~~The clerks of superior courts of this State have power and jurisdiction to accept the resignation of trustees and to appoint their successors in the manner provided by this Article.~~

"§ 36A-23.1. Court; jurisdiction of trusts.

(a) The clerks of superior court of this State have original jurisdiction over all proceedings initiated by interested persons concerning the internal affairs of trusts except proceedings to modify or terminate trusts. Except as provided in subdivision (3) of this subsection, the clerk's jurisdiction is exclusive. Proceedings that may be maintained under this subsection are those concerning the administration and distribution of trusts, the declaration of rights, and the determination of other matters involving trustees and trust beneficiaries, to the extent that those matters are not otherwise provided for in the governing instrument. These include proceedings:

(1) To appoint or remove a trustee;

(2) To review trustees' fees pursuant to G.S. 32-50 and review and settle interim or final accounts; and

(3) To ascertain beneficiaries, to determine any question arising in the administration or distribution of any trust, including questions of construction of trust instruments, and to determine the existence or nonexistence of trusts created other than by will and the existence or nonexistence of any immunity, power, privilege, duty, or right. Nothing in this section shall be construed (i) to confer upon the clerk any authority to regulate or supervise the actions of a trustee except to the extent that the trustee's actions are inconsistent with the provisions of the governing instrument or of State law, or (ii) to confer upon any interested person any additional right, remedy, or cause of action not otherwise conferred by law.

(c) Nothing in this section affects the right of a person to file an action for declaratory relief under the provisions of Article 26 of Chapter 1 of the General Statutes.

~~"§ 36A-24. Petition; contents and verification.~~

~~When any trustee desires to resign his trust, he shall file his petition in the office of the clerk of superior court of the county in which he qualified or in which the instrument under which he claims is registered. The petition shall set forth all the facts in connection with the appointment and qualifications as such trustee, with a copy of the instrument under which he acts; shall state the names, ages, and residences of all the beneficiaries and other parties interested in the trust estate; shall contain a full and complete statement of all debts or liabilities due by the estate, and a full and complete statement of all assets belonging to said estate, and a full and complete statement of all moneys, securities, or assets in the hands of the trustee and due the estate, together with a full statement of the reasons the applicant should be permitted to resign his trust. The petition shall be verified by the oath of the applicant.~~

"**§ 36A-24.1. Trust proceedings; venue.**

(a) If the trustee is required to account to the clerk, then unless the terms of the governing instrument provide otherwise, venue for proceedings under G.S. 36A-23.1 involving trusts is the place where the accountings are filed.

(b) If the trustee is not required to account to the clerk, then unless the terms of the governing instrument provide otherwise, venue for proceedings under G.S. 36A-23.1 involving trusts is in any county of this State in which the trust has its principal place of administration or where any beneficiary resides.

(c) Unless otherwise designated in the governing instrument, the principal place of administration of the trust is the trustee's usual place of business where the records pertaining to the trust are kept, or at the trustee's residence if the trustee has no such place of business. In the case of cotrustees, the principal place of administration, if not otherwise designated in the governing instrument, is:

(1) The usual place of business of the corporate trustee if there is but one corporate cotrustee; or

(2) The usual place of business or residence of any of the cotrustees.

~~"§ 36A-25. Parties; hearing; successor appointed.~~

~~Upon the filing of the petition, the clerk shall docket the cause as a special proceeding, with the trustee as plaintiff and the beneficiaries as defendants, and shall issue the summons for the defendants. Proceedings under this section are subject to Article 33 of Chapter 1 of the General Statutes. A beneficiary, creditor, or other person interested in the trust estate has the right to answer the petition and to offer evidence why the prayer of the petition should not be granted. The clerk shall then proceed to hear and determine the matter. If it appears to the clerk that the best interests of the creditors and the beneficiaries demand that the resignation of the trustee be accepted or if it appears to the clerk that sufficient reasons exist for allowing the resignation and that the resignation can be allowed without prejudice to the rights of creditors or the beneficiaries, the clerk may, in the exercise of the clerk's discretion, allow the applicant to resign. The clerk shall appoint the successor of the petitioner in the manner provided in this Article.~~

"**§ 36A-25.1. Trust proceedings; dismissal of matters relating to foreign trusts.**

The clerk of superior court shall not, over the objection of a party, entertain proceedings under G.S. 36A-23.1 involving a trust having its principal place of administration in another state, except:

(1) When all appropriate parties could not be bound by litigation in the courts of the state in which the trust had its principal place of administration; or

(2) When the interests of justice otherwise would be seriously impaired.

The clerk may condition a stay or dismissal of a proceeding under this section on the consent of any party to jurisdiction of the state in which the trust has its principal place of administration, or the clerk may grant a continuance or enter any other appropriate order.

~~"§ 36A-26. Resignation allowed; costs; judge's approval.~~

~~In making an order allowing the trustee to resign, the clerk shall make such order concerning the costs of the proceedings and commissions to the trustee as may be just. If there is no appeal from the decision and order of the clerk within the time prescribed by law, the proceedings shall be submitted to the judge of the superior court and approved by him before the same shall become effective.~~

"**§ 36A-26.1. Trust proceedings; necessary parties.**

Proceedings under G.S. 36A-23.1 are initiated by filing a petition or complaint in the office of the clerk of superior court. Upon the filing of the petition, the clerk shall docket the cause as an estate matter. All known beneficiaries, trustees, or cotrustees not joined as petitioners shall be joined as respondents. The clerk shall issue the summons for the respondents. The clerk may order notification of additional persons. An order is valid as to all persons who are given notice of the proceeding even if all interested persons are not notified. The beneficiaries, creditors, or any other persons interested in the trust estate have the right to answer the petition and to offer evidence against granting the petition. The clerk shall then proceed to hear and determine the matter as provided for in G.S. 1-301.3.

"**§ 36A-26.2. Waiver of notice.**

An interested person, or a person representing an interested person as provided in G.S. 36A-26.3, may waive notice by a writing signed by the person or the person's attorney and filed in the proceeding.

"**§ 36A-26.3. When parties represented by others.**

In proceedings involving trusts, the following rules apply:

(1) Interests to be affected shall be described in pleadings that give reasonable information to interested persons by name or class, by reference to the instrument creating the interests, or in some other appropriate manner.

(2) Interested persons shall be represented by others in the following cases:

a. The sole holder or all coholders of a power of revocation or a presently exercisable general power of appointment, including one in the form of a power of amendment, shall represent other persons to the extent that their interests, as objects, takers in default, or otherwise, are subject to the power.

b. If the clerk finds that there is no conflict of interest between the interested person and the person representing the interested person, or among persons represented, a guardian of the estate shall represent the person whose estate the guardian controls; a guardian of the person shall represent the ward if no guardian of the ward's estate has been appointed; a trustee shall represent beneficiaries of the trust in proceedings to probate a will establishing or adding to the trust, to review the acts or accounts of a prior fiduciary, and in other proceedings involving creditors or other third parties; and a personal representative shall represent persons interested in the undistributed assets of the decedent's estate in actions or proceedings by or against the estate. If there is no conflict of interest and no guardian of the estate or guardian of the person has been appointed, a parent shall represent a minor child.

c. If the clerk finds that another party has an interest in the proceeding substantially identical to the interest of an unborn or unascertained person who is not otherwise represented, that party shall represent the unborn or unascertained person.

d. At any point in a proceeding, a clerk shall allow an attorney-in-fact to represent the attorney-in-fact's principal, provided that, if the principal is incapacitated, the power of attorney is durable as defined in G.S. 32A-8, and provided that the power of attorney grants to the attorney-in-fact either (i) the authority to do, execute, or perform any act that the principal might or could do or otherwise evidences the principal's intent to give the attorney-in-fact full power to handle the principal's affairs or deal with the principal's property; (ii) the powers described under G.S. 32A-2(2) and G.S. 32A-2(8) and, if interests in real property are affected, the powers described in G.S. 32A-2(1); or (iii) other direct or indirect authority the clerk deems sufficient in the clerk's discretion.

(3) At any point in the proceeding, the clerk may appoint a guardian ad litem to represent the interest of a minor, an incapacitated, unborn, or unascertained person, or a person whose identity is unknown, if the clerk determines that representation of the interest otherwise would be inadequate. If not precluded by a conflict of interest, a guardian ad litem may be appointed to represent several persons or interests. The clerk shall set forth the clerk's reasons for appointing a guardian ad litem as a part of the record of the proceedings.

Nothing in this section authorizes the disbursement of funds distributable to an interested person to a person authorized to represent that person under this section.

"**§ 36A-27. ~~Appeal; stay effected by appeal.~~ Appeal.**

Any party in interest may appeal from the decision of the clerk to ~~the judge at chambers, and in such event the procedure for appeal is governed by Article 27A of Chapter 1 of the General Statutes. If the clerk allows the resignation and an appeal is taken from the decision of the clerk, the appeal stays the judgment and order of the clerk until the cause is heard and determined by the judge upon the appeal taken.~~ a superior court judge as provided for in G.S. 1-301.3.

"**§ 36A-29. Final accounting before resignation.**

~~No~~ If the trustee is required to account to the clerk of superior court, then unless the terms of the governing instrument provide otherwise, no trustee shall be ~~allowed or~~ permitted to resign ~~his trust~~ as trustee until ~~he shall first file with the court his~~ a final account of the trust ~~estate,~~ estate is filed with the clerk, and until the court shall be satisfied that the ~~said~~ account is true and correct.

~~**§ 36A-30. Resignation effective on settlement with successor.**~~

~~In case the resignation of the trustee is accepted by the court, the resignation shall not release or discharge the trustee from liability, until he shall have filed an account acceptable to his successor in full for all moneys, securities, property, or other assets or things of value in his possession or under his control or which should be in his possession or under his control belonging to the trust estate, and such account has been approved by the court.~~

"§ 36A-31. ~~Court to appoint successor; when~~ When bond required.

~~If the court shall allow any trustee to resign his trust upon compliance with the provisions of this Article, it shall be the duty of the court to proceed to appoint some fit and suitable person as the successor of such trustee; and the court shall require the person so appointed to give bond with sufficient surety, approved by the court,~~ A trustee need not provide bond to secure performance of the trustee's duties unless required by the terms of the governing instrument, reasonably requested by a beneficiary, or found by the clerk to be necessary to protect the interests of beneficiaries who are not able to protect themselves and whose interests otherwise are not adequately represented. However, in no event shall bond be required if the governing instrument directs otherwise. On petition of the trustee or other interested person, the clerk may excuse a requirement of bond, reduce the amount of the bond, release the surety, or permit the substitution of another bond with the same or different sureties. If the governing instrument is silent as to the requirement of a bond and the clerk finds that no bond is necessary, or if the clerk excuses or reduces the bond requirement, the clerk's decision must be approved by a superior court judge unless all beneficiaries have been notified of the decision. If bond is required, it shall be in a sum double the value of the personal property to come into ~~his~~ the trustee's hands when bond is executed by a personal ~~surety~~ surety, and in an amount not less than one and one-fourth times the value of all personal property of the ~~decedent~~ trust estate when the bond is secured by a suretyship bond executed by a corporate surety company authorized by the Commissioner of Insurance to do business in this State, provided that the clerk of superior court, when the value of the personal property exceeds one hundred thousand dollars ($100,000), may accept bond in an amount equal to the value of the personal property plus ten percent (10%) thereof, conditioned upon the faithful performance of ~~his~~ the trustee's duties ~~as such trustee~~ and for the payment to the persons entitled to receive ~~the same of~~ all moneys, assets, or other things of value which may come into ~~his hands; provided, that where by the terms of the creating instrument the trustee who has resigned was not required to give bond and did not give bond and an intent is expressed in the creating instrument that a successor trustee shall serve without bond, or where the clerk, upon due investigation finds that bond is not necessary for the protection of the estate, the clerk, with the approval of the judge, upon the petition of any party in interest, may waive the requirement of a bond for the successor trustee and permit said successor trustee to serve without bond.~~ the trustee's hands. All bonds executed under the provisions of this Article shall be filed with the clerk.

"§ 36A-32. Rights and duties devolve on successor.

~~Upon the acceptance by the court of the resignation of any trustee, and upon the appointment by the court of his successor in the manner provided by this Article, the~~ A successor trustee shall succeed to all the rights, powers, and privileges, and shall be subject to all the duties, liabilities, and responsibilities that were imposed upon the original trustee unless a contrary intent appears from the ~~creating~~ governing instrument.

"§ 36A-33. Appointment of ~~successors to deceased or incapacitated trustees.~~ successor trustee on clerk's own motion.

~~Upon the death or incapacity of a trustee, a new trustee may be appointed on application by a beneficiary or other interested person by petition to the clerk of the superior court of the county in which the instrument under which the deceased or incapacitated trustee claimed is registered. The petition shall make all necessary parties defendants. Proceedings under this section are special proceedings subject to Article 33 of Chapter 1 of the General Statutes. A beneficiary, creditor, or other person interested in the trust estate has the right to answer the petition and to offer evidence why the prayer of the petition should not be granted. After hearing the matter, the clerk may appoint the person named in the petition or some other fit and suitable person or corporation to act as the successor of the deceased or incapacitated trustee. The clerk shall require the person so appointed to give bond as required in G.S. 36A-31. If the instrument under which the deceased or incapacitated trustee claimed, however, does not require the trustee to give bond and expresses an intent that a successor trustee serve without bond, or if the clerk upon due investigation, finds that bond is not necessary for the protection of the estate, the requirement of a bond for the successor trustee may be waived as provided in G.S. 36A-31. Any party in interest may appeal from the order or judgment of the clerk as provided in Article 27A of Chapter 1 of the General Statutes.~~

~~Nothing~~ Unless the governing instrument provides otherwise, if the trustee is required to account to the clerk of court, nothing in this ~~section~~ Article shall be construed to limit the authority of the clerk ~~of superior court~~ to appoint a successor trustee to a deceased or incapacitated trustee upon the clerk's own motion.

~~"§ 36A-34. Testamentary trustee may renounce.~~

~~(a) Any person or corporation named as trustee in any will admitted to probate in this State, or any substitute trustee, may at any time prior to qualifying as required by G.S. 36A-107 or taking any action as trustee if such qualification is not required, and whether or not such person or corporation is entitled to so qualify or act, renounce such trusteeship by a writing filed with the clerk of superior court of the county in which the will is admitted to probate. Upon receipt of such renunciation the clerk shall give notice thereof to all persons interested in the trust, including successor or substitute trustees named in the will, which notice shall also comply with the requirements of subsection (e) of this section.~~

~~(b) If the will names or identifies a substitute trustee in case of renunciation, the provisions of the will shall be complied with, and the clerk shall enter an appropriate order appointing the substitute trustee in accordance therewith unless the substitute trustee also renounces. A substitute trustee so named shall succeed to the office of~~

~~trustee upon the date of the order of appointment by the clerk unless the will provides otherwise.~~

~~(c) If the will does not name or identify a substitute trustee in case of renunciation, and it appears that a substitute trustee should be appointed, the clerk shall appoint some fit and suitable person or corporation as substitute trustee. If the will does not name or identify a substitute trustee, but contains provisions regarding the selection of a substitute trustee, such provisions shall be complied with unless the clerk determines that such provisions would result in the selection of an unfit or unsuitable trustee. A substitute trustee so appointed shall succeed to the office of trustee upon the date of the order of appointment unless the will provides otherwise.~~

~~(d) A substitute trustee shall, upon succeeding to the office of trustee, unless the will provides otherwise, have such powers and duties and be vested with the title to the property included in the trust, as if the substitute trustee had been originally named in the will.~~

~~(e) Each notice required by this section shall be written notice, and shall identify the proceeding and apprise the person to be notified of the nature of the action to be taken. Service of such notice may be in the same manner as is provided for service of notice in civil actions, or by mailing the notice to the person to be notified at his last known address. Service of notice must be completed not less than 10 days prior to the date the hearing is held or the action is taken. Service by mail shall be complete upon deposit of the notice enclosed in a postpaid, properly addressed wrapper in a post office or official depository under the exclusive care and custody of the United States Post Office Department.~~

~~(f) The clerk of superior court shall file, docket, and index all proceedings pursuant to this section in the same manner as special proceedings, and shall also enter with the will a notation that the trustee has renounced and a reference to the file, or other place where the record may be found.~~

~~"§ 36A-35. Removal of trustee.~~

~~Any beneficiary, cotrustee or other person interested in the trust estate may file a petition in the office of the clerk of superior court of the county having jurisdiction over the administration of the trust for the removal of a trustee or cotrustee who fails to comply with the requirements of this Chapter or a court order, or who is otherwise unsuitable to continue in office. Upon the filing of the petition, the clerk shall docket the cause as a special proceeding, with the petitioner as plaintiff. All known beneficiaries, trustees, or cotrustees not joined as plaintiffs shall be joined as defendants. Upon proper notice and hearing, the clerk may, in the exercise of his discretion, order the removal of the trustee or cotrustee and proceed to appoint a successor. The procedure for notice, hearing, appeals, and the effective date of the order, shall be in accord with that provided for in the case of a resignation of a trustee and the appointment of a successor in G.S. 36A-24 through 36A-32.~~

~~Nothing in this section shall be construed to limit the authority of the clerk of superior court to remove a trustee or cotrustee for failure to comply with the~~

~~requirements of this Chapter or a court order, or who is otherwise unsuitable to continue in office.~~

"§ 36A-36. Appointment of special trustee.

A special trustee may be appointed without notice and may be removed whenever the court so orders. The special trustee shall give such bond, if any, as the court may require and shall have the powers conferred by the order of appointment.

"§ 36A-37. Consolidation, merger, reorganization, reincorporation, or transfer of assets and liabilities by a corporate trustee.

~~**"§ 36A-38. Powers of successor trustee.**~~

~~Unless otherwise provided in the creating instrument, all powers conferred upon the trustee by such instrument attached to the office, as provided in G.S. 36A-72, and are exercisable by the trustee from time to time holding the office.~~

"§ 36A-39. Powers of cotrustees.

(3) To ascertain beneficiaries, to determine any question arising in the administration or distribution of any trust, including questions of construction of trust instruments, and to determine the existence or nonexistence of trusts created other than by will and the existence or nonexistence of any immunity, power, privilege, duty, or right. The clerk, on the clerk's own motion, may determine that a proceeding to determine an issue listed in this subdivision shall be originally heard by a superior court judge.

(b) The management and distribution of a trust estate, submission of accounts and reports to beneficiaries, payment of trustees' fees and other obligations of a trust, acceptance and change of trusteeship, and other aspects of the administration of a trust shall proceed expeditiously, consistent with the terms of the trust, free of judicial intervention and without order, approval, or other action of any court, subject to the jurisdiction of the clerk as invoked by interested parties or as otherwise exercised as provided by law. Nothing in this section shall be construed (i) to confer upon the clerk any authority to regulate or supervise the actions of a trustee except to the extent that the trustee's actions are inconsistent with the provisions of the governing instrument or of State law, or (ii) to confer upon any interested person any additional right, remedy, or cause of action not otherwise conferred by law.

(c) Nothing in this section affects the right of a person to file an action for declaratory relief under the provisions of Article 26 of Chapter 1 of the General Statutes.

~~"§ 36A-24. Petition; contents and verification.~~

~~When any trustee desires to resign his trust, he shall file his petition in the office of the clerk of superior court of the county in which he qualified or in which the instrument under which he claims is registered. The petition shall set forth all the facts in connection with the appointment and qualifications as such trustee, with a copy of the instrument under which he acts; shall state the names, ages, and residences of all the beneficiaries and other parties interested in the trust estate; shall contain a full and complete statement of all debts or liabilities due by the estate, and a full and complete statement of all assets belonging to said estate, and a full and complete statement of all moneys, securities, or assets in the hands of the trustee and due the estate, together with a full statement of the reasons the applicant should be permitted to resign his trust. The petition shall be verified by the oath of the applicant.~~

"**§ 36A-24.1. Trust proceedings; venue.**

(a) If the trustee is required to account to the clerk, then unless the terms of the governing instrument provide otherwise, venue for proceedings under G.S. 36A-23.1 involving trusts is the place where the accountings are filed.

(b) If the trustee is not required to account to the clerk, then unless the terms of the governing instrument provide otherwise, venue for proceedings under G.S. 36A-23.1 involving trusts is in any county of this State in which the trust has its principal place of administration or where any beneficiary resides. Unless otherwise designated in the governing instrument, the principal place of administration of the trust is the trustee's usual place of business where the records pertaining to the trust are kept, or at the

trustee's residence if the trustee has no such place of business. In the case of cotrustees, the principal place of administration, if not otherwise designated in the governing instrument, is:

(1) The usual place of business of the corporate trustee if there is but one corporate cotrustee; or

(2) The usual place of business or residence of any of the cotrustees.

~~"§ 36A-25. Parties; hearing; successor appointed.~~

~~Upon the filing of the petition, the clerk shall docket the cause as a special proceeding, with the trustee as plaintiff and the beneficiaries as defendants, and shall issue the summons for the defendants. Proceedings under this section are subject to Article 33 of Chapter 1 of the General Statutes. A beneficiary, creditor, or other person interested in the trust estate has the right to answer the petition and to offer evidence why the prayer of the petition should not be granted. The clerk shall then proceed to hear and determine the matter. If it appears to the clerk that the best interests of the creditors and the beneficiaries demand that the resignation of the trustee be accepted or if it appears to the clerk that sufficient reasons exist for allowing the resignation and that the resignation can be allowed without prejudice to the rights of creditors or the beneficiaries, the clerk may, in the exercise of the clerk's discretion, allow the applicant to resign. The clerk shall appoint the successor of the petitioner in the manner provided in this Article.~~

"**§ 36A-25.1. Trust proceedings; dismissal of matters relating to foreign trusts.**

The clerk of superior court shall not, over the objection of a party, entertain proceedings under G.S. 36A-23.1 involving a trust having its principal place of administration in another state, except:

(1) When all appropriate parties could not be bound by litigation in the courts of the state in which the trust had its principal place of administration; or

(2) When the interests of justice otherwise would be seriously impaired.

The clerk may condition a stay or dismissal of a proceeding under this section on the consent of any party to jurisdiction of the state in which the trust has its principal place of administration, or the clerk may grant a continuance or enter any other appropriate order.

~~"§ 36A-26. Resignation allowed; costs; judge's approval.~~

~~In making an order allowing the trustee to resign, the clerk shall make such order concerning the costs of the proceedings and commissions to the trustee as may be just. If there is no appeal from the decision and order of the clerk within the time prescribed by law, the proceedings shall be submitted to the judge of the superior court and approved by him before the same shall become effective.~~

"**§ 36A-26.1. Trust proceedings; necessary parties.**

Proceedings under G.S. 36A-23.1 are initiated by filing a petition or complaint in the office of the clerk of superior court. Upon the filing of the petition, the clerk shall docket the cause as an estate matter. All known beneficiaries, trustees, or cotrustees not joined as petitioners shall be joined as respondents. The clerk shall issue the summons for the respondents. The clerk may order notification of additional persons. An order is

valid as to all persons who are given notice of the proceeding even if all interested persons are not notified. The beneficiaries, creditors, or any other persons interested in the trust estate have the right to answer the petition and to offer evidence against granting the petition. The clerk shall then proceed to hear and determine the matter as provided for in G.S. 1-301.3.

"**§ 36A-26.2. Waiver of notice.**

An interested person, or a person representing an interested person as provided in G.S. 36A-26.3, may waive notice by a writing signed by the person or the person's attorney and filed in the proceeding.

"**§ 36A-26.3. When parties represented by others.**

In proceedings involving trusts, the following rules apply:

(1) Interests to be affected shall be described in pleadings that give reasonable information to interested persons by name or class, by reference to the instrument creating the interests, or in some other appropriate manner.

(2) Interested persons shall be represented by others in the following cases:

a. The sole holder or all coholders of a power of revocation or a presently exercisable general power of appointment, including one in the form of a power of amendment, shall represent other persons to the extent that their interests, as objects, takers in default, or otherwise, are subject to the power.

b. If the clerk finds that there is no conflict of interest between the interested person and the person representing the interested person, or among persons represented, a guardian of the estate shall represent the person whose estate the guardian controls; a guardian of the person shall represent the ward if no guardian of the ward's estate has been appointed; a trustee shall represent beneficiaries of the trust in proceedings to probate a will establishing or adding to the trust, to review the acts or accounts of a prior fiduciary, and in other proceedings involving creditors or other third parties; and a personal representative shall represent persons interested in the undistributed assets of the decedent's estate in actions or proceedings by or against the estate. If there is no conflict of interest and no guardian of the estate or guardian of the person has been appointed, a parent shall represent a minor child.

c. If the clerk finds that another party has an interest in the proceeding substantially identical to the interest of an unborn or unascertained person who is not otherwise represented, that party shall represent the unborn or unascertained person.

d. At any point in a proceeding, a clerk shall allow an attorney-in-fact to represent the attorney-in-fact's principal, provided that, if the principal is incapacitated, the power of attorney is durable

as defined in G.S. 32A-8, and provided that the power of attorney grants to the attorney-in-fact either (i) the authority to do, execute, or perform any act that the principal might or could do or otherwise evidences the principal's intent to give the attorney-in-fact full power to handle the principal's affairs or deal with the principal's property; (ii) the powers described under G.S. 32A-2(2) and G.S. 32A-2(8) and, if interests in real property are affected, the powers described in G.S. 32A-2(1); or (iii) other direct or indirect authority the clerk deems sufficient in the clerk's discretion.

(3) At any point in the proceeding, the clerk may appoint a guardian ad litem to represent the interest of a minor, an incapacitated, unborn, or unascertained person, or a person whose identity is unknown, if the clerk determines that representation of the interest otherwise would be inadequate. If not precluded by a conflict of interest, a guardian ad litem may be appointed to represent several persons or interests. The clerk shall set forth the clerk's reasons for appointing a guardian ad litem as a part of the record of the proceedings.

Nothing in this section authorizes the disbursement of funds distributable to an interested person to a person authorized to represent that person under this section.

"**§ 36A-27. ~~Appeal; stay effected by appeal.~~ Appeal.**

Any party in interest may appeal from the decision of the clerk to ~~the judge at chambers, and in such event the procedure for appeal is governed by Article 27A of Chapter 1 of the General Statutes. If the clerk allows the resignation and an appeal is taken from the decision of the clerk, the appeal stays the judgment and order of the clerk until the cause is heard and determined by the judge upon the appeal taken.~~ a superior court judge as provided for in G.S. 1-301.3.

"**§ 36A-28:** Repealed by Session Laws 1999-216, s. 2, effective January 1, 2000.

"**§ 36A-29. Final accounting before resignation.**

~~No~~ If the trustee is required to account to the clerk of superior court, then unless the terms of the governing instrument provide otherwise, no trustee shall be ~~allowed or~~ permitted to resign ~~his trust~~ as trustee until ~~he shall first file with the court his~~ a final account of the trust ~~estate,~~ estate is filed with the clerk, and until the court shall be satisfied that the ~~said~~ account is true and correct.

~~**§ 36A-30. Resignation effective on settlement with successor.**~~

~~In case the resignation of the trustee is accepted by the court, the resignation shall not release or discharge the trustee from liability, until he shall have filed an account acceptable to his successor in full for all moneys, securities, property, or other assets or things of value in his possession or under his control or which should be in his possession or under his control belonging to the trust estate, and such account has been approved by the court.~~

"**§ 36A-31. ~~Court to appoint successor; when~~ When bond required.**

~~If the court shall allow any trustee to resign his trust upon compliance with the provisions of this Article, it shall be the duty of the court to proceed to appoint some fit~~

~~and suitable person as the successor of such trustee; and the court shall require the person so appointed to give bond with sufficient surety, approved by the court,~~ A trustee need not provide bond to secure performance of the trustee's duties unless required by the terms of the governing instrument, reasonably requested by a beneficiary, or found by the clerk to be necessary to protect the interests of beneficiaries who are not able to protect themselves and whose interests otherwise are not adequately represented. However, in no event shall bond be required if the governing instrument directs otherwise. On petition of the trustee or other interested person, the clerk may excuse a requirement of bond, reduce the amount of the bond, release the surety, or permit the substitution of another bond with the same or different sureties. If the governing instrument is silent as to the requirement of a bond and the clerk finds that no bond is necessary, or if the clerk excuses or reduces the bond requirement, the clerk's decision must be approved by a superior court judge unless all beneficiaries have been notified of the decision. If bond is required, it shall be in a sum double the value of the personal property to come into ~~his~~ the trustee's hands when bond is executed by a personal ~~surety~~ surety, and in an amount not less than one and one-fourth times the value of all personal property of the ~~decedent~~ trust estate when the bond is secured by a suretyship bond executed by a corporate surety company authorized by the Commissioner of Insurance to do business in this State, provided that the clerk of superior court, when the value of the personal property exceeds one hundred thousand dollars ($100,000), may accept bond in an amount equal to the value of the personal property plus ten percent (10%) thereof, conditioned upon the faithful performance of ~~his~~ the trustee's duties ~~as such trustee~~ and for the payment to the persons entitled to receive ~~the same of~~ all moneys, assets, or other things of value which may come into ~~his hands; provided, that where by the terms of the creating instrument the trustee who has resigned was not required to give bond and did not give bond and an intent is expressed in the creating instrument that a successor trustee shall serve without bond, or where the clerk, upon due investigation finds that bond is not necessary for the protection of the estate, the clerk, with the approval of the judge, upon the petition of any party in interest, may waive the requirement of a bond for the successor trustee and permit said successor trustee to serve without bond.~~ the trustee's hands. All bonds executed under the provisions of this Article shall be filed with the clerk.

"§ 36A-32. Rights and duties devolve on successor.

~~Upon the acceptance by the court of the resignation of any trustee, and upon the appointment by the court of his successor in the manner provided by this Article, the~~ A successor trustee shall succeed to all the rights, powers, and privileges, and shall be subject to all the duties, liabilities, and responsibilities that were imposed upon the original trustee unless a contrary intent appears from the ~~creating~~ governing instrument.

"§ 36A-33. Appointment of ~~successors to deceased or incapacitated trustees.~~ successor trustee on clerk's own motion.

~~Upon the death or incapacity of a trustee, a new trustee may be appointed on application by a beneficiary or other interested person by petition to the clerk of the superior court of the county in which the instrument under which the deceased or incapacitated trustee claimed is registered. The petition shall make all necessary parties~~

~~defendants. Proceedings under this section are special proceedings subject to Article 33 of Chapter 1 of the General Statutes. A beneficiary, creditor, or other person interested in the trust estate has the right to answer the petition and to offer evidence why the prayer of the petition should not be granted. After hearing the matter, the clerk may appoint the person named in the petition or some other fit and suitable person or corporation to act as the successor of the deceased or incapacitated trustee. The clerk shall require the person so appointed to give bond as required in G.S. 36A-31. If the instrument under which the deceased or incapacitated trustee claimed, however, does not require the trustee to give bond and expresses an intent that a successor trustee serve without bond, or if the clerk upon due investigation, finds that bond is not necessary for the protection of the estate, the requirement of a bond for the successor trustee may be waived as provided in G.S. 36A-31. Any party in interest may appeal from the order or judgment of the clerk as provided in Article 27A of Chapter 1 of the General Statutes.~~

~~Nothing~~ Unless the governing instrument provides otherwise, if the trustee is required to account to the clerk of court, nothing in this ~~section~~ Article shall be construed to limit the authority of the clerk ~~of superior court~~ to appoint a successor trustee to a deceased or incapacitated trustee upon the clerk's own motion.

~~"§ 36A-34. Testamentary trustee may renounce.~~

~~(a) Any person or corporation named as trustee in any will admitted to probate in this State, or any substitute trustee, may at any time prior to qualifying as required by G.S. 36A-107 or taking any action as trustee if such qualification is not required, and whether or not such person or corporation is entitled to so qualify or act, renounce such trusteeship by a writing filed with the clerk of superior court of the county in which the will is admitted to probate. Upon receipt of such renunciation the clerk shall give notice thereof to all persons interested in the trust, including successor or substitute trustees named in the will, which notice shall also comply with the requirements of subsection (e) of this section.~~

~~(b) If the will names or identifies a substitute trustee in case of renunciation, the provisions of the will shall be complied with, and the clerk shall enter an appropriate order appointing the substitute trustee in accordance therewith unless the substitute trustee also renounces. A substitute trustee so named shall succeed to the office of trustee upon the date of the order of appointment by the clerk unless the will provides otherwise.~~

~~(c) If the will does not name or identify a substitute trustee in case of renunciation, and it appears that a substitute trustee should be appointed, the clerk shall appoint some fit and suitable person or corporation as substitute trustee. If the will does not name or identify a substitute trustee, but contains provisions regarding the selection of a substitute trustee, such provisions shall be complied with unless the clerk determines that such provisions would result in the selection of an unfit or unsuitable trustee. A substitute trustee so appointed shall succeed to the office of trustee upon the date of the order of appointment unless the will provides otherwise.~~

~~(d) A substitute trustee shall, upon succeeding to the office of trustee, unless the will provides otherwise, have such powers and duties and be vested with the title to the~~

~~property included in the trust, as if the substitute trustee had been originally named in the will.~~

~~(e) Each notice required by this section shall be written notice, and shall identify the proceeding and apprise the person to be notified of the nature of the action to be taken. Service of such notice may be in the same manner as is provided for service of notice in civil actions, or by mailing the notice to the person to be notified at his last known address. Service of notice must be completed not less than 10 days prior to the date the hearing is held or the action is taken. Service by mail shall be complete upon deposit of the notice enclosed in a postpaid, properly addressed wrapper in a post office or official depository under the exclusive care and custody of the United States Post Office Department.~~

~~(f) The clerk of superior court shall file, docket, and index all proceedings pursuant to this section in the same manner as special proceedings, and shall also enter with the will a notation that the trustee has renounced and a reference to the file, or other place where the record may be found.~~

~~"§ 36A-35. Removal of trustee.~~

~~Any beneficiary, cotrustee or other person interested in the trust estate may file a petition in the office of the clerk of superior court of the county having jurisdiction over the administration of the trust for the removal of a trustee or cotrustee who fails to comply with the requirements of this Chapter or a court order, or who is otherwise unsuitable to continue in office. Upon the filing of the petition, the clerk shall docket the cause as a special proceeding, with the petitioner as plaintiff. All known beneficiaries, trustees, or cotrustees not joined as plaintiffs shall be joined as defendants. Upon proper notice and hearing, the clerk may, in the exercise of his discretion, order the removal of the trustee or cotrustee and proceed to appoint a successor. The procedure for notice, hearing, appeals, and the effective date of the order, shall be in accord with that provided for in the case of a resignation of a trustee and the appointment of a successor in G.S. 36A-24 through 36A-32.~~

~~Nothing in this section shall be construed to limit the authority of the clerk of superior court to remove a trustee or cotrustee for failure to comply with the requirements of this Chapter or a court order, or who is otherwise unsuitable to continue in office.~~

"§ 36A-36. Appointment of special trustee.

If it appears necessary to the protection of the trust estate, the clerk of superior court having jurisdiction ~~of~~ over the administration of the trust may appoint a special trustee until a successor trustee can be appointed or, where a trust has terminated, to distribute the assets. A special trustee may be appointed without notice and may be removed whenever the court so orders. The special trustee shall give such bond, if any, as the court may require and shall have the powers conferred by the order of appointment.

"§ 36A-37. Consolidation, merger, reorganization, reincorporation, or transfer of assets and liabilities by a corporate trustee.

Whenever any corporate trustee doing business in this State shall consolidate or merge with or shall sell to and transfer its assets and liabilities to any other corporation, or where such corporate trustee is in any manner reorganized or ~~reincorporated~~

reincorporated, all existing rights, powers, duties, and liabilities of such consolidating, merging, transferring, reorganizing or reincorporating corporation as trustee shall, upon the effective date of such consolidation, merger, reorganization or reincorporation, or sale and transfer, vest in and devolve upon the transferee corporation or the consolidated, merged, reorganized or reincorporated corporation in the manner prescribed in G.S. 53-17.

~~"§ 36A-38. Powers of successor trustee.~~

~~Unless otherwise provided in the creating instrument, all powers conferred upon the trustee by such instrument attached to the office, as provided in G.S. 36A-72, and are exercisable by the trustee from time to time holding the office.~~

"§ 36A-39. Powers of cotrustees.

Unless otherwise provided in the ~~creating~~ governing instrument, if one of several trustees dies, resigns, or is removed, the remaining trustees shall have all rights, title, and powers of all the original trustees. "§ 36A-40. Vesting of title.

~~"§ 36A-41. Applicability.~~

~~The provisions of this Article shall not apply to proceedings begun before January 1, 1978.~~

"§ 36A-42 through 36A-46: Reserved for future codification purposes."

SECTION 2. G.S. 7A-307(a) reads as rewritten:

"(a) In the administration of the estates of decedents, minors, incompetents, of missing persons, and of trusts under wills and under powers of attorney, in trust proceedings under G.S. 36A-23.1, and in collections of personal property by affidavit, the following costs shall be assessed:

(1) For the use of the courtroom and related judicial facilities, the sum of ten dollars ($10.00), to be remitted to the county. Funds derived from the facilities fees shall be used in the same manner, for the same purposes, and subject to the same restrictions, as facilities fees assessed in criminal actions.

(2) For support of the General Court of Justice, the sum of twenty-six dollars ($26.00), plus an additional forty cents (40¢) per one hundred dollars ($100.00), or major fraction thereof, of the gross estate, not to exceed three thousand dollars ($3,000). Gross estate shall include the fair market value of all personalty when received, and all proceeds

from the sale of realty coming into the hands of the fiduciary, but shall not include the value of realty. In collections of personal property by affidavit, the fee based on the gross estate shall be computed from the information in the final affidavit of collection made pursuant to G.S. 28A-25-3 and shall be paid when that affidavit is filed. In all other cases, this fee shall be computed from the information reported in the inventory and shall be paid when the inventory is filed with the clerk. If additional gross estate, including income, comes into the hands of the fiduciary after the filing of the inventory, the fee for such additional value shall be assessed and paid upon the filing of any account or report disclosing such additional value. For each filing the minimum fee shall be ten dollars ($10.00). Sums collected under this subsection shall be remitted to the State Treasurer.

(2a) Notwithstanding subdivision (2) of this subsection, the fee of forty cents (40¢) per one hundred dollars ($100.00), or major fraction, of the gross estate, not to exceed three thousand dollars ($3,000), shall not be assessed on personalty received by a trust under a will when the estate of the decedent was administered under Chapters 28 or 28A of the General Statutes. Instead, a fee of fifteen dollars ($15.00) shall be assessed on the filing of each annual and final account.

(2b) Notwithstanding subdivisions (1) and (2) of this subsection, no costs shall be assessed when the estate is administered or settled pursuant to G.S. 28A-25-6.

(2c) Notwithstanding subdivision (2) of this subsection, the fee of forty cents (40¢) per one hundred dollars ($100.00), or major fraction, of the gross estate shall not be assessed on the gross estate of a trust that is the subject of a proceeding under G.S. 36A-23.1 if there is no requirement in the trust that accountings be filed with the clerk.

(3) For probate of a will without qualification of a personal representative, the clerk shall assess a facilities fee as provided in subdivision (1) of this subsection and shall assess for support of the General Court of Justice, the sum of seventeen dollars ($17.00)."

SECTION 3. This act becomes effective January 1, 2002, and applies to all trustees covered by the provisions of Article 36A of the General Statutes, whether administering trusts established on or after that date.

HOUSE BILL 1070:
Removal/Resignation of Trustees

BILL ANALYSIS

Committee:	Judiciary II	**Introduced by:**	Representative Haire
Date:	June 5, 2001	**Summary by:**	Esther Manheimer
Version:	H1070-CSSK-23[v.1]		Committee Counsel

SUMMARY: *House Bill 1070 rewrites Article 3 of Chapter 36A regarding the resignation and removal of trustees. The Article as rewritten by this bill incorporates part of the Uniform Probate Code and expands the jurisdiction of the clerk of court over proceedings regarding the removal and resignation of trustees to all matters concerning the internal affairs of a trust. The bill would eliminate bond requirements of a trustee and the requirement that a guardian ad litem be appointed in certain situations. In addition, the bill changes current accounting requirements. The bill also makes numerous technical and conforming changes. This act becomes effective January 1, 2001, and applies to all trustees covered by the provisions of Article 36A, whether administering trusts before or after that date.*

BILL ANALYSIS:

Article Title Change. Under House Bill 1070, the title of Article 3 would change from "Resignation, Removal, and Renunciation of Trustees", to "Trust Administration".

Addition of a Definition Section: This bill includes the following terms in a definition section in Article 3: beneficiary, fiduciary, interested person, person, trust, and trustee.

Clerk of Superior Court's Jurisdiction: Under current law, the clerk of superior court has jurisdiction over matters regarding the resignation and removal of trustees. However, the clerk's order must be submitted to and approved by a superior court judge. House Bill 1070 would expand the clerk's current jurisdiction over trusts to include **all internal affairs of the trust** except proceedings to modify or terminate the trust, and the clerk's order would not require the approval of a superior court judge.

> All internal affairs include: appointment or removal of a trustee, reviewing trustees' fees, review and settle interim or final accounts, ascertaining beneficiaries, questions regarding the administration/distribution of the trust, question regarding the construction of the trust, and the determination of whether a trust exists (other than trusts created by a will).

Venue for Proceedings. Under current law, Article 3 made no provisions regarding the venue for proceedings held under this Chapter. This bill would mandate that venue would be in the county where accountings are filed if the trustee is required to account to the clerk. If no accounting is required, then venue is in the county where the principal place of administration of the trust is located or where any beneficiary resides. The bill also provides for situations where there is more than one trustee. When the principal place of administration is in another state, the clerk may not entertain a trust proceeding unless certain circumstances are present.

Trust Proceedings.

- Under current law, in a proceeding before the clerk under Article 3, the trustee is the plaintiff and the beneficiaries are the defendants. This bill would make **all known beneficiaries and trustees respondents** (the clerk issues summons to the respondents).
- An **order would be valid as to all persons given notice** even if all interested persons are not notified.
- **Interested persons may be represented by others** in certain situations. Under current law, infants must be appointed a guardian ad litem. The bill would allow a parent to represent a minor, and one with substantially similar interests may represent unborn persons or unascertained persons. Also, HB 1070 provides that the clerk would have discretion as to whether the appointment of a guardian ad litem is necessary for the following persons: a minor, an incapacitated person, an unborn person, or an unascertained person, or a person whose identity is unknown.

Appeals Procedure. HB 1070 makes clear that the clerk's order may be appealed to superior court.

Accounting Requirements. Under current law, a trustee may not resign until a final accounting has been filed with the clerk and the clerk has found it to be true and correct. In addition, the trustee is not released from liability until an accounting is accepted by the successor trustee. HB 1070 would repeal the above provisions and require that if an accounting is required that the trustee may not resign until the court is satisfied that the accounting is true and correct. Once the accounting is accepted as true and correct, then the trustee is released even if a successor trustee has not been appointed.

Bond Requirements. Under current law, trustees must provide bond to secure performance of the trustee's duties unless the clerk found that the trust did not require bond or bond was not needed for the protection of the estate. HB 1070 would eliminate the requirement of bond unless the trust required it or the clerk found that bond was necessary to protect the interests of the beneficiaries.

Deceased or Incapacitated Trustees. Where a trustee is required to account to the clerk, this bill allows the clerk to appoint a successor trustee upon the clerk's own motion in the event that the current trustee is deceased or incapacitated.

Testamentary Trustee may Renounce. The bill deletes all provisions regarding the renouncing of trusteeship by a testamentary trustee. Earlier provisions pertaining to trust proceedings would cover these types of actions.

Removal of Trustees. The bill deletes the provisions regarding petitioning for removal of a trustee by any beneficiary, cotrustee, or other interested persons. Earlier provisions pertaining to trust proceedings would cover these types of actions.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE CERTAIN MUNICIPALITIES TO USE TRAFFIC CONTROL PHOTOGRAPHIC SYSTEMS AND TO AUTHORIZE THE MUNICIPALITIES IN WAKE COUNTY TO USE RED LIGHT CAMERAS FOR SAFETY, FOR SCHOOLS, BUT NOT FOR PROFIT.

The General Assembly of North Carolina enacts:

SECTION 1. Subsection (d) of G.S. 160A-300.1 reads as rewritten:

"(d) This ~~act~~ section applies to the Cities of Albemarle, Charlotte, Concord, Durham, Fayetteville, Greensboro, High Point, Rocky Mount, Wilmington, Greenville, and Lumberton, ~~and~~ to the Towns of Chapel Hill, Cornelius, Huntersville, Matthews, Nags Head, and ~~Pineville~~ Pineville, and to all of the municipalities in Union County only."

SECTION 2. Article 15 of Chapter 160A of the General Statutes is amended by adding a new section to read:

"**§ 160A-300.2. Use of traffic control photographic systems in Wake County.**

(a) A traffic control photographic system is an electronic system consisting of a photographic, video, or electronic camera and a vehicle sensor installed to work in conjunction with an official traffic control device to automatically produce photographs, video, or digital images of each vehicle violating a standard traffic control statute or ordinance.

(b) Any traffic control photographic system or any device which is a part of that system, as described in subsection (a) of this section, installed on a street or highway which is a part of the State highway system shall meet requirements established by the North Carolina Department of Transportation. Any traffic control system installed on a

municipal street shall meet standards established by the municipality and shall be consistent with any standards set by the Department of Transportation.

(c) Any traffic control photographic system installed on a street or highway shall be identified by appropriate advance warning signs conspicuously posted not more than 300 feet from the location of the traffic control photographic system. All advance warning signs shall be consistent with a statewide standard adopted by the Department of Transportation in conjunction with local governments authorized to install traffic control photographic systems.

(d) Municipalities may adopt ordinances for the civil enforcement of G.S. 20-158 by means of a traffic control photographic system, as described in subsection (a) of this section. If a municipality adopts an ordinance pursuant to this section then, notwithstanding G.S. 20-176, a violation of G.S. 20-158 detected only by a traffic control photographic system shall not be an infraction. If a violation of G.S. 20-158 is detected by both a law enforcement officer and a traffic control photographic system, the officer may charge the offender with an infraction. If the officer charges the offender with an infraction, a civil penalty issued by the municipality for the same offense is void and unenforceable. An ordinance authorized by this subsection shall provide that:

(1) The owner of a vehicle shall be responsible for a violation unless the owner can furnish evidence that the vehicle was, at the time of the violation, in the care, custody, or control of another person. The owner of the vehicle shall not be responsible for the violation if the owner of the vehicle, within 21 days after receiving notification of the violation, furnishes the office of the mayor of the municipality that issued the citation:

a. The name and address of the person or company who leased, rented, or otherwise had the care, custody, and control of the vehicle;

b. An affidavit stating that the vehicle involved was, at the time, stolen or in the care, custody, or control of some person who did not have permission of the owner to use the vehicle; or

c. A statement that the person who received the citation is not the owner or driver of the vehicle, or that the person who received the citation was not driving a vehicle at the time and location designated in the citation.

(2) A violation detected by a traffic control photographic system shall be deemed a noncriminal violation for which a civil penalty of fifty dollars ($50.00) shall be assessed and for which no points authorized by G.S. 20-16(c) shall be assigned to the owner or driver of the vehicle nor insurance points as authorized by G.S. 58-36-65.

(3) The owner of the vehicle shall be issued a citation that shall be attached to photographic evidence of the violation that identifies the vehicle involved. The citation shall clearly state the manner in which

the violation may be challenged. The owner of the vehicle shall comply with the directions on the citation. The citation shall be processed by officials or agents of the municipality and shall be forwarded by personal service or first-class mail to the address given on the motor vehicle registration. If the owner fails to pay the civil penalty or to respond to the citation within the time period specified on the citation, the owner shall have waived the right to contest responsibility for the violation and shall be subject to a civil penalty not to exceed one hundred dollars ($100.00). The municipality may establish procedures for the collection of these penalties and may enforce the penalties by civil action in the nature of debt.

(4) The municipality shall establish a nonjudicial administrative hearing process to review objections to citations or penalties issued or assessed under this section. The municipality may establish an appeals panel composed of municipal employees to review objections. If the municipality does not establish an appeals panel composed of municipal employees, the mayor of the municipality shall review and make a final decision on all objections.

(e) The duration of the yellow light change interval at intersections where traffic control photographic systems are in use shall be no less than the yellow light change interval duration specified in the Design Manual developed by the Signals and Geometrics Section of the North Carolina Department of Transportation.

(f) A municipality enacting an ordinance implementing a traffic control photographic system may enter into a contract with a contractor for the lease, lease-purchase, or purchase of the system. The municipality may enter into only one contract for the lease, lease-purchase, or purchase of the system and the duration of the contract may be for no more than 60 months. After the period specified in the contract has expired, the system shall either be the property of the municipality or the system shall be removed and returned to the contractor.

(g) The clear proceeds from the citations issued pursuant to the ordinance authorized by this section shall be paid to the county school fund. The clear proceeds from the citations shall mean the funds remaining after paying for the lease, lease-purchase, or purchase of the traffic control photographic system; paying a contractor for operating the system; and paying any administrative costs incurred by the municipality related to the use of the system.

(h) This section applies to all of the municipalities located in Wake County. For purposes of this section, a municipality is located in Wake County if fifty-one percent (51%) or more of the land area of the municipality lies within Wake County."

SECTION 3. This act is effective when it becomes law.

Committee:	House Judiciary II	**Introduced by:**	Senator Plyler
Date:	June 7, 2001	**Summary by:**	Jeff Hudson
Version:	S243-PCS3487-SB-35		Committee Counsel

SUMMARY: ***The proposed committee substitute for Senate Bill 243 (S243-PCS3487-SB-35) would add the municipalities of Albemarle, Concord, Durham, Nags Head, Pineville, and all of the municipalities in Union County to the current statute that authorizes municipalities to use traffic control photographic systems. The proposed committee substitute would also create a new statute that authorizes municipalities located primarily in Wake County to use traffic control photographic systems. The similarities and differences between the new statute, G.S. 160A-300.2, and the current statute, G.S. 160A-300.1, are outlined below. The act is effective when it becomes law.***

A BILL TO BE ENTITLED

AN ACT TO AMEND THE LAW REGARDING ENHANCED SENTENCES AS RECOMMENDED BY THE SENTENCING COMMISSION, AND TO MAKE CONFORMING CHANGES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 14-2.2 is repealed.

SECTION 2. G.S. 15A-1340.16A reads as rewritten:

"**§ 15A-1340.16A. Enhanced sentence if defendant is convicted of a Class A, B1, B2, C, D, or E felony and the defendant used, displayed, or threatened to use or display a firearm during the commission of the felony.**

~~(a) If a person is convicted of a Class A, B1, B2, C, D, or E felony and the court finds that the person used, displayed, or threatened to use or display a firearm at the time of the felony, the court shall increase the minimum term of imprisonment to which the person is sentenced by 60 months. The court shall not suspend the 60-month minimum term of imprisonment imposed as an enhanced sentence under this section and shall not place any person sentenced under this section on probation for the enhanced sentence.~~

~~(b) Subsection (a) of this section does not apply in any of the following circumstances:~~

~~(1) The person is not sentenced to an active term of imprisonment.~~

~~(2) The evidence of the use, display, or threatened use or display of a firearm is needed to prove an element of the underlying Class A, B1, B2, C, D, or E felony.~~

~~(3) The person did not actually possess a firearm about his or her person.~~

(a) If a person is convicted of a Class A, B1, B2, C, D, or E felony and it is found as provided in this section that: (i) the person committed the felony by using, displaying, or threatening the use or display of a firearm, and (ii) the person actually possessed the firearm about his or her person, then the person shall have the minimum

term of imprisonment to which the person is sentenced for that felony increased by 60 months. The maximum term of imprisonment shall be the maximum term that corresponds to the minimum term after it is increased by 60 months, as specified in G.S. 15A-1340.17(e) and (e1). The court shall not suspend any sentence imposed under this section and shall not place a person sentenced under this section on probation for the sentence imposed under this section.

(b) An indictment or information for the Class A, B1, B2, C, D, or E felony shall allege in that indictment or information the facts set out in subsection (a) of this section. The pleading is sufficient if it alleges that the defendant committed the felony by using, displaying, or threatening the use or display of a firearm and the defendant actually possessed the firearm about the defendant's person. One pleading is sufficient for all Class A, B1, B2, C, D, or E felonies that are tried at a single trial.

(c) The State shall prove the issues set out in subsection (a) of this section beyond a reasonable doubt during the same trial in which the defendant is tried for the felony unless the defendant pleads guilty or no contest to that issue. If the defendant pleads guilty or no contest to the felony but pleads not guilty to the issue set out in subsection (a) of this section, then a jury shall be impaneled to determine that issue.

(d) Subsection (a) of this section does not apply if the evidence of the use, display, or threatened use or display of the firearm is needed to prove an element of the felony or if the person is not sentenced to an active term of imprisonment."

SECTION 3. G.S. 15A-1340.16B reads as rewritten:

"**§ 15A-1340.16B. Life imprisonment without parole for a second or subsequent conviction of a Class B1 ~~felony.~~felony, the victim was 13 years of age or younger, and there are no mitigating factors.**

(a) ~~Notwithstanding the sentencing dispositions in G.S. 15A-1340.17,~~ If a person is convicted of a Class B1 felony and it is found as provided in this section that: (i) ~~shall be sentenced to life imprisonment without parole if:~~

~~(1)~~ ~~The offense was committed~~the person committed the felony against a victim who was 13 years of age or younger at the time of the offense; and

~~(2)~~ ~~The~~ (ii) the person has one or more prior convictions of a Class B1 ~~felony; and~~

~~(3)~~ ~~The court finds that there are no mitigating factors in accordance with G.S. 15A-1340.16(e).~~felony, then the person shall be sentenced to life imprisonment without parole.

~~(b) If the sentencing court finds that there are mitigating circumstances, then the court shall sentence the person in accordance with G.S. 15A-1340.17.~~

~~(c) A prior conviction of a Class B1 felony shall be proved in accordance with G.S. 15A-1340.14.~~

(b) An indictment or information for the Class B1 felony shall allege in that indictment or information or in a separate indictment or information the facts set out in subsection (a) of this section. The pleading is sufficient if it alleges that the defendant

committed the felony against a victim who was 13 years of age or younger at the time of the felony and had one or more prior convictions of a Class B1 felony. One pleading is sufficient for all Class B1 felonies that are tried at a single trial.

(c) The State shall prove the issues set out in subsection (a) of this section beyond a reasonable doubt during the same trial in which the defendant is tried for the felony unless the defendant pleads guilty or no contest to that issue. The issue shall be presented in the same manner as provided in G.S. 15A-928(c). If the defendant pleads guilty or no contest to the felony but pleads not guilty to the issue set out in subsection (a) of this section, then a jury shall be impaneled to determine that issue.

(d) Subsection (a) of this section does not apply if there are mitigating factors present under G.S. 15A-1340.16(e)."

SECTION 4. G.S. 15A-1340.16C reads as rewritten:

(18) The defendant does not support the defendant's family.
(18a) The defendant has previously been adjudicated delinquent for an offense that would be a Class A, B1, B2, C, D, or E felony if committed by an adult.
(19) The serious injury inflicted upon the victim is permanent and debilitating.
(20) Any other aggravating factor reasonably related to the purposes of sentencing.

Evidence necessary to prove an element of the offense shall not be used to prove any factor in aggravation, and the same item of evidence shall not be used to prove more than one factor in aggravation. Evidence necessary to establish ~~that~~ an enhanced sentence ~~is required under G.S. 14-2.2~~ may not be used to prove any factor in aggravation.

The judge shall not consider as an aggravating factor the fact that the defendant exercised the right to a jury trial."

SECTION 8. This act is effective when it becomes law and applies to offenses committed on or after that date. Prosecutions for offenses occurring before the

effective date of this act are not abated or affected by this act, and the statutes that would be applicable before this act remain applicable to those prosecutions.

SENATE BILL 746:
Sentencing Enhancements Changes/Sent. Comm.

June 12, 2001

BILL ANALYSIS

Committee:	House Judiciary II	**Introduced by:**	Senator Miller
Date:	June 5, 2001	**Summary by:**	Robin S. Johnson*
Version:	S746-CSRH-45[v.1]		Committee Counsel

The PCS adds Sections 6 & 7 to make conforming changes to two statutes that are affected by the repeal of G.S. 14-2.2 in Section 1.

SUMMARY: Senate Bill 746 would amend the enhanced sentencing laws to conform to a recent United States Supreme Court case and a North Carolina Court of Appeals case by requiring that (1) the facts supporting an enhanced sentence be alleged in the indictment, and (2) a jury determine the enhancement issues beyond a reasonable doubt. The bill also would codify the maximum punishment for all classes of felonies.

The bill is recommended by the Sentencing Commission.

The act would become effective when it becomes law and apply to offenses committed on or after that date. The current statutes would be applicable to prosecutions for offenses occurring before the act becomes effective.

BACKGROUND: Currently, there are three North Carolina statutes that require a sentencing judge, upon finding certain facts by a preponderance of the evidence, to increase a defendant's sentence beyond the ranges authorized by structured sentencing: These statutes are (i) firearm enhancement; (ii) enhancement for Class B1 felonies involving young victims; and (iii) bulletproof vest enhancement.

A recent United States Supreme Court decision, *Apprendi v. New Jersey*, 530 U.S. 466 (2000), has called into question the constitutionality of these sentencing enhancements. The Court held that any fact, other than a prior conviction, that increases the punishment for a crime beyond the statutory maximum for that crime must be submitted to the jury and proven beyond a reasonable doubt.

In a decision issued on December 29, 2000, the North Carolina Court of Appeals followed the *Apprendi* decision and held that North Carolina's firearm enhancement statute was unconstitutional as violative of procedural due process under the 14th Amendment of the United States Constitution.

BILL ANALYSIS: The bill would modify the three enhanced sentencing statutes to conform with the recent *Apprendi* and *Guice* decisions by requiring that a jury determine beyond a reasonable doubt the facts supporting an enhanced sentence.

I. Firearm Enhancement (Secs. 1 & 2)

Under current law, G.S. 15A-1340.16A requires that an additional 60 months be added to a defendant's sentence ***if the judge finds*** that the defendant (1) used, displayed, or threatened to use or display a firearm during the commission of a Class A through E felony and (2) actually possessed a firearm about his or her person.

Under the bill, a defendant will be subject a 60-month enhancement ***if a jury finds beyond a reasonable doubt*** that the defendant (i) used, displayed, or threatened to use or display a firearm during the commission of a Class A through E felony and (ii) actually possessed a firearm about his or her person.

Under current law and under the bill, the enhancement will not apply if evidence of the use, display, or threatened use or display of a firearm is needed to prove an element of the underlying felony or if the person is not sentenced to an active term of imprisonment.

II. Enhancement for Class B1 Felonies Involving Young Victims (Sec. 3)

Currently, G.S. 15A-1340.16B requires that a defendant who is convicted of a Class B1 felony be sentenced to life imprisonment without parole ***if the judge finds*** that (1) the victim was 13 years of age or younger at the time of the offense, (2) the defendant has one or more prior convictions of a Class B1 felony, and (3) there are no mitigating factors present.

B1 felonies are: 1st degree rape, 1st degree sexual offense, and statutory rape or a sexual offense of a person who is 13, 14, or 15 years old and the defendant is at least 6 years older than the victim.

Under the bill, a defendant who is convicted of a Class B1 felony shall be sentenced to life imprisonment without parole ***if a jury determines beyond a reasonable doubt*** (1) the victim was 13 years of age or younger at the time of the offense, and (2) the defendant has one or more prior convictions of a Class B1 felony. The enhanced sentence will not apply if there are mitigating factors present.

III. Bulletproof Vest Enhancement (Sec. 4)

Under current law, G.S. 15A-1340.16C requires that a defendant who is convicted of a felony ***where the judge finds*** that the person wore or had in the person's immediate possession a bulletproof vest at the time of the felony be guilty of a felony that is one class higher than the underlying felony for which the person was convicted. This enhancement does not apply to law enforcement officers.

Under the bill, a defendant who is convicted of a felony ***where the jury determines beyond a reasonable doubt*** that the person wore or had in his immediate possession a bulletproof vest at the time of the felony, shall be guilty of a felony that is one class higher than the underlying felony for which the person was convicted. The exception for law enforcement officers is removed under the bill.

Under current law and under the bill, the enhanced sentence will not apply if evidence that the person wore or had in his immediate possession a bulletproof vest is needed to prove an element of the felony.

For all enhancements, the bill would require indictments to allege the facts necessary to support an enhanced sentence.

Maximum Punishments for Felonies (Sec. 5)

The bill also would create a new G.S. 15A-1340.18 in Article 81B of Chapter 15A. This new section would codify the maximum punishments for all classes of felony offenses. This section does not change the law but rather it clarifies the maximum punishments that judges currently permit and apply in the sentencing process.

S746-SMRH-002: Ms. Trina Griffin, committee counsel for Senate Judiciary II, contributed significantly to this summary.*

Section 1 would repeal this statute:

§ 14-2.2. Sentencing of a person convicted of a Class A, B, B1, B2, C, D, or E felony who used, displayed, or threatened to use or display a firearm during the commission of the crime; confiscation and disposition of a firearm used in a felony.

(a) If a person is convicted of a Class A, B, B1, B2, C, D, or E felony and the person used, displayed, or threatened to use or display a firearm during the commission of the felony, the person shall, in addition to the punishment for the underlying felony, be sentenced to a minimum term of imprisonment for 60 months as provided by G.S. 15A-1340.16A.

The court shall not suspend any sentence imposed under this section and shall not place a person sentenced under this section on probation for the sentence imposed under this section. Sentences imposed pursuant to this section shall be consecutive to all other sentences imposed and shall begin at the expiration of any other sentence being served by the person.

(b) Subsection (a) of this section does not apply in any of the following circumstances:

(1) The person is not sentenced to an active term of imprisonment.

(2) The evidence of the use, display, or threatened use or display of a firearm is needed to prove an element of the underlying Class A, B, B1, B2, C, D, or E felony.

(3) The person did not actually possess a firearm about his or her person.

(c) When a person is found to have personally used a firearm in the commission or attempted commission of a felony and the firearm is owned by that person, or the serial number on the firearm has been defaced such that ownership is not traceable, the court shall order that the firearm be confiscated and disposed of in any of the ways provided by G.S. 14-269.1 that the court in its discretion deems appropriate.

(d) Repealed by Session Laws 1994, Extra Session, c. 22, s. 19(b). (1979, c. 760, s. 2; 1979, 2nd Sess., c. 1316, ss. 34, 47, 48; 1981, c. 63, s. 1; c. 179, s. 14; 1993, c. 538, s. 4; 1994, Ex. Sess., c. 22, ss. 18, 19(a), (b).)

(h) Any person offering to purchase real property by upset bid as permitted in this Article is subject to and bound by the terms of the original notice of sale except as modified by a court order or the provisions of this Article.

(i) The clerk of superior court shall make all orders as may be just and necessary to safeguard the interests of all parties and may fix and determine all necessary procedural details with respect to upset bids in all instances in which this Article fails to make definite provisions as to that procedure."

SECTION 15. G.S. 1-339.65 reads as rewritten:

"**§ 1-339.65. Separate upset bids when real property sold in parts; subsequent procedure.**

When real property is sold in parts, as provided by G.S. 1- 339.46, the ~~sale, and each subsequent resale,~~ sale of any ~~such~~ part shall be subject to a separate upset bid; and to the extent the clerk of the superior court having jurisdiction deems advisable, the sale of each ~~such~~ part shall thereafter be treated as a separate sale for the purpose of determining the ~~procedure applicable thereto.~~ applicable procedure."

SECTION 16. G.S. 1-339.66 is repealed.

SECTION 17. Article 29B of Chapter 1 of the General Statutes is amended by adding a new section to read:

"**§ 1-339.66A. Ordering resale of real property after upset bid.**

Upon motion of an interested person filed within 10 days after a sale or upset bid and for good cause, the clerk of superior court may order a resale of real property when an upset bid is submitted as provided in G.S. 1-339.64. If the motion is granted based on the inadequacy of the last bid, the procedure for the resale is the same in every respect as is provided by this Article in the case of an original public sale, and the last bidder is released from the bidder's obligations under the bid. If the motion is granted for any other reason, the last bid becomes the opening bid at resale, and if there is no bid at resale other than the last bid, the person who made the last bid is the highest bidder at resale. If the motion is denied, the 10-day period for subsequent upset bids begins upon the entry of the order."

SECTION 18. G.S. 1-339.69 reads as rewritten:

"**§ 1-339.69. Failure of bidder to comply with bid; resale.**

(a) When the highest bidder at a sale of personal property fails to pay the amount of ~~his~~ the bid, the sheriff shall at the same time and place immediately resell the property. In the event no other bid is received, a new sale may be advertised in the regular manner provided by this Article for an original sale.

(b) When the highest bidder at a sale or resale of real property or any upset bidder fails to comply with ~~his~~ the bid within ~~ten~~ 10 days after the tender to ~~him~~ the bidder of a deed for the property or after a bona fide attempt to tender such deed, the clerk of the superior court who issued the execution may order a resale. The procedure for such resale is the same in every respect as is provided by this Article in the case of an original sale of real ~~property except that the provisions of G.S. 1-339.66(b), (c) and (d) apply with respect to the posting and publishing of the notice of such resale.~~property.

(c) A defaulting bidder at any sale or resale or any defaulting upset bidder is liable on ~~his~~ the bid, and in case a resale is had because of ~~such~~ the default, ~~he shall remain~~ the defaulting bidder remains liable to the extent that the final sale price is less than ~~his~~ the bid plus all costs of ~~such~~ the resale or resales. Any deposit or compliance bond made by the defaulting bidder shall secure payment of the amount, if any, for which the defaulting bidder remains liable under this section.

(d) Nothing in this section deprives any person of any other remedy against the defaulting bidder."

PART III. CONFORMING AMENDMENTS TO OTHER SECTIONS OF THE GENERAL STATUTES.

SECTION 19. G.S. 46-28.1(e) reads as rewritten:

"(e) If the court revokes its order of confirmation under this section, the court shall order a ~~resale pursuant to the provisions of G.S. 1-339.27.~~ resale. The procedure for a resale is the same as is provided for an original public sale under Article 29A of Chapter 1 of the General Statutes."

PART IV. EFFECTIVE DATE AND APPLICABILITY.

SECTION 20. This act becomes effective January 1, 2002, and applies to judicial sales when the original order of sale is issued on or after that date and to execution sales when the execution is originally issued on or after that date. This act does not apply to any judicial sale when the original order of sale is issued prior to the effective date of this act or to any execution sale held pursuant to any execution originally issued prior to the effective date of this act.

SENATE BILL 681:
Judicial & Execution Sales/Revise Procedure.

BILL ANALYSIS

Committee:	House Judiciary II	**Introduced by:**	Senator Hartsell
Date:	June 11, 2001	**Summary by:**	Jeff Hudson
Version:	Second Edition		Committee Counsel

SUMMARY: ***Senate Bill 681 would revise the procedure for resales of real property being sold through a judicial sale or an execution sale by substituting a rolling upset bid process for the current process, which requires a series of resales. The bill would also shorten the period during which a notice of sale must be given prior to a sale being conducted. Senate Bill 681 is a recommendation of the General Statutes Commission.***

CURRENT LAW: Under current law, courts (and sometimes clerks) are allowed to order the sale of the property of a person when necessary for the benefit of that person. These sales are known as judicial sales. These include sales at the request of estate executors and administrators, guardians of minors and incompetent adults, trustees, and receivers.

Sales authorized by the courts as part of executions to satisfy outstanding judgments are known as execution sales. Execution sales are conducted by sheriffs.

Currently, for judicial sales and execution sales of real property, after the original sale of the real property, if an upset bid is filed within 10 days of the date of the report of sale, a resale is ordered that requires renoticing interested parties and publicizing the sale through posting and newspaper notices. The notice of an original sale must be posted for 30 days and publication of the notice of sale in the newspaper must be for four weeks. The notice for a resale must be posted for 15 days and publication of notice of resale in the newspaper must be for two weeks.

BILL ANALYSIS: Senate Bill 681 would revise the resale procedures for judicial sales and execution sales of real property to provide that a sale could be upset by subsequent upset bids filed within 10 days of the report of sale or the prior upset bid, until the price for the property is no longer raised. This procedure would eliminate the need for most resales and the need to readvertise the sale of the property. The bill does allow a court to order a resale for good cause. When the order of resale is based on inadequate price, the last bidder is released from the bidder's obligation and the sale is conducted as an original sale. When the resale is ordered for any other reason, the last bidder is considered to be the opening bid and if no other bid is received, the last bidder becomes the high bidder.

The bill would also shorten the time required for notice of a sale prior to the sale being conducted from 30 to 20 days for the posting requirement and publication of the newspaper notice from four successive weeks to two successive weeks. These same notice requirements would apply to any resales ordered.

Part I – Judicial Sales.

Sections 1, 2, 5, 8, 9, 10, and 19 make conforming changes. Note: Section 9 amends the statute that governs, among other things, the private sale of personal property. Under current law, upset bids in private sales of personal property are treated the same as upset bids in public sales of real property. Section 9 would apply the new rolling upset bid process that applies to sales of real property to private sales of personal property.

Section 3 shortens the current time limits for posting and publication of the notice of sale.

Section 4 sets out the process for successive upset bids in lieu of resales. As under current law, an upset bid must be at least 5%, or a minimum of $750, above the previous offer price. Upset bids remain open for up to 10 days to allow additional upset bids to be filed. If no upset bid is filed, the sale becomes final after the 10-day period expires. When an upset bid is received the clerk of court is to give notice to the person conducting the sale that the upset bid has been filed. The person conducting the sale is to then give notice to the last prior bidder.

Section 6 repeals the current section that sets forth the process for resales necessitated by upset bids.

Section 7 allows a court to order a resale for good cause.

Part II. Execution Sales.

Section 11 shortens the current time limits for posting and publication of the notice of sale by the sheriff.

Sections 12, 13, 15, and 18 make conforming changes.

Section 14 sets out the process for successive upset bids in lieu of resales for sales by the sheriff similar to the process set forth in Section 4 above.

Section 16 repeals the current section that sets forth the process for resales necessitated by upset bids.

Section 17 allows a court to order a resell for good cause.

EFFECTIVE DATE: Senate Bill 681 would become effective January 1, 2002 and apply to judicial sales and execution sales that were originally ordered after that date.

MEMORANDUM

TO: House Judiciary II Committee

FROM: General Statutes Commission

DATE: June 7, 2001

RE: Senate Bill 681 (Judicial & Execution Sales/Revise Procedure)

General Comments

Senate Bill 681 reduces the expense and shortens the time for judicial sales and execution sales of real property in the usual case by authorizing a rolling upset bid procedure similar to the procedure authorized for foreclosure sales under a deed of trust and by conforming the minimum time periods for posting and publishing notice of sale to the time periods authorized for foreclosure sales. Under the rolling upset bid procedure, the submission of an upset bid does not require a subsequent resale of the property but only requires the filing of a notice of upset bid and the required deposit with the clerk of superior court. Upon submission of the upset bid, the clerk is required to notify the person holding the sale who is then required to mail a written notice of upset bid to the last prior bidder and the owners of the property. The upset bid is followed by a period of 10 days to allow for the submission of a subsequent upset bid.

The bill continues to permit resales under certain conditions. An interested person may file a motion for resale within 10 days after a sale or upset bid, and the court may order a resale for good cause. No upset bids may be filed while the motion is pending. If the motion is granted based on the inadequacy of the last bid, the last bidder is released from the bidder's obligation under the bid. If the motion is granted for any other reason, the last bid becomes the opening bid at resale and if there is no bid at resale other than the last bid, the person who made the last bid is the highest bidder at resale. However, if the motion is denied, the 10-day period for submission of a subsequent upset bid begins upon the entry of the order.

The bill also makes various conforming and stylistic changes.

Specific Comments

Sections 1 and 2 make conforming and stylistic changes.

Section 3 reduces the minimum time period for posting notice of judicial sale from 30 days to 20 days and the minimum time period for publishing notice of judicial sale from four successive weeks to two successive weeks. This section 3 also makes stylistic changes.

Section 4 authorizes the rolling upset bid procedure for judicial sales.

Section 5 makes conforming and stylistic changes.

Section 6 repeals G.S. 1-339.27, which requires the ordering of a resale upon submission of an upset bid in a judicial sale and specifies the procedure for the resale.

Section 7 allows the judge or clerk having jurisdiction, upon motion of an interested person and for good cause, to order a resale when an upset bid is submitted in a judicial sale.

Sections 8, 9, and 10 make conforming changes. Please note that because G.S. 1-339.36, amended by Section 9, currently allows upset bids in private sales of some personal property, the rolling upset bid procedure will apply in these sales.

Section 11 reduces the minimum time period for posting notice of execution sale from 30 days to 20 days and the minimum time period for publishing notice of execution sale from four successive weeks to two successive weeks. This section also makes stylistic changes.

Sections 12 and 13 make conforming and stylistic changes.

Section 14 authorizes the rolling upset bid procedure for execution sales.

Section 15 makes conforming and stylistic changes.

Section 16 repeals G.S. 1-339.66, which requires the ordering of a resale upon submission of an upset bid in an execution sale and specifies the procedure for the resale.

Section 17 allows the clerk of superior court, upon motion of an interested person and for good cause, to order a resale when an upset bid is submitted in an execution sale.

Section 18 makes conforming and stylistic changes.

Section 19 amends the partition sales provisions to delete a statutory reference to G.S. 1-339.27, which is being repealed by the bill.

Section 20 provides that the bill becomes effective January 1, 2002, and sets forth an applicability provision.

HB 1284:
Openness of Court Records and Proceedings

BILL ANALYSIS

Committee:	House Judiciary II	**Introduced by:**	Representative Weiss
Date:	June 19, 2001	**Summary by:**	Esther Manheimer
Version:	H1284-CSSK-40[v.6]		Committee Counsel

BILL ANALYSIS: The PCS for HB 1284 completely rewrites the version of the bill that House Judiciary II gave a favorable to on 4/24/2001. The version of the bill given a favorable report in April created a presumption that all court records and all court proceedings, with some exceptions, are open. This PCS rewrites the bill to allow those that assert a right of access to a judicial proceeding or record, the right to intervene in the proceeding as a matter of right under Rule 24 of the North Carolina Rules of Civil Procedure. Intervention would be limited to the purpose of gaining access to the proceeding or record only. No right to intervene would be permitted in juvenile proceedings under Chapter 7B. Additionally, HB 1284 would not preempt State statutes that otherwise restrict access to a judicial proceeding or record. The PCS also creates a fee of $20.00 for filing the motion to intervene described above. **This bill is effective October 1, 2001, and applies to court records filed on or after that date and applies to judicial proceedings commenced or pending on or after that date.**

BACKGROUND:

Rule 24. Rule 24 of the North Carolina Rules of Civil Procedure establishes the grounds on which a party may intervene in a lawsuit and is used by applicants or parties that wish to be made a party to an ongoing lawsuit or action. Rule 24 only allows parties to intervene in an action under certain circumstances, one of which is when a statute grants a right to a party to intervene. This bill creates a new statute that grants a party or applicant the right to intervene under Rule 24 for the limited purpose of gaining access to a proceeding or record.

There are two types of intervention under Rule 24 – intervention of right and permissive intervention. Under the former, the judge has no discretion as to whether a party may intervene and under the latter; the judge does have discretion as to whether to allow a party to intervene. HB 1284 grants an intervention of right to parties seeking to intervene under the provisions of this bill.

***Virmani v. Presbyterian Health Servs. Corp.*, 350 N.C. 449, 515 S.E.2d 675 (1999).** If enacted, this bill would overturn the decision in *Virmani*. In *Virmani*, the Charlotte Observer attempted to intervene, using Rule 24, in a case where medical records were sealed and the judicial proceedings were closed. The North Carolina Supreme Court held:

> Because we conclude that the Observer had no direct interest in [the action] and that the Observer's indirect interest may be adequately asserted in a timely manner by other means, we hold that the Observer was not entitled to intervene as a matter of right pursuant to N.C.G.S. § 1A-1, Rule 24(a)....We further conclude that the trial court did not err in denying the Observer permissive intervention.

This bill would overturn the Court's decision and allow parties that assert a right of access to a judicial proceeding or record, the right to intervene under Rule 24.

Rule 24. Intervention.

(a) *Intervention of right.* - Upon timely application anyone shall be permitted to intervene in an action:

(1) When a statute confers an unconditional right to intervene; or

(2) When the applicant claims an interest relating to the property or transaction which is the subject of the action and he is so situated that the disposition of the action may as a practical matter impair or impede his ability to protect that interest, unless the applicant's interest is adequately represented by existing parties.

(b) *Permissive intervention.* - Upon timely application anyone may be permitted to intervene in an action.

(1) When a statute confers a conditional right to intervene; or

(2) When an applicant's claim or defense and the main action have a question of law or fact in common. When a party to an action relies for ground of claim or defense upon any statute or executive order administered by a federal or State governmental officer or agency or upon any regulation, order, requirement, or agreement issued or made pursuant to the statute or executive order, such officer or agency upon timely application may be permitted to intervene in the action. In exercising its discretion the court shall consider whether the intervention will unduly delay or prejudice the adjudication of the rights of the original parties.

(c) *Procedure.* - A person desiring to intervene shall serve a motion to intervene upon all parties affected thereby. The motion shall state the grounds therefor and shall be accompanied by a pleading setting forth the claim or defense for which intervention is sought. The same procedure shall be followed when a statute gives a right to intervene, except when the statute prescribes a different procedure.

A BILL TO BE ENTITLED

AN ACT TO CLARIFY THE RIGHT TO APPEAL TO A LOCAL BOARD OF EDUCATION, AND TO REQUIRE NOTICE OF THE DISMISSAL, DEMOTION, OR SUSPENSION WITHOUT PAY OF NONCERTIFIED EMPLOYEES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 115C-45(c) reads as rewritten:

"(c) Appeals to Board of Education and to Superior Court. – An appeal shall lie to the local board of education from ~~the~~ any final administrative decision ~~of all school personnel to the appropriate local board of education.~~ in the following matters:

(1) The discipline of a student under G.S. 115C-391(c), (d), (d1), (d2), or (d3);

(2) An alleged violation of a specified federal law, State law, State Board of Education policy, State rule, or local board policy, including policies regarding grade retention of students;

(3) The terms or conditions of employment or employment status of a school employee; and

(4) Any other decision that by statute specifically provides for a right of appeal to the local board of education and for which there is no other statutory appeal procedure.

As used in this subsection, the term "final administrative decision" means a decision of a school employee from which no further appeal to a school administrator is available.

Any person aggrieved by a decision not covered under subdivisions (1) through (4) of this subsection shall have the right to appeal to the superintendent and thereafter shall have the right to petition the local board of education for a hearing, and the local board may grant a hearing regarding any final decision of school personnel within the local

school administrative unit. The local board of education shall notify the person making the petition of its decision whether to grant a hearing.

In all ~~such~~ appeals to the board it ~~shall be~~is the duty of the board of education to see that a proper notice is given to all parties concerned and that a record of the hearing is properly entered in the records of the board conducting the hearing.

The board of education may designate hearing panels composed of not less than two members of the board to hear and act upon such appeals in the name and on behalf of the board of education.

~~An appeal shall lie from the decision of a local board of education to the superior court of the State in any action of a local board of education affecting one's character or right to teach.~~An appeal of right brought before a local board of education under subdivision (1), (2), (3), or (4) of this subsection may be further appealed to the superior court of the State on the grounds that the local board's decision is in violation of constitutional provisions, is in excess of the statutory authority or jurisdiction of the board, is made upon unlawful procedure, is affected by other error of law, is unsupported by substantial evidence in view of the entire record as submitted, or is arbitrary or capricious. However, the right of a noncertified employee to appeal decisions of a local board under subdivision (3) of this subsection shall only apply to decisions concerning the dismissal, demotion, or suspension without pay of the noncertified employee. A noncertified employee may request and shall be entitled to receive written notice as to the reasons for the employee's dismissal, demotion, or suspension without pay. The notice shall be provided to the employee prior to any local board of education hearing on the issue. This subsection shall not alter the employment status of a noncertified employee."

SECTION 2. G.S. 115C-305 is repealed.

SECTION 3. This act becomes effective July 1, 2001, and applies to final administrative or school board decisions made on or after that date.

SENATE BILL 532:
Clarify Sch. Bd. Apps./Noncert. E'ees Apps.

BILL ANALYSIS

Committee:	House Judiciary II	**Introduced by:**	Sen. Dalton
Date:	June 19, 2001	**Summary by:**	Robin Johnson*
Version:	S532-PCSRC-58[v.2]		Committee Counsel

The PCS would define the term "final administrative decision", require all school personnel decisions that do not have an automatic right of appeal to the local board to be appealed to the superintendent with an optional appeal to the board, require the board to notify an individual of whether this optional appeal is granted, and remove the definition of "noncertified employee".

SUMMARY: This bill would limit which school personnel decisions may be appealed to local boards of education and which school personnel decisions may be appealed to superior court. It also would provide noncertified employees with the right to be given written notice of the grounds for the superintendent recommending that the employee be dismissed, demoted, or suspended without pay.

The act would take effect July 1, 2001, and apply to final administrative or school board decisions made on or after that date.

DECISIONS THAT MUST BE APPEALABLE TO LOCAL SCHOOL BOARDS

Current Law: Under current law, there is a statutory right of appeal to the local school board from any decision made by school personnel. This means any decision that affects a student, employee, or other individual (for example, someone who wants to use a school building or who attempts to enroll a child.). In addition, there are a number of federal and State laws that require certain decisions to be appealable. Senate Bill 532 would amend G.S. 115C-45(c) to limit the decisions that are automatically appealable to local boards.

Any Final Administrative Decision: The bill would first limit appeals to "any final administrative decision", which the bill defines as any school employee's decision from which there is no further appeal to a school administrator. School administrators include superintendents, associate superintendents, assistant superintendents, principals, and assistant principals and may include other central office administrators.

Certain Final Administrative Decisions Must Provide for an Appeal to the Local Board: The bill would provide a right of appeal to the school board from any final administrative decision concerning:

1. A disciplinary decision resulting in:
   - A student suspension of at least 10 days;
   - A student expulsion (permanent removal from school) or permanent placement in an alternative setting;
   - A 365-days suspension or alternative placement of a student who brings a weapon (primarily guns/bombs) to school or to a school-sponsored activity, who makes a false bomb threat, or who physically assaults another person on school or at a school-sponsored activity.
2. An alleged violation of a specified federal law, State law, State Board of Education policy, State rule, or local board policy, including any policy regarding grade retention of students.
3. The terms or conditions of an employee's employment or employment status.

4. Any other decision, which by statute specifically provides for a right of appeal to the local board an for which there is no other statutory appeal procedure.

Other Decisions Must Provide For an Appeal to the Superintendent with an Optional Appeal to the Local Board. The bill would provide any other individual (i.e., one who is aggrieved by decisions of school personnel for which there is no automatic right to appeal to the board) with the right to appeal to the superintendent. After an appeal to the superintendent, the individual may petition the board for a hearing, which the board may grant. The board must notify the individual of its decision whether to grant a hearing.

The effect of these changes is that there would no longer be an automatic right of appeal to the local board from some decisions. These could include certain decisions (but not necessarily all decisions) related to the following issues: student placement; attendance; athletic eligibility; tuition for nonresidents; student records; building use policies; school admission; student fees; the use of corporal punishment; and suspensions of no more than 10 days. Many of these will be governed by local board policies.

APPEALS OF DECISIONS TO SUPERIOR COURT

Currently, any person has the right to appeal to superior court any decision made by any school personnel or by the local board of education that affects one's character or right to teach.

The bill would repeal G.S. 115C-305 and would amend G.S. 115C-45(c) by providing for an appeal to superior court from most appeals of right to the local board. These include appeals from final administrative decisions concerning items 1-4 above. An exception is made for decisions concerning noncertified employees – only appeals of right to the local board related to decisions concerning these employees' dismissal, demotion, or suspension without pay would have a subsequent right to appeal t superior court.

Appeals to superior court would be limited to claims that the local board's decision:

- Violates constitutional provisions;
- Exceeds the board's statutory authority or jurisdiction;
- Is based on unlawful procedure;
- Is affected by other error of law;
- Is unsupported by substantial evidence in view of the entire record as submitted; or
- Is arbitrary or capricious.

Optional appeals to the local board would not have an automatic right of appeal to superior court.

EMPLOYMENT PROCEDURES FOR NONCERTIFIED EMPLOYEES

Noncertified employees include teacher assistants, bus drivers, secretaries, cafeteria workers, maintenance workers, and mechanics. Generally, these employees are considered to be at-will employees. The statutes do not prescribe the procedure for their dismissal, demotion, or suspension without pay. This means these employees may be dismissed, demoted, suspended at any time and no written notice is required. It is, however, possible for a local board to have a policy governing the procedures for these decisions related to these employees.

The bill would require a superintendent to provide a noncertified employee with written notice of the specific reasons why the superintendent is going to recommend that the employee be dismisses, demoted

or suspended without pay. A noncertified employee would have the right to appeal to superior court the board's employment decisions that are related to a dismissal, demotion, or suspension without pay. (The claims are limited to those enumerated above.) A noncertified employee would not have a right to appeal to superior court other employment related decisions made by a local board unless those decisions violated other federal or State laws, or federal, State or State Board rules.

The House Committee on JUDICIARY II met at 10:00 a.m. on Tuesday, July 3, 2001, in Room 421 of the Legislative Office Building. The following members were present: Chairman Baddour, Representatives Fitch, Haire, Bowie, Culpepper, Decker, Gulley, Hall, Jeffus, Justus, Miller, Pope, Sherrill, Weiss.

The Visitor Registration Sheet is attached as a part of the record of the Minutes.

Chairman Baddour presided. He called the meeting to order and recognized the Pages who were assigned to serve the Committee.

