FOR IMMEDIATE RELEASE 11/17/2003

NC Senate to hold public hearing on redistricting

RALEIGH — The North Carolina Senate will hold a public hearing Thursday, Nov. 20, to take public comment on the redistricting process.

The hearing will be from 10 a.m. to noon in the Legislative Auditorium, located on the third floor of the State Legislative Building at 16 W. Jones St. in Raleigh.

The hearing is part of the General Assembly's plans to draw legislative districts this year, as the Supreme Court has ordered, after the courts imposed an interim map for the 2002 elections only. Members of the public may comment on the 2002 interim Senate map or on any other topic related to redistricting.

"Making sure all North Carolinians have fair and equal representation is a top priority as we abide by the court rulings and redraw district lines," said Senate President Pro Tempore Marc Basnight. "I hope anyone who is interested will participate in the hearing and offer their input."

Each speaker will be limited to five minutes. Speakers will need to sign up on the "Speaker Sheet" at the auditorium in order to speak

Registration for speaking will begin an hour before the hearing begins and will continue until the end of the hearing. Speakers will be called in the order that they registered.

Speakers also are encouraged to submit their oral comments in writing. Anyone who wants to propose a legislative plan should provide maps and any supporting data. Questions about the public hearing may be directed to Bill Gilkeson, Dianna Jessup, Erika Churchill or Karen Cochrane-Brown at 919-733-2578.

Senate Committee on Redistricting
Public Hearing
Thursday, November 20, 2003
10:00 a.m.
Legislative Building, Auditorium

MINUTES

The Redistricting Committee held a public hearing on Thursday, November 20, 2003 at 10:00 a.m. in the Auditorium, Legislative Building. Senator Clodfelter made a few remarks and introduced the first speaker.

Mr. Ashley Stephenson, Beaufort County, spoke briefly against the splitting of counties in Beaufort County. Mr. Stephenson stated the courts have pulled this legislature back on track and the courts have specifically enumerated the problems with the current interim maps. Mr. Stephenson also stated that the interim Senate map was constitutional, pass it and be done with it (Attachment 1).

Ms. Heather Taylor, Student, Meredith College spoke briefly in support of a Independent Redistricting Committee. Ms. Taylor stated that a new approach can foster the notion that government is working toward a true democracy and that it can help those who are apathetic become a little less so and reassure us that in fact our opinion do matter (Attachment 2).

Mr. Bob Phillips, Common Cause of North Carolina stated that there is a better way to handle redistricting in establishing an Independent Redistricting Commission (Attachment 3).

Mr. Bernard Holliday, Citizen, Granville County discussed briefly statistical information. Mr. Holliday stated that the US Supreme Courts have ruled that race must not be used as primary guiding principle when redistricting. Mr. Holliday stated that since we live in a multi-racial society this fact must be considered in all deliberations, focusing on equity and justice to all citizens (Attachment 4).

Mr. Trey Thurman, Attorney, Pender County spoke briefly in supporting of keeping Pender County whole. Mr. Thurman stated that for the first time in over 40 years a resident of Pender County is serving in the Legislature (Attachment 5).

Ms. Ann P. McCracken, Co-Chair, Common Cause of North Carolina spoke briefly in support of an Independent Redistricting Commission. Ms. McCracken stated that Common Cause does support a citizen's panel dedicated to drawing up legislative district plans.

Ms. Claudia Rodgers, Citizen, Wake County stated spoke briefly against the splitting of counties.

Mr. James M. Johnson, III, Mayor ProTem, City of Wilson, spoke briefly about keeping his district whole. Mr. Johnson stated that, as an elected official, we lose our way and forget why we are elected. We were elected to do the peoples' business and not just sit here and find ways to get re-elected for the next term. It is time for a gut check that we go into this opened eyed. This is something that everybody in North Carolina, republican, democrat, and independent, whatever the affiliation want, to be treated fairly. In a perfect world, you can sit beside this map and say o.k. Wilson and Greene you are together and we would have the same input as Mecklenburg, that's not going to happen. I simply ask that you treat everybody in every county as that one vote. When you pull together five representatives from one county, obviously Wilson is not going to have the pull from that large county. I ask that you take this into consideration when you're drawing these maps. Thank you for what you do and remember you're here to do the people's business and not that of getting re-elected the next term. If that puts two senators together or three senators together I'm sorry, that is not the way it's meant to be. I ask that you would also have a public hearing for comment on the new maps. Thank you.

Reverend Dr. James B. Vigen, Office of Public Policy Advocacy: Reverend Vigen urged the Senate General Assembly to seriously look at a citizen's non-partisan panel to work with redistricting in the future. Reverend Vigen also urge the General Assembly, members of both parties, to come up with a plan that would pass that look could look forward to over the next decade where all citizens would know the district they actually live in. Thank you.

Mr. Ferrell Blount, NC GOP stated that the party would strongly oppose any plans that minimize the voting strengths of the minorities. Mr. Blount stated that North Carolina Supreme Court has given specific, detailed standards of drafting legislative districts, and that the purpose of redistricting every ten years is not to insure that the Party in power continues in power, but to insure that we have an election plan that reflect the voters wishes (Attachment 6).

Mr. Willie Ray Starling, Citizen, Greene County stated he was here as a taxpayer and voter. Mr. Starling quoted President Abraham Lincoln "nearly all men can stand adversity, but if you want to test a man's character, give him power." Gentleman you have the power, there is not question...you have the responsibility to draw these district maps. In creating legislative districts: do you intend to follow the North Carolina constitution or do you intend to choose those voters you represent in order to have a safe seat. Would you manipulate districts to make sure that a majority of democrats are elected to the General Assembly, even if the majority of voters cast their votes republican. Do you intend to put oneself ahead of the North Carolina constitution or would you defend the rights of voters to elect the representative of their choice. As a taxpayer, I am here to ask the members of this Legislature to pass a constitutional redistricting plan to avoid the cost of litigation, which will certainly occur if you do not pass constitutional plans. Twelve times the General Assembly went to court to defend unconstitutional plans. The state attorney general's office devoted many hours to this

defense, twelve times they lost and the taxpayers paid for the General Assembly's twelve defeats in court.... enough is enough. As a voter I ask you to pass constitutional redistricting plans that are fair to all voters. These plans should ensure that voter and not politicians have a genuine opportunity to elect a representative of their choice. Thank you.

Mr. Henry Hinton, Chairman Elect, Pitt Chamber or Commerce, Greenville, NC, stated that the Greenville, Pitt County Chamber of Commerce promotes and supports the fastest growing community in Eastern North Carolina. Mr. Hinton stated that the Greenville-Pitt County Chamber of Commerce support district lines with significant geographic boundaries, i.e. road, waterways, precinct boundaries, county or municipal boundaries to provide a clear understanding to citizens as to whom their representatives are and we support concise, single member districts (Attachment 7).

Mr. Robert Evans, Mayor, Town of Farmville spoke in opposition of Pitt County being split into two senatorial districts (Attachment 8). Mr. Evans also presented to the committee a letter from Ms. Judith Ruggie, President, Farmville Development Partnership (Attachment 9).

Mr. Jimmy Garris, Pitt County Board of Commissioners stated I am here representing the Pitt County Board of County Commissioners and more importantly representing the citizens of Pitt County. Pitt County is a rapidly growing well-diversified employment and service center for eastern North Carolina. It is one of the fastest growing areas in the State with a population increase of 23.34% between 1990 and 2000. The North Carolina State Data Center is projecting our population to be in excess of 160 by the year 2010. We are currently the 13th most populous county in North Carolina. We have had a long tradition of having representation from our county. We respectfully request that district lines be proposed and approved that would enable us to maintain our traditional level of presentation. Mr. Garris read and submitted a letter of endorsement from the Pitt County Board of Commissioners (Attachment 10).

Mr. Tom Dayvault, President, High Point Chamber of Commerce stated that the city of High Point has grown into our State's eight largest city with over 90,000 people. Mr. Dayvault stated that currently High Point is divided into five separate senate districts and we are requesting we be whole. Our population allows us to have under the current formula up to 2/3 of one of the fifty district seats strictly of High Point residents. Mr. Dayvault stated that High Point is a place that has a whole lot of representation, it's about time we had a representative. Mr. Dayvault stated that we would encourage you to put the entire Guilford County part of the City of High Point into one state senate district (Attachment 11).

Senator Phil Berger, Representing Senate District #26 stated that there is no maps that have passed the General Assembly in the past two years applies to the constitution of North Carolina. The only map for senate districts that does apply to the constitution is the interim senate map. The Justice Department approved them as being in compliance with the Voting Rights Act and the NC Supreme Court has indicated that that map

complies with the North Carolina constitution. It is my belief that that map, which was adopted by the Senate in the Special Redistricting Session, should be used. If however the Senate is determined to change what is currently in the Senate maps, I would suggest that the existing interim Senate maps be used as a benchmark. Senator Berger stated that another public hearing should be held after the new maps are released.

Mr. Chris Heagarty, Center for Voter Education: Mr. Heagarty spoke in favor of creating an independent redistricting commission (Attachment 12).

