A BILL TO BE ENTITLED

AN ACT TO EXTEND THE SUNSET ON THE LONG-TERM CARE INSURANCE TAX CREDIT.

The General Assembly of North Carolina enacts:

SECTION 1. Section 29A.6(c) and (d) of S.L. 1998-212 read as rewritten:

"(c) The ~~Legislative Research Commission~~Revenue Laws Study Committee shall study the effectiveness of the credit enacted by this section. The Department of Revenue shall provide the ~~Commission~~ Committee data on the usage of this credit, including profiles of taxpayer categories using the credit. The Division of Aging, Department of Health and Human Services, shall provide the ~~Commission~~ Committee data on the effect of the credit on the State's Medicaid costs. The ~~Commission~~ Committee shall report its findings and recommendations to the ~~2004~~ 2006 Regular Session of the ~~2003~~ 2005 General Assembly.

(d) Subsection (a) of this section is effective for taxable years beginning on or after ~~January 1, 1999, and expires for taxable years beginning on or after January 1, 2004.~~ January 1, 1999. The remainder of this section is effective when it becomes law. G.S. 105 160.3(b)(7), as enacted by this ~~act,~~section, is repealed effective when G.S. 105-151.28 is repealed. ~~for taxable years beginning on or after January 1, 2004.~~"

SECTION 2. G.S. 105-151.28 is amended by adding a new subsection to read:

"(d) Sunset. – This section is repealed effective for taxable years beginning on or after January 1, 2008."

SECTION 3. This act becomes effective for taxable years beginning on or after January 1, 2005.

SECTION 2. This act becomes effective for taxable years beginning on or after January 1, 2004.

House Bill 1413:
Tax Credit for Long-Term Care Insurance

BILL ANALYSIS

Committee: House Finance
Date: June 2, 2004
Version: H1413-CSLC-121

Sponsor: Representatives Nye, Howard, Earle, and England
Analysis by: Martha Walston, staff attorney

SUMMARY: The proposed committee substitute for House Bill 1413 would extend the 2004 sunset on the tax credit for premiums paid on long-term care insurance until January 1, 2007. The act becomes effective for taxable years beginning on or after January 1, 2004. HB 1413, as introduced, would have repealed the 2004 sunset so that the long-term tax credit would remain in effect permanently. HB 1413 is a recommendation of the Blue Ribbon Commission on Medicaid Reform.

BILL ANALYSIS: The long-term care credit, in G.S. 105-151.28, became effective for tax years beginning on or after January 1, 1999, and expired for tax years beginning on or after January 1, 2004. This State individual income tax credit was allowed for premiums paid on qualifying long-term care insurance contracts that provide insurance coverage for a taxpayer or a taxpayer's spouse, or a dependent for whom the taxpayer provides over half of the support and whose income is below an exemption amount. The credit was 15% of the premiums paid, not to exceed $350 for each qualified long-term care insurance contract for which a credit was claimed. The purpose of the sunset was to determine whether the credit actually affected taxpayers' behavior - causing them to purchase insurance when they would not otherwise do so - or if the credit merely spent State revenues without increasing the purchase of long-term care insurance.

In January 2003, the Department of Revenue reported to the Revenue Laws Study Committee that they had reviewed a sample of tax returns claiming the credit and found that in most cases, the taxpayers claiming the credit were not entitled to the credit because they had not purchased long-term care insurance. The Department provided more explicit tax instructions for the following tax year and worked with software vendors to improve the long-term care tax credit information in their programs. As a result of the Department's actions, a lower percentage of ineligible taxpayers claimed the credit that year.

This bill would extend the 2004 sunset on the long-term care insurance tax credit to taxable years beginning on or after January 1, 2007.

A long-term care insurance contract is defined in section 7702B of the Internal Revenue Code as any insurance contract under which the only insurance protection provided is for coverage of qualified long-term care services. Qualified long-term care services are those services required by a chronically ill individual and provided under a plan of care prescribed by a licensed health care practitioner. The long-term care insurance contract must also meet the following requirements:

1. Is guaranteed renewable.
2. Does not provide for a cash surrender value.

3. Provides that refunds and dividends may be used only to reduce future premiums or to increase future benefit.
4. Does not pay or reimburse expenses that are reimbursable under Medicare.
5. Satisfies consumer protection laws.

Under federal law, premiums paid on long-term care insurance contracts are treated as deductible medical expenses. Under the medical expense itemized deduction, unreimbursed medical expenses may be deducted to the extent that the expenses exceed 7.5% of adjusted gross income. To the extent a taxpayer will receive a deduction for long-term care insurance premiums under the Code, the taxpayer will receive a deduction for State income tax purposes as well since North Carolina uses federal taxable income as the starting point for calculating State taxable income. To prevent a double tax benefit in those cases, the credit is limited to those expenses for which a deduction has not been claimed.

According to a report from the Health Insurance Association of America, the following states allow an income tax credit for the payment of long-term care insurance premiums: Colorado, Louisiana, Maryland, Minnesota, New York, and Oregon.

The following states allow an income tax deduction for long-term care insurance premiums: Alabama, Hawaii, Idaho, Indiana, Iowa, Kentucky, Maine, Missouri, Montana, Ohio, Utah, Virginia, West Virginia, and Wisconsin.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue

EFFECTIVE DATE: This act is effective for taxable years beginning on or after January 1, 2004 and sunsets for taxable years beginning on or after January 1, 2007.

BILL SUMMARY:
The bill extends the sunset on the long-term care insurance tax credit from taxable years beginning on or after January 1, 2004 to taxable years beginning on or after January 1, 2007.

BACKGROUND:
The long term care insurance tax credit was one of 13 tax provisions included in the budget act for Fiscal Year 1998-99 by the 1998 General Assembly (1998 S.L. chapter 212, SB

1366). The state individual income tax credit equals 15% of the premium paid each year on long-term care insurance, but the credit may not exceed $350 for each policy for which the credit is claimed. The credit may not exceed the amount of tax owed by the taxpayer (nonrefundable), and there is no provision to allow unused portions of the credit to be carried forward. The credit became effective for the taxable year beginning on or after January 1, 1999, and expires for taxable years beginning on or after January 1, 2004.

A taxpayer may claim a credit for policies that provide coverage for either the taxpayer, the taxpayer's spouse, or a family member for whom the taxpayer provides over half of the support and whose income is below an exemption amount. A long term-care insurance policy is one that provides only coverage of long-term care services and that meets the following requirements:

1. Is guaranteed renewable.
2. Does not provide for a cash surrender value.
3. Provides that refunds and dividends may be used only to reduce future premiums or to increase future benefit.
4. Does not pay or reimburse expenses that are reimbursable under Medicare.
5. Satisfies consumer protection laws.

Under federal law, premiums paid on long-term care insurance contracts are treated as deductible medical expenses. Under the medical expense itemized deduction, unreimbursed medical expenses may be deducted to the extent that the expenses exceed 7.5% of adjusted gross income. To the extent a taxpayer will receive a deduction for long-term care insurance premiums under the Code, the taxpayer will receive a deduction for State income tax purposes as well since North Carolina uses federal taxable income as the starting point for calculating State taxable income. To prevent a double tax benefit in those cases, the credit is limited to those expenses for which a deduction has not been claimed.

ASSUMPTIONS AND METHODOLOGY:

Tax year 1999 is the first year that taxpayers could claim the long-term care tax credit. In the inaugural year, 21,029 tax returns claimed approximately $4.2 million in credits for an average long-term care insurance credit of $199. The total amount of credits claimed each year has been consistent except for 2001, which may be explained by a high error rate (see discussion below).

Tax Year	Number of Returns	Total Long-Term Care Credits	Average Credit Per Return
1999	21,029	$4,181,454	$198.84
2000	29,206	$5,974,615	$204.57
2001	51,959	$10,367,883	$199.54
2002	27,516	$5,652,648	$205.43

The Department of Revenue has encountered serious taxpayer problems with the long-term care insurance tax credit. Audited tax returns in 2001 showed a 91% error rate for the long-

term care credit. The most common taxpayer errors were 1) claiming the credit for regular insurance premiums, 2) claiming the total amount of premiums paid as a credit instead of the $350 limit, and 3) claiming the credit in addition to deducting the long-term care premium as a medical expense. One factor that may have increased errors in 2001 was the repeal of the tax credit for child health insurance. Taxpayers may have tried to continue taking the credit on the long-term care insurance line. By rewording the tax return instructions, contacting error making tax preparers, and revising verbiage in tax preparation software, the Department of Revenue reduced the error rate in audited returns to 27% in 2002. According to preliminary estimates for the 2003 tax year, the error rate among audited returns climbed to 40%.

High error rates make it difficult to accurately project the future cost of this tax credit. Many taxpayers have thus far ignored the Department's efforts to clarify the eligibility of this credit. Accurate projections are also hampered by the lack of demographic information on North Carolina long-term care insurance policy holders. A study by the Health Insurance Association of America reports the average purchaser of long-term care insurance is 67 years old. Elderly policy holders with little taxable income would explain why only 51.2% of 86,272 long-term care insurance purchasers in this state claimed a credit in 2002 (counted married filing jointly returns as two policies). Many elderly have little taxable income because North Carolina does not tax Social Security benefits, nor does it tax the pensions of local, state and federal employees vested before August 12, 1989. Furthermore, government pensions not excluded are granted a $4000 income exemption and private pensions are given a $2000 exemption.

This fiscal analysis assumes that the near term General Fund revenue loss from the long-term care insurance tax credit will be in the $5.5 million to $6 million range of recent years. While the number of policy holders may increase in the next five years, this estimate assumes no growth in credits claimed due to the likelihood that the new purchases will be made by an elderly population with low state tax liability. The increase in credit claims due to growth in policies may also be countered by a reduction in credits fraudulently claimed.

Since the credit was scheduled to sunset in 2004, an increase in General Fund availability was anticipated for FY 2004-05 and beyond. Passage of this bill will again create a revenue loss of approximately $6 million a year for the three years the credit is extended.

A BILL TO BE ENTITLED

AN ACT TO ELIMINATE THE WAGE STANDARD FOR INDUSTRIAL REVENUE BONDS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 159C-7(b) reads as rewritten:

"(b) Findings. – The Secretary shall not approve any proposed industrial project or pollution control project unless the Secretary makes all of the following, applicable findings:

(1) In the case of a proposed industrial project,

~~a. That the operator of the proposed project pays, or has agreed to pay thereafter, an average weekly manufacturing wage that (i) is above the average weekly manufacturing wage paid in the county, or (ii) is not less than ten percent (10%) above the average weekly manufacturing wage paid in the State, and~~

~~b. That~~that the proposed project will not have a materially adverse effect on the environment.

(2) In the case of a proposed pollution control project, that the project will have a materially favorable impact on the environment or will prevent or diminish materially the impact of pollution which would otherwise occur.

(2a) In the case of a hazardous waste facility or low-level radioactive waste facility that is used as a reduction, recovery or recycling facility, that such project will further the waste management goals of North Carolina and will not have an adverse effect upon public health or a significant adverse effect on the environment.

(3) In the case of an industrial project or a pollution control project, except a pollution control project for a public utility,

a. That the jobs to be generated or saved, directly or indirectly, by the proposed project will be large enough in number to have a measurable impact on the area immediately surrounding the proposed project and will be commensurate with the size and cost of the proposed project,

b. That the proposed operator of the proposed project has demonstrated or can demonstrate the capability to operate the project, and

c. That the financing of the project by the authority will not cause or result in the abandonment of an existing industrial or manufacturing facility of the proposed operator or an affiliate elsewhere within the State unless the facility is to be abandoned because of obsolescence, lack of available labor in the area, or site limitations."

SECTION 2. G.S. 159D-7(b) reads as rewritten:

"(b) Findings. – The Secretary shall not approve any proposed project unless the Secretary makes all of the following, applicable findings:

(1) In the case of a proposed industrial project,

~~a. That the operator of the proposed project pays, or has agreed to pay thereafter, an average weekly manufacturing wage that (i) is above the average weekly manufacturing wage paid in the county in which the project is to be located or (ii) is not less than ten percent (10%) above the average weekly manufacturing wage paid in the State; and~~

~~b.~~ ~~That~~that the proposed project will not have a materially adverse effect on the environment.

(2) In the case of a proposed pollution control project, that such project will have a materially favorable impact on the environment or will prevent or diminish materially the impact of pollution which would otherwise occur.

(2a) In the case of a hazardous waste facility or low-level radioactive waste facility that is used as a reduction, recovery or recycling facility, that such project will further the waste management goals of North Carolina and will not have an adverse effect upon public health or a significant adverse effect on the environment.

(3) In any case (whether the proposed project is an industrial or a pollution control project),

a. That the jobs to be generated or saved, directly or indirectly, by the proposed project will be large enough in number to have a measurable impact on the area immediately surrounding the proposed project and will be commensurate with the size and cost of the proposed project,

b. That the proposed operator of the proposed project has demonstrated or can demonstrate the capability to operate such project, and

c. That the financing of such project by the agency will not cause or result in the abandonment of an existing industrial or manufacturing facility of the proposed operator or an affiliate elsewhere within the State unless the facility is to be abandoned because of obsolescence, lack of available labor in the area, or site limitations."

SECTION 3. This act is effective when it becomes law.

SENATE BILL 1063:
Eliminate IRB Wage Standard

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Senators Hartsell & Kerr
Date:	June 8, 2004	**Summary by:**	Cindy Avrette
Version:	1st Edition		Committee Counsel

SUMMARY: ***Senate Bill 1063 would eliminate the wage standard for industrial revenue bonds. It comes as a recommendation from the Joint Select Committee on Economic Growth and Development.***

BILL ANALYSIS: Industrial Revenue Bonds offer manufacturing companies long-term debt financing at interest rates substantially below the current prime rate. Under the program, a local Financing Authority may enter into a financing agreement with a company to provide revenue bond proceeds to the company to be used to finance capital expenditures, such as fixed assets, land, buildings, new equipment, existing equipment, etc. The amounts payable by the company to the authority under the financing agreement must be sufficient to pay all of the principal and interest on the bonds.

Under current North Carolina law, the manufacturing company for whom the bonds are to be issued must pay an average weekly manufacturing wage that is either above the average weekly manufacturing wage in the county or is at least 10% above the average weekly manufacturing wage in the State. Manufacturers and economic developers have reported that it is often difficult to meet this wage standard because the companies that can most benefit from this type of financing are often those in manufacturing sectors that pay lower wages than manufacturers as a whole. This bill would remove this wage standard.

The bill comes as a recommendation from the Joint Select Committee on Economic Growth and Development. Several local economic developers, as well as the Department of Commerce, recommended this change to the Committee. The Committee believes that the removal of the wage test from the Industrial Revenue Bonds will help support small and medium sized manufacturing companies that need to retool to remain competitive in the global market.

NORTH CAROLINA GENERAL ASSEMBLY

LEGISLATIVE FISCAL NOTE

BILL NUMBER: Senate Bill 1063 (First Edition)

SHORT TITLE: Eliminate IRB Wage Standard.

SPONSOR(S): Senator Hartsell

FISCAL IMPACT

Yes (x) **No ( )** **No Estimate Available ( )**

	FY 2004-05	FY 2005-06	FY 2006-07	FY 2007-08	FY 2008-09
REVENUES:	**"See Assumptions and Methodology"**				

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Commerce. The bill should not affect the Department's budget requirements.

EFFECTIVE DATE: When the act becomes law.

BILL SUMMARY: Under the industrial revenue bond program in North Carolina, a local financing authority enters into financing agreements with manufacturers. Under the agreement, the authority issues tax-free revenue bonds with the proceeds being used by the company to finance land, buildings, and equipment. The amounts paid by the company to the authority under the financing agreement must be sufficient to pay the debt service on the bonds. To qualify for the financing, the manufacturer must pay an average weekly manufacturing wage that is either above the average weekly manufacturing wage in the county or is at least 10% above the average weekly manufacturing wage in the State.

SB 1063 removes the wage standard from the industrial revenue bond program.

ASSUMPTIONS AND METHODOLOGY: Discussions with the Finance Center of the Department of Commerce indicate that 8-10 projects are approved each year. The Department's objective is to get the activity level back up to around 25 projects each year.

The Department feels that the impact of the additional financing on state personal income tax collections (from the tax-exempt interest) will be insignificant because practically all of the bonds are purchased by large nationwide mutual funds. Thus, the share of the new projects held in mutual funds by North Carolina residents will be small.

House Committee on Finance

Minutes

~

June 8, 2004 – 2:00 p.m.

The House Committee on Finance met on Tuesday, June 8, 2004 at 2:00 pm in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Luebke, McComas, and Miner; Vice-Chairs Alexander, Daughtridge, Gibson, and Hill; Representatives Blackwood, Bordsen, Carney, Creech, Hackney, Jones, Lewis, McGee, Munford, Rayfield, Ross, Starnes, Weiss, C. Wilson, and Womble. Also present were Sergeant-at-Arms Bob Fowler, Bill Freeman, Leslie Oakley, Dusty Rhodes, and Walter Spell. Staff persons present included David Crotts, Canaan Huie, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairman McComas called the meeting to order at 2:07 pm and recognized the six (6) pages present: (1) Anna Christian Allen of Wake County, sponsored by Representative Gordon Allen; (2) Martha Browning of Wake County, sponsored by Representative Weiss; (3) Kevin Kiley of Wake County, sponsored by Speaker Morgan; (4) Emily Roofe of Moore County, sponsored by Representative Goodwin; (5) Elizabeth Song of Forsyth County, sponsored by Representative McGee; and (6) Mark Trawick of Wake County, sponsored by Speaker Morgan.

The sole matter of business of the Committee's agenda was **SB 1063 – ELIMINATE IRB WAGE STANDARD** (see **attachment 3**), sponsored by Senator Hartsell. Chairman McComas recognized the Senator to explain the bill. Senator Hartsell stated that the bill was a recommendation of the Joint Select Committee on Economic Growth and Development and eliminates the wage standard for industrial revenue bonds. Under current law, stated Senator Hartsell, a manufacturing company requesting the issuance of industrial revenue bonds must pay an average weekly manufacturing wage that is either above the average weekly manufacturing wage in the county where it is located or at least 10% above the average weekly manufacturing wage in the State. He furthered stated that many manufacturers and economic developers have reported that it is often difficult to meet this wage standard because the companies that can most benefit from this type of financing are often those in manufacturing sectors that pay lower wages than manufacturers as a whole. The Senator also noted that the bill was requested by several local economic developers and the Department of Commerce as it is their belief that the removal of the wage standard from industrial revenue bonds will help support small and medium sized manufacturing companies that need to retool to remain competitive in the changing economy/global market.

Following this explanation, Representative Luebke was recognized and stated his opposition to the bill. He noted his concern for the widening social inequality that continues to grow in the State. He expanded by stating that the standard of living for working families, especially for those employed in the manufacturing sector, is steadily decreasing and eliminating the wage standard, as

proposed in this bill, would only exacerbate the problem. Chairman McComas then recognized Representative Creech who moved that the bill be given a favorable report. Representative Womble was recognized following this and stated his belief that the bill would allow employers to reduce their wages as low as they wanted. Senator Hartsell's opinion, however, differed. He stated his belief that the bill would allow struggling companies to obtain the financing they needed to modernize and stay competitive without having to meet the wage standard and this would save jobs that would otherwise be lost.

Chairman McComas then recognized Representative Weiss who sent forth an amendment (see **attachment 4**). Representative Weiss explained rather than eliminating the wage standard, her amendment would reduce its requirements to 80% above the average weekly manufacturing wage paid in the county where the manufacturer is located. She then moved adoption of her amendment. Senator Hartsell was recognized and spoke against the amendment stating that a reduction would not have a great enough effect to provide the timely relief to the small and medium-sized manufacturers in the State needing this bill's assistance. Chairman McComas then called the Weiss amendment to a vote and the amendment failed.

Representative Womble was recognized for a question to Senator Hartsell and asked if the bill addressed the "pockets of poverty" or "development zones" that have become a significant problem recently in certain areas of the State. Senator Hartsell explained that the bill did not address this issue. Representative Womble then acted to send forth an amendment (see **attachment 5**), directing the Department of Commerce to encourage manufacturers applying for industrial revenue bonds to locate the projects in development zones. Senator Hartsell expressed no dissent on the amendment. Seeing no further discussion on the amendment, Chairman McComas then called it to a vote. The amendment was adopted without known opposition.

Representative Luebke was recognized next and acted to send forth another amendment (see **attachment 6**). He explained that his amendment was exactly like Representative Weiss' earlier amendment, except that his amendment would reduce the wage standard to 75% above the average weekly manufacturing wage paid. He then moved for the adoption of his amendment. Chairman McComas then recognized Representative Daughtridge who voiced his opposition to the amendment. He noted that there were only two states that have an existing wage standard (North Carolina being one of the two) and that the recommendation from the Joint Select Committee on Economic Development and Growth was not for a reduction of the wage standard but for the elimination. Representative Wilson also voiced her opposition on the amendment. Seeing no further discussion on the amendment and Representative Luebke having requested a roll call vote (see **attachment 7**), the Clerk called the vote. By a vote of 10 ayes and 13 nays, the amendment failed.

Chairman McComas then called the vote on the earlier motion from Representative Creech for a favorable report to Senate Bill 1063, incorporating Representative Womble's newly adopted amendment into a Proposed Committee Substitute (PCS), and the motion carried by a majority of the members. Therefore, the PCS for SB 1063 will be given a favorable report (with an unfavorable report as to the original bill).

As there was no further business before the Committee, Chairman McComas then adjourned the meeting at 3:02 pm.

Respectfully submitted,

Representative Danny McComas
Presiding Chair

Jason A. Cannon
Clerk, House Committee on Finance

A BILL TO BE ENTITLED

AN ACT TO ELIMINATE THE WAGE STANDARD FOR INDUSTRIAL REVENUE BONDS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 159C-7(b) reads as rewritten:

"(b) Findings. – The Secretary shall not approve any proposed industrial project or pollution control project unless the Secretary makes all of the following, applicable findings:

(1) In the case of a proposed industrial project,

~~a. That the operator of the proposed project pays, or has agreed to pay thereafter, an average weekly manufacturing wage that (i) is above the average weekly manufacturing wage paid in the county, or (ii) is not less than ten percent (10%) above the average weekly manufacturing wage paid in the State, and~~

~~b.~~ ~~That~~that the proposed project will not have a materially adverse effect on the environment.

(2) In the case of a proposed pollution control project, that the project will have a materially favorable impact on the environment or will prevent or diminish materially the impact of pollution which would otherwise occur.

(2a) In the case of a hazardous waste facility or low-level radioactive waste facility that is used as a reduction, recovery or recycling facility, that such project will further the waste management goals of North Carolina and will not have an adverse effect upon public health or a significant adverse effect on the environment.

(3) In the case of an industrial project or a pollution control project, except a pollution control project for a public utility,

a. That the jobs to be generated or saved, directly or indirectly, by the proposed project will be large enough in number to have a measurable impact on the area immediately surrounding the proposed project and will be commensurate with the size and cost of the proposed project,

b. That the proposed operator of the proposed project has demonstrated or can demonstrate the capability to operate the project, and

c. That the financing of the project by the authority will not cause or result in the abandonment of an existing industrial or manufacturing facility of the proposed operator or an affiliate elsewhere within the State unless the facility is to be abandoned because of obsolescence, lack of available labor in the area, or site limitations."

SECTION 2. G.S. 159D-7(b) reads as rewritten:

"(b) Findings. – The Secretary shall not approve any proposed project unless the Secretary makes all of the following, applicable findings:

(1) In the case of a proposed industrial project,

~~a. That the operator of the proposed project pays, or has agreed to pay thereafter, an average weekly manufacturing wage that (i) is above the average weekly manufacturing wage paid in the county in which the project is to be located or (ii) is not less than ten percent (10%) above the average weekly manufacturing wage paid in the State; and~~

~~b.~~ ~~That~~that the proposed project will not have a materially adverse effect on the environment.

(2) In the case of a proposed pollution control project, that such project will have a materially favorable impact on the environment or will prevent or diminish materially the impact of pollution which would otherwise occur.

(2a) In the case of a hazardous waste facility or low-level radioactive waste facility that is used as a reduction, recovery or recycling facility, that such project will further the waste management goals of North Carolina and will not have an adverse effect upon public health or a significant adverse effect on the environment.

(3) In any case (whether the proposed project is an industrial or a pollution control project),

a. That the jobs to be generated or saved, directly or indirectly, by the proposed project will be large enough in number to have a measurable impact on the area immediately surrounding the proposed project and will be commensurate with the size and cost of the proposed project,

b. That the proposed operator of the proposed project has demonstrated or can demonstrate the capability to operate such project, and

c. That the financing of such project by the agency will not cause or result in the abandonment of an existing industrial or manufacturing facility of the proposed operator or an affiliate elsewhere within the State unless the facility is to be abandoned because of obsolescence, lack of available labor in the area, or site limitations."

SECTION 3. The Department of Commerce shall encourage projects applying for industrial revenue bonds under Chapter 159C or Chapter 159D of the General Statutes to locate the projects in development zones.

SECTION 4. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO ELIMINATE THE WAGE STANDARD FOR INDUSTRIAL REVENUE BONDS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 159C-7(b) reads as rewritten:

"(b) Findings. – The Secretary shall not approve any proposed industrial project or pollution control project unless the Secretary makes all of the following, applicable findings:

(1) In the case of a proposed industrial project,

~~a. That the operator of the proposed project pays, or has agreed to pay thereafter, an average weekly manufacturing wage that (i) is above the average weekly manufacturing wage paid in the county, or (ii) is not less than ten percent (10%) above the average weekly manufacturing wage paid in the State, and~~

~~b. Thatthat~~ the proposed project will not have a materially adverse effect on the environment.

(2) In the case of a proposed pollution control project, that the project will have a materially favorable impact on the environment or will prevent or diminish materially the impact of pollution which would otherwise occur.

(2a) In the case of a hazardous waste facility or low-level radioactive waste facility that is used as a reduction, recovery or recycling facility, that such project will further the waste management goals of North Carolina and will not have an adverse effect upon public health or a significant adverse effect on the environment.

(3) In the case of an industrial project or a pollution control project, except a pollution control project for a public utility,

a. That the jobs to be generated or saved, directly or indirectly, by the proposed project will be large enough in number to have a measurable impact on the area immediately surrounding the proposed project and will be commensurate with the size and cost of the proposed project,

b. That the proposed operator of the proposed project has demonstrated or can demonstrate the capability to operate the project, and

c. That the financing of the project by the authority will not cause or result in the abandonment of an existing industrial or manufacturing facility of the proposed operator or an affiliate elsewhere within the State unless the facility is to be abandoned because of obsolescence, lack of available labor in the area, or site limitations."

SECTION 2. G.S. 159D-7(b) reads as rewritten:

"(b) Findings. – The Secretary shall not approve any proposed project unless the Secretary makes all of the following, applicable findings:

(1) In the case of a proposed industrial project,

~~a. That the operator of the proposed project pays, or has agreed to pay thereafter, an average weekly manufacturing wage that (i) is above the average weekly manufacturing wage paid in the county in which the project is to be located or (ii) is not less than ten percent (10%) above the average weekly manufacturing wage paid in the State; and~~

~~b.~~ ~~That~~that the proposed project will not have a materially adverse effect on the environment.

(2) In the case of a proposed pollution control project, that such project will have a materially favorable impact on the environment or will prevent or diminish materially the impact of pollution which would otherwise occur.

(2a) In the case of a hazardous waste facility or low-level radioactive waste facility that is used as a reduction, recovery or recycling facility, that such project will further the waste management goals of North Carolina and will not have an adverse effect upon public health or a significant adverse effect on the environment.

(3) In any case (whether the proposed project is an industrial or a pollution control project),

a. That the jobs to be generated or saved, directly or indirectly, by the proposed project will be large enough in number to have a measurable impact on the area immediately surrounding the proposed project and will be commensurate with the size and cost of the proposed project,

b. That the proposed operator of the proposed project has demonstrated or can demonstrate the capability to operate such project, and

c. That the financing of such project by the agency will not cause or result in the abandonment of an existing industrial or manufacturing facility of the proposed operator or an affiliate elsewhere within the State unless the facility is to be abandoned because of obsolescence, lack of available labor in the area, or site limitations."

SECTION 3. This act is effective when it becomes law.

SENATE BILL 1063:
Eliminate IRB Wage Standard

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Senators Hartsell & Kerr
Date:	June 8, 2004	**Summary by:**	Cindy Avrette
Version:	1st Edition		Committee Counsel

SUMMARY: ***Senate Bill 1063 would eliminate the wage standard for industrial revenue bonds. It comes as a recommendation from the Joint Select Committee on Economic Growth and Development.***

BILL ANALYSIS: Industrial Revenue Bonds offer manufacturing companies long-term debt financing at interest rates substantially below the current prime rate. Under the program, a local Financing Authority may enter into a financing agreement with a company to provide revenue bond proceeds to the company to be used to finance capital expenditures, such as fixed assets, land, buildings, new equipment, existing equipment, etc. The amounts payable by the company to the authority under the financing agreement must be sufficient to pay all of the principal and interest on the bonds.

Under current North Carolina law, the manufacturing company for whom the bonds are to be issued must pay an average weekly manufacturing wage that is either above the average weekly manufacturing wage in the county or is at least 10% above the average weekly manufacturing wage in the State. Manufacturers and economic developers have reported that it is often difficult to meet this wage standard because the companies that can most benefit from this type of financing are often those in manufacturing sectors that pay lower wages than manufacturers as a whole. This bill would remove this wage standard.

The bill comes as a recommendation from the Joint Select Committee on Economic Growth and Development. Several local economic developers, as well as the Department of Commerce, recommended this change to the Committee. The Committee believes that the removal of the wage test from the Industrial Revenue Bonds will help support small and medium sized manufacturing companies that need to retool to remain competitive in the global market.

NORTH CAROLINA GENERAL ASSEMBLY

LEGISLATIVE FISCAL NOTE

BILL NUMBER: Senate Bill 1063 (First Edition)

SHORT TITLE: Eliminate IRB Wage Standard.

SPONSOR(S): Senator Hartsell

FISCAL IMPACT

Yes (x) **No ( )** **No Estimate Available ( )**

	FY 2004-05	FY 2005-06	FY 2006-07	FY 2007-08	FY 2008-09
REVENUES:	**"See Assumptions and Methodology"**				

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Commerce. The bill should not affect the Department's budget requirements.

EFFECTIVE DATE: When the act becomes law.

BILL SUMMARY: Under the industrial revenue bond program in North Carolina, a local financing authority enters into financing agreements with manufacturers. Under the agreement, the authority issues tax-free revenue bonds with the proceeds being used by the company to finance land, buildings, and equipment. The amounts paid by the company to the authority under the financing agreement must be sufficient to pay the debt service on the bonds. To qualify for the financing, the manufacturer must pay an average weekly manufacturing wage that is either above the average weekly manufacturing wage in the county or is at least 10% above the average weekly manufacturing wage in the State.

SB 1063 removes the wage standard from the industrial revenue bond program.

ASSUMPTIONS AND METHODOLOGY: Discussions with the Finance Center of the Department of Commerce indicate that 8-10 projects are approved each year. The Department's objective is to get the activity level back up to around 25 projects each year.

The Department feels that the impact of the additional financing on state personal income tax collections (from the tax-exempt interest) will be insignificant because practically all of the bonds are purchased by large nationwide mutual funds. Thus, the share of the new projects held in mutual funds by North Carolina residents will be small.

House Committee on Finance

Minutes

~

June 10, 2004

The House Committee on Finance met on Thursday, June 10, 2004 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons G. Allen, Howard, Luebke, McComas, and Wainwright; Vice-Chairs Alexander, Daughtridge, Decker, Gibson, Hill, and Wood; Representatives Blackwood, Bordsen, Capps, Carney, Creech, Hackney, Holliman, Jones, Lewis, McGee, Rayfield, Ross, Starnes, Weiss, C. Wilson, and Womble. Also present were Sergeant-at-Arms Bob Fowler, Bill Freeman, Frank Prevo, Dusty Rhodes, and Walter Spell. Staff persons present included Richard Bostic, Trina Griffin, Linda Millsaps, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairman Allen called the meeting to order at 8:35 am and recognized the six (6) pages present: (1) Anna Christian Allen of Wake County, sponsored by the Chair; (2) Martha Browning of Wake County, sponsored by Representative Weiss; (3) Ann Donald of New Hanover County, sponsored by Representative McComas; (4) David Point of New Hanover County, sponsored by Representative McComas; (5) Abby Sherrill of Caldwell County, sponsored by Representative Sherrill; and (6) Elizabeth Song of Forsyth County, sponsored by Representative McGee.

Chairman Allen recognized Representative Goodwin to explain the first bill considered by the Committee: **HB 919 – WORKPLACE SAFETY TAX CREDITS** (see **attachment 3**). This bill was first considered by the Committee at its June 3, 2004 meeting but was displaced at that time to allow the bill sponsor additional time to work on the details of the bill. Representative Carney moved that the Proposed Committee Substitute (PCS) for House Bill 919 be adopted for the Committee's consideration. The motion carried without objection. Representative Goodwin then explained that the latest PCS changed the bill from a workplace safety tax credit to a one-year pilot project grant program. He also noted that the PCS combines another grant program bill he had sponsored focusing on non-English speaking workers. As a result, the bill was no longer classified as a "finance" bill. He then requested that the Committee report the bill without prejudice and recommend that it be referred to the Appropriations Committee. Following this explanation, Chairman Allen recognized Representative Wainwright who made a motion that House Bill 919 be reported without prejudice as to the PCS, unfavorable as to the original bill, with a recommendation that the PCS be re-referred to the Committee on Appropriations. Seeing no further discussion, Chairman Allen then called the motion to a vote and it carried without objection.

Chairman Allen next recognized Representative Gibson to speak on behalf of the bill sponsor, Representative Miner, and explain **HB 1264 – MODIFY FINANCE LAWS (REGULATORY FEES)** (see **attachment 4**). Representative Gibson first moved adoption of the

bill's PCS for the purposes of Committee discussion and his motion carried without objection. He then explained that the bill was simply a regulatory fee bill that required passing annually involving the fees on insurance and public utilities. (Further detail is available in the attached bill summary.) Representative Gibson noted that there were no changes in the amounts of the fees from the previous year. Chairman Allen then recognized Representative Wainwright who made a motion that the PCS for House Bill 1264 be given a favorable report (with an unfavorable report as to the original bill). Hearing no further discussion on the bill, the Chair then called the motion to a vote and it was adopted without objection.

HB 1699 – UNC NONAPPROPRIATED CAPITAL PROJECTS (see **attachment 5**) was the next bill considered by the Committee. Since this bill was sponsored by Chairman Allen, Chairwoman Howard assumed the Chair so that he could explain his bill. Representative Allen briefly explained that the bill authorizes the construction and financing of numerous capital improvement projects at various constituent institutions of the University of North Carolina. These projects, he explained would be financed through revenue bonds and special obligation bonds, not appropriations from the General Fund. Chairwoman Howard then recognized Mr. Jeff Davies, Vice-President of the University of North Carolina, who informed the Committee that the bill was an annual one, which simply authorized some 35 capital improvement projects totaling approximately $355 million. He noted that the majority of the projects dealt with housing and dining facility needs and reiterated that these projects would be funded from housing and dining receipts, among other sources. Chairwoman Howard then recognized Representative Ross who made a motion that HB 1699 be given a favorable report. Following some other general discussion, Chairwoman Howard called the motion to a vote and it carried without known objection.

Chairman Allen then reassumed the Chair and recognized Representative Decker for explanation of **HB 1661 – CAP GAS TAX VARIABLE RATE** (see **attachment 6**). Representative Decker informed the Committee members that while there was a PCS prepared prior to the meeting, he did not wish to have it considered as staff had only at the beginning of the meeting informed him that the PCS would make the bill ineligible as it would not have an effect on the 2004-2005 budget (which is required by the rules to be eligible for consideration). As a result, he stated that he would like the Committee members to consider the original bill. He then explained that the bill places a cap, effective July 1, 2004, on the variable wholesale component of the motor fuels tax rate. He noted that he sponsored the bill as a means to try to reduce, or at least hold constant, the rapidly rising gasoline rates in the State and nation. He also stated his support for the bill as a means to "take a stand" against the Arab controlled OPEC's agenda to hurt the overall American economy. Following this explanation, Representative Hill was recognized by the Chair and moved that House Bill 1661 be given a favorable report, noting his opinion that the bill might help reduce the already exorbitant gas prices. Prior to acting on this motion, however, Representative Hackney was recognized and asked if the North Carolina Department of Transportation (NCDOT) and/or the Chairs of the Appropriations Subcommittee on Transportation had been consulted regarding the bill. Chairman Allen then asked if there was a representative from the Department of Transportation present, but there was not. Representative Hackney stated that he would prefer to hear from the NCDOT prior to moving forward with the bill. Representative Hill agreed with Representative Hackney and then acted to withdraw his motion for a favorable report. Representative Decker then stated that he had no problem with displacing the bill from the Committee and considering it again at a later meeting to allow the time needed to consult with the NCDOT on the bill. Upon receipt of Representative Decker's request, Chairman Allen then acted to displace the bill until a later date.

Chairman Allen then recognized Representative McComas to explain the last bill considered by the Committee at the meeting: **HB 1775 – MODIFY UNC SPECIAL OBLIGATION**

BONDS (see **attachment 7**). Representative Capps moved that the PCS for House Bill 1775 be adopted for Committee discussion and the motion carried without objection. Representative McComas then explained that the bill authorizes the Board of Governors of the University of North Carolina to issue certain special obligation bonds without the prior approval of the institution's board of trustees or the General Assembly. These special obligation bonds, explained Representative McComas, could be used solely for acquiring information technology equipment, laboratory and research equipment, and office equipment. He also explained that the aggregate amount of the special obligation bonds issued by the institution must be the lesser of $15 million or 5% of the annual operating revenues of the institution. Finally, he noted that the bonds were required to mature by no longer than 10 years after issuance. Following this explanation, Chairman Allen recognized Representative Howard who moved that the bill be given a favorable report as to the PCS (with an unfavorable report as to the original bill). Noting this motion, the Chair then heard comments and questions from the members. Representative Hackney stated that the bill is requesting that the General Assembly give away too much of its authority. He further inquired of Mr. Rob Nelson, Associate Vice President of Finance for the University of North Carolina, why the University System could not continue to petition the General Assembly each year for its needs, as it has always done in the past. Mr. Nelson responded by stating simply that the bill would allow the University System more flexibility among available financing mechanisms to provide for its ever-growing needs. Representative C. Wilson was recognized following this and asked Mr. Nelson what the entire University's debt ratio was currently. Mr. Nelson stated that the current debt ratio was 4.8%, and also noted that any ratio lower than 10% was considered investment grade debt availability. Chairman Allen then announced that the Committee only had approximately ten minutes remaining, since the full house session was scheduled to begin at 10:00 a.m. Representatives Womble and Creech were both recognized following this announcement and requested that the bill be displaced and taken back up by the Committee at a later meeting to allow additional time for proper debate on the bill. This request appeared to be the overall consensus of the Committee, and as there was no opposition, Chairman Allen then acted to displace House Bill 1775 until a later time.

As a final announcement, Chairman Allen referred **SB 1144 – "IN GOD WE TRUST" SPECIAL PLATES** to the Subcommittee on Tax & Tags.

The Committee's time had then expired, and Chairman Allen adjourned the meeting at 9:39am.

Respectfully submitted,

Representative Gordon Allen

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2003

H **D**

HOUSE BILL 919*
PROPOSED COMMITTEE SUBSTITUTE H919-PCS30555-SV-47

Short Title: Workplace Safety Grants and Training Courses. (Public)

Sponsors:

Referred to:

April 8, 2003

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE DEPARTMENT OF LABOR TO PROVIDE GRANTS FOR VOLUNTARY WORKPLACE SAFETY EFFORTS BY EMPLOYERS AND TO PROVIDE FOR NONENGLISH LANGUAGE SAFETY TRAINING TO CONSTRUCTION WORKERS; TO ALLOW THE REDUCTION OR WAIVER OF CERTAIN CIVIL PENALTIES FOR EMPLOYERS PARTICIPATING IN THE TRAINING; AND TO APPROPRIATE FUNDS FOR THAT PURPOSE.

The General Assembly of North Carolina enacts:

SECTION 1. Article 1 of Chapter 95 of the General Statutes is amended by adding a new section to read:

"**§ 95-14.1. Workplace safety grant program.**

(a) Grant. – The Department of Labor shall implement a grant program under which each eligible employer that makes eligible workplace safety expenditures during a calendar year is eligible for a grant of up to one hundred percent (100%) of the amount of the expenditures.

(b) Definitions. – The following definitions apply in this section:

(1) Eligible employer. – An employer that, at the business location with respect to which the grant is applied for, has no citations that have become a final order within the past three years under either of the following:

a. The Occupational Safety and Health Act for willful serious violations or for failing to abate serious violations.

b. The Mine Safety and Health Act for significant and substantial violations or for failing to abate significant and substantial violations.

(2) Eligible workplace safety expenditures. – Any of the following expenditures unless the expenditure was made to address a violation for which the employer was cited:

a. Expenditures to eliminate workplace hazards in order to attain certification under a North Carolina Department of Labor voluntary recognition program.

b. Expenditures to prepare an application and prepare the workplace for certification under a North Carolina Department of Labor voluntary recognition program.

c. Expenditures to eliminate workplace hazards identified through the North Carolina Department of Labor's free consultation program.

(3) Serious violation. – Defined in G.S. 95-127."

SECTION 2. There is appropriated from the General Fund to the Department of Labor the sum of one million dollars ($1,000,000) for the 2004-2005 fiscal year for the grant program created in Section 1 of this act.

SECTION 3. There is appropriated from the General Fund to the Department of Labor the sum of one hundred thousand dollars ($100,000) for the 2004-2005 fiscal year to establish a pilot program to provide non-English language safety training and materials to workers in the State's construction industry. The Department of Labor shall provide, or authorize other organizations to provide, non-English language safety training in Spanish at least once per month at community colleges or other suitable locations in the five counties with the highest per capita number of Spanish-speaking construction worker deaths during the year 2003. The Department of Labor shall develop the content of the course, and the course shall last no longer than three hours. The Community College System Office shall cooperate with the Department of Labor in the coordination of the pilot program on community college campuses.

SECTION 4. Participating construction companies who have at least seventy-five percent (75%) of their Spanish-speaking employees attend the safety course shall receive a certificate of completion valid for a period of three years. Notwithstanding any other provision of law, if there is a worker injury on a certified employer's construction site during the certification period, any civil penalty considered by the Department of Labor in connection with the injury shall be reduced by at least half the amount or may be waived in the Commissioner's discretion unless the injury was due to reckless or intentional misconduct.

SECTION 5. This act becomes effective July 1, 2004. Section 3 expires June 30, 2005. Section 4 of this act shall remain in effect as to employers certified in the pilot program.

April 8, 2003

A BILL TO BE ENTITLED

AN ACT TO ALLOW INCOME TAX CREDITS FOR VOLUNTARY WORKPLACE SAFETY EFFORTS BY EMPLOYERS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-129.16 is reenacted and rewritten to read:

"**§ 105-129.16. Workplace safety tax credit.**

(a) Credit. – An eligible employer that makes eligible workplace safety expenditures during the taxable year is allowed a credit equal to the amount of the expenditures.

(b) Definitions. – The following definitions apply in this section:

(1) Eligible employer. – An employer that certifies that, as of the time the employer first claims the credit, at the business location with respect to which the credit is claimed, the employer has no citations under the Occupational Safety and Health Act that have become a final order within the past three years for willful serious violations or for failing to abate serious violations.

(2) Eligible workplace safety expenditures. – Any of the following expenditures unless the expenditure was made to address a violation for which the employer was cited:

a. Expenditures to eliminate workplace hazards in order to attain certification under a North Carolina Department of Labor voluntary recognition program.

b. Expenditures to prepare an application and prepare the workplace for certification under a North Carolina Department of Labor voluntary recognition program.

c. Expenditures to eliminate workplace hazards identified through the North Carolina Department of Labor's free consultation program.

(3) Serious violation. – Defined in G.S. 95-127."

SECTION 2. G.S. 105-129.15A reads as rewritten:

"**§ 105-129.15A. Sunset.**

~~G.S. 105-129.16 is repealed effective for business property placed in service on or after January 1, 2002. The remainder of this~~This Article is repealed effective January 1, 2006. The repeal of G.S. 105-129.16A applies to renewable energy property placed in service on or after January 1, 2006."

SECTION 3. This act becomes effective for taxable years beginning on or after January 1, 2004.

A BILL TO BE ENTITLED

AN ACT TO ADOPT REGULATORY FEES.

The General Assembly of North Carolina enacts:

TABLE OF CONTENTS

PART 1. REGULATORY FEE FOR UTILITIES COMMISSION
PART 2. INSURANCE REGULATORY CHARGE
PART 3. GENERAL PROVISIONS

PART 1. REGULATORY FEE FOR UTILITIES COMMISSION

SECTION 1.1.(a) The percentage rate to be used in calculating the public utility regulatory fee under G.S. 62-302(b)(2) is twelve hundredths of a percent (0.12%) for each public utility's North Carolina jurisdictional revenues earned during each quarter that begins on or after July 1, 2004.

SECTION 1.1.(b) The electric membership corporation regulatory fee imposed under G.S. 62-302(b1) for the 2004-2005 fiscal year is two hundred thousand dollars ($200,000).

SECTION 1.1.(c). This section becomes effective July 1, 2004.

PART 2. INSURANCE REGULATORY CHARGE

SECTION 2.1.(a) The percentage rate to be used in calculating the insurance regulatory charge under G.S. 58-6-25 is five percent (5%) for the 2004 calendar year.

SECTION 2.1.(b) This section is effective when it becomes law.

PART 3. GENERAL PROVISIONS

SECTION 3.1. This act does not affect the rights or liabilities of the State, a taxpayer, or another person arising under a statute amended or repealed by this act before the effective date of its amendment or repeal; nor do they affect the right to any

refund or credit of a tax that accrued under the amended or repealed statute before the effective date of its amendment or repeal.

SECTION 3.2. Except as otherwise provided in this act, this act is effective when it becomes law.

SESSION 2003

HOUSE BILL 1264

Short Title:	Modify Finance Laws.	(Public)
Sponsors:	Representative Miner.	
Referred to:	Finance.	

April 29, 2003

A BILL TO BE ENTITLED

AN ACT TO MODIFY THE FINANCE LAWS OF THE STATE.

The General Assembly of North Carolina enacts:

SECTION 1. This act is effective when it becomes law.

HOUSE BILL 1264:
Regulatory Fees

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	Rep. Miner
Date:	June 9, 2004	**Analysis by:**	Martha Walston
Version:	PCS		Committee Counsel

SUMMARY: The proposed committee substitute for House Bill 1264 sets out the following regulatory fee provisions:

- *Part 1 sets the public utility regulatory fee at 0.12% for the 2004-2005 fiscal year and the electric membership corporation regulatory fee at $200,000 for the 2004-2005 fiscal year. These fees are the same as the rates established for the past two years.*
- *Part 2 sets the insurance regulatory fee at 5% for the 2004 calendar year. This rate is the same as the 2003 rate.*

BILL ANALYSIS:

PART 1. REGULATORY FEE FOR UTILITIES COMMISSION

Part 1 of the bill sets the tax rate for the public utility regulatory fee for the 2004-2005 fiscal year at 0.12%. The rate last year was the same. This rate must be set by the General Assembly each year. The utility regulatory fee is a tax that was first imposed in 1989. The proceeds of the fee are credited to the Utilities Commission and Public Staff Fund and used to defray the State's cost in regulating public utilities. The regulatory fee is imposed on all utilities that are subject to regulation by the North Carolina Utilities Commission. The fee is a percentage of the utility's North Carolina jurisdictional revenues. In general, jurisdictional revenue is derived from providing utility service in North Carolina.

In addition to funding the State's cost in regulating public utilities, the money in the Utilities Commission and Public Staff Fund is currently used to finance the work of the Study Commission on the Future of Electric Service in North Carolina. The General Assembly established the Commission in 1997 to examine the cost, adequacy, availability, and pricing of electric rates and service in North Carolina to determine whether legislation is necessary to assure an adequate and reliable source of electricity and economical, fair, and equitable rates for all consumers of electricity in North Carolina. Section 14.10 of S.L. 2000-67, the Current Operations and Capital Improvements Appropriations Act of 2000, extended the life of the Study Commission and its funding from the Utilities Commission and Public Staff Fund through June 30, 2006.

Part 1 also sets at $200,000 for the 2004-2005 fiscal year the annual public utility regulatory fee imposed on electric membership corporations whose principal purpose is to furnish or cause to be furnished bulk electric supplies at wholesale. This is the same rate that was in effect for the 2001-2002, 2002-2003, and 2003-2004 fiscal years. The North Carolina Electric Membership

Corporation is the only electric membership corporation that fits this description. The proceeds of the fee are credited to the Utilities Commission and Public Staff Fund and used to defray the State's cost in regulating electric membership corporations.

The 1999 General Assembly enacted S.L. 1999-180, which authorized electric membership corporations to form subsidiary corporations that may provide energy services and products, telecommunications services and products, and water and wastewater collection and treatment. The subsidiaries must fully compensate the electric membership corporation for its use of the corporation's personnel, services, equipment, and property. The Utilities Commission is charged with regulating this aspect of the subsidiary's business and, to pay for this regulation, S.L. 1999-180 levied a flat-rate regulatory fee to be paid annually by the North Carolina Electric Membership Corporation. The General Assembly must establish the fee amount each year. The North Carolina Electric Membership Corporation is the only electric membership corporation whose principal purpose is to furnish or cause to be furnished bulk electric supplies at wholesale as provided in G.S. 117-16. It is a "generation and supply cooperative" owned by its members. Its members are all but one of the existing North Carolina electric membership corporations, which are "distribution cooperatives." Thus, the fee imposed on the North Carolina Electric Membership Cooperation will be passed on to its member electric membership corporations.

PART 2. INSURANCE REGULATORY CHARGE

Part 2 of this bill sets the insurance regulatory charge at 5% for the 2004 calendar year. This is the same rate set for the 2003 calendar year. The insurance regulatory charge was enacted in 1991 to defray the State's cost of regulating the insurance industry. The charge is a percentage of each insurance company's gross premiums tax liability. The insurance regulatory charge is imposed on insurance companies that pay the gross premiums tax and, beginning in 2000, on health maintenance organizations and medical service corporations. Insurance companies and medical service corporations pay a 1.9% gross premium tax rate.[1] For health maintenance organizations, the charge is levied on each organization's hypothetical gross premiums tax liability determined at the 1.9% gross premiums tax rate applied to its premiums base. The hypothetical calculation is necessary because health maintenance organizations pay premiums tax at the lower rate of 1%.

[1] The premium tax rate for medical service corporations was increased from 1% to 1.9%, effective January 1, 2004. (S.L. 2003-284)

EXPENDITURES					
POSITIONS:					

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: North Carolina Utilities Commission, North Carolina Department of Insurance

EFFECTIVE DATE: Part I becomes effective July 1, 2004; Part II becomes effective when the bill becomes law.

BILL SUMMARY: Part I, Section 1.1.(a) keeps the regulatory fee rate for the Public Utilities Commission at 0.12%. This rate must be set annually and remains the same as in the previous year. Section 1.1.(b) sets the regulatory fee for the electric membership corporations at a flat $200,000. This fee has remained the same since it was first imposed in 1999.

Part II addresses the annual establishment of the insurance regulatory fee. Section 2.1.(a) keeps the insurance regulatory charge at 5%. The rate remains the same as in the previous year.

ASSUMPTIONS AND METHODOLOGY:

PART I: UTILITIES COMMISSION REGULATORY FEE

Part I of the bill sets the fees for regulation by the North Carolina Utilities Commission (Commission.) Section 1.1.(a) of the bill sets the public utility regulatory fee rate at 0.12% for FY 2004-05. Revenue from this fee, which is assessed against regulated public utilities, is used to support the operations of both the Commission and the Public Staff. The Commission estimates the 0.12% regulatory fee will produce $12,600,000 in FY 2004-05. For the same period, the Commission estimates that the combined operations of the Commission and Public Staff will require total expenditures of not less than $12,616620. The cash balance in the Commission's Accumulated Fee Margin Reserve Account and other special funds as of May 30, 2004 was $7.9 million. This represents approximately 7.5 months of operating reserve.

Section 1.1.(b) of the bill sets the public utility regulatory fee to be paid by the North Carolina Electric Membership Corporation for the 2004-05 fiscal year at $200,000. In 1999, the initial fee of $200,000 was developed as a result of discussions between the industry and the Utilities Commission, based on what the Utilities Commission believed to be the cost associated with regulating the electric membership cooperatives. In 2001 the Utilities Commission provided information to the General Assembly's Fiscal Research illustrating that these fees supported approximately 4000 hours of accounting, engineering, and legal time. This fee amount must be set by the General Assembly each year.

PART II: INSURANCE REGULATORY CHARGE

Part II of the bill sets the insurance regulatory charge at 5% for calendar year 2004.

This fee is assessed against the 1.9% premiums tax paid by insurers or against the presumed premiums tax that would be paid by HMOs and Article 65 companies (Blue Cross/Blue Shield) if taxed at 1.9% (they are taxed at 1%). The revenue is used to reimburse the General Fund for appropriations to the Department of Insurance to pay expenses incurred in regulating the insurance industry and other industries and to other departments as specified in G.S. 58-6-25(d).

The premiums tax collections for 2004-2005 is estimated to be $319.5 million. The presumed premium tax for the HMOs and Article 65 companies is estimated to be $69.3 million. With the premiums tax collections of $319.5 million and the presumed premiums tax of $69.3 million from the HMOs and Article 65 companies, the total base against which the insurance regulatory charge will be assessed is estimated to be $388.8 million. Applying the 5% regulatory fee to the $388.8 million base would generate $24.10 million in regulatory fee revenue.

The Department estimates that the operating expenses will be $25.9 million for 2004-2005 and that the reserve will have a balance of $13.85 million at the beginning of 2004-2005. The total available from the reserve fund of $13.85 million and the estimated collections of $24.10 million will be $37.95 million. The total available less the estimated operating

expenditures of $25.9 million will leave a year-end reserve balance of $12.05 million. This reserve is above one-third of the estimated operating expenditures.

Based on the above, the regulatory surcharge rate of 5%, assessed against companies that pay a premiums tax as well as HMOs and Article 65 companies, is sufficient to defray the estimated cost of the operations of the Department and provide for a reserve fund.

Referred to:	Appropriations.	

May 27, 2004

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE CONSTRUCTION AND THE FINANCING, WITHOUT APPROPRIATIONS FROM THE GENERAL FUND, OF CERTAIN CAPITAL IMPROVEMENTS PROJECTS OF THE CONSTITUENT INSTITUTIONS OF THE UNIVERSITY OF NORTH CAROLINA.

The General Assembly of North Carolina enacts:

SECTION 1. Purpose. – The purpose of this act is: (i) to authorize the construction by certain constituent institutions of The University of North Carolina of the capital improvements projects listed in the act for the respective institutions, and (ii) to authorize the financing of these projects with funds available to the institutions from gifts, grants, receipts, self-liquidating indebtedness, or other funds, or any combination of these funds, but not including funds appropriated from the General Fund of the State.

SECTION 2. The capital improvements projects, and their respective costs, authorized by this act to be constructed and financed as provided in Section 1 of this act including by revenue bonds, by special obligations bonds as authorized in Section 6 of this act, or by both are as follows:

1	**Appalachian State University**	
	Central Dining Facility – Supplement	$2,000,000
2	**East Carolina University**	
	Tyler & Fletcher Residence Halls – Air Conditioning and Window Upgrades	3,250,000
3	**North Carolina A&T State University**	
	Parking Deck	6,796,750
4	**North Carolina State University**	
	Dining Hall Renovations	3,000,000

		Renovation of Berry, Becton, and Bagwell Residence Halls-Supplement	4,000,000
		Student Commons Improvements	3,500,000
		Renovations to Reynolds Coliseum	1,500,000
	5	**The University of North Carolina at Asheville**	
		Governor's Village Residence Hall	12,700,000
	6	**The University of North Carolina at Chapel Hill**	
		Carmichael Fields 3 & 4	1,200,000
		Student Family Housing	19,000,000
		Morrison Residence Hall Renovations	24,000,000
		Residence Halls Phase II-Supplement	20,500,000
		Parking Facilities	17,000,000
	7	**The University of North Carolina at Charlotte**	
		Parking Deck-Supplement	4,200,000
		Greek Village Housing	21,500,000
	8	**The University of North Carolina at Greensboro**	
		Parking Deck Addition	8,000,000
		Residence Hall Renovations	4,500,000
		Dining Hall Renovations	1,500,000
		TOTAL	$158,146,750

SECTION 3. The capital improvements projects, and their respective costs, authorized by this act to be constructed and financed as provided in Section 1 of this act, including by special obligations bonds as authorized in Section 6 of this act, are as follows:

	1	**Appalachian State University**	
		Steam Line Improvements	$2,000,000
	2	**East Carolina University**	
		Administrative Offices	2,500,000
		Stadium Maintenance Repairs – Phase III	2,600,000
	3	**The University of North Carolina at Chapel Hill**	
		Ambulatory Care Renovations	1,800,000
		Arthritis Research Center	1,800,000
		ITS Building-Supplement	4,000,000
		Institute for Advanced Materials, Nanoscience & Nanotechnology	3,800,000
		Educational Foundation Office Building	3,000,000

	Athletic Facilities Improvements	1,100,000
	School of Medicine Research Facilities-Addition	33,000,000
	The Daniels Building Renovations	7,000,000
	Major Infrastructure Improvements	68,436,150
	Campus Fiber Optic Wiring	8,000,000
4	**The University of North Carolina at Charlotte**	
	Student Union Building-Supplement	6,000,000
	TOTAL	$145,036,150

SECTION 4. The following projects are authorized and the Board of Governors and the respective campuses are authorized to accept gifts for the costs associated with completing the projects:

1	**North Carolina Central University**	
	Biomanufacturing Research Institute and Training Enterprise (BRITE)	$17,800,000
2	**North Carolina State University**	
	Biomanufacturing Training and Education Center (BTEC)	33,500,000
3	**The University of North Carolina at Chapel Hill**	
	Addition to WUNC Radio	1,000,000
	TOTAL	$52,300,000

SECTION 5. At the request of the Board of Governors of The University of North Carolina and upon determining that it is in the best interest of the State to do so, the Director of the Budget may authorize an increase or decrease in the cost of, or a change in the method of funding, the projects authorized by this act, except that the Director of the Budget shall not authorize debt financing of the projects authorized in Section 4 of this act. Before authorizing a change in cost or funding, the Director of the Budget shall consult with the Joint Legislative Commission on Governmental Operations.

SECTION 6. Pursuant to G.S. 116D-26, the Board of Governors may issue, subject to the approval of the Director of the Budget, at one time or from time to time, special obligation bonds of the Board of Governors for the purpose of paying all or any part of the cost of acquiring, constructing, or providing for the projects authorized by Sections 2 and 3 of this act. The maximum principal amount of bonds to be issued shall not exceed the specified project costs in Sections 2 and 3 of this act plus twenty million dollars ($20,000,000) for related additional costs, such as issuance expenses, funding of reserve funds, and capitalized interest.

SECTION 7. This act is effective when it becomes law.

HOUSE BILL 1699:
UNC Nonappropriated Capital Projects

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. G. Allen
Date:	June 10, 2004	**Summary by:**	Trina Griffin
Version:	1st Edition		Committee Counsel

SUMMARY: ***House Bill 1699 authorizes the construction of numerous projects by The University of North Carolina. The projects will be financed through revenue bonds and special obligation bonds, not appropriations from the General Fund. Senate Bill 1354 is a companion bill.***

CURRENT LAW: There are two types of self-liquidating bonds that may be issued by the Board of Governors of the University of North Carolina. Article 21 of Chapter 116 of the General Statutes authorizes the Board of Governors to issue revenue bonds for the types of projects enumerated in the article. The types of projects for which revenue bonds may be issued include educational buildings, dormitories, recreational facilities, dining facilities, student centers, health care buildings, parking decks, etc. The revenue bonds are payable from rentals, charges, fees, and other revenues generated by the facility. The bonds are not payable from tax revenues.

Article 3 of Chapter 116D of the General Statutes authorizes the Board of Governors to issue special obligation bonds payable with any sources of income or receipts of the Board of Governors or a constituent or affiliated institution, but not including tuition payments or appropriations from the General Fund from State revenues. The bond proceeds could be used for construction, improvement, and acquisition of any capital facilities located at UNC constituent and affiliated institutions. The bonds are not payable from tax revenues.

BILL ANALYSIS:

Section 1. States the purpose of the act to authorize the construction and financing of the capital improvements projects at various constituent institutions of The University of North Carolina. The projects authorized by the bill would not be financed with funds appropriated from the State's General Fund; but may be financed with gifts, grants, receipts, self-liquidating indebtedness, other funds available to the constituent institutions, or a combination of any of those financing methods.

Section 2. Sets out the self-liquidating projects the Board of Governors plans to finance with revenue and/or special obligation bonds. Although the UNC revenue bond act in Chapter 116 does not require the enactment of an appropriation bill, the customary practice for UNC system revenue bond issues has been legislation that lists the specific projects to be financed and their costs.

Section 3. Sets out four additional capital improvements projects and authorizes the financing of some of the costs of those projects with special obligation bonds.

Section 4. Authorizes three additional projects, which will be financed without any debt incurred by the University. The Board of Governors and the respective campuses are authorized to accept gifts for the costs associated with completing the projects.

Section 5. Authorizes the Director of the Budget, at the request of the Board of Governors, to authorize cost increases or decreases, or changes in the method of financing for the projects authorized by the bill. The Director of the Budget may consult with the Joint Legislative Commission on Governmental Operations, but consultation is not required.

Section 6. The UNC special obligation bond act requires that the specific projects and their costs be set forth in legislation approved by the General Assembly and that the maximum amount of special obligation bonds to be issued to finance the specific projects listed be stated. Sections 2 and 3 set forth the specific projects and their costs. This section expressly states that the maximum principal amount of special obligation bonds to be issued shall not exceed the amounts listed in Sections 2 and 3 plus $20 million for related additional costs for which bond proceeds are routinely used, such as issuance expenses, funding of reserve funds, and capitalized interest.

Section 7. The bill is effective when it becomes law.

NORTH CAROLINA GENERAL ASSEMBLY

LEGISLATIVE FISCAL NOTE

BILL NUMBER: House Bill 1699 (First Edition)

SHORT TITLE: UNC Nonappropriated Capital Projects.

SPONSOR(S): Representative G. Allen

FISCAL IMPACT

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: University of North Carolina General Administration

EFFECTIVE DATE: This act is effective when it becomes law.

BILL SUMMARY:
The bill authorizes the construction and financing, without appropriation from the General Fund, of capital improvement projects of the constituent institutions of the University of North Carolina.

ASSUMPTIONS AND METHODOLOGY:
The charts on the following pages were compiled with the assistance of the Associate Vice President for Finance for the UNC Office of the President. The charts show the cost to construct and operate the proposed campus buildings and the source of funds for each facility. The effect of the bond debt on students is also shown. The University expects no increase in operating costs for renovations or for athletic facility improvement. The UNC-Chapel Hill School of Medicine Research Facilities – Addition, the NCCU Biomanufacturing Research Institute and Training Enterprise, and the NCSU Biomanufacturing Training and Education Center are the only projects that require General Fund appropriations for building operations. The Campus Fiber Optic Wiring at UNC-Chapel Hill is a supplement to a $17,533,500 project funded by the 2000 university bond program.

Section 2						
Campus	**Project**	**Amount**	**Source of Funds**	**Effect of Debt on Students**	**Increase in Annual Operating Costs**	**Source of Operating Costs**
Appalachian State University	Central Dining Facility – Supplement	$2,000,000	Dining Receipts			
East Carolina University	Tyler & Fletcher Residence Halls – AC & Window Upgrades	$3,250,000	Housing Receipts			
North Carolina A&T State University	Parking Deck	$6,796,750	Parking Receipts

CAPITAL IMPROVEMENT PROJECTS FUNDED FROM NON-GENERAL FUND SOURCES

The University of North Carolina

2004

Contents	Page
Overview	1
List of Projects	2
Explanation of Projects	4
Summary of Funding	11
Method of Financing	12
Operating Impact	15

UNC Capital Projects
Funded from Non-General Fund Sources
INFORMATION SUMMARY

- Each year, the University requests legislative authorization for capital projects that the campuses propose to construct using non-General fund sources. For 2004, the list includes those projects that the campuses have identified as ready to start by the end of the 2005 calendar year.

- This packet includes 35 capital improvements projects (or project supplements) at nine institutions that have been approved by the Chancellors and Boards of Trustees of the campuses, and that require approval by the President and the Board of Governors. The packet also includes one previously approved item that requires authorization for the issuance of debt.

- The projects include residence hall, student services facilities (including dining and recreation), parking and infrastructure improvements, and academic and research facilities.

- General Fund sources support none of the construction efforts for the proposed projects.

    - Nearly 45 percent of the funds come from housing and dining receipts and parking operations.

    - Nearly 20 percent of the funds are provided by the Golden Leaf Foundation and from other private gifts.

    - Over 25 percent of the funds come from other revenues such as utilities trust funds, telecommunication reserves, medical faculty practice plan receipts, bookstore receipts, and athletics ticket sales.

    - Less than two percent (1.53%) of the funds come from student-approved (by individual project) debt service fees.

    - Less than 10 percent of the funds come from facilities and administrative receipts.

- With legislative approval of the projects, planning can begin. A detailed financial plan will be developed for each project in consultation with financial advisors and bond counsel – and approved by the Chancellors, the Boards of Trustees, the President and the Board of Governors – before construction contracts are awarded and bonds issued.

- No General Fund support will be required for other than academic facilities or facilities used for academic programs.

- All projects are part of the University's 10-year capital plan, which is updated annually and provided to the Joint Legislative Commission on Governmental Operations.

University of North Carolina
Capital Improvement Projects
From Non-General Fund Sources

	Amount
1 Appalachian State University	
Central Dining Facility - Supplement	2,000,000
Steam Line Improvements	2,000,000

	TOTAL	$8,000,000

Authorization of Non-Appropriated Capital Improvements Projects

In June, 1999, the Board adopted a ten-year capital plan totaling $6.9 billion with approximately 60% of the funding to be provided by the State and the remainder to be provided from non-State resources. Since 1999, the General Assembly, at the request of the Board, has authorized non-appropriated capital improvements projects totaling $1.5 billion to be financed from available balances in University accounts or from the sale of bonds to be repaid from University receipts. This amount exceeds the original commitment made by the Board of Governors.

The University is now ready to proceed with the next year of the plan for projects to be funded from non-State resources. The proposals from the campuses continue to capitalize on the authority granted by the 2000 General Assembly allowing the Board of Governors to issue special obligation bonds – those backed by a pledge of all available institutional revenues excluding tuition receipts and state appropriations. The use of special obligation bonds enhances credit ratings and leads to bond issue savings through more competitive rates of interest. The following pages contain descriptions of each proposed project as well as the sources of project financing. A detailed financial plan will be developed for each project in consultation with financial advisors and bond counsel before bonds are issued and construction contracts are awarded.

It is recommended that the Board approve 35 capital improvements projects (or project supplements) at nine institutions totaling $355,482,900. The projects would then be forwarded to the General Assembly for authorization during the 2004 Session.

Appalachian State University

Central Dining Facility-Supplement – $2,000,000
This project was first approved by the General Assembly in 2000 but was delayed because plans call for construction on the Broom-Kirk Gymnasium site and that facility is scheduled for demolition after a new Student Recreation Center is completed. The proposed increase is based on revised cost estimates and is principally related to changes needed to comply with building codes. The proposed increase would be financed from indebtedness to be repaid from dining receipts. The total project cost would now be $17.7 million.

Steam Line Improvements – $2,000,000
This project would continue a comprehensive program to repair and/or replace steam distribution-condensate return lines in the East Campus area. The project would be financed from indebtedness to be repaid from utility trust fund receipts.

East Carolina University

Administrative Offices – $2,500,000
This project would provide for the construction of a new facility to provide office and work space for the Pirate Club and the Athletics Ticketing Offices. Conference room facilities would also be included. The project would be financed from indebtedness to be repaid from private gifts and receipts from ticket sales.

Stadium Maintenance Repairs – Phase III – $2,600,000
This project would provide for additional repairs to the 41-year old Dowdy-Ficklen Stadium. Earlier project phases previously approved by the General Assembly total $3.46 million and ECU issued debt and implemented a $15 debt service fee. The debt was retired at the end of the 2003 calendar year and the $15 debt service fee lapsed. ECU proposes to issue debt and reestablish the $15 debt service fee to finance this project that would provide critical sanitary-sewer upgrades, replacement of plumbing fixtures on the North and South sides of the stadium, renovation of the visitor's locker room, and electrical system upgrades. The indebtedness would also be retired from private gifts.

Tyler and Fletcher Residence Halls Renovations – $3,250,000
This project would provide for the upgrade of the electrical systems at two residence halls to accommodate the installation of window air conditioning units. After careful study of design alternatives, campus officials determined that it would be more cost effective to install window units than renovate the residence halls and install central air conditioning. The project would be financed from indebtedness to be repaid from housing receipts.

North Carolina A&T State University

Parking Deck – $6,796,750
This project would provide a 500-space parking deck on the campus to help address increased parking demand resulting from enrollment growth. The project would be financed from indebtedness to be repaid from parking receipts.

North Carolina Central University

Biomanufacturing Research Institute and Training Enterprise – $17,800,000

The Golden LEAF Foundation has approved a grant of $17,800,000 to NCCU to design, construct, equip, and up-fit a new biomanufacturing research building on the NCCU campus. The Golden LEAF (Long-term Economic Advancement Foundation) was created in 1999 as a non-profit corporation. It receives one half of the funds coming to North Carolina resulting from the Master Tobacco Settlement Agreement and makes grants to non-profit and government agencies. NCCU will establish a new Biomanufacturing Research Institute and Training Enterprise (BRITE). Golden LEAF funds will be used to build a state-of-the-art facility for researching a full range of biomanufacturing technologies in both basic and applied settings.

North Carolina State University

Biomanufacturing Training and Education Center – $33,500,000

The Golden LEAF Foundation has approved a grant of $33,500,000 to NCSU to design, construct, equip, and up-fit a building on the University's Centennial Campus for the Biomanufacturing Training and Education Center (BTEC). The Golden LEAF (Long-term Economic Advancement Foundation) was created in 1999 as a non-profit corporation. It receives one half of the funds coming to North Carolina resulting from the Master Tobacco Settlement Agreement and makes grants to non-profit and government agencies. BTEC is planned to be a 91,000 gross square foot facility, which will provide capstone, hands-on training and education in biomanufacturing. Included will be facilities to train students in large-scale bioprocessing and aseptic operations. Teaching facilities will be designed to standards required by industry while remaining flexible to meet the changing demands of the biomanufacturing industry.

Dining Hall Renovations – $3,000,000

This project would provide for renovations to dining halls and food service facilities in the Talley Student Center, Fountain Dining Hall and in convenience stores. The facilities would be upgraded to reflect student preferences for food-court-style service delivery. The project would be financed from indebtedness to be repaid from dining receipts.

Renovation of Berry, Becton, and Bagwell Residence Halls-Supplement – $4,000,000

This project was previously approved by the General Assembly in the 2003 legislative session. After completing programming and design for the renovations, the campus identified additional requirements that were not included in the original project scope. These requirements include the addition of new stair towers on two of the residence halls and significant modifications to the third as a result of code changes. The proposed increase would be financed from indebtedness to be repaid from housing receipts. The total project cost would be $14 million.

North Carolina State University (continued)

Student Commons Improvements – $3,500,000
This project would provide for an academic support and service center for the 440 students living in the Berry/Becton/Bagwell Quad residence halls. The Commons would include a 24-hour service desk, staff offices, convenience store, and student mailboxes on the first floor. The second floor would have a computer lab, a classroom/meeting room, and a study room for use by students in the Honors Village. The project would be financed from indebtedness to be repaid from housing and dining receipts.

Renovations to Reynolds Coliseum – $1,500,000
This project would provide for the replacement of the roof at Reynolds Coliseum and address code-related issues and asbestos removal. The proposed increase would be financed from indebtedness to be repaid from a $10 debt service fee.

The University of North Carolina at Asheville

Governors Village Residence Hall – $12,700,000
This project would provide for the construction of a 230-bed facility as the campus continues to replace the existing Governors Village built in the 1960s. The project would be financed from indebtedness to be repaid from housing receipts.

The University of North Carolina at Chapel Hill

Ambulatory Care Renovations – $1,800,000
This project would provide for the consolidation of adult and pediatric orthopedics clinics within the Ambulatory Care Center and UNC Hospitals as well as relocation of several clinics, including radiology and therapy units, to the second floor of the Ambulatory Care Center. This project would be financed from indebtedness to be repaid from Medical Faculty Practice Plan receipts.

Arthritis Research Center – $1,800,000
This project would provide for renovations to the third floor of the Thurston-Bowles Building. Administrative space within the Arthritis Research Center would be reconfigured to accommodate a planned reorganization. This project would be financed from indebtedness to be repaid from private gifts.

Carmichael Fields 3 & 4 – $1,200,000
This project would provide for the resurfacing of athletic fields with Astroturf and improvements to the fields' storm drainage system. The project would be financed from indebtedness to be repaid from a $4 per year debt service fee.

The University of North Carolina at Chapel Hill (continued)

ITS Building-Supplement – $4,000,000
This project was previously approved by the 2003 General Assembly as a request to renovate the Bennett Building for telecommunications functions. After more extensive programming and design, the campus has determined that it would be more cost effective to demolish the Bennett Building and build a new facility. The proposed increase would allow for the demolition of the existing building, the relocation of the existing duct bank and the temporary relocation of the central IT HUB during construction. The proposed increase would be financed from indebtedness to be repaid from telecommunications receipts. The total project cost would be $16.3 million.

Institute for Advanced Materials, Nanoscience & Nanotechnology – $3,800,000
This project would provide for the upfit of laboratory space in the basement of the Science Complex, Phase I facility for the new Institute. The project would be financed from indebtedness to be repaid from private gifts.

Educational Foundation Office Building – $3,000,000
This project would provide for the construction of a new facility to co-locate the functions of the Educational Foundation and the athletics ticket office. The project would be financed from indebtedness to be repaid from private gifts.

Athletic Facilities Improvements – $1,100,000
This project would provide for the addition of permanent stands and a team building for the women's softball team, consistent with Title IX requirements for gender equity in athletics programs and facilities. The project would be financed from indebtedness to be repaid from private gifts.

Addition to WUNC Radio – $1,000,000
This project would provide for a 1,600 square-foot addition to WUNC radio that would include office space, meeting rooms, and storage, as well as improvements to the Chatham County transmitter site and tower upgrade, which would include the addition of a block building and equipment. The project would be financed from indebtedness to be repaid from private gifts.

School of Medicine Research Facilities-Addition – $33,000,000
This project would add three floors to a research facility approved by the 2002 General Assembly for use by the School of Pharmacy. The increase would be financed from indebtedness to be repaid from facilities and administrative receipts.

Student Family Housing – $19,000,000
This project would provide 408 units (one and two bedroom) of new housing for student families. The project would continue the replacement of the 1960s-built Odum Village apartments. This project would be financed from indebtedness to be repaid from housing receipts.

The University of North Carolina at Chapel Hill (continued)

Morrison Residence Hall Renovations – $24,000,000
This project would provide for the complete modernization and renovation of this high-rise residence hall built in the 1960s. The project would include reconfiguration of rooms consistent with modern standards and upgrades to mechanical systems. A total of 860 beds would be available after renovations. The project would be financed from indebtedness to be repaid from housing receipts.

Residence Halls Phase II-Supplement – $20,500,000
This project was previously approved by the 2002 Session of the General Assembly. The proposed increase would enable the campus to provide apartment-style units rather than the suite-style units originally programmed. The increase would also address the severely sloped site conditions and would provide an underground parking deck. The proposed increase would be financed from indebtedness to be repaid from housing receipts. The total project cost would be $67 million.

Daniels Building Renovations – $7,000,000
This facility houses the student store which contains a general sales area, the Bulls Head Book Shop, a textbook sales area, offices and storage areas. It was built in 1968 and is in need of renovation. This project would upgrade the building's mechanical, electrical and plumbing systems and provide other improvements to address accessibility, and fire and life safety issues. The project would be financed from indebtedness to be repaid from student store receipts.

Parking Facilities – $17,000,000
This project would provide for the addition of 934 parking spaces on campus in two parking decks. One deck would be located under the planned Global and International Studies Facility and the other would be located at Jackson Circle to augment parking near the medical complex. These projects involve the relocation of utilities and the excavation of rock. The project would be financed from indebtedness to be repaid from parking receipts.

Major Infrastructure Improvements – $68,436,150
This project would provide for the addition of new sanitary sewer lines, electrical substation upgrades, duct banks, a chiller plant, chilled water systems expansion and improvements, and the replacement of aging steam lines and equipment. The project would be financed from indebtedness to be repaid from the utilities trust fund.

The University of North Carolina at Charlotte

Parking Deck-Supplement – $4,200,000
This project was previously approved by the 2002 Session of the General Assembly and would provide 600 new parking spaces on campus. Project programming, scope refinement and improved cost estimates have identified the need to increase the authorized funding. The project would be financed from indebtedness to be repaid from parking receipts. The total project cost would be $12.5 million.

The University of North Carolina at Charlotte (continued)

Greek Village Housing – $21,500,000
This project would provide housing facilities for approximately 400 student members of Greek organizations. The facilities would be 12 three-story structures, each housing up to 32 students. The facilities would include single rooms, along with kitchens, dining facilities, laundry facilities and meeting areas. The project would be financed from indebtedness to be repaid from housing receipts.

Student Union Building-Supplement – $6,000,000
This project was approved in 2003 by the General Assembly at an estimated cost of $39,700,000. The proposed increase would provide for a pedestrian connector, shell space for future expansion of the HVAC system, and additional space for student activities. The proposed increase would be financed from indebtedness to be repaid from the proceeds of an existing debt service fee – no increase in the amount of the fee is required. The total cost of the facility is now estimated to be $45.7 million.

The University of North Carolina at Greensboro

Parking Deck Addition – $8,000,000
This project would provide for the addition of 500 parking spaces, on four levels, to an existing parking deck. This proposed addition is consistent with the campus master plan. The project would be financed from indebtedness to be repaid from parking receipts.

Residence Hall Renovations – $4,500,000
This project would provide for HVAC improvements in Guilford and Mary Foust residence halls and the campus Dining Hall, each built in the 1920s. Existing chillers would be removed and the facilities would be connected to the regional chiller plant. The project would also include new HVAC equipment to include controls in the residence hall. The project would be financed from indebtedness to be repaid from housing receipts.

Dining Hall Renovations – $1,500,000
This project would provide for the removal and replacement of the existing slate roof for the 79-year-old Dining Hall. The existing roof is failing and is increasingly requiring repairs. The project would be financed from indebtedness to be repaid from dining receipts.

The General Assembly is also required to approve the financing plan when bonds are issued to provide supplemental financing for projects that are partially funded by the 2000 higher education bonds. Authorization for financing is requested for one such project at The University of North Carolina at Chapel Hill.

Institution	Project	Total Project Cost	2000 Higher Education Bond Funding	Supplemental Indebtedness	Source of Debt Repayment
UNC-CH	Campus Fiber-Optic Wiring	$25,533,500	$17,533,500	$8,000,000	Telecommunications Receipts

HOUSE BILL 1661
PROPOSED COMMITTEE SUBSTITUTE H1661-CSLAf-51 [v.1]

6/7/2004 6:13:02 PM

Short Title: Cap Gas Tax Variable Rate. (Public)

Sponsors:

Referred to:

May 26, 2004

A BILL TO BE ENTITLED

AN ACT TO CAP THE VARIABLE WHOLESALE COMPONENT OF THE MOTOR FUELS TAX RATE AT THE AMOUNT OF THE COMPONENT FOR THE PERIOD BEGINNING JANUARY 1, 2005.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-449.80(a) reads as rewritten:

"(a) Rate. – The motor fuel excise tax rate is a flat rate of seventeen and one-half cents (17 1/2¢)a gallon plus a variable wholesale component. The variable wholesale component is either three and one-half cents (3 1/2¢) a gallon or seven percent (7%) of the average wholesale price of motor fuel for the applicable base period, whichever is greater. On or after July 1, 2005, the variable wholesale component may not exceed the amount of the variable wholesale component for the period beginning January 1, 2005.

The two base periods are six-month periods; one ends on September 30 and one ends on March 31. The Secretary must set the tax rate twice a year based on the wholesale price for each base period. A tax rate set by the Secretary using information for the base period that ends on September 30 applies to the six-month period that begins the following January 1. A tax rate set by the Secretary using information for the base period that ends on March 31 applies to the six-month period that begins the following July 1."

SECTION 2. This act is effective when it becomes law and applies to rates set on or after that date.

May 26, 2004

A BILL TO BE ENTITLED

AN ACT TO CAP THE VARIABLE WHOLESALE COMPONENT OF THE MOTOR FUELS TAX RATE AT ITS CURRENT RATE.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-449.80(a) reads as rewritten:

"(a) Rate. – The motor fuel excise tax rate is a flat rate of seventeen and one-half cents (17 1/2¢)a gallon plus a variable wholesale component. The variable wholesale component is either three and one-half cents (3 1/2¢) a gallon or seven percent (7%) of the average wholesale price of motor fuel for the applicable base period, whichever is greater. In no case may the variable wholesale component be greater than six and eight-tenths cents (6.8¢) a gallon.

The two base periods are six-month periods; one ends on September 30 and one ends on March 31. The Secretary must set the tax rate twice a year based on the wholesale price for each base period. A tax rate set by the Secretary using information for the base period that ends on September 30 applies to the six-month period that begins the following January 1. A tax rate set by the Secretary using information for the base period that ends on March 31 applies to the six-month period that begins the following July 1."

SECTION 2. This act is effective when it becomes law and applies to rates set on or after that date.

HOUSE BILL 1661:
Cap Gas Tax Variable Rate

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	Rep. Decker
Date:	June 9, 2004	**Analysis by:**	Martha Walston
Version:	Proposed Committee Sub		Committee Counsel

SUMMARY: The proposed committee substitute for House Bill 1661 would cap the variable wholesale component of the motor fuels tax rate at its amount for the period beginning January 1, 2005.

CURRENT LAW: North Carolina imposes a motor fuels excise tax on all motor fuel sold, distributed, or used in the State. The tax is remitted by the wholesale distributor to the suppliers, as trustees for the State, at the terminal rack. The rate of the tax is 17.5 cents per gallon, plus the greater of 3.5 cents per gallon or 7 % of the average wholesale price of motor fuel. The wholesale price component of the rate is set every six months by the Secretary of Revenue based on the average price during the previous period. As of January 1, 2004, the total tax rate was 24.3 cents per gallon.

The term "motor fuels" is defined as gasoline, diesel fuel, and blended fuel. (G.S. 105-449.60)

The revenue collected from the motor fuels tax is distributed as follows:

½ of 1 cent of the tax imposed per gallon is allocated as follows:

- 19/32 of each half cent to the Commercial Leaking Petroleum Underground Storage Tank Cleanup Fund
- 3/32 of each half cent to the Noncommercial Leaking Petroleum Underground Storage Tank Cleanup Fund
- 5/16 of each half cent to the Water and Air Quality Account

Of the remaining proceeds, 75% is allocated to the Highway Fund and 25% is allocated to the Highway Trust Fund.

BILL ANALYSIS: The proposed committee substitute for House Bill 1661 would cap the wholesale price component of the rate to be set for the period beginning January 1, 2005.

PRINCIPAL DEPARTMENT(S) &
PROGRAM(S) AFFECTED: Highway Fund and Highway Trust Fund

EFFECTIVE DATE: When the bill becomes law. It would apply to rates set on or after that date.

BILL SUMMARY: Caps the variable wholesale component of the motor fuels tax rate at the rate to be set for the period beginning January 1, 2005.

ASSUMPTIONS AND METHODOLOGY: The motor fuels tax rate in North Carolina consists of a fixed rate of 17.5 cents per gallon plus a variable rate that is the greater of 3.5 cents per gallon or 7% of the wholesale price (weighted average of gasoline and diesel fuel) for a six month period as published by the US Department of Energy's Energy Information Administration.

Through June 30, 2004 the variable rate is 6.8 cents per gallon and the total tax is 24.3 cents per gallon. On June 15, 2004 the Department of Revenue will set the rate for the period July through December 2004. That rate is based on wholesale prices in the period October 2003 through March 2004 and is expected to be 24.6 cents per gallon, an increase of .3 cents per gallon, based on a variable rate of 7.1 cents per gallon and a fixed rate of 17.5 cents per gallon.

The variable rate will be set again in December 2004 when the Energy Information Administration publishes the new data on prices in the April 2004 through September 2004 period. That rate will be in effect from January through June 2005. The PCS would cap the variable rate at the rate in effect at that time.

The revenue impact of the bill will be determined by the variable rate set in December 2004 and how that compares to prices in subsequent period. It is assumed for purposes of this note that the variable rate will be as forecast by the North Carolina Office of State Budget and Management (OSBM) in April 2004. OSBM forecasts that the rate set in December 2004 will be the peak for the next five years. If that is the case the variable rate would always be under the cap and there would be no revenue impact.

	Variable Rate			
	State Forecast cents/gal	Cap cents/gal	Over cap cents/gal	Difference $ millions (half year)
Current	6.8		0	
Jul-04	7.1		0	
Jan-05	7.2	7.2	0	$0
Jul-05	6.8	7.2	0	$0
Jan-06	6.5	7.2	0	$0
Jul-06	6.2	7.2	0	$0
Jan-07	6.3	7.2	0	$0
Jul-07	6.5	7.2	0	$0
Jan-08	6.6	7.2	0	$0
Jul-08	6.8	7.2	0	$0
Jan-09	6.9	7.2	0	$0

The OSBM forecast is only one of many possible scenarios for prices and tax rates. Based on prices observed in April through June 2004 the variable rate could be set at 8 or 9 cents per gallon in December. However, if prices were to decline from that level in the next few years there would still be no impact on collections. But if prices continue to rise then the cap would reduce motor fuels tax collections by approximately $53 million for every penny that the cap is below the current formula. Three quarters of that amount would be lost to the Highway Fund and one quarter lost to the Highway Fund.

SOURCES OF DATA: Office of State Budget and Management, North Carolina Department of Revenue, US Department of Energy – Energy Information Administration.

HOUSE BILL 1775
PROPOSED COMMITTEE SUBSTITUTE H1775-CSLA-57 [v.3]

6/9/2004 6:52:58 PM

Short Title: Modify UNC Special Obligation Bonds. (Public)

Sponsors:

Referred to:

May 31, 2004

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE BOARD OF GOVERNORS OF THE UNIVERSITY OF NORTH CAROLINA TO ISSUE SPECIAL OBLIGATION BONDS FOR CERTAIN EQUIPMENT PROJECTS WITHOUT PRIOR APPROVAL OF THE GENERAL ASSEMBLY OR THE BOARD OF TRUSTEES OF THE INSTITUTION WHERE THE PROJECT IS LOCATED.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 116D-26(b) reads as rewritten:

"(b) Approval Required. – Prior approval by the General Assembly is not required for the issuance of special obligation bonds, the proceeds of which are to be used solely for acquiring equipment and the aggregate amount of which is the lesser of fifteen millions dollars ($15,000,000) for each constituent institution or five percent (5%) of the annual operating revenues of the institution for whose benefit the special obligation bonds are to be issued, as shown in its most recent audited financial statements. Prior approval by a board of trustees is not required, if the board of trustees adopts a resolution waiving its authority to approve or disapprove these special obligation bonds. For the purpose of this subsection, equipment means information technology equipment, laboratory and research equipment, and office equipment. The term does not include vehicles. The Board of Governors shall not issue any other special obligation bonds ~~for a project at an institution unless the board of trustees of that institution has approved the issuance of bonds for that project. The Board of Governors shall not issue special obligation bonds~~ under this Article until (i) the board of trustees of each institution for whose benefit the bonds are to be issued has approved the issuance of the bonds, and (ii) the effective date of legislation enacted by the General Assembly authorizing the undertaking of the special obligation bond project to be financed and fixing the maximum aggregate principal amount of special obligation bonds that shall be issued for that purpose. In submitting proposed special obligation bond projects to the General Assembly for approval, the Board of Governors shall submit information on the need

for each project, project costs, estimates of increased operating costs upon completion, estimated debt service requirements, and the sources and amounts of obligated resources to be pledged for the repayment of the bonds. If the obligated resources to repay the bonds or to operate the proposed project potentially involve increased costs to students or to the General Fund, these costs shall be identified in the Board of Governors' submission.

Except as provided in this Article, special obligation bond projects may be undertaken, special obligation bonds may be issued, and other powers vested in the Board of Governors under this Article may be exercised by the Board without obtaining the consent of any department, division, commission, board, bureau, or agency of the State and without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions, or things which are specifically required by this Article."

SECTION 2. G.S. 116D-26(c) reads as rewritten:

"(c) Term; Form. – The special obligation bonds of each issue shall be dated, shall mature at any times not exceeding 30 years from their dates, shall bear interest at any rates as may be determined by the Board of Governors, and may be redeemable before maturity at the option of the Board, at any prices and under any terms and conditions as may be fixed by the Board prior to the issuance of the special obligation bonds. The special obligation bonds of issue not requiring approval by a board of trustees or by the General Assembly under subsection (b) of this section shall mature at any times not exceeding 10 years from their dates. The Board of Governors shall determine the form and manner of execution of the special obligation bonds and shall fix the denominations of the special obligation bonds and the places of payment of principal and interest, which may be at any bank or trust company within or without the State. Notwithstanding any of the other provisions of this Article or any recitals in any special obligation bonds issued under the provisions of this Article, all special obligation bonds shall be negotiable instruments under the laws of this State, subject only to the provisions for registration in a resolution authorizing the issuance of the special obligation bonds or a trust agreement securing the bonds. The Board of Governors may sell the special obligation bonds in any manner, at public or private sale, and for any price, as it may determine to be for its best interests.

SECTION 3. This act is effective when it becomes law.

If the obligated resources to repay the bonds or to operate the proposed project potentially involve increased costs to students or to the General Fund, these costs shall be identified in the Board of Governors' submission.

Except as provided in this Article, special obligation bond projects may be undertaken, special obligation bonds may be issued, and other powers vested in the Board of Governors under this Article may be exercised by the Board without obtaining the consent of any department, division, commission, board, bureau, or agency of the State and without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions, or things which are specifically required by this Article."

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 1775:
Modify UNC Special Obligation Bonds

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	Rep. McComas
Date:	June 9, 2004	**Analysis by:**	Martha Walston
Version:	H1775-CSLA-57		Committee Counsel

SUMMARY: The proposed committee substitute for House Bill 1775 authorizes the Board of Governors of the University of North Carolina to issue the following special obligation bonds without the prior approval of the institution's board of trustees or the General Assembly:

- *The proceeds of the special obligation bonds are used solely for acquiring information technology equipment, laboratory and research equipment, and office equipment.*
- *The aggregate amount of the special obligation bonds issued by the institution must be the lesser of $15 million or 5% of the annual operating revenues of the institution.*
- *The bonds shall mature at any times not exceeding 10 years from their dates.*

CURRENT LAW: There are two types of self-liquidating bonds that may be issued by the Board of Governors of the University of North Carolina. Article 21 of Chapter 116 of the General Statutes authorizes the Board of Governors to issue revenue bonds for the types of projects enumerated in the article. The types of projects for which revenue bonds may be issued include educational buildings, dormitories, recreational facilities, dining facilities, student centers, health care buildings, parking decks, etc. The revenue bonds are payable from rentals, charges, fees, and other revenues generated by the facility. The revenue bonds are not payable from tax revenues.

Article 3 of Chapter 116D of the General Statutes authorizes the Board of Governors to issue special obligation bonds payable with any sources of income or receipts of the Board of Governors or a constituent or affiliated institution, but not including tuition payments or appropriations from the General Fund from State revenues. The bond proceeds could be used for construction, improvement, and acquisition of any capital facilities located at UNC constituent and affiliated institutions. The bonds are not payable from tax revenues.

BILL ANALYSIS: HB 1775 authorizes the Board of Governors to issue certain special obligation bonds without prior approval of the General Assembly and without prior approval of the board of trustees of the institution for which the bonds are issued if the board adopts a resolution waiving its authority to approve or disapprove the bonds. The special obligations are defined as follows:

- The proceeds of the special obligation bonds are used solely for acquiring information technology equipment, laboratory and research equipment, and office equipment.
- The aggregate amount of the special obligation bonds issued by the institution must be the lesser of $15 million or 5% of the annual operating revenues of the institution, as shown in its most recent audited financial statements.
- The bonds must mature at any times not exceeding 10 years from their date.

FISCAL ANALYSIS MEMORANDUM

Special Revenue Funds	No Estimate Available				
EXPENDITURES					

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Board of Governors of the University of North Carolina

EFFECTIVE DATE: This act is effective when it becomes law.

BILL SUMMARY:
The bill authorizes the Board of Governors of the University of North Carolina to issue special obligation bonds for equipment without the approval of the General Assembly or the board of trustees of the institution where the project is located. The bond amount is equal to the lesser of $15 million or 5% of the annual operating revenue of the institution for whose benefit the bonds are to be issued. The bonds must have a maturity of 10 years or less.

ASSUMPTIONS AND METHODOLOGY:

This bill is intended to give the UNC administration another financing option for large equipment purchases. The bill is also intended to give the University a financing tool for equipment purchases that is less expensive than the traditional lease purchase option. Since there is no data available on the extent the University system might use this financing tool, no estimate can be made on this bill. However, it can be stated that without an appropriation for bond repayment, these special obligation bonds will not be used for General Fund projects.

The UNC Associate Vice President of Finance provided an example of the bond cap using the most recent audited financial statement of the UNC system. The total operating revenue column includes appropriations, grants, and contracts. The chart illustrates that the $15 million cap on equipment bonds will only restrict spending by North Carolina State University and UNC-Chapel Hill.

The University of North Carolina
Limit on Equipment Bonds

Institution	Total Operating Revenue	5% Limit	$15 mil. Limit
Appalachian State University	$ 109,360,564	$ 5,468,028	$ 5,468,028

Short Title: Apprenticeship Tax Credit. (Public)

Sponsors:

Referred to:

May 13, 2004

A BILL TO BE ENTITLED

AN ACT TO PROVIDE A TAX CREDIT FOR EMPLOYERS WHO PARTICIPATE IN AN APPRENTICESHIP PROGRAM APPROVED BY THE DEPARTMENT OF LABOR.

The General Assembly of North Carolina enacts:

SECTION 1. Article 3B of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-129.16D. Credit for employing apprentices.**

(a) Credit. – An eligible taxpayer is allowed a credit equal to fifteen percent (15%) of the wages it paid to registered apprentices during the taxable year. A taxpayer is eligible if it has participated in an approved apprenticeship program and has not violated any State or federal apprenticeship law or regulation.

(b) Allocation. – If the taxpayer is an individual who is a nonresident or a part-year resident, the taxpayer must reduce the amount of the credit by multiplying it by the fraction calculated under G.S. 105-134.5(b) or (c), as appropriate. If the taxpayer is not an individual and is required to apportion its multistate business income to this State, the taxpayer must reduce the amount of the credit by multiplying it by the apportionment fraction used to apportion its income to this State.

(c) Documentation. – In order to claim the credit allowed by this section the taxpayer must make available to the Department a written certification from the Apprenticeship and Training Bureau of the Department of Labor containing the name and taxpayer identification number of each registered apprentice employed by the taxpayer during the taxable year and stating whether the employer has violated any State or federal apprenticeship law or regulations.

(d) Definitions. – The following definitions apply in this section:

(1) Approved apprenticeship program. – An apprenticeship program approved by the Department of Labor pursuant to Chapter 94 of the General Statutes.

(2) Registered apprentice. – An employee that is registered in an approved apprenticeship program."

SECTION 2. G.S. 105-129.15A reads as rewritten

"**§ 105-129.15A. Sunset.**

G.S. 105-129.16 is repealed effective for business property placed in service on or after January 1, 2002. G.S. 105-129.16D is repealed effective for taxable years beginning on or after January 1, 2008. The remainder of this Article is repealed effective January 1, 2006. The repeal of G.S. 105-129.16A applies to renewable energy property placed in service on or after January 1, 2006."

SECTION 3. There is appropriated from the General Fund to the Department of Labor the sum of five thousand dollars ($5,000) for the 2004-2005 fiscal year to fund administrative costs associated with implementing the tax credit for employing apprentices under G.S. 105-129.16D.

SECTION 4. Sections 1 and 2 of this act become effective for taxable years beginning on or after January 1, 2005. The remaining sections of this act become effective July 1, 2004. The fact that an apprenticeship was approved before January 1, 2005, does not render it ineligible for the credit provided in this act.

(1) Approved apprenticeship program. – An apprenticeship program approved by the Department of Labor pursuant to Chapter 94 of the General Statutes.

(2) Registered apprentice. – An employee that is registered in an approved apprenticeship program."

SECTION 2. This act becomes effective for taxable years beginning on or after January 1, 2005. The fact that an apprenticeship was approved before January 1, 2005, does not render it ineligible for the credit provided in this act.

HOUSE BILL 1423:
Apprenticeship Tax Credit

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	Rep. Howard and Sherrill
Date:	June 9, 2004	**Analysis by:**	Martha Walston
Version:	PCS		Committee Counsel

SUMMARY: House Bill 1423 allows a credit against the franchise tax or the income tax of an employer who hires employees registered in an apprenticeship program approved by the Department of Labor. The credit is equal to 15% of the wages paid to registered apprentices during the taxable year, and is effective for taxable years beginning on or after January 1, 2005.

The proposed committee substitute repeals the credit effective for taxable years beginning on or after January 1, 2008, and appropriates $5,000 to the Department of Labor for fiscal year 2004 - 2005 for administrative costs of implementing the tax credit for employing apprentices.

CURRENT LAW: The Department of Labor contains an Apprenticeship and Training Division which sets up apprenticeship programs Under Chapter 94 of the General Statutes, these programs are established by private employers or under the sponsorship of joint labor-management communities. Skilled consultants provide technical assistance, monitoring, and consulting services to qualified employers willing to take on the responsibilities and obligations of program sponsorship. An Apprenticeship Council, composed of four representatives each from employer and employee organizations respectively and three representatives from the public at large, aids in formulating policies for the administration of Chapter 94. At least once a year the Apprenticeship Council must report to the Commissioner of Labor, to the Legislature, and to the public of its activities and findings. There must be a written and signed training agreement between the sponsor and an apprentice. This agreement must be approved by the Department of Labor.

An apprentice is defined as a person at least 16 years of age who is covered by a written apprenticeship agreement which provides for not less than 2,000 hours of reasonably continuous employment of the person for his or her participation in an approved schedule of work experience and for organized, related supplemental instruction in technical subjects related to the trade. A minimum of 144 hours of related supplemental instruction for each year of apprenticeship is recommended.

BILL ANALYSIS: House Bill 1423 adds a new section to Article 3B (Business and Energy Tax Credits) of the revenue laws that allows a credit to employers who employ apprentices under the Department of Labor's apprenticeship program. This credit is equal to 15% of the wages paid to registered apprentices during a taxable year. The credit may be taken against the franchise tax or income tax of the employer and any unused portion of the credit may be carried forward for the succeeding five years. To claim the credit, the employer must furnish the Department of Revenue with certain documentation.

An individual taxpayer or corporate taxpayer must reduce the amount of the credit if the individual taxpayer is a nonresident or part-year resident of the State or if the corporate taxpayer has multistate business income. The credit is adjusted to reflect the income generated by the taxpayer in North Carolina.

The proposed committee substitute repeals the apprenticeship tax credit effective for taxable years beginning on or after January 1, 2008. The remaining credits in Article 3B sunset January 1, 2006.

The proposed committee substitute also includes an appropriation of $5,000 to the Department of Labor for the 2004-2005 fiscal year to fund administrative costs associated with implementing the apprenticeship tax credit.

EXPENDITURES					
General Fund	$5,000				

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Labor; Department of Revenue

EFFECTIVE DATE: Sections 1 and 2 (tax credit) of this act become effective for taxable years beginning on or after January 1, 2005 and sunset effective for taxable years beginning on or after January 1,2008. The remaining sections of this act become effective July 1, 2004.

BILL SUMMARY: This act creates a tax credit equal to 15% of the wages paid to registered apprentices. The credit may be claimed against either the franchise tax or the income tax. To claim a tax credit, the taxpayer must make available to the Department of Revenue a written certification from the Department of Labor that contains the name and

taxpayer identification number of the registered apprentice and a verification that the employer has not violated any state or federal apprenticeship laws or regulations.

BACKGROUND: The North Carolina Department of Labor's Apprenticeship and Training Bureau administers the National Apprenticeship Act of 1937 for the U.S. Department of Labor. North Carolina is one of 27 states authorized to directly administer the federal apprenticeship program. An apprentice is a person at least 16 years old that agrees to complete a minimum of 2,000 hours of "reasonably continuous" employment and receive a minimum of 144 hours of instruction in an occupation. The Department of Labor approves written apprenticeship agreements between apprentices and employers specifying the terms of the apprenticeship. Upon completion of an apprenticeship, the apprentice receives a journeyman certificate that is recognized nationally.

ASSUMPTIONS AND METHODOLOGY:
Apprenticeships are found in all industries in the state. In the 2002 Annual Report for the Apprenticeship and Training Bureau, the Department of Labor identified 24% of apprentices to be in construction, 23% in Services, 22% in Manufacturing, 21% in Public Administration, and 10% in Other (Retail, Mining, Utilities, Etc.). The Department of Labor provided the General Assembly's Fiscal Research Division with a CD listing all apprentices for 2001, 2002, and 2003. As shown in the chart below, 1,534 employers registered 14,910 apprentices with the Department of Labor in 2003. Since the proposed tax credit can only be taken by for-profit firms, the number of apprentices in nonprofit and government agencies were subtracted to get a private firms total of 8,175 apprentices in 2003.

	# of Employers	# of Apprentices	# Apprentices in private firms
2001	1,532	9,792	6,770
2002	1,571	13,410	7,888
2003	1,534	14,910	8,175

The Department of Labor does not collect the wage information needed to compute the fiscal impact of HB 1423. To get the wages paid to apprentices, the Department of Labor provided the Employment Security Commission (ESC) with the Social Security numbers of all registered apprentices in 2003. ESC used quarterly Unemployment Insurance (UI) wage records received from employers to match with the Labor records. ESC determined the median apprentice wage income in 2003 was $20,039.

Based on the ESC findings, the 8,175 private firm apprentices were paid $163.8 million in wages in 2003. To calculate the number of apprentices and their wages in future years, projections from Economy.com are used. In the March 2004 Regional Financial Review, Economy.com projects national employment to increase annually from 2005 to 2008 in the range of 1.3% to 1.7%. The chart below assumes the midpoint of this range for an annual increase in employment of 1.5%. It is assumed that the hiring of apprentices will mirror overall employment. Economy.com estimates wage growth for the period 2004 through

2008 will range from 3.5% to 4.3%. The chart below assumes a 4% annual growth rate in wages. Again, it is assumed that apprentices will receive pay increases equal to regular employees.

The tax credit in HB 1423 is in effect for tax years 2005, 2006 and 2007. For the 2005 tax year, it is assumed that employers will claim 15% of $182.5 million in wages ($27.4 million) on their returns in FY 2005-06 (see chart below). It is assumed that all employers are able to take the credit in the year they file their returns. The chart shows the impact for the 2006 and 2007 tax years.

	Apprentices	Median Wage	Total Apprentice Wages	15% Tax Credit
2003	8,175	$20,039	$163,818,825	$24,572,824
2004	8,298	$20,841	$172,934,967	$25,940,245
2005	8,422	$21,674	$182,539,964	$27,380,995
2006	8,548	$22,541	$192,681,748	$28,902,262
2007	8,677	$23,443	$203,413,138	$30,511,971

Section 3 of the bill appropriates $5,000 to the Department of Labor in FY 2004-05 for administrative expenses associated with the credit. If the Department of Labor has to develop a form to be completed by the employer and the Department, then there will be an administrative cost for this credit. However, the Department of Labor would incur no costs if it could submit to Revenue an electronic database of registered apprentices listing names, Social Security numbers, company names, etc. that can be matched to tax returns. As for administrative expense for the Department of Revenue, it would not incur costs if the documentation certifying apprenticeships were filed with the tax return. The apprentice documents would be scanned like any other forms.

TECHNICAL CONSIDERATIONS:

North Carolina General Assembly

House Committee on Finance

Minutes

~

June 15, 2004

The House Committee on Finance met on Tuesday, June 15, 2004 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons G. Allen, Howard, Luebke, McComas, and Wainwright; Vice-Chairs Alexander, Daughtridge, Decker, Gibson, and Hill; Representatives Blackwood, Bordsen, Capps, Carney, Creech, Ellis, Glazier, Hackney, Holliman, Jones, Lewis, McGee, Munford, Rayfield, Ross, Setzer, Starnes, Weiss, and C. Wilson; and Ex-Officio Member, Representative Cunningham. Also present were Sergeant-at-Arms Bob Fowler, Bill Freeman, Frank Prevo, and Dusty Rhodes. Staff persons present included Richard Bostic, David Crotts, Chloe Gossage, Trina Griffin, Martha Harris, Martha Walston, and Bob Weiss. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairman Wainwright called the meeting to order at 8:34 am and recognized the seven (7) pages present: (1) Lynwood Ebrom of Wake County, sponsored by Speaker Black; (2) Craig Franklin of Burke County, sponsored by Representative Church; (3) Eric McCombs of Wake County, sponsored by Representative Miner; (4) Santana Miller of Brunswick County, sponsored by Representative Stiller; (5) Alecia Murphy of New Hanover County, sponsored by Representative Wright; (6) Latoya Perry of Cumberland County, sponsored by Representative Lucas; and (7) Ben Yancey of Wake County, sponsored by Speaker Black.

Prior to consideration of the Committee's agenda, Chairman Wainwright announced that **SB 1114 – SPECIAL LICENSE PLATES** was referred to the Subcommittee on Tax and Tags.

Chairman Wainwright then recognized Representative Ray to explain the first bill considered by the Committee: **HB 1671 – MOORESVILLE STREETS AND SIDEWALKS** (see **attachment 3**). Representative Ray explained that the bill acts to repeal the special provisions in the Mooresville Town Charter that apply to street and sidewalk improvements. She noted that with the repeal, the Town would be subject to the default provisions in Chapter 160A regarding street and sidewalk improvements. (Further detail of this bill is provided in the bill summary contained in attachment 3). Seeing no discussion on the bill, Chairman Wainwright recognized Representative Setzer who moved that House Bill 1671 be given a favorable report. The Chairman then called the motion to a vote and it carried without opposition.

Chairman Wainwright called upon Staffperson Martha Walston next to speak on behalf of the bill sponsor, Senator Hartsell (who was not present at the meeting), and explain **SB 1096 – CONCORD/KANNAPOLIS BOUNDARIES ADJUSTED** (see **attachment 4**). Ms. Walston explained that the bill, which was mutually requested by the Cities of Concord and Kannapolis, acts

to adjust the boundaries between each of the municipalities. Following this brief explanation, Representative Weiss was recognized and moved that Senate Bill 1096 be given a favorable report. Having no further discussion on the bill, Chairman Wainwright called the motion to a vote and it carried without objection.

HB 1594 – ALARM SYSTEMS LICENSURE FEES (see **attachment 5**) was the next bill considered by the Committee. Chairman Wainwright recognized the bill sponsor, Representative Haire, to explain the bill. Representative Haire explained that the bill would authorize the Alarm Systems Licensing Board to raise two existing fees and create a new fee under the Alarm System Licensing Act. He also stated that he introduced the bill at the request of the Board and that the bill was supported by the North Carolina Burglar and Fire Alarm Association. (Further explanation of the bill is provided in the bill summary, which is contained in attachment 5.) Following Representative Haire's explanation, Chairman Wainwright recognized Representative Holliman who asked the bill sponsor how long it had been since the Board had received a fee increase. Representative Haire stated that there had been no fee increase since 1992. He also noted that the Board was running a surplus in funds; however, due to the budget crisis in recent years, the Governor had seized those funds in order to help balance the budget. Representative Glazier was recognized following this and moved that House Bill 1594 be given a favorable report. Prior to acting on this motion, however, Chairman Wainwright recognized Representative Cunningham who expressed a series of concerns and asked several questions regarding the specific powers that the Board would gain with the passage of this bill. Given the nature of these concerns, Chairman Wainwright then acted to displace the bill from the Committee's consideration to allow Representative Cunningham and the bill sponsor to discuss the concerns raised.

Chairman Wainwright then recognized Representative Gibson, who spoke in place of the bills sponsors, Senators Kerr and Jenkins, for explanation of **SB 1098 – FINANCE CANCER CENTER & CARDIO INSTITUTE** (see **attachment 6**). Representative Hill was recognized by the Chair and moved the adoption of the Proposed Committee Substitute (PCS) for Senate Bill 1098 for the purposes of discussion. The motion carried without objection. Representative Gibson spoke briefly stating that this bill was essential to future job growth and economic development in North Carolina. He also stated that the bill served as an excellent complement to the generous funding the State has done overall for the entire system of the University of North Carolina. Martha Harris, with Staff, was then recognized to speak more specifically as to the provisions of the bill. She stated that the bill authorized the State to use special indebtedness to finance five health and biotechnology facilities in the UNC System. These projects include a Cancer Center at UNC-Chapel Hill, a Cardiovascular Institute at East Carolina University, a Bioinformatics Center at UNC-Charlotte, a Pharmacy Program at Elizabeth City State University, and a Health Partnership Center at UNC-Asheville. Ms. Harris also explained that the bill provides that the Health and Wellness Trust Fund must transfer to the General Fund each fiscal year the estimated debt service on the indebtedness authorized in the bill. She explained that the amount transferred each year is capped in the bill at 60% of the Trust Fund's receipts for the year and that if the required debt service exceeds the cap, the Tobacco Trust Fund must transfer the balance. Finally, Ms. Harris explained that the bill enacts statutory framework for the study of a new type of State special indebtedness called "RECOP indebtedness," which involves lower debt service payments during the term of the debt in exchange for a larger payment due at maturity.

Following this explanation, Chairman Wainwright recognized an individual from each of the UNC institutions that would benefit from the bill. Dr. Bill Roper, Dean of the UNC-Chapel Hill School of Medicine and CEO of UNC Healthcare was recognized first and spoke of the great need for a new cancer hospital in the State (see **attachment 7**). He stated that the bill would provide

$180 million for the construction of a state-of-the-art facility devoted to the treatment and research of cancer. He also noted that North Carolina continues to grow in population, yet continues to utilize a treatment facility that is over 50 years old, which was originally constructed for the treatment of tuberculosis. Dr. Steve Ballard, Chancellor of East Carolina University, was recognized next by the Chairman and spoke in support of the proposed Cardiovascular Institute at ECU (see **attachment 8**). He stated that ECU had been planning for such a facility for nearly 10 years. He also informed the Committee members of the tremendous need for the facility, specifically noting that eastern North Carolina has the highest cardiovascular disease rate in the State yet the fewest resources to treat it. The Chancellor of UNC-Charlotte, Dr. Jim Woodward, was the next speaker recognized by the Chair. Dr. Woodward stated that the Charlotte area of the State was the highest in population and desperately needs to broaden its base by developing research facilities in the area of information technology. He stated that the proposed $35 million "Bioinformatics" Center (see **attachment 9**) would provide this needed boost in economic development. Chairman Wainwright next recognized Dr. Mickey Burnim, Chancellor of Elizabeth City State University, who highly advocated for the proposed School of Pharmacy at ECSU, stating that it would serve a real healthcare need in North Carolina by directly addressing the drastic shortage of pharmacists in the State. He also stated that for the $28 million investment provided in the bill, ECSU anticipated an economic impact in the area of $104 million. He also stated that some 230 jobs would be created in the construction of the School of Pharmacy and 216 jobs would be created among faculty, staff, and operations personnel upon the School's completion. As the last speaker, Dr. Jim Mullen, Chancellor of UNC-Asheville, was recognized to address the Committee. Dr. Mullen stated his support for $35 million in funding for a Health Partnership Center at UNCA (see **attachment 10**). He stated that this center is a recommendation from a UNCA faculty study of nearly 20 years and would be used to address the obesity epidemic in the State, as well as diabetes, poor nutrition, and other ailments. Dr. Mullen reported that the proposed Health Partnership Center, in addition to opportunities for academic studies, would provide health outreach programs to the citizens of western North Carolina.

Following these statements, Chairman Wainwright then opened the floor for Committee debate. He did, however, first note to the Committee members that it was the Chair's intent to take a vote on the bill prior to the close of the meeting. Representative Ellis was then recognized and stated that while he agreed that the facilities proposed in the bill are needed, he had definite concerns as to the proposed funding mechanism in the bill. He characterized this financing method as "risky" at best. Representative Capps was also recognized and expressed similar concerns as to the financing method in the bill, citing that the interest costs on the debt were far too high. Chairman Wainwright recognized Representative Daughtridge next who stated the importance of the bill to continued economic growth and job development in North Carolina. He reminded the Committee members of one of the recommendations of the Joint Select Committee on Small Business Economic Development that the State should focus growth on jobs in the healthcare industry. Representative Hackney was recognized next and stated that now was the best time in years to borrow money since interest rates were so low presently. He also stated that the Cancer Hospital at UNC-Chapel Hill was one of the most needed projects in the entire State. Representative Decker also voiced his support of the bill, stating that it provided for and addressed a good balance of healthcare needs in North Carolina.

Representative Weiss was recognized next and acted to send forth an amendment (see **attachment 11**). She stated her concern that the bill should not take funds from the Health and Wellness and Tobacco Trust Funds to pay the debt service on the new debt issued in the bill. She stated that her amendment removed the provisions involving the Trust Funds and, as a result, service on the new debt would fall solely upon the General Fund. Following this explanation of her amendment, she moved its adoption. Representative Gibson spoke against the amendment, stating

that the bill should be passed in the form that it was presented to the Committee. Representatives Hackney and Alexander spoke in support of the amendment. Chairman Wainwright, seeing no further discussion on the amendment, then called the amendment to a vote. Division among the members was requested and by a vote of 11 ayes and 11 nays, the amendment failed for lack of a majority.

Chairman Wainwright then recognized the two bill sponsors, Senators Kerr and Jenkins, who stated their support of the provisions in the PCS prepared by the House (many of which were added since the passage of the original bill in the Senate). Representative Creech was then recognized by the Chair and voiced his concern of the financing proposed in the bill. He stated that the General Assembly continues to issue more and more debt and that this debt continues to place the State in more and more jeopardy. Representative Howard was recognized next and made a motion that the House PCS for Senate Bill 1098 be given a favorable report (with an unfavorable report as to the original bill), and recommendation that the House PCS be re-referred to the Committee on Appropriations. Following some brief general discussion on the motion, Chairman Wainwright then called the matter to a vote and the motion carried.

Chairman Wainwright then adjourned the meeting at 9:49 am.

Respectfully submitted,

Representative William Wainwright
Presiding Chair

Jason A. Cannon
Clerk, House Committee on Finance

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 2003

H 1

HOUSE BILL 1671*

Short Title:	Mooresville Streets and Sidewalks.	(Local)
Sponsors:	Representatives Ray; and Setzer.	
Referred to:	Finance.	

May 26, 2004

A BILL TO BE ENTITLED

AN ACT REPEALING ARTICLE VIII OF THE CHARTER OF THE TOWN OF MOORESVILLE, SO THAT THE GENERAL LAW ON STREET AND SIDEWALK IMPROVEMENTS WILL APPLY.

The General Assembly of North Carolina enacts:

SECTION 1. Article VIII of the Charter of the Town of Mooresville, as enacted by Section 1 of S.L. 1975-239, entitled "Street and Sidewalk Improvements", is repealed in its entirety.

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 1671:
Mooresville Streets and Sidewalks

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Ray
Date:	June 15, 2004	**Summary by:**	Trina Griffin
Version:	1st Edition		Committee Counsel

SUMMARY: ***House Bill 1671 would repeal the special provisions in the Mooresville Town Charter that apply to street and sidewalk improvements. With this repeal, the Town would be subject to the default provisions in Chapter 160A regarding street or sidewalk improvements.***

The companion bill, Senate Bill 1288, passed 2nd and 3rd reading in the Senate on June 10, 2004.

CURRENT LAW: The current town charter provides specific measures for the Board of Commissioners to order street improvements and to assess property owners. Under the charter, the Board of Commissioners has the authority, under certain circumstances, to assess the cost for improvements against the abutting property owners without a petition by those owners requesting the improvements.

BILL ANALYSIS: House Bill 1671 would repeal the provisions relating to street and sidewalk improvements in the Town Charter, and the law would default to the provisions of Chapter 160A. Article 10 of Chapter 160A provides for special assessments for street and sidewalk improvements and Article 15 of Chapter 160A provides for the general authority and control of the streets and sidewalks by the local government.

Under Article 10, a city has no authority to levy special assessments for street or sidewalk improvements unless it receives a petition for the improvements signed by at least a majority of the property owners to be assessed, who must represent a majority of the lineal feet of frontage of lands abutting the street to be improved.

BACKGROUND: This bill was requested by the Board of Commissioners in Mooresville.

SESSION 2003

S 1

SENATE BILL 1096

Short Title:	Concord/Kannapolis Boundaries Adjusted.	(Local)
Sponsors:	Senator Hartsell.	
Referred to:	Finance.	

May 17, 2004

A BILL TO BE ENTITLED

AN ACT TO ADJUST THE BOUNDARIES BETWEEN THE CITIES OF CONCORD AND KANNAPOLIS AS MUTUALLY AGREED UPON.

The General Assembly of North Carolina enacts:

SECTION 1. The following described property is removed from the corporate limits of the City of Kannapolis and is added to the corporate limits of the City of Concord:

CODDLE CREEK TREATMENT PLANT PROPERTY

That property is generally known as the Coddle Creek Treatment Plant Property and more particularly as Cabarrus County Parcel 4691567945. The boundary is described for location purposes using metes and bounds bearings and distances derived from Cabarrus County digital cadastral data dated September 23rd, 2003.

BEGINNING AT A CORNER on the existing municipal boundary line for the City of Kannapolis, said corner being the northeastern corner for Cabarrus County Parcel 4691581178 and being on the southern right of way for Davidson Highway, NC 73, said corner being located North 83-15-50 East 1,246 feet from the centerline intersection of Davidson highway, NC 73, and Riding Trail Lane in Cabarrus County, North Carolina, said corner being near the NAD 83 grid coordinates of 1495252 feet East and 618327 feet North based upon the Cabarrus County Parcel data acquired on September 23rd, 2003; thence easterly with the southern right of way for Davidson Highway, NC 73, North 81-06-15 East 14.55 feet and North 81-02-34 East 83.90 feet to the northwestern corner for Cabarrus County Parcel 4691670620; thence following the boundaries for Cabarrus County Parcel 4691567945 the following calls: South 12-02-45 East 873.29 feet, South 88-07-07 East 630.09 feet, South 86-25-25 East 1.00 feet, South 88-07-59 East 90.17 feet, South 73-18-03 East 1.31 feet, South 74-42-07 East 189.98 feet, South 73-18-03 East 1.31 feet, South 87-52-10 East 99.19 feet, South 87-53-05 East 391.14 feet, South 05-16-56 West 143.92 feet, South 51-54-26 West 1683.16 feet, South 51-54-26 West 0.26 feet, North 28-34-59 West 125.41 feet, North 30-52-16 West 33.13 feet, North 31-36-27 West 66.78 feet, North 29-05-29 West 160.43 feet, North 28-36-38

West 12.53 feet, North 26-04-09 West 100.12 feet, North 21-42-57 West 62.16 feet, North 29-31-34 West 16.23 feet, North 33-19-35 West 10.92 feet, North 34-27-55 West 17.12 feet, North 34-27-55 West 34.13 feet, North 29-10-46 West 147.68 feet, North 22-34-01 West 5.21 feet, North 24-09-11 West 61.10 feet, North 22-10-24 West 143.08 feet, North 18-36-56 West 6.27 feet, North 25-30-18 West 125.41 feet, North 32-33-16 West 59.47 feet, North 25-18-35 West 14.03 feet, North 27-53-50 West 19.24 feet, North 34-34-33 West 24.67 feet, North 41-06-44 West 20.91 feet, North 41-06-44 West 24.72 feet, North 29-18-36 West 32.68 feet, North 48-11-45 West 17.44 feet, North 34-55-19 West 20.96 feet, North 23-26-30 West 25.14 feet, North 30-32-05 West 31.49 feet, North 15-53-29 West 36.52 feet, North 34-49-28 West 28.02 feet, South 88-19-34 East 96.29 feet, South 88-37-23 East 13.00 feet, South 88-39-16 East 55.89 feet, South 88-40-20 East 18.88 feet, South 88-06-23 East 351.82 feet, North 11-52-10 West 230.94 feet, North 11-52-56 West 112.92 feet, North 11-53-42 West 115.22 feet, North 11-54-06 West 113.95 feet, and North 11-55-49 West 273.92 feet to the **POINT OF BEGINNING**.

The tract described above encompasses 33.856 acres more or less.

The Tax Maps, Parcel identifications and other records used in the preparation of these descriptions are incorporated herein by reference.

SECTION 2. The following described property is removed from the corporate limits of the City of Kannapolis and is added to the corporate limits of the City of Concord:

PROPERTIES SOUTH OF ROXIE STREET

That property is generally known as the properties south of Roxie Street and more particularly as Cabarrus County Parcels 5622689204, 5622686154, 5622684055, 5622672947, and 5622670828. The boundary is described for location purposes using metes and bounds bearings and distances derived from Cabarrus County digital cadastral data dated September 23rd, 2003.

BEGINNING AT A CORNER on the existing municipal boundary line for the City of Kannapolis, said corner being within the right of way for Dale Earnhardt Boulevard in Cabarrus County, North Carolina, said corner being located South 19-46-55 East 71 feet from the centerline intersection of Dale Earnhardt Boulevard and the exit ramp for Interstate 85, said corner being near the NAD 83 grid coordinates of 1527061 feet East and 628360 feet North based upon the Cabarrus County Parcel data acquired on September 23rd, 2003; thence southerly with the centerline of Dale Earnhardt Boulevard the following calls: South 31-12-11 East 11.17 feet, South 31-12-11 East 7.66 feet, and South 31-12-11 East 76.24 feet to a point with the right of way for Dale Earnhardt Boulevard; thence westerly with the southern boundaries for Cabarrus County Parcels 5622689204, 5622686154, 5622684055, 5622672947, and 5622670828 the following calls: South 62-14-42 West 45.77 feet, South 67-04-01 West 306.20 feet, South 67-04-08 West 228.43 feet, South 67-03-38 West 108.82 feet, South 67-03-38 West 99.80 feet, South 67-03-19 West 239.04 feet, South 67-03-00 West 71.78 feet, South 67-03-00 West 85.14 feet, and South 67-05-37 West 78.84 to the southernmost corner for Cabarrus County Parcel 5622670828; thence northerly with the western boundary for Cabarrus County Parcel 5622670828 the following calls: North 33-41-24 West 1.58

feet, North 32-54-43 West 85.36 feet, North 32-54-43 West 25.70 feet, and North 32-54-43 West 49.75 feet to the northwestern corner for Cabarrus County Parcel 5622670828, said corner being on the southern right of way for Roxie Street; thence easterly with the southern right of way for Roxie Street the following calls: North 72-26-47 East 96.36 feet, North 70-34-38 East 22.93 feet, North 70-38-28 East 117.65 feet, North 70-01-01 East 2.93 feet, North 69-45-06 East 29.98 feet, North 69-43-20 East 30.12 feet, North 69-29-04 East 206.34 feet, North 69-08-44 East 2.81 feet, North 69-29-07 East 76.21 feet, North 69-29-07 East 126.92 feet, North 69-05-55 East 213.55 feet, North 69-04-32 East 20.48 feet, North 69-51-10 East 20.50 feet, North 69-52-38 East 280.50 feet, and North 68-27-18 East 32.52 feet to the **POINT OF BEGINNING.**
The tract described above encompasses 3.651 acres more or less.
The Tax Maps, Parcel identifications and other records used in the preparation of these descriptions are incorporated herein by reference.

SECTION 3. The following described property is removed from the corporate limits of the City of Concord and is added to the corporate limits of the City of Kannapolis:

PROPERTIES NORTH OF ROXIE STREET

That property is generally known as the properties north of Roxie Street and more particularly as Cabarrus County Parcels 5622587061, 5622574958, 5622571902, 5622478889, 5622477806, and 5622581188. The boundary is described for location purposes using metes and bounds bearings and distances derived from Cabarrus County digital cadastral data dated September 23rd, 2003.
BEGINNING AT A CORNER on the existing municipal boundary line for the City of Kannapolis, said corner being in the southern right of way for Roxie Street, said point being the northwestern corner for Cabarrus County Parcel 5622670828, said corner being near the NAD 83 grid coordinates of 1525860 feet East and 627919 feet North based upon the Cabarrus County Parcel data acquired on September 23rd, 2003, said corner being located South 66-38-04 West 1,282 feet from the centerline intersection of Dale Earnhardt Boulevard and the exit ramp for Interstate 85; thence easterly with the southern right of way for Roxie Street the following calls: North 19-42-57 West 100.78 feet, North 19-41-11 West 239.12 feet, North 19-41-11 West 0.01 feet, North 19-41-11 West 12.45 feet, North 57-17-40 East 86.75 feet, North 57-17-00 East 420.45 feet, North 57-11-49 East 19.04 feet, North 58-13-17 East 30.14 feet, North 58-09-03 East 310.79 feet, North 58-08-24 East 41.80 feet, North 57-01-52 East 147.35 feet, South 33-06-46 East 1.05 feet, North 47-16-46 East 0.75 feet, South 32-10-41 East 45.21 feet, South 33-06-46 East 39.90 feet, South 33-11-45 East 60.27 feet, South 31-45-06 East 81.84 feet, South 32-38-47 East 197.89 feet, South 67-02-31 West 0.89 feet, South 32-03-22 East 134.95 feet, North 06-13-33 East 3.46 feet, South 32-56-35 East 18.61 feet, South 32-56-35 East 58.55 feet, South 32-56-35 East 39.84 feet, South 32-57-56 East 71.53 feet, and South 32-57-56 East 13.46 feet to the **POINT OF BEGINNING.**
The tract described above encompasses 14.613 acres more or less.
The Tax Maps, Parcel identifications and other records used in the preparation of these descriptions are incorporated herein by reference.

SECTION 4. Section 3 of this act shall have no effect upon the validity of any liens of the City of Concord for ad valorem taxes or special assessments outstanding before the effective date of this act. Such liens may be collected or foreclosed upon after the effective date of this act as though the property was still within the corporate limits of the City of Concord.

SECTION 5. Sections 1 and 2 of this act shall have no effect upon the validity of any liens of the City of Kannapolis for ad valorem taxes or special assessments outstanding before the effective date of this act. Such liens may be collected or foreclosed upon after the effective date of this act as though the property was still within the corporate limits of the City of Kannapolis.

SECTION 6. This act becomes effective June 30, 2004.

H 1

HOUSE BILL 1594

Short Title: Alarm Systems Licensure Fees. (Public)

Sponsors: Representative Haire.

Referred to: Finance.

May 20, 2004

A BILL TO BE ENTITLED

AN ACT AUTHORIZING THE ALARM SYSTEMS LICENSING BOARD TO INCREASE CERTAIN FEES AND ESTABLISH A NEW FEE UNDER THE ALARM SYSTEMS LICENSING ACT.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 74D-7(e) reads as rewritten:

"(e) The Board may charge fees as follows:

(1) A nonrefundable initial license application fee in an amount not to exceed one hundred fifty dollars ($150.00).

(2) A new or renewal license fee in an amount not to exceed ~~three hundred fifty dollars ($350.00).~~five hundred dollars ($500.00).

(3) A late license renewal fee to be paid in addition to the renewal fee due in an amount not to exceed one hundred dollars ($100.00), if the license has not been renewed on or before the expiration date of the license.

(4) A registration fee in an amount not to exceed ~~twenty dollars ($20.00)~~fifty dollars ($50.00) plus any fees charged to the board for background checks by the State Bureau of Investigation.

(5) A fee for reregistration of an employee who changes employment to another licensee, not to exceed ten dollars ($10.00).

(6) A branch office certificate fee not to exceed one hundred fifty dollars ($150.00).

(7) A fee not to exceed one hundred dollars ($100.00) for each reconsideration of a license or registration permit that has been filed or returned to the applicant for correctable errors.

All fees collected pursuant to this section shall be expended, under the direction of the Board, for the purpose of defraying the expense of administering this Chapter."

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 1594:
Alarm Systems Licensure Fees

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Haire
Date:	June 15, 2004	**Summary by:**	Trina Griffin
Version:	1st Edition		Committee Counsel

SUMMARY: ***House Bill 1594 would authorize the Alarm Systems Licensing Board to raise two existing fees and to create a new fee under the Alarm Systems Licensing Act. The act would be effective when it becomes law.***

CURRENT LAW: The Alarm Systems Licensing Board is established within the Department of Justice and, along with the Private Protective Services Board, falls under the administration and oversight of the Private Protective Services Section of the Department. Although under the Department, the Private Protective Services Section receives no General Fund dollars and is supported by receipts received from the regulated industries of both boards.

The Alarm Systems Board currently has statutory authority to levy the following fees:

(1) A nonrefundable initial license application fee in an amount not to exceed one hundred fifty dollars ($150.00).
(2) A new or renewal license fee in an amount not to exceed three hundred fifty dollars ($350.00).
(3) A late license renewal fee to be paid in addition to the renewal fee due in an amount not to exceed one hundred dollars ($100.00), if the license has not been renewed on or before the expiration date of the license.
(4) A registration fee in an amount not to exceed twenty dollars ($20.00) plus any fees charged to the board for background checks by the State Bureau of Investigation.
(5) A fee for reregistration of an employee who changes employment to another licensee, not to exceed ten dollars ($10.00).
(6) A branch office certificate fee not to exceed one hundred fifty dollars ($150.00).

BILL ANALYSIS: House Bill 1594 makes the following changes with regard to fees charged by the Alarm Systems Licensing Board:

- **Increases the statutory maximum for a new or renewal license fee from $350 to $500.**

  A person must be licensed in order to engage in the alarm systems business in this State. The application process includes a criminal record check as well as a determination by the Board that the person has the necessary training, qualifications, and experience to be licensed. The applicant must also provide a certificate of liability insurance coverage. The Board has indicated that although it is seeking to raise the statutory cap, it has no plans to raise this fee at this time. However, the Board would like to have the authority to do so in the future if the need arises.

- **Increases the statutory maximum for the registration fee from $20 to $50.**

  All employees of a licensee must be registered with the Board. To register an employee, a licensee must submit a set of fingerprints, a recent photograph, and statements of any criminal records from each area where the employee has resided in the preceding 4 years. In 1992, G.S. 74D-8 was

amended to change the period of a registration permit from one to two years. The $20 registration fee, however, was not increased to coincide with the expanded registration period. The Board has indicated that it intends to increase this fee to $40.

- **Establishes a new fee not to exceed $100 for each reconsideration of a license or registration permit that has been filed or returned to the applicant for correctable errors.**

  The purpose of this new fee is to address the additional processing time required for applications that must be returned to applicants due to errors, omissions, missing documents, etc. According to the Board, they received approximately 4,800 "correctable" registration applications last year, 1,200 of which were alarm registration applications. Although this bill would set the maximum at $100, the Board is considering levying only a $25 fee for "correctable" registration applications and only a $50 fee for "correctable" license applications to help cover the staff costs for reviewing and processing applications for a second time.

BACKGROUND: The statutory maximums for these fees were last raised in 1992. This bill was introduced at the request of the Alarm Systems Licensing Board and is supported by the North Carolina Burglar and Fire Alarm Association.

BILL SUMMARY:
Amends GS 74D-7(e) to increase new or renewal license fee to $500 (was, $350) and registration fee to $50 (was, $20). Enacts new GS 74D-7(e)(7) authorizing additional fee of up to $100 for reconsideration of license or registration permits returned due to correctable errors.
Source: Bill Digest H.B. 1594 (05/20/2004)

ASSUMPTIONS AND METHODOLOGY:
The Alarm Systems Licensing Board and the Private Protective Services Board fall under the administration and oversight of the Private Protective Services Section (PPS) of the Department of Justice. These Boards are supported entirely by receipts received from the industries they regulate. They share a joint operating budget with annual expenditures of approximately $1.4 million; each Board also has a separate Recovery Fund account.

In 2002, the Office of State Budget and Management transferred $200,000 from the operating budget of these Boards to the General Fund to help address the budget shortfall. In the past three years, average expenditures have exceeded average revenues – in FY 2002-03, expenditures exceeded revenue by $145,000. Average monthly expenditures were $121,047 this year, compared to average monthly revenues of $111,071. The Private Protective Services Board has increased its fees, which were not at the statutory maximums, to raise additional revenue. The

Alarm Services Licensure Board already charges the maximum fees in statute, and thus would require legislative authority to raise its fees.

In addition, the Alarm Board has identified what it believes to be an error in the General Statutes. In 1992, G.S. 74D was amended to change the period of a registration permit from one to two years. The registration fee was $20 by statute, and was not increased to coincide with the longer registration term. This legislation would authorize the Board to increase the registration fee up to $50. It is the Board's intention to increase the fee from $20 to $40, which is projected to generate an additional $140,000 over the two-year period, or an average of $70,000 per year (7,000 applications per two-year period). This amount, along with increases in Private Protective Services (PPS) fees that have already been implemented, is expected to bring revenue even with operating expenditures. If the Board increased the fee to $50, the average increase in revenue would be $105,000 per year.

This bill also includes an increase in the licensing fees from $350 to $500. The Board states that it has pledged to the Burglar & Fire Alarm Association that it will not implement any increases presently, and is requesting the authority to increase fees in case it needs to do so in the future. The Board receives approximately 850 applications over two years, so the fee increase, if implemented, would generate approximately $127,500 over two years, or an average of $63,750 per year.

The Bill also includes a "reconsideration fee" not to exceed $100. The Board requested this fee to address the issue of applications submitted that must be returned to the applicant due to errors, missing documents, or other reasons, and must then be processed by staff a second time. During the past year, there were 1,200 "correctable" Alarm registration applications. The Board has not made a final decision on what amount might be assessed, but is considering $25 for registration applications and $50 for license applications. The Board estimates that there will be approximately 1,000 registration returns and 50 license application returns per year. At the maximum proposed under this bill, the fee would generate approximately $105,000 per year. At the levels anticipated by the Board, the fees would generate approximately $27,500 per year.

Please note: The amounts in the box on page 1 assume the Board's planned or considered increases for the first two years, and the maximum allowable increases for the next three years.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE ISSUANCE OF SPECIAL INDEBTEDNESS TO FINANCE VITAL STATE FACILITIES FOR HEALTH CARE AND BIOTECHNOLOGY RESEARCH, TO SUPPORT REPAYMENT OF THE DEBT FROM THE HEALTH AND WELLNESS AND TOBACCO TRUST FUNDS, AND TO DIRECT THE STATE TREASURER TO STUDY THE POTENTIAL COSTS AND BENEFITS OF INNOVATIVE STATE FINANCING.

The General Assembly of North Carolina enacts:

SECTION 1. In accordance with G.S. 142-83, this section authorizes the issuance or incurrence of special indebtedness in the following maximum aggregate principal amounts to finance the costs of acquiring, constructing, and equipping the following projects. The State, with the prior approval of the State Treasurer and the Council of State, as provided in Article 9 of Chapter 142 of the General Statutes, is authorized to issue or incur special indebtedness in order to provide funds to the State to be used, together with other available funds, to pay the cost of these projects.

(1) One hundred eighty million dollars ($180,000,000) for a new cancer rehabilitation and treatment center, a nearby physicians' office building, and a walkway between the two, all to be located at the University of North Carolina Hospitals at Chapel Hill.

(2) Sixty million dollars ($60,000,000) for the North Carolina Cardiovascular Diseases Institute at East Carolina University.

(3) Thirty-five million dollars ($35,000,000) for a Bioinformatics Center at the University of North Carolina at Charlotte.

(4) Twenty-eight million dollars ($28,000,000) for a stand-alone facility to house the new Pharmacy School program to be located at Elizabeth City State University, and interim temporary facilities to house the program during construction of the stand-alone facility.

(5) Thirty-five million dollars ($35,000,000) for a Center for Health Promotion and Partnerships at the University of North Carolina at Asheville.

SECTION 2. G.S. 147-86.30 reads as rewritten:

"**§ 147-86.30. Health and Wellness Trust Fund established.**

(a) Fund Established. – There is established the Health and Wellness Trust Fund in the Office of the State Treasurer to ~~that shall~~ be used to develop a comprehensive plan to finance programs and initiatives to improve the health and wellness of the people of North Carolina. As used in this Article, the term "Fund" means the Health and Wellness Trust Fund. It is the intent of the General Assembly that the funds provided pursuant to this Article to address the health needs of North Carolinians be used to supplement, not supplant, existing funding of health and wellness programs.

(b) Fund Earnings, Assets, and Balances. – The State Treasurer shall hold the Fund separate and apart from all other moneys, funds, and accounts. The State Treasurer shall be the custodian of the Fund and shall invest its assets in accordance with G.S. 147-69.2 and G.S. 147-69.3. Investment earnings credited to the assets of the Fund shall become part of the Fund. Any balance remaining in the Fund at the end of any fiscal year shall be carried forward in the Fund for the next succeeding fiscal year. Payments from the Fund shall be made on the warrant of the chair of the Commission, pursuant to directives of the Commission. The Commission may expend moneys in the Fund only as provided in subsections (c) and (d) of this section.

(c) ~~Creation of Fund Reserve. The Commission shall reserve, and shall not expend, fifty percent (50%) of each annual payment allocated to the Health and Wellness Trust Fund pursuant to G.S. 143-16.4 during years 2001 through 2025 to create and build the Fund Reserve. During years 2001 through 2025, the Commission may expend any investment earnings on the reserved funds. Beginning in year 2026, and thereafter, the Commission shall not expend the reserved funds but may continue to expend any investment earnings on the reserved funds.~~ Priority Use of Funds. – As soon as practicable after the beginning of each fiscal year, the State Treasurer must certify in writing to the chair of the Commission the estimated amount of debt service anticipated to be paid during the fiscal year for special indebtedness authorized by Senate Bill 1098, 2003 General Assembly. The chair of the Commission must issue a warrant from the Fund to the General Fund for the lesser of (i) the amount certified by the Treasurer and (ii) all uncommitted moneys in the Fund as of the end of the previous fiscal year plus sixty percent (60%) of the Fund's receipts for the current fiscal year. As soon as practicable after issuing this warrant, the chair of the Commission must certify in writing to the chair of the Tobacco Trust Fund Commission created in G.S. 143-717 the amount, if any, by which the amount certified by the Treasurer exceeds the amount of the warrant.

(d) Use of ~~Nonreserved~~ Remaining Funds. – The Commission may expend or commit moneys in the Fund in a fiscal year only after the payment required by subsection (c) of this section has been made. ~~all of the annual payments for years 1998, 1999, and 2000 and may expend the remaining fifty percent (50%) portion of each annual payment thereafter through the year 2025 that is not reserved pursuant to~~

~~subsection (c) of this section. Any unexpended or unencumbered portion of the nonreserved portion of each annual payment for years 2001 through 2025 that has not been expended or encumbered by the third June 30th following the date of the receipt of the payment shall be reserved pursuant to subsection (c) of this section. The Commission may expend any investment earnings on the nonreserved funds in the year in which the investment earnings are received by the Fund.~~

(e) Fund Purposes. – Moneys from the Fund may be used for any of the following purposes:

(1) To address the health needs of vulnerable and underserved populations in North Carolina.

(2) To fund programs and initiatives that include research, education, prevention, and treatment of health problems in North Carolina and to increase the capacity of communities to respond to the public's health needs.

(3) To develop a comprehensive, community-based plan with goals and objectives to improve the health and wellness of the people of North Carolina with a priority on preventing, reducing, and remedying the health effects of tobacco use and with an emphasis on reducing youth tobacco use. The plan shall include measurable health and wellness objectives and a proposed timetable for achieving these objectives. In developing the plan, the Commission shall consider all facets of health, including prevention, education, treatment, research, and related areas.

(f) Limit on Operating and Administrative Expenses. – No more than two and one-half percent (2 1/2%) of the annual receipts of the Fund for the fiscal year beginning July 1 or a total ~~sum~~ of one million dollars ($1,000,000), whichever is less, may be used each fiscal year for administrative and operating expenses of the Commission and its staff. All administrative expenses of the Commission shall be paid from the Fund."

SECTION 3. G.S. 143-719 reads as rewritten:

"**§ 143-719. Tobacco Trust Fund; creation; ~~investment.~~investment; priority use.**

(a) Fund Established. – The Tobacco Trust Fund is established in the Office of the State Treasurer. The Fund shall be used ~~to provide financial assistance in accordance with~~for the purposes provided in this Article.

(b) Fund Earnings, Assets, and Balances. – The State Treasurer shall hold the Fund separate and apart from all other moneys, funds, and accounts. The State Treasurer ~~shall be~~ is the custodian of the Fund and shall invest the assets in accordance with G.S. 147-69.2 and G.S. 147-69.3. Investment earnings credited to the Fund ~~shall~~ become part of the Fund. Any balance remaining in the Fund at the end of any fiscal year ~~shall be~~ is carried forward in the Fund for the next succeeding fiscal year. Payments from the Fund shall be made on the warrant of the chair of the Commission, pursuant to the directives of the Commission.

(c) Priority Use of Funds. – The Commission shall not spend moneys in the Fund in accordance with G.S. 143-720 or G.S. 143-721 in a fiscal year until after the

requirements of this subsection have been satisfied. As soon as practicable each fiscal year after receiving the certification from the chair of the Health and Wellness Trust Fund Commission pursuant to G.S. 147-86.30, the chair of the Commission must issue a warrant in the certified amount, if any, from the Fund to the General Fund."

SECTION 4. Article 9 of Chapter 142 of the General Statutes is amended by adding a new section to read:

"**§ 142-95. RECOP indebtedness.**

(a) Authorization. – In addition to special indebtedness described in the preceding sections of this Article, the State may incur special indebtedness as described in this section to be called real estate certificates of participation (RECOP) indebtedness. RECOP indebtedness shall be incurred for the purposes and otherwise as prescribed in the preceding sections of this Article, with the exceptions and limitations provided in this section. All of the provisions of this Article apply to RECOP indebtedness except to the extent a provision of this section specifically conflicts with a provision in the preceding sections of this Article.

(b) Purposes. – In addition to the purposes provided in G.S. 142-83, RECOP indebtedness may be incurred to refund any indebtedness of the State. RECOP indebtedness may refund non-RECOP indebtedness to the same extent it may refund RECOP indebtedness in accordance with the preceding sections of this Article, except that the General Assembly must first enact legislation authorizing the incurrence of RECOP indebtedness for this purpose up to a specific maximum amount. The proceeds of RECOP indebtedness may not be used for operating expenses, start-up costs, or other items of working capital.

(c) Security. – In addition to the security authorized in G.S. 142-85(a), RECOP indebtedness may be secured by any property or interest in property of the State selected by the Director of the Budget in consultation with the State Treasurer and approved by the Council of State in accordance with this Article. Before selecting as security any property or interest in property not authorized in G.S. 142-85, the Director of the Budget must consult with the Joint Legislative Commission on Governmental Operations. This subsection supplements G.S. 142-85(a); all of the remaining provisions of G.S. 142-85 apply to RECOP indebtedness.

(d) Principal. – The entire principal amount may mature on a single date. No principal reduction is required prior to maturity.

(e) Interest. – Interest on RECOP indebtedness may be payable partly periodically and partly at maturity or earlier redemption, in the latter case with interest accreting and compounding at a stated interest rate.

(f) Additional State Property Law Exception. – Chapter 146 of the General Statutes does not apply to any sale of the State's interest in property securing RECOP indebtedness if the sales proceeds are used first to pay, or provide for the payment of, all or a portion of that RECOP indebtedness. The property law exceptions in G.S. 142-85(h) also apply to RECOP indebtedness."

SECTION 5.(a) Findings. – The General Assembly finds that there are circumstances in which the State may benefit from the use of innovative or flexible public financing tools not previously considered in North Carolina. In light of the value

of State property and its great potential for appreciation, financing vehicles may be developed that provide for a lower annual debt service in exchange for a larger payment when the debt matures. In the context of urgent State needs or temporary budget restrictions, the General Assembly finds that it may be in the best interest of the State to be able to take advantage of this type of financing option. In order for the General Assembly to make a policy decision on this issue, more economic and financial information is needed.

SECTION 5.(b) Study. – The State Treasurer shall study the effects of refunding State indebtedness or financing new State facilities with RECOP indebtedness as defined in G.S. 142-95. In evaluating the feasibility of incurring RECOP indebtedness and the surrounding policy issues, the State Treasurer shall evaluate all of the following:

(1) The overall net economic cost to the State in incurring RECOP indebtedness as compared to other forms of indebtedness.
(2) The relative annual debt service costs and final maturity payments of RECOP indebtedness as compared to other forms of indebtedness.
(3) The availability of alternative financing opportunities and their relative costs to the State.
(4) For refundings, whether the refunding would result in an economic gain, overall lower borrowing costs, or other benefits to the State.
(5) Factors that affect which circumstances might make RECOP financing more or less desirable.
(6) The impact on the State's credit rating of various debt options in various situations.
(7) Any other issues the State Treasurer considers relevant.

SECTION 5.(c) Report. – The State Treasurer shall report to the Joint Legislative Commission on Governmental Operations by February 1, 2005, the results of this study, including specific findings and recommendations.

SECTION 6. Sections 2 and 3 of this act become effective July 1, 2004. The remainder of this act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE ISSUANCE OF SPECIAL INDEBTEDNESS TO FINANCE VITAL STATE FACILITIES FOR HEALTH CARE AND BIOTECHNOLOGY RESEARCH, TO SUPPORT REPAYMENT OF THE DEBT FROM THE HEALTH AND WELLNESS AND TOBACCO TRUST FUNDS, AND TO DIRECT THE STATE TREASURER TO STUDY THE POTENTIAL COSTS AND BENEFITS OF INNOVATIVE STATE FINANCING.

The General Assembly of North Carolina enacts:

SECTION 1. In accordance with G.S. 142-83, this section authorizes the issuance or incurrence of special indebtedness in the following maximum aggregate principal amounts to finance the costs of acquiring, constructing, and equipping the following projects. The State, with the prior approval of the State Treasurer and the Council of State, as provided in Article 9 of Chapter 142 of the General Statutes, is authorized to issue or incur special indebtedness in order to provide funds to the State to be used, together with other available funds, to pay the cost of these projects.

(1) One hundred eighty million dollars ($180,000,000) for a new cancer rehabilitation and treatment center, a nearby physicians' office building, and a walkway between the two, all to be located at the University of North Carolina Hospitals at Chapel Hill.

(2) Sixty million dollars ($60,000,000) for the North Carolina Cardiovascular Diseases Institute at East Carolina University.

(3) Thirty-five million dollars ($35,000,000) for a Bioinformatics Center at the University of North Carolina at Charlotte.

(4) Twenty-eight million dollars ($28,000,000) for a stand-alone facility to house the new Pharmacy School program to be located at Elizabeth City State University, and interim temporary facilities to house the program during construction of the stand-alone facility.

(5) Thirty-five million dollars ($35,000,000) for a Center for Health Promotion and Partnerships at the University of North Carolina at Asheville.

SECTION 2. G.S. 147-86.30 reads as rewritten:

"**§ 147-86.30. Health and Wellness Trust Fund established.**

(a) Fund Established. – There is established the Health and Wellness Trust Fund in the Office of the State Treasurer to ~~that shall~~ be used to develop a comprehensive plan to finance programs and initiatives to improve the health and wellness of the people of North Carolina. As used in this Article, the term "Fund" means the Health and Wellness Trust Fund. It is the intent of the General Assembly that the funds provided pursuant to this Article to address the health needs of North Carolinians be used to supplement, not supplant, existing funding of health and wellness programs.

(b) Fund Earnings, Assets, and Balances. – The State Treasurer shall hold the Fund separate and apart from all other moneys, funds, and accounts. The State Treasurer shall be the custodian of the Fund and shall invest its assets in accordance with G.S. 147-69.2 and G.S. 147-69.3. Investment earnings credited to the assets of the Fund shall become part of the Fund. Any balance remaining in the Fund at the end of any fiscal year shall be carried forward in the Fund for the next succeeding fiscal year. Payments from the Fund shall be made on the warrant of the chair of the Commission, pursuant to directives of the Commission. The Commission may expend moneys in the Fund only as provided in subsections (c) and (d) of this section.

(c) ~~Creation of Fund Reserve. The Commission shall reserve, and shall not expend, fifty percent (50%) of each annual payment allocated to the Health and Wellness Trust Fund pursuant to G.S. 143-16.4 during years 2001 through 2025 to create and build the Fund Reserve. During years 2001 through 2025, the Commission may expend any investment earnings on the reserved funds. Beginning in year 2026, and thereafter, the Commission shall not expend the reserved funds but may continue to expend any investment earnings on the reserved funds.~~ Priority Use of Funds. – As soon as practicable after the beginning of each fiscal year, the State Treasurer must certify in writing to the chair of the Commission the estimated amount of debt service anticipated to be paid during the fiscal year for special indebtedness authorized by Senate Bill 1098, 2003 General Assembly. The chair of the Commission must issue a warrant from the Fund to the General Fund for the lesser of (i) the amount certified by the Treasurer and (ii) all uncommitted moneys in the Fund as of the end of the previous fiscal year plus sixty percent (60%) of the Fund's receipts for the current fiscal year. As soon as practicable after issuing this warrant, the chair of the Commission must certify in writing to the chair of the Tobacco Trust Fund Commission created in G.S. 143-717 the amount, if any, by which the amount certified by the Treasurer exceeds the amount of the warrant.

(d) Use of ~~Nonreserved~~ Remaining Funds. – The Commission may expend or commit moneys in the Fund in a fiscal year only after the payment required by subsection (c) of this section has been made. ~~all of the annual payments for years 1998, 1999, and 2000 and may expend the remaining fifty percent (50%) portion of each annual payment thereafter through the year 2025 that is not reserved pursuant to~~

~~subsection (c) of this section. Any unexpended or unencumbered portion of the nonreserved portion of each annual payment for years 2001 through 2025 that has not been expended or encumbered by the third June 30th following the date of the receipt of the payment shall be reserved pursuant to subsection (c) of this section. The Commission may expend any investment earnings on the nonreserved funds in the year in which the investment earnings are received by the Fund.~~

(e) Fund Purposes. – Moneys from the Fund may be used for any of the following purposes:

(1) To address the health needs of vulnerable and underserved populations in North Carolina.

(2) To fund programs and initiatives that include research, education, prevention, and treatment of health problems in North Carolina and to increase the capacity of communities to respond to the public's health needs.

(3) To develop a comprehensive, community-based plan with goals and objectives to improve the health and wellness of the people of North Carolina with a priority on preventing, reducing, and remedying the health effects of tobacco use and with an emphasis on reducing youth tobacco use. The plan shall include measurable health and wellness objectives and a proposed timetable for achieving these objectives. In developing the plan, the Commission shall consider all facets of health, including prevention, education, treatment, research, and related areas.

(f) Limit on Operating and Administrative Expenses. – No more than two and one-half percent (2 1/2%) of the annual receipts of the Fund for the fiscal year beginning July 1 or a total ~~sum~~ of one million dollars ($1,000,000), whichever is less, may be used each fiscal year for administrative and operating expenses of the Commission and its staff. All administrative expenses of the Commission shall be paid from the Fund."

SECTION 3. G.S. 143-719 reads as rewritten:

"**§ 143-719. Tobacco Trust Fund; creation; ~~investment.~~investment; priority use.**

(a) Fund Established. – The Tobacco Trust Fund is established in the Office of the State Treasurer. The Fund shall be used ~~to provide financial assistance in accordance with~~for the purposes provided in this Article.

(b) Fund Earnings, Assets, and Balances. – The State Treasurer ~~shall be~~ is the custodian of the Fund and shall invest the assets in accordance with G.S. 147-69.2 and G.S. 147-69.3. Investment earnings credited to the Fund ~~shall~~ become part of the Fund. Any balance remaining in the Fund at the end of any fiscal year ~~shall be~~ is carried forward in the Fund for the next succeeding fiscal year. Payments from the Fund shall be made on the warrant of the chair of the Commission, pursuant to the directives of the Commission.

(c) Priority Use of Funds. – The Commission shall not spend moneys in the Fund in accordance with G.S. 143-720 or G.S. 143-721 in a fiscal year until after the

requirements of this subsection have been satisfied. As soon as practicable each fiscal year after receiving the certification from the chair of the Health and Wellness Trust Fund Commission pursuant to G.S. 147-86.30, the chair of the Commission must issue a warrant in the certified amount, if any, from the Fund to the General Fund."

SECTION 4. Article 9 of Chapter 142 of the General Statutes is amended by adding a new section to read:

"**§ 142-95. RECOP indebtedness.**

(a) Authorization. – In addition to special indebtedness described in the preceding sections of this Article, the State may incur special indebtedness as described in this section, to be called real estate certificates of participation (RECOP) indebtedness. RECOP indebtedness shall be incurred for the purposes and otherwise as prescribed in the preceding sections of this Article, with the exceptions and limitations provided in this section. All of the provisions of this Article apply to RECOP indebtedness except to the extent a provision of this section specifically conflicts with a provision in the preceding sections of this Article.

(b) Purposes. – In addition to the purposes provided in G.S. 142-83, RECOP indebtedness may be incurred to refund any indebtedness of the State. RECOP indebtedness may refund Non-RECOP indebtedness to the same extent it may refund RECOP indebtedness in accordance with the preceding sections of this Article, except that the General Assembly must first enact legislation authorizing the incurrence of RECOP indebtedness for this purpose up to a specific maximum amount. The proceeds of RECOP indebtedness may not be used for operating expenses, start-up costs, or other items of working capital.

(c) Security. – In addition to the security authorized in G.S. 142-85(a), RECOP indebtedness may be secured by any property or interest in property of the State selected by the Director of the Budget in consultation with the State Treasurer and approved by the Council of State in accordance with this Article. Before selecting as security any property or interest in property not authorized in G.S. 142-85, the Director of the Budget must consult with the Joint Legislative Commission on Governmental Operations. This subsection supplements G.S. 142-85(a); all of the remaining provisions of G.S. 142-85 apply to RECOP indebtedness.

(d) Principal. – The entire principal amount may mature on a single date. No principal reduction is required prior to maturity.

(e) Interest. – Interest on RECOP indebtedness may be payable partly periodically and partly at maturity or earlier redemption, in the latter case with interest accreting and compounding at a stated interest rate.

(f) Additional State Property Law Exception. – Chapter 146 of the General Statutes does not apply to any sale of the State's interest in property securing RECOP indebtedness if the sales proceeds are used first to pay, or provide for the payment of, all or a portion of that RECOP indebtedness. The property law exceptions in G.S. 142-85(h) also apply to RECOP indebtedness."

SECTION 5.(a) Findings. – The General Assembly finds that there are circumstances in which the State may benefit from the use of innovative or flexible public financing tools not previously considered in North Carolina. In light of the value

of State property and its great potential for appreciation, financing vehicles may be developed that provide for a lower annual debt service in exchange for a larger payment when the debt matures. In the context of urgent State needs or temporary budget restrictions, the General Assembly finds that it may be in the best interest of the State to be able to take advantage of this type of financing option. In order for the General Assembly to make a policy decision on this issue, more economic and financial information is needed.

SECTION 5.(b) Study. – The State Treasurer shall study the effects of refunding State indebtedness or financing new State facilities with RECOP indebtedness as defined in G.S. 142-95. In evaluating the feasibility of incurring RECOP indebtedness and the surrounding policy issues, the State Treasurer shall evaluate all of the following:

(1) The overall net economic cost to the State in incurring RECOP indebtedness as compared to other forms of indebtedness.

(2) The relative annual debt service costs and final maturity payments of RECOP indebtedness as compared to other forms of indebtedness.

(3) The availability of alternative financing opportunities and their relative costs to the State.

(4) For refundings, whether the refunding would result in an economic gain, overall lower borrowing costs, or other benefits to the State.

(5) Factors that affect which circumstances might make RECOP financing more or less desirable.

(6) The impact on the State's credit rating of various debt options in various situations.

(7) Any other issues the State Treasurer considers relevant.

SECTION 5.(c) Report. – The State Treasurer shall report to the Joint Legislative Commission on Governmental Operations by February 1, 2005, the results of this study, including specific findings and recommendations.

SECTION 6 Sections 2 and 3 of this act become effective July 1, 2004. The remainder of this act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 2003

S 1

SENATE BILL 1098

Short Title:	Finance Cancer Center & Cardio Institute.	(Public)
Sponsors:	Senators Jenkins, Kerr, Albertson, Holloman, Swindell, Thomas; Bingham, Blake, Carpenter, Carrington, Dalton, Dannelly, Dorsett, Forrester, Garrou, Garwood, Hargett, Hartsell, Hoyle, Hunt, Kinnaird, Lucas, Malone, Purcell, Queen, Rand, Smith, Soles, Stevens, and Weinstein.	
Referred to:	Finance.	

May 17, 2004

A BILL TO BE ENTITLED

AN ACT TO IMPROVE HEALTH CARE BY AUTHORIZING SPECIAL INDEBTEDNESS TO FINANCE A CANCER TREATMENT CENTER AT THE UNIVERSITY OF NORTH CAROLINA HOSPITALS AT CHAPEL HILL AND A CARDIOVASCULAR DISEASES INSTITUTE AT EAST CAROLINA UNIVERSITY.

Whereas, the University of North Carolina at Chapel Hill, with its Hospitals, Health Care System, and Lineberger Comprehensive Cancer Center, is emerging as a national leader in cancer prevention, early detection, and therapy – an intertwined approach to reduce the burden of cancer in North Carolina. To complete this mission, an expanded, $180-million, freestanding North Carolina Clinical Cancer Center replacing its antiquated facility is needed; and

Whereas, because cancer increases ten-fold at 65 years of age, demographic trends and the attractiveness of the region for retirees will nearly double the number of cancers; and

Whereas, in addition, the number of cancer patients seen at UNC from across the State is increasing yearly due to its multidisciplinary approach to cancer care; and

Whereas, enhanced clinical research opportunities afforded by the new Clinical Cancer Center will bring the highest level of care and innovation to the citizens of North Carolina; and

Whereas, quality of care amenities and support services for all patients, especially those volunteering for clinical trials, are inadequate and will be incorporated in the new Clinical Cancer Center; and

Whereas, seamless integration of high-technology imaging and genetic analysis for early detection and therapeutic interventions will improve cancer care and will require a specifically designed facility; and

Whereas, space is needed for a cancer prevention clinic focused on surviving patients, their families, and high-risk individuals, integrating all forms of prevention and early detection research; and

Whereas, cutting-edge therapeutic research engendered by the new Clinical Cancer Center will stimulate the State's biotechnology and pharmaceutical industry; and

Whereas, genetics and technology will drive the next era of cancer care. Genetic targeting of prevention, early detection, and therapy will become modern medicine's dominant paradigm. Therapy will be followed with new imaging techniques. These developments will drive both the standard of care and the clinical research agenda at world-class institutions. UNC's new Clinical Cancer Center, complete with a nationally recognized clinical and prevention research agenda, will bring these benefits to all citizens of North Carolina; and

Whereas, genetic analysis will identify high-risk families. Knowledge of inherited genes will provide clues about families that need special attention. Targeted prevention strategies and sophisticated detection techniques, such as using computerized mammography or proteomic analysis of blood for tumor markers, will be applied to high-risk families; and

Whereas, gene expression patterns will guide treatment and novel imaging techniques will follow responses. Genetic technology will measure gene expression patterns in patients' cancers, allowing doctors to accurately predict response to therapy and to select individualized treatment. The multiple gene mutations that cause each cancer produce subtle changes in expression of the 35,000 genes encoded in our DNA. Bioinformatics algorithms will catalog these complex patterns from breast, colon, lung, prostate, leukemia, lymphoma, melanoma, and other cancers, providing a precise molecular signature of a patient's cancer with a predictive power that greatly exceeds current technology; and

Whereas, as these tests are perfected, medical science will be able to categorize for example, which women's breast cancer will respond to conventional therapy and which will not. For the former, patient confidence in the chosen chemotherapy or biologic therapy will be high. For the latter, the psychological impact will be great, but rather than waiting for therapeutic failure, patients and doctors can choose other options, like a trial of experimental therapy specifically designed for that patient's molecular subtype. The effect of standard and experimental therapies will be followed by novel imaging technologies, such as PET scans, that assess a tumor's biologic activity and not just its size; and

Whereas, the State of North Carolina has one of the highest incidences of advanced cardiovascular disease in the nation, killing one in four North Carolinians yearly; and

Whereas, in North Carolina cardiovascular diseases lead hospital admissions and in the years 1995 and 1996 alone resulted in over 304,000 inpatient admissions with parallel associated costs exceeding over $4 billion; and

Whereas, this State has the fifteenth highest death rate from cardiac illnesses in the country and the fourth highest death rate from stroke in the United States; and

Whereas, the 29 counties of Eastern North Carolina are plagued by a multiplier of the average death rate because of limited access to clinical care, inadequate diagnostic outreach, a paucity of new technology and lagging prevention methods; and

Whereas, working together through the University Health Systems of Eastern Carolina, the Brody School of Medicine at East Carolina University and Pitt County Memorial Hospital have become the major resources for treatment, education, and research for these costly diseases and in recent years have extended services and programs to the entire State; and

Whereas, there is both a desire and a need to expand the clinical and basic research efforts at the Brody School of Medicine, and to provide education and training through a new multidisciplinary, internationally recognized cardiovascular disease institute that would serve all citizens of the State; and

Whereas, the broad areas of focus of this expanded clinical and research effort would include heart and vascular disease, hypertension, and stroke, as well as developing new technologies in surgery and medicine; and

Whereas, this effort would be comprised of two structural components: a cardiovascular clinical research and education center and a basic science research center; and

Whereas, an integrative approach would be used that would effectively integrate cardiovascular service lines; and

Whereas, these centers would also house a central cardiovascular data center that would be a repository for all images, diagnostic and medical records, and hemodynamic demographic data related to the hospital and center; Now, therefore,

The General Assembly of North Carolina enacts:

SECTION 1. In accordance with G.S. 142-83, this section authorizes the issuance or incurrence of special indebtedness in the following maximum aggregate principal amounts to finance the costs of acquiring, constructing, and equipping the following projects. The State, with the prior approval of the State Treasurer and the Council of State, as provided in Article 9 of Chapter 142 of the General Statutes, is authorized to issue or incur special indebtedness in order to provide funds to the State to be used, together with other available funds, to pay the cost of these projects.

(1) One hundred eighty million dollars ($180,000,000) for a new cancer rehabilitation and treatment center and adjacent physicians' office building to be located at the University of North Carolina Hospitals at Chapel Hill.

(2) Sixty million dollars ($60,000,000) for the North Carolina Cardiovascular Diseases Institute at East Carolina University.

SECTION 2. This act is effective when it becomes law.

SB 1098 (PCS): State Health & Biotechnology Financing

BILL ANALYSIS

Committee: House Finance
Date: June 15, 2004
Version: CSLCx-144

Sponsor: Sen. Jenkins
Analysis by: Martha H. Harris
Staff Attorney

SUMMARY: The proposed committee substitute for Senate Bill 1098 does four things:

1. *Authorizes the State to use special indebtedness to finance five health and biotechnology facilities in the UNC system. (The Senate version authorized special indebtedness only for the first two of the five projects.)*
2. *Provides that the Health and Wellness Trust Fund must transfer to the General Fund each fiscal year the estimated debt service on the indebtedness authorized in this bill. The amount transferred each year is capped at 60% of the Trust Fund's receipts for the year. If the debt service exceeds the cap, the Tobacco Trust Fund must transfer the balance. (Added in PCS.)*
3. *Enacts a statutory framework for a new type of State special indebtedness called "RECOP indebtedness," which would involve lower debt service payments during the term of the debt in exchange for a larger payment due at maturity. RECOP indebtedness could not be issued unless the General Assembly enacted legislation specifically providing for the projects or refunding to be financed with RECOPs. (Added in PCS.)*
4. *Directs the Treasurer to study RECOP indebtedness and report to Gov Ops by February 1, 2005. (Added in PCS.)*

FIVE PROJECTS:

Section 1 of the proposed committee substitute for Senate Bill 1098 would authorize the issuance of special indebtedness for the following capital projects:

Purpose	Amount in Millions
Cancer Center at UNC-CH	$180
Cardiovascular Institute at ECU	$60
Bioinformatics Center at UNC-C	$35
Pharmacy Program at ECSU	$28
Health Partnership Center at UNC-A	$35

Commonly referred to as "certificates of participation," special indebtedness is nonvoted debt that is secured only by an interest in State property being acquired or improved. There is no pledge of the State's faith and credit or taxing power to secure the debt. Thus, voter approval is not necessary for the borrowing. If the State defaulted on its repayments, no deficiency judgment could be rendered

against the State, but the State property that serves as security could be disposed of to generate funds to satisfy the debt. The State could choose not to appropriate funds to repay the debt, but such a decision would have negative consequences for the State's credit rating.

The term "special indebtedness" is employed to cover the three forms that this type of debt can take: installment purchase (with or without certificates of participation), lease-purchase (with or without certificates of participation), and bonds. The particular form to be used for a given project will depend on its size, the nature of the property and the improvement, and other circumstances. Based on these circumstances, one form or another of special indebtedness may be the least expensive and most practical for the State to utilize. Article 9 of Chapter 142 of the General Statutes prohibits the issuance of special indebtedness except for projects specifically authorized by the General Assembly.

Before special indebtedness could be issued or incurred, the State Treasurer must certify that debt financing may be desirable for a specific project presented to it by the Department of Administration. Next, the Council of State must give preliminary approval. If preliminary approval is obtained, the Council of State must give final approval, setting out details such as the maximum amount to be financed, the maximum maturity, and the maximum interest rates. The maximum maturity may not exceed 40 years. The State Treasurer must approve the details of the financing, finding that the amount to be borrowed is adequate and not excessive and will not require an excessive increase in any State revenues to provide for repayment, and that the special indebtedness can be incurred or issued on terms favorable to the State. Finally, the State Treasurer must report to the Joint Legislative Commission on Governmental Operations at least five days before any special indebtedness is issued or incurred.

HEALTH AND WELLNESS TRUST FUND and TOBACCO TRUST FUND:

The proposed committee substitute for Senate Bill 1098 would provide that up to 60% of the annual receipts of the Health and Wellness Trust Fund would be used to reimburse the General Fund each year for debt service on debt authorized by the bill. (The bill eliminates the requirement that 50% of annual receipts be reserved.) If the uncommitted balance in the Health and Wellness Trust Fund from earlier years plus 60% of current receipts are insufficient in any fiscal year to cover the debt service, the Tobacco Trust Fund would reimburse the General Fund for the balance. These provisions become effective July 1, 2004.

The Health and Wellness Trust Fund receives annual tobacco settlement payments to be used to improve the health and wellness of North Carolinians. In order to build up a fund reserve for future projects, the governing body of the Trust Fund must reserve 50% of each annual payment beginning in 2001. The Commission may spend unreserved funds and investment earnings in the reserve to award grants to state and local agencies and to nonprofit corporations.

The Tobacco Trust fund receives annual tobacco settlement payments to be used to assist tobacco producers, tobacco allotment holders, and persons engaged in tobacco related businesses.

In late 1998, forty-six states and several U.S. territories reached an agreement to settle the lawsuits they had filed against the major cigarette manufacturers. The terms of the settlement were incorporated into an agreement known as the Master Settlement Agreement. The Master Settlement Agreement contractually imposes some restrictions on tobacco marketing and requires the tobacco companies to make annual payments to the states. As part of the North Carolina consent decree, the judge (at the request of the Attorney General) awarded 50% of the settlement funds to the State's Settlement Reserve Fund and 50% to a nonprofit corporation, the Golden L.E.A.F. Foundation, that will assist tobacco-dependent and economically-affected communities. The 50% that is paid to the Settlement Reserve Fund is divided equally between the Health and Wellness Trust Fund and the Tobacco Trust Fund.

STATUTORY FRAMEWORK FOR RECOPs:

Section 4 of the proposed committee substitute for Senate Bill 1098 would enact the statutory framework for a new type of special indebtedness to be called Real Estate Certificates of Participation (RECOP) indebtedness. RECOP indebtedness is a form of special indebtedness that is intended to be structured so that the principal and a portion of the interest is not paid in installments over the term of the debt. This portion of the interest compounds and is payable, along with the principal, only at maturity or earlier redemption. This structure is intended to reduce ongoing debt service payments and provide for payment of the remaining obligation at a time when the property securing the debt will most likely have appreciated substantially in value.

Like other special indebtedness, RECOP indebtedness may be incurred only if the amount and specific purposes have been authorized in an act of the General Assembly. RECOP indebtedness differs from current law special indebtedness in several ways:

- Special indebtedness may be incurred only for capital projects. RECOP indebtedness may be incurred to retire existing State debt as well as for capital projects.
- Special indebtedness may be secured only by the capital facilities being constructed, renovated, or repaired with the proceeds of the debt. RECOP indebtedness may be secured by these projects but may also be secured by any other State property. The property to serve as collateral would be selected by the Governor after first consulting with the Joint Governmental Commission on Governmental Operations. The choice of collateral must also be approved by the Council of State.

- State property law does not apply to a transfer of an interest in State property to secure special indebtedness or, in the case of default, to repay special indebtedness. With RECOP indebtedness, there is an additional exemption from State property law for transfers when the proceeds are used first to pay RECOP indebtedness, even if there is no default.

A major difference between RECOP indebtedness and the types of debt the State and local governments normally incur involves the payment of principal and interest. The usual practice is for the governmental entity to pay off the principal during the term of the debt while also paying interest. Normally, the outstanding principal balance declines relatively steadily during the term of the debt. With RECOP indebtedness, it is intended that no principal would be paid off during the term of the debt. In addition, it is intended that only part of the interest would be paid during the term of the debt. Postponing these payments until maturity makes the debt service payments during the life of the debt much lower than with traditional debt. The entire principal becomes due at maturity along with that portion of the interest that was not paid in installments.

TREASURER STUDY:

Section 5 of the bill sets out findings of the General Assembly and requires the State Treasurer to conduct a study of RECOP indebtedness. The findings indicate that there may be circumstances in which the State would benefit from taking advantage of flexible financing tools such as RECOPs, but that more information is needed for the General Assembly to consider such a policy decision. The bill directs the State Treasurer to study the effects of using RECOPs either for new projects or refunding outstanding debt and to report the results of the study and any recommendations by February 1, 2005, to the Joint Legislative Commission on Governmental Operations.

FISCAL ANALYSIS MEMORANDUM

[This confidential fiscal memorandum is a fiscal analysis of a draft bill, amendment, committee substitute, or conference committee report that has not been formally introduced or adopted on the chamber floor or in committee. This is not an official fiscal note. If upon introduction of the bill you determine that a formal fiscal note is needed, please make a fiscal note request to the Fiscal Research Division, and one will be provided under the rules of the House and the Senate.]

Fiscal Research Division

RE: Senate Bill 1098-CSLCx-144v1

FISCAL IMPACT

Yes (X) **No ( )** **No Estimate Available ( )**

	FY 2004-05	FY 2005-06	FY 2006-07	FY 2007-08	FY 2008-09
EXPENDITURES					
Debt Service*	.4	1.8	6.9	18.8	28.2
HWTF Trust Fund Earmark.	-.4	-1.8	-6.9	-18.8	-28.2
Net General Fund	**.0**	**.0**	**.0**	**.0**	**.0**
Operating and Maint. Exp.		(See "Assumptions and Methodology")			

PRINCIPAL DEPARTMENT AFFECTED: The oversight and issuance of the debt instruments will be issued by the Department of State Treasurer. The cost of issuing the instruments is financed from the proceeds of the sales.

EFFECTIVE DATE: When it becomes law.

*The maximum annual debt service is $35.42 million in FY 2010-11. The total interest on the $338 million of debt is $229.6 million.

BILL SUMMARY: Special Indebtedness. Authorizes the State to use special indebtedness to finance the following facilities:

1. $180 million for a new cancer rehabilitation and treatment center and adjacent physicians' office building to be located at the University of North Carolina Hospitals at Chapel Hill.
2. $60 million for the North Carolina Cardiovascular Diseases Institute at East Carolina University.
3. $35 million for a Bioinformatics Center at the University of North Carolina at Charlotte.
4. $28 million for a stand-alone facility to house the new Pharmacy School program to be located at Elizabeth City State University, and interim temporary facilities to house the program during construction of the stand-alone facility.
5. $35 million for a Center for Health Promotion and Partnerships at the University of North Carolina at Asheville.

Special indebtedness is non-voted debt that is secured only by an interest in State property being acquired or improved. Before special indebtedness could be issued or incurred, the State Treasurer must certify that debt financing may be desirable for a specific project presented to it by the Department of Administration. Next, the Council of State must give preliminary approval. If preliminary approval is obtained, the Council of State must give final approval, setting out details such as the maximum amount to be financed, the maximum maturity, and the maximum interest rates. The maximum maturity may not exceed 40 years. The State Treasurer must approve the details of the financing, finding that the amount to be borrowed is adequate and not excessive and will not require an excessive increase in any State revenues to provide for repayment, and that the special indebtedness can be incurred or issued on terms favorable to the State. Finally, the State Treasurer must report to the Joint Legislative Commission on Governmental Operations at least five days before any special indebtedness is issued or incurred.

The bill provides that the Health and Wellness Trust Fund must transfer to the General Fund each fiscal year the estimated debt service on the indebtedness authorized in this bill. The amount transferred each year is capped at 60% of the Trust Fund's receipts for the year. If the debt service exceeds the cap, the Tobacco Trust Fund must transfer the balance.

The bill requires the State Treasurer to conduct a study of proposed real estate certificates of participation (RECOP) indebtedness for new projects or refunding outstanding debt and to report the results of the study and any recommendations by February 1, 2005, to the Joint Legislative Commission on Governmental Operations. RECOP indebtedness would be a form of special indebtedness structured so that the principal and a portion of the interest are not paid in installments over the term of the debt. This portion of the interest would compound and be payable, along with the principal, only at maturity or earlier redemption.

ASSUMPTIONS AND METHODOLOGY:

Debt Service. The starting point in the analysis is a projection of the construction cash flow needs of the two facilities. The needs estimates were provided by the fiscal officers of the affected campuses.

	($Mil.) Total Project Cost	CASH FLOW NEEDS ($Mil.)					
		2004-05	2005-06	2006-07	2007-08	2008-09	2009-10
Cancer Center	180.00	6.20	11.54	33.48	33.21	50.08	45.49
Cardio Center	60.00	2.10	2.10	27.90	27.90		
Bioformatics Center	35.00	1.23	1.22	16.28	16.28		
ECSU Pharmacy School	28.00	.98	.98	13.02	13.02		
UNC-A	35.00	1.23	1.22	16.28	16.28		
TOTAL	338.00	11.74	17.06	106.95	106.68	50.08	45.49

The Department of State Treasurer provided an analysis of debt service costs for the original size and construction cash flow needs schedule of a proposed package of certificates of participation. These estimates were modified by Fiscal Research to fit the revised cash flow needs. The modification used the State Treasurer's debt service calculation model. The key assumptions in the analysis include:

a. The construction cash flow needs for each fiscal year would be addressed by the issuance of debt instruments in August of that year.
b. The maximum maturity of each debt issuance is 20 years.
c. The average interest rate for the August 2004 issuance is 5.25%. For other debt, a 6.15% rate was used.

The principal is repaid in equal installments on the anniversary date of the debt. For example, one-year instruments would be redeemed on August 1, 2005. Interest payments are made every six months.

Operations and Maintenance. General Administration of the University of North Carolina provided the following estimates on the operating costs for the proposed facilities.

2004 Non-Appropriated Capital Improvements - Operating Impact*

Non-Appropriated Projects	Project Capital Cost	Estimated Year of Completion	Estimated Operating Impact First Full Year of Operation	Estimated Operating Impact Twenty-Year Average	Operating Impact on the General Fund**
EAST CAROLINA UNIVERSITY					
Eastern Carolina Cardiovascular Institute	$60,000,000	2007	2,540,223	3,620,851	2,540,223
ELIZABETH CITY STATE UNIVERSITY					
School of Pharmacy	$28,000,000	2007	546,846	773,527	546,846
UNC - ASHEVILLE					
Center for Health Promotion and Wellness	$35,000,000	2008	806,043	1,029,156	806,043
UNC - CHARLOTTE					
Bioinformatics Center	$35,000,000	2008	1,892,393	2,692,978	1,892,393
UNC HEALTH CARE SYSTEM					
North Carolina Cancer Hospital	$180,000,000	2009	4,480,790	4,999,783	1,000,000
GRAND TOTALS	338,000,000		10,266,295	13,116,295	6,785,505

* Assumes 3% increase per year for salary/benefits and 5% increase for non-personnel/utilities.

** Reflects the first full year operating costs of projects

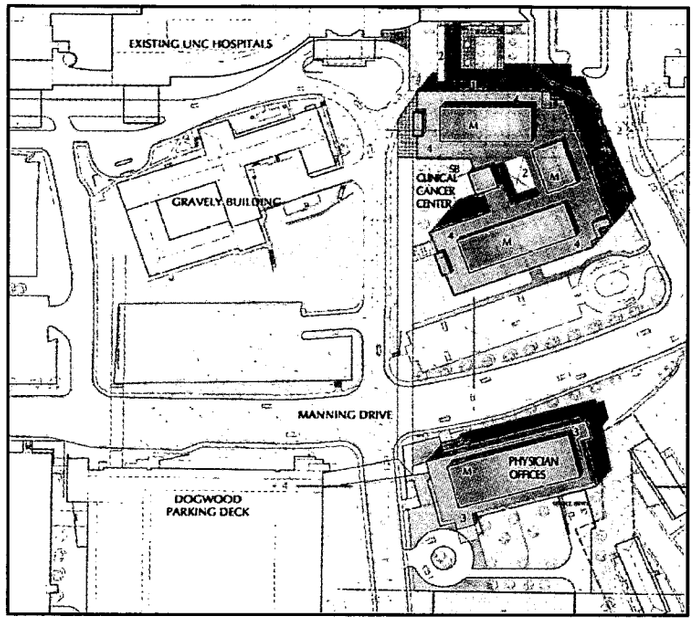
Site of Proposed North Carolina Cancer Hospital



A Major Economic Stimulus for North Carolina

A recent study by the Association of American Medical Colleges found that the state's economy gets a boost from medical colleges and teaching hospitals, which contribute $10.3 billion a year through business spending, employment, taxes and out-of-state visitors. The study found that for every dollar spent by these major medical institutions in North Carolina, an additional $1.30 is generated indirectly, providing a total impact of $2.30.

Beyond increasing the numbers of nurses, physicians and other personnel needed to staff the new hospital, the new NC Cancer Hospital will boost the North Carolina economy by increasing UNC research funding for prevention and control and clinical research from its current 3-4 percent annual rise to 7-8 percent each year. The new facility will increase UNC's capabilities to serve as a test site for even more novel cancer therapies and prevention studies, attracting increased funding from government agencies such as the National Institutes of Health and the National Cancer Institute, organizations such as the American Cancer Society and the Breast Cancer Research Foundation, and industry, such as pharmaceutical and biotech[illegible] companies. Conservatively, the new facility will generate $26 million in additional funding, representing 340 FTEs and a probable 25 new clinical faculty who spend about half their time conducting research.

In sum, money spent on this project would not only serve patients from all over North Carolina and enhance the science and technology of cancer research and treatment. It will also greatly expand the North Carolina economy, now and in the future.

UNC HEALTH CARE

The North Carolina Cancer Hospital

A Priority of the University of North Carolina

The UNC Health Care System is planning a new $180 million North Carolina Cancer Hospital and adjacent physicians office building. Both are to be sited on Manning Drive, connected to the UNC Hospitals complex and convenient to the UNC Lineberger Research Building. Many faculty, staff and [illegible]nt committees are working with the architects to design the physical space needed to expand and [illegible]nce patient care services and integrate the latest advances in science with highly skilled physicians and other providers.

The planned North Carolina Cancer Hospital will be the headquarters for the clinical cancer programs of the UNC Health Care System and its renowned UNC Lineberger Comprehensive Cancer Center. It is part of the UNC Hospitals' Master Facility Plan and has been approved by the UNC Health Care System's Board. The UNC-Chapel Hill Board of Trustees and the UNC Board of Governors have also endorsed it as a top priority.

A bill to authorize this important project passed the North Carolina Senate overwhelmingly last summer and had strong support in the North Carolina House of Representatives. We are hopeful that when the General Assembly reconvenes for its short session in May 2004 it will approve funding for the Cancer Hospital.

The Growing Need for the North Carolina Cancer Hospital

The number of patients coming to UNC for their cancer care has increased 35 percent in the last six years. The UNC Health Care System treats cancer patients from all 100 counties and provides multidisciplinary programs for most cancers - giving patients the combined expertise of several medical specialists in one place, often in one visit. In fiscal year 2003, UNC Hospitals admitted 3,510 patients for whom cancer was the primary, secondary, or tertiary diagnosis, and cancer patients made over 85,000 outpatient visits.

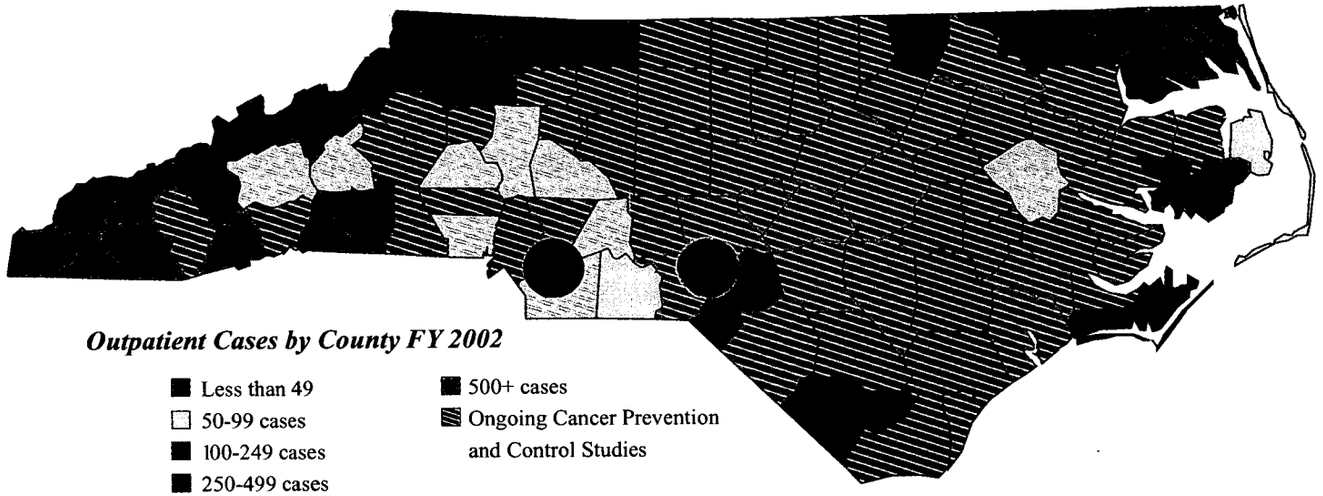
Over the next thirty years, the aging of the population will nearly double the number of North Carolina cancer cases seen each year. The attractiveness of North Carolina for retirees is also significantly increasing cancer cases in North Carolina. Unfortunately, no North Carolina care facility will lack for cancer patients. The ability to provide the highest-quality care in the most cost-effective manner will require communication and integration of local care with technologically driven therapeutics and diagnostics at centers such as UNC.

From Screening to Treatment, We Cover North Carolina

UNC Offers 21st Century Cancer Care in a 1950s Facility

UNC Lineberger Comprehensive Cancer Center is one of only 39 National Cancer Institute (NCI) designated Comprehensive Cancer Centers in the country. It ranks in the top ten institutions nationally in the number of grants from the NCI, and many of the latest advances in cancer diagnostics and therapy are available at UNC. However, it is increasingly difficult to provide leading-edge technology and therapies in a reconditioned and crowded 1950s tuberculosis sanatorium. UNC Hospitals will continue to renovate as much as possible to make the space safe and functional for staff and patients, but these are some of the challenges of the current facility:

- The chemotherapy infusion area is inadequate and overcrowded, even with recent expansion. The infusion area is also remote from the clinics, requiring fragile patients to travel difficult distances.
- Outpatient clinic facilities are overcrowded, with poor patient flow, inadequate waiting and support space, no storage, and limited privacy for patients and families. Private space for providers to meet with patients and their families to counsel them is extremely limited.
- The radiology area, which cannot accommodate the current volume of patients requiring care, cannot be expanded in its present location. New technology is difficult to introduce into the aging facilities and the limited space available. Patient waiting and changing areas are located on main corridors, creating privacy concerns.
- New technology does not fit well into the building. In some locations, ceiling heights are only 6 1/2 feet high. Building systems constantly need refurbishing and repair.
- Support space for patient education, staff conferences, counseling, teaching, and clinical research presents a constant challenge.
- Space is limited for clinical research staff who work with clinical protocols, which are essential for testing treatment options, increasing the knowledge base for new treatment opportunities, and offering patients novel treatments.
- The facility's ambiance is not conducive to the healing process and does not provide the supportive environment essential to patient care.
- The new North Carolina Cancer Hospital, an addition to UNC Hospitals, will address these and other deficiencies, as well as provide the healing environment that patients with cancer need and deserve as they fight their illnesses.



Outpatient Cases by County FY 2002

- Less than 49
- 50-99 cases
- 100-249 cases
- 250-499 cases
- 500+ cases
- Ongoing Cancer Prevention and Control Studies

The Benefits of the New North Carolina Cancer Hospital

The new North Carolina Cancer Hospital will not only create the physical space to expand and enhance patient care, it will also create an even higher quality of care by integrating the latest advances in science with highly skilled physicians and other providers. This new integrated space will accomplish the following:

- provide more room for a growing patient population;
- have specially designed facilities for high-technology tumor imaging, genetic analysis, and novel treatments;
- incorporate amenities and support services for all patients;
- enhance clinical research and innovative care options;
- incorporate teleconferencing facilities to include community-based physicians in treatment planning for their patients, allowing most treatments to be continued in their home communities;
- pair cancer care with a prevention clinic focused on surviving patients, their families as well as high-risk individuals and their families;
- enhance our multidisciplinary clinics, where a host of experts can interact with patients at one time, speeding the decision making and permitting an informed opinion that incorporates the skills of all disciplines in one visit; and
- stimulate growth in the state's biotechnology and pharmaceutical industries by promoting the development and evaluation of leading-edge therapies in clinical trials research.

Finally, the new North Carolina Cancer Hospital will harness the power of genetics and technology, which form the foundation of the next era of cancer care. Genetic targeting for prevention, early detection, and therapy will become modern medicine's dominant paradigm. In the hands of skilled and compassionate physicians, these developments will drive both the standard of care and the clinical research agenda at world-class institutions. The North Carolina Cancer Hospital, complete with a nationally recognized clinical and prevention research agenda, will bring these advances to all citizens of North Carolina.

ATTACHMENT 8

Eastern Carolina Cardiovascular Institute

A partnership between THE HEALTH SCIENCES DIVISION AT EAST CAROLINA UNIVERSITY and UNIVERSITY HEALTH SYSTEMS OF EASTERN CAROLINA

In North Carolina, the death rate attributable to cardiovascular diseases is one of the highest in the country. The Brody School of Medicine, which is part of the Health Sciences Division of East Carolina University, has joined forces with University Health Systems of Eastern North Carolina, to address this problem. Together, these two institutions will work to decrease mortality and morbidity from cardiovascular disease through the creation of the Eastern Carolina Cardiovascular Institute.

Facts about CARDIOVASCULAR DISEASE in North Carolina

- One in four North Carolinians suffers from cardiovascular disease.
- Cardiovascular disease (CVD) accounts for 40% of all deaths in North Carolina.
- North Carolina has the 15th highest death rate from cardiac illness and fourth highest death rate from stroke-related illness in the nation.
- The 29 counties of eastern North Carolina have the highest incidence of cardiovascular disease when compared to the rest of the state:
  - > Death rate from stroke is 35% higher
  - > Death rate from heart disease is 23% higher
- If eastern North Carolina were taken as a state and ranked against all other states in terms of premature mortality, it would rank 50th; only Mississippi would have a higher rate.
- The national economic burden from CVD is more than $350 billion annually. In North Carolina, the cost is estimated to be more than $6 billion annually.

Creating the EASTERN CAROLINA CARDIOVASCULAR INSTITUTE

University Health Systems, the Health Sciences Division of ECU and the Brody School of Medicine propose an expansion of existing clinical care and research efforts, as well as education and training programs addressing CVD, through the creation of a multidisciplinary and internationally recognized cardiovascular institute. University Health Systems and Pitt County Memorial Hospital, the primary teaching hospital for the medical school, have agreed to build a new 120 to 150-bed hospital dedicated to cardiovascular care. The cost of this hospital is estimated at $150 million and will be funded through private dollars. In conjunction with this project, the Brody School of Medicine and the Health Sciences Division at ECU propose construction of a cardiovascular research and education center that will include outpatient clinics for CVD patients, a conference center and space for basic science research, clinical trials and preventive medicine. This project, if approved by the General Assembly, will be funded by the state at an estimated cost of $60 million.

The partnership of the facilities named above, in collaboration with other University Health Systems hospitals and UNC constituents, will form the Eastern Carolina Cardiovascular Institute.

University Health Systems of Eastern Carolina

East Carolina University

Benefits of the EASTERN CAROLINA CARDIOVASCULAR INSTITUTE

- The institute will provide leading edge treatment of and research into CVD through basic science research, innovative technology, clinical trials and the recruitment and retention of skilled physicians.
- The institute will allow the citizens of North Carolina to be among the first to benefit from innovations in CVD prevention and treatment.
- Facilities will be located centrally in the region with the highest incidence of CVD.
- The Institute, through partnership with University Health Systems, provides a unique opportunity to establish a $210 million facility at a cost of $60 million in state funds.
- Dr. W. Randolph Chitwood, an internationally recognized leader in innovative surgery and pioneer of robotic surgery, will provide leadership for the institute.
- The Institute builds on the reputation of an internationally recognized CV program.

citizens of North Carolina will be among the first to benefit from innovations in cardiovascular disease prevention and treatment

Economic Impact of the EASTERN CAROLINA CARDIOVASCULAR INSTITUTE

Direct impact : Construction }	
Payroll	$ 96,284,144
Construction	204,296,700
Total short term benefit	300,580,844

Annual Long Term Operations }	
Payroll	$ 17,564,400
Purchases	2,460,000

Annual Indirect Impact on Local Economy }	$ 34,288,423

UNCCHARLOTTE

June 15, 2004

Proposed Bioinformatics Center

The University of North Carolina at Charlotte

Introduction

Because the Charlotte region is the largest in the state, the health of its economy is important to all of North Carolina. Every recent study of the region's economy or the economy of some part of the region has concluded that the economic base needs to be broadened. In particular, it needs to be broadened into sectors that are increasingly dependent on science and technology. The sectors with the greatest growth potential are in biotechnology/biomedicine, that is, areas where the biological and biomedical sciences are the bases for new products and services that find value in the market place.

Given that UNC Charlotte is the only large, comprehensive university within a radius of approximately ninety miles from the center of Charlotte, the University must provide research and instructional programs that support these sectors. The University has understood its responsibility and has worked to develop and carry out such programs. Clear examples of the university's response can be found in the research that undergirds two doctoral programs initiated in 1998 – Biology and Information Technology.

Background

Advances in molecular biology and the equipment available for research have allowed the increasingly rapid sequencing of large portions of the genomes of several species. The resulting deluge of information on cellular and biomolecular structures and systems and the requirements for storing and organizing these data are challenging information scientists as never before to develop new techniques and methods for data storage and retrieval, analysis, and visualization. The intersection of biology and information technology has created the new field of bioinformatics and a sub-field, medical informatics, concerned with structures and algorithms for the manipulation of medical data. As concerns for patient privacy and business security increase, the challenge of managing large data sets is becoming even more pressing. North Carolina has identified biotechnology as an important economic sector and is developing new initiatives to provide the climate, research, and training needed to attract biotech industry to the state and to commercialize new discoveries. In support of these initiatives, UNC Charlotte proposes to establish the Bioinformatics Center on the Charlotte Research Institute campus, integrating the University's existing research strengths in information security and biology with those in chemistry, physics, mathematics, computer science, public policy, sociology, and health-related sciences.

The Center

The Charlotte Research Institute (CRI) is located on one hundred acres adjacent to Route 29 ("millennial" campus). CRI's vision is to enhance the technology infrastructure of the Charlotte region by facilitating the development of intellectual capital through global collaboration with industry, academia, and government to create a top-tier interdisciplinary technology research community. Two buildings are under construction on the CRI campus – the Applied Optics and Physics Building and the Engineering Research Building. The proposed Bioinformatics Center will be the third building in this important research endeavor at UNC Charlotte, a three-story, traditional brick building of 102,000 net square feet, with facilities that will be a resource for industrial collaboration and training as well as research and graduate education:

- Functional Genomics/Proteomics Laboratory
- Bio-imaging Laboratory
- Image Processing Laboratory
- Protein Structure/Function Laboratory
- Computational Chemistry Laboratory
- Computational Diagnostics Laboratory
- Data Mining Laboratory
- Large Memory/Advanced Signal Processing Facility
- Information Integration Security/Privacy Laboratory

In addition to laboratory space for faculty and graduate students, the Center will provide extensive space for collaboration with industry, public-private partnerships, and outreach training, and will be an intellectual resource for industry in commercializing new technologies. Few universities can match UNC Charlotte's track record for bringing technology to the marketplace. After normalizing per $10M of R&D expenditures for 2002-03, the University ranked first in the nation in start-ups formed, third in patents issued, and fifth in licenses executed. The Center will build on the strength of research already being conducted in the areas of biomedical data visualization, imaging and imaging processing; medical dataset modeling, micro-array data analysis, gene and protein interactions, protein structure and function prediction, sequence analysis, biomedical information retrieval, feature extraction, large memory system security, biomathematics, data mining, and the storage and analysis of large databases. In addition, the Center will build on the strength of UNC Charlotte's prominence in cyber-security as one of the few universities designated by the National Security Agency as a center of Academic Excellence. Security remains a major obstacle for many businesses, and particularly for the pharmaceutical industry, in moving data over networks, and UNC Charlotte's eBusiness Technology Institute is already collaborating with major banks to solve security problems associated with large databases.

The need for the Bioinformatics Center is critical. With UNC Charlotte's strength and North Carolina's growing biotechnology industry, now is the time to create an internationally competitive Center in the Charlotte region.

Economic Impact

The direct impact will come from the construction of the $35M facility, the increase in funded research made possible by the facility, and the start-up companies that derive from this research. It is estimated that the construction will create an average of 243 jobs annually for the two year construction period. By 2010, research activities in the Center will be responsible for approximately 600 permanent jobs.

Although the measurable impact of the Center will be considerable, the greatest impact will come because the economic base of the Charlotte region will have been visibly broadened into a science-based sector of great potential for growth.

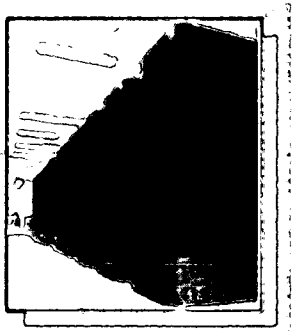
GTL Hallmarks

Open Access to Data and Facilities

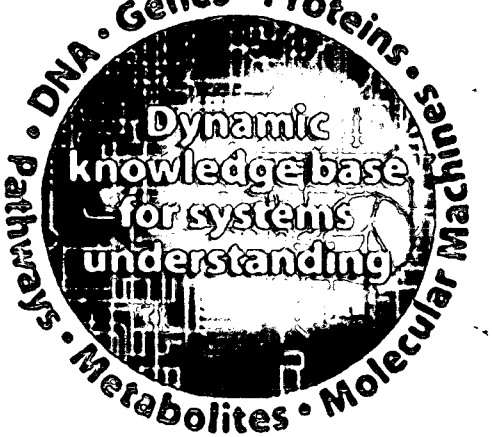
Technology Integration for Tomorrow's Biology and Applications

Advanced Technologies

Informatics and Databases



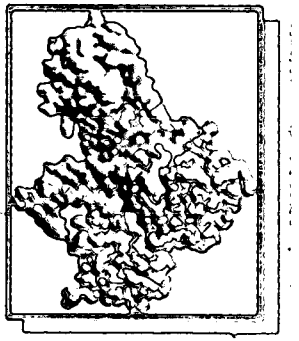
Microbial Genomics



Biosystems Training

High-Throughput Analysis and Production

Computing and Simulation



These facilities would serve as focal points for the life sciences research community, providing a national venue to pursue multidisciplinary systems biology and promote cross-disciplinary education.

UNC Asheville's N.C. Center for Health & Wellness Promotion

Executive Summary

What Is It?

The N.C. Center for Health & Wellness Promotion is a unique academic and outreach initiative, with 3 key components:

1. Wellness Education

- Focus on prevention of chronic disease (e.g. obesity diabetes) particularly among children and senior citizens
- New major in health promotion
- Undergraduate research
  - Student research, internships, fieldwork and outreach
  - Graduates will develop worksite wellness programs & work in hospital, corporate and community health settings

2. Outreach & Partnerships

- Public-private partnership with Western North Carolina health care, education and civic community.
- Students will work with underserved populations to close the health disparity gap.
- WNC Senior Wellness Institute will bring research and expertise on healthy lifestyles directly to senior citizens.
- Center will develop networks of community-campus partnerships for health & wellness.

3. Workplace Wellness

- UNC Asheville will model a healthy workplace environment.
- Plans include a program like *Be Active North Carolina*, a unique public-private program helping businesses, schools and government create healthier work sites, campuses and offices.

Why Do We Need It?

- Prevention is as important as treatment when it comes to long-term health & wellness.
- As part of the university system's efforts to treat and cure disease, UNC Asheville's academic/outreach initiative can help prevent chronic diseases like diabetes.

How Will It Impact North Carolina?

Economic Impact

- $153 million in immediate economic impact.
- Ongoing boost for WNC travel & tourism; corporate recruitment; alternative medicine; entrepreneurial activity; health-related R&D.

Health & Wellness Impact

- Every $1 invested in preventive programs result in $2-5 savings for employers.
- Studies show healthier workplaces can save employers 25%, including lower medical costs.

How Much Will It Cost?

Estimated cost for the 110,000-square-foot academic and outreach building is $35 million.

- The building will provide sorely-needed space for classrooms, faculty offices, labs and research facilities as well as conference space.
- The program and building meets needs identified by campus leaders over the last 20 years.
- An adjoining multi-purpose building will be 100% financed with private funds.

UNC Asheville's N.C. Center for Health & Wellness Promotion

Overview

UNC Asheville's proposed N.C. Center for Health & Wellness Promotion is a unique academic and outreach initiative, built around a new health promotion degree program, undergraduate research and a public-private partnership with Western North Carolina's health care community.

Childhood obesity and senior citizen wellness will be the focus of student research, internships and fieldwork and outreach. Students will work with underserved populations to close the health disparity gap; develop worksite wellness programs; and prepare themselves to work in hospital, corporate and community health settings.

Need

By any measure, North Carolina is failing virtually every health and wellness test. Daily headlines about obesity and its impact only touch on the problem.

- North Carolina ranks among the nation's highest in obesity, but lowest in exercise.
- Two out of every three North Carolinians are overweight or obese.
- One fourth of our children are overweight, and numbers are rising – especially among African-American children. Childhood obesity has *tripled* in the last 20 years.
- Deaths linked to weight and poor health – like stroke, diabetes and heart disease – are climbing steadily, especially among the African-American population.

The cost of this failure is dramatic – in loss of life, quality of life and in dollars. Some 25,000 North Carolina deaths are attributable to these factors each year. Physical inactivity, poor nutrition, obesity and addictions cost North Carolina almost $16 billion each year.

Justification

As North Carolina and its universities chart the health care course ahead, it's clear that prevention must be part of the solution. Clinically focused programs that treat disease are vital. But scientific evidence proves that preventive health education is the cornerstone on which a healthy society is built.

UNC Asheville has developed a bold initiative around health and wellness, building on strategic priorities identified over the last 20 years. It combines innovative academic research and targeted community outreach, focusing on the critical issues of childhood obesity and senior citizen wellness. ***It's a new approach to prevention, fueled by new leadership and new collaboration.***

The centerpiece is UNCA's new Health Promotions degree program, located in a state-of-the-art complex for innovative health and wellness education, training and research that also offers health-focused community outreach activities and conference space. It will have three main areas of focus:

1. ***Wellness Education*** – UNCA's new major in Public Health Promotion is the first for the Department of Health and Fitness. It involves interdisciplinary studies and hands-on collaborative learning, in conjunction with its Sports Medicine minor. Students will focus on prevention in public, private and non-profit sectors and work with underserved populations to close health disparity gaps.
2. ***Wellness Outreach & Partnership*** – UNCA will enhance opportunities to link preventive health education and health promotion with regional community health needs and the local health care community. The *WNC Senior Wellness Institute* will bring research and expertise on healthy lifestyles directly to WNC's growing population of senior citizens. The Center will serve as a model of community-campus partnerships for health promotion.
3. ***Workplace Wellness*** – UNCA's programs will become a model for workplace wellness and the facility will be conducive to learning, teaching and enhanced productivity. Plans include a program similar to *Be Active North Carolina*, a unique public-private program that provides innovative wellness assistance to businesses, schools and government in creating healthier work sites, campuses and offices.

Economic Impact
The Center is expected to have an immediate and short-term impact as well as a dramatic, long-term economic impact on Western North Carolina, including:

- *Construction & operation* -- $148 million in economic impact generated by construction; and $5 million in annual economic impact (salaries, purchases etc.) during operation.
- *Corporate & individual relocation* – Center will elevate WNC's viability as an attractive business relocation site, and will support regional economic development efforts.
- *Boosting WNC travel & tourism* – WNC's No. 1 industry will be strengthened with the Center's regional meetings and conferences. It will also promote healthy lifestyles, supporting the outdoor & adventure recreation industry.
- *Supporting alternative medicine development* – The Center will strengthen WNC's position as a mecca of alternative medicine.
- *Fueling health-related entrepreneurs* – Goods and services, or consulting start-ups will provide specialized support to communities and workplaces pursuing healthier lifestyles.
- *R&D* -- Linkages with emerging economies, such as biotechnology, nutraceuticals (nutrition and diet connections), biomanufacturing and research will also lead to start-up activity in WNC.
- *Increased job productivity on the job* – In North Carolina, sedentary lifestyles cost over $6.2 billion each year. Studies show employers lose $10,000 per worker per year due to illness, absence and non-productivity. The Center will partner with WNC employers to help businesses create worksites that are conducive to enhanced productivity.
- *Return on investment* – Every dollar spent on worksite health promotion programs will bring employers $2 to $5 in cost-savings. Studies show workplace wellness programs can realize employers a savings of 25%, including lower medical costs.

Footprint
The Center will be housed in an approximately 110,000-square-foot building focused on the program's three core components:

- *Academic* – It will house the expanded Health & Fitness Department's classrooms, equipment and facilities; provide a new home for the Student Health Services; the counseling center; and accommodate campus meetings. It will include a cardiovascular center, a bioinformatics lab and a muscle strength and endurance training facility.

- *Community Outreach* – The learning labs will also be used in community outreach and public-private partnerships. Existing health/fitness facilities will be enhanced to permit use for community outreach, especially for children and seniors. The Center will also provide flexible space for large community forums and events.

- *Workplace Wellness* – The Center will support UNCA's efforts to revamp its campus workplace wellness program, by providing faculty and staff with accessible, high-quality tools to lead healthier lifestyles.

Adjacent or adjoining will be a multi-purpose facility that will be 100% financed by private funds.

Cost
The cost of the academic building is $35 million.

Time Line
Planning will begin immediately, in 2004-05. Construction is expected to begin in 2005-06, and be completed by 2009. Full implementation of the Center's programming is expected to begin in 2009.

HOUSE BILL 1661
PROPOSED COMMITTEE SUBSTITUTE H1661-CSLA-58 [v.2]

6/14/2004 12:11:34 PM

Short Title: Cap Gas Tax Variable Rate. (Public)

Sponsors:

Referred to:

May 26, 2004

A BILL TO BE ENTITLED

AN ACT TO CAP THE VARIABLE WHOLESALE COMPONENT OF THE MOTOR FUELS TAX RATE AT THE COMPONENT FOR THE PERIOD BEGINNING JULY 1, 2004.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-449.80(a) reads as rewritten:

"(a) Rate. – The motor fuel excise tax rate is a flat rate of seventeen and one-half cents (17 1/2¢) a gallon plus a variable wholesale component. The variable wholesale component is either three and one-half cents (3 1/2¢) a gallon or seven percent (7%) of the average wholesale price of motor fuel for the applicable base period, whichever is greater. In no case may the variable wholesale component be greater than seven and one-tenths cents (7.1¢) a gallon.

The two base periods are six-month periods; one ends on September 30 and one ends on March 31. The Secretary must set the tax rate twice a year based on the wholesale price for each base period. A tax rate set by the Secretary using information for the base period that ends on September 30 applies to the six-month period that begins the following January 1. A tax rate set by the Secretary using information for the base period that ends on March 31 applies to the six-month period that begins the following July 1."

SECTION 2. This act is effective when it becomes law and applies to rates set on or after that date.

Referred to:	Finance.	

May 26, 2004

A BILL TO BE ENTITLED

AN ACT TO CAP THE VARIABLE WHOLESALE COMPONENT OF THE MOTOR FUELS TAX RATE AT ITS CURRENT RATE.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-449.80(a) reads as rewritten:

"(a) Rate. – The motor fuel excise tax rate is a flat rate of seventeen and one-half cents (17 1/2¢)a gallon plus a variable wholesale component. The variable wholesale component is either three and one-half cents (3 1/2¢) a gallon or seven percent (7%) of the average wholesale price of motor fuel for the applicable base period, whichever is greater. In no case may the variable wholesale component be greater than six and eight-tenths cents (6.8¢) a gallon.

The two base periods are six-month periods; one ends on September 30 and one ends on March 31. The Secretary must set the tax rate twice a year based on the wholesale price for each base period. A tax rate set by the Secretary using information for the base period that ends on September 30 applies to the six-month period that begins the following January 1. A tax rate set by the Secretary using information for the base period that ends on March 31 applies to the six-month period that begins the following July 1."

SECTION 2. This act is effective when it becomes law and applies to rates set on or after that date.

HOUSE BILL 1661:
Cap Gas Tax Variable Rate

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	Rep. Decker
Date:	June 14, 2004	**Analysis by:**	Martha Walston
Version:	H1661-CSLA-58		Committee Counsel

SUMMARY: The proposed committee substitute for House Bill 1661 would cap the variable wholesale component of the motor fuels tax rate at its amount for the period beginning July 1, 2004. This amount will be announced June 15th and is expected to be 7.1¢ a gallon.

CURRENT LAW: North Carolina imposes a motor fuels excise tax on all motor fuel sold, distributed, or used in the State. The tax is remitted by the wholesale distributor to the suppliers, as trustees for the State, at the terminal rack. The rate of the tax is 17.5 cents per gallon, plus the greater of 3.5 cents per gallon or 7 % of the average wholesale price of motor fuel. The wholesale price component of the rate is set every six months by the Secretary of Revenue based on the average price during the previous period. As of January 1, 2004, the total tax rate was 24.3 cents per gallon.

The term "motor fuels" is defined as gasoline, diesel fuel, and blended fuel. (G.S. 105-449.60)

The revenue collected from the motor fuels tax is distributed as follows:

½ of 1 cent of the tax imposed per gallon is allocated as follows:

- 19/32 of each half cent to the Commercial Leaking Petroleum Underground Storage Tank Cleanup Fund
- 3/32 of each half cent to the Noncommercial Leaking Petroleum Underground Storage Tank Cleanup Fund
- 5/16 of each half cent to the Water and Air Quality Account

Of the remaining proceeds, 75% is allocated to the Highway Fund and 25% is allocated to the Highway Trust Fund.

BILL ANALYSIS: The proposed committee substitute for House Bill 1661 would cap the wholesale price component of the rate to be set for the period beginning July 1, 2004, which will be 7.1 cents a gallon.

FISCAL ANALYSIS MEMORANDUM

[This confidential fiscal memorandum is a fiscal analysis of a draft bill, amendment, committee substitute, or conference committee report that has not been formally introduced or adopted on the chamber floor or in committee. This is not an official fiscal note. PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Highway Fund, Highway Trust Fund, Commercial and Noncommercial Leaking Petroleum Underground Storage Tank Cleanup Funds, Water and Air Quality Account.

EFFECTIVE DATE: Section 1 is effective when the bill becomes law and applies to rates set on or after that date. Section 2 becomes effective for distributions made on or after July 1, 2004.

BILL SUMMARY: Caps the variable wholesale component of the motor fuels tax rate at 7.1 cents per gallon. Raises the amount allocated from the motor fuels tax to the Commercial Leaking Petroleum Underground Storage Tank Cleanup Fund, the Noncommercial Leaking Petroleum Underground Storage Tank Cleanup Fund, and the Water and Air Quality Account from 0.5 cents per gallon to 0.8 cents per gallon and changes the proportions allocated to each of these funds. The Commercial LUST Fund allocation is increased from 19/32 to 17/25 (approximately 59% to 68%), the Noncommercial LUST Fund allocation is increased from 3/32 to 3/25 (9% to 12%), and the Water and Air Quality Account allocation is decreased from 5/16 to 1/5 (31% to 20%).

ASSUMPTIONS AND METHODOLOGY:

Section 1

The motor fuels tax rate in North Carolina consists of a fixed rate of 17.5 cents per gallon plus a variable rate that is the greater of 3.5 cents per gallon or 7% of the wholesale price (weighted average of gasoline and diesel fuel) for a six month period as published by the US Department of Energy's Energy Information Administration.

Through June 30, 2004 the variable rate is 6.8 cents per gallon and the total tax is 24.3 cents per gallon. On June 15, 2004 the Department of Revenue will set the rate for the period July through December 2004. That rate is based on wholesale prices in the period October 2003 through March 2004 and is expected to be 7.1 cents per gallon for a total of 24.6 cents per gallon. This will be an increase of .3 cents per gallon over the rate in effect from January through June of 2004. The bill will cap the variable rate in the future at 7.1 cents per gallon.

The revenue impact of the bill will be determined by the amount, if any, that the variable rate that would be set by the formula in the current law exceeds 7.1 cents per gallon. It is assumed here that prices remain generally high during the remaining three and a half months of the base period and that the adjustment that would take place in January under current law would be to 9.0 cents per gallon for the variable rate, an increase of 1.9 cents per gallon and 1.9 cents per gallon above the cap in the bill. The fiscal impact for the second half of FY 2004-05 would then be annual taxable sales of 5.3 billion gallons times 1.9 cents per gallon divided by two (to account for the six month period). The result is a loss in revenues from the motor fuels tax of approximately $50 million. Because three-fourths of the motor fuels tax goes to the Highway Fund and one-fourth to the Highway Trust Fund, the fiscal impact would be $37.5 million to the Highway Fund and $12.5 million to the Highway Trust Fund. (The Wildlife Resources Fund receives 1/6 of one percent of the Highway Fund share for boating and water safety activities and would lose about $62,500.) No estimates are made of revenue losses beyond FY 2004-05. The forecast prepared by the North Carolina Office of State Budget and Management in April 2004 indicated that the calculated variable rate in

future years would fall below the proposed cap. If that is the case there would be no fiscal impact in the ensuing years. However, the OSBM forecast has probably been overtaken by events and should be considered one of many possible scenarios.