The following bills were discussed, but no vote was taken:

S.B. 746 – AN ACT TO AMEND THE LAW REGARDING ENHANCED SENTENCES AS RECOMMENDED BY THE SENTENCING COMMISSION, AND TO MAKE CONFORMING CHANGES. House Committee Substitute for SB 746 was ordered engrossed and recommitted to JUDICIARY II on July 2, 2001. Chairman Baddour announced that questions and concerns would be heard and directed staff to address any changes and present them at the next meeting. Representative(s) Bowie, Justice, and Miller expressed concern about the complexity of the bill. Representative Fitch and Vice Chairman Haire suggested a minimum approach to any changes. Chairman Baddour informed the Committee that it was his intention to have some representation from the Sentencing Commission present at the next meeting.

SB 278 – AN ACT TO PROVIDE THAT PERSONS CONVICTED OF SECOND OR SUBSEQUENT OFFENSES INVOLVING THE THEFT OF MOTOR FUEL SHALL HAVE THEIR DRIVERS LICENSES REVOKED. Senator Hagan, bill sponsor, explained the bill and distributed a printout (ATTACHMENT) showing decals used by the States of Virginia, Kentucky and South Carolina at gas pumps throughout the states. These decals have served to deter some people from pulling away from gas pumps without paying Members of the committee expressed concern in support of and in opposition to the legislation. The Chairman recognized Mr. Gary Harris of the Petroleum Marketers' Association who spoke in support of the bill. Questions were raised regarding *should drivers' licenses be revoked when there is a theft of retail merchandise, tires, automobiles, etc.?* There was also the question of *"how do you penalize a person who does not have a driver's license"*. Representative Decker offered a proposed amendment in support of the bill with a chart indicating Gasoline Theft/"Drive-Away" Laws in the

Southeast (ATTACHMENT). After some discussion, Representative Decker withdrew his amendment.

Representative Pope made a motion for a favorable report of SB 278. Without vote, the meeting was adjourned at 10:50 a.m.

A BILL TO BE ENTITLED

AN ACT TO AMEND THE LAW REGARDING ENHANCED SENTENCES AS RECOMMENDED BY THE SENTENCING COMMISSION, AND TO MAKE CONFORMING CHANGES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 14-2.2 is repealed.

SECTION 2. G.S. 15A-1340.16A reads as rewritten:

"**§ 15A-1340.16A. Enhanced sentence if defendant is convicted of a Class A, B1, B2, C, D, or E felony and the defendant used, displayed, or threatened to use or display a firearm during the commission of the felony.**

~~(a) If a person is convicted of a Class A, B1, B2, C, D, or E felony and the court finds that the person used, displayed, or threatened to use or display a firearm at the time of the felony, the court shall increase the minimum term of imprisonment to which the person is sentenced by 60 months. The court shall not suspend the 60-month minimum term of imprisonment imposed as an enhanced sentence under this section and shall not place any person sentenced under this section on probation for the enhanced sentence.~~

~~(b) Subsection (a) of this section does not apply in any of the following circumstances:~~

~~(1) The person is not sentenced to an active term of imprisonment.~~

~~(2) The evidence of the use, display, or threatened use or display of a firearm is needed to prove an element of the underlying Class A, B1, B2, C, D, or E felony.~~

~~(3) The person did not actually possess a firearm about his or her person.~~

(a) If a person is convicted of a Class A, B1, B2, C, D, or E felony and it is found as provided in this section that: (i) the person committed the felony by using, displaying, or threatening the use or display of a firearm, and (ii) the person actually

possessed the firearm about his or her person, then the person shall have the minimum term of imprisonment to which the person is sentenced for that felony increased by 60 months. The maximum term of imprisonment shall be the maximum term that corresponds to the minimum term after it is increased by 60 months, as specified in G.S. 15A-1340.17(e) and (e1). The court shall not suspend any sentence imposed under this section and shall not place a person sentenced under this section on probation for the sentence imposed under this section.

(b) An indictment or information for the Class A, B1, B2, C, D, or E felony shall allege in that indictment or information the facts set out in subsection (a) of this section. The pleading is sufficient if it alleges that the defendant committed the felony by using, displaying, or threatening the use or display of a firearm and the defendant actually possessed the firearm about the defendant's person. One pleading is sufficient for all Class A, B1, B2, C, D, or E felonies that are tried at a single trial.

(c) The State shall prove the issues set out in subsection (a) of this section beyond a reasonable doubt during the same trial in which the defendant is tried for the felony unless the defendant pleads guilty or no contest to that issue. If the defendant pleads guilty or no contest to the felony but pleads not guilty to the issue set out in subsection (a) of this section, then a jury shall be impaneled to determine that issue.

(d) Subsection (a) of this section does not apply if the evidence of the use, display, or threatened use or display of the firearm is needed to prove an element of the felony or if the person is not sentenced to an active term of imprisonment."

SECTION 3. G.S. 15A-1340.16B reads as rewritten:

"**§ 15A-1340.16B. Life imprisonment without parole for a second or subsequent conviction of a Class B1 ~~felony.~~felony, the victim was 13 years of age or younger, and there are no mitigating factors.**

(a) ~~Notwithstanding the sentencing dispositions in G.S. 15A-1340.17, If~~ a person is convicted of a Class B1 felony and it is found as provided in this section that: (i) ~~shall be sentenced to life imprisonment without parole if:~~

~~(1)~~ ~~The offense was committed~~the person committed the felony against a victim who was 13 years of age or younger at the time of the offense; and

~~(2)~~ ~~The~~ (ii) the person has one or more prior convictions of a Class B1 ~~felony; and~~

~~(3)~~ ~~The court finds that there are no mitigating factors in accordance with G.S. 15A-1340.16(e).~~felony, then the person shall be sentenced to life imprisonment without parole.

~~(b) If the sentencing court finds that there are mitigating circumstances, then the court shall sentence the person in accordance with G.S. 15A-1340.17.~~

~~(c) A prior conviction of a Class B1 felony shall be proved in accordance with G.S. 15A-1340.14.~~

(b) An indictment or information for the Class B1 felony shall allege in that indictment or information or in a separate indictment or information the facts set out in

subsection (a) of this section. The pleading is sufficient if it alleges that the defendant committed the felony against a victim who was 13 years of age or younger at the time of the felony and had one or more prior convictions of a Class B1 felony. One pleading is sufficient for all Class B1 felonies that are tried at a single trial.

(c) The State shall prove the issues set out in subsection (a) of this section beyond a reasonable doubt during the same trial in which the defendant is tried for the felony unless the defendant pleads guilty or no contest to that issue. The issue shall be presented in the same manner as provided in G.S. 15A-928(c). If the defendant pleads guilty or no contest to the felony but pleads not guilty to the issue set out in subsection (a) of this section, then a jury shall be impaneled to determine that issue.

(d) Subsection (a) of this section does not apply if there are mitigating factors present under G.S. 15A-1340.16(e)."

SECTION 4. G.S. 15A-1340.16C reads as rewritten:

"**§ 15A-1340.16C. Enhanced sentence if defendant is convicted of a felony and the defendant was wearing or had in his or her immediate possession a bulletproof vest during the commission of the felony.**

(a) If a person is convicted of a felony and ~~the court finds that~~ it is found as provided in this section that the person ~~was wearing~~ wore or had in his or her immediate possession a bulletproof vest at the time of the felony, then the person is guilty of a felony that is one class higher than the underlying felony for which the person was convicted.

~~(b) This section does not apply if the evidence that the person possessed a bullet-proof vest is needed to prove an element of the underlying felony for which the person was convicted. This section does not apply to law enforcement officers.~~

(b) An indictment or information for the felony shall allege in that indictment or information or in a separate indictment or information the facts set out in subsection (a) of this section. The pleading is sufficient if it alleges that the defendant committed the felony while wearing or having in the defendant's immediate possession a bulletproof vest. One pleading is sufficient for all felonies that are tried as a single trial.

(c) The State shall prove the issue set out in subsection (a) of this section beyond a reasonable doubt during the same trial in which the defendant is tried for the felony unless the defendant pleads guilty or no contest to that issue. If the defendant pleads guilty or no contest to the felony but pleads not guilty to the issue set out in subsection (a) of this section, then a jury shall be impaneled to determine that issue.

(d) Subsection (a) of this section does not apply if the evidence that the person wore or had in the person's immediate possession a bulletproof vest is needed to prove an element of the felony."

SECTION 5. G.S. 14-269.1 reads as rewritten:

"**§ 14-269.1. Confiscation and disposition of deadly weapons.**

Upon conviction of any person for violation of G.S. ~~14-2.2,~~ 14-269, 14-269.7, or any other offense involving the use of a deadly weapon of a type referred to in G.S. 14-269, the deadly weapon with reference to which the defendant shall have been convicted

shall be ordered confiscated and disposed of by the presiding judge at the trial in one of the following ways in the discretion of the presiding judge.

(1) By ordering the weapon returned to its rightful owner, but only when such owner is a person other than the defendant and has filed a petition for the recovery of such weapon with the presiding judge at the time of the defendant's conviction, and upon a finding by the presiding judge that petitioner is entitled to possession of same and that he was unlawfully deprived of the same without his consent.

(2), (3) Repealed by Session Laws 1994, Ex. Sess., c. 16, s. 2.

(4) By ordering such weapon turned over to the sheriff of the county in which the trial is held or his duly authorized agent to be destroyed. The sheriff shall maintain a record of the destruction thereof.

(4a) By ordering the weapon, if the weapon has a legible unique identification number, turned over to a law enforcement agency in the county of trial for the official use of such agency, but only upon the written request by the head or chief of such agency. The receiving law enforcement agency shall maintain a record and inventory of all such weapons received.

(5) By ordering such weapon turned over to the North Carolina State Bureau of Investigation's Crime Laboratory Weapons Reference Library for official use by that agency. The State Bureau of Investigation shall maintain a record and inventory of all such weapons received.

(6) By ordering such weapons turned over to the North Carolina Justice Academy for official use by that agency. The North Carolina Justice Academy shall maintain a record and inventory of all such weapons received."

SECTION 6. G.S. 15A-1340.16(d) reads as rewritten:

"(d) Aggravating Factors. -- The following are aggravating factors:

(1) The defendant induced others to participate in the commission of the offense or occupied a position of leadership or dominance of other participants.

(2) The defendant joined with more than one other person in committing the offense and was not charged with committing a conspiracy.

(2a) The offense was committed for the benefit of, or at the direction of, any criminal street gang, with the specific intent to promote, further, or assist in any criminal conduct by gang members, and the defendant was not charged with committing a conspiracy. A "criminal street gang" means any ongoing organization, association, or group of three or more persons, whether formal or informal, having as one of its primary activities the commission of felony or violent misdemeanor offenses, or delinquent acts that would be felonies or violent

misdemeanors if committed by an adult, and having a common name or common identifying sign, colors, or symbols.

(3) The offense was committed for the purpose of avoiding or preventing a lawful arrest or effecting an escape from custody.

(4) The defendant was hired or paid to commit the offense.

(5) The offense was committed to disrupt or hinder the lawful exercise of any governmental function or the enforcement of laws.

(6) The offense was committed against or proximately caused serious injury to a present or former law enforcement officer, employee of the Department of Correction, jailer, fireman, emergency medical technician, ambulance attendant, justice or judge, clerk or assistant or deputy clerk of court, magistrate, prosecutor, juror, or witness against the defendant, while engaged in the performance of that person's official duties or because of the exercise of that person's official duties.

(7) The offense was especially heinous, atrocious, or cruel.

(8) The defendant knowingly created a great risk of death to more than one person by means of a weapon or device which would normally be hazardous to the lives of more than one person.

(9) The defendant held public office at the time of the offense and the offense related to the conduct of the office.

(10) The defendant was armed with or used a deadly weapon at the time of the crime.

(11) The victim was very young, or very old, or mentally or physically infirm, or handicapped.

(12) The defendant committed the offense while on pretrial release on another charge.

(13) The defendant involved a person under the age of 16 in the commission of the crime.

(14) The offense involved an attempted or actual taking of property of great monetary value or damage causing great monetary loss, or the offense involved an unusually large quantity of contraband.

(15) The defendant took advantage of a position of trust or confidence to commit the offense.

(16) The offense involved the sale or delivery of a controlled substance to a minor.

(17) The offense for which the defendant stands convicted was committed against a victim because of the victim's race, color, religion, nationality, or country of origin.

(18) The defendant does not support the defendant's family.

(18a) The defendant has previously been adjudicated delinquent for an offense that would be a Class A, B1, B2, C, D, or E felony if committed by an adult.

(19) The serious injury inflicted upon the victim is permanent and debilitating.

(20) Any other aggravating factor reasonably related to the purposes of sentencing.

Evidence necessary to prove an element of the offense shall not be used to prove any factor in aggravation, and the same item of evidence shall not be used to prove more than one factor in aggravation. Evidence necessary to establish ~~that~~ an enhanced sentence ~~is required under G.S. 14-2.2~~ may not be used to prove any factor in aggravation.

The judge shall not consider as an aggravating factor the fact that the defendant exercised the right to a jury trial."

SECTION 7. This act is effective when it becomes law and applies to offenses committed on or after that date. Prosecutions for offenses occurring before the effective date of this act are not abated or affected by this act, and the statutes that would be applicable before this act remain applicable to those prosecutions.

SENATE BILL 278:
Theft of Gasoline/License Suspension

BILL ANALYSIS

Committee:	House Judiciary II	**Introduced by:**	Senator Hagan
Date:	July 3, 2001	**Summary by:**	Esther Manheimer*
Version:	Second Edition		Committee Counsel

SUMMARY: ***Senate Bill 278 creates a new section for the theft of motor fuel valued at less than $1,000 from a retail establishment. In addition to the existing penalty for misdemeanor larceny, this bill would also authorize the DMV to revoke a person's driver's license for a second or subsequent conviction of the same offense.***

This act would become effective December 1, 2001, and would apply to offenses occurring on or after that date.

CURRENT LAW: To convict a person of larceny, it must be proven that the person:

1. Took the property of another
2. Carried it away
3. Without the owner's consent
4. With the intent to deprive the owner of the property permanently.

Larceny of property valued at less than $1,000 is a Class 1 misdemeanor. Depending on the number of prior convictions, a person convicted of this offense could have a minimum sentence of 1-45 days suspended, community punishment, plus a fine or a maximum sentence of 120 days active and a fine. The amount of the fine is within the discretion of the judge. Larceny of property valued at more than $1,000 is a Class H felony. The range of punishment for a Class H felony is from four months with a suspended sentence to 30 months active depending on the number of prior convictions and other various mitigating and aggravating factors. Senate Bill 278 does not address the felonious theft of gasoline.

BILL ANALYSIS:

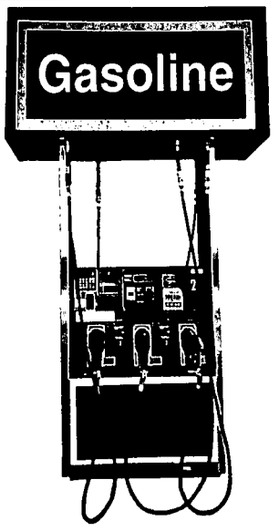
1. <u>Theft of Motor Fuel</u>

Senate Bill 278 makes the offense of stealing motor fuel valued at less than $1,000 from an establishment where motor fuel is offered for retail sale a separate section among the various larceny statutes. The offense would still be a Class 1 misdemeanor, as under current law, but an additional penalty would be created.

2. <u>Additional Penalty</u>

In addition to the fine and imprisonment authorized for Class 1 misdemeanors, the court would be required to report final convictions to DMV. The bill then requires DMV to revoke a person's driver's license for a period of time depending on the number of prior convictions within the past seven years for the same offense:

1st conviction = No additional penalty
2nd conviction = Mandatory revocation for 90 days
3rd or subsequent conviction = Mandatory revocation for six months



3. **Second or Subsequent Conviction Defined** – At the time of the current offense, the person has previous conviction for the same offense that occurred in the seven years immediately preceding the date of the current offense.

4. **Limited Driving Privilege** – If a person is convicted for theft of motor fuel for a second or subsequent time, a judge may allow a limited driving privilege.

MINUTES
HOUSE COMMITTEE ON JUDICIARY II

July 10, 2001

The House Committee on JUDICIARY II met at 10:00 a.m. on Tuesday, July 10, 2001 in Room 421 of the Legislative Office Building. The following members were present: Chairman Baddour, Representatives Haire, Bowie, Culpepper, Decker, Gulley, Hall, Jeffus, Justus, Miller, Pope, Weiss.

The Visitor Registration Sheet is attached as a part of the record of the Minutes. Related handouts are listed as ATTACHMENTS for the record. .

Chairman Baddour presided and called the meeting to order. He recognized the Pages who were assigned to serve the Committee. The following bills were considered:

CS for SB 278 – THEFT OF GASOLINE/LICENSE SUSPENSION. Discussion of SB 278 was continued from last meeting and the Chairman reminded the committee that there was a motion on the table for a favorable report offered at the last meeting by Representative Pope. Senator Hagan, sponsor, was recognized to further explain the bill. Representative Hall expressed his support for mandatory gas pump stickers to be administered by the service providers and suggested an amendment. Mr. Gary Harris of the Petroleum Association was asked to comment and said that the Association supports a volunteer basis for the stickers. In response to a question, he stated that the Association pays for the costs of the stickers. Ms. Ruth Sappie of Department of Transportation was asked to speak on behalf of the DOT. Representative Hall withdrew his proposed amendment and the Chairman called the previous question. The motion carried. CS for SB 278 was given a favorable report.

CS for SB 751 – NO DRUGS AT CHILD CARE CENTERS. Senator Thomas, sponsor, was recognized to explain the bill. Under current law, any person 21 years of age or older who manufactures, sells, or delivers, or who possesses with intent to manufacture, sell, or deliver a controlled substance on or within 300 feet of an elementary or secondary school will be punished as a Class E felon. The term "elementary and secondary school" has been interpreted to include public and private schools of grades K-12, but not child care centers that are not associated with an elementary or secondary school; therefore, Senator Thomas'amendment amended the bill to add 'child care centers'. Representative Bowie expressed concern that the term "users" was not addressed in the legislation. Representative Justus made a motion for a favorable report for CS for SB 751, and the motion carried.

SENATE BILL 751:
No Drugs at Child Care Centers

7-10-01

BILL ANALYSIS

Committee:	House Judiciary II	**Introduced by:**	Senator Thomas
Date:	July 10, 2001	**Summary by:**	Jeff Hudson
Version:	Second Edition		Committee Counsel

SUMMARY: ***Senate Bill 751 would provide that any person 21 years of age or older who manufactures, sells, or delivers, or who possesses with intent to manufacture, sell, or deliver a controlled substance on or within 300 feet of a licensed child care center will be punished as a Class E felon. The act is effective December 1, 2001, and applies to offenses committed on or after that date.***

CURRENT LAW: Under current law, any person 21 years of age or older who manufactures, sells, or delivers, or who possesses with intent to manufacture, sell, or deliver a controlled substance on or within 300 feet of an elementary or secondary school will be punished as a Class E felon. The term "elementary and secondary school" has been interpreted to include public and private schools of grades K-12, but not child care centers that are not associated with an elementary or secondary school.

BILL ANALYSIS: Senate Bill 751 would provide that any person 21 years of age or older who manufactures, sells, or delivers, or who possesses with intent to manufacture, sell, or deliver a controlled substance on or within 300 feet of a licensed child care center will be punished as a Class E felon. This provision would not apply to the transfer of less than five grams of marijuana for no payment.

"Child care center" is defined as an arrangement where, at any one time, there are three or more preschool-age children or nine or more school-age children receiving child care. "Child care" is defined as a program or arrangement where three or more children less than 13 years old, who do not reside where the care is provided, receive care on a regular basis of at least once per week for more than four hours but less than 24 hours per day from persons other than their guardians or full-time custodians, or from persons not related to them by birth, marriage, or adoption. The following arrangements do not constitute "child care":

- Arrangements operated in the home of any child receiving care if all of the children in care are related to each other and no more than two additional children are in care.
- Recreational programs operated for less than four consecutive months in a year.
- Specialized activities or instruction such as athletics, dance, art, music lessons, horseback riding, gymnastics, or organized clubs for children, such as Boy Scouts, Girl Scouts, 4-H groups, or boys and girls clubs.
- Drop-in or short-term care provided while parents participate in activities that are not employment related and where the parents are on the premises or otherwise easily accessible, such as drop-in or short-term care provided in health spas, bowling alleys, shopping malls, resort hotels, or churches.
- Public schools.
- Nonpublic schools that are accredited by the Southern Association of Colleges and Schools and that operate a child care facility for less than six and one-half hours per day either on or off the school site.
- Bible schools conducted during vacation periods.
- Care provided by facilities for the mentally ill, the developmentally disabled, and substance abusers.
- Cooperative arrangements among parents to provide care for their own children as a convenience rather than for employment.

- Any child care program or arrangement consisting of two or more separate components, each of which operates for four hours or less per day with different children attending each component.

The Secretary of the Department of Health and Human Services must license all child care centers. However, child care facilities or summer day camps operated by a church, synagogue, or school of religious charter are exempt from the licensing requirement. A licensed child care facility must display its current license in a prominent place at all times so that the public is on notice that the facility is licensed.

Version:	Proposed Committee Substitute		Staff Attorney, Research Division

SUMMARY: **The Proposed House Committee Substitute for Senate Bill 1014 establishes new littering offenses for unintentional littering; requires that a vehicle licensed for more than 7,500 pounds and loaded with rock, gravel, stone, or similar substance be covered by a tarp; requires the Department of Transportation to schedule, to the extent practicable, the removal of debris, trash, and litter from the highway and the highway right-of-way prior to mowing; requires the Department of Transportation to install signs notifying motorists of the penalties for littering; provides explicit authority to counties and municipalities to adopt littering ordinances; mandates that candidates be informed of the laws and rules applicable to campaign signs; provides that the Governor is responsible for submitting a semiannual report to various legislative entities on litter prevention, litter removal, and litter enforcement; directs local boards of education to encourage recycling in public schools and requires the State Board of Education to report on recycling in public schools; requires the Department of Transportation to provide and maintain recycling bins at highway rest stops when feasible; and requires the Department of Administration to provide for the collection of recyclable materials on each floor of each building occupied by a State agency.**

BILL ANALYSIS: The PCS for Senate Bill 1014 does the following:

Section 1. Section 1 amends G.S. 14-399 to establish new littering offenses for unintentional littering. The offenses and penalties for intentional or reckless littering under existing law remain the same. Unintentional littering does not include the accidental blowing, scattering, or spilling of an insignificant amount of municipal solid waste during the automated loading of a vehicle designed and constructed to transport municipal solid waste if the vehicle is operated in a reasonable manner and according to manufacturer specifications.

A person who, without acting intentionally or recklessly, litters in the amount of 15 pounds or less is guilty of an infraction punishable by a fine of up to $100 and possible community service of between four and 12 hours. A second or subsequent violation within three years is an infraction punishable by a fine of up to $200 and possible community service of between eight and 24 hours. For unintentional violations in the amount of 15 pounds or less, the term "litter" does not include nontoxic and biodegradable, agricultural or garden products or supplies, including mulch, tree bark, and wood chips.

An unintentional violation in the amount of over 15 pounds up to 500 pounds is an infraction punishable by a fine of up to $200 and possible community service of between eight and 24 hours.

An unintentional violation involving over 500 pounds is an infraction punishable by a fine of up to $300 and possible community service of between 16 and 50 hours.

A drivers license point will only be assessed for intentional or reckless littering violations and only vehicles involved in the intentional or reckless disposal of over 500 pounds of litter are subject to seizure as contraband. Only intentional or reckless littering offenses subject the violator to treble

damages and payment of the plaintiff's court costs and attorney's fees in a civil action if the littering violation resulted in the plaintiff suffering damages.

This section clarifies that all law enforcement officers sworn and certified pursuant to Chapter 17C or 17E of the General Statutes, except company police officers, have the duty of enforcing G.S. 14-399. County and municipal litter enforcement officers are also charged with enforcing G.S. 14-399. The North Carolina Criminal Justice Education and Training System, established by Chapter 17C, is responsible for training all law enforcement officers in the State except for Sheriffs. Sheriffs are trained by the Justice Officers' Standards Division within the Department of Justice, established by Chapter 17E. This section also adds language to the definition of "littering" to provide that political pamphlets, handbills, religious tracts, newspapers, and other similar materials are not considered "litter" only when they are being used for or distributed in accordance with their intended use.

Section 2. Section 2 amends G.S. 20-116(g) to provide that when a vehicle licensed for more than 7,500 pounds gross vehicle weight is loaded with rock, gravel, stone, or any similar substance the height of the load against all four walls shall not extend above a horizontal line six inches below the top of the vehicle when loaded and the load must be securely covered by a tarp or other covering. This section does not change the existing law as it applies to a vehicle licensed for 7,500 pounds or less gross vehicle weight, and such a vehicle must be either loaded as described above, tarped, or constructed so as to prevent any of its load from escaping from the vehicle. This section amends G.S. 20-116(g)(1), which requires that all vehicles be loaded to prevent their load from falling or blowing off, to require that vehicles must be free from any holes, cracks, or openings through which any material may escape. This section also provides that for purposes of G.S. 20-116(g)(1), load does not include water accumulated from precipitation.

Section 3. Section 3 creates a new section requiring the Department of Transportation to schedule, to the extent practicable, the removal of debris, trash, and litter from the highway and the highway right-of-way prior to any mowing of the highway right-of-way.

Section 4. Section 4 requires the Department of Transportation to place signs on the Interstate Highway System notifying motorists of the penalties for littering.

Sections 5 and 6. Sections 5 and 6 provide explicit authority to counties and municipalities to adopt littering ordinances enforceable by civil penalties and other remedies. In addition, counties and municipalities may appoint environmental officers to enforce these ordinances.

Sections 7 and 8. Sections 7 and 8 create two new sections that require, at the time a candidacy is formally initiated with the State Board of Elections or a county board of elections, the respective board of elections to notify the candidate of the provisions concerning campaign signs in G.S. 136-32 and G.S. 14-156 and the rules adopted by the Department of Transportation pursuant to G.S. 136-18.

Sections 9 and 10. Section 9 provides that the Governor shall compile information from the Department of Transportation, the Department of Correction, the Department of Crime Control and Public Safety, the State Highway Patrol, the Wildlife Resources Commission, the Division of Parks and Recreation in the Department of Environment and Natural Resources, the Division of Marine Fisheries in the Department of Environment and Natural Resources, and the Administrative Office of the Courts, and present a consolidated semiannual report to the Environmental Review Commission, the Joint Legislative Transportation Oversight Committee, and the House of Representatives and the Senate Appropriations Subcommittees on Natural and Economic Resources. Section 10 requires the first semiannual report to be delivered to the respective legislative entities by March 1, 2002.

Sections 11, 12, and 13. Section 13 provides that local school boards shall encourage recycling in public schools and may develop and implement recycling programs at public schools. Section 11 provides that the State Board of Education shall report to the Joint Legislative Education Oversight Committee and the Environmental Review Commission by September 15 of each year on the recycling efforts of public schools. Section 12 requires that the first report by the State Board of Education be delivered by September 15, 2002.

Section 14. Section 14 requires the Department of Transportation to provide and maintain recycling bins at highway rest stops for all of the following recyclable materials for which recycling is feasible:

- Aluminum
- Newspaper
- Sorted office paper
- Mixed office paper
- Recyclable glass
- Plastic bottles

Section 15. Section 15 requires the Department of Administration to expand its recycling program to provide that recycling bins are readily accessible on each floor where State employees are located in a building occupied by a State agency. The program must provide for the collection of the following materials:

- Aluminum
- Newspaper
- Sorted office paper
- Recyclable glass
- Plastic bottles

Section 16. Section 16 provides that the act shall not be construed to obligate the General Assembly to appropriate any funds to implement the provisions of the act. Every agency to which the act applies shall implement the provisions of this act from funds otherwise appropriated or available to the agency.

Section 17. Section 17 is the effective date clause of the act.

The Department of Transportation shall include as a term of any contract that it enters into for the mowing of a highway right-of-way that the contracting party shall, to the extent practicable, schedule the removal of debris, trash, and litter from the highway and highway right-of-way prior to the mowing of the highway right-of-way."

SECTION 5. G.S. 153A-136 reads as rewritten:

"**§ 153A-136. Regulation of solid wastes.**

(a) A county may by ordinance regulate the storage, collection, transportation, use, disposal, and other disposition of solid wastes. Such an ordinance may:

(1) Regulate the activities of persons, firms, and corporations, both public and private.

(2) Require each person wishing to commercially collect or dispose of solid wastes to secure a license from the county and prohibit any person from commercially collecting or disposing of solid wastes without a license. A fee may be charged for a license.

(3) Grant a franchise to one or more persons for the exclusive right to commercially collect or dispose of solid wastes within all or a defined portion of the county and prohibit any other person from commercially collecting or disposing of solid wastes in that area. The board of commissioners may set the terms of any franchise, except that no franchise may be granted for a period exceeding 30 years, nor may any

franchise by its terms impair the authority of the board of commissioners to regulate fees as authorized by this section.

(4) Regulate the fees, if any, that may be charged by licensed or franchised persons for collecting or disposing of solid wastes.

(5) Require the source separation of materials prior to collection of solid waste for disposal.

(6) Require participation in a recycling program by requiring separation of designated materials by the owner or occupant of the property prior to disposal. An owner of recovered materials as defined by G.S. 130A-290(a)(24) retains ownership of the recovered materials until the owner conveys, sells, donates, or otherwise transfers the recovered materials to a person, firm, company, corporation, or unit of local government. A county may not require an owner to convey, sell, donate, or otherwise transfer recovered materials to the county or its designee. If an owner places recovered materials in receptacles or delivers recovered materials to specific locations, receptacles, and facilities that are owned or operated by the county or its designee, then ownership of these materials is transferred to the county or its designee.

(6a) Regulate the illegal disposal of solid waste, including littering on public and private property, provide for enforcement by civil penalties as well as other remedies, and provide that such regulations may be enforced by specially appointed environmental enforcement officers.

(7) Include any other proper matter.

(b) Any ordinance adopted pursuant to this section shall be consistent with and supplementary to any rules adopted by the Commission for Health Services or the Department of Environment and Natural Resources.

(c) The board of commissioners of a county shall consider alternative sites and socioeconomic and demographic data and shall hold a public hearing prior to selecting or approving a site for a new sanitary landfill that receives residential solid waste that is located within one mile of an existing sanitary landfill within the State. The distance between an existing and a proposed site shall be determined by measurement between the closest points on the outer boundary of each site. The definitions set out in G.S. 130A-290 apply to this subsection. As used in this subsection:

(1) "Approving a site" refers to prior approval of a site under G.S. 130A-294(a)(4).

(2) "Existing sanitary landfill" means a sanitary landfill that is in operation or that has been in operation within the five-year period immediately prior to the date on which an application for a permit is submitted.

(3) "New sanitary landfill" means a sanitary landfill that includes areas not within the legal description of an existing sanitary landfill as set out in the permit for the existing sanitary landfill.

(4) "Socioeconomic and demographic data" means the most recent socioeconomic and demographic data compiled by the United States Bureau of the Census and any additional socioeconomic and demographic data submitted at the public hearing.

(d) As used in this section, "solid waste" means nonhazardous solid waste, that is, solid waste as defined in G.S. 130A-290 but not including hazardous waste."

SECTION 6. G.S. 160A-185 reads as rewritten:

"**§ 160A-185. Emission of pollutants or contaminants.**

A city may by ordinance regulate, restrict, or prohibit the emission or disposal of substances or effluents that tend to pollute or contaminate land, water, or air, rendering or tending to render it injurious to human health or welfare, to animal or plant life or to property, or interfering or tending to interfere with the enjoyment of life or property. A city may by ordinance regulate the illegal disposal of solid waste, including littering on public and private property, provide for enforcement by civil penalties as well as other remedies, and provide that such regulations may be enforced by specially appointed environmental enforcement officers. Any such ordinance shall be consistent with and supplementary to State and federal laws and regulations."

SECTION 7. Article 3 of Chapter 163 of the General Statutes is amended by adding a new section to read:

"**§ 163-22.3. State Board of Elections littering notification.**

At the time an individual files with the State Board of Elections a notice of candidacy pursuant to G.S. 163-106, 163-112, 163-291, 163-294.2, or 163-323, is certified to the State Board of Elections by a political party executive committee to fill a nomination vacancy pursuant to G.S. 163-114, is certified to the State Board of Elections by a new political party as that party's nominee pursuant to G.S. 163-98, qualifies with the State Board of Elections as an unaffiliated or write-in candidate pursuant to Article 11 of this Chapter, or formally initiates a candidacy with the State Board of Elections pursuant to any statute or local act, the State Board of Elections shall notify the candidate of the provisions concerning campaign signs in G.S. 136-32 and G.S. 14-156, and the rules adopted by the Department of Transportation pursuant to G.S. 136-18."

SENATE BILL 1014:
Strengthen Littering Laws

BILL ANALYSIS

Committee:	House Judiciary II	**Introduced by:**	Senator Albertson
Date:	July 12, 2001	**Summary by:**	Rick Zechini
Version:	Proposed Committee Substitute		Staff Attorney, Research Division

SUMMARY: **The Proposed House Committee Substitute for Senate Bill 1014 establishes new littering offenses for unintentional littering; requires that a vehicle licensed for more than 7,500 pounds and loaded with rock, gravel, stone, or similar substance be covered by a tarp; requires the Department of Transportation to schedule, to the extent practicable, the removal of debris, trash, and litter from the highway and the highway right-of-way prior to mowing; requires the Department of Transportation to install signs notifying motorists of the penalties for littering; provides explicit authority to counties and municipalities to adopt littering ordinances; mandates that candidates be informed of the laws and rules applicable to campaign signs; provides that the Governor is responsible for submitting a semiannual report to various legislative entities on litter prevention, litter removal, and litter enforcement; directs local boards of education to encourage recycling in public schools and requires the State Board of Education to report on recycling in public schools; requires the Department of Transportation to provide and maintain recycling bins at highway rest stops when feasible; and requires the Department of Administration to provide for the collection of recyclable materials on each floor of each building occupied by a State agency.**

BILL ANALYSIS: The PCS for Senate Bill 1014 does the following:

Section 1. Section 1 amends G.S. 14-399 to establish new littering offenses for unintentional littering. The offenses and penalties for intentional or reckless littering under existing law remain the same. Unintentional littering does not include the accidental blowing, scattering, or spilling of an insignificant amount of municipal solid waste during the automated loading of a vehicle designed and constructed to transport municipal solid waste if the vehicle is operated in a reasonable manner and according to manufacturer specifications.

A person who, without acting intentionally or recklessly, litters in the amount of 15 pounds or less is guilty of an infraction punishable by a fine of up to $100 and possible community service of between four and 12 hours. A second or subsequent violation within three years is an infraction punishable by a fine of up to $200 and possible community service of between eight and 24 hours. For unintentional violations in the amount of 15 pounds or less, the term "litter" does not include nontoxic and biodegradable, agricultural or garden products or supplies, including mulch, tree bark, and wood chips.

An unintentional violation in the amount of over 15 pounds up to 500 pounds is an infraction punishable by a fine of up to $200 and possible community service of between eight and 24 hours.

An unintentional violation involving over 500 pounds is an infraction punishable by a fine of up to $300 and possible community service of between 16 and 50 hours.

A drivers license point will only be assessed for intentional or reckless littering violations and only vehicles involved in the intentional or reckless disposal of over 500 pounds of litter are subject to seizure as contraband. Only intentional or reckless littering offenses subject the violator to treble

damages and payment of the plaintiff's court costs and attorney's fees in a civil action if the litt violation resulted in the plaintiff suffering damages.

This section clarifies that all law enforcement officers sworn and certified pursuant to Chapter 17C or 17E of the General Statutes, except company police officers, have the duty of enforcing G.S. 14-399. County and municipal litter enforcement officers are also charged with enforcing G.S. 14-399. The North Carolina Criminal Justice Education and Training System, established by Chapter 17C, is responsible for training all law enforcement officers in the State except for Sheriffs. Sheriffs are trained by the Justice Officers' Standards Division within the Department of Justice, established by Chapter 17E. This section also adds language to the definition of "littering" to provide that political pamphlets, handbills, religious tracts, newspapers, and other similar materials are not considered "litter" only when they are being used for or distributed in accordance with their intended use.

Section 2. Section 2 amends G.S. 20-116(g) to provide that when a vehicle licensed for more than 7,500 pounds gross vehicle weight is loaded with rock, gravel, stone, or any similar substance the height of the load against all four walls shall not extend above a horizontal line six inches below the top of the vehicle when loaded and the load must be securely covered by a tarp or other covering. This section does not change the existing law as it applies to a vehicle licensed for 7,500 pounds or less gross vehicle weight, and such a vehicle must be either loaded as described above, tarped, or constructed so as to prevent any of its load from escaping from the vehicle. This section amends G.S. 20-116(g)(1), which requires that all vehicles be loaded to prevent their load from falling or blowing off, to require that vehicles must be free from any holes, cracks, or openings through which any material may escape. This section also provides that for purposes of G.S. 20-116(g)(1), load does not include water accumulat from precipitation.

Section 3. Section 3 creates a new section requiring the Department of Transportation to schedule, to the extent practicable, the removal of debris, trash, and litter from the highway and the highway right-of-way prior to any mowing of the highway right-of-way.

Section 4. Section 4 requires the Department of Transportation to place signs on the Interstate Highway System notifying motorists of the penalties for littering.

Sections 5 and 6. Sections 5 and 6 provide explicit authority to counties and municipalities to adopt littering ordinances enforceable by civil penalties and other remedies. In addition, counties and municipalities may appoint environmental officers to enforce these ordinances.

Sections 7 and 8. Sections 7 and 8 create two new sections that require, at the time a candidacy is formally initiated with the State Board of Elections or a county board of elections, the respective board of elections to notify the candidate of the provisions concerning campaign signs in G.S. 136-32 and G.S. 14-156 and the rules adopted by the Department of Transportation pursuant to G.S. 136-18.

Sections 9 and 10. Section 9 provides that the Governor shall compile information from the Department of Transportation, the Department of Correction, the Department of Crime Control and Public Safety, the State Highway Patrol, the Wildlife Resources Commission, the Division of Parks and Recreation in the Department of Environment and Natural Resources, the Division of Marine Fisheries in the Department of Environment and Natural Resources, and the Administrative Office of the Courts, and present a consolidated semiannual report to the Environmental Review Commission, the Joint Legislative Transportation Oversight Committee, and the House of Representatives and the Senate Appropriations Subcommittees on Natural and Economic Resources. Section 10 requires the first semiannual report to delivered to the respective legislative entities by March 1, 2002.

Sections 11, 12, and 13. Section 13 provides that local school boards shall encourage recycling in public schools and may develop and implement recycling programs at public schools. Section 11 provides that the State Board of Education shall report to the Joint Legislative Education Oversight Committee and the Environmental Review Commission by September 15 of each year on the recycling efforts of public schools. Section 12 requires that the first report by the State Board of Education be delivered by September 15, 2002.

Section 14. Section 14 requires the Department of Transportation to provide and maintain recycling bins at highway rest stops for all of the following recyclable materials for which recycling is feasible:

- Aluminum
- Newspaper
- Sorted office paper
- Mixed office paper
- Recyclable glass
- Plastic bottles

Section 15. Section 15 requires the Department of Administration to expand its recycling program to provide that recycling bins are readily accessible on each floor where State employees are located in a building occupied by a State agency. The program must provide for the collection of the following materials:

- Aluminum
- Newspaper
- Sorted office paper
- Recyclable glass
- Plastic bottles

Section 16. Section 16 provides that the act shall not be construed to obligate the General Assembly to appropriate any funds to implement the provisions of the act. Every agency to which the act applies shall implement the provisions of this act from funds otherwise appropriated or available to the agency.

Section 17. Section 17 is the effective date clause of the act.

SENATE BILL 780:
Amend Physicians' Liens Statutes

BILL ANALYSIS

Committee:	House Judiciary II	**Introduced by:**	Senator Hartsell
Date:	July 24, 2001	**Summary by:**	Robin Johnson
Version:	S780-CSRH-47[v.6]		Committee Counsel

SUMMARY: ***Senate Bill 780 would clarify the method for a medical provider to be able to perfect a lien on funds arising from a personal injury claim owed to the patient of the medical provider, by specifying that a notice of lien must be delivered to the attorney representing the patient at the time that copies of the medical records and expenses are furnished. The bill also would require the attorney disbursing the personal injury funds to pay the medical provider's lien even if contrary to the patient's instructions.***

CURRENT LAW: Currently the law allows physicians, dentists, trained nurses and hospitals the right to claim a lien on a portion of the recovery a patient might receive as a result of a personal injury claim. The intention of the statute is to encourage medical providers to provide proper treatment for an injured patient who is likely going to recover the cost of his medical expenses in the future for a personal injury claim by providing the medical provider with assurance that a portion of any money recovered will be applied towards the patient's medical expenses. In order to perfect the lien the medical provider must give notice to the clerk of court within 30 days of the filing of the personal injury lawsuit by the patient provided that the medical provider furnishes to the patient's attorney the medical records and bills without charge that the patient needs to pursue his or her lawsuit. The maximum amount of the lien is 50% of the amount received by the patient, after deducting the patient's attorney fees. The patient is still responsible for the entire medical bill regardless of whether the funds arising from the personal injury claim are sufficient to satisfy the medical bill.

BILL ANALYSIS: Senate Bill 780 would eliminate the requirement that the medical provider file notice of the lien within 30 days of the filing of the personal injury lawsuit with the clerk of court and substitutes a requirement that the medical provider give notice to the patient's attorney at the time the medical provider provides to the patient's attorney the medical records and expenses necessary to pursue the lawsuit. Once a lien is properly perfected (and once any dispute concerning the amount of the medical bills is resolved), the patient's attorney would be required to disburse the proceeds of the lawsuit toward the medical lien despite instructions by the patient to the contrary.

EFFECTIVE DATE: The bill would become effective October 1, 2001 and apply to liens perfected on or after that date.

S780-SMRH-003: O. Walker Reagan, Senate Judiciary I Committee Counsel, substantially contributed to this summary.

Article 9.

Liens upon Recoveries for Personal Injuries to Secure Sums Due for Medical Attention, etc.

§ 44-49. Lien created; applicable to persons non sui juris.

From and after March 26, 1935, there is hereby created a lien upon any sums recovered as damages for personal injury in any civil action in this State, the said lien in favor of any person, corporation, municipal corporation or county to whom the person so recovering, or the person in whose behalf the recovery has been made, may be indebted for drugs, medical supplies, ambulance services, and medical services rendered by any physician, dentist, trained nurse, or hospitalization, or hospital attention and/or services rendered in connection with the injury in compensation for which the said damages have been recovered. Where damages are recovered for and in behalf of minors or persons non compos mentis, such liens shall attach to the sum recovered as fully as if the said person were sui juris.

Notwithstanding the provisions of paragraph one of this section, no lien therein provided for shall be valid with respect to any claims whatsoever unless the person or corporation entitled to the lien therein provided for shall file a claim with the clerk of the court in which said civil action is instituted within 30 days after the institution of such action and further provided that the physician, dentist, trained nurse, hospital or such other person as has a lien hereunder shall, without charge to the attorney as a condition precedent to the creation of such lien, furnish upon request to the attorney representing the person in whose behalf the claim for personal injury is made, an itemized statement, hospital record, or medical report for the use of such attorney in the negotiation settlement or trial of the claim arising by reason of the personal injury.

No liens of the character provided for in the first paragraph of this section shall hereafter be valid with respect to money that may be recovered in any pending civil actions in this State unless claims based on such liens are filed with the clerk of the court in which the action is pending within 90 days after April 5, 1947.

No action shall lie against any clerk of court or any surety on any clerk's bond to recover any claims based upon any lien or liens created by the first paragraph of this section when recovery has heretofore been had by the person injured, and no claims against such recovery were filed with the clerk by any person or corporation, and the clerk has otherwise disbursed according to law the money recovered in such action for personal injuries. (1935, c. 121, s. 1; 1947, c. 1027; 1959, c. 800, s. 1; 1967, c. 1204, s. 1; 1969, c. 450, s. 1.)

§ 44-50. Receiving person charged with duty of retaining funds for purpose stated; evidence; attorney's fees; charges.

Such a lien as provided for in G.S. 44-49 shall also attach upon all funds paid to any person in compensation for or settlement of the said injuries, whether in litigation or otherwise; and it shall be the duty of any person receiving the same before disbursement thereof to retain out of any recovery or any compensation so received a sufficient amount

to pay the just and bona fide claims for such drugs, medical supplies, ambulance service and medical attention and/or hospital service, after having received and accepted notice thereof: Provided, that evidence as to the amount of such charges shall be competent in the trial of any such action: Provided, further, that nothing herein contained shall be construed so as to interfere with any amount due for attorney's services: Provided, further, that the lien hereinbefore provided for shall in no case, exclusive of attorneys' fees, exceed fifty percent (50%) of the amount of damages recovered. (1935, c. 121, s. 2; 1959, c. 800, s. 2; 1969, c. 450, s. 2; 1995 (Reg. Sess., 1996), c. 674, s. 3.)

§ 44-51. Disputed claims to be settled before payments.

Whenever the sum or amount or amounts demanded for medical services or hospital fees shall be in dispute, nothing in this Article shall have any effect of compelling payment thereof until the claim is fully established and determined, in the manner provided by law: Provided, however, that when any such sums are in dispute the amount of the lien shall in no case exceed the amount of the bills in dispute. (1935, c. 121, s. 3; 1943, c. 543.)

In order to register, a foreign limited partnership shall deliver to the Secretary of State an original and one conformed copy of an application for registration as a foreign limited partnership, signed by a general partner and setting forth:

(1) The name of the foreign limited partnership and, if different, the name under which it proposes to register and transact business in this State;

...

(5) The address, including county and city or town, and street and number, if any, of the proposed registered office of the foreign limited partnership in this State, and the name of its proposed registered agent in this State at such address; ~~the agent must be an individual resident of this State, a domestic corporation, or a foreign corporation having a place of business in, and authorized to do business in this State;~~

SECTION 51.(a) G.S. 59-84.2(i) reads as rewritten:

SECTION 51.(b) G.S. 59-91(b) reads as rewritten:

"(b) ~~The registered agent of a foreign limited liability partnership for service of process must be (i) an individual who is a resident of this State and whose business office is identical with the registered office; (ii) a domestic corporation, nonprofit corporation, or limited liability company whose business office is identical with the registered office; or (iii) a foreign corporation, nonprofit corporation, or limited liability company authorized to transact business in this State whose business office is identical with the registered office. SECTION 51.(c) G.S. 59-35.1(c), as amended in Parts II and IV of this act, reads as rewritten:

MEMORANDUM

To: House Judiciary II Committee

From: General Statutes Commission

Date: July 18, 2001

Re: Committee Substitute for House Bill 385 (Consolidate Business Provisions)

General Comments

The Senate committee substitute for House Bill 385 amends the General Statutes to consolidate in one place various provisions that either duplicate or closely track each other in Chapters 55, 55A, 57C, and 59, relating to corporations, nonprofit corporations, limited liability companies, limited partnerships, and registered limited liability partnerships. The provisions covered in this bill fall into three different groups:

(1) Requirements for filing documents with the Secretary of State under Chapters 55, 55A, 57C, and 59;

(2) Formal requirements for entity names in these chapters; and

(3) Requirements for maintaining a registered office and registered agent and substitute service of process on the Secretary of State in the event that there is no registered agent.

At present, when an amendment is made in one chapter to any of these provisions, the amendment must also be made in at least four other places in the General Statutes to keep them standardized. This bill is intended to eliminate some of the future need for such duplicative amendments.

The bill creates a new Chapter 55D of the General Statutes and recodifies the filing, name, and registered office and registered agent provisions of Chapter 55 of the General Statutes into the new chapter. The bill has seven parts. Part I (Consolidation of Filing Requirements) creates the new chapter, recodifies the filing provisions of Chapter 55 (most of Part 2 of Article 1 of Chapter 55) into the new chapter, and makes the changes necessary to accommodate nonprofit

corporations, limited liability companies, limited partnerships, and limited liability partnerships. Part II makes conforming amendments needed as a result of Part I. Parts I and II also make a few miscellaneous amendments. Part III (Consolidation of Provisions Relating to Names) similarly recodifies most of Article 4 of Chapter 55 (on corporate names) into the new chapter, incorporates the gist of G.S. 55-15-06 (on names of foreign corporations authorized to transact business in this State), and makes changes to accommodate the other types of business entities, and Part IV contains conforming amendments required as a result of Part III. Part V (Consolidation of Registered Office and Registered Agent Provisions) provides similar treatment for Article 5 of Chapter 55 (registered office and registered agent), and Part VI similarly contains conforming amendments. Part VII contains applicability and effective date provisions and authorization to transfer drafters' comments from the recodified sections of Chapter 55 to the equivalent sections in the new Chapter 55D.

Specific Comments

Part I (Consolidation of Filing Requirements).

Section 1. This section creates a new Chapter 55D of the General Statutes with one article, Article 1. Article 1 contains a definitions section and rulemaking authority for the Secretary of State. The terms in the definitions section are defined with reference to the definitions in Chapters 55, 55A, 57C, and 59.

Sections 2 and 3. Section 2 adds a second article to Chapter 55D, and Section 3 recodifies G.S. 55-1-22.1, 55-1-22.2, 55-1-23, 55-1-24, 55-1-25, 55-1-26, 55-1-27, 55-1-29, and most of G.S. 55-1-20 into this new article.

Section 4. This section amends the text of the recodified sections to include references to nonprofit corporations, limited liability companies, limited partnerships, and registered limited liability partnerships and conforming amendments and to make stylistic changes. Please note that the text being amended is the current text of Chapter 55 of the General Statutes. Other amendments include:

55D-10. The format of this section has been updated. No reference was added in new subdivision (b)(4) to certificates of existence for foreign limited partnerships because foreign limited partnerships are not required to submit these documents to be authorized to transact business in this State (instead, they include a different certification in their application for authorization). New subdivision (b)(3) is amended to include a specific reference to electronic filing. New subdivision (b)(8) removes the current requirement for submitting at least one copy along with the document to be filed, because the Department of the Secretary of State itself automatically generates a copy and no longer needs to have copies submitted.

55D-11. This section was rewritten at the request of the Department of the Secretary of State to clarify that a request for an expedited filing must be made when the document is filed.

55D-12. To parallel the statutory treatment for expedited filings, the fee for advisory reviews is being moved from the substantive fee sections in Chapters 55, 55A, 57C, and 59 and inserted into this section. This amendment is a recodification of an existing fee, not a new fee, and the fee amount is unchanged.

55D-16. The Senate Judiciary I Committee amended this section (on appeals from the Secretary of State's refusal to file a document) to clarify that no service of process is needed other than that described in this section, and that the appeal is before a judge of the superior court and not the clerk of court.

55D-17. A specific reference to certifications in electronic form is included.

Part II (Miscellaneous and Conforming Amendments).

Section 5. This section amends the definition of "entity" in Chapters 55 and 55A of the General Statutes to make it clear that "entity" includes foreign business entities.

Section 5A. This section makes conforming amendments to the appeal procedures set out in G.S. 55-14-23, 55-15-32, 55A-14-23, and 55A-15-32, incorporating the amendments to G.S. 55D-16 made by the Senate Judiciary I Committee.

Section 6. This section rewrites G.S. 55-1-20, as amended in Part I, to contain a cross reference to the new Chapter 55D and to restate the requirements for execution of corporate documents. The term "chairman" is made gender neutral. The section also repeals the advisory review fee in G.S. 55-1-22, which in Part I was inserted into new G.S. 55D-12, and makes a conforming amendment to G.S. 55-8-07.

Sections 7, 8, 9, and 10. These sections make essentially the same amendments to G.S. 55A-1-20, 55A-1-22, 57C-1-20, 57C-1-22, 59-73.7, 59-204, 59-206, and 59-1106 that subsections (a) and (b) of Section 6 make to the equivalent sections of Chapter 55. In addition, these sections repeal the sections of Chapter 55A and 57C, Article 5 of Chapter 59, and those subsections of G.S. 59-73.7 that are essentially duplicates of the sections in new Chapter 55D.

The amendment to G.S. 57C-1-20 in Section 8(a) eliminates current G.S. 57C-1-20(f)(2) as unnecessary.

Section 9 recodifies G.S. 59-73.7 as G.S. 59-35.1, which is a more logical location. The Senate Judiciary I Committee amended subsection (c) to clarify that the Secretary of State collects the fee for service of process only when the Secretary is served as a partnership's registered agent.

Section 10(a) makes a conforming amendment to G.S. 59-73.6.

Section 11. This section makes a conforming change to G.S. 55B-3.

Part III (Consolidation of Provisions Relating to Names).

Sections 12, 13, and 14. Section 12 amends the title of Chapter 55D to include a reference to names. Section 13 adds a new Article 3 to Chapter 55D. Section 14 recodifies Article 4 of Chapter 55 of the General Statutes into this new article.

Section 15. This section amends the text of the recodified name provisions to include references to nonprofit corporations, limited liability companies, limited partnerships, and registered limited liability partnerships, as appropriate, and to make conforming amendments and stylistic changes. Please note that, as in Part I, the text being amended is the current text of Chapter 55 of the General Statutes. Please note also:

55D-20. This section is derived from G.S. 55-4-01 (a), (e), and (f); G.S. 57C-2-30(a); G.S. 59-103 (a) and (b); and G.S. 59-84.3. The section changes the law to permit a limited partnership to use abbreviations in its name instead of requiring that "limited partnership" be spelled out in full.

55D-21. This section contains the remainder of G.S. 55-4-01, with conforming amendments. These provisions currently apply to domestic corporations, nonprofit corporations, limited liability companies, and limited partnerships, and to those foreign corporations, nonprofit corporations, limited liability companies, and limited partnerships that are authorized to transact business or conduct affairs in this State. This section changes current law in two respects. First, it extends the application of the provisions in this section to registered limited liability partnerships on the grounds that the same policy considerations for unique names should also apply to them. Second, it standardizes the time periods after which a previously used entity name becomes available after an entity is dissolved nonjudicially; the time period in the case of judicial dissolutions is completely new.

55D-22. This section is derived from G.S. 55-15-06 (a) and (e); G.S. 55A-15-06 (a) and (d); and G.S. 57C-7-06 (a) and (d). As is the case of the preceding section, these provisions are made applicable to foreign registered limited liability partnerships; they also explicitly reference foreign limited partnerships.

55D-23. This section extends the ability to reserve a name to registered limited liability partnerships. There appears to be no policy reason why such entities should not be able to reserve a name on the same conditions applicable to corporations, limited liability companies, and limited partnerships.

55D-24. This section extends to foreign limited partnerships and foreign limited liability partnerships the ability to register their names in this State. The section changes current law in one additional respect: it allows an entity that has registered a name to transfer that name to an

already-existing domestic entity or to a foreign entity that is already authorized to transact business or conduct affairs in this State.

Part IV (Conforming Amendments to Part III).

Sections 16 and 17. These sections make conforming citation changes, replacing citations to Chapter 55 with citations to Chapter 55D.

Section 18. Because the content of G.S. 55-15-06 is included in the new Chapter, it is repealed as no longer needed.

Section 19. This section amends G.S. 55-14-33(b) to add a cross reference to the new provision for name availability after judicial dissolution.

Sections 20, 21, 22, 23, and 24. Sections 20, 21, 22, and 24 make essentially the same amendments to Chapter 55A of the General Statutes as Sections 16 through 19 make to Chapter 55. Section 23 repeals Article 4 of Chapter 55A as no longer necessary (its provisions essentially duplicate new Article 3 of Chapter 55D).

Section 25. This section makes a conforming amendment to G.S. 55B-5, replacing citations to Chapter 55 with citations to Chapter 55D.

Section 26. This section makes a conforming amendment to G.S. 57C-2-01(c), dealing with names of professional limited liability companies.

Sections 27 through 31. These sections make essentially the same amendments to Chapter 57C of the General Statutes as Sections 20 through 24 make to Chapter 55A.

Section 32. This section rewrites G.S. 59-103 to replace material that is no longer necessary with a cross reference to Chapter 55D.

Section 33. This section repeals G.S. 59-104 as no longer necessary.

Section 34. This section rewrites G.S. 59-206 to delete material that is no longer necessary.

Section 35. This section amends G.S. 59-904 to replace the substantive requirements with a cross reference to Chapter 55D.

Section 36. This section amends G.S. 59-802 to add a cross reference to the new provision for name availability after judicial dissolution.

Section 37. This section amends G.S. 59-1106 to make conforming amendments and to

add new fees for registering the name of a foreign limited partnership and for renewing that registration. The fees are the same amounts as in Chapter 55, 55A, and 57C.

Section 38. This section amends G.S. 59-35.1 (as recodified from G.S. 59-73.7 and amended in Part II) to add new fees for limited liability partnerships to reserve names and to register names. The fees are the same amounts as in Chapters 55, 55A, and 57C.

Sections 39 and 40. These sections amends G.S. 59-84.3 and G.S. 59-91 to replace material that is no longer needed with a cross reference to Chapter 55D.

Section 41. This section amends G.S. 59-62 to include a cross reference to the provisions for name availability after dissolution.

Part V (Consolidation of Registered Office and Registered Agent Provisions).

Sections 42, 43, and 44. Section 42 amends the title of Chapter 55D to include a reference to registered agents. Section 43 adds a new Article 4 to Chapter 55D. Section 44 recodifies Article 5 of Chapter 55 of the General Statutes into this new article.

Section 45. This section amends the text of the recodified registered office and registered agent provisions to include references to nonprofit corporations, limited liability companies, limited partnerships, and registered limited liability partnerships, as appropriate, and to make conforming amendments and stylistic changes. Please note that, as in Parts I and III, the text being amended is the current text of Chapter 55 of the General Statutes.

All the provisions in current Article 5 of Chapter 55 do not currently apply to limited liability partnerships and limited partnerships; this section standardized these provisions and makes them applicable for each type of entity. Specifically, please note:

55D-31. There is no special provision on changing a registered office or agent available for either type of partnership. Currently, the change appears to be made by filing amendments to other documents (e.g. an annual report).

55D-32. There is no equivalent for this provision (which allows a registered agent to file a statement of resignation) that currently applies to either type of partnership. In subsection (b), the address to which the Secretary of State must mail a copy of the filed statement of resignation is changed. Current G.S. 55-5-03 requires mailing to a corporation's principal office, but, at present, all entities covered by this section are not required to have a principal office.

55D-04. There appears to be no equivalent provision for this section applicable to limited liability partnerships that improperly fail to maintain a registered agent.

Part VI (Conforming Amendments to Registered Office and Registered Agent Provisions).

Section 46. This section makes a conforming amendment to § 55D-15, as enacted in Part I.

Section 47. This section replaces the current text of G.S. 55-5-01 and G.S. 55-15-07 with a cross reference to Chapter 55D. It repeals G.S. 55-15-08, 55-15-09, and 55-15-10 as no longer necessary. It also makes other citation updates to various sections in Chapter 55 and in G.S. 54B-20 and 54C-20.

Section 48. This section makes essentially the same amendments to Chapter 55A that the preceding section made to Chapter 55. It also repeals G.S. 55A-5-02, 55A-5-03, 55A-5-04, and 55A-5-05 as no longer necessary, and it recodifies G.S. 55A-5-02.1 (change of principal office form).

Section 49. This section makes essentially the same amendments to Chapter 57C that the preceding section made to Chapter 55A, except that there is no counterpart in Chapter 57C to G.S. 55A-5-02.1.

Section 50. This section makes conforming amendments to G.S. 59-105, 59-201, and 59-902.

Section 51. This section generally makes conforming amendments to G.S. 59-84.2 and G.S. 59-91 and amends G.S. 59-35.1 (as recodified from G.S. 59-73.7 and amended in Parts II and IV) to add fees for filings related to registered offices and agents. The fees are the same as those paid by corporations, nonprofit corporations, and limited liability companies.

Part VII (Effective Date, Applicability, and Other Provisions).

Section 52. This section authorizes the Revisor of Statutes to transfer the Official Comments and the North Carolina Comments to recodified portions of Chapter 55 as historical annotations.

Section 53. This section makes the bill effective October 1, 2001, and effective for documents submitted for filing on or after that date.

SENATE BILL 842:
Business Entity Changes.

BILL ANALYSIS

Committee:	House Judiciary II	**Introduced by:**	Senator Clodfelter
Date:	July 24, 2001	**Summary by:**	Esther Manheimer*
Version:	S842-CSSK-47[v.7]		Committee Co-Counsel

SUMMARY: ***The Proposed Committee Substitute for Senate Bill 842 would make similar changes to the NC Business Corporation Act, the NC Nonprofit Corporation Act, the NC Limited Liability Corporation Act, and the laws governing the various forms of partnerships. These changes include conforming changes for corporations to operate under the Uniform Electronic Transaction Act, amendments to the law to allow majority shareholder action without meeting for closely held corporations, amendments involving the formation and organization of limited liability companies, creation of a limited liability limited partnership, amendments allowing corporations to convert to non-corporation business entities, amendments permitting NC business entities to convert to foreign entities, standardizing business entity definitions, standardizing service of process on the Secretary of State, and changes to the tax law to conform tax treatment for various business entities.***

CURRENT LAW: Corporations are now only allowed to transact corporate business requiring shareholder approval without a meeting when all shareholders agree. Corporate law does not recognize electronic transmissions for meeting notices and consents to action as permitted under the Uniform Electronic Transactions Act. General partners of limited partnerships are liable for actions against the partnership. Business corporations are not permitted to convert to non-corporate business entities, although all non-corporate business entities may convert to any non-corporate form. Foreign corporations and other business entities are allowed to merge and convert to NC business entities, but NC business entities are not permitted to merge or convert to foreign business entities.

BILL ANALYSIS:

Corporation Changes – The bill would amend the law to permit nonpublic business corporations by their articles of incorporation or bylaws to allow shareholders to act without a meeting by majority written vote. Current law would require unanimous agreement. This process would not be permitted for the election of the board of directors at the annual meeting or other actions to protect cumulative voting rights. The bill also authorizes corporations to give meeting notice and take consents to actions electronically in accordance with the Uniform Electronic Transactions Act.

Limit Liability Company Changes – The bill clarifies the distinction between forming an LLC and organizing an LLC. Organization requires at least one member. The bill also permits an LLC member to have no ownership rights in the company. It also sets out the rights and obligations of other persons managing the LLC other than a manager. The bill provides that an LLC will be treated for State tax purposes as it is treated under federal tax law.

Partnership Changes – The bill makes changes to general partnership and limited partnership laws. It permits the creation of a limited liability limited partnership that limits the liability of the general partners of the limited partnership. The bill modernizes the partnership withdrawal provisions to include situations where an LLC and other business entities are general partners and allows an estate to distribute a general partner's share without triggering withdrawal as permitted in the partnership agreement. The bill also provides that partnerships will be treated for State tax purposes as it is treated under federal law.

Conversions and Mergers – The bill will permit corporations to convert to non-corporate business entities. It will also permit NC business entities, including corporations, LLC's, and partnerships to convert to foreign (out-of-state) business entities. It also requires that a person who has liability protection under one business form to have to consent to liability arising from the conversion to another business form.

Office Address – The bill requires the various business entities to list the address of it principal office when the formative documents are filed with the Secretary of State.

Miscellaneous Provision - The bill conforms the definition of business entities to be the same for the various business entities permitted under law. The bill also standardized the provisions for service of process on the business entity through service on the Secretary of State. Also the bill provides that where the business entity authority to do business has been suspended by the Secretary of State for failing to report or pay taxes, when the right to operate is reinstated, the reinstatement is retroactive to the date of suspension.

Contingent Conforming Changes – In order to reconcile the differences between this bill and HB 385, this bill makes several technical amendments to HB 385 (Consolidate Business Provisions). HB 385 is before this committee for concurrence only, and, therefore, cannot be amended directly. This Part becomes effective only if House Bill 385 becomes law.

EFFECTIVE DATE: Most of the provisions of the bill become effective January 1, 2002.

The plan of conversion may contain other provisions relating to the conversion.

(b) The plan of conversion shall be approved in accordance with the laws of the state or country governing the organization and internal affairs of the converting business entity.

(c) After a plan of conversion has been approved as provided in subsection (b) of this section, but before articles of incorporation for the resulting domestic corporation become effective, the plan of conversion may be amended or abandoned to the extent permitted by the laws that govern the organization and internal affairs of the converting business entity.

"**§ 55-11A-03. Filing of articles of incorporation by converting entity.**

(a) After a plan of conversion has been approved by the converting business entity as provided in G.S. 55-11A-02, the converting business entity shall deliver articles of incorporation to the Secretary of State for filing. (d) Certificates of conversion shall also be registered as provided in G.S. 47-18.1.

"**§ 55-11A-04. Effects of conversion.**

When the conversion takes effect:

(3) All liabilities of the converting business entity continue as liabilities of the resulting domestic corporation;

The conversion shall not affect the liability or absence of liability of any holder of an interest in the converting business entity for any acts, omissions, or obligations of the converting business entity made or incurred prior to the effectiveness of the conversion. The cessation of the existence of the converting business entity in its prior form of organization in the conversion shall not constitute a dissolution or termination of the converting business entity.

"Part 2. Conversion of Corporation.

"**§ 55-11A-10. Conversion.**

A domestic corporation may convert to a different business entity if:

(1) The conversion is permitted by the laws of the state or country governing the organization and internal affairs of such other business entity; and

(2) The converting domestic corporation complies with the requirements of this Part and, to the extent applicable, the laws referred to in subdivision (1) of this section.

"**§ 55-11A-11. Plan of conversion.**

(a) The converting domestic corporation shall approve a written plan of conversion containing:

(1) The name of the converting domestic corporation;

(4) The manner and basis for converting the shares of the domestic corporation into interests, obligations, or securities of the resulting business entity or into cash or other property in whole or in part.

The plan of conversion may contain other provisions relating to the conversion.

(b) For a plan of conversion to be approved:

(1) The board of directors shall recommend the plan of conversion to the shareholders, unless the board of directors determines that because of conflict of interest or other special circumstances it should make no recommendation, in which event the board of directors shall communicate the basis for its lack of a recommendation to the shareholders with the plan; and

(2) The shareholders entitled to vote shall approve the plan.

(c) The board of directors may condition its submission of the proposed conversion on any basis.

(d) The corporation shall notify each shareholder, whether or not entitled to vote, of the proposed shareholders' meeting in accordance with G.S. 55-7-05. The notice shall state that the purpose, or one of the purposes, of the meeting is to consider the plan of conversion and contain or be accompanied by a copy of the plan.

(e) Unless this Chapter, the articles of incorporation, a bylaw adopted by the shareholders or the board of directors, acting pursuant to subsection (c) of this section, require a greater vote or a vote by voting groups, the plan of conversion to be authorized shall be approved by each voting group entitled to vote separately on the plan by a majority of all the votes entitled to be cast on the plan by that voting group and, for the purpose of Article 9 of this Chapter or any provision in the articles of incorporation or bylaws adopted prior to January 1, 2002, a conversion shall be deemed to be included within the term 'merger'. If any shareholder of the converting domestic corporation has or will have personal liability for any existing or future obligation of the resulting business entity solely as a result of holding an interest in the resulting business entity, then in addition to the requirements of the preceding sentence, approval of the plan of conversion by the domestic corporation shall require the affirmative vote or written consent of that shareholder.

(f) Separate voting by voting groups is required on a plan of conversion if the plan contains a provision that, if contained in a proposed amendment to articles of incorporation, would require action by one or more separate voting groups on the proposed amendment under G.S. 55-10-04, except where the consideration to be received in exchange for the shares of that group consists solely of cash.

(g) After a plan of conversion has been approved by a domestic corporation but before the articles of conversion become effective, the plan of conversion (i) may be amended as provided in the plan of conversion, or (ii) may be abandoned, subject to any contractual rights, as provided in the plan of conversion or, if there is no such provision, as determined by the board of directors without further shareholder action.

"**§ 55-11A-12. Articles of conversion.**

(a) After a plan of conversion has been approved by the converting domestic corporation as provided in G.S. 55-11A-11, the converting domestic corporation shall deliver articles of conversion to the Secretary of State for filing. The articles of conversion shall state:

(1) The name of the converting domestic corporation;

(2) The name of the resulting business entity, its type of business entity, the state or country whose laws govern its organization and internal affairs, and, if the resulting business entity is not authorized to transact business or conduct affairs in this State, a designation of its mailing address and a commitment to file with the Secretary of State a statement of any subsequent change in its mailing address; and

(3) That a plan of conversion has been approved by the domestic corporation as required by law.

If the domestic corporation is converting to a business entity whose formation or whose status as a registered limited liability partnership, as defined in G.S. 59-32, or limited liability limited partnership, as defined in G.S. 59-102, requires the filing of a document with the Secretary of State, then the articles of conversion shall be included as part of that document instead of separately filing the articles of conversion.

If the plan of conversion is abandoned after the articles of conversion have been filed with the Secretary of State but before the articles of conversion become effective, the converting domestic corporation shall deliver to the Secretary of State for filing prior to the time the articles of conversion become effective an amendment to the articles of conversion withdrawing the articles of conversion.

(b) The conversion takes effect when the articles of conversion become effective.

(c) Certificates of conversion shall also be registered as provided in G.S. 47-18.1.

"**§ 55-11A-13. Effects of conversion.**

(3) All liabilities of the converting domestic corporation continue as liabilities of the resulting business entity;

(4) A proceeding pending by or against the converting domestic corporation may be continued as if the conversion did not occur;

(5) The shares in the converting domestic corporation that are to be converted into interests, obligations, or securities of the resulting business entity or into the right to receive cash or other property are thereupon so converted, and the former shareholders of the converting domestic corporation are entitled only to the rights provided in the plan

of conversion or any rights they may have under Article 13 of this Chapter; and

(6) The resulting business entity is deemed to agree that it will promptly pay to the dissenting former shareholders of the converting domestic corporation the amount, if any, to which they are entitled under Article 13 of this Chapter and otherwise to comply with the requirements of Article 13 as if it were a domestic corporation.

The conversion shall not affect the liability or absence of liability of any shareholder of the converting domestic corporation for any acts, omissions, or obligations of the converting domestic corporation made or incurred prior to the effectiveness of the conversion. The cessation of the existence of the converting domestic corporation in its form of organization as a domestic corporation in the conversion shall not constitute a dissolution or termination of the converting domestic corporation.

(b) If the resulting business entity is not a domestic limited liability company or a domestic limited partnership, when the conversion takes effect the resulting business entity is deemed:

(1) To agree that it may be served with process in this State for enforcement of (i) any obligation of the converting domestic corporation, (ii) the rights of dissenting shareholders of the converting domestic corporation under Article 13 of this Chapter, and (iii) any obligation of the resulting business entity arising from the conversion; and

(2) To have appointed the Secretary of State as its agent for service of process in any proceeding described in subdivision (1) of this subsection. If the resulting business entity is not authorized to transact business or conduct affairs in this State, the address for mailing shall be the mailing address designated pursuant to G.S. 55-11A-12(a)(2)."

(g) The Secretary of State shall collect the following fees for copying, comparing, and certifying a copy of a document filed pursuant to this act:

(1) One dollar ($1.00) a page for copying or comparing a copy to the original; and

(2) Five dollars ($5.00) for the certificate.

(h) The Secretary of State shall guarantee the expedited filing of a document upon receipt of the document in proper form and the payment of the required filing fee. The Secretary of State may collect the following additional fees for the expedited filing of a document received in good form:

(1) Two hundred dollars ($200.00) for the filing by the end of the same business day of a document received by 12:00 noon Eastern Standard Time; and

The Secretary of State shall not collect the fees allowed in this subsection unless the person submitting the document for filing requests an expedited filing and is informed by the Secretary of State of the fees prior to the filing of the document.

(i) Upon request, the Secretary of State shall provide for the review of a document prior to its submission for filing to determine whether it satisfies the requirements of this act. Submission of a document for review shall be accompanied by the proper fee and shall be in accordance with procedures adopted by rule by the Secretary of State. The advisory review shall be completed within 24 hours after submission, excluding weekends and holidays, unless the person submitting the document is otherwise notified in accordance with procedures adopted by rule by the Secretary of State fixing priority between submissions under this subsection and filings under subsection (h) of this section. Upon completion of the advisory review, the Secretary of State shall notify the person submitting the document of any deficiencies in the document that would prevent its filing.

(j) Except as provided in this subsection and in subsection (b) of this section, a document accepted for filing is effective:

(1) At the time of filing on the date it is filed, as evidenced by the Secretary of State's date and time endorsement on the original document; or

A document may specify a delayed effective time and date, and if it does so the document becomes effective at the time and date specified. If a delayed effective date but no time is specified, the document is effective at 11:59:59 P.M. on that date. A delayed effective date for a document shall not be later than the 90th day after the date it is filed.

The fact that a document has become effective under this subsection does not determine its validity or invalidity or the correctness or incorrectness of the information contained in the document.

(k) If a document delivered to the office of the Secretary of State for filing satisfies the requirements of this act, the Secretary of State shall file it. Documents filed with the Secretary of State pursuant to this act may be maintained by the Secretary either in their original form or in photographic, microfilm, optical disk media, or other reproduced form. The Secretary may make reproductions of documents filed under this act, or under any predecessor act, by photographic, microfilm, optical disk media, or other means of reproduction and may destroy the originals of those documents reproduced.

The Secretary of State files a document by stamping or otherwise endorsing 'Filed', together with the Secretary of State's name and official title and the date and time of filing, on both the original and the document copy. The Secretary of State may correct apparent errors and omissions on a document submitted for filing if authorized to make the corrections by the person submitting the document for filing. Prior to making the correction, the Secretary shall confirm the authorization to make the corrections according to procedures adopted by rule.

The Secretary of State's duty is to review and file documents that satisfy the requirements of this Act. The Secretary of State's filing or refusing to file a document does not:

(1) Affect the validity or invalidity of the document in whole or in part;

(2) Relate to the correctness or incorrectness of information contained in the document; or

(3) Create a presumption that the document is valid or invalid or that information contained in the document is correct or incorrect.

(l) If the Secretary of State refuses to file a document delivered to the Secretary of State's office for filing, the person tendering the document for filing may, within 30 days after the refusal, appeal the refusal to the Superior Court of Wake County. The appeal is commenced by filing a petition with the court and with the Secretary of State requesting the court to compel the Secretary of State to file the document. The appeal to the Superior Court is not governed by Chapter 150B of the General Statutes, the Administrative Procedure Act, and the court shall determine, based upon what is appropriate under the circumstances, any further notice and opportunity to be heard.

Upon consideration of the petition and any response made by the Secretary of State, the court may, prior to entering final judgment, order the Secretary of State to file the document or take other action the court considers appropriate.

The court's final decision may be appealed as in other civil proceedings.

(m) A certificate attached to a copy of a document filed by the Secretary of State, bearing the Secretary of State's signature, which may be in facsimile, and the seal of office and certifying that the copy is a true copy of the document, is conclusive evidence that the original document is on file with the Secretary of State. A photographic, microfilm, optical disk media, or other reproduced copy of a document filed pursuant to this act or any predecessor act, when certified by the Secretary, shall be considered an original for all purposes and is admissible in evidence in like manner as an original.

(n) A person commits an offense if the person signs a document the person knows is false in any material respect with intent that the document be delivered to the Secretary of State for filing. An offense under this subsection is a Class 1 misdemeanor.

(o) Whenever title to real property in this State held by a partnership is vested by operation of law in another entity upon merger, consolidation, or conversion of the partnership, a certificate reciting the merger, consolidation, or conversion shall be recorded in the office of the register of deeds of the county where the property is located, or if the property is located in more than one county, then in each county where any portion of the property is located.

The Secretary of State shall adopt uniform certificates to be furnished for registration in accordance with this subsection. In the case of a partnership formed under a law other than the laws of this State, a similar certificate by any competent authority of the jurisdiction of organization may be registered in accordance with this subsection.

The certificate required by this subsection shall be recorded by the register of deeds in the same manner as deeds, and for the same fees, but no formalities as to acknowledgment, probate, or approval by any other officer shall be required. The former name of the partnership holding title to the real property before the merger, consolidation, or conversion shall appear in the 'Grantor' index, and the name of the other entity holding title to the real property by virtue of the merger, consolidation, or conversion shall appear in the 'Grantee' index."

The conversion shall not affect the liability or absence of liability of any holder of an interest in the converting business entity for any acts, omissions, or obligations of the converting business entity made or incurred prior to the effectiveness of the conversion. The cessation of the existence of the converting business entity in its prior form of organization in the conversion shall not constitute a dissolution or termination of the converting business entity.

"Part 2. Conversion of Corporation.

"**§ 55-11A-10. Conversion.**

A domestic corporation may convert to a different business entity if:

(1) The conversion is permitted by the laws of the state or country governing the organization and internal affairs of such other business entity; and

(2) The converting domestic corporation complies with the requirements of this Part and, to the extent applicable, the laws referred to in subdivision (1) of this section.

"**§ 55-11A-11. Plan of conversion.**

(a) The converting domestic corporation shall approve a written plan of conversion containing:

The plan of conversion may contain other provisions relating to the conversion.

(b) For a plan of conversion to be approved:

(1) The board of directors shall recommend the plan of conversion to the shareholders, unless the board of directors determines that because of conflict of interest or other special circumstances it should make no recommendation, in which event the board of directors shall communicate the basis for its lack of a recommendation to the shareholders with the plan; and

(2) The shareholders entitled to vote shall approve the plan.

(c) The board of directors may condition its submission of the proposed conversion on any basis.

(d) The corporation shall notify each shareholder, whether or not entitled to vote, of the proposed shareholders' meeting in accordance with G.S. 55-7-05. The notice shall state that the purpose, or one of the purposes, of the meeting is to consider the plan of conversion and contain or be accompanied by a copy of the plan.

(e) Unless this Chapter, the articles of incorporation, a bylaw adopted by the shareholders or the board of directors, acting pursuant to subsection (c) of this section, require a greater vote or a vote by voting groups, the plan of conversion to be authorized shall be approved by each voting group entitled to vote separately on the plan by a majority of all the votes entitled to be cast on the plan by that voting group and, for the purpose of Article 9 of this Chapter or any provision in the articles of incorporation or bylaws adopted prior to October 1, 2001, a conversion shall be deemed to be included within the term 'merger'. If any shareholder of the converting domestic corporation has or will have personal liability for any existing or future obligation of the resulting business entity solely as a result of holding an interest in the resulting business entity, then in addition to the requirements of the preceding sentence, approval of the plan of conversion by the domestic corporation shall require the affirmative vote or written consent of that shareholder.

(f) Separate voting by voting groups is required on a plan of conversion if the plan contains a provision that, if contained in a proposed amendment to articles of incorporation, would require action by one or more separate voting groups on the

proposed amendment under G.S. 55-10-04, except where the consideration to be received in exchange for the shares of that group consists solely of cash.

(g) After a plan of conversion has been approved by a domestic corporation but before the articles of conversion become effective, the plan of conversion (i) may be amended as provided in the plan of conversion, or (ii) may be abandoned, subject to any contractual rights, as provided in the plan of conversion or, if there is no such provision, as determined by the board of directors without further shareholder action.

"**§ 55-11A-12. Articles of conversion.**

(a) After a plan of conversion has been approved by the converting domestic corporation as provided in G.S. 55-11A-11, the converting domestic corporation shall deliver articles of conversion to the Secretary of State for filing. The articles of conversion shall state:

(1) The name of the converting domestic corporation;

(2) The name of the resulting business entity, its type of business entity, the state or country whose laws govern its organization and internal affairs, and, if the resulting business entity is not authorized to transact business or conduct affairs in this State, a designation of its mailing address and a commitment to file with the Secretary of State a statement of any subsequent change in its mailing address; and

(3) That a plan of conversion has been approved by the domestic corporation as required by law.

If the domestic corporation is converting to a business entity whose formation or whose status as a registered limited liability partnership, as defined in G.S. 59-32, or limited liability limited partnership, as defined in G.S. 59-102, requires the filing of a document with the Secretary of State, then the articles of conversion shall be included as part of that document instead of separately filing the articles of conversion.

If the plan of conversion is abandoned after the articles of conversion have been filed with the Secretary of State but before the articles of conversion become effective, the converting domestic corporation shall deliver to the Secretary of State for filing prior to the time the articles of conversion become effective an amendment to the articles of conversion withdrawing the articles of conversion.

(b) The conversion takes effect when the articles of conversion become effective.

(c) Certificates of conversion shall also be registered as provided in G.S. 47-18.1.

(3) All liabilities of the converting domestic corporation continue as liabilities of the resulting business entity;

(4) A proceeding pending by or against the converting domestic corporation may be continued as if the conversion did not occur;

(5) The shares in the converting domestic corporation that are to be converted into interests, obligations, or securities of the resulting business entity or into the right to receive cash or other property are thereupon so converted, and the former shareholders of the converting domestic corporation are entitled only to the rights provided in the plan of conversion or any rights they may have under Article 13 of this Chapter; and

(6) The resulting business entity is deemed to agree that it will promptly pay to the dissenting former shareholders of the converting domestic corporation the amount, if any, to which they are entitled under Article 13 of this Chapter and otherwise to comply with the requirements of Article 13 as if it were a domestic corporation.

The conversion shall not affect the liability or absence of liability of any shareholder of the converting domestic corporation for any acts, omissions, or obligations of the converting domestic corporation made or incurred prior to the effectiveness of the conversion. The cessation of the existence of the converting domestic corporation in its form of organization as a domestic corporation in the conversion shall not constitute a dissolution or termination of the converting domestic corporation.

(b) If the resulting business entity is not a domestic limited liability company or a domestic limited partnership, when the conversion takes effect the resulting business entity is deemed:

(1) To agree that it may be served with process in this State for enforcement of (i) any obligation of the converting domestic corporation, (ii) the rights of dissenting shareholders of the converting domestic corporation under Article 13 of this Chapter, and (iii) any obligation of the resulting business entity arising from the conversion; and

(2) To have appointed the Secretary of State as its agent for service of process in any proceeding described in subdivision (1) of this subsection. Service on the Secretary of State of any such process shall be made by delivering to and leaving with the Secretary of State, or with any clerk authorized by the Secretary of State to accept service of process, duplicate copies of the process and the fee required by G.S. 55-1-22(b). Secretary of State that is authorized by law to designate the principal office or, if there is no principal office on file, its registered office. If the resulting business entity is not authorized to transact business or conduct affairs in this State, the address for mailing shall be the mailing address designated pursuant to G.S. 55-11A-12(a)(2)."

SECTION 18. G.S. 55-11-07(a) reads as rewritten:

If a delayed effective date but no time is specified, the document is effective at 11:59:59 P.M. on that date. A delayed effective date for a document shall not be later than the 90th day after the date it is filed.

The fact that a document has become effective under this subsection does not determine its validity or invalidity or the correctness or incorrectness of the information contained in the document.

(k) If a document delivered to the office of the Secretary of State for filing satisfies the requirements of this Act, the Secretary of State shall file it. Documents filed with the Secretary of State pursuant to this Act may be maintained by the Secretary either in their original form or in photographic, microfilm, optical disk media, or other reproduced form. The Secretary may make reproductions of documents filed under this Act, or under any predecessor act, by photographic, microfilm, optical disk media, or other means of reproduction and may destroy the originals of those documents reproduced.

Prior to making the correction, the Secretary shall confirm the authorization to make the corrections according to procedures adopted by rule.

The Secretary of State's duty is to review and file documents that satisfy the requirements of this Act. The Secretary of State's filing or refusing to file a document does not:

(1) Affect the validity or invalidity of the document in whole or in part;

(2) Relate to the correctness or incorrectness of information contained in the document; or

(3) Create a presumption that the document is valid or invalid or that information contained in the document is correct or incorrect.

(l) If the Secretary of State refuses to file a document delivered to the Secretary of State's office for filing, the person tendering the document for filing may, within 30 days after the refusal, appeal the refusal to the Superior Court of Wake County. The appeal is commenced by filing a petition with the court and with the Secretary of State requesting the court to compel the Secretary of State to file the document. The petition shall have attached to it the document to be filed and the Secretary of State's explanation for the refusal to file. The appeal to the Superior Court is not governed by Chapter 150B of the General Statutes, the Administrative Procedure Act, and the court shall determine, based upon what is appropriate under the circumstances, any further notice and opportunity to be heard.

Upon consideration of the petition and any response made by the Secretary of State, the court may, prior to entering final judgment, order the Secretary of State to file the document or take other action the court considers appropriate.

The court's final decision may be appealed as in other civil proceedings.

(m) A certificate attached to a copy of a document filed by the Secretary of State, bearing the Secretary of State's signature, which may be in facsimile, and the seal of office and certifying that the copy is a true copy of the document, is conclusive evidence that the original document is on file with the Secretary of State. A photographic, microfilm, optical disk media, or other reproduced copy of a document filed pursuant to this Act or any predecessor act, when certified by the Secretary, shall be considered an original for all purposes and is admissible in evidence in like manner as an original.

(n) A person commits an offense if the person signs a document the person knows is false in any material respect with intent that the document be delivered to the Secretary of State for filing. An offense under this subsection is a Class 1 misdemeanor.

(o) Whenever title to real property in this State held by a partnership is vested by operation of law in another entity upon merger, consolidation, or conversion of the partnership, a certificate reciting the merger, consolidation, or conversion shall be recorded in the office of the register of deeds of the county where the property is located, or if the property is located in more than one county, then in each county where any portion of the property is located.

The Secretary of State shall adopt uniform certificates to be furnished for registration in accordance with this subsection. In the case of a partnership formed under a law other than the laws of this State, a similar certificate by any competent authority of the jurisdiction of organization may be registered in accordance with this subsection.