Senator Ham Horton spoke briefly in support of an independent redistricting commission. Senator Horton stated that virtually every first world democracy redistricts regularly using some type of independent redistricting commission, and that there have been eleven states that have adopted using an independent redistricting commission. Senator Horton states that out those eleven states, not a single one of those states have decided to abandon the independent redistricting commission.

Mr. David Hammond, Commissioner, Pitt County stated that the late Ed Warren and the late Senator Martin were close friends of mine. They represented eastern North Carolina especially, Pitt County very well. However there are new members that have come on to the body of the Senate since then. Some are novice and some new to the role of Senator in North Carolina, while others are influential in serving as committee chairs and they have a lot influence in the districts that they run. I'm just asking that this Senate will not continue making these redistricting issues the prime and only work that they are involved, and not taking care of the other business of the State. I do believe today sincerely that those Senators lives would have been prolonged if it had not been for this same process that you're presiding over today. Those men worked hard for the university med center, they worked hard for east Carolina University and that Pitt County and Greenville and the surrounding areas about to get new roads in some areas that would continue new development, we find that there is a move on to try and stop that by having other representation. As a businessperson and an elected official I have seen how a county represented by hometown Senators all of my life, I do not want that to change. I urge you to think about that in your deliberation. Thank you.

The hearing was adjourned at 11:10 a.m.

Senator Daniel Clodfelter, Presiding Co-Chair

Bonnie McNeil, Committee Clerk

Ashley Stephenson's prepared comments to the General Assembly – November 20, 2003 - 10:00 AM at the Senate Redistricting Public Hearing to gather public comment on matters of Redistricting in North Carolina. (Five Minutes)

Ladies and Gentlemen, Members of the General Assembly,

Two years ago I came before this public hearing with very real concerns about the redistricting maps the various committees had offered up for consideration. These maps did not follow the constitutional criteria enumerated in the North Carolina Constitution. The Sutton map split my home, Beaufort County, into 3 House districts. The Justus map split us into 4 House districts. The Senate map kept us held to the twenty-year tradition of splitting Beaufort County into 2 Senate districts... and no one seemed to care. I told you if you voted to pass these maps, I would instigate a lawsuit to stop you. I joined with three members of the General Assembly and the Chairman of my political party to bring that lawsuit. *Stephenson vs. Bartlett* has forced the General Assembly to do something they apparently had no interest in... holding fair elections under constitutionally drawn districts, with a set of maps that protected the voters from those who would exploit them for their own personal political gain. The court put those maps into play after the General Assembly failed two times to "step up and do the right thing".

The Attorney General is partially to blame for the redistricting mess North Carolina is in. He should have been a Plaintiff in this lawsuit... not the defender and chief enabler of politicians who are either too blinded by party loyalty to understand the law or too arrogant to obey it. The Courts have pulled this legislative train wreck back on course. The courts have specifically enumerated the problems with the current interim maps. These maps were successfully used in the last election and every member currently serving in the General Assembly won their election under these maps. The maps used could not be gerrymandered, because the partisan pressures exerted on committee members were not part of the map drawing process. Minority voting rights were protected, and those members who would use the redistricting process to protect themselves from their own constituents who would rather retire them were reminded we are a nation of laws, not men. It would be so easy to deal with the problems the Court had listed. The Interim Senate map was Constitutional. Pass it, and be done with it. The House map did not group counties in the smallest possible combinations, so it must be redrawn. The Court has pointed out its problems though, so you've had a half a year to get on fixing this map, thus ending this madness once and for all. This is not about Republicans or Democrats... this is and has always been about giving the voters the right to choose their elected representatives, and not allowing those representatives to farm voters out to secure political gulags that could be ignored once the election had passed - with power, position, and partisan political victory secured for another two year term.

The defendants were forced to obey the law... kicking and screaming. 10 times in court they used the office of Attorney General to defend their illegal maps... 10 times they lost. I would like to know once and for all how much money the Attorney General has used fighting to negate the North Carolina Constitution on this matter. Someone knows, and if the News and Observer or the Winston Salem Journal doesn't know twenty-four hours from now, I will assume Roy Cooper has something to hide. We have asked how much this exercise has cost the taxpayers, and we have been told they would tell us. Two years later... and still nothing. The taxpayers of this state have a right to know, the Attorney General has the responsibility to provide the information, and the press has the charge of investigating and reporting the cost to the public of this partisan plotting.

And here we are two years later, still fighting the very people who have been charged with protecting us from those who would deny us our constitutional rights. We can't even comment today on the maps they plan to pass, because they refuse to release them for public review ahead of time. That does not instill confidence that these plans will pass the "smell test". I know certain party leaders are following the time tested political strategy of "running out the clock". Delay the primary, pack minorities into districts, and maximize majority gains through internal county line gerrymandering. That tactic was defeated in court 10 times already... why would you want to continue this?

Because of the uncertainties of public office, the plaintiffs or defendants may change in this case...but the principles behind this lawsuit will not. It will move forward until you comply with the law. House Republicans have a sufficient majority to stop any unconstitutional plan, but they must work together to do it. If protecting the citizenry from exploitation by self-serving political powers is not a cause worth fighting for united, then this body has truly lost its way. I believe you are better than that. Please... show me I'm right.

Good morning ladies and gentlemen.
My name is Heather Taylor and I am student at Meredith College. I am here today to speak on behalf of my generation.

My generation is very apathetic towards government. Government is seen as inaccessible, not representative of the people and not progressive. There is a general consensus that "my opinion doesn't matter". This concerns me because we are the voice of the future. It is hard for us to believe this, because we see our government unable to use new ideas to solve old problems. What we now see is a system of bickering, pettiness, and a struggle for power. What we, what I, want to see is that the system can change if it isn't working.

On the issue of redistricting, it is now the 3rd time in two years the issue has been in discussion. I don't understand all of the technical details involved with redistricting. My guess is that not too many people outside of this building do. I do know that we need to look at new options. One of those is an Independent Redistricting Commission. I challenge you to try something new. Be proactive by being forward-thinkers.

We need to have flexibility within our government. If we see our government making use of practical new methods of dealing with issues such as redistricting, we will perceive that our government is open, flexible and adaptable to new ideas. This new thinking will help restore our trust in government and we could see it as trying to be accessible, and to represent the people. A new approach can foster the notion that our government is working toward a true democracy. It can help those who are apathetic become a little less so. and reassure us that in fact our opinions do matter,

Independent Redistricting Commission

I'm Bob Phillips with Common Cause North Carolina

We are a non partisan, non profit citizens organization—

Regarding redistricting, Common Cause believes--- there is a better way to do this.

It's called establishing an Independent Redistricting Commission.

Common Cause believes if you take the responsibility of redistricting from the legislature and instead allow an appointed bi-partisan panel of citizens to do the job, the process will be smoother, fairer and cheaper--- than what we are doing now.

We urge consideration be made of the proposal sponsored by Senator Ham Horton and Senator Ellie Kinnaird- which would create a nine member citizens commission to take charge the job of redrawing legislative and congressional lines.

Just imagine what we might be able to avoid

- Seemingly endless costly court challenges
- Seemingly endless bitter partisan legislative battles
- Seemingly endless legislative sessions held hostage by the redistricting issue

An independent redistricting commission won't eliminate politics or court challenges. But it greatly reduces these problems.

It may make lawmakers jobs easier because it takes away one of the most contentious issues off the General Assembly's plate.

It will be a boost to improving democracy—because an independent redistricting commission can do its job faster, more efficiently and more out it the open than the lawmakers.

Just maybe---to the victor goes the spoils isn't the best system. Just maybe the way we do redistricting actually harms the image of our government among the people.

Please consider the independent redistricting commission idea. We need districts drawn to serve the people's best interests not the politicians--

A Declaration For Independence

We, the undersigned, in order to reclaim our democracy, demand that Congress declare independence from the influence of special-interest money by passing effective bipartisan campaign finance reform by the Fourth of July.

The bipartisan McCain-Feingold bill, currently pending in Congress, provides the framework for effective campaign finance reform.

CLEAN UP CAMPAIGNS NOW

Topic: The North Carolina State -Redistricting Hearing
Raleigh, N.C. --- November 20th-2003

Introduction:

The United States Constitution- (clause-3)- 1787 requires that every ten years there shall be a census in the various states.
The U.S. Census for 2000 has been completed and the North Carolina State Legislature must now provide new maps that outlines the boundary lines for Congressional- State Senate & House delegations.
In 1835 the North Carolina State Legislature fixed the number for the State Senate- 50 and State House - 120.
The vital statistics for 2000 revealed a tremendous population growth in North Carolina. I.E. Population -- 8,049,313--- 21.4% growth rate from -1990.

Historic trends that have shaped the way our state has dealt with redistricting.
A. The Voting Rights Act-65 - identified 40 Counties in North Carolina.
These counties must submit in all elections data for the U.S. Justice Department, to analyze in order to be in complinace with the U.S. Constitution- the - (14th Amendment), equal protection clause.
Section -5 of the Voting Rights Act:
Anson Beaufort Bertie Bladen Camden Caswell Chowan Cleveland Craven Cumberland Edgecombe Franklin Gaston Gates Granville Greene Guilford Halifax Harnett Hertford Hoke Jackson Lee Lenoir Martin Nash Northampton Onslow Pasquotank Perquimans Person Pitt Robeson Rockingham Scotland Union Vance Washington Wayne Wilson

B. The use of (Gerrymandering tool) for political purposes was recently cited in the (Shaw doctrine case). The U.S. Supreme Court has ruled that "race" must not be used as the primary guiding principle when redistricting is under review by state legislatures.
However, since we live in a multi-racial society this fact must be considered in all deliberations, focusing on equity and justice for all citizens.

