is due on any part of the price paid by the consumer at the time of the transfer.

(c) No Additional Sales Tax if Services Taxed. -- If the services for which the consumer was required to contract are subject to services taxes at a combined rate equal to or greater than the combined State and local general rate of sales and use tax, then no additional sales tax is due on the transfer. However, if the consumer cancels the contract for services before the expiration of the minimum period, sales tax applies to the cancellation fee paid by the consumer.

(d) Additional Sales Tax if Services Not Taxed. -- If the services for which the consumer was required to contract are not subject to services taxes at a combined rate equal to or greater than the combined State and local general rate of sales and use tax, then sales tax is due at the time of the transfer on the remainder of the sales price not paid at that time.

(e) Services Taxes Defined. -- For the purpose of this section, the term 'services taxes' means any combination of State franchise tax on gross receipts, State sales tax, or local sales tax levied on the sale of or gross receipts from the services.

(f) Determination of Cost Price. -- For the purpose of this section, the cost price a seller paid for an item is presumed to be no greater than the price the seller paid for the same model within 12 months before the bundled transaction, as shown on the seller's invoices."

PART VI. REDUCE INHERITANCE AND GIFT TAXES

Sec. 6.1. G.S. 105-4(b) reads as rewritten:

"(b) An inheritance tax credit ~~in the amount specified in the following table~~ of thirty-three thousand one hundred fifty dollars ($33,150) is allowed against the tax imposed by this Article on the transfer of property to a Class A beneficiary.

~~For Decedents Dying on or After~~	~~Amount of Credit~~
~~August 1, 1985~~	~~$ 2,350~~
~~July 1, 1986~~	~~8,150~~
~~January 1, 1987~~	~~14,150~~

~~January 1, 1988~~ ~~20,150~~
~~January 1, 1989~~ ~~26,150~~

The credit may not exceed the amount of tax imposed by this Article.

This credit is allowed to Class A beneficiaries in the following order:

(1) Children who are less than 18 years old, and children who are at least 18 years old and who are single, are unable to support themselves because of mental or physical incapacity, and either are members of the decedent's household or, because of their mental or physical incapacity, live in an institution.

(2) Other Class A Beneficiaries. -- The status of a beneficiary is determined as of the date of the decedent's death. When two or more beneficiaries are equally entitled to the credit, the credit shall be allocated among those beneficiaries on a pro rata basis according to their tax liability. ~~The credit allowed by this section may not exceed the amount of tax imposed by this Article.~~"

Sec. 6.2. G.S. 105-3 is amended by adding a new subdivision to read:

"(11) Property transferred to a spouse when the transfer of the property is exempt from federal estate and gift taxes under section 2056(b)(7) of the Code because it is considered qualified terminable interest property."

Sec. 6.3. G.S. 105-188 is amended by adding a new subsection to read:

"(j) The tax does not apply to property transferred to a spouse when the transfer of the property is exempt from federal estate and gift taxes under section 2523(f) of the Code because it is considered qualified terminable interest property."

Sec. 6.4. G.S. 105-2(a) reads as rewritten:

"(a) A tax shall be and is hereby imposed upon the transfer of any property, real or personal, or of any interest therein or income therefrom, in trust or otherwise, to persons or corporations, in the following cases:

(1) When the transfer is from a person who dies seized of the property while a resident of the State and it is made:
   a. By will or by intestacy;
   b. Pursuant to a final judgment entered in a proceeding to caveat a will; or
   c. Pursuant to a settlement agreement, to which the personal representative is a party, that, in the determination of the Secretary of Revenue in his sole discretion based on evidence presented by the personal representative, reflects the good faith, arm's-length compromise of an actual dispute between beneficiaries, heirs, or personal representatives and does not have the primary purpose of avoiding inheritance tax.

(2) When the transfer is by will or intestate laws of this or any other state of real property or goods, wares, and merchandise within this State, or of any property, real, personal, or mixed, tangible or intangible, over which the State of North Carolina has a taxing jurisdiction, including State and municipal bonds, and the decedent was a resident of the State at the time of death; when the transfer is of real property or tangible personal property within the State, or intangible personal property that has acquired a situs in this State, and the decedent was a nonresident of the State at the time of death.

(3) When the transfer of property made by a resident, or nonresident, is of real property within this State, or of goods, wares and

merchandise within this State, or of any other property, real, personal, or mixed, tangible or intangible, over which the State of North Carolina has taxing jurisdiction, including State and municipal bonds, by deed, grant, bargain, sale, or gift made in contemplation of the death of the grantor, vendor, or donor, or intended to take effect in possession or enjoyment at or after such death, including a transfer under which the transferor has retained for his life or any period not ending before his death (i) the possession or enjoyment of, or the income from, the property or (ii) the right to designate the persons who shall possess or enjoy the property or the income therefrom. The aggregate value exceeding ten thousand dollars ($10,000) of transfers to any one donee within a tax year by deed, grant, bargain, sale, gift, or combination thereof, made within three years prior to the death of the grantor, vendor, or donor, without an adequate valuable consideration, shall be presumed, subject to rebuttal, to have been made in contemplation of death within the meaning of this section; the first ten thousand dollars ($10,000) in value shall be deemed not made in contemplation of death.

(4) When any person or corporation comes into possession or enjoyment, by a transfer from a resident, or from a nonresident decedent when such nonresident decedent's property consists of real property within this State or tangible personal property within the State, or intangible personal property that has acquired a situs in this State, of an estate in expectancy of any kind or character which is contingent or defeasible, transferred by any instrument taking effect after March 24, 1939.

(5) a. For purposes of this Article, the term 'general power of appointment' means a power which is exercisable in favor of the decedent, his estate, his creditors, or the creditors of his estate; except that:

1. A power to consume, invade or appropriate property for the benefit of the decedent which is limited by an ascertainable standard relating to the health, education, support or maintenance of the decedent shall not be deemed a general power of appointment.
2. A power of appointment which is exercisable by the decedent only in conjunction with another person:
   I. If the power is not exercisable by the decedent except in conjunction with the creator of the power, such power shall not be deemed a general power of appointment.
   II. If the power is not exercisable by the decedent except in conjunction with a person having a substantial interest in the property, subject to the power, which is adverse to exercise of the power in favor of the decedent, such power shall not be deemed a general power of appointment. For the purposes of this clause a person who, after the death of the decedent, may be possessed of a power of appointment (with respect to the property subject to the decedent's power) which he may exercise in

his own favor shall be deemed as having an interest in the property and such interest shall be deemed adverse to such exercise of the decedent's power.

III. If (after the application of clauses I and II) the power is a general power of appointment and is exercisable in favor of such other person, such power shall be deemed a general power of appointment only in respect of a fractional part of the property subject to such power, such part to be determined by dividing the value of such property by the number of such persons (including the decedent) in favor of whom such power is exercisable.

IV. For purposes of clauses II and III, a power shall be deemed to be exercisable in favor of a person if it is exercisable in favor of such person, his estate, his creditors, or the creditors of his estate.

b. Whenever any person shall have a general power of appointment with respect to any interest in property, such person shall, for the purposes of this Article, be deemed the owner of such interest and accordingly:

1. If in connection with any transfer of property taxable under this Article the transferor shall give to any person a general power of appointment with respect to any interest in such property, the transferor shall be deemed to have given such interest in such property to such person.

2. If any person holding a general power of appointment with respect to any interest in property shall exercise such power in favor of any other person or persons, either by will or by an appointment made in contemplation of the death of such person, or by an appointment intended to take effect in possession or enjoyment at or after such death, he shall be deemed to have made a transfer of such interest to such person or persons.

3. If any person holding a general power of appointment with respect to any interest in property shall relinquish such power by any action taken in contemplation of death or intended to take effect at or after his death, or shall die without fully exercising such power, he shall be deemed, to the extent of such relinquishment or nonexercise, to have made a transfer of such interest to the person or persons who shall benefit thereby.

(6) Neither the exercise nor the relinquishment of a special power of appointment (which shall mean any power other than a general power) with respect to an interest in property shall be deemed to constitute a transfer of such interest within the meaning of this Article. If in connection with any transfer taxable under this Article the transferor shall give to any person a special power of

appointment with respect to any interest in property, he shall be deemed, for the purpose of computing the tax applicable thereto, to have given such interest in equal shares to those persons, not more than two, among the possible appointees and takers in default of appointment whom the transferor's executor or administrator may designate as transferees in the inheritance tax return, except that:

a. If a gift tax return is filed with respect to such transfer, the persons designated therein shall also be designated in the inheritance tax return, and

b. The tax shall be computed according to the relationship of the donee of the power to the persons designated if the possible appointees and takers in default of appointment include any persons more closely related to the donee of the power than to the donor, and if such computation would produce a higher tax.

(7), (7a) Repealed by Session Laws, 1985, c. 656, s. 1.

(8) Where the proceeds of life insurance policies are payable as provided in G.S. 105-13.

(9) Whenever any person or corporation comes into possession or enjoyment of any real or personal property, including bonds of the United States and bonds of a state or subdivision or agency thereof, at or after the death of an individual and by reason of said individual's having entered into a contract or other arrangement with the United States, a state or any person or corporation to pay, transfer or deliver said real or personal property, including bonds of the United States and bonds of a state, to the person or corporation receiving the same, whether said person or corporation is named in the contract or other arrangement or not: Provided, that no tax shall be due or collected on that portion of the real or personal property received under the conditions outlined herein which the person or corporation receiving the same purchased or otherwise acquired by funds or property of the person or corporation receiving the same, or had acquired by a completed inter vivos gift.

Nothing in subdivision (9) shall apply to the proceeds of life insurance policies.

(10) Upon the death of a spouse who had a qualifying income interest for life in qualified terminable interest property whose previous transfer was exempt from inheritance or gift taxes under G.S. 105-3(11) or G.S. 105-188(j), the qualified terminable interest property that was previously exempt is considered to pass from the spouse to the person who is entitled to the property upon the termination of the spouse's qualifying income interest for life.

However, nothing in this Article shall be construed as imposing a tax upon any transfer of intangibles not having a commercial or business situs in this State, by a person, or by reason of the death of a person, who was not a resident of this State at the time of his death, and, if held or transferred in trust, such intangibles shall not be deemed to have a commercial or business situs in this State merely because the trustee is a resident or, if a corporation, is doing business in this State, unless the same be employed in or held or used in connection with some business carried on in whole or in part in this State."

Sec. 6.5. G.S. 105-9(8) reads as rewritten:

"(8) Costs of ~~administration, including~~ administration not claimed as a deduction on the federal income tax return filed under the Code by the fiduciary for the decedent's estate. Costs of administration include reasonable attorneys' fees."

Sec. 6.6. Article 1 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-23.1. Making installment payments of tax due when federal estate tax is payable in installments.**

A personal representative who elects under section 6166 of the Code to make installment payments of federal estate tax may elect to make installment payments of the tax imposed by this Article. An election under this section extends the time for payment of the tax due in accordance with the extension elected under section 6166 of the Code. Payments of tax are due under this section at the same time and in the same proportion to the total amount of tax due as payments of federal tax under section 6166 of the Code. Acceleration of payments under section 6166 of the Code accelerates the payments due under this section."

PART VII. NONITEMIZER CHARITABLE CONTRIBUTION TAX CREDIT

Sec. 7.1. Division II of Article 4 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-151.26. Credit for charitable contributions by nonitemizers.**

A taxpayer who elects the standard deduction under section 63 of the Code for federal tax purposes is allowed as a credit against the tax imposed by this Division an amount equal to two and three-fourths percent (2.75%) of the taxpayer's excess charitable contributions. The taxpayer's excess charitable contributions are the amount by which the taxpayer's charitable contributions for the taxable year that would have been deductible under section 170 of the Code if the taxpayer had not elected the standard deduction exceed two percent (2%) of the taxpayer's adjusted gross income as calculated under the Code.

No credit shall be allowed under this section for amounts deducted from gross income in calculating taxable income under the Code or for contributions for which a credit was claimed under G.S. 105-151.12 or G.S. 105-151.14. A nonresident or part-year resident who claims the credit allowed by this section shall reduce the amount of the credit by multiplying it by the fraction calculated under G.S. 105-134.5(b) or (c), as appropriate. The credit allowed under this section may not exceed the amount of tax imposed by this Division for the taxable year reduced by the sum of all credits allowed, except payments of tax made by or on behalf of the taxpayer."

PART VIII. EXCLUDE CERTAIN SEVERANCE PAY FROM INCOME TAX

Sec. 8.1. G.S. 105-134.6(b) is amended by adding a new subdivision to read:

"(11) The amount paid to the taxpayer as severance wages as the result of the permanent closure of a manufacturing or processing plant, not to exceed a maximum of thirty-five thousand dollars ($35,000) for the taxable year."

Sec. 8.2. G.S. 105-134.1 is amended by adding a new subdivision to read:

"(15a) Manufacturing and processing. -- Defined in the Standard Industrial Classification Manual issued by the United States Bureau of the Census."

PART IX. REDUCE SALES TAX ON FARM AND INDUSTRY FUEL

Sec. 9.1. G.S. 105-164.4(a) is amended by adding a new subdivision to read:

"(1f) The rate of two and eighty-three-hundredths percent (2.83%) applies to the sales price of electricity and piped natural gas described in this subdivision and measured by a separate meter or another device:

a. Sales of electricity and piped natural gas to farmers to be used by them for any farm purposes other than preparing food, heating dwellings, and other household purposes. The quantity of electricity or gas purchased or used at any one time shall not be a determinative factor as to whether its sale or use is or is not subject to the rate of tax provided in this subdivision.

b. Sales of electricity and piped natural gas to manufacturing industries and manufacturing plants for use in connection with the operation of the industries and plants other than sales of electricity and gas to be used for residential heating purposes. The quantity of electricity or gas purchased or used at any one time shall not be a determinative factor as to whether its sale or use is or is not subject to the rate of tax provided in this subdivision.

c. Sales of electricity and piped natural gas to commercial laundries or to pressing and dry-cleaning establishments for use in machinery used in the direct performance of the laundering or the pressing and cleaning service."

Sec. 9.2. G.S. 105-164.4(a)(4a) reads as rewritten:

"(4a) The rate of three percent (3%) applies to the gross receipts derived by a utility from sales of electricity, piped natural gas, or local telecommunications service as defined by G.S. ~~105-120(e).~~ 105-120(e), other than sales of electricity or piped natural gas subject to tax under another subdivision in this section. Gross receipts from sales of piped natural gas shall not include natural gas expansion surcharges imposed under G.S. 62-158. A person who operates a utility is considered a retailer under this Article."

PART X. EFFECTIVE DATES

Sec. 10.1. This act does not affect the rights or liabilities of the State, a taxpayer, or another person arising under a statute amended or repealed by this act before its amendment or repeal; nor does it affect the right to any refund or credit of a tax that would otherwise have been available under the amended or repealed statute before its amendment or repeal.

Sec. 10.2. This act becomes effective as follows:

(1) Reduce sales tax on food. -- Part I of this act becomes effective January 1, 1997, and applies to sales made on or after that date.

(2) Reduce corporate income tax. -- Section 2.1 of Part II of this act is effective for taxable years beginning on or after January 1, 1997. Section 2.2 of Part II of this act becomes effective October 1, 1997, and applies to remittances made on or after that date.

(3) Quality jobs and business expansion tax credits. -- Sections 3.5, 3.6, and 3.8 through 3.10 of Part III of this act become effective August 1, 1996. G.S. 105-129.11, as enacted by Part III of this act, becomes effective for taxable years beginning on or after January 1, 1997, and applies to training expenditures made on or after July 1, 1997. The remainder of Part III of this act is effective for taxable years beginning on or after January 1, 1996, and applies to jobs created on or after August 1, 1996, and property placed in service on or after August 1, 1996. Article 3A of Chapter 105 of the General Statutes is repealed effective for applications for credits filed under G.S. 105-129.6 on or after January 1, 2002. Article 3B of Chapter 105 of the General Statutes is repealed effective for business property placed in service on or after January 1, 2002.

(4) Phase out soft drink tax. -- Section 4.1 of Part IV of this act becomes effective July 1, 1997. Section 4.2 of Part IV of this act becomes effective July 1, 1999.

(5) Modify bundled transaction sales tax. -- Part V of this act becomes effective on the earliest date practicable. The "earliest date practicable" is considered to be the first day of the third month following the ratification of this act. The Part applies to sales made on or after the effective date.

(6) Reduce inheritance and gift taxes. -- Part VI of this act becomes effective January 1, 1997, and applies to the estates of decedents dying on or after that date and to gifts made on or after that date.

(7) Nonitemizer charitable contribution tax credit. -- Part VII of this act is effective for taxable years beginning on or after January 1, 1997.

(8) Exclude certain severance pay from income tax. -- Part VIII of this act is effective for taxable years beginning on or after January 1, 1996.

(9) Reduce sales tax on farm and industry fuel. -- Part IX of this act becomes effective August 1, 1996, and applies to sales made on or after that date.

(10) Remainder. -- The remainder of this act is effective upon ratification.

In the General Assembly read three times and ratified this the 2nd day of August, 1996.

A BILL TO BE ENTITLED

AN ACT TO AMEND THE LAW GOVERNING PROPERTY TRANSFERS BETWEEN COMMUNITY COLLEGE BOARDS OF TRUSTEES AND COUNTIES FOR COMMUNITY COLLEGE PURPOSES.

The General Assembly of North Carolina enacts:

Section 1. Article 8 of Chapter 153A of the General Statutes is amended by adding a new section to read:

"**§ 153A-158.2. Acquisition and improvement of community college property.**

(a) Acquisition. -- A county may acquire, by any lawful method, any interest in real or personal property for use by a community college within the county. In exercising the power of eminent domain for real property, a county shall use the procedures of Chapter 40A of the General Statutes.

(b) Construction; Disposition. -- A county may construct, equip, expand, improve, renovate, repair, or otherwise make available property for use by a community college within the county and may lease, sell, or otherwise dispose of property for use by a community college within the county for any price and on any terms negotiated by the board of county commissioners and the board of trustees of the community college.

(c) Public Hearing. -- A county may use its authority under this section to acquire an interest in real or personal property for use by a community college within the county only upon request of the board of trustees of the community college for which property is to be made available. The board of county commissioners shall hold a

public hearing prior to final action. A notice of the public hearing shall be published at least once at least 10 days before the date fixed for the hearing."

Section 2. Article 2 of Chapter 115D of the General Statutes is amended by adding a new section to read:

"**§ 115D-15.1. Disposition, acquisition, and construction of property by community college.**

(a) Disposition. -- Notwithstanding the provisions of G.S. 115D-14, 115D-15, and 160A-274, the board of trustees of a community college may, in connection with additions, improvements, renovations, or repairs to all or part of its property, lease, sell, or otherwise dispose of any of its property to the county in which the property is located for any price and on any terms negotiated between the board of trustees of the community college and the board of county commissioners.

(b) Transfer. -- An agreement under subsection (a) of this section shall require the county to transfer the property back to the board of trustees of the community college when any financing agreement entered into by the county to finance the additions, improvements, renovations, and repairs has been satisfied. If the county did not enter into a financing agreement, the agreement under subsection (a) of this section shall require the county to transfer the property back to the board of trustees of the community college upon the completion of the additions, improvements, renovations, and repairs.

(c) Acquisition and Construction. -- Notwithstanding the provisions of G.S. 115D-14 and G.S. 115D-20(3), the board of trustees of a community college may acquire, by any lawful method, any interest in real or personal property from the county in which the community college is located for use by the board of trustees and may contract for the construction, equipping, expansion, improvement, renovation, repair, or otherwise making available for use by the board of trustees of the community college of all or part of the property upon any terms negotiated between the board of trustees of the community college and the board of county commissioners.

(d) Approval. -- The actions of a board of trustees of a community college taken pursuant to this section are subject to the approval of the State Board of Community Colleges.

(e) Contract Responsibility. -- A county's obligations under a financing contract entered into by the county to finance improvements to real or personal property pursuant to this section shall be the responsibility of the county and not the responsibility of the board of trustees of the community college."

Section 3. The following laws are repealed:

(1) Chapter 613 of the 1993 Session Laws

(2) Section 3 of Chapter 154 of the 1995 Session Laws

(3) Sections 1, 2, 3, and 4 of Chapter 399 of the 1995 Session Laws

(4) Chapter 706 of the 1995 Session Laws

(5) Chapter 42 of the 1997 Session Laws.

Section 4. Section 3 of this act becomes effective January 1, 2000, and shall not be construed to alter any agreements entered into before that date. The

remainder of this act is effective when it becomes law and applies to agreements entered into on or after that date.

HOUSE BILL 239:
Community College Transfers/AB

BILL ANALYSIS

Committee:	Senate Finance Committee	**Introduced by:**	Representative Haire
Date:	May 10, 1999	**Summary by:**	Cindy Avrette and Martha K. Walston, Staff Attorneys
Version:	2nd Edition		

SUMMARY: ***House Bill 239 makes several changes to the law in order to facilitate installment financings entered into by counties to make improvements to community college property. Gaston, Greene, Halifax, Harnett, Montgomery, Nash, Sampson, and Wilson Counties currently have this authority through local acts passed by the General Assembly since 1993. Seventy-five counties also have similar authority for public school construction and renovation. The bill received a favorable report from the Ways and Means Committee on April 1, 1999, received a favorable report in House Finance on April 13, and passed the House on April 20.***

BILL ANALYSIS: The bill makes the following changes concerning the acquisition and financing of community college facilities:

1. It authorizes counties to acquire real or personal property for use by a community college within the county when requested to do so by the board of trustees for the college and after a public hearing is held on the issue. Under general law, a county is authorized to acquire real or personal property only on behalf of the county or an agency of the county and a community college is not an agency of the county. (G.S. §160A-274)
2. It authorizes the community colleges' boards of trustees to contract with the county for the erection, improvement, renovation, or repair of buildings located on property owned by the county. Under general law, local boards of trustees of community colleges are required to hold title to all community college property that was donated to the college or acquired with tax revenue and therefore have no authority to make contracts concerning the construction or repair of buildings located on sites not owned by them. (G.S. §115D-14)
3. It authorizes the community college's board of trustees to transfer to the county property on which a community college building in need of renovation or repair is located for any price agreed to by the board of trustees and the county. Under general law, a board of trustees may not transfer property unless it is undesirable or unnecessary for the purposes of the community college. (G.S. §115D-15)

The effect of these changes is twofold:

- To allow certain installment financing to be used for community college construction or renovation.
- To allow a sales tax refund to counties on materials and supplies. Community colleges are not entitled to a refund of sales and use taxes paid.

The installment financing that can be used is an installment contract secured by a security interest in t building constructed or renovated. This type of financing is available to counties but is not generall available to community colleges. One type of installment financing is the issuance of certificates of participation. A certificate of participation is a document setting out the share of a local unit's debt that is owed to that person. In practice, the holder of the certificate receives interest and principal payments in a manner similar to interest and principal payments on a bond issued by the borrowing unit. Unlike the issuance of a bond, however, the issuance of a certificate of participation is not subject to a vote of the people.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Community Colleges, County Governments, and the Department of Revenue, Sales Tax Division.

EFFECTIVE DATE: Section 3 of this act becomes effective January 1, 2000, and shall not be construed to alter any agreements entered into before that date. The remainder of this act is effective when it becomes law and applies to agreements entered into on or after that date.

BILL SUMMARY: Allows any county to acquire an interest in real or personal property for use by a community college and to construct, equip, expand, improve, renovate, repair or otherwise make available property for use by a community college. Once these activities are completed, the county must transfer the property back to the college. This authority is currently allowed in 8 counties under local legislation. The bill is effective when it becomes law.

ASSUMPTIONS AND METHODOLOGY: The practical effect is to allow the county to use installment purchase arrangements or certificates of participation to finance community college capital outlay. A secondary negative impact on State and local sales tax revenue will occur **if a county not having this authority under current law uses the financing.** The impact results from a refund of taxes paid on materials and supplies. Under current law a county is eligible for a refund but a community college is not eligible for a refund.

According to the Community College System, North Carolina Community Colleges and the Center for Applied Textile Technology paid $6.0 million in sales and use taxes in FY 1997-98. Assuming a 5% annual growth rate the projected community college sales tax liability for the

1999-00 fiscal year is $6.6 million (State portion would be $4.4 million and the local amount is $2.2 million).

These numbers represent a maximum potential, with the actual impact being much lower due to the fact that: (1) 8 counties already have such authority; (2) some counties may be receiving refunds through an interlocal agreement with a community college; (3) 1998 legislation gave all counties this authority for equipment purchases; and (4) the numbers above include materials and supplies (which would not be financed).

A BILL TO BE ENTITLED

AN ACT TO CREATE THE BUTNER ADVISORY COUNCIL, AND TO ALLOW CERTAIN FEES TO BE PLACED IN A SPECIAL FUND FOR THE BUTNER PUBLIC SAFETY DIVISION.

The General Assembly of North Carolina enacts:

Section 1. The General Assembly finds that the Camp Butner reservation and the Community of Butner, as regulated by Article 6 of Chapter 122C of the General Statutes, is a unique State resource that is and should continue to be administered by the State of North Carolina through the Office of the Secretary of Health and Human Services. The General Assembly finds that there is a resident population in the Community of Butner that, because of the unique relationship between the State of North Carolina and cities and counties, as provided in G.S. 122C-410, does not have elected representation with respect to public services, such as police and fire protection, and the provision of water and sewers, that would normally be under the control of an elected city council or board of county commissioners. The General Assembly finds that the citizens of the Camp Butner reservation should be permitted to elect a representative body to act as the voice of the affected people of Butner in dealing with the State of North Carolina through the Department of Health and Human Services with regard to the provision of public services and planning for the future of the Camp Butner reservation.

Section 2. Part 1A of Article 6 of Chapter 122C of the General Statutes is repealed.

Section 3. Article 6 of Chapter 122C of the General Statutes is amended by adding a Part to read:

"Part 1B. Butner Advisory Council.

"**§ 122C-413. Butner Advisory Council; created.**

(a) There is created a Butner Advisory Council to consist of seven members, to be elected by the residents of the territorial jurisdiction established by G.S. 122C-408(a), at a nonpartisan election administered by the Granville County Board of Elections to be set after preclearance from the federal Department of Justice.

(b) Members of the Butner Advisory Council shall be elected at large, and the election shall be held in accordance with all applicable federal and State constitutional and statutory provisions, including the Voting Rights Act of 1965. For the purpose of elections under this Part, the jurisdiction shall be considered a city under Chapters 160A and 163 of the General Statutes. In accordance with North Carolina law, a candidate for the Butner Advisory Council must be a resident of the territorial jurisdiction established by G.S. 122C-408(a).

(c) The candidates for the Butner Advisory Council shall file their notices of candidacy with the Granville County Board of Elections. Absentee voting by qualified voters residing in the territorial jurisdiction shall be in accordance with G.S. 163-302.

(d) The seven candidates receiving the highest numbers of votes shall be elected for the following terms:

(1) If the election is held in an even-numbered year, the four candidates receiving the highest numbers of votes shall be elected for terms of four years, and the three candidates receiving the next highest numbers of votes shall be elected for terms of two years.

(2) If the election is held in an odd-numbered year, the four candidates receiving the highest numbers of votes shall be elected for terms of five years, and the three candidates receiving the next highest numbers of votes shall be elected for terms of three years.

Biennially thereafter, in each even-numbered year, the members whose terms expire shall be elected to four-year terms.

(e) The Chair of the Butner Advisory Council shall be elected from among its members, shall serve a one-year term, may be reelected, and shall serve at the pleasure of the council.

(f) The Butner Advisory Council shall comply with the applicable and relevant provisions of Parts 1, 2, and 3 of Article 5 of Chapter 160A of the General Statutes with respect to the filling of vacancies and the organization and procedures of the council as if it were a city.

"**§ 122C-413.1. Butner Advisory Council; powers.**

(a) The Butner Advisory Council may advise the Secretary of Health and Human Services, through resolutions adopted by the council, on the operations of the Camp Butner reservation and the concerns of the residents of the Camp Butner reservation in connection with the exercise of the powers granted to the Secretary pursuant to G.S. 122C-403. A resolution adopted pursuant to this subsection shall be delivered to

the Office of the Secretary of Health and Human Services who shall act on the resolution in accordance with G.S. 122C-403(8a).

(b) When a vacancy occurs in the position of Butner Town Manager, the Butner Advisory Council shall submit the names of three candidates for the position to the Secretary of Health and Human Services. The candidates shall meet the qualifications set by the State Personnel Commission for the position. The Butner Town Manager shall be selected by the Secretary of Health and Human Services pursuant to G.S. 122C-403(9a)."

Section 4. G.S. 122C-403 reads as rewritten:

"**§ 122C-403. Secretary's authority over Camp Butner reservation.**

The Secretary shall administer the Camp Butner reservation. In performing this duty, the Secretary has the powers listed below. In exercising these powers the Secretary has the same authority and is subject to the same restrictions that the governing body of a city would have and would be subject to if the reservation was a city, unless this section provides to the contrary. The Secretary may:

(1) Regulate airports on the reservation in accordance with the powers granted in Article 4 of Chapter 63 of the General Statutes.

(2) Take actions in accordance with the general police power granted in Article 8 of Chapter 160A of the General Statutes.

(3) Regulate the development of the reservation in accordance with the powers granted in Article 19, Parts 2, 3, ~~3A, 3B,~~ 3C, 5, 6, and 7, of Chapter 160A of the General Statutes. The Secretary may not, however, grant a special use permit, a conditional use permit, or a special exception under Part 3 of that Article. In addition, the Secretary is not required to notify landowners of zoning classification actions under G.S. 160A-384, and the protest petition requirements in G.S. 160A-385, and 160A-386 do not apply. The Secretary may ~~appoint~~ designate the Butner ~~Planning~~ Advisory Council to act like a Board of Adjustment to make recommendations to the Secretary concerning implementation of plans for the development of the reservation. When acting as a Board of Adjustment, the Butner ~~Planning~~ Advisory Council shall be subject to subsections (b), (c), (d), (f), and (g) of G.S. 160A-388.

(4) Establish one or more planning agencies in accordance with the power granted in G.S. 160A-361 or designate the Butner ~~Planning~~ Advisory Council as the planning agency for the reservation.

(5) Regulate streets, traffic, and parking on the reservation in accordance with the powers granted in Article 15 of Chapter 160A of the General Statutes.

(6) Control erosion and sedimentation on the reservation in accordance with the powers granted in G.S. 160A-458 and Article 4 of Chapter 113A of the General Statutes.

(7) Contract with and undertake agreements with units of local government in accordance with the powers granted in G.S. 160A-

413 and Article 20, Part 1, of Chapter 160A of the General Statutes.

(8) Regulate floodways on the reservation in accordance with the powers granted in G.S. 160A-458.1 and Article 21, Part 6, of Chapter 143 of the General Statutes.

(8a) Act on resolutions adopted by the council pursuant to G.S. 122C-413.1(a). If the Secretary approves the resolution, it shall be carried out by the Butner Town Manager. The Secretary shall have no more than 30 days during which to disapprove any recommendation of the council contained in the resolution. Any disapproval shall be in writing, stating the reasons for the disapproval, and shall be returned to the council. If the Secretary does not disapprove a recommendation of the council within the prescribed period, the recommendation shall be deemed approved by the Secretary and shall be carried out by the Butner Town Manager.

(9) Assign duties given by the statutes listed in the preceding subdivisions to a local official to the Butner Town Manager. ~~Manager who shall be hired upon the recommendation of the Butner Planning Council and shall be assigned to the Office of the Secretary of Health and Human Services. The Butner Planning Council shall submit the names of three candidates for the position of Butner Town Manager to the Secretary of Health and Human Services and the Secretary shall select one of the candidates. The candidates shall meet the qualifications set by the State Personnel Commission for the position. The Butner Town Manager shall serve at the pleasure of the Secretary. The Secretary shall, through the Butner Town Manager, provide all necessary administrative assistance to the council in carrying out its duties.~~

(9a) Select the Butner Town Manager from the candidates submitted by the council pursuant to G.S. 122C-413.1(b). The Butner Town Manager shall serve at the pleasure of the Secretary. The Secretary shall, through the Butner Town Manager, provide all necessary administrative assistance to the council in carrying out its duties.

(10) Adopt rules to carry out the purposes of this Article."

Section 5. G.S. 122C-405 reads as rewritten:

"**§ 122C-405. Procedure applicable to rules.**

Rules adopted by the Secretary under this Article shall be adopted in accordance with the procedures for adopting a city ordinance on the same subject, shall be subject to review in the manner provided for a city ordinance adopted on the same subject, and shall be enforceable in accordance with the procedures for enforcing a city ordinance on the same subject. Violation of a rule adopted under this Article is punishable as provided in G.S. 122C-406.

Rules adopted under this Article may apply to part or all of the Camp Butner reservation. If a public hearing is required before the adoption of a rule, the ~~Butner Planning Council~~ Butner Advisory Council shall conduct the hearing."

Section 6. Part 1 of Article 6 of Chapter 122C is amended by adding a new section to read:

"**§ 122C-411.2. Butner Public Safety Division fees.**

The proceeds from the tax levied pursuant to S.L. 83-830 on real and personal property located in the Butner Police and Fire Protection District and fees collected under contracts entered into pursuant to G.S. 122C-411 shall be placed in a special fund to be used by the Department of Crime Control and Public Safety to fund the Butner Public Safety Division."

Section 7. The Study Commission on the Transfer of Butner Public Safety, created by Section 20.5 of Chapter 324 of the 1995 Session Laws and as amended by Section 7 of Chapter 667 of the 1995 Session Laws, is continued through December 31, 2001. The funds appropriated for the operation of the Commission by that section, and remaining unexpended, shall not revert and shall remain available to the Commission to continue its work. The Commission shall provide legislative oversight to ensure compliance with the provisions of this act.

Section 8. Sections 1, 3, and 6 through 8 of this act are effective when they become law. Sections 2, 4, and 5 of this act become effective when a majority of the members of the Butner Advisory Council created pursuant to G.S. 122C-413 as enacted by this act have been elected and qualified.

HOUSE BILL 105:
Butner Community Governance

BILL ANALYSIS

Committee:	Senate Finance Committee	**Introduced by:**	Crawford; and Allen
Date:	May 10, 1999	**Summary by:**	Mary Shuping, Research Asst. Cindy Avrette and Martha K. Walston, Staff Attorneys
Version:	3rd Edition		

SUMMARY: House Bill 105 establishes the Butner Advisory Council as an elected body. The Council will advise the Secretary of Health and Human Services on the operations of the Camp Butner reservation and the concerns of its residents. House Bill 105 also provides that the public safety fees currently assessed will be placed in a special fund to be used by the Department of Crime Control and Public Safety to fund the Butner Public Safety Division.

CURRENT LAW: Butner is a community located in parts of Granville and Durham Counties. Several State institutions under the Department of Health and Human Services are located in Butner. The Camp Butner reservation, as it is commonly known, is administered primarily by the Secretary of Health and Human Services. The Secretary has many of the powers given to cities and towns in Chapter 160A of the General Statutes. To give the residents of Butner a voice in the decision making process, the General Assembly created the Butner Planning Council. The council consists of seven members: 3 appointed by the Secretary of Health and Human Services, and 4 appointed by the Granville County Board of Commissioners. The council advises the Secretary on the operations of Butner through the adoption of resolutions and recommends candidates to the Secretary for the position of Butner Town Manager. The council may only *advise* the Secretary.

The Secretary of Crime Control and Public Safety is authorized to employ special police officers for Butner and also directed to establish an emergency management agency for Butner under the NC Emergency Management Act. To help pay for these services, the General Assembly created the Butner Police and Fire Protection District in 1983 and imposed a tax of 20 cents per $100.00 valuation of all real and personal property in the district. Durham and Granville Counties collect the tax and remit the proceeds to the State Treasurer, who credits the revenue to the General Fund. In 1987, the General Assembly authorized the Department of Crime Control and Public Safety to contract with industries in the vicinity of Butner to provide fire protection services. The contracts must provide for a payment equal to 20 cents per $100.00 assessed valuation. Through the appropriations process, money is appropriated to the Department of Crime Control and Public Safety to fund the Butner Public Safety Division.

BILL ANALYSIS AND BACKGROUND: House Bill 105 reestablishes the Butner Advisory Council as an elected body, as opposed to an appointed body. The 1995 General Assembly provided for the election of council members (SL 95-667). The election was held on November 5, 1996. In February of 1997, the U.S. Department of Justice found that the method of at-large elections with staggered terms violated the Voting Rights Act of 1965. The Department's objections were primarily based on what it felt was a pattern of racially polarized voting in Granville County. In 1997, the General Assembly reinstated the council as an appointed body (SL 97-59). The members appointed to the council were the people

elected to serve on the council in 1996. This bill would reestablish the council as an elected body. Unlik the 1995 legislation, this legislation requires that the election may not be held until after the U Department of Justice has approved the contents of this bill.

House Bill 105 (3rd Edition) provides for the repeal of the appointed council when a majority of the elected members take office and makes other organizational and stylistic changes. Following is a section-by-section analysis of the proposed committee substitute:

Section 1 sets out the findings of the General Assembly.

Section 2 repeals the existing appointed Butner Planning Council.

Section 3 sets out a new Part entitled "Butner Advisory Council". This Part provides that the Butner Advisory Council is to be elected by the residents of the Butner territorial district. The election is to be nonpartisan and held on a date set by the Granville County Board of Elections after clearance from the federal Department of Justice. The council will continue to consist of 7 members. Section 3 also provides for the terms of the initial council members and the election of a chair by the council members. The council continues to be only advisory in nature.

In addition, Section 3 also sets out the powers and duties of the council. These powers and duties are substantially the same as the powers and duties of the current council and include, advising the Secretary of Health and Human Services by resolution on the operations of Butner, and submitting the names of candidates for the position of Butner Town Manager to the Secretary.

Section 4 makes conforming changes to G.S. 122C-403. This section also reorganizes existing law regarding the Secretary's duty to act on resolutions adopted by the council and the Secretary's authority t appoint the Butner Town Manager.

Section 5 makes conforming changes to G.S. 122C-405.

Section 6 adds new G.S. 122C-411.2, Butner Public Safety Division fees. This section directs that the tax revenue collected in the Butner Police and Fire Protection District, created by S.L 83-830, and the fees collected under contracts for fire protection between industries in the vicinity of Butner and the Department of Crime Control and Public Safety, will be credited to a special fund to be used by the Department of Crime Control and Public Safety to fund the Butner Public Safety Division.

Section 7 continues the Study Commission on the Transfer of Butner Public Safety until December 31, 2001. (The Study Commission is charged with examining the transfer of the responsibility for Butner Public Safety from the Department of Crime Control and Public Safety to other State or local entities; determining the most appropriate way to meets the needs of State institutions and residents that would be affected by a transfer; and, determining the most cost effective means of accomplishing a transfer.)

Section 8 sets out the effective dates. Sections dealing with the election of the council and the establishment of a special fund for the Butner Public Safety Division are effective when they become law. Sections repealing the existing council and making conforming changes are effective when a majority of the members of the council take office.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Butner Advisory Council, The Department of Crime Control and Public Safety.

EFFECTIVE DATE: Sections repealing the existing council and making conforming changes are effective when the elected council takes office. The remainder of the bill becomes effective when law.

BILL SUMMARY: The bill establishes the Butner Advisory Council as an elected body. The Council will advise the Secretary of Health and Human Services on the operations of the Camp Butner reservation and the concerns of its residents. House Bill 105 also provides that the public safety fees currently assessed will be placed in a special fund to be used by the Department of Crime Control and Public Safety to fund the Butner Public Safety Division.

ASSUMPTIONS AND METHODOLOGY: Section Six is the only portion of the bill that has a fiscal impact. This section effectively transfers money from the General Fund to a Special Fund within the Department of Crime Control and Public Safety.

In 1983, the General Assembly passed legislation that established the Butner Police and Fire Protection District. Within this District, the tax collectors of Durham and Granville Counties are required to collect a tax of twenty cents ($.20) per one hundred dollars ($100) of assessed value on all real and personal property. These funds are then transferred to the State Treasurer and

deposited in the General Fund to help offset the cost of providing police and fire protection for the jurisdiction.

The actual expenses for the Butner Public Safety Division in FY 1997-98 was $2,284,090. In that same year, Durham and Granville Counties remitted $600,000 to the General Fund, or approximately 26% of the costs associated with providing public safety services. Under this legislation, these funds would be earmarked in a special fund for the Butner Public Safety Division rather than the General Fund. The result would be that the net appropriation for Butner Public Safety would be reduced by $600,000 (or whatever receipts were collected), but these funds would not be included in General Fund availability. The bill does not change the overall net expenditures for Butner Public Safety, just the manner in which they are funded.

March 31, 1999

A BILL TO BE ENTITLED

AN ACT AUTHORIZING THE CITY OF ROANOKE RAPIDS TO GIVE ANNUAL NOTICE TO CHRONIC VIOLATORS OF THE CITY'S OVERGROWN VEGETATION ORDINANCE.

The General Assembly of North Carolina enacts:

Section 1. A municipality may notify a chronic violator of the municipality's overgrown vegetation ordinance that, if the violator's property is found to be in violation of the ordinance, the municipality shall, without further notice in the calendar year in which notice is given, take action to remedy the violation and the expense of the action shall become a lien upon the property and shall be collected as unpaid taxes. The initial annual notice shall be served by registered or certified mail. A chronic violator is a person who owns property whereupon, in the previous calendar year, the municipality took remedial action at least three times under the overgrown vegetation ordinance.

Section 2. This act applies to the City of Roanoke Rapids only.

Section 3. This act is effective when it becomes law.

BILL ANALYSIS

Committee:	Senate Finance Committee	**Introduced by:**	Rep. Crawford
Date:	May 10, 1999	**Summary by:**	Martha K. Walston
Version:	1st Edition		Committee Counsel

SUMMARY: ***House Bill 776 is a local act that authorizes the City of Roanoke Rapids to give notice and place a lien on the property of chronic violators of the City's overgrown vegetation ordinance. The bill gives the City the authority to collect on the lien as they would on unpaid property taxes. The bill was given a favorable report in House Local Government I on April 20, and passed the House on April 22.***

BILL ANALYSIS: House Bill 776 authorizes Roanoke Rapids to notify a chronic violator of the city's overgrown vegetation ordinance that if his or her property violates the ordinance, then the city may remedy the violation without further notice in the calendar year in which the notice was given. The cost of the remedy will become a lien on the property and collected as unpaid taxes.

The initial annual notice must be served by registered or certified mail.

A chronic violator is defined as "a person who owns property whereupon, the previous calendar year, the municipality took remedial action at least three times under the overgrown vegetation ordinance.

A BILL TO BE ENTITLED

AN ACT TO REVISE AND CONSOLIDATE THE CHARTERS OF THE TOWN OF YAUPON BEACH AND THE TOWN OF LONG BEACH AND ESTABLISH A CHARTER FOR THE CONSOLIDATED TOWN OF OAK ISLAND.

The General Assembly of North Carolina enacts:

Section 1. The charters of the Town of Yaupon Beach and the Town of Long Beach are hereby revised and consolidated into the Charter for the Town of Oak Island to read as follows:

"ARTICLE I. INCORPORATION AND CORPORATE POWERS.

"Sec. 1.1. **Incorporation and General Powers.** The Town of Oak Island shall be a body politic and corporate under the name of the "Town of Oak Island", and shall be vested with all property and rights which now belong to the Towns of Yaupon Beach and Long Beach; shall have perpetual succession; may have a common seal and alter and renew the same at pleasure; may sue and be sued; may contract; may acquire and hold all such property, real and personal, as may be devised, bequeathed, sold or in any manner conveyed or dedicated to it, or otherwise acquired by it, and may from time to time hold or invest, sell, or dispose of the same; and shall have and may exercise in conformity with this Charter all municipal powers, functions, rights, privileges, and immunities of every name and nature.

"Sec. 1.2. **Exercise of Powers.** All powers, functions, rights, privileges, and immunities of the Town, its officers, agencies, or employees shall be carried into execution as provided by this Charter, or, if this Charter makes no provisions, as

provided by ordinance or resolution of the Town Council and as provided by the general laws of North Carolina pertaining to municipal corporations.

"Sec. 1.3. **Enumerated Power Not Exclusive.** The enumeration of particular powers by this Charter shall not be held or deemed to be exclusive but, in addition to the powers enumerated herein or implied hereby, or those appropriate to the exercise of such powers, the Town of Oak Island shall have and may exercise all applicable powers which are granted to municipal corporations by the general laws of North Carolina and all powers which are granted by this Charter.

"Sec. 1.4. **Referendum Not Required.** Notwithstanding any other provision of law, the consolidation of the Town of Yaupon Beach and the Town of Long Beach into the Town of Oak Island shall not require a referendum but shall be governed by the provisions of this act.

"ARTICLE II. CORPORATE BOUNDARIES.

"Sec. 2.1. **Existing Corporate Boundaries.** The corporate limits of the Town of Oak Island shall be the combined corporate limits of the Town of Yaupon Beach and the Town of Long Beach existing at the time of enactment of this Charter and the effective date of consolidation, as the same are now or hereafter may be constituted pursuant to law. An official map or description of the Town, showing the current Town boundaries, shall be maintained permanently in the office of the Town Clerk, and shall be available for public inspection. Immediately upon changes, alteration of the corporate limits pursuant to law, the appropriate changes to the official map or description of the Town shall be made.

"Sec. 2.2. **Pending Annexations.** Matters pertaining to the annexation of property instituted by the Town of Yaupon Beach under an ordinance adopted September 14, 1998, shall become the responsibility of the consolidated Town of Oak Island as if begun originally by the Town of Oak Island. Any annexation action instituted or pending by the Town of Yaupon Beach and Town of Long Beach prior to the effective date of consolidation into the Town of Oak Island shall be as if instituted by the Town of Oak Island and the prior actions are hereby ratified. This section shall not be construed as prohibiting any annexation proceedings occurring between the date of enactment of this act and the effective date of consolidation.

"Sec. 2.3. **Extension of Corporate Boundaries.** All extensions of the corporate boundaries shall be governed by the General Statutes.

"ARTICLE III. TRANSITIONAL PROVISIONS.

"Sec. 3.1. **Action Prior to Consolidation.** (a) The following actions by the governing bodies of the Town of Yaupon Beach and the Town of Long Beach under subsections (b) and (c) of this section are authorized prior to the effective date of consolidation.

(b) The Town of Yaupon Beach and the Town of Long Beach shall take whatever action is necessary to assure delivery of services as of the effective date of consolidation of the two Towns into the Town of Oak Island. This includes effecting any interim planning, work assignments, and coordination required to effect a consolidated workforce and support operation as of the effective date of consolidation.

(c) The Town of Yaupon Beach and the Town of Long Beach shall take necessary action to consolidate accounting and budgeting systems to effect the consolidation of the Towns by the effective date of consolidation. Notwithstanding other provisions of the Local Government Budget and Fiscal Control Act, the Towns may prepare a budget for the consolidated Town of Oak Island in a manner and schedule agreed to by both Towns. Adoption of a budget for the consolidated Town of Oak Island shall be approved by both governing bodies prior to the effective date of consolidation and shall be effective on the date of consolidation. Audits of existing Town accounts shall be performed as of the end of the last fiscal year and prior to consolidation.

"Sec. 3.2. **Effective Date of Consolidation; Status of Governing Bodies.** Subject to the conditions and provisions of this act, the Town of Yaupon Beach and the Town of Long Beach are consolidated into the Town of Oak Island effective at 12:01 a.m., on July 1, 1999. The governing body of the Town of Oak Island will be the Interim Town Council and subsequent Councils as prescribed in this act. The terms of office of the governing bodies of the Town of Yaupon Beach and the Town of Long Beach will cease as of 12:00 midnight on June 30, 1999.

"Sec. 3.3. **Operational Procedures Upon Consolidation.** Upon the date of consolidation of the Town of Yaupon Beach and the Town of Long Beach into the Town of Oak Island:

(1) All property, real and personal and mixed, including accounts receivable, belonging to the Town of Yaupon Beach and the Town of Long Beach shall vest in, belong to, and be the property of the Town of Oak Island. The governing body of the Town of Oak Island will take such actions and execute such documents as will carry into effect the provisions and the intent of this section;

(2) All judgments, liens, rights of liens, and causes of action of any nature in favor of the Town of Yaupon Beach and the Town of Long Beach shall vest in and remain and inure to the benefit of the Town of Oak Island;

(3) All taxes, assessments, water or sewer charges, and any other charges or fees, owing to the Town of Yaupon Beach and the Town of Long Beach shall be owed to and collected by the Town of Oak Island;

(4) All actions, suits, and proceedings pending against, or having been instituted by the Town of Yaupon Beach and the Town of Long Beach shall not be abated by the legislative act allowing consolidation, but all such actions, suits, and proceedings shall be continued and completed in the same manner as if consolidation had not occurred, and the Town of Oak Island shall be a party to all such actions, suits, and proceedings in the place and stead of the Town of Yaupon Beach and the Town of Long Beach and shall pay or cause to be paid any judgments rendered against the Town of Yaupon Beach and the Town of Long Beach, its governing board and officials acting in their official capacity, in such actions,

suits, or proceedings. No new process need be served in any such action, suit, or proceeding;

(5) All obligations of the Town of Yaupon Beach and the Town of Long Beach, including outstanding indebtedness, shall be assumed by the Town of Oak Island and all such obligations and outstanding indebtedness are hereby constituted obligations and indebtedness of the Town of Oak Island and the financial resources of the Town of Oak Island shall be deemed to be pledged for the punctual payment of all such obligations and indebtedness;

(6) All ordinances of the Town of Yaupon Beach and the Town of Long Beach shall continue in full force and effect within the area to which they apply until the effective date of consolidation as ordinances until modified by the Town of Oak Island governing body to be effective uniformly throughout the consolidated corporate limits and, where applicable, extraterritorial jurisdiction;

(7) All franchises heretofore granted by the Town of Yaupon Beach and the Town of Long Beach which are still in force shall continue as valid franchises of the Town of Oak Island for purposes granted within the area formerly comprising the Town of Yaupon Beach and the Town of Long Beach until modified by the Town of Oak Island governing body to be effective uniformly throughout the consolidated corporate limits of the Town of Oak Island;

(8) The Town of Oak Island shall assume responsibility for all current and future liabilities of the Town of Yaupon Beach and the Town of Long Beach for unemployment insurance benefit charges under G.S. 96-9(f)(1);

(9) Extraterritorial Jurisdiction (ETJ) areas of the Town of Yaupon Beach and the Town of Long Beach under Article 19 of Chapter 160A of the General Statutes in effect on the date of consolidation shall be extraterritorial areas of the Town of Oak Island;

(10) All property that had a tax situs in the Town of Yaupon Beach and the Town of Long Beach on January 1, 1999, shall be considered to have a tax situs in the Town of Oak Island for the appropriate fiscal year, and any property properly listed for taxation in the Town of Yaupon Beach and the Town of Long Beach is properly listed for the Town of Oak Island; and

(11) Prior local acts that apply to the Town of Yaupon Beach and the Town of Long Beach, that are not inconsistent with the provisions of this act, shall remain in force in the consolidated Town of Oak Island from and after the date of consolidation.

"ARTICLE IV. MAYOR AND TOWN COUNCIL.

"Sec. 4.1. **Interim Mayor and Council and Succession of Interim Council Members and Mayors.** (a) Upon enactment of this act and on the effective date of

(e) November 2005 Election: Four Council Members elected at large to four-year terms. Mayor elected at large to two-year term. Beginning in November 2005, all seats will be elected at large.

"Sec. 4.2. **Composition of Town Council.** The Town Council shall consist of eight members to be elected by the qualified voters of the Town at large in the manner provided by Article IV.

"Sec. 4.3. **Terms; Qualifications; Vacancies.** (a) The members of the Town Council shall serve for terms of four years, beginning the day and hour of the organizational meeting following their election, as established by ordinance with this Charter; provided, they shall serve until their successors are elected and qualify.

(b) No person shall be eligible to be a candidate or be elected as a member of the Town Council, or to serve in such capacity, unless he is a resident and a qualified voter of the Town.

(c) If any elected Town Council members shall refuse to qualify, or if there shall be any vacancy in the Town Council after election and qualification, the remaining members of the Council shall by majority vote appoint some qualified person to serve for the unexpired term. Any Town Council member so appointed shall have the same authority and powers as if regularly elected.

"Sec. 4.4. **Mayor and Mayor Pro Tempore.** Beginning with the regular municipal election following succession of the Interim Council as provided by this act, and every two years thereafter, there shall be elected a Mayor by the qualified voters of the Town voting at large. The Mayor shall serve for a term of two years. A vacancy in the office of Mayor shall be filled for the unexpired term by a person appointed by the Town Council. The Mayor shall take the oath of office before entry upon the duties of his office. Candidates for Mayor shall file a notice of candidacy as is required by candidates for Town Council.

The Mayor shall be the official head of the Town government, shall preside at all meetings of the Town Council, but shall have the right to vote when there are equal numbers of votes in the affirmative and in the negative. The Mayor shall exercise such powers and perform such duties as are or may be conferred upon him by the general laws of North Carolina, by this Charter, and by the ordinances of the Town. The Town Council shall choose one of its number to act as Mayor Pro Tempore, and he shall perform the duties of the Mayor in the Mayor's absence or disability. The Mayor Pro Tempore as such shall have no fixed term of office, but shall serve in such capacity at the pleasure of the remaining members of the Town Council.

"Sec. 4.4. **Compensation of Mayor and Town Council Members.** The Mayor and Town Council shall receive for their services such salary and compensation as the Town Council shall determine in accordance with the General Statutes.

"Sec. 4.5. **Organization of Town Council; Oaths of Office.** The Town Council shall meet and organize for the transaction of business at a time established by the General Statutes. Before entering upon their offices, each Town Council member shall take, subscribe, and have entered upon the minutes of the Town Council the following oath of office: "I, _____, do solemnly swear (or affirm) that I will support and defend the Constitution of the United States and the Constitution and laws of North Carolina not inconsistent therewith, and that I will faithfully perform the duties of the office of Town Council member, on which I am about to enter, according to my best skill and ability; so help me, God."

"Sec. 4.6. **Meetings of Town Council.** (a) The Town Council shall fix suitable times for its regular meeting, which shall be as often as once monthly. Special

meetings may be held on the call of the Mayor or a majority of the Town Council members, and those not joining in the call shall be notified in writing. Any business may be transacted at a special meeting that might be transacted at a regular meeting.

(b) All meetings of the Town Council shall be open to the public. The Town Council shall not by closed session or otherwise formally consider or vote upon any question in private session.

"Sec. 4.7. **Quorum; Votes.** (a) A majority of the members elected to the Town Council shall constitute a quorum for the conduct of business, but a less number may adjourn from time to time and compel the attendance of absent members in such manner as may be prescribed by ordinance.

(b) The affirmative vote of a majority of the members of the Town Council shall be necessary to adopt any ordinance, or any resolution or motion having the effect of an ordinance. All other matters to be voted upon shall be decided by a majority vote of the members present and voting.

"Sec. 4.8. **Ordinances and Resolutions.** The adoption, amendment, repeal, pleading, or proving of ordinances shall be in accordance with the applicable provisions of the general laws of North Carolina not inconsistent with this Charter. The yeas and nays shall be taken upon all ordinances and resolutions and entered upon the minutes of the Town Council. The enacting clause of all ordinances shall be "Be it ordained by the Town Council of the Town of Oak Island." All ordinances and resolutions shall take effect upon adoption unless otherwise provided therein.

"ARTICLE V. ELECTION PROCEDURE.

"Sec. 5.1. **Regular Municipal Elections.** At the regular municipal election to be held following the succession of the Interim Council, and every two years thereafter, four members of the Town Council shall be elected to serve for four-year terms.

"Sec. 5.2. **Voting.** Election of the Mayor and Town Council member shall be by the nonpartisan plurality election method prescribed by G.S. 163-192, and shall be conducted as provided by General Statutes.

"Sec. 5.3. **Regulation of Elections.** All municipal elections shall be conducted in accordance with the general laws of North Carolina relating to municipal elections, except as otherwise herein provided.

"ARTICLE VI. TOWN MANAGER.

"Sec. 6.1. **Appointment; Compensation.** The Town Council shall appoint an officer whose title shall be Town Manager and who shall be the chief executive officer of the Town and the head of the administrative branch of the Town government. The Town Manager shall be chosen by the Town Council solely on the basis of his executive and administrative qualifications with special reference to his actual experience in, or knowledge of, accepted practice in respect to the duties of his office as hereinafter prescribed. At the time of his appointment he need not be a resident of the Town, but shall reside therein during his tenure of office. No person elected as a member of the Town Council shall be eligible for appointment as Town Manager until one year shall have elapsed following the expiration of the term for which he was elected. The Town Manager shall serve at the pleasure of the Town Council and shall receive such salary as the Town Council shall fix. In case of the

absence or disability of the Manager, the Town Council may designate a qualified administrative officer of the Town to perform the duties of the Manager during such absence or disability.

"Sec. 6.2. **Chief Administrator**. The Manager shall be the chief administrator of the Town. The Manager shall be responsible to the Council for administering all municipal affairs placed in his charge by them, and shall have the following powers and duties:

(1) The Manager shall appoint and suspend or remove all city officers and employees not elected by the people and whose appointment or removal is not otherwise provided for by law, except the Town Attorney, in accordance with such general personnel rules, regulations, policies, or ordinances as the Council may adopt. Before appointing or removing officers or department heads he shall consult with Council, but retain the authority to take whatever personnel action he deems proper.

(2) The Manager shall direct and supervise the administration of all departments, offices, and agencies of the city, subject to the general direction and control of the Council, except as otherwise provided by law. No member of Council shall direct or request the appointment of any person to, or removal from, office by the Town Manager; nor give orders or directions to any subordinate of the Town Manager, either publicly or privately, without the permission of the Town Manager. On the other hand, members of Council shall be free to make work-related inquiries of any employee, to be available for discussion, and to bring to the attention of the Town Manager any facts of which he may not be aware which may require remedial action.

(3) The Manager shall attend all meetings of the Council and recommend any measures that he deems expedient.

(4) The Manager shall see that all laws of the State, the Town Charter, and the ordinances, resolutions and regulations of the Council are faithfully executed within the Town.

(5) The Manager shall prepare and submit the annual budget and capital program to the Council.

(6) The Manager shall annually submit to the Council and make available to the public a complete report on the finances and administrative activities of the Town as of the end of the fiscal year.

(7) The Manager shall make any other reports that the Council may require concerning the operations of the Town departments, offices, and agencies subject to his direction and control.

(8) The Manager shall perform any other duties that may be required or authorized by the Council.

"ARTICLE VII. TOWN ATTORNEY.

"Sec. 7.1. **Appointment; Qualification; Term; Compensation.** The Town Council shall appoint a Town Attorney who shall be an Attorney-at-law licensed to engage in the practice of law in North Carolina and who need not be a resident of the Town during his tenure. The Town Attorney shall serve at the pleasure of the Town Council and shall receive such compensation as the Town Council shall determine.

"Sec. 7.2. **Duties of Town Attorney.** It shall be the duty of the Town Attorney to prosecute and defend suits for and against the Town; to advise the Mayor, Town Council, Town Manager, and other Town officials with respect to the affairs of the Town; to draw all legal documents relating to the affairs of the Town; to draw proposed ordinances when requested to do so; to inspect and pass upon all agreements, contracts, franchises, and other instruments with which the Town may be concerned; to attend all meetings of the Town Council; and to perform such other duties as may be required of him by virtue of his position as Town Attorney.

"ARTICLE VIII. ADMINISTRATIVE OFFICERS AND EMPLOYEES.

"Sec. 8.1. **Town Clerk.** The Town Manager may appoint a Town Clerk to keep a journal of the proceedings of the Town Council and to maintain in a safe place all records and documents pertaining to the affairs of the Town, and to perform such other duties as may be required by law or as the Manager may direct.

"Sec. 8.2. **Town Tax Collector.** The Town Manager may appoint a Tax Collector to collect all taxes, licenses, fees, and other moneys belonging to the Town, subject to the provisions of this Charter and the ordinances of the Town, and he shall diligently comply with and enforce all the general laws of North Carolina relating to the collection, sale, and foreclosure of taxes by municipalities.

"Sec. 8.3. **Consolidation of Functions.** The Town Manager may, in his discretion, consolidate the offices of Town Clerk and Town Tax Collector, or may assign the functions of any one of these offices to the holder or holders of any other of these offices. The Town Manager may also, in his discretion, himself perform all or any part of the functions of any of the named offices, in lieu of appointing another person to perform the same.

"ARTICLE IX. FINANCE.

"Sec. 9.1. **Issuance of Bonds.** The Town may issue bonds for the purposes and in the manner prescribed by the General Statutes relating to the issuance of bonds by municipalities.

"Sec. 9.2. **Purchases and Contracts.** Purchases of apparatus, supplies, material, and equipment, and contracts for construction or repair work shall be made in accordance with the General Statutes relating thereto.

"ARTICLE X. TITLE TO PROPERTIES.

"Sec. 10.1. **Title to Properties Used for Certain Purposes.** In the absence of any contracts with the Town in relation to the lands used or occupied by it for the purposes of streets, sidewalks, alleys, or other public works of the Town signed by the owner thereof or his agent, it shall be conclusively presumed that said land has been granted to the Town by the owner or owners, and the Town shall have good right and title thereto and shall have, hold, and enjoy the same. Unless the owner or owners of said land, or those claiming under them, shall make claim or demand in

writing addressed to the Town Council within two years following the date when such land was taken, he or they shall be forever barred from recovering such land or having any compensation therefor; provided, nothing herein shall affect the rights of persons under disabilities until two years following removal thereof.

Section 2. Effective July 1, 1999, the Alcoholic Beverage Control Boards of the Town of Yaupon Beach and the Town of Long Beach will be consolidated into the Alcoholic Beverage Control Board of the Town of Oak Island. The Alcoholic Beverage Control Board of the Town of Oak Island shall be appointed by the Town Council of the Town of Oak Island and shall consist of three members. The Chair of the Alcoholic Beverage Control Board of the Town of Oak Island shall be appointed by the Oak Island Town Council. The assets and liabilities of the Alcoholic Beverage Control Boards of the Town of Yaupon Beach and the Town of Long Beach shall become the assets and liabilities of the Alcoholic Beverage Control Board of the Town of Oak Island as of July 1, 1999. The individual Alcoholic Beverage Control Boards of the Town of Yaupon Beach and the Town of Long Beach shall take whatever actions are necessary to effectuate the consolidation of the two Boards and Systems between the adoption of this act and July 1, 1999, so that consolidation will be accomplished on July 1, 1999.

Section 3. This act is effective when it becomes law.

HOUSE BILL 221:
Long Beach/Yaupon Beach

BILL ANALYSIS

Committee:	Senate Finance Committee	**Introduced by:**	Rep. Redwine
Date:	May 11, 1999	**Summary by:**	Ed Rossi and Martha K. Walston, Staff Attorneys
Version:	2nd Edition		

SUMMARY: ***House Bill 221 consolidates the charters of the towns of Yaupon Beach and Long Beach and creates the new consolidated Town of Oak Island. No referendum is required to effectuate this change. Under the provisions of the bill:***

- ***The new town acquires all the property, rights, obligations, and liabilities of the former towns.***
- ***A transitional government is created, with some members being appointed until 2001.***
- ***A council-manager form of government is adopted and council members serve staggered 4 year terms.***
- ***The Town Council will appoint the Town Manager and Town Attorney. The Town Manager may appoint a Town Clerk and a Town Tax Collector.***
- ***The Town is authorized to issue bonds and enter into purchases and contracts.***
- ***The consolidation is effective July 1, 1999, at which time the ABC boards are also consolidated.***

House Bill 221 (2nd Edition) was given a favorable report in House Finance and passed the House on March 25. The companion bill, Senate Bill 219,was introduced by Senator Soles and is in Senate Finance.

CURRENT LAW: State laws provide a mechanism for the consolidation of towns. Where two or more towns share a continuous boundary, they may, by concurrent resolution, create a commission to study a consolidation of services. This commission may draft a plan to create a single government unit, and if authorized by the concurrent resolutions, may place the matter before the voters by way of a referendum. Article V of the State Constitution also addresses referendums in the context of government debt. It requires that a majority of voters approve the contracting of debt that is secured by a pledge of a local government's full faith and credit.

BACKGROUND: Oak Island has three municipalities: Long Beach, Yaupon Beach, and Caswell Beach. The Town of Yaupon Beach has approximately 900 residents and a land area of 1 square mile. The Town of Long Beach has approximately 5,100 residents and a land area of 8 square miles. In October 1998, both towns began a process of open hearings to discuss the consolidation issue. That process culminated in March 1999, with the introduction of the bill. In preparation for the introduction of the bill, both towns retired their general obligation debt in order to avoid the cost of a referendum.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE DIVISION OF MOTOR VEHICLES TO ISSUE PERMANENT REGISTRATION PLATES TO TRAILERS OWNED BY CHARITABLE ORGANIZATIONS AND USED ONLY IN PARADES AND TO CONSOLIDATE AND MODERNIZE THE STATUTES PROVIDING FOR PERMANENT REGISTRATION PLATES.

The General Assembly of North Carolina enacts:

Section 1. The caption of Part 6 of Article 3 of Chapter 20 of the General Statutes reads as rewritten:

"Part 6. Vehicles of Nonresidents of ~~State, etc.~~ State; Permanent Plates; Highway Patrol."

Section 2. G.S. 20-79 is amended by adding a new subsection to read:

"(c) The Division shall not collect a fee for a certificate of title for a motor vehicle entitled to a permanent registration plate under G.S. 20-84."

Section 3. G.S. 20-84 reads as rewritten:

"**§ 20-84. ~~Vehicles owned by State, municipalities or orphanages, etc.; certain vehicles operated by the local chapters of American National Red Cross.~~ Permanent registration plates; State Highway Patrol.**

(a) General. -- The Division may issue a permanent registration plate for a motor vehicle owned by one of the persons authorized to have a permanent registration plate in this section. To obtain a permanent registration plate, a person must provide proof of ownership, provide proof of financial responsibility as required by G.S. 20-

309, and pay a fee of six dollars ($6.00). A permanent plate issued under this section may be transferred as provided in G.S. 20-78 to a replacement vehicle of the same classification. A permanent registration plate issued under this section must be a distinctive color and bear the word "permanent". In addition, a permanent registration plate issued under subdivision (b)(1) of this section must have distinctive color and design that is readily distinguishable from all other permanent registration plates issued under this section.

(b) Permanent Registration Plates. -- The Division may issue permanent plates for the following motor vehicles:

(1) ~~The Division upon proper proof being filed with it that any motor vehicle for which registration is herein required is owned by the~~ A motor vehicle owned by the State or ~~any department thereof, or by any~~ one of its agencies.

(2) A motor vehicle owned by a county, ~~township,~~ city or ~~town, or by any~~ town.

(3) A motor vehicle owned by a board of ~~education, or by any~~ education.

(4) A motor vehicle owned by an ~~orphanage or civil~~ orphanage.

(5) A motor vehicle owned by the civil air ~~patrol, or incorporated~~ patrol.

(6) A motor vehicle owned by an incorporated emergency rescue ~~squad, or incorporated~~ squad.

(7) A motor vehicle owned by an incorporated REACT ("Radio Emergency Association of Citizen Teams") ~~Team, or for any~~ Team.

(8) A motor vehicle owned by a person and ~~involved~~ used exclusively in the support of a disaster relief ~~effort,~~ effort.

(9) A bus owned by a church and used exclusively for transporting individuals to Sunday school and church services.

(10) A motor vehicle owned by a rural fire department, agency, or association.

(11) A motor vehicle in the form of a mobile X-ray unit operated exclusively in this State for the purpose of diagnosis, treatment, and discovery of tuberculosis, and owned by the North Carolina Tuberculosis Association, Incorporated, or by a local chapter or association of the North Carolina Tuberculosis Association, Incorporated.

(12) A motor vehicle owned by a local chapter of the American National Red Cross and used for emergency or disaster work.

(13) A motor vehicle owned by a sheltered workshop recognized or approved by the Division of Vocational Rehabilitation Services.

(14) A motor vehicle owned by a nonprofit agency or organization that provides transportation for or operates programs subject to and

approved in accordance with standards adopted by the Commission for Mental Health and Human Services.

(15) A bus or trackless trolley owned by a city and operated under a franchise authorizing the use of city streets. This subdivision does not apply to a bus or trackless trolley operated under a franchise authorizing an intercity operation.

(16) A trailer owned by a nationally chartered charitable organization and used exclusively for parade floats and for transporting vehicles and structures used only in parades.

~~shall collect six dollars ($6.00) for the registration of such motor vehicles, but shall not collect any fee for application for certificate of title in the name of the State or any department thereof, or by any county, township, city or town, or by any board of education or orphanage: Provided, that the term "owned" shall be construed to mean that such motor vehicle is the actual property of the State or some department thereof or of the county, township, city or town, or of the board of education, and no motor vehicle which is the property of any officer or employee of any department named herein shall be construed as being "owned" by such department. Provided, that the above exemptions from registration fees shall also apply to any church-owned bus used exclusively for transporting children and parents to Sunday school and church services and for no other purpose.~~

~~In lieu of the annual six dollars ($6.00) registration provided for in this section, the Division may for the license year 1950 and thereafter provide for a permanent registration of the vehicles described in this section and issue permanent registration plates for such vehicles.~~

~~The permanent registration plates issued pursuant to this paragraph shall be of a distinctive color and shall bear thereon the word "permanent." Such plates may be transferred as provided in G.S. 20-78 to a replacement vehicle of the same classification. For the permanent registration and issuance of permanent registration plates provided for in this paragraph, the Division shall collect a fee of six dollars ($6.00) for each vehicle so registered and licensed.~~

~~The provisions of this section are hereby made applicable to vehicles owned by a rural fire department, agency or association.~~

~~The Division of Motor Vehicles shall issue to the North Carolina Tuberculosis Association, Incorporated, or any local chapter or association of said corporation, for a fee of six dollars ($6.00) for each plate a permanent registration plate which need not be thereafter renewed for each motor vehicle in the form of a mobile X-ray unit which is owned by said North Carolina Tuberculosis Association, Incorporated, or any local chapter or local association thereof and operated exclusively in this State for the purpose of diagnosis, treatment and discovery of tuberculosis. The initial six dollars ($6.00) fee required by this section and for this purpose shall be in full payment of the permanent registration plates issued for such vehicle operated as a mobile X-ray unit, and such plates need not thereafter be renewed, and such plates may be transferred as provided in G.S. 20-78 to replacement vehicles to be used for the purposes above described and for which the plates were originally issued.~~

~~The Division of Motor Vehicles shall issue to the American National Red Cross, upon application of any local chapter thereof and payment of a fee of six dollars ($6.00) for each plate, a permanent registration plate, which need not be thereafter renewed, for all disaster vans, bloodmobiles, handivans, and such sedans and station wagons as are used for emergency or disaster work, and operated by a local chapter in this State in the business of the American National Red Cross. Such plates may be transferred as provided in G.S. 20-78 to a replacement vehicle to be used for the purposes above described and for which the plates were originally issued. In the event of transfer of ownership to any other person, firm or corporation, or transfer or reassignment of any vehicle bearing such registration plate to any chapter or association of the American National Red Cross in any other state, territory or country, the registration plate assigned to such vehicle shall be surrendered to the Division of Motor Vehicles.~~

(c) State Highway Patrol. -- In lieu of all other registration requirements, the Commissioner shall each year assign to the State Highway Patrol, upon payment of six dollars ($6.00) per registration plate, a sufficient number of regular registration plates of the same letter prefix and in numerical sequence beginning with number 100 to meet the requirements of the State Highway Patrol for use on Division vehicles assigned to the State Highway Patrol. The commander of the Patrol shall, when such plates are assigned, issue to each member of the State Highway Patrol a registration plate for use upon the Division vehicle assigned to ~~him~~ the member pursuant to G.S. 20-190 and assign a registration plate to each Division service vehicle operated by the Patrol. An index of such assignments of registration plates shall be kept at each State Highway Patrol radio station and a copy ~~thereof~~ of it shall be furnished to the registration division of the Division. Information as to the individual assignments of ~~such~~ the registration plates shall be made available to the public upon request to the same extent and in the same manner as regular registration information. The commander, when necessary, may reassign registration plates provided that ~~such~~ the reassignment shall ~~be made to~~ appear upon the index required ~~herein~~ under this subsection within 20 days after ~~such~~ the reassignment.

~~The Division of Motor Vehicles shall, upon appropriate certification of financial responsibility, issue to sheltered workshops recognized or approved by the Division of Vocational Rehabilitation Services and to public and nonprofit agencies or organizations which provide transportation for or operate programs subject to and approved in accordance with standards adopted by the Commission for Mental Health, Developmental Disabilities, and Substance Abuse Services of the Department of Health and Human Services upon application and payment of a fee of six dollars ($6.00) for each plate, a permanent registration plate for vehicles registered to and operated by such agencies. The initial six dollars ($6.00) fee required by this section and for this purpose shall be in full payment of the permanent registration plate issued for such vehicle operated by a sheltered workshop and such plates need not thereafter be renewed, and such plates may be transferred as provided in G.S. 20-78 to a replacement vehicle to be used by the sheltered workshop designated on the registration card.~~

~~On and after January 1, 1972, permanent registration plates used on all vehicles owned by the State of North Carolina or a department thereof shall be of a distinctive color and design which shall be readily distinguishable from all other permanent registration plates issued pursuant to this section or G.S. 20-84.1. For the purpose of carrying out the intent of this paragraph, all vehicles owned by the State of North Carolina or a department thereof in operation as of October 1, 1971, and bearing a permanent registration shall be reregistered during the months of October, November and December, 1971, and upon reregistration, registration plates issued for such vehicles shall be of a distinctive color and design as provided for hereinabove.~~"

Section 4. G.S. 20-84.1 is repealed.

Section 5. This act becomes effective July 1, 1999.

HOUSE BILL 486:
Parade Trailers -- Permanent Plates

BILL ANALYSIS

Committee:	Senate Finance Committee	**Introduced by:**	Rep. Moore
Date:	May 10, 1999	**Summary by:**	Cindy Avrette and Martha K. Walston, Staff Attorneys
Version:	Proposed Senate Committee Substitute		

SUMMARY: ***House Bill 486 would authorize the Division of Motor Vehicles to issue a permanent registration plate for trailers owned by a nationally chartered charitable organization and used only for parade floats and for transporting vehicles and structures used only in parades. The cost of the plate would be six dollars ($6.00). The bill consolidates and modernizes provisions in the permanent plate statute. The bill would become effective July 1, 1999. House Bill 486 was given a favorable report in House Finance on March 31, and passed the House on April 5. The proposed committee substitute corrects an erroneous cite in Section 2 of the bill.***

CURRENT LAW: The registration fee for a trailer is $10.00. The fee is payable on or before January 1 of each year. The Division may issue a multiyear plate and registration card for a trailer for a fee of $75.00. The multiyear plate may not be transferred to a replacement vehicle.

BILL ANALYSIS: House Bill 486 would authorize the Division of Motor Vehicles to issue a permanent registration plate to a nationally chartered charitable organization for a trailer the organization owns and uses only for parade floats and for transporting vehicles and structures used only in parades. The Shriners appear to be the major organization that would benefit from this legislation. The cost of the permanent registration plate would be $6.00. The permanent plates could be transferred to another trailer that is bought to replace the one for which the plate was originally issued, so long as the use of the trailer is restricted to parades.

The statute amended by the bill, G.S. 20-84, was originally written in 1937. It has been amended many times. Many of the paragraphs repeat the same general information, such as fee and transferability, for each entity entitled to a permanent plate. The bill rewrites the statute by listing the entites entitled to a permanent plate and by consolidating the general provisions into one subsection. It also changes the caption of Part 6 of Article 3 of Chapter 20 and of G.S. 20-84 to accurately reflect their contents.

Under G.S. 20-84, there is an ambiguous provision that appears to prohibit the Division from collecting the $35 certificate of registration fee for certain motor vehicles entited to a permanent registration plate. The Division interprets the provision to mean that any entity entitled to a permanent registration plate does not have to pay the $35 certificate of registration fee. Section 2 of the bill puts this provision in the appropriate statute concerning fees. The provision has been rewritten to conform the language with the Division's interpretation and practice.

BILL SUMMARY: DMV will make permanent registration plates available to nationally chartered charitable organizations, at a fee of $6.00, for all trailers that are used only for parade floats and for transporting vehicles and structures used only in parades.

ASSUMPTIONS AND METHODOLOGY: The Shriners appear to be the major organization that would be affected by this legislation and the three main Temples in North Carolina have a total of approximately 38 trailers that would qualify. For these trailers the annual fee of $10 would become a one time fee of $6. The loss in revenue would be $4 per trailer in the first year and $10 per trailer in subsequent years.

Information as to the individual assignments of ~~such~~ the registration plates shall be made available to the public upon request to the same extent and in the same manner as regular registration information. The commander, when necessary, may reassign registration plates provided that ~~such~~ the reassignment shall ~~be made to~~ appear upon the index required ~~herein~~ under this subsection within 20 days after ~~such~~ the reassignment.

~~The Division of Motor Vehicles shall, upon appropriate certification of financial responsibility, issue to sheltered workshops recognized or approved by the Division of Vocational Rehabilitation Services and to public and nonprofit agencies or organizations which provide transportation for or operate programs subject to and approved in accordance with standards adopted by the Commission for Mental Health, Developmental Disabilities, and Substance Abuse Services of the Department of Health and Human Services upon application and payment of a fee of six dollars ($6.00) for each plate, a permanent registration plate for vehicles registered to and operated by such agencies. The initial six dollars ($6.00) fee required by this section and for this purpose shall be in full payment of the permanent registration plate issued for such vehicle operated by a sheltered workshop and such plates need not thereafter be renewed, and such plates may be transferred as provided in G.S. 20-78 to a replacement vehicle to be used by the sheltered workshop designated on the registration card.~~

~~On and after January 1, 1972, permanent registration plates used on all vehicles owned by the State of North Carolina or a department thereof shall be of a distinctive color and design which shall be readily distinguishable from all other permanent registration plates issued pursuant to this section or G.S. 20-84.1. For the purpose of carrying out the intent of this paragraph, all vehicles owned by the State of North Carolina or a department thereof in operation as of October 1, 1971, and bearing a permanent registration shall be reregistered during the months of October, November and December, 1971, and upon reregistration, registration plates issued for such vehicles shall be of a distinctive color and design as provided for hereinabove.~~"

Section 4. G.S. 20-84.1 is repealed.

Section 5. This act becomes effective July 1, 1999.

Referred to:

March 4, 1999

A BILL TO BE ENTITLED

AN ACT TO AMEND THE EDUCATIONAL REQUIREMENTS FOR AUCTIONEERS, APPRENTICE AUCTIONEERS, AND PRINCIPALS IN AN AUCTION FIRM, TO ALLOW THE AUCTIONEERS COMMISSION TO ASSESS A CIVIL PENALTY IN CERTAIN CIRCUMSTANCES, TO INCREASE FEES, AND TO AUTHORIZE CRIMINAL HISTORY CHECKS FOR APPLICANTS FOR AN AUCTIONEER'S LICENSE.

The General Assembly of North Carolina enacts:

Section 1. G.S. 85B-3 reads as rewritten:

"**§ 85B-3. Auctioneers Commission.**

(a) There shall be a five-member North Carolina Auctioneers Commission having the powers and responsibilities set out in this Chapter. The Governor shall appoint the members of the Commission, at least three of whom, and their successors, shall be from nominations submitted by the Auctioneers Association of North Carolina. The Auctioneers Association shall submit, within 45 days of when the vacancy occurs, at least three names for each position for which it is entitled to make a nomination. Of the initial five members of the Commission one shall be appointed for a one-year term, two shall be appointed for two-year terms and two for three-year terms; thereafter, each new member shall be appointed for a term of three years. Any vacancy shall be filled for the remainder of the unexpired term only. Each member shall continue in office until his successor is appointed and qualified. No member shall serve more than two complete consecutive terms.

(b) At least three members of the Commission shall be experienced auctioneers who are licensed under this Chapter. One member shall be a person who shall represent the public at large and shall not be licensed under this Chapter.

(c) The Commission shall employ an executive director and other employees as needed to carry out the duties of this Chapter. All employees shall serve at the pleasure of the Commission.

(d) Any action that may be taken by the Commission may be taken by vote of any three of its members.

(e) The members of the Commission shall elect from among themselves a chairman to serve a one-year term. No person shall serve more than two consecutive terms as chairman.

~~(f) The Commission shall receive and act upon applications for auctioneer licenses, issue and suspend and revoke licenses, adopt rules and regulations for auctioneers and auctions that are consistent with the provisions of this Chapter and the General Statutes, and issue declaratory rulings. The Commission may make and enforce reasonable rules and take other actions necessary to administer and enforce the provisions of this Chapter.~~

(g) Members of the Commission shall receive the compensation set for members of occupational licensing boards by G.S. 93B-5."

Section 2. Chapter 85B of the General Statutes is amended by adding a new section to read:

"**§ 85B-3.1. Auctioneers Commission; powers and duties.**

(a) The Commission shall have the following powers and duties:

(1) To receive and act upon applications for licenses.

(2) To issue licenses.

(3) To deny, suspend, and revoke licenses pursuant to G.S. 85B-8.

(3) To adopt rules for auctioneers and auctions that are consistent with the provisions of this Chapter and the General Statutes.

(4) To issue declaratory rulings.

(b) The Commission may assess a civil penalty not in excess of two thousand dollars ($2,000) for acts prohibited in G.S. 85B-8. All civil penalties collected by the Commission shall be remitted to the school fund of the county in which the violation occurred. Before imposing and assessing a civil penalty and fixing the amount thereof, the Commission shall, as a part of its deliberations, take into consideration the following factors:

(1) The nature, gravity, and persistence of the particular violation.

(2) The appropriateness of the imposition of a civil penalty when considered alone or in combination with other punishment.

(3) Whether the violation was willful.

(4) Any other factors that would tend to mitigate or aggravate the violations found to exist."

Section 3. Chapter 85B of the General Statutes is amended by adding a new section to read:

"**§ 85B-3.2. Criminal history record checks of applicants for licensure.**

(a) Definitions. -- The following definitions shall apply in this section:

(1) Applicant -- An applicant for initial licensure as an auctioneer.

(2) Criminal history -- A State or federal history of conviction of a crime, whether a misdemeanor or felony, that bears upon an applicant's fitness to be licensed as an auctioneer.

(b) The Commission shall ensure that the State criminal history of an applicant is checked. National criminal history checks are authorized for an applicant who has not resided in the State of North Carolina during the past five years. The Commission shall provide to the North Carolina Department of Justice the fingerprints of the applicant to be checked, a form signed by the applicant to be checked consenting to the check of the criminal history and to the use of fingerprints and other identifying information required by the State or National Repositories, and any additional information required by the Department of Justice.

(c) All releases of criminal history information to the Commission shall be subject to, and in compliance with, rules governing the dissemination of criminal history record checks as adopted by the North Carolina Division of Criminal Information. All of the information the Commission receives through the checking of the criminal history is for the exclusive use of the Commission and shall be kept confidential.

(d) If the applicant's verified criminal history record check reveals one or more convictions of a crime that is punishable as a felony offense, or the conviction of any crime involving fraud or moral turptitude, the Commission may deny the applicant's license. However, the conviction shall not automatically prohibit licensure, and the following factors shall be considered by the Commission in determining whether licensure shall be denied:

(1) The level and seriousness of the crime.

(2) The date of the crime.

(3) The age of the person at the time of the crime.

(4) The circumstances surrounding the commission of the crime, if known.

(5) The nexus between the criminal conduct of the applicant and the applicant's duties as an auctioneer.

(6) The prison, jail, probation, parole, rehabilitation, and employment records of the applicant since the date the crime was committed.

(7) The subsequent commission by the person of a crime.

(e) The Commission may deny licensure to an applicant who refuses to consent to a criminal history record check or use of fingerprints or other identifying information required by the State or National Repositories of Criminal Histories.

(f) The Commission shall notify the applicant of the applicant's right to review the criminal history information, the procedure for challenging the accuracy of the criminal history, and the applicant's right to contest the Commission's denial of licensure."

Section 4. G.S. 85B-4 reads as rewritten:

"**§ 85B-4. Licenses required.**

(a) No person who is not exempt under G.S. 85B-2, shall sell, or offer to sell, goods or real estate at auction in this State or perform any act for which an auction firm license is required unless the person holds a currently valid license issued under this Chapter.

(b) No person shall be licensed as an apprentice auctioneer, auctioneer, or receive an auction firm license if the person:

(1) Is under 18 years of ~~age;~~ age.

(1a) Is not a high school graduate or the equivalent. However, a person licensed under this Chapter prior to July 1, 1999, does not need to meet this requirement.

(2) Repealed by Session Laws 1983, c. 751, s. 6.

(3) Has within the preceding five years pleaded guilty to, entered a plea of nolo contendere or been convicted of any felony, or committed or been convicted of any act involving fraud or moral ~~turpitude;~~ turpitude.

(4) Has had an auctioneer or apprentice auctioneer or auction firm license ~~revoked; or~~ revoked.

(5) Has, within the preceding five years, committed any act ~~which~~ that constitutes grounds for license suspension or revocation under this Chapter or a Commission rule.

(c) Each applicant for an apprentice auctioneer license shall submit a written application in a form approved by the Commission and containing at least two statements by residents of the community in which the applicant resides attesting to the applicant's good moral character.

(c1) Each apprentice auctioneer application and license shall name a licensed auctioneer to serve as the supervisor of the apprentice. No apprentice auctioneer may enter into an agreement to conduct an auction, or conduct an auction, without the express approval of his supervisor. The supervisor shall review all contracts before approving them and shall regularly review the records his apprentice is required to maintain under G.S. 85B-7 to see that they are accurate and current, and shall perform such other supervisory duties as may be required by the Commission.

(d) No person shall be licensed as an auctioneer unless the person has held an apprentice auctioneer license and served as an apprentice auctioneer for the two preceding years, accumulated sufficient knowledge and experience in such areas of the auctioneer profession as the Commission may deem appropriate, and has taken an examination approved by the Commission and performed on it to the satisfaction of the Commission. The examination shall test the applicant's understanding of the law relating to auctioneers and auctions, ethical practices for auctioneers, the mathematics applicable to the auctioneer business, and such other matters relating to auctions as the Commission considers appropriate. The examination shall be given at least twice each year in Raleigh, and at other times and places the Commission designates, but no person shall be allowed to take the examination within six months after having failed it a second time.

~~Any person who has been in the auctioneer business in this State for at least two years prior to the effective date of this act [July 1, 1973], and who makes proper application to the Commission within one year after July 1, 1973, may be licensed as an auctioneer without holding an apprentice license and serving as an apprentice of two years, and without taking the examination required by this subsection.~~ Any person who has successfully completed the equivalent of at least 80 hours of classroom instruction in a course in auctioneering at an institution ~~approved by the Commission~~ whose curriculum and instructors meet the qualifications approved or established by the Commission may be licensed as an auctioneer without holding an apprentice license and serving as an apprentice for two years, but ~~must~~ shall take the examination required by this subsection and perform on it to the satisfaction of the Commission.