The certificate required by this subsection shall be recorded by the register of deeds in the same manner as deeds, and for the same fees, but no formalities as to acknowledgment, probate, or approval by any other officer shall be required. The former name of the partnership holding title to the real property before the merger, consolidation, or conversion shall appear in the 'Grantor' index, and the name of the other entity holding title to the real property by virtue of the merger, consolidation, or conversion shall appear in the 'Grantee' index."

(4) The manner and basis for converting the interests in the domestic limited partnership into interests, obligations, or securities of the resulting business entity or into cash or other property in whole or in part.

The plan of conversion may contain other provisions relating to the conversion.

(b) The plan of conversion shall be approved by the domestic limited partnership in the manner provided for the approval of the conversion in a written partnership agreement or, if there is no provision, by the unanimous consent of its partners. If any partner of the converting domestic limited partnership will have personal liability for any existing or future obligation of the resulting business entity solely as a result of holding an interest in the resulting business entity, then in addition to the requirements of the preceding sentence, approval of the plan of conversion by the domestic limited

partnership shall require the consent of each such partner. The converting domestic limited partnership shall provide a copy of the plan of conversion to each partner of the converting domestic limited partnership at the time provided in a written partnership agreement or, if there is no such provision, prior to its approval of the plan of conversion.

(c) After a plan of conversion has been approved by a domestic limited partnership but before the articles of conversion become effective, the plan of conversion (i) may be amended as provided in the plan of conversion, or (ii) may be abandoned (subject to any contractual rights) as provided in the plan of conversion or written partnership agreement or, if not so provided, as determined by the general partners of the domestic limited partnership in accordance in G.S. 59-403.

"**§ 59-1056. Articles of conversion.**

(a) After a plan of conversion has been approved by the converting domestic limited partnership as provided in G.S. 59-1055, the converting domestic limited partnership shall deliver articles of conversion to the Secretary of State for filing. The articles of conversion shall state:

(1) The name of the converting domestic limited partnership;

(2) The name of the resulting business entity, its type of business entity, the state or country whose laws govern its organization and internal affairs, and, if the resulting business entity is not authorized to transact business or conduct affairs in this State, a designation of its mailing address and a commitment to file with the Secretary of State a statement of any subsequent change in its mailing address; and

(3) That a plan of conversion has been approved by the domestic limited partnership as required by law.

If the domestic limited partnership is converting to a business entity whose formation or whose status as a registered limited liability partnership, as defined in G.S. 59-32, or limited liability limited partnership requires the filing of a document with the Secretary of State, then the articles of conversion shall be included as part of that document instead of separately filing the articles of conversion.

If the plan of conversion is abandoned after the articles of conversion have been filed with the Secretary of State but before the articles of conversion become effective, the converting domestic limited partnership shall deliver to the Secretary of State for filing prior to the time the articles of conversion become effective an amendment of the articles of conversion withdrawing the articles of conversion.

(b) The conversion takes effect when the articles of conversion become effective.

(c) Certificates of conversion shall also be registered as provided in G.S. 47-18.1.

"**§ 59-1057. Effects of conversion.**

(a) When the conversion takes effect:

(1) The converting domestic limited partnership ceases its prior form of organization and continues in existence as the resulting business entity;

(2) The title to all real estate and other property owned by the converting domestic limited partnership continues vested in the resulting business entity without reversion or impairment;

(3) All liabilities of the converting domestic limited partnership continue as liabilities of the resulting business entity;

(4) A proceeding pending by or against the converting domestic limited partnership may be continued as if the conversion did not occur; and

(5) The interests in the converting domestic limited partnership that are to be converted into interests, obligations, or securities of the resulting business entity or into the right to receive cash or other property are thereupon so converted, and the former holders of interests in the converting domestic limited partnership are entitled only to the rights provided in the plan of conversion.

The conversion shall not affect the liability or absence of liability of any holder of an interest in the converting domestic limited partnership for any acts, omissions, or obligations of the converting domestic limited partnership made or incurred prior to the effectiveness of the conversion. The cessation of the existence of the converting domestic limited partnership in its form of organization as a domestic limited partnership in the conversion shall not constitute a dissolution or termination of the converting domestic limited partnership.

(b) If the resulting business entity is not a domestic corporation or a domestic limited liability company, when the conversion takes effect the resulting business entity is deemed:

(1) To agree that it may be served with process in this State for enforcement of (i) any obligation of the converting domestic limited partnership, and (ii) any obligation of the resulting business entity arising from the conversion; and

(2) To have appointed the Secretary of State as its agent for service of process in any such proceeding. Service on the Secretary of State of any such process shall be made by delivering to and leaving with the Secretary of State, or with any clerk authorized by the Secretary of State to accept service of process, duplicate copies of the process and the fee required by G.S. 59-1106(b). Upon receipt of service of process on behalf of a resulting business entity in the manner provided for in this section, the Secretary of State shall immediately mail a copy of the process by registered or certified mail, return receipt requested, to the resulting business entity. If the resulting business entity is authorized to transact business or conduct affairs in this State, the address for mailing shall be its principal office designated in the latest document filed with the Secretary of State that is authorized by law to designate the principal office or, if there is no principal office on file, its registered office. SENATE BILL 790:
Good Funds Settlement Act Revisions.

BILL ANALYSIS

Committee:	House Judiciary II	**Introduced by:**	Senator Hartsell
Date:	July 19, 2001	**Summary by:**	Robin Johnson*
Version:	S790-CSRH-53[V.1]		Committee Counsel

The PCS would clarify that a settlement agent may disburse funds in reliance on a deposit of a check issued by a federal agricultural credit association.

SUMMARY: Senate Bill 790 would repeal the authority of a settlement agent, in a real estate transaction, to disburse funds in reliance on a deposit in the form of a check from a lender approved as a supervised or nonsupervised mortgagee by the United States Department of Housing and Urban Development.

CURRENT LAW: Currently, G.S. 45A-4 sets out the duties of settlement agents, or those persons responsible for conducting settlement and disbursement of settlement proceeds, in real estate transactions involving one- to four-family residential dwellings and lots restricted to residential use.

Generally, when settlement funds are deposited in the settlement agent's trust or escrow account, they must be in the form of "collected funds" before they may be disbursed by the agent. "Collected funds" are defined in the Chapter as funds that have been deposited and irrevocably credited to a settlement agent's account.

However, G.S. 45A-4 allows the settlement agent to disburse funds, even when they are not "collected funds", in reliance on a deposit when it is in one of the following forms:

- Certified check.
- Check issued by the State, a political subdivision of the State, or the United States.
- Cashier's check, teller's check, or official bank check, insured by FDIC or comparable agency.
- Check drawn on the trust account of a licensed attorney.
- Check drawn on the trust account of a licensed real estate broker.
- Personal or commercial checks not exceeding $5000 per closing when the agent has reasonable grounds to believe that the deposit will be irrevocably credited to the account.
- Check drawn on the account of a lender approved as a supervised or nonsupervised mortgagee by the United States Department of Housing and Urban Development.

Federal law defines agricultural credit associations as federally chartered corporate bodies and instrumentalities of the United States organized to engage in an agricultural credit business. They have substantial investment and loan authority, and operate under the regulatory jurisdiction of the Federal Farm Credit Bureau in their district. A recent Attorney General's advisory opinion found that the term "political subdivisions of the United States", as used in the Good Funds Settlement Act, is ambiguous as to whether it includes these associations.

BILL ANALYSIS: Senate Bill 790 would:

- Repeal the settlement agent's authority to disburse funds that are not "collected funds" in reliance on a deposit in the form of a check drawn on the account of a lender approved as a supervised or nonsupervised mortgagee by the United States Department of Housing and Urban Development.
- Clarify the meaning of a "political subdivision of the United States" by changing that term to "an agency or instrumentality of the United States, including an agricultural credit association."

EFFECTIVE DATE: The act would become effective October 1, 2001.

SENATE BILL 241:
Health Insurance Termination Notice

BILL ANALYSIS

Committee:	House Judiciary II	**Introduced by:**	Senator Dalton
Date:	August 7, 2001	**Summary by:**	Jeff Hudson
Version:	Proposed Committee Substitute S241-CSSB-42 [v.3]		Committee Counsel

SUMMARY: ***The Proposed Committee Substitute for Senate Bill 241 (PCS) would make group health plans that are currently regulated only by the federal Employee Retirement Income Security Act of 1974 (ERISA) subject to the provisions of G.S. 58-50-40. The PCS would also require insurers to personally notify every subscriber or certificate holder upon termination of the group health insurance contract at the same time the insurer provides information on obtaining continuing insurance coverage under the federal Health Insurance Portability and Accountability Act (HIPAA). The act would become effective December 1, 2001.***

BILL ANALYSIS

Section 1 would:

- Add group health plans as defined in Section 609(l) of the Employee Retirement Income Security Act of 1974 (ERISA) to the types of plans that are currently subject to the provisions of G.S. 58-50-40. Section 609(l) defines "group health plan" to mean an employee welfare benefit plan providing medical care to participants or beneficiaries directly or through insurance, reimbursement, or otherwise. G.S. 58-50-40 makes it a class H penalty for an insurance fiduciary to cause the cancellation of group health or life insurance by willfully failing to pay the insurance premiums and willfully failing to deliver to the persons covered by the insurance notice of intention to stop payment of premiums at least 45 days before the termination of the insurance. G.S. 58-50-40 also provides that if an insurance fiduciary is convicted under the statute, the court will order the insurance fiduciary to make full restitution to the persons who would have been covered by the insurance and such persons will have a lien upon the assets of the employer or insurance fiduciary. **Note:** ERISA may preempt State regulation of group health plans currently covered by ERISA.
- Update G.S. 58-50-40 by deleting the reference to the Consolidated Omnibus Budget Reconciliation Act (COBRA) and replacing it with a reference to the Health Insurance Portability and Accountability Act (HIPAA) and Article 68 of Chapter 58 of the General Statutes.
- Add a new subsection to G.S 58-50-40 to require an insurer underwriting the group insurance to notify every subscriber or certificate holder personally upon termination of the contract when the insurer provides the subscriber or certificate holder their written certification of creditable coverage for purposes of obtaining continuing coverage that is otherwise required under the federal and State law.

Section 2 would make conforming changes.

Section 3 is a severability clause.

Section 4 would make the act effective December 1, 2001.

(a) Death or Disqualification of Candidate Before Primary. – If a candidate for nomination in a primary dies or becomes disqualified before the primary but after the ballots have been printed, the State Board of Elections shall determine whether or not there is time to reprint the ballots. If the Board determines that there is not enough time to reprint the ballots, the deceased or disqualified candidate's name shall remain on the ballots. If that candidate receives enough votes for nomination, such votes shall be disregarded and the candidate receiving the next highest number of votes below the number necessary for nomination shall be declared nominated. If the death or disqualification of the candidate leaves only two candidates for each office to be filled, the nonpartisan primary shall not be held and all candidates shall be declared nominees.

(b) Death, Disqualification, or Resignation of Official After Election. – If a person elected to the office of superior or district court judge dies, becomes disqualified, or resigns on or after election day and before he has qualified by taking the oath of office, the office shall be deemed vacant and shall be filled as provided by law.

If the ballots have been printed at the time the State Board of Elections receives notice of the candidate's death or other disqualification, the Board shall determine whether there will be sufficient time to reprint them before the election if the filing period is reopened for three days. If the Board determines that there will be sufficient time to reprint the ballots, it shall reopen the filing period for three days to allow other candidates to file for election, and such election shall be conducted on the plurality basis.

(c) Vacancy Caused by Nominated Candidate; Ballots Not Reprinted. – If the ballots have been printed at the time the State Board of Elections receives notice of a candidate's death, other disqualification, or resignation, and if the Board determines that there is not enough time to reprint the ballots before the election if the filing period is reopened for three days, then regardless of the number of candidates remaining for the office or group of offices, the ballots shall not be reprinted and the name of the vacated candidate shall remain on the ballots. If a vacated candidate should poll the highest number of votes in the election for a single office or enough votes to be elected to one of a group of offices, the State Board of Elections shall declare the office vacant and it shall be filled in the manner provided by law.

"**§ 163-329. Elections to fill vacancy created after primary filing period to use plurality method.**

(a) General. – If a vacancy is created in the office of judge of superior court after the filing period for the primary opens but more than 60 days before the general election, and under the Constitution of North Carolina an election is to be held for that position, such that the office shall be filled in the general election as provided in G.S. 163-9, the election to fill the office for the remainder of the term shall be conducted without a primary using the plurality method as provided in subsection (b) of this section. All persons filing in either filing period shall run as a group and the election results shall be determined by subdivision (3) of this subsection.

(2) When more than one person is seeking election to a single office, the candidate who receives the highest number of votes shall be declared elected.

If only one or two candidates file for a single office, no primary shall be held for that office and the candidates shall be declared nominated. If the number of candidates for a group of offices does not exceed twice the number of positions to be filled, no primary shall be held for those offices and the candidates shall be declared nominated.

In issuing such certificate, the chairman or supervisor shall check the registration records of the county to verify such information. During the period commencing 36 hours immediately preceding the filing deadline, the State Board of Elections shall accept, on a conditional basis, the notice of candidacy of a candidate who has failed to secure the verification ordered herein subject to receipt of verification no later than three days following the filing deadline. The State Board of Elections shall prescribe the form for such certificate, and distribute it to each county board of elections no later than the last Monday in December of each odd-numbered year.

(e) Candidacy for More Than One Office Prohibited. – No person may file a notice of candidacy for more than one office or group of offices described in subsection (b) of this section, or for an office or group of offices described in subsection (b) of this section and an office described in G.S. 163-106(c), for any one election. If a person has filed a notice of candidacy with a board of elections under this section or under G.S. 163-106(c) for one office or group of offices, then a notice of candidacy may not later be filed for any other office or group of offices under this section when the election is on the same date unless the notice of candidacy for the first office is withdrawn under subsection (c) of this section.

(f) Notice of Candidacy for Certain Offices to Indicate Vacancy. – In any election in which there are two or more vacancies for the office of district court judge to be filled by nominations, each candidate shall, at the time of filing notice of candidacy, file with the State Board of Elections a written statement designating the vacancy to which he seeks election. (g) No person may file a notice of candidacy for superior court judge unless that person is at the time of filing the notice of candidacy a resident of the judicial district as it will exist at the time the person would take office if elected. No person may be nominated as a superior court judge under G.S. 163-114 unless that person is at the time of nomination a resident of the judicial district as it will exist at the time the person would take office if elected. This subsection implements Article IV Section 9(1) of the

North Carolina Constitution which requires regular Superior Court Judges to reside in the district for which elected.

"§ 163-324. Filing fees required of candidates; refunds.

(a) Fee Schedule. – At the time of filing a notice of candidacy under this Article, each candidate shall pay to the State Board of Elections a filing fee for the office he seeks in the amount of one percent (1%) of the annual salary of the office sought.

(b) Refund of Fees. – If any person who has filed a notice of candidacy and paid the filing fee prescribed in subsection (a) of this section withdraws his notice of candidacy within the period prescribed in G.S. 163-323(c), he shall be entitled to have the fee he paid refunded. (b) Requirements of Petition; Deadline for Filing. – If the candidate is seeking the office of superior or district court judge, that individual shall file a written petition with the State Board of Elections no later than 12:00 noon on Monday preceding the filing deadline before the primary. The petition shall be signed by ten percent (10%) of the registered voters of the election area in which the office will be voted for. The board of elections shall verify the names on the petition, and if the petition and notice of candidacy are found to be sufficient, the candidate's name shall be printed on the appropriate ballot. Petitions must be presented to the county board of elections for verification at least 15 days before the petition is due to be filed with the State Board of Elections. The State Board of Elections may adopt rules to implement this section and to provide standard petition forms.

"§ 163-326. Certification of notices of candidacy.

(a) Names of Candidates Sent to Secretary of State. – Within three days after the time for filing notices of candidacy with the State Board of Elections under the provisions of G.S. 163-323(b) has expired, the chairman or secretary of that Board shall certify to the Secretary of State the name and address of each person who has filed with the State Board of Elections, indicating in each instance the office sought.

(b) Notification of Local Boards. – No later than 10 days after the time for filing notices of candidacy under the provisions of G.S. 163-323(b) has expired, the chairman of the State Board of Elections shall certify to the chairman of the county board of elections in each county in the appropriate district the names of candidates for nomination to the offices of superior and district court judge who have filed the required notice and paid the required filing fee or presented the required petition to the State

Board of Elections, so that their names may be printed on the official judicial ballot for superior and district court.

(c) Receipt of Notification by County Board. – Within two days after receipt of each of the letters of certification from the chairman of the State Board of Elections required by subsection (b) of this section, each county elections board chairman shall acknowledge receipt by letter addressed to the chairman of the State Board of Elections.

"**§ 163-327. Vacancies of candidates or elected officers.**

(a) Death or Disqualification of Candidate Before Primary. – If a candidate for nomination in a primary dies or becomes disqualified before the primary but after the ballots have been printed, the State Board of Elections shall determine whether or not there is time to reprint the ballots. If the Board determines that there is not enough time to reprint the ballots, the deceased or disqualified candidate's name shall remain on the ballots. If that candidate receives enough votes for nomination, such votes shall be disregarded and the candidate receiving the next highest number of votes below the number necessary for nomination shall be declared nominated. If the death or disqualification of the candidate leaves only two candidates for each office to be filled, the nonpartisan primary shall not be held and all candidates shall be declared nominees.

(b) Death, Disqualification, or Resignation of Official After Election. – If a person elected to the office of superior or district court judge dies, becomes disqualified, or resigns on or after election day and before he has qualified by taking the oath of office, the office shall be deemed vacant and shall be filled as provided by law.

"**§ 163-328. Failure of candidates to file; death or other disqualification of a candidate before election.**

(a) Insufficient Number of Candidates. – If when the filing period expires, candidates have not filed for an office to be filled under this Article, the State Board of Elections shall extend the filing period for five days for any such offices.

(b) Death or Other Disqualification of Candidate; Reopening Filing. – If there is no primary because only one or two candidates have filed for a single office, or the number of candidates filed for a group of offices does not exceed twice the number of positions to be filled, and thereafter a candidate dies or otherwise becomes disqualified before the election and before the ballots are printed, the State Board of Elections shall, upon notification of the death or other disqualification, immediately reopen the filing period for an additional five days during which time additional candidates shall be permitted to file for election. If the ballots have been printed at the time the State Board of Elections receives notice of the candidate's death or other disqualification, the Board shall determine whether there will be sufficient time to reprint them before the election if the filing period is reopened for three days. If the Board determines that there will be sufficient time to reprint the ballots, it shall reopen the filing period for three days to allow other candidates to file for election, and such election shall be conducted on the plurality basis.

(c) Vacancy Caused by Nominated Candidate; Ballots Not Reprinted. – If the ballots have been printed at the time the State Board of Elections receives notice of a candidate's death, other disqualification, or resignation, and if the Board determines that there is not enough time to reprint the ballots before the election if the filing period is

reopened for three days, then regardless of the number of candidates remaining for the office or group of offices, the ballots shall not be reprinted and the name of the vacated candidate shall remain on the ballots. If a vacated candidate should poll the highest number of votes in the election for a single office or enough votes to be elected to one of a group of offices, the State Board of Elections shall declare the office vacant and it shall be filled in the manner provided by law.

"§ 163-329. Elections to fill vacancy created after primary filing period to use plurality method.

(a) General. – If a vacancy is created in the office of judge of superior court after the filing period for the primary opens but more than 60 days before the general election, and under the Constitution of North Carolina an election is to be held for that position, such that the office shall be filled in the general election as provided in G.S. 163-9, the election to fill the office for the remainder of the term shall be conducted without a primary using the plurality method as provided in subsection (b) of this section. If a vacancy is created in the office of judge of superior court before the filing period for the primary opens, and under the Constitution of North Carolina an election is to be held for that position, such that the office shall be filled in the general election as provided in G.S. 163-9, the election to fill the office for the remainder of the term shall be conducted in accordance with G.S. 163-322.

(1) The filing period shall be prescribed by the State Board of Elections, but in no event may it be less than five working days. If a vacancy occurs in a second office in the same superior court district after the first filing period established under the section has closed, the State Board of Elections shall reopen filing for a period of not less than five working days for the office of superior court judge. All persons filing in either filing period shall run as a group and the election results shall be determined by subdivision (3) of this subsection.

(2) When more than one person is seeking election to a single office, the candidate who receives the highest number of votes shall be declared elected.

(3) When more persons are seeking election to two or more offices (constituting a group) than there are offices to be filled, those candidates receiving the highest number of votes, equal in number to the number of offices to be filled, shall be declared elected.

(4) If two or more candidates receiving the highest number of votes each receive the same number of votes, the board of elections shall determine the winner by lot.

(5) Except as provided in this section, the provisions of this Article apply to elections conducted under this section.

"§ 163-330. Voting in primary.

SENATE BILL 119:
District Court Elections Nonpartisan

BILL ANALYSIS

Committee:	House Judiciary II	**Introduced by:**	Senator Dalton
Date:	August 7, 2001	**Summary by:**	Robin Johnson*
Version:	PCS for First Edition		Committee Counsel

The PCS adds a new Section 12 to the bill that would apply the write-in statute to district court judge elections. (This would conform to a change made in SB 831, which amended numerous election laws, including applying the write-in statute to superior court judge elections. SB 831 went into effect July 28, 2001.)

SUMMARY: Senate Bill 119 would provide for the nonpartisan election of district court judges.

CURRENT LAW: The District Court Division of the General Court of Justice consists of various district courts organized in 30 territorial districts, with at least one district judge in each district. The General Assembly determines the number of judges for each district. Each judge must be a resident of the district to which he or she is elected, and the voters of the district court district in which a judge is to serve elect that district judge. District court judges, who serve four-year terms, are elected at the regular election for members of the General Assembly immediately preceding termination of each regular term. A vacancy in the office of district judge is filled for the unexpired term by appointment of the Governor from nominations submitted by the district bar. Nominees must be residents of the district court district who are licensed to practice law in the district and who are members of the same political party as the vacating judge.

In 1996, the law governing the elections of superior court judges was amended to make those elections nonpartisan. Set out in Article 25 of Chapter 163, superior court judges are now nominated and elected without regard to political party. Candidates run in nonpartisan primaries, held on the same day in May as the party primaries. The primaries reduce the field to twice the number to be elected, eliminating additional candidates. Then the reduced field (twice the number to be elected) runs in the November general election. The system is patterned after the nonpartisan primary and elections used by some cities to elect their mayors and city councils. The nonpartisan primaries and elections are by district.

BILL ANALYSIS: In addition to a number of conforming changes, Senate Bill 119 basically amends Article 25 of Chapter 163 by moving the existing provisions regarding the nomination and election of district court judges from the partisan election method set out in the general election law to the nonpartisan election method set out for superior court judges.

Current law requires that in any election in which there are two or more vacancies for the office of district court judge to be filled by nominations, *each candidate for district court judge must file a written statement designating the vacancy to which the candidate seeks election.* Similarly, a person seeking election for a specialized district judgeship must file a written statement designating the specialized judgeship to which the person seeks nomination. These provisions are deleted from G.S. 163-106 [pages 10 and 11 of the bill], and are now set out in G.S. 163-323 (f), [page 3 of the bill], with *no substantive change.*

Senate Bill 119 would be effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR NONPARTISAN ELECTION OF DISTRICT COURT JUDGES.

The General Assembly of North Carolina enacts:

SECTION 1. Article 25 of Chapter 163 of the General Statutes reads as rewritten:

"SUBCHAPTER X. ELECTION OF SUPERIOR AND DISTRICT COURT JUDGES.

"ARTICLE 25.

"NOMINATION AND ELECTION OF SUPERIOR AND DISTRICT COURT JUDGES.

"**§ 163-321. Applicability.**

The nomination and election of superior and district court judges of the General Court of Justice shall be as provided by this Article.

"**§ 163-322. Nonpartisan primary election method.**

(a) General. – Except as provided in G.S. 163-329, there shall be a primary to narrow the field of candidates to two candidates for each position to be filled if, when the filing period closes, there are more than two candidates for a single office or the number of candidates for a group of offices exceeds twice the number of positions to be filled. If only one or two candidates file for a single office, no primary shall be held for that office and the candidates shall be declared nominated. If the number of candidates for a group of offices does not exceed twice the number of positions to be filled, no primary shall be held for those offices and the candidates shall be declared nominated.

(b) Determination of Nominees. – In the primary, the two candidates for a single office receiving the highest number of votes, and those candidates for a group of offices receiving the highest number of votes, equal to twice the number of positions to be filled, shall be declared nominated. If two or more candidates receiving the highest number of votes each receive the same number of votes, the State Board of Elections shall determine their relative ranking by lot, and shall declare the nominees accordingly.

The canvass of the primary shall be held on the same date as the primary canvass fixed under G.S. 163-188. The canvass shall be conducted in accordance with Article 16 of this Chapter.

(c) Determination of Election Winners. – In the election, the names of those candidates declared nominated without a primary and those candidates nominated in the primary shall be placed on the ballot. The candidate for a single office receiving the highest number of votes shall be elected. Those candidates for a group of offices receiving the highest number of votes, equal in number to the number of positions to be filled, shall be elected. If two candidates receiving the highest number of votes each received the same number of votes, the State Board of Elections shall determine the winner by lot.

"**§ 163-323. Notice of candidacy.**

(a) Form of Notice. – Each person offering to be a candidate for election shall do so by filing a notice of candidacy with the State Board of Elections in the following form, inserting the words in parentheses when appropriate:

"Date _____:

I hereby file notice that I am a candidate for election to the office of_____ in the regular election to be held _____, _____.

Signed _____:

(Name of Candidate)

Witness: _____".

The notice of candidacy shall be either signed in the presence of the chairman or secretary of the State Board of Elections, or signed and acknowledged before an officer authorized to take acknowledgments who shall certify the notice under seal. An acknowledged and certified notice may be mailed to the State Board of Elections. In signing a notice of candidacy, the candidate shall use only the candidate's legal name and, in his discretion, any nickname by which commonly known. A candidate may also, in lieu of that candidate's first name and legal middle initial or middle name, if any, sign that candidate's nickname, provided the candidate appends to the notice of candidacy an affidavit that the candidate has been commonly known by that nickname for at least five years prior to the date of making the affidavit. The candidate shall also include with the affidavit the way the candidate's name (as permitted by law) should be listed on the ballot if another candidate with the same last name files a notice of candidacy for that office.

A notice of candidacy signed by an agent or any person other than the candidate himself shall be invalid.

(b) Time for Filing Notice of Candidacy. – Candidates seeking election to the following offices shall file their notice of candidacy with the State Board of Elections no earlier than 12:00 noon on the first Monday in January and no later than 12:00 noon on the first Monday in February preceding the election:

Judges of the superior courts.

Judges of the district courts.

(c) Withdrawal of Notice of Candidacy. – Any person who has filed a notice of candidacy for an office shall have the right to withdraw it at any time prior to the date on which the right to file for that office expires under the terms of subsection (b) of this section.

(d) Certificate That Candidate Is Registered Voter. – Candidates shall file along with their notice a certificate signed by the chairman of the board of elections or the supervisor of elections of the county in which they are registered to vote, stating that the person is registered to vote in that county, and if the candidacy is for superior court judge and the county contains more than one superior court district, stating the superior court district of which the person is a resident. In issuing such certificate, the chairman or supervisor shall check the registration records of the county to verify such information. During the period commencing 36 hours immediately preceding the filing deadline, the State Board of Elections shall accept, on a conditional basis, the notice of candidacy of a candidate who has failed to secure the verification ordered herein subject to receipt of verification no later than three days following the filing deadline. The State Board of Elections shall prescribe the form for such certificate, and distribute it to each county board of elections no later than the last Monday in December of each odd-numbered year.

(e) Candidacy for More Than One Office Prohibited. – No person may file a notice of candidacy for more than one office or group of offices described in subsection (b) of this section, or for an office or group of offices described in subsection (b) of this section and an office described in G.S. 163-106(c), for any one election. If a person has filed a notice of candidacy with a board of elections under this section or under G.S. 163-106(c) for one office or group of offices, then a notice of candidacy may not later be filed for any other office or group of offices under this section when the election is on the same date unless the notice of candidacy for the first office is withdrawn under subsection (c) of this section.

(f) Notice of Candidacy for Certain Offices to Indicate Vacancy. – In any election in which there are two or more vacancies for the office of district court judge to be filled by nominations, each candidate shall, at the time of filing notice of candidacy, file with the State Board of Elections a written statement designating the vacancy to which he seeks election. Votes cast for a candidate shall be effective only for his election to the vacancy for which the candidate has given notice of candidacy as provided in this subsection.

A person seeking election for a specialized district judgeship established under G.S. 7A-147 shall, at the time of filing notice of candidacy, file with the State Board of Elections a written statement designating the specialized judgeship to which the person seeks nomination.

(g) No person may file a notice of candidacy for superior court judge unless that person is at the time of filing the notice of candidacy a resident of the judicial district as it will exist at the time the person would take office if elected. No person may be nominated as a superior court judge under G.S. 163-114 unless that person is at the time of nomination a resident of the judicial district as it will exist at the time the person

would take office if elected. This subsection implements Article IV Section 9(1) of the North Carolina Constitution which requires regular Superior Court Judges to reside in the district for which elected.

"**§ 163-324. Filing fees required of candidates; refunds.**

(a) Fee Schedule. – At the time of filing a notice of candidacy under this Article, each candidate shall pay to the State Board of Elections a filing fee for the office he seeks in the amount of one percent (1%) of the annual salary of the office sought.

(b) Refund of Fees. – If any person who has filed a notice of candidacy and paid the filing fee prescribed in subsection (a) of this section withdraws his notice of candidacy within the period prescribed in G.S. 163-323(c), he shall be entitled to have the fee he paid refunded. The chairman of the State Board of Elections shall cause a warrant to be drawn on the State Treasurer for the refund payment.

If any person who has filed a notice of candidacy and paid the filing fee prescribed in subsection (a) of this section dies prior to the date of the election, the personal representative of the estate shall be entitled to have the fee refunded if application is made to the board of elections to which the fee was paid no later than one year after the date of death, and refund shall be made in the same manner as in withdrawal of notice of candidacy.

"**§ 163-325. Petition in lieu of payment of filing fee.**

(a) General. – Any qualified voter who seeks election under this Article may, in lieu of payment of any filing fee required for the office he seeks, file a written petition requesting him to be a candidate for a specified office with the State Board of Elections.

(b) Requirements of Petition; Deadline for Filing. – If the candidate is seeking the office of superior or district court judge, that individual shall file a written petition with the State Board of Elections no later than 12:00 noon on Monday preceding the filing deadline before the primary. The petition shall be signed by ten percent (10%) of the registered voters of the election area in which the office will be voted for. The board of elections shall verify the names on the petition, and if the petition and notice of candidacy are found to be sufficient, the candidate's name shall be printed on the appropriate ballot. Petitions must be presented to the county board of elections for verification at least 15 days before the petition is due to be filed with the State Board of Elections. The State Board of Elections may adopt rules to implement this section and to provide standard petition forms.

"**§ 163-326. Certification of notices of candidacy.**

(a) Names of Candidates Sent to Secretary of State. – Within three days after the time for filing notices of candidacy with the State Board of Elections under the provisions of G.S. 163-323(b) has expired, the chairman or secretary of that Board shall certify to the Secretary of State the name and address of each person who has filed with the State Board of Elections, indicating in each instance the office sought.

(b) Notification of Local Boards. – No later than 10 days after the time for filing notices of candidacy under the provisions of G.S. 163-323(b) has expired, the chairman of the State Board of Elections shall certify to the chairman of the county board of elections in each county in the appropriate district the names of candidates for

nomination to the offices of superior and district court judge who have filed the required notice and paid the required filing fee or presented the required petition to the State Board of Elections, so that their names may be printed on the official judicial ballot for superior and district court.

(c) Receipt of Notification by County Board. – Within two days after receipt of each of the letters of certification from the chairman of the State Board of Elections required by subsection (b) of this section, each county elections board chairman shall acknowledge receipt by letter addressed to the chairman of the State Board of Elections.

"**§ 163-327. Vacancies of candidates or elected officers.**

(a) Death or Disqualification of Candidate Before Primary. – If a candidate for nomination in a primary dies or becomes disqualified before the primary but after the ballots have been printed, the State Board of Elections shall determine whether or not there is time to reprint the ballots. If the Board determines that there is not enough time to reprint the ballots, the deceased or disqualified candidate's name shall remain on the ballots. If that candidate receives enough votes for nomination, such votes shall be disregarded and the candidate receiving the next highest number of votes below the number necessary for nomination shall be declared nominated. If the death or disqualification of the candidate leaves only two candidates for each office to be filled, the nonpartisan primary shall not be held and all candidates shall be declared nominees.

(b) Death, Disqualification, or Resignation of Official After Election. – If a person elected to the office of superior or district court judge dies, becomes disqualified, or resigns on or after election day and before he has qualified by taking the oath of office, the office shall be deemed vacant and shall be filled as provided by law.

(b) Death or Other Disqualification of Candidate; Reopening Filing. – If there is no primary because only one or two candidates have filed for a single office, or the number of candidates filed for a group of offices does not exceed twice the number of positions to be filled, and thereafter a candidate dies or otherwise becomes disqualified before the election and before the ballots are printed, the State Board of Elections shall, upon notification of the death or other disqualification, immediately reopen the filing period for an additional five days during which time additional candidates shall be permitted to file for election. If the ballots have been printed at the time the State Board of Elections receives notice of the candidate's death or other disqualification, the Board shall determine whether there will be sufficient time to reprint them before the election if the filing period is reopened for three days. If the Board determines that there will be sufficient time to reprint the ballots, it shall reopen the filing period for three days to allow other candidates to file for election, and such election shall be conducted on the plurality basis.

(c) Vacancy Caused by Nominated Candidate; Ballots Not Reprinted. – If the ballots have been printed at the time the State Board of Elections receives notice of a candidate's death, other disqualification, or resignation, and if the Board determines that there is not enough time to reprint the ballots before the election if the filing period is reopened for three days, then regardless of the number of candidates remaining for the office or group of offices, the ballots shall not be reprinted and the name of the vacated candidate shall remain on the ballots. If a vacated candidate should poll the highest number of votes in the election for a single office or enough votes to be elected to one of a group of offices, the State Board of Elections shall declare the office vacant and it shall be filled in the manner provided by law.

"**§ 163-329. Elections to fill vacancy created after primary filing period to use plurality method.**

All persons filing in either filing period shall run as a group and the election results shall be determined by subdivision (3) of this subsection.

SENATE BILL 119:
District Court Elections Nonpartisan

BILL ANALYSIS

Committee:	House Judiciary II	**Introduced by:**	Senator Dalton
Date:	August 7, 2001	**Summary by:**	Robin Johnson*
Version:	PCS for First Edition		Committee Counsel

The PCS adds a new Section 12 to the bill that would apply the write-in statute to district court judge elections. (This would conform to a change made in SB 831, which amended numerous election laws, including applying the write-in statute to superior court judge elections. SB 831 went into effect July 28, 2001.)

SUMMARY: Senate Bill 119 would provide for the nonpartisan election of district court judges.

CURRENT LAW: The District Court Division of the General Court of Justice consists of various district courts organized in 30 territorial districts, with at least one district judge in each district. The General Assembly determines the number of judges for each district. Each judge must be a resident of the district to which he or she is elected, and the voters of the district court district in which a judge is to serve elect that district judge. District court judges, who serve four-year terms, are elected at the regular election for members of the General Assembly immediately preceding termination of each regular term. A vacancy in the office of district judge is filled for the unexpired term by appointment of the Governor from nominations submitted by the district bar. Nominees must be residents of the district court district who are licensed to practice law in the district and who are members of the same political party as the vacating judge.

In 1996, the law governing the elections of superior court judges was amended to make those elections nonpartisan. Set out in Article 25 of Chapter 163, superior court judges are now nominated and elected without regard to political party. Candidates run in nonpartisan primaries, held on the same day in May as the party primaries. The primaries reduce the field to twice the number to be elected, eliminating additional candidates. Then the reduced field (twice the number to be elected) runs in the November general election. The system is patterned after the nonpartisan primary and elections used by some cities to elect their mayors and city councils. The nonpartisan primaries and elections are by district.

BILL ANALYSIS: In addition to a number of conforming changes, Senate Bill 119 basically amends Article 25 of Chapter 163 by moving the existing provisions regarding the nomination and election of district court judges from the partisan election method set out in the general election law to the nonpartisan election method set out for superior court judges.

Current law requires that in any election in which there are two or more vacancies for the office of district court judge to be filled by nominations, *each candidate for district court judge must file a written statement designating the vacancy to which the candidate seeks election.* Similarly, a person seeking election for a specialized district judgeship must file a written statement designating the specialized judgeship to which the person seeks nomination. These provisions are deleted from G.S. 163-106 [pages 10 and 11 of the bill], and are now set out in G.S. 163-323 (f), [page 3 of the bill], with *no substantive change.*

Senate Bill 119 would be effective when it becomes law.

Last weekend was the traditional annual induction of former professional football and baseball players into their halls of fame, in Canton, Ohio and Cooperstown, N.Y., respectively. Certain [illegible] seem predictable about both [illegible]. It is always very hot, so hot you c[illegible]feel it through the television screen, and the speeches always seems to last for several eternities. (A player, to be eligible, must have been inactive for five years. A friend of mine's wife, after this had been explained to her, looked at her and science and history and English. It's no mean feat at a time when classrooms often reflect wide disparities — financially, for one example — among students, in addition to varying degrees of parental involvement. And the teachers are up against all those peer pressures as well, among them the decidedly unpredictable behavior of those celebrities, athletes and others, to whom the kids look for an example.

Last weekend's celebrations offered hope, however, that some who grow up surrounded by cheers have in their years hard work even when no immediate reward presents itself at the end of the day.

All talked about overcoming frustration, and the need to carry on even when it appeared there was no hope for success.

All provided long lists of "thank-yous" for men, women and friends who had affected them before, during and after their careers were done.

Meaningful thoughts, those. If you've missed the cheers, gentlemen — well, perhaps you're owed another round.

District judges' terms

I support current legislative proposals to extend the terms of district judges and to provide for nonpartisan elections of those officers.

The present system was designed for a one-party state and worked tolerably well within that scheme. It is now a potential source of disaster for the courts of North Carolina. We all understand the need for judicial independence and for a measure of accountability to discourage and correct abuses of that in[illegible]endence. The present system [illegible] neither.

[illegible]-year terms are too short. The district judges serving so short a term are required to be at all times sensitive, not to the policy consequences of their decisions, for there are seldom such consequences to consider, but to the potential political influence of individuals who may appear before them as litigants or lawyers. Lengthening the terms affords an appropriate measure of independence from such influences without giving judges too much power and discretion.

Partisan elections threaten the judiciary in a different way. Partisanship makes sense in campaigns for the state Supreme Court where decisions are frequently made that have substantial policy consequences. With respect to the trial judges, party affiliations merely serve to conceal the appropriate issue for the voters to consider — was this judge doing a good and honorable job of enforcing the law?

In a two-party system, partisan elections make the trial judges vulnerable to dismissal from office for reasons having almost nothing to do with their performance. A big turnout for a national or statewide election can result in the dismissal of some of the best judges who happened to bear the wrong party label. The secondary effect is to make it harder to recruit those who would be good judges.

Preventing tobacco use

I recently attended the third meeting of the Health and Wellness Trust Commission, at which several presentations on prescription drug benefits for the elderly were made (news story, July 22). While the treatment of disease and disability with prescription drugs is an important issue, I was perplexed and dismayed that tobacco use prevention and control was not the focus of the discussion.

Tobacco is the leading cause of preventable disease and premature death in the U.S., causing over 12,000 (or 21 percent) of the deaths in North Carolina each year. Lung disease, which comprises a huge percentage of these illnesses, is the third leading cause of death in the United States and is the only one of the three leading causes of death that is increasing as a result of the benign neglect of preventing tobacco-related illness.

It is frightening to think that in a state where tobacco-related illness costs $2.1 billion annually (that is $281 per North Carolina resident) that the commission may feel compelled to spend most of the Trust Fund monies on something other than tobacco-use prevention and control.

The costs of treating the health problems related to tobacco use are already a huge burden on North Carolinians, and will only increase in the years to come if some measure is not taken to curb tobacco use. The priority of "preventing, reducing, and remedying the health effects of tobacco use" was clearly stated in the state law that created the Health Trust Fund. The Centers for Disease Control and Prevention has estimated that, at the minimum, North Carolina should spend about $442 million on tobacco-use prevention programs.

If we are to become a healthier state, the commission will have to fund tobacco-use prevention and control as its top priority. A plan for preventing and treating tobacco use has already been developed. Now, let's fund it and achieve a healthier state!

SENATE BILL 241:
Health Insurance Termination Notice

BILL ANALYSIS

Committee:	House Judiciary II	**Introduced by:**	Senator Dalton
Date:	August 7, 2001	**Summary by:**	Jeff Hudson
Version:	Proposed Committee Substitute S241-CSSB-42 [v.3]		Committee Counsel

SUMMARY: ***The Proposed Committee Substitute for Senate Bill 241 (PCS) would make group health plans that are currently regulated only by the federal Employee Retirement Income Security Act of 1974 (ERISA) subject to the provisions of G.S. 58-50-40. The PCS would also require insurers to personally notify every subscriber or certificate holder upon termination of the group health insurance contract at the same time the insurer provides information on obtaining continuing insurance coverage under the federal Health Insurance Portability and Accountability Act (HIPAA). The act would become effective December 1, 2001.***

BILL ANALYSIS

Section 1 would:

- Add group health plans as defined in Section 609(l) of the Employee Retirement Income Security Act of 1974 (ERISA) to the types of plans that are currently subject to the provisions of G.S. 58-50-40. Section 609(l) defines "group health plan" to mean an employee welfare benefit plan providing medical care to participants or beneficiaries directly or through insurance, reimbursement, or otherwise. G.S. 58-50-40 makes it a class H penalty for an insurance fiduciary to cause the cancellation of group health or life insurance by willfully failing to pay the insurance premiums and willfully failing to deliver to the persons covered by the insurance notice of intention to stop payment of premiums at least 45 days before the termination of the insurance. G.S. 58-50-40 also provides that if an insurance fiduciary is convicted under the statute, the court will order the insurance fiduciary to make full restitution to the persons who would have been covered by the insurance and such persons will have a lien upon the assets of the employer or insurance fiduciary. **Note:** ERISA may preempt State regulation of group health plans currently covered by ERISA.
- Update G.S. 58-50-40 by deleting the reference to the Consolidated Omnibus Budget Reconciliation Act (COBRA) and replacing it with a reference to the Health Insurance Portability and Accountability Act (HIPAA) and Article 68 of Chapter 58 of the General Statutes.
- Add a new subsection to G.S 58-50-40 to require an insurer underwriting the group insurance to notify every subscriber or certificate holder personally upon termination of the contract when the insurer provides the subscriber or certificate holder their written certification of creditable coverage for purposes of obtaining continuing coverage that is otherwise required under the federal and State law.

Section 2 would make conforming changes.

Section 3 is a severability clause.

Section 4 would make the act effective December 1, 2001.

A BILL TO BE ENTITLED

AN ACT TO REVISE THE GOOD FUNDS SETTLEMENT ACT TO CLARIFY THE AUTHORITY OF A SETTLEMENT AGENT TO DISBURSE SETTLEMENT PROCEEDS IN RELIANCE ON A DEPOSIT IN THE FORM OF A CHECK ISSUED BY AN AGRICULTURAL CREDIT ASSOCIATION OR IN THE FORM OF A CHECK DRAWN ON THE ACCOUNT OF OR ISSUED BY A LICENSED MORTGAGE BANKER.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 45A-4 reads as rewritten:

Unless otherwise provided in this Chapter, a settlement agent shall not cause a disbursement of settlement proceeds unless those settlement proceeds are collected funds. Notwithstanding that a deposit made by a settlement agent to its trust or escrow account does not constitute collected funds, the settlement agent may cause a disbursement of settlement proceeds from its trust or escrow account in reliance on that deposit if the deposit is in one or more of the following forms:

SENATE BILL 790:
Good Funds Settlement Act Revisions.

BILL ANALYSIS

Committee:	House Judiciary II	**Introduced by:**	Senator Hartsell
Date:	August 28, 2001	**Summary by:**	Robin Johnson*
Version:	S790-CSRH-53[V.5]		Committee Counsel

SUMMARY: ***The PCS for Senate Bill 790 would clarify the authority of a settlement agent, in a real estate transaction, to disburse funds in reliance on a deposit in the form of a check from a mortgage banker or agricultural credit association.***

CURRENT LAW: Currently, G.S. 45A-4 sets out the duties of settlement agents, or those persons responsible for conducting settlement and disbursement of settlement proceeds, in real estate transactions involving one- to four-family residential dwellings and lots restricted to residential use.

Generally, when settlement funds are deposited in the settlement agent's trust or escrow account, they must be in the form of "collected funds" before they may be disbursed by the agent. "Collected funds" are defined in the Chapter as funds that have been deposited and irrevocably credited to a settlement agent's account.

However, G.S. 45A-4 allows the settlement agent to disburse funds, even when they are not "collected funds", in reliance on a deposit when it is in one of the following forms:

- Certified check.
- Check issued by the State, a political subdivision of the State, or the United States.
- Cashier's check, teller's check, or official bank check, insured by FDIC or comparable agency.
- Check drawn on the trust account of a licensed attorney.
- Check drawn on the trust account of a licensed real estate broker.
- Personal or commercial checks not exceeding $5000 per closing when the agent has reasonable grounds to believe that the deposit will be irrevocably credited to the account.
- Check drawn on the account of a lender approved as a supervised or nonsupervised mortgagee by the United States Department of Housing and Urban Development.

Federal law defines agricultural credit associations as federally chartered corporate bodies and instrumentalities of the United States organized to engage in an agricultural credit business. They have substantial investment and loan authority, and operate under the regulatory jurisdiction of the Federal Farm Credit Bureau in their district. A recent Attorney General's advisory opinion found that the term "political subdivisions of the United States", as used in the Good Funds Settlement Act, is ambiguous as to whether it includes these associations.

BILL ANALYSIS: Senate Bill 790 would:

- Repeal the settlement agent's authority to disburse funds that are not "collected funds" in reliance on a deposit in the form of a check drawn on the account of a lender approved as a supervised or nonsupervised mortgagee by the United States Department of Housing and Urban Development. Instead, the settlement agent would be authorized to disburse funds that are not "collected funds"

in reliance on a deposit in the form of a check drawn on the account of a licensed mortgage banker that has posted a minimum surety bond of $300,000. The bond must run to the State for the benefit of any settlement agent with a claim against the licensee for a dishonored check.

- Clarify the meaning of a "political subdivision of the United States" by changing that term to "an agency or instrumentality of the United States, including an agricultural credit association."

EFFECTIVE DATE: The act would initially take effect January 1, 2002, and would apply to registered mortgage bankers. Effective July 1, 2002, (when these bankers will be subject to licensure requirements), the act would apply to licensed mortgage bankers.

S790-SMRH-002 Ms. Wendy Graf, Counsel to Senate Judiciary I, substantially contributed to this summary.*

"(b) Sale or distribution to persons under the age of 18 years. – If any person shall distribute, or aid, assist, or abet any other person in distributing tobacco products or cigarette wrapping papers to any person under the age of 18 years, or if any person shall purchase tobacco products or cigarette wrapping papers on behalf of a person, less than 18 years, the person shall be guilty of a Class 2 misdemeanor; provided, however, that it shall not be unlawful to distribute tobacco products or cigarette wrapping papers to an employee when required in the performance of the employee's duties. Retail distributors of tobacco products shall prominently display near the point of sale a sign in letters at least five-eighths of an inch high which states the following:

N.C. LAW STRICTLY PROHIBITS

THE PURCHASE OF TOBACCO PRODUCTS

BY PERSONS UNDER THE AGE OF 18.

PROOF OF AGE REQUIRED.

Failure to post the required sign shall be an infraction punishable by a fine of twenty-five dollars ($25.00) for the first offense and seventy-five dollars ($75.00) for each succeeding offense.

A person engaged in the sale of tobacco products shall demand proof of age from a prospective purchaser if the person has reasonable grounds to believe that the prospective purchaser is under 18 years of age. Failure to demand proof of age as required by this subsection is a Class 2 misdemeanor if in fact the prospective purchaser is under 18 years of age. Proof that the defendant demanded, was shown, and reasonably relied upon proof of age in the case of a retailer, or any other documentary or written evidence of age in the case of a nonretailer, or that the defendant relied on the electronic system established and operated by the Division of Motor Vehicles pursuant to G.S. 20-37.02, shall be a defense to any action brought under this subsection. Retail distributors of tobacco products shall train their sales employees in the requirements of this law."

SECTION 6. The electronic system to be established pursuant to Section 4 of this act shall not be operated by the Commissioner until such time as the Drivers License Technology Fund contains sufficient funds to meet the purposes of Section 4 of this act and only for so long as adequate funds are available to operate the electronic system. Sections 1 through 3 of this act become effective December 1, 2001, and apply to offenses committed on or after that date. The remainder of this act is effective when it becomes law.

SENATE BILL 833:
Possession/Manufacture of Fraudulent IDs.

BILL ANALYSIS

Committee:	House Judiciary II	**Introduced by:**	Sen. Rand
Date:	October 9, 2001	**Summary by:**	O. Walker Reagan, Staff Attorney
Version:	Proposed Committee Substitute S833-CSSB-58[V.1]		

SUMMARY: ***The Proposed House Committee Substitute for Senate Bill 833 would create the Class 1 misdemeanor offense of manufacturing or possessing certain false or fraudulent identification. The bill would amend the underage drinking laws to also make it a crime to use fraudulent identification to enter a place that serves alcoholic beverages or to obtain permission to purchase alcoholic beverages, and to use forms or means of identification that give the impression that the person is entitled to purchase alcoholic beverages. Also the bill would create the Drivers License Technology Fund to establish a DMV electronic interactive drivers license verification system for use by retail merchants and ABC permit holders.***

CURRENT LAW: Under G.S. 20-30, it is currently unlawful for a person to display or cause to be displayed or to have in possession a driver's license or learner's permit, knowing the same to be fictitious or to have been altered. Violation is a Class 2 misdemeanor. It is also unlawful to sell or offer for sale any reproduction or facsimile or simulation of a driver's license or learner's permit; violation is a Class I felony. It is also a Class I felony to present, display, or use a driver license or learner's permit that contains a false or fictitious name in the commission or attempted commission of a felony.

G.S. 18B-302(e) makes it unlawful for any person under the age of 21 to obtain or attempt to obtain alcoholic beverages by using or attempting to use (1) A fraudulent or altered driver's license; (2) A fraudulent or altered identification document other than a driver's license; (3) A driver's license issued to another person; or (4) An identification document other than a driver's license issued to another person. Under G.S. 18B-302(f), it is also unlawful for any person to permit the use of his drivers license or other ID by a person under the age of 21 in obtaining or attempting to obtain alcoholic beverages. Violation of either of the existing provisions is a Class 1 misdemeanor.

BILL ANALYSIS: ***Section 1*** of the bill creates a new criminal offense of possession or manufacture of fraudulent forms of identification. The bill makes it a Class 1 misdemeanor to "knowing" possess or manufacture a false or fraudulent form of identification for the purpose of deception, fraud or other criminal conduct. The bill specifically applies to certain forms of identification including a picture: State, local, federal, or other state government issued IDs, military IDs, passports, or alien registration cards.

Section 2 of the bill would make it a crime for a person under age 21 to use fraudulent identification to enter into premises that serve alcoholic beverages or to obtain permission to purchase alcoholic beverages. This includes drivers licenses or any other form or means of identification that indicate that a person is not prohibited from purchasing alcoholic beverages. This change is proposed because many establishments that serve alcoholic beverages are screening for underage persons at the entrance to the establishment to avoid the necessity for those actually serving alcoholic beverages from having to require identification. Other establishments are using a single age-identification checkpoint and issuing a form of identification to indicate that the person is old enough to purchase alcoholic beverages, such as wristbands. While the current law covers the use of false identification to purchase alcohol, it does not cover the use of false identification to gain entrance to establishments that serve alcohol. The

law does not currently cover situations where an underage person obtains identification that indicates they can legally purchase alcohol, but that is not false identification or the identification of another. Violation would be a Class 1 misdemeanor. (Under G.S. 18B-102, unless a different punishment is otherwise expressly stated, all violations of the State's alcohol laws are Class 1 misdemeanors.)

Section 3 of the bill would expand the prohibition against a person allowing another to use his or her identification for the purpose of purchasing alcoholic beverages illegally, by including forms of identification other than drivers licenses.

Section 4 enacts two new sections to the DMV laws.

G.S. 20-37.01 establishes the Drivers License Technology Fund that will be used to fund information technology and office automation needs of the Division of Motor Vehicles. The fund is created as a nonreverting, interest-bearing account.

G.S. 20-37.02 authorizes the Commissioner of DMV to establish an electronic system to allow retail merchants and ABC permittees to access the DMV drivers license records for the sole purpose of verifying the valid of the drivers license or identification card and the age of the person to whom the license or card is issued. The information to be made available shall be in a "read-only" form and shall be limited to the information contained on the face of the license. The Division is to keep no record of the inquiry but the requester is permitted to keep information necessary to verify the identification was validated. The information obtained by the retailer or permittee may only be used for verification purpose and no other purpose, and, except as otherwise permitted, may not be retained. The unlawful use or disclosure of the DMV information is punished as a Class 2 misdemeanor.

The person utilizing the electronic system is responsible for the cost to connect and retrieve the information. The funding for this program may be from State, federal or private funds.

Section 5 makes a conforming change to the law prohibiting the sale or distribution of tobacco products to person under the age of 18. This change will allow a merchant to rely on the electronic verification of a drivers license through the system established in Section 4 of the bill as a defense to a charge of sale of tobacco to an underage person.

EFFECTIVE DATE: Sections 1 through 3 of the bill become effective December 1, 2001 and apply to offenses committed on or after that date. The authorization to create the electronic system established in Section 4 is effective when the act becomes law but will only be implemented when sufficient funds are available in the Drivers License Technology Fund and only for so long as sufficient funds are available. Section 5 is also effective when the bill becomes law.

HOUSE BILL 1468:
Certain Weapons of Mass Destruction

BILL ANALYSIS

Committee:	House Judiciary II	**Introduced by:**	Representative Baddour
Date:	October 23, 2001	**Summary by:**	Jeff Hudson
Version:	Proposed Committee Substitute H1468-CSSA-34 [v.6]		Committee Counsel

SUMMARY:

The Proposed Committee Substitute for House Bill 1468 (PCS) would provide criminal penalties for:

- ***The manufacture, assembly, possession, storage, transportation, sale, purchase, delivery, or acquisition of nuclear, biological, or chemical weapons of mass destruction.***
- ***The use or attempted use of nuclear, biological, or chemical weapons of mass destruction.***
- ***The false reporting of a nuclear, biological, or chemical weapon of mass destruction.***
- ***The perpetration of a hoax by the use of a false nuclear, biological, or chemical weapon of mass destruction.***

The PCS would also provide that murder by means of a nuclear, biological, or chemical weapon of mass destruction is first degree murder. The PCS would become effective when it becomes law.

CURRENT STATE LAW:

Under current G.S. 14-288.8, it is unlawful for any person to manufacture, assemble, possess, store, transport, sell, offer to sell, purchase, offer to purchase, deliver or give to another, or acquire any weapon of mass death and destruction. For purposes of this statute, the term "weapon of mass death and destruction" includes any explosive, incendiary, poison gas, or radioactive material bomb, missile, or similar device; certain firearms or modified firearms; and radioactive material. Any person who violates this statute is guilty of a **Class F felony**.

Under current G.S. 14-159.1, it is unlawful to willfully or wantonly contaminate or attempt to contaminate the water in a public water system with any toxic chemical, biological agent, or radiological substance that is harmful to human health or tamper with the property or equipment of a public water system with the intent to impair the services to the public water system. Any person who violates this statute is guilty of a **Class C felony**.

ANALYSIS OF THE PROPOSED COMMITTEE SUBSTITUTE:

Section 1 would establish an Article 36B in Chapter 14 of the General Statutes containing the following new statutes related to nuclear, biological, or chemical weapons of mass destruction. As used in these statutes, a "nuclear, biological, or chemical weapon of mass destruction" is any weapon or device that is designed or has the capability to cause death or serious injury through the release, dissemination, or impact of radiation, a disease organism, or poisonous chemicals or their precursors.

G.S. 14-288.21 would make it unlawful to manufacture, assemble, possess, store, transport, sell, offer to sell, purchase, offer to purchase, deliver or give to another, or acquire a nuclear, biological, or chemical weapon of mass destruction. Any person who violates this section is guilty of a **Class B1 felony**. This section would not apply to certain military personnel and law enforcement officers lawfully carrying out their duties; persons under contract with the federal or State government lawfully acting under their contracts; and certain persons engaged in research and development in a manner consistent with federal and State law.

G.S. 14-288.22 would:

- Make it unlawful to willfully injure another by the use of a nuclear, biological, or chemical weapon of mass destruction. Any person who violates this provision is guilty of a **Class A felony and shall be sentenced to life imprisonment without parole.**
- Make it unlawful to attempt, solicit another, or conspire to injure another by the use of a nuclear, biological, or chemical weapon of mass destruction. Any person who violates this provision is guilty of a **Class B1 felony.**
- Make it unlawful to use the United States Postal Service or other delivery business to violate any of the provisions of Article 36B. Any person who violates this provision is guilty of a **Class B1 felony.**

G.S. 14-288.23 would make it unlawful to make a report to any person, knowing or having reason to know the report is false, that a nuclear, biological, or chemical weapon of mass destruction is located at any place or structure. Any person who violates this section is guilty of a **Class D felony**. Also, a person convicted under this section may be ordered to pay restitution for damages resulting from the disruption of normal activities caused by the false report.

G.S. 14-288.24 would make it unlawful to intentionally perpetrate a hoax with an object to cause a person reasonably to believe that the object is a nuclear, biological, or chemical weapon of mass destruction. Any person who violates this section is guilty of a **Class D felony**. Also, a person convicted under this section may be ordered to pay restitution for damages resulting from the disruption of normal activities caused by the hoax.

Section 2 provides that murder perpetrated by means of a nuclear, biological, or chemical weapon of mass destruction is murder in the first degree, a **Class A felony, and may be punished with death or imprisonment in the State's prison for life without parole.**

Section 3 makes a conforming change by removing "radioactive material" from the current definition of "weapon of mass death and destruction" found in G.S. 14-288.8(c).

Section 4 provides that this act is effective when it becomes law and applies to offenses committed on or after that date. This section also provides that any prosecutions for offenses that occurred before the effective date of this act are not abated or affected by this act.

CASE NOTES

Penalty Not Limited to That Prescribed by Ordinance. — Since this section itself makes the possession of a disassembled shotgun and the shotgun shells in the area in question a criminal offense and specifies the penalty therefor, and since the warrant relating to this offense was founded upon the statute, not the ordinance, the sentence imposable in this case was not limited to the penalty prescribed for such conduct by the ordinance. State v. Dobbins, 277 N.C. 484, 178 S.E.2d 449 (1971).

Applied in State v. Dobbins, 9 N.C. App. 452, 176 S.E.2d 353 (1970).

§ 14-288.8. Manufacture, assembly, possession, storage, transportation, sale, purchase, delivery, or acquisition of weapon of mass death and destruction; exceptions.

(3) Persons under contract with the United States, the State of North Carolina, or any agency of either government, with respect to any activities lawfully engaged in under their contracts.

(4) Inventors, designers, ordnance consultants and researchers, chemists, physicists, and other persons lawfully engaged in pursuits designed to enlarge knowledge or to facilitate the creation, development, or manufacture of weapons of mass death and destruction intended for use in a manner consistent with the laws of the United States and the State of North Carolina.

SECTION 1.(b) This section expires January 1, 2003.

SECTION 2.(a) The requirements of G.S. 131E-265(a1) for contract agencies of nursing homes and home care agencies, G.S. 131D-40 for adult care homes and contract agencies of adult care homes, and of G.S. 122C-80 for area mental health, developmental disabilities, and substance abuse services authorities, to conduct national criminal history record checks are suspended until January 1, 2003.

SECTION 3.(a) The Legislative Research Commission may study how federal law affects the distribution of national criminal history record check information

requested for nursing homes, home care agencies, adult care homes, assisted living facilities, and area mental health, developmental disabilities, and substance abuse services authorities, and the problems federal restrictions pose for effective and efficient implementation of State-required criminal record checks. The study may include the following:

(1) Ways in which national record checks may be obtained and reviewed for these facilities to effectuate State policy and protections of facility residents, and the advantages, disadvantages, and costs of various approaches to implementation.

(2) A review of ways in which national record checks are obtained by the Division of Child Development, Department of Health and Human Services, and other State agencies, and related costs to the State.

(3) Solutions adopted by other states to effectively and efficiently implement criminal record check requirements, including costs to the State in implementing these solutions.

(4) Other issues relevant to State requirements for criminal history record checks in long-term care facilities.

The Legislative Research Commission may make its findings and recommendations in a final report to the 2002 Regular Session of the 2001 General Assembly.

SENATE BILL 826:
Criminal Record Check Change/Long Term Care

BILL ANALYSIS

Committee:	House Judiciary II	**Introduced by:**	Sen. Rand
Date:	October 24, 2001	**Summary by:**	Linda Attarian
Version:			Staff Attorney

SUMMARY: Senate Bill 826 (4th edition) would repeal the requirement for a national criminal history record check for prospective employees of nursing homes and adult care homes. A State criminal history report would still be required. The bill also establishes a 25 member Study Commission on Criminal Record Checks to study how federal law affects the distribution of national criminal history record check information requested for nursing homes, home care agencies, adult care homes, assisted living facilities, and area mental health, developmental disabilities, and substances abuse service authorities. Except for Section 4, which would become effective on July 1, 2001, the act would become effective when it becomes law.

The Proposed Committee Substitute keeps the state and national criminal history record check requirement in place for applicants for positions in nursing homes or home care agencies involving direct patient care and where the applicants have been a NC resident for less than 5 years. All State checks requirements would remain the same. The FBI would process these national checks under the authority of Public Law 105-277.

Specifically, the PCS would change the 4th edition by deleting Sections 1-3, and by substituting uncodified language that temporarily suspends until July 1, 2002, the provision in G.S. 131E-265, 131D-40, and 122C-80 that requires long-term care entities and their contract agencies to condition an applicants' employment, in positions not requiring an occupational license, on an applicant's consent to a national criminal background check. This temporary suspension would not apply to applicants for positions involving direct patient care in nursing homes and home health entities. These entities would be required to request such national criminal history checks pursuant to Public Law 105-277. The PCS also changes the 4th edition by deleting the establishment of the legislative study commission and substituting a section authorizing the Legislative Research Commission to study the issues that the commission was directed to study. The PCS would become effective when it became law.

CURRENT LAW: Currently, all applicants for positions not requiring an occupational license with long-term care facilities and home health agencies and related contract agencies are required, as a condition for employment, to consent to a criminal history record check. If the applicant has been a resident of North Carolina for less than five years, the criminal history record check would include both a national and a State criminal history record check. If the applicant has been a resident of North Carolina for five years or more, only a State criminal history record check is required. Requests for criminal record checks must be submitted not later than five business days after the individual begins conditional employment. The requesting entities provide the Department of Justice the fingerprints of the individual to be checked if a national check is required. For national checks, current law provides that the SBI shall forward the fingerprints to the FBI for searching the FBI's national database. G.S. 114-90.10 authorizes the NC Department of Justice to provide the requesting entities the criminal history records received from the FBI. The Department of Justice is authorized to charge up to $14.00 for the State check, and a 'reasonable' fee for the national check. The fee charged by the FBI is $24.00.

The Supreme Court has held the unauthorized disclosure of criminal records to a third person constitutes an unwarranted invasion of privacy. However, Congress has authorized the FBI to disseminate national criminal histories for non-criminal justice purposes under two separate federal laws.

First, Public Law 92-544, 86 Stat.1115, permits the FBI to exchange criminal history records with officials of federally chartered or insured banking institutions if authorized by a state statute which has been approved by the Attorney General of the United States (delegated to the FBI) and with officials of state and local government for the purposes of licensing and employment. This federal law clearly specifies that the state statute must provide that an authorized governmental agency is designated to be the recipient of the results of the record check, and the information shall not be disseminated to a private entity without authorizing federal legislation. **Current NC law does not meet this federal requirement and therefore, the FBI will not process any national checks requested under G.S. 114-90.10, until this statute is amended to conform to the requirements of P.L. 92-544.**

Secondly, under Public Law 105-277, the FBI may release the results of national criminal history checks directly to nursing homes and home health care agencies on applicants for positions that involve direct patient care. Under this law, Congress authorized the dissemination of the criminal history records to private facilities for a 'first hand' suitability determination. The records disseminated pursuant to this federal law may be used only by the facility or agency requesting the information and only for the purpose of determining the suitability of the applicant for employment in a position involved.

BILL ANALYSIS: Sections 1 and 2 would repeal the provisions in the nursing home and adult care home statutes requiring national criminal history record checks of applicants who have resided in the state for less than five years. These sections would also change current law by requiring a request for a criminal history record check to be submitted not later than five business days after the individual undertakes the functions of the job.

Section 3 would make conforming changes to the Department of Justice statutes.

Section 4 would establish a 25-member Study Commission on Criminal History Record Checks. The Commission would study how federal law affects the distribution of national criminal history record check information requested for long-term care facilities and area mental health authorities, and the problems federal restrictions pose for effective and efficient implementation of State-required criminal record checks, including a review of the way the Division of Child Development conducts these checks and solutions adopted by other states. A final report of the Commission's findings and recommendations would be submitted to the General Assembly upon the convening of its 2002 session.

PCS ANALYSIS:

Section 1.(a) provides that the requirement under current G.S. 131E-265 for certain applicants to consent to a national criminal history check shall ONLY apply to nursing home and home care agencies and ONLY to applicants for positions involving direct patient care. It further directs those agencies to request these checks in accordance to P.L. 105-277. All other requirements, including the requirement of conditioning employment upon the applicant's consent to a State criminal history check, are not changed and continue to be in effect.

Section 1.(b) sunsets Section 1.(a) on July 1, 2002. After that date, if not amended by an enactment of the 2001 General Assembly during the 2002 Regular Session, all the provisions of G.S. 131E-265 shall be in full effect.

Section 2.(a) suspends, until July 1, 2002, the effectiveness of the requirement for contract agencies of nursing homes and home care agencies, adult care homes and their contract agencies, and area mental health authorities to require applicants for unlicensed position to consent to a federal criminal history check. All other requirements of the relevant statutes, including the requirement of conditioning employment upon the applicant's consent to a State criminal history check, are not changed and continue to be in effect.

Section 2.(b) clarifies that the requirement under current G.S. 131E-265 pertaining to consent to national criminal history checks of applicants for employment positions not involving direct patient care are *suspended* until July 1, 2002.

Section 3 authorizes the Legislative Research Commission to study how federal law affects the distribution of national criminal history check information for the long-term care industry. The LRC may make its report to the 2001 General Assembly, Regular Session 2002.

Section 4 makes the bill effective when it becomes law.

In addition, a home care agency shall not change a current employee's employment status from a position that does not require entering the patient's home to a position that requires entering the patient's home who refuses to consent to a criminal history record check required by this section. Within five business days of making the conditional offer of employment, a nursing home or home care agency shall submit a request to the Department of Justice under G.S. 114.19.10 to conduct a State ~~or national~~ criminal history record check required by this section, or shall submit a request to a private entity to conduct a State criminal history record check required by this section. If a nursing home, home care agency, or contract agency of a nursing home or home care agency disqualifies an applicant after consideration of the relevant factors, then the nursing home, home care agency, or contract agency may disclose information contained in the criminal history record check that is relevant to the disqualification, but may not provide a copy of the criminal history record check to the applicant.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE THAT AGREEMENTS, ORDERS, AND FINAL AWARDS UNDER THE WORKERS' COMPENSATION ACT MAY BE ENTERED AS JUDGMENTS BY THE CLERK OF SUPERIOR COURT IN THE COUNTY IN WHICH THE INJURY OCCURRED.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 97-87 reads as rewritten:

"~~**§ 97-87. Filing agreements approved by Commission or awards; judgment in accordance therewith; discharge or restoration of lien.**~~

~~Any party in interest may file in the superior court of the county in which the injury occurred a certified copy of a memorandum of agreement approved by the Commission, or of an order or decision of the Commission, or of an award of the Commission unappealed from or of an award of the Commission affirmed upon appeal, whereupon said court shall render judgment in accordance therewith, and notify the parties. Such judgment shall have the same effect, and all proceedings in relation thereto shall thereafter be the same, as though said judgment had been rendered in a suit duly heard and determined by said court: Provided, if the judgment debtor shall file a certificate duly issued by the Industrial Commission showing compliance with G.S. 97-83 with the clerk of the superior court in the county or counties where such judgment is docketed, then such clerk shall make upon the judgment roll an entry showing the filing of such certificate which shall operate as a discharge of the lien of the said judgment, and no execution shall be issued thereon; provided, further, that if at any time there is default in the payment of any installment due under the award set forth in said judgment the court may, upon application for cause and after 10 days' notice to judgment debtor, order the lien of such judgment restored, and execution may be immediately issued thereon for past due installments and for future installments as they may become due.~~

§97-87. Judgments on Awards.

(a) As used in this section, 'award' includes the following:

(1) A form filed, or an award arising, pursuant to G.S. 97-18(b), G.S. 97-18(d), or G.S. 97-82(b).
(2) A memorandum of agreement approved by the Commission.
(3) An order or decision of the Commission.
(4) An award of the Commission unappealed from.
(5) An award of the Commission affirmed on appeal.

(b) When an award or portion of an award provides for a sum certain or for a sum that can by computation be made certain, and that sum is immediately due and payable as of the date of the award, a judgment may be docketed as provided in subsection (d) of this section, in an amount equal to that sum.

(c) When an award or portion of an award provides for periodic payments to be made on or after the date of the award, a judgment may be docketed as provided in subsection (d) of this section, in an amount equal to the sum stated in any Certificate of Accrued Arrearages that is issued by the Commission pursuant to this subsection. If any payment that has accrued after the date of the award, or after the date specified in the most recent Certificate of Accrued Arrearages issued pursuant to this subsection, is not received by the claimant when due, the following procedure is available for obtaining a Certificate of Accrued Arrearages:

(1) The claimant may file with the Commission a Statement of Accrued Arrearages, on a form approved by the Commission, and shall serve a copy on the party responsible for making the payments.
(2) The responsible party may, within ten days of the date of service of a Statement of Accrued Arrearages, file with the Commission proof of any payments that have been made.
(3) If no such proof is filed within 10 days of the date of service of the Statement, the Commission shall issue a Certificate of Accrued Arrearages.
(4) If such proof is filed, the Commission shall determine the sum of the payments, if any, that have accrued and remain unpaid, shall issue a Proposed Certificate of Accrued Arrearages, and shall serve it on the claimant and the responsible party.
(5) If either party disputes the total sum stated in the Proposed Certificate of Accrued Arrearages, the party shall, within 10 days of the date of service of the Proposed Certificate of Accrued Arrearages, notify the Commission and the other party that it disputes the sum and state the reasons for the dispute.
(6) If no notice of dispute is filed, the Commission shall issue a Certificate of Accrued Arrearages.
(7) If a notice of dispute is filed, the Commission shall, within 10 days of its receipt of the notice, resolve the dispute and issue a Certificate of Accrued Arrearages. There shall be no further review.

(8) All service under this subsection shall be made as provided in Rule 5 of the North Carolina Rules of Civil Procedure, G.S. 1A-1, Rule 5.

(9) Each award and each Certificate of Accrued Arrearages shall include the following information:

a. The names and addresses of the parties.

b. The sum of all principal amounts that have accrued and remain unpaid since the date of the award or since the date of the most recent prior Certificate of Accrued Arrearages.

c. The total of any interest that has accrued on the award, as of the date of the Certificate of Accrued Arrearages, since the date of the award or since the date of the most recent prior Certificate of Accrued Arrearages.

d. Any costs, penalties, or monetary sanctions included in the award.

(d) Any party in interest may file a certified copy of an award, or of a Certificate of Accrued Arrearages, in the office of the clerk of superior court of the county in which the defendant has a place of business or has property, or in which an injury occurred, or in Wake County. An award shall be accompanied by the party's affidavit stating that the award has become final and the time for making the first payment under the award has expired.

(e) Promptly after a certified copy of an award or of a Certificate of Accrued Arrearages is filed, the clerk, in accordance with Chapter 1 of the General Statutes shall docket and index a judgment as provided in Chapter 1 of the General Statues. The principal amount in the award or in the Certificate of Accrued Arrearages shall bear interest at the judgment rate from the date the judgment is docketed. The judgment may be enforced in the same manner as a judgment docketed under Chapter 1 of the General Statutes.

(f) The filing of an award, or of a Certificate of Accrued Arrearages, for docketing as a judgment under this section shall be treated as a civil action for record keeping purposes. The amount in which the judgment is docketed shall determine the amount of the costs to be collected at the time of filing and assessed pursuant to G.S. 7A-305.

(g) Nothing in this section shall be construed to limit the Commission's authority to impose any other remedy provided by law."

SECTION 2. G.S. 1-209 reads as rewritten:

"**§ 1-209. Judgments authorized to be entered by clerk; sale of property; continuance pending sale; writs of assistance and possession.**

The clerks of the superior courts are authorized to enter the following judgments:

(5) In all cases where the clerks of the superior court enter judgment by default final upon any debt secured by mortgage, deed of trust, conditional sale contract or other conveyance of any kind, either real or personal property, or by a pledge of property, the said clerks of the superior court are authorized and empowered to order a foreclosure of such mortgage, deed of trust, conditional sale contract, or other conveyance, and order a sale of the property so conveyed or pledged upon such terms as appear to be just; and the said clerks of the superior court shall have all the power and authority now exercised by the judges of the superior court to appoint commissioners to make such sales, to receive the reports thereof, and to confirm the report of sale or to order a resale, and to that end they are authorized to continue such causes from time to time as may be required to complete the sale, and in the final judgment in said causes they shall order the execution and delivery of all necessary deeds and make all necessary orders disbursing the funds arising from the sale, and may issue writs of assistance and possession upon ten days' notice to parties in possession. The commissioners appointed to make foreclosure sales, as herein authorized, may proceed to advertise such sales immediately after the date of entering judgment and order of foreclosure, unless otherwise provided in said judgment and order.

(6) Judgments on awards, or on Certificates of Accrued Arrearages, of the Industrial Commission in workers compensation cases, as defined and provided for in G.S. 97-87.

In any tax foreclosure action pending on March 15, 1939 or thereafter brought under the provisions of G.S. 105-414 in which there is filed no answer which seeks to prevent entry of judgment of sale, the clerk of the superior court may render judgment of sale and make all necessary subsequent orders and judgments to the same extent as permitted by this section in actions brought to foreclose a mortgage. All such judgments and orders heretofore rendered or made by a clerk of the superior court in such tax foreclosure actions are hereby, as to the authority of the said clerk, ratified and confirmed."

SECTION 3. This act is effective January 1, 2002, and applies to all forms filed and awards arising pursuant to G.S. 97-18(b), G.S. 97-18(d), or G.S. 97-82(b) that are filed or that arise before, on, or after that date; all agreements approved by the North Carolina Industrial Commission under the Workers' Compensation Act, Article 1 of

A BILL TO BE ENTITLED

AN ACT DIRECTING THE DEPARTMENT OF HEALTH AND HUMAN SERVICES TO ESTABLISH A BIOLOGICAL AGENTS REGISTRY, AND IMPOSING CIVIL PENALTIES FOR VIOLATION OF REGISTRY REQUIREMENTS.

The General Assembly of North Carolina enacts:

SECTION 1. Part 1 of Article 6 of Chapter 130A of the General Statutes is amended by adding the following new section to read:

"**§ 130A-149. Biological agents registry; rules; penalties.**

(a) The Department shall establish and administer a program for the registration of biological agents. The biological agents registry shall identify the biological agents possessed or maintained by any laboratory, medical facility, or research facility in this State and shall contain other information required under rules adopted by the Commission. As used in this section, the term 'biological agent' means any microorganism, virus, infectious substance, or biological product that may be engineered as a result of biotechnology, or any naturally occurring or bioengineered component of any such microorganism, virus, infectious substance, or biological product capable of causing:

(1) Death, disease, or other biological malfunction in a human, an animal, a plant, or another living organism;

(2) Deterioration of food, water, equipment, supplies, or material of any kind;

(3) Deleterious alteration of the environment; or

(4) Any other risk of serious harm to the public health or safety.

(b) The Commission shall adopt rules for the implementation of the registry program, as follows:

(1) Determining the biological agents required to be reported under this section.

(2) Designating specific information required to be reported including time limits for reporting, form of reports, and to whom reports shall be submitted.

(3) Providing for the release of information in the registry to State and federal law enforcement agencies and the United States Centers for Disease Control and Prevention pursuant to a communicable disease investigation commenced or conducted by the Department, the Commission, or other State or federal law enforcement agency having investigatory authority, or in connection with any investigation involving release, theft, or loss of biological agents.

(4) Establishing a system of safeguards to be followed by laboratories, medical facilities, and research facilities, including a process for the laboratories or facilities to alert appropriate authorities of unauthorized possession or attempted possession of biological agents. The rules shall designate appropriate authorities for receipt of alerts from laboratories or facilities.

(c) Any person having administrative authority over a laboratory, medical facility, or research facility that possesses or maintains any biological agent required to be reported shall report to the Department the information required by the Commission for inclusion in the biological agent registry.

(d) Except as otherwise provided in this section, information maintained in the registry pursuant to this section shall be confidential and shall not be a public record under G.S. 132-1. The Department may, in accordance with rules adopted by the Commission, release information contained in the biological agent registry for the purpose of conducting or aiding in a communicable disease investigation. The Department shall cooperate with and may share information contained in the biological agent registry with the United States Centers for Disease Control and Prevention, and state and federal law enforcement agencies in any investigation involving the release, theft, or loss of a biological agent required to be reported under this section. Release of information from the registry as authorized under this subsection shall not render the information released a public record under G.S. 132-1.

(e) The Department shall impose a civil penalty for violation of this section in the amount of up to one thousand dollars ($1,000). Each day of a continuing violation shall be a separate offense. Any laboratory or facility wishing to contest a penalty shall be entitled to an administrative hearing in accordance with Chapter 150B of the General Statutes."

SECTION 2. G.S. 130A-29(c) is amended by adding the following subdivision to read:

"(10) Pertaining to the biological agents registry in accordance with G.S. 130A-149."

SECTION 3. This act becomes effective January 1, 2002.

HOUSE BILL 1472:
Biological Agents Registry

BILL ANALYSIS

Committee: House Judiciary II
Date: October 31, 2001
Version: First

Introduced by: Rep. Culpepper
Summary by: Robin Johnson

BILL ANALYSIS: House Bill 1472 would direct the Department of Health and Human Services (DHHS) to establish and administer a biological agents registry (registry). The Commission for Health Services would be required to adopt rules that:

-- Determine the biological agents that must be reported.

-- Establish the information that must be reported, in what manner and time frame, and to whom.

-- Provide for the release of registry information as part of a communicable disease investigation.

-- Establish safeguards to be followed by laboratories, medical facilities, and research facilities, including a process for reporting unauthorized or attempted possession of biological agents.

Information maintained in the registry would be confidential and would not be a public record. However, DHHS may release this information for the purpose of conducting or aiding a communicable disease investigation. Information may be released to federal and other states' law enforcement agencies and to the U.S. Centers for Disease Control and Prevention.

A maximum civil penalty of $1000 may be imposed by DHHS for each day of a violation of this act. A laboratory or facility may appeal this penalty under the Administrative Procedure Act.

The bill would take effect January 1, 2002.

ANTHRAX REGISTRY FACTS

The problem: State and federal agents are working to find out who has potentially dangerous biological agents, including anthrax, so they can match known cases with known sources. Without this information they are unable to track the source of the disease

The proposal: Research labs that maintain anthrax strains and other biological agents would report their holdings of biological agents, and log the amounts they hold, to the North Carolina Department of Health and Human Services.

How it would work: DHHS and the Commission for Health Services would establish rules on which biological agents should be reported, how often and when the release of information is in the best interest of the public. The records would remain confidential unless public health interests require its release to the Centers for Disease Control or law enforcement agencies.

RESEARCH LABS

Registry of biological agents sought

Theft would be hard to track in Carolinas

BY ROBERT F. MOORE
AND SCOTT DODD
Staff Writers

Research labs in the Carolinas study a number of bacteria, viruses and toxins that might be used to make a bioweapon - and now the government wants to know where to find them.

Authorities say that if someone stole anthrax or another biological agent from a lab and used it for terrorism, they're not sure investigators could pinpoint the source.

Cooper

Neither state maintains a registry of where the agents are stored or in what amounts. Researchers say potentially dangerous biological and chemical materials can be found at many labs in the Carolinas, under varying degrees of security.

In response, N.C. Attorney General Roy Cooper called

KNIGHT RIDDER

N.C. registry of biological agents pushed for

Laboratories *from 1A*

Friday for a law that would create a statewide database of biological agents, to be maintained by the N.C. Department of Health and Human Services.

Under Cooper's proposal, private, veterinary and university labs would have to report the types and amounts of agents they use. He hopes the effort will lead to a national registry.

South Carolina hasn't announced a similar effort, but earlier this week, Gov. Jim Hodges named a homeland-security director whose office will be responsible for dealing with all terrorism threats in the state.

Most researchers say they support tighter security. They also want to make sure it doesn't affect their ability to do research.

"The universities in the state work with some pretty nasty stuff," said Dr. Philip Carter, a professor of microbiology and immunology at the N.C. State College of Veterinary Medicine. "We really haven't been thinking in terms of keeping these things under lock and key, and now we have to do that."

Federal law requires labs to report when they transport about 40 types of viruses, bacteria, fungi and toxins - including anthrax. There is no such requirement for simply possessing them.

The Clinton administration asked Congress to create a national toxin database in 1999, but the proposal failed amid fears it would inhibit medical research.

Cooper's proposal, which has not been presented to the N.C. legislature, would also require strict security measures to prevent the theft of biological agents. Several lawmakers said they would support it.

"We may not be able to keep a foreign government (from bringing a bioweapon) into the country," Cooper said at a news conference in Charlotte. "But we can keep terrorists and criminals from stealing from our labs at home."

Cooper said recent anthrax exposures in New York City, New Jersey, Washington, D.C., and Florida motivated the proposal. But there are several types of biological agents that require tighter control, he said.

"Instead of just fighting the last battle, we need to anticipate the next one," he said.

Without such a registry, FBI officials say they would have difficulty tracing strains of biological agents. It would be like eliminating fingerprints from a crime scene.

Only state and federal law enforcement and the Centers for Disease Control and Prevention would have access to the registry.

Under the proposal, labs would face fines for noncompliance. Cooper said he didn't have a target date for putting it in place.

The major research schools and hospitals in the Carolinas say their labs don't store anthrax. Carter thought N.C. State might have a small amount in a freezer. But once he checked Friday, he said it must have been destroyed when the colleague who stocked it retired a few years ago.

Labs have plenty of other biological agents and potentially toxic substances around - everything from a relative of the plague that causes a gastrointestinal disease to some of the components for making the nerve gas sarin.

NORMAN NG - STAFF PHOTO

N.C. Attorney General Roy Cooper speaks at a news conference Friday in Charlotte about proposals to help law enforcement track bioterrorism.

Schools and labs require researchers to keep them informed about the substances they're using and to follow safety procedures. Until recently, though, most procedures were designed largely to ensure the safety of students and lab workers - not to keep materials from being stolen, several researchers say.

Still, labs in the Carolinas said they're unaware of any cases where a potentially harmful substance has gone missing.

Carter said he's not as concerned about a stranger breaking into a lab as he is about someone at the school who turns out to be a terrorist or foreign agent. A dozen or more people sometimes have access to a lab or a freezer in which organisms are stored.

"We get a lot of foreign students and visiting scientists at the research universities here, and maybe not all of them are on our side," Carter said. "That's remote, but it's still a possibility."

Labs need to consider more thorough background checks on researchers and putting tighter limits on who has access to potentially threatening substances, he said. "We don't want to discriminate, but we have to be aware now that we might be a target."

The labs provide ample ammunition.

"Essentially any type of microorganism that can infect humans can be weaponized," said Dr. Peter Gilligan, director of clinical microbiology and immunology at UNC Hospitals in Chapel Hill.

And he said there's probably no way any large institution can know for sure it doesn't have anthrax or another deadly bacteria in a freezer somewhere.

"I can't say with 100 percent assurance that there is no anthrax on the UNC campus, and I don't think anyone else can either," Gilligan said. "We may have had a microbiologist who may have been working on it back in the 1950s, and the cell cultures might still be around."

In that case, it's unlikely that someone who wanted to steal the organisms could find them, he said. But it's probably a good idea for researchers to get rid of anything they aren't sure about.

Labs and schools say they have procedures in place to track potentially harmful substances, even if they don't inform the state.

"The stuff that's in our labs is in such small quantities that it hasn't been on anybody's radar screen," said Robert Newberry, Clemson University's chief environmental health and safety officer.

"At least, it hasn't been so far."

Several weeks after the start of the nation's worst biological attack, the federal government has no central inventory of dangerous disease cultures maintained by academics and private labs. Bacteria and viruses are commonly exchanged in informal arrangements. And researchers aren't required to track their stocks or report losses or thefts.

These lax controls make the nation's universities, health agencies and laboratories easy targets for would-be biological terrorists. A 1999 bill that would have closed many of these gaps was supported both by the Clinton administration and many congressional

Republicans. But the legislation died amid strong opposition from universities.