The task for the North Carolina State Legislature - 2003.
There are various models under review by legislators from the Senate & House, dealing with redistricting, colored by political party labels.
The ideal - Congressional District based on the U.S. Census for 2000.
A. 619,178. N.C. State Legislature-- Senate - 160,986 House -- 67,078.

Guiding principles for Redistricting-2003.
1. The (100 Counties in North Carolina) should be viewed as integral parts of a growing state based on U.S. Census-2000.
Try to avoid splintering counties into small enclaves to satisfy incumbents.

2. Draw maps that will encompass whole counties. Then if necessary include adjoining counties-districts to make the final maps - homogeneous.

-2- The Piedmont Region is an excellent example of what needs to be done to insure that "ethnic minorities" will not be isolated into districts

which dilutes their voting strength or deter candidates from seeking to represent their neighborhoods as indigenous leaders.
The Counties in the Piedmont Region:
Franklin County --- Population --- 47,260 -- Caucasian- 31,190 -- 66%
Growth-29.8 African American - 14.193 - 30.3% Hispanic - 2,100 - 4.4%.
Granville Co.-- Pop. - 48,498 - Caucasian --29,459- 60.74% -
African American - 16,943 -- 34.94% ---- Hispanic - 1,951 -- 4.02%.
Growth rate - 26.5%.

Person Co. - Pop. --- 35,623 -- Caucasian -- 24,504 -68.79%
African American --10,049 -- 28.21% Hispanic -- 746--2.09% -Growth-5.43%.

Vance Co. - Pop. ---42,954 --- Caucasian --20,709- 48.21% --
African American --- 20,749 -- 48.31%. Hispanic --1.957- 4.56% - Growth- 10.4%

Warren Co. - Pop.---19,972---Caucasian -- 7,769 -38.9% --
African American ---10,882-- 54.49% - Hispanic --- 317 -- 1.59%. Growth - 15.7%.

Wake County - Pop. --- 627,846 ---Caucasian --454,544--72.40%.
African American ---123,820--19.72% -- Hispanic -- 33,985-- 5.41%- Growth- 48.3%.

Durham County - Pop.-- 223,314 --- Caucasian -- 113,698- 50.91%
African American -- 88,109-- 39.46% -- Hispanic --- 17,039 --7.63%
Growth --- 22.8%.

Summary: The North Carolina State Legislature must now design several maps based on the - U.S. Census-2000 using strict guidelines within the framework of our constitution. The goal must be to guarantee the voting rights of every citizen regardless to race, gender or class.
We have a sacred trust to formulate a state blueprint that espouses equality and justice under the laws of this republic.
As we labor to perfect a more viable union, the God of the cosmos watches over our deliberations.
We are stewards seeking eternal truths which sets men and women free on the good planet Earth.

PENDER COUNTY PRESENTATION

HONORABLE MEMBERS OF THE COMMITTEE ON LEGISLATIVE REDISTRICTING, MY NAME IS TREY THURMAN, AND I AM THE PENDER COUNTY ATTORNEY. IT IS MY HONOR TO SPEAK TO YOU ON BEHALF OF THE PEOPLE OF PENDER COUNTY. HERE WITH ME TODAY ARE REPRESENTATIVE CAROLYN JUSTICE, WHO IS A MEMBER OF THE HOUSE COMMITTEE ON REDISTRICTING AND THE FIRST RESIDENT OF PENDER COUNTY TO SERVE IN THE GENERAL ASSEMBLY IN OVER 40 YEARS, MR. DWIGHT STRICKLAND, CHAIRMAN OF THE PENDER COUNTY BOARD OF COMMISSIONERS, AND MR. F.D. RIVENBARK, PENDER COUNTY COMMISSIONER. WE COME TO YOU TODAY WITH A SIMPLE PLEA: KEEP PENDER COUNTY WHOLE.

IN THE FIRST LEGISLATIVE MAPS DRAWN BY THE GENERAL ASSEMBLY FOR THE 2002 HOUSE AND SENATE SEATS, PENDER COUNTY'S 41,000 CITIZENS WERE TO BE SPLIT AMONG 5 HOUSE DISTRICTS AND 3 SENATE DISTRICTS. BY PENDER COUNTY BEING SPLINTERED INTO SO MANY DISTRICTS, THERE WAS NO WAY FOR THE VOICES OF ITS CITIZENS TO BE HEARD ON THE MANY ISSUES IMPORTANT TO PENDER COUNTY. THIS ASSESSMENT IS NOT MEANT TO BE AN ATTACK ON THE LEGISLATORS WHO HAVE REPRESENTED PENDER COUNTY, RATHER IT IS A REAL WORLD ASSESSMENT OF THE EFFECT OF PENDER COUNTY COMPRISING SUCH A SMALL PORTION OF ANY INDIVIDUAL LEGISLATOR'S DISTIRCT. IN PARTICULAR, ON ISSUES IMPORTANT TO PENDER COUNTY AS A COUNTY,

IT WOULD BE VIRTUALLY IMPOSSIBLE TO ESTABLISH CONSENSUS AND OBTAIN LOCAL LEGISLATION.

BECAUSE OUR PLEA NOT TO BE DIVIDED WAS NOT HEARD IN THE HALLS OF THE GENERAL ASSEMBLY, PENDER COUNTY'S BOARD OF COMISSIONERS DIRECTED THAT I FILE AN AMICUS BRIEF IN THE "STEPHENSON" REDISTIRCITNG CASE. THE UNANIMOUS DECISION BY THE FIVE MEMBER BOARD TO INTERVENE IN THAT CASE HAD NOTHING TO DO WITH PARTISANSHIP, AS THE TWO DEMOCRATIC MEMBERS, ONE OF WHOM WAS SERVING AS CHAIRMAN, JOINED WITH THE THREE REPUBLICAN MEMBERS TO SEEK RELIEF FROM THE SUPREME COURT. THAT DECISION WAS NOT UNDERTAKEN LIGHTLY AS THE COMMISSIONERS RECOGNIZED THE RISK THAT SUPPORTING A LAWSUIT WITH POTENTIALLY ADVERSE CONSEQUENCES FOR SITTING LEGISLATORS COULD RESULT IN ILL WILL FOR THE COUNTY. ALTHOUGH OTHER COUNTY BOARDS PRIVATELY EXPRESSED SIMILAR SENTIMENTS, PENDER WAS THE ONLY COUNTY TO STICK TO THE COURAGE OF ITS CONVICTIONS BEFORE THE SUPREME COURT. FORTUNATELY, THE PLIGHT OF PENDER COUNTY WAS RECOGNIZED BY THE COURT, WHICH EVEN QUOTED SEVERAL PASSAGES FROM OUR BRIEF IN ITS OPINION.

PENDER COUNTY WAS RECOGNIZED AS THE POSTER CHILD FOR THE ADVERSE CONSEQUENCES OF DIVIDING COUNTIES AMONG MANY LEGISLATIVE DISTRICTS. LIKE ALL COUNTIES, PENDER FACES CHALLENGES ON A VARIETY OF LOCAL ISSUES, AND A SINGLE

LEGISLATOR REPRESENTING THE WHOLE COUNTY CAN LISTEN TO ALL THE PEOPLE AND MOVE FORWARD WITH REMEDIES. IN A PORTION OF THE BRIEF WHICH THE SUPREME COURT QUOTED IN STEPHENSON, WE CHARACTERIZED PENDER COUNTY AS BEING "BALKANIZED". THAT WORD CHOICE MAY NOT HAVE BEEN ENTIRELY CORRECT FROM A GRAMATICAL STANDPOINT, BUT IT WAS ALL TOO CORRECT IN DESCRIBING THE EFFECT OF SPLINTERING THE PEOPLE OF PENDER COUNTY INTO SO MANY DISTRICTS THAT NO COHESIVE VOICE COULD BE HEARD.

TODAY, PENDER COUNTY HAS ONE REPRESENTATIVE AND ONE SENATOR. WE ASK YOU, ON BEHALF OF THE PEOPLE OF PENDER COUNTY, PLEASE DO NOT DIVIDE US AGAIN. GIVEN THAT THE MOST LIKELY CLUSTER FOR PENDER COUNTY DOES NOT INVOLVE ANY VOTING RIGHTS COUNTY, WE URGE THE COMMITTEE TO FOLLOW THE DICTATE OF STEPHENSON BY KEEPING PENDER WHOLE. IT IS RESPECTFULLY SUBMITTED THAT IF STEPHENSON IS FOLLOWED, PENDER COUNTY SIMPLY CANNOT BE SPLIT. TODAY, PENDER COUNTY IS UNIFIED, NOT BALKANIZED. THE CURRENT BOARD OF COMMISSIONERS, NOW COMPRISED OF THREE DEMOCRATS AND TWO REPUBLICANS, HAS UNANIMOUSLY ADOPTED A RESOLUTION ASKING THAT PENDER COUNTY REMAIN A WHOLE COUNTY IN THE NEW LEGISLATIVE DISTRICTS. I EARLIER INTRODUCED TO YOU THE ELECTED OFFICIALS WHO JOIN ME IN MAKING THIS PLEA. TWO ARE DEMOCRATS, AND ONE IS REPUBLICAN. THIS REQUEST IS NOT ABOUT WHETHER WE

ARE IN A "REPUBLICAN" OR A "DEMOCRATIC" DISTRICT. PENDER COUNTY'S REQUEST IS ABOUT KEEPING ITS PEOPLE TOGETHER SO THAT THEIR COLLECTIVE VOICE MAY BE HEARD IN RALEIGH.