Each applicant for an auctioneer license shall submit a written application in a form approved by the ~~Commission.~~ Commission, pay all applicable fees, and consent in writing to a criminal history check as required by G.S. 85B-3.2. If the applicant has been previously licensed as an apprentice auctioneer, the application shall contain an evaluation by the applicant's supervisor of the applicant's performance as an apprentice auctioneer and the applicant's performance in specific areas as required by the Commission. If the applicant is exempted from apprenticeship after completion of the equivalent of at least 80 hours of classroom instruction in auctioneering, the application shall contain a transcript of the applicant's course work in auctioneering. Each application shall be accompanied by statements of at least two residents of the community in which the applicant resides attesting to the applicant's good moral character. The Commission may require verification of any information included in an application for an auctioneer license and may request other information or verification of information provided to determine whether the applicant possesses the good moral character or other qualifications for licensure.

(e) Each license issued under this Chapter shall be valid from July 1 of the year issued, or from the date issued, whichever is later, to the following June 30 unless sooner revoked or suspended pursuant to this Chapter or a rule of the Commission. A license may be renewed for one year at a time, except an apprentice auctioneer license may not be renewed for more than three times. No examination shall be required for renewal of an auctioneer license if the application for renewal is made within 24 months of the expiration of the previous license.

(e1) The Commission may require licensees to complete annually not more than six hours of Commission-approved continuing education courses prior to license renewal. The Commission may impose different continuing education requirements, including no such requirements, upon the classes of licensees under this Chapter. The Commission may waive any or all continuing education requirements in cases of hardship, disability, or illness, or under other circumstances as the Commission deems appropriate.

(f) No person shall be issued an auctioneer or apprentice auctioneer license until the person has made the contribution to the Fund as required by G.S. 85B-4.1.

(g) An auction firm must be licensed by the Board even though no owner or officer of the firm acts as an auctioneer. To be licensed an auction firm must make the contribution to the Fund as required by G.S. 85B-4.1 and must pay the proper fees as set out in G.S. 85B-6. Auction firms are covered by the provisions of G.S. 85B-8.

An auction firm license issued by the Commission is restricted to the persons named in the license and does not inure to the benefit of any other person. Where a license is issued to an auction firm, authority to transact business under the license is limited to the person or persons designated in the application and named in the license.

The designated person or persons, prior to being licensed, shall be required to take a written examination, approved by the Commission, and demonstrate to the satisfaction of the Commission a thorough understanding of the law relating to the conduct of the auction business and other matters the Commission deems appropriate. An individual who is licensed as an auctioneer and who is the designated person applying for an auction firm license is not required to take the auction firm examination. Licensed real estate brokers and real estate firms may be exempt from the auction firm examination provided they employ or associate themselves with a licensed auctioneer to handle those aspects of the transactions peculiar to the auctioneer profession. Any person or entity, on the effective date of this Chapter, duly licensed as an auction firm in good standing is not required to take any examination in order to maintain or to renew an auction firm license provided that the license does not otherwise expire or lapse and is not suspended or revoked by the Commission.

(h) The Commission shall publish at least once a year a list of names and addresses of all persons, sole proprietorships, partnerships and corporations holding valid apprentice auctioneer, auctioneer, or auction firm licenses.

(i) The Commission may investigate as it deems necessary the ethical background of any applicant for licensure under this Chapter."

Section 5. G.S. 85B-4.1 reads as rewritten:

"**§ 85B-4.1. Auctioneer Recovery Fund.**

(a) In addition to license fees, upon application for a license or renewal of a license, the Commission may charge the applicant or licensee up to fifty dollars ($50.00) per year to be included in the Fund.

(b) The Commission shall maintain at least ~~one~~ two hundred thousand dollars ~~($100,000)~~ ($200,000) in the Fund for use as provided in this Chapter. The Fund may be invested by the State Treasurer in interest bearing accounts, and any interest accrued shall be added to the Fund. Sufficient liquidity shall be maintained to insure that funds will be available to satisfy claims processed through the Board. The Fund may be disbursed by a warrant drawn against the State Treasurer or by other method at the discretion of the State Treasurer.

(c) The Commission, in its discretion, may use contents of the Fund in excess of ~~one~~ two hundred thousand dollars ~~($100,000)~~ ($200,000) for the following purposes:

(1) To promote education and research in the auctioneer profession, in order to benefit persons licensed under this Chapter and to improve the efficiency of the ~~profession;~~ profession.

(2) To underwrite educational seminars, training centers, and other forms of educational projects for the use and benefit of ~~licensees;~~ licensees.

(3) To sponsor, contract for, or underwrite education and research projects in order to advance the auctioneer profession in ~~North Carolina; and~~ North Carolina.

(4) To cooperate with associations of auctioneers, or other groups, in order to promote the enlightenment and advancement of the auctioneer profession in North Carolina."

Section 6. G.S. 85B-6(a) reads as rewritten:

"**§ 85B-6. Fees; local governments not to charge fees or require licenses.**

(a) The Commission shall collect and remit to the State Treasurer fees in an amount not to exceed the following:

Item	Maximum Fee	
Apprentice Auctioneers:		
Application for license	~~$50.00~~	$125.00
Issuance or renewal of license	~~50.00~~	125.00
Auctioneers:		
Application for license	~~50.00~~	125.00
Examination	~~25.00~~	75.00
Issuance or renewal of license	~~100.00~~	250.00
Auction Firms:		
Application for license	~~50.00~~	125.00
Examination	~~25.00~~	75.00
Issuance or renewal of license	~~100.00~~	250.00
Reinstatement of License	~~25.00.~~	75.00.

An application fee for a license and an examination fee are nonrefundable. The amount payable by a nonresident under G.S. 85B-5 to obtain a nonresident reciprocal auctioneer license is the greater of the amount set in the above table for an examination for and the issuance of an auctioneer's license and the amount the nonresident's state would charge a resident auctioneer of this State to obtain a comparable license from that state.

A reinstatement fee is payable when a person applies for renewal of a license after the license has lapsed for failure to renew it before it expired. The reinstatement of a lapsed license is not retroactive in effect and does not limit the authority of the courts or of the Commission to take disciplinary action against a person who engages in the auctioneer profession with a lapsed license."

Section 7. G.S. 85B-8 reads as rewritten:

"**§ 85B-8. Prohibited acts; assessment of civil penalty; denial, suspension, or revocation of license.**

(a) The following shall be grounds for the assessment of a civil penalty in accordance with G.S. 85B-3.1(b) or the denial, suspension, or revocation of an auctioneer, auctioneer apprentice, or auction firm license:

(1) Any violation of this Chapter or any violation of a rule or regulation duly adopted by the ~~Commission;~~ Commission.

(2) A continued and flagrant course of misrepresentation or making false promises, either by the licensee, an employee of the licensee, or by someone acting on behalf of and with the licensee's ~~consent;~~ consent.

(3) Any failure to account for or to pay over within a reasonable time, not to exceed 30 days, funds belonging to another which have come into the licensee's possession through an auction ~~sale;~~ sale.

(4) Any false, misleading, or untruthful ~~advertising;~~ advertising.

(5) Any act of conduct in connection with a sales transaction which demonstrates bad faith or ~~dishonesty;~~ dishonesty.

(6) Knowingly using false bidders, ~~cappers~~ cappers, or pullers, or knowingly making a material false statement or ~~representation;~~ representation.

(7) Commingling the funds or property of a client with the licensee's own or failing to maintain and deposit in a trust or escrow account in an insured bank or savings and loan association located in North Carolina funds received for another person through sale at ~~auction;~~ auction.

(8) Failure to make the required contribution to the ~~Fund;~~ Fund.

(9) The commission or conviction of a crime that is punishable as a felony offense under the laws of North Carolina or the laws of the jurisdiction where committed or convicted, or the commission of any act involving fraud or moral ~~turpitude;~~ turpitude.

(10) Failure to properly make any disclosures or to provide documents or information required by this Chapter or by the ~~Commission;~~ Commission.

(11) A demonstrated lack of financial responsibility.

(b) to (d) Repealed by Session Laws 1973, c. 1195, s. 5.

(e) The Commission may upon its own motion or upon the complaint in writing of any person, provided the complaint and any evidence presented with it establishes a prima facie case, hold a hearing and investigate the actions of any auctioneer, apprentice auctioneer, or auction firm, or any person who holds himself or herself out as an auctioneer or apprentice auctioneer, and shall have the power to impose a civil penalty on any licensee, suspend or revoke any license issued under the provisions of this Chapter, or to reprimand or censure any licensee. In all proceedings for the imposition of a civil penalty or the denial, suspension, or revocation of licenses, the provisions of Chapter 150B of the General Statutes including provisions relating to summary suspension shall be applicable. Any person who desires to appeal the denial of an application for any license authorized to be

issued under this Chapter shall file a written appeal with the Commission not later than 30 days following notice of denial.

(f) A person whose license has been denied, suspended, or revoked may not apply in that person's name or in any other manner within the period during which the order of denial, suspension, or revocation is in effect, and no firm, partnership, or corporation in which any person has a substantial interest or exercises management responsibility or control may be licensed during the period."

Section 8. G.S. 85B-9(a) reads as rewritten:

"(a) Any person, corporation or association of persons violating the provisions of G.S. 85B-4(a) shall be guilty of a Class 1 misdemeanor. The Attorney General of North Carolina, or the Attorney General's designee, shall have concurrent jurisdiction with the district attorneys of this State to prosecute violations of this Chapter."

Section 9. Article 4 of Chapter 114 of the General Statutes is amended by adding a new section to read:

"**§ 114-19.8. Criminal record checks of applicants for auctioneer license.**

The Department of Justice may provide to the North Carolina Auctioneers Commission from the State and National Repositories of Criminal Histories the criminal history of any applicant for an auctioneer's license under Chapter 85B of the General Statutes. Along with the request, the Commission shall provide to the Department of Justice the fingerprints of the applicant, a form signed by the applicant consenting to the criminal record check and the use of fingerprints and other identifying information required by the State or National Repositories, and any additional information required by the Department of Justice. The applicant's fingerprints shall be forwarded to the State Bureau of Investigation for a check of the State's criminal history record file, and the State Bureau of Investigation shall forward a set of fingerprints to the Federal Bureau of Investigation for a national criminal history record check. The Commission shall keep all information obtained pursuant to this section confidential. The Department of Justice may charge a fee to offset the cost incurred by it to conduct a criminal record check under this section. The fee shall not exceed the actual cost of locating, editing, researching, and retrieving the information."

Section 10. Sections 3, 4, 6, and 9 of this act become effective July 1, 1999. Sections 1, 2, and 7 of this act become effective October 1, 1999. The remainder of this act is effective when it becomes law.

HOUSE BILL 301:
Auctioneer Amendments

BILL ANALYSIS

Committee:	Senate Finance Committee	**Introduced by:**	Rep. Culpepper
Date:	May 10, 1999	**Summary by:**	Mary Shuping, Research Assistant, and Martha K. Walston, Staff Attorney
Version:	2nd Edition		

SUMMARY: ***House Bill 301 will allow the Auctioneers Commission to assess a civil penalty for certain violations, allow the Commission to conduct criminal history checks on applicants for initial licensure as an auctioneer, and authorize the Commission to require continuing education. House Bill 301 also raises the amount of money that must be maintained in the Auctioneer Recovery Fund and increases the fees charged to applicants for licensure. The bill was given a favorable report in House Finance on April 12 and passed the House on April 14.***

CURRENT LAW: The Auctioneers Commission is made up of five members appointed by the Governor. At lease three of the members must be nominated by the Auctioneers Association of NC. Also, at least 3 must be experienced auctioneers, and one member must be from the public at large. The Commission has the authority to license apprentice auctioneers, auctioneers, and auctioneer firms. The Commission may also deny, suspend or revoke licenses for certain violations. The Commission administers the Auctioneers Recovery Fund for compensation to persons who have suffered a monetary loss as a direct result of the conversion of funds or property, or other fraudulent act or conduct by a licensed auctioneer, apprentice auctioneer, or auction firm. Finally, the Commission may also charge fees for licensure and an additional fee to be deposited in the Auctioneers Recovery Fund.

BILL ANALYSIS: House Bill 301 authorizes the Commission to charge a civil penalty for certain violations, conduct criminal history checks, require continuing education and raises the fees for applicants and the amount of money that must be maintained in the Auctioneers Recovery Fund. The 2nd version of the bill caps the civil penalty at $2,000 and directs that those penalties be deposited in the appropriate school fund, adds additional language requiring the criminal history checks, and makes stylistic and conforming changes to the statutes. Following is a section-by-section analysis of the bill:

Section 1 deletes the powers and duties of the Auctioneers Commission and recodifies those powers and duties in new G.S. 85B-3.1 (see Section 2).

Section 2 reorganizes the powers and duties of the Commission in a separate section and adds the power to assess a civil penalty. The civil penalty is capped at $2,000, and must be remitted to the school fund of the county in which the violation occurred. Section 2 also establishes guidelines the Commission must use in assessing civil penalties.

Section 3 establishes the criminal history checks in G.S. 85B-3.2. Criminal history checks will be conducted only on applicants for initial licensure as an auctioneer. This section will not apply to applicants for relicensure as an auctioneer, apprentice auctioneers, and auction firms. This section defines "criminal history" and directs the Commission to conduct State criminal history checks on applicants and requires national criminal history checks on applicants who have not resided in NC during the past 5 years.

This section directs the Commission to provide to the Department of Justice the fingerprints of the applicant, a form signed by the applicant consenting to the check and to the use of fingerprints and other identifying information as required by the State or National Repositories, and any additional information required by the Department of Justice. All information the Commission receives through the checks must be kept confidential.

Section 3 also provides that a conviction for a felony or a crime involving fraud or moral turptitude will not automatically prohibit licensure and gives guidelines that must be used by the Commission in determining whether a license will be denied. Licensure may, however, be denied to an applicant who refuses to consent to the criminal history check. The Commission must notify the applicant of the applicant's right to review the criminal history information, the procedure for challenging the accuracy of the criminal history, and the applicant's right to contest the Commission's denial of licensure.

Section 4 provides that no person shall be licensed as an auctioneer, apprentice auctioneer, or receive an auction firm license unless that person is a high school graduate or equivalent. However, this section also provides that anyone who was licensed prior to July 1, 1999 will not have to meet this requirement.

Section 4 also authorizes the Commission to require not more than 6 hours of continuing education. It also permits the Commission to impose different or no continuing education requirements on different classes of licensees. The Commission may waive continuing education requirements for hardship, disability, illness, or under other circumstances as the Commission deems appropriate.

Section 4 also clarifies that an applicant for initial licensure must comply with the criminal history checks in G.S. 85B-3.2.

Finally, Section 4 also makes stylistic changes and repeals obsolete law.

Section 5 increases the amount of money the Commission must maintain in the Auctioneers Recovery Fund from $100,000 to $200,000. Funds in excess of $200,000 may continue to be used to promote education about the profession, to underwrite educational projects for licensees and to advance the auctioneer profession, and to work with auctioneers' associations to promote the auctioneer profession in NC.

Section 6 increases the fees for auctioneers, apprentice auctioneers, and auction firms.

Type of Fee	Current	Proposed Fee
Apprentice Auctioneers		
Application for license	$50.00	$125.00
Issuance or renewal of license	$50.00	$125.00
Auctioneers		
Application for license	$50.00	$125.00
Examination	$25.00	$75.00
Issuance or renewal of license	$100.00	$250.00
Auction Firms		
Application for license	$50.00	$125.00
Examination	$25.00	$75.00
Issuance or renewal of license	$100.00	$250.00
Reinstatement of license	$25.00	$75.00

Section 7 provides that, in addition to the denial, suspension, or revocation of licenses, the Commission may also assess a civil penalty in accordance with G.S. 85B-3.1(b) for the prohibited acts enumerated in G.S. 85B-8.

Section 8 clarifies that the Attorney General's Office has concurrent jurisdiction with the district attorneys in the State to prosecute violations of this Chapter.

Section 9 adds conforming language to the Department of Justice statutes which permits the DOJ to release information from the criminal history checks to the Commission. The Department of Justice may charge a fee to offset the cost incurred by it to conduct a criminal history check. The fee may not exceed the actual cost of locating, editing, researching, and retrieving the information. The current cost for conducting a State criminal history check is $14.00. The current cost of conducting a national criminal history check is $24.00.

Section 10 makes the provisions regarding the criminal history checks, requirement for a high school diploma, continuing education requirements, and the increase in fees effective July 1. The civil penalty authority is effective October 1, 1999, and the remainder of the act is effective when it becomes law.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: North Carolina Auctioneer Licensing Board, North Carolina Auctioneers Commission

EFFECTIVE DATE: The act is effective when it becomes law.

BILL SUMMARY: The act makes several changes in Chapter 85B of the General Statutes concerning auctioneers. Sections 1, 2 and 7 of the bill allow the North Carolina Auctioneers Commission to assess civil penalties up to $2,000 for violations detailed in G.S. 85B-8. Section three establishes the procedures for doing a state criminal record check. Section four requires auctioneer licensees to have a high school diploma or its equivalent. This section also gives the North Carolina Auctioneers Commission the power to require licensees to complete 6 hours of continuing education courses each year for license renewal. Section five requires a minimum balance of $200,000 in the Auctioneer Recovery Fund. Section six increases the maximum fee that the Board can charge for licenses and exams. Section eight authorizes the Attorney General to prosecute anyone acting as an auctioneer without a license. Section nine allows the Department of Justice to do federal criminal record checks for the North Carolina Auctioneers Commission.

ASSUMPTIONS AND METHODOLOGY:

FINES/PENALTIES

The North Carolina Auctioneer Licensing Board receives approximately 80 complaints a year from the public. The Board's interim Executive Director believes that as many as 50 cases a year will be subject to a civil penalty. The bill authorizes a penalty of up to $2,000, but the Executive Director believes the Board will follow the example of other states and charge between $500 and $1,000 per violation. Based on this estimate, between $25,000 and $50,000 each year will be deposited into the school fund of the county in which the violation occurred.

CRIMINAL RECORD CHECKS

This bill allows the Department of Justice to charge a reasonable fee for conducting state and national criminal-history record checks. Presently, the Federal Bureau of Investigation charges $24 for each criminal record check and the North Carolina State Bureau of Investigation charges $14. In 1998-99, the North Carolina Auctioneer Licensing Board had 131 applicants for licensure. The Board currently receives a criminal record check from the home county of the applicant. The Board's Executive Director estimates that the Board will ask for a state and national criminal record check for only 5% of applicants. In 1998-99, five percent of the caseload would have been seven record checks. The Board will pay the $266 in record check fees to the Department of Justice.

EDUCATION REQUIREMENTS

Section 4 of the bill requires that applicants for an auctioneer license be a high school graduate or have an equivalent degree. From July 1, 1997 to April 1, 1999, licenses were issued to 18 persons without a high school diploma. Since it is unknown whether this requirement will discourage application for licensing or encourage potential applicants to obtain their GEDs, no revenue estimate is available.

Another part of section 4 allows the N. C. Auctioneer Licensing Board to impose a continuing education requirement of up to 6 hours of courses on auctioneers seeking to renew their licenses. Although these courses are offered free to auctioneers twice a year at conventions of the Auctioneers Association of North Carolina, the Board's Executive Director feels the requirement could discourage part-time auctioneers from renewing their license and thus reduce revenue for the Board's Special Revenue Fund. An unofficial estimate by the Board's Executive Director projects the loss could be one fourth of current licensees. Since the language in HB 301 is permissive, this fiscal note assumes the Commission will not implement the continuing ed requirements within the next five years and thus no change in revenues.

AUCTIONEER RECOVERY FUND

Section 5 of the bill increases the minimum balance in the Auctioneer Recovery Fund from $100,000 to $200,000. The Fund is used to compensate persons who have suffered monetary losses from the fraudulent acts of auctioneers. In effect, this change puts into the statutes a practice that the Board has deemed prudent and sound fiscal policy for several years. In 1995, the fund balance in the Auctioneer Recovery Fund was $220,837. In 1996, the balance dipped to $188,977 primarily due to $30,521 in claims paid that year. The Board has the authority to assess all auctioneers a fee to insure the Fund has a sufficient balance and did so in FY 1998-99. With

the $141,400 in fees assessed in 1998-99, the balance in the Auctioneer Recovery Fund is now $294,343.

FEES

Section 6 of the bill increases the maximum fee the Board can charge for licenses and exams for deposit into the Board's Special Revenue Fund for its operating budget. The Board has not increased the statutory maximum license fee since 1973, but did add exam and application fees in 1993. The Board raised fees to their maximum amount on September 1, 1998. When the fee increase was discussed in 1997 and 1998, the Board's previous Executive Director said the fee increase would provide sufficient revenue for Board operations for the next five years. The Board has stated again in an April 7 fax to the Fiscal Research Division of the General Assembly that "it is not the Board's intention to raise fees in the near future". The chart below shows the fiscal impact of raising all fees to the maximum with the authority under HB 301.

SENATE BILL 1082*

Short Title: Funds for Agriculture Research. (Public)

Sponsors: Senators Albertson; and Metcalf.

Referred to: Finance.

April 15, 1999

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FUNDS FOR AGRICULTURAL RESEARCH BY INCREASING THE ASSESSMENT ON FERTILIZER, COMMERCIAL FEED, OR THEIR INGREDIENTS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 106-568.2 reads as rewritten:

"**§ 106-568.2. Policy as to referendum and assessment.**

It is declared to be in the public interest and highly advantageous to the economic development of the State that farmers, producers, and growers of agricultural commodities using commercial feed and/or fertilizers or their ingredients be permitted by referendum held among themselves to levy upon themselves an assessment of ~~ten cents (10¢)~~ fifteen cents (15¢) per ton on mixed fertilizers, commercial feed, and their ingredients (except lime and land plaster) to provide funds through the Agricultural Foundation to supplement the established program of agricultural research and dissemination of research facts.

It is further declared to be in the public interest and highly advantageous to the economic development of the State that tobacco producers be permitted by referendum to levy upon themselves an assessment not to exceed ten cents (10¢) per hundred pounds of tobacco marketed to provide funds through the North Carolina Tobacco Research Commission for research and dissemination of research facts concerning tobacco."

Section 2. G.S. 106-568.8(a) reads as rewritten:

"(a) Fertilizer and feed assessments. In the event two-thirds or more of the eligible farmers and producers participating in said referendum vote in favor of such

assessment, then said assessment shall be collected for a period of six years under rules, regulations, and methods as provided for in this Article. The assessments shall be added to the wholesale purchase price of each ton of fertilizer, commercial feed, and/or their ingredients (except lime and land plaster) by the manufacturer of said fertilizer and feed. The assessment so collected shall be paid by the manufacturer into the hands of the North Carolina Commissioner of Agriculture on the same tonnage and at the same time and in the same manner as prescribed for the reporting of the inspection tax on commercial feeds and fertilizers as prescribed by G.S. 106-284.40 and 106-671. The Commissioner shall then remit ~~said ten cents (10¢) per ton~~ the assessment for the total tonnage as reported by all manufacturers of commercial feeds, fertilizers, and their ingredients to the treasurer of the North Carolina Agricultural Foundation, Inc., who shall disburse such funds for the purposes herein enumerated and not inconsistent with provisions contained in the charter and bylaws of the North Carolina Agricultural Foundation, Inc. Signed copies of the receipts for such remittances made by the Commissioner to the treasurer of the North Carolina Agricultural Foundation, Inc., shall be furnished the Commissioner of Agriculture, the North Carolina Farm Bureau Federation, and the North Carolina State Grange. The treasurer of the North Carolina Agricultural Foundation, Inc., shall make an annual report at each annual meeting of the Foundation directors of total receipts and disbursements for the year and shall file a copy of said report with the Commissioner of Agriculture and shall make available a copy of said report for publication.

It shall be the duty of the Commissioner of Agriculture to audit and check the remittances of ~~ten cents (10¢) per ton~~ the assessment by the manufacturer to the Commissioner in the same manner and at the same time as audits and checks are made of remittances of the inspection tax on commercial feeds and fertilizers.

Any commercial feed excluded from the payment of the inspection fee required by G.S. 106-284.40 shall nevertheless be subject to the assessment provided for by this Article and to quarterly tonnage reports to the Department of Agriculture and Consumer Services as provided for in G.S. 106-284.40(c)."

Section 3. This act is effective when it becomes law; however, the increased assessment of five cents (5¢) per ton under G.S. 106-568.2, as amended by Section 1 of this act, shall not be levied nor collected before January 1, 2001.

SENATE BILL 1082:
Funds for Agriculture Research

BILL ANALYSIS

Committee:	Senate Finance Committee	**Introduced by:**	Sen. Albertson
Date:	May 10, 1999	**Summary by:**	Cindy Avrette and Martha K. Walston, Staff Attorneys
Version:	1st Edition		

SUMMARY: ***Senate Bill 1082 would allow farmers to vote on whether to levy an assessment of fifteen cents (15¢) per ton on mixed fertilizers, commercial fee, and their ingredients. This assessment would be a five cent (5¢) increase over the current assessment amount. The proceeds of the assessment would be used by the Agricultural Foundation for agricultural research and dissemination of research facts. The bill becomes effective when it becomes law; however, the increased assessment of five cents (5¢) per ton could not be levied before January 1, 2001. House Bill 1009, introduced by Representative Hill, is identical to this bill and was given a favorable report in House Finance. House Bill 1009 has been calendared pursuant to Rule 36(b).***

CURRENT LAW AND BILL ANAYSIS: In 1951, the General Assembly gave North Carolina farmers the ability to levy upon themselves an assessment on mixed fertilizers, commercial feed, and their ingredients, except lime and land plaster. The purpose of the assessment is to provide funds for agricultural research and dissemination of research facts through the North Carolina Agricultural Foundation. For the assessment to be levied, two thirds or more of the farmers voting in the referendum must vote in favor of the levying and collection of the assessment. If two thirds of the farmers vote in favor of the assessment, the assessment is levied annually for the next six years. A new referendum may be called and conducted during the sixth year on the question of whether or not the assessment shall be continued for the next ensuing six years. The sixth year period ends this year. In the past, the assessment has been supported by a 90% vote in favor of the assessment. The current assessment amount is ten cents (10¢). **Senate Bill 1082 would increase the assessment amount five cents (5¢), from ten cents (10¢) to fifteen cents (15¢).** This amount has not been increased since 1981.

The governing boards of the North Carolina Farm Bureau Federation, the North Carolina State Grange, and the North Carolina Agricultural Foundation, Inc., arrange for and manage the referendum. They must publicly announce in each county the date, hours, and polling places in that county for voting in the referendum at least 60 days before the date the referendum will be held. They must also disclose the amount of the proposed assessment and the general purposes for which the funds collected will be used.

The manufacturer of the fertilizer and feed adds the assessment to the wholesale purchase price of each ton of fertilizer, commercial feed, and their ingredients. The manufacturer collects the assessment amount and remits it to the North Carolina Commissioner of Agriculture on the same tonnage and at the same time and in the same manner as prescribed for the reporting of the inspection tax on commercial feed. The inspection tax is due by the last day of January, April, July, and October of each year. The Commissioner then remits the assessment to the treasurer of the North Carolina Agricultural Foundation, Inc. If a farmer does not want to pay the assessment, the farmer may request a refund in writing from the North Carolina Agricultural Foundation. The refund must be requested within 30 days from the date the assessment is paid.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: N.C. Department of Agriculture, N.C. Agricultural Foundation, North Carolina State University.

EFFECTIVE DATE: The act is effective when it becomes law. The increased assessment shall not be levied nor collected before January 1, 2001.

BILL SUMMARY: Currently farmers, producers, and growers of agricultural commodities pay a $0.10 assessment on each ton of mixed fertilizers, commercial feed, and the ingredients for feed and fertilizer. This assessment is added to the wholesale purchase price. Lime and land plasters are exempt from the assessment. The assessment was levied after a required referendum vote of eligible farmers and producers. The levy must be renewed by referendum every six years. The proceeds of the assessment are collected by the Department of Agriculture and deposited in the North Carolina Agricultural Foundation. The bill increases the assessment on these items to $0.15 per ton.

ASSUMPTIONS AND METHODOLOGY: Funds from the assessment are deposited with the North Carolina Agricultural Foundation, Inc. The Agricultural Foundation is a non-profit, charitable and educational corporation as defined in Internal Revenue Service code 501(c) 3. The Agricultural Foundation was formed in 1944 "to aid and promote, by financial assistance and otherwise, all types of education and research in agriculture at or through the North Carolina State University at Raleigh." North Carolina State University administers the program.

According to documents from N.C. State University, total cash receipts for the Foundation were approximately $9.5 million in 1998. This was a significant increase from the $6.2 million experienced the previous year. Approximately $700,000 - $775,000 of this amount came from the $0.10 assessment on mixed fertilizers and commercial feed. This assessment is generally referred to in the agricultural community as "nickels for know how".

Officials at N.C. State University expect "nickels for know how" income to continue to hover at the $700,000 - $775,000 range for the next five years. Assuming the farmers approve the fifty-percent increase (from $0.10 to $0.15 per ton), the added revenue generated by the bill will be approximately $375,000.

Under current law farmers must vote on the "nickels for know now" funding every six years. The next referendum must be held in 1999. Generally voting is done in October or November. For the new rate, or any rate, to apply the measure must pass with a 2/3-majority vote. N.C. State reports that the referendum has always been endorsed by at least 90% of those voting. Therefore, Fiscal Research assumes, for the purposes of the note, that this measure will also be approved. The 2000-01 fiscal impact has been adjusted to account for the January 1 effective date.

Referred to:

March 29, 1999

A BILL TO BE ENTITLED

AN ACT TO REVISE AND CONSOLIDATE THE CHARTER OF THE TOWN OF BENSON.

The General Assembly of North Carolina enacts:

Section 1. The Charter of the Town of Benson is revised and consolidated to read as follows:

"THE CHARTER OF THE TOWN OF BENSON.

"ARTICLE I. INCORPORATION, CORPORATE POWERS, AND BOUNDARIES.

"Section 1.1. **Incorporation.** The Town of Benson, North Carolina, in Johnston County and the inhabitants thereof shall continue to be a municipal body politic and corporate, under the name of the 'Town of Benson', hereinafter at times referred to as the 'Town'.

"Section 1.2. **Powers.** The Town shall have and may exercise all of the powers, duties, rights, privileges, and immunities conferred upon the Town of Benson specifically by this Charter or upon municipal corporations by general law. The term 'general law' is employed herein as defined in G.S. 160A-1.

"Section 1.3. **Corporate Boundaries.** The corporate boundaries shall be those existing at the time of ratification of this Charter, as set forth on the official map of the Town and as they may be altered from time to time in accordance with law. An official map of the Town, showing the current municipal boundaries, shall be maintained permanently in the office of the Town Clerk and shall be available for public inspection. Upon alteration of the corporate limits pursuant to law, the appropriate changes to the official map shall be made and copies shall be filed in the

office of the Secretary of State, the Johnston County Register of Deeds, and the appropriate board of elections.

"ARTICLE II. GOVERNING BODY.

"Section 2.1. **Town Governing Body; Composition.** The Board of Commissioners, hereinafter referred to as the 'Board', and the Mayor shall be the governing body of the Town.

"Section 2.2. **Town Board; Composition; Terms of Office.** The Board shall be composed of six members to be elected in the manner provided in Article III for terms of four years, or until their successors are elected and qualified.

"Section 2.3. **Mayor; Duties.** The Mayor shall be elected by and from the qualified voters of the Town voting at large in the manner provided in Article III for a term of two years or until his or her successor is elected and qualified. The Mayor shall be the official head of the Town government and shall preside at meetings of the Board. Where there is an equal division upon any question, or upon the appointment of officers, the Mayor shall determine the matter by his or her vote, but he or she shall vote in no other case. The Mayor shall exercise such powers and perform such duties as are or may be conferred upon him or her by the general laws of North Carolina, by this Charter, and by the ordinances of the Town.

"Section 2.4. **Mayor Pro Tempore.** The Board shall choose one of its members to act as Mayor Pro Tempore, and he or she shall perform the duties of the Mayor in the Mayor's absence or disability. The Mayor Pro Tempore as such shall have no fixed term of office, but shall serve in such capacity at the pleasure of the remaining members of the Board.

"Section 2.5. **Meetings; Quorum.** In accordance with general law, the Board shall establish a suitable time and place for its regular meetings. Special and emergency meetings may be held as provided by general law. The quorum provisions of G.S. 160A-74 shall apply.

"Section 2.6. **Voting.** Four affirmative votes, which may include the vote of the Mayor in the event of equal division among the Board, shall be necessary to adopt any ordinance or any resolution or motion having the effect of an ordinance. All other matters to be voted upon shall be decided by a majority vote of those present and voting.

"Section 2.7. **Ordinances and Resolutions.** The adoption, amendment, repeal, pleading, or proving of ordinances shall be in accordance with the applicable provisions of the general laws not inconsistent with this Charter. The yeas and nays shall be taken upon all ordinances and resolutions and entered upon the minutes of the Board. The enacting clause of all ordinances shall read: 'Be it ordained by the Board of Commissioners of the Town of Benson'. All ordinances and resolutions shall take effect upon adoption unless otherwise provided therein.

"Section 2.8. **Qualifications for Office; Compensation; Vacancies.** The qualifications and compensation of the Mayor and the Board shall be in accordance with general law. In the event a vacancy occurs in the office of Mayor, the Board shall by a majority vote appoint some qualified person to fill the same for the remainder of the unexpired term. Any vacancy on the Board shall be filled by

majority vote of the remaining members of the Board for the remainder of the unexpired term. The person appointed to fill a vacancy in the office of Board member for District 1, 2, or 3 must reside in the district for which appointed.

"ARTICLE III. ELECTIONS.

"Section 3.1. **Regular Municipal Elections.** Regular municipal elections shall be held in each odd-numbered year in accordance with the uniform municipal election laws of North Carolina. Elections shall be conducted on a nonpartisan basis and the results determined using the nonpartisan plurality election method as provided in G.S. 163-279(a)(1) and G.S. 163-292.

"Section 3.2. **Election of Mayor.** A Mayor shall be elected in each regular municipal election.

"Section 3.3. **Election of Commissioners.** The Commissioners serving on the date of ratification of this Charter shall serve until the expiration of their terms or until their successors are elected and qualified. In the 1999 election and every four years thereafter, three Commissioners shall be elected, one each for Districts 1, 2, and 3 as the same are described in Section 3.5 of this Article. Only voters residing in a district may vote for the Commissioner for that district. In the 2001 election and every four years thereafter, three Commissioners shall be elected by the voters of the entire Town.

"Section 3.4. **Voting.** In each election, each voter shall be entitled to vote for one candidate for Mayor. In each election in which Commissioners for Districts 1, 2, and 3 are being chosen, each voter shall be entitled to vote for one candidate for Commissioner for the district in which the voter resides. In each election in which the three Commissioners to be elected by the entire Town are being chosen, the names of all candidates for those offices shall be placed on a single ballot and each voter shall be entitled to vote for one candidate only.

"Section 3.5. **District Boundaries.** The Districts for the election of Commissioners are:

District 1. The eastern side of Town included within the following line beginning at the intersection of Market Street with the southern Town limits and running clockwise to the same point as follows: North on Market Street to Brocklyn Street, east on Brocklyn to the western side of Interstate 95, north along the western side of Interstate 95 one block to Harnett Street, west on Harnett one block to George Street, north on George (or the line George would follow if extended north at that point) one block to Parrish Street, west on Parrish to Dunn Street, north on Dunn three blocks to Hill Street, east on Hill to Catherine Street, north on Catherine to Morris Avenue, east on Morris to Hall Street, north on Hall two blocks to Branch Street, west on Branch to Johnson Street, north on Johnson to U.S. Highway 301, east on 301 to the Town limits, then south and clockwise along the Town limits to the starting point.

District 2. The middle portion of the Town included between the western boundary of District 1 and the following line running south to north from its beginning at the intersection of Ryals Street and Mann Street at the southern Town limits: North on Ryals Street four blocks to Harnett Street, east on Harnett to Farmer

Road, north on Farmer two blocks to Main Street, east on Main one block to Wall Street, north on Wall one block to Church Street, east on Church one block to the railroad tracks, north on the railroad tracks to the Town limits at U.S. Highway 301.

District 3. The western side of Town including all of the Town west of the line described above as the boundary for District 2.

"Section 3.6. **Special Elections and Referenda.** Special elections and referenda may be held only as provided by general law or applicable local acts of the General Assembly.

"ARTICLE IV. ORGANIZATION AND ADMINISTRATION.

"Section 4.1. **Form of Government.** The Town shall operate under the council-manager form of government, in accordance with Part 2 of Article 7 of Chapter 160A of the General Statutes.

"Section 4.2. **Town Manager; Appointment; Powers and Duties.** The Board shall appoint a Town Manager who shall be responsible for the administration of all departments of the Town government. The Town Manager shall have all the powers and duties conferred by general law, except as expressly limited by the provisions of this Charter, and the additional powers and duties conferred by the Board, so far as authorized by general law.

"Section 4.3. **Town Clerk.** The Board shall appoint a Town Clerk to keep a journal of the proceedings of the Board, to maintain official records and documents, to give notice of meetings, and to perform such other duties required by law or as the Board may direct.

"Section 4.4. **Finance Director.** The Board shall appoint a Finance Director to perform the duties designated in G.S. 159-25 and such other duties as may be prescribed by law or assigned by the Board.

"Section 4.5. **Tax Collector.** The Board shall appoint a Tax Collector pursuant to G.S. 105-349 to collect all taxes owed to the Town, subject to general law, this Charter, and Town ordinances.

"Section 4.6. **Town Attorney.** The Board shall appoint a Town Attorney licensed to practice law in North Carolina. It shall be the duty of the Town Attorney to represent the Town, advise Town officials, and perform other duties required by law or as the Board may direct. The Town Attorney shall serve at the pleasure of the Board and shall receive such compensation as the Board shall determine.

"Section 4.7. **Other Administrative Officers and Employees.** The Board may authorize other positions to be filled by appointment by the Town Manager, and may organize the Town government as deemed appropriate, subject to the requirements of general law.

"ARTICLE V. REGULATORY JURISDICTION.

"Section 5.1. **Effect of Ordinances on Town Property.** All applicable ordinances of the Town shall have full force and effect upon and within all property, rights-of-way, and facilities owned or leased by the Town, whether located within or outside the corporate limits.

"ARTICLE VI. POLICE.

"Section 6.1. **Jurisdiction Extended.** In addition to their authority within the corporate limits, Town police shall have all the powers invested in law-enforcement officers by statute or common law within one and one-half miles of the corporate limits of the Town, and on all property owned by or leased to the Town wherever located.

"ARTICLE VII. STREETS AND SIDEWALKS.

"Section 7.1. **Assessments for Street Improvements.** In addition to any authority that is now or may hereafter be granted by general law for making street improvements, the Board is authorized to order to be made or to make street improvements according to the standards and specifications of the Town and to assess the total costs, or a portion thereof, against abutting property owners in accordance with the provisions of this Article.

"Section 7.2. **When Petition Unnecessary.** The Board may order street improvements and assess the total costs or a portion thereof, exclusive of the costs incurred at street intersections, against the abutting property owners according to one or more of the assessment bases set forth in Article 10 of Chapter 160A of the General Statutes, without the necessity of a petition, upon the finding by the Board of one of the following:

(1) That such street or part thereof is unsafe for vehicular traffic and it is in the public interest to make such improvement.

(2) That it is in the public interest to connect two streets or portions of a street already improved.

(3) That it is in the public interest to widen a street, or part thereof, that is already improved, except that assessments for widening any street or portion of a street without petition shall be limited to the cost of widening and otherwise improving the street in accordance with the street classification and improvement standards established by the Town's thoroughfare or major street plan for the particular street or part thereof to be widened and improved under the authority granted by this Article.

"Section 7.3. **Street Improvement Defined.** 'Street improvement' shall include grading, regrading, surfacing, resurfacing, widening, paving, and repaving streets, the acquisition of rights-of-way, and the construction or reconstruction of curbs, gutters, and street drainage facilities.

"Section 7.4. **Sidewalk Improvements.** In addition to any authority that is now or may hereafter be granted by general law for making sidewalk improvements, the Board is authorized to order to be made or to make sidewalk improvements or repairs according to the standards and specifications of the Town, and to assess the total costs, or a portion thereof, against abutting property owners according to one or more of the assessment bases set forth in Article 10 of Chapter 160A of the General Statutes, except that the Board may order the cost of sidewalk improvements made only on one side of a street to be assessed against property owners abutting both sides of the street.

"Section 7.5. **Assessment Procedure.** In ordering street or sidewalk improvements without a petition and assessing the cost thereof under authority of this Article, the Board shall comply with the procedure provided by Article 10 of Chapter 160A of the General Statutes, except those provisions relating to the petition of property owners and the sufficiency thereof.

"Section 7.6. **Effect of Assessments.** The effect of the act of levying assessments under authority of this Article shall for all purposes be the same as if the assessments were levied under authority of Article 10 of Chapter 160A of the General Statutes.

"Section 7.7. **Acceptance of Conveyance in Satisfaction of Assessments.** The Town Tax Collector or other official or employee of the Town having charge of the collection of special assessments, shall have the right, power, and authority, by and with the approval of the Board first had and obtained, to receive and accept a fee simple conveyance to the Town of any lot or parcel of land in the Town, free and clear of other encumbrances, in full settlement and satisfaction of any street or sidewalk assessments outstanding and unpaid against the property. Such right, power, and authority shall be limited to conveyance of the whole of the lot or parcel of land against which the particular assessments involved were levied. No lot or tract of land may be divided and such right, power, and authority exercised as to a part of the property originally embraced in and covered by the assessments. In the case of such conveyance, it shall not be necessary that the street or sidewalk assessments against the property be foreclosed, but the Town, upon the receipt of any such conveyance, shall become and be the absolute fee simple owner of the property as fully to all intents and purposes as if purchased in and through foreclosure proceedings for the enforcement of such street or sidewalk assessments.

"ARTICLE VIII. WATER AND SEWER.

"Section 8.1. **Corner Lot Exemptions.** The Board is hereby authorized to establish, by ordinance or resolution, schedules of exemptions for assessments for water and sewer line extensions for corner lots when water or sewer lines, or both, are installed along both sides of such lots and when the cost of such installation along both sides were or are financed in whole or in part by assessments. The schedules of exemptions may be classified as to land uses (residential, commercial, industrial, institutional, or agricultural) and shall be uniform for each such classification used, except that no schedule of exemptions may provide for exemption of more than fifty percent (50%) of the frontage on any side of a corner lot, or 150 feet, whichever is greater.

"Section 8.2. **Alternative Method of Assessment.** In addition to, and as an alternative, to the methods provided in G.S. 160A-218 for assessing the costs of water and sewer lines and laterals, the Board, if in its opinion it would be more equitable to do so, is hereby authorized in its discretion to levy any such assessments according to either of the following methods: (1) equally against each of the lots capable of being served by the lines, or (2) on the basis of the footage of land upon a public street by an equal rate per foot of such frontage.

Instead of assessing the total cost of a particular project as herein provided, the Board may annually, between the first days of January and July of each year,

determine the average cost of installing water and sewer mains or lines and on the basis of the determination may make assessments of the average cost during the following fiscal year beginning July 1. The average cost of the installation shall include the cost of the particular size and material of lines completed during the preceding calendar year. It may also include the anticipated increase in labor and material costs based upon the average of such increases during the preceding five calendar years. The assessment of the average cost of the line shall not be made until after the particular assessment project has been completed. The purpose of this section is to: (1) distribute more equitably the cost of the installation of water and sewer lines throughout the Town; (2) permit a property owner to know in advance what the cost of installation of water and sewer lines benefiting his or her property will be; and (3) permit the most expeditious assessment of cost against property after completion of the installation of the lines. The actual cost of acquisition of rights-of-way may also be assessed as part of the cost of an individual project. If the right-of-way costs have not been determined and assessed with the assessment of the average installation costs at the time of the completion of the project, the costs may be assessed separately when they are determined.

"ARTICLE IX. WATER AND SEWER LINE CHARGES.

"Section 9.1. **Water and Sewer Line Charges.** The authority of the Town to impose water and sewer line charges shall continue as authorized by S.L. 1989-477.

"ARTICLE X. CLAIMS AGAINST THE TOWN.

"Section 10.1. **Settlement of Claims by Town Manager.** The Board may authorize the Town Manager to settle claims against the Town for: (1) personal injuries or damages to property when the amount involved does not exceed the sum of five thousand dollars ($5,000) and does not exceed the actual loss sustained, including loss of time, medical expenses, and any other expenses actually incurred, and (2) the taking of small portions of private property that are needed for the rounding of corners at intersections of streets when the amount involved in any such settlement does not exceed five thousand dollars ($5,000) and does not exceed the actual loss sustained. Settlement of a claim by the Town Manager pursuant to this section shall constitute a complete release of the Town from any and all damages sustained by the person involved in the settlement in any manner arising out of the incident, occasion, or taking complained of. All such settlements and all such releases shall be approved by the Town Attorney.

"ARTICLE XI. EXTRATERRITORIAL JURISDICTION.

"Section 11.1. **Jurisdiction Extended.** The area over which the Town exercises its extraterritorial jurisdiction may be extended pursuant to Chapter 804 of the 1986 Session Laws, any subsequent local acts, and any applicable general laws."

Section 2. The purpose of this act is to revise the Charter of the Town of Benson and to consolidate certain acts concerning the property, affairs, and government of the Town. It is intended to continue without interruption those provisions of prior acts that are expressly consolidated into this act so that all rights and liabilities that have accrued are preserved and may be enforced.

Section 3. This act does not repeal or affect any acts concerning the property, affairs, or government of public schools or any acts validating official actions, proceedings, contracts, or obligations of any kind.

Section 4. The provisions of Article III of this act are intended to codify and continue, without change, the terms of the election plan ordered by the United States District Court for the Eastern District of North Carolina on November 22, 1988, in Johnson v. Town of Benson, No. 88-240.CIV-5.

Section 5. The following acts, having served the purposes for which they were enacted or having been consolidated into this act, are expressly repealed:

Chapter 623 of the 1971 Session Laws, except Section 4.

Chapter 71 of the 1989 Session Laws.

Section 6. The Mayor and Board serving on the date of ratification of this act shall serve until the expiration of their terms or until their successors are elected and qualified.

Section 7. This act does not affect any rights or interests that arose under any provisions repealed by this act.

Section 8. All existing ordinances, resolutions, and other provisions of the Town of Benson not inconsistent with the provisions of this act shall continue in effect until repealed or amended.

Section 9. No action or proceeding pending on the effect date of this act by or against the Town or any of its departments or agencies shall be abated or otherwise affected by this act.

Section 10. If any provision of this act or application thereof is held invalid, such invalidity shall not affect other provisions or applications of this act that can be given effect without the invalid provision or application, and to this end the provisions of this act are declared to be severable.

Section 11. Whenever a reference is made in this act to a particular provision of the General Statutes and such provision is later amended, superseded, or recodified, the reference shall be deemed amended to refer to the amended General Statute, or to the General Statute that most clearly corresponds to the statutory provision that is superseded or recodified.

Section 12. This act is effective when it becomes law.

SENATE BILL 328:
D.O.T. Right-of-Way Plan Filing

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Wellons
Date:	May 17, 1999	**Summary by:**	Martha K. Walston
Version:	Proposed Committee Substitute		Committee Counsel

SUMMARY: ***Senate Bill 328 amends the statute dealing with registration of right-of-way plans by the Department of Transportation (DOT). The bill makes the following changes: (1) permits DOT to transmit right-of-way plans electronically to the register of deeds if the county where the plans are to be filed approves, (2) reduces the size of the hard copy plans from 20 X 12 inches to 17 X 11 inches, (3) changes the reference from the "project number" of the right-of-way plan recorded by the register of deeds to the "identification number", (4) increases the fee paid by DOT to the register of deeds for registration of right-of-way plans from $5 per plan to $21 for the first page and $5 for each additional page. The changes become effective January 1, 2000.***

CURRENT LAW: When the Board of Transportation formally approves a project, the Dot must certify the cover sheet, plan, and profile sheets of the final right-of-way plans on the project with the register of deeds of the county where the project is located. The plans certified to the register of deeds shall be a Xerox, photographic, or other permanent copy and must measure approximately 20 X 12 inches. The register of deeds in each county charges the DOT $5.00 for the registration of each original plan and profile sheet.

BILL ANALYSIS: Senate Bill 328 allows the DOT to file the right-of-way plans electronically if the county where the plans are to be filed approves. Senate Bill also reduces the size of the hard copy of the plans to be filed from 20 X 12 inches to 17 X 11 inches. The bill changes a reference in the cross-index of the plans maintained by the register of deeds from the "project number" to the "identification number". A project may have several project numbers but only has one identification number. This change will alleviate some of the confusion. The act becomes effective January 1, 2000. This effective date will give the registers of deeds several months to get their software programmed.

POSITIONS:					

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Transportation

EFFECTIVE DATE: January 1, 2000

BILL SUMMARY: SB 328 allows DOT to transmit right-of-way plans electronically with the approval of the county in which the plans are to be filed. The fee collected from DOT by the register of deeds in each county would change to $21 for the first page plus $5 for each additional page from the current charge of $5 per page.

ASSUMPTIONS AND METHODOLOGY: DOT estimates that there are approximately 145 projects per year for which the additional fees would be relevant. At an additional charge of $16 for each the annual impact would be $2320. (The impact for FY1999-2000 would be half this amount.) This assumes that all counties permit the electronic filing. DOT points out that the language of the bill does not address revisions to plans but that even with charges for revisions the impact would not be greater than $3000 per year. There are likely to be savings from electronic submission of plans but no estimate of these savings is included. DOT is in a pilot project with several counties to test the system and estimate the savings and at this time no estimate of savings is available.

TECHNICAL CONSIDERATIONS: The expenditures would be from TIP funding, which could be either Federal funding or Trust Fund, depending on how the project is funded. Most of these will be 80% Federal funds with a 20% Trust Fund match.

SENATE BILL 941
Commerce Committee Substitute Adopted 4/27/99

Short Title: Manufactured Homes Law Changes. (Public)

Referred to:

April 14, 1999

A BILL TO BE ENTITLED

AN ACT TO UPDATE THE MANUFACTURED HOUSING BOARD STATUTES, TO PROVIDE FOR CONTINUING EDUCATION FOR LICENSEES, TO IMPROVE THE BUYER CANCELLATION LAW, AND TO UPDATE THE LAW ON MANUFACTURED HOME STANDARDS TO COMPLY WITH FEDERAL LAWS AND REGULATIONS.

The General Assembly of North Carolina enacts:

Section 1. Article 9A of Chapter 143 of the General Statutes reads as rewritten:

"ARTICLE 9A.

"North Carolina Manufactured Housing Board --
Manufactured Home Warranties.

"§ 143-143.8. Purpose.

The General Assembly finds that ~~mobile~~ manufactured homes have become a primary housing resource for many of the citizens of North Carolina. The General Assembly finds further that it is the responsibility of the ~~mobile~~ manufactured home industry to provide homes which are of reasonable quality and safety and to offer warranties to buyers that provide a means of remedying quality and safety defects in ~~mobile~~ manufactured homes. The General Assembly also finds that it is in the public interest to provide a means for enforcing such warranties.

Consistent with these findings and with the legislative intent to promote the general welfare and safety of ~~mobile~~ manufactured home residents in North Carolina, the General Assembly finds that the most efficient and economical way to assure

safety, quality and responsibility is to require the licensing and bonding of all segments of the ~~mobile~~ manufactured home industry. The General Assembly also finds that it is reasonable and proper for the ~~mobile~~ manufactured home industry to cooperate with the Commissioner of Insurance, through the establishment of the North Carolina Manufactured Housing Board, to provide for a comprehensive framework for industry regulations.

"**§ 143-143.9. Definitions.**

The following ~~words, terms and phrases, when used in this Article, shall have the meanings respectively ascribed to them in this section, except where the context clearly indicates a different meaning:~~ definitions apply in this Article:

The General Assembly upon the recommendation of the Speaker of the House of Representatives in accordance with G.S. 120-121 shall appoint the representative of the banking and finance industry and the representative of the insurance industry. The General Assembly upon the recommendation of the President Pro Tempore of the Senate in accordance with G.S. 120-121 shall appoint the manufactured home supplier and set-up contractor. The Commissioner ~~of Insurance~~ shall appoint two representatives of the general public. Except for the representatives from the general public and the persons appointed by the General Assembly, each member of the Board shall be appointed by the appropriate appointing authority from a list of nominees submitted to the appropriate appointing authority by the Board of Directors of the North Carolina Manufactured Housing Institute. At least three nominations shall be submitted for each position on the Board. The members of the Board shall be residents of the State.

The members of the Board shall serve for terms of three ~~years to begin on October 1, 1981, except that the persons appointed by the General Assembly upon the recommendation of the Speaker shall serve two-year terms to expire on September 30, 1985, and the persons appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate shall serve for three-year terms to expire on September 30, 1986.~~ years. In the event of any vacancy of a position appointed by the Governor or ~~Commissioner of Insurance,~~ Commissioner, the appropriate appointing authority shall appoint a replacement in the same manner as provided for the original appointment to serve the remainder of the unexpired term. Vacancies in appointments made by the General Assembly shall be filled in accordance with G.S. 120-122. In the event of any vacancy, the appropriate appointing authority shall appoint a replacement to serve the remainder of the unexpired term. Such appointment shall be made in the same manner as provided for the original appointment. No member of the Board shall serve more than two consecutive, three-year terms.

The member of the Board representing the general public shall have no financial interest connected with the manufactured housing industry. No member of the Board shall participate in any proceeding before the Board involving that member's own business.

Each member of the Board, except the Commissioner ~~of Insurance~~ and any other State employee, shall receive per diem and allowances as provided with respect to

occupational licensing boards by G.S. 93B-5. All per diem and travel expenses shall be paid exclusively out of the fees received by the Board as authorized by this Article. In no case shall any salary, expense, or other obligation of the Board be charged against the ~~Treasury~~ General Fund of the State of North Carolina. All moneys and receipts shall be kept in a special fund by and for the use of the Board for the exclusive purpose of carrying out the provisions of this Article. Unexpended funds shall not revert to the General Fund.

(b) In accordance with the provisions of this Article, the ~~North Carolina Manufactured Housing~~ Board shall have the following powers and duties:

(1) To issue licenses to manufacturers, dealers, ~~salesmen~~ salespersons, and set-up ~~contractors;~~ contractors.

(2) To require that an adequate bond or other security be posted by all licensees, except manufactured housing ~~salesmen;~~ salespersons.

(3) To receive and resolve complaints from buyers of manufactured homes and from persons in the manufactured housing industry, in connection with the warranty, warranty service, licensing requirements or any other provision under this ~~Article; and~~ Article.

(4) To ~~promulgate~~ adopt rules in accordance with Chapter 150B of the General Statutes as are necessary to carry out the provisions of this Article.

(5) To file against the bond posted by a licensee for warranty repairs and service on behalf of a buyer.

"**§ 143-143.11. License required; application for license.**

(a) It shall be unlawful for any manufactured home manufacturer, dealer, ~~salesman~~ salesperson, or set-up contractor to engage in business as such in this State without first obtaining a license from the Board, as provided in this Article. The fact that a person is licensed by the Board as a set-up contractor or a dealer does not preempt any other licensing boards' applicable requirements for that person.

(b) Application for ~~such~~ the license shall be made to the Board at such time, in such form, and contain ~~such~~ information ~~as~~ the Board ~~shall require;~~ requires, and shall be accompanied by the ~~required~~ fee established by the Board. ~~Such~~ The fee shall not exceed three hundred dollars ($300.00) for any license.

(c) In ~~such~~ the application, the Board shall require information relating to the matters set forth in G.S. 143-143.13 as grounds for refusal of a license, and information relating to other pertinent matters consistent with safeguarding the public interest. All ~~such~~ of this information shall be considered by the Board in determining the fitness of the ~~applicant to engage in the business for which a license is sought.~~ applicant.

(d) All licenses ~~that are granted~~ shall expire, unless ~~sooner~~ revoked or suspended, on June 30 of each year following the date of issue.

(e) Every ~~registrant under this Chapter~~ licensee shall, on or before the first day of July of each year, obtain a renewal of a license for the ~~ensuing~~ next year, by application, accompanied by the required ~~fee; and upon~~ fee. Upon failure to renew,

~~his~~ a license ~~shall~~ automatically ~~expire; but such~~ expires. The license may be renewed at any time within one year upon payment of the ~~prescribed renewal fee and upon evidence satisfactory to the Board that the applicant has not engaged in business as a manufactured home manufacturer, dealer, salesman or set-up contractor after expiration of the license and is otherwise eligible for registration under the provisions of this Chapter.~~ renewal fee.

(f) Supplemental licenses shall be issued for each place of business, operated or proposed to be operated by the licensee, that is not contiguous to other premises for which a license is issued. The fee for a supplemental license shall be established by the Board and shall not exceed three hundred dollars ($300.00), provided that no supplemental license shall be required for a place of business operated by a licensee that is used exclusively for storage.

(g) Notwithstanding the provisions of subsection (a), the Board may provide by rule that a manufactured home ~~salesman~~ salesperson will be allowed to engage in business during the time period after making application for a license but before such license is granted.

(h) ~~To obtain~~ As a prerequisite to obtaining a license under this Article, a person ~~must~~ may be required to pass an examination prescribed by the Board that is based on the ~~North Carolina Manufactured/Mobile Home Regulations and Administrative Procedures required to enforce the Codes.~~ Code, this Article, and any other subject matter considered relevant by the Board.

"§ 143-143.11A. Notification of change of address; service of notice.

(a) Every applicant for a license shall inform the Board of the applicant's business address. Every licensee shall give written notification to the Board of any change in the licensee's business address, for whatever reason, within 10 business days after the licensee moves to a new address or a change in the address takes place. A violation of this subsection shall not constitute grounds for revocation, suspension, or non-renewal of a license or for the imposition of any other penalty by the Board.

(b) Notwithstanding any other provision of law, whenever the Board is authorized or required to give notice to a licensee under this Article, the notice may be delivered personally to the licensee or sent by first-class mail to the licensee at the address provided to the Board under subsection (a) of this section. Notice shall be deemed given four days after mailing, and any Department employee may certify that notice has been given.

"§ 143-143.11B. Continuing education.

(a) The Board may establish programs and requirements of continuing education for licensees, but shall not require licensees to complete more than eight credit hours of continuing education. Prior to the renewal of a license, a licensee shall present evidence to the Board that he or she has completed the required number of continuing education hours in courses approved by the Board during the two months immediately preceding the expiration of his or her license.

(b) The Board may establish nonrefundable fees for the purpose of providing staff and resources to administer continuing education programs, and may establish nonrefundable course application fees, not to exceed one hundred fifty dollars

($150.00), for the Board's review and approval of proposed continuing education courses. The Board may charge the sponsor of an approved course a nonrefundable fee not to exceed seventy-five dollars ($75.00) for the annual renewal of course approval. The Board may also require a course sponsor to pay a fee, not to exceed five dollars ($5.00) per credit hour per licensee, for each licensee completing an approved continuing education course conducted by the sponsor. The Board may award continuing education credit for an unapproved course or related educational activity and may prescribe procedures for a licensee to submit information on an unapproved course or related educational activity for continuing education credit and may charge the licensee a fee not to exceed fifty dollars ($50.00) for each course or activity submitted. Any unexpended revenue from the fees shall not revert to the General Fund.

(c) The Board may adopt any reasonable rules not inconsistent with this Article to give purpose and effect to the continuing education requirement, including rules that govern:

(1) The content and subject matter of continuing education courses.

(2) The criteria, standards, and procedures for the approval of courses, course sponsors, and course instructors.

(3) The methods of instruction.

(4) The computation of course credit.

(5) The ability to carry forward course credit from one year to another.

(6) The waiver of or variance from the continuing education requirement for hardship or other reasons.

(7) The procedures for compliance and sanctions for noncompliance.

(d) The license of any person who fails to comply with the continuing education requirements under this section shall lapse. The Board may, for good cause shown, grant extensions of time to licensees to comply with these requirements. Any licensee who, after obtaining an extension, offers evidence satisfactory to the Board that he or she has satisfactorily completed the required continuing education courses shall be deemed in compliance with this section.

"**§ 143-143.12. Bond required.**

(a) A person licensed as a manufactured home ~~salesman~~ salesperson shall not be required to furnish a bond, but each applicant approved by the Board for license as a manufacturer, dealer, or set-up contractor shall furnish a corporate surety bond, cash bond or fixed value equivalent ~~thereof~~ in the following amounts:

(1) For a ~~manufactured,~~ manufacturer, two thousand dollars ($2,000) per manufactured home manufactured in the prior license year, up to a maximum of one hundred thousand dollars ($100,000). When no manufactured homes were produced in the prior year, the amount required shall be based on the estimated number of manufactured homes to be produced during the current ~~year;~~ year.

(2) For a dealer ~~who buys, sells, or deals in manufactured homes and~~ who has four or less places of business, the amount shall be twenty-five thousand dollars ~~($25,000);~~ ($25,000).

(3) For a dealer ~~who buys, sells, or deals in manufactured homes and~~ who has more than four places of business, the amount shall be fifty thousand dollars ~~($50,000);~~ ($50,000).

(4) For a set-up contractor, the amount shall be five thousand dollars ($5,000).

(b) A corporate surety bond shall be approved by the Board as to form and shall be conditioned upon the obligor faithfully conforming to and abiding by the provisions of this Article. A cash bond or fixed value equivalent ~~thereof~~ shall be approved by the Board as to form and terms of deposits in order to secure the ultimate beneficiaries of the bond. A corporate surety bond shall be for a one-year period, and a new bond or a proper continuation certificate shall be delivered to the Board at the beginning of each subsequent one-year period.

(c) Any buyer of a manufactured home who suffers any loss or damage by any act of a licensee that constitutes a violation of this Article ~~shall have the right to~~ may institute an action to recover against ~~such~~ the licensee and the surety.

(d) The Board may adopt rules to assure satisfaction of claims.

"§ 143-143.13. Grounds for denying, ~~suspending~~ suspending, or revoking ~~license.~~ licenses; civil penalties.

(a) A license may be denied, suspended or revoked by the Board on any one or more of the following grounds:

(1) ~~Material~~ Making a material misstatement in application for ~~license;~~ license.

(2) ~~Failure~~ Failing to post an adequate corporate surety bond, cash bond or fixed value ~~equivalent thereof;~~ equivalent.

(3) Engaging in the business of manufactured home manufacturer, dealer, ~~salesman~~ salesperson, or set-up contractor without first obtaining a license from the ~~Board;~~ Board.

(4) ~~Failure~~ Failing to comply with the warranty service obligations and claims procedure established by this ~~Article;~~ Article.

(5) ~~Failure~~ Failing to comply with the ~~set-up and tie-down~~ set-up requirements established by this ~~Article;~~ Article.

(6) ~~Having knowingly failed or refused~~ Failing or refusing to account for or to pay over moneys or other valuables belonging to others ~~which~~ that have come into licensee's possession arising out of the sale of manufactured ~~homes;~~ homes.

(7) ~~Use of~~ Using unfair methods of competition or committing unfair or deceptive ~~commercial~~ acts or ~~practices;~~ practices.

(8) ~~Failure~~ Failing to comply with any provision of this ~~Article;~~ Article.

(9) ~~Failure~~ Failing to appear for a hearing before the Board or for a prehearing conference with a person or persons designated by the

Board ~~upon due~~ after proper notice or failing to ~~follow directives~~ comply with orders of the Board issued pursuant to this ~~Article;~~ Article.

(10) Employing unlicensed ~~retail salesmen;~~ salespersons.

(11) ~~Knowingly offering for sale the products of manufacturers who are not licensed pursuant to this Article or selling, to dealers not licensed pursuant to this Article, manufactured homes which are to be sold in this State to buyers as defined in this Article;~~ Offering for sale manufactured homes manufactured or assembled by unlicensed manufacturers or selling manufactured homes to unlicensed dealers for sale to buyers in this State.

(12) Conviction of a felony or any crime involving moral ~~turpitude;~~ turpitude.

(13) Having had a license revoked, suspended or denied by the ~~Board under this Article;~~ Board; or having had a license revoked, suspended or denied by a similar entity in another state; or engaging in conduct in another state which conduct, if committed in this State, would have been a violation under this ~~Article;~~ Article.

(14) ~~Knowingly engaging~~ Employing or contracting with any person to perform ~~set-up operations~~ setups who is not licensed by the Board as a set-up contractor.

(b) Repealed by Session Laws 1985, c. 666, s. 38.

(c) In addition to the authority to deny, suspend, or revoke a license under this Article, the Board ~~also has the authority to~~ may impose a civil penalty upon any person violating the provisions of this Article. Upon a finding by the Board of a violation of this Article, the Board shall ~~direct~~ order the payment of a penalty of not less than one hundred dollars ($100.00) nor more than five hundred dollars ($500.00). In determining the amount of the penalty, the Board shall consider the degree and extent of harm caused by the violation, the amount of money that inured to the benefit of the violator as a result of the violation, whether the violation was committed willfully, and the prior record of the violator in complying or failing to comply with laws, rules, or orders applicable to the violator. Each day during which a violation occurs shall constitute a separate offense. The penalty shall be payable to the Board. The Board shall remit the clear proceeds of penalties provided for in this subsection to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

Payment of the civil penalty under this section shall be in addition to payment of any other penalty for a violation of the criminal laws of this State. Nothing in this subsection shall prevent the Board from negotiating a mutually acceptable agreement with any person as to the status of the person's license or certificate or as to any civil penalty.

"§ 143-143.14. ~~Notice and hearing.~~ Hearings; rules.

(a) License suspensions, revocations, and renewal refusals are subject to the provisions of Chapter 150B of the General Statutes.

(b) If the Board finds that an applicant has not met the requirements for licensure, the Board shall refuse to issue the applicant a license and shall notify the applicant in writing of the denial and the grounds for the denial. The application may also be denied for any reason for which a license may be suspended or revoked or not renewed under G.S. 143-143.13. Within 30 days after receipt of a notification that an application for a license has been denied, the applicant may make a written request for a review by a member of the Department staff designated by the ~~chairman~~ chair of the Board to determine the reasonableness of the Board's action. The review shall be completed without undue delay, and the applicant shall be notified promptly in writing as to the outcome of the review. Within 30 days after service of the notification as to the outcome, the applicant may make a written request for a hearing under Article 3A of Chapter 150B of the General Statutes if the applicant disagrees with the outcome.

(c) The Board may adopt rules for hearings and prehearing conferences under this Article, and the rules may include provisions for prefiled evidence, the use of evidence, testimony of parties, prehearing statements, prehearing conference procedures, settlement conference procedures, discovery, subpoenas, sanctions, motions, intervention, consolidation of cases, continuances, and the rights and responsibilities of parties and witnesses.

"§ 143-143.15. ~~Set-up and tie-down~~ Set-up requirements.

(a) Manufactured homes shall be set up ~~and anchored~~ in accordance with the standards adopted by the Commissioner.

(b) ~~In the event that~~ If a manufactured home is insured against damage caused by windstorm and subsequently sustains windstorm damage ~~of a nature~~ that indicates the manufactured home was not ~~anchored or tied down~~ set up in the manner required by this section, the insurer issuing the ~~homeowner's~~ insurance policy on the manufactured home shall not be relieved from meeting the obligations specified in the insurance policy with respect to such damage on the basis that the ~~mobile~~ manufactured home was not properly ~~anchored or tied down.~~ set up.

"§ 143-143.16. Warranties.

Each manufacturer, dealer and supplier of manufactured homes shall warrant each new manufactured home sold in this State ~~and the setup of each such manufactured home~~ in accordance with the warranty requirements prescribed by this section for a period of at least 12 months, measured from the date of delivery of the manufactured home to the buyer. The warranty requirements for each manufacturer, dealer, supplier and set-up contractor of manufactured homes are as follows:

(1) The manufacturer warrants that all structural elements, plumbing systems, heating, cooling and fuel burning systems, electrical systems, and any other components included by the manufacturer are manufactured and installed free from substantial ~~defect.~~ defects.

(2) The dealer warrants:

a. That any modifications or alterations made to the manufactured home by the dealer or authorized by the dealer are free from substantial defects. Alterations or modifications made by a dealer shall relieve the manufacturer of warranty responsibility as to the item altered or modified and any ~~damage resulting therefrom.~~ resulting damage.

b. That ~~set-up operations~~ a setup performed by the dealer on the manufactured home ~~are~~ is performed in compliance with ~~applicable standards adopted by the Commissioner for the installation of manufactured homes.~~ the Code.

c. ~~That, during the course of setup~~ That the setup and transportation of the manufactured home ~~performed~~ by the ~~dealer, substantial defects do not occur to the manufactured home.~~ dealer did not result in substantial defects.

(3) The supplier warrants that any warranties generally offered in the ordinary sale of his product to consumers shall be extended to buyers of manufactured homes. The manufacturer's warranty shall remain in effect notwithstanding the existence of a supplier's warranty.

(4) The set-up contractor warrants that ~~set-up operations are performed~~ the manufactured home is set up in compliance with ~~applicable standards adopted by the Commissioner for the installation of manufactured homes,~~ the Code and that ~~during the course of set-up operations performed on the manufactured home, substantial defects do not occur to the manufactured home.~~ the setup did not result in any substantial defects.

"§ 143-143.17. Presenting claims for warranties and substantial defects.

(a) Whenever a claim for warranty service or about a substantial defect is made to a licensee, it shall be handled as provided ~~by~~ in this Article. ~~A~~ The licensee shall make a record ~~shall be made~~ of the name and address of each claimant and the date, substance, and disposition of each claim about a substantial defect. The licensee may request that a claim be in writing, but must nevertheless record it as provided above, and may not delay service pending receipt of the written claim.

(b) When the licensee notified is not the responsible party, he shall in writing immediately notify the claimant ~~of that fact, and shall also in writing immediately notify~~ and the responsible party of the claim. When a responsible party is asked to remedy defects, it may not fail to remedy those defects because another party may also be responsible. Nothing ~~herein shall prevent such~~ in this section prevents a party from obtaining compensation by way of contribution or subrogation from another responsible party in accordance with any other provision of law or contract.

(c) Within the time limits provided in this Article, the licensee shall either resolve the claim or determine that it is not justified. At any time a licensee determines that a claim for warranty service is not justified in whole or in part he shall immediately

notify the claimant in writing that the claim or part of the claim is rejected and why, and shall inform the claimant that he is entitled to complain to the Board, for which a complete mailing address shall be provided. ~~Within five working days of its receipt of a complaint, the Board shall send a complete copy thereof to the Attorney General and to the Commissioner of Insurance.~~

"§ 143-143.18. Warranty service.

(a) When a service agreement exists between or among a manufacturer, dealer and supplier to provide warranty service, the agreement shall specify which party is to remedy warranty defects. Every ~~such~~ service agreement shall be in writing. Nothing contained in such an agreement shall relieve the responsible party, as provided by this Article, of responsibility to perform warranty service. However, any licensee undertaking by such agreement to perform the warranty service obligations of another shall thereby himself become responsible both to that other licensee and to the buyer for his failure adequately to perform as agreed.

(b) When no service agreement exists for warranty service, the responsible party as designated by ~~the provisions of~~ this Article is responsible for remedying the warranty defect.

(c) A substantial defect shall be remedied within 45 days ~~of~~ after the receipt of written notification from the claimant. If no written notification is given, the defect shall be remedied within 45 days ~~of~~ after the mailing of notification by the Board, unless the claim is unreasonable or bona fide reasons exist for not remedying the defect within the 45-day period. The responsible party shall respond to the claimant in writing with a copy to the Board stating its reasons for not promptly remedying the defect and stating what further action is contemplated by the responsible party. Notwithstanding the foregoing provisions of this subsection, defects, which constitute an imminent safety hazard to life and health shall be remedied within five working days of receipt of the written notification of the warranty claim. An imminent safety hazard to life and health shall include but not be limited to (i) inadequate heating in freezing weather; (ii) failure of sanitary facilities; (iii) electrical shock, leaking gas; or (iv) major structural failure. The Board may suspend this five-day time period in the event of widespread defects or damage resulting from adverse weather conditions or other natural catastrophes.

(d) When the person remedying the defect is not the responsible party as designated by the provisions of this Article, he shall be entitled to reasonable compensation paid to him by the responsible party. Conduct ~~which~~ that coerces or requires a nonresponsible party to perform warranty service is a violation of this Article.

(e) Warranty service shall be performed at the site at which the ~~mobile~~ manufactured home is initially delivered to the buyer, except for components which can be removed for service without substantial expense or inconvenience to the buyer.

(f) Any dealer, manufacturer or supplier ~~shall have the right to~~ may complain to the Board when warranty service obligations under this Article are not being enforced.

"**§ 143-143.19. Dealer alterations.**

(a) No alteration or modification shall be made to a manufactured home by a dealer after shipment from the manufacturer's plant, unless such alteration or modification is authorized by this Article or the manufacturer. The dealer shall ensure that all authorized alterations and modifications are performed, if so required, by qualified persons as defined in subsection (d). An unauthorized alteration or modification performed by a ~~manufactured home~~ dealer or his agent or employee shall place primary warranty responsibility for the altered or modified item upon the dealer. If the manufacturer fulfills or is required to fulfill the warranty on the altered or modified item, he shall be entitled to recover damages in the amount of his cost and attorney's fee from the dealer.

(b) An unauthorized alteration or modification of a manufactured home by the owner or his agent shall relieve the manufacturer of responsibility to remedy defects caused by such alteration or modification. A statement to this effect, together with a warning specifying those alterations or modifications which should be performed only by qualified personnel in order to preserve warranty protection, shall be displayed clearly and conspicuously on the face of the warranty. Failure to display such statement shall result in warranty responsibility on the manufacturer.

(c) The Board is authorized to ~~promulgate~~ adopt rules in accordance with Chapter 150B of the General Statutes ~~which~~ that define the alterations or modifications which must be made by qualified personnel. The Board may require qualified personnel only for those alterations and modifications which could substantially impair the structural integrity or safety of the manufactured home.

(d) In order to be designated as a person qualified to alter or modify a manufactured home, a person must comply with State licensing or competency requirements in skills relevant to performing alterations or modifications on manufactured homes.

"**§ 143-143.20. Disclosure of manner used in determining length of manufactured homes.**

In any advertisement or other communication regarding the length of a manufactured home, a manufacturer or dealer shall not include the coupling mechanism in describing the length of the home.

"**§ 143-143.21:** Repealed by Session Laws 1993, c. 409, s. 6, and applicable to purchase agreements executed on or after that date.

"**§ 143-143.21A. ~~Refund of buyer deposit.~~ Purchase agreements; buyer cancellations.**

(a) ~~A dealer shall record the following information in a retail~~ A purchase agreement for a manufactured ~~home:~~ home shall include all of the following:

I UNDERSTAND THAT THIS CANCELLATION MUST BE IN WRITING. IF I ~~ATTEMPT TO~~ CANCEL THE PURCHASE AFTER THE THREE-DAY PERIOD, I UNDERSTAND THAT THE DEALER ~~HAS NO~~ MAY NOT HAVE ANY OBLIGATION TO ~~REFUND THE ENTIRE AMOUNT OF MY DEPOSIT.'~~ 'GIVE ME BACK ALL OF THE MONEY THAT I PAID THE DEALER.'

(c) ~~The~~ At the time the deposit or other payment toward or payment for the purchase price is received by the dealer, the dealer ~~must~~ shall give ~~to~~ the buyer a copy of the purchase agreement ~~along with~~ and a completed form in duplicate, captioned 'Notice of ~~Cancellation",~~ Cancellation,' which shall be attached to the purchase agreement, be easily detachable, and ~~shall~~ explain ~~in plain English~~ the buyer's right to cancel the ~~agreement~~ purchase and how that right can be exercised.

(d) ~~A dealer~~ The dealer shall ~~refund to a buyer the full amount of a deposit on the purchase of a manufactured home~~ return the deposit or other payment toward or payment for the purchase price to the buyer if the buyer cancels the purchase before midnight of the third business day after the date the buyer signed the purchase agreement. ~~In order to make an effective cancellation, the buyer must notify the dealer, in writing, of the buyer's intent to cancel the purchase agreement.~~ To make the cancellation effective, the buyer shall give the dealer written notice of the buyer's cancellation of the purchase. The dealer shall ~~make the refund promptly and, in any event,~~ return the deposit or other payment toward or payment for the purchase price to the buyer within 15 business days ~~from~~ after receipt of the notice of cancellation. For purposes of this section, 'business day' ~~shall mean Monday through Saturday, excluding~~ means any day except Sunday and legal holidays.

(e) If the buyer cancels the purchase ~~agreement~~ after the three-day cancellation period, but before the ~~home is delivered to the buyer, then,~~ sale is completed, and if:

(1) ~~If the~~ The manufactured home is in the dealer's inventory, the dealer may retain from the deposit or other payment received from the buyer actual damages up to a maximum of ten percent (10%) of the purchase price; or

(2) ~~If the~~ The manufactured home is specially ordered from the manufacturer for the buyer, the dealer may retain actual damages up to the full amount of the buyer's ~~deposit.~~ deposit or other payment received from the buyer.

"§ 143-143.22. Inspection of service records.

The Board ~~is authorized to~~ may inspect the ~~pertinent~~ service records of a manufacturer, dealer, supplier or set-up contractor relating to a written warranty claim or complaint made to the Board against ~~such~~ the manufacturer, dealer, supplier, or set-up contractor. Every licensee shall send to the Board upon request within 10 days a ~~true~~ copy of every document or record pertinent to any complaint or claim for service.

"§ 143-143.23. Other remedies not excluded.

Nothing in this ~~Article nor~~ Article, rules adopted by the Board, or any ~~decision by~~ action of the Board shall limit any right or remedy available to the buyer ~~at common law or under any other statute, nor limit~~ or any power or duty of the Attorney General.

"§ 143-143.24. Engaging in business without license a Class 1 misdemeanor.

If any person shall unlawfully act as a manufactured home manufacturer, dealer, ~~salesman,~~ salesperson, or set-up contractor without first obtaining a license from the ~~North Carolina Manufactured Housing~~ Board, as provided in this Article, he shall be guilty of a Class 1 misdemeanor.

"§ 143-143.25. Staff support for Board.

The Manufactured ~~Housing~~ Building Division of the Department shall provide clerical and other staff services required by the Board; and shall administer and enforce all provisions of this Article and all rules adopted under this Article, subject to the direction of the Board; except for powers and duties delegated by this Article to local units of government, other State agencies, or to any persons."

~~b. The serial or other identification number of said manufactured home;~~
~~c. A certification that said manufactured home was evaluated, tested, and inspected in accordance with the standards and rules and regulations prescribed in this Article.~~

Label. -- The form of certification required by HUD to be permanently affixed to each transportable section of each manufactured home manufactured for sale to a purchaser in the United States to indicate that the manufactured home conforms to all applicable federal construction and safety standards.

(7) ~~"Manufactured home" means a~~ Manufactured home. -- A structure, transportable in one or more sections, which in the traveling mode is eight body feet or more in width, or 40 body feet or more in length, or, when erected on site, is 320 or more square feet; and which is built on a permanent chassis and designed to be used as a dwelling, with or without permanent foundation when connected to the required utilities, including the plumbing, heating, air conditioning and electrical systems contained therein. 'Manufactured home' includes any structure that meets all of the requirements of this subsection except the size requirements and with respect to which the manufacturer voluntarily files a certification required by the Secretary of ~~the United States Department of Housing and Urban Development~~ HUD and complies with the standards established under the ~~National Manufactured Housing Construction and Safety Standards Act of 1974, 42 U.S.C. §5401, et seq.~~ Act.

For manufactured homes built ~~prior to~~ before June 15, 1976, 'manufactured home' means a portable manufactured housing unit designed for transportation on its own chassis and placement on a temporary or semipermanent foundation having a measurement of over 32 feet in length and over eight feet in width. 'Manufactured home' also means a double-wide manufactured home, which is two or more portable manufactured housing units designed for transportation on their own chassis that connect on site for placement on a temporary or semipermanent foundation having a measurement of over 32 feet in length and over eight feet in width.

~~(8) "Person" means any corporation, partnership, association, voluntary organization or governmental agency of the United States or any state therein and does not mean an individual natural person.~~

"§ 143-146. Statement of policy; rule-making power.

(a) Manufactured homes, because of the manner of their construction, assembly and use and that of their systems, components and appliances (including heating, plumbing and electrical systems) like other finished products having concealed vital parts may present hazards to the health, life and safety of persons and to the safety of property unless properly manufactured. In the sale of manufactured homes, there is also the possibility of defects not readily ascertainable when inspected by purchasers. It is the policy and purpose of this State to provide protection to the public against those possible hazards, and for that purpose to forbid the manufacture and sale of

new manufactured homes, which are not so constructed as to provide reasonable safety and protection to their owners and users. This Article ~~is intended to provide~~ provides to the Commissioner all necessary authority to enable the State to obtain approval as a State Administrative Agency under the provisions of the ~~National Manufactured Housing Construction and Safety Standards Act of 1974.~~ Act.

~~(b) The Commissioner shall make and promulgate rules embodying the standards for construction or manufacture of manufactured homes set by the Department of Housing and Urban Development under the provisions of the National Manufactured Housing Construction and Safety Standards Act of 1974, as these standards may be amended.~~

~~(c) The Council is authorized to make and promulgate reasonable rules and regulations governing the procedure to be followed by a person or inspection department seeking to obtain a license pursuant to the provisions of this Article which shall provide opportunity for hearing before the Council on such application.~~

~~(d) In order to insure the highest degree of quality control in the manufacture of manufactured homes, the Council is further authorized and empowered to make and promulgate reasonable rules and regulations governing the initial and follow-up manufacturing inspection practices and procedures to be performed by any person granted a license to issue a label of compliance pursuant to this Article. In order to assure uniformity in standards and enforcement, such rules and regulations may also provide that any such licensee and its operations may be inspected from time to time by any other person or licensee designated by the Council who shall report the results of such examination to the Council. In such case the reasonable expense incurred by the examiner in making such inspection shall be borne by the licensee whose operations were examined.~~

(e) The Commissioner ~~is authorized to promulgate such~~ may adopt rules ~~as are necessary~~ to carry out the provisions of the Act and this Article, including rules ~~regarding~~ for consumer complaint ~~procedures, and such other~~ procedures and rules ~~as are necessary to enable the State to assume responsibility~~ for the enforcement of the ~~National Manufactured Housing Construction and Safety Standards Act of 1974.~~ standards and regulations established and adopted by HUD under the Act.

"**§ 143-147. ~~Approval and licensing of persons and inspection departments.~~** Structures built under previous standards.

~~(a) Any qualified person may make application to the Council for approval for license to issue labels of compliance. Any inspection department may make application to the Council for approval for issuing certificates of compliance. The Council after notice and hearing, if satisfied that such person or inspection department meets the qualifications prescribed in this Article, shall cause a license to be issued which license shall be valid for a consecutive period of 12 months and may be renewed for like consecutive periods on application to and approval by the Council;~~

~~(b) Any such license issued to a person other than an inspection department may be suspended or revoked after notice and hearing if such person:~~

~~(1) Is either insolvent, not competent, not independent, or untrustworthy;~~

~~(2) Has made false statements in his application to the Council for license;~~

~~(3) Fails or neglects to perform evaluations, testing, or manufacturing inspections in accordance with its proposed plans and procedures submitted to the Council or fails to comply with any applicable rules and regulations promulgated by the Council pursuant to G.S. 143-146(d);~~

~~(4) Has repeatedly, specifically or by implication authorized the attachment of its label of compliance to manufactured homes and such manufactured homes did not meet the standards and rules and regulations provided by this Article at the time said labels were attached.~~

~~(c) Any such license issued to an inspection department may be suspended or revoked after notice and hearing if such department:~~

~~(1) Is not competent;~~

~~(2) Has issued a certificate of compliance on a manufactured home when such manufactured home was not opened for inspection so that the entire structural, electrical, heating, plumbing and air-conditioning systems could be closely observed and inspected;~~

~~(3) Has issued a certificate of compliance on a manufactured home and such manufactured home did not at the time of inspection meet the standards and rules and regulations provided by this Article.~~

The legal status of any structure built before the effective date of the Act shall not be affected by any changes made in this Article by the General Assembly.

"§ 143-148. Certain structures excluded from coverage.

The Commissioner may by rule provide for the exclusion of certain structures by certification in accordance with the ~~National Manufactured Housing Construction and Safety Standards Act of 1974.~~ Act.

"§ 143-149. Necessity for obtaining label ~~or certificate~~ for purposes of sale.

No ~~individual natural person, firm, partnership, association or corporation~~ person shall ~~after September 1, 1971,~~ sell or offer for sale any manufactured home in this ~~State, which manufactured home~~ State that does not ~~bear permanently attached thereto a label of compliance or for which manufactured home the individual natural person, firm, partnership, association, or corporation selling or offering to sell such manufactured home does not have a certificate of compliance; provided it shall be~~ have a label. SENATE BILL 941:
Manufactured Homes Law Changes

BILL ANALYSIS

Committee: Senate Finance Committee
Date: May 16, 1999
Version: 2nd Edition

Introduced by: Senator Warren
Summary by: Linwood Jones and Martha K. Walston, Staff Attorneys

SUMMARY: ***Senate Bill 941 makes several changes to the laws governing manufactured housing. The bill is before Senate Finance because it authorizes the North Carolina Manufactured Housing Board to establish continuing education requirements for licensees and to charge fees for the courses Senate Bill was reported favorably by Senate Commerce on April 27, 1999. The committee substitute differs from the original bill in that it rewrites G.S. 143-147 to state that the legal status of any structure built before the effective date of the National Manufactured Housing Construction and Safety Standards Act of 1974 is not affected by any changes made by the General Assembly to the Uniform Standards Code for Manufactured Homes.***

BILL ANALYSIS: Section 1 makes the following amendments to the law regulating manufactured housing licensees. (A manufactured home manufacturer, dealer, salesman and set-up contractor are required to be licensed by the North Carolina Manufactured Housing Board.)

143-143.8. References to "mobile homes" are changed to "manufactured homes".

143-143.9. Definitions are added for "license" and "licensee". "Setup" is redefined to eliminate a portion of the definition that defines what "setup" operations include and exclude.

143-143.10. A provision is added that unexpended funds of the Board (whose funds are already kept in a separate fund apart from the General Fund), do not revert to the General Fund.