"The minimal federal controls in this area would come as quite a surprise to most Americans," former representative Tom Bliley (R-Va.) told a House committee two years ago when it considered toughening the law.

"We permit anyone in this country -- including felons, foreign nationals from sensitive countries and members of extremist groups -- to lawfully possess even the most deadly biological agents, including anthrax, the plague and the ebola virus. They don't even have to notify or register with any federal agency or gain government approval to get them."

It is not yet known whether the anthrax spores unleashed on Washington, New York and Florida since Sept. 11 originated in the United States or abroad. Also unclear is whether the finely milled, apparently sophisticated form of the bacteria was created in a military weapons lab or by a scientist working for terrorists or alone.

Bush administration officials on Friday said any number of trained scientists could have produced the powdery spores that contaminated the office of Senate Majority Leader Thomas A. Daschle (D-S.D.). White House spokesman Ari Fleischer said the analysis of the material "indicates that it could have been produced by a PhD microbiologist [and] that it could be derived at a small, well-equipped microbiology lab."

Such a renegade scientist would not have had to travel far for the microbes themselves, thanks to procedures and practices that make acquiring dangerous pathogens an elementary affair.

The World Federation for Culture Collections, a global registry of microbe and tissue cultures, lists 46 suppliers worldwide of the virulent strain of *Bacillus anthracis*, the bacterium that causes anthrax. Within the United States the number of labs with anthrax cultures is believed to number in the hundreds, spread across universities, private labs, hospitals, veterinary clinics and public health agencies. The exact figure is not known because the government does not keep an inventory.

"If you already have it, you don't have to register it," said Michael Allswede, associate professor of emergency medicine at the University of Pittsburgh.

Before 1997, there were few controls on even the most dangerous microbes. Numerous U.S. labs sold seed stock for anthrax and other potential "biological agents" to countries now on America's list of states that sponsor terrorism -- with the full knowledge and backing of the U.S. government.

Then, ordering microbes often was as simple as filling out a form, said Mary Gilchrist, president of the Association of Public Health Laboratories and a lab director at the University of Iowa.

"Basically, you had to have a convincing letterhead, know what the agent might look like and know how to spell the name of the organism," Gilchrist said.

Congress tightened the rules in 1996 after Ohio State University student Larry Wayne Harris used a fake letterhead to obtain three vials of the bacterium that causes plague. Harris, who was allegedly affiliated with a white supremacist group, was carrying the vials in his car when he was arrested on mail-fraud charges.

Under the 1996 Anti-Terrorism Act, anyone intending to send or receive the most dangerous microbes is required to register with the federal Centers for Disease Control and Prevention and to demonstrate a legitimate scientific or medical use for the material. But the law left enormous gaps, according to terrorism experts and many public health officials.

The law stopped short of criminalizing the possession of dangerous pathogens by non-scientists -- something federal law enforcement officials had favored. It did little to prod

university labs and hospitals into improving inventory controls or bolstering security, which experts describe as informal at best.

It also failed to address a form of off-the-books trading of lab specimens that is common among researchers -- a practice that accounts for at least some of the movement of pathogen cultures between the United States and other countries.

"It's the old game of 'I pat your back, you pat mine': They work out a deal to exchange," said Dorothy Preslar, who formerly headed the Biological Weapons Verification Project for the American Federation of Scientists. Preslar said she has observed foreign scientists bringing microbe samples -- including anthrax -- into the United States for meetings.

"That may not seem to pose a danger, but it leaves the door open for people to bring in material that shouldn't be here," she said.

Some exchanges are as simple as stashing a petri dish into a lab-coat pocket before jetting off to a conference, Gilchrist said.

"As a young researcher, you can work with the organism and then walk out with it," Gilchrist said. "And within a short period of time, you could have a billion or 10 billion or 20 billion organisms. It's not like a gold brick, where if you cut the brick in half, you only have half. You can give somebody a drop, and by the next day, they have all they need."

Mass producing the organism requires nothing more than a test tube and a warm "broth" in which it can be cultured. Enormous technical obstacles must be overcome in transforming bacteria into a weapon capable of killing large numbers of people. But an aspiring terrorist would find plenty of clues in books and documents available in U.S. libraries and on the Internet, bioterrorism experts say.

"For someone who is committed to doing this, there is public information out there," said Michael Moodie, a former U.S. arms control official who heads the Chemical and Biological Arms Institute. "Maybe not cookbooks or specific recipes, but information that points specifically to the kinds of barriers that need to be overcome."

The legislation proposed by the Clinton administration as

part of 1999's "21st Century Crime Bill" would have outlawed the possession of microbes used in biological weapons, with an exception for legitimate scientific research. The proposal, strongly backed by federal law enforcement agencies, also would have tightened inventory controls while requiring background checks for some lab workers.

Opponents, however, argued that the additional measures would hamper legitimate research and might even impede the development of new cures for diseases. "The real reason that scientists work with these agents are . . . to identify and protect us from epidemics," said Rep. Bart Stupak (D-Mich.) at a 1999 House committee hearing. "This is a great -- and a more certain -- threat than bioterrorism has ever been."

The bill was stridently attacked by university lobbyists who said it would severely restrict academic freedom. It lost momentum and was never brought up for a vote.

Since the Sept. 11 attacks, several universities and government agencies around the globe have begun tightening security. For example, the U.S. Department of Agriculture this month launched a snap investigation of all veterinary labs that produce livestock vaccines, to determine which ones possessed anthrax spores.

"Because of the heightened security, we felt it was important to check all of them out," said Hallie Pickhardt, spokesman for the agency's Animal and Plant Health Inspection Service.

There has been some speculation that the anthrax spores used in the attacks could have been stolen from the U.S. military, but that possibility remains unclear. In 1969, President Richard M. Nixon ordered the dismantling of the U.S. offensive biological weapons program, which included stockpiles of deadly pathogens kept at the Pine Bluff Arsenal in Arkansas and a storage facility at Dugway, Utah.

The program included 220 pounds of anthrax spores, according to declassified documents obtained by the National Security Archives. But Matthew S. Meselson, a Harvard biologist who helped influence Nixon's decision, said in later years the U.S. government had shifted its focus from anthrax to tularemia, in part because of Project Whitecoat, in which Seventh-day Adventist civilians volunteered as human guinea pigs to help the government calibrate the correct infectious dosage. Unlike anthrax, tularemia was easily

treatable after symptoms appeared.

The United States possessed 804 pounds of the bacteria that causes tularemia, also known as rabbit fever, and an array of lethal and incapacitating bacteria, including 5,098 gallons of the microbes that lead to Q fever and 4,991 gallons of Venezuelan equine encephalomyelitis virus, a relative of yellow fever. The United States also maintained 160,549 pounds of anti-crop biological agents and even small quantities of shellfish poison and snake venom.

In part because of pressure surrounding the Vietnam War, Nixon unilaterally renounced and dismantled the program. "I remember his exact words: 'Mankind already holds in its hands too many seeds of its own destruction,' " Meselson said. "I think it was one of the greatest things he ever did. If we were still doing this, dozens of nations would be doing this also."

The stockpiles were autoclaved, then incinerated, Meselson said. But Nixon's edict allowed for "research into offensive aspects of bacteriological/biological agents necessary to determine what defensive measures are required," raising the possibility that secret weaponized stocks were maintained. A 1972 treaty banning biological weapons allowed nations to keep small quantities for defensive research purposes, and 100 grams of anthrax, along with other potentially lethal agents, were later discovered at a CIA building. The United States also maintained "seed stocks" from which new batches of anthrax could be made.

"I don't know what they've got," said William C. Patrick, who worked in the U.S. biological weapons program at Fort Detrick. "But really all you need are the seed stocks."

Would tougher controls have thwarted terrorists bent on obtaining the ingredients of a biological assault? In the case of anthrax, perhaps not. There are many places around the world to get anthrax, scientists say. It is also a relatively simple matter to create a new culture from animals or even soil in a country where anthrax is common.

"I'll give you the Iowa quote: The barn is open, and the cows are out," Gilchrist said. "They're out. If you close the door, it's too late."

A BILL TO BE ENTITLED

AN ACT TO PROVIDE THAT AGREEMENTS, ORDERS, AND FINAL AWARDS UNDER THE WORKERS' COMPENSATION ACT MAY BE ENTERED AS JUDGMENTS BY THE CLERK OF SUPERIOR COURT.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 97-87 reads as rewritten:

"~~**§ 97-87. Filing agreements approved by Commission or awards; judgment in accordance therewith; discharge or restoration of lien.**~~

~~Any party in interest may file in the superior court of the county in which the injury occurred a certified copy of a memorandum of agreement approved by the Commission, or of an order or decision of the Commission, or of an award of the Commission unappealed from or of an award of the Commission affirmed upon appeal, whereupon said court shall render judgment in accordance therewith, and notify the parties. Such judgment shall have the same effect, and all proceedings in relation thereto shall thereafter be the same, as though said judgment had been rendered in a suit duly heard and determined by said court: Provided, if the judgment debtor shall file a certificate duly issued by the Industrial Commission showing compliance with G.S. 97-83 with the clerk of the superior court in the county or counties where such judgment is docketed, then such clerk shall make upon the judgment roll an entry showing the filing of such certificate which shall operate as a discharge of the lien of the said judgment, and no execution shall be issued thereon; provided, further, that if at any time there is default in the payment of any installment due under the award set forth in said judgment the court may, upon application for cause and after 10 days' notice to judgment debtor, order the lien of such judgment restored, and execution may be immediately issued thereon for past due installments and for future installments as they may become due.~~

§97-87. Judgments on Awards.

(a) As used in this section, 'award' includes the following:

(1) A form filed, or an award arising, under G.S. 97-18(b), G.S. 97-18(d), or G.S. 97-82(b).
(2) A memorandum of agreement approved by the Commission.
(3) An order or decision of the Commission.
(4) An award of the Commission from which there has been no appeal.
(5) An award of the Commission affirmed on appeal.

(b) When an award or portion of an award provides for a sum certain or for a sum that can by computation be made certain, and that sum is due and payable as of the date of the award, a judgment may be docketed as provided in subsection (d) of this section, in an amount equal to that sum.

(c) When an award or portion of an award provides for periodic payments to be made on or after the date of the award, a judgment may be docketed as provided in subsection (d) of this section, in an amount equal to the sum stated in any Certificate of Accrued Arrearages that is issued by the Commission under this subsection. If any payment that has accrued after the date of the award, or after the date specified in the most recent Certificate of Accrued Arrearages issued under this subsection, is not received by the claimant when due, the following procedure is available for obtaining a Certificate of Accrued Arrearages:

(1) The claimant may file with the Commission a Statement of Accrued Arrearages, on a form approved by the Commission, and shall serve a copy on all parties against whom judgment is sought and their attorney of record.
(2) Any party against whom judgment is sought may, within 15 days of the date of service of a Statement of Accrued Arrearages, file with the Commission proof of any payments that have been made or other responsive pleadings.
(3) If no proof or other responsive pleading is filed within 15 days of the date of service of the Statement, the Commission shall immediately issue a Certificate of Accrued Arrearages.
(4) If proof of payment or other responsive pleading is filed, the Commission shall, within seven days, either issue a Certificate of Accrued Arrearages that shall state the sum of payments due or decline to issue a Certificate Accrued Arrearages. The Commission shall notify the claimant, the party against whom judgment is sought, and their attorney of record of the Commission's decision.
(5) If any party disputes the decision of the Commission entered under subdivision (c)(4) of this section, the party may appeal to the full Commission within 10 days of the entry of the decision of the Commission. The non-appealing party may file a response within 10 days of receiving notice of appeal. The notice of appeal shall request one of the following:

a. The Commission reconsider the decision entered based on the record and any additional evidence that parties submit with the notice and response.

b. A de novo evidentiary hearing before the full Commission.

(6) The Commission shall grant the request for an evidentiary hearing under sub-subdivision (c)(5)b. of this section if a material issue of fact exists whose resolution is necessary to determine the appeal.

(7) If a notice of appeal is given under sub-subdivision (c)(5)a. of this section, the Commission shall issue its decision within 10 days of the filing of the response under subdivision (c)(5) of this section. If a notice of appeal is given under sub-subdivision (c)(5)b. of this section, the Commission shall either conduct an evidentiary hearing and issue its decision on the appeal within 90 days of the filing of the response under subdivision (c)(5) of this section or deny the request for the evidentiary hearing and issue its decision within 10 days of the filing of the response under subdivision (c)(5) of this section. Further appeals are governed by G.S. 97-86.

(8) Each award and each Certificate of Accrued Arrearages shall include the following information:

a. The names and addresses of the parties.

b. The sum of all principal amounts that have accrued and remain unpaid since the date of the award or since the date of the most recent prior Certificate of Accrued Arrearages.

c. The total of any interest that has accrued on the award, as of the date of the Certificate of Accrued Arrearages, since the date of the award or since the date of the most recent prior Certificate of Accrued Arrearages.

d. Any costs, penalties, or monetary sanctions included in the award.

(d) Any party in interest may file a certified copy of an award described in subsection (b) of this section, or of a Certificate of Accrued Arrearages, in the office of the clerk of superior court of the county in which the defendant has a place of business or has property, or in which an injury occurred, or in Wake County. An award shall be accompanied by the party's affidavit stating that the award has become final and the time for making the first payment under the award has expired.

(e) Promptly after a certified copy of an award or of a Certificate of Accrued Arrearages is filed, the clerk shall docket and index a judgment as provided in Chapter 1 of the General Statues. The principal amount in the award or in the Certificate of Accrued Arrearages shall bear interest at the judgment rate from the date the judgment is docketed. The judgment may be enforced in the same manner as a judgment docketed under Chapter 1 of the General Statutes.

(f) The filing of an award, or of a Certificate of Accrued Arrearages, for docketing as a judgment under this section shall be treated as a civil action for record keeping purposes. The amount in which the judgment is docketed shall determine the amount of the costs to be collected at the time of filing and assessed pursuant to G.S. 7A-305.

(g) Nothing in this section shall be construed to limit the Commission's authority to impose any other remedy provided by law."

SECTION 2. G.S. 1-209 reads as rewritten:

"**§ 1-209. Judgments authorized to be entered by clerk; sale of property; continuance pending sale; writs of assistance and possession.**

The clerks of the superior courts are authorized to enter the following judgments:

(1) All judgments of voluntary nonsuit.

(2) All consent judgments.

(3) In all actions upon notes, bills, bonds, stated accounts, balances struck, and other evidences of indebtedness within the jurisdiction of the superior court.

(4) All judgments by default final and default and inquiry as are authorized by Rule 55 of the Rules of Civil Procedure, and in this section provided.

(5) In all cases where the clerks of the superior court enter judgment by default final upon any debt secured by mortgage, deed of trust, conditional sale contract or other conveyance of any kind, either real or personal property, or by a pledge of property, the said clerks of the superior court are authorized and empowered to order a foreclosure of such mortgage, deed of trust, conditional sale contract, or other conveyance, and order a sale of the property so conveyed or pledged upon such terms as appear to be just; and the said clerks of the superior court shall have all the power and authority now exercised by the judges of the superior court to appoint commissioners to make such sales, to receive the reports thereof, and to confirm the report of sale or to order a resale, and to that end they are authorized to continue such causes from time to time as may be required to complete the sale, and in the final judgment in said causes they shall order the execution and delivery of all necessary deeds and make all necessary orders disbursing the funds arising from the sale, and may issue writs of assistance and possession upon ten days' notice to parties in possession. The commissioners appointed to make foreclosure sales, as herein authorized, may proceed to advertise such sales immediately after the date of entering judgment and order of foreclosure, unless otherwise provided in said judgment and order.

(6) All judgments on awards, or on Certificates of Accrued Arrearages, of the Industrial Commission in workers compensation cases, as defined and provided for in G.S. 97-87.

In any tax foreclosure action pending on March 15, 1939 or thereafter brought under the provisions of G.S. 105-414 in which there is filed no answer which seeks to prevent entry of judgment of sale, the clerk of the superior court may render judgment of sale and make all necessary subsequent orders and judgments to the same extent as permitted by this section in actions brought to foreclose a mortgage. All such judgments and orders heretofore rendered or made by a clerk of the superior court in such tax foreclosure actions are hereby, as to the authority of the said clerk, ratified and confirmed."

SECTION 3. This act is effective June 1, 2002, and applies to all forms filed and awards arising under G.S. 97-18(b), G.S. 97-18(d), or G.S. 97-82(b) that are filed or that arise before, on, or after that date; all agreements approved by the North Carolina Industrial Commission under the Workers' Compensation Act, Article 1 of Chapter 97 of the General Statutes, that are approved before, on, or after that date; all orders or decisions of the North Carolina Industrial Commission under the Workers' Compensation Act that are entered before, on, or after that date; and all awards of the North Carolina Industrial Commission unappealed from or affirmed upon appeal under the Workers' Compensation Act that are awarded before, on, or after that date, and to all Certificates of Accrued Arrearages that are issued on and after that date.

A BILL TO BE ENTITLED

AN ACT DIRECTING THE DEPARTMENT OF HEALTH AND HUMAN SERVICES TO ESTABLISH A BIOLOGICAL AGENTS REGISTRY, AND IMPOSING CIVIL PENALTIES FOR VIOLATION OF REGISTRY REQUIREMENTS.

The General Assembly of North Carolina enacts:

SECTION 1. Part 1 of Article 6 of Chapter 130A of the General Statutes is amended by adding the following new section to read:

"**§ 130A-149. Biological agents registry; rules; penalties.**

(a) The Department shall establish and administer a program for the registration of biological agents. The biological agents registry shall identify the biological agents possessed and maintained by any person in this State and shall contain other information required under rules adopted by the Commission.

(b) The following definitions apply in this section:

(1) 'Biological agent' means:

"(10) Pertaining to the biological agents registry in accordance with G.S. 130A-149."

SECTION 3. This act becomes effective January 1, 2002.

HOUSE BILL 1472:
Biological Agents Registry

BILL ANALYSIS

Committee:	House Judiciary II	**Introduced by:**	Rep. Culpepper
Date:	November 6, 2001	**Summary by:**	Robin Johnson
Version:	H1472-CSRH-58 [v.6]		

The PCS makes the following changes to the original bill:

-- Defines and limits the biological agents that must be reported to those on the CDC's list of "select agents" (see attached Appendix A).

-- Defines the "persons" that must report, but allows rulemaking process to designate which of those persons must report which biological agents.

-- Clarifies that the rule establishing system of safeguards for handling biological agents must conform to federal standards.

-- Makes confidential the information prepared for submission to the registry (This would protect "work product".)

-- Specifies that a violation must be "knowing" or "willful".

CURRENT LAW: It is unknown how many entities possess biological agents or where they are maintained. There are federal laws governing the transfer of the more dangerous agents. Persons required to register under federal law must comply with standards for the handling and security of these agents. However, there may be entities that "possess" these agents, but do not transfer them. Also, there are some exemptions under federal law.

BILL ANALYSIS: House Bill 1472 would direct the Department of Health and Human Services (DHHS) to establish and administer a biological agents registry (registry). The registry would identify the biological agents "possessed and maintained" by any person in the State. The Commission for Health Services would be required to adopt rules that:

-- Determine and list the biological agents that must be reported.

-- Designate persons required to report and specific information that must be reported, in what manner and time frame, and to whom.

-- Provide for the release of registry information as part of a communicable disease investigation.

-- Establish a system of safeguards that requires persons that possess and maintain these agents to comply with the same federal standards that apply to persons registered under federal law.

-- Establish a process for reporting unauthorized or attempted possession of biological agents.

Information prepared for or maintained in the registry would be confidential and would not be a public record. However, DHHS may release this information for the purpose of conducting or aiding a communicable disease investigation. Information may be released to federal and other states' law enforcement agencies and to the U.S. Centers for Disease Control and Prevention.

A maximum civil penalty of $1000 may be imposed by DHHS for each day of a willful or knowing violation of this act. A person may appeal this penalty under the Administrative Procedure Act.

The bill would take effect January 1, 2002.

geographic site are not covered by the provisions of Section 72.6 (d), (e), and (f) provided that:

(i) the intended use of the agent remains consistent with that specified in the most current transfer form and

(ii) for each intrafacility transfer, the facility maintains records that include the name and location of the recipient; the amount of agent transferred, and the date transferred. Such records must be maintained for a period of five (5) years after the date of transfer or for five (5) years after the agents are consumed or properly disposed, whichever is longer.

Transferor means any person who transfers or seeks to transfer through any means a select agent subject to this part to any other person.

§72.7 **Penalties.**

Individuals in violation of this part are subject to a fine of no more than $250,000 or one year in jail, or both. Violations by organizations are subject to a fine of no more than $500,000 per event. A false, fictitious, or fraudulent statement or representation on the Government forms required in the part for registration of facilities or for transfers of select agents is subject to a fine or imprisonment for not more than five years, or both for an individual, and a fine for an organization.

RESEARCH LABS

Registry of biological agents sought

Theft would be hard to track in Carolinas

BY ROBERT F. MOORE
AND SCOTT DODD
Staff Writers

Research labs in the Carolinas study a number of bacteria, viruses and toxins that might be used to make a bioweapon - and now the government wants to know where to find them.

Authorities say that if someone stole anthrax or another biological agent from a lab and used it for terrorism, they're not sure investigators could pinpoint the source.

Cooper

Neither state maintains a registry of where the agents are stored or in what amounts. Researchers say potentially dangerous biological and chemical materials can be found at many labs in the Carolinas, under varying degrees of security.

In response, N.C. Attorney General Roy Cooper called

N.C. registry of biological agents pushed for

Friday for a law that would create a statewide database of biological agents, to be maintained by the N.C. Department of Health and Human Services.

Under Cooper's proposal, private, veterinary and university labs would have to report the types and amounts of agents they use. He hopes the effort will lead to a national registry.

South Carolina hasn't announced a similar effort, but earlier this week, Gov. Jim Hodges named a homeland-security director whose office will be responsible for dealing with all terrorism threats in the state.

Most researchers say they support tighter security. They also want to make sure it doesn't affect their ability to do research.

"The universities in the state work with some pretty nasty stuff," said Dr. Philip Carter, a professor of microbiology and immunology at the N.C. State College of Veterinary Medicine. "We really haven't been thinking in terms of keeping these things under lock and key, and now we have to do that."

Federal law requires labs to report when they transport about 40 types of viruses, bacteria, fungi and toxins - including anthrax. There is no such requirement for simply possessing them.

The Clinton administration asked Congress to create a national toxin database in 1999, but the proposal failed amid fears it would inhibit medical research.

Cooper's proposal, which has not been presented to the N.C. legislature, would also require strict security measures to prevent the theft of biological agents. Several lawmakers said they would support it.

"We may not be able to keep a foreign government (from bringing a bioweapon) into the country," Cooper said at a news conference in Charlotte. "But we can keep terrorists and criminals from stealing from our labs at home."

Cooper said recent anthrax exposures in New York City, New Jersey, Washington, D.C., and Florida motivated the proposal. But there are several types of biological agents that require tighter control, he said.

"Instead of just fighting the last battle, we need to anticipate the next one," he said.

Without such a registry, FBI officials say they would have difficulty tracing strains of biological agents. It would be like eliminating fingerprints from a crime scene.

Only state and federal law enforcement and the Centers for Disease Control and Prevention would have access to the registry.

Under the proposal, labs would face fines for noncompliance. Cooper said he didn't have a target date for putting it in place.

The major research schools and hospitals in the Carolinas say their labs don't store anthrax. Carter thought N.C. State might have a small amount in a freezer. But once he checked Friday, he said it must have been destroyed when the colleague who stocked it retired a few years ago.

Labs have plenty of other biological agents and potentially toxic substances around - everything from a relative of the plague that causes a gastrointestinal disease to some of the components for making the nerve gas sarin.

N.C. Attorney General Roy Cooper speaks at a news conference Friday in Charlotte about proposals to help law enforcement track bioterrorism.

Schools and labs require researchers to keep them informed about the substances they're using and to follow safety procedures. Until recently, though, most procedures were designed largely to ensure the safety of students and lab workers - not to keep materials from being stolen, several researchers say.

Still, labs in the Carolinas said they're unaware of any cases where a potentially harmful substance has gone missing.

Carter said he's not as concerned about a stranger breaking into a lab as he is about someone at the school who turns out to be a terrorist or foreign agent. A dozen or more people sometimes have access to a lab or a freezer in which organisms are stored.

"We get a lot of foreign students and visiting scientists at the research universities here, and maybe not all of them are on our side," Carter said. "That's remote, but it's still a possibility."

Labs need to consider more thorough background checks on researchers and putting tighter limits on who has access to potentially threatening substances, he said. "We don't want to discriminate, but we have to be aware now that we might be a target."

The labs provide ample ammunition.

"Essentially any type of microorganism that can infect humans can be weaponized," said Dr. Peter Gilligan, director of clinical microbiology and immunology at UNC Hospitals in Chapel Hill.

And he said there's probably no way any large institution can know for sure it doesn't have anthrax or another deadly bacteria in a freezer somewhere.

"I can't say with 100 percent assurance that there is no anthrax on the UNC campus, and I don't think anyone else can either," Gilligan said. "We may have had a microbiologist who may have been working on it back in the 1950s, and the cell cultures might still be around."

In that case, it's unlikely that someone who wanted to steal the organisms could find them, he said. But it's probably a good idea for researchers to get rid of anything they aren't sure about.

Labs and schools say they have procedures in place to track potentially harmful substances, even if they don't inform the state.

"The stuff that's in our labs is in such small quantities that it hasn't been on anybody's radar screen," said Robert Newberry, Clemson University's chief environmental health and safety officer.

"At least, it hasn't been so far."

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Division of Public Health

EFFECTIVE DATE: January 1, 2002

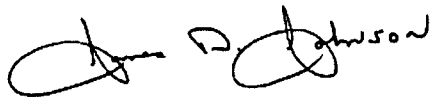
BILL SUMMARY: Amends GS 130A to require the Department of Health and Human Services to establish and administer a program for the registration of biological agents. The Commission for Health Services shall adopt rules for the implementation of the registry, which includes determining the agents to be reported, designating the specific information to be maintained, providing for the release of information in the registry to State and Federal law enforcement agencies, and establishing a system of safeguards to be followed by laboratories and other entities. The information collected shall be confidentially maintained and the Department shall only release information according to the rules adopted by the Commission. The Department shall impose a civil penalty for willful and knowing violation of this act, of $1,000 per day for each day of violation.

ASSUMPTIONS AND METHODOLOGY:
Included is a high and low estimate for the budget. For the low estimation, it is anticipated that the development and subsequent maintenance of the registry may be completed by a portion of two positions: an Office Assistant V and a Medical Laboratory Supervisor II. It is estimated for the first three months that 20% of the Office Assistant V's time will be spent on the creation of the registry/database, contacting the laboratories and other persons who may possess biological agents, and developing internal procedures for the tracking of select agents. It is estimated that this staff person's time for maintenance of the registry will decrease to 15% for support and further refining the registry during the last three months of FY02. It is anticipated that a Medical Laboratory Supervisor II will spend 5% of their time managing the development of the registry. For the purpose of this fiscal analysis, the midpoints of the position pay grades were used for calculations. Beginning in FY03, it is estimated that the clerical staff time needed for maintenance of the registry will further reduce to 10% of an Office Assist V's time and will continue at 5% of a Medical Laboratory Supervisor II's time.

LOW						HIGH					
Expenses	FY01-02	FY02-03	FY03-04	FY04-05	FY05-06	Expenses	FY01-02	FY02-03	FY03-04	FY04-05	FY05-06
Grade 61 Office Assistant V	3 months @ 20% and 3 months @ 15% $2925	$3,445	$3,549	$3,655	$3,765	Pay Grade 72 - Laboratory Specialist	$28,125	$57,938	$59,676	$61,466	$63,310
Pay Grade 74 Medical Laboratory Supervisor II	5% of time for 6 months $1475	$2,950	$3,039	$3,130	$3,224	Pay Grade 74 Medical Laboratory Supervisor II	5% of time for 6 months $1475	$2,950	$3,039	$3,130	$3,224
Supplies/ Miscellaneous	$500	$1,000	$1,030	$1,061	$1,093	Supplies	$1,000	$1,030	$1,061	$1,093	$1,126
Total	**$4,900**	**$7,395**	**$7,617**	**$7,846**	**$8,081**	**Total**	**$30,600**	**$61,918**	**$63,775**	**$65,688**	**$67,659**

For the high estimate, it is proposed that it will take a full time position at a program manager level to develop the database, contact the laboratories and entities that will become subject to this legislation, create the internal policies for this registry and to fully develop a secure database (as prescribed by the legislation). For the purpose of fiscal analysis, a full time pay grade 72 position has been used. The 5% of a manager's time is consistent with the low estimate.

It is estimated that 50 – 75 laboratories and entities will be reporting. Language in the Proposed Committee Substitute has broadened the definition of those required to report; therefore, this range may be low. Estimates for the amount to be collected from laboratories/persons for noncompliance are unavailable at this time. In addition, the Department will utilize a computer and software for the registry which it has available. The fiscal analysis includes office supplies and postage for the first fiscal year at $500 and subsequent years at $1000 in addition to the staffing needs.



The legislation is effective January 1, 2002; therefore, the first year of the fiscal analysis is based on six months of operation and the additional years include 12 months. The calculations are based on a 3% inflationary increase.

The Department has indicated they can absorb these program expenses within existing budget.

Federal Oversight of Inventories Lax

By Joby Warrick and Steve Fainaru
Washington Post Staff Writers

Several weeks after the start of the nation's worst biological attack, the federal government has no central inventory of dangerous disease cultures maintained by academics and private labs. Bacteria and viruses are commonly exchanged in informal arrangements. And researchers aren't required to track their stocks or report losses or thefts.

These lax controls make the nation's universities, health agencies and laboratories easy targets for would-be biological terrorists. A 1999 bill that would have closed many of these gaps was supported both by the Clinton administration and many congressional

Republicans. But the legislation died amid strong opposition from universities.

"The minimal federal controls in this area would come as quite a surprise to most Americans," former representative Tom Bliley (R-Va.) told a House committee two years ago when it considered toughening the law.

"We permit anyone in this country -- including felons, foreign nationals from sensitive countries and members of extremist groups -- to lawfully possess even the most deadly biological agents, including anthrax, the plague and the ebola virus. They don't even have to notify or register with any federal agency or gain government approval to get them."

It is not yet known whether the anthrax spores unleashed on Washington, New York and Florida since Sept. 11 originated in the United States or abroad. Also unclear is whether the finely milled, apparently sophisticated form of the bacteria was created in a military weapons lab or by a scientist working for terrorists or alone.

Bush administration officials on Friday said any number of trained scientists could have produced the powdery spores that contaminated the office of Senate Majority Leader Thomas A. Daschle (D-S.D.). White House spokesman Ari Fleischer said the analysis of the material "indicates that it could have been produced by a PhD microbiologist [and] that it could be derived at a small, well-equipped microbiology lab."

Such a renegade scientist would not have had to travel far for the microbes themselves, thanks to procedures and practices that make acquiring dangerous pathogens an elementary affair.

The World Federation for Culture Collections, a global registry of microbe and tissue cultures, lists 46 suppliers worldwide of the virulent strain of *Bacillus anthracis*, the bacterium that causes anthrax. Within the United States the number of labs with anthrax cultures is believed to number in the hundreds, spread across universities, private labs, hospitals, veterinary clinics and public health agencies. The exact figure is not known because the government does not keep an inventory.

"If you already have it, you don't have to register it," said Michael Allswede, associate professor of emergency medicine at the University of Pittsburgh.

Before 1997, there were few controls on even the most dangerous microbes. Numerous U.S. labs sold seed stock for anthrax and other potential "biological agents" to countries now on America's list of states that sponsor terrorism -- with the full knowledge and backing of the U.S. government.

Then, ordering microbes often was as simple as filling out a form, said Mary Gilchrist, president of the Association of Public Health Laboratories and a lab director at the University of Iowa.

"Basically, you had to have a convincing letterhead, know what the agent might look like and know how to spell the name of the organism," Gilchrist said.

Congress tightened the rules in 1996 after Ohio State University student Larry Wayne Harris used a fake letterhead to obtain three vials of the bacterium that causes plague. Harris, who was allegedly affiliated with a white supremacist group, was carrying the vials in his car when he was arrested on mail-fraud charges.

Under the 1996 Anti-Terrorism Act, anyone intending to send or receive the most dangerous microbes is required to register with the federal Centers for Disease Control and Prevention and to demonstrate a legitimate scientific or medical use for the material. But the law left enormous gaps, according to terrorism experts and many public health officials.

The law stopped short of criminalizing the possession of dangerous pathogens by non-scientists -- something federal law enforcement officials had favored. It did little to prod

university labs and hospitals into improving inventory controls or bolstering security, which experts describe as informal at best.

It also failed to address a form of off-the-books trading of lab specimens that is common among researchers -- a practice that accounts for at least some of the movement of pathogen cultures between the United States and other countries.

"It's the old game of 'I pat your back, you pat mine': They work out a deal to exchange," said Dorothy Preslar, who formerly headed the Biological Weapons Verification Project for the American Federation of Scientists. Preslar said she has observed foreign scientists bringing microbe samples -- including anthrax -- into the United States for meetings.

"That may not seem to pose a danger, but it leaves the door open for people to bring in material that shouldn't be here," she said.

Some exchanges are as simple as stashing a petri dish into a lab-coat pocket before jetting off to a conference, Gilchrist said.

"As a young researcher, you can work with the organism and then walk out with it," Gilchrist said. "And within a short period of time, you could have a billion or 10 billion or 20 billion organisms. It's not like a gold brick, where if you cut the brick in half, you only have half. You can give somebody a drop, and by the next day, they have all they need."

Mass producing the organism requires nothing more than a test tube and a warm "broth" in which it can be cultured. Enormous technical obstacles must be overcome in transforming bacteria into a weapon capable of killing large numbers of people. But an aspiring terrorist would find plenty of clues in books and documents available in U.S. libraries and on the Internet, bioterrorism experts say.

"For someone who is committed to doing this, there is public information out there," said Michael Moodie, a former U.S. arms control official who heads the Chemical and Biological Arms Institute. "Maybe not cookbooks or specific recipes, but information that points specifically to the kinds of barriers that need to be overcome."

The legislation proposed by the Clinton administration as

part of 1999's "21st Century Crime Bill" would have outlawed the possession of microbes used in biological weapons, with an exception for legitimate scientific research. The proposal, strongly backed by federal law enforcement agencies, also would have tightened inventory controls while requiring background checks for some lab workers.

Opponents, however, argued that the additional measures would hamper legitimate research and might even impede the development of new cures for diseases. "The real reason that scientists work with these agents are . . . to identify and protect us from epidemics," said Rep. Bart Stupak (D-Mich.) at a 1999 House committee hearing. "This is a great -- and a more certain -- threat than bioterrorism has ever been."

The bill was stridently attacked by university lobbyists who said it would severely restrict academic freedom. It lost momentum and was never brought up for a vote.

Since the Sept. 11 attacks, several universities and government agencies around the globe have begun tightening security. For example, the U.S. Department of Agriculture this month launched a snap investigation of all veterinary labs that produce livestock vaccines, to determine which ones possessed anthrax spores.

"Because of the heightened security, we felt it was important to check all of them out," said Hallie Pickhardt, spokesman for the agency's Animal and Plant Health Inspection Service.

There has been some speculation that the anthrax spores used in the attacks could have been stolen from the U.S. military, but that possibility remains unclear. In 1969, President Richard M. Nixon ordered the dismantling of the U.S. offensive biological weapons program, which included stockpiles of deadly pathogens kept at the Pine Bluff Arsenal in Arkansas and a storage facility at Dugway, Utah.

The program included 220 pounds of anthrax spores, according to declassified documents obtained by the National Security Archives. But Matthew S. Meselson, a Harvard biologist who helped influence Nixon's decision, said in later years the U.S. government had shifted its focus from anthrax to tularemia, in part because of Project Whitecoat, in which Seventh-day Adventist civilians volunteered as human guinea pigs to help the government calibrate the correct infectious dosage. Unlike anthrax, tularemia was easily

treatable after symptoms appeared.

The United States possessed 804 pounds of the bacteria that causes tularemia, also known as rabbit fever, and an array of lethal and incapacitating bacteria, including 5,098 gallons of the microbes that lead to Q fever and 4,991 gallons of Venezuelan equine encephalomyelitis virus, a relative of yellow fever. The United States also maintained 160,549 pounds of anti-crop biological agents and even small quantities of shellfish poison and snake venom.

In part because of pressure surrounding the Vietnam War, Nixon unilaterally renounced and dismantled the program. "I remember his exact words: 'Mankind already holds in its hands too many seeds of its own destruction,' " Meselson said. "I think it was one of the greatest things he ever did. If we were still doing this, dozens of nations would be doing this also."

The stockpiles were autoclaved, then incinerated, Meselson said. But Nixon's edict allowed for "research into offensive aspects of bacteriological/biological agents necessary to determine what defensive measures are required," raising the possibility that secret weaponized stocks were maintained. A 1972 treaty banning biological weapons allowed nations to keep small quantities for defensive research purposes, and 100 grams of anthrax, along with other potentially lethal agents, were later discovered at a CIA building. The United States also maintained "seed stocks" from which new batches of anthrax could be made.

"I don't know what they've got," said William C. Patrick, who worked in the U.S. biological weapons program at Fort Detrick. "But really all you need are the seed stocks."

Would tougher controls have thwarted terrorists bent on obtaining the ingredients of a biological assault? In the case of anthrax, perhaps not. There are many places around the world to get anthrax, scientists say. It is also a relatively simple matter to create a new culture from animals or even soil in a country where anthrax is common.

"I'll give you the Iowa quote: The barn is open, and the cows are out," Gilchrist said. "They're out. If you close the door, it's too late."

A BILL TO BE ENTITLED

AN ACT TO CLARIFY THAT THE RECENT ESTABLISHMENT OF A ROLLING UPSET BID PROCEDURE FOR JUDICIAL AND EXECUTION SALES DID NOT AFFECT THE REQUIREMENT THAT SALES BE CONFIRMED BY THE APPROPRIATE JUDICIAL OFFICIAL, AS RECOMMENDED BY THE GENERAL STATUTES COMMISSION.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 1-339.25(a) reads as rewritten:

"(a) An upset bid is an advanced, increased, or raised bid in a public sale by auction whereby a person offers to purchase real property theretofore sold for an amount exceeding the reported sale price or the last upset bid by a minimum of five percent (5%) thereof, but in any event with a minimum increase of seven hundred fifty dollars ($750.00). Subject to the provisions of subsection (b) of this section, an upset bid shall be made by delivering to the clerk of superior court, with whom the report of the sale or the last notice of upset bid was filed, a deposit in cash or by certified check or cashier's check satisfactory to the clerk in an amount greater than or equal to five percent (5%) of the amount of the upset bid but in no event less than seven hundred fifty dollars ($750.00). The deposit required by this section shall be filed with the clerk of the superior court with whom the report of sale or the last notice of upset bid was filed, by the close of normal business hours on the tenth day after the filing of the report of sale or the last notice of upset bid, and if the tenth day falls upon a Sunday or legal holiday or upon a day in which the office of the clerk is not open for the regular dispatch of its business, the deposit may be made and the notice of upset bid may be filed on the day following when the office is open for the regular dispatch of its business. Except as provided in G.S. 1-339.27A and G.S. 1-339.30, there shall be no resales; however, there may be successive upset bids, each of which shall be followed by a period of 10 days for a further upset bid. If a timely motion for resale is filed under G.S. 1-339.27A, no upset bids may be filed while the motion is pending. ~~If an upset bid or a motion for~~

~~resale under G.S. 1-339.27A is not filed within 10 days following a sale, resale, or prior upset bid, the rights of the parties to the sale or resale become fixed.~~"

SECTION 2. G.S. 1-339.64(a) reads as rewritten:

"(a) An upset bid is an advanced, increased, or raised bid whereby a person offers to purchase real property theretofore sold for an amount exceeding the reported sale price or last upset bid by a minimum of five percent (5%) thereof, but in any event with a minimum increase of seven hundred fifty dollars ($750.00). Subject to the provisions of subsection (b) of this section, an upset bid shall be made by delivering to the clerk of superior court, with whom the report of sale or the last notice of upset bid was filed, a deposit in cash or by certified check or cashier's check satisfactory to the clerk in an amount greater than or equal to five percent (5%) of the amount of the upset bid but in no event less than seven hundred fifty dollars ($750.00). Except as provided in G.S. 1-339.66A and G.S. 1-339.69, there shall be no resales; however, there may be successive upset bids, each of which shall be followed by a period of 10 days for a further upset bid. If a timely motion for resale is filed under G.S. 1-339.66A, no upset bids may be filed while the motion is pending. ~~If an upset bid or a motion for resale under G.S. 1-339.66A is not filed within 10 days following a sale, resale, or prior upset bid, the rights of the parties to the sale or resale become fixed.~~"

MEMORANDUM

TO: House Judiciary II Committee

FROM: General Statutes Commission

DATE: June 7, 2002

RE: HB 1513 (Judicial and Execution Sales Clarification)

G.S. 1-339.25 and G.S. 1-339.64 authorize a rolling upset bid procedure for judicial sales and execution sales of real property that is similar to the procedure authorized for foreclosure sales under a deed of trust. Under the rolling upset bid procedure, the submission of an upset bid does not require a subsequent resale of the property but only requires the filing of a notice of upset bid and the required deposit with the clerk of superior court. Upon submission of the upset bid, the clerk is required to notify the person holding the sale who is then required to mail a written notice of upset bid to the last prior bidder and the owners of the property. The upset bid is followed by a period of 10 days to allow for the submission of a subsequent upset bid.

HB 1513 amends G.S. 1-339.25 and G.S. 1-339.64 to delete language referring to the rights of the parties as "fixed" if an upset bid or motion for resale is not filed within 10 days following a sale, resale, or prior upset bid. This language was derived from the comparable provision in the foreclosure sales statutes; however, when the provision was added to the foreclosure sales statutes the requirement that the sale be confirmed was repealed. The confirmation requirement was intentionally retained for judicial sales and execution sales of real property. The purpose of the amendments in HB 1513 is to clarify that authorization of the rolling upset procedure for judicial sales and execution sales of real property does not affect the necessity that such sales be confirmed by the appropriate judicial official under G.S. 1-339.28 and G.S. 1-339.67.

MEMORANDUM

TO: House Judiciary II Committee

FROM: General Statutes Commission

DATE: June 7, 2002

RE: HB 1504 (Repeal Obsolete Attestation Requirement)

G.S. 47-42(a) provides that "[i]n all forms of proof and certificates for deeds and conveyances executed by banking corporations, either the secretary or the cashier of said banking corporation shall attest such instruments." This attestation requirement has become obsolete because G.S. 47-18.3(a) (dealing with the execution of corporate instruments generally) was amended in 1999 to eliminate the attestation requirement for corporate instruments. Prior to October 1, 1999, G.S. 47-18.3(a) established a presumption in favor of third persons that a corporate instrument was executed pursuant to authorization from the board of directors if the instrument was executed by one of several specified corporate officers "and attested or countersigned by another person who is [the corporation's] secretary or an assistant secretary, (or, in the case of a bank, its secretary, assistant secretary, cashier, or assistant cashier)." At the request of the North Carolina Bankers Association, the General Statutes Commission recommends the repeal of the attestation requirement in G.S. 47-42(a).

Therefore, HB 1504 amends G.S. 47-42 to repeal the attestation requirement for deeds and conveyances executed by banking corporations. The bill also validates all deeds and conveyances executed by banking corporations in compliance with G.S. 47-18.3 on or after October 1, 1999.

DATE: June 7, 2002

RE: HB 1503 (Special Meeting of Shareholders)

General Comments

The proposed committee substitute for HB 1503 (Special Meeting of Shareholders) (i) amends G.S. 55-7-02(a) on special meetings of a corporation's shareholders as described below, (ii) moves a notice provision from G.S. 55-13-22 to G.S. 55-13-20 and conforms it to a similar existing provision, (iii) amends G.S. 59-35.1 to reflect the fact that business entities other than partnerships can now file documents under the North Carolina Uniform Partnership Act, and (iv) fixes a potential problem faced by limited liability partnerships when one partner leaves or dies.

Specific Comments

Section 1. Before June 14, 2001, G.S. 55-7-02(a) required a corporation to hold a special meeting of shareholders on call (1) by the board of directors, (2) by the person or persons authorized to do so by the articles of incorporation or the bylaws, or (3) in the case of a nonpublic corporation, by the holders of at least 10% of the votes entitled to be cast at the meeting (which had to be held within 30 days after the demand). The shareholders of a public corporation had this right only if authorized by the articles of incorporation or bylaws.

Effective June 14, 2001, S.L. 2001-201 amended G.S. 55-7-02(a)(1) to require a public corporation to hold a special meeting on call only by the board of directors or by one or more officers of the corporation (rather than the person or persons) authorized to do so by the articles of incorporation or the bylaws. In addition, G.S. 55-7-02(a)(2) was amended to allow the shareholders of a public corporation to call a special meeting only if authorized to do so by the articles of incorporation (the reference to bylaws was deleted).

Section 1 replaces the excepting clause at the end of G.S. 55-7-02(a)(2) with a clause at the beginning of the subdivision that states merely that the subdivision is applicable only to a nonpublic corporation. It then puts G.S. 55-7-02(a)(1) back to where it was before last year's amendment. The result is that G.S. 55-7-02(a)(1) will self-sufficiently and independently say that any corporation, public or nonpublic, can confer any rights it wishes to call a special meeting of shareholders; and G.S. 55-7-02(a)(2) will likewise self-sufficiently and independently give the 10% holders of voting shares in a nonpublic corporation an absolute statutory right to require a special meeting to be held within 30 days after demand. As a result, Section 1 simplifies and clarifies the intent of G.S. 55-7-02(a) as a whole.

Section 1 also amends G.S. 55-7-02(a)(2) to put a time limit on the effective life of a written demand by a shareholder for a special meeting by requiring demands representing the necessary percentage of votes to be received within a 60-day period.

Sections 2 and 3. S.L. 2001-387 amended G.S. 55-7-04 to permit shareholder action without a meeting by majority consent (prior law required unanimous consent). That act also made a conforming amendment to G.S. 55-13-22 to require a corporation to send a dissenters' notice to nonconsenting shareholders if corporate action giving rise to dissenters' rights is approved in this manner; however, this amendment did not also require that the corporation notify these shareholders that the corporate action has occurred. In comparison, G.S. 55-13-20 requires a corporation to send a notice of corporate action and a dissenter's notice to shareholders where corporate action giving rise to dissenters' rights is taken without shareholder approval—as is the case in a short-form merger under G.S. 55-11-04. Sections 2 and 3 amend G.S. 55-13-20 and G.S. 55-13-22, respectively, by moving the requirement that a corporation send a dissenters' notice to nonconsenting shareholders from G.S. 55-13-22 to G.S. 55-13-20 and adding a requirement that these shareholders also be sent a notice that the corporate action has been taken, thus essentially conforming the notice requirement in the case of action without a meeting by majority consent with the law under G.S. 55-13-20 for action without shareholder approval.

Section 4. Section 4 amends G.S. 59-35.1(b) to require that any document submitted by a general partnership to the Secretary of State's office under any of the business entity acts must be signed by a general partner. The amendment also removes any implication that documents submitted under the North Carolina Uniform Partnership Act by an entity other than a general partnership must be signed by a general partner.

Section 5. The withdrawal or death of a partner dissolves a general partnership. It is common for the remaining partners to continue the partnership's business under the same name, although technically they have a new partnership. Existing statutory law does not explicitly address whether registration as a limited liability partnership (LLP) continues in this situation. Section 5 adds new G.S. 59-84.2(k) to provide explicitly that (i) the new partnership succeeds to the registration and (ii) the old partnership also is considered covered by the registration until it is cancelled or revoked.

Section 6. Section 1 is effective on becoming law, Sections 2 through 4, on the effective date of S.L. 2001-387, and Section 5, on the effective date of the act originally authorizing LLPs.

MEMORANDUM

TO: House Judiciary II Committee

FROM: General Statutes Commission

DATE: June 7, 2002

RE: HB 1505 (Member Approval of Bylaw Amendment)

The North Carolina Nonprofit Corporation Act currently imposes a greater voting requirement for member approval of amendments to the bylaws than it does for member approval of amendments to the articles of incorporation. Specifically, G.S. 55A-10-21(a)(2) requires amendments to the bylaws to be approved "by a majority of the votes entitled to be cast on the amendment," whereas G.S. 55A-10-03(a)(2) requires amendments to the articles of incorporation to be approved "by two-thirds of the votes cast or a majority of the votes entitled to be cast on the amendment, whichever is less."

Prior to October 1, 1995, both statutes required approval by a majority of the votes entitled to be cast on the amendment. However, in 1995 the voting requirement for member approval of amendments to the articles of incorporation was conformed to the voting requirement for member approval of other fundamental corporate changes, e.g., mergers and sales of assets other than in the regular course of activities. It is believed that the failure at that time to conform the voting requirement for member approval of amendments to the bylaws was inadvertent.

The General Statutes Commission believes the statutory voting requirement for member approval of amendments to the bylaws should not be greater than the statutory voting requirement for member approval of amendments to the articles of incorporation. Therefore, HB 1505 amends G.S. 55A-10-21(a)(2) to require amendments to the bylaws to be approved "by two-thirds of the votes cast or a majority of the votes entitled to be cast on the amendment, whichever is less." This is the same voting requirement for member approval of amendments to the articles of incorporation. Please note, however, that the articles of incorporation or the bylaws can impose greater voting requirements.

HOUSE BILL 1512*

Short Title:	Amend Condominium and Planned Community Acts.	(Public)

A BILL TO BE ENTITLED

AN ACT TO EXPAND THE LIST OF SECTIONS OF THE NORTH CAROLINA CONDOMINIUM ACT THAT APPLY TO CONDOMINIUMS CREATED ON OR BEFORE OCTOBER 1, 1986, AND TO CODIFY AN APPLICABILITY PROVISION RELATING TO THE NORTH CAROLINA PLANNED COMMUNITY ACT, AS RECOMMENDED BY THE GENERAL STATUTES COMMISSION.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 47C-1-102(a) reads as rewritten:

"(a) This ~~chapter~~ Chapter applies to all condominiums created within this State after October 1, 1986. ~~Sections~~ G.S. 47C-1-105 (Separate Titles and Taxation), 47C-1-106 (Applicability of Local Ordinances, Regulations, and Building Codes), 47C-1-107 (Eminent Domain), 47C-2-103 (Construction and Validity of Declaration and Bylaws), 47C-2-104 (Description of Units), 47C-2-121 (Merger or Consolidation of Condominiums), 47C-3-102(a)(1) through (6) and (11) through (16) (Powers of Unit Owners' Association), 47C-3-107A (Charges for Late Payment, Fines), 47C-3-111 (Tort and Contract Liability), 47C-3-112 (Conveyance or Encumbrance of Common Elements), 47C-3-116 (Lien for Assessments), 47C-3-118 (Association Records), and 47C-4-117 (Effect of Violation on Rights of Action; Attorney's Fees), and G.S. 47C-1-103 (Definitions), to the extent necessary in construing any of those sections, apply to all condominiums created in this State on or before October 1, 1986; but those sections apply only with respect to events and circumstances occurring after October 1, ~~1986~~ 1986, and do not invalidate existing provisions of the declarations, bylaws, or plats or plans of those condominiums."

SECTION 2. G.S. 47F-1-102 reads as rewritten:

"**§ 47F-1-102. Applicability.**

(a) This Chapter applies to all planned communities ~~within this State except as provided in subsection (b) of this section.~~created within this State on or after January 1, 1999, except as otherwise provided in this section.

(b) This Chapter does not apply to a planned community created within this ~~State:~~State on or after January 1, 1999:

(1) Which contains no more than 20 lots (including all lots which may be added or created by the exercise of development rights) unless the declaration provides or is amended to provide that this Chapter does apply to that planned community; or

(2) In which all lots are restricted exclusively to nonresidential purposes, unless the declaration provides or is amended to provide that this Chapter does apply to that planned community.

(c) ~~This Chapter does not apply to planned communities or lots located outside this State.~~Notwithstanding the provisions of subsection (a) of this section, G.S. 47F-3-102(1) through (6) and (11) through (17) (Powers of owners' association), G.S. 47F-3-107(a), (b), and (c) (Upkeep of planned community; responsibility and assessments for damages), G.S. 47F-3-115 (Assessments for common expenses), and G.S. 47F-3-116 (Lien for assessments), apply to all planned communities created in this State before January 1, 1999. G.S. 47F-1-103 (Definitions) also applies to all planned communities created in this State before January 1, 1999, to the extent necessary in construing any of the preceding sections.

(d) ~~Any~~ Notwithstanding the provisions of subsections (a) and (c) of this section, any planned community created prior to ~~the effective date of this Chapter~~ January 1, 1999, may elect to make the provisions of this Chapter applicable to it by amending its declaration to provide that this Chapter shall apply to that planned community. The amendment may be made by affirmative vote or written agreement signed by lot owners of lots to which at least sixty-seven percent (67%) ~~percent~~ of the votes in the association are allocated or any smaller majority the declaration specifies. To the extent the procedures and requirements for amendment in the declaration conflict with the provisions of this subsection, this subsection shall control with respect to any amendment to provide that this Chapter applies to that planned community.

(e) This Chapter does not apply to planned communities or lots located outside this State."

SECTION 3. Section 3 of S.L. 1998-199 reads as rewritten:

"Section 3. This act becomes effective January 1, ~~1999, and applies to planned communities created on or after that date. G.S. 47E-3-102(1) through (6) and (11) through (17), G.S. 47E-3-107(a),(b), and (c), G.S. 47E-3-115, and G.S. 47E-3-116 as enacted by Section 1 of this act apply to planned communities created prior to the effective date, except that the provisions of G.S. 47E-3-116(e) as enacted by Section 1 of this act, apply to actions arising on or after the effective date.~~1999."

RE: HB 1512 (Amend Condominium and Planned Community Acts)

HB 1512 amends G.S. 47C-1-102(a) to add G.S. 47C-2-121, which authorizes the merger or consolidation of condominiums, to the list of sections of the North Carolina Condominium Act that apply to condominiums created on or before October 1, 1986. The amendment is necessitated by the lack of a merger or consolidation statute applicable to condominiums created on or before October 1, 1986. Please note that the merger or consolidation agreement must be approved by the same vote of the unit owners of each condominium that is necessary to terminate that condominium.

The bill also amends G.S. 47F-1-102 to codify an applicability provision that was enacted when the North Carolina Planned Community Act was enacted in 1998 and to conform the section to the style of G.S. 47C-1-102, the comparable section in the North Carolina Condominium Act. Many of the provisions of the North Carolina Planned Community Act were adapted from the North Carolina Condominium Act.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 28A-22-9 reads as rewritten:

"**§ 28A-22-9. Distribution to known but unlocated devisees or heirs.**

(a) If there are known but unlocated devisees or heirs, the personal representative may deliver the share of such devisee or heir to the clerk of superior court immediately prior to filing of the final account. DATE: June 7, 2002

RE: HB 1538 (Distribution to Unlocated Devisees)

G.S. 28A-22-9 allows a personal representative to deliver the share of a known but unlocated devisee or heir to the clerk of superior court immediately prior to the filing of the final account. If the share is not claimed within five years after the filing of the final account, the clerk must deliver the share to the State Treasurer as abandoned property under the North Carolina Unclaimed Property Act.

G.S. 28A-22-9 was enacted at the same time that Chapter 116B of the General Statutes was amended to provide a five-year abandonment period for property held for the owner by a court. On January 1, 2000, the five-year abandonment period for property held by a court was reduced to one year. However, no conforming change was made to G.S. 28A-22-9.

HB 1538 amends G.S. 28A-22-9 to reduce the five-year period to one year to conform to the one-year abandonment period under the North Carolina Unclaimed Property Act. The bill also updates the statutory cross reference to the section of the Act which allows a person to file a claim for property paid or delivered to the State Treasurer. Please note that there is no time limit on filing these claims.

MEMORANDUM

TO: House Judiciary II Committee

FROM: General Statutes Commission

DATE: June 7, 2002

RE: HB 1539 (Repeal Obsolete Banking Law)

G.S. 53-62(d1) allows banks to establish a customer-bank communications terminal, point-of-sale terminal, automated teller machine, automated banking facility or other direct or remote information-processing device or machine off the premises of any principal office, branch or limited service facility. However, the statute expressly prohibits the establishment of such devices or machines by banks, savings and loan associations, savings banks, credit unions, or other financial institutions that are not "domiciled in North Carolina."

At the request of the North Carolina Commissioner of Banks and the North Carolina Bankers Association, the General Statutes Commission recommends that this prohibition be repealed. The prohibition is believed to be obsolete and arguably unconstitutional, because the Commission is informed that foreign federally-chartered financial institutions as well as foreign and domestic nonbank entities can establish such devices or machines in this State. Foreign federally-chartered financial institutions can establish them because of federal preemption, and foreign and domestic nonbank entities are not prohibited from establishing them.

Therefore, HB 1539 amends G.S. 53-62(d1) to repeal the prohibition on the establishment of automated teller machines or other information-processing devices or machines by out-of-state financial institutions. The bill also makes a technical amendment by changing "subsections (b) and (c) above" to "subsections (b) and (c) of this section."

Rep. Edwards was recognized to explain HB 1508, A BILL TO BE ENTITLED AN ACT TO PROMOTE READINESS FOR AND TO IMPROVE MANAGEMENT OF A PUBLIC HEALTH THREAT THAT MAY RESULT FROM AN ACT OF TERRORISM USING NUCLEAR, BIOLOGICAL, OR CHEMICAL AGENTS AS RECOMMENDED BY THE NORTH CAROLINA PUBLIC HEALTH STUDY COMMISSION. Upon the motion by Rep. Hall, the PCS was adopted for discussion. Rep. Edwards turned the floor over to Dr. Leah Devlin, State Health Director. Dr. Devlin explained the basis of the bill and what projects had been done to this point in relation to bioterrorism. She noted that this bill came out of the Public Health Study Commission and was the final piece of legislation to help prevent the impact of bioterrorism in North Carolina. She recognized and thanked those people who had helped bring the bill to its current form. Dr. Devlin conducted an overview of what the bill does, what it amends and its specificity to bioterrorism events.

Rep. Baddour asked the committee to hold all detailed questions until the bill presentation was complete. In response to Rep. Miller's question of state and federal overlap, Dr. Devlin stated North Carolina works in partnership with the federal government where the federal government acts as consultants but it is up to the state to identify specific problems.

Dr. Devlin responded to Rep. Pope's questions of search and seizure authority and the judicial protection for victims.

Rep. Baddour introduced Chris Hoke, attorney with the Division of Public Health, who explained the bill section by section. Mr. Hoke answered Rep. Bowie's question by stating that under current law, the State Health Director is required to report all communicable diseases. Mr. Hoke additionally addressed Rep. Pope's earlier question of search and seizure authority and victims rights by noting that bill drafters looked closely at the constitutionality of this issue and they believe the power of the State Health Director would be upheld. Rep. Pope asked about time limits in which the State Health Director could maintain quarantine before going before the

judiciary. Mr. Hoke said that this provision was modeled after the temporary restraining order language and directed members to section 5.

In response to Rep. Miller's question as to the definition of reasonable suspicion, Dr. Devlin and Mr. Hoke spoke to the difficulty in devising a law with broad powers but narrow jurisdiction that covers any event that may happen and stated that the term was not defined. Rep. Miller followed up by stating if there was no definition, then he would like to see another person in the path of the authority to determine what is reasonable.

Rep. Bowie affirmed she was impressed by the bill but asked that the committee go through it line by line. Rep. Baddour reminded the committee that they would be taken through the bill section by section.

Rep. Justus expressed his opinion that the first people involved in this type of situation should be emergency management personnel and spoke on the notification from the State Health Director to emergency management. Mr. Hoke highlighted the joint effort between the two organizations and directed members to section 1 (b). Reps. Baddour and Justus and Mr. Hoke discussed who ultimately would be in charge during an emergency.

Rep. Culpepper commented that the concerns raised by Reps. Pope and Miller were good and suggested the same time limit as used to limit access to a place (10–days) be used for quarantine. Rep. Baddour noted that staff was drafting an amendment.

Reps. Haire and Baddour and Mr. Hoke discussed the need to tighten up language dealing with necessary immediate action.

Rep. Pope referred to the need for safeguards and limitation in section 4. Robin Johnson, Committee Counsel, stated the quarantine authority is in existing law with the second sentence being the only difference.

The meeting adjourned at 10:50 a.m. to reconvene at 12:00 noon.

The House Committee on Judiciary II reconvened on Tuesday, July 2, 2002 in room 1425 LB at 12:00 noon. The following members were present: Rep. Baddour, Chair and Reps. Bowie, Hall, Jeffus, Justus, Miller, Pope, Sherrill, Weiss and Willingham. Staff including Tracy Dixon, Jeff Hudson and Robin Johnson were additionally in attendance.

Rep. Baddour called the meeting to order and recognized the following pages: Ricky Bennett of Wake County (Rep. Capps), Ken Powell of Wake County (Rep. Ellis) and Stuart Ramsey of Durham County (Rep. Allen).

Rep. Baddour asked Dr. Devlin to make a few more introductory remarks. Dr. Devlin made three points: firstly, the Division of Public Health was created to control communicable disease. Secondly, this bill provides the legal basis for an investigation and thirdly, if anthrax had been detected, the governor would have been asked to invoke his emergency powers.

Rep. Baddour reiterated that the bill amends the communicable disease statutes to give the state the ability to deal with bioterrorism events: bioterrorism is just one piece under the communicable disease statutes.

Reps. Sherrill, Baddour, Pope and Justus and Dr. Devlin discussed implications of time limits within the bill. Rep. Baddour reminded the committee that no vote would be taken on the bill today; he was just allowing members to air their concerns.

Mr. Hoke explained sections 3,4 and 5 of the bill. Dr. David Marshall, state veterinarian, responded to Rep. Sherrill's question of who was in charge during an emergency by stating that there was some overlay in authority. He referred to a bill on foot and mouth disease that was passed last session but noted it was not prudent to compare the two. Dr. Marshall stated he would work together with the public health director in support of the bill. Rep. Baddour commented that the governor had ultimate authority of Emergency Management and that all personnel work for the governor. Reps. Sherrill, Justus and Baddour, Dr. Devlin and Mr. Hoke continued to discuss the need for clarity as to who would be in charge during an emergency.

In response to Rep. Bowie, Mr. Hoke stated the state health director would override the state veterinarian if an animal disease were deemed a threat to human health. Rep. Bowie suggested an amendment to create joint authority. Rep. Baddour stated he welcomed amendments but encouraged Rep. Bowie to consult with the Department of Agriculture staff.

Mr. Hoke explained section 7. In response to an inquiry by Rep. Miller, Mr. Hoke explained the origin of the language in section 7A lines 33–34.

Rep. Pope noted the possible difficulty in striking a balance with lawsuits in section 7A, line 26. Dick Taylor, N.C. Academy of Trial Lawyers, Mr. Hoke, Steve Keen and Rep. Sherrill discussed the statutes dealing with immunity.

Reps. Justus, Baddour & Pope spoke with Mr. Hoke about the may/shall wording in section 7A line 27. Following Mr. Hoke's explanation of the remainder of the PCS, Rep. Baddour announced a meeting on this bill might be called for tomorrow.

Copies of the PCS, original bill and bill summary are made part of these minutes.

The meeting adjourned at 1:00 p.m.

Records shall be identified as necessary by joint agreement of a Department physician and the patient's attending physician. However, if the Department is unable to contact the attending physician after reasonable attempts to do so, or if the Department determines that contacting all attending physicians of patients involved in an investigation would be impractical or would unreasonably delay the inquiry and thereby endanger the public health, the records shall be identified as necessary by joint agreement of a Department physician and the health care facility's chief of staff. For a facility with no chief of staff, the facility's chief administrator may consent to the Department's review of the records. "**§ 106-24.1. Confidentiality of information collected and published.**

All information published by the Department of Agriculture and Consumer Services pursuant to this Part shall be classified so as to prevent the identification of information received from individual farm operators. SECTION 12. G.S. 130A-152(b) is repealed.

SECTION 13. G.S. 143-518 reads as rewritten:

"**§ 143-518. Confidentiality of patient information.**

(a) Medical records compiled and maintained by the Department or EMS providers in connection with dispatch, response, treatment, or transport of individual patients or in connection with the statewide trauma system pursuant to Article 7 of Chapter 131E of the General Statutes may contain patient identifiable data which will allow linkage to other health care-based data systems for the purposes of quality management, peer review, and public health initiatives.

These medical records and data shall be strictly confidential and shall not be considered public records within the meaning of G.S. 132-1 and shall not be released or made public except under any of the following conditions:

(2) Release is made of all or part of the medical record with the written consent of the person or persons identified or their guardians.

(3) Release is made to health care personnel providing medical care to the patient.

(4) Release is made pursuant to a court order. Upon request of the person identified in the record, the record shall be reviewed in camera. (6) Release is made for use in a health research project under rules adopted by the North Carolina Medical Care Commission. The Commission shall adopt rules that allow release of information when an institutional review board, as defined by the Commission, has determined that the health research project:

b. Is impracticable without the use or disclosure of identifying health information;

c. Contains safeguards to protect the information from redisclosure;

d. Contains safeguards against identifying, directly or indirectly, any patient in any report of the research project; and

e. Contains procedures to remove or destroy at the earliest opportunity, consistent with the purposes of the project, information that would enable the patient to be identified, unless an institutional review board authorizes retention of identifying information for purposes of another research project.

(7) Release is made to a statewide data processor, as defined in Article 11A of Chapter 131E of the General Statutes, in which case the data is deemed to have been submitted as if it were required to have been submitted under that Article.

(8) Release is made pursuant to any other provisions of law.

(b) Charges, accounts, credit histories, and other personal financial records compiled and maintained by the Department or EMS providers in connection with the admission, treatment, and discharge of individual patients are strictly confidential and shall not be released."

SECTION 14. G.S. 166A-5(2) is amended by adding a new sub-subdivision to read:

"c1. To coordinate with the State Health Director to amend or revise the State Emergency Operations Plan regarding public health matters. At a minimum, the revisions to the Plan shall provide for the following:

7. The issuance of guidelines for prophylaxis and treatment of exposed and affected persons."

SECTION 15. G.S. 143-508(d)(11) reads as rewritten:

"(11) Establish standards and criteria for the education and credentialing of persons trained to administer lifesaving treatment to a person who suffers a severe adverse reaction to ~~insect stings.~~agents that might cause anaphylaxis."

(4) Limit the freedom of movement or action of a person or animal that is contaminated with, or reasonably suspected of being contaminated with, a chemical or nuclear agent that may be conveyed to other persons or animals, until the risk of conveyance is eliminated; and

(5) Limit access by any person or animal to an area or facility that is contaminated with, or reasonably suspected of being contaminated with, a chemical or nuclear agent that may be conveyed to other persons or animals.

(b) If the State Health Director determines that there exists a public health threat that may have been caused by an act of terrorism using nuclear, biological, or chemical agents, the State Health Director shall notify the Secretary of Crime Control and Public Safety.

(c) Nothing in this section shall limit any authority otherwise granted to local or State public health officials under this Chapter."

SECTION 2.(a) G.S. 130A-149, "Biological Agents Registry; Rules; Penalties," is recodified as G.S. 130A-476.

SECTION 2.(b) G.S. 130A-29(c)(10) reads as rewritten:

"(10) Pertaining to the biological agents registry in accordance with ~~G.S. 130A-149~~ G.S. 130A-476."

SECTION 3. G.S. 166A-5(2) is amended by adding a new sub-subdivision to read:

"c1. To coordinate with the State Health Director to amend or revise the State Emergency Operations Plan regarding public health matters. At a minimum, the revisions to the Plan shall provide for the following:

1. The epidemiologic investigation of a known or suspected threat caused by nuclear, biological, or chemical agents;
2. The examination and testing of persons and animals that may have been exposed to a nuclear, biological, or chemical agent;
3. The procurement and allocation of immunizing agents and prophylactic antibiotics;
4. The allocation of the National Pharmaceutical Stockpile;
5. The appropriate conditions for quarantine and isolation in order to prevent further transmission of disease;
6. Immunization procedures; and
7. The issuance of guidelines for prophylaxis and treatment of exposed and affected persons."

SECTION 4. G.S. 130A-133(4) reads as rewritten:

"(4) "Quarantine authority" means the authority to limit the freedom of movement or action of persons or animals which have been exposed to or are reasonably suspected of having been exposed to a communicable disease or communicable condition for a period of time as may be necessary to prevent the spread of that disease. Quarantine

authority also means the authority to limit access by any person or animal to an area or facility that may be contaminated with an infectious agent. The term also means the authority to limit the freedom of movement or action of persons who have not received immunizations against a communicable disease ~~listed in G.S. 130A-152~~ when the State Health Director or local health director determines that such immunizations are required to control an outbreak of that disease."

SECTION 5. G.S. 130A-145 reads as rewritten:

"**§ 130A-145. ~~Local health director has quarantine~~ Quarantine and isolation authority.**

(a) The State Health Director and a~~A~~ local health director ~~and the State Health Director~~ are empowered to exercise quarantine and isolation authority. Quarantine and isolation authority shall be exercised only when and so long as the public health is endangered, all other reasonable means for correcting the problem have been exhausted, and no less restrictive alternative exists.

(b) No person other than a person authorized by the State Health Director or local health director shall enter quarantine or isolation premises. Nothing in this subsection shall be construed to restrict the access of authorized health care, law enforcement or emergency medical services personnel to quarantine or isolation premises as necessary in conducting their duties."

SECTION 6. G.S. 130A-20 reads as rewritten:

"**§ 130A-20. Abatement of an imminent hazard.**

(a) If the Secretary or a local health director determines that an imminent hazard exists, the Secretary or a local health director may order the owner, lessee, operator or other person in control of the property to abate the imminent hazard or may, after notice to or reasonable attempt to notify the owner, lessee, operator, or other person in control of the property enter upon any property and take any action necessary to abate the imminent hazard. If the Secretary or a local health director abates the imminent hazard, the ~~The~~ Department or the local health department shall have a lien on the property for the cost of the abatement of the imminent hazard in the nature of a mechanic's and materialmen's lien as provided in ~~Chapter 44A~~ Chapter 44A of the General Statutes, and the lien may be enforced as provided ~~therein.~~ in that Chapter. The lien may be defeated by a showing that an imminent hazard did not exist at the time the Secretary or the local health director took the action.

(b) The Secretary of Environment and Natural Resources and a local health director shall have the same rights enumerated in subsection (a) of this section to enforce the provisions of Articles 8, 9, 10, 11, and 12 of this Chapter."

SECTION 7. Article 1 of Chapter 130A of the General Statutes is amended by adding a new section to read:

"**§ 130A-12.1. Access to health information.**

(a) Notwithstanding any other provision of law, a health care provider or a unit of State or local government may report to the State Health Director or a local health director any events that may indicate the existence of a communicable disease or

condition, or a case or outbreak of an illness or condition that may have been caused by use of a nuclear, biological, or chemical weapon of mass destruction as defined in G.S. 14-288.21(c). Events that may be reported include unusual types or numbers of symptoms or illnesses presented to the provider, unusual trends in health care visits, or unusual trends in prescriptions or purchases of over-the-counter pharmaceuticals. A person disclosing or not disclosing information pursuant to this subsection is immune from any civil or criminal liability that might otherwise be incurred or imposed based on the disclosure or lack of disclosure provided that the health care provider was acting in good faith and without malice. In any proceeding involving liability, good faith and lack of malice are presumed.

(b) The State Health Director may issue a temporary order requiring health care providers to report symptoms, diseases, conditions, trends in use of health care services, or other health-related information when necessary to conduct public health investigations or surveillance of diseases or health hazards that may have been caused by use of a nuclear, biological, or chemical weapon of mass destruction as defined in G.S. 14-288.21(c) or that may indicate the existence of a communicable disease or condition. The order shall specify which health care providers must report, what information is to be reported, and the period of time for which reporting is required. The period of time for which reporting is required pursuant to a temporary order shall not exceed 90 days. The rule-making provisions of Chapter 150B of the General Statutes shall not apply to the State Health Director's temporary order. The Commission may adopt temporary or permanent rules to continue the reporting requirement when necessary to protect the public health.

(c) The State Health Director and a local health director may examine, review, and obtain a copy of records containing confidential or protected health information, or a summary of pertinent portions of those records, that:

(1) Pertain to a report authorized by subsection (a) or required by subsection (b) of this section;

(2) Pertain to the diagnosis, treatment, or prevention of a communicable disease or communicable condition, as defined in Article 6 of this Chapter, for a person infected, exposed, or reasonably suspected of being infected or exposed to such a disease or condition; or

(3) The State Health Director determines is necessary for investigating a disease or health hazard that presents a clear danger to the public health.

(d) A person who makes a report pursuant to subsection (a) or (b) of this section or permits examination, review or copying of medical records pursuant to subsection (c) is immune from any civil or criminal liability that otherwise might be incurred or imposed as a result of complying with those subsections.

(e) For purposes of this section, the term "health care provider" means a physician licensed to practice medicine in North Carolina or a person who is licensed, certified, or credentialed to practice or provide health care services, including, but not limited to, pharmacists, dentists, physician assistants, registered nurses, licensed practical nurses, chiropractors, and emergency medical technicians."

SECTION 8. G.S. 130A-5 reads as rewritten:

"**§ 130A-5. Duties of the Secretary.**

The Secretary shall have the authority:

(1) To enforce the State health laws and the rules of the Commission;

(2) To investigate the causes of epidemics and of infectious, communicable and other diseases affecting the public health in order to control and prevent these diseases; to provide, under the rules of the Commission, for the prevention, detection, reporting and control of communicable, infectious or any other diseases or health hazards considered harmful to the public health; ~~to obtain, notwithstanding the provisions of G.S. 8-53, a copy or a summary of pertinent portions of privileged patient medical records deemed necessary for investigating a disease or health hazard that may present a clear danger to the public health. Records shall be identified as necessary by joint agreement of a Department physician and the patient's attending physician. However, if the Department is unable to contact the attending physician after reasonable attempts to do so, or if the Department determines that contacting all attending physicians of patients involved in an investigation would be impractical or would unreasonably delay the inquiry and thereby endanger the public health, the records shall be identified as necessary by joint agreement of a Department physician and the health care facility's chief of staff. For a facility with no chief of staff, the facility's chief administrator may consent to the Department's review of the records. Any person, authorized to have or handle such records, providing copies or summaries of privileged patient medical records pursuant to this subdivision shall be immune from civil or criminal liability that might otherwise be incurred or imposed based upon invasion of privacy or breach of physician-patient confidentiality arising out of the furnishing of or agreement to furnish such records;~~

(3) To develop and carry out reasonable health programs that may be necessary for the protection and promotion of the public health and the control of diseases. The Commission is authorized to adopt rules to carry out these programs;

(4) To make sanitary and health investigations and inspections;

(5) To investigate occupational health hazards and occupational diseases and to make recommendations for the elimination of the hazards and diseases. The Secretary shall work with the Industrial Commission and shall file sufficient reports with the Industrial Commission to enable it to carry out all of the provisions of the Workers' Compensation Act with respect to occupational ~~disease.~~disease;

(6) To receive donations of money, securities, equipment, supplies, realty or any other property of any kind or description which shall be used by

the Department for the purpose of carrying out its public health programs;

(7) To acquire by purchase, devise or otherwise in the name of the Department equipment, supplies and other property, real or personal, necessary to carry out the public health programs;

(8) To use the official seal of the Department. Copies of documents in the possession of the Department may be authenticated with the seal of the Department, attested by the signature or a facsimile of the signature of the Secretary, and when authenticated shall have the same evidentiary value as the originals;

(9) To disseminate information to the general public on all matters pertaining to public health; to purchase, print, publish, and distribute free, or at cost, documents, reports, bulletins and health informational materials. Money collected from the distribution of these materials shall remain in the Department to be used to replace the materials;

(10) To be the health advisor of the State and to advise State officials in regard to the location, sanitary construction and health management of all State institutions; to direct the attention of the State to health matters which affect the industries, property, health and lives of the people of the State; to inspect at least annually State institutions and facilities; to make a report as to the health conditions of these institutions or facilities with suggestions and recommendations to the appropriate State agencies. It shall be the duty of the persons in immediate charge of these institutions or facilities to furnish all assistance necessary for a thorough inspection;

(11) To establish a schedule of fees based on income to be paid by a recipient for services provided by Migrant Health Clinics and Development Evaluation Centers;

(12) To establish fees for the sale of specimen containers, vaccines and other biologicals. The fees shall not exceed the actual cost of such items, plus transportation costs;

(13) To establish a fee to cover costs of responding to requests by employers for industrial hygiene consultation services and occupational consultation services. The fee shall not exceed two hundred dollars ($200.00) per on site inspection; and

(14) To establish a fee for companion animal certificate of examination forms to be distributed, upon request, by the Department to licensed veterinarians. The fee shall not exceed the cost of the form and shipping costs."

SECTION 9. G.S. 130A-143 reads as rewritten:

"**§ 130A-143. Confidentiality of records.**

All information and records, whether publicly or privately maintained, that identify a person who has AIDS virus infection or who has or may have a disease or condition required to be reported pursuant to the provisions of this Article shall be strictly

confidential. This information shall not be released or made public except under the following circumstances:

(1) Release is made of specific medical or epidemiological information for statistical purposes in a way that no person can be identified;

(2) Release is made of all or part of the medical record with the written consent of the person or persons identified or their guardian;

(3) Release is made to health care personnel providing medical care to the patient;

(4) Release is necessary to protect the public health and is made as provided by the Commission in its rules regarding control measures for communicable diseases and conditions;

(5) Release is made pursuant to other provisions of this Article;

(6) Release is made pursuant to subpoena or court order. Upon request of the person identified in the record, the record shall be reviewed in camera. In the trial, the trial judge may, during the taking of testimony concerning such information, exclude from the courtroom all persons except the officers of the court, the parties and those engaged in the trial of the ~~case.~~case;

(7) Release is made by the Department or a local health department to a court or a law enforcement ~~officer~~ official for the purpose of enforcing the provisions of this ~~Article pursuant to Article 1, Part 2 of this Chapter.~~ Article, Article 22 of this Chapter, or G.S. 14-288.22. A law enforcement official who receives the information shall not disclose it further, except (i) when necessary to enforce the provisions of this Article, Article 22 of this Chapter, or G.S. 14-288.22, or (ii) when the Department or a local health department seeks the assistance of the law enforcement official in preventing or controlling the spread of the disease or condition and expressly authorizes the disclosure as necessary for that purpose;

(8) Release is made by the Department or a local health department to another federal, state or local public health agency for the purpose of preventing or controlling the spread of a communicable disease or communicable condition;

(9) Release is made by the Department for bona fide research purposes. The Commission shall adopt rules providing for the use of the information for research purposes;

(10) Release is made pursuant to G.S. 130A-144(b); or

(11) Release is made pursuant to any other provisions of law that specifically authorize or require the release of information or records related to AIDS."

SECTION 10. G.S. 106-24.1 reads as rewritten:

"**§ 106-24.1. Confidentiality of information collected and published.**

All information published by the Department of Agriculture and Consumer Services pursuant to this Part shall be classified so as to prevent the identification of information

received from individual farm operators. All information received pursuant to this Part from individual farm operators shall be held confidential by the Department and its employees. Information collected by the Department from individual farm operators for the purposes of its animal health programs may be disclosed by the State Veterinarian when, in his judgment, the disclosure will assist in the implementation of these programs. Animal disease diagnostic tests that identify the owner of the animal shall not be disclosed without the permission of the owner unless the State Veterinarian determines that disclosure is necessary to prevent the spread of an animal disease or to protect the public health."

SECTION 11. G.S. 106-307.2 reads as rewritten:

"**§ 106-307.2. Reports of infectious disease in livestock and poultry to State Veterinarian.**

(a) All persons practicing veterinary medicine in North Carolina shall report promptly to the State Veterinarian the existence of any contagious or infectious disease in livestock and poultry.

(b) The State Veterinarian shall notify the State Health Director and the Director of the Division of Environmental Health in The Department of Environment and Natural Resources when the State Veterinarian receives a report indicating a potential outbreak of a disease or condition that can be transmitted to humans including communicable diseases or conditions required to be reported by G.S. 130A-134."

SECTION 12. G.S. 130A-152(b) is repealed.

SECTION 13. G.S. 143-518 reads as rewritten:

"**§ 143-518. Confidentiality of patient information.**

(a) Medical records compiled and maintained by the Department or EMS providers in connection with dispatch, response, treatment, or transport of individual patients or in connection with the statewide trauma system pursuant to Article 7 of Chapter 131E of the General Statutes may contain patient identifiable data which will allow linkage to other health care-based data systems for the purposes of quality management, peer review, and public health initiatives.

These medical records and data shall be strictly confidential and shall not be considered public records within the meaning of G.S. 132-1 and shall not be released or made public except under any of the following conditions:

(1) Release is made of specific medical or epidemiological information for statistical purposes in a way that no person can be identified.

(2) Release is made of all or part of the medical record with the written consent of the person or persons identified or their guardians.

(3) Release is made to health care personnel providing medical care to the patient.

(4) Release is made pursuant to a court order. Upon request of the person identified in the record, the record shall be reviewed in camera. In the trial, the trial judge may, during the taking of testimony concerning such information, exclude from the courtroom all persons except the officers of the court, the parties, and those engaged in the trial of the case.

(5) Release is made to a Medical Review Committee as defined in G.S. 131E-95, 90-21.22A, or 130A-45.7 or to a peer review committee as defined in G.S. 131E-108, 122C-30, or 131D-21.1.

(6) Release is made for use in a health research project under rules adopted by the North Carolina Medical Care Commission. The Commission shall adopt rules that allow release of information when an institutional review board, as defined by the Commission, has determined that the health research project:

a. Is of sufficient scientific importance to outweigh the intrusion into the privacy of the patient that would result from the disclosure;

b. Is impracticable without the use or disclosure of identifying health information;

c. Contains safeguards to protect the information from redisclosure;

d. Contains safeguards against identifying, directly or indirectly, any patient in any report of the research project; and

e. Contains procedures to remove or destroy at the earliest opportunity, consistent with the purposes of the project, information that would enable the patient to be identified, unless an institutional review board authorizes retention of identifying information for purposes of another research project.

(7) Release is made to a statewide data processor, as defined in Article 11A of Chapter 131E of the General Statutes, in which case the data is deemed to have been submitted as if it were required to have been submitted under that Article.

(8) Release is made to the State Health Director for the purpose of protecting the public health.

(b) Charges, accounts, credit histories, and other personal financial records compiled and maintained by the Department or EMS providers in connection with the admission, treatment, and discharge of individual patients are strictly confidential and shall not be released."

HOUSE BILL 1508:
Public Health Bioterrorism Preparedness

BILL ANALYSIS

Committee: House Judiciary II
Date: July 2, 2002
Version: Second Edition
H1508-CSRH-61(v.3)

Introduced by: Rep. Zeno Edwards
Summary by: Robin Johnson
Committee Counsel

SUMMARY: ***Recommended by the Public Health Study Commission, Sections 1-14 of this bill would amend North Carolina's communicable disease control laws to allow public health officials to prepare for and respond to suspected public heath threats that may be caused by an act of terrorism using nuclear, biological, or chemical agents. The bill would expand the authority of the State Health Director and local public health officials to conduct surveillance and investigate cases of an illness or condition caused by a suspected communicable disease outbreak or an illness, disease or other health hazard resulting from a suspected terrorist attack. The bill also would provide for coordination between the Secretary of Crime Control and Public Safety and the State Health Director regarding emergency operations and public health matters. The bill also would require the State Veterinarian to notify the State Health Director and the Director of the Division of Environmental Health in DENR of any reports indicating a potential outbreak of a disease or condition that can be transmitted to humans. Finally the bill would authorize the release of confidential emergency medical data to the State Health Director for the purposes of protecting public health.***

The PCS makes clarifying changes and adds a new Section 15, which would direct the North Carolina Medical Care Commission to adopt rules to establish education standards and criteria of persons trained to administer lifesaving treatment for adverse reactions to agents that might cause anaphylaxis.

The bill, if enacted, would become effective October 1, 2002.

CURRENT LAW: North Carolina public health laws provide the State Health Director and local health directors with legal authority to control and prevent reportable communicable diseases and to protect against environmental hazards in partnership with hospitals, nursing homes, schools, physicians, laboratories, emergency medical services providers, and other health care providers. Subsequent to the terrorist attacks of September 11, 2001, and the subsequent release of anthrax spores through the mail in October of 2001, the State's public health laws were reviewed and evaluated as to whether the laws provide sufficient legal authority to the State Health Director and other public health officials to investigate and respond to suspected public heath threats resulting from the use of biological, nuclear or chemical agents. Despite the fact that all of the infectious agents identified by the Centers for Disease Control as agents for bioterrorism planning (e.g., anthrax, botulism, plague, smallpox, tularemia, and certain viral hemorrhagic fevers) fall within the scope of North Carolina's current communicable disease control law, it was determined that the laws are not broad enough to cover public health threats and other health hazards that may result from use of biological, chemical or nuclear agents.

Gaps in the current law were identified and legislation was presented to the Public Health Study Commission, which then recommended the bill to the General Assembly. The proposed legislation is based on The Model State Emergency Health Powers Act, prepared last Fall by the Center for Law and the Public's Health at Georgetown and Johns Hopkins Universities for the Centers for Disease Control and Prevention and in collaboration with the National Governors Association, National Conference of State Legislatures, Association of State and Territorial Health Officials, National Association of City and County Health Officers, and National Association of Attorneys General.

The PCS includes clarifying changes proposed by the Department of Health and Human Services.

BILL ANALYSIS: The following is a Section-by-Section analysis of this PCS. A bolded notation i made where the PCS is different from the Second Edition.