THANK YOU FOR ALLOWING ME TO SPEAK TODAY ON BEHALF OF PENDER COUNTY AND ALL OF ITS CITIZENS. I ASK THAT YOU DRAW THE 2004 DISTRICTS TO PERMIT ONE REPRESENTATIVE AND ONE SENATOR TO ALSO SPEAK ON BEHALF OF PENDER COUNTY AND ALL OF ITS CITIZENS.

Statement by Ferrell Blount, Chairman
North Carolina Republican Party
Legislative Redistricting Public Hearing
November 20, 2003

My name is Ferrell Blount. As Chairman of the North Carolina Republican Party, I want to thank you for giving me the opportunity to speak on the redistricting process. The Republican Party has a number of ideas on this subject that have already been stated by the courts and in the legislature. Our ideas for the upcoming redistricting session are these:

1. First, we think any plan that minimizes the voting strength of minorities over that contained in the court's interim plan will not meet legal standards set by the North Carolina Supreme Court and the United States Department of Justice. We think that it is important that sizable minority communities are able to elect candidates of their choice. It is our intention to oppose any plan that does not meet this standard.

2. Second, the North Carolina Supreme Court has given specific, detailed standards for drafting legislative districts. These include respect for county lines, communities of interest and compactness. The Republican Party has advocated the adoption of standards which have been clearly delineated in the North Carolina Constitution and the decisions of the North Carolina Supreme Court. These standards limit gerrymandering. We trust after two legal discussions in the courts, all parties will cooperate to meet these standards. However, if further legal discussion is needed in this area, we will not hesitate to take legal action.

3. Finally and most importantly, the purpose of redistricting every ten years is not to insure that the Party in power continues in power, but to insure that we have an election plan that truly reflects the voters' wishes. If a plan does not include competitive districts, then the public is not benefited because few candidates will run and fewer voters will participate.

I regret that the committee has not circulated its preliminary maps. I think these public hearings would have benefited greatly from the sharing of this information. Because the devil is in the details, we will be able to give more detailed comments after being able to view and analyze specific proposals.

Greenville-Pitt County Chamber of Commerce

November, 2003

Position Paper
Legislative Re-Districting

The Greenville-Pitt County Chamber of Commerce promotes and supports the fastest growing community in Eastern North Carolina. Pitt County and Greenville population growth has exceeded 24 percent and 34 percent respectively in the past 10 years.

The Greenville-Pitt County community has become a thriving center for business, education and healthcare. It is the economic, cultural, educational and medical hub of Eastern North Carolina and is providing strong leadership for growth and prosperity in Eastern North Carolina.

Many businesses and industries have located here because of Pitt County's position as that hub. Significant factors in the establishment of Greenville and Pitt County as a regional hub include East Carolina University, University Health Systems of Eastern Carolina, a diverse array of large-employer industries, the largest concentration of small businesses in the region and the 11th largest retail county in the state. Additionally, the completion of the Greenville Convention Center strengthens Greenville's position as a specific destination in Eastern North Carolina. Greenville and Pitt County need direct representation in the North Carolina General Assembly.

There is agreement among business, industry and area leaders that "gerrymandered" legislative districts would be a hindrance to the future leadership role that is incumbent upon Greenville-Pitt County to take in efforts to enhance the quality of life for all Eastern North Carolinians.

It is with this in mind that the Board of Directors of the Greenville-Pitt County Chamber of Commerce urges the North Carolina General Assembly to consider the following points of support in plans for creating voting districts in North Carolina.

- We support representation for Pitt County reflective of its size as one of North Carolina's most largely populated and fastest growing counties so that it is represented on a par with communities of like size around the state.
- We support maintaining the integrity of Pitt County as the economic, cultural, educational and medical hub of Eastern North Carolina by keeping the Pitt County populous as a majority in any designated district.
- We support district lines with significant geographic boundaries, i.e. roads, waterways, precinct boundaries, county or municipal boundaries to provide a clear understanding to citizens as to whom their representatives are.
- We support concise, single member districts.

Greenville-Pitt County Chamber of Commerce Executive Committee

Don Mills, Chairman
Susanne D. Sartelle, President

Henry Hinton, Chairman-Elect
Austin Bunch, Vice Chairman, Governmental Affairs

Good Morning! I am Robert Evans, mayor of The Town of Farmville, a municipality located in the western edge of Pitt County. I am also the chairman of the Pitt County Mayor's Association. It is in the dual capacity of both of these roles that I wish to address this body today.

It was only a few short years ago (2-in fact) that I stood in this same chamber to address similar concerns- senate redistricting. In today's world, we recognize that nothing is forever, but a repeat of similar legislative concerns for Pitt County within a two-year period is troublesome, frustrating, and somewhat unreasonable to say the least.

It is my understanding that Pitt County will once again be split into two senatorial districts. This is not unlike what we have experienced for years and Pitt County mayors and the citizens that we represent understand and accept that basic premise for representation for the next decade. However, we are concerned that the proposed redistricting map will divide Pitt County voters among two districts where other smaller counties could dominate its representation. The proposed Pitt County voter count of each district will be 38000 and 58000 respectively- not enough in either case to significantly impact the elective outcome of either district.

Because of this difference, our concerns about the new map are basically the same as they were in 2001. Pitt County, as the most populous of all of the counties involved in this redistricting plan has been divided against itself in order to meet an unstated objective. We feel that this concept is ill advised and basically unfair to Pitt County for the identical reasons experienced in 2001.

It's apparent that Pitt County is-and will continue to be-the economic engine necessary to propel eastern North Carolina into the 21st century. Pitt County is the home of North Carolina's third largest university, the state's second medical school, and a northeastern regional hospital. All three have been recognized as institutions of excellence in their own right. Pitt is the fastest growing county in the east with a 24% population increase over the last decade. Pitt County is currently transitioning from an agricultural based economy to a more skilled workforce to meet technological advances. If we are to maximize our valued resources, we must have the opportunity to elect legislators who understand Pitt County and who possess a vested interest in its human and economic resources. This is highly improbable if Pitt County becomes the minority county within two different senatorial districts.

In addition to the concerns at the county level, my town of 4700 seems to always be in a state of flux concerning who our elected officials will be. As a political town who has provided leaders on the county, state, and federal level for years, we now feel somewhat left out of this important democratic process. For instance, my town is divided into two congressional districts. In 2001 we were divided in a like manner with our General Assembly representation. This was changed at the last election. As was stated earlier,

our senatorial district was decided only after the court had ruled at the last moment and we had to elect a new senator.

We elected Tony Moore to that position. As a freshman senator, Tony has been active throughout his district. He has taken the opportunity to get to know the people and the issues. As pointed out by one veteran senator, Tony has done his homework, worked hard, and voted right-a real credit to the people who elected him.

I don't believe that Pitt County mayors are seeking preferential treatment or an unfair advantage in regards to the selection of our public officials. Pitt County has been divided into two districts for years and has received excellent representation from our elected senators. However, as a minority county within these districts, we must question if that type of representation will continue.

Senator Basnight was quoted in a local paper that this map was necessary because Pitt was not a perfect county. I wonder just how many counties would fit this so-called 'perfect' criteria. The bottom line is that we in Pitt County feel much like we are on a bouncing ball. We request some degree of consideration and continuity so that we may continue to provide the leadership for the northeastern part of our state that we are capable of delivering!

Yes, we believe that Pitt is the flagship county of the east! And if this region is to become positioned for prosperity, Pitt County must be the driving force that makes it possible. We are confident that we can do just that! But, in order for us to be effective, we must receive continuity from our legislators. We need legislators who are committed to the same high standards that we demand of ourselves-who understands our potential! Only you can provide us with that opportunity!

Your consideration of this request is both warranted and appreciated. Thank you!

Member of the Board:

As President of the Farmville Development Partnership, serving the Chamber of Commerce, Economic Development Council and the Downtown Partnership, I represent the Farmville Community in protest to the redistricting of the State of North Carolina Senate Seat.

Pitt County, has a long history of State politics. Under the guidance of Senator Martin we had a voice in Raleigh. With the proposed redistricting, we become an after thought for the State. Pitt County is home of the third largest University in the State, ECU, Pitt Community College is immersed in the retraining of tobacco and cotton farmers, Pitt Memorial Hospital is the hub for regional wellness and the population of the County has grown by leaps and bounds! Take away the voice of the County in the State and the disadvantages will reverberate throughout the Eastern portion of North Carolina .

Greenville is the center of growth for Eastern North Carolina, Greenville is located in Pitt County...Pitt County must be recognized.

Farmville, does not need representation from a gentlemen politician from Goldsboro, who does not know our names, would never attend our functions, has no interest in our economic development and most importantly would not be accessible to represent us in State matters.