Section 2

Section 2 raises the amount allocated to the Commercial and Noncommercial LUST Fund accounts and the Water and Air Quality Account by 0.3 cents per gallon and consequently lowers the amount allocated to the Highway Fund and Highway Trust Fund. The calculations are based on the taxable amount of motor fuels sold as projected by the Office of State Budget and Management:

FY2004-05	5,319 million gallons
FY2005-06	5,457
FY2006-07	5,626
FY2007-08	5,806
FY2008-09	6,009

North Carolina General Assembly

House Committee on Finance

Minutes

~

June 17, 2004

The House Committee on Finance met on Thursday, June 17, 2004 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons G. Allen, Howard, Luebke, McComas, Miner, and Wainwright; Vice-Chairs Alexander, Daughtridge, Decker, Gibson, and Hill; and Representatives Blackwood, Bordsen, Capps, Carney, Creech, Ellis, Glazier, Hackney, Holliman, Jones, Lewis, McGee, Munford, Rayfield, Ross, Setzer, Starnes, Weiss, C. Wilson, and Womble. Also present were Sergeant-at-Arms Bob Fowler, Bill Freeman, Frank Prevo, and Dusty Rhodes. Staff persons present included Richard Bostic, David Crotts, Trina Griffin, Doug Holbrook, Linda Millsaps, Susan Sitze, Martha Walston, and Bob Weiss. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2.**

Chairman Miner called the meeting to order at 8:36 am and recognized the six (6) pages present: (1) Aaron Goodson of Cumberland County, sponsored by Representative McAllister; (2) Gini Gregg of Edgecombe County, sponsored by Representative Tolson; (3) Kayla Hall of Stokes County, sponsored by Representative Baker; (4) Eric McCombs of Wake County, sponsored by Representative Miner; (5) Charles Neal of New Hanover County, sponsored by Representative McComas; and (6) Noelle Saleh of Wake County, sponsored by Speaker Black.

Prior to consideration of the Committee's agenda, Chairman Miner announced that **HB 1348 – CAMDEN COUNTY OCCUPANCY TAX** and **HB 1721 – CURRITUCK OCCUPANCY TAX CHANGES** were referred to the Subcommittee on Occupancy Tax.

Representative Haire was then recognized to explain the first bill considered by the Committee: **HB 1594 - ALARM SYSTEMS LICENSURE FEES** (see **attachment 3**). This bill was first considered by the Committee at its June 15, 2004 meeting but was displaced due to several concerns raised by Representative Cunningham at that meeting. Representative Hair explained that those concerns had now been resolved and requested the Committee's support. As there was no further discussion, Chairman Miner recognized Representative Howard who moved that House Bill 1594 be given a favorable report. Chairman Miner then called the matter to a vote, and the motion carried without objection.

The next bill considered by the Committee was **HB 1354 – STRENGTHEN DOMESTIC VIOLENCE LAWS** (see **attachment 4**). Chairman Miner recognized Representative Luebke who moved that the Proposed Committee Substitute (PCS) for HB 1354 be before the Committee for discussion and that motion carried without objection. The Chair then recognized the bill sponsors, Representatives Sherrill and McLawhorn, to explain the bill.

Representative Sherrill stated that the bill was a recommendation of the House Select Committee on Domestic Violence and had already been successfully reported out of the Judiciary I Committee. She explained to the members that the bill was before the House Finance Committee because it contained a fee. The fee, which is contained in Section 4.2 of the bill, was for $100 and was to be assessed on attorneys who practice in North Carolina but are not licensed to practice law in the State. Following this explanation, Chairman Miner recognized Representative Ross who stated her knowledge that, as a practicing attorney, this fee would simply be considered a cost of doing business. Staffperson Doug Holbrook also noted that almost every state in the nation charges such a fee, with most states charging much more than the bill's proposed $100. Following some other brief discussion, Chairman Miner then recognized Representative Howard who moved that the PCS for House Bill 1354 be given a favorable report (with an unfavorable report as to the existing committee substitute) and recommendation that the new Committee Substitute be re-referred to the Committee on Appropriations. As there was no further discussion, Chairman Miner then called the motion to a vote and it carried without objection.

HB 1655 – INCENTIVE FOR HIGHER WAGES (see **attachment 5**) was the next bill considered by the Committee. Chairman Miner recognized the bill sponsor, Representative Luebke, to explain the bill. Representative Luebke then explained that he filed the bill due to his concerns for the growing gap between the "excessive" compensation received by top executive relative to the average worker. He stated that the bill acted to limit the corporate deduction for employee compensation to an amount not to exceed 50 times the compensation paid to the corporation's lowest paid full-time employee for each taxable year. Following this, the Chair recognized David Crotts with the Fiscal Research staff to explain the fiscal impact of the bill. Mr. Crotts stated that from his analysis, the bill would have minimal fiscal impact because it simply would not affect that many corporations. Chairman Miner then opened the floor for Committee discussion on the bill. Representative Womble was recognized and stated his belief that the bill was fair and that he knew of no opposition to the bill. He then moved that the bill be given a favorable report. Chairman Miner recognized Representative Munford next who stated his concern that the bill was too broad. He noted that while he agreed with Representative's Luebke intent, he stated that the bill could have some negative unintended consequences. Representative Munford stated that by forcing companies to increase their wages for lower-paid employees one year that might be profitable in order to avoid increased tax liability, could lead to pay cuts, job layoffs, etc. for future years not are not as profitable. Representative Daughtridge was also recognized and stated another issue of concern. He pointed out that companies could increase wages as means to avoid a higher tax liability (as the bill is intended), but that these companies could (after increasing employee wages) cut benefits to those employees. Representative Lewis was then recognized and stated his belief that the bill would hurt the efforts the state has made and continues to make in recruiting business to North Carolina. Chairman Miner recognized Representative Allen next who requested to hear the position of the North Carolina Citizens for Business and Industry (NCCBI) on the bill. Ms. Leslie Bevocqua-Coman with NCCBI was then recognized by the Chair and stated that her organization did not support the bill. Following this, Representative Bordsen was recognized and stated her support for the bill. She shared the concern of Representative Luebke on the widening wage gap and stated that it was time for some policy controls to address the problem. Representative Wilson was then recognized and asked staff if policies similar policies to this proposal were used in other states. Trina Griffin, with Research Staff, explained that the bill was modeled after a bill from the State of Wisconsin, but that she had not researched whether or not similar were on the books in other states. Representative Wilson then made a substitute motion to move the bill into a specially formed subcommittee to allow for more study on the issue. Representative Luebke was recognized and opposed the substitute motion. Chairman Miner then elected to act upon the earlier motion of Representative Womble that the bill receive a favorable report. The ayes and nays having been

requested by Representative Luebke (see **attachment 6)**, the Clerk then called the roll. By a vote of 4 in the affirmative and 20 in the negative, the motion failed.

Chairman Miner recognized Representative Decker to explain the next bill considered by the Committee: **HB 1661 – CAP GAS TAX VARIABLE RATE** (see **attachment 7**). The Committee first considered this bill at its June 10, 2004 meeting. However, the bill was displaced at that time at the request of the bill sponsor. Representative Carney was recognized and moved that the PCS for HB 1661 be adopted for discussion purposes. The motion carried without objection. Representative Decker briefly explained the purpose of the bill again stating that the bill caps the variable wholesale component of the motor fuels tax rate at 7.1 cents (the set rate effective June 15, 2004). The effect of the cap, if gas prices remain the same as they are presently, is a savings estimated at approximately 1.9 cents per gallon of gasoline. However, the effective loss to the Highway Trust Funds could be as much as $50 million annually. (Further detail of the bill is available in the attached bill summary and fiscal note). He then moved that the PCS for his bill be given a favorable report. Following this explanation and motion, Chairman Miner recognized several groups in the audience to speak briefly on the bill. Mr. Berry Jenkins of the North Carolina GO Transportation Coalition, Ms. Betsy Bailey of the Public Transportation Association, and Ms. Christine Barbee with the Asphalt Pavement Association all spoke in opposition to the bill. Each stated that while the intention of the bill was good, the potential loss of funding to the Highway Trust funds would far outweigh the limited savings at the gas pump. The Chair also recognized Mr. Doug Hewey, Government Affairs Director with the North Carolina Petroleum Marketers Association, who spoke in support of the bill. Following these speakers, debate ensued among the members. Given the great debate on the bill, Chairman Miner then acted to refer the bill to a special subcommittee for further study. The Subcommittee is comprised of the following Committee members: Representative Carney (Chair), Representative McGee, Representative McComas, and Representative Ross.

As the final bill on the agenda, Chairman Miner called upon Representative Justice to explain **HB 1578 – PENDER RESCUE SERVICE FEE** (see **attachment 8**). Representative McComas moved that the PCS for HB 1578 be adopted for the purposes of discussion and that motion carried without objection. Representative Justice then reminded the members that this bill was first considered by the Committee at its June 8, 2004 meeting and was displaced to allow for the specific details of the bill to be worked out. (The bill summary is attached to these minutes and provides a detailed description of the bill.) She stated that the new PCS before the Committee provides a sunset in the bill of 3 years. Following some minimal questions from the members to the bill sponsor, the Chair recognized Representative McComas for a motion. Representative McComas moved that the PCS for HB 1578 be given a favorable report (with an unfavorable report as to the original bill). Chairman Miner then called the motion to a vote and the motion carried.

Having no further business before the Committee, Chairman Miner adjourned the meeting at 9:51 am.

Respectfully submitted,

Representative David Miner

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 2003

HOUSE BILL 1594

Short Title:	Alarm Systems Licensure Fees.	(Public)
Sponsors:	Representative Haire.	
Referred to:	Finance.	

May 20, 2004

A BILL TO BE ENTITLED

AN ACT AUTHORIZING THE ALARM SYSTEMS LICENSING BOARD TO INCREASE CERTAIN FEES AND ESTABLISH A NEW FEE UNDER THE ALARM SYSTEMS LICENSING ACT.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 74D-7(e) reads as rewritten:

"(e) The Board may charge fees as follows:

(1) A nonrefundable initial license application fee in an amount not to exceed one hundred fifty dollars ($150.00).

(2) A new or renewal license fee in an amount not to exceed ~~three hundred fifty dollars ($350.00).~~ five hundred dollars ($500.00).

(3) A late license renewal fee to be paid in addition to the renewal fee due in an amount not to exceed one hundred dollars ($100.00), if the license has not been renewed on or before the expiration date of the license.

(4) A registration fee in an amount not to exceed ~~twenty dollars ($20.00)~~ fifty dollars ($50.00) plus any fees charged to the board for background checks by the State Bureau of Investigation.

(5) A fee for reregistration of an employee who changes employment to another licensee, not to exceed ten dollars ($10.00).

(6) A branch office certificate fee not to exceed one hundred fifty dollars ($150.00).

(7) A fee not to exceed one hundred dollars ($100.00) for each reconsideration of a license or registration permit that has been filed or returned to the applicant for correctable errors.

All fees collected pursuant to this section shall be expended, under the direction of the Board, for the purpose of defraying the expense of administering this Chapter."

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 1594:
Alarm Systems Licensure Fees

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Haire
Date:	June 15, 2004	**Summary by:**	Trina Griffin
Version:	1st Edition		Committee Counsel

SUMMARY: ***House Bill 1594 would authorize the Alarm Systems Licensing Board to raise two existing fees and to create a new fee under the Alarm Systems Licensing Act. The act would be effective when it becomes law.***

CURRENT LAW: The Alarm Systems Licensing Board is established within the Department of Justice and, along with the Private Protective Services Board, falls under the administration and oversight of the Private Protective Services Section of the Department. Although under the Department, the Private Protective Services Section receives no General Fund dollars and is supported by receipts received from the regulated industries of both boards.

The Alarm Systems Board currently has statutory authority to levy the following fees:

(1) A nonrefundable initial license application fee in an amount not to exceed one hundred fifty dollars ($150.00).
(2) A new or renewal license fee in an amount not to exceed three hundred fifty dollars ($350.00).
(3) A late license renewal fee to be paid in addition to the renewal fee due in an amount not to exceed one hundred dollars ($100.00), if the license has not been renewed on or before the expiration date of the license.
(4) A registration fee in an amount not to exceed twenty dollars ($20.00) plus any fees charged to the board for background checks by the State Bureau of Investigation.
(5) A fee for reregistration of an employee who changes employment to another licensee, not to exceed ten dollars ($10.00).
(6) A branch office certificate fee not to exceed one hundred fifty dollars ($150.00).

BILL ANALYSIS: House Bill 1594 makes the following changes with regard to fees charged by the Alarm Systems Licensing Board:

- **Increases the statutory maximum for a new or renewal license fee from $350 to $500.**

  A person must be licensed in order to engage in the alarm systems business in this State. The application process includes a criminal record check as well as a determination by the Board that the person has the necessary training, qualifications, and experience to be licensed. The applicant must also provide a certificate of liability insurance coverage. The Board has indicated that although it is seeking to raise the statutory cap, it has no plans to raise this fee at this time. However, the Board would like to have the authority to do so in the future if the need arises.

- **Increases the statutory maximum for the registration fee from $20 to $50.**

  All employees of a licensee must be registered with the Board. To register an employee, a licensee must submit a set of fingerprints, a recent photograph, and statements of any criminal records from each area where the employee has resided in the preceding 4 years. In 1992, G.S. 74D-8 was

amended to change the period of a registration permit from one to two years. The $20 registration fee, however, was not increased to coincide with the expanded registration period. The Board has indicated that it intends to increase this fee to $40.

- **Establishes a new fee not to exceed $100 for each reconsideration of a license or registration permit that has been filed or returned to the applicant for correctable errors.**

  The purpose of this new fee is to address the additional processing time required for applications that must be returned to applicants due to errors, omissions, missing documents, etc. According to the Board, they received approximately 4,800 "correctable" registration applications last year, 1,200 of which were alarm registration applications. Although this bill would set the maximum at $100, the Board is considering levying only a $25 fee for "correctable" registration applications and only a $50 fee for "correctable" license applications to help cover the staff costs for reviewing and processing applications for a second time.

BACKGROUND: The statutory maximums for these fees were last raised in 1992. This bill was introduced at the request of the Alarm Systems Licensing Board and is supported by the North Carolina Burglar and Fire Alarm Association.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Private Protective Services Section - Alarm Systems Licensing Board (Dept. of Justice)

EFFECTIVE DATE: When it becomes law.

BILL SUMMARY:
Amends GS 74D-7(e) to increase new or renewal license fee to $500 (was, $350) and registration fee to $50 (was, $20). Enacts new GS 74D-7(e)(7) authorizing additional fee of up to $100 for reconsideration of license or registration permits returned due to correctable errors.
Source: Bill Digest H.B. 1594 (05/20/2004)

ASSUMPTIONS AND METHODOLOGY:
The Alarm Systems Licensing Board and the Private Protective Services Board fall under the administration and oversight of the Private Protective Services Section (PPS) of the Department of Justice. These Boards are supported entirely by receipts received from the industries they regulate. They share a joint operating budget with annual expenditures of approximately $1.4 million; each Board also has a separate Recovery Fund account.

In 2002, the Office of State Budget and Management transferred $200,000 from the operating budget of these Boards to the General Fund to help address the budget shortfall. In the past three years, average expenditures have exceeded average revenues – in FY 2002-03, expenditures exceeded revenue by $145,000. Average monthly expenditures were $121,047 this year, compared to average monthly revenues of $111,071. The Private Protective Services Board has increased its fees, which were not at the statutory maximums, to raise additional revenue. The

Alarm Services Licensure Board already charges the maximum fees in statute, and thus would require legislative authority to raise its fees.

In addition, the Alarm Board has identified what it believes to be an error in the General Statutes. In 1992, G.S. 74D was amended to change the period of a registration permit from one to two years. The registration fee was $20 by statute, and was not increased to coincide with the longer registration term. This legislation would authorize the Board to increase the registration fee up to $50. It is the Board's intention to increase the fee from $20 to $40, which is projected to generate an additional $140,000 over the two-year period, or an average of $70,000 per year (7,000 applications per two-year period). This amount, along with increases in Private Protective Services (PPS) fees that have already been implemented, is expected to bring revenue even with operating expenditures. If the Board increased the fee to $50, the average increase in revenue would be $105,000 per year.

This bill also includes an increase in the licensing fees from $350 to $500. The Board states that it has pledged to the Burglar & Fire Alarm Association that it will not implement any increases presently, and is requesting the authority to increase fees in case it needs to do so in the future. The Board receives approximately 850 applications over two years, so the fee increase, if implemented, would generate approximately $127,500 over two years, or an average of $63,750 per year.

The Bill also includes a "reconsideration fee" not to exceed $100. The Board requested this fee to address the issue of applications submitted that must be returned to the applicant due to errors, missing documents, or other reasons, and must then be processed by staff a second time. During the past year, there were 1,200 "correctable" Alarm registration applications. The Board has not made a final decision on what amount might be assessed, but is considering $25 for registration applications and $50 for license applications. The Board estimates that there will be approximately 1,000 registration returns and 50 license application returns per year. At the maximum proposed under this bill, the fee would generate approximately $105,000 per year. At the levels anticipated by the Board, the fees would generate approximately $27,500 per year.

Please note: The amounts in the box on page 1 assume the Board's planned or considered increases for the first two years, and the maximum allowable increases for the next three years.

HOUSE BILL 1354
PROPOSED COMMITTEE SUBSTITUTE H1354-CSSA-23 [v.3]

6/16/2004 3:55:02 PM

Short Title: Strengthen Domestic Violence Laws. (Public)

Sponsors:

Referred to:

May 11, 2004

A BILL TO BE ENTITLED

AN ACT TO STRENGTHEN THE LAWS AGAINST DOMESTIC VIOLENCE, TO PROVIDE ADDITIONAL ASSISTANCE TO DOMESTIC VIOLENCE VICTIMS, AND TO MAKE OTHER CHANGES AS RECOMMENDED BY THE HOUSE SELECT COMMITTEE ON DOMESTIC VIOLENCE.

The General Assembly of North Carolina enacts:

PART I. DOMESTIC VIOLENCE OFFENDER TREATMENT

SECTION 1.1. G.S. 15A-1343 reads as rewritten:

"**§ 15A-1343. Conditions of probation.**

(a) In General. – The court may impose conditions of probation reasonably necessary to insure that the defendant will lead a law-abiding life or to assist him to do so.

(b) Regular Conditions. – As regular conditions of probation, a defendant must:

(1) Commit no criminal offense in any jurisdiction.

(2) Remain within the jurisdiction of the court unless granted written permission to leave by the court or his probation officer.

(3) Report as directed by the court or his probation officer to the officer at reasonable times and places and in a reasonable manner, permit the officer to visit him at reasonable times, answer all reasonable inquiries by the officer and obtain prior approval from the officer for, and notify the officer of, any change in address or employment.

(4) Satisfy child support and other family obligations as required by the court. If the court requires the payment of child support, the amount of the payments shall be determined as provided in G.S. 50-13.4(c).

(5) Possess no firearm, explosive device or other deadly weapon listed in G.S. 14-269 without the written permission of the court.

(6) Pay a supervision fee as specified in subsection (c1).

(7) Remain gainfully and suitably employed or faithfully pursue a course of study or of vocational training that will equip him for suitable employment. A defendant pursuing a course of study or of vocational training shall abide by all of the rules of the institution providing the education or training, and the probation officer shall forward a copy of the probation judgment to that institution and request to be notified of any violations of institutional rules by the defendant.

(8) Notify the probation officer if he fails to obtain or retain satisfactory employment.

(9) Pay the costs of court, any fine ordered by the court, and make restitution or reparation as provided in subsection (d).

(10) Pay the State of North Carolina for the costs of appointed counsel, public defender, or appellate defender to represent him in the case(s) for which he was placed on probation.

(11) At a time to be designated by his probation officer, visit with his probation officer a facility maintained by the Division of Prisons.

(12) Attend and complete an abuser treatment program if (i) the court finds the defendant is responsible for acts of domestic violence and (ii) there is a program, approved by the Domestic Violence Commission, reasonably available to the defendant, unless the court finds that such would not be in the best interests of justice.

In addition to these regular conditions of probation, a defendant required to serve an active term of imprisonment as a condition of special probation pursuant to G.S. 15A-1344(e) or G.S. 15A-1351(a) shall, as additional regular conditions of probation, obey the rules and regulations of the Department of Correction governing the conduct of inmates while imprisoned and report to a probation officer in the State of North Carolina within 72 hours of his discharge from the active term of imprisonment.

Regular conditions of probation apply to each defendant placed on supervised probation unless the presiding judge specifically exempts the defendant from one or more of the conditions in open court and in the judgment of the court. It is not necessary for the presiding judge to state each regular condition of probation in open court, but the conditions must be set forth in the judgment of the court.

Defendants placed on unsupervised probation are subject to the provisions of this subsection, except that defendants placed on unsupervised probation are not subject to the regular conditions contained in subdivisions (2), (3), (6), (8), and (11).

(b1) Special Conditions. – In addition to the regular conditions of probation specified in subsection (b), the court may, as a condition of probation, require that during the probation the defendant comply with one or more of the following special conditions:

(1) Undergo available medical or psychiatric treatment and remain in a specified institution if required for that purpose.

(2) Attend or reside in a facility providing rehabilitation, counseling, treatment, social skills, or employment training, instruction, recreation, or residence for persons on probation.

(2a) Repealed by Session Laws 2002, ch. 126, s. 17.18, effective August 15, 2002.

(2b) Participate in and successfully complete a Drug Treatment Court Program pursuant to Article 62 of Chapter 7A of the General Statutes.

(3) Submit to imprisonment required for special probation under G.S. 15A-1351(a) or G.S. 15A-1344(e).

(3a) Repealed by Session Laws 1997-57, s. 3.

(3b) Submit to supervision by officers assigned to the Intensive Supervision Program established pursuant to G.S. 143B-262(c), and abide by the rules adopted for that Program. Unless otherwise ordered by the court, intensive supervision also requires multiple contacts by a probation officer per week, a specific period each day during which the offender must be at his or her residence, and that the offender remain gainfully and suitably employed or faithfully pursue a course of study or of vocational training that will equip the offender for suitable employment.

(3c) Remain at his or her residence unless the court or the probation officer authorizes the offender to leave for the purpose of employment, counseling, a course of study, or vocational training. The offender shall be required to wear a device which permits the supervising agency to monitor the offender's compliance with the condition electronically.

(4) Surrender his or her driver's license to the clerk of superior court, and not operate a motor vehicle for a period specified by the court.

(5) Compensate the Department of Environment and Natural Resources or the North Carolina Wildlife Resources Commission, as the case may be, for the replacement costs of any marine and estuarine resources or any wildlife resources which were taken, injured, removed, harmfully altered, damaged or destroyed as a result of a criminal offense of which the defendant was convicted. If any investigation is required by officers or agents of the Department of Environment and Natural Resources or the Wildlife Resources Commission in determining the extent of the destruction of resources involved, the court may include compensation of the agency for investigative costs as a condition of probation. This subdivision does not apply in any case governed by G.S. 143-215.3(a)(7).

(6) Perform community or reparation service and pay any fee required by law or ordered by the court for participation in the community or reparation service program.

(7) Submit at reasonable times to warrantless searches by a probation officer of his or her person and of his or her vehicle and premises while the probationer is present, for purposes specified by the court and reasonably related to his or her probation supervision, but the probationer may not be required to submit to any other search that

would otherwise be unlawful. Whenever the warrantless search consists of testing for the presence of illegal drugs, the probationer may also be required to reimburse the Department of Correction for the actual cost of drug screening and drug testing, if the results are positive.

(8) Not use, possess, or control any illegal drug or controlled substance unless it has been prescribed for him or her by a licensed physician and is in the original container with the prescription number affixed on it; not knowingly associate with any known or previously convicted users, possessors or sellers of any such illegal drugs or controlled substances; and not knowingly be present at or frequent any place where such illegal drugs or controlled substances are sold, kept, or used.

(8a) Purchase the least expensive annual statewide license or combination of licenses to hunt, trap, or fish listed in G.S. 113-270.2, 113-270.3, 113-270.5, 113-271, 113-272, and 113-272.2 that would be required to engage lawfully in the specific activity or activities in which the defendant was engaged and which constitute the basis of the offense or offenses of which he was convicted.

(9) If the offense is one in which there is evidence of physical, mental or sexual abuse of a minor, the court should encourage the minor and the minor's parents or custodians to participate in rehabilitative treatment and may order the defendant to pay the cost of such treatment.

~~(9a) Attend and complete an abuser treatment program if (i) the court finds the defendant is responsible for acts of domestic violence and (ii) the program is approved by the Domestic Violence Commission.~~

(10) Satisfy any other conditions determined by the court to be reasonably related to his rehabilitation.

(b2) Special Conditions of Probation for Sex Offenders and Persons Convicted of Offenses Involving Physical, Mental, or Sexual Abuse of a Minor. – As special conditions of probation, a defendant who has been convicted of an offense which is a reportable conviction as defined in G.S. 14-208.6(4), or which involves the physical, mental, or sexual abuse of a minor, must:

(1) Register as required by G.S. 14-208.7 if the offense is a reportable conviction as defined by G.S. 14-208.6(4).

(2) Participate in such evaluation and treatment as is necessary to complete a prescribed course of psychiatric, psychological, or other rehabilitative treatment as ordered by the court.

(3) Not communicate with, be in the presence of, or found in or on the premises of the victim of the offense.

(4) Not reside in a household with any minor child if the offense is one in which there is evidence of sexual abuse of a minor.

(5) Not reside in a household with any minor child if the offense is one in which there is evidence of physical or mental abuse of a minor, unless

the court expressly finds that it is unlikely that the defendant's harmful or abusive conduct will recur and that it would be in the minor child's best interest to allow the probationer to reside in the same household with a minor child.

(6) Satisfy any other conditions determined by the court to be reasonably related to his rehabilitation.

Defendants subject to the provisions of this subsection shall not be placed on unsupervised probation.

(b3) Screening and Assessing for Chemical Dependency. – A defendant ordered to submit to a period of residential treatment in the Drug Alcohol Recovery Treatment program (DART) operated by the Department of Correction must undergo a screening to determine chemical dependency. If the screening indicates the defendant is chemically dependent, the court shall order an assessment to determine the appropriate level of treatment. The assessment may be conducted either before or after the court imposes the condition, but participation in the program shall be based on the results of the assessment.

(c) Statement of Conditions. – A defendant released on supervised probation must be given a written statement explicitly setting forth the conditions on which he is being released. If any modification of the terms of that probation is subsequently made, he must be given a written statement setting forth the modifications.

(c1) Supervision Fee. – Any person placed on supervised probation pursuant to subsection (a) of this section shall pay a supervision fee of thirty dollars ($30.00) per month, unless exempted by the court. The court may exempt a person from paying the fee only for good cause and upon written motion of the person placed on supervised probation. No person shall be required to pay more than one supervision fee per month. The court may require that the fee be paid in advance or in a lump sum or sums, and a probation officer may require payment by such methods if he is authorized by subsection (g) to determine the payment schedule. Supervision fees must be paid to the clerk of court for the county in which the judgment was entered or the deferred prosecution agreement was filed. Fees collected under this subsection shall be transmitted to the State for deposit into the State's General Fund.

(d) Restitution as a Condition of Probation. – As a condition of probation, a defendant may be required to make restitution or reparation to an aggrieved party or parties who shall be named by the court for the damage or loss caused by the defendant arising out of the offense or offenses committed by the defendant. When restitution or reparation is a condition imposed, the court shall take into consideration the factors set out in G.S. 15A-1340.35 and G.S. 15A-1340.36. As used herein, "reparation" shall include but not be limited to the performing of community services, volunteer work, or doing such other acts or things as shall aid the defendant in his rehabilitation. As used herein "aggrieved party" includes individuals, firms, corporations, associations, other organizations, and government agencies, whether federal, State or local, including the Crime Victims Compensation Fund established by G.S. 15B-23. A government agency may benefit by way of reparation even though the agency was not a party to the crime provided that when reparation is ordered, community service work shall be rendered

only after approval has been granted by the owner or person in charge of the property or premises where the work will be done.

(e) Costs of Court and Appointed Counsel. – Unless the court finds there are extenuating circumstances, any person placed upon supervised or unsupervised probation under the terms set forth by the court shall, as a condition of probation, be required to pay all court costs and costs for appointed counsel or public defender in the case in which he was convicted. The cost of appointed counsel or public defender services shall be determined in accordance with rules adopted by the Office of Indigent Defense Services. The court shall determine the amount of those costs to be repaid and the method of payment.

(f) Repealed by Session Laws 1983, c. 561, s. 5.

(g) Probation Officer May Determine Payment Schedules. – If a person placed on supervised probation is required as a condition of that probation to pay any moneys to the clerk of superior court, the court may delegate to a probation officer the responsibility to determine the payment schedule. The court may also authorize the probation officer to transfer the person to unsupervised probation after all the moneys are paid to the clerk. If the probation officer transfers a person to unsupervised probation, he must notify the clerk of that action."

SECTION 1.2. G.S. 143B-262 is amended by adding a new subsection to read:

"(e) The Department, in consultation with the Domestic Violence Commission, and in accordance with established best practices, shall establish a domestic violence treatment program for offenders sentenced to a term of imprisonment in the custody of the Department and whose official record includes a finding by the court that the offender committed acts of domestic violence.

The Department shall ensure that inmates, whose record includes a finding by the court that the offender committed acts of domestic violence, complete a domestic violence treatment program prior to the completion of the period of incarceration, unless other requirements, deemed critical by the Department, prevent program completion. In the event an inmate does not complete the program during the period of incarceration, the Department shall document, in the inmate's official record, specific reasons why that particular inmate did not or was not able to complete the program."

SECTION 1.3. This part becomes effective December 1, 2004, and applies to offenses committed on or after that date.

PART II. DOMESTIC VIOLENCE TRAINING FOR LAW ENFORCEMENT

SECTION 2.1. G.S. 17C-6(a)(2) reads as rewritten:

"(a) In addition to powers conferred upon the Commission elsewhere in this Chapter, the Commission shall have the following powers, which shall be enforceable through its rules and regulations, certification procedures, or the provisions of G.S. 17C-10:

...

(2) Establish minimum educational and training standards that must be met in order to qualify for entry level employment and retention as a criminal justice officer in temporary or probationary status or in a

permanent position. The standards for entry level employment shall include education and training in response to, and investigation of, domestic violence cases, as well as training in investigation for evidence-based prosecutions."

SECTION 2.2. The North Carolina Criminal Justice Education and Training Standards Commission shall ensure that the domestic violence education and training required by Section 2.1 of this part is incorporated into all Basic Law Enforcement Training (BLET) courses as soon as practicable. However, the domestic violence education and training shall be part of the required BLET curriculum no later than March 1, 2005.

SECTION 2.3. G.S. 17C-6(a)(14) reads as rewritten:

"(a) In addition to powers conferred upon the Commission elsewhere in this Chapter, the Commission shall have the following powers, which shall be enforceable through its rules and regulations, certification procedures, or the provisions of G.S. 17C-10:

...

(14) Establish minimum standards for in-service training for criminal justice officers. In-service training standards shall include training in response to, and investigation of, domestic violence cases, as well as training investigation for evidence-based prosecutions."

SECTION 2.4. The North Carolina Criminal Justice Education and Training Standards Commission shall ensure that the domestic violence in-service training required by Section 2.3 of this part is available no later than March 1, 2005.

SECTION 2.5. G.S. 17C-6(a) is amended by adding a new subdivision to read:

"(15) Establish minimum standards and levels of training for certification of instructors for the domestic violence training required by subdivisions (2) and (14) of this subsection."

SECTION 2.6. The North Carolina Criminal Justice Education and Training Standards Commission shall ensure that the standards and training required for certification under Section 2.5 of this part are implemented no later than March 1, 2005.

SECTION 2.7. G.S. 17E-4(a)(2) reads as rewritten:

"(a) The Commission shall have the following powers, duties, and responsibilities, which are enforceable through its rules and regulations, certification procedures, or the provisions of G.S. 17E-8 and G.S. 17E-9:

...

(2) Establish minimum educational and training standards that may be met in order to qualify for entry level employment as an officer in temporary or probationary status or in a permanent ~~position;~~ position. The standards for entry level employment of officers shall include training in response to, and investigation of, domestic violence cases, as well as training in investigation for evidence-based prosecutions. For purposes of the domestic violence training requirement, the term 'officers' shall include justice officers as defined in G.S. 17E-2(3)a.,

except that the term shall not include 'special deputy sheriffs' as defined in G.S. 17E-2(3)a.;".

SECTION 2.8. The North Carolina Sheriffs' Education and Training Standards Commission shall ensure that the domestic violence education and training required by Section 2.7 of this part is incorporated into all Basic Law Enforcement Training (BLET) courses as soon as practicable. However, the domestic violence education and training shall be part of the required BLET curriculum no later than March 1, 2005.

SECTION 2.9. G.S. 17E-4(a)(10) reads as rewritten:

"(10) Enter into contracts incident to the administration of its authority pursuant to this ~~Chapter.~~Chapter;".

SECTION 2.10. G.S. 17E-4(a) is amended by adding a new subdivision to read:

"(11) Establish minimum standards for in-service training for justice officers. In-service training standards shall include training in response to, and investigation of, domestic violence cases, as well as training in investigation for evidence-based prosecutions. For purposes of the domestic violence training requirement, the term 'justice officer' shall include those defined in G.S. 17E-2(3)a., except that the term shall not include 'special deputy sheriffs' as defined in G.S. 17E-2(3)a.;".

SECTION 2.11. The North Carolina Sheriffs' Education and Training Standards Commission shall ensure that the domestic violence in-service training required by Section 2.9 of this part is available no later than March 1, 2005.

SECTION 2.12. G.S. 17E-4(a) is amended by adding a new subdivision to read:

"(12) Establish minimum standards and levels of training for certification of instructors for the domestic violence training required by subdivisions (2) and (11) of this subsection."

SECTION 2.13. The North Carolina Sheriffs' Education and Training Standards Commission shall ensure that the standards and training required for certification under Section 2.11 of this part are implemented no later than March 1, 2005.

SECTION 2.14. The North Carolina Criminal Justice Education and Training Standards Commission and the North Carolina Sheriffs' Education and Training Standards Commission shall report to the General Assembly on or before March 1, 2005, on the exact standards implemented and the dates they were implemented.

SECTION 2.15. This part is effective when it becomes law.

PART III. STUDY OF ANTI-VIOLENCE EDUCATION IN SCHOOLS AND TRAINING FOR SCHOOL PERSONNEL

SECTION 3.1. The North Carolina Department of Public Instruction, in collaboration with the State Board of Education, shall study the issue of anti-violence programs in the schools. In studying this issue, the Department shall answer the following:

(1) How are schools currently addressing anti-violence in their curriculum;
(2) How do current curriculums vary at each grade level, K-12;
(3) Do currently used curriculums address physical violence and mental or verbal abuse, particularly instances of domestic and relationship violence;
(4) Should the State require every public school to have an anti-violence program of instruction incorporated into the curriculum;
(5) Should an anti-violence program be required at every grade level;
(6) What would be an appropriate curriculum for each grade level;
(7) What minimum requirements should be present in an appropriate curriculum to ensure that the curriculum addresses physical violence, mental or verbal abuse, and domestic and relationship violence;
(8) Should the State implement a particular anti-violence curriculum or allow individual schools to choose an appropriate curriculum from an approved list; and
(9) What is the fiscal impact of implementing an anti-violence program for all schools, including additional staffing needs, if any.

In studying this issue, the Department shall examine some of the anti-violence programs that are in use throughout the country. In addition to any other specific programs examined, the Department shall review in detail the "Second Step" program developed by the Committee for Children.

The Department shall make a preliminary report to the House Select Committee on Domestic Violence and to the Joint Legislative Education Oversight Committee no later than October 1, 2004, and a final report to the Joint Legislative Education Oversight Committee and the General Assembly on or before January 15, 2005.

SECTION 3.2. The North Carolina Department of Public Instruction, in collaboration with the State Board of Education, shall study training for school personnel dealing with students who are victims of physical violence and mental or verbal abuse, particularly instances of domestic violence and relationship violence. In studying this issue, the Department shall answer the following:

(1) What type of training is currently available and/or required for school personnel.
(2) Should training be required for school personnel.
(3) If training should be required, which school personnel should be required to receive the training.
(4) What type of training should be required.
(5) What is the fiscal impact of requiring school personnel to receive such training.

The Department shall make a preliminary report to the House Select Committee on Domestic Violence and to the Joint Legislative Education Oversight Committee no later than October 1, 2004, and a final report to the Joint Legislative

Education Oversight Committee and the General Assembly on or before January 15, 2005.

SECTION 3.3. This part is effective when it becomes law.

PART IV. LEGAL SERVICES FOR VICTIMS OF DOMESTIC VIOLENCE

SECTION 4.1. Chapter 7A of the General Statutes is amended by adding a new Article to read:

"Article 37B.

"Domestic Violence Victim Assistance Act.

"**§ 7A-474.6. Legislative findings and purpose.**

The General Assembly of North Carolina declares it to be its purpose to provide access to legal representation for domestic violence victims in certain kinds of civil matters. The General Assembly finds that such representation can best be provided in an efficient, effective, and economic manner through established legal services programs in this State.

"**§ 7A-474.7. Definitions.**

The following definitions shall apply throughout this Article, unless the context otherwise requires:

(1) "Domestic violence victim" means a resident of North Carolina that has been subjected to acts of domestic violence as defined in G.S. 50B-1. A resident is not required to seek a protective order under Chapter 50B of the General Statutes to qualify as a domestic violence victim under this Article.

(2) "Legal assistance" means the provision of any legal services, as defined by Chapter 84 of the General Statutes, consistent with this Article. Provided, that all legal services provided hereunder shall be performed consistently with the Rules of Professional Conduct promulgated by the North Carolina State Bar. Provided, further, that no funds appropriated under this Article shall be used for lobbying to influence the passage or defeat of any legislation before any municipal, county, state, or national legislative body.

(3) "Established legal services program" means the following not-for-profit corporations using State funds to serve the counties listed: Legal Aid Society of Northwest North Carolina, serving Davie, Forsyth, Iredell, Stokes, Surry, and Yadkin Counties; Pisgah Legal Services, serving Buncombe, Henderson, Madison, Polk, Rutherford, and Transylvania Counties; and Legal Aid of North Carolina; or any successor entity or entities of the named organizations, or, should any of the named organizations dissolve, the entity or entities providing substantially the same services in substantially the same service area.

"**§ 7A-474.8. Eligible activities and limitations.**

(a) Eligible Activities. – Funds appropriated under this Article shall be used only for the following purposes:

(1) To provide legal assistance to domestic violence victims;

(2) To provide education to domestic violence victims regarding their rights and duties under the law;

(3) To involve the private bar in the representation of domestic violence victims pursuant to this Article.

(b) Eligible Cases. – The funds shall be prioritized by each legal services program to serve the greatest number of eligible clients, with emphasis placed on representation of clients needing legal assistance with proceedings pursuant to Chapter 50B of the General Statutes. Legal assistance shall be provided to eligible clients under this Article only in the following types of cases:

(1) Actions for protective orders issued pursuant to Chapter 50B of the General Statutes;

(2) Child custody and visitation issues; and

(3) Legal services which ensure the safety of the client and the client's children.

(c) Limitations. – No funds appropriated under this Article shall be used for any of the following purposes:

(1) To provide legal assistance with respect to any criminal proceeding; or

(2) To provide legal assistance to any prisoner within the North Carolina Department of Correction with regard to the terms of that person's incarceration.

"**§ 7A-474.9. Funds.**

Funds to provide representation pursuant to this Article shall be provided to the North Carolina State Bar for provision of direct services by and support of the established legal services programs. The North Carolina State Bar shall allocate these funds directly to each of the established legal services programs with Pisgah Legal Services receiving the allocation for Buncombe, Henderson, Madison, Polk, Rutherford, and Transylvania Counties, and Legal Aid Society of Northwest North Carolina receiving the allocation for Davie, Forsyth, Iredell, Stokes, Surry, and Yadkin Counties. Funds shall be allocated to each program based on the counties served by that program using the following formula:

(1) Twenty percent (20%) based on a fixed equal dollar amount for each county;

(2) Eighty percent (80%) based on the rate of civil actions filed pursuant to Chapter 50B of the General Statutes in that county.

The North Carolina State Bar shall not use any of these funds for its administrative costs.

"**§ 7A-474.10. Records and reports.**

The established legal services programs shall keep appropriate records and make periodic reports, as requested, to the North Carolina State Bar. The North Carolina State Bar shall report annually to the General Assembly on the amount of the funds disbursed and the use of the funds by each legal services program receiving funds. The report to the General Assembly shall be made by January 15 of each year beginning January 15, 2006."

SECTION 4.2. G.S. 84-4.1 reads as rewritten:

"**§ 84-4.1. Limited practice of out-of-state attorneys.**

(a) Any attorney domiciled in another state, and regularly admitted to practice in the courts of record of that state and in good standing therein, having been retained as attorney for a party to any civil or criminal legal proceeding pending in the General Court of Justice of North Carolina, the North Carolina Utilities Commission, the North Carolina Industrial Commission, the Office of Administrative Hearings of North Carolina, or any administrative agency, may, on motion, be admitted to practice in that forum for the sole purpose of appearing for a client in the litigation. The motion required under this section shall be signed by the attorney and shall contain or be accompanied by:

(1) The attorney's full name, post-office address, bar membership number, and status as a practicing attorney in another state.

(2) A statement, signed by the client, setting forth the client's address and declaring that the client has retained the attorney to represent the client in the proceeding.

(3) A statement that unless permitted to withdraw sooner by order of the court, the attorney will continue to represent the client in the proceeding until the final determination thereof, and that with reference to all matters incident to the proceeding, the attorney agrees to be subject to the orders and amenable to the disciplinary action and the civil jurisdiction of the General Court of Justice and the North Carolina State Bar in all respects as if the attorney were a regularly admitted and licensed member of the Bar of North Carolina in good standing.

(4) A statement that the state in which the attorney is regularly admitted to practice grants like privileges to members of the Bar of North Carolina in good standing.

(5) A statement to the effect that the attorney has associated and is personally appearing in the proceeding, with an attorney who is a resident of this State and is duly and legally admitted to practice in the General Court of Justice of North Carolina, upon whom service may be had in all matters connected with the legal proceedings, or any disciplinary matter, with the same effect as if personally made on the foreign attorney within this State.

(6) A statement accurately disclosing a record of all that attorney's disciplinary history. Discipline shall include (i) public discipline by any court or lawyer regulatory organization, and (ii) revocation of any pro hac vice admission.

(7) A fee in the amount of one hundred dollars ($100.00).

Compliance with the foregoing requirements does not deprive the court of the discretionary power to allow or reject the application.

(b) Fees collected under this section shall be remitted to the North Carolina State Bar for the provision of services described in G.S. 7A-474.9."

SECTION 4.3. Section 4.1 of this part is effective when it becomes law. Section 4.2 of this part becomes effective July 1, 2004, and applies to all motions filed on or after that date. The remainder of this part is effective when it becomes law.

PART V. ADDITIONAL FUNDING FOR VICTIM SERVICES

SECTION 5.1. There is appropriated from the General Fund to the Department of Administration, to be credited to the Domestic Violence Center Fund established under G.S. 50B-9, the sum of two million dollars ($2,000,000) for the 2004-2005 fiscal year. It is the intent of the General Assembly that this become a recurring appropriation.

SECTION 5.2. This part becomes effective July 1, 2004.

PART VI. DOMESTIC VIOLENCE ADVOCATES ON CHILD FATALITY TASK FORCE

SECTION 6.1. G.S. 7B-1402 reads as rewritten:

"**§ 7B-1402. Task Force – creation; membership; vacancies.**

(a) There is created the North Carolina Child Fatality Task Force within the Department of Health and Human Services for budgetary purposes only.

(b) The Task Force shall be composed of 35 members, 11 of whom shall be ex officio members, four of whom shall be appointed by the Governor, 10 of whom shall be appointed by the Speaker of the House of Representatives, and 10 of whom shall be appointed by the President Pro Tempore of the Senate. The ex officio members other than the Chief Medical Examiner shall be nonvoting members and may designate representatives from their particular departments, divisions, or offices to represent them on the Task Force. The members shall be as follows:

(1) The Chief Medical Examiner;
(2) The Attorney General;
(3) The Director of the Division of Social Services;
(4) The Director of the State Bureau of Investigation;
(5) The Director of the Division of Maternal and Child Health of the Department of Health and Human Services;
(6) The Director of the Governor's Youth Advocacy and Involvement Office;
(7) The Superintendent of Public Instruction;
(8) The Chairman of the State Board of Education;
(9) The Director of the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services;
(10) The Secretary of the Department of Health and Human Services;
(11) The Director of the Administrative Office of the Courts;
(12) A director of a county department of social services, appointed by the Governor upon recommendation of the President of the North Carolina Association of County Directors of Social Services;
(13) A representative from a Sudden Infant Death Syndrome counseling and education program, appointed by the Governor upon recommendation of the Director of the Division of Maternal and Child Health of the Department of Health and Human Services;

(14) A representative from the North Carolina Child Advocacy Institute, appointed by the Governor upon recommendation of the President of the Institute;

(15) A director of a local department of health, appointed by the Governor upon the recommendation of the President of the North Carolina Association of Local Health Directors;

(16) A representative from a private group, other than the North Carolina Child Advocacy Institute, that advocates for children, appointed by the Speaker of the House of Representatives upon recommendation of private child advocacy organizations;

(17) A pediatrician, licensed to practice medicine in North Carolina, appointed by the Speaker of the House of Representatives upon recommendation of the North Carolina Pediatric Society;

(18) A representative from the North Carolina League of Municipalities, appointed by the Speaker of the House of Representatives upon recommendation of the League;

(18a) A representative from the North Carolina Domestic Violence Commission, appointed by the Speaker of the House of Representatives upon recommendation of the Director of the Commission;

(19) ~~Two public members,~~One public member, appointed by the Speaker of the House of Representatives;

(20) A county or municipal law enforcement officer, appointed by the President Pro Tempore of the Senate upon recommendation of organizations that represent local law enforcement officers;

(21) A district attorney, appointed by the President Pro Tempore of the Senate upon recommendation of the President of the North Carolina Conference of District Attorneys;

(22) A representative from the North Carolina Association of County Commissioners, appointed by the President Pro Tempore of the Senate upon recommendation of the Association;

(22a) A representative from the North Carolina Coalition Against Domestic Violence, appointed by the President Pro Tempore of the Senate upon recommendation of the Executive Director of the Coalition;

(23) ~~Two public members,~~One public member, appointed by the President Pro Tempore of the Senate; and

(24) Five members of the Senate, appointed by the President Pro Tempore of the Senate, and five members of the House of Representatives, appointed by the Speaker of the House of Representatives.

(c) All members of the Task Force are voting members. Vacancies in the appointed membership shall be filled by the appointing officer who made the initial appointment. Terms shall be two years. The members shall elect a chair who shall preside for the duration of the chair's term as member. In the event a vacancy occurs in

the chair before the expiration of the chair's term, the members shall elect an acting chair to serve for the remainder of the unexpired term."

SECTION 6.2. The public members serving on the Child Fatality Task Force on the effective date of this act shall complete their current terms. The new appointments contained in Section 1 of this act shall take effect at the end of those terms.

SECTION 6.3. This part is effective when it becomes law.

PART VII. STUDY OF MENTAL HEALTH SERVICES FOR DOMESTIC VIOLENCE VICTIMS

SECTION 7.1. The Department of Health and Human Services shall study and develop a plan for serving clients of domestic violence programs with mental health and substance abuse service needs. The plan will address providing diagnostic and referral services for any client suspected of having a mental illness or a substance abuse problem. The plan will also address the delivery of appropriate services to clients meeting the target population criteria, as defined in the State Plan developed pursuant to G.S. 122C-102. Services must be best practices, as determined by the Department. The Department will consult various stakeholders in the domestic violence network of organizations. The Department will also consider the delivery of services to children identified through domestic violence programs. The Department shall also consider the fiscal impact, if any, of implementing the plan developed pursuant to this study.

The Department shall make a preliminary report to the House Select Committee on Domestic Violence and the Joint Legislative Oversight Committee on Mental Health, Developmental Disabilities and Substance Abuse Services no later than October 1, 2004, and a final report to the Joint Legislative Oversight Committee on Mental Health, Developmental Disabilities and Substance Abuse Services and the General Assembly on or before January 15, 2005.

SECTION 7.2. This part is effective when it becomes law.

PART VIII. STUDY OF CLE CREDIT FOR PRO BONO LEGAL REPRESENTATION

SECTION 8.1. The North Carolina State Bar, in cooperation with the North Carolina Bar Association, shall study the issue of providing Continuing Legal Education (CLE) credit to active attorneys for providing pro bono legal representation. The Bar shall consider what types of pro bono legal representation, if any, should qualify for CLE credit and what administrative requirements would be necessary to provide such credit. The Bar shall specifically look at the possible benefits of providing CLE credit for pro bono legal representation to domestic violence victims. The Bar shall also consider the fiscal impact, if any, of providing the credit.

The Bar shall make a preliminary report to the House Select Committee on Domestic Violence no later than October 1, 2004, and a final report to the General Assembly on or before January 15, 2005.

SECTION 8.2. This part is effective when it becomes law.

PART IX. DOMESTIC RELATIONSHIP AGGRAVATING FACTOR

SECTION 9.1. G.S. 15A-1340.16(d) reads as rewritten:

"(d) Aggravating Factors. – The following are aggravating factors:

(1) The defendant induced others to participate in the commission of the offense or occupied a position of leadership or dominance of other participants.

(2) The defendant joined with more than one other person in committing the offense and was not charged with committing a conspiracy.

(2a) The offense was committed for the benefit of, or at the direction of, any criminal street gang, with the specific intent to promote, further, or assist in any criminal conduct by gang members, and the defendant was not charged with committing a conspiracy. A "criminal street gang" means any ongoing organization, association, or group of three or more persons, whether formal or informal, having as one of its primary activities the commission of felony or violent misdemeanor offenses, or delinquent acts that would be felonies or violent misdemeanors if committed by an adult, and having a common name or common identifying sign, colors, or symbols.

(3) The offense was committed for the purpose of avoiding or preventing a lawful arrest or effecting an escape from custody.

(4) The defendant was hired or paid to commit the offense.

(5) The offense was committed to disrupt or hinder the lawful exercise of any governmental function or the enforcement of laws.

(6) The offense was committed against or proximately caused serious injury to a present or former law enforcement officer, employee of the Department of Correction, jailer, fireman, emergency medical technician, ambulance attendant, justice or judge, clerk or assistant or deputy clerk of court, magistrate, prosecutor, juror, or witness against the defendant, while engaged in the performance of that person's official duties or because of the exercise of that person's official duties.

(7) The offense was especially heinous, atrocious, or cruel.

(8) The defendant knowingly created a great risk of death to more than one person by means of a weapon or device which would normally be hazardous to the lives of more than one person.

(9) The defendant held public office at the time of the offense and the offense related to the conduct of the office.

(10) The defendant was armed with or used a deadly weapon at the time of the crime.

(11) The victim was very young, or very old, or mentally or physically infirm, or handicapped.

(12) The defendant committed the offense while on pretrial release on another charge.

(13) The defendant involved a person under the age of 16 in the commission of the crime.

(14) The offense involved an attempted or actual taking of property of great monetary value or damage causing great monetary loss, or the offense involved an unusually large quantity of contraband.

(15) The defendant took advantage of a position of trust or ~~confidence~~ confidence, including a domestic relationship, to commit the offense.
(16) The offense involved the sale or delivery of a controlled substance to a minor.
(17) The offense for which the defendant stands convicted was committed against a victim because of the victim's race, color, religion, nationality, or country of origin.
(18) The defendant does not support the defendant's family.
(18a) The defendant has previously been adjudicated delinquent for an offense that would be a Class A, B1, B2, C, D, or E felony if committed by an adult.
(19) The serious injury inflicted upon the victim is permanent and debilitating.
(20) Any other aggravating factor reasonably related to the purposes of sentencing.

Evidence necessary to prove an element of the offense shall not be used to prove any factor in aggravation, and the same item of evidence shall not be used to prove more than one factor in aggravation. Evidence necessary to establish that an enhanced sentence is required under G.S. 15A-1340.16A may not be used to prove any factor in aggravation.

The judge shall not consider as an aggravating factor the fact that the defendant exercised the right to a jury trial."

SECTION 9.2. This part is effective December 1, 2004, and applies to offenses committed on or after that date.

PART X. CREATE STRANGULATION OFFENSE

SECTION 10.1. G.S. 14-32.4 reads as rewritten:

"**§ 14-32.4. Assault inflicting serious bodily ~~injury.~~injury; strangulation; penalties.**

(a) Unless the conduct is covered under some other provision of law providing greater punishment, any person who assaults another person and inflicts serious bodily injury is guilty of a Class F felony. "Serious bodily injury" is defined as bodily injury that creates a substantial risk of death, or that causes serious permanent disfigurement, coma, a permanent or protracted condition that causes extreme pain, or permanent or protracted loss or impairment of the function of any bodily member or organ, or that results in prolonged hospitalization.

(b) Unless the conduct is covered under some other provision of law providing greater punishment, any person who assaults another person and inflicts physical injury by strangulation is guilty of a Class H felony."

SECTION 10.2. This part becomes effective December 1, 2004, and applies to offenses committed on or after that date.

PART XI. AMEND HABITUAL MISDEMEANOR ASSAULT STATUTE

SECTION 11.1. G.S. 14-33.2 reads as rewritten:

"**§ 14-33.2. Habitual misdemeanor assault.**

A person commits the offense of habitual misdemeanor assault if that person violates any of the provisions of ~~G.S. 14-33(c) or G.S. 14-34~~G.S. 14-33 and causes physical

injury, or G.S. 14-34, and has two or more prior convictions for either misdemeanor or felony assault. ~~been convicted of five or more prior misdemeanor convictions, two of which were assaults.~~ A conviction under this section shall not be used as a prior conviction for any other habitual offense statute. A person convicted of violating this section is guilty of a Class H felony."

SECTION 11.2. This part is effective December 1, 2004, and applies to offenses committed on or after that date. Prosecutions for offenses committed before the effective date of this part are not abated or affected by this part, and the statutory provisions that would be applicable but for this part remain applicable to those prosecutions.

PART XII. DOMESTIC VIOLENCE OFFENSE TRACKING

SECTION 12.1. Article 86 of Chapter 15A of the General Statutes is amended by adding a new section to read:

"**§ 15A-1382.1. Reports of disposition; domestic violence; sentencing.**

(a) When a defendant is found guilty of an offense involving assault, or communicating a threat, the presiding judge shall determine whether the defendant and victim had a personal relationship. If the judge determines that there was a personal relationship between the defendant and the victim, then the judge shall indicate on the form reflecting the judgment that the case involved domestic violence. The clerk of court shall insure that the official record of the defendant's conviction includes the court's determination, so that any inquiry into the defendant's criminal record will reflect that the offense involved domestic violence.

(b) If the presiding judge determines that there was a personal relationship between the defendant and the victim, and a sentence to community punishment is imposed, the judge shall determine whether the defendant shall comply with one or more of the special conditions of probation set forth at G.S. 15A-1343(b1), in addition to any other authorized punishment. Notwithstanding the provisions of G.S. 15A-1340.11(6)c., the court may require the defendant to comply with the provisions of G.S. 15A-1343(b1)(3c).

(c) The following definitions apply to this section:

(1) "Personal relationship" is as defined in G.S. 50B-1(b).

(2) "An offense involving assault" includes any offense where an assault occurred, whether or not the conviction is for an offense under Article 8 of Chapter 14 of the General Statutes.

(3) "Inquiry" shall include any lawful review of the criminal records of persons convicted of an offense in this State, whether by law enforcement personnel or by private individuals."

SECTION 12.2. This part is effective December 1, 2004, and applies to offenses committed on or after that date.

PART XIII. AMEND PROBATION RULES

SECTION 13.1. G.S. 15A-1343.2 reads as rewritten:

"**§ 15A-1343.2. Special probation rules for persons sentenced under Article 81B.**

(a) Applicability. – This section applies only to persons sentenced under Article 81B of this Chapter.

(b) Purposes of Probation for Community and Intermediate Punishments. – The Department of Correction shall develop a plan to handle offenders sentenced to community and intermediate punishments. The probation program designed to handle these offenders shall have the following principal purposes: to hold offenders accountable for making restitution, to ensure compliance with the court's judgment, to effectively rehabilitate offenders by directing them to specialized treatment or education programs, and to protect the public safety.

(c) Probation Caseload Goals. – It is the goal of the General Assembly that, subject to the availability of funds, caseloads for probation officers supervising persons sentenced to community punishment should not exceed an average of 90 offenders per officer, and caseloads for offenders sentenced to intermediate punishments should not exceed an average of 60 offenders per officer by July 1, 1998.

(d) Lengths of Probation Terms Under Structured Sentencing. – Unless the court makes specific findings that longer or shorter periods of probation are necessary, the length of the original period of probation for offenders sentenced under Article 81B shall be as follows:

(1) For misdemeanants sentenced to community punishment, not less than six nor more than 18 months;

(2) For misdemeanants sentenced to intermediate punishment, not less than 12 nor more than 24 months;

(3) For felons sentenced to community punishment, not less than 12 nor more than 30 months; and

(4) For felons sentenced to intermediate punishment, not less than 18 nor more than 36 months.

If the court finds at the time of sentencing that a longer period of probation is necessary, that period may not exceed a maximum of five years, as specified in G.S. 15A-1342 and G.S. 15A-1351.

Extension. – The court may with the consent of the offender extend the original period of the probation if necessary to complete a program of restitution or to complete medical or psychiatric treatment ordered as a condition of probation. This extension may be for no more than three years, and may only be ordered in the last six months of the original period of probation.

(e) Delegation to Probation Officer in Community Punishment. – Unless the presiding judge specifically finds in the judgment of the court that delegation is not appropriate, the Division of Community Corrections in the Department of Correction may require an offender sentenced to community punishment to any of the following:

(1) Perform up to 20 hours of community service, and pay the fee prescribed by law for this ~~supervision;~~supervision.

(2) Report to the offender's probation officer on a frequency to be determined by the ~~officer; or~~officer.

(3) Submit to substance abuse assessment, monitoring or treatment.

(4) Submit to a curfew that requires the offender to remain in a specified place for a specified period each day and wear a device that permits

the offender's compliance with the condition to be monitored electronically.

If the Division imposes any of the above requirements, then it may subsequently reduce or remove those same requirements.

If the probation officer exercises authority delegated by the court pursuant to this subsection, the offender may file a motion with the court to review the action taken by the probation officer. The offender shall be given notice of the right to seek such a court review. The Division may exercise any authority delegated to it under this subsection only if it first determines that the offender has failed to comply with one or more of the conditions of probation imposed by the court.

(f) Delegation to Probation Officer in Intermediate Punishments. – Unless the presiding judge specifically finds in the judgment of the court that delegation is not appropriate, the Division of Community Corrections in the Department of Correction may require an offender sentenced to intermediate punishment to any of the following:

(1) Perform up to 50 hours of community service, and pay the fee prescribed by law for this ~~supervision;~~supervision.

(2) Submit to a curfew ~~which~~ that requires the offender to remain in a specified place for a specified period each day and wear a device that permits the offender's compliance with the condition to be monitored ~~electronically;~~electronically.

(3) Submit to substance abuse assessment, monitoring or ~~treatment;~~ ~~or~~treatment.

(4) Participate in an educational or vocational skills development program.

If the Division imposes any of the above requirements, then it may subsequently reduce or remove those same requirements.

If the probation officer exercises authority delegated to him or her by the court pursuant to this subsection, the offender may file a motion with the court to review the action taken by the probation officer. The offender shall be given notice of the right to seek such a court review. The Division may exercise any authority delegated to it under this subsection only if it first determines that the offender has failed to comply with one or more of the conditions of probation imposed by the court.

(g) Repealed by Session Laws 1993 (Reg. Sess., 1994), c. 19, s. 3.

(h) Definitions. – For purposes of this section, the definitions in G.S. 15A-1340.11 apply."

SECTION 13.2. This part becomes effective December 1, 2004, and applies to offenses committed on or after that date.

PART XIV. STUDY OF MISDEMEANOR OFFENSE CLASSIFICATIONS

SECTION 14.1. The General Assembly finds that the North Carolina Sentencing and Policy Advisory Commission has adopted formal criteria for classifying felony offenses. The Sentencing Commission has identified three general types of harms: harms to persons (including both physical and mental injury); harms to property; and (3) harms to society. The degrees of harm are divided into three levels:

(1) Injury to person, property, or society;

(2) Significant injury to person, property, or society, and

(3) Serious injury to person, property, or society. The stated purpose of establishing the criteria was "to create a rational and consistent philosophical basis for classifying offenses; to assure proportionality in severity; and to provide a guidepost for classifying new crimes in the future."

In contrast to the felony classification criteria, the Commission did not create classification criteria for misdemeanors. However, the current misdemeanor sentencing laws include an assault offense that has serious injury as an element – even though "serious injury to a person" is a category of harm for felony offense classification. The General Assembly finds that the classification of assault offenses that involve serious injury as misdemeanors is inconsistent with the Sentencing Commission's classification of felonies based on harm.

The North Carolina Sentencing and Policy Advisory Commission, pursuant to its statutory responsibilities under Article 4 of Chapter 164 of the General Statutes, shall study the classification of misdemeanor offenses. In particular, the Commission shall examine the classification of assault offenses in relation to property offenses, crimes against society, and felony assault offenses. The Commission shall develop a system for classifying misdemeanor offenses on the basis of their severity. The Commission may consider reclassifying existing offenses and creating new offenses in order to insure proportionality and consistency. The Commission shall report its findings and recommendations to the 2005 General Assembly, 2005 Regular Session. The report shall describe the status of the Commission's work, and shall include any completed policy recommendations and proposed legislation. The Commission shall make a final report to the 2005 General Assembly, 2006 Regular Session.

SECTION 14.2. This part is effective when it becomes law.

PART XV. WARRANTLESS ARREST FOR VIOLATION OF PRETRIAL RELEASE CONDITIONS

SECTION 15.1. G.S. 15A-401 reads as rewritten:

"**§ 15A-401. Arrest by law-enforcement officer.**

(a) Arrest by Officer Pursuant to a Warrant. –

(1) Warrant in Possession of Officer. – An officer having a warrant for arrest in his possession may arrest the person named or described therein at any time and at any place within the officer's territorial jurisdiction.

(2) Warrant Not in Possession of Officer. – An officer who has knowledge that a warrant for arrest has been issued and has not been executed, but who does not have the warrant in his possession, may arrest the person named therein at any time. The officer must inform the person arrested that the warrant has been issued and serve the warrant upon him as soon as possible. This subdivision applies even though the arrest process has been returned to the clerk under G.S. 15A-301.

(b) Arrest by Officer Without a Warrant. –

(1) Offense in Presence of Officer. – An officer may arrest without a warrant any person who the officer has probable cause to believe has committed a criminal offense in the officer's presence.

(2) Offense Out of Presence of Officer. – An officer may arrest without a warrant any person who the officer has probable cause to believe:

a. Has committed a felony; or

b. Has committed a misdemeanor, and:

1. Will not be apprehended unless immediately arrested, or

2. May cause physical injury to himself or others, or damage to property unless immediately arrested; or

c. Has committed a misdemeanor under G.S. 14-72.1, 14-134.3, 20-138.1, or 20-138.2; or

d. Has committed a misdemeanor under G.S. 14-33(a), 14-33(c)(1), 14-33(c)(2), or 14-34 when the offense was committed by a person with whom the alleged victim has a personal relationship as defined in G.S. 50B-1; ~~or~~

e. Has committed a misdemeanor under ~~G.S. 50B-4.1(a).~~G.S. 50B-4.1(a); or

f. Has violated a pretrial release order entered under G.S. 15A-534.1(a)(2).

(3) Repealed by Session Laws 1991, c. 150.

(4) A law enforcement officer may detain an individual arrested for violation of an order limiting freedom of movement or access issued pursuant to G.S. 130A-475 or G.S. 130A-145 in the area designated by the State Health Director or local health director pursuant to such order. The person may be detained in such area until the initial appearance before a judicial official pursuant to G.S. 15A-511 and G.S. 15A-534.5.

(c) How Arrest Made. –

(1) An arrest is complete when:

a. The person submits to the control of the arresting officer who has indicated his intention to arrest, or

b. The arresting officer, with intent to make an arrest, takes a person into custody by the use of physical force.

(2) Upon making an arrest, a law-enforcement officer must:

a. Identify himself as a law-enforcement officer unless his identity is otherwise apparent,

b. Inform the arrested person that he is under arrest, and

c. As promptly as is reasonable under the circumstances, inform the arrested person of the cause of the arrest, unless the cause appears to be evident.

(d) Use of Force in Arrest. –

(1) Subject to the provisions of subdivision (2), a law-enforcement officer is justified in using force upon another person when and to the extent that he reasonably believes it necessary:
a. To prevent the escape from custody or to effect an arrest of a person who he reasonably believes has committed a criminal offense, unless he knows that the arrest is unauthorized; or
b. To defend himself or a third person from what he reasonably believes to be the use or imminent use of physical force while effecting or attempting to effect an arrest or while preventing or attempting to prevent an escape.

(2) A law-enforcement officer is justified in using deadly physical force upon another person for a purpose specified in subdivision (1) of this subsection only when it is or appears to be reasonably necessary thereby:
a. To defend himself or a third person from what he reasonably believes to be the use or imminent use of deadly physical force;
b. To effect an arrest or to prevent the escape from custody of a person who he reasonably believes is attempting to escape by means of a deadly weapon, or who by his conduct or any other means indicates that he presents an imminent threat of death or serious physical injury to others unless apprehended without delay; or
c. To prevent the escape of a person from custody imposed upon him as a result of conviction for a felony.

Nothing in this subdivision constitutes justification for willful, malicious or criminally negligent conduct by any person which injures or endangers any person or property, nor shall it be construed to excuse or justify the use of unreasonable or excessive force.

(e) Entry on Private Premises or Vehicle; Use of Force. –

(1) A law-enforcement officer may enter private premises or a vehicle to effect an arrest when:
a. The officer has in his possession a warrant or order or a copy of the warrant or order for the arrest of a person, provided that an officer may utilize a copy of a warrant or order only if the original warrant or order is in the possession of a member of a law enforcement agency located in the county where the officer is employed and the officer verifies with the agency that the warrant is current and valid; or the officer is authorized to arrest a person without a warrant or order having been issued,
b. The officer has reasonable cause to believe the person to be arrested is present, and
c. The officer has given, or made reasonable effort to give, notice of his authority and purpose to an occupant thereof, unless there

is reasonable cause to believe that the giving of such notice would present a clear danger to human life.

(2) The law-enforcement officer may use force to enter the premises or vehicle if he reasonably believes that admittance is being denied or unreasonably delayed, or if he is authorized under subsection (e)(1)c to enter without giving notice of his authority and purpose.

(f) Use of Deadly Weapon or Deadly Force to Resist Arrest. –

(1) A person is not justified in using a deadly weapon or deadly force to resist an arrest by a law-enforcement officer using reasonable force, when the person knows or has reason to know that the officer is a law-enforcement officer and that the officer is effecting or attempting to effect an arrest.

(2) The fact that the arrest was not authorized under this section is no defense to an otherwise valid criminal charge arising out of the use of such deadly weapon or deadly force.

(3) Nothing contained in this subsection (f) shall be construed to excuse or justify the unreasonable or excessive force by an officer in effecting an arrest. Nothing contained in this subsection (f) shall be construed to bar or limit any civil action arising out of an arrest not authorized by this Article."

SECTION 15.2. This part becomes effective December 1, 2004, and applies to offenses committed on or after that date.

PART XVI. CONFORM STATE FIREARMS LAW TO FEDERAL LAW

SECTION 16.1. G.S. 14-415.1 reads as rewritten:

"**§ 14-415.1. Possession of firearms, etc., by felon prohibited.**

(a) It shall be unlawful for any person who has been convicted of a felony to purchase, own, possess, or have in his custody, care, or control any ~~handgun or other firearm~~ firearm~~with a barrel length of less than 18 inches or an overall length of less than 26 inches.~~ or any weapon of mass death and destruction as defined in G.S. 14-288.8(c). For the purposes of this section, a firearm is (i) any weapon, including a starter gun, which will or is designed to or may readily be converted to expel a projectile by the action of an explosive, or its frame or receiver, or (ii) any firearm muffler or firearm silencer.

Every person violating the provisions of this section shall be punished as a Class G felon.

~~Nothing in this subsection would prohibit the right of any person to have possession of a firearm within his own home or on his lawful place of business.~~

(b) Prior convictions which cause disentitlement under this section shall only include:

(1) Felony convictions in North Carolina that occur before, on, or after December 1, 1995; and

(2) Repealed by Session Laws 1995, c. 487, s. 3.

(3) Violations of criminal laws of other states or of the United States that occur before, on, or after December 1, 1995, and that are substantially

similar to the crimes covered in subdivision (1) which are punishable where committed by imprisonment for a term exceeding one year.

When a person is charged under this section, records of prior convictions of any offense, whether in the courts of this State, or in the courts of any other state or of the United States, shall be admissible in evidence for the purpose of proving a violation of this section. The term "conviction" is defined as a final judgment in any case in which felony punishment, or imprisonment for a term exceeding one year, as the case may be, is permissible, without regard to the plea entered or to the sentence imposed. A judgment of a conviction of the defendant or a plea of guilty by the defendant to such an offense certified to a superior court of this State from the custodian of records of any state or federal court shall be prima facie evidence of the facts so certified.

(c) The indictment charging the defendant under the terms of this section shall be separate from any indictment charging him with other offenses related to or giving rise to a charge under this section. An indictment which charges the person with violation of this section must set forth the date that the prior offense was committed, the type of offense and the penalty therefore, and the date that the defendant was convicted or plead guilty to such offense, the identity of the court in which the conviction or plea of guilty took place and the verdict and judgment rendered therein."

SECTION 16.2. This part becomes effective December 1, 2004, and applies to offenses committed on or after that date. Prosecutions for offenses committed before the effective date of this act are not abated or affected by this act, and the statutory provisions that would be applicable but for this act remain applicable to those prosecutions.

PART XVII. SPECIFICALLY ALLOW CROSS WARRANTS

SECTION 17.1. G.S. 15A-304 reads as rewritten:

"**§ 15A-304. Warrant for arrest.**

(a) Definition. – A warrant for arrest consists of a statement of the crime of which the person to be arrested is accused, and an order directing that the person so accused be arrested and held to answer to the charges made against him. It is based upon a showing of probable cause supported by oath or affirmation.

(b) When Issued. – A warrant for arrest may be issued, instead of or subsequent to a criminal summons, when it appears to the judicial official that the person named should be taken into custody. Circumstances to be considered in determining whether the person should be taken into custody may include, but are not limited to, failure to appear when previously summoned, facts making it apparent that a person summoned will fail to appear, danger that the person accused will escape, danger that there may be injury to person or property, or the seriousness of the offense.

(c) Statement of the Crime. – The warrant must contain a statement of the crime of which the person to be arrested is accused. No warrant for arrest, nor any arrest made pursuant thereto, is invalid because of any technicality of pleading if the statement is sufficient to identify the crime.

(d) Showing of Probable Cause. – A judicial official may issue a warrant for arrest only when he is supplied with sufficient information, supported by oath or affirmation, to make an independent judgment that there is probable cause to believe

that a crime has been committed and that the person to be arrested committed it. The information must be shown by one or more of the following:

(1) Affidavit;

(2) Oral testimony under oath or affirmation before the issuing official; or

(3) Oral testimony under oath or affirmation presented by a sworn law enforcement officer to the issuing official by means of an audio and video transmission in which both parties can see and hear each other. Prior to the use of audio and video transmission pursuant to this subdivision, the procedures and type of equipment for audio and video transmission shall be submitted to the Administrative Office of the Courts by the senior regular resident superior court judge and the chief district court judge for a judicial district or set of districts and approved by the Administrative Office of the Courts.

If the information is insufficient to show probable cause, the warrant may not be issued. A judicial official shall not refuse to issue a warrant for the arrest of a person solely because a prior warrant has been issued for the arrest of another person involved in the same matter.

(e) Order for Arrest. – The order for arrest must direct that a law-enforcement officer take the defendant into custody and bring him without unnecessary delay before a judicial official to answer to the charges made against him.

(f) Who May Issue. – A warrant for arrest, valid throughout the State, may be issued by:

(1) A Justice of the Supreme Court.

(2) A judge of the Court of Appeals.

(3) A judge of the superior court.

(4) A judge of the district court, as provided in G.S. 7A-291.

(5) A clerk, as provided in G.S. 7A-180 and 7A-181.

(6) A magistrate, as provided in G.S. 7A-273."

SECTION 17.2. This part is effective when it becomes law.

PART XVIII. CLARIFY NURSE'S PRIVILEGE

SECTION 18.1. G.S. 8-53.13 reads as rewritten:

"**§ 8-53.13. Nurse privilege.**

No person licensed pursuant to Article 9A of Chapter 90 of the General Statutes shall be required to disclose any information that may have been acquired in rendering professional nursing services, and which information was necessary to enable that person to render professional nursing services, except that the presiding judge of a superior or district court may compel disclosure if, in the court's opinion, disclosure is necessary to a proper administration of justice and disclosure is not prohibited by other statute or rule. Nothing in this section shall preclude the admission of otherwise admissible written or printed medical records in any judicial proceeding."

SECTION 18.2. G.S. 8-53.1 reads as rewritten:

"**§ 8-53.1. Physician-patient and nurse privilege waived in child abuse.**

Notwithstanding the provisions of G.S. ~~8-53,~~ 8-53 and G.S. 8-53.13, the physician-patient, or nurse privilege shall not be a ground for excluding evidence

regarding the abuse or neglect of a child under the age of 16 years or regarding an illness of or injuries to such child or the cause thereof in any judicial proceeding related to a report pursuant to the North Carolina Juvenile Code, Chapter 7B of the General Statutes of North Carolina."

SECTION 18.3. This part becomes effective December 1, 2004.

PART XIX. TEMPORARY CHILD CUSTODY IN DOMESTIC VIOLENCE HEARINGS

SECTION 19.1. G.S. 50-13.2(b) reads as rewritten:

"(b) An order for custody of a minor child may grant joint custody to the parents, exclusive custody to one person, agency, organization, or institution, or grant custody to two or more persons, agencies, organizations, or institutions. Any order for custody shall include such terms, including visitation, as will best promote the interest and welfare of the child. If the court finds that domestic violence has occurred, the court shall enter such orders that best protect the children and party who were the victims of domestic ~~violence.~~violence, in accordance with the provisions of G.S. 50B-3(a1)(1), (2), and (3). ~~Such orders may include a designation of time and place for the exchange of children away from the abused party, the participation of a third party, or supervised visitation.~~ If a party is absent or relocates with or without the children because of an act of domestic violence, the absence or relocation shall not be a factor that weighs against the party in determining custody or visitation. Absent an order of the court to the contrary, each parent shall have equal access to the records of the minor child involving the health, education, and welfare of the child."

SECTION 19.2. G.S. 50B-2 reads as rewritten:

"**§ 50B-2. Institution of civil action; motion for emergency relief; temporary ~~orders.~~ orders; temporary custody.**

(a) Any person residing in this State may seek relief under this Chapter by filing a civil action or by filing a motion in any existing action filed under Chapter 50 of the General Statutes alleging acts of domestic violence against himself or herself or a minor child who resides with or is in the custody of such person. Any aggrieved party entitled to relief under this Chapter may file a civil action and proceed pro se, without the assistance of legal counsel. The district court division of the General Court of Justice shall have original jurisdiction over actions instituted under this Chapter. No court costs shall be assessed for the filing, issuance, registration, or service of a protective order or petition for a protective order or witness subpoena in compliance with the Violence Against Women Act, 42 U.S.C. § 3796gg-5.

(b) Emergency Relief. – A party may move the court for emergency relief if he or she believes there is a danger of serious and immediate injury to himself or herself or a minor child. A hearing on a motion for emergency relief, where no ex parte order is entered, shall be held after five days' notice of the hearing to the other party or after five days from the date of service of process on the other party, whichever occurs first, provided, however, that no hearing shall be required if the service of process is not completed on the other party. If the party is proceeding pro se and does not request an ex parte hearing, the clerk shall set a date for hearing and issue a notice of hearing within the time periods provided in this subsection, and shall effect service of the

summons, complaint, notice, and other papers through the appropriate law enforcement agency where the defendant is to be served.

(c) Ex Parte Orders. – Prior to the hearing, if it clearly appears to the court from specific facts shown, that there is a danger of acts of domestic violence against the aggrieved party or a minor child, the court may enter ~~such~~ orders as it deems necessary to protect the aggrieved party or minor children from ~~such~~ those acts provided, however, that a temporary order for custody ex parte and prior to service of process and notice shall not be entered unless the court finds that the child is exposed to a substantial risk of ~~bodily~~ physical or emotional injury or sexual abuse. If the court finds that the child is exposed to a substantial risk of physical or emotional injury or sexual abuse, upon request of the aggrieved party, the court shall consider and may order the other party to stay away from a minor child, or to return a minor child to, or not remove a minor child from, the physical care of a parent or person in loco parentis, if the court finds that the order is in the best interests of the minor child and is necessary for the safety of the minor child. If the court determines that it is in the best interest of the minor child for the other party to have contact with the minor child or children, the court shall issue an order designed to protect the safety and well-being of the minor child and the aggrieved party. The order shall specify the terms of contact between the other party and the minor child and may include a specific schedule of time and location of exchange of the minor child, supervision by a third party or supervised visitation center, and any other conditions that will ensure both the well-being of the minor child and the aggrieved party. Upon the issuance of an ex parte order under this subsection, a hearing shall be held within 10 days from the date of issuance of the order or within seven days from the date of service of process on the other party, whichever occurs later. If an aggrieved party acting pro se requests ex parte relief, the clerk of superior court shall schedule an ex parte hearing with the district court division of the General Court of Justice within 72 hours of the filing for said relief, or by the end of the next day on which the district court is in session in the county in which the action was filed, whichever shall first occur. If the district court is not in session in said county, the aggrieved party may contact the clerk of superior court in any other county within the same judicial district who shall schedule an ex parte hearing with the district court division of the General Court of Justice by the end of the next day on which said court division is in session in that county. Upon the issuance of an ex parte order under this subsection, if the party is proceeding pro se, the Clerk shall set a date for hearing and issue a notice of hearing within the time periods provided in this subsection, and shall effect service of the summons, complaint, notice, order and other papers through the appropriate law enforcement agency where the defendant is to be served.

(c1) Ex Parte Orders by Authorized Magistrate. – The chief district court judge may authorize a magistrate or magistrates to hear any motions for emergency relief ex parte. Prior to the hearing, if the magistrate determines that at the time the party is seeking emergency relief ex parte the district court is not in session and a district court judge is not and will not be available to hear the motion for a period of four or more hours, the motion may be heard by the magistrate. If it clearly appears to the magistrate from specific facts shown that there is a danger of acts of domestic violence against the

aggrieved party or a minor child, the magistrate may enter ~~such~~ orders as it deems necessary to protect the aggrieved party or minor children from ~~such~~ those acts, except that a temporary order for custody ex parte and prior to service of process and notice shall not be entered unless the magistrate finds that the child is exposed to a substantial risk of ~~bodily~~ physical or emotional injury or sexual abuse. If the magistrate finds that the child is exposed to a substantial risk of physical or emotional injury or sexual abuse, upon request of the aggrieved party, the magistrate shall consider and may order the other party to stay away from a minor child, or to return a minor child to, or not remove a minor child from, the physical care of a parent or person in loco parentis, if the magistrate finds that the order is in the best interests of the minor child and is necessary for the safety of the minor child. If the magistrate determines that it is in the best interest of the minor child for the other party to have contact with the minor child or children, the magistrate shall issue an order designed to protect the safety and well-being of the minor child and the aggrieved party. The order shall specify the terms of contact between the other party and the minor child and may include a specific schedule of time and location of exchange of the minor child, supervision by a third party or supervised visitation center, and any other conditions that will ensure both the well-being of the minor child and the aggrieved party. An ex parte order entered under this subsection shall expire and the magistrate shall schedule an ex parte hearing before a district court judge by the end of the next day on which the district court is in session in the county in which the action was filed. Ex parte orders entered by the district court judge pursuant to this subsection shall be entered and scheduled in accordance with subsection (c) of this section.

(c2) The authority granted to authorized magistrates to award temporary child custody ~~to~~ pursuant to subsection (c1) of this section and pursuant to G.S. 50B-3(a)(4) is granted subject to custody rules to be established by the supervising chief district judge of each judicial district.

(d) Pro Se Forms. – The clerk of superior court of each county shall provide to pro se complainants all forms which are necessary or appropriate to enable them to proceed pro se pursuant to this section. The Clerk shall provide a supply of pro se forms to authorized magistrates who shall make the forms available to complainants seeking relief under subsection (c1) of this section."

SECTION 19.3. G.S. 50B-3(a)(4) reads as rewritten:

"**§ 50B-3. Relief.**

(a) The court, including magistrates as authorized under G.S. 50B-2(c1), may grant any protective order to bring about a cessation of acts of domestic violence. The orders may:

...

(4) Award temporary custody of minor children and establish temporary visitation ~~rights;~~rights pursuant to G.S. 50B-2 if the order is granted ex parte, and pursuant to subsection (a1) of this section if the order is granted after notice or service of process;"

..."

SECTION 19.4. G.S. 50B-3 is amended by adding the following new subsection to read:

"(a1) Upon the request of either party at a hearing after notice or service of process, the court shall consider and may award temporary custody of minor children and establish temporary visitation rights as follows:

(1) In awarding custody or visitation rights, the court shall base its decision on the best interests of the minor child with particular consideration given to the safety of the minor child.

(2) For purposes of determining custody and visitation issues, the court shall consider:

a. Whether the minor child was exposed to a substantial risk of physical or emotional injury or sexual abuse.

b. Whether the minor child was present during acts of domestic violence.

c. Whether a weapon was used or threatened to be used during any act of domestic violence.

d. Whether a party caused or attempted to cause serious bodily injury to the aggrieved party or the minor child.

e. Whether a party placed the aggrieved party or the minor child in reasonable fear of imminent serious bodily injury.

f. Whether a party caused an aggrieved party to engage involuntarily in sexual relations by force, threat, or duress.

g. Whether there is a pattern of abuse against an aggrieved party or the minor child.

h. Whether a party has abused or endangered the minor child during visitation.

i. Whether a party has used visitation as an opportunity to abuse or harass the aggrieved party.

j. Whether a party has improperly concealed or detained the minor child.

k. Whether a party has otherwise acted in a manner that is not in the best interest of the minor child.

(3) If the court awards custody, the court shall also consider whether visitation is in the best interest of the minor child. If ordering visitation, the court shall provide for the safety and well-being of the minor child and the safety of the aggrieved party. The court may consider any of the following:

a. Ordering an exchange of the minor child to occur in a protected setting or in the presence of an appropriate third party.

b. Ordering visitation supervised by an appropriate third party, or at a supervised visitation center or other approved agency.

c. Ordering the noncustodial parent to attend and complete, to the satisfaction of the court, an abuser treatment program as a condition of visitation.

d. Ordering either or both parents to abstain from possession or consumption of alcohol or controlled substances during the visitation or for 24 hours preceding an exchange of the minor child.

e. Ordering the noncustodial parent to pay the costs of supervised visitation.

f. Prohibiting overnight visitation.

g. Requiring a bond from the noncustodial parent for the return and safety of the minor child.

h. Ordering an investigation or appointment of a guardian ad litem or attorney for the minor child.

i. Imposing any other condition that is deemed necessary to provide for the safety and well-being of the minor child and the safety of the aggrieved party.

If the court grants visitation, the order shall specify dates and times for the visitation to take place or other specific parameters or conditions that are appropriate. A person, supervised visitation center, or other agency may be approved to supervise visitation after appearing in court or filing an affidavit accepting that responsibility and acknowledging accountability to the court.

(4) A temporary custody order entered pursuant to this Chapter shall be without prejudice and shall be for a fixed period of time not to exceed one year. Nothing in this section shall be construed to affect the right of the parties to a de novo hearing under Chapter 50 of the General Statutes. Any subsequent custody order entered under Chapter 50 of the General Statutes supersedes a temporary order issued pursuant to this Chapter."

SECTION 19.5. G.S. 50B-3(b) reads as rewritten:

"(b) Protective orders entered pursuant to this Chapter shall be for a fixed period of time not to exceed one year. The court may renew a protective order for a fixed period of time not to exceed one year, including an order that previously has been renewed, upon a motion by the aggrieved party filed before the expiration of the current ~~order.~~order: provided, however, that a temporary award of custody entered as part of a protective order may not be renewed to extend a temporary award of custody beyond the maximum one-year period. The court may renew a protective order for good cause. The commission of an act as defined in G.S. 50B-1(a) by the defendant after entry of the current order is not required for an order to be renewed. Protective orders entered, including consent orders, shall not be mutual in nature except where both parties file a claim and the court makes detailed findings of fact indicating that both parties acted as aggressors, that neither party acted primarily in self-defense, and that the right of each party to due process is preserved."

SECTION 19.6. This part becomes effective October 1, 2004, and applies to actions filed on or after that date.

PART XX. PROHIBIT EMPLOYMENT DISCRIMINATION AGAINST DOMESTIC VIOLENCE VICTIMS

SECTION 20.1. Chapter 50B of the General Statutes is amended by adding a new section to read:

"**§ 50B-5.5. Employment discrimination unlawful.**

No employer may discharge, demote, or deny a promotion or other benefit of employment to any employee for taking reasonable time off from work to obtain or attempt to obtain any relief provided by this Chapter. The employee shall notify the employer of the reason for taking time off at the time the request is made, and if practicable, shall make the request and state the reason in writing. If requested by the employer, the employee shall also provide documentation to the employer of the reason for taking time off. Documentation may include a copy of a protective order or other evidence that the employee has appeared in court. The Commissioner of Labor shall enforce the provisions of this section according to Article 21 of Chapter 95 of the General Statutes, including the rules and regulations issued pursuant to that Article."

SECTION 20.2. G.S. 95-241(a) reads as rewritten:

"(a) No person shall discriminate or take any retaliatory action against an employee because the employee in good faith does or threatens to do any of the following:

(1) File a claim or complaint, initiate any inquiry, investigation, inspection, proceeding or other action, or testify or provide information to any person with respect to any of the following:
   a. Chapter 97 of the General Statutes.
   b. Article 2A or Article 16 of this Chapter.
   c. Article 2A of Chapter 74 of the General Statutes.
   d. G.S. 95-28.1.
   e. Article 16 of Chapter 127A of the General Statutes.
   f. G.S. 95-28.1A.

(2) Cause any of the activities listed in subdivision (1) of this subsection to be initiated on an employee's behalf.

(3) Exercise any right on behalf of the employee or any other employee afforded by Article 2A or Article 16 of this Chapter or by Article 2A of Chapter 74 of the General Statutes.

(4) Comply with the provisions of Article 27 of Chapter 7B of the General Statutes.

(5) Seek relief under Chapter 50B of the General Statutes."

SECTION 20.3. This part becomes effective October 1, 2004, and applies to actions filed on or after that date.

PART XXI. PRIVACY FOR 50B INTAKE

SECTION 21.1. G.S. 50B-2(d) reads as rewritten:

"(d) Pro Se Forms. – The clerk of superior court of each county shall provide to pro se complainants all forms ~~which~~ that are necessary or appropriate to enable them to proceed pro se pursuant to this section. The clerk shall, whenever feasible, provide a private area for complainants to fill out forms and make inquiries. The ~~Clerk~~ clerk shall

provide a supply of pro se forms to authorized magistrates who shall make the forms available to complainants seeking relief under subsection (c1) of this section."

SECTION 21.2. This part is effective when it becomes law.

PART XXII. TRAINING FOR JUDGES AND COURT PERSONNEL

SECTION 22.1. The North Carolina Supreme Court is respectfully requested to adopt rules establishing minimum standards of education and training for district court judges in handling civil and criminal domestic violence cases.

SECTION 22.2. The Administrative Office of the Courts shall study the issue of training for court personnel in the area of domestic violence. The study shall examine the following:

(1) The extent to which training is currently being done.

(2) The need for additional training.

(3) The amount and types of training that would be most appropriate.

(4) The potential costs and sources of funding for any additional training.

The Administrative Office of the Courts shall report its findings and recommendations to the 2005 Regular Session of the 2005 General Assembly.

SECTION 22.3. This part is effective when it becomes law.

PART XXIII. EFFECTIVE DATE

SECTION 23.1. Except as otherwise provided in this act, this act is effective when it becomes law.

HOUSE BILL 1354

Short Title:	Strengthen Domestic Violence Laws.	(Public)
Sponsors:	Representatives McLawhorn, Sherrill (Primary Sponsors); Adams, Alexander, L. Allen, Bordsen, Bowie, Carney, Coates, Crawford, Cunningham, Dickson, Farmer-Butterfield, Fisher, Frye, Gibson, Glazier, Goforth, Howard, Insko, Jeffus, Justice, Luebke, McAllister, Moore, Parmon, Pate, Rapp, Rayfield, Ross, Stam, Stiller, Wainwright, Warren, Weiss, and K. Williams.	
Referred to:	Rules, Calendar, and Operations of the House.	

May 11, 2004

A BILL TO BE ENTITLED

AN ACT TO STRENGTHEN THE LAWS AGAINST DOMESTIC VIOLENCE, TO PROVIDE ADDITIONAL ASSISTANCE TO DOMESTIC VIOLENCE VICTIMS, AND TO MAKE OTHER CHANGES AS RECOMMENDED BY THE HOUSE SELECT COMMITTEE ON DOMESTIC VIOLENCE.

The General Assembly of North Carolina enacts:

PART I. DOMESTIC VIOLENCE OFFENDER TREATMENT

SECTION 1.1. G.S. 15A-1343 reads as rewritten:

"**§ 15A-1343. Conditions of probation.**

(a) In General. – The court may impose conditions of probation reasonably necessary to insure that the defendant will lead a law-abiding life or to assist him to do so.

(b) Regular Conditions. – As regular conditions of probation, a defendant must:

(1) Commit no criminal offense in any jurisdiction.

(2) Remain within the jurisdiction of the court unless granted written permission to leave by the court or his probation officer.

(3) Report as directed by the court or his probation officer to the officer at reasonable times and places and in a reasonable manner, permit the officer to visit him at reasonable times, answer all reasonable inquiries by the officer and obtain prior approval from the officer for, and notify the officer of, any change in address or employment.

(4) Satisfy child support and other family obligations as required by the court. If the court requires the payment of child support, the amount of the payments shall be determined as provided in G.S. 50-13.4(c).

(5) Possess no firearm, explosive device or other deadly weapon listed in G.S. 14-269 without the written permission of the court.
(6) Pay a supervision fee as specified in subsection (c1).
(7) Remain gainfully and suitably employed or faithfully pursue a course of study or of vocational training that will equip him for suitable employment. A defendant pursuing a course of study or of vocational training shall abide by all of the rules of the institution providing the education or training, and the probation officer shall forward a copy of the probation judgment to that institution and request to be notified of any violations of institutional rules by the defendant.
(8) Notify the probation officer if he fails to obtain or retain satisfactory employment.
(9) Pay the costs of court, any fine ordered by the court, and make restitution or reparation as provided in subsection (d).
(10) Pay the State of North Carolina for the costs of appointed counsel, public defender, or appellate defender to represent him in the case(s) for which he was placed on probation.
(11) At a time to be designated by his probation officer, visit with his probation officer a facility maintained by the Division of Prisons.
(12) Attend and complete an abuser treatment program if (i) the court finds the defendant is responsible for acts of domestic violence and (ii) there is a program, approved by the Domestic Violence Commission, reasonably available to the defendant, unless the court finds that such would not be in the best interests of justice.

In addition to these regular conditions of probation, a defendant required to serve an active term of imprisonment as a condition of special probation pursuant to G.S. 15A-1344(e) or G.S. 15A-1351(a) shall, as additional regular conditions of probation, obey the rules and regulations of the Department of Correction governing the conduct of inmates while imprisoned and report to a probation officer in the State of North Carolina within 72 hours of his discharge from the active term of imprisonment.

Regular conditions of probation apply to each defendant placed on supervised probation unless the presiding judge specifically exempts the defendant from one or more of the conditions in open court and in the judgment of the court. It is not necessary for the presiding judge to state each regular condition of probation in open court, but the conditions must be set forth in the judgment of the court.

Defendants placed on unsupervised probation are subject to the provisions of this subsection, except that defendants placed on unsupervised probation are not subject to the regular conditions contained in subdivisions (2), (3), (6), (8), and (11).

(b1) Special Conditions. – In addition to the regular conditions of probation specified in subsection (b), the court may, as a condition of probation, require that during the probation the defendant comply with one or more of the following special conditions:

(1) Undergo available medical or psychiatric treatment and remain in a specified institution if required for that purpose.

(2) Attend or reside in a facility providing rehabilitation, counseling, treatment, social skills, or employment training, instruction, recreation, or residence for persons on probation.

(2a) Repealed by Session Laws 2002, ch. 126, s. 17.18, effective August 15, 2002.

(2b) Participate in and successfully complete a Drug Treatment Court Program pursuant to Article 62 of Chapter 7A of the General Statutes.

(3) Submit to imprisonment required for special probation under G.S. 15A-1351(a) or G.S. 15A-1344(e).

(3a) Repealed by Session Laws 1997-57, s. 3.

(3b) Submit to supervision by officers assigned to the Intensive Supervision Program established pursuant to G.S. 143B-262(c), and abide by the rules adopted for that Program. Unless otherwise ordered by the court, intensive supervision also requires multiple contacts by a probation officer per week, a specific period each day during which the offender must be at his or her residence, and that the offender remain gainfully and suitably employed or faithfully pursue a course of study or of vocational training that will equip the offender for suitable employment.

(3c) Remain at his or her residence unless the court or the probation officer authorizes the offender to leave for the purpose of employment, counseling, a course of study, or vocational training. The offender shall be required to wear a device which permits the supervising agency to monitor the offender's compliance with the condition electronically.

(4) Surrender his or her driver's license to the clerk of superior court, and not operate a motor vehicle for a period specified by the court.

(5) Compensate the Department of Environment and Natural Resources or the North Carolina Wildlife Resources Commission, as the case may be, for the replacement costs of any marine and estuarine resources or any wildlife resources which were taken, injured, removed, harmfully altered, damaged or destroyed as a result of a criminal offense of which the defendant was convicted. If any investigation is required by officers or agents of the Department of Environment and Natural Resources or the Wildlife Resources Commission in determining the extent of the destruction of resources involved, the court may include compensation of the agency for investigative costs as a condition of probation. This subdivision does not apply in any case governed by G.S. 143-215.3(a)(7).

(6) Perform community or reparation service and pay any fee required by law or ordered by the court for participation in the community or reparation service program.

(7) Submit at reasonable times to warrantless searches by a probation officer of his or her person and of his or her vehicle and premises

while the probationer is present, for purposes specified by the court and reasonably related to his or her probation supervision, but the probationer may not be required to submit to any other search that would otherwise be unlawful. Whenever the warrantless search consists of testing for the presence of illegal drugs, the probationer may also be required to reimburse the Department of Correction for the actual cost of drug screening and drug testing, if the results are positive.

(8) Not use, possess, or control any illegal drug or controlled substance unless it has been prescribed for him or her by a licensed physician and is in the original container with the prescription number affixed on it; not knowingly associate with any known or previously convicted users, possessors or sellers of any such illegal drugs or controlled substances; and not knowingly be present at or frequent any place where such illegal drugs or controlled substances are sold, kept, or used.

(8a) Purchase the least expensive annual statewide license or combination of licenses to hunt, trap, or fish listed in G.S. 113-270.2, 113-270.3, 113-270.5, 113-271, 113-272, and 113-272.2 that would be required to engage lawfully in the specific activity or activities in which the defendant was engaged and which constitute the basis of the offense or offenses of which he was convicted.

(9) If the offense is one in which there is evidence of physical, mental or sexual abuse of a minor, the court should encourage the minor and the minor's parents or custodians to participate in rehabilitative treatment and may order the defendant to pay the cost of such treatment.

~~(9a) Attend and complete an abuser treatment program if (i) the court finds the defendant is responsible for acts of domestic violence and (ii) the program is approved by the Domestic Violence Commission.~~

(10) Satisfy any other conditions determined by the court to be reasonably related to his rehabilitation.

(b2) Special Conditions of Probation for Sex Offenders and Persons Convicted of Offenses Involving Physical, Mental, or Sexual Abuse of a Minor. – As special conditions of probation, a defendant who has been convicted of an offense which is a reportable conviction as defined in G.S. 14-208.6(4), or which involves the physical, mental, or sexual abuse of a minor, must:

(1) Register as required by G.S. 14-208.7 if the offense is a reportable conviction as defined by G.S. 14-208.6(4).

(2) Participate in such evaluation and treatment as is necessary to complete a prescribed course of psychiatric, psychological, or other rehabilitative treatment as ordered by the court.

(3) Not communicate with, be in the presence of, or found in or on the premises of the victim of the offense.

(4) Not reside in a household with any minor child if the offense is one in which there is evidence of sexual abuse of a minor.

(5) Not reside in a household with any minor child if the offense is one in which there is evidence of physical or mental abuse of a minor, unless the court expressly finds that it is unlikely that the defendant's harmful or abusive conduct will recur and that it would be in the minor child's best interest to allow the probationer to reside in the same household with a minor child.

(6) Satisfy any other conditions determined by the court to be reasonably related to his rehabilitation.

Defendants subject to the provisions of this subsection shall not be placed on unsupervised probation.

(b3) Screening and Assessing for Chemical Dependency. – A defendant ordered to submit to a period of residential treatment in the Drug Alcohol Recovery Treatment program (DART) operated by the Department of Correction must undergo a screening to determine chemical dependency. If the screening indicates the defendant is chemically dependent, the court shall order an assessment to determine the appropriate level of treatment. The assessment may be conducted either before or after the court imposes the condition, but participation in the program shall be based on the results of the assessment.

(c) Statement of Conditions. – A defendant released on supervised probation must be given a written statement explicitly setting forth the conditions on which he is being released. If any modification of the terms of that probation is subsequently made, he must be given a written statement setting forth the modifications.

(c1) Supervision Fee. – Any person placed on supervised probation pursuant to subsection (a) of this section shall pay a supervision fee of thirty dollars ($30.00) per month, unless exempted by the court. The court may exempt a person from paying the fee only for good cause and upon written motion of the person placed on supervised probation. No person shall be required to pay more than one supervision fee per month. The court may require that the fee be paid in advance or in a lump sum or sums, and a probation officer may require payment by such methods if he is authorized by subsection (g) to determine the payment schedule. Supervision fees must be paid to the clerk of court for the county in which the judgment was entered or the deferred prosecution agreement was filed. Fees collected under this subsection shall be transmitted to the State for deposit into the State's General Fund.

(d) Restitution as a Condition of Probation. – As a condition of probation, a defendant may be required to make restitution or reparation to an aggrieved party or parties who shall be named by the court for the damage or loss caused by the defendant arising out of the offense or offenses committed by the defendant. When restitution or reparation is a condition imposed, the court shall take into consideration the factors set out in G.S. 15A-1340.35 and G.S. 15A-1340.36. As used herein, "reparation" shall include but not be limited to the performing of community services, volunteer work, or doing such other acts or things as shall aid the defendant in his rehabilitation. As used herein "aggrieved party" includes individuals, firms, corporations, associations, other

organizations, and government agencies, whether federal, State or local, including the Crime Victims Compensation Fund established by G.S. 15B-23. A government agency may benefit by way of reparation even though the agency was not a party to the crime provided that when reparation is ordered, community service work shall be rendered only after approval has been granted by the owner or person in charge of the property or premises where the work will be done.

(e) Costs of Court and Appointed Counsel. – Unless the court finds there are extenuating circumstances, any person placed upon supervised or unsupervised probation under the terms set forth by the court shall, as a condition of probation, be required to pay all court costs and costs for appointed counsel or public defender in the case in which he was convicted. The cost of appointed counsel or public defender services shall be determined in accordance with rules adopted by the Office of Indigent Defense Services. The court shall determine the amount of those costs to be repaid and the method of payment.

(f) Repealed by Session Laws 1983, c. 561, s. 5.

(g) Probation Officer May Determine Payment Schedules. – If a person placed on supervised probation is required as a condition of that probation to pay any moneys to the clerk of superior court, the court may delegate to a probation officer the responsibility to determine the payment schedule. The court may also authorize the probation officer to transfer the person to unsupervised probation after all the moneys are paid to the clerk. If the probation officer transfers a person to unsupervised probation, he must notify the clerk of that action."

SECTION 1.2. G.S. 143B-262 is amended by adding a new subsection to read:

"(e) The Department, in consultation with the Domestic Violence Commission, and in accordance with established best practices, shall establish a domestic violence treatment program for offenders sentenced to a term of imprisonment in the custody of the Department and whose official record includes a finding by the court that the offender committed acts of domestic violence.

The Department shall ensure that inmates, whose record includes a finding by the court that the offender committed acts of domestic violence, complete the domestic violence treatment program prior to the completion of the period of incarceration, unless other requirements, deemed critical by the Department, prevent program completion. In the event an inmate does not complete the program during the period of incarceration, the Department shall document, in the inmate's official record, specific reasons why that particular inmate did not or was not able to complete the program."

SECTION 1.3. This part becomes effective December 1, 2004, and applies to offenses committed on or after that date.

PART II. DOMESTIC VIOLENCE TRAINING FOR LAW ENFORCEMENT

SECTION 2.1. G.S. 17C-6(a)(2) reads as rewritten:

"(a) In addition to powers conferred upon the Commission elsewhere in this Chapter, the Commission shall have the following powers, which shall be enforceable through its rules and regulations, certification procedures, or the provisions of G.S. 17C-10:

...

(2) Establish minimum educational and training standards that must be met in order to qualify for entry level employment and retention as a criminal justice officer in temporary or probationary status or in a permanent position. The standards for entry level employment shall include at least 16 hours of education and training in response to, and investigation of, domestic violence cases. The training shall include investigation for evidence based prosecutions."

SECTION 2.2. The North Carolina Criminal Justice Education and Training Standards Commission shall ensure that the domestic violence education and training required by Section 2.1 of this part is incorporated into all Basic Law Enforcement Training (BLET) courses as soon as practicable. However, the domestic violence education and training shall be part of the required BLET curriculum no later than January 1, 2005.

SECTION 2.3. G.S. 17C-6(a)(14) reads as rewritten:

"(a) In addition to powers conferred upon the Commission elsewhere in this Chapter, the Commission shall have the following powers, which shall be enforceable through its rules and regulations, certification procedures, or the provisions of G.S. 17C-10:

...

(14) Establish minimum standards for in-service training for criminal justice officers. In-service training standards shall include a minimum of two hours, every two years, of training in response to, and investigation of, domestic violence cases. The training shall include investigation for evidence based prosecutions."

SECTION 2.4. The North Carolina Criminal Justice Education and Training Standards Commission shall ensure that the domestic violence in-service training required by Section 2.3 of this part is available no later than January 1, 2005. Criminal Justice Officers already certified prior to January 1, 2005, shall have until December 31, 2006, to complete the initial requirement for domestic violence in-service training required by Section 2.3 of this part.

SECTION 2.5. G.S. 17C-6(a) is amended by adding a new subdivision to read:

"(15) Establish minimum standards and levels of training for certification of instructors for the domestic violence training required by subdivisions (2) and (14) of this subsection."

SECTION 2.6. The North Carolina Criminal Justice Education and Training Standards Commission shall ensure that the standards and training required for certification under Section 2.5 of this part are implemented no later than January 1, 2005.

SECTION 2.7. G.S. 17E-4(a)(2) reads as rewritten:

"(a) The Commission shall have the following powers, duties, and responsibilities, which are enforceable through its rules and regulations, certification procedures, or the provisions of G.S. 17E-8 and G.S. 17E-9:

...

(2) Establish minimum educational and training standards that may be met in order to qualify for entry level employment as an officer in temporary or probationary status or in a permanent ~~position;~~ position. The standards for entry level employment of officers shall include at least 16 hours of training in response to, and investigation of, domestic violence cases. The training shall include investigation for evidence based prosecutions. For purposes of the domestic violence training requirement, the term 'officers' shall include justice officers as defined in G.S. 17E-2(3)a., except that the term shall not include 'special deputy sheriffs' as defined in G.S. 17E-2(3)a.;".

SECTION 2.8. The North Carolina Sheriffs' Education and Training Standards Commission shall ensure that the domestic violence education and training required by Section 2.7 of this part is incorporated into all Basic Law Enforcement Training (BLET) courses as soon as practicable. However, the domestic violence education and training shall be part of the required BLET curriculum no later than January 1, 2005.

SECTION 2.9. G.S. 17E-4(a)(10) reads as rewritten:

"(10) Enter into contracts incident to the administration of its authority pursuant to this ~~Chapter.~~Chapter;".

SECTION 2.10. G.S. 17E-4(a) is amended by adding a new subdivision to read:

"(11) Establish minimum standards for in-service training for justice officers. In-service training standards shall include a minimum of two hours, every two years, of training in response to, and investigation of, domestic violence cases. The training shall include investigation for evidence based prosecutions. For purposes of the domestic violence training requirement, the term 'justice officer' shall include those defined in G.S. 17E-2(3)a., except that the term shall not include 'special deputy sheriffs' as defined in G.S. 17E-2(3)a.;".

SECTION 2.11. The North Carolina Sheriffs' Education and Training Standards Commission shall ensure that the domestic violence in-service training required by Section 2.9 of this part is available no later than January 1, 2005. Justice Officers already certified prior to January 1, 2005, shall have until December 31, 2006 to complete the initial requirement for domestic violence in-service training required by Section 2.9 of this part.

SECTION 2.12. G.S. 17E-4(a) is amended by adding a new subdivision to read:

"(12) Establish minimum standards and levels of training for certification of instructors for the domestic violence training required by subdivisions (2) and (11) of this subsection."

SECTION 2.13. The North Carolina Sheriffs' Education and Training Standards Commission shall ensure that the standards and training required for

certification under Section 2.11 of this part are implemented no later than January 1, 2005.

SECTION 2.14. This part is effective when it becomes law.

PART III. STUDY OF ANTI-VIOLENCE EDUCATION IN SCHOOLS AND TRAINING FOR SCHOOL PERSONNEL

SECTION 3.1. The North Carolina Department of Public Instruction, in collaboration with the State Board of Education, shall study the issue of anti-violence programs in the schools. In studying this issue, the Department shall answer the following:

(1) How are schools currently addressing anti-violence in their curriculum;
(2) How do current curriculums vary at each grade level, K-12;
(3) Do currently used curriculums address physical violence and mental or verbal abuse, particularly instances of domestic and relationship violence;
(4) Should the State require every public school to have an anti-violence program of instruction incorporated into the curriculum;
(5) Should an anti-violence program be required at every grade level;
(6) What would be an appropriate curriculum for each grade level;
(7) What minimum requirements should be present in an appropriate curriculum to ensure that the curriculum addresses physical violence, mental or verbal abuse, and domestic and relationship violence;
(8) Should the State implement a particular anti-violence curriculum or allow individual schools to choose an appropriate curriculum from an approved list;
(9) What is the fiscal impact of implementing an anti-violence program for all schools, including additional staffing needs, if any.

In studying this issue, the Department shall examine some of the anti-violence programs that are in use through out the country. In addition to any other specific programs examined, the Department shall review in detail the "Second Step" program developed by the Committee for Children.

The Department shall make a preliminary report to the House Select Committee on Domestic Violence and to the Joint Legislative Education Oversight Committee no later than October 1, 2004, and a final report to the General Assembly on or before January 15, 2005.

SECTION 3.2. The North Carolina Department of Public Instruction, in collaboration with the State Board of Education, shall study training for school personnel dealing with students who are victims of physical violence and mental or verbal abuse, particularly instances of domestic violence and relationship violence. In studying this issue, the Department shall answer the following:

(1) What type of training is currently available and/or required for school personnel.
(2) Should training be required for school personnel.

(3) If training should be required, which school personnel should be required to receive the training.
(4) What type of training should be required.
(5) What is the fiscal impact of requiring school personnel to receive such training.

The Department shall make a preliminary report to the House Select Committee on Domestic Violence and to the Joint Legislative Education Oversight Committee no later than October 1, 2004, and a final report to the General Assembly on or before January 15, 2005.

SECTION 3.3. This part is effective when it becomes law.

PART IV. LEGAL SERVICES FOR VICTIMS OF DOMESTIC VIOLENCE

SECTION 4.1. Chapter 7A of the General Statutes is amended by adding a new Article to read:

"Article 37B.

"Domestic Violence Victim Assistance Act.

"**§ 7A-474.6. Legislative findings and purpose.**

The General Assembly of North Carolina declares it to be its purpose to provide access to legal representation for domestic violence victims in certain kinds of civil matters. The General Assembly finds that such representation can best be provided in an efficient, effective, and economic manner through established legal services programs in this State.

"**§ 7A-474.7. Definitions.**

The following definitions shall apply throughout this Article, unless the context otherwise requires:

(1) "Domestic violence victim" means a resident of North Carolina that has been subjected to acts of domestic violence as defined in G.S. 50B-1. A resident is not required to seek a protective order under Chapter 50B of the General Statutes to qualify as a domestic violence victim under this Article.

(2) "Legal assistance" means the provision of any legal services, as defined by Chapter 84 of the General Statutes, consistent with this Article. Provided, that all legal services provided hereunder shall be performed consistently with the Rules of Professional Conduct promulgated by the North Carolina State Bar. Provided, further, that no funds appropriated under this Article shall be used for lobbying to influence the passage or defeat of any legislation before any municipal, county, state, or national legislative body.

(3) "Established legal services program" means the following not-for-profit corporations using State funds to serve the counties listed: Legal Aid Society of Northwest North Carolina, serving Davie, Forsyth, Iredell, Stokes, Surry, and Yadkin Counties; Pisgah Legal Services, serving Buncombe, Henderson, Madison, Polk, Rutherford, and Transylvania Counties; and Legal Aid of North Carolina; or any successor entity or entities of the named organizations, or, should any

of the named organizations dissolve, the entity or entities providing substantially the same services in substantially the same service area.

"**§ 7A-474.8. Eligible activities and limitations.**

(a) Eligible Activities. – Funds appropriated under this Article shall be used only for the following purposes:

(1) To provide legal assistance to domestic violence victims;

(2) To provide education to domestic violence victims regarding their rights and duties under the law;

(3) To involve the private bar in the representation of domestic violence victims pursuant to this Article.

(b) Eligible Cases. – The funds shall be prioritized by each legal services program to serve the greatest number of eligible clients, with emphasis placed on representation of clients needing legal assistance with proceedings pursuant to Chapter 50B of the General Statutes. Legal assistance shall be provided to eligible clients under this Article only in the following types of cases:

(1) Actions for protective orders issued pursuant to Chapter 50B of the General Statutes;

(2) Child custody and visitation issues; and

(3) Legal services which ensure the safety of the client and the client's children.

(c) Limitations. – No funds appropriated under this Article shall be used for any of the following purposes:

(1) To provide legal assistance with respect to any criminal proceeding; or

(2) To provide legal assistance to any prisoner within the North Carolina Department of Correction with regard to the terms of that person's incarceration.

"**§ 7A-474.9. Funds.**

Funds to provide representation pursuant to this Article shall be provided to the North Carolina State Bar for provision of direct services by and support of the established legal services programs. The North Carolina State Bar shall allocate these funds directly to each of the established legal services programs with Pisgah Legal Services receiving the allocation for Buncombe, Henderson, Madison, Polk, Rutherford, and Transylvania Counties, and Legal Aid Society of Northwest North Carolina receiving the allocation for Davie, Forsyth, Iredell, Stokes, Surry, and Yadkin Counties. Funds shall be allocated to each program based on the counties served by that program using the following formula:

(1) Twenty percent (20%) based on a fixed equal dollar amount for each county;

(2) Eighty percent (80%) based on the rate of civil actions filed pursuant to Chapter 50B of the General Statutes in that county.

The North Carolina State Bar shall not use any of these funds for its administrative costs.

"**§ 7A-474.10. Records and reports.**

The established legal services programs shall keep appropriate records and make periodic reports, as requested, to the North Carolina State Bar. The North Carolina State Bar shall report annually to the General Assembly on the amount of the funds disbursed and the use of the funds by each legal services program receiving funds. The report to the General Assembly shall be made by January 15 of each year beginning January 15, 2006."

SECTION 4.2. G.S. 84-4.1 reads as rewritten:

"**§ 84-4.1. Limited practice of out-of-state attorneys.**

(a) Any attorney domiciled in another state, and regularly admitted to practice in the courts of record of that state and in good standing therein, having been retained as attorney for a party to any civil or criminal legal proceeding pending in the General Court of Justice of North Carolina, the North Carolina Utilities Commission, the North Carolina Industrial Commission, the Office of Administrative Hearings of North Carolina, or any administrative agency, may, on motion, be admitted to practice in that forum for the sole purpose of appearing for a client in the litigation. The motion required under this section shall be signed by the attorney and shall contain or be accompanied by:

(1) The attorney's full name, post-office address, bar membership number, and status as a practicing attorney in another state.

(2) A statement, signed by the client, setting forth the client's address and declaring that the client has retained the attorney to represent the client in the proceeding.

(3) A statement that unless permitted to withdraw sooner by order of the court, the attorney will continue to represent the client in the proceeding until the final determination thereof, and that with reference to all matters incident to the proceeding, the attorney agrees to be subject to the orders and amenable to the disciplinary action and the civil jurisdiction of the General Court of Justice and the North Carolina State Bar in all respects as if the attorney were a regularly admitted and licensed member of the Bar of North Carolina in good standing.

(4) A statement that the state in which the attorney is regularly admitted to practice grants like privileges to members of the Bar of North Carolina in good standing.

(5) A statement to the effect that the attorney has associated and is personally appearing in the proceeding, with an attorney who is a resident of this State and is duly and legally admitted to practice in the General Court of Justice of North Carolina, upon whom service may be had in all matters connected with the legal proceedings, or any disciplinary matter, with the same effect as if personally made on the foreign attorney within this State.

(6) A statement accurately disclosing a record of all that attorney's disciplinary history. Discipline shall include (i) public discipline by

any court or lawyer regulatory organization, and (ii) revocation of any pro hac vice admission.

(7) A fee in the amount of one hundred dollars ($100.00).

Compliance with the foregoing requirements does not deprive the court of the discretionary power to allow or reject the application.

(b) Fees collected under this section shall be remitted to the North Carolina State Bar for the provision of services described in G.S. 7A-474.9."

SECTION 4.3. Section 4.1 of this part is effective when it becomes law. Section 4.2 of this part becomes effective July 1, 2004, and applies to all motions filed on or after that date. The remainder of this part is effective when it becomes law.

PART V. DOMESTIC VIOLENCE OFFENDER FEE AND ADDITIONAL FUNDING FOR VICTIM SERVICES

SECTION 5.1. G.S. 50B-3 is amended by adding a new subsection to read:

"(a1) If, upon completion of the 10-day hearing, the court issues a protective order, the court shall require the defendant to pay a fee in the amount of one hundred dollars ($100.00). This fee shall be assessed only upon the initial issuance of the order, and not upon any renewal of the same order."

SECTION 5.2. There is appropriated from the General Fund to the Department of Administration, to be credited to the Domestic Violence Center Fund established under G.S. 50B-9, the sum of two million dollars ($2,000,000) for the 2004-2005 fiscal year. It is the intent of the General Assembly that this become a recurring appropriation.

SECTION 5.3. This part becomes effective July 1, 2004. Section 5.1 of this part applies to all orders issued on or after that date.

PART VI. DOMESTIC VIOLENCE ADVOCATES ON CHILD FATALITY TASK FORCE

SECTION 6.1. G.S. 7B-1402 reads as rewritten:

"**§ 7B-1402. Task Force – creation; membership; vacancies.**

(a) There is created the North Carolina Child Fatality Task Force within the Department of Health and Human Services for budgetary purposes only.

(b) The Task Force shall be composed of 35 members, 11 of whom shall be ex officio members, four of whom shall be appointed by the Governor, 10 of whom shall be appointed by the Speaker of the House of Representatives, and 10 of whom shall be appointed by the President Pro Tempore of the Senate. The ex officio members other than the Chief Medical Examiner shall be nonvoting members and may designate representatives from their particular departments, divisions, or offices to represent them on the Task Force. The members shall be as follows:

(1) The Chief Medical Examiner;
(2) The Attorney General;
(3) The Director of the Division of Social Services;
(4) The Director of the State Bureau of Investigation;
(5) The Director of the Division of Maternal and Child Health of the Department of Health and Human Services;

(6) The Director of the Governor's Youth Advocacy and Involvement Office;
(7) The Superintendent of Public Instruction;
(8) The Chairman of the State Board of Education;
(9) The Director of the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services;
(10) The Secretary of the Department of Health and Human Services;
(11) The Director of the Administrative Office of the Courts;
(12) A director of a county department of social services, appointed by the Governor upon recommendation of the President of the North Carolina Association of County Directors of Social Services;
(13) A representative from a Sudden Infant Death Syndrome counseling and education program, appointed by the Governor upon recommendation of the Director of the Division of Maternal and Child Health of the Department of Health and Human Services;
(14) A representative from the North Carolina Child Advocacy Institute, appointed by the Governor upon recommendation of the President of the Institute;
(15) A director of a local department of health, appointed by the Governor upon the recommendation of the President of the North Carolina Association of Local Health Directors;
(16) A representative from a private group, other than the North Carolina Child Advocacy Institute, that advocates for children, appointed by the Speaker of the House of Representatives upon recommendation of private child advocacy organizations;
(17) A pediatrician, licensed to practice medicine in North Carolina, appointed by the Speaker of the House of Representatives upon recommendation of the North Carolina Pediatric Society;
(18) A representative from the North Carolina League of Municipalities, appointed by the Speaker of the House of Representatives upon recommendation of the League;
(18a) A representative from the North Carolina Domestic Violence Commission, appointed by the Speaker of the House of Representatives upon recommendation of the Director of the Commission;
(19) ~~Two public members,~~One public member, appointed by the Speaker of the House of Representatives;
(20) A county or municipal law enforcement officer, appointed by the President Pro Tempore of the Senate upon recommendation of organizations that represent local law enforcement officers;
(21) A district attorney, appointed by the President Pro Tempore of the Senate upon recommendation of the President of the North Carolina Conference of District Attorneys;

(22) A representative from the North Carolina Association of County Commissioners, appointed by the President Pro Tempore of the Senate upon recommendation of the Association;

(22a) A representative from the North Carolina Coalition Against Domestic Violence, appointed by the President Pro Tempore of the Senate upon recommendation of the Executive Director of the Coalition;

(23) ~~Two public members,~~One public member, appointed by the President Pro Tempore of the Senate; and

(24) Five members of the Senate, appointed by the President Pro Tempore of the Senate, and five members of the House of Representatives, appointed by the Speaker of the House of Representatives.

(c) All members of the Task Force are voting members. Vacancies in the appointed membership shall be filled by the appointing officer who made the initial appointment. Terms shall be two years. The members shall elect a chair who shall preside for the duration of the chair's term as member. In the event a vacancy occurs in the chair before the expiration of the chair's term, the members shall elect an acting chair to serve for the remainder of the unexpired term."

SECTION 6.2. The public members serving on the Child Fatality Task Force on the effective date of this act shall complete their current terms. The new appointments contained in Section 1 of this act shall take effect at the end of those terms.

SECTION 6.3. This part is effective when it becomes law.

PART VII. STUDY OF MENTAL HEALTH SERVICES FOR DOMESTIC VIOLENCE VICTIMS

SECTION 7.1. The Department of Health and Human Services shall study and develop a plan for serving clients of domestic violence programs with mental health and substance abuse service needs. The plan will address providing diagnostic and referral services for any client suspected of having a mental illness or a substance abuse problem. The plan will also address the delivery of appropriate services to clients meeting the target population criteria, as defined in the State Plan developed pursuant to G.S. 122C-102. Services must be best practices, as determined by the Department. The Department will consult various stakeholders in the domestic violence network of organizations. The Department will also consider the delivery of services to children identified through domestic violence programs. The Department shall also consider the fiscal impact, if any, of implementing the plan developed pursuant to this study.

The Department shall make a preliminary report to the House Select Committee on Domestic Violence no later than October 1, 2004, and a final report to the General Assembly on or before January 15, 2005.

SECTION 7.2. This part is effective when it becomes law.

PART VIII. STUDY OF CLE CREDIT FOR PRO BONO LEGAL REPRESENTATION

SECTION 8.1. The North Carolina State Bar, in cooperation with the North Carolina Bar Association, shall study the issue of providing Continuing Legal Education (CLE) credit to active attorneys for providing pro bono legal representation. The Bar

shall consider what types of pro bono legal representation, if any, should qualify for CLE credit and what administrative requirements would be necessary to provide such credit. The Bar shall specifically look at the possible benefits of providing CLE credit for pro bono legal representation to domestic violence victims. The Bar shall also consider the fiscal impact, if any, of providing the credit.

The Bar shall make a preliminary report to the House Select Committee on Domestic Violence no later than October 1, 2004, and a final report to the General Assembly on or before January 15, 2005.

SECTION 8.2. This part is effective when it becomes law.

PART IX. DOMESTIC RELATIONSHIP AGGRAVATING FACTOR

SECTION 9.1. G.S. 15A-1340.16(d) reads as rewritten:

"(d) Aggravating Factors. – The following are aggravating factors:

(1) The defendant induced others to participate in the commission of the offense or occupied a position of leadership or dominance of other participants.

(2) The defendant joined with more than one other person in committing the offense and was not charged with committing a conspiracy.

(2a) The offense was committed for the benefit of, or at the direction of, any criminal street gang, with the specific intent to promote, further, or assist in any criminal conduct by gang members, and the defendant was not charged with committing a conspiracy. A "criminal street gang" means any ongoing organization, association, or group of three or more persons, whether formal or informal, having as one of its primary activities the commission of felony or violent misdemeanor offenses, or delinquent acts that would be felonies or violent misdemeanors if committed by an adult, and having a common name or common identifying sign, colors, or symbols.

(3) The offense was committed for the purpose of avoiding or preventing a lawful arrest or effecting an escape from custody.

(4) The defendant was hired or paid to commit the offense.

(5) The offense was committed to disrupt or hinder the lawful exercise of any governmental function or the enforcement of laws.

(6) The offense was committed against or proximately caused serious injury to a present or former law enforcement officer, employee of the Department of Correction, jailer, fireman, emergency medical technician, ambulance attendant, justice or judge, clerk or assistant or deputy clerk of court, magistrate, prosecutor, juror, or witness against the defendant, while engaged in the performance of that person's official duties or because of the exercise of that person's official duties.

(7) The offense was especially heinous, atrocious, or cruel.

(8) The defendant knowingly created a great risk of death to more than one person by means of a weapon or device which would normally be hazardous to the lives of more than one person.

(9) The defendant held public office at the time of the offense and the offense related to the conduct of the office.
(10) The defendant was armed with or used a deadly weapon at the time of the crime.
(11) The victim was very young, or very old, or mentally or physically infirm, or handicapped.
(12) The defendant committed the offense while on pretrial release on another charge.
(13) The defendant involved a person under the age of 16 in the commission of the crime.
(14) The offense involved an attempted or actual taking of property of great monetary value or damage causing great monetary loss, or the offense involved an unusually large quantity of contraband.
(15) The defendant took advantage of a position of trust or ~~confidence~~ confidence, including a domestic relationship, to commit the offense.
(16) The offense involved the sale or delivery of a controlled substance to a minor.
(17) The offense for which the defendant stands convicted was committed against a victim because of the victim's race, color, religion, nationality, or country of origin.
(18) The defendant does not support the defendant's family.
(18a) The defendant has previously been adjudicated delinquent for an offense that would be a Class A, B1, B2, C, D, or E felony if committed by an adult.
(19) The serious injury inflicted upon the victim is permanent and debilitating.
(20) Any other aggravating factor reasonably related to the purposes of sentencing.

Evidence necessary to prove an element of the offense shall not be used to prove any factor in aggravation, and the same item of evidence shall not be used to prove more than one factor in aggravation. Evidence necessary to establish that an enhanced sentence is required under G.S. 15A-1340.16A may not be used to prove any factor in aggravation.

The judge shall not consider as an aggravating factor the fact that the defendant exercised the right to a jury trial."

SECTION 9.2. This part is effective December 1, 2004, and applies to offenses committed on or after that date.

PART X. CREATE STRANGULATION OFFENSE

SECTION 10.1. G.S. 14-32.4 reads as rewritten:

"**§ 14-32.4. Assault inflicting serious bodily ~~injury.~~injury; strangulation; penalties.**

(a) Unless the conduct is covered under some other provision of law providing greater punishment, any person who assaults another person and inflicts serious bodily injury is guilty of a Class F felony. "Serious bodily injury" is defined as bodily injury that creates a substantial risk of death, or that causes serious permanent disfigurement,

coma, a permanent or protracted condition that causes extreme pain, or permanent or protracted loss or impairment of the function of any bodily member or organ, or that results in prolonged hospitalization.

(b) Unless the conduct is covered under some other provision of law providing greater punishment, any person who assaults another person and inflicts physical injury by strangulation is guilty of a Class H felony."

SECTION 10.2. This part becomes effective December 1, 2004, and applies to offenses committed on or after that date.

PART XI. AMEND HABITUAL MISDEMEANOR ASSAULT STATUTE

SECTION 11.1. G.S. 14-33.2 reads as rewritten:

"**§ 14-33.2. Habitual misdemeanor assault.**

A person commits the offense of habitual misdemeanor assault if that person violates any of the provisions of G.S. 14-33~~(c)~~and causes physical injury, or ~~G.S. 14-34~~ G.S. 14-34, and has two or more prior convictions for either misdemeanor or felony assault. ~~been convicted of five or more prior misdemeanor convictions, two of which were assaults.~~ A conviction under this section shall not be used as a prior conviction for any other habitual offense statute. A person convicted of violating this section is guilty of a Class H felony."

SECTION 11.2. This part is effective December 1, 2004, and applies to offenses committed on or after that date. Prosecutions for offenses committed before the effective date of this part are not abated or affected by this part, and the statutory provisions that would be applicable but for this part remain applicable to those prosecutions.

PART XII. DOMESTIC VIOLENCE OFFENSE TRACKING

SECTION 12.1. Article 86 of Chapter 15A of the General Statutes is amended by adding a new section to read:

"**§ 15A-1382.1. Reports of disposition; domestic violence; sentencing.**

(a) When a defendant is found guilty of an offense involving assault, or communicating a threat, the presiding judge shall determine whether the defendant and victim had a personal relationship. If the presiding judge determines that there was a personal relationship between the defendant and the victim, then the judge shall indicate on the form reflecting the judgment that the case involved domestic violence. The Clerk of Court shall insure that the official record of the defendant's conviction includes the court's determination, so that any inquiry into the defendant's criminal record will reflect that the offense involved domestic violence.

(b) If the court determines that there was a personal relationship between the defendant and the victim, and a sentence to community punishment is imposed, the court shall determine whether the defendant shall comply with one or more of the special conditions of probation set forth at G.S. 15A-1343(b1), in addition to any other authorized punishment. Notwithstanding the provisions of G.S. 15A-1340.11(6)c., the court is authorized to require the defendant to comply with the provisions of G.S. 15A-1343(b1)(3c).

(c) The following definitions apply to this section:

(1) "Personal relationship" is as defined in G.S. 50B-1(b).

(2) "An offense involving assault" includes any offense where an assault occurred, whether or not the conviction is for an offense under Article 8 of Chapter 14 of the General Statutes.

(3) "Inquiry" shall include any lawful review of the criminal records of persons convicted of an offense in this State, whether by law enforcement personnel or by private individuals."

SECTION 12.2. This part is effective December 1, 2004, and applies to offenses committed on or after that date.

PART XIII. AMEND PROBATION RULES

SECTION 13.1. G.S. 15A-1343.2 reads as rewritten:

"**§ 15A-1343.2. Special probation rules for persons sentenced under Article 81B.**

(a) Applicability. – This section applies only to persons sentenced under Article 81B of this Chapter.

(b) Purposes of Probation for Community and Intermediate Punishments. – The Department of Correction shall develop a plan to handle offenders sentenced to community and intermediate punishments. The probation program designed to handle these offenders shall have the following principal purposes: to hold offenders accountable for making restitution, to ensure compliance with the court's judgment, to effectively rehabilitate offenders by directing them to specialized treatment or education programs, and to protect the public safety.

(c) Probation Caseload Goals. – It is the goal of the General Assembly that, subject to the availability of funds, caseloads for probation officers supervising persons sentenced to community punishment should not exceed an average of 90 offenders per officer, and caseloads for offenders sentenced to intermediate punishments should not exceed an average of 60 offenders per officer by July 1, 1998.

(d) Lengths of Probation Terms Under Structured Sentencing. – Unless the court makes specific findings that longer or shorter periods of probation are necessary, the length of the original period of probation for offenders sentenced under Article 81B shall be as follows:

(1) For misdemeanants sentenced to community punishment, not less than six nor more than 18 months;

(2) For misdemeanants sentenced to intermediate punishment, not less than 12 nor more than 24 months;

(3) For felons sentenced to community punishment, not less than 12 nor more than 30 months; and

(4) For felons sentenced to intermediate punishment, not less than 18 nor more than 36 months.

If the court finds at the time of sentencing that a longer period of probation is necessary, that period may not exceed a maximum of five years, as specified in G.S. 15A-1342 and G.S. 15A-1351.

Extension. – The court may with the consent of the offender extend the original period of the probation if necessary to complete a program of restitution or to complete medical or psychiatric treatment ordered as a condition of probation. This extension

may be for no more than three years, and may only be ordered in the last six months of the original period of probation.

(e) Delegation to Probation Officer in Community Punishment. – Unless the presiding judge specifically finds in the judgment of the court that delegation is not appropriate, the Division of Community Corrections in the Department of Correction may require an offender sentenced to community punishment to any of the following:

(1) Perform up to 20 hours of community service, and pay the fee prescribed by law for this ~~supervision;~~supervision.

(2) Report to the offender's probation officer on a frequency to be determined by the ~~officer; or~~officer.

(3) Submit to substance abuse assessment, monitoring or treatment.

(4) Submit to a curfew which requires the offender to remain in a specified place for a specified period each day and wear a device that permits the offender's compliance with the condition to be monitored electronically.

If the Division imposes any of the above requirements, then it may subsequently reduce or remove those same requirements.

If the probation officer exercises authority delegated by the court pursuant to this subsection, the offender may file a motion with the court to review the action taken by the probation officer. The offender shall be given notice of the right to seek such a court review. The Division may exercise any authority delegated to it under this subsection only if it first determines that the offender has failed to comply with one or more of the conditions of probation imposed by the court.

(f) Delegation to Probation Officer in Intermediate Punishments. – Unless the presiding judge specifically finds in the judgment of the court that delegation is not appropriate, the Division of Community Corrections in the Department of Correction may require an offender sentenced to intermediate punishment to any of the following:

(1) Perform up to 50 hours of community service, and pay the fee prescribed by law for this ~~supervision;~~supervision.

(2) Submit to a curfew which requires the offender to remain in a specified place for a specified period each day and wear a device that permits the offender's compliance with the condition to be monitored ~~electronically;~~electronically.

(3) Submit to substance abuse assessment, monitoring or ~~treatment; or~~treatment.

(4) Participate in an educational or vocational skills development program.

If the Division imposes any of the above requirements, then it may subsequently reduce or remove those same requirements.

If the probation officer exercises authority delegated to him or her by the court pursuant to this subsection, the offender may file a motion with the court to review the action taken by the probation officer. The offender shall be given notice of the right to seek such a court review. The Division may exercise any authority delegated to it under this subsection only if it first determines that the offender has failed to comply with one or more of the conditions of probation imposed by the court.

(g) Repealed by Session Laws 1993 (Reg. Sess., 1994), c. 19, s. 3.

(h) Definitions. – For purposes of this section, the definitions in G.S. 15A-1340.11 apply."

SECTION 13.2. This part becomes effective December 1, 2004, and applies to offenses committed on or after that date.

PART XIV. STUDY OF MISDEMEANOR OFFENSE CLASSIFICATIONS

SECTION 14.1. The General Assembly finds that the North Carolina Sentencing and Policy Advisory Commission has adopted formal criteria for classifying felony offenses. The Sentencing Commission has identified three general types of harms: harms to persons (including both physical and mental injury); harms to property; and (3) harms to society. The degrees of harm are divided into three levels:

(1) Injury to person, property, or society;

(2) Significant injury to person, property, or society, and

(3) Serious injury to person, property, or society. The stated purpose of establishing the criteria was "to create a rational and consistent philosophical basis for classifying offenses; to assure proportionality in severity; and to provide a guidepost for classifying new crimes in the future."

In contrast to the felony classification criteria, the Commission did not create classification criteria for misdemeanors. However, the current misdemeanor sentencing laws include an assault offense that has serious injury as an element – even though "serious injury to a person" is a category of harm for felony offense classification. The General Assembly finds that the classification of assault offenses that involve serious injury as misdemeanors is inconsistent with the Sentencing Commission's classification of felonies based on harm.

The General Assembly directs the North Carolina Sentencing and Policy Advisory Commission, pursuant to its statutory responsibilities under Article 4 of Chapter 164 of the General Statutes, to study the classification of misdemeanor offenses. In particular, the Commission shall examine the classification of assault offenses in relation to property offenses, crimes against society, and felony assault offenses. The Commission shall develop a system for classifying misdemeanor offenses on the basis of their severity. The Commission may consider reclassifying existing offenses and creating new offenses in order to insure proportionality and consistency. The Commission shall report its findings and recommendations to the 2005 General Assembly, 2005 Regular Session. The report shall describe the status of the Commission's work, and shall include any completed policy recommendations and proposed legislation. The Commission shall make a final report to the 2005 General Assembly, 2006 Regular Session.

SECTION 14.2. This part is effective when it becomes law.

PART XV. WARRANTLESS ARREST FOR VIOLATION OF PRETRIAL RELEASE CONDITIONS

SECTION 15.1. G.S. 15A-401 reads as rewritten:

"**§ 15A-401. Arrest by law-enforcement officer.**

(a) Arrest by Officer Pursuant to a Warrant. –

(1) Warrant in Possession of Officer. – An officer having a warrant for arrest in his possession may arrest the person named or described therein at any time and at any place within the officer's territorial jurisdiction.

(2) Warrant Not in Possession of Officer. – An officer who has knowledge that a warrant for arrest has been issued and has not been executed, but who does not have the warrant in his possession, may arrest the person named therein at any time. The officer must inform the person arrested that the warrant has been issued and serve the warrant upon him as soon as possible. This subdivision applies even though the arrest process has been returned to the clerk under G.S. 15A-301.

(b) Arrest by Officer Without a Warrant. –

(1) Offense in Presence of Officer. – An officer may arrest without a warrant any person who the officer has probable cause to believe has committed a criminal offense in the officer's presence.

(2) Offense Out of Presence of Officer. – An officer may arrest without a warrant any person who the officer has probable cause to believe:

a. Has committed a felony; or

b. Has committed a misdemeanor, and:

1. Will not be apprehended unless immediately arrested, or

2. May cause physical injury to himself or others, or damage to property unless immediately arrested; or

c. Has committed a misdemeanor under G.S. 14-72.1, 14-134.3, 20-138.1, or 20-138.2; or

d. Has committed a misdemeanor under G.S. 14-33(a), 14-33(c)(1), 14-33(c)(2), or 14-34 when the offense was committed by a person with whom the alleged victim has a personal relationship as defined in G.S. 50B-1; ~~or~~

e. Has committed a misdemeanor under ~~G.S. 50B-4.1(a).~~G.S. 50B-4.1(a); or

f. Has violated a pretrial release order entered under G.S. 15A-534.1(2).

(3) Repealed by Session Laws 1991, c. 150.

(4) A law enforcement officer may detain an individual arrested for violation of an order limiting freedom of movement or access issued pursuant to G.S. 130A-475 or G.S. 130A-145 in the area designated by the State Health Director or local health director pursuant to such order. The person may be detained in such area until the initial appearance before a judicial official pursuant to G.S. 15A-511 and G.S. 15A-534.5.

(c) How Arrest Made. –

(1) An arrest is complete when:

a. The person submits to the control of the arresting officer who has indicated his intention to arrest, or

b. The arresting officer, with intent to make an arrest, takes a person into custody by the use of physical force.

(2) Upon making an arrest, a law-enforcement officer must:

a. Identify himself as a law-enforcement officer unless his identity is otherwise apparent,

b. Inform the arrested person that he is under arrest, and

c. As promptly as is reasonable under the circumstances, inform the arrested person of the cause of the arrest, unless the cause appears to be evident.

(d) Use of Force in Arrest. –

(1) Subject to the provisions of subdivision (2), a law-enforcement officer is justified in using force upon another person when and to the extent that he reasonably believes it necessary:

a. To prevent the escape from custody or to effect an arrest of a person who he reasonably believes has committed a criminal offense, unless he knows that the arrest is unauthorized; or

b. To defend himself or a third person from what he reasonably believes to be the use or imminent use of physical force while effecting or attempting to effect an arrest or while preventing or attempting to prevent an escape.

(2) A law-enforcement officer is justified in using deadly physical force upon another person for a purpose specified in subdivision (1) of this subsection only when it is or appears to be reasonably necessary thereby:

a. To defend himself or a third person from what he reasonably believes to be the use or imminent use of deadly physical force;

b. To effect an arrest or to prevent the escape from custody of a person who he reasonably believes is attempting to escape by means of a deadly weapon, or who by his conduct or any other means indicates that he presents an imminent threat of death or serious physical injury to others unless apprehended without delay; or

c. To prevent the escape of a person from custody imposed upon him as a result of conviction for a felony.

Nothing in this subdivision constitutes justification for willful, malicious or criminally negligent conduct by any person which injures or endangers any person or property, nor shall it be construed to excuse or justify the use of unreasonable or excessive force.

(e) Entry on Private Premises or Vehicle; Use of Force. –

(1) A law-enforcement officer may enter private premises or a vehicle to effect an arrest when:

a. The officer has in his possession a warrant or order or a copy of the warrant or order for the arrest of a person, provided that an officer may utilize a copy of a warrant or order only if the

original warrant or order is in the possession of a member of a law enforcement agency located in the county where the officer is employed and the officer verifies with the agency that the warrant is current and valid; or the officer is authorized to arrest a person without a warrant or order having been issued,

b. The officer has reasonable cause to believe the person to be arrested is present, and

c. The officer has given, or made reasonable effort to give, notice of his authority and purpose to an occupant thereof, unless there is reasonable cause to believe that the giving of such notice would present a clear danger to human life.

(2) The law-enforcement officer may use force to enter the premises or vehicle if he reasonably believes that admittance is being denied or unreasonably delayed, or if he is authorized under subsection (e)(1)c to enter without giving notice of his authority and purpose.

(f) Use of Deadly Weapon or Deadly Force to Resist Arrest. –

(1) A person is not justified in using a deadly weapon or deadly force to resist an arrest by a law-enforcement officer using reasonable force, when the person knows or has reason to know that the officer is a law-enforcement officer and that the office is effecting or attempting to effect an arrest.

(2) The fact that the arrest was not authorized under this section is no defense to an otherwise valid criminal charge arising out of the use of such deadly weapon or deadly force.

(3) Nothing contained in this subsection (f) shall be construed to excuse or justify the unreasonable or excessive force by an officer in effecting an arrest. Nothing contained in this subsection (f) shall be construed to bar or limit any civil action arising out of an arrest not authorized by this Article."

SECTION 15.2. This part becomes effective December 1, 2004, and applies to offenses committed on or after that date.

PART XVI. CONFORM STATE FIREARMS LAW TO FEDERAL LAW

SECTION 16.1. G.S. 14-415.1 reads as rewritten:

"**§ 14-415.1. Possession of firearms, etc., by felon prohibited.**

(a) It shall be unlawful for any person who has been convicted of a felony to purchase, own, possess, or have in his custody, care, or control any ~~handgun or other firearm~~ firearm~~with a barrel length of less than 18 inches or an overall length of less than 26 inches,~~ or any weapon of mass death and destruction as defined in G.S. 14-288.8(c). For the purposes of this section, a firearm is (i) any weapon, including a starter gun, which will or is designed to or may readily be converted to expel a projectile by the action of an explosive, or its frame or receiver, or (ii) any firearm muffler or firearm silencer.

Every person violating the provisions of this section shall be punished as a Class G felon.

~~Nothing in this subsection would prohibit the right of any person to have possession of a firearm within his own home or on his lawful place of business.~~

(b) Prior convictions which cause disentitlement under this section shall only include:

(1) Felony convictions in North Carolina that occur before, on, or after December 1, 1995; and

(2) Repealed by Session Laws 1995, c. 487, s. 3.

(3) Violations of criminal laws of other states or of the United States that occur before, on, or after December 1, 1995, and that are substantially similar to the crimes covered in subdivision (1) which are punishable where committed by imprisonment for a term exceeding one year.

When a person is charged under this section, records of prior convictions of any offense, whether in the courts of this State, or in the courts of any other state or of the United States, shall be admissible in evidence for the purpose of proving a violation of this section. The term "conviction" is defined as a final judgment in any case in which felony punishment, or imprisonment for a term exceeding one year, as the case may be, is permissible, without regard to the plea entered or to the sentence imposed. A judgment of a conviction of the defendant or a plea of guilty by the defendant to such an offense certified to a superior court of this State from the custodian of records of any state or federal court shall be prima facie evidence of the facts so certified.

(c) The indictment charging the defendant under the terms of this section shall be separate from any indictment charging him with other offenses related to or giving rise to a charge under this section. An indictment which charges the person with violation of this section must set forth the date that the prior offense was committed, the type of offense and the penalty therefore, and the date that the defendant was convicted or plead guilty to such offense, the identity of the court in which the conviction or plea of guilty took place and the verdict and judgment rendered therein."

SECTION 16.2. This part becomes effective December 1, 2004, and applies to offenses committed on or after that date. Prosecutions for offenses committed before the effective date of this act are not abated or affected by this act, and the statutory provisions that would be applicable but for this act remain applicable to those prosecutions.

PART XVII. SPECIFICALLY ALLOW CROSS WARRANTS

SECTION 17.1. G.S. 15A-304 reads as rewritten:

"**§ 15A-304. Warrant for arrest.**

(a) Definition. – A warrant for arrest consists of a statement of the crime of which the person to be arrested is accused, and an order directing that the person so accused be arrested and held to answer to the charges made against him. It is based upon a showing of probable cause supported by oath or affirmation.

(b) When Issued. – A warrant for arrest may be issued, instead of or subsequent to a criminal summons, when it appears to the judicial official that the person named should be taken into custody. Circumstances to be considered in determining whether the person should be taken into custody may include, but are not limited to, failure to appear when previously summoned, facts making it apparent that a person summoned

will fail to appear, danger that the person accused will escape, danger that there may be injury to person or property, or the seriousness of the offense.

(c) Statement of the Crime. – The warrant must contain a statement of the crime of which the person to be arrested is accused. No warrant for arrest, nor any arrest made pursuant thereto, is invalid because of any technicality of pleading if the statement is sufficient to identify the crime.

(d) Showing of Probable Cause. – A judicial official may issue a warrant for arrest only when he is supplied with sufficient information, supported by oath or affirmation, to make an independent judgment that there is probable cause to believe that a crime has been committed and that the person to be arrested committed it. The information must be shown by one or more of the following:

(1) Affidavit;

(2) Oral testimony under oath or affirmation before the issuing official; or

(3) Oral testimony under oath or affirmation presented by a sworn law enforcement officer to the issuing official by means of an audio and video transmission in which both parties can see and hear each other. Prior to the use of audio and video transmission pursuant to this subdivision, the procedures and type of equipment for audio and video transmission shall be submitted to the Administrative Office of the Courts by the senior regular resident superior court judge and the chief district court judge for a judicial district or set of districts and approved by the Administrative Office of the Courts.

If the information is insufficient to show probable cause, the warrant may not be issued. A judicial official shall not refuse to issue a warrant for the arrest of a person solely because a prior warrant has been issued for the arrest of another person involved in the same matter.

(e) Order for Arrest. – The order for arrest must direct that a law-enforcement officer take the defendant into custody and bring him without unnecessary delay before a judicial official to answer to the charges made against him.

(f) Who May Issue. – A warrant for arrest, valid throughout the State, may be issued by:

(1) A Justice of the Supreme Court.

(2) A judge of the Court of Appeals.

(3) A judge of the superior court.

(4) A judge of the district court, as provided in G.S. 7A-291.

(5) A clerk, as provided in G.S. 7A-180 and 7A-181.

(6) A magistrate, as provided in G.S. 7A-273."

SECTION 17.2. This part is effective when it becomes law.

PART XVIII. CLARIFY NURSE'S PRIVILEGE

SECTION 18.1. G.S. 8-53.13 reads as rewritten:

"**§ 8-53.13. Nurse privilege.**

No person licensed pursuant to Article 9A of Chapter 90 of the General Statutes shall be required to disclose any information that may have been acquired in rendering professional nursing services, and which information was necessary to enable that

person to render professional nursing services, except that the presiding judge of a superior or district court may compel disclosure if, in the court's opinion, disclosure is necessary to a proper administration of justice and disclosure is not prohibited by other statute or rule. Nothing in this section shall preclude the admission of otherwise admissible written or printed medical records in any judicial proceeding."

SECTION 18.2. G.S. 8-53.1 reads as rewritten:

"**§ 8-53.1. Physician-patient and nurse privilege waived in child abuse.**

Notwithstanding the provisions of G.S. ~~8-53,~~ 8-53 and 8-53.13, the physician-patient or nurse privilege shall not be a ground for excluding evidence regarding the abuse or neglect of a child under the age of 16 years or regarding an illness of or injuries to such child or the cause thereof in any judicial proceeding related to a report pursuant to the North Carolina Juvenile Code, Chapter 7B of the General Statutes of North Carolina."

SECTION 18.3. This part becomes effective December 1, 2004.

PART XIX. TEMPORARY CHILD CUSTODY IN DOMESTIC VIOLENCE HEARINGS

SECTION 19.1. G.S. 50-13.2(b) reads as rewritten:

"(b) An order for custody of a minor child may grant joint custody to the parents, exclusive custody to one person, agency, organization, or institution, or grant custody to two or more persons, agencies, organizations, or institutions. Any order for custody shall include such terms, including visitation, as will best promote the interest and welfare of the child. If the court finds that domestic violence has occurred, the court shall enter such orders that best protect the children and party who were the victims of domestic ~~violence.~~violence, in accordance with the provisions of G.S. 50B-3(a1)(1), (2) and (3). ~~Such orders may include a designation of time and place for the exchange of children away from the abused party, the participation of a third party, or supervised visitation.~~ If a party is absent or relocates with or without the children because of an act of domestic violence, the absence or relocation shall not be a factor that weighs against the party in determining custody or visitation. Absent an order of the court to the contrary, each parent shall have equal access to the records of the minor child involving the health, education, and welfare of the child."

SECTION 19.2. G.S. 50B-2 reads as rewritten:

"**§ 50B-2. Institution of civil action; motion for emergency relief; temporary ~~orders.~~ orders; temporary custody.**

(a) Any person residing in this State may seek relief under this Chapter by filing a civil action or by filing a motion in any existing action filed under Chapter 50 of the General Statutes alleging acts of domestic violence against himself or herself or a minor child who resides with or is in the custody of such person. Any aggrieved party entitled to relief under this Chapter may file a civil action and proceed pro se, without the assistance of legal counsel. The district court division of the General Court of Justice shall have original jurisdiction over actions instituted under this Chapter. No court costs shall be assessed for the filing, issuance, registration, or service of a protective order or petition for a protective order or witness subpoena in compliance with the Violence Against Women Act, 42 U.S.C. § 3796gg-5.

(b) Emergency Relief. – A party may move the court for emergency relief if he or she believes there is a danger of serious and immediate injury to himself or herself or a minor child. A hearing on a motion for emergency relief, where no ex parte order is entered, shall be held after five days' notice of the hearing to the other party or after five days from the date of service of process on the other party, whichever occurs first, provided, however, that no hearing shall be required if the service of process is not completed on the other party. If the party is proceeding pro se and does not request an ex parte hearing, the clerk shall set a date for hearing and issue a notice of hearing within the time periods provided in this subsection, and shall effect service of the summons, complaint, notice, and other papers through the appropriate law enforcement agency where the defendant is to be served.

(c) Ex Parte Orders. – Prior to the hearing, if it clearly appears to the court from specific facts shown, that there is a danger of acts of domestic violence against the aggrieved party or a minor child, the court may enter ~~such~~ orders as it deems necessary to protect the aggrieved party or minor children from ~~such~~ those acts provided, however, that a temporary order for custody ex parte and prior to service of process and notice shall not be entered unless the court finds that the child is exposed to a substantial risk of ~~bodily~~ physical or emotional injury or sexual abuse. If the court finds that the child is exposed to a substantial risk of physical or emotional injury or sexual abuse, upon request of the aggrieved party, the court shall consider and may order the other party to stay away from a minor child, or to return a minor child to, or not remove a minor child from, the physical care of a parent or person in loco parentis, if the court finds that the order is necessary for the safety of the minor child. If the court determines that the other party may have contact with the minor child or children, the court shall issue an order designed to protect the safety and well-being of the minor child and the aggrieved party. The order shall specify the terms of contact between the other party and the minor child and may include a specific schedule of time and location of exchange of the minor child, supervision by a third party or supervised visitation center, and any other conditions that will ensure both the well-being of the minor child and the aggrieved party. Upon the issuance of an ex parte order under this subsection, a hearing shall be held within 10 days from the date of issuance of the order or within seven days from the date of service of process on the other party, whichever occurs later. If an aggrieved party acting pro se requests ex parte relief, the clerk of superior court shall schedule an ex parte hearing with the district court division of the General Court of Justice within 72 hours of the filing for said relief, or by the end of the next day on which the district court is in session in the county in which the action was filed, whichever shall first occur. If the district court is not in session in said county, the aggrieved party may contact the clerk of superior court in any other county within the same judicial district who shall schedule an ex parte hearing with the district court division of the General Court of Justice by the end of the next day on which said court division is in session in that county. Upon the issuance of an ex parte order under this subsection, if the party is proceeding pro se, the Clerk shall set a date for hearing and issue a notice of hearing within the time periods provided in this subsection, and shall

effect service of the summons, complaint, notice, order and other papers through the appropriate law enforcement agency where the defendant is to be served.

(c1) Ex Parte Orders by Authorized Magistrate. – The chief district court judge may authorize a magistrate or magistrates to hear any motions for emergency relief ex parte. Prior to the hearing, if the magistrate determines that at the time the party is seeking emergency relief ex parte the district court is not in session and a district court judge is not and will not be available to hear the motion for a period of four or more hours, the motion may be heard by the magistrate. If it clearly appears to the magistrate from specific facts shown that there is a danger of acts of domestic violence against the aggrieved party or a minor child, the magistrate may enter ~~such~~ orders as it deems necessary to protect the aggrieved party or minor children from ~~such~~ those acts, except that a temporary order for custody ex parte and prior to service of process and notice shall not be entered unless the magistrate finds that the child is exposed to a substantial risk of ~~bodily~~ physical or emotional injury or sexual abuse. If the magistrate finds that the child is exposed to a substantial risk of physical or emotional injury or sexual abuse, upon request of the aggrieved party, the magistrate shall consider and may order the other party to stay away from a minor child, or to return a minor child to, or not remove a minor child from, the physical care of a parent or person in loco parentis, if the magistrate finds that the order is necessary for the safety of the minor child. If the magistrate determines that the other party may have contact with the minor child or children, the magistrate shall issue an order designed to protect the safety and well-being of the minor child and the aggrieved party. The order shall specify the terms of contact between the other party and the minor child and may include a specific schedule of time and location of exchange of the minor child, supervision by a third party or supervised visitation center, and any other conditions that will ensure both the well-being of the minor child and the aggrieved party. An ex parte order entered under this subsection shall expire and the magistrate shall schedule an ex parte hearing before a district court judge by the end of the next day on which the district court is in session in the county in which the action was filed. Ex parte orders entered by the district court judge pursuant to this subsection shall be entered and scheduled in accordance with subsection (c) of this section.

(c2) The authority granted to authorized magistrates to award temporary child custody ~~to~~ pursuant to subsection (c1) of this section and pursuant to G.S. 50B-3(a)(4) is granted subject to custody rules to be established by the supervising chief district judge of each judicial district.

(d) Pro Se Forms. – The clerk of superior court of each county shall provide to pro se complainants all forms which are necessary or appropriate to enable them to proceed pro se pursuant to this section. The Clerk shall provide a supply of pro se forms to authorized magistrates who shall make the forms available to complainants seeking relief under subsection (c1) of this section."

SECTION 19.3. G.S. 50B-3(a)(4) reads as rewritten:

"**§ 50B-3. Relief.**

(a) The court, including magistrates as authorized under G.S. 50B-2(c1), may grant any protective order to bring about a cessation of acts of domestic violence. The orders may:

...

(4) Award temporary custody of minor children and establish temporary visitation ~~rights;~~rights pursuant to G.S. 50B-2 if the order is granted ex parte, and pursuant to subsection (a1) of this section if the order is granted after notice or service of process;"

..."

SECTION 19.4. G.S. 50B-3 is amended by adding the following new subsection to read:

"(a1) Upon the request of either party at a hearing after notice or service of process, the court shall consider and may award temporary custody of minor children and establish temporary visitation rights as follows:

(1) In awarding custody or visitation rights, the court shall give primary consideration to the safety of the minor child.

(2) For purposes of determining custody and visitation issues, the court shall consider:

a. Whether the minor child was exposed to a substantial risk of physical or emotional injury or sexual abuse.

b. Whether the minor child was present during acts of domestic violence.

c. Whether a weapon was used or threatened to be used during any act of domestic violence.

d. Whether a party caused or attempted to cause serious bodily injury to the aggrieved party or the minor child.

e. Whether a party placed the aggrieved party or the minor child in reasonable fear of imminent serious bodily injury.

f. Whether a party caused an aggrieved party to engage involuntarily in sexual relations by force, threat, or duress.

g. Whether there is a pattern of abuse against an aggrieved party or the minor child.

h. Whether a party has abused or endangered the minor child during visitation.

i. Whether a party has used visitation as an opportunity to abuse or harass the aggrieved party.

j. Whether a party has improperly concealed or detained the minor child.

k. Whether a party has otherwise acted in a manner that is not in the best interest of the minor child.

(3) If the court awards custody, the court shall also consider visitation. If ordering visitation, the court shall provide for the safety and well-being of the minor child and the safety of the aggrieved party. The court may consider any of the following:

a. Ordering an exchange of the minor child to occur in a protected setting or in the presence of an appropriate third party.
b. Ordering visitation supervised by an appropriate third party, or at a supervised visitation center or other approved agency.
c. Ordering the noncustodial parent to attend and complete, to the satisfaction of the court, an abuser treatment program as a condition of visitation.
d. Ordering either or both parents to abstain from possession or consumption of alcohol or controlled substances during the visitation or for 24 hours preceding an exchange of the minor child.
e. Ordering the noncustodial parent to pay the costs of supervised visitation.
f. Prohibiting overnight visitation.
g. Requiring a bond from the noncustodial parent for the return and safety of the minor child.
h. Ordering an investigation or appointment of a guardian ad litem or attorney for the minor child.
i. Imposing any other condition that is deemed necessary to provide for the safety and well-being of the minor child and the safety of the aggrieved party.

If the court grants visitation, the order shall specify dates and times for the visitation to take place or other specific parameters or conditions that are appropriate. A person, supervised visitation center, or other agency may be approved to supervise visitation after appearing in court or filing an affidavit accepting that responsibility and acknowledging accountability to the court.

(4) A temporary custody order entered pursuant to this Chapter shall be without prejudice and shall be for a fixed period of time not to exceed one year. Nothing in this section shall be construed to affect the right of the parties to a de novo hearing under Chapter 50 of the General Statutes. Any subsequent custody order entered under Chapter 50 of the General Statutes supersedes a temporary order issued pursuant to this Chapter."

SECTION 19.5. G.S. 50B-3(b) reads as rewritten:

"(b) Protective orders entered pursuant to this Chapter shall be for a fixed period of time not to exceed one year. The court may renew a protective order for a fixed period of time not to exceed one year, including an order that previously has been renewed, upon a motion by the aggrieved party filed before the expiration of the current ~~order.~~order; provided, however, that a temporary award of custody entered as part of a protective order may not be renewed to extend a temporary award of custody beyond the maximum one-year period. The court may renew a protective order for good cause. The commission of an act as defined in G.S. 50B-1(a) by the defendant after entry of the current order is not required for an order to be renewed. Protective orders entered,

including consent orders, shall not be mutual in nature except where both parties file a claim and the court makes detailed findings of fact indicating that both parties acted as aggressors, that neither party acted primarily in self-defense, and that the right of each party to due process is preserved."

SECTION 19.6. This part becomes effective October 1, 2004, and applies to actions filed on or after that date.

PART XX. PROHIBIT EMPLOYMENT DISCRIMINATION AGAINST DOMESTIC VIOLENCE VICTIMS

SECTION 20.1. Chapter 50B of the General Statutes is amended by adding a new section to read:

"**§ 50B-5.5. Employment discrimination unlawful.**

No employer may discharge, demote, or deny a promotion or other benefit of employment to any employee for taking time off from work to obtain or attempt to obtain any relief provided by this Chapter. The employee shall notify the employer of the reason for taking time off at the time the request is made. If requested by the employer, the employee shall also provide documentation to the employer of the reason for taking time off. Documentation may include a copy of a protective order or other evidence that the employee has appeared in court. The Commissioner of Labor shall enforce the provisions of this section according to Article 21 of Chapter 95 of the General Statutes, including the rules and regulations issued pursuant to that Article."

SECTION 20.2. G.S. 95-241(a) reads as rewritten:

"(a) No person shall discriminate or take any retaliatory action against an employee because the employee in good faith does or threatens to do any of the following:

(1) File a claim or complaint, initiate any inquiry, investigation, inspection, proceeding or other action, or testify or provide information to any person with respect to any of the following:
   a. Chapter 97 of the General Statutes.
   b. Article 2A or Article 16 of this Chapter.
   c. Article 2A of Chapter 74 of the General Statutes.
   d. G.S. 95-28.1.
   e. Article 16 of Chapter 127A of the General Statutes.
   f. G.S. 95-28.1A.

(2) Cause any of the activities listed in subdivision (1) of this subsection to be initiated on an employee's behalf.

(3) Exercise any right on behalf of the employee or any other employee afforded by Article 2A or Article 16 of this Chapter or by Article 2A of Chapter 74 of the General Statutes.

(4) Comply with the provisions of Article 27 of Chapter 7B of the General Statutes.

(5) Seek relief under Chapter 50B of the General Statutes."

SECTION 20.3. This part becomes effective October 1, 2004, and applies to actions filed on or after that date.

PART XXI. PRIVACY FOR 50B INTAKE

SECTION 21.1. G.S. 50B-2(d) reads as rewritten:

"(d) Pro Se Forms. – The clerk of superior court of each county shall provide to pro se complainants all forms which are necessary or appropriate to enable them to proceed pro se pursuant to this section. The clerk shall, whenever feasible, provide a private area for complainants to fill out forms and make inquiries. The ~~Clerk~~ clerk shall provide a supply of pro se forms to authorized magistrates who shall make the forms available to complainants seeking relief under subsection (c1) of this section."

SECTION 21.2. This part is effective when it becomes law.

PART XXII. TRAINING FOR JUDGES AND COURT PERSONNEL

SECTION 22.1. The North Carolina Supreme Court is respectfully requested to adopt rules establishing minimum standards of education and training for district court judges in handling civil and criminal domestic violence cases.

SECTION 22.2. The Administrative Office of the Courts shall study the issue of training for court personnel in the area of domestic violence. The study shall examine the following:

(1) The extent to which training is currently being done.

(2) The need for additional training.

(3) The amount and types of training that would be most appropriate.

(4) The potential costs and sources of funding for any additional training.

The Administrative Office of the Courts shall report its findings and recommendations to the 2005 Regular Session of the 2005 General Assembly.

SECTION 22.3. This part is effective when it becomes law.

PART XXIII. EFFECTIVE DATE

SECTION 23.1. This act is effective when it becomes law.

EXAMPLE 1: Defendant assaults his girlfriend and causes physical injury. The defendant and girlfriend live together.

Prior Record: (1) Assault Inflicting Serious Injury (Class A1, one point)
(2) Assault on a Female (Class A1, one point)

	Charge	Elements	Classification	Possible Sentence
Current Law	Assault on a Female		A1 Misdemeanor	1-75 days C/I/A
Current Law	Simple Assault		Class 2 Mis.	1-45 days C/I
Bill	Habitual Misdemeanor Assault	Physical Injury	Class H felony (PRL I)*	Min. range: 6-8 months, C/I/A (Agg. Range)

* If the defendant had any other offenses with points, he would move up from PRL I.

EXAMPLE 2: Husband assaults wife in their home. He causes injury by strangulation.

Prior Record: (1) Simple Assault (Class 2 Misdemeanor, No points).

Current Law	Assault with deadly weapon with intent to kill and causing serious injury	1- Serious Injury 2- Intent to Kill 3 - Hands as "deadly weapon"	Class C felony	Min. range: 58-73 months Active
Current Law	Assault with a deadly weapon causing serious injury	1- Serious Injury 2- Hands as "deadly weapon"	Class E felony	Min. range: 20-25 months I/A
Current Law	Assault with a deadly weapon with intent to kill	1-Intent to kill 2- Hands as "deadly weapon"	Class E felony	Min. range: 20-25 months I/A
Bill	Physical Injury by Strangulation	1- Physical injury	Class H felony	Min. range: 6-8 months* C/I/A (Agg. Range).
Current Law	Assault on a Female		A1 Misdemeanor	1-75 days C/I/A
Current Law	Simple Assault		Class 2 Mis.	1-45 days C/I

HOUSE BILL 1354:
Strengthen Domestic Violence Laws

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Reps. McLawhorn & Sherrill
Date:	June 17, 2004	**Summary by:**	Trina Griffin
Version:	H1354-CSSA-23		Committee Counsel

SUMMARY: House Bill 1354 strengthens the laws against domestic violence, provides additional assistance to domestic violence victims and makes other changes as recommended by the House Select Committee on Domestic Violence.

This bill has been referred to House Finance because it creates a new $100 fee assessed on out-of-state attorneys seeking limited admission to practice in North Carolina.

BILL ANALYSIS (FEE PROVISION ONLY)*:

Section 4.2 creates a $100 fee for pro hac vice motions in North Carolina. A pro hac vice motion occurs when an out of state attorney, who is not licensed to practice law in North Carolina, asks a North Carolina court to allow that attorney to appear in court in North Carolina for one particular case. Currently, North Carolina does not charge any fee for these motions, although many states do.

The fees collected under this section would go to the North Carolina State Bar to fund the Domestic Violence Victim Assistance Act created in Section 4.1.

Fees are charges for services received and must not be more than the amount needed to cover the cost of the service. If a fee exceeds this cost, it is no longer a fee, it is a tax. However, even if some revenue raised by a fee is used for purposes other than the regulation or protection of an item or activity on which the fee is imposed, it will still be considered a fee as long as the expenditure of revenue bears a direct and reasonable relationship to the primary purpose of enforcing the laws governing them.

Arguably, there is an issue as to whether this $100 fee is, in fact, a fee or is more appropriately characterized as a tax. The distinction is relevant to the extent that taxes, unlike most fees, are subject to certain constitutional restrictions. This fee could be characterized as a tax for two reasons: (1) there does not appear to be a direct correlation between the amount of the fee and the cost to the court system for processing *pro hac vice* motions; and (2) the proceeds of the fee would not be used to defray the costs of the department or agency providing the service, but would be remitted to the North Carolina State Bar to fund legal services for domestic violence victims. However, if a court were to find that a "direct and reasonable relationship" exists between the regulation of the practice of law by out-of-state attorneys and the funding of legal services for domestic violence victims, then the $100 charge would likely be upheld as a fee.

*See attached summary prepared by Susan Sitze and Hal Pell for complete bill analysis.

HOUSE BILL 1354:
Strengthen Domestic Violence Laws

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. McLawhorn & Sherrill
Date:	June 17, 2004	**Summary by:**	Susan L. Sitze & Hal Pell
Version:	H1354-CSSA-23		Staff Attorneys

SUMMARY: ***House Bill 1354 strengthens the laws against domestic violence, provides additional assistance to domestic violence victims and makes other changes as recommended by the House Select Committee on Domestic Violence.***

BILL ANALYSIS:

Part I – Domestic Violence Offender Treatment

Section 1.1 requires attendance and completion of an abuser treatment program while on probation if the court finds that the defendant is responsible for acts of domestic violence and there is a program reasonably available to the defendant. If the court makes those findings, the court must order the treatment as a regular condition of probation unless the court finds that it would not be in the best interest of justice.

Section 1.2 requires the Department of Correction to establish a domestic violence treatment program for offenders in the custody of the Department whose official record includes a finding by the court that the offender committed acts of domestic violence. The Department must ensure that those inmates complete the domestic violence treatment program prior to being released, unless other requirements, deemed critical by the Department prevent program completion. If the inmate does not complete the program, the Department must document, in the inmate's official record, specific reasons why that inmate did not or was not able to complete the program.

Section 1.3 provides that this part is effective December 1, 2004 and applies to offenses committed on or after that date.

Part II – Domestic Violence Training for Law Enforcement

Sections 2.1 through 2.15 require the North Carolina Criminal Justice Education and Training Standards Commission and the North Carolina Sheriffs' Education and Training Standards Commission to establish minimum standards for training of law enforcement officers in domestic violence. The training standards shall be developed for entry-level employment, for in-service training, and for certification of instructors, and shall include training in response to, and investigation of, domestic violence cases, as well as training in investigation for evidence based prosecutions.

The Commissions must have the training in place no later than March 1, 2005 and shall report to the General Assembly on or before March 1, 2005 on the exact standards implemented and the date they were implemented.

Part III – Study of Anti-Violence Education in Schools and Training for School Personnel

Section 3.1 requires the Department of Public Instruction, in collaboration with the State Board of Education, to study the issue of anti-violence programs in schools. The Department is directed to address several questions and to look at different programs used across the country.

The Department shall issue a preliminary report to the House Select Committee on Domestic Violence and the Joint Legislative Oversight Committee by October 1, 2004, and a final report to Education Oversight and the General Assembly by January 15, 2005.

Section 3.2 requires the Department of Public Instruction, in collaboration with the State Board of Education, to study training for school personnel dealing with students who are victims of physical violence and mental or verbal abuse, particularly instances of domestic and relationship violence.

The Department shall issue a preliminary report to the House Select Committee on Domestic Violence and the Joint Legislative Oversight Committee by October 1, 2004, and a final report to Education Oversight and the General Assembly by January 15, 2005.

Part IV – Legal Services for Victims of Domestic Violence

Section 4.1 creates a new Domestic Violence Victim Assistance Act to provide legal services to domestic violence victims. This section requires the North Carolina State Bar to disperse funds under this act to legal services organizations that provide legal services to domestic violence victims.

The funds are disbursed to the organizations based on the counties they serve, with each county receiving a fixed 20% amount and the remaining 80% of the funds distributed to the counties based on the rate of actions filed for 50B domestic violence protective orders in that county.

Section 4.2 creates a $100 fee for pro hac vice motions in North Carolina. A pro hac vice occurs when an out of state attorney, who is not licensed to practice law in North Carolina, asks a North Carolina court to allow that attorney to appear in court in North Carolina for one particular case. Currently, North Carolina does not charge any fee for these motions, although many states do.

The fees collected under this section would go to the North Carolina State Bar to fund the Domestic Violence Victim Assistance Act created in Section 4.1.

Part V – Additional Funding for Victim Services

Sections 5.1 through 5.2 appropriates two million dollars from the General Fund to the Department of Administration, to be credited to the Domestic Violence Center Fund. This fund provides grants to agencies that provide direct services for domestic violence victims.

Part VI – Domestic Violence Advocates on Child Fatality Task Force

Sections 6.1 through 6.3 add two domestic violence advocates to the Child Fatality Task Force. This provision removes 2 public members from the task force and adds a representative from the North Carolina Domestic Violence Commission, appointed by the Speaker, and a representative from the North Carolina Coalition Against Domestic Violence, appointed by the President Pro Tempore. The public members being removed shall complete their current terms.

Part VII – Study of Mental Health Services for Domestic Violence Victims

Section 7.1 requires the Department of Health and Human Services to study and develop a plan for serving clients of domestic violence programs with mental health and substance abuse service needs, including providing diagnostic and referral services.

The Department shall make a preliminary report to the House Select Committee on Domestic Violence and the Joint Legislative Oversight Committee on Mental Health, Developmental Disabilities and Substance Abuse Services by October 1, 2004, and a final report to Mental Health Oversight and the General Assembly by January 15, 2005.

Part VIII – Study of CLE Credit for Pro Bono Legal Representation

Section 8.1 requires the North Carolina State Bar, in cooperation with the North Carolina Bar Association, to study the issue of providing Continuing Legal Education (CLE) credit to active attorneys for providing pro bono legal representation. The Bar shall make a preliminary report to the House Select Committee on Domestic Violence by October 1, 2004 and a final report to the General Assembly by January 15, 2005.

Part IX – Domestic Relationship Aggravating Factor

Section 9.1 would amend the portion of the Criminal Procedure Act that applies to aggravating the sentence for a defendant who has been convicted of a felony offense. In felony sentencing, there are three ranges for the sentencing judge to determine a **minimum** sentence length.

Following is an example of the sentencing options for a person who has been convicted of a Class D felony, and who has no prior record points (no prior offenses):

Aggravated Range: 64-80 Months

Presumptive Range: 51-64 Months

Mitigated Range: 38-51 Months

If a court finds that aggravating or mitigating circumstances exist, it may depart from the presumptive range. If the aggravating factors present outweigh the mitigating factors that may be present, then the court may sentence in the aggravated range (and vice versa). [note: if a firearm is used, displayed, or threatened to be used in the course of the offense, a separate statute provides that an additional 60 months may be added to the minimum sentence.]

One of the current statutory aggravating factors is set forth at G.S. 15A-1340.16(d)(15): "The defendant took advantage of a position of trust or confidence to commit the offense." The factor has generally been applied to defendants who have been in a fiduciary relationship with the victim, e.g., embezzled money from the victim.

The proposed amendment would clarify that a defendant may also take advantage of the trust or confidence in a domestic relationship to commit the offense. "Domestic relationship" is not defined in the section; however, domestic violence is defined by statute [G.S. 50B-1(a)], and applies to those whom the defendant has a "personal relationship." G.S. 14-134.3, Domestic Criminal Trespass, has a more restrictive application. It applies to a present or former spouse, or where the parties had lived together as married. The State has the burden of proving that the defendant did, in fact, take advantage of the relationship to commit the offense. If the trial judge sentences in the aggravated (or mitigated) range, then the judge must make written findings.

Part X – Create Strangulation Offense

Section 10.1 would create a new criminal offense: assault by strangulation. The offense would be a Class H felony. The State would have the burden of proving that the defendant attempted to strangle the victim, and cause physical injury by the act of strangulation. A first time offender would be subject to community punishment, intermediate punishment, or an active sentence. The presumptive range for an active sentence would be a minimum of 5-6 months.

Although the term "serious bodily injury" is defined by statute, the terms "serious injury" and "physical injury" are not. Whether or not serious or physical injury has occurred is a jury determination, based upon common law.

Background: "Death by strangulation", is an accepted medical conclusion and finding in North Carolina homicide cases following the introduction of evidence by testifying medical examiners or health care professionals. Symptoms of strangulation include scleral hemorrhaging (blood vessels in the eyes), and a swollen tongue bleeding around the edges.

The act of "non-fatal" strangulation, or the attempt to strangle, may be charged as a "simple assault (Class 2 misdemeanor), or as a Class A1 misdemeanor if the victim is a female (Assault on a Female), or if serious injury is inflicted.

A Class 2 misdemeanant (first time offender) is subject to a maximum of 30 days community punishment. Class A1 misdemeanant (first offense) may receive up to 60 days of community punishment, intermediate punishment, or active sentence.

If a court finds that the perpetrator used his hands as a deadly weapon, and inflicted serious injury, then the defendant may be found guilty as a Class E felon. A Class E felon is subject to either an intermediate punishment, or an active minimum sentence of 20-25 months (presumptive range).

Strangulation has been found to be a significant lethality factor in domestic violence cases. In North Carolina, five of the 74 domestic violence homicide victims in 2002 were strangled to death.

Other Jurisdictions: It is a felony in Missouri to commit a domestic assault by "choking or strangulation". Virginia, as part of its armed robbery statute, provides that if an armed robbery is accomplished by "partial strangulation, or suffocation," then the defendant is subject to a minimum sentence of five years in prison and up to a life sentence.

Part XI – Amend Habitual Misdemeanor Assault Statute

Section 11.1 would amend the Habitual misdemeanor assault statute by:

- Reducing the number of necessary prior convictions from five to two;
- Allowing any prior assault conviction (whether misdemeanor or felony) to count as a prior conviction;
- Require that the assault involved physical injury to the victim; and
- Providing that a conviction of the statutory offense could not be used as a prior felony conviction for any other habitual offense statute.

Currently, an offender must have five prior misdemeanor convictions, two of which are assault convictions, to qualify as a habitual misdemeanor assault offender on a third assault conviction.

Part XII – Domestic Violence Offense Tracking

Section 12.1 would add a new provision to provide for reporting offenses involving domestic violence. In cases involving assault or communicating a threat, the judge would determine whether there was a personal relationship between the offender and the victim. If so, there would be an annotation on the judgment to reflect that the case involved domestic violence. The clerk of court would be required to make the appropriate entry into the offender's official criminal record to reflect that the offense involved domestic violence.

- The offender would have to be in a personal relationship, as defined by statute.
- The entry would be made in all cases (including a murder), where the underlying conduct was assaultive in nature.
- Any person making a lawful inquiry into a person's criminal history would be able to determine that the person had been convicted of an offense involving domestic violence.

If the judge determines that there was a personal relationship, then the judge is also required to determine whether the defendant should be required to comply with any special conditions of probation. Due to an ambiguity in the statutes, the new provision makes clear that the judge may (but is not required to) sentence the defendant to house arrest with electronic monitoring.

Background: Federal law prohibits persons convicted of a misdemeanor involving domestic violence from possessing a firearm. Currently, there is no consistent and uniform method to insure that convictions involving domestic violence are reflected in a person's official criminal record. In addition, although "assault on a female" is generally used in domestic violence cases, there is no accurate method for collecting accurate data on DV cases. Consequently, there has been some difficulty in providing information to assist policymakers in determining whether any changes in the judicial response to DV crimes are needed.

Part XIII – Amend Probation Rules

Section 13.1 allows the Division of Community Corrections, Department of Correction to place an offender on house arrest and electronic monitoring, whether the defendant has been sentenced to community or intermediate punishment. The Division would have this delegated authority unless the presiding judge determines that delegation is not appropriate.

Part XIV – Study of Misdemeanor Offense Classifications

Section 14.1 requires the North Carolina Sentencing and Policy Advisory Commission to study the classification of misdemeanor offenses, and to develop a system for classifying misdemeanor offenses based upon their severity. The Commission is required to examine the classification of assault offenses in relation to property offenses, crimes against society, and felony assault offenses. This section includes a finding by the General Assembly that the classification of assault offenses that cause serious injury as misdemeanors is inconsistent with the Commission's own classification of felonies based upon harm. The Commission is required to report to the 2005 General Assembly, 2005 Regular Session, with its findings and recommendations (status and any completed recommendations). A final report is due to the 2005 General Assembly, 2006 Regular Session.

Background: The Commission has adopted formal criteria for the classification of felony offenses, but did not create any classification criteria for misdemeanors. Although the felony classification criteria includes "serious injury" to the person, the current offense of assault causing serious injury is a misdemeanor.

Part XV – Warrantless Arrest for Violation of Pretrial Release Conditions

Section 15.1 amends the law to provide that if a law enforcement officer has probable cause to believe that a person has violated a condition of a pretrial release order in a domestic violence case, then the officer may arrest the defendant without a warrant. The arrest must be based upon a violation of one of the following provisions of a release order issued under G.S. 15A-534.1(2):

a. That the defendant stay away from the home, school, business or place of employment of the alleged victim;

b. That the defendant refrain from assaulting, beating, molesting, or wounding the alleged victim;

c. That the defendant refrain from removing, damaging or injuring specifically identified property;

d. That the defendant may visit his or her child or children at times and places provided by the terms of any existing order entered by a judge.

A pretrial release order in a domestic violence case may be entered where the defendant has been arrested for assault on, communicating a threat to, domestic criminal trespass, or committing various felonies upon a spouse or former spouse, or upon someone with whom the defendant has lived as if married.

Background: Current law allows an officer to arrest a defendant without a warrant if the officer has probable cause to believe that the defendant has violated a specified condition of a protective order entered under G.S. 50B-4.1 (i.e., threatened, abusing or following the victim; harassing the victim; interfering with the victim; or going to the residence or household of the victim). A person may seek a protective order under G.S. 50B without seeking the arrest of the person alleged to have committed an act of domestic violence.

Part XVI – Conform State Firearms Law to Federal Law

Section 16.1 amends North Carolina law to provide that a person who is a convicted felon may not possess any firearm. A "firearm" would be defined to parallel the definition of "firearm" under federal law. Current State law allows a convicted felon to won guns with a barrel length that is 18 inches or longer, or an overall length of 26 inches or more. It also allows convicted felons to possess any firearm in their home or "place of business".

Background: Under federal law, any person convicted of a felony in North Carolina would be prohibited from owning any type of firearm.

Part XVII – Specifically Allow Cross Warrants

Section 17.1 clarifies that a judicial official cannot refuse to issue a warrant solely because a warrant had been issued for the arrest of another person in the same case.

Background: Information was provided to the Criminal Law issues subcommittee that magistrates were failing to make individual probable cause determinations [as a "policy"] if a warrant had previously been issued in the same matter.

Part XVIII – Clarify Nurse's Privilege

Section 18.1 clarifies that if a written or printed record (as opposed to live testimony) is otherwise admissible (e.g., not excluded by the hearsay rule), then it may be entered into evidence. The nurse's privilege applies to any information that the nurse acquired that was necessary to render professional nursing services. If the information was not necessary to the rendering of services, then the nurse may be required to disclose the information. A presiding judge may compel the disclosure of evidence if the judge believes that its disclosure is necessary for a proper administration of justice.

Background: Generally, the information may be introduced by the custodian of the records of the health care facility where the records are located.

Section 18.2 makes a technical change to add the nurse's privilege (passed last Session), in the provision that excludes evidence of child abuse from the physician-patient privilege in juvenile proceedings.

Part XIX – Temporary Child Custody in Domestic Violence Hearings

Sections 19.1 through 19.6 remove the current limitations under which courts may address temporary custody under Chapter 50B.

Custody under Chapter 50B at the ex parte stage: These sections would amend the law regarding ex parte custody orders by allowing the court to enter orders at that stage if the child is exposed to a substantial risk of physical or emotional injury (not "bodily" injury) or sexual abuse. This would give the court more discretion in deciding when a child is at risk.

The changes would also require the court, if requested by the aggrieved party, to consider whether the other party should stay away from the child, or return the child to, or not remove the child from, the physical case of a parent or person in loco parentis. If the court decides the other party should have contact with the child, it would be required to issue an order specifying the terms of contact to protect the safety of the child and the aggrieved party.

The same provisions would apply to an authorized magistrate issuing an ex parte protective order.

Custody under Chapter 50B at a hearing following notice to the other party: These sections would create new requirements for the court when deciding whether to award temporary custody and visitation rights at a hearing under Chapter 50B after the other party has received notice or service of process. Rather than being discretionary, the court would be required to consider the issue of custody upon the request of either party. However, it would ultimately be within the discretion of the court to decide whether to actually grant an award of custody.

In determining whether custody and visitation should be awarded, the court would be required to consider the following listed factors:

- Whether the child was exposed to a substantial risk of physical or emotional injury or sexual abuse.
- Whether the child was present during acts of domestic violence.
- Whether a weapon was used or threatened to be used during any act of domestic violence.
- Whether a party caused or attempted to cause serious bodily injury to the aggrieved party or the child.
- Whether a party placed the aggrieved party or the child in reasonable fear of imminent serious bodily injury.
- Whether a party caused an aggrieved party to engage involuntarily in sexual relations by force, threat, or duress.
- Whether there is a pattern of abuse against an aggrieved party or the child.
- Whether a party has abused or endangered the child during visitation.
- Whether a party has used visitation as an opportunity to abuse or harass the aggrieved party.

- Whether a party has improperly concealed or detained the child.
- Whether a party has otherwise acted in a manner that is not in the best interest of the child.

If the court decides to award temporary custody, then the court would also be required to consider visitation. If ordering visitation, the court must provide for the safety and well being of both the child and the aggrieved party. The order must give specific parameters or conditions for the visitation, and may include any of the following:

- Exchange of the child in a protected setting.
- Supervised visitation.
- Treatment for the noncustodial parent.
- Restricting either parent from possessing or consuming controlled substances.
- Requiring the noncustodial parent to pay for supervised visitation.
- Prohibiting overnight visitation.
- Requiring a bond for the return of the child.
- Ordering an investigation or appointment of GAL for the child.
- Any other conditions deemed necessary.

Duration of orders: The duration of temporary custody orders entered under Chapter 50B are limited to a maximum of one year. While a protective order can generally be renewed indefinitely, any provisions awarding custody would not be eligible for renewal beyond the initial one year period. In addition, any subsequent custody order entered under Chapter 50 would supersede a temporary order entered under Chapter 50B.

Custody under Chapter 50: G.S. 50-13.2 is amended so that the new provisions set out in Chapter 50B, requiring courts to consider specific listed factors, would apply in all custody cases where the court finds that domestic violence has occurred.

Part XX – Prohibit Employment Discrimination Against Domestic Violence Victims

Sections 20.1 and 20.2 add a section to Chapter 50B prohibiting employers from discriminating against an employee for taking reasonable time off to appear in court when he or she is seeking relief under Chapter 50B. The employee would be required to notify the employer of the reason for the absence and supply documentation to the employer, if requested, to prove that he or she did have to miss work to appear in court.

This provision would be enforced by the Commissioner of Labor pursuant to Article 21 of Chapter 95 (Retaliatory Employment Discrimination). Under Article 21, if an employee feels that a violation has occurred, he or she may file a complaint with the Commissioner, who will initiate an investigation. If the Commissioner determines that there is reason to believe the allegations are true, the Commissioner may try to resolve the alleged violation through informal methods. If the Commissioner is unsuccessful, he or she must file a civil action on behalf of the employee or issue a right to sue letter to the employee enabling the employee to bring a civil action. The court may award any or all of the following types of relief:

- An injunction to enjoin continued violation.

- Reinstatement of the employee.
- Reinstatement of full fringe benefits and seniority rights.
- Compensation for lost wages, lost benefits, and other economic losses. (If the court finds that the violation was willful, the court shall treble the amount of damages awarded.)

Part XXI – Privacy for 50B Intake

Section 21.1 requires the clerk of superior court, whenever feasible, to provide a private area for 50B complainants to fill out forms and make inquiries.

Part XXII – Training for Judges and Court Personnel

Section 22.1 requests the North Carolina Supreme Court to adopt rules establishing minimum standards of education and training for district court judges in handling civil and criminal domestic violence cases.

Section 22.2 directs the Administrative Office of the Courts to study the issue of training for court personnel in the area of domestic violence, and to report its findings and recommendations to the 2005 Regular Session of the 2005 General Assembly.

NORTH CAROLINA GENERAL ASSEMBLY
LEGISLATIVE FISCAL NOTE

BILL NUMBER: House Bill 1354 (Second Edition)

SHORT TITLE: Strengthen Domestic Violence Laws.

SPONSOR(S): Representatives Sherrill and McLawhorn

FISCAL IMPACT

	Yes (x)	No ( )	No Estimate Available ( )		
	FY 2004-05	**FY 2005-06**	**FY 2006-07**	**FY 2007-08**	**FY 2008-09**
REVENUES:	$1,000,000	$1,000,000	$1,000,000	$1,000,000	$1,000,000
OPERATING EXPENDITURES:	$3,910,824	$18,954,737	$30,806,406	$5,931,101**	$5,961,547**
Department of Correction-Operating	-	$13,086,150	$24,909,423	No est. avail**	No est. avail**
Department of Correction-Capital	There are no available prison beds in this time frame. This note assumes the use of contractual prison beds ($57.92 per bed per day). In the long term, due to the limited availability of contractual beds, the State will need to construct new cells at $56,500 per bed. Construction would have to begin in FY 04-5 for beds to be available in FY 07-08.				
Judicial Branch	$1,809,068	$3,293409	$3,293,409	$3,293409	$3,293409

Community College System	-	$453,422	$481,818	$515,936	$546,382
POSITIONS TOTAL:	27	-	-	-	-
Judicial Branch	25				
Department of Justice	2				

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Administrative Office of the Courts, Department of Correction, Department of Justice, Department of Administration, Community College System.

EFFECTIVE DATE: Upon ratification, except criminal penalty section: December 1, 2004. *This fiscal analysis is independent of the impact of other criminal penalty bills being considered by the General Assembly, which could also increase the projected prison population and thus the availability of prison beds in future years. The Fiscal Research Division is tracking the cumulative effect of all criminal penalty bills on the prison system as well as the Judicial Department.*

BILL SUMMARY: Effective for offenses committed on or after Dec. 1, 2004, adds new GS 15A-1353(b)(12) to make as regular probation condition that defendant attend and complete abuser treatment program if court finds defendant is responsible for acts of domestic violence and there is program, approved by Domestic Violence Commission, reasonably available to defendant, unless court finds program would not be in best interests of justice. Effective for offenses committed on or after Dec. 1, 2004, amends GS 143B-262 to require Department of Correction, in consultation with Domestic Violence Commission, to establish domestic violence treatment program for offenders sentenced to term of imprisonment in custody of Department and whose record includes court finding that offender committed acts of domestic violence; requires offender to complete program before completing incarceration, with specified exception. Amends various provisions in GS Ch. 17C and 17E to require specified entry-level and in-service domestic violence training for law enforcement officers; amount of training hours and effective dates for training to be determined by the Standards Commission. Requires Department of Public Instruction, in collaboration with State Board of Education, to study issue of anti-violence programs in schools and training for school personnel dealing with students who are victims of domestic and relationship violence; specifies reporting dates to legislative committees.

Adds new Art. 37B to GS Ch. 7B to create Domestic Violence Victim Assistance Act. Funds appropriated under art. shall be used to (1) provide legal assistance to domestic violence victims; (2) provide education to domestic violence victims concerning their legal rights and duties; and (3) involve private bar in representation of domestic violence victims. Emphasis to be placed on representing clients needing legal assistance with GS Ch. 50B proceedings. Funds to be provided to NC State Bar for provision of direct services by and support of established legal services programs as specified in bill; State Bar to report as specified in bill to General Assembly on use and disbursement of funds. Amends GS 84-4.1 (limited practice of out-of-state attorneys) to add $100 fee with motion to practice in NC, with funds being remitted to NC State Bar for above-described act; effective for motions filed on or after July 1, 2004.

Effective July 1, 2004, appropriates $2 million for 2004-2005 from General Fund to Department of Administration, to be credited to Domestic Violence Center Fund established under GS 50B-9. Amends GS 7B-1402 to add following members to Child Fatality Task Force: (1) representative from NC Domestic Violence Commission, appointed by House Speaker upon recommendation by Commission Director; and (2) representative from NC Coalition Against Domestic Violence, appointed by Senate Pres. Pro. Tem upon recommendation of coalition's Executive Director. Deletes two public members from Commission. Requires Department of Health and Human Services to study and develop plan for serving clients of domestic violence

programs with mental health and substance abuse service needs; specifies reporting to legislative committee. Requires NC State Bar, in cooperation with NC Bar Association, to study issue of providing CLE credit to attorneys for providing pro bono legal representation, and specifically for such representation to domestic violence victims; specifies reporting to legislative committee.

Effective for offenses committed on or after Dec. 1, 2004, (1) amends statutory aggravating factor in GS 15B-1340.16(d)(15) (taking advantage of position of trust) to specifically include domestic relationship; (2) amends GS 14-32.4 to provide that person who assaults another person and inflicts physical injury by strangulation is guilty of Class H felony; (3) amends GS 14-33.2 (habitual misdemeanor assault) to require proof of two or more prior convictions for either misdemeanor or felony assault (now, requires proof of five or more prior misdemeanor convictions, two or which were misdemeanor assaults); provides that conviction of GS 14-33.2 may not be used as prior conviction for any other habitual offense statute; and (4) amends GS 15A-1343.2(e) (delegation to probation officer in community punishment) to add within delegation probationer's submission to curfew requiring probationer to remain in specified place for specified period each day and wear electronic monitoring device.

Effective for offenses committed on or after Dec. 1, 2004, adds new GS 15A-1382.1 to provide that when defendant is convicted of offense involving assault or communicating threat and judge determines that victim had personal relationship [as defined in GS 50B-1(b)] between defendant and victim, then judge must indicate on judgment that case involved domestic violence; clerk must insure that official record of defendant's conviction includes this determination. If community punishment is imposed, court must determine whether defendant must comply with special conditions of probation under GS 15A-1343(b1); judge is also authorized to require electronic monitoring under GS 15A-1343(b1)(3c), despite the provisions of GS 15A-1340.11(6)c.

Directs Sentencing and Policy Advisory Commission to study classification of misdemeanor offenses, particularly classification of assault offenses in relation to property offenses, crimes against society, and felony assault offenses; Commission to develop system for classifying misdemeanor offenses based on their severity. Specifies reporting to General Assembly.

Effective for offenses committed on or after Dec. 1, 2004, amends GS 15A-401(b)(2) to authorize law enforcement officer to make arrest without arrest warrant when defendant has violated pretrial release order entered under GS 15A-534.1(2) (apparently intends (a)(2), which concerns judge's imposition of conditions when defendant was released after being charged with domestic violence crime). Effective for offenses committed on or after Dec. 1, 2004, amends GS 14-415.1 to prohibit convicted felon from possessing any firearm (now, only handgun or firearm with barrel length less than 18 inches or overall length less than 26 inches). Deletes provision that allows convicted felon to possess firearm in own home or place of business. Amends GS 15A-304 to provide that judicial official may not refuse to issue arrest warrant solely because prior arrest warrant had been issued for another person involving same matter.

Effective for actions filed on or after Oct. 1, 2004, amends GS 50B-2(c) (ex parte order by judge) and (d) (ex parte order by authorized magistrate) to permit, if court or magistrate finds that child is exposed to substantial risk of physical or emotional injury or sexual abuse, on request of

aggrieved party, court or magistrate may order other party to stay away from minor child, or return minor child to, or not remove minor child from, physical care of parent or person in loco parentis, if court or magistrate finds order is necessary for child's safety. Court or magistrate may specify terms of contact, if permitted, between minor child and other party, as set out in bill.

Effective for actions filed on or after Oct. 1, 2004, (1) adds new GS 50B-3(a1) to provide that, on request of either party at hearing after notice or service of process, court shall consider and may award temporary custody of minor children and establish temporary visitation rights as set out in bill; (2) amends GS 50B-3(b) to provide that temporary award of custody may not be renewed to extend such custody beyond maximum one-year period; (3) adds new GS 50B-5.5 and amends GS 95-241(a) to prohibit employment discrimination against domestic violence victims.

Requests NC Supreme Court to adopt rules establishing minimum standards of education and training for district court judges in handling civil and criminal domestic violence cases. Requires Administrative Office of Courts to study issue of training for court personnel in domestic violence issues and report findings and recommendations to 2005 legislative session.

Source: Bill Digest H.B. 1354 (05/11/2004)

ASSUMPTIONS AND METHODOLOGY: This domestic violence legislation makes large-scale changes to criminal law statutes as well as numerous other aspects of the law affecting the appropriations process. This fiscal note will examine the bill by section.

Section I requires all domestic violence offenders sentenced to the Department of Correction either for probation or prison to complete an abuser treatment program. This requirement will have costs, which cannot be determined exactly, because offender information systems, both in the courts and Corrections, do not identify offenders as perpetrators of domestic violence. A subsequent section of the bill (Part XII) directs the Administrative Office of the Courts (AOC) to develop a tracking measure within its Automated Court Information System (ACIS) to identify these offenders.

For offenders sentenced to probation, this bill moves participation in an abuser treatment program from the list of optional conditions to the mandatory list, assuming a program is "reasonably available." These programs currently exist in 76 counties, and are funded by the Domestic Violence Commission in the Department of Administration. They may not have capacity for all probationers as currently funded. The Division of Prisons will need to work with the Domestic Violence Commission to develop a program appropriate for abusers that takes into account the Division's other offender management priorities, such as inmate disciplinary status, as well as the length of sentence.

Section II requires domestic violence training for entry-level law enforcement officers, as well as regular in-service training for active law enforcement officers. This section would have fiscal impact upon both the Department of Justice and the Community Colleges. The Department of Justice would require two additional positions to coordinate and perform the in-service training requirement in the bill, costing $121,000 per year.

The Community College System provides Basic Law Enforcement Training (BLET), where the additional entry-level training would be added under this bill. Adding time to the BLET curriculum, based on current-year full-time equivalents, would be around $450,000 in the second year of the analysis time-frame, going up to $546,000 by year 5 due to enrollment increases. Any costs for in-service training in the Community Colleges cannot be determined.

Section III directs the Department of Public Instruction to study the issue of anti-violence programs in the schools, as well as training for school personnel in dealing with students who are victims of abuse. This section is not expected to have any fiscal impact.

Section IV creates a new fund to provide legal services for domestic violence victims. This fund would be administered by the State Bar, and would be funded by a new $100 *pro hac vice* fee, a fee charged to attorneys not licensed in North Carolina who wish to participate in a case here. The Administrative Office of the Courts estimates the fee could generate $1 million per year. The funds will be passed through to the State Bar to be used in individual counties on a formula basis: 20% of the funds shall be based on an even-share basis, 80% based on the rate of domestic violence protective orders issued under GS 50B in that county. This section becomes effective July 1, 2004.

Section V appropriates $2 million recurring from the General Fund to the Domestic Violence Center Fund. This section becomes effective July 1, 2004.

Section VI adds two domestic violence advocates to the Child Fatality Task Force. This section has no expected fiscal impact.

Section VII directs the Department of Health and Human Services to study and develop a plan for serving clients of domestic violence programs with mental health and substance abuse needs. As this section requires a study, it has no expected fiscal impact. The findings of the study, due to the 2005 session of the General Assembly, may have fiscal impact.

Section VIII directs the State Bar to study the issue of providing Continuing Legal Education credit to active attorneys for pro bono legal representation in domestic violence proceedings for victims. This section has no expected fiscal impact.

Section IX modifies an existing felony aggravating factor, which can be used to extend a sentence to prison; the factor allows sentence enhancement for abuse in a position of trust, including a domestic relationship. This may have some fiscal impact, but cannot be projected since aggravating factors reflect judicial discretion within the sentencing grid.

Section X creates a Class H felony for assault by strangulation inflicting serious injury. The new strangulation assault offense may have significant impact on the prison population, as well as court operations. The offense represents roughly $1.3 million in court impact in the first year. Felonies are usually tried in Superior Court rather than District Court; felony trials also generally take

longer than misdemeanor trials. Trials in Superior Court involve juries and much more prosecutor preparation time. AOC also expects the trial rate to increase. Misdemeanor offenses often result in guilty pleas, rather than trials. Defendants charged with felonies are more likely to go to trial than to plead, one estimate suggests they are twice as likely to go to trial. Given the high volume of assault cases, any increase in felony trial rate can result in large impact on court resources.

Based on a survey of District Attorneys as to the frequency of strangulation as a component of existing assault crimes, the AOC estimates that there will be 5,665 charges of the new Assault Involving Strangulation offense. These cases would most likely be tried in Superior Court, although District Court judges can hear guilty pleas in Class H felony cases. These additional costs are based on higher costs of running trials in Superior versus District Court. In order to deal with this higher court caseload, the AOC will need two additional Superior Court judges, two court reporters, six Assistant District Attorneys, and two deputy clerks of court.

Since strangulation is a new offense, the Sentencing Commission does not have any historical data from which to estimate the impact of this bill on the state prison population. It is not known how many offenders might be sentenced under this bill. If, for example, there were three Class H convictions for this offense per year, the combination of active sentences and probation revocations would result in the need for one additional prison bed the first year and two additional prison beds the second year.

The Sentencing Commission did attempt, however, to project the scope of impact resulting from this change using the AOC's District Attorney survey. According to data extracted by the AOC, there were 21,805 defendants charged with simple assault, 2,241 defendants charged with assault inflicting serious injury, 29,248 defendants charged with assault on a female, and 11,955 defendants charged with other Class A1 misdemeanor assaults. The AOC estimates that physical injury by strangulation was involved in the following:

- 7% (n=1,527) of simple assault cases;
- 12% (n=269) of assault inflicting serious injury cases;
- 12% (n=3,510) of assault on a female cases;
- 3% (n=359) of other Class A1 misdemeanor assault cases.

An estimated 5,665 cases may be affected by this proposal. In FY 2002-03, 32.9% of offenders convicted of a Class H felony received an active punishment with an average estimated time served of 10.5 months. The remaining 67.1% of offenders convicted of a Class H felony received a non-active punishment. The revocation rate for these offenders was 49.5%. Assuming that 29.3% of Class H charges result in Class H convictions, there would be an estimated 1,660 convictions for this offense per year. If this were the case, the combination of active sentences and probation revocations would result in the need for 478 additional prison beds the first full year (2005-06) of operation and 961 additional prison beds the second year (2006-07). Because this is a new crime and the projection must be based on survey data rather than existing judicial practice, the Sentencing Commission cannot use its simulation model to forecast impact. Instead, they are providing a two-year projection based simply on current numbers and expected growth. These offenders, at Class H, would not be expected to stack up in the system due to long sentences.

Rows 4 and 5 in the following chart show the impact of this bill. As shown in bold in the chart below, the Sentencing Commission estimates this specific legislation might add up to 1,091 inmates to the prison system by the end of FY 2006-07.

	June 30 2004	June 30 2005	June 30 2006	June 30 2007	June 30 2008
1. Projected No. Of Inmates Under Current Structured Sentencing Act[1]	35,851	36,787	37,739	38,687	39,557
2. Projected No. of Prison Beds (DOC Expanded Capacity)[2]	34,561	34,729	34,729	34,729	34,729
3. No. of Beds Over/Under No. of Inmates Under Current Structured Sentencing Act	-1,290	-2,058	-3,010	-3,958	-4,828
4. No. of Projected Additional Inmates Due to this Bill[3]	0	0	521	1,091	N/A
5. No. of Additional Beds Needed Each Fiscal Year Due to this Bill[3]	0	0	521	570	N/A

These beds would be over and above those already needed by the prison system, so they would have to be procured either by finding space through contracts and temporary beds or constructing new prison facilities. As a practical matter, some temporary or contractual beds will be needed to carry forward until new facilities could be constructed. Projecting from current average incarceration costs per day of $57.92, and assuming 3% annual inflation, we assume the annual operating cost for a prison bed to be $23,100 for 2005-06, and $23,793 for 2006-07. Applying these rates to the numbers projected for the strangulation offense, we expect a cost to the Department of Correction of $11,041,800 in 2005-06 and $22,865,073 in 2006-07.

---

[1] The Sentencing and Policy Advisory Commission prepares inmate population projections annually. The projections used for incarceration fiscal notes are based on January 2003 projections. These projections are based on historical information on incarceration and release rates under Structured Sentencing, crime rate forecasts by a technical advisory board, probation and revocation rates, and the decline (parole and maxouts) of the stock prison population sentenced under previous sentencing acts.

[2] Projected number of prison beds is based on beds completed or funded and under construction as of 12/14/02. The number of beds assumes the Department of Correction will operate at an Expanded Operating Capacity (EOC), which is the number of beds above 100% or Standard Operating Capacity. The EOC is authorized by previous court consent decrees or departmental policy. ***These bed capacity figures do not include the potential loss in bed capacity due to any proposals in the 2003 Session to eliminate prison beds or close prisons. Figures include three new prisons due to open in 2003-04.***

[3] Criminal Penalty bills effective December 1, 2003 will only affect inmate population for one month of FY 2003-04, June 2004, due to the lag time between when an offense is committed and an offender is sentenced.

Assuming that the Department will construct new beds for the longer-term effects of this legislation, the Department would need to begin planning construction of new facilities to expand capacity by about 1,000 beds (strangulation as well as the Habitual Misdemeanant statute discussed below). Using an average of the construction costs of minimum and medium prison beds ($56,500), the cost of 1,000 new beds would be $56,500,000.

Section XI amends the Habitual Misdemeanor Assault statute so that a conviction of an assaultive misdemeanor, when the offender has two prior assault convictions and the assault causes physical injury, becomes a Class H felony. This bill changes the existing habitual misdemeanor offense by lowering the threshold at which an offender qualifies for the charge. Under current law, an offender must have been convicted of five prior misdemeanors, two of which are assaults, in order to be charged as a habitual misdemeanant. The AOC estimates that an additional 1,527 offenders would be eligible for the habitual misdemeanor charge given the lower threshold under this bill, and that 24% of them (366) would likely be charged as such, based on the survey of District Attorneys. This increase would likely cost the court system about $65,000 in the first year of the bill's effective date. This section would add approximately 130 prison beds to the capacity need, assuming that 100% of the offenders convicted under this statute received an active sentence. If judges sentenced these offenders using similar practice to existing Class H felonies, this section would only add 45 new beds by year 2 (2006-07).

Assuming the same prison operating costs as for Section X, we would assume that prison costs for this section to range from $1,039,500 to $3,049,200 in each year.

Section XII provides for a reporting system in the Administrative Office of the Courts to record whether an offense involves domestic violence. This section also authorizes the use of house arrest for offenders placed on Community Supervision; house arrest is currently authorized only for Intermediate offenders. Program development for the reporting system would require $132,000 for contractual programmers and implementation training. The courts also expect an increase in trial time to establish the existence of the domestic relationship, costing about $290,000. There is no estimate on the impact of the house arrest provision.

Section XIII amends the Delegated Authority statute that allows the Department of Correction to enhance a probationer's punishment without returning to court in response to violations. This provision allows probation officers to place a Community offender on electronic house arrest. Delegated Authority is seldom used, and hence impact cannot be projected from this section.

Section XIV directs the Sentencing Commission to study misdemeanor offense classifications. The Sentencing Commission estimates a need for $20,000 for contractual consulting services and travel to perform the research and analysis necessary for this study.

Section XV authorizes warrantless arrest for violation of a pretrial release order. This may result in more jail beds used for pretrial abusers, but there is no information on which to base an impact estimate.

Section XVI makes conforming changes to state firearm laws to mirror existing federal law. It is expected to have no state level fiscal impact.

Section XVII prohibits a judicial official from refusing to issue a warrant for arrest solely because a prior warrant has been issued for the arrest of another person involved in the same matter. This is expected to have no fiscal impact on the state.

Section XVIII amends the nurse's privilege laws to clarify that the privilege does not preclude the admission of otherwise admissible written or printed medical records. This should have no fiscal impact.

Section XIX expands the circumstances under which a temporary child custody award may be made as part of an ex parte domestic violence protective order and gives the court specific factors to consider in deciding custody in domestic violence cases. A survey of District Court judges implies no significant fiscal impact from this change.

Section XX prohibits employers from firing, or otherwise discriminating against, an employee because the employee has taken time off work to seek relief under Chapter 50B.

Section XXI requires Clerks of Superior Court, where feasible, to provide a private area for complainants in domestic violence cases filing for protective orders under GS 50B to fill out forms and ask questions. Court facilities are the responsibility of county governments; as such, providing private space for handling domestic violence cases does not affect state resources. The AOC has conducted a survey of clerks, and has learned that many already have provision for private space, either through construction or through creative use of existing space.

Section XXII requests that the Supreme Court adopt rules establishing domestic violence training requirements for judges and requires AOC to study the issue of domestic violence training for other court personnel. As this is a study provision, no cost is expected, but the study's findings may indicate the need for future expansion of the AOC training budget.

Section XXIII is the effective date of the whole bill. It is effective upon ratification, except that the criminal penalty sections, IX, X, and XI, are effective on December 1, 2004, which is the standard date for criminal law changes.

HOUSE BILL 1655

Short Title:	Incentive for Higher Wages.	(Public)
Sponsors:	Representatives Luebke; Insko and Womble.	
Referred to:	Finance.	

May 25, 2004

A BILL TO BE ENTITLED

AN ACT TO LIMIT THE CORPORATE DEDUCTION FOR EXCESSIVE COMPENSATION OF CORPORATE EXECUTIVES RELATIVE TO RANK AND FILE EMPLOYEES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-130.5(a) is amended by adding a new subdivision to read:

"(16) The amount by which the corporation's deduction under section 162 of the Code for compensation paid to any employee or officer for the taxable year exceeds an amount equal to 50 times the annual compensation of the corporation's lowest paid full-time employee for the taxable year."

SECTION 2. This act becomes effective for taxable years beginning on or after January 1, 2004. Notwithstanding G.S. 105-163.41, no addition to tax may be made under that statute for a taxable year beginning on or after January 1, 2004, and before January 1, 2005, with respect to an underpayment of corporation income tax to the extent the underpayment was created or increased by this act.

HOUSE BILL 1655:
Incentive for Higher Wages

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Luebke
Date:	June 17, 2004	**Summary by:**	Trina Griffin
Version:	1st Edition		Committee Counsel

SUMMARY: House Bill 1655 would limit the corporate deduction for employee compensation to an amount not to exceed 50 times the compensation paid to the corporation's lowest paid full-time employee for the taxable year.

This act would become effective for taxable years beginning on or after January 1, 2004.

CURRENT LAW: Section 162 of the Internal Revenue Code allows as a deduction all the ordinary and necessary expenses paid or incurred during the taxable year in carrying on any trade or business, including a reasonable allowance for salaries, wages, commissions, bonuses, or other compensation it pays to its employees for personal services actually rendered. To be deductible, the compensation must be ordinary and necessary, reasonable in amount, based on services rendered, and actually paid or incurred in the year for which the deduction is claimed as shown by payroll records.

Congress enacted legislation in 1993 to limit the corporate tax deductibility of executive pay. Under current law, Section 162(m) limits the corporate tax deduction for compensation paid to the CEO and the next four highest-paid executive officers to $1 million per person. This cap represented roughly the median level of total compensation for large firms' CEOs at the time the legislation was enacted.

BILL ANALYSIS: House Bill 1655 would limit the corporate deduction for employee compensation by requiring an add-back to federal taxable income at the State level in an amount by which the federal deduction under IRC §162 exceeds an amount equal to 50 times the annual compensation of the corporation's lowest paid full-time employee for the taxable year.

For example, if a corporation employs an individual with an annual salary of $1,000,000 (and that salary is eligible for a deduction under IRC §162) and the lowest paid employee earns $15,000 per year, then the corporation would be required to add $250,000 back to its federal taxable income for purposes of determining State net income.

$15,000		$1,000,000
x 50	→	-$750,000
$750,000		$250,000

This act would become effective for taxable years beginning on or after January 1, 2004. The bill also provides that corporations would not be assessed penalties for any underpayment during the current tax year to the extent the underpayment of tax was created as the result of this act.

FISCAL ANALYSIS MEMORANDUM

[This confidential fiscal memorandum is a fiscal analysis of a draft bill, amendment, committee substitute, or conference committee report that has not been formally introduced or adopted on the chamber floor or in committee. This is not an official fiscal note. If upon introduction of the bill you determine that a formal fiscal note is needed, please make a fiscal note request to the Fiscal Research Division, and one will be provided under the rules of the House and the Senate.]

RE: HB 1655 (First Edition)

FISCAL IMPACT

Yes ( ) **No ( )** **No Estimate Available (x)**

	FY 2004-05	FY 2005-06	FY 2006-07	FY 2007-08	FY 2008-09
REVENUES:					
State General Fund					

PRINCIPAL DEPARTMENT AFFECTED: The corporate income tax is administered by the Department of Revenue. The enactment of the bill is not expected to affect the budget requirements of the Department.

BILL SUMMARY: Requires a corporation to add back to taxable income the amount by which the corporation's deduction under federal tax code for compensation paid to an employee or officer exceeds an amount equal to 50 times the annual compensation of the corporation's lowest paid full-time employee. The change is effective for tax years beginning on or after Jan. 1, 2004. Allows an exemption from the penalty for underpayment of estimated taxes for a tax year beginning during the 2004 calendar year if the underpayments result from the enactment of this bill.

ASSUMPTIONS AND METHODOLOGY: For the purpose of this analysis it was assumed that the lowest paid fully employed worker in a company earns the minimum wage of $5.15 per hour. This is equivalent to $10,300 per year based on 50 weeks of work.

A review of the annual shareholder reports of a wide variety of companies indicates that for many companies the amount of compensation that would no longer be deductible is fairly small. For example, the amount is around .25% of net income for mid-sized companies. For the largest companies, the share was as low as .075% due to the fact that there is a "fixed cost" part of the compensation package (if net income for Company A is 100 times the amount for Company B, the compensation of high-level executives in Company A will be less than 100 times the amount of compensation in Company B). .

Another issue affecting the estimate has to do with different company practices for expensing stock options. This has been a controversial issue in the financial reporting industry and is important issue due to the fact that options have become a significant share of the total compensation package of top executives.

A third issue is that since 1993 there has been an expense cap of $1 million for the compensation of top executives of public companies. Thus, the expense base for federal tax purposes is not the full amount of the compensation.

Finally, the number of employees whose compensation would be affected by the bill is fairly small. In a typical company there would be about 5 executives affected and some of these would have a compensation package that exceeds the threshold by a small amount.

The determination of the additional General Fund revenue under this act would require a very detailed review by the Department of Revenue of actual tax returns as well as research into 10-K reports and shareholder statements of publicly-traded corporations. Based on the data we have available at the present time, the potential revenue gain under the bill is fairly small, relative to the size of the corporate tax base.

HB 1655

Golden parachute limits studied

Taxes would be paid based on lowest worker's pay

BY ANNE KRISHNAN
akrishnan@heraldsun.com; 419-6642

Some state lawmakers are trying to take the air out of the golden parachutes used by executives in North Carolina.

Created in the 1980s as million-dollar payouts for officials who lost their jobs following a merger or acquisition, so-called golden parachutes have become expected parts of executives' employment contracts.

LUEBKE

And now executives don't have to lose their jobs to collect millions under these change in control agreements.

As Rep. Paul Luebke, D-Durham, has watched executive compensation skyrocket and golden parachutes proliferate, he's become concerned about the disparity between companies' lowest and highest paid employees.

To tackle the issue, Luebke and two other legislators have introduced a bill that caps the level at which companies would be able to deduct executive pay, including golden parachutes, from their taxes as business expenses.

The bill, which will be discussed in the House finance committee on Thursday, would require companies to pay taxes on the amount that an executive's compensation exceeds 50 times the pay of its lowest employee, Luebke said.

So if a company's lowest-paid worker makes $20,000 a year, individual executives wouldn't be able to make more than $1 million a year without the company los-

see PARACHUTE | page B2

PARACHUTE

FROM PAGE B1

ing a tax deduction, he said. If the company raises that employee's salary to $30,000 a year, executive pay would theoretically be capped at $1.5 million.

Luebke hopes the bill would help curb the types of payouts that executives with Central Carolina Bank's parent company will receive as a result of arranging the bank's merger with Atlanta-based SunTrust Banks.

"Although the CCB golden parachutes were not the immediate impetus for my bill, the phrase 'golden parachute bill' captures very well the kinds of extremely high business expenses that North Carolina taxpayers ought not to be subsidizing via corporate income tax deductions," he said.

According to documents filed with the Securities and Exchange Commission, seven National Commerce Financial executives will share golden parachutes worth $17 million in severance pay when the merger becomes effective — even if they don't lose their jobs. The executives also will receive immediate vesting in stock options potentially worth tens of millions more, as well as unspecified retention bonuses of SunTrust stock.

NCF Chief Executive William R. Reed stands to receive at least $2.5 million, while chief operating officer Richard Furr, who's based in Durham, and chief credit officer J. Scott Edwards could receive more than $2 million apiece. Under Luebke's bill, NCF's lowest paid worker would have to make $50,000 for Reed's entire golden parachute to be tax deductible in North Carolina.

"There's a fairly widespread belief among our citizens that CEO compensation is pretty out of control," Luebke said. "[The bill] might encourage a company to think twice before giving such a high level of golden parachutes."

Standard practice

Federal tax law also penalizes executives and their companies for "excessive golden parachutes." If change-in-control payments are more than three times greater than the executive's average compensation over the past five years, the executive must pay excise taxes and the company loses its federal tax deduction over a certain level.

According to NCF's regulatory filing, the company will reimburse its executives if their golden parachutes incur federal excise taxes.

An NCF spokeswoman declined to discuss the specifics of the bank's golden parachutes. The company doesn't discuss employee contracts, she said, noting that change-in-control contracts are standard in the banking industry.

"We're in an industry that has a lot of mergers, and employee contracts are in place to make sure the team is retained," spokeswoman Eileen Sarro said.

Golden parachutes have indeed become expected parts of executive compensation packages, said Virginia Rosenbaum, a senior analyst with the Investor Responsibility Research Center, a research and consulting firm based in Washington, D.C.

The IRRC said in a January report that more than 73 percent of companies it analyzed had golden parachute provisions. Two years ago, the IRRC noted golden parachutes at 67.7 percent of the companies it studied.

Golden parachutes arose alongside corporate takeover defenses such as poison pills as part of the leveraged buyout wave of the 1980s, said Robert Bushman, an accounting professor at UNC's Kenan-Flagler School of Business.