Section 1 – Reasonable Suspicion of Bioterrorism: Under current communicable disease control laws, the Commission for Health Services adopts rules as to which communicable diseases must be reported by which entities. Physicians, schools, clinical laboratories, etc., are required to report all cases of a communicable disease or condition to the local health director. The legal definition of "communicable disease" is an illness caused by an infectious agent such as a virus or bacterium, that can be transmitted from person to person, from an animal to a person, through an intermediate host or vector, or through the inanimate environment. Currently the list of reportable diseases includes 61 communicable diseases and conditions. A "communicable condition" is when a person has been infected with a communicable agent but does not have symptoms of disease. Local health directors then investigate reported cases and ensure that control measures are in place to prevent the spread of the disease. The State Health Director and local health directors have the authority to examine patient records pertaining to reportable communicable diseases and may exercise isolation or quarantine authority in appropriate circumstances.

Section 1 would authorize the State Health Director to undertake an investigation upon a reasonable suspicion that a public health threat may exist as a result of an act of terrorism using nuclear, biological, or chemical agents. It would authorize the State Health Director to take steps to determine the possible exposure to nuclear, biological or chemical agents of persons, property or animals and may restrict access to persons, animals or property suspected of being infected or contaminated. If the State Health Director determines that a threat does in fact exist, the State Health Director must notify the Secretary of Crime Control and Public Safety.

The PCS inserts "biological" on page 2, lines 7 and 12.

Section 2(a) and Section 2(b) make conforming changes to current law to conform to the addition of a new Article 22 "Bioterrorism".

Sections 3, 4 and 5 – Quarantine Authority: Currently, local health directors and the State Health Director have isolation and quarantine authority in order to prevent the spread of communicable diseases or conditions. Isolation applies to persons who actually have a communicable disease or condition, and quarantine applies to persons who have been or are reasonably suspected of having been exposed to a communicable disease or condition. Quarantine also applies to individuals who have not received legally required immunizations when the local health director determines that immunizations are required to control the outbreak. Isolation and quarantine authority may only be exercised when and for so long as the public health is endangered, and only when all other reasonable means for correcting the problem have been exhausted and no less restrictive alternative exists. When a person or animal is quarantined, their freedom of movement is restricted. An area of land or a facility is quarantined by restricting access by persons or animal to the area of land or facility.

These sections would repeal G.S. 130A-133 and move its definitions to G.S. 130A-2 in order to expand their applicability to the entire Chapter. The sections would also amend G.S. 130A-2(7a) and G.S. 130A-145 to expand the public health quarantine and isolation authority with respect to communicable disease control by (1) providing that an area of land or a facility that is suspected of being contaminated with an infectious agent may be quarantined and (2) by allowing an individual that is not immunized against any communicable disease to be quarantined if the State Health Director or a local health director determines that such immunizations are required to control an outbreak of that disease. In the event of such

quarantine, the bill would provide that only persons authorized by the State Health Director or who are otherwise authorized to enter may access the quarantined area or facility. **The PCS extends the applicability of definitions under the Article governing communicable diseases.**

Section 6- Abatement Authority: Current law authorizes the Secretary of DHHS or a local health director to enter upon property after a reasonable attempt to notify the owner of the property and take any action necessary to abate an imminent hazard. The law places an automatic lien on the property to allow DHHS to recover the costs associated with the abatement.

The bill would expand abatement authority by authorizing the Secretary or local health director to order the owner, lessee, operator or other person in control of the property to abate the hazard. Failure to comply with the order may result in a civil action in superior court.

Section 7 - Access to Confidential Health Information: Currently access to confidential health information, including confidential medical records, is limited to investigations of reportable communicable diseases or conditions.

The bill would amend current law to add a new section to provide the State Health Director or local health directors access to a broader array of confidential health information related to any communicable disease or condition or if necessary to investigate a suspected public health threat that may be caused by an act of terrorism using biological, chemical or nuclear weapons. Specifically, this section will:

1. Encourage health care providers, **persons in charge of a health care facility (added by the PCS),** and units of State and local government to report events that might indicate the existence of an illness, condition, or health hazard that may have been caused by an act of terrorism using nuclear, biological or chemical agents.
2. Authorize the State Health Director to issue a temporary order (no longer than 90 days) requiring certain health care providers to make reports for a specific period of time that might indicate a suspected illness, condition, or health hazard that may have been caused by an act of terrorism using nuclear, biological or chemical agents.
3. Authorize the State Health Director or local health director to obtain and review copies of confidential medical records that pertain to (1) a report of a suspected outbreak of a communicable disease or an illness or condition that may have resulted from use of a nuclear, biological or chemical weapon of mass destruction or (2) the prevention or treatment of a communicable disease or condition, or (3) to the investigation of a disease or health hazard that presents a clear danger to the public health as determined by the State Health Director.
4. Protect the confidentiality of health information received by the State Health Director or local health director and prohibit release unless authorized by law, made to another federal, state, or local public health agency for the purpose of preventing or controlling a public health threat, or made to a court or law enforcement official for that purpose. **The PCS adds this provision.**

The PCS also makes several technical changes to Section 7 and adds the definition of "health care facility" in subsection (f).

Section 8 – Secretary of DHHS Duties: Section 8 makes conforming changes to the powers and duties of the Secretary of DHHS and deletes a limitation in current law that limits the Secretary of DHHS access to only those records identified by joint agreement between a DHHS physician and the patient's attending physician or the health care facility's chief of staff or chief administrator.

Section 9- Confidentiality of Records of Reportable Diseases: This Section would amend current law regarding when disclosure of confidential health information that includes the identity of a person who has or may have a reportable disease is allowable. The bill clarifies that such disclosure by DHHS or a local health department is **allowable when made under any law (PCS adds this)** and is allowable to law enforcement officials when necessary to assist with the enforcement of G.S. 14-288.22 (unlawful use of a weapon of mass destruction), or when law enforcement assistance is sought to prevent or control the spread of a particular disease or condition.

Section 10 – Confidentiality of Information Published by the Department of Agriculture: This section would amend current law pertaining to cooperation between federal, State and local governments in agricultural work to restrict disclosure to the public of animal diagnostic tests that identify the owner of the animal without the permission of the owner *unless* the State Veterinarian determines that the disclosure is necessary to prevent the spread of an animal disease or to protect public health.

Section 11 – Control of Animal Disease:Current law requires veterinarians to report to the State Veterinarian the existence of infections diseases in livestock and poultry. Section 11 would require the State Veterinarian to notify the State Health Director and the Director of the Division of Environment Health in DENR when a report is received that indicates an occurrence or potential outbreak of specified diseases that may be transmitted to humans and that may have been caused by a terrorist act. **The PCS enumerates the specific diseases that must be reported.**

Section 12-Measles Immunization: The bill would delete an outdated statute that requires a second measles immunization when a child is immunized before the child's first birthday.

Section 13 – Confidentiality of Patient Information: Section 13 would amend current law governing the release of medical records compiled and maintained in connection with emergency medical services or the statewide trauma system to authorize the release of such information **when authorized by any law. (The PCS authorized this release when made to the State Health Director for the purpose of protecting the public health.)**

Section 14 – State Emergency Management Act: The bill would add a new provision to this Act to require coordination between the State Health Director and the Secretary of Crime Control and Public Safety in revising the State Emergency Operations Plan to address public health matters in emergency management activities. **The PCS moves this provision from Section 3 to Section 14.**

Section 15 – Standards for Lifesaving Treatment: Currently, the North Carolina Medical Care Commission is required to adopt rules to establish education standards and criteria of persons trained to administer lifesaving treatment for adverse reactions to insect stings. **The PCS adds Section 15, to amend this directive so that these rules apply to training for persons trained to administer lifesaving treatment for adverse reactions to agents that might cause anaphylaxis.** Anaphylaxis is an allergic reaction that usually is associated with an inability to breathe.

Section 16 makes the bill effective October 1, 2002.

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH AND MAINTAIN A NO-CALL REGISTRY FOR CONSUMERS WHO WISH TO STOP UNWANTED TELEPHONE SOLICITATION CALLS AND TO INCREASE THE PROTECTIONS FOR CONSUMERS IN TRANSACTIONS INITIATED BY TELEMARKETERS.

The General Assembly of North Carolina enacts:

SECTION 1. The General Assembly of North Carolina makes the following findings:

(1) The use of the telephone to market goods and services to the home is now pervasive due to the increased use of cost-effective telemarketing technologies and techniques.

(2) While some consumers enjoy and benefit from unsolicited telemarketing contacts from legitimate telemarketers, many others object to these contacts as an intrusive invasion of an individual's right of privacy in the home.

(3) In addition, the proliferation of unsolicited telemarketing calls, especially during the evening hours, creates a nuisance and a disturbance upon the home and family life of North Carolina residents during a time of day used by many families for traditional family activities.

(4) North Carolina residents should have the freedom to choose whether or not to permit telemarketers to contact them.

(5) Individual privacy rights, personal safety, prevention of fraud, and commercial freedom of speech and trade must be balanced in a way that protects the privacy of individuals and permits legitimate telemarketing practices.

(6) Legitimate telemarketers have no interest in continuing to invade the privacy of those consumers who affirmatively express their objections to such contact.

(7) Many North Carolina consumers who have transacted business with firms that employ telemarketing have experienced problems with their checking and credit card accounts being debited before they can evaluate the terms and conditions of the transaction, before they can evaluate the merchandise or service to be delivered, or without their agreement to enter into the transaction or authorize such transactions in the first place.

(8) New technologies that make telemarketing more cost-effective also allow for the creation of a State No-Call Registry through which North Carolina consumers can easily register their desires not to receive further telemarketing calls and telemarketers can easily access and employ lists of consumers who have registered those desires.

(9) The public interest requires an efficient mechanism for North Carolina residents to notify telemarketers that their telephone numbers cannot be called and additional protections for North Carolina residents who enter into consumer transactions initiated through telemarketing calls.

SECTION 2. G.S. 75-30.1 reads as rewritten:

(2) Not less than 10 days before commencing telephone solicitations in this State, a telephone solicitor shall register pursuant to G.S. 66-261 and obtain from the Attorney General a copy of the most up-to-date quarterly edition of the No-Call Registry. On the first business day

(6) No telephone solicitor shall sell, assign, transfer, or convey any copy of the No-Call Registry to parties other than its employees, its wholly owned subsidiaries, or any independent contractors operating within one location or franchise with whom the telephone solicitor has a business relationship. A BILL TO BE ENTITLED

AN ACT TO ESTABLISH AND MAINTAIN A NO-CALL REGISTRY FOR CONSUMERS WHO WISH TO STOP UNWANTED TELEPHONE SOLICITATION CALLS AND TO INCREASE THE PROTECTIONS FOR CONSUMERS IN TRANSACTIONS INITIATED BY TELEMARKETERS.

The General Assembly of North Carolina enacts:

SECTION 1. The General Assembly of North Carolina makes the following findings:

(1) The use of the telephone to market goods and services to the home and to other businesses is now pervasive due to the increased use of cost-effective telemarketing technologies and techniques.

(2) While some consumers enjoy and benefit from unsolicited telemarketing contacts from legitimate telemarketers, many others object to these contacts as an intrusive invasion of an individual's right of privacy in the home.

(3) In addition, the proliferation of unsolicited telemarketing calls, especially during the evening hours, creates a nuisance and a disturbance upon the home and family life of North Carolina residents during a time of day used by many families for traditional family activities.

(4) North Carolina residents should have the freedom to choose whether or not to permit telemarketers to contact them.

(5) Individual privacy rights, public safety interests, and commercial freedom of speech and trade must be balanced in a way that protects

the privacy of individuals and permits legitimate telemarketing practices.

(6) Even legitimate telemarketers have no interest in continuing to invade the privacy of those consumers who affirmatively express their objections to such contact and, in fact, legitimate telemarketers can make their telemarketing efforts more cost effective by avoiding calls to those consumers who have affirmatively expressed an objection to any such contact.

(7) Many North Carolina consumers who have transacted business with firms that employ telemarketing have experienced problems with their checking and credit card accounts being debited before they can evaluate the terms and conditions of the transaction, before they can evaluate the merchandise or service to be delivered, or without their agreement to enter into the transaction or authorize such transactions in the first place.

(8) New technologies that make telemarketing more cost effective also allow for the creation of a State No-Call Registry through which North Carolina consumers can easily register their desires not to receive further telemarketing calls and telemarketers can easily access and employ lists of consumers who have registered those desires.

(9) The public interest requires an efficient mechanism for North Carolina residents to notify telemarketers that their telephone numbers cannot be called and additional protections for North Carolina residents who enter into consumer transactions initiated through telemarketing calls.

SECTION 2. G.S. 75-30.1 reads as rewritten:

Version:	Proposed Committee Substitute H1612-PCS4254-SB-62	**Summary by:**	Jeff Hudson, Committee Counsel

SUMMARY: ***The Proposed Committee Substitute for House Bill 1612, would direct the Attorney General to establish a No-Call Registry and would prohibit telephone solicitors from calling the telephone number of a residential telephone subscriber if the subscriber's telephone number appears in the No-Call Registry. The Proposed Committee Substitute would also increase the filing fees for telephone solicitors and regulate the formation of contracts via telephone solicitations.***

BILL ANALYSIS:

Section 1. Findings

Section 2. Restrictions on Telephone Solicitations

Under current law, a telephone solicitor may not call a residential telephone subscriber who has communicated to that telephone solicitor a desire to be taken off the telephone solicitor's contact list. Section 2 prohibits a telephone solicitor from calling the telephone number of a residential telephone subscriber if the subscriber's telephone number appears in the No-Call Registry.

Section 2 also:

- Amends the definitions related to the regulation of telephone solicitations as follows:
  - Expands the definition of "telephone solicitation" to include telephone calls for the purpose of soliciting or encouraging participation in a contest, sweepstakes, raffle, or lottery and for the purpose of obtaining a charitable donation.
  - Amends the list of exemptions from the definition of "telephone solicitation" as follows:
    - The established business relationship exemption is narrowed to calls that are in connection with an existing debt or contract.
    - The tax-exempt nonprofit exemption is narrowed to calls that are placed by direct employees of a tax-exempt nonprofit organization or by volunteers without remuneration from the organization.
    - An exemption is added for reference checks.
    - An exemption is added for persons, businesses, or other legal entities that employ fewer than 10 direct employees and those direct employees collectively make or attempt to make no more than 10 unsolicited calls per week.
  - Defines "doing business in this State" as making or causing to be made any telephone solicitation to residential telephone subscribers, whether the telephone solicitations are made from a location inside or outside North Carolina. **Note:** This definition is designed to address the issue of whether North Carolina has jurisdiction to enforce telephone solicitation laws against out-of-state telephone solicitors.

- Provides that a telephone solicitor may contact a residential telephone subscriber whose telephone number appears in the No-Call Registry via non-telephonic means in order to obtain the subscriber's express written permission allowing the telephone solicitor to make telephone solicitations to the subscriber.
- Provides that a telephone solicitor may advertise in a general medium or contact a residential telephone subscriber whose telephone number appears in the No-Call Registry via non-telephonic means in order to encourage the subscriber to initiate telephonic communications to the telephone solicitor.
- Authorizes the Attorney General to bring an action to impose the following civil penalties for violations of telephone solicitation laws:
    - $500 for the first violation, $1,000 for the second violation, and $5,000 for the third and each subsequent violation
    - $100 for each violation if the telephone solicitor has established in-house procedures to comply with telephone solicitation requirements, has maintained a list of persons that may not be contacted, and the violations are rare and the result of a mistake.
- Authorizes a residential telephone subscriber who has received a telephone solicitation in violation of the telephone solicitation laws to bring an action to recover damages in amounts equivalent to the civil penalties that the Attorney General may seek.

Section 3. Caller Identification Block

Under current law, a telephone solicitor may not knowingly block a residential telephone subscriber's caller identification service. Use of a call generating system that does not transmit caller identification information, however, is not a violation of this prohibition. Section 3 repeals the exemption for call generating systems effective January 1, 2006.

Section 4. No-Call Registry

Section 4 directs the Attorney General to establish and maintain a No-Call Registry containing the telephone numbers of residential telephone subscribers who do not wish to receive telephone solicitations at those numbers. The No-Call Registry will be operated in the following manner:

- The telephone number of a residential telephone subscriber will be placed in the No-Call Registry upon the request of the subscriber and will remain in the No-Call Registry until the subscriber requests its removal or the Attorney General is notified that the number has been disconnected.
- Not less than 10 days before commencing telephone solicitations, a telephone solicitor must register with the Attorney General, pay a filing fee, and obtain the latest edition of the No-Call Registry.
- A telephone solicitor may not sell, assign, transfer, or convey a copy of the No-Call Registry to parties other than its employees, its wholly owned subsidiaries, or any independent contractors operating within one location or franchise with whom the telephone solicitor has a business relationship.
- Information contained in the No-Call Registry may only be used to remove residential telephone subscribers from telephone call lists and to prevent calls from being placed to telephone numbers listed in the No-Call Registry. Information contained in the No-Call Registry is not a public record.

Section 5. Notification of Opportunity to Object to Telephone Solicitations

Under current law, each local exchange company must notify each residential telephone subscriber, at least annually, of various provisions of State and federal law that allow consumers to object to receiving telephone solicitations and that allow consumers to have their names removed from telemarketing lists. This information must also be contained in the consumer information pages of each telephone directory.

Section 5 requires both local exchange companies and competing local exchange companies to make this notification at least two times per calendar year and include information about the existence of and opportunity to subscribe to the No-Call Registry. This section applies to telephone directories printed on or after April 1, 2003.

Section 6. Restriction on Use of Automatic Dialing and Recorded Message Players

Under current law, no person may use an automatic dialing and recorded message player to make unsolicited telephone calls unless the person is a charitable, civic, political, or opinion polling organization, or a radio station, television station, or broadcast rating service conducting a public opinion poll and the person clearly identifies the nature of the call and the name and address of the calling organization. Violation of this prohibition is a Class 3 misdemeanor punishable only by a fine of $100 per occurrence.

Section 6 adds the requirement that no part of an unsolicited telephone call from an automatic dialing and recorded message player may be used to solicit or encourage the purchase or rental of, or investment in, property, goods, or services or to obtain information that will or may be used to solicit or encourage the purchase or rental of, or investment in, property, goods, or services.

Section 6 also:

- Provides that a call is unsolicited if the telephone number of the person called appears in the No-Call Registry.
- Deletes the penalty for violation of this section.
- Provides that this section does not apply to calls made in connection with an existing debt or contract.

Section 7. Telephone Solicitor Registration and Bond Requirement

Under current law, not less than 10 days before commencing telephone solicitations, a telephone solicitor must register with the Secretary of State and pay a $100 filing fee. Section 7 requires telephone solicitors to register with the Attorney General not less than 10 days before commencing telephone solicitations and pay the following fees:

- $1,000 if the telephone solicitor employs 500 or more persons in one location or franchise.
- $750 if the telephone solicitor employs between 50 and 500 persons in one location or franchise.
- $500 if the telephone solicitor employs between 5 and 51 persons in one location or franchise.
- $250 if the telephone solicitor employs 5 or fewer persons in one location or franchise.

Section 7 also:

- Amends the definitions related to the registration and bonding of telephone solicitors as follows:
    - Defines "telephone solicitor" to also include any person, business, or other legal entity that receives inbound telephone solicitations.

- Defines "inbound telephone solicitation" as a telephone call initiated by a prospective purchaser in response to any non-telephonic notice that the prospective purchaser has won a contest or may qualify for credit.
- Defines "prospective purchaser" as a residential telephone subscriber and any member of the residential telephone subscriber's household.

- Provides that for a contract or purchase agreement secured during a telephone solicitation to be valid:
  - The contract must be reduced to writing and signed by the consumer.
  - The contract complies with all other applicable laws.
  - The contract contains the name, address, and business telephone number of the seller; the total price of the contract; and a detailed description of the goods or services being sold.
  - The goods or services comply with the description used in the telephone solicitation.
  - The contract contains a statement that the prospective purchaser is not obligated to pay unless the prospective purchaser signs the contract and returns it to the seller.
  - The contract does not exclude any representations made by the telephone solicitor.
- Provides that a telephone solicitor or a merchant who engages a telephone solicitor to make telephone solicitations to a prospective purchaser may not make or submit a charge to the prospective purchaser's accounts or make an electronic transfer of funds until the merchant receives a signed copy of the written contract from the prospective purchaser.

Section 8. Severability Clause

If any provision of the act is held to be unenforceable or invalid, the remainder of the act that has not been held to be unenforceable or invalid shall remain in effect.

Section 9. Construction of Act

Consistent with protected speech rights, this act shall be construed broadly to protect residential telephone subscribers from unwanted telephone solicitations and from problematic sales techniques and payment procedures often associated with these solicitations. **Note:** This provision is designed to address concerns that may arise due to the act's regulation of various forms of speech.

Section 10. Effective Dates

Except as otherwise noted, this act is effective January 1, 2003 and applies to telephone solicitations made on or after that date.

Section 11. Effectiveness Contingent on Appropriation

This act becomes effective only if a Budget Bill that contains a provision that is equivalent to Section 15.2(a) of the Senate Budget Bill becomes law. Section 15.2(a) of the Senate Budget Bill provides that the Department of Justice may use up to one million dollars ($1,000,000) of the funds available to the Department during the 2002-2003 fiscal year to establish and implement a no-call registry to stop unwanted telemarketing calls and to increase protections for consumers in transactions initiated by telemarketers.

State finding no-call list comes with drawbacks

By Michele McNeil Solida
michele.mcneil.solida@indystar.com

More than 1 million Hoosier phone numbers are off limits to telemarketers.

And that list will grow Tuesday, the next deadline for Indiana residents to get on the state's popular no-call list.

The list comes at a cost, though.

Attorney General Steve Carter's office has spent about $1.25 million to keep the list but has recouped only a fraction of that.

The law that created the no-call list was crafted so that telemarketers — and not call-weary Hoosiers — would foot the bill.

But proceeds from selling the list to telemarketers and fining those who break the law has netted just $303,000. The rest of the money is coming from the consumer protection fund, filled with money from court settlements against businesses accused of deceptive practices.

The attorney general's office has spent an average of 87 cents per phone number to maintain the list, which includes contracting with a call center to sign people up, paying an administrator to oversee the program and investigating complaints.

If telemarketers want to call Hoosiers, they must purchase the list. The charge is $300 per list — and firms have to buy a new one each quarter when the list is updated. But that has raised just $223,000.

The attorney general's office also has collected money from fines levied against telemarketers who break the law. So far, the state has settled with 26 firms and fined them a total of $80,000.

Because Hoosiers have to register their phone numbers only once, the cost of administering the program will dramatically subside, said Staci Schneider, spokeswoman for the attorney general.

The no-call list has sparked at least three legal challenges. The first, by the Professional Fire Fighters Union of Indiana, was dropped in December after a public outcry.

But two court battles remain. On June 7, a trial resumes in Vanderburgh County. Salesman Steven Martin of Evansville says the law violates his free speech rights. Martin, who has sold Kirby vacuum cleaners for 23 years, doesn't think it's fair that there are exemptions for certain businesses, such as real estate firms, newspapers and insurance companies, but not others.

The third lawsuit was filed in U.S. District Court in Indianapolis on behalf of four nonprofit groups by a Missouri firm that represents hundreds of charitable organizations.

Efforts to water down no-call lists in other states have failed, said Keith Fotta, chief executive officer of the Massachusetts-based Gryphon Networks, which helps telemarketing firms handle privacy laws.

"The response to these no-call lists has been tremendous," Fotta said. "Telemarketing firms were caught unprepared."

How to sign up

Tuesday at 11:59 p.m. is the next deadline for Hoosiers to get on the no-call list, which stops most telemarketing calls. The next list will be effective July 1. If you've already registered your phone number, there is no need to do so again. Ways to sign up:

- Register online at www.in.gov/attorneygeneral/telephoneprivacy.
- Call 1-888-834-9969.

North Carolina residents ask to be free from telemarketers:

Sample letters to the Attorney General

Mrs. Vivian Kontoulas from Asheville

A woman in her mid-80s who has chronic arthritis says her greatest pleasure is living at home and her greatest dilemma are telemarketing contacts. She writes:

"I need relief from numerous telemarketing calls. They seem to dwell on the elders and interrupt my schedule of chores and errands. They are rude and crude by not presenting their name and affiliation. I retire early and even after sleep, I am awakened [by] telemarketers.

Is there a number and address in our state of NC which I can register my request for no telemarketers? Contact and it would become effective? No one should have to contribute their personal and needed time to answer calls from these rude persons, who will not abide by a simple request, "Do not call back." It is a definite invasion of privacy in one's private home and [there] seems to be no laws preventing it."

Ms. Jewel Lowder from Albemarle

"I am an almost 60-year old retired business, computer, and journalism teacher. I am also a diabetic and hearing impaired from a birth defect. I can lip read and I have my phone fixed where I can hear it ring and I can understand my friends and family if they speak slowly and clearly and my television are closed captioned.

I strongly support the registry to stop telemarketing calls to your home. It would be a great help for me. I have a TeleZapper and it does help some. I also walk with a rolling walker and when they call when I am trying to get from one location to the other it is a great bother and I am afraid that it will cause me to fall. I would never purchase or do business with anyone on the phone unless I know them and they are local.

Some days I have had as many as fifteen calls and it runs on the average about four per day. I have even received calls on Sunday morning when I am getting ready to go to church. I have been cussed, laughed at, and abused by the telemarketing industry. I always end the call as soon as possible and tell them not to call this phone number again. I don't appreciate their invading my privacy when they call my home.

Any help that you can give to curbing these calls would be wonderful."

Mr. Jackie Goodwin from Knightdale

An elderly gentleman who is dying of cancer and has heart problems has two unlisted numbers. Yet between June 3 and June 17 of this year, he counted 49 telemarketing calls from a single company.

Given his health, he writes, "[I] don't need stress; [I] don't need to be upset by telemarketing peoples harassing me by telephone."

Mr. Michael Bryan from Franklinton

Mr. Bryan receives 6 to 20 calls a day from telemarketers. He writes:

"This continual bombardment of my home telephone have made it nearly useless to me, plus I have had to add Caller ID for some protection which increases my phone bill. Not to mention that the constant annoyance made me decide to get a cell phone that I really can't afford just so relatives and friends can call me without having to go through the protection rituals I have set up on my home phone.

I have written to the Telephone Preference Service and asked to have my name put on a list of people that want their names and numbers removed from telemarketing lists but so far this particular action appears to be ineffective. I have also told the telemarketers that I actually talk to that I want my name removed from their calling lists but frankly I don't care to go through the long and involved sales talk to tell all of them this and I should not have to listen to them all!

My last resort is to write to your agency for help and to my senators and [representatives] to ask for more stringent laws to stop this continual problem."

Mrs. Arden Root from Raleigh

"My husband and I are in our seventies. He is a semi-invalid, and I have been his sole caregiver for two years. Both of us have been turned down for long-term care insurance, so that tells you that we both have serious health problems.

We use the phones as an intercom system, so that he can call me downstairs, or I can call him upstairs if we have problems, without having to struggle up and down stairs needlessly. My husband often naps during the daytime and has to unplug his telephone to avoid being disturbed by these parasites. That, of course, invalidates our intercom system.

The Telephone Preference Service is no good, because these telemarketers don't want to know who doesn't want to be disturbed. Also, the Telephone Preference Service works only for national telemarketers and does nothing to ward off the local callers. How can one sue a telemarketer who is anonymous? The telemarketers who can be identified are bad enough, but those who insulate themselves with anonymity are beneath contempt. In my book, they are criminals.

Please act to give telephone subscribers relief from these unconscionable opportunists."

Chair - NC House Judiciary II Committee
Room 2301, Legislative Building
Raleigh, NC 27601

Re: H.B. 1612

Dear Chairman Baddour:

It was my hope to have the privilege of appearing before your Committee today. Unfortunately, my schedule was such that I was unable to make arrangements to be in Raleigh. I appreciate the opportunity to express my remarks in writing on behalf of the nonprofit organizations which serve the residents of North Carolina, and engage in grass roots fund raising by telephone contact.

It is the opinion of many charities which provide services in North Carolina that H.B. 1612, as currently drafted, will have a devastating impact on their ability to maintain their program services. The basis for this opinion is not speculative. A similar bill creating a do-not-call law was enacted in the state of Indiana last year which, like H.B. 1612, does not exempt calls on behalf of nonprofit organizations or calls to past supporters. Nonprofit organizations conducting grass roots fund raising in Indiana found that approximately 50% of their entire donor base had become inaccessible to them. The law has been challenged in federal district court on first amendment grounds by this law firm on behalf of four charitable organizations. In some part, we relied on an earlier case we litigated with the state of North Carolina, to-wit: *Riley v. National Federation of the Blind of North Carolina, Inc.*, 487 U.S. 781 (1988).

As you may be aware, the Federal Trade Commission (FTC) is also reviewing the possibility of creating a national do-not-call registry. If the FTC decides to go forward with implementing a do-not-call registry it could potentially save the state of North Carolina a very substantial cost. Enclosed is a copy of a newspaper article from the May 19, 2002, issue of the *Indianapolis Star*, which notes that the state of Indiana has already expended more than $1 million dollars to maintain its do-not-call list since the law went into effect. I am, therefore, writing to ask for the Committee's consideration in delaying this legislation or, in the alternative, to create an exemption for all calls made by or on behalf of nonprofit organizations.

If H.B. 1612 is passed in its current form, in all likelihood the law will be challenged. Our research

in the case pending in Indiana clearly indicates the law is a form of content regulation, and the proposed legislation in North Carolina would be appear to be analogous in that regard, which courts have regularly held to be unconstitutional.

If you or any of the committee members would like to review any documentation, or have the benefit of any of our legal research relative to the Indiana litigation, I would be pleased to make same available to you.

Again, I apologize that I am unable to be present in person, and thank you in advance for taking the time to consider my remarks.

Respectfully yours,

Errol Copilevitz

FACT SHEET

North Carolina Senior Tar Heel Legislature

The North Carolina Senior Tar Heel Legislature was created by the North Carolina General Assembly with the passage of Senate Bill 479 in July of 1993.

The Senior Tar Heel Legislature was created to:

- Provide information to senior citizens on the legislative process and matters being considered by the North Carolina General Assembly.
- Promote citizen involvement and advocacy concerning aging issues before the North Carolina General Assembly.
- Assess the legislative needs of older citizens by convening a forum modeled after the North Carolina General Assembly.

There is one delegate and one alternate delegate to the Senior Tar Heel Legislature from each of the 100 counties in the state. Delegates and alternates must be age 60 or older. The North Carolina Division of Aging provides staff support for the Senior Legislature in cooperation with the 17 Area Agencies on Aging who are responsible for conducting the selection of delegates and alternates. Current officers of the Senior Tar Heel Legislature are: Dorothy Crawford, Speaker (Macon); Vernon Dull, Speaker Pro Tempore (Davie); Jack Kimbrell, Deputy Speaker Pro Tempore (Wake); and Carolyn Bland, Secretary (Craven).

2002 Legislative Priorities

Priority 1: Maintain Home and Community Care Block Grant services for impaired older adults at the current level.
Need for Legislative Action: In-home and community-based services help impaired older adults stay in their homes. Key services include home delivered meals, adult day care/day health care, in-home aide, and respite care for family caregivers. As the older population continues to grow, particularly the 85+ population which is more likely to need these services, so does the demand for services. Current resources are not adequate to meet the demand. Although increased funding has been earmarked for in-home and community-based services since 1995, there are currently over 10,000 older adults on waiting lists for key services such as in-home aide services and home delivered meals. An additional $1.3 million is needed to provide a 3% inflationary increase in order to maintain services at the current level.

Priority 2: Take steps to ensure that the Medicaid Community Alternatives Program for Disabled Adults (CAP/DA) remains a viable services for older and disabled adults in our state and that our Medicaid program is strengthened to further serve low income seniors.
Need for Legislative Action: The Medicaid Community Alternatives Program for Disabled Adults (CAP/DA) is one of four programs under Medicaid which provides home and community care as a cost-effective alternative to institutionalization. The program, which was implemented in 1982, provides a package of services to allow disabled adults age 18 and older who qualify for nursing home care to remain in their private residences. In SFY 2001, the program served 12,901 people at less cost than nursing home care. Two recent studies, the Lewin Group's "North Carolina Medicaid Benefits Study" and the North Carolina Institute of Medicine's "Long

Term Care Plan for North Carolina" expound the worthiness and cost-saving nature of CAP/DA. Because of the budget shortfall in the Medicaid program, a freeze was placed on the CAP/DA program effective October 1, 2001. Due to this freeze, individuals who would prefer to stay in their homes may now be forced into more expensive institutional placement. The freeze is a step backwards in the state's efforts to allow disabled adults choices in their care options and in the state's efforts to promote a continuum of long term care services. The freeze is also not consistent with the state's efforts to adhere to the U.S. Supreme Court's Omlstead decision.

Older and disabled adults in our state with monthly income over $738 can not qualify for Medicaid without meeting a "deductible" or "spend down". In order to meet a "spend down", a person must incur medical bills equaling or exceeding the difference between their countable monthly income and $242 which is the medically needy income limit. Older and disabled adults can also not qualify for Medicaid if their countable assets exceed $2000. We are well aware of the budget challenges facing our state, however, we believe that the state needs to address the limitations on the medically needy income limit and the asset level for older and disabled adults.

Priority 3: Examine the issue of workforce shortages among paraprofessionals and professionals serving older adults and people with disabilities.
Need for Legislative Action: North Carolina is in the midst of a long-term care workforce crisis. Efforts to design a long-term care system that ensures the availability of services and high quality care are meaningless unless there is a supply of trained professional and paraprofessional staff – including nurse aides, nurses, physicians, dentists, and allied health professionals. North Carolina is projected to need an additional 30,850 direct care workers between 1998 and 2008. We encourage the General Assembly to address the workforce shortage issue and propose solutions for addressing this critical problem.

Priority 4: Pass legislation to strengthen consumer protections to the citizens of North Carolina with special focus on the areas of telemarketing fraud, identity theft, credit practices, and home repair scams and study increasing civil and criminal penalties for those who financially exploit older adults.
Need for Legislative Action: Consumer fraud, particularly fraudulent practices targeted to older adults, is a growing problem. Residents of our state loose millions of dollars each year as a result of fraud and scams. In a one-week period, the Telemarketing Fraud Prevention Project in the Attorney General's Office detected eight different telemarketing fraud "hits" on seniors with total payments amounting to $145,000. Consumer protections need to be strengthened and penalties for those who financially exploit seniors need to be increased. At this time, deceptive trade practice cases brought before the Attorney General in state civil court under the Deceptive Trade Practices Act (G.S. 75-1.1) are limited to civil penalties up to a maximum of $5000 per violation.

Priority 5: Examine the biases which favor institutional placement over home and community based care for older adults and people with disabilities.
Need for Legislative Action: The Long-Term Care Plan for North Carolina submitted to the General Assembly in January of 2001 states that the state's long-term care policy should be to support older adults and people with disabilities and their families in making their own choices with regard to living arrangements and long-term care services that will result in appropriate, high quality, cost effective care provided in the least restrictive environment. At this time, there are many biases in our current system which favor institutional placement thereby reducing the choices that older and disabled adults and their families have. These biases need to be addressed.

COMMENTS OF THE NORTH CAROLINA PRESS ASSOCIATION

The North Carolina Press Association (NCPA) submits its comments in connection with proposed action on House Bill 1612, which if enacted as presently drafted would impose restrictions far beyond those currently in effect under G. S. Section 75-30.1 and Federal Communications Commission regulations found at 47 C.F.R. Section 64.1200(e)(2)(iii,vi). The NCPA's membership, comprised of more than one hundred daily and weekly newspapers that have been circulated in some North Carolina communities since statehood, would be directly affected by the legislation.

Although we support the state's attempt to control abusive marketing practices, the sale of subscriptions over the telephone by newspaper publishers has never been considered one of those practices. To the contrary, the public service provided by newspaper publishers is so valued that newspaper distribution is protected by the state Constitution and the First Amendment. This unique feature of the publishing industry alone makes any regulation of the methods by which newspaper distribution is promoted of doubtful constitutionality.

Apart from legal considerations, the proposed legislation is simply unnecessary. HB 1612 conflicts directly with telemarketing regulations adopted by the FCC concerning calls to existing and prospective customers (as many North Carolina publishers use out of state telemarketing services); whether or not the FCC regulations technically require it, publishers honor "do not call" instructions from both past and new potential subscribers. Worse, the proposed law would prohibit newspapers from contacting new and past subscribers at a time when publishers rely upon telephone sales for half or more of their "starts" each year. And the requirement that telephone sales agreements be reduced to writing ignores the historic practice in publishing of honoring verbal requests to stop delivery. For these reasons, there has been no outcry by consumers to curb telephone sales of newspapers.

I. THE STATE STATUTE SHOULD EXEMPT NEWSPAPERS FROM THE PROPOSED STATEWIDE "DO NOT CALL" OBLIGATIONS.

A. Current state law and federal regulations provide sufficient protection from truly abusive telemarketing practitioners.

The newspaper publishing industry's telemarketing efforts are already heavily regulated. State and federal rules have proved workable without effectively prohibiting telephone subscription sales as the proposed legislation would do.

The state's current telemarketing statute, G. S. 75-30.1, criminalizes the failure to honor requests by past and prospective subscribers who ask not to be called again. The law also restricts calling to the hours of 8 a.m. to 9 p.m. Automatic dialing with a recorded message is banned.

Interstate telemarketing is governed by Federal Communications Commission rules. HB 1612 would conflict directly with telemarketing regulations adopted by the FCC concerning calls to existing and prospective subscribers and the requirement to reduce telephone subscription sales to a written contract. Under FCC rules, if a subscriber requests to be placed on a newspaper's internal "do not call" (DNC) list, the newspaper is prohibited from making further calls to that subscriber. In contrast, HB 1612 would automatically bar a newspaper from telemarketing to a past or prospective subscriber who has registered on the statewide DNC list – even if he or she has not requested placement on the newspaper's internal DNC list as provided under the FCC rules.

The NCPA urges the General Assembly to avoid conflicts with FCC rules. If subscribers do not wish to receive further telemarketing calls from newspapers, existing FCC rules and industry practices allow them to request placement on internal DNC lists that newspapers maintain. Experience with the FCC regulations demonstrates that a very low level of subscribers requests to be placed on a newspaper's internal DNC list—one national newspaper group reports that only approximately one percent of individuals who receive a newspaper subscription sales call opt out of further telemarketing. If anything, this shows that readers find these calls a convenient way of starting or renewing a subscription.

B. The proposed ban on calls to prospective and past subscribers who list themselves on a statewide DNC list would have a dramatic effect on efforts to maintain newspaper circulation.

Even with decades of responsible telemarketing experience, newspapers have found circulation increasingly difficult to maintain. Today, marketing subscriptions by phone has become more crucial than ever to newspapers' – large and small – fiscal health. The typical newspaper must sell 60 percent of its total circulation each year just to maintain its current circulation level. At the same time, according to the Newspaper Association of America, the rate of customer-initiated subscription starts has declined from roughly 30 percent in 1996-98 to less than 25 percent of all new starts in 2000. These market conditions require newspapers affirmatively to reach out and sell more subscriptions than ever before to maintain, much less increase, circulation levels vital to their existence.

Telemarketing has proved to be the most efficient means of acquiring subscribers for all sizes of newspapers. In 2000, again according to the Newspaper Association of America, 57.8 percent of subscriptions due to marketing came from telemarketing.

It is obvious, then, that HB 1612's prohibition against telemarketing past and prospective subscribers, who have not first received a sales call from a newspaper and requested not to be called again, will dramatically affect NCPA members' ability to distribute newspapers. Exempting newspapers from the new law would avoid a circulation catastrophe.

C. HB 1612's new restrictions and requirements would unduly burden publishers' constitutional right to distribute newspapers and, therefore, would violate the free speech and press clause of the state Constitution and the First Amendment.

The distribution of newspapers, unlike the distribution of any other product, has been singled out for constitutional protection by the U. S. Supreme Court. To give meaning to free press rights, the First Amendment (and its state constitutional counterpart, Article 1, Section 14 of the North Carolina Constitution) has been interpreted to provide a broad right to distribute newspapers free of most regulation. Attempts to prohibit or restrict the placement of newsracks, prohibit door-to-door deliveries, impose tax on newracks, and even eliminate street vending of papers have been declared unconstitutional.

Although telemarketing regulations are a step removed from the regulation of the physical delivery of newspapers to readers, the proposed restrictions burden the right to distribute newspapers just the same. In fact, without the ability to sell subscriptions by telephone as currently permitted under state and federal law, many small newspapers may not survive and larger newspapers would be forced to reduce news coverage.

So in a very real sense, the proposed restrictions unduly burden the First Amendment right to distribute newspapers. For that reason, eight other states – Arkansas, Florida, Idaho, Indiana, Louisiana, Nevada, Oklahoma, and Washington – exempt newspapers from their telemarketing laws to one degree or another.

II. NEWSPAPERS ARE RESPONSIBLE TELEMARKETERS WHO SHOULD BE EXEMPT FROM THE PROPOSED LAW.

A. Newspaper publishers are good corporate citizens with historic incentives not to offend those to whom telemarketing efforts are directed.

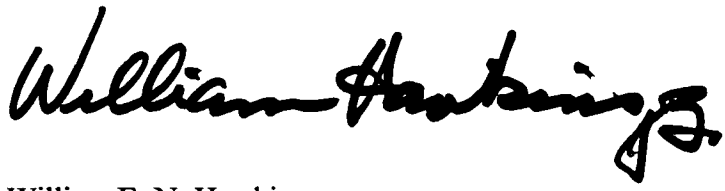
Newspapers are deeply-rooted corporate citizens in the communities in which they circulate and have compelling business incentives not to offend current or prospective customers, facts distinguishing them from the telemarketers whose abuses trigger government oversight under existing law. The vast majority of newspapers are local businesses that market to the community – mostly small communities in North Carolina – where they have a physical presence. These ties between a newspaper and the local community provide a strong check on telemarketing practices. Indeed, a newspaper's most important asset is its reputation for integrity and civic responsibility.

These market forces distinguish newspapers from telemarketers that do not invest in forming long-term relationships with consumers.

Newspapers are also responsible in their use of telemarketing, in contrast with other telemarketing companies whose practices HB 1612 aims to restrict. Consumers buying a newspaper subscription in response to a marketing call receive substantial savings over buying a paper at a newsstand. Further, there are no "small print" contracts, long-term commitments or hidden costs. And newspapers honor verbal subscriber requests to cancel subscriptions.

B. Newspaper publishers provide an important public service through the distribution of their products.

Newspapers, unlike many other telemarketers, provide valuable public benefits. Publishers serve communities typically as the only media outlet providing in-depth local news coverage. And they facilitate local political discourse by publishing news, legal notices, opinion concerning regional and national issues, and many other types of information of interest to their communities.



C. Even residents who might put themselves on a statewide DNC list won't won't mind being called to subscribe to their community newspaper.

The general experience in the newspaper publishing industry is that recipients of newspaper telemarketing are not offended by, and often appreciate the calls. For example, those who have recently moved into a community often appreciate the convenient opportunity to subscribe to a local newspaper through a telemarketing call. Others welcome the calls as reminders to renew a subscription.

III. CONCLUSION

For the foregoing reasons, the NCPA urges this Committee and the House of Representatives to exempt newspapers from HB 1612's telemarketing restrictions the way eight other states have exempted the publishing industry. Most NCPA member publishers are local businesses and all are responsible marketers of their products. To avoid imposing an undue burden on the right to distribute newspapers and avoid crippling newspapers' efforts to maintain their circulation, state law must continue to allow publishers to call past and prospective subscribers – as FCC rules currently permit --until a publisher is asked by the subscriber not to call again. And publishers should also be exempted from the requirement that telephone subscriptions sales be reduced to writing. In short, the newspaper publishing industry should be exempted entirely from the proposed telemarketing restrictions in HB 1612.

Professional Fire Fighters of Greensboro

International Association of Fire Fighters Local 947

July 8, 2002.

House Judiciary II Committee Members:

I am writing to you on behalf of the Professional Fire Fighters of Greensboro to express our objection to House Bill 1612 (Stop Unwanted Telephone Solicitations). The proposed application of a statewide "do not call" registry to our organization is unfair, unwise, and unworkable.

As fire fighters, we make it our business to serve our communities to the greatest extent possible. Our fire fighter organization is a non-profit entity that relies extensively upon small gifts from a large number of people to support numerous charitable activities. Through such contributions, we have been able to purchase a Children's Fire Safety House that has allowed us the opportunity to train children to be able to get out of fires alive. We have also donated an all-terrain rescue vehicle to our fire department for use in difficult rescues and are continuing to make payments on its purchase. It also makes it possible for us to have purchased and donated numerous smoke detectors to our department for installation in homes which otherwise may not have one and possibly save many lives. Our organization donated monies to victims of flooding in Eastern North Carolina to try and help them rebuild their lives. We give monies to other non-profit organizations such as the Red Cross, Salvation Army, Association of Retarded Citizens, Urban Ministries, Clare House (Battered Women's Shelter), Summit House (home for female non-violent offenders that can serve their time and have their children with them), and United Services for Older Adults (purchased fans to be given for heat relief). We have purchased food for the needy at holiday seasons, given to the families of fallen fire fighters after 9-11, assist fire fighters throughout the Country when they have fallen on hard times due to medical problems in their families or disasters in their lives. We also support youth athletics in our community. As you can see, if you hamper our fund raising abilities we will not be able to do even a small portion of the things that we do to give back to our communities.

House Bill 1612 is unfair because it would create a "do not call" registry maintained by state government that would apply to fundraising calls made on behalf of our organization to support our charitable activities, but would not apply to all not for profits. The U.S. Supreme Court has been consistent with their rulings that U.S. or State Legislators cannot kill the message just because they do not like the messenger. That is exactly what this bill does by allowing some non-profits that use direct employees or volunteers without remuneration to be exempt, but does not exempt others (like ourselves) that use professional solicitors. Beyond being unfair, this simply does not make any sense.

House Bill 1612 is unwise because it would prohibit our organization from contacting individuals on the "do not call' list even if they had consistently donated to our organization in the past and would still like to do so in the future. At a time when government is relying upon non-profits and charities to do more, it should not undermine the ability of organizations such as our own to provide valuable services to the public. According to figures we have received, the telemarketing industry represents $18.4 billion in sales in our State and employs 166,571. This bill will cause a significant decline in sales and tax revenues while creating higher unemployment during a period of time in our State that we can ill-afford it.

1901 Lendew Street, Greensboro, North Carolina 27408

Finally, House Bill 1612 is unworkable because it violates our First Amendment right to contact members of the public. The Supreme Court has consistently held that any limitations on free speech must be narrowly drawn and use the least intrusive means. This proposed legislation satisfies neither of these requirements.

Please take into consideration our concerns, and reject the proposal to apply the "do not call" registry to calls made on behalf of non-profit organizations that use professional solicitors. If this cannot be done then we would appreciate your "No" vote, outright, on House Bill 1612.

Please feel free to contact me, should you have any questions, by pager at 1-877-283-4515.

Sincerely,

Richard L. O'Brien

MINUTES
HOUSE COMMITTEE ON JUDICIARY II

July 16, 2002

The House Committee on Judiciary II met on Tuesday, July 16, 2002 in room 421 LOB at 10:00 a.m. The following members were present: Rep. Baddour, Chair and Reps. Bowie, Decker, Gulley, Hall, Jeffus, Justus, Miller, Pope, Sherrill, Weiss and Willingham. Bill sponsor, Rep. Edwards was additionally present. Staff including Tracy Dixon, Jeff Hudson and Robin Johnson were in attendance. A Visitor Registration sheet is attached and made part of these minutes.

Chairman Baddour called the meeting to order. Chris Carlton of Wake County (Rep. Miner), Jeff Farmer of Mecklenburg County (Speaker Black), Matt Hoina of Wake County (Rep. Weiss) and Marianna Rodriquez of Mecklenburg County (Speaker Black) served as pages.

Upon the motion of Rep. Hall the PCS, A BILL TO BE ENTITLED AN ACT TO PROMOTE READINESS FOR AND TO IMPROVE MANAGEMENT OF A PUBLIC HEALTH THREAT THAT MAY RESULT FROM AN ACT OF TERRORISM USING NUCLEAR, BIOLOGICAL, OR CHEMICAL AGENTS AND TO AMEND THE NORTH CAROLINA MEDICAL CARE COMMISSION'S RULEMAKING AUTHORITY REGARDING STANDARDS AND CRITERIA FOR THE EDUCATION AND CREDENTIALING OF PERSONS TO ADMINISTER TREATMENT FOR ANAPHYLAXIS, for HB 1612 was adopted for discussion.

Rep. Baddour recognized bill sponsor, Rep. Edwards to explain the bill. Rep. Edwards asked Robin Johnson, Committee Counsel, to go through the bill and explain what had been changed in the bill since it was last heard in committee. Ms. Johnson explained the bill and then responded to Rep. Bowie's question of the difference in definitions for quarantine and isolation authority by guiding her to page 2 of the summary.

Rep. Baddour asked for comments from State Veterinarian, Dr. Marshall. Dr. Marshall stated he was comfortable with the bill's language.

Rep. Miller questioned whether on page 8, line 32, a section from somewhere like the CDC referencing diseases could be inserted so that the law would not have to be changed to add diseases. Chris Hoke, Division of Public Health, responded that there was no approved document that he knew of to insert. Mr. Hoke responded to Rep. Miller's follow up question of the due process for a quarantined person by stating the state health director is given the authority to issue an order for quarantine or isolation until the person is determined to no longer be contagious. He stated this order could last up to 10 days and after this time period the state health director would have to obtain an order from the

judge to extend the time period for up to 30 days. A hearing would be granted within 72 hours if requested.

Rep. Baddour commented that this bill was amending the communicable disease laws to provide due process in all instances and to add bioterrorism to the statute. Rep. Bowie stated this was a good bill and listened to Mr. Hoke's response to her question of liability.

Rep. Pope asked why there was no bioagent included on page 2, lines 36 and 37. He additionally asked questions of the standard preponderance of evidence, what the definition of holidays was in the request for a hearing within 72 hours after being quarantined, and what comments on due process were made by the ACLU, the AOC, etc. In response to Rep. Pope's first question, Mr. Hoke explained the evolution of the provision over time and his thoughts that bioterrorism was put back in the provision. Ms. Johnson disagreed and stated sections that referenced bioterrorism. Mr. Hoke noted it would not be a problem to put the wording back in but commented it may be redundant. To Rep. Pope's next question on preponderance of evidence, Mr. Hoke pointed to the standard in the model act. He continued explaining the holiday definition was borrowed from other law provisions and deferred to a representative from the Administrative Office of the Courts. The result of the discussion between Rep. Pope and the AOC representative was that legal holidays set by the General Assembly could be added. Rep. Pope suggested the elimination of holidays in this bill and asked for the feel of the committee. Rep. Baddour and Mr. Hoke noted no opposition to striking the holidays. Upon the motion of Rep. Pope, a verbal amendment striking the holidays passed.

Ann Winner, ACLU, commented on page 2, line 28 about the process to trigger a hearing and asked whom the personal representative would be. Rep. Baddour responded that the personal representative could be anyone.

Rep. Baddour stated consensus was needed on the language for immunity issue and that this could be a floor amendment.

Rep. Baddour, Mr. Hoke and others took part in a conversation about the need to strengthen preponderance of evidence when holding and whether this should be switched to clear cogent and convincing. Rep. Baddour seemed to think cogent and convincing may be a bit strong but noted it was the will of the committee. Rep. Weiss noted the need to balance the right of the individual to the right to protect the public.

Discussions initiated by Rep. Pope focused on page 2, line 29 and resulted in staff drafting an amendment.

Reps. Decker and Baddour and Mr. Hoke discussed where the person being put on the 10–day limitation of freedom on page 6, line19 should be geographically located as it relates to convenience to the individual. Rep. Decker additionally asked why the state health director did not have to go through the courts relating to unreasonable search and seizures. Rep. Baddour noted that the communicable disease law has already been

established for a number of years and that this bill added bioterrorism–related wording to the existing law. Mr. Hoke also noted that a person would have an opportunity to go into court before anything is done against their will.

Rep. Baddour announced no vote would be taken on the bill and urged members who had amendments to discuss them with staff and the department. He stated he would like to take a vote on the bill at the next meeting.

Rep. Bowie pointed out a public health typo and Dr. Marshall responded that very few communicable diseases had an incubation period of greater than 30 days to Rep. Justus, before the committee adjourned.

A copy of the PCS and bill summary is attached and made part of these minutes.

The meeting adjourned at 10:55 a.m.

A BILL TO BE ENTITLED

AN ACT TO PROMOTE READINESS FOR AND TO IMPROVE MANAGEMENT OF A PUBLIC HEALTH THREAT THAT MAY RESULT FROM AN ACT OF TERRORISM USING NUCLEAR, BIOLOGICAL, OR CHEMICAL AGENTS AND TO AMEND THE NORTH CAROLINA MEDICAL CARE COMMISSION'S RULEMAKING AUTHORITY REGARDING STANDARDS AND CRITERIA FOR THE EDUCATION AND CREDENTIALING OF PERSONS TO ADMINISTER TREATMENT FOR ANAPHYLAXIS.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 130A of the General Statutes is amended by adding the following new Article to read:

"Article 22.

"Bioterrorism.

"**§ 130A-475. Suspected terrorist attack.**

(a) If the State Health Director reasonably suspects that a public health threat may exist and that the threat may have been caused by an act of terrorism using nuclear, biological, or chemical agents, the State Health Director is authorized to issue an order to:

(1) Require any person or animal to submit to examinations and tests to determine possible exposure to the nuclear, biological, or chemical agents.

(2) Test any real or personal property necessary to determine the presence of nuclear, biological, or chemical agents.

(3) Evacuate or close any real property, including any building, structure, or land when necessary to investigate suspected contamination of the property. The period of closure during an investigation shall not exceed 10 calendar days. If the State Health Director determines that a

longer period of closure is necessary to complete the investigation, the Director may institute an action in superior court to order the property to remain closed until the investigation is completed.

(4) Limit the freedom of movement or action of a person or animal that is contaminated with, or reasonably suspected of being contaminated with, a chemical or nuclear agent that may be conveyed to other persons or animals.

(5) Limit access by any person or animal to an area or facility that is housing persons or animals whose movement or action has been limited under subdivision (4) of this subsection or to an area or facility that is contaminated with, or reasonably suspected of being contaminated with, a chemical or nuclear agent that may be conveyed to other persons or animals.

(6) Exercise quarantine authority and isolation authority under G.S. 130A-145.

(b) The authority under subsection (a) of this section shall be exercised only when and so long as a public health threat may exist, all other reasonable means for correcting the problem have been exhausted, and no less restrictive alternative exists. Before applying the authority under subdivisions (4) or (5) of subsection (a) of this section to livestock or poultry for the purpose of preventing the direct or indirect conveyance of a chemical or nuclear agent to persons, the State Health Director shall consult with the State Veterinarian in the Department of Agriculture and Consumer Services.

The period of limited freedom of movement or access under subdivisions (4) and (5) of subsection (a) of this section shall not exceed 10 calendar days. Any person substantially affected by that limitation may institute in superior court in Wake County or in the county in which the limitation is imposed an action to review the limitation. If a person or a person's representative requests a hearing, the hearing shall be held within 72 hours of the filing of the request, excluding Saturdays, Sundays and legal holidays. If the State Health Director determines that a 10 calendar day limitation on freedom of movement or access is not adequate to protect the public heath, the State Health Director may institute in superior court in Wake County or in the county in which the limitation is imposed an action to obtain an order extending the period limiting the freedom of movement or access. The court shall continue the limitation for a period not to exceed 30 days if it determines, by the preponderance of the evidence, that the limitation is reasonably necessary to prevent or limit the conveyance of chemical or nuclear agents to others. Before the expiration of an order issued under this section, the State Health Director may move to continue the order for additional periods not to exceed 30 days each.

(c) If the State Health Director determines that there exists a public health threat that may have been caused by an act of terrorism using nuclear, biological, or chemical agents, the State Health Director shall notify the Secretary of Crime Control and Public Safety.

(d) For the purpose of this Article, the term "public health threat" means a situation that is likely to cause an immediate risk to human life, an immediate risk of serious physical injury or illness, or an immediate risk of serious adverse health effects.

(e) Nothing in this section shall limit any authority otherwise granted to local or State public health officials under this Chapter.

"**§ 130A-476. Access to health information.**

(a) Notwithstanding any other provision of law, a health care provider, a person in charge of a health care facility, or a unit of State or local government may report to the State Health Director or a local health director any events that may indicate the existence of a case or outbreak of an illness, condition or health hazard that may have been caused by an act of terrorism using nuclear, biological or chemical agents. Events that may be reported include unusual types or numbers of symptoms or illnesses presented to the provider, unusual trends in health care visits, or unusual trends in prescriptions or purchases of over-the-counter pharmaceuticals. A person disclosing or not disclosing information pursuant to this subsection is immune from any civil or criminal liability that might otherwise be incurred or imposed based on the disclosure or lack of disclosure provided that the health care provider was acting in good faith and without malice. In any proceeding involving liability, good faith and lack of malice are presumed.

(b) The State Health Director may issue a temporary order requiring health care providers to report symptoms, diseases, conditions, trends in use of health care services, or other health-related information when necessary to conduct a public health investigation or surveillance of an illness, condition or health hazard that may have been caused by an act of terrorism using nuclear, biological or chemical agents. The order shall specify which health care providers must report, what information is to be reported, and the period of time for which reporting is required. The period of time for which reporting is required pursuant to a temporary order shall not exceed 90 days. The Commission may adopt rules to continue the reporting requirement when necessary to protect the public health.

(c) The State Health Director and a local health director may examine, review, and obtain a copy of records containing confidential or protected health information, or a summary of pertinent portions of those records, that pertain to a report authorized by subsection (a) or required by subsection (b) of this section.

(d) A person who makes a report pursuant to subsection (b) of this section or permits examination, review or copying of medical records pursuant to subsection (c) of this section is immune from any civil or criminal liability that otherwise might be incurred or imposed as a result of complying with those subsections.

(e) Confidential or protected health information received by the State Health Director or a local health director pursuant to this section shall be confidential and shall not be released, except when the release is:

(1) Made pursuant to any other provision of law;

(2) To another federal, state, or local public health agency for the purpose of preventing or controlling a public health threat; or

(3) To a court or law enforcement official for the purpose of enforcing the provisions of this chapter or for the purpose of investigating an act of terrorism using nuclear, biological, or chemical agents. A law enforcement official who receives the information shall not disclose it further, except (i) when necessary to conduct an investigation of an attack using nuclear, biological, or chemical agents, or (ii) when the State Health Director or a local health director seeks the assistance of the law enforcement official in preventing or controlling the public health threat and expressly authorizes the disclosure as necessary for that purpose.

(f) In this section the following terms shall include:

(1) "Health care provider" includes a physician licensed to practice medicine in North Carolina or a person who is licensed, certified, or credentialed to practice or provide health care services, including, but not limited to, pharmacists, dentists, physician assistants, registered nurses, licensed practical nurses, chiropractors, respiratory care therapists, and emergency medical technicians; and

(2) "Health care facility" includes hospitals, skilled nursing facilities, intermediate care facilities, psychiatric facilities, rehabilitation facilities, home health agencies, ambulatory surgical facilities, or any other health care related facility, whether publicly or privately owned."

SECTION 2.(a) G.S. 130A-149, "Biological Agents Registry; Rules; Penalties," is recodified as G.S. 130A-477.

SECTION 2.(b) G.S. 130A-29(c)(10) reads as rewritten:

"(10) Pertaining to the biological agents registry in accordance with ~~G.S. 130A-149~~ G.S. 130A-477."

SECTION 3. G.S. 130A-133 is repealed.

SECTION 4. G.S. 130A-2 reads as rewritten:

"**§ 130A-2. Definitions.**

The following definitions shall apply throughout this Chapter unless otherwise specified:

(1) "Commission" means the Commission for Health Services.

(1a) "Communicable condition" means the state of being infected with a communicable agent but without symptoms.

SECTION 5. G.S. 130A-145 reads as rewritten:

"**§ 130A-145. ~~Local health director has quarantine~~ Quarantine and isolation authority.**

(a) The State Health Director and a~~A~~ local health director ~~and the State Health Director~~ are empowered to exercise quarantine and isolation authority. Quarantine and isolation authority shall be exercised only when and so long as the public health is

endangered, all other reasonable means for correcting the problem have been exhausted, and no less restrictive alternative exists.

(b) No person other than a person authorized by the State Health Director or local health director shall enter quarantine or isolation premises. Nothing in this subsection shall be construed to restrict the access of authorized health care, law enforcement or emergency medical services personnel to quarantine or isolation premises as necessary in conducting their duties.

(c) Before applying quarantine or isolation authority to livestock or poultry for the purpose of preventing the direct or indirect conveyance of an infectious agent to persons, the State Health Director or a local health director shall consult with the State Veterinarian in the Department of Agriculture and Consumer Services.

(d) When quarantine or isolation limits the freedom of movement of a person or animal or of access to a person or animal whose freedom of movement is limited, the period of limited freedom of movement or access shall not exceed 10 calendar days. Any person substantially affected by that limitation may institute in superior court in Wake County or in the county in which the limitation is imposed an action to review that limitation. If a person or a person's representative requests a hearing, the hearing shall be held within 72 hours of the filing of that request, excluding Saturdays, Sundays and legal holidays If the State Health Director or the local health director determines that a 10 calendar day limitation on freedom of movement or access is not adequate to protect the public heath, the State Health Director or local health director may institute in superior court in Wake County or in the county in which the limitation is imposed an action to obtain an order extending the period of limitation of freedom of movement or access. The court shall continue the limitation for a period not to exceed 30 days if it determines, by the preponderance of the evidence, that the limitation is reasonably necessary to prevent or limit the conveyance of a communicable disease or condition to others. Before the expiration of an order issued under this section, the State Health Director or local health director may move to continue the order for additional periods not to exceed 30 days each."

SECTION 6. G.S. 130A-20 reads as rewritten:

"**§ 130A-20. Abatement of an imminent hazard.**

(a) If the Secretary or a local health director determines that an imminent hazard exists, the Secretary or a local health director may order the owner, lessee, operator or other person in control of the property to abate the imminent hazard or may, after notice to or reasonable attempt to notify the owner, lessee, operator, or other person in control of the property enter upon any property and take any action necessary to abate the imminent hazard. If the Secretary or a local health director abates the imminent hazard, the ~~The~~ Department or the local health department shall have a lien on the property for the cost of the abatement of the imminent hazard in the nature of a mechanic's and materialmen's lien as provided in ~~Chapter 44A~~ Chapter 44A of the General Statutes, and the lien may be enforced as provided ~~therein.~~ in that Chapter. The lien may be defeated by a showing that an imminent hazard did not exist at the time the Secretary or the local health director took the action.

(b) The Secretary of Environment and Natural Resources and a local health director shall have the same rights enumerated in subsection (a) of this section to enforce the provisions of Articles 8, 9, 10, 11, and 12 of this Chapter."

SECTION 7. G.S. 130A-143 reads as rewritten:

This information shall not be released or made public except under the following circumstances:

(1) Release is made of specific medical or epidemiological information for statistical purposes in a way that no person can be identified;

(2) Release is made of all or part of the medical record with the written consent of the person or persons identified or their guardian;

(3) Release is made to health care personnel providing medical care to the patient;

(4) Release is necessary to protect the public health and is made as provided by the Commission in its rules regarding control measures for communicable diseases and conditions;

(5) Release is made pursuant to other provisions of this Article;

(6) Release is made pursuant to subpoena or court order. Upon request of the person identified in the record, the record shall be reviewed in camera. In the trial, the trial judge may, during the taking of testimony concerning such information, exclude from the courtroom all persons except the officers of the court, the parties and those engaged in the trial of the ~~case.~~case;

(7) Release is made by the Department or a local health department to a court or a law enforcement ~~officer~~ official for the purpose of enforcing ~~the provisions of this Article pursuant to Article 1, Part 2 of this Chapter.~~ this Article or Article 22 of this Chapter, or investigating an act of terrorism using nuclear, biological, or chemical agents. A law enforcement official who receives the information shall not disclose it further, except (i) when necessary to enforce this Article or Article 22 of this Chapter, or when necessary to conduct an investigation of an act of terrorism using nuclear, biological, or chemical agents, or (ii) when the Department or a local health department seeks the assistance of the law enforcement official in preventing or controlling the spread of the disease or condition and expressly authorizes the disclosure as necessary for that purpose;

"**§ 106-24.1. Confidentiality of information collected and published.**

All information published by the Department of Agriculture and Consumer Services pursuant to this Part shall be classified so as to prevent the identification of information received from individual farm operators. All information received pursuant to this Part from individual farm operators shall be held confidential by the Department and its employees. Information collected by the Department from individual farm operators for the purposes of its animal health programs may be disclosed by the State Veterinarian when, in his judgment, the disclosure will assist in the implementation of these programs. Animal disease diagnostic tests that identify the owner of the animal shall not be disclosed without the permission of the owner unless the State Veterinarian determines that disclosure is necessary to prevent the spread of an animal disease or to protect the public health."

SECTION 9. G.S. 106-307.2 reads as rewritten:

"**§ 106-307.2. Reports of infectious disease in livestock and poultry to State Veterinarian.**

(a) All persons practicing veterinary medicine in North Carolina shall report promptly to the State Veterinarian the existence of any reportable contagious or infectious disease in livestock and poultry. The Board of Agriculture shall establish by rule a list of animal diseases and conditions to be reported and the time and manner of reporting.

(b) The State Veterinarian shall notify the State Health Director and the Director of the Division of Environmental Health in the Department of Environment and Natural Resources when the State Veterinarian receives a report indicating an occurrence or potential outbreak of anthrax, arboviral infections, brucellosis, epidemic typhus, hantavirus infections, murine typhus, plague, psittacosis, Q fever, hemorrhagic fever virus infections, and any other disease or condition transmissible to humans that the State Veterinarian determines may have been caused by a terrorist act."

SECTION 10. G.S. 130A-152(b) is repealed.

SECTION 11. G.S. 143-518 reads as rewritten:

"**§ 143-518. Confidentiality of patient information.**

(a) Medical records compiled and maintained by the Department or EMS providers in connection with dispatch, response, treatment, or transport of individual patients or in connection with the statewide trauma system pursuant to Article 7 of Chapter 131E of the General Statutes may contain patient identifiable data which will allow linkage to other health care-based data systems for the purposes of quality management, peer review, and public health initiatives.

These medical records and data shall be strictly confidential and shall not be considered public records within the meaning of G.S. 132-1 and shall not be released or made public except under any of the following conditions:

(1) Release is made of specific medical or epidemiological information for statistical purposes in a way that no person can be identified.

(2) Release is made of all or part of the medical record with the written consent of the person or persons identified or their guardians.

(3) Release is made to health care personnel providing medical care to the patient.

(4) Release is made pursuant to a court order. Upon request of the person identified in the record, the record shall be reviewed in camera. In the trial, the trial judge may, during the taking of testimony concerning such information, exclude from the courtroom all persons except the officers of the court, the parties, and those engaged in the trial of the case.

(5) Release is made to a Medical Review Committee as defined in G.S. 131E-95, 90-21.22A, or 130A-45.7 or to a peer review committee as defined in G.S. 131E-108, 122C-30, or 131D-21.1.

(6) Release is made for use in a health research project under rules adopted by the North Carolina Medical Care Commission. The Commission shall adopt rules that allow release of information when an institutional review board, as defined by the Commission, has determined that the health research project:

a. Is of sufficient scientific importance to outweigh the intrusion into the privacy of the patient that would result from the disclosure;

b. Is impracticable without the use or disclosure of identifying health information;

c. Contains safeguards to protect the information from redisclosure;

d. Contains safeguards against identifying, directly or indirectly, any patient in any report of the research project; and

e. Contains procedures to remove or destroy at the earliest opportunity, consistent with the purposes of the project, information that would enable the patient to be identified, unless an institutional review board authorizes retention of identifying information for purposes of another research project.

(7) Release is made to a statewide data processor, as defined in Article 11A of Chapter 131E of the General Statutes, in which case the data is deemed to have been submitted as if it were required to have been submitted under that Article.

(8) Release is made pursuant to any other law.

(b) Charges, accounts, credit histories, and other personal financial records compiled and maintained by the Department or EMS providers in connection with the admission, treatment, and discharge of individual patients are strictly confidential and shall not be released."

SECTION 12. G.S. 166A-5(3) is amended by adding a new sub-subdivision to read:

"b1. Coordination with the State Health Director to amend or revise the North Carolina Emergency Operations Plan regarding public health matters. At a minimum, the revisions to the Plan shall provide for the following:

1. The epidemiologic investigation of a known or suspected threat caused by nuclear, biological, or chemical agents.
2. The examination and testing of persons and animals that may have been exposed to a nuclear, biological, or chemical agent.
3. The procurement and allocation of immunizing agents and prophylactic antibiotics.
4. The allocation of the National Pharmaceutical Stockpile.
5. The appropriate conditions for quarantine and isolation in order to prevent further transmission of disease.
6. Immunization procedures.
7. The issuance of guidelines for prophylaxis and treatment of exposed and affected persons."

SECTION 13. G.S. 143-508(d)(11) reads as rewritten:

"(11) Establish standards and criteria for the education and credentialing of persons trained to administer lifesaving treatment to a person who suffers a severe adverse reaction to ~~insect stings.~~agents that might cause anaphylaxis."

SECTION 14. This act becomes effective October 1, 2002.

HOUSE BILL 1508:
Public Health Bioterrorism Preparedness

BILL ANALYSIS

Committee:	House Judiciary II	**Introduced by:**	Rep. Zeno Edwards
Date:	July 16, 2002	**Summary by:**	Robin Johnson
Version:	Second Edition		Committee Counsel
	H1508-CSRH-61(v.14)		

SUMMARY: Recommended by the Public Health Study Commission, Sections 1-12 of this bill would create a new Article in the Public Health Law and amend North Carolina's communicable disease control laws to allow public health officials to prepare for and respond to suspected public heath threats that may be caused by an act of terrorism using nuclear, biological, or chemical agents. The PCS would expand the authority of the State Health Director and local public health officials to conduct surveillance and investigate cases of an illness or condition caused by a suspected communicable disease outbreak or an illness, disease or other health hazard resulting from a suspected terrorist attack. The PCS also would provide for coordination between the Secretary of Crime Control and Public Safety and the State Health Director regarding emergency operations and public health matters. The PCS also would require the State Veterinarian to notify the State Health Director and the Director of the Division of Environmental Health in DENR of any reports indicating a potential outbreak of a disease or condition that can be transmitted to humans. Finally the PCS would authorize the release of confidential emergency medical data to the State Health Director for the purposes of protecting public health.

The PCS makes clarifying changes and adds a new Section 13, which would direct the North Carolina Medical Care Commission to adopt rules to establish education standards and criteria of persons trained to administer lifesaving treatment for adverse reactions to agents that might cause anaphylaxis.

The PCS, if enacted, would become effective October 1, 2002.

BACKGROUND: North Carolina public health laws provide the State Health Director and local health directors with legal authority to control and prevent reportable communicable diseases and to protect against environmental hazards in partnership with hospitals, nursing homes, schools, physicians, laboratories, emergency medical services providers, and other health care providers. Subsequent to the terrorist attacks of September 11, 2001, and the subsequent release of anthrax spores through the mail in October of 2001, the State's public health laws were reviewed and evaluated as to whether the laws provide sufficient legal authority to the State Health Director and other public health officials to investigate and respond to suspected public heath threats resulting from the use of biological, nuclear or chemical agents. Despite the fact that all of the infectious agents identified by the Centers for Disease Control as agents for bioterrorism planning (e.g., anthrax, botulism, plague, smallpox, tularemia, and certain viral hemorrhagic fevers) fall within the scope of North Carolina's current communicable disease control law, it was determined that the laws are not broad enough to cover public health threats and other health hazards that may result from use of biological, chemical or nuclear agents.

Gaps in the current law were identified and legislation was presented to the Public Health Study Commission, which then recommended the bill to the General Assembly. The proposed legislation is based on The Model State Emergency Health Powers Act, prepared last Fall by the Center for Law and the Public's Health at Georgetown and Johns Hopkins Universities for the Centers for Disease Control and Prevention and in collaboration with the National Governors Association, National Conference of State

Legislatures, Association of State and Territorial Health Officials, National Association of City and County Health Officers, and National Association of Attorneys General.

This PCS includes clarifying changes proposed by the Department of Health and Human Services and changes made in response to members' questions at an earlier committee meeting.

CURRENT LAW GOVERNING THE RESPONSE TO THREATS TO PUBLIC HEALTH:

Communicable Disease Control Laws: Under these laws, the Commission for Health Services adopts rules as to which communicable diseases must be reported by which entities. Physicians, schools, clinical laboratories, etc., are required to report all cases of a communicable disease or condition to the local health director. The legal definition of "communicable disease" is an illness caused by an infectious agent such as a virus or bacterium, that can be transmitted from person to person, from an animal to a person, through an intermediate host or vector, or through the inanimate environment. Currently the list of reportable diseases includes 61 communicable diseases and conditions. A "communicable condition" is when a person has been infected with a communicable agent but does not have symptoms of disease. Local health directors then investigate reported cases and ensure that control measures are in place to prevent the spread of the disease. The State Health Director and local health directors have the authority to examine patient records pertaining to reportable communicable diseases and may exercise isolation or quarantine authority in appropriate circumstances.

Local health directors and the State Health Director have isolation and quarantine authority in order to prevent the spread of communicable diseases or conditions. Isolation applies to persons who actually have a communicable disease or condition, and quarantine applies to persons who have been or are reasonably suspected of having been exposed to a communicable disease or condition. Quarantine also applies to individuals who have not received legally required immunizations when the local health director determines that immunizations are required to control the outbreak. Isolation and quarantine authority may only be exercised when and for so long as the public health is endangered, and only when all other reasonable means for correcting the problem have been exhausted and no less restrictive alternative exists. When a person or animal is quarantined, their freedom of movement is restricted. An area of land or a facility is quarantined by restricting access by persons or animal to the area of land or facility.

Access to Confidential Health Information: Currently access to confidential health information, including confidential medical records, is limited to investigations of reportable communicable diseases or conditions.

Law Governing Abatement Authority: The Secretary of DHHS or a local health director may enter upon property after a reasonable attempt to notify the owner of the property and take any action necessary to abate an imminent hazard. The law places an automatic lien on the property to allow DHHS to recover the costs associated with the abatement.

Violation of Public Health Law and Rules: A violation of the law and rules governing the public health is a misdemeanor. A person convicted of violating a quarantine or isolation order shall be sentenced to a term of imprisonment of no more than two years. This sentence must be served in an enumerated facility or a confinement facility designed for that purpose by the Secretary of Correction after consultation with the State Health Director. A person cannot be released until a determination has been made by the district court that release would not create a danger to the public health.

If a person refuses to submit to immunizations, the State Health Director would seek a court order.

SECTION-BY-SECTION ANALYSIS: Section 1 of the PCS would create a new Article 22 (Bioterrorism) in Chapter 130A of the General Statutes. The new G.S. 130A-475 would authorize the State Health Director to undertake an investigation upon a reasonable suspicion that a public health threat may exist as a result of an act of terrorism using nuclear, biological, or chemical agents. It would authorize the State Health Director to issue orders to (i) require persons and animals to submit to testing to determine possible exposure, (ii) test property to determine presence of nuclear, biological, or chemical agents, (iii) close property to investigate suspected contamination, (iv) limit the movement or action of animals or persons that may be contaminated with a chemical or nuclear agent, (v) limit access to areas housing persons or animals that may have been contaminated with a chemical or nuclear agent, and (vi) quarantine or isolate persons and animals. The PCS limits the Health Director's authority to when a public health threat may exist, all other reasonable means for correcting the problem have been exhausted and no less restrictive alternative exists. Before quarantining, isolating, or limiting the movement or access of livestock or poultry, the Director must consult with the State Veterinarian. The PCS adds a definition of "public health threat" as a situation likely to cause an immediate risk to human life, of serious physical injury or illness, or of serious adverse health effects.

An order to limit movement or access or to quarantine or isolate is limited to a period of 10 calendar days. The PCS adds a provision allowing a person substantially affected by one of these limitations to institute an action in superior court to review the order. A hearing must be held within 72 hours of the request (not counting weekends and legal holidays). In addition, if the Director determines that 10 days is inadequate to protect the public health, she may institute an action in superior court to obtain an order to extend the period of limitation. The court may continue the period of limitation up to 30 days if it determines by the preponderance of evidence that the limitation is reasonably necessary to prevent or limit the conveyance of nuclear, biological, or chemical agents to others. Before an order has expired the Director may move to continue the limitation for additional periods not to exceed 30 days each.

If the State Health Director determines that a public health threat does in fact exist, the State Health Director must notify the Secretary of Crime Control and Public Safety.

The PCS also would create a new G.S. 130A-476 that would provide the State Health Director or local health directors access to confidential health information related to any communicable disease or condition or if necessary to investigate a suspected public health threat that may be caused by an act of terrorism using biological, chemical or nuclear weapons. Specifically, this section will:

1. Encourage health care providers, persons in charge of a health care facility (added by the PCS), and units of State and local government to report events that might indicate the existence of an illness, condition, or health hazard that may have been caused by an act of terrorism using nuclear, biological or chemical agents. This provision also would shield from civil and criminal liability any person who discloses or fails to make such a report so long as the health care provider acted in good faith and without malice (which are presumed).
2. Authorize the State Health Director to issue a temporary order (no longer than 90 days) requiring certain health care providers to make reports for a specific period of time that might indicate a suspected illness, condition, or health hazard that may have been caused by an act of terrorism using nuclear, biological or chemical agents.
3. Authorize the State Health Director or local health director to obtain and review copies of confidential medical records that pertain to a report made under this section.

4. Protect the confidentiality of health information received by the State Health Director or local health director and prohibit release unless authorized by law, made to another federal, state, or local public health agency for the purpose of preventing or controlling a public health threat, or made to a court or law enforcement official for the purpose of enforcing the public health law or for investigating an act of terrorism using nuclear, biological, or chemical agents.
5. Prohibit further disclosure of information received by law enforcement officials under this section unless disclosure is necessary to conduct an investigation of an attack using nuclear, biological, or chemical agents or unless the State Health Director or local health director has expressly authorized the disclosure as necessary for the assistance of the law enforcement official to prevent or control the public health threat. (The PCS adds this prohibition.)

The PCS also adds the definition of "health care facility" in subsection (f).

Section 2(a) and Section 2(b) make conforming changes to current law to conform to the addition of a new Article 22 "Bioterrorism".

Sections 3, 4 and 5 – Quarantine Authority: These sections would repeal G.S. 130A-133 and move its definitions to G.S. 130A-2 in order to expand their applicability to the entire Chapter. The sections would also amend G.S. 130A-2(7a) and G.S. 130A-145 to expand the public health quarantine and isolation authority with respect to communicable disease control by (1) providing that an area of land or a facility that is suspected of being contaminated with an infectious agent may be quarantined and (2) by allowing an individual that is not immunized against any communicable disease to be quarantined if the State Health Director or a local health director determines that such immunizations are required to control an outbreak of that disease. In the event of such quarantine, the PCS would provide that only persons authorized by the State Health Director or who are otherwise authorized to enter may access the quarantined area or facility.

(The PCS extends the applicability of definitions under the Article governing communicable diseases, clarifies that quarantine and isolation authority means the authority to issue orders, adds due process procedures for quarantine and isolation, makes conforming changes to link with the new G.S. 130A-475.)

Section 6- Abatement Authority: The PCS would expand abatement authority by authorizing the Secretary or local health director to order the owner, lessee, operator or other person in control of the property to abate the hazard. Failure to comply with the order may result in a civil action in superior court.

***Section 7- Confidentiality of Records of Reportable Diseases*:** This Section would amend current law regarding when disclosure of confidential health information that includes the identity of a person who has or may have a reportable disease is allowable. The bill clarifies that such disclosure by DHHS or a local health department is allowable to law enforcement officials when necessary to assist with the enforcement of the communicable disease control law or the new Article 22 created in Section 1 of the bill, or to investigate an act of terrorism using a nuclear, biological, or chemical agent. Further disclosure by law enforcement officials is limited to those purposes. (The PCS adds those limitations.)

Section 8 – Confidentiality of Information Published by the Department of Agriculture: This section would amend current law pertaining to cooperation between federal, State and local governments in agricultural work to restrict disclosure to the public of animal diagnostic tests that identify the owner of the animal without the permission of the owner *unless* the State Veterinarian determines that the disclosure is necessary to prevent the spread of an animal disease or to protect public health.

Section 9 – Control of Animal Disease: Current law requires veterinarians to report to the State Veterinarian the existence of infections diseases in livestock and poultry. This section would require the State Veterinarian to notify the State Health Director and the Director of the Division of Environment Health in DENR when a report is received that indicates an occurrence or potential outbreak of specified diseases that may be transmitted to humans and that may have been caused by a terrorist act. (The PCS enumerates the specific diseases that must be reported and directs the Board of Agriculture to establish by rule the list of reportable animal diseases and conditions and the time and manner for reporting.)

Section 10 - Measles Immunization: The bill would delete an outdated statute that requires a second measles immunization when a child is immunized before the child's first birthday.

Section 11 – Confidentiality of Patient Information: Section 13 would amend current law governing the release of medical records compiled and maintained in connection with emergency medical services or the statewide trauma system to authorize the release of such information when authorized by any law.

Section 12 – State Emergency Management Act: The PCS would add a new provision to this Act to require coordination between the State Health Director and the Secretary of Crime Control and Public Safety in revising the State Emergency Operations Plan to address public health matters in emergency management activities. (The PCS moves this provision from Section 3 to Section 12 and also changes the provision of the Emergency Management Act that is being amended.)

Section 13 – Standards for Lifesaving Treatment: Currently, the North Carolina Medical Care Commission is required to adopt rules to establish education standards and criteria of persons trained to administer lifesaving treatment for adverse reactions to insect stings. The PCS adds Section 13, to amend this directive so that these rules apply to training for persons trained to administer lifesaving treatment for adverse reactions to agents that might cause anaphylaxis. Anaphylaxis is an allergic reaction that usually is associated with an inability to breathe.

Section 14 makes the bill effective October 1, 2002.

MINUTES
HOUSE COMMITTEE ON JUDICIARY II

July 23, 2002

The House Committee on Judiciary II met on Tuesday, July 23, 2002 in room 421 LOB at 10:00 a.m. The following members were present: Reps. Bowie, Gulley, Haire, Hall, Jeffus, Justus, Miller, Pope, Sherrill, Weiss and Willingham. Rep. Edwards, bill sponsor was additionally present. Staff including Tracy Dixon, Jeff Hudson and Robin Johnson were in attendance. A Visitor Registration sheet is attached and made part of these minutes.

Rep. Haire assumed the role of Chairman in the absence of Rep. Baddour and called the meeting to order. Holly Furr of Stanly County (Rep. McMahan), Franklin Miller of Guilford County (Rep. Jarrell) and Caitlin Pickard of Wake County (Rep. Thompson) served as pages.

Chairman Haire called the meeting to order to continue discussion on HB 1508, Public Health Bioterrorism Preparedness. Bill sponsor, Rep. Edwards was in attendance to answer questions. The same PCS as used in the previous meeting was distributed. Rep. Haire sent forward amendment H1508–ARH–86 (v.1) on behalf of Reps. Bowie and Sherrill. Robin Johnson, Committee Counsel, explained the amendment and responded to Rep. Justus' question about the control of the Secretary of Crime Control and Public Safety as it related to bioterrorism. Rep. Weiss motioned for adoption of the amendment. After discussions among Reps. Hall, Haire and Miller and Mr. Hoke about inserting perfecting language on page 2, line 40 about determinable and reasonable suspicion, the amendment was adopted.

A BILL TO BE ENTITLED

AN ACT TO PROMOTE READINESS FOR AND TO IMPROVE MANAGEMENT OF A PUBLIC HEALTH THREAT THAT MAY RESULT FROM AN ACT OF TERRORISM USING NUCLEAR, BIOLOGICAL, OR CHEMICAL AGENTS AND TO AMEND THE NORTH CAROLINA MEDICAL CARE COMMISSION'S RULE-MAKING AUTHORITY REGARDING STANDARDS AND CRITERIA FOR THE EDUCATION AND CREDENTIALING OF PERSONS TO ADMINISTER TREATMENT FOR ANAPHYLAXIS.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 130A of the General Statutes is amended by adding the following new Article to read:

"Article 22.

"Bioterrorism.

"**§ 130A-475. Suspected terrorist attack.**

(a) If the State Health Director reasonably suspects that a public health threat may exist and that the threat may have been caused by an act of terrorism using nuclear, biological, or chemical agents, the State Health Director is authorized to issue an order to:

(1) Require any person or animal to submit to examinations and tests to determine possible exposure to the nuclear, biological, or chemical agents.

(2) Test any real or personal property necessary to determine the presence of nuclear, biological, or chemical agents.

(3) Evacuate or close any real property, including any building, structure, or land when necessary to investigate suspected contamination of the property. The period of closure during an investigation shall not exceed 10 calendar days. If the State Health Director determines that a

longer period of closure is necessary to complete the investigation, the Director may institute an action in superior court to order the property to remain closed until the investigation is completed.

(4) Limit the freedom of movement or action of a person or animal that is contaminated with, or reasonably suspected of being contaminated with, a chemical or nuclear agent that may be conveyed to other persons or animals.

(5) Limit access by any person or animal to an area or facility that is housing persons or animals whose movement or action has been limited under subdivision (4) of this subsection or to an area or facility that is contaminated with, or reasonably suspected of being contaminated with, a chemical or nuclear agent that may be conveyed to other persons or animals.