Thank you for giving the citizens of Pitt county the opportunity to voice their objection to this important political matter.

Dear Senator Daniel Clodfelter:

Regarding the issue of redistricting the North Carolina Senate lines, the Pitt County Board of Commissioners is in support of the position paper developed by the Pitt - Greenville Chamber of Commerce. In this paper the Chamber emphasis's the following points:

- Senate District lines should reflect Pitt County's size as a large, populated and fast growing county. Representatives in the Senate should be on par with other communities of like size in the State.
- Senate District lines should maintain the integrity of Pitt County as the economic, cultural, educational and medical hub of Eastern North Carolina.
- Senate District lines should follow significant geographic boundaries to provide a clear understanding to citizens as to who represents them in the Senate.
- Senate District lines should be concise single-member districts to allow for more responsinesss to constituent needs.

Thank you for taking these considerations in mind.

Sincerely,

Beth B. Ward

REDISTRICTING RESOLUTION

WHEREAS, the North Carolina General Assembly is planning to address the redistricting of the state's legislative districts to determine representation of its citizenry; and

WHEREAS, the 2000 census revealed that the population of High Point is 85,839 (with a 2003 estimate of 90,522) making it the eighth largest municipality in North Carolina; and

WHEREAS, the 2002 election had the precincts of the City of High Point divided into 7 separate districts in the North Carolina House of Representatives (57, 60, 61, 62, 78, 80, 94); and

WHEREAS, the 2002 election had High Point divided into 5 separate districts in the North Carolina Senate (26, 28, 29, 31, 33), and,

WHEREAS, guidelines for determining districts for the state are based on a total population of 67,078 in each of the 120 districts in the North Carolina House of Representatives and 160,100 for each one of the 50 districts in the North Carolina Senate; and

WHEREAS, using the total population of the City of High Point it is evident one of the 120 seats in the North Carolina House of Representatives should be composed almost exclusively of High Point residents; and

WHEREAS, the City's population also suggests that two thirds of one district of the 50 districts in the North Carolina Senate should be composed of High Point residents.

NOW THEREFORE BE IT RESOLVED that the High Point Chamber of Commerce respectfully requests the North Carolina General Assembly to respect the city limits of High Point in order to maximize the influence of North Carolina's 8th largest city, reflecting the true spirit of the citizen representation envisioned by our forefathers in designing the state constitution; and

BE IT FURTHER RESOLVED that the High Point Chamber of Commerce respectfully requests that the North Carolina General Assembly:

- Divide the Guilford County part of the City of High Point into no more than two state house districts
- Put the entire Guilford County part of the City of High Point into one state senate district

NORTH CAROLINA'S PIEDMONT TRIAD
GREENSBORO • WINSTON-SALEM • HIGH POINT

I'm Chris Heagarty with the North Carolina Center for Voter Education and, since according to today's newspaper, you all already know what we're going to say, I'll be brief.

I am here to again appeal to you that there has to be a better way to do this. The redistricting process can be improved.

What we have now, and what we have done for decades, leads to voter confusion, long and expensive court battles, and time consumed by the legislature that could better be used addressing other serious problems in our state or spent back

in legislators' home districts where they are more accessible to the voters and can hear about their concerns first hand. And it might be nice to let some of these part time legislators actually work at their other jobs instead of keeping them here in Raleigh.

We can accomplish this if we reform the redistricting process. There is a very worthy bill authored by Sen. Ham Horton and Sen. Ellie Kinnaird to create an independent redistricting commission to take future redistricting battles out of the legislature.

I am not so naive as to not see the strong institutional opposition to this. I don't think it's a stretch to say that many legislators don't want to turn over a considerable power to an outside entity. But I would like to suggest a few options you might consider:

- First, even with an independent commission there will always be some level of politics involved in this process. That's no reason to dismiss the commission. The achievable benefit of a commission is not the promise of completely uninfluenced and unbiased districts, but rather the time it saves the legislature by removing this

process from their agenda. No more special sessions, no more long committee meetings, and for those who aren't too wild about these public hearings, you'd be freed from those, too.

- Second, if the exact terms and conditions of the proposed independent redistricting commission are unacceptable, we can still look at models from other states that could benefit our people.

One option is a back-up commission: redistricting remains with the legislature, but if it is not completed by a set deadline, or if the legislature deadlocks and can't approve plans, it is turned

Put this in the commission and let them do the initial work.

I would again ask you to take a look at a process that is supposed to occur once every ten years, but seems to last a span of ten years, instead.

Sen. Horton and Kinnaird have a worthy proposal for addressing this problem that deserves your consideration. Even if you do not agree with their plan, please accept that a healthy discussion of it might shed light on an appropriate compromise.

over to an independent commission. Our legislature has proven it can work well under a deadline. Having a back-up commission could provide the discipline so that it would never actually be used.

Another option would be to start an independent advisory commission outside of the legislature, that could start meeting as soon as updated census data was obtained and would develop preliminary plans. Legislators could be free to approve, disapprove, or modify plans, but this would save them the task from starting with almost infinite possibilities and narrowing it down to one plan.

If there's anything we can agree on it's that there has to be a better way to run this process.

And that, unlike the legislators in the minority party in Texas, no independent redistricting commission has ever run for the border.

Thank you.

SENATE REDISTRICTING COMMITTEE
2003 Extra Session

Monday, November 24, 2003 at 3:00 p.m.
Room 643, Legislative Office Building

AGENDA

I. Welcome and Opening Remarks

II. Bills

Senate Bill 2, Senate Redistricting

III. Adjournment

SENATE REDISTRICTING COMMITTEE

Monday, November 24, 2003 at 3:00 p.m.
Room 643, Legislative Office Building

MINUTES

The Senate Redistricting Committee met on Monday, November 24, 2003, at 3:00 p.m. in Room 643 of the Legislative Office Building. Senator Charlie Dannelly, Co-Chair, presided. Twenty-three of the committee members and twenty-two of the non-members attended. According to the rules adopted for the Extra Session for redistricting, non-members could ask questions and propose the adoption of amendments, but could not vote on motions.

Senator Dannelly recognized Senator Daniel Clodfelter to present SB 2, Senate Redistricting. Senator Clodfelter gave an overview of the criteria used to develop the maps and mentioned that sectioning the districts in one cluster, composed of five counties (Iredell, Gaston, Lincoln, Catawba and Cabarrus), had not been completed. The senator sent forth Amendment #1 to SB 2 (S2-AST-39[v.2]) to complete the redistricting process, and moved it be adopted. He added that it was one of five plans that had been suggested. Senator Allran asked to see the other proposals, and Senator Clodfelter replied that they could be generated. The motion carried, and Senator Dannelly said the amendment would be engrossed into a committee substitute for SB 2.

Senator Clodfelter then explained how the redistricting plan was drawn, following requirements of the federal Voting Rights Act of 1965 and the recent rulings from the North Carolina Supreme Court.

Senator Patrick Ballantine was recognized to send forth Amendment #2 (S2-ALB-132 [v.1]), which would restore the interim court-drawn map used for the 2002 elections and moved it be adopted. Senator Clodfelter spoke in opposition to the amendment. He cited two comments on reaction to the 2003 Senate Redistricting Plan in relation to the Voting Rights Act of 1965. The first is a letter from Mr. Adam Stein of the law firm Ferguson, Stein, Chambers, Wallace, Adkins, Gresham and Sumter. It says,

> "I write to you regarding the 2003 Senate Redistricting Plan for the North Carolina Senate. Based on my review of the Senate Plan, I am in support of the Senate's proposal and encourage others to support it as well. Under this plan, all of the African-American incumbents are in districts that continue to provide the African-American community with the opportunity to elect candidates of their choice. Additionally, this plan creates two new open districts, which are likely to provide the African-American communities with good opportunities to elect candidates of their choice. In my view, the plan satisfies the requirements of the federal Voting Rights Act."

Senator Clodfelter added that he had been authorized to read the following statement from Mr. Julius Chambers, a noted civil rights attorney in North Carolina and familiar with Voting Rights Act litigation. Senator Clodfelter read Mr. Chambers' statement, "Under the law, the plan is not retrogressive, and I would not oppose this plan." Senator Hamilton Horton asked for the date of the letter. Senator Clodfelter said it was dated November 24.

Senator Dannelly called for a vote on the motion. The motion failed.

Senator Tony Rand was recognized to send forth Amendment #3 (S2-ARI-66 [v.1]) to change language concerning the setting of primary dates, and moved it be adopted. The motion carried.

Senator Ballantine sent forth Amendment #4 (S2-ALB-131 [v.2]) and moved it be adopted. The provisions would keep the minority districts as they are in the 2002 Interim Plan except that Senator Dorsett's district increases from 50.22% to 55%. Senators Katie Dorsett and Clodfelter spoke against the amendment. The motion failed.

Senator Phillip Berger sent forth Amendment #5 (S2-ALB-138 [v.1]) and moved it be adopted. The amendment would change Rockingham, Guilford and Davidson Counties back to the 2002 map. Senators Clodfelter and Dorsett spoke against the amendment. The motion failed.