The practice was originally conceived as an incentive for officers to pursue high-value mergers or acquisitions for their companies, even if it meant they might lose their jobs, said Michael Bradley, a corporate finance professor at Duke University's Fuqua Business School.

But by the early to mid-1990s, the golden parachute's mechanics had changed for many companies, he said. "It shifted to where it was the change in control, not the leaving of office, that triggered the parachute."

While critics focus on the fact that golden parachutes enhance executives' wealth, scholars said the bonuses often continue to serve their original purpose by encouraging leaders to sell their companies to create value for shareholders.

Even if executives don't lose their jobs, in agreeing that their companies will be acquired they're also agreeing to "be smaller fish in a bigger sea," Bushman said. "Looking at ego, it's possible that would cause a management team to be reluctant to allow the takeover to occur when they're running the show."

Executives who stay in smaller roles with the merged company frequently receive retention bonuses on top of their other golden parachutes, Bradley said.

"They have a lot of firm-specific capital that the acquirer would like to utilize," he said.

Razor's edge

Bradley and Bushman acknowledged that golden parachutes could — like anything — be abused.

"It's a razor's edge," Bradley said. "You want to give them incentive to give up control if there's a higher valued bidder, but not so much incentive that they sell the firm too cheaply."

For instance, newspaper reports surfaced in September 2002 that executives of the Maryland CareFirst Blue Cross plan asked for millions in bonuses as a condition of being purchased by Virginia's for-profit Trigon Blue plan. When Trigon turned down the nonprofit insurer's request, CareFirst agreed to sell itself to California's WellPoint Health Networks, which offered bonuses and severance packages totaling $119.7 million to CareFirst executives.

Maryland's insurance commissioner blocked the proposed acquisition in March 2003, ruling that CareFirst executives didn't exercise due diligence in deciding to sell the company, choosing a buyer and negotiating the sale's terms and conditions. The purchase price didn't reflect CareFirst's fair value, Commissioner Steven Larsen wrote in his decision.

While activist shareholders have been looking closely at corporate governance for decades, scandals at companies such as Enron and Tyco have made the public highly sensitized to the subject, Bushman said.

In the end, it's impossible to know how much executives are truly motivated by golden parachutes, he said.

"You've got to look at the outcome," Bushman said.

Under the terms of the $6.98 billion deal announced May 9, NCF shareholders would receive $8.625 plus 0.3713 SunTrust share for each NCF share. Based on SunTrust's closing price on the Friday before the merger was announced, the transaction was valued at $33.46 per NCF share. That's a 19 percent premium over National Commerce's closing stock price on Thursday, May 6 — the day before NCF shares surged 13 percent on speculation a deal was imminent.

"For a bank, I think that's a pretty good premium," Bradley said.

HOUSE BILL 1661
PROPOSED COMMITTEE SUBSTITUTE H1661-CSLA-59 [v.3]

6/14/2004 5:06:35 PM

Short Title: Cap Gas Tax Variable Rate. (Public)

Sponsors:

Referred to:

May 26, 2004

A BILL TO BE ENTITLED

AN ACT TO CAP THE VARIABLE WHOLESALE COMPONENT OF THE MOTOR FUELS TAX RATE AND INCREASE THE AMOUNT OF TAX DISTRIBUTED TO VARIOUS FUNDS AND ACCOUNTS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-449.80(a) reads as rewritten:

"(a) Rate. – The motor fuel excise tax rate is a flat rate of seventeen and one-half cents (17 1/2¢)a gallon plus a variable wholesale component. The variable wholesale component is either three and one-half cents (3 1/2¢) a gallon or seven percent (7%) of the average wholesale price of motor fuel for the applicable base period, whichever is greater. In no case may the variable wholesale component be greater than seven and one-tenth cents (7.1¢) a gallon.

The two base periods are six-month periods; one ends on September 30 and one ends on March 31. The Secretary must set the tax rate twice a year based on the wholesale price for each base period. A tax rate set by the Secretary using information for the base period that ends on September 30 applies to the six-month period that begins the following January 1. A tax rate set by the Secretary using information for the base period that ends on March 31 applies to the six-month period that begins the following July 1."

SECTION 2. G.S. 105-449.125 reads as rewritten:

"**§ 105-449.125. Distribution of tax revenue among various funds and accounts.**

The Secretary shall allocate the amount of revenue collected under this Article from an excise tax of ~~one-half cent (1/2¢)~~eight-tenths cent (0.8¢) a gallon to the following funds and accounts in the fraction indicated:

Fund or Account	Amount
Commercial Leaking Petroleum Underground Storage Tank Cleanup Fund	~~Nineteenthirty-seconds~~ Seventeen twenty-fifths

Noncommercial Leaking Petroleum Underground Storage Tank Cleanup Fund	Three ~~thirty-seconds~~ twenty-fifths
Water and Air Quality Account	~~Five-sixteenths.~~One-fifth.

The Secretary shall allocate seventy-five percent (75%) of the remaining excise tax revenue collected under this Article to the Highway Fund and shall allocate twenty-five percent (25%) to the Highway Trust Fund.

The Secretary shall charge a proportionate share of a refund allowed under this Article to each fund or account to which revenue collected under this Article is credited. The Secretary shall credit revenue or charge refunds to the appropriate funds or accounts on a monthly basis."

SECTION 3. Section 1 of this act is effective when it becomes law and applies to rates set on or after that date. Section 2 of this act becomes effective for distributions made on or after July 1, 2004. The remainder of this act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO CAP THE VARIABLE WHOLESALE COMPONENT OF THE MOTOR FUELS TAX RATE AT ITS CURRENT RATE.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-449.80(a) reads as rewritten:

"(a) Rate. – The motor fuel excise tax rate is a flat rate of seventeen and one-half cents (17 1/2¢)a gallon plus a variable wholesale component. The variable wholesale component is either three and one-half cents (3 1/2¢) a gallon or seven percent (7%) of the average wholesale price of motor fuel for the applicable base period, whichever is greater. In no case may the variable wholesale component be greater than six and eight-tenths cents (6.8¢) a gallon.

The two base periods are six-month periods; one ends on September 30 and one ends on March 31. The Secretary must set the tax rate twice a year based on the wholesale price for each base period. A tax rate set by the Secretary using information for the base period that ends on September 30 applies to the six-month period that begins the following January 1. A tax rate set by the Secretary using information for the base period that ends on March 31 applies to the six-month period that begins the following July 1."

SECTION 2. This act is effective when it becomes law and applies to rates set on or after that date.

HOUSE BILL 1661:
Cap Gas Tax Variable Rate

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	Rep. Decker
Date:	June 16, 2004	**Analysis by:**	Martha Walston
Version:	H1661-CSLA-59		Committee Counsel

SUMMARY: The proposed committee substitute for House Bill 1661 does two things:

- *Caps the variable wholesale component of the motor fuels tax rate at its amount for the period beginning July 1, 2004. This amount was set on June 15 at 7.1¢ a gallon (effective when it becomes law)*
- *Increases the amount of motor fuels tax distributed to various funds and accounts. (effective for distributions made on or after July 1, 2004)*

CURRENT LAW: North Carolina imposes a motor fuels excise tax on all motor fuel sold, distributed, or used in the State. The tax is remitted by the wholesale distributor to the suppliers, as trustees for the State, at the terminal rack. The rate of the tax is 17.5 cents per gallon, plus the greater of 3.5 cents per gallon or 7 % of the average wholesale price of motor fuel. The wholesale price component of the rate is set every six months by the Secretary of Revenue based on the average price during the previous period. As of January 1, 2004, the total tax rate was 24.3 cents per gallon.

The term "motor fuels" is defined as gasoline, diesel fuel, and blended fuel. (G.S. 105-449.60)

The revenue collected from the motor fuels tax is distributed as follows:
½ of 1 cent of the tax imposed per gallon is allocated as follows:

- 19/32 of each half cent to the Commercial Leaking Petroleum Underground Storage Tank Cleanup Fund
- 3/32 of each half cent to the Noncommercial Leaking Petroleum Underground Storage Tank Cleanup Fund
- 5/16 of each half cent to the Water and Air Quality Account

Of the remaining proceeds, 75% is allocated to the Highway Fund and 25% is allocated to the Highway Trust Fund.

BILL ANALYSIS: The PCS for House Bill 1661 would cap the wholesale price component of the rate set for the period beginning July 1, 2004, which is 7.1 cents a gallon. The PCS also changes the distribution of the motor fuels tax revenue as follows:
Allocates 0.8¢ (was 1/2¢) a gallon to the following funds and accounts:

- 17/25 (was 19/32) to Commercial Leaking Petroleum Underground Storage Tank Cleanup Fund
- 3/25 (was 3/32) to the Noncommercial Leaking Petroleum Underground Storage Tank Cleanup Fund
  1/5 (was 5/16) to the Water And Air Quality Account

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Highway Fund, Highway Trust Fund, Commercial and Noncommercial Leaking Petroleum Underground Storage Tank Cleanup Funds, Water and Air Quality Account.

EFFECTIVE DATE: Section 1 is effective when the bill becomes law and applies to rates set on or after that date. Section 2 becomes effective for distributions made on or after July 1, 2004.

BILL SUMMARY: Caps the variable wholesale component of the motor fuels tax rate at 7.1 cents per gallon. Raises the amount allocated from the motor fuels tax to the Commercial Leaking Petroleum Underground Storage Tank Cleanup Fund, the Noncommercial Leaking Petroleum Underground Storage Tank Cleanup Fund, and the Water and Air Quality Account from 0.5 cents per gallon to 0.8 cents per gallon and changes the proportions allocated to each of these funds. The Commercial LUST Fund allocation is increased from 19/32 to 17/25 (approximately 59% to 68%), the Noncommercial LUST Fund allocation is increased from 3/32 to 3/25 (9% to 12%), and the Water and Air Quality Account allocation is decreased from 5/16 to 1/5 (31% to 20%).

ASSUMPTIONS AND METHODOLOGY:

Section 1

The motor fuels tax rate in North Carolina consists of a fixed rate of 17.5 cents per gallon plus a variable rate that is the greater of 3.5 cents per gallon or 7% of the wholesale price (weighted average of gasoline and diesel fuel) for a six month period as published by the US Department of Energy's Energy Information Administration.

Through June 30, 2004 the variable rate is 6.8 cents per gallon and the total tax is 24.3 cents per gallon. On June 15, 2004 the Department of Revenue will set the rate for the period July through December 2004. That rate is based on wholesale prices in the period October 2003 through March 2004 and is expected to be 7.1 cents per gallon for a total of 24.6 cents per gallon. This will be an increase of .3 cents per gallon over the rate in effect from January through June of 2004. The bill will cap the variable rate in the future at 7.1 cents per gallon.

The revenue impact of the bill will be determined by the amount, if any, that the variable rate that would be set by the formula in the current law exceeds 7.1 cents per gallon. It is assumed here that prices remain generally high during the remaining three and a half months of the base period and that the adjustment that would take place in January under current law would be to 9.0 cents per gallon for the variable rate, an increase of 1.9 cents per gallon and 1.9 cents per gallon above the cap in the bill. The fiscal impact for the second half of FY 2004-05 would then be annual taxable sales of 5.3 billion gallons times 1.9 cents per gallon divided by two (to account for the six month period). The result is a loss in revenues from the motor fuels tax of approximately $50 million. Because three-fourths of the motor fuels tax goes to the Highway Fund and one-fourth to the Highway Trust Fund, the fiscal impact would be $37.5 million to the Highway Fund and $12.5 million to the Highway Trust Fund. (The Wildlife Resources Fund receives 1/6 of one percent of the Highway Fund share for boating and water safety activities and would lose about $62,500.) No estimates are made of revenue losses beyond FY 2004-05. The forecast prepared by the North Carolina Office of State Budget and Management in April 2004 indicated that the calculated variable rate in

future years would fall below the proposed cap. If that is the case there would be no fiscal impact in the ensuing years. However, the OSBM forecast has probably been overtaken by events and should be considered one of many possible scenarios.

Section 2

Section 2 raises the amount allocated to the Commercial and Noncommercial LUST Fund accounts and the Water and Air Quality Account by 0.3 cents per gallon and consequently lowers the amount allocated to the Highway Fund and Highway Trust Fund. The calculations are based on the taxable amount of motor fuels sold as projected by the Office of State Budget and Management:

FY2004-05	5,319 million gallons
FY2005-06	5,457
FY2006-07	5,626
FY2007-08	5,806
FY2008-09	6,009

May 20, 2004

A BILL TO BE ENTITLED

AN ACT TO ALLOW PENDER COUNTY TO ASSESS AN EMERGENCY MEDICAL SERVICE FEE.

The General Assembly of North Carolina enacts:

SECTION 1. Establishment of Emergency Medical Service Fee. – The Board of Commissioners of Pender County may by ordinance establish an Emergency Medical Service Fee. The ordinance shall become effective on July 1 of the next fiscal year after its adoption.

SECTION 2. Changes in Rate of Emergency Medical Service Fee. – Any change in the rate of the Emergency Medical Service Fee must be done by ordinance of the Pender County Board of Commissioners by June 30 of any year with an effective date of July 1 of the next fiscal year.

SECTION 3. Components of the Emergency Medical Service Fee. – The Emergency Medical Service Fee shall consist of a flat fee per parcel that contains any of the following structures:

(1) Single family home.
(2) Multifamily home.
(3) Condominium.
(4) Garden apartment.
(5) Walk-up apartment.
(6) Bank.
(7) Restaurant.
(8) Restaurant lounge.
(9) Motel.
(10) Beauty shop.
(11) Car wash.

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	Rep. Carolyn H. Justice
Date:	June 16, 2004	**Analysis by:**	Martha Walston Committee Counsel
Version:	Proposed Committee Substitute		

SUMMARY: House Bill 1578 is a local bill that authorizes the Pender County Board of Commissioners to establish by ordinance an Emergency Medical Service Fee. The fee will be a flat fee imposed on each parcel containing certain described structures, and sunsets July 1, 2007.

CURRENT LAW: Counties in North Carolina use several methods to finance emergency medical services for their citizens

- G.S. 153A-149 authorizes a county to levy property taxes to provide emergency medical services up to a combined rate of $1.50 on the $100 appraised value of property.
- G.S. 153A-250 authorizes a county to adopt an ordinance granting franchises to ambulance operators on terms set by the board of commissioners. The ordinance may establish a schedule of rates, fees, and charges imposed by the franchised operators. The county may also operate or contract for ambulance services.
- G.S. 153A-301 authorizes a county to establish a service district to finance, provide, or maintain for the district ambulance and rescue services in addition to or to a greater extent than those financed, provided or maintained for the entire county. The county may levy property taxes in the district in addition to those levied throughout the county but not in excess of a rate on each $100 value of property which, when added to the rate levied countywide would exceed $1.50 on the $100 value of property. The rate may be higher only if approved by voters in the district.
- G.S. 69-25.4 authorizes a county, upon petition of 35% of taxpayers in an area of the county, to hold an election to collect a property tax not exceeding 15¢ on $100 valuation of property for providing fire protection in the district. "Fire protection" may include the levy, appropriation, and expenditure of funds for emergency medical services.

BILL ANALYSIS: HB 1578 authorizes Pender County to adopt an ordinance imposing a flat emergency medical service fee on July 1 of the next fiscal year after adoption of the ordinance. The fee would be a flat fee imposed on each parcel in the county if the parcel contains one of 32 structures listed in the bill. The fee is a lien on the parcel and is collectible in the same manner as delinquent real property taxes. The act sunsets July 1, 2007.

According to Andy Hedrick, County Manager, the County plans to impose a flat emergency medical service fee of $60 per parcel. This will allow the County to reduce the property tax rate for emergency medical services from 7¢ to 3¢ per $100 valuation. The list of specified structures is consistent with the list used by the County to assess property taxes.

TO: **Rep. Carolyn Justice**

FROM: **Jim Blackburn, General Counsel**

DATE: **June 16, 2004**

SUBJECT: **Fees, User Charges**

In response to your question related to fees charged by counties, Local Government Finance in North Carolina by David Lawrence at the Institute of Government lists the following user charges, fees and charges Incident to Regulation and other fees imposed by counties in North Carolina.

I. User Charges
- A. Water and Sewer Service Charges
- B. Solid Waste Collection and Disposal Fees
- C. Off Street Parking Charges
- D. Airport Fees (various)
- E. Ambulance Fees
- F. Recreation and Cultural Charges
- G. Public Health and Mental Health Service Charges
- H. 911 Charges

II. Fees and Charges Incident to Regulations.
- A. "The statute that authorizes the regulatory program only occasionally includes explicit authorization to levy fees as an incident to the regulation. However, it is well accepted that the authority to make reasonable charges incident to regulation is subsumed in the police power. That is, the power to carry on a regulatory program necessarily includes the power to make charges incident thereto." Included among these are Building Inspection Fees and others.
- B. As of 2001, G.S. 143-517 requires each county to "ensure that emergency medical services are provided to its citizens." Note that this provision of services is mandatory.

III. Other Fees
- A. Impact Fees (Facility Fees of Project Fees). Authority granted to some local governments.
- B. Election Fees
- C. Register of Deeds Fees
- D. Court Fees
  1. Facilities Fees
  2. Arrest Fees
  3. Civil Process Fees
  4. Jail Fees
- E. Scrap Tire Disposal Fees

* Election Fees, Register of Deed Fees, Court Fees, and Scrap Tire Disposal Fees are fees that are set by the State of North Carolina for the benefit of counties to use for prescribed purposes.

2003 COMMITTEE REPORT
HOUSE OF REPRESENTATIVES

The following report(s) from standing committee(s) is/are presented:
By Representatives **G. Allen, Howard, Luebke, McComas, Miner, and Wainwright** (Chairs) for the Committee on **FINANCE**.

North Carolina General Assembly

House Committee on Finance

Minutes

~

June 22, 2004 ~ 8:30 a.m.

The House Committee on Finance met on Tuesday, June 22, 2004 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons G. Allen, Howard, Luebke, Miner, and Wainwright; Vice-Chairs Alexander, Daughtridge, and Hill; and Representatives Blackwood, Bordsen, Capps, Carney, Creech, Ellis, Glazier, Hackney, Holliman, Jones, Lewis, McGee, Munford, Ross, Setzer, Starnes, Weiss, C. Wilson, and Womble. Also present were Sergeant-at-Arms Bob Fowler, Bill Freeman, Dusty Rhodes, and Walter Spell. Staff persons present included Richard Bostic, David Crotts, Trina Griffin, Canaan Huie, Linda Millsaps, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2.**

Chairwoman Howard called the meeting to order at 8:36 am and recognized the six (6) pages present: (1) Kate Hooks of New Hanover County, sponsored by Representative McComas; (2) Jeremy Lee of Catawba County, sponsored by Representative Setzer; (3) Emilie Mademann of Iredell County, sponsored by the Chair; (4) Katherine Mattingly of Mecklenburg County, sponsored by Speaker Black; (5) Shelbey Wolf of Mecklenburg County, sponsored by Representative Alexander; and (6) Isaac Wood of Wake County, sponsored by Representative Ross.

As the first matter of business, Chairwoman Howard acted to place **HB 1526 – RANDLEMAN SATELLITE ANNEXATIONS** (see **attachment 3**) on the calendar for the Committee's immediate consideration. The Chair recognized the bill sponsor, Representative Culp, who explained the bill. He noted first that the bill applied only to voluntary annexations and had been requested by the City of Randleman. He then explained that the bill would remove the requirement that the area within the proposed satellite corporate limits, when added to the area within all other satellite corporate limits, may not exceed 10% of the area within the primary corporate limits when noncontiguous property is annexed by the City of Randleman. As there was no discussion on the bill, Chairwoman Howard then recognized Representative Ellis who moved that House Bill 1526 be given a favorable report. Chairman Howard then called the matter to vote and the motion carried without objection.

Representative Daughtridge was then recognized to explain the next bill considered by the Committee: **HB 1416 – EXTEND AND AMEND JDIG** (see **attachment 4**). Representative Allen made a motion that the Proposed Committee Substitute (PCS) for House Bill 1416 be adopted for the Committee's discussion and that motion carried without objection. Representative Daughtridge then explained that the bill would do the following: extend the sunset of the Job Development Investment Grant (JDIG) Program, increase the number of agreements that could be entered into during a year, clarify that the JDIG agreements are binding, add a requirement for an

additional provision in each agreement, make a technical correction, and change the date and required contents of the required annual reports. (Further details of this bill's provisions are available in the attached summary.) Following this explanation, Chairwoman Howard recognized Representative Holliman, who, after stating the support the JDIG Program had provided in his district in Davidson County, moved that the PCS for HB 1416 be given a favorable report. The Chair accepted this motion and then recognized Representative Womble. Representative Womble noted his support of the bill and asked the bill sponsor if there was any opposition to the bill. Representative Daughtridge responded that he was unaware of any specific opposition, aside from the continuing debate of whether the State should offer incentives such as JDIG to businesses in exchange for job development. Representative Luebke was then recognized by the Chair for two points. He first stated his belief that the General Assembly would be better off funding educational infrastructure needs as opposed to offering these incentives. However, he did state that he would support the bill. Secondly, Representative Luebke acted to send forth and amendment (see **attachment 5**). He explained that the amendment added a provision to the bill to authorize the General Assembly to hire a consultant to conduct a comprehensive, systematic study of the JDIG Program and report to the 2005 Session. He then moved the adoption of his amendment. Following a few brief comments, Chairwoman Howard then called the Luebke amendment to a vote and it was adopted without objection. The Chair then recognized several members of the audience to speak on the bill. Mr. Donnie Hicks of Gaston County, representing the North Carolina Economic Developers Association, and Ms. Leslie Coman, representing the North Carolina Citizens for Business and Industry (NCCBI), both spoke in support of the bill, noting that it would provide needed help to the communities throughout the State. However, Ms. Perry Morgan of the North Carolina Federation of Independent Businesses spoke in opposition to the bill. She stated that taxes are too high on small businesses, and instead of offering incentives, the State should consider reducing these taxes. She also stated that JDIG incentives were being specifically targeted for political purposes and urged the members of the Committee to oppose the bill. Following these comments, Representative Weiss was recognized by the Chair to send forth an amendment (see **attachment 6**). Representative Weiss explained that the amendment acted to shorten the sunset on the bill from 2009 to 2007. She stated that the amendment would limit the expansion of JDIG to only 2 years instead of 4. She then moved the adoption of her amendment. Representative Daughtridge was recognized to respond and voiced his opposition to this amendment by stating that 2 years was not enough time for the JDIG program to be adequately expanded as recruitment efforts alone can take years. Representative Hackney was recognized next and stated his support of the Weiss amendment. He specifically stated that, in his opinion, more intense oversight was needed on this Program. Seeing no further discussion on the Weiss amendment, Chairwoman Howard then called the amendment to a vote. Division having been called, the amendment was adopted by a vote of 16 ayes and 9 nays. Chairwoman Howard then recognized Representative Wilson for a comment on the bill. She stated that purpose of the JDIG program was to provide opportunities to companies that are "huge" to bring jobs into this State. She also noted that this bill should be a "no brainer" for the Committee members. Having no further discussion on the bill, the Chair then recognized Representative Holliman who reiterated his earlier motion that the PCS for House Bill 1416 (incorporating the newly adopted amendments) be given a favorable report (with an unfavorable report as to the original bill). Chairwoman Howard then called the motion to a vote and it carried by a majority.

The next bill considered by the Committee was **HB 1609 – CORRECT STREAMLINED SALES TAX INEQUITY** (see **attachment 7**). Chairwoman Howard recognized Representative Miner, the bill sponsor, to explain the bill. Representative Miner explained that House Bill 1609 exempts from the sales and use tax, delivery charges for the delivery of direct mail if the charges are separately stated on an invoice or similar billing document given to the purchaser. Representative Miner also sent forth a technical amendment (see **attachment 8**), which he explained acted simply

to conform the bill to the national agreement on the Streamlined Sales Tax. He moved the adoption of his amendment and, seeing no discussion, Chairwoman Howard called the matter to a vote. The amendment was adopted. Representative Ellis was then recognized and moved that a Committee Substitute, incorporating the newly adopted amendment, for HB 1609 be given a favorable report (with an unfavorable report as to the original bill). Accepting the requests of Representatives Holliman and Hackney to be excused from the vote on this bill, Chairwoman Howard then called the motion to a vote. The motion carried without known objection.

HB 1415 – ALTERNATIVE R&D TAX CREDIT (see **attachment 9**) was the last bill considered by the Committee. Chairwoman Howard recognized the bill sponsor, Representative Daughtridge, to explain the bill. Representative Daughtridge explained briefly that the bill acts to create an alternative tax credit for research and development expenditures. Representative Daughtridge then sent forth a technical/conforming amendment (see **attachment 10**), which simply extended the effective date of the bill until the 2005 tax year. He moved for the adoption of his amendment and Chairwoman Howard, seeing no debate, called the matter to a vote. The amendment was adopted without known opposition. The Chair then recognized several members of the audience who spoke in support of the bill: Molly Broad, President of the University of North Carolina; Leslie Coman, with North Carolina Citizens for Business and Industry; and Jim Fain, Secretary of the North Carolina Department of Commerce. Following this, Representative Ellis was recognized and moved that the PCS for House Bill 1415, incorporating the newly adopted amendment, be given a favorable report (with an unfavorable report as to the original bill). Following some general discussion between Representative Luebke and Fiscal Research Staff, the Chair then called the motion to a vote and it carried by consent.

Having no further business before the Committee, Chairwoman Howard then adjourned the meeting at 9:50 a.m. to reconvene 15 minutes after the adjournment of the Special Joint Session.

Respectfully submitted,

Representative Julia Howard
Presiding Chair

Jason A. Cannon
Clerk, House Committee on Finance

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 2003

H 1

HOUSE BILL 1526*

Short Title:	Randleman Satellite Annexations.	(Local)
Sponsors:	Representative Culp.	
Referred to:	Finance.	

May 19, 2004

A BILL TO BE ENTITLED

AN ACT CONCERNING VOLUNTARY SATELLITE ANNEXATIONS BY THE CITY OF RANDLEMAN.

The General Assembly of North Carolina enacts:

SECTION 1. Section 1 of S.L. 2002-121 reads as rewritten:

"**SECTION 1.** G.S. 160A-58.1(b)(5) does not apply to the Cities of Claremont, Concord, Conover, Newton, Randleman, Sanford, and Southport, and the Towns of Maiden, Midland, Swansboro, and Warsaw."

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 1526:
Randleman Satellite Annexations

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Culp
Date:	June 21, 2004	**Summary by:**	Martha Walston*
Version:	1st Edition		Committee Counsel

SUMMARY: ***House Bill 1526 would add the City of Randleman to the list of cities that may annex satellite areas without meeting the standard that limits the size of the area within the satellite corporate limits.***

Senate Bill 1177 is the companion bill, and is in the House Rules Committee.

CURRENT LAW: G.S. 160A-58.1 and 160A-58.7 govern the voluntary annexation by a municipality of noncontiguous property.

G.S. 160A-58.1 provides that all property owners in the satellite area may petition a city for voluntary annexation of the noncontiguous property if the property meets all of the following five standards:

1. The nearest point on the proposed satellite corporate limits must be not more than three miles from the primary corporate limits of the annexing city.
2. No point on the proposed satellite corporate limits may be closer to the primary corporate limits of another city than to the primary corporate limits of the annexing city.
3. The area must be so situated that the annexing city will be able to provide the same services within the proposed satellite corporate limits that it provides within its primary corporate limits.
4. If the area proposed for annexation, or any portion thereof, is a subdivision as defined in G.S. 160A-376, all of the subdivision must be included.
5. The area within the proposed satellite corporate limits, when added to the area within all other satellite corporate limits, may not exceed ten percent (10%) of the area within the primary corporate limits of the annexing city.

G.S. 160-58.7 provides the process a city must follow when the city is the property owner of the satellite area. This process requires that the city comply with S. 160A-58.1 as described above.

BILL ANALYSIS: House bill 1526 would remove the requirement that the area within the proposed satellite corporate limits, when added to the area within all other satellite corporate limits, may not exceed 10% of the area within the primary corporate limits when noncontiguous property is annexed by the City of Randleman. The act is effective when it becomes law.

BACKGROUND: The cities of Hickory, New Bern, Newton, Sanford, Southport, Statesville, Kenly, Troy, Mt. Airy, Mooresville, Marion, Oxford, Rockingham, Conover, and Claremont and the towns of Bladenboro, Calabash, Catawba, Dallas, Godwin, Kenly, Louisburg, Mocksville, Mooresville, Pembroke, Pine Level, Ranlo, Rutherfordton, Maiden, Midland, Swansboro, Warsaw and Waynesville have already eliminated the 5th standard for all annexations by the municipality.

*Erika Churchill, staff attorney, contributed substantially to this summary.

HOUSE BILL 1416*
PROPOSED COMMITTEE SUBSTITUTE H1416-CSLY-32 [v.4]

6/16/2004 4:09:41 PM

Short Title: Extend and Amend JDIG. (Public)

Sponsors:

Referred to:

May 12, 2004

A BILL TO BE ENTITLED

AN ACT TO EXTEND THE SUNSET ON THE JOB DEVELOPMENT INVESTMENT GRANT PROGRAM; TO ALLOW THE ECONOMIC INVESTMENT COMMITTEE TO ENTER INTO MORE AGREEMENTS UNDER THE PROGRAM; TO MAKE TECHNICAL CORRECTIONS; TO EXPAND THE TERMS THAT MUST BE INCLUDED IN AGREEMENTS; AND TO EASE REPORTING REQUIREMENTS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S 143B-437.62 reads as rewritten:

"**§ 143B-437.62. ~~Authority.~~Sunset.**

The authority of the Committee to enter into new agreements ~~begins January 1, 2003, and~~ expires January 1, ~~2005.~~2009."

SECTION 2. G.S. 143B-437.52(b) reads as rewritten:

"(b) Cap. – The maximum number of agreements the Committee may enter into each calendar year is ~~15.~~25."

SECTION 3. G.S. 143B-437.52(d) reads as rewritten:

"(d) Measuring Employment. – For the purposes of subdivision (a)(1) of this section and G.S. 143B-437.57(a)(11), the Committee may designate that the increase or maintenance of employment is measured at the level of a division or another operating unit of a business, rather than at the business level, if both of the following conditions are met:

(1) The Committee makes an explicit finding that the designation is necessary to secure the project in this State.

(2) The designation contains terms to ensure that the business does not create eligible positions by transferring or shifting to the project existing positions from another project of the business or a related ~~entity~~ member of the business."

SECTION 4. G.S. 143B-437.57(a) is amended by adding a new subdivision to read:

"(a) Terms. – Each community economic development agreement shall include at least the following:

...

(25) A provision encouraging the business to contract with small businesses headquartered in the State for goods and services."

SECTION 5. G.S. 143B-437.57 is amended by adding a new subsection to read:

"(c) Agreement Binding. – A community economic development agreement is a binding obligation of the State and is not subject to State funds being appropriated by the General Assembly."

SECTION 6. G.S. 143B-437.58(a) reads as rewritten:

"(a) No later than ~~February~~ March 1 of each year, for the preceding grant year, every business that is awarded a grant under this Part shall submit to the Committee ~~a copy of its State and federal tax returns showing business and nonbusiness income and~~ a report showing withholdings as a condition of its continuation in the grant program. In addition, the business shall submit to the Committee an annual payroll report showing the eligible positions that are created during the base years and the new eligible positions created during each subsequent year of the grant. Upon request of the Committee, the business shall also submit a copy of its State and federal tax returns. Payroll and tax information submitted under this subsection is tax information subject to G.S. 105-259. When making a submission under this section, the business must pay the Committee a fee of one thousand five hundred dollars ($1,500). The fee is due at the time the submission is made. The Secretary of Commerce, the Secretary of Revenue, and the Director of the Office of State Budget and Management shall determine the allocation of the fee imposed by this section among their agencies. The proceeds of the fee are receipts of the agency to which they are credited."

SECTION 7. Sections 5 and 6 of this act become effective October 31, 2002. Section 4 of this act is effective when it becomes law and applies to agreements entered into on or after that date. The remainder of this act is effective when it becomes law.

HOUSE BILL 1416*

Short Title:	Extend and Expand JDIG.	(Public)
Sponsors:	Representatives Daughtridge, Wainwright (Primary Sponsors); G. Allen, Dickson, Harrell, L. Johnson, LaRoque, McComas, Owens, Tolson, Walker, L. Allen, Farmer-Butterfield, Fisher, Glazier, Goodwin, Gorman, Jeffus, Jones, McHenry, Moore, Preston, Steen, and Womble.	
Referred to:	Rules, Calendar, and Operations of the House.	

May 12, 2004

A BILL TO BE ENTITLED

AN ACT TO EXTEND THE SUNSET ON THE JOB DEVELOPMENT INVESTMENT GRANT PROGRAM AND TO ALLOW THE ECONOMIC INVESTMENT COMMITTEE TO ENTER INTO MORE AGREEMENTS UNDER THE PROGRAM AND TO COMMIT MORE FUNDS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S 143B-437.62 reads as rewritten:

"**§ 143B-437.62. ~~Authority.~~Sunset.**

The authority of the Committee to enter into new agreements ~~begins January 1, 2003, and~~ expires January 1, ~~2005.~~2009."

SECTION 2. G.S. 143B-437.52 reads as rewritten:

"**§ 143B-437.52. Job Development Investment Grant Program.**

(a) Program. – There is established the Job Development Investment Grant Program to be administered by the Economic Investment Committee. In order to foster job creation and investment in the economy of this State, the Committee may enter into negotiated agreements with businesses to provide grants in accordance with the provisions of this Part. The Committee, in consultation with the Attorney General, shall develop criteria to be used in determining whether the conditions of this section are satisfied and whether the project described in the application is otherwise consistent with the purposes of this Part. Before entering into an agreement, the Committee must find that all the following conditions are met:

(1) The project proposed by the business will create, during the term of the agreement, a net increase in employment in this State by the business.

(2) The project will benefit the people of this State by increasing opportunities for employment and by strengthening this State's economy by, for example, providing worker training opportunities,

constructing and enhancing critical infrastructure, increasing development in strategically important industries, or increasing the State and local tax base.

(3) The project is consistent with economic development goals for the State and for the area where it will be located.

(4) A grant under this Part is necessary for the completion of the project in this State.

(5) The total benefits of the project to the State outweigh its costs and render the grant appropriate for the project.

(b) Cap. – The maximum number of agreements the Committee may enter into each calendar year is ~~15.~~25.

(c) Ceiling. – The maximum amount of total annual liability for grants for agreements entered into in any single calendar year may not exceed ~~ten~~ eighteen million dollars ~~($10,000,000).~~($18,000,000). No agreement may be entered into that, when considered together with other existing agreements entered into during that calendar year, could cause the State's potential total annual liability for grants entered into in that calendar year to exceed this amount.

(d) Measuring Employment. – For the purposes of subdivision (a)(1) of this section and G.S. 143B-437.57(a)(11), the Committee may designate that the increase or maintenance of employment is measured at the level of a division or another operating unit of a business, rather than at the business level, if both of the following conditions are met:

(1) The Committee makes an explicit finding that the designation is necessary to secure the project in this State.

(2) The designation contains terms to ensure that the business does not create eligible positions by transferring or shifting to the project existing positions from another project of the business or a related entity of the business."

SECTION 3. This act becomes effective January 1, 2004, and applies to agreements entered into after that date.

House Bill 1416:
Extend and Amend JDIG

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	
Date:	Friday, June 18, 2004	**Analysis by:**	Y. Canaan Huie
Version:	PCS to 1st		Staff Attorney

SUMMARY: This bill would extend the sunset of the Job Development Investment Grant (JDIG) Program, increase the number of agreements that could be entered into during a year, clarify that the JDIG agreements are binding, add a requirement for an additional provision in each agreement, make a technical correction, and changes the date and required contents of annual reports.

ANALYSIS: The Job Development investment Grant (JDIG) Program is an economic development incentive program that was created by the General Assembly in 2002. Under the program, grantee businesses are given an annual grant for a period of up to 12 years. The grant is based on a percentage of personal income tax withholdings from new positions created by the grantee business.

When the JDIG Program was created in 2002, the General Assembly put some significant limitations on the program in order to give the General Assembly time to evaluate the program before a significant amount of funds had been committed. First, the General Assembly put a sunset on the ability of the Economic Investment Committee (EIC) to enter into new agreements under the program. The authority of the EIC to enter into new agreements did not begin until January 1, 2003, and is set to expire January 1, 2005. Second, the EIC may enter into no more than 15 new agreements each year. Third, the maximum annual liability for agreements entered into during any calendar year may not exceed $10 million.

This bill would ease two of the three restrictions mentioned above. First the bill extends the authority of the EIC to enter into new agreements by four years – until January 1, 2009. Second, beginning with the 2004 calendar year, the EIC would be allowed to enter into a maximum of 25 new agreements a year rather than 15. This bill does not change the cap on the maximum annual liability from grants entered into during any particular year. The Joint Select Committee on Economic Growth and Development recommended these provisions.

In addition, this bill would change the date upon which reports under the program are due from the grantee business and the requirement that the grantee business submit a copy of its State and federal returns each year. The reporting date would be changed from February 1 to March 1. The grantee business would be required to submit a copy of its State and federal tax returns only upon request of the EIC. The Department of Commerce has found that the federal and State tax returns provide little information that is directly relevant to the administration of the program. In addition, some grantee businesses have reported that their tax returns, particularly federal tax returns, are extremely voluminous. The Department felt that in most cases this requirement would be a burden on both the grantee business and the EIC and that it would yield little, if any, relevant information.

This bill would make a technical correction to the way in which employment is measured. In addition, this bill would clarify that commitments made under the JDIG program are binding commitments of the State and are not subject to annual appropriations.

Finally, this bill require each community economic development agreement to include a provision encouraging the business to contract with small businesses headquartered in North Carolina. Currently,

agreements must contain several provisions encouraging, but not requiring, grantee businesses to act in certain ways. This provision would express the desire of the State that the grantee businesses contract with local small businesses. This provision was a recommendation of the Joint Select Committee on Small Business Economic Development.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Commerce

EFFECTIVE DATE: January 1, 2004

BILL SUMMARY:
May 12, 2004
H 1416. EXTEND AND EXPAND JDIG. TO EXTEND THE SUNSET ON THE JOB DEVELOPMENT INVESTMENT GRANT PROGRAM AND TO ALLOW THE ECONOMIC INVESTMENT COMMITTEE TO ENTER INTO MORE AGREEMENTS UNDER THE PROGRAM AND TO COMMIT MORE FUNDS. Amends GS 143B-437.62 to extend until Jan. 1, 2009 (now, expires Jan. 1, 2005) the authority of the state Economic Investment Committee to enter into new agreements under GS Ch. 143B, Art. 10, Part 2G, "Job Development Investment Grant Program." Amends GS 143B-437.52(c) to increase the maximum amount of total annual liability allowed for grants for agreements entered into in any single calendar year from $10 million to $18 million. Effective Jan. 1, 2004; applies to agreements entered into after that date.

Source: Bill Digest H.B. 1416 (05/12/2004)

ASSUMPTIONS AND METHODOLOGY:
Expanding the annual cap on grants awarded from $10 million to $18 million will increase the potential liability by $18 million each year the sunset on JDIG is extended. Therefore, in the first

year, the fiscal impact will be $88 million, the second year, $36 million, the third year, $54 million and so on. Extending the sunset to 2009 will have a potential cumulative fiscal impact of $90 million. The actual impact will depend upon how quickly the companies awarded the grants begin operations. Since the amount of the grant is determined by the company's withholdings, the company would have to have employees working before they would be eligible for their first grant payment. For instance, if a company is awarded a grant in the 2004 calendar year and hires employees that same year, the first grant disbursement will be made in the 2005 fiscal year. However, it is likely that some of the grants awarded in one calendar year will not actually impact the state budget until one or two years later. This would be the case if a grant is awarded to a company that doesn't plan on beginning operation in the same year. Increasing the number of projects eligible per year would not have a fiscal impact, as the amounts appropriated are dependent upon the grant cap of $18 million annually.

APPROVED BY: James D. Johnson, Director
Fiscal Research Division

DATE: June 21, 2004

Signed Copy Located in the NCGA Principal Clerk's Offices

JDIG GRANT PROGRAM BRINGS NEW JOBS TO NORTH CAROLINA

- Created in 2002 in response to legislative concerns that North Carolina lacked the incentive tools necessary to recruit **major, high impact business projects** that could create **large numbers of new jobs**.
- A five-person team evaluates industry projects considering North Carolina -- Secretary of Commerce, Secretary of Revenue, State Budget Director and two public members appointed by the House and Senate.
- Team evaluates select projects from both new and existing industries on a wide array of factors, looking for quality projects that would not locate in North Carolina without significant state incentives.
- Once a project is selected, the committee may offer a grant that can be paid over 12 years and would be measured as a percentage of new withholdings taxes paid by the new jobs.
- By identifying **new jobs** that would not come to the state without the grant, and by measuring the grant based on withholding taxes paid by those jobs, the program is essentially **self-funding**.

JDIG BENEFITS RURAL AND URBAN COUNTIES

- When grants are made in urban counties, **25% of the grant award** is placed in the Utility Account of the Industrial Development Fund to **fund new economic development infrastructure in rural counties**.
- While grants have been awarded in urban counties such as Wake, Guilford and Mecklenburg, grants have also been awarded in distressed and rural counties such as **Davidson, Rockingham, and Edgecombe.**
- The Committee has targeted grants at projects considering other lower-tier, rural or distressed counties, but was unable to secure them. These included **Burke, Cleveland, Lenoir, Rutherford, Nash, Gaston, Cabarrus and Davidson counties.**
- The Committee is currently considering grant proposals in connection with **ten projects considering rural counties**.

JDIG WORKS FOR LARGE PROJECTS THAT BENEFIT SMALL BUSINESS

- JDIG grants target large projects that could **put hundreds or thousands of North Carolinians to work.**
- **Large projects** serve as the **"anchor tenants" of local economies.** They use local small businesses for their services, repairs and supplies. The salaries they pay their employees fuel hundreds of small businesses in the community.
- Large industries are the **heart of North Carolina's economy**. From 1993 to 2001, large businesses (500+ employees) grew the fastest of all businesses. They pay the highest wages of all businesses, and they employ more than half of our State's workers.
- With only 15 grants per year, the Committee must be selective. Providing grants to businesses that employ only a handful of new jobs would not be an effective use of the grants.

JDIG PROGRAM DESIGNED TO BE SELF-FUNDING

- Targets companies and projects that would not come to North Carolina without a grant. Uses the **new taxes** paid by the **new jobs** to fund the grant.
- JDIG grants do not "take" revenues from other programs. They create **new revenue** for the state and are funded from that new income stream.
- **Revenue benefits to the state must always exceed the costs of the grants**. The program uses a **conservative model** designed by Dr. Mike Walden at N.C. State University to measure the economic impact of the projects.
- Program places **caps on the amount of the grant** a company can receive in any year, and **caps the maximum amount that can be paid per job.** It only grants back a percentage of withholding taxes paid – usually around 60%. And 25% of that amount, when paid to urban companies, is kept by the state to fund rural infrastructure.

AVERAGE WAGE FOR JDIG GRANTS IS HIGH

- The **average wage for the new jobs** recruited under the JDIG program to date is more than **$42,000** annually.
- The program focuses on **quality jobs** that can put North Carolinians to work for **good wages.**

Prepared by N.C. Dept. of Commerce

Expand and Extend the JDIG Program

Recommendation of Legislative Joint Select Committee on Economic Growth and Development

What is the Job Development Investment Grant Program (JDIG)?

- Provides grants to strategic industries considering North Carolina as a competitive location for a new facility or expansion. Modeled on similar programs in South Carolina and 14 other states.
- Targets projects that *would not come to North Carolina without a grant.* In exchange for a commitment to come to the state, grants are awarded based on the amount of withholding taxes paid by the new jobs.
- In urban counties (Tiers 4 and 5), 25% of each grant is paid into a rural infrastructure fund to assist economic development in Tiers 1, 2 and 3.
- Grants are approved by a five-member committee (Commerce Secretary, Revenue Secretary, State Budget Director, 2 public members appointed by House and Senate). State revenues from the project must exceed costs for a grant to be awarded.
- Program enacted with broad support in House and Senate in December 2002. Our state was losing manufacturing jobs by the tens of thousands. We needed a powerful tool to recruit new, sustainable industries to the state, and JDIG is getting the job done.
- Program allows only 15 grants to be awarded in a calendar year. Those 15 grants combined can cost the state no more than $10 million in any calendar year. Program expires in 2005.

What is Being Recommended This Year?

- Extend the program through **2009.**
- Increase the number of annual grants from **15 to 25.**
- Increase the annual cap from **$10 million to at least $18 million.**

Why Expand the JDIG Program?

- JDIG is North Carolina's most powerful recruitment tool. It works! To date it has recruited **14 major competitive industry projects** to the state from new and existing North Carolina companies.
- These companies will create more than 5,300 **new jobs** and will invest **$600 million** in North Carolina. Total impact on gross state product: **$12 billion over 12 years.** Total amount for rural infrastructure fund: **$ 19.1 million.**
- The presence of these companies, over the life of the grants, should generate **$189 million in new revenues** to the state and more than **12,800 new jobs in the state's economy**. Total maximum cost to state over 12 years: $59.3 million. **Return on investment: $3 dollars in new revenue for every $1 dollar in grants.**
- The JDIG program was critical in the companies' decisions to locate in North Carolina. They were all considering other states for their projects.
- Grant committee expects to reach its cap of 15 grants by late summer. If the program is not expanded, North Carolina will be unable to award grants to key projects we are competing for. NCDOC currently is receiving 40 new projects per month.

Groups That Supported Passage of JDIG in 2002:

- *N.C. Economic Development Board*
- *N.C. Citizens for Business and Industry*
- *N.C. Economic Developers Association*
- *NCEITA*
- *N.C. Workforce Development Commission*
- *ElectriCities*
- *N.C. Regional Partnerships for Economic Development*
- *NC Biosciences*
- *Local Chambers of Commerce (e.g., Winston-Salem, Wilmington, Charlotte, Raleigh)*

Where Have Grants Been Awarded to Date?

- Wake County – 400 jobs – Infineon Technologies
- Union County – 300 jobs – Goodrich
- Mecklenburg County – 405 jobs – General Dynamics
- Wake County – 275 jobs – R.H. Donnelley
- New Hanover County – 200 jobs – GE Nuclear Energy
- Rockingham County – 200 jobs – AFG Wipes
- Mecklenburg County – 350 jobs – Time Warner Cable
- New Hanover County – 1, 211 jobs – Cellco Partnership/Verizon
- Davidson County – 330 jobs – Unilin
- Guilford County – 900 jobs – Citi Cards/Citigroup
- Catawba County – 200 jobs – ZF Lemforder
- Durham County – 200 jobs – Merck & Co., Inc.
- Durham County – 258 jobs – Harris Microwave Communications Division
- Edgecombe County – 130 jobs – Superior Essex, Inc.

Where Else Have Grants Been Used to Recruit Businesses?

- NCDOC has marketed the program in a number of counties to industries that chose to locate elsewhere. For example: (Tier 2 – 3 counties ▪ Tier 3 -- 1 county ▪ Tier 4 – 2 counties ▪ Tier 5 – 1 county)

  Burke County ▪ Cleveland County ▪ Lenoir County ▪ Rutherford County ▪ Nash County Gaston County, ▪ Cabarrus County ▪ Davidson County

- NCDOC and the grant committee are currently using the program to pursue other high-impact, confidential projects in other counties across the state. Confidential projects under consideration: Rural counties – 10 projects. Urban counties – 14 projects.

- 25% of any JDIG grant awarded in a Tier 4 or 5 county funds new money for rural infrastructure grants in Tier 1, 2 or 3 counties.

What Could the Program Do If Expanded?

- Based on past performance, if JDIG were expanded to 25 grants and a cap of $18 million, North Carolina could reasonably expect to use the program to attract projects in a single year that secure **7,400 new jobs** paying **average salaries of $42,200** and roughly **$880 million in new investment.**

- The multiplier effect of these projects would be expected to create a total of **18,000 new jobs in the economy** and a **$10.7 billion increase in gross state product** over the 12 years of the grants.

- The grants, over a 12-year period could cost up to $82 million but would be expected to generate **$186 million** in net new revenue to the state. **$26 million** would be generated for rural infrastructure grants.

moves to amend the bill on page 1, line 6, by adding the following before the word "AND":

"TO AUTHORIZE A STUDY OF THE PROGRAM BY THE GENERAL ASSEMBLY;";

and on page 2, line 29, by rewriting that line to read:

"**SECTION 7.** The General Assembly shall conduct a comprehensive systematic study of the Job Development Investment Grant Program. The General Assembly may hire a consultant to perform the study required by this section. ~~There is appropriated from the General Fund to the General Assembly the sum of three hundred thousand dollars ($300,000) for the 2004-2005 fiscal year to conduct this study~~. The study shall be completed and submitted to the full 2005 General Assembly no later than April 1, 2005. The study shall include an examination of the following:

(1) The costs of the program on an aggregate basis, an enterprise tier area basis, and a project basis. This study shall include an examination of the amount spent per job on an aggregate basis, an enterprise tier area basis, and a project basis.

(2) The costs of the program in relation to other State economic development incentive programs.

(3) The costs of the program in relation to economic development programs located in nearby states and other states with which the State frequently competes for jobs.

(4) The extent to which the program has been utilized in geographically diverse parts of the State and the extent to which the program has been utilized in urban, suburban, and rural settings.

HOUSE BILL 1609*

Short Title:	Correct Streamlined Sales Tax Inequity.	(Public)
Sponsors:	Representative Miner.	
Referred to:	Finance.	

May 20, 2004

A BILL TO BE ENTITLED

AN ACT TO ADOPT A PROVISION ALLOWED UNDER THE STREAMLINED SALES TAX AGREEMENT THAT TREATS ALL PRINTERS EQUALLY.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-164.13 is amended by adding a new subdivision to read:

"**§ 105-164.13. Retail sales and use tax.**

The sale at retail, the use, storage or consumption in this State of the following tangible personal property and services is specifically exempted from the tax imposed by this Article:

...

(49a) Delivery charges for delivery or distribution of direct mail if the charges are separately stated on an invoice or similar billing document given to the purchaser.

...."

SECTION 2. This act becomes effective October 1, 2004, and applies to sales made on or after that date.

HOUSE BILL 1609:
Correct Streamlined Sales Tax Inequity

BILL ANALYSIS

Committee: House Finance
Date: June 22, 2004
Version: 1st Edition

Introduced by: Rep. Miner
Summary by: Trina Griffin
Committee Counsel

SUMMARY: House Bill 1609 adopts a provision permissible under the Streamlined Sales Tax Agreement that would exempt from the sales and use tax delivery charges, including postage, for the delivery of direct mail.

CURRENT LAW: The Streamlined Sales Tax Project is an effort created by state governments, with input from local governments and the private sector, to simplify and modernize sales and use tax administration for both Main Street and remote sellers for all types of commerce. Forty-two of the 45 states with a sales and use tax, as well as the District of Columbia, are involved in the Project. As of April 2004, 20 states have enacted all or part of the conforming legislation, and the process of compliance certification has begun.

At this point, participation by vendors is voluntary; states cannot require out-of-state vendors to collect sales and use taxes without Congressional action. One objective of the Project is to convince Congress or the U.S. Supreme Court to grant collection authority over remote sales to the states that enact the streamlined system embodied in the multistate agreement, on the premise that the system eliminates the burdens on interstate commerce that have been the justification for denying states that authority. In late 2003, H.R. 3184 and S. 1736 were introduced in Congress, which would authorize member states to require sellers to collect and remit sales and use taxes with respect to remote sales to purchasers located in the member states. Those bills are still pending.

Generally speaking, one of the primary objectives of the Project is to simplify sales and use tax administration by eliminating multiple rates, caps, and thresholds. However, the Agreement does allow states the option of exempting certain items from application of the sales and use tax, including delivery charges for the delivery of direct mail.

Under current law, delivery charges, including postage, are taxable in North Carolina.[1] "Delivery charges" are those charges imposed by the retailer for preparation and delivery of personal property services to a location designated by the consumer. It includes transportation, shipping, postage, handling, crating, and packing. "Direct mail" is defined as printed material delivered or distributed by the United States Postal Service or other delivery service to a mass audience or to addresses on a mailing list provided by the purchaser when the cost of the items is not billed directly to the recipients. The term does not include multiple items of printed material delivered to a single address.

[1] At least one state Supreme Court has found that the United States Constitution prohibits the taxation of pass-through postage charges on catalogs and fliers mailed by a retailer (*H.J. Wilson Co. Inc. v. Mississippi State Tax Commission*). The court held that postage is an obligation of the U.S. government and that the state is constitutionally prohibited from taxing postage charges.

BILL ANALYSIS: House Bill 1609 exempts from the sales and use tax, delivery charges for the delivery of direct mail if the charges are separately stated on an invoice or similar billing document given to the purchaser. This exemption is not required by the Streamlined Sales Tax Agreement for compliance, but is a permissible exemption.

BACKGROUND: Prior to 2002, delivery charges were not taxable for in-state transactions subject to sales tax where the title to the property passed at the point of origin. Under the Streamlined Agreement, all delivery charges are included in the sales price of an item and therefore subject to tax. In order to conform to the Agreement, the General Assembly removed the sales tax exemption for delivery charges on in-state transactions, effective January 1, 2002.

NORTH CAROLINA GENERAL ASSEMBLY

LEGISLATIVE FISCAL NOTE

BILL NUMBER: House Bill 1609 (First Edition)

SHORT TITLE: Correct Streamlined Sales Tax Inequity.

SPONSOR(S): Representative Miner

FISCAL IMPACT

Yes (X) **No ( )** **No Estimate Available ( )**

	($) FY 2004-05	FY 2005-06	FY 2006-07	FY 2007-08	FY 2008-09
REVENUES	**(204,549)**	**(364,331)**	**(379,997)**	**(396,337)**	**(412,587)**

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: North Carolina Department of Revenue, Sales Tax Division.

EFFECTIVE DATE: October 1, 2004.

BILL SUMMARY: Under current law, embedded postage in a direct mail item is subject to sales tax, as are any other delivery charges. This provision makes embedded postage exempt from sales tax if the postage is separated from printing charges associated with direct mail when the client is billed. It also exempts the remaining delivery charges for direct mail from sales tax if the charges were separately stated.

ASSUMPTIONS AND METHODOLOGY: In May and June 2004, Fiscal Research surveyed the largest printers of direct mail in North Carolina based on an industry association provided list of their largest members. These printers were asked to examine their 2002 records and identify the amount of postage that would have been subject to sales tax in 2002, but would not be under the legislation. The four printers that responded with data indicated that their change in tax liability for 2002, in total, would have been $46,409.

According to the Print Market Atlas, in 2002 there were $1,096,280,000 in North Carolina shipments of the category, "general commercial printing". All these shipments are assumed to be direct mail printing. The atlas also listed $99,640,000 in "quick printing", a portion of which was likely direct mail. Using the total amount for "general commercial printing" and 25% of the amount for "quick printing" creates a proxy for the total North Carolina direct mail market of $1.121 billion. Industry data suggests that the four responding printing companies, in total,

represent approximately 15.52% of the direct mail market. Using this number as a proxy for tax liability suggests total industry tax liability of $299,027 in 2002. The numbers in the fiscal impact box were adjusted for inflation and the January 1, 2005, effective date.

The legislation also affects the taxability of shipping charges for printed material that is later delivered as direct mail. The four responding companies indicated that they did not deliver their product in this manner. However, industry representatives indicate that at least some direct mail printers deliver their products in this manner. The estimate is increased by 10% to account for this type of delivery.

While the Streamlined Sales Tax Agreement does not require the change, it is allowed under that program.

A BILL TO BE ENTITLED

AN ACT TO CREATE AN ALTERNATIVE RESEARCH AND DEVELOPMENT TAX CREDIT.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-129.10 is amended by adding a new subsection to read:

"(d) The credits allowed in this section and the credit allowed in Article 3F of this Chapter are exclusive. A taxpayer may elect to take only one of the three credits with respect to its research activities in a taxable year."

SECTION 2. Chapter 105 of the General Statutes is amended by adding a new Article to read:

"Article 3F.

"Research and Development.

"**§ 105-129.50. Definitions.**

The definitions in section 41 of the Code apply in this Article. In addition, the following definitions apply in this Article:

(1) through 3: Reserved.

(4) North Carolina university research expenses. – Any amount paid or incurred to a research university for qualified research performed in this State or basic research performed in this State.

(5) Period of measurement. – Defined in the Small Business Size Regulations of the federal Small Business Administration.

(6) Qualified North Carolina research expenses. – Qualified research expenses for research performed in this State.

(7) Receipts. – Defined in the Small Business Size Regulations of the federal Small Business Administration.

(8) Related person. – Defined in G.S. 105-163.010.

(9) Research university. – An institution of higher education that meets one or both of the following conditions:

a. It is classified as one of the following in the most recent edition of 'A Classification of Institutions of Higher Education', the official report of The Carnegie Foundation for the Advancement of Teaching:

1. Doctoral/Research Universities, Extensive or Intensive.
2. Masters Colleges and Universities, I or II.
3. Baccalaureate Colleges, Liberal Arts or General.

b. It is a constituent institution of The University of North Carolina.

(10) Small business. – A business whose annual receipts, combined with the annual receipts of all related persons, for the applicable period of measurement did not exceed one million dollars ($1,000,000).

"**§ 105-129.51. Administration; sunset.**

(a) A taxpayer is eligible for the credit allowed in this Article if it satisfies the requirements of G.S. 105-129.4(b), (b2), (b3), and (b4) relating to wage standard, health insurance, environmental impact, and safety and health programs, respectively.

(b) This Article is repealed for taxable years beginning on or after January 1, 2009.

(c) The credit allowed in this Article and the credits allowed in G.S. 105-129.10 are exclusive. A taxpayer may elect to take only one of the three credits with respect to its research activities in a taxable year. It may elect a different credit for different expenses in a subsequent taxable year.

"**§ 105-129.52. Tax election; cap.**

(a) Tax Election. – The credit allowed in this Article is allowed against the franchise tax levied in Article 3 of this Chapter or the income taxes levied in Article 4 of this Chapter. The taxpayer must elect the tax against which a credit will be claimed when filing the return on which the credit is first claimed. This election is binding. Any carryforwards of a credit must be claimed against the same tax.

(b) Cap. – A credit allowed in this Article may not exceed fifty percent (50%) of the amount of tax against which it is claimed for the taxable year, reduced by the sum of all other credits allowed against that tax, except tax payments made by or on behalf of the taxpayer. This limitation applies to the cumulative amount of credit, including carryforwards, claimed by the taxpayer under this Article against each tax for the taxable year. Any unused portion of a credit allowed in this Article may be carried forward for the succeeding 15 years.

"**§ 105-129.53. Substantiation.**

To claim a credit allowed by this Article, the taxpayer must provide any information required by the Secretary. Every taxpayer claiming a credit under this Article must maintain and make available for inspection by the Secretary any records the Secretary considers necessary to determine and verify the amount of the credit to which the taxpayer is entitled. The burden of proving eligibility for a credit and the amount of the

credit rests upon the taxpayer, and no credit may be allowed to a taxpayer that fails to maintain adequate records or to make them available for inspection.

"**§ 105-129.54. Reports.**

The Department of Revenue must report to the Revenue Laws Study Committee and to the Fiscal Research Division of the General Assembly by May 1 of each year the following information for the 12-month period ending the preceding December 31:

(1) The number of taxpayers that claimed a credit allowed in this Article, itemized by the categories of small business, low-tier, other, and university research.

(2) The amount of each credit claimed in each category.

(3) The total cost to the General Fund of the credits claimed.

"**§ 105-129.55. Credit for North Carolina research and development.**

(a) Qualified North Carolina Research Expenses. – A taxpayer that has qualified North Carolina research expenses for the taxable year is allowed a credit equal to a percentage of the expenses, determined as provided in this subsection. If part of the taxpayer's qualified North Carolina research expenses qualifies under subdivision (2) of this subsection and the remainder qualifies under subdivision (3) of this subsection, the applicable percentages apply separately to each part of the expenses.

(1) Small business. – If the taxpayer was a small business as of the last day of the taxable year, the applicable percentage is three percent (3%).

(2) Low-tier research. – For expenses with respect to research performed in an enterprise tier one, two, or three area, the applicable percentage is three percent (3%).

(3) Other research. – For expenses not covered under subdivision (1) or (2) of this subsection, the percentages provided in the table below apply to the taxpayer's qualified North Carolina research expenses during the taxable year at the following levels:

Expenses Over	Up To	Rate
-0-	$50 million	1%
$50 million	$200 million	2%
$200 million	–	3%

(b) North Carolina University Research Expenses. – A taxpayer that has North Carolina university research expenses for the taxable year is allowed a credit equal to fifteen percent (15%) of the expenses."

SECTION 3. G.S. 105-259(b) is amended by adding a new subdivision to read:

"(b) Disclosure Prohibited. – An officer, an employee, or an agent of the State who has access to tax information in the course of service to or employment by the State may not disclose the information to any other person unless the disclosure is made for one of the following purposes:

...

(30) To publish the information required under G.S. 105-129.55 and to prove that a business does not meet the definition of 'small business'

under Article 3F of this Chapter because the annual receipts of the business, combined with the annual receipts of all related persons, exceeds the applicable amount."

SECTION 4. G.S. 105-129.10 and G.S. 105-129.51(c) are repealed.

SECTION 5. Section 4 of this act becomes effective for taxable years beginning on or after January 1, 2006. The remainder of this part becomes effective for taxable years beginning on or after January 1, 2005.

$50 million	$200 million	2%
$200 million	–	3%

(b) North Carolina University Research Expenses. – A taxpayer that has North Carolina university research expenses for the taxable year is allowed a credit equal to fifteen percent (15%) of the expenses."

SECTION 3. G.S. 105-129.10 and G.S. 105-129.51(c) are repealed.

SECTION 4. Section 3 of this act becomes effective for taxable years beginning on or after January 1, 2006. The remainder of this act becomes effective for taxable years beginning on or after January 1, 2005.

HOUSE BILL 1415:
Alternative R&D Tax Credit

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	
Date:	June 18, 2004	**Summary by:**	Y. Canaan Huie
Version:	PCS to 1st Edition		Committee Counsel

SUMMARY: ***House Bill 1415 would create an alternative tax credit for research and development expenditures. This bill would become effective with the 2005 tax year.***

ANALYSIS: Under the Bill Lee Act, a taxpayer is allowed a credit for increases in research and development expenditures. The research and development tax credit uses the federal credit for research and development as its starting point. The credit is equal to 5% of the State's apportioned share of the taxpayer's expenditures for increasing research and development. The credit is based on the federal credit as of January 1, 1999. In the past, the federal credit had expired and then been renewed retroactively, creating uncertainty for taxpayers. Expiration of the federal credit will not affect the State credit. If the federal credit is later modified, the General Assembly can consider whether to update its cross-reference to adopt the federal modifications. This credit has a carryforward period of 15 years rather than the standard 5-year period.

In order to be eligible for the research and development credit under the Bill Lee Act, a taxpayer must meet all of the general eligibility requirements of that Act. These include satisfying requirements related to employee wages, the principal activity of the establishment, the provision of health insurance, the taxpayer's Occupational Safety and Health Act record, the taxpayer's environmental record, and the absence of overdue tax debts. Under the Bill Lee, the R&D credit may be applied against either the income tax, the franchise tax, or the gross premiums tax. The amount of credit taken in a particular may not exceed 50% of the liability for the tax against which it is claimed.

The alternative credit created in this bill differs from the R&D credit allowed under the Bill Lee Act in the following ways:

- Bill Lee Act limitations on the principal activity of the establishment at which the R&D is conducted do not apply. This will allow more taxpayers to claim a credit for R&D expenditures than under current law.
- The taxpayer is not required to have no overdue tax debts. The taxpayer must still satisfy Bill Lee Act requirements related to employee wages, the principal activity of the establishment, the provision of health insurance, the taxpayer's Occupational Safety and Health Act record, and the taxpayer's environmental record.
- The new credit is based on North Carolina research and development expenditures rather than on an apportioned share of nationwide increases in expenditures. The rate is determined as follows:
  - For small businesses, the credit is 3%.
  - For research and development conducted in enterprise tiers one, two, or three, the credit is 3%.
  - For other research and development expenditures, the rate ranges from 1% to 3% as the amount of those expenditures increases.
- An additional credit of 15% of research and development expenses is allowed for research and development conducted in North Carolina by a research university.

The credit would expire for taxable years beginning on or after January 1, 2009. The bill further requires the Department of Revenue to make annual reports regarding the credit to the Revenue Laws Study Committee and the Fiscal Research Division.

FISCAL ANALYSIS MEMORANDUM

[This confidential fiscal memorandum is a fiscal analysis of a draft bill, amendment, committee substitute, or conference committee report that has not been formally introduced or adopted on the chamber floor or in committee. This is not an official fiscal note. If upon introduction of the bill you determine that a formal fiscal note is needed, please make a fiscal note request to the Fiscal Research Division, and one will be provided under the rules of the House and the Senate.]

DATE: June 21, 2004

RE: House Bill 1415 – Alternative R & D Tax Credit (With House Finance Amend.)

FISCAL IMPACT (Millions)

Yes (X) **No ( )** **No Estimate Available ( )**

	FY 2004-05	FY 2005-06	FY 2006-07	FY 2007-08	FY 2008-09
REVENUES					
State General Fund		-15.8	-22.0	-23.4	-13.9

PRINCIPAL DEPARTMENT AFFECTED: The corporate income tax is administered by the Department of Revenue. The enactment of the bill should not affect the Department 's budget requirements.

EFFECTIVE DATE: Business activities undertaken on or after July 1, 2005. The new credit sunsets on January 1, 2009.

BILL SUMMARY: Under the current Bill Lee Act (tax incentives for industry recruitment) there is a credit for research and development expenditures. There are two alternative credits available to taxpayers: (1) a credit of 5% of the increase in research and development expenses that are apportioned to North Carolina and (2) a credit of 25% of the State's apportioned share of the federal alternative incremental credit (helps start-up companies).

The legislation moves the State research and development credit out of the Bill Lee Act and allows taxpayers the option of using the existing credit system (incremental credit or alternative credit) or a new restructured credit. The new credit contains the following features:

- The credit is no longer limited to just certain types of businesses.
- The taxpayer must still satisfy requirements relating to wage standard, health insurance, environmental impact, and safety and health programs.
- The credit may not exceed 50% of tax, with a 15-year carry forward.
- The new credit is a flat rate for qualified North Carolina research expenses, based on federal definitions of this term.

The structure for the new credit is as follows:

- Small business (annual gross receipts below $1 million) - 3%.
- Research conducted in Tier 1, 2, or 3 (distress tiers under Bill Lee Act) - 3%.
- Other research costs - 1% for expenses up to $50 million, 2% for expenses between $50 million and $200 million, and 3% for expenses above $200 million.
- Research payments to N.C. research universities – additional credit of 15%.

ASSUMPTIONS AND METHODOLOGY: Data compiled by the Department of Revenue from a review of the tax returns of taxpayers taking the existing credit indicates usage of $7.0 million per year. There were 216 applications for the credit in 2000 and 141 in 2001. These numbers may differ from the number of taxpayers taking the credit because the credit can be taken against either the franchise or the income tax.

The Department of Commerce staff, in conjunction with the Department of Revenue, has reviewed the tax returns for the largest 25 taxpayers taking the current R & D credit. These companies generated 77% of the R & D credit for 1999-2001. From the tax return detail supplied by these companies, Commerce was able to simulate the impact of the new credit.

For other potential users, the starting point in developing a simulation was a National Science Foundation survey of R & D spending for 1988. The data is compiled by the state but is not broken down in enough detail to allow an industry-specific calculation of the impact of the credit. To achieve this end, Commerce "sensitized" the NSF data by using information from the 1997 Economic Census of the Census Bureau (U.S. Department of Commerce) and wage data from the N.C. Employment Security Commission. This enabled the creation of industry average of research and development spending. In addition, Commerce discussed research activity with universities across the state.

The Department of Commerce, in cooperation with the Department of Revenue, determined from a review of tax returns that companies applying for the R & D credit, on average, are able to use 32% of the credit. This usage rate was applied to the categories of the new credit.

After the potential credits were calculated under the new system, it was determined that the additional annual revenue loss would be $13.2 million for the 2005 tax year if all taxpayers were able to use the new credit. However, the ability of a taxpayer to choose between the existing credit system and the new credit adds $3.0 million to the cost of the bill, bring the total annualized cost for the 2005 tax year to $16.2 million.

The new credit is effective for eligible research expenditures made on or after Jul 1, 2005. Thus, there will be no impact on the 2004-05 fiscal year. For 2005-06 the fiscal effect is based on 50% of the 2005 tax year impact (equals $8.1 million) plus the impact on estimated tax payments for the 2006 tax returns. For the purpose of this analysis, we have assumed that 45% of the annualized amount of the 2006 tax year credit would be taken during the April-June 2006 period based on the "safe harbor" provision requiring estimated payments of at least 90% of annual liability during the tax year (for four payments). This is equal to $7.7 million, bringing the total 2005-06 impact to $15.8 million.

For future years, the annual impact of the credit overhaul is expected to grow at a rate of 6%. This assumption ties closely to the forecast of North Carolina personal income growth as projected by Global Insight (forecasting firm used by Office of State Budget and Management) and Economy.com (forecast used by Fiscal Research Division). The future fiscal year estimates are based on the assumption that 45% of the annual tax year impact will occur during the April-June period of the tax year and the remainder during the July-March period (subsequent fiscal year).

Finally, the estimates have been adjusted for the fact that under current law the Bill Lee Act credits for research and development sunset on January 1, 2006 and the fact that the new credit expires on January 1, 2009.

FISCAL RESEARCH DIVISION: (919) 733-4910

New Research & Development Tax Credit Fact Sheet (House Bill 1415) *Prepared by NC Department of Commerce*

What Is It?

- A new, alternative method of providing tax credits for businesses that conduct research and development (R&D) in North Carolina.
- The proposed alternative provides better incentives for more North Carolina businesses that conduct R&D, with special emphasis on smaller businesses, rural R&D, and R&D conducted with NC public and private universities.

Who Has Recommended It?

Legislative Joint Select Committee on Economic Growth and Development
Legislative Joint Select Committee on Small Business ▪ *N.C. Economic Development Board* ▪ *N.C. Department of Commerce* ▪ *N.C. Economic Developers Association*
N.C. Citizens for Business & Industry ▪ *NCEITA* ▪ *N.C. Biosciences Org.*

What Is An R&D Tax Credit?

- A tax credit for business dollars spent on research and development to improve products and processes and to develop new products.
- NC currently has an R&D credit, but it does not work for many businesses.

Why Are R&D Tax Credits Important?

- In the new economy, competing states are aggressively pursuing research-based businesses – biotech, information technology, advanced manufacturing. Effective R&D tax credits make it easier to recruit and retain these businesses and to grow them from scratch.
- Research dollars represent investments in the state's economy – e.g., salaries of research workers and expenses associated with doing research.
- Every dollar spent by businesses on R&D generates at least 1.7 that amount in the state's economy. Some estimates put the multiplier as high as 3 times.
- An R&D tax credit encourages existing businesses to modernize in a time of fierce overseas competition.

What Does The New Credit Do?

- Provides companies a new incentive to <u>increase</u> R&D <u>in North Carolina</u>.
- Provides a simpler formula for computing the credit.
- Makes more small companies eligible and gives them a bigger credit.
- Does not harm existing NC businesses claiming the current credit.
- Is easier for the state to explain and sell to new businesses.
- Makes North Carolina more competitive with other states.
- Encourages investment of research dollars in NC public and private universities.

How Does The New Credit Work?

- Provides small businesses a flat credit of 3% for their NC research expenses.
- Provides 3% flat credit for research expenses in rural, less prosperous counties (Tiers 1-3).
- Provides a graduated credit of between 1 and 3% for other businesses, encouraging them to increase the volume of R&D they do in North Carolina.
- Provides a tax credit of 15% for private research contracted through universities in NC. Encourages businesses doing university research to do it in NC.

Why Do We Need An Alternative Credit?

- The current credit applies to a limited number of industries -- and it does not apply to those businesses that primarily do research.
- The current credit does not have special provisions to encourage small business or rural-based research.
- The current credit is complex. Smaller businesses are likely to avoid it.
- The current credit is not measured against research done in North Carolina. It uses a complex and confusing apportionment formula that does not measure NC research only.

Why Create An Alternative Credit and Keep The Current Existing Credit In Place?

- **Only one of the two credits can be claimed by a taxpayer** in a tax year. It gives taxpayers a choice.
- The choice will exist for one year only. The existing R&D credit is scheduled to expire on Dec. 31, 2005.
- Many existing businesses currently use the existing credit and have made planning decisions around it through 2005. Those expectations should be not be upset.
- Having the alternative credit will allow feedback from industry and a comparison of the usage of the two credits.

What Safeguards Exist?

- Like the current credit, the alternative credit cannot be claimed against more than 50% of a business' annual corporate or franchise tax liability.
- Businesses claiming the credit must meet the wage standard, pay health insurance, and have an appropriate environmental and OSHA record.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE THAT THE RESEARCH AND DEVELOPMENT TAX CREDIT IS NOT ALLOWED TO EMPLOYERS WHO SUBSTANTIALLY REDUCE JOBS IN NORTH CAROLINA.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-129.10 is amended by adding a new subsection to read:

"(d) Limitation. – A taxpayer is not allowed a credit under this section for the taxable year if the lowest number of the taxpayer's full-time employees in this State during the taxable year is more than fifteen percent (15%) below the highest number of the taxpayer's full-time employees in this State at any time during the five preceding taxable years."

SECTION 2. This act becomes effective for taxable years beginning on or after January 1, 2004.

North Carolina General Assembly

House Committee on Finance

Minutes

~

June 22, 2004 ~ After Adjournment of the Special Joint Session

The House Committee on Finance met on Tuesday, June 22, 2004 fifteen minutes after the adjournment of the Special Joint Session in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Howard and Wainwright; Vice-Chair Hill; and Representatives Blackwood, Bordsen, Carney, Creech, Holliman, Jones, Lewis, Ross, Weiss, and C. Wilson. Also present were Sergeant-at-Arms Bob Fowler, Bill Freeman, Dusty Rhodes, and Walter Spell. The staff person present was Martha Walston. The Agenda is attached and incorporated into these minutes as **attachment 1**. There were no visitors present at the meeting.

Chairwoman Howard called the meeting to order at 4:59 pm and recognized Representative Barnhart to explain the first bill on the agenda: **HB 1687 – CABARRUS BOARD OF EQUALIZATION AND REVIEW** (see **attachment 2**). Representative Barnhart explained that the bill authorizes the appointment of a special board of equalization and review in Cabarrus County and repeals a prior conflicting local act. He also noted that the bill had been favorably reported from the Committee on Local Government I. Seeing no discussion on the bill, Chairwoman Howard then recognized Representative Creech who made a motion that House Bill 1687 be given a favorable report. The Chair then called the motion to a vote and it carried without objection.

Chairwoman Howard then acted to add **SB 1127 – INCORPORATE WALLBURG** (see **attachment 3**) to the Committee's agenda for immediate consideration. The bill sponsor, Senator Bingham, was then recognized to explain the bill. The Senator explained that the bill would incorporate the Town of Wallburg in Davidson County. He noted that the bill received a favorable recommendation from the Joint Legislative Commission on Municipal Incorporations and was urgently placed before the Committee because the bill must be ratified by June 30, 2004 in order for the Town to receive "shared revenues" for the 2004-2005 fiscal year. Following this explanation, the Chair recognized Representative Creech who asked if there was any opposition to the bill. Senator Bingham stated that there was no opposition and noted that the bill was requested by the Town. Seeing no further questions, Chairwoman Howard then recognized Representative Creech who moved that Senate Bill 1127 be given a favorable report. The Chair then called the matter to a vote and the motion carried without objection.

The next bill considered by the Committee was **HB 1730 – HOLDEN BEACH SEWER TREATMENT FEE** (see **attachment 4**). Chairwoman Howard recognized Representative Stiller, the bill sponsor, to explain the bill. Representative Stiller explained very briefly that House Bill 1730 authorizes the Town of Holden Beach to create a fee-supported sewer treatment district. The Chair recognized Representative Creech who asked the bill sponsor if there was any opposition to the bill. Representative Stiller stated that there was no opposition to his knowledge and also noted that he

filed the bill at the request of the Town. Representative Wainwright was then recognized and moved that House Bill 1730 be given a favorable report. Chairwoman Howard called the vote and the motion carried without objection.

Chairwoman Howard then again recognized Representative Stiller to explain **HB 1733 – SOUTHPORT UTILITY UNDERGROUNDING** (see **attachment 5**). Representative Stiller explained that the bill would allow the City of Southport to assess benefited property for the placement of utility lines underground. He stated that the City of Southport had requested the bill and that he knew of no opposition. He also acted to send forth a technical amendment (see **attachment 6**), which mended the bill to state, "A utility shall have no obligation to place its lines underground...unless and until it receives payment for its costs to do so." He then moved adoption of this amendment. Seeing no discussion on the amendment, Chairwoman Howard then called the amendment to a vote and it was adopted without objection. Representative Hill was then recognized by the Chair and moved that a Committee Substitute for House Bill 1730, incorporating the newly adopted amendment, be given a favorable report (unfavorable as to the original bill). As there was no further discussion on the bill, the Chair then called the vote and the motion carried without objection.

HB 1734 – OCEAN ISLE CANAL DREDGING (see **attachment 7**) was the final bill considered by the Committee. Chairwoman Howard once again recognized Representative Stiller to explain the bill. Representative Hill made a motion that the Proposed Committee Substitute (PCS) for House Bill 1734 be adopted for the purposes of Committee discussion and that motion carried without objection. Representative Stiller then explained that the bill would allow the Town of Ocean Isle Beach to create a fee-supported canal-dredging district for all properties that are contiguous to a canal within the Town limits. He also informed the members that the Town had passed a local resolution requesting the legislation. Following this explanation, Representative Hill was recognized and stated his belief that the bill was an excellent idea. He also asked Representative Stiller if he had heard of any opposition to the proposed legislation. Representative Stiller stated that he was unaware of any opposition. Representative Hill then moved that the PCS for HB 1734 be given a favorable report (with an unfavorable report as to the original bill). Seeing no further discussion, Chairwoman Howard then called the motion to a vote, and it was carried without objection.

Having no further business before the Committee, Chairwoman Howard then adjourned the meeting at 5:11 p.m.

Respectfully submitted,

Representative Julia Howard
Presiding Chair

Jason A. Cannon

HOUSE BILL 1687*
Committee Substitute Favorable 6/10/04

Short Title: Cabarrus Board of Equalization and Review. (Local)

Sponsors:

Referred to:

May 27, 2004

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE APPOINTMENT OF A SPECIAL BOARD OF EQUALIZATION AND REVIEW FOR CABARRUS COUNTY.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-322(g) reads as rewritten:

"(g) Powers and Duties. – The board of equalization and review has the following powers and duties:

...

(3) Powers in Carrying Out Duties. – In the performance of its duties under subdivisions (g)(1) and (g)(2), above, the board of equalization and review may exercise the following powers:

a. It may appoint committees composed of its own members or other persons to assist it in making investigations necessary to its work. It may also employ expert appraisers in its discretion. The expense of the employment of committees or appraisers shall be borne by the county. The board may, in its discretion, require the taxpayer to reimburse the county for the cost of any appraisal by experts demanded by the taxpayer if the appraisal does not result in material reduction of the valuation of the property appraised and if the appraisal is not subsequently reduced materially by the board or by the Department of Revenue.

b. The board, in its discretion, may examine any witnesses and documents. It may place any witnesses under oath administered by any member of the board. It may subpoena witnesses or documents on its own motion, and it must do so when a request is made under the provisions of subdivision (g)(2)c, above.

A subpoena issued by the board shall be signed by the chair of the board, directed to the witness or to the person having

custody of the document, and served by an officer authorized to serve subpoenas. Any person who willfully fails to appear or to produce documents in response to a subpoena or to testify when appearing in response to a subpoena shall be guilty of a Class 1 misdemeanor.

c. In any year of general reappraisal, the chair of the board may divide the board into two or more separate panels with a minimum of three members each. The board members on each panel may be interchanged during the year. A decision by the panel has the same effect as a decision by the entire board.

...

(5) ~~Duty to Change Abstracts and Records~~Powers After Adjournment. – Following adjournment upon completion of its duties under subdivisions (g)(1) and (g)(2) of this ~~subsection,~~section, the board may continue to meet to carry out the following duties:

a. To hear and decide all appeals relating to discovered property under G.S. ~~105-312(d) and (k).~~105-312.

b. To hear and decide all appeals relating to the appraisal, situs, and taxability of classified motor vehicles under G.S. 105-330.2(b).

c. To hear and decide all appeals relating to audits conducted under G.S. 105-296(j) and relating to audits conducted under G.S. 105-296(j) and (l) of property classified at present-use value and property exempted or excluded from taxation.

d. To hear and decide all appeals relating to personal property under G.S. 105-317.1(c).

e. To exercise its authority under G.S. 105-282.1(a1) to accept an application for exemption or exclusion that was filed after the statutory deadline.

f. To make any changes authorized by G.S. 105-325."

SECTION 2. S.L. 2000-92 is repealed.

SECTION 3. Section 1 of this act applies to Cabarrus County only.

SECTION 4. This act is effective when it becomes law.

HOUSE BILL 1687:
Cabarrus Board of Equalization & Review

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Reps. Johnson & Barnhart
Date:	June 18, 2004	**Summary by:**	R. Erika Churchill
Version:	2nd Edition		Committee Counsel

SUMMARY: ***House Bill 1687 would authorize the appointment of a special board of equalization and review for Cabarrus County and repeal a prior conflicting local act. The 2nd Edition of House Bill 1687 was given a favorable report in House Local Government I.***

CURRENT LAW & BILL ANALYSIS: A board of equalization and review is a committee appointed by the county commissioners to review the county's property tax listings and appraisals and to hear taxpayers' appeals concerning the listing or appraisal of their property. The board of county commissioners performs these functions if it chooses not to appoint a special board of equalization and review. Appeals from a special board of equalization and review are directly to the Property Tax Commission, unless the county provides for an appeal to the board of county commissioners. General law authorizes counties to appoint special boards of equalization and review. G.S. 105-322.

House Bill 1687 would make the following local modifications to the general law for the County of Cabarrus:

1. The board of equalization and review may be divided into two or more separate panels with a minimum membership of three persons. A decision by the panel has the effect of a decision by the entire board of equalization and review.
2. After adjournment of the Board of Equalization and Review, that board may continue to meet to carry out the following duties:
    a. To hear and decide all appeals relating to discovered property. (General law restricts this authority to the discovery and listing of property and the settlement of the county's claim for taxes arising from that discovery.)
    b. Approve an untimely application for exemption or exclusion applicable to only the tax year in which the application was filed if good cause is shown for the untimely filing.
    c. To authorize a change to the tax abstracts as permitted in G.S. 105-325. (General law grants this authority to the Board of County Commissioners once the board of equalization and review has finished its work.)
3. Repeal S.L. 2000-92. S.L. 2000-92 granted the Cabarrus County Board of Equalization and Review the authority to meet after its formal adjournment to perform duties not then authorized by general statute. Those duties were subsequently authorized by general statute for all counties (S.L. 2001-139), and it is that statute that is being amended by Section 1 of the bill.

2003 COMMITTEE REPORT
HOUSE OF REPRESENTATIVES

The following report(s) from standing committee(s) is/are presented:
By Representatives **G. Allen, Howard, Luebke, McComas, Miner, and Wainwright** (Chairs) for the Committee on **FINANCE**.

A BILL TO BE ENTITLED

AN ACT TO INCORPORATE THE TOWN OF WALLBURG.

The General Assembly of North Carolina enacts:

SECTION 1. A Charter for the Town of Wallburg is enacted to read:

"CHARTER OF THE TOWN OF WALLBURG.

"ARTICLE I. INCORPORATION AND CORPORATE POWERS.

"Section 1.1. **Incorporation and Corporate Powers.** The inhabitants of the Town of Wallburg are a body corporate and politic under the name 'Town of Wallburg'. The Town of Wallburg has all the powers, duties, rights, privileges, and immunities conferred and imposed on cities by the general laws of North Carolina.

"ARTICLE II. CORPORATE BOUNDARIES.

"Section 2.1. **Town Boundaries.** Until modified in accordance with law, the boundaries of the Town of Wallburg are as follows:

Beginning at a point in the centerline intersection of Secondary Road #1730 (Wallburg/Union Cross Road) and running thence in an easterly direction following the Forsyth County/Davidson County line to the northwest corner of PIN# 6862-02-69-9020; thence along the western boundary of PIN# 6862-02-69-9020; thence in a southerly direction along the western boundary of PIN # 6862-02-78-0144; thence in a southerly direction along the western boundary of PIN # 6862-02-77-0331 and easterly direction along the southern boundary of PIN # 6862-02-77-0331; thence in a northerly direction along the western boundary of PIN # 6862-02-86-4846 and easterly along the northern boundary of the following three parcels, (1) PIN # 6862-02-86-4846, (2) PIN # 6862-02-86-7823, (3) PIN # 6862-02-96-3711; thence in a southerly direction along the eastern boundary of the following two parcels, (1) PIN # 6862-02-96-3711, (2) PIN # 6862-02-96-2045 to the northern boundary of PIN # 6862-02-95-4143; thence in a westerly, southerly, and easterly direction along PIN # 6862-02-95-4143 to the centerline intersection of Secondary Road # 1733 (Georgetown Road); thence along the eastern and southern boundary of PIN # 6862-04-84-9252 to the northeast corner of PIN # 6862-04-74-2013 and in a southerly direction along the eastern boundary and

westerly along the southern boundary of PIN # 6862-04-74-2013 to the northeast corner of PIN # 6862-04-73-8146; thence in a southerly direction along the PIN # 6862-04-73-8146 to the northern boundary of PIN # 6862-04-72-8400; thence in an easterly direction along the northern boundary and in a southerly direction along the eastern boundary of PIN # 6862-04-72-8400 and in a southerly direction along the eastern boundary of the following 4 parcels, (1) PIN # 6862-04-92-2009, (2) PIN # 6862-04-81-6713, (3) PIN # 6862-04-81-3468, (4) PIN # 6862-04-81-4199 to the southwest corner of PIN # 6862-04-91-6241; thence in an easterly direction along the southern boundary and in a northerly direction along the eastern boundary of PIN # 6862-04-91-6241 to the northwest corner of PIN # 6872-03-00-2722; thence in an easterly and southerly direction along the northern and eastern boundary of PIN # 6872-03-00-2722 to the centerline intersection of Secondary Road # 1741 (Wallburg-High Point Road) and running thence in an easterly direction, along the centerline of Wallburg-High Point Road to the northeast corner of PIN # 6871-01-19-5161; thence in a southerly direction along the eastern boundary and westerly along the southern boundary of PIN # 6871-01-19-5161 and westerly along the southern boundary of PIN # 6871-01-18-0987 to the boundary of PIN # 6871-01-08-8339; thence in a southerly direction along the eastern boundary of PIN # 6871-01-08-8339 and southerly along the eastern boundary and westerly along the southern boundary of PIN # 6871-01-08-6182; thence in a westerly direction along the southern boundary of the following 4 parcels, (1) PIN # 6871-01-08-2334, (2) PIN # 6861-02-98-9167, (3) PIN # 6861-02-98-8359, (4) PIN # 6861-02-98-7437 and northerly along the western boundary of PIN # 6861-02-98-6556 and continuing in a northerly direction along the eastern boundary of PIN # 6861-02-88-7858 to the centerline intersection of Secondary Road # 1741 (Wallburg-High Point Road); thence continuing on from the centerline intersection of Wallburg-High Point Road in a northerly direction along the eastern boundary of PIN # 6862-04-80-2633 to the southern boundary of PIN # 6862-04-81-4199; thence in a westerly direction along the northern boundary of PIN # 6862-04-80-2633 to the centerline intersection of Secondary Road #1741 (Wallburg-High Point Road) and thence from the center line intersection of Wallburg-High Point Road in a westerly and southerly direction along the northern and western boundary of PIN # 6862-04-80-2633 and continuing westerly to the northwest corner of PIN # 6861-02-69-2593; thence continuing westerly, southerly and easterly along the boundary of PIN # 6861-02-69-2593 to the southwest corner of PIN # 6862-04-80-2633; thence in an easterly direction along the southern boundary of PIN # 6862-04-80-2633 and PIN # 6861-02-89-1437 to the boundary of PIN # 6861-02-88-7858 and continuing in a southerly direction along the western boundary of the following 3 parcels, (1) PIN # 6861-02-88-7858, (2) PIN # 6861-02-87-2956, (3) PIN # 6861-02-87-2574 to the boundary of PIN # 6861-02-76-6889; thence in a easterly and southerly along the northern and eastern boundary of PIN # 6861-02-76-6889 and continuing southerly along the eastern boundary of the following 4 parcels, (1) PIN # 6861-02-86-4378, (2) PIN # 6861-02-86-4264, (3) PIN # 6861-02-86-5006, (4) PIN # 6861-02-85-2672 and westerly along the southern boundary and northerly on the western boundary of PIN #

6861-02-85-2672 to the southeast corner of PIN # 6861-02-75-8237; thence in a westerly direction along the southern boundary of the following 3 parcels, (1) PIN # 6861-02-75-8237, (2) PIN # 6861-02-75-126, (3) PIN # 6861-02-65-3377 and continuing in a northerly direction along the western boundary of PIN # 6861-02-65-3377 to the centerline intersection of Secondary Road # 1749 (Stoney Ridge Road); thence in a westerly direction along the centerline intersection of Stoney Ridge Road to the northeast corner of PIN # 6861-01-45-9232; thence in a southerly and westerly direction along the eastern and southern boundary of PIN # 6861-01-45-9232; thence in a southerly direction along the eastern boundary the following 2 parcels, (1) PIN # 6861-03-44-6877, (2) PIN # 6861-03-44-7508 to the centerline intersection of Secondary Road # 2995 (Johnson Road); thence continuing in a westerly direction to the centerline intersection of North NC Hwy 109; thence southerly direction on North NC Hwy 109 to the northeast corner of PIN # 6861-03-43-2478; thence westerly and southerly direction along the northern and western boundary of PIN # 6861-03-43-2478 and southerly along the western boundary of PIN # 6861-03-42-3828; thence southerly direction along the eastern boundary of the following 10 parcels, (1) PIN # 6861-03-32-7590, (2) PIN # 6861-03-32-8365, (3) PIN # 6861-03-32-8292, (4) PIN # 6861-03-32-9132, (5) PIN # 6861-03-31-9977, (6) PIN # 6861-03-41-0802, (7) PIN # 6861-03-41-0720, (8) PIN # 6861-03-41-0427, (9) PIN # 6861-03-41-0185, (10) PIN # 6861-03-40-1971 to the centerline intersection of Secondary Road #2964 (Oak Street); thence in a southerly direction to southeast corner of PIN # 6861-03-40-0675; thence in a westerly direction along the southern boundary of PIN # 6861-03-40-0675; thence in a westerly and then northerly direction along the boundary of PIN # 6861-03-30-9773 and thence in a northerly direction along the boundary of PIN # 6861-03-30-9849 to the centerline intersection of Secondary Road # 1997 (Eden Park Drive); continuing in a westerly direction along the southern boundary of PIN # 6861-03-30-6879 to the southeast corner of PIN # 6861-03-21-8461; thence in a northerly and westerly direction along the eastern and northern boundary of PIN # 6861-03-21-8461 continuing in a westerly and northerly direction along the boundary of PIN # 6861-03-22-2156; thence continuing in a northerly direction along the western boundary of the following 7 parcels, (1) PIN # 6861-03-22-1365, (2) PIN # 6861-03-22-1418, (3) PIN # 6861-03-22-0584, (4) PIN # 6861-03-22-0584, (5) PIN # 6861-03-22-0657, (6) PIN # 6861-03-22-0716, (7) PIN # 6861-03-12-9848 to the centerline intersection of Secondary Road # 1751 (Shady Grove Church Road) and thence continuing in a westerly direction on Shady Grove Church Road to the southeast corner of PIN # 6851-04-93-7638; thence in a northerly direction along the eastern boundary of PIN # 6851-04-93-7638; thence in a westerly direction along the southwestern of PIN # 6851-04-94-6468 to the southeast corner of PIN # 6851-02-95-0214; thence in a northerly and easterly direction along the eastern boundary of PIN # 6851-02-95-0214; thence in a southeasterly direction along the southwestern boundary of PIN # 6861-03-24-0560 to the centerline intersection of Secondary Road # 1751 (Shady Grove Church Road); thence continuing in an easterly direction on Shady Grove Church Road to the southwestern corner of PIN # 6861-03-34-3400; thence in a northerly direction along the western boundary of PIN # 6861-03-34-3400; thence in a westerly and

northerly direction along the western boundary of PIN # 6861-03-33-1685 to the boundary of PIN # 6861-01-35-4668; thence in an easterly, northerly and westerly direction along the southern, eastern and northern boundary of PIN # 6861-01-35-4668 to the southwestern corner of PIN # 6861-01-36-8115; thence in a northerly direction along the western boundary of the following 3 parcels, (1) PIN # 6861-01-36-8115, (2) PIN # 6861-01-36-9371, (3) PIN # 6861-01-36-9523; thence in an easterly direction along the northern boundary of PIN # 6861-01-36-9523 to the southwestern corner of PIN # 6861-01-46-0617; thence in a northerly and easterly direction along the western and northern boundary of PIN # 6861-01-46-0617 to the centerline intersection of North NC Hwy 109; thence continuing in a northerly direction on North NC Hwy 109 to the southeast corner of PIN # 6861-01-39-6482; thence in a northerly direction along the eastern boundary of PIN # 6861-01-39-6482; thence in a northerly, westerly and easterly direction along the eastern boundary of PIN # 6862-03-32-0247; thence in a northwesterly direction along the northern boundary of PIN # 6862-03-32-0247 to the southeast corner boundary of PIN # 6862-03-34-4226; thence continuing in a westerly and southerly direction along the northern and western boundary of PIN # 6862-03-34-4226; thence in a southerly and westerly direction along the northern boundary of PIN # 6862-03-32-0247 to the centerline intersection of Secondary Road #1773 (Motsinger Road); thence continuing in a southerly direction on Motsinger Road to the southwest corner of PIN # 6862-03-12-2667; thence continuing in a northerly, westerly, southerly and easterly direction along the eastern, northern and western boundary of PIN # 6852-04-72-6540 to the centerline intersection of Secondary Road #1700 (Friendship-Ledford Road); thence continuing in a southerly direction on Friendship-Ledford Road to the northeast corner of PIN # 6851-01-28-4557; thence in a westerly and northerly direction along the northern boundary of PIN # 6851-01-28-4557 to the eastern boundary of PIN # 6852-03-11-0324; thence in a northerly direction along the eastern boundary of PIN # 6852-03-11-0324 to centerline intersection of Secondary Road #1711 (Gumtree Road); thence continuing across Gumtree Road to the southwest corner of PIN # 6852-03-23-1651; thence in a northerly and northeasterly direction along the western and northern boundary of PIN # 6852-03-23-1651 to the centerline intersection of Secondary Road #1700 (Friendship-Ledford Road); thence continuing across Friendship-Ledford Road in a northeasterly direction along the southeastern boundary of the following 3 parcels, (1) PIN # 6852-03-24-2274, (2) PIN # 6852-03-24-6800, (3) PIN # 6852-03-24-8961 to the southeast corner boundary of PIN # 6852-01-25-8744; thence continuing in a northerly and easterly direction along the eastern boundary of PIN # 6852-01-25-8744 to the centerline intersection of Secondary Road #1711 (Gumtree Road); thence in a northeasterly direction on Gumtree Road to the northeast corner of PIN # 6852-01-16-7536; thence in a westerly direction along the northern boundary of PIN # 6852-01-16-7536 to the northeast corner of PIN # 6852-01-06-2193; thence in a westerly and southern direction along the northern and western boundary of PIN # 6852-01-06-2193 to the centerline intersection of Secondary Road #1700 (Friendship-Ledford Road); thence continuing north on Friendship-Ledford Road to southeast corner boundary of PIN # 6842-02-97-6174; thence in westerly direction along the southern boundary of PIN # 6842-02-97-6174; thence in a northerly

direction along the western boundary of the following 6 parcels, (1) PIN # 6842-02-97-6217, (2) PIN # 6842-02-97-6400, (3) PIN # 6842-02-97-5578, (4) PIN # 6842-02-97-5745, (5) PIN # 6842-02-97-5817, (6) PIN # 6842-02-98-8101 to the centerline intersection of Secondary Road #1708 (Mt. Vernon Church Road); thence in a northeasterly direction along Mt. Vernon Church Road to the southwest corner boundary of PIN # 6842-02-98-8101; thence in a northerly direction along the western boundary of PIN # 6842-02-98-8101; thence in a northerly and easterly direction along the western and northern boundary of PIN # 6842-02-98-7532; thence in a easterly and northerly direction along the southern and eastern boundary of PIN # 6852-01-09-2040 to the southeast corner of the southern boundary of PIN # 6852-01-09-9621; thence continuing in an easterly and northerly direction along the southern and eastern boundary of PIN # 6852-01-09-9621 to centerline intersection of Secondary Road #1709 (Rex Road); thence continuing in a northerly direction on Rex Road to the Forsyth/Davidson County line; thence following the Forsyth/Davidson County line in an easterly direction to the centerline intersection of Secondary Road #1730 (Wallburg/Union Cross Road) which is the beginning.

All references to the PIN # herein are references to Davidson county tax map system as of March 17, 2003. A copy shall be maintained in the records of the town of Wallburg.

"Section 2.2. **Annexation.** (a) The Town of Wallburg shall not extend its boundaries into Forsyth County by annexation pursuant to Article 4A of Chapter 160A of the General Statutes.

(b) The Town of Wallburg shall not extend its boundaries in Davidson County by annexation east of the line shown on the map dated March 16, 2004, entitled "Proposed Town of Wallburg," as prepared by the City of High Point Department of Planning and Development. That line begins at the place where Abbots Creek Church Road (S.R. 1734) intersects the Forsyth/Davidson County line; then south along Abbots Creek Church Road to its intersection with Moore Road (S.R. 1745); then west and south along Moore Road to its intersection with Mock Road (S.R. 1744); then south along Mock Road to its intersection with Old Greensboro Road (S.R. 1756); then west and south along Old Greensboro Road to N.C. Highway 109.

(c) G.S. 160A-58.1(b)(2) does not apply to the Town of Kernersville as it relates to the Town of Wallburg.

(d) G.S. 160A-58.1(b)(2) does not apply to the City of Winston-Salem as it relates to the Town of Wallburg.

"ARTICLE III. GOVERNING BODY.

"Section 3.1. **Structure of Governing Body; Number of Members.** The governing body of the Town of Wallburg is the Mayor and Town Council, which shall have five members.

"Section 3.2. **Temporary Officers.** Until the organizational meeting after the initial election in 2005 provided for by Section 4.1 of this Charter, Jack Craven is hereby appointed Mayor and Ronnie Bailey, Zane Hedgecock, Sue Martin, Daphne Rogers, and Mark Swaim are appointed Council Members of the Town of Wallburg, and they shall possess and exercise the powers granted to the governing body until their successors are elected or appointed and qualified pursuant to this Charter. If any person named in this

section is unable to serve, the remaining temporary officers shall, by majority vote, appoint a person to serve until the initial municipal election is held in 2005.

"Section 3.3. **Manner of Electing Town Council; Term of Office.** The qualified voters of the entire Town shall elect the members of the Town Council and, except as provided in this section, they shall serve four-year terms. In 2005, the two candidates receiving the highest numbers of votes shall be elected to four-year terms and the three candidates receiving the next highest numbers of votes shall be elected to two-year terms. In 2007, and quadrennially thereafter, three members shall be elected to four-year terms. In 2009, and quadrennially thereafter, two members shall be elected to four-year terms.

"Section 3.4. **Manner of Electing Mayor; Term of Office; Duties.** The qualified voters of the entire Town shall elect the Mayor. In 2005, and quadrennially thereafter, the Mayor shall be elected for a term of four years. The Mayor shall be the official head of Town government and shall preside at all meetings of the Council, shall have the right to vote only when there is an equal division on any question or matter before the Council, and shall exercise the powers and duties conferred by law or as directed by the Council.

"ARTICLE IV. ELECTIONS.

"Section 4.1. **Conduct of Town Elections.** Elections shall be conducted on a nonpartisan basis and results determined by a plurality as provided in G.S. 163-292.

"ARTICLE V. ADMINISTRATION.

"Section 5.1. **Town to Operate Under Mayor-Council Plan.** The Town shall operate under the Mayor-Council form of government as provided in Part 3 of Article 7 of Chapter 160A of the General Statutes.

"Section 5.2. **Town Attorney.** The Council shall appoint a Town Attorney licensed to practice law in North Carolina. It shall be the duty of the Town Attorney to represent the Town, advise Town officials, and perform other duties as required by law or as directed by the Town Council. The Town Attorney shall serve at the pleasure of the Town Council.

"Section 5.3. **Town Clerk.** The Council shall appoint a Town Clerk who shall perform duties as required by law or as directed by the Town Council. The Town Clerk shall serve at the pleasure of the Council.

"ARTICLE VI. TAXES AND BUDGET ORDINANCE.

"Section 6.1. **Commencement of Tax Collection.** From and after the effective date of this act, the citizens and property in the Town of Wallburg shall be subject to municipal taxes levied for the year beginning July 1, 2004, and for that purpose the Town shall obtain from Davidson County a record of property in the area herein incorporated which was listed for property taxes as of January 1, 2004.

"Section 6.2. **Budget.** The Town may adopt a budget ordinance for fiscal year 2004-2005 without following the timetable in the Local Government Budget and Fiscal Control Act, but shall follow the sequence of actions in the spirit of the act insofar as is practical. For fiscal year 2004-2005, ad valorem taxes may be paid at par or face amount within 90 days of adoption of the budget ordinance and thereafter in accordance with the schedule in G.S. 105-360. If the effective date of the incorporation is prior to

July 1, 2004, the Town may adopt a budget ordinance for fiscal year 2003-2004 without following the timetable in the Local Government Budget and Fiscal Control Act, but shall follow the sequence of actions in the spirit of the act insofar as practical. No ad valorem taxes may be levied for the 2003-2004 fiscal year.

"Section 6.3. **Ad Valorem Taxes.** The Town Council shall not increase the ad valorem tax rate more than $0.10/$100.00 valuation above the ad valorem tax rate established on the date of incorporation of the Town of Wallburg without the vote or consent of a majority of the qualified voters of the Town of Wallburg. The election on the question of increasing the ad valorem tax rate shall be conducted in accordance with G.S. 160A-209."

SECTION 2. This act is effective when it becomes law.

SENATE BILL 1127:
Incorporate Wallburg

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Sen. Bingham
Date:	June 22, 2004	**Summary by:**	Cindy Avrette
Version:	2nd Edition		Committee Counsel

SUMMARY: ***Senate Bill 1127 incorporates the Town of Wallburg in Davidson County, effective when this bill becomes law. The 2nd Edition makes two substantive changes to the bill:***

- ***It limits the Town of Wallburg's ability to annex.***
- ***It removes the provisions from the bill requiring a referendum on incorporation by the qualified voters of the proposed area to be incorporated.***

BILL ANAYSIS AND BACKGROUND: The Joint Legislative Commission on Municipal Incorporations met on June 15, 2004, and found that the proposed Town of Wallburg met the standards required by Article 20 of Chapter 120 of the General Assembly and therefore the Commission recommends incorporation of the area as the Town of Wallburg.

The Commission received a petition signed by 51% of the area's population proposing the incorporation of the area. The assessment of the petition to incorporate Wallburg by the Division of Community Assistance, Department of Commerce, found that approximately 2,761 people reside in the proposed area to be annexed, representing a population density of 458.24 persons per square mile. G.S. 120-167 requires a permanent population of at least 100 and the population density must be at least 250 persons per square mile. DOA's analysis also indicated that 41.33% of the area is developed; G.S. 120-168 requires that at least 40% of the area must be developed for residential, commercial, industrial, institutional, or governmental uses.

G.S. 120-169.1 requires that the proposed town must provide at least four municipal services. The Town of Wallburg plans to provide police protection, water distribution, street maintenance, and zoning. The proposed Town plans to contract with Davidson County Sheriff's Department for police protection and with Davidson Water Incorporated for water distribution. Zoning will be administered through a contract with Davidson County and street maintenance will be contracted with DOT. To meet its financial obligations, the Town proposes a $.05 property tax rate. This tax rate will yield annual property tax revenue of approximately $105,525. The proposed Town's charter provides that the tax rate may not be increased more than $.10/$100 valuation above the tax rate established on the date of incorporation without a vote or consent of a majority of the qualified voters of the Town.

G.S. 120-166(a) establishes criteria for incorporation based upon the nearness of the proposed town to existing municipalities and their respective populations. However, G.S. 120-166(b)(3) provides that municipalities within the distances described in subsection (a) may by resolution express their approval of the incorporation. The proposed Town of Wallburg has obtained resolutions expressing approval of its incorporation from Town of Kernersville and the Cities of Winston-Salem and High Point provided that Wallburg include a statement in its charter providing that it will not annex certain areas in Forsyth and Davidson Counties. The 2nd Edition of Senate Bill 1127 contains this statement on page 5, beginning on line 19.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 2003

HOUSE BILL 1730

Short Title:	Holden Beach Sewer Treatment Fee.	(Local)
Sponsors:	Representative Stiller.	
Referred to:	Finance.	

May 27, 2004

A BILL TO BE ENTITLED

AN ACT TO ALLOW THE TOWN OF HOLDEN BEACH TO IMPOSE A SEWER TREATMENT FEE.

The General Assembly of North Carolina enacts:

SECTION 1. Fee-Supported District. – A municipality may create a fee-supported sewer treatment district for all properties that are or can be served by the sewage collection and treatment plant serving properties within the Town.

SECTION 2. Creation of Fee-Supported District. – The Town may adopt a resolution establishing a fee-supported sewer treatment district.

SECTION 3. Imposition of Annual Fees. – The Town may impose annual fees for the availability of sewer service within the district. The Board shall set same on or before July 1 each year.

SECTION 4. Fees. – The fees imposed by the municipality may not exceed the cost of providing the sewer collection facility within the municipality and the cost of the contract with a county to provide it with the facilities to transport, treat, and dispose of the municipality's effluent. Said fees shall be imposed on owners of each dwelling unit or parcel of property that could or does benefit from the availability of sewage treatment.

SECTION 5. Billing of Fees. – The municipality may include a fee imposed under this section on the property tax bill for each parcel of property lying within the municipal limits on which the fee is imposed. Said fee shall be collected in the same manner as provided for in the General Statutes for the collection of ad valorem taxes, and remedies available by statute for the collection of taxes shall apply to the collection of the sewer district fees.

SECTION 6. Use of Fees. – The Town shall credit the fees collected within the district to a separate fund to be used only to pay the debt service for the sewer system. The governing board of the municipality shall administer the fund to provide for the payment of said sewer services provided by the county.

SECTION 7. Abolition of District. – Upon finding that there is no longer a need for a given fee-supported district, the governing board of the municipality may repeal the resolution establishing the district and thus abolish the district.

SECTION 8. This act applies only within the Town of Holden Beach.

SECTION 9. This act is effective when it becomes law.

HOUSE BILL 1730:
Holden Beach Sewer Treatment Fee

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Stiller
Date:	June 22, 2004	**Summary by:**	Trina Griffin
Version:	1st Edition		Committee Counsel

SUMMARY: House Bill 1730 authorizes the Town of Holden Beach to create a fee-supported sewer treatment district.

CURRENT LAW: G.S. 160A-312 authorizes cities to acquire, construct, establish, enlarge, improve, maintain, own, operate, and contract for the operation of a public enterprise, which includes wastewater collection, treatment, and disposal systems of all types. Cities are also authorized to establish a schedule of rates and fees for the use of the services furnished by any public enterprise. Under this authority, only actual users of the particular service may be charged fees for its use. Alternatively, a city may require payment of a periodic availability charge. Under either option, the fees must reflect the cost of the service and could not include capital costs.

BILL ANALYSIS: House Bill 1730 authorizes the Town of Holden Beach to create a fee-supported sewer treatment district. The Town would be authorized to impose annual fees for the availability of sewer service within the district. The fees may not exceed the cost of providing the sewer collection facility and the cost of the contract with a county to provide it with the facilities to transport, treat, and dispose of the waste. The fees would be imposed on owners of each dwelling unit or parcel of property that could or does benefit from the availability of sewage treatment. The fees would be collected in the same manner as *ad valorem* taxes. The revenues from the fees would be used only to pay the debt service for the sewer system.

This method of financing would enable the Town to impose the fees on owners of vacant lots, which arguably it could not do under provisions of current law, as well as enable the Town to use the fees for the capital costs associated with constructing the sewer system.

HOUSE BILL 1733

Short Title:	Southport Utility Undergrounding.	(Local)
Sponsors:	Representative Stiller.	
Referred to:	Finance.	

May 27, 2004

A BILL TO BE ENTITLED

AN ACT TO ALLOW THE CITY OF SOUTHPORT TO ASSESS BENEFITED PROPERTY FOR UNDERGROUNDING UTILITIES.

The General Assembly of North Carolina enacts:

SECTION 1. The Charter of the City of Southport, being Chapter 659 of the 1983 Session laws, is amended by adding a new Article to read:

"ARTICLE X. SPECIAL ASSESSMENT AUTHORITY FOR PLACEMENT OF UTILITIES UNDERGROUND.

"**Sec. 10.1.** Special Assessment Authority for Placement of Utilities Underground. In addition to the assessment authority provided in G.S. 160A-216, the Board of Aldermen may make special assessments against benefited property within the corporate limits for placing utility lines underground. For the purpose of this section, utility lines include electrical distribution, telephone, and cable television lines. Any assessments made under this section shall be made in accordance with the procedural requirements of Article 10 of Chapter 160A of the General Statutes."

SECTION 2. This act is effective when it becomes law.

HOUSE BILL 1733:
Southport Utility Undergrounding

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Stiller
Date:	June 22, 2004	**Summary by:**	Trina Griffin
Version:	1st Edition		Committee Counsel

SUMMARY: ***House Bill 1733 would allow the city to Southport to assess benefited property for the placement of utility lines underground.***

CURRENT LAW: Article 10 of Chapter 160 authorizes a city to make special assessments against benefited property within its corporate limits for:

(1) Constructing, reconstructing, paving, widening, installing curbs and gutters, and otherwise building and improving streets;
(2) Constructing, reconstructing, paving, widening, and otherwise building or improving sidewalks in any public street;
(3) Constructing, reconstructing, extending, and otherwise building or improving water systems;
(4) Constructing, reconstructing, extending, or otherwise building or improving sewage collection and disposal systems of all types, including septic tank systems or other on-site collection or disposal facilities or systems;
(5) Constructing, reconstructing, extending, and otherwise building or improving storm sewer and drainage systems.

Whenever a city decided to finance a proposed project by special assessments, it must adopt a preliminary resolution containing, among other things, a statement of intent, a general description of the nature and location of the project, and a statement concerning the proposed basis for making assessments. The city must hold a public hearing on the preliminary resolution. Once the total cost of the project has been determined, the city must prepare a preliminary assessment roll containing a brief description of each lot to be assessed, the basis for the assessment the amount assesses against each, and the terms of payment. A public hearing must also be held on the preliminary assessment roll. Once the roll is confirmed, property owners are given notice and payment is due within 30 days after publication of the notice.

BILL ANALYSIS: House Bill 1733 would add a new Article to the Charter of the City of Southport that would allow the governing body to make special assessments against benefited property for the placement of utility lines underground. Utility lines would include electrical distribution, telephone, and cable television lines. The assessments would be made in accordance with the procedural requirements of Article 10 of Chapter 160A of the General Statutes.

A BILL TO BE ENTITLED

AN ACT TO ALLOW THE TOWN OF OCEAN ISLE BEACH TO IMPOSE A CANAL DREDGING FEE.

The General Assembly of North Carolina enacts:

SECTION 1. Fee-Supported Canal Dredging District. – A municipality by resolution may create a fee-supported canal dredging district for all properties that are contiguous to a canal within the corporate limits.

SECTION 2. Imposition of Annual Fees. – A municipality may impose annual fees for the dredging of canals, both natural and concrete, within the corporate limits. The governing board shall establish the fees on or before July 1 each year.

SECTION 3. Fees. – The fees imposed by the municipality may not exceed the cost of providing for the dredging of the canals within the municipality. The fees shall be imposed on owners of each dwelling unit or parcel of property that could or does benefit from water access through the canal system on the island.

SECTION 4. Billing of Fees. – The municipality may include a fee imposed under this section on the property tax bill for each parcel of property lying within the municipal limits on which the fee is imposed. Said fee shall be collected in the same manner as provided for in the General Statutes for the collection of ad valorem taxes, and remedies available by statute for the collection of taxes shall apply to the collection of the canal dredging fees.

SECTION 5. Use of Fees. – A municipality shall credit the fees collected within the district to a separate fund to be used only to pay the bill that is received for canal dredging. The governing board shall administer the fund to provide for the payment of canal dredging.

SECTION 6. Abolition of District. – Upon finding that there is no longer a need for a given fee-supported district, the governing board may repeal the resolution establishing the district and thus abolish the district.

SECTION 7. This act applies only within the municipal boundaries of the Town of Ocean Isle Beach.

SECTION 8. This act is effective when it becomes law.

HOUSE BILL 1734:
Ocean Isle Canal Dredging

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	Rep. Stiller
Date:	June 18, 2004	**Analysis by:**	Martha Walston
Version:	H1734-CSLAf-65		Committee Counsel

SUMMARY: House Bill 1734 is a local bill that would allow the Town of Ocean Isle Beach to create a fee-supported canal dredging district for all properties that are contiguous to a canal. The fee may not exceed the cost of dredging and will be imposed on owners of each dwelling unit or parcel that could or does benefit from water access through the canal system. The PCS makes a technical correction.

BILL ANALYSIS: House Bill 1734 authorizes the Town of Ocean Isle Beach to create a fee-supported canal dredging district for properties that are contiguous to a canal within the town limits. The annual fee may not exceed the cost of providing for the dredging of canals, both natural and concrete, and would be imposed on owners of each dwelling unit or parcel of property that could or does benefit from water access through the canal system.

The dredging fee may be included on the property tax bill and collected in the same manner as property taxes. The remedies for collection of taxes will also apply to the collection of these fees.

The fees collected shall be placed in a separate fund to be used only to pay the bill for canal dredging.

On March 10, 2004, the Town of Ocean Isle Beach adopted a resolution to propose the above legislation. This legislation was proposed to provide the means to remove the silt and sand that have flowed into the canals in the Town impeding the navigability of the canals. These canals provide water access from the Intracoastal Waterway to lots and rights-of-way within the Town limits.

House Committee on Finance

Minutes

~

June 23, 2004 ~ 8:30 a.m.

The House Committee on Finance met on Wednesday, June 23, 2004 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons G. Allen, Howard, Luebke, McComas, and Wainwright; Vice-Chairs Alexander, Daughtridge, Decker, Gibson, and Hill; and Representatives Blackwood, Bordsen, Capps, Carney, Creech, Glazier, Hackney, Holliman, Jones, Lewis, McGee, Ross, Setzer, Starnes, Weiss, C. Wilson, and Womble. Also present were Sergeant-at-Arms Bob Fowler, Bill Freeman, Dusty Rhodes, and Walter Spell. Staff persons present included Richard Bostic, Chloe Gossage, Trina Griffin, Martha Harris, Jim Mills, Linda Millsaps, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairman Allen, in Chairman Luebke's absence, called the meeting to order at 8:33 am and recognized the six (6) pages present: (1) Chelsea Allen of McDowell County, sponsored by Representative Gillespie; (2) Whitney Averette of Franklin County, sponsored by Representative Lucy Allen; (3) Jeremy Lee of Catawba County, sponsored by Representative Setzer; (4) Emilie Mademann of Iredell County, sponsored by Representative Howard; (5) David McCollum of Wake County, sponsored by Representative Gordon Allen; and (6) Aaron Wheeler of McDowell County, sponsored by Representative Gillespie.

Senator Kerr was recognized by Chairman Allen to explain the first bill considered by the Committee: **SB 1064 – FINANCE PARKS, HERITAGE, AND CLEAN WATER** (see **attachment 3**). Representative Gibson made a motion that the Proposed Committee Substitute (PCS) for Senate Bill 1064 be adopted for the Committee's discussion and that motion carried without objection. Senator Kerr then explained that the bill would authorize the State to use special indebtedness for capital projects for the State Parks System; for parks, recreation, and the preservation of natural heritage; and for clean water conservation. Senator Kerr noted that repayment of the debt for these purposes would be made from existing revenue streams dedicated to the Parks and Recreation Trust Fund, the Natural Heritage Trust Fund, and the Clean Water Management Trust Fund, respectively. Finally, he explained that the House proposed committee substitute would limit this authorization to a total of $68 million: $26 million to acquire land near military bases; $5 million for existing State park capital improvements; and $37 million for land acquisition for new and existing State parks and capital improvements for existing State parks. Following this explanation, Chairman Luebke, having arrived at the meeting, assumed the Chair. He then recognized Representative Howard who reviewed the bill and expressed the hope that the differences between the House and Senate on the bill could be resolved in a conference committee, moved that the House Proposed Committee Substitute be given a favorable report (with unfavorable report to the second Senate Committee Substitute, which was before the Committee)

and recommendation that the House PCS be re-referred to the Appropriations Committee. Representative Hackney was then recognized and asked Secretary of the North Carolina Department of Environment and Natural Resources (NCDENR), Bill Ross, his opinion of the limitations placed on the bill by the House Committee Substitute. Secretary Ross stated that while NCDENR would have preferred the bill without such stringent limitation, the Department continues to feel that this indebtedness is essential to the future of North Carolina's parks and water resources. Representative Capps was recognized next and, noting that the Trust Funds involved with the bill held cash balances, asked why there was a need to issue the special indebtedness authorized in the bill. Mr. Bill Holman, Executive Director of the North Carolina Clean Water Management Trust Fund, was recognized to respond and stated that the cash balances were representative of funds that were already committed to other projects. Representative Creech was then recognized and stated his belief that the State already had a number of parks that it can't keep up and that the State continues to amass more and more debt. Representative Hackney and Womble responded by stating that these accusations were not true and that the State had done an excellent job in park preservation and maintenance. Representative Carney was recognized next and commented that the bill was an excellent effort in her opinion. She stated that bills such as these which focus on the State's parks and clean water were usually highly supported by average citizens. As there was no further discussion, Chairman Luebke then called the earlier motion made by Representative Howard for a favorable report as to the PCS for SB 1064 (and recommendation that it be re-referred to the Committee on Appropriations) to a vote. The motion carried.

The next bill considered by the Committee was **HB 1423 – APPRENTICESHIP TAX CREDIT** (see **attachment 4**). Chairman Luebke recognized Representative Howard, the bill sponsor, to explain the bill. Representative Womble made a motion that the PCS be before the Committee for discussion purposes. The motion carried without objection. Representative Howard then explained that the bill allows a credit against the franchise tax or the income tax of an employer who hires employees registered in an apprenticeship program approved by the Department of Labor. She stated that the credit would be equal to 15 percent of the wages paid to registered apprentices per taxable year. She also noted that the bill would be effective beginning in January of 2005, would sunset in 3 years (2008), and appropriated $5,000 for to the Department of Labor for the administrative costs associated with the implementation of the tax credit. Following this explanation, Representative Hackney was recognized for an inquiry. He asked the fiscal staff for an elaboration of the fiscal impact on the bill. Staff then informed the members that the fiscal impact is estimated to exceed $100 million before it sunsets in 2008. Representative Hackney stated his opinion that a 15% credit was far more than the State could afford and suggested that Representative Howard consider a lesser rate. Representative Howard responded by stating that the credit would allow employers to hire more apprentices and that this would help with job growth among the State's displaced workforce. She further stated that employing apprentices involves a significant financial investment by employers and that this credit would help to offset those costs. The Committee then engaged in a series of questions regarding the Apprenticeship Program in the Department of Labor. Ms. Brenda Saunders, Assistant Bureau Chief for the Apprenticeship and Training Bureau for the Department of Labor fielded these inquiries. Chairman Luebke next recognized Representative Hackney who acted to send forth an amendment (see **attachment 5**) reducing the tax credit from 15 percent to 5 percent of the wages paid to registered apprentices. He stated that while he favored providing assistance to employers who hired apprentices, the 15% credit was simply too expensive. He then moved adoption of his amendment. Representative Daughtridge was recognized and spoke in opposition to the amendment. He stated that employers who hire apprentices are spending far more than 15% in the costs of training alone. He stated that 15%, in his opinion was reasonable and that 5% was too low. Representative Gibson was also recognized to speak against the amendment. He stated that the amendment was trying to hurt a bill focused on helping the existing businesses in the State. Given the consensus of the Committee,

Chairman Luebke then recognized Representative Hackney who withdrew his amendment. Following some other brief comments, the Chair then recognized Representative Blackwood who moved that the PCS for House Bill 1423 be given a favorable report (with an unfavorable report as to the original bill) and recommendation that the PCS be re-referred to the Committee on Appropriations. Seeing no further discussion, Chairman Luebke then called the motion a to vote and it carried by a majority.

HB 1795 – MODIFY YOUTH FACILITY DEBT AUTHORIZATION (see **attachment 6**) was the next bill considered by the Committee. As Chairman Luebke was the sponsor of this bill, he requested that Chairwoman Howard assume the Chair so that he could present his bill. Chairman Howard having then assumed the Chair, Representative Luebke was recognized to explain the bill. Representative Allen made a motion that the PCS for House Bill 1795 be adopted for the purposes of discussion and the motion carried without objection. Representative Luebke then explained that the bill reauthorizes debt issuance for the Department of Juvenile Justice and Delinquency Prevention (DJJDP) due to modifications in a project involving the construction of new youth facilities. Representative Luebke noted that the project had been modified so that a greater number of smaller youth facilities could be constructed for juveniles closer to their home areas. He also noted that the bill did not authorize new debt. Rather, the debt service funds for the project were set aside in 2003-2004. Following this explanation, Chairwoman Howard recognized Representative Ross who stated her support of the bill and noted that the DJJDP had done a great job with past projects and funding. She then moved that the PCS for HB 1795 be given a favorable report (with an unfavorable report as to the original bill). Representative Hackney was recognized next and stated that he agreed with the sentiments of Representative Ross. He stated that places more facilities at a smaller throughout the communities of the State was certainly an action in the best interest of North Carolinians. As there was no further discussion on the bill, Chairwoman Howard then called Representative Ross' motion to a vote and it carried without objection.

Chairman Luebke then reassumed the Chair and called upon Senator Bingham for the last bill considered by the Committee: **SB 20 – REGULATE PROFESSIONAL EMPLOYER ORGANIZATION** (see **attachment 7**). Representative Allen moved that the PCS for SB 20 be before the Committee for discussion. His motion carried without objection. The Senator then explained that the bill before the Committee was a product of nearly 1½ years of work. He explained that the bill would act to regulate Professional Employer Organizations (PEOs) in the State under North Carolina Department of Insurance, all of which are currently unregulated. He stated that PEOs provide health insurance (and many other types of insurance) to small businesses in the State at a discounted rate. However, he noted that due to this lack of regulation, PEOs had begun to abuse the businesses they serve. Following this explanation, Representative Wainwright pointed out that the Committee's time was running thin and that he would prefer to have a more through explanation of the bill at a later Committee meeting. Chairman Luebke agreed with Representative Wainwright and displaced SB 20. He assured Senator Bingham that the bill would be considered more fully at the Committee meeting on Thursday, June 24, 2004.

As the Committee's time had then expired, Chairman Luebke adjourned the meeting at 9:59 a.m.

Respectfully submitted,

Representative Paul Luebke

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE ISSUANCE OF SPECIAL INDEBTEDNESS FOR CAPITAL IMPROVEMENTS AND LAND ACQUISITION FOR PARKS, RECREATION, THE PRESERVATION OF NATURAL HERITAGE, AND CLEAN WATER CONSERVATION; TO USE FUNDS CURRENTLY DEDICATED TO THESE PURPOSES TO REPAY THE INDEBTEDNESS; TO REQUIRE THE NORTH CAROLINA PARKS AND RECREATION AUTHORITY TO ALLOCATE FUNDS GEOGRAPHICALLY ACROSS THE STATE; AND TO MAKE CLARIFYING CHANGES.

The General Assembly of North Carolina enacts:

PART 1. PARKS RENOVATION AND ACQUISITION

SECTION 1.1. Authorization. – In accordance with G.S. 142-83, this part authorizes the issuance or incurrence of special indebtedness in the maximum principal amount provided in this part to be used to finance the cost of parks projects. As used in this part, the term "parks projects" means capital projects for the State Parks System, repairs and renovations of park facilities, and land acquisition for the State Parks System, pursuant to G.S. 113-44.15(b)(1). Special indebtedness authorized by this section shall be issued or incurred only in accordance with Article 9 of Chapter 142 of the General Statutes.

SECTION 1.2. Identification of Parks Projects. – The specific parks projects for which the special indebtedness may be used are to be identified by the North Carolina Parks and Recreation Authority as provided in G.S. 113-44.15, but are limited to the following projects:

(1) To acquire by conservation easement or fee simple up to 17,000 acres near North Carolina military bases in order to prevent encroachment

by incompatible development. The maximum amount for this purpose is twenty-six million dollars ($26,000,000) minus the amount of special indebtedness issued or incurred for this purpose under parts 2 and 3 of this act.

(2) To make capital improvements to an existing State park as part of its expansion. The maximum amount for this purpose is five million dollars ($5,000,000) minus the amount of special indebtedness issued or incurred for this purpose under parts 2 and 3 of this act.

(3) To make capital improvements to an existing State park as part of its expansion and to acquire up to 6,000 acres to expand an existing State park, to provide gamelands to help protect North Carolina rivers, and for two new State parks along North Carolina rivers. The maximum amount for this purpose is thirty-seven million dollars ($37,000,000) minus the amount of special indebtedness issued or incurred for this purpose under parts 2 and 3 of this act.

SECTION 1.3. Maximum Amount. – The maximum principal amount of special indebtedness that may be issued or incurred pursuant to this part is the lesser of (i) the sum of the dollar amounts listed in Section 1.2 of this part or (ii) the maximum amount for which the aggregate annual principal and interest payments to be made in any year on the special indebtedness will not exceed the annual amount identified by the Authority as provided in G.S. 113-44.15(d). If the annual amount is increased, the maximum principal amount increases accordingly, but not above the sum of the dollar amounts listed Section 1.2 of this part. The amount of special indebtedness to be issued or incurred at any time is determined in accordance with Article 9 of Chapter 142 of the General Statutes.

SECTION 1.4. G.S. 113-44.15 reads as rewritten:

"**§ 113-44.15. Parks and Recreation Trust Fund.**

(a) Fund Created. – There is established a Parks and Recreation Trust Fund in the State Treasurer's Office. The Trust Fund shall be a nonreverting special revenue fund consisting of gifts and grants to the Trust Fund, monies credited to the Trust Fund pursuant to G.S. 105-228.30(b), and other monies appropriated to the Trust Fund by the General Assembly.

(b) Use. – Funds in the Trust Fund are annually appropriated to the North Carolina Parks and Recreation Authority and, unless otherwise specified by the General Assembly or the terms or conditions of a gift or grant, shall be allocated and used as follows:

(1) Sixty-five percent (65%) for the State Parks System for capital projects, repairs and renovations of park facilities, and land ~~acquisition.~~acquisition, and to retire debt incurred for these purposes under Article 9 of Chapter 142 of the General Statutes.

(2) Thirty percent (30%) to provide matching funds to local governmental units or public authorities as defined in G.S. 159-7 on a dollar-for-dollar basis for local park and recreation purposes. The appraised value of land that is donated to a local government unit or

public authority may be applied to the matching requirement of this subdivision. These funds shall be allocated by the North Carolina Parks and Recreation Authority based on criteria patterned after the Open Project Selection Process established for the Land and Water Conservation Fund administered by the National Park Service of the United States Department of the Interior.

(3) Five percent (5%) for the Coastal and Estuarine Water Beach Access Program.

(b1) Geographic Distribution. – In allocating funds in the Trust Fund under this ~~subsection,~~section, the North Carolina Parks and Recreation Authority shall ~~consider~~ make geographic distribution across the State to the extent practicable.

(b2) Administrative Expenses. – Of the funds appropriated to the North Carolina Parks and Recreation Authority from the Trust Fund each year, no more than three percent (3%) may be used by the Department for operating expenses associated with managing capital improvements projects, acquiring land, and administration of local grants programs.

(c) Reports. – The North Carolina Parks and Recreation Authority shall report no later than October 1 of each year to the Joint Legislative Commission on Governmental Operations, the House and Senate Appropriations Subcommittees on Natural and Economic Resources, the Fiscal Research Division, and the Environmental Review Commission on allocations from the Trust Fund from the prior fiscal year. The Authority also shall provide a progress report no later than March 15 of each year to the same recipients on the activities of and the expenditures from the Trust Fund for the current fiscal year.

(d) Debt. – The Authority may allocate up to fifty percent (50%) of the portion of the annual appropriation identified in subdivision (b)(1) of this section to reimburse the General Fund for debt service on special indebtedness to be issued or incurred under Article 9 of Chapter 142 of the General Statutes for the purposes provided in subdivision (b)(1) of this section. In order to allocate funds for debt service reimbursement, the Authority must identify to the State Treasurer the specific parks projects for which it would like special indebtedness to be issued or incurred and the annual amount it intends to make available, and request the State Treasurer to issue or incur the indebtedness. After special indebtedness has been issued or incurred for a parks project requested by the Authority, the Authority must credit to the General Fund each year the actual aggregate principal and interest payments to be made in that year on the special indebtedness, as identified by the State Treasurer."

PART 2. PARKS, RECREATION, AND PRESERVATION OF NATURAL HERITAGE

SECTION 2.1. Authorization. – In accordance with G.S. 142-83, this part authorizes the issuance or incurrence of special indebtedness in the maximum principal amount provided in this part to be used to finance the cost of natural heritage projects. As used in this part, the term "natural heritage projects" means acquiring land for parks, recreation, and the preservation of natural heritage, pursuant to G.S. 113-77.9(b)(1) and

(2). Special indebtedness authorized by this section shall be issued or incurred only in accordance with Article 9 of Chapter 142 of the General Statutes.

SECTION 2.2. Identification of Natural Heritage Projects. – The specific natural heritage projects for which the special indebtedness may be used are to be identified by the Trustees of the Natural Heritage Trust Fund as provided in G.S. 113-77.9, but are limited to the following projects:

(1) To acquire by conservation easement or fee simple up to 17,000 acres near North Carolina military bases in order to prevent encroachment by incompatible development. The maximum amount for this purpose is twenty-six million dollars ($26,000,000) minus the amount of special indebtedness issued or incurred for this purpose under parts 1 and 3 of this act.

(2) To make capital improvements to an existing State park as part of its expansion. The maximum amount for this purpose is five million dollars ($5,000,000) minus the amount of special indebtedness issued or incurred for this purpose under parts 1 and 3 of this act.

(3) To make capital improvements to an existing State park as part of its expansion and to acquire up to 6,000 acres to expand an existing State park, to provide gamelands to help protect North Carolina rivers, and for two new State parks along North Carolina rivers. The maximum amount for this purpose is thirty-seven million dollars ($37,000,000) minus the amount of special indebtedness issued or incurred for this purpose under parts 1 and 3 of this act.

SECTION 2.3. Maximum Amount. – The maximum principal amount of special indebtedness that may be issued pursuant to this part is the lesser of (i) the sum of the dollar amounts listed in Section 2.2 of this part or (ii) the maximum amount for which the aggregate annual principal and interest payments to be made in any year on the special indebtedness will not exceed the annual amount identified in G.S. 113-77.9. If the annual amount is increased, the maximum principal amount increases accordingly, but not above the sum of the dollar amounts listed in Section 2.2 of this part.. The amount of special indebtedness to be issued at any time is determined in accordance with Article 9 of Chapter 142 of the General Statutes.

SECTION 2.4. G.S. 113-77.9 reads as rewritten:

"**§ 113-77.9. Acquisition of lands with funds from the Natural Heritage Trust Fund.**

(a) Proposals. – From time to time, but at least once each year, the Secretary, the Chairman of the North Carolina Wildlife Resources Commission, the Commissioner of Agriculture, and the Secretary of Cultural Resources may propose to the Trustees lands to be acquired with funds from the Fund. For each tract or interest proposed, the Secretary, the Chairman of the North Carolina Wildlife Resources Commission, the Commissioner of Agriculture, and the Secretary of Cultural Resources shall provide the Trustees with the following information:

(1) The value of the land for recreation, forestry, fish and wildlife habitat, and wilderness purposes, and its consistency with the plan developed

pursuant to the State Parks Act, the State's comprehensive plan for outdoor recreation, parks, natural areas development, and wildlife management goals and objectives.

(2) Any rare or endangered species on or near the land.

(3) Whether the land contains a relatively undisturbed and outstanding example of a native North Carolina ecological community that is now uncommon.

(4) Whether the land contains a major river or tributary, watershed, wetland, significant littoral, estuarine, or aquatic site, or important geologic feature.

(5) The extent to which the land represents a type of landscape, natural feature, or natural area that is not currently in the State's inventory of parks and natural areas.

(6) Other sources of funds that may be available to assist in acquiring the land.

(7) The State department or division that will be responsible for managing the land.

(8) What assurances exist that the land will not be used for purposes other than those for which it is being acquired.

(9) Whether the site or structure is of such historical significance as to be essential to the development of a balanced State program of historic properties.

(b) Land Acquisition and Debt Service. – The Trustees may authorize expenditures from the Fund ~~to acquire:~~for the following purposes:

(1) To acquire land ~~Land~~ that represents the ecological diversity of North Carolina, including natural features such as riverine, montane, coastal, and geologic systems and other natural areas to ensure their preservation and conservation for recreational, scientific, educational, cultural, and aesthetic ~~purposes.~~purposes, and to retire debt incurred for this purpose under Article 9 of Chapter 142 of the General Statutes.

(2) To acquire land~~Land~~ as additions to the system of parks, State trails, aesthetic forests, fish and wildlife management areas, wild and scenic rivers, and natural areas for the beneficial use and enjoyment of the ~~public.~~public, and to retire debt incurred for this purpose under Article 9 of Chapter 142 of the General Statutes.

(3) Subject to the limitations of subsection (b2) of this section, to acquire land that contributes to the development of a balanced State program of historic properties.

(b1) Priorities. – In authorizing expenditures from the Fund to acquire land pursuant to this Article, the first priority shall be the protection of land with outstanding natural or cultural heritage values. Land with outstanding natural heritage values is land that is identified by the North Carolina Natural Heritage Program as having State or national significance. Land with outstanding cultural heritage values is land that is identified, inventoried, or evaluated by the Department of Cultural Resources. The

Trustees shall be guided by any priorities established by the Secretary, the Chairman of the Wildlife Resources Commission, the Commissioner of Agriculture, and the Secretary of Cultural Resources in their proposals made pursuant to subsection (a) of this section.

(b2) Historic Properties. – The Trustees may authorize expenditure of up to twenty-five percent (25%) of the funds credited to the Fund pursuant to G.S. 105-228.30 during the preceding fiscal year to acquire land under subdivision (3) of subsection (b) of this section. No other funds in the Fund may be used for expenditures to acquire land under subdivision (3) of subsection (b) of this section.

(b3) Debt. – Of the funds credited annually to the Fund pursuant to G.S. 105-228.30, the Trustees may authorize expenditure of up to fifty percent (50%) to reimburse the General Fund for debt service on special indebtedness to be issued or incurred under Article 9 of Chapter 142 of the General Statutes for the purposes provided in subdivisions (b)(1) and (2) of this section. In order to authorize expenditure of funds for debt service reimbursement, the Trustees must identify to the State Treasurer and the Department of Administration the specific natural heritage projects for which they would like special indebtedness to be issued or incurred and the annual amount they intend to make available, and request the State Treasurer to issue or incur the indebtedness. After special indebtedness has been issued or incurred for a natural heritage project requested by the Trustees, the Trustees must direct the State Treasurer to credit to the General Fund each year the actual aggregate principal and interest payments to be made in that year on the special indebtedness, as identified by the State Treasurer.

(c) Other Purposes. – The Trustees may authorize expenditures from the Fund to pay for the inventory of natural areas conducted under the Natural Heritage Program established pursuant to the Nature Preserves Act, Article 9A of Chapter 113A of the General Statutes. The Trustees may also authorize expenditures from the Fund to pay for conservation and protection planning and for informational programs for owners of natural areas, as defined in G.S. 113A-164.3.

(d) Acquisition. – The Department of Administration may, pursuant to G.S. 143-341, acquire by purchase, gift, or devise all lands selected by the Trustees for acquisition pursuant to this Article. Title to any land acquired pursuant to this Article shall be vested in the State. A State agency with management responsibility for land acquired pursuant to this Article may enter into a management agreement or lease with a county, city, town, or private nonprofit organization qualified under G.S. 105-151.12 and G.S. 105-130.34 and certified under section 501(c)(3) of the Internal Revenue Code to aid in managing the land. A management agreement or lease shall be executed by the Department of Administration pursuant to G.S. 143-341.

(d1) Local Reimbursement. – In any county in which real property was purchased pursuant to subsection (d) of this section as additions to the fish and wildlife management areas and where less than twenty-five percent (25%) of the land area is privately owned at the time of purchase, that county and any other local taxing unit shall be annually reimbursed, for a period of 20 years, from funds available to the North Carolina Wildlife Resources Commission in an amount equal to the amount of ad

valorem taxes that would have been paid to the taxing unit if the property had remained subject to taxation.

(e) Reports. – The Secretary shall maintain and revise twice each year a list of acquisitions made pursuant to this Article. The list shall include the acreage of each tract, the county in which the tract is located, the amount paid from the Fund to acquire the tract, and the State department or division responsible for managing the tract. The Secretary shall furnish a copy of the list to each Trustee, the Joint Legislative Commission on Governmental Operations, the House and Senate Appropriations Subcommittees on Natural and Economic Resources, the Fiscal Research Division, and the Environmental Review Commission within 30 days after each revision.

(f) Hunting and Fishing. – No provision of this Article shall be construed to eliminate hunting and fishing, as regulated by the laws of the State of North Carolina, upon properties purchased pursuant to this Article."

SECTION 2.5. G.S. 113-77.7 is amended by adding a new subsection to read:

"(d) Monies in the Fund are appropriated annually and may be used for the purposes provided in G.S. 113-77.9."

PART 3. CLEAN WATER CONSERVATION

SECTION 3.1. Authorization. – In accordance with G.S. 142-83, this part authorizes the issuance or incurrence of special indebtedness in the maximum principal amount provided in this part to be used to finance the cost of clean water projects. As used in this part, the term "clean water project" means a capital project for one or more purposes provided in G.S. 113A-253(c)(1) through (4). Special indebtedness authorized by this section shall be issued or incurred only in accordance with Article 9 of Chapter 142 of the General Statutes.

SECTION 3.2. Identification of Clean Water Projects. – The specific clean water projects for which the special indebtedness may be used are to be identified by the Clean Water Management Trust Fund Board of Trustees as provided in G.S. 113A-256(j), but are limited to the following projects:

(1) To acquire by conservation easement or fee simple up to 17,000 acres near North Carolina military bases in order to prevent encroachment by incompatible development. The maximum amount for this purpose is twenty-six million dollars ($26,000,000) minus the amount of special indebtedness issued or incurred for this purpose under parts 1 and 2 of this act.

(2) To make capital improvements to an existing State park as part of its expansion. The maximum amount for this purpose is five million dollars ($5,000,000) minus the amount of special indebtedness issued or incurred for this purpose under parts 1 and 2 of this act.

(3) To make capital improvements to an existing State park as part of its expansion and to acquire up to 6,000 acres to expand an existing State park, to provide gamelands to help protect North Carolina rivers, and for two new State parks along North Carolina rivers. The maximum amount for this purpose is thirty-seven million dollars ($37,000,000)

minus the amount of special indebtedness issued or incurred for this purpose under parts 1 and 2 of this act.

SECTION 3.3. Maximum Amount. – The maximum principal amount of special indebtedness that may be issued pursuant to this part is the lesser of (i) the sum of the dollar amounts listed in Section 3.2 of this part or (ii) the maximum amount for which the aggregate annual principal and interest payments to be made in any year on the special indebtedness will not exceed the annual amount identified in G.S. 113A-256. If the annual amount is increased, the maximum principal amount increases accordingly, but not above the sum of the dollar amounts listed in Section 3.2 of this part. The amount of special indebtedness to be issued at any time is determined in accordance with Article 9 of Chapter 142 of the General Statutes.

SECTION 3.4. G.S. 113A-253(c) reads as rewritten:

"(c) Fund Purposes. – Moneys from the Fund are appropriated annually and may be used for any of the following purposes:

(1) To acquire land for riparian buffers for the purposes of providing environmental protection for surface waters and urban drinking water supplies and establishing a network of riparian greenways for environmental, educational, and recreational ~~uses.~~uses, and to retire debt incurred for this purpose under Article 9 of Chapter 142 of the General Statutes.

(2) To acquire conservation easements or other interests in real property for the purpose of protecting and conserving surface waters and urban drinking water ~~supplies.~~supplies, and to retire debt incurred for this purpose under Article 9 of Chapter 142 of the General Statutes.

(3) To coordinate with other public programs involved with lands adjoining water bodies to gain the most public benefit while protecting and improving water ~~quality.~~quality, and to retire debt incurred for this purpose under Article 9 of Chapter 142 of the General Statutes.

(4) To restore previously degraded lands to reestablish their ability to protect water ~~quality.~~quality, and to retire debt incurred for this purpose under Article 9 of Chapter 142 of the General Statutes.

(5) To repair failing waste treatment systems if: (i) an application has first been submitted to receive a loan or grant from the Clean Water Revolving Loan and Grant Fund and the application was denied during the latest review cycle; (ii) the repair is a reasonable remedy for resolving an existing waste treatment problem; and (iii) the repair is not for the purpose of expanding the system to accommodate future anticipated growth of a community. Priority shall be given to economically distressed units of local government.

(6) To repair and eliminate failing septic tank systems, to eliminate illegal drainage connections, and to expand waste treatment systems if the system is being expanded as a remedy to eliminate failing septic tank systems or illegal drainage connections. Priority shall be given to economically distressed units of local government.

(7) To improve stormwater controls and management practices.
(8) To facilitate planning that targets reductions in surface water pollution.
(9) To fund operating expenses of the Board of Trustees and its staff."

SECTION 3.5. G.S. 113A-256 is amended by adding a new subsection to read:

"(j) Debt. – Of the funds credited annually to the Fund, the Trustees may authorize expenditure of a portion to reimburse the General Fund for debt service on special indebtedness to be issued or incurred under Article 9 of Chapter 142 of the General Statutes for the purposes provided in G.S. 113A-253(c)(1) through (4). In order to authorize expenditure of funds for debt service reimbursement, the Trustees must identify to the State Treasurer and the Department of Administration the specific capital projects for which they would like special indebtedness to be issued or incurred and the annual amount they intend to make available, and request the State Treasurer to issue or incur the indebtedness. After special indebtedness has been issued or incurred for a capital project requested by the Trustees, the Trustees must direct the State Treasurer to credit to the General Fund each year the actual aggregate principal and interest payments to be made in that year on the special indebtedness, as identified by the State Treasurer."

PART 4. GENERAL PROVISIONS

SECTION 4. It is the intent of the General Assembly that the proceeds of special indebtedness issued under this act shall be applied for the purposes provided in this act, including the acquisition by conservation easement, or otherwise, of land near military bases to prevent encroachment. This acquisition shall be a high priority because of its vital importance to the State of North Carolina.

SECTION 4.1. None of the proceeds of special indebtedness authorized by this act may be used to acquire any property by eminent domain.

SECTION 5. This act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 2003

S 4

SENATE BILL 1064

Finance Committee Substitute Adopted 6/8/04
Appropriations/Base Budget Committee Substitute Adopted 6/9/04
Fourth Edition Engrossed 6/10/04

Short Title: Finance Parks, Heritage, and Clean Water. (Public)

Referred to:

May 13, 2004

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE ISSUANCE OF SPECIAL INDEBTEDNESS FOR CAPITAL IMPROVEMENTS AND LAND ACQUISITION FOR PARKS, RECREATION, THE PRESERVATION OF NATURAL HERITAGE, AND CLEAN WATER CONSERVATION, TO USE FUNDS CURRENTLY DEDICATED TO THESE PURPOSES TO REPAY THE INDEBTEDNESS, AND TO REQUIRE THE NORTH CAROLINA PARKS AND RECREATION AUTHORITY TO ALLOCATE FUNDS GEOGRAPHICALLY ACROSS THE STATE; AND TO MAKE CLARIFYING CHANGES.

The General Assembly of North Carolina enacts:

PART 1. PARKS RENOVATION AND ACQUISITION

SECTION 1.1. Authorization. – In accordance with G.S. 142-83, this part authorizes the issuance or incurrence of special indebtedness in the maximum principal amount provided in this part to be used to finance the cost of parks projects. As used in this part, the term "parks projects" means capital projects for the State Parks System, repairs and renovations of park facilities, and land acquisition for the State Parks System, pursuant to G.S. 113-44.15(b)(1). Special indebtedness authorized by this section shall be issued or incurred only in accordance with Article 9 of Chapter 142 of the General Statutes.

SECTION 1.2. Identification of Parks Projects. – The specific parks projects for which the special indebtedness may be used are to be identified by the North Carolina Parks and Recreation Authority as provided in G.S. 113-44.15.

SECTION 1.3. Maximum Amount. – The maximum principal amount of special indebtedness that may be issued pursuant to this part is the lesser of one hundred five million dollars ($105,000,000) or the maximum amount for which the aggregate annual principal and interest payments to be made in any year on the special indebtedness will not exceed the annual amount identified in G.S. 113-44.15. If the

annual amount is increased, the maximum principal amount increases accordingly, but not above one hundred five million dollars ($105,000,000). The amount of special indebtedness to be issued at any time is determined in accordance with Article 9 of Chapter 142 of the General Statutes.

SECTION 1.4. G.S. 113-44.15 reads as rewritten:

"**§ 113-44.15. Parks and Recreation Trust Fund.**

(a) Fund Created. – There is established a Parks and Recreation Trust Fund in the State Treasurer's Office. The Trust Fund shall be a nonreverting special revenue fund consisting of gifts and grants to the Trust Fund, monies credited to the Trust Fund pursuant to G.S. 105-228.30(b), and other monies appropriated to the Trust Fund by the General Assembly.

(b) Use. – Funds in the Trust Fund are annually appropriated to the North Carolina Parks and Recreation Authority and, unless otherwise specified by the General Assembly or the terms or conditions of a gift or grant, shall be allocated and used as follows:

(1) Sixty-five percent (65%) for the State Parks System for capital projects, repairs and renovations of park facilities, and land ~~acquisition.~~acquisition, and to retire debt incurred for these purposes under Article 9 of Chapter 142 of the General Statutes.

(2) Thirty percent (30%) to provide matching funds to local governmental units or public authorities as defined in G.S. 159-7 on a dollar-for-dollar basis for local park and recreation purposes. The appraised value of land that is donated to a local government unit or public authority may be applied to the matching requirement of this subdivision. These funds shall be allocated by the North Carolina Parks and Recreation Authority based on criteria patterned after the Open Project Selection Process established for the Land and Water Conservation Fund administered by the National Park Service of the United States Department of the Interior.

(3) Five percent (5%) for the Coastal and Estuarine Water Beach Access Program.

(b1) Geographic Distribution. – In allocating funds in the Trust Fund under this subsection, the North Carolina Parks and Recreation Authority shall ~~consider~~ make geographic distribution across the State to the extent practicable.

(b2) Administrative Expenses. – Of the funds appropriated to the North Carolina Parks and Recreation Authority from the Trust Fund each year, no more than three percent (3%) may be used by the Department for operating expenses associated with managing capital improvements projects, acquiring land, and administration of local grants programs.

(c) Reports. – The North Carolina Parks and Recreation Authority shall report no later than October 1 of each year to the Joint Legislative Commission on Governmental Operations, the House and Senate Appropriations Subcommittees on Natural and Economic Resources, the Fiscal Research Division, and the Environmental Review Commission on allocations from the Trust Fund from the prior fiscal year. The

Authority also shall provide a progress report no later than March 15 of each year to the same recipients on the activities of and the expenditures from the Trust Fund for the current fiscal year.

(d) Debt. – The Authority may allocate up to fifty percent (50%) of the portion of the annual appropriation identified in subdivision (b)(1) of this section to reimburse the General Fund for debt service on special indebtedness to be issued or incurred under Article 9 of Chapter 142 of the General Statutes for the purposes provided in subdivision (b)(1) of this section. In order to allocate funds for debt service reimbursement, the Authority must identify to the State Treasurer the specific parks projects for which it would like special indebtedness to be issued or incurred and the annual amount it intends to make available, and request the State Treasurer to issue or incur the indebtedness. After special indebtedness has been issued or incurred for a parks project requested by the Authority, the Authority must credit to the General Fund each year the actual aggregate principal and interest payments to be made in that year on the special indebtedness, as identified by the State Treasurer."

PART 2. PARKS, RECREATION, AND PRESERVATION OF NATURAL HERITAGE

SECTION 2.1. Authorization. – In accordance with G.S. 142-83, this part authorizes the issuance or incurrence of special indebtedness in the maximum principal amount provided in this part to be used to finance the cost of natural heritage projects. As used in this part, the term "natural heritage projects" means acquiring land for parks, recreation, and the preservation of natural heritage, pursuant to G.S. 113-77.9(b)(1) and (2). Special indebtedness authorized by this section shall be issued or incurred only in accordance with Article 9 of Chapter 142 of the General Statutes.

SECTION 2.2. Identification of Natural Heritage Projects. – The specific natural heritage projects for which the special indebtedness may be used are to be identified by the Trustees of the Natural Heritage Trust Fund as provided in G.S. 113-77.9.

SECTION 2.3. Maximum Amount. – The maximum principal amount of special indebtedness that may be issued pursuant to this part is the lesser of sixty-five million dollars ($65,000,000) or the maximum amount for which the aggregate annual principal and interest payments to be made in any year on the special indebtedness will not exceed the annual amount identified in G.S. 113-77.9. If the annual amount is increased, the maximum principal amount increases accordingly, but not above sixty-five million dollars ($65,000,000). The amount of special indebtedness to be issued at any time is determined in accordance with Article 9 of Chapter 142 of the General Statutes.

SECTION 2.4. G.S. 113-77.9 reads as rewritten:

"**§ 113-77.9. Acquisition of lands with funds from the Natural Heritage Trust Fund.**

(a) Proposals. – From time to time, but at least once each year, the Secretary, the Chairman of the North Carolina Wildlife Resources Commission, the Commissioner of Agriculture, and the Secretary of Cultural Resources may propose to the Trustees lands to be acquired with funds from the Fund. For each tract or interest proposed, the

Secretary, the Chairman of the North Carolina Wildlife Resources Commission, the Commissioner of Agriculture, and the Secretary of Cultural Resources shall provide the Trustees with the following information:

(1) The value of the land for recreation, forestry, fish and wildlife habitat, and wilderness purposes, and its consistency with the plan developed pursuant to the State Parks Act, the State's comprehensive plan for outdoor recreation, parks, natural areas development, and wildlife management goals and objectives.

(2) Any rare or endangered species on or near the land.

(3) Whether the land contains a relatively undisturbed and outstanding example of a native North Carolina ecological community that is now uncommon.

(4) Whether the land contains a major river or tributary, watershed, wetland, significant littoral, estuarine, or aquatic site, or important geologic feature.

(5) The extent to which the land represents a type of landscape, natural feature, or natural area that is not currently in the State's inventory of parks and natural areas.

(6) Other sources of funds that may be available to assist in acquiring the land.

(7) The State department or division that will be responsible for managing the land.

(8) What assurances exist that the land will not be used for purposes other than those for which it is being acquired.

(9) Whether the site or structure is of such historical significance as to be essential to the development of a balanced State program of historic properties.

(b) Land Acquisition and Debt Service. – The Trustees may authorize expenditures from the Fund ~~to acquire:~~for the following purposes:

(1) To acquire land ~~Land~~ that represents the ecological diversity of North Carolina, including natural features such as riverine, montane, coastal, and geologic systems and other natural areas to ensure their preservation and conservation for recreational, scientific, educational, cultural, and aesthetic ~~purposes.~~purposes, and to retire debt incurred for this purpose under Article 9 of Chapter 142 of the General Statutes.

(2) To acquire land~~Land~~ as additions to the system of parks, State trails, aesthetic forests, fish and wildlife management areas, wild and scenic rivers, and natural areas for the beneficial use and enjoyment of the ~~public.~~public, and to retire debt incurred for this purpose under Article 9 of Chapter 142 of the General Statutes.

(3) Subject to the limitations of subsection (b2) of this section, to acquire land that contributes to the development of a balanced State program of historic properties.

(b1) Priorities. – In authorizing expenditures from the Fund to acquire land pursuant to this Article, the first priority shall be the protection of land with outstanding natural or cultural heritage values. Land with outstanding natural heritage values is land that is identified by the North Carolina Natural Heritage Program as having State or national significance. Land with outstanding cultural heritage values is land that is identified, inventoried, or evaluated by the Department of Cultural Resources. The Trustees shall be guided by any priorities established by the Secretary, the Chairman of the Wildlife Resources Commission, the Commissioner of Agriculture, and the Secretary of Cultural Resources in their proposals made pursuant to subsection (a) of this section.

(b2) Historic Properties. – The Trustees may authorize expenditure of up to twenty-five percent (25%) of the funds credited to the Fund pursuant to G.S. 105-228.30 during the preceding fiscal year to acquire land under subdivision (3) of subsection (b) of this section. No other funds in the Fund may be used for expenditures to acquire land under subdivision (3) of subsection (b) of this section.

(b3) Debt. – Of the funds credited annually to the Fund pursuant to G.S. 105-228.30, the Trustees may authorize expenditure of up to fifty percent (50%) to reimburse the General Fund for debt service on special indebtedness to be issued or incurred under Article 9 of Chapter 142 of the General Statutes for the purposes provided in subdivisions (b)(1) and (2) of this section. In order to authorize expenditure of funds for debt service reimbursement, the Trustees must identify to the State Treasurer and the Department of Administration the specific natural heritage projects for which they would like special indebtedness to be issued or incurred and the annual amount they intend to make available, and request the State Treasurer to issue or incur the indebtedness. After special indebtedness has been issued or incurred for a natural heritage project requested by the Trustees, the Trustees must direct the State Treasurer to credit to the General Fund each year the actual aggregate principal and interest payments to be made in that year on the special indebtedness, as identified by the State Treasurer.

(c) Other Purposes. – The Trustees may authorize expenditures from the Fund to pay for the inventory of natural areas conducted under the Natural Heritage Program established pursuant to the Nature Preserves Act, Article 9A of Chapter 113A of the General Statutes. The Trustees may also authorize expenditures from the Fund to pay for conservation and protection planning and for informational programs for owners of natural areas, as defined in G.S. 113A-164.3.

(d) Acquisition. – The Department of Administration may, pursuant to G.S. 143-341, acquire by purchase, gift, or devise all lands selected by the Trustees for acquisition pursuant to this Article. Title to any land acquired pursuant to this Article shall be vested in the State. A State agency with management responsibility for land acquired pursuant to this Article may enter into a management agreement or lease with a county, city, town, or private nonprofit organization qualified under G.S. 105-151.12 and G.S. 105-130.34 and certified under section 501(c)(3) of the Internal Revenue Code to aid in managing the land. A management agreement or lease shall be executed by the Department of Administration pursuant to G.S. 143-341.

(d1) Local Reimbursement. – In any county in which real property was purchased pursuant to subsection (d) of this section as additions to the fish and wildlife management areas and where less than twenty-five percent (25%) of the land area is privately owned at the time of purchase, that county and any other local taxing unit shall be annually reimbursed, for a period of 20 years, from funds available to the North Carolina Wildlife Resources Commission in an amount equal to the amount of ad valorem taxes that would have been paid to the taxing unit if the property had remained subject to taxation.

(e) Reports. – The Secretary shall maintain and revise twice each year a list of acquisitions made pursuant to this Article. The list shall include the acreage of each tract, the county in which the tract is located, the amount paid from the Fund to acquire the tract, and the State department or division responsible for managing the tract. The Secretary shall furnish a copy of the list to each Trustee, the Joint Legislative Commission on Governmental Operations, the House and Senate Appropriations Subcommittees on Natural and Economic Resources, the Fiscal Research Division, and the Environmental Review Commission within 30 days after each revision.

(f) Hunting and Fishing. – No provision of this Article shall be construed to eliminate hunting and fishing, as regulated by the laws of the State of North Carolina, upon properties purchased pursuant to this Article."

SECTION 2.5. G.S. 113-77.7 is amended by adding a new subsection to read:

"(d) Monies in the Fund are appropriated annually and may be used for the purposes provided in G.S. 113-77.9."

PART 3. CLEAN WATER CONSERVATION

SECTION 3.1. Authorization. – In accordance with G.S. 142-83, this part authorizes the issuance or incurrence of special indebtedness in the maximum principal amount provided in this part to be used to finance the cost of clean water projects. As used in this part, the term "clean water project" means a capital project for one or more purposes provided in G.S. 113A-253(c)(1) through (4). Special indebtedness authorized by this section shall be issued or incurred only in accordance with Article 9 of Chapter 142 of the General Statutes.

SECTION 3.2. Identification of Clean Water Projects. – The specific clean water projects for which the special indebtedness may be used are to be identified by the Clean Water Management Trust Fund Board of Trustees as provided in G.S. 113A-256(j).

SECTION 3.3. Maximum Amount. – The maximum principal amount of special indebtedness that may be issued pursuant to this part is the lesser of three hundred fifty million dollars ($350,000,000) or the maximum amount for which the aggregate annual principal and interest payments to be made in any year on the special indebtedness will not exceed the annual amount identified in G.S. 113A-256. If the annual amount is increased, the maximum principal amount increases accordingly, but not above three hundred fifty million dollars ($350,000,000). The amount of special indebtedness to be issued at any time is determined in accordance with Article 9 of Chapter 142 of the General Statutes.

SECTION 3.4. G.S. 113A-253(c) reads as rewritten:

"(c) Fund Purposes. – Moneys from the Fund are appropriated annually and may be used for any of the following purposes:

(1) To acquire land for riparian buffers for the purposes of providing environmental protection for surface waters and urban drinking water supplies and establishing a network of riparian greenways for environmental, educational, and recreational ~~uses.~~uses, and to retire debt incurred for this purpose under Article 9 of Chapter 142 of the General Statutes.

(2) To acquire conservation easements or other interests in real property for the purpose of protecting and conserving surface waters and urban drinking water ~~supplies.~~supplies, and to retire debt incurred for this purpose under Article 9 of Chapter 142 of the General Statutes.

(3) To coordinate with other public programs involved with lands adjoining water bodies to gain the most public benefit while protecting and improving water ~~quality.~~quality, and to retire debt incurred for this purpose under Article 9 of Chapter 142 of the General Statutes.

(4) To restore previously degraded lands to reestablish their ability to protect water ~~quality.~~quality, and to retire debt incurred for this purpose under Article 9 of Chapter 142 of the General Statutes.

(5) To repair failing waste treatment systems if: (i) an application has first been submitted to receive a loan or grant from the Clean Water Revolving Loan and Grant Fund and the application was denied during the latest review cycle; (ii) the repair is a reasonable remedy for resolving an existing waste treatment problem; and (iii) the repair is not for the purpose of expanding the system to accommodate future anticipated growth of a community. Priority shall be given to economically distressed units of local government.

(6) To repair and eliminate failing septic tank systems, to eliminate illegal drainage connections, and to expand waste treatment systems if the system is being expanded as a remedy to eliminate failing septic tank systems or illegal drainage connections. Priority shall be given to economically distressed units of local government.

(7) To improve stormwater controls and management practices.

(8) To facilitate planning that targets reductions in surface water pollution.

(9) To fund operating expenses of the Board of Trustees and its staff."

SECTION 3.5. G.S. 113A-256 is amended by adding a new subsection to read:

"(j) Debt. – Of the funds credited annually to the Fund, the Trustees may authorize expenditure of a portion to reimburse the General Fund for debt service on special indebtedness to be issued or incurred under Article 9 of Chapter 142 of the General Statutes for the purposes provided in G.S. 113A-253(c)(1) through (4). In order to authorize expenditure of funds for debt service reimbursement, the Trustees must identify to the State Treasurer and the Department of Administration the specific capital

projects for which they would like special indebtedness to be issued or incurred and the annual amount they intend to make available, and request the State Treasurer to issue or incur the indebtedness. After special indebtedness has been issued or incurred for a capital project requested by the Trustees, the Trustees must direct the State Treasurer to credit to the General Fund each year the actual aggregate principal and interest payments to be made in that year on the special indebtedness, as identified by the State Treasurer."

PART 4. GENERAL PROVISIONS

SECTION 4. It is the intent of the General Assembly that the proceeds of special indebtedness issued under this act shall be applied for the purposes provided in this act, including the acquisition by conservation easement, or otherwise, of land near military bases to prevent encroachment. This acquisition shall be a high priority because of its vital importance to the State of North Carolina.

SECTION 4.1. None of the proceeds of special indebtedness authorized by this act may be used to acquire any property by eminent domain.

SECTION 5. This act is effective when it becomes law.

SENATE BILL 1064 (HPCS): Finance Parks, Heritage, & Clean Water

BILL ANALYSIS

Committee: House Finance
Date: June 22, 2004
Version: Draft PCS

Sponsor: Sen. John Kerr
Analysis by: Martha H. Harris
Staff Attorney

SUMMARY: The fourth edition of Senate Bill 1064 would do the following:

1. *Authorize the State to use special indebtedness for capital projects (i) for the State Parks System; (ii) for parks, recreation, and the preservation of natural heritage; and (iii) for clean water conservation. Repayment of the debt for these purposes would be made from existing revenue streams dedicated to the Parks and Recreation Trust Fund, the Natural Heritage Trust Fund, and the Clean Water Management Trust Fund, respectively.* ***The House proposed committee substitute would limit this authorization to a total of $68 million: $26 million to acquire land near military bases; $5 million for existing State park capital improvements; and $37 million for land acquisition for new and existing State parks and capital improvements for existing State parks.***
2. *Require the Parks and Recreation Authority to allocate funds from the Trust Fund with a geographic distribution across the State to the extent practicable.*
3. *Clarify that revenue in the trust funds is annually appropriated for the purposes for which expenditures are authorized.*
4. *State the intent of the General Assembly that the purposes for which indebtedness may be incurred include, as a high priority, acquiring land near military bases to prevent encroachment.*
5. *Provide that none of the debt proceeds may be used to acquire property by eminent domain.*

Purposes: This bill authorizes the State to issue or incur special indebtedness to finance the acquisition of property for three programs:

1. The Parks and Recreation Trust Fund for repairs and renovations of park facilities and capital projects and land acquisition for the State Parks System.
2. The Natural Heritage Trust Fund to acquire land that represents the ecological diversity of the State and land for State parks, wildlife areas, and similar public purposes.
3. The Clean Water Management Trust Fund for capital projects to acquire riparian buffers, acquire property interests to conserve surface water and drinking water supplies, coordinate with other public programs for lands

adjoining water bodies, and to restore the ability of degraded lands to protect water quality.

The proceeds of the indebtedness may not be used to acquire property by eminent domain. The bill states the intent of the General Assembly that the purposes for which the debt proceeds may be used include, as a high priority, acquiring land near military bases to prevent encroachment.

Amount: The amount of debt that may be incurred is limited to the lesser of a dollar amount for each type of project authorized and the amount that can be supported by the funds set aside from the three Trust Funds for annual debt service payments. The three trust funds will have to work together to keep the total debt below the maximum dollar amounts for the authorized projects, which are as follows:

$26 million	Acquire property near military bases to prevent encroachment
$5 million	Capital projects for an existing State park
$37 million	Land acquisition for existing and new State parks and capital projects for an existing State park

TOTAL $68 million

These three Trust Funds have dedicated revenue sources. The Parks Fund and the Natural Heritage Fund both receive a stream of revenue from the State excise tax on conveyances (the "deed stamp tax") and from vanity license plate fees. The Clean Water Management Trust Fund receives a statutory annual appropriation of $100 million. This bill would authorize the governing body of each Fund to allocate a portion of its stream of income for debt service on debt incurred to acquire property.

In the case of the Parks and Recreation Trust Fund, the Authority can allocate up to 50% of the two-thirds portion of their income designated for repairs and renovations of park facilities and capital projects and land acquisition for the State Parks System. The Authority may not allocate any of the income currently designated for local government grants or for beach access.

In the case of the Natural Heritage Trust Fund, up to 50% of the annual receipts may be allocated for debt service. In the case of the Clean Water Management Trust Fund, the $68 million cap on outstanding debt automatically limits the allocation to about 10% of the annual income stream.

Debt Service Support: The governing body of each trust fund can select a project and allocate a portion of the fund's revenue stream for special indebtedness to finance the project. Once the debt is issued, the governing body is required to credit the debt service amount to the General Fund each year.

Parks and Recreation Allocations: Under current law, the governing body of the Parks and Recreation Trust Fund is required, in allocating funds, to "consider"

geographic distribution across the State to the extent practicable. This bill changes the word "consider" to "make", thus requiring allocations to be distributed across the State to the extent practicable.

Clarifying Changes: The three Trust Funds receive annual statutory transfers and/or appropriations that they are authorized to use for the purposes provided by statute. The Parks and Recreation Trust Fund statute specifically provides that the moneys in the trust fund are annually appropriated for those purposes. This bill adds similar language to clarify that the moneys in the Natural Heritage Trust Fund and the Clean Water Management Trust Fund are also annually appropriated for the purposes authorized by statute.

Parks and Recreation Trust Fund: The Parks and Recreation Trust Fund was created in 1994. The money in the fund is designated 65% for capital expenditures for the State Parks System, 30% for matching funds for local government park and recreation purposes, and 5% for the Coastal and Estuarine Water Beach Access Program. Only one-half of the 65% designated for capital expenditures can be allocated for debt service under this bill. The Trust Fund receives annually 75% of the State's share of the excise tax on real estate transactions and $5 of the fee for each personalized license plate. Its cash balance as of June 7, 2004 was $21.1 million.

Natural Heritage Trust Fund: The Natural Heritage Trust Fund was established in 1987. The money in the fund may be used to acquire land that represents the ecological diversity of North Carolina, land for State parks, wildlife areas, and similar public purposes, and land that contributes to a balanced State program of historic properties. Special indebtedness could be issued for parks, wildlife areas, and similar purposes under this bill but not for historic properties. The Trust Fund receives annually 25% of the State's share of the excise tax on real estate transactions; $15 of the fee for each personalized license plate; $15 of the fee for each out-of-state collegiate license plate; and $10 of the fee for each 'First in Forestry' license plate. Its cash balance as of June 7, 2004 was $13.2 million.

Clean Water Management Trust Fund: The Clean Water Management Trust Fund was created in 1996. Its purpose is to help local governments, state agencies, and conservation non-profit groups finance projects to protect and restore surface water quality. Special indebtedness could be used under this bill for capital projects to acquire riparian buffers, to acquire property interests that will conserve surface water and drinking water supplies, to coordinate with other public programs for lands adjoining water bodies, and to restore the ability of degraded lands to protect water quality. The debt could not be used to repair failing waste treatment systems and septic tank systems, to improve stormwater controls and management practices, or for planning. The Trust Fund receives a statutory annual appropriation of $100 million. Its cash balance as of June 7, 2004 was $109.6 million.

Special Indebtedness: Commonly referred to as "certificates of participation," special indebtedness is debt that is secured by an interest in State property being

acquired or improved. There is no pledge of the State's taxing power or full faith and credit. Thus, voter approval is not necessary for the borrowing. If the State defaulted on its repayments, no deficiency judgment could be rendered against the State, but any property that serves as security could be disposed of to generate funds to satisfy the debt. The State could choose not to appropriate funds to repay the debt, but such a decision would have negative consequences for the State's credit rating.

The term "special indebtedness" is employed to cover the three forms that this type of debt can take: installment purchase (with or without certificates of participation), lease-purchase (with or without certificates of participation), and bonds. In each case, the debt is nonvoted. The particular form to be used for a given project will depend on its size, the nature of the property and the improvement, and other circumstances. Based on these circumstances, one form or another of special indebtedness may be the least expensive and most practical for the State to utilize. Article 9 of Chapter 142 of the General Statutes prohibits the issuance of special indebtedness except for projects specifically authorized by the General Assembly.

Procedure: Before special indebtedness could be issued or incurred, the State Treasurer must certify that debt financing may be desirable for a specific project presented to it by the Department of Administration. Next, the Council of State must give preliminary approval. If preliminary approval is obtained, the Council of State must give final approval, setting out details such as the maximum amount to be financed, the maximum maturity, and the maximum interest rates. The maximum maturity may not exceed 40 years. The State Treasurer must approve the details of the financing, finding that the amount to be borrowed is adequate and not excessive and will not require an excessive increase in any State revenues to provide for repayment, and that the special indebtedness can be incurred or issued on terms favorable to the State. Finally, the State Treasurer must report to the Joint Legislative Commission on Governmental Operations at least five days before any special indebtedness is issued or incurred.

FISCAL ANALYSIS MEMORANDUM

[This confidential fiscal memorandum is a fiscal analysis of a draft bill, amendment, committee substitute, or conference committee report that has not been formally introduced or adopted on the chamber floor or in committee. This is not an official fiscal note. If upon introduction of the bill you determine that a formal fiscal note is needed, please make a fiscal note request to the Fiscal Research Division, and one will be provided under the rules of the House and the Senate.]

FISCAL IMPACT ($MILLION)

	Yes (x)	No ( )	No Estimate Available ( )		
	FY 2005-06	FY 2006-07	FY 2007-08	FY 2008-09	FY 2009-10
EXPENDITURES:					
Debt Service	7.4	7.2	7.0	6.8	6.0
Less: Earmarking*	-7.4	-7.2	-7.0	-6.8	-6.0
Net Requirements	0	0	0	0	0

PRINCIPAL DEPARTMENTS AFFECTED: Department of State Treasurer, Department of Natural and Economic Resources. The enactment of the bill should not affect the budget requirements of either department.

EFFECTIVE DATE: When the bill becomes law.

*Represents potential amount of earmarking of proceeds of the specified funds in order to finance the debt service on the instruments.

BILL SUMMARY: Authorizes the state to enter into special indebtedness to finance capital projects for:

(1) State parks system

(2) Parks, recreation, and the preservation of natural heritage

(3) Clean water conservation.

The amount of debt that may be incurred is limited to the lesser of the amount allocated to each of the following categories below, or the amount that can be supported by the funds set aside from three trust funds for annual debt service payments. The allocation of the $68 million maximum debt issuance is:

1) $26 million to acquire by conservation easement or fee simple title up to 17,000 near military bases in the state to prevent encroachment by incompatible development.
2) $5 million for capital improvements to an existing State park as part of its expansion.
3) $37 million for making capital improvements to an existing State park as part of its expansion and to acquire up to 6,000 acres to expand an existing State park, to provide gamelands to help protect rivers in the State, and for two new State parks along North Carolina rivers.

The debt service support would come from the Parks and Recreation Trust Fund, the Natural Heritage Trust Fund, and the Clean Water Management Trust Fund. The first two trust funds draw most of their proceeds from an earmarking of the state's share of the real estate conveyance tax. Under current budgetary law, the Clean Water Management Trust Fund is supposed to receive $100 million of General Fund appropriations each year.

The bill would authorize the governing body of the Parks and Recreation Trust Fund and the Natural Heritage Trust Fund to allocate a portion of their respective streams of income for debt service on financing incurred. In the case of the Parks and Recreation Trust Fund, the maximum amount that may be so allocated is 50% of the 65% share of earmarked receipts designated for repairs and renovations of park facilities and capital projects and land acquisition for the State Parks System. In the case of the Natural Heritage Trust Fund, up to 50% of the annual receipts may be so allocated.

After the debt has been issued or incurred, the Trustees of the Parks and Recreation Trust Fund, the Natural Heritage Trust Fund, and the Clean Water Management Trust Fund must direct the State Treasurer to credit to the General Fund each year the lesser of the annual amount they identified in their application for debt issuance or the debt service for that year on the financing.

ASSUMPTIONS AND METHODOLOGY: The annual debt service requirements are based on a July 2002 simulation of the Office of State Treasurer for $90 million of financing, a May 1, 2003 issuance, and a 5.75% average interest rate. The revised debt service simulation, using the Treasurer's model methodology, is based on $68 million of financing, an issuance date of March 1 2005, an average interest rate of 5.90%, and a maximum maturity of 20 years. The total debt service requirements over the 20-year period include $68.0 million of principal repayment and $42.1 million of interest, for a total of $110.1 million. The 2005-06 debt service would represent the maximum annual amount for the period.

Short Title: Apprenticeship Tax Credit. (Public)

Sponsors:

Referred to:

May 13, 2004

A BILL TO BE ENTITLED

AN ACT TO PROVIDE A TAX CREDIT FOR EMPLOYERS WHO PARTICIPATE IN AN APPRENTICESHIP PROGRAM APPROVED BY THE DEPARTMENT OF LABOR.

The General Assembly of North Carolina enacts:

SECTION 1. Article 3B of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-129.16D. Credit for employing apprentices.**

(a) Credit. – An eligible taxpayer is allowed a credit equal to fifteen percent (15%) of the wages it paid to registered apprentices during the taxable year. A taxpayer is eligible if it has participated in an approved apprenticeship program and has not violated any State or federal apprenticeship law or regulation.

(b) Allocation. – If the taxpayer is an individual who is a nonresident or a part-year resident, the taxpayer must reduce the amount of the credit by multiplying it by the fraction calculated under G.S. 105-134.5(b) or (c), as appropriate. If the taxpayer is not an individual and is required to apportion its multistate business income to this State, the taxpayer must reduce the amount of the credit by multiplying it by the apportionment fraction used to apportion its income to this State.

(c) Documentation. – In order to claim the credit allowed by this section the taxpayer must make available to the Department a written certification from the Apprenticeship and Training Bureau of the Department of Labor containing the name and taxpayer identification number of each registered apprentice employed by the taxpayer during the taxable year and stating whether the employer has violated any State or federal apprenticeship law or regulations.

(d) Definitions. – The following definitions apply in this section:

(1) Approved apprenticeship program. – An apprenticeship program approved by the Department of Labor pursuant to Chapter 94 of the General Statutes.

(2) Registered apprentice. – An employee that is registered in an approved apprenticeship program."

SECTION 2. G.S. 105-129.15A reads as rewritten

"**§ 105-129.15A. Sunset.**

G.S. 105-129.16 is repealed effective for business property placed in service on or after January 1, 2002. G.S. 105-129.16D is repealed effective for taxable years beginning on or after January 1, 2008. The remainder of this Article is repealed effective January 1, 2006. The repeal of G.S. 105-129.16A applies to renewable energy property placed in service on or after January 1, 2006."

SECTION 3. There is appropriated from the General Fund to the Department of Labor the sum of five thousand dollars ($5,000) for the 2004-2005 fiscal year to fund administrative costs associated with implementing the tax credit for employing apprentices under G.S. 105-129.16D.

SECTION 4. Sections 1 and 2 of this act become effective for taxable years beginning on or after January 1, 2005. The remaining sections of this act become effective July 1, 2004. The fact that an apprenticeship was approved before January 1, 2005, does not render it ineligible for the credit provided in this act.

HOUSE BILL 1423:
Apprenticeship Tax Credit

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	Rep. Howard and Sherrill
Date:	June 9, 2004	**Analysis by:**	Martha Walston
Version:	PCS		Committee Counsel

SUMMARY: House Bill 1423 allows a credit against the franchise tax or the income tax of an employer who hires employees registered in an apprenticeship program approved by the Department of Labor. The credit is equal to 15% of the wages paid to registered apprentices during the taxable year, and is effective for taxable years beginning on or after January 1, 2005.

The proposed committee substitute repeals the credit effective for taxable years beginning on or after January 1, 2008, and appropriates $5,000 to the Department of Labor for fiscal year 2004 - 2005 for administrative costs of implementing the tax credit for employing apprentices.

CURRENT LAW: The Department of Labor contains an Apprenticeship and Training Division which sets up apprenticeship programs Under Chapter 94 of the General Statutes, these programs are established by private employers or under the sponsorship of joint labor-management communities. Skilled consultants provide technical assistance, monitoring, and consulting services to qualified employers willing to take on the responsibilities and obligations of program sponsorship. An Apprenticeship Council, composed of four representatives each from employer and employee organizations respectively and three representatives from the public at large, aids in formulating policies for the administration of Chapter 94. At least once a year the Apprenticeship Council must report to the Commissioner of Labor, to the Legislature, and to the public of its activities and findings. There must be a written and signed training agreement between the sponsor and an apprentice. This agreement must be approved by the Department of Labor.

An apprentice is defined as a person at least 16 years of age who is covered by a written apprenticeship agreement which provides for not less than 2,000 hours of reasonably continuous employment of the person for his or her participation in an approved schedule of work experience and for organized, related supplemental instruction in technical subjects related to the trade. A minimum of 144 hours of related supplemental instruction for each year of apprenticeship is recommended.

BILL ANALYSIS: House Bill 1423 adds a new section to Article 3B (Business and Energy Tax Credits) of the revenue laws that allows a credit to employers who employ apprentices under the Department of Labor's apprenticeship program. This credit is equal to 15% of the wages paid to registered apprentices during a taxable year. The credit may be taken against the franchise tax or income tax of the employer and any unused portion of the credit may be carried forward for the succeeding five years. To claim the credit, the employer must furnish the Department of Revenue with certain documentation.

An individual taxpayer or corporate taxpayer must reduce the amount of the credit if the individual taxpayer is a nonresident or part-year resident of the State or if the corporate taxpayer has multistate business income. The credit is adjusted to reflect the income generated by the taxpayer in North Carolina.

The proposed committee substitute repeals the apprenticeship tax credit effective for taxable years beginning on or after January 1, 2008. The remaining credits in Article 3B sunset January 1, 2006.

The proposed committee substitute also includes an appropriation of $5,000 to the Department of Labor for the 2004-2005 fiscal year to fund administrative costs associated with implementing the apprenticeship tax credit.

EXPENDITURES					
General Fund	$5,000				

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Labor; Department of Revenue

EFFECTIVE DATE: Sections 1 and 2 (tax credit) of this act become effective for taxable years beginning on or after January 1, 2005 and sunset effective for taxable years beginning on or after January 1,2008. The remaining sections of this act become effective July 1, 2004.

BILL SUMMARY: This act creates a tax credit equal to 15% of the wages paid to registered apprentices. The credit may be claimed against either the franchise tax or the income tax. To claim a tax credit, the taxpayer must make available to the Department of Revenue a written certification from the Department of Labor that contains the name and

taxpayer identification number of the registered apprentice and a verification that the employer has not violated any state or federal apprenticeship laws or regulations.

BACKGROUND: The North Carolina Department of Labor's Apprenticeship and Training Bureau administers the National Apprenticeship Act of 1937 for the U.S. Department of Labor. North Carolina is one of 27 states authorized to directly administer the federal apprenticeship program. An apprentice is a person at least 16 years old that agrees to complete a minimum of 2,000 hours of "reasonably continuous" employment and receive a minimum of 144 hours of instruction in an occupation. The Department of Labor approves written apprenticeship agreements between apprentices and employers specifying the terms of the apprenticeship. Upon completion of an apprenticeship, the apprentice receives a journeyman certificate that is recognized nationally.

ASSUMPTIONS AND METHODOLOGY:
Apprenticeships are found in all industries in the state. In the 2002 Annual Report for the Apprenticeship and Training Bureau, the Department of Labor identified 24% of apprentices to be in construction, 23% in Services, 22% in Manufacturing, 21% in Public Administration, and 10% in Other (Retail, Mining, Utilities, Etc.). The Department of Labor provided the General Assembly's Fiscal Research Division with a CD listing all apprentices for 2001, 2002, and 2003. As shown in the chart below, 1,534 employers registered 14,910 apprentices with the Department of Labor in 2003. Since the proposed tax credit can only be taken by for-profit firms, the number of apprentices in nonprofit and government agencies were subtracted to get a private firms total of 8,175 apprentices in 2003.

	# of Employers	# of Apprentices	# Apprentices in private firms
2001	1,532	9,792	6,770
2002	1,571	13,410	7,888
2003	1,534	14,910	8,175

The Department of Labor does not collect the wage information needed to compute the fiscal impact of HB 1423. To get the wages paid to apprentices, the Department of Labor provided the Employment Security Commission (ESC) with the Social Security numbers of all registered apprentices in 2003. ESC used quarterly Unemployment Insurance (UI) wage records received from employers to match with the Labor records. ESC determined the median apprentice wage income in 2003 was $20,039.

Based on the ESC findings, the 8,175 private firm apprentices were paid $163.8 million in wages in 2003. To calculate the number of apprentices and their wages in future years, projections from Economy.com are used. In the March 2004 Regional Financial Review, Economy.com projects national employment to increase annually from 2005 to 2008 in the range of 1.3% to 1.7%. The chart below assumes the midpoint of this range for an annual increase in employment of 1.5%. It is assumed that the hiring of apprentices will mirror overall employment. Economy.com estimates wage growth for the period 2004 through

2008 will range from 3.5% to 4.3%. The chart below assumes a 4% annual growth rate in wages. Again, it is assumed that apprentices will receive pay increases equal to regular employees.

The tax credit in HB 1423 is in effect for tax years 2005, 2006 and 2007. For the 2005 tax year, it is assumed that employers will claim 15% of $182.5 million in wages ($27.4 million) on their returns in FY 2005-06 (see chart below). It is assumed that all employers are able to take the credit in the year they file their returns. The chart shows the impact for the 2006 and 2007 tax years.

	Apprentices	Median Wage	Total Apprentice Wages	15% Tax Credit
2003	8,175	$20,039	$163,818,825	$24,572,824
2004	8,298	$20,841	$172,934,967	$25,940,245
2005	8,422	$21,674	$182,539,964	$27,380,995
2006	8,548	$22,541	$192,681,748	$28,902,262
2007	8,677	$23,443	$203,413,138	$30,511,971

Section 3 of the bill appropriates $5,000 to the Department of Labor in FY 2004-05 for administrative expenses associated with the credit. If the Department of Labor has to develop a form to be completed by the employer and the Department, then there will be an administrative cost for this credit. However, the Department of Labor would incur no costs if it could submit to Revenue an electronic database of registered apprentices listing names, Social Security numbers, company names, etc. that can be matched to tax returns. As for administrative expense for the Department of Revenue, it would not incur costs if the documentation certifying apprenticeships were filed with the tax return. The apprentice documents would be scanned like any other forms.

SECTION 2. In accordance with G.S. 142-83, this section authorizes the issuance or incurrence of up to eighty-one million three hundred forty thousand dollars ($81,340,000) of special indebtedness to be used for costs of construction, other than costs described in Section 1 of this act, of up to 13 youth development centers totaling up to 512 beds to be operated by the Department of Juvenile Justice and Delinquency Prevention and to be located at sites throughout the State. The State, with the prior approval of the State Treasurer and the Council of State as provided in Article 9 of Chapter 142 of the General Statutes, is authorized to incur special indebtedness in order

to provide funds to the State to be used, together with any other available funds, to pay these costs.

SECTION 3. This act is effective when it becomes law.

HOUSE BILL 1795:
Modify Youth Facility Debt Authorization

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Luebke
Date:	June 23, 2004	**Summary by:**	Jim Mills, Fiscal Research & Trina Griffin, Committee Counsel
Version:	PCS for 1st Edition		

SUMMARY: ***House Bill 1795 modifies the authorization for special indebtedness for youth development centers due to project modification. The Proposed Committee Substitute deletes Section 2 of the bill, which authorized the issuance of approximately $81 million for construction costs of these centers.***

CURRENT LAW: The Department of Juvenile Justice and Delinquency Prevention (DJJDP) operates 626 beds at five Youth Development Centers. For the most part, the buildings are old, outdated and in need of replacement or significant renovation. Section 46A.2 of the 2003 Budget Bill (HB 397) authorized issuance of up to $6,780,000 in debt for the cost of the following:

- Planning, design, construction drawings, and administrative funds for solicitation of bids for up to three new juvenile Youth Development Centers and up to 500 beds.
- Site work/utility infrastructure for one of three facilities.

DJJDP began preliminary planning using funds on hand soon after the 2003 Session. This planning process resulted in a consensus finding of DJJDP and its Advisory Council that the State should build smaller facilities located closer to a juveniles' family and local services. DJJDP is now recommending the planning, design, and construction of up to 512 beds at up to 13 facilities. Most facilities would be 32-bed prototype units.

DJJDP has used internal funds up to this point to complete preliminary planning. According to State Construction and DJJDP, these funds will be depleted by August 2004. The Department of the State Treasurer and the State Bond Counsel indicated that before debt could be issued to continue the planning process, the language in the 2003 provision would need to be modified to reflect any changes in project scope.

BILL ANALYSIS: The Proposed Committee Substitute for House Bill 1795 changes the 2003 language to reflect the changes in the project's scope by stating that debt is authorized to pay for facility design, construction drawings, and solicitation of bids for up to 13 facilities and up to 512 beds.

The PCS also reduces the amount authorized from $6,780,000 to $4,460,000. The amount of $4,460,000 is actual amount needed to complete all planning and design steps prior to starting construction according to the State Construction Office. The additional amount in 2003 was for site work and utility infrastructure at one of three larger facilities that was contemplated in 2003. It is recommended that the cost of site work and infrastructure be included as part of construction costs if debt is authorized separately for construction of new facilities.

The debt amount listed in HB 1795 is not new debt. Debt service funds were set aside last year. HB 1795 only reauthorizes debt issuance due to project modification. According to the Department of State Treasurer, the total cost with debt service would be $7,217,150 over 20 years at 5.5% interest using Certificates of Participation.

The House budget bill has a related budget provision. HB 1414, Section 16.3, outlines the type of planning and design information that DJJDP is required to submit to various committees before starting construction.

Short Title: Regulate Professional Employer Organization. (Public)

Sponsors:

Referred to:

February 10, 2003

A BILL TO BE ENTITLED

AN ACT TO REQUIRE LICENSURE OF PROFESSIONAL EMPLOYER ORGANIZATIONS.

The General Assembly of North Carolina enacts:

SECTION 1. Article 89 of Chapter 58 of the General Statutes is rewritten to read:

"Article 89.

"North Carolina Professional Employer Organization Act.

"Part 1. In General.

"**§ 58-89-1. Title.**

This Article shall be known and may be cited as the "North Carolina Professional Employer Organization Act".

"**§ 58-89-5. Definitions.**

In this Article:

(1) "Applicant" means a person applying for a license or a group license under this Article.

(2) "Assigned employee" means an employee who is performing services for a client company under a contract between a licensee and a client company in which employment responsibilities are shared or allocated. "Assigned employee" does not include a temporary employee. Individuals who are directors, shareholders, partners, and managers of a client company are assigned employees to the extent the licensee and the client have agreed that those individuals are assigned employees and provided that those individuals meet the criteria of this subdivision and act as operational managers or perform reviews for the client company.

(3) "Audited GAAP financial statement" means a financial statement that is audited by an independent certified public accountant and presented in accordance with generally accepted accounting principles.

(4) "Client company" or "client" means a person that contracts with a licensee and is assigned employees by the licensee under that contract.

(5) "Control", including the terms "controlling", "controlled by", and "under common control with" means the direct or indirect possession of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a commercial contract for goods or nonmanagement services, or otherwise. Control is presumed to exist if any natural person directly or indirectly owns, controls, holds with the power to vote, or holds proxies representing ten percent (10%) or more of the voting securities of any other person. This presumption may be rebutted by a showing made in the manner provided by rule of the Commissioner. The Commissioner may determine, after furnishing all persons in interest notice and opportunity to be heard and making specific findings of fact to support such determination, that control exists in fact, notwithstanding the absence of a presumption to that effect.

(6) "Financial responsibility" means the current and expected future condition of financial solvency sufficient to support a reasonable expectation that an applicant or licensee can successfully conduct its business without jeopardizing the interests of its assigned employees, client companies, or the public.

(7) "Good moral character" means a personal history of honesty, trustworthiness, fairness, a good reputation for fair dealings, and respect for the rights of others and for state and federal laws.

(8) "Hazardous financial condition" has the same meaning as in G.S. 58-47-60(9).

(9) "Licensee" means a person licensed under this Article to provide professional employer services. The term includes a professional employer organization group licensed under G.S. 58-89-35(b). Unless specifically stated otherwise in this Article, "licensee" includes persons who are licensed under this Article pursuant to alternative licensing procedures as set forth in G.S. 58-89-76.

(10) "Managed services" means services provided by an organization that is the sole employer of employees whom it supplies to staff and manage a specific portion of a company's workforce or a specific facility within a company on an ongoing basis. The managed services organization has responsibility for ensuring the capabilities and skills of the employees it supplies or provides, for all employer functions, for supervisory responsibility over the employees, and for management accountability of the facility or function.

(11) "PEO agreement" means a written contract by and between a client company and a professional employer organization that provides:
a. For the allocation and sharing between the client company and the licensee of the responsibilities of employers with respect to the assigned employees, including hiring, firing, and disciplining of employees; and
b. That the licensee and the client company assume the responsibilities required by this Article.

(12) "Person" has the same meaning as in G.S. 58-1-5(9).

(13) "Personnel placement service" means a job placement service offered through an organization that assists persons seeking employment to find a job with companies that are seeking employees. Companies that hire persons through a personnel placement service are the sole employers of the persons hired, and the personnel placement service does not have any responsibility as an employer.

(14) "Professional employer services" means an arrangement by which employees of a licensee are assigned to work at a client company and in which employment responsibilities are in fact shared by the licensee and the client company in accordance with G.S. 58-89-100, the employee's assignment is intended to be of a long-term or continuing nature, rather than temporary or seasonal in nature, and a majority of the workforce at a client company work site or a majority of the personnel of a specialized group within that workforce consists of assigned employees of the licensee. "Professional employer leasing services" does not include services that provide temporary employees or independent contractors, a personnel placement service, managed services, payroll services that do not involve employee staffing or leasing, the sharing of employees by commonly owned companies within the meaning of section 414(b) and (c) of the Internal Revenue Code of 1986, as amended, or similar groups that do not meet the requirements of this subdivision.

(15) "Professional employer organization" or "PEO" means a person that offers professional employer services and includes "staff leasing services companies", "employee leasing companies", "staff leasing companies", and "administrative employers" who offer or propose to offer professional employer services in this State.

(16) "Professional employer organization group" or "PEO group" means a combination of professional employer organizations that operates under a group license issued under this Article or is otherwise subject to group licensure requirements under G.S. 58-89-35(b).

(17) "Temporary employees" means persons employed under an arrangement by which an organization hires its own employees and assigns them to a client company to support or supplement the client's workforce in a special work situation, including:

a. An employee absence;
b. A temporary skill shortage;
c. A seasonal workload; or
d. A special assignment or project.

"**§ 58-89-10. North Carolina Professional Employer Organization Advisory Council.**

(a) There is created the North Carolina Professional Employer Organization Advisory Council to advise, consult with, and make recommendations to the Commissioner on the regulation of professional employer organizations, as requested by the Commissioner. The Council shall consist of 11 members as follows:

(1) The Commissioner of Insurance or the Commissioner's designee, ex officio.
(2) The Commissioner of Labor or the Commissioner's designee, ex officio.
(3) The Chair of the North Carolina Industrial Commission or the Chair's designee, ex officio.
(4) Two members appointed by the Governor, from a list of five persons recommended by the North Carolina Industrial Commission.
(5) Two members appointed by the Governor who are not involved directly or indirectly with the professional employer services industry.
(6) One member of the General Assembly, appointed by the General Assembly in accordance with G.S. 120-121, upon the recommendation of the President Pro Tempore of the Senate.
(7) One member appointed by the General Assembly, upon the recommendation of the President Pro Tempore of the Senate, who is a representative of the professional employer services industry and who is involved with a professional employer organization that has 3,000 or more assigned employees.
(8) One member of the General Assembly, appointed by the General Assembly in accordance with G.S. 120-121, upon the recommendation of the Speaker of the House of Representatives.
(9) One member appointed by the General Assembly, upon the recommendation of the Speaker of the House of Representatives, who is a representative of the professional employer services industry and who is involved with a professional employer organization that has less than 3,000 assigned employees.

Initial terms begin January 1, 2005.

(b) Other than the initial members of the Council and members of the Council serving ex officio, members of the Council shall serve three-year terms. Initial members of the Council shall serve staggered terms as follows:

(1) The following initial members shall serve terms of three years:
a. One member appointed by the Governor from the list recommended by the North Carolina Industrial Commission.

b. The member of the General Assembly appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate.

c. One member appointed by the Governor who is not directly involved with the professional employer services industry.

d. The member appointed by the General Assembly upon the recommendation of the House of Representatives who is involved with a professional employer organization.

(2) The following initial members shall serve terms of two years:

a. One member appointed by the Governor from the list recommended by the North Carolina Industrial Commission.

b. The member of the General Assembly appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives.

c. One member appointed by the Governor who is not directly or indirectly involved in the professional employer services industry.

d. The member appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate who is involved with a professional employer organization.

(c) The Commissioner of Insurance shall serve as chair of the Council and shall call all meetings of the Council.

(d) The Governor may remove any member of the Council appointed by the Governor for misconduct, incompetence, or neglect of duty. The General Assembly may remove any member appointed by it for the same reasons. The appointing authority making the original appointment shall appoint successors.

(e) All vacancies occurring on the Council shall be filled, for the unexpired term, by the appointing authority making the original appointment. Vacancies in appointments made by the General Assembly shall be filled in accordance with G.S. 120-122.

(f) The Department of Insurance shall furnish the Council with meeting space and clerical and other services required by the Council to conduct its business.

(g) The members of the Council shall not receive compensation or per diem for their service on the Council.

"**§ 58-89-15. Rules.**

(a) The Commissioner may adopt rules necessary to implement, administer, and enforce the provisions of this Article.

(b) Each licensee and each person subject to licensure requirements under this Article are subject to the provisions of this Article and to the rules adopted by the Commissioner.

(c) Nothing in this Article preempts the existing statutory or rule-making authority of any other State agency or entity to regulate professional employer services in a manner consistent with the statutory authority of that State agency or entity.

"**§ 58-89-20. Interagency cooperation.**

A State agency, in performing duties under other law that affects the regulation of professional employer services, shall cooperate with the Commissioner as necessary to implement, administer, and enforce this Article.

"**§ 58-89-25. Effect of other law on client companies and assigned employees.**

(a) This Article does not exempt a client company of a licensee, or any assigned employee, from any other license requirements imposed under local, State, or federal law.

(b) An employee who is licensed, registered, or certified under law and who is assigned to a client company is considered to be an employee of the client company for the purpose of that license, registration, or certification.

(c) A licensee is not engaged in the unauthorized practice of an occupation, trade, or profession that is licensed, certified, or otherwise regulated by a State agency or other political subdivision of the State, including a county or city, by entering into a PEO agreement with a client company and assigned employees.

(d) With respect to a bid, contract, purchase order, program, or agreement entered into with the State or a political subdivision of the State, or State program or benefit otherwise available to a client company, a client company's status, certification, or qualification pursuant to the bid, contract, benefit, program, agreement, or State program shall not be affected because the client company has entered into an agreement with a licensee or utilizes the services of a licensee.

(e) Nothing in this Article or in any PEO agreement or other professional employer services contract shall affect, modify, or amend any collective bargaining agreement or the rights or obligations of any client company, professional employer organization, or any assigned employee under the National Labor Relations Act, 29 U.S.C. § 151, et seq.

"**§ 58-89-30. Other provisions of this Chapter.**

G.S. 58-2-45, 58-2-50, 58-2-55, 58-2-60, 58-2-65, 58-2-69, 58-2-70, 58-2-75, 58-2-100, 58-2-155, 58-2-163, 58-2-180, 58-2-185, 58-2-200, and 58-3-100 shall apply to all persons licensed under this Article and all persons subject to licensure requirements under this Article.

"**§ 58-89-31. Tax credits and other incentives.**

For purposes of determination of tax credits and other economic incentives provided by the State and based on employment, covered employees are considered employees solely of the client. A client shall be entitled to the benefit of any tax credit, economic incentive, or other benefit arising as the result of the employment of covered employees of the client. Each professional employer organization must provide, upon request by a client, employment information that is required by any agency or department of the State responsible for administration of any tax credit or economic incentive and that is necessary to support a request, claim, application, or other action by a client seeking the tax credit or economic incentive.

"Part 2. License Requirements and Limitations.

"**§ 58-89-35. License required; professional employer organization groups.**

(a) No person shall engage in or offer professional employer services in this State unless the person holds a license issued under this Article.

(b) Two or more professional employer organizations that are controlled by the same ultimate parent, entity, or persons may be licensed as a professional employer organization group. A professional employer organization group may satisfy the reporting and financial requirements of this Article on a consolidated basis. As a condition of licensure as a professional employer organization group, each professional employer organization that is a member of the group shall guarantee payment of all financial obligations of every other member. Notwithstanding the definition of "person" in this Article, whenever two or more entities combine to seek issuance of a single license under this Article, the requirements for group licensure under this subsection shall be met before issuance of a license and any license issued will be a group license issued pursuant to this subsection.

"**§ 58-89-40. Qualifications for controlling person.**

(a) To be qualified to serve as a controlling person of a licensee under this Article, the controlling person shall be at least 18 years of age, be of good moral character, and have educational, managerial, or business experience relevant to:

(1) Operation of a professional employer organization; or

(2) Service as a controlling person of a professional employer organization.

(b) This section does not apply to persons who are licensed pursuant to the alternative licensing procedures set forth in G.S. 58-89-76 or to entities that are controlling persons.

"**§ 58-89-45. Reserved.**

"**§ 58-89-50. Surety bond; letter of credit.**

(a) An applicant for licensure shall file with the Commissioner a surety bond in the amount of one hundred thousand dollars ($100,000) in favor of the State of North Carolina.

(b) The surety bond required by this section shall be in a form acceptable to the Commissioner, issued by an insurer authorized by the Commissioner to write surety business in this State, and maintained in force while the license remains in effect or any obligations or liabilities of the applicant, licensee or PEO previously licensed by this State remain outstanding.

(c) The surety bond required by this section may be exchanged or replaced with another surety bond that meets the requirements of this section if 90 days' advance written notice is provided to the Commissioner.

(d) A licensee shall not require a client company to contribute in any manner to the payment of the surety bond required by this section.

(e) Notice of cancellation or nonrenewal of the surety bond required by this section shall be provided to the Commissioner in writing at least 45 days before cancellation or nonrenewal.

(f) In lieu of the surety bond required by this section, an applicant may submit to the Commissioner an irrevocable letter of credit in a form acceptable to the Commissioner issued by a financial institution, the deposits of which are insured by the Federal Deposit Insurance Corporation, or may maintain on deposit with the Commissioner an amount equal to the amount required under subsection (a) of this

section in cash or in value of securities of the kind specified in G.S. 58-5-20 and subject to the same conditions as the surety bond.

(g) This section does not apply to persons who are licensed pursuant to the alternative licensing procedures set forth in G.S. 58-89-76.

"**§ 58-89-55. Reserved.**

"**§ 58-89-60. License application.**

(a) Every applicant for licensure shall file with the Commissioner, on a form prescribed by the Commissioner, the following information:

(1) The name, organizational structure, and date of organization of the applicant, the addresses of the principal office and of all offices in this State, the name of the contact person, the type of operations within this State, and the taxpayer or employer identification number.

(2) A list by jurisdiction of each name under which the applicant has operated in the preceding five years, including any alternative names, names of predecessors, and, if known, names of successor business entities. The list required by this subdivision shall include the parent company name and any trade name, trademark, or service mark of the applicant.

(3) A list of all officers and controlling persons of the applicant, their biographical information, including their management background, and an affidavit from each attesting to his or her good moral character and management competence.

(4) The location of the business records of the applicant.

(5) An attestation, executed by the chief financial officer and chief executive officer of the applicant, that the applicant is current as of the date the application is submitted with respect to all of its obligations for payroll, payroll-related taxes, workers' compensation insurance, and employee benefits. If any such obligations are in dispute with a client as of the date the application is submitted and the disputed amount is material when considered in the context of the applicant's most recent audited financial statement, then the applicant shall disclose the nature of the dispute causing the obligations to be unpaid and the amount of money in controversy.

(6) Any other information the Commissioner deems necessary and requires by rule to establish that the applicant and the officers and controlling persons are of good moral character, have business integrity, and have financial responsibility.

(b) Every applicant shall file with the Commissioner evidence of financial responsibility. Evidence of financial responsibility includes an audited GAAP financial statement, prepared as of a date not more than 90 days before the date of application that demonstrates that the applicant or licensee is not in a hazardous financial condition and attached to which is a separate document signed by the chief executive and the chief financial officer certifying that (i) each has reviewed the financial statement; (ii) based on each signatory's knowledge, the financial statement does not contain any untrue or

misleading statement of material fact or omit a fact with respect to the period covered by the financial statement; and (iii) based on each signatory's knowledge, the financial statement fairly presents in all material respects the financial condition of the licensee as of, and for, the period presented in the financial statement.

Notwithstanding the requirements of this subsection, the Commissioner may, in the Commissioner's discretion, accept an audited GAAP financial statement that has been prepared more than 90 days before submission to the Commissioner if the Commissioner deems such acceptance appropriate. The Commissioner may, in the Commissioner's discretion, impose conditions upon such acceptance of financial statements prepared more than 90 days prior to submission.

(c) Every applicant shall submit to the Commissioner the application fee pursuant to G.S. 58-89-65.

(d) Every applicant shall furnish the Commissioner a complete set of fingerprints and a recent photograph in a form prescribed by the Commissioner of each officer, director, and controlling person. Each set of fingerprints shall be certified by an authorized law enforcement officer.

Upon request by the Department, the Department of Justice shall provide to the Department from the State and National Repositories of Criminal Histories the criminal history of any applicant and the officer, director, and controlling person of any applicant. Along with the request, the Department shall provide to the Department of Justice the fingerprints of the person that is the subject of the request, a form signed by the person that is the subject of the request consenting to the criminal record check and use of fingerprints and other identifying information required by the State and National Repositories, and any additional information required by the Department of Justice. The person's fingerprints shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation may forward a set of fingerprints to the Federal Bureau of Investigation for a national criminal history record check. The Department shall keep all information obtained pursuant to this subsection confidential. The Department of Justice may charge a fee to offset the cost incurred by it to conduct a criminal record check under this section. The fee shall not exceed the actual cost of locating, editing, researching, and retrieving the information.

In the event that an applicant has secured a professional employer organization license in another state in which the professional employer organization's controlling persons have completed a criminal background investigation within 12 months of this application, a certified copy of the report from the appropriate authority of that state may satisfy the requirement of this subsection. This subsection also applies to a change in a controlling party of a professional employer organization. For purposes of investigation under this subsection, the Commissioner shall have all the power conferred by G.S. 58-2-50 and other applicable provisions of this Chapter.

(e) An application for licensure of a professional employer organization group shall contain the information and submissions required by this section for each member of the group.

(f) No application is complete until the Commissioner has received all information and submissions required under subsections (a) through (e) of this section. Subsections (a) through (e) of this section do not apply to persons who are licensed pursuant to the alternative licensing procedures set forth in G.S. 58-89-76.

(g) The Commissioner may deny the license of an applicant under this Article if, after notice to the applicant and an opportunity for a hearing, the Commissioner finds that a controlling person has:

(1) Made any untrue material statement regarding the background or experience of any controlling person;

(2) Violated, or failed to comply with, any professional employer services law or any rule or order of the Commissioner or of any other State official responsible for the regulation of professional employer services;

(3) Obtained or attempted to obtain the license through misrepresentation or fraud;

(4) Been convicted of a felony;

(5) Been found in a final judgment or administrative proceeding to have committed fraud or an unfair trade practice; or

(6) Been a controlling person in another professional employer organization that has had its license or registration suspended, terminated, or revoked by any state.

(h) If the Commissioner finds that the applicant has not fully met the requirements for licensure, the Commissioner shall refuse to issue the license and shall notify the applicant in writing of the denial, stating the grounds for the denial. The application may also be denied for any reason for which a license may be suspended or terminated under G.S. 58-89-155. To obtain a review to determine the reasonableness of the Commissioner's denial, the applicant shall make written demand upon the Commissioner within 30 days after notice is given under G.S. 150B-38(c). The review shall be completed without undue delay, and the applicant shall be notified promptly in writing as to the outcome of the review. If the applicant disagrees with the outcome of the review and seeks a hearing, under Article 3A of Chapter 150B of the General Statutes, on the outcome of the review, the applicant shall make a written demand upon the Commissioner for the hearing within 30 days after notice of the outcome of the review is given under G.S. 150B-38(c).

(i) Removal, demotion, or discharge of a controlling person in response to an order of the Commissioner of the alleged unsuitability of that person is an affirmative defense to any claim by that individual based on the removal, demotion, or discharge.

(j) The Commissioner may, in the Commissioner's discretion, waive the required evaluation of an officer, director or controlling person if that officer, director or controlling person has been evaluated previously under this Article.

(k) After denial, suspension, or termination of a license, and before issuing a new license or reinstating a license, the Commissioner shall review and consider:

(1) The extent to which the applicant or licensee has adequately corrected any problems; and

(2) Whether the applicant or licensee has demonstrated that the applicant or licensee had exercised due diligence to avoid the reason or reasons for the denial or termination.

The applicant or licensee bears the burden of proof with respect to subdivisions (1) and (2) of this subsection.

"**§ 58-89-65. Fees.**

(a) Each applicant for a professional employer organization license or limited professional employer organization license shall pay to the Commissioner, before the issuance of the license, a nonrefundable application fee of one thousand dollars ($1,000).

(b) Each licensee shall pay to the Commissioner when filing the information required under G.S. 58-89-70(d) an annual filing fee of one thousand dollars ($1,000).

(c) Each applicant for alternative licensing under G.S. 58-89-76 and each applicant for renewal of a license provided under G.S. 58-89-76 shall pay to the Commissioner, before issuance or renewal of the license, a fee of five hundred dollars ($500.00).

(d) When the Commissioner finds that a licensee has committed an act that is a ground for disciplinary violation under G.S. 58-89-155 or that a licensee has committed a prohibited act in violation of G.S. 58-89-170, and such decision becomes final following the conclusion of all administrative or judicial proceedings, the Commissioner may charge an applicant or licensee reasonable fees to recover the Department's costs associated with investigations, inspections, examinations, and any other administrative or enforcement responsibilities created under this Article.

(e) Fees collected by the Commissioner under this Article shall be deposited in the Insurance Regulatory Fund under G.S. 58-6-25 and shall be used to implement this Article.

"**§ 58-89-70. License issuance and maintenance.**

(a) The Commissioner shall issue a license to an applicant whom the Commissioner determines has satisfied the requirements of this Article not later than the 90th day after the date on which the completed application is filed with the Commissioner. The Commissioner shall notify an applicant of any deficiency in the application not later than the 60th day after the date on which the Commissioner receives the application.

(b) A license issued by the Commissioner under this Article shall remain in effect until revoked, suspended, surrendered, or otherwise terminated.

(c) By obtaining licensure under this Article, the controlling persons of a licensee certify, under penalty of law, their compliance with the requirements of licensure and of operation as a professional employer organization pursuant to this Article.

(d) Within 120 days after the end of each fiscal year, each licensee shall file with the Commissioner all of the following information:

(1) Evidence of "financial responsibility" as set forth in G.S. 58-89-60(b).

(2) Any information required by G.S. 58-89-60(a) for which there has been a change since the last or initial filing. Any change of controlling

persons may subject the licensee to a background investigation of those controlling persons as required by G.S. 58-89-60.

(3) The annual filing fee, pursuant to G.S. 58-89-65.

(4) Any other information the Commissioner determines is needed for the review of a licensee.

(e) In order to maintain licensure, each licensee may be required to file with the Commissioner no later than 45 days after the end of each quarter of the fiscal year:

(1) A financial statement for the preceding quarter that is not audited but is set forth in a format similar to the annual audited GAAP financial statement; and

(2) An attestation, executed by the chief financial officer and the chief executive officer of the licensee, that the licensee is current with respect to all of its obligations for payroll, payroll-related taxes, workers' compensation insurance, and employee benefits. If any of the obligations listed in this subdivision are in dispute with a client and the disputed amount is material when considered in the context of the licensee's most recent audited financial statement, then the licensee shall disclose the nature of the dispute causing the obligations to be unpaid and the amount of money in controversy.

"**§ 58-89-75. Limited license.**

The Commissioner, by rule, shall provide for the issuance of a limited license to a person who seeks to offer limited professional employer services in this State.

"**§ 58-89-76. Alternative licensing.**

The Commissioner, by rule, may provide for the acceptance of an affidavit by a bonded, independent, and qualified assurance organization that has been approved by the Commissioner certifying the qualifications of a professional employer organization for licensing under this Article in lieu of the requirements of G.S. 58-89-40 through G.S. 58-89-60. A professional employer organization licensed under this section shall be exempt from the provisions of G.S. 58-89-70(c), (d), and (e).

"**§ 58-89-80. License not assignable; change of name or location.**

(a) A licensee shall not conduct business under any name other than that specified in the license. A license issued under this Article is not assignable. A licensee shall not conduct business under any fictitious or assumed name without prior written authorization from the Commissioner. The Commissioner shall not authorize the use of a name that is so similar to that of a public office or agency or to that of another licensee that the public may be confused or misled by the name's use. A licensee shall not conduct business under more than one name unless the licensee has obtained a separate license for each name or the licensee is operating under a group license pursuant to G.S. 58-89-35.

(b) Except as provided in this subsection, a licensee may change the licensee's licensed name only once in a calendar year by notifying the Commissioner and paying a fee for the change of name. The fee for a name change shall be fifty dollars ($50.00). A licensee may change the licensee's name without the payment of the name change fee if the name change is submitted with the information required by G.S. 58-89-70(d). If a

licensee has changed its name once during a calendar year, the licensee shall not change its name again unless the name change is approved by the Commissioner.

(c) A licensee shall notify the Commissioner in writing within 30 days of any change in the status of the licensee, including:

(1) Any change in the location of the licensee's primary business office;

(2) The addition of or change in the location of any other business offices providing professional employer services in this State; and

(3) A change in the location of business records maintained by the licensee.

(d) A licensee may advertise in this State using only the name that is on the license issued by the Commissioner.

(e) Each written proposal provided to a prospective client company and each PEO agreement between a licensee and a client company or assigned employee shall clearly identify the name of the licensee.

"**§ 58-89-85. Supervision; rehabilitation; liquidation.**

If at any time the Commissioner determines, after notice and an opportunity for the licensee to be heard, that a licensee (i) has been or will be unable, in such a manner as may endanger the ability of the licensee, to fully perform its obligations pursuant to this Article or (ii) is bankrupt or in a hazardous financial condition, the Commissioner may either (i) commence a supervision proceeding pursuant to Article 30 of this Chapter or (ii) apply to the Superior Court of Wake County or to the federal bankruptcy court that has previously taken jurisdiction over the licensee, if applicable, for an order directing the Commissioner or authorizing the Commissioner to rehabilitate or to liquidate a licensee in accordance with Article 30 of this Chapter.

"**§ 58-89-90. Reserved.**

"Part 3. Licensee Duties and Responsibilities.

"**§ 58-89-95. Agreement; notice.**

(a) A licensee shall establish the terms of a PEO agreement by a written contract between the licensee and the client company.

(b) The licensee shall give written notice of the agreement, by agreement or otherwise, as it affects assigned employees to each employee assigned to a client company work site. This written notice shall be given to each assigned employee not later than the first payday after the date on which that individual becomes an assigned employee.

(c) The licensee shall give each employee written notice when the employee ceases to be an employee of the licensee.

"**§ 58-89-100. Contract requirements.**

A contract between a licensee and a client company shall provide:

(1) That the licensee reserves a right of direction and control over employees assigned to a client company's work sites. However, a client company may retain such sufficient direction and control over the assigned employees as is necessary to conduct the client company's business and without which the client company would be unable to conduct its business, to discharge any fiduciary responsibility that it

may have, or to comply with any applicable licensure, regulatory, or statutory requirement of the client company. The PEO agreement shall provide that employment responsibilities not allocated to the licensee by the PEO agreement or this section remain with the client company.

(2) That the licensee assumes responsibility for the payment of wages to the assigned employees as agreed to in the PEO agreement.

(3) That the licensee assumes responsibility for the payment of payroll taxes and collection of taxes from payroll on assigned employees.

(4) That the licensee reserves a right to hire, fire, and discipline the assigned employees.

(5) That the licensee retains a right of direction and control over the adoption of employment policies and the management of workers' compensation claims, claim filings, and related procedures in accordance with applicable federal laws and the laws of this State.