143-143.11. The provision, allowing a licensee whose license has lapsed to renew within one year by payment of the renewal fee with proof that he or she has not engaged in the manufactured housing business since the lapse and is otherwise eligible for registration, is amended to provide that the applicant must pay the renewal fee. The current fee for a license may not exceed $300.00

143-143.11A. This new section requires an applicant to inform the Board of a change of address within 10 days, and allows the Board to serve notice on a licensee personally or by first-class mail at the address provided by the licensee. Notice is deemed delivered four days after mailing.

143-143.11B. This new section allows the Board to require up to 8 hours of continuing education for licensees and charge course application fees not to exceed $150.00. The Board may charge the sponsor of an approved course a fee not to exceed $75.00 for the annual renewal of course approval. A course sponsor may also be required to pay a fee, not to exceed $5.00 per credit hour per licensee, for each licensee completing a course conducted by the sponsor. The Board may charge a licensee a fee not to exceed $50.00 for each unapproved course or related educational activity that the licensee submits for credit. Failure to complete the continuing education requirements results in a lapse of the license.

143-143.13. This section is amended to allow the Board to revoke, suspend, or deny a license for failure to appear for a prehearing conference with the Board after proper notice. Failure to appear for the hearing after proper notice is already grounds for discipline.

143-143.14. This section adds language that if the Board finds an applicant has not met the requirements for licensure, the Board shall not issue a license and shall notify the applicant of the denial and the grounds for it. This section also allows the Board to adopt rules for hearings and prehearing conferences including provisions on discovery, motions, sanctions, continuances, etc.

143-143.15. "Anchoring down" a manufactured home is changed to "setting up" the manufactured home.

143-143.17. This section eliminates the requirement that the Board forward to the Attorney General and the Commissioner of Insurance a copy of each warranty service complaint filed by consumers. (Note: The Board is housed within and staffed by the Department of Insurance.)

143-143.21A. This section provides that the following must be included in a manufactured home purchase agreement in addition to the information already required by law: amount of any payment made by the buyer towards purchase of the home or accessories (current law refers only to amount of the "deposit") and the buyer's and dealer's signatures. (Current law already requires the buyer's signature). This section also rewrites the required disclosure statement concerning buyer cancellation and refund rights.

Section 2 makes the following changes to the laws governing the standards code for manufactured home construction

143-145. Several definitions are deleted and several are added.

143-146. Several provisions authorizing the adoption of rules are deleted. The existing authority of the Commissioner to adopt rules to carry out this law is retained.

143-147. This section, relating to licenses to individuals or inspection departments to issue labels of HUD compliance to manufactured homes, is repealed. A grandfather provision is added. (The legal status of any structure built before the effective date of the National Manufactured Housing Construction and Safety Standards Act of 1974 is not affected by any changes made in the Article 9B, Uniform Standards Code for Manufactured Homes, by the General Assembly.

143-149. This section makes stylistic changes and moves the exemption date for the sale of manufactured homes without a HUD label of compliance from homes manufactured prior to September 1, 1971 to those manufactured prior to June 15, 1976.

143-151. This section adds language requiring the Commissioner, in assessing a civil penalty for a violation of these laws, to look at certain factors (such as the extent of harm caused and whether the violation was willful) in determining the amount of the penalty.

143-151.2. This section provides that the Commissioner shall (now "may") establish a monitoring inspection fee in the amount required by HUD. This fee is paid by each manufactured home manufacturer in this State for each manufactured home produced by the manufacturer in the State. This section also repeals language that purports to direct HUD on how to distribute the fee revenue.

Section 3 repeals Article 9D of Chapter 143. Article 9D is entitled "*Enforcement of Building Code Insulation and Energy Standards*".

Section 4 amends one of the general hearing laws of the Department of Insurance to include Article 9B of Chapter 143. This provision relates to the Commissioner designating staff members as hearing officers in contested cases and referring cases to OAH for a hearing.

Section 5 provides that structures built before the effective date of this bill are not affected by the bill's provisions.

EXPENDITURES					

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Manufactured Housing Board, the Department of Insurance, and Corrections.

EFFECTIVE DATE: When it becomes law.

BILL SUMMARY: The legislation makes several changes to the laws governing manufactured housing. First, it provides several updated definitions including manufactured home, license, licensee, and set up. Second, it allows the North Carolina Manufactured Housing Board to retain unexpended funds at the end of the fiscal year. Currently any balance reverts to the general fund. Third, it provides that a licensee can renew a lapsed license within one year by paying the renewal fee and proving that they have not engaged in the industry during that time. Forth, it requires an applicant to inform the Board of a change of address in ten days, and offers other provisions for postal difficulties. Fifth, it authorizes the Board to require up to eight hours of continuing education, with fees not to exceed $150.00. The Board may charge the sponsor of an approved course up to $75.00 for a course approval renewal. Sponsors may also be required to charge a fee of up to $5.00 per credit hour, per licensee. The Board can also charge a licensee fee not to exceed $50.00 for each unapproved course or related educational activity submitted for credit. Next the bill authorizes the Board to adopt rules for hearings and prehearing conferences. It adds a requirement that purchase agreements must include buyer and dealer signatures, and makes other changes to the purchasing agreement. The bill also several changes to the penalty and violation provisions. This includes increasing the penalty for a willing violation of the Act that threatens the health or safety of a purchaser from a Class 1 misdemeanor to a Class 1 felony.

ASSUMPTIONS AND METHODOLOGY: There are three items in the bill that could have a fiscal impact. First the bill provides that unexpended funds do not revert to the General Fund. In the past, all remaining fund balances have returned to the General Fund. Therefore, there is a potential General Fund loss. In 1997-98 the Manufactured House Licensing Board collected $596,825 in licensing fees. The Department of Insurance, who administers the program, does not expect any significant changes in this revenue stream. However, neither Fiscal Research nor the Department of Insurance has information, at this time, on reversion amounts.

The second potential fiscal impact relates to the continuing education requirements. As noted previously, the bill authorizes the Board to require continuing education. It also sets the maximum fees associated with that training. The Department of Insurance reports collecting for 7,251 licenses in 1997-98. The vast majority of these (4,566) were for salesman. The next largest group of licensees is dealers. At this point there is no estimate on the number of courses that will be offered, or the number of credit hours the Board will actually require. As a result, no accurate fiscal estimate is possible.

Finally, the bill could impact the prison population. Under current law it is a Class 1 misdemeanor to violate the Manufactured Housing Act in a manner that threatens the health or safety of a purchaser. The legislation moves such a violation to a Class 1 felony. Data from the Administrative Office of the Courts (AOC) did not reveal the number of charges brought under this provision of the current law. Although the penalty enhancement is significant, AOC does not expect a substantial fiscal impact on the courts from this bill. They assume that the vast majority of the businesses being regulated will comply with the requirements of the law.

A BILL TO BE ENTITLED

AN ACT TO REQUIRE CORPORATIONS THAT ARE REQUIRED TO PAY FEDERAL-ESTIMATED INCOME TAX BY ELECTRONIC FUNDS TRANSFER TO PAY STATE-ESTIMATED INCOME TAX BY ELECTRONIC FUNDS TRANSFER.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-163.40 reads as rewritten:

"**§ 105-163.40. Time for submitting declaration; time and method for paying estimated ~~tax.~~ tax; form of payment.**

(a) Due Dates of Declarations. -- Declarations of estimated tax are due at the same time as the corporation's first installment payment. Installment payments are due as follows:

(1) If, before the 1st day of the 4th month of the taxable year, the corporation's estimated tax equals or exceeds five hundred dollars ($500.00), the corporation shall pay the estimated tax in four equal installments on or before the 15th day of the 4th, 6th, 9th and 12th months of the taxable year.

(2) If, after the last day of the 3rd month and before the 1st day of the 6th month of the taxable year, the corporation's estimated tax equals or exceeds five hundred dollars ($500.00), the corporation shall pay the estimated tax in three equal installments on or before the 15th day of the 6th, 9th and 12th months of the taxable year.

(3) If, after the last day of the 5th month and before the 1st day of the 9th month of the taxable year, the corporation's estimated tax equals or exceeds five hundred dollars ($500.00), the corporation shall pay the estimated tax in two equal installments on or before the 15th day of the 9th and 12th months.

(4) If, after the last day of the 8th month and before the 1st day of the 12th month of the taxable year, the corporation's estimated tax equals or exceeds five hundred dollars ($500.00), the corporation shall pay the estimated tax on or before the 15th day of the 12th month of the taxable year.

(b) Payment of Estimated Tax When Declaration Amended. -- When a corporation submits an amended declaration after making one or more installment payments on its estimated tax, the amount of each remaining installment shall be the amount that would have been payable if the estimate in the amended declaration was the original estimate, increased or decreased as appropriate by the amount computed by dividing:

(1) The absolute value of the difference between:

a. The amount paid and

b. The amount that would have been paid if the estimate in the amended declaration was the original estimate by

(2) The number of remaining installments.

(c) Short Taxable Year. -- Payment of estimated tax for taxable years of less than 12 months shall be made in accordance with rules promulgated by the Secretary.

(d) Form of Payment. -- A corporation that is required under the Code to pay its federal estimated corporate income tax by electronic funds transfer must pay its State estimated tax by electronic funds transfer."

Section 2. G.S. 105-241(b) reads as rewritten:

"(b) Electronic Funds Transfer. -- ~~The~~ Except as provided in G.S. 105-163.40, the Secretary shall not require a taxpayer to pay a tax by electronic funds transfer unless, during the applicable period for that tax, the average amount of the taxpayer's required payments of the tax was at least twenty thousand dollars ($20,000) a month. The twenty thousand dollar ($20,000) threshold applies separately to each tax. The applicable period for a tax is a 12-month period, designated by the Secretary, preceding the imposition or review of the payment requirement. The requirement that a taxpayer pay a tax by electronic funds transfer remains in effect until suspended by the Secretary. Every 12 months after requiring a taxpayer to pay a tax by electronic funds transfer, the Secretary shall determine whether, during the applicable period for that tax, the average amount of the taxpayer's required payments of the tax was at least twenty thousand dollars ($20,000) a month. If it was not, the Secretary shall suspend the requirement that the taxpayer pay the tax by electronic funds transfer and shall notify the taxpayer in writing that the requirement has been suspended."

Section 3. This act becomes effective for taxable years beginning on or after January 1, 2000.

(2) If, after the last day of the 3rd month and before the 1st day of the 6th month of the taxable year, the corporation's estimated tax equals or exceeds five hundred dollars ($500.00), the corporation

shall pay the estimated tax in three equal installments on or before the 15th day of the 6th, 9th and 12th months of the taxable year.

(3) If, after the last day of the 5th month and before the 1st day of the 9th month of the taxable year, the corporation's estimated tax equals or exceeds five hundred dollars ($500.00), the corporation shall pay the estimated tax in two equal installments on or before the 15th day of the 9th and 12th months.

(4) If, after the last day of the 8th month and before the 1st day of the 12th month of the taxable year, the corporation's estimated tax equals or exceeds five hundred dollars ($500.00), the corporation shall pay the estimated tax on or before the 15th day of the 12th month of the taxable year.

(b) Payment of Estimated Tax When Declaration Amended. -- When a corporation submits an amended declaration after making one or more installment payments on its estimated tax, the amount of each remaining installment shall be the amount that would have been payable if the estimate in the amended declaration was the original estimate, increased or decreased as appropriate by the amount computed by dividing:

(1) The absolute value of the difference between:

a. The amount paid and

b. The amount that would have been paid if the estimate in the amended declaration was the original estimate by

(2) The number of remaining installments.

(c) Short Taxable Year. -- Payment of estimated tax for taxable years of less than 12 months shall be made in accordance with rules promulgated by the Secretary.

(d) Form of Payment. -- A corporation that is required under the Code to pay its federal estimated corporate income tax by electronic funds transfer must pay its State estimated tax by electronic funds transfer."

Section 2. G.S. 105-241(b) reads as rewritten:

"(b) Electronic Funds Transfer. -- ~~The~~ Except as provided in G.S. 105-163.40, the Secretary shall not require a taxpayer to pay a tax by electronic funds transfer unless, during the applicable period for that tax, the average amount of the taxpayer's required payments of the tax was at least twenty thousand dollars ($20,000) a month. The twenty thousand dollar ($20,000) threshold applies separately to each tax. The applicable period for a tax is a 12-month period, designated by the Secretary, preceding the imposition or review of the payment requirement. The requirement that a taxpayer pay a tax by electronic funds transfer remains in effect until suspended by the Secretary. Every 12 months after requiring a taxpayer to pay a tax by electronic funds transfer, the Secretary shall determine whether, during the applicable period for that tax, the average amount of the taxpayer's required payments of the tax was at least twenty thousand dollars ($20,000) a month. If it was not, the Secretary shall suspend the requirement that the taxpayer pay the tax by electronic funds transfer and shall notify the taxpayer in writing that the requirement has been suspended."

Section 3. It is the intent of the General Assembly that, of the revenue generated by this act, one hundred seventy-eight thousand thirty-eight dollars ($178,038) in the 1999-2000 fiscal year and two hundred eighty-three thousand two hundred seventy-five dollars ($283,275) in the 2000-2001 fiscal year shall be used to fund the four tax analyst positions in the Tax Research Division of the Department of Revenue, effective January 1, 2000, as recommended in Senate Bill 74 and House Bill 55, 1999 General Assembly, A BILL TO BE ENTITLED AN ACT TO ADD FOUR NEW TAX ANALYSTS IN THE TAX RESEARCH DIVISION OF THE DEPARTMENT OF REVENUE. This act does not appropriate funds or obligate the General Assembly to appropriate funds.

Section 4. Section 3 of this act is effective when it becomes law. The remainder of this act becomes effective for taxable years beginning on or after January 1, 2000.

HOUSE BILL 62:
EFT of Corporate Estimated Income Tax

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Rep. Gray
Date:	May 6, 1999	**Summary by:**	Martha H. Harris
Version:	Proposed Senate Comm. Sub.		Staff Attorney

SUMMARY: House Bill 62 requires corporations that are required to pay federal income tax estimated payments by electronic funds transfer (EFT) to pay State income tax estimated payments by EFT. The Department of Revenue estimates an annual gain of $334,662 from this EFT requirement. Because of the January 1, 2000, effective date of this bill, the gain for fiscal year 1999-2000 will be half of the annual estimate. The bill also states the intent of the General Assembly that part of the revenue gain will be used to fund the four new tax research positions for the Tax Research Division of the Department of Revenue.

CURRENT LAW: In 1993, the General Assembly authorized the Department of Revenue to collect taxes by EFT. The average tax payment must be at least $20,000 a month before the tax payment must be submitted by EFT. The $20,000 threshold applies separately to each tax.

BILL ANALYSIS: House Bill 62 creates a different rule for corporate estimated income tax payments in order to increase the efficiency of State tax collections and to conform the State's method of collecting corporate estimated income tax payments with federal law so that a taxpayer has only one set of rules to learn and follow. House Bill 62 was recommended by the Revenue Laws Study Committee.

For federal purposes, under current law, a corporation whose depository taxes exceed $50,000 in a twelve-month period must pay its corporate income tax estimated payments by EFT. The federal regulations list the different types of depository taxes. Examples of depository taxes include social security taxes, withheld income taxes, and corporate estimated income taxes. The Internal Revenue Service has just issued a propose rule that would require estimated payments by EFT only if the corporation's annual aggregate deposits were more than $200,000. This new rule will limit the EFT requirement to the largest 9% of taxpayers.

Section 1 of the bill requires a corporation that must pay its federal estimated tax by EFT to pay its State estimated tax by EFT. This change in the law will eliminate thousands of returns, not payments, each year. It will enable the State to receive tax payments more quickly and thus gain three to five days of interest on the payments.

Section 2 makes a conforming change in the State's current requirements for EFT to recognize the EFT requirements established in Section 1 for corporate estimated income tax payments.

Section 3 of House Bill 62 states the intent of the General Assembly that part of the revenue generated by the bill will be used to pay for four new positions in the Tax Research Division of the Department of Revenue, effective January 1, 2000. The Revenue Laws Study Committee recommended that funds be appropriated to add four new tax analyst positions in the Tax Research Division. This recommendation was introduced by Senator Hoyle as Senate Bill 74 and by Representative Cansler as House Bill 55. The intent language does not appropriate funds or obligate the General Assembly to appropriate funds.

The Revenue Laws Study Committee determined that there is a need for in-depth tax research that cannot be met by the current three-person staff. Adding four new tax analyst positions would provide a tax research resource capable of serving the needs of the legislative and executive branches for analyses of various tax proposals and of the effect of changes in the economy on the tax base.

The Tax Research Division compiles and publishes statistical and descriptive information on State and local taxes, analyzes the impact of proposed changes in the tax laws, and answers inquiries from other State agencies and the public about the tax laws. In recent years, the General Assembly had made additional demands on the Division for reports and estimates, and this trend will undoubtedly continue. With additional tax analysts, the Tax Research Division could develop tax databases and models to provide quick estimates of various tax proposals as they arise. There are many important issues facing the General Assembly at this time and extensive tax research will be required to provide the information necessary to evaluate these issues. Examples of these issues are:

- The effect on the current tax structure of the change from a manufacturing and farming economy to a service economy
- The effectiveness and cost of tax incentives
- The impact that utility deregulation will have on State and local taxes
- The effect of allowing combined or consolidated corporate income tax returns, rather than the current single-entity returns
- The effect on revenues and on various taxpayers groups of changing the 3-factor corporate apportionment formula to a single-factor formula
- Whether to adopt the Multistate Tax Commission's uniform apportionment formula for financial institutions in place of the current single-factor formula
- How to simplify the formulas for distribution of State-shared revenues

The Department of Revenue surveyed other states to determine the number of tax research personnel each employs in its executive branch. The following table shows the number of tax research employees for twenty states, ranked by size of state population. For those states that

have positions devoted partly to tax research and partly to other duties, the number represents the portion of staff time dedicated to forecasting.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue

EFFECTIVE DATE: Section 3 of the act (Tax Research positions) is effective when it becomes law. The remainder of the act becomes effective for taxable years beginning on after January 1, 2000.

BILL SUMMARY:

The bill requires corporations that pay federal income tax estimated payments by electronic funds transfers (EFT) to also pay state income tax estimated payments by EFT. The bill also states that it is the intent of the General Assembly to use a portion of the revenue gained in this bill to fund four tax analyst positions in the Tax Research Division of the Department of Revenue.

ASSUMPTIONS AND METHODOLOGY:

ELECTRONIC FUNDS TRANSFER (EFT)

The Department of Revenue estimates an annual gain of **$334,662** from the required electronic funds transfer (EFT) provision in this bill. By processing an additional 3,925 transactions by EFT instead of paper based transactions, the state will earn an additional five days of interest on tax collections of $271.1 million each fiscal year. Using the State Treasurer's FY 1997-98 short-term interest rate of 5.51%, the additional interest is anticipated to be $339,450. To administer the program, the Department of Revenue will spend $4,788 each year to process the additional 3,925 EFT transactions and will have a one-time cost of $1,305 to set up 981 new accounts. The first fiscal year savings will be half of the annual estimate due to a January 1, 2000 effective date. This assumes that the quarterly estimated tax payments are equal and that April and June 2000 income tax payments are made by EFT.

TAX RESEARCH POSITIONS

House Bill 62 states the General Assembly's intent to fund four Tax Analyst positions in the Tax Research Division of the Department of Revenue. These positions were recommended by the Revenue Laws Study Committee and are included in SB 74 and HB 55. The first year cost of the positions is $319,675 and the second year cost is $283,275.

The Tax Research Division compiles and publishes statistical and descriptive information on state and local taxes, analyzes the impact of proposed changes in the tax laws, and answers inquiries from the General Assembly, other state agencies, and the public about the tax laws.

The four additional personnel will enable the Department to do the research and analysis needed to meet reporting requirements imposed by the General Assembly. These positions are also needed to evaluate various tax issues that the General Assembly will have to address in the near future such as 1) the adoption of the Multistate Tax Commission's 3-factor apportionment formula for financial institutions, 2) changing from a single entity state to a combined reporting state, 3) changing the distinction between business and non-business income, 4) the impact of deregulation of utilities on the economy, and 5) changes in the distribution formulas for State-shared revenues. Additionally, these staff members will strengthen the Tax Research Division's ability to conduct more complex studies and to provide information on a more timely basis to the Office of State Budget & Management, the State Controller's and Treasurer's Offices, and the Commerce Department. Each position is a Tax Analyst, grade 79, budgeted at an annual salary of $57,590. The estimated budget for these positions is shown below. The salaries are not adjusted for any potential pay increases in future years. The furniture, computers, and office equipment are one-time costs.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE AN EXCEPTION TO THE LATE LISTING PENALTY FOR CERTAIN REAL PROPERTY IN COUNTIES THAT HAVE NOT ADOPTED PERMANENT LISTING AND TO PHASE IN PERMANENT LISTING IN ALL COUNTIES.

The General Assembly of North Carolina enacts:

Section 1. It is the intent of the General Assembly to encourage all counties to adopt a permanent property tax listing system in accordance with G.S. 105-303(b). The General Assembly finds that permanent listing is more convenient for taxpayers and more efficient for counties. To encourage counties to adopt permanent listing in the next few years, Section 2 of this act prohibits counties that have not adopted such a system from charging late listing penalties in certain circumstances. Section 3 of this act requires all counties to adopt permanent listing systems by the 2004 tax year.

Section 2. G.S. 105-312(h) reads as rewritten:

"(h) Computation of Penalties. -- Having computed each year's taxes separately as provided in subsection ~~(g), above,~~ (g) of this section, there shall be added a penalty of ten percent (10%) of the amount of the tax for the earliest year in which the property was not listed, plus an additional ten percent (10%) of the same amount for each subsequent listing period that elapsed before the property was discovered. This penalty shall be computed separately for each year in which a failure to list occurred; and the year, the amount of the tax for that year, and the total of penalties for failure to list in that year shall be shown separately on the tax records; but the taxes and penalties for all years in which there was a failure to list shall be then totalled on a

single tax receipt. The penalty provided in this section does not apply to real property if there have been no improvements to the property since it was last listed and there has been no change in ownership since it was last listed."

Section 3. Effective for taxes imposed for taxable years beginning on or after July 1, 2004, G.S. 105-303(b) reads as rewritten:

"(b) ~~With the approval of the Department of Revenue, the board of county commissioners may install a permanent listing system. (The Department's approval shall not, however, be required for any such system installed prior to April 3, 1939.)~~ The board of commissioners of each county must install a permanent listing system. Each county must obtain the approval of the Department of Revenue for its permanent listing system. Under such a system the provisions of subdivisions (b)(1) through ~~(b)(4), below, shall~~ (b)(4) of this subsection apply.

(1) The assessor ~~shall be~~ is responsible for listing all real property on the abstracts and tax records each year in the name of the owner of record as of the day as of which property is to be listed under G.S. 105-285.

(2) Persons whose duty it is to list real property under the provisions of G.S. 105-302 ~~shall be~~ is relieved of that duty, but annually, during the listing period established by G.S. 105-307, ~~such persons shall~~ these persons must furnish the assessor with the information concerning improvements on and separate rights in real property required by G.S. 105-309(c)(3) through (c)(5).

(3) The penalties imposed by G.S. 105-308 and 105-312 ~~shall not be imposed for~~ do not apply to failure to list real property for taxation, but they ~~shall be imposed for~~ apply to failure to comply with the provisions of subdivision ~~(b)(2), above,~~ (b)(2) of this subsection with respect to reporting the construction or acquisition of improvements on and separate rights in real property. In such a case, the penalty prescribed by G.S. 105-312 shall be computed on the basis of the tax imposed on the improvements and separate rights.

(4) The Department of Revenue may authorize the board of county commissioners to make additional modifications of the listing requirements of this Subchapter, ~~but no such modification shall conflict with the provisions of~~ as long as the modifications do not conflict with subdivisions (b)(1) through ~~(b)(3), above.~~ (b)(3) of this subsection."

Section 4. Section 3 of this act is effective for taxes imposed for taxable years beginning on or after July 1, 2004. The remainder of this act is effective for taxes imposed for taxable years beginning on or after July 1, 1999. Section 2 of this act is repealed effective for taxes imposed for taxable years beginning on or after July 1, 2004.

SENATE BILL 817:
Real Property Tax Penalty

BILL ANALYSIS

Committee:	Senate Finance Committee	**Introduced by:**	Senator Ballance
Date:	May 17, 1999	**Summary by:**	Martha K. Walston
Version:	1st Edition		Committee Counsel

SUMMARY: ***Senate Bill 817 amends the property tax laws by providing that the 10% tax penalty on discovered real property does not apply if there has been no improvements to the property and there has been no change in ownership since the property was last listed. Senate Bill 817 also requires each county to install a permanent listing system effective for taxable years beginning on or after July 1, 2004.***

CURRENT LAW: When property that should have been listed for tax purposes is discovered, the property is taxed for the year it was discovered and the preceding five years it escaped taxation. Each year's taxes are computed separately and then the following penalty is added: a penalty of 10% of the amount of the tax for the earliest year the property was not listed, plus an additional 10% of the same amount for each subsequent listing period that elapsed before the property was discovered. This penalty is also computed separately for each year the failure to list occurred.

Current law also authorizes a board of county commissioners to install a permanent listing system, with the approval of the Department of Revenue. A permanent listing system provides:

1. The assessor is responsible for listing all real property each year.
2. The owner of the property is relieved of the duty of listing his real property each year during the month of January. However, during this listing period the owner must furnish the assessor with information on buildings or improvements worth more than $100 that have been acquired, begun, erected, damaged, or destroyed since the last appraisal, and with information of improvements and separate rights owned by the taxpayer with respect to the lands of another.
3. Property tax penalties do not apply for failure to list real property for taxation, but they do apply for failure to furnish the assessor with the information in 2 above.

BILL ANALYSIS: Section 1 states the intent of the General Assembly to encourage all counties to adopt a permanent property tax listing system. There are only six counties that have not adopted a system: Clay, Graham, Swain, Vance, Warren, and Yancey.

Section 2 provides that the 10% penalty on discovered property does not apply to real property if there have been no improvements to the property since it was last listed and there has been no change in ownership since it was last listed. This section is repealed effective for taxes imposed for taxable years beginning on or after July 1, 2004.

Section 3 requires the board of commissioners of each county to install a permanent listing system. This section is effective for taxes imposed for taxable years beginning on or after July 1, 2004.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: County and municipal governments, the North Carolina Department of Revenue, Property Tax Division.

EFFECTIVE DATE: Section 3 of this act is effective for taxes imposed for taxable years beginning on or after July 1, 2004. The remainder of this act is effective for taxes imposed for taxable years beginning on or after July 1, 1999. Section 2 of this act is repealed effective for taxes imposed for taxable years beginning on or after July 1, 2004.

BILL SUMMARY: The legislation makes two changes to real property tax law. First, it provides an exception to the late listing penalty for property that has not been improved or transferred since it was last listed. This is generally referred to as unimproved discovered property. This applies only in counties were there is no permanent listing system. Second, it requires that each county install a permanent listing system. This system must be approved by the Department of Revenue, and implemented by the 2004 tax year.

ASSUMPTIONS AND METHODOLOGY: According to the Department of Revenue, as of January 1, 1999 there were six counties without a permanent listing system. These counties are Clay, Graham, Swain, Vance, Warren, and Yancey. All of the remaining 94 counties have some version of a permanent listing system.

Under a permanent listing system, real property is assumed to remain the same, unless the county has reason to believe otherwise. In counties without a permanent system, the assessor requires property owners to listing their real property each year. According to the Department of Revenue, many counties have a permanent system, but also use a post card reminder system to

give property owners a convenient opportunity to declare any significant modifications or unrecorded transfers. In the case of residential property, a significant modification would include building a deck or garage, or increasing the overall footprint of the home. When a permanent listing system is used, assessors often depend on inspection and permit officials for much of their information on property improvements.

According to the Department of Revenue, the amount of discovered property in a county is generally very insignificant each year, unless the county performs an audit. Counties are only required to audit one-eighth of their exempt property each year. There are no requirements to audit property that produces income for the county. Because there is no data available on the amount of discovered property, the associated penalty amounts, or how much of that property is held by the same owner and unimproved, no fiscal estimate is possible on this portion of the bill. However, the bill has the potential to decrease penalty income in the six counties that do not have a permanent listing system. Since provision of the bill expires in 2004, there will be no fiscal impact after that date.

The requirement that all counties have a permanent listing system by 2004 could have a fiscal impact on the six counties without such a system. No information is available at this time on the cost of developing a permanent system.

SENATE BILL 791

Short Title: Ten Year Drivers License. (Public)

Sponsors: Senator Hoyle.

Referred to: Finance.

April 8, 1999

A BILL TO BE ENTITLED

AN ACT TO CHANGE THE GENERAL DRIVERS LICENSE RENEWAL CYCLE FROM FIVE TO TEN YEARS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 20-7(f) reads as rewritten:

"(f) License Expiration. ~~Expiration and Temporary License. -- The first drivers license the Division issues to a person expires on the person's fourth or subsequent birthday that occurs after the license is issued and on which the individual's age is evenly divisible by five, unless this subsection sets a different expiration date. The first drivers license the Division issues to a person who is at least 17 years old but is less than 18 years old expires on the person's twentieth birthday. The first drivers license the Division issues to a person who is at least 62 years old expires on the person's birthday in the fifth year after the license is issued, whether or not the person's age on that birthday is evenly divisible by five.~~

~~A drivers license that was issued by the Division and is renewed by the Division expires five years after the expiration date of the license that is renewed.~~

A drivers license issued to a person at least 16 but less than 18 years of age expires on the person's twentieth birthday. A drivers license issued to a person age 18 but less than age 60 expires 10 years after the date of issuance, or on the person's sixty-fifth birthday, whichever is earlier. A drivers license issued to a person age 60 but less than age 80 expires five years after the date of issuance, or on the person's eightieth birthday, whichever is earlier. A drivers license issued to a person age 80 or over expires three years from the date of issuance.

(f1) Early renewal. -- A person may apply to the Division to renew a license during the 180-day period before the license expires. The Division may not accept an application for renewal made before the 180-day period begins.

(f2) Temporary license by mail. --

(1) The Division may renew by mail a drivers license issued by the Division to a person who meets any of the following descriptions:

~~(1)~~ a. Is serving on active duty in the armed forces of the United States and is stationed outside this State.

~~(2)~~ b. Is a resident of this State and has been residing outside the State for at least 30 continuous days.

(2) When renewing a license by mail, the Division may waive the examination that would otherwise be required for the renewal and may impose any conditions it finds advisable. A license renewed by mail is a temporary license that expires 60 days after the person to whom it is issued returns to this State."

Section 2. G.S. 20-7 is amended by adding a new subsection to read:

"(f3) Consultation. -- Any person who holds a drivers license with a duration greater than five years who has three reportable accidents as defined in G.S. 2-4.01(33b), or is convicted of three moving violations as specified in G.S. 20-16(c) during any twelve-month period shall be notified by the Division and required to attend a drivers license consultation. The Division shall establish the format of the consultation, which shall include a review of traffic law and rules, and a review of road signs."

Section 3. G.S. 20-37.7(d) reads as rewritten:

"(d) Expiration and Fee. -- A special identification card issued to a person ~~for the first time~~ under this section expires ~~when a drivers license issued on the same day to that person would expire.~~ five years following the date of issuance. ~~A special identification card renewed under this section expires when a drivers license renewed by the card holder on the same day would expire.~~

The fee for a special identification card is the same as the fee set in G.S. 20-14 for a duplicate license. The fee does not apply to a special identification card issued to a resident of this State who is legally blind, is at least 70 years old, or is homeless. To obtain a special identification card without paying a fee, a homeless person must present a letter to the Division from the director of a facility that provides care or shelter to homeless persons verifying that the person is homeless."

Section 4. This act becomes effective July 1, 2000.

SENATE BILL 791:
Ten Year Drivers License

BILL ANALYSIS

Committee:	Senate Finance Committee	**Introduced by:**	Senator Hoyle
Date:	May 16, 1999	**Summary by:**	Martha K. Walston
Version:	1st Edition		Committee Counsel

SUMMARY: ***Senate Bill 791 amends G.S. 20-7(f) to provide that: (1) license issued to person at least 16 but less than 18 expires on the person's 20th birthday, (2) license issued to person between the ages of 18 and 60 expires 10 years after date of issuance, (3) license issued to person between the ages of 60 and 80 expires the earlier of 5 years after issuance or the 80th birthday, and (4) license issued to person 80 or over expires 3 years after issuance. Senate Bill 791 requires a person holding a 10-year license who has three reportable accidents or is convicted of three moving violations during a 12 month period to attend a drivers license consultation. Senate Bill 791 provides that a special identification card will expire 5 years after issuance. The act is effective July 1, 2000.***

CURRENT LAW: G.S. 20-7(f) provides for the following expiration dates of drivers licenses:

First drivers license

Issued to a person who is at least 17 but less than 18 - expires when the person turns 20.

Issued to a person who is at least 62 - expires on person's birthday in the fifth year after license is issued.

Issued to every other person - expires on the person's fourth or subsequent birthday that occurs after the license is issued and on which the person's age is evenly divisible by five.

License issued by DMV and renewed by DMV

Expires five years after the expiration date of the renewed license.

BILL ANALYSIS: **Section 1** of Senate Bill 791 amends G.S. 20-7(f) by setting out the following new expiration dates for a drivers license:

License issued to person at least 16 but less than 18 – expires on person's 20th birthday.

License issued to a person age 18 but less than 60 – expires 10 years after date of issuance or on the person's 65th birthday, whichever is earlier.

License issued to person age 60 but less than 80 – expires 5 years after date of issuance, or on the person's 80th birthday, whichever is earlier.

License issued to person age 80 or over – expires 3 years from date of issuance.

Section 2 of Senate Bill 791 adds a new subsection to G.S. 20-7 that requires a person who holds a 10-year license to attend a drivers license consultation if one of the following applies:

- The person has three reportable accidents during any 12-month period. A "reportable accident" is defined as

  An accident or collision involving a motor vehicle that results in either of the following:

  a. Death or injury of a human being.

b. Total property damage of $1,000 or more, or property damage of any amount to a vehicle seized when the driver is charged with impaired driving and the driver's license had been revoked because of a prior impaired driving license revocation.

- The person is convicted of three moving violations during any 12-month period.

The drivers license consultation shall include a review of traffic law and rules, and a review of road signs.

Section 3 of the bill amends G.S. 20-37.7(d) to require that a special identification card issued by the DMV shall expire five years following the date of issuance. The current law requires that the card expire on the same day that a drivers license held by that person would expire. The current fee for a card is $10.00. A homeless person, legally blind person, or a person who is at least 70 does not have to pay the fee.

POSITIONS:					

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Division of Motor Vehicles Driver License Section

EFFECTIVE DATE: July 1, 2000

BILL SUMMARY:
Currently the law generally provides that drivers licenses expire five years from the date of issue. This bill would provide that beginning July 1, 2000 customers age 18-55 would receive a 10-year license. Customers over 56 would receive a license expiring at age 65, with renewals every five years after that. Customers from age 75-80 would receive licenses expiring at age 80. From age 80 on, customers would begin receiving 3-year licenses. Customers with three reportable crashes or three traffic violations in a year would be automatically called in for conference with examiners to discuss driving performance. Special ID cards would expire five years after date of issuance, irrespective of age of customer.

ASSUMPTIONS AND METHODOLOGY:

Producing the 10-Year License

- DMV notes that the current license is not designed to last ten years so a new license card stock and printer would have to be installed. Current licenses cost $1.05 each and it is estimated that 10-year licenses from the same vendor would cost $1.50 each.

- For the system to be operational by July 1, 2000 it would have to be installed in the last quarter of FY99-00. To meet this schedule, DMV would have to be authorized to renegotiate its contract with the current vendor. If DMV were required instead to rebid the contract it would be 20-24 months before the system could be on-line.

Projected Transaction Volumes

- Growth in issuances was projected at 2% per year.
- In Calendar Year 1998 the number of drivers who had three accidents within a one year period was 1,690. The number of drivers who had three moving violations in a one-year period was 73,315. As a result, approximately 75,000 to 80,000 drivers would have to visit offices for consultations.
- The benefits of reduced customer visits would not begin until five years after the effective date of the legislation (FY2005-06).

Staffing Issues

- The timesaving for examiners would come primarily in renewals, which require comparatively little time (an average of 6.97 minutes).
- The number of transactions would continue to grow through FY2005 but would then drop for five years. It is possible that no examiners would need to be added in the next ten years. In the last five years of that period the filling of some vacancies could be delayed.

Cost and Revenue Issues

- It is estimated that ITS costs for reprogramming would be $46,920 (510 hours x $80 per hour equals $40,800 plus $6,120 for ITS charges).
- In the last quarter of FY2000 5-year licenses would be issued on the 10-year card stock, incurring additional costs of $.45 for each of the 417,360 licenses issued during that quarter.
- Yearly fees for issuance of licenses would remain the same at $2.50. The cost of ID cards would remain the same at $10.
- For the foreseeable future there will be a cycle of five years of high income and five years of reduced income. Low cycles would be the years FY05-10 and FY15-20. DMV provided the estimates in the following table:

Revenue Cycling with Ten-Year Driver License
(millions of dollars)

Fiscal Year	Projected Revenue with current 5-year License	Projected Revenue with proposed 10-year License	Increase or (Decrease) in Revenue
1999-00	$20.0	$20.0	0
2000-01	$23.6	$29.5	$5.9
2001-02	$27.7	$41.1	$13.4
2002-03	$28.3	$42.1	$13.8
2003-04	$27.4	$40.5	$13.1

EXPLANATION OF PROPOSED SENATE COMMITTEE SUBSTITUTE FOR HOUSE BILL 462

House Bill 462 as it passed the House provides that the Towns of Chadbourn and Mount Gilead, and Montgomery County may collect unpaid water and sewer bills with the same remedies that they can use to collect property taxes by levying on tangible personal property. The Senate Committee Substitute makes no changes in this provision. This language is Section 1.

The remainder of the bill, Sections 1.1 through 10 provides a means for Dare County to finance placing electric lines underground. A few communities in Brunswick County have authority to finance this kind of project through assessments, but Senate Bill 462 proposes instead to finance the project through a utility bill surcharge.

To use the local bill, Dare County would first hold a public hearing, setting out the boundaries of the special tax district or districts (multiple districts could be created if was desired to have different rates. The County Commissioners would authorize the tax for any unincorporated area of the county it deems appropriate. Notice of the proposal would be sent to municipalities in the County. Those municipalities wishing to opt into the program would have to adopt a resolution requesting that the tax be levied in their town. County would then levy tax in municipalities. The county could later after a public hearing expand the district to include other unincorporated areas.

The tax rate would be set by the county commissioners of up to:
$1.00 per month per residential power bill.
$5.00 per month per commercial/industrial power bill.

The tax would be collected by the public utility and placed into a special account specifically for line transfers from suspended to underground.

The account is to be controlled by special commission of the following:
-one representative of the county commissioners
-one representative of each municipality opting in the program for that district
-one representative of the Roanoke Island Corridor Commission

. It would work like this. Only those municipalities opting in could participate in having their lines put beneath the ground/benefit from the proceeds of the tax.
Upon receipt of the funds, the special commission would set priorities as to which lines would be transferred underground and in what order.

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

The district could contract with the utility to do the actual construction, or could contract with the State another local government.

The tax would act like the normal sales tax and gross receipts tax already on power bills. The utility could use the same procedures for terminating service for nonpayment as for nonpayment of the regular utility bill. Standard boilerplate provisions on collections and administration appear in the bill.

The utility would remit the tax monthly, but there is flexibility for the county to use a collection cycle keyed to the utility billing cycle rather than the calendar month.

I have been told that the County Board of Commissioners of Dare County and a few of the municipalities have endorsed this concept. It is permissive in nature and can be implemented only if the county chooses to create the district and levy the tax. It applies to Dare County only.

I have been told that North Carolina Power, the primary provider in Dare, is not opposed to the bill and has agreed to work with the County on this issue.

A BILL TO BE ENTITLED

AN ACT TO ALLOW THE TOWNS OF CHADBOURN AND MOUNT GILEAD, AND MONTGOMERY COUNTY, TO COLLECT UTILITY BILLS AS IF THEY WERE TAXES DUE THEM, AND TO ALLOW DARE COUNTY TO CREATE SPECIAL TAX DISTRICTS TO UNDERGROUND ELECTRIC UTILITY LINES.

The General Assembly of North Carolina enacts:

CHADBOURN, MOUNT GILEAD, AND MONTGOMERY COUNTY UTILITY BILL COLLECTION

Section 1. Section 2 of Chapter 1070 of the 1989 Session Laws, as amended by S.L. 1998-84, reads as rewritten:

"Sec. 2. This act applies to the Towns of ~~Richfield~~ Chadbourn, Richfield, Mount Gilead, and ~~Stanfield and~~ Stanfield, the City of ~~Locust~~ Locust, and Montgomery County only."

DARE UTILITY DISTRICT

Section 1.1. Authorization to Create Utility District. A county board of commissioners may create one or more Utility Districts for the purpose of raising and expending funds to underground electric utility lines in the district.

Section 2.(a) Procedure. A county board of commissioners may by resolution signify its determination to create a Utility District under the provisions of this act. The resolution shall be adopted after a public hearing thereon, notice of

which hearing shall be given by publication at least once, not less than 10 days prior to the date fixed for the hearing, in a newspaper having a general circulation in the county. The notice shall contain a brief statement of the substance of the proposed resolution, shall set forth the boundaries of the district, and shall state the time and place of the public hearing. No other publication of the resolution is required under the provisions of any other law.

Section 2.(b) The resolution shall include articles of incorporation which shall set forth:

(1) The name of the district;

(2) A statement that the district is organized under this act; and

(3) A description of the boundaries, which may include any territory designated by the county board of commissioners that is not in the corporate limits of any municipality.

Section 2.(c) No territory may be in more than one district.

Section 2.(d) All territory of a district shall be within the county.

Section 2.(e) A certified copy of the resolution signifying the determination to organize a district under the provisions of this act shall be filed with the Secretary of State, together with proof of publication of the notice of hearing on the resolution. If the Secretary of State finds that the resolution, including the articles of incorporation, conforms to the provisions of this act and that the notice of hearing was properly published, the Secretary of State shall file the resolution and proof of publication in the records of that office, shall issue a certificate of incorporation under the seal of the State, and shall record the same in an appropriate book of record. The issuance of the certificate of incorporation by the Secretary of State shall constitute the district, a public body and body politic and corporate of the State of North Carolina. This certificate of incorporation shall be conclusive evidence of the fact that the district has been duly created and established under the provisions of this act.

Section 2.(f) When the district has been duly organized and its officers appointed as provided by this act, the secretary or clerk of the district shall certify to the Secretary of State the names and addresses of the officers as well as the address of the principal office of the district.

Section 3.(a) Annexation to District. By adoption of a resolution, and with the approval of the board of commissioners of a county by resolution, any municipality located wholly within that county may annex the entirety of that municipality to any Utility District created by this act, but no municipality may be in more than one district. The resolution shall be adopted by the municipal governing board after a public hearing thereon, notice of which hearing shall be given by publication at least once, not less than 10 days prior to the date fixed for the hearing, in a newspaper having a general circulation in the county. The notice shall contain a brief statement of the substance of the proposed resolution and shall state the time and place of the public hearing. No other publication of the resolution is required under the provisions of any other law.

Section 3.(b) By adoption of a resolution, the board of commissioners of a county may annex any area within that county but not within the corporate limits of any municipality to a Utility District, but no area may be in more than one district. The resolution shall be adopted by the county board of commissioners after a public hearing thereon, notice of which hearing shall be given by publication at least once, not less than 10 days prior to the date fixed for the hearing, in a newspaper having a general circulation in the county. The notice shall contain a brief statement of the substance of the proposed resolution, the boundaries of the proposed annexation, and shall state the time and place of the public hearing. No other publication of the resolution is required under the provisions of any other law.

Section 3.(c) If any area in a Utility District is annexed to the corporate limits of any municipality, it shall remain in the same Utility District notwithstanding any other provision of this act.

Section 4.(a) Governing Board. Each Utility District shall be governed by a special commission consisting of one person appointed by the board of commissioners of that county, one person appointed by the governing board of each municipality that has annexed its territory to the district under Section 3(a) of this act.

Section 4.(b) In the case of Dare County, one person shall also be appointed to the Special Commission by the Roanoke Island Commission established by Part 27A of Article 2 of Chapter 143B of the General Statutes. Appointments shall be for two-year terms.

Section 5.(a) Powers. By resolution the board of commissioners of the county, acting ex officio on behalf of the Utility District, may levy a tax of up to one dollar ($1.00) per month on each residential electric power customer bill for service within the district, and up to five dollars ($5.00) per month on each commercial or industrial electric power customer bill within the district.

Section 5.(b) The Utility District may receive contributions from the State of North Carolina, local governments, and the private sector for corporate purposes authorized by this act.

Section 5.(c) The commission may contract with the State of North Carolina, another local government, or a private entity for carrying out the projects authorized by this act.

Section 6. Use of Funds. The taxes levied under this act, after being expended for the necessary administrative expenses of the utility district, shall be used only for undergrounding of electric utility lines within the district. The budget for the Utility District shall be adopted by the special commission for that district.

Section 7. Corporate Existence. A Utility District created under this act shall have the power granted by this act, and may do all acts reasonably necessary to fulfill this purpose. A simple majority of the governing board constitutes a quorum, and approval by a majority of those present is sufficient to determine any matter before the governing body, if a quorum is present.

Section 8. Fiscal Control. The Utility District is a special district under G.S. 159-7 and is covered by the applicable provisions of Chapter 159 of the General Statutes.

Section 9.(a) Levy. A tax authorized by this act may be levied only by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto. A tax authorized by this act shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the third month after the date the resolution is adopted. In establishing the effective date, the board of commissioners shall consult with any utility that will be collecting the tax to determine any administrative lead times that might be desirable.

Section 9.(b) Collection. Every electric utility subject to a tax authorized by this act shall, on and after the effective date of the levy of the tax, collect the tax. The tax shall be collected as part of the charge for furnishing electric power. The tax shall be stated and charged separately and shall be paid by the purchaser to the utility as trustee for and on account of the Utility District. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the utility. The Utility District shall design, print, and furnish to all appropriate utilities in the district the necessary forms for filing returns and instructions to ensure the full collection of the tax. A utility who collects a tax authorized by this act may deduct from the amount remitted to the Utility District a discount equal to the discount the State allows the utility for State sales and use tax. For the purpose of this act, a utility includes a government entity providing electric service, a cooperative, and any other electric utility. A utility shall have the same right to suspend or terminate service for nonpayment of the tax that it has to suspend or terminate service for payment of any other part of the utility bill. The obligation of the utility to pay the tax if the customer has not paid the bill is the same as its liability under G.S. 105-164.4(a)(4a).

Section 9.(c) Administration. The Utility District shall administer a tax it levies under this act. A tax authorized by this act is due and payable to the district finance officer in monthly installments on or before the last day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the Utility District. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied. A tax return filed with the district finance officer is not a public record and may not be disclosed except in accordance with G.S. 153A-148.1 as if the Utility District was a county. The Utility District may adopt a payment schedule keyed to the billing cycle of the utility collecting the tax rather than the calendar month, as long as there are at least 12 billing cycles per year.

Section 9.(d) Penalties. A person, firm, corporation, or association who fails or refuses to file a tax return or pay a tax authorized by this act as required by law is subject to the civil and criminal penalties set by G.S. 105-236 for failure to pay or file a return for State sales and use taxes. The governing board of the Utility

District has the same authority to waive the penalties for a tax authorized by this act that the Secretary of Revenue has to waive the penalties for State sales and use taxes.

Section 9.(e) Increase, Repeal, or Reduction. A tax levied by a district under this act may be increased not in excess of the maximum allowed by this act, repealed or reduced by a resolution adopted by the board of commissioners of the county, acting ex officio on behalf of the Utility District. Repeal or reduction of a tax authorized by this act shall become effective on the first day of a month and may not be earlier than the first day of the third month after the date the resolution is adopted. Repeal or reduction of a tax authorized by this act does not affect a liability for a tax that was attached before the effective date of the repeal or reduction, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal or reduction. In establishing the effecive date, the board of commissioners shall consult with any utility that will be collecting the tax to determine any administrative lead times that might be desirable.

Section 10. Interlocal Agreements. By interlocal agreement adopted under Chapter 160A of the General Statutes, a Utility District created under this act may contract with a municipality or county to handle tax collections and fiscal control.

Section 11. Sections 1.1 through 10 of this act apply to Dare County only.

Section 12. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR THE LAPSE OF A HOME INSPECTOR'S LICENSE AND AN ASSOCIATE HOME INSPECTOR'S LICENSE UNDER CERTAIN CONDITIONS; TO ESTABLISH RECORD-KEEPING REQUIREMENTS FOR HOME INSPECTORS; AND TO AUTHORIZE THE HOME INSPECTOR LICENSURE BOARD TO ESTABLISH CONTINUING EDUCATION PROGRAMS AND CHARGE FEES FOR THOSE PROGRAMS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 143-151.55 reads as rewritten:

"**§ 143-151.55. Renewal of license; inactive ~~licenses.~~ licenses; lapsed licenses.**

(a) Renewal. -- A license expires on September 30 of each year. A license may be renewed by filing an application for renewal with the Board and paying the required renewal fee. The Board must notify license holders at least 30 days before their licenses expire. The Board must renew the license of a person who files an application for renewal, pays the required renewal fee, has fulfilled the continuing education requirements set by the Board, and is not in violation of this Article when the application is filed. If the Board imposes a continuing education requirement as a condition of renewing a license, the Board must ensure that the courses needed to fulfill the requirement are available in all geographic areas of the State.

(b) Late Renewal. -- The Board may provide for the late renewal of a license upon the payment of a late fee, but no late renewal of a license may be granted more than five years after the license expires.

(c) Inactive License. -- A license holder may apply to the Board to be placed on inactive status. An applicant for inactive status must follow the procedure set by the Board. A license holder who is granted inactive status is not subject to the license renewal requirements during the period the license holder remains on inactive status.

A license holder whose application is granted and is placed on inactive status may apply to the Board to be reinstated to active status at any time. The Board may set conditions for reinstatement to active status. An individual who is on inactive status and applies to be reinstated to active status must comply with the conditions set by the Board.

(d) Lapsed License. -- The license of a licensed home inspector shall lapse if the licensee fails to continuously maintain minimum net assets or a bond as required by G.S. 143-151.58. The license of a licensed associate home inspector shall lapse if the licensee fails to continuously be employed by or affiliated with a licensed home inspector as required by G.S. 143-151.58."

Section 2. G.S. 143-151.57(a) reads as rewritten:

"(a) Maximum Fees. -- The Board may adopt fees that do not exceed the amounts set in the following table for administering this Article:

Item	Maximum Fee
Application for home inspector license	$25.00
Application for associate home inspector license	15.00
Home inspector examination	75.00
Issuance of home inspector license	150.00
Issuance of associate home inspector license	100.00
Late renewal of home inspector license	25.00
Late renewal of associate home inspector license inspector	15.00
Application for course approval	150.00
Renewal of course approval	75.00
Course fee, per credit hour per licensee	5.00
Credit for unapproved continuing education course	50.00
Copies of Board rules or licensure standards	Cost of printing and mailing."

Section 3. G.S. 143-151.58 reads as rewritten:

"**§ 143-151.58. Duties of licensed home inspector or licensed associate home inspector.**

(a) Home Inspection Report. -- A licensed home inspector or licensed associate home inspector must give to each person for whom the inspector performs a home inspection for compensation a written report of the home inspection. The inspector must give the person the report by the date set in a written agreement by the parties to the home inspection. If the parties to the home inspection did not agree on a date in a written agreement, the inspector must give the person the report within three business days after the inspection was performed.

(b) Bond Required. -- A licensed home inspector must continuously maintain minimum net assets or a bond as required in G.S. 143-151.51(3).

(c) Supervision. -- A licensed associate home inspector must be continuously employed by or affiliated with a licensed home inspector as required in G.S. 143-151.52(5).

(d) Record Keeping. -- All licensees under this Article shall make and keep full and accurate records of business done under their licenses. Records shall include the written, signed contract and the written report required by the standards of practice referred to in G.S. 143-151.49(a)(2) and any other information the Board requires by rule. Records shall be retained by licensees for not less than three years. Licensees shall furnish their records to the Board on demand."

Section 4. Article 9F of Chapter 143 of the General Statutes is amended by adding a new section to read:

"**§ 143-151.64. Continuing education requirements.**

(a) Requirements. -- The Board may establish programs of continuing education for licensees under this Article. A licensee subject to a program under this section shall present evidence to the Board upon the license renewal following initial licensure, and every renewal thereafter, that during the 12 months preceding the annual license expiration date the person has completed the required number of classroom hours of instruction in courses approved by the Board. Annual continuing education hour requirements shall be determined by the Board, but shall not be more than 12 credit hours.

(b) Fees. -- The Board may establish a nonrefundable course application fee to be charged to a course sponsor for the review and approval of a proposed continuing education course. Approval of a continuing education course must be renewed annually. The Board may also require a course sponsor to pay a fee for each licensee completing an approved continuing education course conducted by the sponsor.

(c) Credit for Unapproved Course. -- The Board may award continuing education credit for an unapproved course or related educational activity. The Board may prescribe procedures for a licensee to submit information on an unapproved course or related educational activity for continuing education credit. The Board may charge a fee to the licensee for each course or activity submitted.

(d) Extension of Time. -- The Board may, for good cause shown, grant extensions of time to licensees to comply with these requirements. Any licensee who, after obtaining an extension under this subsection, offers evidence satisfactory to the Board that the licensee has satisfactorily completed the required continuing education courses, is in compliance with this section.

(e) Rules. -- The Board may adopt rules governing continuing education requirements, including rules that govern:

(1) The content and subject matter of continuing education courses.

(2) The criteria, standards, and procedures for the approval of courses, course sponsors, and course instructors.

(3) The methods of instruction.

(4) The computation of course credit.

(5) The ability to carry forward course credit from one year to another.

(6) The waiver of or variance from the continuing education requirement for hardship or other reasons.

(7) The procedures for compliance and sanctions for noncompliance."

Section 5. This act becomes effective October 1, 1999, and applies to licenses applied for or renewed on or after that date.

HOUSE BILL 259:
Home Inspector Amendments/AB

BILL ANALYSIS

Committee:	Senate Finance Committee	**Introduced by:**	Rep. Jarrell
Date:	May 10, 1999	**Summary by:**	Cindy Avrette and Martha K. Walston, Staff Attorneys
Version:	2nd Edition		

SUMMARY: House Bill 259 is an agency bill that proposes three changes to the home inspector licensure law:

- *It provides that a home inspector's license will lapse if the licensee does not continuously maintain net assets or a bond as required by the Board. It provides that a licensed associate home inspector's license will lapse if the licensee is not employed by or affiliated with a licensed home inspector.*
- *It establishes record-keeping requirements.*
- *It authorizes the Board to establish and approve continuing education programs and to charge fees for those programs.*

The bill becomes effective October 1, 1999, and applies to licenses applied for or renewed on or after that date. The bill has passed both the House Finance Committee and the House.

CURRENT LAW: The General Assembly created the Home Inspector Licensure Act in 1994. Under that act, a person must be licensed as a home inspector in order to perform a home inspection for pay. To be a home inspector, a person must have a high school diploma and have been engaged as a licensed associated home inspector for at least 1 year and have completed 100 home inspections. The North Carolina Home Inspector Licensure Board is composed of seven members and is established in the Department of Insurance.

BILL ANALYSIS: To be licensed as a home inspector, the statute requires that the applicant have minimum net assets or a bond in an amount determined by the Board. The amount may not be less than $5,000 nor more than $10,000. To be licensed as an associate home inspector, the statute requires that the applicant be employed by or affiliated with a licensed home inspector. The current statute does not provide that these conditions be continuously met. This bill addresses this problem in two ways. First, it makes it a duty to continuously meet these requirements. If a licensee fails to meet these requirements, the Board may suspend or revoke the licensee's license. Second, it provides that a license will automatically lapse if these conditions fail to be met. (Section 1)

The current law requires a licensee to give each person for whom the inspector performs a home inspection for compensation a written report of the home inspection. The bill creates a new requirement for licensees. Under section 3 of the bill, a licensee would need to make and keep full and accurate

records of the business the licensee has completed. The records would need to include the writt contracts for the work requested as well as the written home inspection reports. The licensee would nee to maintain the records for at least three years.

Lastly, the bill gives the Board greater authority to establish a continuing education program and to charge fees for the program. Under current law, the Board has the general authority to require continuing education for licensure renewal. However, the Board does not have the authority to accredit continuing education programs or to charge fees for these programs. Section 4 of the bill gives the Board the specific authority to require licensees to complete no more than 12 hours of continuing education a year. The Board must approve the courses for which credit is awarded. Sections 2 and 4 of the bill allow the Board to charge the following fees:

• Application fee for course approval	$150.00
• Renewal fee for course approval	75.00
• A course fee paid per credit hour per licensee	5.00
• Fee for credit of an unapproved course	50.00

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Home Inspector Licensure Board.

EFFECTIVE DATE: October 1, 1999, and applies licenses applied for or renewed on or after that date.

Monday, March 22, 1999

BILL SUMMARY: The bill makes several changes to the requirements for licensure as a home inspector. First, it clarifies that an inspector must continuously maintain a minimum bond, or net assets, as determined by the board. The required amount can not exceed $10,000 or fall below $5,000. (Current law only requires that inspectors have such a bond). Second, it requires that an inspector's license be considered lapsed when they do not pay the renewal fee or maintain the bond or asset base. It also requires that an associate inspector's license be considered lapsed when the associate does not pay the renewal fee or is not continuously employed by or affiliated with a licensed home inspector. Third, the bill requires that all licensees maintain full and accurate records. Fourth, it authorizes the Home Inspector Licensure Board to establish continuing education courses, and require that inspectors and associates complete a set number of credit hours each year. While the board will determine the number of hours, the annual requirement can not exceed 12 credit hours. Fifth, the bill authorizes the board to charge fees to a course sponsor to review and approve a suggested course, and renew the approval for that course. It also authorizes the board to charge a course sponsor up to $5.00 per credit hour for each licensee that completes an approved course, and allows them to charge licensees up to

$50.00 to review an unapproved course or activity to determine if that activity meets the continuing education requirements. Sixth, the bill authorizes the board to adopt reasonable rules to carry out and enforce the continuing education program. Finally, the bill provides the board with the option to grant extensions to those who fail to meet the continuing education requirements.

ASSUMPTIONS AND METHODOLOGY: The bill has two potential areas for fiscal impact: creating a lapsed category, and authorizing continuing education and a series of associated fees.

The Department of Insurance reports that there are currently 96 home inspectors and 29 associate home inspectors who have not yet paid their renewal fee. (This does not include the inspectors and associates who have become "inactive"). The renewal fee for home inspectors is $150. The renewal fee for associate home inspectors is $100. Payment is due by October 1 of each year. Under the bill, in future years, the licenses of these inspectors and associate inspectors would be considered "lapsed". If "lapsed" status encourages these inspectors and associates to renew their license, the Department could see a $17,300 increase in renewal fees. However, it is unclear if the "lapsed" standing would actually cause these inspectors and associates to renew their license. It is also unclear how many of these inspectors will eventually pay their delinquent fee, with our without the law. As such, no fiscal estimate on this portion of the bill is possible.

The second potential area for fiscal impact is related to the continuing education requirements. At this time, neither the Home Inspection Licensure Board nor the Department of Insurance (which staffs the Board) have made any determinations or recommendations as to the number of courses to be offered, or the number of courses to approve. No estimate on this portion of the bill is possible. Neither body has determined or recommended what fee should be charged, per student, for each credit hour completed. The Department of Insurance reports that there are 1079 home inspectors and 110 associate home inspectors with active licenses. Assuming each active inspector and associate completes 12 credit hours of training, and the Board charges the maximum fee of $5, the Board might see a revenue increase of $71,300 (1189 inspectors and associates X $60 each in fees). The Department reports that the current number of inspectors and associates is about average. No significant revenue growth is expected. All revenue from continuing education program is non-reverting.

Given the above information it appears that the Home Inspectors Licensing Board will see some increase in revenue. It is unclear how much the exact fiscal impact may be, primarily because the Board has yet to determine the number of courses offered and approved.

A BILL TO BE ENTITLED

AN ACT TO AMEND AND CODIFY THE LAW THAT PROVIDES FOR COMPENSATORY MITIGATION AS AN ALTERNATIVE TO THE MAINTENANCE OF RIPARIAN BUFFERS AND THAT AUTHORIZES THE ENVIRONMENTAL MANAGEMENT COMMISSION TO DELEGATE RESPONSIBILITY FOR THE IMPLEMENTATION AND ENFORCEMENT OF THE STATE'S RIPARIAN BUFFER PROTECTION REQUIREMENTS TO LOCAL GOVERNMENTS, AS RECOMMENDED BY THE NEUSE RIVER BUFFER RULES STAKEHOLDER ADVISORY COMMITTEE AND REQUESTED BY THE ENVIRONMENTAL MANAGEMENT COMMISSION.

Whereas, in 1996 the General Assembly established a goal to reduce the average annual load of nitrogen delivered from point and nonpoint sources to the Neuse River Estuary by a minimum of thirty percent (30%) of the average load for the period 1991 through 1995 by the year 2001 and directed the Environmental Management Commission to develop and adopt a plan to achieve this goal; and

Whereas, in 1997 the General Assembly directed the Environmental Management Commission to develop and implement a basinwide water quality plan for each of the State's 17 major river basins; and

Whereas, in 1997, in response to these legislative mandates, the Environmental Management Commission adopted a Neuse River Nutrient Sensitive Waters Management Strategy as temporary and permanent rules and adopted revisions to these rules in 1998; and

Whereas, in 1998 the General Assembly enacted legislation to disapprove 15A NCAC 2B.0203 (Neuse River Nutrient Sensitive Waters Management Strategy: Protection and Maintenance of Riparian Areas with Existing Forest Vegetation) as a permanent rule while continuing this rule in effect as a temporary rule with certain modifications until the Environmental Management Commission adopted a revised temporary and permanent rule; and

Whereas, the 1998 legislation established a Stakeholder Advisory Committee to assist the Environmental Management Commission with the development of (i) a revised temporary rule, (ii) rules and recommended legislation to provide for compensatory mitigation as an alternative to the maintenance of riparian buffers, and (iii) rules and recommended legislation to authorize the Environmental Management Commission to delegate responsibility for the implementation and enforcement of the State's riparian buffer protection requirements to local governments; and

Whereas, the Stakeholder Advisory Committee, after many hours of work, submitted a report and recommendations to the Environmental Management Commission; and

Whereas, that report included recommended legislation pertaining to compensatory mitigation and delegation to local governments; and

Whereas, at its meeting on 8 April 1999, the Environmental Management Commission accepted these recommendations and forwarded them to the Environmental Review Commission; Now, therefore,

The General Assembly of North Carolina enacts:

Section 1. Part 1 of Article 21 of Chapter 143 of the General Statutes is amended by adding two new sections to read:

"**§ 143-214.20. Riparian Buffer Protection Program; Alternatives to maintaining riparian buffers; compensatory mitigation fees.**

(a) The Commission shall establish a program to provide alternatives for persons who would otherwise be required to maintain riparian buffers and who can demonstrate that they have attempted to avoid and minimize the loss of the riparian buffer and that there is no practical alternative to the loss of the buffer. This program is intended to allow these persons to perform compensatory mitigation in lieu of complying with laws and rules that require that riparian buffers be protected and maintained. Alternatives shall include, but are not limited to:

(1) Payment of a compensatory mitigation fee into the Riparian Buffer Restoration Fund.

(2) Donation of real property or of an interest in real property to the Department, another State agency, a unit of local government, or a private nonprofit conservation organization if both the donee organization and the donated real property or interest in real property are approved by the Department. The Department may approve a donee organization only if the donee agrees to maintain the real property or interest in real property as a riparian buffer. The Department may approve a donation of real property or an

interest in real property only if the real property or interest in real property either:

a. Is a riparian buffer that will provide protection of water quality that is equivalent to or greater than that provided by the riparian buffer that is lost in the same river basin as the riparian buffer that is lost; or

b. Will be used to restore, create, enhance, or maintain a riparian buffer that will provide protection of water quality that is equivalent to or greater than that provided by the riparian buffer that is lost in the same river basin as the riparian buffer that is lost.

(3) Establishment, restoration, or enhancement of a riparian buffer that is not otherwise required to be protected.

(b) Compensatory mitigation is available for loss of a riparian buffer along an intermittent stream, a perennial stream, or a perennial waterbody.

(c) The Commission shall establish a standard schedule of compensatory mitigation fees. The compensatory mitigation fee schedule shall be based on the area of the riparian buffer that is permitted to be lost and the cost to provide equivalent or greater protection of water quality by:

(1) Restoring existing riparian buffers.

(2) Acquiring land for and creation of new riparian buffers.

(3) Monitoring and maintaining the restored or created riparian buffers over time.

(4) Constructing approved alternative measures that reduce nutrient loading as well or better than the riparian buffer that is lost.

(d) The Commission may adopt rules to implement this section.

"**§ 143-215.23. Riparian Buffer Protection Program: Delegation of riparian buffer protection requirements to local governments.**

(a) The Commission may delegate responsibility for the implementation and enforcement of the State's riparian buffer protection requirements to units of local government that have the power to regulate land use. A delegation under this section shall not affect the jurisdiction of the Commission over State agencies and units of local government. Any unit of local government that has the power to regulate land use may request that responsibility for the implementation and enforcement of the State's riparian buffer protection requirements be delegated to the unit of local government. To this end, units of local government may adopt ordinances and regulations necessary to establish and enforce the State's riparian buffer protection requirements.

(b) Within 90 days after the Commission receives a complete application requesting delegation of responsibility for the implementation and enforcement of the State's riparian buffer protection requirement, the Commission shall review the application and notify the unit of local government that submitted the application whether the application has been approved, approved with modifications, or disapproved. The Commission shall not approve a delegation unless the Commission

finds that local implementation and enforcement of the State's riparian buffer protection requirements will equal implementation and enforcement by the State.

(c) If the Commission determines that a unit of local government is failing to implement or enforce the State's riparian buffer protection requirements, the Commission shall notify the unit of local government in writing and shall specify the deficiencies in implementation and enforcement. If the local government has not corrected the deficiencies within 90 days after the unit of local government receives the notification, the Commission shall rescind delegation and shall implement and enforce the State's riparian buffer protection program. If the unit of local government indicates that it is willing and able to resume implementation and enforcement of the State's riparian buffer protection requirements, the unit of local government may reapply for delegation under this section.

(d) The Department shall provide technical assistance to units of local government in the development, implementation, and enforcement of the State's riparian buffer protection requirements.

(e) The Department shall provide a stream identification training program to train individuals to determine the existence of surface water for purposes of rules adopted by the Commission for the protection and maintenance of riparian buffers. The Department may charge a fee to cover the full cost of the training program. No fee shall be charged to an employee of the State who attends the training program in connection with the employee's official duties.

(f) The Commission may adopt rules to implement this section."

Section 2. G.S. 143-214.21 reads as rewritten:

"**§ 143-214.21. Riparian Buffer Protection Program: Riparian Buffer Restoration Fund.**

The Riparian Buffer Restoration Fund is established as a nonreverting fund within the Department. The Fund shall be treated as a special trust fund and shall be credited with interest by the State Treasurer pursuant to G.S. 147-69.2 and G.S. 147-69.3. The Riparian Buffer Restoration Fund shall provide a repository for monetary contributions to promote projects for the restoration, enhancement, or creation of riparian buffers or to construct approved alternative measures that reduce nutrient loading as well or better than the riparian buffer that is lost and for compensatory mitigation fees paid to the Department. The Fund shall be administered by the Division of Water Quality within the Department. ~~Monies [Moneys]~~ Moneys shall be expended from the Fund only for those purposes directly related to the restoration, acquisition, creation, enhancement, and maintenance of riparian buffers or to construct approved alternative measures that reduce nutrient loading as well or better than the riparian buffer that is lost to offset the benefits to water quality, including the removal of nutrients, lost through the loss of buffers. Compensatory mitigation fees paid into the Fund in connection with the loss of riparian buffers in a river basin and the interest earned on those fees may be used only for projects in that river basin."

Section 3. The catch line to G.S. 143-214.22 reads as rewritten:

"§ 143-214.22. Riparian Buffer Protection Program; Department may accept donations of real property."

Section 4. This act is effective when it becomes law.

SENATE BILL 1049:
Neuse River Buffer Amendments

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Albertson
Date:	May 19, 1999	**Summary by:**	Hannah Holm, Research Assistant
Version:	Proposed Committee Substitute		

SUMMARY: ***SB 1049 amends and codifies elements of SL 1998-221 (Neuse River Basin Rule/ Other Environmental Amendments) that 1) provide for compensatory mitigation as an alternative to maintaining riparian buffers and 2) authorize the Environmental Management Commission (EMC) to delegate responsibility for the implementation of riparian buffer protection requirements to local governments.***

CURRENT LAW: SL 1998 – 221 instructed the EMC on implementing and revising the Neuse River Basin Rule, which is designed to protect water quality by protecting riparian buffers. SL 1998-221 also created a stakeholder committee to advise the EMC in revising the rule and recommending related legislation.

BILL ANALYSIS: SB 1049 reflects the EMC's recommendations for legislation related to the implementation of the Neuse River Basin Rule. These recommendations are based on the Neuse River Buffer Stakeholder Committee's report to the EMC.

Compensatory mitigation: SB 1049 codifies the requirement that the EMC establish a program to allow persons who can demonstrate no practical alternative to destroying a buffer to perform compensatory mitigation in lieu of complying with laws to preserve buffers. These alternatives shall include:

- Payment of a compensatory mitigation fee.
- Donation of real property or an interest in real property to the Department of Environment and Natural Resources (DENR), another State agency, a unit of local government, or a private nonprofit, provided that the property is a buffer or will be used to restore a buffer and will provide equal or greater water quality protection as the lost buffer. The property must also be in the same river basin as the lost buffer.
- The establishment, restoration, or enhancement of a buffer that is not otherwise required to be protected.
- The construction of an alternative mechanism that will provide equal or greater water quality protection as the lost buffer.

SB 1049 further provides that compensatory mitigation is available for the loss of a riparian buffer along an intermittent stream, perennial stream, or perennial waterbody. SL 1998-221 allowed compensatory mitigation only for the loss of a riparian buffer along an intermittent stream. The compensatory mitigation fee schedule established by the EMC shall be based on the cost to provide equivalent or greater water quality protection as that provided by the lost buffer by one of the following measures:

- Restoring existing riparian buffers.
- Acquiring riparian land and creating new riparian buffers.
- Monitoring and maintaining the restored or created buffers.
- Constructing an alternative mechanism that will provide provide equal or greater waterquality protection as the lost buffer.

Delegation to local governments: SB 1049 defines the procedure by which the EMC may delegate the responsibility for implementing riparian buffer protection requirements to a local government. SB also provides that the EMC shall rescind the delegation if it determines that a local government is failing to implement or enforce the requirements. SB 1049 further provides that DENR shall provide technical assistance to local governments in the development, implementation and enforcement of the State's riparian buffer protection requirements. DENR shall also provide a training program for the identification of surface waters for the purpose of implementing the buffer protection requirements.

Rulemaking authority: SB 1049 authorizes the EMC to adopt rules to implement the act.

EFFECTIVE DATE: When the act becomes law.

BILL SUMMARY:
The 2nd Edition codifies the Riparian Buffer Protection Program, including alternatives to riparian buffers, compensatory mitigation fees and delegation of protection authority to local units of government.

ASSUMPTIONS AND METHODOLOGY:

RIPARIAN RESTORATION FUND

The Environmental Management Commission (EMC) is responsible for developing a compensatory mitigation fee schedule to provide an alternative to maintaining riparian buffers. Payment of a fee into the Riparian Buffer Restoration Fund is an option available to persons demonstrating that there is no practical alternative to destroying a buffer. **Revenues to be credited to the fund cannot be estimated until the EMC adopts a fee schedule**. The bill does not establish a minimum nor maximum fee amount, but requires the fee schedule to be commensurate with the cost of providing equivalent or greater water quality than the area impacted. Moneys credited to the Riparian Buffer Restoration Fund may be used to restore, acquire, create, enhance and maintain riparian buffers. In addition, the fund may be used to construct approved alternatives that provide equal or improved water quality protection.

ADMINISTRATION OF THE RIPARIAN BUFFER PROTECTION PROGRAM

The Department of Environment and Natural Resources (DENR) is responsible for administering the Riparian Buffer Protection Program. The program is similar in nature to the state's Wetlands Restoration Program. Based on their experiences in administering and implementing the wetlands program the department anticipates requiring one additional staff person to administer the Riparian Buffer Protection Program. The riparian buffer program will be housed within the Wetlands Restoration Program to achieve administrative efficiencies and limit the need for additional staff.

The requirements for the additional position and associated operating costs are outlined in the following table:

	FY 1999-00	FY 2000-01	FY 2001-02	FY 2002-03	FY 2003-04

* *Salaries adjusted for inflation based on January 1999 forecasts by Data Resources Inc, as provided by the Office of State Budget and Management.*

In addition to requiring DENR to provide technical assistance to local governments applying for enforcement authority, the bill requires the department to provide training in stream identification. The bill allows the department to charge a fee to cover the full cost of this training program.

DELEGATION OF RIPARIAN BUFFER REQUIREMENTS TO LOCAL GOVERNMENTS
The bill allows the EMC to delegate implementation and enforcement responsibilities of the state's riparian buffer requirements to units of local government with the authority to regulate land use. Local government units are not required to participate, but may apply for delegation of enforcement authority.

Local government units choosing to apply may incur costs associated with administering the riparian buffer protection requirement. Such expenditures are likely to vary depending on the number of projects within the local unit's jurisdiction and current staff and resources.

A BILL TO BE ENTITLED

AN ACT TO AMEND AND CODIFY THE LAW THAT PROVIDES FOR COMPENSATORY MITIGATION AS AN ALTERNATIVE TO THE MAINTENANCE OF RIPARIAN BUFFERS AND THAT AUTHORIZES THE ENVIRONMENTAL MANAGEMENT COMMISSION TO DELEGATE RESPONSIBILITY FOR THE IMPLEMENTATION AND ENFORCEMENT OF THE STATE'S RIPARIAN BUFFER PROTECTION REQUIREMENTS TO LOCAL GOVERNMENTS, AS RECOMMENDED BY THE NEUSE RIVER BUFFER RULES STAKEHOLDER ADVISORY COMMITTEE AND REQUESTED BY THE ENVIRONMENTAL MANAGEMENT COMMISSION.

Whereas, in 1996 the General Assembly established a goal to reduce the average annual load of nitrogen delivered from point and nonpoint sources to the Neuse River Estuary by a minimum of thirty percent (30%) of the average load for the period 1991 through 1995 by the year 2001 and directed the Environmental Management Commission to develop and adopt a plan to achieve this goal; and

Whereas, in 1997 the General Assembly directed the Environmental Management Commission to develop and implement a basinwide water quality plan for each of the State's 17 major river basins; and

Whereas, in 1997, in response to these legislative mandates, the Environmental Management Commission adopted a Neuse River Nutrient Sensitive Waters Management Strategy as temporary and permanent rules and adopted revisions to these rules in 1998; and

Whereas, in 1998 the General Assembly enacted legislation to disapprove 15A NCAC 2B.0233 (Neuse River Nutrient Sensitive Waters Management Strategy: Protection and Maintenance of Riparian Areas with Existing Forest Vegetation) as a permanent rule while continuing this rule in effect as a temporary rule with certain modifications until the Environmental Management Commission adopted a revised temporary and permanent rule; and

Whereas, the 1998 legislation established a Stakeholder Advisory Committee to assist the Environmental Management Commission with the development of (i) a revised temporary rule, (ii) rules and recommended legislation to provide for compensatory mitigation as an alternative to the maintenance of riparian buffers, and (iii) rules and recommended legislation to authorize the Environmental Management Commission to delegate responsibility for the implementation and enforcement of the State's riparian buffer protection requirements to local governments; and

Whereas, the Stakeholder Advisory Committee, after many hours of work, submitted a report and recommendations to the Environmental Management Commission; and

Whereas, that report included recommended legislation pertaining to compensatory mitigation and delegation to local governments; and

Whereas, at its meeting on 8 April 1999, the Environmental Management Commission accepted these recommendations and forwarded them to the Environmental Review Commission; Now, therefore,

The General Assembly of North Carolina enacts:

Section 1. Part 1 of Article 21 of Chapter 143 of the General Statutes is amended by adding two new sections to read:

"**§ 143-214.20. Riparian Buffer Protection Program: Alternatives to maintaining riparian buffers; compensatory mitigation fees.**

(a) The Commission shall establish a program to provide alternatives for persons who would otherwise be required to maintain riparian buffers and who can demonstrate that they have attempted to avoid and minimize the loss of the riparian buffer and that there is no practical alternative to the loss of the buffer. This program is intended to allow these persons to perform compensatory mitigation in lieu of complying with laws and rules that require that riparian buffers be protected and maintained. Alternatives shall include, but are not limited to:

(1) Payment of a compensatory mitigation fee into the Riparian Buffer Restoration Fund.

(2) Donation of real property or of an interest in real property to the Department, another State agency, a unit of local government, or a private nonprofit conservation organization if both the donee organization and the donated real property or interest in real property are approved by the Department. The Department may approve a donee organization only if the donee agrees to maintain the real property or interest in real property as a riparian buffer. The Department may approve a donation of real property or an

interest in real property only if the real property or interest in real property either:

a. Is a riparian buffer that will provide protection of water quality that is equivalent to or greater than that provided by the riparian buffer that is lost in the same river basin as the riparian buffer that is lost; or

b. Will be used to restore, create, enhance, or maintain a riparian buffer that will provide protection of water quality that is equivalent to or greater than that provided by the riparian buffer that is lost in the same river basin as the riparian buffer that is lost.

(3) Restoration or enhancement of an existing riparian buffer that is not otherwise required to be protected, or creation of a new riparian buffer, that will provide protection of water quality that is equivalent to or greater than that provided by the riparian buffer that is lost in the same river basin as the riparian buffer that is lost and that is approved by the Department.

(4) Construction of an alternative measure that reduces nutrient loading as well or better than the riparian buffer that is lost in the same river basin as the riparian buffer that is lost and that is approved by the Department.

(b) Compensatory mitigation is available for loss of a riparian buffer along an intermittent stream, a perennial stream, or a perennial waterbody.

(c) The Commission shall establish a standard schedule of compensatory mitigation fees. The compensatory mitigation fee schedule shall be based on the area of the riparian buffer that is permitted to be lost and the cost to provide equivalent or greater protection of water quality in the same river basin as that provided by the riparian buffer this is lost by:

(1) Restoration or enhancement of existing riparian buffers.

(2) Acquisition of land for and creation of new riparian buffers.

(3) Maintenance and monitoring of restored, enhanced, or created riparian buffers over time.

(4) Construction of alternative measures that reduce nutrient loading.

(d) The Commission may adopt rules to implement this section.

"§ 143-215.23. Riparian Buffer Protection Program: Delegation of riparian buffer protection requirements to local governments.

(a) The Commission may delegate responsibility for the implementation and enforcement of the State's riparian buffer protection requirements to units of local government that have the power to regulate land use. A delegation under this section shall not affect the jurisdiction of the Commission over State agencies and units of local government. Any unit of local government that has the power to regulate land use may request that responsibility for the implementation and enforcement of the State's riparian buffer protection requirements be delegated to the unit of local government. To this end, units of local government may adopt

ordinances and regulations necessary to establish and enforce the State's riparian buffer protection requirements.

(b) Within 90 days after the Commission receives a complete application requesting delegation of responsibility for the implementation and enforcement of the State's riparian buffer protection requirement, the Commission shall review the application and notify the unit of local government that submitted the application whether the application has been approved, approved with modifications, or disapproved. The Commission shall not approve a delegation unless the Commission finds that local implementation and enforcement of the State's riparian buffer protection requirements will equal implementation and enforcement by the State.

(c) If the Commission determines that a unit of local government is failing to implement or enforce the State's riparian buffer protection requirements, the Commission shall notify the unit of local government in writing and shall specify the deficiencies in implementation and enforcement. If the local government has not corrected the deficiencies within 90 days after the unit of local government receives the notification, the Commission shall rescind delegation and shall implement and enforce the State's riparian buffer protection program. If the unit of local government indicates that it is willing and able to resume implementation and enforcement of the State's riparian buffer protection requirements, the unit of local government may reapply for delegation under this section.

(d) The Department shall provide technical assistance to units of local government in the development, implementation, and enforcement of the State's riparian buffer protection requirements.

(e) The Department shall provide a stream identification training program to train individuals to determine the existence of surface water for purposes of rules adopted by the Commission for the protection and maintenance of riparian buffers. The Department may charge a fee to cover the full cost of the training program. No fee shall be charged to an employee of the State who attends the training program in connection with the employee's official duties.

(f) The Commission may adopt rules to implement this section."

Section 2. G.S. 143-214.21 reads as rewritten:

"§ 143-214.21. Riparian Buffer Protection Program: Riparian Buffer Restoration Fund.

The Riparian Buffer Restoration Fund is established as a nonreverting fund within the Department. The Fund shall be treated as a special trust fund and shall be credited with interest by the State Treasurer pursuant to G.S. 147-69.2 and G.S. 147-69.3. The Riparian Buffer Restoration Fund shall provide a repository for monetary contributions to promote projects for the restoration, enhancement, or creation of riparian buffers or to construct approved alternative measures that reduce nutrient loading as well or better than the riparian buffer that is lost and for compensatory mitigation fees paid to the Department. The Fund shall be administered by the Division of Water Quality within the Department. ~~Monies [Moneys]~~ Moneys shall be expended from the Fund only for those purposes directly related to the restoration, acquisition, creation, enhancement, and maintenance of riparian buffers or to

construct approved alternative measures that reduce nutrient loading as well or better than the riparian buffer that is lost to offset the benefits to water quality, including the removal of nutrients, lost through the loss of buffers. Compensatory mitigation fees paid into the Fund in connection with the loss of riparian buffers in a river basin and the interest earned on those fees may be used only for projects in that river basin."

Section 3. The catch line to G.S. 143-214.22 reads as rewritten:

"**§ 143-214.22. Riparian Buffer Protection Program; Department may accept donations of real property.**"

Section 4. This act is effective when it becomes law.

SENATE BILL 791

Short Title: Ten Year Drivers License. (Public)

Sponsors: Senator Hoyle.

Referred to: Finance.

April 8, 1999

A BILL TO BE ENTITLED

AN ACT TO CHANGE THE GENERAL DRIVERS LICENSE RENEWAL CYCLE FROM FIVE TO TEN YEARS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 20-7(f) reads as rewritten:

"(f) License Expiration. ~~Expiration and Temporary License. -- The first drivers license the Division issues to a person expires on the person's fourth or subsequent birthday that occurs after the license is issued and on which the individual's age is evenly divisible by five, unless this subsection sets a different expiration date. The first drivers license the Division issues to a person who is at least 17 years old but is less than 18 years old expires on the person's twentieth birthday. The first drivers license the Division issues to a person who is at least 62 years old expires on the person's birthday in the fifth year after the license is issued, whether or not the person's age on that birthday is evenly divisible by five.~~

~~A drivers license that was issued by the Division and is renewed by the Division expires five years after the expiration date of the license that is renewed.~~

A drivers license issued to a person at least 16 but less than 18 years of age expires on the person's twentieth birthday. A drivers license issued to a person age 18 but less than age 60 expires 10 years after the date of issuance, or on the person's sixty-fifth birthday, whichever is earlier. A drivers license issued to a person age 60 but less than age 80 expires five years after the date of issuance, or on the person's eightieth birthday, whichever is earlier. A drivers license issued to a person age 80 or over expires three years from the date of issuance.

(f1) Early renewal. -- A person may apply to the Division to renew a license during the 180-day period before the license expires. The Division may not accept an application for renewal made before the 180-day period begins.

(f2) Temporary license by mail. --

(1) The Division may renew by mail a drivers license issued by the Division to a person who meets any of the following descriptions:

~~(1)~~ a. Is serving on active duty in the armed forces of the United States and is stationed outside this State.

~~(2)~~ b. Is a resident of this State and has been residing outside the State for at least 30 continuous days.

(2) When renewing a license by mail, the Division may waive the examination that would otherwise be required for the renewal and may impose any conditions it finds advisable. A license renewed by mail is a temporary license that expires 60 days after the person to whom it is issued returns to this State."

Section 2. G.S. 20-7 is amended by adding a new subsection to read:

"(f3) Consultation. -- Any person who holds a drivers license with a duration greater than five years who has three reportable accidents as defined in G.S. 2-4.01(33b), or is convicted of three moving violations as specified in G.S. 20-16(c) during any twelve-month period shall be notified by the Division and required to attend a drivers license consultation. The Division shall establish the format of the consultation, which shall include a review of traffic law and rules, and a review of road signs."

Section 3. G.S. 20-37.7(d) reads as rewritten:

"(d) Expiration and Fee. -- A special identification card issued to a person ~~for the first time~~ under this section expires ~~when a drivers license issued on the same day to that person would expire.~~ five years following the date of issuance. ~~A special identification card renewed under this section expires when a drivers license renewed by the card holder on the same day would expire.~~

The fee for a special identification card is the same as the fee set in G.S. 20-14 for a duplicate license. The fee does not apply to a special identification card issued to a resident of this State who is legally blind, is at least 70 years old, or is homeless. To obtain a special identification card without paying a fee, a homeless person must present a letter to the Division from the director of a facility that provides care or shelter to homeless persons verifying that the person is homeless."

Section 4. This act becomes effective July 1, 2000.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Division of Motor Vehicles Driver License Section

EFFECTIVE DATE: July 1, 2000

BILL SUMMARY:
Currently the law generally provides that drivers licenses expire five years from the date of issue. This bill would provide that beginning July 1, 2000 customers age 18-55 would receive a 10-year license. Customers over 56 would receive a license expiring at age 65, with renewals every five years after that. Customers from age 75-80 would receive licenses expiring at age 80. From age 80 on, customers would begin receiving 3-year licenses. Customers with three reportable crashes or three traffic violations in a year would be automatically called in for conference with examiners to discuss driving performance. Special ID cards would expire five years after date of issuance, irrespective of age of customer.

ASSUMPTIONS AND METHODOLOGY:

Producing the 10-Year License

- DMV notes that the current license is not designed to last ten years so a new license card stock and printer would have to be installed. Current licenses cost $1.05 each and it is estimated that 10-year licenses from the same vendor would cost $1.50 each.

- For the system to be operational by July 1, 2000 it would have to be installed in the last quarter of FY99-00. To meet this schedule, DMV would have to be authorized to renegotiate its contract with the current vendor. If DMV were required instead to rebid the contract it would be 20-24 months before the system could be on-line.