Senator Berger sent forth Amendment #6 (S2-ALB-137 [v.1]) and moved it be adopted. The proposed amendment would change the 2003 Senate Plan in Mecklenburg and Union Counties. Senator Clodfelter demonstrated that the 2003 proposed Senate plan was superior to the 2002 Interim Plan in that the districts were not as compact. The motion failed.

Senator Berger sent forth Amendment #7 (S2-ALB-136 [v.1]) and moved it be adopted. The amendment would return the internal division within Wake County to be the same as in the 2002 Interim Plan. Senator Clodfelter spoke against the amendment. The motion failed.

Senator Berger sent forth Amendment #8 (S2-ALB-139 [v.1]) and moved it be adopted. The amendment would return the division of the cluster of Cumberland and Bladen Counties to the one contained in the 2002 Interim Plan. Senator Clodfelter spoke against the amendment. The motion failed.

Senator Hamilton Horton sent forth Amendment #9 (S2-ARR-65 [v.2]) and moved it be adopted. The amendment would add language to the bill to establish an independent redistricting commission. Senators Vernon Malone and Clodfelter spoke against the amendment. The motion failed.

Senator Dannelly told committee members some people from the audience wanted to address the committee. Mr. Harold Webb, Wake County Commissioner, spoke in support of the 2003 Senate Plan, saying it is better than the plan used for the 2002 election. Mr. Matthew J. Watts, an active citizen of Cumberland County, also spoke in support of the 2003 Senate Plan. Ms. Octavia Rainey, who described herself as a voter, also supported the current version of SB 2 and believes it will encourage more African-American candidates to run for the Senate.

For the record, Senator Clodfelter entered a map enlargement of Guilford County, comparing the 2002 Interim Senate Plan with the 2003 Senate Redistricting Plan for Guilford County (see Attachment A).

Senator Dannelly announced the committee would be in recess for 15 minutes.

The committee reconvened at 5:45 p.m. Senator Clodfelter reported the committee would not be reporting SB 2, but would be adding the provisions of SB 2 as amended to the provisions of HB

3, the House Redistricting plan when it is received from the House. He further announced the committee staff was looking at a change in the five-county cluster (Iredell, Gaston, Lincoln, Catawba and Cabarrus), which would result in one fewer split counties.

The committee recessed at 5:50 p.m. to allow the members to have some dinner and attend session at 7:00 p.m.

The meeting reconvened at 8:15 p.m. Senator Clodfelter announced the Iredell-Gaston-Lincoln-Catawba-Cabarrus cluster did work, and the new districts were being inserted into the amended SB 2. He again announced that the Senate plan as finally approved by the committee, would be inserted into the House plan (HB 3) when it came to the Senate. Senator Clodfelter then explained Sections 3 through 13 of SB 2 (see Attachment B). Senator Richard Stevens found a mistake in the committee substitute for SB 2. Senator Clodfelter stated the correction would be made in the proposed committee substitute for HB 3.

Senator Fern Shubert commented on the Mecklenburg/Union cluster. Senator Clodfelter responded to Senator Shubert's comments.

Senator Ballantine sent forth Amendment #10 (S2-ALB-140 [v.1]) and moved it be adopted. He stated the version amended the 2003 Senate Redistricting Plan and used the same clusters, but did not retrogress the minority districts. Senator Clodfelter opposed the amendment, saying that the amendment failed constitutional criteria. The motion failed.

The Senate Redistricting Committee recessed at 9:30 p.m. and reconvened in the Senate Chamber at 9:45 p.m. Because of proofreading and production difficulties, Senator Clodfelter announced the committee would adjourn at 9:50 p.m. and meet again at 9:00 a.m. on Tuesday, November 25, 2003, in Room 643 of the Legislative Office Building, to take up the proposed committee substitute for HB 3.

SECTION 2. G.S. 120-1(b) and (c) read as rewritten:

"(b) The names and boundaries of precincts (voting tabulation districts), tracts, block groups, and blocks specified in this section are ~~as they were legally defined and recognized in the 2000 United States Census. Boundaries are~~ as shown on the Redistricting Census 2000 TIGER Files, with modifications made by the Legislative Services Office on its computer database as of ~~May 1, 2001,~~ October 20, 2003, to reflect precincts ~~divided or renamed~~ updated as outlined in subsection (c) of this section. ~~However, in Robeson County PHILADEPLUS is, in fact, PHILADELPHUS, and in Vance County SANDY SCREEK is, in fact, SANDY CREEK. If the boundary line between Iredell and Mecklenburg Counties in the Redistricting Census 2000 TIGER Files conflicts with that provided by Section 1 of Session Law 1998-15 as rewritten by Session Law 2001-429, Section 1 of Session Law 1998-15 as rewritten by Session Law 2001-429 prevails to the extent of the conflict.~~ However, the boundary corner between Forsyth, Stokes, and Rockingham Counties is as established by Chapter 23, Public Laws of 1848-49.

(c) The Legislative Services Office modified on its computer database some of the precincts shown on the Redistricting Census 2000 TIGER Files to reflect ~~precincts divided or renamed by county boards of elections after the TIGER Files were completed.~~ with greater accuracy the precincts as they existed as of October 20, 2003, including changes made to precincts after the TIGER Files were completed. As a result, precincts are shown differently on the Legislative Services Office computer database from the TIGER Files in ~~the following counties:~~ several counties. Those changes include actions by county boards of elections to divide, merge, and otherwise realign precincts. Where a realignment of precinct boundaries by a county board of elections is impossible to reflect in the database using Census geography, the Legislative Services Office modified the database by either merging two precincts or by approximating the boundary using Census geography. The following is a list, for informational purposes only, of precincts shown in the TIGER Files, the geography of which has been modified in the Legislative Services Office computer database:

In additional instances, precincts shown in the TIGER Files have not been changed geographically, but the names that appear in TIGER have been modified to correct misspellings, to standardize naming, or to reflect more closely the names used by county boards of elections and the State Board of Elections."

SECTION 3.(a) If by 10:00 A.M. on February 9, 2004, an act to redistrict the State House of Representatives or the State Senate has not been approved under section 5 of the Voting Rights Act of 1965 or is otherwise prohibited by law from being implemented, the State Board of Elections shall postpone the primary election for all offices in G.S. 163-1 until a date the State Board determines to be fair to all parties, potential candidates, and voters. The State Board shall make its decision as soon as practical, taking into account the likelihood of receiving a final approval of any pending redistricting plan.

SECTION 3.(b) If the filing period or primary election or both for all offices in G.S. 163-1 are postponed under this section, the State Board of Elections may issue temporary orders pursuant to that postponement that may change, modify, delete, amend, or add to any statute contained in Chapter 163 of the General Statutes, any rules contained in Title 8 of the North Carolina Administrative Code, or any other election regulation or guideline that may affect the 2004 primaries and general election for those offices. Those orders shall include a primary schedule and if necessary an altered schedule leading to the general election on November 2, 2004. The orders shall include reset dates for absentee balloting that shall as nearly as practical provide the same amount of time for voters and election officials set forth in Article 20 of Chapter 163 of the General Statutes. The State Board shall, as soon as practical, distribute its orders, including a Revised Primary Timetable, to county boards of elections. Adoption of orders under this subsection is not subject to Chapter 150B of the General Statutes.

SECTION 3.(c) The State Board of Elections shall be governed by the following limitations:

(1) Any postponement of the candidate filing period or the primary shall apply to all offices in G.S. 163-1 whose primary elections are regularly scheduled on primary day, so that there is one candidate filing period for all those offices and one primary election for all those offices. The postponement shall also apply to any elections to local office held on that date (such as elections for boards of education under G.S. 115C-37) and the filing period for those offices.

(2) The State Board of Elections does not have the authority to dispense with a second primary. The State Board shall provide for a second primary in its schedule to any candidate entitled to call for a second primary under the provisions of G.S. 163-111.

(3) The State Board shall set a filing period no shorter than 10 business days.

(4) Before making its decision to postpone a filing period or primary election under this section, the State Board of Elections shall consult with the President Pro Tempore of the Senate, the Speakers of the House of Representatives, and the leaders of both political parties in the House and Senate.

SECTION 3.(d) If the primary election is postponed under subsection (a) of this section, any local act for election of a board of education elected at the primary which provides that persons elected shall take office in July of the year of the election is modified for the 2004 election only to provide that the persons elected shall take office at the next meeting of the board of education after the certification of the election.

SECTION 3.(e) For the 2004 primary election only, G.S. 163-112 shall be applied by substituting "10 days" for "30 days" wherever it appears.

SECTION 3.(f) The provisions of this section apply during the 2004 election year only.

SECTION 3.1. G.S. 163-1 is amended by adding a new subsection to read:

"(d) If primaries for the State Senate or State House of Representatives are temporarily moved from the date provided in subsection (b) of this section for any election year, all primaries under this section shall be held on the same day."