(6) That responsibility to obtain workers' compensation coverage for assigned employees, from an entity authorized to do business in this State and otherwise in compliance with all applicable requirements, shall be specifically allocated in the PEO agreement to either the client company or the licensee. If the responsibility is allocated to the licensee under any such agreement, that agreement shall require that the licensee maintain and provide to the client company, at the termination of the agreement if requested by the client company, records regarding the loss experience related to workers' compensation insurance provided to assigned employees pursuant to the agreement.

"**§ 58-89-105. Employee benefit plans; required disclosure; other reports.**

(a) A licensee may sponsor and maintain employee benefit plans for the benefit of assigned employees.

(b) A client company may sponsor and maintain employee benefit plans for the benefit of assigned employees.

(c) If a licensee offers to its assigned employees any health benefit plan that is not fully insured by an authorized insurer, the plan shall:

(1) Utilize a third-party administrator licensed or registered to do business in this State;

(2) Hold all plan assets, including participant contributions, in a trust account; and

(3) Provide sound reserves for the plan as determined using generally accepted actuarial standards.

(d) For purposes of this section, a "health benefit plan that is not fully insured by an authorized insurer" includes any arrangement except an arrangement under which an insurance company licensed to write insurance in this State has issued an insurance policy that covers all of the obligations of the health benefit plan.

"**§ 58-89-110. Workers' compensation insurance.**

(a) A licensee or the licensee's client company shall provide workers' compensation insurance coverage through a licensed insurance carrier or a licensed

self-insurance plan for the licensee's assigned employees as provided in Chapter 97 of the General Statutes, the Workers' Compensation Act. To the extent that the licensee secures and maintains workers' compensation coverage for assigned employees, the carrier may elect to provide such coverage to the licensee pursuant to either the multiple coordinated policy method, as set forth in subsection (b) of this section, or the single policy method, as set forth in subsection (c) of this section.

(b) If the licensee provides workers' compensation coverage pursuant to the multiple coordinated policy method, the licensee shall secure a separate policy for each client company of the licensee. Each policy shall identify the name of the client company and the licensee. The licensee shall be named as the insured and identify the client company. The licensee shall specify that it is the labor contractor for the client company by using the designation "L/C/F" on the policy.

Each policy shall expire on the same date. The policy shall not include coverage for nonleased employees of the client company or employees solely employed by the licensee. Only the licensee, as the first-named insured under such a policy, may request the insurer to cancel the policy. Each policy shall be sent to the licensee as the named insured.

The client company of a licensee shall have a continuing obligation to provide coverage as required by Chapter 97 of the General Statutes, the Workers' Compensation Act, for any employees of the client company who are not assigned employees and not otherwise covered under a policy described in this subsection.

If a client company of a licensee leases employees from more than one licensee, there shall be a separate policy for the assigned employees of each licensee.

The workers' compensation carrier also shall issue a policy covering the internal employees of the licensee unless they are otherwise covered.

All policies written in accordance with this subsection by the same insurance carrier that reference the same licensee as labor contractor shall be combined for premium discount purposes.

When policies written in accordance with this subsection are written by the same insurance carrier, the carrier and licensee may agree to a retrospective rating program or any other permitted pricing program.

Whenever a policy written in accordance with this subsection is cancelled, the insurance company writing the policy shall provide individual notices of cancellation as required by this Chapter to the licensee and the client company of the licensee.

(c) If the licensee provides workers' compensation coverage pursuant to the single policy method, the insurer shall issue to the licensee a single policy covering all assigned employees in this State in accordance with Chapter 97 of the General Statutes, the Workers' Compensation Act, and any other applicable laws or rating plans of this State.

As a condition of issuing a single policy, the licensee shall provide to the insurer of the policy all of the following information regarding each client company of the licensee with assigned employees in this State:

(1) The correct legal name, any fictitious names, and the federal identification number.

(2) The name and address of the president and chief executive officer.
(3) The business mailing address.
(4) The business telephone number and facsimile number.

The licensee shall also provide to the insurer the name and address of the insurance agent or broker responsible for securing the policy of insurance on behalf of the licensee.

The insurer shall issue to each client company of the licensee a certificate of insurance on the single policy. The certificate of insurance shall require that the insurer provide notice of cancellation to the licensee and the client company of the licensee.

Whenever a policy written in accordance with this subsection is cancelled, the insurance company writing the policy shall provide individual notices of cancellation as required by this Chapter to the licensee and the client company of the licensee.

If the insurer fails to provide individual notices of cancellation to the licensee and the client company, the insurer shall remain liable on the risk for losses incurred by the client company that would have been covered by the workers' compensation policy prior to the attempted cancellation.

(d) A license shall not be issued to any professional employer organization unless the organization first files with the Commissioner evidence of workers' compensation coverage for all assigned employees in this State, including those leased from or coemployed with another person, and that the premium paid by the licensee is commensurate with exposure and anticipated claim experience for all employees covered under policies in the name of the licensee.

(e) Each licensee shall maintain and make available to its workers' compensation carrier on an annual basis the following information:

(1) The correct name and federal identification number of each client company.
(2) A listing of all covered employees provided to each client company, by classification code.
(3) The total eligible wages, by classification code, and the premiums due to the carrier for the employees provided to each client company.
(4) Sufficient information to permit the calculation of an experience modification factor for each client company upon termination of the professional employer relationship. Information accruing during the term of the leasing arrangement that is used to calculate an experience modification factor for a client company upon termination of the leasing relationship shall continue to be used in the future experience ratings of the licensee.

(f) Every Form 19 "Employer's Report of Employee's Injury or Occupational Disease to the Industrial Commission" filed with the Industrial Commission shall identify by name and address both the licensee and the client company employing the employee who is the subject of the Form 19.

(g) A licensee shall, within 30 days of initiation or termination of the licensee's relationship with any client company, notify its workers' compensation carrier, the Commissioner, and the North Carolina Industrial Commission of both the initiation and

termination of the relationship. If the client company terminates the relationship between the licensee and the client company, the notice required by this subsection shall be given within 10 days of the licensee's actual knowledge of the termination.

(h) If the professional employer services arrangement with a client company is terminated, the client company shall be assigned an experience modification factor that reflects its experience during the experience period specified by the approved experience rating plan, including, if applicable, experience incurred for assigned employees under the PEO agreement.

(i) A client company shall not enter into a PEO agreement or be eligible for workers' compensation coverage in the voluntary market if the client-workers' company owes its current or prior carrier any premium for workers' compensation insurance, or if the client company owes its current or prior professional employer organization amounts due under the PEO agreement, except for premiums or amounts due that are subject to dispute. For the purposes of this section and compliance with other laws and rules, a licensee may rely on a statement by the client company that the client company has met any and all prior premium or fee obligations, unless the licensee has actual knowledge to the contrary.

(j) This section shall not prevent a client company of a licensee from providing workers' compensation insurance coverage for assigned employees coemployed by the client company and the licensee through a policy of insurance issued by a licensed insurance carrier in the name of the client company as the insured.

(k) Irrespective of whether the licensee or client company maintains the policy of workers' compensation insurance for the covered employees pursuant to the PEO agreement, the licensee and the client company shall be entitled to the exclusivity of the remedy under both the workers' compensation and the employer liability provision of the workers' compensation policy or plan that either party has secured and shall both be afforded the protections provided under Chapter 97 of the General Statutes. The licensee shall be entitled, along with the client company, to the exclusivity of the remedy under both the workers' compensation and employers' liability provision of the workers' compensation policy or plan that either party has secured.

(l) All assigned risk policies for client companies of the same licensee shall be assigned to one workers' compensation carrier in the State and in other states to the extent possible.

"**§ 58-89-112. Liabilities.**

Subject to any contrary provisions thereof, the PEO agreement shall be interpreted for purposes of insurance, bonding, and employer's liability as follows:

(1) A licensee is not liable for the acts, errors, or omissions of a client company or of any assigned employee or for the quality, adequacy, or safety of the goods or services produced or sold in the client company's business. A client company is not liable for the acts, errors, or omissions of a licensee or of any employee of a licensee. Nothing in this section limits any contractual liability between a licensee and the client company or limits any liability or responsibility under this Article.

(2) Employees assigned to a client company by a licensee are the employees of the client company for the purposes of general liability insurance, automobile insurance, fidelity bonds, surety bonds, and liquor liability insurance carried by the client company unless the employees are included by specific reference in the applicable PEO agreement, insurance contract, or bond.

"**§ 58-89-115. Benefit plan notice.**

(a) With respect to any insurance or benefit plan provided by a licensee for the benefit of its assigned employees, a licensee shall disclose all of the following information to the Commissioner and each client company:

(1) The type of coverage.

(2) The identity of each insurer for each type of coverage.

(3) The amount of benefits provided for each type of coverage and to whom or on whose behalf benefits are to be paid.

(4) The policy limits on each insurance policy.

(5) Whether the coverage is fully insured, partially insured, or fully self-funded.

(b) With respect to any insurance or benefit plan provided by a licensee for the benefit of its assigned employees, a licensee shall provide to the insurer the name and address of the insurance agent or broker responsible for securing the policy of insurance on behalf of the licensee.

(c) Whenever any insurance policy or benefit plan is cancelled, the insurance company writing the policy shall provide a notice of cancellation as required by this Chapter.

(d) The licensee shall notify the client company and the Commissioner in writing about a discontinuance and replacement, if any, of any health plan or workers' compensation insurance coverage no later than 10 business days after the discontinuance.

(e) The Commissioner, by rule, may require a licensee to file other reports that are reasonably necessary for the administration and enforcement of this Article.

"**§ 58-89-120. Unemployment taxes; payroll.**

A licensee is the employer of an assigned employee for purposes of Chapters 95 and 96 of the General Statutes. The Employment Security Commission shall cooperate with the Commissioner in the investigation of applicants and licensees and shall provide the Commissioner with access to all relevant records and data in the custody of the Employment Security Commission.

"**§ 58-89-125. Posting requirements.**

(a) Each licensee shall post the license issued under this Article in a conspicuous place in the licensee's principal place of business in this State.

(b) Each licensee shall display, in a place that is in clear and unobstructed public view, a notice stating that the business operated at the location is licensed and regulated by the Commissioner and that any questions or complaints may be directed to the Commissioner.

"**§ 58-89-130. Contractual duties.**

Each licensee is responsible for the licensee's contractual duties and responsibilities to manage, maintain, collect, and make timely payments for all of the following:

(1) Insurance premiums.

(2) Benefit and welfare plans.

(3) Other employee withholding.

(4) Any other expressed responsibility that is within the scope of the PEO agreement and that fulfills the duties imposed under this Article.

"**§ 58-89-135. Compliance with other laws.**

Each licensee shall comply with all appropriate State and federal laws relating to reporting, sponsoring, filing, and maintaining benefit and welfare plans.

"**§ 58-89-140. Required information.**

Each licensee shall:

(1) Maintain adequate books and records regarding the licensee's duties and responsibilities, including accounting and employment records relating to all PEO agreement activities, for a minimum of three years.

(2) Maintain and make available at all times to the Commissioner the following information, which shall be treated as proprietary and confidential and which is exempt from disclosure to persons other than other governmental agencies that have a reasonable, legitimate purpose for obtaining the information:

a. The correct name, address, and telephone number of each client company.

b. Each client company contract or PEO agreement.

c. A listing of each client company by classification code as described in the "Standard Industrial Classification Manual" published by the United States Office of Management and Budget.

"**§ 58-89-145. Examinations.**

(a) The Commissioner may conduct an examination of a licensee as often as the Commissioner considers appropriate.

(b) An examination under this Article shall be conducted in accordance with the Examination Law of this Chapter, G.S. 58-2-131 through G.S. 58-2-134.

(c) In lieu of an examination of any foreign or alien person licensed under this Article, the Commissioner may, in the Commissioner's discretion, accept an examination report on the licensee prepared by the appropriate regulator for the licensee's state of domicile.

(d) When making an examination under this Article, the Commissioner may retain attorneys, appraisers, independent actuaries, independent certified public accountants, or other professionals and specialists as examiners, the reasonable cost of which shall be borne by the licensee that is the subject of the examination.

"**§ 58-89-150. Agent for service of process.**

Each resident licensee shall maintain a registered agent for the service of process in this State. The Commissioner shall be each nonresident licensee's agent for service of process as provided in Article 16 of this Chapter.

"Part 4. Penalties and Sanctions.

"**§ 58-89-155. Grounds for disciplinary action.**

(a) The Commissioner may take disciplinary action against a licensee or any person subject to licensure requirements under this Article on any of the following grounds:

(1) Being convicted or having an officer or controlling person of the licensee convicted of:

a. Bribery, fraud, or intentional or material misrepresentation in obtaining or attempting to obtain a license;

b. A crime that relates to the operation of a professional employer organization or the ability of the licensee or any officer or controlling person of the licensee to operate a professional employer organization;

c. A crime that relates to the classification, misclassification, or underreporting of employees required by State law;

d. A crime that relates to the establishment or maintenance of a self-insurance program, whether health insurance, workers' compensation insurance, or other insurance;

e. A crime that relates to fraud, deceit, or misconduct in the operation of a professional employer service; or

f. A crime that involves dishonesty or breach of trust.

(2) Engaging in professional employer services or offering to engage in the provision of professional employer services without a license.

(3) Failure to provide notice in writing of the discontinuance and replacement, if any, of any insurance coverage, to the Commissioner and client company within 10 business days of the discontinuance of any insurance coverage pursuant to G.S. 58-89-115.

(4) Failure to provide the notice required by G.S. 58-50-40.

(5) Failure to satisfy any of the requirements for licensure in this Article.

(b) For purposes of this section, a conviction includes an adjudication of guilt, a plea of guilty, and a plea of nolo contendere.

"**§ 58-89-160. Sanctions.**

(a) On a finding that a ground for disciplinary action exists under G.S. 58-89-155, the Commissioner may suspend or terminate a license, impose a civil penalty, and seek an order of restitution under G.S. 58-2-70.

(b) On termination of a license, the licensee shall immediately return the terminated license to the Commissioner.

(c) Any disciplinary action taken, any temporary or permanent termination of a license, or any determination that an officer or controlling person is unqualified shall be made by the Commissioner subject to Article 3A of Chapter 150B of the General Statutes.

"**§ 58-89-165. Injunctions; civil remedies; cease and desist orders.**

(a) In addition to the penalties and other enforcement provisions of this Article, if any person violates this Article or any rule implementing this Article, the Commissioner

may seek an injunction in a court of competent jurisdiction and may apply for temporary and permanent orders that the Commissioner determines are necessary to restrain the person from committing the violation.

(b) The Commissioner may issue, in accordance with G.S. 58-63-32, a cease and desist order upon a person that violates any provision of this Article, any rule or order adopted by the Commissioner, or any written agreement entered into with the Commissioner. The cease and desist order may be subject to judicial review under G.S. 58-63-35.

(c) When the Commissioner finds that an activity in violation of this Article presents an immediate danger to the public that requires an immediate final order, the Commissioner may issue an emergency cease and desist order reciting with particularity the facts underlying the findings. The emergency cease and desist order is effective immediately upon service of a copy of the order on the respondent and remains effective for 90 days. If the Commissioner begins nonemergency cease and desist proceedings, the emergency cease and desist order remains effective, absent an order by a court of competent jurisdiction in accordance with G.S. 58-63-35.

(d) In addition to the penalties and other enforcement provisions of this Article, any person who violates this Article is subject to G.S. 58-2-70.

(e) The Commissioner is not required to post a bond for injunctive relief under this section.

"**§ 58-89-170. Prohibited acts.**

No person shall do any of the following:

(1) Engage in or offer professional employer services without holding a license under this Article as a professional employer organization.

(2) Use the name or title "staff leasing company", "employee leasing company", "licensed staff leasing company", "staff leasing services company", "professional employer organization", or "administrative employer" or otherwise represent that the person is licensed under this Article unless the person holds a license issued under this Article.

(3) Represent as the person's own the license of another person or represent that a person is licensed if the person does not hold a license.

(4) Give materially false or forged evidence to the Commissioner in connection with obtaining or maintaining a license or in connection with disciplinary proceedings under this Article.

(5) Use or attempt to use a license that has been suspended or terminated.

"**§ 58-89-175. Criminal penalty.**

A person who violates G.S. 58-89-170 commits a Class H felony. Any officer or controlling person who willfully violates any provision of this Article may be subject to any and all criminal penalties available under State law."

SECTION 2. The Department of Insurance shall report to the 2005 General Assembly on the implementation, administration, and enforcement of Article 89 of Chapter 58 of the General Statutes, as enacted in Section 1 of this act. In its report, the Department shall recommend any statutory changes required to regulate professional employer organizations and enforce Article 89 of Chapter 58 of the General Statutes.

SECTION 3. A person registered to engage in and offer professional employer services in this State, pursuant to G.S. 58-89-15, on the last day prior to the effective date of this act may continue to operate pending approval of the person's application for a license as long as the application is filed with the Commissioner no later than April 1, 2005. If the application for licensure is denied, the person shall cease offering professional employer services in this State. A person not registered to engage in and offer professional employer services in this State, pursuant to G.S. 58-89-15, on the last day prior to the effective date of this act shall not engage in or offer professional employer services in this State until the person has been issued a license under this act.

SECTION 4. If any section or provision of this act is declared unconstitutional, preempted, or otherwise invalid by the courts, it does not affect the validity of the act as a whole or any part other than the part so declared to be unconstitutional, preempted, or otherwise invalid.

SECTION 5. This act becomes effective January 1, 2005, and applies to any contracts entered into, any business conducted, and any actions taken on or after that date.

SENATE BILL 20
Finance Committee Substitute Adopted 7/10/03

Short Title: Regulate Professional Employer Organization. (Public)

Sponsors:

Referred to:

February 10, 2003

A BILL TO BE ENTITLED

AN ACT TO REQUIRE LICENSURE OF PROFESSIONAL EMPLOYER ORGANIZATIONS.

The General Assembly of North Carolina enacts:

SECTION 1. Article 89 of Chapter 58 of the General Statutes is rewritten to read:

"Article 89.

"North Carolina Professional Employer Organization Act.

"Part 1. In General.

"**§ 58-89-1. Title.**

This Article shall be known and may be cited as the "North Carolina Professional Employer Organization Act".

"**§ 58-89-5. Definitions.**

In this Article:

(1) "Applicant" means a person applying for a license or a group license under this Article.

(2) "Assigned employee" means an employee who is performing services for a client company under a contract between a licensee and a client company in which employment responsibilities are shared or allocated. "Assigned employee" does not include a temporary employee. Individuals who are directors, shareholders, partners, and managers of a client company are assigned employees to the extent the licensee and the client have agreed that those individuals are assigned employees and provided that those individuals meet the criteria of this subdivision and act as operational managers or perform reviews for the client company.

(3) "Audited GAAP financial statement" means a financial statement that is audited by an independent certified public accountant and presented in accordance with generally accepted accounting principles.

(4) "Client company" means a person that contracts with a licensee and is assigned employees by the licensee under that contract.

(5) "Control", including the terms "controlling", "controlled by", and "under common control with" means the direct or indirect possession of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a commercial contract for goods or nonmanagement services, or otherwise. Control is presumed to exist if any natural person directly or indirectly owns, controls, holds with the power to vote, or holds proxies representing ten percent (10%) or more of the voting securities of any other person. This presumption may be rebutted by a showing made in the manner provided by rule of the Commissioner. The Commissioner may determine, after furnishing all persons in interest notice and opportunity to be heard and making specific findings of fact to support such determination, that control exists in fact, notwithstanding the absence of a presumption to that effect.

(6) "Financial responsibility" means the current and expected future condition of financial solvency sufficient to support a reasonable expectation that an applicant or licensee can successfully conduct its business without jeopardizing the interests of its assigned employees, client companies, or the public.

(7) "Good moral character" means a personal history of honesty, trustworthiness, fairness, a good reputation for fair dealings, and respect for the rights of others and for State and federal laws.

(8) "Hazardous financial condition" has the same meaning as in G.S. 58-47-60(9).

(9) "Licensee" means a person licensed under this Article to provide professional employer services. The term includes a professional employer organization group licensed under G.S. 58-89-35. Unless specifically stated otherwise in this Article, "licensee" includes persons who are licensed under this Article pursuant to alternative licensing procedures as set forth in G.S. 58-89-76.

(10) "Managed services" means services provided by an organization that is the sole employer of employees whom it supplies to staff and manage a specific portion of a company's workforce or a specific facility within a company on an ongoing basis. The managed services organization has responsibility for ensuring the capabilities and skills of the employees it supplies or provides, for all employer functions, for supervisory responsibility over the employees, and for management accountability of the facility or function.

(11) "PEO agreement" means a written contract by and between a client company and a professional employer organization that provides:

a. For the allocation and sharing between the client company and the licensee of the responsibilities of employers with respect to the assigned employees, including hiring, firing, and disciplining of employees; and

b. That the licensee and the client company assume the responsibilities required by this Article.

(12) "Person" has the same meaning as in G.S. 58-1-5(9).

(13) "Personnel placement service" means a service that offers job placement services in which the personnel placement service organization assists persons interested in finding a job with companies that are seeking employees. Companies that hire persons through a personnel placement service are the sole employers of the persons hired, and the personnel placement service does not have any responsibility as an employer.

(14) "Professional employer services" means an arrangement by which employees of a licensee are assigned to work at a client company and in which employment responsibilities are in fact shared by the licensee and the client company in accordance with G.S. 58-89-100, the employee's assignment is intended to be of a long-term or continuing nature, rather than temporary or seasonal in nature, and a majority of the workforce at a client company work site or a majority of the personnel of a specialized group within that workforce consists of assigned employees of the licensee. "Professional employer leasing services" does not include services that provide temporary employees or independent contractors, a personnel placement service, managed services, payroll services that do not involve employee staffing or leasing, the sharing of employees by commonly owned companies within the meaning of section 414(b) and (c) of the Internal Revenue Code of 1986, as amended, or similar groups that do not meet the requirements of this subdivision.

(15) "Professional employer organization" means a person that offers professional employer services and includes "staff leasing services companies", "employee leasing companies", "staff leasing companies", and "administrative employers" who offer or propose to offer professional employer services in this State.

(16) "Professional employer organization group" means a combination of professional employer organizations that operates under a group license issued under this Article.

(17) "Temporary employees" means persons employed under an arrangement by which an organization hires its own employees and assigns them to a client company to support or supplement the client's workforce in a special work situation, including:

a. An employee absence;

b. A temporary skill shortage;

c. A seasonal workload; or

d. A special assignment or project.

"**§ 58-89-10. North Carolina Professional Employer Organization Advisory Council.**

(a) There is created the North Carolina Professional Employer Organization Advisory Council to advise, consult with, and make recommendations to the Commissioner on the regulation of professional employer organizations, as requested by the Commissioner. The Council shall consist of 11 members as follows:

(1) The Commissioner of Insurance or the Commissioner's designee, ex officio.

(2) The Commissioner of Labor or the Commissioner's designee, ex officio.

(3) The Chair of the North Carolina Industrial Commission or the Chair's designee, ex officio.

(4) Two members appointed by the Governor, from a list of five persons recommended by the North Carolina Industrial Commission.

(5) Two members appointed by the Governor who are not involved directly or indirectly with the professional employer services industry.

(6) One member of the General Assembly, appointed by the General Assembly in accordance with G.S. 120-121, upon the recommendation of the President Pro Tempore of the Senate.

(7) One member appointed by the General Assembly, upon the recommendation of the President Pro Tempore of the Senate, who is a representative of the professional employer services industry and who is involved with a professional employer organization that has 3,000 or more assigned employees.

(8) One member of the General Assembly, appointed by the General Assembly in accordance with G.S. 120-121, upon the recommendation of the Speaker of the House of Representatives.

(9) One member appointed by the General Assembly, upon the recommendation of the Speaker of the House of Representatives, who is a representative of the professional employer services industry and who is involved with a professional employer organization that has less than 3,000 assigned employees.

Initial terms begin January 1, 2004.

(b) Other than the initial members of the Council, members of the Council shall serve three-year terms. Initial members of the Council shall serve staggered terms as follows:

(1) The following initial members shall serve terms of three years:

a. One member appointed by the Governor from the list recommended by the North Carolina Industrial Commission.

b. The member of the General Assembly appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate.

c. One member appointed by the Governor who is not directly involved with the professional employer services industry.

d. The member appointed by the General Assembly upon the recommendation of the House of Representatives who is involved with a professional employer organization.

(2) The following initial members shall serve terms of two years:

a. One member appointed by the Governor from the list recommended by the North Carolina Industrial Commission.

b. The member of the General Assembly appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives.

c. One member appointed by the Governor who is not directly or indirectly involved in the professional employer services industry.

d. The member appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate who is involved with a professional employer organization.

(c) The Commissioner of Insurance shall serve as chair of the Council and shall call all meetings of the Council.

(d) The Governor may remove any member of the Council appointed by the Governor for misconduct, incompetence, or neglect of duty. The General Assembly may remove any member appointed by it for the same reasons. The appointing authority making the original appointment shall appoint successors.

(e) All vacancies occurring on the Council shall be filled, for the unexpired term, by the appointing authority making the original appointment. Vacancies in appointments made by the General Assembly shall be filled in accordance with G.S. 120-122.

(f) The Department of Insurance shall furnish the Council with meeting space and clerical and other services required by the Council to conduct its business.

(g) The members of the Council shall not receive compensation or per diem for their service on the Council.

"**§ 58-89-15. Rules.**

(a) The Commissioner may adopt rules necessary to implement, administer, and enforce the provisions of this Article.

(b) Each licensee is subject to this Article and to the rules adopted by the Commissioner.

(c) Nothing in this Article preempts the existing statutory or rule-making authority of any other State agency or entity to regulate professional employer services in a manner consistent with the statutory authority of that State agency or entity.

"**§ 58-89-20. Interagency cooperation.**

A State agency, in performing duties under other law that affects the regulation of professional employer services, shall cooperate with the Commissioner as necessary to implement, administer, and enforce this Article.

"**§ 58-89-25. Effect of other law on client companies and assigned employees.**

(a) This Article does not exempt a client company of a licensee, or any assigned employee, from any other license requirements imposed under local, State, or federal law.

(b) An employee who is licensed, registered, or certified under law and who is assigned to a client company is considered to be an employee of the client company for the purpose of that license, registration, or certification.

(c) A licensee is not engaged in the unauthorized practice of an occupation, trade, or profession that is licensed, certified, or otherwise regulated by a State agency or other political subdivision of the State, including a county or city, by entering into a PEO agreement with a client company and assigned employees.

(d) With respect to a bid, contract, purchase order, program, or agreement entered into with the State or a political subdivision of the State, or State program or benefit otherwise available to a client company, a client company's status, certification, or qualification pursuant to the bid, contract, benefit, program, agreement, or State program shall not be affected because the client company has entered into an agreement with a licensee or utilizes the services of a licensee.

(e) Nothing in this Article or in any professional employer services contract shall affect, modify, or amend any collective bargaining agreement or the rights or obligations of any client company, professional employer organization, or any assigned employee under the National Labor Relations Act, 29 U.S.C. § 151, et seq.

"**§ 58-89-30. Other provisions of this Chapter.**

G.S. 58-2-45, 58-2-50, 58-2-55, 58-2-60, 58-2-65, 58-2-69, 58-2-70, 58-2-75, 58-2-100, 58-2-155, 58-2-163, 58-2-180, 58-2-185, 58-2-200, and 58-3-100 shall apply to persons licensed under this Article.

"Part 2. License Requirements and Limitations.

"**§ 58-89-35. License required; professional employer organization groups.**

(a) No person shall engage in or offer professional employer services in this State unless the person holds a license issued under this Article.

(b) Two or more professional employer organizations that are controlled by the same ultimate parent, entity, or persons may be licensed as a professional employer organization group. A professional employer organization group may satisfy the reporting and financial requirements of this Article on a consolidated basis. As a condition of licensure as a professional employer organization group, each professional employer organization that is a member of the group shall guarantee payment of all financial obligations of every other member.

"**§ 58-89-40. Qualifications for controlling person.**

(a) To be qualified to serve as a controlling person of a licensee under this Article, the controlling person shall be at least 18 years of age, be of good moral character, and have educational, managerial, or business experience relevant to:

(1) Operation of a professional employer organization; or

(2) Service as a controlling person of a professional employer organization.

(b) This section does not apply to persons who are licensed pursuant to the alternative licensing procedures set forth in G.S. 58-89-76 or to entities that are controlling persons.

"**§ 58-89-45. Reserved.**

"**§ 58-89-50. Surety bond; letter of credit.**

(a) An applicant for licensure shall acquire and maintain a surety bond for the benefit of the Commissioner in an amount of seventy-five thousand dollars ($75,000).

(b) The surety bond required by this section shall be in a form prescribed by the Commissioner and issued by an insurer authorized by the Commissioner to write surety business in this State.

(c) The surety bond required by this section may be exchanged or replaced with another surety bond that meets the requirements of this section if 90 days' advance written notice is provided to the Commissioner.

(d) A licensee shall not require a client company to contribute in any manner to the payment of the surety bond required by this section.

(e) Notice of cancellation or nonrenewal of the surety bond required by this section shall be provided to the Commissioner in writing at least 45 days before cancellation or nonrenewal.

(f) In lieu of the surety bond required by this section, an applicant may submit to the Commissioner an irrevocable letter of credit issued by a financial institution, the deposits of which are insured by the Federal Deposit Insurance Corporation, or may maintain on deposit with the Commissioner an amount equal to the amount required under subsection (a) of this section in cash or in value of securities of the kind specified in G.S. 58-5-20 and subject to the same conditions as the surety bond.

(g) This section does not apply to persons who are licensed pursuant to the alternative licensing procedures set forth in G.S. 58-89-76.

"**§ 58-89-55. Reserved.**

"**§ 58-89-60. License application.**

(a) Every applicant for licensure shall file with the Commissioner, on a form prescribed by the Commissioner, the following information:

(1) The name, organizational structure, and date of organization of the applicant, the addresses of the principal office and of all offices in this State, the name of the contact person, the type of operations within this State, and the taxpayer or employer identification number.

(2) A list by jurisdiction of each name under which the applicant has operated in the preceding five years, including any alternative names, names of predecessors, and, if known, names of successor business entities. The list required by this subdivision shall include the parent company name and any trade name, trademark, or service mark of the applicant.

(3) A list of all officers and controlling persons of the applicant, their biographical information, including their management background, and an affidavit from each attesting to his or her good moral character and management competence.

(4) The location of the business records of the applicant.

(5) An attestation, executed by the chief financial officer, the chief executive officer, and a controlling person of the applicant, that the licensee is current as of the date the application is submitted with respect to all of its obligations for payroll, payroll-related taxes, workers' compensation insurance, and employee benefits. If any such obligations are in dispute as of the date the application is submitted with a client company and the disputed amount is material when considered in the context of the applicant's most recent audited financial statement, then the applicant shall disclose the nature of the dispute causing the obligations to be unpaid and the amount of money in controversy.

(6) Any other information the Commissioner deems necessary and requires by rule to establish that the applicant and the officers and controlling persons are of good moral character, business integrity, and financial responsibility.

(b) Every applicant shall file with the Commissioner evidence of financial responsibility. Evidence of financial responsibility includes an audited GAAP financial statement, prepared as of a date not more than 90 days before the date of application that demonstrates that the applicant or licensee is not in a hazardous financial condition and attached to which is a separate document signed by the chief executive officer, the chief financial officer, and any other controlling person of the licensee certifying that (i) each has reviewed the financial statement; (ii) based on each signatory's knowledge, the financial statement does not contain any untrue or misleading statement of material fact or omit a fact with respect to the period covered by the financial statement; and (iii) based on each signatory's knowledge, the financial statement fairly presents in all material respects the financial condition of the licensee as of, and for, the period presented in the financial statement.

Notwithstanding the requirements of this subsection, the Commissioner may accept an audited GAAP financial statement that has been prepared more than 90 days before submission to the Commission if the Commissioner deems it appropriate and subject to conditions imposed by the Commissioner.

(c) Every applicant shall submit to the Commissioner the application fee pursuant to G.S. 58-89-65.

(d) Every applicant shall furnish the Commissioner a complete set of fingerprints and a recent passport-size, full-face photograph of each controlling person. Each controlling person's fingerprints shall be certified by an authorized law enforcement officer.

The Department of Justice may provide to the North Carolina Department of Insurance from the State and National Repositories of Criminal Histories the criminal history of any applicant for licensure as a professional employer organization under this Article. Along with the request, the Department shall provide to the Department of Justice the fingerprints of the applicant, a form signed by the applicant consenting to the criminal record check and use of fingerprints and other identifying information required

by the State and National Repositories, and any additional information required by the Department of Justice. The applicant's fingerprints shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation may forward a set of fingerprints to the Federal Bureau of Investigation for a national criminal history record check. The Department of Insurance shall keep all information obtained pursuant to this subsection confidential. The Department of Justice may charge a fee to offset the cost incurred by it to conduct a criminal record check under this section. The fee shall not exceed the actual cost of locating, editing, researching, and retrieving the information.

In the event that an applicant has secured a professional employer organization license in another state in which the professional employer organization's controlling persons have completed a criminal background investigation within 12 months of this application, a certified copy of the report from the appropriate authority of that state may satisfy the requirement of this subsection. This subsection also applies to a change in a controlling party of a professional employer organization. For purposes of investigation under this subsection, the Commissioner shall have all the power conferred by G.S. 58-2-50 and other applicable provisions of this Chapter.

(e) An application for licensure of a professional employer organization group shall contain the information and submissions required by this section for each member of the group.

(f) No application is complete until the Commissioner has received all information and submissions required under subsections (a) through (e) of this section. Subsections (a) through (e) of this section do not apply to persons who are licensed pursuant to the alternative licensing procedures set forth in G.S. 58-89-76.

(g) The Commissioner may deny the license of an applicant under this Article if, after notice to the applicant and an opportunity for a hearing, the Commissioner finds that a controlling person has:

(1) Made any untrue material statement regarding the background or experience of any controlling person;

(2) Violated, or failed to comply with, any professional employer services law or any rule or order of the Commissioner or of any other State official responsible for the regulation of professional employer services;

(3) Obtained or attempted to obtain the license through misrepresentation or fraud;

(4) Been convicted of a felony;

(5) Been found in a final judgment or administrative proceeding to have committed fraud or an unfair trade practice; or

(6) Been a controlling person in another professional employer organization that has had its license or registration suspended, terminated, or revoked by any state.

(h) If the Commissioner finds that the applicant has not fully met the requirements for licensure, the Commissioner shall refuse to issue the license and shall notify the applicant in writing of the denial, stating the grounds for the denial. The

application may also be denied for any reason for which a license may be suspended or terminated under G.S. 58-89-155. Within 30 days after service of the notification, the applicant may make a written demand upon the Commissioner for a review to determine the reasonableness of the Commissioner's action. The review shall be completed without undue delay, and the applicant shall be notified promptly in writing as to the outcome of the review. Within 30 days after service of the notification as to the outcome, the applicant may make a written demand upon the Commissioner for a hearing under Article 3A of Chapter 150B of the General Statutes if the applicant disagrees with the outcome.

(i) Removal, demotion, or discharge of a controlling person in response to an order of the Commissioner of the alleged unsuitability of that person is an affirmative defense to any claim by that individual based on the removal, demotion, or discharge.

(j) A controlling person who has been evaluated by the Commissioner under this Article is not required to be reevaluated if that person changes the person's affiliation or employment from one applicant or licensee to another applicant or licensee.

(k) After denial, suspension, or termination of a license, and before issuing a new license or reinstating a license, the Commissioner shall review and consider:

(1) The extent to which the applicant or licensee has adequately corrected any problems; and

(2) Whether the applicant or licensee has demonstrated that the applicant or licensee had exercised due diligence to avoid the reason or reasons for the denial or termination.

The applicant or licensee bears the burden of proof with respect to subdivisions (1) and (2) of this subsection.

"**§ 58-89-65. Fees.**

(a) Each applicant for a professional employer organization license or limited professional employer organization license shall pay to the Commissioner, before the issuance of the license, a nonrefundable application fee of one thousand dollars ($1,000).

(b) Each licensee shall pay to the Commissioner when filing the information required under G.S. 58-89-70(d) an annual filing fee of one thousand dollars ($1,000).

(c) Each applicant for alternative licensing under G.S. 58-89-76 and each applicant for renewal of a license provided under G.S. 58-89-76 shall pay to the Commissioner, before issuance or renewal of the license, a fee of five hundred dollars ($500.00).

(d) When the Commissioner finds that a licensee has committed an act that is a ground for disciplinary violation under G.S. 58-89-155 or that a licensee has committed a prohibited act in violation of G.S. 58-89-170, and such decision becomes final following the conclusion of all administrative or judicial proceedings, the Commissioner may charge an applicant or licensee reasonable fees to recover the Department's costs associated with investigations, inspections, examinations, and any other administrative or enforcement responsibilities created under this Article.

(e) Fees collected by the Commissioner under this Article shall be deposited in the Insurance Regulatory Fund under G.S. 58-6-25 and shall be used to implement this Article.

"**§ 58-89-70. License issuance and maintenance.**

(a) The Commissioner shall issue a license to an applicant whom the Commissioner determines has satisfied the requirements of this Article. The Commissioner shall notify an applicant of any deficiency in the application not later than the 60th day after the date on which the Commissioner receives the application. The Commissioner shall issue the license not later than the 90th day after the date on which the completed application is filed with the Commissioner.

(b) A license issued by the Commissioner under this Article shall remain in effect until revoked, suspended, surrendered, or otherwise terminated.

(c) By obtaining licensure under this Article, the controlling persons of a licensee certify, under penalty of law, their compliance with the requirements of licensure and of operation as a professional employer organization pursuant to this Article.

(d) Within 120 days after the end of each fiscal year, each licensee shall file with the Commissioner all of the following information:

(1) Evidence of "financial responsibility" as set forth in G.S. 58-89-60(b).

(2) Any information required by G.S. 58-89-60(a)(1), (2), (3), or (4) for which there has been a change since the last or initial filing. Any change of controlling persons may subject the licensee to a background investigation of those controlling persons as required by G.S. 58-89-60.

(3) Information required by G.S. 58-89-60(a)(6).

(4) The annual filing fee, pursuant to G.S. 58-89-65.

(5) Any other information the Commissioner determines is needed for the review of a licensee.

(e) In order to maintain licensure, each licensee may be required to file with the Commissioner no later than 45 days after the end of each quarter of the fiscal year:

(1) A financial statement for the preceding quarter that is not audited and is set forth in a format similar to the annual audited GAAP financial statement; and

(2) An attestation, executed by the chief financial officer, the chief executive officer, and a controlling person of the licensee, that the licensee is current with respect to all of its obligations for payroll, payroll-related taxes, workers' compensation insurance, and employee benefits. If any of the obligations listed in this subdivision are in dispute with a client and the disputed amount is material when considered in the context of the licensee's most recent audited financial statement, then the licensee shall disclose the nature of the dispute causing the obligations to be unpaid and the amount of money in controversy.

"**§ 58-89-75. Limited license.**

The Commissioner by rule shall provide for the issuance of a limited license to a person who seeks to offer limited professional employer services in this State.

"**§ 58-89-76. Alternative licensing.**

The Commissioner, by rule, may provide for the acceptance of an affidavit by a bonded, independent, and qualified assurance organization that has been approved by the Commissioner certifying the qualifications of a professional employer organization for licensing under this Article in lieu of the requirements of G.S. 58-89-40 through G.S. 58-89-60.

"**§ 58-89-80. License not assignable; change of name or location.**

(a) A licensee shall not conduct business under any name other than that specified in the license. A license issued under this Article is not assignable. A licensee shall not conduct business under any fictitious or assumed name without prior written authorization from the Commissioner. The Commissioner shall not authorize the use of a name that is so similar to that of a public office or agency or to that of another licensee that the public may be confused or misled by the name's use. A licensee shall not conduct business under more than one name unless the licensee has obtained a separate license for each name or the licensee is operating under a group license pursuant to G.S. 58-89-35.

(b) Except as provided in this subsection, a licensee may change the licensee's licensed name only once in a calendar year by notifying the Commissioner and paying a fee for the change of name. The fee for a name change shall be fifty dollars ($50.00). A licensee may change the licensee's name without the payment of the name change fee if the name change is submitted with the information required by G.S. 58-89-70(d). If a licensee has changed its name once during a calendar year, the licensee shall not change its name again unless the name change is approved by the Commissioner.

(c) A licensee shall notify the Commissioner in writing within 30 days of any change in the status of the licensee, including:

(1) Any change in the location of the licensee's primary business office;

(2) The addition of more business offices; or

(3) A change in the location of business records maintained by the licensee.

(d) A licensee may advertise in this State using only the name that is on the license issued by the Commissioner.

(e) Each written proposal provided to a prospective client company and each PEO agreement between a licensee and a client company or assigned employee shall clearly identify the name of the licensee.

"**§ 58-89-85. Supervision; rehabilitation; liquidation.**

If at any time the Commissioner determines, after notice and an opportunity for the licensee to be heard, that a licensee (i) has been or will be unable, in such a manner as may endanger the ability of the licensee, to fully perform its obligations pursuant to this Article or (ii) is bankrupt or in a hazardous financial condition, the Commissioner may either (i) commence a supervision proceeding pursuant to Article 30 of this Chapter or (ii) apply to the Superior Court of Wake County or to the federal bankruptcy court that

has previously taken jurisdiction over the licensee, if applicable, for an order directing the Commissioner or authorizing the Commissioner to rehabilitate or to liquidate a licensee in accordance with Article 30 of this Chapter.

"**§ 58-89-90. Reserved.**

"Part 3. Licensee Duties and Responsibilities.

"**§ 58-89-95. Agreement; notice.**

(a) A licensee shall establish the terms of a PEO agreement by a written contract between the licensee and the client company.

(b) The licensee shall give written notice of the agreement, by agreement or otherwise, as it affects assigned employees to each employee assigned to a client company work site. This written notice shall be given to each assigned employee not later than the first payday after the date on which that individual becomes an assigned employee.

(c) The licensee shall give each employee written notice when the employee ceases to be an employee of the licensee.

"**§ 58-89-100. Contract requirements.**

A contract between a licensee and a client company shall provide:

(1) That the licensee reserves a right of direction and control over employees assigned to a client company's work sites. However, a client company may retain such sufficient direction and control over the assigned employees as is necessary to conduct the client company's business and without which the client company would be unable to conduct its business, to discharge any fiduciary responsibility that it may have, or to comply with any applicable licensure, regulatory, or statutory requirement of the client company. The PEO agreement shall provide that employment responsibilities not allocated to the licensee by the PEO agreement or this section remain with the client company.

(2) That the licensee assumes responsibility for the payment of wages to the assigned employees as agreed to in the PEO agreement.

(3) That the licensee assumes responsibility for the payment of payroll taxes and collection of taxes from payroll on assigned employees.

(4) That the licensee reserves a right to hire, fire, and discipline the assigned employees.

(5) That the licensee retains a right of direction and control over the adoption of employment policies and the management of workers' compensation claims, claim filings, and related procedures in accordance with applicable federal laws and the laws of this State.

(6) That responsibility to obtain workers' compensation coverage for assigned employees, from an entity authorized to do business in this State and otherwise in compliance with all applicable requirements, shall be specifically allocated in the PEO agreement to either the client company or the licensee. If the responsibility is allocated to the licensee under any such agreement, that agreement shall require that the licensee maintain and provide to the client company, at the

termination of the agreement if requested by the client company, records regarding the loss experience related to workers' compensation insurance provided to assigned employees pursuant to the agreement.

"**§ 58-89-105. Employee benefit plans; required disclosure; other reports.**

(a) A licensee may sponsor and maintain employee benefit plans for the benefit of assigned employees.

(b) A client company may sponsor and maintain employee benefit plans for the benefit of assigned employees.

(c) If a licensee offers to its assigned employees any health benefit plan that is not fully insured by an authorized insurer, the plan shall:

(1) Utilize a third-party administrator licensed or registered to do business in this State;

(2) Hold all plan assets, including participant contributions, in a trust account; and

(3) Provide sound reserves for the plan as determined using generally accepted actuarial standards.

(d) For purposes of this section, a "plan of self-insurance" includes any arrangement except an arrangement under which an insurance company licensed to write insurance in this State has issued an insurance policy that covers all of the obligations of the health benefit plan.

"**§ 58-89-110. Workers' compensation insurance.**

(a) A licensee or the licensee's client company shall provide workers' compensation insurance coverage through a licensed insurance carrier or a licensed self-insurance plan for the licensee's assigned employees as provided in Chapter 97 of the General Statutes, the Workers' Compensation Act. To the extent that the licensee secures and maintains workers' compensation coverage for assigned employees, the carrier may elect to provide such coverage to the licensee pursuant to either the multiple coordinated policy method, as set forth in subsection (b) of this section, or the single policy method, as set forth in subsection (c) of this section.

(b) If the licensee provides workers' compensation coverage pursuant to the multiple coordinated policy method, the licensee shall secure a separate policy for each client company of the licensee. Each policy shall identify the name of the client company and the licensee. The licensee shall be named as the insured and identify the client company. The licensee shall specify that it is the labor contractor for the client company by using the designation "L/C/F" on the policy.

Each policy shall expire on the same date. The policy shall not include coverage for nonleased employees of the client company or employees solely employed by the licensee. Only the licensee, as the first-named insured under such a policy, may request the insurer to cancel the policy. Each policy shall be sent to the licensee as the named insured.

The client company of a licensee shall have a continuing obligation to provide coverage as required by Chapter 97 of the General Statutes, the Workers' Compensation Act, for any employees of the client company who are not assigned employees and not otherwise covered under a policy described in this subsection.

If a client company of a licensee leases employees from more than one licensee, there shall be a separate policy for the assigned employees of each licensee.

The workers' compensation carrier also shall issue a policy covering the internal employees of the licensee unless they are otherwise covered.

All policies written in accordance with this subsection by the same insurance carrier that reference the same licensee as labor contractor shall be combined for premium discount purposes.

When policies written in accordance with this subsection are written by the same insurance carrier, the carrier and licensee may agree to a retrospective rating program or any other permitted pricing program.

Whenever a policy written in accordance with this subsection is cancelled, the insurance company writing the policy shall provide individual notices of cancellation as required by this Chapter to the licensee and the client company of the licensee.

(c) If the licensee provides workers' compensation coverage pursuant to the single policy method, the insurer shall issue to the licensee a single policy covering all assigned employees in this State in accordance with Chapter 97 of the General Statutes, the Workers' Compensation Act, and any other applicable laws or rating plans of this State.

As a condition of issuing a single policy, the licensee shall provide to the insurer of the policy all of the following information regarding each client company of the licensee with assigned employees in this State:

(1) The correct legal name, any fictitious names, and the federal identification number.

(2) The name and address of the president and chief executive officer.

(3) The business mailing address.

(4) The business telephone number and facsimile number.

The licensee shall also provide to the insurer the name and address of the insurance agent or broker responsible for securing the policy of insurance on behalf of the licensee.

The insurer shall issue to each client company of the licensee a certificate of insurance on the single policy. The certificate of insurance shall require that the insurer provide notice of cancellation to the licensee and the client company of the licensee.

Whenever a policy written in accordance with this subsection is cancelled, the insurance company writing the policy shall provide individual notices of cancellation as required by this Chapter to the licensee and the client company of the licensee.

If the insurer fails to provide individual notices of cancellation to the licensee and the client company, the insurer shall remain liable on the risk for losses incurred by the client company that would have been covered by the workers' compensation policy prior to the attempted cancellation.

(d) A license shall not be issued to any professional employer organization unless the organization first files with the Commissioner evidence of workers' compensation coverage for all assigned employees in this State, including those leased from or coemployed with another person, and that the premium paid by the licensee is

commensurate with exposure and anticipated claim experience for all employees covered under policies in the name of the licensee.

(e) Each licensee shall maintain and make available to its workers' compensation carrier on an annual basis the following information:

(1) The correct name and federal identification number of each client company.

(2) A listing of all covered employees provided to each client company, by classification code.

(3) The total eligible wages, by classification code, and the premiums due to the carrier for the employees provided to each client company.

(4) Sufficient information to permit the calculation of an experience modification factor for each client company upon termination of the professional employer relationship. Information accruing during the term of the leasing arrangement that is used to calculate an experience modification factor for a client company upon termination of the leasing relationship shall continue to be used in the future experience ratings of the licensee.

(f) Every Form 19 "Employer's Report of Employee's Injury or Occupational Disease to the Industrial Commission" filed with the Industrial Commission shall identify by name and address both the licensee and the client company employing the employee who is the subject of the Form 19.

(g) A licensee shall, within 30 days of initiation or termination of the licensee's relationship with any client company, notify its workers' compensation carrier, the Commissioner, and the North Carolina Industrial Commission of both the initiation and termination of the relationship. If the client company terminates the relationship between the licensee and the client company, the notice required by this subsection shall be given within 10 days of the licensee's actual knowledge of the termination.

(h) If the professional employer services arrangement with a client company is terminated, the client company shall be assigned an experience modification factor that reflects its experience during the experience period specified by the approved experience rating plan, including, if applicable, experience incurred for assigned employees under the PEO agreement.

(i) A client company shall not enter into a PEO agreement or be eligible for workers' compensation coverage in the voluntary market if the client-workers' company owes its current or prior carrier any premium for workers' compensation insurance, or if the client company owes its current or prior professional employer organization amounts due under the PEO agreement, except for premiums or amounts due that are subject to dispute. For the purposes of this section and compliance with other laws and rules, a licensee may rely on a statement by the client company that the client company has met any and all prior premium or fee obligations, unless the licensee has actual knowledge to the contrary.

(j) This section shall not prevent a client company of a licensee from providing workers' compensation insurance coverage for assigned employees coemployed by the

client company and the licensee through a policy of insurance issued by a licensed insurance carrier in the name of the client company as the insured.

(k) Irrespective of whether the licensee or client company maintains the policy of workers' compensation insurance for the covered employees pursuant to the PEO agreement, the licensee and the client company shall be entitled to the exclusivity of the remedy under both the workers' compensation and the employer liability provision of the workers' compensation policy or plan that either party has secured and shall both be afforded the protections provided under Chapter 97 of the General Statutes. The licensee shall be entitled, along with the client company, to the exclusivity of the remedy under both the workers' compensation and employers' liability provision of the workers' compensation policy or plan that either party has secured.

(l) All assigned risk policies for client companies of the same licensee shall be assigned to one workers' compensation carrier in the State and in other states to the extent possible.

"**§ 58-89-112. Liabilities.**

Subject to any contrary provisions thereof, the PEO agreement shall be interpreted for purposes of insurance, bonding, and employer's liability as follows:

(1) A licensee is not liable for the acts, errors, or omissions of a client company or of any assigned employee or for the quality, adequacy, or safety of the goods or services produced or sold in the client company's business. A client company is not liable for the acts, errors, or omissions of a licensee or of any employee of a licensee. Nothing in this section limits any contractual liability between a licensee and the client company or limits any liability or responsibility under this Article.

(2) Employees assigned to a client company by a licensee are the employees of the client company for the purposes of general liability insurance, automobile insurance, fidelity bonds, surety bonds, and liquor liability insurance carried by the client company unless the employees are included by specific reference in the applicable PEO agreement, insurance contract, or bond.

"**§ 58-89-115. Benefit plan notice.**

(a) With respect to any insurance or benefit plan provided by a licensee for the benefit of its assigned employees, a licensee shall disclose all of the following information to the Commissioner and each client company:

(1) The type of coverage.

(2) The identity of each insurer for each type of coverage.

(3) The amount of benefits provided for each type of coverage and to whom or on whose behalf benefits are to be paid.

(4) The policy limits on each insurance policy.

(5) Whether the coverage is fully insured, partially insured, or fully self-funded.

(b) With respect to any insurance or benefit plan provided by a licensee for the benefit of its assigned employees, a licensee shall provide to the insurer the name and

address of the insurance agent or broker responsible for securing the policy of insurance on behalf of the licensee.

(c) Whenever any insurance policy or benefit plan is cancelled, the insurance company writing the policy shall provide a notice of cancellation as required by this Chapter.

(d) The licensee shall notify the client company and the Commissioner in writing about a discontinuance and replacement, if any, of any health plan or workers' compensation insurance coverage no later than 10 business days after the discontinuance.

(e) The Commissioner by rule may require a licensee to file other reports that are reasonably necessary for the administration and enforcement of this Article.

"**§ 58-89-120. Unemployment taxes; payroll.**

A licensee is the employer of an assigned employee for purposes of Chapters 95 and 96 of the General Statutes. The Employment Security Commission shall cooperate with the Commissioner in the investigation of applicants and licensees and shall provide the Commissioner with access to all relevant records and data in the custody of the Employment Security Commission.

"**§ 58-89-125. Posting requirements.**

(a) Each licensee shall post the license issued under this Article in a conspicuous place in the licensee's principal place of business in this State.

(b) Each licensee shall display, in a place that is in clear and unobstructed public view, a notice stating that the business operated at the location is licensed and regulated by the Commissioner and that any questions or complaints may be directed to the Commissioner.

"**§ 58-89-130. Contractual duties.**

Each licensee is responsible for the licensee's contractual duties and responsibilities to manage, maintain, collect, and make timely payments for all of the following:

(1) Insurance premiums.

(2) Benefit and welfare plans.

(3) Other employee withholding.

(4) Any other expressed responsibility that is within the scope of the PEO agreement and that fulfills the duties imposed under this Article.

"**§ 58-89-135. Compliance with other laws.**

Each licensee shall comply with all appropriate State and federal laws relating to reporting, sponsoring, filing, and maintaining benefit and welfare plans.

"**§ 58-89-140. Required information.**

Each licensee shall:

(1) Maintain adequate books and records regarding the licensee's duties and responsibilities, including accounting and employment records relating to all PEO agreement activities, for a minimum of three years.

(2) Maintain and make available at all times to the Commissioner the following information, which shall be treated as proprietary and confidential and which is exempt from disclosure to persons other than

other governmental agencies that have a reasonable, legitimate purpose for obtaining the information:

a. The correct name, address, and telephone number of each client company.

b. Each client company contract or PEO agreement.

c. A listing of each client company by classification code as described in the "Standard Industrial Classification Manual" published by the United States Office of Management and Budget.

"**§ 58-89-145. Examinations.**

(a) The Commissioner may conduct an examination of a licensee as often as the Commissioner considers appropriate.

(b) An examination under this Article shall be conducted in accordance with the Examination Law of this Chapter, G.S. 58-2-131 through G.S. 58-2-134.

(c) In lieu of an examination of any foreign or alien person licensed under this Article, the Commissioner may accept an examination report on the licensee prepared by the appropriate regulator for the licensee's state of domicile.

(d) When making an examination under this Article, the Commissioner may retain attorneys, appraisers, independent actuaries, independent certified public accountants, or other professionals and specialists as examiners, the reasonable cost of which shall be borne by the licensee that is the subject of the examination.

"**§ 58-89-150. Agent for service of process.**

Each resident licensee shall maintain a registered agent for the service of process in this State. The Commissioner shall be each nonresident licensee's agent for service of process as provided in Article 16 of this Chapter.

"Part 4. Penalties and Sanctions.

"**§ 58-89-155. Grounds for disciplinary action.**

(a) The Commissioner may take disciplinary action against a licensee on any of the following grounds:

(1) Being convicted or having an officer or controlling person of the licensee convicted of:

a. Bribery, fraud, or intentional or material misrepresentation in obtaining or attempting to obtain a license;

b. A crime that relates to the operation of a professional employer organization or the ability of the licensee or any officer or controlling person of the licensee to operate a professional employer organization;

c. A crime that relates to the classification, misclassification, or underreporting of employees required by State law;

d. A crime that relates to the establishment or maintenance of a self-insurance program, whether health insurance, workers' compensation insurance, or other insurance;

e. A crime that relates to fraud, deceit, or misconduct in the operation of a professional employer service; or

f. A crime that involves dishonesty or breach of trust.

(2) Engaging in professional employer services or offering to engage in the provision of professional employer services without a license.

(3) Failure to provide notice in writing of the discontinuance and replacement, if any, of any insurance coverage, to the Commissioner and client company within 10 business days of the discontinuance of any insurance coverage pursuant to G.S. 58-89-115.

(4) Failure to provide the notice required by G.S. 58-50-40.

(5) Failure to satisfy any of the requirements for licensure in this Article.

(b) For purposes of this section, a conviction includes an adjudication of guilt, a plea of guilty, and a plea of nolo contendere.

"**§ 58-89-160. Sanctions.**

(a) On a finding that a ground for disciplinary action exists under G.S. 58-89-155, the Commissioner may suspend or terminate a license, impose a civil penalty, and seek an order of restitution under G.S. 58-2-70.

(b) On termination of a license, the licensee shall immediately return the terminated license to the Commissioner.

(c) Any disciplinary action taken, any temporary or permanent termination of a license, or any determination that an officer or controlling person is unqualified shall be made by the Commissioner subject to Article 3A of Chapter 150B of the General Statutes.

"**§ 58-89-165. Injunctions; civil remedies; cease and desist orders.**

(a) In addition to the penalties and other enforcement provisions of this Article, if any person violates this Article or any rule implementing this Article, the Commissioner may seek an injunction in a court of competent jurisdiction and may apply for temporary and permanent orders that the Commissioner determines are necessary to restrain the person from committing the violation.

(b) Any person damaged by the acts of a person in violation of this Article may bring a civil action against the person committing the violation in a court of competent jurisdiction.

(c) The Commissioner may issue, in accordance with G.S. 58-63-32, a cease and desist order upon a person that violates any provision of this Article, any rule or order adopted by the Commissioner, or any written agreement entered into with the Commissioner. The cease and desist order may be subject to judicial review under G.S. 58-63-35.

(d) When the Commissioner finds that an activity in violation of this Article presents an immediate danger to the public that requires an immediate final order, the Commissioner may issue an emergency cease and desist order reciting with particularity the facts underlying the findings. The emergency cease and desist order is effective immediately upon service of a copy of the order on the respondent and remains effective for 90 days. If the Commissioner begins nonemergency cease and desist proceedings, the emergency cease and desist order remains effective, absent an order by a court of competent jurisdiction in accordance with G.S. 58-63-35.

(e) In addition to the penalties and other enforcement provisions of this Article, any person who violates this Article is subject to G.S. 58-2-70.

(f) The Commissioner is not required to post a bond for injunctive relief under this section.

"**§ 58-89-170. Prohibited acts.**

No person shall do any of the following:

(1) Engage in or offer professional employer services without holding a license under this Article as a professional employer organization.

(2) Use the name or title "staff leasing company", "employee leasing company", "licensed staff leasing company", "staff leasing services company", "professional employer organization", or "administrative employer" or otherwise represent that the person is licensed under this Article unless the person holds a license issued under this Article.

(3) Represent as the person's own the license of another person or represent that a person is licensed if the person does not hold a license.

(4) Give materially false or forged evidence to the Commissioner in connection with obtaining a license or in connection with disciplinary proceedings under this Article.

(5) Use or attempt to use a license that has been suspended or terminated.

"**§ 58-89-175. Criminal penalty.**

A person who violates G.S. 58-89-170 commits a Class H felony. Any officer or controlling person who willfully violates any provision of this Article may be subject to any and all criminal penalties available under State law."

SECTION 2. The Department of Insurance shall report to the 2005 General Assembly on the implementation, administration, and enforcement of Article 89 of Chapter 58 of the General Statutes, as enacted in Section 1 of this act. In its report, the Department shall recommend any statutory changes required to regulate professional employer organizations and enforce Article 89 of Chapter 58 of the General Statutes.

SECTION 3. Each professional employer organization operating within this State as of January 1, 2004, shall complete its initial licensing not later than 180 days after January 1, 2004. Each professional employer organization not operating within this State as of January 1, 2004, shall complete its initial licensing prior to commencement of operations within this State.

SECTION 4. If any section or provision of this act is declared unconstitutional, preempted, or otherwise invalid by the courts, it does not affect the validity of the act as a whole or any part other than the part so declared to be unconstitutional, preempted, or otherwise invalid.

SECTION 5. This act becomes effective January 1, 2004, and applies to any contracts entered into, any business conducted, and any actions taken on or after that date.

SENATE BILL 20:
Regulate Professional Employer Organization

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	Sen. Bingham
Date:	June 22, 2004	**Analysis by:**	Martha Walston, committee counsel and Frank Folger, Department of Insurance
Version:	S20-CSLAf-66[v.4]		

SUMMARY: Senate Bill 20 is intended to enhance the regulatory oversight of professional employer organizations (PEOs). If enacted, the bill would supplant the current registration scheme found in Article 89 of Chapter 58 (G.S. 58-89-1 through 58-89-30). The bill is in House Finance because it imposes fees.

BACKGROUND: The professional employer organization industry is known as an employee leasing industry. A PEO establishes a contractual relationship with a client company. Under the contract, a co-employment relationship is created between the client company, the PEO, and the employees of the client company. The PEO becomes the employer of the client company's employees and assumes the obligations related to human resources, workers' compensation, payroll, labor law compliance, employment taxes and employment benefits as provided in the contract. Currently, seventeen states, including North Carolina, provide some form of licensing, registration, or regulation for PEO's.

In 1002, the General Assembly enacted SB 1281 (S.L. 2002-168) which requires PEOs to register with the Department of Insurance. The registration consists of the completion of an application and payment of a one-time fee of $250. A person cannot perform professional employer services without being registered with the Department. A person who violates the registration requirement may be subjected to a Class H felony.

BILL ANALYSIS (provided by Frank Folger with the Department of Insurance):
The following is a section-by-section summary, and within that a statute-by-statute summary, of SB 20:

SECTION 1. Includes the entire newly-created statutory structure for licensing and regulation of PEOs as a rewrite of Article 89. It restructures the Article into four (4) parts.

Part 1. In General

§58-89-1. States the title of the Act.

§58-89-5. Creates new definitions in addition to existing definitions.

§58-89-10. Establishes an 11-member council, chaired by the Commissioner of Insurance, to advise, consult and make recommendations to the Commissioner on the regulation of PEOs.

§58-89-15 Grants the Commissioner rulemaking authority to carry out the Article's provisions and subjects PEOs to the Article and rules adopted thereunder.

§58-89-20. Requires interagency cooperation in the regulation of PEOs.

§58-89-25. Clarifies that the Article does not exempt any client company or any assigned employee from any other license requirement. An assigned employee who is licensed, certified or registered is considered an employee of the client company for purposes of the license, certification, or registration. The existence of a PEO agreement does not affect or alter the client company's contractual abilities and relationship with the State or any other entity or any other labor related rights, obligations or agreements..

§58-89-30. Sets forth the Chapter 58 statutes applicable to PEOs.

§58-89-31. Provides that a client is entitled to the benefit of any tax credit, economic incentive, or other benefit arising as the result of employment of covered employees of the client.

Part 2. License Requirements and Limitations

§58-89-35. Requires licensure of any person providing professional employer services in this State, and authorizes the licensure of PEO groups.

§58-89-40. Requires each controlling person be 18; be of good moral character; and have the requisite education or experience to operate or serve as a controlling person of a PEO. Exempts alternative licensees from this statute.

§58-89-50. Requires each applicant for licensure to file a $100,000 (was $75,000 in Senate version) surety bond with the Commissioner or submit an irrevocable letter of credit to or deposit cash or securities with the Commissioner in the same amount. Exempts alternative licensees from this statute.

§58-89-60. Sets forth what must be submitted in the application for licensure, including attestation by the CFO and CEO that the applicant for licensure is current in all its obligations for payroll, payroll-related taxes, workers' compensation insurance, and employee benefits; evidence of financial responsibility, an application fee of $500 for alternative licensing and $1000 for all others; and fingerprints and photos for officers, directors and controlling persons. Application for a PEO group must contain required submissions and information for each member of the group. Alternative licensees are exempt from this statute. Also sets forth the specific grounds for which and administrative procedures by which the Commissioner may deny an applicant licensure, including any reason which is grounds for suspending or terminating an existing license pursuant to G.S. 58-89-155.

§58-89-65 Requires an annual license continuation fee of $500 for alternative licensees (pursuant to G.S. 58-89-70) and $1000 for all other licensees; and allows the Department to charge a licensee for reasonable fees and costs incurred in investigating, inspecting, examining and enforcing the Article when ruling of a violation of the Article by the licensee is final.

§58-89-70. Sets forth procedural requirements governing licensure and maintenance of a license.

§58-89-75. Requires the Commissioner adopt rules for limited licensure.

§58-89-76. Authorizes the Commissioner to adopt rules for accepting an affidavit by a qualified assurance organization approved by the Commissioner certifying qualifications of a PEO for

licensure in lieu of compliance with the general requirements for licensure under 58-89-40 through 58-89-60.

§58-89-80. Prohibits the misleading use of names by a licensee; limits licensee name changes; requires notice of change in business office and business record locations; and prohibits the misleading use of names in advertising.

§58-89-85. Authorizes the Commissioner upon the requisite determination to commence a supervision proceeding or seek an order to rehabilitate or liquidate a licensee.

Part 3. Licensee Duties and Responsibilities

§58-89-95. Provides that terms of a PEO agreement must be in writing and that the licensee give written notice of the agreement as it affects assigned employees to each employee assigned to a client company work site no later than the first payday after the date the individual became an assigned employee.

§58-89-100. Sets forth the required provisions of the contract between the PEO and the client company, including the PEOs responsibility regarding payment of wages, payment of payroll taxes, collection of taxes from payroll, and the specific allocation or designation of responsibility to obtain workers compensation coverage from an entity authorized to do business in this State.

§58-89-105. Authorizes a licensed PEO and client company, each, to sponsor and maintain employee benefit plans for assigned employees and requires any health benefit plan not fully insured by an authorized insurer, be administered by a TPA licensed or registered to do business in N.C., all plan assets be held in a trust account, and actuarially sound reserves be provided for the plan.

§58-89-110. Requires that either the licensed PEO or the client company provide workers comp insurance coverage through a licensed insurer or as a licensed self-insurer and, in the case of the licensed PEO providing coverage, allows the use of either a multiple coordinated policy method or a single policy method of coverage. This statute sets forth the requirements when using each type of methodology.

§58-89-112. Provides for default allocation of liability, subject to contrary contractual provisions and dictates the default rule for who's covered under certain liability insurance and bonds.

§58-89-115. Sets forth insurance and health benefit plans disclosures that must be made by the PEO to the Commissioner and each client company. Also sets forth cancellation notice requirements and related matters.

§58-89-120. Establishes the licensed PEO as the employer for purposes of Chapters 95 and 96 of the General Statutes and requires ESC cooperation in investigating applicants and licensees.

§58-89-125. Requires each licensee to post its license in a conspicuous place in its principal place of business and notice in each client company that the location is licensed by the Commissioner, with contact information.

§58-89-130. Requires each licensee to manage, maintain, collect and make timely payments for all its contractual responsibilities and statutory duties.

§58-89-135. Requires licensee compliance with all appropriate State and federal laws for reporting, sponsoring, filing, and maintaining benefit/welfare plans.

§58-89-140. Requires each licensee maintain adequate business records regarding its duties and responsibilities for at least 3 years and maintain and make available to the Commissioner at all times client company contact information, PEO agreements, and a listing of each client company by classification code

§58-89-145. Authorizes the Commissioner to examine any licensee, in accordance with the Examination Law (G.S. 58-2-131 through 58-2-134) and to accept a foreign examination report in lieu of conducting an in-State examination.

§58-89-150. Requires each licensee maintain a N.C. registered agent for service of process but makes the Commissioner the agent for nonresidents.

Part 4. Penalties and Sanctions

§58-89-155. Authorizes the Commissioner to take disciplinary action against a PEO for grounds including: convictions for certain crimes by its controlling persons, acting as an unlicensed PEO; and failure to meet notice requirements.

§58-89-160. Authorizes the Commissioner, upon the requisite determination, to suspend or terminate the license, impose a civil penalty, seek an order of restitution under 58-2-70, or utilize any combination of sanctions against a PEO.

§58-89-165. Authorizes the Commissioner to seek injunctive relief against any person violating the Article or any rule implementing the Article; issue a cease and desist order against a violator of the Article, applicable rule or order; issue an emergency cease and desist order when the violation presents an immediate danger to the public. Any violator is subject to enforcement provisions of 58-2-70.

§58-89-170. Prohibits any person from acting as a PEO without a license; any PEO from misrepresenting itself; or any PEO from providing false or forged evidence in connection with licensure; or any PEO from using a terminated or suspended license.

§58-89-175. Subjects violators of 58-89-170 to a Class H felony criminal penalty and specifies that any officer or controlling person willfully violating any Article provision may be subject to any and all criminal penalties available under State law.

SECTION 2. Requires the Dept. of Insurance to report to the 2005 General Assembly on the implementation, administration, and enforcement of the newly rewritten Article in Section 1 of the bill and recommend any statutory changes needed to regulate PEOs and enforce the Article.

SECTION 3. Allows for continued operation for PEOs registered as of the effective date of the act pending approval of the application if the application for licensure is filed by April 1, 2005.

SECTION 4. Is a severability clause provision.

SECTION 5. Makes the act effective January 1, 2005 and applicable to contracts entered into, any business conducted, and any actions taken on or after that date.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Departments of Insurance, Justice and Correction; Administrative Office of the Courts (AOC); Employment Security Commission

EFFECTIVE DATE: This act becomes effective January 1, 2005.

BILL SUMMARY: Senate Bill 20 would require Professional Employer Organizations (PEO's) to be licensed in order to do business in this State. The PCS changes the effective date from January 1, 2004 to January 1, 2005. In 2002, the General Assembly enacted SB 1281 [S.L. 2002-168] which requires PEO's to register with the Department of Insurance. The registration consists of the completion of an application and payment of a one-time fee of $250.00. A person cannot perform professional employer services without being registered with the Department. A person who violates the registration requirement may be subjected to a Class H felony. Senate Bill 20 imposes additional requirements on PEO's and gives the Department of Insurance disciplinary authority over licensees.

ASSUMPTIONS AND METHODOLOGY:

Insurance Regulatory Fund Revenue: This bill would require PEO's to apply for licensure and to submit a $1,000 application fee that will be deposited into the Insurance Regulatory Fund. Each licensed PEO would also be required to apply for license renewal and to submit a $1,000 renewal fee, also to be deposited into the Insurance Regulatory Fund. Currently, there are 11 registered PEO groups with 49 member companies, 84 individually registered PEO's, and 4 PEO's with pending registrations. Thus, the revenue from the application fee for the 99 (11 groups + 84 individuals + 4 pending) is expected to be $99,000 annually. The Department expects that there will be some growth in the number of licensed PEO's. However, at this time, there is not sufficient data or experience on which to estimate what that growth will be.

Department of Insurance Expenditures: Senate Bill 20 requires the Department of Insurance to administer the licensing laws for PEO's. The Commissioner of Insurance would have the authority to adopt rules necessary to administer the licensing laws and to take appropriate disciplinary actions. The Commissioner would also serve as the chair of the North Carolina Professional Employer Organization Advisory Council and the Department would provide meeting space and clerical and other services required by the Council to conduct its business.

The Department will be responsible for monitoring and regulating PEO's to ensure their compliance with the licensing laws similarly to the manner in which it currently provides oversight and regulation of insurance companies and continuing care entities. These responsibilities will include financial regulation such as reviewing and evaluating applications for initial license, reviewing annual financial statements, and making recommendations about additional financial oversight in the event of financial problems. Non-financial regulation of PEO'S involves the prompt and thorough investigation of

questionable insurance activities regarding unauthorized/unapproved insurance products offered to the public. Currently, there are 11 registered PEO groups, 84 registered PEO's and 4 pending registrations.

The Department estimates that the fiscal impact of administering the licensing laws and regulating the PEO's is $197,878 recurring and $24,230 nonrecurring. The recurring cost will cover the salaries, benefits, and operating cost for an Insurance Company Examiner III, who will be responsible for the financial regulation of the PEO's, and an Insurance Compliance Analyst Supervisor, who will be responsible for the non-financial regulation of the PEO's. The salary and benefits for a grade 80 Examiner is $72,484, based on a mid-point salary of $62,857 and benefits of $9,627. The salary and benefits for a grade 73 Compliance Analyst is $53,510 based on mid-point salary of $45,709 benefits of $7,801. The total operating cost for the two positions is $71,084 and includes $60,000 for travel and $11,084 for materials, supplies, training, and continuing education. Assuming the positions are effective January 1, 2005, the first year recurring cost would be $98,939. The nonrecurring cost of $24,230 will cover the cost of computer equipment as well as office and furniture equipment.

The Department would not incur any cost for the Council meetings because the bill specifically indicates that the Council members will not receive compensation or per diem. Also, because the Department has attorneys on staff who are responsible for developing rules, Fiscal Research does not anticipate that the Department will need any additional resources to develop rules necessary to administer the licensing requirements.

The Department is funded by the Insurance Regulatory Fund (IRF). However, as required by G.S. § 58-6-25, moneys in the IRF may be spent only pursuant to appropriation by the General Assembly and in accordance with the line item budget enacted by the General Assembly. The statute further provides that all money credited to the IRF shall be used to reimburse the General Fund for the enumerated purposes. To comply with the statute, funds are appropriated from the General Fund to the Department of Insurance for all authorized expenditures of the IRF. The IRF in turns reimburses the General Fund for the appropriation. Accordingly, any use of the IRF authorized by this bill would require a General Fund appropriation to the Department. The IRF would reimburse the General Fund for the appropriation such that the expenditure would have no net effect on the General Fund.

Judicial Branch: Section 1 of this bill includes a statutory provision that would make it a Class H felony for any person who engaged in enumerated prohibited acts. For most criminal penalty bills, the Administrative Office of the Courts (AOC) provides Fiscal Research with an analysis of the fiscal impact of the specific bill. For these bills, fiscal impact is typically based on the assumption that court time will increase due to an expected increase in trials and a corresponding increase in the hours of work for judges, clerks and prosecutors. This increased court time is also expected to result in greater expenditures for jury fees and indigent defense.

Section 1 would create a new offense, punishable as a Class H felony. The AOC is unable to provide an estimate of the impact of this bill, but believes that the impact will not be significant. The staff at the AOC believe that the majority of PEO's would comply with the proposed licensing requirements found in this bill. Thus, the AOC does not project a significant number of Class H felony charges under section 1 of this bill.

Correction: The Sentencing and Policy Advisory Commission prepares inmate population projections annually. The incarceration fiscal notes are based on December 2003 projections. These projections are based on historical information on incarceration and release rates under Structured Sentencing, crime rate forecasts by a technical advisory board, probation and revocation rates, and the decline (parole and maxouts) of the stock prison population sentenced under previous sentencing acts. Based on the most recent population projections and estimated available prison bed capacity, there are no surplus prison beds available for the five year Fiscal Note horizon and beyond. That means the number of beds needed is always equal to the projected additional inmates due to a bill.

As with the AOC's analysis, the Sentencing Commission cannot project the number of convictions that would result from the new Class H felony in Section 1 of this legislation. Since the proposed section creates a new offense, the Sentencing Commission does not have any historical data from which to estimate the impact on the prison population. It is not known how many offenders might be sentenced under this subsection. If, for example, there were three convictions for this offense per year, this would result in the need for one additional prison bed in the first year and two additional prison beds in the second year due to active sentences and post-release sentencing revocations. In FY 2005-06, the first year of prison impact, each prison bed will cost, on average, $23,854 per year to operate.[1] In addition, approximately 64 percent of Class H felons receive non-active sentences. The majority receive an intermediate sentence or supervised probation, and are supervised by the Division of Community Corrections at a cost of $1.75 to $10.06 per offender per day.

Justice: Section 1 authorizes the Department of Justice to provide state and national fingerprint checks for any applicant for licensure as a PEO. These checks are conducted by the State Bureau of Investigation (SBI) within the Department. Neither the Department of Insurance nor the Fiscal Research can project the number of applicants who would require background checks each year as a result of this bill. Thus, we cannot project the amount of additional revenue from the criminal record checks.

The applicant would pay for the criminal record check. The SBI charges $38 for each state and national fingerprint check, of which $22 is remitted to the Federal Bureau of Investigation. The remaining $16 is used to support the functions of the identification unit, which conducts the criminal history background checks. Each employee can process approximately 9,600 background checks per year, and the SBI is able to accommodate some increase in background checks within its existing staffing level. If the increase in workload

[1] Operating costs are based on actual 2002-03 costs for each custody level as provided by the Department of Correction. These costs include security, inmate programs, inmate costs (food, medical etc.) and administrative overhead costs for the Department and the Division of Prisons. A 3% annual inflation rate is added each year.

due to new record checks were greater than the unit's capacity, the SBI would need authorization for additional positions supported by the receipts collected from the applicants/ licensees.

SOURCES OF DATA: Insurance, Justice, Correction, AOC.

TECHNICAL CONSIDERATIONS: The bill requires the revenue collected from the application and renewal fees to be deposited into the Insurance Regulatory Fund and authorizes those fees to be used to implement the bill. As noted above, the Insurance Regulatory Fund can only be used to reimburse the General Fund for money appropriated to the Department of Insurance for specified purposes. Thus, under existing law, in order to use fees deposited into the Insurance Regulatory Fund, it would be necessary to first appropriate funds from the General Fund to the Department of Insurance.

North Carolina General Assembly

House Committee on Finance

Minutes

~

June 23, 2004 ~ After Session

The House Committee on Finance met on Wednesday, June 23, 2004 after session in Room 544 of the Legislative Office Building. The following members were present: Chairpersons Howard, Luebke, McComas, and Wainwright; Vice-Chairs Alexander, Daughtridge, Gibson, Hill, and Wood; and Representatives Blackwood, Bordsen, Capps, Carney, Creech, Glazier, Hackney, Jones, Lewis, Ross, Starnes, Weiss, C. Wilson, and Womble. Also present were Sergeant-at-Arms Bob Fowler, Bill Freeman, Frank Prevo, and Dusty Rhodes. Staff persons present included Richard Bostic, David Crotts, Trina Griffin, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairman Luebke called the meeting to order at 4:57 pm and recognized Representative Alexander who announced that two occupancy tax bills had been successfully discussed in the Occupancy Tax Subcommittee.

Representative Gibson was then recognized to explain the first bill considered by the Committee: **SB 1118 – SPECIAL LICENSE PLATES** (see **attachment 3**). Representative Gibson informed the Committee that he was explaining the bill on behalf of the sponsor, Senator Kerr, who could not attend the committee meeting due to the Senate being in session. Chairman Luebke recognized Representative Howard who moved that the Proposed Committee Substitute (PCS) for SB 1118 be before the Committee for discussion and that motion carried without objection. The Chair then recognized Representative Gibson who explained the bill and introduced an amendment (see **attachment 4**) that added a $10 fee to the Daughters of the American Revolution (DAR) license plate purchase. Representative Gibson further explained that the increased revenue would go to the Daughters of the American Revolution Fund to be used by the National Society of the Daughters of the American Revolution as they see fit. Chairman Luebke then recognized Representative Wainwright who proceeded to ask the staff what difference did the new amendment make to the PCS. Martha Walston answered that the new amendment allowed only a spouse or registered member of the DAR to apply for the special tag. Representative Wainwright proceeded to follow up with a question concerning why it was necessary to be able to provide lineage of ancestry in order to be allowed to join the National Society of the Daughters of the American Revolution. Representative Wainwright stated that he felt it was unfair to all citizens of North Carolina if the availability of the license plate could be exclusionary. After an explanation by Ms. Angie Waldorf concerning the nature of the society, Chairman Luebke recognized Representative Gibson who motioned to displace SB 1118 until a quick resolution could be worked out as to the concerns raised by Representative Wainwright.

The next bill considered by the Committee was **SB 1144 – "In God We Trust" Special Plates** (see **attachment 5**). Chairman Luebke recognized Representative Wainwright who explained the bill on behalf of Senator Thomas who was unavailable due to the Senate being in session. Representative Wainwright stated that this bill would help to aid military personnel and their families through the current financial tough times. The bill would allow the purchase of a special license plate with the phrase "In God We Trust" for $50 by anyone who felt so inclined. A portion of the $50 fee would be set aside in a Trust Fund to help military personnel and their families in times of financial need. Chairman Luebke then recognized Representative Creech who inquired as to how long the special plates program had been running through the Department of Motor Vehicles and how long had the standard of 300 requests had been necessary. Chairman Luebke directed the question to Tony Spencer of the DMV who answered that the issuance of special plates had begun in the early 1980s and the necessary standard of 300 requests for a plate to be made had been in place since the beginning. Representative Creech was then recognized by Chairman Luebke and he spoke in support of the troops and National Guard of North Carolina but said that he did not support the bill because it creates yet another "special plate" which could confuse state law enforcement officials. Chairman Luebke then recognized Representative Ross who vowed to support the bill but noted that this would be the first bill to open up the question of religious beliefs and First Amendment freedoms as inscribed in the United States Constitution. The Chair then recognized Representative Jones who informed the Committee that the use of the word "God" in relation to government had been upheld in a recent Supreme Court decision, and then proceeded to ask about diversity in the Adjutant General's office of the NC National Guard. Representative Wilson answered Representative Jones's concern by stating that she had not heard of, nor foresaw, any diversity problems in the National Guard. At that point Chairman Luebke recognized Representative McComas who made a motion for a favorable report. As there was no further discussion, Chairman Luebke called the motion to a vote and it carried.

SB 1118 – SPECIAL LICENSE PLATES (see **attachment 3**), which had been previously displaced, was reintroduced for consideration by the Committee. Chairman Luebke recognized staff member Martha Walston was asked to explain a perfecting amendment introduced by Representative Gibson to quell the concerns of possible exclusion raised earlier by Representative Wainwright. The perfecting amendment removed the requirement of having to be a member, or spouse of a member, of the National Society of the Daughters of the American Revolution in order to be eligible to apply for the special DAR license plate. Representative Womble raised similar concerns to those raised by Representative Wainwright. The Chair then recognized Representative Gibson who told the Committee that the new perfecting amendment took out everything exclusionary in the bill. The Chair then called a vote on the perfecting amendment and it passed without objection. Seeing no further debate on the original amendment introduced by Representative Gibson, Chairman Luebke brought the original amendment, which had been perfected, to a vote and it passed without objection. Upon recognition by Chairman Luebke, Representative Howard moved that the PCS for SB 1118 be given a favorable report (with an unfavorable report as to the original bill). Seeing no further substantive debate Chairman Luebke called the motion to a vote and the motion carried.

Having no further business before the Committee, Chairman Luebke adjourned the meeting at 5:35 pm.

Respectfully submitted,

Representative Paul Luebke
Presiding Chair

Jason A. Cannon
Clerk, House Committee on Finance

Referred to:

May 17, 2004

A BILL TO BE ENTITLED

AN ACT TO REDISTRIBUTE THE FUNDS DERIVED FROM THE FIRST IN FORESTRY SPECIAL PLATE, TO AUTHORIZE DMV TO ISSUE A RETIRED HIGHWAY PATROL SPECIAL PLATE TO THE SURVIVING SPOUSES OF RETIRED HIGHWAY PATROLMEN AND TO AUTHORIZE DMV TO ISSUE THE FOLLOWING NEW SPECIAL PLATES: DAUGHTERS OF THE AMERICAN REVOLUTION, EL PUEBLO, HOMES4NC, NC 4-H DEVELOPMENT FUND, SPORT FISHING, COMMERCIAL FISHING, AND A HIGH SCHOOL INSIGNIA PLATE.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 20-79.4(b)(36a) reads as rewritten:

"(b) Types. – The Division shall issue the following types of special registration plates:

...

(10a) Commercial Fishing. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate may bear a phrase and picture appropriate to the subject of commercial fishing in North Carolina. The Division may not issue the plate authorized by this subdivision unless it receives at least 300 applications for the plate.

...

(11e) Daughters of the American Revolution. – Issuable to the registered owner of a motor vehicle. The plate may bear a phrase and picture appropriate to the organization. The Division may not issue the plate authorized by this subdivision unless it receives at least 300 applications for the plate.

...

(14a) El Pueblo. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-18.12. The plate shall bear the El Pueblo logo and the words "El Pueblo." The Division may not issue the plate authorized by this subdivision unless it receives at least 300 applications for the plate.

...

(16f) High School Insignia Plate. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate may bear a phrase or an insignia representing a public high school in North Carolina.

...

(18a) HOMES4NC Plate. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate shall bear 'HOMES4NC', the logo of the North Carolina Association of Realtors Housing Opportunity Foundation, and shall be developed in conjunction with that organization. The Division may not issue the plate authorized by this subdivision unless it receives at least 300 applications for the plate.

...

(28e) North Carolina 4-H Development Fund. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate may bear a phrase or insignia representing The North Carolina 4-H Development Fund.

...

(36a) Retired Highway Patrol. ~~– Issuable~~ The plate authorized by this subdivision ~~to an individual who has retired from the North Carolina Highway Patrol. The plate~~ shall bear the phrase "SHP, Retired." The Division may not issue the plate authorized by this subdivision unless it receives at least 300 applications for the plate. The plate is issuable to one of the following:

a. An individual who has retired from the North Carolina Highway Patrol.

b. The surviving spouse of a person who had a retired highway patrol plate at the time of death so long as the surviving spouse continues to renew the plate and does not remarry.

...

(41a) Sport Fishing. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate may bear a phrase and picture appropriate to the subject of sport fishing in North Carolina. The Division may not issue the plate authorized by this subdivision unless it receives at least 300 applications for the plate."

SECTION 2. G.S. 20-79.7(a) reads as rewritten:

"(a) Fees. – Upon request, the Division shall provide and issue free of charge one registration plate to a recipient of the Congressional Medal of Honor, a 100% disabled

veteran, and an ex-prisoner of war. All other special registration plates, including additional Congressional Medal of Honor, 100% Disabled Veteran, and Ex-Prisoner of War plates, are subject to the regular motor vehicle registration fee in G.S. 20-87 or G.S. 20-88 plus an additional fee in the following amount:

Special Plate	Additional Fee Amount
Crystal Coast	$30.00
El Pueblo	$30.00
Historical Attraction	$30.00
HOMES4NC	$30.00
North Carolina 4-H Development Fund	$30.00
Personalized	$30.00
State Attraction	$30.00
Buffalo Soldiers	$25.00
Collegiate Insignia	$25.00
Goodness Grows	$25.00
High School Insignia	$25.00
Kids First	$25.00
Olympic Games	$25.00
NC Agribusiness	$25.00
NC Coastal Federation	$25.00
Nurses	$25.00
(Effective until June 30, 2006)	
Rocky Mountain Elk Foundation	$25.00
Special Olympics	$25.00
Surveyor Plate	$25.00
The V Foundation for Cancer Research Division	$25.00
University Health Systems of Eastern Carolina	$25.00
Animal Lovers	$20.00
Audubon North Carolina	$20.00
Be Active NC	$20.00
Ducks Unlimited	$20.00
(Effective until June 30, 2006)	
Harley Owners' Group	$20.00
First in Forestry	$20.00
Litter Prevention	$20.00
March of Dimes	$20.00
Omega Psi Phi Fraternity	$20.00
Save the Sea Turtles	$20.00
Scenic Rivers	$20.00
School Technology	$20.00
Soil and Water Conservation	$20.00
Special Forces Association	$20.00

Support Public Schools	$20.00
Wildlife Resources	$20.00
Zeta Phi Beta Sorority	$20.00
Active Member of the National Guard	None
100% Disabled Veteran	None
Ex-Prisoner of War	None
Legion of Valor	None
Purple Heart Recipient	None
Silver Star Recipient	None
All Other Special Plates	$10.00."

SECTION 3. G.S. 20-79.7(b) reads as rewritten:

"(b) Distribution of Fees. – The Special Registration Plate Account and the Collegiate and Cultural Attraction Plate Account are established within the Highway Fund. The Division must credit the additional fee imposed for the special registration plates listed in subsection (a) among the Special Registration Plate Account (SRPA), the Collegiate and Cultural Attraction Plate Account (CCAPA), the Natural Heritage Trust Fund (NHTF), which is established under G.S. 113-77.7, and the Parks and Recreation Trust Fund, which is established under G.S. 113-44.15, as follows:

Special Plate	SRPA	CCAPA	NHTF	PRTF
Animal Lovers	$10	$10	0	0
Audubon North Carolina	$10	$10	0	0
Be Active NC	$10	$10	0	0
Buffalo Soldiers	$10	$15	0	0
Crystal Coast	$10	$20	0	0
Ducks Unlimited	$10	$10	0	0

SECTION 4. G.S. 20-81.12 is amended by adding two new subsections to read:

"(b31) North Carolina 4-H Development Fund. – The Division must receive 300 or more applications for a North Carolina 4-H Development Fund plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of North Carolina 4-H Development Fund plates to The North Carolina 4-H Development Fund, to be used to support county and State 4-H programs and to provide funding for repairs and renovations at North Carolina 4-H camps and conference centers.

(b32) High School Insignia Plate. – The Division must receive 300 or more applications for a high school insignia plate for a public high school in North Carolina before a high school insignia plate may be issued for that school. The Division must transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of high school insignia plates to the Department of Public Instruction to be deposited into the State Aid to Local School Administrative Units account. The Division must also send the Department of Public Instruction information as to the number of plates sold representing a particular high school. The Department of Public Instruction must annually transfer the money in the State Aid to Local School Administrative Units account that is derived from the sale of the high school insignia plates to the high schools which have a high school insignia plate in proportion to the number of high school insignia plates sold representing that school. The high school must use the money for academic enhancement.

(b33) HOMES4NC. – The Division must receive 300 or more applications for the HOMES4NC plate before the plate may be developed. The Division shall transfer

quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of the HOMES4NC plates to the NCAR Housing Opportunity Foundation to promote safe, decent, and affordable housing for all in North Carolina.

(b34) First in Forestry. – The Division must receive 300 or more applications for the First in Forestry plate before the plate may be developed. The Division shall transfer quarterly one-half of the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of the First in Forestry plates to the Division of Forest Resources for a State forests and forestry education program and shall transfer quarterly one-half of the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of the First in Forestry plates to the Forest Education and Conservation Foundation for their programs.

(b35) El Pueblo. - The Division must receive 300 or more applications for the El Pueblo plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Plate Account derived from the sale of the El Pueblo plates to El Pueblo, Inc., for its Scholarship Fund which provides scholarships for Latino students entering any community college, college, or university in North Carolina."

SECTION 5. This act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 2003

S 2

SENATE BILL 1118
Finance Committee Substitute Adopted 6/3/04

Short Title: Special License Plates. (Public)

Sponsors:

Referred to:

May 17, 2004

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE DMV TO ISSUE A RETIRED HIGHWAY PATROL SPECIAL PLATE TO THE SURVIVING SPOUSES OF RETIRED HIGHWAY PATROLMEN AND TO ISSUE A 4-H SPECIAL REGISTRATION PLATE AND A HIGH SCHOOL INSIGNIA PLATE.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 20-79.4(b)(36a) reads as rewritten:

"(b) Types. – The Division shall issue the following types of special registration plates:

...

(15c) 4-H Foundation of North Carolina. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate may bear a phrase or insignia representing The 4-H Foundation of North Carolina, Inc.

...

(16f) High School Insignia Plate. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate may bear a phrase or an insignia representing a public high school in North Carolina.

...

(36a) Retired Highway Patrol. ~~—Issuable~~ The plate authorized by this subdivision ~~to an individual who has retired from the North Carolina Highway Patrol. The plate~~ shall bear the phrase "SHP, Retired." The Division may not issue the plate authorized by this subdivision unless it receives at least 300 applications for the plate. The plate is issuable to one of the following:

a. An individual who has retired from the North Carolina Highway Patrol.

b. The surviving spouse of a person who had a retired highway patrol plate at the time of death so long as the surviving spouse continues to renew the plate and does not remarry."

SECTION 2. G.S. 20-79.7(a) reads as rewritten:

"(a) Fees. – Upon request, the Division shall provide and issue free of charge one registration plate to a recipient of the Congressional Medal of Honor, a 100% disabled veteran, and an ex-prisoner of war. All other special registration plates, including additional Congressional Medal of Honor, 100% Disabled Veteran, and Ex-Prisoner of War plates, are subject to the regular motor vehicle registration fee in G.S. 20-87 or G.S. 20-88 plus an additional fee in the following amount:

Special Plate	Additional Fee Amount
Crystal Coast	$30.00
Historical Attraction	$30.00

Wildlife Resources	$10	$10	0	0
Zeta Phi Beta Sorority	$10	$10	0	0
All other Special Plates	$10	0	0	0."

SECTION 4. G.S. 20-81.12 is amended by adding two new subsections to read:

"(b31) 4-H Foundation of North Carolina. – The Division must receive 300 or more applications for a 4-H Foundation of North Carolina plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of 4-H Foundation of North Carolina plates to The 4-H Foundation of North Carolina, Inc., to be used to support county and State 4-H programs and to provide funding for repairs and renovations at North Carolina 4-H camps and conference centers.

(b32) High School Insignia Plate. – The Division must receive 300 or more applications for a high school insignia plate for a public high school in North Carolina before a high school insignia plate may be issued for that school. The Division must transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of high school insignia plates to the Department of Public Instruction to be deposited into the State Aid to Local School Administrative Units account. The Division must also send the Department of Public Instruction information as to the number of plates sold representing a particular high school. The Department of Public Instruction must annually transfer the money in the State Aid to Local School Administrative Units account that is derived from the sale of the high school insignia plates to the high schools which have a high school insignia plate in proportion to the number of high school insignia plates sold representing that school. The high school must use the money for academic enhancement."

SECTION 5. This act is effective when it becomes law.

SENATE BILL 1118:
Special License Plates

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Sen. Kerr
Date:	June 16, 2004	**Summary by:**	Martha Walston
Version:	PCS for 2nd Edition		Committee Counsel

SUMMARY: Senate Bill 1118 amends the special license plate statutes as follows:

- ***Allows the surviving spouse of a person who retired from the highway patrol to be eligible to purchase a 'Retired Highway Patrol' special registration plate***
- ***Adds authority to develop and issue the following new special plates: Daughters of the American Revolution, El Pueblo, High School Insignia Plates, HOMES4NC, The North Carolina 4-H Development Fund, Sport Fishing, and Commercial Fishing***
- ***Redistributes the funds derived from the First in Forestry Plate***

CURRENT LAW: The Division of Motor Vehicles is authorized to issue more than 100 special license plates. As a general rule, the fee for a special registration plate is the regular vehicle registration fee plus a $10 special registration plate fee.[1] The $10 special registration plate fee is credited to the Special Registration Plate Account. After deducting the cost of the plates from this account, $525,000 is annually appropriated to provide operating assistance for seven Visitor Centers.[2] The Centers are located in Brunswick, Camden, Carteret, Caswell, Macon, Tyrell, and Watauga Counties. The remaining revenue in the account is transferred quarterly to the Department of Commerce for advertising (33%), the Department of Transportation for highway beautification (50%), and the Department of Human Resources to promote travel accessibility for disabled persons (17%).

The cost of some special plates includes a fee in addition to the $10 special registration plate fee. In those instances, the first $10 goes to the special registration plate fund and the remainder is transferred quarterly to designated beneficiaries of the additional fee amount.

BILL ANALYSIS: The **proposed committee substitute** for Senate Bill 1118 makes the following changes to two existing special registration plate bills:

Retired Highway Patrol - The Division of Motor Vehicles may issue a special license plate to not only a person who has retired from the Highway Patrol but also to a retired sheriff if the sheriff served for at least 10 years before retiring and to a retired law enforcement officer. Last session the General Assembly allowed the surviving spouse of a retired law enforcement officer to continue to renew the plate so long as the spouse does not remarry. Senate Bill 1118 would allow the surviving spouse of someone who has retired from the highway patrol to purchase a 'Retired Highway Patrol' special plate. The bill adopts the restrictions placed by the Senate last session on the ability of surviving spouses of law enforcement

[1] One registration plate is issued free of charge to a recipient of the Congressional Medal of Honor, a 100% Disabled Veteran, or an ex-prisoner of war. Four special registration plates are exempt from the $10 special plate fee: active member of the National Guard, Legion of Valor, Purple Heart Recipient, and the Silver Star Recipient.

[2] There are 10 Visitors' Centers. Two of the centers that do not receive State funding are located in Dare County and the third one is located in McDowell County.

officers to receive a 'Retired Law Enforcement Officer' special plate: the surviving spouse may continue to renew the plate so long as the spouse does not remarry.

First In Forestry – Redistributes the proceeds from the plate so that the $10 currently going to the Natural Heritage Trust Fund will go to the Collegiate and Cultural Plate Account (1/2 to Division of Forest Resources for a State forests and forestry education program and 1/2 to Forest Education and Conservation Foundation for their programs).

The **proposed committee substitute** also authorizes DMV to issue the following new special plates. The Division must receive at least 300 applications for a plate before it may be issued. Each of the plates would be on a "First in Flight" background:

Daughters of the American Revolution – Issued for the additional fee of $10 going to the Special Registration Plate Account.

El Pueblo – Issued for an additional fee of $30. $20 of the additional fee would go to El Pueblo, Inc. for its Scholarship Fund which provides scholarships for Latino students entering any community college, college, or university in North Carolina.

High School Insignia – Authorizes DMV to issue a special registration plate for a public high school in North Carolina. The plate would bear a phrase or insignia representing the high school. The recipient of the plate must pay the regular registration fee plus an additional $25 fee. The additional fee would be distributed as follows:

- $10 to the Special Registration Plate Account (SRPA)
- $15 to the Collegiate and Cultural Attraction Plate Account (CCAPA) to be transferred quarterly to the Department of Public Instruction to be deposited into the State Aid to Local School Administrative Units account. DPI would annually transfer the money in that account that is derived from the sale of these special plates to the high schools that have a high school insignia plate in proportion to the number of high school insignia plates sold representing that school. The schools must use the money for academic enhancement.

HOMES4NC Plate – Issued for an additional fee of $30 to be distributed as follows: $10 to the SRPA and $20 to the North Carolina Association of Realtors Housing Opportunity Foundation to promote safe, decent, and affordable housing for all in North Carolina. The plate will bear "HOMES4NC" and the logo of the Association.

North Carolina 4-H Development Fund – Issued for an additional fee of $30 to be distributed as follows: $10 to the SRPA and $20 to The North Carolina 4-H Development Fund to be used to support county and State 4-H programs and to provide funding for repairs and renovations at North Carolina 4-H camps and conference centers. The plate may bear a phrase or insignia representing The North Carolina 4-H Development Fund. 4-H serves almost 200,000 youth in North Carolina and over 7 million youth nationally each year. 4-H will celebrate its State centennial in 2009.

Sport Fishing – Issued for an additional fee of $10 to be distributed to the Special Registration Plate Account. The plate may bear a phrase and picture appropriate to the subject of sport fishing in North Carolina.

Commercial Fishing – Issued for an additional fee of $10 to be distributed to the Special Registration Plate Account. The plate may bear a phrase and picture appropriate to the subject of commercial fishing in North Carolina.

PRINCIPAL DEPARTMENT(S) &
PROGRAM(S) AFFECTED: Department of Transportation – Division of Motor Vehicles

EFFECTIVE DATE: This act is effective when it becomes law.

BILL SUMMARY:
This act authorizes the Division of Motor Vehicles (DMV) to issue a Retired Highway Patrol special plate to the surviving spouse of retired Highway Patrolmen. The bill redistributes the funds for the First in Forestry plate from the Natural Heritage Trust Fund to the Division of Forest Resources. The bill also authorizes the issuance of plates for the following organizations and activities: Daughters of the American Revolution, El Pueblo, HOMES4NC, NC 4-H Development Fund, sport fishing, commercial fishing, and high schools.

ASSUMPTIONS AND METHODOLOGY:
The change in the Retired Highway Patrol plate will not create a fiscal impact. The bill simply lets the surviving spouse renew an existing plate, so no new plates will be sold. In fact, it should keep the Special Registration Plate Account from losing revenue due to the death of any of the 864 retired Highway Patrolmen that currently have the plates. It is not known how many surviving spouses will choose to continue the retiree plate.

The redistribution of funds for the First in Forestry plate will have no impact on the Natural Heritage Trust Fund. This plate has not received the minimum 300 plate requests and has not been issued.

No estimate is available for the number of high school insignia plates that might meet the 300-plate minimum. According to the Department of Public Instruction, there were 338 public high schools in North Carolina in FY 2002-03. For the other six new special plates, this fiscal analysis assumes that the plate applicants already register their vehicles in the state and are paying the current $20 registration fee, thus there is no new revenue for the Highway Fund. The analysis also assumes the issuance of the minimum 300 license plates in FY 2004-05 and renewal of those plates in the following years. There is a one-time cost of $100 to design a new plate and an average programming cost of $3,560 per plate to change the State Titling and Registration System (STARS). There is also a one-time cost to manufacture the special plate. The cost of a DMV recommended two-color plate is $2.59. For 300 new plates in FY 2004-05, the manufacturing cost is $777 (300 plate minimum X $2.59). The total one-time cost for a new plate is $4,437 and is paid from the Special Registration Plate Account. For 6 new plates, the total cost is $26,640 (rounded).

In addition to the normal $20 registration fee, each special plate is assessed a $10 fee that is deposited into the Special Registration Plate Account. For the 300-plate minimum, this account will receive $3,000 a year for each plate. For the 6 new plates, the minimum revenue each year is $18,000.

In addition to the $10 Special Registration Plate Account fee, several plates have fees for fund raising purposes. These additional fees are first deposited into the Collegiate and Cultural Attraction Plate Account and then transferred to the designated beneficiary. The 4-H plate has a $20 fee that is deposited into to the 4-H Foundation of North Carolina, Inc. to be used to repair and renovate 4-H camps and conference centers. The HOMES4NC plate has a $20 fee that goes to the NCAR Housing Opportunity Foundation to promote safe, decent, and affordable housing. The El Pueblo plate has a $20 fee that goes to El Pueblo, Inc. for its Scholarship Fund for Latino students entering any community college, college, or university in North Carolina. The high school plate has a $15 fee that is returned to the high school to use for academic enhancement.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE DIVISION OF MOTOR VEHICLES TO ISSUE AN "IN GOD WE TRUST" SPECIAL REGISTRATION PLATE WITH THE PROCEEDS GOING TO THE AUBREY MCLELLAN SOLDIER AND AIRMAN ASSISTANCE FUND FOR FAMILIES OF DEPLOYED NORTH CAROLINA NATIONAL GUARDSMEN.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 20-63(b) reads as rewritten:

"(b) Every license plate shall have displayed upon it the registration number assigned to the vehicle for which it is issued, the name of the State of North Carolina, which may be abbreviated, and the year number for which it is issued or the date of expiration. A plate issued for a commercial vehicle, as defined in G.S. 20-4.2(1), and weighing 26,001 pounds or more, must bear the word "commercial," unless the plate is a special registration plate authorized in G.S. 20-79.4 or the commercial vehicle is a trailer or is licensed for 6,000 pounds or less. The plate issued for vehicles licensed for 7,000 pounds through 26,000 pounds must bear the word "weighted".

Except as otherwise provided in this subsection, a registration plate issued by the Division for a private passenger vehicle or for a private hauler vehicle licensed for 6,000 pounds or less shall be a "First in Flight" plate. A "First in Flight" plate shall have the words "First in Flight" printed at the top of the plate above all other letters and numerals. The background of the plate shall depict the Wright Brothers biplane flying over Kitty Hawk Beach, with the plane flying slightly upward and to the right. The following special registration plates do not have to be a "First in Flight" plate. The design of the plates that are not "First in Flight" plates must be approved by the Division and the State Highway Patrol for clarity and ease of identification.

(1) Friends of the Great Smoky Mountains National Park.

(2) Rocky Mountain Elk Foundation.
(3) Blue Ridge Parkway Foundation.
(4) Friends of the Appalachian Trail.
(5) NC Coastal Federation.
(6) In God We Trust."

SECTION 2. G.S. 20-79.4(b) is amended by adding a new subdivision to read:

"(b) Types. – The Division shall issue the following types of special registration plates:

...

(19a) In God We Trust. – Issuable to the registered owner of a motor vehicle in accordance with G.S. 20-81.12. The plate shall bear the phrase 'In God We Trust.'

~~(19a)~~(19b) International Association of Fire Fighters. – Issuable to a member of the International Association of Fire Fighters. The plate shall bear the logo of the International Association of Fire Fighters. The Division may not issue the plate authorized by this subdivision unless it receives at least 300 applications for the plate."

SECTION 3. G.S. 20-79.7(a) reads as rewritten:

"**§ 20-79.7. Fees for special registration plates and distribution of the fees.**

(a) Fees. – Upon request, the Division shall provide and issue free of charge one registration plate to a recipient of the Congressional Medal of Honor, a 100% disabled veteran, and an ex-prisoner of war. All other special registration plates, including additional Congressional Medal of Honor, 100% Disabled Veteran, and Ex-Prisoner of War plates, are subject to the regular motor vehicle registration fee in G.S. 20-87 or G.S. 20-88 plus an additional fee in the following amount:

Special Plate	Additional Fee Amount
Crystal Coast	$30.00
Historical Attraction	$30.00
In God We Trust	$30.00
Personalized	$30.00
State Attraction	$30.00
Buffalo Soldiers	$25.00
Collegiate Insignia	$25.00
Goodness Grows	$25.00
Kids First	$25.00
Olympic Games	$25.00
NC Agribusiness	$25.00
NC Coastal Federation	$25.00
Nurses	$25.00
Rocky Mountain Elk Foundation	$25.00
Special Olympics	$25.00

Surveyor Plate	$25.00
The V Foundation for Cancer Research Division	$25.00
University Health Systems of Eastern Carolina	$25.00
Animal Lovers	$20.00
Audubon North Carolina	$20.00
Be Active NC	$20.00
Ducks Unlimited	$20.00
Harley Owners' Group	$20.00
First in Forestry	$20.00
Litter Prevention	$20.00
March of Dimes	$20.00
Omega Psi Phi Fraternity	$20.00
Save the Sea Turtles	$20.00
Scenic Rivers	$20.00
School Technology	$20.00
Soil and Water Conservation	$20.00
Special Forces Association	$20.00
Support Public Schools	$20.00
Wildlife Resources	$20.00
Zeta Phi Beta Sorority	$20.00
Active Member of the National Guard	None
100% Disabled Veteran	None
Ex-Prisoner of War	None
Legion of Valor	None
Purple Heart Recipient	None
Silver Star Recipient	None
All Other Special Plates	$10.00."

SECTION 4. G.S. 20-79.7(b) reads as rewritten:

"(b) Distribution of Fees. – The Special Registration Plate Account and the Collegiate and Cultural Attraction Plate Account are established within the Highway Fund. The Division must credit the additional fee imposed for the special registration plates listed in subsection (a) among the Special Registration Plate Account (SRPA), the Collegiate and Cultural Attraction Plate Account (CCAPA), the Natural Heritage Trust Fund (NHTF), which is established under G.S. 113-77.7, and the Parks and Recreation Trust Fund, which is established under G.S. 113-44.15, as follows:

Special Plate	SRPA	CCAPA	NHTF	PRTF
Animal Lovers	$10	$10	0	0
Audubon North Carolina	$10	$10	0	0
Be Active NC	$10	$10	0	0
Buffalo Soldiers	$10	$15	0	0
Crystal Coast	$10	$20	0	0
Ducks Unlimited	$10	$10	0	0
First in Forestry	$10	0	$10	0

Goodness Grows	$10	$15	0	0
Harley Owners' Group	$10	$10	0	0
Historical Attraction	$10	$20	0	0
In God We Trust	$10	$20	0	0
In-State Collegiate Insignia	$10	$15	0	0
Kids First	$10	$15	0	0
Litter Prevention	$10	$10	0	0
March of Dimes	$10	$10	0	0
NC Agribusiness	$10	$15	0	0
NC Coastal Federation	$10	$15	0	0
Nurses	$10	$15	0	0
Olympic Games	$10	$15	0	0
Omega Psi Phi Fraternity	$10	$10	0	0
Out-of-state Collegiate Insignia	$10	0	$15	0
Personalized	$10	0	$15	$5
Rocky Mountain Elk Foundation	$10	$15	0	0
Save the Sea Turtles	$10	$10	0	0
Scenic Rivers	$10	$10	0	0
School Technology	$10	$10	0	0
Soil and Water Conservation	$10	$10	0	0
Special Forces Association	$10	$10	0	0
Special Olympics	$10	$15	0	0
State Attraction	$10	$20	0	0
Support Public Schools	$10	$10	0	0
Surveyor Plate	$10	$15	0	0
The V Foundation for Cancer Research	$10	$15	0	0
University Health Systems of Eastern Carolina	$10	$15	0	0
Wildlife Resources	$10	$10	0	0
Zeta Phi Beta Sorority	$10	$10	0	0
All other Special Plates	$10	0	0	0."

SECTION 5. G.S. 20-81.12 is amended by adding a new subsection to read:

"(b31) In God We Trust. – The Division must receive 300 or more applications for the In God We Trust plate before the plate may be developed. The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of the In God We Trust plates to the Department of Crime Control and Public Safety to be deposited into The N.C. National Guard Soldiers and Airmen Assistance Fund of The Minuteman Partnership to help provide assistance to the families of North Carolina National Guardsmen who have been activated and deployed in federal service."

SECTION 6. This act is effective when it becomes law.

SENATE BILL 1144:
'In God We Trust' Special Plates

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Sen. Thomas
Date:	June 22, 2004	**Summary by:**	Martha Walston
Version:	2nd Edition		Committee Counsel

SUMMARY: ***Senate Bill 1144 authorizes the Division of Motor Vehicles to issue a special registration plate to the owner of a motor vehicle that bears the phrase 'In God We Trust'. The plate would not be a 'First in Flight' plate, but would have its own unique design. The Division would have to receive at least 300 applications for the plate before it could be issued. The cost of the plate would be $30; of that amount $20 would go to the N.C. Guard Soldiers and Airmen Assistance Fund of The Minuteman Partnership to provide emergency financial assistance to members and families of the NC National Guard.***

CURRENT LAW: The Division of Motor Vehicles is authorized to issue more than 100 special license plates. As a general rule, the fee for a special registration plate is the regular vehicle registration fee plus a $10 special registration plate fee. The $10 special registration plate fee is credited to the Special Registration Plate Account. After deducting the cost of the plates from this account, $525,000 is annually appropriated to provide operating assistance for seven Visitor Centers. The remaining revenue in the account is transferred quarterly to the Department of Commerce for advertising (33%), the Department of Transportation for highway beautification (50%), and the Department of Human Resources to promote travel accessibility for disabled persons (17%).

The cost of some special plates includes a fee in additional to the $10 special registration plate fee. In those instances, the first $10 goes to the special registration plate fund and the remainder is transferred quarterly to designated beneficiaries of the additional fee amount.

BILL ANALYSIS: Senate Bill 1144 authorizes DMV to issue a specialized 'In God We Trust' license plate upon the receipt of 300 applications. The plate would be one of only six plates that are authorized to have their own, unique design. The recipient of the plate must pay the regular registration fee plus an additional $20 fee. The additional fee will be distributed as follows:

- $10 to the Special Registration Plate Account (SRPA)
- $20 to the Collegiate and Cultural Attraction Plate Account (CCAPA) to be transferred quarterly to the Department of Crime Control and Public Safety to be deposited into The N.C. National Guard Soldiers and Airmen Assistance Fund of The Minuteman Partnership.

The purpose of the N.C. National Guard Soldiers and Airmen Assistance Fund is to give emergency financial assistance to current members and families of the NC National Guard. The emergency grants or loans are made on a first come, first-serve basis. Funds may be provided for utilities, food, rent, mortgage, and medical needs. Only one grant may be awarded annually to an eligible member. In most cases, payments are made directly to the creditor. A grant or loan may not exceed $500 annually. A council approved by the Adjutant General reviews each request, determines eligibility, and disperses the funds.

NORTH CAROLINA GENERAL ASSEMBLY

LEGISLATIVE FISCAL NOTE

BILL NUMBER: Senate Bill 1144 (Second Edition)

SHORT TITLE: "In God We Trust" Special Plates.

SPONSOR(S): Senator Thomas

FISCAL IMPACT

Yes (X) **No ( )** **No Estimate Available ( )**

	FY 2004-05	FY 2005-06	FY 2006-07	FY 2007-08	FY 2008-09
REVENUES					
Highway Fund – Special Registration Plate Acct	$3,000	$3,000	$3,000	$3,000	$3,000
Collegiate and Cultural Attraction Plate Acct	$6,000	$6,000	$6,000	$6,000	$6,000
EXPENDITURES					
Highway Fund – Special Registration Plate Acct	$4,440				

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Transportation – Division of Motor Vehicles

EFFECTIVE DATE: This act is effective when it becomes law.

BILL SUMMARY:
The bill authorizes the Division of Motor Vehicles (DMV) to issue a special registration plate with the logo "In God We Trust" to benefit the N.C. National Guard Soldiers and Airmen Assistance Fund of The Minuteman Partnership for assistance to the families of North Carolina National Guardsmen activated and deployed in federal service. The bill allows this special plate to have a different background other than the "First in Flight" plate background.

BACKGROUND:
Neighboring states Virginia and South Carolina have approved the "In God We Trust" special license plates. South Carolina sold 89,000 of the plates in 2003 and sold 33,000 in the first four months of 2004. Louisiana has also approved the plate.

In 2003, North Carolina had 236,446 active personalized plates where the tag owner chooses his/her own letters and numbers. Last year, the state also had 95,607 specialty plates representing various organizations. The Friends of the Great Smokey Mountains National Park had the largest number of plates in 2003 with 6,345.

ASSUMPTIONS AND METHODOLOGY:
This fiscal analysis assumes that the applicants for the "In God We Trust" special plate already register their vehicles in the state and are paying the current $20 registration fee, thus there is no new revenue for the Highway Fund. The analysis also assumes the issuance of the minimum 300 license plates in FY 2004-05 and renewal of those plates in the following years. There is a one-time cost of $100 to design a new plate and an average programming cost of $3,560 per plate to change the State Titling and Registration System (STARS). There is also a one-time cost to manufacture the special plate. The cost of a DMV recommended two-color plate is $2.59. For 300 new plates in FY 2004-05, the manufacturing cost is $777 (300 plate minimum X $2.59). The total one-time cost for the new plate is $4,437 and is paid from the Special Registration Plate Account.

In addition to the normal $20 registration fee, each special plate is assessed a $10 fee that is deposited into the Special Registration Plate Account. For the 300-plate minimum, this account will receive $3,000 a year. The "In God We Trust" plate also has a $20 fee that is deposited into the Collegiate and Cultural Attraction Plate Account then transferred to the Department of Crime Control and Public Safety for the N.C. National Guard Soldiers and Airmen Assistance Fund of The Minuteman Partnership for assistance to the families of North Carolina National Guardsmen activated and deployed in federal service. For the 300 plate minimum, this fund will earn $6,000 a year.

House Committee on Finance

Minutes

~

June 24, 2004

The House Committee on Finance met on Thursday, June 24, 2004 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons G. Allen, Howard, Luebke, McComas, and Wainwright; Vice-Chairs Alexander, Daughtridge, Decker, Gibson, and Hill; and Representatives Blackwood, Bordsen, Capps, Carney, Ellis, Glazier, Hackney, Holliman, Lewis, McGee, Munford, Ross, Setzer, Starnes, Weiss, C. Wilson, and Womble. Also present were Sergeant-at-Arms Bob Fowler, Bill Freeman, Frank Prevo, Dusty Rhodes, and Paul Rucho. Staff persons present included Richard Bostic, Marilyn Chism, David Crotts, Chloe Gossage, Trina Griffin, Martha Harris, Linda Millsaps, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2.**

Chairman Wainwright called the meeting to order at 8:35 am and recognized the seven (7) pages present: (1) Katie Harrington of Gaston County, sponsored by Representative Clary; (2) Jeremy Lee of Catawba County, sponsored by Representative Setzer; (3) Emilie Mademann of Iredell County, sponsored by Representative Howard; (4) Johnathan Malini of Guilford County, sponsored by Representative Jeffus; (5) William Stout of Cumberland County, sponsored by Representative Warner; (6) Alyson Webber of Gaston County, sponsored by Representative Clary; and (7) Luke Woodcock of Pender County sponsored by Representative Justice.

As the first matter of business, Chairman Wainwright called upon Senator Bingham to explain: **SB 20 – REGULATE PROFESSIONAL EMPLOYER ORGANIZATION** (see **attachment 3**). Representative Hill made a motion that the new Proposed Committee Substitute (PCS) for Senate Bill 20 be adopted for the Committee's discussion and that motion carried without objection. This bill was first discussed by the Committee at its' June 23, 2004 morning meeting but was displaced due to the lack of time. A description of the bill is provided in the minutes from that meeting as well as in the attached bill summary. Representative Womble was recognized following Senator Bingham's explanation, and stated his support of the bill in that it protects the consumer. He also asked to hear from the Employment Security Commission on the bill, but no one from the agency was present at the meeting. Representative Hill was recognized next and, stating his status as a small business owner, made a motion that the House PCS for SB 20 be given a favorable report (with an unfavorable report as to the Senate Committee Substitute before the Committee). Seeing no further discussion, Chairman Wainwright then called the motion to a vote and it carried without objection.

The next bill considered by the Committee was **SB 852 – ORGAN DONOR ORG'S./ACCESS TO DMV RECORDS** (see **attachment 4**). Chairman Wainwright recognized

Senator Nesbitt, on behalf of the bill sponsor former Senator Metcalf, to explain the bill. The Senator stated that the bill would provide Internet access by organ procurement organizations and eye banks operating in North Carolina to information in the Division of Motor Vehicles records pertaining to organ donation. Following this brief explanation, Senator Nesbitt then requested that the Chairman refer the bill to a special subcommittee for further discussion and debate. Chairman Wainwright then acted to refer the bill to a special subcommittee composed of the following: Representative Holliman (Chair), Representative McGee, Representative Carney, Representative Ross, and Representative Daughtridge.

HB 1602 – TAX CREDIT FOR CERTAIN REAL PROP. DONATIONS (see **attachment 5**) was the next bill considered by the Committee. Representative Allen moved that the PCS for HB 1602 be adopted for discussion purposes and the motion carried without objection. Chairman Wainwright then recognized Representative McComas, the bill's sponsor, to explain the bill. Representative McComas explained that the bill postpones until 2007 (currently 2005) the imposition on partnerships and limited liability companies of the dollar amount limitation on the credit allowed for real property donations. He also stated that he knew of no opposition to the bill, noting the support of the environmental lobby. The Chair then recognized Representative Luebke who was dissatisfied with the fiscal estimates available on the bill. He further stated that while he agreed with the concept of the bill, the State could not afford to pass it into legislation as its fiscal impact was simply too high. (Fiscal Research estimated the impact at approximately $3.7 million per year for the next two years.) Representative Carney was recognized next by the Chair and asked how many acres had been donated in total under this tax credit. Bill Flurnowe with the North Carolina Department of Environment and Natural Resources (NCDENR) stated that through 2002, 108,900 acres of land had been donated under the credit, valued at an estimated $304 million. Representative Carney then offered her support to the bill, stating that the cost of the credit was far less than what the State would have incurred to purchase the land. Chairman Wainwright then recognized Representative Ellis who moved that the PCS for House Bill 1602 be given a favorable report (with an unfavorable report as to the original bill). As there was no further discussion, Chairman Wainwright then called the motion to a vote and it carried by a majority.

Chairman Wainwright then acted to add **SB 1356 – GIBSONVILLE WHITSETT BOUNDARY** (see **attachment 6**) to the Committee's calendar for immediate consideration. He recognized the bill sponsor, Senator Berger, to explain the bill. The Senator stated that the bill would remove one eight-acre tract of land from the Town of Gibsonville and place it in the Town of Whitsett. He stated that the property is currently in Gibsonville, but is surrounded on all sides by Whitsett. Chairman Wainwright recognized Representative Howard following this explanation. She moved that Senate Bill 1356 be given a favorable report. Seeing no further discussion, the Chair then called the matter to a vote and the motion carried without objection.

Chairman Wainwright recognized Senator Hartsell to explain the next bill considered by the Committee: **SB 1145 – REVENUE LAWS TECHNICAL CHANGES** (see **attachment 7**). Representative Howard moved that the PCS for SB 1145 be before the Committee for discussion. Her motion carried without objection. The Senator then explained that the bill before the Committee made a variety of technical and clarifying changes to the revenue laws of the State. (Further detail of the bill is provided in the attached bill summary.) Chairman Wainwright, following this brief explanation, recognized Representative Wilson who acted to send forth an amendment (see **attachment 8**). Representative Wilson stated that the amendment added the requirement that, under the Bill Lee Act, companies must show a net job increase for the prior 12-month period in order to take and receive the job creation tax credit. She stated that the amendment was non-controversial and that the North Carolina Department of Revenue (NCDOR) did not object. Representative Wilson then moved the adoption of her amendment. Chairman

Wainwright then called the vote on the motion, and the amendment was adopted. The members then engaged in some brief discussion on the bill. Following this, the Chair recognized Representative Ellis who moved that the House Committee Substitute for SB 1145 be given a favorable report (with an unfavorable report as to the Senate Committee Substitute). Chairman Wainwright called the vote and the motion carried by consent.

The Chair again recognized Representative McComas to explain the final bill considered at the meeting: **HB 1389 – DOT AUTHORITY TO ISSUE GARVEE BONDS** (see **attachment 9**). Representative Allen moved that the PCS for HB 1389 be adopted by the Committee for discussion and his motion carried without objection. Representative McComas then explained that the bill was a recommendation of the Joint Legislative Transportation Oversight Study Committee and authorizes the Department of Transportation to issue GARVEE bonds or other eligible debt financing instruments to finance Federal-aid projects. He stated that federal funds would be used to pay a portion of principal, interest, and related bond issuance costs. Representative McComas then acted to send forth an amendment (see **attachment 10**) stating that the DOT must present its implementation plans for the issuance of the GARVEE bonds to the Transportation Appropriations Subcommittee or the Joint Legislative Transportation Oversight Committee. He then moved adoption of his amendment and the amendment was adopted. Representative Ellis was then recognized and voiced his concerns on the bill, noting that it could potentially hurt the State if federal funds were withheld at any time in the future. He stated that the bill only places the State in further debt. Chairman Wainwright recognized Representative Howard next who sent forth and moved the adoption of a technical amendment (see **attachment 11**). As there was no discussion, the Chair then called the technical amendment to a vote and it was adopted without objection. A great degree of discussion on the bill then ensued amongst the members. Given this degree of discussion and the lack of adequate time to properly debate the bill, Chairman Wainwright then acted to displace the bill for further discussion at a later Committee meeting.

As the Committee's time had then expired, Chairman Wainwright acted to adjourn the meeting at 10:06 a.m.

Respectfully submitted,

Representative William Wainwright
Presiding Chair

Jason A. Cannon
Clerk, House Committee on Finance

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 2003

S D

SENATE BILL 20

Finance Committee Substitute Adopted 7/10/03

PROPOSED HOUSE COMMITTEE SUBSTITUTE S20-CSLAf-66 [v.5]

6/23/2004 7:29:57 PM

Short Title: Regulate Professional Employer Organization. (Public)

Sponsors:

Referred to:

February 10, 2003

A BILL TO BE ENTITLED

AN ACT TO REQUIRE LICENSURE OF PROFESSIONAL EMPLOYER ORGANIZATIONS.

The General Assembly of North Carolina enacts:

SECTION 1. Article 89 of Chapter 58 of the General Statutes is rewritten to read:

"Article 89.

"North Carolina Professional Employer Organization Act.

"Part 1. In General.

"**§ 58-89-1. Title.**

This Article shall be known and may be cited as the "North Carolina Professional Employer Organization Act".

"**§ 58-89-5. Definitions.**

In this Article:

(1) "Applicant" means a person applying for a license or a group license under this Article.

(2) "Assigned employee" means an employee who is performing services for a client company under a contract between a licensee and a client company in which employment responsibilities are shared or allocated. "Assigned employee" does not include a temporary employee. Individuals who are directors, shareholders, partners, and managers of a client company are assigned employees to the extent the licensee and the client have agreed that those individuals are assigned employees and provided that those individuals meet the criteria of this subdivision and act as operational managers or perform reviews for the client company.

(3) "Audited GAAP financial statement" means a financial statement that is audited by an independent certified public accountant and presented in accordance with generally accepted accounting principles.

(4) "Client company" or "client" means a person that contracts with a licensee and is assigned employees by the licensee under that contract.

(5) "Control", including the terms "controlling", "controlled by", and "under common control with" means the direct or indirect possession of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a commercial contract for goods or nonmanagement services, or otherwise. Control is presumed to exist if any natural person directly or indirectly owns, controls, holds with the power to vote, or holds proxies representing ten percent (10%) or more of the voting securities of any other person. This presumption may be rebutted by a showing made in the manner provided by rule of the Commissioner. The Commissioner may determine, after furnishing all persons in interest notice and opportunity to be heard and making specific findings of fact to support such determination, that control exists in fact, notwithstanding the absence of a presumption to that effect.

(6) "Financial responsibility" means the current and expected future condition of financial solvency sufficient to support a reasonable expectation that an applicant or licensee can successfully conduct its business without jeopardizing the interests of its assigned employees, client companies, or the public.

(7) "Good moral character" means a personal history of honesty, trustworthiness, fairness, a good reputation for fair dealings, and respect for the rights of others and for state and federal laws.

(8) "Hazardous financial condition" has the same meaning as in G.S. 58-47-60(9).

(9) "Licensee" means a person licensed under this Article to provide professional employer services. The term includes a professional employer organization group licensed under G.S. 58-89-35(b). Unless specifically stated otherwise in this Article, "licensee" includes persons who are licensed under this Article pursuant to alternative licensing procedures as set forth in G.S. 58-89-76.

(10) "Managed services" means services provided by an organization that is the sole employer of employees whom it supplies to staff and manage a specific portion of a company's workforce or a specific facility within a company on an ongoing basis. The managed services organization has responsibility for ensuring the capabilities and skills of the employees it supplies or provides, for all employer functions, for supervisory responsibility over the employees, and for management accountability of the facility or function.

(11) "PEO agreement" means a written contract by and between a client company and a professional employer organization that provides:
a. For the allocation and sharing between the client company and the licensee of the responsibilities of employers with respect to the assigned employees, including hiring, firing, and disciplining of employees; and
b. That the licensee and the client company assume the responsibilities required by this Article.

(12) "Person" has the same meaning as in G.S. 58-1-5(9).

(13) "Personnel placement service" means a job placement service offered through an organization that assists persons seeking employment to find a job with companies that are seeking employees. Companies that hire persons through a personnel placement service are the sole employers of the persons hired, and the personnel placement service does not have any responsibility as an employer.

(14) "Professional employer services" means an arrangement by which employees of a licensee are assigned to work at a client company and in which employment responsibilities are in fact shared by the licensee and the client company in accordance with G.S. 58-89-100, the employee's assignment is intended to be of a long-term or continuing nature, rather than temporary or seasonal in nature, and a majority of the workforce at a client company work site or a majority of the personnel of a specialized group within that workforce consists of assigned employees of the licensee. "Professional employer leasing services" does not include services that provide temporary employees or independent contractors, a personnel placement service, managed services, payroll services that do not involve employee staffing or leasing, the sharing of employees by commonly owned companies within the meaning of section 414(b) and (c) of the Internal Revenue Code of 1986, as amended, or similar groups that do not meet the requirements of this subdivision.

(15) "Professional employer organization" or "PEO" means a person that offers professional employer services and includes "staff leasing services companies", "employee leasing companies", "staff leasing companies", and "administrative employers" who offer or propose to offer professional employer services in this State.

(16) "Professional employer organization group" or "PEO group" means a combination of professional employer organizations that operates under a group license issued under this Article or is otherwise subject to group licensure requirements under G.S. 58-89-35(b).

(17) "Temporary employees" means persons employed under an arrangement by which an organization hires its own employees and assigns them to a client company to support or supplement the client's workforce in a special work situation, including:

a. An employee absence;
b. A temporary skill shortage;
c. A seasonal workload; or
d. A special assignment or project.

"**§ 58-89-10. North Carolina Professional Employer Organization Advisory Council.**

(a) There is created the North Carolina Professional Employer Organization Advisory Council to advise, consult with, and make recommendations to the Commissioner on the regulation of professional employer organizations, as requested by the Commissioner. The Council shall consist of 11 members as follows:

(1) The Commissioner of Insurance or the Commissioner's designee, ex officio.

(2) The Commissioner of Labor or the Commissioner's designee, ex officio.

(3) The Chair of the North Carolina Industrial Commission or the Chair's designee, ex officio.

(4) Two members appointed by the Governor, from a list of five persons recommended by the North Carolina Industrial Commission.

(5) Two members appointed by the Governor who are not involved directly or indirectly with the professional employer services industry.

(6) One member of the General Assembly, appointed by the General Assembly in accordance with G.S. 120-121, upon the recommendation of the President Pro Tempore of the Senate.

(7) One member appointed by the General Assembly, upon the recommendation of the President Pro Tempore of the Senate, who is a representative of the professional employer services industry and who is involved with a professional employer organization that has 3,000 or more assigned employees.

(8) One member of the General Assembly, appointed by the General Assembly in accordance with G.S. 120-121, upon the recommendation of the Speaker of the House of Representatives.

(9) One member appointed by the General Assembly, upon the recommendation of the Speaker of the House of Representatives, who is a representative of the professional employer services industry and who is involved with a professional employer organization that has less than 3,000 assigned employees.

Initial terms begin January 1, 2005.

(b) Other than the initial members of the Council and members of the Council serving ex officio, members of the Council shall serve three-year terms. Initial members of the Council shall serve staggered terms as follows:

(1) The following initial members shall serve terms of three years:

a. One member appointed by the Governor from the list recommended by the North Carolina Industrial Commission.

b. The member of the General Assembly appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate.

c. One member appointed by the Governor who is not directly involved with the professional employer services industry.

d. The member appointed by the General Assembly upon the recommendation of the House of Representatives who is involved with a professional employer organization.

(2) The following initial members shall serve terms of two years:

a. One member appointed by the Governor from the list recommended by the North Carolina Industrial Commission.

b. The member of the General Assembly appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives.

c. One member appointed by the Governor who is not directly or indirectly involved in the professional employer services industry.

d. The member appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate who is involved with a professional employer organization.

(c) The Commissioner of Insurance shall serve as chair of the Council and shall call all meetings of the Council.

(d) The Governor may remove any member of the Council appointed by the Governor for misconduct, incompetence, or neglect of duty. The General Assembly may remove any member appointed by it for the same reasons. The appointing authority making the original appointment shall appoint successors.

(e) All vacancies occurring on the Council shall be filled, for the unexpired term, by the appointing authority making the original appointment. Vacancies in appointments made by the General Assembly shall be filled in accordance with G.S. 120-122.

(f) The Department of Insurance shall furnish the Council with meeting space and clerical and other services required by the Council to conduct its business.

(g) The members of the Council shall not receive compensation or per diem for their service on the Council.

"**§ 58-89-15. Rules.**

(a) The Commissioner may adopt rules necessary to implement, administer, and enforce the provisions of this Article.

(b) Each licensee and each person subject to licensure requirements under this Article are subject to the provisions of this Article and to the rules adopted by the Commissioner.

(c) Nothing in this Article preempts the existing statutory or rule-making authority of any other State agency or entity to regulate professional employer services in a manner consistent with the statutory authority of that State agency or entity.

"**§ 58-89-20. Interagency cooperation.**

A State agency, in performing duties under other law that affects the regulation of professional employer services, shall cooperate with the Commissioner as necessary to implement, administer, and enforce this Article.

"**§ 58-89-25. Effect of other law on client companies and assigned employees.**

(a) This Article does not exempt a client company of a licensee, or any assigned employee, from any other license requirements imposed under local, State, or federal law.

(b) An employee who is licensed, registered, or certified under law and who is assigned to a client company is considered to be an employee of the client company for the purpose of that license, registration, or certification.

(c) A licensee is not engaged in the unauthorized practice of an occupation, trade, or profession that is licensed, certified, or otherwise regulated by a State agency or other political subdivision of the State, including a county or city, by entering into a PEO agreement with a client company and assigned employees.

(d) With respect to a bid, contract, purchase order, program, or agreement entered into with the State or a political subdivision of the State, or State program or benefit otherwise available to a client company, a client company's status, certification, or qualification pursuant to the bid, contract, benefit, program, agreement, or State program shall not be affected because the client company has entered into an agreement with a licensee or utilizes the services of a licensee.

(e) Nothing in this Article or in any PEO agreement or other professional employer services contract shall affect, modify, or amend any collective bargaining agreement or the rights or obligations of any client company, professional employer organization, or any assigned employee under the National Labor Relations Act, 29 U.S.C. § 151, et seq.

"**§ 58-89-30. Other provisions of this Chapter.**

G.S. 58-2-45, 58-2-50, 58-2-55, 58-2-60, 58-2-65, 58-2-69, 58-2-70, 58-2-75, 58-2-100, 58-2-155, 58-2-163, 58-2-180, 58-2-185, 58-2-200, and 58-3-100 shall apply to all persons licensed under this Article and all persons subject to licensure requirements under this Article.

"**§ 58-89-31. Tax credits and other incentives.**

For purposes of determination of tax credits and other economic incentives provided by the State and based on employment, covered employees are considered employees solely of the client. A client shall be entitled to the benefit of any tax credit, economic incentive, or other benefit arising as the result of the employment of covered employees of the client. Each professional employer organization must provide, upon request by a client, employment information that is required by any agency or department of the State responsible for administration of any tax credit or economic incentive and that is necessary to support a request, claim, application, or other action by a client seeking the tax credit or economic incentive.

"Part 2. License Requirements and Limitations.

"**§ 58-89-35. License required; professional employer organization groups.**

(a) No person shall engage in or offer professional employer services in this State unless the person holds a license issued under this Article.

(b) Two or more professional employer organizations that are controlled by the same ultimate parent, entity, or persons may be licensed as a professional employer organization group. A professional employer organization group may satisfy the reporting and financial requirements of this Article on a consolidated basis. As a condition of licensure as a professional employer organization group, each professional employer organization that is a member of the group shall guarantee payment of all financial obligations of every other member. Notwithstanding the definition of "person" in this Article, whenever two or more entities combine to seek issuance of a single license under this Article, the requirements for group licensure under this subsection shall be met before issuance of a license and any license issued will be a group license issued pursuant to this subsection.

"**§ 58-89-40. Qualifications for controlling person.**

(a) To be qualified to serve as a controlling person of a licensee under this Article, the controlling person shall be at least 18 years of age, be of good moral character, and have educational, managerial, or business experience relevant to:

(1) Operation of a professional employer organization; or

(2) Service as a controlling person of a professional employer organization.

(b) This section does not apply to persons who are licensed pursuant to the alternative licensing procedures set forth in G.S. 58-89-76 or to entities that are controlling persons.

"**§ 58-89-45. Reserved.**

"**§ 58-89-50. Surety bond; letter of credit.**

(a) An applicant for licensure shall file with the Commissioner a surety bond in the amount of one hundred thousand dollars ($100,000) in favor of the State of North Carolina.

(b) The surety bond required by this section shall be in a form acceptable to the Commissioner, issued by an insurer authorized by the Commissioner to write surety business in this State, and maintained in force while the license remains in effect or any obligations or liabilities of the applicant, licensee or PEO previously licensed by this State remain outstanding.

(c) The surety bond required by this section may be exchanged or replaced with another surety bond that meets the requirements of this section if 90 days' advance written notice is provided to the Commissioner.

(d) A licensee shall not require a client company to contribute in any manner to the payment of the surety bond required by this section.

(e) Notice of cancellation or nonrenewal of the surety bond required by this section shall be provided to the Commissioner in writing at least 45 days before cancellation or nonrenewal.

(f) In lieu of the surety bond required by this section, an applicant may submit to the Commissioner an irrevocable letter of credit in a form acceptable to the Commissioner issued by a financial institution, the deposits of which are insured by the Federal Deposit Insurance Corporation, or may maintain on deposit with the Commissioner an amount equal to the amount required under subsection (a) of this

section in cash or in value of securities of the kind specified in G.S. 58-5-20 and subject to the same conditions as the surety bond.

(g) This section does not apply to persons who are licensed pursuant to the alternative licensing procedures set forth in G.S. 58-89-76.

"**§ 58-89-55. Reserved.**

"**§ 58-89-60. License application.**

(a) Every applicant for licensure shall file with the Commissioner, on a form prescribed by the Commissioner, the following information:

(1) The name, organizational structure, and date of organization of the applicant, the addresses of the principal office and of all offices in this State, the name of the contact person, the type of operations within this State, and the taxpayer or employer identification number.

(2) A list by jurisdiction of each name under which the applicant has operated in the preceding five years, including any alternative names, names of predecessors, and, if known, names of successor business entities. The list required by this subdivision shall include the parent company name and any trade name, trademark, or service mark of the applicant.

(3) A list of all officers and controlling persons of the applicant, their biographical information, including their management background, and an affidavit from each attesting to his or her good moral character and management competence.

(4) The location of the business records of the applicant.

(5) An attestation, executed by the chief financial officer and chief executive officer of the applicant, that the applicant is current as of the date the application is submitted with respect to all of its obligations for payroll, payroll-related taxes, workers' compensation insurance, and employee benefits. If any such obligations are in dispute with a client as of the date the application is submitted and the disputed amount is material when considered in the context of the applicant's most recent audited financial statement, then the applicant shall disclose the nature of the dispute causing the obligations to be unpaid and the amount of money in controversy.

(6) Any other information the Commissioner deems necessary and requires by rule to establish that the applicant and the officers and controlling persons are of good moral character, have business integrity, and have financial responsibility.

(b) Every applicant shall file with the Commissioner evidence of financial responsibility. Evidence of financial responsibility includes an audited GAAP financial statement, prepared as of a date not more than 90 days before the date of application that demonstrates that the applicant or licensee is not in a hazardous financial condition and attached to which is a separate document signed by the chief executive and the chief financial officer certifying that (i) each has reviewed the financial statement; (ii) based on each signatory's knowledge, the financial statement does not contain any untrue or

misleading statement of material fact or omit a fact with respect to the period covered by the financial statement; and (iii) based on each signatory's knowledge, the financial statement fairly presents in all material respects the financial condition of the licensee as of, and for, the period presented in the financial statement.

Notwithstanding the requirements of this subsection, the Commissioner may, in the Commissioner's discretion, accept an audited GAAP financial statement that has been prepared more than 90 days before submission to the Commissioner if the Commissioner deems such acceptance appropriate. The Commissioner may, in the Commissioner's discretion, impose conditions upon such acceptance of financial statements prepared more than 90 days prior to submission.

(c) Every applicant shall submit to the Commissioner the application fee pursuant to G.S. 58-89-65.

(d) Every applicant shall furnish the Commissioner a complete set of fingerprints and a recent photograph in a form prescribed by the Commissioner of each officer, director, and controlling person. Each set of fingerprints shall be certified by an authorized law enforcement officer.

Upon request by the Department, the Department of Justice shall provide to the Department from the State and National Repositories of Criminal Histories the criminal history of any applicant and the officer, director, and controlling person of any applicant. Along with the request, the Department shall provide to the Department of Justice the fingerprints of the person that is the subject of the request, a form signed by the person that is the subject of the request consenting to the criminal record check and use of fingerprints and other identifying information required by the State and National Repositories, and any additional information required by the Department of Justice. The person's fingerprints shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation may forward a set of fingerprints to the Federal Bureau of Investigation for a national criminal history record check. The Department shall keep all information obtained pursuant to this subsection confidential. The Department of Justice may charge a fee to offset the cost incurred by it to conduct a criminal record check under this section. The fee shall not exceed the actual cost of locating, editing, researching, and retrieving the information.

In the event that an applicant has secured a professional employer organization license in another state in which the professional employer organization's controlling persons have completed a criminal background investigation within 12 months of this application, a certified copy of the report from the appropriate authority of that state may satisfy the requirement of this subsection. This subsection also applies to a change in a controlling party of a professional employer organization. For purposes of investigation under this subsection, the Commissioner shall have all the power conferred by G.S. 58-2-50 and other applicable provisions of this Chapter.

(e) An application for licensure of a professional employer organization group shall contain the information and submissions required by this section for each member of the group.

(f) No application is complete until the Commissioner has received all information and submissions required under subsections (a) through (e) of this section. Subsections (a) through (e) of this section do not apply to persons who are licensed pursuant to the alternative licensing procedures set forth in G.S. 58-89-76.

(g) The Commissioner may deny the license of an applicant under this Article if, after notice to the applicant and an opportunity for a hearing, the Commissioner finds that a controlling person has:

(1) Made any untrue material statement regarding the background or experience of any controlling person;

(2) Violated, or failed to comply with, any professional employer services law or any rule or order of the Commissioner or of any other State official responsible for the regulation of professional employer services;

(3) Obtained or attempted to obtain the license through misrepresentation or fraud;

(4) Been convicted of a felony;

(5) Been found in a final judgment or administrative proceeding to have committed fraud or an unfair trade practice; or

(6) Been a controlling person in another professional employer organization that has had its license or registration suspended, terminated, or revoked by any state.

(h) If the Commissioner finds that the applicant has not fully met the requirements for licensure, the Commissioner shall refuse to issue the license and shall notify the applicant in writing of the denial, stating the grounds for the denial. The application may also be denied for any reason for which a license may be suspended or terminated under G.S. 58-89-155. To obtain a review to determine the reasonableness of the Commissioner's denial, the applicant shall make written demand upon the Commissioner within 30 days after notice is given under G.S. 150B-38(c). The review shall be completed without undue delay, and the applicant shall be notified promptly in writing as to the outcome of the review. If the applicant disagrees with the outcome of the review and seeks a hearing, under Article 3A of Chapter 150B of the General Statutes, on the outcome of the review, the applicant shall make a written demand upon the Commissioner for the hearing within 30 days after notice of the outcome of the review is given under G.S. 150B-38(c).

(i) Removal, demotion, or discharge of a controlling person in response to an order of the Commissioner of the alleged unsuitability of that person is an affirmative defense to any claim by that individual based on the removal, demotion, or discharge.

(j) The Commissioner may, in the Commissioner's discretion, waive the required evaluation of an officer, director or controlling person if that officer, director or controlling person has been evaluated previously under this Article.

(k) After denial, suspension, or termination of a license, and before issuing a new license or reinstating a license, the Commissioner shall review and consider:

(1) The extent to which the applicant or licensee has adequately corrected any problems; and

(2) Whether the applicant or licensee has demonstrated that the applicant or licensee had exercised due diligence to avoid the reason or reasons for the denial or termination.

The applicant or licensee bears the burden of proof with respect to subdivisions (1) and (2) of this subsection.

"**§ 58-89-65. Fees.**

(a) Each applicant for a professional employer organization license or limited professional employer organization license shall pay to the Commissioner, before the issuance of the license, a nonrefundable application fee of one thousand dollars ($1,000).

(b) Each licensee shall pay to the Commissioner when filing the information required under G.S. 58-89-70(d) an annual filing fee of one thousand dollars ($1,000).

(c) Each applicant for alternative licensing under G.S. 58-89-76 and each applicant for renewal of a license provided under G.S. 58-89-76 shall pay to the Commissioner, before issuance or renewal of the license, a fee of five hundred dollars ($500.00).

(d) When the Commissioner finds that a licensee has committed an act that is a ground for disciplinary violation under G.S. 58-89-155 or that a licensee has committed a prohibited act in violation of G.S. 58-89-170, and such decision becomes final following the conclusion of all administrative or judicial proceedings, the Commissioner may charge an applicant or licensee reasonable fees to recover the Department's costs associated with investigations, inspections, examinations, and any other administrative or enforcement responsibilities created under this Article.

(e) Fees collected by the Commissioner under this Article shall be deposited in the Insurance Regulatory Fund under G.S. 58-6-25 and shall be used to implement this Article.

"**§ 58-89-70. License issuance and maintenance.**

(a) The Commissioner shall issue a license to an applicant whom the Commissioner determines has satisfied the requirements of this Article not later than the 90th day after the date on which the completed application is filed with the Commissioner. The Commissioner shall notify an applicant of any deficiency in the application not later than the 60th day after the date on which the Commissioner receives the application.

(b) A license issued by the Commissioner under this Article shall remain in effect until revoked, suspended, surrendered, or otherwise terminated.

(c) By obtaining licensure under this Article, the controlling persons of a licensee certify, under penalty of law, their compliance with the requirements of licensure and of operation as a professional employer organization pursuant to this Article.

(d) Within 120 days after the end of each fiscal year, each licensee shall file with the Commissioner all of the following information:

(1) Evidence of "financial responsibility" as set forth in G.S. 58-89-60(b).

(2) Any information required by G.S. 58-89-60(a) for which there has been a change since the last or initial filing. Any change of controlling

persons may subject the licensee to a background investigation of those controlling persons as required by G.S. 58-89-60.

(3) The annual filing fee, pursuant to G.S. 58-89-65.

(4) Any other information the Commissioner determines is needed for the review of a licensee.

(e) In order to maintain licensure, each licensee may be required to file with the Commissioner no later than 45 days after the end of each quarter of the fiscal year:

(1) A financial statement for the preceding quarter that is not audited but is set forth in a format similar to the annual audited GAAP financial statement; and

(2) An attestation, executed by the chief financial officer and the chief executive officer of the licensee, that the licensee is current with respect to all of its obligations for payroll, payroll-related taxes, workers' compensation insurance, and employee benefits. If any of the obligations listed in this subdivision are in dispute with a client and the disputed amount is material when considered in the context of the licensee's most recent audited financial statement, then the licensee shall disclose the nature of the dispute causing the obligations to be unpaid and the amount of money in controversy.

"**§ 58-89-75. Limited license.**

The Commissioner, by rule, shall provide for the issuance of a limited license to a person who seeks to offer limited professional employer services in this State.

"**§ 58-89-76. Alternative licensing.**

The Commissioner, by rule, may provide for the acceptance of an affidavit by a bonded, independent, and qualified assurance organization that has been approved by the Commissioner certifying the qualifications of a professional employer organization for licensing under this Article in lieu of the requirements of G.S. 58-89-40 through G.S. 58-89-60. A professional employer organization licensed under this section shall be exempt from the provisions of G.S. 58-89-70(c), (d), and (e).

"**§ 58-89-80. License not assignable; change of name or location.**

(a) A licensee shall not conduct business under any name other than that specified in the license. A license issued under this Article is not assignable. A licensee shall not conduct business under any fictitious or assumed name without prior written authorization from the Commissioner. The Commissioner shall not authorize the use of a name that is so similar to that of a public office or agency or to that of another licensee that the public may be confused or misled by the name's use. A licensee shall not conduct business under more than one name unless the licensee has obtained a separate license for each name or the licensee is operating under a group license pursuant to G.S. 58-89-35.

(b) Except as provided in this subsection, a licensee may change the licensee's licensed name only once in a calendar year by notifying the Commissioner and paying a fee for the change of name. The fee for a name change shall be fifty dollars ($50.00). A licensee may change the licensee's name without the payment of the name change fee if the name change is submitted with the information required by G.S. 58-89-70(d). If a

licensee has changed its name once during a calendar year, the licensee shall not change its name again unless the name change is approved by the Commissioner.

(c) A licensee shall notify the Commissioner in writing within 30 days of any change in the status of the licensee, including:

(1) Any change in the location of the licensee's primary business office;

(2) The addition of or change in the location of any other business offices providing professional employer services in this State; and

(3) A change in the location of business records maintained by the licensee.

(d) A licensee may advertise in this State using only the name that is on the license issued by the Commissioner.

(e) Each written proposal provided to a prospective client company and each PEO agreement between a licensee and a client company or assigned employee shall clearly identify the name of the licensee.

"**§ 58-89-85. Supervision; rehabilitation; liquidation.**

If at any time the Commissioner determines, after notice and an opportunity for the licensee to be heard, that a licensee (i) has been or will be unable, in such a manner as may endanger the ability of the licensee, to fully perform its obligations pursuant to this Article or (ii) is bankrupt or in a hazardous financial condition, the Commissioner may either (i) commence a supervision proceeding pursuant to Article 30 of this Chapter or (ii) apply to the Superior Court of Wake County or to the federal bankruptcy court that has previously taken jurisdiction over the licensee, if applicable, for an order directing the Commissioner or authorizing the Commissioner to rehabilitate or to liquidate a licensee in accordance with Article 30 of this Chapter.

"**§ 58-89-90. Reserved.**

"Part 3. Licensee Duties and Responsibilities.

"**§ 58-89-95. Agreement; notice.**

(a) A licensee shall establish the terms of a PEO agreement by a written contract between the licensee and the client company.

(b) The licensee shall give written notice of the agreement, by agreement or otherwise, as it affects assigned employees to each employee assigned to a client company work site. This written notice shall be given to each assigned employee not later than the first payday after the date on which that individual becomes an assigned employee.

(c) The licensee shall give each employee written notice when the employee ceases to be an employee of the licensee.

"**§ 58-89-100. Contract requirements.**

A contract between a licensee and a client company shall provide:

(1) That the licensee reserves a right of direction and control over employees assigned to a client company's work sites. However, a client company may retain such sufficient direction and control over the assigned employees as is necessary to conduct the client company's business and without which the client company would be unable to conduct its business, to discharge any fiduciary responsibility that it

may have, or to comply with any applicable licensure, regulatory, or statutory requirement of the client company. The PEO agreement shall provide that employment responsibilities not allocated to the licensee by the PEO agreement or this section remain with the client company.

(2) That the licensee assumes responsibility for the payment of wages to the assigned employees as agreed to in the PEO agreement.

(3) That the licensee assumes responsibility for the payment of payroll taxes and collection of taxes from payroll on assigned employees.

(4) That the licensee reserves a right to hire, fire, and discipline the assigned employees.

(5) That the licensee retains a right of direction and control over the adoption of employment policies and the management of workers' compensation claims, claim filings, and related procedures in accordance with applicable federal laws and the laws of this State.

(6) That responsibility to obtain workers' compensation coverage for assigned employees, from an entity authorized to do business in this State and otherwise in compliance with all applicable requirements, shall be specifically allocated in the PEO agreement to either the client company or the licensee. If the responsibility is allocated to the licensee under any such agreement, that agreement shall require that the licensee maintain and provide to the client company, at the termination of the agreement if requested by the client company, records regarding the loss experience related to workers' compensation insurance provided to assigned employees pursuant to the agreement.

"**§ 58-89-105. Employee benefit plans; required disclosure; other reports.**

(a) A licensee may sponsor and maintain employee benefit plans for the benefit of assigned employees.

(b) A client company may sponsor and maintain employee benefit plans for the benefit of assigned employees.

(c) If a licensee offers to its assigned employees any health benefit plan that is not fully insured by an authorized insurer, the plan shall:

(1) Utilize a third-party administrator licensed or registered to do business in this State;

(2) Hold all plan assets, including participant contributions, in a trust account; and

(3) Provide sound reserves for the plan as determined using generally accepted actuarial standards.

(d) For purposes of this section, a "health benefit plan that is not fully insured by an authorized insurer" includes any arrangement except an arrangement under which an insurance company licensed to write insurance in this State has issued an insurance policy that covers all of the obligations of the health benefit plan.

"**§ 58-89-110. Workers' compensation insurance.**

(a) A licensee or the licensee's client company shall provide workers' compensation insurance coverage through a licensed insurance carrier or a licensed

self-insurance plan for the licensee's assigned employees as provided in Chapter 97 of the General Statutes, the Workers' Compensation Act. To the extent that the licensee secures and maintains workers' compensation coverage for assigned employees, the carrier may elect to provide such coverage to the licensee pursuant to either the multiple coordinated policy method, as set forth in subsection (b) of this section, or the single policy method, as set forth in subsection (c) of this section.

(b) If the licensee provides workers' compensation coverage pursuant to the multiple coordinated policy method, the licensee shall secure a separate policy for each client company of the licensee. Each policy shall identify the name of the client company and the licensee. The licensee shall be named as the insured and identify the client company. The licensee shall specify that it is the labor contractor for the client company by using the designation "L/C/F" on the policy.

Each policy shall expire on the same date. The policy shall not include coverage for nonleased employees of the client company or employees solely employed by the licensee. Only the licensee, as the first-named insured under such a policy, may request the insurer to cancel the policy. Each policy shall be sent to the licensee as the named insured.

The client company of a licensee shall have a continuing obligation to provide coverage as required by Chapter 97 of the General Statutes, the Workers' Compensation Act, for any employees of the client company who are not assigned employees and not otherwise covered under a policy described in this subsection.

If a client company of a licensee leases employees from more than one licensee, there shall be a separate policy for the assigned employees of each licensee.

The workers' compensation carrier also shall issue a policy covering the internal employees of the licensee unless they are otherwise covered.

All policies written in accordance with this subsection by the same insurance carrier that reference the same licensee as labor contractor shall be combined for premium discount purposes.

When policies written in accordance with this subsection are written by the same insurance carrier, the carrier and licensee may agree to a retrospective rating program or any other permitted pricing program.

Whenever a policy written in accordance with this subsection is cancelled, the insurance company writing the policy shall provide individual notices of cancellation as required by this Chapter to the licensee and the client company of the licensee.

(c) If the licensee provides workers' compensation coverage pursuant to the single policy method, the insurer shall issue to the licensee a single policy covering all assigned employees in this State in accordance with Chapter 97 of the General Statutes, the Workers' Compensation Act, and any other applicable laws or rating plans of this State.

As a condition of issuing a single policy, the licensee shall provide to the insurer of the policy all of the following information regarding each client company of the licensee with assigned employees in this State:

(1) The correct legal name, any fictitious names, and the federal identification number.

(2) The name and address of the president and chief executive officer.
(3) The business mailing address.
(4) The business telephone number and facsimile number.

The licensee shall also provide to the insurer the name and address of the insurance agent or broker responsible for securing the policy of insurance on behalf of the licensee.

The insurer shall issue to each client company of the licensee a certificate of insurance on the single policy. The certificate of insurance shall require that the insurer provide notice of cancellation to the licensee and the client company of the licensee.

Whenever a policy written in accordance with this subsection is cancelled, the insurance company writing the policy shall provide individual notices of cancellation as required by this Chapter to the licensee and the client company of the licensee.

If the insurer fails to provide individual notices of cancellation to the licensee and the client company, the insurer shall remain liable on the risk for losses incurred by the client company that would have been covered by the workers' compensation policy prior to the attempted cancellation.

(d) A license shall not be issued to any professional employer organization unless the organization first files with the Commissioner evidence of workers' compensation coverage for all assigned employees in this State, including those leased from or coemployed with another person, and that the premium paid by the licensee is commensurate with exposure and anticipated claim experience for all employees covered under policies in the name of the licensee.

(e) Each licensee shall maintain and make available to its workers' compensation carrier on an annual basis the following information:

(1) The correct name and federal identification number of each client company.
(2) A listing of all covered employees provided to each client company, by classification code.
(3) The total eligible wages, by classification code, and the premiums due to the carrier for the employees provided to each client company.
(4) Sufficient information to permit the calculation of an experience modification factor for each client company upon termination of the professional employer relationship. Information accruing during the term of the leasing arrangement that is used to calculate an experience modification factor for a client company upon termination of the leasing relationship shall continue to be used in the future experience ratings of the licensee.

(f) Every Form 19 "Employer's Report of Employee's Injury or Occupational Disease to the Industrial Commission" filed with the Industrial Commission shall identify by name and address both the licensee and the client company employing the employee who is the subject of the Form 19.

(g) A licensee shall, within 30 days of initiation or termination of the licensee's relationship with any client company, notify its workers' compensation carrier, the Commissioner, and the North Carolina Industrial Commission of both the initiation and

termination of the relationship. If the client company terminates the relationship between the licensee and the client company, the notice required by this subsection shall be given within 10 days of the licensee's actual knowledge of the termination.

(h) If the professional employer services arrangement with a client company is terminated, the client company shall be assigned an experience modification factor that reflects its experience during the experience period specified by the approved experience rating plan, including, if applicable, experience incurred for assigned employees under the PEO agreement.

(i) A client company shall not enter into a PEO agreement or be eligible for workers' compensation coverage in the voluntary market if the client-workers' company owes its current or prior carrier any premium for workers' compensation insurance, or if the client company owes its current or prior professional employer organization amounts due under the PEO agreement, except for premiums or amounts due that are subject to dispute. For the purposes of this section and compliance with other laws and rules, a licensee may rely on a statement by the client company that the client company has met any and all prior premium or fee obligations, unless the licensee has actual knowledge to the contrary.

(j) This section shall not prevent a client company of a licensee from providing workers' compensation insurance coverage for assigned employees coemployed by the client company and the licensee through a policy of insurance issued by a licensed insurance carrier in the name of the client company as the insured.

(k) Irrespective of whether the licensee or client company maintains the policy of workers' compensation insurance for the covered employees pursuant to the PEO agreement, the licensee and the client company shall be entitled to the exclusivity of the remedy under both the workers' compensation and the employer liability provision of the workers' compensation policy or plan that either party has secured and shall both be afforded the protections provided under Chapter 97 of the General Statutes. The licensee shall be entitled, along with the client company, to the exclusivity of the remedy under both the workers' compensation and employers' liability provision of the workers' compensation policy or plan that either party has secured.

(l) All assigned risk policies for client companies of the same licensee shall be assigned to one workers' compensation carrier in the State and in other states to the extent possible.

"**§ 58-89-112. Liabilities.**

Subject to any contrary provisions thereof, the PEO agreement shall be interpreted for purposes of insurance, bonding, and employer's liability as follows:

(1) A licensee is not liable for the acts, errors, or omissions of a client company or of any assigned employee or for the quality, adequacy, or safety of the goods or services produced or sold in the client company's business. A client company is not liable for the acts, errors, or omissions of a licensee or of any employee of a licensee. Nothing in this section limits any contractual liability between a licensee and the client company or limits any liability or responsibility under this Article.

(2) Employees assigned to a client company by a licensee are the employees of the client company for the purposes of general liability insurance, automobile insurance, fidelity bonds, surety bonds, and liquor liability insurance carried by the client company unless the employees are included by specific reference in the applicable PEO agreement, insurance contract, or bond.

"**§ 58-89-115. Benefit plan notice.**

(a) With respect to any insurance or benefit plan provided by a licensee for the benefit of its assigned employees, a licensee shall disclose all of the following information to the Commissioner and each client company:

(1) The type of coverage.

(2) The identity of each insurer for each type of coverage.

(3) The amount of benefits provided for each type of coverage and to whom or on whose behalf benefits are to be paid.

(4) The policy limits on each insurance policy.

(5) Whether the coverage is fully insured, partially insured, or fully self-funded.

(b) With respect to any insurance or benefit plan provided by a licensee for the benefit of its assigned employees, a licensee shall provide to the insurer the name and address of the insurance agent or broker responsible for securing the policy of insurance on behalf of the licensee.

(c) Whenever any insurance policy or benefit plan is cancelled, the insurance company writing the policy shall provide a notice of cancellation as required by this Chapter.

(d) The licensee shall notify the client company and the Commissioner in writing about a discontinuance and replacement, if any, of any health plan or workers' compensation insurance coverage no later than 10 business days after the discontinuance.

(e) The Commissioner, by rule, may require a licensee to file other reports that are reasonably necessary for the administration and enforcement of this Article.

"**§ 58-89-120. Unemployment taxes; payroll.**

A licensee is the employer of an assigned employee for purposes of Chapters 95 and 96 of the General Statutes. The Employment Security Commission shall cooperate with the Commissioner in the investigation of applicants and licensees and shall provide the Commissioner with access to all relevant records and data in the custody of the Employment Security Commission.

"**§ 58-89-125. Posting requirements.**

(a) Each licensee shall post the license issued under this Article in a conspicuous place in the licensee's principal place of business in this State.

(b) Each licensee shall display, in a place that is in clear and unobstructed public view, a notice stating that the business operated at the location is licensed and regulated by the Commissioner and that any questions or complaints may be directed to the Commissioner.

"**§ 58-89-130. Contractual duties.**

Each licensee is responsible for the licensee's contractual duties and responsibilities to manage, maintain, collect, and make timely payments for all of the following:

(1) Insurance premiums.

(2) Benefit and welfare plans.

(3) Other employee withholding.

(4) Any other expressed responsibility that is within the scope of the PEO agreement and that fulfills the duties imposed under this Article.

"**§ 58-89-135. Compliance with other laws.**

Each licensee shall comply with all appropriate State and federal laws relating to reporting, sponsoring, filing, and maintaining benefit and welfare plans.

"**§ 58-89-140. Required information.**

Each licensee shall:

(1) Maintain adequate books and records regarding the licensee's duties and responsibilities, including accounting and employment records relating to all PEO agreement activities, for a minimum of three years.

(2) Maintain and make available at all times to the Commissioner the following information, which shall be treated as proprietary and confidential and which is exempt from disclosure to persons other than other governmental agencies that have a reasonable, legitimate purpose for obtaining the information:

a. The correct name, address, and telephone number of each client company.

b. Each client company contract or PEO agreement.

c. A listing of each client company by classification code as described in the "Standard Industrial Classification Manual" published by the United States Office of Management and Budget.

"**§ 58-89-145. Examinations.**

(a) The Commissioner may conduct an examination of a licensee as often as the Commissioner considers appropriate.

(b) An examination under this Article shall be conducted in accordance with the Examination Law of this Chapter, G.S. 58-2-131 through G.S. 58-2-134.

(c) In lieu of an examination of any foreign or alien person licensed under this Article, the Commissioner may, in the Commissioner's discretion, accept an examination report on the licensee prepared by the appropriate regulator for the licensee's state of domicile.

(d) When making an examination under this Article, the Commissioner may retain attorneys, appraisers, independent actuaries, independent certified public accountants, or other professionals and specialists as examiners, the reasonable cost of which shall be borne by the licensee that is the subject of the examination.

"**§ 58-89-150. Agent for service of process.**

Each resident licensee shall maintain a registered agent for the service of process in this State. The Commissioner shall be each nonresident licensee's agent for service of process as provided in Article 16 of this Chapter.

"Part 4. Penalties and Sanctions.

"**§ 58-89-155. Grounds for disciplinary action.**

(a) The Commissioner may take disciplinary action against a licensee or any person subject to licensure requirements under this Article on any of the following grounds:

(1) Being convicted or having an officer or controlling person of the licensee convicted of:

a. Bribery, fraud, or intentional or material misrepresentation in obtaining or attempting to obtain a license;

b. A crime that relates to the operation of a professional employer organization or the ability of the licensee or any officer or controlling person of the licensee to operate a professional employer organization;

c. A crime that relates to the classification, misclassification, or underreporting of employees required by State law;

d. A crime that relates to the establishment or maintenance of a self-insurance program, whether health insurance, workers' compensation insurance, or other insurance;

e. A crime that relates to fraud, deceit, or misconduct in the operation of a professional employer service; or

f. A crime that involves dishonesty or breach of trust.

(2) Engaging in professional employer services or offering to engage in the provision of professional employer services without a license.

(3) Failure to provide notice in writing of the discontinuance and replacement, if any, of any insurance coverage, to the Commissioner and client company within 10 business days of the discontinuance of any insurance coverage pursuant to G.S. 58-89-115.

(4) Failure to provide the notice required by G.S. 58-50-40.

(5) Failure to satisfy any of the requirements for licensure in this Article.

(b) For purposes of this section, a conviction includes an adjudication of guilt, a plea of guilty, and a plea of nolo contendere.

"**§ 58-89-160. Sanctions.**

(a) On a finding that a ground for disciplinary action exists under G.S. 58-89-155, the Commissioner may suspend or terminate a license, impose a civil penalty, and seek an order of restitution under G.S. 58-2-70.

(b) On termination of a license, the licensee shall immediately return the terminated license to the Commissioner.

(c) Any disciplinary action taken, any temporary or permanent termination of a license, or any determination that an officer or controlling person is unqualified shall be made by the Commissioner subject to Article 3A of Chapter 150B of the General Statutes.

"**§ 58-89-165. Injunctions; civil remedies; cease and desist orders.**

(a) In addition to the penalties and other enforcement provisions of this Article, if any person violates this Article or any rule implementing this Article, the Commissioner

may seek an injunction in a court of competent jurisdiction and may apply for temporary and permanent orders that the Commissioner determines are necessary to restrain the person from committing the violation.

(b) The Commissioner may issue, in accordance with G.S. 58-63-32, a cease and desist order upon a person that violates any provision of this Article, any rule or order adopted by the Commissioner, or any written agreement entered into with the Commissioner. The cease and desist order may be subject to judicial review under G.S. 58-63-35.

(c) When the Commissioner finds that an activity in violation of this Article presents an immediate danger to the public that requires an immediate final order, the Commissioner may issue an emergency cease and desist order reciting with particularity the facts underlying the findings. The emergency cease and desist order is effective immediately upon service of a copy of the order on the respondent and remains effective for 90 days. If the Commissioner begins nonemergency cease and desist proceedings, the emergency cease and desist order remains effective, absent an order by a court of competent jurisdiction in accordance with G.S. 58-63-35.

(d) In addition to the penalties and other enforcement provisions of this Article, any person who violates this Article is subject to G.S. 58-2-70.

(e) The Commissioner is not required to post a bond for injunctive relief under this section.

"**§ 58-89-170. Prohibited acts.**

No person shall do any of the following:

(1) Engage in or offer professional employer services without holding a license under this Article as a professional employer organization.

(2) Use the name or title "staff leasing company", "employee leasing company", "licensed staff leasing company", "staff leasing services company", "professional employer organization", or "administrative employer" or otherwise represent that the person is licensed under this Article unless the person holds a license issued under this Article.

(3) Represent as the person's own the license of another person or represent that a person is licensed if the person does not hold a license.

(4) Give materially false or forged evidence to the Commissioner in connection with obtaining or maintaining a license or in connection with disciplinary proceedings under this Article.

(5) Use or attempt to use a license that has been suspended or terminated.

"**§ 58-89-175. Criminal penalty.**

A person who violates G.S. 58-89-170 commits a Class H felony. Any officer or controlling person who willfully violates any provision of this Article may be subject to any and all criminal penalties available under State law.

"**§ 58-89-180. Application to unlicensed professional employer organizations.**

Notwithstanding any other provision of law, each provision in this Article applies to persons subject to licensure under this Article, whether licensed under this Article or not."

SECTION 2. The Department of Insurance shall report to the 2005 General Assembly on the implementation, administration, and enforcement of Article 89 of Chapter 58 of the General Statutes, as enacted in Section 1 of this act. In its report, the Department shall recommend any statutory changes required to regulate professional employer organizations and enforce Article 89 of Chapter 58 of the General Statutes.

SECTION 3. A person registered to engage in and offer professional employer services in this State, pursuant to G.S. 58-89-15, on the last day prior to the effective date of this act may continue to operate pending approval of the person's application for a license as long as the application is filed with the Commissioner no later than April 1, 2005. If the application for licensure is denied, the person shall cease offering professional employer services in this State. A person not registered to engage in and offer professional employer services in this State, pursuant to G.S. 58-89-15, on the last day prior to the effective date of this act shall not engage in or offer professional employer services in this State until the person has been issued a license under this act.

SECTION 4. If any section or provision of this act is declared unconstitutional, preempted, or otherwise invalid by the courts, it does not affect the validity of the act as a whole or any part other than the part so declared to be unconstitutional, preempted, or otherwise invalid.

SECTION 5. This act becomes effective January 1, 2005, and applies to any contracts entered into, any business conducted, and any actions taken on or after that date.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 2003

S 2

SENATE BILL 20

Finance Committee Substitute Adopted 7/10/03

Short Title: Regulate Professional Employer Organization. (Public)

Sponsors:

Referred to:

February 10, 2003

A BILL TO BE ENTITLED

AN ACT TO REQUIRE LICENSURE OF PROFESSIONAL EMPLOYER ORGANIZATIONS.

The General Assembly of North Carolina enacts:

SECTION 1. Article 89 of Chapter 58 of the General Statutes is rewritten to read:

"Article 89.

"North Carolina Professional Employer Organization Act.

"Part 1. In General.

"**§ 58-89-1. Title.**

This Article shall be known and may be cited as the "North Carolina Professional Employer Organization Act".

"**§ 58-89-5. Definitions.**

In this Article:

(1) "Applicant" means a person applying for a license or a group license under this Article.

(2) "Assigned employee" means an employee who is performing services for a client company under a contract between a licensee and a client company in which employment responsibilities are shared or allocated. "Assigned employee" does not include a temporary employee. Individuals who are directors, shareholders, partners, and managers of a client company are assigned employees to the extent the licensee and the client have agreed that those individuals are assigned employees and provided that those individuals meet the criteria of this subdivision and act as operational managers or perform reviews for the client company.

(3) "Audited GAAP financial statement" means a financial statement that is audited by an independent certified public accountant and presented in accordance with generally accepted accounting principles.

(4) "Client company" means a person that contracts with a licensee and is assigned employees by the licensee under that contract.

(5) "Control", including the terms "controlling", "controlled by", and "under common control with" means the direct or indirect possession of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a commercial contract for goods or nonmanagement services, or otherwise. Control is presumed to exist if any natural person directly or indirectly owns, controls, holds with the power to vote, or holds proxies representing ten percent (10%) or more of the voting securities of any other person. This presumption may be rebutted by a showing made in the manner provided by rule of the Commissioner. The Commissioner may determine, after furnishing all persons in interest notice and opportunity to be heard and making specific findings of fact to support such determination, that control exists in fact, notwithstanding the absence of a presumption to that effect.

(6) "Financial responsibility" means the current and expected future condition of financial solvency sufficient to support a reasonable expectation that an applicant or licensee can successfully conduct its business without jeopardizing the interests of its assigned employees, client companies, or the public.

(7) "Good moral character" means a personal history of honesty, trustworthiness, fairness, a good reputation for fair dealings, and respect for the rights of others and for State and federal laws.

(8) "Hazardous financial condition" has the same meaning as in G.S. 58-47-60(9).

(9) "Licensee" means a person licensed under this Article to provide professional employer services. The term includes a professional employer organization group licensed under G.S. 58-89-35. Unless specifically stated otherwise in this Article, "licensee" includes persons who are licensed under this Article pursuant to alternative licensing procedures as set forth in G.S. 58-89-76.

(10) "Managed services" means services provided by an organization that is the sole employer of employees whom it supplies to staff and manage a specific portion of a company's workforce or a specific facility within a company on an ongoing basis. The managed services organization has responsibility for ensuring the capabilities and skills of the employees it supplies or provides, for all employer functions, for supervisory responsibility over the employees, and for management accountability of the facility or function.

(11) "PEO agreement" means a written contract by and between a client company and a professional employer organization that provides:

a. For the allocation and sharing between the client company and the licensee of the responsibilities of employers with respect to the assigned employees, including hiring, firing, and disciplining of employees; and

b. That the licensee and the client company assume the responsibilities required by this Article.

(12) "Person" has the same meaning as in G.S. 58-1-5(9).

(13) "Personnel placement service" means a service that offers job placement services in which the personnel placement service organization assists persons interested in finding a job with companies that are seeking employees. Companies that hire persons through a personnel placement service are the sole employers of the persons hired, and the personnel placement service does not have any responsibility as an employer.

(14) "Professional employer services" means an arrangement by which employees of a licensee are assigned to work at a client company and in which employment responsibilities are in fact shared by the licensee and the client company in accordance with G.S. 58-89-100, the employee's assignment is intended to be of a long-term or continuing nature, rather than temporary or seasonal in nature, and a majority of the workforce at a client company work site or a majority of the personnel of a specialized group within that workforce consists of assigned employees of the licensee. "Professional employer leasing services" does not include services that provide temporary employees or independent contractors, a personnel placement service, managed services, payroll services that do not involve employee staffing or leasing, the sharing of employees by commonly owned companies within the meaning of section 414(b) and (c) of the Internal Revenue Code of 1986, as amended, or similar groups that do not meet the requirements of this subdivision.

(15) "Professional employer organization" means a person that offers professional employer services and includes "staff leasing services companies", "employee leasing companies", "staff leasing companies", and "administrative employers" who offer or propose to offer professional employer services in this State.

(16) "Professional employer organization group" means a combination of professional employer organizations that operates under a group license issued under this Article.

(17) "Temporary employees" means persons employed under an arrangement by which an organization hires its own employees and assigns them to a client company to support or supplement the client's workforce in a special work situation, including:

a. An employee absence;

b. A temporary skill shortage;

c. A seasonal workload; or
d. A special assignment or project.

"**§ 58-89-10. North Carolina Professional Employer Organization Advisory Council.**

(a) There is created the North Carolina Professional Employer Organization Advisory Council to advise, consult with, and make recommendations to the Commissioner on the regulation of professional employer organizations, as requested by the Commissioner. The Council shall consist of 11 members as follows:

(1) The Commissioner of Insurance or the Commissioner's designee, ex officio.
(2) The Commissioner of Labor or the Commissioner's designee, ex officio.
(3) The Chair of the North Carolina Industrial Commission or the Chair's designee, ex officio.
(4) Two members appointed by the Governor, from a list of five persons recommended by the North Carolina Industrial Commission.
(5) Two members appointed by the Governor who are not involved directly or indirectly with the professional employer services industry.
(6) One member of the General Assembly, appointed by the General Assembly in accordance with G.S. 120-121, upon the recommendation of the President Pro Tempore of the Senate.
(7) One member appointed by the General Assembly, upon the recommendation of the President Pro Tempore of the Senate, who is a representative of the professional employer services industry and who is involved with a professional employer organization that has 3,000 or more assigned employees.
(8) One member of the General Assembly, appointed by the General Assembly in accordance with G.S. 120-121, upon the recommendation of the Speaker of the House of Representatives.
(9) One member appointed by the General Assembly, upon the recommendation of the Speaker of the House of Representatives, who is a representative of the professional employer services industry and who is involved with a professional employer organization that has less than 3,000 assigned employees.

Initial terms begin January 1, 2004.

(b) Other than the initial members of the Council, members of the Council shall serve three-year terms. Initial members of the Council shall serve staggered terms as follows:

(1) The following initial members shall serve terms of three years:
a. One member appointed by the Governor from the list recommended by the North Carolina Industrial Commission.
b. The member of the General Assembly appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate.

c. One member appointed by the Governor who is not directly involved with the professional employer services industry.

d. The member appointed by the General Assembly upon the recommendation of the House of Representatives who is involved with a professional employer organization.

(2) The following initial members shall serve terms of two years:

a. One member appointed by the Governor from the list recommended by the North Carolina Industrial Commission.

b. The member of the General Assembly appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives.

c. One member appointed by the Governor who is not directly or indirectly involved in the professional employer services industry.

d. The member appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate who is involved with a professional employer organization.

(c) The Commissioner of Insurance shall serve as chair of the Council and shall call all meetings of the Council.

(d) The Governor may remove any member of the Council appointed by the Governor for misconduct, incompetence, or neglect of duty. The General Assembly may remove any member appointed by it for the same reasons. The appointing authority making the original appointment shall appoint successors.

(e) All vacancies occurring on the Council shall be filled, for the unexpired term, by the appointing authority making the original appointment. Vacancies in appointments made by the General Assembly shall be filled in accordance with G.S. 120-122.

(f) The Department of Insurance shall furnish the Council with meeting space and clerical and other services required by the Council to conduct its business.

(g) The members of the Council shall not receive compensation or per diem for their service on the Council.

"**§ 58-89-15. Rules.**

(a) The Commissioner may adopt rules necessary to implement, administer, and enforce the provisions of this Article.

(b) Each licensee is subject to this Article and to the rules adopted by the Commissioner.

(c) Nothing in this Article preempts the existing statutory or rule-making authority of any other State agency or entity to regulate professional employer services in a manner consistent with the statutory authority of that State agency or entity.

"**§ 58-89-20. Interagency cooperation.**

A State agency, in performing duties under other law that affects the regulation of professional employer services, shall cooperate with the Commissioner as necessary to implement, administer, and enforce this Article.

"**§ 58-89-25. Effect of other law on client companies and assigned employees.**

(a) This Article does not exempt a client company of a licensee, or any assigned employee, from any other license requirements imposed under local, State, or federal law.

(b) An employee who is licensed, registered, or certified under law and who is assigned to a client company is considered to be an employee of the client company for the purpose of that license, registration, or certification.

(c) A licensee is not engaged in the unauthorized practice of an occupation, trade, or profession that is licensed, certified, or otherwise regulated by a State agency or other political subdivision of the State, including a county or city, by entering into a PEO agreement with a client company and assigned employees.

(d) With respect to a bid, contract, purchase order, program, or agreement entered into with the State or a political subdivision of the State, or State program or benefit otherwise available to a client company, a client company's status, certification, or qualification pursuant to the bid, contract, benefit, program, agreement, or State program shall not be affected because the client company has entered into an agreement with a licensee or utilizes the services of a licensee.

(e) Nothing in this Article or in any professional employer services contract shall affect, modify, or amend any collective bargaining agreement or the rights or obligations of any client company, professional employer organization, or any assigned employee under the National Labor Relations Act, 29 U.S.C. § 151, et seq.

"**§ 58-89-30. Other provisions of this Chapter.**

G.S. 58-2-45, 58-2-50, 58-2-55, 58-2-60, 58-2-65, 58-2-69, 58-2-70, 58-2-75, 58-2-100, 58-2-155, 58-2-163, 58-2-180, 58-2-185, 58-2-200, and 58-3-100 shall apply to persons licensed under this Article.

"Part 2. License Requirements and Limitations.

"**§ 58-89-35. License required; professional employer organization groups.**

(a) No person shall engage in or offer professional employer services in this State unless the person holds a license issued under this Article.

(b) Two or more professional employer organizations that are controlled by the same ultimate parent, entity, or persons may be licensed as a professional employer organization group. A professional employer organization group may satisfy the reporting and financial requirements of this Article on a consolidated basis. As a condition of licensure as a professional employer organization group, each professional employer organization that is a member of the group shall guarantee payment of all financial obligations of every other member.

"**§ 58-89-40. Qualifications for controlling person.**

(a) To be qualified to serve as a controlling person of a licensee under this Article, the controlling person shall be at least 18 years of age, be of good moral character, and have educational, managerial, or business experience relevant to:

(1) Operation of a professional employer organization; or

(2) Service as a controlling person of a professional employer organization.

(b) This section does not apply to persons who are licensed pursuant to the alternative licensing procedures set forth in G.S. 58-89-76 or to entities that are controlling persons.

"**§ 58-89-45. Reserved.**

"**§ 58-89-50. Surety bond; letter of credit.**

(a) An applicant for licensure shall acquire and maintain a surety bond for the benefit of the Commissioner in an amount of seventy-five thousand dollars ($75,000).

(b) The surety bond required by this section shall be in a form prescribed by the Commissioner and issued by an insurer authorized by the Commissioner to write surety business in this State.

(c) The surety bond required by this section may be exchanged or replaced with another surety bond that meets the requirements of this section if 90 days' advance written notice is provided to the Commissioner.

(d) A licensee shall not require a client company to contribute in any manner to the payment of the surety bond required by this section.

(e) Notice of cancellation or nonrenewal of the surety bond required by this section shall be provided to the Commissioner in writing at least 45 days before cancellation or nonrenewal.

(f) In lieu of the surety bond required by this section, an applicant may submit to the Commissioner an irrevocable letter of credit issued by a financial institution, the deposits of which are insured by the Federal Deposit Insurance Corporation, or may maintain on deposit with the Commissioner an amount equal to the amount required under subsection (a) of this section in cash or in value of securities of the kind specified in G.S. 58-5-20 and subject to the same conditions as the surety bond.

(g) This section does not apply to persons who are licensed pursuant to the alternative licensing procedures set forth in G.S. 58-89-76.

"**§ 58-89-55. Reserved.**

"**§ 58-89-60. License application.**

(a) Every applicant for licensure shall file with the Commissioner, on a form prescribed by the Commissioner, the following information:

(1) The name, organizational structure, and date of organization of the applicant, the addresses of the principal office and of all offices in this State, the name of the contact person, the type of operations within this State, and the taxpayer or employer identification number.

(2) A list by jurisdiction of each name under which the applicant has operated in the preceding five years, including any alternative names, names of predecessors, and, if known, names of successor business entities. The list required by this subdivision shall include the parent company name and any trade name, trademark, or service mark of the applicant.

(3) A list of all officers and controlling persons of the applicant, their biographical information, including their management background, and an affidavit from each attesting to his or her good moral character and management competence.

(4) The location of the business records of the applicant.

(5) An attestation, executed by the chief financial officer, the chief executive officer, and a controlling person of the applicant, that the licensee is current as of the date the application is submitted with respect to all of its obligations for payroll, payroll-related taxes, workers' compensation insurance, and employee benefits. If any such obligations are in dispute as of the date the application is submitted with a client company and the disputed amount is material when considered in the context of the applicant's most recent audited financial statement, then the applicant shall disclose the nature of the dispute causing the obligations to be unpaid and the amount of money in controversy.

(6) Any other information the Commissioner deems necessary and requires by rule to establish that the applicant and the officers and controlling persons are of good moral character, business integrity, and financial responsibility.

(b) Every applicant shall file with the Commissioner evidence of financial responsibility. Evidence of financial responsibility includes an audited GAAP financial statement, prepared as of a date not more than 90 days before the date of application that demonstrates that the applicant or licensee is not in a hazardous financial condition and attached to which is a separate document signed by the chief executive officer, the chief financial officer, and any other controlling person of the licensee certifying that (i) each has reviewed the financial statement; (ii) based on each signatory's knowledge, the financial statement does not contain any untrue or misleading statement of material fact or omit a fact with respect to the period covered by the financial statement; and (iii) based on each signatory's knowledge, the financial statement fairly presents in all material respects the financial condition of the licensee as of, and for, the period presented in the financial statement.

Notwithstanding the requirements of this subsection, the Commissioner may accept an audited GAAP financial statement that has been prepared more than 90 days before submission to the Commission if the Commissioner deems it appropriate and subject to conditions imposed by the Commissioner.

(c) Every applicant shall submit to the Commissioner the application fee pursuant to G.S. 58-89-65.

(d) Every applicant shall furnish the Commissioner a complete set of fingerprints and a recent passport-size, full-face photograph of each controlling person. Each controlling person's fingerprints shall be certified by an authorized law enforcement officer.

The Department of Justice may provide to the North Carolina Department of Insurance from the State and National Repositories of Criminal Histories the criminal history of any applicant for licensure as a professional employer organization under this Article. Along with the request, the Department shall provide to the Department of Justice the fingerprints of the applicant, a form signed by the applicant consenting to the criminal record check and use of fingerprints and other identifying information required

by the State and National Repositories, and any additional information required by the Department of Justice. The applicant's fingerprints shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation may forward a set of fingerprints to the Federal Bureau of Investigation for a national criminal history record check. The Department of Insurance shall keep all information obtained pursuant to this subsection confidential. The Department of Justice may charge a fee to offset the cost incurred by it to conduct a criminal record check under this section. The fee shall not exceed the actual cost of locating, editing, researching, and retrieving the information.

In the event that an applicant has secured a professional employer organization license in another state in which the professional employer organization's controlling persons have completed a criminal background investigation within 12 months of this application, a certified copy of the report from the appropriate authority of that state may satisfy the requirement of this subsection. This subsection also applies to a change in a controlling party of a professional employer organization. For purposes of investigation under this subsection, the Commissioner shall have all the power conferred by G.S. 58-2-50 and other applicable provisions of this Chapter.

(e) An application for licensure of a professional employer organization group shall contain the information and submissions required by this section for each member of the group.

(f) No application is complete until the Commissioner has received all information and submissions required under subsections (a) through (e) of this section. Subsections (a) through (e) of this section do not apply to persons who are licensed pursuant to the alternative licensing procedures set forth in G.S. 58-89-76.

(g) The Commissioner may deny the license of an applicant under this Article if, after notice to the applicant and an opportunity for a hearing, the Commissioner finds that a controlling person has:

(1) Made any untrue material statement regarding the background or experience of any controlling person;

(2) Violated, or failed to comply with, any professional employer services law or any rule or order of the Commissioner or of any other State official responsible for the regulation of professional employer services;

(3) Obtained or attempted to obtain the license through misrepresentation or fraud;

(4) Been convicted of a felony;

(5) Been found in a final judgment or administrative proceeding to have committed fraud or an unfair trade practice; or

(6) Been a controlling person in another professional employer organization that has had its license or registration suspended, terminated, or revoked by any state.

(h) If the Commissioner finds that the applicant has not fully met the requirements for licensure, the Commissioner shall refuse to issue the license and shall notify the applicant in writing of the denial, stating the grounds for the denial. The

application may also be denied for any reason for which a license may be suspended or terminated under G.S. 58-89-155. Within 30 days after service of the notification, the applicant may make a written demand upon the Commissioner for a review to determine the reasonableness of the Commissioner's action. The review shall be completed without undue delay, and the applicant shall be notified promptly in writing as to the outcome of the review. Within 30 days after service of the notification as to the outcome, the applicant may make a written demand upon the Commissioner for a hearing under Article 3A of Chapter 150B of the General Statutes if the applicant disagrees with the outcome.

(i) Removal, demotion, or discharge of a controlling person in response to an order of the Commissioner of the alleged unsuitability of that person is an affirmative defense to any claim by that individual based on the removal, demotion, or discharge.

(j) A controlling person who has been evaluated by the Commissioner under this Article is not required to be reevaluated if that person changes the person's affiliation or employment from one applicant or licensee to another applicant or licensee.

(k) After denial, suspension, or termination of a license, and before issuing a new license or reinstating a license, the Commissioner shall review and consider:

(1) The extent to which the applicant or licensee has adequately corrected any problems; and

(2) Whether the applicant or licensee has demonstrated that the applicant or licensee had exercised due diligence to avoid the reason or reasons for the denial or termination.

The applicant or licensee bears the burden of proof with respect to subdivisions (1) and (2) of this subsection.

"**§ 58-89-65. Fees.**

(a) Each applicant for a professional employer organization license or limited professional employer organization license shall pay to the Commissioner, before the issuance of the license, a nonrefundable application fee of one thousand dollars ($1,000).

(b) Each licensee shall pay to the Commissioner when filing the information required under G.S. 58-89-70(d) an annual filing fee of one thousand dollars ($1,000).

(c) Each applicant for alternative licensing under G.S. 58-89-76 and each applicant for renewal of a license provided under G.S. 58-89-76 shall pay to the Commissioner, before issuance or renewal of the license, a fee of five hundred dollars ($500.00).

(d) When the Commissioner finds that a licensee has committed an act that is a ground for disciplinary violation under G.S. 58-89-155 or that a licensee has committed a prohibited act in violation of G.S. 58-89-170, and such decision becomes final following the conclusion of all administrative or judicial proceedings, the Commissioner may charge an applicant or licensee reasonable fees to recover the Department's costs associated with investigations, inspections, examinations, and any other administrative or enforcement responsibilities created under this Article.

(e) Fees collected by the Commissioner under this Article shall be deposited in the Insurance Regulatory Fund under G.S. 58-6-25 and shall be used to implement this Article.

"**§ 58-89-70. License issuance and maintenance.**

(a) The Commissioner shall issue a license to an applicant whom the Commissioner determines has satisfied the requirements of this Article. The Commissioner shall notify an applicant of any deficiency in the application not later than the 60th day after the date on which the Commissioner receives the application. The Commissioner shall issue the license not later than the 90th day after the date on which the completed application is filed with the Commissioner.

(b) A license issued by the Commissioner under this Article shall remain in effect until revoked, suspended, surrendered, or otherwise terminated.

(c) By obtaining licensure under this Article, the controlling persons of a licensee certify, under penalty of law, their compliance with the requirements of licensure and of operation as a professional employer organization pursuant to this Article.

(d) Within 120 days after the end of each fiscal year, each licensee shall file with the Commissioner all of the following information:

(1) Evidence of "financial responsibility" as set forth in G.S. 58-89-60(b).

(2) Any information required by G.S. 58-89-60(a)(1), (2), (3), or (4) for which there has been a change since the last or initial filing. Any change of controlling persons may subject the licensee to a background investigation of those controlling persons as required by G.S. 58-89-60.

(3) Information required by G.S. 58-89-60(a)(6).

(4) The annual filing fee, pursuant to G.S. 58-89-65.

(5) Any other information the Commissioner determines is needed for the review of a licensee.

(e) In order to maintain licensure, each licensee may be required to file with the Commissioner no later than 45 days after the end of each quarter of the fiscal year:

(1) A financial statement for the preceding quarter that is not audited and is set forth in a format similar to the annual audited GAAP financial statement; and

(2) An attestation, executed by the chief financial officer, the chief executive officer, and a controlling person of the licensee, that the licensee is current with respect to all of its obligations for payroll, payroll-related taxes, workers' compensation insurance, and employee benefits. If any of the obligations listed in this subdivision are in dispute with a client and the disputed amount is material when considered in the context of the licensee's most recent audited financial statement, then the licensee shall disclose the nature of the dispute causing the obligations to be unpaid and the amount of money in controversy.

"**§ 58-89-75. Limited license.**

The Commissioner by rule shall provide for the issuance of a limited license to a person who seeks to offer limited professional employer services in this State.

"**§ 58-89-76. Alternative licensing.**

The Commissioner, by rule, may provide for the acceptance of an affidavit by a bonded, independent, and qualified assurance organization that has been approved by the Commissioner certifying the qualifications of a professional employer organization for licensing under this Article in lieu of the requirements of G.S. 58-89-40 through G.S. 58-89-60.

"**§ 58-89-80. License not assignable; change of name or location.**

(a) A licensee shall not conduct business under any name other than that specified in the license. A license issued under this Article is not assignable. A licensee shall not conduct business under any fictitious or assumed name without prior written authorization from the Commissioner. The Commissioner shall not authorize the use of a name that is so similar to that of a public office or agency or to that of another licensee that the public may be confused or misled by the name's use. A licensee shall not conduct business under more than one name unless the licensee has obtained a separate license for each name or the licensee is operating under a group license pursuant to G.S. 58-89-35.

(b) Except as provided in this subsection, a licensee may change the licensee's licensed name only once in a calendar year by notifying the Commissioner and paying a fee for the change of name. The fee for a name change shall be fifty dollars ($50.00). A licensee may change the licensee's name without the payment of the name change fee if the name change is submitted with the information required by G.S. 58-89-70(d). If a licensee has changed its name once during a calendar year, the licensee shall not change its name again unless the name change is approved by the Commissioner.

(c) A licensee shall notify the Commissioner in writing within 30 days of any change in the status of the licensee, including:

(1) Any change in the location of the licensee's primary business office;

(2) The addition of more business offices; or

(3) A change in the location of business records maintained by the licensee.

(d) A licensee may advertise in this State using only the name that is on the license issued by the Commissioner.

(e) Each written proposal provided to a prospective client company and each PEO agreement between a licensee and a client company or assigned employee shall clearly identify the name of the licensee.

"**§ 58-89-85. Supervision; rehabilitation; liquidation.**

If at any time the Commissioner determines, after notice and an opportunity for the licensee to be heard, that a licensee (i) has been or will be unable, in such a manner as may endanger the ability of the licensee, to fully perform its obligations pursuant to this Article or (ii) is bankrupt or in a hazardous financial condition, the Commissioner may either (i) commence a supervision proceeding pursuant to Article 30 of this Chapter or (ii) apply to the Superior Court of Wake County or to the federal bankruptcy court that

has previously taken jurisdiction over the licensee, if applicable, for an order directing the Commissioner or authorizing the Commissioner to rehabilitate or to liquidate a licensee in accordance with Article 30 of this Chapter.

"**§ 58-89-90. Reserved.**

"Part 3. Licensee Duties and Responsibilities.

"**§ 58-89-95. Agreement; notice.**

(a) A licensee shall establish the terms of a PEO agreement by a written contract between the licensee and the client company.

(b) The licensee shall give written notice of the agreement, by agreement or otherwise, as it affects assigned employees to each employee assigned to a client company work site. This written notice shall be given to each assigned employee not later than the first payday after the date on which that individual becomes an assigned employee.

(c) The licensee shall give each employee written notice when the employee ceases to be an employee of the licensee.

"**§ 58-89-100. Contract requirements.**

A contract between a licensee and a client company shall provide:

(1) That the licensee reserves a right of direction and control over employees assigned to a client company's work sites. However, a client company may retain such sufficient direction and control over the assigned employees as is necessary to conduct the client company's business and without which the client company would be unable to conduct its business, to discharge any fiduciary responsibility that it may have, or to comply with any applicable licensure, regulatory, or statutory requirement of the client company. The PEO agreement shall provide that employment responsibilities not allocated to the licensee by the PEO agreement or this section remain with the client company.

(2) That the licensee assumes responsibility for the payment of wages to the assigned employees as agreed to in the PEO agreement.

(3) That the licensee assumes responsibility for the payment of payroll taxes and collection of taxes from payroll on assigned employees.

(4) That the licensee reserves a right to hire, fire, and discipline the assigned employees.

(5) That the licensee retains a right of direction and control over the adoption of employment policies and the management of workers' compensation claims, claim filings, and related procedures in accordance with applicable federal laws and the laws of this State.

(6) That responsibility to obtain workers' compensation coverage for assigned employees, from an entity authorized to do business in this State and otherwise in compliance with all applicable requirements, shall be specifically allocated in the PEO agreement to either the client company or the licensee. If the responsibility is allocated to the licensee under any such agreement, that agreement shall require that the licensee maintain and provide to the client company, at the

termination of the agreement if requested by the client company, records regarding the loss experience related to workers' compensation insurance provided to assigned employees pursuant to the agreement.

"**§ 58-89-105. Employee benefit plans; required disclosure; other reports.**

(a) A licensee may sponsor and maintain employee benefit plans for the benefit of assigned employees.

(b) A client company may sponsor and maintain employee benefit plans for the benefit of assigned employees.

(c) If a licensee offers to its assigned employees any health benefit plan that is not fully insured by an authorized insurer, the plan shall:

(1) Utilize a third-party administrator licensed or registered to do business in this State;

(2) Hold all plan assets, including participant contributions, in a trust account; and

(3) Provide sound reserves for the plan as determined using generally accepted actuarial standards.

(d) For purposes of this section, a "plan of self-insurance" includes any arrangement except an arrangement under which an insurance company licensed to write insurance in this State has issued an insurance policy that covers all of the obligations of the health benefit plan.

"**§ 58-89-110. Workers' compensation insurance.**

(a) A licensee or the licensee's client company shall provide workers' compensation insurance coverage through a licensed insurance carrier or a licensed self-insurance plan for the licensee's assigned employees as provided in Chapter 97 of the General Statutes, the Workers' Compensation Act. To the extent that the licensee secures and maintains workers' compensation coverage for assigned employees, the carrier may elect to provide such coverage to the licensee pursuant to either the multiple coordinated policy method, as set forth in subsection (b) of this section, or the single policy method, as set forth in subsection (c) of this section.

(b) If the licensee provides workers' compensation coverage pursuant to the multiple coordinated policy method, the licensee shall secure a separate policy for each client company of the licensee. Each policy shall identify the name of the client company and the licensee. The licensee shall be named as the insured and identify the client company. The licensee shall specify that it is the labor contractor for the client company by using the designation "L/C/F" on the policy.

Each policy shall expire on the same date. The policy shall not include coverage for nonleased employees of the client company or employees solely employed by the licensee. Only the licensee, as the first-named insured under such a policy, may request the insurer to cancel the policy. Each policy shall be sent to the licensee as the named insured.

The client company of a licensee shall have a continuing obligation to provide coverage as required by Chapter 97 of the General Statutes, the Workers' Compensation Act, for any employees of the client company who are not assigned employees and not otherwise covered under a policy described in this subsection.

If a client company of a licensee leases employees from more than one licensee, there shall be a separate policy for the assigned employees of each licensee.

The workers' compensation carrier also shall issue a policy covering the internal employees of the licensee unless they are otherwise covered.

All policies written in accordance with this subsection by the same insurance carrier that reference the same licensee as labor contractor shall be combined for premium discount purposes.

When policies written in accordance with this subsection are written by the same insurance carrier, the carrier and licensee may agree to a retrospective rating program or any other permitted pricing program.

Whenever a policy written in accordance with this subsection is cancelled, the insurance company writing the policy shall provide individual notices of cancellation as required by this Chapter to the licensee and the client company of the licensee.

(c) If the licensee provides workers' compensation coverage pursuant to the single policy method, the insurer shall issue to the licensee a single policy covering all assigned employees in this State in accordance with Chapter 97 of the General Statutes, the Workers' Compensation Act, and any other applicable laws or rating plans of this State.

As a condition of issuing a single policy, the licensee shall provide to the insurer of the policy all of the following information regarding each client company of the licensee with assigned employees in this State:

(1) The correct legal name, any fictitious names, and the federal identification number.

(2) The name and address of the president and chief executive officer.

(3) The business mailing address.

(4) The business telephone number and facsimile number.

The licensee shall also provide to the insurer the name and address of the insurance agent or broker responsible for securing the policy of insurance on behalf of the licensee.

The insurer shall issue to each client company of the licensee a certificate of insurance on the single policy. The certificate of insurance shall require that the insurer provide notice of cancellation to the licensee and the client company of the licensee.

Whenever a policy written in accordance with this subsection is cancelled, the insurance company writing the policy shall provide individual notices of cancellation as required by this Chapter to the licensee and the client company of the licensee.

If the insurer fails to provide individual notices of cancellation to the licensee and the client company, the insurer shall remain liable on the risk for losses incurred by the client company that would have been covered by the workers' compensation policy prior to the attempted cancellation.

(d) A license shall not be issued to any professional employer organization unless the organization first files with the Commissioner evidence of workers' compensation coverage for all assigned employees in this State, including those leased from or coemployed with another person, and that the premium paid by the licensee is

commensurate with exposure and anticipated claim experience for all employees covered under policies in the name of the licensee.

(e) Each licensee shall maintain and make available to its workers' compensation carrier on an annual basis the following information:

(1) The correct name and federal identification number of each client company.

(2) A listing of all covered employees provided to each client company, by classification code.

(3) The total eligible wages, by classification code, and the premiums due to the carrier for the employees provided to each client company.

(4) Sufficient information to permit the calculation of an experience modification factor for each client company upon termination of the professional employer relationship. Information accruing during the term of the leasing arrangement that is used to calculate an experience modification factor for a client company upon termination of the leasing relationship shall continue to be used in the future experience ratings of the licensee.

(f) Every Form 19 "Employer's Report of Employee's Injury or Occupational Disease to the Industrial Commission" filed with the Industrial Commission shall identify by name and address both the licensee and the client company employing the employee who is the subject of the Form 19.

(g) A licensee shall, within 30 days of initiation or termination of the licensee's relationship with any client company, notify its workers' compensation carrier, the Commissioner, and the North Carolina Industrial Commission of both the initiation and termination of the relationship. If the client company terminates the relationship between the licensee and the client company, the notice required by this subsection shall be given within 10 days of the licensee's actual knowledge of the termination.

(h) If the professional employer services arrangement with a client company is terminated, the client company shall be assigned an experience modification factor that reflects its experience during the experience period specified by the approved experience rating plan, including, if applicable, experience incurred for assigned employees under the PEO agreement.

(i) A client company shall not enter into a PEO agreement or be eligible for workers' compensation coverage in the voluntary market if the client-workers' company owes its current or prior carrier any premium for workers' compensation insurance, or if the client company owes its current or prior professional employer organization amounts due under the PEO agreement, except for premiums or amounts due that are subject to dispute. For the purposes of this section and compliance with other laws and rules, a licensee may rely on a statement by the client company that the client company has met any and all prior premium or fee obligations, unless the licensee has actual knowledge to the contrary.

(j) This section shall not prevent a client company of a licensee from providing workers' compensation insurance coverage for assigned employees coemployed by the

client company and the licensee through a policy of insurance issued by a licensed insurance carrier in the name of the client company as the insured.

(k) Irrespective of whether the licensee or client company maintains the policy of workers' compensation insurance for the covered employees pursuant to the PEO agreement, the licensee and the client company shall be entitled to the exclusivity of the remedy under both the workers' compensation and the employer liability provision of the workers' compensation policy or plan that either party has secured and shall both be afforded the protections provided under Chapter 97 of the General Statutes. The licensee shall be entitled, along with the client company, to the exclusivity of the remedy under both the workers' compensation and employers' liability provision of the workers' compensation policy or plan that either party has secured.

(l) All assigned risk policies for client companies of the same licensee shall be assigned to one workers' compensation carrier in the State and in other states to the extent possible.

"**§ 58-89-112. Liabilities.**

Subject to any contrary provisions thereof, the PEO agreement shall be interpreted for purposes of insurance, bonding, and employer's liability as follows:

(1) A licensee is not liable for the acts, errors, or omissions of a client company or of any assigned employee or for the quality, adequacy, or safety of the goods or services produced or sold in the client company's business. A client company is not liable for the acts, errors, or omissions of a licensee or of any employee of a licensee. Nothing in this section limits any contractual liability between a licensee and the client company or limits any liability or responsibility under this Article.

(2) Employees assigned to a client company by a licensee are the employees of the client company for the purposes of general liability insurance, automobile insurance, fidelity bonds, surety bonds, and liquor liability insurance carried by the client company unless the employees are included by specific reference in the applicable PEO agreement, insurance contract, or bond.

"**§ 58-89-115. Benefit plan notice.**

(a) With respect to any insurance or benefit plan provided by a licensee for the benefit of its assigned employees, a licensee shall disclose all of the following information to the Commissioner and each client company:

(1) The type of coverage.

(2) The identity of each insurer for each type of coverage.

(3) The amount of benefits provided for each type of coverage and to whom or on whose behalf benefits are to be paid.

(4) The policy limits on each insurance policy.

(5) Whether the coverage is fully insured, partially insured, or fully self-funded.

(b) With respect to any insurance or benefit plan provided by a licensee for the benefit of its assigned employees, a licensee shall provide to the insurer the name and

address of the insurance agent or broker responsible for securing the policy of insurance on behalf of the licensee.

(c) Whenever any insurance policy or benefit plan is cancelled, the insurance company writing the policy shall provide a notice of cancellation as required by this Chapter.

(d) The licensee shall notify the client company and the Commissioner in writing about a discontinuance and replacement, if any, of any health plan or workers' compensation insurance coverage no later than 10 business days after the discontinuance.

(e) The Commissioner by rule may require a licensee to file other reports that are reasonably necessary for the administration and enforcement of this Article.

"**§ 58-89-120. Unemployment taxes; payroll.**

A licensee is the employer of an assigned employee for purposes of Chapters 95 and 96 of the General Statutes. The Employment Security Commission shall cooperate with the Commissioner in the investigation of applicants and licensees and shall provide the Commissioner with access to all relevant records and data in the custody of the Employment Security Commission.

"**§ 58-89-125. Posting requirements.**

(a) Each licensee shall post the license issued under this Article in a conspicuous place in the licensee's principal place of business in this State.

(b) Each licensee shall display, in a place that is in clear and unobstructed public view, a notice stating that the business operated at the location is licensed and regulated by the Commissioner and that any questions or complaints may be directed to the Commissioner.

"**§ 58-89-130. Contractual duties.**

Each licensee is responsible for the licensee's contractual duties and responsibilities to manage, maintain, collect, and make timely payments for all of the following:

(1) Insurance premiums.

(2) Benefit and welfare plans.

(3) Other employee withholding.

(4) Any other expressed responsibility that is within the scope of the PEO agreement and that fulfills the duties imposed under this Article.

"**§ 58-89-135. Compliance with other laws.**

Each licensee shall comply with all appropriate State and federal laws relating to reporting, sponsoring, filing, and maintaining benefit and welfare plans.

"**§ 58-89-140. Required information.**

Each licensee shall:

(1) Maintain adequate books and records regarding the licensee's duties and responsibilities, including accounting and employment records relating to all PEO agreement activities, for a minimum of three years.

(2) Maintain and make available at all times to the Commissioner the following information, which shall be treated as proprietary and confidential and which is exempt from disclosure to persons other than

other governmental agencies that have a reasonable, legitimate purpose for obtaining the information:

a. The correct name, address, and telephone number of each client company.

b. Each client company contract or PEO agreement.

c. A listing of each client company by classification code as described in the "Standard Industrial Classification Manual" published by the United States Office of Management and Budget.

"**§ 58-89-145. Examinations.**

(a) The Commissioner may conduct an examination of a licensee as often as the Commissioner considers appropriate.

(b) An examination under this Article shall be conducted in accordance with the Examination Law of this Chapter, G.S. 58-2-131 through G.S. 58-2-134.

(c) In lieu of an examination of any foreign or alien person licensed under this Article, the Commissioner may accept an examination report on the licensee prepared by the appropriate regulator for the licensee's state of domicile.

(d) When making an examination under this Article, the Commissioner may retain attorneys, appraisers, independent actuaries, independent certified public accountants, or other professionals and specialists as examiners, the reasonable cost of which shall be borne by the licensee that is the subject of the examination.

"**§ 58-89-150. Agent for service of process.**

Each resident licensee shall maintain a registered agent for the service of process in this State. The Commissioner shall be each nonresident licensee's agent for service of process as provided in Article 16 of this Chapter.

"Part 4. Penalties and Sanctions.

"**§ 58-89-155. Grounds for disciplinary action.**

(a) The Commissioner may take disciplinary action against a licensee on any of the following grounds:

(1) Being convicted or having an officer or controlling person of the licensee convicted of:

a. Bribery, fraud, or intentional or material misrepresentation in obtaining or attempting to obtain a license;

b. A crime that relates to the operation of a professional employer organization or the ability of the licensee or any officer or controlling person of the licensee to operate a professional employer organization;

c. A crime that relates to the classification, misclassification, or underreporting of employees required by State law;

d. A crime that relates to the establishment or maintenance of a self-insurance program, whether health insurance, workers' compensation insurance, or other insurance;

e. A crime that relates to fraud, deceit, or misconduct in the operation of a professional employer service; or

f. A crime that involves dishonesty or breach of trust.

(2) Engaging in professional employer services or offering to engage in the provision of professional employer services without a license.

(3) Failure to provide notice in writing of the discontinuance and replacement, if any, of any insurance coverage, to the Commissioner and client company within 10 business days of the discontinuance of any insurance coverage pursuant to G.S. 58-89-115.

(4) Failure to provide the notice required by G.S. 58-50-40.

(5) Failure to satisfy any of the requirements for licensure in this Article.

(b) For purposes of this section, a conviction includes an adjudication of guilt, a plea of guilty, and a plea of nolo contendere.

"**§ 58-89-160. Sanctions.**

(a) On a finding that a ground for disciplinary action exists under G.S. 58-89-155, the Commissioner may suspend or terminate a license, impose a civil penalty, and seek an order of restitution under G.S. 58-2-70.

(b) On termination of a license, the licensee shall immediately return the terminated license to the Commissioner.

(c) Any disciplinary action taken, any temporary or permanent termination of a license, or any determination that an officer or controlling person is unqualified shall be made by the Commissioner subject to Article 3A of Chapter 150B of the General Statutes.

"**§ 58-89-165. Injunctions; civil remedies; cease and desist orders.**

(a) In addition to the penalties and other enforcement provisions of this Article, if any person violates this Article or any rule implementing this Article, the Commissioner may seek an injunction in a court of competent jurisdiction and may apply for temporary and permanent orders that the Commissioner determines are necessary to restrain the person from committing the violation.

(b) Any person damaged by the acts of a person in violation of this Article may bring a civil action against the person committing the violation in a court of competent jurisdiction.

(c) The Commissioner may issue, in accordance with G.S. 58-63-32, a cease and desist order upon a person that violates any provision of this Article, any rule or order adopted by the Commissioner, or any written agreement entered into with the Commissioner. The cease and desist order may be subject to judicial review under G.S. 58-63-35.

(d) When the Commissioner finds that an activity in violation of this Article presents an immediate danger to the public that requires an immediate final order, the Commissioner may issue an emergency cease and desist order reciting with particularity the facts underlying the findings. The emergency cease and desist order is effective immediately upon service of a copy of the order on the respondent and remains effective for 90 days. If the Commissioner begins nonemergency cease and desist proceedings, the emergency cease and desist order remains effective, absent an order by a court of competent jurisdiction in accordance with G.S. 58-63-35.

(e) In addition to the penalties and other enforcement provisions of this Article, any person who violates this Article is subject to G.S. 58-2-70.

(f) The Commissioner is not required to post a bond for injunctive relief under this section.

"**§ 58-89-170. Prohibited acts.**

No person shall do any of the following:

(1) Engage in or offer professional employer services without holding a license under this Article as a professional employer organization.

(2) Use the name or title "staff leasing company", "employee leasing company", "licensed staff leasing company", "staff leasing services company", "professional employer organization", or "administrative employer" or otherwise represent that the person is licensed under this Article unless the person holds a license issued under this Article.

(3) Represent as the person's own the license of another person or represent that a person is licensed if the person does not hold a license.

(4) Give materially false or forged evidence to the Commissioner in connection with obtaining a license or in connection with disciplinary proceedings under this Article.

(5) Use or attempt to use a license that has been suspended or terminated.

"**§ 58-89-175. Criminal penalty.**

A person who violates G.S. 58-89-170 commits a Class H felony. Any officer or controlling person who willfully violates any provision of this Article may be subject to any and all criminal penalties available under State law."

SECTION 2. The Department of Insurance shall report to the 2005 General Assembly on the implementation, administration, and enforcement of Article 89 of Chapter 58 of the General Statutes, as enacted in Section 1 of this act. In its report, the Department shall recommend any statutory changes required to regulate professional employer organizations and enforce Article 89 of Chapter 58 of the General Statutes.

SECTION 3. Each professional employer organization operating within this State as of January 1, 2004, shall complete its initial licensing not later than 180 days after January 1, 2004. Each professional employer organization not operating within this State as of January 1, 2004, shall complete its initial licensing prior to commencement of operations within this State.

SECTION 4. If any section or provision of this act is declared unconstitutional, preempted, or otherwise invalid by the courts, it does not affect the validity of the act as a whole or any part other than the part so declared to be unconstitutional, preempted, or otherwise invalid.

SECTION 5. This act becomes effective January 1, 2004, and applies to any contracts entered into, any business conducted, and any actions taken on or after that date.

SENATE BILL 20:
Regulate Professional Employer Organization

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	Sen. Bingham
Date:	June 23, 2004	**Analysis by:**	Martha Walston, committee counsel and Frank Folger, Department of Insurance
Version:	S20-CSLAf-66[v.5]		

SUMMARY: ***Senate Bill 20 is intended to enhance the regulatory oversight of professional employer organizations (PEOs). If enacted, the bill would supplant the current registration scheme found in Article 89 of Chapter 58 (G.S. 58-89-1 through 58-89-30). The bill is in House Finance because it imposes fees.***

BACKGROUND: The professional employer organization industry is known as an employee leasing industry. A PEO establishes a contractual relationship with a client company. Under the contract, a co-employment relationship is created between the client company, the PEO, and the employees of the client company. The PEO becomes the employer of the client company's employees and assumes the obligations related to human resources, workers' compensation, payroll, labor law compliance, employment taxes and employment benefits as provided in the contract. Currently, seventeen states, including North Carolina, provide some form of licensing, registration, or regulation for PEO's.

In 1002, the General Assembly enacted SB 1281 (S.L. 2002-168) which requires PEOs to register with the Department of Insurance. The registration consists of the completion of an application and payment of a one-time fee of $250. A person cannot perform professional employer services without being registered with the Department. A person who violates the registration requirement may be subjected to a Class H felony.

BILL ANALYSIS (provided by Frank Folger with the Department of Insurance):
Following is a section-by-section summary, and within a statute-by-statute summary, of SB 20:

SECTION 1. Includes the entire newly-created statutory structure for licensing and regulation of PEOs as a rewrite of Article 89. It restructures the Article into four (4) parts.

Part 1. In General

§58-89-1. States the title of the Act.

§58-89-5. Creates new definitions in addition to existing definitions.

§58-89-10. Establishes an 11-member council, chaired by the Commissioner of Insurance, to advise, consult and make recommendations to the Commissioner on the regulation of PEOs.

§58-89-15 Grants the Commissioner rulemaking authority to carry out the Article's provisions and subjects PEOs to the Article and rules adopted thereunder.

§58-89-20. Requires interagency cooperation in the regulation of PEOs.

§58-89-25. Clarifies that the Article does not exempt any client company or any assigned employee from any other license requirement. An assigned employee who is licensed, certified or registered is considered an employee of the client company for purposes of the license, certification, or registration. The existence of a PEO agreement does not affect or alter the client company's contractual abilities and relationship with the State or any other entity or any other labor related rights, obligations or agreements..

§58-89-30. Sets forth the Chapter 58 statutes applicable to PEOs.

§58-89-31. Provides that a client is entitled to the benefit of any tax credit, economic incentive, or other benefit arising as the result of employment of covered employees of the client.

Part 2. License Requirements and Limitations

§58-89-35. Requires licensure of any person providing professional employer services in this State, and authorizes the licensure of PEO groups.

§58-89-40. Requires each controlling person be 18; be of good moral character; and have the requisite education or experience to operate or serve as a controlling person of a PEO. Exempts alternative licensees from this statute.

§58-89-50. Requires each applicant for licensure to file a $100,000 (was $75,000 in Senate version) surety bond with the Commissioner or submit an irrevocable letter of credit to or deposit cash or securities with the Commissioner in the same amount. Exempts alternative licensees.