(6) Exercise quarantine authority and isolation authority under G.S. 130A-145.

(b) The authority under subsection (a) of this section shall be exercised only when and so long as a public health threat may exist, all other reasonable means for correcting the problem have been exhausted, and no less restrictive alternative exists. Before applying the authority under subdivision (4) or (5) of subsection (a) of this section to livestock or poultry for the purpose of preventing the direct or indirect conveyance of a chemical or nuclear agent to persons, the State Health Director shall consult with the State Veterinarian in the Department of Agriculture and Consumer Services.

The period of limited freedom of movement or access under subdivisions (4) and (5) of subsection (a) of this section shall not exceed 10 calendar days. Any person substantially affected by that limitation may institute in superior court in Wake County or in the county in which the limitation is imposed an action to review the limitation. If a person or a person's representative requests a hearing, the hearing shall be held within 72 hours of the filing of the request, excluding Saturdays and Sundays. The court shall reduce the limitation if it determines, by the preponderance of the evidence, that the limitation is not reasonably necessary to prevent or limit the conveyance of chemical or nuclear agents to others.

If the State Health Director determines that a 10-calendar-day limitation on freedom of movement or access is not adequate to protect the public health, the State Health Director may institute in superior court in Wake County or in the county in which the limitation is imposed an action to obtain an order extending the period limiting the freedom of movement or access. The court shall continue the limitation for a period not to exceed 30 days if it determines, by the preponderance of the evidence, that the limitation is reasonably necessary to prevent or limit the conveyance of chemical or nuclear agents to others. Before the expiration of an order issued under this section, the State Health Director may move to continue the order for additional periods not to exceed 30 days each.

(c) If the State Health Director reasonably suspects that there exists a public health threat that may have been caused by an act of terrorism using nuclear, biological,

or chemical agents, the State Health Director shall notify the Secretary of Crime Control and Public Safety. If the Secretary of Crime Control and Public Safety reasonably suspects that a public health threat may exist and that the threat may have been caused by an act of terrorism using nuclear, biological, or chemical agents, the Secretary shall notify the State Health Director.

(d) For the purpose of this Article, the term "public health threat" means a situation that is likely to cause an immediate risk to human life, an immediate risk of serious physical injury or illness, or an immediate risk of serious adverse health effects.

(e) Nothing in this section shall limit any authority otherwise granted to local or State public health officials under this Chapter.

"**§ 130A-476. Access to health information.**

(a) Notwithstanding any other provision of law, a health care provider, a person in charge of a health care facility, or a unit of State or local government may report to the State Health Director or a local health director any events that may indicate the existence of a case or outbreak of an illness, condition, or health hazard that may have been caused by an act of terrorism using nuclear, biological, or chemical agents. Events that may be reported include unusual types or numbers of symptoms or illnesses presented to the provider, unusual trends in health care visits, or unusual trends in prescriptions or purchases of over-the-counter pharmaceuticals. To the extent practicable, a person who makes a report under this subsection shall not disclose personally identifiable information. A person disclosing or not disclosing information pursuant to this subsection is immune from any civil or criminal liability that might otherwise be incurred or imposed based on the disclosure or lack of disclosure provided that the health care provider was acting in good faith and without malice. In any proceeding involving liability, good faith, and lack of malice are presumed. Notwithstanding the foregoing, if a health care provider or unit of State or local government willfully does not disclose information pursuant to this subsection, the immunity from civil or criminal liability provided under this subsection shall not be available if the person had actual knowledge that a condition or illness was caused by use of a nuclear, biological, or chemical weapon of mass destruction as defined in G.S. 14-288.21(c).

(b) The State Health Director may issue a temporary order requiring health care providers to report symptoms, diseases, conditions, trends in use of health care services, or other health-related information when necessary to conduct a public health investigation or surveillance of an illness, condition, or health hazard that may have been caused by an act of terrorism using nuclear, biological, or chemical agents. The order shall specify which health care providers must report, what information is to be reported, and the period of time for which reporting is required. The period of time for which reporting is required pursuant to a temporary order shall not exceed 90 days. The Commission may adopt rules to continue the reporting requirement when necessary to protect the public health.

(c) The State Health Director and a local health director may examine, review, and obtain a copy of records containing confidential or protected health information, or

a summary of pertinent portions of those records, that pertain to a report authorized by subsection (a) or required by subsection (b) of this section.

(d) A person who makes a report pursuant to subsection (b) of this section or permits examination, review, or copying of medical records pursuant to subsection (c) of this section is immune from any civil or criminal liability that otherwise might be incurred or imposed as a result of complying with those subsections.

(e) Confidential or protected health information received by the State Health Director or a local health director pursuant to this section shall be confidential and shall not be released, except when the release is:

(1) Made pursuant to any other provision of law;

(2) To another federal, state, or local public health agency for the purpose of preventing or controlling a public health threat; or

(3) To a court or law enforcement official for the purpose of enforcing the provisions of this Chapter or for the purpose of investigating an act of terrorism using nuclear, biological, or chemical agents. A law enforcement official who receives the information shall not disclose it further, except (i) when necessary to conduct an investigation of an attack using nuclear, biological, or chemical agents, or (ii) when the State Health Director or a local health director seeks the assistance of the law enforcement official in preventing or controlling the public health threat and expressly authorizes the disclosure as necessary for that purpose.

(f) In this section the following terms shall include:

(1) "Health care provider" includes a physician licensed to practice medicine in North Carolina or a person who is licensed, certified, or credentialed to practice or provide health care services, including, but not limited to, pharmacists, dentists, physician assistants, registered nurses, licensed practical nurses, chiropractors, respiratory care therapists, and emergency medical technicians; and

(2) "Health care facility" includes hospitals, skilled nursing facilities, intermediate care facilities, psychiatric facilities, rehabilitation facilities, home health agencies, ambulatory surgical facilities, or any other health care related facility, whether publicly or privately owned."

SECTION 2.(a) G.S. 130A-149, "Biological agents registry; rules; penalties", is recodified as G.S. 130A-477.

SECTION 2.(b) G.S. 130A-29(c)(10) reads as rewritten:

"(10) Pertaining to the biological agents registry in accordance with ~~G.S. 130A-149~~ G.S. 130A-477."

SECTION 3. G.S. 130A-133 is repealed.

(2) Release is made of all or part of the medical record with the written consent of the person or persons identified or their guardians.

(3) Release is made to health care personnel providing medical care to the patient.

(4) Release is made pursuant to a court order. Upon request of the person identified in the record, the record shall be reviewed in camera. In the trial, the trial judge may, during the taking of testimony concerning such information, exclude from the courtroom all persons except the officers of the court, the parties, and those engaged in the trial of the case.

(6) Release is made for use in a health research project under rules adopted by the North Carolina Medical Care Commission. The Commission shall adopt rules that allow release of information when an institutional review board, as defined by the Commission, has determined that the health research project:

a. Is of sufficient scientific importance to outweigh the intrusion into the privacy of the patient that would result from the disclosure;

b. Is impracticable without the use or disclosure of identifying health information;

c. Contains safeguards to protect the information from redisclosure;

d. Contains safeguards against identifying, directly or indirectly, any patient in any report of the research project; and

e. Contains procedures to remove or destroy at the earliest opportunity, consistent with the purposes of the project, information that would enable the patient to be identified, unless an institutional review board authorizes retention of identifying information for purposes of another research project.

(7) Release is made to a statewide data processor, as defined in Article 11A of Chapter 131E of the General Statutes, in which case the data is deemed to have been submitted as if it were required to have been submitted under that Article.

(8) Release is made pursuant to any other law.

(b) Charges, accounts, credit histories, and other personal financial records compiled and maintained by the Department or EMS providers in connection with the admission, treatment, and discharge of individual patients are strictly confidential and shall not be released."

SECTION 12. G.S. 166A-5(3) is amended by adding a new sub-subdivision to read:

"b1. Coordination with the State Health Director to amend or revise the North Carolina Emergency Operations Plan regarding public health matters. At a minimum, the revisions to the Plan shall provide for the following:

1. The epidemiologic investigation of a known or suspected threat caused by nuclear, biological, or chemical agents.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 130A of the General Statutes is amended by adding the following new Article to read:

"Article 22.

"Bioterrorism.

"**§ 130A-475. Suspected terrorist attack.**

(a) If the State Health Director reasonably suspects that a public health threat may exist and that the threat may have been caused by an act of terrorism using nuclear, biological, or chemical agents, the State Health Director is authorized to issue an order to:

(1) Require any person or animal to submit to examinations and tests to determine possible exposure to the nuclear, biological, or chemical agents.

(2) Test any real or personal property necessary to determine the presence of nuclear, biological, or chemical agents.

(3) Evacuate or close any real property, including any building, structure, or land when necessary to investigate suspected contamination of the property. The period of closure during an investigation shall not exceed 10 calendar days. If the State Health Director determines that a

longer period of closure is necessary to complete the investigation, the Director may institute an action in superior court to order the property to remain closed until the investigation is completed.

(4) Limit the freedom of movement or action of a person or animal that is contaminated with, or reasonably suspected of being contaminated with, a chemical or nuclear agent that may be conveyed to other persons or animals.

(5) Limit access by any person or animal to an area or facility that is housing persons or animals whose movement or action has been limited under subdivision (4) of this subsection or to an area or facility that is contaminated with, or reasonably suspected of being contaminated with, a chemical or nuclear agent that may be conveyed to other persons or animals.

(6) Exercise quarantine authority and isolation authority under G.S. 130A-145.

(b) The authority under subsection (a) of this section shall be exercised only when and so long as a public health threat may exist, all other reasonable means for correcting the problem have been exhausted, and no less restrictive alternative exists. Before applying the authority under subdivisions (4) or (5) of subsection (a) of this section to livestock or poultry for the purpose of preventing the direct or indirect conveyance of a chemical or nuclear agent to persons, the State Health Director shall consult with the State Veterinarian in the Department of Agriculture and Consumer Services.

The period of limited freedom of movement or access under subdivisions (4) and (5) of subsection (a) of this section shall not exceed 10 calendar days. Any person substantially affected by that limitation may institute in superior court in Wake County or in the county in which the limitation is imposed an action to review the limitation. If a person or a person's representative requests a hearing, the hearing shall be held within 72 hours of the filing of the request, excluding Saturdays, Sundays and legal holidays. If the State Health Director determines that a 10 calendar day limitation on freedom of movement or access is not adequate to protect the public heath, the State Health Director may institute in superior court in Wake County or in the county in which the limitation is imposed an action to obtain an order extending the period limiting the freedom of movement or access. The court shall continue the limitation for a period not to exceed 30 days if it determines, by the preponderance of the evidence, that the limitation is reasonably necessary to prevent or limit the conveyance of chemical or nuclear agents to others. Before the expiration of an order issued under this section, the State Health Director may move to continue the order for additional periods not to exceed 30 days each.

(c) If the State Health Director determines that there exists a public health threat that may have been caused by an act of terrorism using nuclear, biological, or chemical agents, the State Health Director shall notify the Secretary of Crime Control and Public Safety.

(d) For the purpose of this Article, the term "public health threat" means a situation that is likely to cause an immediate risk to human life, an immediate risk of serious physical injury or illness, or an immediate risk of serious adverse health effects.

(e) Nothing in this section shall limit any authority otherwise granted to local or State public health officials under this Chapter.

"**§ 130A-476. Access to health information.**

(a) Notwithstanding any other provision of law, a health care provider, a person in charge of a health care facility, or a unit of State or local government may report to the State Health Director or a local health director any events that may indicate the existence of a case or outbreak of an illness, condition or health hazard that may have been caused by an act of terrorism using nuclear, biological or chemical agents. Events that may be reported include unusual types or numbers of symptoms or illnesses presented to the provider, unusual trends in health care visits, or unusual trends in prescriptions or purchases of over-the-counter pharmaceuticals. A person disclosing or not disclosing information pursuant to this subsection is immune from any civil or criminal liability that might otherwise be incurred or imposed based on the disclosure or lack of disclosure provided that the health care provider was acting in good faith and without malice. In any proceeding involving liability, good faith and lack of malice are presumed.

(b) The State Health Director may issue a temporary order requiring health care providers to report symptoms, diseases, conditions, trends in use of health care services, or other health-related information when necessary to conduct a public health investigation or surveillance of an illness, condition or health hazard that may have been caused by an act of terrorism using nuclear, biological or chemical agents. The order shall specify which health care providers must report, what information is to be reported, and the period of time for which reporting is required. The period of time for which reporting is required pursuant to a temporary order shall not exceed 90 days. The Commission may adopt rules to continue the reporting requirement when necessary to protect the public health.

(c) The State Health Director and a local health director may examine, review, and obtain a copy of records containing confidential or protected health information, or a summary of pertinent portions of those records, that pertain to a report authorized by subsection (a) or required by subsection (b) of this section.

(d) A person who makes a report pursuant to subsection (b) of this section or permits examination, review or copying of medical records pursuant to subsection (c) of this section is immune from any civil or criminal liability that otherwise might be incurred or imposed as a result of complying with those subsections.

(e) Confidential or protected health information received by the State Health Director or a local health director pursuant to this section shall be confidential and shall not be released, except when the release is:

(1) Made pursuant to any other provision of law;

(2) To another federal, state, or local public health agency for the purpose of preventing or controlling a public health threat; or

(3) To a court or law enforcement official for the purpose of enforcing the provisions of this chapter or for the purpose of investigating an act of terrorism using nuclear, biological, or chemical agents. A law enforcement official who receives the information shall not disclose it further, except (i) when necessary to conduct an investigation of an attack using nuclear, biological, or chemical agents, or (ii) when the State Health Director or a local health director seeks the assistance of the law enforcement official in preventing or controlling the public health threat and expressly authorizes the disclosure as necessary for that purpose.

(f) In this section the following terms shall include:

(1) "Health care provider" includes a physician licensed to practice medicine in North Carolina or a person who is licensed, certified, or credentialed to practice or provide health care services, including, but not limited to, pharmacists, dentists, physician assistants, registered nurses, licensed practical nurses, chiropractors, respiratory care therapists, and emergency medical technicians; and

(2) "Health care facility" includes hospitals, skilled nursing facilities, intermediate care facilities, psychiatric facilities, rehabilitation facilities, home health agencies, ambulatory surgical facilities, or any other health care related facility, whether publicly or privately owned."

serious risk of irreparable damage to the environment if no immediate action is taken.

(3a) "Isolation authority" means the authority to issue an order to limit the freedom of movement or action of a person or animal with a communicable disease or communicable condition for the period of communicability to prevent the direct or indirect conveyance of the infectious agent from the person or animal to other persons or animals who are susceptible or who may spread the agent to others.

SECTION 5. G.S. 130A-145 reads as rewritten:

"**§ 130A-145. ~~Local health director has quarantine~~ Quarantine and isolation authority.**

(a) The State Health Director and a~~A~~ local health director ~~and the State Health Director~~ are empowered to exercise quarantine and isolation authority. Quarantine and isolation authority shall be exercised only when and so long as the public health is

endangered, all other reasonable means for correcting the problem have been exhausted, and no less restrictive alternative exists.

(b) No person other than a person authorized by the State Health Director or local health director shall enter quarantine or isolation premises. Nothing in this subsection shall be construed to restrict the access of authorized health care, law enforcement or emergency medical services personnel to quarantine or isolation premises as necessary in conducting their duties.

(c) Before applying quarantine or isolation authority to livestock or poultry for the purpose of preventing the direct or indirect conveyance of an infectious agent to persons, the State Health Director or a local health director shall consult with the State Veterinarian in the Department of Agriculture and Consumer Services.

(d) When quarantine or isolation limits the freedom of movement of a person or animal or of access to a person or animal whose freedom of movement is limited, the period of limited freedom of movement or access shall not exceed 10 calendar days. Any person substantially affected by that limitation may institute in superior court in Wake County or in the county in which the limitation is imposed an action to review that limitation. If a person or a person's representative requests a hearing, the hearing shall be held within 72 hours of the filing of that request, excluding Saturdays, Sundays and legal holidays If the State Health Director or the local health director determines that a 10 calendar day limitation on freedom of movement or access is not adequate to protect the public heath, the State Health Director or local health director may institute in superior court in Wake County or in the county in which the limitation is imposed an action to obtain an order extending the period of limitation of freedom of movement or access. The court shall continue the limitation for a period not to exceed 30 days if it determines, by the preponderance of the evidence, that the limitation is reasonably necessary to prevent or limit the conveyance of a communicable disease or condition to others. Before the expiration of an order issued under this section, the State Health Director or local health director may move to continue the order for additional periods not to exceed 30 days each."

SECTION 6. G.S. 130A-20 reads as rewritten:

"**§ 130A-20. Abatement of an imminent hazard.**

(a) If the Secretary or a local health director determines that an imminent hazard exists, the Secretary or a local health director may order the owner, lessee, operator or other person in control of the property to abate the imminent hazard or may, after notice to or reasonable attempt to notify the owner, lessee, operator, or other person in control of the property enter upon any property and take any action necessary to abate the imminent hazard. If the Secretary or a local health director abates the imminent hazard, the ~~The~~ Department or the local health department shall have a lien on the property for the cost of the abatement of the imminent hazard in the nature of a mechanic's and materialmen's lien as provided in ~~Chapter 44A~~ Chapter 44A of the General Statutes, and the lien may be enforced as provided ~~therein.~~ in that Chapter. The lien may be defeated by a showing that an imminent hazard did not exist at the time the Secretary or the local health director took the action.

(b) The Secretary of Environment and Natural Resources and a local health director shall have the same rights enumerated in subsection (a) of this section to enforce the provisions of Articles 8, 9, 10, 11, and 12 of this Chapter."

SECTION 7. G.S. 130A-143 reads as rewritten:

"**§ 130A-143. Confidentiality of records.**

All information and records, whether publicly or privately maintained, that identify a person who has AIDS virus infection or who has or may have a disease or condition required to be reported pursuant to the provisions of this Article shall be strictly confidential. This information shall not be released or made public except under the following circumstances:

(1) Release is made of specific medical or epidemiological information for statistical purposes in a way that no person can be identified;

(2) Release is made of all or part of the medical record with the written consent of the person or persons identified or their guardian;

(3) Release is made to health care personnel providing medical care to the patient;

(4) Release is necessary to protect the public health and is made as provided by the Commission in its rules regarding control measures for communicable diseases and conditions;

(5) Release is made pursuant to other provisions of this Article;

(6) Release is made pursuant to subpoena or court order. Upon request of the person identified in the record, the record shall be reviewed in camera. In the trial, the trial judge may, during the taking of testimony concerning such information, exclude from the courtroom all persons except the officers of the court, the parties and those engaged in the trial of the ~~ease.~~case;

(7) Release is made by the Department or a local health department to a court or a law enforcement ~~officer~~ official for the purpose of enforcing ~~the provisions of this Article pursuant to Article 1, Part 2 of this Chapter.~~ this Article or Article 22 of this Chapter, or investigating an act of terrorism using nuclear, biological, or chemical agents. A law enforcement official who receives the information shall not disclose it further, except (i) when necessary to enforce this Article or Article 22 of this Chapter, or when necessary to conduct an investigation of an act of terrorism using nuclear, biological, or chemical agents, or (ii) when the Department or a local health department seeks the assistance of the law enforcement official in preventing or controlling the spread of the disease or condition and expressly authorizes the disclosure as necessary for that purpose;

(8) Release is made by the Department or a local health department to another federal, state or local public health agency for the purpose of preventing or controlling the spread of a communicable disease or communicable condition;

SECTION 8. G.S. 106-24.1 reads as rewritten:

"**§ 106-24.1. Confidentiality of information collected and published.**

All information published by the Department of Agriculture and Consumer Services pursuant to this Part shall be classified so as to prevent the identification of information received from individual farm operators. All information received pursuant to this Part from individual farm operators shall be held confidential by the Department and its employees. Information collected by the Department from individual farm operators for the purposes of its animal health programs may be disclosed by the State Veterinarian when, in his judgment, the disclosure will assist in the implementation of these programs. Animal disease diagnostic tests that identify the owner of the animal shall not be disclosed without the permission of the owner unless the State Veterinarian determines that disclosure is necessary to prevent the spread of an animal disease or to protect the public health."

SECTION 9. G.S. 106-307.2 reads as rewritten:

"**§ 106-307.2. Reports of infectious disease in livestock and poultry to State Veterinarian.**

(a) All persons practicing veterinary medicine in North Carolina shall report promptly to the State Veterinarian the existence of any reportable contagious or infectious disease in livestock and poultry. The Board of Agriculture shall establish by rule a list of animal diseases and conditions to be reported and the time and manner of reporting.

(b) The State Veterinarian shall notify the State Health Director and the Director of the Division of Environmental Health in the Department of Environment and Natural Resources when the State Veterinarian receives a report indicating an occurrence or potential outbreak of anthrax, arboviral infections, brucellosis, epidemic typhus, hantavirus infections, murine typhus, plague, psittacosis, Q fever, hemorrhagic fever virus infections, and any other disease or condition transmissible to humans that the State Veterinarian determines may have been caused by a terrorist act."

SECTION 10. G.S. 130A-152(b) is repealed.

SECTION 11. G.S. 143-518 reads as rewritten:

"**§ 143-518. Confidentiality of patient information.**

(a) Medical records compiled and maintained by the Department or EMS providers in connection with dispatch, response, treatment, or transport of individual patients or in connection with the statewide trauma system pursuant to Article 7 of Chapter 131E of the General Statutes may contain patient identifiable data which will allow linkage to other health care-based data systems for the purposes of quality management, peer review, and public health initiatives.

These medical records and data shall be strictly confidential and shall not be considered public records within the meaning of G.S. 132-1 and shall not be released or made public except under any of the following conditions:

(1) Release is made of specific medical or epidemiological information for statistical purposes in a way that no person can be identified.

(2) Release is made of all or part of the medical record with the written consent of the person or persons identified or their guardians.

(3) Release is made to health care personnel providing medical care to the patient.

(4) Release is made pursuant to a court order. Upon request of the person identified in the record, the record shall be reviewed in camera. In the trial, the trial judge may, during the taking of testimony concerning such information, exclude from the courtroom all persons except the officers of the court, the parties, and those engaged in the trial of the case.

(5) Release is made to a Medical Review Committee as defined in G.S. 131E-95, 90-21.22A, or 130A-45.7 or to a peer review committee as defined in G.S. 131E-108, 122C-30, or 131D-21.1.

(6) Release is made for use in a health research project under rules adopted by the North Carolina Medical Care Commission. The Commission shall adopt rules that allow release of information when an institutional review board, as defined by the Commission, has determined that the health research project:

a. Is of sufficient scientific importance to outweigh the intrusion into the privacy of the patient that would result from the disclosure;

b. Is impracticable without the use or disclosure of identifying health information;

c. Contains safeguards to protect the information from redisclosure;

d. Contains safeguards against identifying, directly or indirectly, any patient in any report of the research project; and

e. Contains procedures to remove or destroy at the earliest opportunity, consistent with the purposes of the project, information that would enable the patient to be identified, unless an institutional review board authorizes retention of identifying information for purposes of another research project.

(7) Release is made to a statewide data processor, as defined in Article 11A of Chapter 131E of the General Statutes, in which case the data is deemed to have been submitted as if it were required to have been submitted under that Article.

(8) Release is made pursuant to any other law.

(b) Charges, accounts, credit histories, and other personal financial records compiled and maintained by the Department or EMS providers in connection with the admission, treatment, and discharge of individual patients are strictly confidential and shall not be released."

SECTION 12. G.S. 166A-5(3) is amended by adding a new sub-subdivision to read:

"b1. Coordination with the State Health Director to amend or revise the North Carolina Emergency Operations Plan regarding public health matters. At a minimum, the revisions to the Plan shall provide for the following:

1. The epidemiologic investigation of a known or suspected threat caused by nuclear, biological, or chemical agents.
2. The examination and testing of persons and animals that may have been exposed to a nuclear, biological, or chemical agent.
3. The procurement and allocation of immunizing agents and prophylactic antibiotics.
4. The allocation of the National Pharmaceutical Stockpile.
5. The appropriate conditions for quarantine and isolation in order to prevent further transmission of disease.
6. Immunization procedures.
7. The issuance of guidelines for prophylaxis and treatment of exposed and affected persons."

SECTION 13. G.S. 143-508(d)(11) reads as rewritten:

"(11) Establish standards and criteria for the education and credentialing of persons trained to administer lifesaving treatment to a person who suffers a severe adverse reaction to ~~insect stings.~~agents that might cause anaphylaxis."

HOUSE BILL 1508:
Public Health Bioterrorism Preparedness

BILL ANALYSIS

Committee:	House Judiciary II	**Introduced by:**	Rep. Zeno Edwards
Date:	July 16, 2002	**Summary by:**	Robin Johnson
Version:	Second Edition		Committee Counsel
	H1508-CSRH-61(v.14)		

SUMMARY: ***Recommended by the Public Health Study Commission, Sections 1-12 of this bill would create a new Article in the Public Health Law and amend North Carolina's communicable disease control laws to allow public health officials to prepare for and respond to suspected public heath threats that may be caused by an act of terrorism using nuclear, biological, or chemical agents. The PCS would expand the authority of the State Health Director and local public health officials to conduct surveillance and investigate cases of an illness or condition caused by a suspected communicable disease outbreak or an illness, disease or other health hazard resulting from a suspected terrorist attack. The PCS also would provide for coordination between the Secretary of Crime Control and Public Safety and the State Health Director regarding emergency operations and public health matters. The PCS also would require the State Veterinarian to notify the State Health Director and the Director of the Division of Environmental Health in DENR of any reports indicating a potential outbreak of a disease or condition that can be transmitted to humans. Finally the PCS would authorize the release of confidential emergency medical data to the State Health Director for the purposes of protecting public health.***

The PCS makes clarifying changes and adds a new Section 13, which would direct the North Carolina Medical Care Commission to adopt rules to establish education standards and criteria of persons trained to administer lifesaving treatment for adverse reactions to agents that might cause anaphylaxis.

The PCS, if enacted, would become effective October 1, 2002.

BACKGROUND: North Carolina public health laws provide the State Health Director and local health directors with legal authority to control and prevent reportable communicable diseases and to protect against environmental hazards in partnership with hospitals, nursing homes, schools, physicians, laboratories, emergency medical services providers, and other health care providers. Subsequent to the terrorist attacks of September 11, 2001, and the subsequent release of anthrax spores through the mail in October of 2001, the State's public health laws were reviewed and evaluated as to whether the laws provide sufficient legal authority to the State Health Director and other public health officials to investigate and respond to suspected public heath threats resulting from the use of biological, nuclear or chemical agents. Despite the fact that all of the infectious agents identified by the Centers for Disease Control as agents for bioterrorism planning (e.g., anthrax, botulism, plague, smallpox, tularemia, and certain viral hemorrhagic fevers) fall within the scope of North Carolina's current communicable disease control law, it was determined that the laws are not broad enough to cover public health threats and other health hazards that may result from use of biological, chemical or nuclear agents.

Gaps in the current law were identified and legislation was presented to the Public Health Study Commission, which then recommended the bill to the General Assembly. The proposed legislation is based on The Model State Emergency Health Powers Act, prepared last Fall by the Center for Law and the Public's Health at Georgetown and Johns Hopkins Universities for the Centers for Disease Control and Prevention and in collaboration with the National Governors Association, National Conference of State

Legislatures, Association of State and Territorial Health Officials, National Association of City and County Health Officers, and National Association of Attorneys General.

This PCS includes clarifying changes proposed by the Department of Health and Human Services and changes made in response to members' questions at an earlier committee meeting.

CURRENT LAW GOVERNING THE RESPONSE TO THREATS TO PUBLIC HEALTH:

Communicable Disease Control Laws: Under these laws, the Commission for Health Services adopts rules as to which communicable diseases must be reported by which entities. Physicians, schools, clinical laboratories, etc., are required to report all cases of a communicable disease or condition to the local health director. The legal definition of "communicable disease" is an illness caused by an infectious agent such as a virus or bacterium, that can be transmitted from person to person, from an animal to a person, through an intermediate host or vector, or through the inanimate environment. Currently the list of reportable diseases includes 61 communicable diseases and conditions. A "communicable condition" is when a person has been infected with a communicable agent but does not have symptoms of disease. Local health directors then investigate reported cases and ensure that control measures are in place to prevent the spread of the disease. The State Health Director and local health directors have the authority to examine patient records pertaining to reportable communicable diseases and may exercise isolation or quarantine authority in appropriate circumstances.

Local health directors and the State Health Director have isolation and quarantine authority in order to prevent the spread of communicable diseases or conditions. Isolation applies to persons who actually have a communicable disease or condition, and quarantine applies to persons who have been or are reasonably suspected of having been exposed to a communicable disease or condition. Quarantine also applies to individuals who have not received legally required immunizations when the local health director determines that immunizations are required to control the outbreak. Isolation and quarantine authority may only be exercised when and for so long as the public health is endangered, and only when all other reasonable means for correcting the problem have been exhausted and no less restrictive alternative exists. When a person or animal is quarantined, their freedom of movement is restricted. An area of land or a facility is quarantined by restricting access by persons or animal to the area of land or facility.

Access to Confidential Health Information: Currently access to confidential health information, including confidential medical records, is limited to investigations of reportable communicable diseases or conditions.

Law Governing Abatement Authority: The Secretary of DHHS or a local health director may enter upon property after a reasonable attempt to notify the owner of the property and take any action necessary to abate an imminent hazard. The law places an automatic lien on the property to allow DHHS to recover the costs associated with the abatement.

Violation of Public Health Law and Rules: A violation of the law and rules governing the public health is a misdemeanor. A person convicted of violating a quarantine or isolation order shall be sentenced to a term of imprisonment of no more than two years. This sentence must be served in an enumerated facility or a confinement facility designed for that purpose by the Secretary of Correction after consultation with the State Health Director. A person cannot be released until a determination has been made by the district court that release would not create a danger to the public health.

If a person refuses to submit to immunizations, the State Health Director would seek a court order.

SECTION-BY-SECTION ANALYSIS: Section 1 of the PCS would create a new Article 22 (Bioterrorism) in Chapter 130A of the General Statutes. The new G.S. 130A-475 would authorize the State Health Director to undertake an investigation upon a reasonable suspicion that a public health threat may exist as a result of an act of terrorism using nuclear, biological, or chemical agents. It would authorize the State Health Director to issue orders to (i) require persons and animals to submit to testing to determine possible exposure, (ii) test property to determine presence of nuclear, biological, or chemical agents, (iii) close property to investigate suspected contamination, (iv) limit the movement or action of animals or persons that may be contaminated with a chemical or nuclear agent, (v) limit access to areas housing persons or animals that may have been contaminated with a chemical or nuclear agent, and (vi) quarantine or isolate persons and animals. The PCS limits the Health Director's authority to when a public health threat may exist, all other reasonable means for correcting the problem have been exhausted and no less restrictive alternative exists. Before quarantining, isolating, or limiting the movement or access of livestock or poultry, the Director must consult with the State Veterinarian. The PCS adds a definition of "public health threat" as a situation likely to cause an immediate risk to human life, of serious physical injury or illness, or of serious adverse health effects.

An order to limit movement or access or to quarantine or isolate is limited to a period of 10 calendar days. The PCS adds a provision allowing a person substantially affected by one of these limitations to institute an action in superior court to review the order. A hearing must be held within 72 hours of the request (not counting weekends and legal holidays). In addition, if the Director determines that 10 days is inadequate to protect the public health, she may institute an action in superior court to obtain an order to extend the period of limitation. The court may continue the period of limitation up to 30 days if it determines by the preponderance of evidence that the limitation is reasonably necessary to prevent or limit the conveyance of nuclear, biological, or chemical agents to others. Before an order has expired the Director may move to continue the limitation for additional periods not to exceed 30 days each.

If the State Health Director determines that a public health threat does in fact exist, the State Health Director must notify the Secretary of Crime Control and Public Safety.

The PCS also would create a new G.S. 130A-476 that would provide the State Health Director or local health directors access to confidential health information related to any communicable disease or condition or if necessary to investigate a suspected public health threat that may be caused by an act of terrorism using biological, chemical or nuclear weapons. Specifically, this section will:

1. Encourage health care providers, persons in charge of a health care facility (added by the PCS), and units of State and local government to report events that might indicate the existence of an illness, condition, or health hazard that may have been caused by an act of terrorism using nuclear, biological or chemical agents. This provision also would shield from civil and criminal liability any person who discloses or fails to make such a report so long as the health care provider acted in good faith and without malice (which are presumed).
2. Authorize the State Health Director to issue a temporary order (no longer than 90 days) requiring certain health care providers to make reports for a specific period of time that might indicate a suspected illness, condition, or health hazard that may have been caused by an act of terrorism using nuclear, biological or chemical agents.
3. Authorize the State Health Director or local health director to obtain and review copies of confidential medical records that pertain to a report made under this section.

4. Protect the confidentiality of health information received by the State Health Director or local health director and prohibit release unless authorized by law, made to another federal, state, or local public health agency for the purpose of preventing or controlling a public health threat, or made to a court or law enforcement official for the purpose of enforcing the public health law or for investigating an act of terrorism using nuclear, biological, or chemical agents.
5. Prohibit further disclosure of information received by law enforcement officials under this section unless disclosure is necessary to conduct an investigation of an attack using nuclear, biological, or chemical agents or unless the State Health Director or local health director has expressly authorized the disclosure as necessary for the assistance of the law enforcement official to prevent or control the public health threat. (The PCS adds this prohibition.)

The PCS also adds the definition of "health care facility" in subsection (f).

Section 2(a) and Section 2(b) make conforming changes to current law to conform to the addition of a new Article 22 "Bioterrorism".

Sections 3, 4 and 5 – Quarantine Authority: These sections would repeal G.S. 130A-133 and move its definitions to G.S. 130A-2 in order to expand their applicability to the entire Chapter. The sections would also amend G.S. 130A-2(7a) and G.S. 130A-145 to expand the public health quarantine and isolation authority with respect to communicable disease control by (1) providing that an area of land or a facility that is suspected of being contaminated with an infectious agent may be quarantined and (2) by allowing an individual that is not immunized against any communicable disease to be quarantined if the State Health Director or a local health director determines that such immunizations are required to control an outbreak of that disease. In the event of such quarantine, the PCS would provide that only persons authorized by the State Health Director or who are otherwise authorized to enter may access the quarantined area or facility.

(The PCS extends the applicability of definitions under the Article governing communicable diseases, clarifies that quarantine and isolation authority means the authority to issue orders, adds due process procedures for quarantine and isolation, makes conforming changes to link with the new G.S. 130A-475.)

Section 6- Abatement Authority: The PCS would expand abatement authority by authorizing the Secretary or local health director to order the owner, lessee, operator or other person in control of the property to abate the hazard. Failure to comply with the order may result in a civil action in superior court.

Section 7- Confidentiality of Records of Reportable Diseases: This Section would amend current law regarding when disclosure of confidential health information that includes the identity of a person who has or may have a reportable disease is allowable. The bill clarifies that such disclosure by DHHS or a local health department is allowable to law enforcement officials when necessary to assist with the enforcement of the communicable disease control law or the new Article 22 created in Section 1 of the bill, or to investigate an act of terrorism using a nuclear, biological, or chemical agent. Further disclosure by law enforcement officials is limited to those purposes. (The PCS adds those limitations.)

Section 8 – Confidentiality of Information Published by the Department of Agriculture: This section would amend current law pertaining to cooperation between federal, State and local governments in agricultural work to restrict disclosure to the public of animal diagnostic tests that identify the owner of the animal without the permission of the owner *unless* the State Veterinarian determines that the disclosure is necessary to prevent the spread of an animal disease or to protect public health.

Section 9 – Control of Animal Disease: Current law requires veterinarians to report to the State Veterinarian the existence of infections diseases in livestock and poultry. This section would require the State Veterinarian to notify the State Health Director and the Director of the Division of Environment Health in DENR when a report is received that indicates an occurrence or potential outbreak of specified diseases that may be transmitted to humans and that may have been caused by a terrorist act. (The PCS enumerates the specific diseases that must be reported and directs the Board of Agriculture to establish by rule the list of reportable animal diseases and conditions and the time and manner for reporting.)

Section 10 - Measles Immunization: The bill would delete an outdated statute that requires a second measles immunization when a child is immunized before the child's first birthday.

***Section 11 – Confidentiality of Patient Information*:** Section 13 would amend current law governing the release of medical records compiled and maintained in connection with emergency medical services or the statewide trauma system to authorize the release of such information when authorized by any law.

Section 12 – State Emergency Management Act: The PCS would add a new provision to this Act to require coordination between the State Health Director and the Secretary of Crime Control and Public Safety in revising the State Emergency Operations Plan to address public health matters in emergency management activities. (The PCS moves this provision from Section 3 to Section 12 and also changes the provision of the Emergency Management Act that is being amended.)

Section 13 – Standards for Lifesaving Treatment: Currently, the North Carolina Medical Care Commission is required to adopt rules to establish education standards and criteria of persons trained to administer lifesaving treatment for adverse reactions to insect stings. The PCS adds Section 13, to amend this directive so that these rules apply to training for persons trained to administer lifesaving treatment for adverse reactions to agents that might cause anaphylaxis. Anaphylaxis is an allergic reaction that usually is associated with an inability to breathe.

Section 14 makes the bill effective October 1, 2002.

MINUTES
HOUSE COMMITTEE ON JUDICIARY II

July 30, 2002

The House Committee on Judiciary II met on Tuesday, July 30, 2002 in room 421 LOB at 10:00 a.m. The following members were present: Rep. Baddour, Chair and Reps. Bowie, Decker, Gulley, Hall, Jeffus, Justus, Miller, Pope, Sherrill, Weiss and Willingham. Bill sponsor, Sen. Hartsell was additionally present. Staff including Tracy Dixon and Jeff Hudson were in attendance. A Visitor Registration sheet is attached and made part of these minutes.

Chairman Baddour called the meeting to order. Walter Martin and Brandon Mills of Forsyth County (Rep. Oldham) and Nicole Moore of Person County (Rep. Allen) served as pages. The following bills were considered:

Upon the motion of Rep. Miller the PCS for HB 1402, A BILL TO BE ENTITLED AND ACT TO ESTABLISH AN ADDRESS CONFIDENTIALITY PROGRAM FOR VICTIMS OF DOMESTIC VIOLENCE, SEXUAL OFFENSES, AND STALKING AND TO APPROPRIATE FUNDS FOR THAT PURPOSE, was adopted for discussion.

Rep. Jeffus, bill sponsor, was recognized to explain the bill. She noted to members that this bill was before them last session and that 12 states had such a law. She also commented that there were many people who wanted to speak on the bill.

Rep. Baddour recognized Attorney General Roy Cooper for comment on the bill. AG Cooper thanked those who had worked on the bill and explained the reasoning behind the bill. He referred to the opportunities present to victims through this bill in that they would have the opportunity to use the AG's office as their address so that the victim could not be found by using public records. AG Cooper introduced Will Polk of the AG's Victims Assistance and Services Office.

Laura was then recognized to tell her story. Laura did not divulge her last name for confidentiality reasons. She stated she moved here because she was least likely to be tracked to North Carolina after her ex–husband attempted to murder her and her daughter. She noted the complication in changing her identity only to have her ex–husband hire a private detective. She noted she must mail letters to family members through third parties in other cities and noted that if bill had been made into law, she would not have experienced this anguish in not corresponding with family and friends.

AG Cooper pointed out that victims registered under this program would carry an ACP (Address Confidentiality Program) card.

Rose White Hearn, Chair of the Victims Service Provider noted up to 20 agencies that supported the bill. The full support of the N.C. Council for Women and Domestic Violence Commission was stated by Leslie Starsncik, Executive Director.

Jeff Hudson, Committee Counsel, conducted an overview of the bill and responded to Rep. Bowie's question of how marriage licenses or other contracts were handled by stating the bill directed the register of deeds to use the AG's address. Mr. Polk further explained that the victim would use their actual name and address while filling out the information but would actually use and show the card with the substitute address. Rep. Bowie followed up by questioning what about real estate deals and those deals outside the AG's office. Mr. Poke stated there was an exemption for real estate instruments (real property) that meant no substitute address would be used. For vehicles registered with the DMV, the property tax would be forwarded to the county then to the AG's office who would then forward it to the proper tax assessor. Mr. Hudson added that the bill addressed deals made with state and local governments and the substitute address could be used by a private party, if accepted. Rep. Bowie noted that there was still a lot of information out there on the victim.

Reps. Baddour and Bowie discussed the private, third party acceptance of the substitute address. Mr. Polk commented that this bill starts an overall safety plan and will slow the process of using public records. Rep. Pope followed up by stating the victim could be found through a real estate deal but that he did not have the solution. He also mentioned the marriage license would have the lady's substitute address but the gentleman's regular address and additionally asked about the mechanics of the election board. Mr. Hudson directed Rep. Pope to the last page of the bill that added the ACP to the statute and Mr. Polk and Rep. Baddour noted the willingness of the election board to work with the AG's office.

Rep. Miller stated concern over use of the victim's address on the internet. Mr. Polk responded that only the county in which the person resides would appear.

Mr. Polk stated that the AG's office did not want to get involved with forwarding election materials and this procedure would be incumbent on the program coordinators in response to Rep. Justus' question about the handling of absentee ballots.

Rep. Weiss commended the bill sponsor and called for a favorable report for the PCS.

Mr. Hudson responded to several of Rep. Decker's questions and as a follow–up to Rep. Decker's question, Mr. Polk explained why a sex offender could not participate in the program.

Rep. Bowie questioned whether establishing a witness protection program would be easier. Rep. Jeffus commented she thought it would not be easier and that this bill was not perfect, but a step forward. Mr. Polk stated they only anticipated a small number of

people to apply to this program per year. Laura told the committee of the costliness of acquiring a new identity.

Rep. Baddour noted he did not want to move the bill out of committee before members were ready and stated the bill still needed to go to the Appropriations Committee.

Mr. Polk and Rep. Pope discussed the reasoning on page 3, line 37. Rep. Baddour asked staff to prepare an amendment. After additional discussion among Mr. Hudson, Mr. Polk and Reps. Baddour and Pope, Rep. Baddour suggested the committee think this issue through and take a vote during the next committee meeting.

Rep. Miller questioned why the program was being moved from its original location in the Secretary of State's Office to the AG's office. Rep. Jeffus explained that the AG's office had existing funds to administer the program.

Rep. Decker suggested more was needed in the evidence section to ensure that an actual case of domestic violence was occurring. Rep. Baddour recommended Rep. Decker speak with staff to get an amendment drawn.

Rep. Justus questioned whether the bill still needed to go to Appropriations if the AG has existing funds. Rep. Baddour noted section 6 and stated he would feel better if the bill went through the appropriations process.

Copies of the PCS and bill summary are made part of these minutes.

Rep. Baddour told Sen. Hartsell, his bill SB 1154, A BILL TO BE ENTITLED AN ACT TO EXPAND THE LIST OF SECTIONS OF THE NORTH CAROLINA CONDOMINIUM ACT THAT APPLY TO CONDOMINIUMS CREATED ON OR BEFORE OCTOBER 1, 1986, AND TO CODIFY AN APPLICABILITY PROVISION RELATING TO THE NORTH CAROLINA PLANNED COMMUNITY ACT, AS RECOMMENDED BY THE GENERAL STATUTES COMMISSION, would be first on the agenda for the next meeting.

The meeting adjourned at 10:55 a.m.

(d) Any records or documents pertaining to a program participant shall be maintained in accordance with The General Schedule for State Agencies as established by the Department of Cultural Resources.

(e) A person who ceases to be a program participant is responsible for notifying persons who use the substitute address designated by the Attorney General as the program participant's address that the designated substitute address is no longer the person's address.

"**§ 15C-8. Address use by State or local agencies.**

(a) The program participant, and not the Attorney General, is responsible for requesting that agencies of North Carolina use the address designated by the Attorney General as the substitute address of the program participant.

(b) When a program participant submits a current and valid Address Confidentiality Program authorization card to an agency of North Carolina, the agency shall accept the address designation by the Attorney General as the program participant's substitute address when creating a new public record unless the Attorney General has determined that the agency has a statutory or administrative requirement that the agency is unable to fulfill without possession of the program participant's actual residential address and the address will be used only for those statutory or administrative purposes.

(f) For purposes of levying and collecting property taxes on motor vehicles pursuant to Article 22A of Chapter 105 of the General Statutes, the Attorney General shall issue to the county, city, or town assessor or tax collector a list containing the names and actual addresses of program participants residing in that county, city, or town. This list shall only be used for the purposes of listing, appraisal, and assessment of property and the collection of property taxes in the county, city, or town. The county, city, or town assessor or tax collector or any current or former officer, employee, or agent of any county, city, or town, who in the course of service to or employment by the county, city, or town has access to the name and actual address of a program participant, may not disclose this information to any other person. A person who violates this subsection is guilty of a Class 1 misdemeanor. If the person committing the violation is an officer or employee, that person shall be dismissed from public office or public employment and may not hold any public office or public employment in this State for five years after the violation.

(g) The substitute address designated by the Attorney General shall not be used as an address by any register of deeds for purposes of indexing land registered under Article 4 of Chapter 43 of the General Statutes in the index of registered instruments pursuant to G.S. 161-22.

(h) A program participant's address and telephone number maintained by an agency of North Carolina is not a public record within the meaning of Chapter 132 of the General Statutes.

"**§ 15C-9. Disclosure of address prohibited.**

(a) The Attorney General is prohibited from disclosing any address or telephone number of a program participant other than the substitute address designated by the Attorney General, except under the following circumstances:

(1) The information is requested by a law enforcement agency for official use only.

(2) The information is required by direction of a court order. However, any person to whom a program participant's address or telephone number has been disclosed shall not disclose the address or telephone number to any other person unless permitted to do so by order of the court.

(3) Upon request by an agency to verify the participation of a specific program participant when the verification is for official use only.

(4) Upon request by an agency, in the manner provided for by G.S. 15C-8.

(5) The program participant is required to disclose his or her actual address as part of a registration required by Article 27A of Chapter 14 of the General Statutes.

(6) If certification has been cancelled.

(b) The Attorney General shall provide immediate notification of disclosure to a program participant when disclosure is made pursuant to subdivision (2) or (4) of subsection (a) of this section.

(c) No person shall knowingly and intentionally obtain a program participant's actual address from the Attorney General knowing that he or she is not authorized to obtain the address information.

(d) No employee of an agency shall knowingly and intentionally disclose a program participant's actual address to a person known to the employee to be prohibited from receiving the participant's actual address, unless such disclosure is permissible by law. This subdivision only applies when an employee obtains a participant's actual address during the course of the employee's official duties and, at the time of disclosure, the employee has specific knowledge that the address disclosed belongs to a person participating in the program.

(e) Any person who knowingly and intentionally discloses information in violation of this section shall be guilty of a Class 1 misdemeanor and assessed a fine not to exceed five hundred dollars ($500.00).

(f) A program participant's address or telephone number maintained by the Attorney General or disclosed by the Attorney General pursuant to this Chapter is not a public record within the meaning of Chapter 132.

"**§ 15C-10. Assistance for program applicants.**

The Attorney General shall designate State and local agencies and nonprofit organizations that provide counseling and shelter services to victims of domestic violence, sexual offense, or stalking to assist persons applying to be program participants. Any assistance and counseling rendered by the Attorney General's Office or its designee to applicants shall in no way be construed as legal advice.

"**§ 15C-11. Limited liability.**

The State of North Carolina, the Attorney General's Office, agencies of North Carolina, and their officers, officials, and employees, both past and present, in their official and individual capacity, shall be absolutely immune and held harmless from any liability in any action brought by or on behalf of any person injured or harmed pursuant to the actions or inactions of the above stated entities and individuals pursuant to this Chapter.

"**§ 15C-12. Rule-making authority.**

The Attorney General is authorized to adopt any rules deemed necessary to carry out the provisions of this Chapter.

"**§ 15C-13. Additional time for action.**

Whenever the laws of this State provide a program participant a legal right to act within a prescribed period of 10 days or less after the service of a notice or other paper upon the participant, and the notice or paper is served upon the participant by mail pursuant to this Chapter, five days shall be added to the prescribed period."

SECTION 2. G.S. 1A-1, Rule 6 is amended by adding a new subsection to read:

"(f) *Additional time for Address Confidentiality Program participants.* – Whenever a person participating in the Address Confidentiality Program established by Chapter 15C of the General Statutes has a legal right to act within a prescribed period of 10 days or less after the service of a notice or other paper upon the participant, and the notice or paper is served upon the participant by mail, five days shall be added to the prescribed period."

SECTION 3. The following section is added to Article 2 of Chapter 51 of the General Statutes:

"**§ 51-16.1. Form of license for Address Confidentiality Program participant.**

The General Assembly of North Carolina enacts:

SECTION 1. The General Statutes are amended by adding a new Chapter to read:

"Chapter 15C.

The purpose of the program is to allow children and adult persons attempting to escape from actual or threatened domestic violence, sexual offenses, or violence threatened by stalkers to participate in the electoral process and other rights as citizens, including obtaining drivers licenses, birth records, public utilities, school and employment records, without placing them in fear of their assailants or potential assailants locating them. The program will: (i) allow State and local agencies to respond to requests for public records without disclosing the location of the victims; (ii) enable interagency cooperation in providing address confidentiality for the victims; (iii) enable State and local agencies to accept a program participant's use of an address designated by the Secretary of State's Office as a substitute address; and (iv) allow newly relocated victims to keep their addresses confidential from abusive individuals.

ADJOURNMENT

MINUTES
HOUSE COMMITTEE ON JUDICIARY II

August 14, 2002

The House Committee on Judiciary II met on Wednesday, August 14 2002 in room 421 LOB at 10:00 a.m. The following members were present: Rep. Baddour, Chair and Reps. Bowie, Decker, Gulley, Haire, Hall, Jeffus, Justus, Miller, Pope, Sherrill, Weiss and Willingham. Bill sponsors Sens. Clodfelter and Hartsell were additionally present. Staff including Tracy Dixon, Jeff Hudson and Robin Johnson were in attendance. A Visitor Registration sheet is attached and made part of these minutes.

Chairman Baddour called the meeting to order. Adam Nicholson or Chatham County (Rep. Morris), Danielle Scharle of Wake County (Speaker Black), Jenna Smith of Wake County (Rep. Blue) and Jeromy Taylor of Franklin (Speaker Black) served as pages. The following bills were considered:

SB 1154, A BILL TO BE ENTITLED AN ACT TO EXPAND THE LIST OF SECTIONS OF THE NORTH CAROLINA CONDOMINIUM ACT THAT APPLY TO CONDOMINIUMS CREATED ON OR BEFORE OCTOBER 1, 1986, AND TO CODIFY AN APPLICABILITY PROVISION RELATING TO THE NORTH CAROLINA PLANNED COMMUNITY ACT, AS RECOMMENDED BY THE GENERAL STATUTES COMMISSION was explained by bill sponsor, Sen. Hartsell. Upon the motion of Rep. Sherrill the bill was given a favorable report. Copies of the bill and memorandum from the General Statutes Commission are attached as part of these minutes.

Sen. Clodfelter, bill sponsor, explained SB 1394, A BILL TO BE ENTITLED AND ACT PROVIDING THAT THE CITY OF CHARLOTTE MAY BY RESOLUTION DEEM THE CREATION OF A SELF–FUNDED RISK PROGRAM AS THE PURCHASE OF INSURANCE FOR THE PURPOSE OF WAIVING GOVERNMENTAL IMMUNITY. Reps. Miller and Baddour and Sen. Clodfelter discussed the waiving of immunity as it relates to self-insurers. Upon the motion of Rep. Weiss, the bill was given a favorable report. A copy of the bill is attached and made part of these minutes.

The next item on the order of business was HB 1402, A BILL TO BE ENTITLED AN ACT TO ESTABLISH AN ADDRESS CONFIDENTIALITY PROGRAM FOR VICTIMS OF DOMESTIC VIOLENCE, SEXUAL OFFENSES, AND STALKING AND TO APPROPRIATE FUNDS FOR THAT PURPOSE. Upon the motion of bill sponsor, Rep. Jeffus the PCS was adopted for discussion. Rep. Jeffus stated she supported Rep. Pope's amendment and thanked him for the recommendation. Jeff Hudson, Committee Counsel, explained the bill.

Rep. Pope sent forward and explained amendment H1402–ASB–68 (v.4) and moved for its adoption. The amendment was adopted.

Rep. Jeffus responded to Rep. Haire's question about program participation by stating they were not projecting many applications–perhaps 300 in the coming year and the numbers are expected to increase as the program gains popularity. Rep. Haire followed up by questioning the cost to the Attorney General's office. Rep. Jeffus responded that general fund money would not be used, instead the funding would come from money appropriated from past lawsuits. She noted the estimate to be $22,000 in year one, with some of this being start–up cost.

In response to Rep. Pope, Will Polk of the Attorney General's office stated that the Register of Deeds Association and the Tax Assessors Association were both okay with the provision. Michele Frazier, N.C. Bar Association, also stated they were satisfied with the provision.

Eddie Caldwell, N.C. Sheriffs Association questioned why local law enforcers were left out on page 6, line 22. In response, Rep. Baddour asked staff to prepare an amendment.

Rep. Miller asked how many other states had similar regulations. Rep. Jeffus responded that about 12 states have similar legislation and she noted that this bill was attracting the attention of other states. She continued by reading a few statistics to demonstrate how important it was that this bill be passed to protect the citizens.

Rep. Jeffus motioned to amend the bill on page 6, line 22 to add the word "local" in response to Mr. Caldwell's concern. The motion passed.

Rep. Weiss motioned to roll all the amendments into a new PCS and to give the PCS a favorable report, unfavorable to the original bill.

Rep. Sherrill noted she would like to see the fee on page 7, line 6 raised. Rep. Pope said he shared Rep. Sherrill's concern but thought other laws might be violated by this action. Reps. Baddour, Bowie and Decker and Mr. Hudson discussed whether the committee could set the minimum fine for a class 1 misdemeanor. They decided to give the judge discretion on the $500 minimum and to raise the maximum.

Rep. Sherrill motioned for a verbal amendment that changes page 7, line 6 from $500 to $2500 and the motion carried.

Rep. Weiss withdrew and restated her motion to now roll all the amendments into a new PCS, to be given a favorable report.

In response to Rep. Pope's question as to whether this bill would need to go to the Appropriations Committee, Rep. Baddour said that he had been advised by Gerry Cohen, director of bill drafting, that the bill did not need to go to Appropriations.

The PCS was given a favorable report, unfavorable to the original bill. Copies of the PCS, the original PCS, all amendments and the bill summary are attached and made part of these minutes.

Rep. Baddour announced to the committee that there would be no 12:00 meeting tomorrow but instead, committee members would meet 15 minutes after tomorrow's session to discuss HB 1612, Stop Unwanted Telephone Solicitations, but no vote would be taken.

S887, A BILL TO BE ENTITLED AN ACT TO PROVIDE ADDITIONAL AUTHORITY FOR MAGISTRATES WHO ARE LICENSED TO PRACTICE LAW was not heard during this meeting.

The meeting adjourned at 10:55 a.m.

MEMORANDUM

TO: House Judiciary II Committee

FROM: General Statutes Commission

DATE: July 24, 2002

RE: SB 1154 (Amend Condominium and Planned Community Acts)

SB 1154 amends G.S. 47C-1-102(a) to add G.S. 47C-2-121, which authorizes the merger or consolidation of condominiums, to the list of sections of the North Carolina Condominium Act that apply to condominiums created on or before October 1, 1986. The amendment is necessitated by the lack of a merger or consolidation statute applicable to condominiums created on or before October 1, 1986. Please note that the merger or consolidation agreement must be approved by the same vote of the unit owners of each condominium that is necessary to terminate that condominium.

The bill also amends G.S. 47F-1-102 to codify an applicability provision that was enacted when the North Carolina Planned Community Act was enacted in 1998 and to conform the section to the style of G.S. 47C-1-102, the comparable section in the North Carolina Condominium Act. Many of the provisions of the North Carolina Planned Community Act were adapted from the North Carolina Condominium Act.

(4) Upon request by an agency, in the manner provided for by G.S. 15C-8.

(5) The program participant is required to disclose his or her actual address as part of a registration required by Article 27A of Chapter 14 of the General Statutes.

(b) The Attorney General shall provide immediate notification of disclosure to a program participant when disclosure is made pursuant to subdivision (2) or (4) of subsection (a) of this section.

(c) If, at the time of application, a program participant is subject to a court order related to divorce proceedings, child support, child custody, or child visitation, the Attorney General shall notify the court that issued the order of the certification of the program participant in the Address Confidentiality Program and the substitute address designated by the Attorney General. (e) No employee of the Attorney General or an agency shall knowingly and intentionally disclose a program participant's actual address to a person known to the employee to be prohibited from receiving the participant's actual address, unless such disclosure is permissible by law. This subsection only applies when an employee obtains a participant's actual address during the course of the employee's official duties and, at the time of disclosure, the employee has specific knowledge that the address disclosed belongs to a person participating in the Program.

(f) Any person who knowingly and intentionally obtains or discloses information in violation of this Chapter shall be guilty of a Class 1 misdemeanor and assessed a fine not to exceed two thousand five hundred dollars ($2,500).

(g) A program participant's address or telephone number maintained by the Attorney General or disclosed by the Attorney General pursuant to this Chapter is not a public record within the meaning of Chapter 132 of the General Statutes.

The Attorney General and all other agencies to which this act applies shall implement the provisions of this act with funds that are otherwise appropriated or available.

SECTION 10. This act becomes effective January 1, 2003.

Under this Program, the Attorney General would designate a substitute address for a program participant and act as the agent of the program participant for purposes of service of process and receiving and forwarding first-class mail. State and local government agencies would use the address designated by the Attorney General as the program participant's substitute address when creating new public records.***

BILL ANALYSIS:

Application

An adult, a parent or guardian acting on behalf of a minor who resides with the victim, or a guardian acting on behalf of an incapacitated person may apply to the Address Confidentiality Program (Program). The application must include, among other information, evidence and a statement by the applicant that the applicant or the person on behalf of whom the applicant is applying is a victim of domestic violence, sexual offense, or stalking and a statement that disclosure of the victim's address would endanger the victim's safety or the safety of the victim's child. The application must also contain a recommendation from an application assistant that the victim should be certified to participate in the program. A person who knowingly provides false information in an application shall lose certification in the Program and be subject to a civil penalty not to exceed five hundred dollars ($500).

Substitute Address

Upon the filing of a properly completed application, the Attorney General will certify the applicant as a program participant. The Attorney General will designate a substitute address for the program participant and act as the agent of the program participant for purposes of service of process and receiving and forwarding first-class mail. The Attorney General will also issue the program participant an Address Confidentiality Program authorization card. The program participant may submit this card to a State or local government agency and the agency will accept the address designated by the Attorney General as the program participant's substitute address. This substitute address shall be used by agencies when creating a new public record except under the following circumstances:

- An agency receives a waiver from the Attorney General.
- A board of elections shall use the actual address of a program participant for all election related purposes and shall keep the address confidential from the public.
- For the purpose of levying and collecting property taxes on motor vehicles, the Attorney General shall issue to county, city, or town assessors or tax collectors lists containing the names and actual addresses of program participants residing in the county, city, or town, to be used for the purposes of listing, appraisal, and assessment of motor vehicles and collection of property taxes on motor vehicles.
- The substitute address will not be used for purposes of listing, appraisal, and assessment of property and collection of taxes.
- Registers of deeds will use the actual address of a program participant for the purpose of indexing transactions involving land in the index of registered instruments.

- A local school administrative unit shall use the actual address of a program participant for any purpose related to admission or assignment and shall keep the address confidential from the public. The substitute address will, however, be used for purposes of student records. The name of a program participant contained in local board of education employee records will not be open for inspection and will be redacted prior to the release of records.

Cancellation of Certification

The Attorney General shall cancel the certification of a program participant under any of the following circumstances:

- The program participant requests the cancellation.
- The program participant fails to properly notify the Attorney General of a change in the program participant's name, address, or telephone number.
- The program participant submitted false information in applying for certification.
- Mail forwarded to the program participant is returned as undeliverable.

Disclosure of Address Prohibited

The Attorney General may only disclose the address or telephone number of a program participant under the following circumstances:

- The information is requested by a law enforcement agency.
- The information is required by direction of a court order.
- Upon request of an agency to verify the participation of a specific program participant.
- Upon request of an agency that has received a waiver from the Attorney General.
- The program participant is required to disclose his or her address as part of registration in a sex offender registration.

The Attorney General will notify a program participant of an address disclosure in response to a court order or an agency waiver. No person shall knowingly and intentionally obtain a program participant's actual address from the Attorney General or an agency knowing that he or she is not authorized to do so. No employee of the Attorney General or an agency shall knowingly and intentionally disclose a program participant's actual address to a person known to the employee to be prohibited from receiving the information. Any person who knowingly and intentionally obtains or discloses information in violation of these provisions is guilty of a Class 1 misdemeanor and will be assessed a fine not to exceed five hundred dollars ($500).

Public Records

A program participant's address and telephone number maintained by the Attorney General or an agency is not a public record.

Limited Liability

The State, its agencies, and their officers and employees are immune from any liability in any action brought by or on behalf of any person injured or harmed by the actions or inactions of these entities or individuals in implementing the Program, provided they are acting in good faith and without malice.

Additional Time for Action

Whenever State law provides a program participant a legal right to act within a prescribed period of 10 days or less after the service of a notice or other paper upon the participant and the notice is served on the participant by mail, five days will be added to the prescribed period.

MINUTES
HOUSE COMMITTEE ON JUDICIARY II

August 15, 2002

The House Committee on Judiciary II met on Thursday, August 15 2002 in room 421 LOB at 10:55 a.m. The following members were present: Rep. Baddour, Chair and Reps. Bowie, Culpepper, Gulley, Haire, Jeffus, Justus, Miller, Pope, Sherrill, Weiss and Willingham. Staff including Tracy Dixon, Jeff Hudson and Robin Johnson were in attendance. A Visitor Registration sheet is attached and made part of these minutes.

Chairman Baddour called the meeting to order. Jessica Harris and Sierra Harris of Halifax County (Rep. Hall) served as pages.

Upon the motion of Rep. Weiss the PCS for HB 1612, A BILL TO BE ENTITLED AND ACT TO ESTABLISH AND MAINTAIN A NO–CALL REGISTRY FOR CONSUMERS WHO WISH TO STOP UNWANTED TELEPHONE SOLICITATION CALLS AND TO INCREASE THE PROTECTIONS FOR CONSUMERS IN TRANSACTIONS INITIATED BY TELEMARKETERS was adopted for discussion. Josh Stein, Office of the Attorney General, explained the changes to the bill and noted a list of organizations that had removed their opposition to the bill. Rep. Pope stated it was inappropriate for Mr. Stein to offer advice as a state employee.

Rep. Sherrill asked for an updated list of who had removed their opposition and who remains opposed. Mr. Stein listed companies still opposed to the bill and responded to Rep. Jeffus' question about the opposition of the Professional Fire Fighters. Mr. Stein additionally explained to Rep. Miller why there was an exemption for existing business language.

Jeff Hudson, Committee Counsel, went through the bill and handouts with the members. Rep. Bowie spoke on dealing with solicitors and their affiliates. Rep. Baddour explained the compromise of having the existing business relationship exemption. Rep. Bowie noted her concern about a citizen who wanted to hear from affiliates. Rep. Sherrill additionally questioned how a person would know it was an affiliate that was calling and stated she would like to come back to this issue.

Rep. Pope, Mr. Hudson and Mr. Stein discussed the policy intent of page 3, line 34.

In response to Rep. Justus' question of how a new bank was to get customers, Mr. Stein stated the bank could call anyone willing to receive calls and felt a good compromise was reached with the existing business relationship exemption. Rep. Justus voiced his concerns over how a new business was supposed to start.

Rep. Pope posed the questions of how the existing business relationship provision works with in–store sales and do discount/credit cards with a business qualify as a relationship. Mr. Stein stated the intent of the legislation is to set the time of retail purchase as the end of the relationship and from this point a business would have 18 months to contact a customer. Mr. Hudson believed Rep. Pope's example would be an existing business relationship and Mr. Stein commented that there would be a difference between a discount card and a line of credit under the definition. Rep. Baddour suggested the language might need some clarification.

Mr. Hudson explained to Rep. Haire how a person would get on the no–call registry by stating the person would notify the AG's office where the rules would be developed. Mr. Stein additionally commented that it was the intent of the AG's office to have a simple way to get on the list, likely by phone, email, mail or the internet.

Rep. Haire questioned whether one person could register multiple names and Mr. Stein responded that each person must register himself or herself.

Mr. Stein responded to Rep. Bowie's question of whether out–of–state businesses were included in the 18-month existing business relationship timeframe. Rep. Baddour additionally noted that a person could give special permission to any business to receive calls even if they are on the no–call registry. Rep. Bowie stated that it was an inconvenience to write each company that a person still wants to hear from and asked how out–of–state businesses would know the laws regarding no call lists in North Carolina. Mr. Stein stated that a person would only have to write an individual company giving them permission to call if a person signed up on the no call list. Rep. Baddour commented that this list was not for everyone and those people who wanted to receive phone calls should not sign up on the list.

Rep. Pope and Mr. Stein discussed the intentions of the provision on page 3, line 8 about employing fewer than 10 employees. Rep. Pope suggested changing the wording to say few then 10 employers per establishment.

Rep. Baddour clarified how the no call registry would work for Rep. Justus.

Rep. Haire questioned whether there was any distinction in the bill between residents, who would pay for the service through their taxes and nonresidents who would not. Mr. Stein stated it would be difficult to capture resident versus non-resident in law but that the service would be based on residential telephone subscribers. Rep. Baddour suggested that this distinction was outside the scope of the bill and stated that Rep. Miller would be recognized then Mr. Hudson would finish the bill explanation.

Rep. Miller asked how change in telephone numbers would be handled by the no–call list. Mr. Hudson stated the bill directs the phone company to notify the AG's office when a phone is disconnected. Mr. Hudson then continued the explanation of the bill.

Rep. Pope suggested an exemption for small businesses that make very few calls and noted the example of an art dealer he deals with on the average of every four years. He noted he was not sure the art dealer knew he was supposed to abide by a list. Rep. Baddour stated the bill was still being worked on and that discussion would be continued during the next meeting. Mr. Stein noted he would be happy to discuss the suggested amendment with Rep. Pope.

Copies of the PCS, bill summary, comparison of no call laws by state and exemptions to state no–call lists by state are attached and made part of these minutes.

The meeting adjourned at 11:55 a.m.

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH AND MAINTAIN A NO-CALL REGISTRY FOR CONSUMERS WHO WISH TO STOP UNWANTED TELEPHONE SOLICITATION CALLS AND TO INCREASE THE PROTECTIONS FOR CONSUMERS IN TRANSACTIONS INITIATED BY TELEMARKETERS.

The General Assembly of North Carolina enacts:

SECTION 1. The General Assembly of North Carolina makes the following findings:

(1) The use of the telephone to market goods and services to the home is now pervasive due to the increased use of cost-effective telemarketing technologies and techniques.

(2) While some consumers enjoy and benefit from unsolicited telemarketing contacts from legitimate telemarketers, many others object to these contacts as an intrusive invasion of an individual's right of privacy in the home.

(3) In addition, the proliferation of unsolicited telemarketing calls, especially during the evening hours, creates a nuisance and a disturbance upon the home and family life of North Carolina residents during a time of day used by many families for traditional family activities.

(4) North Carolina residents should have the freedom to choose whether or not to permit telemarketers to contact them.

(5) Individual privacy rights, personal safety, prevention of fraud, and commercial freedom of speech and trade must be balanced in a way that protects the privacy of individuals and permits legitimate telemarketing practices.

(6) Legitimate telemarketers have no interest in continuing to invade the privacy of those consumers who affirmatively express their objections to such contact.

(7) Many North Carolina consumers who have transacted business with firms that employ telemarketing have experienced problems with their checking and credit card accounts being debited before they can evaluate the terms and conditions of the transaction, before they can evaluate the merchandise or service to be delivered, or without their agreement to enter into the transaction or authorize such transactions in the first place.

(8) New technologies that make telemarketing more cost-effective also allow for the creation of a State No-Call Registry through which North Carolina consumers can easily register their desires not to receive further telemarketing calls and telemarketers can easily access and employ lists of consumers who have registered those desires.

(9) The public interest requires an efficient mechanism for North Carolina residents to notify telemarketers that their telephone numbers cannot be called and additional protections for North Carolina residents who enter into consumer transactions initiated through telemarketing calls.

SECTION 2. G.S. 75-30.1 reads as rewritten:

Express invitation or permission does not include any consent or permission included in a contract of adhesion. Such invitation or permission must be registered by the residential telephone subscriber on an independent form. In any dispute regarding whether a residential telephone subscriber has provided this express written permission, the telephone solicitor has the burden of proving that the residential telephone subscriber has provided this permission by producing the original document, a facsimile document, or an electronic form, signed by the residential telephone subscriber, or other authentification that evidences permission.

(1) The telephone number of a residential telephone subscriber shall be placed in the No-Call Registry immediately upon receipt of a request submitted by the residential telephone subscriber pursuant to registration procedures established by the Attorney General. The residential telephone subscriber's number shall remain in the No-Call Registry until the residential telephone subscriber notifies the Attorney General, in accordance with these registration procedures, that it should be removed. A local exchange company, as defined in G.S. 62-3, or a competing local provider, as defined in G.S. 62-3, shall provide the Attorney General a list of disconnected numbers on an annual basis.

(2) Not less than 10 days before commencing telephone solicitations in this State, a telephone solicitor shall register pursuant to G.S. 66-261 and obtain from the Attorney General a copy of the most up-to-date quarterly edition of the No-Call Registry. (6) No telephone solicitor or other entity shall sell, assign, transfer, or convey any copy of the No-Call Registry to parties other than its employees or its wholly owned subsidiaries. If a telephone solicitor utilizes other telephone solicitors to make telephone solicitations for it in North Carolina on a subcontract, commission, partnership, or similar basis, that other telephone solicitor shall register under G.S. 66-261 and shall procure and utilize its own copy of the current No-Call Registry from the Attorney General in accordance with the provisions of this section. No telephone solicitor may use the information on the No-Call Registry for any purpose other than to remove residential telephone subscribers from its own telephone call lists and to prevent calls from being placed by it to telephone numbers listed in the No-Call Registry.

(7) No information compiled and maintained in the No-Call Registry is a public record under Chapter 132 of the General Statutes. Information contained in the No-Call Registry shall be used only for complying with or enforcing the requirements of this section.

The Commission shall also ensure that this information is printed in a clear, conspicuous manner in the consumer information pages of each telephone directory distributed to residential customers."

HOUSE BILL 1612:
Stop Unwanted Telephone Solicitations

BILL ANALYSIS

Committee:	House Judiciary II	**Introduced by:**	Representatives Baddour and Redwine
Date:	August 15, 2002		
Version:	Proposed Committee Substitute H1612-CSSBf-SB-73 [v.5]	**Summary by:**	Jeff Hudson, Committee Counsel

SUMMARY: ***The Proposed Committee Substitute for House Bill 1612, would direct the Attorney General to establish a No-Call Registry and would prohibit telephone solicitors from calling the telephone number of a residential telephone subscriber if the subscriber's telephone number appears in the No-Call Registry. The Proposed Committee Substitute would also increase the filing fees for telephone solicitors and regulate the formation of contracts via telephone solicitations.***

BILL ANALYSIS:

Section 1. Findings

Section 2. Restrictions on Telephone Solicitations

Under current law, a telephone solicitor may not call a residential telephone subscriber who has communicated to that telephone solicitor a desire to be taken off the telephone solicitor's contact list. Section 2 prohibits a telephone solicitor from calling the telephone number of a residential telephone subscriber if the subscriber's telephone number appears in the No-Call Registry.

Section 2 also:

- Amends the definitions related to the regulation of telephone solicitations as follows:
  - Expands the definition of "telephone solicitation" to include telephone calls for the purpose of soliciting or encouraging participation in a contest, sweepstakes, raffle, or lottery and for the purpose of obtaining a charitable donation.
  - Amends the list of exemptions from the definition of "telephone solicitation" as follows:
    - The established business relationship exemption applies to existing business relationships as well as business relationships that have existed within the prior 18 months. An established business relationship is an ongoing, voluntary relationship formed prior to the telephone solicitation between a telephone solicitor or one or more of its affiliates and a residential telephone subscriber.
    - An exemption is added for calls that are in connection with an existing debt or contract.
    - An exemption is added for reference checks.
    - An exemption is added for persons, businesses, or other legal entities that employ fewer than 10 direct employees and those direct employees collectively make or attempt to make no more than 10 unsolicited calls per week.
    - An exemption is added for arranging face-to-face meetings.

  - Defines "doing business in this State" as making or causing to be made any telephone solicitation to residential telephone subscribers, whether the telephone solicitations are made from a location inside or outside North Carolina. **Note:** This definition is designed to address the issue of whether North Carolina has jurisdiction to enforce telephone solicitation laws against out-of-state telephone solicitors.

- Provides that if a telephone solicitor makes a call to a residential telephone subscriber whose number is in the No-Call Registry based on an existing or past business relationship and the subscriber communicates a desire to receive no further telephone solicitations from that telephone solicitor or one of its affiliates, the telephone solicitor will remove that person's number from its contact records and the contact records of all of its affiliates within 30 days.
- Provides that a telephone solicitor may contact a residential telephone subscriber whose telephone number appears in the No-Call Registry via non-telephonic means in order to obtain the subscriber's express written permission allowing the telephone solicitor to make telephone solicitations to the subscriber.
- Provides that a telephone solicitor may advertise in a general medium or contact a residential telephone subscriber whose telephone number appears in the No-Call Registry via non-telephonic means in order to encourage the subscriber to initiate telephonic communications to the telephone solicitor.
- Authorizes the Attorney General to bring an action to impose the following civil penalties for violations of telephone solicitation laws:
  - $500 for the first violation, $1,000 for the second violation, and $5,000 for the third and each subsequent violation within the past two years.
  - $100 for each violation within the past two years if the telephone solicitor has established in-house procedures to comply with telephone solicitation requirements, has maintained a list of persons that may not be contacted, and the violations are the result of a mistake.
- Authorizes the Attorney General to initiate an action on behalf of residential telephone subscribers. The Attorney General may not, however, seek treble damages under this provision.
- Authorizes a residential telephone subscriber who has received telephone solicitations in violation of the telephone solicitation laws to bring an action to recover $500 for the first violation, $1,000 for the second violation, and $5,000 for the third and each subsequent violation within the past two years.
- Provides that no action may be brought by or on behalf of residential telephone subscribers under this provision if the telephone solicitor has established in-house procedures to comply with telephone solicitation requirements, has maintained a list of persons that may not be contacted, and the violations are the result of a mistake

Section 3. Caller Identification Block

Under current law, a telephone solicitor may not knowingly block a residential telephone subscriber's caller identification service. Use of a call generating system that does not transmit caller identification information, however, is not a violation of this prohibition. Section 3 repeals the exemption for call generating systems effective January 1, 2006.

Section 4. No-Call Registry

Section 4 directs the Attorney General to establish and maintain a No-Call Registry containing the telephone numbers of residential telephone subscribers who do not wish to receive telephone solicitations at those numbers. The No-Call Registry will be operated in the following manner:

- The telephone number of a residential telephone subscriber will be placed in the No-Call Registry upon the request of the subscriber and will remain in the No-Call Registry until the subscriber requests its removal or the Attorney General is notified that the number has been disconnected.
- Not less than 10 days before commencing telephone solicitations, a telephone solicitor must register with the Attorney General, pay a filing fee, and obtain the latest edition of the No-Call Registry.
- A telephone solicitor may not sell, assign, transfer, or convey a copy of the No-Call Registry to parties other than its employees or its wholly owned subsidiaries.
- Information contained in the No-Call Registry may only be used to remove residential telephone subscribers from telephone call lists and to prevent calls from being placed to telephone numbers listed in the No-Call Registry. Information contained in the No-Call Registry is not a public record.

Section 5. Notification of Opportunity to Object to Telephone Solicitations

Under current law, each local exchange company must notify each residential telephone subscriber, at least annually, of various provisions of State and federal law that allow consumers to object to receiving telephone solicitations and that allow consumers to have their names removed from telemarketing lists. This information must also be contained in the consumer information pages of each telephone directory.

Section 5 requires both local exchange companies and competing local exchange companies to disseminate a bill insert produced by the Attorney General once every two years and disseminate a bill insert produced by the local exchange companies or competing local exchange companies three times every two years. This section applies to telephone directories printed on or after April 1, 2003.

Section 6. Restriction on Use of Automatic Dialing and Recorded Message Players

Under current law, no person may use an automatic dialing and recorded message player to make unsolicited telephone calls unless the person is a charitable, civic, political, or opinion polling organization, or a radio station, television station, or broadcast rating service conducting a public opinion poll and the person clearly identifies the nature of the call and the name and address of the calling organization. Violation of this prohibition is a Class 3 misdemeanor punishable only by a fine of $100 per occurrence.

Section 6 adds the requirement that no part of an unsolicited telephone call from an automatic dialing and recorded message player may be used to solicit or encourage the purchase or rental of, or investment in, property, goods, or services; to obtain information that will or may be used to solicit or encourage the purchase or rental of, or investment in, property, goods, or services; or to solicit or encourage the making of a charitable donation.

Section 6 also:

- Provides that a call is unsolicited if the telephone number of the person called appears in the No-Call Registry.
- Deletes the penalty for violation of this section.
- Provides that this section does not apply to calls made in connection with an existing debt or contract.

Section 7. Telephone Solicitor Registration and Bond Requirement

Under current law, not less than 10 days before commencing telephone solicitations, a telephone solicitor must register with the Secretary of State and pay a $100 filing fee. Section 7 requires telephone solicitors to register with the Attorney General not less than 10 days before commencing telephone solicitations and pay the following fees:

- $1,000 if the telephone solicitor employs 500 or more direct employees.
- $750 if the telephone solicitor employs between 50 and 500 direct employees.
- $500 if the telephone solicitor employs between 5 and 51 direct employees.
- $250 if the telephone solicitor employs 5 or fewer direct employees.

Section 7 also:

- Amends the definitions related to the registration and bonding of telephone solicitors as follows:
  - Defines "telephone solicitor" to also include any person, business, or other legal entity that receives inbound telephone solicitations.
  - Defines "inbound telephone solicitation" as a telephone call initiated by a prospective purchaser in response to any notice that the prospective purchaser has won a contest, may qualify for credit, may receive a free or discounted vacation, or may receive a membership into a discount buying club.
  - Defines "prospective purchaser" as a residential telephone subscriber and any member of the residential telephone subscriber's household.
- Provides that for a contract or purchase agreement secured during a telephone solicitation to be valid:
  - The contract must be reduced to writing and signed by the consumer.
  - The contract complies with all other applicable laws.
  - The contract contains the name, address, and business telephone number of the seller; the total price of the contract; and a detailed description of the goods or services being sold.
  - The goods or services comply with the description used in the telephone solicitation.
  - The contract contains a statement that the prospective purchaser is not obligated to pay unless the prospective purchaser signs the contract and returns it to the seller.
  - The contract does not exclude any representations made by the telephone solicitor.

  This provision does not apply to any transaction in which the prospective purchaser has a right to cancel a contract or offer to purchase and receive a full refund.

- Provides that a telephone solicitor or a merchant who engages a telephone solicitor to make telephone solicitations to a prospective purchaser may not make or submit a charge to the prospective purchaser's accounts or make an electronic transfer of funds until the merchant receives a signed copy of the written contract from the prospective purchaser. This provision does not apply to any transaction in which the prospective purchaser has a right to cancel a contract or offer to purchase and receive a full refund.
- Provides that a telephone solicitor cannot charge or debit a prospective purchaser's previously obtained account number in a telephone solicitation unless the telephone solicitor has obtained a written or verbal authorization from the prospective purchaser for the specific charge or debit discussed during the telephone solicitation.

Section 8. Severability Clause

If any provision of the act is held to be unenforceable or invalid, the remainder of the act that has not been held to be unenforceable or invalid shall remain in effect.

Section 9. Construction of Act

Consistent with protected speech rights, this act shall be construed broadly to protect residential telephone subscribers from unwanted telephone solicitations and from problematic sales techniques and payment procedures often associated with these solicitations. **Note:** This provision is designed to address concerns that may arise due to the act's regulation of various forms of speech.

Section 10. Effective Dates

Except as otherwise noted, this act is effective January 1, 2003 and applies to telephone solicitations made on or after that date.

Section 11. Effectiveness Contingent on Appropriation

This act becomes effective only if a Budget Bill that contains a provision that is equivalent to Section 15.2(a) of the Senate Budget Bill becomes law. Section 15.2(a) of the Senate Budget Bill provides that the Department of Justice may use up to one million dollars ($1,000,000) of the funds available to the Department during the 2002-2003 fiscal year to establish and implement a no-call registry to stop unwanted telemarketing calls and to increase protections for consumers in transactions initiated by telemarketers. Section 15.2(a) of the House Budget Bill provides that the Department of Justice may use up to seven hundred thousand dollars ($700,000) of the funds available to the Department during the 2002-2003 fiscal year to establish and implement a no-call registry to stop unwanted telemarketing calls and to increase protections for consumers in transactions initiated by telemarketers.

Following are the substantive changes that have been made to House Bill 1612 (Stop Unwanted Telephone Solicitations) since it was presented in House Judiciary II on July 9, 2002.

Proposed Committee Substitute H1612-CSSBf-73 [v.5]:

- Provides that the established business relationship exception to the definition of telephone solicitation applies to exiting business relationships as well as business relationships that have existed within the prior 18 months. Also defines "established business relationship" and "affiliate". (page 2, lines 42 through 44; page 3, lines 38 through 40; page 4, lines 1 through 5)

- Returns the tax-exempt organization exception to current law so that calls do not have to be made by direct employees of the organization or unpaid volunteers (page 3, line 4)

- Provides an exception to the definition of telephone solicitation for arranging a face-to-face meeting between the person initiating the call and the person receiving the call. (page 3, lines 14 through 33)

- Provides that if a telephone solicitor makes a call to a residential telephone subscriber whose number is in the No-Call Registry based on an existing or past business relationship and the subscriber communicates a desire to receive no further telephone solicitations from that telephone solicitor or one of its affiliates, the telephone solicitor will remove that person's number from its contact records and the contact records of all of its affiliates within 30 days. (page 4, lines 33 through 42)

- Provides that the Attorney General may initiate an action on behalf of residential telephone subscribers pursuant to G.S. 75-30.1(i). The Attorney General may not, however, seek treble damages under this provision. (page 6, lines 4 through 9)

- Provides that the increased penalties for multiple violations of the no call prohibition must occur within a two-year period. (page 6, lines 16, 17, and 36)

- Deletes the provision that allowed telephone subscribers to bring an action to recover $100 per violation of the no-call prohibition when the telephone solicitor had otherwise generally complied with telephone solicitation laws and procedures. Now provides that no action may be brought by or on behalf of residential telephone subscribers if the telephone solicitor generally complied with telephone solicitation laws and procedures. (was at page 6, between lines 36 and 37)

- Changes the requirement that local exchange companies notify the Attorney General when telephone numbers are disconnected to a requirement that local exchange companies provide the Attorney General a list of disconnected numbers on an annual basis. (page 7, lines 34 through 37)

- Removes the "technically feasible and economically practicable" language from the requirement that the Attorney General transfer telephone numbers from any federal do-not-call registry to the State No-Call Registry. (was at page 8, line 18)

- Provides that a telephone solicitor or other entity may not transfer a copy of its No-Call Registry to any party other than its employees or wholly owned subsidiaries. This provision no longer allows a telephone solicitor to transfer a copy of its No-Call Registry to independent contractors with whom the telephone solicitor has a business relationship. (page 8, lines 26 through 38)

- Reduces the requirement on local exchange companies to notify residential telephone subscribers of their opportunities to object to telephone solicitations. The bill insert produced by the Attorney General must be disseminated once every two years rather than once each year. The bill insert produced by the local exchange company must be disseminated three times every two years rather than once each year. (page 9, lines 5 through 21)

- Provides that the prohibition on using automatic dialing and recorded message players to make telephone solicitations also applies to telephone solicitations for charitable donations. (page 9, lines 36 and 37)

- Expands the definition of "inbound telephone solicitations" to include calls that are initiated in response to telephone calls and television advertising. Also expands the definition to include calls about free or discounted vacation or travel packages and memberships in discount buying clubs. (page 10, lines 37 and 38; page 11, lines 4 through 8)

- Bases the amount of the filing fee on the number of direct employees of the telephone solicitor rather than the employees and independent contractors. (page 15, line 32 through page 16, line 2)

- Excepts certain financial institutions that are acting as telephone solicitors from the requirement that they submit to the Attorney General information related to civil, criminal, or administrative proceedings involving certain forms of financial fraud. (page 17, line 40 through page 18, line 2)

- Provides that the regulation of contracts secured during telephone solicitations provisions do not apply to any transaction in which the prospective purchaser has a right to cancel a contract or offer to purchase and receive a full refund. (page 19, line 29 through page 10, line 19)

- Provides that a telephone solicitor cannot charge or debit a prospective purchaser's previously obtained account number in a telephone solicitation unless the telephone solicitor has obtained a written or verbal authorization from the prospective purchaser for the specific charge or debit discussed during the telephone solicitation. (page 20, line 20 though page 21, line 16)

- Expands violations that constitute unfair and deceptive trade practices to include violations of any provision of Article 33 (G.S. 66-260 through 266 --Telephonic Seller Registration) of Chapter 66 of the General Statutes, rather than just G.S. 66-262(a)(11) (filing information on proceedings related to financial fraud); G.S. 66-263 (Bond requirements; prizes and gifts); G.S. 66-264 (Calls made to minors); G.S. 66-265 (Offers of gifts or prizes); and G.S. 66-265.1 (Regulation of contracts secured during telephone solicitations). (page 21, lines 18 through 20)

MINUTES
HOUSE COMMITTEE ON JUDICIARY II

August 20, 2002

The House Committee on Judiciary II met on Tuesday, August 20, 2002 in room 421 LOB at 1:00 p.m. The following members were present: Rep. Baddour, Chair and Reps. Bowie, Decker, Gulley, Hall, Jeffus, Justus, Miller, Pope, Sherrill, Weiss and Willingham. Bill sponsor, Rep. Redwine was additionally present. Staff including Tracy Dixon and Jeff Hudson were in attendance. A Visitor Registration sheet is attached and made part of these minutes.