Projected Transaction Volumes

- Growth in issuances was projected at 2% per year.
- In Calendar Year 1998 the number of drivers who had three accidents within a one year period was 1,690. The number of drivers who had three moving violations in a one-year period was 73,315. As a result, approximately 75,000 to 80,000 drivers would have to visit offices for consultations.
- The benefits of reduced customer visits would not begin until five years after the effective date of the legislation (FY2005-06).

Staffing Issues

- The timesaving for examiners would come primarily in renewals, which require comparatively little time (an average of 6.97 minutes).
- The number of transactions would continue to grow through FY2005 but would then drop for five years. It is possible that no examiners would need to be added in the next ten years. In the last five years of that period the filling of some vacancies could be delayed.

Cost and Revenue Issues

- It is estimated that ITS costs for reprogramming would be $46,920 (510 hours x $80 per hour equals $40,800 plus $6,120 for ITS charges).
- In the last quarter of FY2000 5-year licenses would be issued on the 10-year card stock, incurring additional costs of $.45 for each of the 417,360 licenses issued during that quarter.
- Yearly fees for issuance of licenses would remain the same at $2.50. The cost of ID cards would remain the same at $10.
- For the foreseeable future there will be a cycle of five years of high income and five years of reduced income. Low cycles would be the years FY05-10 and FY15-20. DMV provided the estimates in the following table:

Revenue Cycling with Ten-Year Driver License
(millions of dollars)

Fiscal Year	Projected Revenue with current 5-year License	Projected Revenue with proposed 10-year License	Increase or (Decrease) in Revenue
1999-00	$20.0	$20.0	0
2000-01	$23.6	$29.5	$5.9
2001-02	$27.7	$41.1	$13.4

SENATE BILL 791:
Ten Year Drivers License

BILL ANALYSIS

Committee:	Senate Finance Committee	**Introduced by:**	Senator Hoyle
Date:	May 16, 1999	**Summary by:**	Martha K. Walston
Version:	1st Edition		Committee Counsel

SUMMARY: ***Senate Bill 791 amends G.S. 20-7(f) to provide that: (1) license issued to person at least 16 but less than 18 expires on the person's 20th birthday, (2) license issued to person between the ages of 18 and 60 expires 10 years after date of issuance, (3) license issued to person between the ages of 60 and 80 expires the earlier of 5 years after issuance or the 80th birthday, and (4) license issued to person 80 or over expires 3 years after issuance. Senate Bill 791 requires a person holding a 10-year license who has three reportable accidents or is convicted of three moving violations during a 12 month period to attend a drivers license consultation. Senate Bill 791 provides that a special identification card will expire 5 years after issuance. The act is effective July 1, 2000.***

CURRENT LAW: G.S. 20-7(f) provides for the following expiration dates of drivers licenses:

First drivers license

Issued to a person who is at least 17 but less than 18 - expires when the person turns 20.

Issued to a person who is at least 62 - expires on person's birthday in the fifth year after license is issued.

Issued to every other person - expires on the person's fourth or subsequent birthday that occurs after the license is issued and on which the person's age is evenly divisible by five.

License issued by DMV and renewed by DMV

Expires five years after the expiration date of the renewed license.

BILL ANALYSIS: **Section 1** of Senate Bill 791 amends G.S. 20-7(f) by setting out the following new expiration dates for a drivers license:

License issued to person at least 16 but less than 18 – expires on person's 20th birthday.

License issued to a person age 18 but less than 60 – expires 10 years after date of issuance or on the person's 65th birthday, whichever is earlier.

License issued to person age 60 but less than 80 – expires 5 years after date of issuance, or on the person's 80th birthday, whichever is earlier.

License issued to person age 80 or over – expires 3 years from date of issuance.

Section 2 of Senate Bill 791 adds a new subsection to G.S. 20-7 that requires a person who holds a 10-year license to attend a drivers license consultation if one of the following applies:

- The person has three reportable accidents during any 12-month period. A "reportable accident" is defined as

  An accident or collision involving a motor vehicle that results in either of the following:

  a. Death or injury of a human being.

b. Total property damage of $1,000 or more, or property damage of any amount to a vehicle seized when the driver is charged with impaired driving and the driver's license had been revoked because of a prior impaired driving license revocation.

- The person is convicted of three moving violations during any 12-month period.

The drivers license consultation shall include a review of traffic law and rules, and a review of road signs.

Section 3 of the bill amends G.S. 20-37.7(d) to require that a special identification card issued by the DMV shall expire five years following the date of issuance. The current law requires that the card expire on the same day that a drivers license held by that person would expire. The current fee for a card is $10.00. A homeless person, legally blind person, or a person who is at least 70 does not have to pay the fee.

EFFECTIVE DATE: The act is effective when it becomes law.

BILL SUMMARY: The bill increases the maximum fee amounts that can be charged by the North Carolina Board of Physical Therapy Examiners.

ASSUMPTIONS AND METHODOLOGY:
The North Carolina Board of Physical Therapy Examiners' statutory fee structure has not changed since 1985. The Board is now charging the highest fees allowed by statute. SB 799 increases the maximum statutory fees, but the Board plans to gradually increase fees to the statutory maximum. The chart on page two of this fiscal note shows the fee amounts and revenue from the current Board fees, the fees proposed by the Board if the law is enacted, and the maximum fees allowed by SB 799. Based on 1998 licenses, the Board would earn an additional $156,330 a year on the fees it intends to charge in the year 2000. If the Board charged the maximum fees allowed, it would earn an additional $807,310 a year.

The Board of Physical Therapy Examiners projects a 5% annual growth rate for all the above categories except license lists. This 5% growth rate was applied to the base year 1998 and used to increase each category annually until 2004. (see chart below) Instead of the maximum allowed by SB 799, this fiscal note assumes the Board recommended rates until the year 2005.

SENATE BILL 222

Short Title: Government Accept Credit Cards. (Public)

Sponsors: Senator Reeves.

Referred to: Finance.

March 4, 1999

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR STATE AND LOCAL GOVERNMENTS TO ACCEPT CREDIT CARDS AND DEBIT CARDS FOR PAYMENT OF GOVERNMENT FEES, COSTS, AND DEBTS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 147-86.10 reads as rewritten:

"**§ 147-86.10. Statement of policy.**

It is the policy of the State of North Carolina that all agencies, institutions, departments, bureaus, boards, ~~commissions~~ commissions, and officers of the State, whether or not subject to the Executive Budget Act, Chapter 143, Article 1 of the General Statutes, shall devise techniques and procedures for the receipt, deposit, and disbursement of moneys coming into their control and custody which are designed to maximize interest-bearing investment of cash, and to minimize idle and nonproductive cash balances. This policy shall apply to the General Court of Justice as defined in Article IV of the North Carolina Constitution, the public school administrative units, and the community colleges with respect to the receipt, deposit, and disbursement of moneys required by law to be deposited with the State Treasurer and with respect to moneys made available to them for expenditure by warrants drawn on the State Treasurer. This policy shall include the acceptance of credit cards and debit cards in accordance with G.S. 147-86.22 to the maximum extent possible consistent with sound business practices."

Section 2. G.S. 147-86.22(b) reads as rewritten:

"(b) Credit Card Payment. -- Notwithstanding the provisions of G.S. 147-86.21, this subsection applies to debts owed a community college, a local school

administrative unit, an area mental health, developmental disabilities, and substance abuse authority, and the General Court of Justice as well as to other State agencies as defined in G.S. 147-86.21. The State Controller ~~may~~ shall establish policies that allow accounts receivable to be payable under certain conditions, with the concurrence of the State Treasurer, by credit ~~card.~~ card and debit card. A condition of payment by credit card or debit card is receipt by the appropriate State agency of the full amount of the account receivable owed to the State agency. A debtor who pays by credit card or debit card shall be required to include an amount equal to any fee charged by a depository financial institution or card issuer for processing the ~~credit~~ card payment. A payment of an account receivable that is made by credit card or debit card and is not honored by the issuer of the ~~credit~~ card does not relieve the debtor of the obligation to pay the account receivable."

Section 3. G.S. 147-86.11 reads as rewritten:

"**§ 147-86.11. Cash management for the State.**

(a) Uniform Plan. -- The State Controller, with the advice and assistance of the State Treasurer, the State Budget Officer, and the State Auditor, shall develop, implement and amend as necessary a uniform statewide plan to carry out the cash management policy for all State agencies. The State Auditor shall report annually to the Advisory Budget Commission and the General Assembly on the implementation of the plan as shown in the audits completed during the prior fiscal year. The State Treasurer shall recommend periodically to the General Assembly any implementing legislation necessary or desirable in the furtherance of the State policy. When used in this section, 'State agency' means any agency, institution, bureau, board, commission or officer of the State; however, except as provided in G.S. 147-86.12, 147-86.13, ~~and 147-86.14,~~ 147-86.14, and 147-86.22, this Article ~~shall~~ does not apply to the agencies, institutions, bureaus, boards, commissions and officers of the General Court of Justice as defined in Article IV of the North Carolina Constitution or to the local school administrative units and community colleges and their officers and employees.

(b) Duties of Auditor. -- The State Auditor pursuant to ~~his~~ authority under G.S. 147-64.6 shall monitor agency compliance with this Article, and make any comments, suggestions, and recommendations ~~he~~ the Auditor deems advisable to the agencies.

(c) Treasurer's Report. -- The State Treasurer shall publish a quarterly report on all funds in the control or custody of the State Treasurer showing cash balances on hand, investments of cash balances and a comparative analysis of earnings and investment performances.

(d) Earnings on Trust Funds. -- The statewide cash management plan shall provide that any net earnings on invested funds, whose beneficial owner is not the State or a local governmental unit, shall be paid to the beneficial owners of the funds. 'Net earnings' are the amounts remaining after allowance for the cost of administration, management, and operation of the invested funds.

(e) Elements of Plan. -- For moneys received or to be received, the statewide cash management plan shall provide at a minimum that:

(1) Except as otherwise provided by law, moneys received by employees of State agencies in the normal course of their employment shall be deposited as follows:
a. Moneys received in trust for specific beneficiaries for which the employee-custodian has a duty to invest shall be deposited with the State Treasurer under the provisions of G.S. 147-69.3.
b. All other moneys received shall be deposited with the State Treasurer pursuant to G.S. 147-77 and G.S. 147-69.1.

(2) Moneys received shall be deposited daily in the form and amounts received, except as otherwise provided by ~~statute;~~ statute.

(3) Moneys due to a State agency by another governmental agency or by private persons shall be promptly billed, collected and ~~deposited;~~ deposited.

(4) Unpaid billings due to a State agency shall be turned over to the Attorney General for collection no more than 90 days after the due date of the billing, except that a State agency need not turn over to the Attorney General unpaid billings of less than five hundred dollars ($500.00), or (for institutions where applicable) amounts owed by all patients which are less than the federally established deductible applicable to Part A of the Medicare program, and instead may handle these unpaid bills pursuant to agency debt collection ~~procedures; and~~ procedures.

(5) Moneys received in the form of warrants drawn on the State Treasurer shall be deposited by the State agency directly with the State Treasurer and not through the banking system, unless otherwise approved by the State Treasurer.

(6) State agencies shall accept payment by credit cards and debit cards in accordance with G.S. 147-86.22 to the maximum extent possible consistent with sound business practices.

(f) Disbursement Requirements. -- For the disbursement of money, the statewide cash management plan shall provide at a minimum that:

(1) Moneys deposited with the State Treasurer remain on deposit with the State Treasurer until final disbursement to the ultimate ~~payee;~~ payee.

(2) The order in which appropriations and other available resources are expended shall be subject to the provisions of G.S. 143-27 regardless of whether the State agency disbursing or expending the moneys is subject to the Executive Budget ~~Act;~~ Act.

(3) Federal and other reimbursements of expenditures paid from State funds shall be paid immediately to the source of the State ~~funds;~~ funds.

(4) Billings to the State for goods received or services rendered shall be paid neither early nor late but on the discount date or the due date to the extent ~~practicable; and~~ practicable.

(5) Disbursement cycles for each agency shall be established to the extent practicable so that the overall efficiency of the warrant disbursement system is maximized while maintaining prompt payment of bills due.

(g) Interest Maximized. -- The interest earnings of the General Fund and Highway Fund shall be maximized to the extent practicable. To this end:

(1) Interest earnings shall not be allocated to an account by the State Treasurer unless all of the moneys in the account are expressly eligible by law for receiving interest ~~allocations;~~ allocations.

(2) State officers and employees who received moneys in trust or for investment shall be solely responsible for properly segregating such funds for investment in the manner prescribed by law. The officer or employee charged with the responsibility for these moneys shall be under a duty to segregate the funds in a timely manner. No investment income shall be allocated by the State Treasurer to trust or other investment accounts until properly segregated into investment accounts as provided by law and the rules of the State Treasurer.

(h) New Technologies. -- The statewide cash management plan shall consider new technologies and procedures whenever the technologies and procedures are economically beneficial to the State as a whole. Where the new technologies and procedures may be implemented without additional legislation, the technologies and procedures shall be implemented in the plan.

(i) Penalty. -- A willful or continued failure of an employee paid from State funds or employed by a State agency to follow the statewide cash management plan is sufficient cause for immediate dismissal of the employee."

Section 4. Article 3 of Chapter 159 of the General Statutes is amended by adding a new section to read:

"**§ 159-32.1. Credit card payment.**

The Commission shall establish policies that allow local governments' accounts receivable to be payable under certain conditions by credit card and debit card. A condition of payment by credit card or debit card is receipt by the local government of the full amount of the account receivable owed to it. A debtor who pays by credit card or debit card shall be required to include an amount equal to any fee charged by a depository financial institution or card issuer for processing the card payment. A payment of an account receivable that is made by credit card or debit card and is not honored by the issuer of the card does not relieve the debtor of the obligation to pay the account receivable."

Section 5. This act is effective when it becomes law.

SENATE BILL 222:
Government Accept Electronic Payment

BILL ANALYSIS

Committee:	Senate Finance Committee	**Introduced by:**	Senator Reeves
Date:	May 17, 1999	**Summary by:**	Martha K. Walston
Version:	Proposed Committee Substitute		Committee Counsel

SUMMARY: ***Senate Bill 222 directs the State Controller to establish policies that allow accounts receivable of State agencies to be payable by electronic payment. "Electronic payment" is defined as payment by charge card, credit card, debit card, or electronic funds transfer. The fees associated with processing electronic payments to State agencies may be paid out of the General Fund and Highway Fund or may be paid by the debtor. Senate Bill 222 also authorizes a unit of local government or public authority to accept payment by electronic payment for any tax, assessment, rate, fee, charge, rent, interest, penalty, or other receivable owed to it. The debtor or local government unit may be required to pay the processing fee. The account number for electronic payment is confidential information and may not be disclosed under the Public Records Act.***

CURRENT LAW: G.S. 147-86.22 authorizes the State Controller, with the concurrence of the State Treasurer, to establish policies to allow accounts receivable of a State agency to be paid by credit card. The payment must include the full amount owed to the State agency, i.e. the debtor must pay any processing fee. State agency is defined as "any department, institution, board, commission, committee, division, bureau, officer, official or any other entity for which the State has oversight responsibility, including but not limited to, any university, mental or specialty hospital, community college, or clerk of court. The term does not include, however, a community college, a local school administrative unit, an area mental health, developmental disabilities, and substance abuse authority, or the General Court of Justice.

State agencies are currently not accepting credit cards because they are prohibited by operating rules of both MasterCard and Visa from charging any of their cardholders a surcharge for making payments by credit card.

BILL ANALYSIS: **Section 1** of the bill creates a definition for electronic payment in G.S.105-228.90(b). Electronic payment is defined as payment by charge card, credit card, debit card, or by electronic funds transfer as defined in subsection (b). Electronic Funds Transfer is defined as a transfer of funds initiated by using an electronic terminal, a telephone, a computer, or magnetic tape to instruct or authorize a financial institution or its agent to credit or debit an account.

Section 2. clarifies that the cash management policy of the State includes the acceptance of electronic payments. The current policy of the State is that all State agencies, institutions, departments, bureaus, boards, commissions, and officers of the State, shall devise techniques and procedures for the receipt, deposit, and disbursement of moneys coming into their control and custody which are designed to maximize interest-bearing investment of cash, and to minimize idle and nonproductive cash balances.

Section 3 makes changes to the Statewide Accounts Receivable Program. Current law states that the State Controller may establish policies that allow accounts receivable to be payable under certain conditions, with the concurrence of the State Treasurer, by credit card. The debtor who pays by credit

card is required to pay the processing fee. Senate Bill 222 mandates that the State Controller, with the concurrence of the State Treasurer, establish policies that allow accounts receivable to be paid by electronic payment. The debtor may (now shall) be required to pay a processing fee. This new electronic payment language applies to the following:

- debts owed a community college, a local school administrative unit, an area mental health, developmenal disabilities, and substance abuse authority, and the Administrative Office of the Courts
- Debts payable to or through the office of a clerk of superior court or a magistrate
- Debts owed to other State agencies (any department, institution, board, commission, committee, division, bureau, officer, official or other entity for which the State has oversight responsibility, including but not limited to, any university, mental or specialty hospital, community college, or clerk of court.

Any policies for electronic payment that apply to debts to the office of a clerk of superior court or magistrate must be established with the concurrence of the Administrative Officer of the Courts. The Administrative Officer of the Courts may also establish policies for these debts if the policies are not inconsistent with the Controller's policies.

Payment of processing fees. Subject to approval by the State Controller and State Treasurer, processing fees will be paid out of the General Fund and Highway Fund when the process is economically beneficial to the State.

Governmental Operations oversight. –The State Controller and State Treasurer must consult with Governmental Operations before establishing policies for electronic payment and before authorizing payment of processing fees from the General Fund and Highway Fund. A State agency must also consult with Governmental Operations before implementing an electronic payment program.

Section 4 adds as an element to the Statewide cash management plan that State agencies shall accept electronic payment to the maximum extent possible consistent with sound business practices.

Section 5 adds a new section to the Local Government Budget and Fiscal Control Act. This section authorizes a unit of local government or a public authority to accept payment by electronic payment for any tax, assessment, rate, fee, charge, rent, interest, penalty, or other receivable owed it. The local government may pay the processing fee, as a condition of contracting for acceptance of the electronic payment, or the local government may impose a surcharge on the amount paid by the person using electronic payment.

Section 6 amends G.S. 105-367 to clarify that a tax collector may accept electronic payment of property taxes. Current law authorizes the tax collector to accept a check or credit card in payment of property taxes.

Section 7 amends Chapter 132 (Public Records) to add an account number for electronic payment to the list of confidential information that a public agency or its subdivision is prohibited from disclosing.

Section 8 makes the act effective when it becomes law.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Office of the State Controller; Department of State Treasurer; state agencies; local governments

EFFECTIVE DATE: The act is effective when it becomes law.

BILL SUMMARY: The bill provides for state and local governments to accept credit cards, charge cards, debit cards and electronic fund transfers for payment of government fees, costs, and debts. The bill mandates the State Controller establish a policy to allow accounts receivable to be paid by electronic payment.

ASSUMPTIONS AND METHODOLOGY: No estimate is available on the fiscal impact on state and local governments due to the uncertainty about participation by both governmental units and consumers. SB 222 adds electronic payment as another method to maximize investment of tax dollars and minimize idle, nonproductive cash. However, governmental units will only use electronic payment if it is consistent with sound business practices. It is not known which state agencies and local governments have examined their cash management policies and determined that electronic payment is needed.

Some state agencies have decided to pursue electronic payment as a means to help consumers. The Division of Motor Vehicles (DMV) in the Department of Transportation requested HB 280 in the 1999 General Assembly to allow the agency "to accept electronic applications for the issuance of registration plates, registration certificates, and certificates of title, and to electronically collect fees and penalties". SB 222 is needed to enable DMV to collect a fee by

electronic payment. The Virginia DMV currently accepts credit cards and check cards for all transactions.

The Department of Revenue has been interested in using credit cards for tax payments at least since 1991. Former Secretary of Revenue Betsy Justus corresponded with two credit card companies in August, 1991, about using their cards for payment of taxes. The Federation of Tax Administrators found in a 1997 survey that 12 state tax agencies accept credit cards for at least some types of tax payment. Eleven additional states have authority to accept credit cards but have no program in place.

The State Controller's staff has attempted to quantify the state impact of SB 222. They estimate that a transaction ranging from $20 to $200 has a cost of handling and processing of approximately $5 per transaction using current payment methods. They estimate the cost per transaction using electronic payment will be reduced $3 to $4 depending on the fee charged by credit or debit card companies. The State Controller estimates that the first year impact will be revenue neutral with only 100,000 transactions using electronic payment. In the following years, it is estimated that each transaction by electronic payment will save $3 and the volume of transactions will grow as shown in the chart below:

2nd Year	1,100,000 transactions	$3.3 million savings
3rd Year	2,200,000 transactions	$6.6 million savings
4th Year	3,400,000 transactions	$10.2 million savings
5th Year	4,800,000 transactions	$14.4 million savings

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR STATE AND LOCAL GOVERNMENTS TO ACCEPT CREDIT CARDS, CHARGE CARDS, DEBIT CARDS, AND ELECTRONIC FUNDS TRANSFERS FOR PAYMENT OF GOVERNMENT FEES, COSTS, AND DEBTS, AND TO ALLOW LOCAL GOVERNMENTS TO ACCEPT CREDIT CARDS, CHARGE CARDS, DEBIT CARDS, AND ELECTRONIC FUNDS TRANSFERS FOR PAYMENT OF PROPERTY TAXES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-228.90(b) is amended by adding a new subdivision to read:

"(3a) Electronic payment. -- Payment by charge card, credit card, debit card, or by electronic funds transfer as defined in this subsection."

Section 2. G.S. 147-86.10 reads as rewritten:

"**§ 147-86.10. Statement of policy.**

It is the policy of the State of North Carolina that all agencies, institutions, departments, bureaus, boards, ~~commissions~~ commissions, and officers of the State, whether or not subject to the Executive Budget Act, Chapter 143, Article 1 of the General Statutes, shall devise techniques and procedures for the receipt, deposit, and disbursement of moneys coming into their control and custody which are designed to maximize interest-bearing

investment of cash, and to minimize idle and nonproductive cash balances. This policy shall apply to the General Court of Justice as defined in Article IV of the North Carolina Constitution, the public school administrative units, and the community colleges with respect to the receipt, deposit, and disbursement of moneys required by law to be deposited with the State Treasurer and with respect to moneys made available to them for expenditure by warrants drawn on the State Treasurer. This policy shall include the acceptance of electronic payments in accordance with G.S. 147-86.22 to the maximum extent possible consistent with sound business practices."

Section 3. G.S. 147-86.22(b) reads as rewritten:

"(b) ~~Credit Card~~ Electronic Payment. -- Notwithstanding the provisions of G.S. 147-86.20 and G.S. 147-86.21, this subsection applies to debts owed a community college, a local school administrative unit, an area mental health, developmental disabilities, and substance abuse authority, and the Administrative Office of the Courts, and to debts payable to or through the office of a clerk of superior court or a magistrate, as well as to debts owed to other State agencies as defined in G.S. 147-86.20. The State Controller ~~may~~ shall establish policies that allow accounts receivable to be payable under certain ~~conditions, with the concurrence of the State Treasurer, by credit card.~~ conditions by electronic payment as defined in G.S. 105-228.90(b).

These policies shall be established with the concurrence of the State Treasurer. In addition, any policies that apply to debts payable to or through the office of a clerk of superior court or a magistrate shall be established with the concurrence of the Administrative Officer of the Courts. The Administrative Officer of the Courts may also establish policies otherwise authorized by law that apply to these debts as long as those policies are not inconsistent with the Controller's policies.

A condition of payment by ~~credit card~~ electronic payment is receipt by the appropriate State agency of the full amount of the account receivable owed to the State agency. A debtor who pays by ~~credit card~~ electronic payment ~~shall~~ may be required to ~~include an amount equal to any fee charged by a depository financial institution for processing the credit card payment.~~ pay any fee or charge associated with the use of electronic payment.

Subject to approval by the State Controller and State Treasurer, fees associated with processing electronic payments shall be paid out of the General Fund and Highway Fund when th

process is economically beneficial to the State. The State may impose a fee for the use of electronic payment when applicable.

The State Controller and State Treasurer shall consult with the Joint legislative Commission on Governmental Operations before establishing policies that allow accounts receivables to be payable by electronic payment in accordance with this subsection and before authorizing fees associated with electronic payment to be paid out of the General Fund and Highway Fund in accordance with this subsection. A State agency must also consult with the Joint Legislative Commission on Governmental Operations before implementing any program to accept payment under this subsection.

A payment of an account receivable that is made by ~~credit card~~ electronic payment and is not honored by the issuer of the ~~credit~~ card or the financial institution offering electronic funds transfer does not relieve the debtor of the obligation to pay the account receivable."

Section 4. G.S. 147-86.11 reads as rewritten:

"**§ 147-86.11. Cash management for the State.**

(a) Uniform Plan. -- The State Controller, with the advice and assistance of the State Treasurer, the State Budget Officer, and the State Auditor, shall develop, implement and amend as necessary a uniform statewide plan to carry out the cash management policy for all State agencies. The State Auditor shall report annually to the Advisory Budget Commission and the General Assembly on the implementation of the plan as shown in the audits completed during the prior fiscal year. The State Treasurer shall recommend periodically to the General Assembly any implementing legislation necessary or desirable in the furtherance of the State policy. When used in this section, 'State agency' means any agency, institution, bureau, board, commission or officer of the State; however, except as provided in G.S. 147-86.12, 147-86.13, ~~and 147-86.14,~~ 147-86.14, and 147-86.22, this Article ~~shall~~ does not apply to the agencies, institutions, bureaus, boards, commissions and officers of the General Court of Justice as defined in Article IV of the North Carolina Constitution or to the local school administrative units and community colleges and their officers and employees.

(b) Duties of Auditor. -- The State Auditor pursuant to ~~his~~ authority under G.S. 147-64.6 shall monitor agency compliance with this Article, and make any comments, suggestions, and recommendations ~~he~~ the Auditor deems advisable to the agencies.

(c) Treasurer's Report. -- The State Treasurer shall publish a quarterly report on all funds in the control or custody of the State Treasurer showing cash balances on hand, investments of

cash balances and a comparative analysis of earnings and investment performances.

(d) Earnings on Trust Funds. -- The statewide cash management plan shall provide that any net earnings on invested funds, whose beneficial owner is not the State or a local governmental unit, shall be paid to the beneficial owners of the funds. 'Net earnings' are the amounts remaining after allowance for the cost of administration, management, and operation of the invested funds.

(e) Elements of Plan. -- For moneys received or to be received, the statewide cash management plan shall provide at a minimum that:

(1) Except as otherwise provided by law, moneys received by employees of State agencies in the normal course of their employment shall be deposited as follows:

a. Moneys received in trust for specific beneficiaries for which the employee-custodian has a duty to invest shall be deposited with the State Treasurer under the provisions of G.S. 147-69.3.

b. All other moneys received shall be deposited with the State Treasurer pursuant to G.S. 147-77 and G.S. 147-69.1.

(2) Moneys received shall be deposited daily in the form and amounts received, except as otherwise provided by ~~statute;~~ statute.

(3) Moneys due to a State agency by another governmental agency or by private persons shall be promptly billed, collected and ~~deposited;~~ deposited.

(4) Unpaid billings due to a State agency shall be turned over to the Attorney General for collection no more than 90 days after the due date of the billing, except that a State agency need not turn over to the Attorney General unpaid billings of less than five hundred dollars ($500.00), or (for institutions where applicable) amounts owed by all patients which are less than the federally established deductible applicable to Part A of the Medicare program, and instead may handle these unpaid bills pursuant to agency debt collection ~~procedures; and~~ procedures.

(5) Moneys received in the form of warrants drawn on the State Treasurer shall be deposited by the State agency directly with the State Treasurer and not through the banking system, unless otherwise approved by the State Treasurer.

(6) State agencies shall accept payment by electronic payment in accordance with G.S. 147-86.22 to the maximum extent possible consistent with sound business practices.

(f) Disbursement Requirements. -- For the disbursement of money, the statewide cash management plan shall provide at a minimum that:

(1) Moneys deposited with the State Treasurer remain on deposit with the State Treasurer until final disbursement to the ultimate ~~payee;~~ payee.

(2) The order in which appropriations and other available resources are expended shall be subject to the provisions of G.S. 143-27 regardless of whether the State agency disbursing or expending the moneys is subject to the Executive Budget ~~Act;~~ Act.

(3) Federal and other reimbursements of expenditures paid from State funds shall be paid immediately to the source of the State ~~funds;~~ funds.

(4) Billings to the State for goods received or services rendered shall be paid neither early nor late but on the discount date or the due date to the extent ~~practicable; and~~ practicable.

(5) Disbursement cycles for each agency shall be established to the extent practicable so that the overall efficiency of the warrant disbursement system is maximized while maintaining prompt payment of bills due.

(g) Interest Maximized. -- The interest earnings of the General Fund and Highway Fund shall be maximized to the extent practicable. To this end:

(1) Interest earnings shall not be allocated to an account by the State Treasurer unless all of the moneys in the account are expressly eligible by law for receiving interest ~~allocations;~~ allocations.

(2) State officers and employees who received moneys in trust or for investment shall be solely responsible for properly segregating such funds

for investment in the manner prescribed by law. The officer or employee charged with the responsibility for these moneys shall be under a duty to segregate the funds in a timely manner. No investment income shall be allocated by the State Treasurer to trust or other investment accounts until properly segregated into investment accounts as provided by law and the rules of the State Treasurer.

(h) New Technologies. -- The statewide cash management plan shall consider new technologies and procedures whenever the technologies and procedures are economically beneficial to the State as a whole. Where the new technologies and procedures may be implemented without additional legislation, the technologies and procedures shall be implemented in the plan.

(i) Penalty. -- A willful or continued failure of an employee paid from State funds or employed by a State agency to follow the statewide cash management plan is sufficient cause for immediate dismissal of the employee."

Section 5. Article 3 of Chapter 159 of the General Statutes is amended by adding a new section to read:

"**§ 159-32.1. Electronic payment.**

A unit of local government or public authority may, in lieu of payment by cash or check, accept payment by electronic payment as defined in G.S. 105-228.90(b) for any tax, assessment, rate, fee, charge, rent, interest, penalty, or other receivable owed to it. A unit of local government or public authority may pay any negotiated discount, processing fee, transaction fee, or other charge imposed by a credit card, charge card, or debit card company, or by a third party merchant bank, as a condition of contracting for the unit's or the authority's acceptance of electronic payment. A unit or authority may impose the fee or charge as a surcharge on the amount paid by the person using electronic payment."

Section 6. G.S. 105-357(b) reads as rewritten:

"(b) Acceptance of ~~Checks and Credit Cards.~~ Checks and Electronic Payment. -- The tax collector may accept ~~checks, credit cards,~~ checks and electronic payments, as defined in G.S. 105-228.90(b), ~~or both~~ in payment of ~~taxes.~~ taxes, as authorized by G.S. 159-32.1. Acceptance of a check or ~~credit card~~ electronic payment is at the tax collector's own risk. A tax collector who accepts ~~credit cards in payment~~ electronic payment of taxes may add a fee to each ~~credit card~~ electronic payment transaction to offset the service charge the taxing unit pays for

~~credit card~~ electronic payment service. A tax collector who accepts ~~a credit card~~ electronic payment or check in payment of taxes may issue the tax receipt immediately or withhold the receipt until the check has been collected or the ~~credit card~~ electronic payment invoice has been honored by the issuer.

If a tax collector accepts a check or ~~a credit card~~ an electronic payment and issues a tax receipt and the check is returned unpaid (without negligence on the part of the tax collector in presenting the check for payment) or the ~~credit card~~ electronic payment invoice is not honored by the issuer, the taxes for which the check or ~~credit card~~ electronic payment was given shall be deemed unpaid; the tax collector shall immediately correct the copy of the tax receipt and other appropriate records to show the fact of nonpayment, and shall give written notice by certified or registered mail to the person to whom the tax receipt was issued to return it to the tax collector. After correcting the records to show the fact of nonpayment, the tax collector shall proceed to collect the taxes by the use of any remedies allowed for the collection of taxes or by bringing a civil action on the check or ~~credit card.~~ electronic payment.

A financial institution with which a taxing unit has contracted for receipt of payment of taxes may accept a check in payment of taxes. If the check is honored, the financial institution shall so notify the tax collector, who shall, upon request of the taxpayer, issue a receipt for payment of the taxes. If the check is returned unpaid, the financial institution shall so notify the tax collector, who shall proceed to collect the taxes by use of any remedy allowed for collection of taxes or by bringing a civil action on the check.

(1) Effect on Tax Lien. -- If the tax collector accepts a check or ~~credit card~~ electronic payment in payment of taxes on real property and issues the receipt, and the check is later returned unpaid or the ~~credit card~~ electronic payment invoice is not honored by the issuer, the taxing unit's lien for taxes on the real property shall be inferior to the rights of purchasers for value and of persons acquiring liens of record for value if the purchasers or lienholders acquire their rights in good faith and without actual knowledge that the check has not been collected or the ~~credit card~~ electronic payment invoice has not been honored, after examination of the copy of the tax receipt in the tax collector's office during

the time that record showed the taxes as paid or after examination of the official receipt issued to the taxpayer prior to the date on which the tax collector notified the taxpayer to return the receipt.

(2) Penalty. -- In addition to interest for nonpayment of taxes provided by G.S. 105-360 and in addition to any criminal penalties provided by law for the giving of worthless checks, the penalty for giving in payment of taxes a check that is returned because of insufficient funds or nonexistence of an account of the drawer is ten percent (10%) of the amount of the check, subject to a minimum of one dollar ($1.00) and a maximum of one thousand dollars ($1,000). This penalty does not apply if the tax collector finds that, when the check was presented for payment, the drawer of the check had sufficient funds in an account at a financial institution in this State to pay the check and, by inadvertance, the drawer of the check failed to draw the check on the account that had sufficient funds. This penalty shall be added to and collected in the same manner as the taxes for which the check was given."

Section 7. G.S. 132-1.2 reads as rewritten:

"**§ 132-1.2. Confidential information.**

(a) Nothing in this ~~Article~~ Chapter shall be construed to require or authorize a public agency or its subdivision to disclose any information ~~which~~ that:

(1) Meets all of the following conditions:

~~(1)~~ a. Constitutes a "trade secret" as defined in ~~G.S. 66-152(3);~~ G.S. 66-152(3).

~~(2)~~ b. Is the property of a private "person" as defined in ~~G.S. 66-152(2);~~ G.S. 66-152(2).

~~(3)~~ c. Is disclosed or furnished to the public agency in connection with the owner's performance of a public contract or in connection with a bid, application, proposal, industrial development project, or in compliance with laws, regulations, rules, or ordinances of the United States, the State, or political subdivisions of the ~~State; and~~ State.

~~(4)~~ d. Is designated or indicated as "confidential" or as a "trade secret" at the time of its initial disclosure to the public agency.

(2) Reveals an account number for electronic payment as defined in G.S. 105-228.90(b) and obtained pursuant to Articles 6A or 6B of Chapter 147 of the General Statutes or G.S. 159-32.1."

Section 8. This act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1999

S D

SENATE BILL 222
Proposed Committee Substitute S222-PCS2768-LA

Short Title: Government Accept Electronic Payment. (Public)

Sponsors:

Referred to:

March 4, 1999

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR STATE AND LOCAL GOVERNMENTS TO ACCEPT CREDIT CARDS, CHARGE CARDS, DEBIT CARDS, AND ELECTRONIC FUNDS TRANSFERS FOR PAYMENT OF GOVERNMENT FEES, COSTS, AND DEBTS, AND TO ALLOW LOCAL GOVERNMENTS TO ACCEPT CREDIT CARDS, CHARGE CARDS, DEBIT CARDS, AND ELECTRONIC FUNDS TRANSFERS FOR PAYMENT OF PROPERTY TAXES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-228.90(b) is amended by adding a new subdivision to read:

"(3a) Electronic payment. -- Payment by charge card, credit card, debit card, or by electronic funds transfer as defined in this subsection."

Section 2. G.S. 147-86.10 reads as rewritten:

"**§ 147-86.10. Statement of policy.**

It is the policy of the State of North Carolina that all agencies, institutions, departments, bureaus, boards, ~~commissions~~ commissions, and officers of the State, whether or not subject to the Executive Budget Act, Chapter 143, Article 1 of the General Statutes, shall devise techniques and procedures for the receipt, deposit, and disbursement of moneys coming into their control and custody which are designed to maximize interest-bearing investment of cash, and to minimize idle and nonproductive cash balances. This policy shall apply to the General Court of Justice as defined in Article IV of the North Carolina Constitution, the public school administrative units, and the community colleges with respect to the receipt, deposit,

and disbursement of moneys required by law to be deposited with the State Treasurer and with respect to moneys made available to them for expenditure by warrants drawn on the State Treasurer. This policy shall include the acceptance of electronic payments in accordance with G.S. 147-86.22 to the maximum extent possible consistent with sound business practices."

Section 3. G.S. 147-86.22(b) reads as rewritten:

"(b) ~~Credit Card~~ Electronic Payment. -- Notwithstanding the provisions of G.S. 147-86.20 and G.S. 147-86.21, this subsection applies to debts owed a community college, a local school administrative unit, an area mental health, developmental disabilities, and substance abuse authority, and the Administrative Office of the Courts, and to debts payable to or through the office of a clerk of superior court or a magistrate, as well as to debts owed to other State agencies as defined in G.S. 147-86.20. The State Controller ~~may~~ shall establish policies that allow accounts receivable to be payable under certain ~~conditions, with the concurrence of the State Treasurer, by credit card.~~ conditions by electronic payment as defined in G.S. 105-228.90(b).

These policies shall be established with the concurrence of the State Treasurer. In addition, any policies that apply to debts payable to or through the office of a clerk of superior court or a magistrate shall be established with the concurrence of the Administrative Officer of the Courts. The Administrative Officer of the Courts may also establish policies otherwise authorized by law that apply to these debts as long as those policies are not inconsistent with the Controller's policies.

A condition of payment by ~~credit card~~ electronic payment is receipt by the appropriate State agency of the full amount of the account receivable owed to the State agency. A debtor who pays by ~~credit card~~ electronic payment ~~shall~~ may be required to ~~include an amount equal to any fee charged by a depository financial institution for processing the credit card payment.~~ pay any fee or charge associated with the use of electronic payment.

Subject to approval by the State Controller and State Treasurer, fees associated with processing electronic payments shall be paid out of the General Fund and Highway Fund when the process is economically beneficial to the State. The State may impose a fee for the use of electronic payment when applicable.

The State Controller and State Treasurer shall consult with the Joint Legislative Commission on Governmental Operations before establishing policies that allow accounts receivable to be payable by electronic payment in accordance with this subsection and before authorizing fees associated with electronic payment to be paid out of the General Fund and Highway Fund in accordance with this subsection. A State agency must also consult with the Joint Legislative Commission on Governmental Operations before implementing any program to accept payment under this subsection.

A payment of an account receivable that is made by ~~credit card~~ electronic payment and is not honored by the issuer of the ~~credit~~ card or the financial institution offering electronic funds transfer does not relieve the debtor of the obligation to pay the account receivable."

Section 4. G.S. 147-86.11 reads as rewritten:

"**§ 147-86.11. Cash management for the State.**

(a) Uniform Plan. -- The State Controller, with the advice and assistance of the State Treasurer, the State Budget Officer, and the State Auditor, shall develop, implement and amend as necessary a uniform statewide plan to carry out the cash management policy for all State agencies. The State Auditor shall report annually to the Advisory Budget Commission and the General Assembly on the implementation of the plan as shown in the audits completed during the prior fiscal year. The State Treasurer shall recommend periodically to the General Assembly any implementing legislation necessary or desirable in the furtherance of the State policy. When used in this section, 'State agency' means any agency, institution, bureau, board, commission or officer of the State; however, except as provided in G.S. 147-86.12, 147-86.13, ~~and 147-86.14,~~ 147-86.14, and 147-86.22, this Article ~~shall~~ does not apply to the agencies, institutions, bureaus, boards, commissions and officers of the General Court of Justice as defined in Article IV of the North Carolina Constitution or to the local school administrative units and community colleges and their officers and employees.

(b) Duties of Auditor. -- The State Auditor pursuant to ~~his~~ authority under G.S. 147-64.6 shall monitor agency compliance with this Article, and make any comments, suggestions, and recommendations ~~he~~ the Auditor deems advisable to the agencies.

(c) Treasurer's Report. -- The State Treasurer shall publish a quarterly report on all funds in the control or custody of the State Treasurer showing cash balances on hand, investments of cash balances and a comparative analysis of earnings and investment performances.

(d) Earnings on Trust Funds. -- The statewide cash management plan shall provide that any net earnings on invested funds, whose beneficial owner is not the State or a local governmental unit, shall be paid to the beneficial owners of the funds. 'Net earnings' are the amounts remaining after allowance for the cost of administration, management, and operation of the invested funds.

(e) Elements of Plan. -- For moneys received or to be received, the statewide cash management plan shall provide at a minimum that:

(1) Except as otherwise provided by law, moneys received by employees of State agencies in the normal course of their employment shall be deposited as follows:

a. Moneys received in trust for specific beneficiaries for which the employee-custodian has a duty to invest shall be deposited with the State Treasurer under the provisions of G.S. 147-69.3.

b. All other moneys received shall be deposited with the State Treasurer pursuant to G.S. 147-77 and G.S. 147-69.1.

(2) Moneys received shall be deposited daily in the form and amounts received, except as otherwise provided by ~~statute;~~ statute.

(3) Moneys due to a State agency by another governmental agency or by private persons shall be promptly billed, collected and ~~deposited;~~ deposited.

(4) Unpaid billings due to a State agency shall be turned over to the Attorney General for collection no more than 90 days after the due date of the billing, except that a State agency need not turn over to the Attorney General unpaid billings of less than five hundred dollars ($500.00), or (for institutions where applicable) amounts owed by all patients which are less than the federally established deductible applicable to Part A of the Medicare program, and instead may handle these unpaid bills pursuant to agency debt collection ~~procedures; and~~ procedures.

(5) Moneys received in the form of warrants drawn on the State Treasurer shall be deposited by the State agency directly with the State Treasurer and not through the banking system, unless otherwise approved by the State Treasurer.

(6) State agencies shall accept payment by electronic payment in accordance with G.S. 147-86.22 to the maximum extent possible consistent with sound business practices.

(f) Disbursement Requirements. -- For the disbursement of money, the statewide cash management plan shall provide at a minimum that:

(1) Moneys deposited with the State Treasurer remain on deposit with the State Treasurer until final disbursement to the ultimate ~~payee;~~ payee.

(2) The order in which appropriations and other available resources are expended shall be subject to the provisions of G.S. 143-27 regardless of whether the State agency disbursing or expending the moneys is subject to the Executive Budget ~~Act;~~ Act.

(3) Federal and other reimbursements of expenditures paid from State funds shall be paid immediately to the source of the State ~~funds;~~ funds.

(4) Billings to the State for goods received or services rendered shall be paid neither early nor late but on the discount date or the due date to the extent ~~practicable; and~~ practicable.

(5) Disbursement cycles for each agency shall be established to the extent practicable so that the overall efficiency of the warrant disbursement system is maximized while maintaining prompt payment of bills due.

(g) Interest Maximized. -- The interest earnings of the General Fund and Highway Fund shall be maximized to the extent practicable. To this end:

(1) Interest earnings shall not be allocated to an account by the State Treasurer unless all of the moneys in the account are expressly eligible by law for receiving interest ~~allocations;~~ allocations.

(2) State officers and employees who received moneys in trust or for investment shall be solely responsible for properly segregating such funds for investment in the manner prescribed by law. The officer or employee charged with the responsibility for these moneys shall be under a duty to segregate the funds in a timely manner. No investment income shall be allocated by the State Treasurer to trust or other investment accounts until properly segregated into investment accounts as provided by law and the rules of the State Treasurer.

(h) New Technologies. -- The statewide cash management plan shall consider new technologies and procedures whenever the technologies and procedures are economically beneficial to the State as a whole. Where the new technologies and procedures may be implemented without additional legislation, the technologies and procedures shall be implemented in the plan.

(i) Penalty. -- A willful or continued failure of an employee paid from State funds or employed by a State agency to follow the statewide cash management plan is sufficient cause for immediate dismissal of the employee."

Section 5. Article 3 of Chapter 159 of the General Statutes is amended by adding a new section to read:

"**§ 159-32.1. Electronic payment.**

A unit of local government or public authority may, in lieu of payment by cash or check, accept payment by electronic payment as defined in G.S. 105-228.90(b) for any tax, assessment, rate, fee, charge, rent, interest, penalty, or other receivable owed to it. A unit of local government or public authority may pay any negotiated discount, processing fee, transaction fee, or other charge imposed by a credit card, charge card, or debit card company, or by a third-party merchant bank, as a condition of contracting for the unit's or the authority's acceptance of electronic payment. A unit or authority may impose the fee or charge as a surcharge on the amount paid by the person using electronic payment."

Section 6. G.S. 105-357(b) reads as rewritten:

"(b) Acceptance of ~~Checks and Credit Cards.~~ Checks and Electronic Payment. -- The tax collector may accept ~~checks, credit cards,~~ checks and electronic payments, as defined in G.S. 105-228.90(b), ~~or both~~ in payment of ~~taxes.~~ taxes, as authorized by G.S. 159-32.1. Acceptance of a check or ~~credit card~~ electronic payment is at the tax collector's own risk. A tax collector who accepts ~~credit cards in payment~~ electronic payment of taxes may add a fee to each ~~credit card~~ electronic payment transaction to offset the service charge the taxing unit pays for ~~credit card~~ electronic payment service. A tax collector who accepts ~~a credit card~~ electronic payment or check in payment of taxes may issue the tax receipt immediately or withhold the receipt until the check has been collected or the ~~credit card~~ electronic payment invoice has been honored by the issuer.

If a tax collector accepts a check or ~~a credit card~~ an electronic payment and issues a tax receipt and the check is returned unpaid (without negligence on the part of the tax collector in presenting the check for payment) or the ~~credit card~~ electronic

payment invoice is not honored by the issuer, the taxes for which the check or ~~credit card~~ electronic payment was given shall be deemed unpaid; the tax collector shall immediately correct the copy of the tax receipt and other appropriate records to show the fact of nonpayment, and shall give written notice by certified or registered mail to the person to whom the tax receipt was issued to return it to the tax collector. After correcting the records to show the fact of nonpayment, the tax collector shall proceed to collect the taxes by the use of any remedies allowed for the collection of taxes or by bringing a civil action on the check or ~~credit card.~~ electronic payment.

A financial institution with which a taxing unit has contracted for receipt of payment of taxes may accept a check in payment of taxes. If the check is honored, the financial institution shall so notify the tax collector, who shall, upon request of the taxpayer, issue a receipt for payment of the taxes. If the check is returned unpaid, the financial institution shall so notify the tax collector, who shall proceed to collect the taxes by use of any remedy allowed for collection of taxes or by bringing a civil action on the check.

(1) Effect on Tax Lien. -- If the tax collector accepts a check or ~~credit card~~ electronic payment in payment of taxes on real property and issues the receipt, and the check is later returned unpaid or the ~~credit card~~ electronic payment invoice is not honored by the issuer, the taxing unit's lien for taxes on the real property shall be inferior to the rights of purchasers for value and of persons acquiring liens of record for value if the purchasers or lienholders acquire their rights in good faith and without actual knowledge that the check has not been collected or the ~~credit card~~ electronic payment invoice has not been honored, after examination of the copy of the tax receipt in the tax collector's office during the time that record showed the taxes as paid or after examination of the official receipt issued to the taxpayer prior to the date on which the tax collector notified the taxpayer to return the receipt.

(2) Penalty. -- In addition to interest for nonpayment of taxes provided by G.S. 105-360 and in addition to any criminal penalties provided by law for the giving of worthless checks, the penalty for giving in payment of taxes a check that is returned because of insufficient funds or nonexistence of an account of the drawer is ten percent (10%) of the amount of the check, subject to a minimum of one dollar ($1.00) and a maximum of one thousand dollars ($1,000). This penalty does not apply if the tax collector finds that, when the check was presented for payment, the drawer of the check had sufficient funds in an account at a financial institution in this State to pay the check and, by inadvertance, the drawer of the check failed to draw the check on the account that had sufficient funds. This penalty shall be added

to and collected in the same manner as the taxes for which the check was given."

Section 7. G.S. 132-1.2 reads as rewritten:

"**§ 132-1.2. Confidential information.**

(a) Nothing in this ~~Article~~ Chapter shall be construed to require or authorize a public agency or its subdivision to disclose any information ~~which:~~ that:

(1) Meets all of the following conditions:

~~(1)~~ a. Constitutes a "trade secret" as defined in ~~G.S. 66-152(3);~~ G.S. 66-152(3).

~~(2)~~ b. Is the property of a private "person" as defined in ~~G.S. 66-152(2);~~ G.S. 66-152(2).

V. EFFECTIVE DATES

PART 1. BILL LEE ACT CHANGES

Section 1. Section 10.2(3) of Chapter 13 of the 1996 Second Extra Session reads as rewritten:

"(3) Quality jobs and business expansion tax credits. -- Sections 3.5, 3.6, and 3.8 through 3.10 of Part III of this act become effective August 1, 1996. G.S. 105-129.11, as enacted by Part III of this act, becomes effective for taxable years beginning on or after January 1, 1997, and applies to training expenditures made on or after July 1, 1997. The remainder of Part III of this act is effective for taxable years beginning on or after January 1, 1996, and applies to jobs created on or after August 1, 1996, and property placed in service on or after August 1, 1996. Article 3A of Chapter 105 of the

General Statutes is repealed effective for applications for credits filed under G.S. 105-129.6 on or after January 1, ~~2002.~~ 2005. Article 3B of Chapter 105 of the General Statutes is repealed effective for business property placed in service on or after January 1, 2002."

Section 2. Article 3A of Chapter 105 of the General Statutes read as rewritten:

"ARTICLE 3A.

"Tax Incentives for New and Expanding Businesses.

"**§ 105-129.2. Definitions.**

The following definitions apply in this Article:

(1) Air courier services. -- A person is engaged in the air courier services business if the person's primary business is furnishing air delivery of individually addressed letters and packages for compensation, except by the United States Postal Service.

(2) Central administrative office. -- ~~Defined~~ Either of the following:

a. A corporate, subsidiary, or regional managing office, as defined by NAICS. ~~in the North American Industry Classification System adopted by the United States Office of Management and Budget.~~

b. An auxiliary division engaged primarily in centralized training for an interstate passenger air carrier at its hub. For the purpose of this subdivision, the terms 'interstate passenger air carrier' and 'hub' have the meanings provided in G.S. 105-164.3.

(3) Cost. -- In the case of property owned by the taxpayer, cost is determined pursuant to regulations adopted under section 1012 of the Code. In the case of property the taxpayer leases from another, cost is value as determined pursuant to G.S. 105-130.4(j)(2).

(3a) Customer service center. -- An auxiliary subdivision of a telecommunications or financial services company, as defined by NAICS, that is primarily engaged in providing support services to the company's customers by telephone to support products or services of the company. For the purpose of this definition, a subdivision is primarily engaged in providing support services by telephone if at least sixty percent (60%) of its calls are incoming.

(4) Data processing. -- Any of the following industries, as defined by NAICS: ~~Defined in the North American Industry Classification System adopted by the United States Office of Management and Budget.~~

a. Computer systems design and related services.

b. Software publishers.

(14) Wholesale trade. -- Industries in wholesale trade sector 42 as defined by NAICS.

"**§ 105-129.3. Enterprise tier designation.**

(a) Tiers Defined. -- An enterprise tier one area is a county whose enterprise factor is one of the 10 highest in the State. An enterprise tier two area is a county whose enterprise factor is one of the next 15 highest in the State. An enterprise tier three area is a county whose enterprise factor is one of the next 25 highest in the State. An enterprise tier four area is a county whose enterprise factor is one of the next 25 highest in the State. An enterprise tier five area is any area that is not in a lower-numbered enterprise tier.

(b) Annual Designation. -- Each year, on or before December 31, the Secretary of Commerce shall assign to each county in the State an enterprise factor that is the sum of the following:

(1) The county's rank in a ranking of counties by average rate of unemployment from lowest to highest, for the preceding three years.
(2) The county's rank in a ranking of counties by average per capita income from highest to lowest, for the preceding three years.
(3) The county's rank in a ranking of counties by percentage growth in population from highest to lowest.

The Secretary of Commerce shall then rank all the counties within the State according to their enterprise factor from highest to lowest, identify all the areas of the State by enterprise tier, and provide this information to the Secretary of Revenue. An enterprise tier designation is effective only for the calendar year following the designation.

In measuring rates of unemployment and per capita income, the Secretary shall use the latest available data published by a State or federal agency generally recognized as having expertise concerning the data. In measuring population growth, the Secretary shall use the most recent estimates of population certified by the State Planning Officer.

(c) Exception for Enterprise Tier One Areas. -- Notwithstanding the provisions of this section, an enterprise tier one area may not be redesignated as a higher-numbered enterprise tier area until it has been an enterprise tier one area for at least two consecutive years.

(d) Exception for Two-County Industrial Park. -- For the purpose of this Article, an eligible two-county industrial park that meets all of the following conditions has the lower enterprise tier designation of the designations of the two counties in which it is located:

(1) It is located in two contiguous counties, one of which has a lower enterprise tier designation than the other.
(2) At least one-third of the park is located in the county with the lower tier designation.
(3) It is owned by the two counties or a joint agency of the counties.
(4) The county with the lower tier designation contributed at least one-half of the cost of developing the park.

(e) Exception for Certain Small Counties. -- A county that meets both of the conditions set out below has an enterprise tier designation one level below the designation it would otherwise have under subsection (a) of this section:

(1) Its population is less than 20,000 according to the most recent estimates of population certified by the State Planning Officer.
(2) More than eighteen percent (18%) of its population is below the federal poverty level according to the most recent federal decennial census.

"§ 105-129.3A. Development zone designation.

(a) Development Zone Defined. -- A development zone is an area comprised of one or more contiguous census tracts, census block groups, or both in the most recent federal decennial census that meets all of the following conditions:

(1) ~~It~~ Every census tract and census block group in the zone is located in whole or in part in a city with a population of more than 5,000 according to the most recent annual population estimates certified by the State Planning Officer.

(2) It has a population of 1,000 or more according to the most recent annual population estimates certified by the State Planning Officer.

(3) More than twenty percent (20%) of its population is below the poverty level according to the most recent federal decennial census.

(4) Every census tract and census block group in the zone meets at least one of the following conditions:

a. More than ten percent (10%) of its population is below the poverty level according to the most recent federal decennial census.

b. It is immediately adjacent to another census tract or census block group that is in the same zone and has more than twenty percent (20%) of its population below the poverty level according to the most recent federal decennial census.

(5) None of the census tracts or census block groups in the zone is located in another development zone designated by the Secretary of Commerce.

(b) Designation. -- Upon request of a taxpayer or a local government, the Secretary of Commerce shall designate whether an area is a development zone that meets the conditions of subsection (a) of this section. If the applicant is a taxpayer, it must notify each municipality in which part of the zone is located. The Secretary of Commerce shall make the zone designations annually effective January 1 of each year. To qualify for designation, the application must be filed by the preceding September 1. A development zone designation is effective for ~~48~~ 24 months following the designation.

(c) Relationship With Enterprise Tiers. -- For the purpose of the wage standard requirement of G.S. 105-129.3(b), the credit for investing in machinery and equipment allowed in G.S. 105-129.9, and the credit for worker training allowed in G.S. 105-129.11, a development zone is considered an enterprise tier one area. For all other purposes, a development zone has the same enterprise tier designation as the county in which it is located.

"**§ 105-129.4. Eligibility; forfeiture.**

(a) Type of Business. -- A taxpayer is eligible for a credit allowed by G.S. 105-129.12 if the real property for which the credit is claimed is used for a central administrative office that creates at least 40 new jobs. A taxpayer is eligible for the other credits allowed by this Article if the taxpayer engages in one of the following types of businesses and the jobs with respect to which a credit is claimed are created in that business, the machinery and equipment with respect to which a credit is

claimed are used in that business, and the research and development for which a credit is claimed are carried out as part of that business:

(1) Air courier services.
(2) Central administrative office that creates at least 40 new jobs.
(3) Data processing.
(4) Manufacturing.
(5) Warehousing or wholesale trade.
(6) Customer service center located in an enterprise tier one or two area.

(a1) Central Administrative Office. -- A central administrative office creates at least 40 new jobs if the taxpayer hires at least 40 additional full-time employees to fill new positions at the office either in the year the taxpayer first uses the property as a central administrative office or in the preceding 24 months while using temporary space for the central administrative office functions during completion of the administrative office property. Jobs transferred from one area in the State to another area in the State are not considered new jobs for purposes of this subsection.

(b) Wage Standard. -- A taxpayer is eligible for the credit for creating jobs or the credit for worker training if the jobs for which the credit is claimed meet the wage standard at the time the taxpayer applies for the credit. A taxpayer is eligible for the credit for investing in machinery and equipment, the credit for research and development, or the credit for investing in real property for a central administrative office if the jobs at the location with respect to which the credit is claimed meet the wage standard at the time the taxpayer applies for the credit. Jobs meet the wage standard if they pay an average weekly wage that is at least equal to the applicable percentage times the applicable average weekly wage for the county in which the jobs will be located, as computed by the Secretary of Commerce from data compiled by the Employment Security Commission for the most recent period for which data are available. The applicable percentage for jobs located in an enterprise tier one area is one hundred percent (100%). The applicable percentage for all other jobs is one hundred ten percent (110%). The applicable average weekly wage is the lowest of the following: (i) the average wage for all insured private employers in the county, (ii) the average wage for all insured private employers in the State, and (iii) the average wage for all insured private employers in the county multiplied by the county income/wage adjustment factor. The county income/wage adjustment factor is the county income/wage ratio divided by the State income/wage ratio. The county income/wage ratio is average per capita income in the county divided by the annualized average wage for all insured private employers in the county. The State income/wage ratio is the average per capita income in the State divided by the annualized average wage for all insured private employers in the State.

(b1) Large Investment. -- A taxpayer who is otherwise eligible for a tax credit under this Article becomes eligible for the large investment enhancements provided for credits under this Article if the Secretary of Commerce certifies that the taxpayer will purchase or lease, and place in service in connection with the eligible business within a two-year period, at least one hundred fifty million dollars ($150,000,000)

worth of one or more of the following: real property, machinery and equipment, or central administrative office property. If the taxpayer fails to make the level of investment certified within this two-year period, the taxpayer forfeits the large investment enhancements as provided in subsection (d) of this section.

(b2) Health Insurance. -- A taxpayer is eligible for a credit for creating jobs or for worker training under this Article if the taxpayer provides health insurance for the positions for which the credit is claimed at the time the taxpayer applies for the credit. A taxpayer is eligible for the other credits under this Article if the taxpayer provides health insurance for all of the full-time positions at the location with respect to which the credit is claimed at the time the taxpayer applies for the credit. For the purposes of this subsection, a taxpayer provides health insurance if it pays at least fifty percent (50%) of the premiums for health care coverage that equals or exceeds the minimum provisions of the basic health care plan of coverage recommended by the Small Employer Carrier Committee pursuant to G.S. 58-50-125.

Each year that a taxpayer claims an installment or carryforward of a credit allowed under this Article, the taxpayer must provide with the tax return the taxpayer's certification that the taxpayer continues to provide health insurance for the jobs for which the credit was claimed or the full-time jobs at the location with respect to which the credit was claimed. If the taxpayer ceases to provide health insurance for the jobs during a taxable year, the credit expires and the taxpayer may not take any remaining installment or carryforward of the credit.

(b3) Environmental Impact. -- A taxpayer is eligible for a credit allowed under this Article only if the taxpayer has obtained a certification from the Department of Environment and Natural Resources that the business location with respect to which the credit is claimed has not had and will not have a materially adverse effect on the environment.

(b4) Safety and Health Programs. -- A taxpayer is eligible for a credit allowed under this Article only if the taxpayer has obtained a certification from the Department of Labor that, at the business location with respect to which the credit is claimed, the taxpayer has established and implemented a safety and health program in compliance with the requirements of G.S. 95-251.

(c) Repealed by Session Laws 1998-55, s. 1.

(d) Forfeiture. -- A taxpayer forfeits a credit allowed under this Article if the taxpayer was not eligible for the credit at the time the taxpayer applied for the credit. In addition, a taxpayer forfeits a large investment enhancement of a tax credit if the taxpayer fails to make the level of investment certified by the Secretary of Commerce under subsection (b1) of this section within the required two-year period. A taxpayer that forfeits a credit under this Article is liable for all past taxes avoided as a result of the credit plus interest at the rate established under G.S. 105-241.1(i), computed from the date the taxes would have been due if the credit had not been allowed. The past taxes and interest are due 30 days after the date the credit is forfeited; a taxpayer that fails to pay the past taxes and interest by the due date is subject to the penalties provided in G.S. 105-236. If a taxpayer forfeits the credit for creating jobs or the credit for investing in machinery and equipment, the taxpayer also forfeits any credit

for worker training claimed for the jobs for which the credit for creating jobs was claimed or the jobs at the location with respect to which the credit for investing in machinery and equipment was claimed.

(e) Change in Ownership of Business. -- The sale, merger, acquisition, or bankruptcy of a business, or any transaction by which an existing business reformulates itself as another business, does not create new eligibility in a succeeding business with respect to credits for which the predecessor was not eligible under this Article. A successor business may, however, take any installment of or carried-over portion of a credit that its predecessor could have taken if it had a tax liability. The acquisition of a business is a new investment that creates new eligibility in the acquiring taxpayer under this Article if any of the following conditions are met:

(1) The business closed before it was acquired.

(2) The business was required to file a notice of plant closing or mass layoff under the federal Worker Adjustment and Retraining Notification Act, 29 U.S.C. § 2102, before it was acquired.

(3) The business was acquired by its employees through an employee stock option transaction or another similar mechanism.

(f) Development Zone Project Credit. -- Subsections (a) through (b4) of this section to not apply to the credit for development zone projects.

"**§ 105-129.5. Tax election; cap.**

(a) Tax Election. -- The credits provided in this Article are allowed against the franchise tax levied in Article 3 of this ~~Chapter and~~ Chapter, the income taxes levied in Article 4 of this ~~Chapter. The credit for investing in central administrative office property provided in G.S. 105-129.12 is also allowed against~~ Chapter, and the gross premiums tax levied in Article 8B of this Chapter. The taxpayer shall elect the tax against which a credit will be claimed when filing the return on which the first installment of the credit is claimed. This election is binding. Any carryforwards of the credit must be claimed against the same tax.

(b) Cap. -- The credits allowed under this Article may not exceed fifty percent (50%) of the tax against which they are claimed for the taxable year, reduced by the sum of all other credits allowed against that tax, except tax payments made by or on behalf of the taxpayer. This limitation applies to the cumulative amount of credit, including carryforwards, claimed by the taxpayer under this Article against each tax for the taxable year. Any unused portion of a credit with respect to a large investment may be carried forward for the succeeding 20 years. Any unused portion of any other credit may be carried forward for the succeeding five years.

"**§ 105-129.6. Application; reports.**

(a) Application. -- To claim the credits allowed by this Article, the taxpayer must provide with the tax return the certification of the Secretary of Commerce that the taxpayer meets all of the eligibility requirements of G.S. 105-129.4 or G.S. 105-129.13, as applicable, with respect to each credit. A taxpayer shall apply to the Secretary of Commerce for certification of eligibility. The application must be on a form provided by the Secretary of Commerce and must contain any information necessary for the Secretary of Commerce to determine whether the taxpayer meets the eligibility

requirements. In addition, the application must state the number of jobs to be created that are located within a development zone, the number of jobs to be created that will be filled by employees residing within the development zone, and the number of jobs to be created that will be filled by employees residing within a census tract or census block group that has more than twenty percent (20%) of its population below the poverty level according to the most recent federal decennial census.

If the Secretary of Commerce determines that the taxpayer meets all of the eligibility requirements of G.S. 105-129.4 or G.S. 105-129.13, as applicable, with respect to a credit, the Secretary shall issue a certificate describing the location with respect to which the credit is claimed, outlining the eligibility requirements for the credit, and stating that the taxpayer meets the eligibility requirements. If the Secretary of Commerce determines that the taxpayer does not meet all of the eligibility requirements of G.S. 105-129.4 or G.S. 105-129.13, as applicable, with respect to a credit, the Secretary must advise the taxpayer in writing of the eligibility requirements the taxpayer fails to meet. The Secretary of Commerce may adopt rules in accordance with Chapter 150B of the General Statutes that are needed to carry out the Secretary of Commerce's responsibilities under this section.

(a1) Fee. -- When filing an application for certification under this section, the taxpayer must pay the Department of Commerce a fee ~~of seventy-five dollars ($75.00). Fees collected under this subsection are receipts of the Department of Commerce.~~ of five hundred dollars ($500.00) for each credit the taxpayer intends to claim with respect to a location that is in an enterprise tier three, four, or five area, subject to a maximum fee of one thousand five hundred dollars ($1,500) per taxpayer per taxable year. If the taxpayer applies for certification for a credit that relates to locations in more than one enterprise tier area, the fee is based on the highest-numbered enterprise tier area.

The Secretary of Commerce shall retain one-fourth of the proceeds of the fee imposed in this section for the costs of administering this section. The Secretary of Commerce shall credit the remaining proceeds of the fee imposed in this section to the Department of Revenue for the costs of administering and auditing the credits allowed in this Article. The proceeds of the fee are receipts of the Department to which they are credited.

(b) Reports. -- The Department of Commerce shall report to the Department of Revenue and to the Fiscal Research Division of the General Assembly by May 1 of each year the following information for the 12-month period ending the preceding April 1:

(1) The number of applications for each credit allowed in this Article.

(2) The number and enterprise tier area of new jobs with respect to which credits were applied for.

(3) The cost of machinery and equipment with respect to which credits were applied for.

(4) The number of new jobs created within development zones, and the percentage of those jobs that were filled by residents of the zones.

"**§ 105-129.7. Substantiation.**

To claim a credit allowed by this Article, the taxpayer must provide any information required by the Secretary of Revenue. Every taxpayer claiming a credit under this Article shall maintain and make available for inspection by the Secretary of Revenue any records the Secretary considers necessary to determine and verify the amount of the credit to which the taxpayer is entitled. The burden of proving eligibility for the credit and the amount of the credit shall rest upon the taxpayer, and no credit shall be allowed to a taxpayer that fails to maintain adequate records or to make them available for inspection.

"**§ 105-129.8. Credit for creating jobs.**

(a) Credit. -- A taxpayer that meets the eligibility requirements set out in G.S. 105-129.4, has five or more employees for at least 40 weeks during the taxable year, and hires an additional full-time employee during that year to fill a position located in this State is allowed a credit for creating a new full-time job. The amount of the credit for each new full-time job created is set out in the table below and is based on the enterprise tier of the area in which the position is located. In addition, if the position is located in a development zone, the amount of the credit is increased by four thousand dollars ($4,000) per job.

Area Enterprise Tier	Amount of Credit
Tier One	$12,500
Tier Two	4,000
Tier Three	3,000
Tier Four	1,000
Tier Five	500

A position is located in an area if more than fifty percent (50%) of the employee's duties are performed in the area. The credit may not be taken in the taxable year in which the additional employee is hired. Instead, the credit shall be taken in equal installments over the four years following the taxable year in which the additional employee was hired and shall be conditioned on the continued employment by the taxpayer of the number of full-time employees the taxpayer had upon hiring the employee that caused the taxpayer to qualify for the credit.

If, in one of the four years in which the installment of a credit accrues, the number of the taxpayer's full-time employees falls below the number of full-time employees the taxpayer had in the year in which the taxpayer qualified for the credit, the credit expires and the taxpayer may not take any remaining installment of the credit. The taxpayer may, however, take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.5.

Jobs transferred from one area in the State to another area in the State shall not be considered new jobs for purposes of this section. If, in one of the four years in which the installment of a credit accrues, the position filled by the employee is moved to an area in a higher- or lower-numbered enterprise tier, or is moved from a development

zone to an area that is not a development zone, the remaining installments of the credit shall be calculated as if the position had been created initially in the area to which it was moved.

(b) Repealed by Session Laws 1989, c. 111, s. 1.

(b1), (c) Repealed by Session Laws 1996, Second Extra Session, c. 13, s. 3.3.

(d) Planned Expansion. -- A taxpayer that signs a letter of commitment with the Department of Commerce to create at least twenty new full-time jobs in a specific area within two years of the date the letter is signed qualifies for the credit in the amount allowed by this section based on the area's enterprise tier and development zone designation for that year even though the employees are not hired that year. The credit shall be available in the taxable year after at least twenty employees have been hired if the hirings are within the two-year commitment period. The conditions outlined in subsection (a) apply to a credit taken under this subsection except that if the area is redesignated to a higher-numbered enterprise tier or loses its development zone designation after the year the letter of commitment was signed, the credit is allowed based on the area's enterprise tier and development zone designation for the year the letter was signed. If the taxpayer does not hire the employees within the two-year period, the taxpayer does not qualify for the credit. However, if the taxpayer qualifies for a credit under subsection (a) in the year any new employees are hired, the taxpayer may take the credit under that subsection.

(e), (f) Repealed by Session Laws 1996, Second Extra Session, c. 13, s. 3.3 for taxable years beginning on or after January 1, 1996.

"**§ 105-129.9. Credit for investing in machinery and equipment.**

(a) Credit. -- If a taxpayer that has purchased or leased eligible machinery and equipment places it in service in this State during the taxable year, the taxpayer is allowed a credit equal to seven percent (7%) of the excess of the eligible investment amount over the applicable threshold. Machinery and equipment is eligible if it is capitalized by the taxpayer for tax purposes under the Code and is not leased to another party. In addition, in the case of a large investment, machinery and equipment that is not capitalized by the taxpayer is eligible if the taxpayer leases it from another party. The credit may not be taken for the taxable year in which the equipment is placed in service but shall be taken in equal installments over the seven years following the taxable year in which the equipment is placed in service.

(b) Eligible Investment Amount. -- The eligible investment amount is the lesser of (i) the cost of the eligible machinery and equipment and (ii) the amount by which the cost of all of the taxpayer's eligible machinery and equipment that is in service in this State on the last day of the taxable year exceeds the cost of all of the taxpayer's eligible machinery and equipment that was in service in this State on the last day of the base year. The base year is that year, of the three immediately preceding taxable years, in which the taxpayer had the most eligible machinery and equipment in service in this State.

(c) Threshold. -- The applicable threshold is the appropriate amount set out in the following table based on the enterprise tier of the area where the eligible machinery and equipment are placed in service during the taxable year. If the taxpayer places

eligible machinery and equipment in service in more than one area during the taxable year, the threshold applies separately to the eligible machinery and equipment placed in service in each area. If the taxpayer places eligible machinery and equipment in service in an area over the course of a two-year period, the applicable threshold for the second taxable year is reduced by the eligible investment amount for the previous taxable year.

Area Enterprise Tier	Threshold
Tier One	$ -0-
Tier Two	100,000
Tier Three	200,000
Tier Four	500,000
Tier Five	1,000,000

(d) Expiration. -- If, in one of the seven years in which the installment of a credit accrues, the machinery and equipment with respect to which the credit was claimed are disposed of, taken out of service, or moved out of State, the credit expires and the taxpayer may not take any remaining installment of the credit. The taxpayer may, however, take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.5.

If, in one of the seven years in which the installment of a credit accrues, the machinery and equipment with respect to which the credit was claimed are moved to an area in a higher-numbered enterprise tier, or are moved from a development zone to an area that is not a development zone, the remaining installments of the credit are allowed only to the extent they would have been allowed if the machinery and equipment had been placed in service initially in the area to which they were moved.

(e) Planned Expansion. -- A taxpayer that signs a letter of commitment with the Department of Commerce to place specific eligible machinery and equipment in service in an area within two years after the date the letter is signed may, in the year the eligible machinery and equipment are placed in service in that area, calculate the credit for which the taxpayer qualifies based on the area's enterprise tier and development zone designation for the year the letter was signed. All other conditions apply to the credit, but if the area has been redesignated to a higher-numbered enterprise tier or has lost its development zone designation after the year the letter of commitment was signed, the credit is allowed based on the area's enterprise tier and development zone designation for the year the letter was signed. If the taxpayer does not place part or all of the specified eligible machinery and equipment in service within the two-year period, the taxpayer does not qualify for the benefit of this subsection with respect to the machinery and equipment not placed in service within the two-year period. However, if the taxpayer qualifies for a credit in the year the eligible machinery and equipment are placed in service, the taxpayer may take the credit for that year as if no letter of commitment had been signed pursuant to this subsection.

"**§ 105-129.10. Credit for research and development.**

(a) General Credit. -- A taxpayer that claims for the taxable year a federal income tax credit under section 41(a) of the Code for increasing research activities is allowed

a credit equal to five percent (5%) of the State's apportioned share of the taxpayer's expenditures for increasing research activities. The State's apportioned share of a taxpayer's expenditures for increasing research activities is the excess of the taxpayer's qualified research expenses for the taxable year over the base amount, as determined under section 41 of the Code, multiplied by a percentage equal to the ratio of the taxpayer's qualified research expenses in this State for the taxable year to the taxpayer's total qualified research expenses for the taxable year.

(b) Alternative Credit. -- A taxpayer that claims the alternative incremental credit under section 41(c)(4) of the Code for increasing research activities is allowed a credit equal to twenty-five percent (25%) of the State's apportioned share of the federal credit claimed. The State's apportioned share of the federal credit claimed is the amount of the alternative incremental credit the taxpayer claimed under section 41(c)(4) of the Code for the taxable year multiplied by a percentage equal to the ratio of the taxpayer's qualified research expenses in this State for the taxable year to the taxpayer's total qualified research expenses for the taxable year. For the purpose of this subsection, the amount of the alternative incremental credit claimed by a taxpayer is determined without regard to any reduction elected under section 280C(c) of the Code.

(c) Definitions. -- As used in this section, the terms "qualified research expenses" and "base amount" have the meaning provided in section 41 of the Code.

"**§ 105-129.11. Credit for worker training.**

(a) Credit. -- A taxpayer that provides worker training for five or more of its eligible employees during the taxable year is allowed a credit equal to the wages paid to the eligible employees during the training. Wages paid to an employee performing his or her job while being trained are not eligible for the credit. For positions located in an enterprise tier one area, the credit may not exceed one thousand dollars ($1,000) per employee trained during the taxable year. For other positions, the credit may not exceed five hundred dollars ($500.00) per employee trained during the taxable year. A position is located in an area if more than fifty percent (50%) of the employee's duties are performed in the area.

(b) Eligibility. -- An employee is eligible if the employee is in a full-time position not classified as exempt under the Fair Labor Standards Act, 29 U.S.C. § 213(a)(1) and meets one or more of the following conditions:

(1) The employee occupies a job for which the taxpayer is eligible to claim an installment of the credit for creating jobs.

(2) The employee is being trained to operate machinery and equipment for which the taxpayer is eligible to claim an installment of the credit for investing in machinery and equipment.

"**§ 105-129.12. Credit for investing in central administrative office property.**

(a) Credit. -- If a taxpayer that has purchased or leased real property in this State begins to use the property as a central administrative office during the taxable year, the taxpayer is allowed a credit equal to seven percent (7%) of the eligible investment amount. The eligible investment amount is the lesser of (i) the cost of the property and (ii) the amount by which the cost of all of the property the taxpayer is

using in this State as central administrative offices on the last day of the taxable year exceeds the cost of all of the property the taxpayer was using in this State as central administrative offices on the last day of the base year. The base year is that year, of the three immediately preceding taxable years, in which the taxpayer was using the most property in this State as central administrative offices. In the case of property that is leased, the cost of the property is not determined as provided in G.S. 105-129.2 but is considered to be the taxpayer's lease payments over a seven-year period, plus any expenditures made by the taxpayer to improve the property before it is used as the taxpayer's central administrative office if the expenditures are not reimbursed or credited by the lessor. The maximum credit allowed a taxpayer under this section for property used as a central administrative office is five hundred thousand dollars ($500,000). The entire credit may not be taken for the taxable year in which the property is first used as a central administrative office but shall be taken in equal installments over the seven years following the taxable year in which the property is first used as a central administrative office. The basis in any real property for which a credit is allowed under this section shall be reduced by the amount of credit allowable.

(b) Mixed Use Property. -- If the taxpayer uses only part of the property as the taxpayer's central administrative office, the amount of the credit allowed under this section is reduced by multiplying it by a fraction the numerator of which is the square footage of the property used as the taxpayer's central administrative office and the denominator of which is the total square footage of the property.

(c) Expiration. -- If, in one of the seven years in which the installment of a credit accrues, the property with respect to which the credit was claimed is no longer used as a central administrative office, the credit expires and the taxpayer may not take any remaining installment of the credit. If, in one of the seven years in which the installment of a credit accrues, part of the property with respect to which the credit was claimed is no longer used as a central administrative office, the remaining installments of the credit shall be reduced by multiplying it by the fraction described in subsection (b) of this section. If, in one of the seven years in which the installment of a credit accrues, the total number of employees the taxpayer employs at all of its central administrative offices in this State drops by 40 or more, the credit expires and the taxpayer may not take any remaining installment of the credit.

In each of these cases, the taxpayer may nonetheless take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.5.

"**§ 105-129.13. Credit for development zone projects.**

(a) Credit. -- A taxpayer who contributes cash or property to a development zone agency for an improvement project in a development zone is allowed a credit equal to twenty-five percent (25%) of the value of the contribution. A contribution is for an improvement project for the purposes of this section if the agency receiving the contribution contracts in writing to use the contribution for the project and agrees in the contract to repay to the taxpayer, with interest, any part of the contribution not used for the project. The credit may not be taken for the year in which the

contribution is made but must be taken for the taxable year beginning during the calendar year in which the application for the credit becomes effective as provided in this section.

(b) Definitions. -- The following definitions apply in this section:

(1) Community development corporation. -- A nonprofit corporation that meets all of the following conditions:

a. It is chartered pursuant to Chapter 55A of the General Statutes and is tax-exempt pursuant to section 501(c)(3) of the Code.

b. Its primary mission is to develop and improve low-income communities and neighborhoods through economic and related development.

c. Its activities and decisions are initiated, managed, and controlled by the constituents of those local communities.

d. Its primary function is to act as deal maker and packager of projects and activities that will increase its constituency's opportunities to become owners, managers, and producers of small businesses, to obtain affordable housing, and to obtain jobs designed to produce positive cash flow and curb blight in the targeted community.

(2) Control. -- A person controls an entity if the person owns, directly or indirectly, more than ten percent (10%) of the voting securities of that entity. As used in this subdivision, the term 'voting security' means a security that (i) confers upon the holder the right to vote for the election of members of the board of directors or similar governing body of the business or (ii) is convertible into, or entitles the holder to receive upon its exercise, a security that confers such a right to vote. A general partnership interest is a voting security.

(3) Development zone agency. -- Any of the following agencies that the Department of Commerce certifies will undertake an improvement project in a development zone:

a. A community development corporation.

b. A community development financial institution certified by the United States Department of the Treasury under the Community Development Banking and Financial Institutions Act of 1994, 12 U.S.C. § 4701, et seq.

c. A local housing authority created under Article 1 of Chapter 157 of the General Statutes.

(4) Improvement project. -- A project to construct or improve residential, commercial, or public real property located in a development zone. The term includes services provided by a development zone agency directly related to the construction or

improvement, and project development fees charged by a developer for the construction or improvement.

(c) Certification. -- The Secretary of Commerce shall not certify a development zone agency under this section if the agency, any of the agency's officers or directors, or any partner of the agency has ever used any part of a contribution made under this section for any purpose other than an improvement project.

(d) Limitations. -- A taxpayer who claims a credit under this subsection must identify in the application the development zone agencies to which the taxpayer made contributions and the amount contributed to each. No credit is allowed for a contribution if the taxpayer is related to the development zone agency as defined in section 1313 of the Code or if the taxpayer controls, is controlled by, or is under common control with an affiliate of the development zone agency. No credit is allowed to the extent the taxpayer receives anything of value in exchange for the contribution.

(e) Application. -- To be eligible for the tax credit provided in this section, in addition to the application required under G.S. 105-129.6, the taxpayer must file an application for the credit with the Secretary of Revenue on or before April 15 of the year following the calendar year in which the contribution was made. The Secretary may grant extensions of this deadline, as the Secretary finds appropriate, upon the request of the taxpayer, except that the application may not be filed after September 15 of the year following the calendar year in which the contribution was made. An application is effective for the year in which it is timely filed. The application must be on a form prescribed by the Secretary and must include any supporting documentation that the Secretary may require. If a contribution for which a credit is applied for was of property rather than cash, the taxpayer must include with the application a certified appraisal of the value of the property contributed.

(f) Ceiling. -- The total amount of all tax credits allowed to taxpayers under this section for contributions made in a calendar year may not exceed four million dollars ($4,000,000). The Secretary of Revenue must calculate the total amount of tax credits claimed from the applications filed under this section. If the total amount of tax credits claimed for contributions made in a calendar year exceeds four million dollars ($4,000,000), the Secretary must allow a portion of the credits claimed by allocating a total of four million dollars ($4,000,000) in tax credits in proportion to the size of the credit claimed by each taxpayer. If a credit is reduced pursuant to this subsection, the Secretary must notify the taxpayer of the amount of the reduction of the credit on or before December 31 of the year the application was filed. The Secretary's allocations based on applications filed pursuant to this section are final and will not be adjusted to account for credits applied for but not claimed.

(g) Forfeiture. -- A taxpayer forfeits a credit allowed under this section to the extent the development zone agency uses the taxpayer's contribution for any purpose other than an improvement project. Each development zone agency certified by the Department of Commerce must file with the Department of Commerce annual financial statements audited in accordance with generally accepted accounting principles and in accordance with Government Audit Standards developed by the

Comptroller General of the United States. The annual statements are required each time the agency receives a contribution eligible for the credit allowed under this section until the entire contribution has been used for improvement projects. If the Department of Commerce determines that a development zone agency has used part or all of a contribution for any purpose other than an improvement project, the Department must notify the Secretary of Revenue of the forfeiture, the taxpayer who made the contribution, and the amount forfeited."

PART II. SALES TAX CHANGES

Section 3.(a) G.S. 105-164.4(a)(1d)a. through k. are recodified as G.S. 105-164.4A.

Section 3.(b) G.S. 105-164.4(a)(1d), as amended by this section, reads as rewritten:

"(1d) The rate of one percent (1%) applies to the sales price of the ~~following articles.~~ articles listed in G.S. 105-164.4A. The maximum tax is eighty dollars ($80.00) per article."

Section 3.(c) G.S. 105-164.4A, as recodified by this section, reads as rewritten:

"**§ 105-164.4A. Articles taxed at one percent (1%), eighty dollars ($80.00).**

The following articles are taxable under G.S. 105-164.4(a)(1d):

~~a.~~(1) Farm machinery. -- Sales to a farmer of machines and machinery, and parts and accessories for these machines and machinery, for use by the farmer in the planting, cultivating, harvesting, or curing of farm crops or in the production of dairy products, eggs, or animals. A "farmer" includes a dairy operator, a poultry farmer, an egg producer, a livestock farmer, a farmer of crops, and a farmer of an aquatic species, as defined in G.S. 106-758. Items that are exempt from tax under G.S. 105-164.13(4c) are not subject to tax under ~~this section.~~ G.S. 105-164.4.

The term "machines and machinery" as used in this subdivision is defined as follows:

The term shall include all vehicular implements, designed and sold for any use defined in this subdivision, which are operated, drawn or propelled by motor or animal power, but shall not include vehicular implements which are operated wholly by hand, and shall not include any motor vehicles required to be registered under Chapter 20 of the General Statutes.

The term shall include all nonvehicular implements and mechanical devices designed and sold for any use defined in this subdivision, which have moving parts, or which require the use of any motor or animal power, fuel, or electricity in their operation but shall not include nonvehicular implements which have no moving parts and are operated wholly by hand.

The term shall also include metal flues sold for use in curing tobacco, whether such flues are attached to handfired furnaces or used in connection with mechanical burners.

~~b.~~(2) Manufacturing machinery. -- Sales of mill machinery or mill machinery parts and accessories to manufacturing industries and plants, and sales to contractors and subcontractors purchasing mill machinery or mill machinery parts and accessories for use by them in the performance of contracts with manufacturing industries and plants, and sales to subcontractors purchasing mill machinery or mill machinery parts and accessories for use by them in the performance of contracts with general contractors who have contracts with manufacturing industries and plants. As used in this paragraph, the term "manufacturing industries and plants" does not include delicatessens, cafes, cafeterias, restaurants, and other similar retailers that are principally engaged in the retail sale of foods prepared by them for consumption on or off their premises.

~~c.~~(3) Telephone company property. -- Sales of central office equipment and switchboard and private branch exchange equipment to telephone companies regularly engaged in providing telephone service to subscribers on a commercial basis, and sales to these companies of prewritten computer programs used in providing telephone service to their subscribers.

~~d.~~(4) Laundry machinery. -- Sales to commercial laundries or to pressing and dry cleaning establishments of machinery used in the direct performance of the laundering or the pressing and cleaning service and of parts and accessories thereto.

~~e.~~(5) Freezer plant machinery. -- Sales to freezer locker plants of machinery used in the direct operation of ~~said~~ the freezer locker plant and of parts and accessories thereto.

~~f.~~(6) Broadcasting machinery. -- Sales of broadcasting equipment and parts and accessories thereto and towers to commercial radio and television companies which are under the regulation and supervision of the Federal Communications Commission.

~~g.~~(7) Tobacco equipment. -- Sales to farmers of bulk tobacco barns and racks and all parts and accessories thereto and similar apparatus used for the curing and drying of any farm produce.

~~h.~~(8) Farm storage facilities. -- Sales to farmers of grain, feed or soybean storage facilities and accessories thereto, whether or not dryers are attached, and all similar apparatus and accessories thereto for the storage of grain, feed or soybeans.

~~i.~~(9) Farm containers. -- Sales of containers to farmers or producers for use in the planting, producing, harvesting, curing, marketing, packaging, sale, or transporting or delivery of their products when

such containers do not go with and become part of the sale of their products at wholesale or retail.

~~j.~~(10) Recycling facility equipment. -- Sales to a major recycling facility of the following tangible personal property for use in connection with the facility: cranes, structural steel crane support systems, foundations related to the cranes and support systems, port and dock facilities, rail equipment, and material handling equipment.

~~k.~~(11) (Effective January 1, 2001) Air courier equipment. -- Sales of the following items to an interstate air courier for use at its hub: materials handling equipment, racking systems, and related parts and accessories, for the storage or handling and movement of tangible personal property at an airport or in a warehouse or distribution facility."