§58-89-60. Sets forth what must be submitted in the application for licensure, including attestation by the CFO and CEO that the applicant for licensure is current in all its obligations for payroll, payroll-related taxes, workers' compensation insurance, and employee benefits; evidence of financial responsibility, an application fee of $500 for alternative licensing and $1000 for all others; and fingerprints and photos for officers, directors and controlling persons. Application for a PEO group must contain required submissions and information for each member of the group. Alternative licensees are exempt from this statute. Also sets forth the specific grounds for which and administrative procedures by which the Commissioner may deny an applicant licensure, including any reason which is grounds for suspending or terminating an existing license pursuant to G.S. 58-89-155.

§58-89-65 Requires an annual license continuation fee of $500 for alternative licensees (pursuant to G.S. 58-89-70) and $1000 for all other licensees; and allows the Department to charge a licensee for reasonable fees and costs incurred in investigating, inspecting, examining and enforcing the Article when ruling of a violation of the Article by the licensee is final.

§58-89-70. Sets forth procedural requirements governing licensure and maintenance of a license.

§58-89-75. Requires the Commissioner adopt rules for limited licensure.

§58-89-76. Authorizes the Commissioner to adopt rules for accepting an affidavit by a qualified assurance organization approved by the Commissioner certifying qualifications of a PEO for licensure in lieu of compliance with the general requirements for licensure under 58-89-40 through 58-89-60.

§58-89-80. Prohibits the misleading use of names by a licensee; limits licensee name changes; requires notice of change in business office and business record locations; and prohibits the misleading use of names in advertising.

§58-89-85. Authorizes the Commissioner upon the requisite determination to commence a supervision proceeding or seek an order to rehabilitate or liquidate a licensee.

Part 3. Licensee Duties and Responsibilities

§58-89-95. Provides that terms of a PEO agreement must be in writing and that the licensee give written notice of the agreement as it affects assigned employees to each employee assigned to a client company work site no later than the first payday after the date the individual became an assigned employee.

§58-89-100. Sets forth the required provisions of the contract between the PEO and the client company, including the PEOs responsibility regarding payment of wages, payment of payroll taxes, collection of taxes from payroll, and the specific allocation or designation of responsibility to obtain workers compensation coverage from an entity authorized to do business in this State.

§58-89-105. Authorizes a licensed PEO and client company, each, to sponsor and maintain employee benefit plans for assigned employees and requires any health benefit plan not fully insured by an authorized insurer, be administered by a TPA licensed or registered to do business in N.C., all plan assets be held in a trust account, and actuarially sound reserves be provided for the plan.

§58-89-110. Requires that either the licensed PEO or the client company provide workers comp insurance coverage through a licensed insurer or as a licensed self-insurer and, in the case of the licensed PEO providing coverage, allows the use of either a multiple coordinated policy method or a single policy method of coverage. This statute sets forth the requirements when using each type of methodology.

§58-89-112. Provides for default allocation of liability, subject to contrary contractual provisions and dictates the default rule for who's covered under certain liability insurance and bonds.

§58-89-115. Sets forth insurance and health benefit plans disclosures that must be made by the PEO to the Commissioner and each client company. Also sets forth cancellation notice requirements and related matters.

§58-89-120. Establishes the licensed PEO as the employer for purposes of Chapters 95 and 96 of the General Statutes and requires ESC cooperation in investigating applicants and licensees.

§58-89-125. Requires each licensee to post its license in a conspicuous place in its principal place of business and notice in each client company that the location is licensed by the Commissioner, with contact information.

§58-89-130. Requires each licensee to manage, maintain, collect and make timely payments for all its contractual responsibilities and statutory duties.

§58-89-135. Requires licensee compliance with all appropriate State and federal laws for reporting, sponsoring, filing, and maintaining benefit/welfare plans.

§58-89-140. Requires each licensee maintain adequate business records regarding its duties and responsibilities for at least 3 years and maintain and make available to the Commissioner at all times client company contact information, PEO agreements, and a listing of each client company by classification code

§58-89-145. Authorizes the Commissioner to examine any licensee, in accordance with the Examination Law (G.S. 58-2-131 through 58-2-134) and to accept a foreign examination report in lieu of conducting an in-State examination.

§58-89-150. Requires each licensee maintain a N.C. registered agent for service of process but makes the Commissioner the agent for nonresidents.

Part 4. Penalties and Sanctions

§58-89-155. Authorizes the Commissioner to take disciplinary action against a PEO for grounds including: convictions for certain crimes by its controlling persons, acting as an unlicensed PEO; and failure to meet notice requirements.

§58-89-160. Authorizes the Commissioner, upon the requisite determination, to suspend or terminate the license, impose a civil penalty, seek an order of restitution under 58-2-70, or utilize any combination of sanctions against a PEO.

§58-89-165. Authorizes Commissioner to seek injunctive relief against any person violating the Article or any rule implementing the Article; issue a cease and desist order against a violator of the Article, applicable rule or order; issue an emergency cease and desist order when the violation presents an immediate danger to the public. Any violator is subject to enforcement provisions of 58-2-70.

§58-89-170. Prohibits any person from acting as a PEO without a license; any PEO from misrepresenting itself; or any PEO from providing false or forged evidence in connection with licensure; or any PEO from using a terminated or suspended license.

§58-89-175. Subjects violators of 58-89-170 to a Class H felony criminal penalty and specifies that any officer or controlling person willfully violating any Article provision may be subject to any and all criminal penalties available under State law.

§58-89-180. Provides that the provisions of the Article apply to unauthorized PEOs.

SECTION 2. Requires the Dept. of Insurance to report to the 2005 General Assembly on the implementation, administration, and enforcement of the newly rewritten Article in Section 1 of the bill and recommend any statutory changes needed to regulate PEOs and enforce the Article.

SECTION 3. Allows for continued operation for PEOs registered as of the effective date of the act pending approval of the application if the application for licensure is filed by April 1, 2005.

SECTION 4. Is a severability clause provision.

SECTION 5. Makes the act effective January 1, 2005 and applicable to contracts entered into, any business conducted, and any actions taken on or after that date.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Departments of Insurance, Justice and Correction; Administrative Office of the Courts (AOC); Employment Security Commission

EFFECTIVE DATE: This act becomes effective January 1, 2005.

BILL SUMMARY: Senate Bill 20 would require Professional Employer Organizations (PEO's) to be licensed in order to do business in this State. The PCS changes the effective date from January 1, 2004 to January 1, 2005. In 2002, the General Assembly enacted SB 1281 [S.L. 2002-168] which requires PEO's to register with the Department of Insurance. The registration consists of the completion of an application and payment of a one-time fee of $250.00. A person cannot perform professional employer services without being registered with the Department. A person who violates the registration requirement may be subjected to a Class H felony. Senate Bill 20 imposes additional requirements on PEO's and gives the Department of Insurance disciplinary authority over licensees. Finally, the proposed committee substitute specifies that the client is entitled to the benefit of any tax credit, economic incentive, or other benefit arising as the result of employment of covered employees of the client.

ASSUMPTIONS AND METHODOLOGY:

Insurance Regulatory Fund Revenue: This bill would require PEO's to apply for licensure and to submit a $1,000 application fee that will be deposited into the Insurance Regulatory Fund. Each licensed PEO would also be required to apply for license renewal and to submit a $1,000 renewal fee, also to be deposited into the Insurance Regulatory Fund. Currently, there are 11 registered PEO groups with 49 member companies, 84 individually registered PEO's, and 4 PEO's with pending registrations. Thus, the revenue from the application fee for the 99 (11 groups + 84 individuals + 4 pending) is expected to be $99,000 annually. The Department expects that there will be some growth in the number of licensed PEO's. However, at this time, there is not sufficient data or experience on which to estimate what that growth will be.

Department of Insurance Expenditures: Senate Bill 20 requires the Department of Insurance to administer the licensing laws for PEO's. The Commissioner of Insurance would have the authority to adopt rules necessary to administer the licensing laws and to take appropriate disciplinary actions. The Commissioner would also serve as the chair of the North Carolina Professional Employer Organization Advisory Council and the Department would provide meeting space and clerical and other services required by the Council to conduct its business.

The Department will be responsible for monitoring and regulating PEO's to ensure their compliance with the licensing laws similarly to the manner in which it currently provides oversight and regulation of insurance companies and continuing care entities. These responsibilities will include financial regulation such as reviewing and evaluating applications for initial license, reviewing annual financial statements, and making recommendations about additional financial oversight in the event of financial problems. Non-financial regulation of PEO'S involves the prompt and thorough investigation of questionable insurance activities regarding unauthorized/unapproved insurance products offered to the public. Currently, there are 11 registered PEO groups, 84 registered PEO's and 4 pending registrations.

The Department estimates that the fiscal impact of administering the licensing laws and regulating the PEO's is $197,878 recurring and $24,230 nonrecurring. The recurring cost will cover the salaries, benefits, and operating cost for an Insurance Company Examiner III, who will be responsible for the financial regulation of the PEO's, and an Insurance Complaint Analyst

Supervisor, who will be responsible for the non-financial regulation of the PEO's. The salary and benefits for a grade 80 Examiner is $72,484, based on a mid-point salary of $62,857 and benefits of $9,627. The salary and benefits for a grade 73 Compliance Analyst is $53,510 based on mid-point salary of $45,709 benefits of $7,801. The total operating cost for the two positions is $71,084 and includes $60,000 for travel and $11,084 for materials, supplies, training, and continuing education. Assuming the positions are effective January 1, 2005, the first year recurring cost would be $98,939. The nonrecurring cost of $24,230 will cover the cost of computer equipment as well as office and furniture equipment.

The Department would not incur any cost for the Council meetings because the bill specifically indicates that the Council members will not receive compensation or per diem. Also, because the Department has attorneys on staff who are responsible for developing rules, Fiscal Research does not anticipate that the Department will need any additional resources to develop rules necessary to administer the licensing requirements.

The Department is funded by the Insurance Regulatory Fund (IRF). However, as required by G.S. § 58-6-25, moneys in the IRF may be spent only pursuant to appropriation by the General Assembly and in accordance with the line item budget enacted by the General Assembly. The statute further provides that all money credited to the IRF shall be used to reimburse the General Fund for the enumerated purposes. To comply with the statute, funds are appropriated from the General Fund to the Department of Insurance for all authorized expenditures of the IRF. The IRF in turns reimburses the General Fund for the appropriation. Accordingly, any use of the IRF authorized by this bill would require a General Fund appropriation to the Department. The IRF would reimburse the General Fund for the appropriation such that the expenditure would have no net effect on the General Fund.

Justice: Section 1 authorizes the Department of Justice to provide state and national fingerprint checks for any applicant for licensure as a PEO. These checks are conducted by the State Bureau of Investigation (SBI) within the Department. Neither the Department of Insurance nor the Fiscal Research can project the number of applicants who would require background checks each year as a result of this bill. Thus, we cannot project the amount of additional revenue from the criminal record checks.

The applicant would pay for the criminal record check. The SBI charges $38 for each state and national fingerprint check, of which $22 is remitted to the Federal Bureau of Investigation. The remaining $16 is used to support the functions of the identification unit, which conducts the criminal history background checks. Each employee can process approximately 9,600 background checks per year, and the SBI is able to accommodate some increase in background checks within its existing staffing level. If the increase in workload due to new record checks were greater than the unit's capacity, the SBI would need authorization for additional positions supported by the receipts collected from the applicants/ licensees.

Tax credits and other incentives. The language included in the bill clarifies the existing administrative practice of the Department of Revenue on the question of whether Bill Lee Act credits are allowed in the co-employment situation. Thus, there is no fiscal impact from this provision.

Criminal & Civil Penalties

Section 1 of this bill includes a statutory provision that would make it a Class H felony for any person who engaged in enumerated prohibited acts. These enumerated acts are almost identical to those in existing statute for PEO registrants (also punishable as a Class H felony), the same group that would be licensed under this PCS. The last act, using or attempting to use a license that has been suspended or terminated, is new in this Bill. The Department of Insurance does not anticipate many offenses under the new prohibited act, as terminated licenses must be returned to the Board. There is not likely to be significant impact from this penalty unless a significant number of PEO's operate without a valid license.

Judicial Branch: For most criminal penalty bills, the Administrative Office of the Courts (AOC) provides Fiscal Research with an analysis of the fiscal impact of the specific bill. For these bills, fiscal impact is typically based on the assumption that court time will increase due to an expected increase in trials and a corresponding increase in the hours of work for judges, clerks and prosecutors. This increased court time is also expected to result in greater expenditures for jury fees and indigent defense.

The AOC is unable to provide an estimate of the impact of the Class H penalty in this bill, but believes that the impact will not be significant. The staff at the AOC believe that the majority of PEO's would comply with the proposed licensing requirements found in this bill. Thus, the AOC does not project a significant number of Class H felony charges under section 1 of this bill.

In addition to the criminal penalty, the Commissioner is authorized to impose a civil penalty against a PEO. This could increase the workload and cases in civil court. Without additional information on the number and complexity of cases that may arise, we cannot project the impact on the court system.

Correction: The Sentencing and Policy Advisory Commission prepares inmate population projections annually. The incarceration fiscal notes are based on December 2003 projections. These projections are based on historical information on incarceration and release rates under Structured Sentencing, crime rate forecasts by a technical advisory board, probation and revocation rates, and the decline (parole and maxouts) of the stock prison population sentenced under previous sentencing acts. Based on the most recent population projections and estimated available prison bed capacity, there are no surplus prison beds available for the five year Fiscal Note horizon and beyond. That means the number of beds needed is always equal to the projected additional inmates due to a bill.

As with the AOC's analysis, the Sentencing Commission cannot project the number of convictions that would result from the new Class H felony in Section 1 of this legislation. Since the proposed section expands an existing offense, the Sentencing Commission does not have any historical data from which to estimate the impact on the prison population. It is not known how many offenders might be sentenced under this subsection. If, for example, there were three convictions for this offense per year, this would result in the need for one additional prison bed in the first year and two additional prison beds in the second year due to active sentences and post-release sentencing revocations. In FY 2005-06, the first year of prison impact, each prison

bed will cost, on average, $23,854 per year to operate.[1] In addition, approximately 64 percent of Class H felons receive non-active sentences. The majority receive an intermediate sentence or supervised probation, and are supervised by the Division of Community Corrections at a cost of $1.75 to $10.06 per offender per day.

SOURCES OF DATA: Department of Insurance, Department of Justice, Department of Correction, Sentencing Policy and Advisory Commission, Administrative Office of the Courts.

TECHNICAL CONSIDERATIONS: The bill requires the revenue collected from the application and renewal fees to be deposited into the Insurance Regulatory Fund and authorizes those fees to be used to implement the bill. As noted above, the Insurance Regulatory Fund can only be used to reimburse the General Fund for money appropriated to the Department of Insurance for specified purposes. Thus, under existing law, in order to use fees deposited into the Insurance Regulatory Fund, it would be necessary to first appropriate funds from the General Fund to the Department of Insurance.

[1] Operating costs are based on actual 2002-03 costs for each custody level as provided by the Department of Correction. These costs include security, inmate programs, inmate costs (food, medical etc.) and administrative overhead costs for the Department and the Division of Prisons. A 3% annual inflation rate is added each year.

Senate Bill 20 Regulate Professional Employer Organizations

Senate Bill 20, Regulate Professional Employer Organizations was introduced in the 2003 Session by Senators Bingham and Rand. Its purpose is to establish licensing requirements for employee leasing services, commonly referred to as PEOs.

PEOs are an increasingly attractive option for small and start up businesses. They provide on an outsourced basis the functions of an employer's human resources operation, thereby allowing a small business to focus on its core business operations. In addition, PEOs lower the cost of operations for small businesses because they have purchasing power in the health insurance and workers comp markets. PEOs are not temp agencies. They co-employ full-time employees of their client businesses.

The need for licensing arises from the actions of individuals who have used the PEO model to perpetuate frauds on small businesses. For instance, bad actors claiming to provide PEO services have contracted with small businesses to provide workers comp and health insurance, accepted the premiums but failed to obtain the promised coverage. As a result, employees and employers are left without expected and needed benefits.

In 2002 the General Assembly passed legislation requiring that all PEOs doing business in North Carolina register with the Department of Insurance. There are currently 125 PEOs registered to do business in North Carolina.

Senate Bill 20 was the subject of substantial negotiations during the 2003 session of the General Assembly. The parties involved included the bill sponsors (Senators Bingham and Rand), representatives of the Employment Security Commission, the Department of Insurance and the Carolinas Association of Professional Employers (CAPEO). All of those parties are now in agreement that Senate Bill 20 represents effective and appropriate regulation of the PEO industry. The bill passed the Senate in July, 2003 by a unanimous vote.

Senate Bill 20 places significant requirements and restrictions on PEOs that do business in North Carolina and empowers the Commissioner of Insurance to enforce these provisions. Among other things, this legislation:

1. Establishes qualifications for owners or "controlling persons" of PEOs.

2. Requires that a background investigation be performed on each applicant.

3. Requires that an applicant provide evidence of "financial responsibility" to act as a PEO.

4. Requires that a licensee maintain a surety bond or irrevocable letter of credit with DOI.

5. Requires that a PEO file audited financial statements with DOI on an annual basis. Those financial statements must be attested to by the PEO's CEO in a fashion similar to the Sarbanes - Oxley requirement.

6. Requires full disclosure of the terms of any insurance or benefit provided by a PEO for the benefit of its assigned employees.

7. Requires that the PEO and the insurer notify the customer and DOI of the discontinuance or replacement of any health plan or workers' comp insurance coverage within 10 days of its discontinuance.

8. Makes it clear that a small business that uses a PEO is eligible for tax credits and other incentives authorized by existing statutes. The bill does not create any new credits or incentives and does not make the PEO eligible for such benefits.

9. The costs associated with this legislation will be covered from the Insurance Regulatory Fund. The General Fund impact (e.g. courts, corrections) are expected to be minimal.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE INTERNET ACCESS BY ORGAN PROCUREMENT ORGANIZATIONS AND EYE BANKS TO INFORMATION IN DIVISION OF MOTOR VEHICLE RECORDS PERTAINING TO ORGAN DONATION; TO ESTABLISH THE "LICENSE TO GIVE TRUST FUND" TO FUND INITIATIVES THAT EDUCATE AND PROMOTE ORGAN AND TISSUE DONATION; AND TO INCREASE THE FEE FOR ISSUANCE, RENEWAL, AND DUPLICATION OF A DRIVERS LICENSE OR SPECIAL IDENTIFICATION CARD AND PROVIDE THAT THE PROCEEDS OF THE INCREASE SHALL BE USED TO IMPLEMENT THIS ACT.

The General Assembly of North Carolina enacts:

SECTION 1. The Department of Transportation, Division of Motor Vehicles, shall establish and maintain a statewide, on-line Organ Donor Internet site. The purpose of the Organ Donor Internet site is to enable organ procurement organizations and eye banks to have timely access to the names of individuals who have stated to the Division the individual's intent to be an organ donor and have an organ donation symbol on the individual's drivers license or special identification card. The data available on the Organ Donor Internet site shall be limited to the individual's first, middle, and last name, date of birth, address, sex, county of residence, and drivers license number. The Division of Motor Vehicles shall ensure that only organ procurement organizations and eye banks operating in this State have access to the Organ Donor Internet site in read-only format. The Division of Motor Vehicles shall enable organ procurement organizations and eye banks operating in this State to have on-line access in read-only format to the Organ Donor Internet site through a unique identifier and password issued to the organ procurement organization or eye bank by the Division of Motor Vehicles. Employees of the Division who provide access to or disclosure of information in good-faith compliance with this section are not liable in

damages for access to or disclosure of the information. When accessing and using information obtained from the Organ Donor Internet site, organ procurement organizations and eye banks shall comply with the requirements of Part 3 of Article 16 of Chapter 130A of the General Statutes.

SECTION 2. G.S. 20-43.1 reads as rewritten:

"**§ 20-43.1. Disclosure of personal information in motor vehicle records.**

(a) The Division shall disclose personal information contained in motor vehicle records in accordance with the federal Driver's Privacy Protection Act of 1994, as amended, 18 U.S.C. §§ 2721, et seq.

(b) As authorized in 18 U.S.C. § 2721, the Division shall not disclose personal information for the purposes specified in 18 U.S.C. § 2721(b)(11).

(c) The Division shall not disclose personal information for the purposes specified in 18 U.S.C. § 2721(b)(12) unless the Division receives prior written permission from the person about whom the information is requested.

(d) As authorized in 18 U.S.C. § 2721, the Division may disclose personal information to organ procurement organizations and eye banks operating in this State for the purpose of identifying individuals who have indicated an intent to be an organ donor. Personal information authorized under this subsection is limited to the individual's first, middle, and last name, date of birth, address, sex, county of residence, and drivers license number. Employees of the Division who provide access to or disclosure of information in good-faith compliance with this subsection are not liable in damages for access to or disclosure of the information."

SECTION 3. G.S. 20-7.3 reads as rewritten:

"**§ 20-7.3. Availability of organ, eye, and tissue donor cards at motor vehicle offices.**

The Division shall make organ, eye, and tissue donor cards available to interested individuals in each office authorized to issue drivers licenses or special identification cards. The Division shall obtain donor cards from qualified organ, eye, or tissue procurement organizations or tissue banks, as defined in G.S. 130A-403. The Division shall offer a donor card to each applicant for a drivers license. Each organ donor card made available at drivers license offices shall include the following:

(1) A statement informing the individual that organ procurement organizations and eye banks have read-only access to the Department-operated Organ Donor Internet site listing those individuals who have stated to the Division of Motor Vehicles the individual's intent to be an organ donor and have an organ donation symbol on the individual's drivers license or special identification card.

(2) The type of information that will be made available on the Organ Donor Internet site."

SECTION 4.(a) Article 2 of Chapter 20 of the General Statutes is amended by adding the following new section to read:

"**§ 20-7.4. License to Give Trust Fund established.**

(a) There is established the License to Give Trust Fund. Revenue in the Fund includes amounts credited by the Division as required by law, and other funds. Any

surplus in the Fund shall not revert but shall be used for the purposes stated in this section. The Fund shall be kept on deposit with the State Treasurer, as in the case of other State Funds, and may be invested by the State Treasurer in any lawful securities for investment of State funds. The License to Give Trust Fund is subject to oversight by the State Auditor pursuant to Article 5A of Chapter 147 of the General Statutes.

(b) The purposes for which funds may be expended by the License to Give Trust Fund Commission from the License to Give Trust Fund are as follows:

(1) As grants-in-aid for initiatives that educate about and promote organ and tissue donation and health care decision making at life's end.

(2) Expenses of the License to Give Trust Fund Commission as authorized in G.S. 20-7.5."

SECTION 4.(b) Article 2 of Chapter 20 of the General Statutes is amended by adding the following new sections to read:

"**§ 20-7.5. License to Give Trust Fund Commission established.**

(a) There is established the License to Give Trust Fund Commission. The Commission shall be located in the Department of Administration for budgetary and administrative purposes only. The Commission may allocate funds from the License to Give Trust Fund for the purposes authorized in G.S. 20-7.4. The Commission shall have 15 members, appointed as follows:

(1) Four members by the General Assembly, upon the recommendation of the President Pro Tempore of the Senate:

a. One representative of Carolina Donor Services.

b. One representative of LifeShare of The Carolinas.

c. Two members who have demonstrated an interest in organ and tissue donation and education.

(2) Four members by the General Assembly, upon the recommendation of the Speaker of the House of Representatives:

a. One representative of The North Carolina Eye Bank, Inc.

b. One representative of The Carolinas Center for Hospice and End-of-Life Care.

c. Two members who have demonstrated an interest in promoting advance care planning education.

(3) Seven members by the Governor:

a. Three members representing organ, tissue, and eye recipients, families of recipients, or families of donors. Of these three, one each from the mountain, heartland, and coastal regions of the State.

b. One member who is a transplant physician licensed to practice medicine in this State.

c. One member who has demonstrated an interest in organ and tissue donation and education.

d. One member who has demonstrated an interest in promoting advance care planning education.

e. A representative of the North Carolina Department of Transportation.

(b) The Commission shall elect from its membership a chair and a vice-chair for two-year terms. The Secretary of Administration shall provide meeting facilities for the Commission as required by the Chair.

(c) The members of the Commission shall receive per diem and necessary travel and subsistence expenses in accordance with G.S. 138-5 and G.S. 138-6, as applicable. Per diem, subsistence, and travel expenses of the members shall be paid from the License to Give Trust Fund.

(d) The members of the Commission shall comply with G.S. 14-234 prohibiting conflicts of interest. In addition to the restrictions imposed under G.S. 14-234, a member shall not vote on, participate in the deliberations of, or otherwise attempt through his or her official capacity to influence the vote on allocations of moneys from the License to Give Trust Fund to a nonprofit entity of which the member is an officer, director, or employee, or to a governmental entity of which the member is an employee or a member of the governing board. A violation of this subsection is a Class 1 misdemeanor.

"**§ 20-7.6. Powers and duties of the License to Give Trust Fund Commission.**

The License to Give Trust Fund Commission has the following powers and duties:

(1) Establish general policies and guidelines for awarding grants-in-aid to nonprofit entities to conduct education and awareness activities on organ and tissue donation and advance care planning.

(2) Accept gifts or grants from other sources to further the purposes of the License to Give Trust Fund. Such gifts or grants shall be transmitted to the State Treasurer for credit to the Fund.

(3) Hire staff or contract for other expertise for the administration of the Fund. Expenses related to staffing shall be paid from the License to Give Trust Fund."

SECTION 5.(a) G.S. 20-7(i), as amended by Section 36.1 of S.L. 2003-284, reads as rewritten:

"(i) Fees. – The fee for a regular drivers license is the amount set in the following table multiplied by the number of years in the period for which the license is issued:

Class of Regular License	Fee For Each Year
Class A	~~$4.25~~$4.30
Class B	~~4.25~~4.30
Class C	~~3.00~~3.05

The fee for a motorcycle endorsement is one dollar and seventy-five cents ($1.75) for each year of the period for which the endorsement is issued. The appropriate fee shall be paid before a person receives a regular drivers license or an endorsement."

SECTION 5.(b) G.S. 20-14 reads as rewritten:

"**§ 20-14. Duplicate licenses.**

A person may obtain a duplicate of a license issued by the Division by paying a fee of ten dollars and five cents ~~($10.00)~~ ($10.05) and giving the Division satisfactory proof that any of the following has occurred:

(1) The person's license has been lost or destroyed.

(2) It is necessary to change the name or address on the license.

(3) Because of age, the person is entitled to a license with a different color photographic background or a different color border.

(4) The Division revoked the person's license, the revocation period has expired, and the period for which the license was issued has not expired."

SECTION 5.(c) The Division of Motor Vehicles shall retain a portion of the proceeds of the increase in drivers license and duplicate license fees enacted in this Section to offset the actual cost of developing and maintaining the on-line Organ Donor Internet site established pursuant to Section 1 of this act. Proceeds remaining after deduction of amounts for development and maintenance costs shall be credited to the License to Give Trust Fund established under G.S. 20-7.4 and shall be used for the purposes authorized under G.S. 20-7.4 and 20-7.5.

SECTION 6. Sections 4(a) and 5 of this act become effective November 1, 2003. The remainder of this act becomes effective January 1, 2004.

SENATE BILL 852:
Organ Donor Org's./Access to DMV Records.

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Sen. Metcalf
Date:	June 24, 2004	**Summary by:**	Trina Griffin
Version:	4th Edition		Committee Counsel

SUMMARY: ***Senate Bill 852 would provide Internet access by organ procurement organizations and eye banks operating in this State to information in the Division of Motor Vehicle (Division) records pertaining to organ donation. The bill would establish the "License to Give Trust Fund" (Fund) to finance initiatives that educate and promote organ and tissue donation. The Fund would be financed through an increase in the fee for a drivers license, a duplicate license, and an identification card. Finally, it would establish a fifteen-member License to Give Trust Fund Commission (Commission) with powers and duties described below in more detail.***

CURRENT LAW: The Uniform Anatomical Gift Act (**G.S. 130A, Part 3**) regulates the process for the making and receiving of anatomical gifts in this State. Anyone 18 years of age or older may make a gift by will, card or other document as long as the document is signed by the donor in the presence of two witnesses. The gift does not have to be made to a specified donee. Generally people become donors either through their wills or through another document that is commonly referred to as an organ donor card or a declaration of anatomical gift. A donor may amend or revoke a gift:

- By execution and delivery of a signed statement to the donee
- By an oral statement made in the presence of two persons and communicated to the donee
- By a statement addressed to an attending physician and communicated to the donee
- By a signed card or document found on the individual or in the individual's effects, and made known to the donee

The Uniform Driver's License Act (Article 2 of Chapter 20 of the General Statutes) regulates and prescribes the conditions upon which licenses to operate automobiles are issued. G.S. 20-7.3 requires the Division to make organ, eye, and tissue donor cards available to interested individuals in each office authorized to issue drivers licenses or special identification cards. The Division must obtain donor cards from qualified organ, eye, or tissue procurement organizations or tissue banks.

BILL ANALYSIS:

Organ Donor Internet Site

Section 1 of the bill would require the Division to establish and maintain a statewide, on-line Organ Donor Internet site to enable organ procurement organizations and eye banks operating in this State to have timely access to the names of individuals who have stated to the Division their intent to be an organ donor and have an organ donation symbol on their drivers license or special identification card. The data available on the Internet site would be limited to the individual's: (1) first, middle, and last name, (2) date of birth, (3) address, (4) sex, (5) county of residence, and (6) drivers license number. The organ procurement organizations and eye banks would have on-line access in read-only format to the Internet site through a unique identifier and password issued to the organ procurement organization or eye bank by the Division.

Section 2 of the bill would permit disclosure of personal information authorized under Section 1 to organ procurement organizations and eye banks operating in this State. Employees of the Division who provide access to or disclosure of information in good-faith compliance with the act would not be liable in damages for access to or disclosure of the information.

Section 3 of the bill would require each organ donor card made available at drivers license offices to include the following:

1. A statement informing the individual that organ procurement organizations and eye banks would have read-only access to the Internet site listing those individuals submitting organ donor cards to the Division at the time of drivers license application or renewal.
2. The type of information that would be made available on the Internet site.

License To Give Trust Fund

Section 4 of the bill would establish a Fund to be kept on deposit with the State Treasurer that would be subject to oversight by the State Auditor. The License to Give Trust Fund Commission, which is established by this bill, would be authorized to expend funds from the License to Give Trust Fund for the following purposes:

1. As grants-in aid for initiatives that educate and promote organ and tissue donation and health care decision-making at life's end.
2. Expenses of the Commission.

License to Give Trust Fund Commission

Section 4(b) of the bill would establish a Commission within the Department of Administration with the following powers and duties:

1. Establish general policies and guidelines for awarding grants-in-aid to nonprofit entities to conduct education and awareness activities on organ and tissue donation and advance care planning.
2. Accept gifts or grants form other sources that shall be transmitted to the State Treasurer for credit to the Fund.
3. Hire staff or contract for other expertise for the administration of the Fund.

The Commission would consist of 15 members as follows:

Number	Member Qualification
	(4) APPOINTEES OF THE PRESIDENT PRO TEMPORE
1	Representative of Carolina Donor Services
1	Representative of LifeShare of the Carolinas
2	Members who have demonstrated an interest in organ and tissue donation and education
	(4) APPOINTEES OF THE SPEAKER
1	Representative of the NC Eye Bank
1	Representative of The Carolinas Center for Hospice and End-of-Life Care
2	Members who have demonstrated an interest in promoting advance care planning education

(7) APPOINTEES OF THE GOVERNOR	
3	Members representing organ, tissue, and eye recipients, families of recipients, or families of donors. Of these three, one each from the mountain, heartland, and coastal regions of the State
1	Member who is a transplant physician licensed to practice medicine in this State
1	Member who has demonstrated an interest in organ and tissue donation and education
1	Member who has demonstrated an interest in promoting advance care planning education
1	Representative of the NC Department of Transportation
15	**Total Members**

Commission members would elect a chair and a vice-chair from its membership. Per diem, subsistence, and travel expenses of the members would be paid from the Fund. The Secretary of Administration would provide meeting facilities for the Commission. The members of the Commission must comply with G.S. 14-234, prohibiting conflicts of interest. In addition, a member would not be able to vote on, participate in the deliberations of, or otherwise attempt through his or her official capacity to influence the vote on allocations of moneys from the Fund to a nonprofit or governmental entity of which the member is an employee. To violate such conflict of interest would result in a Class 1 misdemeanor.

Increase in Drivers License Fee

Section 5 of the bill would increase the following fees to fund the "License to Give Trust Fund": Class A or Class B driver's license by 25 cents to $4.30, Class C driver's license by five cents to $3.05, and duplicate licenses by five cents to $10.05. The bill provides that the Division of Motor Vehicles may retain a portion of the proceeds of the fee increase to offset its start–up and first year maintenance costs of the Organ Donor Internet site.

License Fee	Current Fee Amount	Proposed Fee Amount
Class A and Class B Drivers License	$4.25 a year	$4.30 a year
Class C Drivers License	$3.00 a year	$3.05 a year
Duplicate License & Identification Card	$10.00	$10.05

Effective Date

The bill, which passed both Senate Health and Senate Finance Committees in 2003, provides that the fee increases would become effective November 1, 2003, and that the remainder of the bill would become effective January 1, 2004. These dates will need to be revised.

Dianna Jessup, counsel to the Senate Health and Human Resources Committee and Amy Compeau, Research Assistant, contributed substantially to this summary.

May 20, 2004

A BILL TO BE ENTITLED

AN ACT TO DELAY THE IMPOSITION ON PARTNERSHIPS OF THE DOLLAR AMOUNT LIMITATION ON THE CREDIT ALLOWED FOR REAL PROPERTY DONATIONS.

The General Assembly of North Carolina enacts:

SECTION 1. Section 3 of S.L. 2001-335 reads as rewritten:

" **SECTION 3.** This act becomes effective for taxable years beginning on or after January 1, 2002. Section 2 of this act expires for taxable years beginning on or after January 1, ~~2005.~~2007."

SECTION 2. This act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 2003

HOUSE BILL 1602*

Short Title:	Tax Credit for Certain Real Prop. Donations.	(Public)
Sponsors:	Representative McComas.	
Referred to:	Finance.	

May 20, 2004

A BILL TO BE ENTITLED

AN ACT TO RECODIFY THE CREDIT FOR CERTAIN REAL PROPERTY DONATIONS AND TO INCREASE THE CREDIT FOR CERTAIN PASS-THROUGH ENTITIES, AS RECOMMENDED BY THE ENVIRONMENTAL REVIEW COMMISSION.

The General Assembly of North Carolina enacts:

SECTION 1. Article 4 of Chapter 105 of the General Statutes is amended by adding a new Part to read:

"Part 6. Tax Credit for Certain Real Property Donations.

"**§ 105-163.021. Tax credit allowed.**

(a) Qualified Donation. – A person who makes a qualified donation of an interest in real property located in North Carolina during the taxable year that is useful for (i) public beach access or use, (ii) public access to public waters or trails, (iii) fish and wildlife conservation, or (iv) other similar land conservation purposes is allowed a credit against the tax imposed by Article 4 of this Chapter equal to twenty-five percent (25%) of the fair market value of the donated property interest. To be eligible for this credit, the interest in property must be donated in perpetuity to and accepted by the State, a local government, or a body that is both organized to receive and administer lands for conservation purposes and qualified to receive charitable contributions under the Code. Lands required to be dedicated pursuant to local governmental regulation or ordinance and dedications made to increase building density levels permitted under a regulation or ordinance are not eligible for this credit. To support the credit allowed by this section, the taxpayer must file with the income tax return for the taxable year in which the credit is claimed a certification by the Department of Environment and Natural Resources that the property donated is suitable for one or more of the valid public benefits set forth in this subsection. The certification for a qualified donation made by a pass-through entity must be filed by the pass-through entity.

(b) Corporations. – The aggregate amount of credit allowed to a corporation in a taxable year under this section for one or more qualified donations, whether made

directly or indirectly as owner of a pass-through entity, may not exceed five hundred thousand dollars ($500,000). That portion of a qualifying donation that is the basis for a credit allowed under this section is not eligible for deduction as a charitable contribution under G.S. 105-130.9.

(b1) Individuals. – The aggregate amount of credit allowed to an individual in a taxable year under this section for one or more qualified donations, whether made directly or indirectly as owner of a pass-through entity, may not exceed two hundred fifty thousand dollars ($250,000). In the case of property owned by a married couple, if both spouses are required to file North Carolina income tax returns, the credit allowed by this section may be claimed only if the spouses file a joint return. If only one spouse is required to file a North Carolina income tax return, that spouse may claim the credit allowed by this section on a separate return.

(b2) Pass-Through Entities. – The aggregate amount of credit allowed to a pass-through entity in a taxable year under this section for one or more qualified donations, whether made directly or indirectly as owner of another pass-through entity, may not exceed five hundred thousand dollars ($500,000). Each individual who is an owner of a pass-through entity is allowed as a credit an amount equal to the owner's allocated share of the credit to which the pass-through entity is eligible under this subsection, not to exceed two hundred fifty thousand dollars ($250,000). Each corporation that is an owner of a pass-through entity is allowed as a credit an amount equal to the owner's allocated share of the credit to which the pass-through entity is eligible under this subsection, not to exceed five hundred thousand dollars ($500,000).

(c) Cap; Carryforward. – The credit allowed by this section may not exceed the amount of tax imposed by Article 4 of this Chapter for the taxable year reduced by the sum of all credits allowed, except payments of tax made by or on behalf of the taxpayer. Any unused portion of this credit may be carried forward for the next succeeding five years.

(d) Marshland. – In the case of marshland for which a claim has been filed pursuant to G.S. 113-205, the offer of donation must be made before December 31, 2003, to qualify for the credit allowed by this section."

SECTION 2. G.S. 105-130.34 is repealed.

SECTION 3. G.S. 105-151.12 is repealed.

SECTION 4. This act is effective for taxable years beginning on or after January 1, 2005.

HOUSE BILL 1602:
Tax Credit for Certain Real Property Donations

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	Rep. McComas
Date:	June 23, 2004	**Analysis by:**	Martha Walston
Version:	PCS		Committee Counsel

SUMMARY: The proposed committee substitute for House Bill 1602 postpones until 2007 (now 2005) the imposition on partnerships and limited liability companies of the dollar amount limitation on the credit allowed for real property donations.

CURRENT LAW: The conservation tax credits in G.S. 105-151.12 and 105-130.34 are allowed to individual and corporate taxpayers who make a qualified donation of an interest in North Carolina real property that is useful for public beach access or use, public access to public waters or trails, fish and wildlife conservation, or other similar land conservation purposes. The tax credit is equal to 25% of the fair market value of the property donated to the State, a local government, or a body that is both organized to receive and administer lands for conservation purposes and qualified to receive charitable contributions. The credit for a corporation is taken against income tax and may not exceed $500,000. The credit for an individual is taken against income tax and may not exceed $250,000. Both corporate and individual taxpayers are allowed to carry forward for five years any unused portion of the credit.

In S.L. 2001-335, the General Assembly corrected and clarified the law governing allocation of partnerships' tax credits, so that any dollar amount limitation on a credit allowed to a partnership applies to the total credit. The limited amount is then allocated by the partnership among the partners on a proportional basis. However, this dollar amount limitation was delayed until 2005 for partnerships that are allowed a credit for real property donations.

BILL ANALYSIS: The PCS for House Bill 1602 would postpone the dollar amount limitation for partnerships until taxable years beginning on or after January 1, 2007.

BACKGROUND: Generally partnerships are treated under North Carolina law as under federal law. Both North Carolina and federal law recognize that a partnership is a separate entity. When the partnership is entitled to a tax credit, the partnership allocates the credit among its partners on a proportional basis. The partners can then claim the amount of credit allocated to them. This is done because the partnership itself is not a taxable entity. Under prior North Carolina law, a partnership that passed an income tax credit through to its partners would be subject to all limitations on the credit, except for two[1]:

1. The limitation that the credit may not exceed the amount of the income tax imposed on the taxpayer.

[1] All limitations on the tax credit also apply to each partner individually.

2. A cap on the otherwise allowable amount of the credit, expressed as a specific maximum dollar amount or a specific percentage of the tax imposed on the taxpayer.

Federal law does not recognize the second of these, the exemption from a specific dollar amount limitation. Additionally, North Carolina does not recognize such an exemption for S. corporations.[2] Thus, this provision of North Carolina law regarding taxation of partnerships was inconsistent with both federal law regarding taxation of partnerships and North Carolina law regarding taxation of S. Corporations.

S.L. 2001-335 removed the partnership's exemption from the specific dollar amount limitation. This makes North Carolina law consistent with federal law on this point as well as consistent with North Carolina law regarding S corporations. Limited liability companies are treated like partnerships under North Carolina law for income tax purposes. Thus, this change also applies to limited liability companies.

The 2001 change affects relatively few tax credits. The following tax credits have specific dollar amount limitations:

- Worker training (G.S. 105-129.11)
- Investing in central administrative office property (G.S. 105-129.12)
- Investing in business property (G.S. 105-129.16)
- Investing in renewable energy property (G.S. 105-129.16A)
- Real property donations (G.S. 105-151.12)
- Conservation tillage equipment (G.S. 105-151.13)
- Construction of a poultry composting facility (G.S. 105-151.25)

S.L. 2001-335 delayed until 2005 the imposition on partnerships and limited liability companies of the dollar amount limitation on the credit allowed for real property donations.

[2] An S corporation is a business entity that is similar in most respects to a partnership for tax purposes.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue; Department of Environment and Natural Resources

EFFECTIVE DATE: This act is effective when it becomes law.

BILL SUMMARY: This act delays from 2005 to 2007 the imposition of the dollar amount limitation on pass-through entities for the tax credit on certain real property donations.

BACKGROUND: In 2001, the General Assembly approved HB 146 (S.L. 2001-335) to modify the pass-through distribution of partnership income tax credits to conform to federal law. Prior to 2001, when a tax credit was capped at a specific dollar amount, each owner in a pass-through entity was allowed to take that dollar amount of credit. Under federal law, the total credit amount was shared proportionally with the investors in the pass-through entity based on their share of ownership. HB 146 placed this total credit amount limitation on tax credits for worker training, conservation tillage equipment, poultry composting facility, investment in business property, renewable energy property, and administrative

office property, and real property donations. For the tax credit on real property donations, the limitation was delayed until January 1, 2005. For income tax law, a pass-through entity is a limited partnership, a general partnership, a joint venture, a subchapter S corporation, or a limited liability company that is owned by individuals or other entities in which the income, losses, and credits "pass through" the entity to the owner in proportion to ownership share.

ASSUMPTIONS AND METHODOLOGY: Based on the tax credits taken by pass-through entities from 2000 to 2004, this bill will increase the General Fund revenue loss due to the conservation tax credit. Upon the request of the General Assembly's Fiscal Research Division, the Department of Environment and Natural Resources provided a list of all companies that have applied for the conservation credit in the last five years. The companies on the list were matched against incorporation records kept by the Secretary of State to determine how each company was incorporated. The list contained 82 companies that were either limited partnerships or limited liability companies that fit the qualification of pass-through entity.

The chart below shows the conservation donations for 2001 with the company names deleted. The Amount column has the value of the conservation easement, donation, or bargain sale for each property. Since the number of investors for each company is unknown, for this analysis it is assumed that each company has five investors. The number of investors is important because until December 31, 2004, each investor can take the total credit amount. Thus, for Company D, the $3.6 million donation is divided by five investors to give each investor a $720,000 donation. This donation is multiplied by 25% to get an $180,000 tax credit per investor. The total tax credit for Company D under current law is $900,000 or $180,000 credit times five investors. If this same donation were made after January 1, 2005 when the limitation of HB 146 (S.L. 2001-335) takes effect, the maximum credit amount that all five investors would have to share would be $250,000. This would save the General Fund $650,000 on the tax credit for Company D.

Entity	Amount	Donation per Investor (Assume 5 Investors)	25% credit per investor	Total Credit until Dec 31, 2004	Total Credit after Jan 1, 2005
Company A	$1,525,000	$305,000	$76,250	$381,250	$250,000
Company B	$1,939,000	$387,800	$96,950	$484,750	$250,000
Company C	$2,144,537	$428,907	$107,227	$536,134	$250,000
Company D	$3,600,000	$720,000	$180,000	$900,000	$250,000
Company E	$670,000	$134,000	$33,500	$167,500	$167,500
Company F	$330,000	$66,000	$16,500	$82,500	$82,500
Company G	$364,000	$72,800	$18,200	$91,000	$91,000
Company H	$425,000	$85,000	$21,250	$106,250	$106,250
Company I	$92,000	$18,400	$4,600	$23,000	$23,000
Company J	$3,900,000	$780,000	$195,000	$975,000	$250,000
				$3,747,384	$1,720,250

For the ten donations made by pass-through entities in 2001, the state had an estimated revenue loss of $3.7 million. Had the donations been made under the law that takes effect January 1, 2005, the revenue loss would have been $1.7 million for a savings to the state of $2 million. Extension of the dollar amount limitation will negate such savings to the General Fund for two years. Using the same assumption of five investors per company, the chart below shows the cost of the conservation credits for 81 donations from 2001 to 2004. On average, the difference between the tax credit awarded until December 31, 2004 and the credit awarded after January 1, 2005 is $189,309. For 20 donations a year, this would equal a General Fund revenue loss of approximately $3.7 million annually.

	Donations	Total Credit until Dec 31 2004	Total Credit after Jan 1 2005	Difference	Difference per Credit	
2001	10	$3,747,384	$1,720,250	$2,027,134	$202,713	
2002	18	$7,089,550	$3,210,200	$3,879,350	$215,519	
2003	28	$6,550,274	$3,479,274	$3,071,000	$109,679	
2004	25	$10,698,060	$4,827,500	$5,870,560	$234,822	
	81					
				$14,848,044	$183,309	per credit

SENATE BILL 1356

Short Title:	Gibsonville Whitsett Boundary.	(Local)
Sponsors:	Senator Berger.	
Referred to:	Finance.	

May 27, 2004

A BILL TO BE ENTITLED

AN ACT TO TRANSFER CERTAIN PROPERTY FROM THE CORPORATE LIMITS OF THE TOWN OF GIBSONVILLE TO THE TOWN OF WHITSETT, SUCH PROPERTY BEING TOTALLY SURROUNDED BY THE TOWN OF WHITSETT.

The General Assembly of North Carolina enacts:

SECTION 1. The following described property is removed from the corporate limits of the Town of Gibsonville and is added to the corporate limits of the Town of Whitsett:

A tract of land in Rock Creek Township, Guilford County, adjoining State Road #3064 and being described as follows:

BEGINNING at an iron stake in the northern portion of the right of way of N. C. State Rd. #3064 (also known as Whitsett Park Road) and running thence North 84 deg. 52' 30" West 417.50 ft. to an iron pin; thence North 05 deg. 17' East 836.22 ft. to an iron pin; thence South 83 deg. 53' 20" East 418 ft. to an iron pin; thence South 05 deg. 17' 50" West 829.0 ft to the POINT AND PLACE OF THE BEGINNING and containing 7.98 acres more or less as shown on the survey performed by N. Glenn Walker, Surveyor, dated March 11, 1968 and being the same property as conveyed in Deed Book 3826 page 1277.

SECTION 2. Section 1 of this act has no effect upon the validity of any liens of the Town of Gibsonville for ad valorem taxes or special assessments outstanding before the effective date of this act. Such liens may be collected or foreclosed upon after the effective date of this act as though the property was still within the corporate limits of the Town of Gibsonville.

SECTION 3. This act becomes effective June 30, 2004.

SENATE BILL 1356:
Gibsonville Whitsett Boundary.

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Berger
Date:	June 9, 2004	**Summary by:**	R. Erika Churchill
Version:	1st Edition		Committee Counsel

SUMMARY: ***The bill would adjust the boundaries of the Towns of Gibsonville and Whitsett as agreed upon by those two towns.***

CURRENT LAW: Annexation is a method by which towns and cities grow. The town or city must follow statutorily prescribed steps in order to take in an area to its boundaries. North Carolina law sets forth four (4) basic ways in which a town or city may annex an area: voluntary annexation, nonvoluntary annexation, satellite annexation, and legislative act. The general statutes do not set forth a process by which a town may deannex an area.

BILL ANALYSIS: The bill would remove one eight-acre tract of land from the Town of Gibsonville and place it in the Town of Whitsett. The property is currently in the Town of Gibsonville, but is surrounded on all sides by the Town of Whitsett.

The act is effective June 30, 2004.

May 18, 2004

A BILL TO BE ENTITLED

AN ACT TO MAKE TECHNICAL AND CONFORMING CHANGES TO THE REVENUE LAWS AND RELATED STATUTES AND TO PROHIBIT THE USE OF FUTURE ROOM TAX COLLECTIONS IN CERTAIN COUNTIES AND CITIES TO DEVELOP OR CONSTRUCT A HOTEL OR SIMILAR LODGING FACILITY.

The General Assembly of North Carolina enacts:

SECTION 1. Section 30C.3(b) of S.L. 2002-126, as amended by Section 37A.4 of S.L. 2003-284, reads as rewritten:

"**SECTION 30C.3.(b)** This section is effective on and after January 1, 2002, and applies to the estates of decedents dying on or after that date. This section ~~is~~ and Section 37A.5 of S.L. 2003-284 are repealed effective for the estates of decedents dying on or after July 1, 2005."

SECTION 2. The lead-in language of Section 2 of S.L. 2003-360 reads as rewritten:

"**SECTION 2.** The capital improvements projects, and their respective costs, authorized by this act to be constructed and financed as provided in Sections ~~1~~ 1, 5, and 6 of this act are as follows:".

SECTION 3.(a) S.L. 2003-405 is reenacted.

SECTION 3.(b) This section is effective on and after August 12, 2003, and is repealed effective on the date that S.L. 2003-405 is repealed.

SECTION 4.(a) G.S. 105-32.2(b) reads as rewritten:

"(b) Amount. – The amount of the estate tax imposed by this section for estates of decedents dying on or after January 1, 2002, is the maximum credit for state death taxes allowed under section 2011 of the Code without regard to the phase-out and termination of that credit under subdivision (b)(2) and subsection (f) of that ~~section.~~ section and without regard to the deduction for state death taxes allowed under section 2058 of the

Code. If any property in the estate is located in a state other than North Carolina, the amount of tax payable depends on whether the decedent was a resident of this State at death. If the decedent was a resident of this State at death, the amount of tax due under this section is reduced by the lesser of the amount of the death tax paid the other state or an amount computed by multiplying the credit by a fraction, the numerator of which is the gross value of the estate that has a tax situs in another state and the denominator of which is the value of the decedent's gross estate. If the decedent was not a resident of this State at death, the amount of tax due under this section is an amount computed by multiplying the credit by a fraction, the numerator of which is the gross value of real property that is located in North Carolina plus the gross value of any personal property that has a tax situs in North Carolina and the denominator of which is the value of the decedent's gross estate. For purposes of this section, the gross value of property is its gross value as finally determined in the federal estate tax proceedings."

SECTION 4.(b) This section is repealed effective for the estates of decedents dying on or after July 1, 2005.

SECTION 5. G.S. 105-113.5 reads as rewritten:

"**§ 105-113.5. Tax on cigarettes.**

A tax is levied on the sale or possession for sale in this State, by a distributor, of all cigarettes at the rate of two and one-half mills per individual cigarette.

~~This tax does not apply to any of the following:~~

~~(1) Sample cigarettes distributed without charge in packages containing five or fewer cigarettes.~~

~~(2) Cigarettes in a package of cigarettes given without charge by the manufacturer of the cigarettes to an employee of the manufacturer who works in a factory where cigarettes are made, if the cigarettes are not taxed by the federal government.~~"

SECTION 6. G.S. 105-113.68(a)(2) is repealed.

SECTION 7. G.S. 105-113.83(b) reads as rewritten:

"(b) Beer and Wine. – The excise taxes on malt beverages and wine levied under G.S. 105-113.80(a) and (b), respectively, are payable to the Secretary by the resident wholesaler or importer who first handles the beverages in this State. The excise taxes ~~on wine~~ levied under G.S. 105-113.80(b) on wine shipped directly to consumers pursuant to G.S. 18B-1001.1 must be paid by the wine shipper permittee. The taxes on malt beverages and wine shall be paid only once on the same beverages. The tax shall be paid on or before the 15th day of the month following the month in which the beverage is first sold or otherwise disposed of in this State by the wholesaler, importer, or wine shipper permittee. When excise taxes are paid on wine or malt beverages, the wholesaler, importer, or wine shipper permittee shall submit to the Secretary verified reports on forms provided by the Secretary detailing sales records for the month for which the taxes are paid. The report shall indicate the amount of excise tax due, contain the information required by the Secretary, and indicate separately any transactions to which the excise tax does not apply."

SECTION 8. G.S. 105-113.108(a) reads as rewritten:

"(a) Revenue Stamps. – The Secretary shall issue stamps to affix to unauthorized substances to indicate payment of the tax required by this Article. Dealers shall report the taxes payable under this Article at the time and on the ~~form~~ return prescribed by the Secretary. ~~Dealers~~ Notwithstanding any other provision of law, dealers are not required to give their name, address, social security number, or other identifying information on the ~~form.~~return and the return is not required to be verified by oath or affirmation. Upon payment of the tax, the Secretary shall issue stamps in an amount equal to the amount of the tax paid. Taxes may be paid and stamps may be issued either by mail or in person."

SECTION 8.1. G.S. 105-114.1(b), as amended by ratified Senate Bill 51, 2003 General Assembly, reads as rewritten:

"(b) Controlled Companies. – If a corporation or an affiliated group of corporations owns seventy percent (70%) or more of the capital interests in a limited liability company, the corporation or group of corporations must include in its three tax bases pursuant to G.S. 105-122~~under this Article~~ the same percentage of (i) the limited liability company's capital stock, surplus, and undivided profits; (ii) fifty-five percent (55%) of the limited liability company's appraised ad valorem tax value of property; and (iii) the limited liability company's actual investment in tangible property in this State, as appropriate.~~the limited liability company's net assets.~~"

SECTION 9. G.S. 105-129.2 is amended by adding a new subdivision to read:

"**§ 105-129.2. Definitions.**

The following definitions apply in this Article:

. . .

(12a) Interstate air courier. – Defined in G.S. 105-164.3."

SECTION 10. 105-129.4(b2) reads as rewritten:

"(b2) Health Insurance. – A taxpayer is eligible for a credit for creating jobs or for worker training under this Article if the taxpayer provides health insurance for the positions for which the credit is claimed when the jobs are created and each year it claims an installment or carryforward of the credit. A taxpayer is eligible for the other credits under this Article if the taxpayer provides health insurance for all of the full-time positions at the location with respect to which the credit is claimed when the taxpayer engages in the activity that qualifies for the credit and each year it claims an installment or carryforward of the credit. For the purposes of this subsection, a taxpayer provides health insurance if it pays at least fifty percent (50%) of the premiums for health care coverage that equals or exceeds the minimum provisions of the basic health care plan of coverage recommended by the Small Employer Carrier Committee pursuant to G.S. 58-50-125.

Each year that a taxpayer claims a credit or an installment or carryforward of a credit allowed under this Article, the taxpayer must provide with the tax return the taxpayer's certification that the taxpayer continues to provide health insurance for the jobs for which the credit was claimed or the full-time jobs at the location with respect to which the credit was claimed. If the taxpayer ceases to provide health insurance for the jobs during a taxable year, the credit expires and the taxpayer may not take any remaining installment or carryforward of the credit."

SECTION 11. G.S. 105-129.4(b6) reads as rewritten:

"(b6) Overdue Tax Debts. – A taxpayer is not eligible for a credit allowed under this Article if, at the time the taxpayer claims the credit or an installment or carryforward of the credit, the taxpayer has received a notice of an overdue tax debt and that overdue tax debt has not been satisfied or otherwise resolved."

SECTION 12. G.S. 105-129.6(b) reads as rewritten:

"(b) Reports. – The Department of Revenue shall publish by ~~March~~ April 1 of each year the following information itemized by credit and by taxpayer for the 12-month period ending the preceding December 31:

(1) The number of claims for each credit allowed in this Article.

(2) The number and enterprise tier area of new jobs with respect to which credits were generated and to which credits were claimed.

(3) The cost and enterprise tier area of machinery and equipment with respect to which credits were generated and to which credits were claimed.

(4) The number of new jobs created by businesses located in development zones, and the percentage of jobs at those locations that were filled by residents of the zones.

(5) The amount and enterprise tier area of worker training expenditures with respect to which credits were generated and to which credits were claimed.

(6) The amount and enterprise tier area of new research and development expenditures with respect to which credits were generated and to which credits were claimed.

(7) The cost and enterprise tier area of real property investment with respect to which credits were generated and to which credits were claimed."

SECTION 13. G.S. 105-129.9(d) reads as rewritten:

"(d) Expiration. – As used in this subsection, the term 'disposed of' means disposed of, taken out of service, or moved out of State.

If, in one of the seven years in which the installment of a credit accrues, the machinery and equipment with respect to which the credit was claimed are disposed of, ~~taken out of service, or moved out of State,~~ the credit expires and the taxpayer may not take any remaining installment of the credit for that machinery and equipment unless the cost of that machinery and equipment is offset in the same taxable year by the taxpayer's new investment in eligible machinery and equipment placed in service in the same enterprise tier, as provided in this subsection. If, during the taxable year the taxpayer disposed of the machinery and equipment for which installments remain, there has been a net reduction in the cost of all the taxpayer's eligible machinery and equipment that are in service in the same enterprise tier as the machinery and equipment that were disposed of, and the amount of this reduction is greater than twenty percent (20%) of the cost of the machinery and equipment that were disposed of, then the taxpayer forfeits the remaining installments of the credit for the machinery and equipment that were disposed of. If the amount of the net reduction is equal to twenty

percent (20%) or less of the cost of the machinery and equipment that were disposed of, or if there is no net reduction, then the taxpayer does not forfeit the remaining installments of the expired credit. In determining the amount of any net reduction during the taxable year, the cost of machinery and equipment the taxpayer placed in service during the taxable year and for which the taxpayer claims a credit under Article 3B of this Chapter may not be included in the cost of all the taxpayer's eligible machinery and equipment that are in service. If in a single taxable year machinery and equipment with respect to two or more credits in the same tier are disposed of, the net reduction in the cost of all the taxpayer's eligible machinery and equipment that are in service in the same tier is compared to the total cost of all the machinery and equipment for which credits expired in order to determine whether the remaining installments of the credits are forfeited.

The expiration of a credit does not prevent the taxpayer from taking the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.5.

If, in one of the seven years in which the installment of a credit accrues, the machinery and equipment with respect to which the credit was claimed are moved to an area in a higher-numbered enterprise tier, or are moved from a development zone to an area that is not a development zone, the remaining installments of the credit are allowed only to the extent they would have been allowed if the machinery and equipment had been placed in service initially in the area to which they were moved."

SECTION 14. G.S. 105-129.35(c)(4) reads as rewritten:

"(4) State Historic Preservation Officer. – Defined in G.S. ~~105-129.6.~~105-129.36."

SECTION 15. G.S. 105-130.4(a)(6) reads as rewritten:

"(a) As used in this section, unless the context otherwise requires:

. . .

(6) 'Public utility' means any corporation that is subject to control of one of more of the following entities: the North Carolina Utilities Commission, the Federal Communications Commission, the Interstate Commerce Commission, the Federal ~~Power~~ Energy Regulatory Commission, or the Federal Aviation Agency; and that owns or operates for public use any plant, equipment, property, franchise, or license for the transmission of communications, the transportation of goods or persons, or the production, storage, transmission, sale, delivery or furnishing of electricity, water, steam, oil, oil products, or gas. The term also includes a motor carrier of property whose principal business activity is transporting property by motor vehicle for hire over the public highways of this State."

SECTION 16.(a) G.S. 105-130.46 reads as rewritten:

"**§ 105-130.46. Credit for manufacturing cigarettes for exportation while increasing employment and utilizing State Ports.**

(a) Purpose. – The credit authorized by this section is intended to enhance the economy of this State by encouraging qualifying cigarette manufacturers to increase

employment in this State with the purpose of expanding this State's economy, the use of the North Carolina State Ports, and the use of other State goods and services, including tobacco.

(b) Definitions. – The following definitions apply in this section:

(1) Employment level. – The total number of full-time jobs and part-time jobs converted into full-time equivalences.

(2) Exportation. – The shipment of cigarettes manufactured in the United States to a foreign country sufficient to relieve the cigarettes in the shipment of the federal excise tax on cigarettes.

(3) Full-time job. – A position that requires at least 1,600 hours of work per year and is intended to be held by one employee during the entire year.

(4) Successor in business. – A corporation that through amalgamation, merger, acquisition, consolidation, or other legal succession becomes invested with the rights and assumes the burdens of the predecessor corporation and continues the cigarette exportation business.

(c) Employment Level. – In order to be eligible for a full credit allowed under this section, the corporation must maintain an employment level in this State that exceeds the corporation's employment level in this State at the end of the 2004 calendar year by at least 800 full-time jobs. In the case of a successor in business, the corporation must maintain an employment level in this State that exceeds all its predecessor corporations' combined employment levels in this State at the end of the 2004 calendar year by at least 800 full-time jobs. A job is located in this State if more than fifty percent (50%) of the employee's duties are performed in this State.

(d) Credit. – A corporation that satisfies the employment level requirement under subsection ~~(b)~~(c) of this section, is engaged in the business of manufacturing cigarettes for exportation, and exports cigarettes and other tobacco products through the North Carolina State Ports during the taxable year is allowed a credit as provided in this section. The amount of credit allowed under this section is equal to forty cents (40¢) per one thousand cigarettes exported. The amount of credit earned during the taxable year may not exceed ten million dollars ($10,000,000).

(e) Reduction of Credit. – A corporation that has previously satisfied the qualification requirements of this section but that fails to satisfy the employment level requirement in a succeeding year may still claim a partial credit for the year in which the employment level requirement is not satisfied. The partial credit allowed is equal to the credit that would otherwise be allowed under subsection ~~(c)~~(d) of this section multiplied by a fraction. The numerator of the fraction is the number of full-time jobs by which the corporation's employment level in this State exceeds the corporation's employment level in this State at the end of the 2004 calendar year. The denominator of the fraction is 800. In the case of a successor in business, the numerator of the fraction is the number of full-time jobs by which the corporation's employment level in this State exceeds all its predecessor corporations' combined employment levels in this State at the end of the 2004 calendar year.

(f) Allocation. – The credit allowed by this section may be taken against the income taxes levied under this Part or the franchise taxes levied under Article 3 of this Chapter. When the taxpayer claims a credit under this section, the taxpayer must elect the percentage of the credit to be applied against the taxes levied under this Part with any remaining percentage to be applied against the taxes levied under Article 3 of this Chapter. This election is binding for the year in which it is made and for any carryforwards. A taxpayer may elect a different allocation for each year in which the taxpayer qualifies for a credit.

(g) Ceiling. – The total amount of credit that may be taken in a taxable year under this section may not exceed the lesser of the amount of credit which may be earned for that year under subsection ~~(e)~~(d) of this section or fifty percent (50%) of the amount of tax against which the credit is taken for the taxable year reduced by the sum of all other credits allowable, except tax payments made by or on behalf of the taxpayer. This limitation applies to the cumulative amount of the credit allowed in any tax year, including carryforwards claimed by the taxpayer under this section or G.S. 105-130.45 for previous tax years.

(h) Carryforward. – Any unused portion of a credit allowed in this section may be carried forward for the next succeeding 10 years. All carryforwards of a credit must be taken against the tax against which the credit was originally claimed. A successor in business may take the carryforwards of a predecessor corporation as if they were carryforwards of a credit allowed to the successor in business.

(i) Documentation of Credit. – A corporation that claims the credit under this section must include the following with its tax return:

(1) A statement of the exportation volume on which the credit is based.

(2) A list of the corporation's export volumes shown on its monthly reports to the Alcohol and Tobacco Tax and Trade Bureau of the United States Treasury for the months in the tax year for which the credit is claimed.

(3) Any other information required by the Department of Revenue.

(j) No Double Credit. – A taxpayer may not claim this credit and the credit allowed under G.S. 105-130.45 for the same activity.

(k) Reports. – Any corporation that takes a credit under this section must submit an annual report by May 1 of each year to the Senate Finance Committee, the House of Representatives Finance Committee, the Senate Appropriations Committee, the House of Representatives Appropriations Committee, and the Fiscal Research Division of the General Assembly. The report must state the amount of credit earned by the corporation during the previous year, the amount of credit including carryforwards claimed by the corporation during the previous year, and the percentage of domestic leaf content in cigarettes produced by the corporation during the previous year. The first reports required under this section are due by May 1, 2006."

SECTION 16.(b) This section is effective for taxable years beginning on or after January 1, 2006, and expires for exports occurring on or after January 1, 2018.

SECTION 17. G.S. 105-160.3(b)(6) is repealed.

SECTION 18. G.S. 105-164.3(28) reads as rewritten:

"(28) Prepared food. – Food that meets at least one of the conditions of this subdivision. Prepared food does not include food the retailer sliced, repackaged, or pasteurized but did not ~~otherwise process.~~heat, mix, or sell with eating utensils.

a. It is sold in a heated state or it is heated by the retailer.

b. It consists of two or more foods mixed or combined by the retailer for sale as a single item. This sub-subdivision does not include foods containing raw eggs, fish, meat, or poultry that require cooking by the consumer as recommended by the Food and Drug Administration to prevent food borne illnesses.

c. It is sold with eating utensils provided by the retailer, such as plates, knives, forks, spoons, glasses, cups, napkins, and straws."

SECTION 19. G.S. 105-164.3(37) reads as rewritten:

"(37) Sales price. – The total amount or consideration for which personal property or services are sold, leased, or rented. The consideration may be in the form of cash, credit, property, or services. The sales price must be valued in money, regardless of whether it is received in money.

a. The term includes all of the following:

1. The retailer's cost of the property sold.
2. The cost of materials used, labor or service costs, interest, losses, all costs of transportation to the retailer, all taxes imposed on the retailer, and any other expense of the retailer.
3. Charges by the retailer for any services necessary to complete the sale.
4. Delivery charges.
5. Installation charges.
6. The value of exempt personal property given to the consumer when taxable and exempt personal property are bundled together and sold by the retailer as a single product or piece of merchandise.
7. Credit for trade-in.

b. The term does not include any of the following:

1. Discounts, including cash, term, or coupons, that are not reimbursed by a third party, are allowed by the retailer, and are taken by a consumer on a sale.
2. Interest, financing, and carrying charges from credit extended on the sale, if the amount is separately stated on the invoice, bill of sale, or a similar document given to the consumer.

3. Any taxes imposed directly on the consumer that are separately stated on the invoice, bill of sale, or similar document given to the consumer."

SECTION 20. G.S. 105-164.4B(a)(3) reads as rewritten:

"(3) Delivery address unknown. – When a seller of a product does not know the address where a product is received, the sale is sourced to the first address or location listed in this subdivision that is known to the seller:

a. The business or home address of the purchaser.

b. The billing address of the purchaser or, if the product is a prepaid telephone calling service that authorizes the purchase of mobile telecommunications service, the location associated with the mobile telephone number.

c. The ~~billing address of the purchaser.~~address from which tangible personal property was shipped or from which a service was provided."

SECTION 21.(a) G.S. 105-164.14(e) reads as rewritten:

"(e) State Agencies. – **(Effective July 1, 2004 and applicable to sales made on or after that date)** The State is allowed quarterly refunds of local sales and use taxes paid indirectly by the State agency on building materials, supplies, fixtures, and equipment that become a part of or annexed to a building or structure that is owned or leased by the State agency and is being erected, altered, or repaired for use by the State agency. ~~services and of~~

A person who pays local sales and use taxes on building materials or other tangible personal property for a State building project shall give the State agency for whose project the property was purchased a signed statement containing all of the following information:

(1) The date the property was purchased.

(2) The type of property purchased.

(3) The project for which the property was used.

(4) If the property was purchased in this State, the county in which it was purchased.

(5) If the property was not purchased in this State, the county in which the property was used.

(6) The amount of sales and use taxes paid.

If the property was purchased in this State, the person shall attach a copy of the sales receipt to the statement. A State agency to whom a statement is submitted shall verify the accuracy of the statement.

Within 15 days after the end of each calendar quarter, every State agency shall file with the Secretary a written application for a refund of taxes to which this subsection applies paid by the agency during the quarter. The application shall contain all information required by the Secretary. The Secretary shall credit the local sales and use tax refunds directly to the General Fund."

SECTION 21.(b) This section becomes effective July 1, 2004.

SECTION 22. G.S. 105-164.29A reads as rewritten:

"**§ 105-164.29A. State government exemption process.**

(a) Application. – To be eligible for the exemption provided in G.S. ~~105-164.13(51),~~105-164.13(52), a State agency must obtain from the Department a sales tax exemption number. The application for exemption must be in the form required by the Secretary, be signed by the State agency's head, and contain any information required by the Secretary. The Secretary must assign a sales tax exemption number to a State agency that submits a proper application.

(b) Liability. – A State agency that does not use the items purchased with its exemption number must pay the tax that should have been paid on the items purchased, plus interest calculated from the date the tax would otherwise have been paid."

SECTION 22.5. G.S. 105-243.1(e) reads as rewritten:

"(e) Use. – The fee is a receipt of the Department and must be applied to the costs of collecting overdue tax debts. The proceeds of the fee must be credited to a special account within the Department and may be expended only as provided in this subsection. The proceeds of the fee may not be used for any purpose that is not directly and primarily related to collecting overdue tax debts. The Department may apply the proceeds of the fee to pay contractors for collecting tax debts under subsection (b) of this section and to pay the fee the United States Department of the Treasury charges for setoff to recover tax owed to North Carolina. The remaining proceeds of the fee may be spent only pursuant to appropriation by the General Assembly. The fee proceeds do not revert but remain in the special account until spent for the costs of collecting overdue tax debts."

SECTION 23. 105-259(b)(7) reads as rewritten:

"(b) Disclosure Prohibited. – An officer, an employee, or an agent of the State who has access to tax information in the course of service to or employment by the State may not disclose the information to any other person unless the disclosure is made for one of the following purposes:

. . .

(7) To exchange information with the Division of the State Highway Patrol of the Department of Crime Control and Public ~~Safety~~ Safety, the Division of Motor Vehicles of the Department of Transportation, or the International Fuel Tax Association, Inc., when the information is needed to fulfill a duty imposed on the Department of ~~Revenue or~~ Revenue, the Division of the State Highway Patrol of the Department of Crime Control and Public Safety, or the Division of Motor Vehicles of the Department of Transportation.~~Safety.~~"

SECTION 24. G.S. 105-449.47(a1) reads as rewritten:

"(a1) Registration and Identification Marker. – When the Secretary registers a motor carrier, the Secretary must issue at least one identification marker for each motor vehicle operated by the motor carrier. A motor carrier must keep records of identification markers issued to it and must be able to account for all identification markers it receives from the Secretary. Registrations and identification markers issued by the Secretary are for a calendar year. ~~The Secretary may renew a registration or an~~

~~identification marker without issuing a new registration or identification marker.~~ All identification markers issued by the Secretary remain the property of the State. The Secretary may withhold or revoke a registration or an identification marker when a motor carrier fails to comply with this Article, former Article 36 or 36A of this Subchapter, or Article 36C or 36D of this Subchapter.

A motor carrier must carry a copy of its registration in each motor vehicle operated by the motor carrier when the vehicle is in this State. A motor vehicle must clearly display an identification marker at all times. The identification marker must be affixed to the vehicle for which it was issued in the place and manner designated by the authority that issued it."

SECTION 25. G.S. 105-449.52(a) reads as rewritten:

"(a) Penalty. – A motor carrier who does any of the following is subject to a civil penalty:

(1) Operates in this State or causes to be operated in this State a motor vehicle that ~~does not~~either fails to carry the registration card required by this Article or ~~does not~~fails to display an identification marker in accordance with this Article. The amount of the penalty is one hundred dollars ($100.00).

(2) Is unable to account for identification markers the Secretary issues the motor carrier, as required by G.S. 105-449.47. The amount of the penalty is one hundred dollars ($100.00) for each identification marker the carrier is unable to account for.

(3) Displays an identification marker on a motor vehicle operated by a motor carrier that was not issued to the carrier by the Secretary under G.S. 105-449.47. The amount of the penalty is one thousand dollars ($1,000) for each identification marker unlawfully obtained. Both the licensed motor carrier to whom the Secretary issued the identification marker and the motor carrier displaying the unlawfully obtained identification marker are jointly and severally liable for the penalty under this subdivision.

A penalty imposed under this section is payable to the Department of ~~Revenue~~ Revenue, the Department of Crime Control and Public Safety, or the Division of Motor Vehicles. When a motor vehicle is found to be operating without a registration card or an identification marker or with an identification marker the Secretary did not issue for the vehicle, the motor vehicle may not be driven for a purpose other than to park the motor vehicle until the penalty imposed under this section is paid unless the officer that imposes the penalty determines that operation of the motor vehicle will not jeopardize collection of the penalty."

SECTION 26. G.S. 105-449.54 reads as rewritten:

"**§ 105-449.54. Commissioner of Motor Vehicles made process agent of nonresident motor carriers.**

~~The acceptance by~~By operating a motor vehicle on the highways of this State, a nonresident motor carrier consents to the appointment of ~~of the rights and privileges conferred by the laws now or hereafter in force in this State permitting the operation of~~

~~motor vehicles, as evidenced by the operation of a motor vehicle by such nonresident, either personally or through an agent or employee, on the public highways of this State, or the operation by such nonresident, either personally or through an agent or employee, of a motor vehicle on the public highways of this State other than as so permitted or regulated, shall be deemed equivalent to the appointment by such nonresident motor carrier of~~ the Commissioner of Motor Vehicles as its attorney in fact and process agent for ~~Vehicles, or his successor in office, to be his true and lawful attorney and the attorney of his executor or administrator, upon whom may be served~~ all summonses or other lawful process or notice in any action, ~~assessment proceeding~~assessment, or other proceeding ~~against him or his executor or administrator, arising out of or by reason of any provisions of this Article relating to such vehicle or relating to the liability for tax with respect to operation of such vehicle on the highways of this State. Said acceptance or operation shall be a signification by such nonresident motor carrier of his agreement that any such process against or notice to him or his executor or administrator shall be of the same legal force and validity as if served on him personally, or on his executor or administrator. All of the provisions of G.S. 1-105 following the first paragraph thereof shall be applicable with respect to the service of process or notice pursuant to this section.~~under this Chapter."

SECTION 27. G.S. 105-449.60(7) reads as rewritten:

"**§ 105-449.60. Definitions.**

The following definitions apply in this Article:

. . .

(7) Diesel fuel. – Any liquid, other than gasoline, that is suitable for use as a fuel in a diesel-powered highway vehicle. The term includes ~~kerosene and biodiesel.~~biodiesel, fuel oil, heating oil, high-sulfur dyed diesel fuel, and kerosene. The term does not include jet fuel sold to a buyer who is certified to purchase jet fuel under the Code."

SECTION 28. The lead-in language of G.S. 105-449.72(a) reads as rewritten:

"(a) Initial Bond. – An applicant for a license as a refiner, a terminal operator, a supplier, an importer, a blender, a permissive supplier, or a distributor must file with the Secretary a bond or an irrevocable letter of credit. A bond or an irrevocable letter of credit must be conditioned upon compliance with the requirements of this Article, be payable to the State, and be in the form required by the Secretary. The amount of the bond or irrevocable letter of credit is determined as follows:".

SECTION 29. G.S. 105-449.74 reads as rewritten:

"**§ 105-449.74. Issuance of license.**

Upon approval of an application, the Secretary must issue a license to the ~~applicant as well as a duplicate copy of the license for each place of business of the~~ applicant. A supplier's license must indicate the category of the supplier. A license holder must maintain and display a copy of the license issued under this Part in a conspicuous place at each place of business of the license holder. A license is not transferable and remains in effect until surrendered or cancelled."

SECTION 30. G.S. 105-449.81(3a) reads as rewritten:

"An excise tax at the motor fuel rate is imposed on motor fuel that is:

. . .

(3a) Fuel ~~grade ethanol~~ alcohol or biodiesel, if it meets either ~~that meets any~~ of the following descriptions:

a. Is removed from a terminal or another storage and distribution facility, unless the removed fuel is received by a supplier for subsequent sale.

b. Is imported to this State outside the terminal transfer system by a means other than a marine vessel, a transport truck, or a railroad tank car."

SECTION 31. G.S. 105-449.123 reads as rewritten:

"**§ 105-449.123. Marking requirements for dyed ~~diesel~~ fuel storage facilities.**

(a) Requirements. – A person who is a retailer of dyed ~~diesel~~ motor fuel or who stores both dyed and undyed ~~diesel~~ motor fuel for use by that person or another person must mark the storage facility for the dyed ~~diesel~~ motor fuel as follows in a manner that clearly indicates the fuel is not to be used to operate a highway vehicle. The storage facility must be marked "Dyed Diesel, Nontaxable Use Only, Penalty For Taxable Use" or "Dyed Kerosene, Nontaxable Use Only, Penalty for Taxable Use" or a similar phrase that clearly indicates the fuel is not to be used to operate a highway vehicle.

(1) The storage tank of the storage facility must be marked if the storage tank is visible.

(2) The fillcap or spill containment box of the storage facility must be marked.

(3) The dispensing device that serves the storage facility must be marked.

(4) The retail pump or dispensing device at any level of the distribution system must comply with the marking requirements.

(b) Exception. – The marking requirements of this section do not apply to a storage facility that contains fuel used only for one of the purposes listed in G.S. 105-449.105A(a)(1) and is installed in a manner that makes use of the fuel for any other purpose improbable."

SECTION 32. G.S. 105-469 reads as rewritten:

"**§ 105-469. Secretary to collect and administer local sales and use tax.**

(a) The Secretary shall collect and administer a tax levied by a county pursuant to this Article. As directed by G.S. 105-164.13B, taxes levied by a county on food are administered as if they were levied by the State under Article 5 of this Chapter. The Secretary must, on a monthly basis, distribute local taxes levied on food to the taxing counties as follows:

(1) The Secretary must allocate one-half of the net proceeds on a per capita basis according to the most recent annual population estimates certified to the Secretary by the State Budget Officer. The Secretary must then adjust the amount allocated to each county as provided in G.S. 105-486(b).

(2) The Secretary must allocate the remaining net proceeds proportionately to each taxing county based upon the amount of sales

tax on food collected in the taxing county in the 1997-1998 fiscal year under Article 39 of this Chapter or under Chapter 1096 of the 1967 Session Laws relative to the total amount of sales tax on food collected in all taxing counties in the 1997-1998 fiscal year under Article 39 of this ~~Chapter.~~ Chapter and under Chapter 1096 of the 1967 Session Laws.

(b) The Secretary shall require retailers who collect use tax on sales to North Carolina residents to ascertain the county of residence of each buyer and provide that information to the Secretary along with any other information necessary for the Secretary to allocate the use tax proceeds to the correct taxing county."

SECTION 33. G.S. 119-15.1 reads as rewritten:

"**§ 119-15.1. List of persons who must have a license.**

(a) License. – A person may not engage in business in this State as any of the following unless the person has a license issued by the Secretary authorizing the person to engage in business:

(1) A kerosene supplier.

(2) A kerosene distributor.

(3) A kerosene terminal operator.

(b) Exception. – A kerosene supplier license is not required if the supplier is licensed as a supplier under Part 2 of Article 36C of Chapter 105 of the General Statutes. A kerosene distributor is required to have a kerosene distributor license only if the distributor imports kerosene. Other kerosene distributors may elect to have a kerosene license. A kerosene terminal operator license is not required if the ~~supplier~~ terminal operator is licensed as a ~~supplier~~ terminal operator under Part 2 of Article 36C of Chapter 105 of the General Statutes."

SECTION 34. G.S. 119-19 reads as rewritten:

"**§ 119-19. Authority of Secretary to cancel a license.**

The Secretary of Revenue may cancel a license issued under ~~G.S. 119-16.2~~this Article upon the written request of the license holder. The Secretary may summarily cancel a license issued under ~~G.S. 119-16.2 or~~ this Article or under Article 36C or 36D of Chapter 105 of the General Statutes when the Secretary finds that the license holder is incurring liability for the tax imposed by this Article after failing to pay a tax when due under this Article. The Secretary may cancel the license of a license holder who files a false report under this Article or fails to file a report required under this Article after holding a hearing on whether the license should be cancelled.

The Secretary must send a person whose license is summarily cancelled a notice of the cancellation and must give the person an opportunity to have a hearing on the cancellation within 10 days after the cancellation. The Secretary must give a person whose license may be cancelled after a hearing at least 10 days' written notice of the date, time, and place of the hearing. A notice of a summary license cancellation and a notice of hearing must be sent by registered mail to the last known address of the license holder.

When the Secretary cancels a license and the license holder has paid all taxes and penalties due under this Article, the Secretary must either return to the license holder the

bond filed by the license holder or notify the person liable on the bond and the license holder that the person is released from liability on the bond."

SECTION 35. G.S. 120-70.108(a) reads as rewritten:

"(a) The Revenue Laws Study Committee shall establish a Property Tax Subcommittee consisting of ~~six~~ up to eight members. The Senate cochair of the Committee shall designate ~~three~~ up to four members appointed by the President Pro Tempore of the Senate to serve on the Subcommittee and shall name one of those members a cochair of the Subcommittee. The House cochair of the Committee shall designate ~~three~~ up to four members appointed by the Speaker of the House of Representatives to serve on the Subcommittee and shall name one of those members a cochair of the Subcommittee. The Subcommittee shall meet upon the call of the Subcommittee cochairs."

SECTION 36.(a) G.S. 153A-155(d) reads as rewritten:

"(d) Administration. – The taxing county shall administer a room occupancy tax it levies. A room occupancy tax is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the ~~15th~~ 20th day of each month, prepare and render a return on a form prescribed by the taxing county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied. A room occupancy tax return filed with the county finance officer is not a public record and may not be disclosed except in accordance with G.S. 153A-148.1 or G.S. 160A-208.1."

SECTION 36.(b) G.S. 160A-215(d) reads as rewritten:

"(d) Administration. – The taxing city shall administer a room occupancy tax it levies. A room occupancy tax is due and payable to the city finance officer in monthly installments on or before the ~~fifteenth~~ 20th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the fifteenth day of each month, prepare and render a return on a form prescribed by the taxing city. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied. A room occupancy tax return filed with the city finance officer is not a public record and may not be disclosed except in accordance with G.S. 153A-148.1 or G.S. 160A-208.1."

SECTION 36.(c) This section becomes effective October 1, 2004.

SECTION 37. The title of Article 16 of Chapter 153A of the General Statutes reads as rewritten:

"Article 16.

County Service Districts; County Research and Production Service ~~Districts.~~ Districts; County Economic Development and Training Districts."

SECTION 38. G.S. 153A-317.11 reads as rewritten:

"**§ 153A-317.11. Purpose ~~for which districts may be created.~~and nature of districts.**

The board of commissioners of any county may define a county economic development and training district, as provided in this Part, to finance, provide, and maintain for the district a skills training center in cooperation with its community

college branch in or for the county to prepare residents of the county to perform manufacturing, research and development, and related service and support jobs in the pharmaceutical, biotech, life sciences, chemical, telecommunications, and electronics industries, and allied, ancillary, and subordinate industries, to provide within the district any of the education, training, and related services, facilities, or functions that a county or a city is authorized by general law to provide, finance, or maintain, and to promote economic development in the county. The skills training center and related services shall be financed, provided, or maintained in the district either in addition to or to a greater extent than training facilities and services are financed, provided, or maintained in the entire county. A district created under this Part is a special tax area under Section 2(4) of Article V of the North Carolina Constitution."

SECTION 39. G.S. 153A-317.17 reads as rewritten:

"**§ 153A-317.17. Taxes authorized; rate limitation.**

A county may levy property taxes within an economic development and training district, in addition to those levied throughout the county, ~~in order to finance, provide, or maintain for the district a skills training center provided therein~~for the purposes listed in G.S. 153A-317.11 within the district in addition to or to a greater extent than ~~worker training facilities~~ the same purposes provided for the entire county. In addition, a county may allocate to a district any other revenues whose use is not otherwise restricted by law. The proceeds of taxes within a district may be expended only to pay annual debt service on up to one million two hundred thousand dollars ($1,200,000) of the capital costs of a skills training center provided for the district and any other services or facilities provided by a county in response to a recommendation of an advisory committee.

Property subject to taxation in a newly established district or in an area annexed to an existing district is subject to taxation by the county as of the preceding January 1.

Such additional property taxes may not be levied within any district established pursuant to this Article in excess of a rate of eight cents (8¢) on each one hundred dollars ($100.00) value of property subject to taxation."

SECTION 40.(a) Section 6 of Chapter 650 of the 1987 Session Laws is codified as the first two paragraphs of G.S. 159-99.

SECTION 40.(b) Sections 7 and 5 of Chapter 650 of the 1987 Session Laws are codified as the second and third paragraphs, respectively, of G.S. 159-100.

SECTION 40.(c) Article 5A of Chapter 159 of the General Statutes, as amended by this section, reads as rewritten:

"Article 5A.

"Capital Appreciation Bonds.

"**§ 159-99. ~~Issuance of capital appreciation bonds pursuant to the Local Government Bond Act.~~Definition; terms and conditions.**

(a) Capital Appreciation Bond Defined. – For purposes of this ~~act,~~Article, the term 'capital appreciation ~~bonds' means any bond or bonds~~ bond' means a bond that meets all of the following conditions:

(1) It is sold, at public or private sale, at a price substantially less, as conclusively determined by the issuer ~~thereof,~~of the bond, than the principal amount ~~thereof and compounded~~ of the bond.

(2) Compounded interest ~~thereon~~ on the bond is payable at ~~maturity, but only if such bond or bonds are~~maturity.

(3) The bond is designated as a capital appreciation ~~bonds~~ bond within the meaning of this ~~act~~ Article by the proceedings of the issuer ~~thereof providing for the issuance of such bonds.~~of the bond providing for its issuance.

(b) Calculating Principal Amount. – For purposes of calculating the aggregate principal amount of bonds within the meaning of any constitutional or statutory limitation on the incurrence of debt, the aggregate principal amount of any capital appreciation bonds ~~shall be~~is the aggregate of the initial offering prices at which ~~such~~ the bonds are offered for sale to the public, including private or negotiated sales, or sold to the initial purchaser ~~thereof~~ of the bonds in a private placement, in either case without reduction to reflect underwriters' discount or placement agents' or other intermediaries' fees.

(c) Terms and Conditions. – The proceedings providing for the issuance of any ~~such~~ capital appreciation bonds may provide for the issuance of terms bonds or serial bonds, or both, the establishment of sinking funds for or the redemption of term bonds, the issuance of capital appreciation bonds at the same time and as part of the same issue of any other type of bonds, the method of calculating the principal amount of any ~~such~~ capital appreciation bonds outstanding for the purpose of determining, within the meaning of ~~such~~ the proceedings and otherwise, application of debt service provisions, funds into which debt service payments are to be deposited, application of redemption provisions, bondowners' voting rights and consents, pro rata application of available ~~funds and such other matters as may be deemed appropriate by the issuer.~~funds, and any other matters the issuer considers appropriate.

~~Local governmental units are hereby authorized to issue capital appreciation bonds pursuant to the provisions of The Local Government Bond Act and to the extent that the provisions of said act are inconsistent with the issuance of such bonds, such inconsistent provisions are hereby amended to the extent of such inconsistency so as to permit the issuance of such bonds.~~

"**§ 159-100. ~~Issuance of capital appreciation bonds pursuant to The State and Local Government Revenue Bond Act.~~Authorization.**

(a) Revenue Bond Act. – The State and local governmental units are ~~hereby~~ authorized to issue capital appreciation bonds pursuant to the provisions of The State and Local Government Revenue Bond ~~Act and to the extent that the provisions of said act are inconsistent with the issuance of such bonds, such inconsistent provisions are hereby amended to the extent of such inconsistency so as to permit the issuance of such bonds.~~Act.

(b) Local Government Bond Act. – Local governmental units are authorized to issue capital appreciation bonds pursuant to the provisions of The Local Government Bond Act. In connection with the issuance of a series of bonds containing capital

appreciation bonds issued by local governmental units pursuant to The Local Government Bond Act, the Local Government Commission ~~is hereby authorized to~~ may require that annual debt service on ~~such~~ the series of bonds be as nearly level or equal as possible taking into consideration prevailing financial techniques, including, without limitation, the postponement of principal maturities in early years of the issue and the use of capitalized interest. The Local Government Commission ~~is hereby further authorized to~~ may also limit the amount of a series of bonds that may be issued as capital appreciation bonds and to make the issuance of any ~~such~~ capital appreciation bonds subject to a finding by the Commission or the issuer that the issuance of ~~such~~ the bonds will not increase the aggregate amount of debt service payable on ~~such~~ the series of bonds of which ~~such~~ the capital appreciation bonds constitute a part.

(c) Future Acts. – ~~The State and local~~ Local governmental units are ~~hereby~~ authorized to issue capital appreciation bonds pursuant to the provisions of any law enacted in the future.~~hereafter enacted, including laws enacted at the same session of the General Assembly at which this act is enacted, and to the extent that the provisions of such laws are inconsistent with the issuance of such bonds and provided such provisions are not expressly contrary, such inconsistent provisions are hereby amended to the extent of such inconsistency so as to permit the issuance of such bonds.~~"

SECTION 41.(a) Sections 2, 4, and 5 of Chapter 650 of the 1987 Session Laws are codified as G.S. 142-15.3.

SECTION 41.(b) G.S. 142-15.3, as codified by this section, reads as rewritten:

"**§ 142-15.3. Capital appreciation bonds.**

(a) Cross-Reference. – The provisions of G.S. 159-99 govern capital appreciation bonds.

(b) Authorization. – The State ~~and local governmental units are hereby~~is authorized to issue capital appreciation bonds pursuant to the provisions of The State and Local Government Revenue Bond ~~Act and to the extent that the provisions of said act are inconsistent with the issuance of such bonds, such inconsistent provisions are hereby amended to the extent of such inconsistency so as to permit the issuance of such bonds.~~Act. The State is ~~hereby~~ authorized to issue capital appreciation bonds pursuant to the provisions of applicable law and ~~law and to the extent that the provisions of such law are inconsistent with the issuance of such bonds, such inconsistent provisions are hereby amended to the extent of such inconsistency so as to permit the issuance of such bonds. The State and local governmental units are hereby authorized to issue capital appreciation bonds~~ pursuant to the provisions of any law enacted in the future.~~hereafter enacted, including laws enacted at the same session of the General Assembly at which this act is enacted, and to the extent that the provisions of such laws are inconsistent with the issuance of such bonds and provided such provisions are not expressly contrary, such inconsistent provisions are hereby amended to the extent of such inconsistency so as to permit the issuance of such bonds.~~"

SECTION 42.(a) G.S. 153A-155 is amended by adding a new subsection to read:

"(f1) Use. – The proceeds of a room occupancy tax shall not be used directly or indirectly for development or construction of a hotel or another transient lodging facility."

SECTION 42.(b) G.S. 160A-215 is amended by adding a new subsection to read:

"(f1) Use. – The proceeds of a room occupancy tax shall not be used directly or indirectly for development or construction of a hotel or another transient lodging facility."

SECTION 42.(c) This section becomes effective July 1, 2004, and applies to taxes that accrue on or after that date.

SECTION 43. Except as otherwise provided in this act, this act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 2003

S 2

SENATE BILL 1145

Finance Committee Substitute Adopted 6/7/04

Short Title: Revenue Laws Technical Changes. (Public)

Sponsors:

Referred to:

May 18, 2004

A BILL TO BE ENTITLED

AN ACT TO MAKE TECHNICAL AND CONFORMING CHANGES TO THE REVENUE LAWS AND RELATED STATUTES.

The General Assembly of North Carolina enacts:

SECTION 1. Section 30C.3(b) of S.L. 2002-126, as amended by Section 37A.4 of S.L. 2003-284, reads as rewritten:

"**SECTION 30C.3.(b)** This section is effective on and after January 1, 2002, and applies to the estates of decedents dying on or after that date. This section ~~is~~ and Section 37A.5 of S.L. 2003-284 are repealed effective for the estates of decedents dying on or after July 1, 2005."

SECTION 2. The lead-in language of Section 2 of S.L. 2003-360 reads as rewritten:

"**SECTION 2.** The capital improvements projects, and their respective costs, authorized by this act to be constructed and financed as provided in Sections ~~1~~ 1, 5, and 6 of this act are as follows:".

SECTION 3.(a) S.L. 2003-405 is reenacted.

SECTION 3.(b) This section is effective on and after August 12, 2003, and is repealed effective on the date that S.L. 2003-405 is repealed.

SECTION 4.(a) G.S. 105-32.2(b) reads as rewritten:

"(b) Amount. – The amount of the estate tax imposed by this section for estates of decedents dying on or after January 1, 2002, is the maximum credit for state death taxes allowed under section 2011 of the Code without regard to the phase-out and termination of that credit under subdivision (b)(2) and subsection (f) of that ~~section.~~section and without regard to the deduction for state death taxes allowed under section 2058 of the Code. If any property in the estate is located in a state other than North Carolina, the amount of tax payable depends on whether the decedent was a resident of this State at death. If the decedent was a resident of this State at death, the amount of tax due under this section is reduced by the lesser of the amount of the death tax paid the other state or an amount computed by multiplying the credit by a fraction, the numerator of which is

the gross value of the estate that has a tax situs in another state and the denominator of which is the value of the decedent's gross estate. If the decedent was not a resident of this State at death, the amount of tax due under this section is an amount computed by multiplying the credit by a fraction, the numerator of which is the gross value of real property that is located in North Carolina plus the gross value of any personal property that has a tax situs in North Carolina and the denominator of which is the value of the decedent's gross estate. For purposes of this section, the gross value of property is its gross value as finally determined in the federal estate tax proceedings."

SECTION 4.(b) This section is repealed effective for the estates of decedents dying on or after July 1, 2005.

SECTION 5. G.S. 105-113.5 reads as rewritten:

"**§ 105-113.5. Tax on cigarettes.**

A tax is levied on the sale or possession for sale in this State, by a distributor, of all cigarettes at the rate of two and one-half mills per individual cigarette.

~~This tax does not apply to any of the following:~~

~~(1) Sample cigarettes distributed without charge in packages containing five or fewer cigarettes.~~

~~(2) Cigarettes in a package of cigarettes given without charge by the manufacturer of the cigarettes to an employee of the manufacturer who works in a factory where cigarettes are made, if the cigarettes are not taxed by the federal government.~~"

SECTION 6. G.S. 105-113.68(a)(2) is repealed.

SECTION 7. G.S. 105-113.83(b) reads as rewritten:

"(b) Beer and Wine. – The excise taxes on malt beverages and wine levied under G.S. 105-113.80(a) and (b), respectively, are payable to the Secretary by the resident wholesaler or importer who first handles the beverages in this State. The excise taxes ~~on wine~~ levied under G.S. 105-113.80(b) on wine shipped directly to consumers pursuant to G.S. 18B-1001.1 must be paid by the wine shipper permittee. The taxes on malt beverages and wine shall be paid only once on the same beverages. The tax shall be paid on or before the 15th day of the month following the month in which the beverage is first sold or otherwise disposed of in this State by the wholesaler, importer, or wine shipper permittee. When excise taxes are paid on wine or malt beverages, the wholesaler, importer, or wine shipper permittee shall submit to the Secretary verified reports on forms provided by the Secretary detailing sales records for the month for which the taxes are paid. The report shall indicate the amount of excise tax due, contain the information required by the Secretary, and indicate separately any transactions to which the excise tax does not apply."

SECTION 8. G.S. 105-113.108(a) reads as rewritten:

"(a) Revenue Stamps. – The Secretary shall issue stamps to affix to unauthorized substances to indicate payment of the tax required by this Article. Dealers shall report the taxes payable under this Article at the time and on the ~~form~~ return prescribed by the Secretary. ~~Dealers~~ Notwithstanding any other provision of law, dealers are not required to give their name, address, social security number, or other identifying information on the ~~form.~~return and the return is not required to be verified by oath or affirmation. Upon

payment of the tax, the Secretary shall issue stamps in an amount equal to the amount of the tax paid. Taxes may be paid and stamps may be issued either by mail or in person."

SECTION 9. G.S. 105-129.2 is amended by adding a new subdivision to read:

"**§ 105-129.2. Definitions.**

The following definitions apply in this Article:

. . .

(12a) Interstate air courier. – Defined in G.S. 105-164.3."

SECTION 10. 105-129.4(b2) reads as rewritten:

"(b2) Health Insurance. – A taxpayer is eligible for a credit for creating jobs or for worker training under this Article if the taxpayer provides health insurance for the positions for which the credit is claimed when the jobs are created and each year it claims an installment or carryforward of the credit. A taxpayer is eligible for the other credits under this Article if the taxpayer provides health insurance for all of the full-time positions at the location with respect to which the credit is claimed when the taxpayer engages in the activity that qualifies for the credit and each year it claims an installment or carryforward of the credit. For the purposes of this subsection, a taxpayer provides health insurance if it pays at least fifty percent (50%) of the premiums for health care coverage that equals or exceeds the minimum provisions of the basic health care plan of coverage recommended by the Small Employer Carrier Committee pursuant to G.S. 58-50-125.

Each year that a taxpayer claims a credit or an installment or carryforward of a credit allowed under this Article, the taxpayer must provide with the tax return the taxpayer's certification that the taxpayer continues to provide health insurance for the jobs for which the credit was claimed or the full-time jobs at the location with respect to which the credit was claimed. If the taxpayer ceases to provide health insurance for the jobs during a taxable year, the credit expires and the taxpayer may not take any remaining installment or carryforward of the credit."

SECTION 11. G.S. 105-129.4(b6) reads as rewritten:

"(b6) Overdue Tax Debts. – A taxpayer is not eligible for a credit allowed under this Article if, at the time the taxpayer claims the credit or an installment or carryforward of the credit, the taxpayer has received a notice of an overdue tax debt and that overdue tax debt has not been satisfied or otherwise resolved."

SECTION 12. G.S. 105-129.6(b) reads as rewritten:

"(b) Reports. – The Department of Revenue shall publish by ~~March~~ April 1 of each year the following information itemized by credit and by taxpayer for the 12-month period ending the preceding December 31:

(1) The number of claims for each credit allowed in this Article.

(2) The number and enterprise tier area of new jobs with respect to which credits were generated and to which credits were claimed.

(3) The cost and enterprise tier area of machinery and equipment with respect to which credits were generated and to which credits were claimed.

(4) The number of new jobs created by businesses located in development zones, and the percentage of jobs at those locations that were filled by residents of the zones.

(5) The amount and enterprise tier area of worker training expenditures with respect to which credits were generated and to which credits were claimed.

(6) The amount and enterprise tier area of new research and development expenditures with respect to which credits were generated and to which credits were claimed.

(7) The cost and enterprise tier area of real property investment with respect to which credits were generated and to which credits were claimed."

SECTION 13. G.S. 105-129.9(d) reads as rewritten:

"(d) Expiration. – As used in this subsection, the term 'disposed of' means disposed of, taken out of service, or moved out of State.

If, in one of the seven years in which the installment of a credit accrues, the machinery and equipment with respect to which the credit was claimed are disposed of, ~~taken out of service, or moved out of State,~~ the credit expires and the taxpayer may not take any remaining installment of the credit for that machinery and equipment unless the cost of that machinery and equipment is offset in the same taxable year by the taxpayer's new investment in eligible machinery and equipment placed in service in the same enterprise tier, as provided in this subsection. If, during the taxable year the taxpayer disposed of the machinery and equipment for which installments remain, there has been a net reduction in the cost of all the taxpayer's eligible machinery and equipment that are in service in the same enterprise tier as the machinery and equipment that were disposed of, and the amount of this reduction is greater than twenty percent (20%) of the cost of the machinery and equipment that were disposed of, then the taxpayer forfeits the remaining installments of the credit for the machinery and equipment that were disposed of. If the amount of the net reduction is equal to twenty percent (20%) or less of the cost of the machinery and equipment that were disposed of, or if there is no net reduction, then the taxpayer does not forfeit the remaining installments of the expired credit. In determining the amount of any net reduction during the taxable year, the cost of machinery and equipment the taxpayer placed in service during the taxable year and for which the taxpayer claims a credit under Article 3B of this Chapter may not be included in the cost of all the taxpayer's eligible machinery and equipment that are in service. If in a single taxable year machinery and equipment with respect to two or more credits in the same tier are disposed of, the net reduction in the cost of all the taxpayer's eligible machinery and equipment that are in service in the same tier is compared to the total cost of all the machinery and equipment for which credits expired in order to determine whether the remaining installments of the credits are forfeited.

The expiration of a credit does not prevent the taxpayer from taking the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.5.

If, in one of the seven years in which the installment of a credit accrues, the machinery and equipment with respect to which the credit was claimed are moved to an area in a higher-numbered enterprise tier, or are moved from a development zone to an area that is not a development zone, the remaining installments of the credit are allowed only to the extent they would have been allowed if the machinery and equipment had been placed in service initially in the area to which they were moved."

SECTION 14. G.S. 105-129.35(c)(4) reads as rewritten:

"(4) State Historic Preservation Officer. – Defined in G.S. ~~105-129.6.~~105-129.36."

SECTION 15. G.S. 105-130.4(a)(6) reads as rewritten:

"(a) As used in this section, unless the context otherwise requires:

. . .

(6) 'Public utility' means any corporation that is subject to control of one of more of the following entities: the North Carolina Utilities Commission, the Federal Communications Commission, the Interstate Commerce Commission, the Federal ~~Power~~ Energy Regulatory Commission, or the Federal Aviation Agency; and that owns or operates for public use any plant, equipment, property, franchise, or license for the transmission of communications, the transportation of goods or persons, or the production, storage, transmission, sale, delivery or furnishing of electricity, water, steam, oil, oil products, or gas. The term also includes a motor carrier of property whose principal business activity is transporting property by motor vehicle for hire over the public highways of this State."

SECTION 16.(a) G.S. 105-130.46 reads as rewritten:

"**§ 105-130.46. Credit for manufacturing cigarettes for exportation while increasing employment and utilizing State Ports.**

(a) Purpose. – The credit authorized by this section is intended to enhance the economy of this State by encouraging qualifying cigarette manufacturers to increase employment in this State with the purpose of expanding this State's economy, the use of the North Carolina State Ports, and the use of other State goods and services, including tobacco.

(b) Definitions. – The following definitions apply in this section:

(1) Employment level. – The total number of full-time jobs and part-time jobs converted into full-time equivalences.

(2) Exportation. – The shipment of cigarettes manufactured in the United States to a foreign country sufficient to relieve the cigarettes in the shipment of the federal excise tax on cigarettes.

(3) Full-time job. – A position that requires at least 1,600 hours of work per year and is intended to be held by one employee during the entire year.

(4) Successor in business. – A corporation that through amalgamation, merger, acquisition, consolidation, or other legal succession becomes

invested with the rights and assumes the burdens of the predecessor corporation and continues the cigarette exportation business.

(c) Employment Level. – In order to be eligible for a full credit allowed under this section, the corporation must maintain an employment level in this State that exceeds the corporation's employment level in this State at the end of the 2004 calendar year by at least 800 full-time jobs. In the case of a successor in business, the corporation must maintain an employment level in this State that exceeds all its predecessor corporations' combined employment levels in this State at the end of the 2004 calendar year by at least 800 full-time jobs. A job is located in this State if more than fifty percent (50%) of the employee's duties are performed in this State.

(d) Credit. – A corporation that satisfies the employment level requirement under subsection ~~(b)~~(c) of this section, is engaged in the business of manufacturing cigarettes for exportation, and exports cigarettes and other tobacco products through the North Carolina State Ports during the taxable year is allowed a credit as provided in this section. The amount of credit allowed under this section is equal to forty cents (40¢) per one thousand cigarettes exported. The amount of credit earned during the taxable year may not exceed ten million dollars ($10,000,000).

(e) Reduction of Credit. – A corporation that has previously satisfied the qualification requirements of this section but that fails to satisfy the employment level requirement in a succeeding year may still claim a partial credit for the year in which the employment level requirement is not satisfied. The partial credit allowed is equal to the credit that would otherwise be allowed under subsection ~~(c)~~(d) of this section multiplied by a fraction. The numerator of the fraction is the number of full-time jobs by which the corporation's employment level in this State exceeds the corporation's employment level in this State at the end of the 2004 calendar year. The denominator of the fraction is 800. In the case of a successor in business, the numerator of the fraction is the number of full-time jobs by which the corporation's employment level in this State exceeds all its predecessor corporations' combined employment levels in this State at the end of the 2004 calendar year.

(f) Allocation. – The credit allowed by this section may be taken against the income taxes levied under this Part or the franchise taxes levied under Article 3 of this Chapter. When the taxpayer claims a credit under this section, the taxpayer must elect the percentage of the credit to be applied against the taxes levied under this Part with any remaining percentage to be applied against the taxes levied under Article 3 of this Chapter. This election is binding for the year in which it is made and for any carryforwards. A taxpayer may elect a different allocation for each year in which the taxpayer qualifies for a credit.

(g) Ceiling. – The total amount of credit that may be taken in a taxable year under this section may not exceed the lesser of the amount of credit which may be earned for that year under subsection ~~(c)~~(d) of this section or fifty percent (50%) of the amount of tax against which the credit is taken for the taxable year reduced by the sum of all other credits allowable, except tax payments made by or on behalf of the taxpayer. This limitation applies to the cumulative amount of the credit allowed in any tax year,

including carryforwards claimed by the taxpayer under this section or G.S. 105-130.45 for previous tax years.

(h) Carryforward. – Any unused portion of a credit allowed in this section may be carried forward for the next succeeding 10 years. All carryforwards of a credit must be taken against the tax against which the credit was originally claimed. A successor in business may take the carryforwards of a predecessor corporation as if they were carryforwards of a credit allowed to the successor in business.

(i) Documentation of Credit. – A corporation that claims the credit under this section must include the following with its tax return:

(1) A statement of the exportation volume on which the credit is based.

(2) A list of the corporation's export volumes shown on its monthly reports to the Alcohol and Tobacco Tax and Trade Bureau of the United States Treasury for the months in the tax year for which the credit is claimed.

(3) Any other information required by the Department of Revenue.

(j) No Double Credit. – A taxpayer may not claim this credit and the credit allowed under G.S. 105-130.45 for the same activity.

(k) Reports. – Any corporation that takes a credit under this section must submit an annual report by May 1 of each year to the Senate Finance Committee, the House of Representatives Finance Committee, the Senate Appropriations Committee, the House of Representatives Appropriations Committee, and the Fiscal Research Division of the General Assembly. The report must state the amount of credit earned by the corporation during the previous year, the amount of credit including carryforwards claimed by the corporation during the previous year, and the percentage of domestic leaf content in cigarettes produced by the corporation during the previous year. The first reports required under this section are due by May 1, 2006."

SECTION 16.(b) This section is effective for taxable years beginning on or after January 1, 2006, and expires for exports occurring on or after January 1, 2018.

SECTION 17. G.S. 105-160.3(b)(6) is repealed.

SECTION 18. G.S. 105-164.3(28) reads as rewritten:

"(28) Prepared food. – Food that meets at least one of the conditions of this subdivision. Prepared food does not include food the retailer sliced, repackaged, or pasteurized but did not ~~otherwise process.~~heat, mix, or sell with eating utensils.

a. It is sold in a heated state or it is heated by the retailer.

b. It consists of two or more foods mixed or combined by the retailer for sale as a single item. This sub-subdivision does not include foods containing raw eggs, fish, meat, or poultry that require cooking by the consumer as recommended by the Food and Drug Administration to prevent food borne illnesses.

c. It is sold with eating utensils provided by the retailer, such as plates, knives, forks, spoons, glasses, cups, napkins, and straws."

SECTION 19. G.S. 105-164.3(37) reads as rewritten:

"(37) Sales price. – The total amount or consideration for which personal property or services are sold, leased, or rented. The consideration may be in the form of cash, credit, property, or services. The sales price must be valued in money, regardless of whether it is received in money.

a. The term includes all of the following:
   1. The retailer's cost of the property sold.
   2. The cost of materials used, labor or service costs, interest, losses, all costs of transportation to the retailer, all taxes imposed on the retailer, and any other expense of the retailer.
   3. Charges by the retailer for any services necessary to complete the sale.
   4. Delivery charges.
   5. Installation charges.
   6. The value of exempt personal property given to the consumer when taxable and exempt personal property are bundled together and sold by the retailer as a single product or piece of merchandise.
   7. Credit for trade-in.

b. The term does not include any of the following:
   1. Discounts, including cash, term, or coupons, that are not reimbursed by a third party, are allowed by the retailer, and are taken by a consumer on a sale.
   2. Interest, financing, and carrying charges from credit extended on the sale, if the amount is separately stated on the invoice, bill of sale, or a similar document given to the consumer.
   3. Any taxes imposed directly on the consumer that are separately stated on the invoice, bill of sale, or similar document given to the consumer."

SECTION 20. G.S. 105-164.4B(3) reads as rewritten:

"(3) Delivery address unknown. – When a seller of a product does not know the address where a product is received, the sale is sourced to the first address or location listed in this subdivision that is known to the seller:

a. The business or home address of the purchaser.
b. The billing address of the purchaser or, if the product is a prepaid telephone calling service that authorizes the purchase of mobile telecommunications service, the location associated with the mobile telephone number.
c. The ~~billing address of the purchaser.~~address from which tangible personal property was shipped or from which a service was provided."

SECTION 21.(a) G.S. 105-164.14(e) reads as rewritten:

"(e) State Agencies. – **(Effective July 1, 2004 and applicable to sales made on or after that date)** The State is allowed quarterly refunds of local sales and use taxes paid indirectly by the State agency on building materials, supplies, fixtures, and equipment that become a part of or annexed to a building or structure that is owned or leased by the State agency and is being erected, altered, or repaired for use by the State agency. ~~services and of~~

A person who pays local sales and use taxes on building materials or other tangible personal property for a State building project shall give the State agency for whose project the property was purchased a signed statement containing all of the following information:

(1) The date the property was purchased.
(2) The type of property purchased.
(3) The project for which the property was used.
(4) If the property was purchased in this State, the county in which it was purchased.
(5) If the property was not purchased in this State, the county in which the property was used.
(6) The amount of sales and use taxes paid.

If the property was purchased in this State, the person shall attach a copy of the sales receipt to the statement. A State agency to whom a statement is submitted shall verify the accuracy of the statement.

Within 15 days after the end of each calendar quarter, every State agency shall file with the Secretary a written application for a refund of taxes to which this subsection applies paid by the agency during the quarter. The application shall contain all information required by the Secretary. The Secretary shall credit the local sales and use tax refunds directly to the General Fund."

SECTION 21.(b) This section becomes effective July 1, 2004.

SECTION 22. G.S. 105-164.29A reads as rewritten:

"**§ 105-164.29A. State government exemption process.**

(a) Application. – To be eligible for the exemption provided in G.S. ~~105-164.13(51),~~105-164.13(52), a State agency must obtain from the Department a sales tax exemption number. The application for exemption must be in the form required by the Secretary, be signed by the State agency's head, and contain any information required by the Secretary. The Secretary must assign a sales tax exemption number to a State agency that submits a proper application.

(b) Liability. – A State agency that does not use the items purchased with its exemption number must pay the tax that should have been paid on the items purchased, plus interest calculated from the date the tax would otherwise have been paid."

SECTION 22.5. G.S. 105-243.1(e) reads as rewritten:

"(e) Use. – The fee is a receipt of the Department and must be applied to the costs of collecting overdue tax debts. The proceeds of the fee must be credited to a special account within the Department and may be expended only as provided in this subsection. The proceeds of the fee may not be used for any purpose that is not directly

and primarily related to collecting overdue tax debts. The Department may apply the proceeds of the fee to pay contractors for collecting tax debts under subsection (b) of this section and to pay the fee the United States Department of the Treasury charges for setoff to recover tax owed to North Carolina. The remaining proceeds of the fee may be spent only pursuant to appropriation by the General Assembly. The fee proceeds do not revert but remain in the special account until spent for the costs of collecting overdue tax debts."

SECTION 23. 105-259(b)(7) reads as rewritten:

"(b) Disclosure Prohibited. – An officer, an employee, or an agent of the State who has access to tax information in the course of service to or employment by the State may not disclose the information to any other person unless the disclosure is made for one of the following purposes:

. . .

(7) To exchange information with the Division of the State Highway Patrol of the Department of Crime Control and Public ~~Safety~~ Safety, the Division of Motor Vehicles of the Department of Transportation, or the International Fuel Tax Association, Inc., when the information is needed to fulfill a duty imposed on the Department of ~~Revenue or~~ Revenue, the Division of the State Highway Patrol of the Department of Crime Control and Public Safety, or the Division of Motor Vehicles of the Department of Transportation.~~Safety.~~"

SECTION 24. G.S. 105-449.47(a1) reads as rewritten:

"(a1) Registration and Identification Marker. – When the Secretary registers a motor carrier, the Secretary must issue at least one identification marker for each motor vehicle operated by the motor carrier. A motor carrier must keep records of identification markers issued to it and must be able to account for all identification markers it receives from the Secretary. Registrations and identification markers issued by the Secretary are for a calendar year. ~~The Secretary may renew a registration or an identification marker without issuing a new registration or identification marker.~~ All identification markers issued by the Secretary remain the property of the State. The Secretary may withhold or revoke a registration or an identification marker when a motor carrier fails to comply with this Article, former Article 36 or 36A of this Subchapter, or Article 36C or 36D of this Subchapter.

A motor carrier must carry a copy of its registration in each motor vehicle operated by the motor carrier when the vehicle is in this State. A motor vehicle must clearly display an identification marker at all times. The identification marker must be affixed to the vehicle for which it was issued in the place and manner designated by the authority that issued it."

SECTION 25. G.S. 105-449.52(a) reads as rewritten:

"(a) Penalty. – A motor carrier who does any of the following is subject to a civil penalty:

(1) Operates in this State or causes to be operated in this State a motor vehicle that ~~does not~~either fails to carry the registration card required by this Article or ~~does not~~fails to display an identification marker in

accordance with this Article. The amount of the penalty is one hundred dollars ($100.00).

(2) Is unable to account for identification markers the Secretary issues the motor carrier, as required by G.S. 105-449.47. The amount of the penalty is one hundred dollars ($100.00) for each identification marker the carrier is unable to account for.

(3) Displays an identification marker on a motor vehicle operated by a motor carrier that was not issued to the carrier by the Secretary under G.S. 105-449.47. The amount of the penalty is one thousand dollars ($1,000) for each identification marker unlawfully obtained. Both the licensed motor carrier to whom the Secretary issued the identification marker and the motor carrier displaying the unlawfully obtained identification marker are jointly and severally liable for the penalty under this subdivision.

A penalty imposed under this section is payable to the Department of ~~Revenue~~ Revenue, the Department of Crime Control and Public Safety, or the Division of Motor Vehicles. When a motor vehicle is found to be operating without a registration card or an identification marker or with an identification marker the Secretary did not issue for the vehicle, the motor vehicle may not be driven for a purpose other than to park the motor vehicle until the penalty imposed under this section is paid unless the officer that imposes the penalty determines that operation of the motor vehicle will not jeopardize collection of the penalty."

SECTION 26. G.S. 105-449.54 reads as rewritten:

"**§ 105-449.54. Commissioner of Motor Vehicles made process agent of nonresident motor carriers.**

~~The acceptance by~~By operating a motor vehicle on the highways of this State, a nonresident motor carrier consents to the appointment of ~~of the rights and privileges conferred by the laws now or hereafter in force in this State permitting the operation of motor vehicles, as evidenced by the operation of a motor vehicle by such nonresident, either personally or through an agent or employee, on the public highways of this State, or the operation by such nonresident, either personally or through an agent or employee, of a motor vehicle on the public highways of this State other than as so permitted or regulated, shall be deemed equivalent to the appointment by such nonresident motor carrier of~~ the Commissioner of Motor Vehicles as its attorney in fact and process agent for ~~Vehicles, or his successor in office, to be his true and lawful attorney and the attorney of his executor or administrator, upon whom may be served~~ all summonses or other lawful process or notice in any action, ~~assessment proceeding~~assessment, or other proceeding ~~against him or his executor or administrator, arising out of or by reason of any provisions of this Article relating to such vehicle or relating to the liability for tax with respect to operation of such vehicle on the highways of this State. Said acceptance or operation shall be a signification by such nonresident motor carrier of his agreement that any such process against or notice to him or his executor or administrator shall be of the same legal force and validity as if served on him personally, or on his executor or administrator. All of the provisions of G.S. 1-105 following the first paragraph thereof~~

~~shall be applicable with respect to the service of process or notice pursuant to this section.~~under this Chapter."

SECTION 27. G.S. 105-449.60(7) reads as rewritten:

"**§ 105-449.60. Definitions.**

The following definitions apply in this Article:

...

(7) Diesel fuel. – Any liquid, other than gasoline, that is suitable for use as a fuel in a diesel-powered highway vehicle. The term includes ~~kerosene and biodiesel.~~biodiesel, fuel oil, heating oil, high-sulfur dyed diesel fuel, and kerosene. The term does not include jet fuel sold to a buyer who is certified to purchase jet fuel under the Code."

SECTION 28. The lead-in language of G.S. 105-449.72(a) reads as rewritten:

"(a) Initial Bond. – An applicant for a license as a refiner, a terminal operator, a supplier, an importer, a blender, a permissive supplier, or a distributor must file with the Secretary a bond or an irrevocable letter of credit. A bond or irrevocable letter of credit must be conditioned upon compliance with the requirements of this Article, be payable to the State, and be in the form required by the Secretary. The amount of the bond or irrevocable letter of credit is determined as follows:".

SECTION 29. G.S. 105-449.74 reads as rewritten:

"**§ 105-449.74. Issuance of license.**

Upon approval of an application, the Secretary must issue a license to the ~~applicant as well as a duplicate copy of the license for each place of business of the~~ applicant. A supplier's license must indicate the category of the supplier. A license holder must maintain and display a copy of the license issued under this Part in a conspicuous place at each place of business of the license holder. A license is not transferable and remains in effect until surrendered or cancelled."

SECTION 30. G.S. 105-449.81(3a) reads as rewritten:

"An excise tax at the motor fuel rate is imposed on motor fuel that is:

...

(3a) Fuel ~~grade ethanol~~ alcohol or biodiesel, if it meets either ~~that meets any~~ of the following descriptions:

a. Is removed from a terminal or another storage and distribution facility, unless the removed fuel is received by a supplier for subsequent sale.

b. Is imported to this State outside the terminal transfer system by a means other than a marine vessel, a transport truck, or a railroad tank car."

SECTION 31. G.S. 105-449.123 reads as rewritten:

"**§ 105-449.123. Marking requirements for dyed ~~diesel~~ fuel storage facilities.**

(a) Requirements. – A person who is a retailer of dyed ~~diesel~~ motor fuel or who stores both dyed and undyed ~~diesel~~ motor fuel for use by that person or another person must mark the storage facility for the dyed ~~diesel~~ motor fuel as follows in a manner that clearly indicates the fuel is not to be used to operate a highway vehicle. The storage

facility must be marked "Dyed Diesel, Nontaxable Use Only, Penalty For Taxable Use" or "Dyed Kerosene, Nontaxable Use Only, Penalty for Taxable Use" or a similar phrase that clearly indicates the fuel is not to be used to operate a highway vehicle.

(1) The storage tank of the storage facility must be marked if the storage tank is visible.

(2) The fillcap or spill containment box of the storage facility must be marked.

(3) The dispensing device that serves the storage facility must be marked.

(4) The retail pump or dispensing device at any level of the distribution system must comply with the marking requirements.

(b) Exception. – The marking requirements of this section do not apply to a storage facility that contains fuel used only for one of the purposes listed in G.S. 105-449.105A(a)(1) and is installed in a manner that makes use of the fuel for any other purpose improbable."

SECTION 32. G.S. 105-469 reads as rewritten:

"**§ 105-469. Secretary to collect and administer local sales and use tax.**

(a) The Secretary shall collect and administer a tax levied by a county pursuant to this Article. As directed by G.S. 105-164.13B, taxes levied by a county on food are administered as if they were levied by the State under Article 5 of this Chapter. The Secretary must, on a monthly basis, distribute local taxes levied on food to the taxing counties as follows:

(1) The Secretary must allocate one-half of the net proceeds on a per capita basis according to the most recent annual population estimates certified to the Secretary by the State Budget Officer. The Secretary must then adjust the amount allocated to each county as provided in G.S. 105-486(b).

(2) The Secretary must allocate the remaining net proceeds proportionately to each taxing county based upon the amount of sales tax on food collected in the taxing county in the 1997-1998 fiscal year under Article 39 of this Chapter or under Chapter 1096 of the 1967 Session Laws relative to the total amount of sales tax on food collected in all taxing counties in the 1997-1998 fiscal year under Article 39 of this ~~Chapter.~~ Chapter and under Chapter 1096 of the 1967 Session Laws.

(b) The Secretary shall require retailers who collect use tax on sales to North Carolina residents to ascertain the county of residence of each buyer and provide that information to the Secretary along with any other information necessary for the Secretary to allocate the use tax proceeds to the correct taxing county."

SECTION 33. G.S. 119-15.1 reads as rewritten:

"**§ 119-15.1. List of persons who must have a license.**

(a) License. – A person may not engage in business in this State as any of the following unless the person has a license issued by the Secretary authorizing the person to engage in business:

(1) A kerosene supplier.

(2) A kerosene distributor.
(3) A kerosene terminal operator.

(b) Exception. – A kerosene supplier license is not required if the supplier is licensed as a supplier under Part 2 of Article 36C of Chapter 105 of the General Statutes. A kerosene distributor is required to have a kerosene distributor license only if the distributor imports kerosene. Other kerosene distributors may elect to have a kerosene license. A kerosene terminal operator license is not required if the ~~supplier~~ terminal operator is licensed as a ~~supplier~~ terminal operator under Part 2 of Article 36C of Chapter 105 of the General Statutes."

SECTION 34. G.S. 119-19 reads as rewritten:

"**§ 119-19. Authority of Secretary to cancel a license.**

The Secretary of Revenue may cancel a license issued under ~~G.S. 119-16.2~~this Article upon the written request of the license holder. The Secretary may summarily cancel a license issued under ~~G.S. 119-16.2 or~~ this Article or under Article 36C or 36D of Chapter 105 of the General Statutes when the Secretary finds that the license holder is incurring liability for the tax imposed by this Article after failing to pay a tax when due under this Article. The Secretary may cancel the license of a license holder who files a false report under this Article or fails to file a report required under this Article after holding a hearing on whether the license should be cancelled.

The Secretary must send a person whose license is summarily cancelled a notice of the cancellation and must give the person an opportunity to have a hearing on the cancellation within 10 days after the cancellation. The Secretary must give a person whose license may be cancelled after a hearing at least 10 days' written notice of the date, time, and place of the hearing. A notice of a summary license cancellation and a notice of hearing must be sent by registered mail to the last known address of the license holder.

When the Secretary cancels a license and the license holder has paid all taxes and penalties due under this Article, the Secretary must either return to the license holder the bond filed by the license holder or notify the person liable on the bond and the license holder that the person is released from liability on the bond."

SECTION 35. G.S. 120-70.108(a) reads as rewritten:

"(a) The Revenue Laws Study Committee shall establish a Property Tax Subcommittee consisting of ~~six~~ up to eight members. The Senate cochair of the Committee shall designate ~~three~~ up to four members appointed by the President Pro Tempore of the Senate to serve on the Subcommittee and shall name one of those members a cochair of the Subcommittee. The House cochair of the Committee shall designate ~~three~~ up to four members appointed by the Speaker of the House of Representatives to serve on the Subcommittee and shall name one of those members a cochair of the Subcommittee. The Subcommittee shall meet upon the call of the Subcommittee cochairs."

SECTION 36.(a) G.S. 153A-155(d) reads as rewritten:

"(d) Administration. – The taxing county shall administer a room occupancy tax it levies. A room occupancy tax is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in

which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the ~~15th~~ 20th day of each month, prepare and render a return on a form prescribed by the taxing county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied. A room occupancy tax return filed with the county finance officer is not a public record and may not be disclosed except in accordance with G.S. 153A-148.1 or G.S. 160A-208.1."

SECTION 36.(b) G.S. 160A-215(d) reads as rewritten:

"(d) Administration. – The taxing city shall administer a room occupancy tax it levies. A room occupancy tax is due and payable to the city finance officer in monthly installments on or before the ~~fifteenth~~ 20th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the fifteenth day of each month, prepare and render a return on a form prescribed by the taxing city. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied. A room occupancy tax return filed with the city finance officer is not a public record and may not be disclosed except in accordance with G.S. 153A-148.1 or G.S. 160A-208.1."

SECTION 36.(c) This section becomes effective October 1, 2004.

SECTION 37. The title of Article 16 of Chapter 153A of the General Statutes reads as rewritten:

"Article 16.

County Service Districts; County Research and Production Service ~~Districts.~~ Districts; County Economic Development and Training Districts."

SECTION 38. G.S. 153A-317.11 reads as rewritten:

"**§ 153A-317.11. Purpose ~~for which districts may be created.~~and nature of districts.**

The board of commissioners of any county may define a county economic development and training district, as provided in this Part, to finance, provide, and maintain for the district a skills training center in cooperation with its community college branch in or for the county to prepare residents of the county to perform manufacturing, research and development, and related service and support jobs in the pharmaceutical, biotech, life sciences, chemical, telecommunications, and electronics industries, and allied, ancillary, and subordinate industries, to provide within the district any of the education, training, and related services, facilities, or functions that a county or a city is authorized by general law to provide, finance, or maintain, and to promote economic development in the county. The skills training center and related services shall be financed, provided, or maintained in the district either in addition to or to a greater extent than training facilities and services are financed, provided, or maintained in the entire county. A district created under this Part is a special tax area under Section 2(4) of Article V of the North Carolina Constitution."

SECTION 39. G.S. 153A-317.17 reads as rewritten:

"**§ 153A-317.17. Taxes authorized; rate limitation.**

A county may levy property taxes within an economic development and training district, in addition to those levied throughout the county, ~~in order to finance, provide, or maintain for the district a skills training center provided therein~~for the purposes listed

in G.S. 153A-317.11 within the district in addition to or to a greater extent than ~~worker training facilities~~ the same purposes provided for the entire county. In addition, a county may allocate to a district any other revenues whose use is not otherwise restricted by law. The proceeds of taxes within a district may be expended only to pay annual debt service on up to one million two hundred thousand dollars ($1,200,000) of the capital costs of a skills training center provided for the district and any other services or facilities provided by a county in response to a recommendation of an advisory committee.

Property subject to taxation in a newly established district or in an area annexed to an existing district is subject to taxation by the county as of the preceding January 1.

Such additional property taxes may not be levied within any district established pursuant to this Article in excess of a rate of eight cents (8¢) on each one hundred dollars ($100.00) value of property subject to taxation."

SECTION 40.(a) Section 6 of Chapter 650 of the 1987 Session Laws is codified as the first two paragraphs of G.S. 159-99.

SECTION 40.(b) Sections 7 and 5 of Chapter 650 of the 1987 Session Laws are codified as the second and third paragraphs, respectively, of G.S. 159-100.

SECTION 40.(c) Article 5A of Chapter 159 of the General Statutes, as amended by this section, reads as rewritten:

"Article 5A.

"Capital Appreciation Bonds.

"§ 159-99. ~~Issuance of capital appreciation bonds pursuant to the Local Government Bond Act.~~**Definition; terms and conditions.**

(a) Capital Appreciation Bond Defined. – For purposes of this ~~act,~~Article, the term 'capital appreciation ~~bonds' means any bond or bonds~~ bond' means a bond that meets all of the following conditions:

(1) It is sold, at public or private sale, at a price substantially less, as conclusively determined by the issuer ~~thereof,~~of the bond, than the principal amount ~~thereof and compounded~~ of the bond.

(2) Compounded interest ~~thereon~~ on the bond is payable at ~~maturity, but only if such bond or bonds are~~maturity.

(3) The bond is designated as a capital appreciation ~~bonds~~ bond within the meaning of this ~~act~~ Article by the proceedings of the issuer ~~thereof providing for the issuance of such bonds.~~of the bond providing for its issuance.

(b) Calculating Principal Amount. – For purposes of calculating the aggregate principal amount of bonds within the meaning of any constitutional or statutory limitation on the incurrence of debt, the aggregate principal amount of any capital appreciation bonds ~~shall be~~is the aggregate of the initial offering prices at which ~~such~~ the bonds are offered for sale to the public, including private or negotiated sales, or sold to the initial purchaser ~~thereof~~ of the bonds in a private placement, in either case without reduction to reflect underwriters' discount or placement agents' or other intermediaries' fees.

(c) Terms and Conditions. – The proceedings providing for the issuance of any ~~such~~ capital appreciation bonds may provide for the issuance of terms bonds or serial bonds, or both, the establishment of sinking funds for or the redemption of term bonds, the issuance of capital appreciation bonds at the same time and as part of the same issue of any other type of bonds, the method of calculating the principal amount of any ~~such~~ capital appreciation bonds outstanding for the purpose of determining, within the meaning of ~~such~~ the proceedings and otherwise, application of debt service provisions, funds into which debt service payments are to be deposited, application of redemption provisions, bondowners' voting rights and consents, pro rata application of available ~~funds and such other matters as may be deemed appropriate by the issuer.~~funds, and any other matters the issuer considers appropriate.

~~Local governmental units are hereby authorized to issue capital appreciation bonds pursuant to the provisions of The Local Government Bond Act and to the extent that the provisions of said act are inconsistent with the issuance of such bonds, such inconsistent provisions are hereby amended to the extent of such inconsistency so as to permit the issuance of such bonds.~~

"§ 159-100. ~~Issuance of capital appreciation bonds pursuant to The State and Local Government Revenue Bond Act.~~Authorization.

(a) Revenue Bond Act. – The State and local governmental units are ~~hereby~~ authorized to issue capital appreciation bonds pursuant to the provisions of The State and Local Government Revenue Bond ~~Act and to the extent that the provisions of said act are inconsistent with the issuance of such bonds, such inconsistent provisions are hereby amended to the extent of such inconsistency so as to permit the issuance of such bonds.~~Act.

(b) Local Government Bond Act. – Local governmental units are authorized to issue capital appreciation bonds pursuant to the provisions of The Local Government Bond Act. In connection with the issuance of a series of bonds containing capital appreciation bonds issued by local governmental units pursuant to The Local Government Bond Act, the Local Government Commission ~~is hereby authorized to~~ may require that annual debt service on ~~such~~ the series of bonds be as nearly level or equal as possible taking into consideration prevailing financial techniques, including, without limitation, the postponement of principal maturities in early years of the issue and the use of capitalized interest. The Local Government Commission ~~is hereby further authorized to~~ may also limit the amount of a series of bonds that may be issued as capital appreciation bonds and to make the issuance of any ~~such~~ capital appreciation bonds subject to a finding by the Commission or the issuer that the issuance of ~~such~~ the bonds will not increase the aggregate amount of debt service payable on ~~such~~ the series of bonds of which ~~such~~ the capital appreciation bonds constitute a part.

(c) Future Acts. – ~~The State and local~~ Local governmental units are ~~hereby~~ authorized to issue capital appreciation bonds pursuant to the provisions of any law ~~hereafter enacted, including laws enacted at the same session of the General Assembly at which this act is enacted, and to the extent that the provisions of such laws are inconsistent with the issuance of such bonds and provided such provisions are not~~

~~expressly contrary, such inconsistent provisions are hereby amended to the extent of such inconsistency so as to permit the issuance of such bonds.~~enacted in the future."

SECTION 41.(a) Sections 2, 4, and 5 of Chapter 650 of the 1987 Session Laws are codified as G.S. 142-15.3.

SECTION 41.(b) G.S. 142-15.3, as codified by this section, reads as rewritten:

"**§ 142-15.3. Capital appreciation bonds.**

(a) Cross-Reference. – The provisions of G.S. 159-99 govern capital appreciation bonds.

(b) Authorization. – The State ~~and local governmental units are hereby~~is authorized to issue capital appreciation bonds pursuant to the provisions of The State and Local Government Revenue Bond ~~Act and to the extent that the provisions of said act are inconsistent with the issuance of such bonds, such inconsistent provisions are hereby amended to the extent of such inconsistency so as to permit the issuance of such bonds.~~Act. The State is ~~hereby~~ authorized to issue capital appreciation bonds pursuant to the provisions of applicable law and ~~law and to the extent that the provisions of such law are inconsistent with the issuance of such bonds, such inconsistent provisions are hereby amended to the extent of such inconsistency so as to permit the issuance of such bonds. The State and local governmental units are hereby authorized to issue capital appreciation bonds~~ pursuant to the provisions of any law ~~hereafter enacted, including laws enacted at the same session of the General Assembly at which this act is enacted, and to the extent that the provisions of such laws are inconsistent with the issuance of such bonds and provided such provisions are not expressly contrary, such inconsistent provisions are hereby amended to the extent of such inconsistency so as to permit the issuance of such bonds.~~enacted in the future."

SECTION 42. Except as otherwise provided in this act, this act is effective when it becomes law.

SENATE BILL 1145 (HPCS): Revenue Laws Technical Changes

BILL ANALYSIS

Committee: House Finance
Date: June 23, 2004
Version: PCS for 1st Edition

Sponsor: Sen. Hartsell
Analysis by: Martha H. Harris
Staff Attorney

SUMMARY: This draft bill makes one substantive change and makes the following technical and clarifying changes to the revenue laws and related statutes. The substantive change is in Section 42, described below. Sections in bold were added by the proposed committee substitute.

Section	Explanation
1	Clarifies that estate tax changes have uniform sunset date.
2	Supplies a missing cross-reference in UNC self-liquidating bond legislation.
3	Reenacts the 2003 session law relating to ESC surtax delay, in order to correct a technical omission.
4	Clarifies that calculation of State estate tax without regard to federal phase-out and termination of federal credit for state death taxes includes disregarding the federal deduction that replaces the federal credit January 1, 2005.
5	Deletes obsolete provisions.
6	Deletes definition of term no longer used in statutes.
7	Corrects grammatical issue.
8	Updates terminology in controlled substance tax law and clarifies provision complying with Fifth Amendment protection against self-incrimination.
8.1	**Clarifies the mechanism for calculating the franchise tax on LLC assets attributed to a controlling corporation.**
9	Adds cross-reference to defined term.
10	Provides that Bill Lee Act health insurance requirement begins when jobs are created or when qualifying investment is made and continues when credit, installment, or carryforward is claimed. Current law refers only to when installment or carryforward is claimed. This change conforms to the current practice of the Department.
11	Clarifies that Bill Lee Act tax debt requirement begins when credit is claimed and continues when installment or carryforward is claimed. Current law refers only to when installment or carryforward is claimed.
12	Delays report deadline by one month in order to allow time for quality of report to be improved.
13	Clarifies that loss of the Bill Lee machinery and equipment tax credit because property is disposed of is the same if the property is taken out of service or moved out of state.
14	Corrects incorrect cross-reference
15	Updates terminology. In 1977, the Federal Energy Regulatory Commission replaced the Federal Power Commission established in 1920. It is responsible

	for issuing licenses for the development of water and electrical power and prohibiting operators from restricting output or restraining trade in electrical energy.
16	Corrects cross-references in new tobacco export credit.
17	Deletes cross-reference to repealed statute.
18	Clarifies the prepared food definition exception for food that is sliced, repackaged, or pasteurized by the retailer.
19	Restores provision inadvertently deleted in earlier legislation.
20	Corrects erroneous language.
21	Removes extraneous language that resulted from redlining conflicts between two laws enacted in 2003.
22	Corrects cross-reference.
22.5	Clarifies prohibition against using debt collection fee for any purpose not directly related to collecting overdue tax debts. If the fee were used for another purpose, it would be a penalty and all proceeds would be required by the Constitution to go to public schools.
23	Restores reference to DMV that was inadvertently deleted from secrecy provision by 2003 legislation.
24	Removes administration option that is not used and is not allowed by the International Fuel Tax Agreement, which North Carolina has followed since 1992.
25	Clarifies when penalty applies and expands who the penalty is paid to, in order to reflect recent reorganization of the Division of Motor Vehicles.
26	Modernizes language.
27	Adds additional examples of fuels included in definition of diesel fuel under current law. This definition applies in the fuel tax and inspection tax statutes.
28	Extends to letters of credit the condition requirements that apply to bonds.
29	Provides that licensee rather than Department will make extra copies of license when there is more than one place of business.
30	Clarifies that biodiesel and all fuel alcohols are treated the same as fuel grade ethanol. This change conforms to the current practice of the Department.
31	Corrects incorrect terminology.
32	Adds missing reference to Mecklenburg one-cent sales tax.
33	Corrects incorrect terminology.
34	Conforms cross-references to reflect statutes repealed and added in 2003.
35	Provides that the property tax subcommittee of the Revenue Laws Study Committee may consist of up to eight members.
36	Conforms the date for filing a local occupancy tax return to the current law date for filing a monthly sales tax return.
37	Conforms title of Article to reflect addition of Part 3 in 2003.
38	Clarifies that county economic development and training districts are special tax areas authorized by Section 2(4) of Article V of the N.C. Constitution.
39	Conforms purposes for which economic development and training district taxes may be levied to match the purposes for which the districts may be created.
40, 41	Codifies uncodified portions of 1987 Session Law and reorganizes codified

	portions of the same law.
42	**For local occupancy taxes subject to the uniform provisions for occupancy taxes, this section prohibits the use of the tax proceeds to develop or construct a hotel or similar facility. The rationale for this change is that local occupancy taxes collected by hotels and motels should not be used to subsidize their competitors. This change would apply only to future collections of tax. The change would not affect Wake or Mecklenburg County. It affects only those local governments that are subject to the uniform provisions governing occupancy taxes. The governments currently covered by the uniform provisions are listed below:** **Anson, Brunswick, Buncombe, Cabarrus, Carteret, Craven, Cumberland, Currituck, Dare, Davie, Durham, Granville, Madison, Montgomery, Nash, New Hanover, Pender, Person, Randolph, Richmond, Rowan, Scotland, Stanly, Transylvania, Tyrrell, Vance, and Washington Counties.** **The Cities of Gastonia, Goldsboro, Greensboro, High Point, Kings Mountain, Lexington, Lincolnton, Lumberton, Monroe, Mount Airy, Shelby, Statesville, Washington, and Wilmington, the Towns of Beech Mountain, Blowing Rock, Carolina Beach, Carrboro, Kure Beach, Jonesville, Mooresville, North Topsail Beach, Selma, Smithfield, St. Pauls, Wilkesboro, and Wrightsville Beach, and the municipalities in Avery and Brunswick Counties.**
43	Section 3 is effective on and after August 12, 2003. Section 15 is effective for same period that cigarette export credit is in effect. Section 19 becomes effective July 1, 2004. Section 32 becomes effective October 1, 2004. The remainder of the act is effective when it becomes law.

NORTH CAROLINA GENERAL ASSEMBLY

LEGISLATIVE FISCAL NOTE

BILL NUMBER: Senate Bill 1145 (First Edition)

SHORT TITLE: Revenue Laws Technical Changes.

SPONSOR(S): Senator Hartsell

FISCAL IMPACT ($MIL.)

Yes (x) **No ( )** **No Estimate Available ( )**

	FY 2004-05	FY 2005-06	FY 2006-07	FY 2007-08	FY2008-09
REVENUES					
State General Fund	-	$5.4	-	-	-

PRINCIPAL DEPARTMENT AFFECTED: The tax is collected by the Department of Revenue. The enactment of the legislation is not expected to affect the budget requirements of the Department.

EFFECTIVE DATE: Deaths occurring on or after January 1, 2005.

Issue Background: The federal Economic Growth and Tax Reconciliation Act of 2001 provided for the phase-out between 2002 and 2005 of the credit allowed under the federal estate tax for state death taxes. North Carolina, like most states, has repealed its regular inheritance/estate tax in lieu of an estate tax ("pickup tax") that is based on the amount of the federal credit. Without further changes by the General Assembly, the repeal of the federal credit would have automatically repealed the North Carolina estate tax.

As part of the 2002 budget package, amended during the 2003 session, the North Carolina estate tax was partially decoupled from the federal estate tax until July 1, 2005. Thus, the North Carolina estate tax continues to be levied without regard to the phase-out of the federal credit. However, under the "partial conformity" solution adopted by the General Assembly in 2002 and amended in 2003, the North Carolina tax is calculated using other provisions of federal estate tax law in effect on the date of the decedent's death. For example, the federal "unified credit" used to calculate the State estate tax, which effectively sets the threshold for taxability of an estate, is the credit in effect as of the decedent's death. Under the federal Act, the amount effectively exempted under the unified credit was increased from $700,000 to $1 million in 2002, and then phased up over a period of years to $3.5 million in 2009. The partial conformity solution in current state law adjusts for the federal exemption increase so that estates do not have to file a North Carolina return if no federal return is required.

By remaining coupled to the federal estate tax base, the N. C. estate tax will incorporate a provision of federal law effective beginning in 2005 that will allow a deduction for State death taxes paid in lieu of the previously allowed credit for State death taxes paid. Allowing the deduction of State death taxes for purposes of determining the State death tax base will result in a circular calculation because the tax being calculated results in a deduction from the tax base, which then alters the calculation of the tax owed. When the federal provision allowing a deduction for State death taxes takes effect, a series of calculations will be required to calculate the North Carolina estate tax.

BILL SUMMARY: The effect of SB 1145 is to create an addition to the federal taxable estate for N.C. estate tax purposes that is equal to the amount of the federal deduction for State death taxes paid.

ASSUMPTIONS AND METHODOLOGY: The estates affected by the enactment of these provisions are those for deaths occurring between January 1, 2005 and June 30, 2005. The reason is that under current law, North Carolina will lose its estate tax base on July 1, 2005. Thus there would no impact of the proposal after that date. In addition, estates are not required to pay the tax until nine months after a death. This means that the reduction in General Fund revenue will take place during the period October 1, 2005 - March 31, 2006.

The estimated impact was based mostly on a refinement of some numbers from a similar proposal in Maryland. The Maryland estimates, which were based on an analysis of tax returns, had to be adjusted for the fact that Maryland still has a regular inheritance tax (though spouses and lineal ancestors are exempt) and the fact that North Carolina is a larger state.

The Maryland numbers indicate that the impact of the identical proposal will be 10.8% of baseline "death tax" collections in that state. We adjusted this ratio for the fact that the estate tax portion of their death tax is smaller due to the fact that a regular tax continues in place. The ratio selected for our analysis is 9.0%.

The North Carolina tax base is running around $120 million per year. Applying 9% to this estimate yields a 12-month cost of $10.8 million. The six-month impact under the bill is equal to 50% of this annual amount.

NORTH CAROLINA GENERAL ASSEMBLY
AMENDMENT
Senate Bill 1145

AMENDMENT NO. _____
(to be filled in by
Principal Clerk)

S1145-ALCx-80 [v.1]

Date June 24 ,2004

Comm. Sub. [NO]
Amends Title [YES]
~~Second Edition~~ PCS

Representative C Wilson

moves to amend the bill on page 1, line 3,
by ~~adding the following immediately before the period:~~ deleting "STATUTES" and substituting
"~~AND~~ TO CLARIFY THAT THE CREDIT FOR CREATING JOBS IS ALLOWED ONLY FOR NEW JOBS CREATED IN THIS STATE";

STATUTES;

and on page ~~19~~, line ~~26~~, 43 44
by renumbering Section ~~42~~ as Section ~~43~~ and adding a new Section ~~42~~ 43 to read:
"**SECTION ~~42~~ 43.(a)** G.S. 105-129.8 reads as rewritten:
"**§ 105-129.8. Credit for creating jobs.**

(a) Credit. – A taxpayer that meets the eligibility requirements set out in G.S. 105-129.4, has five or more full-time employees, and hires an additional full-time employee during the taxable year to fill a new position located in this State is allowed a credit for creating a new full-time job. The amount of the credit for each new full-time job created is set out in the table below and is based on the enterprise tier of the area in which the position is located. In addition, if the position is located in a development zone, the amount of the credit is increased by four thousand dollars ($4,000) per job.

Area Enterprise Tier	**Amount of Credit**
Tier One	$12,500
Tier Two	4,000
Tier Three	3,000
Tier Four	1,000
Tier Five	500

(a1) Positions. – A position is located in an area if more than fifty percent (50%) of the employee's duties are performed in the area. The number of new positions a taxpayer fills during the taxable year is determined by subtracting the highest number of

full-time employees the taxpayer had in this State at any time during the 12-month period preceding the beginning of the taxable year from the number of full-time employees the taxpayer has in this State at the end of the taxable year.

(a2) Installments. – The credit may not be taken in the taxable year in which the additional employee is hired. Instead, the credit must be taken in equal installments over the four years following the taxable year in which the additional employee was hired and is conditioned on the continued employment by the taxpayer of the number of full-time employees the taxpayer had upon hiring the employee that caused the taxpayer to qualify for the credit.

If, in one of the four years in which the installment of a credit accrues, the number of the taxpayer's full-time employees falls below the number of full-time employees the taxpayer had in the year in which the taxpayer qualified for the credit, the credit expires and the taxpayer may not take any remaining installment of the credit. The taxpayer may, however, take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.5.

(a3) Transferred Jobs. – Jobs transferred from one area in the State to another area in the State are not considered new jobs for purposes of this section. If, in one of the four years in which the installment of a credit accrues, the position filled by the employee is moved to an area in a higher- or lower-numbered enterprise tier, or is moved from a development zone to an area that is not a development zone, the remaining installments of the credit must be calculated as if the position had been created initially in the area to which it was moved.

(b) Repealed by Session Laws 1989, c. 111, s. 1.

(b1), (c) Repealed by Session Laws 1996, Second Extra Session, c. 13, s. 3.3.

(d) Planned Expansion. – A taxpayer that signs a letter of commitment with the Department of Commerce to create at least twenty new full-time jobs in a specific area within two years of the date the letter is signed qualifies for the credit in the amount allowed by this section based on the area's enterprise tier and development zone designation for that year even though the employees are not hired that year. In the case of an interstate air courier that has or is constructing a hub in this State, the applicable time period is seven years. The credit shall be available in the taxable year after at least twenty employees have been hired if the hirings are within the applicable commitment period. The conditions outlined in subsection (a) apply to a credit taken under this

AMENDMENT NO. _____
(to be filled in by
Principal Clerk)

S1145-ALCx-80 [v.1]

subsection except that if the area is redesignated to a higher-numbered enterprise tier or loses its development zone designation after the year the letter of commitment was signed, the credit is allowed based on the area's enterprise tier and development zone designation for the year the letter was signed. If the taxpayer does not hire the employees within the applicable period, the taxpayer does not qualify for the credit. However, if the taxpayer qualifies for a credit under subsection (a) in the year any new employees are hired, the taxpayer may take the credit under that subsection.

(e), (f) Repealed by Session Laws 1996, Second Extra Session, c. 13, s. 3.3.'

SECTION 42.(b) This section becomes effective for taxable years beginning on or after January 1, 2004."

HOUSE BILL 1389*
PROPOSED COMMITTEE SUBSTITUTE H1389-CSLA-67 [v.5]

6/23/2004 6:32:21 PM

Short Title: GARVEE Bonds Issuance. (Public)

Sponsors:

Referred to:

May 12, 2004

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE STATE TREASURER TO ISSUE "GARVEE" GRANT ANTICIPATION REVENUE VEHICLE BONDS ON BEHALF OF THE DEPARTMENT OF TRANSPORTATION AND TO DIRECT THE SECRETARY OF THE DEPARTMENT OF TRANSPORTATION AND THE STATE TREASURER TO DEVELOP AN IMPLEMENTATION PLAN FOR ISSUANCE OF THE BONDS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 136-18 is amended by adding a new subdivision to read:

"(12b) To issue "GARVEE" bonds (Grant Anticipation Revenue Vehicles) or other eligible debt financing instruments to finance Federal-aid projects using federal funds to pay a portion of principal, interest, and related bond issuance costs, as authorized by 23 U.S.C. § 122, as amended (the National Highway System Designation Act of 1995, Pub. L. 104-59). These bonds shall be issued by the State Treasurer on behalf of the Department. The State Treasurer shall develop and adopt appropriate debt instruments, consistent with the terms of the State and Local Government Revenue Bond Act, Article 5 of Chapter 159 of the General Statutes, for use under this subdivision. Prior to issuance of any GARVEE or other eligible debt instrument using federal funds to pay a portion of principal, interest, and related bond issuance costs, the State Treasurer shall determine (1) that the principal and interest of such debt does not exceed the total amount of federal transportation funds authorized to the state in the prior federal fiscal year; and (2) that the principal and interest of such debt does not exceed 15% of the expected federal revenue shown for the seven year period in the most recently adopted Transportation Improvement Program."

SECTION 2. The Secretary of the Department of Transportation and the State Treasurer shall jointly form a committee to develop a plan to implement the provisions of this act. The plan shall address all financial, legal, and practical issues involved in issuing "GARVEE" bonds. The two Departments shall jointly submit their implementation plan to the cochairs of the Transportation Appropriations Subcommittee and the cochairs of the Joint Legislative Transportation Oversight Committee by March 1, 2005.

SECTION 3. The Department of Transportation shall develop proposed criteria to use in selection of projects to fund with "GARVEE" bonds. The Department shall submit the proposed criteria to the cochairs of the Transportation Appropriations Subcommittee and the cochairs of the Joint Legislative Transportation Oversight Committee by March 1, 2005.

SECTION 4. Section 1 of this act becomes effective July 1, 2005. The remainder of this act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE DEPARTMENT OF TRANSPORTATION TO ISSUE "GARVEE" GRANT ANTICIPATION REVENUE VEHICLE BONDS AND TO DIRECT THE SECRETARY OF THE DEPARTMENT OF TRANSPORTATION AND THE STATE TREASURER TO DEVELOP AN IMPLEMENTATION PLAN FOR ISSUANCE OF THE BONDS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 136-18 is amended by adding a new subdivision to read:

"(12b) To issue "GARVEE" bonds (Grant Anticipation Revenue Vehicles) or other eligible debt financing instruments to finance Federal-aid projects using federal funds to pay a portion of principal, interest, and related bond issuance costs, as authorized by 23 U.S.C. § 122, as amended (the National Highway System Designation Act of 1995, Pub. L. 104-59). The State Treasurer shall develop and adopt appropriate debt instruments, as authorized by the State and Local Government Revenue Bond Act, Article 5 of Chapter 159 of the General Statutes, for use under this subdivision."

SECTION 2. The Secretary of the Department of Transportation and the State Treasurer shall jointly form a committee to develop a plan to implement the provisions of this act. The plan shall address all financial, legal, and practical issues involved in issuing "GARVEE" bonds. The plan shall also include any projects the Department of Transportation proposes to fund with "GARVEE" bonds. The two Departments shall jointly submit their implementation plan to the cochairs of the Transportation Appropriations Subcommittee, and the cochairs of the Joint Legislative Transportation Oversight Committee by March 1, 2005.

SECTION 3. Section 1 of this act becomes effective July 1, 2005. The remainder of this act is effective when it becomes law.

HOUSE BILL 1389:
DOT Authority to Issue GARVEE Bonds

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	Rep. McComas
Date:	June 23, 2004	**Analysis by:**	Martha Walston
Version:	PCS		Committee Counsel

SUMMARY: House Bill 1389 is a recommendation of the Transportation Oversight Study Committee. The proposed committee substitute for the bill does the following:

- **Authorizes the Department of Transportation (DOT) to issue GARVEE bonds or other eligible debt financing instruments to finance Federal-aid projects. (effective July 1, 2005).**
- **Places a cap on the debt issuance.**
- **Directs the Secretary of DOT and the State Treasurer to jointly form a committee to develop a plan to implement the act.**
- **Directs DOT to develop proposed criteria to use in selection of projects to fund with GARVEE bonds.**

BACKGROUND: GARVEE bonds are Grant Anticipation Revenue Vehicles, authorized by federal law, that permit states to use anticipated future federal highway funds to finance highway project construction. Candidate projects for GARVEE financing are typically larger projects that have the following characteristics:

- They are large enough to merit borrowing rather than pay-as-you-go grant funding, with the costs of delay outweighing the costs of financing
- They do not have access to a revenue stream (such as local taxes or tolls) and other forms of repayment (such as state appropriations) are not feasible
- The sponsors (generally state DOTs) are willing to reserve a portion of future year Federal-aid highway funds to satisfy debt service requirements.

GARVEES must be issued by a state, a political subdivision of a state, or a public authority. A state may elect to pledge their obligations of future Federal-aid funds as the only security backing the federal share of the obligation to investors (non-recourse GARVEES) or to pledge other sources of revenue as a back-stop for the future federal-aid funds (back-stopped GARVEES).

BILL ANALYSIS: Section 1 of House Bill 1389 authorizes DOT to issue GARVEE bonds or other eligible debt financing instruments to finance Federal-aid projects using federal funds to pay a portion of principal, interest, and related bond issuance costs. Prior to issuance of the bonds, the State Treasurer shall determine (1) that the principal and interest of this debt does

not exceed the total amount of federal transportation funds authorized to the State in the prior federal fiscal year, and (2) that the principal and interest of the debt does not exceed 15% of the expected federal revenue shown for the seven year period in the most recently adopted Transportation Improvement Program.

Sections 2 of House Bill 1389 directs the Secretary of DOT and the State Treasurer to form a committee to develop a plan to implement the act. This plan must be submitted to the cochairs of the Transportation Appropriations Subcommittee and the cochairs of the Joint Legislative Transportation Oversight Committee by March 1, 2005.

Section 3 of House Bill 1389 directs the DOT to develop proposed criteria to select the projects to fund with GARVEE bonds. The criteria must also be submitted to the Transportation Appropriations Subcommittee and the cochairs of the Joint Legislative Transportation Oversight Committee by March 1, 2005.

Referred to:

May 31, 2004

A BILL TO BE ENTITLED

AN ACT TO PROVIDE THAT THE RESEARCH AND DEVELOPMENT TAX CREDIT IS NOT ALLOWED TO EMPLOYERS WHO SUBSTANTIALLY REDUCE JOBS IN NORTH CAROLINA.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-129.10 is amended by adding a new subsection to read:

"(d) Limitation. – If the lowest number of the taxpayer's full-time employees in this State during the taxable year is less than eighty-five percent (85%) of the highest number of the taxpayer's full-time employees in this State at any time during the five preceding taxable years, a taxpayer is neither allowed a credit under this section for the taxable year nor may the taxpayer claim a carryforward of a credit earned in a previous year."

SECTION 2. This act becomes effective for business activities occurring on or after January 1, 2004.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE THAT THE RESEARCH AND DEVELOPMENT TAX CREDIT IS NOT ALLOWED TO EMPLOYERS WHO SUBSTANTIALLY REDUCE JOBS IN NORTH CAROLINA.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-129.10 is amended by adding a new subsection to read:

"(d) Limitation. – A taxpayer is not allowed a credit under this section for the taxable year if the lowest number of the taxpayer's full-time employees in this State during the taxable year is more than fifteen percent (15%) below the highest number of the taxpayer's full-time employees in this State at any time during the five preceding taxable years."

SECTION 2. This act becomes effective for taxable years beginning on or after January 1, 2004.

House Bill 1760:
No Credit for Net Job Loss

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	
Date:	June 23, 2004	**Analysis by:**	Y. Canaan Huie
Version:	H1760-CSLYx-37		Staff Attorney

SUMMARY: ***This bill would disallow a credit under the Bill Lee Act for research and development, and a carryforward of such a credit, if a taxpayer experiences a significant job loss. This bill would be effective for business activities occurring on or after January 1, 2004.***

ANALYSIS: The William S. Lee Quality Jobs and Business Expansion Act (hereinafter Bill Lee Act) was enacted in 1996, effective beginning with the 1996 tax year with a 2002 sunset. The Act is a package of State tax incentives primarily in the form of tax credits for investment in machinery and equipment and real property, for job creation, for worker training, and for research and development. In order to be eligible for a credit under the Act, the taxpayer must satisfy certain eligibility requirements with regards to the activity of the business, wages paid to employees, the provision of health insurance to employees, the business's environmental and safety records, and the business's record of tax compliance.

Under the Bill Lee Act, a taxpayer is allowed a credit for increasing expenditures for research and development activities. The research and development tax credit uses the federal credit for research and development as its starting point. The credit is equal to 5% of the State's apportioned share of the taxpayer's expenditures for increasing research and development. The credit is based on the federal credit as of January 1, 1999. In the past, the federal credit had expired and then been renewed retroactively, creating uncertainty for taxpayers. Expiration of the federal credit will not affect the State credit. If the federal credit is later modified, the General Assembly can consider whether to update its cross-reference to adopt the federal modifications. This credit has a carryforward period of 15 years rather than the standard 5-year period. There is currently no requirement for this credit related to the retention of jobs in the State.

This bill would disallow a credit to a taxpayer if that taxpayer had a significant reduction in its labor force in this State. Under this bill, if a taxpayers employment level in this State was less than 85% of its highest amount over the preceding five years, the taxpayer would not be eligible for a credit. In addition, this bill would prohibit a taxpayer from taking a carryforward of a credit earned in a previous year when the taxpayer experiences a job loss of this magnitude. Currently, there is no provision in the credit related to maintaining a certain employment level.

FISCAL ANALYSIS MEMORANDUM

[This confidential fiscal memorandum is a fiscal analysis of a draft bill, amendment, committee substitute, or conference committee report that has not been formally introduced or adopted on the chamber floor or in committee. This is not an official fiscal note. If upon introduction of the bill you determine that a formal fiscal note is needed, please make a fiscal note request to the Fiscal Research Division, and one will be provided under the rules of the House and the Senate.]

DATE: June 23, 2004

RE: House Bill 1760 (Proposed House Finance Comm. Sub.) No Credit for Net Job Loss.

FISCAL IMPACT

Yes (x) **No ( )** **No Estimate Available ( )**

	FY 2004-05	FY 2005-06	FY 2006-07	FY 2007-08	FY 2008-09
REVENUES					
State General Fund	(See "Assumptions and Methodology")				

PRINCIPAL DEPARTMENT AFFECTED: The taxes affected by the Bill Lee Act credits are administered by the Department of Revenue. The enactment of the bill is not expected to affect the Department's budget requirements.

BILL SUMMARY: Under the current Bill Lee Act (tax incentives for industry recruitment), there is a credit for research and development expenditures. This credit applies to companies in certain industry classifications. The Bill Lee Act sunsets January 1, 2006.

The bill specifies that a credit is not allowed in cases where the lowest number of the taxpayer's full time employees in the State is more than 15% below the highest number of the taxpayer's employees in the State at any time in the previous five years. The disallowance applies both to the credit for activity during the tax year and the carryforward of a credit from a prior year. A carryforward can occur when the credit claimed in a given year exceeds 50% of the tax due.

The change is effective for tax years beginning on or after January 1, 2004.

ASSUMPTIONS AND METHODOLOGY: We do not have access to current employment data of various companies (data is a few months old) and we do not have any way of knowing how the employment levels for individual companies will change during the remainder of 2004 and future years. However, based on a review of news reports of potential layoffs, employment rankings of various financial publications (*Business North Carolina, Triangle Business Journal*), and the Bill Lee Act tabulations of the Department of Revenue for credits generated and credits claimed for tax returns processed during 2002 and 2003, it appears that the bill may eliminate a substantial amount of the credits for a small number of companies. Of this group, only 1 or 2 companies have significant R & D credits.

It is difficult to determine the relevance of the DOR reporting data on the R & D tax credit due to the ongoing activities of the Project Compliance program (audits of Bill Lee Act credits) as well as the year to year volatility of the carry forward loss amount. It is possible, based on the review of the DOR data that the revenue impact during the next couple of years could be over $2 million of reduced credits.

The impact could continue past the January 1, 2006 sunset of the Bill Lee Act due to the language that applies the credit disallowance to carry forward credits.

North Carolina General Assembly

House Committee on Finance

Minutes

~

June 29, 2004

The House Committee on Finance met on Tuesday, June 29, 2004 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons G. Allen, Howard, Luebke, McComas, Miner, and Wainwright; Vice-Chairs Alexander, Daughtridge, Decker, Gibson, and Hill; and Representatives Blackwood, Bordsen, Capps, Carney, Ellis, Glazier, Hackney, Holliman, Lewis, McGee, Munford, Ross, Weiss, C. Wilson, and Womble. Also present were Sergeant-at-Arms Bob Fowler, Bill Freeman, Dusty Rhodes, and Walter Spell. Staff persons present included Richard Bostic, David Crotts, Trina Griffin, Martha Harris, Jeff Hudson, Canaan Huie, Linda Millsaps, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairman Miner called the meeting to order at 8:42 am and immediately called HB 1430 – IRC UPDATE AND OTHER TAX CHANGES (see **attachment 3**) to the Committee members' attention. He informed the members that this bill was originally heard and favorably reported out of the House Finance Committee at its' May 27, 2004 meeting. However, due to material changes made in the Senate, the bill was now back before the Committee for concurrence. Chairman Miner recognized Martha Walston, Staff, to explain the changes made in the Senate. She stated that the changes included: an extension of the Low-Income Housing Credit Sunset, a clarification of the sales tax incentives for major projects, an authorization to the Administrative Office of the Courts to impose a family court fee, and an act to maintain the current sales tax rate on electricity used by manufacturers. Following this, Representative Howard was recognized and, stating concerns with the family court fee in the bill, made a recommendation that the House do not concur and request appointment of conferees. Representative Hackney was then recognized and stated that the family court fee was a benefit to parents who can only see their children under supervision. Given the discussion, Chairman Miner then displaced the bill.

Chairman Miner then called upon Representative Tolson to explain the next bill: HB 1636 – RENEWABLE FUEL TAX CREDITS (see **attachment 4**). Representative Allen moved that the Proposed Committee Substitute (PCS) for House Bill 1636 be adopted for the Committee's discussion and that motion carried without objection. Representative Tolson explained that the bill would create three new tax credits: an income or franchise tax credit of 15% for constructing a facility for dispensing renewable fuel, an income or franchise tax credit of 25% for constructing a facility to produce renewable fuel, and a motor fuels tax credit for distributing biodiesel equal to $1.00 per gallon of unblended diesel. Following this explanation, Representative Luebke was recognized to send forth an amendment (see **attachment 5**). His amendment simply acted to make the bill sunset in 2010, rather then 2011 as the bill was written. He stated that it is customary that all bills sunset within a five year and moved the adoption of his amendment. The Chair recognized

Representative Tolson to speak on the amendment and he expressed no opposition. Seeing no further discussion, Chairman Miner then called the Luebke amendment to a vote and it was adopted. The Chair recognized Representative Gibson next who acted to send forth another amendment (see **attachment 6**). Representative Gibson explained that the amendment deleted the third credit in the bill (motor fuels tax credit) due to concerns expressed by the Department of Transportation as to the fiscal impact of the credit. The Chair again recognized the bill sponsor to address the amendment. Representative Tolson stated that he did not object to the amendment, noting that he was open to compromise and simply wanted the bill to move forward. Representative Gibson then moved adoption of his amendment. Seeing no further discussion, Chairman Miner called the Gibson amendment to a vote and it was adopted without objection. The Chair then recognized Representative Holliman who made a motion that a new PCS for HB 1636, incorporating the newly adopted Luebke and Gibson amendments, be given a favorable report (with an unfavorable report as to the original bill). Chairman Miner called the motion to a vote and it carried.

The next bill considered by the Committee was **HB 1760 – NO CREDIT FOR NET JOB LOSS** (see **attachment 7**). Representative Allen moved that the Committee adopt the PCS for HB 1760 for the purposes of discussion and the motion carried without objection. Chairman Miner then recognized the bill sponsor, Representative Luebke to explain the bill. He first stated that the PCS combined the contents of HB 1495 – Clawback Failed Incentives with the original HB 1760. He then explained that the bill would disallow a credit under the Bill Lee Act for research and development, and a carryforward of such a credit, if a taxpayer experiences a significant job loss. He stated that the bill would also require monitoring, reporting, and publication of economic development incentive clawbacks and would require "first source" hiring agreements for economic development agreements. The Chair recognized Representative Hill following this explanation and moved that the PCS for House Bill 1760 be given a favorable report (with an unfavorable report as to the original bill). Prior to acting on this motion however, Chairman Miner recognized Representative Daughtridge who spoke in opposition to the bill. He stated that the tax credit for research and development should not be directly dependent on job creation (or loss). Representative Luebke responded that the two are in fact tied together. He further stated that the point of the State offering incentives was to create jobs for the citizens of North Carolina. Representative Ellis was recognized next and stated his agreement with Representative Daughtridge. He conveyed his opinion that restricting the incentives that a company can take for research and development with positive job growth will only act as a disincentive for companies to invest in research and development to begin with. Chairman Miner then recognized Representative Daughtridge who sent forth an amendment (see **attachment 8**). His amendment deleted lines 9-16 on page 2 of the bill and made some other technical changes. The effect of the amendment was to delete the section of the bill tying the research and development credit to jobs. He then moved adoption of his amendment. Seeing no discussion on the Daughtridge amendment, Chairman Miner called the matter to a vote and the amendment was adopted. The Chair then recognized Representative Hill who reiterated his earlier motion that the PCS for HB 1760, incorporating the adoption of the Daughtridge amendment, be given a favorable report. As there was no further discussion on the bill, Chairman Miner then called this motion to a vote and it carried by a majority.

SB 1414 – MEDICAL BOARD FEES (see **attachment 9**) was the next bill considered by the Committee. Chairman Miner recognized Senator Rand, on behalf of the bill sponsor Senator Purcell, to explain the bill. Senator Rand stated that the bill simply increases various Medical Board licensing fees and would be effective on November 1, 2004. He also stated that a number of physicians as well as the Medical Society had been consulted and were in support of the bill. Representative Gibson was recognized following this brief explanation and acted to send forth an amendment (see **attachment 10**). He stated that his amendment would "provide a sales tax

exemption for sales of certain property to interstate air businesses". Chairman Miner recognized Representative Luebke to speak on the amendment. He expressed concern that the amendment was completely unrelated to the original intent of SB 1414 and requested that the bill be displaced. Prior to the Chair taking action, however, Senator Rand requested that Representative Gibson withdraw his amendment so as not to delay the passage of the bill. Representative Gibson then acted to withdraw his amendment. Chairman Miner recognized Representative Hill next who moved that Senate Bill 1414 be given a favorable report. Seeing no further discussion, the Chair then called the motion to a vote and it was adopted without known objection.

Chairman Miner again recognized Senator Rand to explain the next bill considered by the Committee: **SB 277 – EXEMPT UNIVERSITY TRUST PROPERTY** (see **attachment 11**). Senator Rand stated that the bill acts to exempt educational property held by a non-profit entity for the sole benefit of a public or private university located in the State, a community college, or a combination of these entities from property tax. He further stated that the bill also expands the definition of educational purposes to include the operation of a student housing facility or a student dining facility. Finally, he noted that the bill would be effective retroactively to July 1, 2001. Chairman Miner then recognized Representative Womble to speak on the bill. Representative Womble stated his support of the bill, specifically to the benefit for Winston-Salem State University located in his district, and then moved that SB 277 be given a favorable report. Representative Luebke was recognized next and asked to hear the position of the North Carolina Association of County Commissioners (NCACC) on the bill. Jim Blackburn, Counsel to the NCACC, then addressed the Committee and spoke in opposition to the bill. He stated that his agency objected to the "unwarranted intrusion into the local property tax base" proposed in the bill. As there was no further discussion on the bill, Chairman Miner then called Representative Womble's earlier motion to a vote, and it carried by a majority.

Chairman Miner next acted to replace **HB 1430 – IRC UPDATE AND OTHER TAX CHANGES** (see **attachment 3**) before the Committee. Representative Howard was recognized and stated that her earlier concerns with the family court fees had been addressed. She then acted to withdraw her earlier recommendation for non-concurrence. She then moved that the Committee offer a recommendation that the House do concur with the Senate Committee Substitute before the Committee. Following some general commentary from the members, Chairman Miner called the motion for recommendation of concurrence to a vote and it carried.

The final bill considered by the Committee was **HB 1427 – REC. SHELLFISH LICENSE/AMEND SHELLFISH LAWS** (see **attachment 12**). Representative Glazier moved that the PCS for HB 1427 be adopted by the Committee for discussion. His motion carried without objection. Chairman Miner recognized the bill sponsor, Representative Wainwright, to explain the bill. Representative Wainwright stated that the bill was a recommendation of the Joint Legislative Commission on Seaford and Aquaculture. He further stated that the bill would: establish a Recreational Shellfish License, direct the Marine Fisheries Commission to establish training requirements for shellfish cultivation lease holders, amend the fees for shellfish cultivation leases, and authorize the Marine Fisheries Commission to study issues related to the cultivation of shellfish. Representative Wainwright also presented to the Committee Mr. Preston Pate, Director of the North Carolina Division of Marine Fisheries, for any questions. Representative Glazier was then recognized and asked the bill sponsor if there was any opposition to the bill. Representative Wainwright stated that all affected parties had been consulted and were in agreement. Representative Glazier then moved that the PCS for HB 1427 be given a favorable report (with an unfavorable report as to the original bill). As there was no further discussion on this bill, Chairman Miner then called the motion to a vote and it carried without known objection.

Having no further business before the Committee, Chairman Miner then adjourned the meeting at 10:01 a.m.

Respectfully submitted,

Representative David Miner

The following bills will be considered (Bill #, Short Title, and Bill Sponsor):

HB 1427 – REC. SHELLFISH LICENSE/AMEND SHELLFISH LAWS – Rep. Wainwright

HB 1430 – IRC UPDATE AND OTHER TAX CHANGES – Rep. Miner

HB 1636 – RENEWABLE ENERGY TAX CREDITS – Rep. Tolson

HB 1760 – NO CREDIT FOR NET JOB LOSS – Rep. Luebke

SB 1414 – MEDICAL BOARD FEES – Sen. Purcell

Respectfully,
Representatives G. Allen, Howard, Luebke, McComas, Miner, and Wainwright
Chairs

I hereby certify this notice was filed by the committee clerk at the following offices at **1:45 p.m.** on **June 24, 2004.**

X Principal Clerk
X Reading Clerk - House Chamber

Jason A. Cannon (Committee Clerk)

HOUSE BILL 1430

Committee Substitute Favorable 5/27/04
Senate Finance Committee Substitute Adopted 6/16/04

Short Title: IRC Update and Other Tax Changes. (Public)

Sponsors:

Referred to:

May 13, 2004

A BILL TO BE ENTITLED

AN ACT TO UPDATE THE REFERENCE TO THE INTERNAL REVENUE CODE USED IN DEFINING AND DETERMINING CERTAIN STATE TAX PROVISIONS, TO SET THE PUBLIC UTILITY AND INSURANCE REGULATORY FEES, TO EXTEND THE SUNSET ON THE LOW-INCOME HOUSING TAX CREDIT, TO CLARIFY THE SALES TAX INCENTIVES FOR MAJOR PROJECTS, TO MAINTAIN THE CURRENT SALES TAX RATES ON ELECTRICITY USED BY MANUFACTURERS, AND TO ESTABLISH FAMILY COURT FEES.

The General Assembly of North Carolina enacts:

PART 1. IRC UPDATE

SECTION 1.1. G.S. 105-228.90(b)(1b) reads as rewritten:

"(b) Definitions. – The following definitions apply in this Article:

...

(1b) Code. – The Internal Revenue Code as enacted as of ~~June 1, 2003,~~May 1, 2004, including any provisions enacted as of that date which become effective either before or after that date."

SECTION 1.2. Notwithstanding Section 1.1 of this part, any amendments to the Internal Revenue Code enacted after June 1, 2003, that increase North Carolina taxable income for the 2003 taxable year become effective for taxable years beginning on or after January 1, 2004.

SECTION 1.3. Notwithstanding the time limitations of G.S. 105-266 and G.S. 105-266.1, a refund for an overpayment of tax resulting from a change in the law enacted by this part regarding the exclusion of gain on the sale or exchange of a principal residence by a member of the uniformed services or the Foreign Service of the United States is timely if a demand for the refund is filed on or before November 11, 2004.

SECTION 1.4. This part is effective when it becomes law.

PART 2. REGULATORY FEE FOR UTILITIES COMMISSION

SECTION 2.1. The percentage rate to be used in calculating the public utility regulatory fee under G.S. 62-302(b)(2) is twelve hundredths of one percent (0.12%) for each public utility's North Carolina jurisdictional revenues earned during each quarter that begins on or after July 1, 2004.

SECTION 2.2. The electric membership corporation regulatory fee imposed under G.S. 62-302(b1) for the 2004-2005 fiscal year is two hundred thousand dollars ($200,000).

SECTION 2.3. This part becomes effective July 1, 2004.

PART 3. INSURANCE REGULATORY CHARGE

SECTION 3.1. The percentage rate to be used in calculating the insurance regulatory charge under G.S. 58-6-25 is five percent (5%) for the 2004 calendar year.

SECTION 3.2. This part is effective when it becomes law.

PART 4. EXTEND LOW-INCOME HOUSING CREDIT SUNSET

SECTION 4.1. G.S. 105-129.45 reads as rewritten:

"**§ 105-129.45. Sunset.**

This Article is repealed effective January 1, ~~2006.~~2010. The repeal applies to developments to which federal credits are allocated on or after January 1, ~~2006.~~2010."

SECTION 4.2. G.S. 105-129.42 reads as rewritten:

"**§ 105-129.42. Credit for low-income housing awarded a federal credit allocation on or after January 1, 2003.**

(a) Definitions. – The following definitions apply in this section:

(1) Qualified Allocation Plan. – The plan governing the allocation of federal low-income housing tax credits for a particular year, as approved by the Governor after a public hearing and publication in the North Carolina Register.

(2) Qualified North Carolina low-income housing development. – A qualified low-income project or building that is allocated a federal tax credit under section 42(h)(1) of the Code and is described in subsection (c) of this section.

(3) Qualified residential unit. – A housing unit that meets the requirements of section 42 of the Code.

(b) Credit. – A taxpayer who is allocated a federal low-income housing tax credit under section 42 of the Code to construct or substantially rehabilitate a qualified North Carolina low-income housing development is allowed a credit equal to a percentage of the development's ~~eligible~~qualified basis, as determined pursuant to ~~section 42(d)~~section 42 of the Code. For the purpose of this section, ~~eligible~~qualified basis is calculated based on the information contained in the carryover allocation and is not recalculated to reflect subsequent increases or decreases. No credit is allowed for a development that uses tax-exempt bond financing.

(c) Developments and Amounts. – The following table sets out the housing developments that are qualified North Carolina low-income housing developments and are allowed a credit under this section. The table also sets out the percentage of the development's ~~eligible~~qualified basis for which a credit is allowed. The designation of a

county or city as Low Income, Moderate Income, or High Income and determinations of affordability are made by the Housing Finance Agency in accordance with the Qualified Allocation Plan in effect as of the time the federal credit is allocated. A change in the income designation of a county or city after a federal credit is allocated does not affect the percentage of the developer's ~~eligible~~qualified basis for which a credit is allowed. The affordability requirements set out in the chart apply for the duration of the federal tax credit compliance period. If in any year a taxpayer fails to meet these affordability requirements, the credit is forfeited under subsection (h) of this section.

Type of Development	Percentage of Basis for Which Credit Is Allowed
Forty percent (40%) of the qualified residential units are affordable to households whose income is fifty percent (50%) or less of area median income and the units are in a Low-Income county or city.	Thirty percent (30%)
Fifty percent (50%) of the qualified residential units are affordable to households whose income is fifty percent (50%) or less of the area median income and the units are in a Moderate-Income county or city.	Twenty percent (20%)
Fifty percent (50%) of the qualified residential units are affordable to households whose income is forty percent (40%) or less of the area median income and the units are in a High-Income county or city.	Ten percent (10%)
Twenty-five percent (25%) of the qualified residential units are affordable to households whose income is thirty percent (30%) or less of the area median income and the units are in a High-Income county or city.	Ten percent (10%)

(d) Election. – When a taxpayer to whom a federal low-income housing credit is allocated submits to the Housing Finance Agency a request to receive a carryover allocation for that credit, the taxpayer must elect a method for receiving the tax credit allowed by this section. A taxpayer may elect to receive the credit in the form of either a direct tax refund or a loan generated by transferring the credit to the Housing Finance Agency. Neither a direct tax refund nor a loan received as the result of the transfer of the credit is considered taxable income under this Chapter.

Under the direct tax refund method, a taxpayer elects to apply the credit allowed by this section to the taxpayer's liability under Article 4 of this Chapter. If the credit allowed by this section exceeds the amount of tax imposed by Article 4 for the taxable year, reduced by the sum of all other credits allowable, the Secretary must refund the excess. In computing the amount of tax against which multiple credits are allowed,

nonrefundable credits are subtracted before this credit. The provisions that apply to an overpayment of tax apply to the refundable excess of a credit allowed under this section.

Under the loan method, a taxpayer elects to transfer the credit allowed by this section to the Housing Finance Agency and receive a loan from that Agency for the amount of the credit. The terms of the loan are specified by the Housing Finance Agency in accordance with the Qualified Allocation Plan.

(e) Exception When No Carryover. – If a taxpayer does not submit to the Housing Finance Agency a request to receive a carryover allocation, the taxpayer must elect the method for receiving the credit allowed by this section when the taxpayer submits to the Agency federal Form 8609. A taxpayer to whom this subsection applies claims the credit for the taxable year in which the taxpayer submits federal Form 8609.

(f) Pass-Through Entity. – Notwithstanding the provisions of G.S. 105-131.8 and G.S. 105-269.15, a pass-through entity that qualifies for the credit provided in this Article does not distribute the credit among any of its owners. The pass-through entity is considered the taxpayer for purposes of claiming the credit allowed by this Article. If a return filed by a pass-through entity indicates that the entity is paying tax on behalf of the owners of the entity, the credit allowed under this Article does not affect the entity's payment of tax on behalf of its owners.

(g) Return and Payment. – A taxpayer may claim the credit allowed by this section on a return filed for the taxable year in which the taxpayer receives a carryover allocation of a federal low-income housing credit. The return must state the name and location of the qualified low-income housing development for which the credit is claimed.

If a taxpayer chooses the loan method for receiving the credit allowed under this section, the Secretary must transfer to the Housing Finance Agency the amount of credit allowed the taxpayer. The Agency must loan the taxpayer the amount of the credit on terms consistent with the Qualified Allocation Plan. The Housing Finance Agency is not required to make a loan to a qualified North Carolina low-income housing development until the Secretary transfers the credit amount to the Agency.

If the taxpayer chooses the direct tax refund method for receiving the credit allowed under this section, the Secretary must transfer to the Housing Finance Agency the refundable excess of the credit allowed the taxpayer. The Agency holds the refund due the taxpayer in escrow, with no interest accruing to the taxpayer during the escrow period. The Agency must release the refund to the taxpayer upon the occurrence of the earlier of the following:

(1) The Agency determines that the taxpayer has complied with the Qualified Allocation Plan and has completed at least fifty percent (50%) of the activities included in the development's ~~eligible~~qualified basis.

(2) Within 30 days after the date the development is placed in service.

(h) Forfeiture. – A taxpayer that receives a credit under this section must immediately report any recapture event under section 42 of the Code to the Housing Finance Agency. If the taxpayer or any of its owners are required under section 42(j) of the Code to recapture all or part of a federal credit with respect to a qualified North

Carolina low-income development, the taxpayer forfeits the corresponding part of the credit allowed under this section. This requirement does not apply in the following circumstances:

(1) When the recapture of part or all of the federal credit is the result of an event that occurs in the sixth or a subsequent calendar year after the calendar year in which the development was awarded a federal credit allocation.

(2) The taxpayer elected to transfer the credit allowed by this section to the Housing Finance Agency.

(i) Liability From Forfeiture. – A taxpayer that forfeits all or part of the credit allowed under this section is liable for all past taxes avoided and any refund claimed as a result of the credit plus interest at the rate established under G.S. 105-241.1(i). The interest is computed from the date the Secretary transferred the credit amount to the Housing Finance Agency. The past taxes, refund, and interest are due 30 days after the date the credit is forfeited. A taxpayer that fails to pay the taxes, refund, and interest by the due date is subject to the penalties provided in G.S. 105-236."

SECTION 4.3. This part is effective when it becomes law.

PART 5. SALES TAX CLARIFICATION

SECTION 5.1. G.S. 105-164.14(j)(1) reads as rewritten:

"(j) Certain Industrial Facilities. – The owner of an eligible facility is allowed an annual refund of sales and use taxes as provided in this subsection.

(1) Refund. – The owner of an eligible facility is allowed an annual refund of sales and use taxes paid by it under this Article on qualified building materials, building supplies, fixtures, and equipment that become a part of the real property of the eligible facility. Liability incurred indirectly by the owner for sales and use taxes on these items is considered tax paid by the owner. Building materials, building supplies, fixtures, and equipment are qualified if they are installed in the construction of the facility. Purchases for subsequent repair, renovation, or equipment replacement are not qualified.

A request for a refund must be in writing and must include any information and documentation required by the Secretary. A request for a refund is due within six months after the end of the State's fiscal year. Refunds applied for after the due date are barred.

..."

SECTION 5.2. This part becomes effective July 1, 2004, and applies to sales made on or after that date.

PART 6. MAINTAIN CURRENT SALES TAX RATES ON ELECTRICITY USED BY MANUFACTURERS

SECTION 6.1. G.S. 105-164.4(a)(1g) is repealed.

SECTION 6.2. G.S. 105-164.4(a)(1f)b. is reenacted.

SECTION 6.3. G.S. 105-164.4(a) is amended by adding a new subdivision to read:

"(1h) The rate of seventeen-hundredths percent (0.17%) applies to the sales price of electricity sold to an aluminum smelting facility for use in connection with the operation of that facility and measured by a separate meter or measuring device."

SECTION 6.4. This part becomes effective October 1, 2004, and applies to sales of electricity made on or after that date. Section 6.3 of this part expires for sales made on or after October 1, 2007.

PART 7. FAMILY COURT FEES

SECTION 7.1. Article 28 of Chapter 7A of the General Statutes is amended by adding a new section to read:

"**§ 7A-314.1. Family court fees.**

(a) The Administrative Office of the Courts may charge a uniform fee of not more than thirty dollars ($30.00) per hour to persons receiving the services of a supervised visitation and exchange center through a family court program. The fees collected under this section may be used by the Director of the Administrative Office of the Courts to support the continued operation of supervised visitation and exchange centers which provide services to family court clients regarding domestic violence, substance abuse, mental illness, parental alienation, and other issues.

(b) The Director of the Administrative Office of the Courts may establish a procedure for persons to apply for a reduction in the fee, based upon the person's ability to pay as a result of indigence, status as a victim of domestic violence, or other circumstances."

SECTION 7.2. This part is effective when it becomes law.

PART 8. GENERAL PROVISIONS

SECTION 8.1. This act does not affect the rights or liabilities of the State, a taxpayer, or another person arising under a statute amended or repealed by this act before the effective date of its amendment or repeal; nor does this act affect the right to any refund or credit of a tax that accrued under the amended or repealed statute before the effective date of its amendment or repeal.

SECTION 8.2. Except as otherwise provided in this act, this act is effective when it becomes law.

HOUSE BILL 1430:
IRC Update & Other Tax Law Changes

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	Rep. Miner
Date:	June 25, 2004	**Analysis by:**	Finance Team
Version:	3rd Edition		

SUMMARY: House Bill 1430 would do the following:

- *It would update to May 1, 2004, the reference to the Internal Revenue Code used in defining and determining certain State tax provisions.*
- *It would set the rates for the public utility regulatory fee at 0.12% for the 2004-2005 fiscal year and the electric membership corporation regulatory fee at $200,000 for the 2004-2005 fiscal year. These fees are the same as the rates established for the past two years.*
- *It would set the insurance regulatory fee at 5% for the 2004 calendar year. This rate is the same as the 2003 rate.*
- *It would extend the credit on the low-income housing tax credit from January 1, 2006, until January 1, 2010.*
- *It would clarify the sales tax incentives for major projects.*
- *It would maintain the current sales tax rate on electricity used by manufacturers.*
- *It would authorize the Administrative Office of the Courts to impose a family court fee.*

HOUSE BILL 1430 IS BACK IN THE HOUSE FOR CONCURRENCE. THE BILL WAS REFERRED TO HOUSE FINANCE BECAUSE THE SENATE CHANGES WERE RULED MATERIAL.

PART 1. UPDATE IRC CODE

Part 1 of the PCS for House Bill 1430 is a recommendation of the Revenue Laws Study Committee. Congress enacted two bills between June 1, 2003, and January 1, 2004, that would affect State tax provisions. These bills are the Military Family Tax Relief Act of 2003 (P.L. 108-121), which was signed into law on November 11, 2003, and the Medicare Prescription Drug, Improvement, and Modernization Act of 2003 (P.L. 108-173), which was signed into law on December 8, 2003. On April 10, 2004, the Pension Funding Equity Act of 2004 (P.L. 108-218) was signed into law. This bill also would affect State tax provisions. Part 1 updates to May 1, 2004, the reference to the Internal Revenue Code so that North Carolina's tax law reflects these changes to the federal Code. (A more detailed explanation of these changes is available; please request one if you would like one.)

PART 2. REGULATORY FEE FOR UTILITIES COMMISSION[1]

Part 2 of the bill sets the tax rate for the public utility regulatory fee for the 2004-2005 fiscal year at 0.12%. The rate last year was the same. This rate must be set by the General Assembly each year. The utility regulatory fee is a tax that was first imposed in 1989. The proceeds of the fee are credited to the Utilities Commission and Public Staff Fund and used to defray the State's cost in regulating public utilities. The regulatory fee is imposed on all utilities that are subject to regulation by the North Carolina

[1] This part is identical to part 1 of HB 1264, which passed 3rd reading in the House on June 17th.

Utilities Commission. The fee is a percentage of the utility's North Carolina jurisdictional revenues. In general, jurisdictional revenue is derived from providing utility service in North Carolina.

In addition to funding the State's cost in regulating public utilities, the money in the Utilities Commission and Public Staff Fund is currently used to finance the work of the Study Commission on the Future of Electric Service in North Carolina. The General Assembly established the Commission in 1997 to examine the cost, adequacy, availability, and pricing of electric rates and service in North Carolina to determine whether legislation is necessary to assure an adequate and reliable source of electricity and economical, fair, and equitable rates for all consumers of electricity in North Carolina. Section 14.10 of S.L. 2000-67, the Current Operations and Capital Improvements Appropriations Act of 2000, extended the life of the Study Commission and its funding from the Utilities Commission and Public Staff Fund through June 30, 2006.

Part 2 also sets at $200,000 for the 2004-2005 fiscal year the annual public utility regulatory fee imposed on electric membership corporations whose principal purpose is to furnish or cause to be furnished bulk electric supplies at wholesale. This is the same rate that was in effect for the 2001-2002, 2002-2003, and 2003-2004 fiscal years. The North Carolina Electric Membership Corporation is the only electric membership corporation that fits this description. The proceeds of the fee are credited to the Utilities Commission and Public Staff Fund and used to defray the State's cost in regulating electric membership corporations.

The 1999 General Assembly enacted S.L. 1999-180, which authorized electric membership corporations to form subsidiary corporations that may provide energy services and products, telecommunications services and products, and water and wastewater collection and treatment. The subsidiaries must fully compensate the electric membership corporation for its use of the corporation's personnel, services, equipment, and property. The Utilities Commission is charged with regulating this aspect of the subsidiary's business and, to pay for this regulation, S.L. 1999-180 levied a flat-rate regulatory fee to be paid annually by the North Carolina Electric Membership Corporation. The General Assembly must establish the fee amount each year. The North Carolina Electric Membership Corporation is the only electric membership corporation whose principal purpose is to furnish or cause to be furnished bulk electric supplies at wholesale as provided in G.S. 117-16. It is a "generation and supply cooperative" owned by its members. Its members are all but one of the existing North Carolina electric membership corporations, which are "distribution cooperatives." Thus, the fee imposed on the North Carolina Electric Membership Cooperation will be passed on to its member electric membership corporations.

PART 3. INSURANCE REGULATORY CHARGE[2]

Part 3 of this bill sets the insurance regulatory charge at 5% for the 2004 calendar year. This is the same rate set for the 2003 calendar year. The insurance regulatory charge was enacted in 1991 to defray the State's cost of regulating the insurance industry. The charge is a percentage of each insurance company's gross premiums tax liability. The insurance regulatory charge is imposed on insurance companies that pay the gross premiums tax and, beginning in 2000, on health maintenance organizations and medical service corporations. Insurance companies and medical service corporations pay a 1.9% gross premium tax rate.[3] For health maintenance organizations, the charge is levied on each organization's hypothetical gross premiums tax liability determined at the 1.9% gross premiums tax rate applied to its premiums base. The

[2] This part is identical to part 2 of HB 1264, which passed 3rd reading in the House on June 17th.

[3] The premium tax rate for medical service corporations was increased from 1% to 1.9%, effective January 1, 2004. (S.L. 2003-284)

hypothetical calculation is necessary because health maintenance organizations pay premiums tax at the lower rate of 1%.

PART 4. EXTEND LOW-INCOME HOUSING CREDIT SUNSET[4]

Part 4 of this bill extends the sunset on the low-income housing tax credit from January 1, 2006, until January 1, 2010. Developers of low-income housing begin their work months in advance and need to know what financing will be available as they secure options on sites. The bill extends the sunset now, thereby giving developers certainty about the credit's availability as they begin to plan the projects for which they will apply with the N.C. Housing Finance Agency in 2006 to build. The bill also makes a technical change by replacing the term 'eligible basis' with the term 'qualified basis'.

Congress enacted the Low Income Housing Tax Credit in 1986 to fund housing for low- and moderate-income households. Each state receives a limited amount of credit each year. The IRS allocates the per capita low-income housing tax credit to state housing agencies, such as the North Carolina Housing Financing Agency (HFA), who in turn allocate the credit to project developers who agree to lower project rents for low-income tenants. In 1999, North Carolina authorized a State income tax credit modeled after the federal housing credit. To benefit from the credit, a project developer had to sell the tax credits to receive funds to finance the project; developers indicated that the State tax credit sold for no more than 45 cents on the dollar. In 2002, the General Assembly changed the State credit to be a percentage of the basis of the housing project that qualifies for the federal credit as opposed to a percentage of the federal credit itself. Under the revised credit, a developer may elect to receive the credit in the form of either a direct tax refund or a loan generated by transferring the credit to the HFA in return for a 0% interest 30-year balloon loan equal to the credit amount.[5] Neither a direct tax refund nor a loan received as a result of the transfer of the credit is considered taxable income by the State. Although a direct tax refund would be taxable as income by the IRS, a private letter ruling from the IRS provides that the loan proceeds would not.

The General Assembly modified the credit in 2002 to promote efficiency and cost savings. The modified credit eliminated the need to sell the credit and ensured that each State dollar dedicated for low-income housing is used to develop that housing. It is saving the State revenue over a five-year period while maintaining the same level of investment in low-income housing developments.[6] The innovative approach adopted by the General Assembly in 2002 has received a national award. The HFA found that in 2003 the percentage of federal credits used to develop projects in rural counties rose from about 25% to about 50% and it found that all urban projects have some units affordable to families below 30% of the median, including DHHS clients. The HFA also notes that the federal credits have become attractive to more purchasers since the buyer does not need to also purchase a state credit. This results in higher prices for federal credits and more affordable housing for North Carolina.

---

[4] This part is substantially the same as SB 1326, introduced by Sen. Kerr.

[5] Owners of all but one of the 51 rental developments awarded federal credits in 2003 elected to use the State credit as part of their funding. All 50 project developers chose the 30-year no interest loan option.

[6] From 2000 to 2002, the State housing credit leveraged $420 million of rental development. A total of 120 projects with 5,900 units were awarded $140 million of State housing credits for an average of $24,000 per unit in State investment. In 2003, the credit leveraged $197 million of rental development. A total of 49 projects with 2,336 units were awarded $33.2 million of State housing credit for an average of $14,200 per unit of State investment.

PART 5. SALES TAX CLARIFICATION

During the 2nd extra session of 2003[7], the General Assembly created an annual refund of State and local sales taxes paid on construction materials and fixtures for facilities that involve the investment of more than $100 million by the taxpayer and are primarily used for either of the following two industries:

- Bioprocessing
- Pharmaceutical and Medicine Manufacturing and the Distribution of Pharmaceuticals and Medicines

The refund became effective for sales taxes paid on or after January 1, 2004. The taxpayer must apply for the refund within six months after the end of the State's fiscal year. If, after obtaining a refund, the taxpayer does not end up investing the required amount, the taxpayer forfeits the refund.

Part 5 of this bill clarifies that the sales tax refund is allowed only for materials and fixtures purchased during the construction of the facility and not for purchases made for subsequent repairs, renovation, or equipment replacement.

PART 6. MAINTAIN CURRENT SALES TAX ON ELECTRICITY USED BY MANUFACTURERS

Generally, electricity that is sold to a manufacturer for use at a manufacturing facility and that is separately metered or measured is subject to the sales and use tax at a rate of 2.83% – most other sales of electricity are taxed at the rate of 3%. In 2001, the General Assembly reduced the sales tax on electricity sold to manufacturers who use more than 900,000 megawatt-hours of electricity annually, effective January 1, 2002.[8] At this point, there are no manufacturers in the State that use this volume of electricity annually.[9] As part of the 2001 legislation, the General Assembly established a rate schedule that would reduce the sales tax on electricity sold to manufacturers who use more than 5,000 megawatt-hours annually but less than 900,000, effective July 1, 2005.[10]

Part 6 of this bill would repeal the 2001 legislation, effective October 1, 2004. The taxation of electricity used by manufacturers would remain at the current rate of 2.83%. This part would also provide that electricity sold to an aluminum smelting facility for use in connection with the operation of that facility and measured by a separate meter or measuring device would be taxable at 0.17%. The provision establishing the lower rate for an aluminum smelting facility would sunset for sales made on or after October 1, 2007. At this time, the State does not have an aluminum smelting facility. However, the retention of the lower rate for three more years encourages the operation of such a facility in North Carolina.

---

[7] S.L. 2003-435.

[8] S.L. 2001-476, as amended by S.L. 2001-487

[9] The only manufacturer who used this volume of electricity at the time the General Assembly changed the law was Alcoa.

[10]

Megawatt-hours used annually	Rate
5,000 or less	2.83%
Over 5,000 and up to 250,000	2.25%
Over 250,000 and up to 900,000	2.0%
Over 900,000	.17%

PART 7. FAMILY COURT FEES

Part 7 would authorize the Administrative Office of the Courts to charge a fee to persons receiving services of a supervised visitation and exchange center through a family court program. These centers provide a safe "pick-up/drop-off" place for custody exchanges between estranged parents. There are only a few of these centers in North Carolina. The current programs are funded by federal Violence Against Women Act funds. With this funding, the centers are only able to serve families with a history of domestic violence. Some centers, especially the one in the 12th Judicial District, would like to broaden their reach to serve other clients involved with custody issues.

The fee may not exceed $30 per hour and the Director of AOC may establish a procedure for a person to apply for a reduction in the fee, based upon the person's ability to pay as a result of indigence, status as a victim of domestic violence, or other circumstances. The fee revenue would be used to support the continued operation of these centers. The use of the services is permissive.

NORTH CAROLINA GENERAL ASSEMBLY

LEGISLATIVE FISCAL NOTE

BILL NUMBER: House Bill 1430 (Third Edition)

SHORT TITLE: IRC Update.

SPONSOR(S):

FISCAL IMPACT

Yes (X) **No ( )** **No Estimate Available ( )**

($Million)

AOC – Family Court Fee			No Estimate Available		

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue; Utilities Commission; Department of Insurance; North Carolina Housing Finance Agency; Administrative Office of the Courts

EFFECTIVE DATE: Part 2 (Utilities Commission fee) and Part 5 (sales tax clarification) become effective July 1, 2004. Part 6 (electricity sales tax) becomes effective October 1, 2004 and applies to sales of electricity made on or after that date. All other parts of the bill are effective when the act becomes law.

BILL SUMMARY: This act updates the reference to the Internal Revenue Code used in defining and determining certain state tax provisions, sets the public utility and insurance regulatory fees, extends the sunset on the low-income housing tax credit, clarifies the sales tax incentives for major projects, maintains the current sales tax rates on electricity sold to manufacturers, sets temporary sales tax rate on electricity sold to aluminum smelters; and creates a fee for services received from a supervised visitation and exchange center through a family court program.

ASSUMPTIONS AND METHODOLOGY:

PART 1. IRC Update

Part 1 of the bill conforms the North Carolina tax code to changes made in the Internal Revenue Code in 2003 and 2004 by Congressional approval of P.L. 108-121, The Military Family Relief Act of 2003, P.L. 108-173, The Medicare Prescription Drug, Improvement, and Modernization Act of 2003 and P.L. 108-218, The Pension Funding Equity Act of 2004.

I. The Military Family Relief Act

Of the ten major provisions in the Military Family Relief Act of 2003 (H.R. 3365), only two have a fiscal impact on North Carolina. The first major change is in the exclusion of gain from the sale of a principal residence. Current tax law allows an individual to exclude up to $250,000 ($500,000 if married filing a joint return) of gain realized on the sale of a principal residence. The taxpayer must have owned and used the residence as a principal residence for at least two of the five years ending on the date of sale. The Military Family Relief Act of 2003 allows a member of the Armed Forces, Public Health Service, National Oceanic and Atmospheric Administration, or the Foreign Service to suspend for a maximum of ten years the five-year principal residence test. To qualify, these federal employees must be stationed more than 50 miles from their principal residence for duty in excess of 90 days. The provision is effective for sales made after May 6, 1997 and these employees have one year (November 11, 2003 to November 11, 2004) to apply for a refund.

The staff of the Congressional Joint Committee on Taxation (JCT) estimates that this exclusion will cost the federal treasury $68 million in the first year due to the refund provision. The federal loss in the following years is $14 million to $17 million a year. Both the Tax Research Division of the Department of Revenue and the Fiscal Research Division of the General Assembly base the North Carolina tax impact on the JCT estimate. The chart below shows the JCT estimate of federal tax loss divided by the capital gains tax rate of 25% to determine the loss in federal taxable income. Since the Department of Defense reports that 2.44% of active military personnel in the US claim North Carolina as their residence, then this percentage multiplied by the federal taxable income yields the loss of state taxable income. Multiplying the average personal income tax paid in 2001 (6.8%) times the North Carolina taxable income results in the estimated tax loss for this provision.

Estimated NC Tax Loss	**($0.5)**	**($0.1)**	**($0.1)**	**($0.1)**	**($0.1)**

The second provision of the Military Family Relief Act of 2003 that has a fiscal impact on North Carolina is an above the line deduction for the travel expenses of the National Guard and Reserves. Currently, National Guard and Reserve personnel may claim as itemized deductions their non-reimbursable expenses for transportation, meals, and lodging when they stay overnight for National Guard and Reserve meetings. However, these expenses must exceed 2% of a taxpayer's adjusted gross income (AGI) to be claimed. The provision in the Military Family Relief Act allows an above the line deduction on the transportation, meals, and lodging expenses of National Guard and Reserves who travel more than 100 miles and stay overnight at National Guard and Reserve meetings.

Again, the Joint Committee on Taxation estimate of the national revenue loss for this deduction is used. To obtain federal taxable income, the federal tax loss is divided by the average federal tax rate of 21.9%. To get state taxable income, the federal taxable income is multiplied by North Carolina's percentage of the U.S. Selected Reserve personnel (2.57%). Selected Reserve includes Air and Army National Guard; Army, Navy, Air Force, and Marine Corps Reserves, and when detached from the Department of Homeland Security to the Department of the Navy, the Coast Guard Reserve. The North Carolina taxable income is multiplied by the average income tax rate of 6.8% to obtain the North Carolina tax loss from conforming to this provision.

Estimated NC Tax Loss	($0.7)	($0.6)	($0.6)	($0.6)	($0.7)

II. Medicare Prescription Drug, Improvement, and Modernization Act

There is one provision in the Medicare Prescription Drug, Improvement, and Modernization Act of 2003 (HR1) that will impact North Carolina revenues. This bill creates Health Savings Accounts (HSAs) that provide tax-favored treatment of savings for medical expenses under a high deductible health plan. A person is eligible for a HSA if he or she has a health plan with a deductible that is at least $1,000 for self only coverage or $2,000 for family coverage and the plan has an out-of-pocket expense limit that is no more than $5,000 for an individual or $10,000 for a family. Out-of-pocket expenses include deductibles, co-payments, and other amounts (other than premiums) spent for covered benefits under the plan.

Individual contributions to a HSA are deductible from adjusted gross income and employer contributions to a HSA are excludable from gross income and wages for employment tax purposes. Distributions from a HSA for qualified medical expenses are excluded from gross income. HSA distributions not spent on qualified medical expenses are included in gross income and subject to an additional 10% tax.

The Department of Insurance reported to the Fiscal Research Division in May 2004 that the following companies have high deductible health plans that are HSA eligible:

John Alden
Fortis
United Wisconsin Life
Medical Security
American Republic has a product pending approval.

As in previous examples, the Joint Committee on Taxation is used to determine the North Carolina revenue loss. The federal tax loss is divided by the average federal tax rate of 21.9% to determine the federal taxable income. State taxable income is 2.9% of the federal taxable income based on 2003 US Census population data. Multiplying the state taxable income times the 6.8% average state income tax rate yields the state tax loss from this provision.

III. The Pension Funding Equity Act

The primary aim of the Pension Funding Equity Act of 2004 (H.R. 3108) is to reduce mandatory corporate contributions to defined benefit pension plans in 2004 and 2005. (In defined benefit plans, employers pay monthly pensions to retired workers usually based on their salary and years of service.) More specifically, the act changes the interest rate employers use to calculate their required pension contributions, provides temporary relief from additional contributions required of companies that have pension plans that are less than 90% funded, and allows multiemployer pension plans to defer for up to three years the amortization of part of the stock market losses that they incurred during the 2000 to 2002 period.

The Congressional Joint Committee on Taxation (JCT) estimates this legislation will produce a federal revenue gain for the first three fiscal years, then a loss in later years. Since a portion of employer contributions to qualified retirement plans is deductible from federal income tax, then a reduction in corporate payments into retirement funds will reduce the amount of corporate deductions and, thus, increase taxable income. Beginning in 2007, taxable income will fall as companies increase their retirement contributions and deduct these increasing contributions.

Normally the General Assembly and the Department of Revenue rely on the JCT estimates when computing the North Carolina share of tax loss or gain from federal legislation. When JCT was contacted for information on the Pension Funding Equity Act of 2004, the agency declined to share the methodology they used to estimate the change in revenue. The Congressional Budget

Office, a co-author of some of the bill analysis, was also contacted and referred all questions to JCT. Because of the complexity of this bill and the uncertainty of whether N.C. companies will take advantage of the bill's provisions, no estimate will be attempted on this federal act until the legislative and Revenue staff can verify the validity of the JCT estimate.

PART 2. Regulatory Fee for Utilities Commission

Part 2 of the bill sets the fees for regulation by the North Carolina Utilities Commission (Commission). Section 2.1 sets the public utility regulatory fee rate at 0.12% for FY 2004-05 (same rate as FY 2003-04). Revenue from this fee, which is assessed against regulated public utilities, is used to support the operations of both the Commission and the Public Staff. The Commission estimates the 0.12% regulatory fee will produce $12,600,000 in FY 2004-05. For the same period, the Commission estimates that the combined operations of the Commission and Public Staff will require total expenditures of not less than $12,616,620. The cash balance in the Commission's Accumulated Fee Margin Reserve Account and other special funds as of May 30, 2004 was $7.9 million. This represents approximately 7.5 months of operating reserve. At fiscal year end, the Commission estimates it will have a cash balance of approximately $6.95 million in the fund.

Section 2.2 sets the public utility regulatory fee to be paid by the North Carolina Electric Membership Corporation for the 2004-05 fiscal year at $200,000. This fee has remain unchanged since 1999 when discussions between the Utilities Commission and the industry determined $200,000 was the cost associated with regulating the electric membership cooperatives. In 2001, the Utilities Commission provided information to the General Assembly's Fiscal Research illustrating that these fees supported approximately 4000 hours of accounting, engineering, and legal time. This fee amount must be set by the General Assembly each year.

PART 3. Insurance Regulatory Charge

Part 3 of the bill sets the insurance regulatory charge at 5% for calendar year 2004. This fee is assessed against the 1.9% premiums tax paid by insurers and Article 65 companies (Blue Cross/Blue Shield) or against the presumed premiums tax that would be paid by HMOs if taxed at 1.9% (they are taxed at 1%). The revenue is used to reimburse the General Fund for appropriations to the Department of Insurance to pay expenses incurred in regulating the insurance industry and other industries and to other departments as specified in G.S. 58-6-25(d).

The total of the premiums tax collections for FY 2004-05 and the presumed premiums tax is estimated to be $388.8 million. Applying the 5% regulatory fee to the $388.8 million base would generate $24.10 million in regulatory fee revenue.

The Department estimates that the operating expenses will be $25.9 million for FY 2004-05 and that the reserve will have a balance of $13.85 million at the beginning of FY 2004-05. The total available from the reserve fund of $13.85 million and the estimated collections of $24.10 million will be $37.95 million. The total available less the estimated operating expenditures of $25.9 million will leave a year-end reserve balance of $12.05 million. By statute, the reserve balance shall not exceed one-third of the estimated operating expenses. The $12.05 estimated reserve is above one-third of the estimated operating expenditures.

Based on the above, the regulatory surcharge rate of 5%, assessed against companies that pay a premiums tax as well as the HMOs, is sufficient to defray the estimated cost of the operations of the Department and provide for a reserve fund.

PART 4. Extend Low-Income Housing Credit Sunset

Part 4 of the bill extends the Low-Income Housing Tax Credit program from 2006 to 2010. In the Tax Reform Act of 1986, Congress created the Low-Income Housing Tax Credit (LIHTC) program to fund housing for low and moderate-income households. The North Carolina Housing Finance Agency receives a per capita tax credit that can be used for new construction or rehabilitation of housing. Beginning in 2003, the per capita federal credit amount was indexed to the CPI. From 1987 to 1999, this federal credit helped finance the construction of 21,423 low-income housing units in the state.

In 1999, the General Assembly created a state low-income housing credit equal to a percentage of the federal LIHTC. North Carolina is now one of 14 states with a low-income housing tax credit program. The state low-income tax credit was revised in 2002. Instead of a percentage of the federal credit, the housing developer's tax credit is a percentage of the eligible basis of the housing project that qualifies for the federal LIHTC. The tax credit amount is based upon city/county income and the affordability of the constructed housing units as follows:

Type of Development	Percentage of Basis for which Credit is Allowed
• Units are in a "Low Income" county or city • 40% of the qualified residential units are affordable to households whose income is 50% or less of area median income	30%
• Units are in a Moderate Income county or city • 50% of the qualified residential units are affordable to households whose income is 50% or less of the area median income	20%
• Units are in a High Income county or city • 50% of the qualified residential units are affordable to households whose income is 40% or less of the area median income	10%
• Units are in a High Income county or city • 25% of the qualified residential units are affordable to households whose income is 30% or less of the area median income	10%

A developer may elect to receive the credit in the form of either a direct tax refund or a loan generated by transferring the credit to the Housing Finance Agency (HFA). The HFA will offer the developer a 0% interest 30-year balloon (no payments until maturity) loan equal to the credit amount. Neither a direct tax refund nor a loan received as a result of the transfer of the credit is considered taxable income by the State.

CURRENT CREDIT PROGRAM

The 2003 tax year is the first year under the revised state low-income housing tax credit. The Housing Finance Agency (HFA) awarded $33,659,990 in state tax credits to 50 housing projects. All 50 project developers chose the 30 year no interest loan option. The Secretary of Revenue will transfer half of the 2003 credit amount, $16,829,995, to the HFA in July 2004 and transfer the remaining half of the credit in July 2005. In the remaining two years of the tax credit program, the cost to the General Fund is estimated to be $34.9 million in Tax Year 2004 and $36.5 million in Tax Year 2005 as shown in the chart below.

Award Year	Population	Fed Tax Credit Per Capita Amount	Federal Tax Credit (FTC)	FTC % of Basis	Basis Amount	Average State Tax Credit	Utilization	$ Impact
2004	8,407,248	$1.80	$15.1 mil.	8.5%	$178.0 mil.	20%	98%	$34.9 mil.
2005	8,557,738	$1.85	$15.8 mil.	8.5%	$186.2 mil.	20%	98%	$36.5 mil.

The actual fiscal year revenue loss is different from the tax year credits awarded, because the payments are spread over two fiscal years as shown in the chart below.

Tax Year	FY 04-05	FY 05-06	FY 06-07	FY 07-08
2003	$16,829,995	$16,829,995		
2004		$17,447,512	$17,447,512	
2005			$17,759,823	$17,759,823
Total	**$16,829,995**	**$34,277,507**	**$35,207,335**	**$17,759,823**

CREDIT FORMULA

The following factors must be estimated in order to determine the state tax credit.

I. POPULATION

In Notice 2004-21, the Internal Revenue Service (IRS) directs North Carolina to use 8,407,248 as its population estimate for the federal low-income housing tax credit in 2004. This 2004 population estimate is actually from the July 2003 estimate for North Carolina done by the U.S. Census Bureau.

The State Demographics Unit in the North Carolina Office of State Budget and Management estimates the state population will grow 17.9% from 2000 to 2010. Dividing this decade growth

projection by 10 yields an annual population growth of 1.79% that is applied to the 2004 estimate. Future year state populations are shown below.

Award Year	Population
2004	8,407,248
2005	8,557,738
2006	8,710,921
2007	8,866,847
2008	9,025,563
2009	9,187,121
2010	9,351,570

II. FEDERAL PER CAPITA CREDIT AMOUNT

Notice 2004-21 also sets the federal per capita credit amount for 2004 at $1.80. Beginning in 2003, this per capita credit amount is adjusted annually by the Consumer Price Index (CPI) and is rounded down to the nearest .05. The chart below shows the CPI projected by the U.S. Bureau of Labor Statistics for the years 2004 through 2011. The base rate of $1.80 is adjusted by the CPI as shown in the Actual column. The results of rounding down the rates to the nearest .05 are shown in the Rounded column.

	CPI	Actual	Rounded
2004	1.9%	$1.80	
2005	1.3%	$1.83	$1.80
2006	1.9%	$1.86	$1.85
2007	2.4%	$1.89	$1.85
2008	2.3%	$1.94	$1.90
2009	2.3%	$1.98	$1.95
2010	2.3%	$2.03	$2.00
2011	2.2%	$2.07	$2.05

The Rounded per capita amount multiplied by the Population estimate yields the annual federal low-income housing tax credit for the state. The North Carolina Housing Finance Agency may award these tax credits to developers of low-income housing projects.

Award Year	Population	Fed Tax Credit Per Capita Amount	Federal Tax Credit (FTC)
2004	8,407,248	$1.80	$15,133,046
2005	8,557,738	$1.80	$15,403,928
2006	8,710,921	$1.85	$16,115,204
2007	8,866,847	$1.85	$16,403,666
2008	9,025,563	$1.90	$17,148,570
2009	9,187,121	$1.95	$17,914,886
2010	9,351,570	$2.00	$18,703,141

III. STATE TAX CREDIT

The state tax credit is applied against the basis of the housing projects funded by the federal tax credits. Basis for this credit is the total cost of constructing the buildings minus items not subject to depreciation such as land and reserves. The Housing Finance Agency estimates the federal tax credit is equal to 8.5% of the eligible basis in the funded properties . Dividing the federal tax credit amount by 8.5% gives the project basis amount.

Award Year	Federal Tax Credit (FTC)	FTC % of Basis	Basis Amount
2004	$15,133,046	8.5%	$178,035,840
2005	$15,403,928	8.5%	$181,222,682
2006	$16,115,204	8.5%	$189,590,639
2007	$16,403,666	8.5%	$192,984,311
2008	$17,148,570	8.5%	$201,747,885
2009	$17,914,886	8.5%	$210,763,361
2010	$18,703,141	8.5%	$220,036,949

The state low-income housing tax credit varies by county income at rates of 10% (high income), 20% (moderate income), and 30% (low income). The HFA staff estimates the state credit in future years will average 20%. The 20% credit average is consistent with the 19.1% actual credit average in 2003. Finally, the HFA assumes that developers will utilize 95% of all credits. In 2003, 50 of 51 projects accepted the state credit for a utilization rate of 98%. This analysis assumes the 98% rate due to the 30-year no interest loan option of the credit.

Award Year	Basis Amount	Average State Tax Credit	Utilization	$ Impact
2004	$178,035,840	20%	98%	$34,895,025
2005	$181,222,682	20%	98%	$35,519,646
2006	$189,590,639	20%	98%	$37,159,765
2007	$192,984,311	20%	98%	$37,824,925
2008	$201,747,885	20%	98%	$39,542,586
2009	$210,763,361	20%	98%	$41,309,619
2010	$220,036,949	20%	98%	$43,127,242

IV. FISCAL IMPACT OF CREDIT EXTENSION

This bill extends the state low-income housing tax credit four additional years – tax years 2006 through 2009. However, the tax year impacts shown above must be distributed by fiscal years. This analysis assumes that the project developers will continue to take the 30-year no interest loans. This means each tax year's credit amount will be transferred to the HFA in two annual installment payments. For example, the 2006 tax year credit amount will be paid in July 2007 (FY 2007-08) and July 2008 (FY 2008-09). The following chart shows the fiscal year impact of the tax credit program until its sunset date.