Chairman Baddour called the meeting to order to continue discussion on HB 1612, A BILL TO BE ENTITLED AN ACT TO ESTABLISH AND MAINTAIN A NO–CALL REGISTRY FOR CONSUMERS WHO WISH TO STOP UNWANTED TELEPHONE SOLICITATION CALLS AND TO INCREASE THE PROTECTIONS FOR CONSUMERS IN TRANSACTIONS INITIATED BY TELEMARKETERS.

Rep. Baddour introduced a Dateline NBC video, "Telemarketers–No–Call Registry," that aired on July 16, 2002. Following the video, Rep. Redwine stated North Carolina must find a way to accommodate the right of the consumers who do not want to have the inconvenience of unwanted telephone calls.

Josh Stein, Attorney General's Office, listed the companies that supported the technical corrections in the bill and in turn would remove their opposition to the bill.

Rep. Gulley questioned why a telemarketer could not just remove a person's number immediately with a button. Mr. Stein stated he had no opposition in theory but it was a question of available technology and stated the bill would accomplish the same goal. Rep. Miller stated the technology was not a problem but that enacting this measure would require standardization. He noted that this bill was the first step and perhaps later, North Carolina could move to the technology approach.

Rep. Justus asked if members could get a copy of the companies that had withdrawn their opposition. Rep. Baddour stated a list would be sent to members either today or tomorrow morning.

Rep. Hall questioned why this bill was needed since people could just hang up the phone. Rep. Redwine responded that the problem comes when phone calls are received one after the other and the calls become disruptive.

Rep. Pope followed up on his question from the last meeting about an exemption for small businesses that make calls for a special sale or event and asked if there had been any discussion on how to deal with this issue. Mr. Stein responded that the bill would

allow for calls that result in a face–to–face meeting. Rep. Pope stated he thought that the calls could not lead to sales and suggested clarifying language and brought up his suggestion from the last meeting of making the small business clause per establishment. Mr. Hudson referred Rep. Pope to page 3, line 14. Rep. Baddour noted that there would be no vote taken on the bill today but did suggest an amendment may be in line for both issues and asked Mr. Stein to work on language.

Rep. Bowie stated concern over out–of–state phone calls and written contracts on Page 19, line 4. Mr. Hudson directed the members to subsection c of this section. Mr. Stein added that written permission is needed when a person on the no call registry wants to hear from a company and they do not have the defined existing business relationship.

Rep. Hall suggested an amendment to page 3, lines 33 –34 that added newspapers, cable television, etc. to the list of exemptions. Mr. Stein stated the AG's office is opposed to such an amendment because it is carving out a specific industry. Rep. Miller additionally opposed the amendment and asked for the reasoning behind the 18-month past business relationship. Mr. Stein explained the origin of the compromise for existing business relationships.

Rep. Gulley questioned if a person could continue on a sales pitch once the customer has placed an order. Mr. Stein stated it would depend on the substance of the call and directed members to a provision dealing with inbound calls on page 10, line 35.

Mr. Stein responded to Rep. Bowie's question about how the no call registry would be implemented and how many new staff would be required by sharing the discussions the AG's office has had with other states. Mr. Stein thought four people would be sufficient to run the program and an outside vendor would be hired to manage the database. Rep. Bowie followed up by asking if businesses had the option not to do this and what happens if a company violates the list. Mr. Stein stated telemarketer businesses would have to register with the AG's office and that this had worked fine in other states. He responded that if a telemarketer violates this list then the consumer would have to file a complaint with the AG's office and the AG's office would demand the company comply with the law.

Rep. Justus asked how many people were expected to sign up on this list. Mr. Stein stated there is a large range of possibilities: some states 10 percent of the people signed up and in other states, the total was 40 percent. Rep. Justus followed up by asking if this bill had a fiscal note and how many people would need to be hired. Mr. Baddour commented that a fiscal note has been requested and Mr. Stein stated that the program could operate with minimal staff and he expected hiring four people plus a contracting with a vendor to be sufficient.

Mr. Stein responded to Rep. Sherrill's concerns that communication to small businesses may be difficult by stating there would be a public education campaign to get the word out and that the AG's office would understand if there were initial misunderstanding.

Rep. Baddour stated the committee and staff would continue to work on the bill and adjourned the meeting at 1:45 p.m.

Copies of the PCS, bill summary and a list of companies no loner opposed to the bill, provided by the AG's office, are attached as part of these minutes.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 2001

HOUSE BILL 1612
PROPOSED COMMITTEE SUBSTITUTE H1612-CSSBf-73 [v.5]

Short Title: Stop Unwanted Telephone Solicitations. (Public)

Sponsors:

Referred to:

June 11, 2002

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH AND MAINTAIN A NO-CALL REGISTRY FOR CONSUMERS WHO WISH TO STOP UNWANTED TELEPHONE SOLICITATION CALLS AND TO INCREASE THE PROTECTIONS FOR CONSUMERS IN TRANSACTIONS INITIATED BY TELEMARKETERS.

The General Assembly of North Carolina enacts:

SECTION 1. The General Assembly of North Carolina makes the following findings:

(1) The use of the telephone to market goods and services to the home is now pervasive due to the increased use of cost-effective telemarketing technologies and techniques.

(2) While some consumers enjoy and benefit from unsolicited telemarketing contacts from legitimate telemarketers, many others object to these contacts as an intrusive invasion of an individual's right of privacy in the home.

(3) In addition, the proliferation of unsolicited telemarketing calls, especially during the evening hours, creates a nuisance and a disturbance upon the home and family life of North Carolina residents during a time of day used by many families for traditional family activities.

(4) North Carolina residents should have the freedom to choose whether or not to permit telemarketers to contact them.

(5) Individual privacy rights, personal safety, prevention of fraud, and commercial freedom of speech and trade must be balanced in a way that protects the privacy of individuals and permits legitimate telemarketing practices.

(6) Legitimate telemarketers have no interest in continuing to invade the privacy of those consumers who affirmatively express their objections to such contact.

(7) Many North Carolina consumers who have transacted business with firms that employ telemarketing have experienced problems with their checking and credit card accounts being debited before they can evaluate the terms and conditions of the transaction, before they can evaluate the merchandise or service to be delivered, or without their agreement to enter into the transaction or authorize such transactions in the first place.

(8) New technologies that make telemarketing more cost-effective also allow for the creation of a State No-Call Registry through which North Carolina consumers can easily register their desires not to receive further telemarketing calls and telemarketers can easily access and employ lists of consumers who have registered those desires.

(9) The public interest requires an efficient mechanism for North Carolina residents to notify telemarketers that their telephone numbers cannot be called and additional protections for North Carolina residents who enter into consumer transactions initiated through telemarketing calls.

charge the account number, although it does not have the account number of the prospective purchaser.

SECTION 8. Should one or more of the terms or provisions of this act or any application thereof be held or declared unenforceable or invalid to any extent, the remainder of this act, and the applications thereof that have not been held or declared unenforceable or invalid, shall remain in effect.

SECTION 9. Consistent with protected speech rights of businesses that engage in telephone solicitations, the provisions of this act shall be given broad construction so as to protect residential telephone subscribers from unwanted telephone solicitations and from problematic sales techniques and payment procedures often associated with these solicitations.

SECTION 10. Section 3 of this act becomes effective January 1, 2006. G.S. 62-54, as amended by Section 5 of this act, applies to all telephone directories printed on or after April 1, 2003. All other sections of this act become effective January 1, 2003, and apply to telephone solicitations made on or after that date.

SECTION 11. Notwithstanding Section 10 of this act, Sections 1 through 10 of this act become effective only if a bill to modify the current operations appropriations for the 2002-2003 fiscal year becomes law and that bill contains a provision that is equivalent to Section 15.2(a) of the Senate Bill 1115, Third Edition Engrossed 6/19/02.

HOUSE BILL 1612:
Stop Unwanted Telephone Solicitations

BILL ANALYSIS

Committee:	House Judiciary II	**Introduced by:**	Representatives Baddour and Redwine
Date:	August 15, 2002		
Version:	Proposed Committee Substitute H1612-CSSBf-SB-73 [v.5]	**Summary by:**	Jeff Hudson, Committee Counsel

SUMMARY: ***The Proposed Committee Substitute for House Bill 1612, would direct the Attorney General to establish a No-Call Registry and would prohibit telephone solicitors from calling the telephone number of a residential telephone subscriber if the subscriber's telephone number appears in the No-Call Registry. The Proposed Committee Substitute would also increase the filing fees for telephone solicitors and regulate the formation of contracts via telephone solicitations.***

BILL ANALYSIS:

Section 1. Findings

Section 2. Restrictions on Telephone Solicitations

Under current law, a telephone solicitor may not call a residential telephone subscriber who has communicated to that telephone solicitor a desire to be taken off the telephone solicitor's contact list. Section 2 prohibits a telephone solicitor from calling the telephone number of a residential telephone subscriber if the subscriber's telephone number appears in the No-Call Registry..

Section 2 also:

- Amends the definitions related to the regulation of telephone solicitations as follows:
  - Expands the definition of "telephone solicitation" to include telephone calls for the purpose of soliciting or encouraging participation in a contest, sweepstakes, raffle, or lottery and for the purpose of obtaining a charitable donation.
  - Amends the list of exemptions from the definition of "telephone solicitation" as follows:
    - The established business relationship exemption applies to existing business relationships as well as business relationships that have existed within the prior 18 months. An established business relationship is an ongoing, voluntary relationship formed prior to the telephone solicitation between a telephone solicitor or one or more of its affiliates and a residential telephone subscriber.
    - An exemption is added for calls that are in connection with an existing debt or contract.
    - An exemption is added for reference checks.
    - An exemption is added for persons, businesses, or other legal entities that employ fewer than 10 direct employees and those direct employees collectively make or attempt to make no more than 10 unsolicited calls per week.
    - An exemption is added for arranging face-to-face meetings.

- Defines "doing business in this State" as making or causing to be made any telephone solicitation to residential telephone subscribers, whether the telephone solicitations are made from a location inside or outside North Carolina. **Note:** This definition is designed to address the issue of whether North Carolina has jurisdiction to enforce telephone solicitation laws against out-of-state telephone solicitors.

- Provides that if a telephone solicitor makes a call to a residential telephone subscriber whose number is in the No-Call Registry based on an existing or past business relationship and the subscriber communicates a desire to receive no further telephone solicitations from that telephone solicitor or one of its affiliates, the telephone solicitor will remove that person's number from its contact records and the contact records of all of its affiliates within 30 days.
- Provides that a telephone solicitor may contact a residential telephone subscriber whose telephone number appears in the No-Call Registry via non-telephonic means in order to obtain the subscriber's express written permission allowing the telephone solicitor to make telephone solicitations to the subscriber.
- Provides that a telephone solicitor may advertise in a general medium or contact a residential telephone subscriber whose telephone number appears in the No-Call Registry via non-telephonic means in order to encourage the subscriber to initiate telephonic communications to the telephone solicitor.
- Authorizes the Attorney General to bring an action to impose the following civil penalties for violations of telephone solicitation laws:
  - $500 for the first violation, $1,000 for the second violation, and $5,000 for the third and each subsequent violation within the past two years.
  - $100 for each violation within the past two years if the telephone solicitor has established in-house procedures to comply with telephone solicitation requirements, has maintained a list of persons that may not be contacted, and the violations are the result of a mistake.
- Authorizes the Attorney General to initiate an action on behalf of residential telephone subscribers. The Attorney General may not, however, seek treble damages under this provision.
- Authorizes a residential telephone subscriber who has received telephone solicitations in violation of the telephone solicitation laws to bring an action to recover $500 for the first violation, $1,000 for the second violation, and $5,000 for the third and each subsequent violation within the past two years.
- Provides that no action may be brought by or on behalf of residential telephone subscribers under this provision if the telephone solicitor has established in-house procedures to comply with telephone solicitation requirements, has maintained a list of persons that may not be contacted, and the violations are the result of a mistake

Section 3. Caller Identification Block

Under current law, a telephone solicitor may not knowingly block a residential telephone subscriber's caller identification service. Use of a call generating system that does not transmit caller identification information, however, is not a violation of this prohibition. Section 3 repeals the exemption for call generating systems effective January 1, 2006.

Section 4. No-Call Registry

Section 4 directs the Attorney General to establish and maintain a No-Call Registry containing the telephone numbers of residential telephone subscribers who do not wish to receive telephone solicitations at those numbers. The No-Call Registry will be operated in the following manner:

- The telephone number of a residential telephone subscriber will be placed in the No-Call Registry upon the request of the subscriber and will remain in the No-Call Registry until the subscriber requests its removal or the Attorney General is notified that the number has been disconnected.
- Not less than 10 days before commencing telephone solicitations, a telephone solicitor must register with the Attorney General, pay a filing fee, and obtain the latest edition of the No-Call Registry.
- A telephone solicitor may not sell, assign, transfer, or convey a copy of the No-Call Registry to parties other than its employees or its wholly owned subsidiaries.
- Information contained in the No-Call Registry may only be used to remove residential telephone subscribers from telephone call lists and to prevent calls from being placed to telephone numbers listed in the No-Call Registry. Information contained in the No-Call Registry is not a public record.

Section 5. Notification of Opportunity to Object to Telephone Solicitations

Under current law, each local exchange company must notify each residential telephone subscriber, at least annually, of various provisions of State and federal law that allow consumers to object to receiving telephone solicitations and that allow consumers to have their names removed from telemarketing lists. This information must also be contained in the consumer information pages of each telephone directory.

Section 5 requires both local exchange companies and competing local exchange companies to disseminate a bill insert produced by the Attorney General once every two years and disseminate a bill insert produced by the local exchange companies or competing local exchange companies three times every two years. This section applies to telephone directories printed on or after April 1, 2003.

Section 6. Restriction on Use of Automatic Dialing and Recorded Message Players

Under current law, no person may use an automatic dialing and recorded message player to make unsolicited telephone calls unless the person is a charitable, civic, political, or opinion polling organization, or a radio station, television station, or broadcast rating service conducting a public opinion poll and the person clearly identifies the nature of the call and the name and address of the calling organization. Violation of this prohibition is a Class 3 misdemeanor punishable only by a fine of $100 per occurrence.

Section 6 adds the requirement that no part of an unsolicited telephone call from an automatic dialing and recorded message player may be used to solicit or encourage the purchase or rental of, or investment in, property, goods, or services; to obtain information that will or may be used to solicit or encourage the purchase or rental of, or investment in, property, goods, or services; or to solicit or encourage the making of a charitable donation.

Section 6 also:

- Provides that a call is unsolicited if the telephone number of the person called appears in the No-Call Registry.
- Deletes the penalty for violation of this section.
- Provides that this section does not apply to calls made in connection with an existing debt or contract.

Section 7. Telephone Solicitor Registration and Bond Requirement

Under current law, not less than 10 days before commencing telephone solicitations, a telephone solicitor must register with the Secretary of State and pay a $100 filing fee. Section 7 requires telephone solicitors to register with the Attorney General not less than 10 days before commencing telephone solicitations and pay the following fees:

- $1,000 if the telephone solicitor employs 500 or more direct employees.
- $750 if the telephone solicitor employs between 50 and 500 direct employees.
- $500 if the telephone solicitor employs between 5 and 51 direct employees.
- $250 if the telephone solicitor employs 5 or fewer direct employees.

Section 7 also:

- Amends the definitions related to the registration and bonding of telephone solicitors as follows:
  - Defines "telephone solicitor" to also include any person, business, or other legal entity that receives inbound telephone solicitations.
  - Defines "inbound telephone solicitation" as a telephone call initiated by a prospective purchaser in response to any notice that the prospective purchaser has won a contest, may qualify for credit, may receive a free or discounted vacation, or may receive a membership into a discount buying club.
  - Defines "prospective purchaser" as a residential telephone subscriber and any member of the residential telephone subscriber's household.
- Provides that for a contract or purchase agreement secured during a telephone solicitation to be valid:
  - The contract must be reduced to writing and signed by the consumer.
  - The contract complies with all other applicable laws.
  - The contract contains the name, address, and business telephone number of the seller; the total price of the contract; and a detailed description of the goods or services being sold.
  - The goods or services comply with the description used in the telephone solicitation.
  - The contract contains a statement that the prospective purchaser is not obligated to pay unless the prospective purchaser signs the contract and returns it to the seller.
  - The contract does not exclude any representations made by the telephone solicitor.

  This provision does not apply to any transaction in which the prospective purchaser has a right to cancel a contract or offer to purchase and receive a full refund.

- Provides that a telephone solicitor or a merchant who engages a telephone solicitor to make telephone solicitations to a prospective purchaser may not make or submit a charge to the prospective purchaser's accounts or make an electronic transfer of funds until the merchant receives a signed copy of the written contract from the prospective purchaser. This provision does not apply to any transaction in which the prospective purchaser has a right to cancel a contract or offer to purchase and receive a full refund.
- Provides that a telephone solicitor cannot charge or debit a prospective purchaser's previously obtained account number in a telephone solicitation unless the telephone solicitor has obtained a written or verbal authorization from the prospective purchaser for the specific charge or debit discussed during the telephone solicitation.

Section 8. Severability Clause

If any provision of the act is held to be unenforceable or invalid, the remainder of the act that has not been held to be unenforceable or invalid shall remain in effect.

Section 9. Construction of Act

Consistent with protected speech rights, this act shall be construed broadly to protect residential telephone subscribers from unwanted telephone solicitations and from problematic sales techniques and payment procedures often associated with these solicitations. **Note:** This provision is designed to address concerns that may arise due to the act's regulation of various forms of speech.

Section 10. Effective Dates

Except as otherwise noted, this act is effective January 1, 2003 and applies to telephone solicitations made on or after that date.

Section 11. Effectiveness Contingent on Appropriation

This act becomes effective only if a Budget Bill that contains a provision that is equivalent to Section 15.2(a) of the Senate Budget Bill becomes law. Section 15.2(a) of the Senate Budget Bill provides that the Department of Justice may use up to one million dollars ($1,000,000) of the funds available to the Department during the 2002-2003 fiscal year to establish and implement a no-call registry to stop unwanted telemarketing calls and to increase protections for consumers in transactions initiated by telemarketers. Section 15.2(a) of the House Budget Bill provides that the Department of Justice may use up to seven hundred thousand dollars ($700,000) of the funds available to the Department during the 2002-2003 fiscal year to establish and implement a no-call registry to stop unwanted telemarketing calls and to increase protections for consumers in transactions initiated by telemarketers.

Following are the substantive changes that have been made to House Bill 1612 (Stop Unwanted Telephone Solicitations) since it was presented in House Judiciary II on July 9, 2002.

Proposed Committee Substitute H1612-CSSBf-73 [v.5]:

- Provides that the established business relationship exception to the definition of telephone solicitation applies to exiting business relationships as well as business relationships that have existed within the prior 18 months. Also defines "established business relationship" and "affiliate". (page 2, lines 42 through 44; page 3, lines 38 through 40; page 4, lines 1 through 5)

- Returns the tax-exempt organization exception to current law so that calls do not have to be made by direct employees of the organization or unpaid volunteers (page 3, line 4)

- Provides an exception to the definition of telephone solicitation for arranging a face-to-face meeting between the person initiating the call and the person receiving the call. (page 3, lines 14 through 33)

- Provides that if a telephone solicitor makes a call to a residential telephone subscriber whose number is in the No-Call Registry based on an existing or past business relationship and the subscriber communicates a desire to receive no further telephone solicitations from that telephone solicitor or one of its affiliates, the telephone solicitor will remove that person's number from its contact records and the contact records of all of its affiliates within 30 days. (page 4, lines 33 through 42)

- Provides that the Attorney General may initiate an action on behalf of residential telephone subscribers pursuant to G.S. 75-30.1(i). The Attorney General may not, however, seek treble damages under this provision. (page 6, lines 4 through 9)

- Provides that the increased penalties for multiple violations of the no call prohibition must occur within a two-year period. (page 6, lines 16, 17, and 36)

- Deletes the provision that allowed telephone subscribers to bring an action to recover $100 per violation of the no-call prohibition when the telephone solicitor had otherwise generally complied with telephone solicitation laws and procedures. Now provides that no action may be brought by or on behalf of residential telephone subscribers if the telephone solicitor generally complied with telephone solicitation laws and procedures. (was at page 6, between lines 36 and 37)

- Changes the requirement that local exchange companies notify the Attorney General when telephone numbers are disconnected to a requirement that local exchange companies provide the Attorney General a list of disconnected numbers on an annual basis. (page 7, lines 34 through 37)

- Removes the "technically feasible and economically practicable" language from the requirement that the Attorney General transfer telephone numbers from any federal do-not-call registry to the State No-Call Registry. (was at page 8, line 18)

- Provides that a telephone solicitor or other entity may not transfer a copy of its No-Call Registry to any party other than its employees or wholly owned subsidiaries. This provision no longer allows a telephone solicitor to transfer a copy of its No-Call Registry to independent contractors with whom the telephone solicitor has a business relationship. (page 8, lines 26 through 38)

- Reduces the requirement on local exchange companies to notify residential telephone subscribers of their opportunities to object to telephone solicitations. The bill insert produced by the Attorney General must be disseminated once every two years rather than once each year. The bill insert produced by the local exchange company must be disseminated three times every two years rather than once each year. (page 9, lines 5 through 21)

- Provides that the prohibition on using automatic dialing and recorded message players to make telephone solicitations also applies to telephone solicitations for charitable donations. (page 9, lines 36 and 37)

- Expands the definition of "inbound telephone solicitations" to include calls that are initiated in response to telephone calls and television advertising. Also expands the definition to include calls about free or discounted vacation or travel packages and memberships in discount buying clubs. (page 10, lines 37 and 38; page 11, lines 4 through 8)

- Bases the amount of the filing fee on the number of direct employees of the telephone solicitor rather than the employees and independent contractors. (page 15, line 32 through page 16, line 2)

- Excepts certain financial institutions that are acting as telephone solicitors from the requirement that they submit to the Attorney General information related to civil, criminal, or administrative proceedings involving certain forms of financial fraud. (page 17, line 40 through page 18, line 2)

- Provides that the regulation of contracts secured during telephone solicitations provisions do not apply to any transaction in which the prospective purchaser has a right to cancel a contract or offer to purchase and receive a full refund. (page 19, line 29 through page 10, line 19)

- Provides that a telephone solicitor cannot charge or debit a prospective purchaser's previously obtained account number in a telephone solicitation unless the telephone solicitor has obtained a written or verbal authorization from the prospective purchaser for the specific charge or debit discussed during the telephone solicitation. (page 20, line 20 though page 21, line 16)

- Expands violations that constitute unfair and deceptive trade practices to include violations of any provision of Article 33 (G.S. 66-260 through 266 --Telephonic Seller Registration) of Chapter 66 of the General Statutes, rather than just G.S. 66-262(a)(11) (filing information on proceedings related to financial fraud); G.S. 66-263 (Bond requirements; prizes and gifts); G.S. 66-264 (Calls made to minors); G.S. 66-265 (Offers of gifts or prizes); and G.S. 66-265.1 (Regulation of contracts secured during telephone solicitations). ADJOURNMENT

MINUTES
HOUSE COMMITTEE ON JUDICIARY II

August 27, 2002

The House Committee on Judiciary II met on Tuesday, August 27, 2002 in room 421 LOB at 10:00 a.m. The following members were present: Rep. Baddour, Chair and Reps. Culpepper, Gulley, Haire, Hall, Jeffus, Justus, Miller, Pope, Sherrill, Weiss and Willingham. Staff including Tracy Dixon, Jeff Hudson and Robin Johnson were in attendance. A Visitor Registration sheet is attached and made part of these minutes.

Chairman Baddour called the meeting to order. Josh Freeman of Granville County (Rep. J. Crawford) served as a page.

Upon the motion of Rep. Culpepper, the PCS for HB 1638, A BILL TO BE ENTITLED AN ACT TO AUTHORIZE THE DEPARTMENT OF JUSTICE TO PROVIDE CRIMINAL RECORD CHECKS TO THE PRIVATE PROTECTIVE SERVICES BOARD AND TO CHARGE A FEE FOR CONDUCTING THE CHECK was adopted for discussion. Bill sponsor, Rep. Haire, was recognized to explain the bill. He stated that the bill fixes criteria that the FBI requires for agencies that use background criminal checks.

In response to Rep. Weiss, Rep. Haire stated that the results of the check would go back to the requesting agency. Rep. Haire additionally answered Rep. Justus' question of what the cost of these checks would be.

Rep. Pope questioned who would pay the fee and asked if the agencies would have the authority to increase the fees. Jeff Hudson, Committee Counsel, stated the fee would be paid by the individual applicant to the licensing board and the fee is basically passed through to the Department of Justice. Rep. Pope suggested this would be good discussion for the Finance Committee and asked if there was any concern raised by the Bar Association, the ACLU, etc. Rep. Baddour responded that the Bar asked for this and he though they all had. Steve Keen of the Medical Society Board confirmed that they had asked for the provisions. Rep. Haire explained that initially the private protective services had asked for the language and then as the word got out, staff took a while to review all the statutes to ensure that all requisite agencies involved were included.

Rep. Culpepper motioned to give a favorable report to the PCS, unfavorable to the original bill and recommended that the bill be re–referred to Finance.

Rep. Hall questioned whether it was possible to amend the section on page 2, line 20 to include yearly. Rep. Haire said he was thinking along the same lines. Rep. Baddour commented that he did not think it was germane to the bill.

Rep. Culpepper's motion carried. A copy of the PCS, the original bill and the bill summary are attached and made part of these minutes.

Rep. Culpepper explained SB 887, A BILL TO BE ENTITLED AND ACT TO PROVIDE ADDITIONAL AUTHORITY FOR MAGISTRATES WHO ARE LICENSED TO PRACTICE LAW, on behalf of bill sponsor, Sen. Clodfelter. Upon the motion of Rep. Hall the PCS was adopted for discussion.

Mr. Powell, Administrative Office of the Courts, commented on the work of the jurisdiction committee and spoke to the language that allowed both assistant and deputy clerks to hear cases and commented the committee recommended allowing only assistant clerks this power. Rep. Culpepper stated it was not the intent to put anything in this bill that was not expressly recommended by the committee. Mr. Powell affirmed that they recommended the section but not the provision about giving power to deputy clerks. Rep. Baddour restated that it was the intent to apply only to assistant clerks and asked if there was consensus among committee members for an amendment. Rep. Pope stated he supported the amendment as a step forward but commented he had questions past that.

Rep. Sherrill asked what the qualifications of an assistant clerk were. Mr. Powell responded that the goal was to allow flexibility and that there were no written qualifications. Rep. Baddour followed up by noting he had introduced the companion bill in the House and stated that in order for an assistant clerk to be allowed these powers, the magistrate and the clerk must be designated by an agreement between the chief district judge and the clerk of court. He continued noting that the original intent was to use only lawyers. Reps. Baddour, Culpepper and Pope continued to discuss this issue. Rep. Baddour highlighted the history of his companion bill that was reported out of committee and then pulled from the House floor due to opposition about the clerks. He stated he is comfortable now with the provisions because often times judges are tied up in administrative duties and it would make a lot of sense to allow the lower–paid people to do this work and allow the higher–paid judges to conduct business.

Jim Carr, Clerk of Superior Court in Durham, spoke to the difference in small versus large counties with regards to where magistrate versus a clerk could handle the duties. Rep. Culpepper commented that it was certainly not a one size fits all situation, and stated they would examine what would work best. Mr. Carr explained to Rep. Pope why the scenario using magistrates versus clerks in small counties was true. Rep. Baddour noted that this power would just be an extension of what a clerk was allowed to do.

Rep. Haire stated he comes from a small county and agreed with expansion of the authority of magistrates but he does not see the need to put the clerk of court in this position since this is what magistrates are for. He additionally noted that these are judicial authorities and the job of the clerk is to accept money and issue receipts.

Rep. Culpepper referred to Rep. Baddour's companion bill that was pulled from the House floor due to clerk opposition. He stated that this bill was a compromise

position to move the jurisdiction away from the high–paid judges and to allow for the lower–paid to take on these duties.

Rep. Justus questioned how many clerks of court had 12 years of experience in making his point that under this bill a clerk with one year of experience could supervise a clerk with 12 years of experience. Mr. Powell said he could find out the number of clerks with 12 years of experience. Rep. Baddour responded that the bill excused a clerk with 12 years of experience from the educational requirement. Rep. Baddour commented that there would be no vote taken on the bill at this time so that staff could make changes to the bill consistent with everyone's intentions.

Mr. Powell and Rep. Sherrill discussed the tobacco provision and Rep. Culpepper stated it came from Crime Control and Public Safety.

Rep. Sherrill wanted to clarify to make sure nothing was hidden in the bill about domestic violence cases or the 48–hour rule. Rep. Culpepper responded that this dealt strictly with criminal or infraction type infractions.

Rep. Pope made suggestions on who else should be invited to the next meeting. Rep. Baddour said the invitation to those mentioned had been extended and will be extended again for the next meeting.

Mr. Powell explained how the jurisdiction differed in the statues and the PCS, upon the request of Rep. Haire.

Copies of the PCS, original bill and bill summary are made part of these minutes.

The meeting adjourned at 10:50 a.m.

The applicant's fingerprints shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation shall forward a set of the fingerprints to the Federal Bureau of Investigation for a national criminal history check. The Board shall keep all information pursuant to this subsection privileged, in accordance with applicable State law and federal guidelines, and the information shall be confidential and shall not be a public record under Chapter 132 of the General Statutes.

The Department of Justice may charge each applicant a fee for conducting the checks of criminal history records authorized by this subsection."

No additional resident traineeship shall be required. The applicant shall be required to pay all delinquent annual renewal fees and a reinstatement fee. The Board may waive the provisions of this section for an applicant for a forfeiture which occurred during his service in the armed forces of the United States provided he applies within six months following severance therefrom.

c. All licensees now or hereafter licensed in North Carolina shall take courses of study in subjects relating to the practice of the profession for which they are licensed, to the end that new techniques, scientific and clinical advances, the achievements of research and the benefits of learning and reviewing skills will be utilized and applied to assure proper service to the public.

d. As a prerequisite to the annual renewal of a license, the licensee must complete, during the year immediately preceding renewal, at least five hours of continuing education courses, approved by the Board prior to enrollment. A licensee who completes more than five hours in a year may carry over a maximum of five hours as a credit to the following year's requirement. A licensee who is issued an initial license on or after July 1 does not have to satisfy the continuing education requirement for that year.

e. The Board shall not renew a license unless fulfillment of the continuing education requirement has been certified to it on a form provided by the Board, but the Board may waive this requirement for renewal in cases of certified illness or undue hardship or where the licensee lives outside of North Carolina and does not practice in North Carolina, and the Board shall waive the requirement for all licensees who have been licensed in North Carolina for a continuous period of 25 years or more,

and for all licensees who are, at the time of renewal, members of the General Assembly.

f. The Board shall cause to be established and offered to the licensees, each calendar year, at least five hours of continuing education courses in subjects encompassing the license categories of embalming, funeral directing and funeral service. The Board may charge licensees attending these courses a reasonable registration fee in order to meet the expenses thereof and may also meet those expenses from other funds received under the provisions of this Article.

g. Any person who having been previously licensed by the Board as a funeral director or embalmer prior to July 1, 1975, shall not be required to satisfy the requirements herein for licensure as a funeral service licensee, but shall be entitled to have such license renewed upon making proper application therefor and upon payment of the renewal fee provided by the provisions of this Article. Persons previously licensed by the Board as a funeral director may engage in funeral directing, and persons previously licensed by the Board as an embalmer may engage in embalming. Any person having been previously licensed by the Board as both a funeral director and an embalmer may upon application therefor receive a license as a funeral service licensee.

h. The Department of Justice may provide a criminal record check to the Board for a person who has applied for a new or renewal license, or certification through the Board. The applicant's fingerprints shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation shall forward a set of the fingerprints to the Federal Bureau of Investigation for a national criminal history check. The Board shall keep all information pursuant to this subdivision privileged, in accordance with applicable State law and federal guidelines, and the information shall be confidential and shall not be a public record under Chapter 132 of the General Statutes.

The Department of Justice may charge each applicant a fee for conducting the checks of criminal history records authorized by this subdivision."

(1) Shall publish a notice of the pending application in a newspaper of general circulation in the area of the proposed location of the employment agency and may publish the notice in a newspaper of general circulation in each area in which the applicant (or if a corporation, the president and majority shareholder) has resided during the five years preceding the time of the application. The notice shall include a statement informing individuals of their right to protest the issuance of a license by filing within 10 days written comments with the Commissioner. The protest shall be in writing and signed by the person filing the protest or by his authorized agent or attorney, and

shall state reasons why the license should not be granted. Upon the filing of a protest, the Commissioner, if he determines the protest to be of such a nature that a hearing should be conducted and that the protest is for a cause on which denial of a license may properly be based, shall appoint a time and place for a hearing on the application and shall give at least seven days' notice of that time and place to the license applicant and to the person filing the protest. The Department of Justice may charge each applicant a fee for conducting the checks of criminal history records authorized by this subdivision.

(3) Upon completion of the investigation, or 30 days after the application was received, whichever is later, but in no case more than 45 days after the application was received, shall determine whether or not a license should be issued. The license shall be denied for any of the following reasons:

The applicant's fingerprints shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation shall forward a set of the fingerprints to the Federal Bureau of Investigation for a national criminal history check. The city shall keep all information pursuant to this subsection privileged, in accordance with applicable State law and federal guidelines, and the information shall be confidential and shall not be a public record under Chapter 132 of the General Statutes.

The Department of Justice may charge each applicant a fee for conducting the checks of criminal history records authorized by this subsection.

The following factors shall be deemed sufficient grounds for refusing to issue a permit or for revoking a permit already issued:

HOUSE BILL 1638:
Private Protect. Services Crim. Hist. Check

BILL ANALYSIS

Committee:	House Judiciary II	**Introduced by:**	Rep. Haire
Date:	August 27, 2002	**Summary by:**	Susan L. Sitze
Version:	H1638-PCS1281-47		Staff Attorney

SUMMARY: ***The proposed committee substitute for House Bill 1638 amends various statutes regarding criminal history checks to ensure that national criminal history checks will be allowed pursuant to those statutes after December 31, 2002. The bill also allows the SBI to charge a fee to the applicant for conducting the checks.***

BILL ANALYSIS: The proposed committee substitute for House Bill 1638 amends various statutes to ensure that after December 31, 2002, certain agencies and boards will be able to conduct national criminal history checks.

The agencies and boards covered by these statutes include:

- The Alcohol Law Enforcement Division when investigating ABC permit applicants
- Local Law Enforcement agencies when issuing precious metal dealer permits
- The Private Protective Services Board
- The Alarm Systems Licensing Board
- The Board of Law Examiners
- The Medical Board
- The State Board of Dental Examiners
- The Board of Pharmacy
- The Board of Mortuary Science
- The Real Estate Commission
- The Commissioner of Labor, when investigating Private Personnel Service license applicants
- The Structural Pest Control Committee
- Cities, when investigating Taxi license applicants

Any national criminal history checks conducted pursuant to these sections will be conducted through the State Bureau of Investigation (SBI) who is authorized to charge a fee to the applicant for conducting the check. The fingerprints and information will be submitted to the SBI by the licensing board or agency.

BACKGROUND: In April 2001, the FBI notified the SBI, after a review of the North Carolina statutes that authorize criminal history checks, that many of the State statutes did not meet the federal guidelines for access to FBI records. The original notice informed the SBI that as of May 1, 2002, background requests submitted to the FBI pursuant to those statutes would not be honored unless the

statutes were amended to conform to the guidelines. The SBI obtained an extension of that date to December 31, 2002. This bill will conform those statutes to meet the guidelines.

The criteria established by the FBI, pursuant to P.L. 92-544, are as follows:

1. The statute must exist as a result of a legislative enactment;
2. It must require the fingerprinting of applicants who are to be subjected to a national criminal history background check;
3. It must, expressly ("submit to the FBI") or by implication ("submit for a national check"), authorize the use of FBI records for the screening of applicants;
4. It must identify the specific category(ies) of licensees/employees falling within its purview, thereby avoiding over breadth;
5. It must not be against public policy; and
6. It may not authorize receipt of the CHRI by a private entity.

Additionally, FBI policy requires that fingerprints be initially submitted to the state identification bureau (for a check of state records) and thereafter forwarded to the FBI for a "national" criminal history check.

The statutes addressed by the proposed committee substitute to HB1638 fail to meet criteria #2 and/or #3.

Provided, however, that under this section magistrates may not impose a prison sentence longer than 30 days;

(7) To conduct an initial appearance as provided in G.S. 15A-511; and

(8) To accept written appearances, waivers of trial and pleas of guilty in violations of G.S. 14-107 when the amount of the check is two thousand dollars ($2,000) or less, restitution, including service charges and processing fees allowed by G.S. 14-107, is made, and the warrant does not charge a fourth or subsequent violation of this statute, and in these cases to enter judgments as the chief district judge directs.

The additional authority granted in this subsection may be assigned to a magistrate only with the consent of the clerk of superior court of the county in which the magistrate is assigned and after consultation with the district attorney."

SECTION 2.(b) G.S. 15A-1115(a) reads as rewritten:

"(a) Appeal of District Court Decision. – A person who denies responsibility and is found responsible for an infraction in the district ~~court,~~court, before a magistrate pursuant to G.S. 7A-273(b), or before the clerk of superior court pursuant to G.S. 7A-180(10) within 10 days of the hearing, may appeal the decision to the criminal division of the superior court for a hearing de novo. Upon appeal, the defendant is entitled to a jury trial unless he consents to have the hearing conducted by the judge. The State must prove beyond a reasonable doubt that the person charged is responsible for the infraction unless the person admits responsibility. Unless otherwise provided by law, the procedures applicable to misdemeanors disposed of in the superior court apply to those infraction hearings. In the superior court, a prosecutor must represent the State. Appeal from the judgment in the superior court is as provided for other criminal actions in superior court, and the Attorney General must represent the State in an appeal of such actions."

SECTION 3.(a) G.S. 7A-180 is amended by adding a new subsection to read:

"(10) Has the power, upon the mutual consent of the chief district court judge and clerk of superior court and after consultation with the district attorney of the county in which the clerk of superior court serves, to hear, decide, and enter judgment in all infraction and Class 3 misdemeanor cases, regardless of penalty or offense."

SECTION 3.(b) G.S. 7A-181 is amended by adding a new subsection to read:

"(4) Have the same power as the clerk of superior court in G.S. 7A-180(10)."

SECTION 3.(c) G.S. 15A-1431 reads as rewritten:

"**§ 15A-1431. Appeals by defendants from ~~magistrate~~magistrate, clerk of superior court, and district court judge; trial de novo.**

(a) A defendant convicted before a magistrate or before a clerk of superior court pursuant to G.S. 7A-180(10) may appeal for trial de novo before a district court judge without a jury.

(b) A defendant convicted in the district court before the judge may appeal to the superior court for trial de novo with a jury as provided by law. Upon the docketing in the superior court of an appeal from a judgment imposed pursuant to a plea arrangement between the State and the defendant, the jurisdiction of the superior court over any misdemeanor dismissed, reduced, or modified pursuant to that plea arrangement shall be the same as was had by the district court prior to the plea arrangement.

(c) Within 10 days of entry of judgment, notice of appeal may be given orally in open court or in writing to the clerk. Within 10 days of entry of judgment, the defendant may withdraw his appeal and comply with the judgment. Upon expiration of the 10-day period, if an appeal has been entered and not withdrawn, the clerk ~~must~~ shall transfer the case to the appropriate court.

(d) A defendant convicted by a ~~magistrate~~ magistrate, clerk of superior court pursuant to G.S. 7A-180(10), or district court judge is not barred from appeal because of compliance with the judgment, but notice of appeal after compliance ~~must~~ shall be given by the defendant in person to the magistrate or judge who heard the case or, if ~~he~~ that person is not available, notice ~~must~~ shall be given in one of the following ways:

(1) Before a magistrate in the county, in the case of appeals from the ~~magistrate; or~~ magistrate.

If a defendant has paid a fine or costs and then appeals, the amount paid ~~must~~ shall be remitted to the defendant, but the judge, clerk or magistrate to whom notice of appeal is given may order the remission delayed pending the determination of the appeal.

(e) Any order of pretrial release remains in effect pending appeal by the defendant unless the judge modifies the order.

(f) Appeal pursuant to this section stays the execution of portions of the judgment relating to fine and costs. Appeal stays portions of the judgment relating to confinement when the defendant has complied with conditions of pretrial release. If the defendant cannot comply with conditions of pretrial release, the judge may order confinement in a local confinement facility pending the trial de novo in superior court.

(g) The defendant may withdraw his appeal at any time prior to calendaring of the case for trial de novo. The case is then automatically remanded to the court from which the appeal was taken, for execution of the judgment.

(h) The defendant may withdraw his appeal after the calendaring of the case for trial de novo only by consent of the court, and with the attachment of costs of that court, unless the costs or any part of the costs are remitted by the court. The case may then be remanded by order of the court to the court from which the appeal was taken for execution of the judgment with any additional court costs that attached and that have not been remitted."

SECTION 3.(d) Article 5 of Chapter 45 of the General Statutes is amended to add a new section to read:

"**§ 45-45.3. Clerk of superior court as trustee in a mortgage or deed of trust.**

(a) When the clerk of superior court is named trustee in any mortgage or deed of trust, it shall be sufficient to identify the office and county only. The name of the clerk may be omitted.

This authority shall include the authority to discharge and release the deed of trust or mortgage of record."

SECTION 4. G.S. 15A-147 reads as rewritten:

"**§ 15A-147. Expunction of records when charges are dismissed or there are findings of not guilty as a result of identity ~~fraud.~~fraud or misidentification.**

(a) If any person is named in a charge for an infraction or a crime, either a misdemeanor or a felony, as a result of another person using the identifying information of the named person to commit an infraction or crime and the charge against the named person is dismissed, a finding of not guilty is entered, or the conviction is set aside, the named person may apply by petition or written motion to the court where the charge was last pending on a form approved by the Administrative Office of the Courts supplied by the clerk of court for an order to expunge from all official records any entries relating to the person's apprehension, charge, or trial. The court, after notice to the district attorney, shall hold a hearing on the motion or petition and, upon finding that the person's identity was used without permission and the charges were dismissed or the person was found not guilty, the court shall order the expunction.

(a1) If any person is named in a charge for an infraction or a crime, either a misdemeanor or a felony, as a result of misidentification and the charge against the named person is voluntarily dismissed, the named person may apply by petition or written motion to the court where the charge was last pending on a form approved by the Administrative Office of the Courts supplied by the clerk of court for an order to expunge from all official records any entries relating to the person's apprehension, or charge. The court, after notice to the district attorney, shall hold a hearing on the motion or petition and, upon finding that the person was mistakenly identified and the charges were voluntarily dismissed, the court shall order the expunction.

(b) No person as to whom such an order has been entered under this section shall be held thereafter under any provision of any law to be guilty of perjury, or to be guilty of otherwise giving a false statement or response to any inquiry made for any purpose, by reason of the person's failure to recite or acknowledge any expunged entries concerning apprehension, charge, or trial.

(c) The court shall also order that the said entries shall be expunged from the records of the court and direct all law enforcement agencies, the Division of Motor Vehicles, or any other State or local government agencies bearing record of the same to expunge their records of the entries. The clerk shall forward a certified copy of the order to the sheriff, chief of police, or other charging agency; and, when applicable, to the Division of Motor Vehicles and any other State or local agency. The sheriff, chief, or head of such other charging agency shall then transmit the copy of the order with the form supplied by the State Bureau of Investigation to the State Bureau of Investigation,

and the State Bureau of Investigation shall forward the order to the Federal Bureau of Investigation. Upon receipt of a certified copy of the order, the agency must purge its records as required by this section. The costs of expunging these records shall not be taxed against the petitioner.

(d) The Division of Motor Vehicles shall expunge from its records entries made as a result of the charge or conviction ordered expunged under this section. The Division of Motor Vehicles shall also reverse any administrative actions taken against a person whose record is expunged under this section as a result of the charges or convictions expunged, including the assessment of drivers license points and drivers license suspension or revocation. Notwithstanding any other provision of this Chapter, the Division of Motor Vehicles shall provide to the person whose motor vehicle record is expunged under this section a certified corrected driver history at no cost and shall reinstate at no cost any drivers license suspended or revoked as a result of a charge or conviction expunged under this section.

(e) Any other applicable State or local government agency shall expunge from its records entries made as a result of the charge or conviction ordered expunged under this section. The agency shall also reverse any administrative actions taken against a person whose record is expunged under this section as a result of the charges or convictions expunged. Notwithstanding any other provision of law, the normal fee for any reinstatement of a license or privilege resulting under this section shall be waived.

(f) Any insurance company that charged any additional premium based on insurance points assessed against a policyholder as a result of a charge or conviction that was expunged under this section shall refund those additional premiums to the policyholder upon notification of the expungement."

SECTION 5. Sections 1, 2, 3.(a), 3.(b), and 3.(c) of this act become effective October 1, 2002 and apply to cases pending or filed on or after that date. Section 3.(d) is effective when it becomes law and applies to all mortgages or deeds of trust of record on or after that date. The remainder of this act is effective when it becomes law.

SENATE BILL 887:
Magistrates and Clerks' Auth/Expunge Records

BILL ANALYSIS

Committee:	House Judiciary II	**Introduced by:**	Sen. Clodfelter
Date:	August 14, 2002	**Summary by:**	Robin Johnson
Version:	Proposed Committee Substitute S887-CSSW-86		Committee Counsel

SUMMARY: ***The PCS for Senate Bill 887 would amend the qualifications and authority of magistrates, amend the authority of clerks of superior court, and amend the law to permit a simpler procedure to expunge a criminal record in the case of a voluntary dismissal resulting because of misidentification.***

QUALIFICATIONS OF MAGISTRATES

Current Law: Magistrates are appointed officers of the district court. Every even-numbered year, the clerk of superior court submits the names of persons qualified for the position of magistrate to the senior regular resident superior court judge. In order to be eligible to be nominated as a magistrate, a person must either have a four-year degree from an accredited college or university, or have a two-year associate's degree and four years of work experience in a related field, including teaching, social service, law enforcement, arbitration or mediation, the court system, or counseling. From these nominations, the senior resident superior court judge appoints the requisite number of magistrates. Magistrates are appointed for two-year terms.

Bill Analysis: Effective October 1, 2002, the bill would amend current law to permit a person to be nominated to serve as a magistrate if that person has at least twelve years' experience as a Clerk of Superior Court in this State. *Section 1.*

AUTHORITY OF MAGISTRATES

Current Law: Magistrates preside over and decide civil small claims actions. In criminal actions and infractions, magistrates can issue arrest warrants and search warrants, grant bail for any noncapital offense, and conduct initial appearances. Also, in certain traffic, alcohol and other minor offenses that are waivable[1], magistrates can accept guilty pleas, enter judgment, and collect the fines or penalties and costs in accordance with the schedule of offenses and fines or penalties promulgated by the Conference of Chief District Judges. A person can appeal a decision of a magistrate to the district court, and the case on appeal is tried anew (*de novo*).

Bill Analysis: Under the bill, in infractions or criminal actions, magistrates will be granted additional authority, if so assigned by the chief district judge and subject to any limitations imposed by the chief district court judge, to hear, decide and enter judgment in all infractions and Class 3 misdemeanor cases, regardless of the penalty or offense. This additional authority may be assigned only with the consent of the clerk of superior court and after consultation with the district attorney. Magistrates would be able to accept written appearances, waivers of trial, and guilty pleas in the case of misdemeanor or infraction charges for offenses involving the distribution of tobacco products[2] to underage persons in accordance with the schedule of offenses and fines or penalties set by the Conference of Chief District Judges. *Section 2.(a)*

---

[1] *A waivable offense is one where the person charged with the offense may waive his or her appearance and enter a plea of guilty or responsible.*

[2] *G.S. 14-313 prohibits the sale or distribution of tobacco produces or cigarette wrapping papers to any person under age 18 or the purchase of these products on a minor's behalf. Violation of this provision is a Class 2 misdemeanor. This statute also proscribes the display of a point of sale sign that notifies persons of the tobacco sales restriction, prohibits the sale of tobacco products in vending machines except in establishments which are open only to persons aged 18 or over.*

The bill also makes a necessary conforming change to G.S. 15A-1115(a). *Section 2.(b).*

These changes would become effective October 1, 2002, and apply to cases pending or filed on or after that date.

QUALIFICATIONS AND AUTHORITY OF CLERKS OF SUPERIOR COURT

Current Law: Clerks of superior court are elected officials who serve terms of four years. Persons who are qualified voters aged 21 and over and who are not convicted felons are eligible to be elected as clerks of superior court.

Clerks of superior court are authorized to perform a number of legal tasks, including issuing summonses and subpoenas, administering oaths, certifying records, entering default judgments, granting and revoking letters testamentary, letters of administration, and letters of trusteeship in estate matters, appointing and removing guardians and trustees (G.S. 7A-103), issuing arrest and search warrants (G.S. 7A-180), and entering orders of possession in sales of property under power of sale (G.S. 45-21.29).

When real property is pledged for a bond, the then current clerk of superior court is the named trustee.

Assistant clerks are authorized to perform all the duties and functions of the office of clerk of superior court. Deputy clerks are authorized to perform certain ministerial tasks like certifying records.

Bill Analysis: The bill would give a clerk of superior court, if agreed upon by the chief district court judge and clerk after consultation with the district attorney, the same authority as a magistrate to hear, decide and enter judgment in all infraction and Class 3 misdemeanor cases, regardless of penalty or offense. This authority would extend to the assistant clerks of that clerk. Appeals of these cases decided by the clerk would be *de novo* to the district court. These sections of the bill would become effective October 1, 2002, and apply to cases pending or filed on or after that date. *Sections 3.(a)-(c).*

The bill also would amend Chapter 45 (Mortgages and Deeds of Trust) to provide that when the clerk of superior court is named as a trustee in a mortgage or deed of trust (such as in the case of when real property is pledged for a bond), it will be sufficient to identify the office of the clerk (and not the clerk's name) on the mortgage or deed of trust. In that case, the office of the clerk would be authorized to discharge or release the mortgage or deed of trust. This section would take effect when the bill becomes law and would apply to mortgages and deeds of trust that are recorded on or after that date. *Section 3.(d)*

EXPUNCTION OF RECORDS

Current Law: Current law provides the circumstances in which a person may have his or her record expunged of infractions or criminal charges or convictions. Current law also sets out various procedures for having a person's record expunged. Those procedures, while similar, vary slightly depending on the circumstances of the infraction, criminal charge or conviction. Under current law, if a person is wrongly charged with an infraction or crime as a result of misidentification and the charges against that person are voluntarily dismissed, the person may apply to the court to expunge his or her record, and a hearing is held. A similar procedure exists for expunging criminal charges or convictions that occur as a result of identity fraud, but this expunction procedure is simpler to use than the procedure currently provided for in the case of misidentification. The procedure for expunction of a record for identity fraud is, for the most part, automatic: a person fills out a form provided by the court, the court notifies the district attorney of the petition, a hearing is held on the motion or petition, and, upon a finding that person's identity was used without permission and that the charges were dismissed or the person found not guilty, the court orders the expunction.

Bill Analysis: Effective when it becomes law, the bill would amend current law to provide that when a person is charged with an infraction or criminal offense and that charge is voluntarily dismissed as a result of misidentification, the person may petition the court to expunge that person's criminal record using the simpler procedure that is currently available to those charged or convicted as a result of identity fraud. *Section 4.*

MINUTES
HOUSE COMMITTEE ON JUDICIARY II

September 24, 2002

The House Committee on Judiciary II met on Tuesday, September 24, 2002 in room 421 LOB at 1:40 p.m. The following members were present: Rep. Baddour, Chair and Reps. Bowie, Culpepper, Decker, Gulley, Haire, Hall, Jeffus, Pope, Sherrill, Weiss and Willingham. Reps. Goodwin and Coates and Sens. Ballance and Cunningham were additionally present. Staff including Tracy Dixon, Jeff Hudson and Hal Pell were in attendance. A Visitor Registration sheet is attached and made part of these minutes.

Chairman Baddour called the meeting to order. Rep. Hall motioned to adopt the PCS for discussion. Rep. Decker objected to the motion but the objection failed and the PCS was adopted for discussion.

Bill sponsor, Sen. Ballance was on his way to the committee meeting and the chair asked that in his absence, Hal Pell, Committee Counsel explain SB 752, A BILL TO BE ENTITLED AN ACT TO ADJUST AND UPDATE THE AWARD SCHEDULE FOR INJURED EMPLOYEES SEEKING COMPENSATION UNDER THE WORKERS' COMPENSATION ACT. Rep. Baddour specifically asked Mr. Pell to discuss section 22.

Upon the conclusion of Mr. Pell's explanation, Rep. Baddour asked to hear from members in the audience before committee members asked questions.

Janet Ward Black, President of the Academy of Trial Lawyers was recognized and stated the change in the award schedule had not occurred in 15 years yet the increase in average weekly wage had increased by 115 percent. In response to Rep. Decker's question of how this would affect lawyer's fees, Ms. Ward Black stated the Industrial Commission determined the fees that are usually based on a percentage of recovery.

James Andrews, Academy of Trial Lawyers, noted to the committee that Dick Taylor, Victor Farah and other speakers in support of the bill would be at the meeting by 3:00, as that was the original time given. Rep. Baddour apologized about the confusion over the time of the meeting.

Bob Kaylor, N.C. Association of Defense Attorneys, read a list of those opposed to the bill. He commented that they were not opposed to reviewing the schedule of benefits but did not believe this bill was the right forum and suggested perhaps sending this issue to study. Mr. Kaylor responded to Rep. Sherrill's question of if the self–insured payouts would go up. Upon the request of Rep. Sherrill, Rep. Baddour asked that copies of the fiscal note be distributed to members.

Rep. Willingham commented that he thought other things should be included in the bill but stated that if the bill passed it would help those suffering now without undue harm. Mr. Kaylor and Rep. Willingham discussed whether or not this bill would help those suffering now.

Rep. Goodwin who has been very involved in the bill explained to the committee the history of the bill and stated this had been part of ongoing meetings for months and was not a new idea. He stated that if this bill is not passed now, it could be two years before the issue was resolved.

Sen. Ballance stated that he had seen the injured parties and knows their anguish and frustration and respectfully disagreed with Mr. Kaylor that these parties were being compensated. Sen. Ballance commented that this bill was the right thing to do.

Ms. Ward Black and Mr. Taylor explained the interplay between the disabled and disfigurement sections and what role asbestosis plays. Mr. Kaylor and Mr. Taylor discussed their conflicting opinions of the gap in time when people do not qualify for benefits. Mr. Kaylor spoke to the difficulty of determining if a person actually had asbestosis and the role this difficulty plays in the level of treatment received.

No party was able to answer Rep. Hall's question of whether the level of benefits received had been compared by age or race.

Rep. Baddour clarified with Rep. Pope that the bill addressed the section of workers compensation dealing with disability compensation not the medical treatment cost. Rep. Pope then asked the number of pending claims under the three categories. Mr. Taylor referred to the fiscal note. Rep. Pope stated he would like an answer from staff or the Industrial Commission. Rep. Baddour asked staff to get that information. In response to Rep. Pope's follow up question of retroactivity, Mr. Pell referred to a bill in 1987 that the increase in amount was effective with the effective date of the bill and was not claim specific. Rep. Baddour commented that he did believe this applied to pending cases and Rep. Pope questioned if this was equitable. Ms. Ward Black spoke to the timing and risk of settling claims.

Reps. Pope and Decker requested that all members receive a copy of the case referred to by Mr. Pell in additional to the fiscal note.

Rep. Coates questioned whether pending cases were receiving medical treatment and Ms. Ward Black responded that they were not unless the employer agreed to provide medical benefits. Rep. Baddour suggested asking the Industrial Commission to provide members with the number pending claims that were denied and how many are paying medical benefits. Tom Sinclair, who represents a number of employers in workers compensation cases, noted that the cases in the audience were not representative of the average case. He stated that out of the over 2200 pending cases, the average person is not receiving treatment because there is no medical treatment for having the disease. He continued noting that the Industrial Commission does require a yearly medical exam. The

medical exam is primarily looking for cancer and if someone diagnosed with asbestosis, usually an inhaler is all that is involved but in most cases this is not involved. Mr. Clair stated he normally makes the proposal to the employer that most of the exams are conducted at the employers expense and concluded that because of the above reasons, medical compensation is not a big issue. Ms. Ward Black noted that some people are facing medical bills in excess of $2000 per year just for maintenance separate from treatment and spoke to their increase susceptibility of these patients to flu, etc. Mr. Kaylor responded that much of this expense is covered in the yearly exam.

Rep. Hall asked if the examinations sufficed for treatment. Mr. Clair stated there was no treatment for asbestosis. Mr. Kaylor commented that in a number of cases there are arguments about whether the disease is actually present but if all agree the disease is present, treatment is not a problem.

Rep. Baddour responded to Rep. Bowie's questions about contested cases. Rep. Decker questioned what caused asbestosis and how it was proven that asbestosis was formed from somewhere other then the person's current work environment. Ms. Ward Black responded to what caused asbestosis and spoke on contested cases. Rep. Decker spoke on the role of the legislature in pending cases. Mr. Clair noted that for those with asbestosis, the statute tags the last employer (last 30 days of employment) in response to Rep. Decker's question about getting asbestosis from other work environments.

Rep. Willingham asked to hear from the victims of asbestosis in the audience. Raymond Philps, who was an employee with Weyerhaeuser for 33 ½ years explained his condition to the committee.

Copies of the PCS, bill summary and fiscal note are attached as part of these minutes.

A BILL TO BE ENTITLED

AN ACT TO ADJUST AND UPDATE THE AWARD SCHEDULE FOR INJURED EMPLOYEES SEEKING COMPENSATION UNDER THE WORKERS' COMPENSATION ACT.

SECTION 1. G.S. 97-31 reads as rewritten:

"**§ 97-31. Schedule of injuries; rate and period of compensation.**

In cases included by the following schedule the compensation in each case shall be paid for disability during the healing period and in addition the disability shall be deemed to continue for the period specified, and shall be in lieu of all other compensation, including disfigurement, to wit:

(1) For the loss of a thumb, sixty-six and two-thirds percent (66 2/3%) of the average weekly wages during 75 weeks.

(2) For the loss of a first finger, commonly called the index finger, sixty-six and two-thirds percent (66 2/3%) of the average weekly wages during 45 weeks.

(3) For the loss of a second finger, sixty-six and two-thirds percent (66 2/3%) of the average weekly wages during 40 weeks.

(4) For the loss of a third finger, sixty-six and two-thirds percent (66 2/3%) of the average weekly wages during 25 weeks.

(5) For the loss of a fourth finger, commonly called the little finger, sixty-six and two-thirds percent (66 2/3%) of the average weekly wages during 20 weeks.

(6) The loss of the first phalange of the thumb or any finger shall be considered to be equal to the loss of one half of such thumb or finger, and the compensation shall be for one half of the periods of time above specified.

(7) The loss of more than one phalange shall be considered the loss of the entire finger or thumb: Provided, however, that in no case shall the amount received for more than one finger exceed the amount provided in this schedule for the loss of a hand.

(8) For the loss of a great toe, sixty-six and two-thirds percent (66 2/3%) of the average weekly wages during 35 weeks.

(9) For the loss of one of the toes other than a great toe, sixty-six and two-thirds percent (66 2/3%) of the average weekly wages during 10 weeks.

(10) The loss of the first phalange of any toe shall be considered to be equal to the loss of one half of such toe, and the compensation shall be for one half of the periods of time above specified.

(11) The loss of more than one phalange shall be considered as the loss of the entire toe.

(12) For the loss of a hand, sixty-six and two-thirds percent (66 2/3%) of the average weekly wages during 200 weeks.

(13) For the loss of an arm, sixty-six and two-thirds percent (66 2/3%) of the average weekly wages during 240 weeks.

(14) For the loss of a foot, sixty-six and two-thirds percent (66 2/3%) of the average weekly wages during 144 weeks.

(15) For the loss of a leg, sixty-six and two-thirds percent (66 2/3%) of the average weekly wages during 200 weeks.

(16) For the loss of an eye, sixty-six and two-thirds percent (66 2/3%) of the average weekly wages during 120 weeks.

(17) The loss of both hands, or both arms, or both feet, or both legs, or both eyes, or any two thereof, shall constitute total and permanent disability, to be compensated according to the provisions of G.S. 97-29. The employee shall have a vested right in a minimum amount of compensation for the total number of weeks of benefits provided under this section for each member involved. When an employee dies from any cause other than the injury for which he is entitled to compensation, payment of the minimum amount of compensation shall be payable as provided in G.S. 97-37.

(18) For the complete loss of hearing in one ear, sixty-six and two-thirds percent (66 2/3%) of the average weekly wages during 70 weeks; for the complete loss of hearing in both ears, sixty-six and two-thirds percent (66 2/3%) of the average weekly wages during 150 weeks.

(19) Total loss of use of a member or loss of vision of an eye shall be considered as equivalent to the loss of such member or eye. The compensation for partial loss of or for partial loss of use of a member or for partial loss of vision of an eye or for partial loss of hearing shall be such proportion of the periods of payment above provided for total loss as such partial loss bears to total loss, except that in cases where there is eighty-five per centum (85%), or more, loss of vision in any

eye, this shall be deemed "industrial blindness" and compensated as for total loss of vision of such eye.

(20) The weekly compensation payments referred to in this section shall all be subject to the same limitations as to maximum and minimum as set out in G.S. 97-29.

(21) In case of serious facial or head disfigurement, the Industrial Commission shall award proper and equitable compensation not to exceed ~~twenty thousand dollars ($20,000).~~ fifty thousand dollars ($50,000). In case of enucleation where an artificial eye cannot be fitted and used, the Industrial Commission may award compensation as for serious facial disfigurement.

(22) In case of serious bodily disfigurement for which no compensation is payable under any other subdivision of this section, but excluding the disfigurement resulting from permanent loss or permanent partial loss of use of any member of the body for which compensation is fixed in the schedule contained in this section, the Industrial Commission may award proper and equitable compensation not to exceed ~~ten thousand dollars ($10,000).~~twenty-five thousand dollars ($25,000).

(23) For the total loss of use of the back, sixty-six and two-thirds percent (66 2/3%) of the average weekly wages during 300 weeks. The compensation for partial loss of use of the back shall be such proportion of the periods of payment herein provided for total loss as such partial loss bears to total loss, except that in cases where there is seventy-five per centum (75%) or more loss of use of the back, in which event the injured employee shall be deemed to have suffered "total industrial disability" and compensated as for total loss of use of the back.

(24) In case of the loss of or permanent injury to any important external or internal organ or part of the body for which no compensation is payable under any other subdivision of this section, the Industrial Commission may award proper and equitable compensation not to exceed ~~twenty thousand dollars ($20,000).~~ fifty thousand dollars ($50,000). SECTION 2. This act is effective when it becomes law, and applies to all claims for workers' compensation that are pending or are in litigation on or after that date.

SENATE BILL 752:
Adjust Workers' Comp. Award Schedule.

BILL ANALYSIS

Committee:	House Judiciary II	**Introduced by:**	Sen. Ballance
Date:	September 17, 2002	**Summary by:**	Robin Johnson
Version:	S752-CSRK-14[v.3]		Committee Counsel

SUMMARY: ***This proposed committee substitute would adjust the Workers' Compensation Award Schedule by increasing the maximum benefits that could be received for specified injuries. The act would be effective when it becomes law, and would apply to all claims that are pending on or are in litigation after that date***

BILL ANALYSIS:

The PCS would increase the scheduled maximum amounts under the Workers' Compensation Act for the following:

- In case of serious facial or head disfigurement, increase the maximum from $20,000 to $50,000.
- In case of serious bodily disfigurement, where no compensation is otherwise available under the schedule section, increase the maximum from $10,000 to $25,000.
- In case of loss of, or permanent injury to, any important external or internal organ, where no compensation is otherwise available under the schedule section, increase the maximum from $20,000 to $50,000.

The PCS would be effective when it becomes law, and would apply to all claims that are pending on or are in litigation after that date. It is possible that including pending claims may be challenged on the grounds that this constitutes an unconstitutional retroactive application of law. Generally, the courts have held that a person's rights to compensation under the Workers' Compensation Act vest at the time that person becomes totally disabled.

BACKGROUND: In 1987, the legislature increased the maximum amounts for serious facial or head disfigurement, and for loss or permanent injury to important external or internal organs, from $10,000 to $20,000.

S752-SMRH-001: Hal Pell, Staff Attorney, substantially contributed to this summary.

BILL SUMMARY:

The draft bill proposes to raise by 150% each of the statutorily defined maximum levels (hereafter, "caps") of compensation that may be awarded by the Industrial Commission for certain categories of injury. The categories ("target injuries") and proposed raises are as follows:

1. As per G.S. 97-31(21): "serious facial or head disfigurement" or "enucleation where an artificial eye cannot be fitted and used" (raise cap from $20,000 to $50,000)

2. As per G.S. 97-31(22): "serious bodily disfigurement for which no compensation is payable under any other subdivision...but excluding the disfigurement resulting from permanent loss or permanent partial loss of use of any member of the body for which compensation is fixed in the schedule" (raise cap from $10,000 to $25,000)

3. As per G.S. 97-31(24): "loss or permanent injury to any important external or internal organ or part of the body for which no compensation is payable under any other subdivision" (raise cap from $20,000 to $50,000).

ASSUMPTIONS AND METHODOLOGY:

Claims Filed Pursuant to G.S. 97-31(21) and -31(22)

Number of Injuries/Claims

The most readily available historical data from the administrators of the state of North Carolina's ("NC") workers' compensation plans indicate a range of seven to twelve target injuries per year for which claims could be filed pursuant to G.S. 97-31(21) & -31(22).[1] This analysis assumes that the number of compensable target injuries of this type will not differ significantly from the numbers occurring during this period of recent history. The analysis further assumes that increased caps for these injuries will not lead to more claims being filed. Given the serious and tangible nature of these injuries, it seems reasonable to assume that (a) they have not been under-filed in the past, and (b) potentially higher compensation will not lead to purposeful development or fraudulent presentation of the injuries.

Expenditures: Amounts Awarded and Administrative Costs

The analysis assumes that an increase in the cap for a given injury would not affect the logic through which an Industrial Commission adjudicator determines the extent to which a claimant has been injured. Increased caps might, however, affect the amount of compensation that an adjudicator determines is "proper and equitable" compensation. One possibility is that an adjudicator's award for a given injury might increase proportionately under increased caps. For example, in instances where an adjudicator would award roughly 20% of the maximum $10,000 allowable for bodily disfigurement, or $2,000, he might instead award $5,000, or 20% of $25,000. If adjudicators were to apply this approach consistently, one could assume a uniform 150% increase in awards. In practice, however, no mathematical formulas are uniformly applied and discretionary award amounts for like injuries can vary considerably. While it therefore

[1] Sources: NC Department of Transportation (DOT), Key Risk Management Services, Inc., which administers the workers' compensation plan for all of NC state government except DOT and the NC Public Schools ("Schools"), and the NC School Board Association, which until recently administered the workers' compensation plan for the Schools. Data is from fiscal years 1997-1998, 1998-1999, and 1999-2000.

seems reasonable to **assume that each case of a target injury would receive some increased award under the proposed caps, a reliable estimate of the amount of the increase is not available.**

The NC state government self-insures against workers' compensation for state employees. An increase in awards for claims would therefore not lead to increased premiums, as it would were the state contracting with a private insurer. Instead, increased payouts would simply raise expenditures for direct workers' compensation. **The proposed caps would thus increase General Fund and Highway Fund expenditures** (NC DOT funds and operates its own plan separately from the rest of State government).

Determining the amount by which General Fund expenditures would increase under new caps involves projecting the increased compensation likely to be awarded to each type of target injury. According to DOT, Key Risk Management Services, Inc., and the NC School Board Association, only one claimant received maximum compensation for a target injury between 1997-2000. During the same time period, 24 claimants received sub-maximum compensation for facial disfigurement, and five claimants received sub-maximum compensation for bodily disfigurement. Assuming a similar distribution of injuries in future fiscal years and application of the same "proper and equitable" standard to like injuries over time, **the proposed bill would increase General Fund expenditure between $9,345 and $41,085, and Highway Fund expenditure between zero and $13,125 in each future fiscal year** (see table below for calculations).

Claims Filed Pursuant to G.S. 97-31(24)

Number of Injuries/Claims

The historical data for State government cited above includes no claims pursuant to G.S. 97-31(24). According to the Industrial Commission, while the State's exposure is not known at this time, it is reasonable to assume that few if any claims of this type will be filed against the State in the future. In the general population statewide, however, there has been a significant increase in such claims, particularly for asbestosis occupational disease. According to the Commission, the majority of these cases have involved or will involve damage awards pursuant to G.S. 97-31(24). As a result, this analysis assumes **a future increase in claims related to these compensable target injuries.**

The analysis further assumes that due to the somewhat intangible, complex nature of these injuries, increased caps might provide the necessary incentive for still more claims to be filed. As the potential award increases, there may be increases in (a) public awareness of the injuries, (b) efforts to identify and substantiate increases, and (c) efforts to encourage potentially injured parties to seek compensation. As a result of the many influences at play in this scenario, **a reliable estimate of the increase in number of claims filed is not available.**

Expenditures: Amounts Awarded and Administrative Costs

As described above, the analysis assumes that an increase in the cap for a given injury will have an indeterminate affect on the award that an Industrial Commission adjudicator determines is "proper and equitable compensation" for that injury. While it seems reasonable, therefore, that **each case of a target injury would receive some increased award under the proposed caps, a reliable estimate of the amount of increase is not available.**

Given that the State is not likely to face many, if any, claims of this nature, it seems reasonable to estimate that **workers' compensation costs to the State's General and Highway Funds will be negligible.** Since the State's exposure is not known, however, it should be recognized that no reliable estimate of future workers' compensation cost is available.

The area of State government that is most likely to incur additional costs is the Industrial Commission. Recent increases in the filing of asbestosis claims has already substantially increased the Commission's workload. Currently, the Deputy Commissioner Section of the Industrial Commission is committing between 20% to 30% of available adjudicators to asbestosis claims each month. The effect of this increase is that the average time it takes to process a claim of any type increases. This decreased efficiency is a source of frustration for all parties involved. According to the Commission, the only way to decrease processing time per claim is to increase the number of personnel who administer or adjudicate claims. Assuming then that raised caps will increase the number of claims filed, one can deduce that **raising caps will also necessitate an increase in number of staff positions at the Industrial Commission.** As the number of positions needed is dependent on the number of increased claims, for which a reliable estimate is not available, a reliable estimate of the number of new positions is not available either.

ADJOURNMENT

MINUTES
HOUSE COMMITTEE ON JUDICIARY II

September 25, 2002

The House Committee on Judiciary II met on Wednesday, September 25, 2002 in room 421 LOB at 12:00 noon. The following members were present: Rep. Baddour, Chair and Reps. Culpepper, Decker, Gulley, Hall, Jeffus, Justus, Miller, Pope, Sherrill, Weiss and Willingham. A Visitor Registration sheet is attached and made part of these minutes.

Chairman Baddour called the meeting to order. Upon the motion of Rep. Miller, the PCS for HB 1641, A BILL TO BE ENTITLED AN ACT TO ADOPT THE PROVISIONS OF THE REVISED INTERSTATE COMPACT FOR THE SUPERVISION OF ADULT OFFENDERS AND TO APPROPRIATE FUNDS FOR THE NORTH CAROLINA'S ASSESSMENT AS A MEMBER OF THAT COMPACT, was adopted for discussion. Jeff Hudson, Committee Counsel, explained the bill.

Rep. Baddour recognized Sherry Pilkington, Assistant Director for the Division of Community Corrections and Compact Administrator, who discussed the changes made by the bill and why they were needed.

Rep. Sherrill questioned how the bill was eligible and how the commission was selected. Rep. Culpepper responded to her first question by stating it affected the state budget and Mr. Hudson addressed the question of commission selection.

Rep. Culpepper stated the bill did not have to go to the Appropriations Committee and Mr. Hudson explained the changes in the original bill versus the PCS in response to Rep. Pope's questions.

Ms. Pilkington answered Rep. Willingham's question by stating there were no administrative or transfer fees for parolees residing in another state.

Reps. Decker and Baddour, Mr. Hudson and Tracy Little with the Department of Corrections discussed issues of parole. Rep. Decker noted that he was not sure this addressed parole and was not sure he wanted to move forward. Ms. Little pointed out that 47 other states have adopted this language. Rep. Baddour reminded the committee that the Secretary of the Department of Corrections does not have to allow a transfer and that this could be done on a case–by–case basis.

Rep. Culpepper questioned whether the DOC rules were subject to the rules review legislation. Ms. Little stated she did not know.

Rep. Sherrill expressed she thought the definition of victim was vague. Mr. Hudson noted that there was no definition for victim in the compact.

Ms. Pilkington spoke to the specific problems this bill would correct in response to Rep. Decker. A verbal amendment to delete section four from the bill and change the title accordingly was sent forward by Rep. Decker. Rep. Pope stated he was sympathetic but questioned if the amendment would hurt the chances of a North Carolina resident returning to North Carolina. Ms. Little responded that the federal government has broad prisoner changes and North Carolina piggybacks on the federal language. Rep. Culpepper reminded the committee that 47 out of 50 states agreed to this model language. Rep. Decker suggested this issue go to study. Reps. Baddour, Decker and Pope and Ms. Little continued to discuss the amendment. The motion to adopt the amendment failed.

Rep. Culpepper motioned that the PCS be given a favorable report, unfavorable to the original bill. The motion carried. Ms. Pilkington listed to Rep. Justus those states not in the compact.

Copies of the PCS, original PCS and bill summary are attached as part of these minutes.

SB 887, A BILL TO BE ENTITLED AN ACT TO PROVIDE ADDITIONAL AUTHORITY FOR MAGISTRATES WHO ARE LICENSED TO PRACTICE LAW, was not heard during this meeting.

The meeting adjourned at 12:50 p.m. to reconvene after session.

A BILL TO BE ENTITLED

AN ACT TO ADOPT THE PROVISIONS OF THE REVISED INTERSTATE COMPACT FOR THE SUPERVISION OF ADULT OFFENDERS AND TO PROVIDE FOR NORTH CAROLINA TO PARTICIPATE IN THE INTERNATIONAL PRISONER TRANSFER PROGRAM ADMINISTERED BY THE UNITED STATES DEPARTMENT OF JUSTICE.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 148 of the General Statutes is amended by adding a new Article to read:

"Article 4B.

"Interstate Compact for the Supervision of Adult Offenders.

"**§ 148-65.4. Short title.**

This Article may be cited as "The Interstate Compact for the Supervision of Adult Offenders".

"**§ 148-65.5. Governor to execute compact; form of compact.**

The Governor of North Carolina is authorized and directed to execute a compact on behalf of the State of North Carolina with any state of the United States legally joining therein in the form substantially as follows:

Preamble.

Whereas: The Interstate Compact for the Supervision of Parolees and Probationers was established in 1937, it is the earliest corrections "compact" established among the states, and has not been amended since its adoption over 62 years ago;

Whereas: This compact is the only vehicle for the controlled movement of adult parolees and probationers across state lines, and it currently has jurisdiction over more than a quarter of a million offenders;

Whereas: The complexities of the compact have become more difficult to administer, and many jurisdictions have expanded supervision expectations to include currently unregulated practices such as victim input, victim notification requirements, and sex offender registration;

Whereas: After hearings, national surveys, and a detailed study by a task force appointed by the National Institute of Corrections, the overwhelming recommendation has been to amend the document to bring about an effective management capacity that addresses public safety concerns and offender accountability;

Whereas: The General Assembly hereby finds, determines, and declares that this act is necessary for the immediate preservation of the public peace, health, and safety. The Governor is hereby authorized and directed to enter into a compact on behalf of the State of North Carolina with any state of the United States and other territorial possessions of the United States legally joining therein in the form substantially as follows;

Whereas: Upon the adoption of this Interstate Compact for the Supervision of Adult Offenders, it is the intention of the General Assembly to repeal the previous Interstate Compact for the Supervision of Parolees and Probationers one year after the effective date of this compact.

Article I.
Purpose.

(a) The compacting states to this Interstate Compact recognize that each state is responsible for the supervision of adult offenders in the community who are authorized pursuant to the bylaws and rules of this compact to travel across state lines both to and from each compacting state in such a manner as to track the location of offenders, transfer supervision authority in an orderly and efficient manner, and when necessary return offenders to the originating jurisdictions. The compacting states also recognize that Congress, by enacting the Crime Control Act, 4 U.S.C. § 112 (1965), has authorized and encouraged compacts for cooperative efforts and mutual assistance in the prevention of crime.

(b) It is the purpose of this compact and the Interstate Commission created hereunder, through means of joint and cooperative action among the compacting states:

(1) To provide the framework for the promotion of public safety and to protect the rights of victims through the control and regulation of the interstate movement of offenders in the community;

(2) To provide for the effective tracking, supervision, and rehabilitation of these offenders by the sending and receiving states; and

(3) To equitably distribute the costs, benefits, and obligations of the compact among the compacting states.

(c) In addition, this compact will:

(1) Create an Interstate Commission which will establish uniform procedures to manage the movement between states of adults placed under community supervision and released to the community under the

jurisdiction of courts, paroling authorities, corrections, or other criminal justice agencies, which will promulgate rules to achieve the purpose of this compact;

(2) Ensure an opportunity for input and timely notice to victims and to jurisdictions where defined offenders are authorized to travel or to relocate across state lines;

(3) Establish a system of uniform data collection, access to information on active cases by authorized criminal justice officials, and regular reporting of compact activities to heads of state councils, state executive, judicial, and legislative branches and criminal justice administrators;

(4) Monitor compliance with rules governing interstate movement of offenders and initiate interventions to address and correct noncompliance; and

(5) Coordinate training and education regarding regulations of interstate movement of offenders for officials involved in such activity.

(d) The compacting states recognize that there is no "right" of any offender to live in another state and that duly accredited officers of a sending state may at all times enter a receiving state and there apprehend and retake any offender under supervision subject to the provision of this compact and bylaws and rules promulgated hereunder. It is the policy of the compacting states that the activities conducted by the Interstate Commission created herein are the formation of the public policies and are therefore public business.

Article II.

The Compact Commission.

(a) The compacting states hereby create the "Interstate Commission for Adult Offender Supervision". The Interstate Commission shall be a body corporate and joint agency of the compacting states. The Interstate Commission shall have all the responsibilities, powers, and duties set forth herein, including the power to sue and be sued, and such additional powers as may be conferred upon it by subsequent action of the respective legislatures of the compacting states in accordance with the terms of this compact.

(b) The Interstate Commission shall consist of commissioners selected and appointed by resident members of a State Council for Interstate Adult Offender Supervision for each state. In addition to the commissioners who are the voting representatives of each state, the Interstate Commission shall include individuals who are not commissioners but who are members of interested organizations; such noncommissioner members must include a member of the national organizations of governors, legislators, state chief justices, attorneys general, and crime victims. Article IV.

(a) Each member state shall create a State Council for Interstate Adult Offender Supervision that shall be responsible for the appointment of the commissioner who shall serve on the Interstate Commission from that state. Each state council shall appoint as its commissioner the Compact Administrator from that state to serve on the Interstate Commission in such capacity under or pursuant to applicable law of the member state. While each member state may determine the membership of its own state council, its membership must include at least one representative from the legislative, judicial, and executive branches of government, victims groups, and compact administrators.

(b) Each compacting state retains the right to determine the qualifications of the Compact Administrator, who shall be appointed by the state council or by the Governor in consultation with the legislature and the judiciary. In addition to appointment of its own commissioner to the National Interstate Commission, each state council shall exercise oversight and advocacy concerning its participation in Interstate Commission activities and other duties as may be determined by each member state including, but not limited to, development of policy operations and procedures of the compact within that state.

(19) To establish uniform standards for the reporting, collecting, and exchanging of data.

Article VI.
Organization and Operation of the Interstate Commission.

(a) Bylaws. – The Interstate Commission shall, by a majority of the members, within 12 months of the first Interstate Commission meeting, adopt bylaws to govern its conduct as may be necessary or appropriate to carry out the purposes of the compact, including, but not limited to:

(1) Establishing the fiscal year of the Interstate Commission;

(2) Establishing an executive committee and such other committees as may be necessary and providing reasonable standards and procedures:

a. For the establishment of committees, and

b. Governing any general or specific delegation of any authority or function of the Interstate Commission;

(3) Providing reasonable procedures for calling and conducting meetings of the Interstate Commission, and ensuring reasonable notice of each such meeting;

(4) Establishing the titles and responsibilities of the officers of the Interstate Commission;

(5) Providing reasonable standards and procedures for the establishment of the personnel policies and programs of the Interstate Commission. Notwithstanding any civil service or other similar laws of any compacting state, the bylaws shall exclusively govern the personnel policies and programs of the Interstate Commission;

(6) Providing a mechanism for winding up the operations of the Interstate Commission and the equitable return of any surplus funds that may exist upon the termination of the compact after the payment and/or reserving of all of its debts and obligations;

(7) Providing transition rules for "start-up" administration of the compact; and

(8) Establishing standards and procedures for compliance and technical assistance in carrying out the compact.

(b) Officers and Staff. – The Interstate Commission shall, by a majority of the members, elect from among its members a chair and a vice-chair, each of whom shall have such authorities and duties as may be specified in the bylaws. The chair or, in the chair's absence or disability, the vice-chair shall preside at all meetings of the Interstate Commission. The officers so elected shall serve without compensation or remuneration from the Interstate Commission; provided that, subject to the availability of budgeted funds, the officers shall be reimbursed for any actual and necessary costs and expenses incurred by them in the performance of their duties and responsibilities as officers of the Interstate Commission.

The Interstate Commission shall, through its executive committee, appoint or retain an executive director for such period, upon such terms and conditions and for such compensation as the Interstate Commission may deem appropriate. The executive

director shall serve as secretary to the Interstate Commission, and hire and supervise such other staff as may be authorized by the Interstate Commission, but shall not be a member.

(c) Corporate Records of the Interstate Commission. – The Interstate Commission shall maintain its corporate books and records in accordance with the bylaws.

(d) Qualified Immunity, Defense, and Indemnification. – The members, officers, executive director, and employees of the Interstate Commission shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused or arising out of any actual or alleged act, error, or omission that occurred within the scope of Interstate Commission employment, duties, or responsibilities; provided, that nothing in this paragraph shall be construed to protect any such person from suit and/or liability for any damage, loss, injury, or liability caused by the intentional or willful and wanton misconduct of any such person.

The Interstate Commission shall defend the commissioner of a compacting state, or the commissioner's representatives or employees, or the Interstate Commission's representatives or employees, in any civil action seeking to impose liability, arising out of any actual or alleged act, error, or omission that occurred within the scope of Interstate Commission employment, duties, or responsibilities, or that the defendant had a reasonable basis for believing occurred within the scope of Interstate Commission employment, duties, or responsibilities; provided, that the actual or alleged act, error, or omission did not result from intentional wrongdoing on the part of such person.

The Interstate Commission shall indemnify and hold the commissioner of a compacting state, the appointed designee or employees, or the Interstate Commission's representatives or employees, harmless in the amount of any settlement or judgment obtained against such persons arising out of any actual or alleged act, error, or omission that occurred within the scope of Interstate Commission employment, duties, or responsibilities, or that such persons had a reasonable basis for believing occurred within the scope of Interstate Commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from gross negligence or intentional wrongdoing on the part of such person.

Article VII.
Activities of the Interstate Commission.

(a) The Interstate Commission shall meet and take such actions as are consistent with the provisions of this compact.

(b) Except as otherwise provided in this compact and unless a greater percentage is required by the bylaws, in order to constitute an act of the Interstate Commission, such act shall have been taken at a meeting of the Interstate Commission and shall have received an affirmative vote of a majority of the members present.

(c) Each member of the Interstate Commission shall have the right and power to cast a vote to which the compacting state is entitled and to participate in the business

and affairs of the Interstate Commission. A member shall vote in person on behalf of the state and shall not delegate a vote to another member state. However, a state council shall appoint another authorized representative, in the absence of the commissioner from that state, to cast a vote on behalf of the member state at a specified meeting. The bylaws may provide for members' participation in meetings by telephone or other means of telecommunication or electronic communication. Any voting conducted by telephone or other means of telecommunication or electronic communication shall be subject to the same quorum requirements of meetings where members are present in person.

(d) The Interstate Commission shall meet at least once during each calendar year. The chairperson of the Interstate Commission may call additional meetings at any time and, upon the request of a majority of the members, shall call additional meetings.

(e) The Interstate Commission's bylaws shall establish conditions and procedures under which the Interstate Commission shall make its information and official records available to the public for inspection or copying. The Interstate Commission may exempt from disclosure any information or official records to the extent they would adversely affect personal privacy rights or proprietary interests. In promulgating such rules, the Interstate Commission may make available to law enforcement agencies records and information otherwise exempt from disclosure, and may enter into agreements with law enforcement agencies to receive or exchange information or records subject to nondisclosure and confidentiality provisions.