SENATE BILL 2:
Sections 3-13 -- Related Changes

BILL ANALYSIS

Committee:	Senate Redistricting	**Introduced by:**	Senators Clodfelter, Dannelly, and Lucas
Date:	November 24, 2003		
Version:	First Edition	**Summary by:**	William R. Gilkeson Staff Attorney

SUMMARY: ***Sections 3 through 13 of the Senate Bill 2 not containing the redistricting plan itself authorizes the State Board of Elections to postpone the 2004 primaries in case the 2004 House or Senate redistricting plan does not achieve final approval in time for candidate filing to begin as scheduled February 9. It makes several changes related to that kind of postponement. It requires that challenges to legislative or congressional redistricting plans be enacted by a three-judge panel in Wake County Superior Court. It separately sets procedure for courts to use in deciding redistricting challenges.***

Section 3. Empowers the State Board of Elections to postpone the 2004 primary for offices covered by G.S. 163-1 if the legislative redistricting plans do not achieve preclearance by the beginning of the filing period, February 9, 2003. Similar legislation was enacted in late 2001. G.S. 163-1 deals with most congressional, State, and local offices. The State Board would not have the authority to dispense with the second primary.

Section 3.1. Provides a statutory change saying that whenever State House or State Senate primaries are temporarily postponed, the primaries for all offices covered by G.S. 163-1 shall be moved together.

Section 4. Provides that any challenge to a legislative or congressional redistricting plan enacted by the General Assembly must be filed in the Superior Court of Wake County and be heard by a three-judge panel of Wake County Superior Court. The panel would be presided over by the Senior Resident Judge of Wake County. The other two members of the panel would be resident Superior Court judges appointed by the Chief Justice of North Carolina, one from the Eastern four divisions of the Superior Court and one from the Western four divisions. Former members of the General Assembly would be disqualified from the panel. If any member of the panel, including the presiding judge, were to be disqualified, the Chief Justice would replace that judge on the panel with another resident Superior Court judge from the same geographical area. The bill would require the clerk of court of any other county that had such a case to move it to Wake County.

Sections 5 through 7. Separately from the requirement of a three-judge panel, provides that judgments invalidating redistricting plans must specifically identify any constitutional defect, and give the General Assembly a period no shorter than two weeks to remedy the identified defect.

Section 8. Separately from the requirement of a three-judge panel, provides that venue for challenges to legislative or congressional districting lies exclusively in Wake County Superior Court. The bill would require the clerk of court of any other county that had such a case to move it to Wake County.

Section 9. Expands the method by which preclearance under Section 5 of the Voting Rights Act can be sought for Statewide acts effecting voting, and gives the Attorney General of North Carolina the authority to seek preclearance for legislative or congressional redistricting. The Executive Director of the State Board of Elections currently is charged with seeking preclearance from the U.S. Department of Justice. The bill would permit the Executive Director to seek preclearance either from USDOJ or from the District Court for the District of Columbia. Those two methods are provided in 42 U.S.C. 1973c, the Voting Rights Act. The bill would also give the Attorney General of North Carolina the duty to seek preclearance of legislative or congressional redistricting plans, using either method.

Section 10. Extends for another year the freeze on changes in precinct lines that is set to sunset Dec. 31, 2003.

Section 11. Provides that if the party primaries are postponed temporarily from the regular May date for one year only, the distribution of money to political parties from the Political Parties Financing Fund be done on the date the

primary would regularly have been held, rather than done after the primary. (A separate statute prohibits parties from using money from that Fund to make donations to primary candidates.)

Section 12. A severability clause.

Section 13. Makes the bill effective when it becomes law, and applies it to any pending case regardless of when filed or any action of a court affecting the validity of a legislative or congressional redistricting act.

Room 643, Legislative Office Building

MINUTES

The Senate Redistricting Committee met on Tuesday, November 25, 2003, at 9:00 a.m. in Room 643 of the Legislative Office Building. Senator Charlie Dannelly, Co-Chair, presided. Twenty of the committee members and twenty of the non-members attended. According to the rules adopted for the Extra Session for redistricting, non-members could ask questions and propose the adoption of amendments, but could not vote on motions.

Senator Dannelly recognized Senator Daniel Clodfelter to move the adoption of a proposed committee substitute for HB 3, House Redistricting Plan for the purposes of discussion. The motion carried. Senator Clodfelter told the attendees that the committee substitute for HB 3 included the House redistricting plan, the provisions of SB 2, Senate Redistricting, as amended the previous day, corrections to the problem section identified by Senator Richard Stevens, and the redistricted cluster of Lincoln, Gaston, Iredell, Catawba and Cabarrus counties. He moved an unfavorable report as to the House bill, but favorable as to the Senate committee substitute.

Senator Phillip Berger sent forth Amendment #1 (H3-ARR-69 [v.1]) and moved it be adopted. The amendment would have deleted the provisions for naming a three-judge panel for redistricting challenges. The motion failed.

The committee then voted on the previous motion, and the motion carried.

The meeting adjourned at 9:30 a.m.

SECTION 2. G.S. 120-1(b) and (c) read as rewritten:

"(b) The names and boundaries of precincts (voting tabulation districts), tracts, block groups, and blocks specified in this section are ~~as they were legally defined and recognized in the 2000 United States Census. Boundaries are~~ as shown on the Redistricting Census 2000 TIGER Files, with modifications made by the Legislative Services Office on its computer database as of ~~May 1, 2001,~~ October 20, 2003, to reflect precincts ~~divided or renamed~~ updated as outlined in subsection (c) of this section. ~~However, in Robeson County PHILADEPLUS is, in fact, PHILADELPHUS, and in Vance County SANDY SCREEK is, in fact, SANDY CREEK. If the boundary line between Iredell and Mecklenburg Counties in the Redistricting Census 2000 TIGER Files conflicts with that provided by Section 1 of Session Law 1998-15 as rewritten by Session Law 2001-429, Section 1 of Session Law 1998-15 as rewritten by Session Law 2001-429 prevails to the extent of the conflict.~~ However, the boundary corner between Forsyth, Stokes, and Rockingham Counties is as established by Chapter 23, Public Laws of 1848-49.

(c) The Legislative Services Office modified on its computer database some of the precincts shown on the Redistricting Census 2000 TIGER Files to reflect ~~precincts divided or renamed by county boards of elections after the TIGER Files were completed.~~ with greater accuracy the precincts as they existed as of October 20, 2003, including changes made to precincts after the TIGER Files were completed. As a result, precincts are shown differently on the Legislative Services Office computer database from the TIGER Files in ~~the following counties:~~ several counties. Those changes include actions by county boards of elections to divide, merge, and otherwise realign precincts. Where a realignment of precinct boundaries by a county board of elections is impossible to reflect in the database using Census geography, the Legislative Services Office modified the database by either merging two precincts or by approximating the boundary using Census geography. The following is a list, for informational purposes only, of precincts shown in the TIGER Files, the geography of which has been modified in the Legislative Services Office computer database:

SECTION 2. G.S. 120-2(b) and (c) read as rewritten:

"(b) The names and boundaries of precincts (voting tabulation districts), tracts, block groups, and blocks specified in this section are ~~as they were legally defined and recognized in the 2000 United States Census. Boundaries are~~ as shown on the Redistricting Census 2000 TIGER Files, with modifications made by the Legislative Services Office on its computer database as of ~~May 1, 2001,~~ October 20, 2003, to reflect precincts ~~divided or renamed~~ updated as outlined in subsection (c) of this section. ~~However, in Robeson County PHILADEPLUS is, in fact, PHILADELPHUS, and in Vance County SANDY SCREEK is, in fact, SANDY CREEK. If the boundary line between Iredell and Mecklenburg Counties in the Redistricting Census 2000 TIGER Files conflicts with that provided by Section 1 of Session Law 1998-15 as rewritten by Session Law 2001-429, Section 1 of Session Law 1998-15 as rewritten by Session Law 2001-429 prevails to the extent of the conflict.~~ However, the boundary corner between Forsyth, Stokes, and Rockingham Counties is as established by Chapter 23, Public Laws of 1848-49.

(c) The Legislative Services Office modified on its computer database some of the precincts shown on the Redistricting Census 2000 TIGER Files to reflect ~~precincts divided or renamed by county boards of elections after the TIGER Files were completed.~~ with greater accuracy the precincts as they existed as of October 20, 2003, including changes made to precincts after the TIGER Files were completed. As a result, precincts are shown differently on the Legislative Services Office computer database from the TIGER Files in ~~the following counties:~~ several counties. Those changes include actions by county boards of elections to divide, merge, and otherwise realign precincts. Where a realignment of precinct boundaries by a county board of elections is impossible to reflect in the database using Census geography, the Legislative Services Office modified the database by either merging two precincts or by approximating the boundary using Census geography. The following is a list, for informational purposes only, of precincts shown in the TIGER Files, the geography of which has been modified in the Legislative Services Office computer database:

SECTION 4. G.S. 120-1(b) and (c) read as rewritten:

"(b) The names and boundaries of precincts (voting tabulation districts), tracts, block groups, and blocks specified in this section are ~~as they were legally defined and recognized in the 2000 United States Census. Boundaries are~~ as shown on the Redistricting Census 2000 TIGER Files, with modifications made by the Legislative Services Office on its computer database as of ~~May 1, 2001,~~ October 20, 2003, to reflect precincts ~~divided or renamed~~updated as outlined in subsection (c) of this section. ~~However, in Robeson County PHILADEPLUS is, in fact, PHILADELPHUS, and in Vance County SANDY SCREEK is, in fact, SANDY CREEK. If the boundary line between Iredell and Mecklenburg Counties in the Redistricting Census 2000 TIGER Files conflicts with that provided by Section 1 of Session Law 1998-15 as amended, Section 1 of Session Law 1998-15 as amended prevails to the extent of conflict.~~ However, the boundary corner between Forsyth, Stokes, and Rockingham Counties is as established by Chapter 23, Public Laws of 1848-49.