Tax Year	FY 07-08	FY 08-09	FY 09-10	FY 10-11	FY 11-12
2006	$18,579,883	$18,579,883			
2007		$18,912,463	$18,912,463		
2008			$19,771,293	$19,771,293	
2009				$20,654,809	$20,654,809
Total	**$18,579,883**	**$37,492,345**	**$38,683,755**	**$40,426,102**	**$20,654,809**

PART 5. Sales Tax Clarification

Section 5.1 clarifies that the sales tax refund on building materials, authorized in House Bill 2 of the 2003 Special Session, only applies to materials purchased for initial construction of projects valued at or over $100 million. Items purchased for repairs and renovations, and well as replacement equipment, would not qualify for a refund. Since this section codifies the Department of Revenue's current interpretation and practice, there is no fiscal impact.

PART 6. Maintain Current Sales Tax Rates on Electricity

Section 6.1 repeals the graduated sales tax rates on electricity purchased by manufacturers. These rates were enacted in Senate Bill 748 during the 2001 Session in reaction to an administrative ruling on the taxability of electricity in aluminum smelting operations. The Secretary of Revenue issued a Directive on February 14, 2000 that ruled electricity is not "an ingredient or component part of the materials being produced by a manufacturer in the operation of an arc furnace or an induction furnace". The Secretary determined that electricity is a form of energy, not a form of matter or tangible property that the Legislature intended to exempt from tax. The Directive overruled previous private letter rulings from the Sales and Use Tax Division of the Department of Revenue that allowed a sales tax exemption for arc furnaces. Effective March 1, 2000, electricity used in arc furnaces once again became subject to the 2.83% sales tax. The Directive clarified that electricity used in induction furnaces is not tax exempt. The state's only aluminum smelter, Alcoa Badin Works, began paying the 2.83% tax in March 2000.

Senate Bill 843 was introduced on April 4, 2001 to reverse the Revenue decision by exempting "sales to a manufacturer of electricity that is separately metered or measured and that is used in the electrolytic smelting process to manufacture aluminum." House Bill 959 went even further by exempting electricity sold to electrical charging processing, arc furnaces, and electrolytic process for manufacturing. While these bills failed to pass out of the Finance committees, the issue was revived on the House floor as an amendment to Senate Bill 748, Bill Lee Act Changes. The final version of SB 748 had a tax rate of .17% beginning January 1, 2002 for those manufacturers who use over 900,000 megawatt hours of power each year. The only firm eligible for this low rate is Alcoa Badin Works when at full production. SB 748 also included the following additional rates beginning in July 1, 2005:

2% = for manufacturers using between 250,000 and 900,000 megawatt hours each year
2.25% = for manufacturers using between 5,000 and 250,000 megawatt hours each year
2.83% = for manufacturers using less than 5,000 megawatt hours each year (current tax)

By repealing G. S. 105-164.4(a)(1g) and preventing the reduction of tax rates on electricity on July 1, 2005, the state will save approximately $9.6 million to $9.7 million each fiscal year. In February 2004, the major electric utilities in the state were asked to submit a list of their

manufacturing customers that consumed more than 5,000-megawatt hours of electricity each year. Each utility was asked to provide the amount of megawatt hours used and the amount paid by each manufacturer in fiscal year 2003. The current and proposed tax rates were applied to this data and the results are shown below.

Annual Megawatts	Tax Rate	Duke Energy Customers	Progress Energy Customers	Dominion Customers	ElectriCities West Region
Over 5,000 and up to 250,000	2.25%	531	595	26	5
Over 250,000 and up to 900,000	2%	2	12	1	0
Over 900,000	0.17%	0	0	0	0
General Fund Loss		**($3,131,175)**	**($6,026,335)**	**($400,766)**	**($35,203)**
Total General Fund Loss			**($9,593,479)**		

When the proposed tax rates are applied to customer bills in 2003, the General Fund loss of sales tax revenue equals approximately $9.6 million. To determine the future revenue loss from the new rates, the state's two major electric utilities were asked for their projection of electricity consumption by the manufacturing sector. Progress Energy replied that the projected growth in its industrial sector is .8% a year from 2004 to 2012. Duke Energy projects a .63% decline in consumption each year from 2004 to 2012. Applying these change rates to the manufacturer electricity consumption in 2003 yields the following revenue loss estimates for the 2% and 2.25% tax rates (Dominion and ElectriCities were held constant). Neither of the state's major utilities nor the Department of Revenue reported any facilities that qualified for the .17% tax rate.

	Duke Energy Customers	Progress Energy Customers	Dominion Customers	ElectriCities West Customers	Total
FY 2003-04	($3,131,175)	($6,026,335)	($400,766)	($35,203)	($9,593,479)
FY 2004-05	($3,111,449)	($6,074,546)	($400,766)	($35,203)	($9,621,963)
FY 2005-06	($3,091,846)	($6,123,142)	($400,766)	($35,203)	($9,650,958)
FY 2006-07	($3,072,368)	($6,172,127)	($400,766)	($35,203)	($9,680,464)
FY 2007-08	($3,053,012)	($6,221,504)	($400,766)	($35,203)	($9,710,485)
FY 2008-09	($3,033,778)	($6,271,276)	($400,766)	($35,203)	($9,741,023)
FY 2009-10	($3,014,665)	($6,321,446)	($400,766)	($35,203)	($9,772,081)

Section 6.3 reestablishes the .17% tax rate for aluminum smelting facilities for the period October 1, 2004 to October 1, 2007. As mentioned above, the debate on reduced rates began with Revenue ruling that electricity used in aluminum smelting was taxable at the Alcoa Badin plant. Unfortunately, Alcoa closed the Badin Works and laid off 300+ employees in

August 2002. (Alcoa permanently closed similar aging aluminum smelter facilities in Troutdale, Oregon and Rockdale, Texas.) The Badin plant continues to operate its anode and ingot casting facilities to supply material to Alcoa locations across the U.S. Analysts for the aluminum industry predict the aluminum smelters at Badin will not reopen until a strong economic recovery boosts demand and pushes prices up to make the plant competitive with newer facilities and low cost foreign producers. It is not known if the current upswing in the economy will make the Badin plant profitable enough to restart production. When the plant is in full production, the reduction in tax from 2.83% to .17% creates a General Fund revenue loss of $800,000 a year. Since it is unknown if and when the Badin plant will reopen, there is no revenue estimate for this section.

PART 7. Family Court Fees

Part 7 allows the Administrative Office of the Courts (AOC) to establish a fee of up to $30 for using a supervised custody/exchange center. These centers exist in several judicial districts and are funded by federal Violence Against Women Act (VAWA) funds. Use of these federal funds means that the centers can only serve a domestic violence victim population. By authorizing this fee, these centers can establish a separate funding source allowing them to serve any divorced couple with custody exchange issues. It is believed the fees will be deposited into a receipt fund within AOC with its use limited to supporting these centers. Section 7.1(b) authorizes AOC to set up a sliding scale of costs based on indigency. This is standard practice in the court system, and the language clearly waives the fee for Domestic Violence victims who are already getting services paid by VAWA. There is no estimate available on the revenue generated by this fee since it is unknown how many judicial districts will choose to impose it.

HOUSE BILL 1636
PROPOSED COMMITTEE SUBSTITUTE H1636-CSLC-153 [v.2]

6/28/2004 11:49:01 AM

Short Title: Renewable Fuel Tax Credits. (Public)

Sponsors:

Referred to:

May 24, 2004

A BILL TO BE ENTITLED

AN ACT TO PROVIDE TAX CREDITS FOR DISPENSING, PROCESSING, AND DISTRIBUTING RENEWABLE FUELS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-129.15 is amended by adding a new subdivision to read:

"(8) Renewable fuel. – Either of the following:

a. Biodiesel, as defined in G.S. 105-449.60.

b. Ethanol either unmixed or in mixtures with gasoline that are seventy percent (70%) or more ethanol by volume."

SECTION 2. Article 3B of Chapter 105 of the General Statutes is amended by adding the following new section to read:

"**§ 105-129.16D. Credit for constructing renewable fuel facilities.**

(a) Dispensing Credit. – A taxpayer that constructs and installs and places in service in this State a qualified commercial facility for dispensing renewable fuel is allowed a credit equal to fifteen percent (15%) of the cost to the taxpayer of constructing and installing the part of the dispensing facility, including pumps, storage tanks, and related equipment, that is directly and exclusively used for dispensing or storing renewable fuel. A facility is qualified if the equipment used to store or dispense renewable fuel is labeled for this purpose and clearly identified as associated with renewable fuel.

The entire credit may not be taken for the taxable year in which the facility is placed in service but must be taken in three equal annual installments beginning with the taxable year in which the facility is placed in service. If, in one of the years in which the installment of a credit accrues, the portion of the facility directly and exclusively used for dispensing or storing renewable fuel is disposed of or taken out of service, the credit expires and the taxpayer may not take any remaining installment of the credit. The

taxpayer may, however, take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.17.

(b) Production Credit. – A taxpayer that constructs and places in service in this State a commercial facility for processing renewable fuel is allowed a credit equal to twenty-five percent (25%) of the cost to the taxpayer of constructing and equipping the facility. The entire credit may not be taken for the taxable year in which the facility is placed in service but must be taken in seven equal annual installments beginning with the taxable year in which the facility is placed in service. If, in one of the years in which the installment of a credit accrues, the facility with respect to which the credit was claimed is disposed of or taken out of service, the credit expires and the taxpayer may not take any remaining installment of the credit. The taxpayer may, however, take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.17.

(c) No Double Credit. – A taxpayer that claims any other credit allowed under this Chapter with respect to the costs of constructing and installing a facility may not take the credit allowed in this section with respect to the same costs.

(d) Sunset. – This section is repealed for taxable years beginning on or after January 1, 2011."

SECTION 3. Part 4 of Article 36C of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-449.111. Credit for distributing biodiesel.**

(a) Credit. – A licensed distributor that distributes biodiesel is allowed a credit against the taxes imposed by this Article. The credit is equal to one dollar ($1.00) per gallon of unblended biodiesel. The credit must be claimed on the same return on which the tax liability for the biodiesel is originally reported. The taxpayer must submit any information or documentation required by the Secretary. The credit may not exceed the amount of tax liability reported on the return.

(b) Sunset. – This section is repealed effective July 1, 2011."

SECTION 4. Section 3 of this act becomes effective July 1, 2005. The remainder of this act becomes effective for taxable years beginning on or after January 1, 2005.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 2003

HOUSE BILL 1636

Referred to:	Finance.	

May 24, 2004

A BILL TO BE ENTITLED

AN ACT TO PROVIDE TAX CREDITS FOR PURCHASING, DISPENSING, AND PROCESSING RENEWABLE FUELS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-129.15 is amended by adding a new subdivision to read:

"(8) Renewable fuel. – Either of the following:

a. Biodiesel derived from pure virgin soybean oil in a two percent (2%) minimum blend.

b. Ethanol or methanol either unmixed or in mixtures with gasoline that are seventy percent (70%) or more ethanol or methanol by volume."

SECTION 2. Article 3B of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-129.16D. Credit for renewable fuel.**

(a) Purchase. – A taxpayer that purchases at retail 750 or more gallons of renewable fuel during the taxable year is allowed a credit equal to ten percent (10%) of the cost of the fuel. For fuel purchased for business use, the credit allowed by this section may not exceed one thousand two hundred dollars ($1,200) for the taxable year. For fuel purchased for nonbusiness use, the credit allowed by this section may not exceed three hundred fifty dollars ($350.00) for the taxable year.

(b) Distribution. – A taxpayer that constructs and installs and places in service in this State a commercial facility for dispensing renewable fuel is allowed a credit equal to fifteen percent (15%) of the cost to the taxpayer of constructing and installing the dispensing facility, including pumps, storage tanks, and related equipment.

(c) Processing. – A taxpayer that constructs and places in service in this State a commercial facility for processing renewable fuel is allowed a credit equal to twenty-five percent (25%) of the cost to the taxpayer of constructing and equipping the

facility. The entire credit may not be taken for the taxable year in which the facility is placed in service but must be taken in seven equal installments beginning with the taxable year in which the facility is placed in service. If, in one of the years in which the installment of a credit accrues, the facility with respect to which the credit was claimed is disposed of or taken out of service, the credit expires and the taxpayer may not take any remaining installment of the credit. The taxpayer may, however, take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.17.

(d) No Double Credit. – A taxpayer that claims any other credit allowed under this Chapter with respect to an activity described in subsections (a) through (c) of this section may not take the credit allowed in this section with respect to the same activity."

SECTION 3. This act becomes effective for taxable years beginning on or after January 1, 2005.

HOUSE BILL 1636 (PCS): Renewable Fuel Tax Credits

BILL ANALYSIS

Committee: House Finance
Date: June 29, 2004
Version: PCS for 1st Edition

Sponsor: Rep. Tolson
Summary by: Martha H. Harris
Staff Attorney

SUMMARY: House Bill 1636 would provide three new tax credits: an income or franchise tax credit for constructing a facility for dispensing renewable fuel, an income or franchise tax credit for constructing a facility to produce renewable fuel, and a motor fuels tax credit for distributing biodiesel. Renewable fuel is defined as biodiesel or ethanol.

CURRENT LAW: Article 3B of Chapter 105 of the General Statutes allows an income or franchise tax credit of 35% of the cost of constructing or purchasing renewable energy property, up to $250,000 per installation for non-residential property. Renewable energy property may include equipment for producing biodiesel or ethanol.

BILL ANALYSIS: Sections 1 and 2 of the bill would add two new credits to Article 3B, a 15% credit for the costs of constructing a facility for dispensing renewable fuel and a 25% credit for the costs of constructing a facility for producing renewable fuel. These credits would become effective beginning with the 2005 tax year. The dispensing credit must be taken in three annual installments and the production credit must be taken in seven annual installments. There is no double credit – the taxpayer must choose between any available credits and take only one with respect to the same costs.

Like the other credits in Article 3B, the new credits may be claimed against income tax or franchise tax. Each credit is limited to 50% of the amount of tax liability against which it is claimed. Any excess may be carried forward for up to five years. Article 3B is set to sunset January 1, 2006. If that sunset is extended, the new credits are set to sunset in 2011.

Section 3 of the bill would add a motor fuels tax credit for distributing biodiesel, effective July 1, 2005. The amount of the credit would be $1.00 per gallon of unblended biodiesel. The credit would sunset in 2011.

FISCAL ANALYSIS MEMORANDUM

[This confidential fiscal memorandum is a fiscal analysis of a draft bill, amendment, committee substitute, or conference committee report that has not been formally introduced or adopted on the chamber floor or in committee. This is not an official fiscal note.]

Highway Trust Fund**		$225,000	$225,000	$225,000	$225,000

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue

EFFECTIVE DATE: Section 3 becomes effective on July 1, 2005 and is repealed effective July 1, 2011. The remainder of this act becomes effective for taxable years beginning on or after January 1, 2005 and is repealed effective for taxable years on or after January 1, 2011.

* While no estimate is made on the number of facilities constructed, the cost per credit is estimated to be $7,500 per dispensing facility, $2.4 million per biodiesel production facility, and $12.5 million per ethanol production facility. See the Assumptions and Methodology section.
**Minimum revenue loss from distribution credit based on current biodiesel consumption.

BILL SUMMARY:
This act creates the following new tax credits:
1) **Credit for dispensing renewable fuel** – The credit is equal to15% of the cost to construct and install a renewable fuel dispensing facility, but must be taken in three equal annual installments. The credit is taken against franchise and income tax liability.
2) **Credit for producing renewable fuel** – The credit is equal to 25% of the cost to construct and place in service a commercial facility for processing renewable fuel. The credit is taken against franchise and income tax liability in seven equal annual installments.
3) **Credit for distributing biodiesel** – This credit for licensed distributors is equal to $1 per gallon of unblended biodiesel and is claimed against motor fuel tax liability.

ASSUMPTIONS AND METHODOLOGY:

Energy Tax Credit Success

According to a February 2001 report of the National Conference of State Legislatures (NCSL) titled "State Alternative Fuel Vehicle Incentives: A Decade and More of Lessons Learned," state alternative fuel vehicle incentives do not stimulate widespread conversion to alternative fuels.

Based on the report, which has analyzed more than 200 various state incentives around the nation, the successful incentives are:

- Focused on reducing emissions or petroleum use.
- Large enough to entice consumers to buy an alternative fuel vehicle.
- Grant-based in most cases.
- Easy for consumers to receive and for the state to administer.
- Focused on developing a fueling infrastructure in addition to encouraging consumers to buy alternative fuel vehicles.

The best incentives, according to the report, combine all the characteristics into one package. Incentives that fail to meet even one of these criteria are likely to fail to meet their goals.

North Carolina has not had much success with tax credits for building alternative fuel facilities. A corporate income tax credit for the construction of a fuel ethanol distillery was approved in 1979 (GS 105-130.27), but the credit expired in 1998 without being used. Similar tax credits to encourage the construction of a methane gas facility, a peat facility, wind energy devices, and an olivine brick facility were repealed in 1999 without ever being used.

The renewable energy credits in GS 105-129.16A have been used. From April 2003 to March 2004, 11 corporate taxpayers claimed $636,001 and 222 individual taxpayers claimed $143,970 in renewable energy credits. These credits can be used for solar, wind, hydroelectric, and biomass projects. Building an ethanol or biodiesel production facility is eligible under this credit, but none have been built.

Dispensing Credit

According to the Department of Energy Clean Cities Program, there are two ethanol-refueling stations in North Carolina. Both of these stations are owned by the state and provide services only to N.C. Motor Fleet Management.

With regard to biodiesel, the major vendor of this type of fuel in the state is the Grain Growers Cooperative, Inc (the Cooperative). According to a Cooperative's representative, the Cooperative purchases around 900,000 gallons of B100 biodiesel fuel annually at a price of $2.50 per gallon. This fuel is then sold to several biodiesel fueling stations in the state. Based on data from the National Biodiesel Board, there are four retail biodiesel fueling sites in North Carolina, which also operate as conventional gas stations.

At this time it is not possible to estimate the number of refueling stations that will be built due to this credit and the distributor credit in section 3 of the bill. The General Assembly's Fiscal Research Division is seeking data from Kansas and Colorado on their experience with alternative fuel dispensing credits. Kansas has a credit equal to 50% of the cost of constructing a fueling station up to $200,000 and Colorado has a 50% tax credit for the cost of construction, reconstruction, or acquisition of a refueling station.

What is the fiscal impact to the General Fund for each fueling station that is built with a tax credit? According to information provided by a representative of the Marketing Department of VeraSun Energy in South Dakota, the average cost of constructing a facility for dispensing alternative fuel is approximately $50,000. This cost includes pumps, storage, and related equipment. Based on this estimate, each dispensing facility would qualify for a tax credit of $7,500, which will be claimed in three equal annual installments. Since the tax credit begins in tax year 2005, the first credit can be claimed as early as FY 2005-06. Box 1 outlines the fiscal impact associated with construction of one alternative fuel dispensing facility.

Box 1: Fiscal Impact of Constructing one Alternative Fuel Dispensing Facility

	FY 2004-05	FY 2005-06	FY 2006-07	FY 2007-08	FY 2008-09
REVENUES					
Alterative Fuel Dispensing Facility	$0	($2,500)	($2,500)	($2,500)	$0

Production Credit

This bill proposes a tax credit equal to 25 percent of the costs of constructing and equipping a commercial facility for processing alternative fuel. The entire credit must be taken in seven equal annual installments beginning with the taxable year in which facility is placed in service. Based on information provided by the Grain Growers Cooperative, Inc., there are some initiatives to construct a biodiesel-production facility as well as ethanol-production facilities in North Carolina. However, these initiatives are at early stages of planning, and it is unlikely that any significant progress in the construction of any alternative fuel production facility will be completed in 2005. Based on the joint study by AUS Consultants and SJH

Company, it takes on average 12-14 months to construct an ethanol production facility. The Grain Growers Cooperative, Inc. has indicated that it takes the same time to construct a biodiesel production facility. Based on these assumptions, it is projected that the earliest date when any renewable fuel facility may become operational is July 2006.

I. Biodiesel-Production Facility

The Center for Agribusiness and Economic Development at the University of Georgia has conducted a study on the feasibility of biodiesel production in this state. This study contains analysis of estimated capital costs associated with construction of biodiesel production facilities of various production capacities. According to the information provided by a representative of the Grain Growers Cooperative, the biodiesel production facility that may potentially be constructed in North Carolina will have a production capacity close to 15 million gallons per year. The estimated capital cost of constructing such a facility is $9,600,000, according to the University of Georgia study. Based on this estimate, each biodiesel production facility will qualify for a tax credit of $2.4 million taken in seven equal annual installments of $342,857. Since no facility is under construction and it would take 12 to 14 months to construct a new facility, it is assumed the first credit would be taken in tax year 2006. The earliest fiscal impact on the General Fund for the credit would be FY 2006-07. Box 2 outlines the fiscal impact associated with construction of one alternative fuel dispensing facility.

Box 2: Estimated Tax Credit for Constructing one Biodiesel Production Facility

	FY 2004-05	FY 2005-06	FY 2006-07	FY 2007-08	FY 2008-09
REVENUES					
Biodiesel-Production Facility	$0	$0	($342,857)	($342,857)	($342,857)

II. Ethanol Production Facility

According to an employee of the Marketing Department of VeraSun Energy Corporation in Aurora, South Dakota, the average cost of constructing an ethanol-production facility is $1.00 per gallon of its name plate design capacity. VeraSun Energy estimates the name plate design capacity for the average ethanol plant to be 50 million gallons per year. Therefore, it would cost approximately $50,000,000 to construct an average-size ethanol facility in North Carolina. Based on this estimate, each ethanol production facility would qualify for a tax credit of $12.5 million taken in seven equal annual installments of $1,785,714. Like biodiesel, no facility is under construction and it would take 12 to 14 months to construct a new facility, thus it is assumed the first credit would be taken in tax year 2006. The earliest fiscal impact on the General Fund for the credit would be FY 2006-07. Box 3 outlines the fiscal impact associated with construction of one ethanol production facility.

Box 3: Estimated Tax Credit for Constructing one Ethanol Production Facility

	FY 2004-05	FY 2005-06	FY 2006-07	FY 2007-08	FY 2008-09
REVENUES					
Ethanol Production Facility	$0	$0	($1,785,714)	($1,785,714)	($1,785,714)

Biodiesel Distribution Credit

Section 3 of the bill proposes a tax credit of $1 per gallon to a licensed distributor of unblended biodiesel fuel, beginning July 1, 2005. As mentioned earlier, the only company that currently distributes unblended biodiesel in North Carolina is the Grain Growers Cooperative, Inc. The group distributes 900,000 gallons of biodiesel fuel annually to retail vendors in the state, which blend the fuel and sell it to consumers. At a minimum, current biodiesel distributors will earn $900,000 in credits against their motor fuel tax liability. Since motor fuel tax is distributed 75% to the Highway Fund and 25% to the Highway Trust Fund, the credit will produce a revenue loss of $675,000 to the Highway Fund and $225,000 to the Highway Trust Fund beginning in FY 2005-06.

Box 4: Estimated Tax Credit for Distributing Biodiesel Based on Current Consumption

	FY 2004-05	FY 2005-06	FY 2006-07	FY 2007-08	FY 2008-09
REVENUES					
Biodiesel Distribution	$0	($900,000)	($900,000)	($900,000)	($900,000)

This large tax subsidy for biodiesel should encourage distributors to lower the price per gallon and make blended biodiesel competitive with diesel. A more competitive price along with the construction credits should result in additional pumps being installed to give consumers the option to buy biodiesel. To estimate the potential impact of this credit, the General Assembly's Fiscal Research Division is requesting data on the $1 per gallon biodiesel credit in Indiana. Data is not yet available on the biodiesel gallonage sold before and after this credit was enacted, but Indiana does have 24 stations selling biodiesel.

The biodiesel subsidy along with the construction credit may prompt the building of a biodiesel production facility in North Carolina. As stated above, a biodiesel plant can produce 15 million gallons a year. Assuming the facility will maintain the production of biodiesel fuel at the annual rate of 15 million gallons, the distribution of this gallonage will result in a $15 million annual tax credit starting in July 2006. This $15 million revenue loss will be distributed $11,250,000 to the Highway Fund and $3,750,000 to the Highway Trust Fund. Box 5 outlines the fiscal impact associated with credit for distributing biodiesel from a biodiesel production facility operating in North Carolina by FY2006-07.

BIODIESEL FUEL

Description

Biodiesel is a diesel replacement fuel made from feedstocks such as soybean or canola oils, animal fats, and waste vegetable oils. The feedstock is refined in a process called transesterification. In this process, the oil in the feedstock reacts with an alcohol to remove the glycerin, which is sold as a by-product. Biodiesel is registered as a fuel and fuel additive with the Environmental Protection Agency and meets clean diesel standards established by the California Air Resources Board. DOE and the U. S. Department of Transportation have designated pure Biodiesel (B 100) as an alternative fuel. The federal Energy Policy Act of 1992 requires that some of the cars and other light duty vehicles bought by certain fleets use alternative fuels, which include natural gas electricity and several other fuels as well as B 100.

Biodiesel fuel has the potential to revolutionize the motor fuel industry. For the first time, motor fuel can be manufactured from domestically produced materials, freeing dependence from foreign oil producers, and eliminating environmentally destructive drilling, super tanker transport ships, and other expensive and unsustainable practices. In addition, Biodiesel reduces pollution emissions from diesel engines up to 90%, is cleaner burning, reduces required engine maintenance, has better lubricitive properties, and (best of all), the exhaust smells like french-fried potatoes. Biodiesel is easily made from waste vegetable oil, a product of fast-food and restaurant fryers which is frequently considered a disposal problem. Many individuals are able to obtain the used oil free of charge from these establishments.

Like petroleum diesel, Biodiesel operates in compression-ignition engines. Blends of up to 20% Biodiesel mixed with petroleum diesel fuels (B 20) can be used in nearly all diesel equipment and are compatible with most storage and distribution equipment. Higher blends with up to 100% Biodiesel can be used in many engines built since 1994 with little or no modification.

Biodiesel can also be used to fuel domestic space heaters and furnaces at a substantial savings in expense. Blends of Biodiesel and regular petroleum diesel fuels are also possible. Blends of as little as 1-2% Biodiesel are shown to improve engine life and cleanliness, and concentrations of 20% Biodiesel have demonstrated the ability to reduce tailpipe emissions and smoke as much as 60%.

A significant reduction in the production of global carbon dioxide is possible if petroleum diesel fuel were largely replaced by the use of Biodiesel, which produces no net gain in CO^2. The carbon molecules present in Biodiesel once existed as free CO^2 in the atmosphere before being locked up in the growing plant's cells. Burning the esters contained in Biodiesel releases these carbon molecules back to the atmosphere where they originated. Petroleum based fuels, on the other hand, release carbon that has been trapped out of circulation for millions of years. Such additional carbon dioxide in the earth's atmosphere is generally recognized to be the cause of global warming.

Pros and Cons

The principal benefit of using Biodiesel is that it reduces most types of air emissions. Specifically, using Biodiesel in a conventional diesel engine substantially reduces emissions of unburned hydrocarbons, carbon monoxide, and particulate matter as compared to emissions from diesel fuel. In addition, the exhaust emissions of sulfur oxides and sulfates (major components of acid rain) from Biodiesel are essentially eliminated compared to diesel. These reductions increase as the amount of Biodiesel blended into diesel fuel increases.

In addition, neat Biodiesel is nontoxic and biodegradable. The oil content of the fuel helps lubricate the engine, which can increase its life. The absence of sulfur in Biodiesel can extend the life of catalytic converters.

The major disadvantage of Biodiesel is that it is substantially more expensive than petroleum diesel. DOE estimated that in February 2003 B20 cost $ 1.95 per gallon in New England, compared to $ 1.83 for diesel. In the Mid-Atlantic states in December 2003, the price of B20 was $ 1.84, compared to $ 1.59 for diesel. The difference in price depends on the feedstock, the location of the refinery and customer, and the quantity of diesel that is purchased. Biodiesel produced from waste vegetable oil is substantially less expensive than that produced from virgin soybean oil, although it is still more expensive than petroleum diesel.

While Biodiesel reduces most air emissions, it can increase nitrogen oxides (NOx) emissions. These emissions increase with the concentration of Biodiesel in the fuel. Some Biodiesel feedstocks produce more NOx than others, and some additives have shown promise in mitigating these increases. NOx, like unburned hydrocarbons, is a precursor to ozone (smog).

In addition, Biodiesel can damage rubber hoses in some engines, particularly in cars built before 1994. Finally, Biodiesel cleans dirt from the engine, which then collects in the fuel filter and can clog it. Clogging occurs most often when Biodiesel is first used after a period of operation with petroleum diesel, so filters should be changed after the first several hours of Biodiesel use.

Where Biodiesel Is Being Used

Biodiesel is widely used in Europe, where many passenger vehicles are diesel powered. There are approximately 40 refineries in the European Union producing up to 1.4 million metric tons of Biodiesel annually. These plants are mainly located in Germany, Italy, Austria, France and Sweden, each of which has legislation to promote and regulate the use of Biodiesel. In France, all diesel fuel sold contains 5% Biodiesel.

More than 400 U. S. vehicle fleets currently use Biodiesel commercially, including the four branches of the military, dozens of school districts, Yellowstone National Park, several city bus systems, and several universities including Harvard and the University of Michigan.

Dozens of states have passed legislation favorable to Biodiesel in recent years, ranging from tax exemptions to infrastructure incentives. In 2002, Minnesota enacted the first-ever statewide law requiring the state's diesel fuel to be comprised of 2% Biodiesel.

Biodiesel Procedure

Any form of fatty oils from vegetable or animal sources can be converted into useable fuel. These oils contain esters, which are the part that is valuable as fuel, and glycerin, which is a waste product in the fuel production, but a potentially valuable substance when used in the production of soaps, lotions, skin oils, and more. The process of separating these elements from the oil is called transesterification, and afterwards, the esters (fuel) and glycerin form stratified layers in the reaction vessel, and are simply drained off to their respective storage containers. If not utilized as a product in its own right, the glycerin can simply be composted. Production of Biodiesel produces no pollutants. In fact, Biodiesel itself is non-toxic and biodegradable. It can be handled and stored exactly like petroleum fuels.

Simply described, a measured volume of vegetable oil is mixed with a solution of methanol and household lye (sodium hydroxide). This mixture is then heated, stirred for an interval, and then allowed to settle. Approximately 80% of the oil volume becomes fuel, and the remainder is glycerin, fatty acids, and other useless materials. Further adjustments to the pH of the fuel product, and "washing" to remove free fatty acids and excess methanol and unreacted lye are required, and are also not difficult to accomplish. The product of this process usually requires no further finishing and is useable as fuel immediately.

Several chemical processes can be used to make methyl ester (Biodiesel), depending on the materials available, the quality of the product desired, and the complexity of the process. Ethanol (grain alcohol) can be substituted for the methanol. Although the purchase price is higher, ethanol is considered to produce a superior grade of fuel. Potassium hydroxide can be used in place of sodium hydroxide, which results in the glycerin being a superior fertilizer for plants when composted. There are some processes (patented) which use a two-stage method utilizing acid (usually sulfuric acid) for the first step, and a base such as lye for the second. This process has the advantage of being "foolproof", and results in fuel that has a neutral pH. Researchers are perfecting a continuous process that does not require batch processing. Various methods can be used to reclaim and reuse the methanol used for the reaction.

Biodiesel can also be made from virgin feedstock, and when properly produced and refined, the "waste" glycerin can be sold as food-grade, suitable for use in foods, cosmetics, soaps, and pharmaceutical purposes. Food grade glycerin is quite valuable, and can sell for many times the price of the fuel produced.

Referred to:

May 31, 2004

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR PUBLICATION, MONITORING, AND REPORTING ON ECONOMIC DEVELOPMENT INCENTIVE CLAWBACKS; TO PROVIDE FOR FIRST SOURCE HIRING AGREEMENTS FOR INCENTIVE GRANTS AND LOANS; AND TO PROVIDE THAT THE RESEARCH AND DEVELOPMENT TAX CREDIT IS NOT ALLOWED TO EMPLOYERS WHO SUBSTANTIALLY REDUCE JOBS IN NORTH CAROLINA.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-129.6(b) reads as rewritten:

"(b) Reports. – The Department of Revenue shall publish by March 1 of each year the following information itemized by credit and by taxpayer for the 12-month period ending the preceding December 31:

(1) The number of claims for each credit allowed in this Article.

(2) The number and enterprise tier area of new jobs with respect to which credits were generated and to which credits were claimed.

(3) The cost and enterprise tier area of machinery and equipment with respect to which credits were generated and to which credits were claimed.

(4) The number of new jobs created by businesses located in development zones, and the percentage of jobs at those locations that were filled by residents of the zones.

(5) The amount and enterprise tier area of worker training expenditures with respect to which credits were generated and to which credits were claimed.

(6) The amount and enterprise tier area of new research and development expenditures with respect to which credits were generated and to which credits were claimed.

(7) The cost and enterprise tier area of real property investment with respect to which credits were generated and to which credits were claimed.

(8) The number and amount of credits forfeited under G.S. 105-129.4(d) and the reason for the forfeiture.

(9) The number and amount of assessments for credits erroneously claimed under this Article that are not included in subdivision (8) of this subsection."

SECTION 2. G.S. 105-129.10 is amended by adding a new subsection to read:

"(d) Limitation. – If the lowest number of the taxpayer's full-time employees in this State during the taxable year is less than eighty-five percent (85%) of the highest number of the taxpayer's full-time employees in this State at any time during the five preceding taxable years, a taxpayer is neither allowed a credit under this section for the taxable year nor may the taxpayer claim a carryforward of a credit earned in a previous year."

SECTION 3. Article 10 of Chapter 143B of the General Statutes is amended by adding the following new sections to read:

"**§ 143B-435.1. Clawbacks.**

(a) Clawback Defined. – For the purpose of this Article, a clawback is a requirement that all or part of an economic development incentive will be returned if the recipient business does not fulfill its responsibilities under the incentive law, contract, or both.

(b) Findings. – The General Assembly finds that in order for a clawback to be effective, there must be monitoring and reporting regarding the business' performance of its responsibilities and a mechanism for obtaining repayment if the clawback is triggered. Clawback provisions are essential to protect the State's investment in a private business and ensure that the public benefits from the incentive will be secured.

(c) Catalog. – The Department of Commerce shall catalog all clawbacks in State and federal programs it administers, whether provided by statute, by rule, or under a contract. The catalog must include a description of each clawback, the program to which it applies, and a citation to its source. The Department shall publish the catalog on its web site and update it every six months.

(d) Report. – The Department of Commerce shall report to the Revenue Laws Study Committee by April 1 and October 1 of each year on all clawbacks that have been triggered under programs it administers and its progress on obtaining repayment. The report must include the name of each business, the event that triggered the clawback, and the amount to be repaid.

"**§ 143B-435.2. First source hiring.**

In order for a business to be eligible for a direct economic development grant or loan under this Article for the purposes of job creation or from the One North Carolina Industrial Recruitment Competitive Fund, the business must have entered into a first source hiring contract to utilize the State Employment Security Commission and any cooperating local agency as a first source for recruitment and referral of applicants for

new and replacement employment associated with the grant or loan. To meet the first source hiring requirement under the contract, the business must allow the agency three days to refer applicants. Upon request of the business in the case of an emergency, the agency may waive the three-day period. Under the contract, the business must interview and consider qualified candidates referred by the agency concurrently with interviewing other candidates. The Secretary of Commerce may waive this requirement for projects in enterprise tiers one and two and in areas of especially severe economic distress, as determined by the Secretary."

SECTION 4. Section 2 of this act is effective for business activities occurring on or after January 1, 2004. The remainder of this act becomes effective July 1, 2004.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE THAT THE RESEARCH AND DEVELOPMENT TAX CREDIT IS NOT ALLOWED TO EMPLOYERS WHO SUBSTANTIALLY REDUCE JOBS IN NORTH CAROLINA.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-129.10 is amended by adding a new subsection to read:

"(d) Limitation. – A taxpayer is not allowed a credit under this section for the taxable year if the lowest number of the taxpayer's full-time employees in this State during the taxable year is more than fifteen percent (15%) below the highest number of the taxpayer's full-time employees in this State at any time during the five preceding taxable years."

SECTION 2. This act becomes effective for taxable years beginning on or after January 1, 2004.

House Bill 1760:
Clawback Failed Incentives

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	
Date:	June 25, 2004	**Analysis by:**	Y. Canaan Huie
Version:	H1760-CSLYx-38		Staff Attorney

SUMMARY: This bill would disallow a credit under the Bill Lee Act for research and development, and a carryforward of such a credit, if a taxpayer experiences a significant job loss. This bill would also require monitoring, reporting, and publication of economic development incentive clawbacks and would require first source hiring agreements for economic development agreements.

ANALYSIS:

Research and Development Credit. The William S. Lee Quality Jobs and Business Expansion Act (hereinafter Bill Lee Act) was enacted in 1996, effective beginning with the 1996 tax year with a 2002 sunset. The Act is a package of State tax incentives primarily in the form of tax credits for investment in machinery and equipment and real property, for job creation, for worker training, and for research and development. In order to be eligible for a credit under the Act, the taxpayer must satisfy certain eligibility requirements with regards to the activity of the business, wages paid to employees, the provision of health insurance to employees, the business's environmental and safety records, and the business's record of tax compliance.

Under the Bill Lee Act, a taxpayer is allowed a credit for increasing expenditures for research and development activities. The research and development tax credit uses the federal credit for research and development as its starting point. The credit is equal to 5% of the State's apportioned share of the taxpayer's expenditures for increasing research and development. The credit is based on the federal credit as of January 1, 1999. In the past, the federal credit had expired and then been renewed retroactively, creating uncertainty for taxpayers. Expiration of the federal credit will not affect the State credit. If the federal credit is later modified, the General Assembly can consider whether to update its cross-reference to adopt the federal modifications. This credit has a carryforward period of 15 years rather than the standard 5-year period. There is currently no requirement for this credit related to the retention of jobs in the State.

This bill would disallow a credit to a taxpayer if that taxpayer had a significant reduction in its labor force in this State. Under this bill, if a taxpayers employment level in this State was less than 85% of its highest amount over the preceding five years, the taxpayer would not be eligible for a credit. In addition, this bill would prohibit a taxpayer from taking a carryforward of a credit earned in a previous year when the taxpayer experiences a job loss of this magnitude.

This part of the bill would become effective for business activities occurring on or after January 1, 2004.

Clawbacks. This bill defines a "clawback" as a requirement that all or part of an economic development incentive be returned if a recipient does not fulfill the requirements related to the receipt of the incentive. Many of the State's economic development incentive programs contain clawbacks. Examples of clawbacks include the following:

1. Under the Bill Lee Act, a credit may expire or be forfeited if certain conditions are not satisfied. If a credit expires, a taxpayer may not take any remaining installments of the credit, but is not

required to pay back installments of the credit previously taken. If a credit is forfeited, a taxpayer is required to pay all taxes previously avoided due to the credit.

2. Agreements under the Job Development Investment Grant Program must contain a provision requiring the repayment of all grant proceeds if the business does not maintain operations in the State for a period of at least 150% of the term of the agreement. These agreements may contain other clawback provisions.
3. Under the One North Carolina Fund, agreements contain a provision requiring recapture of grant funds if a business fails to act in accordance with the agreement.

This bill would require the Department of Commerce to catalog and report on all clawbacks in State and federal programs it administers. The catalog would include a description of each clawback, the program to which it applies, and a citation to its source. The Department would be required to report the catalog on its website and update it every six months. The Department would report to the Revenue Laws Study Committee by April 1 and October 1 each year on all clawbacks. Similarly, the bill would require the Department of Revenue to report on forfeitures or assessments related to credits taken under the Bill Lee Act. This report would be part of a larger report that the Department of Revenue is currently required to publish by March 1 of each year.

This part of the bill would become effective July 1, 2004.

First Source Hiring. This bill would require a recipient of an economic development grant or loan administered by the Department of Commerce to enter into a first source hiring contract to utilize the Employment Security Commission and its local agency for recruitment and referral of new workers. Under such a contract, the business would agree to allow the ESC or its local agency three days to refer applicants for open positions. This requirement could be waived in emergency situations. The business would be required to interview and consider qualified candidates referred by the ESC or local agencies concurrently with interviewing other candidates. The requirement of a first source hiring agreement could be waived by the Secretary of Commerce in enterprise tier areas one and two and in areas of especially severe economic distress. The first source hiring agreement would not require that the business hire employees from any particular group of applicants – it would merely require that one specific group be considered first.

This part of the bill would become effective July 1, 2004.

FISCAL IMPACT

Yes (x) **No ( )** **No Estimate Available ( )**

	FY 2004-05	FY 2005-06	FY 2006-07	FY 2007-08	FY 2008-09
REVENUES					
State General Fund	(See "Assumptions and Methodology")				

PRINCIPAL DEPARTMENT AFFECTED: Department of Commerce and Department of Revenue.

BILL SUMMARY: Research and Development Tax Credit. Under the current Bill Lee Act (tax incentives for industry recruitment), there is a credit for research and development expenditures. This credit applies to companies in certain industry classifications. The Bill Lee Act sunsets January 1, 2006.

The bill specifies that a credit is not allowed in cases where the lowest number of the taxpayer's full time employees in the State is more than 15% below the highest number of the taxpayer's employees in the State at any time in the previous five years. The disallowance applies both to the credit for activity during the tax year and the carryforward of a credit from a prior year. A carryforward can occur when the credit claimed in a given year exceeds 50% of the tax due.

The change is effective for tax years beginning on or after January 1, 2004.

Bill Lee Act clawbacks. The bill requires monitoring, reporting, and publication of economic development incentive clawbacks and requires first source hiring agreements for economic development agreements. *Source: Bill Drafting*

ASSUMPTIONS AND METHODOLOGY: Research and development tax credit. We do not have access to current employment data of various companies (data is a few months old) and we do not have any way of knowing how the employment levels for individual companies will change during the remainder of 2004 and future years. However, based on a review of news reports of potential layoffs, employment rankings of various financial publications (*Business North Carolina, Triangle Business Journal*), and the Bill Lee Act tabulations of the Department of Revenue for credits generated and credits claimed for tax returns processed during 2002 and 2003, it appears that the bill may eliminate a substantial amount of the credits for a small number of companies. Of this group, only 1 or 2 companies have significant R & D credits.

It is difficult to determine the relevance of the DOR reporting data on the R & D tax credit due to the ongoing activities of the Project Compliance program (audits of Bill Lee Act credits) as well as the year to year volatility of the carry forward loss amount. It is possible, based on the review of the DOR data that the revenue impact during the next couple of years could be over $2 million of reduced credits.

The impact could continue past the January 1, 2006 sunset of the Bill Lee Act due to the language that applies the credit disallowance to carry forward credits.

Bill Lee Act clawbacks.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR PUBLICATION, MONITORING, AND REPORTING ON ECONOMIC DEVELOPMENT INCENTIVE CLAWBACKS AND TO PROVIDE FOR FIRST SOURCE HIRING AGREEMENTS FOR INCENTIVE GRANTS AND LOANS.

The General Assembly of North Carolina enacts:

SECTION 1.(a) Article 10 of Chapter 143B of the General Statutes is amended by adding the following new sections to read:

"**§ 143B-435.1. Clawbacks.**

(a) Clawback Defined. – For the purpose of this Article, a clawback is a requirement that all or part of an economic development incentive will be returned if the recipient business does not fulfill its responsibilities under the incentive law, contract, or both.

(b) Findings. – The General Assembly finds that in order for a clawback to be effective, there must be monitoring and reporting regarding the business' performance of its responsibilities and a mechanism for obtaining repayment if the clawback is triggered. Clawback provisions are essential to protect the State's investment in a private business and ensure that the public benefits from the incentive will be secured.

(c) Catalog. – The Department of Commerce shall catalog all clawbacks in State and federal programs it administers, whether provided by statute, by rule, or under a contract. The catalog must include a description of each clawback, the program to which it applies, and a citation to its source. The Department shall publish the catalog on its web site and update it every six months.

(d) Report. – The Department of Commerce shall report to the Revenue Laws Study Committee by April 1 and October 1 of each year on all clawbacks that have been triggered under programs it administers and its progress on obtaining repayment. The

report must include the name of each business, the event that triggered the clawback, and the amount to be repaid.

"**§ 143B-435.2. First source hiring.**

In order for a business to be eligible for an economic development grant or loan under this Article or from the One North Carolina Industrial Recruitment Competitive Fund, the business must have entered into a first source hiring contract to utilize the State Employment Security Commission and any cooperating local agency as its first source for recruitment and referral of applicants for new and replacement employment. Under the contract, the business must allow the agency three days to refer applicants. Upon request of the business in the case of an emergency, the agency may waive the three-day period. Under the contract, the business must interview and consider qualified candidates referred by the agency before interviewing other candidates. The term of the first source contract must be at least as long as the term of the grant or loan agreement under this Article. The Secretary of Commerce may waive this requirement for projects in enterprise tiers one and two and in areas of especially severe economic distress, as determined by the Secretary."

SECTION 1.(b) There is appropriated from the General Fund to the Department of Commerce the sum of seven thousand dollars ($7,000) for the 2004-2005 fiscal year to implement this section.

SECTION 2.(a) G.S. 105-129.6(b) reads as rewritten:

"(b) Reports. – The Department of Revenue shall publish by March 1 of each year the following information itemized by credit and by taxpayer for the 12-month period ending the preceding December 31:

(1) The number of claims for each credit allowed in this Article.

(2) The number and enterprise tier area of new jobs with respect to which credits were generated and to which credits were claimed.

(3) The cost and enterprise tier area of machinery and equipment with respect to which credits were generated and to which credits were claimed.

(4) The number of new jobs created by businesses located in development zones, and the percentage of jobs at those locations that were filled by residents of the zones.

(5) The amount and enterprise tier area of worker training expenditures with respect to which credits were generated and to which credits were claimed.

(6) The amount and enterprise tier area of new research and development expenditures with respect to which credits were generated and to which credits were claimed.

(7) The cost and enterprise tier area of real property investment with respect to which credits were generated and to which credits were claimed.

(8) The number and amount of credits forfeited under G.S. 105-129.4(d) and the reason for the forfeiture.

(9) The number and amount of assessments for credits erroneously claimed under this Article that are not included in subdivision (8) of this subsection."

SECTION 2.(b) There is appropriated from the General Fund to the Department of Revenue the sum of seven thousand dollars ($7,000) for the 2004-2005 fiscal year to implement this section.

SECTION 3. This act becomes effective July 1, 2004.

SENATE BILL 1414

Short Title:	Medical Board Fees.	(Public)
Sponsors:	Senator Purcell.	
Referred to:	Finance.	

May 28, 2004

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE AN INCREASE IN CERTAIN MEDICAL BOARD FEES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 90-15 reads as rewritten:

"**§ 90-15. License fee; salaries, fees, and expenses of Board.**

Each applicant for a license to practice medicine and surgery in this State under either G.S. 90-9, 90-10, or 90-13 ~~by examination~~ shall pay to the North Carolina Medical Board ~~a fee which shall be prescribed by the Board in an amount not exceeding the sum of four hundred dollars ($400.00) plus the cost of test materials before being admitted to the examination. Whenever a license is granted without examination, as authorized in G.S. 90-13, the applicant shall pay to the Board a fee in an amount to be prescribed by the Board not in excess of two hundred fifty dollars ($250.00).~~ an application fee of three hundred fifty dollars ($350.00). Whenever a limited license is granted as provided in G.S. 90-12, the applicant shall pay to the Board a fee not to exceed one hundred fifty dollars ($150.00), except where a limited license to practice in a medical education and training program approved by the Board for the purpose of education or training is granted, the applicant shall pay a fee of ~~twenty-five dollars ($25.00),~~ one hundred dollars ($100.00), and where a limited license to practice medicine and surgery only at clinics that specialize in the treatment of indigent patients is granted, the applicant shall not pay a fee. A fee of twenty-five dollars ($25.00) shall be paid for the issuance of a duplicate license. All fees shall be paid in advance to the North Carolina Medical Board, to be held in a fund for the use of the Board. The compensation and expenses of the members and officers of the Board and all expenses proper and necessary in the opinion of the Board to the discharge of its duties under and to enforce the laws regulating the practice of medicine or surgery shall be paid out of the fund, upon the warrant of the Board. The per diem compensation of Board members shall not exceed two hundred dollars ($200.00) per day per member for time spent in the performance and discharge of duties as a member. Any unexpended sum or sums of

money remaining in the treasury of the Board at the expiration of the terms of office of the members of the Board shall be paid over to their successors in office.

For the initial and annual registration of an assistant to a physician, the Board may require the payment of a fee not to exceed a reasonable amount."

SECTION 2. G.S. 90-15.1 reads as rewritten:

"**§ 90-15.1. Registration every year with Board.**

Every person licensed to practice medicine by the North Carolina Medical Board shall register annually with the Board within 30 days of the person's birthday. A person who registers with the Board shall report to the Board the person's name and office and residence address and any other information required by the Board, and shall pay a registration fee of ~~one hundred twenty-five dollars ($125.00).~~ one hundred seventy-five dollars ($175.00). A physician who is not actively engaged in the practice of medicine in North Carolina and who does not wish to register the license may direct the Board to place the license on inactive status. For purposes of annual registration, the Board shall use a simplified registration form which allows registrants to confirm information on file with the Board. A physician who fails to register as required by this section shall pay an additional fee of ~~twenty dollars ($20.00)~~ fifty dollars ($50.00) to the Board. The license of any physician who fails to register and who remains unregistered for a period of 30 days after certified notice of the failure is automatically inactive. Except as provided in G.S. 90-12(d), a person whose license is inactive shall not practice medicine in North Carolina nor be required to pay the annual registration fee. Upon payment of all accumulated fees and penalties, the license of the physician may be reinstated, subject to the Board requiring the physician to appear before the Board for an interview and to comply with other licensing requirements. The penalty may not exceed the maximum fee for a license under G.S. 90-13."

SECTION 3. This act becomes effective November 1, 2004.

SENATE BILL 1414:
Medical Board Fees

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Sen. Purcell
Date:	June 25, 2004	**Summary by:**	Cindy Avrette
Version:	1st Edition		Committee Counsel

SUMMARY: ***Senate Bill 1414 increases various Medical Board licensing fees. The bill becomes effective November 1, 2004.***

BILL ANALYSIS: Senate Bill 1414 increases the following fees imposed by the North Carolina Medical Board, effective November 1, 2004:

	Current Fee Amount	Proposed Fee Amount
License to practice medicine by examination (GS 90-9 and GS 90-10)	Up to $400 plus the cost of the examination materials	$350
License to practice medicine without examination (GS 90-13)	Up to $250	$350
Resident training license (GS 90-12) *(License to practice in a medical education and training program)*	$25	$100
Annual registration fee to practice medicine (GS 90-15.1)	$125	$175
Additional fee for late registration	$20	$50

BACKGROUND: The North Carolina Medical Board issued a report in May 2004 documenting the reasons for its request for fee increases. The Board currently employs 40 people divided among nine different departments. It services a population of 21,462 in-state physicians, 7,766 out-of-state physicians, 2,414 physician assistants, 2,185 nurse practitioners, and 57 clinical pharmacist practitioners.

In its report, the Medical Board notes that its Licensing Department has .28 full time employees (FTE) per 1,000 practicing in-state physicians. The national average is .65 FTEs per 1,000 physicians. The Investigative Department has .85 FTEs per 1,000 physicians; the national average is 1.46. Based on the current workload of the Legal Department, the Board believes it needs one additional attorney and one additional staff person in that department. The Board also believes the Medical Director needs the assistance of a part-time staff physician to assist in its review of complaints, malpractice payment reports, and investigations.

By the year 2005, the expenses of the Board will exceed revenues without any staff increases and with only modest increases for inflation and salaries. The Board believes the fee increases requested in this bill will give it the resources necessary to meet its needs until the year 2010.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: NC Medical Board

EFFECTIVE DATE: This act becomes effective November 1, 2004.

BILL SUMMARY: The proposed bill amends GS 90-15 to increase the fee to practice medicine and surgery and to increase the fee for limited license to practice in a medical education and training program. The bill amends GS 90-15.1 to increase the annual registration fee for the practice of medicine and the penalty for failure to register.

ASSUMPTIONS AND METHODOLOGY:

Justification for Fee Increase

According to the NC Medical Board (Board) report issued in May 2004, the main reason for the fee increase is the necessity to meet the Board's growing staffing requirements. In particular, the report indicates that the Board's Licensing Department has .28 full time employees (FTEs) per 1,000 practicing in-state physicians, which is below the national average of .65 FTEs. Similarly, the employees-physicians ratio in the Board's Investigative Department is .85 FTEs per 1,000 physicians that is below the national average of 1.46 FTEs per 1,000 physicians. The report also cites the Board's Legal Department is being understaffed. During the past five years, the number

of cases referred to the Legal department has increased by 60 percent. Furthermore, the Legal Department staff responds to numerous outside inquiries from members of the public, physicians, and attorneys. In addition, the Legal Department advises the Board in connection with internal matters such as investigations, licensing applications, and committee reports. Currently the Legal Department does not have adequate human resources to effectively handle its workload, which leads to increasing number of pending cases. As of May 2004, there were 208 such cases.

To meet its current workload requirement, the Board needs one additional attorney and one additional staff person in that department. The Board's Medical Director also needs a part-time staff physician to assist in complaint review, malpractice payment reports, and investigations.

According to the Board's estimate by the year 2005, its expenses will exceed revenues with only conservative adjustments for inflation and salaries, even if no additional staff is hired. The Board believes the fee increases requested in this bill will give it the resources necessary to meet its needs until the year 2010.

According to the Board, the amount of requested fees increase is reasonable. Thus, North Carolina ranks 10th in physician population but only 38th in annual registration fees. Even with an increase to $175, the state would be ranked 22nd in annual registration fees and its registration fee would be comparable to the national average of $171. The national average application fee for license by endorsement is $317 and for a license by examination is $328. A fee of $350 for both types of licenses, requested by the Board, would more closely mirror the national average and would more closely approximate the actual costs to process these applications, according the Board's estimate.

Proposed Fee Changes

The changes in fees requested by the Board are presented in Table 1.

Table 1. Proposed Fee Changes

Fee	Current Fee	Proposed Fee
License to practice medicine by examination (GS 90-9 and GS 90-10)	Up to $400	$350
License to practice medicine without examination (GS 90-13)	Up to $250	$350
Resident training license (GS 90-12)(License to practice in a medical education and training program)	$25	$100
Annual registration fee to practice medicine (GS 90-15.1)	$125	$175
Additional fee for late registration	$20	$50

Table 2 contains information for the last five years on the number of licenses for each category, the number of physicians who registered late, as well as the average percentage change for each category, based on the five-year data.

Table2. Change in Number and Percentage of Licenses

License type	1999	2000	2001	2002	2003	Average Percent Change
License to practice medicine by examination	352	396	390	420	340	-0.1%
License to practice medicine without examination	1,278	1,213	1,329	1,196	1,168	-2.0%
Resident training license	1,412	1,583	1,667	1,744	2,001	9.2%
Annual registration fee to practice medicine	26,295	28,735	25,963	26,581	27,307	1.2%
Additional fee for late registration	N/A	N/A	N/A	1,444	1,665	15.3%

For this analysis, it is assumed that the number of licenses for each category will continue to change at the same average rate as shown in Table 2. Based on this rate, Table 3 provides estimates of the annual revenue for the next five years generated from issuing the licenses at current rates.

Table3. Estimated Revenue from Licenses at the Current Rate

License type	FY 2004-05	FY 2005-06	FY 2006-07	FY 2007-08	FY 2008-09
License to practice medicine by examination	$135,874	$135,748	$135,622	$135,497	$135,371
License to practice medicine without examination	$286,254	$280,620	$275,098	$269,684	$264,377
Resident training license	$54,624	$59,645	$65,129	$71,116	$77,654
Annual registration fee to practice medicine	$3,453,859	$3,494,823	$3,536,273	$3,578,214	$3,620,653
Additional fee for late registration	$38,396	$44,273	$51,049	$58,862	$67,870
Total	**$3,969,007**	**$4,015,110**	**$4,063,171**	**$4,113,373**	**$4,165,926**

Finally, Table 4 provides estimates of the annual revenue for the next five years generated from issuing the licenses at proposed rates and annual revenue gain for the Board.

Table4. Estimated Revenue from Licenses at the Current Rate

License type	FY 2004-05	FY 2005-06	FY 2006-07	FY 2007-08	FY 2008-09
License to practice medicine by examination	$118,890	$118,780	$118,670	$118,560	$118,450
License to practice medicine without examination	$400,755	$392,869	$385,137	$377,558	$370,128
Resident training license	$218,495	$238,582	$260,515	$284,464	$310,615

SENATE BILL 277
Finance Committee Substitute Adopted 5/15/03
Third Edition Engrossed 5/20/03

Short Title: Exempt Higher Ed. Property. (Public)

Sponsors:

Referred to:

March 4, 2003

A BILL TO BE ENTITLED

AN ACT TO EXEMPT FROM PROPERTY TAX EDUCATIONAL PROPERTY HELD BY A NONPROFIT ENTITY FOR A PUBLIC OR PRIVATE UNIVERSITY OR COMMUNITY COLLEGE LOCATED IN NORTH CAROLINA.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-278.4 reads as rewritten:

"**§ 105-278.4. Real and personal property used for educational purposes.**

(a) Buildings. – Buildings, the land they actually occupy, and additional land reasonably necessary for the convenient use of any such building shall be exempted from taxation ~~if:~~ if all of the following requirements are met:

(1) Owned by ~~an educational institution (including a university, college, school, seminary, academy, industrial school, public library, museum, and similar institution);~~ either of the following:
   a. An educational institution; or
   b. A nonprofit entity for the sole benefit of a constituent or affiliated institution of The University of North Carolina, an institution as defined in G.S. 116-22, a North Carolina community college, or a combination of these;

(2) The owner is not organized or operated for profit and no officer, shareholder, member, or employee of the owner or any other person is entitled to receive pecuniary profit from the owner's operations except reasonable compensation for services;

(3) Of a kind commonly employed in the performance of those activities naturally and properly incident to the operation of an educational institution such as the owner; and

(4) Wholly and exclusively used for educational purposes by the owner or occupied gratuitously by another nonprofit educational institution ~~(as~~

~~defined herein)~~ and wholly and exclusively used by the occupant for nonprofit educational purposes.

(b) Land. – Land (exclusive of improvements); and improvements other than buildings, the land actually occupied by such improvements, and additional land reasonably necessary for the convenient use of any such improvement shall be exempted from taxation if:

(1) Owned by an educational institution that owns real property entitled to exemption under the provisions of subsection (a), above;

(2) Of a kind commonly employed in the performance of those activities naturally and properly incident to the operation of an educational institution such as the owner; and

(3) Wholly and exclusively used for educational purposes by the owner or occupied gratuitously by another nonprofit educational institution (as defined herein) and wholly and exclusively used by the occupant for nonprofit educational purposes.

(c) Partial Exemption. – Notwithstanding the exclusive-use requirements of subsections (a) and (b), above, if part of a property that otherwise meets the requirements of one of those subsections is used for a purpose that would require exemption if the entire property were so used, the valuation of the part so used shall be exempted from taxation.

(d) Public Use. – The fact that a building or facility is incidentally available to and patronized by the general public, so long as there is no material amount of business or patronage with the general public, ~~shall~~ does not defeat the exemption granted by this section.

(e) Personal Property. – Personal property owned by a church, a religious body, or an educational institution ~~(including a university, college, school, seminary, academy, industrial school, public library, museum, and similar institution)~~ shall be exempted from taxation if:

(1) The owner is not organized or operated for profit, and no officer, shareholder, member, or employee of the owner, or any other person is entitled to receive pecuniary profit from the owner's operations except reasonable compensation for services; and

(2) Used wholly and exclusively for educational purposes by the owner or held gratuitously by a church, religious body, or nonprofit educational institution ~~(as defined herein)~~ other than the owner, and wholly and exclusively used for nonprofit educational purposes by the possessor.

(f) Definitions. – The following definitions apply in this section:

(1) Educational institution. – The term includes a university, a college, a school, a seminary, an academy, an industrial school, a public library, a museum, and similar institutions.

(2) Educational purpose. – A purpose ~~An educational purpose within the meaning of this section is one~~ that has as its objective the education or instruction of human beings; it comprehends the transmission of information and the training or development of the knowledge or skills

of individual persons. The operation of a student housing facility, a student dining facility, a golf course, a tennis court, a sports arena, a similar sport property, or a similar recreational sport property for the use of students or faculty is also an educational purpose, regardless of the extent to which the property is also available to and patronized by the general public."

SECTION 2. G.S. 105-381(a)(1) reads as rewritten:

"(1) For the purpose of this subsection, a valid defense shall include the following:

a. A tax imposed through clerical error;

b. An illegal tax;

c. A tax levied for an illegal purpose.

d. A tax that has been repealed retroactively."

SECTION 3. This act is effective for taxes imposed for taxable years beginning on or after July 1, 2001.

SENATE BILL 277:
Exempt University Trust Property

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	Senator Rand
Date:	June 28, 2004	**Analysis by:**	Martha Walston
Version:	3rd Edition		Committee Counsel

SUMMARY: SB 277 exempts from property tax educational property held by a nonprofit entity for the sole benefit of a public or private university located in the State, a community college, or a combination of these entities.

SB 277 expands the definition of educational purposes to include the operation of a student housing facility or a student dining facility.

The bill is effective retroactively to July 1, 2001.

CURRENT LAW: Under current law, real property used for educational purposes is exempt from property tax only if the property meets all of the following requirements:

- It is owned by an educational institution. "Educational institution" includes a university, college, school, seminary, academy, industrial school, public library, museum and similar institution.
- The owner is not organized or operated for profit.
- The property is of a kind commonly employed in the performance of activities that are incident to the operation of an educational institution.
- The property is exclusively used for educational purposes by the owner or occupied gratuitously by another nonprofit educational institution and used exclusively for non-profit educational purposes. "Educational purpose" includes one that has as its objective the education or instruction of human beings, or comprehends the transmission of information and the training or development of knowledge or skills of individual persons. The term also includes the operation of a golf course, tennis court, sports arena, similar sports property or similar recreational sport property for the use of students or faculty, regardless of the extent to which the general public uses the property.

BILL ANALYSIS: Senate Bill 277 expands the property tax exemption for educational institutions to also include real property owned by a non-profit entity for the sole benefit of:

- A constituent or affiliated institution of The University of North Carolina.
- An institution as defined in G.S. 116-22 which includes an institution with a main permanent campus in the State that is not owned or operated by the State and is accredited by the Southern Association of Colleges and Schools, awards a postsecondary degree, and is not a seminary, Bible school, Bible college or similar religious institution.

- A community college.
- Any combination of these.

In addition, the bill amends the definition of "educational purpose" to include the operation of a student housing facility or a student dining facility.

The bill also makes other clarifying changes.

Finally, the bill is effective retroactively to July 1, 2001 and provides that a taxpayer may assert as a valid defense to the enforcement of the collection of a tax that the tax has been repealed retroactively.

EFFECTIVE DATE: The bill is effective retroactively for taxes imposed for taxable years beginning on or after July 1, 2001.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue, Property Tax Division, the University System, the Community College System, and local governments.

EFFECTIVE DATE: Effective for taxable years beginning July 1, 2001.

BILL SUMMARY: The bill expands the ownership requirements for a property tax exemption for an educational institution to include ownership by a nonprofit entity that holds the property for the benefit of a constituent or affiliated institution of the University of North Carolina or a community college. It also makes this change retroactive to July 1, 2001.

ASSUMPTIONS AND METHODOLOGY: The fiscal impact of the bill is determined by the location and corporate structure of properties related to the University System and the Community College System. In terms of the University System, there are 16 constituent institutions of the University of North Carolina. There are also five (5) affiliated institutions – the University Hospitals, the Arboretum (Asheville), the School of Science and Math (Durham) the NC School for the Arts, and the WUNC public television station. Should any of these organizations choose to form

a nonprofit entity to hold property in trust, that property would now become exempt. As such, the legislation puts these properties held in trust in the same category, for local tax purposes, as the constituent institutions themselves. To date, only six (6) of the constituent institutions have formed these organizations and acquired property. The institutions, the amount of acreage held, and the value of that property are as follows:

Institution	Acreage of Non-State Land	Exempt	Assoc. Tax Value
Appalachian State University	37.3	No	24,314,800
Fayetteville State University	5.2	Yes	1,617,500
NC School of the Arts	4.3	Yes	6,110,000
NC A&T State University	2.0	Yes	4,610,400
UNC - Pembroke	13.0	Yes	8,315,000
Winston-Salem State University	3.3	Yes	374,500

University General Administration also reports the North Carolina Central University is also in the process of developing this type of non-profit structure. A similar structure may also be in development for the School for the Arts in Winston-Salem.

According to data compiled by UNC General Administration, all but one of the properties listed above are exempt from taxation, either through a decision of the assessor or county commission. In the case of Winston-Salem State University and North Carolina A&T University, the property is being exempted because it is held by the university's own foundation. The property held for Appalachian State University is in dispute, as it is owned by a nonprofit other than the university foundation. The county and the city of Boone have deemed the property taxable. The university appealed to the North Carolina Property Tax Commission, which ruled in favor of the local governments. The Appalachian case is now on appeal to the court system. If the local governments prevail in the Appalachian case, the bill will have the effect of removing the property from the local tax rolls. Using the current property tax rates, local officials estimate annual losses of approximately $200,000 for Watagua County and the Town of Boone, although the university system uses a lower estimate.

In future years, the losses could grow substantially if the university system shifts more of its projects to this new structure. As a result, the $200,000 loss noted above is a minimum annual estimate. However, because the bill makes the change retroactive the impacted local governments would have to refund two years of taxes already paid by the universities and affiliated institutions, thus tripling the cost in the first year.

The second impact relates to the community colleges. On May 12, 2003, the community college system office surveyed all 58 community colleges to determine the potential impact of exempting property used for community colleges, that is not already exempt, that may become exempt under the bill. Of the 44 responding institutions, four colleges and the community college foundation office indicated that they utilize property that may become exempt under the legislation. The institutions and associated available information are shown below:

Institution	Current Property Owner	Tax Value	Revenue Loss
Lenoir Community College	LeGrange Redevelopment Foundation	16,500	206
Cape Fear Community College	Individuals	unknown	unknown
	Storage World	unknown	unknown
Mitchell Community College	Davis Hospital Foundation	471,000	4,145
Roanoke Chowan Comm. College	CADA	unknown	unknown
	Family Life Center	unknown	unknown
NC Comm. College Foundation	NC Comm. College Foundation	117,216	809

The corresponding revenue losses for those with a tax value listed are included in the fiscal impact box. Again, because of the July 1, 2001 effective date the impact local governments would be required to return two years worth of previously collected taxes in 2003-04 and start the exemption, effectively tripling the loss for 2003-04.

All of these estimates are minimum estimates as the out year impact could be broader if the Community College System alters their behavior because of this bill.

SOURCES OF DATA: UNC – General Administration, NC Community College System Office and individual colleges, and County Assessors.

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH A RECREATIONAL SHELLFISH LICENSE, TO AMEND THE STATUTES GOVERNING THE CULTIVATION OF SHELLFISH, AND TO AUTHORIZE THE MARINE FISHERIES COMMISSION TO STUDY ISSUES RELATED TO THE CULTIVATION OF SHELLFISH.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 113-168 is amended by adding a new subdivision to read:

"(7a) 'RSL' means Recreational Shellfish License."

SECTION 2. G.S. 113-168.1(a) reads as rewritten:

"(a) Duration, Fees. – Except as provided in ~~G.S. 113-173(f),~~G.S. 113-173(f) and G.S. 113-174(e), all licenses and endorsements issued under this Article expire on the last day of the license year. An applicant for any license or endorsement shall pay the full annual fee at the time the applicant applies for the license or endorsement regardless of when application is made."

SECTION 3. G.S. 113-168.1(f) reads as rewritten:

"(f) License Issuance and Renewal. – Except as provided in ~~G.S. 113-173(d),~~G.S. 113-173(d) and G.S. 113-174(c), the Division shall issue licenses and endorsements under this Article to eligible applicants at any office of the Division or by mail from the Morehead City office of the Division. A license or endorsement may be renewed in person at any office of the Division or by mail to the Morehead City office of the Division. Eligibility to renew an expired SCFL shall end one year after the date of expiration of the SCFL."

SECTION 4. G.S. 113-169.2 reads as rewritten:

"**§ 113-169.2. Shellfish license for North Carolina residents without a SCFL.**

(a) ~~License or Endorsement Necessary to Take or Sell Shellfish.~~ Requirement. – It is unlawful for an individual to take shellfish from the public or private grounds of the State ~~by mechanical means or in quantities greater than the personal use limits set forth in subsection (i) of this section by any means~~ as part of a commercial fishing

operation without holding either a shellfish license or a shellfish endorsement of a SCFL. A North Carolina resident who seeks only to take and sell shellfish shall be eligible to obtain a shellfish license without holding a SCFL. The shellfish license authorizes the licensee to sell shellfish.

(b) Repealed by Session Laws 1998-225, s. 4.17.

(c) Fees. – Shellfish licenses shall be issued annually upon payment of a fee of twenty-five dollars ($25.00) upon proof that the license applicant is a North Carolina resident.

~~(d) License Available for Inspection. – It is unlawful for any individual to take shellfish in quantities greater than the personal use limits set forth in subsection (i) of this section from the public or private grounds of the State without having ready at hand for inspection a current and valid shellfish license issued to the licensee personally and bearing the licensee's correct name and address. It is unlawful for any individual taking or possessing freshly taken shellfish to refuse to exhibit the individual's license upon the request of an officer authorized to enforce the fishing laws.~~

(e) Repealed by Session Laws 1998-225, s. 4.17.

(f) Name or Address Change. – In the event of a change in name or address or upon receipt of an erroneous shellfish license, the licensee shall, within 30 days, apply for a replacement shellfish license bearing the correct name and address. Upon a showing by the individual that the name or address change occurred within the past 30 days, the trial court or prosecutor shall dismiss any charges brought pursuant to this subsection.

(g) Transfer Prohibited. – It is unlawful for an individual issued a shellfish license to transfer or offer to transfer the license, either temporarily or permanently, to another. It is unlawful for an individual to secure or attempt to secure a shellfish license from a source not authorized by the Commission.

(h) Exemption. – Persons under 16 years of age are exempt from the license requirements of this section if accompanied by a parent, grandparent, or guardian who is in compliance with the requirements of this section or if in possession of a parent's, ~~grandparent's~~ grandparent's, or guardian's shellfish license or a parent's, grandparent's, or guardian's shellfish endorsement of a SCFL.

~~(i) Taking Shellfish Without a License for Personal Use. –~~

~~(1) A person may take shellfish for personal use without obtaining a license under this section in quantities up to:~~

~~a. One bushel of oysters per day.~~

~~b. One half bushel of scallops per day.~~

~~c. One hundred clams per day.~~

~~d. Ten conchs per day.~~

~~e. One hundred mussels per day.~~

~~(2) Two or more persons who are using a vessel to take shellfish may take shellfish for personal use without obtaining a license under this section in quantities up to:~~

~~a. Two bushels of oysters per day.~~

~~b. One bushel of scallops per day.~~

~~c. Two hundred clams per day.~~
~~d. Twenty conchs per day.~~
~~e. Two hundred mussels per day.~~"

SECTION 5. G.S. 113-173(j)(4) is repealed.

SECTION 6. Article 14A of Chapter 113 of the General Statutes is amended by adding a new section to read:

"**§ 113-174. Recreational Shellfish License.**

(a) License Required. – Except as provided in subsection (i) of this section, it is unlawful for any person to take or attempt to take shellfish for personal use in coastal fishing waters without holding a RSL. As used in this section, shellfish are taken for personal use if the shellfish are not taken for the purpose of sale. The RSL entitles the licensee to take shellfish for personal use subject to the following possession limits:

(1) A person holding a RSL may take shellfish for personal use in quantities up to:
a. One bushel of oysters per day.
b. One-half bushel of scallops per day.
c. One hundred clams per day.
d. Ten conchs per day.
e. One hundred mussels per day.

(2) Two or more persons, one of whom holds a RSL, who are using a vessel to take shellfish for personal use may take shellfish for personal use in quantities up to:
a. Two bushels of oysters per day.
b. One bushel of scallops per day.
c. Two hundred clams per day.
d. Twenty conchs per day.
e. Two hundred mussels per day.

(b) Sale of Fish Prohibited. – It is unlawful for the holder of a RSL or for a person who is exempt under subsection (i) of this section to sell fish taken under the RSL or pursuant to the exemption.

(c) Purchase; Renewal. – A RSL may be purchased at designated offices of the Division and from a license agent authorized under G.S. 113-172. A RSL may be renewed by mail.

(d) Replacement RSL. – The provisions of G.S. 113-168.1(h) apply to this section.

(e) Duration; Fees. – The RSL shall be valid for a one-year period from the date of purchase. The fee for a RSL shall be ten dollars ($10.00).

(f) RSL Available for Inspection. – It is unlawful for any person to take or attempt to take shellfish for personal use in coastal fishing waters without having ready at hand for inspection a valid RSL. A holder of a RSL shall not refuse to exhibit the RSL upon the request of an inspector or any other law enforcement officer authorized to enforce federal or State laws, regulations, or rules relating to marine fisheries.

(g) Assignment and Transfer Prohibited. – A RSL is not transferable. Except as provided in subsection (i) of this section, it is unlawful to buy, sell, lend, borrow, assign,

or otherwise transfer a RSL, or to attempt to buy, sell, lend, borrow, assign, or otherwise transfer a RSL.

(h) Reporting Requirements. – The holder of a RSL shall comply with the biological data sampling and survey programs of the Commission and the Division.

(i) Exemption. – A person who is under 16 years of age may take shellfish for personal use in coastal fishing waters without holding a RSL if the person is accompanied by a parent, grandparent, or guardian who holds a valid RSL or if the person has in the person's possession a valid RSL issued to the person's parent, grandparent, or guardian."

SECTION 7. G.S. 113-201 reads as rewritten:

"**§ 113-201. ~~Authority~~ Legislative findings and declaration of policy; authority of Marine Fisheries Commission.**

(a) The General Assembly finds that shellfish cultivation provides increased seafood production and long-term economic and employment opportunities. The General Assembly also finds that shellfish cultivation provides increased ecological benefits to the estuarine environment by promoting natural water filtration and increased fishery habitats. The General Assembly declares that it is the policy of the State to encourage the development of private, commercial shellfish cultivation in ways that are compatible with other public uses of marine and estuarine resources such as navigation, fishing, and recreation.

(b) The Marine Fisheries Commission is empowered to make rules and take all steps necessary to develop and improve the cultivation, harvesting, and marketing of shellfish in North Carolina both from public grounds and private beds.

(c) The Marine Fisheries Commission shall adopt rules to establish training requirements for persons applying for new shellfish cultivation leases. These training requirements shall be designed to encourage the productive use of shellfish cultivation leases. Training requirements established pursuant to this subsection shall not apply to an applicant who applies for a new shellfish cultivation lease if, at the time of the application, the applicant holds one or more shellfish cultivation leases and all of the leases meet the shellfish production requirements established by the Marine Fisheries Commission."

SECTION 8. G.S. 113-202(d) reads as rewritten:

"(d) Any person desiring to apply for a lease must make written application to the Secretary on forms prepared by the Department containing such information as deemed necessary to determine the desirability of granting or not granting the lease requested. Except in the case of renewal leases, the application must be accompanied by a map or diagram made at the expense of the applicant, showing the area proposed to be leased.

(d1) The map or diagram must conform to standards prescribed by the Secretary concerning accuracy of map or diagram and the amount of detail that must be shown. If on the basis of the application information and map or diagram the Secretary deems that granting the lease would benefit the shellfish culture of North Carolina, the Secretary, in the case of initial lease applications, must order an investigation of the bottom proposed to be leased. The investigation is to be made by the Secretary or his authorized agent to determine whether the area proposed to be leased is consistent with the standards in

subsection (a) of this section and any other applicable standards under this Article and the rules of the Marine Fisheries Commission. In the event the Secretary finds the application inconsistent with the applicable standards, the Secretary shall deny the application or propose that a conditional lease be issued that is consistent with the applicable standards. In the event the Secretary authorizes amendment of the application, the applicant must furnish a new map or diagram meeting requisite standards showing the area proposed to be leased under the amended application. At the time of making application for an initial lease, the applicant must pay a filing fee of ~~one hundred dollars ($100.00).~~two hundred dollars ($200.00)."

SECTION 9. G.S. 113-202(j) reads as rewritten:

"(j) Initial leases begin upon the issuance of the lease by the Secretary and expire at noon on the first day of ~~April~~ July following the ~~tenth~~ fifth anniversary of the granting of the lease. Renewal leases are issued for a period of ~~10~~ five years ~~effective~~ from the time of expiration of the previous lease. At the time of making application for renewal of a lease, the applicant must pay a filing fee of ~~fifty dollars ($50.00).~~one hundred dollars ($100.00). The rental for initial leases is one dollar ($1.00) per acre for all leases entered into before July 1, 1965, and for all other leases until noon on the first day of ~~April~~ July following the first anniversary of the lease. Thereafter, for initial leases entered into after July 1, 1965, and from the beginning for renewals of leases entered into after ~~said~~ that date, the rental is ~~five dollars ($5.00)~~ten dollars ($10.00) per acre per year. Rental must be paid annually in advance prior to the first day of April each year. Upon initial granting of a lease, the pro rata amount for the portion of the year left until the first day of ~~April~~ July must be paid in advance at the rate of one dollar ($1.00) per acre per year; then, on or before the first day of April next, the lessee must pay the rental for the next full year."

SECTION 10. G.S. 113-202(l) reads as rewritten:

"(l) Upon receipt of notice by the Secretary of any of the following occurrences, he must commence action to terminate the leasehold:

(1) Failure to pay the annual rent in advance.

(2) Failure to file information required by the Secretary upon annual remittance of rental or filing false information on the form required to accompany the annual remittance of rental.

(3) Failure by new owner to report a transfer of beneficial ownership of all or any portion of or interest in the leasehold.

(4) Failure to mark the boundaries in the leasehold and to keep them marked as required in the rules of the Marine Fisheries Commission.

(5) Failure to utilize the leasehold on a continuing basis for the commercial production of shellfish.

(6) Transfer of all or part of the beneficial ownership of a leasehold to a nonresident.

(7) Substantial breach of compliance with the provisions of this Article or of rules of the Marine Fisheries Commission governing use of the leasehold.

(8) Failure to comply with the training requirements established by the Marine Fisheries Commission pursuant to G.S. 113-201(c).

(11) The Marine Fisheries Commission is authorized to make rules defining commercial production of shellfish, based upon the productive potential of particular areas climatic or biological conditions at particular areas or particular times, availability of seed shellfish, availability for purchase by lessees of shells or other material to which oyster spat may attach, and the like. Commercial production may be defined in terms of planting effort made as well as in terms of quantities of shellfish harvested. Provided, however, that if a lessee has made a diligent effort to effectively and efficiently manage his lease according to accepted standards and practices in such management, and because of reasons beyond his control, such as acts of God, such lessee has not and cannot meet the requirements set out by the Marine Fisheries Commission under the provisions ~~of this paragraph~~ of this subsection, his leasehold shall not be terminated under subdivision (5) of ~~this subsection.~~subsection (l) of this section."

SECTION 11. G.S. 113-202.1(d) reads as rewritten:

"(d) Amendments of shellfish cultivation leases to authorize use of the water column are issued for a period of five years or the remainder of the term of the lease, whichever is shorter. The annual rental for ~~an initial~~a new or renewal water column amendment is one hundred dollars ($100.00) an ~~acre for each of the first four years for which the amendment is issued and five hundred dollars ($500.00) an acre for the fifth year for which the amendment is issued. The annual rental for a renewed water column amendment is five hundred dollars ($500.00) an~~ acre. If ~~a year for which~~ a water column amendment is issued ~~is~~ for less than a 12-month period, the rental ~~for that year~~ shall be prorated based on the number of months remaining in the year. The annual rental for an amendment is payable at the beginning of the year. The rental is in addition to that required in G.S. 113-202."

SECTION 12. The Marine Fisheries Commission may study whether and how to establish a process by which shellfish cultivation leases that are terminated pursuant to G.S. 113-202(l) may be leased to an applicant for a shellfish cultivation lease without the leasehold reverting to public bottom. If the Commission conducts a study pursuant to this section, it shall report its findings, recommendations, and legislative proposals, if any, to the Joint Legislative Commission on Seafood and Aquaculture no later than December 1, 2004.

SECTION 13. The Marine Fisheries Commission may study issues related to the corporate ownership of shellfish cultivation leases. If the Commission conducts a study pursuant to this section, it shall report its findings, recommendations, and legislative proposals, if any, to the Joint Legislative Commission on Seafood and Aquaculture no later than December 1, 2004.

SECTION 14. Sections 7, 10, 12, 13, and 14 of this act are effective when this act becomes law. Sections 8, 9, and 11 of this act become effective July 1, 2005. Sections 1 through 6 of this act become effective July 1, 2005, and expire July 1, 2008.

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH A RECREATIONAL SHELLFISH LICENSE, TO AMEND THE STATUTES GOVERNING THE CULTIVATION OF SHELLFISH, AND TO AUTHORIZE THE MARINE FISHERIES COMMISSION TO STUDY ISSUES RELATED TO THE CULTIVATION OF SHELLFISH.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 113-168 is amended by adding a new subdivision to read:

"(7a) 'RSL' means Recreational Shellfish License."

SECTION 2. G.S. 113-168.1(a) reads as rewritten:

"(a) Duration, Fees. – Except as provided in ~~G.S. 113-173(f),~~G.S. 113-173(f) and G.S. 113-174(e), all licenses and endorsements issued under this Article expire on the last day of the license year. An applicant for any license or endorsement shall pay the full annual fee at the time the applicant applies for the license or endorsement regardless of when application is made."

SECTION 3. G.S. 113-168.1(f) reads as rewritten:

"(f) License Issuance and Renewal. – Except as provided in ~~G.S. 113-173(d),~~G.S. 113-173(d) and G.S. 113-174(c), the Division shall issue licenses and endorsements under this Article to eligible applicants at any office of the Division or by mail from the Morehead City office of the Division. A license or endorsement may be renewed in person at any office of the Division or by mail to the Morehead City office of the Division. Eligibility to renew an expired SCFL shall end one year after the date of expiration of the SCFL."

SECTION 4. G.S. 113-169.2 reads as rewritten:

"**§ 113-169.2. Shellfish license for North Carolina residents without a SCFL.**

(a) ~~License or Endorsement Necessary to Take or Sell Shellfish.~~ Requirement. – It is unlawful for an individual to take shellfish from the public or private grounds of the State ~~by mechanical means or in quantities greater than the personal use limits set forth in subsection (i) of this section by any means~~ as part of a commercial fishing operation without holding either a shellfish license or a shellfish endorsement of a

SCFL. A North Carolina resident who seeks only to take and sell shellfish shall be eligible to obtain a shellfish license without holding a SCFL. The shellfish license authorizes the licensee to sell shellfish.

(b) Repealed by Session Laws 1998-225, s. 4.17.

(c) Fees. – Shellfish licenses shall be issued annually upon payment of a fee of twenty-five dollars ($25.00) upon proof that the license applicant is a North Carolina resident.

(d) License Available for Inspection. – It is unlawful for any individual to take shellfish ~~in quantities greater than the personal use limits set forth in subsection (i) of this section~~ from the public or private grounds of the State as part of a commercial fishing operation without having ready at hand for inspection a current and valid shellfish license issued to the licensee personally and bearing the licensee's correct name and address. It is unlawful for any individual taking or possessing freshly taken shellfish to refuse to exhibit the individual's license upon the request of an officer authorized to enforce the fishing laws.

(e) Repealed by Session Laws 1998-225, s. 4.17.

(f) Name or Address Change. – In the event of a change in name or address or upon receipt of an erroneous shellfish license, the licensee shall, within 30 days, apply for a replacement shellfish license bearing the correct name and address. Upon a showing by the individual that the name or address change occurred within the past 30 days, the trial court or prosecutor shall dismiss any charges brought pursuant to this subsection.

(g) Transfer Prohibited. – It is unlawful for an individual issued a shellfish license to transfer or offer to transfer the license, either temporarily or permanently, to another. It is unlawful for an individual to secure or attempt to secure a shellfish license from a source not authorized by the Commission.

(h) Exemption. – Persons under 16 years of age are exempt from the license requirements of this section if accompanied by a parent, grandparent, or guardian who is in compliance with the requirements of this section or if in possession of a parent's, grandparent's or guardian's shellfish license.

~~(i) Taking Shellfish Without a License for Personal Use.~~

~~(1) A person may take shellfish for personal use without obtaining a license under this section in quantities up to:~~

~~a. One bushel of oysters per day.~~

~~b. One half bushel of scallops per day.~~

~~c. One hundred clams per day.~~

~~d. Ten conchs per day.~~

~~e. One hundred mussels per day.~~

~~(2) Two or more persons who are using a vessel to take shellfish may take shellfish for personal use without obtaining a license under this section in quantities up to:~~

~~a. Two bushels of oysters per day.~~

~~b. One bushel of scallops per day.~~

~~c. Two hundred clams per day.~~

~~d. Twenty conchs per day.~~
~~e. Two hundred mussels per day.~~"

SECTION 5. G.S. 113-173(j)(4) is repealed.

SECTION 6. Article 14A of Chapter 113 of the General Statutes is amended by adding a new section to read:

"**§ 113-174. Recreational Shellfish License.**

(a) License Required. – Except as provided in subsection (i) of this section, it is unlawful for any person to take or attempt to take shellfish for personal use in coastal fishing waters without holding a RSL. As used in this section, shellfish are taken for personal use if the shellfish are not taken for the purpose of sale. The RSL entitles the licensee to take shellfish for personal use subject to the following possession limits:

(1) A person holding a RSL may take shellfish for personal use in quantities up to:
a. One bushel of oysters per day.
b. One-half bushel of scallops per day.
c. One hundred clams per day.
d. Ten conchs per day.
e. One hundred mussels per day.

(2) Two or more persons, one of whom holds a RSL, who are using a vessel to take shellfish for personal use may take shellfish for personal use in quantities up to:
a. Two bushels of oysters per day.
b. One bushel of scallops per day.
c. Two hundred clams per day.
d. Twenty conchs per day.
e. Two hundred mussels per day.

(b) Sale of Fish Prohibited. – It is unlawful for the holder of a RSL or for a person who is exempt under subsection (i) of this section to sell fish taken under the RSL or pursuant to the exemption.

(c) Purchase; Renewal. – A RSL may be purchased at designated offices of the Division and from a license agent authorized under G.S. 113-172. A RSL may be renewed by mail.

(d) Replacement RSL. – The provisions of G.S. 113-168.1(h) apply to this section.

(e) Duration; Fees. – The RSL shall be valid for a one-year period from the date of purchase. The fee for a RSL shall be ten dollars ($10.00).

(f) RSL Available for Inspection. – It is unlawful for any person to take or attempt to take shellfish for personal use in coastal fishing waters without having ready at hand for inspection a valid RSL. A holder of a RSL shall not refuse to exhibit the RSL upon the request of an inspector or any other law enforcement officer authorized to enforce federal or State laws, regulations, or rules relating to marine fisheries.

(g) Assignment and Transfer Prohibited. – A RSL is not transferable. Except as provided in subsection (i) of this section, it is unlawful to buy, sell, lend, borrow, assign,

or otherwise transfer a RSL, or to attempt to buy, sell, lend, borrow, assign, or otherwise transfer a RSL.

(h) Reporting Requirements. – The holder of a RSL shall comply with the biological data sampling and survey programs of the Commission and the Division.

(i) Exemption. – A person who is under 16 years of age may take shellfish for personal use in coastal fishing waters without holding a RSL if the person is accompanied by a parent, grandparent, or guardian who holds a valid RSL or if the person has in the person's possession a valid RSL issued to the person's parent, grandparent, or guardian."

SECTION 7. G.S. 113-201 reads as rewritten:

"**§ 113-201. ~~Authority~~ Legislative findings and declaration of policy; authority of Marine Fisheries Commission.**

(a) The General Assembly finds that shellfish cultivation provides increased seafood production and long-term economic and employment opportunities. The General Assembly also finds that shellfish cultivation provides increased ecological benefits to the estuarine environment by promoting natural water filtration and increased fishery habitats. The General Assembly declares that it is the policy of the State to encourage the development of private, commercial shellfish cultivation in ways that are compatible with other public uses of marine and estuarine resources such as navigation, fishing, and recreation.

(b) The Marine Fisheries Commission is empowered to make rules and take all steps necessary to develop and improve the cultivation, harvesting, and marketing of shellfish in North Carolina both from public grounds and private beds.

(c) The Marine Fisheries Commission shall adopt rules to establish training requirements for persons applying for new shellfish cultivation leases. These training requirements shall be designed to encourage the productive use of shellfish cultivation leases. Training requirements established pursuant to this subsection shall not apply to an applicant who applies for a new shellfish cultivation lease if, at the time of the application, the applicant holds one or more shellfish cultivation leases and all of the leases meet the shellfish production requirements established by the Marine Fisheries Commission."

SECTION 8. G.S. 113-202(d) reads as rewritten:

"(d) Any person desiring to apply for a lease must make written application to the Secretary on forms prepared by the Department containing such information as deemed necessary to determine the desirability of granting or not granting the lease requested. Except in the case of renewal leases, the application must be accompanied by a map or diagram made at the expense of the applicant, showing the area proposed to be leased.

(d1) The map or diagram must conform to standards prescribed by the Secretary concerning accuracy of map or diagram and the amount of detail that must be shown. If on the basis of the application information and map or diagram the Secretary deems that granting the lease would benefit the shellfish culture of North Carolina, the Secretary, in the case of initial lease applications, must order an investigation of the bottom proposed to be leased. The investigation is to be made by the Secretary or his authorized agent to determine whether the area proposed to be leased is consistent with the standards in

subsection (a) of this section and any other applicable standards under this Article and the rules of the Marine Fisheries Commission. In the event the Secretary finds the application inconsistent with the applicable standards, the Secretary shall deny the application or propose that a conditional lease be issued that is consistent with the applicable standards. In the event the Secretary authorizes amendment of the application, the applicant must furnish a new map or diagram meeting requisite standards showing the area proposed to be leased under the amended application. At the time of making application for an initial lease, the applicant must pay a filing fee of ~~one hundred dollars ($100.00).~~two hundred dollars ($200.00)."

SECTION 9. G.S. 113-202(j) reads as rewritten:

"(j) Initial leases begin upon the issuance of the lease by the Secretary and expire at noon on the first day of ~~April~~ July following the ~~tenth~~ fifth anniversary of the granting of the lease. Renewal leases are issued for a period of ~~10~~ five years ~~effective~~ from the time of expiration of the previous lease. At the time of making application for renewal of a lease, the applicant must pay a filing fee of ~~fifty dollars ($50.00).~~one hundred dollars ($100.00). The rental for initial leases is one dollar ($1.00) per acre for all leases entered into before July 1, 1965, and for all other leases until noon on the first day of ~~April~~ July following the first anniversary of the lease. Thereafter, for initial leases entered into after July 1, 1965, and from the beginning for renewals of leases entered into after ~~said~~ that date, the rental is ~~five dollars ($5.00)~~ten dollars ($10.00) per acre per year. Rental must be paid annually in advance prior to the first day of April each year. Upon initial granting of a lease, the pro rata amount for the portion of the year left until the first day of ~~April~~ July must be paid in advance at the rate of one dollar ($1.00) per acre per year; then, on or before the first day of April next, the lessee must pay the rental for the next full year."

SECTION 10. G.S. 113-202(l) reads as rewritten:

"(l) Upon receipt of notice by the Secretary of any of the following occurrences, he must commence action to terminate the leasehold:

(1) Failure to pay the annual rent in advance.

(2) Failure to file information required by the Secretary upon annual remittance of rental or filing false information on the form required to accompany the annual remittance of rental.

(3) Failure by new owner to report a transfer of beneficial ownership of all or any portion of or interest in the leasehold.

(4) Failure to mark the boundaries in the leasehold and to keep them marked as required in the rules of the Marine Fisheries Commission.

(5) Failure to utilize the leasehold on a continuing basis for the commercial production of shellfish.

(6) Transfer of all or part of the beneficial ownership of a leasehold to a nonresident.

(7) Substantial breach of compliance with the provisions of this Article or of rules of the Marine Fisheries Commission governing use of the leasehold.

(8) Failure to comply with the training requirements established by the Marine Fisheries Commission pursuant to G.S. 113-201(c).

(11) The Marine Fisheries Commission is authorized to make rules defining commercial production of shellfish, based upon the productive potential of particular areas climatic or biological conditions at particular areas or particular times, availability of seed shellfish, availability for purchase by lessees of shells or other material to which oyster spat may attach, and the like. Commercial production may be defined in terms of planting effort made as well as in terms of quantities of shellfish harvested. Provided, however, that if a lessee has made a diligent effort to effectively and efficiently manage his lease according to accepted standards and practices in such management, and because of reasons beyond his control, such as acts of God, such lessee has not and cannot meet the requirements set out by the Marine Fisheries Commission under the provisions ~~of this paragraph~~ of this subsection, his leasehold shall not be terminated under subdivision (5) of ~~this subsection.~~subsection (l) of this section."

SECTION 11. G.S. 113-202.1(d) reads as rewritten:

"(d) Amendments of shellfish cultivation leases to authorize use of the water column are issued for a period of five years or the remainder of the term of the lease, whichever is shorter. The annual rental for ~~an initial~~a new or renewal water column amendment is one hundred dollars ($100.00) an ~~acre for each of the first four years for which the amendment is issued and five hundred dollars ($500.00) an acre for the fifth year for which the amendment is issued. The annual rental for a renewed water column amendment is five hundred dollars ($500.00) an~~ acre. If ~~a year for which~~ a water column amendment is issued ~~is~~ for less than a 12-month period, the rental ~~for that year~~ shall be prorated based on the number of months remaining in the year. The annual rental for an amendment is payable at the beginning of the year. The rental is in addition to that required in G.S. 113-202."

SECTION 12. The Marine Fisheries Commission may study whether and how to establish a process by which shellfish cultivation leases that are terminated pursuant to G.S. 113-202(l) may be leased to an applicant for a shellfish cultivation lease without the leasehold reverting to public bottom. If the Commission conducts a study pursuant to this section, it shall report its findings, recommendations, and legislative proposals, if any, to the Joint Legislative Commission on Seafood and Aquaculture no later than December 1, 2004.

SECTION 13. The Marine Fisheries Commission may study issues related to the corporate ownership of shellfish cultivation leases. If the Commission conducts a study pursuant to this section, it shall report its findings, recommendations, and legislative proposals, if any, to the Joint Legislative Commission on Seafood and Aquaculture no later than December 1, 2004.

SECTION 14. Sections 7, 10, 12, 13, and 14 of this act are effective when this act becomes law. Sections 8, 9, and 11 of this act become effective July 1, 2004. Sections 1 through 6 of this act become effective July 1, 2005, and expire July 1, 2008.

HOUSE BILL 1427:
Rec. Shellfish License/Amend Shellfish Laws.

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Representative Wainwright
Date:	June 29, 2004	**Summary by:**	Jeff Hudson
Version:	Proposed Committee Substitute H1427-CSSB-56 [v.1]		Staff Attorney

SUMMARY: ***House Bill 1427 would establish a Recreational Shellfish License, direct the Marine Fisheries Commission to establish training requirements for shellfish cultivation lease holders, amend the fees for shellfish cultivation leases, and authorize the Marine Fisheries Commission to study issues related to the cultivation of shellfish. House Bill 1427 was recommended by the Joint Legislative Commission on Seafood and Aquaculture.***

BACKGROUND:

The Division of Marine Fisheries (Division) in the Department of Environment and Natural Resources requested that the Joint Legislative Commission on Seafood and Aquaculture recommend legislation to establish a Recreational Shellfish License. The Division hopes that the license will provide information on the effort of recreational fishers in taking shellfish. The Division agreed to the sunset of the license requirement if it is found that there is little recreational effort or that the license is not providing useful information.

The Marine Fisheries Commission (MFC) included a number of recommendations related to the State's shellfish cultivation lease program in its Oyster Fishery Management Plan and in its Hard Clam Fishery Management Plan. These Shellfish Plans included recommendations related to the terms of and fees for shellfish cultivation leases, training requirements for holders of shellfish cultivation leases, and issues related to the termination and corporate ownership of shellfish cultivation leases. The MFC requested that the Joint Legislative Commission on Seafood and Aquaculture recommend legislation to implement the Shellfish Plan recommendations.

CURRENT LAW AND BILL ANALYSIS:

Shellfish License Requirements

G.S. 113-169.2 (Shellfish license for North Carolina residents without a SCFL) provides that it is unlawful to take shellfish without holding either a shellfish license or a shellfish endorsement of a Standard Commercial Fishing License (SCFL). G.S. 113-169.2 also provides an exemption from the license requirement for individuals who take small amounts of shellfish for personal use (not for sale).

Sections 1 through 6 of H1427 would repeal the personal use exemption and require individuals who take small amounts of shellfish for personal use to obtain an annual, ten dollar ($10.00) Recreational Shellfish License.

Shellfish Cultivation Lease Terms and Fees

The following table sets out the current law on the terms of and fees for shellfish cultivation leases and the changes that H1427 would make to the law.

Current Law (G.S. 113-202 and G.S. 113-202.1)	H1427 Change
Length of term of bottom shellfish cultivation lease: 10 years	Section 9 would decrease the length of the term to 5 years
Initial application filing fee for a bottom shellfish cultivation lease: One hundred dollars ($100.00)	Section 8 would increase the fee to two hundred dollars ($200.00)
Renewal application filing fee for a bottom shellfish cultivation lease: Fifty dollars ($50.00)	Section 9 would increase the fee to one hundred dollars ($100.00)
Annual rental fee for a bottom shellfish cultivation lease: Five dollars ($5.00) per acre	Section 9 would increase the annual fee to ten dollars ($10.00) per acre
Annual rental fee for a water column shellfish cultivation lease: One hundred dollars ($100.00) for the first four years and five hundred dollars ($500.00) per year thereafter	Section 11 would alter the annual fee structure so that the fee would be one hundred dollars ($100.00) per year for all years

Training Requirements

Under current law, there are no training requirements for persons who hold shellfish cultivation leases.

Section 7 of H1427 would direct the Marine Fisheries Commission (MFC) to adopt rules to establish training requirements for persons who apply for shellfish cultivation leases. The training requirements would be designed to encourage the productive use of shellfish cultivation leases. The training requirements would not apply to a person who already holds a shellfish cultivation lease that is meeting shellfish production requirements. Section 10 would add failure to comply with the training requirements to the list of conditions for which a shellfish cultivation lease may be terminated.

Marine Fisheries Commission Studies

Section 12 authorizes the MFC to study whether and how to establish a process by which shellfish cultivation leases that have been terminated may be leased without reverting to public bottom.

Section 13 authorizes the MFC to study issues related to corporate ownership of shellfish cultivation leases.

Proposed Committee Substitute

The Proposed Committee Substitute for H1427 delays the effective date of the provisions amending the terms of and fees for shellfish cultivation leases to July 1, 2005 and makes two clarifying and conforming changes.

EFFECTIVE DATE:

The provisions related to the establishment of the Recreational Shellfish License become effective July 1, 2005 and expire July 1, 2008. The provisions amending the terms of and fees for shellfish cultivation leases become effective July 1, 2005. All other provisions of this act become effective when the act becomes law.

FISCAL ANALYSIS MEMORANDUM

[This confidential fiscal memorandum is a fiscal analysis of a draft bill, amendment, committee substitute, or conference committee report that has not been formally introduced or adopted on the chamber floor or in committee. This is not an official fiscal note. If upon introduction of the bill you determine that a formal fiscal note is needed, please make a fiscal note request to the Fiscal Research Division, and one will be provided under the rules of the House and the Senate.]

	FY 2004-05	FY 2005-06	FY 2006-07	FY 2007-08	FY 2008-09
REVENUES	**No estimate available; insufficient data.**				
EXPENDITURES	**Impact will be minimal**				
POSITIONS:					

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Environment and Natural Resources and the Wildlife Resources Commission

EFFECTIVE DATE: July 1, 2005

BILL SUMMARY:

The bill would establish a Recreational Shellfish License, direct the Marine Fisheries Commission to establish training requirements for shellfish cultivation lease holders, amend

the fees for shellfish cultivation leases, and authorize the Marine Fisheries Commission to study issues related to the cultivation of shellfish. House Bill 1427 was recommended by the Joint Legislative Commission on Seafood and Aquaculture.

ASSUMPTIONS AND METHODOLOGY:

Revenues

The Division of Marine Fisheries does not keep statistics on the number of persons who take shellfish for personal use. They were unable to estimate the number of licenses they will sell under this new law. Therefore, no estimate is available on additional revenue anticipated.

This bill also shortens the length of the bottom shellfish cultivation lease from ten years to five years and increases the fees for the initial application for a lease, lease renewals and rental fees for leases. Sufficient data was not available from the Division to estimate the additional revenues due to these changes.

Expenditures

The costs associated with the bill will be minimal. The Division indicated that they can administer the sale of the new license with no additional staff and with current operating resources. The Division would like to take advantage of the automated licensing system operated by the Wildlife Resources Commission. To accommodate additional license types, the Wildlife system will require some modification and upgrades but the cost could be absorbed in the Division of Marine Fisheries current budget.

North Carolina General Assembly

House Committee on Finance

Minutes

~

June 30, 2004

The House Committee on Finance met on Wednesday, June 30, 2004 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons G. Allen, Howard, Luebke, McComas, and Wainwright; Vice-Chairs Alexander, Daughtridge, Decker, and Hill; and Representatives Blackwood, Bordsen, Capps, Carney, Cole, Creech, Ellis, Glazier, Hackney, Harrell, Holliman, Jones, Lewis, McGee, Ross, Setzer, Starnes, Weiss, C. Wilson, and Womble. Also present were Sergeant-at-Arms Bob Fowler, Bill Freeman, Dusty Rhodes, and Walter Spell. Staff persons present included Richard Bostic, David Crotts, Trina Griffin, Canaan Huie, Linda Millsaps, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2.**

Chairman McComas called the meeting to order at 8:35 am and recognized the five (5) pages present at the meeting: (1) Elizabeth Johnson of Lincoln County, sponsored by Representative Kiser; (2) Jeffrey Miller of Wake County, sponsored by Representative Eddins; (3) Tara Scheidt of Rowan County, sponsored by Representative Coates; (4) Patrick Vollmer of Watauga County, sponsored by Speaker Black; and (5) D'Andrea Williams of Cumberland County, sponsored by Representative McAllister.

The Chair then immediately called **HB 1348 – CAMDEN COUNTY OCCUPANCY TAX** (see **attachment 3**) before the Committee for consideration. Representative Owens, the bill sponsor, was recognized to explain the bill. Representative Owens explained that the bill authorizes Camden County to levy a 6% room occupancy tax. He noted that, currently, Camden County does not have any lodging facilities (i.e. hotels) but is requesting the tax for planning purposes. He also stated that the bill had been heard in the House Finance Subcommittee on the Occupancy Tax and was reported favorably. Seeing no discussion on the bill, Chairman McComas then recognized Representative Allen who moved that the bill be given a favorable report. The Chair then called the motion to a vote and it carried without objection.

Representative Owens was recognized once again to explain the next bill considered: **HB 1721 – CURRITUCK OCCUPANCY TAX CHANGES** (see **attachment 4**). Representative Hill moved that the Proposed Committee Substitute (PCS) for House Bill 1721 be adopted for the Committee's discussion and that motion carried without objection. Representative Owens then explained that the bill authorizes Currituck County to increase its occupancy tax from 4% to 6% and to use two-thirds of the proceeds from the additional tax for tourism promotion and the remaining one-third for tourism-related expenditures. He additionally stated that this bill had also been favorably reported out of the House Finance Subcommittee on the Occupancy Tax. Following this explanation, Representative Hill moved that the PCS for HB 1721 be given a favorable report (with

an unfavorable report as to the original bill). Seeing no further discussion, Chairman McComas then called the matter to a vote and the motion carried without objection.

The next bill considered by the Committee was **SB 1171 – MOTOR FUEL TAX CHANGES** (see **attachment 5**), sponsored by Senator Kerr. Representative Holliman moved that the Committee adopt the PCS for SB 1171 for the purposes of discussion and the motion carried without objection. Chairman McComas then recognized Senator Kerr to explain his bill. Senator Kerr stated that the bill was a recommendation from the Revenue Laws Study Committee and makes numerous changes to the motor fuels tax statutes and allows the Department of Revenue to appoint employees of the Motor Fuels Tax Division as revenue law enforcement officers. Following this explanation, the Chair recognized Representative Decker who acted to send forth an amendment (see **attachment 6**). He explained that his amendment would effectively add the provisions of one of his own bills (HB 1661) to the bill. (HB 1661 was heard in the Committee at its' June 17, 2004 but was referred to a special subcommittee. The bill acts to place a cap on the variable rate of the gasoline tax.) Given the nature of the amendment, Chairman McComas acted to consult with the Rules Chairman, Representative Culpepper, as to whether Representative Decker's amendment was germane. As a result, the bill was temporarily displaced.

Chairman McComas recognized Representative Barnhart next to explain **HB 1688 – CONCORD ANNEXATION EFFECTIVE DATE** (see **attachment 7**). Representative Barnhart stated that the bill would allow a deferred effective date for certain voluntary annexations of the City of Concord that had become the subject of recent legal battles. He informed the Committee members that there was no controversy on the bill. Seeing no discussion, Representative Howard was recognized by the Chair and moved that HB 1688 be given a favorable report. The motion was then called to a vote and it carried by consent.

The Chair then acted to replace **SB 1171 – MOTOR FUEL TAX CHANGES** (see **attachment 5**) before the Committee. Chairman McComas announced that after conferring with the Rules Chairman, the amendment offered by Representative Decker (see **attachment 6**) was ruled germane to the bill. Senator Kerr was then recognized and spoke in opposition to the amendment. He stated that while he understood Representative Decker's intent, he felt that the amendment would only complicate the bill and make it controversial. He also stated that given the limited time period left in the session, the amendment would weaken the bill's chances of successfully passing on the House floor. Representative Decker stated that the amendment was the right thing to do for the people of the State, especially the poor, who are currently highly burdened by the extremely high price of gasoline. Representative Ellis, however, stated that the amendment would cause a significant loss of revenue to the Highway Trust Fund and would restrict the ability of the Department of Transportation to effectively maintain the State's roads. Representative Ross reminded the Committee members that Representative Decker's bill, HB 1661, which addresses the subject of the amendment, was already in a special subcommittee for consideration and that the bill should be considered there. Representative Decker then moved adoption of his amendment and requested the ayes and nays. The Chair then called the amendment to a vote and the Clerk called the roll (see **attachment 8**). By a vote of 3 ayes and 25 nays, the amendment failed. Chairman McComas then recognized Representative Wainwright who moved that the House PCS for SB 1171 be given a favorable report (with an unfavorable report as to the Senate Committee Substitute bill before the Committee). Following some brief discussion among the members, the Chair then called the vote and the motion carried.

Chairman McComas next recognized Representative Ray, on behalf of the bill sponsor Senator Hoyle, to explain the next bill considered by the Committee: **SB 754 – STOCK CAR RACING THEME SPECIAL PLATES** (see **attachment 9**). Representative Ray explained that

the bill would authorize the Division of Motor Vehicles to issue as many as 30 different stock car racing plates for an additional fee of $30. She stated that the plates do not have to be a "First in Flight" plate, but would bear an emblem, seal, or design displaying themes of NASCAR, a NASCAR team, or a NASCAR driver. On a final note, she informed the Committee members that the bill had been reported favorably out of the House Finance Subcommittee on Tax and Tags. Following this explanation, Chairman McComas recognized Representative Wainwright, who, noting his support of the bill, moved that it be given a favorable report. Following some very brief discussion, the Chair then called the motion to a vote and it carried.

The final bill considered by the Committee was **SB 6 – INCREASE REGULATION OF AMUSEMENT DEVICES** (see **attachment 10**). Representative Luebke moved that the House PCS for SB 6 be adopted by the Committee for discussion. However, Representative Ellis objected to the motion and requested that the members vote by division. Chairman McComas then called the motion to adopt the PCS for discussion purposes to a vote and the motion carried by a majority. Representative Culpepper was then recognized to explain the bill. He first provided a brief history of the video gaming industry in North Carolina. He then discussed the summary of the bill for the members. (The bill summary and fiscal memorandum are attached as attachment 10). He noted that the most important provisions in the bill include the following:

- Owners of machines would be required to register machines annually with the Alcohol Law Enforcement Division of the Department of Crime Control and Public Safety (Division). Currently, the county sheriff's administered this registration requirement.
- Upon registration, the Division would affix a decal to the machine. The absence of a decal would be prima facie evidence that the machine is illegal and the owner would be subject to criminal penalties.
- If a machine is moved from one location to another, the owner would have to notify the Division within five days and before the machine is made operational.
- The Division would have the authority to enter any location where a video gaming machine is being operated or housed to inspect the machine.
- Finally, it would become permissible to warehouse a registered machine.

Following this lengthy explanation, Chairman McComas recognized Representative Luebke who moved that the House PCS for SB 6 be given a favorable report (with an unfavorable report as to the Senate Committee Substitute bill originally before the Committee). Prior to acting on the motion, however, the Chair recognized several speakers from the audience to briefly address the Committee. Mr. George Trent of Trent Brothers Amusement Co. was the first speaker recognized. He stated his support of the bill, noting that his small business included a wide range of video games, including video poker. He also pointed out that, in recent years, video poker had become an increasingly important part of his business. Mr. Tommy Allen, Sheriff of Anson County, representing the North Carolina Sheriff's Association was recognized next and spoke in opposition to the bill. He informed the Committee members that the Sheriff's Association's position was for a total ban on video poker. Ms. Julie Loflin of Southern Amusements in Denton, North Carolina, was the next speaker. She voiced her support for the bill as a small business owner and reminded the members of the many jobs the video gaming industry provides to North Carolinians. Mr. John Rustin representing the North Carolina Family Policy Council (NCFPC) was recognized next. He spoke in opposition to the bill, stating that the position of the NCFPC was for a complete ban of video poker. Chairman McComas next recognized Mr. Richard Frye, owner of Sandhills Amusement in Southern Pines, who spoke in support of SB 6. He provided statistics to the members, stating that an estimated 13,000 to 19,000 jobs in North Carolina would be lost if a complete ban was placed on video gaming. He stated that this would result in a tremendous cost to the State in unemployment benefits as well as sales tax revenues. He also stated that even if the industry were ban, video gaming would nonetheless continue. Ms. Patrice Roesler of the North

Carolina Association of County Commissioners (NCACC) was the last speaker recognized. Ms. Roesler stated that the NCACC's official position was in accord with the North Carolina Sheriff's Association for a complete ban of video poker/gaming.

The Chair then recognized members of the Committee to debate the bill. Representative Glazier was recognized and stated his opinion that since a bill to outright ban the video gaming industry was not presented to the Committee, that the bill before the Committee, which increased regulation, was better than no action at all. Representative Ellis was recognized next and stated that in 2000, the North Carolina General Assembly was asked to ban all video gaming machines in light of the problems experienced in South Carolina with the industry. He additionally reminded the members that all 100 Sheriffs in the state as well as all 100 counties were in favor of a complete ban on "this highly addictive form of electronic gambling." He then acted to send forth an amendment (see **attachment 11**). He explained that the amendment would act to return the bill to its original status prior to the House PCS, which, in effect, would have created a ban on all video gaming in North Carolina except for on Indian Reservations (as they are protected from state law by the Federal Government). Upon receipt of this amendment, the Chair acted to consult with the Rules Chairman, Representative Culpepper, as to the appropriateness of the amendment to the bill. Representative Culpepper ruled that the amendment was not germane to the bill and stated that Representative's Ellis amendment was in fact a motion to substitute a bill, which is not provided for under House Rule 43. Chairman McComas concurred with this ruling and the amendment was ruled out of order. Representative Luebke was then recognized and moved that the PCS for SB 6 be given a favorable report (with an unfavorable report as to the Senate Committee Substitute bill originally before the Committee). Representative Ellis then disputed the ruling of the Chair, but then respectfully requested that if he could not offer his amendment, that the Committee oppose the passage of the bill. Representative Blackwood was recognized and requested the ayes and nays on the bill. Chairman McComas then presented Representative Luebke's motion to the Committee and the Clerk called the roll (see **attached 12**). By a vote of 19 to 11, the motion carried.

The Committee's time had then expired and Chairman McComas adjourned the meeting at 9:58 a.m.

Respectfully submitted,

Representative Danny McComas
Presiding Chair

Jason A. Cannon
Clerk, House Committee on Finance

HOUSE BILL 1348

Short Title:	Camden County Occupancy Tax.	(Local)
Sponsors:	Representative Owens.	
Referred to:	Rules, Calendar, and Operations of the House.	

May 10, 2004

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE CAMDEN COUNTY TO LEVY A ROOM OCCUPANCY AND TOURISM DEVELOPMENT TAX.

The General Assembly of North Carolina enacts:

SECTION 1. Occupancy tax. (a) Authorization and Scope. – The Camden County Board of Commissioners may levy a room occupancy tax of up to six percent (6%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations when furnished in furtherance of their nonprofit purpose.

SECTION 1.(b) Administration. – A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 153A-155. The penalties provided in G.S. 153A-155 apply to a tax levied under this section.

SECTION 1.(c) Distribution and Use of Tax Revenue. – Camden County shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the Camden Tourism Development Authority. The Authority shall use at least two-thirds of the funds remitted to it under this subsection to promote travel and tourism in Camden County and shall use the remainder for tourism-related expenditures.

The following definitions apply in this subsection:

(1) Net proceeds. – Gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars ($500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross receipts collected each year.

(2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract

tourists or business travelers to the area; the term includes administrative expenses incurred in engaging in these activities.

(3) Tourism-related expenditures. – Expenditures that, in the judgment of the Camden Tourism Development Authority, are designed to increase the use of lodging facilities, meeting facilities, and convention facilities in a county by attracting tourists or business travelers to the county. The term includes tourism-related capital expenditures.

SECTION 2. Tourism Development Authority. – (a) Appointment and Membership. – When the board of commissioners adopts a resolution levying a room occupancy tax under this act, it shall also adopt a resolution creating a county Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The resolution shall provide for the membership of the Authority including the members' terms of office, and for the filling of vacancies on the Authority. At least one-third of the members must be individuals who are affiliated with businesses that collect the tax in the county and at least three-fourths of the members must be individuals who are currently active in the promotion of travel and tourism in the county. The board of commissioners shall designate one member of the Authority as chair and shall determine the compensation, if any, to be paid to members of the Authority.

The Authority shall meet at the call of the chair and shall adopt rules of procedure to govern its meetings. The Finance Officer for Camden County shall be the ex officio finance officer of the Authority.

SECTION 2.(b) Duties. – The Authority shall expend the net proceeds of the tax levied under this act for the purposes provided in Section 1 of this act. The Authority shall promote travel, tourism, and conventions in the county, sponsor tourist-related events and activities in the county, and finance tourist-related capital projects in the county.

SECTION 2.(c) Reports. – The Authority shall report quarterly and at the close of the fiscal year to the board of commissioners on its receipts and expenditures for the preceding quarter and for the year in such detail as the board may require.

SECTION 3. G.S. 153A-155(g) reads as rewritten:

"(g) This section applies only to Anson, Brunswick, Buncombe, Cabarrus, Camden, Carteret, Craven, Cumberland, Currituck, Dare, Davie, Durham, Granville, Madison, Montgomery, Nash, New Hanover, Pender, Person, Randolph, Richmond, Rowan, Scotland, Stanly, Transylvania, Tyrrell, Vance, and Washington Counties, and to the Township of Averasboro in Harnett County."

SECTION 4. This act is effective when it becomes law.

HOUSE BILL 1348:
Camden County Occupancy Tax

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Owens
Date:	June 30, 2004	**Summary by:**	Trina Griffin
Version:	1st Edition		Committee Counsel

SUMMARY: ***House Bill 1348 authorizes Camden County to levy a 6% room occupancy tax. The tax conforms to the uniform occupancy tax provisions and was given a favorable report by the Occupancy Tax Subcommittee.***

CURRENT LAW: Currently, Camden County does not have authority to levy a room occupancy tax. The only city in Camden County is Elizabeth City, which lies mostly in Pasquotank County. Its authority to levy an occupancy tax is contingent on whether Pasquotank County exercises its authority to levy, which it currently does. Thus, Elizabeth City is not currently levying an occupancy tax, but it could do so if Pasquotank were to repeal or reduce its tax.

BILL ANALYSIS: House Bill 1348 authorizes Camden County to levy a 6% room occupancy tax. The proceeds must be remitted to a county Tourism Development Authority (TDA), which must use two-thirds of the proceeds to promote travel and tourism and one-third for tourism-related expenditures. These administrative and use provisions conform to the uniform guidelines.

UNIFORM OCCUPANCY TAX PROVISIONS	HB 1348
Rate – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.	Conforms
Use – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related expenditures.	Conforms
Definitions The term "net proceeds", "promote travel and tourism", and "tourism related expenditures" are defined terms.	Conforms
Administration – The net revenues must be administered by a local tourism development authority that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least ¾ of the members must be currently active in the promotion of travel and tourism in the county and 1/3 of the members must be affiliated with organizations that collect the tax.	Conforms
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first $500,000 collected each year plus 1% of the remainder collected each year.	Conforms

EFFECTIVE DATE: This act is effective when it becomes law.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. In several instances, the General Assembly has authorized both a county and a city within that county to impose an occupancy tax. The rate of tax, the use of the tax proceeds, the administration of the tax, and the body with the authority to determine how the tax proceeds will be spent vary considerably. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative

provisions for occupancy tax legislation – G.S. 153A-155 and G.S. 160A-215. These provisions provide uniformity in the areas of levy, administration, collection, repeal, and penalties.

The North Carolina Travel and Tourism Coalition has a policy statement for legislation authorizing local occupancy taxes. Many of the principles contained in its statement are similar to the ones established by the House Finance subcommittee in 1993.

2003 COMMITTEE REPORT

A BILL TO BE ENTITLED

AN ACT TO ALLOW AN INCREASE IN THE CURRITUCK COUNTY OCCUPANCY TAX AND TO CHANGE THE PURPOSES FOR WHICH THE TAX MAY BE USED.

The General Assembly of North Carolina enacts:

SECTION 1. Section 1 of Chapter 209 of the 1987 Session Laws, as amended by Chapter 155 of the 1991 Session Laws and Chapter 155 of the 1999 Session Laws, is amended by adding a new subsection to read:

"(a2) Second Additional Occupancy Tax. – In addition to the tax authorized by subsection (a) and (a1) of this section, the Currituck County Board of Commissioners may levy a room occupancy tax of up to two percent (2%) of the gross receipts derived from the rental of accommodations taxable under subsection (a). The levy, collection, administration, and repeal of the tax authorized by this subsection shall be in accordance with the provisions of this act. Currituck County may not levy a tax under this subsection unless it also levies the tax under subsection (a) and (a1)."

SECTION 2. Section 1(e) of Chapter 209 of the 1987 Session Laws, as amended by Chapter 155 of the 1991 Session Laws, reads as rewritten:

"(e) Use of tax revenue. Currituck County shall use ~~at least seventy five percent (75%) of~~ the net proceeds of the tax levied under subsection (a) of this section only for ~~tourist related purposes, including construction and maintenance of public facilities and buildings, garbage, refuse, and solid waste collection and disposal, police protection, and emergency services.~~ tourism-related expenditures, including beach nourishment. ~~The remainder of the net proceeds of the tax levied under subsection (a) shall be deposited in the Currituck County General Fund and may be used for any lawful purpose.~~ Currituck County ~~may~~ shall use at least two-thirds of the net proceeds of the tax levied under subsection (a1) and (a2) of this ~~section, to the extent that they are needed, for capital costs, operation, and maintenance of the Currituck Wildlife Museum.~~

~~Whatever is not needed for the capital costs, operation, and maintenance of the Currituck Wildlife Museum shall be used for tourist-related purposes. As used in this subsection, 'net proceeds' means gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer.~~ section to promote travel and tourism and shall use the remainder of those funds for tourism-related expenditures.

The following definitions apply in this subsection:

(1) Beach nourishment. – The placement of sand, from other sand sources, on a beach or dune by mechanical means and other associated activities that are in conformity with the North Carolina Coastal Management Program along the shorelines of the Atlantic Ocean of North Carolina and connecting inlets for the purpose of widening the beach to benefit public recreational use and mitigating damage and erosion from storms to inland property. The term includes expenditures for any of the following:

a. Costs directly associated with qualifying for projects either contracted through the U.S. Army Corps of Engineers or otherwise permitted by all appropriate federal and State agencies.

b. The nonfederal share of the cost required to construct these projects.

c. The costs associated with providing enhanced public beach access.

d. The costs of associated nonhardening activities such as the planting of vegetation, the building of dunes, and the placement of sand fences.

(2) Net proceeds. – Gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars ($500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross receipts collected each year.

(3) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area; the term includes administrative expenses incurred in engaging in these activities.

(4) Tourism-related expenditures. – Expenditures that, in the judgment of the Currituck County Board of Commissioners, are designed to increase the use of lodging facilities, meeting facilities, recreational facilities, and convention facilities in a county by attracting tourists or business travelers to the county. The term includes tourism-related capital expenditures and beach nourishment."

SECTION 3. Chapter 209 of the 1987 Session Laws, as amended by Chapter 155 of the 1991 Session Laws and Chapter 155 of the 1999 Session Laws, is amended by adding a new section to read:

"Section 1.1. Currituck County Tourism Development Authority. – (a) Appointment and Membership. – When the board of commissioners adopts a resolution levying a room occupancy tax under this act, it shall also adopt a resolution creating a county Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The Authority shall be composed of six members: five voting members and one ex officio nonvoting member. The ex officio nonvoting member shall be the county's designated travel and tourism representative. The voting members shall be as follows:

(1) The county commissioner representing the Moyock Township.

(2) The county commissioner representing the Crawford Township.

(3) The county commissioner representing the Poplar Branch Township.

(4) The county commissioner representing the Fruitville Township.

(5) The at-large county commissioner.

(b) Administration. – The resolution creating the Authority shall designate one member of the Authority to serve as the initial chair and provide for the members' terms of office and for the filling of vacancies on the Authority. After the initial term, the Authority must elect a chair from among its members. The members of the Authority shall serve without pay. The Authority shall meet at the call of the chair and shall adopt rules of procedure to govern its meetings. The Finance Officer for Currituck County shall be the ex officio finance officer of the Authority.

(c) Duties. – The Authority shall expend the net proceeds of the tax levied under this act for the purposes provided in Section 1 of this act. The Authority shall promote travel, tourism, and conventions in the county, sponsor tourist-related events and activities in the county, and finance tourist-related capital projects in the county.

(d) Reports. – The Authority shall report quarterly and at the close of the fiscal year to the board of commissioners on its receipts and expenditures for the preceding quarter and for the year in such detail as the board may require."

SECTION 4. This act is effective when it becomes law.

(4) Tourism-related expenditures. – Expenditures that, in the judgment of the Currituck County Board of Commissioners, are designed to increase the use of lodging facilities, meeting facilities, and convention facilities in a county by attracting tourists or business travelers to the county. The term includes tourism-related capital expenditures and beach nourishment."

SECTION 3. This act is effective when it becomes law.

HOUSE BILL 1721:
Currituck Occupancy Tax Changes

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Owens
Date:	June 30, 2004	**Summary by:**	Trina Griffin
Version:	PCS for 1st Edition		Committee Counsel

SUMMARY: ***The Proposed Committee Substitute for House Bill 1721 authorizes Currituck County to increase its occupancy tax from 4% to 6% and to use 2/3 of the proceeds from the additional tax for tourism promotion and 1/3 of the proceeds for tourism-related expenditures. It also modifies the use of the first 3% by requiring that 100% of the net proceeds be used for tourism-related expenditures, including beach nourishment. The PCS was given a favorable report by the Occupancy Tax Subcommittee.***

CURRENT LAW: Currituck County has the authority to levy a 4% occupancy tax. Of the first 3%, the county must use at least 75% of the net proceeds for tourist-related purposes, which may include the construction and maintenance of public facilities and buildings, garbage collection, police protection, and emergency services. The county may use the remaining 25% of the first 3% for any lawful purpose. The county may use the net proceeds of the additional 1% for capital costs, operation, and maintenance of the Currituck Wildlife Museum. Whatever is not needed for that purpose shall be used for tourist-related purposes.

BILL ANALYSIS: The Proposed Committee Substitute for House Bill 1721 does the following:

- It modifies the use provisions for the first 3% by requiring that 100% of the net proceeds be used for tourism-related expenditures, which may include beach nourishment.
- It authorizes Currituck County to levy an additional 2% occupancy tax.
- It requires the county to use two-thirds of the proceeds of the second 3% (the additional 1% the county already has authority to levy + the 2% additional tax in the bill) for tourism promotion and one-third for tourism-related expenditures.
- It requires the county to establish a Tourism Development Authority, composed of the five county commissioners and the county's designated travel and tourism representative, to administer the occupancy tax proceeds.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. In several instances, the General Assembly has authorized both a county and a city within that county to impose an occupancy tax. The rate of tax, the use of the tax proceeds, the administration of the tax, and the body with the authority to determine how the tax proceeds will be spent vary considerably. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax legislation – G.S. 153A-155 and G.S. 160A-215. These provisions provide uniformity in the areas of levy, administration, collection, repeal, and penalties.

The North Carolina Travel and Tourism Coalition has a policy statement for legislation authorizing local occupancy taxes. Many of the principles contained in its statement are similar to the ones established by the House Finance subcommittee in 1993.

Referred to:

May 19, 2004

A BILL TO BE ENTITLED

AN ACT TO MODIFY THE TAXATION OF MOTOR FUELS; TO ALLOW THE SECRETARY OF REVENUE TO APPOINT EMPLOYEES OF THE MOTOR FUELS TAX DIVISION AS REVENUE LAW ENFORCEMENT OFFICERS; AND TO TRANSFER THE AUDIT FUNCTIONS FOR THE INTERNATIONAL REGISTRATION PLAN TO THE DEPARTMENT OF REVENUE FROM THE DIVISION OF MOTOR VEHICLES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-236(2) reads as rewritten:

"**§ 105-236. Penalties.**

Penalties assessed by the Secretary under this Subchapter are assessed as an additional tax. Except as otherwise provided by law, and subject to the provisions of G.S. 105-237, the following penalties shall be applicable:

...

(2) Failure to Obtain a License. – For failure to obtain a license before engaging in a business, trade or profession for which a license is required, the Secretary shall assess a penalty equal to five percent (5%) of the amount prescribed for the license per month or fraction thereof until paid, not to exceed twenty-five percent (25%) of the amount so prescribed, but in any event shall not be less than five dollars ($5.00). In cases in which the taxpayer fails to obtain a license as required under G.S. 105-449.65 or G.S. 105-449.131, the Secretary may assess a penalty of one thousand dollars ($1,000)."

SECTION 2. G.S. 105-236.1(a) reads as rewritten:

"(a) General. – The Secretary may appoint employees of the Unauthorized Substances Tax Division to serve as revenue law enforcement officers having the

responsibility and subject-matter jurisdiction to enforce the excise tax on unauthorized substances imposed by Article 2D of this Chapter.

The Secretary may appoint up to 11 employees of the Motor Fuels Tax Division to serve as revenue law enforcement officers having the responsibility and subject-matter jurisdiction to enforce the taxes on motor fuels imposed by Articles 36B, 36C, and 36D of this Chapter and by Chapter 119 of the General Statutes.

The Secretary may appoint employees of the Criminal Investigations Division to serve as revenue law enforcement officers having the responsibility and subject-matter jurisdiction to enforce the following tax violations and criminal offenses:

(1) The felony and misdemeanor tax violations in G.S. 105-236.

(2) The misdemeanor tax violations in G.S. 105-449.117 and G.S. 105-449.120.

(3) The following criminal offenses when they involve a tax imposed under Chapter 105 of the General Statutes:

a. G.S. 14-91 (Embezzlement of State Property).

b. G.S. 14-92 (Embezzlement of Funds).

c. G.S. 14-100 (Obtaining Property By False Pretenses).

d. G.S. 14-119 (Forgery).

e. G.S. 14-120 (Uttering Forged Paper).

f. G.S. 14-401.18 (Sale of Certain Packages of Cigarettes)."

SECTION 3. G.S. 105-449.46 reads as rewritten:

"**§ 105-449.46. Inspection of books and records.**

The Secretary and his authorized agents and representatives shall have the right at any reasonable time to inspect the books and records of any motor carrier subject to the tax imposed by this ~~Article.~~Article or to the registration fee imposed by Article 3 of Chapter 20 of the General Statutes."

SECTION 4. G.S. 105-449.86(a) reads as rewritten:

"(a) Tax. – An excise tax at the motor fuel rate is imposed on dyed diesel fuel acquired to operate any of the following:

(1) Repealed by Session Laws 2003-349, s. 10.8, effective January 1, 2004.

(2) Either a local bus or an intercity bus that is allowed by § 4082(b)(3) of the Code to use dyed diesel fuel.

(3) A highway vehicle that is owned by or leased to an educational organization that is not a public school and is allowed by § 4082(b)(1) or (b)(3) of the Code to use dyed diesel fuel.

~~(4) A highway vehicle that is owned by or leased to the American Red Cross and is allowed by § 4082 of the Code to use dyed diesel fuel.~~"

SECTION 5.(a) G.S. 105-449.95 is recodified as G.S. 105-449.106A.

SECTION 5.(b) G.S. 105-449.106A, as recodified by this act, reads as rewritten:

"**§ 105-449.106A. Quarterly ~~hold harmless~~ refund for licensed distributors and some licensed importers.**

(a) ~~Calculation.~~ Application. – ~~At the end of each calendar quarter, the Secretary must review the amount of discounts each~~ A licensed distributor or licensed importer may receive a quarterly refund as allowed under this section. To receive a refund, a distributor or importer must apply for the refund. The application must show the amount of discounts received under ~~G.S. 105-449.93(b). The Secretary must determine if the amount of discounts the distributor or importer received under that subsection in each month of the quarter is less than~~ G.S. 105-449.93(b) and the amount the distributor or importer would have received if the distributor or importer had been allowed a discount on taxable gasoline purchased by the distributor or importer from a supplier during each month of the quarter under the following schedule:

Amount of Gasoline Purchased Each Month	Percentage Discount
First 150,000 gallons	2%
Next 100,000 gallons	1 1/2%
Amount over 250,000 gallons	1%.

(b) ~~Refund.~~ Refund Amount. – If the amount the licensed distributor or licensed importer received under G.S. 105-449.93(b) for a month in the quarter is less than the amount the distributor or importer would have received on the distributor's or importer's taxable gasoline purchases under the monthly schedule in subsection (a) of this section, the ~~Secretary must send the~~ distributor or importer is allowed a refund equal to ~~a refund check for~~ the difference. In determining the amount of discounts a distributor or importer received under G.S. 105-449.93(b) for gasoline purchased in a month, a distributor or importer is considered to have received the amount of any discounts the distributor or importer could have received under that subsection but did not receive because the distributor or importer failed to pay the tax due to the supplier by the date the supplier had to pay the tax to the State."

SECTION 6. G.S. 105-449.115 reads as rewritten:

"**§ 105-449.115. Shipping document required to transport motor fuel by railroad tank car or transport truck.**

(a) Issuance. – A person may not transport motor fuel by railroad tank car or transport truck unless the person has a shipping document for its transportation that complies with this section. A terminal operator and the operator of a bulk plant must give a shipping document to the person who operates a railroad tank car or a transport truck into which motor fuel is loaded at the terminal rack or bulk plant rack.

(b) Content. – A shipping document issued by a terminal operator or the operator of a bulk plant must contain the following information and any other information required by the Secretary:

(1) Identification, including address, of the terminal or bulk plant from which the motor fuel was received.
(2) The date the motor fuel was loaded.
(3) The gross gallons loaded.
(4) The destination state of the motor fuel, as represented by the purchaser of the motor fuel or the purchaser's agent.

(5) If the document is issued by a terminal operator, the document must be machine printed and it must contain the following information:
a. The net gallons loaded.
b. A tax responsibility statement indicating the name of the supplier that is responsible for the tax due on the motor fuel.

(c) Reliance. – A terminal operator or bulk plant operator may rely on the representation made by the purchaser of motor fuel or the purchaser's agent concerning the destination state of the motor fuel. A purchaser is liable for any tax due as a result of the purchaser's diversion of fuel from the represented destination state.

(d) Duties of Transporter. – A person to whom a shipping document was issued must do all of the following:
(1) Carry the shipping document in the conveyance for which it was issued when transporting the motor fuel described in it. When operating an empty transport, carry the shipping document in the conveyance for the motor fuel last contained in the conveyance.
(2) Show the shipping document to a law enforcement officer upon request when transporting the motor fuel described in it.
(3) Deliver motor fuel described in the shipping document to the destination state printed on it unless the person does all of the following:
a. Notifies the Secretary before transporting the motor fuel into a state other than the printed destination state that the person has received instructions since the shipping document was issued to deliver the motor fuel to a different destination state.
b. Receives from the Secretary a confirmation number authorizing the diversion.
c. Writes on the shipping document the change in destination state and the confirmation number for the diversion.
(4) Give a copy of the shipping document to the distributor or other person to whom the motor fuel is delivered.

(e) Duties of Person Receiving Shipment. – A person to whom motor fuel is delivered by railroad tank car or transport truck may not accept delivery of the motor fuel if the destination state shown on the shipping document for the motor fuel is a state other than North Carolina. To determine if the shipping document shows North Carolina as the destination state, the person to whom the fuel is delivered must examine the shipping document and must keep a copy of the shipping document. The person must keep a copy at the place of business where the motor fuel was delivered for 90 days from the date of delivery and must keep it at that place or another place for at least three years from the date of delivery. A person who accepts delivery of motor fuel in violation of this subsection is jointly and severally liable for any tax due on the fuel.

(f) Sanctions Against Transporter. – The following acts are grounds for a civil penalty payable to the ~~Department of Transportation, Division of Motor Vehicles~~Department of Crime Control and Public Safety, or the Department of Revenue:

(1) Transporting motor fuel in a railroad tank car or transport truck without a shipping document or with a false or an incomplete shipping document.

(2) Delivering motor fuel to a destination state other than that shown on the shipping document.

The penalty imposed under this subsection is payable by the person in whose name the conveyance is registered, if the conveyance is a transport truck, and is payable by the person responsible for the movement of motor fuel in the conveyance, if the conveyance is a railroad tank car. The amount of the penalty is five thousand dollars ($5,000). A penalty imposed under this subsection is in addition to any motor fuel tax assessed.

(g) Sanctions Against Terminal Operator. – The Secretary may assess a civil penalty of five thousand dollars ($5,000) against a terminal operator for issuing a shipping document that does not satisfy the requirements of subsection (b) of this section."

SECTION 7. G.S. 119-15 is amended by adding the following two new subdivisions:

"**§ 119-15. Definitions that apply to Article.**

The following definitions apply in this Article:

...

(1a) Dyed diesel fuel distributor. – A person who acquires dyed diesel fuel from either of the following:

a. A person who is not required to be licensed under Part 2 of Article 36C of Chapter 105 of the General Statutes and who maintains storage facilities for dyed diesel fuel to be used for nonhighway purposes.

b. Another dyed diesel fuel distributor.

(1b) Dyed diesel fuel. – Defined in G.S. 105-449.60."

SECTION 8. G.S. 119-15.1(a) reads as rewritten:

"(a) License. – A person may not engage in business in this State as any of the following unless the person has a license issued by the Secretary authorizing the person to engage in business:

(1) A kerosene supplier.

(2) A kerosene distributor.

(3) A kerosene terminal operator.

(4) A dyed diesel fuel distributor."

SECTION 9. G.S. 20-91 reads as rewritten:

"**§ 20-91. Audit of vehicle registrations under the International Registration Plan.**

(a) Repealed by Session Laws 1995 (Regular Session, 1996), c. 756, s. 9.

(b) The ~~Division~~ Department of Revenue may audit a person who registers or is required to register a vehicle under the International Registration Plan to determine if the person has paid the registration fees due under this Article. A person who registers a vehicle under the International Registration Plan must keep any records used to determine the information provided to the Division when registering the vehicle. The

records must be kept for three years after the date of the registration to which the records apply. The ~~Division~~ Department of Revenue may examine these records during business hours. If the records are not located in North Carolina and an auditor must travel to the location of the records, the registrant shall reimburse North Carolina for per diem and travel expense incurred in the performance of the audit. If more than one registrant is audited on the same out-of-state trip, the per diem and travel expense may be prorated.

The ~~Commissioner~~ Secretary of Revenue may enter into reciprocal audit agreements with other agencies of this State or agencies of another jurisdiction for the purpose of conducting joint audits of any registrant subject to audit under this section.

(c) If an audit is conducted and it becomes necessary to assess the registrant for deficiencies in registration fees or taxes due based on the audit, the assessment will be determined based on the schedule of rates prescribed for that registration year, adding thereto and as a part thereof an amount equal to five percent (5%) of the tax to be collected. If, during an audit, it is determined that:

(1) A registrant failed or refused to make acceptable records available for audit as provided by law; or

(2) A registrant misrepresented, falsified or concealed records, then all plates and cab cards shall be deemed to have been issued erroneously and are subject to cancellation. The ~~Commissioner~~ Commissioner, based on information provided by the Department of Revenue audit, may assess the registrant for an additional percentage up to one hundred percent (100%) North Carolina registration fees at the rate prescribed for that registration year, adding thereto and as a part thereof an amount equal to five percent (5%) of the tax to be collected. The Commissioner may cancel all registration and reciprocal privileges.

As a result of an audit, no assessment shall be issued and no claim for refund shall be allowed which is in an amount of less than ten dollars ($10.00).

The results of any audit conducted under this section shall be provided to the Division. The notice of any assessments ~~will~~ shall be sent by the Division to the registrant by registered or certified mail at the address of the registrant as it appears in the records of the Division of Motor Vehicles in Raleigh. The notice, when sent in accordance with the requirements indicated above, will be sufficient regardless of whether or not it was ever received.

The failure of any registrant to pay any additional registration fees or tax within 30 days after the billing date, shall constitute cause for revocation of registration license plates, cab cards and reciprocal privileges.

(d) Repealed by Session Laws 1995 (Regular Session, 1996), c. 756, s. 9."

SECTION 10. Sections 1, 5, and 6 of this act become effective January 1, 2005. The remainder of this act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 2003

S 3

SENATE BILL 1171
Finance Committee Substitute Adopted 6/9/04
Third Edition Engrossed 6/17/04

Short Title: Motor Fuels Tax Changes. (Public)

Sponsors:

Referred to:

May 19, 2004

A BILL TO BE ENTITLED

AN ACT TO MODIFY THE TAXATION OF MOTOR FUELS; TO ALLOW THE SECRETARY OF REVENUE TO APPOINT EMPLOYEES OF THE MOTOR FUELS TAX DIVISION AS REVENUE LAW ENFORCEMENT OFFICERS; AND TO TRANSFER THE AUDIT FUNCTIONS FOR THE INTERNATIONAL REGISTRATION PLAN TO THE DEPARTMENT OF REVENUE FROM THE DIVISION OF MOTOR VEHICLES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-236(2) reads as rewritten:

"**§ 105-236. Penalties.**

Penalties assessed by the Secretary under this Subchapter are assessed as an additional tax. Except as otherwise provided by law, and subject to the provisions of G.S. 105-237, the following penalties shall be applicable:

...

(2) Failure to Obtain a License. – For failure to obtain a license before engaging in a business, trade or profession for which a license is required, the Secretary shall assess a penalty equal to five percent (5%) of the amount prescribed for the license per month or fraction thereof until paid, not to exceed twenty-five percent (25%) of the amount so prescribed, but in any event shall not be less than five dollars ($5.00). In cases in which the taxpayer fails to obtain a license as required under G.S. 105-449.65 or G.S. 105-449.131, the Secretary may assess a penalty of one thousand dollars ($1,000)."

SECTION 2. G.S. 105-236.1(a) reads as rewritten:

"(a) General. – The Secretary may appoint employees of the Unauthorized Substances Tax Division to serve as revenue law enforcement officers having the responsibility and subject-matter jurisdiction to enforce the excise tax on unauthorized substances imposed by Article 2D of this Chapter.

The Secretary may appoint up to 11 employees of the Motor Fuels Tax Division to serve as revenue law enforcement officers having the responsibility and subject-matter jurisdiction to enforce the taxes on motor fuels imposed by Articles 36B, 36C, and 36D of this Chapter and by Chapter 119 of the General Statutes.

The Secretary may appoint employees of the Criminal Investigations Division to serve as revenue law enforcement officers having the responsibility and subject-matter jurisdiction to enforce the following tax violations and criminal offenses:

(1) The felony and misdemeanor tax violations in G.S. 105-236.

(2) The misdemeanor tax violations in G.S. 105-449.117 and G.S. 105-449.120.

(3) The following criminal offenses when they involve a tax imposed under Chapter 105 of the General Statutes:

a. G.S. 14-91 (Embezzlement of State Property).

b. G.S. 14-92 (Embezzlement of Funds).

c. G.S. 14-100 (Obtaining Property By False Pretenses).

d. G.S. 14-119 (Forgery).

e. G.S. 14-120 (Uttering Forged Paper).

f. G.S. 14-401.18 (Sale of Certain Packages of Cigarettes)."

SECTION 3. G.S. 105-449.46 reads as rewritten:

"**§ 105-449.46. Inspection of books and records.**

The Secretary and his authorized agents and representatives shall have the right at any reasonable time to inspect the books and records of any motor carrier subject to the tax imposed by this ~~Article.~~Article or to the registration fee imposed by Article 3 of Chapter 20 of the General Statutes."

SECTION 4. G.S. 105-449.86(a) reads as rewritten:

"(a) Tax. – An excise tax at the motor fuel rate is imposed on dyed diesel fuel acquired to operate any of the following:

(1) Repealed by Session Laws 2003-349, s. 10.8, effective January 1, 2004.

(2) Either a local bus or an intercity bus that is allowed by § 4082(b)(3) of the Code to use dyed diesel fuel.

(3) A highway vehicle that is owned by or leased to an educational organization that is not a public school and is allowed by § 4082(b)(1) or (b)(3) of the Code to use dyed diesel fuel.

~~(4) A highway vehicle that is owned by or leased to the American Red Cross and is allowed by § 4082 of the Code to use dyed diesel fuel.~~"

SECTION 5.(a) G.S. 105-449.95 is recodified as G.S. 105-449.106A.

SECTION 5.(b) G.S. 105-449.106A, as recodified by this act, reads as rewritten:

"**§ 105-449.106A. Quarterly ~~hold harmless~~ refund for licensed distributors and some licensed importers.**

(a) ~~Calculation.~~ Application. – ~~At the end of each calendar quarter, the Secretary must review the amount of discounts each~~ A licensed distributor or licensed importer may receive a quarterly refund as allowed under this section. To receive a refund, a

distributor or importer must apply for the refund. The application must show the amount of discounts received under ~~G.S. 105-449.93(b). The Secretary must determine if the amount of discounts the distributor or importer received under that subsection in each month of the quarter is less than~~ G.S. 105-449.93(b) and the amount the distributor or importer would have received if the distributor or importer had been allowed a discount on taxable gasoline purchased by the distributor or importer from a supplier during each month of the quarter under the following schedule:

Amount of Gasoline Purchased Each Month	Percentage Discount
First 150,000 gallons	2%
Next 100,000 gallons	1 1/2%
Amount over 250,000 gallons	1%.

(b) ~~Refund.~~ Refund Amount. – If the amount the licensed distributor or licensed importer received under G.S. 105-449.93(b) for a month in the quarter is less than the amount the distributor or importer would have received on the distributor's or importer's taxable gasoline purchases under the monthly schedule in subsection (a) of this section, the ~~Secretary must send the~~ distributor or importer is allowed a refund equal to ~~a refund check for~~ the difference. In determining the amount of discounts a distributor or importer received under G.S. 105-449.93(b) for gasoline purchased in a month, a distributor or importer is considered to have received the amount of any discounts the distributor or importer could have received under that subsection but did not receive because the distributor or importer failed to pay the tax due to the supplier by the date the supplier had to pay the tax to the State."

SECTION 6. G.S. 105-449.115 reads as rewritten:

"**§ 105-449.115. Shipping document required to transport motor fuel by railroad tank car or transport truck.**

(a) Issuance. – A person may not transport motor fuel by railroad tank car or transport truck unless the person has a shipping document for its transportation that complies with this section. A terminal operator and the operator of a bulk plant must give a shipping document to the person who operates a railroad tank car or a transport truck into which motor fuel is loaded at the terminal rack or bulk plant rack.

(b) Content. – A shipping document issued by a terminal operator or the operator of a bulk plant must contain the following information and any other information required by the Secretary:

(1) Identification, including address, of the terminal or bulk plant from which the motor fuel was received.
(2) The date the motor fuel was loaded.
(3) The gross gallons loaded.
(4) The destination state of the motor fuel, as represented by the purchaser of the motor fuel or the purchaser's agent.
(5) If the document is issued by a terminal operator, the document must be machine printed and it must contain the following information:
a. The net gallons loaded.

b. A tax responsibility statement indicating the name of the supplier that is responsible for the tax due on the motor fuel.

(c) Reliance. – A terminal operator or bulk plant operator may rely on the representation made by the purchaser of motor fuel or the purchaser's agent concerning the destination state of the motor fuel. A purchaser is liable for any tax due as a result of the purchaser's diversion of fuel from the represented destination state.

(d) Duties of Transporter. – A person to whom a shipping document was issued must do all of the following:

(1) Carry the shipping document in the conveyance for which it was issued when transporting the motor fuel described in it. When operating an empty transport, carry the shipping document in the conveyance for the motor fuel last contained in the conveyance.

(2) Show the shipping document to a law enforcement officer upon request when transporting the motor fuel described in it.

(3) Deliver motor fuel described in the shipping document to the destination state printed on it unless the person does all of the following:

a. Notifies the Secretary before transporting the motor fuel into a state other than the printed destination state that the person has received instructions since the shipping document was issued to deliver the motor fuel to a different destination state.

b. Receives from the Secretary a confirmation number authorizing the diversion.

c. Writes on the shipping document the change in destination state and the confirmation number for the diversion.

(4) Give a copy of the shipping document to the distributor or other person to whom the motor fuel is delivered.

(e) Duties of Person Receiving Shipment. – A person to whom motor fuel is delivered by railroad tank car or transport truck may not accept delivery of the motor fuel if the destination state shown on the shipping document for the motor fuel is a state other than North Carolina. To determine if the shipping document shows North Carolina as the destination state, the person to whom the fuel is delivered must examine the shipping document and must keep a copy of the shipping document. The person must keep a copy at the place of business where the motor fuel was delivered for 90 days from the date of delivery and must keep it at that place or another place for at least three years from the date of delivery. A person who accepts delivery of motor fuel in violation of this subsection is jointly and severally liable for any tax due on the fuel.

(f) Sanctions Against Transporter. – The following acts are grounds for a civil penalty payable to the ~~Department of Transportation, Division of Motor Vehicles~~Department of Crime Control and Public Safety, or the Department of Revenue:

(1) Transporting motor fuel in a railroad tank car or transport truck without a shipping document or with a false or an incomplete shipping document.

(2) Delivering motor fuel to a destination state other than that shown on the shipping document.

The penalty imposed under this subsection is payable by the person in whose name the conveyance is registered, if the conveyance is a transport truck, and is payable by the person responsible for the movement of motor fuel in the conveyance, if the conveyance is a railroad tank car. The amount of the penalty is five thousand dollars ($5,000). A penalty imposed under this subsection is in addition to any motor fuel tax assessed.

(g) Sanctions Against Terminal Operator. – The Secretary may assess a civil penalty of five thousand dollars ($5,000) against a terminal operator for issuing a shipping document that does not satisfy the requirements of subsection (b) of this section."

SECTION 7. G.S. 119-15 is amended by adding the following two new subdivisions:

"**§ 119-15. Definitions that apply to Article.**

The following definitions apply in this Article:

...

(1a) Dyed diesel fuel distributor. – A person who acquires dyed diesel fuel from either of the following:

a. A person who is not required to be licensed under Part 2 of Article 36C of Chapter 105 of the General Statutes and who maintains storage facilities for dyed diesel fuel to be used for nonhighway purposes.

b. Another dyed diesel fuel distributor.

(1b) Dyed diesel fuel. – Defined in G.S. 105-449.60."

SECTION 8. G.S. 119-15.1(a) reads as rewritten:

"(a) License. – A person may not engage in business in this State as any of the following unless the person has a license issued by the Secretary authorizing the person to engage in business:

(1) A kerosene supplier.

(2) A kerosene distributor.

(3) A kerosene terminal operator.

(4) A dyed diesel fuel distributor."

SECTION 9. G.S. 20-91 reads as rewritten:

"**§ 20-91. Audit of vehicle registrations under the International Registration Plan.**

(a) Repealed by Session Laws 1995 (Regular Session, 1996), c. 756, s. 9.

(b) The ~~Division~~ Department of Revenue may audit a person who registers or is required to register a vehicle under the International Registration Plan to determine if the person has paid the registration fees due under this Article. A person who registers a vehicle under the International Registration Plan must keep any records used to determine the information provided to the Division when registering the vehicle. The records must be kept for three years after the date of the registration to which the records apply. The ~~Division~~ Department of Revenue may examine these records during business hours. If the records are not located in North Carolina and an auditor must

travel to the location of the records, the registrant shall reimburse North Carolina for per diem and travel expense incurred in the performance of the audit. If more than one registrant is audited on the same out-of-state trip, the per diem and travel expense may be prorated.

The ~~Commissioner~~ Secretary of Revenue may enter into reciprocal audit agreements with other agencies of this State or agencies of another jurisdiction for the purpose of conducting joint audits of any registrant subject to audit under this section.

(c) If an audit is conducted and it becomes necessary to assess the registrant for deficiencies in registration fees or taxes due based on the audit, the assessment will be determined based on the schedule of rates prescribed for that registration year, adding thereto and as a part thereof an amount equal to five percent (5%) of the tax to be collected. If, during an audit, it is determined that:

(1) A registrant failed or refused to make acceptable records available for audit as provided by law; or

(2) A registrant misrepresented, falsified or concealed records, then all plates and cab cards shall be deemed to have been issued erroneously and are subject to cancellation. The ~~Commissioner~~ Commissioner, based on information provided by the Department of Revenue audit, may assess the registrant for an additional percentage up to one hundred percent (100%) North Carolina registration fees at the rate prescribed for that registration year, adding thereto and as a part thereof an amount equal to five percent (5%) of the tax to be collected. The Commissioner may cancel all registration and reciprocal privileges.

As a result of an audit, no assessment shall be issued and no claim for refund shall be allowed which is in an amount of less than ten dollars ($10.00).

The results of any audit conducted under this section shall be provided to the Division. The notice of any assessments ~~will~~ shall be sent by the Division to the registrant by registered or certified mail at the address of the registrant as it appears in the records of the Division of Motor Vehicles in Raleigh. The notice, when sent in accordance with the requirements indicated above, will be sufficient regardless of whether or not it was ever received.

The failure of any registrant to pay any additional registration fees or tax within 30 days after the billing date, shall constitute cause for revocation of registration license plates, cab cards and reciprocal privileges.

(d) Repealed by Session Laws 1995 (Regular Session, 1996), c. 756, s. 9."

SECTION 10. Sections 3 and 9 of this act become effective July 1, 2004. Sections 1, 5, and 6 of this act become effective January 1, 2005. The remainder of this act is effective when it becomes law.

SENATE BILL 1171:
Motor Fuel Tax Changes

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Sen. Kerr
Date:	June 30, 2004	**Summary by:**	Cindy Avrette
Version:	3rd Edition		Committee Counsel

SUMMARY: ***Senate Bill 1171 is a recommendation of the Revenue Laws Study Committee. It makes numerous changes to the motor fuels tax statutes and allows the Department of Revenue to appoint employees of the Motor Fuels Tax Division as revenue law enforcement officers.***

The only change in the Proposed Committee Substitute is a revision of the effective date.

BILL ANALYSIS: Section 1 allows the Secretary to impose a $1,000 penalty for failure to obtain a license under G.S. 105-449.65 or G.S. 105-449.131[1]. Currently, the Secretary has general authority to impose a penalty for failure to obtain a license. Under that general authority, the amount of the penalty imposed is equal to 5% of the amount prescribed for the license for each month the taxpayer fails to obtain the license, with a maximum penalty of 25% of the amount prescribed for the license. Because this general authority limits the penalty to a percentage of the amount prescribed for the license, it effectively bars assessing a penalty when there is no charge to obtain a license. There is no charge for the licenses issued pursuant to G.S. 105-449.65 or G.S. 105-449.131. This provision becomes effective January 1, 2005.

Section 2 allows the Secretary of Revenue to appoint up to 11 employees of the Motor Fuels Tax Division as revenue law enforcement officers. The Secretary has the general authority under G.S. 105-236.1 to appoint employees of the Criminal Investigations Division as law enforcement officers. This bill would give the Secretary the additional authority to appoint employees of the Motor Fuels Tax Division as law enforcement officers. The employees would have subject matter jurisdiction to enforce the motor fuels taxes imposed by Articles 36B, 36C, and 36D of Chapter 105. As law enforcement officers, these Department of Revenue employees would be entitled to increased pension benefits such as a 5% contribution to a 401(k) plan, early retirement, enhanced compensation for work-related disability, and a separation allowance that increases benefits for an officer who retires before becoming eligible for social security (the allowance ends when the officer begins receiving social security). This section is effective when it becomes law.

Sections 3 and 9 transfer audit functions related to the International Registration Plan from the Department of Transportation, Division of Motor Vehicles to the Department of Revenue, Motor Fuels Tax Division. The International Registration Plan is the mechanism through which interstate motor carriers are licensed. It helps to ensure that the proper amount of motor fuels

[1] G.S. 105-449.65 is contained in the Article dealing with gasoline, diesel fuel, and blended fuel, and requires the following to have a license: refiners, suppliers, terminal operator, importers, exporters, blenders, motor fuel transporters, and distributors who purchase motor fuel from an elective or permissive supplier at an out-of-state terminal for import into this State. G.S. 105-449.131 is contained in the Article dealing with alternative fuels and requires the following to have a license: providers of alternative fuel, bulk-end users, and retailers.

tax is credited to each jurisdiction in which the motor carrier travels. It has been suggested that the Department of Revenue has more expertise in auditing taxpayers and would be a more appropriate home for these audit functions. The positions associated with these audit functions will be transferred through an administrative transfer when the bill becomes law.

Section 4 exempts motor fuel acquired to operate a highway vehicle owned by or leased to the American Red Cross from the motor fuel excise tax. In Department of Employment v. United States, 385 U.S. 355, 87 S.Ct. 464 (1966), the United States Supreme Court ruled that the Red Cross is an instrumentality of the United States for state tax immunity purposes. This provision codifies the current administrative practice of the Department of Revenue. This section is effective when it becomes law.

Section 5 provides that a licensed distributor or licensed importer may apply for a quarterly refund equal to the difference between the amount the distributor or importer would have received under the discount provisions as they existed prior to 1996 and the amount the distributor or importer currently receives under G.S. 105-449.93(b). The hold harmless provision was created in 1996 as part of the overhaul of motor fuels taxation. It ensured that a licensed distributor or licensed importer would not receive less of a discount under the new system that it did under the old. Currently, 20% of licensed distributors were not licensed in 1996. These distributors are able to take advantage of the hold harmless provision even though they never received the benefit of the discount in place prior to 1996. Under current law, the licensed distributor or importer does not have to do anything to receive this refund; the Secretary of Revenue must determine the difference and send a refund to the distributor or importer. The original bill would have eliminated the quarterly refund. This section becomes effective January 1, 2005.

Section 6 allows the Secretary of Revenue to assess a penalty of $5,000 on a terminal operator who fails to issue a shipping document that satisfies the requirements for the shipping document. Under G.S. 105-449.115, shipping documents issued by a terminal operator must contain the following information: 1) identification of the terminal or bulk plant from which the fuel was received, 2) the date the fuel was loaded, 3) the gross gallons loaded, 4) the destination state of the motor fuel, 5) the net gallons loaded, and 6) a tax responsibility statement indicating the name of the supplier that is responsible for the tax. The Motor Fuels Tax Division has noticed a problem with some terminal operators failing to issue proper shipping documents. Without an accurate shipping document, it is difficult, if not impossible, for the Department to ensure that the proper amount of tax is being paid.

Section 6 also requires a person operating an empty transport to carry the shipping document in the conveyance for the motor fuel last contained in the conveyance. The US Department of Transportation already requires a transporter to carry this information. This requirement will help the Motor Fuels Division in its enforcement of fuel tax evasion by identifying the product that was last hauled by the transporter and determining if the transporter is truly empty at the time of investigation. If there is product in the conveyance, then Motor Fuels would have the last known delivery to determine if the transporter 'short dropped' the product. The Division

could also use the information to verify that the product that was delivered to a retail location is what the retail station had facilities to store. This section becomes effective January 1, 2005.

Sections 7 and 8 make changes to Chapter 119 necessitated by legislation enacted in 2003. In 2003, the General Assembly voted to apply the inspection tax to dyed diesel fuels. The inspection tax is imposed on all fuel types at the rate of ¼¢ per gallon. Proceeds of the tax are used to offset the expenses of administering the motor fuels taxes. The changes in these two sections are needed to apply the tax to distributors who purchase only dyed diesel fuel. These two sections are effective when they become law.

Section 10 is the effective date section. It is effective when it becomes law.

Canaan Huie, counsel to the Revenue Laws Study Committee, contributed significantly to this summary.

NORTH CAROLINA GENERAL ASSEMBLY

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue, Department of Transportation – Division of Motor Vehicles, Department of Crime Control and Public Safety

EFFECTIVE DATE: Sections 3 and 9 (Transfer of IRP Audit Responsibility) become effective July 1, 2004. Sections 1 (Penalty), 5 (Quarterly Refund), and 6 (Penalty) become effective January 1, 2005. The remainder of the act is effective when it becomes law.

BILL SUMMARY:

The act modifies the penalties charged for violation of motor fuel tax laws; allows the Secretary of Revenue to appoint up to 11 employees of the Motor Fuels Tax Division as Revenue Law Enforcement Officers; exempts the American Red Cross from paying the excise tax on dyed diesel fuel; changes refund to licensed distributors from automatic to paid upon application; conforms state law to federal on shipping documents in fuel transport trucks; and transfers the audit functions for the International Registration Plan from the Division of Motor Vehicles to the Department of Revenue.

ASSUMPTIONS AND METHODOLOGY:

Penalties

Sections 1 and 6 create new penalties. Section 1 allows the Secretary of Revenue to impose a $1,000 civil penalty on refiners, suppliers, terminal operators, importers, exporters, blenders, motor fuel transporters and certain distributors that fail to obtain a license. The current law bars the Department from charging a penalty because there is no fee for the license. The Department estimates a maximum of 5 violators a year. Since the penalty is discretionary, this fiscal analysis will not estimate any revenue resulting from this section. If penalty revenue were received it would be deposited into the Highway Fund as nontax revenue according to G.S. 105-449.127.

Section 6 allows the Secretary of Revenue to impose a civil penalty of $5,000 on an oil terminal operator who fails to issue a bill of laden that does not meet departmental requirements. Without an accurate bill of laden, the Department cannot ensure that the proper tax amount is being charged. The Department has experienced regular noncompliance by one terminal operator and thinks this provision will remedy the situation. Again, no estimate is possible due to the discretionary nature of the penalty.

Section 6 also contains an amendment to the duties of a fuel transporter. The bill adds the sentence "When operating an empty transport, carry the shipping document in the conveyance for the motor fuel last contained in the conveyance." This conforms state statutes to federal law in this matter. There are no additional penalties assessed. No fiscal impact is expected from this amendment.

Law Enforcement

Section 2 allows the Secretary of Revenue to appoint up to 11 employees of the Motor Fuels Tax Division to serve as revenue law enforcement officers. The Motor Fuels Tax Division currently employs the following six investigator positions: a Motor Fuels Tax Investigator Supervisor, 4 Motor Fuels Tax Investigators, and a Tax Fraud Investigator. Only the Tax Fraud Investigator has law enforcement status. Giving the other 5 employees law enforcement authority will require a minimum appropriation of $28,976 in FY 2004-05. Of this amount, $9,791 is recurring for an employer contribution to a 401K plan the State makes on behalf of sworn law enforcement officers. The $19,185 in non-recurring expense is for needed equipment and for enrollment in the Basic Law Enforcement Training course at a community college.

This increased appropriation would come from the ¼ cent inspection tax on motor fuel. The investigator positions are an administrative expense of the inspection tax as authorized by G.S. 119-18(b). Administrative costs are deducted from the tax before distribution of the tax proceeds to the Commercial Leaking Petroleum Underground Storage Tank Cleanup Fund and the Noncommercial Leaking Petroleum Underground Storage Tank Cleanup Fund.

Transfer Positions

On May 4, 2004, the Office of State Budget and Management (OSBM) approved the transfer of $375,932 and six positions responsible for International Registration Plan (IRP) vehicle registration audits from the Division of Motor Vehicles of the Department of Transportation to the Department of Revenue. Sections 3 and 9 conform the statutory language to this administrative change. The transfer will not increase the budget for this unit, thus there is no fiscal impact for these sections of the bill.

Red Cross Exemption

Section 4 exempts the American Red Cross from paying the excise tax on dyed diesel fuel. The U.S. Supreme Court ruled in the Department of Employment v. United States that the American Red Cross is an instrumentality of the United States for state tax immunity purposes. While the Red Cross is not exempt by statute, the Department of Revenue has administratively recognized their federal exemption status and has refunded their tax payments. Since this section conforms statute to departmental policy, there is no fiscal impact for this section.

Distributor Refund

Section 5 changes the hold harmless provision enacted in 1996 to ensure that licensed motor fuel distributors and certain licensed importers would not receive less of a discount under the new system (Tax at the Rack) than they did under the old system. Currently the Department automatically sends refunds to distributors on a quarterly basis. Under this bill, the distributors have to apply for the refund and show how the amount was calculated. Currently 250 distributors receive $1.5 million in refunds each year due to this provision. No savings are anticipated in the short term.

Dyed Fuel Distributors

Sections 7 and 8 amend statutes to conform to legislation on dyed diesel fuel that was approved in the 2003 Session. There is no fiscal impact from these sections.

Representative Decker

moves to amend the bill on page 1, line 5, by deleting the word "AND";

and on page 1, line 7, by replacing "VEHICLES." with "VEHICLES; AND TO CAP THE VARIABLE WHOLESALE COMPONENT OF THE MOTOR FUELS TAX RATE.";

and on page 6, lines 40-41, by rewriting those lines to read:

"**SECTION 10.** G.S. 105-449.80(a) reads as rewritten:

'(a) Rate. – The motor fuel excise tax rate is a flat rate of seventeen and one-half cents (17 1/2¢) a gallon plus a variable wholesale component. The variable wholesale component is either three and one-half cents (3 1/2¢) a gallon or seven percent (7%) of the average wholesale price of motor fuel for the applicable base period, whichever is greater. In no case may the variable wholesale component be greater than seven and one-tenths cents (7.1¢) a gallon.

The two base periods are six-month periods; one ends on September 30 and one ends on March 31. The Secretary must set the tax rate twice a year based on the wholesale price for each base period. A tax rate set by the Secretary using information for the base period that ends on September 30 applies to the six-month period that begins the following January 1. A tax rate set by the Secretary using information for the base period that ends on March 31 applies to the six-month period that begins the following July 1.'

HOUSE BILL 1688

Short Title: Concord Annexation Effective Date. (Local)

Sponsors: Representative Barnhart.

Referred to: Finance.

May 27, 2004

A BILL TO BE ENTITLED

AN ACT TO ALLOW A DEFERRED EFFECTIVE DATE FOR CERTAIN VOLUNTARY ANNEXATIONS OF THE CITY OF CONCORD.

The General Assembly of North Carolina enacts:

SECTION 1. Notwithstanding G.S. 160A-31(d), the City Council of the City of Concord may make annexation ordinances adopted pursuant to Part 1 of Article 4A of Chapter 160A of the General Statutes effective on any specified date within 24 months from the date of passage of the annexation ordinance if that ordinance applies to some or all of the following described property:

TRACT ONE (31.87 acres for Phase 1 of Brandon Ridge Subdivision):

Lying and being in Number Eleven (11) Township, Cabarrus County, North Carolina, on the North side of Piney Church Road, and being a tract of land containing 31.87 acres, bounded on the West by Dan Moser Co., Inc. and on the East by St. Andrews Place, and being more particularly described as follows:

BEGINNING at an existing iron within Piney Church Road, said iron being a front common corner of Crawford Love, Terry Lamb, and Donald Reid, and runs thence with the line of Crawford Love, N. 61-41-36 E. 166.30 feet to an iron, a rear corner of Love; thence continuing with the line of Love, N. 41-15-39 W. 263.13 feet to an iron in the line of Dan Moser Co.; thence with the line of Dan Moser Co., N. 33-22-32 E. 1805.36 feet to a point, a new corner; thence a new line S. 49-58-02 E. 189.82 feet to a point; thence continuing a new line, S. 27-26-57 E. 160.38 feet; thence continuing a new line, S. 62-33-03 W. 210.70 feet to a point; thence continuing a line with a curve having a radius of 125.00 feet and a length of 63.65 feet with a chord bearing S. 47-57-48 W. and a chord distance of 62.96 feet to a point; thence continuing a new line, S. 33-22-32 W. 202.12 feet to a point; thence continuing a new line, S. 45-18-45 E. 578.43 feet to a point; thence continuing a new line, S. 44-41-15 W. 18.00 feet to a point; thence continuing eight new lines as follows:

(1) S. 45-18-45 E. 110.00 feet to a point;

(2) S. 44-41-15 W. 71.65 feet to a point;

(3) S. 44-41-15 W. 41.00 feet to a point;
(4) S. 39-13-39 W. 55.15 feet to a point;
(5) S. 38-14-18 W. 27.48 feet to a point;
(6) S. 21-00-51 W. 30.32 feet to a point;
(7) S. 20-33-51 W. 46.66 feet to a point; and
(8) S. 19-01-17 W. 461.00 feet to a point;

thence continuing a new line, S. 70-58-43 E. 85.00 feet to a point; thence with the line of a curve having a radius of 25.00 feet, an arc distance 39.27 feet, with a chord bearing N. 64-01-17 E. and a chord distance of 35.36 feet to a point; thence continuing a new line, S. 71-22-38 E. 210.01 feet to a point in the rear line of Lot 28, St Andrews Place, Phase I, Map II; thence with the rear line of St Andrews Place, Phase I, Map II, S. 19-01-17 W. 310.87 feet to an existing iron near the northern edge of Piney Church Road; thence N. 61-01-07 W. 118.65 feet to a point within Piney Church Road, in the front line of Margaret H. Jarrell; thence with the front line of Jarrell, N. 63-26-14 W. 149.15 feet to an existing iron; thence N. 73-41-16W. 188.28 feet to an iron, a corner of Piney Grove Methodist Church; thence with the front line of said church, N. 79-10-30 W. 96.17 feet to an existing iron; thence continuing with the line of said church and with the line of Rufus Reid, S. 89-18-46 W. 250.07 feet to an iron in the front line of Reid; thence with the front line of Rufus N. Reid and Terry C. Lamb, N. 74-50-56 W. 469.98 feet to the point of BEGINNING, containing 31.87 acres, more or less, as shown on a boundary survey of Phase One (1), BRANDON RIDGE SUBDIVISION, by Spratt & Brooks Land Surveying, Richard Boyd Brooks, P.L.S., dated October 18, 2002.

TRACT TWO (18.23 acres for Phase 2 of Brandon Ridge Subdivision):

Lying and being in Number Eleven (11) Township, Cabarrus County, North Carolina, on the North side but not adjoining Piney Church Road, bounded on the East by Dan Moser Co. and on the North by Southbrook Subdivision, and being more particularly described as follows:

BEGINNING at an existing iron in the line of Dan Moser Co., said iron being a rear corner of Lot 114, Southbrook, Phase II, III & IV, and runs thence with the line of Southbrook Subdivision, S. 44-52-58 E. 836.71 feet to a stone in the rear line of Lot 107; thence continuing with the rear line of Southbrook Subdivision, S. 45-18-45 E. 309.33 feet to a point in the rear line of Lot 100, Southbrook Subdivision; thence a new line, S. 44-41-15 W. 160.00 feet to a point; thence continuing fourteen (14) new lines as follows:

(1) S. 45-18-45 E. 34.87 feet to a point;
(2) S. 44-41-15 W. 160.00 feet to a point;
(3) S. 45-18-45 E. 22.27 feet to a point;
(4) S. 44-41-15 W. 160.00 feet to a point;
(5) N. 45-18-45 W. 22.27 feet to a point;
(6) S. 44-41-15 W. 110.00 feet to a point;
(7) N. 45-18-45 W. 82.00 feet to a point;
(8) S. 44-41-15 W. 160.00 feet to a point;
(9) N. 45-18-45 W. 23.00 feet to a point;
(10) S. 44-41-15 W. 128.00 feet to a point;

(11) N. 45-18-45 W. 110.00 feet to a point;
(12) N. 44-41-15 E. 18.00 feet to a point;
(13) N. 45-18-45 W. 578.43 feet to a point;
(14) N. 33-22-32 E. 202.12 feet to a point;

thence with the line of a curve having a radius of 125.00 feet for an arc distance of 63.65 feet and a chord bearing of N. 47-57-48 E. 62.96 feet to a point; thence continuing a new line, N. 62-33-03 E. 210.70 feet to a point; thence continuing a new line, N. 27-26-57 W. 160.38 feet to a point; thence continuing a new line, N. 49-58-02 W. 189.82 feet to a point in the line of Dan Moser Co.; thence with the line of Dan Moser Co., N. 33-22-32 E. 378.23 feet to the point of BEGINNING, containing 18.23 acres, more or less, as shown on a boundary survey of Phase II, BRANDON RIDGE SUBDIVISION by Spratt & Brooks Land Surveying, Richard Boyd Brooks, P.L.S., dated October 18, 2002.

TRACT THREE (21.95 acres for Phase 3 of Brandon Ridge Subdivision):

Lying and being in Number Eleven (11) Township, Cabarrus County, North Carolina, on the North side, but not adjoining Piney Church Road, bounded on the South by St Andrews Place, Phase I, Map II, on the East by Sarah S. Lowder, and on the North by Southbrook Subdivision, and being more particularly described as follows:

BEGINNING at a concrete monument, said monument being the rear common corner of Lots 32 and 33, St Andrews Place, Phase I, Map II, Map Book 32, Page 44, Cabarrus County Registry, and runs thence with the line of St Andrews Place, Phase I, Map II, S. 68-39-37 E. 750.05 feet to a concrete monument, a rear corner of Lot 57, St Andrews Place, in the line of Sarah S. Lowder; thence with the line of Lowder, N. 25-28-53 E. 774.78 feet to a existing iron in the rear line of Lot 91, Southbrook Subdivision; thence with the rear line of Southbrook Subdivision, N. 45-18-45 W. 703.30 feet to a point in the rear line of Lot 100, Southbrook Subdivision; thence eighteen (18) new lines as follows:

(1) S. 44-41-15 W. 160.00 feet to a point;
(2) S. 45-18-45 E. 34.87 feet to a point;
(3) S. 44-41-15 W. 160.00 feet to a point;
(4) S. 45-18-45 E. 22.27 feet to a point;
(5) S. 44-41-15 W. 160.00 feet to a point;
(6) N. 45-18-45 W. 22.27 feet to a point;
(7) S. 44-41-15 W. 110.00 feet to a point;
(8) N. 45-18-45 W. 82.00 feet to a point;
(9) S. 44-41-15 W. 160.00 feet to a point;
(10) N. 45-18-45 W. 23.00 feet to a point;
(11) S. 44-41-15 W. 199.65 feet to a point;
(12) S. 44-41-15 W. 41.00 feet to a point;
(13) S. 39-13-39 W. 55.15 feet to a point;
(14) S. 38-14-18 W. 27.48 feet to a point;
(15) S. 21-00-51 W. 30.32 feet to a point;
(16) S. 20-33-51 W. 46.66 feet to a point;
(17) S. 19-01-17 W. 461.00 feet to a point; and

(18) S. 70-58-43 E. 85.00 feet to a point;
thence with the curve of a line having a radius of 25.00 feet for an arc length of 39.27 feet and a chord bearing N. 64-01-17 E. and chord distance 35.36 feet to a point; thence continuing a new line S. 71-22-38 E. 210.01 feet to a point in the rear line of Lot 28 St Andrews Place, Phase I, Map II, Map Book 33, Page 44, Cabarrus County Registry; thence with the rear line of St Andrews Place, Phase I, Map II, N. 19-01-17 E. 407.58 feet to the point of BEGINNING, containing 21.95 acres, more or less, as shown on a boundary survey of Phase III, BRANDON RIDGE SUBDIVISION, by Spratt & Brooks Land Surveying, Richard Boyd Brooks, P.L.S., dated October 18, 2002.

TRACT 4 (22.04 acres for Park Place Subdivision):

Lying and being in Number Eleven (11) Township, Cabarrus County, North Carolina, on the West side of Zion Church Road, bounded on the North by Windrose Subdivision, on the South by Robert Earl Morris, and on the West by Phillip W. Cline, and being more particularly described as follows:

BEGINNING at a point in the centerline of Zion Church Road, said point being about 1300 feet from Highway 601, and being a southeast front corner of Kristopher W. Widenhouse (Deed Book 2819, Page 86), and runs thence with the rear line of Widenhouse and Windrose, Phase III, N. 88-32-55 W. 639.08 feet to an iron, a rear corner of Lot 63, Windrose, in the line of Lot 64; thence with the line of Lot 64 of Windrose, S. 13-42-42 W. 61.19 feet to an iron, a rear corner of Lot 64, Windrose; thence continuing with Windrose Subdivision, N. 88-33-27 W. 1,323.94 feet to an iron in the line of Phillip W. Cline, a rear corner of Lot 16, Windrose, Phase I, Map Book 23, Page 81; thence with the line of Phillip W. Cline, S. 4-42-59 E. 853.99 feet to a point in Irish Buffalo Creek; thence with the line of Robert Earl Morris, N. 73-25-25 E. (passing an iron at 25.00 feet) for a total distance of 444.13 feet to an iron; thence continuing with the line of Morris, N. 67-35-47 E. 1196.61 feet to an iron in the rear line of Marie P. Greene, Trustee; thence with the rear line of Greene and Richard Burris, N. 40-54-42 E. 167.79 feet to an iron, a rear corner of Burris; thence with the line of Burris, S. 88-52-15 E. (passing an iron at 197.72 feet) for a total distance of 210.00 feet to a point; thence within Zion Church Road, N. 19-25-28 E. 164.99 feet to the point of BEGINNING, containing 22.04 acres, more or less, as shown on a boundary survey by Spratt & Brooks Land Surveying, Richard Boyd Brooks, P.L.S., dated July 23, 2002.

TRACT 5 (155.571 acres for Morrison Creek Subdivision):

Lying and being in Number Eleven (11) Township, Cabarrus County, North Carolina, on the North side of Zion Church Road, bounded on the North by T. W. Farlow (now or formerly), Melvin Green (now or formerly), and others, on the West by Colonial Hills Subdivision and others, and on the East by Whitehurst Partners, Phillip W. Cline, and others, and being more particularly described as follows:

BEGINNING at an existing iron within Zion Church Road, said iron being located N. 62-36-02 E. 694.70 feet from a nail in the centerline of the road intersection, and runs thence with the line of Colonial Hills Subdivision, Phase I, Maps 2, 3, & 4 and with the line of Pacajero Realty (now or formerly) N. 14-08-57 W. 2,662.04 feet to an iron, a corner of Pacajero Realty, LLC; thence with the line of Pacajero Realty, LLC, S. 83-42-57 E. 186.19 feet to a iron, a corner of T. W. Farlow (now or formerly); thence

with the line of Farlow, S. 83-24-54 E. 540.85 feet to an iron, a corner of Farlow; thence continuing with the line of Farlow, N. 12-28-30 W. 514.33 feet to an iron; thence continuing with the line of Farlow, N. 89-51-03 E. 327.75 feet to an iron, a corner of Green; thence with the line of Green (now or formerly), N. 89-42-21 E. 473.60 to an iron within the sewer easement; thence continuing with the line of Green (now or formerly), N. 68-03-21 E. (passing an iron at 1,334.36 feet) for a total distance of 1,430.72 feet to a point in the line of Phillip W. Cline (now or formerly); thence with the line of Cline and the centerline of Irish Buffalo Creek the following courses and distances:

(1) S. 42-38-21 W. 161.00 feet;
(2) S. 06-41-59 E. 98.27 feet;
(3) S. 19-51-00 E. 310.19 feet;
(4) S. 08-39-56 E. 121.00 feet;
(5) S. 28-47-24 W. 122.25 feet;
(6) S. 48-48-04 W. 118.87 feet;
(7) S. 24-15-14 W. 120.97 feet;
(8) S. 48-01-38 W. 69.89 feet;
(9) N. 83-43-26 W. 55.12 feet;
(10) S. 18-42-48 W. 53.62 feet;
(11) S. 52-16-45 W. 124.82 feet;
(12) S. 15-04-29 W. 165.70 feet;
(13) S. 21-55-55 W. 120.13 feet;
(14) S. 06-08-25 W. 56.78 feet;
(15) S. 66-04-06 E. 34.48 feet to a point;

thence S. 74-48-06 E. 207.44 feet to a point; thence S. 58-02-37 E. 111.34 feet to a point; thence S. 66-56-18 E. 209.70 feet to a point; thence N. 81-23-45 E. 158.61 feet to a point, a corner of Whitehurst Partners; thence with the line of Whitehurst Partners (now or formerly), S. 16-54-37 E. 807.50 feet an iron; thence continuing with the line of Whitehurst Partners and the Elma J. Green Estate, S. 03-09-16 W. (passing an iron at 209.86 feet) for a total distance of 319.96 feet to an iron; thence with the line of the Elma J. Green Estate, S. 10-28-49 E. 101.05 feet to an iron; thence continuing with the Elma J. Green Estate, S. 10-28-49 E. 31.33 feet to an iron at or near the centerline of Zion Church Road; thence within Zion Church Road, S. 62-00-07 W. 620.20 feet to an iron in the front line of John Willie Reid (now or formerly); thence with the line of Reid, within Zion Church Road, N. 83-01-04 W. 800.00 feet to a spike in the line of Bernard W. Moncur, Jr. (now or formerly); thence leaving Zion Church Road and with the line of Mildred R. Reid (now or formerly), N. 41-10-38 W. 177.37 feet to an iron; thence continuing with the line of Reid and others, S. 58-23-21 W. 1,243.49 feet to an iron, the point of BEGINNING, containing 155.571 acres, more or less, as survey and platted by Jackie G. Duncan, P.L.S., dated May 11, 2001.

SECTION 2. This act becomes effective June 30, 2004.

2003 COMMITTEE REPORT
HOUSE OF REPRESENTATIVES

The following report(s) from standing committee(s) is/are presented:
By Representatives **G. Allen, Howard, Luebke, McComas, Miner, and Wainwright** (Chairs) for the Committee on **FINANCE**.

☐ Committee Substitute for
H.B. 1688 A BILL TO BE ENTITLED AN ACT TO ALLOW A DEFERRED EFFECTIVE DATE FOR CERTAIN VOLUNTARY ANNEXATIONS OF THE CITY OF CONCORD.

☒ With a favorable report.

☐ With a favorable report and recommendation that the bill be re-referred to the Committee on Appropriations ☐ Finance ☐ ☐.

☐ With a favorable report, as amended.

☐ With a favorable report, as amended, and recommendation that the bill be re-referred to the Committee on Appropriations ☐ Finance ☐ ☐.

☐ With a favorable report as to the committee substitute bill (#), ☐ which changes the title, unfavorable as to (the original bill) (Committee Substitute Bill #), (and recommendation that the committee substitute bill #) be re-referred to the Committee on .)

☐ With a favorable report as to House committee substitute bill (#), ☐ which changes the title, unfavorable as to Senate committee substitute bill.

☐ With an unfavorable report.

☐ With recommendation that the House concur.

☐ With recommendation that the House do not concur.

☐ With recommendation that the House do not concur; request conferees.

☐ With recommendation that the House concur; committee believes bill to be material.

☐ With an unfavorable report, with a Minority Report attached.

☐ Without prejudice.

☐ With an indefinite postponement report.

☐ With an indefinite postponement report, with a Minority Report attached.

☐ With recommendation that it be adopted. (HOUSE RESOLUTION ONLY)

SENATE BILL 754*
Finance Committee Substitute Adopted 6/17/04
PROPOSED COMMITTEE SUBSTITUTE S754-PCS75352-LA-68

Short Title: Stock Car Racing Theme Special Plates. (Public)

Sponsors:

Referred to:

April 3, 2003

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE DIVISION OF MOTOR VEHICLES TO ISSUE STOCK CAR RACING THEME SPECIAL PLATES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 20-63(b) reads as rewritten:

"(b) Every license plate shall have displayed upon it the registration number assigned to the vehicle for which it is issued, the name of the State of North Carolina, which may be abbreviated, and the year number for which it is issued or the date of expiration. A plate issued for a commercial vehicle, as defined in G.S. 20-4.2(1), and weighing 26,001 pounds or more, must bear the word "commercial," unless the plate is a special registration plate authorized in G.S. 20-79.4 or the commercial vehicle is a trailer or is licensed for 6,000 pounds or less. The plate issued for vehicles licensed for 7,000 pounds through 26,000 pounds must bear the word "weighted".

Except as otherwise provided in this subsection, a registration plate issued by the Division for a private passenger vehicle or for a private hauler vehicle licensed for 6,000 pounds or less shall be a "First in Flight" plate. A "First in Flight" plate shall have the words "First in Flight" printed at the top of the plate above all other letters and numerals. The background of the plate shall depict the Wright Brothers biplane flying over Kitty Hawk Beach, with the plane flying slightly upward and to the right. The following special registration plates do not have to be a "First in Flight" plate. The design of the plates that are not "First in Flight" plates must be approved by the Division and the State Highway Patrol for clarity and ease of identification.

(1) Friends of the Great Smoky Mountains National Park.
(2) Rocky Mountain Elk Foundation.
(3) Blue Ridge Parkway Foundation.
(4) Friends of the Appalachian Trail.
(5) NC Coastal Federation.

(6) Stock Car Racing Theme."

SECTION 2. G.S. 20-79.4(b) is amended by adding a new subdivision to read:

"(b) Types. – The Division shall issue the following types of special registration plates:

...

(44c) Stock Car Racing Theme. – Issuable to the registered owner of a motor vehicle pursuant to G.S. 20-81.12. This is a series of plates bearing an emblem, seal, other symbol, or design displaying themes of professional stock car auto racing, or professional stock car auto racing drivers. The Division shall not develop any plate in the series without a license to use copyrighted or registered words, symbols, trademarks, or designs associated with the plate. The plate shall be designed in consultation with and approved by the person authorized to provide the State with the license to use the words, symbols, trademarks, or designs associated with the plate. The Division shall not pay a royalty for the license to use the copyrighted or registered words, symbols, trademarks, or designs associated with the plate."

SECTION 3. G.S. 20-79.7(a) reads as rewritten:

"(a) Fees. – Upon request, the Division shall provide and issue free of charge one registration plate to a recipient of the Congressional Medal of Honor, a 100% disabled veteran, and an ex-prisoner of war. All other special registration plates, including additional Congressional Medal of Honor, 100% Disabled Veteran, and Ex-Prisoner of War plates, are subject to the regular motor vehicle registration fee in G.S. 20-87 or G.S. 20-88 plus an additional fee in the following amount:

Special Plate	Additional Fee Amount
Crystal Coast	$30.00
Historical Attraction	$30.00
Personalized	$30.00
State Attraction	$30.00
Stock Car Racing Theme	$30.00
Buffalo Soldiers	$25.00
Collegiate Insignia	$25.00
Goodness Grows	$25.00
Kids First	$25.00
Olympic Games	$25.00
NC Agribusiness	$25.00
NC Coastal Federation	$25.00
Nurses	$25.00
(Effective until June 30, 2006)	
Rocky Mountain Elk Foundation	$25.00
Special Olympics	$25.00

Surveyor Plate	$25.00
The V Foundation for Cancer Research Division	$25.00
University Health Systems of Eastern Carolina	$25.00
Animal Lovers	$20.00
Audubon North Carolina	$20.00
Be Active NC	$20.00
Ducks Unlimited	$20.00
(Effective until June 30, 2006)	
Harley Owners' Group	$20.00
First in Forestry	$20.00
Litter Prevention	$20.00
March of Dimes	$20.00
Omega Psi Phi Fraternity	$20.00
Save the Sea Turtles	$20.00
Scenic Rivers	$20.00
School Technology	$20.00
Soil and Water Conservation	$20.00
Special Forces Association	$20.00
Support Public Schools	$20.00
Wildlife Resources	$20.00
Zeta Phi Beta Sorority	$20.00
Active Member of the National Guard	None
100% Disabled Veteran	None
Ex-Prisoner of War	None
Legion of Valor	None
Purple Heart Recipient	None
Silver Star Recipient	None
All Other Special Plates	$10.00."

SECTION 4. G.S. 20-79.7(b) reads as rewritten:

"(b) Distribution of Fees. – The Special Registration Plate Account and the Collegiate and Cultural Attraction Plate Account are established within the Highway Fund. The Division must credit the additional fee imposed for the special registration plates listed in subsection (a) among the Special Registration Plate Account (SRPA), the Collegiate and Cultural Attraction Plate Account (CCAPA), the Natural Heritage Trust Fund (NHTF), which is established under G.S. 113-77.7, and the Parks and Recreation Trust Fund, which is established under G.S. 113-44.15, as follows:

Special Plate	SRPA	CCAPA	NHTF	PRTF
Animal Lovers	$10	$10	0	0
Audubon North Carolina	$10	$10	0	0
Be Active NC	$10	$10	0	0
Buffalo Soldiers	$10	$15	0	0
Crystal Coast	$10	$20	0	0
Ducks Unlimited	$10	$10	0	0

First in Forestry	$10	0	$10	0
Goodness Grows	$10	$15	0	0
(Effective until June 30, 2006)				
Harley Owners' Group	$10	$10	0	0
Historical Attraction	$10	$20	0	0
In-State Collegiate Insignia	$10	$15	0	0
Kids First	$10	$15	0	0
Litter Prevention	$10	$10	0	0
March of Dimes	$10	$10	0	0
NC Agribusiness	$10	$15	0	0
NC Coastal Federation	$10	$15	0	0
Nurses	$10	$15	0	0
Olympic Games	$10	$15	0	0
Omega Psi Phi Fraternity	$10	$10	0	0
Out-of-state Collegiate Insignia	10	0	$15	0
Personalized	$10	0	$15	$5
(Effective until June 30, 2006)				
Rocky Mountain Elk Foundation	$10	$15	0	0
Save the Sea Turtles	$10	$10	0	0
Scenic Rivers	$10	$10	0	0
School Technology	$10	$10	0	0
Soil and Water Conservation	$10	$10	0	0
Special Forces Association	$10	$10	0	0
Special Olympics	$10	$15	0	0
State Attraction	$10	$20	0	0
Stock Car Racing Theme	$10	$20	0	0
Support Public Schools	$10	$10	0	0
Surveyor Plate	$10	$15	0	0
The V Foundation for Cancer Research	$10	$15	0	0
University Health Systems of Eastern Carolina	$10	$15	0	0
Wildlife Resources	$10	$10	0	0
Zeta Phi Beta Sorority	$10	$10	0	0
All other Special Plates	$10	0	0	0."

SECTION 5. G.S. 20-81.12 is amended by adding a new subsection to read:

"(b31) Stock Car Racing Theme. – The Division may issue any plate in this series without a minimum number of applications if the person providing the State with the license to use the words, logos, trademarks, or designs associated with the plate produces the plate for the State without a minimum order quantity.

The cost of the Stock Car Racing Theme plate shall include all costs to produce blank plates for issuance by the Division. Notwithstanding G.S. 66-58(b), the Division or the Department of Correction may contract for the production of the blank plates in this series to be issued by the Division, provided the plates meet or exceed the State's

specifications, including durability and retroreflectivity, and provided the plates are manufactured using high-quality embossable aluminum. The cost of the blank plates to the State shall be substantially equivalent to the price paid to the Department of Correction for license tags, as provided in G.S. 66-58(b)(15).

The Division shall transfer quarterly the money in the Collegiate and Cultural Attraction Plate Account derived from the sale of Stock Car Racing Theme plates to the North Carolina Motorsports Foundation, Inc."

SECTION 6. G.S. 20-85(a) reads as rewritten:

"(a) The following fees are imposed concerning a certificate of title, a registration card, or a registration plate for a motor vehicle. These fees are payable to the Division and are in addition to the tax imposed by Article 5A of Chapter 105 of the General Statutes.

(1) Each application for certificate of title $35.00
(2) Each application for duplicate or corrected certificate of title 10.00
(3) Each application of repossessor for certificate of title 10.00
(4) Each transfer of registration 10.00
(5) Each set of replacement registration plates 10.00
(6) Each application for duplicate registration card 10.00
(7) Each application for recording supplementary lien 10.00
(8) Each application for removing a lien from a certificate of title 10.00
(9) Each application for certificate of title for a motor vehicle transferred to a manufacturer, as defined in G.S. 20-286, or a motor vehicle retailer for the purpose of resale 10.00
(10) Each application for a salvage certificate of title made by an insurer ..... ~~10.00.~~10.00
(11) Each set of replacement Stock Car Racing Theme plates issued under G.S. 20-79.4 ..... 25.00."

SECTION 7. This act becomes effective October 1, 2004.

(10)	Each application for a salvage certificate of title made by an insurer	~~10.00.~~10.00
(11)	Each set of replacement Stock Car Racing Theme plates issued under G.S. 20-79.4	25.00."

SECTION 7. This act becomes effective October 1, 2004.

SENATE BILL 754:
Stock Car Racing Theme Special Plates

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	Senator Hoyle
Date:	June 29, 2004	**Analysis by:**	Martha Walston
Version:	S754-PCS75352-LA-68		Committee Counsel

SUMMARY: Senate Bill 754 authorizes the Division of Motor Vehicles to issue as many as 30 different stock car racing theme plates for an additional fee of $30. The plates do not have to be a "First in Flight" plate. There are no minimum applications required before a plate can be developed if the person providing the State with the license to use the designs produces the plates for the State without a minimum order quantity.

$20 of the additional $30 fee is transferred quarterly to the North Carolina Motorsports Foundation, Inc. The cost of a replacement plate is $25.

HB 1160, sponsored by Representatives Goodwin, L. Johnson, and Ray, is a companion bill.

The Proposed Committee Substitute makes one technical correction.

BILL ANALYSIS: Senate Bill 754 directs the Division to issue a Racing Theme special license plate. The special plate may bear an emblem, seal, other symbol or design displaying themes of National Association of Stock Car Auto Racing (NASCAR), or a NASCAR team or NASCAR driver. The Race Team plates are authorized under current law as a professional sports team.

The bill provides that the plate would not have to be a "First in Flight " plate. There is the potential for at least 30 different special plates under this legislation. The Division will not develop a plate without a license to use copyrighted or registered words, symbols, trademarks, or designs. The Division will not have to pay a royalty for the license to use these designs. [1]

The plate shall be designed in consultation with and approved by the person authorized to provide the State with the license to use the designs. The Division may contract for the production of the blank plates in this series, provided the plates the plates meet or exceed the State's expectations and are manufactured using high-quality embossable aluminum.

The $30 additional fee will be allocated as follows:

- $10 to the Special Registration Plate Account. (After deducting the cost of the plates from this Account, $525,000 is annually appropriated to provide operating assistance for seven Visitor Centers. The remaining revenue in the Account is transferred quarterly to the Department of Commerce for advertising (33%), the Department of Transportation for highway beautification (50%), and the Department of Health and Human Services to promote travel accessibility for disabled persons in the State (17%).
- $20 to the Collegiate and Cultural Attraction Plate Account to be transferred to the North Carolina Motorsports Foundation, Inc., a nonprofit organization organized to work with

[1] Two professional sports teams, the Carolina Hurricanes (NHL) and Carolina Panthers (NFL), and the Harley-Davidson Motor Company, Inc. allow the DMV to use their logos without payment of royalties. (G.S. 20-79.4(b)(34) and G.S. 20-79.4(b)(26c))

individuals and organizations involved in the motorsports industry in North Carolina who have an interest in benefiting other charitable 501(c)(3) organizations and improving economic development in North Carolina.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Transportation - Division of Motor Vehicles; Department of Correction

EFFECTIVE DATE: The act becomes effective October 1, 2004.

BILL SUMMARY: The bill authorizes the Division of Motor Vehicles (DMV) to issue a series of Stock Car Racing Theme special license plates with no plate application minimum. The Stock Car Racing Theme license plates are exempt from using the "First in Flight" plate background. The DMV shall not develop any plate in the series without a license to use copyrighted or registered words, symbols, trademarks, or designs associated with the plate and can contract with any person authorized to provide such licenses. DMV shall not pay a royalty for the use of the copyrighted or registered words, symbols, trademarks, or designs associated with the plate. DMV and/or the Department of Correction may also contract for the production of blank plates in this series, provided the plates meet or exceed the State's specifications.

ASSUMPTIONS AND METHODOLOGY:

Plate Fee

In addition to the normal $20 vehicle registration fee for private passenger vehicles, each applicant for a Racing Theme plate pays $30. Of this amount, $10 is deposited into the Special Registration Plate Account to pay for plate expenses. The remaining $20 fee is deposited into the Collegiate and Cultural Attraction Plate Account then transferred to the North Carolina Motor Sports Foundation, Inc.

The Special Registration Plate Account should net up to $6 after expenses for each Stock Car Racing Theme plate. The proposed legislation allows the DMV and/or Department of Correction to contract out the production of the Stock Car Racing Theme plates. It is assumed that Race Plate Marketing, LLC, the main vendor of racing specialty plates, will be used. Race Plate Marketing, LLC currently offers plates for 28 NASCAR drivers and will supply the state with the special plates with graphics for a fee of approximately $4 per plate. The state will then emboss and package the plates for citizens. Given the colors and the design of the Stock Car Racing Theme plate, the $4 charge is in line with expected state cost. For the typical special plate, the production cost is approximately $3 per plate based on one color design. The cost per plate increases if more color is added or the design is complex. For renewals, the entire $10 plate fee goes into the Special Registration Plate Account.

How many Stock Car Racing Theme plates will be sold? While the stock car racing fan base is large in North Carolina, it is unknown how many fans will be willing to pay the annual $50 price of this specialty plate. Other North Carolina professional sport plates have not sold well. According DMV statistics for 2003, the agency has sold 1,405 Carolina Panthers football plates and 1,074 Hurricanes hockey plates. The proponents of the bill project 48,000 stock car racing plates sold the first year and 76,000 plates sold the second year based on sales in West Virginia and Mississippi. In 2003, West Virginia had 9,238 cars with NASCAR license plates or .57% of the total vehicles registered. If this .57% rate is applied to the 6.6 million registered passenger cars and trucks in North Carolina, the number would be approximately 38,000 plates sold.

Replacement Fee

Section 6 of the bill adds a $25 fee for each set of replacement registration plates issued under the revised statute. The replacement registration fee for a standard plate is $10. Currently, the DMV replaces less than 1% of plates annually; however, the racing theme special plates might be more susceptible to theft and loss. It is not possible to estimate how many plates will need replacement.

February 10, 2003

A BILL TO BE ENTITLED

AN ACT TO INCREASE REGULATION OF THE POSSESSION OR OPERATION OF VIDEO GAMING MACHINES AND TO PROVIDE FUNDING FOR THIS REGULATION.

The General Assembly of North Carolina enacts:

SECTION 1.(a) G.S. 14-306(c) reads as rewritten:

"(c) Any video machine, the operation of which is made lawful by ~~subsection~~ subdivision (b)(2)of this section, shall have affixed to it in view of the player a sticker informing that person that it is a criminal offense with the potential of imprisonment to pay more than ~~that which~~ what is allowed by law. In addition, if the machine has an attract chip ~~which~~ that allows programming, the static display shall contain the same ~~message.~~message regarding the illegality of payments in excess of those allowed by law. All machines referred to in subdivision (b)(2) of this section shall be equipped with a hand count feature to permit the reconciliation of the number of plays and the number of paper coupons issued."

SECTION 1.(b) All machines required to be equipped with the hand count feature required under this section shall be equipped with the feature within 60 days after the effective date of this act.

SECTION 2.(a) G.S. 14-306.1 reads as rewritten:

"**§ 14-306.1. Types of machines and devices prohibited by law; penalties.**

(a) Ban on New Machines. – It shall be unlawful for any person to operate, allow to be operated, place into operation, or keep in that person's possession for the purpose of operation any video gaming machine as defined in subsection (c) of this section unless either:

(1) Such machine was:

a. Lawfully in operation, and available for play, within this State on or before June 30, 2000; and

b. Listed in this State by January 31, 2000 for ad valorem taxation for the 2000-2001 tax year; or

(2) Such machine is within the scope of the exclusion provided in G.S. 14-306(b)(1).

(b) Prohibition of More Than Three Existing Video Gaming Machines at One Location. – It shall be unlawful for any person to operate, allow to be operated, place into operation, or keep in that person's possession for the purpose of operation at one location more than three video gaming machines as defined in subsection (c).

(c) Definitions. – As used in this section, a video gaming machine means a slot machine as defined in G.S. 14-306(a) and other forms of electrical, mechanical, or computer games such as by way of illustration:

(1) A video poker game or any other kind of video playing card game.
(2) A video bingo game.
(3) A video craps game.
(4) A video keno game.
(5) A video lotto game.
(6) Eight liner.
(7) Pot-of-gold.
(8) A video game based on or involving the random or chance matching of different pictures, words, numbers, or symbols not dependent on the skill or dexterity of the player.

For the purpose of this section, a video gaming machine is a video machine ~~which~~ that requires deposit of any coin, token, or use of any credit card, debit card, or any other payment method ~~that requires payment~~ in order to activate play of any of the games listed in this subsection. The enumeration of games in the list in this subsection does not authorize the possession or operation of such game if it is otherwise prohibited by law.

For the purpose of this section, a video gaming machine includes those that are within the scope of the exclusion provided in G.S. 14-306(b)(2), but does not include those that are within the scope of the exclusion provided in G.S. 14-306(b)(1).

(d) Age Requirement. – It shall be an infraction for any person under the age of 18 years to play any video gaming machine defined in subsection (c) of this section. It shall be unlawful for the operator of the video gaming machine to knowingly allow a person under the age of 18 years to play any video gaming machine as proscribed by this subsection.

(e) Hours of Operation. – It shall be unlawful to operate or allow the operation of any video gaming machine during the hours of 2:00 A.M. Sunday through 7:00 A.M. Monday.

(f) Plain View. – Any video gaming machine available for operation shall be in plain view of persons visiting the premises.

(g) Advertising Prohibited. – It is unlawful to advertise the operation of video gaming machines by use of on-premise or off-premise signs.

(g1) Serial Number Required. - Every video gaming machine shall have a unique serial number that shall be permanently affixed to the machine.

(g2) Certain Display Prohibited. - No video gaming machine shall visually display the words "jackpot," "casino," or "Las Vegas," nor shall any machine audibly emit those words.

(h) Proximity to Other Locations Regulated; Permanent Building Required. – Each location where it is lawful to operate any video gaming machines as defined in G.S. 14-306.1(c) shall be at least 300 feet in any plane from any other location where such machines are operated. For the purpose of this section, a location is a permanent building having, or being within, a single exterior structure. Notwithstanding this subsection, two or more places where video gaming machines were lawfully operated under separate ownership on June 30, 2000, shall be considered to be separate locations more than 300 feet from each other, regardless of the distance from each other or whether they are located in the same building or edifice. Video gaming machines as defined in G.S. 14-306.1(c) may be operated only within permanent buildings.

(i) Annual Registration With ~~Sheriff.~~ The Alcohol Law Enforcement Division of the Department of Crime Control and Public Safety. – ~~No later than October 1, 2000, the~~ On or before July 1 of every year, the owner of any video ~~game~~ gaming machine ~~which is~~ regulated by this section ~~shall register the machine with the Sheriff of the county in which the machine is located~~ shall register each machine with the Alcohol Law Enforcement Division of the Department of Crime Control and Public Safety (Division) using a standardized registration form or online process supplied by the ~~Sheriff.~~Division. The registration shall contain all of the following information for each machine:

(1) The name and address of the owner.
(2) The serial number of the machine.
(3) The name and address of the location of the machine at the time of registration.
(4) The name of the owner of the location of the machine.

~~The registration form shall be signed under oath by the~~ The owner of the ~~machine.~~ machine shall sign the registration form under oath. A material false statement or omission in the registration form shall subject the owner to seizure of the machine under G.S. 14-298 in addition to any other punishment imposed by law. The owner of the machine shall pay to the Division a fee of three hundred dollars ($300.00) for each machine registered, payable on July 1 of every year. Fees collected pursuant to this subsection shall be used by the Division for administering and enforcing this section and G.S. 14-298, 14-306, 14-306.2, and 14-309. ~~At any time that the video gaming machine is moved to a different location, the owner shall reregister the machine with the Sheriff prior to its being placed in operation. At a minimum, the registration form shall require that the registrant provide evidence of the date on which the machine was placed in operation, the serial number of the machine, the location of the facility at which the machine is operated, and the name of the owner of the facility at which the machine is operated. Each Sheriff shall report to the Joint Legislative Commission on Governmental Operations no later than November 1, 2000, on the total number of machines registered in that county, itemizing how many locations have one, two, or~~

~~three machines.~~ Upon proper registration and payment of the fee, the Division shall affix a decal that has a unique number to the machine.

(i1) Notification Required When Machine Relocated. - The owner of a registered machine shall report any change in the location of the machine to the Division within five days of the relocation and before the machine is operational.

(i2) Authority to Enter to Inspect. - Persons owning or controlling any location where a video gaming machine is operated or housed shall allow the Division to enter the location at any time to inspect the machine.

~~(j) Report on Receipts and Prizes and Merchandise Awarded. The owner of each machine or the agent of that owner shall report each calendar quarter to the Department of Revenue, under oath on a form provided by that Department, the total amount of gross receipts itemized by each machine, the number of machines at that location, and the total value of prizes and merchandise awarded to players of each machine at that location. The report shall be filed by the fifteenth day of the month after the quarter ends. Failure of the owner or agent to timely file the required report, or filing a report containing a material false statement shall subject the owner of the machine to seizure of the machine under G.S. 14-298 in addition to any other punishment imposed by law. Upon request of the Sheriff of the county, the Department of Revenue shall forward a copy of the report to the Sheriff of the county where the machines are located. The Department of Revenue shall compile the reports and make a summary report each quarter to the Joint Legislative Commission on Governmental Operations.~~

~~(k) Report to 2001 Session. The North Carolina Sheriffs' Association, Inc., after consultation with the Division of Alcohol Law Enforcement, and the Conference of District Attorneys of North Carolina, shall report to the Joint Legislative Commission on Governmental Operations no later than January 1, 2001, its estimates of the costs of the registration process and the cost of enforcement of this section, along with suggested fees to make the registration and enforcement self-supporting, and recommendations as to a system with registration at the State level and primary enforcement at the local level. Such fee schedule is not effective until approved by the General Assembly.~~

(l) Exemption for Certain Machines. – This section shall not apply to assemblers, manufacturers, and transporters of video gaming machines who assemble, manufacture, and transport them for sale in another state as long as the machines, while located in this State, cannot be used to play the prohibited games, and does not apply to those who assemble, manufacture, and sell such machines for the use only by a federally recognized Indian Tribe if such machines may be lawfully used on Indian Land under the Indian Gaming Regulatory Act.

(m) Ban on Warehousing. – It is unlawful to warehouse any video gaming machine ~~except~~ unless:

(1) ~~in~~ The machine is being warehoused in conjunction with the permitted assembly, manufacture, and transportation of such machines under subsection (l) of this ~~section.~~section; or

(2) The machine is registered under subsection (i) of this section.

(n) Exemption for Activities Under IGRA. – This section does not make any activities of a federally recognized Indian Tribe unlawful or against public policy,

which are lawful for any federally recognized Indian Tribe under the Indian Gaming Regulatory Act, Public Law 100-497.

(o) No Local Preemption. – This section does not preempt any more restrictive ordinance lawfully adopted under Article 18 of Chapter 153A of the General Statutes or under Article 19 of Chapter 160A of the General Statutes.

(p) No person who has been convicted:

(1) Once under G.S. 14-309(a) or (b) may own or possess any video gaming machine as defined in G.S. 14-306.1 for a period of one year.

(2) Twice under G.S. 14-309(a) or (b) may own or possess any video gaming machine as defined in G.S. 14-306.1 for a period of two years.

(3) Three or more times under G.S. 14-309(a) or (b) may own or possess any video gaming machine.

(q) Not Legalizing Unlawful Activity. – This section does not make lawful any activity which is currently unlawful."

SECTION 2.(b) Notwithstanding G.S. 14-306.1(i), owners of video gaming machines regulated under G.S. 14-306.1 and that meet the criteria set forth in G.S. 14-306.1(a)(1) shall register and pay the fee for all machines with the Alcohol Law Enforcement Division of the Department of Crime Control and Public Safety no later than October 1, 2004.

SECTION 3. G.S. 14-298 reads as rewritten:

"**§ 14-298. ~~Gaming tables, illegal punchboards, slot machines, and prohibited video game machines to be destroyed by police officers.~~Seizure of unlawful gaming items.**

(a) ~~All sheriffs and officers of police are hereby authorized and directed, on information made to them on oath~~Any law enforcement officer, including an agent of the Alcohol Law Enforcement Division of the Department of Crime Control and Public Safety, may seize ~~that~~ any gaming table prohibited to be used by G.S. 14-289 through G.S. 14-300, any illegal punchboard or illegal slot machine, or any video game machine prohibited to be used by G.S. 14-306 or G.S. 14-306.1, that is in the possession or use of any person within the limits of their ~~jurisdiction,~~ jurisdiction when probable cause exists as to the unlawful possession or use. ~~to destroy the same by every means in their power; and they shall call to their aid all the good citizens of the county, if necessary, to effect its destruction.~~

(b) Any law enforcement agency in possession of an item seized pursuant to subsection (a) of this section shall retain the item pending a disposition order from a district or superior court judge. At the conclusion of any criminal proceeding regarding an item seized, upon application by the law enforcement agency, district attorney, or owner of the seized item, and after notice and opportunity to be heard by all parties, if the court determines that the item was unlawfully possessed at the time it was seized, the court shall enter an order releasing the item to the law enforcement agency to be destroyed or used for training purposes. If the court determines that the item was lawfully possessed at the time it was seized, the item shall be ordered released to its owner upon satisfactory proof of ownership."

SECTION 4. G.S. 14-309 reads as rewritten:

"**§ 14-309. Violation made ~~criminal.~~criminal; prima facie evidence of violation.**

(a) Any person who violates any provision of G.S. 14-304 through 14-309 is guilty of a Class 1 misdemeanor for the first offense, and is guilty of a Class I felony for a second offense and a Class H felony for a third or subsequent offense.

(b) Notwithstanding the provisions of subsection (a) of this section, any person violating the provisions of G.S. 14-306.1 involving the operation of five or more machines prohibited by that section or knowingly owning or possessing a machine that violates G.S. 14-306.1(a)(1), is guilty of a Class G felony.

(c) The absence of the decal on a machine that is affixed by the Division of Alcohol Law Enforcement pursuant to G.S. 14-306.1(i) shall be prima facie evidence that the person knowingly owned or possessed a machine that violates G.S. 14-306.1(a)(1)."

SECTION 5. G.S. 14-307 reads as rewritten:

"**§ 14-307. Issuance of license prohibited.**

There shall be no ~~State, county,~~ county or municipal tax levied for the privilege of operating the machines or devices the operation of which is prohibited by G.S. 14-304 through 14-309."

SECTION 6. Chapter 105 of the General Statutes is amended by adding a new Article to read:

"Article 2E.

"Illegal Video Gaming Machine Tax.

"**§ 105-113.120. Purpose.**

The purpose of this Article is to levy an excise tax to generate revenue for the General Fund. Nothing in this Article may in any manner provide immunity from criminal prosecution for a person who possesses an illegal video gaming machine.

"**§ 105-113.121. Definitions.**

The following definitions apply in this Article:

(1) Illegal video gaming machine. – A video gaming machine that is prohibited under G.S. 14-306.1.

(2) Local law enforcement agency. – A municipal police department, a county police department, or a sheriff's office.

(3) Person. – Defined in G.S. 105-228.90.

(4) Secretary. – Defined in G.S. 105-228.90.

(5) State law enforcement agency. – Any State agency, force, department, or unit responsible for enforcing criminal laws.

(6) Video gaming machine. – Defined in G.S. 14-306.1.

"**§ 105-113.122. Excise tax on illegal video gaming machines.**

(a) Tax Imposed. – An excise tax at the rate of five thousand dollars ($5,000) per machine is levied on the possession of an illegal video gaming machine.

(b) Revenue Stamps. – The Secretary shall issue stamps to affix to illegal video gaming machines to indicate payment of the tax required by this Article. A person who possesses an illegal video gaming machine shall report the taxes payable under this Article at the time and on the form prescribed by the Secretary. A person who possesses an illegal video gaming machine is not required to give his or her name, address, social

security number, or other identifying information on the form. Upon payment of the tax, the Secretary shall issue stamps in an amount equal to the amount of the tax paid. Taxes may be paid and stamps may be issued either by mail or in person.

(c) Reports. – Every local law enforcement agency and every State law enforcement agency must report to the Department within 48 hours after seizing an illegal video gaming machine, or making an arrest of an individual in possession of an illegal gaming machine, upon which a stamp has not been affixed. The report must be in the form prescribed by the Secretary and it must include the time and place of the arrest or seizure, the identification of an individual in possession of the illegal video gaming machine and that individual's social security number, and any other information prescribed by the Secretary. The report must be made when the arrest or seizure involves any illegal video gaming machine upon which a stamp has not been affixed as required by this Article:

(d) Payment. – The tax imposed by this Article is payable by any person who actually or constructively possesses an illegal video gaming machine in this State upon which the tax has not been paid, as evidenced by a stamp. The tax is payable within 48 hours after the person acquires actual or constructive possession of a non-tax-paid illegal video gaming machine, exclusive of Saturdays, Sundays, and legal holidays of this State, in which case the tax is payable on the next working day. Upon payment of the tax, the person shall permanently affix the appropriate stamps to the illegal video gaming machine. Once the tax due on an illegal video gaming machine has been paid, no additional tax is due under this Article even though the illegal video gaming machine may be handled by other people.

(e) Administration. – Article 9 of this Chapter applies to this Article.

"§ 105-113.123. Assessments.

Notwithstanding any other provision of law, an assessment against a person who possesses an illegal video gaming machine to which a stamp has not been affixed as required by this Article shall be made as provided in this section. The Secretary shall assess a tax, applicable penalties, and interest based on personal knowledge or information available to the Secretary. The Secretary shall notify the person in writing of the amount of the tax, penalty, and interest due, and demand its immediate payment. The notice and demand shall be either mailed to the person at the person's last known address or served in person. If the person does not pay the tax, penalty, and interest immediately upon receipt of the notice and demand, the Secretary shall collect the tax, penalty, and interest pursuant to the procedure set forth in G.S. 105-241.1(g) for jeopardy assessments or the procedure set forth in G.S. 105-242, including causing execution to be issued immediately against the personal property of the person, unless the person files with the Secretary a bond in the amount of the asserted liability for the tax, penalty, and interest. The Secretary shall use all means available to collect the tax, penalty, and interest from any property in which the person has a legal, equitable, or beneficial interest. The person may seek review of the assessment as provided in Article 9 of this Chapter.

"§ 105-113.124. Confidentiality of information.

Notwithstanding any other provision of law, information obtained pursuant to this Article is confidential and may not be disclosed or, unless independently obtained, used in a criminal prosecution other than a prosecution for a violation of this Article. Stamps issued pursuant to this Article may not be used in a criminal prosecution other than a prosecution for a violation of this Article. A person who discloses information obtained pursuant to this Article is guilty of a Class 1 misdemeanor. This section does not prohibit the Secretary from publishing statistics that do not disclose the identity of persons or the contents of particular returns or reports.