Section 4. G.S. 105-164.4A, as recodified by this act, is amended by adding a new subdivision to read:

"(12) Distress tier equipment. -- Sales of machinery and equipment as defined in G.S. 105-129.2 to a person engaged in one of the businesses listed in G.S. 105-129.4(a) for use in an enterprise tier one area or an enterprise tier two area, as defined in G.S. 105-129.3."

Section 5. G.S. 105-164.14 is amended by adding a new subsection to read:

"(h) Nonprofit Insurance Companies. --

(1) Refunds. -- An eligible nonprofit insurance company is allowed an annual refund of sales and use taxes paid by it under this Article before January 1, 2005, on building materials, building supplies, fixtures, and equipment that become a part of its real property. Liability incurred indirectly by the company for sales and use taxes on these items is considered tax paid by the company. A request for a refund must be in writing and must include any information and documentation required by the Secretary. A request for a refund is due within six months after the end of the insurance company's fiscal year. Refunds applied for after the due date are barred.

(2) Eligibility. -- An insurance company is eligible for the refund provided in this subsection if it meets all of the following conditions:

a. It is a nonprofit corporation.

b. It is operated for the exclusive purpose of providing insurance and annuity contracts to or for the benefit of organizations exempt from federal income tax under section 501(c)(3) of the Code, and their employees.

c. The Secretary of Commerce has certified that the insurance company will invest at least ten million dollars ($10,000,000) in constructing a facility in this State for the conduct of its operations.

(3) Forfeiture. -- If an eligible insurance company does not make the required minimum investment within five years after its first refund under this subsection, it loses its eligibility and forfeits all refunds already received under this subsection. Upon forfeiture, the company is liable for tax under this Article equal to the amount of all past taxes refunded under this subsection, plus interest at the rate established in G.S. 105-241.1(i), computed from the date the taxes would have been due if the tax refunds had not been received. The tax and interest are due 30 days after the date of the forfeiture. A company that fails to pay the tax and interest is subject to the penalties provided in G.S. 105-236."

Section 6.(a) G.S. 105-164.3 is amended by adding a new subdivision to read:

"(6e) Interstate passenger air carrier. -- A person whose primary business is scheduled passenger air transportation, as defined in the North American Industry Classification System adopted by the United States Office of Management and Budget, in interstate commerce."

Section 6.(b) G.S. 105-164.3(6b), as enacted by S.L. 1998-55, becomes effective May 1, 1999.

Section 6.(c) G.S. 105-164.3(6b) reads as rewritten:

"(6b) Hub. -- ~~An interstate air courier's~~ Either of the following:

a. An interstate air courier's hub is the airport in this State that meets all of the following conditions:

~~a.~~ 1. The air courier has allocated to the airport under G.S. ~~105-388~~ 105-338 more than sixty percent (60%) of its aircraft value apportioned to this State.

~~b.~~ 2. The air courier's primary function at the airport is to sort and distribute letters and packages received from multiple consolidation locations.

~~c.~~ 3. The air courier's primary function at the airport is not to consolidate letters and packages and deliver them to another airport for sorting and distribution.

b. An interstate passenger air carrier's hub is the airport in this State that meets both of the following conditions:

1. The air carrier has allocated to the airport under G.S. 105-338 more than sixty percent (60%) of its aircraft value apportioned to this State.

2. The majority of the air carrier's passengers boarding at the airport are connecting from other airports rather than originating at that airport."

Section 7.(a) Section 9 of S.L. 1998-55 is repealed.

Section 7.(b) G.S. 105-164.13 is amended by adding a new subdivision to read:

"(45) Sales of the following items to an interstate passenger air carrier for use at its hub: aircraft lubricants, aircraft repair parts, and aircraft accessories."

Section 7(c). Effective January 1, 2001, G.S. 105-164.13(45), as enacted by this act, reads as rewritten:

"(45) Sales of the following items to an interstate passenger air carrier or an interstate air courier for use at its hub: aircraft lubricants, aircraft repair parts, and aircraft accessories."

Section 8. G.S. 105-164.4A, as recodified by this act, is amended by adding a new subdivision to read:

"(13) Pilot training equipment. -- Sales to an interstate passenger air carrier or an interstate air courier of aircraft simulators for pilot training for use at the air carrier or air courier's hub."

Section 9. G.S. 105-164.14(a) reads as rewritten:

"(a) Interstate Carriers. -- An interstate carrier is allowed a refund, in accordance with this section, of part of the sales and use taxes paid by it on fuel, lubricants, repair parts, and accessories purchased in this State for a motor vehicle, railroad car, locomotive, or airplane the carrier operates. An 'interstate carrier' is a person who is engaged in transporting persons or property in interstate commerce for compensation. The Secretary shall prescribe the periods of time, whether monthly, quarterly, semiannually, or otherwise, with respect to which refunds may be claimed, and shall prescribe the time within which, following these periods, an application for refund may be made.

An applicant for refund shall furnish the following information and any proof of the information required by the Secretary:

(1) A list identifying the lubricants, repair parts, and accessories purchased by the applicant inside or outside this State during the refund period.

(2) The purchase price of the items listed in subdivision (1) of this subsection.

(3) The sales and use taxes paid in this State on the listed items.

(4) The number of miles the applicant's motor vehicles, railroad cars, locomotives, and airplanes were operated both inside and outside this State during the refund period.

(5) Any other information required by the Secretary.

For each applicant, the Secretary shall compute the amount to be refunded as follows. First, the Secretary shall determine the ratio of the number of miles the applicant operated its motor vehicles, railroad cars, locomotives, and airplanes in this

State during the refund period to the number of miles it operated them both inside and outside this State during the refund period. Second, the Secretary shall determine the applicant's proportional liability for the refund period by multiplying this mileage ratio by the purchase price of the items identified in subdivision (1) of this subsection and then multiplying the resulting product by the tax rate that would have applied to the items if they had all been purchased in this State. Third, the Secretary shall refund to each applicant the excess of the amount of sales and use taxes the applicant paid in this State during the refund period on these items over the applicant's proportional liability for the refund period."

PART III. AFFORDABLE HOUSING TAX CREDIT

Section 10. The title of Article 3B of Chapter 105 of the General Statutes reads as rewritten:

"ARTICLE 3B.

"Business Tax ~~Credit.~~ Credits."

Section 11. Article 3B of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-129.16A. Credit for low-income housing.**

(a) Credit. -- A taxpayer that is allowed for the taxable year a federal income tax credit for low-income housing under section 42 of the Code with respect to a qualified North Carolina low-income building, is allowed a credit under this Article equal to twenty-five percent (25%) of the federal credit allowed with respect to that building. The credit must be taken in equal installments over the five years beginning in the first taxable year in which the federal credit is claimed for that building.

(b) Definitions. -- The definitions in section 42 of the Code apply in this section. In addition, as used in this section the term 'qualified North Carolina low-income building' means a qualified low-income building that meets either of the following conditions:

(1) It is located in a tier one or two enterprise area, as defined in G.S. 105-129.3, or in a development zone, as defined in G.S. 105-129.3A.

(2) It is located in a tier three, four, or five enterprise area and forty percent (40%) of its residential units are both rent-restricted and occupied by individuals whose income is thirty-five percent (35%) or less of area median gross income.

(c) Forfeiture. -- If the taxpayer is required under section 42(j) of the Code to recapture all or part of a federal credit under that section with respect to a qualified North Carolina low-income building, the taxpayer forfeits the corresponding part of the credit allowed under this section with respect to that qualified North Carolina low-income building. A taxpayer that forfeits a credit under this section is liable for all past taxes avoided as a result of the credit plus interest at the rate established under G.S. 105-241.1(i), computed from the date the taxes would have been due if the credit had not been allowed. The past taxes and interest are due 30 days after the

date the credit is forfeited; a taxpayer that fails to pay the past taxes and interest by the due date is subject to the penalties provided in G.S. 105-236."

Section 12. Reserved.

Section 13. G.S. 105-129.17 reads as rewritten:

"**§ 105-129.17. Tax election; cap.**

(a) Tax Election. -- The ~~credit~~ credits allowed in this Article ~~is~~ are allowed against the franchise tax levied in Article 3 of this Chapter or the income taxes levied in Article 4 of this Chapter. The taxpayer must elect the tax against which ~~the~~ a credit will be claimed when filing the return on which the first installment of the credit is claimed. This election is binding. Any carryforwards of ~~the~~ a credit must be claimed against the same tax.

(b) Cap. -- The ~~credit~~ total credits allowed in this Article may not exceed fifty percent (50%) of the tax against which ~~it is~~ they are claimed for the taxable year, reduced by the sum of all other credits allowed against that tax, except tax payments made by or on behalf of the taxpayer. This limitation applies to the cumulative amount of credit, including carryforwards, claimed by the taxpayer under this Article against each tax for the taxable year. Any unused portion of the ~~credit~~ credits may be carried forward for the succeeding five years."

Section 14. G.S. 105-129.18 reads as rewritten:

"**§ 105-129.18. Substantiation.**

To claim the ~~credit~~ credits allowed by this Article, the taxpayer must provide any information required by the Secretary of Revenue. Every taxpayer claiming a credit under this Article must maintain and make available for inspection by the Secretary of Revenue any records the Secretary considers necessary to determine and verify the amount of the credit to which the taxpayer is entitled. The burden of proving eligibility for the credit and the amount of the credit rests upon the taxpayer, and no credit may be allowed to a taxpayer that fails to maintain adequate records or to make them available for inspection."

Section 15. G.S. 105-129.19 reads as rewritten:

"**§ 105-129.19. Reports.**

The Department of Revenue shall report to the Legislative Research Commission and to the Fiscal Research Division of the General Assembly by May 1 of each year the following information for the 12-month period ending the preceding April 1:

(1) The number of taxpayers that claimed the ~~credit~~ credits allowed in this Article.

(2) The cost of business property with respect to which business property credits were claimed.

(2a) The location of each qualified North Carolina low-income building with respect to which a low-income housing credit was claimed.

(3) The total cost to the General Fund of the credits claimed."

Section 16. G.S. 105-241.1(e) reads as rewritten:

"(e) Statute of Limitations. -- There is no statute of limitations and the Secretary may propose an assessment of tax due from a taxpayer at any time if (i) the taxpayer did not file a proper application for a license or did not file a return, (ii) the taxpayer

filed a false or fraudulent application or return, or (iii) the taxpayer attempted in any manner to fraudulently evade or defeat the tax.

If a taxpayer files a return reflecting a federal determination as provided in G.S. 105-29, 105-130.20, 105-159, 105-160.8, 105-163.6A, or 105-197.1, the Secretary must propose an assessment of any tax due within one year after the return is filed or within three years of when the original return was filed or due to be filed, whichever is later. If there is a federal determination and the taxpayer does not file the required return, the Secretary must propose an assessment of any tax due within three years after the date the Secretary received the final report of the federal determination. ~~If~~

If a taxpayer forfeits a tax credit ~~pursuant to G.S. 105-163.014 or Article 3A of~~ or tax benefit pursuant to forfeiture provisions of this Chapter, the Secretary must assess any tax due as a result of the forfeiture within three years after the date of the forfeiture. If a taxpayer elects under section 1033(a)(2)(A) of the Code not to recognize gain from involuntary conversion of property into money, the Secretary must assess any tax due as a result of the conversion or election within the applicable period provided under section 1033(a)(2)(C) or section 1033(a)(2)(D) of the Code. If a taxpayer sells at a gain the taxpayer's principal residence, the Secretary must assess any tax due as a result of the sale within the period provided under section 1034(j) of the Code.

In all other cases, the Secretary must propose an assessment of any tax due from a taxpayer within three years after the date the taxpayer filed an application for a license or a return or the date the application or return was required by law to be filed, whichever is later.

If the Secretary proposes an assessment of tax within the time provided in this section, the final assessment of the tax is timely.

A taxpayer may make a written waiver of any of the limitations of time set out in this subsection, for either a definite or an indefinite time. If the Secretary accepts the taxpayer's waiver, the Secretary may propose an assessment at any time within the time extended by the waiver."

PART IV. INDUSTRIAL DEVELOPMENT FUND CHANGES

Section 17. G.S. 143B-437.01(a) reads as rewritten:

"(a) Creation and Purpose of Fund. -- There is created in the Department of Commerce the Industrial Development Fund to provide funds to assist the local government units of the most economically distressed counties in the State in creating jobs in certain industries. The Department of Commerce shall adopt rules providing for the administration of the program. Those rules shall include the following provisions, which shall apply to each grant from the fund:

(1) The funds shall be used for (i) installation of or purchases of equipment for eligible industries, (ii) structural repairs, improvements, or renovations of existing buildings to be used for expansion of eligible industries, or (iii) construction of or improvements to new or existing water, sewer, gas, or electrical utility distribution lines or equipment for existing or new or proposed industrial buildings to be used for eligible industries.

To be eligible for funding, the water, sewer, gas, or electrical utility lines or facilities shall be located on the site of the building or, if not located on the site, shall be directly related to the operation of the specific eligible industrial activity.

(1a) The funds shall be used for projects located in economically distressed counties except that the Secretary of Commerce may use up to one hundred thousand dollars ($100,000) to provide emergency economic development assistance in any county that is documented to be experiencing a major economic dislocation.

(2) The funds shall be used by the city and county governments for projects that will directly result in the creation of new jobs. The funds shall be expended at a maximum rate of five thousand dollars ($5,000) per new job created up to a maximum of five hundred thousand dollars ($500,000) per project.

(3) There shall be no local match requirement if the project is located in an enterprise tier one area as defined in G.S. 105-129.3.

(4) The Department may authorize a local government that receives funds under this section to use up to two percent (2%) of the funds, if necessary, to verify that the funds are used only in accordance with law and to otherwise administer the grant or loan.

(5) No project shall be funded unless the Secretary of Commerce finds that the proposed project will not have a materially adverse effect on the environment. The Secretary of Commerce shall not make this finding unless the Secretary has first received a certification from the Department of Environment and Natural Resources that the proposed project will not have a materially adverse effect on the environment."

PART V. EFFECTIVE DATES

Section 18. NAICS Code and Customer Service Center Changes. -- G.S. 105-129.2(2)b., as enacted by Section 2 of this act, is effective retroactively as of January 1, 1999. G.S. 105-129.2(3a), as enacted by Section 2 of this act, becomes effective for taxable years beginning on or after January 1, 2000. The remaining amendments to G.S. 105-129.2 made by Section 2 of this act are effective when this act becomes law. G.S. 105-129.4(a)(6), as enacted by Section 2 of this act, becomes effective for taxable years beginning on or after January 1, 2000.

PART I. BILL LEE ACT CHANGES

Section 1. Section 10.2(3) of Chapter 13 of the 1996 Second Extra Session reads as rewritten:

"(3) Quality jobs and business expansion tax credits. -- Sections 3.5, 3.6, and 3.8 through 3.10 of Part III of this act become effective August 1, 1996. G.S. 105-129.11, as enacted by Part III of this act, becomes effective for taxable years beginning on or after January 1, 1997, and applies to training expenditures made on or after July 1, 1997. The remainder of Part III of this act is effective for taxable years beginning on or after January 1, 1996, and applies to jobs created on or after August 1, 1996, and property placed in service

on or after August 1, 1996. Article 3A of Chapter 105 of the General Statutes is repealed effective for applications for credits filed under G.S. 105-129.6 on or after January 1, ~~2002.~~ 2007. Article 3B of Chapter 105 of the General Statutes is repealed effective for business property placed in service on or after January 1, 2002."

Section 2. Article 3A of Chapter 105 of the General Statutes reads as rewritten:

"ARTICLE 3A.

"Tax Incentives for New and Expanding Businesses.

"**§ 105-129.2. Definitions.**

The following definitions apply in this Article:

(1) Air courier services. -- A person is engaged in the air courier services business if the person's primary business is furnishing air delivery of individually addressed letters and packages for compensation, except by the United States Postal Service.

(2) Central administrative office. -- ~~Defined~~ Either of the following:

a. A corporate, subsidiary, or regional managing office, as defined by NAICS. ~~in the North American Industry Classification System adopted by the United States Office of Management and Budget.~~

b. An auxiliary subdivision of an interstate passenger air carrier engaged primarily in centralized training for the carrier at its hub. For the purpose of this definition, the terms 'interstate passenger air carrier' and 'hub' have the meanings provided in G.S. 105-164.3.

(3) Cost. -- In the case of property owned by the taxpayer, cost is determined pursuant to regulations adopted under section 1012 of the Code. In the case of property the taxpayer leases from another, cost is value as determined pursuant to G.S. 105-130.4(j)(2).

(3a) Customer service center. -- An auxiliary subdivision of a telecommunications or financial services company, as defined by NAICS, that is primarily engaged in providing support services to the company's customers by telephone to support products or services of the company. For the purpose of this definition, a subdivision is primarily engaged in providing support services by telephone if at least sixty percent (60%) of its calls are incoming.

(4) Data processing. -- Any of the following industries, as defined by NAICS: ~~Defined in the North American Industry Classification System adopted by the United States Office of Management and Budget.~~

a. Computer systems design and related services.

b. Software publishers.

c. Software reproducing.

(6) Enterprise tier. -- The classification assigned to an area pursuant to G.S. 105-129.3.

(7) Full-time job. -- A position that requires at least 1,600 hours of work per year and is intended to be held by one employee during the entire year. A full-time employee is an employee who holds a full-time job.

(8) Reserved.

(9) Large investment. -- Defined in G.S. 105-129.4(b1).

(10) Machinery and equipment. -- Engines, machinery, equipment, tools, and implements used or designed to be used in the business for which the credit is claimed. The term does not include real property as defined in G.S. 105-273 or rolling stock as defined in G.S. 105-333.

(11) Manufacturing. -- ~~Defined~~ Industries in manufacturing sectors 31 through 33, as defined by NAICS. ~~in the North American Industry Classification System adopted by the United States Office of Management and Budget.~~ but not including quick printing or retail bakeries.

(11a) NAICS. -- The North American Industry Classification System adopted by the United States Office of Management and Budget.

(12) Purchase. -- Defined in section 179 of the Code.

(13) ~~Warehousing and wholesale trade. -- Defined~~ Warehousing. -- Industries in warehousing and storage subsector 493 as defined by NAICS. ~~in the North American Industry Classification System adopted by the United States Office of Management and Budget.~~

(14) Wholesale trade. -- Industries in wholesale trade sector 42 as defined by NAICS.

"§ 105-129.3. Enterprise tier designation.

(a) Tiers Defined. -- An enterprise tier one area is a county whose enterprise factor is one of the 10 highest in the State. An enterprise tier two area is a county whose enterprise factor is one of the next 15 highest in the State. An enterprise tier three area is a county whose enterprise factor is one of the next 25 highest in the State. An enterprise tier four area is a county whose enterprise factor is one of the next 25 highest in the State. An enterprise tier five area is any area that is not in a lower-numbered enterprise tier.

(b) Annual Designation. -- Each year, on or before December 31, the Secretary of Commerce shall assign to each county in the State an enterprise factor that is the sum of the following:

(1) The county's rank in a ranking of counties by average rate of unemployment from lowest to highest, for the preceding three years.

(2) The county's rank in a ranking of counties by average per capita income from highest to lowest, for the preceding three years.

(3) The county's rank in a ranking of counties by percentage growth in population from highest to lowest.

The Secretary of Commerce shall then rank all the counties within the State according to their enterprise factor from highest to lowest, identify all the areas of the State by enterprise tier, and provide this information to the Secretary of Revenue. An enterprise tier designation is effective only for the calendar year following the designation.

(b1) Data. -- In measuring rates of unemployment and per capita income, the Secretary shall use the latest available data published by a State or federal agency generally recognized as having expertise concerning the data. In measuring population and population growth, the Secretary shall use the most recent estimates of population certified by the State Planning Officer.

(c) Exception for Enterprise Tier One Areas. -- Notwithstanding the provisions of this section, an enterprise tier one area may not be redesignated as a higher-numbered enterprise tier area until it has been an enterprise tier one area for at least two consecutive years.

(d) Exception for Two-County Industrial Park. -- For the purpose of this Article, an eligible two-county industrial park that meets all of the following conditions has the lower enterprise tier designation of the designations of the two counties in which it is located:

(1) It is located in two contiguous counties, one of which has a lower enterprise tier designation than the other.

(2) At least one-third of the park is located in the county with the lower tier designation.

(3) It is owned by the two counties or a joint agency of the counties.

(4) The county with the lower tier designation contributed at least one-half of the cost of developing the park.

(e) Exception for Certain Small Counties. -- A county that meets both of the conditions set out below has an enterprise tier designation one level below the designation it would otherwise have under subsection (a) of this section:

(1) Its population is less than 50,000.

(2) More than eighteen percent (18%) of its population is below the federal poverty level according to the most recent federal decennial census.

(f) Exception for Small Counties. -- A county that has a population of less than 25,000 and that would otherwise be designated an enterprise four or five area under this section must be designated an enterprise tier three area.

"**§ 105-129.3A. Development zone designation.**

(a) Development Zone Defined. -- A development zone is an area comprised of one or more contiguous census tracts, census block groups, or both in the most recent federal decennial census that meets all of the following conditions:

(1) ~~It~~ Every census tract and census block group in the zone is located in whole or in part ~~in~~ within the primary corporate limits of a city with a population of more than 5,000 according to the most recent annual population estimates certified by the State Planning Officer.

(2) It has a population of 1,000 or more according to the most recent annual population estimates certified by the State Planning Officer.

(3) More than twenty percent (20%) of its population is below the poverty level according to the most recent federal decennial census.

(4) Every census tract and census block group in the zone meets at least one of the following conditions:

a. More than ten percent (10%) of its population is below the poverty level according to the most recent federal decennial census.

b. It is immediately adjacent to another census tract or census block group that is in the same zone and has more than twenty percent (20%) of its population below the poverty level according to the most recent federal decennial census.

(5) None of the census tracts or census block groups in the zone is located in another development zone designated by the Secretary of Commerce.

(b) Designation. -- Upon request of a taxpayer or a local government, the Secretary of Commerce shall designate whether an area is a development zone that meets the conditions of subsection (a) of this section. If the applicant is a taxpayer, it must notify each city in which part of the zone is located. A development zone designation is effective for ~~48~~ 24 months following the designation.

(c) Relationship With Enterprise Tiers. -- For the purpose of the wage standard requirement of G.S. 105-129.3(b), the credit for investing in machinery and equipment allowed in G.S. 105-129.9, and the credit for worker training allowed in G.S. 105-129.11, a development zone is considered an enterprise tier one area. For all other purposes, a development zone has the same enterprise tier designation as the county in which it is located.

"**§ 105-129.4. Eligibility; forfeiture.**

(a) Type of Business. -- A taxpayer is eligible for a credit allowed by G.S. 105-129.12 if the real property for which the credit is claimed is used for a central administrative office that creates at least 40 new jobs. A taxpayer is eligible for the other credits allowed by this Article if the taxpayer engages in one of the following types of businesses and the jobs with respect to which a credit is claimed are created in that business, the machinery and equipment with respect to which a credit is

claimed are used in that business, and the research and development for which a credit is claimed are carried out as part of that business:

(1) Air courier services.
(2) Central administrative office that creates at least 40 new jobs.
(3) Data processing.
(4) Manufacturing.
(5) ~~Warehousing or wholesale trade.~~ Warehousing.
(6) Wholesale trade.
(7) Customer service center located in an enterprise tier one or two area.

(a1) Central Administrative Office. -- A central administrative office creates at least 40 new jobs if the taxpayer hires at least 40 additional full-time employees to fill new positions at the office either in the year the taxpayer first uses the property as a central administrative office or in the preceding 24 months while using temporary space for the central administrative office functions during completion of the administrative office property. Jobs transferred from one area in the State to another area in the State are not considered new jobs for purposes of this subsection.

(b) Wage Standard. -- A taxpayer is eligible for the credit for creating jobs or the credit for worker training if the jobs for which the credit is claimed meet the wage standard at the time the taxpayer applies for the credit. A taxpayer is eligible for the credit for investing in machinery and equipment, the credit for research and development, or the credit for investing in real property for a central administrative office if the jobs at the location with respect to which the credit is claimed meet the wage standard at the time the taxpayer applies for the credit. Jobs meet the wage standard if they pay an average weekly wage that is at least equal to the applicable percentage times the applicable average weekly wage for the county in which the jobs will be located, as computed by the Secretary of Commerce from data compiled by the Employment Security Commission for the most recent period for which data are available. The applicable percentage for jobs located in an enterprise tier one area is one hundred percent (100%). The applicable percentage for all other jobs is one hundred ten percent (110%). The applicable average weekly wage is the lowest of the following: (i) the average wage for all insured private employers in the county, (ii) the average wage for all insured private employers in the State, and (iii) the average wage for all insured private employers in the county multiplied by the county income/wage adjustment factor. The county income/wage adjustment factor is the county income/wage ratio divided by the State income/wage ratio. The county income/wage ratio is average per capita income in the county divided by the annualized average wage for all insured private employers in the county. The State income/wage ratio is the average per capita income in the State divided by the annualized average wage for all insured private employers in the State.

(b1) Large Investment. -- A taxpayer who is otherwise eligible for a tax credit under this Article becomes eligible for the large investment enhancements provided for credits under this Article if the Secretary of Commerce certifies that the taxpayer will purchase or lease, and place in service in connection with the eligible business

within a two-year period, at least one hundred fifty million dollars ($150,000,000) worth of one or more of the following: real property, machinery and equipment, or central administrative office property. If the taxpayer fails to make the level of investment certified within this two-year period, the taxpayer forfeits the large investment enhancements as provided in subsection (d) of this section.

(b2) Health Insurance. -- A taxpayer is eligible for a credit for creating jobs or for worker training under this Article if the taxpayer provides health insurance for the positions for which the credit is claimed at the time the taxpayer applies for the credit. A taxpayer is eligible for the other credits under this Article if the taxpayer provides health insurance for all of the full-time positions at the location with respect to which the credit is claimed at the time the taxpayer applies for the credit. For the purposes of this subsection, a taxpayer provides health insurance if it pays at least fifty percent (50%) of the premiums for health care coverage that equals or exceeds the minimum provisions of the basic health care plan of coverage recommended by the Small Employer Carrier Committee pursuant to G.S. 58-50-125.

Each year that a taxpayer claims an installment or carryforward of a credit allowed under this Article, the taxpayer must provide with the tax return the taxpayer's certification that the taxpayer continues to provide health insurance for the jobs for which the credit was claimed or the full-time jobs at the location with respect to which the credit was claimed. If the taxpayer ceases to provide health insurance for the jobs during a taxable year, the credit expires and the taxpayer may not take any remaining installment or carryforward of the credit.

(b3) Environmental Impact. -- A taxpayer is eligible for a credit allowed under this Article only if the taxpayer certifies that, at the time the taxpayer applies for the credit, the taxpayer has not had and does not reasonably expect to have a materially adverse effect on the environment at the business location with respect to which the credit is claimed. The Secretary of Commerce will provide the Department of Environment and Natural Resources a list of all taxpayers making this certification. The Department of Environment and Natural Resources may conduct random audit checks to verify taxpayers' certifications. The Department of Environment and Natural Resources must notify the Department of Revenue of any taxpayer certifications it determines are not accurate.

(b4) Safety and Health Programs. -- A taxpayer is eligible for a credit allowed under this Article only if the taxpayer certifies that, as of the time the taxpayer applies for the credit, at the business location with respect to which the credit is claimed, the taxpayer has no outstanding citations under the Occupational Safety and Health Act and has had no serious violation as defined in G.S. 95-127 within the last three years. The Secretary of Commerce will provide the Department of Labor a list of all taxpayers making this certification. The Department of Labor may conduct random audit checks to verify taxpayers' certifications. The Department of Labor must notify the Department of Revenue of any taxpayer certifications it determines are not accurate.

(c) Repealed by Session Laws 1998-55, s. 1.

(d) Forfeiture. -- A taxpayer forfeits a credit allowed under this Article if the taxpayer was not eligible for the credit at the time the taxpayer applied for the credit. In addition, a taxpayer forfeits a large investment enhancement of a tax credit if the taxpayer fails to make the level of investment certified by the Secretary of Commerce under subsection (b1) of this section within the required two-year period. A taxpayer that forfeits a credit under this Article is liable for all past taxes avoided as a result of the credit plus interest at the rate established under G.S. 105-241.1(i), computed from the date the taxes would have been due if the credit had not been allowed. The past taxes and interest are due 30 days after the date the credit is forfeited; a taxpayer that fails to pay the past taxes and interest by the due date is subject to the penalties provided in G.S. 105-236. If a taxpayer forfeits the credit for creating jobs or the credit for investing in machinery and equipment, the taxpayer also forfeits any credit for worker training claimed for the jobs for which the credit for creating jobs was claimed or the jobs at the location with respect to which the credit for investing in machinery and equipment was claimed.

(e) Change in Ownership of Business. -- The sale, merger, acquisition, or bankruptcy of a business, or any transaction by which an existing business reformulates itself as another business, does not create new eligibility in a succeeding business with respect to credits for which the predecessor was not eligible under this Article. A successor business may, however, take any installment of or carried-over portion of a credit that its predecessor could have taken if it had a tax liability. The acquisition of a business is a new investment that creates new eligibility in the acquiring taxpayer under this Article if any of the following conditions are met:

(1) The business closed before it was acquired.

(2) The business was required to file a notice of plant closing or mass layoff under the federal Worker Adjustment and Retraining Notification Act, 29 U.S.C. § 2102, before it was acquired.

(3) The business was acquired by its employees through an employee stock option transaction or another similar mechanism.

(f) Development Zone Project Credit. -- Subsections (a) through (b4) of this section do not apply to the credit for development zone projects provided in G.S. 105-129.13.

"**§ 105-129.5. Tax election; cap.**

(a) Tax Election. -- The credits provided in this Article are allowed against the franchise tax levied in Article 3 of this ~~Chapter and~~ Chapter, the income taxes levied in Article 4 of this ~~Chapter. The credit for investing in central administrative office property provided in G.S. 105-129.12 is also allowed against~~ Chapter, and the gross premiums tax levied in Article 8B of this Chapter. The taxpayer shall elect the tax against which a credit will be claimed when filing the return on which the first installment of the credit is claimed. This election is binding. Any carryforwards of the credit must be claimed against the same tax.

(b) Cap. -- The credits allowed under this Article may not exceed fifty percent (50%) of the tax against which they are claimed for the taxable year, reduced by the sum of all other credits allowed against that tax, except tax payments made by or on

behalf of the taxpayer. This limitation applies to the cumulative amount of credit, including carryforwards, claimed by the taxpayer under this Article against each tax for the taxable year. Any unused portion of a credit with respect to a large investment may be carried forward for the succeeding 20 years. Any unused portion of any other credit may be carried forward for the succeeding five years.

"**§ 105-129.6. Application; reports.**

(a) Application. -- To claim the credits allowed by this Article, the taxpayer must provide with the tax return the certification of the Secretary of Commerce that the taxpayer meets all of the eligibility requirements of G.S. 105-129.4 or G.S. 105-129.13, as applicable, with respect to each credit. A taxpayer shall apply to the Secretary of Commerce for certification of eligibility. The application must be on a form provided by the Secretary of Commerce and must contain any information necessary for the Secretary of Commerce to determine whether the taxpayer meets the eligibility requirements. In addition, the application must state the number of jobs to be created that are located within a development zone, the number of jobs to be created that are expected to be filled by employees residing within the development zone, and the number of jobs to be created that are expected to be filled by employees residing within a census tract or census block group that has more than twenty percent (20%) of its population below the poverty level according to the most recent federal decennial census.

If the Secretary of Commerce determines that the taxpayer meets all of the eligibility requirements of G.S. 105-129.4 or G.S. 105-129.13, as applicable, with respect to a credit, the Secretary shall issue a certificate describing the location with respect to which the credit is claimed, outlining the eligibility requirements for the credit, and stating that the taxpayer meets the eligibility requirements. If the Secretary of Commerce determines that the taxpayer does not meet all of the eligibility requirements of G.S. 105-129.4 or G.S. 105-129.13, as applicable, with respect to a credit, the Secretary must advise the taxpayer in writing of the eligibility requirements the taxpayer fails to meet. The Secretary of Commerce may adopt rules in accordance with Chapter 150B of the General Statutes that are needed to carry out the Secretary of Commerce's responsibilities under this section.

(a1) Fee. -- When filing an application for certification under this section, the taxpayer must pay the Department of Commerce a fee ~~of seventy-five dollars ($75.00). Fees collected under this subsection are receipts of the Department of Commerce.~~ of five hundred dollars ($500.00) for each credit the taxpayer intends to claim with respect to a location that is in an enterprise tier three, four, or five area, subject to a maximum fee of one thousand five hundred dollars ($1,500) per taxpayer per taxable year. If the taxpayer applies for certification for a credit that relates to locations in more than one enterprise tier area, the fee is based on the highest-numbered enterprise tier area.

The Secretary of Commerce shall retain one-fourth of the proceeds of the fee imposed in this section for the costs of administering this section. The Secretary of Commerce shall credit the remaining proceeds of the fee imposed in this section to the Department of Revenue for the costs of administering and auditing the credits

allowed in this Article. The proceeds of the fee are receipts of the Department to which they are credited.

(b) Reports. -- The Department of Commerce shall report to the Department of Revenue and to the Fiscal Research Division of the General Assembly by May 1 of each year the following information for the 12-month period ending the preceding April 1:

(1) The number of applications for each credit allowed in this Article.

(2) The number and enterprise tier area of new jobs with respect to which credits were applied for.

(3) The cost of machinery and equipment with respect to which credits were applied for.

(4) The number of new jobs created within development zones, and the percentage of those jobs that were filled by residents of the zones.

"**§ 105-129.7. Substantiation.**

To claim a credit allowed by this Article, the taxpayer must provide any information required by the Secretary of Revenue. Every taxpayer claiming a credit under this Article shall maintain and make available for inspection by the Secretary of Revenue any records the Secretary considers necessary to determine and verify the amount of the credit to which the taxpayer is entitled. The burden of proving eligibility for the credit and the amount of the credit shall rest upon the taxpayer, and no credit shall be allowed to a taxpayer that fails to maintain adequate records or to make them available for inspection.

"**§ 105-129.8. Credit for creating jobs.**

(a) Credit. -- A taxpayer that meets the eligibility requirements set out in G.S. 105-129.4, has five or more employees for at least 40 weeks during the taxable year, and hires an additional full-time employee during that year to fill a position located in this State is allowed a credit for creating a new full-time job. The amount of the credit for each new full-time job created is set out in the table below and is based on the enterprise tier of the area in which the position is located. In addition, if the position is located in a development zone, the amount of the credit is increased by four thousand dollars ($4,000) per job.

Area Enterprise Tier	Amount of Credit
Tier One	$12,500
Tier Two	4,000
Tier Three	3,000
Tier Four	1,000
Tier Five	500

A position is located in an area if more than fifty percent (50%) of the employee's duties are performed in the area. The credit may not be taken in the taxable year in which the additional employee is hired. Instead, the credit shall be taken in equal installments over the four years following the taxable year in which the additional employee was hired and shall be conditioned on the continued employment by the

taxpayer of the number of full-time employees the taxpayer had upon hiring the employee that caused the taxpayer to qualify for the credit.

If, in one of the four years in which the installment of a credit accrues, the number of the taxpayer's full-time employees falls below the number of full-time employees the taxpayer had in the year in which the taxpayer qualified for the credit, the credit expires and the taxpayer may not take any remaining installment of the credit. The taxpayer may, however, take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.5.

Jobs transferred from one area in the State to another area in the State shall not be considered new jobs for purposes of this section. If, in one of the four years in which the installment of a credit accrues, the position filled by the employee is moved to an area in a higher- or lower-numbered enterprise tier, or is moved from a development zone to an area that is not a development zone, the remaining installments of the credit shall be calculated as if the position had been created initially in the area to which it was moved.

(b) Repealed by Session Laws 1989, c. 111, s. 1.

(b1), (c) Repealed by Session Laws 1996, Second Extra Session, c. 13, s. 3.3.

(d) Planned Expansion. -- A taxpayer that signs a letter of commitment with the Department of Commerce to create at least twenty new full-time jobs in a specific area within two years of the date the letter is signed qualifies for the credit in the amount allowed by this section based on the area's enterprise tier and development zone designation for that year even though the employees are not hired that year. The credit shall be available in the taxable year after at least twenty employees have been hired if the hirings are within the two-year commitment period. The conditions outlined in subsection (a) apply to a credit taken under this subsection except that if the area is redesignated to a higher-numbered enterprise tier or loses its development zone designation after the year the letter of commitment was signed, the credit is allowed based on the area's enterprise tier and development zone designation for the year the letter was signed. If the taxpayer does not hire the employees within the two-year period, the taxpayer does not qualify for the credit. However, if the taxpayer qualifies for a credit under subsection (a) in the year any new employees are hired, the taxpayer may take the credit under that subsection.

(e), (f) Repealed by Session Laws 1996, Second Extra Session, c. 13, s. 3.3.

"§ 105-129.9. Credit for investing in machinery and equipment.

(a) Credit. -- If a taxpayer that has purchased or leased eligible machinery and equipment places it in service in this State during the taxable year, the taxpayer is allowed a credit equal to seven percent (7%) of the excess of the eligible investment amount over the applicable threshold. Machinery and equipment is eligible if it is capitalized by the taxpayer for tax purposes under the Code and is not leased to another party. In addition, in the case of a large investment, machinery and equipment that is not capitalized by the taxpayer is eligible if the taxpayer leases it from another party. The credit may not be taken for the taxable year in which the equipment is placed in service but shall be taken in equal installments over the seven years following the taxable year in which the equipment is placed in service.

(b) Eligible Investment Amount. -- The eligible investment amount is the lesser of (i) the cost of the eligible machinery and equipment and (ii) the amount by which the cost of all of the taxpayer's eligible machinery and equipment that is in service in this State on the last day of the taxable year exceeds the cost of all of the taxpayer's eligible machinery and equipment that was in service in this State on the last day of the base year. The base year is that year, of the three immediately preceding taxable years, in which the taxpayer had the most eligible machinery and equipment in service in this State.

(c) Threshold. -- The applicable threshold is the appropriate amount set out in the following table based on the enterprise tier of the area where the eligible machinery and equipment are placed in service during the taxable year. If the taxpayer places eligible machinery and equipment in service in more than one area during the taxable year, the threshold applies separately to the eligible machinery and equipment placed in service in each area. If the taxpayer places eligible machinery and equipment in service in an area over the course of a two-year period, the applicable threshold for the second taxable year is reduced by the eligible investment amount for the previous taxable year.

Area Enterprise Tier	Threshold
Tier One	$ -0-
Tier Two	100,000
Tier Three	200,000
Tier Four	500,000
Tier Five	1,000,000

(d) Expiration. -- If, in one of the seven years in which the installment of a credit accrues, the machinery and equipment with respect to which the credit was claimed are disposed of, taken out of service, or moved out of State, the credit expires and the taxpayer may not take any remaining installment of the credit. The taxpayer may, however, take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.5.

If, in one of the seven years in which the installment of a credit accrues, the machinery and equipment with respect to which the credit was claimed are moved to an area in a higher-numbered enterprise tier, or are moved from a development zone to an area that is not a development zone, the remaining installments of the credit are allowed only to the extent they would have been allowed if the machinery and equipment had been placed in service initially in the area to which they were moved.

(e) Planned Expansion. -- A taxpayer that signs a letter of commitment with the Department of Commerce to place specific eligible machinery and equipment in service in an area within two years after the date the letter is signed may, in the year the eligible machinery and equipment are placed in service in that area, calculate the credit for which the taxpayer qualifies based on the area's enterprise tier and development zone designation for the year the letter was signed. All other conditions apply to the credit, but if the area has been redesignated to a higher-numbered enterprise tier or has lost its development zone designation after the year the letter of commitment was signed, the credit is allowed based on the area's enterprise tier and

development zone designation for the year the letter was signed. If the taxpayer does not place part or all of the specified eligible machinery and equipment in service within the two-year period, the taxpayer does not qualify for the benefit of this subsection with respect to the machinery and equipment not placed in service within the two-year period. However, if the taxpayer qualifies for a credit in the year the eligible machinery and equipment are placed in service, the taxpayer may take the credit for that year as if no letter of commitment had been signed pursuant to this subsection.

"**§ 105-129.10. Credit for research and development.**

(a) General Credit. -- A taxpayer that claims for the taxable year a federal income tax credit under section 41(a) of the Code for increasing research activities is allowed a credit equal to five percent (5%) of the State's apportioned share of the taxpayer's expenditures for increasing research activities. The State's apportioned share of a taxpayer's expenditures for increasing research activities is the excess of the taxpayer's qualified research expenses for the taxable year over the base amount, as determined under section 41 of the Code, multiplied by a percentage equal to the ratio of the taxpayer's qualified research expenses in this State for the taxable year to the taxpayer's total qualified research expenses for the taxable year.

(b) Alternative Credit. -- A taxpayer that claims the alternative incremental credit under section 41(c)(4) of the Code for increasing research activities is allowed a credit equal to twenty-five percent (25%) of the State's apportioned share of the federal credit claimed. The State's apportioned share of the federal credit claimed is the amount of the alternative incremental credit the taxpayer claimed under section 41(c)(4) of the Code for the taxable year multiplied by a percentage equal to the ratio of the taxpayer's qualified research expenses in this State for the taxable year to the taxpayer's total qualified research expenses for the taxable year. For the purpose of this subsection, the amount of the alternative incremental credit claimed by a taxpayer is determined without regard to any reduction elected under section 280C(c) of the Code.

(c) Definitions. -- As used in this section, the terms "qualified research expenses" and "base amount" have the meaning provided in section 41 of the Code.

"**§ 105-129.11. Credit for worker training.**

(a) Credit. -- A taxpayer that provides worker training for five or more of its eligible employees during the taxable year is allowed a credit equal to the wages paid to the eligible employees during the training. Wages paid to an employee performing his or her job while being trained are not eligible for the credit. For positions located in an enterprise tier one area, the credit may not exceed one thousand dollars ($1,000) per employee trained during the taxable year. For other positions, the credit may not exceed five hundred dollars ($500.00) per employee trained during the taxable year. A position is located in an area if more than fifty percent (50%) of the employee's duties are performed in the area.

(b) Eligibility. -- An employee is eligible if the employee is in a full-time position not classified as exempt under the Fair Labor Standards Act, 29 U.S.C. § 213(a)(1) and meets one or more of the following conditions:

(1) The employee occupies a job for which the taxpayer is eligible to claim an installment of the credit for creating jobs.

(2) The employee is being trained to operate machinery and equipment for which the taxpayer is eligible to claim an installment of the credit for investing in machinery and equipment.

"**§ 105-129.12. Credit for investing in central administrative office property.**

(a) Credit. -- If a taxpayer that has purchased or leased real property in this State begins to use the property as a central administrative office during the taxable year, the taxpayer is allowed a credit equal to seven percent (7%) of the eligible investment amount. The eligible investment amount is the lesser of (i) the cost of the property and (ii) the amount by which the cost of all of the property the taxpayer is using in this State as central administrative offices on the last day of the taxable year exceeds the cost of all of the property the taxpayer was using in this State as central administrative offices on the last day of the base year. The base year is that year, of the three immediately preceding taxable years, in which the taxpayer was using the most property in this State as central administrative offices. In the case of property that is leased, the cost of the property is not determined as provided in G.S. 105-129.2 but is considered to be the taxpayer's lease payments over a seven-year period, plus any expenditures made by the taxpayer to improve the property before it is used as the taxpayer's central administrative office if the expenditures are not reimbursed or credited by the lessor. The maximum credit allowed a taxpayer under this section for property used as a central administrative office is five hundred thousand dollars ($500,000). The entire credit may not be taken for the taxable year in which the property is first used as a central administrative office but shall be taken in equal installments over the seven years following the taxable year in which the property is first used as a central administrative office. The basis in any real property for which a credit is allowed under this section shall be reduced by the amount of credit allowable.

(b) Mixed Use Property. -- If the taxpayer uses only part of the property as the taxpayer's central administrative office, the amount of the credit allowed under this section is reduced by multiplying it by a fraction the numerator of which is the square footage of the property used as the taxpayer's central administrative office and the denominator of which is the total square footage of the property.

(c) Expiration. -- If, in one of the seven years in which the installment of a credit accrues, the property with respect to which the credit was claimed is no longer used as a central administrative office, the credit expires and the taxpayer may not take any remaining installment of the credit. If, in one of the seven years in which the installment of a credit accrues, part of the property with respect to which the credit was claimed is no longer used as a central administrative office, the remaining installments of the credit shall be reduced by multiplying it by the fraction described in subsection (b) of this section. If, in one of the seven years in which the installment of a credit accrues, the total number of employees the taxpayer employs at all of its central administrative offices in this State drops by 40 or more, the credit expires and the taxpayer may not take any remaining installment of the credit.

In each of these cases, the taxpayer may nonetheless take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.5.

"**§ 105-129.13. Credit for development zone projects.**

(a) Credit. -- A taxpayer who contributes cash or property to a development zone agency for an improvement project in a development zone is allowed a credit equal to twenty-five percent (25%) of the value of the contribution. A contribution is for an improvement project for the purposes of this section if the agency receiving the contribution contracts in writing to use the contribution for the project and agrees in the contract to repay to the taxpayer, with interest, any part of the contribution not used for the project. The credit may not be taken for the year in which the contribution is made but must be taken for the taxable year beginning during the calendar year in which the application for the credit becomes effective as provided in this section.

(b) Definitions. -- The following definitions apply in this section:

(1) Community development corporation. -- A nonprofit corporation that meets all of the following conditions:

a. It is chartered pursuant to Chapter 55A of the General Statutes and is tax-exempt pursuant to section 501(c)(3) of the Code.

b. Its primary mission is to develop and improve low-income communities and neighborhoods through economic and related development.

c. Its activities and decisions are initiated, managed, and controlled by the constituents of those local communities.

d. Its primary function is to act as deal maker and packager of projects and activities that will increase its constituency's opportunities to become owners, managers, and producers of small businesses, to obtain affordable housing, and to obtain jobs designed to produce positive cash flow and curb blight in the targeted community.

(2) Control. -- A person controls an entity if the person owns, directly or indirectly, more than ten percent (10%) of the voting securities of that entity. As used in this subdivision, the term 'voting security' means a security that (i) confers upon the holder the right to vote for the election of members of the board of directors or similar governing body of the business or (ii) is convertible into, or entitles the holder to receive upon its exercise, a security that confers such a right to vote. A general partnership interest is a voting security.

(3) Development zone agency. -- Any of the following agencies that the Department of Commerce certifies will undertake an improvement project in a development zone:

a. A community-based development organization qualified under 24 C.F.R. § 570.204 to receive community development block grant funds under the Housing and Community Development Act of 1974, as amended, 42 U.S.C. § 5301, et seq., to carry out a neighborhood revitalization project, a community economic development project, or an energy conservation project.

b. A community action agency that has been officially designated as such pursuant to section 210 of the Economic Opportunity Act of 1964, Public Law 88-452, 78 Stat. 508 and which has not lost its designation as a result of a failure to comply with the provisions of that act.

c. A community development corporation.

d. A community development financial institution certified by the United States Department of the Treasury under the Community Development Banking and Financial Institutions Act of 1994, 12 U.S.C. § 4701, et seq.

e. A community housing development organization qualified under the HOME Investment Partnerships Act, 42 U.S.C. §§ 12701, 12704, and 24 C.F.R. § 92.2.

f. A local housing authority created under Article 1 of Chapter 157 of the General Statutes.

(4) Improvement project. -- A project to construct or improve residential, commercial, or public real property located in a development zone. The term includes services provided by a development zone agency directly related to the construction or improvement, and project development fees charged by a developer for the construction or improvement.

(c) Certification. -- The Secretary of Commerce shall not certify a development zone agency under this section if the agency, any of the agency's officers or directors, or any partner of the agency has ever used any part of a contribution made under this section for any purpose other than an improvement project.

(d) Limitations. -- A taxpayer who claims a credit under this subsection must identify in the application the development zone agencies to which the taxpayer made contributions and the amount contributed to each. No credit is allowed for a contribution if the taxpayer is related to the development zone agency as defined in section 1313 of the Code or if the taxpayer controls, is controlled by, or is under common control with an affiliate of the development zone agency. No credit is allowed to the extent the taxpayer receives anything of value in exchange for the contribution.

(e) Application. -- To be eligible for the tax credit provided in this section, in addition to the application required under G.S. 105-129.6, the taxpayer must file an application for the credit with the Secretary of Revenue on or before April 15 of the year following the calendar year in which the contribution was made. The Secretary

may grant extensions of this deadline, as the Secretary finds appropriate, upon the request of the taxpayer, except that the application may not be filed after September 15 of the year following the calendar year in which the contribution was made. An application is effective for the year in which it is timely filed. The application must be on a form prescribed by the Secretary and must include any supporting documentation that the Secretary may require. If a contribution for which a credit is applied for was of property rather than cash, the taxpayer must include with the application a certified appraisal of the value of the property contributed.

(f) Ceiling. -- The total amount of all tax credits allowed to taxpayers under this section for contributions made in a calendar year may not exceed four million dollars ($4,000,000). The Secretary of Revenue must calculate the total amount of tax credits claimed from the applications filed under this section. If the total amount of tax credits claimed for contributions made in a calendar year exceeds four million dollars ($4,000,000), the Secretary must allow a portion of the credits claimed by allocating a total of four million dollars ($4,000,000) in tax credits in proportion to the size of the credit claimed by each taxpayer. If a credit is reduced pursuant to this subsection, the Secretary must notify the taxpayer of the amount of the reduction of the credit on or before December 31 of the year the application was filed. The Secretary's allocations based on applications filed pursuant to this section are final and will not be adjusted to account for credits applied for but not claimed.

(g) Forfeiture. -- A taxpayer forfeits a credit allowed under this section to the extent the development zone agency uses the taxpayer's contribution for any purpose other than an improvement project. Each development zone agency certified by the Department of Commerce must file with the Department of Commerce annual financial statements audited in accordance with generally accepted accounting principles and in accordance with Government Audit Standards developed by the Comptroller General of the United States. The annual statements are required each time the agency receives a contribution eligible for the credit allowed under this section until the entire contribution has been used for improvement projects. If the Department of Commerce determines that a development zone agency has used part or all of a contribution for any purpose other than an improvement project, the Department must notify the Secretary of Revenue of the forfeiture, the taxpayer who made the contribution, and the amount forfeited."

PART II. SALES TAX CHANGES

Section 3.(a) G.S. 105-164.4(a)(1d)a. through k. are recodified as G.S. 105-164.4A.

Section 3.(b) G.S. 105-164.4(a)(1d), as amended by this section, reads as rewritten:

"(1d) The rate of one percent (1%) applies to the sales price of the ~~following articles.~~ articles listed in G.S. 105-164.4A. The maximum tax is eighty dollars ($80.00) per article."

Section 3.(c) G.S. 105-164.4A, as recodified by this section, reads as rewritten:

"**§ 105-164.4A. Articles taxed at one percent (1%), eighty dollars ($80.00).**

The following articles are taxable under G.S. 105-164.4(a)(1d):

~~a.~~(1) Farm machinery. -- Sales to a farmer of machines and machinery, and parts and accessories for these machines and machinery, for use by the farmer in the planting, cultivating, harvesting, or curing of farm crops or in the production of dairy products, eggs, or animals. A "farmer" includes a dairy operator, a poultry farmer, an egg producer, a livestock farmer, a farmer of crops, and a farmer of an aquatic species, as defined in G.S. 106-758. Items that are exempt from tax under G.S. 105-164.13(4c) are not subject to tax under ~~this section.~~ G.S. 105-164.4.

The term "machines and machinery" as used in this subdivision is defined as follows:

The term shall include all vehicular implements, designed and sold for any use defined in this subdivision, which are operated, drawn or propelled by motor or animal power, but shall not include vehicular implements which are operated wholly by hand, and shall not include any motor vehicles required to be registered under Chapter 20 of the General Statutes.

The term shall include all nonvehicular implements and mechanical devices designed and sold for any use defined in this subdivision, which have moving parts, or which require the use of any motor or animal power, fuel, or electricity in their operation but shall not include nonvehicular implements which have no moving parts and are operated wholly by hand.

The term shall also include metal flues sold for use in curing tobacco, whether such flues are attached to handfired furnaces or used in connection with mechanical burners.

~~b.~~(2) Manufacturing machinery. -- Sales of mill machinery or mill machinery parts and accessories to manufacturing industries and plants, and sales to contractors and subcontractors purchasing mill machinery or mill machinery parts and accessories for use by them in the performance of contracts with manufacturing industries and plants, and sales to subcontractors purchasing mill machinery or mill machinery parts and accessories for use by them in the performance of contracts with general contractors who have contracts with manufacturing industries and plants. As used in this paragraph, the term "manufacturing industries and plants" does not include delicatessens, cafes, cafeterias, restaurants, and other similar retailers that are principally engaged in the retail sale of foods prepared by them for consumption on or off their premises.

~~c.~~(3) Telephone company property. -- Sales of central office equipment and switchboard and private branch exchange equipment to telephone companies regularly engaged in providing telephone

service to subscribers on a commercial basis, and sales to these companies of prewritten computer programs used in providing telephone service to their subscribers.

~~d.~~(4) Laundry machinery. -- Sales to commercial laundries or to pressing and dry cleaning establishments of machinery used in the direct performance of the laundering or the pressing and cleaning service and of parts and accessories thereto.

~~e.~~(5) Freezer plant machinery. -- Sales to freezer locker plants of machinery used in the direct operation of ~~said~~ the freezer locker plant and of parts and accessories thereto.

~~f.~~(6) Broadcasting machinery. -- Sales of broadcasting equipment and parts and accessories thereto and towers to commercial radio and television companies which are under the regulation and supervision of the Federal Communications Commission.

~~g.~~(7) Tobacco equipment. -- Sales to farmers of bulk tobacco barns and racks and all parts and accessories thereto and similar apparatus used for the curing and drying of any farm produce.

~~h.~~(8) Farm storage facilities. -- Sales to farmers of grain, feed or soybean storage facilities and accessories thereto, whether or not dryers are attached, and all similar apparatus and accessories thereto for the storage of grain, feed or soybeans.

~~i.~~(9) Farm containers. -- Sales of containers to farmers or producers for use in the planting, producing, harvesting, curing, marketing, packaging, sale, or transporting or delivery of their products when such containers do not go with and become part of the sale of their products at wholesale or retail.

~~j.~~(10) Recycling facility equipment. -- Sales to a major recycling facility of the following tangible personal property for use in connection with the facility: cranes, structural steel crane support systems, foundations related to the cranes and support systems, port and dock facilities, rail equipment, and material handling equipment.

~~k.~~(11) (Effective January 1, 2001) Air courier equipment. -- Sales of the following items to an interstate air courier for use at its hub: materials handling equipment, racking systems, and related parts and accessories, for the storage or handling and movement of tangible personal property at an airport or in a warehouse or distribution facility."

Section 4. G.S. 105-164.14 is amended by adding a new subsection to read:

"(h) Low Enterprise Tier Businesses. --

(1) Refunds. -- An eligible person is allowed an annual refund of sales and use taxes paid by it under this Article at the general rate of tax on eligible machinery and equipment it purchases for use in an enterprise tier one area or an enterprise tier two area.

as defined in G.S. 105-129.3. Liability incurred indirectly by the taxpayer for sales and use taxes on these items is considered tax paid by the taxpayer. A request for a refund must be in writing and must include any information and documentation required by the Secretary. A request for a refund is due within six months after the end of the State's fiscal year. Refunds applied for after the due date are barred.

(2) Eligibility. -- A person is eligible for the refund provided in this subsection if it is engaged primarily in one of the businesses listed in G.S. 105-129.4(a) in an enterprise tier one area or an enterprise tier two area, as defined in G.S. 105-129.3.

(3) Machinery and equipment. -- For the purpose of this subsection, the term 'machinery and equipment' means engines, machinery, equipment, tools, and implements used or designed to be used in one of the businesses listed in G.S. 105-129.4(a). Machinery and equipment are eligible for the refund provided in this subsection if the taxpayer places it in service in an enterprise tier one area or an enterprise tier two area, as defined in G.S. 105-129.3, capitalizes it for tax purposes under the Code, and does not lease it to another party."

Section 5. G.S. 105-164.14 is amended by adding a new subsection to read:

"(i) Nonprofit Insurance Companies. --

(1) Refunds. -- An eligible nonprofit insurance company is allowed an annual refund of sales and use taxes paid by it under this Article before January 1, 2005, on building materials, building supplies, fixtures, and equipment that become a part of its real property. Liability incurred indirectly by the company for sales and use taxes on these items is considered tax paid by the company. A request for a refund must be in writing and must include any information and documentation required by the Secretary. A request for a refund is due within six months after the end of the insurance company's fiscal year. Refunds applied for after the due date are barred.

(2) Eligibility. -- An insurance company is eligible for the refund provided in this subsection if it meets all of the following conditions:

a. It is a nonprofit corporation.

b. It is operated for the exclusive purpose of providing insurance and annuity contracts to or for the benefit of organizations exempt from federal income tax under section 501(c)(3) of the Code, and their employees.

c. The Secretary of Commerce has certified that the insurance company will invest at least ten million dollars ($10,000,000)

in constructing a facility in this State for the conduct of its operations.

(3) Forfeiture. -- If an eligible insurance company does not make the required minimum investment within five years after its first refund under this subsection, it loses its eligibility and forfeits all refunds already received under this subsection. Upon forfeiture, the company is liable for tax under this Article equal to the amount of all past taxes refunded under this subsection, plus interest at the rate established in G.S. 105-241.1(i), computed from the date the taxes would have been due if the tax refunds had not been received. The tax and interest are due 30 days after the date of the forfeiture. A company that fails to pay the tax and interest is subject to the penalties provided in G.S. 105-236."

Section 6.(a) G.S. 105-164.3 is amended by adding a new subdivision to read:

"(6e) Interstate passenger air carrier. -- A person whose primary business is scheduled passenger air transportation, as defined in the North American Industry Classification System adopted by the United States Office of Management and Budget, in interstate commerce."

Section 6.(b) G.S. 105-164.3(6b), as enacted by S.L. 1998-55, becomes effective May 1, 1999.

Section 6.(c) G.S. 105-164.3(6b) reads as rewritten:

"(6b) Hub. -- ~~An interstate air courier's~~ Either of the following:

a. An interstate air courier's hub is the airport in this State that meets all of the following conditions:

~~a.~~ 1. The air courier has allocated to the airport under G.S. ~~105-388~~ 105-338 more than sixty percent (60%) of its aircraft value apportioned to this State.

~~b.~~ 2. The air courier's primary function at the airport is to sort and distribute letters and packages received from multiple consolidation locations.

~~c.~~ 3. The air courier's primary function at the airport is not to consolidate letters and packages and deliver them to another airport for sorting and distribution.

b. An interstate passenger air carrier's hub is the airport in this State that meets both of the following conditions:

1. The air carrier has allocated to the airport under G.S. 105-338 more than sixty percent (60%) of its aircraft value apportioned to this State.

2. The majority of the air carrier's passengers boarding at the airport are connecting from other airports rather than originating at that airport."

Section 7.(a) Section 9 of S.L. 1998-55 is repealed.

Section 7.(b) G.S. 105-164.13 is amended by adding a new subdivision to read:

"(45) Sales of the following items to an interstate passenger air carrier for use at its hub: aircraft lubricants, aircraft repair parts, and aircraft accessories."

Section 7.(c) Effective January 1, 2001, G.S. 105-164.13(45), as enacted by this act, reads as rewritten:

"(45) Sales of the following items to an interstate passenger air carrier or an interstate air courier for use at its hub: aircraft lubricants, aircraft repair parts, and aircraft accessories."

Section 8. G.S. 105-164.4A, as recodified by this act, is amended by adding a new subdivision to read:

"(13) Flight crew training equipment. -- Sales to an interstate passenger air carrier or an interstate air courier of aircraft simulators for flight crew training for use at the air carrier or air courier's hub."

Section 9. G.S. 105-164.14(a) reads as rewritten:

"(a) Interstate Carriers. -- An interstate carrier is allowed a refund, in accordance with this section, of part of the sales and use taxes paid by it on fuel, lubricants, repair parts, and accessories purchased in this State for a motor vehicle, railroad car, locomotive, or airplane the carrier operates. An 'interstate carrier' is a person who is engaged in transporting persons or property in interstate commerce for compensation. The Secretary shall prescribe the periods of time, whether monthly, quarterly, semiannually, or otherwise, with respect to which refunds may be claimed, and shall prescribe the time within which, following these periods, an application for refund may be made.

An applicant for refund shall furnish the following information and any proof of the information required by the Secretary:

(1) A list identifying the fuel, lubricants, repair parts, and accessories purchased by the applicant inside or outside this State during the refund period.

(2) The purchase price of the items listed in subdivision (1) of this subsection.

(3) The sales and use taxes paid in this State on the listed items.

(4) The number of miles the applicant's motor vehicles, railroad cars, locomotives, and airplanes were operated both inside and outside this State during the refund period.

(5) Any other information required by the Secretary.

For each applicant, the Secretary shall compute the amount to be refunded as follows. First, the Secretary shall determine the ratio of the number of miles the applicant operated its motor vehicles, railroad cars, locomotives, and airplanes in this State during the refund period to the number of miles it operated them both inside and outside this State during the refund period. Second, the Secretary shall determine the applicant's proportional liability for the refund period by multiplying

this mileage ratio by the purchase price of the items identified in subdivision (1) of this subsection and then multiplying the resulting product by the tax rate that would have applied to the items if they had all been purchased in this State. Third, the Secretary shall refund to each applicant the excess of the amount of sales and use taxes the applicant paid in this State during the refund period on these items over the applicant's proportional liability for the refund period."

PART III. AFFORDABLE HOUSING TAX CREDIT

Section 10. The title of Article 3B of Chapter 105 of the General Statutes reads as rewritten:

"ARTICLE 3B.

"Business Tax ~~Credit.~~ Credits."

Section 11. Article 3B of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-129.16A. Credit for low-income housing.**

(a) Credit. -- A taxpayer that is allowed for the taxable year a federal income tax credit for low-income housing under section 42 of the Code with respect to a qualified North Carolina low-income building, is allowed a credit under this Article equal to twenty-five percent (25%) of the total federal credit allowed during the 10-year federal credit period with respect to that building. The credit must be taken in equal installments over the five years beginning in the first taxable year in which the federal credit is claimed for that building.

(b) Definitions. -- The definitions in section 42 of the Code apply in this section. In addition, as used in this section the term 'qualified North Carolina low-income building' means a qualified low-income building that meets any of the following conditions:

(1) It is located in an area that, at the time the federal credit is allocated to the building, is a tier one or two enterprise area, as defined in G.S. 105-129.3, or is a development zone, as defined in G.S. 105-129.3A.

(2) It is located in an area that, at the time the federal credit is allocated to the building, is a tier three or four enterprise area, and forty percent (40%) of its residential units are both rent-restricted and occupied by individuals whose income is fifty percent (50%) or less of area median gross income as defined in the Code.

(3) It is located in an area that, at the time the federal credit is allocated to the building, is a tier five enterprise area, and forty percent (40%) of its residential units are both rent-restricted and occupied by individuals whose income is thirty-five percent (35%) or less of area median gross income as defined in the Code.

(c) Expiration. -- If, in one of the five years in which an installment of the credit under this section accrues, the taxpayer is no longer eligible for the corresponding federal credit with respect to the same qualified North Carolina low-income building, then the credit under this section expires and the taxpayer may not take any remaining installment of the credit. The taxpayer may, however, take the portion of

an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.17.

(d) Forfeiture. -- If the taxpayer is required under section 42(j) of the Code to recapture all or part of a federal credit under that section with respect to a qualified North Carolina low-income building, the taxpayer forfeits the corresponding part of the credit allowed under this section with respect to that qualified North Carolina low-income building. A taxpayer that forfeits a credit under this section is liable for all past taxes avoided as a result of the credit plus interest at the rate established under G.S. 105-241.1(i), computed from the date the taxes would have been due if the credit had not been allowed. The past taxes and interest are due 30 days after the date the credit is forfeited; a taxpayer that fails to pay the past taxes and interest by the due date is subject to the penalties provided in G.S. 105-236."

Section 12. Reserved.

Section 13. G.S. 105-129.17 reads as rewritten:

"**§ 105-129.17. Tax election; cap.**

(a) Tax Election. -- The ~~credit~~ credits allowed in this Article ~~is~~ are allowed against the franchise tax levied in Article 3 of this Chapter or the income taxes levied in Article 4 of this Chapter. The taxpayer must elect the tax against which ~~the~~ a credit will be claimed when filing the return on which the first installment of the credit is claimed. This election is binding. Any carryforwards of ~~the~~ a credit must be claimed against the same tax.

(b) Cap. -- The ~~credit~~ total credits allowed in this Article may not exceed fifty percent (50%) of the tax against which ~~it is~~ they are claimed for the taxable year, reduced by the sum of all other credits allowed against that tax, except tax payments made by or on behalf of the taxpayer. This limitation applies to the cumulative amount of credit, including carryforwards, claimed by the taxpayer under this Article against each tax for the taxable year. Any unused portion of the ~~credit~~ credits may be carried forward for the succeeding five years."

Section 14. G.S. 105-129.18 reads as rewritten:

"**§ 105-129.18. Substantiation.**

To claim the ~~credit~~ credits allowed by this Article, the taxpayer must provide any information required by the Secretary of Revenue. Every taxpayer claiming a credit under this Article must maintain and make available for inspection by the Secretary of Revenue any records the Secretary considers necessary to determine and verify the amount of the credit to which the taxpayer is entitled. The burden of proving eligibility for the credit and the amount of the credit rests upon the taxpayer, and no credit may be allowed to a taxpayer that fails to maintain adequate records or to make them available for inspection."

Section 15. G.S. 105-129.19 reads as rewritten:

"**§ 105-129.19. Reports.**

The Department of Revenue shall report to the Legislative Research Commission and to the Fiscal Research Division of the General Assembly by May 1 of each year the following information for the 12-month period ending the preceding April 1:

(1) The number of taxpayers that claimed the ~~credit~~ credits allowed in this Article.
(2) The cost of business property with respect to which business property credits were claimed.
(2a) The location of each qualified North Carolina low-income building with respect to which a low-income housing credit was claimed.
(3) The total cost to the General Fund of the credits claimed."

Section 16. G.S. 105-241.1(e) reads as rewritten:

"(e) Statute of Limitations. -- There is no statute of limitations and the Secretary may propose an assessment of tax due from a taxpayer at any time if (i) the taxpayer did not file a proper application for a license or did not file a return, (ii) the taxpayer filed a false or fraudulent application or return, or (iii) the taxpayer attempted in any manner to fraudulently evade or defeat the tax.

If a taxpayer files a return reflecting a federal determination as provided in G.S. 105-29, 105-130.20, 105-159, 105-160.8, 105-163.6A, or 105-197.1, the Secretary must propose an assessment of any tax due within one year after the return is filed or within three years of when the original return was filed or due to be filed, whichever is later. If there is a federal determination and the taxpayer does not file the required return, the Secretary must propose an assessment of any tax due within three years after the date the Secretary received the final report of the federal determination. ~~If~~

If a taxpayer forfeits a tax credit ~~pursuant to G.S. 105-163.014 or Article 3A of~~ or tax benefit pursuant to forfeiture provisions of this Chapter, the Secretary must assess any tax due as a result of the forfeiture within three years after the date of the forfeiture. If a taxpayer elects under section 1033(a)(2)(A) of the Code not to recognize gain from involuntary conversion of property into money, the Secretary must assess any tax due as a result of the conversion or election within the applicable period provided under section 1033(a)(2)(C) or section 1033(a)(2)(D) of the Code. If a taxpayer sells at a gain the taxpayer's principal residence, the Secretary must assess any tax due as a result of the sale within the period provided under section 1034(j) of the Code.

In all other cases, the Secretary must propose an assessment of any tax due from a taxpayer within three years after the date the taxpayer filed an application for a license or a return or the date the application or return was required by law to be filed, whichever is later.

If the Secretary proposes an assessment of tax within the time provided in this section, the final assessment of the tax is timely.

A taxpayer may make a written waiver of any of the limitations of time set out in this subsection, for either a definite or an indefinite time. If the Secretary accepts the taxpayer's waiver, the Secretary may propose an assessment at any time within the time extended by the waiver."

PART IV. INDUSTRIAL DEVELOPMENT FUND CHANGES

Section 17. G.S. 143B-437.01(a) reads as rewritten:

"(a) Creation and Purpose of Fund. -- There is created in the Department of Commerce the Industrial Development Fund to provide funds to assist the local

government units of the most economically distressed counties in the State in creating jobs in certain industries. The Department of Commerce shall adopt rules providing for the administration of the program. Those rules shall include the following provisions, which shall apply to each grant from the fund:

(1) The funds shall be used for (i) installation of or purchases of equipment for eligible industries, (ii) structural repairs, improvements, or renovations of existing buildings to be used for expansion of eligible industries, or (iii) construction of or improvements to new or existing water, sewer, gas, or electrical utility distribution lines or equipment for existing or new or proposed industrial buildings to be used for eligible industries. To be eligible for funding, the water, sewer, gas, or electrical utility lines or facilities shall be located on the site of the building or, if not located on the site, shall be directly related to the operation of the specific eligible industrial activity.

(1a) The funds shall be used for projects located in economically distressed counties except that the Secretary of Commerce may use up to one hundred thousand dollars ($100,000) to provide emergency economic development assistance in any county that is documented to be experiencing a major economic dislocation.

(2) The funds shall be used by the city and county governments for projects that will directly result in the creation of new jobs. The funds shall be expended at a maximum rate of five thousand dollars ($5,000) per new job created up to a maximum of five hundred thousand dollars ($500,000) per project.

(3) There shall be no local match requirement if the project is located in an enterprise tier one area as defined in G.S. 105-129.3.

(4) The Department may authorize a local government that receives funds under this section to use up to two percent (2%) of the funds, if necessary, to verify that the funds are used only in accordance with law and to otherwise administer the grant or loan.

(5) No project shall be funded unless the Secretary of Commerce finds that the proposed project will not have a materially adverse effect on the environment. The Secretary of Commerce shall not make this finding unless the Secretary has first received a certification from the Department of Environment and Natural Resources that the proposed project will not have a materially adverse effect on the environment."

PART V. EFFECTIVE DATES

Section 18. NAICS Code and Customer Service Center Changes. -- G.S. 105-129.2(2)b., as enacted by Section 2 of this act, is effective retroactively as of January 1, 1999. G.S. 105-129.2(3a), as enacted by Section 2 of this act, becomes

effective for taxable years beginning on or after January 1, 2000. The remaining amendments to G.S. 105-129.2 made by Section 2 of this act are effective when this act becomes law. G.S. 105-129.4(a)(6), as enacted by Section 2 of this act, becomes effective for taxable years beginning on or after January 1, 2000.

Section 19. Small County Enhancements. -- G.S. 105-129.3(e) and (f), as enacted by Section 2 of this act, become effective for taxable years beginning on or after January 1, 2000.

Section 20. Development Zone Definitions. -- The amendments to G.S. 105-129.3A made by Section 2 of this act become effective July 1, 1999, and apply to applications filed on or after that date. Notwithstanding the provisions of G.S. 105-129.3A(b), a development zone designation made in 1998 or 1999 is effective until January 1, 2001.

Section 21. Quality Jobs Assurance. -- G.S. 105-129.4(b2), (b3), and (b4), as enacted by Section 2 of this act, become effective for taxable years beginning on or after January 1, 2000, and apply to credits for which applications are filed on or after that date.

Section 22. All Credits Against Gross Premiums Tax. -- The amendment to G.S. 105-129.5(a) made by Section 2 of this act is effective for taxable years beginning on or after January 1, 1999.

Section 23. Application Fees and Information. -- The amendments to G.S. 105-129.6(a) and (a1) made by Section 2 of this act are effective 30 days after this act becomes law, and apply to applications filed on or after that date.

Section 24. Development Zone Projects Credit. -- G.S. 105-129.13, as enacted by Section 2 of this act, is effective for taxable years beginning on or after January 1, 2000.

Section 25. Sales Tax Technical Change. -- Section 3 of this act is effective when it becomes law.

Section 26. Sales Tax Refund for Tiers One and Two Equipment. -- Section 4 of this act becomes effective January 1, 2000, and applies to taxes paid on or after that date.

Section 27. Temporary Sales Tax Refund for Nonprofit Insurance Companies. -- Section 5 of this act becomes effective January 1, 2000, and applies to taxes paid on or after that date. Section 5 of this act expires January 1, 2005.

Section 28. Sales Tax Preferences for Interstate Air Carriers. -- Sections 6 through 8 of this act are effective retroactively as of May 1, 1999, and apply to sales made on or after that date.

Section 29. Affordable Housing Credit. -- Part III of this act is effective for taxable years beginning on or after January 1, 2000, and applies to buildings to which federal credits are allocated on or after January 1, 2000.

Section 30. Industrial Development Fund Changes. -- Part IV of this act becomes effective July 1, 1999.

Section 31. Remainder. -- The remainder of this act is effective when it becomes law.

SENATE BILL 1115:
William S Lee Act 1999

BILL ANALYSIS

Committee:	Senate Finance	Sponsor:	Sen. Kerr
Date:	May 20, 1999	Summary by:	Martha H. Harris
Version:	Proposed Committee Substitute		Staff Attorney

SUMMARY: Senate Bill 1115 would make the following changes:

1. *Extend sunset on Bill Lee Act from 2002 to 2007 (Section 1)*
2. *Add passenger air carrier training center to credit for central administrative office, effective 1/1/1999 (page 2)*
3. *Allow an interstate passenger air carrier a sales tax exemption for aircraft parts and accessories purchased for use at its hub in this State, effective 5/1/1999 (Section 7, page 22)*
4. *Reduce sales tax from 6% to 1% with an $80 cap for flight crew training aircraft simulators purchased by an interstate passenger air carrier for use at its hub in this State, effective 5/1/1999 (Section 8, page 22)*
5. *Allow a five-year sales tax refund to certain nonprofit insurance companies for taxes paid on building materials, effective 1/1/2000 (Section 5, pages 20 - 21)*
6. *Extend Bill Lee Act credits to customer service centers in tiers one and two, effective 1/1/2000 (pages 2, 6)*
7. *Allow annual refund of 6% sales taxes paid on capitalized machinery and equipment sold to businesses eligible for Bill Lee Act credits and located in tier one or two, effective 1/1/2000 (Section 4, pages 19-20)*
8. *Give a more favorable tier designation to small counties, effective 1/1/2000 (page 4)*
9. *Close loopholes in definition of development zones, effective 7/1/1999 (pages 4 - 5)*
10. *Allow a 25% credit for contributions to nonprofits for capital projects within development zones, effective 1/1/2000 (pages 15 - 17)*
11. *Allow a credit for rehabilitating or constructing affordable housing, effective for new projects beginning 1/1/2000 (Sections 10 - 16, pages 23 - 25)*
12. *Allow all Bill Lee Act credits to be taken against insurance premiums tax, effective 1/1/1999 (page 8)*
13. *Require businesses to provide health insurance and meet environmental, safety, and health standards in order to qualify for Bill Lee Act credits, effective 1/1/2000 (page 7)*

14. *Eliminate the $75 application fee for Bill Lee Act credits in tiers one and two and increase the fee to $500 per credit in other tiers, with a cap of $1,500 per applica effective 30 days after the bill becomes law (page 9)*
15. *Require applicants for Bill Lee Act credits to provide additional information to enable Commerce to evaluate the effectiveness of the credits in providing employment to residents of development zones, effective 7/1/1999 (page 9)*
16. *Clarify definitions of industries covered by Bill Lee Act, effective immediately (pages 2 - 3), and clarify sales tax refunds for sales of fuel to interstate air carriers (Section 9)*
17. *Require projects to obtain an environmental certification in order to qualify for funding from the Industrial Development Fund (Building Renovation Fund), effective 7/1/1999 (Section 17, pages 25 - 26)*

Extend Bill Lee Act Sunset. The William S. Lee Quality Jobs and Business Expansion Act was enacted in 1996, effective beginning with the 1996 tax year with a sunset effective in 2002. The Act required the Department of Commerce to report annually on the credits allowed by the Act. Before 1996, North Carolina had made little use of tax incentives to lure businesses to the State. Even without incentives, North Carolina was consistently one of the top states in attracting industry. The array of credits authorized by the William S. Lee Act was viewed as an experiment, to be evaluated in five years to determine whether the incentives were cost effective and actually affected behavior, or merely provided tax reductions to businesses that would hav located or expanded in any case. Section 1 of this bill would extend the 2002 sunset for a additional five years, to 2007.

Incentives for Interstate Passenger Air Carrier Hubs. This bill would provide three incentives for interstate passenger air carriers with hubs in this State. A hub is defined in Section 6 of the bill as the airport where the carrier has allocated at least 60% of its aircraft property tax value and at which the majority of its boarding passengers are connecting from other airports, not originating at that airport. The only carrier that meets this definition in North Carolina at this time is U.S. Airways, whose hub is in Charlotte.

The first incentive provided in the bill is to allow the existing credit for central administrative offices to apply to centralized training offices at an air carrier's hub, effective beginning with the 1999 tax year. The credit is allowed to taxpayers who purchase or lease real property to be used as central administrative office property with 40 or more employees. The amount of the credit is equal to 7% of the eligible investment amount and may not exceed $500,000. The credit is taken in seven equal installments over the seven years following the taxable year in which the property is first used as a central administrative office.

The second incentive for passenger air carriers is a sales tax exemption for the carrier's purchases of aircraft lubricants, parts, and accessories for use at its hub, effective beginning May 1, 1999. These purchases would otherwise be subject to sales tax at 6%, but interstate air carriers

are allowed a partial refund of the tax under G.S. 105-164.14(a). In 1998, the General Assembly enacted a similar exemption for air couriers (Federal Express), effective January 1, 2001.

The third incentive for passenger air carriers is a sales tax reduction from 6% to 1% with an $80 cap, for purchases of aircraft simulators for flight crew training for use at the hub, effective beginning May 1, 1999. The tax reduction would also apply to interstate air couriers. U.S. Airways plans to establish a flight crew training center at its Charlotte hub, where it would use aircraft simulators.

Incentive for Nonprofit Insurance Companies. Section 5 of this bill would provide a sales tax refund to certain nonprofit insurance companies for State and local taxes they pay on building materials, supplies, fixtures, and equipment that become a part of their real property. The refund would apply to taxes paid between January 1, 2000, and January 1, 2005. To qualify for this refund, the insurance company must be operated for the exclusive purpose of providing insurance products to nonprofit charitable organizations and their employees. In addition, the Secretary of Commerce must have certified that the insurance company will invest at least $10 million in this State. TIAA, which has announced plans to build an office in Mecklenburg County, fits this description.[1] If TIAA fails to make the $10 million investment within five years after it first receives a refund, it forfeits all refunds it received as a result of this incentive.

Incentives for Enterprise Tiers One and Two. The bill would provide two incentives for development in enterprise tier one and two counties, which are the counties considered most in need of economic development based on high unemployment, low per capita income, and low population growth.[2] The first incentive extends all of the Bill Lee Act credits to certain customer service centers located in an enterprise tier one or two county. An eligible customer service center is a subdivision of a telecommunications or financial services company that provides support services to the company's customers by telephone to support the company's products and services. To qualify, at least 60% of the center's calls must be incoming. This requirement will prevent telemarketing operations from qualifying. The credits allowed under the Bill Lee Act are the credit for creating jobs, the credit for investing in machinery and equipment, the credit for research and development, the credit for worker training, and the credit for investing in central administrative office property.

The second incentive allows an annual sales tax refund on taxes paid at 6% (6.5% in Mecklenburg County) on capitalized machinery and equipment sold to a taxpayer engaged in one of the businesses eligible for Bill Lee Act credits, for use in an enterprise tier one or two county. This provision would become effective for taxes paid on or after January 1, 2000. In addition to tier one and two customer service centers discussed above, the following businesses

[1] There may be one or more other nonprofit insurance companies that could qualify, but only if they make a $10 million investment.

[2] The following 13 counties are in tier one: Bertie, Edgecombe, Graham, Halifax, Hertford, Hyde, Martin, Northampton, Richmond, Swain, Tyrrell, Warren, and Washington. The following 15 counties are in tier two: Alleghany, Anson, Ashe, Beaufort, Cherokee, Columbus, Mitchell, Montgomery, Onslow, Perquimans, Robeson, Rutherford, Scotland, Vance, and Yancey.

are eligible for Bill Lee Act credits: air courier services, central administrative office (with at least 40 new jobs), data processing, manufacturing, warehousing, and wholesale trade.

Incentives for Small Counties. This bill would allow certain counties to qualify for a lower enterprise tier designation, effective January 1, 2000. Under the Bill Lee Act, all counties are divided into five enterprise tiers, ranked by economic distress as measured by a formula that combines unemployment, per capita income, and population growth. Those counties in lower-numbered tiers receive more favorable incentives than those in higher tiers. First, this bill changes the rules for assigning enterprise tier designations to provide that the tier number that would otherwise be assigned by the formula is reduced by one for counties that have a population of less than 50,000 and also have more than 18% of their residents below the federal poverty level. Under this provision, Alleghany, Ashe, Beaufort, Cherokee, Perquimans, Scotland, Vance, and Yancey Counties would move from tier two to tier one; Bladen, Hoke, Jones, Madison, Pamlico, and Pasquotank Counties would move from tier three to tier two; and Duplin, Greene, and Watauga Counties would move from tier four to tier three.

Second, the bill provides that a county that has a population of less than 25,000 cannot be designated higher than tier three. Under this provision, Polk and Currituck Counties would move from tier five to tier three.

Close Development Zone Loopholes. In 1998, the General Assembly amended the Bill Lee Act to provide additional incentives for businesses that locate or expand in development zones, which are economically distressed areas located within cities. The statutory conditions for qualifying as a development zone were designed to target only these relatively small economically distressed areas. The statutory conditions contained loopholes, however, that allowed large areas outside of cities to qualify, even if they were not economically distressed throughout. This bill would close those loopholes, effective for development zone designations made on or after January 1, 2000.

The 1998 legislation defined a development zone as an area that meets all of the following conditions: (1) consists of one or more contiguous census tracts, block groups, or both, (2) has a population of 1,000 or more, at least 20% of whom are below the poverty level, and (3) is located at least partly in city with a population over 5,000. This bill closes the loopholes in this definition by requiring that:

- Every census tract and census block group in the zone must be located in whole or in part within the primary corporate limits of the city.
- Every census tract and census block group in the zone must have more than 10% of its population below the poverty level, or must be immediately adjacent to a tract or group that has more than 20% of its population below the poverty level.
- None of the census tracts or census bock groups may be located in another development zone.

This bill would also shorten the period during which designation as a development zone is effective, from four years to two years, and require zone applicants to notify every city in which part of the proposed zone would be located.

The following enhanced incentives apply in development zones: If a business locates in a development zone, the wage standard it has to meet is the same as for tier one counties - slightly lower than the standard for other counties. In addition, if a business locates in a development zone, its maximum worker training credit is $1,000 rather than $500, it receives an additional $4,000 per job on its jobs tax credit, and there is no threshold for the credit for investing in machinery and equipment.

Credit for Development Zone Projects. This bill would create a new tax credit for taxpayers that contribute cash or property to certain nonprofit agencies to be used for an improvement project in a development zone. An improvement project is a project to construct or improve residential, commercial, or public real property. The new credit would become effective beginning with the 2000 tax year.

The credit allowed is 25% of the amount contributed by the taxpayer. The total amount of credits that may be allowed in a taxable year is capped at $4 million. Taxpayers are required to apply to the Secretary of Revenue for these credits. If the total amount applied for in a year exceeds $4 million, the Secretary will reduce each applicant's credit proportionally.

The credit is allowed for contributions to a development zone agency, defined as a community action agency, a community-based development organization, a community development corporation, a community development financial institution, a community housing development organization, or a local housing authority. To qualify for the credit, all of the following conditions must be met:

- The agency must contract in writing to use the contribution for an improvement project in a development zone and to repay the taxpayer with interest if the contribution is not so used.
- The Department of Commerce must certify that the agency will undertake an improvement project in a development zone.[3]
- The taxpayer must be unrelated to the agency and must not control, be controlled by, or be under common control with the agency.
- The taxpayer must not receive anything of value for the contribution.

A taxpayer forfeits the tax credit for a contribution to the extent the development zone agency uses the contribution for anything other than an improvement project in a zone. Development zone agencies are required to file with the Department of Commerce annual, audited financial statements. If the Department of Commerce finds that any part of a contribution was used for a purpose other than an improvement project, it must notify the Department of Revenue of the resulting forfeiture.

[3] The Secretary of Commerce may not certify a development zone agency if it, any of its officers or directors, or any partner of the agency has ever used part of an improvement project contribution for any purpose other than the improvement project.

Affordable Housing Tax Credit. Section 11 of the bill would create a new tax credit for rehabilitating or constructing low-income housing, effective for buildings allocated federal credits on or after January 1, 2000. The credit is equal to 25% of the amount of the taxpayer's federal credit for low-income housing with respect to North Carolina low-income housing that meets one of the following conditions:

- It is located in an enterprise tier one or two enterprise area or in a development zone.
- It is located in a tier three or four enterprise area and has at least 40% of its residential units that are rent-restricted and are occupied by individuals whose income is 50% or less of area median gross income.
- It is located in a tier five enterprise area and has at least 40% of its residential units that are rent-restricted and are occupied by individuals whose income is 35% or less of area median gross income.

The credit is not taken in one year but is spread out over five years beginning when the federal credit is first claimed for the building. The federal credit is first claimed either when the building is placed in service, or the next year, at the taxpayer's election. The federal credit is taken over ten years.

The federal credit requires that either (1) at least 20% of the residential units are rent-restricted and occupied by individuals whose income is 50% or less of area median gross income or (2) at least 40% of the residential units are rent-restricted and occupied by individuals whose income is 60% or less of area gross income. By limiting the State credit to projects that are either in distressed areas or serve lower-income residents, the bill is designed to steer investments toward these projects.

The federal credit requires that the low-income housing be used for that purpose for at least 30 years. If this requirement is not met, all or part of the taxpayer's credit is recaptured. Under the proposed State credit, if federal recapture is required, the taxpayer forfeits the North Carolina credit to the same extent.

Under federal law, a limited amount of credit is allowed to each state each year, and these credits are allocated among applicants based on selection criteria designed to reward projects that will serve the lowest income tenants for the longest periods. At least 10% of the credits each year must be set aside for projects sponsored by nonprofits. The amount of federal credit allocated to North Carolina will be $9.2 million for the 2000 through 2002 tax years and is expected to increase to $13 million for the 2003 and 2004 tax years. By limiting the State credit to 25% of the federal credit, the bill automatically caps the potential revenue loss to the State.