(c) The Legislative Services Office modified on its computer database some of the precincts shown on the Redistricting Census 2000 TIGER Files to reflect ~~precincts divided or renamed by county boards of elections after the TIGER Files were completed.~~ with greater accuracy the precincts as they existed as of October 20, 2003, including changes made to precincts after the TIGER Files were completed. As a result, precincts are shown differently on the Legislative Services Office computer database from the TIGER Files in ~~the following counties:~~ several counties. Those changes include actions by county boards of elections to divide, merge, and otherwise realign precincts. Where a realignment of precinct boundaries by a county board of elections is impossible to reflect in the database using Census geography, the Legislative Services Office modified the database by either merging two precincts or by approximating the boundary using Census geography. The following is a list, for informational purposes only, of precincts shown in the TIGER Files, the geography of which has been modified in the Legislative Services Office computer database:

SECTION 5.(a) If by 10:00 A.M. on February 9, 2004, an act to redistrict the State House of Representatives or the State Senate has not been approved under section 5 of the Voting Rights Act of 1965 or is otherwise prohibited by law from being implemented, the State Board of Elections shall postpone the primary election for all offices until a date the State Board determines to be fair to all parties, potential candidates, and voters. The State Board shall make its decision as soon as practical, taking into account the likelihood of receiving a final approval of any pending redistricting plan.

SECTION 5.(b) If the filing period or primary election or both for all offices are postponed under this section, the State Board of Elections may issue temporary orders pursuant to that postponement that may change, modify, delete, amend, or add to any statute contained in Chapter 163 of the General Statutes, any rules contained in Title 8 of the North Carolina Administrative Code, or any other election regulation or guideline that may affect the 2004 primaries and general election for those offices. Those orders shall include a primary schedule and if necessary an altered schedule leading to the general election on November 2, 2004. The orders shall include reset dates for absentee balloting that shall as nearly as practical provide the same amount of time for voters and election officials set forth in Article 20 of Chapter 163 of the General Statutes. The State Board shall, as soon as practical, distribute its orders, including a Revised Primary Timetable, to county boards of elections. Adoption of orders under this subsection is not subject to Chapter 150B of the General Statutes.

SECTION 5.(c) The State Board of Elections shall be governed by the following limitations:

(1) Any postponement of the candidate filing period or the primary shall apply to all offices whose primary elections are regularly scheduled on primary day, so that there is one candidate filing period for all those offices and one primary election for all those offices. The postponement shall also apply to any elections to local office held on that date (such as elections for boards of education under G.S. 115C-37) and the filing period for those offices.

(2) The State Board of Elections does not have the authority to dispense with a second primary. The State Board shall provide for a second primary in its schedule to any candidate entitled to call for a second primary under the provisions of G.S. 163-111.

(3) The State Board shall set a filing period no shorter than 10 business days.

(4) Before making its decision to postpone a filing period or primary election under this section, the State Board of Elections shall consult with the President Pro Tempore of the Senate, the Speakers of the House of Representatives, and the leaders of both political parties in the House and Senate.

SECTION 5.(d) If the primary election is postponed under subsection (a) of this section, any local act for election of a board of education elected at the primary which provides that persons elected shall take office in July of the year of the election is modified for the 2004 election only to provide that the persons elected shall take office at the next meeting of the board of education after the certification of the election.

SECTION 5.(e) For the 2004 primary election only, G.S. 163-112 shall be applied by substituting "10 days" for "30 days" wherever it appears.

SECTION 5.(f) The provisions of this section apply during the 2004 election year only.

SECTION 6. G.S. 163-1 is amended by adding a new subsection to read:

"(d) If primaries for the State Senate or State House of Representatives are temporarily moved from the date provided in subsection (b) of this section for any election year, all primaries shall be held on the same day."

SECTION 7.(a) Chapter 1 of the General Statutes is amended by adding a new Article to read:

"Article 26A.

"Three-Judge Panel for Redistricting Challenges.

"**§ 1-267.1. Three-judge panel for actions challenging plans apportioning or redistricting State legislative or congressional districts.**

(a) Any action challenging the validity of any act of the General Assembly that apportions or redistricts State legislative or congressional districts shall be filed in the Superior Court of Wake County and shall be heard and determined by a three-judge panel of the Superior Court of Wake County organized as provided by subsection (b) of this section.

(b) Whenever any person files in the Superior Court of Wake County any action challenging the validity of any act of the General Assembly that apportions or redistricts State legislative or congressional districts, a copy of the complaint shall be served upon the senior resident superior court judge of Wake County, who shall be the presiding judge of the three-judge panel required by subsection (a) of this section. Upon receipt of that complaint, the senior resident superior court judge of Wake County shall notify the Chief Justice, who shall appoint two additional resident superior court judges to the three-judge panel of the Superior Court of Wake County to hear and determine the action. Before making those appointments, the Chief Justice shall consult with the North

Carolina Conference of Superior Court Judges, which shall provide the Chief Justice with a list of recommended appointments. To ensure that members of the three-judge panel are drawn from different regions of the State, the Chief Justice shall appoint to the three-judge panel one resident superior court judge from the First through Fourth Judicial Divisions and one resident superior court judge from the Fifth through Eighth Judicial Divisions. In order to ensure fairness, to avoid the appearance of impropriety, and to avoid political bias, no member of the panel, including the senior resident superior court judge of Wake County, may be a former member of the General Assembly. Should the senior resident superior court judge of Wake County be disqualified or otherwise unable to serve on the three-judge panel, the Chief Justice shall appoint another resident superior court judge of Wake County as the presiding judge of the three-judge panel. Should any other member of the three-judge panel be disqualified or otherwise unable to serve on the three-judge panel, the Chief Justice shall appoint as a replacement another resident superior court judge from the same group of judicial divisions as the resident superior court judge being replaced.

(c) No order or judgment shall be entered affecting the validity of any act of the General Assembly that apportions or redistricts State legislative or congressional districts except by the three-judge panel of the Superior Court of Wake County organized as provided by subsection (b) of this section. In the event of disagreement among the three resident superior court judges comprising the three-judge panel, then the opinion of the majority shall prevail."

SECTION 7.(b) Any action challenging the validity of any act of the General Assembly that apportions or redistricts State legislative or congressional districts and pending in a court other than the Superior Court of Wake County on the effective date of this act shall be transferred, with a notice of transfer, by the clerk of superior court of the county in which the action is pending to the clerk of Superior Court of Wake County. The clerk of superior court of the county in which the action is pending shall serve the senior resident superior court judge of Wake County with a copy of the notice of transfer. Upon receipt of the notice of transfer, the senior resident superior court judge of Wake County shall notify the Chief Justice, who shall appoint two additional resident superior court judges to serve with the senior resident superior court judge of Wake County on the three-judge panel of the superior court of Wake County as provided by subsection (a) of this section.

SECTION 9. Article 1 of Chapter 120 of the General Statutes is amended by adding a new section to read:

"**§ 120-2.4. Opportunity for General Assembly to remedy defects.**

If the General Assembly enacts a plan apportioning or redistricting State legislative or congressional districts, in no event may a court impose its own substitute plan unless the court first gives the General Assembly a period of time to remedy any defects identified by the court in its findings of fact and conclusions of law. That period of time shall not be less than two weeks. In the event the General Assembly does not act to remedy any identified defects to its plan within that period of time, the court may impose an interim districting plan for use in the next general election only, but that interim districting plan may differ from the districting plan enacted by the General Assembly only to the extent necessary to remedy any defects identified by the court."

SECTION 10. Article 1 of Chapter 120 of the General Statutes is amended by adding a new section to read:

"**§ 120-2.5. Direct appeal to Supreme Court.**

Appeal lies of right directly to the Supreme Court from any final order or judgment of a court declaring unconstitutional or otherwise invalid in whole or in part and for any reason any act of the General Assembly that apportions or redistricts State legislative or congressional districts."

SECTION 11.(a) Article 7 of Chapter 1 of the General Statutes is amended by adding a new section to read:

"**§ 1-81.1. Venue in apportionment or redistricting cases.**

(a) Venue in any action concerning any act of the General Assembly apportioning or redistricting State legislative or congressional districts lies exclusively with the Wake County Superior Court.

(b) Any action brought concerning an act of the General Assembly apportioning or redistricting the State legislative or congressional districts shall be filed in the Superior Court of Wake County."

SECTION 11.(b) Any action challenging the validity of any enactment of the General Assembly that apportions or redistricts State legislative or congressional districts and pending in a court other than the Superior Court of Wake County on the effective date of this act shall be transferred, with a notice of transfer, by the clerk of superior court of the county in which the action is pending to the clerk of Superior Court of Wake County. The clerk of superior court of the county in which the action is pending shall serve the senior resident superior court judge of Wake County with a copy of the notice of transfer.

A county board of elections proposing a change to a precinct during this period shall submit that change to the Legislative Services Office, which shall examine the proposed change and give its opinion of its compliance with this subsection to the Executive Director of the State Board of Elections.