"**§ 105-113.125. Use of tax proceeds.**

(a) Special Account. – The Secretary shall credit the net proceeds of the tax levied by this Article to a special nonreverting account, to be called the State Illegal Video Gaming Machine Tax Account, until the tax proceeds are unencumbered. In determining the amount of the net proceeds to be credited, the Secretary shall deduct from the gross proceeds the expenses of the Department of Revenue in performing the duties imposed by this Article. The Secretary shall remit the unencumbered net proceeds as provided in this section on a quarterly or more frequent basis. Net proceeds are unencumbered when either of the following occurs:

(1) The tax has been fully paid and the taxpayer has no current right under G.S. 105-267 to seek a refund.

(2) The taxpayer has been notified of the final assessment of the tax under G.S. 105-241.1 and has neither fully paid nor timely contested the tax under G.S. 105-241.1 through G.S. 105-241.4 or G.S. 105-267.

(b) Distribution. –The Secretary shall remit the unencumbered net proceeds that were collected by assessment to the State or local law enforcement agency that conducted the investigation of a person that led to the assessment. If more than one State or local law enforcement agency conducted the investigation, the Secretary shall determine the equitable share for each agency based on the contribution each agency made to the investigation.

(c) Refunds. – The refund of a tax that has already been distributed shall be drawn initially from the State Illegal Video Gaming Machine Tax Account. The amount of refunded taxes that had been distributed to a law enforcement agency under this section and any interest shall be subtracted from succeeding distributions from the Account to that law enforcement agency."

SECTION 7. If any provision of this act or its application is held invalid, the invalidity does not affect other provisions or applications of this act that can be given effect without the invalid provisions or application, and to this end the provisions of this act are severable.

SECTION 8. This act becomes effective October 1, 2004, and applies to illegal video gaming machines possessed on or after that date.

FISCAL ANALYSIS MEMORANDUM

[This confidential fiscal memorandum is a fiscal analysis of a draft bill, amendment, committee substitute, or conference committee report that has not been formally introduced or adopted on the chamber floor or in committee. This is not an official fiscal note. If upon introduction of the bill you determine that a formal fiscal note is needed, please make a fiscal note request to the Fiscal Research Division, and one will be provided under the rules of the House and the Senate.]

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Administrative Office of the Courts; Correction; Crime Control and Public Safety; Revenue

EFFECTIVE DATE: October 1, 2004

BILL SUMMARY: amends the statutes regulating video gaming machines as follows:

- All machines would be required to be equipped with a hand count feature to permit the reconciliation of the number of plays and the number of paper coupons issued and to have a unique serial number permanently affixed to the machine.
- Machines would be prohibited from visually displaying the words "jackpot," "casino," or "Las Vegas," and from audibly emitting any of those words.
- Owners of machines would be required to register machines annually with the Alcohol Law Enforcement Division of the Department of Crime Control and Public Safety (Division). Currently, sheriffs administer this registration requirement. Upon registration, the Division would affix a decal to the machine. The absence of a decal would be prima facie evidence that the machine is illegal and subject to criminal penalties. If a machine is moved from one location to another, the owner would have to notify the Division within five days and before the machine is operational. The Division would have the authority to enter any location where a video gaming machine is being operated or housed to inspect the machine. It would become permissible to warehouse a registered machine.
- Persons convicted of violating the video gaming law would not be permitted to own any video gaming machines for certain periods of time.
- The statute authorizing destruction of gaming tables would be updated to permit seizure and eventual destruction of the items seized, or returned to the owner if the items seized were lawfully possessed at the time seized.
- The penalty for knowingly owning or possessing an illegal video gaming machine would be increased from a Class 1 misdemeanor for the first offense to a Class G felony.
- The bill would also add the following to support the enforcement of the video gaming laws:
    - An annual registration fee of $300 per machine, payable by the owner of the machine to the Division. The proceeds would be used by the Division to administer the registration process and enforce the video gaming laws.
    - An excise tax of $5,000/machine for illegal machines. After the costs of administering the tax are credited to the Department of Revenue, the Department would remit the balance of the tax funds to the law enforcement agency that conducted the investigation that led to the assessment. The tax would apply to illegal machines possessed on or October 1, 2004.

ASSUMPTIONS AND METHODOLOGY:
Current law allows only those video gaming machines that were lawfully in operation in the state on or before June 30, 2000. Owners of these machines must report on a quarterly basis to the Department of Revenue (DOR) the "gross receipts from video gaming machines, itemized by each machine, the total number of machines at each location, and the total value

of prizes and merchandise awarded to players of each machine at a location." Section 2 of the bill establishes an annual $300 registration fee on each video gaming machine. As of December 31, 2002, (the most recent date for which DOR has usable data), there were 9,025 video gaming machines in service at 4,063 locations. Excluded from this total are about 1,000 machines that were identified as "out of service" for any reason. To estimate the impact of the proposed bill, it is assumed that operators would dispose of those machines that are either out of service or have gross annual receipts of less than $300. As a result, an estimated 7,563 video gaming machines would be registered in FY 2004-05 with a projected $2,268,900 in registration fees collected.

	Number of Machines
Total Machines in Service	9,025
Machines reported as having some gross receipts	8,228
Machines reported as having annual gross receipts greater than $300	7,563

Administrative Office of the Courts

Several provisions add requirements for owners of gaming machines. Violation of new requirements would be subject to the general criminal penalties in G.S. 7A-309 (which applies to violations of G.S. 14-304 through -309, and includes both misdemeanor and felony punishments). The additional opportunities to violate the regulations of gaming machines can be expected to translate into some additional charges, but AOC has no data from which to make an estimate.

Section 4 of the bill amends G.S. 14-309 making it a Class G felony to knowingly own or possess a machine that was not lawfully under G.S. 14-306.1(a)(1). Such an offense is now a Class 1 misdemeanor for the first offense, a Class I felony for a second offense, or a Class H felony for a third or subsequent offense. AOC data for calendar 2003 reveal one Class 1 misdemeanor under G.S. 7A-306.1(a). Unless the number of charges increases from enhanced enforcement or some other reason, AOC would not expect a major impact from this provision of the bill standing alone.

Section 6 of the bill enacts a new Article levying a tax on illegal video gaming machines. Information gathered pursuant to the new Article is confidential. (For example, a person who has an illegal gaming machine must file a report for payment of the tax, but the person is not required to give his or her name, social security number or other identifying information; stamps are issued that may be affixed to the illegal machine, proving payment of the tax.) It is a misdemeanor for any person to release information obtained under the Article. Presumably, the custodians of such information are state employees, who would comply with the non-disclosure, and AOC would expect relatively few charges. AOC is unable to estimate how many new criminal charges or civil actions might arise from failures to pay the tax.

AOC has no data from which to estimate the impact of this bill. However increased

workload of the district court judges, superior court judges, district attorneys, clerks, and court reporters would be expected. There would also be an increase in expenditures for jury fees and indigent defense. AOC staff indicated that the court system is under funded, overstretched, and in need of significant additional resources to manage the demands of the existing workload. Therefore any impact on the courts is substantial under current circumstances and the court system cannot absorb any additional workload without additional resources

Department of Correction

Since the proposed bill creates a new offense, the Sentencing Commission does not have any historical data from which to estimate its impact on the prison population. It is not known how many offenders might be convicted and sentenced for the proposed offense. If, for example, there were two Class G convictions under this proposed bill per year, the combination of active sentences and probation revocations would result in the need for one additional prison bed the first year and two additional prison beds the second year. The daily operating cost per inmate ranges from $46.23 for minimum security to $74.56 for close security, with an average cost for all custody levels of $57.92. Those offenders not given active sentences (58%) would be supervised by the Division of Community Corrections at a cost of $8.40 to $10.06 per offender per day.

Every Class 1 misdemeanor conviction has the potential to impact the Department of Correction through probation supervision, payments to counties for jailed offenders, or, for offenders with a prior record, a short prison term. Class 1 misdemeanants may be sentenced to community, intermediate, or active punishments. Depending on Prior Record Level and sanction, the potential impact on DOC ranges from $0 to $5,520 per offender. Based on prior-year data, the most likely punishment is supervised or unsupervised probation. Supervised probation, without community service, would cost approximately $639 per offender per year. About 17 percent of Class 1 misdemeanants received active sentences. The majority of these sentences are less than 90 days, which means that the offenders serve their time in a county jail. The Department of Correction reimburses the county at a rate of $18 per offender per day for sentences between 30 and 90 days. Sentences of more than 90 days are served in prison at a cost of $46 per offender per day. For offenders sentenced to unsupervised probation, ordered only to pay fines or restitution, or sentenced to active time of less than 30 days, there is no impact on the Department of Correction.

Department of Crime Control and Public Safety, Alcohol Law Enforcement Division

Under the proposed bill, all video gaming machines shall be registered with the Alcohol Law Enforcement (ALE) Division in the Department of Crime Control and Public Safety no later than October 1, 2004. The proceeds from the annual registration of $300 per machine will be used to cover ALE's costs of registration, monitoring, and other enforcement activities. The bill requires ALE to develop a registration process using either a standardized registration form or an on-line process. ALE would have primary responsibility for enforcement of the registration requirements, including on site inspection of video gaming machines. ALE indicated that the following staff and other resources would be needed to implement the proposed bill in the first year:

20 New Agent Positions	$ 1,809,060
BLET Training	$ 134,370
Reclassification of existing agents to supervisory positions	$ 153,287
Administrative Assistant II	$ 35,878
Office Assistant IV (2 positions)	$ 56,113
Accounting Technician	$28,056
Computer equipment, desks, etc for support staff	$ 18,783
Specialized Training	$ 25,000
Total	**$2,260,547**

Of this amount, $986,533 is non-recurring cost associated with training, vehicles, equipment, etc,

Department of Revenue

Section 6 of the bill establishes a $5,000 excise tax, to be collected by the Department of Revenue (DOR), on all illegal video gaming machines. There is no data available from which to estimate the number of illegal machines that would be subject to this tax or the potential cost to DOR to collect this tax. The bill does allow DOR to deduct from the excise taxes collected, the expenses incurred in performing the duties imposed by the bill.

VIDEO POKER AND POLITICAL CORRUPTION

On June 29, Democracy North Carolina filed a COMPLAINT AND REQUEST FOR INVESTIGATION (see link at bottom of this page), asking the State Board of Elections to investigate "certain campaign contributions related to the video-poker industry which appear to involve political corruption, money laundering, and a possible conspiracy by members of the industry to violate campaign-finance statutes."

EXCERPTS FROM COMPLAINT CONTINUE:

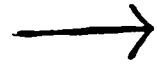
"This complaint is based on research into more than $100,000 in campaign contributions given during the 2002 election cycle by donors with ties to the video-poker industry (not counting its lobbyists). The donors include amusement machine distributors, as well as the owners of truck stops, strip clubs, pool halls, convenience stores, bars, and 'gift stores' that are basically video-poker game rooms. Our research shows that many of these contributions came from donors who have been cited, sometimes repeatedly, for engaging in various illegal gambling practices or whose illegal operations caused law enforcement officials to seize their poker machines. Other contributions came from donors who say they were unaware that a relative or friend in the video-poker business apparently made a political donation in their name. And others came from donors who admit they were paid or reimbursed for making a political donation to help an associate in the video-poker industry.

"Our research indicates that many of the problematic donations have ties to Southland Amusements of Wilmington or its owner Robert E. 'Bobby' Huckabee III. Huckabee chairs the Legislative Committee of the N.C. Amusement Machine Association, which is waging a vigorous fight to stop legislation that would ban video-poker machines in the state. . . ."

"The pattern of giving indicates that the industry believes it should focus its contributions on members of the N.C. House of Representatives and particularly on Rep. James B. Black of Matthews, the House Speaker in 2001-2002 and House Co-Speaker in 2003-2004. . . . We must emphasize that we have NO evidence or indication that Speaker Black has any involvement or knowledge of the apparent illegal campaign contributions described in this document. In fact, descriptions of numerous donors on his campaign disclosure reports suggest he did not realize they were connected to the video-poker industry."

"The focus of this call for an investigation is not on any recipient but on the political donors who appear to have violated numerous campaign finance laws in an effort to funnel tens of thousands of dollars into the 2002 election. The pertinent violations include:

- exceeding the contribution limit,



- making donations in the name of another,
- making anonymous donations,
- using corporate money for political donations,
- reimbursing individuals who made donations,
- making donations in cash in excess of $100,
- making donations in exchange for material benefits,
- illegal solicitation of donations,
- providing false information,
- coercion of others to commit one or more of these offenses, and
- conspiracy to make illegal donations."

"The focus of this call for an investigation is not on any recipient but on the political donors who appear to have violated numerous campaign finance laws in an effort to funnel tens of thousands of dollars into the 2002 election. . . . The pattern of corrupt behavior appears to extend beyond the acts of one individual or company in the video-poker business. The evidence points to a level of corruption that permeates the industry, from officials in key positions of its trade association to 'mom-and-pop' distributors to owners of the corner store that profits from the industry's illegal gambling operations."

"The priority focus should be on the industry, not the recipients, because the industry appears to be expanding from illegal schemes for making money to illegal schemes for gaining an advantage inside the General Assembly. Politicians trapped in a fundraising arms race with their political rivals, with no alternative except to rely on private sources of money, become the target of these schemes. We are concerned that an industry described as 'the crack cocaine of gambling' aims to use its illegal profits to gain political protection so it can expand and pose an even greater threat to our democracy."

New scrutiny of video poker

Political watchdog alleges corruption

By DAN KANE, Staff Writer

A campaign-finance watchdog group filed a complaint Tuesday with the state Board of Elections, asking for a full investigation of political contributions connected to the video poker industry.

The complaint said that the contributions "appear to involve political corruption, money laundering, and a possible conspiracy by members of the industry to violate campaign-finance statutes."

Democracy North Carolina said it made the complaint after reviewing more than $100,000 in campaign contributions during the 2002 election cycle by donors with ties to the industry.

"Our research shows that many of these contributions came from donors who have been cited, sometimes repeatedly, for engaging in various illegal gambling practices or whose illegal operations caused law enforcement officials to seize their video poker machines," the complaint said.

Other contributions, the complaint said, came from donors who said they were unaware a friend or relative in the video poker business made a contribution in their names, or from donors who admitted they were paid or reimbursed to make a donation to help someone involved in video poker.

The findings caught the attention of FBI agents who have been investigating the video poker industry. Frank Perry, special agent in charge of the Raleigh FBI office, said Tuesday his agents have interviewed some donors identified by Democracy North Carolina.

"We have conducted a number of interviews regarding allegations of improper, if not illegal, contributions," Perry said.

Much of the money went to N.C. House members, particularly Democratic Speaker Jim Black of Mecklenburg County. He has so far prevented a vote on legislation that would ban video poker, saying it would cost about 3,500 people their jobs. The Senate has twice voted to ban video poker at the request of the N.C. Sheriffs Association.

Black supports legislation that would require convenience stores and other businesses that have the machines to pay a $125 quarterly fee to the state Alcohol Law Enforcement division, which would take over regulation of video poker from sheriffs.

The House Finance Committee is scheduled to debate the issue today.

NORTH CAROLINA GENERAL ASSEMBLY
AMENDMENT
Senate Bill 6

S6-ALB-155 [v.1]

ruled out of order under Rule 43

AMENDMENT NO. _____
(to be filled in by
Principal Clerk)

Date June 30 ,2004

Comm. Sub. [YES]
Amends Title [YES]
Second Edition

Representative Ellis

moves to amend the bill on page 1, line 2, through the end of the bill, by deleting those lines and substituting the following:

"AN ACT TO PROHIBIT THE POSSESSION OR OPERATION OF VIDEO GAMING MACHINES EXCEPT BY A FEDERALLY RECOGNIZED INDIAN TRIBE AS AUTHORIZED BY THE INDIAN GAMING REGULATORY ACT AND A VALID TRIBAL-STATE COMPACT.

Whereas, the State of North Carolina desires to clearly set forth its policy against commercial forms of gaming; and

Whereas, the State of North Carolina desires to recognize the unique relationship between it and the federally recognized Indian tribe within the State; and

Whereas, the State of North Carolina desires to make it clear that it does not consider the activities of the Eastern Band of Cherokee Indians conducted pursuant to the Compact between it and the Eastern Band of Cherokee Indians to be commercial gaming because the Federal Indian Gaming Regulatory Act restricts the use of proceeds from gaming operations conducted by federally recognized Indian tribes to governmental services and activities that further the self-determination of the tribe; and

Whereas, the State of North Carolina desires to reaffirm that all activities conducted pursuant to such Compact or any amendment thereto are not commercial gaming and that same are lawful and not against the public policy of the State of North Carolina; and

Whereas, the State of North Carolina recognizes the tribe's substantial capital investment in reliance on the Compact, the payments made by the tribe pursuant to the Compact, and the creation of jobs and other positive impacts the tribe's activities have brought to the entire economy of Western North Carolina; and

Whereas, the State through this legislation intends to make it clear that the State will honor its commitments under the Compact and amendments, to further express its legislative intent to fully recognize the rights of the tribe in its special sovereign governmental authority to conduct gaming on tribal lands, and to express the intent of the State to recognize as lawful, on tribal lands, all gaming activities conducted by the tribe pursuant to the approved Tribal-State Compact as the same may from time to time be amended by the tribe and the State; Now, therefore,

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 14-306.1 is repealed.

SECTION 2. Part 1 of Article 37 of Chapter 14 of the General Statutes is amended by adding a new section to read:

"**§ 14-306.1A. Types of machines and devices prohibited by law; penalties.**

(a) Ban on Machines. – It shall be unlawful for any person to operate, allow to be operated, place into operation, or keep in that person's possession for the purpose of operation any video gaming machine as defined in subsection (b) of this section, except for the exemption for a federally recognized Indian tribe under subsection (e) of this section for whom it shall be lawful to operate and possess machines as listed in subsection (b) of this section if conducted in accordance with an approved Class III Tribal-State Compact applicable to that tribe, as provided in G.S. 147-12(14) and G.S. 71A-8.

(b) Definitions. – As used in this section, a video gaming machine means a slot machine as defined in G.S. 14-306(a) and other forms of electrical, mechanical, or computer games such as, by way of illustration:

(1) A video poker game or any other kind of video playing card game.
(2) A video bingo game.
(3) A video craps game.
(4) A video keno game.
(5) A video lotto game.
(6) Eight liner.
(7) Pot-of-gold.
(8) A video game based on or involving the random or chance matching of different pictures, words, numbers, or symbols not dependent on the skill or dexterity of the player.

For the purpose of this section, a video gaming machine is a video machine which requires deposit of any coin or token, or use of any credit card, debit card, or any other method that requires payment to activate play of any of the games listed in this subsection. The enumeration of games in the list in this subsection does not authorize the possession or operation of such game if it is otherwise prohibited by law.

For the purpose of this section, a video gaming machine includes those that are within the scope of the exclusion provided in G.S. 14-306(b)(2) unless conducted in accordance with an approved Class III Tribal-State Compact applicable to that tribe as provided in G.S. 147-12(14) and G.S. 71A-8. For the purpose of this section, a video gaming machine does not include those that are within the scope of the exclusion provided in G.S. 14-306(b)(1).

(c) Exemption for Certain Machines. – This section shall not apply to assemblers, repairers, manufacturers, and transporters of video gaming machines who assemble, repair, manufacture, and transport them for sale in another state as long as the machines, while located in this State, cannot be used to play the prohibited games and does not apply to those who assemble, repair, manufacture, and sell such machines for use only by a federally recognized Indian tribe if such machines may be lawfully used on Indian land under the Indian Gaming Regulatory Act.

(d) Ban on Warehousing. – It is unlawful to warehouse any video gaming machine except in conjunction with the permitted assembly, repair, manufacture, and transportation of such machines under subsection (c) of this section.

(e) Exemption for Activities Under IGRA. – Notwithstanding any other prohibitions in State law, the form of Class III gaming otherwise prohibited by subsections (a) through (d) of this section may be legally conducted on Indian lands which are held in trust by the United States Government for and on behalf of federally recognized Indian tribes if conducted in accordance with an approved Class III Tribal-State Gaming Compact applicable to that tribe as provided in G.S. 147-12(14) and G.S. 71A-8."

SECTION 3. G.S. 14-306.2 reads as rewritten:

"**§ 14-306.2. Violation of ~~G.S. 14-306.1~~ G.S. 14-306.1A a violation of the ABC laws.**

A violation of ~~G.S. 14-306.1~~ G.S. 14-306.1A is a violation of the gambling statutes for the purposes of G.S. 18B-1005(a)(3)."

SECTION 4. G.S. 147-12(14) reads as rewritten:

"(14) ~~To~~ Notwithstanding subsections (a) through (d) of G.S. 14-306.1A, to negotiate and enter into Class III Tribal-State gaming compacts, and amendments thereto, on behalf of the ~~State~~ State, consistent with State law (G.S. 14-306.1A(e) and G.S. 71A-8) and the Indian Gaming Regulatory Act, Public Law 100-497, as necessary to allow a federally recognized Indian tribe to operate gaming ~~activities~~ activities, including those games allowed pursuant to G.S. 14-306.1A(e), in this State as permitted under federal law."

SECTION 5. G.S. 71A-8 reads as rewritten:

"**§ 71A-8. Authorization for federally recognized Indian tribes.**

In recognition of the governmental relationship between the State, federally recognized Indian tribes and the United States, a federally recognized Indian tribe may conduct games consistent with the Indian Gaming Regulatory Act, Public Law 100-497, that are in accordance with a valid Tribal-State compact executed by the Governor pursuant to G.S. 147-12(14) and approved by the U.S. Department of Interior under the Indian Gaming Regulatory Act, and such ~~games~~ games, including those permitted under G.S. 14-306.1A(e), shall ~~not be unlawful or~~ be lawful and not against the public policy of the State ~~if the State permits such gaming for any purpose by any person, organization, or entity.~~ if conducted by a federally recognized Indian tribe on federal Indian Trust Lands within the State in accordance with a Tribal-State Gaming Compact applicable to that tribe as provided in G.S. 147-12(14) and G.S. 71A-8."

SECTION 6. G.S. 14-298 reads as rewritten:

"**§ 14-298. Gaming tables, illegal punchboards, slot machines, and prohibited video game machines to be destroyed by police officers.**

All sheriffs and officers of police are hereby authorized and directed, on information made to them on oath that any gaming table prohibited to be used by G.S. 14-289 through G.S. 14-300, any illegal punchboard or illegal slot machine, or any video game machine prohibited to be used by G.S. 14-306 or G.S. ~~14-306.1,~~ 14-306.1A is in the possession or use of any person within the limits of their jurisdiction, to destroy the same by every means in their power; and they shall call to their aid all the good citizens of the county, if necessary, to effect its destruction. This section does not prohibit any activities which are legally conducted by a federally recognized Indian tribe pursuant to G.S. 14-306.1A(e), 147-12(14), and 71A-8."

NORTH CAROLINA GENERAL ASSEMBLY
AMENDMENT
Senate Bill 6

AMENDMENT NO. _____
(to be filled in by
Principal Clerk)

S6-ALB-155 [v.1]

SECTION 7. Effective with respect to offenses committed on or after December 1, 2004, G.S. 14-309(b) is repealed.

SECTION 8. G.S. 105-256(d)(1) is repealed, but that repeal does not affect reports for activities prior to December 1, 2004.

SECTION 9. This act becomes effective December 1, 2004, and applies to offenses committed on or after that date but also applies to compacts and amendments thereto executed before that date. If a court of competent jurisdiction in this State issues a stay to prohibit possession or operation of video gaming machines by a federally recognized Indian tribe, as authorized by a valid Tribal-State Compact, because that activity is not allowed on non-Indian lands, this act is suspended and shall not have the force of law until such time as the stay is dissolved or a final order is entered. If a court of competent jurisdiction in this State issues a final order that prohibits the possession or operation of video gaming machines by a federally recognized Indian tribe, as authorized by a valid Tribal-State Compact, because that activity is not allowed on non-Indian lands, this act is void."

SENATE BILL 6:
Increase Regulation of Amusement Devices

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Reps. Culpepper, Harrell, G. Allen, Owens
Date:	June 30, 2004		
Version:	PCS S6-CSSWxf-79	**Summary by:**	Dianna Jessup, Staff Attorney Research Division

SUMMARY: The bill would amend the statutes regulating video gaming machines as follows:

- *All machines would be required to be equipped with a hand count feature to permit the reconciliation of the number of plays and the number of paper coupons issued and to have a unique serial number permanently affixed to the machine.*
- *Machines would be prohibited from visually displaying the words "jackpot," "casino," or "Las Vegas," and from audibly emitting any of those words.*
- *Owners of machines would be required to register machines annually with the Alcohol Law Enforcement Division of the Department of Crime Control and Public Safety (Division). Currently, sheriffs administer this registration requirement. Upon registration, the Division would affix a decal to the machine. The absence of a decal would be prima facie evidence that the machine is illegal and subject to criminal penalties. If a machine is moved from one location to another, the owner would have to notify the Division within five days and before the machine is operational. The Division would have the authority to enter any location where a video gaming machine is being operated or housed to inspect the machine. It would become permissible to warehouse a registered machine.*
- *Persons convicted of violating the video gaming law would not be permitted to own any video gaming machines for certain periods of time.*
- *The statute authorizing destruction of gaming tables would be updated to permit seizure and eventual destruction of the items seized, or returned to the owner if the items seized were lawfully possessed at the time seized.*
- *The penalty for knowingly owning or possessing an illegal video gaming machine would be increased from a Class 1 misdemeanor for the first offense to a Class G felony.*

The bill would also add the following to support the enforcement of the video gaming laws:

- *An annual registration fee of $300/per machine, payable by the owner of the machine to the Division. The proceeds would be used by the Division to administer the registration process and enforce the video gaming laws.*
- *An excise tax of $5,000/machine for illegal machines. After the costs of administering the tax are credited to the Department of Revenue, the Department would remit the balance of the tax funds to the law enforcement agency that conducted the investigation that led to the assessment.*

The act would become effective October 1, 2004, and would apply to illegal machines possessed on or after that date.

CURRENT LAW AND BACKGROUND: North Carolina law allows pursuant to G.S. 14-306(b)(2), operation of machines that limit to eight the number of accumulated credits or replays that may be played at one time and that award free replays or paper coupons exchangeable for prizes or merchandise valued at or less than $10, but not exchangeable or convertible to money. Machines that do not give replays, credits, or coupons are legal as well. Machines that give cash payouts are illegal.

In 2000, the General Assembly enacted legislation that established new prohibitions, registration requirements, and reporting requirements for video gaming machines (machines). This act [S.L. 2000-151 (SB 1542)] also increased the penalties for violating gaming laws. This bill was enacted when South Carolina passed legislation that prohibited gaming machines in that state, generating concern that a large number of video gaming machines would be moved into North Carolina for operation.

General Regulation and Prohibitions. A "video gaming machine" is defined as a slot machine, as defined in G.S. 14-306(a), and other forms of electrical, mechanical, or computer games, such as video poker, that require coin or token deposit, or use of a credit card, debit card, or other method of payment to activate play. The definition of "video gaming machine" excludes a machine operated and played for amusement that involves the use of skill or dexterity to solve problems or tasks or to make scores or tallies and does not, issue, display, or otherwise record any form of record capable of being redeemed, exchanged, or repurchased for cash, cash equivalent, or prizes, or does not award free replays.

It is unlawful for any person to operate, allow to be operated, place into operation, or keep in that person's possession for the purpose of operation any machine unless the machine was in lawful operation and available for play within North Carolina on or before June 30, 2000, and was listed in the State by January 31, 2000 for ad valorem taxation for the 2000-2001 tax year. All lawful machines must have been registered with the sheriff of the county where the machine was located by October 1, 2000 and must be re-registered every time the machine is moved from one location to another. Lawful machines must have a sticker in view of the player that informs the player that it is a criminal violation to pay more than that, which is allowed by law.

Only three machines may be operated or kept in possession for the purpose of operation at one location. Locations must be permanent buildings. Each location must be at least 300 feet away from any other location where other machines are located.

The following are also violations of the video gaming statutes:

- A person under 18 playing a machine (a violation is an infraction, which is a noncriminal violation of law not punishable by imprisonment).
- An operator of a machine knowingly allowing a person under the age of 18 to play a machine.
- The operation of or allowing the operation of any machine during the hours of 2:00 A.M. Sunday through 7:00 A.M. Monday.
- The operation of a machine that is not in plain view of persons visiting the premises.
- Advertising the operation of machines by use of on-premise or off-premise signs.
- Warehousing machines, except in conjunction with the permitted assembly, manufacture, and transportation of these machines.

Penalties. Under G.S. 14-309(a) any person who violates any provision of G.S. 14-304 through G.S. 14-309 is guilty of a Class 1 misdemeanor for the first offense, a Class I felony for a second offense, and a Class H felony for a third or subsequent offense. However, G.S. 14-309(b) provides that a violation of the provisions of G.S. 14-306.1 involving the operation of five or more video gaming machines is a Class G felony.

A person convicted under G.S. 14-309(a) once may not possess any machines for a period of one year, twice may not possess any machines for a period of two years, three or more times may not possess any machines.

A violation of G.S. 14-306.1 is a violation of the gambling statutes for purposes of G.S. 18B-1005(a)(3). G.S. 18B-1005(a)(3) provides that it is unlawful for an ABC permittee, or the permittee's agent or employee, to knowingly allow a violation of the gambling statutes on the licensed premises.

Law enforcement officers may seize and destroy any machine prohibited by G.S. 14-306 or G.S. 14-306.1.

BILL ANALYSIS:

Section 1 would require video machines that award free plays or paper coupons that may be exchanged for prizes or merchandise with a value not exceeding $10 to have a hand count feature to permit the reconciliation of the number of plays and the number of paper coupons issued. These machines would have to be equipped with the hand count feature by December 1, 2004.

Section 2 would amend the law regulating video gaming machines [defined in G.S. 14-306.1(c)] as follows:

Registration, Changing Locations, Warehousing and Inspection: Currently, a video gaming machine is registered with the sheriff in the county where the machine is located, and is only re-registered when it is moved. By October 1, 2004, and annually thereafter on or before July 1, owners of video gaming machines lawfully in operation and available for play within this State on or before June 30, 2000 and listed in this State by January 31, 2000 for ad valorem taxation for the 2000-2001 tax year, would have to register their machines with the Division of Alcohol Law Enforcement of the Department of Crime Control and Public Safety and pay a $300 fee per machine. Fees collected by the Division would be used to administer the registration process and enforce the video gaming statutes. Upon registration, the Division would affix a decal to the machine that has a unique number. If a machine is moved, the owner would have to notify the Division within five days and before the machine is operational. Registered machines could be warehoused (currently, they cannot be warehoused).

Serial Number: Every machine would be required to have a unique serial number permanently affixed to the machine.

Certain Display Prohibited: No machine would be permitted to visually display the words "jackpot," "casino," or "Las Vegas," nor would any machine be permitted to audibly emit those words.

Entry to Inspect: Persons owning or controlling any location where a video gaming machine is operated or housed would be required to permit the Division to enter the location at any time to inspect the machine.

Reports Deleted or Moved : A report by the Sheriff's Association to the 2001 Session would be deleted; the quarterly report by owners of machines to the Department of Revenue would be deleted.

Conviction Results: Anyone convicted of violating the gaming machine laws (G.S. 14-309 (a) *or* (b)) would be prohibited from owning a video gaming machine for a certain amount of time, depending upon the number of convictions. A person who has been convicted three or more times would be prohibited from owning a video gaming machine.

Section 3 would update a statute dating back to the 1700's to permit any law enforcement officer to seize any illegal gaming table, punchboard, slot machine, or video gaming machine when probable cause exists as to the unlawful possession or use. The new language would provide a legal process that could be undertaken for destruction of the item or return of the item to its owner. If the court finds that the item was unlawfully possessed, it could be destroyed or retained by law enforcement for training purposes. If the court finds that the item was lawfully possessed, it would have to be returned to the owner.

Section 4 would amend the criminal penalty section of the gaming statutes to make it a Class G felony to knowingly own or possess an illegal machine, i.e. a video gaming machine that was not lawfully in operation and available for play within the State on or before June 30, 2000 and listed in this State by January 31, 2000 for ad valorem taxes. This section would also add that the absence of a decal on a machine affixed by the Division would be prima facie evidence that the person knowingly owned or possessed an illegal machine. That is, absence of a decal would be sufficient evidence to show that a person knowingly owned or possessed an illegal machine.

Section 5 contains a conforming change to the gaming machine statutes.

Section 6 would amend the State's tax code to add an "Illegal Video Gaming Machine Tax." A tax in the amount of $5,000 per machine would be levied on the possession of illegal video gaming machines. The tax would be payable within 48 hours after the person acquires actual or constructive possession of a non-tax-paid illegal video gaming machine. Net proceeds of the tax would be distributed to State or local law enforcement agencies that conducted the investigation of a person that lead to the assessment of the tax.

It is unclear whether State or federal courts would view this as a tax or as an additional criminal penalty. If the courts found this to be an additional criminal penalty it would be subject to all federal and State Constitutional requirements and limitations regarding the imposition and use of criminal penalties. This provision is modeled after North Carolina's Unauthorized Substance Tax over which there has been extensive litigation at the federal and State levels with conflicting results.

North Carolina courts and federal courts have reached different conclusions as to whether the Unauthorized Substances Tax (at least as it was in effect in 1993 and 1994) is in fact a criminal penalty. In 1996, the North Carolina Court of Appeals ruled that the Unauthorized Substances Tax was not a criminal penalty and that prosecution for the underlying drug offense was not barred by a previous assessment of the tax. State v. Ballenger, 123 N.C.App. 179, 472 S.E.2d 572 (1996). This decision was upheld by the North Carolina Supreme Court in a per curiam decision issued without an opinion in 1997. State v. Ballenger, 345 N.C. 626, 481 S.E.2d 84; *cert. denied* Ballenger v. North Carolina, 522 U.S. 817, 118 S.Ct. 68 (1997). In a separate case decided in 1998 however, the federal Court of Appeals held that the Unauthorized Substances Tax was a criminal penalty and that constitutional standards for criminal proceedings applied. Lynn v. West, 134 F.3d 582 (1998). However, under North Carolina law, with the exception of decisions of the United States Supreme Court federal appellate court decisions are not binding on North Carolina courts. *See;* State v. Adams, 132 N.C.App. 819, 513 S.E.2d 588 (1999).

Therefore, despite a federal appellate court opinion to the contrary, the Unauthorized Substances Tax is properly treated as a tax rather than as a criminal penalty.

Both the North Carolina court and the federal court based their decisions on the framework laid out in Department of Revenue v. Kurt Ranch, 511 U.S. 767, 114 S.Ct. 1937 (1994). That case involved the Dangerous Drug Tax Act in effect in Montana. In that case, the United States Supreme Court found that the "tax" levied by Montana was really a criminal penalty. The court looked at several factors in coming to this conclusion. First, the rate of the tax imposed in Montana was extremely high – up to 400% of the market value of the drugs seized. Second, the tax had an obvious deterrent effect. The court stated, however, that, "neither a high rate of taxation nor an obvious deterrent purpose automatically marks this tax as a form of punishment." *Id.*, at 780. The Supreme Court noted that other factors also set the tax apart from most taxes. Notably, the tax was conditioned on the commission of a crime. *Id.*, at 781. Additionally, the tax purported to be a property tax but was levied on property that the taxpayer neither owned nor possessed at the time of the assessment. *Id.*, at 783.

Both the North Carolina court and the federal court found that the first two considerations were also present with the North Carolina Unauthorized Substance Tax. The courts disagreed whether the other two factors were present.[1] The North Carolina court noted that the tax was due regardless of whether an arrest was ever made and that the tax was due at the time of possession.[2] Ballenger, 123 N.C. App. at 183. The federal court noted, however, that the tax was based on the commission of a crime in that the tax had never been voluntarily paid, had been assessed only on individuals who had been arrested, and did not apply to lawful possessors of controlled substances (i.e. doctors or pharmacists). Lynn, 134 F.3d at 590-591. Additionally, the federal court noted that tax had no relationship to lawful possession. *Id.*

Based on the criteria laid out in Kurt Ranch, it is possible a court could find this "tax" to actually be an additional criminal penalty. First, it is unclear how the amount of tax relates to the value of the illegal machine. The net revenues associated with legal machines vary widely. One can assume that the revenues associated with illegal machines would be higher than those associated with legal machines, but it is not clear how high the rate of tax is in relation to the value of the illegal machine. Second, it is clear that the proposed tax is intended to have a deterrent effect. One could argue that the only intended effect of the tax is deterrence since all of the net proceeds of the tax would be disbursed to law enforcement agencies who conduct investigations that lead to the assessment of the tax. Third, it could be argued that this tax is conditioned upon the commission of a crime. Fourth, although the proposed tax purports to be a tax, payment of the tax neither grants a privilege to the taxpayer nor is it a condition precedent to lawfully engaging in the activity.

If the courts were to find that this were a criminal penalty rather than a tax, all of the constitutional requirements and restrictions related to criminal penalties would be implicated. Such a determination could have numerous consequences, including the following:

- Assessment of the tax and imposition of criminal penalties would be subject to Double Jeopardy analysis. This means that if the tax were assessed and paid, later criminal proceedings would be

---

[1] As the dissent in Ballenger pointed out, however, the Supreme Court in Kurt Ranch did not state that the presence of all these factors was necessary to find the tax to be a criminal penalty. Ballenger, 123 N.C.App. at 185 (Smith, J. dissenting). In Kurt Ranch, the Supreme Court held that, "taken as a whole, [the Montana] drug tax is a concoction of anomalies, too far-removed in crucial respects from a standard tax assessment to escape characterization as punishment for the purpose of Double Jeopardy analysis." Kurt Ranch, 511 U.S. at 783.

[2] In Montana, the tax was due only upon arrest. The tax was therefore only due once the individual no longer had possession of the drug since the drug would have been confiscated by the authorities.

barred. Conversely, the tax could not be imposed after criminal proceedings had concluded. The State could assess the tax and impose criminal penalties only if both actions took place in one judicial proceeding.

- The State would have to prove possession of the illegal video gaming machine beyond a reasonable doubt in order to assess the tax.
- The proceeds of the penalty would be required to be used for public schools under Article IX, Section 7 of the North Carolina Constitution.

Section 7 is a severability clause.

Section 8 would make the act effective October 1, 2004 and apply to illegal gaming machines possessed on or after that date.

North Carolina General Assembly

House Committee on Finance

Minutes

~

June 30, 2004

The House Committee on Finance met on Wednesday, June 30, 2004 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons G. Allen, Howard, Luebke, McComas, and Wainwright; Vice-Chairs Alexander, Daughtridge, Decker, and Hill; and Representatives Blackwood, Bordsen, Capps, Carney, Cole, Creech, Ellis, Glazier, Hackney, Harrell, Holliman, Jones, Lewis, McGee, Ross, Setzer, Starnes, Weiss, C. Wilson, and Womble. Also present were Sergeant-at-Arms Bob Fowler, Bill Freeman, Dusty Rhodes, and Walter Spell. Staff persons present included Richard Bostic, David Crotts, Trina Griffin, Canaan Huie, Linda Millsaps, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2.**

Chairman McComas called the meeting to order at 8:35 am and recognized the five (5) pages present at the meeting: (1) Elizabeth Johnson of Lincoln County, sponsored by Representative Kiser; (2) Jeffrey Miller of Wake County, sponsored by Representative Eddins; (3) Tara Scheidt of Rowan County, sponsored by Representative Coates; (4) Patrick Vollmer of Watauga County, sponsored by Speaker Black; and (5) D'Andrea Williams of Cumberland County, sponsored by Representative McAllister.

The Chair then immediately called **HB 1348 – CAMDEN COUNTY OCCUPANCY TAX** (see **attachment 3**) before the Committee for consideration. Representative Owens, the bill sponsor, was recognized to explain the bill. Representative Owens explained that the bill authorizes Camden County to levy a 6% room occupancy tax. He noted that, currently, Camden County does not have any lodging facilities (i.e. hotels) but is requesting the tax for planning purposes. He also stated that the bill had been heard in the House Finance Subcommittee on the Occupancy Tax and was reported favorably. Seeing no discussion on the bill, Chairman McComas then recognized Representative Allen who moved that the bill be given a favorable report. The Chair then called the motion to a vote and it carried without objection.

Representative Owens was recognized once again to explain the next bill considered: **HB 1721 – CURRITUCK OCCUPANCY TAX CHANGES** (see **attachment 4**). Representative Hill moved that the Proposed Committee Substitute (PCS) for House Bill 1721 be adopted for the Committee's discussion and that motion carried without objection. Representative Owens then explained that the bill authorizes Currituck County to increase its occupancy tax from 4% to 6% and to use two-thirds of the proceeds from the additional tax for tourism promotion and the remaining one-third for tourism-related expenditures. He additionally stated that this bill had also been favorably reported out of the House Finance Subcommittee on the Occupancy Tax. Following this explanation, Representative Hill moved that the PCS for HB 1721 be given a favorable report (with

an unfavorable report as to the original bill). Seeing no further discussion, Chairman McComas then called the matter to a vote and the motion carried without objection.

The next bill considered by the Committee was **SB 1171 – MOTOR FUEL TAX CHANGES** (see **attachment 5**), sponsored by Senator Kerr. Representative Holliman moved that the Committee adopt the PCS for SB 1171 for the purposes of discussion and the motion carried without objection. Chairman McComas then recognized Senator Kerr to explain his bill. Senator Kerr stated that the bill was a recommendation from the Revenue Laws Study Committee and makes numerous changes to the motor fuels tax statutes and allows the Department of Revenue to appoint employees of the Motor Fuels Tax Division as revenue law enforcement officers. Following this explanation, the Chair recognized Representative Decker who acted to send forth an amendment (see **attachment 6**). He explained that his amendment would effectively add the provisions of one of his own bills (HB 1661) to the bill. (HB 1661 was heard in the Committee at its' June 17, 2004 but was referred to a special subcommittee. The bill acts to place a cap on the variable rate of the gasoline tax.) Given the nature of the amendment, Chairman McComas acted to consult with the Rules Chairman, Representative Culpepper, as to whether Representative Decker's amendment was germane. As a result, the bill was temporarily displaced.

Chairman McComas recognized Representative Barnhart next to explain **HB 1688 – CONCORD ANNEXATION EFFECTIVE DATE** (see **attachment 7**). Representative Barnhart stated that the bill would allow a deferred effective date for certain voluntary annexations of the City of Concord that had become the subject of recent legal battles. He informed the Committee members that there was no controversy on the bill. Seeing no discussion, Representative Howard was recognized by the Chair and moved that HB 1688 be given a favorable report. The motion was then called to a vote and it carried by consent.

The Chair then acted to replace **SB 1171 – MOTOR FUEL TAX CHANGES** (see **attachment 5**) before the Committee. Chairman McComas announced that after conferring with the Rules Chairman, the amendment offered by Representative Decker (see **attachment 6**) was ruled germane to the bill. Senator Kerr was then recognized and spoke in opposition to the amendment. He stated that while he understood Representative Decker's intent, he felt that the amendment would only complicate the bill and make it controversial. He also stated that given the limited time period left in the session, the amendment would weaken the bill's chances of successfully passing on the House floor. Representative Decker stated that the amendment was the right thing to do for the people of the State, especially the poor, who are currently highly burdened by the extremely high price of gasoline. Representative Ellis, however, stated that the amendment would cause a significant loss of revenue to the Highway Trust Fund and would restrict the ability of the Department of Transportation to effectively maintain the State's roads. Representative Ross reminded the Committee members that Representative Decker's bill, HB 1661, which addresses the subject of the amendment, was already in a special subcommittee for consideration and that the bill should be considered there. Representative Decker then moved adoption of his amendment and requested the ayes and nays. The Chair then called the amendment to a vote and the Clerk called the roll (see **attachment 8**). By a vote of 3 ayes and 25 nays, the amendment failed. Chairman McComas then recognized Representative Wainwright who moved that the House PCS for SB 1171 be given a favorable report (with an unfavorable report as to the Senate Committee Substitute bill before the Committee). Following some brief discussion among the members, the Chair then called the vote and the motion carried.

Chairman McComas next recognized Representative Ray, on behalf of the bill sponsor Senator Hoyle, to explain the next bill considered by the Committee: **SB 754 – STOCK CAR RACING THEME SPECIAL PLATES** (see **attachment 9**). Representative Ray explained that

the bill would authorize the Division of Motor Vehicles to issue as many as 30 different stock car racing plates for an additional fee of $30. She stated that the plates do not have to be a "First in Flight" plate, but would bear an emblem, seal, or design displaying themes of NASCAR, a NASCAR team, or a NASCAR driver. On a final note, she informed the Committee members that the bill had been reported favorably out of the House Finance Subcommittee on Tax and Tags. Following this explanation, Chairman McComas recognized Representative Wainwright, who, noting his support of the bill, moved that it be given a favorable report. Following some very brief discussion, the Chair then called the motion to a vote and it carried.

The final bill considered by the Committee was **SB 6 – INCREASE REGULATION OF AMUSEMENT DEVICES** (see **attachment 10**). Representative Luebke moved that the House PCS for SB 6 be adopted by the Committee for discussion. However, Representative Ellis objected to the motion and requested that the members vote by division. Chairman McComas then called the motion to adopt the PCS for discussion purposes to a vote and the motion carried by a majority. Representative Culpepper was then recognized to explain the bill. He first provided a brief history of the video gaming industry in North Carolina. He then discussed the summary of the bill for the members. (The bill summary and fiscal memorandum are attached as attachment 10). He noted that the most important provisions in the bill include the following:

- Owners of machines would be required to register machines annually with the Alcohol Law Enforcement Division of the Department of Crime Control and Public Safety (Division). Currently, the county sheriff's administered this registration requirement.
- Upon registration, the Division would affix a decal to the machine. The absence of a decal would be prima facie evidence that the machine is illegal and the owner would be subject to criminal penalties.
- If a machine is moved from one location to another, the owner would have to notify the Division within five days and before the machine is made operational.
- The Division would have the authority to enter any location where a video gaming machine is being operated or housed to inspect the machine.
- Finally, it would become permissible to warehouse a registered machine.

Following this lengthy explanation, Chairman McComas recognized Representative Luebke who moved that the House PCS for SB 6 be given a favorable report (with an unfavorable report as to the Senate Committee Substitute bill originally before the Committee). Prior to acting on the motion, however, the Chair recognized several speakers from the audience to briefly address the Committee. Mr. George Trent of Trent Brothers Amusement Co. was the first speaker recognized. He stated his support of the bill, noting that his small business included a wide range of video games, including video poker. He also pointed out that, in recent years, video poker had become an increasingly important part of his business. Mr. Tommy Allen, Sheriff of Anson County, representing the North Carolina Sheriff's Association was recognized next and spoke in opposition to the bill. He informed the Committee members that the Sheriff's Association's position was for a total ban on video poker. Ms. Julie Loflin of Southern Amusements in Denton, North Carolina, was the next speaker. She voiced her support for the bill as a small business owner and reminded the members of the many jobs the video gaming industry provides to North Carolinians. Mr. John Rustin representing the North Carolina Family Policy Council (NCFPC) was recognized next. He spoke in opposition to the bill, stating that the position of the NCFPC was for a complete ban of video poker. Chairman McComas next recognized Mr. Richard Frye, owner of Sandhills Amusement in Southern Pines, who spoke in support of SB 6. He provided statistics to the members, stating that an estimated 13,000 to 19,000 jobs in North Carolina would be lost if a complete ban was placed on video gaming. He stated that this would result in a tremendous cost to the State in unemployment benefits as well as sales tax revenues. He also stated that even if the industry were ban, video gaming would nonetheless continue. Ms. Patrice Roesler of the North

Carolina Association of County Commissioners (NCACC) was the last speaker recognized. Ms. Roesler stated that the NCACC's official position was in accord with the North Carolina Sheriff's Association for a complete ban of video poker/gaming.

The Chair then recognized members of the Committee to debate the bill. Representative Glazier was recognized and stated his opinion that since a bill to outright ban the video gaming industry was not presented to the Committee, that the bill before the Committee, which increased regulation, was better than no action at all. Representative Ellis was recognized next and stated that in 2000, the North Carolina General Assembly was asked to ban all video gaming machines in light of the problems experienced in South Carolina with the industry. He additionally reminded the members that all 100 Sheriffs in the state as well as all 100 counties were in favor of a complete ban on "this highly addictive form of electronic gambling." He then acted to send forth an amendment (see **attachment 11**). He explained that the amendment would act to return the bill to its original status prior to the House PCS, which, in effect, would have created a ban on all video gaming in North Carolina except for on Indian Reservations (as they are protected from state law by the Federal Government). Upon receipt of this amendment, the Chair acted to consult with the Rules Chairman, Representative Culpepper, as to the appropriateness of the amendment to the bill. Representative Culpepper ruled that the amendment was not germane to the bill and stated that Representative's Ellis amendment was in fact a motion to substitute a bill, which is not provided for under House Rule 43. Chairman McComas concurred with this ruling and the amendment was ruled out of order. Representative Luebke was then recognized and moved that the PCS for SB 6 be given a favorable report (with an unfavorable report as to the Senate Committee Substitute bill originally before the Committee). Representative Ellis then disputed the ruling of the Chair, but then respectfully requested that if he could not offer his amendment, that the Committee oppose the passage of the bill. Representative Blackwood was recognized and requested the ayes and nays on the bill. Chairman McComas then presented Representative Luebke's motion to the Committee and the Clerk called the roll (see **attached 12**). By a vote of 19 to 11, the motion carried.

The Committee's time had then expired and Chairman McComas adjourned the meeting at 9:58 a.m.

Respectfully submitted,

Representative Danny McComas
Presiding Chair

Jason A. Cannon
Clerk, House Committee on Finance

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 2003

S 2

SENATE BILL 6

Judiciary I Committee Substitute Adopted 4/17/03

Short Title: Ban Video Poker/All But Reservations. (Public)

Sponsors:

Referred to:

February 10, 2003

A BILL TO BE ENTITLED

AN ACT TO PROHIBIT THE POSSESSION OR OPERATION OF VIDEO GAMING MACHINES EXCEPT BY A FEDERALLY RECOGNIZED INDIAN TRIBE AS AUTHORIZED BY THE INDIAN GAMING REGULATORY ACT AND A VALID TRIBAL-STATE COMPACT.

Whereas, the State of North Carolina desires to clearly set forth its policy against commercial forms of gaming; and

Whereas, the State of North Carolina desires to recognize the unique relationship between it and the federally recognized Indian tribe within the State; and

Whereas, the State of North Carolina desires to make it clear that it does not consider the activities of the Eastern Band of Cherokee Indians conducted pursuant to the Compact between it and the Eastern Band of Cherokee Indians to be commercial gaming because the Federal Indian Gaming Regulatory Act restricts the use of proceeds from gaming operations conducted by federally recognized Indian tribes to governmental services and activities that further the self-determination of the tribe; and

Whereas, the State of North Carolina desires to reaffirm that all activities conducted pursuant to such Compact or any amendment thereto are not commercial gaming and that same are lawful and not against the public policy of the State of North Carolina; and

Whereas, the State of North Carolina recognizes the tribe's substantial capital investment in reliance on the Compact, the payments made by the tribe pursuant to the Compact, and the creation of jobs and other positive impacts the tribe's activities have brought to the entire economy of Western North Carolina; and

Whereas, the State through this legislation intends to make it clear that the State will honor its commitments under the Compact and amendments, to further express its legislative intent to fully recognize the rights of the tribe in its special sovereign governmental authority to conduct gaming on tribal lands, and to express the intent of the State to recognize as lawful, on tribal lands, all gaming activities conducted

by the tribe pursuant to the approved Tribal-State Compact as the same may from time to time be amended by the tribe and the State; Now, therefore,

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 14-306.1 is repealed.

SECTION 2. Part 1 of Article 37 of Chapter 14 of the General Statutes is amended by adding a new section to read:

"**§ 14-306.1A. Types of machines and devices prohibited by law; penalties.**

(a) Ban on Machines. – It shall be unlawful for any person to operate, allow to be operated, place into operation, or keep in that person's possession for the purpose of operation any video gaming machine as defined in subsection (b) of this section, except for the exemption for a federally recognized Indian tribe under subsection (e) of this section for whom it shall be lawful to operate and possess machines as listed in subsection (b) of this section if conducted in accordance with an approved Class III Tribal-State Compact applicable to that tribe, as provided in G.S. 147-12(14) and G.S. 71A-8.

(b) Definitions. – As used in this section, a video gaming machine means a slot machine as defined in G.S. 14-306(a) and other forms of electrical, mechanical, or computer games such as, by way of illustration:

(1) A video poker game or any other kind of video playing card game.
(2) A video bingo game.
(3) A video craps game.
(4) A video keno game.
(5) A video lotto game.
(6) Eight liner.
(7) Pot-of-gold.
(8) A video game based on or involving the random or chance matching of different pictures, words, numbers, or symbols not dependent on the skill or dexterity of the player.

For the purpose of this section, a video gaming machine is a video machine which requires deposit of any coin or token, or use of any credit card, debit card, or any other method that requires payment to activate play of any of the games listed in this subsection. The enumeration of games in the list in this subsection does not authorize the possession or operation of such game if it is otherwise prohibited by law.

For the purpose of this section, a video gaming machine includes those that are within the scope of the exclusion provided in G.S. 14-306(b)(2) unless conducted in accordance with an approved Class III Tribal-State Compact applicable to that tribe as provided in G.S. 147-12(14) and G.S. 71A-8. For the purpose of this section, a video gaming machine does not include those that are within the scope of the exclusion provided in G.S. 14-306(b)(1).

(c) Exemption for Certain Machines. – This section shall not apply to assemblers, repairers, manufacturers, and transporters of video gaming machines who assemble, repair, manufacture, and transport them for sale in another state as long as the machines, while located in this State, cannot be used to play the prohibited games and does not apply to those who assemble, repair, manufacture, and sell such machines for

use only by a federally recognized Indian tribe if such machines may be lawfully used on Indian land under the Indian Gaming Regulatory Act.

(d) Ban on Warehousing. – It is unlawful to warehouse any video gaming machine except in conjunction with the permitted assembly, repair, manufacture, and transportation of such machines under subsection (c) of this section.

(e) Exemption for Activities Under IGRA. – Notwithstanding any other prohibitions in State law, the form of Class III gaming otherwise prohibited by subsections (a) through (d) of this section may be legally conducted on Indian lands which are held in trust by the United States Government for and on behalf of federally recognized Indian tribes if conducted in accordance with an approved Class III Tribal-State Gaming Compact applicable to that tribe as provided in G.S. 147-12(14) and G.S. 71A-8."

SECTION 3. G.S. 14-306.2 reads as rewritten:

"**§ 14-306.2. Violation of ~~G.S. 14-306.1~~ G.S. 14-306.1A a violation of the ABC laws.**

A violation of ~~G.S. 14-306.1~~ G.S. 14-306.1A is a violation of the gambling statutes for the purposes of G.S. 18B-1005(a)(3)."

SECTION 4. G.S. 147-12(14) reads as rewritten:

"(14) ~~To~~ Notwithstanding subsections (a) through (d) of G.S. 14-306.1A, to negotiate and enter into Class III Tribal-State gaming compacts, and amendments thereto, on behalf of the ~~State~~ State, consistent with State law (G.S. 14-306.1A(e) and G.S. 71A-8) and the Indian Gaming Regulatory Act, Public Law 100-497, as necessary to allow a federally recognized Indian tribe to operate gaming ~~activities~~ activities, including those games allowed pursuant to G.S. 14-306.1A(e), in this State as permitted under federal law."

SECTION 5. G.S. 71A-8 reads as rewritten:

"**§ 71A-8. Authorization for federally recognized Indian tribes.**

In recognition of the governmental relationship between the State, federally recognized Indian tribes and the United States, a federally recognized Indian tribe may conduct games consistent with the Indian Gaming Regulatory Act, Public Law 100-497, that are in accordance with a valid Tribal-State compact executed by the Governor pursuant to G.S. 147-12(14) and approved by the U.S. Department of Interior under the Indian Gaming Regulatory Act, and such ~~games~~ games, including those permitted under G.S. 14-306.1A(e), shall ~~not be unlawful or~~ be lawful and not against the public policy of the State ~~if the State permits such gaming for any purpose by any person, organization, or entity.~~ if conducted by a federally recognized Indian tribe on federal Indian Trust Lands within the State in accordance with a Tribal-State Gaming Compact applicable to that tribe as provided in G.S. 147-12(14) and G.S. 71A-8."

SECTION 6. G.S. 14-298 reads as rewritten:

"**§ 14-298. Gaming tables, illegal punchboards, slot machines, and prohibited video game machines to be destroyed by police officers.**

All sheriffs and officers of police are hereby authorized and directed, on information made to them on oath that any gaming table prohibited to be used by G.S. 14-289 through G.S. 14-300, any illegal punchboard or illegal slot machine, or any video game

machine prohibited to be used by G.S. 14-306 or G.S. ~~14-306.1,~~ 14-306.1A is in the possession or use of any person within the limits of their jurisdiction, to destroy the same by every means in their power; and they shall call to their aid all the good citizens of the county, if necessary, to effect its destruction. This section does not prohibit any activities which are legally conducted by a federally recognized Indian tribe pursuant to G.S. 14-306.1A(e), 147-12(14), and 71A-8."

SECTION 7. Effective with respect to offenses committed on or after December 1, 2002, G.S. 14-309(b) is repealed.

SECTION 8. G.S. 105-256(d)(1) is repealed, but that repeal does not affect reports for activities prior to December 1, 2003.

SECTION 9. This act becomes effective December 1, 2003, and applies to offenses committed on or after that date but also applies to compacts and amendments thereto executed before that date. If a court of competent jurisdiction in this State issues a stay to prohibit possession or operation of video gaming machines by a federally recognized Indian tribe, as authorized by a valid Tribal-State Compact, because that activity is not allowed on non-Indian lands, this act is suspended and shall not have the force of law until such time as the stay is dissolved or a final order is entered. If a court of competent jurisdiction in this State issues a final order that prohibits the possession or operation of video gaming machines by a federally recognized Indian tribe, as authorized by a valid Tribal-State Compact, because that activity is not allowed on non-Indian lands, this act is void.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 2003

S 1

SENATE BILL 420

Short Title:	Winston-Salem Auto Tax.	(Local)
Sponsors:	Senator Garrou.	
Referred to:	Finance.	

March 17, 2003

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE CITY OF WINSTON-SALEM TO COLLECT A TAX OF UP TO TWENTY DOLLARS ON VEHICLES RESIDENT IN THE CITY.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 20-97(b) reads as rewritten:

"(b) General Municipal Vehicle Tax. – Cities and towns may levy a tax of not more than ~~five dollars ($5.00)~~ twenty dollars ($20.00) per year upon any vehicle resident in the city or town. The proceeds of the tax may be used for any lawful purpose."

SECTION 2. This act applies to the City of Winston-Salem only.

SECTION 3. This act is effective when it becomes law.

NORTH CAROLINA GENERAL ASSEMBLY

LEGISLATIVE FISCAL NOTE

BILL NUMBER: SB 420 (1st Edition)

SHORT TITLE: Winston-Salem Auto Tax

SPONSOR(S): Senator Garrou

FISCAL IMPACT

Yes (X) **No ( )** **No Estimate Available ( )**

	FY 2003-04	FY 2004-05	FY 2005-06	FY 2006-07	FY 2007-08
REVENUES					
General Fund		* No General Fund Impact *			
Winston Salem	$1,510,000	$1,479,800	$1,450,204	$1,421,200	$1,392,776

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: City of Winston-Salem.

EFFECTIVE DATE: When it becomes law.

BILL SUMMARY: The bill authorizes the City of Winston-Salem to collect a general municipal vehicle tax of up to $20 on any vehicle resident in the city. The current tax is $10.

ASSUMPTIONS AND METHODOLOGY: For the city of Winston-Salem, the municipal vehicle tax rate is $10 per vehicle. According to the Forsyth County Tax Office, there are 151,000 vehicles resident in the city. Based on this information, the total annual revenue from levying the tax in Winston-Salem is $1,510,000. If the municipal vehicle tax rate changes to $20 per vehicle, it would increase the city's revenue from this tax by another $1,510,000. According to DMV data, the number of cars in Winston-Salem was decreasing at an average rate of 2 percent during the years 2000-2002. This number is used to decrease revenues in the out years.

House Committee on Finance

Minutes

~

July 1, 2004

The House Committee on Finance met on Thursday, July 1, 2004 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons G. Allen, Howard, Luebke, McComas, and Wainwright; Vice-Chairs Alexander, Decker, and Hill; and Representatives Blackwood, Bordsen, Capps, Carney, Ellis, Hackney, Harrell, Holliman, Lewis, McGee, Ross, Setzer, Starnes, Weiss, C. Wilson, and Womble. Also present were Sergeant-at-Arms Bob Fowler, Bill Freeman, Frank Prevo, Dusty Rhodes, and Walter Spell. Staff persons present included Richard Bostic, Trina Griffin, Martha Walston, and Bob Weiss. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2.**

Chairman Allen called the meeting to order at 8:37 am and recognized the ten (10) pages present: (1) Vanessa Armstrong of Wake County, sponsored by Representative Miner; (2) Zack Bridges of Cleveland County, sponsored by Representative Moore; (3) Cliff Collins of Yadkin County, sponsored by Representative Holmes; (4) Adam Everett of Catawba County, sponsored by Representative Hilton; (5) Henry Hutoff of Cumberland County, sponsored by Representative Dickson; (6) Clarke Mann of Lee County, sponsored by Representative Sauls; (7) Alex Martin of Cleveland County, sponsored by Representative Moore; (8) Michael Martin of Wake County, sponsored by Representative Holliman; (9) Lauren Mercer of Pamlico County, sponsored by Representative Gorman; and (10) Jeffrey Turner of Wayne County, sponsored by Representative Pate.

Chairman Allen recognized Senator Purcell to explain **SB 1128 – LOCKSMITH CRIMINAL HISTORY RECORD CHECK FEE** (see **attachment 3**). Senator Purcell explained that the bill authorized the Department of Justice to charge a $38 fee to check the criminal background of all licensed locksmith service providers in the State. This Bill changes the language of the 2003 legislation, which did not include language authorizing the North Carolina Locksmith Licensing Board to collect the fees associated with conducting the criminal history record check. A technical amendment was added to the bill. The Chair recognized Representative Hill who moved that Senate Bill 1128 be given a favorable report. As there was no further discussion the matter was brought to a vote by the chair and the motion carried.

Senator Purcell was then again recognized to explain the second bill considered by the Committee: **SB 1254 – Respiratory Care Board Background Checks/Fees** (see **attachment 4**). Senator Purcell explained that this bill authorized a fee of $38 for the authorization of a criminal background check by the Department of Justice for those persons engaged in respiratory care. The Chair recognized Representative Alexander who moved for a favorable report on Senate Bill 1254. Representative Blackwood was then recognized and he inquired as to what degree of criminality

would the background checks be subject to. Senator Purcell responded by saying that the main purpose was to make sure that respiratory care workers had not committed criminal behavior while working in other states. Chairman Allen then recognized Representative Womble who proceeded to ask who would be charged the $38 fee. Senator Purcell stated that the applicant was responsible for covering that cost. Seeing no further discussion on the matter Chairman Allen called the motion of giving Senate Bill 1254 a favorable report to a vote and it carried without objection.

The next bill considered by the Committee was **SB 1265 – Orange/Chatham Boundary** (see **attachment 5**). Chairman Allen recognized Representative Hackney to explain the bill. He stated that the bill changes the laws of 1770 governing the adjoining boundary of Orange and Chatham counties and it memorializes a 1989 agreement between the two counties. The Chair recognized Representative Womble who asked if all the kinks and "skirmishes" between both sides had been worked out up to this point. Representative Hackney responded to Representative Womble's concern by saying that the County Commissioners of both Orange and Chatham counties had passed resolutions in support of this bill. Representative Womble, upon being recognized by the Chair, then moved for a favorable report for Senate Bill 1265. Chairman Allen brought the motion to a vote and it carried without objection.

SB 852 – Organ Donor Organizations Access to DMV Records (see **attachment 6**) was the next bill considered by the Committee. Chairman Allen recognized Senator Nesbitt to explain the bill. Senator Nesbitt explained that the bill had been referred to a special subcommittee chaired by Representative Holliman and that the subcommittee had worked out all the main concerns expressed at the Committees June 24, 2004 meeting. According to Senator Nesbitt, 3 million North Carolinians are signed up as organ donors through the DMV, yet 200 people each year die because they do not receive the proper organ in time. This bill would establish a secure data file to expedite the process of organ donation. The bill would also establish the "License to Give Trust Fund" to finance initiatives that educate and promote organ and tissue donation which would be financed through a one-time $0.05 increase in the fee for a drivers license. The Chair then recognized Representative Ross who sent forth a technical amendment to the bill that would help to ease the facility of information. The amendment was called to a vote and adopted (see **attachment 7**). The motion was brought to a vote and it carried. Chairman Allen then recognized Representative Capps who asked which organs are the ones donated and how do you choose. Jane Corrado from Carolina Donor Services was then recognized by the Chair to answer the question posed by Representative Capps. Ms. Corrado explained that the decision was specific and lied ultimately with the family of the donor. The medical history was looked at to deal with diseases and possible complications. The Chair then recognized Representative Blackwood who asked if preference was given to North Carolina citizens since the funds used to provide the organ donation service came from the taxpayers. Ms. Corrando answered that North Carolina citizens were first priority, with regional and national organ recipients being next in line. Chairman Allen then recognized Doug Wickham from Life Tree, Inc. to speak on the bill. Mr. Wickham explained that there was an ethical dilemma that led a redefinition of death in order to increase the supply of organs. He further stated there was a need to deal with this question before any tax funds should be used. The Chair then recognized Representative Ellis, and he proceeded to raise the issue of expanding government and raising tax burdens. Representative Ellis wanted to remove sections 4 and 5 of the bill that provided extra funds for an educational program concerning organ donation. He then sent forward an amendment that would remove the extra costs of the educational aspects enclosed in sections 4 and 5 of the bill (see **attachment 8**). The amendment was brought to a vote by Chairman Allen and failed. Representative Luebke was recognized next by the Chair and made a motion for a favorable report concerning the House Proposed Committee Substitute for Senate Bill 852, unfavorable as to the original bill. Seeing no further debate Chairman Allen brought the motion to a vote and it carried with no opposition.

Chairman Allen recognized Representative McComas to explain the next bill considered by the Committee: **HB 1389 – DOT Authority to Issue GARVEE Bonds** (see **attachment 9**). Representative Weiss was recognized and moved that the PCS for HB 1389 be adopted for discussion purposes. The motion carried without objection. Representative McComas sent forth a perfecting amendment to correct grammatical errors contained in the bill; it carried (see **attachment 10**). The bill had been previously considered in the June 24, 2004 Committee meeting. Chairman Allen then recognized Representative Ellis who raised a concern for giving out a loan before the federal grant from the government was given. He said that this put the bond buyers at an unnecessary risk and exposed the State to possible debt. He strongly stated his opposition to the bill. The Chair next recognized Representative Blackwood who asked the bill sponsor if these bonds would expedite the construction of highway projects. Representative McComas answered that it is his estimate that projects could be completed two to three years faster with the money brought in by the GARVEE bonds. Chairman Allen then recognized Representative McComas who proceeded to move for a favorable on PCS for House Bill 1389, incorporating the amendment, with an unfavorable report as to the original bill. Chairman Allen brought the matter to a vote, upon seeing no further discussion, and it carried.

Next, Chairman Allen called upon Representative Lewis to explain **SB 1305 – VARIOUS SATELLITE ANNEXATIONS** (see **attachment 11**). Representative Setzer moved that the PCS for SB 1305 be adopted for the purposes of discussion and that motion carried without objection. Representative Lewis explained that the bill would add the Town of Angier in Harnett County to the list of cities and towns that may annex satellite areas without meeting the standard that limits the size of the area within the satellite corporate limits. Following some minimal questions from the members to the bill sponsor, the Chair recognized Representative Howard for a motion. Representative Howard moved that the PCS for SB 1305 be given a favorable report (with an unfavorable report as to the original bill). Chairman Allen then called the motion to a vote and the motion carried.

Chairman Allen then added **SB 933 – Wetlands Reimbursement/Local Tax Base** to the Committee's agenda for immediate consideration (see **attachment 12**). The Chair recognized Representative Wainwright to speak on the bill. He explained that the bill provided targeted relief to Tier One and Tier Two counties who had lost land from their local tax base due to wetland mitigation. Its effect would be to provide limited relief to local governments hit hard by construction projects that require the purchase of large tracts of land to preserve the surrounding environment. The drain on the tax base, which encompasses the majority of the revenue for local government, would be offset by State funds. Larry Meadows, the County Manager for Jones County, was then recognized by Chairman Allen to speak on the bill. He stated the concerns of local government and stated his strong support for the positive effects that would arise from the bill. The Chair then recognized Representative McComas who moved for a favorable report and seeing no further debate, the matter was voted on and carried unanimously.

Chairman Allen then added one final bill to the Committee's agenda for immediate consideration: **SB 1384 – Amend Barbering Laws/Increase Fees** (see **attachment 13**). Representative Holliman was recognized by the Chair to speak on the bill. He briefly went over the changes that would occur to the current laws should the bill pass. Chairman Allen then recognized Representative Howard who proposed an amendment that would delete the fee increase from the bill (see **attachment 14**). The amendment was immediately taken to a vote and it passed unanimously. The Chair then recognized Representative Wainwright who moved for a favorable report with the amendment rolled into a Committee Substitute, unfavorable as to the original bill. The motion carried without opposition.

Having no further business before the Committee, Chairman Allen adjourned the meeting at 9:54 am.

Respectfully submitted,

Representative Gordon Allen
Presiding Chair

Jason A. Cannon
Clerk, House Committee on Finance

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 2003

S 2

SENATE BILL 1128*
Finance Committee Substitute Adopted 5/27/04

Short Title: Locksmith Criminal History Record Check Fee. (Public)

Sponsors:

Referred to:

May 18, 2004

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE NORTH CAROLINA DEPARTMENT OF JUSTICE TO CHARGE EACH APPLICANT FOR A LOCKSMITH LICENSE OR AN APPRENTICE DESIGNATION A CRIMINAL HISTORY RECORD CHECK FEE AND TO MAKE A TECHNICAL CORRECTION.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 74F-6(16) reads as rewritten:

"(16) Request that the Department of Justice conduct criminal history record checks of applicants for licensure and apprenticeships pursuant to ~~G.S. 114-19.8A.~~G.S. 114-19.15."

SECTION 2. G.S. 74F-18(b) reads as rewritten:

"(b) All applicants for licensure or apprentice designation shall consent to a criminal history record check. Refusal to consent to a criminal history record check may constitute grounds for the Board to deny licensure or apprentice designation to an applicant. The Board shall ensure that the State and national criminal history of an applicant is checked. The Board shall be responsible for providing to the North Carolina Department of Justice the fingerprints of the applicant to be checked, a form signed by the applicant consenting to the criminal record check and the use of fingerprints and other identifying information required by the State or National Repositories of Criminal Histories, and any additional information required by the Department of Justice. The Board shall keep all information obtained pursuant to this section confidential. The Board shall collect any fees required by the Department of Justice and shall remit the fees to the Department of Justice for expenses associated with conducting the criminal history record check."

SECTION 2. This act is effective when it becomes law.

SENATE BILL 1128:
Locksmith Criminal History Record Check Fee

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Senator Purcell
Date:	July 1, 2004	**Summary by:**	Trina Griffin
Version:	2nd Edition		Committee Counsel

SUMMARY: ***Senate Bill 1128 clarifies that the North Carolina Locksmith Licensing Board has the authority to charge applicants a fee to cover the cost of conducting a criminal history background check and to remit the monies to the Department of Justice.***

CURRENT LAW: In 2001, the General Assembly enacted the Locksmith Licensure Act requiring all persons performing locksmith services in the State to be licensed, effective January 1, 2003. In 2003, the licensing requirements were amended to require a criminal history background check performed by the North Carolina Department of Justice. The Department of Justice charges a fee for conducting criminal history background checks. Currently the charge for a statewide and a federal criminal history check is $38.00. The 2003 legislation did not include language authorizing the Board to collect the fees associated with conducting the criminal history record check.

BILL ANALYSIS: Senate Bill 1128 would clarify that the Locksmith Licensing Board is authorized to collect any fees required by the Department of Justice for conducting the required criminal background check and to remit those funds to the Department of Justice. The bill also makes a technical correction by fixing an incorrect citation in G.S. 74F-6(16).

The act would become effective when it becomes law.

Erika Churchill, counsel for Senate Finance, contributed to this summary.

NORTH CAROLINA GENERAL ASSEMBLY

LEGISLATIVE FISCAL NOTE

BILL NUMBER: Senate Bill 1128 (First Edition)

SHORT TITLE: Locksmith Criminal History Record Check Fee.

POSITIONS: (cumulative)					

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Justice; Locksmith Licensing Board

EFFECTIVE DATE: This act is effective when it becomes law.

BILL SUMMARY: The bill authorizes the North Carolina Department of Justice to charge each applicant for a locksmith license or an apprentice designation a criminal history record check fee.

ASSUMPTIONS AND METHODOLOGY: This act appears to be a technical correction in the statutes, because GS 114-19.12 allows the Department of Justice to "provide to the North Carolina Locksmith Licensing Board from the State and National Repositories of Criminal Histories the criminal history of any applicant for licensure as a locksmith or an apprentice". The statute further states that the Department "may charge a fee to offset the cost incurred by it to conduct a criminal record check ....the fee shall not exceed the actual cost of locating, editing, researching, and retrieving the information". Based on this statute, the Locksmith Licensing Board at its October 29, 2003 meeting approved a $38 background check fee to be paid by the applicant to the SBI beginning November 15, 2003.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE DEPARTMENT OF JUSTICE TO PROVIDE CRIMINAL RECORD CHECKS TO THE RESPIRATORY CARE BOARD FOR APPLICANTS FOR LICENSURE AND TO CHARGE A FEE FOR CONDUCTING THE CHECKS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 90-652 reads as rewritten:

"**§ 90-652. Powers and duties of the Board.**

The Board shall have the power and duty to:

(1) Determine the qualifications and fitness of applicants for licensure, renewal of licensure, and reciprocal licensure. The Board shall, in its discretion, investigate the background of an applicant to determine the applicant's qualifications with due regard given to the applicant's competency, honesty, truthfulness, and integrity. The Department of Justice may provide a criminal record check to the Board for a person who has applied for a license through the Board. The Board shall provide to the Department of Justice, along with the request, the fingerprints of the applicant, any additional information required by the Department of Justice, and a form signed by the applicant consenting to the check of the criminal record and to the use of the fingerprints and other identifying information required by the State or national repositories. The applicant's fingerprints shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation shall forward a set of the fingerprints to the Federal Bureau of Investigation for a national criminal history check. The Board shall keep all information pursuant to this subdivision privileged, in accordance with applicable State law and federal guidelines, and the information shall be confidential and shall not be a public record under Chapter 132 of the

General Statutes. The Board shall collect any fees required by the Department of Justice and shall remit the fees to the Department of Justice for expenses associated with conducting the criminal history record check.

(2) Establish and adopt rules necessary to conduct its business, carry out its duties, and administer this Article.

(3) Adopt and publish a code of ethics.

(4) Deny, issue, suspend, revoke, and renew licenses in accordance with this Article.

(5) Conduct investigations, subpoena individuals and records, and do all other things necessary and proper to discipline persons licensed under this Article and to enforce this Article.

(6) Employ professional, clerical, investigative, or special personnel necessary to carry out the provisions of this Article and purchase or rent office space, equipment, and supplies.

(7) Adopt a seal by which it shall authenticate its proceedings, official records, and licenses.

(8) Conduct administrative hearings in accordance with Article 3A of Chapter 150B of the General Statutes.

(9) Establish certain reasonable fees as authorized by this Article for applications for examination, licensure, provisional licensure, renewal of licensure, and other services provided by the Board.

(10) Submit an annual report to the North Carolina Medical Board, the North Carolina Hospital Association, the North Carolina Society of Respiratory Care, the Governor, and the General Assembly of all the Board's official actions during the preceding year, together with any recommendations and findings regarding improvements of the practice of respiratory care.

(11) Publish and make available upon request the licensure standards prescribed under this Article and all rules adopted pursuant to this Article.

(12) Request and receive the assistance of State educational institutions or other State agencies.

(13) Establish and approve continuing education requirements for persons seeking licensure under this Article."

SECTION 2. This act is effective when it becomes law.

SENATE BILL 1254:
Respiratory Care Bd/Background Checks/Fees

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	Senator Purcell
Date:	June 28, 2004	**Analysis by:**	R. Erika Churchill
Version:	2nd Edition		Committee Counsel

SUMMARY: *Senate Bill 1254 clarifies that the North Carolina Respiratory Care Board has the authority to conduct a criminal history check and charge applicants a fee to cover the cost of conducting the criminal history background check and to remit the monies to the Department of Justice.*

CURRENT LAW: In 2000, the State began licensing those persons engaged in the practice of respiratory care. In the licensing process, the North Carolina Respiratory Care Board has the authority to "determine the qualifications and fitness of applicants for licensure, renewal of licensure, and reciprocal licensure." The Board may investigate the background of an applicant to determine the applicant's qualifications with due regard given to the applicant's competency, honesty, truthfulness, and integrity. The Board does not have the specific authority to conduct a national criminal history check, which is needed for the Federal Bureau of Investigation to conduct such a check.

BILL ANALYSIS: SB 1254 would grant the authority to the Board to conduct a statewide and nationwide criminal history check, charge the required fee for conducting that check and remit the fee money to the North Carolina Department of Justice.

This act would become effective when it becomes law.

BACKGROUND: The Department of Justice charges a fee for conducting criminal history background checks. Currently the charge for a statewide and a federal criminal history check is $38.00

EXPENDITURES					
Dept. of Justice/SBI		*** See Assumptions and Methodology ***			
POSITIONS: (cumulative)					

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Justice, State Bureau of Investigation

EFFECTIVE DATE: When it becomes law

BILL SUMMARY: The legislation authorizes the Department of Justice to provide criminal record checks to the Respiratory Care Board for applicants for licensure. The Department is also authorized to charge a fee for conducting the service.

ASSUMPTIONS AND METHODOLOGY: The Department of Justice provides criminal background checks for non-criminal justice agencies at a charge of $14 per state check and $38 per state/national check. These funds are used to partially support the operations of the Identification Section of the State Bureau of Investigation, which conducts the background checks.

According to Respiratory Care Board, there are approximately 200 applications per year for licensure. Multiplying this by the current state and federal background check charge of $38 suggests a revenue gain for the Department of Justice of approximately $7,600. Of this amount, $22 per background check - $4,400 per year – will be remitted to the Federal Bureau of Investigation for national background checks. While the additional background checks will result

in additional costs for the Department, the 200 applications are not expected to require additional positions.

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH THE BOUNDARY LINE BETWEEN ORANGE AND CHATHAM COUNTIES TO MEMORIALIZE A 1989 AGREEMENT BETWEEN THOSE TWO COUNTIES WHICH WAS ALREADY REFLECTED IN THE 2000 CENSUS.

The General Assembly of North Carolina enacts:

SECTION 1. Notwithstanding Chapter 27, Laws of 1770, the boundary line between Chatham County and Orange County shall be as follows:

Beginning at an existing point, the Southeast corner of Orange County and the Southwest corner of Durham County, said point being in the Northern line of Chatham County said point being a concrete post with a copper disk, stamped "CO. LINE, DURHAM CO., NO. 1 1968, ORANGE CO. MONUMENT", having a coordinate value of N 234,423.870 meters (m) E 608,128.788 meters. (m) as designated to be the corner of Durham and Orange Counties, and the northern line of Chatham County, by the courts of North Carolina. Thence S 86° 56' 43.24" W 925.452 meters (m) to a concrete monument set with aluminum disk (#3) East of Mt Carmel Church Road (SR 1008 and SR 1003) having a coordinate value of N 234,374.554m E 607,204.651m, said point being designated as NCGS station, County Line 3, PID AB2055. Thence S 87° 40' 19.44" W 1,690.615m to a concrete monument set with aluminum disk (#4) East of Clearwater Lake Drive (SR 1918 and SR 1780) having a coordinate value of N 234,305.883m E 605,515.431m, said point being designated as NCGS station, County Line 4, PID AB2056. Thence S 87° 19' 01.23" W 1,763.003m to a concrete monument set with aluminum disk (#5) East of Old Lystra Road (SR 1915 and SR 1724) having a coordinate value of N 234,223.357m E 603,754.361m, said point being designated as NCGS station, County Line 5, PID AB2057. Thence S 87° 33' 27.40" W 1,563.940m to an aluminum Disk set (#6) in the East end of an asphalt traffic island at the intersection of Smith Level Road (SR 1919) with US 15-501 having a coordinate value of N 234,156.710m E 602,191.842m, said point being designated as NCGS station County

Line 6, PID AB2058. Thence S 87° 47' 41.52" W 37.347m to a concrete monument set with aluminum disk (#7) West of Smith Level Road (SR 1919) having a coordinate value of N 234,155.273m E 602,154.523m, said point being designated as NCGS station County Line 7, PID AB2059. Thence N 83° 36' 42.54" W 2299.666m to a Berntsen aluminum monument set with brass disk (#8) in the Margaret Daniel Property (Orange County PIN 9766-99-1332) having a coordinate value of N 234,411.143m E 599,869.136 said point being designated as County Line 8. Thence N 83° 13' 04.69" W 1214.099m to a concrete monument set with aluminum disk (#9) East of Poythress Road (SR 1939 and SR 1534) having a coordinate value of N 234,554.519m E 598,663.533m, said point being designated as NCGS station County Line 9, PID AB2061. Thence S 39° 39' 39.13" W 50.139m to a concrete monument set with aluminum disk (#10) East of Poythress Road (SR 1939 and SR 1534) having a coordinate value of N 234,515.920m E 598,631.532m, said point being designated as NCGS station County Line 10, PID AB2062. Thence N 84° 54' 42.26" W 246.205m to Existing Rebar in a concrete post (#11) the Southeast corner of lot 5, Section 2, Wolfs Pond Subdivision, (Plat Book 19 Page 149 OCR) having a coordinate value of N 234,537.756m E 598,386.297m, said point being designated as County Line 11. Thence N 84° 31' 30.43" W 690.729m to Feno monument set with brass disk replacing an existing iron pipe (#12) the Southwest corner of Lot 5, Section 4, Wolfs Pond Subdivision, (Plat Book 22 Page 59 OCR) having a coordinate value of N 234,603.658m E 597,698.719m said point being designated as County Line 12. Thence N 03° 32' 14.02" W 60.959m to a Feno monument set with brass disk (#13) in the line of said Lot 5 having a coordinate value of N 234,664.501m E 597,694.958m said point being designated as County Line 13. Thence N 83° 16' 04.99" W 2422.591m to a concrete monument set with aluminum disk (#14) South of Jones Ferry Road (SR 1942 and SR 1540) having a coordinate value of N 234,948.488m E 595,289.070m, said point being designated as NCGS station County Line 14, PID AB2063.

Thence N 83° 15' 33.17" W 2231.659m to a concrete monument set with aluminum disk (#15) to a point in the Walter Braxton Durham Et Al property (Orange County PIN 9747-62-6596) having a coordinate value of N 235,210.435m E 593,072.838m, said point being designated as County Line 15. Thence N 82° 55' 46.72" W 1587.051m to a concrete monument set with aluminum disk (#16) East of White Cross Road (SR 1951 and SR 1541) having a coordinate value of N 235,405.782m E 591,497.855m, said point being designated as NCGS station County Line 16, PID AB2064. Thence N 82° 53' 40.81" W 1668.976m to a Feno monument set with brass disk (#17) in the Walter Atwater property (Orange PIN 9737-43-8522) having a coordinate value of N 235,612.224m E 589,841.696m, said point being designated as County Line 17. Thence N 00° 03' 37.30" E 169.913m to a Feno monument set with brass disk (#18) in the said Walter Atwater property having a coordinate value of N 235,782.137m E 589,841.875m, said point being designated as County Line 18. Thence N 84° 25' 40.82" W 246.394m crossing Collins Mt. Road (SR 1954 and SR 1542) to a Feno monument set with brass disk (#19) in the said Walter Atwater property having a coordinate value of N 235,806.061m E 589,596.645m, said point being designated as County Line 19. Thence S 12° 42' 08.03" W 161.903m to a Feno monument set with brass disk (#20) in

the said Walter Atwater property having a coordinate value of N 235,648.120m E 589,561.045m, said point being designated as County Line 20. Thence N 83° 04' 05.12" W 1544.721m to a concrete monument set with aluminum disk (#21) East of Crawford Dairy Road (SR 1956 and SR 1539) having a coordinate value of N 235,834.552m E 588,027.615m, said point being designated as NCGS station County Line 21, PID AB2066. Thence N 82° 29' 19.27" W 967.680m to a computed point in the Haw River (#22) having a coordinate value of N 235,961.049m E 587,068.239m, said point being designated as NCGS station County Line 22, PID AB2077. Also being the ending point, the Southwest corner of Orange County, the Northern boundary line of Chatham County and in the East line of Alamance County.

All coordinates and bearings are based on the North American Datum of 1983/86. All coordinates and distances are in meter units. All pertinent information used in describing this boundary was obtained from the October 2002 plat titled "Resurvey of The CHATHAM-ORANGE COUNTY LINE," Page 1 of 2 and Page 2 of 2, a North Carolina Geodetic Survey prepared by Gary W. Thompson, PLS 2694.

SECTION 2.(a) As to any territory that under Section 1 of this act is moved from Orange County to Chatham County, on and after January 1, 2005, all papers, documents, and instruments required or permitted to be filed or registered, involving residents and property in the area so transferred, which previously would have been recorded in Orange County, shall be recorded in Chatham County. As to any territory that under Section 1 of this act is moved from Chatham County to Orange County, on and after January 1, 2005, all papers, documents, and instruments required or permitted to be filed or registered, involving residents and property in the area so transferred, which previously would have been recorded in Chatham County, shall be recorded in Orange County.

SECTION 2.(b) All public records related to residents and property in any area that Section 1 of this act may have transferred to another county which were filed or recorded prior to January 1, 2005, shall remain in the county where filed or recorded, and such records shall be valid public records as to the property and persons involved even though they are recorded in a county where the property is no longer located.

SECTION 2.(c) In the case of any territory transferred from one county to another by Section 1 of this act, unpaid taxes or tax liens on property subject to taxation in the area transferred by Section 1 of this act shall continue to be valid and enforceable by the prior county, including the foreclosure remedies and the remedies of attachment and garnishment provided for by law.

SECTION 2.(d) No cause of action, including criminal actions, involving persons or property in any area transferred from one county to another under Section 1 of this act which is pending on January 1, 2005, shall be abated by virtue of this act, and such actions shall continue in the same county unless changed under some other provision of law.

SECTION 2.(e) The Board of Elections of Orange County shall immediately upon this act becoming law transfer to the Chatham County Board of Elections the voter registration records pertaining to persons residing in any area transferred to Chatham County by Section 1 of this act, and thereafter the registered voters so transferred shall

be validly registered to vote in Chatham County. The Board of Elections of Chatham County shall immediately upon this act becoming law transfer to the Orange County Board of Elections the voter registration records pertaining to persons residing in any area transferred to Orange County by Section 1 of this act, and thereafter the registered voters so transferred shall be validly registered to vote in Orange County.

SECTION 2.(f) The Jury Commissions of Orange and Chatham Counties shall revise their jury lists to add to or eliminate therefrom those persons subject to jury duty who reside in any area transferred from one county to another by Section 1 of this act, said revised jury lists to be effective January 1, 2005.

SECTION 3. This act becomes effective January 1, 2005, except it also applies as to the 2004 election cycle.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE INTERNET ACCESS BY ORGAN PROCUREMENT ORGANIZATIONS AND EYE BANKS TO INFORMATION IN DIVISION OF MOTOR VEHICLE RECORDS PERTAINING TO ORGAN DONATION; TO ESTABLISH THE "LICENSE TO GIVE TRUST FUND" TO FUND INITIATIVES THAT EDUCATE AND PROMOTE ORGAN AND TISSUE DONATION; AND TO INCREASE THE FEE FOR ISSUANCE, RENEWAL, AND DUPLICATION OF A DRIVERS LICENSE OR SPECIAL IDENTIFICATION CARD AND PROVIDE THAT THE PROCEEDS OF THE INCREASE SHALL BE USED TO IMPLEMENT THIS ACT.

The General Assembly of North Carolina enacts:

SECTION 1. The Department of Transportation, Division of Motor Vehicles, shall establish and maintain a statewide, on-line Organ Donor Internet site. The purpose of the Organ Donor Internet site is to enable federally designated organ procurement organizations and eye banks to have timely access to the names of individuals who have stated to the Division the individual's intent to be an organ donor and have an organ donation symbol on the individual's drivers license or special identification card. The data available on the Organ Donor Internet site shall be limited to the individual's first, middle, and last name, date of birth, address, sex, county of residence, and drivers license number. The Division of Motor Vehicles shall ensure that only federally designated organ procurement organizations and eye banks operating in this State have access to the Organ Donor Internet site in read-only format. The Division of Motor Vehicles shall enable federally designated organ procurement organizations and eye banks operating in this State to have on-line access in read-only format to the Organ Donor Internet site through a unique identifier and password issued

to the organ procurement organization or eye bank by the Division of Motor Vehicles. The read-only information from the Organ Donor Internet site will be used for the sole purpose of seeking consent from the individual's next of kin for organ, tissue, or eye donation. Employees of the Division who provide access to or disclosure of information in good-faith compliance with this section are not liable in damages for access to or disclosure of the information. When accessing and using information obtained from the Organ Donor Internet site, federally designated organ procurement organizations and eye banks shall comply with the requirements of Part 3 of Article 16 of Chapter 130A of the General Statutes.

SECTION 2. G.S. 20-43.1 reads as rewritten:

"**§ 20-43.1. Disclosure of personal information in motor vehicle records.**

(a) The Division shall disclose personal information contained in motor vehicle records in accordance with the federal Driver's Privacy Protection Act of 1994, as amended, 18 U.S.C. §§ 2721, et seq.

(b) As authorized in 18 U.S.C. § 2721, the Division shall not disclose personal information for the purposes specified in 18 U.S.C. § 2721(b)(11).

(c) The Division shall not disclose personal information for the purposes specified in 18 U.S.C. § 2721(b)(12) unless the Division receives prior written permission from the person about whom the information is requested.

(d) As authorized in 18 U.S.C. § 2721, the Division may disclose personal information to federally designated organ procurement organizations and eye banks operating in this State for the purpose of identifying individuals who have indicated an intent to be an organ donor. Personal information authorized under this subsection is limited to the individual's first, middle, and last name, date of birth, address, sex, county of residence, and drivers license number. Employees of the Division who provide access to or disclosure of information in good-faith compliance with this subsection are not liable in damages for access to or disclosure of the information."

SECTION 3. G.S. 20-7.3 reads as rewritten:

"**§ 20-7.3. Availability of organ, eye, and tissue donor cards at motor vehicle offices.**

The Division shall make organ, eye, and tissue donor cards available to interested individuals in each office authorized to issue drivers licenses or special identification cards. The Division shall obtain donor cards from qualified organ, eye, or tissue procurement organizations or tissue banks, as defined in G.S. 130A-403. The Division shall offer an organ donation brochure and a donor card to each applicant for a drivers license. The organ donation brochure shall include the following:

(1) A statement informing the individual that federally designated organ procurement organizations and eye banks have read-only access to the Department-operated Organ Donor Internet site listing those individuals who have stated to the Division of Motor Vehicles the individual's intent to be an organ donor and have an organ donation symbol on the individual's drivers license or special identification card.

(2) The type of information that will be made available on the Organ Donor Internet site."

SECTION 4.(a) Article 2 of Chapter 20 of the General Statutes is amended by adding the following new section to read:

"**§ 20-7.4. License to Give Trust Fund established.**

(a) There is established the License to Give Trust Fund. Revenue in the Fund includes amounts credited by the Division as required by law, and other funds. Any surplus in the Fund shall not revert but shall be used for the purposes stated in this section. The Fund shall be kept on deposit with the State Treasurer, as in the case of other State Funds, and may be invested by the State Treasurer in any lawful securities for investment of State funds. The License to Give Trust Fund is subject to oversight by the State Auditor pursuant to Article 5A of Chapter 147 of the General Statutes.

(b) The purposes for which funds may be expended by the License to Give Trust Fund Commission from the License to Give Trust Fund are as follows:

(1) As grants-in-aid for initiatives that educate about and promote organ and tissue donation and health care decision making at life's end.

(2) Expenses of the License to Give Trust Fund Commission as authorized in G.S. 20-7.5."

SECTION 4.(b) Article 2 of Chapter 20 of the General Statutes is amended by adding the following new sections to read:

"**§ 20-7.5. License to Give Trust Fund Commission established.**

(a) There is established the License to Give Trust Fund Commission. The Commission shall be located in the Department of Administration for budgetary and administrative purposes only. The Commission may allocate funds from the License to Give Trust Fund for the purposes authorized in G.S. 20-7.4. The Commission shall have 15 members, appointed as follows:

(1) Four members by the General Assembly, upon the recommendation of the President Pro Tempore of the Senate:
   a. One representative of Carolina Donor Services.
   b. One representative of LifeShare of The Carolinas.
   c. Two members who have demonstrated an interest in organ and tissue donation and education.

(2) Four members by the General Assembly, upon the recommendation of the Speaker of the House of Representatives:
   a. One representative of The North Carolina Eye Bank, Inc.
   b. One representative of The Carolinas Center for Hospice and End-of-Life Care.
   c. Two members who have demonstrated an interest in promoting advance care planning education.

(3) Seven members by the Governor:
   a. Three members representing organ, tissue, and eye recipients, families of recipients, or families of donors. Of these three, one each from the mountain, heartland, and coastal regions of the State.
   b. One member who is a transplant physician licensed to practice medicine in this State.

c. One member who has demonstrated an interest in organ and tissue donation and education.

d. One member who has demonstrated an interest in promoting advance care planning education.

e. A representative of the North Carolina Department of Transportation.

(b) The Commission shall elect from its membership a chair and a vice-chair for two-year terms. The Secretary of Administration shall provide meeting facilities for the Commission as required by the Chair.

(c) The members of the Commission shall receive per diem and necessary travel and subsistence expenses in accordance with G.S. 138-5 and G.S. 138-6, as applicable. Per diem, subsistence, and travel expenses of the members shall be paid from the License to Give Trust Fund.

(d) The members of the Commission shall comply with G.S. 14-234 prohibiting conflicts of interest. In addition to the restrictions imposed under G.S. 14-234, a member shall not vote on, participate in the deliberations of, or otherwise attempt through his or her official capacity to influence the vote on allocations of moneys from the License to Give Trust Fund to a nonprofit entity of which the member is an officer, director, or employee, or to a governmental entity of which the member is an employee or a member of the governing board. A violation of this subsection is a Class 1 misdemeanor.

"**§ 20-7.6. Powers and duties of the License to Give Trust Fund Commission.**

The License to Give Trust Fund Commission has the following powers and duties:

(1) Establish general policies and guidelines for awarding grants-in-aid to nonprofit entities to conduct education and awareness activities on organ and tissue donation and advance care planning.

(2) Accept gifts or grants from other sources to further the purposes of the License to Give Trust Fund. Such gifts or grants shall be transmitted to the State Treasurer for credit to the Fund.

(3) Hire staff or contract for other expertise for the administration of the Fund. Expenses related to staffing shall be paid from the License to Give Trust Fund."

SECTION 5.(a) G.S. 20-7(i) reads as rewritten:

"(i) Fees. – The fee for a regular drivers license is the amount set in the following table multiplied by the number of years in the period for which the license is issued:

Class of Regular License	Fee For Each Year
Class A	~~$4.25~~4.30
Class B	~~4.25~~4.30
Class C	~~3.00~~3.05

The fee for a motorcycle endorsement is one dollar and seventy-five cents ($1.75) for each year of the period for which the endorsement is issued. The appropriate fee shall be paid before a person receives a regular drivers license or an endorsement."

SECTION 5.(b) G.S. 20-14 reads as rewritten:

"**§ 20-14. Duplicate licenses.**

A person may obtain a duplicate of a license issued by the Division by paying a fee of ten dollars and five cents ~~($10.00)~~ ($10.05) and giving the Division satisfactory proof that any of the following has occurred:

(1) The person's license has been lost or destroyed.

(2) It is necessary to change the name or address on the license.

(3) Because of age, the person is entitled to a license with a different color photographic background or a different color border.

(4) The Division revoked the person's license, the revocation period has expired, and the period for which the license was issued has not expired."

SECTION 5.(c) The Division of Motor Vehicles shall retain a portion of the proceeds of the increase in drivers license and duplicate license fees enacted in this Section to offset the actual cost of developing and maintaining the on-line Organ Donor Internet site established pursuant to Section 1 of this act. Proceeds remaining after deduction of amounts for development and maintenance costs shall be credited to the License to Give Trust Fund established under G.S. 20-7.4 and shall be used for the purposes authorized under G.S. 20-7.4 and 20-7.5.

SECTION 6. Sections 4(a) and 5 of this act become effective November 1, 2004. The remainder of this act becomes effective January 1, 2005.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 2003

S 4

SENATE BILL 852

Health & Human Resources Committee Substitute Adopted 6/5/03
Finance Committee Substitute Adopted 7/15/03
Appropriations/Base Budget Committee Substitute Adopted 7/17/03

Short Title: Organ Donor Org's./Access to DMV Records. (Public)

Sponsors:

Referred to:

April 3, 2003

A BILL TO BE ENTITLED

AN ACT TO PROVIDE INTERNET ACCESS BY ORGAN PROCUREMENT ORGANIZATIONS AND EYE BANKS TO INFORMATION IN DIVISION OF MOTOR VEHICLE RECORDS PERTAINING TO ORGAN DONATION; TO ESTABLISH THE "LICENSE TO GIVE TRUST FUND" TO FUND INITIATIVES THAT EDUCATE AND PROMOTE ORGAN AND TISSUE DONATION; AND TO INCREASE THE FEE FOR ISSUANCE, RENEWAL, AND DUPLICATION OF A DRIVERS LICENSE OR SPECIAL IDENTIFICATION CARD AND PROVIDE THAT THE PROCEEDS OF THE INCREASE SHALL BE USED TO IMPLEMENT THIS ACT.

The General Assembly of North Carolina enacts:

SECTION 1. The Department of Transportation, Division of Motor Vehicles, shall establish and maintain a statewide, on-line Organ Donor Internet site. The purpose of the Organ Donor Internet site is to enable organ procurement organizations and eye banks to have timely access to the names of individuals who have stated to the Division the individual's intent to be an organ donor and have an organ donation symbol on the individual's drivers license or special identification card. The data available on the Organ Donor Internet site shall be limited to the individual's first, middle, and last name, date of birth, address, sex, county of residence, and drivers license number. The Division of Motor Vehicles shall ensure that only organ procurement organizations and eye banks operating in this State have access to the Organ Donor Internet site in read-only format. The Division of Motor Vehicles shall enable organ procurement organizations and eye banks operating in this State to have on-line access in read-only format to the Organ Donor Internet site through a unique identifier and password issued to the organ procurement organization or eye bank by the Division of Motor Vehicles. Employees of the Division who provide access to or disclosure of information in good-faith compliance with this section are not liable in

damages for access to or disclosure of the information. When accessing and using information obtained from the Organ Donor Internet site, organ procurement organizations and eye banks shall comply with the requirements of Part 3 of Article 16 of Chapter 130A of the General Statutes.

SECTION 2. G.S. 20-43.1 reads as rewritten:

"**§ 20-43.1. Disclosure of personal information in motor vehicle records.**

(a) The Division shall disclose personal information contained in motor vehicle records in accordance with the federal Driver's Privacy Protection Act of 1994, as amended, 18 U.S.C. §§ 2721, et seq.

(b) As authorized in 18 U.S.C. § 2721, the Division shall not disclose personal information for the purposes specified in 18 U.S.C. § 2721(b)(11).

(c) The Division shall not disclose personal information for the purposes specified in 18 U.S.C. § 2721(b)(12) unless the Division receives prior written permission from the person about whom the information is requested.

(d) As authorized in 18 U.S.C. § 2721, the Division may disclose personal information to organ procurement organizations and eye banks operating in this State for the purpose of identifying individuals who have indicated an intent to be an organ donor. Personal information authorized under this subsection is limited to the individual's first, middle, and last name, date of birth, address, sex, county of residence, and drivers license number. Employees of the Division who provide access to or disclosure of information in good-faith compliance with this subsection are not liable in damages for access to or disclosure of the information."

SECTION 3. G.S. 20-7.3 reads as rewritten:

"**§ 20-7.3. Availability of organ, eye, and tissue donor cards at motor vehicle offices.**

The Division shall make organ, eye, and tissue donor cards available to interested individuals in each office authorized to issue drivers licenses or special identification cards. The Division shall obtain donor cards from qualified organ, eye, or tissue procurement organizations or tissue banks, as defined in G.S. 130A-403. The Division shall offer a donor card to each applicant for a drivers license. Each organ donor card made available at drivers license offices shall include the following:

(1) A statement informing the individual that organ procurement organizations and eye banks have read-only access to the Department-operated Organ Donor Internet site listing those individuals who have stated to the Division of Motor Vehicles the individual's intent to be an organ donor and have an organ donation symbol on the individual's drivers license or special identification card.

(2) The type of information that will be made available on the Organ Donor Internet site."

SECTION 4.(a) Article 2 of Chapter 20 of the General Statutes is amended by adding the following new section to read:

"**§ 20-7.4. License to Give Trust Fund established.**

(a) There is established the License to Give Trust Fund. Revenue in the Fund includes amounts credited by the Division as required by law, and other funds. Any

surplus in the Fund shall not revert but shall be used for the purposes stated in this section. The Fund shall be kept on deposit with the State Treasurer, as in the case of other State Funds, and may be invested by the State Treasurer in any lawful securities for investment of State funds. The License to Give Trust Fund is subject to oversight by the State Auditor pursuant to Article 5A of Chapter 147 of the General Statutes.

(b) The purposes for which funds may be expended by the License to Give Trust Fund Commission from the License to Give Trust Fund are as follows:

(1) As grants-in-aid for initiatives that educate about and promote organ and tissue donation and health care decision making at life's end.

(2) Expenses of the License to Give Trust Fund Commission as authorized in G.S. 20-7.5."

SECTION 4.(b) Article 2 of Chapter 20 of the General Statutes is amended by adding the following new sections to read:

"**§ 20-7.5. License to Give Trust Fund Commission established.**

(a) There is established the License to Give Trust Fund Commission. The Commission shall be located in the Department of Administration for budgetary and administrative purposes only. The Commission may allocate funds from the License to Give Trust Fund for the purposes authorized in G.S. 20-7.4. The Commission shall have 15 members, appointed as follows:

(1) Four members by the General Assembly, upon the recommendation of the President Pro Tempore of the Senate:

a. One representative of Carolina Donor Services.

b. One representative of LifeShare of The Carolinas.

c. Two members who have demonstrated an interest in organ and tissue donation and education.

(2) Four members by the General Assembly, upon the recommendation of the Speaker of the House of Representatives:

a. One representative of The North Carolina Eye Bank, Inc.

b. One representative of The Carolinas Center for Hospice and End-of-Life Care.

c. Two members who have demonstrated an interest in promoting advance care planning education.

(3) Seven members by the Governor:

a. Three members representing organ, tissue, and eye recipients, families of recipients, or families of donors. Of these three, one each from the mountain, heartland, and coastal regions of the State.

b. One member who is a transplant physician licensed to practice medicine in this State.

c. One member who has demonstrated an interest in organ and tissue donation and education.

d. One member who has demonstrated an interest in promoting advance care planning education.

e. A representative of the North Carolina Department of Transportation.

(b) The Commission shall elect from its membership a chair and a vice-chair for two-year terms. The Secretary of Administration shall provide meeting facilities for the Commission as required by the Chair.

(c) The members of the Commission shall receive per diem and necessary travel and subsistence expenses in accordance with G.S. 138-5 and G.S. 138-6, as applicable. Per diem, subsistence, and travel expenses of the members shall be paid from the License to Give Trust Fund.

(d) The members of the Commission shall comply with G.S. 14-234 prohibiting conflicts of interest. In addition to the restrictions imposed under G.S. 14-234, a member shall not vote on, participate in the deliberations of, or otherwise attempt through his or her official capacity to influence the vote on allocations of moneys from the License to Give Trust Fund to a nonprofit entity of which the member is an officer, director, or employee, or to a governmental entity of which the member is an employee or a member of the governing board. A violation of this subsection is a Class 1 misdemeanor.

"**§ 20-7.6. Powers and duties of the License to Give Trust Fund Commission.**

The License to Give Trust Fund Commission has the following powers and duties:

(1) Establish general policies and guidelines for awarding grants-in-aid to nonprofit entities to conduct education and awareness activities on organ and tissue donation and advance care planning.

(2) Accept gifts or grants from other sources to further the purposes of the License to Give Trust Fund. Such gifts or grants shall be transmitted to the State Treasurer for credit to the Fund.

(3) Hire staff or contract for other expertise for the administration of the Fund. Expenses related to staffing shall be paid from the License to Give Trust Fund."

SECTION 5.(a) G.S. 20-7(i), as amended by Section 36.1 of S.L. 2003-284, reads as rewritten:

"(i) Fees. – The fee for a regular drivers license is the amount set in the following table multiplied by the number of years in the period for which the license is issued:

Class of Regular License	Fee For Each Year
Class A	~~$4.25~~4.30
Class B	~~4.25~~4.30
Class C	~~3.00~~3.05

The fee for a motorcycle endorsement is one dollar and seventy-five cents ($1.75) for each year of the period for which the endorsement is issued. The appropriate fee shall be paid before a person receives a regular drivers license or an endorsement."

SECTION 5.(b) G.S. 20-14 reads as rewritten:

"**§ 20-14. Duplicate licenses.**

A person may obtain a duplicate of a license issued by the Division by paying a fee of ten dollars and five cents ~~($10.00)~~ ($10.05) and giving the Division satisfactory proof that any of the following has occurred:

(1) The person's license has been lost or destroyed.

(2) It is necessary to change the name or address on the license.

(3) Because of age, the person is entitled to a license with a different color photographic background or a different color border.

(4) The Division revoked the person's license, the revocation period has expired, and the period for which the license was issued has not expired."

SECTION 5.(c) The Division of Motor Vehicles shall retain a portion of the proceeds of the increase in drivers license and duplicate license fees enacted in this Section to offset the actual cost of developing and maintaining the on-line Organ Donor Internet site established pursuant to Section 1 of this act. Proceeds remaining after deduction of amounts for development and maintenance costs shall be credited to the License to Give Trust Fund established under G.S. 20-7.4 and shall be used for the purposes authorized under G.S. 20-7.4 and 20-7.5.

SECTION 6. Sections 4(a) and 5 of this act become effective November 1, 2003. The remainder of this act becomes effective January 1, 2004.

SENATE BILL 852:
Organ Donor Org's./Access to DMV Records.

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Sen. Metcalf
Date:	July 1, 2004	**Summary by:**	Trina Griffin
Version:	PCS for 4th Edition		Committee Counsel

SUMMARY: Senate Bill 852 would provide Internet access by organ procurement organizations (OPOs) and eye banks operating in this State to information in the Division of Motor Vehicle (Division) records pertaining to organ donation. The bill would establish the "License to Give Trust Fund" (Fund) to finance initiatives that educate and promote organ and tissue donation. The Fund would be financed through an increase in the fee for a drivers license, a duplicate license, and an identification card. Finally, it would establish a fifteen-member License to Give Trust Fund Commission (Commission) with powers and duties described below in more detail.

CURRENT LAW: The Uniform Anatomical Gift Act (G.S. 130A, Part 3) regulates the process for the making and receiving of anatomical gifts in this State. Anyone 18 years of age or older may make a gift by will, card or other document as long as the document is signed by the donor in the presence of two witnesses. The gift does not have to be made to a specified donee. Generally people become donors either through their wills or through another document that is commonly referred to as an organ donor card or a declaration of anatomical gift. If a person does not have a signed donor card (or other signed document) at death, the decision of organ and tissue donation is made by an individual's next of kin.

The Division of Motor Vehicles is required to make organ, eye, and tissue donor cards available to interested individuals in each office authorized to issue drivers licenses or special identification cards. In addition to making organ donor cards available, DMV also asks people who are being issued or renewing a drivers license if they would like to be an organ donor. If a person indicates that he or she would like to be an organ donor, then a heart symbol is placed on their drivers license. This symbol, however, does not represent a legally binding declaration of a desire to make an anatomical gift. The family members of a potential donor who has a heart symbol on his or her license would still be required to give their consent.

The donation process begins with hospitals, which are required by federal law to notify their federally designated OPO of all deaths or impending brain deaths. Currently, there are two federally designated organ procurement organizations and one eye bank in North Carolina (Carolina Donor Services, LifeShare of the Carolinas, and the NC Eye Bank). Once contacted, a trained representative of the OPO goes to the hospital to speak with the family of the potential donor and evaluate donation potential. Hospitals are required to provide the OPO with access to a patient's medical record s for the purpose of determining donation potential. The OPO representative discusses donation potential with the family members. They are made aware of the option to donate as well as their option to decline. The OPOs must obtain written consent of the individual's next of kin to procure the individual's organs for donation.

BILL ANALYSIS:

Organ Donor Internet Site

Section 1 of the bill would require DMV to establish and maintain a statewide, on-line Organ Donor Internet site to enable federally designated OPOs and eye banks operating in this State to have timely access to the names of individuals who have stated to the Division their intent to be an organ donor and have an organ donation symbol on their drivers license or special identification card. The data available on the Internet site would be limited to the individual's: (1) first, middle, and last name, (2) date of birth, (3) address, (4) sex, (5) county of residence, and (6) drivers license number. The OPOs and eye banks would have on-line access in read-only format to the Internet site through a unique identifier and password issued to the OPO or eye bank by the Division.

Section 2 of the bill would permit disclosure of personal information authorized under Section 1 to OPOs and eye banks operating in this State. Federal law prohibits the disclosure of personal information obtained by a state motor vehicle department in connection with a motor vehicle record. One exception to this rule is the use of information in connection with organ donation initiatives. This section references the federal law authorizing disclosure of this information. Employees of DMV who provide access to or disclosure of information in good-faith compliance with the act would not be liable in damages for access to or disclosure of the information.

Under current law, DMV is required to offer a donor card to each applicant for a drivers license. **Section 3** of the bill would require DMV to offer, in addition to organ donor cards, organ donation brochures that include the following:

1. A statement informing the individual that federally designated organ procurement organizations and eye banks have read-only access to the Internet site listing those individuals who have stated to DMV the individual's intent to be an organ donor and have an organ donation symbol on the individual's drivers license.
2. The type of information that would be made available on the Internet site.

License To Give Trust Fund

Section 4 of the bill would establish a Fund to be kept on deposit with the State Treasurer that would be subject to oversight by the State Auditor. The License to Give Trust Fund Commission, which is established by this bill, would be authorized to expend funds from the License to Give Trust Fund for the following purposes:

1. As grants-in aid for initiatives that educate and promote organ and tissue donation and health care decision-making at life's end.
2. Expenses of the Commission.

License to Give Trust Fund Commission

Section 4(b) of the bill would establish a Commission within the Department of Administration with the following powers and duties:

1. Establish general policies and guidelines for awarding grants-in-aid to nonprofit entities to conduct education and awareness activities on organ and tissue donation and advance care planning.
2. Accept gifts or grants form other sources that shall be transmitted to the State Treasurer for credit to the Fund.
3. Hire staff or contract for other expertise for the administration of the Fund.

The Commission would consist of 15 members as follows:

Number	Member Qualification
	(4) APPOINTEES OF THE PRESIDENT PRO TEMPORE
1	Representative of Carolina Donor Services
1	Representative of LifeShare of the Carolinas
2	Members who have demonstrated an interest in organ and tissue donation and education
	(4) APPOINTEES OF THE SPEAKER
1	Representative of the NC Eye Bank
1	Representative of The Carolinas Center for Hospice and End-of-Life Care
2	Members who have demonstrated an interest in promoting advance care planning education
	(7) APPOINTEES OF THE GOVERNOR
3	Members representing organ, tissue, and eye recipients, families of recipients, or families of donors. Of these three, one each from the mountain, heartland, and coastal regions of the State
1	Member who is a transplant physician licensed to practice medicine in this State
1	Member who has demonstrated an interest in organ and tissue donation and education
1	Member who has demonstrated an interest in promoting advance care planning education
1	Representative of the NC Department of Transportation
15	**Total Members**

Commission members would elect a chair and a vice-chair from its membership. Per diem, subsistence, and travel expenses of the members would be paid from the Fund. The Secretary of Administration would provide meeting facilities for the Commission. The members of the Commission must comply with G.S. 14-234, prohibiting conflicts of interest. In addition, a member would not be able to vote on, participate in the deliberations of, or otherwise attempt through his or her official capacity to influence the vote on allocations of moneys from the Fund to a nonprofit or governmental entity of which the member is an employee. To violate such conflict of interest would result in a Class 1 misdemeanor.

Increase in Drivers License Fee

Section 5 of the bill would increase the fees for Class A, B, and C drivers licenses by $.05 per year multiplied by the number of years in the period for which the license is issued. Most licenses are currently issued for a period of 5 years. The bill also increases the fee for a duplicate license by $.05. The bill provides that the Division of Motor Vehicles may retain a portion of the proceeds of the fee increase to offset its start–up and first year maintenance costs of the Organ Donor Internet site.

License Fee	Current Fee Amount	Proposed Fee Amount
Class A and Class B Drivers License	$4.25 a year	$4.30 a year
Class C Drivers License	$3.00 a year	$3.05 a year
Duplicate License & Identification Card	$10.00	$10.05

Effective Date

The fee increases would become effective November 1, 2004, and that the remainder of the bill would become effective January 1, 2005.

Dianna Jessup, counsel to the Senate Health and Human Resources Committee, and Amy Compeau, Research Assistant, contributed substantially to this summary.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Transportation - Division of Motor Vehicles; Department of Administration, Department of State Treasurer

EFFECTIVE DATE: Sections 4(a) (Trust Fund) and 5 (drivers license fees) of this act become effective November 1, 2004. The remainder of this act becomes effective January 1, 2005.

BILL SUMMARY: The bill establishes an on-line Organ Donor Internet site in the Division of Motor Vehicles (DMV). The site will list those who choose to be an organ donor when getting

their driver licenses. The site is only for North Carolina organ procurement organizations and eye banks. A License to Give Trust Fund is established with funding provided by a 5 cent increase per year in Class A, B, and C driver licenses and duplicate licenses. The new Trust Fund will pay the Internet expenses of DMV, the administrative cost of the new License to Give Trust Fund Commission, and grants to promote organ and tissue donation.

ASSUMPTIONS AND METHODOLOGY:

REVENUES

Section 5 of the bill increases duplicate drivers license fee by 5 cents and Class A, B, and C drivers license fee by 5 cents per year for a five-year license. The number of transactions processed by DMV in fiscal year 2002-03 is shown below.

	FY 02-03 Actual Transactions
Class A&B License	9,344
Class C License	1,179,935
Duplicate License	560,354

For future year drivers license transactions, DMV suggests a 2% a year growth rate. Class A, B, and C transactions are multiplied by $.25 (5 years X $.05) and duplicate licenses are multiplied by $.05.

	FY 04-05 Est Transactions	FY05-06 Est Transactions	FY 06-07 Est Transactions	FY 07-08 Est Transactions	FY 08-09 Est Transactions
Class A&B License	9,721	9,916	10,114	10,317	10,523
Class C License	1,227,604	1,252,156	1,277,200	1,302,744	1,328,798
Duplicate License	582,992	594,652	606,545	618,676	631,050

Increased Fee	FY 04-05 Est Transactions	FY05-06 Est Transactions	FY 06-07 Est Transactions	FY 07-08 Est Transactions	FY 08-09 Est Transactions
Class A&B License	$2,430	$2,479	$2,529	$2,579	$2,631
Class C License	$306,901	$313,039	$319,300	$325,686	$332,200
Duplicate License	$29,150	$29,733	$30,327	$30,934	$31,552
	$338,481	$345,251	$352,156	$359,199	$366,383

With a November 1, 2004 effective date, first year revenue will be for eight months. Assuming that transactions are distributed equally throughout the fiscal year, the FY 04-05 revenue increase will be $.22 million for eight months. The proceeds of this fee increase are deposited into the License to Give Trust Fund. The Fund is managed by the State Treasurer and audited by the State Auditor.

EXPENDITURES

Section 4(a) authorizes the new License to Give Trust Fund Commission to spend the License to Give Trust Fund for 1) grants for "initiatives that educate about and promote organ and tissue donation and health care decision making at life's end" and 2) expenses of the Commission. Section 4(b) allows the 15-member Commission to be paid per diem and necessary travel and subsistence expenses. This section also allows the Commission to hire staff. No estimate of Commission expenses is available at this time.

Section 5(c) allows DMV to retain a portion of the proceeds of the increased drivers license fee to pay for the cost of developing and maintaining the on-line Organ Donor Internet site. DMV estimates that it will take $50,000 to establish an Internet site and $10,000 a year to maintain it.

Section 4(b) of the bill has a Class 1 misdemeanor for violations of conflict of interest law by members of the License to Give Trust Fund Commission. The Administrative Office of the Courts (AOC) does not predict any significant fiscal impact on the courts. Since the provision applies only to the 15 Commission members, AOC assumes that, with the potential of a possible rare exception over many years, these appointees will be aware of and will comply with the conflict of interest prohibitions. Similarly, the Sentencing Commission does not expect convictions for this proposed offense to have a significant impact on the prison population.

A BILL TO BE ENTITLED

AN ACT TO DIRECT THE SECRETARY OF THE DEPARTMENT OF TRANSPORTATION AND THE STATE TREASURER TO DEVELOP AN IMPLEMENTATION PLAN FOR ISSUANCE OF "GARVEE" GRANT ANTICIPATION REVENUE VEHICLE BONDS.

The General Assembly of North Carolina enacts:

SECTION 1. The Secretary of the Department of Transportation and the State Treasurer shall jointly form a committee to develop a plan for issuance of "GARVEE" bonds (Grant Anticipation Revenue Vehicles) or other eligible debt financing instruments to finance Federal-aid projects using federal funds to pay a portion of principal, interest, and related bond issuance costs, as authorized by 23 U.S.C. § 122, as amended (the National Highway System Designation Act of 1995, Pub. L. 104-59). The plan shall address all financial, legal, and practical issues involved in issuing "GARVEE" bonds. The two Departments shall jointly submit their implementation plan to the Transportation Appropriations Subcommittee or the Joint Legislative Transportation Oversight Committee by March 1, 2005.

SECTION 2. The Department of Transportation shall develop proposed criteria to use in selection of projects to fund with "GARVEE" bonds. The Department shall submit the proposed criteria to the Transportation Appropriations Subcommittee or the Joint Legislative Transportation Oversight Committee by March 1, 2005.

SECTION 3. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE DEPARTMENT OF TRANSPORTATION TO ISSUE "GARVEE" GRANT ANTICIPATION REVENUE VEHICLE BONDS AND TO DIRECT THE SECRETARY OF THE DEPARTMENT OF TRANSPORTATION AND THE STATE TREASURER TO DEVELOP AN IMPLEMENTATION PLAN FOR ISSUANCE OF THE BONDS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 136-18 is amended by adding a new subdivision to read:

"(12b) To issue "GARVEE" bonds (Grant Anticipation Revenue Vehicles) or other eligible debt financing instruments to finance Federal-aid projects using federal funds to pay a portion of principal, interest, and related bond issuance costs, as authorized by 23 U.S.C. § 122, as amended (the National Highway System Designation Act of 1995, Pub. L. 104-59). The State Treasurer shall develop and adopt appropriate debt instruments, as authorized by the State and Local Government Revenue Bond Act, Article 5 of Chapter 159 of the General Statutes, for use under this subdivision."

SECTION 2. The Secretary of the Department of Transportation and the State Treasurer shall jointly form a committee to develop a plan to implement the provisions of this act. The plan shall address all financial, legal, and practical issues involved in issuing "GARVEE" bonds. The plan shall also include any projects the Department of Transportation proposes to fund with "GARVEE" bonds. The two Departments shall jointly submit their implementation plan to the cochairs of the Transportation Appropriations Subcommittee, and the cochairs of the Joint Legislative Transportation Oversight Committee by March 1, 2005.

SECTION 3. Section 1 of this act becomes effective July 1, 2005. The remainder of this act is effective when it becomes law.

HOUSE BILL 1389:
DOT Authority to Issue GARVEE Bonds

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	Rep. McComas
Date:	June 29, 2004	**Analysis by:**	Martha Walston
Version:	H1389-CSLA-69[v.1]		Committee Counsel

SUMMARY: House Bill 1389 is a recommendation of the Transportation Oversight Study Committee. The proposed committee substitute for the bill does the following:

- **Directs the Secretary of DOT and the State Treasurer to jointly form a committee to develop a plan for issuance of "GARVEE" bonds.**
- **Directs DOT to develop proposed criteria to use in selection of projects to fund with GARVEE bonds.**
- **The implementation plan and the criteria must be submitted to the Transportation Appropriations Subcommittee or the Joint Legislative Transportation Oversight Committee by March 1, 2005.**

BACKGROUND: GARVEE bonds are Grant Anticipation Revenue Vehicles, authorized by federal law, that permit states to use anticipated future federal highway funds to finance highway project construction. Candidate projects for GARVEE financing are typically larger projects that have the following characteristics:

- They are large enough to merit borrowing rather than pay-as-you-go grant funding, with the costs of delay outweighing the costs of financing
- They do not have access to a revenue stream (such as local taxes or tolls) and other forms of repayment (such as state appropriations) are not feasible
- The sponsors (generally state DOTs) are willing to reserve a portion of future year Federal-aid highway funds to satisfy debt service requirements.

GARVEES must be issued by a state, a political subdivision of a state, or a public authority. A state may elect to pledge their obligations of future Federal-aid funds as the only security backing the federal share of the obligation to investors (non-recourse GARVEES) or to pledge other sources of revenue as a back-stop for the future federal-aid funds (back-stopped GARVEES).

BILL ANALYSIS:

Sections 1 of House Bill 1389 directs the Secretary of DOT and the State Treasurer to form a committee to develop a plan for issuance of "GARVEE" bonds. This plan must be submitted to the Transportation Appropriations Subcommittee or the Joint Legislative Transportation Oversight Committee by March 1, 2005.

Section 2 of House Bill 1389 directs the DOT to develop proposed criteria to use in the selection of projects to fund with GARVEE bonds. The criteria must also be submitted to the Transportation Appropriations Subcommittee or the Joint Legislative Transportation Oversight Committee by March 1, 2005.

AN ACT CONCERNING VOLUNTARY SATELLITE ANNEXATION BY VARIOUS MUNICIPALITIES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 160A-58.1(b)(5) reads as rewritten:

"(5) The area within the proposed satellite corporate limits, when added to the area within all other satellite corporate limits, may not exceed ten percent (10%) of the area within the primary corporate limits of the annexing city.

This subdivision does not apply to the Cities of Claremont, Concord, Conover, Gastonia, Locust, Newton, Sanford, Salisbury, and Southport, and the Towns of Apex, Bladenboro, Catawba, Fuquay-Varina, Garner, Holly Springs, Knightdale, Leland, Maiden, Midland, Morrisville, Pine Level, Ranlo, Rolesville, Swansboro, ~~and Warsaw.~~ Wallace, Warsaw, Wendell, and Zebulon."

SECTION 2. This act is effective when it becomes law.

SENATE BILL 1305:
Various Municipalities Satellite Annexation

BILL ANALYSIS

Committee: House Finance
Date: June 30, 2004
Version: PCS to 2nd Edition

Introduced by: Senator Stevens
Summary by: R. Erika Churchill
Committee Counsel

SUMMARY: ***The proposed committee substitute for Senate Bill 1305, a local bill, would add the town of Angier in Harnett County to the list of cities and towns that may annex satellite areas without meeting the standard that limits the size of the area within the satellite corporate limits.***

CURRENT LAW: G.S. 160A-58.1 and 160A-58.7 govern the voluntary annexation by a municipality of noncontiguous property.

G.S. 160A-58.1 provides that all property owners in the satellite area may petition a city for voluntary annexation of the noncontiguous property if the property meets all of the following five standards:

1. The nearest point on the proposed satellite corporate limits must be not more than three miles from the primary corporate limits of the annexing city.
2. No point on the proposed satellite corporate limits may be closer to the primary corporate limits of another city than to the primary corporate limits of the annexing city.
3. The area must be so situated that the annexing city will be able to provide the same services within the proposed satellite corporate limits that it provides within its primary corporate limits.
4. If the area proposed for annexation, or any portion thereof, is a subdivision as defined in G.S. 160A-376, all of the subdivision must be included.
5. The area within the proposed satellite corporate limits, when added to the area within all other satellite corporate limits, may not exceed ten percent (10%) of the area within the primary corporate limits of the annexing city.

G.S. 160-58.7 provides the process a city must follow when the city is the property owner of the satellite area. This process requires that the city comply with the provisions of G.S. 160A-58.1 as described above.

BILL ANALYSIS: The proposed committee substitute for Senate Bill 1305 would remove the requirement that the area within the proposed satellite corporate limits, when added to the area within all other satellite corporate limits, may not exceed 10% of the area within the primary corporate limits when noncontiguous property is annexed by the town of Angier.

The act is effective when it becomes law.

BACKGROUND: The cities of Hickory, New Bern, Newton, Sanford, Southport, Statesville, Kenly, Troy, Mt. Airy, Mooresville, Marion, Oxford, Rockingham, Conover, and Claremont and the towns of Calabash, Catawba, Dallas, Godwin, Louisburg, Mocksville, Pembroke, Rutherfordton, Maiden, Midland, Swansboro, Warsaw and Waynesville have already eliminated the 5th standard for all annexations by the municipality.

SENATE BILL 933*

Short Title: Wetlands Reimbursement/Local Tax Base. (Public)

Sponsors: Senators Hargett; Apodaca, Holloman, Stevens, and Tillman.

Referred to: Finance.

April 3, 2003

A BILL TO BE ENTITLED

AN ACT TO REQUIRE STATE AND LOCAL GOVERNMENT AGENCIES THAT ACQUIRE LAND FOR WETLANDS MITIGATION TO REIMBURSE THE COUNTY IN WHICH THE LAND IS LOCATED FOR ITS LOST TAXES DUE TO THE ACQUISITION.

The General Assembly of North Carolina enacts:

SECTION 1. Article 2 of Chapter 153A of the General Statutes is amended by adding a new section to read:

"**§ 153A-15.1. Agreement to make payment in lieu of future ad valorem taxes required before wetlands acquisition by a unit of local government.**

(a) Condemnation. – Notwithstanding the provisions of G.S. 153A-15, Chapter 40A of the General Statutes, or any other general law or local act conferring the power of eminent domain, before a final judgment may be entered or a final condemnation resolution adopted in an action of condemnation initiated by a unit of local government whose property is exempt from tax under Section 2(3) of Article V of the North Carolina Constitution, whereby the condemnor seeks to acquire land for the purpose of wetlands mitigation, the condemnor shall agree in writing to pay to the county where the land is located a sum equal to the estimated amount of ad valorem taxes that would have accrued to the county for the next 20 years had the land not been acquired by the condemnor.

(b) Purchase. – Notwithstanding the provisions of G.S. 130A-55, 153A-15, 153A-158, 160A-240.1, or any other general law or local act conferring the power to acquire real property, before any unit of local government whose property is exempt from tax under Section 2(3) of Article V of the North Carolina Constitution purchases any land for the purpose of wetlands mitigation, the unit shall agree in writing to pay to the county where the land is located a sum equal to the estimated amount of ad valorem taxes that would have accrued to the county for the next 20 years had the land not been acquired by the acquiring unit.

(c) Definition. – For purposes of this section, the "estimated amount of ad valorem taxes that would have accrued for the next 20 years" means the total assessed value of the acquired land excluded from the county's tax base multiplied by the tax rate set by the county board of commissioners in its most recent budget ordinance adopted under Chapter 159 of the General Statutes, and then multiplied by 20.

(d) Exception. – This section does not apply to any condemnation or acquisition of land by a city or special district if the land to be condemned or acquired is within the corporate limits of that city or special district or within the county where the city or special district is located.

(e) Application. – This section applies only to land acquired in counties designated as an enterprise tier one or enterprise tier two area under G.S. 105-129.3."

SECTION 2. G.S. 143-214.11 is amended by adding a new subsection to read:

"(g) Payment for Taxes. – A State agency acquiring land to restore, enhance, preserve, or create wetlands must also pay a sum in lieu of ad valorem taxes lost by the county in accordance with G.S. 146-22.3."

SECTION 3. G.S. 143-214.12(a) reads as rewritten:

"(a) Wetlands Restoration Fund. – The Wetlands Restoration Fund is established as a nonreverting fund within the Department. The Fund shall be treated as a special trust fund and shall be credited with interest by the State Treasurer pursuant to G.S. 147-69.2 and G.S. 147-69.3. The Wetlands Restoration Fund shall provide a repository for monetary contributions and donations or dedications of interests in real property to promote projects for the restoration, enhancement, preservation, or creation of wetlands and riparian areas and for payments made in lieu of compensatory mitigation as described in subsection (b) of this section. No funds shall be expended from this Fund for any purpose other than those directly contributing to the acquisition, perpetual maintenance, enhancement, restoration, or creation of wetlands and riparian areas in accordance with the basinwide plan as described in G.S. 143-214.10. The cost of acquisition includes a payment in lieu of ad valorem taxes required under G.S. 146-22.3 when the Department is the State agency making the acquisition."

SECTION 4. Article 6 of Chapter 146 of the General Statutes is amended by adding a new section to read:

"**§ 146-22.3. Acquisition of land to be used to restore, enhance, preserve, or create wetlands.**

(a) Payment. – A State agency that acquires land by purchase for the purpose of restoring, enhancing, preserving, or creating wetlands as required by a permit or an authorization issued by the United States Army Corps of Engineers under 33 U.S.C. § 1344 must pay to the county in which the land is located, as reimbursement, a sum equal to the estimated amount of ad valorem taxes that would have accrued to the county for the next 20 years had the land not been acquired by the State agency.

(b) Exception. – This section does not apply when the land purchased by the State agency and the wetlands permitted to be lost are located in the same county. In other circumstances, the governing body of the county and the State agency may enter into a written agreement to waive payment.

(c) Amount. – The estimated amount of ad valorem taxes that would have accrued for the next 20 years is the total assessed value of the acquired land excluded from the county's tax base multiplied by the tax rate set by the county board of commissioners in its most recent budget ordinance adopted under Chapter 159 of the General Statutes, and then multiplied by 20.

(d) Application. – This section applies only to land acquired in counties designated as an enterprise tier one or enterprise tier two area under G.S. 105-129.3."

SECTION 5. Article 6 of Chapter 146 of the General Statutes is amended by adding a new section to read:

"**§ 146-22.4. Acquisition of wetlands from private mitigation banking companies.**

(a) Payment for Taxes. – A State agency that acquires wetlands from a private mitigation banking company must pay a sum in lieu of ad valorem taxes to the county where the wetlands are located. The sum is equal to the estimated amount of ad valorem taxes that would have accrued for the next 20 years as computed in G.S. 146-22.3(c).

(b) Requirement for Acquisition. – A State agency may require, as a condition of accepting a donation of wetlands by a private mitigation banking company, that the company make adequate provisions for the long-term maintenance and management of the wetlands. These provisions may include reimbursement to the agency for payment of a sum in lieu of ad valorem taxes.

(c) Application. – This section applies only to land acquired in counties designated as an enterprise tier one or enterprise tier two area under G.S. 105-129.3."

SECTION 6. Article 6 of Chapter 146 of the General Statutes is amended by adding a new section to read:

"**§ 146-22.5. Reimbursement of payment in lieu of future ad valorem taxes.**

(a) If a State agency acquires land under G.S. 146-22.3 or G.S. 146-22.4 and later uses this land to mitigate wetlands permitted to be lost in the same county, then the county shall reimburse the State agency for a percentage of the estimated amount of ad valorem taxes paid for the land in accordance with G.S. 146-22.3 minus ten percent (10%) of this amount times the number of years the State agency held the land before the wetlands were lost.

(b) Application. – This section applies only to land acquired in counties designated as an enterprise tier one or enterprise tier two area under G.S. 105-129.3."

SECTION 7. This act is effective when it becomes law and applies to transfers made on or after that date.

SENATE BILL 933:
Wetlands Reimbursement/Local Tax

BILL ANALYSIS

Committee:	Senate Finance	**Introduced by:**	Senator Hargett
Date:	June 16, 2004	**Summary by:**	R. Erika Churchill
Version:	1st Edition		Committee Counsel

SUMMARY: Senate Bill 933 does all of the following:

- *Requires a unit of local government that purchases or condemns land for the purpose of wetlands mitigation to pay to the county where the land is located a sum equal to the estimated amount of ad valorem taxes that would have accrued to the county for the next 20 years.*
- *Requires a State agency that purchases land for wetlands mitigation to pay the 20 years of lost taxes to the county where the land is located.*
- *Exempts the following from the required payment of lost ad valorem taxes:*
  1. *Condemnation or acquisition of land by a city or special district when the land is located in the corporate limits of the city or special district, or within the county, where the city or special district is located.*
  2. *Purchase of land by a State agency when the land purchased and the wetlands permitted to be lost are located in the same county.*
  3. *The written agreement between the governing board of a county and the State agency to waive any required payment.*
- *Requires a county to reimburse a State agency for the payment if the State purchased land, or was given wetlands, in a county and at a later time used that land to mitigate wetlands permitted to be lost in that same county.*
- *The bill applies only to land in Tier one and Tier two counties.*

CURRENT LAW: The Wetlands Restoration Program and Fund were established by the General Assembly in 1996 to restore wetlands lost or impaired through human activities and to assist those who must meet wetlands mitigation requirements imposed by the U.S. Army Corps of Engineers as a condition of obtaining Section 404 permits for wetlands alteration. (Section 404 of the U.S. Clean Water Act, which controls the placement of dredged or fill materials in the waters of the U.S. and adjoining wetlands, is the nearest thing to a national wetlands law.) Under the current federal environmental regulations, when wetlands are lost or impaired, other land in the same river basin or sub river basin must be set aside to "make up" for the lost wetlands. This practice is referred to as compensatory wetland mitigation, and the State is subject to these federal permitting requirements.

When a State agency or local government for wetlands mitigation acquires wetlands, this land is removed from the tax base of the county or city where the land is located as State and local governments are exempt from property taxes. This loss particularly affects Tier 1 and Tier 2 counties, those counties that are considered most in need of economic development because of high unemployment, low per capita income, and low population growth.

Wetlands include pocosins, freshwater marshes, swamp forests, and bottomland hardwood forests. In the past two decades, wetlands have been altered because of development and agricultural and timber operations.

BILL ANALYSIS:

- ***Section 1*** requires a unit of local government that has acquired land by condemnation or purchase for the purpose of wetlands mitigation, to pay the county where the land is located a sum that is equal to the estimated amount of property taxes that would have accrued to the county for the next 20 years had the land not been acquired by the local government.

  Exception: This section does not apply to the condemnation or acquisition of land by a city or special district if the land is located in the corporate limits of the city or special district, or within the county, where the city or special district is located.

  "Estimated amount of ad valorem taxes that would have accrued for the next 20 years" is defined as the total assessed value of the acquired land excluded from the county's tax base multiplied by the current county tax rate multiplied by 20.
- ***Sections 2 and 4*** require a State agency that is acquiring land for wetlands mitigation to pay to the county where the land is located a sum in lieu of property taxes lost by the county.

  Exception: The payment is not required by a State agency when the land purchased by the State agency and the wetlands permitted to be lost are located in the same county. Also the governing board of the county and the State agency may agree in writing to waive the payment.
- ***Section 3*** provides that if DENR is the State agency acquiring property in a county for wetlands mitigation, then DENR may use money in the Wetlands Restoration Fund to pay the amount of lost property taxes. (The Wetlands Restoration Fund is a nonreverting fund.)
- ***Section 5*** provides that if a State agency acquires wetlands from a private mitigation banking company, the agency must pay a sum in lieu of property tax to the county where the wetlands are located. However, as a condition of accepting the donation from the private mitigation banking company, the State agency may require the company to make adequate provisions for the long-term maintenance and management of wetlands. These provisions may include reimbursement to the agency for payment of a sum in lieu of property taxes. A private mitigation banking company trades in properties that may be eligible as mitigation lands.
- ***Section 6*** requires a county to reimburse a State agency for the payment made in lieu of property taxes if the State agency purchased land in a county for future wetlands mitigation and later used this land to mitigate wetlands permitted to be lost in the same county. The amount reimbursed to the State agency is a percentage based upon the number of years the State agency held the land before the wetlands were lost.
- ***Section 7*** makes the act effective when it becomes law and applicable to transfers made on or after that date.

Martha Walston contributed to this summary.

NORTH CAROLINA GENERAL ASSEMBLY

LEGISLATIVE FISCAL NOTE

BILL NUMBER: Senate Bill 933 (First Edition)

SHORT TITLE: Wetlands Reimbursement/Local Tax Base.

SPONSOR(S): Senator Hargett

FISCAL IMPACT

Dept. of Transportation	102,816	102,816	102,816	102,816	102,816
Wetlands Trust Fund	34,272	34,272	34,272	34,272	34,272

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Environment and Natural Resources, Local Governments, and other State agencies.

EFFECTIVE DATE: When it becomes law.

BILL SUMMARY: When the State or a local government acquires property, that property becomes exempt from tax and is removed from the tax base. The bill requires that a state agency that purchases land for wetlands mitigation pay the county where the land is located an amount approximately equal to twenty years of ad valorem taxes on the property. This does not apply if the migration property and the improvements are made in the same county. If the State makes payment to the home county, and later uses the land for mitigation in the same county, the county must return at least a portion of the payment to the State. At the local level, the bill also requires that municipalities and counties that purchase land for mitigation, outside of the geographic limits of the home county, make a similar payment to the county were the land is purchased. The amount of the payment from the purchasing government to the county government where the property lies is defined as the total value of the land excluded by the purchase times the current rate of tax, times twenty (value x rate x 20). All provision of this bill apply only to land purchased in tier one and tier two counties.

ASSUMPTIONS AND METHODOLOGY: This bill is not expected to impact cost estimates associated with construction projects for community colleges, state universities, or prisons, based on current construction plans. The bill does not affect projects funded by the Clean Water Management Trust Fund, which is statutorily banned from funding compensatory mitigation projects. Fiscal Research believes the primary state impact will be in the areas of highway construction and the wetlands restoration. **As a result, no direct general fund impact is expected.**

The bill is likely to affect both the Ecosystem Enhancement Program and local governments.

Ecosystem Enhancement Program: Historically the primary state agency purchasers of mitigation land have been the North Carolina Department of Transportation, making purchases to mitigate road activity, and the Wetlands Restoration Program. In 2003, the compensatory mitigation efforts of these two agencies were joined through a Memorandum of Agreement between the parties, and renamed the Ecosystem Enhancement Program (EEP).

The Ecosystem Enhancement Program is estimated to have costs of $137,088 annually associated with this bill. This estimate assumes that 224 acres are purchased annually at an average cost of $4,000 acre. Applying the average property tax rate for tier 1 and tier 2 counties from 2002-03 of $0.765/100 equals a property tax payment of $30.60 per acre. That amount multiplied by 20 (the payment of 20 years of taxes) creates the total payment of $612.00 per acre. The total of 224 acres multiplied by the total payment per acre results in the lump sum of **$137,088 annually**. (Or 224 acres * $4,000 per acre * $0.765/100 tax rate * 20 = $137,088). Approximately 75% of this money is expected to come from the Department of Transportation, with the balance drawn from the Wetlands Trust Fund. This division is reflected in the fiscal impact box.

Local Governments

All payments from NCDOT and the Wetlands Restoration Trust are revenues for local governments. The property taxes that must be paid to the county where the land is located is estimated as the assessed value of the acquired land excluded from the county's tax base multiplied by the tax rate set by the county Board of Commissioners in its most recent adopted budget ordinance multiplied by 20. For example, if property valued at $100,000 were acquired in a county with a $.76 per $100 value property tax rate, the acquirer must pay the county a sum of $15,200 ($100,000 / $100 * .76 * 20).

Local governments will see a gain of $685,440 ($137,088 * 5 years)) over five years. However, some of that gain may be offset by local government payment into the Wetland Restoration Program to cover their mitigation needs.

Local government revenues and tax payments may also be impacted by changes in property tax rates. Due to the instability of property tax rates in the state, in general, and especially in tier 1 and tier 2 counties, there is no accurate way to predict how tax rates may change in future years. Some rates may increase depending on the economy and smaller tax base growth, while others may stabilize or decrease because of this legislation.

The reimbursement amount paid by the county to state agencies if the property acquired is later used to mitigate wetlands permitted to be lost in the county is the estimated amount of property taxes paid minus ten percent (10%) times the number of years the agency held the land before the wetlands were lost. For example, if the property above was used 10 years later to mitigate wetlands that were permitted to be lost in the county, the county must reimburse the state a sum of $6,840 ($760 - ($760*.10) * 10).

SOURCES OF DATA: Ecosystem Enhancement Program and the North Carolina Department of Revenue.

TECHNICAL CONSIDERATIONS: The tier designations are created as a part of the Bill Lee Act. This act is scheduled to sunset in 2005. As a result, unless otherwise instructed, no tier designations will be developed by the Department of Commerce after 2005.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Environment and Natural Resources, Local Governments, and other State agencies.

EFFECTIVE DATE: When it becomes law.

BILL SUMMARY: When the State or a local government acquires property, that property becomes exempt from tax and is removed from the tax base. The bill requires that a state agency that purchases land for wetlands mitigation pay the county where the land is located an amount approximately equal to twenty years of ad valorem taxes on the property. This does not apply if the migration property and the improvements are made in the same county. If the State makes payment to the home county, and later uses the land for mitigation in the same county, the county must return at least a portion of the payment to the State. At the local level, the bill also requires that municipalities and counties that purchase land for mitigation, outside of the geographic limits of the home county, make a similar payment to the county were the land is purchased. The amount of the payment from the purchasing government to the county government where the property lies is defined as the total value of the land excluded by the purchase times the current rate of tax, times twenty (value x rate x 20). All provision of this bill apply only to land purchased in tier one and tier two counties.

ASSUMPTIONS AND METHODOLOGY: This bill is not expected to impact cost estimates associated with construction projects for community colleges, state universities, or prisons, based on current construction plans. The bill does not affect projects funded by the Clean Water Management Trust Fund, which is statutorily banned from funding compensatory mitigation projects. Fiscal Research believes the primary state impact will be in the areas of highway construction and the wetlands restoration. **As a result, no direct general fund impact is expected.**

The bill is likely to affect both the Ecosystem Enhancement Program and local governments.

Ecosystem Enhancement Program: Historically the primary state agency purchasers of mitigation land have been the North Carolina Department of Transportation, making purchases to mitigate road activity, and the Wetlands Restoration Program. In 2003, the compensatory mitigation efforts of these two agencies were joined through a Memorandum of Agreement between the parties, and renamed the Ecosystem Enhancement Program (EEP).

The Ecosystem Enhancement Program is estimated to have costs of $137,088 annually associated with this bill. This estimate assumes that 224 acres are purchased annually at an average cost of $4,000 acre. Applying the average property tax rate for tier 1 and tier 2 counties from 2002-03 of $0.765/100 equals a property tax payment of $30.60 per acre. That amount multiplied by 20 (the payment of 20 years of taxes) creates the total payment of $612.00 per acre. The total of 224 acres multiplied by the total payment per acre results in the lump sum of **$137,088 annually**. (Or 224 acres * $4,000 per acre * $0.765/100 tax rate * 20 = $137,088). Approximately 75% of this money is expected to come from the Department of Transportation, with the balance drawn from the Wetlands Trust Fund. This division is reflected in the fiscal impact box.

Local Governments
All payments from NCDOT and the Wetlands Restoration Trust are revenues for local governments. The property taxes that must be paid to the county where the land is located is estimated as the assessed value of the acquired land excluded from the county's tax base multiplied by the tax rate set by the county Board of Commissioners in its most recent adopted budget ordinance multiplied by 20. For example, if property valued at $100,000 were acquired in a county with a $.76 per $100 value property tax rate, the acquirer must pay the county a sum of $15,200 ($100,000 / $100 * .76 * 20).

Local governments will see a gain of $685,440 ($137,088 * 5 years)) over five years. However, some of that gain may be offset by local government payment into the Wetland Restoration Program to cover their mitigation needs.

Local government revenues and tax payments may also be impacted by changes in property tax rates. Due to the instability of property tax rates in the state, in general, and especially in tier 1 and tier 2 counties, there is no accurate way to predict how tax rates may change in future years. Some rates may increase depending on the economy and smaller tax base growth, while others may stabilize or decrease because of this legislation.

The reimbursement amount paid by the county to state agencies if the property acquired is later used to mitigate wetlands permitted to be lost in the county is the estimated amount of property taxes paid minus ten percent (10%) times the number of years the agency held the land before the wetlands were lost. For example, if the property above was used 10 years later to mitigate wetlands that were permitted to be lost in the county, the county must reimburse the state a sum of $6,840 ($760 - ($760*.10) * 10).

A BILL TO BE ENTITLED

AN ACT AMENDING THE LAWS REGULATING THE PRACTICE OF BARBERING, AUTHORIZING THE STATE BOARD OF BARBER EXAMINERS TO ASSESS CIVIL PENALTIES FOR VIOLATIONS OF THE LAWS OR RULES REGULATING THE PRACTICE OF BARBERING, AND INCREASING FEES.

The General Assembly of North Carolina enacts:

SECTION 1.(a) G.S. 86A-4 reads as rewritten:

"**§ 86A-4. State Board of Barber Examiners; appointment and qualifications; term of office; removal.**

(a) The State Board of Barber Examiners is established to consist of five members appointed by the Governor. Four shall be licensed barbers; the other shall be a person who is not licensed under this Chapter and who shall represent the interest of the public at large.

(b) No member appointed to the Board on or after July 1, 1981, shall serve more than three complete consecutive three-year terms, except that each member shall serve until the member's successor is appointed and qualifies.

No person who has been employed by the North Carolina State Board of Barber Examiners and has been removed for just cause shall be appointed within five years of the removal to serve as a Board member.

(c) The Governor may remove any member for good cause shown and may appoint members to fill unexpired terms.

(d) Notwithstanding subsections (a) and (b) of this section, a licensed barber who holds an officer position on the National Association of Barber Boards of America may be appointed by the Governor to serve on the Board as the 'public at large' member for the three-year term beginning July 1, 2004, if the Governor determines that there is not a public member willing to serve on the Board for this three-year term."

SECTION 1.(b) This section expires July 1, 2007.

SECTION 2. G.S. 86A-5(a) reads as rewritten:

"(a) The Board has the following powers and duties:

(1) To see that inspections of barbershops and schools are conducted to determine compliance with sanitary regulations. The Board may appoint inspectors as ~~necessary;~~necessary.

(2) To adopt sanitary regulations concerning barber schools and shops and procedural rules in accordance with the guidelines established in ~~G.S. 86A-15;~~G.S. 86A-15.

(3) To review the barber licensing laws of other states and to determine which are the substantive equivalent of the laws of North Carolina for purposes of ~~G.S. 86A-12;~~G.S. 86A-12.

(4) To conduct examinations of applicants for certificate of registration as registered barber, registered apprentice and barber school instructor.

(5) To employ and fix the compensation of personnel that the Board deems necessary to carry out the provisions of this Chapter.

(6) To assess civil penalties pursuant to G.S. 86A-27."

SECTION 3. G.S. 86A-6 reads as rewritten:

"**§ 86A-6. Office; seal; officers and executive ~~secretary;~~director; funds.**

The Board shall maintain a suitable office in Raleigh, and shall adopt and use a common seal for the authentication of its orders and records. The Board shall annually elect its own officers, and in addition, may elect or appoint a full-time executive ~~secretary~~ director who shall not be a member of the Board, and whose salary shall be fixed by the Board. The executive ~~secretary~~ director shall turn over to the State Treasurer to be credited to the State Board of Barber Examiners all funds collected or received under this Chapter, the funds to be held and expended under the supervision of the Director of the Budget, exclusively for the enforcement and administration of the provisions of this Chapter. Nothing herein shall be construed to authorize any expenditure in excess of the amount available from time to time in the hands of the State Treasurer derived from fees collected under the provisions of this Chapter and received by the State Treasurer pursuant to the provisions of this section."

SECTION 4. G.S. 86A-9 reads as rewritten:

"**§ 86A-9. Board to conduct examinations not less than four times each year.**

The Board shall conduct examinations of applicants for certificates of registration to practice as registered barbers and registered apprentices, not less than four times each year, at such times and places as will prove most convenient and as the Board may determine. The Board may adopt rules establishing procedures for the administration of examinations."

SECTION 5. G.S. 86A-17(b) reads as rewritten:

"(b) A registered barber whose certificate of registration has expired may have the certificate restored immediately upon paying all lapsed renewal fees and the required late fee and furnishing a health certificate if required by the ~~Board; provided, however, a~~ Board. Where a registered barber's certificate of registration has expired for a period greater than six months, the Board may impose civil penalties pursuant to G.S. 86A-27. A registered barber whose certificate has expired for a period of five years shall be required to take the clinical examination prescribed by the State Board of Barber

Examiners and otherwise comply with the provisions of this Chapter before engaging in the practice of barbering. No registered barber who is reissued a certificate under this subsection shall be required to serve an apprenticeship as a prerequisite to reissuance of the certificate."

SECTION 6. Chapter 86A of the General Statutes is amended by adding a new section to read:

"**§ 86A-20.1. Enjoining illegal practices.**

The Board, the Department of Health and Human Services, or any county or district health director may apply to the superior court for an injunction to restrain any person from violating the provisions of this Chapter or the Board's rules. Actions under this section shall be brought in the county where the defendant resides or maintains his or her principal place of business or where the alleged acts occurred."

SECTION 7. G.S. 86A-22 reads as rewritten:

"**§ 86A-22. Licensing and regulating barber schools and colleges.**

The North Carolina State Board of Barber Examiners may approve barber schools or colleges in the State, and may prescribe rules and regulations for their operation. The Board shall adopt rules establishing criteria for barber schools and colleges to maintain their accreditation. No barber school or college shall be approved by the Board unless the school or college meets all of the following requirements:

(1) Each school shall provide a course of instruction of at least 1528 hours.

(2) Each school shall ~~have at least two instructors, except that nonprofit schools shall have at least one instructor for every 20 enrolled students. Each instructor must hold a valid instructor's certificate issued by the Board. At least one instructor must be on the premises of a barber school during regular instruction hours.~~ employ at least two instructors for the first 40 enrolled students and employ at least one additional instructor for every additional 20 enrolled students. Schools that are organized as nonprofits and have obtained a ruling from the Internal Revenue Service recognizing their tax-exempt status shall have at least one instructor for every 20 enrolled students. No school, whether for profit or nonprofit, shall provide practical training and theoretical training simultaneously unless at least two instructors are present.

(3) An application for a student's permit, on a form prescribed by the Board, must be filed with the Board before the student enters school. No student may enroll without having obtained a student's permit.

(4) Each student enrolled shall be given a complete course of instruction on the following subjects: hair cutting; shaving; shampooing, and the application of creams and lotions; care and preparation of tools and implements; scientific massaging and manipulating the muscles of the scalp, face, and neck; sanitation and hygiene; shedding and regrowth of hair; elementary chemistry relating to sterilization and antiseptics; instruction on common skin and scalp diseases to the extent that they

may be recognized; pharmacology as it relates to preparations commonly used in barbershops; instruction in the use of electrical appliances and the effects of the use of these on the human skin; structure of the skin and hair; nerve points of the face; the application of hair dyes and bleaches; permanent waving; marcelling or hair pressing; frosting and streaking; and the statutes and regulations relating to the practice of barbering in North Carolina. The Board shall specify the minimum number of hours of instruction for each subject required by this subsection.

(5) Each school shall file an up-to-date list of its students with the Board at least once a month. If a student withdraws or transfers, the school shall file a report with the Board stating the courses and hours completed by the withdrawing or transferring student. The school shall also file with the Board a list of students who have completed the amount of work necessary to meet the licensing requirements.

(6) Each school shall comply with the sanitary requirements of G.S. 86A-15.

(7) a. Each school shall provide a guaranty bond unless the school has already provided a bond or an alternative to a bond under G.S. 115D-95.

The North Carolina State Board of Barber Examiners may revoke the approval of a school that fails to maintain a bond or an alternative to a bond pursuant to this subdivision or G.S. 115D-95.

b. When application is made for approval or renewal of approval, the applicant shall file a guaranty bond with the clerk of the superior court of the county in which the school will be located. The bond shall be in favor of the students. The bond shall be executed by the applicant as principal and by a bonding company authorized to do business in this State. The bond shall be conditioned to provide indemnification to any student, or his parent or guardian, who has suffered a loss of tuition or any fees by reason of the failure of the school to offer or complete student instruction, academic services, or other goods and services related to course enrollment for any reason, including the suspension, revocation, or nonrenewal of a school's approval, bankruptcy, foreclosure, or the school ceasing to operate.

The bond shall be in an amount determined by the Board to be adequate to provide indemnification to any student, or his parent or guardian, under the terms of the bond. The bond amount for a school shall be at least equal to the maximum amount of prepaid tuition held at any time during the last fiscal

year by the school. The bond amount shall also be at least ten thousand dollars ($10,000).

Each application for approval shall include a letter signed by an authorized representative of the school showing in detail the calculations made and the method of computing the amount of the bond pursuant to this subpart and the rules of the Board. If the Board finds that the calculations made and the method of computing the amount of the bond are inaccurate or that the amount of the bond is otherwise inadequate to provide indemnification under the terms of the bond, the Board may require the applicant to provide an additional bond.

The bond shall remain in force and effect until cancelled by the guarantor. The guarantor may cancel the bond upon 30 days notice to the Board. Cancellation of the bond shall not affect any liability incurred or accrued prior to the termination of the notice period.

c. An applicant that is unable to secure a bond may seek a waiver of the guaranty bond from the Board and approval of one of the guaranty bond alternatives set forth in this subpart. With the approval of the Board, an applicant may file with the clerk of the superior court of the county in which the school will be located, in lieu of a bond:

1. An assignment of a savings account in an amount equal to the bond required (i) which is in a form acceptable to the Board; (ii) which is executed by the applicant; and (iii) which is executed by a state or federal savings and loan association, state bank, or national bank, that is doing business in North Carolina and whose accounts are insured by a federal depositors corporation; and (iv) for which access to the account in favor of the State of North Carolina is subject to the same conditions as for a bond in subpart b. above.
2. A certificate of deposit (i) which is executed by a state or federal savings and loan association, state bank, or national bank, which is doing business in North Carolina and whose accounts are insured by a federal depositors corporation; and (ii) which is either payable to the State of North Carolina, unrestrictively endorsed to the Board; in the case of a negotiable certificate of deposit, is unrestrictively endorsed to the Board; or in the case of a nonnegotiable certificate of deposit, is assigned to the Board in a form satisfactory to the Board; and (iii) for which access to the certificate of deposit in favor of the

State of North Carolina is subject to the same conditions as for a bond in subpart b. above."

SECTION 8. G.S. 86A-24(b) reads as rewritten:

"(b) An apprentice license expires on May 31 of each year. Every holder of an apprentice license shall annually renew the apprentice license by the expiration date and pay the required renewal fee. An apprentice license issued under this Chapter is automatically suspended by operation of law after failure to renew the apprentice license by the expiration date. An apprentice whose apprentice license has expired may have the certificate restored immediately upon paying all lapsed renewal fees and the required late fee. The certificate of registration of an apprentice is valid only so long as the apprentice works under the supervision of a registered barber. The registered barber shall remain present on the premises of the barbershop at all times while the apprentice is working. No apprentice shall operate a barbershop."

SECTION 9. G.S. 86A-25 reads as rewritten:

"**§ 86A-25. Fees collectible by Board.**

The State Board of Barber Examiners shall charge fees not to exceed the following:

Certificate of registration or renewal as a barber	$ ~~30.00~~60.00
Certificate of registration or renewal as an apprentice barber	~~30.00~~60.00
Barbershop permit or renewal	~~30.00~~60.00
Examination to become a registered barber	~~50.00~~100.00
Examination to become a registered apprentice barber	~~50.00~~100.00
Late fee for restoration of an expired barber certificate within first year after expiration	~~20.00~~40.00
Late fee for restoration of an expired barber certificate after first year after expiration but within five years after expiration	~~40.00~~80.00
Late fee for restoration of an expired apprentice certificate within first year after expiration	~~20.00~~40.00
Late fee for restoration of an expired apprentice certificate after first year after expiration but within three years of first issuance of the certificate	~~25.00~~50.00
Late fee for restoration of an expired barbershop certificate	~~25.00~~50.00
Examination to become a barber school instructor	~~95.00~~190.00
Student permit	~~15.00~~30.00
Issuance of any duplicate copy of a license, certificate, or permit	~~7.50~~15.00
Barber school permit or renewal	~~75.00~~150.00
Late fee for restoration of an expired barber school certificate	~~50.00~~100.00
Barber school instructor certificate or renewal	~~50.00~~100.00
Late fee for restoration of an expired barber school instructor certificate within first year after expiration	~~25.00~~50.00
Late fee for restoration of an expired barber school instructor certificate after first year after expiration but within three years after expiration	~~50.00~~100.00
Inspection of newly established barbershop	~~70.00~~140.00

Inspection of newly established barber school ..... ~~125.00~~250.00
Issuance of a registered barber or
apprentice certificate by certification ..... ~~70.00~~140.00
Barbers 70 years and older certificate or renewal ..... No ~~charge.~~charge
Reasonable charges for certified copies of public documents
Reasonable charges for duplication services and material."

SECTION 10. G.S. 86A-26 reads as rewritten:

"**§ 86A-26. Barbering among members of same family.**

This Chapter shall not prohibit a member of a family from practicing barbering on a member of his or her family. For purposes of this section, 'a member of his or her family' means a spouse, brother, sister, parent, grandparent, child, grandchild, mother-in-law, father-in-law, daughter-in-law, son-in-law, stepparent, or stepchild."

SECTION 11. Chapter 86A of the General Statutes is amended by adding a new section to read:

"**§ 86A-27. Civil penalties; disciplinary costs.**

(a) Authority to Assess Civil Penalties. – The Board may assess a civil penalty not in excess of five hundred dollars ($500.00) per offense for the violation of any section of this Chapter or the violation of any rules adopted by the Board. The clear proceeds of any civil penalty assessed under this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

(b) Consideration Factors. – Before imposing and assessing a civil penalty, the Board shall consider the following factors:

(1) The nature, gravity, and persistence of the particular violation.
(2) The appropriateness of the imposition of a civil penalty when considered alone or in combination with other punishment.
(3) Whether the violation was willful and malicious.
(4) Any other factors that would tend to mitigate or aggravate the violations found to exist.

(c) Schedule of Civil Penalties. – The Board shall establish a schedule of civil penalties for violations of this Chapter and rules adopted by the Board.

(d) Costs. – The Board may in a disciplinary proceeding charge costs, including reasonable attorneys' fees, to the licensee against whom the proceedings were brought."

SECTION 12. This act is effective when it becomes law.

SENATE BILL 1384 :
Amend Barbering Laws/Increase Fees

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Sen. Albertson
Date:	June 29, 2004	**Summary by:**	Cindy Avrette
Version:	2nd Edition		Committee Counsel

SUMMARY: ***Senate Bill 1384 makes several changes to the laws governing barbering and it doubles the fees the State Board of Bar Examiners may impose. The bill becomes effective when it becomes law.***

BILL ANALYSIS: Senate Bill 1384 makes the following changes to the laws governing barbering upon the request of the State Board of Bar Examiners:

Section	Explanation
1	There are five members on the State Board of Barber Examiners. The Governor appoints the members. Four of the members must be licensed barbers and the fifth member is an at large member who is not licensed by the Board. The Board does not currently have an at-large member and has not had one for about a year since the former at large member resigned. The members serve for a three-year term. Under the current law, a member may not serve more than three complete consecutive three-year terms. One of the board members whose third consecutive term expires July 1, 2004, is Donald Baker. He also serves as a vice-president on the National Association of Barber Board of America. He is scheduled to become the president of the National Board in September 2006. No barber in North Carolina has achieved this national recognition. However, the member may not serve as an officer on the National Board unless he is a member of the State Board. Section 1 would allow the Governor to appoint a member of the Board who holds an officer position on the National Board to serve as the 'public at large' member for the three-year term beginning July 1, 2004, if the Governor determines that there is not a public member willing to serve on the Board for this three-year term. The provision would sunset July 1, 2007.
2	• Gives the Board the authority to employ and pay personnel. The Board currently employs a staff of six people. The staff is currently employed under the State Personnel Act but they are paid through the revenues of the Board. • Gives the Board the authority to assess civil penalties, as provided in section 10 of the bill.
3	Changes the title of 'executive secretary' to 'executive director'.
4	Gives the Board the authority to adopt rules establishing procedures for the administration of exams. To become a barber, a person must attend an approved school, complete an apprenticeship, and pass a clinical examination given by the Board. The Board must conduct exams at least four times a year. The Board currently has internal policies for administering the exams, but it does not have rules.

Section	Explanation
5	Gives the Board the authority to assess a civil penalty against a registered barber whose certificate of registration has expired for a period greater than six months.
6	Gives the Board, the Department of Health and Human Services, or any county or district health director the authority to bring an action in superior court against a person who violates the provisions of this Chapter 86A or rules adopted by the Board. The action must be brought in the county where the defendant resides, where the defendant maintains a principal place of business, or where the alleged acts occurred.
7	• Gives the Board the authority to adopt rules establishing criteria for barber schools and colleges to maintain their accreditation. • Provides that each school must employ at least two instructors for the first 40 students and one instructor for every additional 20 students. A nonprofit school may continue to employ one instructor for every 20 students. • No school may provide practical training or theoretical training simultaneously unless at least two instructors are present.
8	Requires a registered barber to be on the premises of the barbershop at all times while an apprentice is working.
9	Doubles the fees the Board is allowed to charge and gives the Board the authority to charge reasonable fees for certified copies of public documents and for duplication services and materials.
10	Defines a 'member of her or her family' to mean a spouse, brother, sister, parent, grandparent, child, grandchild, mother-in-law, father-in-law, daughter-in-law, son-in-law, stepparent, or step child.
11	• Authorizes the Board to assess a civil penalty for violations of this Chapter 86A or rules adopted by the Board. The proceeds of the penalties imposed must be remitted to the Civil Penalty and Forfeiture Fund. The Board must establish a schedule of civil penalties; a penalty may not exceed $500 per offense. • It allows the Board to charge the costs of a disciplinary proceeding, including reasonable attorney fees, to the licensee against whom the proceedings were brought.
12	The bill becomes effective when it becomes law.

North Carolina General Assembly

House Committee on Finance

Minutes

~

July 7, 2004

The House Committee on Finance met on Wednesday, July 7, 2004 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons G. Allen, Howard, Luebke, McComas, and Wainwright; Vice-Chairs Alexander, Daughtridge, Gibson, and Hill; and Representatives Blackwood, Bordsen, Capps, Carney, Cole, Creech, Glazier, Hackney, Holliman, Jones, McGee, Ross, Setzer, Starnes, Weiss, C. Wilson, and Womble. Also present were Sergeant-at-Arms Bob Fowler, Bill Freeman, Dusty Rhodes, and Walter Spell. Staff persons present included Richard Bostic, Gerry Cohen, Trina Griffin, Martha Harris, Jeff Hudson, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2.**

Chairwoman Howard called the meeting to order at 8:37 am and recognized the five (5) pages present: (1) Wilder Clark of Cleveland County, sponsored by Representative Moore; (2) Matt Light of Rockingham County, sponsored by Representative Sexton; (3) Jamal Scott of Mecklenburg County, sponsored by Representative Earle; (4) Joshua Scott of Mecklenburg County, sponsored by Representative Earle; and (5) Robert Tomsick of Orange County, sponsored by Joe Hackney.

Representative Crawford was then recognized to explain the first bill considered by the Committee: **HB 1343 – MOPED ID TAGS** (see **attachment 3**). Representative G. Allen was recognized for a motion to have the Proposed Committee Substitute (PCS) for HB 1343 be before the Committee for discussion and that motion carried without objection. Chairwoman Howard then recognized Representative Crawford who spoke on the bill. The bill allows moped dealers to sell identification tags so that mopeds in the State of North Carolina can be easily identified. The bill would institute a $25 one-time fee for the purchase of the ID tag. Chairwoman Howard recognized Representative Blackwood who asked if the ID tag was removable, to which Representative Crawford answered that the ID tag acted like a license plate and was therefore not removable. Chairwoman Howard then recognized Representative G. Allen who moved for a favorable report on the PCS of House Bill 1343, with an unfavorable report as to the original bill. Seeing no further debate, Chairwoman Howard brought the matter to a vote and the motion carried.

The next bill considered by the Committee was **SB 848 – Advanced Vehicle Research Center Initiatives** (see **attachment 4**). Chairwoman Howard recognized Representative Glazier who moved that the Proposed Committee Substitute (PCS) for SB 848 be before the committee for discussion and that motion carried without objection. The Chair then proceeded to recognize Representatives L. Allen and Tolson who mutually explained the bill before the Committee. The bill provides a tax incentive for an advanced research center in Northampton County. The incentive is in the form of a tax credit with the total amount of tax credits being allowed in a calendar year

capped at no more than $5 million. The Chair recognized Representative Holliman who motioned to give a favorable report to the PCS for Senate Bill 848, unfavorable as to the original bill. Noting the motion, the Chair recognized Representative Cole who asked the bill sponsors for the specifics of how the facilities would be utilized. Chairwoman Howard recognized Mr. Dick Dale who said that facilities similar to this one in other states had been looked at as models. This facility would provide a close testing center for government vehicles using biodiesel fuels. Representative Cole was granted a follow-up question by the Chair and asked what the State investment was in this project. Mr. Richard Bostic, Fiscal Research, answered by saying that the tax credits were capped at $5 million a year for two years, but that he expected the Federal government to contribute funds. Chairwoman Howard then recognized Representative Weiss who asked if the center was just in the planning stages or if there had been commitments by companies to actively participate. Representative Tolson responded by saying that the interest exhibited by companies will grow further when the State of North Carolina makes tax incentives like those in this bill more available. Representative Weiss then questioned the need for the tax credit incentives to be at such high percentages. The Chair then recognized Representative Creech who said he saw the construction of new facilities as an unnecessary expense when existing facilities could be leased. Chairwoman Howard then recognized Representative Weiss who introduced an amendment that proposed to change the tax credit incentives to smaller percentages. Representative Weiss explained the amendment and then moved the adoption of the amendment. The Chair then brought the matter to a vote, and the amendment was adopted (see **attachment 5**). Representative Holliman then reiterated his previous motion for a favorable report as to the PCS for Senate Bill 848 (incorporating the newly adopted amendment), and seeing no further debate, Chairwoman Howard brought the motion to a vote. The motion carried.

SB 1244 – AMEND NC CEMETERY ACT/INCREASE FEES (see **attachment 6**) was the next bill considered by the Committee. Representative G. Allen was recognized by the Chair to speak on the bill. He explained that the bill gives the North Carolina Cemetery Commission the authority to increase several of its fees and it increases the amounts that must be deposited into care and maintenance trust funds. Chairwoman Howard then recognized Representative Holliman who asked how long it had been since the fees had been increased. Claud Whitener, Director of the North Carolina Cemetery Commission, was recognized by the Chair to help answer the question. He said that it had been close to 20 years since the last time the fees were increased, and that this bill would "future proof" the existence of the association by increasing the cap of the fees and providing the Commission with greater flexibility. The fees would not be immediately levied since they were not all necessary at the present time. Chairwoman Howard proceeded to recognize Representative McGee who inquired as to whether the current fee caps that the Cemetery Commission operated under were at their maximum. Mr. Whitener responded that the fees were already at the maximum they can charge by law. He further stated that the Commission was currently running a deficit due to a lack of funding (all of which is through fees). The Chair then recognized Representative Holliman who introduced an amendment that would have Tier statuses according to the Bill Lee Act analyzed on a yearly basis (see **amendment 7**), rather than the current 3 years. He moved adoption of the amendment, and Chairwoman Howard brought the motion to a vote. The amendment was adopted without opposition. Representative Holliman then moved for a favorable report for the PCS of Senate Bill 1244, unfavorable as to the original bill. Seeing no further debate, Chairwoman Howard called the motion to a vote and it carried.

Chairwoman Howard then recognized Representative Wainwright to explain the next bill considered by the Committee: HB 1427 – AMEND SHELLFISH LAWS (see **attachment 8**). The Committee first considered this bill at its June 29, 2004 meeting. It was passed at that meeting by the Committee, but due to concerns that arose on the floor of the House the bill was brought

back to Committee in its revised version. Representative Wainwright motioned for the Proposed Committee Substitute to be before the Committee for discussion, it passed without objection. He then explained that the PCS took out the provision requiring fishermen to have a recreational shellfish license, but left everything else in the bill untouched. The Chair recognized Representative Blackwood who proceeded to ask why the bottom shellfish cultivation lease had been reduced from 10 to 5 years. Chairwoman Howard directed the question to Mr. Preston Pate, Director of the North Carolina Division of Marine Fisheries, who explained that the reduction in lease time ensures that people holding the lease are actually successfully cultivating shellfish. The Chair then recognized Representative Glazier who motioned for a favorable report for the PCS of House Bill 1427, unfavorable as to original bill. The motion was brought to a vote and it carried.

The next bill discussed was **HB 1700 – DURHAM VEHICLE TAX SUNSET EXTENDED/USES** (see **attachment 9**). Chairwoman Howard then proceeded to recognize Representative G. Allen who motioned for the Proposed Committee Substitute for House Bill 1700 to be before the Committee for discussion. The motion carried without objection. The Chair then recognized Representative Miller who explained that the bill repeals the sunset on the City of Durham vehicle tax and the purposes for which the funds generated by the tax may be used. Chairwoman Howard then recognized Representative Luebke who motioned for a favorable report for the PCS for House Bill 1700, unfavorable as to the original bill. Seeing no further debate on the matter, the Chair brought the motion to a vote and it carried.

As the final bill on the agenda, Chairwoman Howard called upon Senator Hartsell to explain **SB 1315 – CABARRUS BOARD OF EQUALIZATION AND REVIEW** (see **attachment 10**). Representative Weiss moved that the PCS for SB 1315 be adopted for the purposes of discussion and that motion carried without objection. The Chair then recognized Senator Hartsell who briefly stated that the bill would set up a year-round board of equalization that would regulate taxes in Cabarrus County. Chairwoman Howard then recognized Representative Glazier who moved for a favorable report for the Proposed Committee Substitute of Senate Bill 1315, unfavorable as to original bill. Chairwoman Howard then called the motion to a vote and the motion carried.

Having no further business before the Committee, Chairwoman Howard adjourned the meeting at 9:39 am.

Respectfully submitted,

Representative Julia Howard

HOUSE BILL 1343*
PROPOSED COMMITTEE SUBSTITUTE H1343-CSSVf-58 [v.5]

7/6/2004 5:09:09 PM

Short Title: Moped ID Tags. (Public)

Sponsors:

Referred to:

May 10, 2004

A BILL TO BE ENTITLED

AN ACT TO REQUIRE MOPED IDENTIFICATION TAGS, TO AUTHORIZE THE ESTABLISHMENT OF A PRIVATE MOPED REGISTRATION SYSTEM, TO AUTHORIZE MOPED DEALERS TO CHARGE A ONE-TIME FEE TO PURCHASERS OF NEW AND USED MOPEDS, AND TO ESTABLISH A PENALTY FOR FAILURE TO COMPLY WITH THE REGISTRATION OR DISPLAY REQUIREMENTS.

The General Assembly of North Carolina enacts:

SECTION 1. Article 3 of Chapter 20 of the General Statutes is amended by adding a new Part to read:

"Part 3B. Moped Identification Tags.

"**§ 20-71.6. Moped identification tags.**

(a) Tags Required. – Every moped, as defined in G.S. 105-164.3 and operated in the State, shall display a permanent identification tag. The tag must display information for identification and enforcement purposes and be approved by the Commissioner.

(b) Duties of Moped Dealer. – A moped dealer shall attach the approved tag to each moped sold by the dealer in this State. The moped dealer shall collect a one-time only fee from the purchaser of a new moped or a used moped that does not have an identification tag in the amount established by the North Carolina Motorcycle Dealers Association pursuant to this section. Moped dealers shall remit, on a quarterly basis, the proceeds of the fee to the North Carolina Motorcycle Dealers Association. Moped dealers shall also make an effort to promote awareness of the tag requirement.

(c) Fee. – The North Carolina Motorcycle Dealers Association shall establish a fee not to exceed twenty-five dollars ($25.00) to be collected by moped dealers from each purchaser of a new or used moped. The proceeds of the fee shall be used to develop the permanent identification tags, to establish and maintain a moped registration system, and to promote awareness of the tag requirement.

(d) Registration System. – The North Carolina Motorcycle Dealers Association shall establish and maintain a moped registration system identifying moped owners and their corresponding identification tag information. The registration system shall be accessible only to law enforcement and to moped dealers.

(e) Transfer of Ownership. – The identification tag required by subsection (a) of this section shall not be removed upon the transfer of title of a moped. A person who purchases a used moped from a person other than a moped dealer shall register the moped with a moped dealer without having to pay the fee in subsection (c) of this section.

(f) Violations. – A moped dealer who fails to attach a tag to a moped at the time of sale, or a person who operates a moped upon the public highways and streets of this State without displaying the tag, or a person who fails to register a moped as required by this section shall have committed an infraction and shall pay a penalty of twenty-five dollars ($25.00) plus court costs in the sum of fifty dollars ($50.00). Court costs assessed under this section are for the support of the General Court of Justice and shall be remitted to the State Treasurer. Conviction of an infraction under this section has no other consequence.

(g) Reporting Requirement. – The North Carolina Motorcycle Dealers Association shall report annually to the Joint Legislative Transportation Oversight Committee on the collection and expenditure of fees."

SECTION 2. This act becomes effective January 1, 2005 and applies to violations occurring on or after that date.

May 10, 2004

A BILL TO BE ENTITLED

AN ACT TO REQUIRE MOPED IDENTIFICATION TAGS.

The General Assembly of North Carolina enacts:

SECTION 1. Article 3 of Chapter 20 of the General Statutes is amended by adding a new Part to read:

"Part 3B. Moped Identification Tags.

"**§ 20-71.6. Moped identification tags.**

(a) Tags Required. – Every moped, as defined in G.S. 105-164.3 and operated in the State, shall display a permanent identification tag. The tag must display information for identification and enforcement purposes and be approved by the Commissioner.

(b) Duties of Moped Dealer. – A moped dealer shall attach the approved tag to each moped sold by the dealer in this State. The moped dealer may collect a one-time only fee not exceeding twenty-five dollars ($25.00) from the purchaser of the new or used moped. Moped dealers shall make an effort to promote awareness of the tag requirement.

(c) Violations. – A moped dealer who fails to attach a tag to a moped at the time of sale or a person who operates a moped upon the public highways and streets of this State without displaying the tag is guilty of a Class 3 misdemeanor."

SECTION 2. This act becomes effective October 1, 2004.

HOUSE BILL 1343:
Moped ID Tags

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Crawford
Date:	July 7, 2004	**Summary by:**	Trina Griffin
Version:	PCS for 1st Edition		Committee Counsel

SUMMARY: ***House Bill 1343 would require all mopeds to display a permanent identification tag; it would require moped dealers to attach the identification tag to each moped sold by the dealer and to charge a fee not exceeding $25 to purchasers of new and used mopeds; and it would create a Class 3 misdemeanor for failure to comply with the identification tag requirements. The bill would also require moped dealers to promote awareness of the tag requirement.***

The Proposed Committee Substitute makes the following changes:

- ***It requires the North Carolina Motorcycle Dealers Association (Association) to establish and maintain a moped registration system identifying moped owners and their corresponding identification tag information. The information would be accessible only to law enforcement and moped dealers.***
- ***It clarifies that the Association is authorized to establish a fee not exceeding $25 that will be collected by moped dealers from purchasers of new and used mopeds for purposes of developing the tags, establishing and maintaining the registration system, and promoting awareness of the tag requirement.***
- ***It provides that, upon transfer of title, a subsequent purchaser who purchases a moped from a person other than a dealer would be required to register the moped with a dealer without having to pay the fee.***
- ***It changes the penalty for failure to comply with the registration or display requirements from a Class 3 misdemeanor to an infraction.***
- ***It requires the Association to report annually to the Joint Legislative Transportation Oversight Committee on the collection and expenditure of fees.***
- ***It revises the effective date from October 1, 2004 to January 1, 2005.***

CURRENT LAW: A moped is defined as a vehicle that has two or three wheels, no external shifting device, and a motor that does not exceed 50 cubic centimeters piston displacement and cannot propel the vehicle at a speed greater than 30 miles per hour on a level surface. Mopeds are not required to be registered as motor vehicles in this State.

BILL ANALYSIS: House Bill 1343 establishes a private registration system for mopeds and authorizes moped dealers to collect a fee not exceeding $25 from purchasers of new mopeds and used mopeds that do not already have an identification tag. The proceeds of the fee would be remitted to the North Carolina Motorcycle Dealers Association in order to cover the costs of developing the identification tags, establishing and maintaining a registration system, and promoting awareness of the tag requirement.

Specifically, the bill does the following:

- It requires every moped purchased in this State to display an approved permanent identification tag.

- It requires moped dealers to attach the approved tag to each moped sold by the dealer in this State.
- It authorizes moped dealers to collect a one-time fee not exceeding $25 from purchasers of new mopeds and used mopeds that do not have an identification tag and remit the proceeds on a quarterly basis to the NC Motorcycle Dealers Association.
- It requires moped dealers to make efforts to promote awareness of the tag requirement.
- It requires the North Carolina Motor Vehicle Dealers Association to establish and maintain a moped registration system identifying moped owners and their corresponding identification tag information. The registration system would be accessible only to law enforcement and moped dealers.
- It authorizes the North Carolina Motor Vehicle Dealers Association to establish a fee not exceeding $25 to be collected by moped dealers from each purchaser of a new or used moped. The proceeds of the fee are to be used to develop the permanent identification tags, to establish and maintain a moped registration system, and to promote awareness of the tag requirement.
- It requires a person who purchases a used moped from someone other than a moped dealer to register the moped without having to pay the registration fee. The identification tag issued at the time of original purchase would be permanent to the moped, but the subsequent purchaser would be required to provide the required information for purposes of keeping ownership information current in the moped registration system.
- It creates an infraction that carries a $25 penalty plus $50 in court costs for all of the following violations:
    - A dealer who fails to attach the identification tag at the time of sale.
    - A person who operates a moped on the public highways and streets of this State without displaying the tag.
    - A person who fails to register a moped as required.
- It requires the North Carolina Motor Vehicle Dealers Association to report annually to the Joint Legislative Transportation Oversight Committee on the collection and expenditure of fees.

BACKGROUND: The provisions of this bill were added to HB 471 (CDL/DWI Changes) during the 2003 Session. The bill passed the House, but the Senate amended the bill to require a study of the moped identification tag provisions by the Joint Legislative Transportation Oversight Committee. The Committee did not study this issue at any length but heard briefly from the North Carolina Motorcycle Dealers Association, who believe that the tags will help law enforcement identify mopeds and enforce the appropriate law and to track stolen mopeds. In its report to the 2004 General Assembly, the Transportation Oversight Committee recommended the moped identification tag provisions in the same format in which they were referred to the Committee.

FISCAL ANALYSIS MEMORANDUM

[This confidential fiscal memorandum is a fiscal analysis of a draft bill, amendment, committee substitute, or conference committee report that has not been formally introduced or adopted on the chamber floor or in committee. This is not an official fiscal note.]

DATE: July 6, 2004

TO: House Finance Committee

FROM: Richard Bostic
Fiscal Research Division

RE: House Bill 1343-CSSVf-58[v.4]

FISCAL IMPACT

Yes ( ) **No ( )** **No Estimate Available (X)**

	FY 2004-05	FY 2005-06	FY 2006-07	FY 2007-08	FY 2008-09
REVENUES					
Highway Fund	No Fiscal Impact				
General Fund	No Estimate Available*				
Civil Penalty and Forfeiture Fund	No Estimate Available**				

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Joint Legislative Transportation Oversight Committee

EFFECTIVE DATE: This act becomes effective January 1, 2005 and applies to violations occurring on or after that date.

* All court costs paid by those committing an infraction are deposited in the General Fund.
** The $25 infractions penalty is deposited into this fund and given to schools in county where infraction occurred.

BILL SUMMARY: The bill requires a purchaser of a new or used moped to purchase a moped identification tag from a moped dealer for a fee of up to $25. All fee revenue will be remitted to the North Carolina Motorcycle Dealers Association for use in establishing and maintaining a moped registration system. Failure to purchase a moped tag is an infraction with a penalty of $25 and $50 court costs.

ASSUMPTIONS AND METHODOLOGY:
A lobbyist for the North Carolina Motorcycle Dealers Association estimates there are 1,000 mopeds sold each year. If the maximum of $25 is charged per moped tag, then the Association will receive $25,000 a year for its moped identification efforts. None of the tag funds will go into state Highway Fund or Highway Trust Fund.

There is a $25 penalty and $50 court costs for not purchasing the moped tag. The $25 penalty proceeds go to the Civil Penalty and Forfeiture Fund and the court costs are deposited into the state General Fund. There is no estimate of the number of infractions that might occur each year.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE A TAX INCENTIVE FOR AN ADVANCED VEHICLE RESEARCH CENTER IN NORTHAMPTON COUNTY.

The General Assembly of North Carolina enacts:

SECTION 1. Article 3B of Chapter 105 of the General Statutes is amended by adding a new section to read:

"**§ 105-129.16D. Credit for advanced vehicle research center.**

(a) Definitions. – The following definitions apply in this section:

(1) Advanced vehicle research center – A facility designed to conduct transportation research, development, and testing of vehicles using advanced technologies, which may include hybrid and multi-fuel systems, drive-by-wire, intelligent highway, and non-fossil fuel technologies.

(2) Advanced vehicle research entity – An entity chartered to operate an advanced vehicle research center in the State

(3) Related entity – Defined in G.S. 105-130.7A.

(b) Credit. – A taxpayer that contributes cash or property to an advanced vehicle research entity for construction or operation of an advanced vehicle research center is allowed a credit equal to a percentage of the value of the contribution. A contribution is for construction or operation of an advanced vehicle research center if the advanced vehicle research entity receiving the contribution contracts in writing to use the contribution for this purpose and agrees in the contract to repay to the taxpayer, with interest, any part of the contribution not used for this purpose. The credit may not be taken for the year in which the contribution is made but must be taken for the taxable year beginning during the calendar year in which the application for the credit becomes effective as provided in this section.

(c) Amount. – If the center is located in an enterprise tier one area, the amount of the credit is one hundred percent (100%) of the first five hundred thousand dollars ($500,000) in value, fifty percent (50%) of the next five hundred thousand dollars ($500,000) in value, and twenty-five percent (25%) of the remaining value of the contribution. If the center is not located in an enterprise tier one area, the amount of the credit is twenty-five percent (25%) of the value of the contribution.

(d) Limitations. – No credit is allowed to a taxpayer that is a related entity with respect to the advanced vehicle research entity. No credit is allowed to the extent the taxpayer receives anything of value in exchange for the contribution.

(e) Application. – To be eligible for the tax credit provided in this section, the taxpayer must request the credit on an application filed with the Secretary on or before April 15 of the year following the calendar year in which the contribution was made. The Secretary may grant extensions of this deadline, as the Secretary finds appropriate, upon the request of the taxpayer, except that the application may not be filed after September 15 of the year following the calendar year in which the contribution was made. An application is effective for the year in which it is timely filed. The application must be on a form prescribed by the Secretary and must include any supporting documentation that the Secretary may require.

(f) Ceiling. – The total amount of all tax credits allowed to taxpayers under this section for contributions made in a calendar year may not exceed a maximum of five million dollars ($5,000,000). The Secretary of Revenue must calculate the total amount of tax credits requested on the applications filed under this section. If the total amount of tax credits requested for contributions made in a calendar year exceeds the maximum amount, the Secretary must allow a portion of the credits requested by allocating the maximum amount in tax credits in proportion to the size of the credit requested by each taxpayer. If a credit is reduced pursuant to this subsection, the Secretary must notify the taxpayer of the amount of the reduction of the credit on or before December 31 of the year the application was filed. The Secretary's allocations based on applications filed pursuant to this section are final and will not be adjusted to account for credits applied for but not claimed.

(g) Forfeiture – A taxpayer forfeits a credit allowed under this section to the extent the advanced vehicle research entity uses the taxpayer's contribution for any purpose other than construction or operation of an advanced vehicle research center. A taxpayer that forfeits a credit under this section is liable for all past taxes avoided as a result of the credit plus interest at the rate established under G.S. 105-241.1(i), computed from the date the taxes would have been due if the credit had not been allowed. The past taxes and interest are due 30 days after the date the credit is forfeited; a taxpayer that fails to pay the past taxes and interest by the due date is subject to the penalties provided in G.S. 105-236."

SECTION 2. This act is effective for taxable years beginning on or after January 1, 2004, and applies to contributions made on or after July 1, 2004.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 2003

S 2

SENATE BILL 848

Agriculture/Environment/Natural Resources Committee Substitute Adopted 4/22/03

Short Title: Veterinary Bd. Agreements/Impaired Vets. (Public)

Sponsors:

Referred to:

April 3, 2003

A BILL TO BE ENTITLED

AN ACT ALLOWING THE NORTH CAROLINA VETERINARY MEDICAL BOARD TO ENTER INTO AGREEMENTS WITH ORGANIZATIONS THAT HAVE DEVELOPED PROGRAMS FOR IMPAIRED VETERINARY PERSONNEL.

The General Assembly of North Carolina enacts:

SECTION 1. Article 11 of Chapter 90 of the General Statutes is amended by adding a new section to read:

"**§ 90-187.15. Board agreement for programs for impaired veterinary personnel.**

(a) The Board may enter into agreements with organizations that have developed programs for impaired veterinary personnel. Activities to be covered by these agreements may include investigation, review, and evaluation of records, reports, complaints, litigation, and other information about the practices or the practice patterns of veterinary personnel licensed or registered by the Board as these matters may relate to impaired veterinary personnel. Organizations having programs for impaired veterinary personnel may include a statewide supervisory committee or various regional or local components or subgroups.

(b) Agreements authorized under this section shall include provisions for the impaired veterinary personnel organizations to: (i) receive relevant information from the Board and other sources; (ii) conduct any investigation, review, or evaluation in an expeditious manner; (iii) provide assurance of confidentiality of nonpublic information and of the process; (iv) make reports of investigations and evaluations to the Board; and (v) implement any other related activities for operating and promoting a coordinated and effective process. The agreement shall include provisions assuring basic due process for veterinary personnel who become involved.

(c) Organizations entering into agreements with the Board shall establish and maintain a program for impaired veterinary personnel licensed or registered by the Board for the purpose of identifying, reviewing, and evaluating the ability of those

veterinarians or veterinary technicians to function as veterinarians or veterinary technicians and provide programs for treatment and rehabilitation. The Board may provide funds for the administration of these impaired veterinary personnel peer review programs. The Board may adopt rules pursuant to Chapter 150B of the General Statutes to apply to the operation of impaired veterinary personnel programs, with provisions for: (i) definitions of impairment; (ii) guidelines for program elements; (iii) procedures for receipt and use of information of suspected impairment; (iv) procedures for intervention and referral; (v) arrangements for monitoring treatment, rehabilitation, posttreatment support, and performance; (vi) reports of individual cases to the Board; (vii) periodic reporting of statistical information; (viii) assurance of confidentiality of nonpublic information and of the process; and (ix) other necessary measures.

(d) Upon investigation and review of a veterinarian licensed by the Board or a veterinary technician registered with the Board, or upon receipt of a complaint or other information, an impaired veterinary personnel organization that enters into an agreement with the Board shall report to the Board detailed information about any veterinarian licensed or veterinary technician registered by the Board if:

(1) The veterinarian or veterinary technician constitutes an imminent danger to the public, to patients, or to himself or herself.

(2) The veterinarian or veterinary technician refuses to cooperate with the program, refuses to submit to treatment, or is still impaired after treatment and exhibits professional incompetence.

(3) It reasonably appears that there are other grounds for disciplinary action.

(e) Any confidential information or other nonpublic information acquired, created, or used in good faith by an impaired veterinary personnel organization or the Board regarding a participant pursuant to this section shall remain confidential and shall not be subject to discovery or subpoena in a civil case, nor subject to disclosure as a public document by the Board pursuant to Chapter 132 of the General Statutes. No person participating in good faith in an impaired veterinary personnel program developed under this section shall be required in a civil case to disclose any information, including opinions, recommendations, or evaluations, acquired or developed solely in the course of participating in the program.

(f) Impaired veterinary personnel activities conducted in good faith pursuant to any program developed under this section shall not be grounds for civil action under the laws of this State, and the activities are deemed to be State directed and sanctioned and shall constitute "State action" for the purposes of application of antitrust laws."

SECTION 2. This act is effective when it becomes law.

SENATE BILL 848 (PCS): Advanced Vehicle Research Center

BILL ANALYSIS

Committee: House Finance
Date: July 6, 2004
Version: Draft

Sponsor: Sen. Gulley
Analysis by: Martha H. Harris
Staff Attorney

SUMMARY: The proposed House Committee Substitute for SB 848 deletes the original contents of the bill and adds a franchise or income tax credit for contributions made to an advanced vehicle research center, effective for contributions made on or after July 1, 2004.

This bill would add a new tax credit to Article 3B of Chapter 105 of the General Statutes. This credit would be for contributions by unrelated parties to an advanced vehicle research center for construction or operation of the center. An advanced vehicle research center is a facility for research and development of advanced technology vehicles. A contribution is eligible for the credit to the extent the taxpayer receives nothing of value in exchange.

The amount of the credit depends on the location of the research center. If the center is in tier one, the taxpayer would receive a 100% credit for the first $500,000 contributed. The taxpayer would receive 50% of the next $500,000 contributed and 25% of any excess contributed. If the research center is not in tier one, the credit is 25% of the amount contributed.

Like the other credits in Article 3B , the new credit may be claimed against income tax or franchise tax. The credit is allowed to individuals, partnerships, corporations, and LLCs. The general law provides that a pass-through entity (partnership, S corporation, LLC) may pass the credit through to its partners/members in proportion to the ownership share of each.

The credit is limited to 50% of the amount of tax liability against which it is claimed. Any excess may be carried forward for up to five years. Article 3B is set to sunset January 1, 2006.

The new credit would be subject to an annual ceiling of $5 million on the amount of credits that can be taken by all taxpayers combined. The amount of any carryforwards from a previous year is not included in determining whether the ceiling has been reached. If the amount claimed by all taxpayers exceeds the $5 million ceiling, the credit claimed by each taxpayer is reduced proportionally until the total reduced amount does not exceed the ceiling. The administration of this ceiling results in a one-year delay on the tax period for which the credit can be taken. Each taxpayer must apply for the credit in one year and then take the credit in the following year. The delay gives the State time to determine in advance of a taxable year whether the credits claimed for that year will exceed the ceiling and to notify taxpayers of any reduction in the credits claimed in the event the amount claimed by all taxpayers exceeds the ceiling.

REVENUES					
General Fund		(5.0)*	(5.0)*		

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue

EFFECTIVE DATE: This act is effective for taxable years beginning on or after January 1, 2004, and applies to contributions made on or after July 1, 2004. The tax credit sunsets for taxable years beginning on or after January 1, 2006.

* Statutory maximum

BILL SUMMARY: The bill creates a tax credit for contributions of cash or property for the construction and operation of an advanced vehicle research center. If the research center is in a tier one county, the maximum credit per taxpayer is 100% of the first $500,000 donated, 50% of the next $500,000 donated, and 25% of all remaining donations. If the research center is not located in a tier one county, then the credit is capped at 25%. The state will award no more than $5 million in credits each tax year.

ASSUMPTIONS AND METHODOLOGY:
The new tax credit for advanced vehicle research center is limited to tax years 2004 and 2005 by its placement in Article 3B of Chapter 105 of the General Statutes that sunsets on January 1, 2006. Since the application for a tax credit is submitted to the Department of Revenue by April 15 in the year following the calendar year in which the contribution was made, the fiscal impact for tax year 2004 will be in FY 2005-06 and the impact for tax year 2005 will be in FY 2006-07. With a $5 million cap on this tax credit each year, the maximum state General Fund revenue loss due to this tax credit is $10 million over two years.

Ten million dollars is twice what a consultant projected for tax eligible donations. The consulting firm TGI Inc. estimated $5 million from tax credit eligible donations in the project's stage 2 from 2005 until 2010. On the other hand in the project's stage 4, from 2006 to 2013, there is $75.65 million in private funding that is not eligible for the tax credit because of the limitation in proposed G.S.105-129.16D (d) that states "No credit is allowed to the extent the taxpayer receives anything of value in exchange for the contribution".

Will the proposed center receive donations in 2004 and 2005 without the $4 million state appropriation it requested for FY 2004-05? While no decisions are final, the conference committee on the state budget bill has suggested only a $200,000 appropriation for the center. Page 5 of the feasibility study identifies a significant challenge for success is " the need for federal, state, and local assistance in the start-up of the enterprise". The project timetable for the new center includes a $4 million state grant to fund the purchase of 620 acres of land and to begin construction on a 2.5 mile test track. State funds were also to be used to hire 6 personnel. The consultant questioned whether the lack of state support may harm the center's pursuit of $18.35 million in federal funding of facilities in the initial phases of the project.

Utilities and other donors that have an interest in furthering economic development in Northeast North Carolina may take a wait and see attitude until the state and federal government invest in the project. The proposed tax credits may sunset before project viability can be ascertained.

Referred to:

May 24, 2004

A BILL TO BE ENTITLED

AN ACT AUTHORIZING THE NORTH CAROLINA CEMETERY COMMISSION TO INCREASE CERTAIN FEES AND MAKING CLARIFYING CHANGES UNDER THE NORTH CAROLINA CEMETERY ACT.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 65-54 reads as rewritten:

"**§ 65-54. Annual budget of Commission; collection of funds.**

The Commission shall prepare an annual budget and shall collect the sums of money required for this budget from yearly fees and from any other sources provided in this Article. On or before July 1 of each year, each licensed cemetery shall pay a license fee to be set by the Commission in an amount not to exceed ~~three hundred dollars ($300.00).~~six hundred dollars ($600.00). In addition, each licensed cemetery shall pay to the Commission an inspection fee for each grave space, niche, or mausoleum crypt ~~sold~~ when the certificate of interment right is issued and shall pay a fee for each vault, ~~niche,~~ belowground crypt, ~~mausoleum crypt,~~ memorial, or opening and closing of a grave space that is included in a preneed cemetery contract. The inspection fee for each grave space, niche, or mausoleum crypt is payable when the ~~item is sold~~certificate of interment right is issued and may not exceed ~~two dollars ($2.00).~~four dollars ($4.00). The fee for each of the listed items that are included in a preneed cemetery contract is payable when the contract is made and may not exceed ~~five dollars ($5.00).~~ten dollars ($10.00)."

SECTION 2. G.S. 65-55(c) reads as rewritten:

"(c) Upon receipt of the application and filing fee ~~of eight hundred dollars ($800.00),~~to be set by the Commission in an amount not to exceed one thousand six hundred dollars ($1,600), the Commission shall cause an investigation to be made to establish the following criteria for approval of the application:

(1) The creation of a legal entity to conduct cemetery business, and its proposed financial structure.

(2) A perpetual care trust fund agreement, with an initial deposit of not less than fifty thousand dollars ($50,000) and with a bank cashier's check or certified check attached for the amount made payable to the trustee. The trust fund agreement must be executed by the applicant, accepted by the trustee, and conditioned only upon approval of the application.

(3) A plat of the land to be used for the cemetery, showing the location of the cemetery and the access roads to the cemetery.

(4) Designation by the legal entity wishing to establish a cemetery of a general manager. The general manager must be a person of good moral character and have at least one year's experience in cemeteries.

(5) Development plans sufficient to ensure the community that the cemetery will provide adequate cemetery services and that the property is suitable for use as a cemetery."

SECTION 3. G.S. 65-57(c) reads as rewritten:

"(c) The application shall be accompanied by an initial filing fee ~~of four hundred dollars ($400.00)~~to be set by the Commission in an amount not to exceed one thousand dollars ($1,000) for cemetery sales organization and cemetery management organization and an initial filing fee ~~of two hundred dollars ($200.00)~~to be set by the Commission in an amount not to exceed five hundred dollars ($500.00) for a cemetery broker. If ninety percent (90%) or more of the applicant is owned by an existing cemetery company operating under the North Carolina Cemetery Act, then the initial filing fee shall be one half of the sums set out herein. On or before July 1 of each year, each licensed cemetery sales organization, cemetery management organization, or cemetery broker shall pay a license renewal fee ~~of one hundred dollars ($100.00)~~to be set by the Commission in an amount not to exceed six hundred dollars ($600.00) per year."

SECTION 4. G.S. 65-58(c) reads as rewritten:

"(c) The application shall be accompanied by a filing fee ~~of fifteen dollars ($15.00)~~to be set by the Commission in an amount not to exceed one hundred dollars ($100.00) to cover the expenses of processing and investigation. After processing and ~~investigation~~ investigation, the Commission shall grant, or refuse to grant, the license applied for. The ~~annual~~ license fee for a two-year term shall be set by the Commission but shall not exceed ~~ten dollars ($10.00).~~one hundred dollars ($100.00)."

SECTION 5. G.S. 65-59 reads as rewritten:

"§ 65-59. Application for a change of control; filing fee.

A person who proposes to acquire control of an existing cemetery company, whether by purchasing the capital stock of the company, purchasing an owner's interest in the company, or otherwise acting to effectively change the control of the company, shall first make application on a form supplied by the Commission for a certificate of approval of the proposed change of control. The application shall contain the name and address of each proposed new owner. The Commission shall issue a certificate of approval only after it determines that the proposed new owners are qualified by character, experience, and financial responsibility to control and operate the cemetery company in a legal and proper manner, and that the interest of the public generally will

not be jeopardized by the proposed change in control. An application for approval of a change of control must be completed and accompanied by a filing fee ~~of two hundred dollars ($200.00).~~to be set by the Commission in an amount not to exceed one thousand six hundred dollars ($1,600)."

SECTION 6. G.S. 65-63 reads as rewritten:

"**§ 65-63. Requirements for perpetual care fund.**

A cemetery company may not cause or permit advertising of a perpetual care fund in connection with the sale or offer for sale of its property unless the amount deposited in the fund is at least ~~forty dollars ($40.00)~~one hundred dollars ($100.00) or ten percent (10%) of the retail sale price, whichever is greater, per grave space, niche, or mausoleum crypt sold. Nothing may prohibit an individual cemetery from requiring a perpetual care deposit for grave memorial markers to be deposited in the perpetual care fund so long as the same assessment is uniformly applied to all grave memorial markers installed in the cemetery."

SECTION 7. G.S. 65-64(a) reads as rewritten:

"(a) Deposits to the care and maintenance trust fund must be made by the cemetery company holding title to the subject cemetery lands on or before the last day of the calendar month following the calendar month in which final payment is received as provided herein; however the entire amount required to be deposited into the fund shall be paid within four years from the date of any contract requiring such payment regardless of whether all amounts have been received by the cemetery company. If the cemetery company fails to make timely deposit, the Commission may levy and collect ~~a penalty~~a late filing fee of one dollar ($1.00) per day for each day the deposit is delinquent on each grave space, niche or mausoleum crypt sold. The care and maintenance trust fund shall be invested and reinvested by the trustee in the same manner as provided by law for the investment of other trust funds by the clerk of the superior court except that such investments may be made through means of a common trust fund as described in G.S. 36A-90; provided, further, that cemetery trust funds held in a fund designated as Trust Fund "A" pursuant to G.S. 65-64(e) may be invested and reinvested in accordance with G.S. 36A-2. The fees and other expenses of the trust fund shall be paid by the trustee from the net income thereof and may not be paid from the corpus. To the extent that the said net income is not sufficient to pay such fees and other expenses, the same shall be paid by the cemetery company."

SECTION 8. G.S. 65-64(b) reads as rewritten:

"(b) When a municipal, church-owned or fraternal cemetery converts to a private cemetery as defined in G.S. 65-48, then said cemetery shall establish and maintain a care and maintenance trust fund pursuant to this section; provided, however, the initial deposit for establishment of this trust fund shall be an amount equal to ~~ten dollars ($10.00)~~fifty dollars ($50.00) per space for all spaces either previously sold or contracted for sale in said cemetery at the time of conversion or ~~twenty-five thousand dollars ($25,000),~~fifty thousand dollars ($50,000), whichever sum is greater."

SECTION 9. G.S. 65-66(l) reads as rewritten:

"(l) If any report is not received within the time stipulated by the Commission or herein, the Commission may levy and collect ~~a penalty~~a late filing fee of twenty-five dollars ($25.00) per ~~day for each day~~ month for each month of delinquency."

SECTION 10. This act is effective when it becomes law.

SENATE BILL 1244:
Amend NC Cemetery Act/Increase Fees

BILL ANALYSIS

Committee: House Finance
Date: July 6, 2004
Version: 2nd Edition

Introduced by: Sen Hoyle
Summary by: Cindy Avrette
Committee Counsel

SUMMARY: ***Senate Bill 1244 gives the North Carolina Cemetery Commission the authority to increase several of its fees and it increases the amounts that must be deposited into care and maintenance trust funds.***

BILL ANALYSIS: Senate Bill 1244 the North Carolina Cemetery Commission the authority to increase the following fees:

	Current Fee Authority	Proposed Fee Authority
Annual renewal fee for licensed cemeteries	Up to $300	Up to $600
Inspection fee for each grave space, niche, or mausoleum crypt	Up to $2 for each grave space, niche, or mausoleum crypt when sold	Up to $4 for each grave space, niche, or mausoleum crypt when the certificate of interment right is issued
Inspection fee for each vault, belowground crypt, memorial, or opening and closing of a grave space included in a preneed cemetery contract	Up to $5	Up to $10
Initial application and filing fee for cemetery company	Up to $800	Up to $1,600
Initial application and filing fee for cemetery sales organizations and cemetery management organizations	$400	Up to $1,000
Initial application and filing fee for cemetery brokers	$200	Up to $500
Annual renewal fee for cemetery sales organizations, cemetery management organizations, and cemetery brokers	$100	Up to $600
Initial application and filing fee for persons selling preneed grave space	$15	Up to $100

	Current Fee Authority	Proposed Fee Authority
Biennial renewal fee for persons selling preneed grave space	Up to $10	Up to $100
Application and filing fee for approval of a change of control	Up to $200	Up to $1,600

To increase a current fee amount, the North Carolina Cemetery Commission will have to go through the administrative rules process. In addition to the notice and public comment provided for under the administrative rules process, the Commission will also have to appear before the Joint Legislative Commission on Governmental Operations before an increased fee amount may become effective.

Senate Bill 1244 also increases the amounts that must be deposited into a care and maintenance trust fund:

	Current deposit amount	Proposed deposit amount
Perpetual Care Fund	At least $40 per grave space, niche, or mausoleum crypt sold	At least $100 or 10% of the retail sale price, whichever is greater
Initial deposit amount of a care and maintenance trust fund when a municipal, church-owned, or fraternal cemetery converts to a private cemetery	$10 per space for all spaces previously sold or contracted for sale at the time of conversion or $25,000, whichever is greater	$50 per space for all spaces previously sold or contracted for sale at the time of conversion or $50,000, whichever is greater

Cemetery companies must make timely deposits to the care and maintenance trust fund. Under current law, a cemetery company that fails to make a timely deposit is subject to a penalty of $1.00 per day for each day the deposit is delinquent. Likewise, a cemetery company that fails to file timely annual financial reports of the trust funds with the North Carolina Cemetery Commission is subject to a penalty of $25 per day for each day of delinquency. Under Article IX, Sec. 7 of the North Carolina Constitution, the clear proceeds of all penalties must be credited to the county's school fund.

The Cemetery Commission incurs additional expenses when a person fails to submit deposits and reports in a timely fashion. Currently, this expense is borne by the Commission through the general licensing revenues. Senate Bill 1244 seeks to help the Commission recover its additional expenses from the person who creates the need for the expense by eliminating the current penalty provisions and replacing them with a late filing fee. The bill also changes the late fee for failure to file timely financial reports from $25 a day to $25 a month.

EXPENDITURES					
POSITIONS: (cumulative)					

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: North Carolina Cemetery Commission

EFFECTIVE DATE: This act is effective when it becomes law.

BILL SUMMARY: The proposed legislation authorizes the North Carolina Cemetery Commission to increase the cap on certain fees and makes clarifying changes to the North Carolina Cemetery Act.

ASSUMPTIONS AND METHODOLOGY: The North Carolina Cemetery Commission is one of the boards and commissions given administrative support through the Department of Commerce. The principal purpose of the Commission is to regulate and supervise the activities of the for-profit cemetery industry under the laws of North Carolina. The Commission is receipt-supported and receives no state General Fund appropriation.

The proposed bill affects twelve fees administered by the North Carolina Cemetery Commission. Most of the changes affect the cap associated with a fee, thus the exact amount of additional revenue generated cannot be estimated. Currently, the Commission has a negative fund balance, thus the fee increases are necessary for ongoing operations. The Commission will be monitoring its statutory regulations and associated revenues, and the fee caps should be valid for many years.

The fees will affect licensed cemeteries, cemetery sales organizations, cemetery management organizations, cemetery brokers, and cemetery salespeople. The number of licensed cemeteries has remained constant for the past four to five years, while the number of cemetery salespeople has been trending slightly downward for the past several years. The table below shows the number of these organizations currently in North Carolina.

Cemetery Organization	Number in NC
Licensed cemeteries	175
Cemetery sales organizations	2
Cemetery management organizations	1
Cemetery brokers	1
Cemetery salespeople	~600

The proposed changes in fee caps will be:

Service	Impacted	Current Fee Cap	Proposed Fee Cap
Annual license fee	Licensed cemeteries	$300	$600
Inspection fee when the certificate of interment right is issued	Licensed cemeteries	$2	$4
Inspection fee for a preneed cemetery contract	Licensed cemeteries	$5	$10
Application and filing fee	Licensed cemetery applicants	$800	$1600
Application and filing fee	Licensed cemetery sales and management organization applicants	$400	$1000
Application and filing fee	Licensed cemetery broker applicants	$200	$500
Annual license renewal fee	Licensed cemetery sales or management organizations and cemetery brokers	$100	$600
Application and filing fee	Cemetery salespeople applicants	$15	$100
Annual license fee	Cemetery salespeople	$10 / 1 yr	$100 / 2 yrs
Application and filing fee	Change of control applicants	$200	$1600

The North Carolina Cemetery Commission Board has rule-making authority to set the fees within the caps laid out in state statute. **The Commission does not intend to increase all of the fees associated with the proposed legislation, nor will they increase any of the fees to their new caps.** The table below indicates those fees that may be changed during 2004 as a result of the statutory modifications.

Service	Impacted	Proposed Fee	Additional Revenue Generated
Annual license fee	Licensed cemeteries	$350	$8750
Application and filing fee	Licensed cemetery applicants	max of $1600	max of $1600 (one new cemetery expected)
Application and filing fee	Licensed cemetery sales and management organization applicants	max of $1000	0
Application and filing fee	Licensed cemetery broker applicants	max of $500	0
Annual license renewal fee	Licensed cemetery sales or management organizations and cemetery brokers	max of $600	max of $2000
Application and filing fee	Cemetery salespeople applicants	max of $100	cannot estimate
Annual license fee	Cemetery salespeople	$50 / 2 yrs	$24,000
Application and filing fee	Change of control applicants	max of $1600	0

The proposed legislation also increases the fee for the legal advertisement of a perpetual care fund in connection with the sale of cemetery property. Currently the fund must have $40 per grave space, niche, or mausoleum crypt sold deposited in it, while the proposed change would increase the amount deposited to $100 or 10% of the sale price per grave space, niche, or mausoleum crypt sold, whichever is greater. If a municipal, church-owned or fraternal cemetery converts to a private cemetery they must currently initially deposit $10 per space or $25,000, whichever is greater, for the establishment of a care and maintenance trust fund. The proposed change would increase the amount deposited to $50 per space or $50,000, whichever is greater. The funds in these instances go neither to the Cemetery Commission nor the owner of the cemetery, but rather to a trust fund for the perpetual care of the cemetery.

The proposed legislation also changes two penalties to administrative fees, leaving the amounts unchanged. If a cemetery company is delinquent on deposits to the perpetual care trust fund, the Commission may assess $1 per day for each grave space, niche or mausoleum crypt sold. If a cemetery company is delinquent on providing reports on their business and financial status, the Commission may assess a late filing fee $25 per month. These penalties have not been assessed in the past, thus the local school boards will see no decrease in revenue.

Short Title: Amend Shellfish Laws. (Public)

Sponsors:

Referred to:

May 13, 2004

A BILL TO BE ENTITLED

AN ACT TO AMEND THE STATUTES GOVERNING THE CULTIVATION OF SHELLFISH AND TO AUTHORIZE THE MARINE FISHERIES COMMISSION TO STUDY ISSUES RELATED TO THE CULTIVATION OF SHELLFISH.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 113-201 reads as rewritten:

"**§ 113-201. ~~Authority~~ Legislative findings and declaration of policy; authority of Marine Fisheries Commission.**

(a) The General Assembly finds that shellfish cultivation provides increased seafood production and long-term economic and employment opportunities. The General Assembly also finds that shellfish cultivation provides increased ecological benefits to the estuarine environment by promoting natural water filtration and increased fishery habitats. The General Assembly declares that it is the policy of the State to encourage the development of private, commercial shellfish cultivation in ways that are compatible with other public uses of marine and estuarine resources such as navigation, fishing, and recreation.

(b) The Marine Fisheries Commission is empowered to make rules and take all steps necessary to develop and improve the cultivation, harvesting, and marketing of shellfish in North Carolina both from public grounds and private beds.

(c) The Marine Fisheries Commission shall adopt rules to establish training requirements for persons applying for new shellfish cultivation leases. These training requirements shall be designed to encourage the productive use of shellfish cultivation leases. Training requirements established pursuant to this subsection shall not apply to an applicant who applies for a new shellfish cultivation lease if, at the time of the application, the applicant holds one or more shellfish cultivation leases and all of the leases meet the shellfish production requirements established by the Marine Fisheries Commission."

SECTION 2. G.S. 113-202(d) reads as rewritten:

"(d) Any person desiring to apply for a lease must make written application to the Secretary on forms prepared by the Department containing such information as deemed necessary to determine the desirability of granting or not granting the lease requested. Except in the case of renewal leases, the application must be accompanied by a map or diagram made at the expense of the applicant, showing the area proposed to be leased.

(d1) The map or diagram must conform to standards prescribed by the Secretary concerning accuracy of map or diagram and the amount of detail that must be shown. If on the basis of the application information and map or diagram the Secretary deems that granting the lease would benefit the shellfish culture of North Carolina, the Secretary, in the case of initial lease applications, must order an investigation of the bottom proposed to be leased. The investigation is to be made by the Secretary or his authorized agent to determine whether the area proposed to be leased is consistent with the standards in subsection (a) of this section and any other applicable standards under this Article and the rules of the Marine Fisheries Commission. In the event the Secretary finds the application inconsistent with the applicable standards, the Secretary shall deny the application or propose that a conditional lease be issued that is consistent with the applicable standards. In the event the Secretary authorizes amendment of the application, the applicant must furnish a new map or diagram meeting requisite standards showing the area proposed to be leased under the amended application. At the time of making application for an initial lease, the applicant must pay a filing fee of ~~one hundred dollars ($100.00).~~two hundred dollars ($200.00)."

SECTION 3. G.S. 113-202(j) reads as rewritten:

"(j) Initial leases begin upon the issuance of the lease by the Secretary and expire at noon on the first day of ~~April~~ July following the ~~tenth~~ fifth anniversary of the granting of the lease. Renewal leases are issued for a period of ~~10~~ five years ~~effective~~ from the time of expiration of the previous lease. At the time of making application for renewal of a lease, the applicant must pay a filing fee of ~~fifty dollars ($50.00).~~one hundred dollars ($100.00). The rental for initial leases is one dollar ($1.00) per acre for all leases entered into before July 1, 1965, and for all other leases until noon on the first day of ~~April~~ July following the first anniversary of the lease. Thereafter, for initial leases entered into after July 1, 1965, and from the beginning for renewals of leases entered into after ~~said~~ that date, the rental is ~~five dollars ($5.00)~~ten dollars ($10.00) per acre per year. Rental must be paid annually in advance prior to the first day of April each year. Upon initial granting of a lease, the pro rata amount for the portion of the year left until the first day of ~~April~~ July must be paid in advance at the rate of one dollar ($1.00) per acre per year; then, on or before the first day of April next, the lessee must pay the rental for the next full year."