Extend Bill Lee Act Credits to Insurance Company Administrative Offices. This bill would allow all the Bill Lee Act credits to be taken against gross premiums tax, effective beginning in the 1999 tax year. Currently, only the real property credit for central administrative offices may be taken against gross premiums tax.

In 1997, the General Assembly (1) extended the Bill Lee Act credits to central administrative offices that created at least 40 new jobs and (2) created a new tax credit for taxpayers wh

purchase or lease real property to be used as central administrative office property. In 1998, the General Assembly allowed the real property credit for central administrative offices to be taken against the gross premiums tax as well as against the income tax and the corporate franchise tax. Insurance companies pay gross premiums tax in lieu of income tax. The 1998 legislation did not change the rule that the other Bill Lee Act credits could be taken against only income tax and corporate franchise tax. The 1998 change created a situation in which insurance companies and other businesses are treated differently with respect to central administrative offices. A business, other than an insurance company, that builds a central administrative office can take against income tax not only the real property credit for that office, but also the jobs credit, the investment tax credit, and the worker training credit. An insurance company can take against gross premiums tax only the real property credit, but not the jobs credit, the investment tax credit, or the worker training credit. By extending the other Bill Lee Act credits to gross premiums tax, this bill would provide uniform treatment for insurance companies and other businesses that build central administrative offices.

Quality Jobs Assurance. The purpose of the original William S. Lee Act was to provide incentives for "high quality jobs." Accordingly, under current law, only certain industries qualify for the Bill Lee Act credits and a taxpayer must meet a wage standard with respect to the jobs at the locations for which it claims a credit. This bill would add three additional standards to assure that credits are allowed only with respect to high quality jobs. First, the taxpayer would be required to pay at least 50% of basic health insurance coverage for the full-time positions for which it takes a credit. Second, the taxpayer would be required to certify that the business location with respect to which it claims a credit has not had and will not have a materially adverse effect on the environment. Third, the taxpayer would be required to certify that the business location with respect to which it claims a credit has no outstanding or unresolved OSHA citations and has had no serious violation within the last three years. The Department of Environment and Natural Resources and the Department of Labor would be authorized to audit the environmental and OSHA certifications, respectively, and report to the Department of Revenue if they determine that a certification was inaccurate.

Application and Fee Changes. A taxpayer that wishes to claim a Bill Lee Act credit must apply to the Department of Commerce for certification that it meets the eligibility requirements for the credit. The application must include information to enable the Department of Commerce to determine the applicant's eligibility, and be accompanied by a $75 fee to defray part of the costs of administering the program. This bill would require applicants to include information necessary to enable the Department of Commerce to provide data required in its periodic reports to the General Assembly. This data will assist the General Assembly in evaluating the cost effectiveness of the Bill Lee Act credits. The bill would also eliminate the $75 fee for credits claimed with respect to enterprise tier one and two counties. For other credits, the fee is increased to $500 per credit claimed, not to exceed $1,500 per taxpayer. The Department of Commerce would retain ¼ of the fee proceeds for the costs of administering the program, and remit the remaining proceeds to the Department of Revenue for its use in administering and auditing the Bill Lee Act credits. These changes become effective 30 days after the bill becomes law.

Clarify Business Definitions and Refunds. This bill would clarify the statutory definitions of the types of businesses that are eligible for the Bill Lee Act credits. In 1998, the General Assembly changed the statutory references from the Standard Industrial Classifications (SIC) to the North American Industrial Classification System (NAICS) to conform to the federal system adopted effective January 1, 1999. This system is used to classify most of the data available about industries or kinds of business in the economy. Upon review of the NAICS system, it was discovered that further terminology changes were needed to the Bill Lee Act definitions to assure that the credits would be available to the types of businesses covered by the prior law definitions.

Section 9 of this bill would clarify that interstate air carriers are allowed a partial refund of sales taxes paid on fuel. This clarification will not change the way the law is currently administered.

Industrial Development Fund Environmental Certification. Section 17 of this bill would require, as a condition for funding from the Industrial Development Fund (Building Renovation Fund), that a project receive certification from the Department of Environment and Natural Resources that it will not have a materially adverse effect on the environment. This change would become effective July 1, 1999.

SENATE FINANCE COMMITTEE

TUESDAY, MAY 25, 1999

1:30 PM – ROOM 544

The Senate Finance Committee met on Tuesday, May 25, 1999, at 1:30 PM in Room 544 with Senator Hoyle presiding. There were 20 committee members present. Brooke Agner from Cherryville, North Carolina, sponsored by Senator Hoyle and Jason Dixon-Acosta from Burlington, North Carolina, sponsored by Senator Webster were introduced as the pages for the Meeting. Candice Ward was welcomed as a new member of the Senate Sergeant-at-Arms.

HB 1009 – Funds for Agricultural Research

Representative Hill was recognized to explain this bill and at the conclusion of his explanation, Senator Soles moved to give the bill a "Favorable Report", motion passed. Copy of Bill and supporting documents included in the minutes.

SB 708 – Airport Authority Refunds

Senator Harris was recognized to explain this bill for Representative Cox and at the conclusion of his explanation, Senator Weinstein moved to give the bill a "Favorable Report", motion passed. Copy of Bill and supporting documents included in the minutes.

HB 852 – Hickory/Mocksville Annexations

Representative Buchanan was recognized to explain the bill. Senator Hoyle sent forth amendment #1 and moved that it be adopted, motion passed. Senator Soles sent forth amendment #2 and moved that it be adopted, motion passed. Senator Allran sent forth amendment #3 and moved that it be adopted, motion passed. Senator Clodfelter moved to give the Bill a "Favorable Report as amended and rolled into a Committee Substitute", motion passed. Copy of Bill and supporting documents include in the minutes.

HB 899 – Real Estate Licensure

Representative Bridgeman was recognized to explain the bill. After his explanation, there was considerable discussion of the increase in hours to obtain a Real Estate License. Mr. Don Walston of Howard, Perry and Walston Realty and the owner of a Real Estate School and Mr. John Morisey of Fonville and Morisey Realty and the owner of a Real Estate School, both spoke in opposition to increasing the hours from 30 to 75. They both stated that they would prefer only an increase to 65 hours. Mr. Paul Outlaw of the N. C. Real Estate Board spoke in support of the bill. After further discussion and debate, the

Chairman of the Senate Finance Committee decided to displace the bill for discussion until Tuesday, June 1st, 1999.

Meeting was adjourned.

HOUSE BILL 1009*

Short Title: Funds for Agriculture Research. (Public)

Sponsors: Representatives Hill, Brown, Mitchell; Yongue, and Bonner.

Referred to: Agriculture.

April 13, 1999

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FUNDS FOR AGRICULTURAL RESEARCH BY INCREASING THE ASSESSMENT ON FERTILIZER, COMMERCIAL FEED, OR THEIR INGREDIENTS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 106-568.2 reads as rewritten:

"**§ 106-568.2. Policy as to referendum and assessment.**

It is declared to be in the public interest and highly advantageous to the economic development of the State that farmers, producers, and growers of agricultural commodities using commercial feed and/or fertilizers or their ingredients be permitted by referendum held among themselves to levy upon themselves an assessment of ~~ten cents (10¢)~~ fifteen cents (15¢) per ton on mixed fertilizers, commercial feed, and their ingredients (except lime and land plaster) to provide funds through the Agricultural Foundation to supplement the established program of agricultural research and dissemination of research facts.

It is further declared to be in the public interest and highly advantageous to the economic development of the State that tobacco producers be permitted by referendum to levy upon themselves an assessment not to exceed ten cents (10¢) per hundred pounds of tobacco marketed to provide funds through the North Carolina Tobacco Research Commission for research and dissemination of research facts concerning tobacco."

Section 2. G.S. 106-568.8(a) reads as rewritten:

"(a) Fertilizer and feed assessments. In the event two-thirds or more of the eligible farmers and producers participating in said referendum vote in favor of such

assessment, then said assessment shall be collected for a period of six years under rules, regulations, and methods as provided for in this Article. The assessments shall be added to the wholesale purchase price of each ton of fertilizer, commercial feed, and/or their ingredients (except lime and land plaster) by the manufacturer of said fertilizer and feed. The assessment so collected shall be paid by the manufacturer into the hands of the North Carolina Commissioner of Agriculture on the same tonnage and at the same time and in the same manner as prescribed for the reporting of the inspection tax on commercial feeds and fertilizers as prescribed by G.S. 106-284.40 and 106-671. The Commissioner shall then remit ~~said ten cents (10¢) per ton~~ the assessment for the total tonnage as reported by all manufacturers of commercial feeds, fertilizers, and their ingredients to the treasurer of the North Carolina Agricultural Foundation, Inc., who shall disburse such funds for the purposes herein enumerated and not inconsistent with provisions contained in the charter and bylaws of the North Carolina Agricultural Foundation, Inc. Signed copies of the receipts for such remittances made by the Commissioner to the treasurer of the North Carolina Agricultural Foundation, Inc., shall be furnished the Commissioner of Agriculture, the North Carolina Farm Bureau Federation, and the North Carolina State Grange. The treasurer of the North Carolina Agricultural Foundation, Inc., shall make an annual report at each annual meeting of the Foundation directors of total receipts and disbursements for the year and shall file a copy of said report with the Commissioner of Agriculture and shall make available a copy of said report for publication.

It shall be the duty of the Commissioner of Agriculture to audit and check the remittances of ~~ten cents (10¢) per ton~~ the assessment by the manufacturer to the Commissioner in the same manner and at the same time as audits and checks are made of remittances of the inspection tax on commercial feeds and fertilizers.

Any commercial feed excluded from the payment of the inspection fee required by G.S. 106-284.40 shall nevertheless be subject to the assessment provided for by this Article and to quarterly tonnage reports to the Department of Agriculture and Consumer Services as provided for in G.S. 106-284.40(c)."

Section 3. This act is effective when it becomes law; however, the increased assessment of five cents (5¢) per ton under G.S. 106-568.2, as amended by Section 1 of this act, shall not be levied nor collected before January 1, 2001.

Funds for Agriculture Research

BILL ANALYSIS

Committee: Senate Finance
Date: May 24, 1999
Version: 1st Edition

Introduced by: Rep. Hill
Summary by: Martha K. Walston
Committee Counsel

SUMMARY: ***House Bill 1009 would allow farmers to vote on whether to levy an assessment of fifteen cents (15¢) per ton on mixed fertilizers, commercial fee, and their ingredients. This assessment would be a five cent (5¢) increase over the current assessment amount. The proceeds of the assessment would be used by the Agricultural Foundation for agricultural research and dissemination of research facts. The bill becomes effective when it becomes law; however, the increased assessment of five cents (5¢) per ton could not be levied before January 1, 2001.***

House Bill 1009 is identical to Senate Bill 1082 introduced by Senator Albertson. Senate Bill 1082 is now in House Agriculture.

CURRENT LAW AND BILL ANAYSIS: In 1951, the General Assembly gave North Carolina farmers the ability to levy upon themselves as assessment on' mixed fertilizers, commercial feed, and their ingredients, except lime and land plaster. The purpose of the assessment is to provide funds for agricultural research and dissemination of research facts through the North Carolina Agricultural Foundation. For the assessment to be levied, two thirds or more of the farmers voting in the referendum must vote in favor of the levying and collection of the assessment. If two thirds of the farmers vote in favor of the assessment, the assessment is levied annually for the next six years. A new referendum may be called and conducted during the sixth year on the question of whether or not the assessment shall be continued for the next ensuing six years. The sixth year period ends this year. In the past, the assessment has been supported by a 90% vote in favor of the assessment. The current assessment amount is ten cents (10¢). **House Bill 1009 would increase the assessment amount five cents (5¢), from ten cents (10¢) to fifteen cents (15¢).** This amount has not been increased since 1981.

The governing boards of the North Carolina Farm Bureau Federation, the North Carolina State Grange, and the North Carolina Agricultural Foundation, Inc., arrange for and manage the referendum. They must publicly announce in each county the date, hours, and polling places in that county for voting in the referendum at least 60 days before the date the referendum will be held. They must also disclose the amount of the proposed assessment and the general purposes for which the funds collected will be used.

The manufacturer of the fertilizer and feed adds the assessment to the wholesale purchase price of each ton of fertilizer, commercial feed, and their ingredients. The manufacturer collects the assessment amount and remits it to the North Carolina Commissioner of Agriculture on the same tonnage and at the same time and in the same manner as prescribed for the reporting of the inspection tax on commercial feed. The inspection tax is due by the last day of January, April, July, and October of each year. The Commissioner then remits the assessment to the treasurer of the North Carolina Agricultural Foundation, Inc. If a farmer does not want to pay the assessment, the farmer may request a refund in writing from the North Carolina Agricultural Foundation. The refund must be requested within 30 days from the date the assessment is paid.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: N.C. Department of Agriculture, N.C. Agricultural Foundation, North Carolina State University.

EFFECTIVE DATE: The act is effective when it becomes law. The increased assessment shall not be levied nor collected before January 1, 2001.

BILL SUMMARY: Currently farmers, producers, and growers of agricultural commodities pay a $0.10 assessment on each ton of mixed fertilizers, commercial feed, and the ingredients for feed and fertilizer. This assessment is added to the wholesale purchase price. Lime and land plasters are exempt from the assessment. The assessment was levied after a required referendum vote of eligible farmers and producers. The levy must be renewed by referendum every six years. The proceeds of the assessment are collected by the Department of Agriculture and deposited in the North Carolina Agricultural Foundation. The bill increases the assessment on these items to $0.15 per ton.

ASSUMPTIONS AND METHODOLOGY: Funds from the assessment are deposited with the North Carolina Agricultural Foundation, Inc. The Agricultural Foundation is a non-profit, charitable and educational corporation as defined in Internal Revenue Service code 501(c) 3. The Agricultural Foundation was formed in 1944 "to aid and promote, by financial assistance and otherwise, all types of education and research in agriculture at or through the North Carolina State University at Raleigh." North Carolina State University administers the program.

According to documents from N.C. State University, total cash receipts for the Foundation were approximately $9.5 million in 1998. This was a significant increase from the $6.2 million experienced the previous year. Approximately $700,000 - $775,000 of this amount came from the $0.10 assessment on mixed fertilizers and commercial feed. This assessment is generally referred to in the agricultural community as "nickels for know how".

Officials at N.C. State University expect "nickels for know how" income to continue to hover at the $700,000 - $775,000 range for the next five years. Assuming the farmers approve the fifty-percent increase (from $0.10 to $0.15 per ton), the added revenue generated by the bill will be approximately $375,000.

Under current law farmers must vote on the "nickels for know now" funding every six years. The next referendum must be held in 1999. Generally voting is done in October or November. For the new rate, or any rate, to apply the measure must pass with a 2/3-majority vote. N.C. State reports that the referendum has always been endorsed by at least 90% of those voting. Therefore, Fiscal Research assumes, for the purposes of the note, that this measure will also be approved. The 2000-01 fiscal impact has been adjusted to account for the January 1 effective date.

March 30, 1999

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE SANFORD-LEE REGIONAL AIRPORT AUTHORITY AND THE BRUNSWICK COUNTY AIRPORT COMMISSION TO RECEIVE SALES TAX REFUNDS.

The General Assembly of North Carolina enacts:

Section 1. Section 3(a) of Chapter 903 of the 1991 Session Laws is amended by adding a new subdivision to read:

"Sec. 3. (a) The authority shall, in addition to the powers conferred in Chapter 63 of the General Statutes of North Carolina, have the following powers:

(11) To receive refunds of sales and use taxes under G.S. 105-164.14(c)."

Section 2. Section 2 of Chapter 411 of the 1961 Session Laws is amended by adding a new subdivision to read:

"**Sec. 2.** Said Airport Commission shall, in addition to the powers conferred in Chapter 63 of the General Statutes of North Carolina, have the following powers:

. . .

(5) To receive refunds of sales and use taxes under G.S. 105-164.14(c)."

Section 3. This act is effective when it becomes law.

HOUSE BILL 708:
Sanford-Lee Airport Authority Refunds

BILL ANALYSIS

Committee: Senate Finance
Date: May 24, 1999
Version: 2nd Edition

Introduced by: Representative Cox
Summary by: Cindy Avrette and Martha Walston, Staff Attorneys, and Mary Shuping, Rsch. Asst.

SUMMARY: ***House Bill 708 allows the Sanford-Lee County Regional Airport Authority to receive an annual refund of State and local sales taxes paid by it. The second version of House Bill 708 was amended in the House to add the Brunswick County Airport Commission. Senate Bill 571, introduced by Senator Harris, is the companion bill. It differs from House Bill 708 in that it does not contain the reference to the Brunswick County Airport Commission. Both bills are in Senate Finance.***

CURRENT LAW: A local airport authority created by the General Assembly is entitled to an annual refund of State and local sales taxes paid by it if it has at least one of the following characteristics:

- It has all of the rights of a municipality.
- A local act of the General Assembly declares it to be a municipality.
- A local act of the General Assembly specifically authorizes it to receive a refund.

The refunds apply to direct purchases of tangible personal property. They also apply to sales and use tax liability indirectly incurred by a local regional airport authority on building materials, supplies, fixtures, and equipment that become a part of any building that is owned or leased by the authority and is being built, altered, or repaired for use by the authority. To obtain a sales and use tax refund, an authority must request the refund in writing within six months after the end of its fiscal year. The request must include any information and documentation required by the Secretary of Revenue.

BILL ANALYSIS: Section 1 of House Bill 708 amends the local act that created the Sanford-Lee Regional Airport Authority in 1991 to specify that it may receive refunds of sales and use taxes paid under G.S. 105-164.14(c). Under this statute, 25 types of governmental entities, including local regional airport authorities that meet one of the conditions listed above, may receive a sales tax refund of the taxes paid on items they purchased subject to sales and use tax, other than sales of electricity, piped natural gas, and telecommunications services.
Section 2 amends the local act that created the Brunswick County Airport Commission to specify the same sales and use tax refund.
There are approximately 35 local regional airport authorities. At least half of those are entitled to an annual sales tax refund.

BACKGROUND: Prior to 1961, the State granted sales and use tax exemptions to State and local governmental entities, including public schools, and nonprofit entities. Because of the number of abuses involving the exemption and the difficulty of auditing these transactions, the legislature changed the law in 1961 to allow refunds as opposed to outright exemptions. The statute lists those entities that are entitled to a refund. Nonprofit educational institutions, as well as most other nonprofit entities, are entitled to a semiannual refund of State and local sales and use tax.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue, Sales Tax Division, and Sanford-Lee Airport Authority, Brunswick County Airport Authority.

EFFECTIVE DATE: When it becomes law.

BILL SUMMARY: Under G.S. 105-164.14(c), certain government entities are eligible for refund of the sales taxes they paid on purchases in the previous fiscal year. This refund is issued annually. The types of government organizations that are currently eligible for the refund include city and county governments, municipal sewer districts, water and sewer authorities, public health authorities, a council of government, schools, and regional pubic transportation authorities. The law also states that local airport authorities, created by the General Assembly, may be eligible for the refund if the authority meets at least one of the following criteria: it has all the rights of a municipality, a local act of the General Assembly declares it to be a municipality, or a local act of the General Assembly specifically authorizes it to receive the refund. This bill is a local act that would specifically authorize the Sanford – Lee Airport Authority and the Brunswick Airport Authority to receive the sales tax refund.

ASSUMPTIONS AND METHODOLOGY: The bill impacts two airport authorities: Sanford-Lee and Brunswick County.

Sanford-Lee: Prior to FY 1995-96 the Sanford – Lee Airport Authority has been receiving a sales tax refund. Airport officials estimate that this refund was approximately $500 - $700 per year. In 1996 the Sales Tax Division of the Department of Revenue notified the Sanford – Lee Airport Authority that they were ineligible to receive the refund. The Airport Authority has not received a refund since that time.

According to the Sanford Director of Finance, who maintains the authority's financial records, in FY 1997-98 the Authority made taxable purchases of $12,185. As such, the total sales tax charged was $731 ($12,185 X 6%). While the Authority has only paid $578 in sales taxes this year, this number is expected to return to near $750. (The airport authority is in the process of closing their existing facility, and opening a new airport. As such, it appears they are delaying many of their taxable purchases until the new facility is open. The construction costs are being funded primarily through federal grants and are handled as a federal government purchase. As such, a change in the status of the airport authority will have no impact on construction related purchases).

Assuming the authority continues to make approximately $12,500 to $15,000 in taxable purchases each year, total lost tax revenue would be approximately $750 to $900 per year. Two-thirds of this revenue loss ($500 to $600) will be to the State and one-third ($250 to $300) will be to local governments. The larger number in the range in used for estimate purposes.

Brunswick County: According to the Brunswick County Finance Office, because of the structure of state and federal airport grants, all major construction dollars for the airport are handled by the county. Therefore, the purchases for major construction projects will also be handled by the county, which already receives a sales tax refund. Day to day purchases are made directly by the Airport Authority. The Authority estimates their sales tax refund for the past fiscal year would have been $1308.51, if they had been able to claim a refund. They do not anticipate any significant change in this number in the next five years. The fiscal note assumes an annual tax refund of $1350.00. Two-thirds of this amount will be a loss to the state. The balance is a local loss.

A BILL TO BE ENTITLED

AN ACT CONCERNING ANNEXATION OF NONCONTIGUOUS AREAS BY THE CITY OF HICKORY, AND ANNEXATION OF CERTAIN DESCRIBED PROPERTY BY THE TOWN OF MOCKSVILLE.

The General Assembly of North Carolina enacts:

Section 1. G.S. 160A-58.1(b)(2) shall not apply to the City of Hickory or the Town of Brookford as to any property if the City or Town has entered into an annexation agreement pursuant to Part 6 of Article 4A of Chapter 160A of the General Statutes with the city to which a point on the proposed satellite corporate limits is closer and that agreement states that the other city will not annex the property, except that this modification shall not apply to the boundary agreement between the City of Hickory and the City of Newton dated May 7, 1996.

Section 2. The following described property is added to the corporate limits of the Town of Mocksville:

HOUSE BILL 852:
Hickory/Mocksville Annexations

BILL ANALYSIS

Committee:	Senate Finance Committee	**Introduced by:**	Rep. Buchanan and Howard
Date:	May 25, 1999	**Summary by:**	Martha K. Walston
Version:	3rd Edition		Committee Counsel

SUMMARY: ***House Bill 852 is a local bill that gives the City of Hickory or the Town of Brookford the ability to annex property that is closer to the primary corporate limits of the other muncipality than to the primary corporate limits of the annexing municipality, if there is an agreement with the other municipality. House Bill 852 describes the property to be added to the corporate limits of Mocksville. The 3rd Edition of the Bill differs from the original in that it applies the annexation modification to the Town of Brookford and sunsets the annexation modification.***

CURRENT LAW: G.S. 160A-58.1 governs the voluntary annexation of noncontiguous property. Property owners may petition a city for voluntary annexation of noncontiguous property if the property meets all of the following standards.

1. The nearest point on the proposed satellite corporate limits must be not more than 3 miles from the primary corporate limits of the annexing city.
2. No point on the proposed satellite corporate limits may be closer to the primary corporate limits of another city than to the primary corporate limits of the annexing city.
3. The area must be so situated that the annexing city will be able to provide the same services within the proposed satellite corporate limits that it provides within its primary corporate limits.
4. If the area proposed for annexation is a subdivision, all of the subdivision must be included.
5. The area within the proposed satellite corporate limits, when added to the area within all other satellite corporate limits, may not exceed ten percent (10%) of the area within the primary corporate limits of the annexing city.

BILL ANALYSIS: **Section 1 of House Bill 852** exempts the City of Hickory or the Town of Brookford from the second standard if certain conditions are met. This will allow Hickory to annex an area closer to Brookford if Brookford has agreed in a joint agreement not to annex the area, and it will allow Brookford to annex an area closer to Hickory if Hickory has agreed in a joint agreement not to annex the area. This modification does not apply to the May 7, 1996 boundary agreement between Hickory and Newton. Section 1 is effective when it becomes law and expires December 31, 1999.

Section 2 of House Bill 852 describes the property to be added to the corporate limits of the Town of Mocksville. Section 2 is effective when it becomes law.

The General Assembly of North Carolina enacts:

Section 1. G.S. 160A-58.1(b)(2) shall not apply to the City of Hickory or the Town of Brookford as to any property if the City or Town has entered into an annexation agreement pursuant to Part 6 of Article 4A of Chapter 160A of the General Statutes with the city to which a point on the proposed satellite corporate limits is closer and that agreement states that the other city will not annex the property, except that this modification shall not apply to the boundary agreement between the City of Hickory and the City of Newton dated May 7, 1996. This section shall have no effect on the ability of the City of Hickory to annex property under Part 4 of Chapter 160A of the General Statutes if the property is closer to the Town of Maiden than it is to the City of Hickory.

Section 2. The following described property is added to the corporate limits of the Town of Mocksville:

HOUSE BILL 899

Short Title: Real Estate Salesman/Broker Licensure. (Public)

Sponsors: Representatives Bridgeman, Howard; Dedmon and Morris.

Referred to: Ways and Means.

April 1, 1999

A BILL TO BE ENTITLED

AN ACT AMENDING CERTAIN REQUIREMENTS FOR LICENSURE OF REAL ESTATE BROKERS AND SALESMEN.

The General Assembly of North Carolina enacts:

Section 1. G.S. 93A-4 reads as rewritten:

"**§ 93A-4. Applications for licenses; fees; qualifications; examinations; ~~bond;~~ privilege licenses; renewal or reinstatement of license; power to enforce provisions.**

(a) Any person, partnership, ~~association, or corporation~~ corporation, limited liability company, association, or other business entity hereafter desiring to enter into business of and obtain a license as a real estate broker or real estate salesman shall make written application for such license to the Commission ~~on such forms as are~~ in the form and manner prescribed by the Commission. Each applicant for a license as a real estate broker or real estate salesman shall be at least 18 years of age. Each applicant for a license as a real estate salesman shall, within ~~five~~ three years preceding the date application is made, have satisfactorily completed, at a school approved by the Commission, a real estate fundamentals course consisting of at least ~~30~~ 75 hours of classroom instruction in subjects determined by the Commission, or shall possess real estate education or experience in real estate transactions which the Commission shall find equivalent to the course. Each applicant for a license as a real estate broker shall, within ~~five~~ three years preceding the date the application is made, ~~either have been actively engaged on a full-time basis as a licensed real estate salesman for at least two years, or~~ have satisfactorily completed, at a school approved by the Commission, ~~advanced courses in Real Estate Law, Real Estate Finance, and Real Estate Brokerage Operations, each~~ an education program consisting of at least

~~30~~ 60 hours of classroom ~~instruction, these courses to~~ instruction in subjects determined by the Commission, which shall be in addition to ~~those~~ the course required for a real estate salesman license, or shall possess real estate education or experience in real estate transactions which the Commission shall find equivalent to the ~~above requirements.~~ education program. Each ~~application~~ applicant for a license as a real estate broker or real estate salesman shall be ~~accompanied by~~ required to pay a fee, fixed by the Commission but not to exceed thirty dollars ($30.00). ~~Each application for license as a real estate salesman shall be accompanied by a fee, fixed by the Commission but not to exceed thirty dollars ($30.00).~~

(b) ~~Any~~ Except as otherwise provided in this Chapter, any person who ~~files such~~ submits an application to the Commission in proper manner for a license as real estate broker or a license as real estate salesman shall be required to take an oral or written ~~examination to~~ examination. The Commission may allow an applicant to elect to take the examination by computer as an alternative to the written or oral examination and may require the applicant to pay the Commission or a provider contracted by the Commission the actual cost of administering the computerized examination. The cost of the computerized examination shall be in addition to any other fees the applicant is required to pay under subsection (a) of this section. The examination shall determine ~~his~~ the applicant's qualifications with due regard to the paramount interests of the public as to the ~~honesty, truthfulness, integrity and competency of the applicant.~~ applicant's competency. A person holding a real estate salesman license in this State and applying for a real estate broker license shall not be required to take an additional examination under this subsection.

~~The Commission may make such investigation as it deems necessary into the ethical background of the applicant.~~ An applicant for licensure under this Chapter shall satisfy the Commission that he or she possesses the competency, honesty, truthfulness, integrity, and general moral character necessary to protect the public interest and promote public confidence in the real estate brokerage business. If the results of ~~the~~ any required competency examination and investigation of the applicant's moral character shall be satisfactory to the Commission, then the Commission shall issue to ~~such a person~~ the applicant a license, authorizing ~~such person~~ the applicant to act as a real estate broker or real estate salesman in the State of North Carolina, upon the payment of privilege taxes now required by law or that may hereafter be required by law.

~~Provided, however, that any person who, at the time of the passage or at the effective date of this Chapter, has a license to engage in, and is engaged in business as a real estate broker or real estate salesman and who shall file a sworn application with the Commission setting forth his qualifications, including a statement that such applicant has not within five years preceding the filing of the application been convicted of any felony or any misdemeanor involving moral turpitude, shall not be required to take or pass such examination, but all such persons shall be entitled to receive such license from the Commission under the provisions of this Chapter on proper application therefor and payment of a fee of ten dollars ($10.00).~~

(c) All licenses issued by the Commission under the provisions of this Chapter shall expire on the 30th day of June following issuance or on any other date that the Commission may determine and shall become invalid after that date unless reinstated. A license may be renewed 45 days prior to the expiration date by filing an application with and paying to the Executive Director of the Commission the license renewal fee. The license renewal fee is thirty dollars ($30.00) unless the Commission sets the fee at a higher amount. The Commission may set the license renewal fee at an amount that does not exceed fifty dollars ($50.00). The license renewal fee may not increase by more than five dollars ($5.00) during a 12-month period. The Commission may adopt rules establishing a system of license renewal in which the licenses expire annually with varying expiration dates. These rules shall provide for prorating the annual fee to cover the initial renewal period so that no licensee shall be charged an amount greater than the annual fee for any 12-month period. All licenses reinstated after the expiration date thereof shall be subject to a late filing fee of five dollars ($5.00) in addition to the required renewal fee. In the event a licensee fails to obtain a reinstatement of such license within 12 months after the expiration date thereof, the Commission may, in its discretion, consider such person as not having been previously licensed, and thereby subject to the provisions of this Chapter relating to the issuance of an original license, including the examination requirements set forth herein. Duplicate licenses may be issued by the Commission upon payment of a fee of five dollars ($5.00) by the licensee. Commission certification of a licensee's license history shall be made only after the payment of a fee of ten dollars ($10.00).

(d) The Commission is expressly vested with the power and authority to make and enforce any and all ~~such~~ reasonable rules and regulations connected with ~~the application for any license~~ license application, examination, renewal, and reinstatement as shall be deemed necessary to administer and enforce the provisions of this Chapter. The Commission is further authorized to adopt reasonable rules and regulations necessary for the approval of real estate ~~schools and such rules and regulations may, in accordance with G.S. 93A-4(a),~~ schools, instructors, and textbooks and rules that prescribe specific requirements pertaining to ~~the teaching of mechanics and law governing real estate transactions at such schools.~~ instruction, administration, and content of required education courses and programs.

(e) Nothing contained in this Chapter shall be construed as giving any authority to the Commission nor any licensee of the Commission as authorizing any licensee ~~whether by examination or under the grandfather clause or by comity~~ to engage in the practice of law or to render any legal service as specifically set out in G.S. 84-2.1 or any other legal service not specifically referred to in said section."

Section 2. This act becomes effective October 1, 2000.

HOUSE BILL 899:
Real Estate Salesman/Broker Licensure

BILL ANALYSIS

Committee: Senate Finance Committtee
Date: May 21, 1999
Version: 1st Edition

Introduced by: Rep. Bridgeman
Summary by: O. Walker Reagan and Martha K. Walston, Staff Attorneys

SUMMARY: ***House Bill 899 amends the real estate licensing law to require that the salesman real estate course be increased from 30 hours to 75 hours and taken within 3 (now 5) years prior to licensure, requires that the broker real estate course be decreased from 90 to 60 hours and taken within 3 (now 5) years prior to licensure, eliminates the broker exam if the person already holds a real estate salesman license, clarifies the ethical standard for licensure, and clarifies the Real Estate commission's rule making authority for licensing matters and real estate instruction. House Bill 899 was given a favorable report in House Ways & Means and House Commerce.***

CURRENT LAW: Under current law a person who applies for a real estate salesman license must complete a 30 hour real estate fundamentals course within 5 years preceding the license application. A real estate broker applicant must within the 5 years preceding the broker license application, either have been a full-time licensed real estate salesman for at least 2 years or have completed 90 hours of advanced courses in real estate instruction plus the 30 hours required for a salesman license. In lieu of the above requirements, the Real Estate Commission may accept equivalent real estate education or experience. The broker applicant also has to pass a broker's licensing examination. Each applicant for licensure as a broker or salesman must pay a fee not to exceed $30.00.

BILL ANALYSIS: The bill amends G.S. 93A-4 which sets out the qualifications and requirements for licensure as a real estate salesman and broker.

Subsection (a) of this statute is amended by permitting licensed real estate firms to also be in the form of a limited liability company or other business entity. This subsection is also amended to increase the required salesman course hours from 30 hours to 75 hours and to shorten the time period prior to application during which this course can be taken from 5 years to 3 years. This subsection is also amended to reduce the required broker course hours from 90 hours to 60 hours in addition to the salesman course hours. The time period for this instruction prior to application for the broker's license has also been shortened from 5 years to 3 years.

Subsection (b) is amended to permit the real estate licensing exam to be taken by computer with any additional cost associated with taking the exam by computer to be born by the applicant. This subsection also eliminates a broker's examination in addition to the salesman's examination. The outdated grandfather provision enacted in 1957 is repealed.

Subsection (d) is amended to clarify that the Commission's rulemaking authority over applications for licensure also applies to license examinations, license renewals, and license reinstatements. This subsection is also amended to clarify that the rulemaking authority for approval of real estate schools and instruction applies to the schools, the instructors, the text books and the instruction, administration and content of required education courses and programs.

EFFECTIVE DATE: The bill becomes effective October 1, 2000.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: North Carolina Real Estate Commission

EFFECTIVE DATE: The act is effective October 1, 2000.

BILL SUMMARY:

The bill extends application requirements for real estate brokers' licenses to limited liability companies and other business entities. Requires prospective salesmen to complete a training course with 75 (now, 30) hours of classroom instruction within 3 (now, 5) years of applying for a license. Requires prospective brokers to complete a training course with 60 (now, 30) additional hours beyond those required for salesmen, within 3 (now, 5) years of applying for a license. Permits taking examinations by computer with approval of the Real Estate Commission. Prohibits requiring additional examination for broker applicants who hold salesman licenses. Specifies moral adequacy criterion for applicants: competency, honesty, truthfulness, integrity, and general moral character necessary to protect the public interest and promote public confidence in the real estate brokerage business. Deletes grandfather provision permitting

persons with licenses at the original date of passage of the chapter to avoid examination by filing a sworn application.

ASSUMPTIONS AND METHODOLOGY:

SALESMAN LICENSE

Officials with the North Carolina Real Estate Commission project that the increased educational requirements for a real estate salesman license will increase the number of license exam applicants before the October 1, 2000 effective date. The Commission expects 1,600 additional applicants prior to October 1, 2000 and a temporary decline of 1,000 applicants after October 1, 2000. The Commission guesses that roughly one-third of the applicants will take the monthly exam in FY 1999-00 and the remaining two-thirds will take the exam in the first three months of FY 2000-01. This fiscal note rounds these numbers off to 600 additional applicants in FY 1999-00 and 1,000 in the first quarter of FY 2000-01. At $30 per application, the 600 applicants in FY 1999-00 will pay $18,000 in license fees. The Commission says it cost $42.79 to administer the exam, thus the administrative expense for 600 exams is $25,674. Assuming these 600 applicants receive their license, then the $30 annual renewal fee will generate $18,000 in revenue each year.

In FY 2000-01, the 1,000 applicants expected prior to October 1, 2000 will be offset by the projected decline of 1,000 applicants for the remainder of the fiscal year. This will produce no additional revenue or expenditures.

BROKER LICENSE

The Real Estate Commission expects 3,600 additional licensed real estate salesmen each year to apply for a broker license after October 1, 2000. At $30 per application, the revenue generated will be $108,000 per year. However, the Commission estimates that the administrative cost of the exam is also $30 or $108,000 per year. Due to the October 1 effective date, the first year numbers are three fourths of the estimate or $81,000. Since the renewal fee for a broker is the same as a salesman, there is no increased revenue from license renewals.

COMPUTERIZED EXAMS

The bill authorizes the Commission to give computerized exams after October 1, 2000. The Commission estimates that of the 8,000 exam applicants each year, 75% or 6,000 will choose a computerized exam. The Commission believes it will save $14 in administrative costs per computerized exam. At $14 per exam, the Commission will save $84,000 each year. Savings are reduced in FY 2000-01 because 1,000 salesman applicants will take the exam before computer exams are offered. Of the 7,000 exams taken after October 1, 2000, 5,250 exams will be computerized for a savings of $73,500 in FY 2000-01.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE DIVISION OF MOTOR VEHICLES TO ISSUE UNIVERSITY HEALTH SYSTEMS OF EASTERN CAROLINA SPECIAL REGISTRATION PLATES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 20-79.4(b) reads as rewritten:

"(b) Types. -- The Division shall issue the following types of special registration plates:

(1) Administrative Officer of the Courts. -- Issuable to the Director of the Administrative Office of the Courts. The plate shall bear the phrase "J-20".

(2) Amateur Radio Operator. -- Issuable to an amateur radio operator who holds an unexpired and unrevoked amateur radio license issued by the Federal Communications Commission and who asserts to the Division that a portable transceiver is carried in the vehicle. The plate shall bear the phrase "Amateur Radio". The plate shall bear the operator's official amateur radio call letters, or call letters with numerical or letter suffixes so that an owner of more than one vehicle may have the call letters on each.

(3) American Legion. -- Issuable to a member of the American Legion. The plate shall bear the words "American Legion" and the emblem of the American Legion. The Division may not issue the

plate authorized by this subdivision unless it receives at least 300 applications for the plate.

(3a) Bronze Star Recipient. -- Issuable to a recipient of the Bronze Star. The plate shall bear the emblem of the Bronze Star and the words "Bronze Star".

(4) Civil Air Patrol Member. -- Issuable to an active member of the North Carolina Wing of the Civil Air Patrol. The plate shall bear the phrase "Civil Air Patrol". A plate issued to an officer member shall begin with the number "201" and the number shall reflect the seniority of the member; a plate issued to an enlisted member, a senior member, or a cadet member shall begin with the number "501".

(5) Civic Club. -- Issuable to a member of a nationally recognized civic organization whose member clubs in the State are exempt from State corporate income tax under G.S. 105-130.11(a)(5). Examples of these clubs include Jaycees, Kiwanis, Optimist, Rotary, Ruritan, and Shrine. The plate shall bear a word or phrase identifying the civic club and the emblem of the civic club. The Division may not issue a civic club plate authorized by this subdivision unless it receives at least 300 applications for that civic club plate.

(6) Class D Citizen's Radio Station Operator. -- Issuable to a Class D citizen's radio station operator. For an operator who has been issued Class D citizen's radio station call letters by the Federal Communications Commission, the plate shall bear the operator's official Class D citizen's radio station call letters. For an operator who has not been issued Class D citizen's radio station call letters by the Federal Communications Commission, the plate shall bear the phrase "Citizen's Band Radio".

(7) Clerk of Superior Court. -- Issuable to a current or retired clerk of superior court. A plate issued to a current clerk shall bear the phrase "Clerk Superior Court" and the letter "C" followed by a number that indicates the county the clerk serves. Section 4. G.S. 20-81.12 is amended by adding a new subsection to read:

"(b9) University Health Systems of Eastern Carolina. -- The Division must receive 300 or more applications for a University Health Systems of Eastern Carolina plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of

University Health Systems of Eastern North Carolina plates to the Pitt Memorial Hospital Foundation, Inc., for use in the Children's Hospital of Eastern North Carolina."

Section 5. This act is effective when it becomes law.

SENATE BILL 285:
University Health Systems Plates

BILL ANALYSIS

Committee: Senate Finance Committee
Date: May 21, 1999
Version: 1st Edition

Introduced by: Senator Warren
Summary by: Martha K. Walston
Committee Counsel

SUMMARY: SB 285 authorizes the DMV to issue University of Health Systems of Eastern Carolina special license plates for an additional $25 fee. $15 of the additional fee will go to the Pitt Memorial Hospital Foundation, Inc., for use in the Children's Hospital of Eastern North Carolina.

CURRENT LAW: Passenger vehicles and property-hauling vehicles pay an annual registration fee. Upon request, the Division of Motor Vehicles will issue special registration plates for an additional fee. Active members of the National Guard and Purple Heart recipients do not have to pay an additional fee for their special plates. Special registration plates are issued free of charge to recipients of the Congressional Medal of Honor, 100% disabled veterans, and ex-prisoners of war. All other special registration plates are subject to the regular registration fee plus an additional fee. Fees generated from special registration plates are credited to the Special Registration Plate Account and the Collegiate and Cultural Attraction Account established within the Highway Fund, and the Natural Heritage Trust Fund established under G.S. 113-77.7.

$10 of the additional fee goes to the Special Registration Plate Account. This uniform system of fees has been in place since 1991 when a study commission recommended that the special registration plate system be simplified through a uniform fee schedule. After deducting the costs of the plates from the Account, the money is distributed as follows:

Amount	Purpose
$525,000 distributed annually	Operating assistance for certain Visitor Centers
33% distributed quarterly	Department of Commerce for advertising the promotion of travel and industrial development in the State
50% distributed quarterly	Department of Transportation for beautification of highways
17% distributed quarterly	Department of Health and Human Services to promote travel accessibility for disabled persons

The portion of the special registration fee going to the Collegiate and Cultural Attraction Plate Account is transferred quarterly to the organization for which the special plate is made.

Out-of-state Collegiate Insignia and Personalized special plates distribute part of their fee to the Natural Heritage Trust Fund to be used mainly to protect land with outstanding natural or cultural heritage values.

BILL ANALYSIS: Senate Bill 285 authorizes DMV to develop a special license plate bearing a phrase or insignia representing the University Health Systems of Eastern Carolina. DMV must receive at least 300 applications for a special plate before it is issued. The cost of the plate is the regular registration fee plus an additional $25. The first $10 of the additional fee would be credited to the Special Registration Plate Fund. The remaining $15 of the additional fee would go to the Collegiate and Cultural Attraction Plate Account and transferred quarterly to the Pitt Memorial Hospital Foundation, Inc., for use in the Children's Hospital of Eastern North Carolina.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Transportation, Division of Motor Vehicles, and

EFFECTIVE DATE: When it becomes law.

BILL SUMMARY: The legislation authorizes the Division of Motor Vehicles to issue University Health System of Eastern Carolina special registration plates. It instructs the Department to develop the plate only after 300 or more applications for the plate are received. A special fee of $25.00 (in addition to the regular motor vehicle registration fee) is also authorized. Ten dollars of this amount goes to the Special Registration Plate Account, and fifteen dollars will be deposited in the Collegiate and Cultural Attractions Plate Account (CCAPA). The proceeds from the plate deposited in the CCAPA are transferred quarterly to the Pitt Memorial Hospital Foundation for use in the Children's Hospital of Eastern North Carolina.

ASSUMPTIONS AND METHODOLOGY: In addition to the normal $20.00 registration fee every owner of a private passenger vehicle pays, there is a $25.00 fee for each specialized University Health System of Eastern Carolina plate. Because there is no way to determine how many of the plates will be requested, this fiscal note assumes the issuance of the minimum 300 license plates in FY 1999-00. As a result, the bill raises a total of $7,500 ($25 X 300 plates).

Three thousand dollars ($3000.00) of this amount goes to the SRPA. Four thousand five hundred dollars ($4,500.00) is deposited in the CCAPA. However, at the end of each quarter the funds deposited in the CCAPA are transferred to the Pitt Memorial Hospital Foundation. Therefore, the hospital foundation actually gains $4,500.00. The note also assumes that those plates will be renewed in the following years.

According to the Division of Motor Vehicles and the Department of Corrections, there is a one-time cost of $100 to design the new plate. There is also a production cost of $2.52 per plate (This assumes a basic one color design. If the design is more complex, or requires more color, the per plate cost increases). The total production cost for 300 basic plates is $856.00.

HOUSE BILL 178

Short Title: Jonesville Accident Reports/Weeds. (Local)

Sponsors: Representatives Brown; and Holmes.

Referred to: Local Government I, if favorable, Finance.

March 1, 1999

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE TOWN OF JONESVILLE TO CHARGE A FEE NOT TO EXCEED FIVE DOLLARS FOR UNCERTIFIED COPIES OF POLICE INCIDENT OR ACCIDENT REPORTS AND TO AUTHORIZE THE TOWN TO GIVE ANNUAL NOTICE OF VIOLATION TO CHRONIC VIOLATORS OF THE CITY'S OVERGROWN VEGETATION ORDINANCE.

The General Assembly of North Carolina enacts:

Section 1. Section 3 of S.L. 1998-108 reads as rewritten:

"Section 3. This act applies to the Towns of ~~Denton and Farmville~~ Denton, Farmville, and Jonesville and the City of Greenville only."

Section 2. This act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 1997

SESSION LAW 1998-108
HOUSE BILL 1546

AN ACT TO AUTHORIZE CERTAIN MUNICIPALITIES TO CHARGE A FEE NOT TO EXCEED FIVE DOLLARS FOR UNCERTIFIED COPIES OF POLICE INCIDENT OR ACCIDENT REPORTS AND TO AUTHORIZE THE CITY TO GIVE ANNUAL NOTICE OF VIOLATION TO CHRONIC VIOLATORS OF THE CITY'S OVERGROWN VEGETATION ORDINANCE.

The General Assembly of North Carolina enacts:

Section 1. A municipality may charge a fee not to exceed five dollars ($5.00) for an uncertified copy of a police incident or accident report, except that the operator of a vehicle involved in an accident shall be entitled to one free copy of an uncertified copy. The fees collected shall be used for law enforcement purposes only.

Section 2. A municipality may notify a chronic violator of the municipality's overgrown vegetation ordinance that, if the violator's property is found to be in violation of the ordinance, the municipality shall, without further notice in the calendar year in which notice is given, take action to remedy the violation and the expense of the action shall become a lien upon the property and shall be collected as unpaid taxes. The notice shall be served by registered or certified mail. A chronic violator is a person who owns property whereupon, in the previous calendar year, the municipality took remedial action at least three times under the overgrown vegetation ordinance.

Section 3. This act applies to the Towns of Denton and Farmville and the City of Greenville only.

Section 4. This act is effective when it becomes law.

In the General Assembly read three times and ratified this the 19th day of August, 1998.

Jonesville		**NO GENERAL FUND IMPACT**			

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Town of Jonesville.

EFFECTIVE DATE: When it becomes law.

BILL SUMMARY: This bill adds the Town of Jonesville to a list of towns given special authority for two actions. First, the bill authorizes Jonesville to charge a five dollar ($ 5.00) fee for an uncertified copy of police incident or accident report. The operator of a vehicle involved in an accident is entitled to one free uncertified copy of the report. The fees provide additional law enforcement funding. The second part of the bill addresses overgrown lots. The bill authorizes Jonesville to notify the owner of a chronically overgrown lot of the municipality's overgrown vegetation ordinance. The bill authorizes the town to "remedy" the violation, (mow, etc.) once the owner is notified and again found in violation. The cost associated with mowing becomes the equalivent of a tax lien against the property. Under the bill, notice must be given at least once during the calendar year. The bill defines a chronic violator as a person who owns property sited at least three times during the previous calendar year for overgrown vegetation.

ASSUMPTIONS AND METHODOLOGY: According to the town manager, Jonesville currently charges $4.00 for police accident and incident reports. They also report issuing approximately 200 such reports each year. Because the bill would allow Jonesville to charge an extra $1.00 per report, the town would likely see a $200.00 increase in revenues ($1.00 X 200 reports). As far as the weedy lot provision is concerned, the town manager believes the town will see some decrease in their postal expenses as a result of this provision. However, they expect the fiscal impact to be minimal.

A BILL TO BE ENTITLED

AN ACT TO IMPLEMENT A ZERO UNEMPLOYMENT INSURANCE TAX RATE FOR MORE EMPLOYERS WITH POSITIVE EXPERIENCE RATINGS, AND TO TEMPORARILY REDUCE THE UNEMPLOYMENT INSURANCE TAX BY TWENTY PERCENT FOR MOST EMPLOYERS AND SUBSTITUTE AN EQUIVALENT CONTRIBUTION TO FUND ENHANCED EMPLOYMENT SERVICES AND WORKER TRAINING PROGRAMS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 96-9(b)(3)d3. reads as rewritten:

"d3. The standard contribution rate set by subdivision (b)(1) of this section applies to an employer unless the employer's account has a credit balance. Beginning January 1, ~~1995,~~ 1999, the contribution rate of an employer whose account has a credit balance is determined in accordance with the rate set in the following Experience Rating Formula table for the applicable rate schedule. The contribution rate of an employer whose contribution rate is determined by this Experience Rating Formula table shall be reduced by fifty percent (50%) for any year in which the balance in the Unemployment Insurance Fund equals or exceeds eight hundred million dollars ($800,000,000) on the computation date and the fund ratio determined on that date is less than

five percent (5%) and shall be reduced by sixty percent (60%) for any year in which the balance in the Unemployment Insurance Fund equals or exceeds eight hundred million dollars ($800,000,000) on the computation date, and the fund ratio determined on that date is five percent (5%) or more.

Section 2. Article 2 of Chapter 96 of the General Statutes is amended by adding a new section to read:

"**§ 96-6.1. Training and reemployment contribution.**

(a) Contribution. -- A mandatory training and reemployment contribution is levied upon employers at the rate of twenty percent (20%) of the amount of unemployment insurance contributions due under G.S. 96-9. The purpose of the training and reemployment contribution is to provide funds for Department of Community College training programs, Employment Security Commission reemployment services, administration and collection of the new contribution, and other needs of the State. The training and reemployment contribution is due and payable at the time and in the same manner as the unemployment insurance contributions under G.S. 96-9. The training and reemployment contribution does not apply in a calendar year if, as of August 1 of the preceding year, the amount in the Unemployment Insurance Fund equals or is less than eight hundred million dollars ($800,000,000). The collection of the training and reemployment contribution, the assessment of interest and penalties on unpaid contributions under this section, the filing of judgment liens, and the enforcement of the liens for unpaid contributions under this section are governed by the provisions of G.S. 96-10 where applicable.

Training and reemployment contributions collected under this section shall be credited to the Employment Security Commission Training and Employment Account created in this section, and refunds of these contributions shall be paid from the same account. Any interest or penalties collected on unpaid contributions under this section shall be credited to the Special Employment Security Administration Fund, and any interest or penalties refunded on contributions imposed by this section shall be paid from the same Fund.

(b) Training and Employment Account. -- There is created in the State treasury a special account separate and apart from all other public moneys or funds of this State, to be known as the Employment Security Commission Training and Employment Account. The State Treasurer is ex officio the treasurer and custodian of the Account and shall invest its funds in accordance with law. Any interest or other income derived from the Account shall be credited to the Account. Funds in the Account may be spent only pursuant to appropriation by the General Assembly and in accordance with the line item budget enacted by the General Assembly. The Account is subject to the provisions of the Executive Budget Act, except that no unexpended surplus of the Account shall revert to the General Fund. Funds appropriated from the Account that are unexpended and unencumbered at the end of the fiscal year for which they were appropriated shall revert to the credit of the Account in the State treasury in accordance with G.S. 143-18.

It is the intent of the General Assembly that eighty percent (80%) of the funds in the Account shall be appropriated annually to the Department of Community Colleges to be used for nonrecurring expenditures to provide worker training through improved continuing education, acquisition of modern training equipment, operation of specialized training centers, enhancement of small business center training, expansion of training for new and expanding industries, incentive grants for

incumbent worker training, programs funded by the Worker Training Trust Fund, and other programs of the Department of Community Colleges. It is the intent of the General Assembly that twenty percent (20%) of the funds in the Account shall be appropriated annually to the Employment Security Commission for administration and collection of the training and reemployment contribution and for nonrecurring expenditures for reemployment services."

Section 3. G.S. 96-9(c)(4)b. reads as rewritten:

"b. Notwithstanding any other provisions of this section, if the successor employer was an employer subject to this Chapter prior to the date of acquisition of the business, ~~his~~ the successor's rate of contribution for the period from ~~such~~ that date to the end of the then current contribution year shall be the same as ~~his~~ the successor's rate in effect on the date of ~~such~~ the acquisition. If the successor was not an employer prior to the date of the acquisition of the ~~business he~~ business, the successor shall be assigned a standard rate of contribution set forth in G.S. 96-9(b)(1) for the remainder of the year in which ~~he~~ the successor acquired the business of the predecessor; however, if ~~such~~ the successor makes application for the transfer of the account within 60 days after notification by the Commission of ~~his~~ the right to do so and the account is transferred, or meets the requirements for mandatory transfer, ~~he~~ the successor shall be assigned for the remainder of ~~such~~ the year the rate applicable to the predecessor employer or employers on the date of acquisition of the business, ~~provided~~ if there was only one predecessor or if more than one and the predecessors had identical rates. In the event the rates of the predecessor were not identical, the rate of the successor shall be the highest rate applicable to any of the predecessor employers on the date of acquisition of the business.

Irrespective of any other provisions of this Chapter, when an account is transferred in its entirety by an employer to a successor, ~~the transferring employer shall thereafter pay the standard rate of contributions of two and seven-tenths percent (2.7%) and shall continue to pay at such rate until he qualifies for a reduction, reacquires the account he transferred or acquires the experience rating account of another employer, or is subject to an increase in rate under the conditions prescribed in G.S. 96-9(b)(2) and (3). However, when an account is transferred in its entirety by an employer to a successor on or after January 1, 1987,~~ the transferring employer shall thereafter pay the standard beginning rate of contributions ~~of two and twenty-five~~

~~hundredths percent (2.25%)~~ provided in G.S. 96-9(b)(1) and shall continue to pay at ~~such~~ that rate until ~~he~~ the employer qualifies for a reduction, reacquires the account ~~he transferred or~~ transferred, acquires the experience rating account of another employer, or is subject to an increase in rate under the conditions prescribed in G.S. 96-9(b)(2) and (3)."

Section 4. G.S. 96-9(b)(1) reads as rewritten:

"(b) Rate of Contributions. --

(1) Beginning Rate. -- The standard beginning rate of contributions for an employer is a percentage of wages paid by the employer during a calendar year for employment occurring during that year. The rate is determined in accordance with the following table:

Percentage	Date After Which Employment Occurs
2.25%	December 31, 1986
1.8	December 31, 1993
1.2	December 31, 1995
1.0	December 31, 1999"

Section 5. G.S. 96-9(b)(3) is amended by adding a new sub-subdivision to read:

"d5. The standard contribution rate set by subdivision (b)(1) of this section applies to an employer unless the employer's account has a credit balance. Beginning January 1, 1999, the contribution rate of an employer whose account has a credit balance is determined in accordance with the rate set in the following Experience Rating Formula table for the applicable rate schedule. The contribution rate of an employer whose contribution rate is determined by this Experience Rating Formula table shall be reduced by fifty percent (50%) for any year in which the balance in the Unemployment Insurance Fund equals or exceeds eight hundred million dollars ($800,000,000) on the computation date and the fund ratio determined on that date is less than five percent (5%) and shall be reduced by sixty percent (60%) for any year in which the balance in the Unemployment Insurance Fund equals or exceeds eight hundred million dollars ($800,000,000) on the computation date, and the fund ratio determined on that date is five percent (5%) or more.

HOUSE BILL 275:
Zero ESC Tax/Training Contribution

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Rep. Redwine
Date:	May 25, 1999	**Summary by:**	Martha H. Harris
Version:	Senate Committee Substitute		Bill Drafting

SUMMARY: This bill would make the following two changes relating to unemployment insurance taxes. The second item is added in this proposed Senate committee substitute.

1. ***Based on the current Experience Rating Formula table, employers who have a credit ratio of 5% and over have a 0% unemployment insurance tax rate schedule. Section 1 of House Bill 275 would change the minimum credit ratio of employers who are granted a zero tax rate from 5% to 4%, effective April 1, 1999.***
2. ***The remainder of House Bill 275 temporarily reduces Unemployment Insurance taxes for most employers by 20% and levies a corresponding 20% contribution to be used for enhanced reemployment services and worker training programs, effective January 1, 2000. These changes would sunset in two years.***

Section 1: Under current law, employers having a 5% or greater credit ratio pay the zero unemployment insurance tax rate. Section 1 of House Bill 275 would amend G.S. 96-9(b)d3 to grant a zero unemployment insurance tax rate to employers with a credit ratio of 4% or greater rather than the credit ratio of 5% or greater required by current law. The credit ratio is the ratio of an employer's credit balance in the Unemployment Insurance (UI) Fund relative to the employer's payroll. The UI Fund is maintained by the U.S. Treasury and funded by the State unemployment insurance tax. Section 1 of House Bill 275 is effective with respect to calendar quarters beginning on or after April 1, 1999.

According to information provided by the ESC, this change is recommended due to the solvency of North Carolina's UI Fund and the increasing stability of labor markets. ESC estimates this change would affect over 10,000 employers, with a tax savings to employers of over $1,000,000 in the first year.

Sections 2 through 6: Sections 2 through 6 of House Bill 275 would reduce the unemployment insurance taxes employers pay to the Employment Security Commission. The reduction would be 20% for most employers, slightly less for new employers, and less for 3,400 or so employers with a high debit ratio. Those employers who pay at a zero tax rate would not be affected. These sections of the bill would also levy a new tax equal to 20% of each employer's unemployment insurance tax. The tax is called a "training and reemployment contribution." When the UI tax reduction and the new contribution are netted, most employers will pay the same or slightly less under these sections of the bill. For the 3,400 high debit ratio employers, there will be a net increase, ranging from 1% to slightly less than 20% of their current unemployment insurance

taxes. Employers who pay unemployment insurance taxes at a zero tax rate would not be affected.

Sections 2 through 6 of House Bill 275 would become effective January 1, 2000, and sunset January 1, 2002. The new contribution would also automatically sunset if a reduction in the balance in the federal Unemployment Trust Fund triggers a doubling of the unemployment insurance tax rates.

The new contribution would be credited to a non-reverting account subject to appropriation by the General Assembly. The account is called the "Employment Security Commission Training and Employment Account." The bill states the intent of the General Assembly that 4/5 of the proceeds would be appropriated annually from the account to the Department of Community Colleges for nonrecurring expenditures for various worker training programs. The bill states the intent of the General Assembly that the remaining 1/5 of the proceeds would be appropriated annually from the account to the Employment Security Commission for the costs of collecting and administering the new contribution, and for nonrecurring expenditures for enhanced reemployment services.

Unemployment insurance taxes are paid by employers on a quarterly basis and deposited into the State Unemployment Insurance Trust Fund. After deducting any refunds payable from the Fund pursuant to G.S. 96-10(f), the money is deposited with the secretary of the treasury of the United States to the credit of this State's account in the Unemployment Trust Fund. Funds in the State's account earn interest that is also credited to the account. As money in the State's account is needed to pay benefits, it is transferred to the State and credited to the benefits account of the State's Unemployment Insurance Fund to be used to pay benefits to people who lose their job through no fault of their own. Federal law prohibits transfer of or payment of refunds from money in the Trust Fund.

The General Assembly reduced unemployment insurance tax rates in recent years because the balance in the federal trust fund was higher than needed to pay benefits. The tax rates will automatically double when the trust fund balance falls below $800 million. By reducing the unemployment insurance tax rates by 20% for two years, Sections 2 through 6 of this bill could cause the balance in the trust fund to fall faster, triggering an automatic tax increase earlier than might otherwise occur. On the other hand, it is hoped that the enhanced reemployment services funded by the new contribution would shorten the average period before a worker is reemployed, thereby reducing benefit payments for the trust fund. The new contribution would sunset automatically if an unemployment insurance tax increase were triggered by a drop in the trust fund balance.

Legislative History: Since 1992, the General Assembly has enacted the following legislation to reduce the amount of money in the Unemployment Insurance Fund:

- **1992** - suspended the 20% surcharge on unemployment taxes.
- **1993** - cut unemployment taxes for positive rated employers by an average of 30% for any calendar year in which the balance in the Fund equals or exceeds $800,000,000.

- **1994** - cut the unemployment taxes for positive rated employers by an average of 38.7% and cut the unemployment taxes for new employers by 20%.
- **1995** - cut the unemployment taxes for positive rated employers by an average of 23%, set a zero rate for employers with credit ratios of 5.0 or over, and reduced from 60% to 50% the percentage of annual average wages used to calculate the taxable wage base.
- **1996** - reduced unemployment taxes in three ways by (1) assigning a one-year zero unemployment insurance tax rate for all positive rated employers, (2) giving overdrawn employers additional time to make contributions to their accounts so that they may qualify for the zero tax rate in 1996, and (3) permanently reducing the tax rate for new employers from 1.8% to 1.2%.

SENATE FINANCE COMMITTEE SUBSTITUTE FOR HOUSE BILL 275 RATIONALE

- As of December 31, 1991 the balance in the Unemployment Insurance Fund stood at almost $1.4 billion. The size of the balance led the General Assembly to take the following steps to help the 160,000 employers in North Carolina
  - 1992 - Suspended the 20% surcharge on unemployment taxes.
  - 1993 - Cut unemployment taxes for positive rated employers by an average of 30% for any calendar year in which the balance in the Fund equals or exceeds $800,000,000.
  - 1994 - Cut the unemployment taxes for positive rated employers by an average of 38.7% and cut the unemployment taxes for new employers by 20%.
  - 1995 - Cut the unemployment taxes for positive rated employers by an average of 23%, set a zero rate for employers with credit ratios of 5.0 or over, and reduced from 60% to 50% the percentage of annual average wages used to calculate the taxable wage base.
  - 1996 - Reduced unemployment taxes by: (1) assigning a one-year zero unemployment insurance tax rate for all positive rated employers, (2) giving overdrawn employers additional time to make contributions to their accounts so that they may qualify for the zero tax rate in 1996, and (3) permanently reducing the tax rate for new employers from 1.8% to 1.2%.
- On an annual basis, these reductions are equal to almost $500 million in current dollars.
- Even with these savings to employers, the state's healthy economy has meant that the fund balance remains at $1.2 billion as of April 30 (+$200 million in State reserve fund).
- Though the overall economy is healthy, job losses in the textile and apparel industries due a shift to overseas production and the displacement of tobacco farmers creates a need for additional job training and reemployment efforts.
- The proposed bill is a "win-win" situation for North Carolina. Under this proposal $142 million of unemployment taxes will remain in North Carolina to address worker training and reemployment needs instead of sitting in Washington.

A BILL TO BE ENTITLED

AN ACT TO UPDATE THE NORTH CAROLINA CONSUMER FINANCE ACT TO REVISE THE COLLECTION OF INTEREST UNDER CERTAIN CIRCUMSTANCES, TO ALLOW BORROWERS TO CANCEL LOANS UNDER CERTAIN CONDITIONS, TO RECOGNIZE INADVERTENT LOANS IN THE LAW RESTRICTING MULTIPLE-OFFICE LOANS, TO REQUIRE DISCLOSURE ON SOLICITATION OF LOANS BY FACSIMILE OR NEGOTIABLE CHECKS, TO ALLOW LENDERS TO MAINTAIN CERTAIN RECORDS IN THE FORM OF OPTICAL IMAGE DISKS, TO SPECIFY A MAXIMUM CHARGE THAT LENDERS MAY ASSESS AT CLOSING, AND TO REQUIRE LICENSEES TO REPORT ADDITIONAL INFORMATION TO THE COMMISSIONER.

The General Assembly of North Carolina enacts:

Section 1. G.S. 53-165(a) reads as rewritten:

"(a) 'Amount of the loan' shall mean the aggregate of the cash advance and the charges authorized either by ~~G.S. 53-173.~~ G.S. 53-173 or G.S. 53-176."

Section 2. G.S. 53-176 reads as rewritten:

"**§ 53-176. Optional rates, maturities and amounts.**

In lieu of making loans in the amount and at the charges stated in G.S. 53-173 and for the terms stated in G.S. 53-180, a licensee may at any time elect to make loans in installments not exceeding ten thousand dollars ($10,000) and which shall not be repayable in less than six months or more than 84 months and which shall not be

secured by deeds of trust or mortgages on real estate and which are repayable in substantially equal consecutive monthly payments and to charge and collect interest in connection therewith which shall not exceed the following actuarial rates:

(1) With respect to a loan not exceeding ~~seven thousand five hundred dollars ($7,500),~~ ten thousand dollars ($10,000), thirty percent (30%) per annum on that part of the unpaid principal balance not exceeding ~~one thousand dollars ($1,000)~~ two thousand dollars ($2,000) and eighteen percent (18%) per annum on the remainder of the unpaid principal balance. Interest shall be contracted for and collected at the single simple interest rate applied to the outstanding balance that would earn the same amount of interest as the above rates for payment according to schedule.

~~(2) With respect to a loan exceeding seven thousand five hundred dollars ($7,500), eighteen percent (18%) per annum on the outstanding principal balance.~~

In addition to the interest permitted in this section, a licensee may assess at closing a ~~reasonable credit investigation~~ loan charge ~~as agreed upon by the parties,~~ not to exceed ~~the actual cost of the credit investigation;~~ twenty-five dollars ($25.00); provided that such charges may not be assessed to the same borrower more than twice in any 12-month ~~period. The Commissioner of Banks may review charges assessed pursuant to this section and may adopt appropriate rules in accordance with G.S. 53-185.~~ period, and which may be included in the original principal balance of the loan and shall be earned when the loan is made.

The provisions of G.S. 53-173(b), (c) and (d) and G.S. 53-180(b), (c), (d), (e), (f), (g), (h) and (i) shall apply to loans made pursuant to this section.

Any licensee under this Article shall have the right to elect to make loans in accordance with this section by the filing of a written statement to that effect with the Commissioner and on date of such notification begin making loans regulated by this section for the following 12 months. Annually after such election a licensee may elect to make loans in accordance with this section unless the licensee notifies in writing the Commissioner of its intention to terminate such election.

The due date of the first monthly payment shall not be more than 45 days following the disbursement of funds under any such installment loan. A borrower under this section may prepay all or any part of a loan made under this section without penalty. A borrower may cancel a loan within 15 calendar days after disbursement of the loan proceeds to the borrower without incurring or paying interest so long as the amount of the loan is returned to or received by the licensee.

No individual, partnership, or corporate licensee and no corporation which is the parent, subsidiary or affiliate of a corporate licensee that is making loans under this Article except as authorized in this section, shall be permitted to make loans under the provisions of this section. Any corporate licensee or individual or partnership licensee that elects to make loans in accordance with the provisions of this section shall be bound by that election with respect to all of its offices and locations in this State and all offices and locations in this State of its parent, subsidiary or affiliated

corporate licensee, or with respect to all of his or their offices and locations in this State."

Section 3. G.S. 53-179 reads as rewritten:

"**§ 53-179. Multiple-office loan limitations.**

A licensee shall not grant a loan under this Article in one office to any borrower who already has a loan in another office operated by the same entity or by an affiliate, parent, subsidiary or under the same ownership, management or control, whether partial or ~~complete.~~ complete for the purpose, or with the effect, of obtaining charges in excess of those authorized by this Article. This section shall apply to intrastate and interstate operations. A licensee shall take every reasonable precaution to prevent granting loans in violation of this section. Such loans granted inadvertently ~~resulting in a total liability of three thousand dollars ($3,000) or less, shall be adjusted to the rates applicable under the Article to a single loan of equivalent amount, and when the total liability on such loans is in excess of three thousand dollars ($3,000), interest shall be adjusted to simple interest at eight percent (8%) per annum on the entire obligation.~~ shall be adjusted to the rates applicable under this Article to a single loan of equivalent amount. Such loans granted intentionally with the purpose to evade this Article shall be adjusted to a simple interest at eight percent (8%) per annum on the entire obligation."

Section 4. G.S. 53-181(a) is amended by adding a new subdivision to read:

"(10) In addition to any disclosures otherwise provided by law, a licensee soliciting loans using facsimile or negotiable checks shall disclose the following:

'THIS IS A SOLICITATION FOR A LOAN. READ THE ENCLOSED DISCLOSURES BEFORE SIGNING THIS AGREEMENT.'

This notice shall be printed in not less than 10-point bold type and shall appear conspicuously on the offer."

Section 5. G.S. 53-182(b) reads as rewritten:

"(b) Upon payment of any loan in full, a licensee shall cancel and return to the borrower, within a reasonable length of time, originals or copies of any note, assignment, mortgage, deed of trust, or other instrument securing such loan, which no longer secures any indebtedness of the borrower to the licensee."

Section 6. G.S. 53-184 reads as rewritten:

"**§ 53-184. Securing of information; records and reports; allocations of expense.**

(a) Each licensee shall maintain all books and records relating to loans made under this Article required by the Commissioner of Banks to be kept, and the Commissioner, his deputy, or duly authorized examiner or agent or employee is authorized and empowered to examine such records at any reasonable time. Such books and records may be maintained in the form of magnetic tape, magnetic ~~disk~~ disk, optical disk, or other form of computer, electronic or microfilm media available for examination on the basis of computer printed reproduction, video display or other medium acceptable to the Commissioner of Banks; provided, however, that such

books and records so kept must be convertible into clearly legible tangible documents within a reasonable time. Any licensee having more than one licensed office may maintain such books and records at a location other than the licensed office location if such location is approved by the Commissioner; provided that, upon such requirements as may be imposed by the Commissioner of Banks, there shall be available to the borrower at each licensed location or such other location convenient to the borrower, as designated by the licensee, complete loan information; and provided further that such books and records of each licensed office shall be clearly segregated. When a licensee maintains its books and records outside of North Carolina, the licensee shall make them available for examination at the place where they are maintained and shall pay for all reasonable and necessary expenses incurred by the Commissioner in conducting such examination. Where the data processing for any licensee is performed by a person other than the licensee, the licensee shall provide to the Commissioner of Banks a copy of a binding agreement between the licensee and the data processor which allows the Commissioner of Banks, his deputy, or duly authorized examiner or agent or employee to examine that particular data processor's activities pertaining to the licensee to the same extent as if such services were being performed by the licensee on its own premises; and, notwithstanding the provisions of G.S. 53-167 and 53-122, when billed by the Commissioner of Banks, the licensee shall reimburse the Commissioner of Banks for all costs and expenses incurred by ~~him~~ the Commissioner in such examination.

(b) Each licensee shall file annually with the Commissioner of Banks on or before the thirty-first day of March for the 12 months' period ending the preceding December 31, reports on forms prescribed by the Commissioner. Reports shall disclose in detail and under appropriate headings the assets and liabilities of the licensee, the ~~income, expense,~~ income from interest and other charges collected for loans, income from all businesses related to transactions under the act, income from other noncredit businesses authorized by the Commissioner, all expense from those businesses, gain, loss, delinquency, bad debt, bad debt recovery, and any other information as the Commissioner may ~~require.~~ require in order to make meaningful reports to the public and the General Assembly on the services and financial condition of the industry. Reports shall be verified by the oath or affirmation of the owner, manager, president, vice-president, cashier, secretary or treasurer of the licensee.

(c) If a licensee conducts another business or is affiliated with other licensees under this Article, or if any other situation exists under which allocations of expense are necessary, the licensee or licensees shall make such allocation according to appropriate and reasonable accounting principles.

(d) Repealed by Session Laws 1997-285, s. 3."

Section 7. This act becomes effective October 1, 1999, and applies to loans made on or after that date.

A BILL TO BE ENTITLED

AN ACT TO UPDATE THE NORTH CAROLINA CONSUMER FINANCE ACT TO REVISE THE COLLECTION OF INTEREST UNDER CERTAIN CIRCUMSTANCES, TO ALLOW BORROWERS TO CANCEL LOANS UNDER CERTAIN CONDITIONS, TO INCREASE CERTAIN FEES, TO INCREASE THE LIABILITY AMOUNTS OF INADVERTENT LOANS IN THE LAW RESTRICTING MULTIPLE-OFFICE LOANS, TO REQUIRE DISCLOSURE ON SOLICITATION OF LOANS BY FACSIMILE OR NEGOTIABLE CHECKS, TO ALLOW LENDERS TO MAINTAIN CERTAIN RECORDS IN THE FORM OF OPTICAL IMAGE DISKS, AND TO SPECIFY A MAXIMUM CHARGE THAT LENDERS MAY ASSESS AT CLOSING.

The General Assembly of North Carolina enacts:

Section 1. G.S. 53-165(a) reads as rewritten:

"(a) 'Amount of the loan' shall mean the aggregate of the cash advance and the charges authorized either by ~~G.S. 53-173.~~ G.S. 53-173 or G.S. 53-176."

Section 2. G.S. 53-168(b) reads as rewritten:

"(b) Investigation of Applicants. -- Upon the receipt of an application, the Commissioner shall investigate the facts. If the Commissioner determines from such preliminary investigation that the applicant does not satisfy the conditions set forth in subsection (a), he shall so notify the applicant who shall then be entitled to an informal hearing thereon provided he so requests in writing within 30 days after the Commissioner has caused the above-referred to notification to be mailed to the applicant. In the event of a hearing, to be held in the offices of the Commissioner of

Banks in Raleigh, the Commissioner shall reconsider the application and, after the hearing, issue a written order granting or denying such application. At the time of making such application, the applicant shall pay the Banking Department the sum of ~~two hundred fifty dollars ($250.00)~~ two hundred seventy-five dollars ($275.00) as a fee for investigating the application, which shall be retained irrespective of whether or not a license is granted the applicant."

Section 3. G.S. 53-176 reads as rewritten:

"**§ 53-176. Optional rates, maturities and amounts.**

In lieu of making loans in the amount and at the charges stated in G.S. 53-173 and for the terms stated in G.S. 53-180, a licensee may at any time elect to make loans in installments not exceeding ten thousand dollars ($10,000) and which shall not be repayable in less than six months or more than 84 months and which shall not be secured by deeds of trust or mortgages on real estate and which are repayable in substantially equal consecutive monthly payments and to charge and collect interest in connection therewith which shall not exceed the ~~following~~ actuarial ~~rates:~~

~~(1)~~ ~~With~~ rates of thirty percent (30%) per annum on that part of the unpaid principal balance not exceeding two thousand dollars ($2,000) with respect to a loan not exceeding ten thousand dollars ($10,000) ~~seven thousand five hundred dollars ($7,500), thirty percent (30%) per annum on that part of the unpaid principal balance not exceeding one thousand dollars ($1,000)~~ and eighteen percent (18%) per annum on the remainder of the unpaid principal balance. Interest shall be contracted for and collected at the single simple interest rate applied to the outstanding balance that would earn the same amount of interest as the above rates for payment according to schedule.

~~(2) With respect to a loan exceeding seven thousand five hundred dollars ($7,500), eighteen percent (18%) per annum on the outstanding principal balance.~~

In addition to the interest permitted in this section, a licensee may assess at closing a ~~reasonable credit investigation~~ loan charge ~~as agreed upon by the parties,~~ not to exceed ~~the actual cost of the credit investigation;~~ twenty-five dollars ($25.00); provided that such charges may not be assessed to the same borrower more than twice in any 12-month ~~period. The Commissioner of Banks may review charges assessed pursuant to this section and may adopt appropriate rules in accordance with G.S. 53-185.~~ period, and which may be included in the original principal balance of the loan and shall be earned when the loan is made.

The provisions of G.S. 53-173(b), (c) and (d) and G.S. 53-180(b), (c), (d), (e), (f), (g), (h) and (i) shall apply to loans made pursuant to this section.

Any licensee under this Article shall have the right to elect to make loans in accordance with this section by the filing of a written statement to that effect with the Commissioner and on date of such notification begin making loans regulated by this section for the following 12 months. Annually after such election a licensee may elect

to make loans in accordance with this section unless the licensee notifies in writing the Commissioner of its intention to terminate such election.

The due date of the first monthly payment shall not be more than 45 days following the disbursement of funds under any such installment loan. A borrower under this section may prepay all or any part of a loan made under this section without penalty. A borrower, no more than twice in a 12-month period with the same licensee, may cancel a loan within 15 calendar days after disbursement of the loan proceeds to the borrower without incurring or paying interest so long as the amount of the loan, minus any fees or charges, is returned to or received by the licensee.

No individual, partnership, or corporate licensee and no corporation which is the parent, subsidiary or affiliate of a corporate licensee that is making loans under this Article except as authorized in this section, shall be permitted to make loans under the provisions of this section. Any corporate licensee or individual or partnership licensee that elects to make loans in accordance with the provisions of this section shall be bound by that election with respect to all of its offices and locations in this State and all offices and locations in this State of its parent, subsidiary or affiliated corporate licensee, or with respect to all of his or their offices and locations in this State."

Section 4. G.S. 53-179 reads as rewritten:

"**§ 53-179. Multiple-office loan limitations.**

A licensee shall not grant a loan under this Article in one office to any borrower who already has a loan in another ~~office~~ office, licensed under this Article, operated by the same entity or by an affiliate, parent, subsidiary or under the same ownership, management or control, whether partial or ~~complete.~~ complete for the purpose, or with the effect, of obtaining charges in excess of those authorized by this Article. Section 5. G.S. 53-181(a) is amended by adding a new subdivision to read:

"(10) In addition to any disclosures otherwise provided by law, a licensee soliciting loans using facsimile or negotiable checks shall disclose the following:

'THIS IS A SOLICITATION FOR A LOAN. READ THE ENCLOSED DISCLOSURES BEFORE SIGNING THIS AGREEMENT.'

This notice shall be printed in not less than 10-point bold type and shall appear conspicuously on the offer."

Section 6. G.S. 53-182(b) reads as rewritten:

"(b) Upon payment of any loan in full, a licensee shall cancel and return to the borrower, within a reasonable length of time, originals or copies of any note, assignment, mortgage, deed of trust, or other instrument securing such loan, which no longer secures any indebtedness of the borrower to the licensee."

Section 7. G.S. 53-184(a) reads as rewritten:

"(a) Each licensee shall maintain all books and records relating to loans made under this Article required by the Commissioner of Banks to be kept, and the Commissioner, his deputy, or duly authorized examiner or agent or employee is authorized and empowered to examine such records at any reasonable time. Such books and records may be maintained in the form of magnetic tape, magnetic ~~disk~~ disk, optical disk, or other form of computer, electronic or microfilm media available for examination on the basis of computer printed reproduction, video display or other medium acceptable to the Commissioner of Banks; provided, however, that such books and records so kept must be convertible into clearly legible tangible documents within a reasonable time. When a licensee maintains its books and records outside of North Carolina, the licensee shall make them available for examination at the place where they are maintained and shall pay for all reasonable and necessary expenses incurred by the Commissioner in conducting such examination. Where the data processing for any licensee is performed by a person other than the licensee, the licensee shall provide to the Commissioner of Banks a copy of a binding agreement between the licensee and the data processor which allows the Commissioner of Banks, his deputy, or duly authorized examiner or agent or employee to examine that particular data processor's activities pertaining to the licensee to the same extent as if such services were being performed by the licensee on its own premises; and, notwithstanding the provisions of G.S. 53-167 and 53-122, when billed by the Commissioner of Banks, the licensee shall reimburse the Commissioner of Banks for all costs and expenses incurred by ~~him~~ the Commissioner in such examination."

Section 8. This act becomes effective October 1, 1999, and applies to loans made on or after that date.

SENATE BILL 570:
Update Consumer Finance Act

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Hoyle
Date:	May 26, 1999	**Summary by:**	Martha K. Walston
Version:	Proposed Committee Substitute		Committee Counsel

SUMMARY: ***Senate Bill 570 amends the North Carolina Consumer Finance Act by revising the collection of interest under certain circumstances , to allow borrowers to cancel loans under certain conditions, to increase certain fees, to increase the liability amounts of inadvertent loans in the law restricting multiple-office loans, to require disclosure on solicitation of loans by facsimile or negotiable checks, to allow a lender to maintain records in the form of optical image disk, and to specify maximum closing charge. The act becomes effective October 1, 1999, and applies to loans made on or after that date..***

BILL ANALYSIS: The proposed committee substitute for Senate Bill makes the following changes to the North Carolina Consumer Finance Act. This Act applies to unsecured, person loans in the State.

Section 1 amends G.S. 53-165(a) to provide that the "amount of the loan" means the aggregate of the cash advance and the charges authorized by G.S. 53-173 or G.S. 53-176(deals with installment loans).

Section 2 amends G.S. 53-168(b) to increase the application fee for a license to conduct a consumer finance business from $250.00 to $275.00. This fee is paid to the Banking Department and is used by the Banking Commissioner for investigating the application.

Section 3 amends G.S. 53-176 by changing the interest rates on installment loans not exceeding $10,000. These loans may not be paid in less than six months or more than 84 months and may not be secured by deeds of trust or mortgages. The section allows an actuarial interest rate of 30% on that part of the unpaid principal not exceeding $2,,000 (now $1,000) for loans not to exceed $10,000 (now $7,500)

This section specifies the loan charge that a licensee may assess at closing. This charge is $25.00. The current language states that the licensee may assess at closing "a reasonable credit investigation charge not to exceed the actual cost of the credit investigation." The amendment also clarifies that the charge may not be assessed against the same borrower more than twice in any 12-month period

This section also allows a borrower to cancel a loan within 15 calendar days after disbursement of the loan proceeds without paying interest so long as the borrower returns the amount of the loan, minus any fees or charges. The borrower may exercise this option no more than twice in a 12-month period with the same licensee.

Section 4 amends G.S. 53-179. This section increases the liability amount of loans inadvertently granted to a borrower who already has a loan in another licensed office that is operated or owned by the same entity or an affiliate. If the inadvertent loan amount totals $6,000 (now $3,000) the interest rate will be adjusted to the applicable rate to a single loan of equivalent amount. If the loan liability is in excess of $6,000 (now $3,000) the interest rate will be adjusted to 8%. The section clarifies that a multiple-office licensee may not make more than one loan to a borrower for the purpose, or with the effect, of obtaining charges in excess of those authorized by the Article.

Section 5 amends G.S. 53-181(a) to require a licensee soliciting loans using facsimile or negotiable checks to make the following written disclosure on the offer: "THIS IS A SOLICITATION FOR A LOAN. READ THE ENCLOSED DISCLOSURES BEFORE SIGNING THIS AGREEMENT."

Section 6 clarifies that when a loan is paid in full the licensee shall return to the borrower originals or copies of instruments securing the loan.

Section 7 amends G.S. 53-184(a) to allow a licensee to maintain the required loan books and records in the form of optical disk.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: NC Banking Commission; The Office of the Commissioner of Banks

EFFECTIVE DATE: The act becomes effective October 1, 1999 and applies to loans made on or after that date.

BILL SUMMARY: The bill makes several changes to the North Carolina Consumer Finance Act.

ASSUMPTIONS AND METHODOLOGY:

Section 2 of the bill increases the fee for investigating license applications from $250 to $275. The Office of the Commissioner of Banks received 26 applications in calendar year 1998 and received 8 applications in the first three months of 1999. Since the Consumer Finance Administrator at the Office of the Commissioner of Banks described 1998 as a typical year for license applications, this fiscal note assumes 26 applications per year. A $25 increase for 26 applications equals $650. The October 1, 1999 effective date will reduce this revenue increase by one-fourth in FY 1999-00.

Current law allows consumer finance agencies to assess a reasonable credit investigation charge based on the actual cost of an investigation. Section 3 of the bill changes the law to set this charge at $25. The Office of the Commissioner of Banks reported credit investigation charges for 70 consumer finance agencies ranged from 0 to $30 in 1998. The average charge was $16 and the median charge was $15 in 1998. Only 21.4% of the reported charges were $25 or greater.

The real cost of this bill is to the consumer. There are 74 companies with 657 offices in the state that offer loans under G. S. 53-176. Current law permits maximum interest charges of 30% per year on the unpaid principal balance that does not exceed $1,000 and 18% per year on the remaining balance that does not exceed $7,500. SB 570 increases the lower threshold for the 30% tax from $1,000 to $2,000 and the upper threshold from $7,500 to $10,000. This change will increase interest paid by consumers as shown by the following example:

The Commissioner of Banks reported in the 1997 Consumer Finance Annual Report that 125,757 new loans were issued in amounts less than $1,000. In the same year, 469,509 loans worth $1,337,750,127 exceeded $1,000. Assuming an additional 12% tax (30%-18%) on $1,000 for each of the 469,509 loans exceeding $1,000, the additional cost to consumers would be $56,341,080. This estimate is for new loans issued in 1997 and does not account for previously issued loans with outstanding balances. No further data is available at this time.

Senate Bill 570

Senate Bill 570 is a bad bill for the citizens of North Carolina. It will result in higher interest rates to consumers (on those least able to afford it), when nationwide interest rates are at a 30-year historic low.

Proponents of the bill cite the following reasons for passage:

- Losing money by making loans without an increase in interest rates
- High default rate by borrowers
- Credit will be cut off or reduced to borrowers without interest increase

Let us examine one company operating in North Carolina, although the statistics pointed out are indicative of the consumer finance industry. These statistics are from an annual 10-K Securities and Exchange Commission filing more commonly known as the annual report to shareholders.

Commercial Credit Corporation is a subsidiary of the Citicorp Group, which owns Citicorp Bank, Travelers Insurance, Salomon Brothers and Smith Barney.

As of December 31, 1998, Commercial Credit had 980 branches nationwide, making it one of the largest consumer finance companies in the country (Citicorp annual report, page 9).

In North Carolina, Commercial Credit operates 80 branch offices and has outstanding consumer loans as of December 31, 1997 of $355,718,628 (NC Commissioner of Bank report, page 5).

Losing money making loans without an increase in interest rates

In 1998, Consumer Credit made $288 million in business income for Citicorp, this being an increase over $213 million in 1997, and $199 million in 1996 (Annual report, page 5). The 24% increase in 1998 reflects internal receivables growth and an improved charge off rate (Annual report, page 9).

High default rate by borrowers

These poor risk borrowers have better payment history than "normal" credit card borrowers. The net credit loss ratio of 2.74% in 1998 was **down** from 2.82% in 1997, and **down** from 3.14% in 1996. Therefore, losses to "poor risk" consumers have declined every year since 1996 (Annual report, page 9).

Credit card borrowers on the other hand, had a net credit loss ratio of 5.33% in 1998, 5.74% in 1997 and 4.95% in 1996 (Annual report, page 8 and 9).

Therefore the "normal risk" credit card borrowers had a credit loss rate of **twice** that of the poor risk consumers.

See attached chart on Annual report page 16 to compare net credit losses with all categories.

Credit will be cut off or reduced to borrowers without interest increase

In December 1998, Commercial Credit had record high loan receivables of $11.9 billion compared to $9.8 billion in 1997 and $7.1 billion in 1996 (Annual report, page 9).