(f) Public notice shall be given of all meetings, and all meetings shall be open to the public, except as set forth in the rules or as otherwise provided in the compact. The Interstate Commission shall promulgate rules consistent with the principles contained in the "Government in Sunshine Act", U.S.C. § 552(b), as may be amended. The Interstate Commission and any of its committees may close a meeting to the public where it determines by two-thirds vote that an open meeting would be likely to:

(1) Relate solely to the Interstate Commission's internal personnel practices and procedures;

(2) Disclose matters specifically exempted from disclosure by statute;

(3) Disclose trade secrets or commercial or financial information which is privileged or confidential;

(4) Involve accusing any person of a crime or formally censuring any person;

(5) Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(6) Disclose investigatory records compiled for law enforcement purposes;

(7) Disclose information contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of, the Interstate Commission with respect to a regulated entity for the purpose of regulation or supervision of such entity;

(8) Disclose information, the premature disclosure of which would significantly endanger the life of a person or the stability of a regulated entity; and

(9) Specifically relate to the Interstate Commission's issuance of a subpoena, or its participation in a civil action or proceeding.

(g) For every meeting closed pursuant to this provision, the Interstate Commission's chief legal officer shall publicly certify that, in the officer's opinion, the meeting may be closed to the public and shall reference each relevant exemptive provision. The Interstate Commission shall keep minutes which shall fully and clearly describe all matters discussed in any meeting and shall provide a full and accurate summary of any actions taken and the reasons therefor, including a description of each of the views expressed on any item and the record of any recall vote (reflected in the vote of each member on the question). All documents considered in connection with any action shall be identified in such minutes.

(h) The Interstate Commission shall collect standardized data concerning the interstate movement of offenders as directed through its bylaws and rules which shall specify the data to be collected, the means of collection, and data exchange and reporting requirements.

Article VIII.
Rule-making Functions of the Interstate Commission.

(a) The Interstate Commission shall promulgate rules in order to effectively and efficiently achieve the purposes of the compact including transition rules governing administration of the compact during the period in which it is being considered and enacted by the states.

(b) Rule making shall occur pursuant to the criteria set forth in this article and the bylaws and rules adopted pursuant thereto. Such rule making shall substantially conform to the principles of the federal Administrative Procedure Act, 5 U.S.C.S. section 551, et seq., and the Federal Advisory Committee Act, 5 U.S.C. § 1, et seq., as may be amended (hereinafter "APA"). All rules and amendments shall become binding as of the date specified in each rule or amendment.

(c) If a majority of the legislatures of the compacting states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the compact, then such rule shall have no further force and effect in any compacting state.

(d) When promulgating a rule, the Interstate Commission shall:

(1) Publish the proposed rule stating with particularity the text of the rule that is proposed and the reason for the proposed rule;

(2) Allow persons to submit written data, facts, opinions, and arguments, which information shall be publicly available;

(3) Provide an opportunity for an informal hearing; and

(4) Promulgate a final rule and its effective date, if appropriate, based on the rule-making record. Not later than 60 days after a rule is promulgated, any interested person may file a petition in the United States District Court for the District of Columbia or in the Federal District Court where the Interstate Commission's principle office is located for judicial review of such rule. If the court finds that the

Interstate Commission's action is not supported by substantial evidence, (as defined in the APA), in the rule-making record, the court shall hold the rule unlawful and set it aside. Subjects to be addressed within 12 months after the first meeting must, at a minimum, include:

a. Notice to victims and opportunity to be heard;
b. Offender registration and compliance;
c. Violations/returns;
d. Transfer procedures and forms;
e. Eligibility for transfer;
f. Collection of restitution and fees from offenders;
g. Data collection and reporting;
h. The level of supervision to be provided by the receiving state;
i. Transition rules governing the operation of the compact and the Interstate Commission during all or part of the period between the effective date of the compact and the date on which the last eligible state adopts the compact; and
j. Mediation, arbitration, and dispute resolution.

(e) The existing rules governing the operation of the previous compact superceded by this Act shall be null and void 12 months after the first meeting of the Interstate Commission created hereunder.

(f) Upon determination by the Interstate Commission that an emergency exists, it may promulgate an emergency rule which shall become effective immediately upon adoption, provided that the usual rule-making procedures provided hereunder shall be retroactively applied to said rule as soon as reasonably possible, in no event later than 90 days after the effective date of the rule.

Article IX.
Oversight, Enforcement, and Dispute Resolution by the Interstate Commission.

(a) Oversight. – The Interstate Commission shall oversee the interstate movement of adult offenders in the compacting states and shall monitor such activities being administered in noncompacting states that may significantly affect compacting states.

The courts and executive agencies in each compacting state shall enforce this compact and shall take all actions necessary and appropriate to effectuate the compact's purposes and intent. In any judicial or administrative proceeding in a compacting state pertaining to the subject matter of this compact which may affect the powers, responsibilities, or actions of the Interstate Commission, the Interstate Commission shall be entitled to receive all service of process in any such proceeding and shall have standing to intervene in the proceeding for all purposes.

(b) Dispute Resolution. – The compacting states shall report to the Interstate Commission on issues or activities of concern to them and cooperate with and support the Interstate Commission in the discharge of its duties and responsibilities.

The Interstate Commission shall attempt to resolve any disputes or other issues which are subject to the compact and which may arise among compacting states and noncompacting states.

The Interstate Commission shall enact a bylaw or promulgate a rule providing for both mediation and binding dispute resolution for disputes among the compacting states.

(c) Enforcement. – The Interstate Commission, in the reasonable exercise of its discretion, shall enforce the provisions of this compact using any and all means set forth in Article XII, subsection (b) of this compact.

Article X.
Finance.

(a) The Interstate Commission shall pay or provide for the payment of the reasonable expenses of its establishment, organization, and ongoing activities.

(b) The Interstate Commission shall levy on and collect an annual assessment for each compacting state to cover the cost of the internal operations and activities of the Interstate Commission and its staff that must be in a total amount sufficient to cover the Interstate Commission's annual budget as approved each year. The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the Interstate Commission, taking into consideration the population of the state and the volume of interstate movement of offenders in each compacting state and shall promulgate a rule binding upon all compacting states which governs said assessment.

(c) The Interstate Commission shall not incur any obligations of any kind prior to securing the funds adequate to meet the same; nor shall the Interstate Commission pledge the credit of any of the compacting states, except by and with the authority of the compacting state.

(d) The Interstate Commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Interstate Commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the Interstate Commission shall be audited yearly by a certified or licensed public accountant, and the report of the audit shall be included in and become part of the annual report of the Interstate Commission.

Article XI.
Compacting State, Effective Date, and Amendment.

(a) Any state, as defined in Article II of this compact, is eligible to become a compacting state.

(b) The compact shall become effective and binding upon legislative enactment of the compact into law by no less than 35 of the states. The initial effective date shall be the later of July 1, 2002, or upon enactment into law by the 35th jurisdiction. Therefore, it shall become effective and binding as to any other compacting state, upon enactment of the compact into law by that state. The governors of nonmember states or their designees will be invited to participate in Interstate Commission activities on a

nonvoting basis prior to adoption of the compact by all states and territories of the United States.

(c) Amendments to the compact may be proposed by the Interstate Commission for enactment by the compacting states. No amendment shall become effective and binding upon the Interstate Commission and the compacting states unless and until it is enacted into law by unanimous consent of the compacting states.

Article XII.

Withdrawal, Default, Termination, and Judicial Enforcement.

(a) Withdrawal. – Once effective, the compact shall continue in force and remain binding upon each and every compacting state; provided that a compacting state may withdraw from the compact ("withdrawing state") by enacting a statute specifically repealing the statute which enacted the compact into law.

The effective date of withdrawal is the effective date of the repeal.

The withdrawing state shall immediately notify the Chair of the Interstate Commission in writing upon the introduction of legislation repealing this compact in the withdrawing state. The Interstate Commission shall notify the other compacting states of the withdrawing state's intent to withdraw within 60 days of its receipt thereof.

The withdrawing state is responsible for all assessments, obligations, and liabilities incurred through the effective date of withdrawal, including any obligations, the performance of which extend beyond the effective date of withdrawal.

Reinstatement following withdrawal of any compacting state shall occur upon the withdrawing state's reenacting the compact or upon such later date as determined by the Interstate Commission.

(b) Default. – If the Interstate Commission determines that any compacting state has at any time defaulted ("defaulting state") in the performance of any of its obligations or responsibilities under this compact, the bylaws, or any duly promulgated rules, the Interstate Commission may impose any or all of the following penalties:

(1) Fines, fees, and costs in such amounts as are deemed to be reasonable as fixed by the Interstate Commission;

(2) Remedial training and technical assistance as directed by the Interstate Commission;

(3) Suspension and termination of membership in the compact. Suspension shall be imposed only after all other reasonable means of securing compliance under the bylaws and rules have been exhausted. Immediate notice of suspension shall be given by the Interstate Commission to the Governor; the Chief Justice or Chief Judicial Officer of the state; the Majority and Minority Leaders of the defaulting state's legislature; and the state council.

The grounds of default include, but are not limited to, failure of a compacting state to perform such obligations or responsibilities imposed upon it by this compact, Interstate Commission bylaws, or duly promulgated rules. The Interstate Commission shall immediately notify the defaulting state in writing of the penalty imposed by the

Interstate Commission on the defaulting state pending a cure of the default. The Interstate Commission shall stipulate the conditions and the time period within which the defaulting state must cure its default. If the defaulting state fails to cure the default within the time period specified by the Interstate Commission, in addition to any other penalties imposed herein, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the compacting states, and all rights, privileges, and benefits conferred by this compact shall be terminated from the effective date of suspension. Within 60 days of the effective date of termination of a defaulting state, the Interstate Commission shall notify the Governor; the Chief Justice or Chief Judicial Officer of the state; the Majority and Minority Leaders of the defaulting state's legislature; and the state council of such termination.

The defaulting state is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including any obligations the performance of which extends beyond the effective date of termination.

The Interstate Commission shall not bear any costs relating to the defaulting state unless otherwise mutually agreed upon between the Interstate Commission and the defaulting state. Reinstatement following termination of any compacting state requires both a reenactment of the compact by the defaulting state and the approval of the Interstate Commission pursuant to the rules.

(c) Judicial Enforcement. – The Interstate Commission may, by majority vote of the members, initiate legal action in the United States District Court for the District of Columbia or, at the discretion of the Interstate Commission, in the Federal District where the Interstate Commission has its offices to enforce compliance with the provisions of the compact, its duly promulgated rules and bylaws against any compacting state in default. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation including reasonable attorney's fees.

(d) Dissolution of Compact. – The compact dissolves effective upon the date of the withdrawal or default of the compacting state that reduces membership in the compact to one compacting state.

Upon the dissolution of this compact, the compact becomes null and void and shall be of no further force or effect, and the business and affairs of the Interstate Commission shall be wound up, and any surplus funds shall be distributed in accordance with the bylaws.

Article XIII.
Severability and Construction.

(a) The provisions of this compact shall be severable, and if any phrase, clause, sentence, or provision is deemed unenforceable, the remaining provision of the compact shall be enforceable.

(b) The provisions of this compact shall be liberally constructed to effectuate its purposes.

Article XIV.
Binding Effect of Compact and Other Laws.

(a) Other Laws. – Nothing herein prevents the enforcement of any other law of a compacting state that is not inconsistent with this compact.

All compacting states' laws conflicting with this compact are superseded to the extent of the conflict.

(b) Binding Effect of the Compact. – All lawful actions of the Interstate Commission, including all rules and bylaws promulgated by the Interstate Commission, are binding upon the compacting states.

All agreements between the Interstate Commission and the compacting states are binding in accordance with their terms.

Upon the request of a party to a conflict over meaning or interpretation of Interstate Commission actions, and upon a majority vote of the compacting states, the Interstate Commission may issue advisory opinions regarding such meaning or interpretation.

In the event any provision of this compact exceeds the constitutional limits imposed on the legislature of any compacting state, the obligations, duties, powers, or jurisdiction sought to be conferred by such provision upon the Interstate Commission shall be ineffective, and such obligations, duties, powers, or jurisdiction shall remain in the compacting state and shall be exercised by the agency thereof to which such obligations, duties, powers, or jurisdiction are delegated by law in effect at the time this compact becomes effective.

(a) Where supervision of an offender is being administered pursuant to the Interstate Compact for the Supervision of Adult Offenders, the appropriate judicial or administrative authorities in this State shall notify the Compact Administrator of the sending state whenever, in their view, consideration should be given to retaking or reincarceration for a parole, probation, or post-release supervision violation. Prior to the giving of any such notification, a hearing shall be held in accordance with this section within a reasonable time, unless such hearing is waived by the offender. The appropriate officer or officers of this State shall, as soon as practicable following termination of any such hearing, report to the sending state, furnish a copy of the hearing record, and make recommendations regarding the disposition to be made of the offender by the sending state. Pending any proceeding pursuant to this section, the appropriate officers of this State may take custody of and detain the offender involved for a period not to exceed 15 days prior to the hearing and, if it appears to the hearing officer or officers that retaking or reincarceration is likely to follow, for such reasonable period after the hearing or waiver as may be necessary to arrange for the retaking or reincarceration.

(b) Any hearing pursuant to this section may be before the Administrator of the Interstate Compact for the Supervision of Adult Offenders, a deputy of the Administrator, any other person appointed by the Administrator, or any person authorized pursuant to the laws of this State to hear cases of alleged parole, probation, or post-release supervision violation, except that no hearing officer shall be the person making the allegation of violation.

(c) With respect to any hearing pursuant to this section, the offender:

(1) Shall have reasonable notice in writing of the nature and content of the allegations to be made, including notice that its purpose is to determine

whether there is probable cause to believe that the offender has committed a violation that may lead to a revocation of parole, probation, or post-release supervision.

(2) Shall be permitted to advise with any persons whose assistance the offender reasonably desires, prior to the hearing.

(3) Shall have the right to confront and examine any persons who have made allegations against the offender, unless the hearing officer determines that such confrontation would present a substantial present or subsequent danger of harm to such person or persons.

(4) May admit, deny, or explain the violation alleged and may present proof, including affidavits and other evidence, in support of the offender's contentions. A record of the proceedings shall be made and preserved.

(d) In any case of alleged parole or probation violation by a person being supervised in another state pursuant to the Interstate Compact for the Supervision of Adult Offenders, any appropriate judicial or administrative officer or agency in another state may hold a hearing on the alleged violation. Upon receipt of the record of a parole, probation, or post-release supervision violation hearing held in another state pursuant to a statute substantially similar to this section, that record shall have the same standing and effect as though the proceeding of which it is a record was had before the appropriate officer or officers in this State, and any recommendations contained in or accompanying the record shall be fully considered by the appropriate officer or officers of this State in making disposition of the matter.

"**§ 148-65.9. North Carolina sentence to be served in another jurisdiction.**

The Post-Release Supervision and Parole Commission, with the concurrence of the Secretary of Correction, may direct that the balance of any sentence imposed by the courts of this State shall be served concurrently with a sentence or sentences in another state or federal institution and may effect a transfer of custody of such individual to the other jurisdiction for such purpose. In the event the individual's sentence liability in the other jurisdiction terminates prior to the expiration of the individual's North Carolina sentence, the individual shall be either paroled (if eligible) or returned to the prison department of this State, in the discretion of the Post-Release Supervision and Parole Commission."

A BILL TO BE ENTITLED

AN ACT TO ADOPT THE PROVISIONS OF THE REVISED INTERSTATE COMPACT FOR THE SUPERVISION OF ADULT OFFENDERS AND TO PROVIDE FOR NORTH CAROLINA TO PARTICIPATE IN THE INTERNATIONAL PRISONER TRANSFER PROGRAM ADMINISTERED BY THE UNITED STATES DEPARTMENT OF JUSTICE.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 148 of the General Statutes is amended by adding a new Article to read:

"Article 4B.

"Interstate Compact for the Supervision of Adult Offenders.

"**§ 148-65.4. Short title.**

This Article may be cited as "The Interstate Compact for the Supervision of Adult Offenders".

"**§ 148-65.5. Governor to execute compact; form of compact.**

The Governor of North Carolina is authorized and directed to execute a compact on behalf of the State of North Carolina with any of the United States legally joining therein in the form substantially as follows:

Preamble.

Whereas: The Interstate Compact for the Supervision of Parolees and Probationers was established in 1937, it is the earliest corrections "compact" established among the states, and has not been amended since its adoption over 62 years ago;

Whereas: This compact is the only vehicle for the controlled movement of adult parolees and probationers across state lines, and it currently has jurisdiction over more than a quarter of a million offenders;

Whereas: The complexities of the compact have become more difficult to administer, and many jurisdictions have expanded supervision expectations to include currently unregulated practices such as victim input, victim notification requirements, and sex offender registration;

Whereas: After hearings, national surveys, and a detailed study by a task force appointed by the National Institute of Corrections, the overwhelming recommendation has been to amend the document to bring about an effective management capacity that addresses public safety concerns and offender accountability;

Whereas: The General Assembly hereby finds, determines, and declares that this act is necessary for the immediate preservation of the public peace, health, and safety. The Governor is hereby authorized and directed to enter into a compact on behalf of the State of North Carolina with any state of the United States and other territorial possessions of the United States legally joining therein in the form substantially as follows;

Whereas: Upon the adoption of this Interstate Compact for Adult Offender Supervision, it is the intention of the General Assembly to repeal the previous Interstate Compact for the Supervision of Parolees and Probationers one year after the effective date of this Compact.

Article I.
Purpose.

(a) The compacting states to this Interstate Compact recognize that each state is responsible for the supervision of adult offenders in the community who are authorized pursuant to the bylaws and rules of this compact to travel across state lines both to and from each compacting state in such a manner as to track the location of offenders, transfer supervision authority in an orderly and efficient manner, and when necessary return offenders to the originating jurisdictions. The compacting states also recognize that Congress, by enacting the Crime Control Act, 4 U.S.C. Section 112 (1965), has authorized and encouraged compacts for cooperative efforts and mutual assistance in the prevention of crime.

(b) It is the purpose of this compact and the Interstate Commission created hereunder, through means of joint and cooperative action among the compacting states:

(1) To provide the framework for the promotion of public safety and to protect the rights of victims through the control and regulation of the interstate movement of offenders in the community;

(2) To provide for the effective tracking, supervision, and rehabilitation of these offenders by the sending and receiving states; and

(3) To equitably distribute the costs, benefits, and obligations of the compact among the compacting states.

(c) In addition, this compact will:

(1) Create an Interstate Commission which will establish uniform procedures to manage the movement between states of adults placed under community supervision and released to the community under the

jurisdiction of courts, paroling authorities, corrections, or other criminal justice agencies, which will promulgate rules to achieve the purpose of this compact;

(2) Ensure an opportunity for input and timely notice to victims and to jurisdictions where defined offenders are authorized to travel or to relocate across state lines;

(3) Establish a system of uniform data collection, access to information on active cases by authorized criminal justice officials, and regular reporting of compact activities to heads of state councils, state executive, judicial, and legislative branches and criminal justice administrators;

(4) Monitor compliance with rules governing interstate movement of offenders and initiate interventions to address and correct noncompliance; and

(5) Coordinate training and education regarding regulations of interstate movement of offenders for officials involved in such activity.

(d) The compacting states recognize that there is no "right" of any offender to live in another state and that duly accredited officers of a sending state may at all times enter a receiving state and there apprehend and retake any offender under supervision subject to the provision of this compact and bylaws and rules promulgated hereunder. It is the policy of the compacting states that the activities conducted by the Interstate Commission created herein are the formation of the public policies and are therefore public business.

(4) Establishing the titles and responsibilities of the officers of the Interstate Commission;

(5) Providing reasonable standards and procedures for the establishment of the personnel policies and programs of the Interstate Commission. Notwithstanding any civil service or other similar laws of any compacting state, the bylaws shall exclusively govern the personnel policies and programs of the Interstate Commission;

(6) Providing a mechanism for winding up the operations of the Interstate Commission and the equitable return of any surplus funds that may exist upon the termination of the compact after the payment and/or reserving of all of its debts and obligations;

(7) Providing transition rules for "start-up" administration of the compact; and

(8) Establishing standards and procedures for compliance and technical assistance in carrying out the compact.

The Interstate Commission shall, through its executive committee, appoint or retain an executive director for such period, upon such terms and conditions and for such compensation as the Interstate Commission may deem appropriate. The executive

director shall serve as secretary to the Interstate Commission, and hire and supervise such other staff as may be authorized by the Interstate Commission, but shall not be a member.

(c) Corporate Records of the Interstate Commission. – The Interstate Commission shall maintain its corporate books and records in accordance with the bylaws.

(d) Qualified Immunity, Defense, and Indemnification. – The members, officers, executive director, and employees of the Interstate Commission shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused or arising out of any actual or alleged act, error, or omission that occurred within the scope of Interstate Commission employment, duties, or responsibilities; provided, that nothing in this paragraph shall be construed to protect any such person from suit and/or liability for any damage, loss, injury, or liability caused by the intentional or willful and wanton misconduct of any such person.

The Interstate Commission shall defend the commissioner of a compacting state, or the commissioner's representatives or employees, or the Interstate Commission's representatives or employees, in any civil action seeking to impose liability, arising out of any actual or alleged act, error, or omission that occurred within the scope of Interstate Commission employment, duties, or responsibilities, or that the defendant had a reasonable basis for believing occurred within the scope of Interstate Commission employment, duties or responsibilities; provided, that the actual or alleged act, error, or omission did not result from intentional wrongdoing on the part of such person.

The Interstate Commission shall indemnify and hold the commissioner of a compacting state, the appointed designee or employees, or the Interstate Commission's representatives or employees, harmless in the amount of any settlement or judgment obtained against such persons arising out of any actual or alleged act, error, or omission that occurred within the scope of Interstate Commission employment, duties or responsibilities, or that such persons had a reasonable basis for believing occurred within the scope of Interstate Commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from gross negligence or intentional wrongdoing on the part of such person.

Article VII.
Activities of the Interstate Commission.

(a) The Interstate Commission shall meet and take such actions as are consistent with the provisions of this compact.

(b) Except as otherwise provided in this compact and unless a greater percentage is required by the bylaws, in order to constitute an act of the Interstate Commission, such act shall have been taken at a meeting of the Interstate Commission and shall have received an affirmative vote of a majority of the members present.

(c) Each member of the Interstate Commission shall have the right and power to cast a vote to which the compacting state is entitled and to participate in the business

and affairs of the Interstate Commission. A member shall vote in person on behalf of the state and shall not delegate a vote to another member state. However, a state council shall appoint another authorized representative, in the absence of the commissioner from that state, to cast a vote on behalf of the member state at a specified meeting. The bylaws may provide for members' participation in meetings by telephone or other means of telecommunication or electronic communication. Any voting conducted by telephone, or other means of telecommunication or electronic communication shall be subject to the same quorum requirements of meetings where members are present in person.

(d) The Interstate Commission shall meet at least once during each calendar year. The chairperson of the Interstate Commission may call additional meetings at any time and, upon the request of a majority of the members, shall call additional meetings.

The Interstate Commission may exempt from disclosure any information or official records to the extent they would adversely affect personal privacy rights or proprietary interests. In promulgating such rules, the Interstate Commission may make available to law enforcement agencies records and information otherwise exempt from disclosure, and may enter into agreements with law enforcement agencies to receive or exchange information or records subject to nondisclosure and confidentiality provisions.

(f) Public notice shall be given of all meetings and all meetings shall be open to the public, except as set forth in the rules or as otherwise provided in the compact. The Interstate Commission shall promulgate rules consistent with the principles contained in the "Government in Sunshine Act," U.S.C. Section 552(b), as may be amended. The Interstate Commission and any of its committees may close a meeting to the public where it determines by two-thirds vote that an open meeting would be likely to:

(1) Relate solely to the Interstate Commission's internal personnel practices and procedures;

(2) Disclose matters specifically exempted from disclosure by statute;

(3) Disclose trade secrets or commercial or financial information which is privileged or confidential;

(4) Involve accusing any person of a crime or formally censuring any person;

(5) Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(6) Disclose investigatory records compiled for law enforcement purposes;

(7) Disclose information contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of, the Interstate Commission with respect to a regulated entity for the purpose of regulation or supervision of such entity;

(8) Disclose information, the premature disclosure of which would significantly endanger the life of a person or the stability of a regulated entity; and

(9) Specifically relate to the Interstate Commission's issuance of a subpoena, or its participation in a civil action or proceeding.

(g) For every meeting closed pursuant to this provision, the Interstate Commission's chief legal officer shall publicly certify that, in the officer's opinion, the meeting may be closed to the public, and shall reference each relevant exemptive provision. The Interstate Commission shall keep minutes which shall fully and clearly describe all matters discussed in any meeting and shall provide a full and accurate summary of any actions taken, and the reasons therefor, including a description of each of the views expressed on any item and the record of any recall vote (reflected in the vote of each member on the question). All documents considered in connection with any action shall be identified in such minutes.

(h) The Interstate Commission shall collect standardized data concerning the interstate movement of offenders as directed through its bylaws and rules which shall specify the data to be collected, the means of collection, and data exchange and reporting requirements.

Article VIII.
Rule-making Functions of the Interstate Commission.

(a) The Interstate Commission shall promulgate rules in order to effectively and efficiently achieve the purposes of the compact including transition rules governing administration of the compact during the period in which it is being considered and enacted by the states.

(b) Rule making shall occur pursuant to the criteria set forth in this article and the bylaws and rules adopted pursuant thereto. Such rule making shall substantially conform to the principles of the federal Administrative Procedure Act, 5 U.S.C.S. section 551 et seq., and the Federal Advisory Committee Act, 5 U.S.C.S. app. 2, section 1 et seq., as may be amended (hereinafter "APA"). All rules and amendments shall become binding as of the date specified in each rule or amendment.

(c) If a majority of the legislatures of the compacting states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the compact, then such rule shall have no further force and effect in any compacting state.

(d) When promulgating a rule, the Interstate Commission shall:

(1) Publish the proposed rule stating with particularity the text of the rule that is proposed and the reason for the proposed rule;

(2) Allow persons to submit written data, facts, opinions, and arguments, which information shall be publicly available;

(3) Provide an opportunity for an informal hearing; and

(4) Promulgate a final rule and its effective date, if appropriate, based on the rule-making record. Not later than 60 days after a rule is promulgated, any interested person may file a petition in the United States District Court for the District of Columbia or in the Federal District Court where the Interstate Commission's principle office is located for judicial review of such rule. If the court finds that the

Interstate Commission's action is not supported by substantial evidence, (as defined in the APA), in the rule-making record, the court shall hold the rule unlawful and set it aside. Subjects to be addressed within 12 months after the first meeting must at a minimum include:

a. Notice to victims and opportunity to be heard;
b. Offender registration and compliance;
c. Violations/returns;
d. Transfer procedures and forms;
e. Eligibility for transfer;
f. Collection of restitution and fees from offenders;
g. Data collection and reporting;
h. The level of supervision to be provided by the receiving state;
i. Transition rules governing the operation of the compact and the Interstate Commission during all or part of the period between the effective date of the compact and the date on which the last eligible state adopts the compact; and
j. Mediation, arbitration, and dispute resolution.

(e) The existing rules governing the operation of the previous compact superceded by this Act shall be null and void 12 months after the first meeting of the Interstate Commission created hereunder.

(f) Upon determination by the Interstate Commission that an emergency exists, it may promulgate an emergency rule which shall become effective immediately upon adoption, provided that the usual rule-making procedures provided hereunder shall be retroactively applied to said rule as soon as reasonably possible, in no event later than 90 days after the effective date of the rule.

Article IX.
Oversight, Enforcement, and Dispute Resolution by the Interstate Commission.

(a) Oversight. – The Interstate Commission shall oversee the interstate movement of adult offenders in the compacting states and shall monitor such activities being administered in noncompacting states that may significantly affect compacting states.

The courts and executive agencies in each compacting state shall enforce this compact and shall take all actions necessary and appropriate to effectuate the compact's purposes and intent. In any judicial or administrative proceeding in a compacting state pertaining to the subject matter of this compact which may affect the powers, responsibilities, or actions of the Interstate Commission, the Interstate Commission shall be entitled to receive all service of process in any such proceeding, and shall have standing to intervene in the proceeding for all purposes.

(b) Dispute Resolution. – The compacting states shall report to the Interstate Commission on issues or activities of concern to them, and cooperate with and support the Interstate Commission in the discharge of its duties and responsibilities.

The Interstate Commission shall attempt to resolve any disputes or other issues which are subject to the compact and which may arise among compacting states and noncompacting states.

The Interstate Commission shall enact a bylaw or promulgate a rule providing for both mediation and binding dispute resolution for disputes among the compacting states.

(c) Enforcement. – The Interstate Commission, in the reasonable exercise of its discretion, shall enforce the provisions of this compact using any and all means set forth in Article XII, subsection (b) of this compact.

Article X.
Finance.

(a) The Interstate Commission shall pay or provide for the payment of the reasonable expenses of its establishment, organization, and ongoing activities.

(b) The Interstate Commission shall levy on and collect an annual assessment for each compacting state to cover the cost of the internal operations and activities of the Interstate Commission and its staff that must be in a total amount sufficient to cover the Interstate Commission's annual budget as approved each year. The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the Interstate Commission, taking into consideration the population of the state and the volume of interstate movement of offenders in each compacting state and shall promulgate a rule binding upon all compacting states which governs said assessment.

(c) The Interstate Commission shall not incur any obligations of any kind prior to securing the funds adequate to meet the same; nor shall the Interstate Commission pledge the credit of any of the compacting states, except by and with the authority of the compacting state.

(d) The Interstate Commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Interstate Commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the Interstate Commission shall be audited yearly by a certified or licensed public accountant and the report of the audit shall be included in and become part of the annual report of the Interstate Commission.

Article XI.
Compacting State, Effective Date, and Amendment.

(a) Any state, as defined in Article II of this compact, is eligible to become a compacting state.

(b) The compact shall become effective and binding upon legislative enactment of the compact into law by no less than 35 of the States. The initial effective date shall be the later of July 1, 2002, or upon enactment into law by the 35th jurisdiction. Therefore, it shall become effective and binding as to any other compacting state, upon enactment of the compact into law by that state. The governors of nonmember states or their designees will be invited to participate in Interstate Commission activities on a

nonvoting basis prior to adoption of the compact by all states and territories of the United States.

(c) Amendments to the compact may be proposed by the Interstate Commission for enactment by the compacting states. No amendment shall become effective and binding upon the Interstate Commission and the compacting states unless and until it is enacted into law by unanimous consent of the compacting states.

Article XII.
Withdrawal, Default, Termination, and Judicial Enforcement.

(a) Withdrawal. – Once effective, the compact shall continue in force and remain binding upon each and every compacting state; provided, that a compacting state may withdraw from the compact ("withdrawing state") by enacting a statute specifically repealing the statute which enacted the compact into law.

The effective date of withdrawal is the effective date of the repeal.

The withdrawing state shall immediately notify the Chair of the Interstate Commission in writing upon the introduction of legislation repealing this compact in the withdrawing state. The Interstate Commission shall notify the other compacting states of the withdrawing state's intent to withdraw within 60 days of its receipt thereof.

The withdrawing state is responsible for all assessments, obligations, and liabilities incurred through the effective date of withdrawal, including any obligations, the performance of which extend beyond the effective date of withdrawal.

Reinstatement following withdrawal of any compacting state shall occur upon the withdrawing state reenacting the compact or upon such later date as determined by the Interstate Commission.

(b) Default. – If the Interstate Commission determines that any compacting state has at any time defaulted ("defaulting state") in the performance of any of its obligations or responsibilities under this Compact, the bylaws or any duly promulgated rules the Interstate Commission may impose any or all of the following penalties:

(1) Fines, fees, and costs in such amounts as are deemed to be reasonable as fixed by the Interstate Commission;

(2) Remedial training and technical assistance as directed by the Interstate Commission;

(3) Suspension and termination of membership in the compact. Suspension shall be imposed only after all other reasonable means of securing compliance under the bylaws and rules have been exhausted. Immediate notice of suspension shall be given by the Interstate Commission to the Governor, the Chief Justice, or Chief Judicial Officer of the state; the majority and minority leaders of the defaulting state's legislature, and the State Council.

The grounds of default include, but are not limited to, failure of a compacting state to perform such obligations or responsibilities imposed upon it by this compact, Interstate Commission bylaws, or duly promulgated rules. The Interstate Commission shall immediately notify the defaulting state in writing of the penalty imposed by the

Interstate Commission on the defaulting state pending a cure of the default. The Interstate Commission shall stipulate the conditions and the time period within which the defaulting state must cure its default. If the defaulting state fails to cure the default within the time period specified by the Interstate Commission, in addition to any other penalties imposed herein, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the compacting states and all rights, privileges, and benefits conferred by this compact shall be terminated from the effective date of suspension. Within 60 days of the effective date of termination of a defaulting state, the Interstate Commission shall notify the Governor, the Chief Justice, or Chief Judicial Officer and the Majority and Minority Leaders of the defaulting state's legislature and the state council of such termination.

The defaulting state is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination including any obligations, the performance of which extends beyond the effective date of termination.

The Interstate Commission shall not bear any costs relating to the defaulting state unless otherwise mutually agreed upon between the Interstate Commission and the defaulting state. Reinstatement following termination of any compacting state requires both a reenactment of the compact by the defaulting state and the approval of the Interstate Commission pursuant to the rules.

(c) Judicial Enforcement. – The Interstate Commission may, by majority vote of the members, initiate legal action in the United States District Court for the District of Columbia or, at the discretion of the Interstate Commission, in the Federal District where the Interstate Commission has its offices to enforce compliance with the provisions of the compact, its duly promulgated rules and bylaws, against any compacting state in default. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation including reasonable attorney's fees.

(d) Dissolution of Compact. – The compact dissolves effective upon the date of the withdrawal or default of the compacting state that reduces membership in the compact to one Compacting State.

Upon the dissolution of this compact, the compact becomes null and void and shall be of no further force or effect, and the business and affairs of the Interstate Commission shall be wound up and any surplus funds shall be distributed in accordance with the bylaws.

Article XIII.
Severability and Construction.

(a) The provisions of this compact shall be severable, and if any phrase, clause, sentence, or provision is deemed unenforceable, the remaining provision of the compact shall be enforceable.

(b) The provisions of this compact shall be liberally constructed to effectuate its purposes.

Article XIV.
Binding Effect of Compact and Other Laws.

(a) Other Laws. – Nothing herein prevents the enforcement of any other law of a compacting state that is not inconsistent with this compact.

All compacting states' laws conflicting with this compact are superseded to the extent of the conflict.

(b) Binding Effect of the Compact. – All lawful actions of the Interstate Commission, including all rules and bylaws promulgated by the Interstate Commission, are binding upon the compacting states.

All agreements between the Interstate Commission and the compacting states are binding in accordance with their terms.

Upon the request of a party to a conflict over meaning or interpretation of Interstate Commission actions, and upon a majority vote of the compacting states, the Interstate Commission may issue advisory opinions regarding such meaning or interpretation.

In the event any provision of this compact exceeds the constitutional limits imposed on the legislature of any compacting state, the obligations, duties, powers, or jurisdiction sought to be conferred by such provision upon the Interstate Commission shall be ineffective and such obligations, duties, powers, or jurisdiction shall remain in the compacting state and shall be exercised by the agency thereof to which such obligations, duties, powers, or jurisdiction are delegated by law in effect at the time this compact becomes effective.

"**§ 148-65.6. Implementation of the compact.**

(e) The State Council shall act in an advisory capacity to the Secretary of Correction concerning this State's participation in Interstate Commission activities and other duties as may be determined by each member state, including recommendations for policy concerning the operations and procedures of the compact within this State.

(f) The Governor shall by executive order provide for any other matters necessary for implementation of the compact at the time that it becomes effective, and except as otherwise provided for in this section, the State Council may promulgate rules or regulations necessary to implement and administer the compact.

"**§ 148-65.8. Interstate parole and probation hearing procedures.**

(a) Where supervision of an offender is being administered pursuant to the Interstate Compact for the Supervision of Adult Offenders, the appropriate judicial or administrative authorities in this State shall notify the Compact Administrator of the sending state whenever, in their view, consideration should be given to retaking or reincarceration for a parole, probation, or post-release supervision violation. Prior to the giving of any such notification, a hearing shall be held in accordance with this section within a reasonable time, unless such hearing is waived by the offender. The appropriate officer or officers of this State shall as soon as practicable, following termination of any such hearing, report to the sending state, furnish a copy of the hearing record, and make recommendations regarding the disposition to be made of the offender by the sending state. Pending any proceeding pursuant to this section, the appropriate officers of this State may take custody of and detain the offender involved for a period not to exceed 15 days prior to the hearing and, if it appears to the hearing officer or officers that retaking or reincarceration is likely to follow, for such reasonable period after the hearing or waiver as may be necessary to arrange for the retaking or reincarceration.

(b) Any hearing pursuant to this section may be before the Administrator of the Interstate Compact for the Supervision of Adult Offenders, a deputy of the Administrator, or any other person appointed by the Administrator, or any person authorized pursuant to the laws of this State to hear cases of alleged parole, probation, or post-release supervision violation, except that no hearing officer shall be the person making the allegation of violation.

(c) With respect to any hearing pursuant to this section, the offender:

(1) Shall have reasonable notice in writing of the nature and content of the allegations to be made, including notice that its purpose is to determine

(2) Shall be permitted to advise with any persons whose assistance the offender reasonably desires, prior to the hearing.

(3) Shall have the right to confront and examine any persons who have made allegations against the offender, unless the hearing officer determines that such confrontation would present a substantial present or subsequent danger of harm to such person or persons.

(d) In any case of alleged parole or probation violation by a person being supervised in another state pursuant to the Interstate Compact for the Supervision of Adult Offenders, any appropriate judicial or administrative officer or agency in another state may hold a hearing on the alleged violation. Upon receipt of the record of a parole, probation, or post-release supervision violation hearing held in another state pursuant to a statute substantially similar to this section, that record shall have the same standing and effect as though the proceeding of which it is a record was had before the appropriate officer or officers in this State, and any recommendations contained in or accompanying the record shall be fully considered by the appropriate officer or officers of this State in making disposition of the matter.

"**§ 148-65.9. North Carolina sentence to be served in another jurisdiction.**

A BILL TO BE ENTITLED

AN ACT TO ADOPT THE PROVISIONS OF THE REVISED INTERSTATE COMPACT FOR THE SUPERVISION OF ADULT OFFENDERS AND TO PROVIDE FOR NORTH CAROLINA TO PARTICIPATE IN THE INTERNATIONAL PRISONER TRANSFER PROGRAM ADMINISTERED BY THE UNITED STATES DEPARTMENT OF JUSTICE.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 148 of the General Statutes is amended by adding a new Article to read:

"Article 4B.

"Interstate Compact for the Supervision of Adult Offenders.

"**§ 148-65.4. Short title.**

This Article may be cited as "The Interstate Compact for the Supervision of Adult Offenders".

"**§ 148-65.5. Governor to execute compact; form of compact.**

The Governor of North Carolina is authorized and directed to execute a compact on behalf of the State of North Carolina with any state of the United States legally joining therein in the form substantially as follows:

Preamble.

Whereas: The Interstate Compact for the Supervision of Parolees and Probationers was established in 1937, it is the earliest corrections "compact" established among the states, and has not been amended since its adoption over 62 years ago;

Whereas: This compact is the only vehicle for the controlled movement of adult parolees and probationers across state lines, and it currently has jurisdiction over more than a quarter of a million offenders;

Whereas: The complexities of the compact have become more difficult to administer, and many jurisdictions have expanded supervision expectations to include

currently unregulated practices such as victim input, victim notification requirements, and sex offender registration;

Whereas: After hearings, national surveys, and a detailed study by a task force appointed by the National Institute of Corrections, the overwhelming recommendation has been to amend the document to bring about an effective management capacity that addresses public safety concerns and offender accountability;

Whereas: The General Assembly hereby finds, determines, and declares that this act is necessary for the immediate preservation of the public peace, health, and safety. The Governor is hereby authorized and directed to enter into a compact on behalf of the State of North Carolina with any state of the United States and other territorial possessions of the United States legally joining therein in the form substantially as follows;

Whereas: Upon the adoption of this Interstate Compact for the Supervision of Adult Offenders, it is the intention of the General Assembly to repeal the previous Interstate Compact for the Supervision of Parolees and Probationers one year after the effective date of this compact.

Article I.
Purpose.

(a) The compacting states to this Interstate Compact recognize that each state is responsible for the supervision of adult offenders in the community who are authorized pursuant to the bylaws and rules of this compact to travel across state lines both to and from each compacting state in such a manner as to track the location of offenders, transfer supervision authority in an orderly and efficient manner, and when necessary return offenders to the originating jurisdictions. The compacting states also recognize that Congress, by enacting the Crime Control Act, 4 U.S.C. § 112 (1965), has authorized and encouraged compacts for cooperative efforts and mutual assistance in the prevention of crime.

(b) It is the purpose of this compact and the Interstate Commission created hereunder, through means of joint and cooperative action among the compacting states:

(1) To provide the framework for the promotion of public safety and to protect the rights of victims through the control and regulation of the interstate movement of offenders in the community;

(2) To provide for the effective tracking, supervision, and rehabilitation of these offenders by the sending and receiving states; and

(3) To equitably distribute the costs, benefits, and obligations of the compact among the compacting states.

(c) In addition, this compact will:

(1) Create an Interstate Commission which will establish uniform procedures to manage the movement between states of adults placed under community supervision and released to the community under the jurisdiction of courts, paroling authorities, corrections, or other

criminal justice agencies, which will promulgate rules to achieve the purpose of this compact;

(2) Ensure an opportunity for input and timely notice to victims and to jurisdictions where defined offenders are authorized to travel or to relocate across state lines;

(3) Establish a system of uniform data collection, access to information on active cases by authorized criminal justice officials, and regular reporting of compact activities to heads of state councils, state executive, judicial, and legislative branches and criminal justice administrators;

(4) Monitor compliance with rules governing interstate movement of offenders and initiate interventions to address and correct noncompliance; and

(5) Coordinate training and education regarding regulations of interstate movement of offenders for officials involved in such activity.

(d) The compacting states recognize that there is no "right" of any offender to live in another state and that duly accredited officers of a sending state may at all times enter a receiving state and there apprehend and retake any offender under supervision subject to the provision of this compact and bylaws and rules promulgated hereunder. It is the policy of the compacting states that the activities conducted by the Interstate Commission created herein are the formation of the public policies and are therefore public business.

(4) Establishing the titles and responsibilities of the officers of the Interstate Commission;

(5) Providing reasonable standards and procedures for the establishment of the personnel policies and programs of the Interstate Commission. Notwithstanding any civil service or other similar laws of any compacting state, the bylaws shall exclusively govern the personnel policies and programs of the Interstate Commission;

The Interstate Commission shall, through its executive committee, appoint or retain an executive director for such period, upon such terms and conditions and for such compensation as the Interstate Commission may deem appropriate. The executive

director shall serve as secretary to the Interstate Commission, and hire and supervise such other staff as may be authorized by the Interstate Commission, but shall not be a member.

(c) Corporate Records of the Interstate Commission. – The Interstate Commission shall maintain its corporate books and records in accordance with the bylaws.

(d) Qualified Immunity, Defense, and Indemnification. – The members, officers, executive director, and employees of the Interstate Commission shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused or arising out of any actual or alleged act, error, or omission that occurred within the scope of Interstate Commission employment, duties, or responsibilities; provided, that nothing in this paragraph shall be construed to protect any such person from suit and/or liability for any damage, loss, injury, or liability caused by the intentional or willful and wanton misconduct of any such person.

The Interstate Commission shall defend the commissioner of a compacting state, or the commissioner's representatives or employees, or the Interstate Commission's representatives or employees, in any civil action seeking to impose liability, arising out of any actual or alleged act, error, or omission that occurred within the scope of Interstate Commission employment, duties, or responsibilities, or that the defendant had a reasonable basis for believing occurred within the scope of Interstate Commission employment, duties, or responsibilities; provided, that the actual or alleged act, error, or omission did not result from intentional wrongdoing on the part of such person.

The Interstate Commission shall indemnify and hold the commissioner of a compacting state, the appointed designee or employees, or the Interstate Commission's representatives or employees, harmless in the amount of any settlement or judgment obtained against such persons arising out of any actual or alleged act, error, or omission that occurred within the scope of Interstate Commission employment, duties, or responsibilities, or that such persons had a reasonable basis for believing occurred within the scope of Interstate Commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from gross negligence or intentional wrongdoing on the part of such person.

Article VII.
Activities of the Interstate Commission.

(a) The Interstate Commission shall meet and take such actions as are consistent with the provisions of this compact.

(b) Except as otherwise provided in this compact and unless a greater percentage is required by the bylaws, in order to constitute an act of the Interstate Commission, such act shall have been taken at a meeting of the Interstate Commission and shall have received an affirmative vote of a majority of the members present.

(c) Each member of the Interstate Commission shall have the right and power to cast a vote to which the compacting state is entitled and to participate in the business

and affairs of the Interstate Commission. A member shall vote in person on behalf of the state and shall not delegate a vote to another member state. However, a state council shall appoint another authorized representative, in the absence of the commissioner from that state, to cast a vote on behalf of the member state at a specified meeting. The bylaws may provide for members' participation in meetings by telephone or other means of telecommunication or electronic communication. Any voting conducted by telephone or other means of telecommunication or electronic communication shall be subject to the same quorum requirements of meetings where members are present in person.

(d) The Interstate Commission shall meet at least once during each calendar year. The chairperson of the Interstate Commission may call additional meetings at any time and, upon the request of a majority of the members, shall call additional meetings.

(e) The Interstate Commission's bylaws shall establish conditions and procedures under which the Interstate Commission shall make its information and official records available to the public for inspection or copying. The Interstate Commission may exempt from disclosure any information or official records to the extent they would adversely affect personal privacy rights or proprietary interests. In promulgating such rules, the Interstate Commission may make available to law enforcement agencies records and information otherwise exempt from disclosure, and may enter into agreements with law enforcement agencies to receive or exchange information or records subject to nondisclosure and confidentiality provisions.

(f) Public notice shall be given of all meetings, and all meetings shall be open to the public, except as set forth in the rules or as otherwise provided in the compact. The Interstate Commission shall promulgate rules consistent with the principles contained in the "Government in Sunshine Act", U.S.C. § 552(b), as may be amended. The Interstate Commission and any of its committees may close a meeting to the public where it determines by two-thirds vote that an open meeting would be likely to:

(1) Relate solely to the Interstate Commission's internal personnel practices and procedures;

(2) Disclose matters specifically exempted from disclosure by statute;

(3) Disclose trade secrets or commercial or financial information which is privileged or confidential;

(4) Involve accusing any person of a crime or formally censuring any person;

(5) Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(6) Disclose investigatory records compiled for law enforcement purposes;

(7) Disclose information contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of, the Interstate Commission with respect to a regulated entity for the purpose of regulation or supervision of such entity;

(8) Disclose information, the premature disclosure of which would significantly endanger the life of a person or the stability of a regulated entity; and

(9) Specifically relate to the Interstate Commission's issuance of a subpoena, or its participation in a civil action or proceeding.

(g) For every meeting closed pursuant to this provision, the Interstate Commission's chief legal officer shall publicly certify that, in the officer's opinion, the meeting may be closed to the public and shall reference each relevant exemptive provision. The Interstate Commission shall keep minutes which shall fully and clearly describe all matters discussed in any meeting and shall provide a full and accurate summary of any actions taken and the reasons therefor, including a description of each of the views expressed on any item and the record of any recall vote (reflected in the vote of each member on the question). All documents considered in connection with any action shall be identified in such minutes.

(h) The Interstate Commission shall collect standardized data concerning the interstate movement of offenders as directed through its bylaws and rules which shall specify the data to be collected, the means of collection, and data exchange and reporting requirements.

Article VIII.
Rule-making Functions of the Interstate Commission.

(a) The Interstate Commission shall promulgate rules in order to effectively and efficiently achieve the purposes of the compact including transition rules governing administration of the compact during the period in which it is being considered and enacted by the states.

(b) Rule making shall occur pursuant to the criteria set forth in this article and the bylaws and rules adopted pursuant thereto. Such rule making shall substantially conform to the principles of the federal Administrative Procedure Act, 5 U.S.C.S. section 551, et seq., and the Federal Advisory Committee Act, 5 U.S.C. § 1, et seq., as may be amended (hereinafter "APA"). All rules and amendments shall become binding as of the date specified in each rule or amendment.

(c) If a majority of the legislatures of the compacting states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the compact, then such rule shall have no further force and effect in any compacting state.

(d) When promulgating a rule, the Interstate Commission shall:

(1) Publish the proposed rule stating with particularity the text of the rule that is proposed and the reason for the proposed rule;

(2) Allow persons to submit written data, facts, opinions, and arguments, which information shall be publicly available;

(3) Provide an opportunity for an informal hearing; and

(4) Promulgate a final rule and its effective date, if appropriate, based on the rule-making record. Not later than 60 days after a rule is promulgated, any interested person may file a petition in the United States District Court for the District of Columbia or in the Federal District Court where the Interstate Commission's principle office is located for judicial review of such rule. If the court finds that the

Interstate Commission's action is not supported by substantial evidence, (as defined in the APA), in the rule-making record, the court shall hold the rule unlawful and set it aside. Subjects to be addressed within 12 months after the first meeting must, at a minimum, include:

a. Notice to victims and opportunity to be heard;
b. Offender registration and compliance;
c. Violations/returns;
d. Transfer procedures and forms;
e. Eligibility for transfer;
f. Collection of restitution and fees from offenders;
g. Data collection and reporting;
h. The level of supervision to be provided by the receiving state;
i. Transition rules governing the operation of the compact and the Interstate Commission during all or part of the period between the effective date of the compact and the date on which the last eligible state adopts the compact; and
j. Mediation, arbitration, and dispute resolution.

(e) The existing rules governing the operation of the previous compact superceded by this Act shall be null and void 12 months after the first meeting of the Interstate Commission created hereunder.

(f) Upon determination by the Interstate Commission that an emergency exists, it may promulgate an emergency rule which shall become effective immediately upon adoption, provided that the usual rule-making procedures provided hereunder shall be retroactively applied to said rule as soon as reasonably possible, in no event later than 90 days after the effective date of the rule.

Article IX.
Oversight, Enforcement, and Dispute Resolution by the Interstate Commission.

(a) Oversight. – The Interstate Commission shall oversee the interstate movement of adult offenders in the compacting states and shall monitor such activities being administered in noncompacting states that may significantly affect compacting states.

The courts and executive agencies in each compacting state shall enforce this compact and shall take all actions necessary and appropriate to effectuate the compact's purposes and intent. In any judicial or administrative proceeding in a compacting state pertaining to the subject matter of this compact which may affect the powers, responsibilities, or actions of the Interstate Commission, the Interstate Commission shall be entitled to receive all service of process in any such proceeding and shall have standing to intervene in the proceeding for all purposes.

(b) Dispute Resolution. – The compacting states shall report to the Interstate Commission on issues or activities of concern to them and cooperate with and support the Interstate Commission in the discharge of its duties and responsibilities.

The Interstate Commission shall attempt to resolve any disputes or other issues which are subject to the compact and which may arise among compacting states and noncompacting states.

The Interstate Commission shall enact a bylaw or promulgate a rule providing for both mediation and binding dispute resolution for disputes among the compacting states.

(c) Enforcement. – The Interstate Commission, in the reasonable exercise of its discretion, shall enforce the provisions of this compact using any and all means set forth in Article XII, subsection (b) of this compact.

Article X.
Finance.

(a) The Interstate Commission shall pay or provide for the payment of the reasonable expenses of its establishment, organization, and ongoing activities.

(b) The Interstate Commission shall levy on and collect an annual assessment for each compacting state to cover the cost of the internal operations and activities of the Interstate Commission and its staff that must be in a total amount sufficient to cover the Interstate Commission's annual budget as approved each year. The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the Interstate Commission, taking into consideration the population of the state and the volume of interstate movement of offenders in each compacting state and shall promulgate a rule binding upon all compacting states which governs said assessment.

(c) The Interstate Commission shall not incur any obligations of any kind prior to securing the funds adequate to meet the same; nor shall the Interstate Commission pledge the credit of any of the compacting states, except by and with the authority of the compacting state.

(d) The Interstate Commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Interstate Commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the Interstate Commission shall be audited yearly by a certified or licensed public accountant, and the report of the audit shall be included in and become part of the annual report of the Interstate Commission.

Article XI.
Compacting State, Effective Date, and Amendment.

(a) Any state, as defined in Article II of this compact, is eligible to become a compacting state.

(b) The compact shall become effective and binding upon legislative enactment of the compact into law by no less than 35 of the states. The initial effective date shall be the later of July 1, 2002, or upon enactment into law by the 35th jurisdiction. Therefore, it shall become effective and binding as to any other compacting state, upon enactment of the compact into law by that state. The governors of nonmember states or their designees will be invited to participate in Interstate Commission activities on a

nonvoting basis prior to adoption of the compact by all states and territories of the United States.

(c) Amendments to the compact may be proposed by the Interstate Commission for enactment by the compacting states. No amendment shall become effective and binding upon the Interstate Commission and the compacting states unless and until it is enacted into law by unanimous consent of the compacting states.

Article XII.
Withdrawal, Default, Termination, and Judicial Enforcement.

(a) Withdrawal. – Once effective, the compact shall continue in force and remain binding upon each and every compacting state; provided that a compacting state may withdraw from the compact ("withdrawing state") by enacting a statute specifically repealing the statute which enacted the compact into law.

The effective date of withdrawal is the effective date of the repeal.

The withdrawing state shall immediately notify the Chair of the Interstate Commission in writing upon the introduction of legislation repealing this compact in the withdrawing state. The Interstate Commission shall notify the other compacting states of the withdrawing state's intent to withdraw within 60 days of its receipt thereof.

The withdrawing state is responsible for all assessments, obligations, and liabilities incurred through the effective date of withdrawal, including any obligations, the performance of which extend beyond the effective date of withdrawal.

Reinstatement following withdrawal of any compacting state shall occur upon the withdrawing state's reenacting the compact or upon such later date as determined by the Interstate Commission.

(b) Default. – If the Interstate Commission determines that any compacting state has at any time defaulted ("defaulting state") in the performance of any of its obligations or responsibilities under this compact, the bylaws, or any duly promulgated rules, the Interstate Commission may impose any or all of the following penalties:

(1) Fines, fees, and costs in such amounts as are deemed to be reasonable as fixed by the Interstate Commission;

(2) Remedial training and technical assistance as directed by the Interstate Commission;

(3) Suspension and termination of membership in the compact. Suspension shall be imposed only after all other reasonable means of securing compliance under the bylaws and rules have been exhausted. Immediate notice of suspension shall be given by the Interstate Commission to the Governor; the Chief Justice or Chief Judicial Officer of the state; the Majority and Minority Leaders of the defaulting state's legislature; and the state council.

The grounds of default include, but are not limited to, failure of a compacting state to perform such obligations or responsibilities imposed upon it by this compact, Interstate Commission bylaws, or duly promulgated rules. The Interstate Commission shall immediately notify the defaulting state in writing of the penalty imposed by the

Interstate Commission on the defaulting state pending a cure of the default. The Interstate Commission shall stipulate the conditions and the time period within which the defaulting state must cure its default. If the defaulting state fails to cure the default within the time period specified by the Interstate Commission, in addition to any other penalties imposed herein, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the compacting states, and all rights, privileges, and benefits conferred by this compact shall be terminated from the effective date of suspension. Within 60 days of the effective date of termination of a defaulting state, the Interstate Commission shall notify the Governor; the Chief Justice or Chief Judicial Officer of the state; the Majority and Minority Leaders of the defaulting state's legislature; and the state council of such termination.

The defaulting state is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including any obligations the performance of which extends beyond the effective date of termination.

The Interstate Commission shall not bear any costs relating to the defaulting state unless otherwise mutually agreed upon between the Interstate Commission and the defaulting state. Reinstatement following termination of any compacting state requires both a reenactment of the compact by the defaulting state and the approval of the Interstate Commission pursuant to the rules.

(c) Judicial Enforcement. – The Interstate Commission may, by majority vote of the members, initiate legal action in the United States District Court for the District of Columbia or, at the discretion of the Interstate Commission, in the Federal District where the Interstate Commission has its offices to enforce compliance with the provisions of the compact, its duly promulgated rules and bylaws against any compacting state in default. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation including reasonable attorney's fees.

(d) Dissolution of Compact. – The compact dissolves effective upon the date of the withdrawal or default of the compacting state that reduces membership in the compact to one compacting state.

Upon the dissolution of this compact, the compact becomes null and void and shall be of no further force or effect, and the business and affairs of the Interstate Commission shall be wound up, and any surplus funds shall be distributed in accordance with the bylaws.

Article XIII.
Severability and Construction.

(a) The provisions of this compact shall be severable, and if any phrase, clause, sentence, or provision is deemed unenforceable, the remaining provision of the compact shall be enforceable.

(b) The provisions of this compact shall be liberally constructed to effectuate its purposes.

Article XIV.
Binding Effect of Compact and Other Laws.

(a) Other Laws. – Nothing herein prevents the enforcement of any other law of a compacting state that is not inconsistent with this compact.

All compacting states' laws conflicting with this compact are superseded to the extent of the conflict.

(b) Binding Effect of the Compact. – All lawful actions of the Interstate Commission, including all rules and bylaws promulgated by the Interstate Commission, are binding upon the compacting states.

All agreements between the Interstate Commission and the compacting states are binding in accordance with their terms.

Upon the request of a party to a conflict over meaning or interpretation of Interstate Commission actions, and upon a majority vote of the compacting states, the Interstate Commission may issue advisory opinions regarding such meaning or interpretation.

In the event any provision of this compact exceeds the constitutional limits imposed on the legislature of any compacting state, the obligations, duties, powers, or jurisdiction sought to be conferred by such provision upon the Interstate Commission shall be ineffective, and such obligations, duties, powers, or jurisdiction shall remain in the compacting state and shall be exercised by the agency thereof to which such obligations, duties, powers, or jurisdiction are delegated by law in effect at the time this compact becomes effective.

"**§ 148-65.6. Implementation of the compact.**

(a) The North Carolina State Council for Interstate Adult Offender Supervision shall be established, consisting of 11 members. The Secretary of Correction, or the Secretary's designee, shall serve as the Compact Administrator for the State of North Carolina and as North Carolina's Commissioner to the Interstate Compact Commission. The Secretary of Correction, or the Secretary's designee, is a member of the State Council and serves as chairperson of the State Council. The remaining members of the State Council shall consist of the following:

(1) One member representing the executive branch, to be appointed by the Governor;

(2) One member from a victim's assistance group, to be appointed by the Governor;

(3) One at-large member, to be appointed by the Governor;

(4) One member of the Senate, to be appointed by the President Pro Tempore of the Senate;

(5) One member of the House of Representatives, to be appointed by the Speaker of the House of Representatives;

(7) Four members representing the Division of Community Corrections, to be appointed by the Director of the Division of Community Corrections.

(b) The State Council shall meet at least twice a year and may also hold special meetings at the call of the chairperson. All terms are for three years.

(c) The State Council may advise the Compact Administrator on participation in the Interstate Commission activities and administration of the compact.

(d) The members of the State Council shall serve without compensation but shall be reimbursed for necessary travel and subsistence expenses in accordance with the policies of the Office of State Budget and Management.

(e) The State Council shall act in an advisory capacity to the Secretary of Correction concerning this State's participation in Interstate Commission activities and other duties as may be determined by each member state, including recommendations for policy concerning the operations and procedures of the compact within this State.

(f) The Governor shall by executive order provide for any other matters necessary for implementation of the compact at the time that it becomes effective, and, except as otherwise provided for in this section, the State Council may promulgate rules or regulations necessary to implement and administer the compact.

"**§ 148-65.7. Supervision fee.**

Persons supervised in this State pursuant to this compact shall pay the supervision fee specified in G.S. 15A-1374(c). The fee shall be paid to the clerk of court in the county in which the person initially receives supervision services in this State.

"**§ 148-65.8. Interstate parole and probation hearing procedures.**

(a) Where supervision of an offender is being administered pursuant to the Interstate Compact for the Supervision of Adult Offenders, the appropriate judicial or administrative authorities in this State shall notify the Compact Administrator of the sending state whenever, in their view, consideration should be given to retaking or reincarceration for a parole, probation, or post-release supervision violation. Prior to the giving of any such notification, a hearing shall be held in accordance with this section within a reasonable time, unless such hearing is waived by the offender. The appropriate officer or officers of this State shall, as soon as practicable following termination of any such hearing, report to the sending state, furnish a copy of the hearing record, and make recommendations regarding the disposition to be made of the offender by the sending state. Pending any proceeding pursuant to this section, the appropriate officers of this State may take custody of and detain the offender involved for a period not to exceed 15 days prior to the hearing and, if it appears to the hearing officer or officers that retaking or reincarceration is likely to follow, for such reasonable period after the hearing or waiver as may be necessary to arrange for the retaking or reincarceration.

(b) Any hearing pursuant to this section may be before the Administrator of the Interstate Compact for the Supervision of Adult Offenders, a deputy of the Administrator, any other person appointed by the Administrator, or any person authorized pursuant to the laws of this State to hear cases of alleged parole, probation, or post-release supervision violation, except that no hearing officer shall be the person making the allegation of violation.

(c) With respect to any hearing pursuant to this section, the offender:

(1) Shall have reasonable notice in writing of the nature and content of the allegations to be made, including notice that its purpose is to determine

whether there is probable cause to believe that the offender has committed a violation that may lead to a revocation of parole, probation, or post-release supervision.

(2) Shall be permitted to advise with any persons whose assistance the offender reasonably desires, prior to the hearing.

(3) Shall have the right to confront and examine any persons who have made allegations against the offender, unless the hearing officer determines that such confrontation would present a substantial present or subsequent danger of harm to such person or persons.

(4) May admit, deny, or explain the violation alleged and may present proof, including affidavits and other evidence, in support of the offender's contentions. A record of the proceedings shall be made and preserved.

(d) In any case of alleged parole or probation violation by a person being supervised in another state pursuant to the Interstate Compact for the Supervision of Adult Offenders, any appropriate judicial or administrative officer or agency in another state may hold a hearing on the alleged violation. Upon receipt of the record of a parole, probation, or post-release supervision violation hearing held in another state pursuant to a statute substantially similar to this section, that record shall have the same standing and effect as though the proceeding of which it is a record was had before the appropriate officer or officers in this State, and any recommendations contained in or accompanying the record shall be fully considered by the appropriate officer or officers of this State in making disposition of the matter.

"**§ 148-65.9. North Carolina sentence to be served in another jurisdiction.**

The Post-Release Supervision and Parole Commission, with the concurrence of the Secretary of Correction, may direct that the balance of any sentence imposed by the courts of this State shall be served concurrently with a sentence or sentences in another state or federal institution and may effect a transfer of custody of such individual to the other jurisdiction for such purpose. In the event the individual's sentence liability in the other jurisdiction terminates prior to the expiration of the individual's North Carolina sentence, the individual shall be either paroled (if eligible) or returned to the prison department of this State, in the discretion of the Post-Release Supervision and Parole Commission."

SECTION 2. Article 4A of Chapter 148 of the General Statutes is repealed.

SECTION 3. This act shall not be construed to obligate the General Assembly to appropriate any funds to implement the provisions of this act. The Department of Correction shall implement the provisions of this act with funds that are otherwise appropriated or available to the Department.

"**§ 148-122. Transfer of convicted foreign citizens under treaty; consent by Governor.**

If a treaty in effect between the United States and a foreign country provides for the transfer or exchange of convicted offenders to the country of which the offenders are citizens or nationals, the Governor may, on behalf of the State and subject to the terms of the treaty, authorize the Secretary of Correction to consent to the transfer or exchange of offenders and take any other action necessary to initiate the participation of the State in the treaty."

SECTION 5. Section 2 of this act becomes effective one year after the effective date of Section 1 of this act. Section 4 of this act becomes effective January 1, 2003. The remainder of this act is effective when it becomes law.

HOUSE BILL 1641:
Offender Supervision Compact/Transfer.

BILL ANALYSIS

Committee:	House Judiciary II	**Introduced by:**	Representative Culpepper
Date:	September 25, 2002	**Summary by:**	Jeff Hudson
Version:	Proposed Committee Substitute H1641-CSSB-76 [v.4]		Committee Counsel

SUMMARY: ***The Proposed Committee Substitute (PCS) for House Bill 1641 withdraws the State from the Interstate Compact for the Supervision of Parolees and Probationers and provides for the entrance of the State into the Interstate Compact for the Supervision of Adult Offenders. The PCS also provides for the participation of the State in treaties between the United States and foreign countries for the transfer or exchange of convicted offenders.***

Sections 1 through 3: Interstate Compact for the Supervision of Adult Offenders.

Background[1]

North Carolina is currently a member of the Interstate Compact for the Supervision of Parolees and Probationers. This compact regulates the transfer of adult parole and probation supervision across state boundaries. This compact has been in existence since 1937 and includes all 50 states in its membership.

The National Institute of Corrections in the United States Department of Justice developed the Interstate Compact for the Supervision of Adult Offenders to replace the Interstate Compact for the Supervision of Parolees and Probationers. The Interstate Compact for the Supervision of Adult Offenders is effective and binding the later of July 1, 2002, or upon enactment into law by the 35th jurisdiction. As of September 5, 2002, 38 states had enacted the new Interstate Compact.

Analysis

Section 1 authorizes and directs the Governor to execute the Interstate Compact for the Supervision of Adult Offenders (Compact) on behalf of the State.

Purpose

The Compact is a cooperative effort among the compacting states to regulate, supervise, and track the interstate movement of offenders who have been released to the community under the jurisdiction and supervision of courts, paroling authorities, and other criminal justice agencies.

Interstate Commission

The Compact establishes the Interstate Commission for Adult Offender Supervision (Interstate Commission). The Commission will consist of one voting commissioner from each compacting state and nonvoting members representing various interested organizations. The Secretary of Correction or the Secretary's designee will serve as North Carolina's voting commissioner.

The Interstate Commission has the following powers:

- To promulgate rules that are binding on the compacting states. If the majority of the legislatures of the compacting states reject a rule promulgated by the Interstate Commission, the rule will have no effect in any compacting state.
- To oversee, supervise, and coordinate the interstate movement of offenders.
- To enforce Compact provisions and Interstate Commission rules and bylaws. In order to enforce Compact provisions and Interstate Commission rules and bylaws, the Interstate Commission may:
    - Impose fines, fees, and costs on a compacting state.
    - Suspend or terminate the membership of a compacting state.
    - Initiate legal action in federal court to enforce compliance with the Compact.
- To levy dues. The Interstate Commission will collect an annual assessment from each compacting state to cover the costs of its operations and activities. The Council of State Governments has projected that state dues will range from $18,000 to $46,000, with North Carolina's dues projected at $39,000.[2]
- To collect, exchange, and report data concerning the interstate movement of offenders.

Binding Effect of Compact

Any law of a compacting state that conflicts with the Compact is superseded to the extent of the conflict. All lawful actions of the Interstate Commission, including its rules and bylaws are binding upon compacting states.

Withdrawal and Dissolution

A compacting state may withdraw from the Compact by repealing the statute that enacted the Compact. A withdrawing state remains responsible for all assessments, obligations, and liabilities incurred prior to the withdrawal, including obligations that extend beyond the withdrawal.

The Compact dissolves if its membership is reduced to one compacting state. Upon dissolution, the Compact has no further effect.

State Councils

The Compact directs each compacting state to establish a State Council for Interstate Adult Offender Supervision (Council). The North Carolina State Council for Interstate Adult Offender Supervision (North Carolina Council) consists of 11 members. The Secretary of Correction or the Secretary's designee is a member of the North Carolina Council and serves as its chairperson. The North Carolina Council is also composed of the following members:

- One member representing the executive branch, appointed by the Governor;
- One member from a victim's assistance group, appointed by the Governor;
- One at-large member, appointed by the Governor;
- One member of the Senate, appointed by the President Pro Tempore of the Senate;

---

[2] Council of State Governments. Website: http://www.statesnews.org/clip/policy/State%20Assessments.pdf. Accessed September 25, 2002.

- One member of the House of Representatives, appointed by the Speaker of the House of Representatives;
- A superior court judge, appointed by the Chief Justice of the Supreme Court; and
- Four members representing the Division of Community Corrections, appointed by the Director of the Division of Community Corrections.

The North Carolina Council will advise the Secretary of Correction concerning the State's participation in the Interstate Compact.

Section 1 also recodifies G.S. 148-65.1(b), G.S. 148-65.1A, and G.S. 148-65.3 as G.S. 148-65.7, G.S. 148-65.8, and G.S. 148-65.9 respectively.

Section 2 repeals the existing Interstate Compact for the Supervision of Parolees and Probationers. Section 2 becomes effective one year after Section 1 becomes effective.

Section 3 provides that the act does not obligate the General Assembly to appropriate funds to implement the act and directs the Department of Correction to implement the act with funds that are otherwise appropriated or available.

Section 4: International Prisoner Transfer Program.

Background[3]

The United States Department of Justice administers the International Prisoner Transfer Program. Under this program, prisoners may be transferred to and from those countries with which the United States has a prisoner transfer treaty. When a prisoner is transferred to another country, the completion of the transferred offender's sentence is carried out in accordance with the laws of the receiving country, including those governing the reduction of the term of confinement.

A state may also transfer prisoners to their countries of citizenship if the state has enacted appropriate legislation. Currently, 44 states have enacted legislation that authorizes the transfer of foreign prisoners.

Analysis

Section 4 allows the Governor to authorize the Secretary of Correction to consent to the transfer or exchange of offenders pursuant to any treaty between the United States and a foreign country for the transfer or exchange of convicted offenders. Section 4 becomes effective January 1, 2003.

Section 5: Effective Dates.

Section 5 provides that:

- Section 2 of this act becomes effective one year after the effective date of Section 1 of this act.
- Section 4 becomes effective January 1, 2003.
- The remainder of this act is effective when it becomes law.

MINUTES
HOUSE COMMITTEE ON JUDICIARY II

October 1, 2002

The House Committee on Judiciary II met on Tuesday, October 1, 2002 at 10:00 a.m. in 421 LOB. The following members were present: Rep. Baddour, Chair and Reps. Bowie, Gulley, Haire, Hall, Jeffus, Sherrill, Weiss and Willingham. A Visitor Registration sheet is attached and made part of these minutes.

Chairman Baddour called the meeting to order. Upon the motion of Rep. Willingham, the PCS for SB 887, A BILL TO BE ENTITLED AN ACT TO PROVIDE ADDITIONAL AUTHORITY FOR MAGISTRATES WHO ARE LICENSED TO PRACTICE LAW, was adopted for discussion. Chairman Baddour explained the changes made to the bill since the last time it was before the committee.

Ken Titus, Superior Court Judge in Durham County and chair of the Jurisdiction and Organizational Courts Committee, spoke on the bill. Peter Powell with the Administrative Office of the Courts responded to Rep. Hall's question of what powers the magistrates and clerks of court would have. Rep. Baddour clarified to Rep. Haire the applicability to minors.

Reps. Sherrill, Baddour and Willingham and Mr. Powell discussed how the fines are administered. Rep. Baddour stated that Reps. Sherrill and Willingham are correct in that the bill appears to only apply to offenses involving the distribution of tobacco products to underage persons. Rep. Baddour asked Mr. Powell if this should also apply to persons who purchase and questioned if the committee would like to make this change. Mr. Powell stated this request came from the ALE. Rep. Sherrill noted she would like to amend the bill. Rep. Weiss shared her concerns about persons who repeatedly sold cigarettes. Upon the motion of Rep. Sherrill, amendment S887–CSSW–86(v.23) that amends the bill on page 2, lines 10–12 was adopted.

Rep. Baddour responded to the questions of Reps. Gulley and Haire. Rep. Willingham motioned that the amendment be rolled into a new PCS and be given a favorable report. The motion carried. Copies of the PCS, original PCS, bill summary and handouts are attached and made part of these minutes.

HB 1100, A BILL TO BE ENTITLED AND ACT TO PROVIDE CONSUMER AND FINANCIAL INSTITUTIONS GREATER PROTECTION FROM FRAUDULENT FINANCIAL TRANSACTIONS, was next on the order of business. Bill sponsor, Rep. Baddour asked Rep. Haire to chair the meeting so that he could handle the bill. Rep. Baddour explained that the Retail Merchants advocated for the bill and that he wanted this bill to come back to committee to review the Senate changes. Robin Johnson,

Committee Counsel, explained the bill and noted that the Senate incorporated HB 953, HB 1764 and SB 1345 into this bill.

Thomas Walker with the Attorney General's Office and Fran Preston of the Retail Merchants Association explained the need for this bill in response to Rep. Bowie. Ms. Preston additionally noted the RMA supported all four bills originally. Paul Stock, N.C. Bankers Association, spoke in support of the bill.

Rep. Weiss sent forth a motion to recommend that the House do concur.

Rep. Baddour responded to Rep. Willingham's question of what would happen to a divorced person using a married name to obtain property, by stating that this would be covered under the statute of obtaining property by false pretenses and depending on how the person obtained the property, it may be covered under this bill if it was identity fraud. Using Rep. Willingham's example, Rep. Haire presented a situation in which this bill would apply and asked Mr. Walker to comment. Mr. Walker noted to Rep. Haire that the bill requires intent to fraud.

Reps. Sherrill and Baddour and Ms. Johnson discussed what types of identity fraud are included in the bill.

Ms. Johnson stated this bill addressed taking someone ID, not making false IDs in response to Rep. Haire's inquiry about what class of penalty was used for a person caught using a false ID.

The motion on the floor by Rep. Weiss passed. Copies of the bill, bill summary and comparison chart are attached as part of these minutes.

Rep. Baddour stepped back up as chair and commented that this may be the last Judiciary II meeting and thanked the committee for its work. Rep. Bowie mentioned what a great committee she thought this was. Rep. Baddour noted to the committee that it looks as if he will not be taking up the workers compensation bill or the no call bill this session.

The meeting adjourned at 10:50 p.m.

(g) The defendant may withdraw his appeal at any time prior to calendaring of the case for trial de novo. The case is then automatically remanded to the court from which the appeal was taken, for execution of the judgment.

(h) The defendant may withdraw his appeal after the calendaring of the case for trial de novo only by consent of the court, and with the attachment of costs of that court, unless the costs or any part of the costs are remitted by the court. The case may then be remanded by order of the court to the court from which the appeal was taken for execution of the judgment with any additional court costs that attached and that have not been remitted."

SECTION 3.(d) Article 5 of Chapter 45 of the General Statutes is amended to add a new section to read:

"**§ 45-45.3. Clerk of superior court as trustee in a mortgage or deed of trust.**

(a) When the clerk of superior court is named trustee in any mortgage or deed of trust, it shall be sufficient to identify the office and county only. The name of the clerk may be omitted.

(b) Whenever a clerk of superior court is named, whether by name or office, as trustee in any deed of trust or mortgage in which the State is named as beneficiary and that is given to secure the appearance of the grantor or mortgagor in a case pending in the General Court of Justice, the authority of the trustee shall be vested in the office of the clerk of superior court of the county in which the subject property is located. This authority shall include the authority to discharge and release the deed of trust or mortgage of record."

SECTION 4. G.S. 15A-147 reads as rewritten:

"**§ 15A-147. Expunction of records when charges are dismissed or there are findings of not guilty as a result of identity ~~fraud.~~fraud or misidentification.**

(a) If any person is named in a charge for an infraction or a crime, either a misdemeanor or a felony, as a result of another person using the identifying information of the named person to commit an infraction or crime and the charge against the named person is dismissed, a finding of not guilty is entered, or the conviction is set aside, the named person may apply by petition or written motion to the court where the charge was last pending on a form approved by the Administrative Office of the Courts supplied by the clerk of court for an order to expunge from all official records any entries relating to the person's apprehension, charge, or trial. The court, after notice to the district attorney, shall hold a hearing on the motion or petition and, upon finding that the person's identity was used without permission and the charges were dismissed or the person was found not guilty, the court shall order the expunction.

(a1) If any person is named in a charge for an infraction or a crime, either a misdemeanor or a felony, as a result of misidentification and the charge against the named person is voluntarily dismissed, the named person may apply by petition or written motion to the court where the charge was last pending on a form approved by the Administrative Office of the Courts supplied by the clerk of court for an order to

expunge from all official records any entries relating to the person's apprehension, or charge. The court, after notice to the district attorney, shall hold a hearing on the motion or petition and, upon finding that the person was mistakenly identified and the charges were voluntarily dismissed, the court shall order the expunction.

(c) The court shall also order that the said entries shall be expunged from the records of the court and direct all law enforcement agencies, the Division of Motor Vehicles, or any other State or local government agencies bearing record of the same to expunge their records of the entries. The clerk shall forward a certified copy of the order to the sheriff, chief of police, or other charging agency; and, when applicable, to the Division of Motor Vehicles and any other State or local agency. The sheriff, chief, or head of such other charging agency shall then transmit the copy of the order with the form supplied by the State Bureau of Investigation to the State Bureau of Investigation, and the State Bureau of Investigation shall forward the order to the Federal Bureau of Investigation. Upon receipt of a certified copy of the order, the agency must purge its records as required by this section. The costs of expunging these records shall not be taxed against the petitioner.

(d) The Division of Motor Vehicles shall expunge from its records entries made as a result of the charge or conviction ordered expunged under this section. The Division of Motor Vehicles shall also reverse any administrative actions taken against a person whose record is expunged under this section as a result of the charges or convictions expunged, including the assessment of drivers license points and drivers license suspension or revocation. Notwithstanding any other provision of this Chapter, the Division of Motor Vehicles shall provide to the person whose motor vehicle record is expunged under this section a certified corrected driver history at no cost and shall reinstate at no cost any drivers license suspended or revoked as a result of a charge or conviction expunged under this section.

(e) Any other applicable State or local government agency shall expunge from its records entries made as a result of the charge or conviction ordered expunged under this section. The agency shall also reverse any administrative actions taken against a person whose record is expunged under this section as a result of the charges or convictions expunged. 3(d) is effective when it becomes law and applies to all mortgages or deeds of trust of record on or after that date. The remainder of this act is effective when it becomes law.

(b) A defendant convicted in the district court before the judge may appeal to the superior court for trial de novo with a jury as provided by law. Upon the docketing in the superior court of an appeal from a judgment imposed pursuant to a plea arrangement between the State and the defendant, the jurisdiction of the superior court over any misdemeanor dismissed, reduced, or modified pursuant to that plea arrangement shall be the same as was had by the district court prior to the plea arrangement.

(c) Within 10 days of entry of judgment, notice of appeal may be given orally in open court or in writing to the clerk. (f) Appeal pursuant to this section stays the execution of portions of the judgment relating to fine and costs. Appeal stays portions of the judgment relating to confinement when the defendant has complied with conditions of pretrial release. If the defendant cannot comply with conditions of pretrial release, the judge may order confinement in a local confinement facility pending the trial de novo in superior court.

(h) The defendant may withdraw his appeal after the calendaring of the case for trial de novo only by consent of the court, and with the attachment of costs of that court, unless the costs or any part of the costs are remitted by the court. The case may then be remanded by order of the court to the court from which the appeal was taken for execution of the judgment with any additional court costs that attached and that have not been remitted."

SENATE BILL 887:
Magistrates and Clerks' Auth/Expunge Records

BILL ANALYSIS

Committee:	House Judiciary II	**Introduced by:**	Sen. Clodfelter
Date:	September 26, 2002	**Summary by:**	Robin Johnson Committee Counsel
Version:	Proposed Committee Substitute S887-CSSW-86 [v.23]		

SUMMARY: The PCS for Senate Bill 887 would amend the qualifications and authority of magistrates, amend the authority of clerks of superior court, and amend the law to permit a simpler procedure to expunge a criminal record in the case of a voluntary dismissal resulting because of misidentification.

QUALIFICATIONS AND AUTHORITY OF MAGISTRATES

Current Law: Magistrates are appointed officers of the district court. Every even-numbered year, the clerk of superior court submits the names of persons qualified for the position of magistrate to the senior regular resident superior court judge. In order to be eligible to be nominated as a magistrate, a person must either have a four-year degree from an accredited college or university, or have a two-year associate's degree and four years of work experience in a related field, including teaching, social service, law enforcement, arbitration or mediation. the court system. or counseling. From these nominations, the senior resident superior court judge appoints the requisite number of magistrates. Magistrates are appointed for two-year terms.

Magistrates preside over and decide civil small claims actions. In criminal actions and infractions, magistrates can issue arrest warrants and search warrants, grant bail for any noncapital offense, and conduct initial appearances. Also, in certain traffic, alcohol and other minor offenses that are waivable[1], magistrates can accept guilty pleas, enter judgment, and collect the fines or penalties and costs in accordance with the schedule of offenses and fines or penalties promulgated by the Conference of Chief District Judges.

Bill Analysis: The bill would amend current law to permit a person to be nominated to serve as a magistrate if that person has at least 12 years' experience as a Clerk of Superior Court in this State. (See below for qualifications of clerks.) *Section 1.*

The bill would grant additional authority to magistrates, in infractions or criminal actions, if so assigned by the chief district judge and subject to any limitations imposed by the chief district court judge, to hear, decide and enter judgment in all infractions and Class 3 misdemeanor cases, regardless of the penalty or offense. This additional authority may be assigned only with the consent of the clerk of superior court and after consultation with the district attorney. Magistrates would be able to accept written appearances, waivers of trial, and guilty pleas in the case of misdemeanor or infraction charges for offenses involving the distribution of tobacco products[2] to underage persons. *Section 2.(a)*

These changes would become effective December 1, 2002, and apply to cases pending or filed on or after that date.

---

[1] *A waivable offense is one where the person charged with the offense may waive his or her appearance and enter a plea of guilty or responsible.*

[2] *G.S. 14-313 prohibits the sale or distribution of tobacco produces or cigarette wrapping papers to any person under age 18 or the purchase of these products on a minor's behalf. Violation of this provision is a Class 2 misdemeanor. This statute also proscribes the display of a point of sale sign that notifies persons of the tobacco sales restriction, prohibits the sale of tobacco products in vending machines except in establishments which are open only to persons aged 18 or over.*

QUALIFICATIONS AND AUTHORITY OF CLERKS OF SUPERIOR COURT

Current Law: Clerks of superior court are elected officials who serve terms of four years. Persons who are qualified voters aged 21 and over and who are not convicted felons are eligible to be elected as clerks of superior court. Clerks of superior court appoint assistant clerks.

Clerks of superior court are authorized to perform a number of legal tasks, including issuing summonses and subpoenas, administering oaths, certifying records, entering default judgments, granting and revoking letters testamentary, letters of administration, and letters of trusteeship in estate matters, appointing and removing guardians and trustees (G.S. 7A-103), issuing arrest and search warrants (G.S. 7A-180), and entering orders of possession in sales of property under power of sale (G.S. 45-21.29). Assistant clerks are authorized to perform all the duties and functions of the office of clerk of superior court.

When real property is pledged for a bond, the then current clerk of superior court is the named trustee.

Bill Analysis: The bill would give a clerk of superior court, if agreed upon by the chief district court judge and clerk after consultation with the district attorney, the same authority as a magistrate to hear, decide and enter judgment in all infraction and Class 3 misdemeanor cases, regardless of penalty or offense. This authority would extend to the assistant clerks of that clerk. These sections of the bill would become effective December 1, 2002, and apply to cases pending or filed on or after that date. *Sections 3.(a) and (b).*

The bill also would amend Chapter 45 (Mortgages and Deeds of Trust) to provide that when the clerk of superior court is named as a trustee in a mortgage or deed of trust (such as in the case of when real property is pledged for a bond), it will be sufficient to identify the office of the clerk (and not the clerk's name) on the mortgage or deed of trust. In that case, the office of the clerk would be authorized to discharge or release the mortgage or deed of trust. This section would take effect when the bill becomes law and would apply to mortgages and deeds of trust that are of record on or after that date. *Section 3.(d)*

APPEALS

Current Law: A person can appeal a decision of a magistrate to the district court, and the case on appeal is tried anew (*de novo*).

Bill Analysis: The following persons may appeal to the criminal division of superior court for a hearing de novo: (i) a person who denies responsibility and is found responsible for an infraction before a magistrate, clerk of superior court, or assistant clerk of superior court, and (ii) a person convicted before a magistrate under G.S. 7A-273(b), a clerk of superior court, or an assistant clerk of superior court. A person who is convicted before a magistrate under G.S. 7A-273(a) will continue to be allowed to appeal for trial de novo before a district court judge without a jury. *Sections 2.(b) and 3.(c).*

EXPUNCTION OF RECORDS

Current Law: Current law provides the circumstances in which a person may have his or her record expunged of infractions or criminal charges or convictions. Current law also sets out various procedures for having a person's record expunged. Those procedures, while similar, vary slightly depending on the circumstances of the infraction, criminal charge or conviction. Under current law, if a person is wrongly charged with an infraction or crime as a result of misidentification and the charges against that person are voluntarily dismissed, the person may apply to the court to expunge his or her record, and a hearing is held. A similar procedure exists for expunging criminal charges or convictions that occur as a result of identity fraud, but this expunction procedure is simpler to use than the procedure currently provided for in the case of misidentification. The procedure for expunction of a record for identity fraud is, for the most part, automatic: a person fills out a form provided by the court, the court notifies the district attorney of the petition, a hearing is held on the motion or petition, and, upon a finding that person's identity

was used without permission and that the charges were dismissed or the person found not guilty, the court orders the expunction.

Bill Analysis: Effective when it becomes law, the bill would amend current law to provide that when a person is charged with an infraction or criminal offense and that charge is voluntarily dismissed as a result of misidentification, the person may petition the court to expunge that person's criminal record using the simpler procedure that is currently available to those charged or convicted as a result of identity fraud. *Section 4.*