SECTION 4. G.S. 113-202(l) reads as rewritten:

"(l) Upon receipt of notice by the Secretary of any of the following occurrences, he must commence action to terminate the leasehold:

(1) Failure to pay the annual rent in advance.

(2) Failure to file information required by the Secretary upon annual remittance of rental or filing false information on the form required to accompany the annual remittance of rental.
(3) Failure by new owner to report a transfer of beneficial ownership of all or any portion of or interest in the leasehold.
(4) Failure to mark the boundaries in the leasehold and to keep them marked as required in the rules of the Marine Fisheries Commission.
(5) Failure to utilize the leasehold on a continuing basis for the commercial production of shellfish.
(6) Transfer of all or part of the beneficial ownership of a leasehold to a nonresident.
(7) Substantial breach of compliance with the provisions of this Article or of rules of the Marine Fisheries Commission governing use of the leasehold.
(8) Failure to comply with the training requirements established by the Marine Fisheries Commission pursuant to G.S. 113-201(c).

(11) The Marine Fisheries Commission is authorized to make rules defining commercial production of shellfish, based upon the productive potential of particular areas climatic or biological conditions at particular areas or particular times, availability of seed shellfish, availability for purchase by lessees of shells or other material to which oyster spat may attach, and the like. Commercial production may be defined in terms of planting effort made as well as in terms of quantities of shellfish harvested. Provided, however, that if a lessee has made a diligent effort to effectively and efficiently manage his lease according to accepted standards and practices in such management, and because of reasons beyond his control, such as acts of God, such lessee has not and cannot meet the requirements set out by the Marine Fisheries Commission under the provisions ~~of this paragraph~~ of this subsection, his leasehold shall not be terminated under subdivision (5) of ~~this subsection.~~subsection (l) of this section."

SECTION 5. G.S. 113-202.1(d) reads as rewritten:

"(d) Amendments of shellfish cultivation leases to authorize use of the water column are issued for a period of five years or the remainder of the term of the lease, whichever is shorter. The annual rental for ~~an initial~~a new or renewal water column amendment is one hundred dollars ($100.00) an ~~acre for each of the first four years for which the amendment is issued and five hundred dollars ($500.00) an acre for the fifth year for which the amendment is issued. The annual rental for a renewed water column amendment is five hundred dollars ($500.00) an~~ acre. If ~~a year for which~~ a water column amendment is issued ~~is~~ for less than a 12-month period, the rental ~~for that year~~ shall be prorated based on the number of months remaining in the year. The annual rental for an amendment is payable at the beginning of the year. The rental is in addition to that required in G.S. 113-202."

SECTION 6. The Marine Fisheries Commission may study whether and how to establish a process by which shellfish cultivation leases that are terminated pursuant to G.S. 113-202(l) may be leased to an applicant for a shellfish cultivation lease without the leasehold reverting to public bottom. If the Commission conducts a

study pursuant to this section, it shall report its findings, recommendations, and legislative proposals, if any, to the Joint Legislative Commission on Seafood and Aquaculture no later than December 1, 2004.

SECTION 7. The Marine Fisheries Commission may study issues related to the corporate ownership of shellfish cultivation leases. If the Commission conducts a study pursuant to this section, it shall report its findings, recommendations, and legislative proposals, if any, to the Joint Legislative Commission on Seafood and Aquaculture no later than December 1, 2004.

SECTION 8. Sections 1, 4, 6, 7, and 8 of this act are effective when this act becomes law. Sections 2, 3, and 5 of this act become effective July 1, 2005.

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH A RECREATIONAL SHELLFISH LICENSE, TO AMEND THE STATUTES GOVERNING THE CULTIVATION OF SHELLFISH, AND TO AUTHORIZE THE MARINE FISHERIES COMMISSION TO STUDY ISSUES RELATED TO THE CULTIVATION OF SHELLFISH.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 113-168 is amended by adding a new subdivision to read:

"(7a) 'RSL' means Recreational Shellfish License."

SECTION 2. G.S. 113-168.1(a) reads as rewritten:

"(a) Duration, Fees. – Except as provided in ~~G.S. 113-173(f),~~G.S. 113-173(f) and G.S. 113-174(e), all licenses and endorsements issued under this Article expire on the last day of the license year. An applicant for any license or endorsement shall pay the full annual fee at the time the applicant applies for the license or endorsement regardless of when application is made."

SECTION 3. G.S. 113-168.1(f) reads as rewritten:

"(f) License Issuance and Renewal. – Except as provided in ~~G.S. 113-173(d),~~G.S. 113-173(d) and G.S. 113-174(c), the Division shall issue licenses and endorsements under this Article to eligible applicants at any office of the Division or by mail from the Morehead City office of the Division. A license or endorsement may be renewed in person at any office of the Division or by mail to the Morehead City office of the Division. Eligibility to renew an expired SCFL shall end one year after the date of expiration of the SCFL."

SECTION 4. G.S. 113-169.2 reads as rewritten:

"**§ 113-169.2. Shellfish license for North Carolina residents without a SCFL.**

(a) ~~License or Endorsement Necessary to Take or Sell Shellfish.~~ Requirement. – It is unlawful for an individual to take shellfish from the public or private grounds of the State ~~by mechanical means or in quantities greater than the personal use limits set forth in subsection (i) of this section by any means~~ as part of a commercial fishing

operation without holding either a shellfish license or a shellfish endorsement of a SCFL. A North Carolina resident who seeks only to take and sell shellfish shall be eligible to obtain a shellfish license without holding a SCFL. The shellfish license authorizes the licensee to sell shellfish.

(b) Repealed by Session Laws 1998-225, s. 4.17.

(c) Fees. – Shellfish licenses shall be issued annually upon payment of a fee of twenty-five dollars ($25.00) upon proof that the license applicant is a North Carolina resident.

~~(d) License Available for Inspection. – It is unlawful for any individual to take shellfish in quantities greater than the personal use limits set forth in subsection (i) of this section from the public or private grounds of the State without having ready at hand for inspection a current and valid shellfish license issued to the licensee personally and bearing the licensee's correct name and address. It is unlawful for any individual taking or possessing freshly taken shellfish to refuse to exhibit the individual's license upon the request of an officer authorized to enforce the fishing laws.~~

(e) Repealed by Session Laws 1998-225, s. 4.17.

(f) Name or Address Change. – In the event of a change in name or address or upon receipt of an erroneous shellfish license, the licensee shall, within 30 days, apply for a replacement shellfish license bearing the correct name and address. Upon a showing by the individual that the name or address change occurred within the past 30 days, the trial court or prosecutor shall dismiss any charges brought pursuant to this subsection.

(g) Transfer Prohibited. – It is unlawful for an individual issued a shellfish license to transfer or offer to transfer the license, either temporarily or permanently, to another. It is unlawful for an individual to secure or attempt to secure a shellfish license from a source not authorized by the Commission.

(h) Exemption. – Persons under 16 years of age are exempt from the license requirements of this section if accompanied by a parent, grandparent, or guardian who is in compliance with the requirements of this section or if in possession of a parent's, ~~grandparent's~~ grandparent's, or guardian's shellfish license or a parent's, grandparent's, or guardian's shellfish endorsement of a SCFL.

~~(i) Taking Shellfish Without a License for Personal Use.~~

~~(1) A person may take shellfish for personal use without obtaining a license under this section in quantities up to:~~

~~a. One bushel of oysters per day.~~

~~b. One-half bushel of scallops per day.~~

~~c. One hundred clams per day.~~

~~d. Ten conchs per day.~~

~~e. One hundred mussels per day.~~

~~(2) Two or more persons who are using a vessel to take shellfish may take shellfish for personal use without obtaining a license under this section in quantities up to:~~

~~a. Two bushels of oysters per day.~~

~~b. One bushel of scallops per day.~~

~~c. Two hundred clams per day.~~
~~d. Twenty conchs per day.~~
~~e. Two hundred mussels per day.~~"

SECTION 5. G.S. 113-173(j)(4) is repealed.

SECTION 6. Article 14A of Chapter 113 of the General Statutes is amended by adding a new section to read:

"**§ 113-174. Recreational Shellfish License.**

(a) License Required. – Except as provided in subsection (i) of this section, it is unlawful for any person to take or attempt to take shellfish for personal use in coastal fishing waters without holding a RSL. As used in this section, shellfish are taken for personal use if the shellfish are not taken for the purpose of sale. The RSL entitles the licensee to take shellfish for personal use subject to the following possession limits:

(1) A person holding a RSL may take shellfish for personal use in quantities up to:
a. One bushel of oysters per day.
b. One-half bushel of scallops per day.
c. One hundred clams per day.
d. Ten conchs per day.
e. One hundred mussels per day.

(2) Two or more persons, one of whom holds a RSL, who are using a vessel to take shellfish for personal use may take shellfish for personal use in quantities up to:
a. Two bushels of oysters per day.
b. One bushel of scallops per day.
c. Two hundred clams per day.
d. Twenty conchs per day.
e. Two hundred mussels per day.

(b) Sale of Fish Prohibited. – It is unlawful for the holder of a RSL or for a person who is exempt under subsection (i) of this section to sell fish taken under the RSL or pursuant to the exemption.

(c) Purchase; Renewal. – A RSL may be purchased at designated offices of the Division and from a license agent authorized under G.S. 113-172. A RSL may be renewed by mail.

(d) Replacement RSL. – The provisions of G.S. 113-168.1(h) apply to this section.

(e) Duration; Fees. – The RSL shall be valid from the date of purchase until July 1, 2008. The fee for a RSL shall be ten dollars ($10.00).

(f) RSL Available for Inspection. – It is unlawful for any person to take or attempt to take shellfish for personal use in coastal fishing waters without having ready at hand for inspection a valid RSL. A holder of a RSL shall not refuse to exhibit the RSL upon the request of an inspector or any other law enforcement officer authorized to enforce federal or State laws, regulations, or rules relating to marine fisheries.

(g) Assignment and Transfer Prohibited. – A RSL is not transferable. Except as provided in subsection (i) of this section, it is unlawful to buy, sell, lend, borrow, assign,

or otherwise transfer a RSL, or to attempt to buy, sell, lend, borrow, assign, or otherwise transfer a RSL.

(h) Reporting Requirements. – The holder of a RSL shall comply with the biological data sampling and survey programs of the Commission and the Division.

(i) Exemption. – A person who is under 16 years of age may take shellfish for personal use in coastal fishing waters without holding a RSL if the person is accompanied by a parent, grandparent, or guardian who holds a valid RSL or if the person has in the person's possession a valid RSL issued to the person's parent, grandparent, or guardian."

SECTION 7. G.S. 113-201 reads as rewritten:

"**§ 113-201. ~~Authority~~ Legislative findings and declaration of policy; authority of Marine Fisheries Commission.**

(a) The General Assembly finds that shellfish cultivation provides increased seafood production and long-term economic and employment opportunities. The General Assembly also finds that shellfish cultivation provides increased ecological benefits to the estuarine environment by promoting natural water filtration and increased fishery habitats. The General Assembly declares that it is the policy of the State to encourage the development of private, commercial shellfish cultivation in ways that are compatible with other public uses of marine and estuarine resources such as navigation, fishing, and recreation.

(b) The Marine Fisheries Commission is empowered to make rules and take all steps necessary to develop and improve the cultivation, harvesting, and marketing of shellfish in North Carolina both from public grounds and private beds.

(c) The Marine Fisheries Commission shall adopt rules to establish training requirements for persons applying for new shellfish cultivation leases. These training requirements shall be designed to encourage the productive use of shellfish cultivation leases. Training requirements established pursuant to this subsection shall not apply to an applicant who applies for a new shellfish cultivation lease if, at the time of the application, the applicant holds one or more shellfish cultivation leases and all of the leases meet the shellfish production requirements established by the Marine Fisheries Commission."

SECTION 8. G.S. 113-202(d) reads as rewritten:

"(d) Any person desiring to apply for a lease must make written application to the Secretary on forms prepared by the Department containing such information as deemed necessary to determine the desirability of granting or not granting the lease requested. Except in the case of renewal leases, the application must be accompanied by a map or diagram made at the expense of the applicant, showing the area proposed to be leased.

(d1) The map or diagram must conform to standards prescribed by the Secretary concerning accuracy of map or diagram and the amount of detail that must be shown. If on the basis of the application information and map or diagram the Secretary deems that granting the lease would benefit the shellfish culture of North Carolina, the Secretary, in the case of initial lease applications, must order an investigation of the bottom proposed to be leased. The investigation is to be made by the Secretary or his authorized agent to determine whether the area proposed to be leased is consistent with the standards in

subsection (a) of this section and any other applicable standards under this Article and the rules of the Marine Fisheries Commission. In the event the Secretary finds the application inconsistent with the applicable standards, the Secretary shall deny the application or propose that a conditional lease be issued that is consistent with the applicable standards. In the event the Secretary authorizes amendment of the application, the applicant must furnish a new map or diagram meeting requisite standards showing the area proposed to be leased under the amended application. At the time of making application for an initial lease, the applicant must pay a filing fee of ~~one hundred dollars ($100.00).~~two hundred dollars ($200.00)."

SECTION 9. G.S. 113-202(j) reads as rewritten:

"(j) Initial leases begin upon the issuance of the lease by the Secretary and expire at noon on the first day of ~~April~~ July following the ~~tenth~~ fifth anniversary of the granting of the lease. Renewal leases are issued for a period of ~~10~~ five years ~~effective~~ from the time of expiration of the previous lease. At the time of making application for renewal of a lease, the applicant must pay a filing fee of ~~fifty dollars ($50.00).~~one hundred dollars ($100.00). The rental for initial leases is one dollar ($1.00) per acre for all leases entered into before July 1, 1965, and for all other leases until noon on the first day of ~~April~~ July following the first anniversary of the lease. Thereafter, for initial leases entered into after July 1, 1965, and from the beginning for renewals of leases entered into after ~~said~~ that date, the rental is ~~five dollars ($5.00)~~ten dollars ($10.00) per acre per year. Rental must be paid annually in advance prior to the first day of April each year. Upon initial granting of a lease, the pro rata amount for the portion of the year left until the first day of ~~April~~ July must be paid in advance at the rate of one dollar ($1.00) per acre per year; then, on or before the first day of April next, the lessee must pay the rental for the next full year."

SECTION 10. G.S. 113-202(l) reads as rewritten:

"(l) Upon receipt of notice by the Secretary of any of the following occurrences, he must commence action to terminate the leasehold:

(1) Failure to pay the annual rent in advance.

(2) Failure to file information required by the Secretary upon annual remittance of rental or filing false information on the form required to accompany the annual remittance of rental.

(3) Failure by new owner to report a transfer of beneficial ownership of all or any portion of or interest in the leasehold.

(4) Failure to mark the boundaries in the leasehold and to keep them marked as required in the rules of the Marine Fisheries Commission.

(5) Failure to utilize the leasehold on a continuing basis for the commercial production of shellfish.

(6) Transfer of all or part of the beneficial ownership of a leasehold to a nonresident.

(7) Substantial breach of compliance with the provisions of this Article or of rules of the Marine Fisheries Commission governing use of the leasehold.

(8) Failure to comply with the training requirements established by the Marine Fisheries Commission pursuant to G.S. 113-201(c).

(11) The Marine Fisheries Commission is authorized to make rules defining commercial production of shellfish, based upon the productive potential of particular areas climatic or biological conditions at particular areas or particular times, availability of seed shellfish, availability for purchase by lessees of shells or other material to which oyster spat may attach, and the like. Commercial production may be defined in terms of planting effort made as well as in terms of quantities of shellfish harvested. Provided, however, that if a lessee has made a diligent effort to effectively and efficiently manage his lease according to accepted standards and practices in such management, and because of reasons beyond his control, such as acts of God, such lessee has not and cannot meet the requirements set out by the Marine Fisheries Commission under the provisions ~~of this paragraph~~ of this subsection, his leasehold shall not be terminated under subdivision (5) of ~~this subsection.~~subsection (l) of this section."

SECTION 11. G.S. 113-202.1(d) reads as rewritten:

"(d) Amendments of shellfish cultivation leases to authorize use of the water column are issued for a period of five years or the remainder of the term of the lease, whichever is shorter. The annual rental for ~~an initial~~a new or renewal water column amendment is one hundred dollars ($100.00) an ~~acre for each of the first four years for which the amendment is issued and five hundred dollars ($500.00) an acre for the fifth year for which the amendment is issued. The annual rental for a renewed water column amendment is five hundred dollars ($500.00) an~~ acre. If ~~a year for which~~ a water column amendment is issued ~~is~~ for less than a 12-month period, the rental ~~for that year~~ shall be prorated based on the number of months remaining in the year. The annual rental for an amendment is payable at the beginning of the year. The rental is in addition to that required in G.S. 113-202."

SECTION 12. The Marine Fisheries Commission may study whether and how to establish a process by which shellfish cultivation leases that are terminated pursuant to G.S. 113-202(l) may be leased to an applicant for a shellfish cultivation lease without the leasehold reverting to public bottom. If the Commission conducts a study pursuant to this section, it shall report its findings, recommendations, and legislative proposals, if any, to the Joint Legislative Commission on Seafood and Aquaculture no later than December 1, 2004.

SECTION 13. The Marine Fisheries Commission may study issues related to the corporate ownership of shellfish cultivation leases. If the Commission conducts a study pursuant to this section, it shall report its findings, recommendations, and legislative proposals, if any, to the Joint Legislative Commission on Seafood and Aquaculture no later than December 1, 2004.

SECTION 14. Sections 7, 10, 12, 13, and 14 of this act are effective when this act becomes law. Sections 8, 9, and 11 of this act become effective July 1, 2005. Sections 1 through 6 of this act become effective July 1, 2005, and expire July 1, 2008.

Date:	July 7, 2004	**Summary by:**	Jeff Hudson
Version:	Proposed Committee Substitute H1427-CSSB-57 [v.2]		Staff Attorney

SUMMARY: ***The Proposed Committee Substitute for H1427 would direct the Marine Fisheries Commission (MFC) to establish training requirements for shellfish cultivation lease holders, amend the fees for shellfish cultivation leases, and authorize the MFC to study issues related to the cultivation of shellfish. The Joint Legislative Commission on Seafood and Aquaculture recommended H1427.***

BACKGROUND:

The Marine Fisheries Commission (MFC) included a number of recommendations related to the State's shellfish cultivation lease program in its Oyster Fishery Management Plan and in its Hard Clam Fishery Management Plan. These Shellfish Plans included recommendations related to the terms of and fees for shellfish cultivation leases, training requirements for holders of shellfish cultivation leases, and issues related to the termination and corporate ownership of shellfish cultivation leases. The fee increases are based on a 1998 Performance Audit of the Division of Marine Fisheries conducted by the State Auditor that found the fees for bottom shellfish cultivation leases inadequate to cover the processing costs. The fee increases related to bottom leases recommended by the MFC are the same as those recommended by the 1998 Performance Audit. The MFC requested that the Joint Legislative Commission on Seafood and Aquaculture recommend legislation to implement the Shellfish Plan recommendations.

CURRENT LAW AND BILL ANALYSIS:

Shellfish Cultivation Lease Terms and Fees

The following table sets out the current law on the terms of and fees for shellfish cultivation leases and the changes that H1427 would make to the law.

Current Law (G.S. 113-202 and G.S. 113-202.1)	H1427 Change
Length of term of bottom shellfish cultivation lease: 10 years	**Section 3** would decrease the length of the term to 5 years
Initial application filing fee for a bottom shellfish cultivation lease: One hundred dollars ($100.00)	**Section 2** would increase the fee to two hundred dollars ($200.00)
Renewal application filing fee for a bottom shellfish cultivation lease: Fifty dollars ($50.00)	**Section 3** would increase the fee to one hundred dollars ($100.00)
Annual rental fee for a bottom shellfish cultivation lease: Five dollars ($5.00) per acre	**Section 3** would increase the annual fee to ten dollars ($10.00) per acre
Annual rental fee for a water column shellfish cultivation lease: One hundred dollars ($100.00) for the first four years and five hundred dollars ($500.00) per year thereafter	**Section 5** would alter the annual fee structure so that the fee would be one hundred dollars ($100.00) per year for all years

Training Requirements

Under current law, there are no training requirements for persons who hold shellfish cultivation leases.

Section 1 of H1427 would direct the MFC to adopt rules to establish training requirements for persons who apply for shellfish cultivation leases. The training requirements would be designed to encourage the productive use of shellfish cultivation leases. The training requirements would not apply to a person who already holds a shellfish cultivation lease that is meeting shellfish production requirements.

Section 4 would add failure to comply with the training requirements to the list of conditions for which a shellfish cultivation lease may be terminated.

Marine Fisheries Commission Studies

Section 6 authorizes the MFC to study whether and how to establish a process by which shellfish cultivation leases that have been terminated may be leased without reverting to public bottom.

Section 7 authorizes the MFC to study issues related to corporate ownership of shellfish cultivation leases.

EFFECTIVE DATE:

The provisions amending the terms of and fees for shellfish cultivation leases become effective July 1, 2005. All other provisions of this act become effective when the act becomes law.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Environment and Natural, Division of Marine Fisheries.

EFFECTIVE DATE: July 1, 2005

BILL SUMMARY: The Proposed Committee Substitute for H1427 would direct the Marine Fisheries Commission (MFC) to establish training requirements for shellfish cultivation lease holders, amend the fees for shellfish cultivation leases, and authorize the MFC to study issues related to the cultivation of shellfish. The Joint Legislative Commission on Seafood and Aquaculture recommended H1427.

ASSUMPTIONS AND METHODOLOGY:
Revenues

The bill shortens the length of the bottom shellfish cultivation lease from ten years to five years and increases the fees for the initial application for a lease, lease renewals and rental fees for leases. The chart below shows the estimated increase for each lease. The impact on revenue is based on a three-year average of lease purchases.

Current Law (G.S. 113-202 and G.S. 113-202.1)	H1427 Change	Annual Impact on Revenue
Length of term of bottom shellfish cultivation lease: 10 yr.	Section 7 would decrease the length of the term to 5 years	
Initial application filing fee for a bottom shellfish cultivation lease: One hundred dollars ($100.00)	Section 8 would increase the fee to two hundred dollars ($200.00)	$360 (based on a 3-yr. avg. of 3.6 sold)
Renewal application filing fee for a bottom shellfish cultivation lease: Fifty dollars ($50.00)	Section 9 would increase the fee to one hundred dollars ($100.00)	$1,333 (based on a 3-yr. avg. of 26.6 sold)
Annual rental fee for a bottom shellfish cultivation lease: Five dollars ($5.00) per acre	Section 9 would increase the annual fee to ten dollars ($10.00) per acre	$9,683 (based on the number leases currently covered by leases)
Annual rental fee for a water column shellfish cultivation lease: One hundred dollars ($100.00) for the first four years and five hundred dollars ($500.00) per year thereafter	Section 11 would alter the annual fee structure so that the fee would be one hundred dollars ($100.00) per year for all years	-$400 (DMF currently has only one lease that is older than 4 years.)

Expenditures
The costs associated with the bill will be minimal. The bill simply increases the fee amount for three (3) license types and decreases the fee for one (1) license type. The bill also establishes a training requirement for shellfish cultivation leaseholders. The training will be at the leaseholder's expense.

HOUSE BILL 1700:
Durham Vehicle Tax Sunset Repealed/Uses

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	Rep. Miller
Date:	July 6, 2004	**Analysis by:**	Martha Walston
Version:	1st Edition		Committee Counsel

SUMMARY: House Bill 1700 is a local bill that repeals the sunset on the City of Durham vehicle tax and the purposes for which the funds generated by the tax may be used.

BILL ANALYSIS: In S.L. 2003-329, the City of Durham was authorized to increase its general municipal vehicle tax from $5.00 to $10.00 for one year. Any funds generated by the tax of over $5.00 were to be placed in a separate fund for public transportation in the City. The principal could not be spent, and the interest earned on the funds could be expended solely for the purpose of public transportation.

Currently, all municipalities are allowed to charge a general vehicle tax of up to $5.00 and the proceeds of that tax can be used for any lawful purpose. (G.S. 20-97(a))

House Bill 736 repeals the sunset on the municipal vehicle tax and deletes the language stating the purposes for which the funds, generated by the tax , may be spent.

The bill is effective when it becomes law.

PROPOSED HOUSE COMMITTEE SUBSTITUTE S1315-CSLA-72 [v.1]

7/6/2004 12:56:31 PM

Short Title: Cabarrus Board of Equalization and Review. (Local)

Sponsors:

Referred to:

May 25, 2004

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE APPOINTMENT OF A SPECIAL BOARD OF EQUALIZATION AND REVIEW FOR CABARRUS COUNTY.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-322(g) reads as rewritten:

"(g) Powers and Duties. – The board of equalization and review has the following powers and duties:

...

(3) Powers in Carrying Out Duties. – In the performance of its duties under subdivisions (g)(1) and (g)(2), above, the board of equalization and review may exercise the following powers:

a. It may appoint committees composed of its own members or other persons to assist it in making investigations necessary to its work. It may also employ expert appraisers in its discretion. The expense of the employment of committees or appraisers shall be borne by the county. The board may, in its discretion, require the taxpayer to reimburse the county for the cost of any appraisal by experts demanded by the taxpayer if the appraisal does not result in material reduction of the valuation of the property appraised and if the appraisal is not subsequently reduced materially by the board or by the Department of Revenue.

b. The board, in its discretion, may examine any witnesses and documents. It may place any witnesses under oath administered by any member of the board. It may subpoena witnesses or documents on its own motion, and it must do so when a request is made under the provisions of subdivision (g)(2)c, above.

A subpoena issued by the board shall be signed by the chair of the board, directed to the witness or to the person having custody of the document, and served by an officer authorized to serve subpoenas. Any person who willfully fails to appear or to produce documents in response to a subpoena or to testify when appearing in response to a subpoena shall be guilty of a Class 1 misdemeanor.

c. In any year of general reappraisal, the chair of the board may divide the board into two or more separate panels with a minimum of three members each. The board members on each panel may be interchanged during the year. A decision by the panel has the same effect as a decision by the entire board.

...

(5) ~~Duty to Change Abstracts and Records~~Powers After Adjournment. – Following adjournment upon completion of its duties under subdivisions (g)(1) and (g)(2) of this ~~subsection,~~section, the board may continue to meet to carry out the following duties:

a. To hear and decide all appeals relating to discovered property under G.S. ~~105-312(d) and (k).~~105-312.

b. To hear and decide all appeals relating to the appraisal, situs, and taxability of classified motor vehicles under G.S. 105-330.2(b).

c. To hear and decide all appeals relating to audits conducted under G.S. 105-296(j) and relating to audits conducted under G.S. 105-296(j) and (l) of property classified at present-use value and property exempted or excluded from taxation.

d. To hear and decide all appeals relating to personal property under G.S. 105-317.1(c).

e. To exercise its authority under G.S. 105-282.1(a1) to accept an application for exemption or exclusion that was filed after the statutory deadline.

f. To make any changes authorized by G.S. 105-325."

SECTION 2. S.L. 2000-92 is repealed.

SECTION 3. This act applies to Cabarrus County only.

SECTION 4. This act is effective when it becomes law.

SECTION 3. This act is effective when it becomes law.

SENATE BILL 1315:
Cabarrus Board of Equalization & Review

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Senator Hartsell
Date:	July 6, 2004	**Summary by:**	R. Erika Churchill
Version:	Proposed Committee Substitute		Committee Counsel

SUMMARY: ***Senate Bill 1315 is a local bill that would authorize the appointment of a special board of equalization and review for Cabarrus County. The proposed committee substitute would also repeal a prior conflicting local act.***

Senate bill 1315 is identical to the 2nd Edition of House Bill 1687. House bill 1687 is in the Senate Committee on State Government, Local Government, and Veterans' Affairs.

CURRENT LAW & BILL ANALYSIS: A board of equalization and review is a committee appointed by the county commissioners to review the county's property tax listings and appraisals and to hear taxpayers' appeals concerning the listing or appraisal of their property. The board of county commissioners performs these functions if it chooses not to appoint a special board of equalization and review. Appeals from a special board of equalization and review are directly to the Property Tax Commission, unless the county provides for an appeal to the board of county commissioners. General law authorizes counties to appoint special boards of equalization and review. G.S. 105-322.

House Bill 1687 would make the following local modifications to the general law for the County of Cabarrus:

1. The board of equalization and review may be divided into two or more separate panels with a minimum membership of three persons. A decision by the panel has the effect of a decision by the entire board of equalization and review.
2. After adjournment of the Board of Equalization and Review, that board may continue to meet to carry out the following duties:
    a. To hear and decide all appeals relating to discovered property. (General law restricts this authority to the discovery and listing of property and the settlement of the county's claim for taxes arising from that discovery.)
    b. Approve an untimely application for exemption or exclusion applicable to only the tax year in which the application was filed if good cause is shown for the untimely filing.
    c. To authorize a change to the tax abstracts as permitted in G.S. 105-325. (General law grants this authority to the Board of County Commissioners once the board of equalization and review has finished its work.)
3. Repeal S.L. 2000-92. S.L. 2000-92 granted the Cabarrus County Board of Equalization and Review the authority to meet after its formal adjournment to perform duties not then authorized by general statute. Those duties were subsequently authorized by general statute for all counties (S.L. 2001-139), and it is that statute that is being amended by Section 1 of the bill.

North Carolina General Assembly

House Committee on Finance

Minutes

~

July 8, 2004

The House Committee on Finance met on Thursday, July 8, 2004 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons G. Allen, Howard, Luebke, McComas, and Wainwright; Vice-Chairs Daughtridge, Decker, and Hill; and Representatives Blackwood, Bordsen, Capps, Carney, Creech, Ellis, Glazier, Hackney, Jones, Lewis, Ross, Setzer, Starnes, Weiss, C. Wilson, and Womble. Also present were Sergeant-at-Arms Bob Fowler, Bill Freeman, Walter Spell, and Dusty Rhodes. Staff persons present included Richard Bostic, Gerry Cohen, Trina Griffin, Linda Millsaps, Martha Walston, and Bob Weiss. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2**.

Chairman Luebke called the meeting to order at 8:39 am and recognized the five (5) pages present: (1) Andrew Austin of Wake County, sponsored by Representative Ellis; (2) Elie Greige of Mecklenburg County, sponsored by Representative Earle; (3) Jamal Scott of Mecklenburg County, sponsored by Representative Earle; (4) Joshua Scott of Mecklenburg County, sponsored by Representative Earle; and (5) Robert Tomsick of Orange County, sponsored by Representative Hackney.

Prior to consideration of the Committee's agenda, Chairman Luebke announced that **HB 356 – FEES** was removed from the calendar. Chairman Luebke also placed **SB 464 – NRA SPECIAL PLATE** on the calendar for immediate consideration by the Committee.

Representative McComas was then recognized to explain the first bill considered by the Committee: **SB 464 – NRA SPECIAL PLATE** (see **attachment 3**). The Chair recognized Representative Howard who made a motion that the Proposed Committee Substitute (PCS) for Senate Bill 464 be before the Committee for the purposes of discussion and the motion carried. Representative McComas proceeded to explain that the bill would authorize the Department of Motor Vehicles to issue a National Rifle Association special license plate. Chairman Luebke then recognized Representative Womble, who raised a concern of gun violence possibly being depicted on the license plate. The Chair recognized Joe McClees from McClees Consulting, Inc. and representative of the NRA. Mr. McClees explained that the NRA symbol did not advocate gun violence, only the 2nd Amendment rights guaranteed by the U.S. Constitution. The Chair then displaced the bill while Representative Womble and staff prepared on an amendment.

The next bill considered by the Committee was **HB 817 – GUN SALE LEGAL WITH CONCEALED HANDGUN PERMIT** (see **attachment 4**). Chairman Luebke recognized Representative Wainwright who spoke on the bill. Representative Wainwright explained to the

Committee that the bill was the same one that had passed through a few weeks before; it was just back before the Committee for concurrence because the Senate made some minor alterations. He also moved that the Committee offer a recommendation not to concur with House Bill 817 so that the bill sponsors, Representative Hilton and Sexton, could work out the minor differences in a conference committee. Seeing no further debate on the matter, Chairman Luebke brought the motion of non-concurrence to a vote and it carried.

SB 868 – CONSUMER'S RIGHT TO KNOW AND ACT/QBI CREDIT (see **attachment 5**) was the next bill considered by the Committee. Representative Weiss was recognized for a motion to adopt the Proposed Committee Substitute (PCS) for Senate Bill 868 for the purposes of discussion, and the motion carried without objection. Chairman Luebke then recognized Representative Bordsen who explained the bill. The bill requires that a vendor, who contracts with the State to provide telemarketing services or telephone center services, employ only persons who are authorized to work in the U.S. to perform these services. The bill also amends the qualified business investment credit (QBI) by increasing the total amount of all credits allowed during a taxable year and extending the sunset of the credit. The Chair recognized Martha Walston, Fiscal Research, who explained that the QBI tax credit would be increased from $6 million to $7 million, and that the sunset on the credit would be extended to 5 years. Representative Capps was recognized, and he expressed concern that the workers garnering telemarketing information would not be in the U.S., thus not allowing proper governmental control over the dissemination of personal information. The Chair then recognized Representative Ellis who raised the same concern. Chairman Luebke recognized Representative Bordsen who said that the purpose of the bill was to make telemarketing companies operate their services from within the U.S. Representative Weiss was then recognized and she introduced a technical amendment, explained it, and moved for its adoption (see **attachment 6**). Chairman Luebke then brought the motion to a vote and the amendment was adopted without opposition. Representative Weiss then moved for a favorable report for the second Proposed Committee Substitute for Senate Bill 868 incorporating the newly adopted technical amendment, unfavorable as to the first Proposed Committee Substitute. Chairman Luebke brought the motion to a vote, and it carried.

Chairman Luebke recognized Senator Jenkins to explain the next bill considered by the Committee: SB 1083 – STAGGERED PLATES/SAFETY INSPECTION CHANGE (see **attachment 7**). Senator Jenkins explained to the Committee that the bill would stagger the issuance of commercial motor vehicle plates and motor vehicle dealer licenses. It would also exempt historic vehicles from the annual safety inspection requirements. Martha Walston, Fiscal Research, was recognized to explain to the Committee what a historic vehicle is under current North Carolina law (see attached bill summary). The Chair then recognized Representative Decker who asked why the historic cars were exempt from safety requirements. Senator Jenkins explained that the cars were exempt from the safety requirements because they were over 35 years of age, and thus they were mostly used for show rather than for every day transportation requirements. The Chair recognized Representative Lewis next who made a motion for a favorable report on Senate Bill 1083. Representative Daughtridge was then recognized, and he asked if this bill allowed an owner of a large fleet of commercial vehicles to schedule the license renewal of all vehicles for the same day. Senator Jenkins said that the Department of Motor Vehicles could do that to make it easier. The Chair then recognized Representative McComas who said that the North Carolina Trucking Association had favorably endorsed the bill. Seeing no further debate on the bill, Chairman Luebke brought the motion for a favorable report for Senate Bill 1083 to a vote, and it carried.

Chairman Luebke then replaced SB 464 – NRA SPECIAL PLATE (see **attachment 3**) for further discussion by the Committee. Representative Womble was recognized and sent forth an amendment that would curtail the depiction of violence on the NRA license plate by not allowing

the image of firearms to be used (see **attachment 8**). He explained that he did support the ability of the NRA to have a special license plate, but this amendment would halt the promotion of gun violence, which he opposed. The Chair then again recognized Joe McClees who said that in his opinion this amendment could halt the use of the NRA insignia because the insignia had the image of two muskets in it. Representative Jones was recognized, and he said that he opposed the amendment because it restrained free speech. Chairman Luebke then recognized Representative Womble who withdrew his amendment, given the expressed concerns. The Chair then recognized Representative Howard who sent forth a new amendment to change the license plate to require the use of the NRA insignia and thus eliminate the possibility of other gun symbols (see **attachment 9**). Representative Howard moved for adoption of the amendment and Chairman Luebke brought the motion to a vote. The amendment was adopted. Then Representative Howard moved for a favorable report for the Proposed Committee Substitute for Senate Bill 464, incorporating the newly adopted Howard amendment, and an unfavorable report to the bill originally before the Committee. Hearing no further debate, Chairman Luebke brought the motion to a vote and it carried.

Having no further business before the Committee, Chairman Luebke then adjourned the meeting at 9:39 am.

Respectfully submitted,

Representative Paul Luebke
Presiding Chair

Jason A. Cannon
Clerk, House Committee on Finance

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE DIVISION OF MOTOR VEHICLES TO ISSUE A NATIONAL RIFLE ASSOCIATION SPECIAL REGISTRATION PLATE.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 20-79.4(b) reads as rewritten:

"(b) Types. – The Division shall issue the following types of special registration plates:

...

~~(28)~~(27i) National Guard Member. – Issuable to an active or a retired member of the North Carolina National Guard. The plate shall bear the phrase "National Guard". A plate issued to an active member shall bear a number that reflects the seniority of the member; a plate issued to a commissioned officer shall begin with the number "1"; a plate issued to a noncommissioned officer with a rank of E7, E8, or E9 shall begin with the number "1601"; a plate issued to an enlisted member with a rank of E6 or below shall begin with the number "3001". The plate issued to a retired or separated member shall indicate the member's retired status.

(28) National Rifle Association. – Issuable to the registered owner of a motor vehicle. The plate may bear a phrase or insignia representing the National Rifle Association of America. The Division shall not use the name and logo of the National Rifle Association of America on the plate unless the National Rifle Association of America licenses, without charge, the State to use the name and logo on the plate. The

Division must receive 300 or more applications for the plate before it may be developed."

SECTION 2. This act is effective when it becomes law.

Short Title: Managing Debt Capacity. (Public)

Sponsors:

Referred to:

March 20, 2003

A BILL TO BE ENTITLED

AN ACT TO CREATE THE DEBT AFFORDABILITY ADVISORY COMMITTEE.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 142 of the General Statutes is amended by adding a new Article to read:

"Article 10.

"Managing Debt Capacity.

"**§ 142-100. Purpose.**

The purpose of this Article is to provide a tool for sound debt management by requiring the undertaking of an annual debt affordability study to establish guidelines for maintaining prudent debt levels.

"**§ 142-101. Debt Affordability Advisory Committee.**

(a) Membership. – The Debt Affordability Advisory Committee is created in the Department of State Treasurer. The Committee shall consist of five ex officio members or their designees and two appointed members, as follows:

(1) The State Treasurer.

(2) The Secretary of Revenue.

(3) The State Budget Officer.

(4) The State Auditor.

(5) The State Controller.

(6) A member of the public appointed by the President Pro Tempore of the Senate.

(7) A member of the public appointed by the Speaker of the House of Representatives.

(b) Officers and Staff. – The State Treasurer shall serve as the chair of the Committee. The Committee shall meet at the call of the chair. The Department of State Treasurer shall provide space for the Committee to meet. The Department shall also

provide the Committee with necessary staff and supplies to enable it to carry out its duties in an effective manner.

(c) Compensation. – Members of the Committee shall serve without pay but shall receive per diem and allowances provided by G.S. 138-5 and G.S. 138-6.

(d) Duties. – The Debt Affordability Advisory Committee shall annually advise the Governor and the General Assembly on the estimated debt capacity of the State for the upcoming 10 fiscal years. The Committee shall oversee the undertaking of an annual debt affordability study and the establishment of guidelines for evaluating the State's debt burden. The guidelines should include target and ceiling ratios of net tax-supported debt to personal income and debt service to revenues, target and floor percentages for the 10-year payout ratio, and target and floor percentages for the unreserved General Fund balance. The Committee shall also recommend any other debt management policies it considers desirable and consistent with sound management of the State's debt.

(e) Reports. – The Committee shall report its findings and recommendations to the Governor, the President Pro Tempore of the Senate, the Speaker of the House of Representatives, and the General Assembly's Fiscal Research Division by February 1 of each year."

SECTION 2. From funds appropriated to the Department of State Treasurer for the 2003-2005 fiscal biennium, the State Treasurer shall allocate the amounts necessary to implement this act.

SECTION 3. This act is effective when it becomes law.

SENATE BILL 464:
NRA Special Plate

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	
Date:	July 7, 2004	**Analysis by:**	Martha Walston
Version:	PCS		Committee Counsel

SUMMARY: The proposed committee substitute for Senate Bill 464 would authorize the Division of Motor Vehicles to issue a special license plate bearing the name and logo of the National Rifle Association of America for an additional $10 fee.

BILL ANALYSIS: The proposed committee substitute for Senate bill 464 would authorize the issuance of a special license plate bearing the name and logo of the National Rifle Association of America (NRA). The plates may be issued if the NRA authorizes the use of the name and logo without charge, and 300 or more applications are received. The plate would have an additional $10 fee that would go to the Special Registration Plate Account

Unless otherwise designated by statute, a special plate costs $10 more than the regular motor vehicle registration fee. The funds in the Special Registration Plate Account (after deducting all expenses) are distributed as follows:

- $525,000 annually appropriated to provide operating assistance for seven Visitor Centers.
- The remaining revenue is transferred quarterly: 50% to the Department of Transportation for highway beautification; 33% to the Dept. of Commerce for the out-of-state promotion of travel and industrial development in this State; and 17% to the Dept. of Health and Human Services to promote travel accessibility for disabled persons in this State.

HOUSE BILL 817
Senate Judiciary I Committee Substitute Adopted 6/15/04

Short Title: Gun Sale Legal w/Concealed Handgun Permit. (Public)

Sponsors:

Referred to:

April 1, 2003

A BILL TO BE ENTITLED

AN ACT TO PROVIDE THAT A PISTOL MAY BE PURCHASED BY A PERSON WHO HAS A CONCEALED HANDGUN PERMIT WITHOUT OBTAINING AN ADDITIONAL PERMIT TO PURCHASE A HANDGUN AND TO AUTHORIZE THE DIVISION OF MOTOR VEHICLES TO ISSUE A NATIONAL RIFLE ASSOCIATION SPECIAL REGISTRATION PLATE.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 14-402 reads as rewritten:

"**§ 14-402. Sale of certain weapons without permit forbidden.**

(a) It ~~shall be~~ is unlawful for any person, firm, or corporation in this State to sell, give away, or transfer, or to purchase or receive, at any place within this State from any other place within or without the State any pistol or crossbow ~~unless a~~ unless: (i) a license or permit ~~therefor has~~ is first ~~been~~ obtained under this Article by the purchaser or receiver from the sheriff of the county in which ~~that~~ the purchaser or receiver ~~resides.~~ resides; or (ii) a valid North Carolina concealed handgun permit is held under Article 54B of this Chapter by the purchaser or receiver who must be a resident of the State at the time of the purchase.

It ~~shall be~~ is unlawful for any person or persons to receive from any postmaster, postal clerk, employee in the parcel post department, rural mail carrier, express agent or employee, railroad agent or employee within the State of North Carolina any pistol or crossbow without having in his or their possession and without exhibiting at the time of the delivery of the same and to the person delivering the same the permit from the sheriff as provided in G.S. 14-403. Any person violating the provisions of this section ~~shall be~~ is guilty of a Class 2 misdemeanor.

(b) This section does not apply to an antique firearm or an historic edged weapon.

(c) The following definitions apply in this section:

(1) Antique firearm. – Defined in G.S. 14-409.11.

(2) Bolt. – A projectile made to be discharged from a crossbow. The bolt differs from an arrow in that the bolt is heavier and shorter than an arrow.

(3) Crossbow. – A mechanical device consisting of, but not limited to, strings, cables, and prods transversely mounted on either a shoulder or hand-held stock. This devise [device] is mechanically held at full or partial draw and released by a trigger or similar mechanism which is incorporated into a stock or handle. When operated, the crossbow discharges a projectile known as a bolt.

(4) Historic edged weapon. – Defined in G.S. 14-409.12."

SECTION 2. G.S. 20-79.4(b) reads as rewritten:

"(b) Types. – The Division shall issue the following types of special registration plates:

...

~~(28)~~(27i) National Guard Member. – Issuable to an active or a retired member of the North Carolina National Guard. The plate shall bear the phrase "National Guard". A plate issued to an active member shall bear a number that reflects the seniority of the member; a plate issued to a commissioned officer shall begin with the number "1"; a plate issued to a noncommissioned officer with a rank of E7, E8, or E9 shall begin with the number "1601"; a plate issued to an enlisted member with a rank of E6 or below shall begin with the number "3001". The plate issued to a retired or separated member shall indicate the member's retired status.

(28) National Rifle Association. – Issuable to the registered owner of a motor vehicle. The plate may bear a phrase or insignia representing the National Rifle Association of America. The Division shall not use the name and logo of the National Rifle Association of America on the plate unless the National Rifle Association of America licenses, without charge, the State to use the name and logo on the plate. The Division must receive 300 or more applications for the plate before it may be developed."

SECTION 3. This act is effective when it becomes law.

HOUSE BILL 817:
Gun Sale Legal w/Concealed Handgun Permit

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Rep. Hilton and Sexton
Date:	July 7, 2004	**Summary by:**	Hal Pell
Version:	Second Edition		Staff Counsel

SUMMARY: ***House Bill 817 would allow a person to purchase a handgun without an additional permit if the person has a valid North Carolina concealed handgun permit. The bill would also authorize the Division of Motor Vehicles to issue a National Rife Association Special Registration Plate. The act is effective when it becomes law.***

House Bill 817 is back for concurrence.

I. Purchase with Concealed Handgun Permit

A. Purchasing a Handgun by Permit under Current Law:

G.S. 14-402 makes it unlawful for any person, firm, or corporation in North Carolina to sell, give away, transfer, purchase or receive a handgun if the purchaser or receiver has not first obtained a permit from the sheriff of the county in which the purchaser or receiver resides. G.S. 14-404 sets forth the requirements for the issuance of a permit to purchase a pistol.

The sheriff must certify on the permit that the sheriff has conducted a criminal background check of the applicant and has received no information to indicate that it would be a violation of federal or State law for the applicant to purchase or possess a handgun, and that the sheriff is satisfied as to the applicant's good moral character.

A permit is required for each handgun purchase, and the sheriff is required to keep records of all permits issued, including the name, date, place of residence, age, and former place of residence of each person, firm, or corporation to whom a permit is issued. Counties currently issue permits to purchase more than one pistol on a single application. Permits are valid for 5 years from the date of issuance.

B. Concealed Handgun Permit:

G.S. 14-415.12 sets the criteria for the issuance of a concealed handgun permit. A person who meets the requirements for obtaining a concealed handgun permit would satisfy the requirements for receiving a permit to purchase a pistol. There is a central registry of persons who have been issued concealed handgun permits, and it is maintained by the Division of Criminal Information branch of the SBI. The information may be accessed by the holder's driver's license information. Concealed handgun permits are valid for 5 years from the date of issuance.

BACKGROUND:

Under federal law, a person may currently purchase a longgun with either a handgun purchase permit or a concealed carry permit without a background check.

BILL ANALYSIS:

House Bill 817 would amend G.S. 14-402 to allow a person, firm, or corporation to legally purchase a handgun without first obtaining a permit from the sheriff if the purchaser or receiver first obtains a valid

North Carolina concealed handgun permit. There would be no limit to the number of handguns that may be purchased with a concealed handgun permit.

II. Special NRA Plate Provision

This bill would authorize the issuance of a special license plate bearing the name and logo of the National Rifle Association of America (NRA). The plates may be issued if the NRA authorizes the use of the name and logo without charge, and 300 or more applications are received. The plate would have an additional $10 fee that would go to the Special Registration Plate Account

Unless otherwise designated by statute, a special plate costs $10 more than the regular motor vehicle registration fee. The funds in the Special Registration Plate Account (after deducting all expenses) are distributed as follows: $525,000 split among 7 State visitor centers; 50% of remaining funds to the NCDOT for highway beautification (non-interstate); 33% to the Dept. of Commerce for the out-of-state promotion of travel and industrial development in this State; and 17% to the Dept. of Health and Human Services to promote travel accessibility for disabled persons in this State.

The bill is effective when it becomes law.

POSITIONS: (cumulative)					

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: North Carolina Department of Transportation, Department of Justice, and County Sheriffs' Offices.

EFFECTIVE DATE: When it becomes law.

BILL SUMMARY: The bill makes two separate changes to existing law. First, it allows any person, firm, or corporation to legally purchase a handgun without first obtaining a permit from the sheriff if the purchaser or receiver has a valid North Carolina concealed handgun permit. There would be no limit to the number of handguns that may be purchased with a concealed handgun permit. Second, it authorizes the issuance of a special license plate bearing the name and logo of the National Rifle Association. The plate may be issued if the Department receives 300 applications, and the National Rifle Association authorizes the use of the name and logo without charge.

ASSUMPTIONS AND METHODOLOGY:
Under current law, an individual who wishes to purchase a handgun must apply to the Sheriff's office in his or her county of residence. The Sheriff runs a computerized background check and charges a $5.00 fee for the application. Each permit is good for the purchase of one handgun within the next five years; some Sheriffs limit the number of permits per individual each year.

Residents may also apply to their Sheriff's office for a permit to carry a concealed handgun. For this permit, the Sheriff requests a state and national fingerprint criminal background check from the State Bureau of Investigation (SBI). The fee for the permit is $80, of which $22 is remitted to the Federal Bureau of Investigation, $23 to the State Bureau of Investigation, and $35 is kept by the Sheriff's office. Permits are good for five years; the renewal fee is $75. Since December 1, 1995, there have been approximately 56,000 concealed handgun permits issued; the SBI performed approximately 12,000 background checks for concealed handgun permits in FY 2002-03.

Under Section 1 of this Bill, an individual with a concealed handgun permit would not be required to obtain a permit to purchase a handgun. Therefore, the Sheriffs' offices would not receive the $5 per handgun purchased, and they would not incur the costs of approving the permit to purchase. Overall, the Sheriffs Association does not anticipate a significant fiscal impact from this change.

If this Bill results in an increase in the number of concealed handgun permit applications, both the SBI and the Sheriffs' offices would receive additional revenues and perform additional work. We cannot project whether more individuals would apply for concealed handgun permits as a result of this legislation. However, we do not anticipate a significant increase, and any increase in workload would have a corresponding increase in revenue.

Section 2 of the bill authorizes a new National Rifle Association special plate. This fiscal analysis assumes that the plate applicants already register their vehicles in the state and are paying the current $20 registration fee, thus there is no new revenue for the Highway Fund. The analysis also assumes the issuance of the minimum 300 license plates in FY 2004-05 and renewal of those plates in the following years. There is a one-time cost of $100 to design a new plate and an average programming cost of $3,560 per plate to change the State Titling and Registration System (STARS). There is also a one-time cost to manufacture the special plate. The cost of a DMV recommended two-color plate is $2.59. For 300 new plates in FY 2004-05, the manufacturing cost is $777 (300 plate minimum X $2.59). The total one-time cost for the new plate is $4,437 and is paid from the Special Registration Plate Account.

In addition to the normal $20 registration fee, each special plate is assessed a $10 fee that is deposited into the Special Registration Plate Account. Funds in that account are used to fund the State visitor centers, highway beautification, promote travel and tourism, and promote travel accessibility for the disabled. For the 300-plate minimum, this account will receive $3,000 a year.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE THAT STATE GOVERNMENT SHALL REQUIRE IN EVERY CONTRACT FOR THE PERFORMANCE OF TELEMARKETING SERVICES PROVISIONS THAT ONLY CITIZENS OF THE UNITED STATES AND PERSONS AUTHORIZED TO WORK IN THE UNITED STATES MAY BE EMPLOYED, TO PROVIDE FOR DISCLOSURE OF CERTAIN INFORMATION FROM CUSTOMER SALES AND SERVICE CENTERS, AND TO AMEND THE QUALIFIED BUSINESS INVESTMENT CREDIT.

The General Assembly of North Carolina enacts:

SECTION 1. The General Assembly finds that the State regularly awards contracts for services that are vital to North Carolinians, and that a national trend is developing in which contractors and subcontractors under service contracts awarded by state governments employ persons in foreign countries to perform these vital services. The General Assembly further finds that persons performing these service contracts in foreign countries are generally paid wages that are significantly below the minimum wage in this State, and that this trend of awarding service contracts to be performed outside the United States is threatening to the jobs and livelihood of North Carolinians and all Americans.

SECTION 2. Article 3 of Chapter 143 is amended by adding a new section to read:

"**§ 143-59.4. Certain vendors required to use only persons authorized to work in the United States.**

(a) Ineligible Vendors. – The Secretary of Administration and other entities to which this Article applies shall not contract for telemarketing services or telephone center services with any vendor that employs the services of any person not authorized to work in the United States pursuant to federal law in the performance of telemarketing

or telephone center services on behalf of the State and such services shall be performed in the United States.

(b) Vendor Certification. – The Secretary of Administration shall require each vendor submitting a bid or contract to provide services for the State as set forth in subsection (a) of this section to certify that only its employees who are authorized to work in the United States pursuant to federal law will be performing services under the contract. Any person who submits a certification required by this subsection known to be false shall be guilty of a Class I felony.

(c) Void Contracts. – A contract entered into or performed in violation of this section is void. A contract that is void under this section may continue in effect until an alternative contract can be arranged when: (i) immediate termination would result in harm to the public health or welfare, and (ii) the continuation is approved by the Secretary of Administration. Approval of continuation of contracts under this subsection shall be given for the minimum period necessary to protect the public health or welfare."

SECTION 3. Chapter 66 is amended by adding a new Article to read:

"Article 41.

"Customer Sales or Service Call Center Requirements.

"**§ 66-340. Definitions.**

As used in this Article the following terms mean:

(1) Customer sales call center. – An entity whose primary purpose includes the initiating or receiving of telephonic communications on behalf of any person for the purpose of initiating sales, including telephone solicitations as defined in G.S. 66-260(10) and G.S. 75-30.1(a)(2).

(2) Customer service call center. – An entity whose primary purpose includes the initiating or receiving of telephonic communications on behalf of any person for the purposes of providing or receiving services or information necessary in connection with the providing of services or other benefits.

(3) Customer services employee. – A person employed by or working on behalf of a customer sales call center or a customer service call center.

(4) Identifying information. – As the term is used in G.S. 14-113.20(b).

"**§ 66-341. Customers right to customer sales or customer service call center information.**

(a) Any person who receives a telephone call from, or places a telephone call to, a customer sales call center or a customer service call center, upon request, has the right to:

(1) Know the identification of the city, state, and country where the customer service employee is located.

(2) Know the name or registered alias of the customer services employee.

(3) Know the name of the employer of the person with whom the person is speaking.

(4) Speak to a qualified employee of the company or government agency the person is doing business with.

(b) No person who receives a telephone call from, or places a telephone call to, a customer sales call center or a customer service call center shall have the person's financial, credit, or identifying information sent to any foreign country without express written permission.

"**§ 66-342. Violation.**

A willful violation of this Article shall be an unfair or deceptive trade practice under G.S. 75-1.1"

SECTION 4. G.S. 105-163.012(b) reads as rewritten:

"(b) The total amount of all tax credits allowed to taxpayers under G.S. 105-163.011 for investments made in a calendar year may not exceed ~~six million dollars ($6,000,000).~~seven million dollars ($7,000,000). The Secretary of Revenue shall calculate the total amount of tax credits claimed from the applications filed pursuant to G.S. 105-163.011(c). If the total amount of tax credits claimed for investments made in a calendar year exceeds ~~six million dollars ($6,000,000),~~ this maximum amount, the Secretary shall allow a portion of the credits claimed by allocating ~~a total of six million dollars ($6,000,000)~~the maximum amount in tax credits in proportion to the size of the credit claimed by each taxpayer."

SECTION 5. G.S. 105-163.015 reads as rewritten:

"**§ 105-163.015. Sunset.**

This Part is repealed effective for investments made on or after January 1, ~~2007.~~2008."

SECTION 6. Sections 2 and 3 of this act become effective October 1, 2004. Sections 4 and 5 become effective for investments made on or after January 1, 2004. Section 2 of this act applies to contracts entered into on or after that date. The remainder of the act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2003

S 2

SENATE BILL 868
Judiciary II Committee Substitute Adopted 4/24/03

Short Title: Assault in the Presence of a Child. (Public)

Sponsors:

Referred to:

April 3, 2003

A BILL TO BE ENTITLED

AN ACT TO CREATE THE CRIMINAL OFFENSE OF ASSAULT IN THE PRESENCE OF A CHILD.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 14-33(c) is amended by adding a new subdivision to read:

"(c) Unless the conduct is covered under some other provision of law providing greater punishment, any person who commits any assault, assault and battery, or affray is guilty of a Class A1 misdemeanor if, in the course of the assault, assault and battery, or affray, he or she:

...

(7) Commits an assault on a minor by committing, in the presence of the minor, an assault with a deadly weapon or an assault that inflicts serious injury on a person with whom the person committing the assault has a personal relationship. The following definitions shall apply in this subdivision:

a. "In the presence of a minor" means:

1. In the physical presence of the minor; or

2. Having knowledge that a child is present and may see or hear the offense.

b. "Minor" is any person under the age of 18 years who is residing with or is under the care and supervision of, and who has a personal relationship with, the person assaulted or the person committing the assault.

c. "Personal relationship" is as defined in G.S. 50B-1(b)."

SECTION 2. This act becomes effective December 1, 2003, and applies to offenses committed on or after that date.

SENATE BILL 868:
Consumer's Right to Know and Act/QBI Credit

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	
Date:	July 7, 2004	**Analysis by:**	Martha Walston
Version:	PCS		Committee Counsel

SUMMARY: The proposed committee substitute replaces the original bill with the following:

- **Requires a vendor, who contracts with the State to provide telemarketing services or telephone center services, to employ only persons who are authorized to work in the U.S. to perform these services. This part is effective October 1, 2004.**
- **Provides a person, who receives a call from or places a call to a customer sales call center or a customer service call center, with certain information upon request of the person. This part is effective October 1, 2004.**
- **Forbids sending to a foreign country any financial, credit, or identifying information about a person who has contact with a center unless the person has consented in writing. This part is effective October 1, 2004.**
- **Amends the qualified business investment credit by increasing the total amount of all credits allowed during a taxable year and extending the sunset of the credit. This part is effective for investments made on or after January 1, 2004.**

BILL ANALYSIS: Section 1 of the bill sets out findings of the General Assembly that a trend is developing in which contractors and subcontractors under service contracts awarded by state governments are employing persons in foreign countries, and that this trend is threatening to the jobs of North Carolina citizens and to all Americans.

Section 2 of the bill prohibits the Secretary of Administration and other state entities from contracting for telemarketing services or telephone center services with any vendor that employs persons not authorized to work in the United States under federal law. The services must be performed in the United States. A vendor, who submits a bid or contract to provide these services, must certify to the Secretary of Administration that the vendor's employees performing services under the contract are authorized to work in the U.S. Submitting a certification known to be false is a Class I felony. Contracts that violate this section are void.

Section 3 of the bill adds a new article to Chapter 66 (Commerce and Business) of the General Statutes providing that a person who receives a telephone call from, or places a telephone call to, a customer sales call center or a customer service call center has the right to:

1. The name of the city, state, and country where the customer services employee is located.
2. The name or registered alias of the customer services employee.
3. The name of the employer of the person with whom the person is speaking.

4. Speak to a qualified employee of the company or government agency the person is doing business with.

No financial, credit, or identifying information about a person who has contact with a center can be sent to any foreign country without express written permission.

A willful violation of the new article is an unfair or deceptive trade practice, and damages awarded in such a case would be treble the amount fixed by the verdict.

Sections 4 and 5 of the bill make two changes to the qualified business investment tax credit. First, the total amount of all credits allowed during a taxable year would be increased from $6 million to $7 million. This change would be effective for investments made on or after January 1, 2004. Second, the sunset would be extended so that the credit would expire in 2008 rather than 2007.

The qualified business investment tax credit is allowed for an individual taxpayer who purchases the equity securities or subordinated debt of a qualified business venture, a qualified grantee business, or a qualified licensee business directly from that business. The credit is equal to 25% of the amount invested and may not exceed $50,000 per individual in a single taxable year. An individual investor may also claim the allocable share of credits obtained by "pass-through entities" of which the investor is an owner. Pass-through entities include limited partnerships, general partnerships, S corporations, and limited liability companies. The credit may not be taken in the year the investment is made. Instead, the credit is taken in the year following the calendar year in which the investment was made, but only if the taxpayer filed an application with the Secretary of Revenue. Any unused credit may be carried forward for the next five years. The total amount of credits allowed to all taxpayers for investments made in a calendar year may not exceed $6 million. The Secretary of Revenue calculates the total amount of tax credits claimed from applications filed. If the amount exceeds the cap, then the Secretary allows a portion of the tax credits claimed by allocating the total of $6 million in tax credits in proportion to the size of the credit claimed by each taxpayer. In general, a taxpayer forfeits the credit if the taxpayer transfers the securities within one year or the qualified business redeems the securities purchased by the taxpayer within five years after the investment was made. The credit is currently set to expire as of January 1, 2007.

Referred to:

May 13, 2004

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR STAGGERED ISSUANCE OF COMMERCIAL LICENSE PLATES, DEALER LICENSE PLATES, AND MOTOR VEHICLE DEALERS AND MANUFACTURERS LICENSES, AND TO EXEMPT HISTORIC VEHICLES FROM THE REQUIREMENT FOR A SAFETY INSPECTION.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 20-64(a) reads as rewritten:

"(a) Except as otherwise provided in this Article, registration plates shall be retained by the owner thereof upon disposition of the vehicle to which assigned, and may be assigned to another vehicle, belonging to such owner and of a like vehicle category within the meaning of G.S. 20-87 and 20-88, upon proper application to the Division and payment of a transfer fee and such additional fees as may be due because the vehicle to which the plates are to be assigned requires a greater registration fee than that vehicle to which the license plates were last assigned. In cases where the plate is assigned to another vehicle belonging to such owner, and is not of a like vehicle category within the meaning of G.S. 20-87 and 20-88, the owner shall surrender the plate to the Division and receive therefor a plate of the proper category, and the unexpired portion of the fee originally paid by the owner for the plate so surrendered shall be a credit toward the fee charged for the new plate of the proper category. Provided, that the owner shall not be entitled to a cash refund when the registration fee for the vehicle to which the plates are to be assigned is less than the registration fee for that vehicle to which the license plates were last assigned. ~~Provided, however, registration plates may not be transferred under this section after December 31 of the year for which issued.~~ An owner assigning or transferring plates to another vehicle as provided herein shall be subject to the same assessments and penalties for use of the plates on another vehicle or for improper use of the plates, as he could have been for the use of the plates on the vehicle to which last assigned. Provided, however, that upon compliance with the requirements of this section, the registration plates of vehicles

owned by and registered in the name of a corporation may be transferred and assigned to a like vehicle category within the meaning of G.S. 20-87 and 20-88, upon the showing that the vehicle to which the transfer and assignment is to be made is owned by a corporation which is a wholly owned subsidiary of the corporation applying for such transfer and assignment."

SECTION 2. G.S. 20-66(g) reads as rewritten:

"(g) When Renewal Sticker Expires. – The registration of a vehicle that is renewed by means of a registration renewal sticker expires at midnight on the last day of the month designated on the sticker. It is lawful, however, to operate the vehicle on a highway until midnight on the fifteenth day of the month following the month in which the sticker ~~expired if the vehicle is not registered under the International Registration Plan. If the vehicle is registered under the International Registration Plan, it is not lawful to operate the vehicle on a highway after the sticker expires.~~expired.

The Division may vary the expiration dates of registration renewal stickers issued for a type of vehicle so that an approximately equal number expires at the end of each month, quarter, or other period consisting of one or more months. When the Division implements registration renewal for a type of vehicle by means of a renewal sticker, it may issue a registration renewal sticker that expires at the end of any monthly ~~interval beginning at nine months and ending at eighteen months.~~interval."

SECTION 3. G.S. 20-66(h) is repealed.

SECTION 4. G.S. 20-79 reads as rewritten:

"**§ 20-79. Dealer license plates.**

(a) How to Get a Dealer Plate. – A dealer licensed under Article 12 of this Chapter may obtain a dealer license plate by filing an application with the Division and paying the required fee. An application must be filed on a form provided by the Division. The required fee is the amount set by G.S. 20-87(7).

(b) Number of Plates. – A dealer who was licensed under Article 12 of this Chapter for the previous 12-month period ending ~~April 30~~ December 31 may obtain the number of dealer license plates allowed by the following table; the number allowed is based on the number of motor vehicles the dealer sold during the relevant 12-month period and the average number of qualifying sales representatives the dealer employed during that same 12-month period:

Vehicles Sold In Relevant 12-Month Period	Maximum Number of Plates
Fewer than 12	1
At least 12 but less than 25	4
At least 25 but less than 37	5
At least 37 but less than 49	6
49 or more	At least 6, but no more than 4 times the average number of qualifying sales representatives employed by the dealer during the relevant 12-month period.

A dealer who was not licensed under Article 12 of this Chapter for part or all of the previous 12-month period ending ~~April 30~~ December 31 may obtain the number of

dealer license plates that equals four times the number of qualifying sales representatives employed by the dealer on the date the dealer files the application. A "qualifying sales representative" is a sales representative who works for the dealer at least 25 hours a week on a regular basis and is compensated by the dealer for this work.

A dealer who sold fewer than 49 motor vehicles the previous 12-month period ending ~~April 30~~ December 31 but has sold at least that number since ~~May 1~~ January 1 may apply for additional dealer license plates at any time. The maximum number of dealer license plates the dealer may obtain is the number the dealer could have obtained if the dealer had sold at least 49 motor vehicles in the previous 12-month period ending ~~April 30.~~December 31.

A dealer who applies for a dealer license plate must certify to the Division the number of motor vehicles the dealer sold in the relevant period. Making a material misstatement in an application for a dealer license plate is grounds for the denial, suspension, or revocation of a dealer's license under G.S. 20-294.

A dealer engaged in the alteration and sale of specialty vehicles may apply for up to two dealer plates in addition to the number of dealer plates that the dealer would otherwise be entitled to under this section.

(c) Form and Duration. – A dealer license plate is subject to G.S. 20-63, except for the requirement that the plate display the registration number of a motor vehicle and the requirement that the plate be a "First in Flight" plate. In addition, a dealer license plate must have a distinguishing symbol identifying the plate as a dealer license plate.

A dealer license plate is issued for a ~~fiscal year beginning July 1 and ending June 30.~~ period of one year. ~~During the fiscal year for which it is issued, a dealer may transfer a dealer license plate from one vehicle to another.~~ The Division shall vary the expiration dates of dealer registration renewals so that an approximately equal number expires at the end of each month, quarter, or other period consisting of one or more months. A dealer may transfer a dealer license plate from one vehicle to another. When the Division issues a dealer plate, it may issue a registration that expires at the end of any monthly interval. When one of the following occurs, a dealer must surrender to the Division all dealer license plates issued to the dealer:

(1) The dealer surrenders the license issued to the dealer under Article 12 of this Chapter.
(2) The Division suspends or revokes the license issued to the dealer under Article 12 of this Chapter.
(3) The Division rescinds the dealer license plates because of a violation of the restrictions on the use of a dealer license plate.

To obtain a dealer license plate after it has been surrendered, the dealer must file a new application for a dealer license plate and pay the required fee for the plate.

(d) Restrictions on Use. – A dealer license plate may be displayed only on a motor vehicle that meets all of the following requirements:

(1) Is part of the inventory of the dealer.
(2) Is not consigned to the dealer.
(3) Is covered by liability insurance that meets the requirements of Article 9A of this Chapter.

(4) Is not used by the dealer in another business in which the dealer is engaged.

(5) Is driven on a highway by a person who carries a copy of the registration card for the dealer plates issued to the dealer while driving the motor vehicle and who meets one of the following descriptions:

a. Has a demonstration permit to test-drive the motor vehicle and carries the demonstration permit while driving the motor vehicle.

b. Is an officer or sales representative of the dealer and is driving the vehicle for a business purpose of the dealer.

c. Is an employee of the dealer and is driving the vehicle in the course of employment.

A dealer may issue a demonstration permit for a motor vehicle to a person licensed to drive that type of motor vehicle. A demonstration permit authorizes each person named in the permit to drive the motor vehicle described in the permit for up to 96 hours after the time the permit is issued. A dealer may, for good cause, renew a demonstration permit for one additional 96-hour period.

A dealer may not lend, rent, lease, or otherwise place a dealer license plate at the disposal of a person except as authorized by this subsection.

(e) Sanctions. – The following sanctions apply when a motor vehicle displaying a dealer license plate is driven in violation of the restrictions on the use of the plate:

(1) The individual driving the motor vehicle is responsible for an infraction and is subject to a penalty of fifty dollars ($50.00).

(2) The dealer to whom the plate is issued is subject to a civil penalty imposed by the Division of two hundred dollars ($200.00).

(3) The Division may rescind all dealer license plates issued to the dealer whose plate was displayed on the motor vehicle.

A penalty imposed under subdivision (1) of this subsection is payable to the county where the infraction occurred, as required by G.S. 14-3.1. A civil penalty imposed under subdivision (2) of this subsection shall be credited to the Highway Fund as nontax revenue.

(f) Transfer of Dealer Registration. – No change in the name of a firm, partnership or corporation, nor the taking in of a new partner, nor the withdrawal of one or more of the firm, shall be considered a new business; but if any one or more of the partners remain in the firm, or if there is change in ownership of less than a majority of the stock, if a corporation, the business shall be regarded as continuing and the dealers' plates originally issued may continue to be used."

SECTION 5. G.S. 20-87 reads as rewritten:

"**§ 20-87. Passenger vehicle registration fees.**

These fees shall be paid to the Division ~~annually, as of the first day of January,~~ annually for the registration and licensing of passenger vehicles, ~~fees~~ according to the following classifications and schedules:

(1) For-Hire Passenger Vehicles. – The fee for a passenger vehicle that is operated for compensation and has a capacity of 15 passengers or less

is seventy-eight dollars ($78.00). The fee for a passenger vehicle that is operated for compensation and has a capacity of more than 15 passengers is one dollar and forty cents ($1.40) per hundred pounds of empty weight of the vehicle.

(2) U-Drive-It Vehicles. – U-drive-it vehicles shall pay the following tax:

Motorcycles:	1-passenger capacity	$18.00
	2-passenger capacity	22.00
	3-passenger capacity	26.00
Automobiles:	15 or fewer passengers	$41.00
Buses:	16 or more passengers	$1.40 per hundred pounds of empty weight
Trucks under 7,000 pounds that do not haul products for hire:	4,000 pounds	$41.50
	5,000 pounds	$51.00
	6,000 pounds	$61.00.

(3) Repealed by Session Laws 1981, c. 976, s. 3.

(4) Limousine Vehicles. – For-hire passenger vehicles on call or demand which do not solicit passengers indiscriminately for hire between points along streets or highways, shall be taxed at the same rate as for-hire passenger vehicles under G.S. 20-87(1) but shall be issued appropriate registration plates to distinguish such vehicles from taxicabs.

(5) Private Passenger Vehicles. – There shall be paid to the Division annually, as of the first day of January, for the registration and licensing of private passenger vehicles, fees according to the following classifications and schedules:

Private passenger vehicles of not more than fifteen passengers.. $20.00
Private passenger vehicles over fifteen passengers 23.00

Provided, that a fee of only one dollar ($1.00) shall be charged for any vehicle given by the federal government to any veteran on account of any disability suffered during war so long as such vehicle is owned by the original donee or other veteran entitled to receive such gift under Title 38, section 252, United States Code Annotated.

(6) Private Motorcycles. – The base fee on private passenger motorcycles shall be nine dollars ($9.00); except that when a motorcycle is equipped with an additional form of device designed to transport persons or property, the base fee shall be sixteen dollars ($16.00). An additional fee of three dollars ($3.00) is imposed on each private motorcycle registered under this subdivision in addition to the base fee. The revenue from the additional fee, in addition to any other funds appropriated for this purpose, shall be used to fund the Motorcycle Safety Instruction Program created in G.S. 115D-72.

(7) Dealer License Plates. – The fee for a dealer license plate is the regular fee for each of the first five plates issued to the same dealer and is one-half the regular fee for each additional dealer license plate issued to the same dealer. The "regular fee" is the fee set in subdivision (5) of this section for a private passenger motor vehicle of not more than 15 passengers.

(8) Driveaway Companies. – Any person engaged in the business of driving new motor vehicles from the place of manufacture to the place of sale in this State for compensation shall pay a fee of one-half of the amount that would otherwise be payable under this section for each set of plates.

(9) House Trailers. – In lieu of other registration and license fees levied on house trailers under this section or G.S. 20-88, the registration and license fee on house trailers shall be seven dollars ($7.00) for the license year or any portion thereof.

(10) Special Mobile Equipment. – The fee for special mobile equipment for the license year or any part of the license year is two times the fee in subdivision (5) for a private passenger motor vehicle of not more than 15 passengers.

(11) Any vehicle fee determined under this section according to the weight of the vehicle shall be increased by the sum of three dollars ($3.00) to arrive at the total fee.

(12) Low-Speed Vehicles. – The fee for a low-speed vehicle is the same as the fee for private passengers vehicles of not more than 15 passengers."

SECTION 6. G.S. 20-88(b)(6) reads as rewritten:

"(6) There shall be paid to the Division annually ~~as of the first of January,~~ the following fees for "wreckers" as defined under G.S. 20-4.01(50): a wrecker fully equipped weighing 7,000 pounds or less, seventy-five dollars ($75.00); wreckers weighing in excess of 7,000 pounds shall pay one hundred forty-eight dollars ($148.00). Fees to be prorated ~~quarterly.~~ monthly. Provided, further, that nothing herein shall prohibit a licensed dealer from using a dealer's license plate to tow a vehicle for a customer."

SECTION 7. G.S. 20-88(c) reads as rewritten:

"(c) The fee for a semitrailer or trailer is ten dollars ($10.00) for each year or part of a year. The fee is payable ~~on or before January 1 of~~ each year. Upon the application of the owner of a semitrailer or trailer, the Division may issue a multiyear plate and registration card for the semitrailer or trailer for a fee of seventy-five dollars ($75.00). A multiyear plate and registration card for a semitrailer or trailer are valid until the owner transfers the semitrailer or trailer to another person or surrenders the plate and registration card to the Division. A multiyear plate may not be transferred to another vehicle.

The Division shall issue a multiyear semitrailer or trailer plate in a different color than an annual semitrailer or trailer plate and shall include the word "multiyear" on the plate. The Division may not issue a multiyear plate for a house trailer."

SECTION 8. G.S. 20-94 reads as rewritten:

"**§ 20-94. Partial payments.**

In the purchase of licenses, where the gross amount of the license fee to any one owner amounts to more than four hundred dollars ($400.00), half of such payment may, if the Commissioner is satisfied of the financial responsibility of such owner, be deferred until ~~June 1~~ six months from the month of renewal in any calendar year upon the execution to the Commissioner of a draft upon any bank or trust company upon forms to be provided by the Commissioner in an amount equivalent to one half of such fee, plus a carrying charge of three percent (3%) of the deferred portion of the license fee: Provided, that any person using any tag so purchased after the first day of ~~June~~ six months from the month of renewal in any such year without having first provided for the payment of such draft, shall be guilty of a Class 2 misdemeanor. No further license plates shall be issued to any person executing such a draft after the due date of any such draft so long as such draft or any portion thereof remains unpaid. Any such draft being dishonored and not paid shall be subject to the penalties prescribed in G.S. 20-178 and shall be immediately turned over by the Commissioner to his duly authorized agents and/or the State Highway Patrol, to the end that this provision may be enforced. When the owner of the vehicles for which a draft has been given sells or transfers ownership to all vehicles covered by the draft, such draft shall become payable immediately, and such vehicles shall not be transferred by the Division until the draft has been paid. Any one owner whose gross license fee amounts to more than two hundred dollars ($200.00) but not more than four hundred dollars ($400.00) may also be permitted to sign a draft in accordance with the foregoing provisions of this section provided such owner makes application for the draft ~~on or before February 1~~ during the ~~license renewal period.~~ month of renewal."

SECTION 9. G.S. 20-288(c) reads as rewritten:

"(c) All licenses that are granted shall expire one year from the date issued unless ~~sooner~~ revoked or ~~suspended, on June 30 of the year following date of issue.~~ suspended."

SECTION 10. G.S. 20-183.2 is amended by adding a new subsection to read:

"(a1) Safety Inspection Exception. – Historic vehicles, as defined in G.S. 20-79.4(b)(17), shall not be subject to a safety inspection pursuant to this Article."

SECTION 11. This act becomes effective January 1, 2005.

SENATE BILL 1083:
Staggered Plates/Safety Inspection Change

BILL ANALYSIS

Committee:	House Finance	**Sponsor:**	Sen. Jenkins
Date:	July 6, 2004	**Analysis by:**	Martha Walston
Version:	2nd Edition		Committee Counsel

SUMMARY: Senate Bill 1083 would stagger the issuance of commercial motor vehicle plates and motor vehicle dealer licenses.

The 2nd Edition would exempt historic vehicles from the annual safety inspection requirements.

SB 1083 becomes effective January 1, 2005. House Bill 1383, a companion bill sponsored by Rep. Gillespie, is in House Rules.

CURRENT LAW: Under current law, commercial motor vehicle plates expire on December 31 and motor vehicle dealer licenses expire on June 30 of each year.

BILL ANALYSIS:

Section 1 is a conforming change to the statute governing transfer of plates to delete a prohibition on transfer of plates after December 31 of the year of issuance.

Section 2 changes the statutes governing expiration of the registration sticker for a vehicle registered under the International Registration Plan. Under current law, all stickers expire December 31st and are valid through February 15th. This section would make the expiration date the last day of the month of renewal, but remain valid until the 15th of the next month.

Section 3 amends the statute governing renewal of vehicle registrations to repeal a subsection providing for expiration of calendar-year plate expiration at midnight on December 31 of each year. The effect of this change is to authorize staggered expiration of commercial plates.

Section 4 provides for staggered issuance of dealer license plates, and makes a conforming change to the law governing the determination of the number of dealer plates issued to dealers.

Section 5 amends the vehicle registration fee statute to delete a reference to payment of registration fees on the first day of January.

Section 6 amends the wrecker fee statute to delete a reference to payment of fees on the first day of January.

Section 7 amends the semitrailer and trailer fee statute to delete a reference to payment of fees on the first day of January.

Section 8 amends the statute authorizing partial and deferred payments for registration fees over $400 to conform with staggered registration.

Section 9 staggers motor vehicle dealer and manufacturers license registration.

The 2nd Edition of the bill adds Section 10. This section exempts historic vehicles from safety inspections. Under current law, an historic vehicle is defined as a motor vehicle that is at least 35 years old measured from the date of manufacture. Historic vehicles would no longer pay the following fees for performing an inspection and for issuance of an inspection sticker:

Type	Inspection	Sticker
Safety Only	$ 8.25	$ .85

The fees for issuance of the sticker are payable to the Division of Motor Vehicles. The amount of each sticker fee listed in the table below is credited to the following recipients:

Recipients	Safety Only Sticker
Highway Fund	.55
Emissions Program Account	.00
Telecommunications Account	.00
Volunteer Rescue/EMS Fund	.18
Rescue Squad Workers' Relief Fund	.12
Division of Air Quality	.00
Highway Trust Fund Repayment Fee	.00

Volunteer Rescue/ EMS Fund	($7,645)	($15,596)	($15,908)	($16,226)	($16,550)
Rescue Squad Workers Relief Fund	($5,097)	($10,397)	($10,605)	($10,817)	($11,034)
TOTAL	($36,102)	($73,647)	($75,120)	($76,623)	($78,155)

POSITIONS: (cumulative)

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Division of Motor Vehicles (DMV); Highway Fund; Volunteer Rescue/EMS Fund (G.S. 58-87-5), Rescue Squad Workers' Relief Fund (G.S. 58-88-5).

EFFECTIVE DATE: January 1, 2005

BILL SUMMARY:

Under current law, commercial motor vehicle plates expire on December 31 and motor vehicle dealer licenses expire on June 30 each year. Sections 1-9 of the bill would stagger the issuance of commercial motor vehicle plates and motor vehicle dealer licenses. Section 10 would exempt motor vehicles 35 or more model years old from safety inspection.

ASSUMPTIONS AND METHODOLOGY:

Sections 1-9

According to DMV, implementation of Sections 1-9 of this legislation would require major, complex changes to three large computer systems: State Title and Registration System (STARS), International Registration Plan (IRP) system, and the Dealer system. DMV has outlined the required changes in a Technical Considerations document. A summary of the expected costs is as follows:

Activity	Hours
Analysis	1,500
Design	1,700
Programming/Specification	1,000
Programming/Testing	6,200
System Testing	650
Client Testing	1,500
Training	240
Implementation	550
Post Implementation	1,100
TOTAL	14,440

Each hour costs $80 for a total of ($80 x 14,400) $1,155,200. In addition, there are computer overhead charges of 15% of programming and testing and implementation hours that equal (.15 x $80 x 8,900) $106,800. The total expected cost is $1,262,000, which would come from the Highway Fund.

Section 10

Data from the Division of Motor Vehicles indicate that approximately 84,945 vehicles over 35 model years old would qualify for this safety inspection exemption in the first year. It is assumed that the number of vehicles qualifying would grow by 2% each year. G.S. 20-183.7 sets the fee for the issuance of an inspection sticker. The fee is $0.85 with $0.55 going to the Highway Fund, $0.18 going to the Volunteer Rescue/EMS Fund, and $0.12 going to the Rescue Squad Workers' Relief Fund. The loss of revenue to each of the funds is shown above.

SOURCES OF DATA: Division of Motor Vehicles (DMV)

TECHNICAL CONSIDERATIONS: DMV notes that the complexity of the IT changes required for Sections 1-9 would make it impossible for the agency to complete these changes by January 1, 2005.

Referred to:

March 10, 2003

A BILL TO BE ENTITLED

AN ACT TO AMEND THE AUTHORITY OF THE NORTH CAROLINA STATE BAR CONCERNING PARALEGALS AND FEES RELATING TO CERTIFICATION AND TO EXTEND THE SUNSET OF THE INDUSTRIAL COMMISSION FEE EARMARKED FOR INFORMATION TECHNOLOGY.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 84-23 reads as rewritten:

"**§ 84-23. Powers of Council.**

(a) ~~Subject to the superior authority of the General Assembly to legislate thereon by general law, and except as herein otherwise limited, the~~ The Council is ~~hereby~~ vested, as an agency of the State, with the authority to regulate the professional conduct of licensed ~~attorneys.~~ lawyers and State Bar certified paralegals. Among other powers, the Council shall administer this Article; take actions that are necessary to ensure the competence of ~~lawyers;~~ lawyers and State Bar certified paralegals; formulate and adopt rules of professional ethics and conduct; investigate and prosecute matters of professional misconduct; grant or deny petitions for reinstatement; resolve questions pertaining to membership status; arbitrate disputes concerning legal fees; certify legal ~~specialists;~~ specialists and paralegals and charge fees to applicants and participants necessary to administer these certification programs; determine whether a member is disabled; and formulate and adopt procedures for accomplishing these purposes. The Council may do all things necessary in the furtherance of the purposes of this Article that are not otherwise prohibited by law.

(b) The Council or any committee ~~thereof,~~ of the Council, including the Client Security Fund and the Disciplinary Hearing Commission or any committee ~~thereof,~~ of the Commission, ~~shall have the authority to~~ may subpoena financial records of any licensed ~~attorneys, attorneys~~ lawyers, lawyers whose licenses have been suspended, or disbarred ~~attorneys,~~ lawyers, relating to any account into which client or fiduciary funds have been deposited.

(c) The Council may publish an official journal concerning matters of interest to the legal ~~profession and~~ profession.

(d) The Council may acquire, hold, rent, encumber, alienate, and otherwise deal with real or personal property in the same manner as any private person or corporation, subject only to the approval of the Governor and the Council of State as to the acquisition, rental, encumbering, leasing and sale of real property. The Council ~~is authorized and empowered in its discretion to~~ may utilize the services of the Purchase and Contract Division of the Department of Administration ~~for the procurement of~~ to procure personal property, in accordance with the provisions of Article 3 of Chapter 143 of the General ~~Statutes; and to do all things necessary in the furtherance of the purposes of this Article as are not prohibited by law.~~ Statutes."

SECTION 2. G.S. 84-37 reads as rewritten:

"**§ 84-37. State Bar may investigate and enjoin unauthorized ~~practice.~~ activities.**

(a) The Council or any committee appointed by it for that purpose may inquire into and investigate any charges or complaints of (i) unauthorized or unlawful practice of ~~law.~~ law or (ii) the use of the designations, "North Carolina Certified Paralegal," "North Carolina State Bar Certified Paralegal," or "Paralegal Certified by the North Carolina State Bar Board of Paralegal Certification," by individuals who have not been certified in accordance with the rules adopted by the North Carolina State Bar. ~~The Council or any committee of its members appointed for that purpose may inquire into and investigate any charges or complaints of unauthorized or unlawful practice of law.~~ The Council may bring or cause to be brought and ~~maintain~~ maintained in the name of the North Carolina State Bar an action or actions, upon information or upon the complaint of any person or entity against any person or entity that engages in rendering any legal ~~service~~ service, holds himself or herself out as a North Carolina certified paralegal by use of the designations set forth in this subsection, or makes it a practice or business to render legal services ~~which~~ that are unauthorized or prohibited by ~~law or statutes relative thereto.~~law. No bond for cost shall be required in the proceeding.

(b) In an action brought under this ~~section~~section, the final judgment if in favor of the plaintiff shall perpetually restrain the defendant or defendants from the commission or continuance of the unauthorized or unlawful act or ~~acts complained of.~~acts. A temporary injunction to restrain the commission or continuance ~~thereof~~ of the act or acts may be granted upon proof or by affidavit, that the defendant or defendants have violated any of the ~~laws or statutes~~ laws applicable to unauthorized or unlawful practice of ~~law.~~ law or the unauthorized use of the designations set forth in subsection (a) of this section or any other designation implying certification by the State Bar. The provisions of ~~statute or rules~~ law relating generally to injunctions as provisional remedies in actions shall apply to a temporary injunction and the proceedings ~~thereunder.~~ for temporary injunctions.

(c) The venue for actions brought under this section shall be the superior court of any county in which the relevant acts ~~constituting unauthorized or unlawful practice of law~~ are alleged to have been committed or in which there appear reasonable grounds that they will be ~~committed~~ committed ~~or~~ in the county where the defendants in the action ~~reside~~ reside, or in Wake County.

(d) The plaintiff in the action shall be entitled to ~~examination of~~ examine the adverse party and witnesses before filing complaint and before trial in the same manner as provided by law for ~~the examination of~~ examining parties.

(e) This section shall not repeal or ~~curtail~~ limit any remedy now provided in cases of unauthorized or unlawful practice of ~~law, and nothing~~ law. Nothing contained ~~herein~~ in this section shall be construed as disabling or abridging the inherent powers of the court in these matters.

(f) The Council or its duly appointed committee ~~has the authority to~~ may issue advisory opinions in response to inquiries from members or the public regarding whether contemplated conduct would constitute the unauthorized practice of law."

SECTION 3. Section 12.6C(e) of S.L. 2003-284 reads as rewritten:

"**SECTION 12.6C.(e)** The Commission may retain additional fees as authorized by subsection (a) of this section ~~only in the 2003-2005 fiscal biennium and shall not retain any additional fees after the 2003-2005~~ until the 2009-2011 fiscal biennium."

SECTION 4. This act becomes effective October 1, 2004.

HOUSE BILL 356:
Fees

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Reps. Tolson & LaRoque
Date:	July 8, 2004	**Summary by:**	Trina Griffin
Version:	2nd Edition		Committee Counsel

SUMMARY: The 2nd Edition of House Bill 356 authorizes the North Carolina State Bar to recognize paralegals meeting certain criteria as "State Bar Certified Paralegals" and to charge fees relating to certification. It also extends the sunset of the Industrial Commission fee earmarked for information technology. THIS BILL IS IN THE HOUSE FOR CONCURRENCE.

CURRENT LAW: The North Carolina State Bar, which is an agency of the State, regulates the professional conduct of lawyers in North Carolina. The State Bar is governed by the State Bar Council and its various Boards and Committees. In an effort to better inform the public, the State Bar Council has recognized certain specialties of practice and when lawyers who practice in those specialties meet certain established criteria, they may hold themselves out as being a State Bar Certified Specialist in a particular area such as criminal law, real property law, bankruptcy, or other area approved by the Council.

BILL ANALYSIS:

SECTIONS 1 & 2:

Sections 1 and 2 of House Bill 356 would allow the State Bar to recognize paralegals that meet established criteria to be "State Bar Certified Paralegals" and to charge fees to applicants and participants necessary to administer the certification program. The program is voluntary; paralegals would not be required to participate. However, participation in the program would enable those paralegals to use the designation "North Carolina State Bar Certified Paralegal." The bill would give the State Bar authority to administer the certification program for paralegals in substantially the same manner and with the same authority that it currently administers the certification program for lawyers.

The certified paralegal designation has been requested by the paralegal associations and has been reviewed and studied by the State Bar Council, the North Carolina Bar Association, the Academy of Trial Lawyers, and all of the known paralegal groups.

SECTION 3:

In the 2003 budget bill, the Industrial Commission was authorized to retain the additional revenue generated from raising the fee charged to parties for the filing of compromised settlements from $200 to an amount not exceeding $250 for the purpose of replacing existing computer hardware and software used for the operations of the Commission. The Commission was permitted to retain the additional fees only in the 2003-2005 biennium. Section 3 of the bill would extend the sunset and allow the Industrial Commission to continue retaining these additional fees until the 2009-2011 fiscal biennium.

The bill would become effective October 1, 2004.

BACKGROUND: The content of House Bill 356 has changed since it originally passed the House. When it passed the House, the bill removed a sunset on the law providing that certain secondary suppliers of electric service may furnish service within the corporate limits of a city with written consent from the city and allowing members of an electric membership corporation vote by proxy on decisions to encumber corporate property or to dissolve the corporation.

FISCAL ANALYSIS MEMORANDUM

[This confidential fiscal memorandum is a fiscal analysis of a draft bill, amendment, committee substitute, or conference committee report that has not been formally introduced or adopted on the chamber floor or in committee. This is not an official fiscal note.]

	FY 2004-05	FY 2005-06	FY 2006-07	FY 2007-08	FY 2008-09
REVENUES					
Council of the NC State Bar	No General Fund Impact				
Industrial Commission	No General Fund Impact				

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: North Carolina State Bar; North Carolina Industrial Commission

EFFECTIVE DATE: October 1, 2004

BILL SUMMARY:
Section 1 of the bill authorizes the Council of the North Carolina State Bar to regulate the professional conduct of State Bar certified paralegals, take actions to ensure the competence of such paralegals, and to charge fees for certification. It also updates and clarifies the existing language. Section 2 expands the Bar's investigative authority to include inappropriate representation as a Bar certified paralegal and makes other conforming changes. Section 3 of the proposed bill amends subsection (e) of SL 2003-284 sec. 12.6C (Industrial Commission Fees/Computer System Replacement) to provide that the Commission may retain authorized fees until the 2009-2011 fiscal biennium.

ASSUMPTIONS AND METHODOLOGY:

Paralegal Fees

The bill does not specify or cap the fees that can be charged for paralegal certification. State Bar officials indicate that they have yet to set a proposed fee, but hope the fee will cover the cost of the program. They indicate that they plan to use existing staff, so the primary cost will be related to computer programming.

Because certification is currently voluntary, no information is available concerning the number of paralegals and legal assistants that may be impacted by this legislation. However, the National Association of Legal Assistants, which certifies paralegals nationally, indicate that 326 North Carolinians have passed their certification program. The State Bar Association indicates that 628 paralegals have registered as members of this Legal Assistants Division.

Industrial Commission Fees

The 2003-04 budget bill allowed the Industrial Commission to retain additional revenue generated by raising the fee charged to parties for the filing of compromise settlements from $200 to $250 for computer systems replacement. The fees collected up to $200 for each compromise settlement continue to be directed to the state's General Fund. The budget provision allowed the Industrial Commission to retain the additional fees only in the 2003-2005 fiscal biennium. The proposed legislation would allow the Industrial Commission to keep their additional receipts for IT purposes for four more years until the 2009-2011 fiscal biennium.

The additional revenue generated by the Industrial Commission this past year to be used for their IT needs was $483,571. This amount is approximately $100,000 higher than expected for an average year, because a number of asbestos cases were settled via compromise settlements with large companies all at once this year. The Industrial Commission has set aside all the money generated thus far this year and has begun to lay out their technical requirements internally. They were required to have a demonstrated revenue stream before putting out bids for the necessary work in stages, hence the desire to extend the sunset until the 2009-2011 fiscal biennium.

House Committee on Finance

Minutes

~

July 13, 2004

The House Committee on Finance met on Tuesday, July 13, 2004 at 8:30 am in Room 544 of the Legislative Office Building. The following members were present: Chairpersons G. Allen, Howard, and McComas; Vice-Chairs Alexander and Hill; and Representatives Blackwood, Bordsen, Carney, Cole, Glazier, Harrell, Holliman, McGee, Setzer, and Womble. Also present were Sergeant-at-Arms Bob Fowler, Bill Freeman, Dusty Rhodes, Phillip Schreisman, and Walter Spell. Staff persons present included Richard Bostic, Trina Griffin, and Martha Walston. The Agenda and Visitor Registration Sheets are attached and incorporated into these minutes as **attachments 1 and 2.**

Chairman McComas called the meeting to order at 8:34 am and recognized the six (6) pages present: (1) Donald Beal of Lenoir County, sponsored by Representative LaRoque; (2) Douglas Beal of Lenoir County, sponsored by Representative LaRoque; (3) Johnny Brown of Guilford County, sponsored by Representative Jeffus; (4) John Flynt of Guilford County, sponsored by Representative Blust; (5) Kimberly White of Buncombe County, sponsored by Representative Goforth; and (6) Joseph Winslow of Pasquotank County, sponsored by Representative Blust.

Representative Glazier was recognized to explain the first bill considered by the Committee: **HB 356 - FEES** (see **attachment 3**). Representative Glazier explained that the bill authorizes the North Carolina State Bar to recognize paralegals meeting certain criteria as "State Bar Certified Paralegals" and to charge fees relating to this certification. It also extends the sunset of the Industrial Commission fee earmarked for information technology. Chairman McComas recognized Representative Womble who moved that the Committee offer a recommendation that the House concur with the Senate Committee Substitute for House Bill 356. Hearing no further debate, Chairman McComas brought the motion to a vote and it carried without objection.

The next bill considered by the Committee was **SB 1060 – TOWN OF FRANKLIN OCCUPANCY TAX** (see **attachment 4**). Chairman McComas recognized Trina Griffin, Research Staff, (on behalf of Senator Carpenter) who explained the bill to the Committee members. Senate Bill 1060 would authorize the Town of Franklin to levy a 3% room occupancy tax. Two-thirds of the proceeds would be used to promote travel and tourism and one-third would be used for tourism related expenditures. This bill was given a favorable report by the Occupancy Tax Subcommittee. The Chair recognized Representative Alexander who moved for a favorable report for Senate Bill 1060. Hearing no further debate, Chairman McComas brought the motion to a vote and it carried without objection.

SB 1181 – MODIFY ALLEGHANY OCCUPANCY TAX (see **attachment 5**) was the next bill considered by the Committee. Chairman McComas recognized the bill sponsor, Senator Foxx, to explain the bill. Senator Foxx then explained that the bill would modify the administrative provisions of the existing Alleghany County occupancy tax. The bill would not change the rate of the tax, but it would remove the exemption from the tax for a business that offers to rent fewer than five units. Senator Foxx further explained that Senate Bill 1181 would modify the distribution and use of the tax proceeds. Following this explanation, Chairman McComas recognized Representative Alexander, Chair of the Occupancy Tax Subcommittee who commented on the bill. She said that the bill received a favorable report from the Subcommittee, but wanted to note that Section 1 of the bill creates a different procedure than what would normally occur. Alleghany County would not have a Tourism Development Authority (TDA) (which is normally required) until the occupancy tax revenues collected exceed $100,000. (Currently, the tax is producing only $25,000 in revenues.) Until that threshold is surpassed the Chamber of Commerce would collect the occupancy taxes for the county. Representative Alexander concluded her comments by moving for a favorable report for Senate Bill 1181. Hearing no further debate, the Chair brought the motion to a vote and it carried without objection.

Chairman McComas then recognized Representative Hill, on behalf of the bill sponsor Senator Soles, to explain the last bill considered by the Committee: **SB 1343 – WHITEVILLE ANNEXATION** (see **attachment 6**). Representative Hill explained that the bill would allow the Town of Whiteville to annex certain described property into its corporate limits. The primary reason for annexing the property is so that the town could properly maintain newly installed infrastructure. The Chair recognized Representative Howard who moved for a favorable report for Senate Bill 1343. Chairman McComas then recognized Representative Womble who asked the bill sponsor if there was any known opposition to the proposed bill. Representative Hill responded by saying that the annexation was voluntary and that the bill would not alter the taxes of the Town. Hearing no further debate, Chairman McComas called Representative Howard's motion for a favorable report to a vote and it carried without opposition.

Having no further business before the Committee, Chairman McComas adjourned the meeting at 8:43 am.

Respectfully submitted,

Representative Danny McComas
Presiding Chair

Jason A. Cannon
Clerk, House Committee on Finance

A BILL TO BE ENTITLED

AN ACT TO AMEND THE AUTHORITY OF THE NORTH CAROLINA STATE BAR CONCERNING PARALEGALS AND FEES RELATING TO CERTIFICATION AND TO EXTEND THE SUNSET OF THE INDUSTRIAL COMMISSION FEE EARMARKED FOR INFORMATION TECHNOLOGY.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 84-23 reads as rewritten:

"**§ 84-23. Powers of Council.**

(a) ~~Subject to the superior authority of the General Assembly to legislate thereon by general law, and except as herein otherwise limited, the~~ The Council is ~~hereby~~ vested, as an agency of the State, with the authority to regulate the professional conduct of licensed ~~attorneys.~~ lawyers and State Bar certified paralegals. Among other powers, the Council shall administer this Article; take actions that are necessary to ensure the competence of ~~lawyers;~~ lawyers and State Bar certified paralegals; formulate and adopt rules of professional ethics and conduct; investigate and prosecute matters of professional misconduct; grant or deny petitions for reinstatement; resolve questions pertaining to membership status; arbitrate disputes concerning legal fees; certify legal ~~specialists;~~ specialists and paralegals and charge fees to applicants and participants necessary to administer these certification programs; determine whether a member is disabled; and formulate and adopt procedures for accomplishing these purposes. The Council may do all things necessary in the furtherance of the purposes of this Article that are not otherwise prohibited by law.

(b) The Council or any committee ~~thereof,~~ of the Council, including the Client Security Fund and the Disciplinary Hearing Commission or any committee ~~thereof,~~ of the Commission, ~~shall have the authority to~~ may subpoena financial records of any licensed ~~attorneys, attorneys~~ lawyers, lawyers whose licenses have been suspended, or disbarred ~~attorneys,~~ lawyers, relating to any account into which client or fiduciary funds have been deposited.

(c) The Council may publish an official journal concerning matters of interest to the legal ~~profession and~~ profession.

(d) The Council may acquire, hold, rent, encumber, alienate, and otherwise deal with real or personal property in the same manner as any private person or corporation, subject only to the approval of the Governor and the Council of State as to the acquisition, rental, encumbering, leasing and sale of real property. The Council ~~is authorized and empowered in its discretion to~~ may utilize the services of the Purchase and Contract Division of the Department of Administration ~~for the procurement of~~ to procure personal property, in accordance with the provisions of Article 3 of Chapter 143 of the General ~~Statutes; and to do all things necessary in the furtherance of the purposes of this Article as are not prohibited by law.~~ Statutes."

SECTION 2. G.S. 84-37 reads as rewritten:

"**§ 84-37. State Bar may investigate and enjoin unauthorized ~~practice.~~ activities.**

(a) The Council or any committee appointed by it for that purpose may inquire into and investigate any charges or complaints of (i) unauthorized or unlawful practice of ~~law.~~ law or (ii) the use of the designations, "North Carolina Certified Paralegal," "North Carolina State Bar Certified Paralegal," or "Paralegal Certified by the North Carolina State Bar Board of Paralegal Certification," by individuals who have not been certified in accordance with the rules adopted by the North Carolina State Bar. ~~The Council or any committee of its members appointed for that purpose may inquire into and investigate any charges or complaints of unauthorized or unlawful practice of law.~~ The Council may bring or cause to be brought and ~~maintain~~ maintained in the name of the North Carolina State Bar an action or actions, upon information or upon the complaint of any person or entity against any person or entity that engages in rendering any legal ~~service~~ service, holds himself or herself out as a North Carolina certified paralegal by use of the designations set forth in this subsection, or makes it a practice or business to render legal services ~~which~~ that are unauthorized or prohibited by ~~law or statutes relative thereto.~~law. No bond for cost shall be required in the proceeding.

(b) In an action brought under this ~~section~~section, the final judgment if in favor of the plaintiff shall perpetually restrain the defendant or defendants from the commission or continuance of the unauthorized or unlawful act or ~~acts complained of.~~acts. A temporary injunction to restrain the commission or continuance ~~thereof~~ of the act or acts may be granted upon proof or by affidavit, that the defendant or defendants have violated any of the ~~laws or statutes~~ laws applicable to unauthorized or unlawful practice of ~~law.~~ law or the unauthorized use of the designations set forth in subsection (a) of this section or any other designation implying certification by the State Bar. The provisions of ~~statute or rules~~ law relating generally to injunctions as provisional remedies in actions shall apply to a temporary injunction and the proceedings ~~thereunder.~~ for temporary injunctions.

(c) The venue for actions brought under this section shall be the superior court of any county in which the relevant acts ~~constituting unauthorized or unlawful practice of law~~ are alleged to have been committed or in which there appear reasonable grounds that they will be ~~committed~~ committed ~~or~~ in the county where the defendants in the action ~~reside~~ reside, or in Wake County.

(d) The plaintiff in the action shall be entitled to ~~examination of~~ examine the adverse party and witnesses before filing complaint and before trial in the same manner as provided by law for ~~the examination of~~ examining parties.

(e) This section shall not repeal or ~~curtail~~ limit any remedy now provided in cases of unauthorized or unlawful practice of ~~law, and nothing~~ law. Nothing contained ~~herein~~ in this section shall be construed as disabling or abridging the inherent powers of the court in these matters.

(f) The Council or its duly appointed committee ~~has the authority to~~ may issue advisory opinions in response to inquiries from members or the public regarding whether contemplated conduct would constitute the unauthorized practice of law."

SECTION 3. Section 12.6C(e) of S.L. 2003-284 reads as rewritten:

"**SECTION 12.6C.(e)** The Commission may retain additional fees as authorized by subsection (a) of this section ~~only in the 2003-2005 fiscal biennium and shall not retain any additional fees after the 2003-2005~~ until the 2009-2011 fiscal biennium."

SECTION 4. This act becomes effective October 1, 2004.

HOUSE BILL 356:
Fees

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Reps. Tolson & LaRoque
Date:	July 8, 2004	**Summary by:**	Trina Griffin
Version:	2nd Edition		Committee Counsel

SUMMARY: ***The 2nd Edition of House Bill 356 authorizes the North Carolina State Bar to recognize paralegals meeting certain criteria as "State Bar Certified Paralegals" and to charge fees relating to certification. It also extends the sunset of the Industrial Commission fee earmarked for information technology. THIS BILL IS IN THE HOUSE FOR CONCURRENCE.***

CURRENT LAW: The North Carolina State Bar, which is an agency of the State, regulates the professional conduct of lawyers in North Carolina. The State Bar is governed by the State Bar Council and its various Boards and Committees. In an effort to better inform the public, the State Bar Council has recognized certain specialties of practice and when lawyers who practice in those specialties meet certain established criteria, they may hold themselves out as being a State Bar Certified Specialist in a particular area such as criminal law, real property law, bankruptcy, or other area approved by the Council.

BILL ANALYSIS:

SECTIONS 1 & 2:

Sections 1 and 2 of House Bill 356 would allow the State Bar to recognize paralegals that meet established criteria to be "State Bar Certified Paralegals" and to charge fees to applicants and participants necessary to administer the certification program. The program is voluntary; paralegals would not be required to participate. However, participation in the program would enable those paralegals to use the designation "North Carolina State Bar Certified Paralegal." The bill would give the State Bar authority to administer the certification program for paralegals in substantially the same manner and with the same authority that it currently administers the certification program for lawyers.

The certified paralegal designation has been requested by the paralegal associations and has been reviewed and studied by the State Bar Council, the North Carolina Bar Association, the Academy of Trial Lawyers, and all of the known paralegal groups.

SECTION 3:

In the 2003 budget bill, the Industrial Commission was authorized to retain the additional revenue generated from raising the fee charged to parties for the filing of compromised settlements from $200 to an amount not exceeding $250 for the purpose of replacing existing computer hardware and software used for the operations of the Commission. The Commission was permitted to retain the additional fees only in the 2003-2005 biennium. Section 3 of the bill would extend the sunset and allow the Industrial Commission to continue retaining these additional fees until the 2009-2011 fiscal biennium.

The bill would become effective October 1, 2004.

BACKGROUND: The content of House Bill 356 has changed since it originally passed the House. When it passed the House, the bill removed a sunset on the law providing that certain secondary suppliers of electric service may furnish service within the corporate limits of a city with written consent from the city and allowing members of an electric membership corporation vote by proxy on decisions to encumber corporate property or to dissolve the corporation.

NORTH CAROLINA GENERAL ASSEMBLY
LEGISLATIVE FISCAL NOTE

BILL NUMBER: House Bill 356 (Second Edition)

SHORT TITLE: Remove Sunset/Municipal Electric Service.

SPONSOR(S): Representatives Tolson and LaRoque

REVENUES					
Council of the NC State Bar	No General Fund Impact				
Industrial Commission	No General Fund Impact				

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: North Carolina State Bar; North Carolina Industrial Commission

EFFECTIVE DATE: October 1, 2004

BILL SUMMARY:
Section 1 of the bill authorizes the Council of the North Carolina State Bar to regulate the professional conduct of State Bar certified paralegals, take actions to ensure the competence of such paralegals, and to charge fees for certification. It also updates and clarifies the existing language. Section 2 expands the Bar's investigative authority to include inappropriate representation as a Bar certified paralegal and makes other conforming changes. Section 3 of the proposed bill amends subsection (e) of SL 2003-284 sec. 12.6C (Industrial Commission Fees/Computer System Replacement) to provide that the Commission may retain authorized fees until the 2009-2011 fiscal biennium.

ASSUMPTIONS AND METHODOLOGY:

Paralegal Fees
The bill does not specify or cap the fees that can be charged for paralegal certification. State Bar officials indicate that they have yet to set a proposed fee, but hope the fee will cover the cost of the program. They indicate that they plan to use existing staff, so the primary cost will be related to computer programming.

Because certification is currently voluntary, no information is available concerning the number of paralegals and legal assistants that may be impacted by this legislation. However, the National Association of Legal Assistants, which certifies paralegals nationally, indicate that 326 North Carolinians have passed their certification program. The State Bar Association indicates that 628 paralegals have registered as members of this Legal Assistants Division.

Industrial Commission Fees

The 2003-04 budget bill allowed the Industrial Commission to retain additional revenue generated by raising the fee charged to parties for the filing of compromise settlements from $200 to $250 for computer systems replacement. The fees collected up to $200 for each compromise settlement continue to be directed to the state's General Fund. The budget provision allowed the Industrial Commission to retain the additional fees only in the 2003-2005 fiscal biennium. The proposed legislation would allow the Industrial Commission to keep their additional receipts for IT purposes for four more years until the 2009-2011 fiscal biennium.

The additional revenue generated by the Industrial Commission this past year to be used for their IT needs was $483,571. This amount is approximately $100,000 higher than expected for an average year, because a number of asbestos cases were settled via compromise settlements with large companies all at once this year. The Industrial Commission has set aside all the money generated thus far this year and has begun to lay out their technical requirements internally. They were required to have a demonstrated revenue stream before putting out bids for the necessary work in stages, hence the desire to extend the sunset until the 2009-2011 fiscal biennium.

RE: North Carolina State Bar's Plan for Paralegal Certification

Dear Mr. Lunsford:

Founded in 1980, the North Carolina Paralegal Association, Inc. ("NCPA") is a professional association with over 500 members statewide. Our primary purpose is to promote, educate, and enhance the paralegal profession in the state of North Carolina.

NCPA initiated the formation of the Alliance for Paralegal Professional Standards ("APPS") and we continue our support to help define and regulate the paralegal profession in North Carolina. We would like to take this opportunity to thank the North Carolina State Bar for the creation and adoption of the Plan for Certification of Paralegals and for working with APPS to elevate the integrity and competency of paralegals in North Carolina by establishing a professional standard.

Very truly yours,

Belinda T. Pruitt, CLAS
President

Mr. Dudley Humphrey
President
North Carolina State Bar
Post Office Box 25908
Raleigh, NC 27611-5908

Dear Mr. Humphrey:

Please accept this letter as an expression of support of the North Carolina Community College System for the plan which has been developed for certifying paralegals by the North Carolina State Bar. The North Carolina Community College System has sixteen paralegal programs across the state. We believe that the certification process would give value to the graduates of our program and would thus enhance them in the eyes of prospective students. Furthermore, as an erstwhile lawyer, I believe that better education and certification will enhance the practice of law.

We have reviewed with the leadership of the Alliance for Paralegal Professional Standards the proposal which has been worked out between the North Carolina State Bar and that Alliance. We believe that this scheme is innovative and will work very well to achieve the purposes of paralegals and lawyers in the state. Thank you for working cooperatively with the Alliance on this initiative.

With kindest regards, I am

Sincerely,

H. Martin Lancaster

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2003

S 1

SENATE BILL 1060

Short Title:	Town of Franklin Occupancy Tax.	(Local)
Sponsors:	Senator Carpenter.	
Referred to:	Finance.	

May 13, 2004

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE TOWN OF FRANKLIN TO LEVY A ROOM OCCUPANCY AND TOURISM DEVELOPMENT TAX.

The General Assembly of North Carolina enacts:

SECTION 1. Occupancy tax. – (a) Authorization and Scope. – The Board of Aldermen of the Town of Franklin may levy a room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the town that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations when furnished in furtherance of their nonprofit purpose.

SECTION 1.(b) Administration. – A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 160A-215. The penalties provided in G.S. 160A-215 apply to a tax levied under this section.

SECTION 1.(c) Distribution and use of tax revenue. – The Town of Franklin shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the Franklin Tourism Development Authority. The Authority shall use at least two-thirds of the funds remitted to it under this subsection to promote travel and tourism in Franklin and shall use the remainder for tourism-related expenditures.

The following definitions apply in this subsection:

(1) Net proceeds. – Gross proceeds less the cost to the town of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars ($500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross receipts collected each year.

(2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract

tourists or business travelers to the area; the term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. – Expenditures that, in the judgment of the Franklin Tourism Development Authority, are designed to increase the use of lodging facilities, meeting facilities, or convention facilities in the town or to attract tourists or business travelers to the town. The term includes tourism-related capital expenditures.

SECTION 2. Tourism Development Authority. – (a) Appointment and Membership. – When the Board of Aldermen adopts a resolution levying a room occupancy tax under this act, it shall also adopt a resolution creating the Franklin Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The resolution shall provide for the membership of the Authority, including the members' terms of office, and for the filling of vacancies on the Authority. At least one-third of the members must be individuals who are affiliated with businesses that collect the tax in the town and at least three-fourths of the members must be individuals who are currently active in the promotion of travel and tourism in the town. The Board of Aldermen shall designate one member of the Authority as chair and shall determine the compensation, if any, to be paid to members of the Authority.

The Authority shall meet at the call of the chair and shall adopt rules of procedure to govern its meetings. The Finance Officer for the Town of Franklin shall be the ex officio finance officer of the Authority.

SECTION 2.(b) Duties. – The Authority shall expend the net proceeds of the tax levied under this act for the purposes provided in Section 1 of this act. The Authority shall promote travel, tourism, and conventions in the town, sponsor tourist-related events and activities in the town, and finance tourist-related capital projects in the town.

SECTION 2.(c) Reports. – The Authority shall report quarterly and at the close of the fiscal year to the Board of Aldermen on its receipts and expenditures for the preceding quarter and for the year in such detail as the Board of Aldermen may require.

SECTION 3. City administrative provisions. – G.S. 160A-215(g) reads as rewritten:

"(g) This section applies only to Beech Mountain District W, to the Cities of Gastonia, Goldsboro, Greensboro, High Point, Kings Mountain, Lexington, Lincolnton, Lumberton, Monroe, Mount Airy, Shelby, Statesville, Washington, and Wilmington, to the Towns of Beech Mountain, Blowing Rock, Carolina Beach, Carrboro, Franklin, Kure Beach, Jonesville, Mooresville, North Topsail Beach, Selma, Smithfield, St. Pauls, Wilkesboro, and Wrightsville Beach, and to the municipalities in Avery and Brunswick Counties."

SECTION 4. This act is effective when it becomes law.

SENATE BILL 1060:
Town of Franklin Occupancy Tax

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Sen. Carpenter
Date:	July 13, 2004	**Summary by:**	Cindy Avrette
Version:	1st Edition		Committee Counsel

SUMMARY: ***Senate Bill 1060 authorizes the town of Franklin to levy a 3% room occupancy tax. Two-thirds of the proceeds would be used to promote travel and tourism and one-third would be used for tourism-related expenditures. This bill was given a favorable report by the Occupancy Tax Subcommittee.***

CURRENT LAW: Currently, the town of Franklin does not have authority to levy a room occupancy tax. Franklin is located in Macon County, which does has have authority to levy a 3% occupancy tax. The proceeds of the county tax are used to promote travel and tourism in the county.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. In several instances, the General Assembly has authorized both a county and a city within that county to impose an occupancy tax. The rate of tax, the use of the tax proceeds, the administration of the tax, and the body with the authority to determine how the tax proceeds will be spent vary considerably. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax legislation – G.S. 153A-155 and G.S. 160A-215. These provisions provide uniformity in the areas of levy, administration, collection, repeal, and penalties.

The North Carolina Travel and Tourism Coalition has a policy statement for legislation authorizing local occupancy taxes. Many of the principles contained in its statement are similar to the ones established by a House Finance subcommittee on Occupancy Taxes in 1993.

BILL ANALYSIS: Senate Bill 1060 authorizes the Town of Franklin to levy a room occupancy tax of up to 3%. The proceeds must be remitted to a town Tourism Development Authority (TDA), which must use two-thirds of the proceeds to promote travel and tourism and one-third for tourism-related expenditures. These administrative and use provisions conform to the uniform guidelines referenced above and detailed in the chart below:

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related expenditures.
Definitions The term "net proceeds", "promote travel and tourism", and "tourism related expenditures" are defined terms.
Administration – The net revenues must be administered by a local tourism development authority that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least ¾ of the members must be currently active in the promotion of travel and tourism in the county and 1/3 of the members must be affiliated with organizations that collect the tax.
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first $500,000 collected each year plus 1% of the remainder collected each year.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 2003

S 2

SENATE BILL 1181
Second Edition Engrossed 6/2/04

Short Title: Modify Alleghany Occupancy Tax. (Local)

Sponsors: Senator Foxx.

Referred to: Finance.

May 20, 2004

A BILL TO BE ENTITLED

AN ACT TO MODIFY THE ADMINISTRATIVE PROVISIONS OF THE ALLEGHANY OCCUPANCY TAX.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 162 of the 1991 Session Laws reads as rewritten:

"**Section 1.** Occupancy tax. (a) Authorization and scope. – The Alleghany County Board of Commissioners may ~~by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto,~~ levy a room occupancy tax of three percent (3%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by ~~(i) a business that offers to rent fewer than five units, (ii)~~ a summer camp for minors, or ~~(iii)~~by a nonprofit charitable, educational, or religious organization.

~~(b) Collection. Every operator of a business subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax. The county may require a taxpayer to attach to the form a copy of the taxpayer's most recent sales tax report filed with the Secretary of Revenue.~~

(c) Administration. – A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 153A-155. The penalties provided in G.S. 153A-155 apply to a tax levied under this section.~~The county shall~~

~~administer a tax levied under this section. A tax levied under this section is due and payable to the county finance officer in monthly installments on or before the fifteenth day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the fifteenth day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.~~

~~A return filed with the county finance officer under this section is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.~~

~~(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this section shall pay a penalty of ten dollars ($10.00) for each day's omission. In case of failure or refusal to file the return or pay the tax for a period of 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due in addition to any other penalty, with an additional tax of five percent (5%) for each additional month or fraction thereof until the tax is paid. The board of commissioners may, for good cause shown, compromise or forgive the additional tax penalties imposed by this subsection.~~

~~Any person who willfully attempts in any manner to evade a tax imposed under this section or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both.~~

(e) Distribution and use of tax revenue. – Except as otherwise provided in this act, Alleghany County shall, on a quarterly basis, remit ~~one-half of~~ one hundred percent (100%) of the net proceeds of the occupancy tax to the Alleghany County Chamber of Commerce. The chamber of commerce shall use at least two-thirds of the funds remitted to it under this subsection to promote travel and tourism in Alleghany County and shall use the remainder for tourism-related expenditures.~~may spend funds remitted to it under this subsection only to further the development of travel, tourism, and conventions in Alleghany County through State, national, and international advertising and promotion. The chamber of commerce may use no more than one percent (1%) of the funds remitted to it under this subsection for administrative expenses.~~ The chamber of commerce shall report quarterly and at the close of the fiscal year to the Alleghany County Board of Commissioners on its receipts and expenditures for the preceding quarter and for the year in such detail as the board may require.

The following definitions apply in this subsection:

(1) Net proceeds. – Gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars ($500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross receipts collected each year.

(2) Promote travel and tourism. – To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct

market research, or engage in similar promotional activities that attract tourists or business travelers to the area. The term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. – Expenditures that, in the judgment of the entity responsible for expending the net proceeds of the tax, are designed to increase the use of lodging facilities, meeting facilities, or convention facilities in a county or to attract tourists or business travelers to the county. The term includes tourism-related capital expenditures.

~~The county shall retain the remaining net proceeds of the tax and use them only for tourist-related purposes, which may include construction and maintenance of public facilities and buildings, police protection, and emergency services. As used in this subsection, "net proceeds"means gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer.~~

~~(f) Effective date of levy. A tax levied under this section shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.~~

~~(g) Repeal. A tax levied under this section may be repealed by a resolution adopted by the Alleghany County Board of Commissioners. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.~~

Sec. 1.1. Alleghany Tourism Development Authority. – (a) Appointment and Membership. – When the annual net proceeds of the occupancy tax exceed one hundred thousand dollars ($100,000), the Alleghany Board of Commissioners shall adopt a resolution creating a county Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The resolution shall provide for the membership of the Authority, including the members' terms of office, and for the filing of vacancies on the Authority. At least one-third of the members must be individuals who are affiliated with businesses that collect the tax in the county, and at least three-fourths of the members must be individuals who are currently active in the promotion of travel and tourism in the county. The board of commissioners shall designate one member of the Authority as chair and shall determine the compensation, if any, to be paid to the members of the Authority.

The Authority shall meet at the call of the chair and shall adopt rules of procedure to govern its meetings. The Finance Officer for Alleghany County shall be the ex officio finance officer of the Authority.

Sec. 1.2. Duties. – If the board of commissioners establishes a Tourism Development Authority as provided in Section 1.1 of this act, then the Authority shall expend the net proceeds of the tax levied under this Act for the purposes provided in this Act. The Authority shall promote travel, tourism, and conventions in the county,

sponsor tourist-related events and activities in the county, and finance tourist-related capital projects in the county.

Sec. 1.3. Reports. – If the board of commissioners establishes a Tourism Development Authority as provided in Section 1.1 of this act, then the Authority shall report quarterly and at the close of the fiscal year to the Alleghany County Board of Commissioners on its receipts and expenditures for the preceding quarter and for the year in such detail as the board may require.

Sec. 2. This act is effective upon ratification."

SECTION 2. G.S. 153A-155 reads as rewritten:

"**§ 153A-155. Uniform provisions for room occupancy taxes.**

(a) Scope. – This section applies only to counties the General Assembly has authorized to levy room occupancy taxes.

(b) Levy. – A room occupancy tax may be levied only by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto. A room occupancy tax shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.

(c) Collection. – Every operator of a business subject to a room occupancy tax shall, on and after the effective date of the levy of the tax, collect the tax. The tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records and shall be paid by the purchaser to the operator of the business as trustee for and on account of the taxing county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The taxing county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax. An operator of a business who collects a room occupancy tax may deduct from the amount remitted to the taxing county a discount equal to the discount the State allows the operator for State sales and use tax.

(d) Administration. – The taxing county shall administer a room occupancy tax it levies. A room occupancy tax is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the taxing county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied. A room occupancy tax return filed with the county finance officer is not a public record and may not be disclosed except in accordance with G.S. 153A-148.1 or G.S. 160A-208.1.

(e) Penalties. – A person, firm, corporation, or association who fails or refuses to file a room occupancy tax return or pay a room occupancy tax as required by law is subject to the civil and criminal penalties set by G.S. 105-236 for failure to pay or file a return for State sales and use taxes. The governing board of the taxing county has the same authority to waive the penalties for a room occupancy tax that the Secretary of Revenue has to waive the penalties for State sales and use taxes.

(f) Repeal or Reduction. – A room occupancy tax levied by a county may be repealed or reduced by a resolution adopted by the governing body of the county. Repeal or reduction of a room occupancy tax shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the resolution was adopted. Repeal or reduction of a room occupancy tax does not affect a liability for a tax that was attached before the effective date of the repeal or reduction, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal or reduction.

(g) This section applies only to Alleghany, Anson, Brunswick, Buncombe, Cabarrus, Carteret, Craven, Cumberland, Currituck, Dare, Davie, Durham, Granville, Madison, Montgomery, Nash, New Hanover, Pender, Person, Randolph, Richmond, Rowan, Scotland, Stanly, Transylvania, Tyrrell, Vance, and Washington Counties, and to the Township of Averasboro in Harnett County."

SECTION 3. This act is effective when it becomes law.

SENATE BILL 1181:
Modify Alleghany Occupancy Tax

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Sen. Foxx
Date:	July 13, 2004	**Summary by:**	Cindy Avrette
Version:	2nd Edition		Committee Counsel

SUMMARY: ***Senate Bill 1181 modifies the administrative provisions of the Alleghany occupancy tax. It does not change the rate of the tax, but it does remove the exemption from the tax for a business that offers to rent fewer than five units. It also modifies the distribution and use of the tax proceeds. The bill is effective when it becomes law. This bill was given a favorable report by the Occupancy Tax Subcommittee.***

CURRENT LAW: The General Assembly authorized Alleghany County to levy a room occupancy tax of 3% in 1991. One-half of the proceeds are remitted quarterly to the Alleghany County Chamber of Commerce for travel and tourism. The remaining one-half is distributed to the county for tourist-related purposes. The term 'tourist-related purposes' is defined to include the construction and maintenance of public facilities and buildings, police protection, and emergency services. In practice, the county has generally remitted most, if not all, of the net proceeds of the tax to the Alleghany County Chamber of Commerce. The county has recently adopted a resolution stating its intent to give 100% of the net proceeds of the tax to the Chamber of Commerce.

BACKGROUND: Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. In several instances, the General Assembly has authorized both a county and a city within that county to impose an occupancy tax. The rate of tax, the use of the tax proceeds, the administration of the tax, and the body with the authority to determine how the tax proceeds will be spent vary considerably. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax legislation – G.S. 153A-155 and G.S. 160A-215. These provisions provide uniformity in the areas of levy, administration, collection, repeal, and penalties.

The North Carolina Travel and Tourism Coalition has a policy statement for legislation authorizing local occupancy taxes. Many of the principles contained in its statement are similar to the ones established by a House Finance subcommittee on Occupancy Taxes in 1993.

BILL ANALYSIS: Senate Bill 1181 does not change the current 3% occupancy tax rate. It does remove the exemption from the tax for a business that offers to rent fewer than five units. It retains the exemption for a summer camp for minors.

The bill also conforms the administrative and use provisions of Alleghany County's occupancy tax to the uniform guidelines referenced above and detailed in the chart below, with the following exception: the net proceeds of the tax will be distributed to the Alleghany County Chamber of Commerce, which will act as its Tourism Development Authority. When the annual net proceeds of the occupancy tax exceed $100,000, then the County Commissioners must adopt a resolution creating a county Tourism Development Authority and the net proceeds of the tax must be distributed to this Authority to expend. Currently, the County collects approximately $28,000 from its occupancy tax.

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related expenditures.
Definitions The term "net proceeds", "promote travel and tourism", and "tourism related expenditures" are defined terms.
Administration – The net revenues must be administered by a local tourism development authority that has the authority to determine how the tax proceeds will be used, is created by a local ordinance, and at least ¾ of the members must be currently active in the promotion of travel and tourism in the county and 1/3 of the members must be affiliated with organizations that collect the tax.
Costs of Collection – The taxing authority may retain from the revenues its actual costs of collection, not to exceed 3% of the first $500,000 collected each year plus 1% of the remainder collected each year.

NORTH CAROLINA GENERAL ASSEMBLY

LEGISLATIVE FISCAL NOTE

BILL NUMBER: Senate Bill 1181 (First Edition)

SHORT TITLE: Modify Alleghany Occupancy Tax.

SPONSOR(S): Senator Foxx

FISCAL IMPACT

Yes (X) **No ( )** **No Estimate Available ( )**

	($) FY 2004-05	FY 2005-06	FY 2006-07	FY 2007-08	FY 2008-09
REVENUES					
General Fund		**No General Fund Impact**			
Alleghany County/ Chamber	**16,000**	**19,776**	**20,369**	**20,980**	**21,609**

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Alleghany County.

EFFECTIVE DATE: When it becomes law.

BILL SUMMARY: The bill makes a series of changes to the Alleghany County occupancy tax laws. First, it eliminates the requirement that the Board of Commissioners pass a resolution, with appropriate public notice, before levying the tax. Second, it expands the tax to include businesses that offer less than five units for rent. Third, it alters the collection procedures and penalties to align with the standard occupancy tax procedures outlined in G.S. 153A-155. Fourth, it increases from 50% to 100% the amount of net tax proceeds allocated to the Alleghany County Chamber of Commerce. Fifth, it directs the Chamber to use at least two-thirds of the funds to promote travel and tourism, with the balance spent on tourism-related expenditures. Next, it requires when the annual net proceeds of the occupancy tax exceed $100,000, the Board of Commissioners must create a county Tourism Development Authority, and outlines the requirements for that committee.

ASSUMPTIONS AND METHODOLOGY: In 2001-02, the most recent year for which data is available, Alleghany County gleaned $28,309 from their 3% occupancy tax. Of this, $4,309 was credited to the county, with the remaining $24,000 being sent to another organization, presumably the Chamber of Commerce.

There are two potential fiscal impacts related to this legislation. First, by expanding the bill to include businesses that offer less than five units for rent, the bill effectively extends the occupancy

tax to bed and breakfasts and mountain cabins. Local Chamber of Commerce officials indicate that this would expand the tax to an additional 64 room units within the county. (There are actually more than 64 room units, in total, in these smaller facilities, but some are already remitting the tax as rental companies that handle more than five units manage them). These same chamber officials estimate that the expansion of the tax base will increase collections by approximately $19,200. A growth rate of 3% is used for future years. The first year amount is discounted to allow time to implement the tax.

Second, the bill potentially changes the distribution of occupancy tax funds between the county, the Chamber of Commerce, and a potential Tourism Development Authority. Under current statute, the funds are split evenly between Alleghany County and their Chamber of Commerce. However, as a matter of practice, the bulk of the funds are already being transferred to the Chamber. As such, this portion of the legislation codifies current practice. In addition, the bill authorizes the county to create a Tourism Development Authority and transfer tourism funds to that unit once room tax proceeds exceed $100,000 annually. This is a change from current law. However, given current collections and expected future collections, it is unlikely occupancy tax revenues will exceed $100,000 in the five-year span of this fiscal note.

SESSION 2003

S 1

SENATE BILL 1343

Short Title:	Whiteville Annexation.	(Local)
Sponsors:	Senator Soles.	
Referred to:	Finance.	

May 26, 2004

A BILL TO BE ENTITLED

AN ACT TO ANNEX TO THE CITY OF WHITEVILLE THE EXISTING DEPARTMENT OF TRANSPORTATION RIGHT-OF-WAY OF US HIGHWAYS 74/76 AND 701 AROUND THE OVERPASS AREA TO HELP ACCOMMODATE THE MAINTENANCE REQUIREMENTS OF THE INTERCHANGE LIGHTING PROJECT.

The General Assembly of North Carolina enacts:

SECTION 1. The corporate limits of the City of Whiteville are extended to include the following described area:

Beginning at a point marked by an old iron (Number 221) on the Southern Right-of-Way line of U.S. Highway 74-76 By Pass, said Point of Beginning being the Northwestern corner of "Tract D" as shown on survey map entitled "SURVEY OF ANNEXED AREAS FOR CITY OF WHITEVILLE-AREAS C & D", dated July 09, 1991, and last revised March 30, 1993, by Soles & Walker, P.A., R.L.S. and being duly recorded in Plat Book 56 Page 15, at the Columbus County, N.C. Office of The Register of Deeds, running THENCE FROM SAID POINT OF BEGINNING and along the Southern Right-of-Way line of U.S. Highway 74-76 By Pass in a Westwardly direction to a point marked by a concrete Right-of-Way monument near Station 359+00, as shown on N.C.D.O.T. Highway Plans, Project No.6.4310019, as contained in the State Highway Plan Book at the Columbus County, N.C. Office of The Register of Deeds, said point lying 170.0' South of the center line of said U.S. Highway 74-76 By Pass; thence continuing along said Southern Right-of-Way South 69 degrees 53 minutes 04 seconds West, a distance of 100' to a new point in said Right-of-Way line; thence crossing said U.S. Highway 74-76 By Pass North 20 degrees 06 minutes 56 seconds West, a distance of 340.0' to a point in the Northern Right-of-Way line of said Highway; thence along the Northern Right-of-Way line of U.S. Highway 74-76 By Pass in an Eastwardly direction to a point where said Right-of-Way line intersects the Western Right-of-Way line of U.S. Highway 701 By Pass; thence along the Western Right-of-Way line of U.S. Highway 701 By Pass, North 01 degrees 43 minutes 24 seconds West,

a distance of 200.0' to a point on said Right-of-Way line; thence perpendicular to said U.S. Highway 701 By Pass in an Eastwardly direction crossing said By Pass to a point on the Eastern Right-of-Way line of said U.S. Highway 701 By Pass; thence along the Eastern Right-of-Way line of U.S. Highway 701 By Pass in a Southerly direction to a point where the Eastern Right-of-Way line intersects the Northern Right-of-Way line of U.S. Highway 74-76 By Pass; thence with Northern Right-of-Way line of U.S. Highway 74-76 By Pass in an Eastwardly direction to a point where said Northern Right-of-Way line intersects with the Western Right-of-Way line of U.S. Highway 701 Business; thence along the Western Right-of-Way line of U.S. Highway 701 Business, Northwardly a distance of 75.0' to a point in said Western Right-of-Way line; thence Eastwardly perpendicular to U.S. Highway 701 Business to a point in the Northern Right-of-Way line of U.S. Highway 74-76 By Pass; thence with the Northern Right-of-Way line of said By Pass in an Eastwardly direction approximately a distance of 6,600' where said Right-of-Way line intersects with the center line of an overhead CP&L power line easement; thence with the center line of said power line easement in a Southerly direction crossing U.S. Highway 74-76 By Pass to a point in the Southern Right-of-Way line of said Highway, said point being shown as an old iron (Number 233), the Northeasternmost corner of "Tract C4" as shown on aforementioned plat for the City of Whiteville, as recorded in Plat Book 56 Page 15; thence in a Westwardly direction along the Southern Right-of-Way line of U.S. Highway 74-76 By Pass, also along lines of the existing Corporate Limits of the City of Whiteville, as shown on aforementioned plat for the City of Whiteville, as recorded in Plat Book 56 Page 15, to the Point of Beginning, and being that certain tract lying within the Right-of-Way of U.S. Highway 74-76 By Pass, adjacent to and North of the existing Corporate Limits of Whiteville, N.C.

SECTION 2. This act is effective when it becomes law.

SENATE BILL 1343:
Whiteville Annexation

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Senator Soles
Date:	July 12, 2004	**Summary by:**	R. Erika Churchill
Version:	1st Edition		Committee Counsel

SUMMARY: ***The bill would annex certain described property into the corporate limits of the town of Whiteville.***

CURRENT LAW & BILL ANALYSIS: G.S. 160A-58.1 and 160A-58.7 govern the voluntary annexation by a municipality of noncontiguous property.

G.S. 160A-58.1 provides that all property owners in the satellite area may petition a city for voluntary annexation of the noncontiguous property if the property meets all of the following five standards:

1. The nearest point on the proposed satellite corporate limits must be not more than three miles from the primary corporate limits of the annexing city.
2. No point on the proposed satellite corporate limits may be closer to the primary corporate limits of another city than to the primary corporate limits of the annexing city.
3. The area must be so situated that the annexing city will be able to provide the same services within the proposed satellite corporate limits that it provides within its primary corporate limits.
4. If the area proposed for annexation, or any portion thereof, is a subdivision as defined in G.S. 160A-376, all of the subdivision must be included.
5. The area within the proposed satellite corporate limits, when added to the area within all other satellite corporate limits, may not exceed ten percent (10%) of the area within the primary corporate limits of the annexing city.

The bill would annex certain described property into the Town of Whiteville that is beyond the three miles from the existing primary corporate limits. The property owners are in agreement. The act would become effective when it becomes law.

North Carolina General Assembly

House Committee on Finance

Minutes

~

July 16, 2004

The House Committee on Finance met on Friday, July 16, 2004 at 8:30 pm in Room 1228 of the Legislative Building. The following members were present: Chairpersons Luebke, McComas, Miner, and Wainwright; Vice-Chairs Alexander, Daughtridge, Decker, and Gibson; and Representatives Blackwood, Bordsen, Capps, Carney, Creech, Culpepper, Ellis, Glazier, Hackney, Holliman, Jones, Lewis, McGee, Munford, Rayfield, Ross, Setzer, Starnes, Weiss, C. Wilson, Womble, and Wood. Also present were Sergeant-at-Arms Bob Fowler, Bill Freeman, Frank Prevo, and Dusty Rhodes. Staff persons present included Martha Walston and Cindy Avrette

Chairman McComas called the meeting to order at 8:33 pm and recognized Representative Wainwright to explain the only bill considered by the Committee: **SB 1414 – MEDICAL BOARD FEES** (see **attachment 1**). Representative Wainwright explained that the bill amends GS 90-15 to increase the fee to practice medicine and surgery and to increase the fee for limited license to practice in a medical education and training day program. The bill also amends GS 90-15.1 to increase the annual registration fee for the practice of medicine and the penalty for failure to register. Representative Wainwright further explained that the bill was not controversial and had been requested by the Medical Review Board. The Chair recognized Representative Holliman who made a motion for the Committee to give Senate Bill 1414 a favorable report. Chairman McComas then recognized Representative Decker who asked how many days it would take to get this bill through the House and Representative Wainwright answered that it would take both Saturday and Sunday. Representative Creech was recognized by the Chair and asked how much money this bill would raise and where the money was going. Representative Wainwright informed the Committee that this bill would help to raise approximately $2.8 million and the money would be handled and used by the Medical Review Board. The Chair then recognized Representative Blackwood who inquired as to when the original fees had been instituted. Representative Wainwright replied that he did not have that information at the time but staff would have an answer for him as soon as possible. Chairman McComas then recognized Representative Creech who asked Representative Wainwright why this bill was being brought in at the last minute. Representative Wainwright replied by saying that the bill had been in the House Finance Committee for quite some time and there was no opposition. Representative Creech then stated to the Committee that the middle class would eventually pay the increase proposed by this bill because the fees would just be tacked on to the medical bills they will have to pay. He further said that the Committee should be ashamed of passing a fee increase that would be added to the burden faced by the middle class. The Chair recognized Representative Gibson who stated that it had been awhile since the last fee increase, possibly four or more years. Representative Blackwood was then recognized and informed the committee that some of the increases in the bill were as much as 400 percent. Chairman McComas recognized

Representative Wainwright who said the additional money was needed due to staffing shortages. The Chair then recognized Representative Ross, and she said she saw this as a patient safety bill and further stated that she thought this was the same bill that had been given a favorable report by the Committee a couple weeks ago and was sent to the Rules Committee. The Chair allowed staff to inform the Committee that she was correct in her assertion. Hearing no further debate, Representative McComas called for a vote on the motion by Representative Holliman to give Senate Bill 1414 a favorable report and it passed without objection.

Having no further business before the Committee, Chairman McComas adjourned the meeting at 8:45 pm.

Respectfully submitted,

Representative Danny McComas
Presiding Chair

Jason A. Cannon
Clerk, House Committee on Finance

SENATE BILL 1414

Short Title:	Medical Board Fees.	(Public)
Sponsors:	Senator Purcell.	
Referred to:	Finance.	

May 28, 2004

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE AN INCREASE IN CERTAIN MEDICAL BOARD FEES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 90-15 reads as rewritten:

"**§ 90-15. License fee; salaries, fees, and expenses of Board.**

Each applicant for a license to practice medicine and surgery in this State under either G.S. 90-9, 90-10, or 90-13 ~~by examination~~ shall pay to the North Carolina Medical Board ~~a fee which shall be prescribed by the Board in an amount not exceeding the sum of four hundred dollars ($400.00) plus the cost of test materials before being admitted to the examination. Whenever a license is granted without examination, as authorized in G.S. 90-13, the applicant shall pay to the Board a fee in an amount to be prescribed by the Board not in excess of two hundred fifty dollars ($250.00).~~ an application fee of three hundred fifty dollars ($350.00). Whenever a limited license is granted as provided in G.S. 90-12, the applicant shall pay to the Board a fee not to exceed one hundred fifty dollars ($150.00), except where a limited license to practice in a medical education and training program approved by the Board for the purpose of education or training is granted, the applicant shall pay a fee of ~~twenty-five dollars ($25.00),~~ one hundred dollars ($100.00), and where a limited license to practice medicine and surgery only at clinics that specialize in the treatment of indigent patients is granted, the applicant shall not pay a fee. A fee of twenty-five dollars ($25.00) shall be paid for the issuance of a duplicate license. All fees shall be paid in advance to the North Carolina Medical Board, to be held in a fund for the use of the Board. The compensation and expenses of the members and officers of the Board and all expenses proper and necessary in the opinion of the Board to the discharge of its duties under and to enforce the laws regulating the practice of medicine or surgery shall be paid out of the fund, upon the warrant of the Board. The per diem compensation of Board members shall not exceed two hundred dollars ($200.00) per day per member for time spent in the performance and discharge of duties as a member. Any unexpended sum or sums of

money remaining in the treasury of the Board at the expiration of the terms of office of the members of the Board shall be paid over to their successors in office.

For the initial and annual registration of an assistant to a physician, the Board may require the payment of a fee not to exceed a reasonable amount."

SECTION 2. G.S. 90-15.1 reads as rewritten:

"**§ 90-15.1. Registration every year with Board.**

Every person licensed to practice medicine by the North Carolina Medical Board shall register annually with the Board within 30 days of the person's birthday. A person who registers with the Board shall report to the Board the person's name and office and residence address and any other information required by the Board, and shall pay a registration fee of ~~one hundred twenty-five dollars ($125.00).~~ one hundred seventy-five dollars ($175.00). A physician who is not actively engaged in the practice of medicine in North Carolina and who does not wish to register the license may direct the Board to place the license on inactive status. For purposes of annual registration, the Board shall use a simplified registration form which allows registrants to confirm information on file with the Board. A physician who fails to register as required by this section shall pay an additional fee of ~~twenty dollars ($20.00)~~ fifty dollars ($50.00) to the Board. The license of any physician who fails to register and who remains unregistered for a period of 30 days after certified notice of the failure is automatically inactive. Except as provided in G.S. 90-12(d), a person whose license is inactive shall not practice medicine in North Carolina nor be required to pay the annual registration fee. Upon payment of all accumulated fees and penalties, the license of the physician may be reinstated, subject to the Board requiring the physician to appear before the Board for an interview and to comply with other licensing requirements. The penalty may not exceed the maximum fee for a license under G.S. 90-13."

SECTION 3. This act becomes effective November 1, 2004.

SENATE BILL 1414:
Medical Board Fees

BILL ANALYSIS

Committee:	House Finance	**Introduced by:**	Sen. Purcell
Date:	June 25, 2004	**Summary by:**	Cindy Avrette
Version:	1st Edition		Committee Counsel

SUMMARY: ***Senate Bill 1414 increases various Medical Board licensing fees. The bill becomes effective November 1, 2004.***

BILL ANALYSIS: Senate Bill 1414 increases the following fees imposed by the North Carolina Medical Board, effective November 1, 2004:

	Current Fee Amount	Proposed Fee Amount
License to practice medicine by examination (GS 90-9 and GS 90-10)	Up to $400 plus the cost of the examination materials	$350
License to practice medicine without examination (GS 90-13)	Up to $250	$350
Resident training license (GS 90-12) *(License to practice in a medical education and training program)*	$25	$100
Annual registration fee to practice medicine (GS 90-15.1)	$125	$175
Additional fee for late registration	$20	$50

BACKGROUND: The North Carolina Medical Board issued a report in May 2004 documenting the reasons for its request for fee increases. The Board currently employs 40 people divided among nine different departments. It services a population of 21,462 in-state physicians, 7,766 out-of-state physicians, 2,414 physician assistants, 2,185 nurse practitioners, and 57 clinical pharmacist practitioners.

In its report, the Medical Board notes that its Licensing Department has .28 full time employees (FTE) per 1,000 practicing in-state physicians. The national average is .65 FTEs per 1,000 physicians. The Investigative Department has .85 FTEs per 1,000 physicians; the national average is 1.46. Based on the current workload of the Legal Department, the Board believes it needs one additional attorney and one additional staff person in that department. The Board also believes the Medical Director needs the assistance of a part-time staff physician to assist in its review of complaints, malpractice payment reports, and investigations.

By the year 2005, the expenses of the Board will exceed revenues without any staff increases and with only modest increases for inflation and salaries. The Board believes the fee increases requested in this bill will give it the resources necessary to meet its needs until the year 2010.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: NC Medical Board

EFFECTIVE DATE: This act becomes effective November 1, 2004.

BILL SUMMARY: The proposed bill amends GS 90-15 to increase the fee to practice medicine and surgery and to increase the fee for limited license to practice in a medical education and training program. The bill amends GS 90-15.1 to increase the annual registration fee for the practice of medicine and the penalty for failure to register.

ASSUMPTIONS AND METHODOLOGY:

Justification for Fee Increase

According to the NC Medical Board (Board) report issued in May 2004, the main reason for the fee increase is the necessity to meet the Board's growing staffing requirements. In particular, the report indicates that the Board's Licensing Department has .28 full time employees (FTEs) per 1,000 practicing in-state physicians, which is below the national average of .65 FTEs. Similarly, the employees-physicians ratio in the Board's Investigative Department is .85 FTEs per 1,000 physicians that is below the national average of 1.46 FTEs per 1,000 physicians. The report also cites the Board's Legal Department is being understaffed. During the past five years, the number

of cases referred to the Legal department has increased by 60 percent. Furthermore, the Legal Department staff responds to numerous outside inquiries from members of the public, physicians, and attorneys. In addition, the Legal Department advises the Board in connection with internal matters such as investigations, licensing applications, and committee reports. Currently the Legal Department does not have adequate human resources to effectively handle its workload, which leads to increasing number of pending cases. As of May 2004, there were 208 such cases.

To meet its current workload requirement, the Board needs one additional attorney and one additional staff person in that department. The Board's Medical Director also needs a part-time staff physician to assist in complaint review, malpractice payment reports, and investigations.

According to the Board's estimate by the year 2005, its expenses will exceed revenues with only conservative adjustments for inflation and salaries, even if no additional staff is hired. The Board believes the fee increases requested in this bill will give it the resources necessary to meet its needs until the year 2010.

According to the Board, the amount of requested fees increase is reasonable. Thus, North Carolina ranks 10th in physician population but only 38th in annual registration fees. Even with an increase to $175, the state would be ranked 22nd in annual registration fees and its registration fee would be comparable to the national average of $171. The national average application fee for license by endorsement is $317 and for a license by examination is $328. A fee of $350 for both types of licenses, requested by the Board, would more closely mirror the national average and would more closely approximate the actual costs to process these applications, according the Board's estimate.

Proposed Fee Changes

The changes in fees requested by the Board are presented in Table 1.

Table 1. Proposed Fee Changes

Fee	Current Fee	Proposed Fee
License to practice medicine by examination (GS 90-9 and GS 90-10)	Up to $400	$350
License to practice medicine without examination (GS 90-13)	Up to $250	$350
Resident training license (GS 90-12)(License to practice in a medical education and training program)	$25	$100
Annual registration fee to practice medicine (GS 90-15.1)	$125	$175
Additional fee for late registration	$20	$50

Table 2 contains information for the last five years on the number of licenses for each category, the number of physicians who registered late, as well as the average percentage change for each category, based on the five-year data.

Table2. Change in Number and Percentage of Licenses

License type	1999	2000	2001	2002	2003	Average Percent Change
License to practice medicine by examination	352	396	390	420	340	-0.1%
License to practice medicine without examination	1,278	1,213	1,329	1,196	1,168	-2.0%
Resident training license	1,412	1,583	1,667	1,744	2,001	9.2%
Annual registration fee to practice medicine	26,295	28,735	25,963	26,581	27,307	1.2%
Additional fee for late registration	N/A	N/A	N/A	1,444	1,665	15.3%

For this analysis, it is assumed that the number of licenses for each category will continue to change at the same average rate as shown in Table 2. Based on this rate, Table 3 provides estimates of the annual revenue for the next five years generated from issuing the licenses at current rates.

Table3. Estimated Revenue from Licenses at the Current Rate

License type	FY 2004-05	FY 2005-06	FY 2006-07	FY 2007-08	FY 2008-09
License to practice medicine by examination	$135,874	$135,748	$135,622	$135,497	$135,371
License to practice medicine without examination	$286,254	$280,620	$275,098	$269,684	$264,377
Resident training license	$54,624	$59,645	$65,129	$71,116	$77,654
Annual registration fee to practice medicine	$3,453,859	$3,494,823	$3,536,273	$3,578,214	$3,620,653
Additional fee for late registration	$38,396	$44,273	$51,049	$58,862	$67,870
Total	**$3,969,007**	**$4,015,110**	**$4,063,171**	**$4,113,373**	**$4,165,926**

Finally, Table 4 provides estimates of the annual revenue for the next five years generated from issuing the licenses at proposed rates and annual revenue gain for the Board.

Table4. Estimated Revenue from Licenses at the Current Rate

License type	FY 2004-05	FY 2005-06	FY 2006-07	FY 2007-08	FY 2008-09
License to practice medicine by examination	$118,890	$118,780	$118,670	$118,560	$118,450
License to practice medicine without examination	$400,755	$392,869	$385,137	$377,558	$370,128
Resident training license	$218,495	$238,582	$260,515	$284,464	$310,615
Annual registration fee to practice medicine	$4,835,402	$4,892,752	$4,950,782	$5,009,500	$5,068,914
Additional fee for late registration	$95,991	$110,682	$127,622	$147,154	$169,676
Total	**$5,669,534**	**$5,753,664**	**$5,842,725**	**$5,937,236**	**$6,037,783**
Revenue Gain	**$1,700,527**	**$1,738,554**	**$1,779,555**	**$1,823,863**	**$1,871,857**

HOUSE FINANCE

THIRD EXTRA SESSION

NOVEMBER 4

COMMITTEE MINUTES

North Carolina General Assembly

House Committee on Finance

Minutes

~

November 4, 2004

The House Committee on Finance met on Thursday, November 4, 2004 immediately upon recess of the House session in Room 643 of the Legislative Office Building. The following members were present: Chairpersons G. Allen, Howard, Luebke, McComas, Miner, and Wainwright; Vice-Chairs Alexander, Daughtridge, Decker, Gibson, and Hill; Representatives Blackwood, Bordsen, Capps, Carney, Cole, Creech, Ellis, Glazier, Hackney, Harrell, Holliman, Jones, Lewis, McGee, Rayfield, Ross, Setzer, Starnes, Weiss, and Womble; and Ex-Officio Members Representatives Brubaker, Culpepper, Cunningham, and Eddins. Also present were Sergeant-at-Arms Bill Freeman, Dusty Rhodes, Paul Rucho, Walter Spell, and James Womack. Staff persons present included Cindy Avrette, David Crotts, Canaan Huie, Linda Millsaps, and Martha Walston. The Visitor Registration Sheets are included with these minutes as **attachment 1**.

Chairman Miner called the meeting to order at 3:13 pm and recognized Dan Gerlach from Governor Easley's office to explain the sole bill considered by the Committee: **SB 2 – COMPUTER MANUFACTURING TAX INCENTIVES** (see **attachment 2**). Mr. Gerlach explained that the bill was being presented following a negotiated agreement between the North Carolina Department of Commerce and Dell Computer, Inc. to bring some 2,000 jobs to the Piedmont-Triad region of the State. The Chair also recognized Canaan Huie of the General Assembly's Bill Drafting Division who provided a detailed explanation of the bill. He stated that SB 2 provided several income, franchise, sales tax incentives for a computer manufacturing facility that, along with related parties and strategic partners, is expected to invest at least $100 million of private funds in a facility in North Carolina over a five-year period and employ at least 1,200 people within five years after the facility is used as a computer manufacturing and distribution facility. He stated that some of the incentives in the bill were new; others were enhanced credits that were already available to other eligible taxpayers. He explained Section 1 of the bill as a new tax credit based upon the unit output and employment level of a major computer manufacturing facility. This new credit can be used to eliminate 100% of a taxpayer's income and franchise tax liability and any unused portion of a credit could be carried forward for the next succeeding 25 years. He explained that Section 2 of the bill provided enhanced Bill Lee Act tax credits that would entitle a taxpayer to claim the credit amounts allowed for facilities located in a tier-one county regardless of the county in which the facility is located. He noted that the bill also provides that the wage standard would not apply to the activities of a taxpayer at a major computer facility. And finally, he explained that Section 3 of the bill allowed for an expansion of the sales tax refund for building materials purchased to build a computer manufacturing facility. (For further detail, see the bill summary, which is included in these minutes as **attachment 3**). Linda Millsaps, with Fiscal Research, was then recognized to explain the fiscal impacts of the bill (see **attachment 4**). She also provided a

flowchart for the members in explaining how exactly the tax credits in the bill would work over the next 15 years (see **attachment 5**).

Following these in-depth explanations, Chairman Miner once again recognized Dan Gerlach from the Governor's Office for further comment on the proposed legislation. Mr. Gerlach informed the members that the proposal before the Committee was the result of a carefully crafted agreement between the State and Dell Computer, Inc. and that if any changes were made, it would "break the deal". The Chair then recognized the Committee members who posed additional questions to Mr. Gerlach. Representative Rayfield was recognized and asked what the total of the State's investment would be for this project. Mr. Gerlach responded that the total of the incentives package would be approximately $242.5 million, but would be taken out of new taxes that Dell Computer, Inc. would be paying into the State. Representative Luebke stated his concern that the jobs are not the quality that they should be and asked Mr. Gerlach is there were any reporting requirements on the credits proposed. Mr. Gerlach stated that there were no such reporting requirements in the bill as it was currently written. Chairman Miner then recognized Representative Holliman who stated that while the jobs (with an average wage of $28,000 per year) where not the best, he felt there would nonetheless be many people "lined up" to fill the new positions.

Chairman Miner, at the request of Representative Womble, then recognized several speakers from the audience who wished to briefly address the committee. Don Kirkman, President of the Piedmont Triad Partnership, was the first speaker recognized. He stated that the Triad had experienced and continues to experience tremendous job losses in the furniture and textile apparel industries, and that the new jobs being created are much lower paying than those skills positions of the past. He further stated that an annual salary of $28,000 per year equated to approximately $13.50 per hour, far more than the wage paid in food and service jobs that many are being forced to take. In closing, he stated that bringing Dell Computer, Inc. to the Triad area would send a positive signal as to the quality of what the Piedmont area of the State has to offer. The second speaker recognized by the Chair was Max Walser, a Commissioner from Davidson County. He too spoke in support of the legislation, noting how badly it was needed with Davidson County alone having lost some 6,000 since 2000. The Chair recognized Gayle Anderson next. Ms. Anderson, as President of the Winston-Salem Chamber of Commerce, stated that among the 22 chambers and over 6,000 members in the Piedmont-Triad area, everyone single chamber member was in support of this legislation. Bob Leak, President of Winston-Salem Business, was the next speaker recognized. Mr. Leak stated that there was no issue more important than jobs in the Piedmont-Triad at the present time and that opportunities to create this number of jobs with one investment, like the one presented in this bill, are very rare. The Chair also recognized Mr. Keith Holliday, Mayor of the City of Greensboro, as well as Mr. Henry Frye, former member of the House and former member of the State Supreme Court, who both spoke in direct support of the legislation.

Chairman Miner then recognized David Crotts with the Fiscal Research Staff who provided a spreadsheet to the members (see **attachment 6**), which outlined the various incentive packages that the State had offered in the past to companies in exchange for new jobs. There was then some general discussion by the members. Representative Creech was recognized and stated that incentives such as these were "unfair" and "a burden" on the state's existing businesses, "those that have been faithful to North Carolina." He further inquired if the Governor's office had any plans to provide any assistance to these businesses. Dan Gerlach responded that the Governor had recommended an exemption from corporate income tax on the first $25,000 of income for existing businesses. He further stated that the Governor's primary objective, however, was simply to get people back to work and off of government services, which reduces the overall burden on all taxpayers.

Following this discussion, Chairman Miner recognized a number of speakers who were present to express their concerns and/or opposition to the bill. Rob Schofield, Policy Director of the North Carolina Justice Center was the first speaker recognized. He stated his opposition to the bill in the form that it was presented to the Committee. He specifically noted that there is no wage standard required in the bill and that the jobs were not directly targeted at those workers who have been displaced. Amna Cameron with the North Carolina Budget and Tax Center was recognized next and stated her opposition of the proposed legislation in that it breached the standards outlined in the Bill Lee Act. She also noted her concern that the carryforward for the credits was too long (25 years), whereas they should be five years or less. Chairman Miner recognized Bob Orr with the North Institute for Constitutional Law next. He briefly stated that he had constitutional concerns with the language of the proposed legislation. Ros Savitt, representing the North Carolina Childcare Coalition, was the next speaker recognized. She stated that fortunately, at the present time, there was sufficient capacity in the childcare industry in Forsyth and Guilford Counties (the proposed locations for the major computer facility) to accommodate the children of the employees hired by the computer company. She also expressed concern, however, of the already long waiting lists for childcare subsidies that many parents need in order to work full-time and maintain adequate homes. Next recognized was Michelle Kucerak with the North Carolina Public Interest Research Group who stated her organization's concern with the bill was it's weak "clawback" provisions and the lack of reporting required on the proper use of the credits. The last speaker recognized by the Chair was Ms. Perri Morgan with the National Federation of Independent Businesses (NFIB). Ms. Morgan reminded the Committee that 98% of North Carolina's businesses are small businesses, which create jobs everyday, one at a time. She stated that incentives such as the ones proposed in this bill placed small businesses at a distinct disadvantage and created a sense of "corporate entitlement" to all large companies who consider locating in the State. Rather than incentives, Ms. Morgan recommended that the General Assembly reduce the corporate income tax rate for all businesses in North Carolina. She suggested using the funds that are being used on incentives to fund a decrease in the corporate tax rate.

Chairman Miner, having heard from all those in the audience who wanted to comment, then announced that the Committee would consider all amendments placed before it. The first amendment (see **attachment 7**), sponsored by Representative Luebke acted to require that if employment decreases by 10% in any given year (instead of 40% as is currently in the bill), no credits could be claimed for that year and/or the credits would be clawed-back. Representative Brubaker was recognized and asked Dan Gerlach what the effect of this amendment would have on the "deal" arranged with Dell Computers, Inc. Mr. Gerlach stated quite simply that if the legislation was changed from its' current form, "the deal is dead". Secretary Fain also commented that the bill needs to be passed as it was presented to the Committee, or else the arrangement with Dell would be broken. Representative Luebke having requested division on his amendments, Chairman Miner then called the amendment to a vote. By a vote of 7 ayes and 17 nays, the amendment failed.

Representative Luebke's second amendment was considered next (see **attachment 8**). Representative Luebke was recognized by the Chair to explain the amendment and stated that it would act to reduce the carryforward period in the bill from 25 years to 15 years. He stated that the typical carryforward period for tax incentives was 5 years or less. He also noted that being told any change to the legislation would be a "deal breaker" was an insult to the legislature and the legislative process. Following some brief discussion on the amendment, Chairman Miner then called the amendment to a vote. The amendment failed.

The Chair then recognized Representative Weiss to offer her first of two amendments (see **attachment 9**). Representative Weiss stated that her amendment would require Dell (or any eligible company applying for the credits) to provide childcare facilities for its' employees. Representative

Brubaker was recognized and again asked Dan Gerlach want effect this amendment would have on the negotiated arrangement with Dell. Mr. Gerlach again stated that any change to the legislation could potentially cause the deal to be broken. He did state that he would offer it as a recommendation to Dell, however. Representative Cunningham voiced his opposition to the amendment, as did Secretary Fain. Hearing no further discussion, Chairman Miner then called the amendment to a vote. Division being requested, the amendment failed 4 ayes to 18 nays.

Representative Ross sponsored the next amendment considered by the Committee (see **attachment 10**). She explained that the amendment would act to increase the contribution required by the employer toward healthcare premiums from 50% to 75%. She stated that since Dell was already assuming this expense for its' employees, then this amendment would just "lock" them in to this. Canaan Huie, from Bill Drafting, was then recognized and stated that past incentives packages passed into law by the General Assembly have never required more than the 50%, which is outlined in the Bill Lee Act. Following some other brief discussion, Chairman Miner then called the amendment to a vote and it was not adopted.

Chairman Miner next recognized Representative Weiss, who acted to send forth her second and final amendment (see **attachment 11**). She explained that the amendment acted to strengthen the "clawback" provisions in the bill. She stated that the amendment would place the typical "clawback" language that has been used in past legislation into the bill. Representative Luebke noted his support of the bill, stating that Dell should have to meet the same criteria as any other company that receives incentives from the State. Dan Gerlach was again recognized and reinforced his position that changing the legislation could "kill" the deal with Dell. Representatives Cunningham and Glazier were both recognized in turn and both stated that while they believed that amendments were a good thing, they were not worth losing the entire deal with Dell. Seeing no further discussion and division having been requested, Chairman Miner then called the amendment to a vote. It amendment failed by a vote of 7 ayes and 17 nays.

The last amendment considered by the Committee was sponsored by Representative Ellis (see **attachment 12**). Representative Ellis explained that the amendment would act to ensure that the business receiving the tax incentives would continue to do business at the facility in which it constructed to qualify for the incentives initially for the duration of the tax credits. Representative Hill was then recognized and stated his stark opposition to the amendment. Having no further discussion, the amendment was then called to vote and was not adopted.

Having no further amendments to consider and seeing no further discussion on the bill, Chairman Miner then recognized Representative G. Allen for a motion. Representative Allen moved that SB 2 be given a favorable report. The motion was then called to a vote and it carried by a majority of the members.

Then, with no further business being before the Committee, Chairman Miner adjourned the meeting at 6:26 pm.

Respectfully submitted,

Representative David Miner
Presiding Chair

Jason A. Cannon

GENERAL ASSEMBLY OF NORTH CAROLINA
EXTRA SESSION 2004

S 1

SENATE BILL 2

Short Title:	Computer Manufacturing Tax Incentives.	(Public)
Sponsors:	Senators Hoyle, Garrou, Hagan, Dorsett, Purcell; Bingham, Hunt, Jenkins, Kerr, Malone, Moore, Rand, and Weinstein.	
Referred to:	Finance.	

November 4, 2004

A BILL TO BE ENTITLED

AN ACT TO PROVIDE A TAX CREDIT FOR CERTAIN MAJOR COMPUTER MANUFACTURING FACILITIES AND TO ENHANCE CERTAIN EXISTING TAX INCENTIVES FOR THOSE FACILITIES.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 105 of the General Statutes is amended by adding a new Article to read:

"Article 3G.

"Tax Incentives for Major Computer Manufacturing Facilities.

"**§ 105-129.60. Legislative findings.**

The General Assembly finds that:

(1) It is the policy of the State to stimulate economic activity and to create and maintain sustainable jobs for the citizens of the State in strategically important industries.

(2) Both short-term and long-term economic trends at the regional, State, national, and international levels have made the successful implementation of the State's economic development policies and programs both more critical and more challenging; in particular, national trade policies and the resulting impact on domestic competitiveness have made the retention of manufacturing jobs more difficult at a time of transition in the national, State, and regional economies.

(3) Manufacturing employment in the State has been disproportionately affected by trade policies and global economic trends, resulting in the loss of jobs by many in the State's capable industrial workforce.

(4) Computer manufacturing and distribution has been an important industry for the State and has prospered in this State due to our strong

and productive workforce, focused worker training programs, research capabilities, tradition of innovation, and concentration of companies.

(5) The computer manufacturing and distribution industry will remain a vital part of the world's, nation's, and State's future economy as society becomes more dependent on advanced computer technology.

(6) It is the intent of the State to encourage the sustainability of this industry cluster in this State and to encourage the maintenance and growth of computer manufacturing and distribution employment in the State through tax policies, investments in training capacity, and other policies and programs.

(7) The State must be an innovative leader in creating policies and programs that encourage the maintenance of manufacturing jobs in this country and State and in the development of efforts to support manufacturers during the transitional period as they adapt to rapidly changing global conditions.

"**§ 105-129.61. Definitions.**

The following definitions apply in this Article:

(1) Computer manufacturing. – Defined in G.S. 105-164.14.

(2) Facility. – A single building or structure or a group of buildings or structures that are located on a single parcel of land or on contiguous parcels of land under common ownership and any other related real property contained on the parcel or parcels.

(3) Full-time job. – A permanent position that requires at least 1,600 hours of work per year and is intended to be held by one employee during the entire year.

(4) Increased employment level. – The total number of new full-time jobs and new permanent part-time jobs converted into full-time equivalences created by the taxpayer at the facility with respect to which the credit is claimed, either directly or indirectly through a related entity or strategic partner, as of December 31 as compared to the employment level of the taxpayer as of December 31 in the year in which the taxpayer begins construction of the facility with respect to which the credit is claimed or as of the date the Secretary makes the written determination required under G.S. 105-129.62, whichever is earlier. Jobs transferred from one area in the State to another area in the State are not considered new jobs for the purposes of this Article and may not be included in the increased employment level.

(5) Related entity. – An entity for which the taxpayer possesses directly or indirectly at least eighty percent (80%) of the control and value.

(6) Strategic partner. – A business that is engaged in activities at the facility that directly contribute to the manufacture and distribution of computers and computer peripherals and with whom the taxpayer has contracted to provide those activities at the facility in direct support of its manufacturing and distribution activities.

(7) Successor in business. – A corporation that through amalgamation, merger, acquisition, consolidation, or other legal succession becomes invested with the rights and assumes the burdens of the predecessor corporation and continues the computer manufacturing and distribution business.

(8) Unit output. – The total number of computers and computer peripherals produced, assembled, or manufactured at the facility during the taxable year.

"**§ 105-129.62. Eligibility.**

(a) Determination by Secretary of Commerce. – A taxpayer is eligible for the credit allowed under this Article with respect to a facility in this State only if the Secretary of Commerce makes a written determination that the taxpayer has or is expected to have an increased employment level at the facility of at least 1,200 within five years after the time that the facility is first used as a computer manufacturing and distribution facility and that the taxpayer, either directly or indirectly through a related entity or strategic partner, has invested or is expected to invest at least one hundred million dollars ($100,000,000) in private funds to construct a computer manufacturing and distribution facility over a five-year period. For the purposes of this Article, costs of construction may include costs of acquiring and improving land for the facility, costs for renovations or repairs to existing buildings, and costs of equipping or reequipping the facility.

(b) Health Insurance. – A taxpayer is eligible for the credit allowed under this Article with respect to a facility in this State only if the taxpayer and the taxpayer's related entities and strategic partners whose employees are included in the taxpayer's increased employment level provide health insurance for all of the full-time jobs at the facility with respect to which the credit is claimed each year it claims a credit or carryforward of a credit. For the purposes of this subsection, an entity provides health insurance if it pays at least fifty percent (50%) of the premiums for health care coverage that equals or exceeds the minimum provisions of the basic health care plan of coverage recommended by the Small Employer Carrier Committee pursuant to G.S. 58-50-125.

Each year that a taxpayer claims a credit or carryforward of a credit allowed under this Article, the taxpayer must provide with the tax return the taxpayer's certification that the taxpayer and the taxpayer's related entities and strategic partners whose employees are included in the taxpayer's increased employment level continue to provide health insurance for all the full-time jobs at the facility with respect to which the credit is claimed. If the taxpayer, or a related entity or strategic partner of the taxpayer whose employees are included in the increased employment level of the taxpayer, ceases to provide health insurance for the jobs during a taxable year, the credit expires and the taxpayer may not take any remaining carryforward of the credit.

(c) Environmental Impact. – A taxpayer is eligible for the credit allowed under this section with respect to a facility in this State only if as of the last day of the taxable year for which a credit or carryforward is claimed the taxpayer and the taxpayer's related entities and strategic partners whose employees are included in the taxpayer's increased employment level have no pending administrative, civil, or criminal

enforcement actions based on alleged significant violations of any program implemented by an agency of the Department of Environment and Natural Resources, and have had no final determination of responsibility for any significant administrative, civil, or criminal violation of any program implemented by an agency of the Department of Environment and Natural Resources within the last five years. For the taxpayer's related entities and strategic partners, this subsection applies only to the activities of the related entity or strategic partner at the facility with respect to which a credit is claimed. A significant violation is a violation or alleged violation that does not satisfy any of the conditions of G.S. 143-215.6B(d). Upon request, the Secretary of Environment and Natural Resources must notify the Department of Revenue of whether a person currently has any of these pending actions or has had any of these final determinations within the last five years.

(d) Safety and Health Programs. – A taxpayer is eligible for the credit allowed under this section with respect to a facility in this State only if as of the last day of the taxable year for which a credit or carryforward is claimed the taxpayer and the taxpayer's related entities and strategic partners whose employees are included in the taxpayer's increased employment level have no citations under the Occupational Safety and Health Act at the facility with respect to which the credit is claimed that have become a final order within the past three years for willful serious violations or for failing to abate serious violations. For the purposes of this subsection, 'serious violation' has the same meaning as in G.S. 95-127. Upon request, the Secretary of Labor must notify the Department of Revenue of whether a person has had these citations become final orders within the past three years.

(e) Overdue Tax Debts. – A taxpayer is eligible for the credit allowed under this section with respect to a facility only if as of the last day of the taxable year for which a credit or carryforward is claimed the taxpayer and the taxpayer's related entities and strategic partners whose employees are included in the taxpayer's increased employment level have no overdue tax debts that have not been satisfied or otherwise resolved.

(f) Relationship With Related Entities and Strategic Partners. – A taxpayer must obtain the written consent of related entities and strategic partners to include jobs created by those entities in the taxpayer's increased employment level. If a taxpayer fails to obtain this written consent, the taxpayer may not include jobs created by the applicable business in its increased employment level. This consent, once granted, is irrevocable. A job may not be included in the increased employment level of more than one entity. The taxpayer is responsible for providing all information needed to verify eligibility for the credit, including information relating to the related entities or strategic partners of the taxpayer.

"**§ 105-129.63. Determination by the Secretary of Commerce.**

The taxpayer must apply to the Secretary of Commerce for the determination required under G.S. 105-129.62. The application must be made under oath and must provide any information the Secretary requires in order to make the determination. The determination by the Secretary of Commerce is a factual determination. The Secretary must make this determination in any case in which the taxpayer can demonstrate performance or can provide a credible plan for performance.

If the taxpayer fails to create the required number of new jobs or to make the required investment, the information provided by the taxpayer on the application proves to have been false at the time it was given, and the person making the application knew or should have known that the information was false, the taxpayer forfeits any credits claimed under this Article with respect to the facility. A taxpayer that forfeits a credit under this section is liable for all past taxes avoided as a result of the credit plus interest at the rate established under G.S. 105-241.1(i), computed from the date the taxes would have been due if the credit had not been allowed. The past taxes and interest are due 30 days after the date the credit is forfeited; a taxpayer that fails to pay the past taxes and interest by the due date is subject to the penalties provided in G.S. 105-236.

"**§ 105-129.64. Credit for major computer manufacturing facilities.**

(a) General Credit. – A taxpayer that meets the eligibility requirements of G.S. 105-129.62 is eligible for a credit against the taxes imposed by Articles 3 and 4 of this Chapter. For taxable years beginning with the 2006 taxable year, the amount of the credit allowable in a year is determined based on the taxable year, the unit output of the facility, the production factor, and the increased employment level at the facility in the current taxable year and previous taxable years.

(b) 2005 Taxable Year. – For taxable years beginning on or after January 1, 2005, but before January 1, 2006, the amount of the credit is equal to ten million dollars ($10,000,000) if the taxpayer, either directly or through a related entity, has invested at least twenty-five million dollars ($25,000,000) in private funds by the end of the taxable year to construct a computer manufacturing and distribution facility in this State.

(c) 2006-2009 Taxable Years. – For taxable years beginning on or after January 1, 2006, but before January 1, 2010, the maximum amount of the credit is ten million dollars ($10,000,000). The amount of the credit that may be claimed is determined by multiplying the employment level adjustment factor by the lesser of ten million dollars ($10,000,000) and the product of the unit output of the facility and the applicable production factor listed in subsection (f) of this section. For the purposes of this subsection, the employment level adjustment factor is the lesser of one and the number derived by dividing the taxpayer's increased employment level for the year by the applicable target increased employment level provided in the table below:

Year	Target Increased Employment Level
2006	600
2007	1,000
2008	1,100
2009	1,500

(d) 2010-2014 Taxable Years. – For taxable years beginning on or after January 1, 2010, but before January 1, 2015, the maximum amount of the credit is fifteen million dollars ($15,000,000) if the taxpayer has in any year attained an increased employment level of 1,500. Otherwise the maximum amount of the credit is ten million dollars ($10,000,000). The amount of the credit is determined as follows:

(1) If the taxpayer has ever attained an increased employment level of at least 1,500, the amount of the credit that may be claimed is the lesser of fifteen million dollars ($15,000,000) and the amount determined by

multiplying the unit output of the facility by the applicable production factor listed in subsection (f) of this section. If the taxpayer's increased employment level has decreased by more than forty percent (40%) from that of the previous taxable year, the amount of the credit that may be claimed must be reduced by multiplying the amount determined under this subdivision by a fraction, the numerator of which is the taxpayer's increased employment level for the taxable year and the denominator of which is 1,500.

(2) If the taxpayer has never attained an increased employment level of at least 1,500, the amount of the credit that may be claimed is equal to the employment level adjustment factor multiplied by the lesser of ten million dollars ($10,000,000) and the product of the unit output of the facility and the applicable production factor listed in subsection (f) of this section. For the purposes of this subdivision, the employment level adjustment factor is the lesser of one and the number derived by dividing the taxpayer's increased employment level for the year by 1,500.

(e) 2015-2019 Taxable Years. – For taxable years beginning on or after January 1, 2015, but before January 1, 2020, the maximum amount of the credit is twenty million dollars ($20,000,000) if the taxpayer has in any year attained an increased employment level of 2,500. If the taxpayer has in any year attained an increased employment level of at least 1,500, but in no year has attained an increased employment level of at least 2,500, the maximum amount of the credit is fifteen million dollars ($15,000,000). Otherwise the maximum amount of the credit is ten million dollars ($10,000,000). The amount of the credit is determined as follows:

(1) If the taxpayer has ever attained an increased employment level of at least 2,500 and the taxpayer's increased employment level for the current year is at least 1,500, the amount of the credit is the lesser of twenty million dollars ($20,000,000) and the amount determined by multiplying the unit output of the facility by the applicable production factor listed in subsection (f) of this section.

(2) If the taxpayer has ever attained an increased employment level of at least 1,500 but has never attained an increased employment level of at least 2,500, or if the taxpayer has ever attained an increased employment level of at least 2,500 and the taxpayer's current increased employment level is less than 1,500, the amount of the credit that may be claimed is the lesser of fifteen million dollars ($15,000,000) and the amount determined by multiplying the unit output of the facility by the applicable production factor listed in subsection (f) of this section. If the taxpayer's increased employment level has decreased by more than forty percent (40%) from that of the previous taxable year and (i) the increased employment level of the previous year was 1,500 or less or (ii) the increased employment level of the current year is 900 or less, the amount of the credit that may be claimed must be reduced by

multiplying the amount determined under this subdivision by a fraction, the numerator of which is the taxpayer's increased employment level for the taxable year and the denominator of which is 1,500.

(3) If the taxpayer has never attained an increased employment level of at least 1,500, the amount of the credit that may be claimed is equal to the employment level adjustment factor multiplied by the lesser of ten million dollars ($10,000,000) and the product of the unit output of the facility and the applicable production factor listed in subsection (f) of this section. For the purposes of this subdivision, the employment level adjustment factor is the lesser of one and the number derived by dividing the taxpayer's employment level for the year by 1,500.

(f) Production Factor. – For taxable years beginning on or after January 1, 2006, but before January 1, 2007, the production factor is fifteen dollars ($15.00). For all other taxable years, the production factor is six dollars and twenty-five cents ($6.25).

(g) Expiration. – If the taxpayer fails to attain an increased employment level of at least 1,200, either directly or in conjunction with its strategic partners and related entities, within five years after beginning construction of the facility with respect to which a credit is claimed or the taxpayer fails to invest at least one hundred million dollars ($100,000,000) in private funds to construct a computer manufacturing and distribution facility over a five-year period, the taxpayer may not take any further credits under this Article with respect to that facility. Failure to attain an increased employment level of 1,200 within the five years or to invest at least one hundred million dollars ($100,000,000) in private funds to construct the facility does not result in forfeiture of credits previously taken under this section unless the provisions of G.S. 105-129.63 apply.

"**§ 105-129.65. Allocation; cap; makeup; and carryforward.**

(a) Allocation. – The credit allowed by this Article may be taken against the franchise taxes levied under Article 3 of this Chapter and the income taxes levied under Article 4 of this Chapter. When the taxpayer claims a credit under this Article, the taxpayer must elect the percentage of the credit to be applied against the taxes levied under Article 3 of this Chapter with any remaining percentage to be applied against the taxes levied under Article 4 of this Chapter. This election is not binding for the year in which it is made or for any carryforwards of that credit. A taxpayer may elect a different allocation for each year in which the taxpayer qualifies for a credit.

(b) Cap. – The amount of credit claimed in a taxable year under this Article may not exceed the lesser of the amount determined under G.S. 105-129.64 and the total amount of tax imposed under Articles 3 and 4 of this Chapter, reduced by the sum of all other credits allowed against those taxes, except tax payments made by or on behalf of the taxpayer. Credits that may eliminate only a portion of the taxpayer's liability must be taken before credits that may eliminate all of a taxpayer's liability, which in turn must be taken before any credits that are refundable. This limitation applies to the cumulative amount of the credit allowed in any tax year, including carryforwards claimed by the taxpayer under this Article for previous tax years.

(c) Makeup. – In any year in which the amount of the credit calculated based on output exceeds the applicable cap under G.S. 105-129.64, the excess credit may be credited to a make up account. Amounts credited to the make up account may remain in the account for seven years or until they are used as provided in this subsection, whichever is earlier. In any year in which the amount of the credit calculated based on output is less than the applicable cap under G.S. 105-129.64, the taxpayer may increase the credit allowed for that taxable year to the cap amount, as adjusted by any applicable employment level adjustment factor, by using excess credit available in the make up account. A successor in business may take the amounts available in a make up account of a predecessor corporation as if they were excess credits available in a make up account of the successor in business.

(d) Carryforward. – Any unused portion of a credit allowed under this Article may be carried forward for the next succeeding 25 years. A successor in business may take the carryforwards of a predecessor corporation as if they were carryforwards of a credit allowed to the successor in business.

"**§ 105-129.66. Sunset.**

This Article is repealed for business activities occurring in taxable years beginning on or after January 1, 2020."

SECTION 2. G.S.105-129.4 is amended by adding a new subsection to read:

"(b7) Major Computer Facilities. – A taxpayer that is otherwise eligible for a tax credit under this Article and who satisfies the conditions of G.S. 105-129.62 is eligible for the major computer facility enhancements provided for credits under this Article. The major computer facility enhancements are the following:

(1) The wage standard requirement does not apply to the activities of the taxpayer at the major computer facility.

(2) For the credit for creating jobs under G.S. 105-129.8, the amount of the credit is increased by four thousand dollars ($4,000) per job for jobs at the major computer facility.

(3) For the credit for investment in machinery and equipment under G.S. 105-129.9, the applicable percentage is seven percent (7%) and the applicable threshold is zero dollars ($0.00) regardless of the enterprise tier designation of the county in which the major computer facility is located.

(4) For the credit for worker training under G.S. 105-129.11, the maximum amount of the credit per worker trained is one thousand dollars ($1,000) regardless of the enterprise tier designation of the county in which the major computer facility is located.

(5) For the credit for substantial investment in other property under G.S. 105-129.12A, the taxpayer is eligible for the credit regardless of the enterprise tier designation of the county in which the major computer facility is located."

SECTION 3. G.S. 105-164.14(j)(2) and (3) read as rewritten:

"(2) Eligibility. – A facility is eligible under this subsection if it meets both of the following conditions:

a. It is primarily engaged in one of the industries listed in this subsection.

b. The Secretary of Commerce has certified that the owner of the facility will invest at least the required amount of private funds to construct the facility in this State. For the purpose of this subsection, costs of construction may include costs of acquiring and improving land for the facility and costs of equipment for the facility. If the facility is located in an enterprise tier one, two, or three area as defined in G.S. 105-129.3, the required amount is fifty million dollars ($50,000,000). For all other facilities, the required amount is one hundred million dollars ($100,000,000). In the case of a computer manufacturing facility, the owner may invest these funds either directly or indirectly through a related entity or strategic partner as those terms are defined in G.S. 105-129.61. In the case of a computer manufacturing facility, the term 'facility' has the same meaning as under G.S. 105-129.61.

(3) Industries. – This subsection applies to the following industries:

a. Aircraft manufacturing. Aircraft manufacturing means manufacturing or assembling complete aircraft.

b. Bioprocessing. Bioprocessing means biomanufacturing or processing that includes the culture of cells to make commercial products, the purification of biomolecules from cells, or the use of these molecules in manufacturing.

d. Computer manufacturing. Computer manufacturing means manufacturing or assembling electronic computers, such as personal computers, workstations, laptops, and computer servers. The term includes the assembly or integration of processors, coprocessors, memory, storage, and input/output devices into a user-programmable final product. The term ~~does not include~~ includes manufacturing or assembling computer peripheral equipment, such as storage devices, printers, monitors, input/output devices, and ~~terminals.~~terminals only if the manufacture or assembly of this peripheral equipment occurs at a facility or campus at which the taxpayer also manufactures or assembles electronic computers.

g. Motor vehicle manufacturing. Motor vehicle manufacturing means any of the following:

1. Manufacturing complete automobiles and light-duty motor vehicles.
2. Manufacturing heavy-duty truck chassis and assembling complete heavy-duty trucks, buses, heavy-duty motor homes, and other special purpose heavy-duty motor vehicles for highway use.

3. Manufacturing complete military armored vehicles, nonarmored military universal carriers, combat tanks, and specialized components for combat tanks.

j. Pharmaceutical and medicine manufacturing and distribution of pharmaceuticals and medicines. Pharmaceutical and medicine manufacturing means any of the following:

1. Manufacturing biological and medicinal products. For the purpose of this sub-subdivision, a biological product is a preparation that is synthesized from living organisms or their products and used medically as a diagnostic, preventive, or therapeutic agent. For the purpose of this sub-subdivision, bacteria, viruses, and their parts are considered living organisms.
2. Processing botanical drugs and herbs by grading, grinding, and milling.
3. Isolating active medicinal principals from botanical drugs and herbs.
4. Manufacturing pharmaceutical products intended for internal and external consumption in forms such as ampoules, tablets, capsules, vials, ointments, powders, solutions, and suspensions.

m. Semiconductor manufacturing. Semiconductor manufacturing means development and production of semiconductor material, devices, or components."

SECTION 4. G.S. 105-259(b) is amended by adding a new subdivision to read:

"(b) Disclosure Prohibited. – An officer, an employee, or an agent of the State who has access to tax information in the course of service to or employment by the State may not disclose the information to any other person unless the disclosure is made for one of the following purposes:

...

(30) To verify with a related entity or strategic partner information relating to that entity provided by a taxpayer claiming a credit under Article 3G of this Chapter."

SECTION 5. Section 3 of this act becomes effective January 1, 2005, and applies to sales made on or after that date. The remainder of this act is effective for business activities occurring on or after November 1, 2004, and for taxable years beginning on or after January 1, 2005.

SENATE BILL 2:
Computer Manufacturing Tax Incentives

BILL ANALYSIS

Committee:		**Introduced by:**	Sen. Hoyle
Date:	November 4, 2004	**Summary by:**	Cindy Avrette & Canaan Huie
Version:	1st Edition		Committee Counsel

SUMMARY: ***Senate Bill 2 provides several income, franchise, and sales tax incentives for a computer manufacturing facility that, along with related parties and strategic partners, is expected to invest at least $100 million of private funds in a facility in North Carolina over a five-year period and employ at least 1,200 people within five years after the facility is used as a computer manufacturing and distribution facility. Some of the incentives are new; others are enhanced credits that are currently available to other eligible taxpayers. The income tax incentives are effective for business activities occurring on or after November 1, 2004, and for taxable years beginning on or after January 1, 2005. The sales tax incentives become effective January 1, 2005. The incentives expire at different times.***

BILL ANALYSIS: Senate Bill 2 offers the following new and enhanced incentives to an eligible computer manufacturing and distribution facility:

- A new tax credit based upon the unit output and employment level of a major computer manufacturing and distribution facility. The credit may be used to eliminate 100% of a taxpayer's income and franchise tax liability. Any unused portion of a credit may be carried forward for the next succeeding 25 years. (Section 1)
- Enhanced Bill Lee tax credits that would entitle a taxpayer to claim the credit amounts allowed for facilities located in a tier one county regardless of the county in which the facility is located. The bill also provides that the wage standard would not apply to the activities of a taxpayer at a major computer facility. (Section 2)
- An expansion of the sales tax refund for building materials purchased to build a computer manufacturing facility. (Section 3)

Tax Credit based upon Unit Output of a Computer Manufacturing & Distribution Facility

Section 1 creates a new tax credit for an eligible computer manufacturing and distribution facility. The amount of the credit is based upon the facility's unit output and employment level. The credit is effective for business activities occurring on or after November 1, 2004, and for taxable years beginning on or after January 1, 2005. It expires for business activities occurring in taxable years beginning on or after January 1, 2020.

The credit may be taken against the taxpayer's franchise tax or income tax. The taxpayer must elect the percentage of the credit to be applied against the franchise tax with any remaining percentage to be applied against the taxpayer's income tax liability. Unlike other incentive tax credits, the election is NOT binding for either the year in which it is taken or for any carryforwards of the credit. A taxpayer may elect a different allocation for each year the taxpayer qualifies for a credit. A taxpayer may not claim a credit that exceeds 100% of the taxpayer's tax liability. Most of the tax incentives under current law allow the taxpayer to offset no more than 50% of its tax liability. Any unused portion of a credit may be carried forward for the next succeeding 25 years.

Credit Eligibility

To be eligible for this credit, the taxpayer must meet the following employment conditions:

- Commerce must make a written determination that the taxpayer has employed or is expected to employ at least 1,200 new full time jobs OR new permanent part-time jobs converted into full-time equivalences within five years after the facility is operational.
- The taxpayer may meet this employment threshold either directly or indirectly through one or more related entities and strategic partners. In order for a taxpayer to include jobs created by related entities and strategic partners in its employment level, the taxpayer must obtain their written consent to do so. Once granted, this consent is irrevocable. A job may not be included in the employment level of more than one entity. This credit is the first one the State has considered that would allow a taxpayer to meet an employment threshold indirectly through related entities and strategic partners.
- The taxpayer and the taxpayer's related entities and strategic partners must provide health insurance[1] for all of the full-time jobs each year it claims a credit or carryforward of a credit. The taxpayer does not have to provide health insurance for its part-time jobs. The taxpayer does not have to meet a wage standard to qualify for this credit. This condition is the same as the health insurance condition under the Bill Lee Act.

To be eligible for this credit, the taxpayer must meet the following investment condition. The Secretary of Commerce must make a written determination that the taxpayer has invested or is expected to invest at least $100 million of private funds in a computer manufacturing and distribution facility over a five-year period. The investments may be made either directly or indirectly through related entities and strategic partners.

To be eligible for the credit, the taxpayer must also meet the following conditions that are typically required under other State tax incentives:

- The taxpayer and the taxpayer's related entities and strategic partners have no pending administrative, civil, or criminal enforcement actions based on alleged significant environmental violations, nor have they had a final determination of responsibility for any significant environmental violation within the past five years.
- The taxpayer and the taxpayer's related entities and strategic partners have no citations under the Occupational Safety and Health Act that have become a final order within the past three years for willful serious violations or for failing to abate serious violations.
- The taxpayer and the taxpayer's related entities and strategic partners have no overdue tax debts that have not been satisfied or otherwise resolved.

The taxpayer must apply to the Secretary of Commerce for the required eligibility determinations. The application must be made under oath. The determination is a question of fact and must be made whenever a taxpayer can demonstrate performance or provide a credible plan for performance. If the taxpayer does

[1] An entity provides health insurance if it pays at least 50% of the premiums for health care coverage that equals or exceeds the minimum provisions of the basic health care plan of coverage recommended by the Small Employer Carrier Committee pursuant to G.S. 58-50-125. This provision is the same as the insurance provisions of the Bill Lee Act.

not perform as promised, the taxpayer does not forfeit any of the credits already taken, unless the assertions of the taxpayer can be proved to have been false when made.[2]

Credit Amount

The credit amount and conditions vary from year to year based on complicated formulas. The actual amount of the credit is computed in two steps. First you determine the lesser of the cap and an amount determined by multiplying the number of units produced at the facility times a dollar amount. In some cases, this amount would be adjusted downward based on how much the actual employment level is below certain targets. In other situations, no downward adjustment is made for reductions in employment level.

If the amount of the credit computed in the first step is less than the cap, then the amount can be brought up to the cap by using amounts in a make up account. The make up account includes amounts by which prior year formula calculations exceeded the applicable caps. These amounts must be used within seven years. This credit is the first one the State has considered that would allow a taxpayer to carry forward credit amounts that could not be used because they exceeded the caps; it is also the first time the State has considered allowing a taxpayer to meet a cap by using prior year excesses.

- In 2005, the taxpayer may claim a credit equal to $10 million if the taxpayer has invested at least $25 million by the end of the taxable year to construct a computer manufacturing and distribution facility. The investment may be made either directly by the taxpayer or indirectly through related entities.
- For taxable years 2006 - 2010, the maximum credit allowed is $10 million. The actual amount of the credit is determined by the increased employment level of the taxpayer at the facility and the number of consumer-ready computers and computer peripherals produced by the facility during that taxable year, hereinafter referred to as 'unit output of facility'. The formula is as follows:

  Credit amount = (Employment level adjustment factor)(Production factor)(Unit output of facility)

  The employment level adjustment factor is the lesser of 1 or the increased employment level for the year/applicable target increased employment level. Assuming the taxpayer meets the employment levels stated in the bill, the adjustment factor would be 1. If the taxpayer fails to meet the targeted employment levels, then the factor would be a percentage less than 1, thereby reducing the amount of credit available to the taxpayer for that taxable year. The target increased employment level and the production factor vary for tax years 2006-2010 as follows:

Year	Increased employment level	Production factor
2006	600	$15
2007	1,000	$6.25
2008	1,100	$6.25

[2] One could argue that there is the potential for a court to find that allowing a credit for nothing more than a finding by the Secretary of Commerce violates the constitutional provision prohibiting the General Assembly from delegating the taxing authority because it potentially gives the executive branch the authority to pick and choose which taxpayers will receive credits. Under current law, when a taxpayer receives a tax benefit based on a determination by the Secretary regarding expected future activity, the tax benefits are subject to forfeiture if the taxpayer does not perform as expected. Because there is no forfeiture under the credit proposed by this bill, if the taxpayer does not produce the expected jobs or make the expected investment, one could argue that the General Assembly has delegated its taxing authority to the Secretary.

2009	1,500	$6.25

- For taxable years 2010-2014, the maximum credit amount depends upon the employment level attained by the taxpayer at the facility for which the credit is claimed.
    - If the taxpayer has EVER attained an employment level of at least 1,500 at the facility for which the credit is claimed, then the credit amount for taxable years 2010-2014 is the unit output of the facility multiplied by $6.25 or $15 million, whichever is less. The credit amount would be reduced if the taxpayer's employment level decreased by more than 40% from that of the previous year. The reduction would be a percentage reduction equal to the employment level for the taxable year/1,500.
    - If the taxpayer never attained an employment level of at least 1,500, then the maximum credit amount remains at $10 million and the amount of the credit is reduced for any year the taxpayer does not reach an employment level of 1,500. The formula for determining the credit amount is:

      Credit = (Employment level adjustment factor)(Unit output of facility)($6.25)

      The employment level adjustment factor is the lesser of one and the number derived by dividing the taxpayer's increased employment level for the taxable year by 1,500.
- For taxable years 2015-2019, the maximum credit amount may be increased to $20 million if the taxpayer has in ANY year attained an employment level of 2,500 at the facility for which the credit is claimed. The credit amount continues to vary depending upon the employment level EVER attained and the current employment level.
    - If the taxpayer has EVER attained an employment level of 2,500 AND the taxpayer's employment level for the current year is at least 1,500, then the credit amount is the unit output of the facility multiplied by $6.25 or $20 million, whichever is less.
    - If the taxpayer has EVER attained an employment level of 2,500 BUT the taxpayer's employment level for the current year is less than 1,500, then the credit amount is the unit output of the facility multiplied by $6.25 or $15 million, whichever is less. The credit amount would be reduced if the taxpayer's employment level decreased by more than 40% from that of the previous year AND the employment level of the previous year was 1,500 or less or the employment level for the current year is 900 or less.
    - If the taxpayer has EVER attained an employment level of 1,500, then the credit amount is the unit output of the facility multiplied by $6.25 or $15 million, whichever is less. The credit amount would be reduced if the taxpayer's employment level decreased by more than 40% from that of the previous year AND the employment level of the previous year was 1,500 or less or the employment level for the current year is 900 or less.
    - If the taxpayer has never attained an employment level of at least 1,500, then the maximum credit amount remains at $10 million and the amount of the credit is reduced for any year the taxpayer does not reach an employment level of 1,500.

Constitutional Concerns

The credit proposed in Section 1 of the bill would be vulnerable to attack under the reasoning of the *Cuno* decision because it evinces a clear preference for in-State economic activity at the expense of out-of-state

development. On September 2, 2004, the Sixth Circuit Court of Appeals issued its decision in *Cuno v. DaimlerChrysler*, ___ F.3d ___, 2004 Westlaw 1944019 (6th Cir. (Ohio)). In that decision, the Court found that Ohio's investment tax credit violated the Commerce Clause of the United States Constitution because it (a) encouraged in-state economic development at the expense of out-of-state economic development and (b) allowed the taxpayer to reduce pre-existing income tax liability by investing in-state but not by investing out-of-state.

Although the Sixth Circuit's decision is not binding in North Carolina[3] and is subject to further review[4], a similar case could be brought in this jurisdiction. If the decision applicable in this jurisdiction followed the reasoning of the Sixth Circuit opinion, the credit proposed in Section 1 of this bill would be ruled unconstitutional. If that happened, it is uncertain what the remedy would be. Possible remedies could include ordering the State to provide retroactive credits to otherwise similarly situated taxpayers who had made similar investments in other states.

The credit could also be vulnerable to attack on equal protection grounds because the amount of the credit is based, in part, on the maximum increased employment level EVER attained by the taxpayer and not just on the current increased employment level of the taxpayer. Under this proposal, two companies that have identical output and increased employment levels in the current year could be eligible for substantially different credits based on the increased employment level attained in an earlier year.

For example, consider two companies – CorpA and CorpB. In 2010, CorpA has an increased employment level of 1,500 and CorpB has an increased employment level of 1,200. In that year, CorpA is eligible for a maximum credit of $15 million and CorpB is eligible for a maximum credit of $8 million. Further assume that in 2011, CorpA reduces its increased employment level to 1,200 and CorpB maintains its increased employment level at 1,200. CorpA remains eligible for a maximum credit of $15 million while CorpB remains eligible for a maximum credit of $8 million. Under this example, in 2011, two corporations with identical output and increased employment levels would be eligible for vastly different credits. A court could find that there is no rational basis for awarding CorpA almost double the amount of credit just because it once had an increased employment level of 1,500. In fact, one could argue that the distinction is irrational because the company that has laid off employees is the one that qualifies for the larger credit.

This problem is exacerbated in certain situations. Once a taxpayer has attained an increased employment level of 1,500, it can reduce its labor force by up to 40% a year without a reduction in the maximum amount of credit for which it is eligible. Continuing the example cited above, CorpA could reduce its employment to 900 in 2011 and still be eligible for a maximum credit of $15 million. In that case, CorpA would have less of a positive impact (i.e. 900 new jobs as opposed to 1,200 new jobs) in 2011 than CorpB, but be eligible for a much larger credit.

Other Considerations

1. The method for calculating the amount of a credit for which a taxpayer is eligible is extremely complicated. This may result in additional compliance and auditing burdens.
2. There is no provision regarding expiration of a credit if the increased employment level is not maintained. Generally under current law, when a taxpayer is allowed a credit for a certain activity, the credit expires if the activity is not maintained. For example, in order for a taxpayer to take full

[3] The decision is binding only in the states that compose the Sixth Circuit: Kentucky, Michigan, Ohio, and Tennessee.
[4] Ohio has petitioned the Sixth Circuit Court of Appeals for rehearing *en banc*. The state could also appeal the decision to the United States Supreme Court.

advantage of the credit for creating jobs under the Bill Lee Act, those jobs must be maintained for a number of years.

The credit proposed in this bill is designed in a way that allows the taxpayer, under certain circumstances, to take the full benefit of a credit even if increased employment levels are not maintained. Once a taxpayer has attained an increased employment level of at least 1,500, the taxpayer may reduce its increased employment level by up to 40% each year without being subject to a reduction in the maximum amount of the credit for which it is eligible. For example, if a taxpayer has an increased employment level of 1,500 in 2010, the taxpayer would be eligible for a maximum credit of $15 million per year. In 2011, the taxpayer could reduce its increased employment level to 900 while maintaining eligibility for up to $15 million per year in tax credits. Then, in 2012, the taxpayer could reduce its increased employment level to 540 while still maintaining eligibility for a maximum credit of $15 million.

Taken to the mathematical extreme, it is theoretically possible for a taxpayer to reduce its increased employment level by almost 99% over nine years while maintaining eligibility for the maximum amount of the credit. Continuing the example cited above, a taxpayer that had an increased employment level of 1,500 in 2010 that took the 40% reduction each year would have an increased employment level of just 16 by 2019 and would still be eligible for a maximum credit of $15 million.[5]

3. There is no wage standard associated with this credit. The Bill Lee Act generally requires that jobs at the relevant facility satisfy a wage standard in order for the taxpayer to be eligible for a credit under that Act. A wage standard does not apply in tiers one and two or in development zones. Although there was no wage standard requirement for the alternative credit for cigarette exportation enacted in 2003, it was understood at the time that those jobs would easily satisfy the Bill Lee wage standard.
4. The 25-year carryforward period for credits under this act is extremely long, although not unprecedented.
5. The term 'related entity' is not defined; the term needs to be defined narrowly so as not to have unintended consequences. This credit is the first one the State has considered that would give one entity a credit for activity undertaken by another. North Carolina has struggled for years with companies using related entities as a tax avoidance mechanism. Companies create related Delaware holding companies and use accounting tricks to eliminate their North Carolina taxable income. Companies create complex chains of related companies to shift property into LLCs and avoid franchise tax. Shifting income and expenses between and among various related entities is the essence of tax avoidance. North Carolina is a separate entity filing state; therefore the Department of Revenue cannot view the entire web of inter-related entities to determine the real economic effect of the actions of related entities.

Bill Lee Incentive Enhancements

Section 2 of the bill provides that a taxpayer who is otherwise eligible for one of the tax credits under the Bill Lee Act and who qualifies for the tax credit for major computer manufacturing facilities is eligible for the following major computer facility enhancements under the Bill Lee Act, regardless of the enterprise

[5] The amount of the credit is also based on output at the facility. It is likely that a taxpayer that greatly decreased its employment level at a facility would also decrease output, so the taxpayer may not be able to take advantage of the maximum amount of the credit.

tier designation of the county in which it is located. The taxpayer may include investments made or employees of related entities or strategic partners to meet its Bill Lee eligibility requirements. The Bill Lee Act expires for computer manufacturing facilities in 2009.

- Wage Standard. – The wage standard does not apply to the activities of the taxpayer at the major computer facility. Under current law, the wage standard does not apply in tiers one and two or in development zones. Assuming Dell decides to locate a facility in Forsyth or Guilford County, the anticipated jobs at this facility would not meet the current Bill Lee wage standard unless the facility was located within a development zone. Therefore, the lack of a wage standard is necessary in order to make the project eligible for a credit.
- Credit for Creating Jobs. – The amount of the credit for creating jobs is increased by $4,000 per job for jobs at the major computer facility. The amount of the credit for creating jobs in a tier five county is $400 per job; tier four is $1,000; tier three is $3,000; tier two is $4,000; and tier one is $12,500. Assuming Dell decides to locate a facility in Forsyth or Guilford County, it would be entitled to a credit of $4,400 per job.
- Credit for Investing in Machinery and Equipment. – The threshold investment a taxpayer must meet to qualify for the credit and the amount of credit the taxpayer would be allowed would be the same as allowed under current law for a tier one county: a threshold amount of zero and a credit amount equal to 7% of the eligible investment. Under current law, the threshold for a tier five county is $2 million and the applicable credit percentage is 4%.
- Credit for Worker Training. – The maximum amount of the credit would be $1,000 per worker. This is the same credit amount allowed for jobs in a tier one area. Under current law, the credit for worker training is $500.
- Credit for Substantial Investment in Other Property. – Under current law, this 30% credit is available only for property located in a tier one or two area. The credit would be available to a taxpayer who qualifies as a major computer manufacturing facility regardless of the enterprise tier area in which the property is located.

Sales Tax Incentives

In 2003, the General Assembly provided that the owner of an eligible facility that invests at least $100,000,000 of private funds to acquire, construct, and equip a facility in North Carolina was allowed an annual refund of sales and use taxes paid by it on building materials, building supplies, fixtures, and equipment that become a part of the real property of the eligible facility. An eligible facility includes computer manufacturing. If the owner of an eligible facility does not make the required minimum investment within five years after the first refund is allowed, the facility loses its eligibility and the owner forfeits all refunds already received. Upon forfeiture, the owner is liable for tax equal to the amount of all past taxes refunded plus interest. The tax and interest are due 30 days after the date of the forfeiture.

Section 3 of this bill makes two changes to the sales tax refund statute as it applies to computer manufacturing:

- It provides that the investment may be made directly by the taxpayer or indirectly through a related entity.
- It clarifies that a 'computer facility' may include multiple buildings on a single campus.

- It provides that the term 'computer manufacturing' includes peripheral equipment if the manufacture or assembly of this peripheral equipment occurs at the facility or campus at which the taxpayer also manufactures or assembles electronic computers.

FISCAL ANALYSIS MEMORANDUM

[This confidential fiscal memorandum is a fiscal analysis of a draft bill, amendment, committee substitute, or conference committee report that has not been formally introduced or adopted on the chamber floor or in committee. This is not an official fiscal note. If upon introduction of the bill you determine that a formal fiscal note is needed, please make a fiscal note request to the Fiscal Research Division, and one will be provided under the rules of the House and the Senate.]

(1) The amount of the credit expected to be taken between 2005 and 2020 is $450 million.
(2) The amount of the Bill Lee Act credits expected to be taken between 2005 and 2020 is $42.8 million.

PRINCIPAL DEPARTMENTS AFFECTED: Department of Revenue and Department of Commerce. The enactment of the bill should not affect the budget requirements of either agency.

EFFECTIVE DATE: Sales tax provisions become effective January 1, 2005 and apply to sales made on or after that date. The remainder of the act is effective for business activities occurring on or after November 1, 2004 and for taxable years beginning on or after January 1, 2005.

(over)

BILL SUMMARY: The legislation makes several changes to the corporate, franchise, and sales taxes, particularly as they relate to computer manufacturing.

Large Computer Manufacturer Credit

The bill creates a new credit for large computer manufacturers that can be taken against the corporate income or franchise tax. In order to be eligible for this credit, the Secretary of Commerce must determine that the taxpayer will increase its employment level by at least 1,200 new, full-time jobs within five years of when the property is first used as a computer manufacturing and distribution facility. The Secretary must also determine that the taxpayer, directly or indirectly through "strategic partners" and related entities, has or will invest at least $100 million in private funds to construct a computer manufacturing and distribution facility in North Carolina over a five year period. In order to qualify for the credit, the taxpayer, as well as its strategic partners and related entities, must pay at least 50% of the health insurance premiums for its full-time employees, must have no outstanding OSHA citations at the new facility, and must have no overdue tax debts.

Having met these eligibility standards and those additional standards listed below for particular tax years, the taxpayer will qualify for the following maximum amount of tax credit:

Tax Year	Maximum Credit Per Year
2005-2009	$10,000,000
2010-2014	$15,000,000
2015-2019	$20,000,000

The legislation includes some additional requirements linked to particular tax years. In 2005, the taxpayer must invest at least $25 million in constructing the new facility by the end of the taxable year to claim the credit. This investment can be through the primary company, or its related entities and strategic partners as defined in the bill. In taxable years 2006-2010, the actual amount of the credit is determined by the increased employment level of the taxpayer and the number of consumer-ready computers and peripherals produced by the facility. (Note: The amount each computer and peripheral contributes toward the allowed credit amount is higher in 2006 than the remaining years). The credit calculation in 2010-2014 is similar to that used in 2006-2010 with two exceptions. If the taxpayer has ever attained an employment level of at least 1,500 at the facility for which the credit is claimed, the credit can be determined exclusively by output (assuming the employment level has not been reduced by more than 40% over the previous year), thus potentially reducing the employment requirement to claim the maximum credit. If the employer has never reached employment of 1,500, the maximum credit amount is reduced by $5 million (to $10 million).

For taxable years 2015-2019, the calculation becomes more complicated. During these years, the company may draw the maximum credit amount ($20,000,000) if the taxpayer has in any year attained an employment level of 2,500 at the facility for which the credit is claimed. The credit amount continues to vary depending upon the employment level ever attained and the current employment level. Additionally, if the taxpayer has ever attained an employment level of 2,500 and the taxpayer's employment level for the current year is at least 1,500, then the credit amount is determined by production output or is $20,000,000, whichever is less.

However, if the taxpayer has ever attained an employment level of 2,500 **BUT** the taxpayer's employment level for the current year is less than 1,500, then the credit amount is the unit output of the facility multiplied by $6.25 or $15,000,000, whichever is less. The credit amount would be reduced if the taxpayer's employment level decreased by more than 40% from that of the previous year **AND** the employment level of the previous year was 1,500 or less, or the employment level for the current year is 900 or less. Moreover, if the taxpayer has ever attained an employment level of 1,500, then the credit amount is the unit output of the facility multiplied by $6.25 or $15,000,000, whichever is less. The credit amount would be reduced if the taxpayer's employment level decreased by more than 40% from that of the previous year and the employment level of the previous year was 1,500 or less, or the employment level for the current year is 900 or less. Finally, if the taxpayer has never attained an employment level of at least 1,500, then the maximum credit amount remains at $10,000,000 and the amount of the credit is reduced for any year the taxpayer does not reach an employment level of 1,500.

It should be noted that amounts listed above are the maximum credit amounts, creating a total maximum credit amount per eligible company of $225 million. Because there are specific employment and output level requirements, the computed tax credit may be lower. All tax credits can be carried forward for 25 years. If the company fails to create at least 1,200 new, permanent, full-time jobs through itself and its strategic partners and related entities, within five years of the beginning of construction, no further credits may be taken. However, failure to create the required jobs by the end of the five years does not result in the forfeiture of previously taken credits. There is no wage standard associated with the job creation targets. However, the employer must pay at least 50% of the employees' health insurance premium costs for all full-time employees.

Bill Lee Act Changes

The Bill Lee Act is the package of state tax incentives that was first adopted in 1996 and has been modified on numerous occasions. The incentives are primarily in the form of tax credits for investment in machinery and equipment, job creation, worker training, and research/development. The credits apply to activities undertaken by specifically named industrial classifications. For many of the credits, the counties of the State are divided into five economic distress tiers based on the unemployment rate, population growth, and per capita income. The lower the tier of a county, the more favorable the incentive.

The bill determines a taxpayer otherwise eligible for Bill Lee Act credits and who is eligible for the Large Computer Manufacturer Credit may take advantage of the following Bill Lee Act enhancements, regardless of the taxpayer's location:

- No wage standard.
- Jobs credit is increased by $4,000 per eligible job.
- Investment threshold for the machinery and equipment credit of zero in lieu of $2 million for the highest tier.
- Maximum worker training credit of $1,000 maximum per worker instead of $500 in most counties.

- Real property investment tax credit (30%) versus no credit for many higher tier counties.

Sales Tax Refund Changes

The legislation also modifies the existing sales tax refund provision. During the 2003 Special Session (HB 2), the General Assembly authorized refunds of sales taxes paid by owners of a new, major industrial facility in relation to the construction of the facility. At that time, the refund was open only to bioprocessing and pharmaceutical/medicine manufacturers. In 2004, the refund provision was opened to several new classes of manufacturers, including computer manufacturers. This legislation alters the definition of computer manufacturer for purposes of a sales tax refund on construction to include such a company's related entities and strategic partners. It also adds printers to the items that can be manufactured at a facility to qualify as a computer manufacturer and be eligible for the refund.

ASSUMPTIONS AND METHODOLOGY:

Large Computer Manufacturer Credit

As noted above, the credit is capped in each year it is available, with a 25-year carry forward. The fiscal note assumes the maximum amount will be taken by two companies, one beginning in 2005 and a second one in 2007. The cap is assumed for the following reasons: 1) cap maximization has been assumed in prior fiscal notes when quantifying the cost of targeted incentive packages; 2) it is a cautious approach in a situation of uncertain impacts; 3) what is known about the company most likely to take advantage of the credit suggests it will take the maximum credit; and 4) the ability under the legislation to accumulate excess output for purposes of the credit and to carry the output forward to apply to years in which production does not justify the a maximum payout, makes it more likely the cap will be reached each year. Therefore, the **maximum assumed cost to the State of this portion of the bill is $450 million**. Because of the length of the credit, the loss would occur between 2005 and 2020, with potential carry forwards into 2044. Anticipated losses as a result of this credit for the first five years are included in the fiscal impact box.

Bill Lee Act

The legislation allows an eligible computer manufacturer to benefit from five of the Bill Lee benefit enhancements previously available only in Tier 1 counties or development zones. Based on materials furnished by the Department of Commerce, the analysis begins with the assumption of the location of a major computer manufacturer in a Tier 5 county in the Triad region. In addition, the discussions produced the following activity data that is relevant to the Bill Lee Act credits:

	2004	2005	2006	2007	2008	2009	2010
Jobs Created	0	0	500	400	100	300	0
M & E Investment ($Mil.)	$0	$30.0	$15.0	$10.0	$10.0	$5.0	$5.0
Workers Trained	0	0	500	400	100	300	0
Real Property Investment ($Mil.)	$0	$30.0	$0	$0	$0	$0	$0

Another key piece of data is that the expected average salary for the manufacturer is $27,000-$28,000. This is important to the credit impact calculation because the wage standard for the county in which the company is expected to locate is higher than this projected wage level. This means that the taxpayer would not have met the wage test under current law and thus would not be eligible for Bill Lee Act credits. This means that of the legislation, the impact is equal to the full amount of the potential Bill Lee Act credits, not just the incremental changes in this bill.

The jobs credit would be equal to $4,500 per job taken over four years. The credit for the investment in machinery and equipment is 7% of eligible expenditures, taken in equal installments over seven years. The worker training tax credit is equal to $1,000 per worker trained. The real property tax credit is 30% of the investment and is taken over seven years.

All of the credits affected by these changes, except for the worker training credit, are first taken in the year after the activity takes place. The worker training credit may be taken in the year in which the expenditure is incurred.

For the purpose of this analysis, it is assumed that the full amount of the credit for a tax year is taken during the fiscal year in which the tax year ends. Thus, the 2007 credit would be taken during the 2007-2008 fiscal year.

As in the analysis of the Large Computer Manufacturer Credit, it is assumed that another project that would be eligible for the Bill Lee Act changes would begin two years after the original location decision.

Finally, this analysis uses the assumption contained in the Department of Commerce spreadsheet that the taxpayer will be able to use all of the tax credit for the year in which the credit applies.

Sales Tax Refund

During the 2004 session, the total cost of expanding the group of manufacturers eligible for the refund, including computer manufacturing, was estimated at $2.4 million in FY 2004-2005 and $4.6 million in FY 2005-2006. As such, this cost has already been taken into account in our budgeting process. It is not anticipated that the inclusion of related entities in the definition will expand the scope of the refund provision. Therefore, no additional cost to the State is expected as a result of this provision. The inclusion of the term "printer" in the items considered computers for purposes of the refund could potentially expand the refund if a printer manufacturer develops a new major facility. However, given the nature of the industry, it is unlikely a $100 million or more investment is forthcoming in this area. Therefore, no fiscal impact is expected as a result of this change.

NOTE: For all calculations in the fiscal analysis, we have assumed two (2) such locations will occur in the five years covered by the memo. This assumption is based a consideration of the following information: 1) historical treatment of incentive package calculations by both Fiscal Research and the NC Department of Commerce; 2) the expected growth in the printer

and server markets, the later driven a great deal by anticipated use of voice over Internet protocol (which utilizes servers) for communication; 3) the expected growth of the personal computer market as outlined by industry analysts and the SEC filings of major computer manufacturers; and 4) the continuing trend toward overseas production as a result of global financial and employment conditions. This is to be considered a simulation. Moreover, additional activity is possible, particularly in the out years is possible, but the likelihood is unknown.

NORTH CAROLINA GENERAL ASSEMBLY
AMENDMENT
Senate Bill 2

AMENDMENT NO. _____
(to be filled in by
Principal Clerk)

S2-ARB-122 [v.2]

Date 11/4/2004 ,2005

Comm. Sub. [NO]
Amends Title [NO]
First Edition

Representative Weiss

moves to amend the bill on page 4, lines 23-24, by inserting the following between those lines:

"(d1) Child Care Facility. – A taxpayer is eligible for the credit allowed under this Article only if the taxpayer provides for an on-site, high-quality child care facility that is available to all full-time employees at the facility who would qualify for a child care subsidy under current State law. To qualify as a high-quality child care facility, the child care facility must be licensed by the State in accordance with Chapter 110 of the General Statutes, must not have had its license revoked for any reason during the taxable year, and must have received and maintained a star rating of four or higher throughout the taxable year. The taxpayer must also provide employees who would qualify for a child care subsidy under current State a law a stipend to purchase child care in the private market at a child care facility of the employee's choice that has received a star rating of four or lower if the employee chooses not to utilize the child care facility provided by the taxpayer. The taxpayer may charge a fee for use of the child care facility provided by the taxpayer based on a percentage of the employee's family's gross family income and may reduce the amount of a stipend by that same measure. The amount of the fee that may be charged for use of the child care facility maintained by the taxpayer and the amount of the reduction of the stipend must be equal to the fee the employee would pay if the employee were participating in the child care subsidy program under current State law. Upon request, the Secretary of Health and

Representative Weiss

moves to amend the bill on page page 5, lines 1 through 10, by deleting the lines;

and on page 7, lines 16-26, by rewriting the lines to read:

"(g) Expiration and Forfeiture. – If the taxpayer fails to attain an increased employment level of at least 1,200, either directly or in conjunction with its strategic partners and related entities, within five years after beginning construction of the facility with respect to which a credit is claimed or the taxpayer fails to invest at least one hundred million dollars ($100,000,000) in private funds to construct a computer manufacturing and distribution facility over a five-year period, the taxpayer may not take any further credits under this Article with respect to that facility and forfeits any credits allowed under this Article with respect to that facility.

A taxpayer that forfeits a credit under this Article is liable for all past taxes avoided as a result of the credit plus interest at the rate established under G.S. 105-241.1(i), computed from the date the taxes would have been due if the credit had not been