Clearly, when there is an increase in credit to consumer borrowers of over $4 billion no credit is in danger of being cut off or reduced. **It is simply too profitable to keep lending.**

Merger with Citicorp

On October 8, 1998, Citicorp merged with and into a newly formed, wholly owned subsidiary of Travelers Group Inc. (TRV) (the Merger). Following the Merger, TRV changed its name to Citigroup Inc. (Citigroup). Under the terms of the Merger, approximately 1.1 billion shares of Citigroup common stock were issued in exchange for all of the outstanding shares of Citicorp common stock based on an exchange ratio of 2.5 shares of Citigroup common stock for each share of Citicorp common stock. Each share of TRV common stock automatically represented one share of Citigroup common stock. Following the exchange, former shareholders of Citicorp and TRV each owned approximately 50% of the outstanding common stock of Citigroup. Each outstanding share of Citicorp preferred stock was converted into one share of a corresponding series of preferred stock of Citigroup having identical terms (See Note 18 of Notes to Consolidated Financial Statements—Series O through Series V).

The consolidated financial statements give retroactive effect to the Merger in a transaction accounted for as a pooling of interests. The pooling of interests method of accounting requires the restatement of all periods presented as if TRV and Citicorp had always been combined. The consolidated statement of changes in stockholders' equity reflects the accounts of Citigroup together with its subsidiaries (the Company) as if the additional preferred and common stock had been issued during all the periods presented.

Upon consummation of the Merger, the Company became a bank holding company subject to the provisions of the Bank Holding Company Act of 1956 (the BHCA). The BHCA precludes a bank holding company and its affiliates from engaging in certain activities, generally including insurance underwriting. Under the BHCA in its current form, the Company has two years from the date it became a bank holding company to comply with all applicable provisions (the BHCA Compliance Period). The BHCA Compliance Period may be extended, at the discretion of the Federal Reserve Board, for three additional one-year periods so long as the extension is not deemed to be detrimental to the public interest. At this time, the Company believes that its compliance with applicable laws following the Merger will not have a material adverse effect on the Company's financial condition, results of operations, or liquidity.

There is pending federal legislation that would, if enacted, amend the BHCA to authorize a bank holding company to own certain insurance underwriters. There is no assurance that such legislation will be enacted. At the expiration of the BHCA Compliance Period, the Company will evaluate its alternatives in order to comply with whatever laws are then applicable.

Merger with Salomon

On November 28, 1997, a newly formed, wholly owned subsidiary of the Company merged with and into Salomon Inc (Salomon) (the Salomon Merger). Under the terms of the Salomon Merger, approximately 188.5 million shares of Citigroup common stock were issued in exchange for all of the outstanding shares of Salomon common stock, based on an exchange ratio of 1.695 shares of Citigroup common stock for each share of Salomon common stock. Shares of each of Salomon's series of preferred stock outstanding were exchanged for a corresponding series of Citigroup preferred stock having substantially identical terms, except that the Citigroup preferred stock issued in conjunction with the Salomon Merger has certain voting rights. Thereafter, Smith Barney Holdings Inc. (Smith Barney), a wholly owned subsidiary of Citigroup, was merged with and into Salomon to form Salomon Smith Barney Holdings Inc. (Salomon Smith Barney). The Salomon Merger was accounted for under the pooling of interests method.

Acquisition of Aetna P&C

On April 2, 1996, Travelers Property Casualty Corp. (TAP), an indirect majority-owned subsidiary of Citigroup, acquired the domestic property and casualty insurance subsidiaries of Aetna Services, Inc. (Aetna P&C) for approximately $4.2 billion in cash. This acquisition was financed in part by the issuance by TAP of common stock resulting in a minority interest in TAP of approximately 18% at that time (currently 16%). The acquisition was accounted for under the purchase method of accounting and, accordingly, the consolidated financial statements include the results of Aetna P&C's operations from the date of acquisition. TAP also owns The Travelers Indemnity Company and its subsidiaries (Travelers P&C). TAP's insurance subsidiaries are the primary vehicles through which the Company engages in the property and casualty insurance business.

Adjusted operating expenses in 1998 were up $94 million or 6% from 1997 and grew $104 million or 7% in 1997, reflecting business volume growth.

Credit costs improved to $111 million in 1998 from $131 million in 1997 and $140 million in 1996. The net credit loss ratio was 1.49% in 1998, down from 1.61% in 1997 and 1.72% in 1996.

Business income in both 1998 and 1997 benefited from a lower effective tax rate. The effective tax rates on business income (loss) before taxes were 35%, 47%, and 57%, in 1998, 1997, and 1996, respectively. Fluctuations in the effective income tax rates result from changes in the nature and geographic mix of pretax earnings.

Mortgage Banking—which provides mortgages and student loans to customers across North America—reported business income of $175 million in 1998, up $58 million or 50% from 1997, reflecting lower credit costs and higher revenues resulting from increased business volumes. Net income of $169 million in 1998 and $105 million in 1997, included restructuring charges of $9 million ($6 million after-tax) and $20 million ($12 million after-tax), respectively. 1997 business income of $117 million was up from $64 million in 1996.

As shown in the following table, Mortgage Banking grew accounts, loans, and mortgage originations in both 1998 and 1997.

In Billions of Dollars	**1998**	1997	1996

Revenues, net of interest expense, of $558 million in 1998 grew $39 million or 8% from 1997 and in 1997 were up $61 million or 13% from 1996, reflecting increased mortgage originations, including refinancing activity, and growth in the student loan portfolio. Adjusted operating expenses were up $9 million or 4% in 1998 and grew $15 million or 7% in 1997, reflecting additional business volumes.

Credit costs of $20 million in 1998 declined from $87 million in 1997 and $134 million in 1996. The 1998 net credit loss ratio of 0.31%, was down from 0.51% and 0.64% in 1997 and 1996, respectively, reflecting continued improvement in the mortgage portfolio. Credit costs included a benefit of $55 million and $28 million in 1998 and 1997, respectively, arising from a reduction in the allowance for credit losses attributed to Mortgage Banking, reflecting continued credit improvement in the mortgage portfolio.

(2) Represents provision for credit losses (on a managed basis).
(3) Adjusted for the effect of credit card securitization, the return on managed assets for Cards was 1.13% in 1998, 0.97% in 1997, and 1.51% in 1996.

In 1998, Citibank acquired Universal Card Services from AT&T. As of December 31, 1998, UCS added $16.9 billion in managed customer receivables and 14 million accounts to Cards. In 1998, UCS contributed $1.082 billion to revenues, $693 million to expenses, and $500 million to credit costs, resulting in a net loss of approximately $72 million. These amounts included $320 million (pretax) of UCS acquisition premium costs (including funding costs associated with the acquisition purchase premium).

Cards—U.S. bankcards (including Travelers Bank), Diners Club, and private label cards—reported business income of $737 million, up $214 million or 41% from 1997 reflecting significant improvements in the U.S. bankcards business. Net income of $698 million in 1998 and $487 million in 1997, included restructuring charges of $58 million ($39 million after-tax) and $59 million ($36 million after-tax), respectively. Business income of $523 million in 1997 was down from $713 million in 1996, reflecting higher credit costs in U.S. bankcards.

Adjusted revenues of $7.108 billion increased $1.678 billion or 31% from 1997, reflecting the acquisition of UCS, and in other U.S. bankcards portfolios increased delinquency charges due to pricing actions and higher interchange fee revenue. Revenues in 1997 increased $190 million or 4% principally in U.S. bankcards reflecting business volume growth and increased delinquency charges, partially offset by lower spreads.

As shown in the following table, on a managed basis, the U.S. bankcard portfolio experienced strong growth in the year reflecting the acquisition of UCS and the impact of enhanced target marketing efforts in 1998 and 1997.

		Increase from 1997	
In Billions of Dollars	**1998**	%	% Ex UCS
Accounts *(in millions)*	**41**	58	4
Cards in force *(in millions)*	**69**	68	10
Charge volumes	**$140.6**	32	11
End-of-period receivables	**69.6**	40	6

Adjusted operating expenses of $2.692 billion were up $860 million or 47%, reflecting the acquisition of UCS and increased target marketing efforts in U.S. bankcards. Expenses in 1997 increased $95 million or 5% from 1996, principally in U.S. bankcards, reflecting costs associated with risk management initiatives and increased marketing efforts.

Adjusted credit costs in 1998 were $3.253 billion, up from $2.808 billion in 1997 and $2.407 billion in 1996. Managed net credit losses in U.S. bankcards were $3.123 billion, or 5.33% of average managed loans (excluding UCS $2.623 billion or 5.53% of average managed loans) compared to $2.662 billion or 5.74% in 1997 and $2.169 billion or 4.95% in 1996. The decline in the net credit loss ratio in 1998 reflects moderating industry-wide bankruptcy trends and the effect of previously implemented credit risk management initiatives.

Adjusted credit costs include a provision in excess of net credit losses to increase the allowance for credit losses by $62 million, $85 million, and $183 million in 1998, 1997, and 1996, respectively. The decline in the additional provision reflects credit improvements in the U.S. bankcards portfolio.

Consumer Finance Services includes the consumer lending operations (including secured and unsecured personal loans, real estate-secured loans and consumer goods financing) of Commercial Credit Company. Also included are related credit insurance services provided through subsidiaries. The credit card operations of Commercial Credit Company are included in Cards, and accordingly, all data has been restated to reflect this.

Business income was $264 million in 1998 compared to $213 million in 1997 and $199 million in 1996. The 24% increase in 1998 reflects continued internal receivables growth in all major products, an improved charge-off rate, and the integration of Security Pacific Financial Services (Security Pacific) into the Commercial Credit branch system since July 1997. The 7% increase in 1997 reflects strong receivables growth in all major products, largely as a result of investments made over the prior year in marketing, training and systems enhancements. Net receivables at December 31, 1998 reached a record $11.9 billion compared to $9.8 billion at year-end 1997 and $7.1 billion at year-end 1996. Much of the growth in 1998 in real estate-secured loans resulted from the continued strong performance of the $.M.A.R.T. loan® program, as well as solid sales in the branch network. The receivables increase in 1997 reflects strong internal growth as well as the July 31, 1997 acquisition of Security Pacific, which contributed approximately $1.2 billion in receivables growth. Internal sources grew receivables 21% over year-end 1996 levels. The internal growth during 1998 and 1997 was led by the Primerica generated portfolio, which grew 31% to $2.95 billion in 1998 and 49% to $2.26 billion in 1997.

While total interest margin increased in 1998 from the 1997 and 1996 periods due to the increase in the portfolio, average net interest margin declined 10 basis points in 1998 to 8.46% and declined 46 basis points in 1997 to 8.56%, reflecting a decline in the average yield to 14.88% in 1998 and 15.24% in 1997. These declines were partially offset by a decrease in cost of funds over the period. The decline in the average yield has resulted from a shift in the portfolio mix towards lower yielding, higher quality real estate loans, particularly first mortgage loans. Consumer Finance borrows from the corporate treasury operations of Commercial Credit Company (CCC), a holding company subsidiary of Citigroup that raises funds externally. For fixed rate loan products, Consumer Finance is charged agreed-upon rates that generally have been set within a narrow range. For variable rate loan products, Consumer Finance is charged rates based on prevailing short-term rates. CCC's actual cost of funds may be higher or lower than rates charged to Consumer Finance, with the difference reflected in the Corporate/Other segment. Overall rates charged to Consumer Finance approximated 6.42% in 1998, 6.68% in 1997 and 6.84% in 1996.

The net credit loss ratio of 2.74% in 1998 was down from 2.82% in 1997 and 3.14% in 1996. As a result of the Security Pacific acquisition, net credit losses in the second half of 1997 reflect a short-term benefit largely from the transition of that portfolio to Commercial Credit's charge-off policies. Credit costs included a provision in excess of net credit losses of $59 million, $21 million, and $38 million for 1998, 1997, and 1996, reflecting growth in the portfolio.

As of December 31, 1998, CCC had 980 branches, making it one of the largest domestic branch networks in the consumer finance industry.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1999

S 2

SENATE BILL 254*
Commerce Committee Substitute Adopted 4/7/99

Short Title: Outdoor Advertising Control Act/AB. (Public)

Sponsors:

Referred to:

March 8, 1999

A BILL TO BE ENTITLED

AN ACT TO INCREASE VARIOUS OUTDOOR ADVERTISING PERMIT FEES, CHANGE THE ADMINISTRATIVE REVIEW AND JUDICIAL REVIEW OF OUTDOOR ADVERTISING DECISIONS, EXPAND CURRENT NOTIFICATION REQUIREMENTS, AND MODIFY AND UPDATE THE OUTDOOR ADVERTISING CONTROL ACT WITH RESPECT TO VENUE REQUIREMENTS, DEFINITIONS, AND PARTIES RESPONSIBLE FOR PAYMENT OF REMOVAL OF ILLEGAL OUTDOOR ADVERTISING.

The General Assembly of North Carolina enacts:

Section 1. G.S. 136-133 reads as rewritten:

"**§ 136-133. Permits required.**

No person shall erect or maintain any outdoor advertising within 660 feet of the nearest edge of the right-of-way of the interstate or primary highway system, except those allowed under G.S. 136-129, subdivisions (2) and (3) in this Article, or beyond 660 feet of the nearest edge of the right-of-way of the interstate or primary highway system, except those allowed under G.S. 136-129.1, subdivisions (2) and (3), without first obtaining a permit from the Department of Transportation or its agents pursuant to the procedures set out by rules and regulations promulgated by the Department of Transportation. The permit shall be valid until revoked for nonconformance with this Article or rules and regulations promulgated by the Department of Transportation thereunder. Any person aggrieved by the decision of the Department of Transportation or its agents in refusing to grant or in revoking a permit may appeal the decision in accordance with the rules and regulations enacted by the Department

of Transportation pursuant to this Article to the Secretary of Transportation who shall make the final decision on the agency appeal. The Department of Transportation shall have the authority to charge permit fees to defray the costs of administering the permit procedures under this Article. The fees for directional signs as set forth in G.S. 136-129(1) and G.S. 136-129.1(1) shall not exceed a ~~twenty dollar ($20.00)~~ forty dollar ($40.00) initial fee and a ~~fifteen dollar ($15.00)~~ thirty dollar ($30.00) annual renewal fee. The fees for outdoor advertising structures, as set forth in G.S. 136-129(4) and (5) shall not exceed a ~~sixty dollar ($60.00)~~ one hundred twenty dollar ($120.00) initial fee and a ~~thirty dollar ($30.00)~~ sixty dollar ($60.00) annual renewal fee."

Section 2. G.S. 136-134 reads as rewritten:

"**§ 136-134. Illegal advertising.**

Any outdoor advertising erected or maintained adjacent to the right-of-way of the interstate or primary highway system after the effective date of this Article as determined by G.S. 136-140, in violation of the provisions of this Article or rules ~~and regulations promulgated~~ adopted by the Department of Transportation, or any outdoor advertising maintained without a permit regardless of the date of erection shall be illegal and shall constitute a nuisance. The Department of Transportation or its agents shall give 30 days' notice to the owner of the illegal outdoor advertising with the exception of the owner of unlawful portable outdoor advertising for which the Department of Transportation shall give five days' notice, if such owner is known or can by reasonable diligence be ascertained, to remove the outdoor advertising or to make it conform to the provisions of this Article or rules ~~and regulations promulgated~~ adopted by the Department of Transportation hereunder. The Department of Transportation or its agents shall have the right to remove the illegal outdoor advertising at the expense of the ~~said~~ owner if the ~~said~~ owner fails to ~~act~~ remove the outdoor advertising or to make it conform to the provisions of this Article or rules issued by the Department of Transportation within 30 days after receipt of such notice or five days for owners of portable outdoor advertising. The Department of Transportation or its agents may enter upon private property for the purpose of removing the outdoor advertising prohibited by this Article or rules ~~and regulations promulgated~~ adopted by the Department of Transportation hereunder without civil or criminal liability. The costs of removing the outdoor advertising, whether by the Department of Transportation or its agents, shall be assessed against the owner of the illegal outdoor advertising by the Department of Transportation. Any person aggrieved by the decision declaring the outdoor advertising structure illegal shall be granted the right to appeal the decision in accordance with the terms of the rules and regulations enacted by the Department of Transportation pursuant to this Article to the Secretary of Transportation who shall make the final decision on the agency appeal."

Section 3. G.S. 150B-1(e) reads as rewritten:

"(e) Exemptions From Contested Case Provisions. -- The contested case provisions of this Chapter apply to all agencies and all proceedings not expressly

exempted from the Chapter. The contested case provisions of this Chapter do not apply to the following:

(1) The Department of Health and Human Services and the Department of Environment and Natural Resources in complying with the procedural safeguards mandated by Section 680 of Part H of Public Law 99-457 as amended (Education of the Handicapped Act Amendments of 1986).

(2) Repealed by Session Laws 1993, c. 501, s. 29.

(3) The North Carolina Low-Level Radioactive Waste Management Authority in administering the provisions of G.S. 104G-9, 104G-10, and 104G-11.

(4) The North Carolina Hazardous Waste Management Commission in administering the provisions of G.S. 130B-11, 130B-13, and 130B-14.

(5) Hearings required pursuant to the Rehabilitation Act of 1973, (Public Law 93-122), as amended and federal regulations promulgated thereunder. G.S. 150B-51(a) is considered a contested case hearing provision that does not apply to these hearings.

(6) The Department of Revenue.

(7) The Department of Correction.

(8) The Department of Transportation, except as provided in ~~G.S. 136-29.~~ G.S. 136-29, 136-133.1, and 136-134.1.

(9) The Occupational Safety and Health Review Board.

(10) The North Carolina Global TransPark Authority with respect to the acquisition, construction, operation, or use, including fees or charges, of any portion of a cargo airport complex.

(11) Hearings that are provided by the Department of Health and Human Services regarding the eligibility and provision of services for eligible assaultive and violent children, as defined in G.S. 122C-3(13a), shall be conducted pursuant to the provisions outlined in G.S. 122C, Article 4, Part 7."

Section 4. Chapter 136 of the General Statutes is amended by adding a new section to read:

"**§ 136-133.1. Administrative review of outdoor advertising decisions.**

(a) An applicant for an outdoor advertising permit, an outdoor advertising permit holder, or an outdoor advertising owner, who is dissatisfied with the initial decision of the Department of Transportation, may file a petition for a contested case hearing under Article 3 of Chapter 150B of the General Statutes within 30 days after the decision is made by the Department of Transportation.

(b) If outdoor advertising is under construction and the Department determines that a permit has not been issued for the outdoor advertising, the Department of Transportation may require that all work on the outdoor advertising cease until the owner of the outdoor advertising shows that the outdoor advertising does not violate G.S. 136-133. The stop work order shall be prominently posted on the outdoor

advertising structure, and no further notice of the stop work order is required. The failure of an owner of outdoor advertising to comply immediately with the stop work order shall subject the outdoor advertising to removal by the Department of Transportation or its agents. Outdoor advertising is under construction when it is in any phase of construction prior to the attachment and display of the advertising message in final position for viewing by the traveling public. The cost of removing outdoor advertising by the Department of Transportation or its agents pursuant to this section shall be assessed against the owner of the unpermitted outdoor advertising by the Department of Transportation. No stop work order may be issued when the Department of Transportation process agent has been served with a court order allowing the sign to be constructed. The party subject to a stop work order may file a petition for a contested case hearing under Article 3 of Chapter 150B of the General Statutes within 30 days after the stop work order is issued.

(c) As used in this section, the term 'initial decision' shall be defined by the Department in the rules issued pursuant to this Article."

Section 5. Chapter 136 of the General Statutes is amended by adding a new section to read:

"**§ 136-134.2. Notification requirements.**

When the Department of Transportation notifies a permit applicant, permit holder, or the owner of an outdoor advertising structure that the application is denied, the permit revoked, or the structure is in violation of this Article or rules issued pursuant to this Article, it shall do so in writing by certified mail, return receipt requested, and shall include a copy of this Article and all rules issued pursuant to this Article.

If the Department of Transportation fails to include a copy of this Article and the rules, the time period during which the permit applicant, permit holder, or owner of the outdoor advertising structure has to request a review hearing shall be tolled until the Department of Transportation provides the required materials."

Section 6. G.S. 136-134.1 reads as rewritten:

"**§ 136-134.1. Judicial review.**

~~Any person who is aggrieved by a final decision of the Secretary of Transportation after exhausting all administrative remedies made available to him by rules and regulations enacted pursuant to this Article is entitled to judicial review of such decision under this Article. In order to obtain judicial review of the Secretary of Transportation's decision under this Article, the person seeking review must file a petition in the Superior Court of Wake County within 30 days after written copy of the decision of the Secretary of Transportation is served upon the person seeking review. Failure to file such a petition within the time stated shall operate as a waiver of the right of such person to review under this Chapter.~~

~~The petition shall state explicitly what exceptions are taken to the decision of the Secretary of Transportation and what relief petitioner seeks. Within 10 days after the petition is filed with the court, the person seeking the review shall serve copies of the petition by registered mail, return receipt requested, upon the Department of Transportation. Within 30 days after receipt of the copy of the petition for review, or~~

~~within such additional time as the court may allow, the Department of Transportation shall transmit to the reviewing court a certified copy of the written decision.~~

~~At any time before or during the review proceeding, the aggrieved party may apply to the reviewing court for an order staying the operation of the decision of the Secretary of Transportation pending the outcome of the review. The court may grant or deny the stay in its discretion upon such terms as it deems proper. The review of the decision of the Secretary of Transportation under this Article shall be conducted by the court without a jury and shall hear the matter de novo pursuant to the rules of evidence as applied in the General Court of Justice. The court, after hearing the matter may affirm, reverse or modify the decision if the decision is:~~

~~(1) In violation of constitutional provisions; or~~

~~(2) Not made in accordance with this Article or rules or regulations promulgated by the Department of Transportation; or~~

~~(3) Affected by other error of law.~~

~~The party aggrieved shall have the burden of showing that the decision was violative of one of the above.~~

~~A party to the review proceedings, including the agency, may appeal to the appellate division from the final judgment of the Superior Court under the rules of procedure applicable in civil cases. The appealing party may apply to the Superior Court for a stay for its final determination or a stay of the administrative decision, whichever shall be appropriate, pending the outcome of the appeal to the appellate division.~~

Article 4 of Chapter 150B of the General Statutes shall govern judicial review of final agency decisions regarding outdoor advertising permits."

Section 7. G.S. 136-135 reads as rewritten:

"**§ 136-135. Enforcement provisions.**

Any person, firm, corporation or association, placing, erecting or maintaining outdoor advertising along the interstate system or primary system in violation of this Article or rules ~~and regulations promulgated~~ adopted by the Department of Transportation shall be guilty of a Class 1 misdemeanor. In addition thereto, the Department of Transportation may seek injunctive relief in the Superior Court of Wake County or of the county where the outdoor advertising is located and require the outdoor advertising to conform to the provisions of this Article or rules ~~and regulations promulgated~~ adopted pursuant hereto, or require the removal of the said illegal outdoor advertising."

Section 8. Chapter 136 of the General Statutes is amended by adding a new section to read:

"**§ 136-18.7. Fees.**

The fee for a selective vegetation removal permit issued pursuant to G.S. 136-18(5), (7), and (9) is two hundred dollars ($200.00)."

Section 9. G.S. 136-127 reads as rewritten:

"**§ 136-127. Declaration of policy.**

The General Assembly hereby finds and declares that outdoor advertising is a legitimate commercial use of private property adjacent to roads and highways but that

the erection and maintenance of outdoor advertising signs and devices in areas in the vicinity of the right-of-way of the interstate and primary ~~highways~~ highway systems within the State should be controlled and regulated in order to promote the safety, health, welfare and convenience and enjoyment of travel on and protection of the public investment in highways within the State, to prevent unreasonable distraction of operators of motor vehicles and to prevent interference with the effectiveness of traffic regulations and to promote safety on the highways, to attract tourists and promote the prosperity, economic well-being and general welfare of the State, and to preserve and enhance the natural scenic beauty of the highways and areas in the vicinity of the State highways and to promote the reasonable, orderly and effective display of such signs, displays and devices. It is the intention of the General Assembly to provide and declare herein a public policy and statutory basis for the regulation and control of outdoor advertising."

Section 10. G.S. 136-128 reads as rewritten:

"**§ 136-128. Definitions.**

As used in this Article:

(1) "Erect" means to construct, build, raise, assemble, place, affix, attach, create, paint, draw, or in any other way bring into being or establish.

(1a) "Illegal sign" means one which was erected and/or maintained in violation of State law.

(1b) "Information center" means an area or site established and maintained at safety rest areas for the purpose of informing the public of places of interest within the State and providing such other information as the Department of Transportation may consider desirable.

(2) "Interstate system" means that portion of the National System of Interstate and Defense Highways located within the State, as officially designated, or as may hereafter be so designated, by the Department of Transportation, or other appropriate authorities and are also so designated by interstate numbers. As to highways under construction so designated as interstate highways pursuant to the above procedures, the highway shall be a part of the interstate system for the purposes of this Article on the date the location of the highway has been approved finally by the appropriate federal authorities.

(2a) "Nonconforming sign" shall mean a sign which was lawfully erected but which does not comply with the provisions of State law or State rules and regulations passed at a later date or which later fails to comply with State law or State rules or regulations due to changed conditions. Illegally erected or maintained signs are not nonconforming signs.

(3) "Outdoor advertising" means any outdoor sign, display, light, device, figure, painting, drawing, message, plaque, poster,

billboard, or any other thing which is designed, intended or used to advertise or inform, any part of the advertising or information contents of which is visible from any place on the main-traveled way of the interstate or primary system, whether the same be permanent or portable installation.

(4) "Primary systems" ~~means that portion of connected main highways, as now officially designated, or as may hereafter be so designated by the Department of Transportation as primary system, or other appropriate authorities and are also so designated by N.C. or U.S. numbers.~~ means the federal-aid primary system in existence on June 1, 1991, and any highway which is not on that system but which is on the National Highway System. As to highways under construction so designated as primary highways pursuant to the above procedures, the highway shall be a part of the primary system for purposes of this Article on the date the location of the highway has been approved finally by the appropriate federal or State authorities.

(5) "Safety rest area" means an area or site established and maintained within or adjacent to the highway right-of-way by or under public supervision or control, for the convenience of the traveling public.

(6) "State law" means a State constitutional provision or statute, or an ordinance, rule or regulation enacted or adopted by a State agency or political subdivision of a State pursuant to a State Constitution or statute.

(7) "Unzoned area" shall mean an area where there is no zoning in effect.

(8) "Urban area" shall mean an area within the boundaries or limits of any incorporated municipality having a population of five thousand or more as determined by the latest available federal census.

(9) "Visible" means capable of being seen (whether or not legible) without visual aid by a person of normal visual acuity."

Section 11. G.S. 136-129 reads as rewritten:

"**§ 136-129. Limitations of outdoor advertising devices.**

No outdoor advertising shall be erected or maintained within 660 feet of the nearest edge of the right-of-way of the interstate or primary ~~highways~~ highway systems in this State so as to be visible from the main-traveled way thereof after the effective date of this Article as determined by G.S. 136-140, except the following:

(1) Directional and other official signs and notices, which signs and notices shall include those authorized and permitted by Chapter 136 of the General Statutes, which include but are not limited to official signs and notices pertaining to natural wonders, scenic and historic attractions and signs erected and maintained by a public utility, electric or telephone membership corporation, or municipality for the purpose of giving warning of or information as

to the location of an underground cable, pipeline or other installation.

(2) Outdoor advertising which advertises the sale or lease of property upon which it is located.

(2a) Outdoor advertising which advertises the sale of any fruit or vegetable crop by the grower at a roadside stand or by having the purchaser pick the crop on the property on which the crop is grown provided: (i) the sign is no more than two feet long on any side; (ii) the sign is located on property owned or leased by the grower where the crop is grown; (iii) the grower is also the seller; and (iv) the sign is kept in place by the grower for no more than 30 days.

(3) Outdoor advertising which advertises activities conducted on the property upon which it is located.

(4) Outdoor advertising, in conformity with the rules and regulations promulgated by the Department of Transportation, located in areas which are zoned industrial or commercial under authority of State law.

(5) Outdoor advertising, in conformity with the rules and regulations promulgated by the Department of Transportation, located in unzoned commercial or industrial areas."

Section 12. G.S. 136-129.1 reads as rewritten:

"**§ 136-129.1. Limitations of outdoor advertising devices beyond 660 feet.**

No outdoor advertising shall be erected or maintained beyond 660 feet of the nearest edge of the right-of-way of the interstate or primary ~~highways~~ highway systems in this State outside of the urban areas so as to be visible and intended to be read from the main-traveled way except the following:

(1) Directional and other official signs and notices, which signs and notices shall include those authorized and permitted by Chapter 136 of the General Statutes, which include but are not limited to official signs and notices pertaining to natural wonders, scenic and historic attractions and signs erected and maintained by a public utility, electric or telephone membership corporation, or municipality for the purpose of giving warning of or information as to the location of an underground cable, pipeline or other installation.

(2) Outdoor advertising which advertises the sale or lease of property upon which it is located.

(3) Outdoor advertising which advertises activities conducted on the property upon which it is located."

Section 13. G.S. 136-136 reads as rewritten:

"**§ 136-136. Zoning changes.**

All zoning authorities shall give written notice to the Department of Transportation of the establishment or revision of any commercial and industrial

zones within 660 feet of the right-of-way of interstate or primary ~~highways.~~ highway systems. Notice shall be by registered mail sent to the offices of the Department of Transportation in Raleigh, North Carolina, within 15 days after the effective date of the zoning change or establishment."

Section 14. Sections 1 and 8 become effective July 1, 1999. The remaining sections become effective when this act becomes law.

SENATE BILL 254:
Outdoor Advertising Control Act/AB

BILL ANALYSIS

Committee: Senate Finance Committee
Date: May 4, 1999
Version: 2nd Edition

Introduced by: Senator Gulley
Summary by: Martha Walston and Esther Manheimer, Staff Attorneys

SUMMARY: ***Senate Bill 254 increases various outdoor advertising permit fees and authorizes the Department of Transportation (DOT) to charge $200 for issuance of a selective vegetation removal permit. The bill places outdoor advertising appeals under the Administrative Procedures Act (APA) and creates a stop work order that DOT may use to stop the construction of, and in some cases remove, illegal advertising. The current version of the bill was given a favorable report by Senate Commerce.***

BLL ANALYSIS:

Section 1. Increases the maximum amounts DOT may charge for outdoor advertising permits as follows:

Type of Fee	Current fee	Proposed Fee
Directional sign	$20 initial fee	$40 initial fee
	$15 annual renewal fee	$30 annual renewal fee
Advertising structures	$60 initial fee	$120 initial fee
	$30 annual renewal fee	$60 annual renewal fee

Section 2 clarifies that DOT regulates outdoor advertising "adjacent to the right-of-way of the interstate or primary highway system". This section also clarifies that illegal outdoor advertising must be removed or made to conform to DOT rules by the owner within 30 days of the notice of illegality. The owner must pay cost of removal if DOT performs the removal.

Section 3 amends the APA Chapter to apply contested case provisions of the APA to the administrative review of outdoor advertising decisions and stop work orders. The section also applies the APA's judicial review procedures to parties of an outdoor advertising contested case.

Section 4 sets out the following administrative review procedure for outdoor advertising decisions:

- Contested Case Hearings – (1) an applicant for an outdoor advertising permit, (2) an outdoor advertising permit holder, or (3) an outdoor advertising owner, who is dissatisfied with the "initial decision" of DOT, may file a petition for a contested case hearing under the APA within 30 days after the decision is made by DOT. "Initial decision" is to be defined in DOT's rules
- Stop Work Orders – stop work orders may be issued when DOT determines that outdoor advertising is "under construction" without a permit. When the order is issued by DOT all work on the outdoor advertising must cease until the owner shows that a permit has been issued for the construction of the advertising. If construction of the advertising does not cease, DOT may remove the structure at the owner's expense. No stop work orders may be issued when DOT has been served with a court order

allowing the sign to be constructed. Parties subject to the stop work order may file a petition for contested case hearing under the APA within 30 days after the stop work order is issued.

Current law allows an aggrieved party to seek judicial review in Wake Superior Court 30 days after a final decision of DOT.

Section 5 requires DOT to give certified mail notice of adverse decisions regarding outdoor advertising.

Section 6 deletes the current judicial review procedure and adds the APA's judicial review procedure. Under the APA, when all administrative remedies are exhausted, the person seeking judicial review may petition the superior court. The current law requires that the petition be filed in Wake Superior Court.

Section 7 allows DOT to seek an injunction against a violator of the Outdoor Advertising Control Act in Wake Superior Court or in the county where the outdoor advertising is located. Current law only allows DOT to seek an injunction in Wake Superior Court.

Section 8 allows DOT to charge $200 fee for a selective vegetation removal permit. Under current law no fee is required for this permit.

Sections 9, 11, 12, and 13 delete the word "highways" and add the phrase "highway systems" in section of Chapter 136. This amendment conforms North Carolina law to federal law.

Section 10 deletes part of the current definition of "primary systems" and adds language to the definition that conforms to federal statutory language.

Effective Date. Sections 1 and 8 become effective July 1, 1999. The remaining sections become effective when the act becomes law.

BILL SUMMARY:

Senate committee substitute makes the following changes to 1st edition. Retains fee provisions in GS 136-133 and raises maximum fee for directional signs from $20 to $40 for initial fee and from $15 to $30 for annual renewal fee. Fees for outdoor advertising structures may not exceed $120 (was, $60) for initial fee and $60 (was, $30) for renewal fee. Allows applicant for outdoor advertising permit who is dissatisfied with initial decision (was, final decision) to petition for administrative review under Art. 3, GS Ch. 150B within 30 days (was, 20 days) after decision is made by Dep't of Transportation. Deletes provision setting venue in Wake County. Adds to provision regarding stop work orders issued by Dep't of Transportation (new GS 136-133.1) that stop work order may not be issued when DOT process agent has been served with a court order

allowing the sign to be constructed. Sets fee for selective vegetation removal permit issued under GS 136-18(5), (7), and (9) at $200. Makes fee changes effective July 1, 1999.

ASSUMPTIONS AND METHODOLOGY:

Regulatory Permit Fees

Current law allows the Department of Transportation to charge permit fees to defray the costs of regulating outdoor advertising. However, because current law limits the amount of these fees, DOT is not fully recovering these costs. According to an audit report published by the DOT internal audit section, the Department spent about $490,000 issuing permits for outdoor advertising in fiscal year 1997-98, but only recovered $270,000 in fees from the program, a net cost of $220,000. Currently, these costs are being absorbed by the Highway Fund maintenance budgets. By allowing the Department to increase fees to the amounts specified, the bill would recover these costs, increasing Highway Fund fee income by roughly $220,000 per year.

Vegetation Removal Permit Fees

The bill would also allow the Board of Transportation to establish fees to defray the costs of administering permit procedures for removing vegetation around outdoor advertising. The Department estimates it spent about $100,000 reviewing permit requests and inspecting vegetation removal at billboards in 1998. By allowing the Board to establish a $200 fee to defray these costs, the bill would generate $100,000 annually for the Highway Fund.

Litigation Costs

The Department believes that the changes to the litigation process proposed in the bill will result in fewer appeals from outdoor advertisers, and therefore lower litigation costs. However, the Department has no way of predicting exactly how these changes will affect litigation costs.

All fiscal estimates are in constant 1998-99 dollars.

March 18, 1999

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE DIVISION OF MOTOR VEHICLES TO ISSUE PERMANENT REGISTRATION PLATES TO TRAILERS OWNED BY CHARITABLE ORGANIZATIONS AND USED ONLY IN PARADES AND TO CONSOLIDATE AND MODERNIZE THE STATUTES PROVIDING FOR PERMANENT REGISTRATION PLATES.

The General Assembly of North Carolina enacts:

Section 1. The caption of Part 6 of Article 3 of Chapter 20 of the General Statutes reads as rewritten:

"Part 6. Vehicles of Nonresidents of ~~State, etc.~~ State; Permanent Plates; Highway Patrol."

Section 2. G.S. 20-85 is amended by adding a new subsection to read:

"(c) The Division shall not collect a fee for a certificate of title for a motor vehicle entitled to a permanent registration plate under G.S. 20-84."

Section 3. G.S. 20-84 reads as rewritten:

"**§ 20-84. ~~Vehicles owned by State, municipalities or orphanages, etc.; certain vehicles operated by the local chapters of American National Red Cross.~~ Permanent registration plates; State Highway Patrol.**

(a) General. -- The Division may issue a permanent registration plate for a motor vehicle owned by one of the persons authorized to have a permanent registration plate in this section. To obtain a permanent registration plate, a person must provide

proof of ownership, provide proof of financial responsibility as required by G.S. 20-309, and pay a fee of six dollars ($6.00). A permanent plate issued under this section may be transferred as provided in G.S. 20-78 to a replacement vehicle of the same classification. A permanent registration plate issued under this section must be a distinctive color and bear the word "permanent". In addition, a permanent registration plate issued under subdivision (b)(1) of this section must have distinctive color and design that is readily distinguishable from all other permanent registration plates issued under this section.

(b) Permanent Registration Plates. -- The Division may issue permanent plates for the following motor vehicles:

(1) ~~The Division upon proper proof being filed with it that any motor vehicle for which registration is herein required is owned by the~~ A motor vehicle owned by the State or ~~any department thereof, or by any~~ one of its agencies.

(2) A motor vehicle owned by a county, ~~township,~~ city or ~~town, or by any~~ town.

(3) A motor vehicle owned by a board of ~~education, or by any~~ education.

(4) A motor vehicle owned by an ~~orphanage or civil~~ orphanage.

(5) A motor vehicle owned by the civil air ~~patrol, or incorporated~~ patrol.

(6) A motor vehicle owned by an incorporated emergency rescue ~~squad, or incorporated~~ squad.

(7) A motor vehicle owned by an incorporated REACT ("Radio Emergency Association of Citizen Teams") ~~Team, or for any~~ Team.

(8) A motor vehicle owned by a person and ~~involved~~ used exclusively in the support of a disaster relief ~~effort,~~ effort.

(9) A bus owned by a church and used exclusively for transporting individuals to Sunday school and church services.

(10) A motor vehicle owned by a rural fire department, agency, or association.

(11) A motor vehicle in the form of a mobile X-ray unit operated exclusively in this State for the purpose of diagnosis, treatment, and discovery of tuberculosis, and owned by the North Carolina Tuberculosis Association, Incorporated, or by a local chapter or association of the North Carolina Tuberculosis Association, Incorporated.

(12) A motor vehicle owned by a local chapter of the American National Red Cross and used for emergency or disaster work.

(13) A motor vehicle owned by a sheltered workshop recognized or approved by the Division of Vocational Rehabilitation Services.

(14) A motor vehicle owned by a nonprofit agency or organization that provides transportation for or operates programs subject to and

approved in accordance with standards adopted by the Commission for Mental Health and Human Services.

(15) A bus or trackless trolley owned by a city and operated under a franchise authorizing the use of city streets. This subdivision does not apply to a bus or trackless trolley operated under a franchise authorizing an intercity operation.

(16) A trailer owned by a nationally chartered charitable organization and used exclusively for parade floats and for transporting vehicles and structures used only in parades.

~~shall collect six dollars ($6.00) for the registration of such motor vehicles, but shall not collect any fee for application for certificate of title in the name of the State or any department thereof, or by any county, township, city or town, or by any board of education or orphanage: Provided, that the term "owned" shall be construed to mean that such motor vehicle is the actual property of the State or some department thereof or of the county, township, city or town, or of the board of education, and no motor vehicle which is the property of any officer or employee of any department named herein shall be construed as being "owned" by such department. Provided, that the above exemptions from registration fees shall also apply to any church-owned bus used exclusively for transporting children and parents to Sunday school and church services and for no other purpose.~~

~~In lieu of the annual six dollars ($6.00) registration provided for in this section, the Division may for the license year 1950 and thereafter provide for a permanent registration of the vehicles described in this section and issue permanent registration plates for such vehicles.~~

~~The permanent registration plates issued pursuant to this paragraph shall be of a distinctive color and shall bear thereon the word "permanent." Such plates may be transferred as provided in G.S. 20-78 to a replacement vehicle of the same classification. For the permanent registration and issuance of permanent registration plates provided for in this paragraph, the Division shall collect a fee of six dollars ($6.00) for each vehicle so registered and licensed.~~

~~The provisions of this section are hereby made applicable to vehicles owned by a rural fire department, agency or association.~~

~~The Division of Motor Vehicles shall issue to the North Carolina Tuberculosis Association, Incorporated, or any local chapter or association of said corporation, for a fee of six dollars ($6.00) for each plate a permanent registration plate which need not be thereafter renewed for each motor vehicle in the form of a mobile X-ray unit which is owned by said North Carolina Tuberculosis Association, Incorporated, or any local chapter or local association thereof and operated exclusively in this State for the purpose of diagnosis, treatment and discovery of tuberculosis. The initial six dollars ($6.00) fee required by this section and for this purpose shall be in full payment of the permanent registration plates issued for such vehicle operated as a mobile X-ray unit, and such plates need not thereafter be renewed, and such plates may be transferred as provided in G.S. 20-78 to replacement vehicles to be used for the purposes above described and for which the plates were originally issued.~~

~~The Division of Motor Vehicles shall issue to the American National Red Cross, upon application of any local chapter thereof and payment of a fee of six dollars ($6.00) for each plate, a permanent registration plate, which need not be thereafter renewed, for all disaster vans, bloodmobiles, handivans, and such sedans and station wagons as are used for emergency or disaster work, and operated by a local chapter in this State in the business of the American National Red Cross. Such plates may be transferred as provided in G.S. 20-78 to a replacement vehicle to be used for the purposes above described and for which the plates were originally issued. In the event of transfer of ownership to any other person, firm or corporation, or transfer or reassignment of any vehicle bearing such registration plate to any chapter or association of the American National Red Cross in any other state, territory or country, the registration plate assigned to such vehicle shall be surrendered to the Division of Motor Vehicles.~~

(c) State Highway Patrol. -- In lieu of all other registration requirements, the Commissioner shall each year assign to the State Highway Patrol, upon payment of six dollars ($6.00) per registration plate, a sufficient number of regular registration plates of the same letter prefix and in numerical sequence beginning with number 100 to meet the requirements of the State Highway Patrol for use on Division vehicles assigned to the State Highway Patrol. The commander of the Patrol shall, when such plates are assigned, issue to each member of the State Highway Patrol a registration plate for use upon the Division vehicle assigned to ~~him~~ the member pursuant to G.S. 20-190 and assign a registration plate to each Division service vehicle operated by the Patrol. An index of such assignments of registration plates shall be kept at each State Highway Patrol radio station and a copy ~~thereof~~ of it shall be furnished to the registration division of the Division. Information as to the individual assignments of ~~such~~ the registration plates shall be made available to the public upon request to the same extent and in the same manner as regular registration information. The commander, when necessary, may reassign registration plates provided that ~~such~~ the reassignment shall ~~be made to~~ appear upon the index required ~~herein~~ under this subsection within 20 days after ~~such~~ the reassignment.

~~The Division of Motor Vehicles shall, upon appropriate certification of financial responsibility, issue to sheltered workshops recognized or approved by the Division of Vocational Rehabilitation Services and to public and nonprofit agencies or organizations which provide transportation for or operate programs subject to and approved in accordance with standards adopted by the Commission for Mental Health, Developmental Disabilities, and Substance Abuse Services of the Department of Health and Human Services upon application and payment of a fee of six dollars ($6.00) for each plate, a permanent registration plate for vehicles registered to and operated by such agencies. The initial six dollars ($6.00) fee required by this section and for this purpose shall be in full payment of the permanent registration plate issued for such vehicle operated by a sheltered workshop and such plates need not thereafter be renewed, and such plates may be transferred as provided in G.S. 20-78 to a replacement vehicle to be used by the sheltered workshop designated on the registration card.~~

~~On and after January 1, 1972, permanent registration plates used on all vehicles owned by the State of North Carolina or a department thereof shall be of a distinctive color and design which shall be readily distinguishable from all other permanent registration plates issued pursuant to this section or G.S. 20-84.1. For the purpose of carrying out the intent of this paragraph, all vehicles owned by the State of North Carolina or a department thereof in operation as of October 1, 1971, and bearing a permanent registration shall be reregistered during the months of October, November and December, 1971, and upon reregistration, registration plates issued for such vehicles shall be of a distinctive color and design as provided for hereinabove.~~"

Section 4. G.S. 20-84.1 is repealed.

Section 5. This act becomes effective July 1, 1999.

HOUSE BILL 486:
Parade Trailers -- Permanent Plates

BILL ANALYSIS

Committee:	Senate Finance Committee	**Introduced by:**	Rep. Moore
Date	June 1, 1999	**Summary by:**	Cindy Avrette and Martha K. Walston, Staff Attorneys
Version:	4th Edition		

SUMMARY: ***House Bill 486 would authorize the Division of Motor Vehicles to issue a permanent registration plate for trailers owned by a nationally chartered charitable organization and used only for parade floats and for transporting vehicles and structures used only in parades. The cost of the plate would be six dollars ($6.00). The bill consolidates and modernizes provisions in the permanent plate statute. The bill would become effective July 1, 1999. House Bill 486 was given a favorable report in House Finance on March 31, and passed the House on April 5. The proposed amendment would add Retired Highway Patrol to the list of persons who qualify for a special registration plate.***

CURRENT LAW: The registration fee for a trailer is $10.00. The fee is payable on or before January 1 of each year. The Division may issue a multiyear plate and registration card for a trailer for a fee of $75.00. The multiyear plate may not be transferred to a replacement vehicle.

BILL ANALYSIS: House Bill 486 would authorize the Division of Motor Vehicles to issue a permanent registration plate to a nationally chartered charitable organization for a trailer the organization owns and uses only for parade floats and for transporting vehicles and structures used only in parades. The Shriners appear to be the major organization that would benefit from this legislation. The cost of the permanent registration plate would be $6.00. The permanent plates could be transferred to another trailer that is bought to replace the one for which the plate was originally issued, so long as the use of the trailer is restricted to parades.

The statute amended by the bill, G.S. 20-84, was originally written in 1937. It has been amended many times. Many of the paragraphs repeat the same general information, such as fee and transferability, for each entity entitled to a permanent plate. The bill rewrites the statute by listing the entities entitled to a permanent plate and by consolidating the general provisions into one subsection. It also changes the caption of Part 6 of Article 3 of Chapter 20 and of G.S. 20-84 to accurately reflect their contents.

Under G.S. 20-84, there is an ambiguous provision that appears to prohibit the Division from collecting the $35 certificate of registration fee for certain motor vehicles entitled to a permanent registration plate. The Division interprets the provision to mean that any entity entitled to a permanent registration plate does not have to pay the $35 certificate of registration fee. Section 2 of the bill puts this provision in the appropriate statute concerning fees. The provision has been rewritten to conform the language with the Division's interpretation and practice.

The proposed amendment would authorize DMV to issue "SHP, Retired" special license plates for additional $10 fee. These applicants would also pay the regular registration fee. DMV must receive at least 300 applications for the special plate before it can be issued.

The $10 additional fee goes to the Special Registration Plate Account. After deducting the costs of the plates from the Account, the money is distributed as follows:

Amount	Purpose
$525,000 distributed annually	Operating assistance for certain Visitor Centers
33% distributed quarterly	Department of Commerce for advertising the promotion of travel and industrial development in the State.
50% distributed quarterly	Department of Transportation for beautification of highways.
17% distributed quarterly	Department of Health and Human Services to promote travel and accessibility for disabled persons.

The proposed amendment is identical to Senate Bill 149, introduced by Senator Moore. Senate Bill 149 is in Senate Finance.

BILL SUMMARY: DMV will make permanent registration plates available to nationally chartered charitable organizations, at a fee of $6.00, for all trailers that are used only for parade floats and for transporting vehicles and structures used only in parades.

ASSUMPTIONS AND METHODOLOGY: The Shriners appear to be the major organization that would be affected by this legislation and the three main Temples in North Carolina have a total of approximately 38 trailers that would qualify. For these trailers the annual fee of $10 would become a one time fee of $6. The loss in revenue would be $4 per trailer in the first year and $10 per trailer in subsequent years.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Transportation, Division of Motor Vehicles, Vehicle Registration Section.

EFFECTIVE DATE: July 1, 1999.

AMENDMENT SUMMARY: The amendment authorizes a special plate for retired highway patrol officers. The bill requires 300 applications before the license is produced.

ASSUMPTIONS AND METHODOLOGY: Because it is not clear how many plates will be ordered, the fiscal analysis assumes the minimum 300 plates will be requested. The DMV will charges an additional $10.00 for each plate. Assuming 300 plates are ordered, the bill creates $3,000 in new revenue.

DMV indicates that the programming cost to set up a new special plate is approximately $11,120. Other start up costs are approximately $100.

A BILL TO BE ENTITLED

AN ACT RELATING TO THE ADOPTION OF PLANNING, ZONING, AND SUBDIVISION ORDINANCES IN CARTERET COUNTY.

The General Assembly of North Carolina enacts:

Section 1. The County of Carteret may adopt and enforce planning, zoning, and subdivision ordinances and regulations pursuant to Chapter 1033 of the 1959 Session Laws or, in accordance with G.S. 153A-3, pursuant to Article 18 of Chapter 153A of the General Statutes. County ordinances adopted under the local act shall remain in effect until the adoption of ordinances under the general law.

Section 2. After the County of Carteret adopts ordinances, in accordance with G.S. 153A-3, pursuant to Article 18 of Chapter 153A of the General Statutes, all current members of the Carteret County Planning Board shall continue to serve as members until their respective terms expire or they resign. After the current planning board members' terms expire, then the County may replace those members pursuant to the Planning/Zoning and Subdivision ordinances or regulations that have been adopted in accordance with G.S. 153A-3 pursuant to Article 18 of Chapter 153A of the General Statutes.

Sponsors: Representative Hunter.

Referred to: Local Government II.

April 1, 1999

A BILL TO BE ENTITLED

AN ACT ALLOWING GATES COUNTY TO IMPOSE FEES FOR FIRE PROTECTION SERVICES.

The General Assembly of North Carolina enacts:

Section 1. Article 11 of Chapter 153A of the General Statutes is amended by adding a new section to read:

"**§ 153A-236.1. County fire protection fees.**

(a) The board of county commissioners of a county may by ordinance impose a fee for the availability and use of fire protection services within the county. The fee imposed by the county shall not exceed the cost of providing the fire protection services.

(b) A county may adopt an ordinance providing that any fee imposed under subsection (a) of this section may be billed with property taxes, may be payable in the same manner as property taxes, and, in the case of nonpayment, may be collected in any manner by which delinquent personal or real property taxes can be collected. If an ordinance states that delinquent fees can be collected in the same manner as delinquent real property taxes, the fees are a lien on the real property described on the bill that includes the fee."

Section 2. This act applies to Gates County only.

Section 3. This act is effective when it becomes law.

HOUSE BILL 900:
Gates County Fire Protection

BILL ANALYSIS

Committee: Senate Finance
Date: June 1, 1999
Version: 1st Edition

Introduced by: Rep. Hunter
Summary by: Cindy Avrette and Martha K. Walston, Staff Attorneys

SUMMARY: ***House Bill 900 authorizes Gates County to impose a fee for the availability and use of fire protection services within the county. The bill would become effective when it becomes law. HB 900 was given a favorable report in House Committee on Local Government II and House Finance.***

CURRENT LAW: Fire protection in areas outside cities is provided through the establishment of fire protection districts. The statutes provide for the creation of three types of rural fire districts:

- **Insurance districts.** G.S. 153A-233 authorizes counties to designate fire districts and prescribe their boundaries for insurance-grading purposes. To pay for this protection, the county is authorized to appropriate funds "not otherwise limited as to use by law."
- **Tax-supported fire districts.** Article 3A of Chapter 69 of the General Statutes authorizes tax-supported fire districts. They are created by a petition and an election. To pay for this protection, a special tax is levied and collected on all taxable property in the district at a rate not exceeding 15¢ on the $100 valuation of property.
- **County service districts for fire protection.** Article 16 of Chapter 153A of the General Statutes authorizes the county commissioners to define service districts for fire protection after a public hearing. To pay for this protection, a county may levy an additional property tax within the district for the purpose of financing fire protection services. The county may also use revenues whose use is not otherwise restricted by law and it may issue general obligation bonds.

BILL ANALYSIS: House Bill 900 establishes a fourth mechanism for Gates County – **a fire protection fee.** Under the legislation, the Gates County Commissioners could, by ordinance, impose a fee for the availability and use of fire protection services within the county. The amount of the fees may not exceed the cost of providing the service. The fee may be included on the property owner's property tax bill.

The General Assembly has enacted similar legislation for Union County in 1992, Halifax County in 1993, and Richmond County in 1995. The House Finance passed a similar bill for Brunswick County last month (House Bill 651 which is now in Senate Finance). All of the bills mentioned above differ from House Bill 900 in the following respects:

- They allow the county to create districts. House Bill 900 will be implemented countywide. It does not allow for the creation of different fire districts within the county.

- They provide for a schedule of fees that vary depending upon the estimated cost of providing fire protection services to that class of property. House Bill 900 provides that the fee cannot exceed the cost of providing the fire protection services. Arguably, this language may give the county the authority to create a fee schedule.
- They establish a maximum fee amount.
- They restrict the use of the fee revenue to fire protection in that district.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Gates County Government

EFFECTIVE DATE: When it becomes law.

*** If enacted by County Comissioners at the rate expected by county manager (see Assumptions, below)**

BILL SUMMARY: The legislation authorizes the Gates County Commission to establish a fire protection fee. The fees, in total, can not exceed the cost of providing fire protection services for the county. This fee can be billed with property taxes and, in the case of nonpayment, can be collected in the same manner as delinquent personal or real property taxes. It also authorizes the commission to adopt an ordinance to place a lien on the property for delinquent fire fees.

ASSUMPTIONS AND METHODOLOGY: The Gates County Manager anticipates that the county will levy an annual fire fee of approximately $40.00 per household. They expect the fee to generate about $160,000 per year for fire protection services.

A BILL TO BE ENTITLED

AN ACT TO MODIFY THE CURRITUCK COUNTY ROOM OCCUPANCY AND TOURISM DEVELOPMENT TAX.

The General Assembly of North Carolina enacts:

Section 1. Section 1 of Chapter 209 of the 1987 Session Laws, as amended by Chapter 155 of the 1991 Session Laws, reads as rewritten:

"Section 1. Occupancy tax. (a) Authorization and scope. The Currituck County Board of Commissioners may ~~by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto,~~ levy a room occupancy tax of three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by a hotel, motel, inn, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3), or from the rental of a campsite within the county. This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations when furnished in furtherance of their nonprofit purpose.

(a1) Additional occupancy tax. In addition to the tax authorized by subsection (a) of this section, the Currituck County Board of Commissioners may levy a room occupancy tax of one percent (1%) of the gross receipts derived from the rental of accommodations taxable under subsection (a). The levy, collection, administration, and repeal of the tax authorized by this subsection shall be in accordance with the provisions of this act. Currituck County may not levy a tax under this subsection unless it also levies the tax under subsection (a).

(b) A tax levied under this act shall be levied, administered, collected, and repealed as provided in G.S. 153A-155. The penalties provided in G.S. 153A-155 apply to a tax levied under this section.

~~Collection. Every operator of a business subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The Currituck County Tax Collector shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax.~~

~~(c) Administration. The county shall administer a tax levied under this section. A tax levied under this section is due and payable to the county tax collector in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied. A return filed with the county tax collector under this section is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.~~

~~(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this section shall pay a penalty of ten dollars ($10.00) for each day's omission. In case of failure or refusal to file the return or pay the tax for a period of 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due in addition to any other penalty, with an additional tax of five percent (5%) for each additional month or fraction thereof until the tax is paid. Any person who willfully attempts in any manner to evade a tax imposed under this section or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both. The Board of Commissioners may, for good cause shown, compromise or forgive the tax penalties imposed by this subsection.~~

(e) Use of tax revenue. Currituck County shall use at least seventy-five percent (75%) of the net proceeds of the tax levied under subsection (a) of this section only for tourist related purposes, including construction and maintenance of public facilities and buildings, garbage, refuse, and solid waste collection and disposal, police protection, and emergency services. The remainder of the net proceeds of the tax levied under subsection (a) shall be deposited in the Currituck County General Fund and may be used for any lawful purpose. Currituck County may use the net proceeds of the tax levied under subsection (a1) of this section, to the extent that they are needed, for capital costs, operation, and maintenance of the Currituck Wildlife

Museum. Whatever is not needed for the capital costs, operation, and maintenance of the Currituck Wildlife Museum shall be used for tourist-related purposes. As used in this subsection, 'net proceeds' means gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer.

~~(f) Effective date of levy. A tax levied under this section shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.~~

~~(g) Repeal. A tax levied under this section may be repealed by a resolution adopted by the Currituck County Board of Commissioners. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.~~"

Section 2. County Administrative Provisions. Section 3(b) of S.L. 1997-102, as amended by Section 2 of S.L. 1997-255, Section 2 of S.L. 1997-342, Section 3 of S.L. 1997-364, Section 6 of S.L. 1997-410, and Section 2 of S.L. 1998-14, reads as rewritten:

"(b) This section applies only to Avery, Brunswick, Currituck, Davie, Madison, Nash, Person, Randolph, and Scotland Counties."

Section 3. This act is effective when it becomes law.

HOUSE BILL 665:
Modify Currituck Room Tax

BILL ANALYSIS

Committee: Senate Finance
Date: June 1, 1999
Version: 2nd Edition

Introduced by: Rep. Owens
Summary by: Martha K. Walston and Cindy Avrette, Staff Attorneys

SUMMARY: ***House Bill 665 conforms the administrative provisions of the current room occupancy tax session law for Currituck County to the uniform occupancy tax provisions. The original version of House Bill 665 was amended in House Finance. This amended version is now before Senate Finance.***

HOUSE BILL 665: The **original bill** modified the penalty provisions of the Currituck County occupancy tax law. The current penalty for failure to file a return is $10 for each day's omission. In case of failure to file the return or pay the tax for a period of 30 days after it is due, the penalty is 5% of the tax due. The original bill provided that the $10 per day penalty would not apply if the return was filed within 10 business days or if no tax was due with the return. It also reduced the penalty equal to 5% of the tax due to 2% of the tax due.

House Bill 665 2nd Edition provides that the uniform penalties will apply. The uniform occupancy tax penalties in G.S. 153A-155 are the same as the penalties for failure to pay or file a return for State sales and use taxes. The uniform penalty for failure to file a return is 5% of the amount of tax due, not to exceed 25% or $5, whichever is greater. The uniform penalty for failure to pay the tax due is 10% of the tax due or $5, whichever is greater.

House Bill 665 2nd Edition also conforms the current session law governing Currituck County occupancy taxes to the uniform occupancy tax provisions. Therefore, the levy, administration, collection, and repeal of the occupancy taxes must be done in accordance with G.S. 160A-215. These provisions are substantially the same as the ones in the current session law.

The General Assembly authorized Currituck County to levy a room occupancy tax in 1987. The County is authorized to levy a 3% occupancy tax and an additional 1% occupancy tax. Seventy-five percent (75%) of the tax proceeds from the 3% tax shall be used only for tourist related purposes, including construction and maintenance of public facilities and buildings, garbage, refuse, and solid waste collection and disposal, police protection, and emergency services. The remaining tax proceeds are to be deposited in the Currituck County General Fund and used for any lawful purpose. The additional 1% occupancy tax, to the extent needed, may be used for the Currituck Wildlife Museum. Whatever is not needed shall be used for tourist-related purposes.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. In several instances, the General Assembly has authorized both a county and a city within that county to impose an occupancy tax. ***Attached you will find a map and a chart indicating the counties and cites that currently have the authority to levy and collect an occupancy tax.***

The rate of tax, the use of the tax proceeds, the administration of the tax, and the body with the authority to determine how the tax proceeds will be spent vary considerably. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax legislation – G.S. 153A-155

and G.S. 160A-215. These provisions provide uniformity in the areas of levy, administration, collection, repeal, and penalties.

The North Carolina Travel and Tourism Coalition has a policy statement for legislation authorizing local occupancy taxes. These principles include:

- **Rate** – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
- **Use** – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related purposes.
- **Definitions** The term "net revenues", promote travel and tourism", and "tourism related expenditures" are defined terms.
- **Administration** – The net revenues must be administered by a local tourism promotion agency that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least ¾ of the members must be currently active in the promotion of travel and tourism in the taxing district and 1/3 of the members must be affiliated with organizations that collect the tax.
- **Costs of Collection** – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first $500,000 collected each year plus 1% of the remainder collected each year.

There is a 32-page chart detailing the occupancy taxes authorized in North Carolina. The chart can be accessed on the North Carolina General Assembly's web page under "Latest Staff Reports". There is also a chart detailing the amount of occupancy tax revenue collect by the various localities. This chart can be accessed on the North Carolina General Assembly's Intranet web page under "Information Center", "Fiscal Research Division".

Other States - State and local governments in every state impose an occupancy tax. The taxes are usually earmarked for tourist related activities. The taxes are usually levied in addition to the general rate of sales tax. The combined state and local occupancy taxes average more than 10%.

A BILL TO BE ENTITLED

AN ACT TO IMPROVE THE PROCEDURES FOR NOTIFYING OWNERS AND ADVERTISING TAX LIENS ON REAL PROPERTY.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-369 reads as rewritten:

"**§ 105-369. Advertisement of tax liens on real property for failure to pay taxes.**

(a) Report of unpaid Taxes that are Liens on Real Property. -- ~~On the first Monday in February in each year, each county tax collector and on the second Monday in February in each year, each municipal tax collector shall~~ In February of each year, the tax collector must report to the governing body the total amount of unpaid taxes for the current fiscal year that are liens on real ~~property, and the governing body shall thereupon~~ property. A county tax collector's report is due the first Monday in February, and a municipal tax collector's report is due the second Monday in February. Upon receipt of the report, the governing body may order the tax collector to advertise ~~such~~ the tax liens. For purposes of this section, district taxes collected by county tax collectors shall be regarded as county taxes and district taxes collected by municipal tax collectors shall be regarded as municipal taxes.

(b) Repealed by Session Laws 1983 (Regular Session, 1984), c. 1013.

(b1) Notice to Owner. -- If the governing body orders the tax collector to advertise the tax liens, the tax collector must send a notice to the listing owner and to the record owner of each affected parcel of property, as determined as of December 31 of the fiscal year for which the taxes are due. The notice must be sent to each owner's last known address by first-class mail at least 30 days before the date the

advertisement is to be published. The notice must state the principal amount of unpaid taxes that are a lien on the parcel to be advertised and inform the owner that the names of the listing owner and the record owner will appear in a newspaper advertisement of delinquent taxes if the taxes are not paid before the publication date.

(c) Time and Contents of Advertisement. -- If the governing body orders the tax collector to advertise the tax liens, this subsection governs the advertisement. A tax collector's failure to comply with this subsection does not affect the validity of the taxes or tax liens. The county tax collector shall advertise county tax liens by posting a notice of the liens at the county courthouse and by publishing each lien at least one time in one or more newspapers having general circulation in the taxing unit. The municipal tax collector shall advertise municipal tax liens by posting a notice of the liens at the city or town hall and by publishing each lien at least one time in one or more newspapers having general circulation in the taxing unit. Advertisements of tax liens shall be made during the period March 1 through June 30. The costs of newspaper advertising shall be paid by the taxing unit. ~~(~~If If the taxes of two or more taxing units are collected by the same tax collector, the tax liens of each unit shall be advertised separately unless, under the provisions of a special act or contractual agreement between the taxing units, joint advertisement is ~~permitted.)~~ permitted.

The posted notice and newspaper advertisement shall set forth the following information:

(1) ~~The~~ In the case of property that the listing owner has not transferred after January 1 preceding the fiscal year for which the tax liens are advertised, the name of each person to whom is listed real property on which the taxing unit has a lien for unpaid ~~taxes,~~ taxes, in alphabetical order.

(1a) In the case of property that the listing owner has transferred after January 1 preceding the fiscal year for which the tax liens are advertised, the name of the record owner as of December 31 of each parcel on which the taxing unit has a lien for unpaid taxes, in alphabetical order, followed by a notation that the property was transferred to the record owner and a notation of the name of the listing owner.

(1b) ~~together with a~~ After the information required by subdivision (1) or (1a) of this subsection for each parcel, a brief description of each parcel of land to which ~~such~~ a lien has attached and a statement of the principal amount of the taxes constituting a lien against the parcel.

(2) A statement that the amounts advertised will be increased by interest and costs and that the omission of interest and costs from the amounts advertised will not constitute waiver of the taxing unit's claim for those items.

(3) In the event the list of tax liens has been divided for purposes of advertisement in more than one newspaper, a statement of the

names of all newspapers in which advertisements will appear and the dates on which they will be published.

(4) A statement that the taxing unit may foreclose the tax liens and sell the real property subject to the liens in satisfaction of its claim for taxes.

~~Failure to comply with this subsection does not affect the validity of the taxes or tax liens.~~

(d) Costs. -- Each parcel of real property advertised pursuant to this section shall be assessed an advertising fee to cover the actual cost of the advertisement. Actual advertising costs per parcel shall be determined by the tax collector on any reasonable basis. Advertising costs assessed pursuant to this ~~subdivision (d) shall be deemed to be~~ subsection are taxes.

(e) Payments during Advertising Period. -- At any time during the advertisement period, any parcel may be withdrawn from the list by payment of the taxes plus interest that has accrued to the time of payment and a proportionate part of the advertising fee to be determined by the tax collector. Thereafter, the tax collector shall delete that parcel from any subsequent advertisement, but ~~if he fails to do so he shall not be liable for his~~ the tax collector is not liable for failure to make the deletion.

(f) Listing and Advertising in Wrong Name. -- No tax lien ~~shall be~~ is void because the real property to which the lien attached was listed or advertised in the name of a person other than the person in whose name the property should have been listed for taxation or because the record owner's name was omitted from the advertisement, if the property was in other respects correctly described on the abstract or in the advertisement.

(g) Wrongful Advertisement. -- Any tax collector or deputy tax collector who ~~shall willfully advertise~~ willfully advertises any tax lien knowing that the property is not subject to taxation or that the taxes advertised have been paid ~~shall be~~ is guilty of a Class 3 misdemeanor, and shall be required to pay the injured party all damages sustained in consequence."

Section 2. Article 26 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-370. Notice of delinquent taxes.**

If the governing body of a taxing unit decides not to advertise tax liens for a fiscal year, the tax collector must, at least 30 days before initiating any lien foreclosure action under G.S. 105-374, send a notice to the listing owner and the record owner of the affected parcel of property, as determined as of December 31 of the fiscal year for which the taxes are due. The notice must be sent to each owner's last known address by first-class mail. The notice must state the principal amount of unpaid taxes that are a lien on the property and inform the owner that the lien may be foreclosed to enforce collection of those taxes. Failure to mail the notice required by this section to the correct listing owner or record owner does not affect the validity of the tax lien or of any foreclosure action."

Section 3. G.S. 105-375(b) reads as rewritten:

"(b) Docketing Certificate of Taxes as Judgment. -- In lieu of following the procedure set forth in G.S. 105-374, the governing body of any taxing unit may direct the tax collector to ~~file, no earlier than six months following the advertisement of tax liens, with the clerk of superior court~~ file with the clerk of superior court, no earlier than 30 days after the tax liens were advertised or May 6 following the delinquency date, whichever occurs first, a certificate showing the following: the name of the taxpayer listing real property on which the taxes are a lien, together with the amount of taxes, penalties, interest, and costs that are a lien thereon; the year or years for which the taxes are due; and a description of the property sufficient to permit its identification by parol testimony. The fees for docketing and indexing the certificate shall be payable to the clerk of superior court at the time the taxes are collected or the property is sold."

Section 4. G.S. 105-375(e) reads as rewritten:

"(e) Special Assessments. -- Street, sidewalk, and other special assessments may be included in any judgment for taxes taken under this ~~section; or such~~ section, or the special assessments may be included in a separate judgment docketed under this ~~section, which is hereby declared to be made available~~ section. The tax collector may use such a judgment as a method of foreclosing the lien of special assessments. When used to foreclose the lien of special assessments, the procedure may be instituted at any time after the assessment or installment falls due and remains unpaid; the ~~six months'~~ waiting period required by subsection ~~(b), above, shall~~ (b) of this section does not apply to the foreclosure of special assessments."

Section 5. This act becomes effective January 1, 2001.

(g) Wrongful Advertisement. -- Any tax collector or deputy tax collector who ~~shall willfully advertise~~ willfully advertises any tax lien knowing that the property is not subject to taxation or that the taxes advertised have been paid ~~shall be~~ is guilty of a Class 3 misdemeanor, and shall be required to pay the injured party all damages sustained in consequence."

Section 2. G.S. 105-375(b) reads as rewritten:

"(b) Docketing Certificate of Taxes as Judgment. -- In lieu of following the procedure set forth in G.S. 105-374, the governing body of any taxing unit may direct the tax collector to ~~file, no earlier than six months following the advertisement of tax liens, with the clerk of superior court~~ file with the clerk of superior court, no earlier than 30 days after the tax liens were advertised, a certificate showing the following: the name of the taxpayer listing real property on which the taxes are a lien, together with the amount of taxes, penalties, interest, and costs that are a lien thereon; the year or years for which the taxes are due; and a description of the property sufficient to permit its identification by parol testimony. The fees for docketing and indexing the certificate shall be payable to the clerk of superior court at the time the taxes are collected or the property is sold."

Section 3. G.S. 105-375(e) reads as rewritten:

"(e) Special Assessments. -- Street, sidewalk, and other special assessments may be included in any judgment for taxes taken under this ~~section; or such~~ section, or the special assessments may be included in a separate judgment docketed under this ~~section, which is hereby declared to be made available~~ section. The tax collector may use such a judgment as a method of foreclosing the lien of special assessments. When used to foreclose the lien of special assessments, the procedure may be instituted at any time after the assessment or installment falls due and remains unpaid; the ~~six months'~~ waiting period required by subsection ~~(b), above, shall~~ (b) of this section does not apply to the foreclosure of special assessments."

Section 4. This act becomes effective January 1, 2001.

HOUSE BILL 120:
Tax Lien Advertisement and Collection

BILL ANALYSIS

Committee: Senate Finance
Date: June 30, 1999
Version: Proposed Committee Substitute

Introduced by: Rep. Owens
Summary by: Martha K. Walston
Committee Counsel

SUMMARY: ***The proposed committee substitute for House Bill 120 differs from the 2nd Edition of House Bill 120 in that it requires both advertisement and notification before beginning tax foreclosure proceedings. The earlier version gave counties the option to advertise tax delinquencies before beginning tax foreclosure proceedings. The PCS also differs from the earlier version in that it only requires that the listing owner's name be published in a newspaper. Both the listing owner and the record owner will receive notification by first class mail. Both the earlier version and the PCS enable the tax collector to collect the taxes in the fiscal year in which they are due, by allowing the county to begin an in rem foreclosure proceeding as early as 30 days after the tax liens were advertised.***

CURRENT LAW: Property must be listed for property tax in January of each year. The listing owner is the taxpayer who owned the property as of January 1. The taxes become due in September and become delinquent on January 6 of the following year. Although most counties send tax listing notices and tax bills to the taxpayer, they are not required by law to do so. Property owners are charged with notice that they must list their property for taxes and pay the taxes; otherwise, enforcement measures will be taken against the property. The legal effect of this law is to prevent a taxpayer from using lack of notice as an excuse for not paying property taxes or as a defense to a collection remedy against the property. If property taxes remain unpaid, the tax collector is required by statute to advertise the tax liens in a local newspaper under the name of the listing owner. If the taxes remain unpaid for six months following the advertisement, the tax collector may begin a foreclosure proceeding against the property. The earliest tax liens can be advertised is March; therefor, September is the earliest an in rem foreclosure proceeding may be initiated. Since a local government's fiscal year begins July 1, the collection of property taxes through an in rem foreclosure proceeding cannot begin until the succeeding fiscal year after the taxes are due.

BILL ANALYSIS: The bill requires the tax collector to send a notice to both the listing owner and the record owner as of December 31 if the record owner is different than the listing owner. The notice must be sent by first-class mail at least 30 days before the advertisement is published. The required advertisement shall list only the listing owner's name. (The earlier version required that the optional advertisement list both the listing owner and the record owner.) The bill allows the tax collector to initiate an in rem foreclosure proceeding as early as 30 days after the tax liens were advertised. This provision enables collectors to collect the taxes in the fiscal year in which they are due.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: County Governments.

EFFECTIVE DATE: This act becomes effective January 1, 2001.

BILL SUMMARY: The bill intends to improve the procedures for advertising tax liens on real property and for notifying delinquent taxpayers.

ASSUMPTIONS AND METHODOLOGY: This bill may have a small one-time impact on the costs of county operations, primarily in the area of computer programming and data entry. Virtually all counties will have to change their computer software to enable the advertisement of both the January 1 and the December 31 owner of real property (if different). A majority of counties will need to make minor software changes to allow notices to be mailed to both the January 1 and December 31 property owner (if different).

When working on a similar bill in 1998, Fiscal Research Division staff interviewed a sample of county tax collectors, a professor in the Institute of Government, and the chairman of the North Carolina Association of Assessing Officers. It was found that approximately 75 counties lack a fully automated way to send deed transfer information between the Register of Deeds Office and the Tax Assessor's Office, in a timely manner. The Registers of Deeds provide copies of deeds to the Tax Assessors in the form of paper, microfilm, microfiche, or CD. The tax professionals contacted in 1998 estimated that only 25 counties might incur one-time costs for computer

programming in the first year of implementing HB 120. These 25 counties might expend an average of $800 each ($20,000) for computer vendors to program county databases for this data transfer.

Data entry was another cost identified by tax professionals interviewed in 1998. It was estimated that 25 county Tax Assessors might spend approximately $400 each ($10,000) for temporary clerks to do data entry on deed transfer files in order to update the county tax files. Small counties with few land transactions do not experience a backlog in deed transfer filings. It was suggested in 1998 that temporary clerks would be needed each year due to this bill, but this fiscal note assumes that keeping deed and tax files current should be standard operating procedure for the tax listing process and is not a new requirement on county governments.

A BILL TO BE ENTITLED

AN ACT AMENDING CERTAIN REQUIREMENTS FOR LICENSURE OF REAL ESTATE BROKERS AND SALESMEN.

The General Assembly of North Carolina enacts:

Section 1. G.S. 93A-4 reads as rewritten:

"**§ 93A-4. Applications for licenses; fees; qualifications; examinations; ~~bond;~~ privilege licenses; renewal or reinstatement of license; power to enforce provisions.**

(a) Any person, partnership, ~~association, or corporation~~ corporation, limited liability company, association, or other business entity hereafter desiring to enter into business of and obtain a license as a real estate broker or real estate salesman shall make written application for such license to the Commission ~~on such forms as are~~ in the form and manner prescribed by the Commission. Each applicant for a license as a real estate broker or real estate salesman shall be at least 18 years of age. Each applicant for a license as a real estate salesman shall, within ~~five~~ three years preceding the date application is made, have satisfactorily completed, at a school approved by the Commission, a real estate fundamentals course consisting of at least ~~30~~ 75 hours of classroom instruction in subjects determined by the Commission, or shall possess real estate education or experience in real estate transactions which the Commission shall find equivalent to the course. Each applicant for a license as a real estate broker shall, within ~~five~~ three years preceding the date the application is made, ~~either have been actively engaged on a full-time basis as a licensed real estate salesman for at least two years, or~~ have satisfactorily completed, at a school approved by the Commission, ~~advanced courses in Real Estate Law, Real Estate Finance, and Real Estate Brokerage Operations, each~~ an education program consisting of at least

~~30~~ 60 hours of classroom ~~instruction, these courses to~~ instruction in subjects determined by the Commission, which shall be in addition to ~~those~~ the course required for a real estate salesman license, or shall possess real estate education or experience in real estate transactions which the Commission shall find equivalent to the ~~above requirements.~~ education program. Each ~~application~~ applicant for a license as a real estate broker or real estate salesman shall be ~~accompanied by~~ required to pay a fee, fixed by the Commission but not to exceed thirty dollars ($30.00). ~~Each application for license as a real estate salesman shall be accompanied by a fee, fixed by the Commission but not to exceed thirty dollars ($30.00).~~

(b) ~~Any~~ Except as otherwise provided in this Chapter, any person who ~~files such~~ submits an application to the Commission in proper manner for a license as real estate broker or a license as real estate salesman shall be required to take an oral or written ~~examination to~~ examination. The Commission may allow an applicant to elect to take the examination by computer as an alternative to the written or oral examination and may require the applicant to pay the Commission or a provider contracted by the Commission the actual cost of administering the computerized examination. The cost of the computerized examination shall be in addition to any other fees the applicant is required to pay under subsection (a) of this section. The examination shall determine ~~his~~ the applicant's qualifications with due regard to the paramount interests of the public as to the ~~honesty, truthfulness, integrity and competency of the applicant.~~ applicant's competency. A person holding a real estate salesman license in this State and applying for a real estate broker license shall not be required to take an additional examination under this subsection.

~~The Commission may make such investigation as it deems necessary into the ethical background of the applicant.~~ An applicant for licensure under this Chapter shall satisfy the Commission that he or she possesses the competency, honesty, truthfulness, integrity, and general moral character necessary to protect the public interest and promote public confidence in the real estate brokerage business. If the results of ~~the~~ any required competency examination and investigation of the applicant's moral character shall be satisfactory to the Commission, then the Commission shall issue to ~~such a person~~ the applicant a license, authorizing ~~such person~~ the applicant to act as a real estate broker or real estate salesman in the State of North Carolina, upon the payment of privilege taxes now required by law or that may hereafter be required by law.

~~Provided, however, that any person who, at the time of the passage or at the effective date of this Chapter, has a license to engage in, and is engaged in business as a real estate broker or real estate salesman and who shall file a sworn application with the Commission setting forth his qualifications, including a statement that such applicant has not within five years preceding the filing of the application been convicted of any felony or any misdemeanor involving moral turpitude, shall not be required to take or pass such examination, but all such persons shall be entitled to receive such license from the Commission under the provisions of this Chapter on proper application therefor and payment of a fee of ten dollars ($10.00).~~

(c) All licenses issued by the Commission under the provisions of this Chapter shall expire on the 30th day of June following issuance or on any other date that the Commission may determine and shall become invalid after that date unless reinstated. A license may be renewed 45 days prior to the expiration date by filing an application with and paying to the Executive Director of the Commission the license renewal fee. The license renewal fee is thirty dollars ($30.00) unless the Commission sets the fee at a higher amount. The Commission may set the license renewal fee at an amount that does not exceed fifty dollars ($50.00). The license renewal fee may not increase by more than five dollars ($5.00) during a 12-month period. The Commission may adopt rules establishing a system of license renewal in which the licenses expire annually with varying expiration dates. These rules shall provide for prorating the annual fee to cover the initial renewal period so that no licensee shall be charged an amount greater than the annual fee for any 12-month period. All licenses reinstated after the expiration date thereof shall be subject to a late filing fee of five dollars ($5.00) in addition to the required renewal fee. In the event a licensee fails to obtain a reinstatement of such license within 12 months after the expiration date thereof, the Commission may, in its discretion, consider such person as not having been previously licensed, and thereby subject to the provisions of this Chapter relating to the issuance of an original license, including the examination requirements set forth herein. Duplicate licenses may be issued by the Commission upon payment of a fee of five dollars ($5.00) by the licensee. Commission certification of a licensee's license history shall be made only after the payment of a fee of ten dollars ($10.00).

(d) The Commission is expressly vested with the power and authority to make and enforce any and all ~~such~~ reasonable rules and regulations connected with ~~the application for any license~~ license application, examination, renewal, and reinstatement as shall be deemed necessary to administer and enforce the provisions of this Chapter. The Commission is further authorized to adopt reasonable rules and regulations necessary for the approval of real estate ~~schools and such rules and regulations may, in accordance with G.S. 93A-4(a),~~ schools, instructors, and textbooks and rules that prescribe specific requirements pertaining to ~~the teaching of mechanics and law governing real estate transactions at such schools.~~ instruction, administration, and content of required education courses and programs.

(e) Nothing contained in this Chapter shall be construed as giving any authority to the Commission nor any licensee of the Commission as authorizing any licensee ~~whether by examination or under the grandfather clause or by comity~~ to engage in the practice of law or to render any legal service as specifically set out in G.S. 84-2.1 or any other legal service not specifically referred to in said section."

Section 2. This act becomes effective October 1, 2000.

HOUSE BILL 899:
Real Estate Salesman/Broker Licensure

BILL ANALYSIS

Committee: Senate Finance Committtee
Date: May 21, 1999
Version: 1st Edition

Introduced by: Rep. Bridgeman
Summary by: O. Walker Reagan and Martha K. Walston, Staff Attorneys

SUMMARY: ***House Bill 899 amends the real estate licensing law to require that the salesman real estate course be increased from 30 hours to 75 hours and taken within 3 (now 5) years prior to licensure, requires that the broker real estate course be decreased from 90 to 60 hours and taken within 3 (now 5) years prior to licensure, eliminates the broker exam if the person already holds a real estate salesman license, clarifies the ethical standard for licensure, and clarifies the Real Estate commission's rule making authority for licensing matters and real estate instruction. House Bill 899 was given a favorable report in House Ways & Means and House Commerce.***

CURRENT LAW: Under current law a person who applies for a real estate salesman license must complete a 30 hour real estate fundamentals course within 5 years preceding the license application. A real estate broker applicant must within the 5 years preceding the broker license application, either have been a full-time licensed real estate salesman for at least 2 years or have completed 90 hours of advanced courses in real estate instruction plus the 30 hours required for a salesman license. In lieu of the above requirements, the Real Estate Commission may accept equivalent real estate education or experience. The broker applicant also has to pass a broker's licensing examination. Each applicant for licensure as a broker or salesman must pay a fee not to exceed $30.00.

BILL ANALYSIS: The bill amends G.S. 93A-4 which sets out the qualifications and requirements for licensure as a real estate salesman and broker.

Subsection (a) of this statute is amended by permitting licensed real estate firms to also be in the form of a limited liability company or other business entity. This subsection is also amended to increase the required salesman course hours from 30 hours to 75 hours and to shorten the time period prior to application during which this course can be taken from 5 years to 3 years. This subsection is also amended to reduce the required broker course hours from 90 hours to 60 hours in addition to the salesman course hours. The time period for this instruction prior to application for the broker's license has also been shortened from 5 years to 3 years.

Subsection (b) is amended to permit the real estate licensing exam to be taken by computer with any additional cost associated with taking the exam by computer to be born by the applicant. This subsection also eliminates a broker's examination in addition to the salesman's examination. The outdated grandfather provision enacted in 1957 is repealed.

Subsection (d) is amended to clarify that the Commission's rulemaking authority over applications for licensure also applies to license examinations, license renewals, and license reinstatements. This subsection is also amended to clarify that the rulemaking authority for approval of real estate schools and instruction applies to the schools, the instructors, the text books and the instruction, administration and content of required education courses and programs.

EFFECTIVE DATE: The bill becomes effective October 1, 2000.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: North Carolina Real Estate Commission

EFFECTIVE DATE: The act is effective October 1, 2000.

BILL SUMMARY:

The bill requires prospective salesmen to complete a training course with 75 (now, 30) hours of classroom instruction within 3 (now, 5) years of applying for a license. Requires prospective brokers to complete a training course with 60 (now, 90) additional hours beyond those required for salesmen, within 3 (now, 5) years of applying for a license. Makes computer examinations an option for applicants. Prohibits requiring additional examination for broker applicants who hold salesman licenses. Specifies moral adequacy criterion for applicants: competency, honesty, truthfulness, integrity, and general moral character necessary to protect the public interest and promote public confidence in the real estate brokerage business. Deletes grandfather provision permitting persons with licenses at the original date of passage of the chapter to avoid examination by filing a sworn application.

ASSUMPTIONS AND METHODOLOGY:

SALESMAN LICENSE

Officials with the North Carolina Real Estate Commission project that the increased educational requirements for a real estate salesman license will increase the number of license exam applicants before the October 1, 2000 effective date. The Commission expects 1,600 additional applicants prior to October 1, 2000 and a temporary decline of 1,000 applicants after October 1, 2000. The Commission guesses that roughly one-third of the applicants will take the monthly exam in FY 1999-00 and the remaining two-thirds will take the exam in the first three months of FY 2000-01. This fiscal note rounds these numbers off to 600 additional applicants in FY 1999-00 and 1,000 in the first quarter of FY 2000-01. At $30 per application, the 600 applicants in FY 1999-00 will pay $18,000 in license fees. The Commission says it cost $42.79 to administer the exam, thus the administrative expense for 600 exams is $25,674. Assuming these 600 applicants receive their license, then the $30 annual renewal fee will generate $18,000 in revenue each year.

In FY 2000-01, the 1,000 applicants expected prior to October 1, 2000 will be offset by the projected decline of 1,000 applicants for the remainder of the fiscal year. This will produce no additional revenue or expenditures.

BROKER LICENSE

The Real Estate Commission expects 3,600 additional licensed real estate salesmen each year to apply for a broker license after October 1, 2000. At $30 per application, the revenue generated will be $108,000 per year. However, the Commission estimates that the administrative cost of the exam is also $30 or $108,000 per year. Due to the October 1 effective date, the first year numbers are three fourths of the estimate or $81,000. Since the renewal fee for a broker is the same as a salesman, there is no increased revenue from license renewals.

COMPUTERIZED EXAMS

The bill authorizes the Commission to give computerized exams after October 1, 2000. The Commission estimates that of the 8,000 exam applicants each year, 75% or 6,000 will choose a computerized exam. The Commission believes it will save $14 in administrative costs per computerized exam. At $14 per exam, the Commission will save $84,000 each year. Savings are reduced in FY 2000-01 because 1,000 salesman applicants will take the exam before computer exams are offered. Of the 7,000 exams taken after October 1, 2000, 5,250 exams will be computerized for a savings of $73,500 in FY 2000-01.

A BILL TO BE ENTITLED

AN ACT TO MAKE TECHNICAL AND CONFORMING CHANGES TO THE REVENUE LAWS AND RELATED STATUTES.

The General Assembly of North Carolina enacts:

Section 1. Section 7 of S.L. 1998-158 reads as rewritten:

"Section 7. ~~Section 5 of this act is effective for taxable years beginning on or after October 1, 1998. The remainder of this~~ This act is effective when it becomes law."

Section 2. G.S. 1C-1601(a)(9) reads as rewritten:

"(a) Exempt property. -- Each individual, resident of this State, who is a debtor is entitled to retain free of the enforcement of the claims of ~~his~~ creditors:

...

(9) Individual retirement ~~accounts as described in Section 408(a) of the Internal Revenue Code, individual retirement annuities as described in Section 408(b) of the Internal Revenue Code, and accounts established as part of a trust described in Section 408(c) of~~ plans as defined in the Internal Revenue Code and any plan treated in the same manner as an individual retirement plan under the Internal Revenue Code. For purposes of this subdivision, 'Internal Revenue Code' means Code as defined in G.S. 105-228.90."

Section 3.(a) G.S. 10A-4(b) reads as rewritten:

"(b) A person qualified for a notarial commission shall meet all of the following requirements:

(1) Be at least 18 years of age.

(2) Reside or work in this State.
(3) Satisfactorily complete a course of study that is approved by the Secretary and consists of not less than three hours nor more than six hours of classroom instruction provided by community colleges throughout the State, unless the person is a licensed member of the Bar of this State.
(4) Purchase and keep as a reference a manual approved by the Secretary that describes the duties, authority, and ethical responsibilities of notaries public.
(5) Submit an application containing no significant misstatement or omission of fact. The application form shall be provided by the Secretary and be available at the register of deeds office in each county. Every application shall bear the signature of the applicant written with pen and ink, and the signature shall be acknowledged by the applicant before a person authorized to administer oaths. The applicant shall also obtain the recommendation of one publicly elected official in North Carolina whose recommendation shall be contained on the application.
(6) Pay a nonrefundable fee of ~~twenty-five dollars ($25.00).~~ thirty dollars ($30.00)."

Section 3.(b) G.S. 10A-7(a) reads as rewritten:

"(a) The course of study required by G.S. 10A-4(b) shall be taught by an instructor certified in accordance with rules adopted by the Secretary. An instructor must meet the following requirements to be certified to teach a course of study for notaries public:

(1) Complete and pass a six-hour instructor's course taught by the Director or other person approved by the Secretary.
(2) Have six months of active experience as a notary public.
(3) Maintain a current commission as a notary public.
(4) Purchase the current notary public guidebook.
(5) Pay a nonrefundable fee of fifty dollars ($50.00).

~~thirty dollars ($30.00) thirty dollars ($30.00)~~"

Section 3.(c) This section becomes effective July 1, 1999.

Section 4. G.S. 28A-21-2(a) reads as rewritten:

"(a) Unless the time for filing the final account has been extended by the clerk of superior court, the personal representative or collector must file ~~his~~ the final account for settlement within one year ~~of his qualification~~ after qualifying or within six months after ~~his receipt of the State~~ receiving a State estate or inheritance tax release, whichever is later. If no estate or inheritance tax return was required to be filed for the ~~estate under G.S. 105-23 because the estate met the requirements of subsection (b) of that section,~~ estate, the personal representative or collector shall so certify in the final account filed with the clerk of superior court. Such certification shall list the amount and value of all of the decedent's property, and with respect to real estate, its particular location within or outside the State, including any property transferred by

the decedent over which ~~he~~ the decedent had retained any ~~interest as described in G.S. 105-2(a)(3),~~ interest, or any property transferred within three years prior to the date of the decedent's death, and after being filed and accepted by the clerk of the superior court shall be prima facie evidence that such property is free of any State inheritance or State estate tax liability. The personal representative or collector shall produce vouchers for all payments or verified proof for all payments in lieu of vouchers. With the approval of the clerk of superior court, such account may be filed voluntarily at any time. In all cases, the accounting shall be reviewed, audited and recorded by the clerk of superior court in the manner prescribed in G.S. 28A-21-1."

Section 5. G.S. 29-13 reads as rewritten:

"**§ 29-13. Descent and distribution upon intestacy.**

All the estate of a person dying intestate shall descend and be distributed, subject to the payment of costs of administration and other lawful claims against the estate, and subject to the payment by the recipient of State inheritance or estate taxes, as provided in this Chapter."

Section 6. G.S. 29-20 reads as rewritten:

"**§ 29-20. Descent and distribution upon intestacy of illegitimate children.**

All the estate of a person dying illegitimate and intestate shall descend and be distributed, subject to the payment of costs of administration and other lawful claims against ~~his~~ the estate, and subject to the payment by the recipient of State inheritance or estate taxes, as provided in this Article."

Section 7. G.S. 36A-100(c) reads as rewritten:

"(c) A person having the right to designate the beneficiary under a life insurance policy, employee benefit plan or group life insurance policy described in subsection (a) or (b) of this section may designate as such beneficiary a trustee named or to be named in his will whether or not the will is in existence at the time of the designation. The proceeds received by the trustee shall be held and disposed of as part of the trust estate under the terms of the will as they exist at the death of the testator. If no qualified trustee makes claim to the proceeds within six months after the death of the decedent or if within that period it is established that no trustee can qualify to receive the proceeds, payments shall be made to the personal representative of the estate of the person making the designation unless it is otherwise provided by an alternative designation or by the policy or plan. The proceeds received by the trustee shall not be subject to claims against the estate of the decedent or to estate or inheritance taxes to any greater extent than if the proceeds were payable directly to the beneficiary or beneficiaries named in the trust. The proceeds may be commingled with any other assets which may properly become part of such trust, but the proceeds shall not become part of the decedent's estate for purposes of trust administration unless the will of the decedent expressly so provides."

Section 8. G.S. 36A-125(a) reads as rewritten:

"(a) If at any time the trustee of a noncharitable irrevocable trust determines in good faith that the value of the assets held in trust is ten thousand dollars ($10,000) or less, and the continuance of the trust pursuant to its terms in relation to the cost of

its administration would defeat or substantially impair the accomplishment of the purposes of the trust, the trustee, without approval of the court, may, but is not required to, terminate the trust and distribute the trust property, including principal and undistributed income, to the beneficiaries in a manner which conforms as nearly as possible to the intention of the settlor as determined by the trustee from the trust agreement; provided, however, that the trust property, including principal and undistributed income, shall be distributed to the income beneficiary of the trust if the trust otherwise qualifies for the marital deduction for federal estate tax or North Carolina estate or inheritance tax purposes, or is a Qualified Subchapter S Trust as defined in the Internal Revenue Code. The trustee may enter into an agreement or make such other provisions that the trustee deems necessary or appropriate to protect the interests of the beneficiaries and to carry out the intent and purpose of the trust."

Section 9. G.S. 41-2.1(f) reads as rewritten:

"(f) This section does not repeal or modify any provisions of the law relating to estate or inheritance taxes."

Section 10. G.S. 41-2.2(d) reads as rewritten:

"(d) This section does not repeal or modify any provisions of the law relating to estate or inheritance taxes."

Section 11. G.S. 41-2.5(d) reads as rewritten:

"(d) ~~Nothing herein contained shall be construed to repeal or modify any of the provisions of Article 1 of Chapter 105 relating to the administration of the inheritance tax laws or any other provision of the law relating to~~ This section does not repeal or modify any provisions of the law relating to estate or inheritance taxes."

Section 12. G.S. 105-114(b)(2) reads as rewritten:

"(b) Definitions. -- The following definitions apply in this Article:

...

(2) Corporation. -- A domestic corporation, a foreign corporation, an electric membership corporation organized under Chapter 117 of the General Statutes or doing business in this State, or an association that is organized for pecuniary gain, has capital stock represented by shares, whether with or without par value, and has privileges not possessed by individuals or partnerships. The term includes a mutual or capital stock savings and loan association or building and loan association chartered under the laws of any state or of the United States. The term does not include a limited liability company."

Section 13. G.S. 105-122(a) reads as rewritten:

"(a) Every corporation, domestic and foreign, incorporated, or, by an act, domesticated under the laws of this State or doing business in this State, except as otherwise provided in this Article, shall, on or before the fifteenth day of the third month following the end of its income year, annually make and deliver to the Secretary in the form prescribed by the Secretary a full, accurate, and complete report and statement signed by either its president, vice-president, treasurer, assistant treasurer, secretary or assistant secretary, containing the facts and information

required by the Secretary as shown by the books and records of the corporation at the close of the income year.

There shall be annexed to the return required by this subsection the affirmation of the officer signing the return. ~~this the preparer~~".

Section 14. G.S. 105-130.16 reads as rewritten:

"**§ 105-130.16. Returns.**

(a) Every corporation doing business in this State ~~shall file with the Secretary of Revenue~~ must file with the Secretary an income tax return under affirmation, showing ~~therein~~ specifically the items of gross income and the deductions allowed by this Part, and ~~such other facts as the Secretary may require for the purpose of making~~ any other facts the Secretary requires to make any computation required by this Part.

The return of a corporation ~~shall be signed by either~~ must be signed by its president, vice-president, treasurer, assistant treasurer, ~~secretary~~ secretary, or assistant secretary. ~~There shall be annexed to the return the affirmation of the officer signing the same, which shall be in the form prescribed in G.S. 105-130.17 of this Part, and the same penalties prescribed in G.S. 105-236 shall apply to any person making wilful misstatements in said returns.~~ The officer signing the return must also furnish an oath or affirmation verifying the return, in the form required by the Secretary.

(b) When the Secretary ~~of Revenue~~ has reason to believe that any corporation so conducts its trade or business in such manner as to either directly or indirectly distort its true net income and the net income properly attributable to the State, whether by the arbitrary shifting of income, through price fixing, charges for service, or otherwise, whereby the net income is arbitrarily assigned to one or another unit in a group of taxpayers carrying on business under a substantially common control, ~~he may require such facts as he deems~~ the Secretary may require any facts the Secretary considers necessary for the proper computation of the entire net income and the net income properly attributable to the State, and in determining ~~same the Secretary of Revenue shall~~ these computations the Secretary must have regard to the fair profit which would normally arise from the conduct of the trade or business.

(c) When any corporation liable to taxation under this Part conducts its business in such a manner as to either directly or indirectly benefit the members or stockholders thereof or any person interested in ~~such~~ the business by selling its products or goods or commodities in which it deals at less than the fair price which might be obtained therefor, or ~~where~~ when a corporation, a substantial portion of whose capital stock is owned either directly or indirectly by another corporation, acquires and disposes of the products of the corporation so owning a substantial portion of its stock in such a manner as to create a loss or improper net income for either of ~~said~~ the corporations, or ~~where~~ when a corporation, owning directly or indirectly a substantial portion of the stock of another corporation, acquires and disposes of the products of the corporation of which it so owns a substantial portion of the stock in such manner as to create a loss or improper net income for either of ~~said~~ the corporations, the Secretary ~~of Revenue~~ may determine the amount of taxable income of any such corporations for the calendar or fiscal year, having due regard to the reasonable profits which, but for such arrangement or understanding, might or could have been

obtained by the ~~corporation or~~ corporations liable to taxation under this Part from dealing in such products, goods or commodities."

Section 15. G.S. 105-130.33(a) reads as rewritten:

"(a) Any corporation that constructs or installs a hydroelectric generator with a capacity of at least three kilowatts (3KW) at an existing dam or free flowing stream located in this State shall be allowed a credit against the tax imposed by this Part equal to ten percent (10%) of the installation and equipment costs of the hydroelectric generator paid during the taxable year. The credit allowed under this section may not exceed five thousand dollars ($5,000) for any single installation. No credit is allowed, however, to the extent that any of the costs of the system were provided by federal, State, or local grants. To secure the credit allowed by this section, the taxpayer must own or control the site at the time the hydroelectric generator is installed. The credit allowed by this section may not exceed the amount of the tax imposed by this Part for the taxable year reduced by the sum of all credits ~~allowable under this Part,~~ allowable, except payments of tax made by or on behalf of the taxpayer."

Section 16. G.S. 105-131.7(d) reads as rewritten:

"(d) The agreements required to be filed pursuant to subsection (c) of this section shall be filed at the following times:

(1) At the time the annual return is required to be filed for the first taxable period for which the S Corporation becomes subject to the provisions of this ~~Division;~~ Part; and

(2) At the time the annual return is required to be filed for any taxable period in which the corporation has a nonresident shareholder on whose behalf such an agreement has not been previously filed."

Section 17. G.S. 105-154(c) reads as rewritten:

"(c) Information Returns of Partnerships. -- A partnership doing business in this State and required to file a return under the Code shall file an information return with the Secretary. A partnership that the Secretary believes to be doing business in this State and to be required to file a return under the Code shall file an information return when requested to do so by the Secretary. The information return shall contain all information required by the Secretary. It shall state specifically the items of the partnership's gross income, the deductions allowed under the Code, and the adjustments required by this Part. The information return shall also include the name and address of each person who would be entitled to share in the partnership's net income, if distributable, and the amount each person's distributive share would be. The information return shall specify the part of each person's distributive share of the net income that represents corporation dividends. The information return shall be signed by one of the partners under affirmation in the form ~~prescribed in G.S. 105-155.~~ required by the Secretary.

A partnership that files an information return under this subsection shall furnish to each person who would be entitled to share in the partnership's net income, if distributable, any information necessary for that person to properly file a State

income tax return. The information shall be in the form prescribed by the Secretary and must be furnished on or before the due date of the information return."

Section 18. G.S. 105-163.011 reads as rewritten:

"**§ 105-163.011. (Repealed effective for investments made on or after January 1, 2003) Tax credits allowed.**

(a) No Credit for Brokered Investments. -- No credit is allowed under this section for a purchase of equity securities or subordinated debt if a broker's fee or commission or other similar remuneration is paid or given directly or indirectly for soliciting the purchase.

(b) Individuals. -- Subject to the limitations contained in G.S. 105-163.012, an individual who purchases the equity securities or subordinated debt of a qualified business venture or a qualified grantee business directly from that business is allowed as a credit against the tax imposed by Part 2 of this Article for the taxable year an amount equal to twenty-five percent (25%) of the amount invested. The aggregate amount of credit allowed an individual for one or more investments in a single taxable year under this ~~Division,~~ Part, whether directly or indirectly as owner of a pass-through entity, may not exceed fifty thousand dollars ($50,000). The credit may not be taken for the year in which the investment is made but shall be taken for the taxable year beginning during the calendar year in which the application for the credit becomes effective as provided in subsection (c) of this section.

(b1) Pass-Through Entities. -- This subsection does not apply to a pass-through entity that has committed capital under management in excess of five million dollars ($5,000,000) or to a pass-through entity that is a qualified grantee business, a qualified business venture, or a North Carolina Enterprise Corporation. Subject to the limitations provided in G.S. 105-163.012, a pass-through entity that purchases the equity securities or subordinated debt of a qualified grantee business or a qualified business venture directly from the business is eligible for a tax credit equal to twenty-five percent (25%) of the amount invested. The aggregate amount of credit allowed a pass-through entity for one or more investments in a single taxable year under this ~~Division,~~ Part, whether directly or indirectly as owner of another pass-through entity, may not exceed seven hundred fifty thousand dollars ($750,000). The pass-through entity is not eligible for the credit for the year in which the investment by the pass-through entity is made but shall be eligible for the credit for the taxable year beginning during the calendar year in which the application for the credit becomes effective as provided in subsection (c) of this section.

Each individual who is an owner of a pass-through entity is allowed as a credit against the tax imposed by Part 2 of this Article for the taxable year an amount equal to the owner's allocated share of the credits for which the pass-through entity is eligible under this subsection. The aggregate amount of credit allowed an individual for one or more investments in a single taxable year under this ~~Division,~~ Part, whether directly or indirectly as owner of a pass-through entity, may not exceed fifty thousand dollars ($50,000).

If an owner's share of the pass-through entity's credit is limited due to the maximum allowable credit under this section for a taxable year, the pass-through entity and its owners may not reallocate the unused credit among the other owners.

(c) Application. -- To be eligible for the tax credit provided in this section, the taxpayer must file an application for the credit with the Secretary on or before April 15 of the year following the calendar year in which the investment was made. The Secretary may grant extensions of this deadline, as the Secretary finds appropriate, upon the request of the taxpayer, except that the application may not be filed after September 15 of the year following the calendar year in which the investment was made. An application is effective for the year in which it is timely filed. The application shall be on a form prescribed by the Secretary and shall include any supporting documentation that the Secretary may require. If an investment for which a credit is applied for was paid for other than in money, the taxpayer shall include with the application a certified appraisal of the value of the property used to pay for the investment. The application for a credit for an investment made by a pass-through entity must be filed by the pass-through entity.

(d) Penalties. -- The penalties provided in G.S. 105-236 apply in this ~~Division.~~ Part."

Section 19. G.S. 105-194 reads as rewritten:

"**§ 105-194. Death of donor within three years; time of assessment.**

~~Where~~ If a donor dies within three years after filing a return, gift taxes may be assessed at any time within ~~said~~ those three years, or on or before the date of final settlement of the donor's State estate or inheritance taxes, whichever is later."

Section 20. G.S. 105-253(a) reads as rewritten:

"(a) Any officer, trustee, or receiver of any corporation or limited liability company required to file a report with the Secretary who has custody of funds of the corporation or company and who allows the funds to be paid out or distributed to the stockholders of the corporation or company without having remitted to the Secretary any State taxes that are due is personally liable for the payment of the tax."

Section 21.(a) G.S. 105-275 is amended by adding a new subdivision to read:

"(41) Objects of art held by the North Carolina State Art Society, Incorporated."

Section 21.(b) G.S. 140-15 reads as rewritten:

"~~**§ 140-15. Exemption from taxes.**~~

~~All gifts made to the North Carolina State Art Society, Incorporated, shall be exempt from State gift and inheritance taxes, and objects of art held by the Society shall be exempt from ad valorem taxes.~~"

Section 22. This act does not affect the rights or liabilities of the State, a taxpayer, or another person arising under a statute amended or repealed by this act before the effective date of its amendment or repeal; nor does it affect the right to any refund or credit of a tax that accrued under the amended or repealed statute before the effective date of its amendment or repeal.

Section 23. Except as otherwise provided in this act, this act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1999

S D

SENATE BILL 55
Proposed Committee Substitute S55-PCSX8611-LA

Short Title: Revenue Laws Technical Changes. (Public)

Sponsors:

Referred to:

February 9, 1999

A BILL TO BE ENTITLED

AN ACT TO CONFORM THE TAX BASE OF THE REGIONAL TRANSIT AUTHORITY VEHICLE RENTAL TAX TO THE TAX BASE OF THE ALTERNATE HIGHWAY USE TAX ON SHORT-TERM VEHICLE RENTALS, AND TO MAKE TECHNICAL AND CONFORMING CHANGES TO THE REVENUE LAWS AND RELATED STATUTES.

The General Assembly of North Carolina enacts:

PART I. MODIFICATION OF THE VEHICLE RENTAL TAX.

Section 1. G.S. 105-550 reads as rewritten:

"**§ 105-550. Definitions.**

The definitions in G.S. 105-164.3 and the following definitions apply in this Article:

(1) Authority. -- A regional public transportation authority or a regional transportation authority created pursuant to Article 26 or Article 27 of Chapter 160A of the General Statutes.

(2) Long-term lease or rental. -- Defined in G.S. 105-187.1.

(2a) Motor vehicle. -- Defined in G.S. 105-164.3.

(3) Motorcycle. -- Defined in G.S. 20-4.01.

(4) Repealed by Session Laws 1998-98, s. 33.

(5) Public transportation system. -- Any combination of real and personal property established for purposes of public transportation. The systems may include one or more of the following: structures, improvements, buildings, equipment, vehicle parking or passenger

transfer facilities, railroads and railroad rights-of-way, rights-of-way, bus services, shared-ride services, high-occupancy vehicle facilities, carpool and vanpool programs, voucher programs, telecommunications and information systems, integrated fare systems, bus lanes, and busways. The term does not include, however, streets, roads, or highways except to the extent they are dedicated to public transportation vehicles or to the extent they are necessary for access to vehicle parking or passenger transfer facilities.

(6) Short-term lease or rental. -- A lease or rental that is not a long-term lease or rental.

~~(7) U-drive-it passenger vehicle. -- Defined in G.S. 20-4.01.~~"

Section 2. G.S. 105-551(a) reads as rewritten:

"(a) Tax. -- The board of trustees of an Authority may levy a privilege tax on a retailer who is engaged in the business of leasing or renting ~~U-drive-it passenger vehicles or motorcycles~~ motor vehicles based on the gross receipts derived by the retailer from the short-term lease or rental of these vehicles. The tax rate must be a percentage and may not exceed five percent (5%). A tax levied under this section applies to short-term leases or rentals made by a retailer whose place of business or inventory is located within the territorial jurisdiction of the Authority. This tax is in addition to all other taxes."

Section 3. G.S. 105-552(b) reads as rewritten:

"(b) Collection. -- A tax levied by an Authority under this Article shall be collected by the Authority but shall otherwise be administered in the same manner as the optional gross receipts tax levied by G.S. 105-187.5. Like the optional gross receipts tax, a tax levied under this Article is to be added to the lease or rental price of a ~~U-drive-it passenger vehicle or motorcycle~~ motor vehicle and thereby be paid by the person to whom it is leased or rented.

A tax levied under this Article applies regardless of whether the retailer who leases or rents the ~~U-drive-it passenger vehicle or motorcycle~~ motor vehicle has elected to pay the optional gross receipts tax on the lease or rental receipts from the vehicle. A tax levied under this Article must be paid to the Authority that levied the tax by the date an optional gross receipts tax would be payable to the Secretary of Revenue under G.S. 105-187.5 if the retailer who leases or rents the ~~U-drive-it passenger vehicle or motorcycle~~ motor vehicle had elected to pay the optional gross receipts tax."

Section 4. This Part becomes effective July 1, 1999, and applies to contracts entered into on or after that date.

PART II. REVENUE LAWS TECHNICAL CHANGES.

Section 5. Section 7 of S.L. 1998-158 reads as rewritten:

"Section 7. ~~Section 5 of this act is effective for taxable years beginning on or after October 1, 1998. The remainder of this~~ This act is effective when it becomes law."

Section 6. G.S. 1C-1601(a)(9) reads as rewritten:

"(a) Exempt property. -- Each individual, resident of this State, who is a debtor is entitled to retain free of the enforcement of the claims of ~~his~~ creditors:

. . .

(9) Individual retirement ~~accounts as described in Section 408(a) of the Internal Revenue Code, individual retirement annuities as described in Section 408(b) of the Internal Revenue Code, and accounts established as part of a trust described in Section 408(c) of~~ plans as defined in the Internal Revenue Code and any plan treated in the same manner as an individual retirement plan under the Internal Revenue Code. For purposes of this subdivision, 'Internal Revenue Code' means Code as defined in G.S. 105-228.90."

Section 7.(a) G.S. 10A-4(b) reads as rewritten:

"(b) A person qualified for a notarial commission shall meet all of the following requirements:

(1) Be at least 18 years of age.

(2) Reside or work in this State.

(3) Satisfactorily complete a course of study that is approved by the Secretary and consists of not less than three hours nor more than six hours of classroom instruction provided by community colleges throughout the State, unless the person is a licensed member of the Bar of this State.

(4) Purchase and keep as a reference a manual approved by the Secretary that describes the duties, authority, and ethical responsibilities of notaries public.

(5) Submit an application containing no significant misstatement or omission of fact. The application form shall be provided by the Secretary and be available at the register of deeds office in each county. Every application shall bear the signature of the applicant written with pen and ink, and the signature shall be acknowledged by the applicant before a person authorized to administer oaths. The applicant shall also obtain the recommendation of one publicly elected official in North Carolina whose recommendation shall be contained on the application.

(6) Pay a nonrefundable fee of ~~twenty-five dollars ($25.00).~~ thirty dollars ($30.00)."

Section 7.(b) G.S. 10A-7(a) reads as rewritten:

"(a) The course of study required by G.S. 10A-4(b) shall be taught by an instructor certified in accordance with rules adopted by the Secretary. An instructor must meet the following requirements to be certified to teach a course of study for notaries public:

(1) Complete and pass a six-hour instructor's course taught by the Director or other person approved by the Secretary.

(2) Have six months of active experience as a notary public.

(3) Maintain a current commission as a notary public.
(4) Purchase the current notary public guidebook.
(5) Pay a nonrefundable fee of fifty dollars ($50.00).

~~thirty dollars ($30.00) thirty dollars ($30.00)~~"

Section 7.(c) This section becomes effective July 1, 1999.

Section 8. G.S. 28A-21-2(a) reads as rewritten:

"(a) Unless the time for filing the final account has been extended by the clerk of superior court, the personal representative or collector must file ~~his~~ the final account for settlement within one year ~~of his qualification~~ after qualifying or within six months after ~~his receipt of the State~~ receiving a State estate or inheritance tax release, whichever is later. If no estate or inheritance tax return was required to be filed for the ~~estate under G.S. 105-23 because the estate met the requirements of subsection (b) of that section,~~ estate, the personal representative or collector shall so certify in the final account filed with the clerk of superior court. Such certification shall list the amount and value of all of the decedent's property, and with respect to real estate, its particular location within or outside the State, including any property transferred by the decedent over which ~~he~~ the decedent had retained any ~~interest as described in G.S. 105-2(a)(3),~~ interest, or any property transferred within three years prior to the date of the decedent's death, and after being filed and accepted by the clerk of the superior court shall be prima facie evidence that such property is free of any State inheritance or State estate tax liability. The personal representative or collector shall produce vouchers for all payments or verified proof for all payments in lieu of vouchers. With the approval of the clerk of superior court, such account may be filed voluntarily at any time. In all cases, the accounting shall be reviewed, audited and recorded by the clerk of superior court in the manner prescribed in G.S. 28A-21-1."

Section 9. G.S. 29-13 reads as rewritten:

"**§ 29-13. Descent and distribution upon intestacy.**

All the estate of a person dying intestate shall descend and be distributed, subject to the payment of costs of administration and other lawful claims against the estate, and subject to the payment ~~by the recipient~~ of State inheritance or estate taxes, as provided in this Chapter."

Section 10. G.S. 29-20 reads as rewritten:

"**§ 29-20. Descent and distribution upon intestacy of illegitimate children.**

All the estate of a person dying illegitimate and intestate shall descend and be distributed, subject to the payment of costs of administration and other lawful claims against ~~his~~ the estate, and subject to the payment ~~by the recipient~~ of State inheritance or estate taxes, as provided in this Article."

Section 11. G.S. 36A-100(c) reads as rewritten:

"(c) A person having the right to designate the beneficiary under a life insurance policy, employee benefit plan or group life insurance policy described in subsection (a) or (b) of this section may designate as such beneficiary a trustee named or to be named in his will whether or not the will is in existence at the time of the designation. The proceeds received by the trustee shall be held and disposed of as part of the trust estate under the terms of the will as they exist at the death of the

testator. If no qualified trustee makes claim to the proceeds within six months after the death of the decedent or if within that period it is established that no trustee can qualify to receive the proceeds, payments shall be made to the personal representative of the estate of the person making the designation unless it is otherwise provided by an alternative designation or by the policy or plan. The proceeds received by the trustee shall not be subject to claims against the estate of the decedent or to estate or inheritance taxes to any greater extent than if the proceeds were payable directly to the beneficiary or beneficiaries named in the trust. The proceeds may be commingled with any other assets which may properly become part of such trust, but the proceeds shall not become part of the decedent's estate for purposes of trust administration unless the will of the decedent expressly so provides."

Section 12. G.S. 36A-125(a) reads as rewritten:

"(a) If at any time the trustee of a noncharitable irrevocable trust determines in good faith that the value of the assets held in trust is ten thousand dollars ($10,000) or less, and the continuance of the trust pursuant to its terms in relation to the cost of its administration would defeat or substantially impair the accomplishment of the purposes of the trust, the trustee, without approval of the court, may, but is not required to, terminate the trust and distribute the trust property, including principal and undistributed income, to the beneficiaries in a manner which conforms as nearly as possible to the intention of the settlor as determined by the trustee from the trust agreement; provided, however, that the trust property, including principal and undistributed income, shall be distributed to the income beneficiary of the trust if the trust otherwise qualifies for the marital deduction for federal estate tax or North Carolina estate or inheritance tax purposes, or is a Qualified Subchapter S Trust as defined in the Internal Revenue Code. The trustee may enter into an agreement or make such other provisions that the trustee deems necessary or appropriate to protect the interests of the beneficiaries and to carry out the intent and purpose of the trust."

Section 13. G.S. 41-2.1(f) reads as rewritten:

"(f) This section does not repeal or modify any provisions of the law relating to estate or inheritance taxes."

Section 14. G.S. 41-2.2(d) reads as rewritten:

"(d) This section does not repeal or modify any provisions of the law relating to estate or inheritance taxes."

Section 15. G.S. 41-2.5(d) reads as rewritten:

"(d) ~~Nothing herein contained shall be construed to repeal or modify any of the provisions of Article 1 of Chapter 105 relating to the administration of the inheritance tax laws or any other provision of the law relating to~~ This section does not repeal or modify any provisions of the law relating to estate or inheritance taxes."

Section 16. G.S. 93B-15 reads as rewritten:

"**§ 93B-15. Payment of license fees by members of the armed forces.**

An individual who is serving in the armed forces of the United States and to whom G.S. 105-249.2 grants an extension of time to file a tax return is granted an extension of time to pay any license fee charged by an occupational licensing board

~~or~~ as a condition of retaining a license granted by the board. The extension is for the same period that would apply if the license fee were a tax."

Section 17. G.S. 105-32.8 reads as rewritten:

"**§ 105-32.8. Federal determination that changes the amount of tax payable to the State.**

If the federal government corrects or otherwise determines the amount of the maximum state death tax credit allowed an estate under section 6166 of the Code, the personal representative must, within two years after being notified of the correction or final determination by the federal government, file an estate tax return with the Secretary reflecting the correct amount of tax payable under this Article. If the federal government corrects or otherwise determines the amount of the maximum state generation-skipping transfer tax credit allowed under section 2604 of the Code, the person who made the transfer must, within two years after being notified of the correction or final determination by the federal government, file a tax return with the Secretary reflecting the correct amount of tax payable under this Article.

The Secretary must assess and collect any additional tax due as provided in Article 9 of this Chapter and must refund any overpayment of tax as provided in Article 9 of this Chapter. A person who fails to report a federal correction or determination in accordance with this section ~~is subject to the penalties in G.S. 105-236 and~~ forfeits the right to any refund due by reason of the determination."

Section 18.(a) G.S. 105-37.1 reads as rewritten:

"~~**§ 105-37.1. (Effective July 1, 1999) Amusements -- Forms of amusement not otherwise taxed.**~~

~~(a) Every person engaged in the business of giving, offering, or managing any form of entertainment or amusement not otherwise taxed under this Article, for which an admission is charged, shall pay a tax upon the gross receipts of the business at the rate of three percent (3%). Reports shall be made to the Secretary within the first 10 days of each month covering all the gross receipts for the previous month, and the tax shall be paid monthly at the time the reports are made.~~

~~Every person giving, offering, or managing any dance or athletic contest of any kind, except high school and elementary school athletic contests, for which an admission fee in excess of fifty cents (50¢) is charged, shall pay a tax upon the gross receipts derived from admission charges at the rate of three percent (3%). The tax upon gross receipts shall be levied and collected as prescribed by the Secretary.~~

~~(b) Counties shall not levy any license tax on the business taxed under this section, but cities may levy a license tax not in excess of twenty five dollars ($25.00).~~

~~(c), (d) Repealed by Session Laws 1998-95, s. 4, effective July 1, 1999.~~

§ 105-37.1. (Effective July 1, 1999) Dances, athletic events, shows, exhibitions, and other entertainments.

(a) Scope. -- A privilege tax is imposed on the gross receipts of a person who is engaged in any of the following:

(1) Giving, offering, or managing a dance or an athletic contest for which an admission fee in excess of fifty cents (50¢) is charged.

(2) Giving, offering, or managing a form of amusement or entertainment that is not taxed by another provision of this Article and for which an admission fee is charged.

(3) Exhibiting a performance, show, or exhibition, such as a circus or dog show, that is not taxed by another provision of this Article.

(b) Rate and Payment. -- The rate of the privilege tax is three percent (3%) of the gross receipts from the activities described in subsection (a) of this section. The tax is due when a return is due. A return is due by the 10th day after the end of each month and covers the gross receipts received during the previous month.

(c) Advance Report. -- A person who owns or controls a performance, show, or exhibition subject to the tax imposed by this section and who plans to bring the performance to this State from outside the State must file a statement with the Secretary that lists the dates, times, and places of the performance, show, or exhibition. The statement must be filed no less than five days before the first performance, show, or exhibition in this State.

(d) Local Taxes. -- Cities may levy a license tax on a person taxed under subdivision (a)(1) or (a)(2) of this section; however, the tax may not exceed twenty-five dollars ($25.00). Cities may levy a license tax on a person taxed under subdivision (a)(3) of this section; however, the tax may not exceed twenty-five dollars ($25.00) for each day or part of a day the performance, show, or exhibition is given at each location.

Counties may not levy a license tax on a person taxed under subdivision (a)(1) or (a)(2) of this section. Counties may levy a license tax on a person taxed under subdivision (a)(3) to the same extent as a city."

Section 18.(b) G.S. 105-38 is repealed.

Section 18.(c) This section becomes effective July 1, 1999.

Section 19.(a) G.S. 105-38.1 reads as rewritten:

"**§ 105-38.1. ~~Amusements -~~ Motion picture ~~shows.~~ show admissions.**

~~(a) Tax. -- A privilege~~ An admissions tax at the rate of one percent (1%) is imposed as a privilege tax on the gross receipts of a person who is engaged in the business of operating a motion picture show for which an admission is charged. The tax is due when a return is due. A return is due by the 10th day after the end of each month and covers the gross receipts received during the previous month. If a person offers an entertainment or amusement that includes both a motion picture taxable under this section and an entertainment or amusement taxable under ~~G.S. 105-37.1 or G.S. 105-38,~~ G.S. 105-37.1, the tax in ~~G.S. 105-37.1 or G.S. 105-38, as appropriate,~~ that statute applies to the entire gross receipts and the tax levied in this section does not apply.

~~(b) Exemption. -- Gross receipts from a motion picture show promoted and managed by a qualifying corporation that operates a center for the performing and visual arts is exempt from the tax imposed under this section if the motion picture is shown at the center and if the showing of motion pictures is not the primary purpose of the center. As used in this subsection, "qualifying corporation" and "center for the performing and visual arts" have the same meaning as in G.S. 105-40.~~"

Section 19.(b) G.S. 105-40(7) reads as rewritten:

"(7) All ~~dances~~ dances, motion picture shows, and other amusements promoted and managed by a qualifying corporation that operates a center for the performing and visual arts if the dance or other amusement is held at the center. "Qualifying corporation" means a corporation that is exempt from income tax under G.S. 105-130.11(a)(3). "Center for the performing and visual arts" means a facility, having a fixed location, that provides space for dramatic performances, studios, classrooms, and similar accommodations to organized arts groups and individual artists. This exemption does not apply to athletic events."

Section 19.(c) This section becomes effective July 1, 1999.

Section 20. G.S. 105-109.1 is repealed.

Section 21. G.S. 105-113 is repealed.

Section 22. G.S. 105-113.27(c) reads as rewritten:

"(c) The possession of more than six hundred cigarettes ~~bearing the tax stamp of~~ on which tax has been paid to another state or country, by any person other than a licensed distributor, ~~shall be~~ is prima facie evidence that the cigarettes are possessed in violation of this Part."

Section 23. G.S. 105-114(b)(2) reads as rewritten:

"(b) Definitions. -- The following definitions apply in this Article:

. . .

(2) Corporation. -- A domestic corporation, a foreign corporation, an electric membership corporation organized under Chapter 117 of the General Statutes or doing business in this State, or an association that is organized for pecuniary gain, has capital stock represented by shares, whether with or without par value, and has privileges not possessed by individuals or partnerships. The term includes a mutual or capital stock savings and loan association or building and loan association chartered under the laws of any state or of the United States. The term does not include a limited liability company."

Section 24. G.S. 105-122(c)(1) reads as rewritten:

"(c) (1) After ascertaining and determining the amount of its capital stock, surplus and undivided profits, as provided herein, every corporation permitted to allocate and apportion its net income for income tax purposes under the provisions of Article 4 of this Chapter shall apportion said capital stock, surplus and undivided profits to this State through use of the fraction computed for apportionment of its business income under said Article. A corporation that is subject to franchise tax under this Article but is not subject to income tax under Article 4 of this Chapter must apportion its capital stock, surplus, and undivided profits to this

State by using the apportionment formula that would apply to the corporation if it were subject to Article 4.

Provided, that although a corporation is authorized by the Tax Review Board to apportion its business income by use of an alternative formula or method, the corporation may not use such alternative formula or method for apportioning its capital stock, surplus and undivided profits unless specifically authorized to do so by order of the Tax Review Board.

Provided, further, that a corporation which is required to pay an income tax to this State on its entire net income shall apportion its entire capital stock, surplus and undivided profits to this State."

Section 25. G.S. 105-130.16 reads as rewritten:

"**§ 105-130.16. Returns.**

(a) Return. -- Every corporation doing business in this State ~~shall file with the Secretary of Revenue~~ must file with the Secretary an income tax return ~~under affirmation,~~ showing ~~therein~~ specifically the items of gross income and the deductions allowed by this ~~Part,~~ Part and ~~such other facts as the Secretary may require for the purpose of making~~ any other facts the Secretary requires to make any computation required by this Part. The return of a corporation ~~shall be signed by either~~ must be signed by its president, vice-president, treasurer, assistant treasurer, ~~secretary~~ secretary, or assistant secretary. ~~There shall be annexed to the return the affirmation of the officer signing the same, which shall be in the form prescribed in G.S. 105-130.17 of this Part, and the same penalties prescribed in G.S. 105-236 shall apply to any person making wilful misstatements in said returns.~~ The officer signing the return must furnish an affirmation verifying the return. The affirmation must be in the form required by the Secretary.

(b) Correction of Distortions. -- When the Secretary ~~of Revenue~~ has reason to believe that any corporation so conducts its trade or business in such manner as to either directly or indirectly distort its true net income and the net income properly attributable to the State, whether by the arbitrary shifting of income, through price fixing, charges for service, or otherwise, whereby the net income is arbitrarily assigned to one or another unit in a group of taxpayers carrying on business under a substantially common control, ~~he may require such facts as he deems~~ the Secretary may require any facts the Secretary considers necessary for the proper computation of the entire net income and the net income properly attributable to the State, and in determining ~~same the Secretary of Revenue shall~~ these computations, the Secretary must have regard to the fair profit ~~which~~ that would normally arise from the conduct of the trade or business.

(c) Other Corrections. -- When any corporation liable to taxation under this Part conducts its business in such a manner as to either directly or indirectly benefit the members or stockholders thereof or any person interested in ~~such~~ the business by selling its products or goods or commodities in which it deals at less than the fair price which might be obtained therefor, or ~~where~~ when a corporation, a substantial

portion of whose capital stock is owned either directly or indirectly by another corporation, acquires and disposes of the products of the corporation so owning a substantial portion of its stock in such a manner as to create a loss or improper net income for either of ~~said~~ the corporations, or ~~where~~ when a corporation, owning directly or indirectly a substantial portion of the stock of another corporation, acquires and disposes of the products of the corporation of which it so owns a substantial portion of the stock in such manner as to create a loss or improper net income for either of ~~said~~ the corporations, the Secretary ~~of Revenue~~ may determine the amount of taxable income of ~~any~~ the such corporations for the calendar or fiscal year, having due regard to the reasonable profits which, but for such arrangement or understanding, might or could have been obtained by the ~~corporation or~~ corporations liable to taxation under this Part from dealing in such products, goods or commodities."

Section 26. G.S. 105-130.33(a) reads as rewritten:

"(a) Any corporation that constructs or installs a hydroelectric generator with a capacity of at least three kilowatts (3KW) at an existing dam or free flowing stream located in this State shall be allowed a credit against the tax imposed by this Part equal to ten percent (10%) of the installation and equipment costs of the hydroelectric generator paid during the taxable year. The credit allowed under this section may not exceed five thousand dollars ($5,000) for any single installation. No credit is allowed, however, to the extent that any of the costs of the system were provided by federal, State, or local grants. To secure the credit allowed by this section, the taxpayer must own or control the site at the time the hydroelectric generator is installed. The credit allowed by this section may not exceed the amount of the tax imposed by this Part for the taxable year reduced by the sum of all credits ~~allowable under this Part,~~ allowable, except payments of tax made by or on behalf of the taxpayer."

Section 27. G.S. 105-131.7(d) reads as rewritten:

"(d) The agreements required to be filed pursuant to subsection (c) of this section shall be filed at the following times:

(1) At the time the annual return is required to be filed for the first taxable period for which the S Corporation becomes subject to the provisions of this ~~Division; and~~ Part.

(2) At the time the annual return is required to be filed for any taxable period in which the corporation has a nonresident shareholder on whose behalf such an agreement has not been previously filed."

Section 28. G.S. 105-152(e) reads as rewritten:

"(e) Joint Returns. -- A husband and wife shall file a single income tax return jointly if (i) their federal taxable income is determined on a joint federal return and (ii) both spouses are residents of this State or both spouses have North Carolina taxable income. Except as otherwise provided in this Part, a wife and husband filing jointly are treated as one taxpayer for the purpose of determining the tax imposed by this Part. A husband and wife filing jointly are jointly and severally liable for the tax

imposed by this Part reduced by the sum of all credits allowable including tax payments made by or on behalf of the husband and wife. However, if a spouse has been relieved of liability for federal tax attributable to a substantial understatement by the other spouse pursuant to section ~~6013~~ 6015 of the Code, that spouse is not liable for the corresponding tax imposed by this Part attributable to the same substantial understatement by the other spouse. A wife and husband filing jointly have expressly agreed that if the amount of the payments made by them with respect to the taxes for which they are liable, including withheld and estimated taxes, exceeds the total of the taxes due, refund of the excess may be made payable to both spouses jointly or, if either is deceased, to the survivor alone."

Section 29. G.S. 105-154(c) reads as rewritten:

"(c) Information Returns of Partnerships. -- A partnership doing business in this State and required to file a return under the Code shall file an information return with the Secretary. A partnership that the Secretary believes to be doing business in this State and to be required to file a return under the Code shall file an information return when requested to do so by the Secretary. The information return shall contain all information required by the Secretary. It shall state specifically the items of the partnership's gross income, the deductions allowed under the Code, and the adjustments required by this Part. The information return shall also include the name and address of each person who would be entitled to share in the partnership's net income, if distributable, and the amount each person's distributive share would be. The information return shall specify the part of each person's distributive share of the net income that represents corporation dividends. The information return shall be signed by one of the partners under affirmation in the form ~~prescribed in G.S. 105-155.~~ required by the Secretary.

A partnership that files an information return under this subsection shall furnish to each person who would be entitled to share in the partnership's net income, if distributable, any information necessary for that person to properly file a State income tax return. The information shall be in the form prescribed by the Secretary and must be furnished on or before the due date of the information return."

Section 30. G.S. 105-163.011 reads as rewritten:

"**§ 105-163.011. (Repealed effective for investments made on or after January 1, 2003) Tax credits allowed.**

(a) No Credit for Brokered Investments. -- No credit is allowed under this section for a purchase of equity securities or subordinated debt if a broker's fee or commission or other similar remuneration is paid or given directly or indirectly for soliciting the purchase.

(b) Individuals. -- Subject to the limitations contained in G.S. 105-163.012, an individual who purchases the equity securities or subordinated debt of a qualified business venture or a qualified grantee business directly from that business is allowed as a credit against the tax imposed by Part 2 of this Article for the taxable year an amount equal to twenty-five percent (25%) of the amount invested. The aggregate amount of credit allowed an individual for one or more investments in a single taxable year under this ~~Division,~~ Part, whether directly or indirectly as owner of a

pass-through entity, may not exceed fifty thousand dollars ($50,000). The credit may not be taken for the year in which the investment is made but shall be taken for the taxable year beginning during the calendar year in which the application for the credit becomes effective as provided in subsection (c) of this section.

(b1) Pass-Through Entities. -- This subsection does not apply to a pass-through entity that has committed capital under management in excess of five million dollars ($5,000,000) or to a pass-through entity that is a qualified grantee business, a qualified business venture, or a North Carolina Enterprise Corporation. Subject to the limitations provided in G.S. 105-163.012, a pass-through entity that purchases the equity securities or subordinated debt of a qualified grantee business or a qualified business venture directly from the business is eligible for a tax credit equal to twenty-five percent (25%) of the amount invested. The aggregate amount of credit allowed a pass-through entity for one or more investments in a single taxable year under this ~~Division,~~ Part, whether directly or indirectly as owner of another pass-through entity, may not exceed seven hundred fifty thousand dollars ($750,000). The pass-through entity is not eligible for the credit for the year in which the investment by the pass-through entity is made but shall be eligible for the credit for the taxable year beginning during the calendar year in which the application for the credit becomes effective as provided in subsection (c) of this section.

Each individual who is an owner of a pass-through entity is allowed as a credit against the tax imposed by Part 2 of this Article for the taxable year an amount equal to the owner's allocated share of the credits for which the pass-through entity is eligible under this subsection. The aggregate amount of credit allowed an individual for one or more investments in a single taxable year under this ~~Division,~~ Part, whether directly or indirectly as owner of a pass-through entity, may not exceed fifty thousand dollars ($50,000).

If an owner's share of the pass-through entity's credit is limited due to the maximum allowable credit under this section for a taxable year, the pass-through entity and its owners may not reallocate the unused credit among the other owners.

(c) Application. -- To be eligible for the tax credit provided in this section, the taxpayer must file an application for the credit with the Secretary on or before April 15 of the year following the calendar year in which the investment was made. The Secretary may grant extensions of this deadline, as the Secretary finds appropriate, upon the request of the taxpayer, except that the application may not be filed after September 15 of the year following the calendar year in which the investment was made. An application is effective for the year in which it is timely filed. The application shall be on a form prescribed by the Secretary and shall include any supporting documentation that the Secretary may require. If an investment for which a credit is applied for was paid for other than in money, the taxpayer shall include with the application a certified appraisal of the value of the property used to pay for the investment. The application for a credit for an investment made by a pass-through entity must be filed by the pass-through entity.

(d) Penalties. -- The penalties provided in G.S. 105-236 apply in this ~~Division.~~ Part."

Section 31.(a) G.S. 105-164.3(8b) is recodified as G.S. 105-164.3(8c) and reads as rewritten:

"**§ 105-164.3. Definitions.**

The following definitions apply in this Article, except when the context clearly indicates a different meaning:

. . .

~~(8b)~~ (8c) "Motor vehicle" means a vehicle that is designed primarily for use upon the highways and is either self-propelled or propelled by a self-propelled vehicle, but does not include:

a. A ~~moped as defined in G.S. 20-4.01(27)(d1).~~ moped.

b. Special mobile ~~equipment as defined in G.S. 20-4.01(44).~~ equipment.

c. A tow dolly that is exempt from motor vehicle title and registration requirements under G.S. 20-51(10) or (11).

d. A farm tractor or other implement of husbandry.

e. A manufactured home, a mobile office, or a mobile classroom.

f. Road construction or road maintenance machinery or equipment."

Section 31.(b) G.S. 105-164.3 is amended by adding the following new subdivisions in the appropriate alphabetical order:

"(8b) Moped. -- A vehicle that has two or three wheels, no external shifting device, and a motor that does not exceed 50 cubic centimeters piston displacement and cannot propel the vehicle at a speed greater than 20 miles per hour on a level surface.

. . .

(16b) Special mobile equipment. -- Any of the following:

a. A vehicle that has a permanently attached crane, mill, well-boring apparatus, ditch-digging apparatus, air compressor, electric welder, feed mixer, grinder, or other similar apparatus is driven on the highway only to get to and from a nonhighway job and is not designed or used primarily for the transportation of persons or property.

b. A vehicle that has permanently attached special equipment and is used only for parade purposes.

c. A vehicle that is privately owned, has permanently attached fire-fighting equipment, and is used only for fire-fighting purposes.

d. A vehicle that has permanently attached playground equipment and is used only for playground purposes."

Section 31.(c) G.S. 20-4.01(21a) reads as rewritten:

"(21a) Moped. -- A type of passenger vehicle as defined in ~~G.S. 20-4.01(27).~~ G.S. 105-164.3."

Section 31.(d) G.S. 20-4.01(27)d1. reads as rewritten:

"d1. Moped. -- ~~A vehicle that has two or three wheels, no external shifting device, and a motor that does not exceed 50 cubic centimeters piston displacement and cannot propel the vehicle at a speed greater than 20 miles per hour on a level surface.~~ Defined in G.S. 105-164.3."

Section 31.(e) G.S. 20-4.01(44) reads as rewritten:

"(44) Special Mobile Equipment. -- ~~Any of the following:~~

~~a. A vehicle that has a permanently attached crane, mill, well-boring apparatus, ditch-digging apparatus, air compressor, electric welder, feed mixer, grinder, or other similar apparatus, is driven on the highway only to get to and from a nonhighway job, and is not designed or used primarily for the transportation of persons or property.~~

~~b. A vehicle that has permanently attached special equipment and is used only for parade purposes.~~

~~c. A vehicle that is privately owned, has permanently attached fire-fighting equipment, and is used only for fire-fighting purposes.~~

~~d. A vehicle that has permanently attached playground equipment and is used only for playground purposes.~~ Defined in G.S. 105-164.3."

Section 32. G.S. 105-164.4(a)(4) reads as rewritten:

"**§ 105-164.4. Tax imposed on retailers.**

(a) **(Effective July 1, 1999)** A privilege tax is imposed on a retailer at the following percentage rates of the retailer's net taxable sales or gross receipts, as appropriate. The general rate of tax is four percent (4%).

. . .

(4) Every person engaged in the business of operating a dry cleaning, pressing, or hat-blocking establishment, a laundry, or any similar business, engaged in the business of renting clean linen or towels or wearing apparel, or any similar business, or engaged in the business of soliciting cleaning, pressing, hat blocking, laundering or linen rental business for any of these businesses, is considered a retailer under this Article. A tax at the general rate of tax is levied on the gross receipts derived by these retailers from services rendered in engaging in any of the occupations or businesses named in this subdivision. The tax imposed by this subdivision does not apply to receipts derived from ~~coin or token-operated~~ coin, token, or card-operated washing machines, extractors, and dryers. The tax imposed by this subdivision does not apply to gross receipts derived from services performed for resale by a retailer that pays the tax on the total gross receipts derived from the services."

Section 33. G.S. 105-164.4(c) reads as rewritten:

"(c) Certificate of Registration. -- Before a person may engage in business as a retailer or a wholesale merchant, the person must obtain a certificate of registration from the Department. To obtain a certificate of registration, a person must register with the Department and pay fifteen dollars ($15.00).

A certificate of registration is valid unless it is revoked for failure to comply with the provisions of this Article or becomes void. A certificate ~~issued to a retailer~~ becomes void if, for a period of 18 months, the retailer or wholesale merchant to whom it was issued files no returns or files returns showing no sales."

Section 34. G.S. 105-164.13(4d) reads as rewritten:

"(4d) The lease or rental of ~~burlap~~ tobacco sheets used in handling tobacco in the warehouse and transporting tobacco to and from the warehouse."

Section 35.(a) G.S. 105-187.43 reads as rewritten:

"**§ 105-187.43. (Effective July 1, 1999) Payment of the tax.**

(a) ~~Monthly Return.~~ Payment. -- The tax imposed by this Article is payable monthly to the Secretary. A monthly tax payment is due by the last day of the month that follows the month in which the tax accrues. The tax imposed by this Article on piped natural gas delivered to a sales or transportation customer accrues when the gas is delivered. The tax payable on piped natural gas received by a person who has direct access to an interstate pipeline for consumption by that person accrues when the gas is received.

(b) Small Underpayments. -- A person is not subject to interest on or penalties for an underpayment of a monthly amount due if the person timely pays at least ninety-five percent (95%) of the amount due and includes the underpayment with the next return the person files.

(c) Return. -- A return is due quarterly. A quarterly return covers a calendar quarter and is due by the last day of the month that follows the quarter covered by the return."

Section 35.(b) G.S. 105-187.44 reads as rewritten:

"**§ 105-187.44. (Effective July 1, 1999) Distribution of part of tax proceeds to cities.**

(a) City Information. -- A ~~monthly~~ quarterly return filed under this Article must indicate the amount of tax attributable to the following:

(1) Piped natural gas delivered during the ~~month~~ quarter to sales or transportation customers in each city in the State.

(2) Piped natural gas received during the ~~month~~ quarter in each city in the State by persons who have direct access to an interstate gas pipeline and who receive the gas for their own consumption.

If a tax return does not state this information, the Secretary must determine how much of the tax proceeds are to be attributed to each city.

(b) Distribution. -- Within 75 days after the end of each calendar quarter, the Secretary must distribute to the cities part of the tax proceeds collected under this Article during that quarter. The amount to be distributed to a city is one-half of the

amount of tax attributable to that city for that quarter under subsection (a) of this section."

Section 36. G.S. 105-194 reads as rewritten:

"**§ 105-194. Death of donor within three years; time of assessment.**

~~Where~~ If a donor dies within three years after filing a return, gift taxes may be assessed at any time within ~~said~~ those three years, or on or before the date of final settlement of the donor's State estate or inheritance taxes, whichever is later."

Section 37. G.S. 105-253(a) reads as rewritten:

"(a) Any officer, trustee, or receiver of any corporation or limited liability company required to file a report with the Secretary who has custody of funds of the corporation or company and who allows the funds to be paid out or distributed to the stockholders of the corporation or company without having remitted to the Secretary any State taxes that are due is personally liable for the payment of the tax."

Section 38.(a) G.S. 105-275 is amended by adding a new subdivision to read:

"(41) Objects of art held by the North Carolina State Art Society, Incorporated."

Section 38.(b) G.S. 140-15 reads as rewritten:

"~~**§ 140-15. Exemption from taxes.**~~

~~All gifts made to the North Carolina State Art Society, Incorporated, shall be exempt from State gift and inheritance taxes, and objects of art held by the Society shall be exempt from ad valorem taxes.~~"

Section 39. G.S. 160A-31(e2), as enacted by S.L. 1999-19, as it applies to the Town of Huntersville, reads as rewritten:

"(e2) Annexation of property subject to annexation under subsection (e1) of this section shall become effective as to each tract of such property or such part thereof on the last day of the month in which that tract or part thereof becomes ineligible for classification pursuant to ~~G.S. 105-227.4~~ G.S. 105-277.4 and no longer meets the requirements of subdivision (e1)(2) of this section. Until annexation of a tract or a part of a tract becomes effective pursuant to this subsection, the tract or part of a tract is not subject to taxation by the city under Article 12 of Chapter 105 of the General Statutes, nor is the tract or part of the tract entitled to services provided by the city. When annexation becomes effective pursuant to this subsection as to a tract or part of a tract, the city shall provide all required services upon payment of city taxes."

Section 40. This act does not affect the rights or liabilities of the State, a taxpayer, or another person arising under a statute amended or repealed by this act before the effective date of its amendment or repeal; nor does it affect the right to any refund or credit of a tax that accrued under the amended or repealed statute before the effective date of its amendment or repeal.

Section 41. Except as otherwise provided in this act, this act is effective when it becomes law.

SENATE BILL 55:
Revenue Laws Technical Changes

BILL ANALYSIS

Committee:	Senate Finance Committee	**Introduced by:**	Senator Cochrane
Date:	June 2, 1999	**Summary by:**	Martha K. Walston and Martha Harris, Staff Attorneys
Version:	Proposed Committee Substitute		

SUMMARY: ***Senate Bill 55 makes a number of technical and clarifying changes to various revenue laws and related statutes and makes one substantive change. The substantive change broadens the scope of the transit authority vehicle leasing tax to include more types of vehicles. The original version of the bill consisted only of technical and clarifying changes, and was recommended by the Revenue Laws Study Committee. The proposed committee substitute adds the above described substantive change and additional technical and clarifying changes to various revenue laws and related statutes that were recommended by the Department of Revenue.***

BILL ANALYSIS: Part I of Senate Bill 55, in sections 1 through 4, broadens the scope of the transit authority vehicle leasing tax to include more vehicles, effective July 1, 1999. Under current law, a regional public transportation authority or a regional transportation authority may levy a privilege tax on a retailer who leases or rents U-drive-it passenger vehicles or motorcycles. The tax rate may not exceed 5% of the gross receipts derived from the short-term (less than 365 continuous days) lease or rental of these vehicles. This tax is added to the lease or rental price and paid by the lessee. Senate Bill 55 broadens the scope of this tax to apply to all motor vehicles as defined in G.S. 105-164.3.

"Motor vehicle" means a vehicle that is designed primarily for use upon the highways and is either self-propelled or propelled by a self-propelled vehicle. Motor vehicle does not include the following: a moped, special mobile equipment, tow dolly exempt from title and registration requirements, implements of husbandry, a manufactured home, mobile office, or a mobile classroom, and road construction or road maintenance machinery or equipment.

"U-drive-it passenger vehicles" are passenger vehicles rented or leased and to be operated by the lessee. They do not include vehicles leased or rented to public school authorities for driver-training instruction. Passenger vehicles also do not include pickup trucks and other property hauling vehicles.

Part II. of Senate Bill 55 makes numerous technical and clarifying changes to the revenue laws and related statutes. The following table provides a section-by-section analysis of the proposed changes.

Section	Explanation
5	Corrects an incorrect effective date for the income tax treatment of enhanced wireless 911 fees.
6	Updates list of debtors' property that is retained free of creditors' claims, to add Roth IRAs to regular IRAs and to update terminology for regular IRAs.
7	Reinstates increase in notary commission fee from $25 to $30 that was enacted in the 1998 budget bill but was deleted inadvertently by another 1998 bill. This fee increase would become effective July 1, 1999.

8 – 15 Changes references to the inheritance tax, which was replaced with an estate tax effective for the estates of decedents dying on or after January 1, 1999.

16 Corrects a grammatical error by deleting the word "or" in G.S. 93B-15.

17 Deletes language in G.S. 105-32.8 that a person "is subject to the penalties in G.S. 105-236" when that person fails to report a federal correction or determination of the maximum state death tax credit allowed an estate or of the maximum state generation-skipping transfer tax credit allowed. Failure to report to the Secretary of Revenue would still result in forfeiture of the right to any refund due by reason of the determination. Since repeal of the inheritance tax laws, there are no penalties in G.S. 105-236 that apply to this section.

18 Combines G.S. 105-37.1(Amusements) and G.S. 105-38 (Amusements-Circuses and other traveling amusements) into one statute. These are the amusements subject to 3% gross receipts tax.

19 Clarifies that tax on motion picture shows is an admissions tax. This tax is imposed at the rate of 1% on gross receipts. Also moves the exemption language for certain motion pictures to the list of exemptions in G.S. 104-40 (Amusements exempt from tax).

20 Repeals G.S. 105-109.1 because it is no longer needed. This statute provides that interest will be assessed on the taxes on gross receipts levied on amusements in G.S. 105-37.1 and G.S. 105-38, the tax on installment paper dealers, and the tax on publishers of newsprint publications. This interest runs from the time these taxes were due until paid. This statute is no longer needed now that Article 9 (General Administration; Penalties and Remedies) applies to the privilege license statutes. This repeal also clarifies that interest applies to late payments of the 1% gross receipts tax on movies.

21 Repeals G.S. 105-113 because it is obsolete. This statute requires the sheriff of each county and clerk of the board of alderman of each city to make an annual report to the Secretary of Revenue containing the name and business of every person in his county or city required to obtain a State license under Article 2 of Chapter 105 of the General Statutes.

22 Clarifies that the possession of more than six hundred cigarettes <u>on which tax has been paid to</u> (was "bearing the tax stamp of") another state or country, by any person other than a licensed distributor, is prima facie evidence that the cigarettes are possessed in violation of the Article governing the tobacco products tax. The underlined language clarifies how the Department currently administers this Article. This change is needed because there are states that do not use stamps.

23 Clarifies scope of franchise tax to include savings and loan associations, as enacted in 1998.

24 Clarifies that a corporation that owes franchise tax but not income tax must apportion its franchise tax using the apportionment formula that would apply to income tax if the corporation were subject to that tax. The law is silent on this issue, and this new language sets out the Department's position.

25 Removes references to repealed statutes and modernizes statutory language.

26 Restores the word "generator" which was inadvertently deleted in 1998.

27 Changes "Division" to "Part" to conform to new terms enacted in 1998.

28 Changes the reference to the Code section in G.S. 105-152(e). This statute concerns joint tax liability and the innocent spouse. In the IRS Restructuring Act of 1998, the Code section 6013(e) was deleted and substituted in section 6015.

29 Removes reference to repealed statute.

30 Changes "Division" to "Part" to conform to new terms enacted in 1998.

31 Transfers the definitions of "moped" and "special mobile equipment" from Chapter 20 to the sales tax statute in Chapter 105, and then places a cross-reference to the sales tax statute in Chapter 20. These items are subject to sales tax. The Department of Revenue, rather than the DMV, administers the sales tax on special mobile equipment.

32 Adds the term "card-operated" to the sales tax exemption from receipts derived from coin or token-operated washing machines, extractors, and dryers. New technology permits the use of credit and debit cards on this equipment, and the Department has administratively allowed the sales tax exclusion for equipment operated with cards.

33 Extends to wholesalers the provision that the certificate of registration filed with the Department by a retailer is void if for a period of 18 months the retailer files no returns or files returns showing no sales.

34 Deletes the word "burlap" from the reference to the sales tax exemption for the lease or rental of burlap tobacco sheets used in handling tobacco in the warehouse and transporting tobacco to and from the warehouse. This change is necessary because tobacco sheets are now made of other material.

35 Clarifies the filing requirement for the excise tax on piped natural gas. Payment is required monthly and a return is required quarterly. The Department is currently administering the filing requirement this way.

36 Changes references to the inheritance tax, which was replaced with an estate tax effective for the estates of decedents dying on or after January 1, 1999.

37 Adds reference to limited liability companies to conform to remainder of statute.

38 Revises and recodifies a statute that included redundant references to the taxability of property transferred to a tax-exempt nonprofit corporation.

39 Corrects an incorrect statute reference.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of the Secretary of State, Department of Revenue, Triangle Transit Authority

EFFECTIVE DATE: Part I (Triangle Transit Authority) is effective July 1, 1999 and applies to contracts entered into on or after that date. Part II, section 7 (notary fee) becomes effective July 1, 1999. All remaining sections become effective when it becomes law.

BILL SUMMARY: Part one of the bill broadens the tax base for the Triangle Transit Authority's 5% gross receipts tax on rental vehicles. Part two of the bill makes numerous technical and conforming changes to the Revenue Laws and related statutes.

ASSUMPTIONS AND METHODOLOGY:

Part One – Triangle Transit Authority

Part one of the bill allows the Triangle Transit Authority to begin taxing the short-term rental of heavy trucks and trailers. G.S. 105 – 551permits a regional public transportation authority or a regional transportation authority to levy a privilege tax of up to 5% on businesses leasing or renting U-drive-it passenger vehicles or motorcycles. This bill broadens the tax base for these authorities by striking the words "U-drive-it passenger vehicles or motorcycles" and replacing

them with the term "motor vehicles". A motor vehicles is defined in GS 105-164.3 as a vehicle "designed primarily for use upon the highways and is either self propelled or propelled by a self-propelled vehicle". A motor vehicle does not include a moped, special mobile equipment, tow dolly, farm tractor, or road construction equipment.

The Department of Revenue's Tax Research Division has determined that a 5% tax on the gross receipts of heavy truck and trailer rental businesses in Durham, Orange, and Wake counties will generate an additional $1 million in revenue each year for the Triangle Transit Authority. This estimate is based on highway use tax returns from four major truck and/or trailer leasing companies in the state that account for 75% of the business in this market. The tax returns are for the 8% gross receipts tax on short-term rentals these businesses pay to the state. Since Durham, Orange, and Wake counties have 12% of the population and motor vehicle registrations in North Carolina, it was assumed that 12% of the truck and trailer leasing business in the state is done in these three counties.

Part Two – Revenue Laws Technical Changes

Except for Section 7, the changes in this bill have no fiscal impact on the General Fund. Section 7 reinstates a $5 increase in the notary commission fee that was enacted by the 1998 General Assembly in SB 1366 (Chapter 212). Section 29A.9 of SB 1366 increased the nonrefundable fee for notarial commissions from $25 to $30. Unfortunately, SB 1552 (Chapter 228) was also enacted to make changes in the Notary Act and it did not increase the fee. When statute 10A-7 was codified, it was determined that the fee would remain $25 despite legislative intent to increase the fee.

The $5 notarial fee increase is estimated to generate the following revenue:

1999-2000	$74,635
2000-2001	76,665
2001-2002	78,750
2002-2003	80,890

Since this estimate was included in the budgeted revenues for 1998-99 and in future year projections, these revenues will not increase the budget. However, failure to pass this bill will result in the reduction of estimated General Fund revenues.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE DIVISION OF MOTOR VEHICLES TO ISSUE PERMANENT REGISTRATION PLATES TO TRAILERS OWNED BY CHARITABLE ORGANIZATIONS AND USED ONLY IN PARADES AND TO CONSOLIDATE AND MODERNIZE THE STATUTES PROVIDING FOR PERMANENT REGISTRATION PLATES.

The General Assembly of North Carolina enacts:

Section 1. The caption of Part 6 of Article 3 of Chapter 20 of the General Statutes reads as rewritten:

"Part 6. Vehicles of Nonresidents of ~~State, etc.~~ State; Permanent Plates; Highway Patrol."

Section 2. G.S. 20-85 is amended by adding a new subsection to read:

"(c) The Division shall not collect a fee for a certificate of title for a motor vehicle entitled to a permanent registration plate under G.S. 20-84."

Section 3. G.S. 20-84 reads as rewritten:

"**§ 20-84. ~~Vehicles owned by State, municipalities or orphanages, etc.; certain vehicles operated by the local chapters of American National Red Cross.~~ Permanent registration plates; State Highway Patrol.**

(a) General. -- The Division may issue a permanent registration plate for a motor vehicle owned by one of the persons authorized to have a permanent registration plate in this section. To obtain a permanent registration plate, a person must provide

proof of ownership, provide proof of financial responsibility as required by G.S. 20-309, and pay a fee of six dollars ($6.00). A permanent plate issued under this section may be transferred as provided in G.S. 20-78 to a replacement vehicle of the same classification. A permanent registration plate issued under this section must be a distinctive color and bear the word "permanent". In addition, a permanent registration plate issued under subdivision (b)(1) of this section must have distinctive color and design that is readily distinguishable from all other permanent registration plates issued under this section.

(b) Permanent Registration Plates. -- The Division may issue permanent plates for the following motor vehicles:

(1) ~~The Division upon proper proof being filed with it that any motor vehicle for which registration is herein required is owned by the~~ A motor vehicle owned by the State or ~~any department thereof, or by any~~ one of its agencies.

(2) A motor vehicle owned by a county, ~~township,~~ city or ~~town, or by any~~ town.

(3) A motor vehicle owned by a board of ~~education, or by any~~ education.

(4) A motor vehicle owned by an ~~orphanage or civil~~ orphanage.

(5) A motor vehicle owned by the civil air ~~patrol, or incorporated~~ patrol.

(6) A motor vehicle owned by an incorporated emergency rescue ~~squad, or incorporated~~ squad.

(7) A motor vehicle owned by an incorporated REACT ("Radio Emergency Association of Citizen Teams") ~~Team, or for any~~ Team.

(8) A motor vehicle owned by a person and ~~involved~~ used exclusively in the support of a disaster relief ~~effort,~~ effort.

(9) A bus owned by a church and used exclusively for transporting individuals to Sunday school and church services.

(10) A motor vehicle owned by a rural fire department, agency, or association.

(11) A motor vehicle in the form of a mobile X-ray unit operated exclusively in this State for the purpose of diagnosis, treatment, and discovery of tuberculosis, and owned by the North Carolina Tuberculosis Association, Incorporated, or by a local chapter or association of the North Carolina Tuberculosis Association, Incorporated.

(12) A motor vehicle owned by a local chapter of the American National Red Cross and used for emergency or disaster work.

(13) A motor vehicle owned by a sheltered workshop recognized or approved by the Division of Vocational Rehabilitation Services.

(14) A motor vehicle owned by a nonprofit agency or organization that provides transportation for or operates programs subject to and

approved in accordance with standards adopted by the Commission for Mental Health and Human Services.

(15) A bus or trackless trolley owned by a city and operated under a franchise authorizing the use of city streets. This subdivision does not apply to a bus or trackless trolley operated under a franchise authorizing an intercity operation.

(16) A trailer owned by a nationally chartered charitable organization and used exclusively for parade floats and for transporting vehicles and structures used only in parades.

~~shall collect six dollars ($6.00) for the registration of such motor vehicles, but shall not collect any fee for application for certificate of title in the name of the State or any department thereof, or by any county, township, city or town, or by any board of education or orphanage: Provided, that the term "owned" shall be construed to mean that such motor vehicle is the actual property of the State or some department thereof or of the county, township, city or town, or of the board of education, and no motor vehicle which is the property of any officer or employee of any department named herein shall be construed as being "owned" by such department. Provided, that the above exemptions from registration fees shall also apply to any church-owned bus used exclusively for transporting children and parents to Sunday school and church services and for no other purpose.~~

~~In lieu of the annual six dollars ($6.00) registration provided for in this section, the Division may for the license year 1950 and thereafter provide for a permanent registration of the vehicles described in this section and issue permanent registration plates for such vehicles.~~

~~The permanent registration plates issued pursuant to this paragraph shall be of a distinctive color and shall bear thereon the word "permanent." Such plates may be transferred as provided in G.S. 20-78 to a replacement vehicle of the same classification. For the permanent registration and issuance of permanent registration plates provided for in this paragraph, the Division shall collect a fee of six dollars ($6.00) for each vehicle so registered and licensed.~~

~~The provisions of this section are hereby made applicable to vehicles owned by a rural fire department, agency or association.~~

~~The Division of Motor Vehicles shall issue to the North Carolina Tuberculosis Association, Incorporated, or any local chapter or association of said corporation, for a fee of six dollars ($6.00) for each plate a permanent registration plate which need not be thereafter renewed for each motor vehicle in the form of a mobile X-ray unit which is owned by said North Carolina Tuberculosis Association, Incorporated, or any local chapter or local association thereof and operated exclusively in this State for the purpose of diagnosis, treatment and discovery of tuberculosis. The initial six dollars ($6.00) fee required by this section and for this purpose shall be in full payment of the permanent registration plates issued for such vehicle operated as a mobile X-ray unit, and such plates need not thereafter be renewed, and such plates may be transferred as provided in G.S. 20-78 to replacement vehicles to be used for the purposes above described and for which the plates were originally issued.~~

~~The Division of Motor Vehicles shall issue to the American National Red Cross, upon application of any local chapter thereof and payment of a fee of six dollars ($6.00) for each plate, a permanent registration plate, which need not be thereafter renewed, for all disaster vans, bloodmobiles, handivans, and such sedans and station wagons as are used for emergency or disaster work, and operated by a local chapter in this State in the business of the American National Red Cross. Such plates may be transferred as provided in G.S. 20-78 to a replacement vehicle to be used for the purposes above described and for which the plates were originally issued. In the event of transfer of ownership to any other person, firm or corporation, or transfer or reassignment of any vehicle bearing such registration plate to any chapter or association of the American National Red Cross in any other state, territory or country, the registration plate assigned to such vehicle shall be surrendered to the Division of Motor Vehicles.~~

(c) State Highway Patrol. -- In lieu of all other registration requirements, the Commissioner shall each year assign to the State Highway Patrol, upon payment of six dollars ($6.00) per registration plate, a sufficient number of regular registration plates of the same letter prefix and in numerical sequence beginning with number 100 to meet the requirements of the State Highway Patrol for use on Division vehicles assigned to the State Highway Patrol. The commander of the Patrol shall, when such plates are assigned, issue to each member of the State Highway Patrol a registration plate for use upon the Division vehicle assigned to ~~him~~ the member pursuant to G.S. 20-190 and assign a registration plate to each Division service vehicle operated by the Patrol. An index of such assignments of registration plates shall be kept at each State Highway Patrol radio station and a copy ~~thereof~~ of it shall be furnished to the registration division of the Division. Information as to the individual assignments of ~~such~~ the registration plates shall be made available to the public upon request to the same extent and in the same manner as regular registration information. The commander, when necessary, may reassign registration plates provided that ~~such~~ the reassignment shall ~~be made to~~ appear upon the index required ~~herein~~ under this subsection within 20 days after ~~such~~ the reassignment.

~~The Division of Motor Vehicles shall, upon appropriate certification of financial responsibility, issue to sheltered workshops recognized or approved by the Division of Vocational Rehabilitation Services and to public and nonprofit agencies or organizations which provide transportation for or operate programs subject to and approved in accordance with standards adopted by the Commission for Mental Health, Developmental Disabilities, and Substance Abuse Services of the Department of Health and Human Services upon application and payment of a fee of six dollars ($6.00) for each plate, a permanent registration plate for vehicles registered to and operated by such agencies. The initial six dollars ($6.00) fee required by this section and for this purpose shall be in full payment of the permanent registration plate issued for such vehicle operated by a sheltered workshop and such plates need not thereafter be renewed, and such plates may be transferred as provided in G.S. 20-78 to a replacement vehicle to be used by the sheltered workshop designated on the registration card.~~

~~On and after January 1, 1972, permanent registration plates used on all vehicles owned by the State of North Carolina or a department thereof shall be of a distinctive color and design which shall be readily distinguishable from all other permanent registration plates issued pursuant to this section or G.S. 20-84.1. For the purpose of carrying out the intent of this paragraph, all vehicles owned by the State of North Carolina or a department thereof in operation as of October 1, 1971, and bearing a permanent registration shall be reregistered during the months of October, November and December, 1971, and upon reregistration, registration plates issued for such vehicles shall be of a distinctive color and design as provided for hereinabove.~~"

Section 4. G.S. 20-84.1 is repealed.

Section 5. This act becomes effective July 1, 1999.

~~The Division of Motor Vehicles shall issue to the North Carolina Tuberculosis Association, Incorporated, or any local chapter or association of said corporation, for a fee of six dollars ($6.00) for each plate a permanent registration plate which need not be thereafter renewed for each motor vehicle in the form of a mobile X-ray unit which is owned by said North Carolina Tuberculosis Association, Incorporated, or any local chapter or local association thereof and operated exclusively in this State for the purpose of diagnosis, treatment and discovery of tuberculosis. The initial six dollars ($6.00) fee required by this section and for this purpose shall be in full~~

~~payment of the permanent registration plates issued for such vehicle operated as a mobile X-ray unit, and such plates need not thereafter be renewed, and such plates may be transferred as provided in G.S. 20-78 to replacement vehicles to be used for the purposes above described and for which the plates were originally issued.~~

~~The Division of Motor Vehicles shall issue to the American National Red Cross, upon application of any local chapter thereof and payment of a fee of six dollars ($6.00) for each plate, a permanent registration plate, which need not be thereafter renewed, for all disaster vans, bloodmobiles, handivans, and such sedans and station wagons as are used for emergency or disaster work, and operated by a local chapter in this State in the business of the American National Red Cross. Such plates may be transferred as provided in G.S. 20-78 to a replacement vehicle to be used for the purposes above described and for which the plates were originally issued. In the event of transfer of ownership to any other person, firm or corporation, or transfer or reassignment of any vehicle bearing such registration plate to any chapter or association of the American National Red Cross in any other state, territory or country, the registration plate assigned to such vehicle shall be surrendered to the Division of Motor Vehicles.~~

(c) State Highway Patrol. -- In lieu of all other registration requirements, the Commissioner shall each year assign to the State Highway Patrol, upon payment of six dollars ($6.00) per registration plate, a sufficient number of regular registration plates of the same letter prefix and in numerical sequence beginning with number 100 to meet the requirements of the State Highway Patrol for use on Division vehicles assigned to the State Highway Patrol. The commander of the Patrol shall, when such plates are assigned, issue to each member of the State Highway Patrol a registration plate for use upon the Division vehicle assigned to ~~him~~ the member pursuant to G.S. 20-190 and assign a registration plate to each Division service vehicle operated by the Patrol. An index of such assignments of registration plates shall be kept at each State Highway Patrol radio station and a copy ~~thereof~~ of it shall be furnished to the registration division of the Division. Information as to the individual assignments of ~~such~~ the registration plates shall be made available to the public upon request to the same extent and in the same manner as regular registration information. The commander, when necessary, may reassign registration plates provided that ~~such~~ the reassignment shall ~~be made to~~ appear upon the index required ~~herein~~ under this subsection within 20 days after ~~such~~ the reassignment.

~~The Division of Motor Vehicles shall, upon appropriate certification of financial responsibility, issue to sheltered workshops recognized or approved by the Division of Vocational Rehabilitation Services and to public and nonprofit agencies or organizations which provide transportation for or operate programs subject to and approved in accordance with standards adopted by the Commission for Mental Health, Developmental Disabilities, and Substance Abuse Services of the Department of Health and Human Services upon application and payment of a fee of six dollars ($6.00) for each plate, a permanent registration plate for vehicles registered to and operated by such agencies. The initial six dollars ($6.00) fee required by this section and for this purpose shall be in full payment of the permanent registration plate~~

~~issued for such vehicle operated by a sheltered workshop and such plates need not thereafter be renewed, and such plates may be transferred as provided in G.S. 20-78 to a replacement vehicle to be used by the sheltered workshop designated on the registration card.~~

~~On and after January 1, 1972, permanent registration plates used on all vehicles owned by the State of North Carolina or a department thereof shall be of a distinctive color and design which shall be readily distinguishable from all other permanent registration plates issued pursuant to this section or G.S. 20-84.1. For the purpose of carrying out the intent of this paragraph, all vehicles owned by the State of North Carolina or a department thereof in operation as of October 1, 1971, and bearing a permanent registration shall be reregistered during the months of October, November and December, 1971, and upon reregistration, registration plates issued for such vehicles shall be of a distinctive color and design as provided for hereinabove.~~"

Section 3.1. G.S. 20-79.4(b) reads as rewritten:

"(b) Types. -- The Division shall issue the following types of special registration plates:

. . .

(36a) Retired Highway Patrol. - Issuable to an individual who has retired from the North Carolina Highway Patrol. The plate shall bear the phrase 'SHP, Retired.' The Division may not issue the plate authorized by this subdivision unless it receives at least 300 applications for the plate."

Section 4. G.S. 20-84.1 is repealed.

Section 5. This act becomes effective July 1, 1999.

HOUSE BILL 486:
Parade Trailers -- Permanent Plates

BILL ANALYSIS

Committee: Senate Finance Committee
Date June 1, 1999
Version: 4th Edition

Introduced by: Rep. Moore
Summary by: Cindy Avrette and Martha K. Walston, Staff Attorneys

SUMMARY: ***House Bill 486 would authorize the Division of Motor Vehicles to issue a permanent registration plate for trailers owned by a nationally chartered charitable organization and used only for parade floats and for transporting vehicles and structures used only in parades. The cost of the plate would be six dollars ($6.00). The bill consolidates and modernizes provisions in the permanent plate statute. The bill would become effective July 1, 1999. House Bill 486 was given a favorable report in House Finance on March 31, and passed the House on April 5. The proposed amendment would add Retired Highway Patrol to the list of persons who qualify for a special registration plate.***

CURRENT LAW: The registration fee for a trailer is $10.00. The fee is payable on or before January 1 of each year. The Division may issue a multiyear plate and registration card for a trailer for a fee of $75.00. The multiyear plate may not be transferred to a replacement vehicle.

BILL ANALYSIS: House Bill 486 would authorize the Division of Motor Vehicles to issue a permanent registration plate to a nationally chartered charitable organization for a trailer the organization owns and uses only for parade floats and for transporting vehicles and structures used only in parades. The Shriners appear to be the major organization that would benefit from this legislation. The cost of the permanent registration plate would be $6.00. The permanent plates could be transferred to another trailer that is bought to replace the one for which the plate was originally issued, so long as the use of the trailer is restricted to parades.

The statute amended by the bill, G.S. 20-84, was originally written in 1937. It has been amended many times. Many of the paragraphs repeat the same general information, such as fee and transferability, for each entity entitled to a permanent plate. The bill rewrites the statute by listing the entities entitled to a permanent plate and by consolidating the general provisions into one subsection. It also changes the caption of Part 6 of Article 3 of Chapter 20 and of G.S. 20-84 to accurately reflect their contents.

Under G.S. 20-84, there is an ambiguous provision that appears to prohibit the Division from collecting the $35 certificate of registration fee for certain motor vehicles entitled to a permanent registration plate. The Division interprets the provision to mean that any entity entitled to a permanent registration plate does not have to pay the $35 certificate of registration fee. Section 2 of the bill puts this provision in the appropriate statute concerning fees. The provision has been rewritten to conform the language with the Division's interpretation and practice.

The proposed amendment would authorize DMV to issue "SHP, Retired" special license plates for additional $10 fee. These applicants would also pay the regular registration fee. DMV must receive at least 300 applications for the special plate before it can be issued.

The $10 additional fee goes to the Special Registration Plate Account. After deducting the costs of the plates from the Account, the money is distributed as follows:

Amount	Purpose
$525,000 distributed annually	Operating assistance for certain Visitor Centers
33% distributed quarterly	Department of Commerce for advertising the promotion of travel and industrial development in the State.
50% distributed quarterly	Department of Transportation for beautification of highways.
17% distributed quarterly	Department of Health and Human Services to promote travel and accessibility for disabled persons.

The proposed amendment is identical to Senate Bill 149, introduced by Senator Moore. Senate Bill 149 is in Senate Finance.

POSITIONS:					

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Division of Motor Vehicles (DMV)

EFFECTIVE DATE: Upon Enactment

BILL SUMMARY: DMV will make permanent registration plates available to nationally chartered charitable organizations, at a fee of $6.00, for all trailers that are used only for parade floats and for transporting vehicles and structures used only in parades.

ASSUMPTIONS AND METHODOLOGY: The Shriners appear to be the major organization that would be affected by this legislation and the three main Temples in North Carolina have a total of approximately 38 trailers that would qualify. For these trailers the annual fee of $10 would become a one time fee of $6. The loss in revenue would be $4 per trailer in the first year and $10 per trailer in subsequent years.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Transportation, Division of Motor Vehicles, Vehicle Registration Section.

EFFECTIVE DATE: July 1, 1999.

AMENDMENT SUMMARY: The amendment authorizes a special plate for retired highway patrol officers. The bill requires 300 applications before the license is produced.

ASSUMPTIONS AND METHODOLOGY: Because it is not clear how many plates will be ordered, the fiscal analysis assumes the minimum 300 plates will be requested. The DMV will charges an additional $10.00 for each plate. Assuming 300 plates are ordered, the bill creates $3,000 in new revenue.

DMV indicates that the programming cost to set up a new special plate is approximately $11,120. Other start up costs are approximately $100.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1999

S 1

SENATE BILL 499

Short Title: Boat Registration Fees/AB. (Public)

Sponsors: Senator Hoyle.

Referred to: Finance.

March 25, 1999

A BILL TO BE ENTITLED

AN ACT TO REQUIRE CANOES AND KAYAKS TO BE REGISTERED AND TO INCREASE THE FEES FOR REGISTRATION OF BOATS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 75A-4 reads as rewritten:

"**§ 75A-4. Identification numbers required.**

Every vessel on the waters of this State shall be ~~numbered.~~ numbered, except those vessels exempted from numbering under G.S. 75A-7. No person shall operate or give permission for the operation of any vessel on such waters unless the vessel is numbered in accordance with this Chapter, or in accordance with applicable federal law, or in accordance with a federally approved numbering system of another state, and unless

(1) The certificate of number awarded to such vessel is in full force and effect, and

(2) The identifying number set forth in the certificate of number is displayed on each side of the bow of such vessel."

Section 2. G.S. 75A-5(a) reads as rewritten:

"(a) The owner of each vessel requiring numbering by this State shall file an application for number with the Wildlife Resources Commission on forms approved by it. The application shall be signed by the owner of the vessel, or his agent, and shall be accompanied by a fee of ~~eight dollars ($8.00)~~ ten dollars ($10.00) for a one-year period or by a fee of ~~twenty dollars ($20.00)~~ twenty-five dollars ($25.00) for a three-year period; provided, however, there shall be no fee charged for vessels owned and operated by nonprofit rescue squads if they are operated exclusively for

rescue purposes, including rescue training. The applicant shall have the option of selecting a one-year numbering period or a three-year numbering period. Upon receipt of the application in approved form, the Commission shall have the same entered upon the records of its office and issue to the applicant a certificate of number stating the number awarded to the vessel and the name and address of the owner, and a validation decal indicating the expiration date of the certificate of number. The owner shall paint on or attach to each side of the bow of the vessel the identification number in such manner as may be prescribed by rules of the Commission in order that it may be clearly visible. The number shall be maintained in legible condition. The validation decal shall be displayed on the starboard bow of the vessel immediately following the number. The certificate of number shall be pocket size and shall be available at all times for inspection on the vessel for which issued, whenever such vessel is in operation. Provided, however, any person charged with failing to so carry such certificate of number shall not be convicted if he produces in court a certificate of number theretofore issued to him and valid at the time of his arrest."

Section 3. G.S. 75A-5(c) reads as rewritten:

"(c) Should the ownership of a vessel change, a new application form with a fee of ~~eight dollars ($8.00)~~ ten dollars ($10.00) for a one-year period or by a fee of ~~twenty dollars ($20.00)~~ twenty-five dollars ($25.00) for a three-year period shall be filed with the Wildlife Resources Commission and a new certificate bearing the same number shall be awarded the new owner in the manner as provided for in an original award of number. In case a certificate should become lost, a new certificate bearing the same number shall be issued upon payment of a fee of two dollars ($2.00). Possession of the certificate shall in cases involving prosecution for violation of any provision of this Chapter be prima facie evidence that the person whose name appears therein is the owner of the boat referred to therein."

Section 4. G.S. 75A-3(c) reads as rewritten:

"(c) The Boating Account is established within the Wildlife Resources Fund created under G.S. 143-250. All moneys collected pursuant to the numbering and titling provisions of this Chapter shall be credited to this Account. Gasoline excise tax revenue is credited to the Account under G.S. 105-449.126. Revenue in the Account shall be used by the Wildlife Resources Commission, subject to the Executive Budget Act and the Personnel Act, for the administration and enforcement of this Chapter; for activities relating to boating and water safety including education and waterway marking and improvement; and for boating access area acquisition, development, and maintenance. At least three dollars from each boat registration fee collected under the numbering provisions of G.S. 75A-5(c) shall be used for boating access area acquisition, development, and maintenance."

Section 5. G.S. 75A-7(a) reads as rewritten:

(a) A vessel shall not be required to be numbered under this Chapter if it is:

(1) A vessel which is required to be awarded a number pursuant to federal law or a federally approved numbering system of another state, and for which a number has been so awarded: Provided, that

any such boat shall not have been within this State for a period in excess of 90 consecutive days.

(2) A vessel from a country other than the United States temporarily using the waters of this State.

(3) A vessel whose owner is the United States, a state or a subdivision thereof.

(4) A ship's lifeboat.

(5) A vessel which has a valid marine document issued by the Bureau of Customs of the United States government or any federal agency successor thereto.

(6) A sailboat of not more than 14 feet on the load water line (LWL).

(7) A vessel other than a canoe or a kayak with no means of propulsion other than drifting or manual paddling, poling, or rowing.
